(3) Apply to the court for release of the rent on the grounds that there was no violation of any obligation imposed upon the park operator by section ~~3733.10~~ 4781.38 of the Revised Code or by the rental agreement, or by any building, housing, health, or safety code, or that the condition contained in the notice given pursuant to division (A) of section ~~3733.12~~ 4781.41 of the Revised

Code has been remedied. 96114

(B) The resident shall be named as a party to any action 96115

~~3733.12~~ 4781.41 of the Revised Code has been remedied, or that the 96126

(D) If the court finds that the condition contained in the 96134
notice given pursuant to division (A) of section ~~3733.12~~ 4781.41 96135

proceeding under section ~~3733.12~~ 4781.41 of the Revised Code, the 96138

payment of the periodic interest on a mortgage on the premises, 96146

lots, the cost of operating these lots, and the costs which may be 96154
required to remedy the condition contained in the notice given 96155
pursuant to division (A) of section ~~3733.12~~ 4781.41 of the Revised 96156
Code. 96157

~~health council~~ rule commission, or health or safety code, is not 96178
being enforced against other manufactured home park residents, or 96179
that the two violations were not willful and not committed in bad 96180

If the resident remedies the condition described in the 96182

the rental agreement shall not terminate. The park operator may 96184
terminate the rental agreement immediately if the resident commits 96185
a second material violation of the park or ~~public health council~~ 96186

fish protection for riverine, anadromous, and catadromous fish. 96775

(d) The facility complies with the recommendations of the 96776
Ohio environmental protection agency and with the terms of its 96777
federal energy regulatory commission license regarding watershed 96778
protection, mitigation, or enhancement, to the extent of each 96779
agency's respective jurisdiction over the facility. 96780

(e) The facility complies with provisions of the "Endangered 96781

Species Act of 1973," 87 Stat. 884, 16 U.S.C. 1531 to 1544, as 96782
amended. 96783

(f) The facility does not harm cultural resources of the 96784
area. This can be shown through compliance with the terms of its 96785
federal energy regulatory commission license or, if the facility 96786
is not regulated by that commission, through development of a plan 96787
approved by the Ohio historic preservation office, to the extent 96788
it has jurisdiction over the facility. 96789

(g) The facility complies with the terms of its federal 96790
energy regulatory commission license or exemption that are related 96791
to recreational access, accommodation, and facilities or, if the 96792
facility is not regulated by that commission, the facility 96793
complies with similar requirements as are recommended by resource 96794
agencies, to the extent they have jurisdiction over the facility; 96795
and the facility provides access to water to the public without 96796
fee or charge. 96797

(h) The facility is not recommended for removal by any 96798
federal agency or agency of any state, to the extent the 96799
particular agency has jurisdiction over the facility. 96800

(B) For the purposes of this chapter, a retail electric 96801
service component shall be deemed a competitive retail electric 96802
service if the service component is competitive pursuant to a 96803
declaration by a provision of the Revised Code or pursuant to an 96804
order of the public utilities commission authorized under division 96805
(A) of section 4928.04 of the Revised Code. Otherwise, the service 96806
component shall be deemed a noncompetitive retail electric 96807
service. 96808

Sec. 4928.20. (A) The legislative authority of a municipal 96809
corporation may adopt an ordinance, or the board of township 96810
trustees of a township or the board of county commissioners of a 96811
county may adopt a resolution, under which, on or after the 96812

starting date of competitive retail electric service, it may 96813
aggregate in accordance with this section the retail electrical 96814
loads located, respectively, within the municipal corporation, 96815
township, or unincorporated area of the county and, for that 96816
purpose, may enter into service agreements to facilitate for those 96817
loads the sale and purchase of electricity. The legislative 96818
authority or board also may exercise such authority jointly with 96819
any other such legislative authority or board. For customers that 96820
are not mercantile customers, an ordinance or resolution under 96821
this division shall specify whether the aggregation will occur 96822
only with the prior, affirmative consent of each person owning, 96823
occupying, controlling, or using an electric load center proposed 96824
to be aggregated or will occur automatically for all such persons 96825
pursuant to the opt-out requirements of division (D) of this 96826
section. The aggregation of mercantile customers shall occur only 96827
with the prior, affirmative consent of each such person owning, 96828
occupying, controlling, or using an electric load center proposed 96829
to be aggregated. Nothing in this division, however, authorizes 96830
the aggregation of the retail electric loads of an electric load 96831
center, as defined in section 4933.81 of the Revised Code, that is 96832
located in the certified territory of a nonprofit electric 96833
supplier under sections 4933.81 to 4933.90 of the Revised Code or 96834
an electric load center served by transmission or distribution 96835
facilities of a municipal electric utility. 96836

(B) If an ordinance or resolution adopted under division (A) 96837
of this section specifies that aggregation of customers that are 96838
not mercantile customers will occur automatically as described in 96839
that division, the ordinance or resolution shall direct the board 96840
of elections to submit the question of the authority to aggregate 96841
to the electors of the respective municipal corporation, township, 96842
or unincorporated area of a county at a special election on the 96843
day of the next primary or general election in the municipal 96844
corporation, township, or county. The legislative authority or 96845

board shall certify a copy of the ordinance or resolution to the 96846
board of elections not less than ninety days before the day of the 96847
special election. No ordinance or resolution adopted under 96848
division (A) of this section that provides for an election under 96849
this division shall take effect unless approved by a majority of 96850
the electors voting upon the ordinance or resolution at the 96851
election held pursuant to this division. 96852

(C) Upon the applicable requisite authority under divisions 96853
(A) and (B) of this section, the legislative authority or board 96854
shall develop a plan of operation and governance for the 96855
aggregation program so authorized. Before adopting a plan under 96856
this division, the legislative authority or board shall hold at 96857
least two public hearings on the plan. Before the first hearing, 96858
the legislative authority or board shall publish notice of the 96859
hearings once a week for two consecutive weeks in a newspaper of 96860
general circulation in the jurisdiction or as provided in section 96861
7.16 of the Revised Code. The notice shall summarize the plan and 96862
state the date, time, and location of each hearing. 96863

(D) No legislative authority or board, pursuant to an 96864
ordinance or resolution under divisions (A) and (B) of this 96865
section that provides for automatic aggregation of customers that 96866
are not mercantile customers as described in division (A) of this 96867
section, shall aggregate the electrical load of any electric load 96868
center located within its jurisdiction unless it in advance 96869
clearly discloses to the person owning, occupying, controlling, or 96870
using the load center that the person will be enrolled 96871
automatically in the aggregation program and will remain so 96872
enrolled unless the person affirmatively elects by a stated 96873
procedure not to be so enrolled. The disclosure shall state 96874
prominently the rates, charges, and other terms and conditions of 96875
enrollment. The stated procedure shall allow any person enrolled 96876
in the aggregation program the opportunity to opt out of the 96877

program every three years, without paying a switching fee. Any 96878
such person that opts out before the commencement of the 96879
aggregation program pursuant to the stated procedure shall default 96880
to the standard service offer provided under section 4928.14 or 96881
division (D) of section 4928.35 of the Revised Code until the 96882
person chooses an alternative supplier. 96883

(E)(1) With respect to a governmental aggregation for a 96884
municipal corporation that is authorized pursuant to divisions (A) 96885
to (D) of this section, resolutions may be proposed by initiative 96886
or referendum petitions in accordance with sections 731.28 to 96887
731.41 of the Revised Code. 96888

(2) With respect to a governmental aggregation for a township 96889
or the unincorporated area of a county, which aggregation is 96890
authorized pursuant to divisions (A) to (D) of this section, 96891
resolutions may be proposed by initiative or referendum petitions 96892
in accordance with sections 731.28 to 731.40 of the Revised Code, 96893
except that: 96894

(a) The petitions shall be filed, respectively, with the 96895
township fiscal officer or the board of county commissioners, who 96896
shall perform those duties imposed under those sections upon the 96897
city auditor or village clerk. 96898

(b) The petitions shall contain the signatures of not less 96899
than ten per cent of the total number of electors in, 96900
respectively, the township or the unincorporated area of the 96901
county who voted for the office of governor at the preceding 96902
general election for that office in that area. 96903

(F) A governmental aggregator under division (A) of this 96904
section is not a public utility engaging in the wholesale purchase 96905
and resale of electricity, and provision of the aggregated service 96906
is not a wholesale utility transaction. A governmental aggregator 96907
shall be subject to supervision and regulation by the public 96908

utilities commission only to the extent of any competitive retail 96909
electric service it provides and commission authority under this 96910
chapter. 96911

(G) This section does not apply in the case of a municipal 96912
corporation that supplies such aggregated service to electric load 96913
centers to which its municipal electric utility also supplies a 96914
noncompetitive retail electric service through transmission or 96915
distribution facilities the utility singly or jointly owns or 96916
operates. 96917

(H) A governmental aggregator shall not include in its 96918
aggregation the accounts of any of the following: 96919

(1) A customer that has opted out of the aggregation; 96920

(2) A customer in contract with a certified electric services 96921
company; 96922

(3) A customer that has a special contract with an electric 96923
distribution utility; 96924

(4) A customer that is not located within the governmental 96925
aggregator's governmental boundaries; 96926

(5) Subject to division (C) of section 4928.21 of the Revised 96927
Code, a customer who appears on the "do not aggregate" list 96928
maintained under that section. 96929

(I) Customers that are part of a governmental aggregation 96930
under this section shall be responsible only for such portion of a 96931
surcharge under section 4928.144 of the Revised Code that is 96932
proportionate to the benefits, as determined by the commission, 96933
that electric load centers within the jurisdiction of the 96934
governmental aggregation as a group receive. The proportionate 96935
surcharge so established shall apply to each customer of the 96936
governmental aggregation while the customer is part of that 96937
aggregation. If a customer ceases being such a customer, the 96938

otherwise applicable surcharge shall apply. Nothing in this 96939
section shall result in less than full recovery by an electric 96940
distribution utility of any surcharge authorized under section 96941
4928.144 of the Revised Code. 96942

(J) On behalf of the customers that are part of a 96943
governmental aggregation under this section and by filing written 96944
notice with the public utilities commission, the legislative 96945
authority that formed or is forming that governmental aggregation 96946
may elect not to receive standby service within the meaning of 96947
division (B)(2)(d) of section 4928.143 of the Revised Code from an 96948
electric distribution utility in whose certified territory the 96949
governmental aggregation is located and that operates under an 96950
approved electric security plan under that section. Upon the 96951
filing of that notice, the electric distribution utility shall not 96952
charge any such customer to whom competitive retail electric 96953
generation service is provided by another supplier under the 96954
governmental aggregation for the standby service. Any such 96955
consumer that returns to the utility for competitive retail 96956
electric service shall pay the market price of power incurred by 96957
the utility to serve that consumer plus any amount attributable to 96958
the utility's cost of compliance with the alternative energy 96959
resource provisions of section 4928.64 of the Revised Code to 96960
serve the consumer. Such market price shall include, but not be 96961
limited to, capacity and energy charges; all charges associated 96962
with the provision of that power supply through the regional 96963
transmission organization, including, but not limited to, 96964
transmission, ancillary services, congestion, and settlement and 96965
administrative charges; and all other costs incurred by the 96966
utility that are associated with the procurement, provision, and 96967
administration of that power supply, as such costs may be approved 96968
by the commission. The period of time during which the market 96969
price and alternative energy resource amount shall be so assessed 96970
on the consumer shall be from the time the consumer so returns to 96971

the electric distribution utility until the expiration of the 96972
electric security plan. However, if that period of time is 96973
expected to be more than two years, the commission may reduce the 96974
time period to a period of not less than two years. 96975

(K) The commission shall adopt rules to encourage and promote 96976
large-scale governmental aggregation in this state. For that 96977
purpose, the commission shall conduct an immediate review of any 96978
rules it has adopted for the purpose of this section that are in 96979
effect on the effective date of the amendment of this section by 96980
S.B. 221 of the 127th general assembly, July 31, 2008. Further, 96981
within the context of an electric security plan under section 96982
4928.143 of the Revised Code, the commission shall consider the 96983
effect on large-scale governmental aggregation of any 96984
nonbypassable generation charges, however collected, that would be 96985
established under that plan, except any nonbypassable generation 96986
charges that relate to any cost incurred by the electric 96987
distribution utility, the deferral of which has been authorized by 96988
the commission prior to the effective date of the amendment of 96989
this section by S.B. 221 of the 127th general assembly, July 31, 96990
2008. 96991

Sec. 4929.26. (A)(1) The legislative authority of a municipal 96992
corporation may adopt an ordinance, or the board of township 96993
trustees of a township or the board of county commissioners of a 96994
county may adopt a resolution, under which, in accordance with 96995
this section and except as otherwise provided in division (A)(2) 96996
of this section, the legislative authority or board may aggregate 96997
automatically, subject to the opt-out requirements of division (D) 96998
of this section, competitive retail natural gas service for the 96999
retail natural gas loads that are located, respectively, within 97000
the municipal corporation, township, or unincorporated area of the 97001
county and for which there is a choice of supplier of that service 97002
as a result of revised schedules approved under division (C) of 97003

section 4929.29 of the Revised Code, a rule or order adopted or 97004
issued by the commission under Chapter 4905. of the Revised Code, 97005
or an exemption granted by the commission under sections 4929.04 97006
to 4929.08 of the Revised Code. An ordinance or a resolution 97007
adopted under this section shall expressly state that it is 97008
adopted pursuant to the authority conferred by this section. The 97009
legislative authority or board also may exercise its authority 97010
under this section jointly with any other such legislative 97011
authority or board. For the purpose of the aggregation, the 97012
legislative authority or board may enter into service agreements 97013
to facilitate the sale and purchase of the service for the retail 97014
natural gas loads. 97015

(2)(a) No aggregation under an ordinance or resolution 97016
adopted under division (A)(1) of this section shall include the 97017
retail natural gas load of any person that meets any of the 97018
following criteria: 97019

(i) The person is both a distribution service customer and a 97020
mercantile customer on the date of commencement of service to the 97021
aggregated load, or the person becomes a distribution service 97022
customer after that date and also is a mercantile customer. 97023

(ii) The person is supplied with commodity sales service 97024
pursuant to a contract with a retail natural gas supplier that is 97025
in effect on the effective date of the ordinance or resolution. 97026

(iii) The person is supplied with commodity sales service as 97027
part of a retail natural gas load aggregation provided for 97028
pursuant to a rule or order adopted or issued by the commission 97029
under this chapter or Chapter 4905. of the Revised Code. 97030

(b) Nothing in division (A)(2)(a) of this section precludes a 97031
governmental aggregation under this section from permitting the 97032
retail natural gas load of a person described in division 97033
(A)(2)(a) of this section from being included in the aggregation 97034

upon the expiration of any contract or aggregation as described in 97035
division (A)(2)(a)(ii) or (iii) of this section or upon the person 97036
no longer being a customer as described in division (A)(2)(a)(i) 97037
of this section or qualifying to be included in an aggregation 97038
described under division (A)(2)(a)(iii) of this section. 97039

(B) An ordinance or resolution adopted under division (A) of 97040
this section shall direct the board of elections to submit the 97041
question of the authority to aggregate to the electors of the 97042
respective municipal corporation, township, or unincorporated area 97043
of a county at a special election on the day of the next primary 97044
or general election in the municipal corporation, township, or 97045
county. The legislative authority or board shall certify a copy of 97046
the ordinance or resolution to the board of elections not less 97047
than ninety days before the day of the special election. No 97048
ordinance or resolution adopted under division (A) of this section 97049
that provides for an election under this division shall take 97050
effect unless approved by a majority of the electors voting upon 97051
the ordinance or resolution at the election held pursuant to this 97052
division. 97053

(C) Upon the applicable requisite authority under divisions 97054
(A) and (B) of this section, the legislative authority or board 97055
shall develop a plan of operation and governance for the 97056
aggregation program so authorized. Before adopting a plan under 97057
this division, the legislative authority or board shall hold at 97058
least two public hearings on the plan. Before the first hearing, 97059
the legislative authority or board shall publish notice of the 97060
hearings once a week for two consecutive weeks in a newspaper of 97061
general circulation in the jurisdiction or as provided in section 97062
7.16 of the Revised Code. The notice shall summarize the plan and 97063
state the date, time, and location of each hearing. 97064

(D) No legislative authority or board, pursuant to an 97065
ordinance or resolution under divisions (A) and (B) of this 97066

section, shall aggregate any retail natural gas load located 97067
within its jurisdiction unless it in advance clearly discloses to 97068
the person whose retail natural gas load is to be so aggregated 97069
that the person will be enrolled automatically in the aggregation 97070
and will remain so enrolled unless the person affirmatively elects 97071
by a stated procedure not to be so enrolled. The disclosure shall 97072
state prominently the rates, charges, and other terms and 97073
conditions of enrollment. The stated procedure shall allow any 97074
person enrolled in the aggregation the opportunity to opt out of 97075
the aggregation every two years, without paying a switching fee. 97076
Any such person that opts out of the aggregation pursuant to the 97077
stated procedure shall default to the natural gas company 97078
providing distribution service for the person's retail natural gas 97079
load, until the person chooses an alternative supplier. 97080

(E)(1) With respect to a governmental aggregation for a 97081
municipal corporation that is authorized pursuant to divisions (A) 97082
to (D) of this section, resolutions may be proposed by initiative 97083
or referendum petitions in accordance with sections 731.28 to 97084
731.41 of the Revised Code. 97085

(2) With respect to a governmental aggregation for a township 97086
or the unincorporated area of a county, which aggregation is 97087
authorized pursuant to divisions (A) to (D) of this section, 97088
resolutions may be proposed by initiative or referendum petitions 97089
in accordance with sections 731.28 to 731.40 of the Revised Code, 97090
except that: 97091

(a) The petitions shall be filed, respectively, with the 97092
township fiscal officer or the board of county commissioners, who 97093
shall perform those duties imposed under those sections upon the 97094
city auditor or village clerk. 97095

(b) The petitions shall contain the signatures of not less 97096
than ten per cent of the total number of electors in the township 97097
or the unincorporated area of the county, respectively, who voted 97098

for the office of governor at the preceding general election for 97099
that office in that area. 97100

(F) A governmental aggregator under division (A) of this 97101
section is not a public utility engaging in the wholesale purchase 97102
and resale of natural gas, and provision of the aggregated service 97103
is not a wholesale utility transaction. A governmental aggregator 97104
shall be subject to supervision and regulation by the public 97105
utilities commission only to the extent of any competitive retail 97106
natural gas service it provides and commission authority under 97107
this chapter. 97108

Sec. 4929.27. (A)(1) The legislative authority of a municipal 97109
corporation may adopt an ordinance, or the board of township 97110
trustees of a township or the board of county commissioners of a 97111
county may adopt a resolution, under which, in accordance with 97112
this section and except as otherwise provided in division (A)(2) 97113
of this section, the legislative authority or board may aggregate, 97114
with the prior consent of each person whose retail natural gas 97115
load is proposed to be aggregated, competitive retail natural gas 97116
service for any such retail natural gas load that is located, 97117
respectively, within the municipal corporation, township, or 97118
unincorporated area of the county and for which there is a choice 97119
of supplier of that service as a result of revised schedules 97120
approved under division (C) of section 4929.29 of the Revised 97121
Code, a rule or order adopted or issued by the commission under 97122
Chapter 4905. of the Revised Code, or an exemption granted by the 97123
commission under sections 4929.04 to 4929.08 of the Revised Code. 97124
An ordinance or a resolution adopted under this section shall 97125
expressly state that it is adopted pursuant to the authority 97126
conferred by this section. The legislative authority or board also 97127
may exercise such authority jointly with any other such 97128
legislative authority or board. For the purpose of the 97129
aggregation, the legislative authority or board may enter into 97130

service agreements to facilitate the sale and purchase of the 97131
service for the retail natural gas loads. 97132

(2)(a) No aggregation under an ordinance or resolution 97133
adopted under division (A)(1) of this section shall include the 97134
retail natural gas load of any person that meets either of the 97135
following criteria: 97136

(i) The person is supplied with commodity sales service 97137
pursuant to a contract with a retail natural gas supplier that is 97138
in effect on the effective date of the ordinance or resolution. 97139

(ii) The person is supplied with commodity sales service as 97140
part of a retail natural gas load aggregation provided for 97141
pursuant to a rule or order adopted or issued by the commission 97142
under this chapter or Chapter 4905. of the Revised Code. 97143

(b) Nothing in division (A)(2)(a) of this section precludes a 97144
governmental aggregation under this section from permitting the 97145
retail natural gas load of a person described in division 97146
(A)(2)(a) of this section from being included in the aggregation 97147
upon the expiration of any contract or aggregation as described in 97148
division (A)(2)(a)(i) or (ii) of this section or upon the person 97149
no longer qualifying to be included in an aggregation. 97150

(B) Upon the applicable requisite authority under division 97151
(A) of this section, the legislative authority or board shall 97152
develop a plan of operation and governance for the aggregation 97153
program so authorized. Before adopting a plan under this division, 97154
the legislative authority or board shall hold at least two public 97155
hearings on the plan. Before the first hearing, the legislative 97156
authority or board shall publish notice of the hearings once a 97157
week for two consecutive weeks in a newspaper of general 97158
circulation in the jurisdiction or as provided in section 7.16 of 97159
the Revised Code. The notice shall summarize the plan and state 97160
the date, time, and location of each hearing. 97161

(C)(1) With respect to a governmental aggregation for a 97162
municipal corporation that is authorized pursuant to division (A) 97163
of this section, resolutions may be proposed by initiative or 97164
referendum petitions in accordance with sections 731.28 to 731.41 97165
of the Revised Code. 97166

(2) With respect to a governmental aggregation for a township 97167
or the unincorporated area of a county, which aggregation is 97168
authorized pursuant to division (A) of this section, resolutions 97169
may be proposed by initiative or referendum petitions in 97170
accordance with sections 731.28 to 731.40 of the Revised Code, 97171
except that: 97172

(a) The petitions shall be filed, respectively, with the 97173
township fiscal officer or the board of county commissioners, who 97174
shall perform those duties imposed under those sections upon the 97175
city auditor or village clerk. 97176

(b) The petitions shall contain the signatures of not less 97177
than ten per cent of the total number of electors in the township 97178
or the unincorporated area of the county, respectively, who voted 97179
for the office of governor at the preceding general election for 97180
that office in that area. 97181

(D) A governmental aggregator under division (A) of this 97182
section is not a public utility engaging in the wholesale purchase 97183
and resale of natural gas, and provision of the aggregated service 97184
is not a wholesale utility transaction. A governmental aggregator 97185
shall be subject to supervision and regulation by the public 97186
utilities commission only to the extent of any competitive retail 97187
natural gas service it provides and commission authority under 97188
this chapter. 97189

year, the department of job and family services shall reduce the 97590
county's share for expenditures under divisions (B)(1) and (2) of 97591
this section so that the total of the county's share for 97592
expenditures under division (B) of this section equals one hundred 97593
~~ten~~ five per cent of the county's share of those expenditures for 97594
the immediately preceding state fiscal year. 97595

(2) A county's share of public assistance expenditures 97596

of this section. 97602

(D)(1) If the per capita tax duplicate of a county is less 97603
than the per capita tax duplicate of the state as a whole and 97604
division (D)(2) of this section does not apply to the county, the 97605
percentage to be used for the purpose of division (B)(2) of this 97606
section is the product of ten multiplied by a fraction of which 97607
the numerator is the per capita tax duplicate of the county and 97608
the denominator is the per capita tax duplicate of the state as a 97609
whole. The department of job and family services shall compute the 97610

(2) If the percentage of families in a county with an annual 97615
income of less than three thousand dollars is greater than the 97616
percentage of such families in the state and division (D)(1) of 97617
this section does not apply to the county, the percentage to be 97618
used for the purpose of division (B)(2) of this section is the 97619

percentage of such families in the county. The department of job 97623
and family services shall compute the percentage of families with 97624
an annual income of less than three thousand dollars for the state 97625
and for each county by multiplying the most recent estimate of 97626
such families published by the department of development, by a 97627
fraction, the numerator of which is the estimate of average annual 97628
personal income published by the bureau of economic analysis of 97629

the United States department of commerce for the year on which the 97630
census estimate is based and the denominator of which is the most 97631
recent such estimate published by the bureau. 97632

(3) If the per capita tax duplicate of a county is less than 97633
the per capita tax duplicate of the state as a whole and the 97634
percentage of families in the county with an annual income of less 97635
than three thousand dollars is greater than the percentage of such 97636
families in the state, the percentage to be used for the purpose 97637
of division (B)(2) of this section shall be determined as follows: 97638

(a) Multiply ten by the fraction determined under division 97639
(D)(1) of this section; 97640

(b) Multiply the product determined under division (D)(3)(a) 97641
of this section by the fraction determined under division (D)(2) 97642
of this section. 97643

(4) The department of job and family services shall 97644
determine, for each county, the percentage to be used for the 97645
purpose of division (B)(2) of this section not later than the 97646
first day of July of the year preceding the state fiscal year for 97647
which the percentage is used. 97648

(E) The department of job and family services shall credit to 97649
a county the amount of federal reimbursement the department 97650
receives from the United States departments of agriculture and 97651
health and human services for the county's expenditures for 97652
administration of the supplemental nutrition assistance program 97653
and medicaid that the department determines are allowable 97654
administrative expenditures. 97655

(F)(1) The director of job and family services shall adopt 97656
rules in accordance with section 111.15 of the Revised Code to 97657
establish all of the following: 97658

(a) The method the department is to use to change a county's 97659

(d) The percentage to be used for the purpose of division 97668
(B)(3) of this section, which shall, except as provided in section 97669
5101.163 of the Revised Code, meet both of the following 97670
requirements: 97671

(i) The percentage shall not be less than seventy-five per 97672
cent nor more than eighty-two per cent; 97673

(ii) The percentage shall not exceed the percentage that the 97674
state's qualified state expenditures is of the state's historic 97675
state expenditures as those terms are defined in 42 U.S.C. 97676

modification necessary. The rule shall be adopted and amended as 97684
if an internal management rule and in consultation with the 97685

medical item or service to be the equivalent of the medical 98839
assistance recipient having obtained prior authorization for the 98840
item or service from the third party; 98841

~~(6)~~(7) Not deny a claim described in division (A)~~(5)~~(6) of 98842
this section that is submitted by the department solely on the 98843
basis of the medical assistance recipient's failure to obtain 98844
prior authorization for the medical item or service. 98845

(B) For purposes of the requirements in division (A) of this 98846
section, a third party shall treat a managed care organization as 98847
the department for a claim in which both of the following are 98848

true: 98849

(1) The individual who is the subject of the claim received a 98850
medical item or service through a managed care organization that 98851
has entered into a contract with the department of job and family 98852
services under section 5111.17 of the Revised Code; 98853

(2) The department has assigned its right of recovery for the 98854
claim to the managed care organization. 98855

(C) The time limitations associated with the requirements in 98856
divisions (A)(2) and ~~(A)(4)(5)~~ of this section apply only to 98857
submissions of claims to, and payments of claims by, a health 98858
insurer to which 42 U.S.C. 1396a(a)(25)(I) applies. 98859

Sec. 5101.58. (A) The acceptance of public assistance gives 98860
an automatic right of recovery to the department of job and family 98861
services and a county department of job and family services 98862
against the liability of a third party for the cost of medical 98863
assistance paid on behalf of the public assistance recipient or 98864
participant. When an action or claim is brought against a third 98865
party by a public assistance recipient or participant, any 98866
payment, settlement or compromise of the action or claim, or any 98867
court award or judgment, is subject to the recovery right of the 98868
department of job and family services or county department of job 98869
and family services. Except in the case of a recipient or 98870
participant who receives medical assistance through a managed care 98871
organization, the department's or county department's claim shall 98872
not exceed the amount of medical assistance paid by a department 98873
on behalf of the recipient or participant. A payment, settlement, 98874
compromise, judgment, or award that excludes the cost of medical 98875
assistance paid for by a department shall not preclude a 98876
department from enforcing its rights under this section. 98877

(B) In the case of a recipient or participant who receives 98878
medical assistance through a managed care organization, the amount 98879

of the department's or county department's claim shall be the 98880
amount the managed care organization pays for medical assistance 98881
rendered to the recipient or participant, even if that amount is 98882
more than the amount a department pays to the managed care 98883
organization for the recipient's or participant's medical 98884
assistance. 98885

(C) A recipient or participant, and the recipient's or 98886
participant's attorney, if any, shall cooperate with the 98887
departments. In furtherance of this requirement, the recipient or 98888
participant, or the recipient's or participant's attorney, if any, 98889
shall, not later than thirty days after initiating informal 98890
recovery activity or filing a legal recovery action against a 98891
third party, provide written notice of the activity or action to 98892
the department of job and family services when medical assistance 98893
under medicaid ~~or the children's buy in program~~ has been paid. 98894

(D) The written notice that must be given under division (C) 98895
of this section shall disclose the identity and address of any 98896
third party against whom the recipient or participant has or may 98897
have a right of recovery. 98898

(E) No settlement, compromise, judgment, or award or any 98899
recovery in any action or claim by a recipient or participant 98900
where the departments have a right of recovery shall be made final 98901
without first giving the appropriate departments written notice as 98902
described in division (C) of this section and a reasonable 98903
opportunity to perfect their rights of recovery. If the 98904
departments are not given the appropriate written notice, the 98905
recipient or participant and, if there is one, the recipient's or 98906
participant's attorney, are liable to reimburse the departments 98907
for the recovery received to the extent of medical payments made 98908
by the departments. 98909

(F) The departments shall be permitted to enforce their 98910
recovery rights against the third party even though they accepted 98911

prior payments in discharge of their rights under this section if, 98912
at the time the departments received such payments, they were not 98913
aware that additional medical expenses had been incurred but had 98914
not yet been paid by the departments. The third party becomes 98915
liable to the department of job and family services or county 98916
department of job and family services as soon as the third party 98917
is notified in writing of the valid claims for recovery under this 98918
section. 98919

(G)(1) Subject to division (G)(2) of this section, the right 98920
of recovery of a department does not apply to that portion of any 98921
judgment, award, settlement, or compromise of a claim, to the 98922
extent of attorneys' fees, costs, or other expenses incurred by a 98923
recipient or participant in securing the judgment, award, 98924
settlement, or compromise, or to the extent of medical, surgical, 98925
and hospital expenses paid by such recipient or participant from 98926
the recipient's or participant's own resources. 98927

(2) Reasonable attorneys' fees, not to exceed one-third of 98928
the total judgment, award, settlement, or compromise, plus costs 98929
and other expenses incurred by the recipient or participant in 98930
securing the judgment, award, settlement, or compromise, shall 98931
first be deducted from the total judgment, award, settlement, or 98932
compromise. After fees, costs, and other expenses are deducted 98933
from the total judgment, award, settlement, or compromise, the 98934
department of job and family services or appropriate county 98935
department of job and family services shall receive no less than 98936
one-half of the remaining amount, or the actual amount of medical 98937
assistance paid, whichever is less. 98938

(H) A right of recovery created by this section may be 98939
enforced separately or jointly by the department of job and family 98940
services or the appropriate county department of job and family 98941
services. To enforce their recovery rights, the departments may do 98942
any of the following: 98943

(1) Intervene or join in any action or proceeding brought by the recipient or participant or on the recipient's or participant's behalf against any third party who may be liable for the cost of medical assistance paid;

(2) Institute and pursue legal proceedings against any third party who may be liable for the cost of medical assistance paid;

(3) Initiate legal proceedings in conjunction with any injured, diseased, or disabled recipient or participant or the recipient's or participant's attorney or representative.

(I) A recipient or participant shall not assess attorney fees, costs, or other expenses against the department of job and family services or a county department of job and family services when the department or county department enforces its right of recovery created by this section.

(J) The right of recovery given to the department under this section does not include rights to support from any other person assigned to the state under sections 5107.20 and 5115.07 of the Revised Code, but includes payments made by a third party under contract with a person having a duty to support.

county department of job and family services receives the 101028
individual's completed application and the date the individual's 101029
eligibility is determined; 101030

(3) Whether the county department of job and family services, 101031
the provider, or a child care resource and referral service 101032

organization will be required to collect information to be used by 101035
the county department to make eligibility determinations, and the 101036

eligibility determinations or to transmit to the county department 101039
any information collected for the purpose of making eligibility 101040
determinations; 101041

(4) That the provider, other than a border state child care 101042
provider, shall continue to be licensed, approved, or certified 101043

rules adopted under section 5104.42 of the Revised Code; 101057

(7) That the contract is subject to the availability of state 101058
and federal funds. 101059

(C) Unless specifically prohibited by federal law or by rules 101060
adopted under section 5104.42 of the Revised Code, the county 101061
department of job and family services shall give individuals 101062
eligible for publicly funded child care the option of obtaining 101063
certificates ~~for payment~~ that the individual may use to purchase 101064
services from any provider qualified to provide publicly funded 101065
child care under section 5104.31 of the Revised Code. Providers of 101066
publicly funded child care may present these certificates for 101067
payment ~~for reimbursement~~ in accordance with rules that the 101068
director of job and family services shall adopt. Only providers 101069
may receive ~~reimbursement~~ payment for certificates ~~for payment~~. 101070
The value of the certificate ~~for payment~~ shall be based on the 101071
~~lowest~~ lower of the rate customarily charged by the provider, ~~the~~ 101072
~~reimbursement ceiling~~ or the rate of payment established pursuant 101073
to section 5104.30 of the Revised Code, ~~or a rate the county~~ 101074
~~department negotiates with the provider~~. The county department may 101075
provide the certificates ~~for payment~~ to the individuals or may 101076

contract with child care providers or child care resource and 101077
referral service organizations that make determinations of 101078
eligibility for publicly funded child care pursuant to contracts 101079
entered into under section 5104.34 of the Revised Code for the 101080
providers or resource and referral service organizations to 101081
provide the certificates ~~for payment~~ to individuals whom they 101082
determine are eligible for publicly funded child care. 101083

For each six-month period a provider of publicly funded child 101084
care provides publicly funded child ~~day-care~~ care to the child of 101085
an individual given certificates ~~for payment~~, the individual shall 101086
provide the provider certificates for days the provider would have 101087
provided publicly funded child care to the child had the child 101088
been present. The maximum number of days providers shall be 101089
provided certificates shall not exceed ten days in a six-month 101090
period during which publicly funded child care is provided to the 101091
child regardless of the number of providers that provide publicly 101092
funded child care to the child during that period. 101093

Sec. 5104.34. (A)(1) Each county department of job and family 101094
services shall implement procedures for making determinations of 101095
eligibility for publicly funded child care. Under those 101096
procedures, the eligibility determination for each applicant shall 101097
be made no later than thirty calendar days from the date the 101098
county department receives a completed application for publicly 101099
funded child care. Each applicant shall be notified promptly of 101100
the results of the eligibility determination. An applicant 101101
aggrieved by a decision or delay in making an eligibility 101102
determination may appeal the decision or delay to the department 101103
of job and family services in accordance with section 5101.35 of 101104
the Revised Code. The due process rights of applicants shall be 101105
protected. 101106

To the extent permitted by federal law, the county department 101107

may make all determinations of eligibility for publicly funded 101108
child care, may contract with child care providers or child care 101109
resource and referral service organizations for the providers or 101110
resource and referral service organizations to make all or any 101111
part of the determinations, and may contract with child care 101112
providers or child care resource and referral service 101113
organizations for the providers or resource and referral service 101114
organizations to collect specified information for use by the 101115
county department in making determinations. If a county department 101116
contracts with a child care provider or a child care resource and 101117
referral service organization for eligibility determinations or 101118
for the collection of information, the contract shall require the 101119
provider or resource and referral service organization to make 101120
each eligibility determination no later than thirty calendar days 101121
from the date the provider or resource and referral organization 101122
receives a completed application that is the basis of the 101123
determination and to collect and transmit all necessary 101124
information to the county department within a period of time that 101125
enables the county department to make each eligibility 101126
determination no later than thirty days after the filing of the 101127
application that is the basis of the determination. 101128

The county department may station employees of the department 101129
in various locations throughout the county to collect information 101130
relevant to applications for publicly funded child care and to 101131
make eligibility determinations. The county department, child care 101132
provider, and child care resource and referral service 101133
organization shall make each determination of eligibility for 101134
publicly funded child care no later than thirty days after the 101135
filing of the application that is the basis of the determination, 101136
shall make each determination in accordance with any relevant 101137
rules adopted pursuant to section 5104.38 of the Revised Code, and 101138
shall notify promptly each applicant for publicly funded child 101139
care of the results of the determination of the applicant's 101140

eligibility. 101141

The director of job and family services shall adopt rules in 101142
accordance with Chapter 119. of the Revised Code for monitoring 101143
the eligibility determination process. In accordance with those 101144
rules, the state department shall monitor eligibility 101145
determinations made by county departments of job and family 101146
services and shall direct any entity that is not in compliance 101147
with this division or any rule adopted under this division to 101148
implement corrective action specified by the department. 101149

(2) All eligibility determinations for publicly funded child 101150
care shall be made in accordance with rules adopted pursuant to 101151
division (A) of section 5104.38 of the Revised Code and, if a 101152
county department of job and family services specifies, pursuant 101153
to rules adopted under division (B) of that section, a maximum 101154
amount of income a family may have to be eligible for publicly 101155
funded child care, the income maximum specified by the county 101156
department. Publicly funded child care may be provided only to 101157
eligible infants, toddlers, preschool children, and school 101158
children under age thirteen. For an applicant to be eligible for 101159
publicly funded child care, the caretaker parent must be employed 101160
or participating in a program of education or training for an 101161
amount of time reasonably related to the time that the parent's 101162
children are receiving publicly funded child care. This 101163
restriction does not apply to families whose children are eligible 101164
for protective child care. 101165

Subject to available funds, a county department of job and 101166
family services shall allow a family to receive publicly funded 101167
child care unless the family's income exceeds the maximum income 101168
eligibility limit. Initial and continued eligibility for publicly 101169
funded child care is subject to available funds unless the family 101170
is receiving child care pursuant to division (A)(1), (2), (3), or 101171
(4) of section 5104.30 of the Revised Code. If the county 101172

department must limit eligibility due to lack of available funds, 101173
it shall give first priority for publicly funded child care to an 101174
assistance group whose income is not more than the maximum income 101175
eligibility limit that received transitional child care in the 101176
previous month but is no longer eligible because the twelve-month 101177
period has expired. Such an assistance group shall continue to 101178
receive priority for publicly funded child care until its income 101179
exceeds the maximum income eligibility limit. 101180

(3) An assistance group that ceases to participate in the 101181
Ohio works first program established under Chapter 5107. of the 101182
Revised Code is eligible for transitional child care at any time 101183
during the immediately following twelve-month period that both of 101184
the following apply: 101185

(a) The assistance group requires child care due to 101186
employment; 101187

(b) The assistance group's income is not more than one 101188
hundred fifty per cent of the federal poverty line. 101189

An assistance group ineligible to participate in the Ohio 101190
works first program pursuant to section 5101.83 or section 5107.16 101191
of the Revised Code is not eligible for transitional child care. 101192

(B) To the extent permitted by federal law, a county 101193
department of job and family services may require a caretaker 101194
parent determined to be eligible for publicly funded child care to 101195
pay a fee according to the schedule of fees established in rules 101196
adopted under section 5104.38 of the Revised Code. Each county 101197
department shall make protective child care services available to 101198
children without regard to the income or assets of the caretaker 101199
parent of the child. 101200

(C) A caretaker parent receiving publicly funded child care 101201
shall report to the entity that determined eligibility any changes 101202
in status with respect to employment or participation in a program 101203

of education or training not later than ten calendar days after 101204
the change occurs. 101205

(D) If a county department of job and family services 101206
determines that available resources are not sufficient to provide 101207
publicly funded child care to all eligible families who request 101208
it, the county department may establish a waiting list. A county 101209
department may establish separate waiting lists within the waiting 101210
list based on income. When resources become available to provide 101211
publicly funded child care to families on the waiting list, a 101212
county department that establishes a waiting list shall assess the 101213
needs of the next family scheduled to receive publicly funded 101214
child care. If the assessment demonstrates that the family 101215
continues to need and is eligible for publicly funded child care, 101216
the county department shall offer it to the family. If the county 101217
department determines that the family is no longer eligible or no 101218
longer needs publicly funded child care, the county department 101219
shall remove the family from the waiting list. 101220

(E) A caretaker parent shall not receive publicly funded 101221
child care from more than one child care provider during any 101222
period unless the caretaker parent obtains approval from the 101223
county department of job and family services based on good cause. 101224

(F) As used in this section, "maximum income eligibility 101225
limit" means the amount of income specified in rules adopted under 101226
division (A) of section 5104.38 of the Revised Code or, if a 101227
county department of job and family services specifies a higher 101228
amount pursuant to rules adopted under division (B) of that 101229
section, the amount the county department specifies. 101230

Sec. 5104.341. (A) Except as provided in division (B) of this 101231
section, both of the following apply: 101232

(1) An eligibility determination made under section 5104.34 101233
of the Revised Code for publicly funded child care is valid for 101234

one year; 101235

(2) The county department of job and family services shall 101236
adjust the appropriate level of a fee charged under division (B) 101237
of section 5104.34 of the Revised Code if a caretaker parent 101238
reports changes in income, family size, or both. 101239

(B) Division (A) of this section does not apply ~~in either of~~ 101240
~~the following circumstances:~~ 101241

~~(1) The publicly funded child care is provided under division~~ 101242
~~(B)(4) of section 5104.35 of the Revised Code;~~ 101243

~~(2) The~~ if the recipient of the publicly funded child care 101244
ceases to be eligible for publicly funded child care. 101245

Sec. 5104.35. (A) ~~The~~ Each county department of job and 101246
family services shall do all of the following: 101247

(1) Accept any gift, grant, or other funds from either public 101248
or private sources offered unconditionally or under conditions 101249
which are, in the judgment of the department, proper and 101250
consistent with this chapter and deposit the funds in the county 101251
public assistance fund established by section 5101.161 of the 101252
Revised Code; 101253

(2) Recruit individuals and groups interested in 101254
certification as in-home aides or in developing and operating 101255
suitable licensed child day-care centers, type A family day-care 101256
homes, or certified type B family day-care homes, especially in 101257
areas with high concentrations of recipients of public assistance, 101258
and for that purpose provide consultation to interested 101259
individuals and groups on request; 101260

(3) Inform clients of the availability of child care 101261
services; 101262

~~(4) Pay to a child day care center, type A family day care~~ 101263
~~home, certified type B family day care home, in-home aide,~~ 101264

~~approved child day camp, licensed preschool program, licensed school child program, or border state child care provider for child care services, the amount provided for in division (B) of section 5104.32 of the Revised Code. If part of the cost of care of a child is paid by the child's parent or any other person, the amount paid shall be subtracted from the amount the provider is paid.~~

~~(5) In accordance with rules adopted pursuant to section 5104.39 of the Revised Code, provide monthly reports to the director of job and family services and the director of budget and management regarding expenditures for the purchase of publicly funded child care.~~

~~(B) The A county department of job and family services may do any of the following:~~

~~(1) To, to the extent permitted by federal law, use public child care funds to extend the hours of operation of the county department to accommodate the needs of working caretaker parents and enable those parents to apply for publicly funded child care;~~

~~(2) In accordance with rules adopted by the director of job and family services, request a waiver of the reimbursement ceiling established pursuant to section 5104.30 of the Revised Code for the purpose of paying a higher rate for publicly funded child care based upon the special needs of a child;~~

~~(3) To the extent permitted by federal law, use state and federal funds to pay deposits and other advance payments that a provider of child care customarily charges all children who receive child care from that provider;~~

~~(4) To the extent permitted by federal law, pay for up to thirty days of child care for a child whose caretaker parent is seeking employment, taking part in employment orientation activities, or taking part in activities in anticipation of~~

~~enrollment or attendance in an education or training program or 101296
activity, if the employment or education or training program or 101297
activity is expected to begin within the thirty day period. 101298~~

Sec. 5104.37. The department of job and family services ~~and a 101299
county department of job and family services~~ may withhold any 101300
money due, and recover through any appropriate method any money 101301
erroneously paid, under this chapter if evidence exists of less 101302
than full compliance with this chapter and any rules adopted under 101303
it. 101304

Sec. 5104.38. In addition to any other rules adopted under 101305
this chapter, the director of job and family services shall adopt 101306
rules in accordance with Chapter 119. of the Revised Code 101307
governing financial and administrative requirements for publicly 101308
funded child care and establishing all of the following: 101309

(A) Procedures and criteria to be used in making 101310
determinations of eligibility for publicly funded child care that 101311
give priority to children of families with lower incomes and 101312
procedures and criteria for eligibility for publicly funded 101313
protective child care. The rules shall specify the maximum amount 101314
of income a family may have for initial and continued eligibility. 101315
The maximum amount shall not exceed two hundred per cent of the 101316
federal poverty line. The rules may specify exceptions to the 101317
eligibility requirements in the case of a family that previously 101318
received publicly funded child care and is seeking to have the 101319
child care reinstated after the family's eligibility was 101320
terminated. 101321

(B) Procedures under which a county department of job and 101322
family services may, if the department, under division (A) of this 101323
section, specifies a maximum amount of income a family may have 101324
for eligibility for publicly funded child care that is less than 101325

the maximum amount specified in that division, specify a maximum 101326
amount of income a family residing in the county the county 101327
department serves may have for initial and continued eligibility 101328
for publicly funded child care that is higher than the amount 101329
specified by the department but does not exceed the maximum amount 101330
specified in division (A) of this section; 101331

(C) A schedule of fees requiring all eligible caretaker 101332
parents to pay a fee for publicly funded child care according to 101333
income and family size, which shall be uniform for all types of 101334
publicly funded child care, except as authorized by rule, and, to 101335
the extent permitted by federal law, shall permit the use of state 101336
and federal funds to pay the customary deposits and other advance 101337
payments that a provider charges all children who receive child 101338
care from that provider. The schedule of fees may not provide for 101339
a caretaker parent to pay a fee that exceeds ten per cent of the 101340
parent's family income. 101341

(D) A formula ~~based upon a percentage of the county's total~~ 101342
~~expenditures for publicly funded child care~~ for determining the 101343
~~maximum~~ amount of state and federal funds appropriated for 101344

for the current fiscal year, the department shall pay the provider 103936
the difference between the two rates for the number of days for 103937
which the provider was paid for the facility pursuant to this 103938

United States secretary of health and human services, the 104013

department of job and family services shall enter into a contract 104014

with the department of developmental disabilities under section 104015

developmental disabilities and director of developmental 104030

disabilities, respectively, to the extent necessary to implement 104031

the terms of the contract. 104032

Sec. 5111.23. (A) The department of job and family services 104033

shall pay a provider for each of the provider's eligible 104034

intermediate care facilities for the mentally retarded a per 104035

prospectively for each facility. The department shall establish 104037

each facility's rate for direct care costs quarterly. 104038

(B) Each facility's rate for direct care costs shall be based 104039
on the facility's cost per case-mix unit, subject to the maximum 104040
costs per case-mix unit established under division (B)(2) of this 104041
section, from the calendar year preceding the fiscal year in which 104042
the rate is paid. To determine the rate, the department shall do 104043
all of the following: 104044

(1) Determine each facility's cost per case-mix unit for the 104045
calendar year preceding the fiscal year in which the rate will be 104046
paid by dividing the facility's desk-reviewed, actual, allowable, 104047
per diem direct care costs for that year by its average case-mix 104048
score determined under section 5111.232 of the Revised Code for 104049
the same calendar year. 104050

(2)(a) Set the maximum cost per case-mix unit for each peer 104051
group of intermediate care facilities for the mentally retarded 104052
with more than eight beds specified in rules adopted under 104053
division ~~(E)~~(F) of this section at a percentage above the cost per 104054
case-mix unit of the facility in the group that has the group's 104055
median medicaid inpatient day for the calendar year preceding the 104056
fiscal year in which the rate will be paid, as calculated under 104057
division (B)(1) of this section, that is no less than the 104058
percentage calculated under division ~~(D)~~(E)(2) of this section. 104059

(b) Set the maximum cost per case-mix unit for each peer 104060
group of intermediate care facilities for the mentally retarded 104061
with eight or fewer beds specified in rules adopted under division 104062
~~(E)~~(F) of this section at a percentage above the cost per case-mix 104063
unit of the facility in the group that has the group's median 104064
medicaid inpatient day for the calendar year preceding the fiscal 104065
year in which the rate will be paid, as calculated under division 104066
(B)(1) of this section, that is no less than the percentage 104067
calculated under division ~~(D)~~(E)(3) of this section. 104068

(c) In calculating the maximum cost per case-mix unit under 104069
divisions (B)(2)(a) ~~to~~ and (b) of this section for each peer 104070

group, the department shall exclude from its calculations the cost 104071
per case-mix unit of any facility in the group that participated 104072
in the medicaid program under the same operator for less than 104073
twelve months during the calendar year preceding the fiscal year 104074
in which the rate will be paid. 104075

(3) Estimate the rate of inflation for the eighteen-month 104076
period beginning on the first day of July of the calendar year 104077
preceding the fiscal year in which the rate will be paid and 104078
ending on the thirty-first day of December of the fiscal year in 104079
which the rate will be paid, using the ~~employment cost index for~~ 104080
~~total compensation, health services component, published by the~~ 104081
~~United States bureau of labor statistics~~ specified in division (C) 104082
of this section. If the estimated inflation rate for the 104083
eighteen-month period is different from the actual inflation rate 104084
for that period, as measured using the same index, the difference 104085
shall be added to or subtracted from the inflation rate estimated 104086
under division (B)(3) of this section for the following fiscal 104087
year. 104088

(4) The department shall not recalculate a maximum cost per 104089
case-mix unit under division (B)(2) of this section or a 104090
percentage under division ~~(D)~~(E) of this section based on 104091
additional information that it receives after the maximum costs 104092
per case-mix unit or percentages are set. The department shall 104093
recalculate a maximum cost per case-mix units or percentage only 104094
if it made an error in computing the maximum cost per case-mix 104095
unit or percentage based on information available at the time of 104096
the original calculation. 104097

(C) The department shall use the following index for the 104098
purpose of division (B)(3) of this section: 104099

(1) The employment cost index for total compensation, health 104100
services component, published by the United States bureau of labor 104101
statistics; 104102

(2) If the United States bureau of labor statistics ceases to 104103
publish the index specified in division (C)(1) of this section, 104104
the index that is subsequently published by the bureau and covers 104105
nursing facilities' staff costs. 104106

(D) Each facility's rate for direct care costs shall be 104107
determined as follows for each calendar quarter within a fiscal 104108
year: 104109

(1) Multiply the lesser of the following by the facility's 104110
average case-mix score determined under section 5111.232 of the 104111
Revised Code for the calendar quarter that preceded the 104112
immediately preceding calendar quarter: 104113

(a) The facility's cost per case-mix unit for the calendar 104114
year preceding the fiscal year in which the rate will be paid, as 104115
determined under division (B)(1) of this section; 104116

(b) The maximum cost per case-mix unit established for the 104117
fiscal year in which the rate will be paid for the facility's peer 104118
group under division (B)(2) of this section; 104119

(2) Adjust the product determined under division ~~(C)~~(D)(1) of 104120
this section by the inflation rate estimated under division (B)(3) 104121
of this section. 104122

~~(D)~~(E)(1) The department shall calculate the percentage above 104123
the median cost per case-mix unit determined under division (B)(1) 104124
of this section for the facility that has the median medicaid 104125
inpatient day for calendar year 1992 for all intermediate care 104126
facilities for the mentally retarded with more than eight beds 104127
that would result in payment of all desk-reviewed, actual, 104128
allowable direct care costs for eighty and one-half per cent of 104129
the medicaid inpatient days for such facilities for calendar year 104130
1992. 104131

(2) The department shall calculate the percentage above the 104132
median cost per case-mix unit determined under division (B)(1) of 104133

this section for the facility that has the median medicaid 104134
inpatient day for calendar year 1992 for all intermediate care 104135
facilities for the mentally retarded with eight or fewer beds that 104136
would result in payment of all desk-reviewed, actual, allowable 104137
direct care costs for eighty and one-half per cent of the medicaid 104138
inpatient days for such facilities for calendar year 1992. 104139

~~(E)~~(F) The director of job and family services shall adopt 104140
rules under section 5111.02 of the Revised Code that specify peer 104141
groups of intermediate care facilities for the mentally retarded 104142
with more than eight beds and intermediate care facilities for the 104143
mentally retarded with eight or fewer beds, based on findings of 104144
significant per diem direct care cost differences due to geography 104145
and facility bed-size. The rules also may specify peer groups 104146
based on findings of significant per diem direct care cost 104147
differences due to other factors which may include case-mix. 104148

~~(F)~~(G) The department, in accordance with division (D) of 104149
section 5111.232 of the Revised Code and rules adopted under 104150
division ~~(E)~~(F) of that section, may assign case-mix scores or 104151
costs per case-mix unit if a provider fails to submit assessment 104152
data necessary to calculate an intermediate care facility for the 104153
mentally retarded's case-mix score in accordance with that 104154
section. 104155

by the facility's semiannual case-mix score determined under 104175
section 5111.232 of the Revised Code. 104176

years. Except as necessary to implement the amendments made by 104203
this act to this section, the cost per case-mix unit determined 104204
under this division for a peer group shall be used for subsequent 104205
years until the department ~~redetermines it~~ conducts a rebasing. To 104206
determine a peer group's cost per case-mix unit, the department 104207
shall do all of the following: 104208

(a) Determine the cost per case-mix unit for each nursing 104209
facility in the peer group for the applicable calendar year by 104210
dividing each facility's desk-reviewed, actual, allowable, per 104211
diem direct care costs for the applicable calendar year by the 104212
facility's annual average case-mix score determined under section 104213
5111.232 of the Revised Code for the applicable calendar year-; 104214

(b) Subject to division (D)(2) of this section, identify 104215
which nursing facility in the peer group is at the twenty-fifth 104216
percentile of the cost per case-mix units determined under 104217
division (D)(1)(a) of this section-; 104218

(c) ~~Calculate the amount that is seven per cent above the~~ 104219

~~section for the nursing facility identified under division~~ 104221
~~(D)(1)(b) of this section.~~ 104222

~~(d) Multiply the amount calculated under division (D)(1)(c)~~ 104223
~~of this section by~~ Using the index specified in division (D)(3) of 104224
this section, multiply the rate of inflation for the 104225

eighteen-month period beginning on the first day of July of the 104226
applicable calendar year and ending the last day of December of 104227
the calendar year immediately following the applicable calendar 104228
year ~~using the following:~~ 104229

~~(i) In the case of the initial calculation made under 104230
division (D)(1)(d) of this section, the employment cost index for 104231
total compensation, health services component, published by the 104232
United States bureau of labor statistics, as the index existed on 104233
July 1, 2005;~~ 104234

~~(ii) In the case of subsequent calculations made under 104235
division (D)(1)(d) of this section and except as provided in 104236
division (D)(1)(d)(iii) of this section, the employment cost index 104237
for total compensation, nursing and residential care facilities 104238

to publish the index specified in division (D)(1)(d)(ii) of this 104242
section, the index the bureau subsequently publishes that covers 104243
nursing facilities' staff costs by the cost per case-mix unit 104244
determined under division (D)(1)(a) of this section for the 104245
nursing facility identified under division (D)(1)(b) of this 104246
section; 104247~~

~~(d) Until the first rebasing occurs, add one dollar and 104248
eighty-eight cents to the amount calculated under division 104249
(D)(1)(c) of this section. 104250~~

(2) In making the identification under division (D)(1)(b) of 104251
this section, the department shall exclude both of the following: 104252

(a) Nursing facilities that participated in the medicaid 104253
program under the same provider for less than twelve months in the 104254
applicable calendar year; 104255

(b) Nursing facilities whose cost per case-mix unit is more 104256

than one standard deviation from the mean cost per case-mix unit 104257
for all nursing facilities in the nursing facility's peer group 104258
for the applicable calendar year. 104259

(3) The following index shall be used for the purpose of the 104260
calculation made under division (D)(1)(c) of this section: 104261

(a) Until the first rebasing occurs, the employment cost 104262
index for total compensation, health services component, published 104263
by the United States bureau of labor statistics, as the index 104264
existed on July 1, 2005; 104265

(b) Effective with the first rebasing and except as provided 104266
in division (D)(3)(c) of this section, the employment cost index 104267
for total compensation, nursing and residential care facilities 104268
occupational group, published by the United States bureau of labor 104269
statistics; 104270

(c) If the United States bureau of labor statistics ceases to 104271
publish the index specified in division (D)(3)(b) of this section, 104272
the index the bureau subsequently publishes that covers nursing 104273
facilities' staff costs. 104274

(4) The department shall not redetermine a peer group's cost 104275
per case-mix unit under this division based on additional 104276
information that it receives after the peer group's per case-mix 104277
unit is determined. The department shall redetermine a peer 104278
group's cost per case-mix unit only if it made an error in 104279
determining the peer group's cost per case-mix unit based on 104280
information available to the department at the time of the 104281
original determination. 104282

Sec. 5111.232. (A)(1) The department of job and family 104283
services shall determine semiannual and annual average case-mix 104284
scores for nursing facilities by using all of the following: 104285

(a) Data from a resident assessment instrument specified in 104286

rules adopted under section 5111.02 of the Revised Code pursuant 104287
to section 1919(e)(5) of the "Social Security Act," 49 Stat. 620 104288
(1935), 42 U.S.C.A. 1396r(e)(5), as amended, for the following 104289
residents: 104290

(i) When determining semiannual case-mix scores, each 104291
resident who is a medicaid recipient; 104292

(ii) When determining annual average case-mix scores, each 104293
resident regardless of payment source. 104294

(b) Except as provided in rules authorized by divisions 104295
(A)(2)(a) and (b) of this section, the case-mix values established 104296
by the United States department of health and human services; 104297

(c) Except as modified in rules authorized by division 104298
(A)(2)(c) of this section, the grouper methodology used on June 104299
30, 1999, by the United States department of health and human 104300
services for prospective payment of skilled nursing facilities 104301
under the medicare program established by Title XVIII. 104302

(2) The director of job and family services may adopt rules 104303
under section 5111.02 of the Revised Code that do any of the 104304
following: 104305

(a) Adjust the case-mix values specified in division 104306
(A)(1)(b) of this section to reflect changes in relative wage 104307
differentials that are specific to this state; 104308

(b) Express all of those case-mix values in numeric terms 104309
that are different from the terms specified by the United States 104310
department of health and human services but that do not alter the 104311
relationship of the case-mix values to one another; 104312

(c) Modify the grouper methodology specified in division 104313
(A)(1)(c) of this section as follows: 104314

(i) Establish a different hierarchy for assigning residents 104315
to case-mix categories under the methodology; 104316

(ii) Prohibit the use of the index maximizer element of the methodology; 104317
104318

(iii) Incorporate changes to the methodology the United States department of health and human services makes after June 30, 1999; 104319
104320
104321

(iv) Make other changes the department determines are necessary. 104322
104323

(B) The department shall determine case-mix scores for intermediate care facilities for the mentally retarded using data for each resident, regardless of payment source, from a resident assessment instrument and grouper methodology prescribed in rules adopted under section 5111.02 of the Revised Code and expressed in case-mix values established by the department in those rules. 104324
104325
104326
104327
104328
104329

(C) Each calendar quarter, each provider shall compile complete assessment data, from the resident assessment instrument specified in rules authorized by division (A) or (B) of this section, for each resident of each of the provider's facilities, regardless of payment source, who was in the facility or on hospital or therapeutic leave from the facility on the last day of the quarter. Providers of a nursing facility shall submit the data to the department of health and, if required by rules, the department of job and family services. Providers of an intermediate care facility for the mentally retarded shall submit the data to the department of job and family services. The data shall be submitted not later than fifteen days after the end of the calendar quarter for which the data is compiled. 104330

104333
104334
104335
104336
104337

104339
104340
104341
104342

Except as provided in division (D) of this section, the department, every six months and after the end of each calendar year, shall calculate a semiannual and annual average case-mix score for each nursing facility using the facility's quarterly case-mix scores for that six-month period or calendar year. Also 104343
104344
104345
104346
104347

except as provided in division (D) of this section, the 104348
department, after the end of each calendar year, shall calculate 104349
an annual average case-mix score for each intermediate care 104350
facility for the mentally retarded using the facility's quarterly 104351
case-mix scores for that calendar year. The department shall make 104352
the calculations pursuant to procedures specified in rules adopted 104353
under section 5111.02 of the Revised Code. 104354

(D)(1) If a provider does not timely submit information for a 104355
calendar quarter necessary to calculate a facility's case-mix 104356
score, or submits incomplete or inaccurate information for a 104357
calendar quarter, the department may assign the facility a 104358
quarterly average case-mix score that is five per cent less than 104359
the facility's quarterly average case-mix score for the preceding 104360
calendar quarter. If the facility was subject to an exception 104361
review under division (C) of section 5111.27 of the Revised Code 104362
for the preceding calendar quarter, the department may assign a 104363
quarterly average case-mix score that is five per cent less than 104364
the score determined by the exception review. If the facility was 104365
assigned a quarterly average case-mix score for the preceding 104366
quarter, the department may assign a quarterly average case-mix 104367
score that is five per cent less than that score assigned for the 104368
preceding quarter. 104369

The department may use a quarterly average case-mix score 104370
assigned under division (D)(1) of this section, instead of a 104371
quarterly average case-mix score calculated based on the 104372
provider's submitted information, to calculate the facility's rate 104373
for direct care costs being established under section 5111.23 or 104374
5111.231 of the Revised Code for one or more months, as specified 104375
in rules authorized by division (E) of this section, of the 104376
quarter for which the rate established under section 5111.23 or 104377
5111.231 of the Revised Code will be paid. 104378

Before taking action under division (D)(1) of this section, 104379

the department shall permit the provider a reasonable period of 104380
time, specified in rules authorized by division (E) of this 104381
section, to correct the information. In the case of an 104382
intermediate care facility for the mentally retarded, the 104383
department shall not assign a quarterly average case-mix score due 104384
to late submission of corrections to assessment information unless 104385
the provider fails to submit corrected information prior to the 104386
eighty-first day after the end of the calendar quarter to which 104387
the information pertains. In the case of a nursing facility, the 104388
department shall not assign a quarterly average case-mix score due 104389
to late submission of corrections to assessment information unless 104390
the provider fails to submit corrected information prior to the 104391
earlier of the forty-sixth day after the end of the calendar 104392
quarter to which the information pertains or the deadline for 104393
submission of such corrections established by regulations adopted 104394
by the United States department of health and human services under 104395
Titles XVIII and XIX. 104396

(2) If a provider is paid a rate for a facility calculated 104397
using a quarterly average case-mix score assigned under division 104398
(D)(1) of this section for more than six months in a calendar 104399
year, the department may assign the facility a cost per case-mix 104400
unit that is five per cent less than the facility's actual or 104401
assigned cost per case-mix unit for the preceding calendar year. 104402
The department may use the assigned cost per case-mix unit, 104403
instead of calculating the facility's actual cost per case-mix 104404
unit in accordance with section 5111.23 or 5111.231 of the Revised 104405
Code, to establish the facility's rate for direct care costs for 104406
the following fiscal year. 104407

(3) The department shall take action under division (D)(1) or 104408
(2) of this section only in accordance with rules authorized by 104409
division (E) of this section. The department shall not take an 104410
action that affects rates for prior payment periods except in 104411

accordance with sections 5111.27 and 5111.28 of the Revised Code. 104412

(E) The director shall adopt rules under section 5111.02 of 104413
the Revised Code that do all of the following: 104414

(1) Specify whether providers of a nursing facility must 104415
submit the assessment data to the department of job and family 104416
services; 104417

(2) Specify the medium or media through which the completed 104418
assessment data shall be submitted; 104419

(3) Establish procedures under which the assessment data 104420
shall be reviewed for accuracy and providers shall be notified of 104421
any data that requires correction; 104422

(4) Establish procedures for providers to correct assessment 104423
data and specify a reasonable period of time by which providers 104424
shall submit the corrections. The procedures may limit the content 104425
of corrections by providers of nursing facilities in the manner 104426
required by regulations adopted by the United States department of 104427
health and human services under Titles XVIII and XIX. 104428

(5) Specify when and how the department will assign case-mix 104429
scores or costs per case-mix unit under division (D) of this 104430
section if information necessary to calculate the facility's 104431
case-mix score is not provided or corrected in accordance with the 104432
procedures established by the rules. Notwithstanding any other 104433
provision of sections 5111.20 to ~~5111.33~~ 5111.331 of the Revised 104434
Code, the rules also may provide for the following: 104435

(a) Exclusion of case-mix scores assigned under division (D) 104436
of this section from calculation of an intermediate care facility 104437
for the mentally retarded's annual average case-mix score and the 104438
maximum cost per case-mix unit for the facility's peer group; 104439

(b) Exclusion of case-mix scores assigned under division (D) 104440
of this section from calculation of a nursing facility's 104441

semiannual or annual average case-mix score and the cost per 104442
case-mix unit for the facility's peer group. 104443

Sec. 5111.235. (A) The department of job and family services 104444
shall pay a provider for each of the provider's eligible 104445
intermediate care facilities for the mentally retarded a per 104446
resident per day rate for other protected costs established 104447
prospectively each fiscal year for each facility. The rate for 104448
each facility shall be the facility's desk-reviewed, actual, 104449
allowable, per diem other protected costs from the calendar year 104450
preceding the fiscal year in which the rate will be paid, all 104451
adjusted for the estimated inflation rate for the eighteen-month 104452
period beginning on the first day of July of the calendar year 104453
preceding the fiscal year in which the rate will be paid and 104454
ending on the thirty-first day of December of that fiscal year. 104455
The department shall estimate inflation using the ~~consumer price~~ 104456
~~index for all urban consumers for nonprescription drugs and~~ 104457
~~medical supplies, as published by the United States bureau of~~ 104458
~~labor statistics~~ specified in division (B) of this section. If the 104459
estimated inflation rate for the eighteen-month period is 104460
different from the actual inflation rate for that period, the 104461
difference shall be added to or subtracted from the inflation rate 104462
estimated for the following year. 104463

(B) The department shall use the following index for the 104464
purpose of division (A) of this section: 104465

(1) The consumer price index for all urban consumers for 104466
nonprescription drugs and medical supplies, as published by the 104467
United States bureau of labor statistics; 104468

(2) If the United States bureau of labor statistics ceases to 104469
publish the index specified in division (B)(1) of this section, 104470
the index that is subsequently published by the bureau and covers 104471
nonprescription drugs and medical supplies. 104472

Sec. 5111.24. (A) As used in this section, ~~"applicable:~~ 104473

for the previous determination of such rates. 104487

(B) The department of job and family services shall pay a 104488

(D) of this section. 104492

Each nursing facility located in any of the following 104496
counties shall be placed in peer group one or two: Brown, Butler, 104497

covers urban consumers' prices for items for the region that 104582
includes this state. 104583

(2) For the purpose of determining a nursing facility's 104584
occupancy rate under division (D)(1)(a) of this section, the 104585
department shall include any beds that the nursing facility 104586
removes from its medicaid-certified capacity unless the nursing 104587
facility also removes the beds from its licensed bed capacity. 104588

(3) In making the identification under division (D)(1)(b) of 104589
this section, the department shall exclude both of the following: 104590

(a) Nursing facilities that participated in the medicaid 104591
program under the same provider for less than twelve months in the 104592
applicable calendar year; 104593

(b) Nursing facilities whose ancillary and support costs are 104594

applicable calendar year. 104598

~~(3)~~(4) The department shall not redetermine a peer group's 104599
rate for ancillary and support costs under this division based on 104600
additional information that it receives after the rate is 104601
determined. The department shall redetermine a peer group's rate 104602
for ancillary and support costs only if ~~it~~ the department made an 104603
error in determining the rate based on information available to 104604
the department at the time of the original determination. 104605

Sec. 5111.241. (A) The department of job and family services 104606
shall pay a provider for each of the provider's eligible 104607
intermediate care facilities for the mentally retarded a per 104608

prospectively each fiscal year for each facility. The rate for 104610
each intermediate care facility for the mentally retarded shall be 104611
the sum of the following, but shall not exceed the maximum rate 104612
established for the facility's peer group under division (B) of 104613

per cent of the maximum rate established for the facility's peer 104623
group under division (B) of this section; 104624

(ii) In the case of intermediate care facilities for the 104625
mentally retarded with eight or fewer beds, seven per cent of the 104626
maximum rate established for the facility's peer group under 104627

division (B) of this section; 104628

(b) For fiscal years ending in odd-numbered calendar years, 104629
the amount calculated for the preceding fiscal year under division 104630

(B)(1) The maximum rate for indirect care costs for each peer 104632
group of intermediate care facilities for the mentally retarded 104633
with more than eight beds specified in rules adopted under 104634
division (D) of this section shall be determined as follows: 104635

(a) For fiscal years ending in even-numbered calendar years, 104636
the maximum rate for each peer group shall be the rate that is no 104637
less than twelve and four-tenths per cent above the median 104638
desk-reviewed, actual, allowable, per diem indirect care cost for 104639
all intermediate care facilities for the mentally retarded with 104640
more than eight beds in the group, excluding facilities in the 104641
group whose indirect care costs for that period are more than 104642
three standard deviations from the mean desk-reviewed, actual, 104643
allowable, per diem indirect care cost for all intermediate care 104644
facilities for the mentally retarded with more than eight beds, 104645
for the calendar year preceding the fiscal year in which the rate 104646
will be paid, adjusted by the inflation rate estimated under 104647
division (C)(1) of this section. 104648

(b) For fiscal years ending in odd-numbered calendar years, 104649
the maximum rate for each peer group is the group's maximum rate 104650
for the previous fiscal year, adjusted for the inflation rate 104651
estimated under division (C)(2) of this section. 104652

(2) The maximum rate for indirect care costs for each peer 104653
group of intermediate care facilities for the mentally retarded 104654
with eight or fewer beds specified in rules adopted under division 104655
(D) of this section shall be determined as follows: 104656

(a) For fiscal years ending in even-numbered calendar years, 104657
the maximum rate for each peer group shall be the rate that is no 104658

less than ten and three-tenths per cent above the median 104659
desk-reviewed, actual, allowable, per diem indirect care cost for 104660
all intermediate care facilities for the mentally retarded with 104661
eight or fewer beds in the group, excluding facilities in the 104662
group whose indirect care costs are more than three standard 104663
deviations from the mean desk-reviewed, actual, allowable, per 104664
diem indirect care cost for all intermediate care facilities for 104665
the mentally retarded with eight or fewer beds, for the calendar 104666
year preceding the fiscal year in which the rate will be paid, 104667

this section. 104669

(b) For fiscal years that end in odd-numbered calendar years, 104670
the maximum rate for each peer group is the group's maximum rate 104671
for the previous fiscal year, adjusted for the inflation rate 104672
estimated under division (C)(2) of this section. 104673

(3) The department shall not recalculate a maximum rate for 104674
indirect care costs under division (B)(1) or (2) of this section 104675
based on additional information that it receives after the maximum 104676
rate is set. The department shall recalculate the maximum rate for 104677
indirect care costs only if it made an error in computing the 104678
maximum rate based on the information available at the time of the 104679
original calculation. 104680

(C)(1) When adjusting rates for inflation under divisions 104681
(A)(1), (B)(1)(a), and (B)(2)(a) of this section, the department 104682
shall estimate the rate of inflation for the eighteen-month period 104683

consumers for the north central region, published by the United 104690

States bureau of labor statistics; 104691

(b) If the United States bureau of labor statistics ceases to 104692
publish the index specified in division (C)(1)(a) of this section, 104693
a comparable index that the bureau publishes and the department 104694
determines is appropriate. 104695

(2) When adjusting rates for inflation under divisions 104696
(B)(1)(b) and (B)(2)(b) of this section, the department shall 104697
estimate the rate of inflation for the twelve-month period 104698
beginning on the first day of January of the fiscal year preceding 104699
the fiscal year in which the rate will be paid and ending on the 104700
thirty-first day of December of the fiscal year in which the rate 104701
will be paid, ~~using the.~~ To estimate the rate of inflation, the 104702
department shall use the following: 104703

(a) The consumer price index for all items for all urban 104704
consumers for the north central region, published by the United 104705
States bureau of labor statistics; 104706

(b) If the United States bureau of labor statistics ceases to 104707
publish the index specified in division (C)(2)(a) of this section, 104708
a comparable index that the bureau publishes and the department 104709
determines is appropriate. 104710

(3) If an inflation rate estimated under division (C)(1) or 104711
(2) of this section is different from the actual inflation rate 104712
for the relevant time period, as measured using the same index, 104713
the difference shall be added to or subtracted from the inflation 104714
rate estimated pursuant to this division for the following fiscal 104715
year. 104716

(D) The director of job and family services shall adopt rules 104717
under section 5111.02 of the Revised Code that specify peer groups 104718
of intermediate care facilities for the mentally retarded with 104719
more than eight beds, and peer groups of intermediate care 104720
facilities for the mentally retarded with eight or fewer beds, 104721

based on findings of significant per diem indirect care cost 104722
differences due to geography and facility bed-size. The rules also 104723
may specify peer groups based on findings of significant per diem 104724
indirect care cost differences due to other factors, including 104725
case-mix. 104726

department shall include any beds that the nursing facility 104888
removes from its medicaid-certified capacity after June 30, 2005, 104889
unless the nursing facility also removes the beds from its 104890
licensed bed capacity. 104891

(3) The department shall not redetermine a peer group's rate 104892
for capital costs under this division based on additional 104893
information that it receives after the rate is determined. The 104894
department shall redetermine a peer group's rate for capital costs 104895
only if the department made an error in determining the rate based 104896
on information available to the department at the time of the 104897
original determination. 104898

(E) Buildings shall be depreciated using the straight line 104899
method over forty years or over a different period approved by the 104900

year during which the rate will be paid. 104921

(2) For facilities with dates of licensure after June 30, 104922
1993, the capital cost basis shall be determined in accordance 104923
with the principles of the medicare program established under 104924
Title XVIII, except as otherwise provided in sections 5111.20 to 104925
~~5111.33~~ 5111.331 of the Revised Code. 104926

a provider transfers an interest in a facility to another provider 104928
after June 30, 1993, there shall be no increase in the capital 104929
cost basis of the asset if the providers are related parties or 104930
the provider to which the interest is transferred authorizes the 104931
provider that transferred the interest to continue to operate the 104932
facility under a lease, management agreement, or other 104933
arrangement. If the previous sentence does not prohibit the 104934
adjustment of the capital cost basis under this division, the 104935
basis of the asset shall be adjusted by ~~the lesser of the~~ 104936
~~following:~~ 104937

~~(a) One half of the change in construction costs during the 104938
time that the transferor held the asset, as calculated by the 104939~~

~~department of job and family services using the "Dodge building
cost indexes, northeastern and north central states," published by
Marshall and Swift;~~

~~(b) One-half one-half of the change in the consumer price

another provider who is a related party, the capital cost basis of
the asset shall be adjusted as specified in division (F)(3) of
this section if all of the following conditions are met:

(b) Except as provided in division (F)(4)(c)(ii) of this
section, the provider making the transfer retains no ownership
interest in the facility;

(c) The department of job and family services determines that
the transfer is an arm's length transaction pursuant to rules
adopted under section 5111.02 of the Revised Code. The rules shall
provide that a transfer is an arm's length transaction if all of
the following apply:

(i) Once the transfer goes into effect, the provider that
made the transfer has no direct or indirect interest in the
provider that acquires the facility or the facility itself,
including interest as an owner, officer, director, employee,
independent contractor, or consultant, but excluding interest as a
creditor.

(ii) The provider that made the transfer does not reacquire
an interest in the facility except through the exercise of a
creditor's rights in the event of a default. If the provider
reacquires an interest in the facility in this manner, the
department shall treat the facility as if the transfer never

occurred when the department calculates its reimbursement rates 104971
for capital costs. 104972

(iii) The transfer satisfies any other criteria specified in 104973
the rules. 104974

(d) Except in the case of hardship caused by a catastrophic 104975
event, as determined by the department, or in the case of a 104976
provider making the transfer who is at least sixty-five years of 104977
age, not less than twenty years have elapsed since, for the same 104978
facility, the capital cost basis was adjusted most recently under 104979
division (F)(4) of this section or actual, allowable cost of 104980
ownership was determined most recently under division (G)(9) of 104981
this section. 104982

(G) As used in this division: 104983

"Imputed interest" means the lesser of the prime rate plus 104984

the case of a capital lease. 104988

"New lease" means a lease, to a different lessee, of a 104989
nursing facility that previously was operated under a lease. 104990

the inception of the lease using the lessor's entire historical 105007
capital asset cost basis, adjusted by ~~the lesser of the following~~ 105008
~~amounts:~~ 105009

~~(a) One half of the change in construction costs during the 105010
time the lessor held each asset until the beginning of the lease,~~ 105011

the lesser of the annual lease expense or the sum of the 105027
following: 105028

(b) The greater of the lessor's actual annual amortization of 105032
financing costs and interest expense at the inception of the lease 105033
or the imputed interest expense calculated at the inception of the 105034
lease using seventy per cent of the lessor's historical capital 105035
asset cost basis. 105036

(4) Subject to division (B) of this section, for a lease of a 105037
facility with a date of licensure on or after May 27, 1992, that 105038
was not initially operated under a lease and has been in existence 105039
for ten years, actual, allowable capital costs shall include the 105040

~~following:~~ 105045

~~(a) One half of the change in construction costs during the 105046
time the lessor held each asset until the beginning of the lease, 105047

the old lease to the beginning of the new lease. 105070~~

(6) Subject to division (B) of this section, for a new lease 105071

Marshall and Swift; 105085~~

~~(b) One half, adjusted by one-half of the change in the 105086
consumer price index for all items for all urban consumers, as 105087
published by the United States bureau of labor statistics, from 105088
the beginning of the old lease to the beginning of the new lease. 105089~~

In the case of a lease under division (G)(3) of this section 105090
of a facility for which a substantial commitment of money was made 105091
after December 22, 1992, and before July 1, 1993, the old lease 105092
payment shall be adjusted for the purpose of determining the 105093

annual amount. 105094

(7) For any revision of a lease described in division (G)(1), 105095
(2), (3), (4), (5), or (6) of this section, or for any subsequent 105096
lease of a facility operated under such a lease, other than 105097
execution of a new lease, the portion of actual, allowable capital 105098
costs attributable to the lease shall be the same as before the 105099
revision or subsequent lease. 105100

(8) Except as provided in division (G)(9) of this section, if 105101
a provider leases an interest in a facility to another provider 105102
who is a related party or previously operated the facility, the 105103
related party's or previous operator's actual, allowable capital 105104

lease, the related party's actual, allowable capital costs shall 105109
include the annual lease expense, subject to the limitations 105110
specified in divisions (G)(1) to (7) of this section, if all of 105111
the following conditions are met: 105112

(a) The related party is a relative of owner; 105113

(b) If the lessor retains an ownership interest, it is, 105114
except as provided in division (G)(9)(c)(ii) of this section, in 105115
only the real property and any improvements on the real property; 105116

(c) The department of job and family services determines that 105117
the lease is an arm's length transaction pursuant to rules adopted 105118
under section 5111.02 of the Revised Code. The rules shall provide 105119
that a lease is an arm's length transaction if all of the 105120
following apply: 105121

(i) Once the lease goes into effect, the lessor has no direct 105122
or indirect interest in the lessee or, except as provided in 105123
division (G)(9)(b) of this section, the facility itself, including 105124

interest as an owner, officer, director, employee, independent 105125
contractor, or consultant, but excluding interest as a lessor. 105126

(ii) The lessor does not reacquire an interest in the 105127
facility except through the exercise of a lessor's rights in the 105128
event of a default. If the lessor reacquires an interest in the 105129
facility in this manner, the department shall treat the facility 105130
as if the lease never occurred when the department calculates its 105131
reimbursement rates for capital costs. 105132

(iii) The lease satisfies any other criteria specified in the 105133
rules. 105134

(d) Except in the case of hardship caused by a catastrophic 105135
event, as determined by the department, or in the case of a lessor 105136
who is at least sixty-five years of age, not less than twenty 105137
years have elapsed since, for the same facility, the capital cost 105138
basis was adjusted most recently under division (F)(4) of this 105139
section or actual, allowable capital costs were determined most 105140
recently under division (G)(9) of this section. 105141

(10) This division does not apply to leases of specific items 105142
of equipment. 105143

Sec. 5111.251. (A) The department of job and family services 105144
shall pay a provider for each of the provider's eligible 105145
intermediate care facilities for the mentally retarded for its 105146
reasonable capital costs, a per resident per day rate established 105147
prospectively each fiscal year for each intermediate care facility 105148
for the mentally retarded. Except as otherwise provided in 105149
sections 5111.20 to ~~5111.33~~ 5111.331 of the Revised Code, the rate 105150
shall be based on the facility's capital costs for the calendar 105151
year preceding the fiscal year in which the rate will be paid. The 105152
rate shall equal the sum of the following: 105153

(1) The facility's desk-reviewed, actual, allowable, per diem 105154

cost of ownership for the preceding cost reporting period, limited 105155
as provided in divisions (C) and (F) of this section; 105156

(2) Any efficiency incentive determined under division (B) of 105157
this section; 105158

(3) Any amounts for renovations determined under division (D) 105159
of this section; 105160

(4) Any amounts for return on equity determined under 105161
division ~~(F)~~(H) of this section. 105162

Buildings shall be depreciated using the straight line method 105163
over forty years or over a different period approved by the 105164
department. Components and equipment shall be depreciated using 105165
the straight line method over a period designated by the director 105166
of job and family services in rules adopted under section 5111.02 105167
of the Revised Code, consistent with the guidelines of the 105168
American hospital association, or over a different period approved 105169
by the department of job and family services. Any rules authorized 105170
by this division that specify useful lives of buildings, 105171
components, or equipment apply only to assets acquired on or after 105172
July 1, 1993. Depreciation for costs paid or reimbursed by any 105173
government agency shall not be included in costs of ownership or 105174
renovation unless that part of the payment under sections 5111.20 105175
to ~~5111.33~~ 5111.331 of the Revised Code is used to reimburse the 105176
government agency. 105177

(B) The department of job and family services shall pay to a 105178
provider for each of the provider's eligible intermediate care 105179
facilities for the mentally retarded an efficiency incentive equal 105180
to fifty per cent of the difference between any desk-reviewed, 105181
actual, allowable cost of ownership and the applicable limit on 105182
cost of ownership payments under division (C) of this section. For 105183
purposes of computing the efficiency incentive, depreciation for 105184
costs paid or reimbursed by any government agency shall be 105185

considered as a cost of ownership, and the applicable limit under 105186
division (C) of this section shall apply both to facilities with 105187
more than eight beds and facilities with eight or fewer beds. The 105188
efficiency incentive paid to a provider for a facility with eight 105189
or fewer beds shall not exceed three dollars per patient day, 105190
adjusted annually for the inflation rate for the twelve-month 105191
period beginning on the first day of July of the calendar year 105192
preceding the calendar year that precedes the fiscal year for 105193
which the efficiency incentive is determined and ending on the 105194
thirtieth day of the following June, using the consumer price 105195
index for shelter costs for all urban consumers for the north 105196
central region, as published by the United States bureau of labor 105197
statistics. 105198

(C) Cost of ownership payments for intermediate care 105199

The provider shall submit a plan that describes in detail the changes in capital assets to be accomplished by means of the renovation and the timetable for completing the project. The time for completion of the project shall be no more than eighteen months after the renovation begins. The director of job and family services shall adopt rules under section 5111.02 of the Revised Code that specify criteria and procedures for prior approval of renovation projects. No provider shall separate a project with the intent to evade the characterization of the project as a renovation or as an extensive renovation. No provider shall increase the scope of a project after it is approved by the department of job and family services unless the increase in scope is approved by the department.

(E) The amounts specified in divisions (C) and (D) of this section shall be adjusted beginning July 1, 1993, for the estimated inflation for the twelve-month period beginning on the first day of July of the calendar year preceding the calendar year that precedes the fiscal year for which rate will be paid and ending on the thirtieth day of the following June, using the consumer price index for shelter costs for all urban consumers for the north central region, as published by the United States bureau of labor statistics.

(F)(1) For facilities of eight or fewer beds that have dates of licensure or have been granted project authorization by the department of developmental disabilities before July 1, 1993, and for facilities of eight or fewer beds that have dates of licensure or have been granted project authorization after that date if the providers of the facilities demonstrate that they made substantial commitments of funds on or before that date, cost of ownership shall not exceed eighteen dollars and thirty cents per resident per day. The eighteen-dollar and thirty-cent amount shall be

increased by the change in the "Dodge building cost indexes, 105401
northeastern and north central states," published by Marshall and 105402
Swift, during the period beginning June 30, 1990, and ending July 105403
1, 1993, and by the change in the consumer price index for shelter 105404
costs for all urban consumers for the north central region, as 105405
published by the United States bureau of labor statistics, 105406
annually thereafter. 105407

(2) For facilities with eight or fewer beds that have dates 105408
of licensure or have been granted project authorization by the 105409
department of developmental disabilities on or after July 1, 1993, 105410
for which substantial commitments of funds were not made before 105411
that date, cost of ownership payments shall not exceed the 105412
applicable amount calculated under division (F)(1) of this 105413
section, if the department of job and family services gives prior 105414
approval for construction of the facility. If the department does 105415
not give prior approval, cost of ownership payments shall not 105416
exceed the amount specified in division (C) of this section. 105417

(3) Notwithstanding divisions (D) and (F)(1) and (2) of this 105418
section, the total payment for cost of ownership, cost of 105419
ownership efficiency incentive, and capitalized costs of 105420
renovations for an intermediate care facility for the mentally 105421
retarded with eight or fewer beds shall not exceed the sum of the 105422
limitations specified in divisions (C) and (D) of this section. 105423

(G) Notwithstanding any provision of this section or section 105424
5111.241 of the Revised Code, the director of job and family 105425
services may adopt rules under section 5111.02 of the Revised Code 105426
that provide for a calculation of a combined maximum payment limit 105427
for indirect care costs and cost of ownership for intermediate 105428
care facilities for the mentally retarded with eight or fewer 105429
beds. 105430

~~(H) After the date on which a transaction of sale is closed,~~ 105431
~~the provider shall refund to the department the amount of excess~~ 105432

~~depreciation paid to the provider for the facility by the 105433
department for each year the provider has operated the facility 105434
under a provider agreement and prorated according to the number of 105435
medicaid patient days for which the provider has received payment 105436
for the facility. For the purposes of this division, "depreciation 105437
paid to the provider for the facility" means the amount paid to 105438
the provider for the intermediate care facility for the mentally 105439
retarded for cost of ownership pursuant to this section less any 105440
amount paid for interest costs. For the purposes of this division, 105441
"excess depreciation" is the intermediate care facility for the 105442
mentally retarded's depreciated basis, which is the provider's 105443
cost less accumulated depreciation, subtracted from the purchase 105444
price but not exceeding the amount of depreciation paid to the 105445
provider for the facility. 105446~~

~~(I) The department of job and family services shall pay a 105447
provider for each of the provider's eligible proprietary 105448
intermediate care facilities for the mentally retarded a return on 105449
the facility's net equity computed at the rate of one and one-half 105450
times the average of interest rates on special issues of public 105451
debt obligations issued to the federal hospital insurance trust 105452
fund for the cost reporting period. No facility's return on net 105453
equity paid under this division shall exceed one dollar per 105454
patient day. 105455~~

~~In calculating the rate for return on net equity, the 105456
department shall use the greater of the facility's inpatient days 105457
during the applicable cost reporting period or the number of 105458
inpatient days the facility would have had during that period if 105459
its occupancy rate had been ninety-five per cent. 105460~~

~~(J)(I)(1) Except as provided in division (J)(I)(2) of this 105461
section, if a provider leases or transfers an interest in a 105462
facility to another provider who is a related party, the related 105463
party's allowable cost of ownership shall include the lesser of 105464~~

the following: 105465

(a) The annual lease expense or actual cost of ownership, 105466
whichever is applicable; 105467

(b) The reasonable cost to the lessor or provider making the 105468
transfer. 105469

(2) If a provider leases or transfers an interest in a 105470
facility to another provider who is a related party, regardless of 105471
the date of the lease or transfer, the related party's allowable 105472
cost of ownership shall include the annual lease expense or actual 105473
cost of ownership, whichever is applicable, subject to the 105474
limitations specified in divisions (B) to ~~(I)~~(H) of this section, 105475
if all of the following conditions are met: 105476

(a) The related party is a relative of owner; 105477

(b) In the case of a lease, if the lessor retains any 105478
ownership interest, it is, except as provided in division 105479
~~(J)~~(I)(2)(d)(ii) of this section, in only the real property and 105480
any improvements on the real property; 105481

(c) In the case of a transfer, the provider making the 105482
transfer retains, except as provided in division ~~(J)~~(I)(2)(d)(iv) 105483
of this section, no ownership interest in the facility; 105484

(d) The department of job and family services determines that 105485
the lease or transfer is an arm's length transaction pursuant to 105486
rules adopted under section 5111.02 of the Revised Code. The rules 105487
shall provide that a lease or transfer is an arm's length 105488
transaction if all of the following, as applicable, apply: 105489

(i) In the case of a lease, once the lease goes into effect, 105490
the lessor has no direct or indirect interest in the lessee or, 105491
except as provided in division ~~(J)~~(I)(2)(b) of this section, the 105492
facility itself, including interest as an owner, officer, 105493
director, employee, independent contractor, or consultant, but 105494

excluding interest as a lessor. 105495

(ii) In the case of a lease, the lessor does not reacquire an 105496
interest in the facility except through the exercise of a lessor's 105497
rights in the event of a default. If the lessor reacquires an 105498
interest in the facility in this manner, the department shall 105499
treat the facility as if the lease never occurred when the 105500
department calculates its reimbursement rates for capital costs. 105501

(iii) In the case of a transfer, once the transfer goes into 105502
effect, the provider that made the transfer has no direct or 105503
indirect interest in the provider that acquires the facility or 105504
the facility itself, including interest as an owner, officer, 105505
director, employee, independent contractor, or consultant, but 105506
excluding interest as a creditor. 105507

(iv) In the case of a transfer, the provider that made the 105508
transfer does not reacquire an interest in the facility except 105509
through the exercise of a creditor's rights in the event of a 105510
default. If the provider reacquires an interest in the facility in 105511
this manner, the department shall treat the facility as if the 105512
transfer never occurred when the department calculates its 105513
reimbursement rates for capital costs. 105514

(v) The lease or transfer satisfies any other criteria 105515
specified in the rules. 105516

(e) Except in the case of hardship caused by a catastrophic 105517
event, as determined by the department, or in the case of a lessor 105518
or provider making the transfer who is at least sixty-five years 105519
of age, not less than twenty years have elapsed since, for the 105520
same facility, allowable cost of ownership was determined most 105521
recently under this division. 105522

Sec. 5111.254. (A) The department of job and family services 105523
shall establish initial rates for a nursing facility with a first 105524

date of licensure that is on or after July 1, 2006, including a 105525
facility that replaces one or more existing facilities, or for a 105526
nursing facility with a first date of licensure before that date 105527
that was initially certified for the medicaid program on or after 105528
that date, in the following manner: 105529

(1) The rate for direct care costs shall be the product of 105530
the cost per case-mix unit determined under division (D) of 105531
section 5111.231 of the Revised Code for the facility's peer group 105532
and the nursing facility's case-mix score. For the purpose of 105533
division (A)(1) of this section, the nursing facility's case-mix 105534
score shall be the following: 105535

(a) Unless the nursing facility replaces an existing nursing 105536
facility that participated in the medicaid program immediately 105537
before the replacement nursing facility begins participating in 105538
the medicaid program, the median annual average case-mix score for 105539
the nursing facility's peer group; 105540

(b) If the nursing facility replaces an existing nursing 105541
facility that participated in the medicaid program immediately 105542
before the replacement nursing facility begins participating in 105543
the medicaid program, the semiannual case-mix score most recently 105544
determined under section 5111.232 of the Revised Code for the 105545
replaced nursing facility as adjusted, if necessary, to reflect 105546
any difference in the number of beds in the replaced and 105547
replacement nursing facilities. 105548

(2) The rate for ancillary and support costs shall be the 105549
rate for the facility's peer group determined under division (D) 105550
of section 5111.24 of the Revised Code. 105551

(3) The rate for capital costs shall be the ~~median~~ rate for 105552
the facility's peer group determined under division (D) of section 105553
5111.25 of the Revised Code. 105554

(4) The rate for tax costs as defined in section 5111.242 of 105555

the Revised Code shall be the median rate for tax costs for the 105556
facility's peer group in which the facility is placed under 105557
division (C) of section 5111.24 of the Revised Code. 105558

(5) The quality incentive payment, if any, shall be the mean 105559
payment ~~specified in division (B) of~~ made to nursing facilities 105560
under section 5111.244 of the Revised Code. 105561

(B) Subject to division (C) of this section, the department 105562
shall adjust the rates established under division (A) of this 105563
section effective the first day of July, to reflect new rate 105564
calculations for all nursing facilities under sections 5111.20 to 105565
~~5111.33~~ 5111.331 of the Revised Code. 105566

(C) If a rate for direct care costs is determined under this 105567
section for a nursing facility using the median annual average 105568
case-mix score for the nursing facility's peer group, the rate 105569
shall be redetermined to reflect the replacement nursing 105570
facility's actual semiannual case-mix score determined under 105571
section 5111.232 of the Revised Code after the nursing facility 105572
submits its first two quarterly assessment data that qualify for 105573
use in calculating a case-mix score in accordance with rules 105574
authorized by division (E) of section 5111.232 of the Revised 105575
Code. If the nursing facility's quarterly submissions do not 105576
qualify for use in calculating a case-mix score, the department 105577
shall continue to use the median annual average case-mix score for 105578
the nursing facility's peer group in lieu of the nursing 105579
facility's semiannual case-mix score until the nursing facility 105580
submits two consecutive quarterly assessment data that qualify for 105581
use in calculating a case-mix score. 105582

Sec. 5111.255. (A) The department of job and family services 105583
shall establish initial rates for an intermediate care facility 105584
for the mentally retarded with a first date of licensure that is 105585
on or after January 1, 1993, including a facility that replaces 105586

one or more existing facilities, or for an intermediate care 105587
facility for the mentally retarded with a first date of licensure 105588
before that date that was initially certified for the medicaid 105589
program on or after that date, in the following manner: 105590

(1) The rate for direct care costs shall be determined as 105591
follows: 105592

(a) If there are no cost or resident assessment data as 105593
necessary to calculate a rate under section 5111.23 of the Revised 105594
Code, the rate shall be the median cost per case-mix unit 105595
calculated under division (B)(1) of that section for the relevant 105596
peer group for the calendar year preceding the fiscal year in 105597
which the rate will be paid, multiplied by the median annual 105598
average case-mix score for the peer group for that period and by 105599
the rate of inflation estimated under division (B)(3) of that 105600
section. This rate shall be recalculated to reflect the facility's 105601
actual quarterly average case-mix score, in accordance with that 105602
section, after it submits its first quarterly assessment data that 105603
qualifies for use in calculating a case-mix score in accordance 105604
with rules authorized by division (E) of section 5111.232 of the 105605
Revised Code. If the facility's first two quarterly submissions do 105606
not contain assessment data that qualifies for use in calculating 105607
a case-mix score, the department shall continue to calculate the 105608
rate using the median annual case-mix score for the peer group in 105609
lieu of an assigned quarterly case-mix score. The department shall 105610
assign a case-mix score or, if necessary, a cost per case-mix unit 105611
under division (D) of section 5111.232 of the Revised Code for any 105612
subsequent submissions that do not contain assessment data that 105613
qualifies for use in calculating a case-mix score. 105614

(b) If the facility is a replacement facility and the 105615
facility or facilities that are being replaced are in operation 105616
immediately before the replacement facility opens, the rate shall 105617
be the same as the rate for the replaced facility or facilities, 105618

proportionate to the number of beds in each replaced facility. If 105619
one or more of the replaced facilities is not in operation 105620
immediately before the replacement facility opens, its proportion 105621
shall be determined under division (A)(1)(a) of this section. 105622

(2) The rate for other protected costs shall be one hundred 105623
fifteen per cent of the median rate for intermediate care 105624
facilities for the mentally retarded calculated for the fiscal 105625
year under section 5111.235 of the Revised Code. 105626

(3) The rate for indirect care costs shall be the applicable 105627
maximum rate for the facility's peer group as specified in 105628
division (B) of section 5111.241 of the Revised Code. 105629

(4) The rate for capital costs shall be determined under 105630
section 5111.251 of the Revised Code using the greater of actual 105631
inpatient days or an imputed occupancy rate of eighty per cent. 105632

(B) The department shall adjust the rates established under 105633
division (A) of this section at both of the following times: 105634

(1) Effective the first day of July, to reflect new rate 105635
calculations for all facilities under sections 5111.20 to ~~5111.33~~ 105636
5111.331 of the Revised Code; 105637

(2) Following the provider's submission of the facility's 105638
cost report under division (A)(1)(b) of section 5111.26 of the 105639
Revised Code. 105640

The department shall pay the rate adjusted based on the cost 105641
report beginning the first day of the calendar quarter that begins 105642
more than ninety days after the department receives the cost 105643
report. 105644

Sec. 5111.258. (A) Notwithstanding sections 5111.20 to 105645
~~5111.33~~ 5111.331 of the Revised Code (except section 5111.259 of 105646
the Revised Code), the director of job and family services shall 105647
adopt rules under section 5111.02 of the Revised Code that 105648

establish a methodology for calculating the prospective rates that 105649
will be paid each fiscal year to a provider for each of the 105650
provider's eligible nursing facilities and intermediate care 105651
facilities for the mentally retarded, and discrete units of the 105652
provider's nursing facilities or intermediate care facilities for 105653
the mentally retarded, that serve residents who have diagnoses or 105654
special care needs that require direct care resources that are not 105655
measured adequately by the applicable assessment instrument 105656
specified in rules authorized by section 5111.232 of the Revised 105657
Code, or who have diagnoses or special care needs specified in the 105658
rules as otherwise qualifying for consideration under this 105659
section. The facilities and units of facilities whose rates are 105660
established under this division may include, but shall not be 105661
limited to, any of the following: 105662

(1) In the case of nursing facilities, facilities and units 105663
of facilities that serve medically fragile pediatric residents, 105664
residents who are dependent on ventilators, or residents who have 105665
severe traumatic brain injury, end-stage Alzheimer's disease, or 105666
end-stage acquired immunodeficiency syndrome; 105667

(2) In the case of intermediate care facilities for the 105668
mentally retarded, facilities and units of facilities that serve 105669
residents who have complex medical conditions or severe behavioral 105670
problems. 105671

The department shall use the methodology established under 105672
this division to pay for services rendered by such facilities and 105673
units after June 30, 1993. 105674

The rules authorized by this division shall specify the 105675
criteria and procedures the department will apply when designating 105676
facilities and units that qualify for calculation of rates under 105677
this division. The criteria shall include consideration of whether 105678
all of the allowable costs of the facility or unit would be paid 105679
by rates established under sections 5111.20 to ~~5111.33~~ 5111.331 of 105680

the Revised Code, and shall establish a minimum bed size for a 105681
facility or unit to qualify to have its rates established under 105682
this division. The criteria shall not be designed to require that 105683
residents be served only in facilities located in large cities. 105684
The methodology established by the rules shall consider the 105685
historical costs of providing care to the residents of the 105686
facilities or units. 105687

The rules may require that a facility designated under this 105688
division or containing a unit designated under this division 105689
receive authorization from the department to admit or retain a 105690
resident to the facility or unit and shall specify the criteria 105691
and procedures the department will apply when granting that 105692
authorization. 105693

Notwithstanding any other provision of sections 5111.20 to 105694
~~5111.33~~ 5111.331 of the Revised Code (except section 5111.259 of 105695
the Revised Code), the costs incurred by facilities or units whose 105696
rates are established under this division shall not be considered 105697
in establishing payment rates for other facilities or units. 105698

(B) The director may adopt rules under section 5111.02 of the 105699
Revised Code under which the department, notwithstanding any other 105700
provision of sections 5111.20 to ~~5111.33~~ 5111.331 of the Revised 105701
Code (except section 5111.259 of the Revised Code), may adjust the 105702
rates determined under sections 5111.20 to ~~5111.33~~ 5111.331 of the 105703
Revised Code for a facility that serves a resident who has a 105704
diagnosis or special care need that, in the rules authorized by 105705
division (A) of this section, would qualify a facility or unit of 105706
a facility to have its rate determined under that division, but 105707
who is not in such a unit. The rules may require that a facility 105708
that qualifies for a rate adjustment under this division receive 105709
authorization from the department to admit or retain a resident 105710
who qualifies the facility for the rate adjustment and shall 105711
specify the criteria and procedures the department will apply when 105712

granting that authorization. 105713

Sec. 5111.259. The director of job and family services may 105714
submit a request to the United States secretary of health and 105715
human services for approval to establish a centers of excellence 105716
component of the medicaid program. The purpose of the centers of 105717
excellence component is to increase the efficiency and quality of 105718
nursing facility services provided to medicaid recipients with 105719
complex nursing facility service needs. If federal approval for 105720
the centers of excellence component is granted, the director may 105721
adopt rules under section 5111.02 of the Revised Code governing 105722
the component, including rules that establish a method of 105723
determining the medicaid reimbursement rates for nursing 105724
facilities providing nursing facility services to medicaid 105725
recipients participating in the component. The rules may specify 105726
the extent to which, if any, of the provisions of section 5111.258 105727
of the Revised Code are to apply to the centers of excellence 105728
component. If such rules are adopted, the nursing facilities that 105729
provide nursing facility services to medicaid recipients 105730
participating in the centers of excellence component shall be paid 105731
for those services in accordance with the method established in 105732
the rules notwithstanding anything to the contrary in sections 105733
5111.20 to 5111.331 of the Revised Code. 105734

Sec. 5111.261. (A) Except as provided in division (B) of this 105735
section and not later than three years after a provider files a 105736
cost report with the department of job and family services under 105737
section 5111.26 of the Revised Code, the provider may amend the 105738
cost report if the provider discovers a material error in the cost 105739
report or additional information to be included in the cost 105740
report. The department shall review the amended cost report for 105741
accuracy and notify the provider of its determination. 105742

(B) A provider may not amend a cost report if the department 105743

has notified the provider that an audit of the cost report or a cost report of the provider for a subsequent cost reporting period is to be conducted under section 5111.27 of the Revised Code. The provider may, however, provide the department information that affects the costs included in the cost report. Such information may not be provided after the adjudication of the final settlement of the cost report.

Sec. 5111.262. No person, other than the provider of a nursing facility, shall submit a claim for medicaid reimbursement for a service provided to a nursing facility resident if the service is included in a medicaid payment made to the provider of a nursing facility under sections 5111.20 to 5111.33 of the Revised Code or in the reimbursable expenses reported on a provider's cost report for a nursing facility. No provider of a nursing facility shall submit a separate claim for medicaid reimbursement for a service provided to a resident of the nursing facility if the service is included in a medicaid payment made to the provider under sections 5111.20 to ~~5111.33~~ 5111.331 of the Revised Code or in the reimbursable expenses on the provider's cost report for the nursing facility.

Sec. ~~5111.261~~ 5111.263. Except as otherwise provided in section 5111.264 of the Revised Code, the department of job and family services, in determining whether an intermediate care facility for the mentally retarded's direct care costs and indirect care costs are allowable, shall place no limit on specific categories of reasonable costs other than compensation of owners, compensation of relatives of owners, and compensation of administrators.

Compensation cost limits for owners and relatives of owners shall be based on compensation costs for individuals who hold comparable positions but who are not owners or relatives of

owners, as reported on facility cost reports. As used in this 105775
section, "comparable position" means the position that is held by 105776
the owner or the owner's relative, if that position is listed 105777
separately on the cost report form, or if the position is not 105778
listed separately, the group of positions that is listed on the 105779
cost report form and that includes the position held by the owner 105780
or the owner's relative. In the case of an owner or owner's 105781
relative who serves the facility in a capacity such as corporate 105782
officer, proprietor, or partner for which no comparable position 105783
or group of positions is listed on the cost report form, the 105784
compensation cost limit shall be based on civil service 105785
equivalents and shall be specified in rules adopted under section 105786
5111.02 of the Revised Code. 105787

Compensation cost limits for administrators shall be based on 105788
compensation costs for administrators who are not owners or 105789
relatives of owners, as reported on facility cost reports. 105790
Compensation cost limits for administrators of four or more 105791
intermediate care facilities for the mentally retarded shall be 105792
the same as the limits for administrators of intermediate care 105793
facilities for the mentally retarded with one hundred fifty or 105794
more beds. 105795

Sec. 5111.27. (A) The department of job and family services 105796
shall conduct a desk review of each cost report it receives under 105797
section 5111.26 of the Revised Code. Based on the desk review, the 105798
department shall make a preliminary determination of whether the 105799
reported costs are allowable costs. The department shall notify 105800
each provider of whether any of the reported costs are 105801
preliminarily determined not to be allowable, the rate calculation 105802
under sections 5111.20 to ~~5111.33~~ 5111.331 of the Revised Code 105803
that results from that determination, and the reasons for the 105804
determination and resulting rate. The department shall allow the 105805
provider to verify the calculation and submit additional 105806

information. 105807

(B) The department may conduct an audit, as defined by rule 105808
adopted under section 5111.02 of the Revised Code, of any cost 105809
report ~~and shall notify the provider of its findings.~~ 105810

~~Audits shall be conducted by auditors under contract with or 105811
employed by the department.~~ The decision whether to conduct an 105812
audit and the scope of the audit, which may be a desk or field 105813
audit, ~~shall~~ may be determined based on prior performance of the 105814
provider ~~and may be based on,~~ a risk analysis, or other evidence 105815
that gives the department reason to believe that the provider has 105816
reported costs improperly. A desk or field audit may be performed 105817
annually, but is required whenever a provider does not pass the 105818
risk analysis tolerance factors. An audit shall be conducted by 105819
auditors under contract with or employed by the department. The 105820
department shall notify a provider of the findings of an audit by 105821
issuing an audit report. The department shall issue the audit 105822
report no later than three years after the cost report is filed, 105823
or upon the completion of a desk or field audit on the report or a 105824
report for a subsequent cost reporting period, whichever is 105825
earlier. ~~During the time within which the department may issue an~~ 105826
~~audit report, the provider may amend the cost report upon~~ 105827
~~discovery of a material error or material additional information.~~ 105828
~~The department shall review the amended cost report for accuracy~~ 105829
~~and notify the provider of its determination.~~ 105830

The department may establish a contract for the auditing of 105831
facilities by outside firms. Each contract entered into by bidding 105832
shall be effective for one to two years. The department shall 105833
establish an audit manual and program which shall require that all 105834
field audits, conducted either pursuant to a contract or by 105835
department employees: 105836

(1) Comply with the applicable rules prescribed pursuant to 105837
Titles XVIII and XIX; 105838

- (2) Consider generally accepted auditing standards prescribed 105839
by the American institute of certified public accountants; 105840
- (3) Include a written summary as to whether the costs 105841
included in the report examined during the audit are allowable and 105842
are presented fairly in accordance with ~~generally accepted~~ 105843
~~accounting principles and department rules~~ state and federal laws 105844
and regulations, and whether, in all material respects, allowable 105845
costs are documented, reasonable, and related to patient care; 105846
- (4) Are conducted by accounting firms or auditors who, during 105847
the period of the auditors' professional engagement or employment 105848
and during the period covered by the cost reports, do not have nor 105849
are committed to acquire any direct or indirect financial interest 105850
in the ownership, financing, or operation of a nursing facility or 105851
intermediate care facility for the mentally retarded in this 105852
state; 105853
- (5) Are conducted by accounting firms or auditors who, as a 105854
condition of the contract or employment, shall not audit any 105855
facility that has been a client of the firm or auditor; 105856
- (6) Are conducted by auditors who are otherwise independent 105857
as determined by the standards of independence ~~established by~~ 105858
included in the American institute of certified public accountants 105859
government auditing standards produced by the United States 105860
government accountability office; 105861
- (7) Are completed within the time period specified by the 105862
department; 105863
- (8) Provide to the provider complete written interpretations 105864
that explain in detail the application of all relevant contract 105865
provisions, regulations, auditing standards, rate formulae, and 105866
departmental policies, with explanations and examples, that are 105867
sufficient to permit the provider to calculate with reasonable 105868
certainty those costs that are allowable and the rate to which the 105869

provider's facility is entitled. 105870

For the purposes of division (B)(4) of this section, 105871
employment of a member of an auditor's family by a nursing 105872
facility or intermediate care facility for the mentally retarded 105873
that the auditor does not review does not constitute a direct or 105874
indirect financial interest in the ownership, financing, or 105875
operation of the facility. 105876

(C) The department, pursuant to rules adopted under section 105877
5111.02 of the Revised Code, may conduct an exception review of 105878
assessment data submitted under section 5111.232 of the Revised 105879
Code. The department may conduct an exception review based on the 105880
findings of a certification survey conducted by the department of 105881
health, a risk analysis, or prior performance of the provider. 105882

Exception reviews shall be conducted at the facility by 105883
appropriate health professionals under contract with or employed 105884
by the department of job and family services. The professionals 105885
may review resident assessment forms and supporting documentation, 105886
conduct interviews, and observe residents to identify any patterns 105887
or trends of inaccurate assessments and resulting inaccurate 105888
case-mix scores. 105889

The rules shall establish an exception review program that 105890
requires that exception reviews do all of the following: 105891

(1) Comply with Titles XVIII and XIX; 105892

(2) Provide a written summary that states whether the 105893
resident assessment forms have been completed accurately; 105894

(3) Are conducted by health professionals who, during the 105895
period of their professional engagement or employment with the 105896
department, neither have nor are committed to acquire any direct 105897
or indirect financial interest in the ownership, financing, or 105898
operation of a nursing facility or intermediate care facility for 105899
the mentally retarded in this state; 105900

(4) Are conducted by health professionals who, as a condition of their engagement or employment with the department, shall not review any provider that has been a client of the professional.

For the purposes of division (C)(3) of this section, employment of a member of a health professional's family by a nursing facility or intermediate care facility for the mentally retarded that the professional does not review does not constitute a direct or indirect financial interest in the ownership, financing, or operation of the facility.

If an exception review is conducted before the effective date of the rate that is based on the case-mix data subject to the review and the review results in findings that exceed tolerance levels specified in the rules adopted under this division, the department, in accordance with those rules, may use the findings to recalculate individual resident case-mix scores, quarterly average facility case-mix scores, and annual average facility case-mix scores. The department may use the recalculated quarterly and annual facility average case-mix scores to calculate the facility's rate for direct care costs for the appropriate calendar quarter or quarters.

(D) The department shall prepare a written summary of any audit disallowance or exception review finding that is made after the effective date of the rate that is based on the cost or case-mix data. Where the provider is pursuing judicial or administrative remedies in good faith regarding the disallowance or finding, the department shall not withhold from the provider's current payments any amounts the department claims to be due from the provider pursuant to section 5111.28 of the Revised Code.

(E) The department shall not reduce rates calculated under sections 5111.20 to ~~5111.33~~ 5111.331 of the Revised Code on the basis that the provider charges a lower rate to any resident who is not eligible for the medicaid program.

(F) The department shall adjust the rates calculated under 105933
sections 5111.20 to ~~5111.33~~ 5111.331 of the Revised Code to 105934
account for reasonable additional costs that must be incurred by 105935
intermediate care facilities for the mentally retarded to comply 105936
with requirements of federal or state statutes, rules, or policies 105937
enacted or amended after January 1, 1992, or with orders issued by 105938
state or local fire authorities. 105939

Sec. 5111.28. (A) If a provider properly amends its cost 105940
report under section ~~5111.27~~ 5111.261 of the Revised Code and the 105941
amended report shows that the provider received a lower rate under 105942
the original cost report than it was entitled to receive, the 105943
department of job and family services shall adjust the provider's 105944
rate prospectively to reflect the corrected information. The 105945
department shall pay the adjusted rate beginning two months after 105946
the first day of the month after the provider files the amended 105947
cost report. If the department finds, from an exception review of 105948
resident assessment information conducted after the effective date 105949
of the rate for direct care costs that is based on the assessment 105950
information, that inaccurate assessment information resulted in 105951
the provider receiving a lower rate than it was entitled to 105952
receive, the department prospectively shall adjust the provider's 105953
rate accordingly and shall make payments using the adjusted rate 105954
for the remainder of the calendar quarter for which the assessment 105955
information is used to determine the rate, beginning one month 105956
after the first day of the month after the exception review is 105957
completed. 105958

(B) If the provider properly amends its cost report under 105959
section ~~5111.27~~ 5111.261 of the Revised Code, the department makes 105960
a finding based on an audit under ~~that~~ section 5111.27 of the 105961
Revised Code, or the department makes a finding based on an 105962
exception review of resident assessment information conducted 105963
under ~~that~~ section 5111.27 of the Revised Code after the effective 105964

date of the rate for direct care costs that is based on the 105965
assessment information, any of which results in a determination 105966
that the provider has received a higher rate than it was entitled 105967
to receive, the department shall recalculate the provider's rate 105968
using the revised information. The department shall apply the 105969
recalculated rate to the periods when the provider received the 105970
incorrect rate to determine the amount of the overpayment. The 105971
provider shall refund the amount of the overpayment. 105972

In addition to requiring a refund under this division, the 105973
department may charge the provider interest at the applicable rate 105974
specified in this division from the time the overpayment was made. 105975

(1) If the overpayment resulted from costs reported for 105976
calendar year 1993, the interest shall be no greater than one and 105977
one-half times the average bank prime rate. 105978

(2) If the overpayment resulted from costs reported for 105979
subsequent calendar years: 105980

(a) The interest shall be no greater than two times the 105981
average bank prime rate if the overpayment was equal to or less 105982
than one per cent of the total medicaid payments to the provider 105983
for the fiscal year for which the incorrect information was used 105984
to establish a rate. 105985

(b) The interest shall be no greater than two and one-half 105986
times the current average bank prime rate if the overpayment was 105987
greater than one per cent of the total medicaid payments to the 105988
provider for the fiscal year for which the incorrect information 105989
was used to establish a rate. 105990

(C) The department also may impose the following penalties: 105991

(1) If a provider does not furnish invoices or other 105992
documentation that the department requests during an audit within 105993
sixty days after the request, no more than the greater of one 105994
thousand dollars per audit or twenty-five per cent of the 105995

cumulative amount by which the costs for which documentation was 105996
not furnished increased the total medicaid payments to the 105997
provider during the fiscal year for which the costs were used to 105998
establish a rate; 105999

(2) If an exiting operator or owner fails to provide notice 106000
of a facility closure, voluntary termination, or voluntary 106001
withdrawal of participation in the medicaid program as required by 106002
section 5111.66 of the Revised Code, or an exiting operator or 106003
owner and entering operator fail to provide notice of a change of 106004
operator as required by section 5111.67 of the Revised Code, no 106005
more than the current average bank prime rate plus four per cent 106006
of the last two monthly payments. 106007

(D) If the provider continues to participate in the medicaid 106008
program, the department shall deduct any amount that the provider 106009
is required to refund under this section, and the amount of any 106010
interest charged or penalty imposed under this section, from the 106011
next available payment from the department to the provider. The 106012
department and the provider may enter into an agreement under 106013
which the amount, together with interest, is deducted in 106014
installments from payments from the department to the provider. 106015

(E) The department shall transmit refunds and penalties to 106016
the treasurer of state for deposit in the general revenue fund. 106017

(F) For the purpose of this section, the department shall 106018
determine the average bank prime rate using statistical release 106019
H.15, "selected interest rates," a weekly publication of the 106020
federal reserve board, or any successor publication. If 106021
statistical release H.15, or its successor, ceases to contain the 106022
bank prime rate information or ceases to be published, the 106023
department shall request a written statement of the average bank 106024
prime rate from the federal reserve bank of Cleveland or the 106025
federal reserve board. 106026

Sec. 5111.29. (A) The director of job and family services 106027
shall adopt rules under section 5111.02 of the Revised Code that 106028
establish a process under which a provider, or a group or 106029
association of providers, may seek reconsideration of rates 106030
established under sections 5111.20 to ~~5111.33~~ 5111.331 of the 106031
Revised Code, including a rate for direct care costs recalculated 106032
before the effective date of the rate as a result of an exception 106033
review of resident assessment information conducted under section 106034
5111.27 of the Revised Code. 106035

(1) Except as provided in divisions (A)(2) to (4) of this 106036
section, the only issue that a provider, group, or association may 106037
raise in the rate reconsideration shall be whether the rate was 106038
calculated in accordance with sections 5111.20 to ~~5111.33~~ 5111.331 106039
of the Revised Code and the rules adopted under section 5111.02 of 106040
the Revised Code. The rules shall permit a provider, group, or 106041
association to submit written arguments or other materials that 106042
support its position. The rules shall specify time frames within 106043
which the provider, group, or association and the department must 106044
act. If the department determines, as a result of the rate 106045
reconsideration, that the rate established for one or more 106046
facilities of a provider is less than the rate to which the 106047
facility is entitled, the department shall increase the rate. If 106048
the department has paid the incorrect rate for a period of time, 106049
the department shall pay the provider the difference between the 106050
amount the provider was paid for that period for the facility and 106051
the amount the provider should have been paid for the facility. 106052

(2) The rules shall provide that during a fiscal year, the 106053
department, by means of the rate reconsideration process, may 106054
increase the rate determined for an intermediate care facility for 106055
the mentally retarded as calculated under sections 5111.20 to 106056
~~5111.33~~ 5111.331 of the Revised Code if the provider of the 106057
facility demonstrates that the facility's actual, allowable costs 106058

have increased because of extreme circumstances. A facility may 106059
qualify for a rate increase only if the facility's per diem, 106060
actual, allowable costs have increased to a level that exceeds its 106061
total rate. The rules shall specify the circumstances that would 106062
justify a rate increase under division (A)(2) of this section. The 106063
rules shall provide that the extreme circumstances include natural 106064
disasters, renovations approved under division (D) of section 106065
5111.251 of the Revised Code, an increase in workers' compensation 106066
experience rating of greater than five per cent for a facility 106067
that has an appropriate claims management program, increased 106068
security costs for an inner-city facility, and a change of 106069
ownership that results from bankruptcy, foreclosure, or findings 106070
of violations of certification requirements by the department of 106071
health. An increase under division (A)(2) of this section is 106072
subject to any rate limitations or maximum rates established by 106073
sections 5111.20 to ~~5111.33~~ 5111.331 of the Revised Code for 106074
specific cost centers. Any rate increase granted under division 106075
(A)(2) of this section shall take effect on the first day of the 106076
first month after the department receives the request. 106077

(3) The rules shall provide that the department, through the 106078
rate reconsideration process, may increase an intermediate care 106079
facility for the mentally retarded's rate as calculated under 106080
sections 5111.20 to ~~5111.33~~ 5111.331 of the Revised Code if the 106081
department, in the department's sole discretion, determines that 106082
the rate as calculated under those sections works an extreme 106083
hardship on the facility. 106084

(4) The rules shall provide that when beds certified for the 106085
medicaid program are added to an existing intermediate care 106086
facility for the mentally retarded or replaced at the same site, 106087
the department, through the rate reconsideration process, shall 106088
increase the intermediate care facility for the mentally 106089
retarded's rate for capital costs proportionately, as limited by 106090

any applicable limitation under section 5111.251 of the Revised Code, to account for the costs of the beds that are added or replaced. The department shall make this increase one month after the first day of the month after the department receives sufficient documentation of the costs. Any rate increase granted under division (A)(4) of this section after June 30, 1993, shall remain in effect until the effective date of a rate calculated under section 5111.251 of the Revised Code that includes costs incurred for a full calendar year for the bed addition or bed replacement. The facility shall report double accumulated depreciation in an amount equal to the depreciation included in the rate adjustment on its cost report for the first year of operation. During the term of any loan used to finance a project for which a rate adjustment is granted under division (A)(4) of this section, if the facility is operated by the same provider, the provider shall subtract from the interest costs it reports on its cost report an amount equal to the difference between the following:

(a) The actual, allowable interest costs for the loan during the calendar year for which the costs are being reported;

(b) The actual, allowable interest costs attributable to the loan that were used to calculate the rates paid to the provider for the facility during the same calendar year.

(5) The department's decision at the conclusion of the reconsideration process shall not be subject to any administrative proceedings under Chapter 119. or any other provision of the Revised Code.

(B) All of the following are subject to an adjudication conducted in accordance with Chapter 119. of the Revised Code:

(1) Any audit disallowance that the department makes as the result of an audit under section 5111.27 of the Revised Code;

(2) Any adverse finding that results from an exception review 106122
of resident assessment information conducted under section 5111.27 106123
of the Revised Code after the effective date of the facility's 106124
rate that is based on the assessment information; 106125

(3) Any medicaid payment deemed an overpayment under section 106126
5111.683 of the Revised Code; 106127

(4) Any penalty the department imposes under division (C) of 106128
section 5111.28 of the Revised Code or section 5111.683 of the 106129
Revised Code. 106130

Sec. 5111.291. Notwithstanding sections 5111.20 to ~~5111.33~~ 106131
5111.331 of the Revised Code, the department of job and family 106132
services may compute the rate for intermediate care facilities for 106133
the mentally retarded operated by the department of developmental 106134
disabilities or the department of mental health according to the 106135
reasonable cost principles of Title XVIII. 106136

Sec. 5111.33. Reimbursement to a provider of an intermediate 106137
care facility for the mentally retarded under sections 5111.20 to 106138
~~5111.32~~ 5111.331 of the Revised Code shall include payments to the 106139
provider, at a rate equal to the percentage of the per resident 106140
per day rates that the department of job and family services has 106141
established for the provider's ~~nursing facility or intermediate~~ 106142
~~care facility for the mentally retarded~~ under sections 5111.20 to 106143
~~5111.33~~ 5111.331 of the Revised Code for the fiscal year for which 106144
the cost of services is reimbursed, to reserve a bed for a 106145
recipient during a temporary absence under conditions prescribed 106146
by the department, to include hospitalization for an acute 106147
condition, visits with relatives and friends, and participation in 106148
therapeutic programs outside the facility, when the resident's 106149
plan of care provides for such absence and federal participation 106150
in the payments is available. The maximum period during which 106151

payments may be made to reserve a bed shall not exceed the maximum 106152
period specified under federal regulations, and shall not be more 106153
than thirty days during any calendar year for hospital stays, 106154
visits with relatives and friends, and participation in 106155
therapeutic programs. 106156

~~Recipients who have been identified by the department as 106157
requiring the level of care of an intermediate care facility for 106158
the mentally retarded shall not be subject to a maximum period 106159
during which payments may be made to reserve a bed in an 106160
intermediate care facility for the mentally retarded if prior 106161
authorization of the department is obtained for hospital stays, 106162
visits with relatives and friends, and participation in 106163
therapeutic programs. The director of job and family services 106164
shall adopt rules under section 5111.02 of the Revised Code 106165
establishing conditions under which prior authorization may be 106166
obtained. 106167~~

Sec. 5111.331. (A) The department of job and family services 106168
may make payments to a provider of a nursing facility under 106169
sections 5111.20 to 5111.331 of the Revised Code to reserve a bed 106170
for a recipient during a temporary absence under conditions 106171
prescribed by the department, to include hospitalization for an 106172
acute condition, visits with relatives and friends, and 106173
participation in therapeutic programs outside the facility, when 106174
the resident's plan of care provides for such absence and federal 106175
participation in the payments is available. 106176

(B) The maximum period for which payments may be made to 106177
reserve a bed in a nursing facility shall not exceed the 106178
following: 106179

(1) For calendar year 2011, thirty days; 106180

(2) For calendar year 2012 and each calendar year thereafter, 106181

Sec. ~~3722.021~~ 5119.711. In determining the number of 110200

case: 110205

(A) In addition to being an adult care facility, the facility 110206
is a nursing home licensed under Chapter 3721. of the Revised 110207
Code, a residential facility licensed under that chapter, or both. 110208
In that case, all the individuals in the part or unit licensed as 110209

in compliance with the Ohio basic building code established by the 110221
board of building standards under Chapters 3781. and 3791. of the 110222

separate and discrete part or unit and speak with the individuals 110225
residing there, if they consent, to determine whether the separate 110226
and discrete part or unit meets the requirements of this division. 110227

Sec. ~~3722.022~~ 5119.712. A person may not apply for a license 110228
to operate an adult care facility if the person is or has been the 110229

for any reason other than nonpayment of the license renewal fee, 110232
unless both of the following conditions are met: 110233

(A) A period of not less than two years has elapsed since the 110234

date the director of mental health issued the order revoking or 110235
refusing to renew the facility's license. 110236

(B) The director's revocation or refusal to renew the license 110237
was not based on an act or omission at the facility that violated 110238

exploitation. 110240

Sec. ~~3722.03~~ 5119.72. (A) Any person may operate an adult 110241
family home licensed as an adult care facility as a permitted use 110242
in any residential district or zone, including any single-family 110243
residential district or zone of any political subdivision. Such 110244
adult family homes may be required to comply with area, height, 110245
yard, and architectural compatibility requirements that are 110246
uniformly imposed upon all single-family residences within the 110247
district or zone. 110248

(B) Any person may operate an adult group home licensed as an 110249
adult care facility as a permitted use in any multiple-family 110250
residential district or zone of any political subdivision, except 110251

group homes from such districts, and a political subdivision that 110255
has enacted a zoning ordinance or resolution may regulate adult 110256
group homes in multiple-family residential districts or zones as a 110257

under reasonable and specific standards and conditions set out in 110259
the zoning ordinance or resolution to: 110260

(1) Require the architectural design and site layout of the 110261
home and the location, nature, and height of any walls, screens, 110262

residential character of the neighborhood; 110264

(2) Require compliance with yard, parking, and sign 110265

licensed under this chapter in a single-family residential 110269
district or zone under conditions established by the political 110270
subdivision. 110271

(D)(1) Notwithstanding divisions (A) and (B) of this section 110272
and except as otherwise provided in division (D)(2) of this 110273
section, a political subdivision that has enacted a zoning 110274
ordinance or resolution may limit the excessive concentration of 110275
adult family homes and adult group homes required to be licensed 110276
as adult care facilities. 110277

(2) Nothing in division (D)(1) of this section authorizes a 110278
political subdivision to prevent or limit the continued existence 110279
and operation of adult family homes and adult group homes existing 110280
and operating on the effective date of this section and required 110281
to be licensed as adult care facilities. A political subdivision 110282
may consider the existence of such homes for the purpose of 110283
limiting the excessive concentration of adult family homes or 110284
adult group homes required to be licensed as adult care facilities 110285
that are not existing and operating on the effective date of this 110286
section. 110287

and any individuals who are principal participants in an entity 110297
that is the owner or manager in operating facilities providing 110298
care to adults. The director may, in accordance with Chapter 119. 110299
of the Revised Code, deny a license if the past record indicates 110300
that the owner or manager is not suitable to own or manage an 110301
adult care facility. 110302

The license shall contain the name and address of the 110303
facility for which it was issued, the date of expiration of the 110304
license, and the maximum number of residents that may be 110305
accommodated by the facility. A license for an adult care facility 110306
shall be valid for a period of two years after the date of 110307
issuance. No single facility may be licensed to operate as more 110308
than one adult care facility. 110309

(B) The director shall renew a license for a two-year period 110310
if the facility continues to be in compliance with the 110311
requirements of this chapter and in substantial compliance with 110312
the rules adopted ~~under this chapter~~ pursuant to sections 5119.70 110313
to 5119.88 of the Revised Code. The owner shall submit a 110314
nonrefundable license renewal application fee in an amount 110315

approvals, if required by law, and, in the case of an adult group 110323
home, documentation of continued compliance with the rules adopted 110324
by the state fire marshal under division (F) of section 3737.83 of 110325
the Revised Code. 110326

(C)(1) During each licensure period, the director shall make 110327
at least one unannounced inspection of an adult care facility in 110328

inspections as the director considers necessary. Other inspections 110331
may be made at any time that the director considers appropriate. 110332
Inspections may be conducted as desk audits or on-site 110333

The director shall take all reasonable actions to avoid 110335
giving notice of an inspection by the manner in which the 110336
inspection is scheduled or performed. 110337

If an inspection is conducted to investigate an alleged 110338
violation of the requirements of ~~this chapter~~ sections 5119.70 to 110339
5119.88 of the Revised Code in a facility with residents referred 110340
by or receiving services from a mental health agency or ADAMHS 110341
board or a facility with residents receiving assistance under the 110342
residential state supplement program administered by the 110343

established by rule ~~adopted by the public health council~~ pursuant 110367
to ~~this chapter~~ sections 5119.70 to 5119.88 of the Revised Code 110368
upon written request of the facility. The director may grant a 110369
waiver if the director determines that the strict application of 110370
the licensing requirement would cause undue hardship to the 110371
facility and that granting the waiver would not jeopardize the 110372
health or safety of any resident. The director may provide a 110373
facility with an informal hearing concerning the denial of a 110374
waiver request, but the facility shall not be entitled to a 110375
hearing under Chapter 119. of the Revised Code unless the director 110376
takes an action that requires a hearing to be held under section 110377

classification and amount of the penalty by considering the 110557
following factors: 110558

(1) The gravity of the violation, the severity of the actual 110559

(B) The director shall give written notice of the order 110566
imposing a civil penalty to the adult care facility by certified 110567
mail, return receipt requested, or shall provide for delivery of 110568
the notice in person. The notice shall specify the classification 110569
of the violation as determined by rules adopted ~~by the public~~ 110570
~~health council pursuant to this chapter~~ under section 5119.80 of 110571
the Revised Code, the amount of the penalty and the rate of 110572
interest, the action that is required to be taken to correct the 110573
violation, the time within which it is to be corrected as 110574
specified in division (C) of this section, and the procedures for 110575

the facility to follow to request a conference on the order 110576
imposing a civil penalty. If the facility requests a conference in 110577
a letter mailed or delivered not later than two working days after 110578
it has received the notice, the director shall hold a conference 110579
with representatives of the facility concerning the civil penalty. 110580
The conference shall be held not later than seven days after the 110581
director receives the request. The conference shall be conducted 110582
as prescribed in division (C) of section ~~3722.07~~ 5119.76 of the 110583

chapter until a final adjudication is made. 110588

(C) The director shall order that the condition or practice 110589

shall specify a time within which the violation is required to be 110593
corrected. 110594

(D) If the facility does not request a conference or if, 110595

an order upholding the penalty, plus interest at the rate 110598
specified in section 1343.03 of the Revised Code for each day 110599

waive the interest payment for the period prior to the conference 110601
if the director concludes that the conference was necessitated by 110602
a legitimate dispute. 110603

(E) The director may cancel or reduce the penalty for a class 110604
I violation if the facility corrects the violation within the time 110605
specified in the notice, except that the director shall impose the 110606
penalty even though the facility has corrected the violation if a 110607

resident suffers physical harm because of the violation or the 110608
facility has been cited previously for the same violation. The 110609
director may cancel the penalty for a class II or class III 110610
violation if the facility corrects the violation within the time 110611
specified in the notice and the facility has not been cited 110612
previously for the same violation. Each day of a violation of any 110613
class, after the date the director sets for abatement or 110614
elimination, constitutes a separate and additional violation. 110615

(F) If an adult care facility fails to pay a penalty imposed 110616
under this section, the director may commence a civil action to 110617
collect the penalty. The license of an adult care facility that 110618
has failed to pay a penalty imposed under this section shall not 110619
be renewed until the penalty has been paid. 110620

facility or if the director determines that an adult care facility 110627
is operating without a license, the director may petition the 110628
court of common pleas in the county in which the facility is 110629
located for appropriate injunctive relief against the facility. If 110630
injunctive relief is granted against a facility for operating 110631

the payment amount assigned to the contract for the new home shall 113238
be the payment amount assigned to the contract at the previous 113239
location. 113240~~

~~(F)(1) Annually, a contractor shall complete an assessment of 113241

~~(4) The department shall adopt rules as necessary regarding the submission of assessments and cost reports under this division. The rules shall be adopted in accordance with Chapter 119. of the Revised Code.~~

~~(G) Prior to renewing a contract entered into under this section, the department shall compute the contract's total predicted funding need and total adjusted predicted funding need. The department shall also compute the contract's unmet funding need if the payment amount assigned to the contract is less than the total adjusted predicted funding need. The results of these calculations shall be used to determine the payment amount assigned to the renewed contract.~~

~~(H)(1) A contract's total predicted funding need is an amount equal to the sum of the predicted funding needs for the following cost categories:~~

(a) Routine direct services staff;	113280
(b) Dietary, program supplies, and specialized staff;	113281
(c) Facility and general services;	113282
(d) Administration.	113283
(2) Based on the assessments submitted by the contractor, the	113284
department shall compute the contract's predicted funding need for	113285
the routine direct services staff cost category by multiplying the	113286
number of direct services staff predicted to be necessary for the	113287
home by the sum of the following:	113288
(a) Entry level wages paid during the immediately preceding	113289
cost reporting period to comparable staff employed by the county	113290
board of developmental disabilities of the county in which the	113291

period as the cost reporting period.	113295
(3) The department shall establish by rule adopted in	113296
accordance with Chapter 119. of the Revised Code the method to be	113297
used to compute the predicted funding need for the dietary,	113298
program supplies, and specialized staff cost category; the	113299
facility and general services cost category; and the	113300
administration cost category. The rules shall not establish a	113301
maximum amount that may be attributed to the dietary, program	113302
supplies, and specialized staff cost category. The rules shall	113303
establish a process for determining the combined maximum amount	113304
that may be attributed to the facility and general services cost	113305
category and the administration cost category.	113306
(I)(1) A contract's total adjusted predicted funding need is	113307
the contract's total predicted funding need with adjustments made	113308

~~(a) Inflation, as provided under division (I)(2) of this section;~~ 113310
113311

~~(b) The predicted cost of complying with new requirements established under federal or state law that were not taken into consideration when the total predicted funding need was computed;~~ 113312
113313
113314

~~(c) Changes in needs based on revised assessments submitted by the contractor.~~ 113315
113316

~~(2) In adjusting the total predicted funding need for inflation, the department shall use either the consumer price index compound annual inflation rate calculated by the United States department of labor for all items or another index or measurement of inflation designated in rules that the department shall adopt in accordance with Chapter 119. of the Revised Code.~~ 113317
113318
113319
113320
113321
113322

~~When a contract is being renewed for the first time, and the contract is to begin on the first day of July, the inflation adjustment applied to the contract's total predicted funding need shall be the estimated rate of inflation for the calendar year in which the contract is renewed. If the consumer price index is being used, the department shall base its estimate on the rate of inflation calculated for the three month period ending the thirty first day of March of that calendar year. If another index or measurement is being used, the department shall base its estimate on the most recent calculations of the rate of inflation available under the index or measurement. Each year thereafter, the inflation adjustment shall be estimated in the same manner, except that if the estimated rate of inflation for a year is different from the actual rate of inflation for that year, the difference shall be added to or subtracted from the rate of inflation estimated for the next succeeding year.~~ 113323
113324
113325
113326
113327
113328
113329
113330
113331
113332
113333
113334
113335
113336
113337
113338

~~If a contract begins at any time other than July first, the inflation adjustment applied to the contract's total predicted~~ 113339
113340

~~funding need shall be determined by a method comparable to that used for contracts beginning July first. The department shall adopt rules in accordance with Chapter 119. of the Revised Code establishing the method to be used.~~

~~(J) A contract's unmet funding need is the difference between the payment amount assigned to the contract and the total adjusted predicted funding need, if the payment amount assigned is less than the total adjusted predicted funding need.~~

~~(K) The payment amount to be assigned to a contract being renewed shall be determined by comparing the total adjusted predicted funding need with the payment amount assigned to the current contract.~~

~~(1) If the payment amount assigned to the current contract equals or exceeds the total adjusted predicted funding need, the payment amount assigned to the renewed contract shall be the same as that assigned to the current contract, unless a reduction is made pursuant to division (L) of this section.~~

~~(2) If the payment amount assigned to the current contract is less than the total adjusted predicted funding need, the payment amount assigned to the renewed contract shall be increased if the department determines that funds are available for such increases. The amount of a contract's increase shall be the same percentage of the available funds that the contract's unmet funding need is of the total of the unmet funding need for all contracts.~~

~~(L) When renewing a contract provided for in division (B) of this section other than a companion home contract, the department may reduce the payment amount assigned to a renewed contract if the sum of the contractor's allowable reported costs and the maximum efficiency incentive is less than ninety one and one half per cent of the amount received pursuant to this section during the immediately preceding contract year.~~

~~The department shall adopt rules in accordance with Chapter 113372
119. of the Revised Code establishing a formula to be used in 113373
computing the maximum efficiency incentive, which shall be at 113374
least four per cent of the weighted average payment amount to be 113375
made to all contractors during the contract year. The maximum 113376
efficiency incentive shall be computed annually. 113377~~

~~(M) The department may increase the payment amount assigned 113378
to a contract based on the contract's unmet funding need at times 113379
other than when the contract is renewed. The department may 113380
develop policies for determining priorities in making such 113381
increases. 113382~~

~~(N)(1) In addition to the contracts provided for in division 113383
(B) of this section, the department may enter into the following 113384
contracts: 113385~~

~~(a) A contract to pay the cost of beginning operation of a 113386
new home that is to be funded under a companion home contract, 113387
agency operated companion home contract, community home contract, 113388
or combined agency operated companion home and community home 113389

~~(b) A contract to pay the cost associated with increasing the 113391
number of individuals served by a home funded under a companion 113392

~~(2) The department shall adopt rules as necessary regarding 113396
contracts entered into under this division. The rules shall be 113397
adopted in accordance with Chapter 119. of the Revised Code. 113398~~

~~(O) Except for companion home contracts, the department shall 113399
conduct a reconciliation of the amount earned under a contract and 113400
the actual costs incurred by the contractor. An amount is 113401
considered to have been earned for delivering a service at the 113402~~

~~time the service is delivered. The department shall adopt rules in accordance with Chapter 119. of the Revised Code establishing procedures for conducting reconciliations.~~

~~A reconciliation shall be based on the annual cost report submitted by the contractor. If a reconciliation reveals that a contractor owes money to the state, the amount owed shall be collected in accordance with section 5123.051 of the Revised Code.~~

~~When conducting reconciliations, the department shall review all reported costs that may be affected by transactions required to be reported under division (B)(3) of section 5123.172 of the Revised Code. If the department determines that such transactions have increased the cost reported by a contractor, the department may disallow or adjust the cost allowable for payment. The department shall adopt rules in accordance with Chapter 119. of the Revised Code establishing standards for disallowances or adjustments.~~

~~(P) The department may audit the contracts it enters into under this section. Audits may be conducted by the department or an entity with which the department contracts to perform the audits. The department shall adopt rules in accordance with Chapter 119. of the Revised Code establishing procedures for conducting audits.~~

~~An audit may include the examination of a contractor's financial books and records, the costs incurred by a contractor in providing residential services, and any other relevant information specified by the department. An audit shall not be commenced more than four years after the expiration of the contract to be audited, except in cases where the department has reasonable cause to believe that a contractor has committed fraud.~~

~~If an audit reveals that a contractor owes money to the state, the amount owed, subject to an adjudication hearing under~~

~~this division, shall be collected in accordance with section 113434
5123.051 of the Revised Code. If an audit reveals that a 113435
reconciliation conducted under this section resulted in the 113436
contractor erroneously paying money to the state, the department 113437
shall refund the money to the contractor, or, in lieu of making a 113438
refund, the department may offset the erroneous payment against 113439
any money determined as a result of the audit to be owed by the 113440
contractor to the state. The department is not required to pay 113441
interest on any money refunded under this division. 113442~~

~~In conducting audits or making determinations of amounts owed 113443
by a contractor and amounts to be refunded or offset, the 113444
department shall not be bound by the results of reconciliations 113445
conducted under this section, except with regard to cases 113446
involving claims that have been certified pursuant to section 113447
5123.051 of the Revised Code to the attorney general for 113448
collection for which a full and final settlement has been reached 113449
or a final judgment has been made from which all rights of appeal 113450
have expired or been exhausted. 113451~~

~~Not later than ninety days after an audit's completion, the 113452
department shall provide the contractor a copy of a report of the 113453
audit. The report shall state the findings of the audit, including 113454
the amount of any money the contractor is determined to owe the 113455
state. 113456~~

Sec. 5123.19. (A) As used in this section and in sections 5123.191, ~~5123.193~~, 5123.194, 5123.196, 5123.197, 5123.198, and 5123.20 of the Revised Code:

(1)(a) "Residential facility" means a home or facility in

which a mentally retarded or developmentally disabled person 113527

respite care home certified under section 5126.05 of the Revised 113530
Code, a county home or district home operated pursuant to Chapter 113531
5155. of the Revised Code, or a dwelling in which the only 113532
mentally retarded or developmentally disabled residents are in an 113533
independent living arrangement or are being provided supported 113534
living. 113535

(b) "Intermediate care facility for the mentally retarded" 113536
means a residential facility that is considered an intermediate 113537

provision of residential services for mentally retarded or 113546
developmentally disabled persons, and for which no financial 113547

governmental agency by a provider of residential services. 113549

(4) "Licensee" means the person or government agency that has 113550

that held or applied for a license to operate a residential 113556
facility, rather than a person or government entity certified to 113557

provide supported living. 113558

(B) Every person or government agency desiring to operate a 113559
residential facility shall apply for licensure of the facility to 113560
the director of developmental disabilities unless the residential 113561
facility is subject to section 3721.02, ~~3722.04~~ 5119.73, 5103.03, 113562
or 5119.20 of the Revised Code. Notwithstanding Chapter 3721. of 113563
the Revised Code, a nursing home that is certified as an 113564

(C) Subject to section 5123.196 of the Revised Code, the 113570
director of developmental disabilities shall license the operation 113571
of residential facilities. An initial license shall be issued for 113572
a period that does not exceed one year, unless the director denies 113573
the license under division (D) of this section. A license shall be 113574
renewed for a period that does not exceed three years, unless the 113575
director refuses to renew the license under division (D) of this 113576
section. The director, when issuing or renewing a license, shall 113577
specify the period for which the license is being issued or 113578
renewed. A license remains valid for the length of the licensing 113579
period specified by the director, unless the license is 113580
terminated, revoked, or voluntarily surrendered. 113581

(D) If it is determined that an applicant or licensee is not 113582
in compliance with a provision of this chapter that applies to 113583
residential facilities or the rules adopted under such a 113584
provision, the director may deny issuance of a license, refuse to 113585
renew a license, terminate a license, revoke a license, issue an 113586
order for the suspension of admissions to a facility, issue an 113587
order for the placement of a monitor at a facility, issue an order 113588
for the immediate removal of residents, or take any other action 113589

the director considers necessary consistent with the director's 113590
authority under this chapter regarding residential facilities. In 113591
the director's selection and administration of the sanction to be 113592
imposed, all of the following apply: 113593

(1) The director may deny, refuse to renew, or revoke a 113594
license, if the director determines that the applicant or licensee 113595
has demonstrated a pattern of serious noncompliance or that a 113596
violation creates a substantial risk to the health and safety of 113597
residents of a residential facility. 113598

(2) The director may terminate a license if more than twelve 113599
consecutive months have elapsed since the residential facility was 113600
last occupied by a resident or a notice required by division (K) 113601
of this section is not given. 113602

(3) The director may issue an order for the suspension of 113603
admissions to a facility for any violation that may result in 113604
sanctions under division (D)(1) of this section and for any other 113605
violation specified in rules adopted under division (H)(2) of this 113606
section. If the suspension of admissions is imposed for a 113607
violation that may result in sanctions under division (D)(1) of 113608
this section, the director may impose the suspension before 113609
providing an opportunity for an adjudication under Chapter 119. of 113610
the Revised Code. The director shall lift an order for the 113611
suspension of admissions when the director determines that the 113612
violation that formed the basis for the order has been corrected. 113613

(4) The director may order the placement of a monitor at a 113614
residential facility for any violation specified in rules adopted 113615
under division (H)(2) of this section. The director shall lift the 113616
order when the director determines that the violation that formed 113617
the basis for the order has been corrected. 113618

(5) If the director determines that two or more residential 113619
facilities owned or operated by the same person or government 113620

entity are not being operated in compliance with a provision of 113621
this chapter that applies to residential facilities or the rules 113622
adopted under such a provision, and the director's findings are 113623
based on the same or a substantially similar action, practice, 113624
circumstance, or incident that creates a substantial risk to the 113625
health and safety of the residents, the director shall conduct a 113626
survey as soon as practicable at each residential facility owned 113627
or operated by that person or government entity. The director may 113628
take any action authorized by this section with respect to any 113629
facility found to be operating in violation of a provision of this 113630
chapter that applies to residential facilities or the rules 113631
adopted under such a provision. 113632

(6) When the director initiates license revocation 113633
proceedings, no opportunity for submitting a plan of correction 113634
shall be given. The director shall notify the licensee by letter 113635
of the initiation of the proceedings. The letter shall list the 113636
deficiencies of the residential facility and inform the licensee 113637
that no plan of correction will be accepted. The director shall 113638
also send a copy of the letter to the county board of 113639
developmental disabilities. The county board shall send a copy of 113640
the letter to each of the following: 113641

(a) Each resident who receives services from the licensee; 113642

(b) The guardian of each resident who receives services from 113643
the licensee if the resident has a guardian; 113644

(c) The parent or guardian of each resident who receives 113645
services from the licensee if the resident is a minor. 113646

(7) Pursuant to rules which shall be adopted in accordance 113647
with Chapter 119. of the Revised Code, the director may order the 113648
immediate removal of residents from a residential facility 113649
whenever conditions at the facility present an immediate danger of 113650
physical or psychological harm to the residents. 113651

(8) In determining whether a residential facility is being operated in compliance with a provision of this chapter that applies to residential facilities or the rules adopted under such a provision, or whether conditions at a residential facility present an immediate danger of physical or psychological harm to the residents, the director may rely on information obtained by a county board of developmental disabilities or other governmental agencies.

(9) In proceedings initiated to deny, refuse to renew, or revoke licenses, the director may deny, refuse to renew, or revoke a license regardless of whether some or all of the deficiencies that prompted the proceedings have been corrected at the time of the hearing.

(E) The director shall establish a program under which public notification may be made when the director has initiated license revocation proceedings or has issued an order for the suspension of admissions, placement of a monitor, or removal of residents. The director shall adopt rules in accordance with Chapter 119. of the Revised Code to implement this division. The rules shall establish the procedures by which the public notification will be made and specify the circumstances for which the notification must be made. The rules shall require that public notification be made if the director has taken action against the facility in the eighteen-month period immediately preceding the director's latest action against the facility and the latest action is being taken for the same or a substantially similar violation of a provision of this chapter that applies to residential facilities or the rules adopted under such a provision. The rules shall specify a method for removing or amending the public notification if the director's action is found to have been unjustified or the violation at the residential facility has been corrected.

(F)(1) Except as provided in division (F)(2) of this section,

appeals from proceedings initiated to impose a sanction under 113684
division (D) of this section shall be conducted in accordance with 113685
Chapter 119. of the Revised Code. 113686

(2) Appeals from proceedings initiated to order the 113687
suspension of admissions to a facility shall be conducted in 113688
accordance with Chapter 119. of the Revised Code, unless the order 113689
was issued before providing an opportunity for an adjudication, in 113690
which case all of the following apply: 113691

(a) The licensee may request a hearing not later than ten 113692
days after receiving the notice specified in section 119.07 of the 113693
Revised Code. 113694

(b) If a timely request for a hearing that includes the 113695
licensee's current address is made, the hearing shall commence not 113696
later than thirty days after the department receives the request. 113697

(c) After commencing, the hearing shall continue 113698
uninterrupted, except for Saturdays, Sundays, and legal holidays, 113699
unless other interruptions are agreed to by the licensee and the 113700
director. 113701

(d) If the hearing is conducted by a hearing examiner, the 113702
hearing examiner shall file a report and recommendations not later 113703
than ten days after the last of the following: 113704

(i) The close of the hearing; 113705

(ii) If a transcript of the proceedings is ordered, the 113706
hearing examiner receives the transcript; 113707

(iii) If post-hearing briefs are timely filed, the hearing 113708
examiner receives the briefs. 113709

(e) A copy of the written report and recommendation of the 113710
hearing examiner shall be sent, by certified mail, to the licensee 113711
and the licensee's attorney, if applicable, not later than five 113712
days after the report is filed. 113713

(f) Not later than five days after the hearing examiner files the report and recommendations, the licensee may file objections to the report and recommendations.

(g) Not later than fifteen days after the hearing examiner files the report and recommendations, the director shall issue an order approving, modifying, or disapproving the report and recommendations.

(h) Notwithstanding the pendency of the hearing, the director shall lift the order for the suspension of admissions when the director determines that the violation that formed the basis for the order has been corrected.

(G) Neither a person or government agency whose application for a license to operate a residential facility is denied nor a related party of the person or government agency may apply for a license to operate a residential facility before the date that is one year after the date of the denial. Neither a licensee whose residential facility license is revoked nor a related party of the licensee may apply for a residential facility license before the date that is five years after the date of the revocation.

(H) In accordance with Chapter 119. of the Revised Code, the director shall adopt and may amend and rescind rules for licensing and regulating the operation of residential facilities, including intermediate care facilities for the mentally retarded. The rules for intermediate care facilities for the mentally retarded may differ from those for other residential facilities. The rules shall establish and specify the following:

(1) Procedures and criteria for issuing and renewing licenses, including procedures and criteria for determining the length of the licensing period that the director must specify for each license when it is issued or renewed;

(2) Procedures and criteria for denying, refusing to renew,

terminating, and revoking licenses and for ordering the suspension 113745
of admissions to a facility, placement of a monitor at a facility, 113746
and the immediate removal of residents from a facility; 113747

(3) Fees for issuing and renewing licenses, which shall be 113748
deposited into the program fee fund created under section 5123.033 113749
of the Revised Code; 113750

(4) Procedures for surveying residential facilities; 113751

(5) Requirements for the training of residential facility 113752
personnel; 113753

(6) Classifications for the various types of residential 113754
facilities; 113755

(7) Certification procedures for licensees and management 113756
contractors that the director determines are necessary to ensure 113757
that they have the skills and qualifications to properly operate 113758
or manage residential facilities; 113759

(8) The maximum number of persons who may be served in a 113760
particular type of residential facility; 113761

(9) Uniform procedures for admission of persons to and 113762
transfers and discharges of persons from residential facilities; 113763

(10) Other standards for the operation of residential 113764
facilities and the services provided at residential facilities; 113765

(11) Procedures for waiving any provision of any rule adopted 113766
under this section. 113767

(I) Before issuing a license, the director of the department 113768
or the director's designee shall conduct a survey of the 113769
residential facility for which application is made. The director 113770
or the director's designee shall conduct a survey of each licensed 113771
residential facility at least once during the period the license 113772
is valid and may conduct additional inspections as needed. A 113773
survey includes but is not limited to an on-site examination and 113774

evaluation of the residential facility, its personnel, and the services provided there.

In conducting surveys, the director or the director's designee shall be given access to the residential facility; all records, accounts, and any other documents related to the operation of the facility; the licensee; the residents of the facility; and all persons acting on behalf of, under the control of, or in connection with the licensee. The licensee and all persons on behalf of, under the control of, or in connection with the licensee shall cooperate with the director or the director's designee in conducting the survey.

Following each survey, unless the director initiates a license revocation proceeding, the director or the director's designee shall provide the licensee with a report listing any deficiencies, specifying a timetable within which the licensee shall submit a plan of correction describing how the deficiencies will be corrected, and, when appropriate, specifying a timetable within which the licensee must correct the deficiencies. After a plan of correction is submitted, the director or the director's designee shall approve or disapprove the plan. A copy of the report and any approved plan of correction shall be provided to any person who requests it.

The director shall initiate disciplinary action against any department employee who notifies or causes the notification to any unauthorized person of an unannounced survey of a residential facility by an authorized representative of the department.

(J) In addition to any other information which may be required of applicants for a license pursuant to this section, the director shall require each applicant to provide a copy of an approved plan for a proposed residential facility pursuant to section 5123.042 of the Revised Code. This division does not apply to renewal of a license or to an applicant for an initial or

modified license who meets the requirements of section 5123.193 or 113807
5123.197 of the Revised Code. 113808

(K) A licensee shall notify the owner of the building in 113809
which the licensee's residential facility is located of any 113810
significant change in the identity of the licensee or management 113811
contractor before the effective date of the change if the licensee 113812
is not the owner of the building. 113813

Pursuant to rules which shall be adopted in accordance with 113814
Chapter 119. of the Revised Code, the director may require 113815
notification to the department of any significant change in the 113816
ownership of a residential facility or in the identity of the 113817
licensee or management contractor. If the director determines that 113818
a significant change of ownership is proposed, the director shall 113819
consider the proposed change to be an application for development 113820
by a new operator pursuant to section 5123.042 of the Revised Code 113821
and shall advise the applicant within sixty days of the 113822
notification that the current license shall continue in effect or 113823
a new license will be required pursuant to this section. If the 113824
director requires a new license, the director shall permit the 113825
facility to continue to operate under the current license until 113826
the new license is issued, unless the current license is revoked, 113827
refused to be renewed, or terminated in accordance with Chapter 113828
119. of the Revised Code. 113829

(L) A county board of developmental disabilities, the legal 113830
rights service, and any interested person may file complaints 113831
alleging violations of statute or department rule relating to 113832
residential facilities with the department. All complaints shall 113833
be in writing and shall state the facts constituting the basis of 113834
the allegation. The department shall not reveal the source of any 113835
complaint unless the complainant agrees in writing to waive the 113836
right to confidentiality or until so ordered by a court of 113837
competent jurisdiction. 113838

The department shall adopt rules in accordance with Chapter 119. of the Revised Code establishing procedures for the receipt, referral, investigation, and disposition of complaints filed with the department under this division.

(M) The department shall establish procedures for the notification of interested parties of the transfer or interim care of residents from residential facilities that are closing or are losing their license.

(N) Before issuing a license under this section to a residential facility that will accommodate at any time more than one mentally retarded or developmentally disabled individual, the director shall, by first class mail, notify the following:

(1) If the facility will be located in a municipal corporation, the clerk of the legislative authority of the municipal corporation;

(2) If the facility will be located in unincorporated territory, the clerk of the appropriate board of county commissioners and the fiscal officer of the appropriate board of township trustees.

The director shall not issue the license for ten days after mailing the notice, excluding Saturdays, Sundays, and legal holidays, in order to give the notified local officials time in which to comment on the proposed issuance.

Any legislative authority of a municipal corporation, board of county commissioners, or board of township trustees that receives notice under this division of the proposed issuance of a license for a residential facility may comment on it in writing to the director within ten days after the director mailed the notice, excluding Saturdays, Sundays, and legal holidays. If the director receives written comments from any notified officials within the specified time, the director shall make written findings

concerning the comments and the director's decision on the 113870
issuance of the license. If the director does not receive written 113871
comments from any notified local officials within the specified 113872
time, the director shall continue the process for issuance of the 113873
license. 113874

(O) Any person may operate a licensed residential facility 113875
that provides room and board, personal care, habilitation 113876
services, and supervision in a family setting for at least six but 113877
not more than eight persons with mental retardation or a 113878
developmental disability as a permitted use in any residential 113879
district or zone, including any single-family residential district 113880
or zone, of any political subdivision. These residential 113881
facilities may be required to comply with area, height, yard, and 113882
architectural compatibility requirements that are uniformly 113883
imposed upon all single-family residences within the district or 113884
zone. 113885

(P) Any person may operate a licensed residential facility 113886
that provides room and board, personal care, habilitation 113887

developmental disability as a permitted use in any multiple-family 113890
residential district or zone of any political subdivision, except 113891
that a political subdivision that has enacted a zoning ordinance 113892
or resolution establishing planned unit development districts may 113893
exclude these residential facilities from those districts, and a 113894
political subdivision that has enacted a zoning ordinance or 113895
resolution may regulate these residential facilities in 113896
multiple-family residential districts or zones as a conditionally 113897
permitted use or special exception, in either case, under 113898
reasonable and specific standards and conditions set out in the 113899
zoning ordinance or resolution to: 113900

(1) Require the architectural design and site layout of the 113901

residential facility and the location, nature, and height of any walls, screens, and fences to be compatible with adjoining land uses and the residential character of the neighborhood; 113902
113903
113904

(2) Require compliance with yard, parking, and sign regulation; 113905
113906

(3) Limit excessive concentration of these residential facilities. 113907
113908

(Q) This section does not prohibit a political subdivision from applying to residential facilities nondiscriminatory regulations requiring compliance with health, fire, and safety regulations and building standards and regulations. 113909
113910
113911
113912

(R) Divisions (O) and (P) of this section are not applicable to municipal corporations that had in effect on June 15, 1977, an ordinance specifically permitting in residential zones licensed residential facilities by means of permitted uses, conditional uses, or special exception, so long as such ordinance remains in effect without any substantive modification. 113913
113914
113915
113916
113917
113918

(S)(1) The director may issue an interim license to operate a residential facility to an applicant for a license under this section if either of the following is the case: 113919
113920
113921

(a) The director determines that an emergency exists requiring immediate placement of persons in a residential facility, that insufficient licensed beds are available, and that the residential facility is likely to receive a permanent license under this section within thirty days after issuance of the interim license. 113922
113923
113924
113925
113926
113927

(b) The director determines that the issuance of an interim license is necessary to meet a temporary need for a residential facility. 113928
113929
113930

(2) To be eligible to receive an interim license, an 113931

applicant must meet the same criteria that must be met to receive 113932
a permanent license under this section, except for any differing 113933
procedures and time frames that may apply to issuance of a 113934
permanent license. 113935

(3) An interim license shall be valid for thirty days and may 113936
be renewed by the director for a period not to exceed one hundred 113937
fifty days. 113938

(4) The director shall adopt rules in accordance with Chapter 113939
119. of the Revised Code as the director considers necessary to 113940
administer the issuance of interim licenses. 113941

(T) Notwithstanding rules adopted pursuant to this section 113942
establishing the maximum number of persons who may be served in a 113943
particular type of residential facility, a residential facility 113944
shall be permitted to serve the same number of persons being 113945
served by the facility on the effective date of the rules or the 113946
number of persons for which the facility is authorized pursuant to 113947
a current application for a certificate of need with a letter of 113948
support from the department of developmental disabilities and 113949
which is in the review process prior to April 4, 1986. 113950

(U) The director or the director's designee may enter at any 113951
time, for purposes of investigation, any home, facility, or other 113952
structure that has been reported to the director or that the 113953
director has reasonable cause to believe is being operated as a 113954
residential facility without a license issued under this section. 113955

The director may petition the court of common pleas of the 113956
county in which an unlicensed residential facility is located for 113957
an order enjoining the person or governmental agency operating the 113958
facility from continuing to operate without a license. The court 113959
may grant the injunction on a showing that the person or 113960
governmental agency named in the petition is operating a 113961
residential facility without a license. The court may grant the 113962

injunction, regardless of whether the residential facility meets 113963
the requirements for receiving a license under this section. 113964

Sec. 5123.191. (A) The court of common pleas or a judge 113965
thereof in the judge's county, or the probate court, may appoint a 113966
receiver to take possession of and operate a residential facility 113967
licensed by the department of developmental disabilities, in 113968
causes pending in such courts respectively, when conditions 113969
existing at the facility present a substantial risk of physical or 113970
mental harm to residents and no other remedies at law are adequate 113971
to protect the health, safety, and welfare of the residents. 113972
Conditions at the facility that may present such risk of harm 113973
include, but are not limited to, instances when any of the 113974
following occur: 113975

(1) The residential facility is in violation of state or 113976
federal law or regulations. 113977

(2) The facility has had its license revoked or procedures 113978
for revocation have been initiated, or the facility is closing or 113979
intends to cease operations. 113980

(3) Arrangements for relocating residents need to be made. 113981

(4) Insolvency of the operator, licensee, or landowner 113982
threatens the operation of the facility. 113983

(5) The facility or operator has demonstrated a pattern and 113984
practice of repeated violations of state or federal laws or 113985
regulations. 113986

(B) A court in which a petition is filed pursuant to this 113987
section shall notify the person holding the license for the 113988
facility and the department of developmental disabilities of the 113989
filing. The court shall order the department to notify the legal 113990
rights service, facility owner, facility operator, county board of 113991
developmental disabilities, facility residents, and residents' 113992

parents and guardians of the filing of the petition. 113993

The court shall provide a hearing on the petition within five 113994
court days of the time it was filed, except that the court may 113995
appoint a receiver prior to that time if it determines that the 113996
circumstances necessitate such action. Following a hearing on the 113997
petition, and upon a determination that the appointment of a 113998
receiver is warranted, the court shall appoint a receiver and 113999
notify the department of developmental disabilities and 114000
appropriate persons of this action. 114001

(C) A residential facility for which a receiver has been 114002
named is deemed to be in compliance with section 5123.19 and 114003
Chapter 3721. of the Revised Code for the duration of the 114004
receivership. 114005

(D) When the operating revenue of a residential facility in 114006
receivership is insufficient to meet its operating expenses, 114007
including the cost of bringing the facility into compliance with 114008
state or federal laws or regulations, the court may order the 114009
state to provide necessary funding, except as provided in division 114010
(K) of this section. The state shall provide such funding, subject 114011
to the approval of the controlling board. The court may also order 114012
the appropriate authorities to expedite all inspections necessary 114013
for the issuance of licenses or the certification of a facility, 114014
and order a facility to be closed if it determines that reasonable 114015
efforts cannot bring the facility into substantial compliance with 114016
the law. 114017

(E) In establishing a receivership, the court shall set forth 114018
the powers and duties of the receiver. The court may generally 114019
authorize the receiver to do all that is prudent and necessary to 114020
safely and efficiently operate the residential facility within the 114021
requirements of state and federal law, but shall require the 114022
receiver to obtain court approval prior to making any single 114023
expenditure of more than five thousand dollars to correct 114024

deficiencies in the structure or furnishings of a facility. The 114025
court shall closely review the conduct of the receiver it has 114026
appointed and shall require regular and detailed reports. The 114027
receivership shall be reviewed at least every sixty days. 114028

(F) A receivership established pursuant to this section shall 114029
be terminated, following notification of the appropriate parties 114030
and a hearing, if the court determines either of the following: 114031

(1) The residential facility has been closed and the former 114032
residents have been relocated to an appropriate facility. 114033

(2) Circumstances no longer exist at the facility that 114034
present a substantial risk of physical or mental harm to 114035
residents, and there is no deficiency in the facility that is 114036
likely to create a future risk of harm. 114037

Notwithstanding division (F)(2) of this section, the court 114038
shall not terminate a receivership for a residential facility that 114039
has previously operated under another receivership unless the 114040
responsibility for the operation of the facility is transferred to 114041
an operator approved by the court and the department of 114042
developmental disabilities. 114043

(G) The department of developmental disabilities may, upon 114044
its own initiative or at the request of an owner, operator, or 114045
resident of a residential facility, or at the request of a 114046
resident's guardian or relative, a county board of developmental 114047
disabilities, or the legal rights service, petition the court to 114048
appoint a receiver to take possession of and operate a residential 114049
facility. When the department has been requested to file a 114050
petition by any of the parties listed above, it shall, within 114051
forty-eight hours of such request, either file such a petition or 114052
notify the requesting party of its decision not to file. If the 114053
department refuses to file, the requesting party may file a 114054
petition with the court requesting the appointment of a receiver 114055

to take possession of and operate a residential facility. 114056

Petitions filed pursuant to this division shall include the 114057
following: 114058

(1) A description of the specific conditions existing at the 114059
facility which present a substantial risk of physical or mental 114060
harm to residents; 114061

(2) A statement of the absence of other adequate remedies at 114062
law; 114063

(3) The number of individuals residing at the facility; 114064

(4) A statement that the facts have been brought to the 114065
attention of the owner or licensee and that conditions have not 114066
been remedied within a reasonable period of time or that the 114067
conditions, though remedied periodically, habitually exist at the 114068
facility as a pattern or practice; 114069

(5) The name and address of the person holding the license 114070
for the facility and the address of the department of 114071
developmental disabilities. 114072

The court may award to an operator appropriate costs and 114073
expenses, including reasonable attorney's fees, if it determines 114074
that a petitioner has initiated a proceeding in bad faith or 114075
merely for the purpose of harassing or embarrassing the operator. 114076

(H) Except for the department of developmental disabilities 114077
or a county board of developmental disabilities, no party or 114078
person interested in an action shall be appointed a receiver 114079
pursuant to this section. 114080

To assist the court in identifying persons qualified to be 114081
named as receivers, the director of developmental disabilities or 114082
the director's designee shall maintain a list of the names of such 114083
persons. The director shall, in accordance with Chapter 119. of 114084
the Revised Code, establish standards for evaluating persons 114085

desiring to be included on such a list. 114086

(I) Before a receiver enters upon the duties of that person, 114087
the receiver must be sworn to perform the duties of receiver 114088
faithfully, and, with surety approved by the court, judge, or 114089
clerk, execute a bond to such person, and in such sum as the court 114090
or judge directs, to the effect that such receiver will faithfully 114091
discharge the duties of receiver in the action, and obey the 114092
orders of the court therein. 114093

(J) Under the control of the appointing court, a receiver may 114094
bring and defend actions in the receiver's own name as receiver 114095
and take and keep possession of property. 114096

The court shall authorize the receiver to do the following: 114097

(1) Collect payment for all goods and services provided to 114098
the residents or others during the period of the receivership at 114099
the same rate as was charged by the licensee at the time the 114100
petition for receivership was filed, unless a different rate is 114101
set by the court; 114102

(2) Honor all leases, mortgages, and secured transactions 114103
governing all buildings, goods, and fixtures of which the receiver 114104
has taken possession and continues to use, subject to the 114105
following conditions: 114106

(a) In the case of a rental agreement, only to the extent of 114107
payments that are for the use of the property during the period of 114108
the receivership; 114109

(b) In the case of a purchase agreement only to the extent of 114110
payments that come due during the period of the receivership; 114111

~~(c) If the court determines that the cost of the lease, 114112
mortgage, or secured transaction was increased by a transaction 114113
required to be reported under division (B)(3) of section 5123.172 114114
of the Revised Code, only to the extent determined by the court to 114115~~

~~be the fair market value for use of the property during the period
of the receivership.~~ 114116

(3) If transfer of residents is necessary, provide for the 114118
orderly transfer of residents by doing the following: 114119

in carrying out the transfer of residents to alternative community 114121

disabilities is liable for debts incurred by the owner or operator 114138
of a residential facility for which a receiver has been appointed. 114139

department shall establish the conditions of a contract. ~~A~~ 114142
~~condition may be the same as, similar to, or different from a~~ 114143
~~condition established by section 5123.18 of the Revised Code and~~ 114144

(2) "Per-mill yield" means the quotient obtained by dividing the taxable value of a county by one thousand.

(3) "Population" of a county means that shown by the federal census for a census year or, for a noncensus year, the population as estimated by the department of development.

(4) "Six-year moving average" means the average of the per-mill yields of a county for the most recent six years.

(5) "Yield per person" means the quotient obtained by dividing the six-year moving average of a county by the population of that county.

(6) "Tax equity payments" means payments to county boards of developmental disabilities under this section or a prior version of this section from money appropriated by the general assembly to the department of developmental disabilities for that purpose. 115742
115743
115744
115745

(7) "Eligible county" means a county determined under division (C) of this section to be eligible for tax equity payments for the two-year period for which that determination is made. 115746
115747
115748
115749

(8) "Threshold county" means the county with the lowest yield per person that is determined not to be eligible to receive tax equity payments. 115750
115751
115752

(B) At the request of the director of developmental disabilities, the tax commissioner shall certify to the director the taxable value of property on each county's most recent tax list of real and public utility property. The director may request any other tax information necessary for the purposes of this section. 115753
115754
115755
115756
115757
115758

(C) Beginning in 2011, on or before the thirty-first day of May of that year and of every second year thereafter, the director of developmental disabilities shall determine whether a county is eligible to receive tax equity payments for the ensuing two fiscal years as follows: 115759
115760
115761
115762
115763

(1) The director shall determine the six-year moving average, population, and yield per person of each county in the state, based on the most recent information available. 115764
115765
115766

(2) The director shall calculate a tax equity funding threshold by adding the population of the county with the lowest yield per person and the populations of individual counties in order from lowest yield per person to highest yield per person until the addition of the population of another county would increase the aggregate sum to over thirty per cent of the total 115767
115768
115769
115770
115771
115772

state population. A county is eligible to receive tax equity 115773
payments for the two-year period if its population is included in 115774
the calculation of the threshold and the addition of its 115775
population does not increase such sum to over thirty per cent of 115776
the total state population. 115777

(D)(1) Except as provided in divisions (D)(2) and (3) of this 115778
section, beginning in fiscal year 2012 and for each fiscal year 115779
thereafter, the director shall make tax equity payments to each 115780
eligible county equal to the population of the county multiplied 115781
by the difference between the yield per person of the threshold 115782
county and the yield per person of the eligible county. For 115783
purposes of this division, the population and yield per person of 115784
a county equal the population and yield per person most recently 115785
determined for that county under division (C)(1) of this section. 115786

thirty-first day of December, the thirty-first day of March, and 115789
the thirtieth day of June of each fiscal year. 115790

(2) In fiscal year 2012, if the amount determined under 115791
division (D)(1) of this section for an eligible county is at least 115792
twenty thousand dollars greater than or twenty thousand dollars 115793
less than the amount of tax equity payments the county received in 115794
fiscal year 2011, the county's tax equity payments for fiscal 115795
years 2012 through 2014 shall equal the following: 115796

(a) For fiscal year 2012, one-fourth of the amount calculated 115797
for the eligible county under division (D)(1) of this section plus 115798
three-fourths of the amount of tax equity payments the county 115799
received in fiscal year 2011; 115800

(b) For fiscal year 2013, one-half of the amount calculated 115801
for the eligible county under division (D)(1) of this section plus 115802
one-half of the amount of tax equity payments the county received 115803
in fiscal year 2011; 115804

(c) For fiscal year 2014, three-fourths of the amount 115805
calculated for the eligible county under division (D)(1) of this 115806
section plus one-fourth of the amount of tax equity payments the 115807
county received in fiscal year 2011. 115808

(3) In any fiscal year, if the total amount of tax equity 115809
payments for all eligible counties as determined under divisions 115810
(D)(1) and (2) of this section is greater than the amount 115811
appropriated to the department of developmental disabilities for 115812
the purpose of making such payments in that fiscal year, the 115813
director shall reduce the payments to each eligible county board 115814
in equal proportion. If the total amount of tax equity payments as 115815
determined under that division is less than the amount 115816
appropriated to the department for that purpose, the director 115817
shall determine how to allocate the excess money after 115818
consultation with the Ohio association of county boards serving 115819
people with developmental disabilities. 115820

(4) Tax equity payments shall be paid only to an eligible 115821
county board of developmental disabilities and not to a regional 115822
council established under section 5126.13 of the Revised Code or 115823
any other entity. 115824

(E)(1) Except as provided in division (E)(2) of this section, 115825
a county board of developmental disabilities shall use tax equity 115826
payments solely to pay the nonfederal share of medicaid 115827
expenditures it is required to pay under sections 5126.059 and 115828
5126.0510 of the Revised Code. Tax equity payments shall not be 115829
used to pay any salary or other compensation to county board 115830
personnel. 115831

(2) Upon the written request of a county board, the director 115832
of developmental disabilities may authorize a county board to use 115833
tax equity payments for infrastructure improvements necessary to 115834
support medicaid waiver administration. 115835

(3) The director may audit any county board receiving tax equity payments to ensure appropriate use of the payments in accordance with this section. If the director determines that a county board is using payments inappropriately, the director shall notify the county board in writing of the determination. Within thirty days after receiving the director's notification, the county board shall submit a written plan of correction to the director. The director may accept or reject the plan. If the director rejects the plan, the director may require the county board to repay all or a portion of the amount of tax equity payments used inappropriately. The director shall distribute any tax equity payments returned under this division to other eligible county boards in accordance with a plan developed by the director after consultation with the Ohio association of county boards serving people with developmental disabilities.

(C) The teachers' salary schedule shall provide for 115868
increments based on training and years of service. The board may 115869
establish its own service requirements provided no teacher 115870
receives less than the salary the teacher would be paid under 115871
section 3317.13 of the Revised Code if the teacher were employed 115872
by a school district board of education and provided full credit 115873
for a minimum of five years of actual teaching and military 115874
experience as defined in division (A) of such section is given to 115875
each teacher. 115876

Each teacher who has completed training that would qualify 115877
the teacher for a higher salary bracket pursuant to this section 115878
shall file by the fifteenth day of September with the fiscal 115879
officer of the board, satisfactory evidence of the completion of 115880
such additional training. The fiscal officer shall then 115881
immediately place the teacher, pursuant to this section, in the 115882
proper salary bracket in accordance with training and years of 115883
service. No teacher shall be paid less than the salary to which 115884
the teacher would be entitled under section 3317.13 of the Revised 115885
Code if the teacher were employed by a school district board of 115886
education. 115887

The superintendent of each county board, on or before the 115888
fifteenth day of October of each year, shall certify to the state 115889
board of education the name of each teacher employed, on an annual 115890

(D) The nonteaching employees' salary schedule established by 115899
the board shall be based on training, experience, and 115900

specified in the salary schedule. All nonteaching employees shall 115906
be notified of the position classification to which they are 115907
assigned and the salary for the classification. The compensation 115908
of all nonteaching employees working for a particular board shall 115909
be uniform for like positions except as compensation would be 115910
affected by salary increments based upon length of service. 115911

On the fifteenth day of October of each year the nonteaching 115912
employees' salary schedule and list of job classifications and 115913
salaries in effect on that date shall be filed by each board with 115914
the superintendent of public instruction. If such salary schedule 115915
and classification plan is not filed, the superintendent of public 115916
instruction shall order the board to file such schedule and list 115917
forthwith. If this condition is not corrected within ten days 115918
after receipt of the order from the superintendent, no money shall 115919
be distributed to the ~~district board~~ under Chapter ~~3306~~ or 3317. 115920
of the Revised Code until the superintendent has satisfactory 115921
evidence of the board's full compliance with such order. 115922

Sec. 5126.41. The county board of developmental disabilities 115923
shall identify residents of the county for whom supported living 115924
is to be provided. Identification of the residents shall be made 115925
in accordance with the priorities set under section 5126.04 of the 115926

residence; the services the individual needs to live in the 115936
individual's residence of choice; and the providers from which the 115937
services will be received. The choices available to an individual 115938
shall be based on available resources. 115939

The board shall obtain the consent of the individual or the 115940
individual's guardian and the signature of the individual or 115941
guardian on the individual service plan. The county board shall 115942
ensure that the individual receives from the provider the services 115943
contracted for under section 5126.45 of the Revised Code. 115944

effective for a period of time agreed to by the county board and 115946

provided and the manner in which they are customarily provided. 115949

Sec. 5126.42. (A) A county board of developmental 115950
disabilities shall establish an advisory council composed of board 115951
members or employees of the board, providers, individuals 115952

grievances between the board and providers or between the board 115957

Each system shall enable an individual to choose to continue receiving supported living from the same providers, to select additional providers, or to choose alternative providers. Annually, the board shall review its provider selection system to determine whether it has been implemented in a manner that allows individuals fair and equitable access to providers.

In developing a provider selection system, the county board shall create a pool of providers for individuals to use in choosing their providers of supported living. The pool shall be created by placing in the pool all providers on record with the board or by placing in the pool all providers approved by the board through soliciting requests for proposals for supported living contracts. In either case, only providers that are certified by the director of developmental disabilities may be placed in the pool.

If the board places all providers on record in the pool, the board shall review the pool at least annually to determine whether each provider has continued interest in being a provider and has maintained its certification by the department. At any time, an interested and certified provider may make a request to the board that it be added to the pool, and the board shall add the provider to the pool not later than seven days after receiving the request.

If the board solicits requests for proposals for inclusion of providers in the pool, the board shall develop standards for selecting the providers to be included. Requests for proposals shall be solicited at least annually. When requests are solicited, the board shall cause legal notices to be published ~~at least~~ once each week for two consecutive weeks in a newspaper ~~with~~ of general circulation within the county or as provided in section 7.16 of the Revised Code. The board shall accept requests from any entity interested in being a provider of supported living for individuals served by the board. Requests shall be approved or denied according to the standards developed by the board. Providers that previously have been placed in the pool are not required to resubmit a request for proposal to be included in the pool, unless the board's standards have been changed.

In assisting an individual in choosing a provider, the county board shall provide the individual with uniform and consistent information pertaining to each provider in the pool. operate a felony delinquent care and custody program that shall be 116136
operated in accordance with the formula developed pursuant to 116137
section 5139.41 of the Revised Code, subject to the conditions 116138
specified in this section. 116139

(B)(1) Each juvenile court shall use the moneys disbursed to 116140

transmit the moneys to the county treasurer for deposit in 116144
accordance with this division. The county treasurer shall create 116145
in the county treasury a fund that shall be known as the felony 116146
delinquent care and custody fund and shall deposit in that fund 116147
the moneys disbursed to the juvenile court pursuant to division 116148

to the county pursuant to section 5139.34 of the Revised Code. The 116151
moneys disbursed to the juvenile court pursuant to division (B) of 116152
section 5139.41 of the Revised Code and deposited pursuant to this 116153
division in the felony delinquent care and custody fund shall not 116154

year. The maximum balance carry-over at the end of each respective 116165
fiscal year in the felony delinquent care and custody fund in any 116166
county from funds allocated to the county pursuant to sections 116167
5139.34 and 5139.41 of the Revised Code in the previous fiscal 116168
year shall not exceed an amount to be calculated as provided in 116169
the formula set forth in this division, unless that county has 116170
applied for and been granted an exemption by the director of youth 116171

at the end of each respective fiscal year shall be determined by 116173
the following formula: for fiscal year 2008, the maximum balance 116174
carry-over shall be one hundred per cent of the allocation for 116175

fiscal year 2007, to be applied in determining the fiscal year 116176
2009 allocation; for fiscal year 2009, it shall be fifty per cent 116177
of the allocation for fiscal year 2008, to be applied in 116178
determining the fiscal year 2010 allocation; for fiscal year 2010, 116179

2009, to be applied in determining the fiscal year 2011 116181
allocation; and for each fiscal year subsequent to fiscal year 116182
2010, it shall be twenty-five per cent of the allocation for the 116183
immediately preceding fiscal year, to be applied in determining 116184
the allocation for the next immediate fiscal year. The department 116185
shall withhold from future payments to a county an amount equal to 116186
any moneys in the felony delinquent care and custody fund of the 116187
county that exceed the total maximum balance carry-over that 116188
applies for that county for the fiscal year in which the payments 116189
are being made and shall reallocate the withheld amount. The 116190
department shall adopt rules for the withholding and reallocation 116191
of moneys disbursed under sections 5139.34 and 5139.41 of the 116192
Revised Code and for the criteria and process for a county to 116193
obtain an exemption from the withholding requirement. The moneys 116194
disbursed to the juvenile court pursuant to division (B) of 116195
section 5139.41 of the Revised Code and deposited pursuant to this 116196
division in the felony delinquent care and custody fund shall be 116197
in addition to, and shall not be used to reduce, any usual annual 116198
increase in county funding that the juvenile court is eligible to 116199
receive or the current level of county funding of the juvenile 116200
court and of any programs or services for delinquent children, 116201
unruly children, or juvenile traffic offenders. 116202

(2)(a) A county and the juvenile court that serves the county 116203
shall use the moneys in its felony delinquent care and custody 116204
fund in accordance with rules that the department of youth 116205
services adopts pursuant to division (D) of section 5139.04 of the 116206
Revised Code and as follows: 116207

(i) The moneys in the fund that represent state subsidy funds 116208
granted to the county pursuant to section 5139.34 of the Revised 116209
Code shall be used to aid in the support of prevention, early 116210
intervention, diversion, treatment, and rehabilitation programs 116211
that are provided for alleged or adjudicated unruly children or 116212
delinquent children or for children who are at risk of becoming 116213
unruly children or delinquent children. The county shall not use 116214
for capital improvements more than fifteen per cent of the moneys 116215
in the fund that represent the applicable annual grant of those 116216
state subsidy funds. 116217

(ii) The moneys in the fund that were disbursed to the 116218
juvenile court pursuant to division (B) of section 5139.41 of the 116219
Revised Code and deposited pursuant to division (B)(1) of this 116220
section in the fund shall be used to provide programs and services 116221
for the training, treatment, or rehabilitation of felony 116222
delinquents that are alternatives to their commitment to the 116223
department, including, but not limited to, community residential 116224
programs, day treatment centers, services within the home, and 116225
electronic monitoring, and shall be used in connection with 116226
training, treatment, rehabilitation, early intervention, or other 116227
programs or services for any delinquent child, unruly child, or 116228
juvenile traffic offender who is under the jurisdiction of the 116229
juvenile court. 116230

The fund also may be used for prevention, early intervention, 116231
diversion, treatment, and rehabilitation programs that are 116232
provided for alleged or adjudicated unruly children, delinquent 116233
children, or juvenile traffic offenders or for children who are at 116234
risk of becoming unruly children, delinquent children, or juvenile 116235
traffic offenders. Consistent with division (B)(1) of this 116236
section, a county and the juvenile court of a county shall not use 116237
any of those moneys for capital construction projects. 116238

(iii) Moneys in the fund shall not be used to support 116239

programs or services that do not comply with federal juvenile 116240
justice and delinquency prevention core requirements or to support 116241
programs or services that research has shown to be ineffective. 116242
Moneys in the fund shall be prioritized to research-supported, 116243
outcome-based programs and services. 116244

(iv) The county and the juvenile court that serves the county 116245
may use moneys in the fund to provide out-of-home placement of 116246
children only in detention centers, community rehabilitation 116247
centers, or community corrections facilities approved by the 116248
department pursuant to standards adopted by the department, 116249
licensed by an authorized state agency, or accredited by the 116250
American correctional association or another national organization 116251
recognized by the department. 116252

(b) Each juvenile court shall comply with division (B)(3)(d) 116253
of this section as implemented by the department. If a juvenile 116254
court fails to comply with division (B)(3)(d) of this section, the 116255
department shall not be required to make any disbursements in 116256
accordance with division (C) or (D) of section 5139.41 or division 116257
(C)(2) of section 5139.34 of the Revised Code. 116258

(3) In accordance with rules adopted by the department 116259
pursuant to division (D) of section 5139.04 of the Revised Code, 116260
each juvenile court and the county served by that juvenile court 116261
shall do all of the following that apply: 116262

(a) The juvenile court shall prepare an annual grant 116263
agreement and application for funding that satisfies the 116264
requirements of this section and section 5139.34 of the Revised 116265
Code and that pertains to the use, upon an order of the juvenile 116266
court and subject to appropriation by the board of county 116267
commissioners, of the moneys in its felony delinquent care and 116268
custody fund for specified programs, care, and services as 116269
described in division (B)(2)(a) of this section, shall submit that 116270
agreement and application to the county family and children first 116271

council, the regional family and children first council, or the 116272
local intersystem services to children cluster as described in 116273
sections 121.37 and 121.38 of the Revised Code, whichever is 116274
applicable, and shall file that agreement and application with the 116275
department for its approval. The annual grant agreement and 116276
application for funding shall include a method of ensuring equal 116277
access for minority youth to the programs, care, and services 116278
specified in it. 116279

The department may approve an annual grant agreement and 116280
application for funding only if the juvenile court involved has 116281
complied with the preparation, submission, and filing requirements 116282
described in division (B)(3)(a) of this section. If the juvenile 116283
court complies with those requirements and the department approves 116284
that agreement and application, the juvenile court and the county 116285
served by the juvenile court may expend the state subsidy funds 116286
granted to the county pursuant to section 5139.34 of the Revised 116287
Code only in accordance with division (B)(2)(a) of this section, 116288
the rules pertaining to state subsidy funds that the department 116289
adopts pursuant to division (D) of section 5139.04 of the Revised 116290
Code, and the approved agreement and application. 116291

(b) By the thirty-first day of August of each year, the 116292
juvenile court shall file with the department a report that 116293
contains all of the statistical and other information for each 116294
month of the prior state fiscal year. If the juvenile court fails 116295
to file the report required by division (B)(3)(b) of this section 116296
by the thirty-first day of August of any year, the department 116297
shall not disburse any payment of state subsidy funds to which the 116298
county otherwise is entitled pursuant to section 5139.34 of the 116299
Revised Code and shall not disburse pursuant to division (B) of 116300
section 5139.41 of the Revised Code the applicable allocation 116301
until the juvenile court fully complies with division (B)(3)(b) of 116302
this section. 116303

(c) If the department requires the juvenile court to prepare 116304
monthly statistical reports and to submit the reports on forms 116305
provided by the department, the juvenile court shall file those 116306
reports with the department on the forms so provided. If the 116307
juvenile court fails to prepare and submit those monthly 116308
statistical reports within the department's timelines, the 116309
department shall not disburse any payment of state subsidy funds 116310
to which the county otherwise is entitled pursuant to section 116311
5139.34 of the Revised Code and shall not disburse pursuant to 116312
division (B) of section 5139.41 of the Revised Code the applicable 116313
allocation until the juvenile court fully complies with division 116314
(B)(3)(c) of this section. If the juvenile court fails to prepare 116315
and submit those monthly statistical reports within one hundred 116316
eighty days of the date the department establishes for their 116317
submission, the department shall not disburse any payment of state 116318
subsidy funds to which the county otherwise is entitled pursuant 116319
to section 5139.34 of the Revised Code and shall not disburse 116320
pursuant to division (B) of section 5139.41 of the Revised Code 116321
the applicable allocation, and the state subsidy funds and the 116322
remainder of the applicable allocation shall revert to the 116323
department. If a juvenile court states in a monthly statistical 116324
report that the juvenile court adjudicated within a state fiscal 116325
year five hundred or more children to be delinquent children for 116326
committing acts that would be felonies if committed by adults and 116327
if the department determines that the data in the report may be 116328
inaccurate, the juvenile court shall have an independent auditor 116329
or other qualified entity certify the accuracy of the data on a 116330
date determined by the department. 116331

(d) If the department requires the juvenile court and the 116332
county to participate in a fiscal monitoring program or another 116333
monitoring program that is conducted by the department to ensure 116334
compliance by the juvenile court and the county with division (B) 116335
of this section, the juvenile court and the county shall 116336

participate in the program and fully comply with any guidelines 116337
for the performance of audits adopted by the department pursuant 116338
to that program and all requests made by the department pursuant 116339
to that program for information necessary to reconcile fiscal 116340
accounting. If an audit that is performed pursuant to a fiscal 116341
monitoring program or another monitoring program described in this 116342
division determines that the juvenile court or the county used 116343
moneys in the county's felony delinquent care and custody fund for 116344
expenses that are not authorized under division (B) of this 116345
section, within forty-five days after the department notifies the 116346
county of the unauthorized expenditures, the county either shall 116347
repay the amount of the unauthorized expenditures from the county 116348
general revenue fund to the state's general revenue fund or shall 116349
file a written appeal with the department. If an appeal is timely 116350
filed, the director of the department shall render a decision on 116351
the appeal and shall notify the appellant county or its juvenile 116352
court of that decision within forty-five days after the date that 116353
the appeal is filed. If the director denies an appeal, the 116354
county's fiscal agent shall repay the amount of the unauthorized 116355
expenditures from the county general revenue fund to the state's 116356
general revenue fund within thirty days after receiving the 116357
director's notification of the appeal decision. 116358

(C) The determination of which county a reduction of the care 116359
and custody allocation will be charged against for a particular 116360
youth shall be made as outlined below for all youths who do not 116361
qualify as public safety beds. The determination of which county a 116362
reduction of the care and custody allocation will be charged 116363
against shall be made as follows until each youth is released: 116364

(1) In the event of a commitment, the reduction shall be 116365
charged against the committing county. 116366

(2) In the event of a recommitment, the reduction shall be 116367
charged against the original committing county until the 116368

expiration of the minimum period of institutionalization under the 116369
original order of commitment or until the date on which the youth 116370
is admitted to the department of youth services pursuant to the 116371
order of recommitment, whichever is later. Reductions of the 116372
allocation shall be charged against the county that recommitted 116373
the youth after the minimum expiration date of the original 116374
commitment. 116375

(3) In the event of a revocation of a release on parole, the 116376
reduction shall be charged against the county that revokes the 116377
youth's parole. 116378

(D) A juvenile court is not precluded by its allocation 116379
amount for the care and custody of felony delinquents from 116380
committing a felony delinquent to the department of youth services 116381
for care and custody in an institution or a community corrections 116382
facility when the juvenile court determines that the commitment is 116383
appropriate. 116384

Sec. 5310.35. The board of county commissioners shall conduct 116385
the public hearing required by section 5310.33 of the Revised Code 116386
in accordance with this section. 116387

(A)(1) The board shall prepare a notice of the hearing that 116388
includes each of the following: 116389

(a) A statement that the board is considering abolishing land 116390
registration in the county, that abolition would require the 116391
deregistration of all registered land in the county, and that 116392
after abolition all land in the county would have to be dealt with 116393

the matters listed in section 5310.34 of the Revised Code; 116396

Code, and to each person who has filed an affidavit with the 116410
county recorder under section 5309.72 of the Revised Code. The 116411

under this division. 116416

If a notice is returned with an endorsement showing failure 116417

serve the notice upon the addressee. The board shall preserve the 116419
returned notice in the records pertaining to its consideration of 116420
the merits of abolishing land registration in the county. 116421

highway, public place, building, or other infrastructure and levy 117291
special assessments, if the board determines that the public 117292
improvement will benefit the area where it will be constructed, 117293
reconstructed, improved, altered, or repaired. However, if the 117294
improvement is proposed for territory in a political subdivision 117295
located outside the district's territory, the legislative 117296
authority of that political subdivision shall approve the 117297
undertaking of the improvement within the political subdivision. 117298

(B) If any improvements are made under this section, 117299
contracts for the improvement may provide that the improvement may 117300
be owned by the district or by the person or corporation supplying 117301
it to the district under a lease. 117302

(C) If the board of trustees of a district proposes an 117303
improvement described in division (A) of this section, the board 117304
shall conduct a hearing on the proposed improvement. The board 117305
shall indicate by metes and bounds the area in which the public 117306
improvement will be made and the area that will benefit from the 117307
improvement. 117308

(D) The board of trustees shall fix a day for a hearing on 117309
the proposed improvement. The secretary-treasurer of the board 117310
shall deliver, to each owner of a parcel of land or a lot that the 117311
board identifies as benefiting from the proposed improvement, a 117312
notice that sets forth the substance of the proposed improvement 117313
and the time and place of the hearing on it. At least fifteen days 117314

before the date set for the hearing, a copy of the notice shall be 117315
served upon the owner or left at ~~his~~ the owner's usual place of 117316
residence, or, if the owner is a corporation, upon an officer or 117317
agent of the corporation. On or before the day of the hearing, the 117318
person serving notice of the hearing shall make return thereon, 117319
under oath, of the time and manner of service, and shall file the 117320
notice with the secretary-treasurer of the board. 117321

At least fifteen days before the day set for the hearing on 117322
the proposed improvement, the secretary-treasurer shall give 117323
notice to each nonresident owner of a lot or parcel of land in the 117324
area to be benefited by the improvement, by publication once in a 117325
newspaper ~~published and~~ of general circulation in the one or more 117326
counties in which this area is located. The publication of the 117327
notice shall be verified by affidavit of the printer or other 117328
person having knowledge of the publication and shall be filed with 117329
the secretary-treasurer of the district on or before the date of 117330
the hearing. 117331

(E) At the time and place specified in the notice for a 117332
hearing on the proposed improvement, the board of trustees of the 117333
district shall meet and hear any and all testimony provided by any 117334
of the parties affected by the proposed improvement and by any 117335
other persons competent to testify. The board or its 117336
representatives shall inspect, by an actual viewing, the area to 117337
be benefited by the proposed improvement. The board shall 117338
determine the necessity of the proposed improvement and may find 117339
that the proposed improvement will result in general as well as 117340
special benefits. The board may adjourn from time to time and to 117341
such places as it considers necessary. 117342

(F)(1) The board may award contracts or enter into a lease 117343
agreement for the construction, reconstruction, improvement, 117344
alteration, or repair of any improvement described in division (A) 117345
of this section and may issue notes, bonds, revenue anticipatory 117346

instruments, or other obligations, as authorized by this chapter, 117347
to finance the improvements. 117348

(2) All or a part of the costs and expenses of providing for 117349
the construction, reconstruction, improvement, alteration, or 117350
repair of any improvement described in division (F)(1) of this 117351
section may be paid from a fund into which may be paid special 117352
assessments levied under this section against the lots and parcels 117353
of land in the area to be benefited by the improvement, if the 117354
board finds that the improvement will result in general or special 117355
benefits to the benefited area. These special assessments shall be 117356
levied not more than one time on the same lot or parcel of land. 117357
Such costs and expenses may also be paid from the treasury of the 117358
district or from other available sources in amounts the board 117359
finds appropriate. 117360

(3) The board shall levy special assessments at an amount not 117361
to exceed ten per cent of the assessable value of the lot or 117362
parcel of land being assessed. The board shall determine the 117363
assessable value of a lot or parcel of land in the following 117364
manner: the board shall first determine the fair market value of 117365
the lot or parcel being assessed in the calendar year in which the 117366
area to be benefited by the public improvement is first designated 117367
and then multiply this amount by the average rate of appreciation 117368
in value of the lot or parcel since that calendar year. The 117369
assessable value of the lot or parcel is the current fair market 117370
value of the lot or parcel minus the amount calculated in the 117371
manner described in the immediately preceding sentence. The board 117372
may adjust the assessable value of a lot or parcel of land to 117373
reflect a sale of the lot or parcel that indicates an appreciation 117374
in its value that exceeds its average rate of appreciation in 117375
value. 117376

(4) Special assessments levied by the board may be paid in 117377
full in a lump sum or may be paid and collected in equal 117378

semiannual installments, equal in number to twice the number of 117379
years for which the lease of the improvement is made or twice the 117380
number of years that the note, bond, instrument, or obligation 117381
that the assessments are pledged to pay requires. The assessments 117382
shall be paid and collected in the same manner and at the same 117383
time as real property taxes are paid and collected, and 117384
assessments in the amount of fifty dollars or less shall be paid 117385
in full, and not in installments, at the time the first or next 117386
installment would otherwise become due and payable. Complaints 117387
regarding assessments may be made to the county board of revision 117388
in the same manner as complaints relating to the valuation and 117389
assessment of real property. 117390

Credits against assessments shall be granted equal to the 117391
value of any construction, reconstruction, improvement, 117392
alteration, or repair that an owner of a parcel of land or lot 117393
makes to an improvement pursuant to an agreement between the owner 117394
and the district. 117395

(5) After the levy of a special assessment, the board, at any 117396
time during any year in which an installment of the assessment 117397
becomes due, may pay out of other available funds of the district, 117398
including any state or federal funds available to the district, 117399
the full amount of the price of the contract that the special 117400
assessments are pledged to pay for that year or any other portion 117401
of the remaining obligation. The board shall be the sole 117402
determiner of the definition, extent, and allocation of the 117403
benefit resulting from an improvement that the board authorizes 117404
under this section. 117405

(G)(1) The board shall certify to the appropriate county 117406
auditor the boundaries of the area that is benefited by any public 117407
improvement the board authorizes under this section and, when the 117408
board so requests, the auditor shall apportion the valuation of 117409
any lot or parcel of land lying partly within and partly outside 117410

the area so benefited. 117411

(2) The board by resolution shall assess against the lots and 117412
parcels of land located in the area that is benefited by a public 117413
improvement such portion of the costs of completing the public 117414
improvement as the board determines, for the period that may be 117415
necessary to pay the note, bond, instrument, or obligation issued 117416
to pay for the improvement and the proceedings in relation to it, 117417
and shall certify these costs to the appropriate county auditor. 117418

(3) Except for assessments that have been paid in full in a 117419
lump sum, the county auditor shall annually place upon the tax 117420
duplicate, for collection in semiannual installments, the two 117421
installments of the assessment for that year, which shall be paid 117422
and collected at the same time and in the same manner as real 117423
property taxes. The collected assessments shall be paid to the 117424
treasury of the district and the board of the district shall use 117425
the assessments for any purpose authorized by this chapter. 117426

Sec. 5540.05. The board of trustees of a district may acquire 117427
real property in fee simple in the name of the district in 117428
connection with, but in excess of that needed for, a project by 117429
any method other than appropriation and hold the property for such 117430
period of time as the board determines. All right, title, and 117431
interest of the district in the property may be sold at public 117432
auction or otherwise, as the board considers in the best interests 117433
of the district; but in no event shall the property be sold for 117434
less than two-thirds of its appraised value. Sale at public 117435
auction shall be undertaken only after the board advertises the 117436
sale in a newspaper of general circulation in the district for ~~at~~ 117437
~~least~~ two weeks or as provided in section 7.16 of the Revised 117438
Code, prior to the date set for the sale. 117439

Sec. 5543.10. (A) The county engineer, upon the order of the 117440

board of county commissioners or board of township trustees, shall 117441
construct sidewalks, curbs, or gutters of suitable materials, 117442
along or connecting the public highways, outside any municipal 117443
corporation, upon the petition of a majority of the abutting 117444
property owners. The expense of the construction of these 117445
improvements may be paid by the county or township, or by the 117446
county or township and abutting property owners in such proportion 117447
as determined by the board of county commissioners or board of 117448
township trustees. The board of county commissioners or board of 117449
township trustees may assess part or all of the cost of these 117450
improvements against the abutting property owners, in proportion 117451
to benefits accruing to their property. 117452

The board of county commissioners or board of township 117453
trustees, by unanimous vote, may order the construction, repair, 117454
or maintenance of sidewalks, curbs, and gutters along or 117455
connecting the public highways, outside a municipal corporation, 117456
without a petition for that construction, repair, or maintenance, 117457
and may assess none, all, or any part of the cost against abutting 117458
property owners, provided that notice is given by publication for 117459
three successive weeks in a newspaper of general circulation 117460
within the county or as provided in section 7.16 of the Revised 117461
Code, stating the intention of the board of county commissioners 117462
or board of township trustees to construct, repair, or maintain 117463
the specified improvements and fixing a date for a hearing on 117464
them. As part of a sidewalk improvement, the board may include the 117465
repair or reconstruction of a driveway within the sidewalk 117466
easement. As part of a curb improvement, the board may include 117467
construction or repair of a driveway apron. 117468

Notice to all abutting property owners shall be given by two 117469
publications in a newspaper of general circulation in the county 117470
or as provided in section 7.16 of the Revised Code, at least ten 117471
days prior to the date fixed in the notice for the making of 117472

assessments. The notice shall state the time and place when 117473
abutting property owners will be given an opportunity to be heard 117474
with reference to assessments. The board of county commissioners 117475
or board of township trustees shall determine whether assessments 117476
shall be paid in one or more installments. 117477

(B) The county engineer may trim or remove any and all trees, 117478
shrubs, and other vegetation growing in or encroaching onto the 117479
right-of-way of the easement of a public sidewalk along or 117480
connecting the public highways and maintained by the county, and 117481
the board of township trustees may trim or remove any and all 117482
trees, shrubs, and other vegetation growing in or encroaching onto 117483
the right-of-way of the easement of a public sidewalk along or 117484
connecting the public highways and maintained by the township, as 117485
is necessary in the engineer's or board's judgment to facilitate 117486
the right of the public to improvement and maintenance of, and 117487
uninterrupted travel on, public sidewalks in the county or 117488
township. 117489

Sec. 5549.21. The board of township trustees may purchase or 117490
lease such machinery and tools as are necessary for use in 117491
constructing, reconstructing, maintaining, and repairing roads and 117492
culverts within the township, and shall provide suitable places 117493
for housing and storing machinery and tools owned by the township. 117494
It may purchase such material and employ such labor as is 117495
necessary for carrying into effect this section, or it may 117496
authorize the purchase or employment of such material and labor by 117497
one of its number, or by the township highway superintendent, at a 117498
price to be fixed by the board. All payments on account of 117499
machinery, tools, material, and labor shall be made from the 117500
township road fund. Except as otherwise provided in sections 117501
505.08, 505.101, and 5513.01 of the Revised Code, all purchases of 117502
materials, machinery, and tools shall, if the amount involved 117503
exceeds ~~twenty-five~~ fifty thousand dollars, be made from the 117504

lowest responsible bidder after advertisement, as provided in 117505
section 5575.01 of the Revised Code. 117506

If, in compliance with section 505.10 of the Revised Code, 117507
the board wishes to sell machinery, equipment, or tools owned by 117508
the township to the person from whom it is to purchase other 117509
machinery, equipment, or tools, the board may offer, if the amount 117510
of the purchase alone involved does not exceed ~~twenty-five~~ fifty 117511
thousand dollars, to sell such machinery, equipment, or tools and 117512
have the amount credited by the vendor against the purchase of the 117513
other machinery, equipment, or tools. If the purchase price of the 117514
other machinery, equipment, or tools alone exceeds ~~twenty-five~~ 117515
fifty thousand dollars, the board may give notice to the 117516
competitive bidders of its willingness to accept offers for the 117517
purchase of the old machinery, equipment, or tools, and those 117518
offers shall be subtracted from the selling price of the other 117519
machinery, equipment, or tools as bid, in determining the lowest 117520
responsible bidder. Notice of the willingness of the board to 117521
accept offers for the purchase of the old machinery, equipment, or 117522
tools shall be made as a part of the advertisement for bids. 117523

Sec. 5552.06. (A) A board of county commissioners or a board 117524
of township trustees may adopt access management regulations or 117525
any amendments to those regulations after holding at least two 117526
public hearings at regular or special sessions of the board. The 117527
board shall consider the county engineer's proposed regulations 117528
prepared under division (B) of section 5552.04 or 5552.05 of the 117529
Revised Code and all comments on those regulations. The board, in 117530
its discretion, may, but need not, adopt any or all of those 117531
proposed regulations. After the public hearings, the board may 117532
decide not to adopt any access management regulations. 117533

The board shall publish notice of the public hearings in a 117534
newspaper of general circulation in the county or township, as 117535

applicable, once a week for ~~at least~~ two weeks or as provided in 117536
section 7.16 of the Revised Code, immediately preceding the 117537
hearings. The notice shall include the time, date, and place of 117538
each hearing. Copies of any proposed regulations or amendments 117539
shall be made available to the public at the board's office and, 117540
if the county engineer administers or is proposed to administer a 117541
point of access permit, in the engineer's office. 117542

(B) In addition to the notice required by division (A) of 117543
this section, not less than thirty days before holding a public 117544
hearing, a board of county commissioners shall send a copy of the 117545
county engineer's proposed regulations, a copy of the advisory 117546
committee's recommendations, and a request for written comments to 117547
the board of township trustees of each township in the county, the 117548
department of transportation district deputy director for the 117549
district in which the county is located, a representative of the 117550
metropolitan planning organization, where applicable, and at least 117551
the local professional associations representing the following 117552
professions: 117553

- (1) Homebuilders; 117554
- (2) Realtors; 117555
- (3) Professional surveyors; 117556
- (4) Attorneys; 117557
- (5) Professional engineers. 117558

(C) In addition to the notice required by division (A) of 117559
this section, a board of township trustees shall send a copy of 117560
the county engineer's proposed regulations, a copy of the advisory 117561
committee's recommendations, and a request for written comments, 117562
not less than thirty days before holding a public hearing, to the 117563
department of transportation district deputy director for the 117564
district in which the township is located, a representative of the 117565
metropolitan planning organization, where applicable, and at least 117566

the local professional associations representing the professions 117567
listed in division (B) of this section. 117568

Sec. 5553.05. (A) In the resolution required by section 117569
5553.04 of the Revised Code, the board of county commissioners 117570
shall fix a date when it will view the proposed improvement, and 117571
also a date for a final hearing thereon. 117572

The board shall give notice of the time and place for both 117573
such view and hearing by publication once a week for two 117574
consecutive weeks in a newspaper ~~published and having~~ of general 117575
circulation in the county where such improvement is located, ~~but~~ 117576
~~if there is no such newspaper published in said county, then in a~~ 117577
~~newspaper having general circulation in said county~~ or as provided 117578
in section 7.16 of the Revised Code. Such notice, in addition to 117579
the date and place of such view and place and time of the final 117580
hearing, shall state briefly the character of such improvement. 117581

(B) If the board adopts a resolution to vacate a public road 117582
as provided in section 5553.04 of the Revised Code, or if a 117583
petition to vacate a public road is filed, the board shall, in 117584
addition to the notice of the time and place for hearing 117585
prescribed in division (A) of this section, send written notice of 117586
the hearing by first class mail at least twenty days before the 117587
date of the public hearing to owners of property abutting upon 117588
that portion of the road to be vacated, and to the director of 117589
natural resources. Such notice shall be mailed to the addresses of 117590
such owners appearing on the county auditor's current tax list or 117591
the treasurer's mailing list, and such other list or lists that 117592
may be specified by the board. The failure of the delivery of such 117593
notice does not invalidate any such vacating of the road 117594
authorized in the resolution. 117595

Sec. 5553.19. The county engineer shall view and survey the 117596

road as provided in section 5553.18 of the Revised Code, and shall 117597
make a return of the survey and plat of the road to the board of 117598
county commissioners. Upon the filing of the report of the 117599
engineer, the board shall give notice of the filing of such report 117600
by publication as provided in section 7.16 of the Revised Code or 117601
once each week for three consecutive weeks in a newspaper 117602
~~published and having~~ of general circulation in the county in which 117603
such road is situated, ~~but if there is no such newspaper published~~ 117604
~~in said county, then in a newspaper having general circulation in~~ 117605
~~said county.~~ Such notice shall state the date and time of the 117606
hearing upon the report of the engineer. If exceptions or 117607
objections are made, the board shall hear them, and it may approve 117608
or reject said report. If the report of the engineer is approved, 117609
the board shall cause such report to be recorded together with the 117610
survey and plat of such road. 117611

Sec. 5553.23. If a person through whose land a public road 117612
has been established, which is under the jurisdiction of the board 117613
of county commissioners, desires to turn or change or relocate 117614
such road or any part thereof through any part of ~~his~~ the person's 117615
land, ~~he~~ the person may file a petition with the board of county 117616
commissioners setting forth briefly the particular change ~~he~~ 117617
~~desires~~ desired. Upon the receipt of such petition, the board 117618
shall give notice by publication once not later than two weeks 117619
prior to the date for the hearing on such petition in ~~some a~~ 117620
newspaper ~~published and~~ of general circulation in said county, ~~but~~ 117621
~~if there is no such newspaper published in said county, then in a~~ 117622
~~newspaper having general circulation in said county,~~ stating that 117623
such petition has been filed and setting forth the change desired 117624
in such road and the date and place for the hearing on said 117625
petition. If a public road was once established for public 117626
convenience through private lands, but has not been improved by 117627
public funds and for more than twenty-one years has not been used, 117628

the owner of such land may petition the board to vacate the road 117629
in accordance with proceedings under sections 5553.04 to 5553.11 117630
of the Revised Code. 117631

A person through whose land a trail right of way has been 117632
preserved under section 5553.044 of the Revised Code may file a 117633
petition to turn or change the route of the trail right of way in 117634
the manner provided in this section, and such petition shall be 117635
acted upon in the manner set forth in sections 5553.23 to 5553.31 117636
of the Revised Code. Notice of the hearing in such case shall also 117637
be made by first class mail to the director of natural resources. 117638
If the board turns or changes the route of the trail right of way, 117639
it shall furnish the director with a full and accurate description 117640
or map of the change. 117641

Sec. 5553.42. The board of county commissioners shall give 117642
notice to the owners of lands through which the proposed road will 117643
pass of the filing of the petition provided for in section 5553.41 117644
of the Revised Code and the date and place of the hearing thereon. 117645
Such notice shall be served on such owners personally, or by 117646
leaving a copy of such notice at the usual place of residence of 117647
such owners at least five days before the date of the hearing on 117648
said petition. Proof of service of such notice shall be made by 117649
affidavit of the person serving such notice. If any of such owners 117650
are nonresidents of the county, the board shall give notice to 117651
such nonresidents by publication once each week for two 117652
consecutive weeks in a newspaper ~~published and having~~ of general 117653
circulation ~~within in~~ the county, ~~but if there is no such~~ 117654
~~newspaper published in said county, then in a newspaper having~~ 117655
~~general circulation in said county~~ or as provided in section 7.16 117656
of the Revised Code. A copy of the newspaper containing such 117657
notice shall be mailed by the county auditor to each nonresident 117658
whose post-office address is known to such auditor. Such notice 117659
shall state the time and place of the hearing on claims for 117660

compensation and damages. 117661

Sec. 5555.07. The county engineer shall prepare and file with 117662
the board of county commissioners, by the time fixed therefor by 117663
the board, copies of the surveys, plans, profiles, cross sections, 117664
estimates of costs, and specifications for the improvement and 117665
estimated assessments upon lands benefited thereby. Thereupon such 117666
board shall file such copies in its office for the inspection and 117667
examination of all persons interested. Except in a case involving 117668
the improvement of a public road in which no land or property is 117669
taken or assessed, the board shall publish in a newspaper 117670
~~published and~~ of general circulation in the county, ~~or if no~~ 117671
~~newspaper is published in the county then in a newspaper having~~ 117672
~~general circulation in the county,~~ for the period of two weeks or 117673
as provided in section 7.16 of the Revised Code, notice that a 117674
resolution has been adopted providing for said improvement, and 117675
that copies of the surveys, plans, profiles, cross sections, 117676
estimates, and specifications, together with estimated assessments 117677
upon the lands benefited by such improvement for the proportion of 117678
the cost thereof to be assessed therefor, are on file in the 117679
office of the board for the inspection of persons interested 117680
therein. Such notice shall state the time and place for hearing 117681
objections to said improvement and to such estimated assessments. 117682
In a case involving the improvement of a public road in which no 117683
land or property is taken or assessed, the board shall publish the 117684
notice required by this section once a week for two consecutive 117685
weeks or as provided in section 7.16 of the Revised Code. 117686

117687

At such hearing the board may order said surveys, plans, 117688
profiles, cross sections, estimates, and specifications to be 117689
changed or modified and shall make such adjustments of the 117690
estimated assessments as seem just to it. Thereupon the board may 117691
approve such surveys, plans, profiles, cross sections, 117692

specifications, and estimates and approve and confirm estimated 117693
assessments as made by the engineer or as modified and changed by 117694
the board. Such assessments when so approved and confirmed shall 117695
be certified to the county auditor of the county and shall 117696
thereupon become a lien upon the land charged therewith. The board 117697
may declare against said improvement. 117698

Sec. 5555.27. As soon as the county engineer has transmitted 117699
to the several boards of county commissioners copies of ~~his~~ the 117700
engineer's surveys, plans, profiles, cross sections, estimates, 117701
and specifications for the improvement, the joint board of county 117702
commissioners shall, except in cases of reconstruction or repair 117703
of roads where no lands or property are taken, fix a time and 117704
place for hearing objections to said improvement. The joint board 117705
shall thereupon, except in cases of reconstruction or repair of 117706
roads where no lands or property are taken, publish in a newspaper 117707
~~published and~~ of general circulation within each interested 117708
county, ~~or if there is no such newspaper published in such county~~ 117709
~~then in a newspaper having general circulation in such county,~~ 117710
once a week for two consecutive weeks or as provided in section 117711
7.16 of the Revised Code, a notice that such improvement is to be 117712
made and that copies of the surveys, plans, profiles, cross 117713
sections, estimates, and specifications therefor are on file in 117714
the office of the board of each interested county for the 117715
inspection and examination of all persons interested therein. Such 117716
notice shall also state the time and place for hearing objections 117717
to said improvement. Proceedings for the appropriation of land 117718
needed for such improvement shall be maintained in accordance with 117719
sections 163.01 to 163.22, ~~inclusive,~~ of the Revised Code. 117720

Sec. 5555.42. A board of county commissioners desiring to 117721
construct a county road improvement, and finding that no equitable 117722
method of apportioning the compensation, damages, and expenses 117723

thereof is provided by section 5555.41 of the Revised Code, or 117724
finding that an equitable assessment cannot be made by the use of 117725
any of the several assessment areas authorized by said section, 117726
may order the county engineer to make a tentative plan for such 117727
improvement and an approximate estimate of the cost. Such board 117728
may thereupon file an application in the court of common pleas 117729
describing the improvement in question, and a copy of the 117730
tentative plan and approximate estimate of cost shall be attached 117731
to such application. The board shall set forth in such application 117732
that the compensation, damages, and expenses of the improvement 117733
cannot be equitably apportioned under any of the several plans 117734
provided by said section or that such compensation, damages, and 117735
expenses cannot be equitably assessed by the use of any one of the 117736
several assessment areas authorized by said section, or that both 117737
such conditions exist, and it shall set forth a method of 117738
apportioning the compensation, damages, and expenses and a 117739
definite description of the area against which it desires to 117740
assess any part of such compensation, damages, and expenses. The 117741
application shall contain a prayer requesting authority from such 117742
court to construct the improvement and apportion the compensation, 117743
damages, and expenses according to the plan suggested by such 117744
board and to assess the designated portion of the cost against the 117745
real estate within the area described in the petition. 117746

Notice of the filing and pendency of such application shall 117747
be given once a week for four consecutive weeks by publication in 117748
~~two newspapers published and of general circulation in the county,~~ 117749
~~or if there are no such newspapers then in two newspapers a~~ 117750
newspaper of general circulation in such county or as provided in 117751
section 7.16 of the Revised Code. Such notice shall describe the 117752
route and termini of the improvement and set forth the estimated 117753
cost and the proposed method of apportionment and assessment area. 117754
After such notice has been given, the court or a judge thereof 117755
shall fix a time for a hearing on such application, and, at the 117756

time fixed, the court or a judge thereof shall hear such 117757
application and all evidence offered by the board or any taxpayer 117758
of the county for or against the proposed plan of apportionment 117759
and for or against the use of the suggested assessment area. If 117760
the court finds that the suggested plan of apportionment and the 117761
area against which special assessments are to be made are fair and 117762
just, that the cost of the improvement will not be excessive in 117763
view of the benefits conferred, and that all the real estate 117764
within the suggested assessment area will be benefited by the 117765
construction of the improvement upon the plan suggested and by the 117766
use of the method of apportionment set forth in said application, 117767
such court may authorize the board to proceed upon the suggested 117768
plan and to apportion the compensation, damages, and expenses in 117769
the manner set forth in the application and to assess against the 117770
real estate within the assessment area designated in the 117771
application, according to the benefits, that portion of the cost 117772
to be specially assessed; otherwise the court shall dismiss the 117773
application and the board may not proceed with the improvement. 117774
The court may modify the suggested plan of apportionment or the 117775
suggested assessment area and grant the prayer of the application 117776
subject to such modifications as it determines are just and 117777
proper. The board in its application may set up any division of 117778
cost which it thinks proper among the county, the owners of lands 117779
to be specially assessed, and any municipal corporation within 117780
which such projected improvement is situated in whole or in part, 117781
but no portion of the cost may be apportioned to a municipal 117782
corporation without the consent of such municipal corporation 117783
evidenced by an ordinance or resolution of its legislative 117784
authority. 117785

When the prayer of any such application is granted by the 117786
court or a judge thereof and the plan of apportionment and area of 117787
assessment is approved by such court, either as set forth in the 117788
application or as modified by the court, the board may proceed 117789

with the construction of the improvement and use the method of 117790
apportionment and the assessment area authorized by the court. In 117791
such event, the board may levy taxes and issue bonds in the manner 117792
provided by law with respect to improvements, the compensation, 117793
damages, and expenses of which are apportioned and paid as 117794
provided in section 5555.41 of the Revised Code, and all 117795
proceedings in connection with such improvement shall be conducted 117796
in accordance with sections 5555.01 to 5555.83 of the Revised 117797
Code, except as provided in this section. The special assessments 117798
shall be made by the board against the real estate within the 117799
assessment area authorized by the court, but no assessment against 117800
any lot or parcel of real estate shall exceed the actual benefits 117801
conferred thereon by the construction of the improvement. This 117802
section also applies to improvements of sections of a state 117803
highway within counties having a tax duplicate of real and 117804
personal property in excess of three hundred million dollars, and 117805
with respect to which the board desires to co-operate with the 117806
department of transportation. 117807

Sec. 5559.06. Upon the completion of the surveys, plans, 117808
profiles, cross sections, estimates, and specifications for an 117809
improvement under section 5559.02 of the Revised Code by the 117810
county engineer, ~~he~~ the engineer shall transmit to the board of 117811
county commissioners copies of such surveys, plans, profiles, 117812
cross sections, estimates, and specifications. The board shall 117813
then publish, in a newspaper ~~published and~~ of general circulation 117814
within the county, ~~and if there is no such newspaper published in~~ 117815
~~the county then in one having general circulation in such county,~~ 117816
once a week for two consecutive weeks or as provided in section 117817
7.16 of the Revised Code, a notice that such improvement is to be 117818
made and that copies of the surveys, plans, profiles, cross 117819
sections, estimates, and specifications for it are on file in the 117820
office of the board for the inspection and examination of all 117821

persons interested. Such notice shall also state the time and 117822
place for hearing objections to the improvement. 117823

In the event that land or property is to be taken for such 117824
improvement, such taking shall be in accordance with sections 117825
163.01 to 163.22, ~~inclusive,~~ of the Revised Code. 117826

Sec. 5559.10. As soon as all questions of compensation and 117827
damages have been determined in a road improvement case, the 117828
county engineer shall make, upon actual view, an estimated 117829
assessment upon the real estate to be charged therewith, of the 117830
compensation, damages, and costs of an improvement as provided by 117831
section 5559.02 of the Revised Code. Such estimated assessment 117832
shall be according to the benefit which will result to the real 117833
estate. In making such assessment the engineer may take into 117834
consideration any previous special assessments made upon the real 117835
estate for road improvements. The schedule of such assessments 117836
shall be filed in the office of the board of county commissioners 117837
for the inspection of the persons interested. Before adopting the 117838
assessment, the board shall publish, once each week for two 117839
consecutive weeks, in ~~some a newspaper published and~~ of general 117840
circulation in the county or as provided in section 7.16 of the 117841
Revised Code, but if there is no such newspaper then in one having 117842
general circulation in the county, notice that such assessment has 117843
been made, is on file in the office of the board, and the date 117844
when objections will be heard to such assessment. If any owner of 117845
property affected thereby desires, ~~he~~ the owner may file ~~his~~ 117846
objections to said assessments, in writing, with the board before 117847
the time for hearing. If any objections are filed the board shall 117848
hear them and act as an equalizing board. It may change such 117849
assessments if, in its opinion, any change is necessary to make 117850
them just and equitable, and the board shall approve and confirm 117851
such assessments as reported by the engineer or modified by it. 117852
Such assessments, when so approved and confirmed, shall be a lien 117853

on the land chargeable therewith. 117854

Sec. 5559.12. After the board of county commissioners has 117855
decided to proceed with an improvement as provided by section 117856
5559.02 of the Revised Code, it shall advertise for bids once, not 117857
later than two weeks prior to the date fixed for the letting of 117858
the contract, in a newspaper ~~published and~~ of general circulation 117859
in the county, ~~but if there is no such newspaper then in one~~ 117860
~~having general circulation in such county.~~ Such notice shall state 117861
that copies of the surveys, plans, profiles, cross sections, 117862
estimates, and specifications for such improvement are on file in 117863
the office of the board, and the time within which bids will be 117864
received. The board shall award the contract to the lowest 117865
responsible bidder. 117866

The contract shall be let upon the basis of lump sum bids, 117867
unless the board orders that it be let upon the basis of unit 117868
price bids, in which event it shall be let upon such basis. The 117869
bids received shall be opened at the time stated in the notice. 117870
The board may reject all bids. 117871

Sec. 5561.04. The board of county commissioners, desiring to 117872
proceed under sections 4957.06 and 5561.01 to 5561.15 of the 117873
Revised Code, shall, after receipt of the certificate of necessity 117874
and expediency from the director of transportation, as provided in 117875
section 5561.03 of the Revised Code, hold a public hearing as to 117876
the expediency of constructing such improvement, notice of which 117877
shall be given by publication in ~~two newspapers published and a~~ 117878
newspaper of general circulation in the county, ~~if such there be,~~ 117879
~~otherwise in two newspapers of general circulation in such county,~~ 117880
for two weeks prior to the date set for such hearing or as 117881
provided in section 7.16 of the Revised Code, and shall be served 117882
upon the railroad or interurban railway companies in the manner 117883
for the service of summons in civil actions, not less than twenty 117884

days prior to the date of such hearing. 117885

The board, after such hearing and for the purpose of making 117886
or causing such an improvement to be made, may, by resolution 117887
adopted by unanimous vote, require the railroad company, in 117888
co-operation with the county engineer or any engineer designated 117889
by the board, to prepare and submit to the board within six 117890
months, unless longer time is mutually agreed upon in writing, 117891
plans and specifications for such improvements, specifying the 117892
number, character, and location of all piers and supports which 117893
are to be permanently placed in any road or highway, specifying 117894
the grades to be established for the roads and the height, 117895
character, and estimated cost of any viaduct or way above or below 117896
any railroad track, and the change of grade required to be made of 117897
such tracks including side tracks and switches. But in changing 117898
the grade of any railroad, no grade shall be required in excess of 117899
that adopted by the railroad company for its construction work on 117900
that division or part of the railroad on which the improvement is 117901
to be made, without the consent of the railroad company, nor shall 117902
the railroad company's tracks be required to be placed below 117903
high-water mark. 117904

Such resolution shall be published in the same manner as 117905
resolutions of the legislative authority of a municipal 117906
corporation declaring the necessity of a contemplated public 117907
improvement, and shall be served by the sheriff upon the railroad 117908
or interurban railway companies in the manner provided for the 117909
service of summons in civil actions. If the proposed public 117910
improvement is to be made within a municipal corporation, notice 117911
of the passage of the same shall be served upon the municipal 117912
corporation by delivering to the clerk of the village or 117913
legislative authority of a city a true copy thereof. 117914

If, at the expiration of six months from the passage of such 117915
resolution, the railroad company has refused or failed to 117916

co-operate in the preparation of such plans and specifications, or 117917
if the county engineer or engineer designated by the board and the 117918
railroad company fail to agree upon the plans and specification of 117919
such improvement, then either the railroad company or the county 117920
may submit the matter of determining the method by which the 117921
improvement shall be made to the court of common pleas of such 117922
county. Either the county or company, after the expiration of six 117923
months from the passage of the resolution, may apply to such court 117924
by petition, accompanied by the necessary plans prepared by the 117925
county or railroad company, covering the grade crossing proposed 117926
to be abolished. Such plans must show the grades to be established 117927
for such roads or highways, the changes to be made in the location 117928
of roads or highways, the height, character, and estimated cost of 117929
any viaduct or way above or below the railroad tracks, the number, 117930
character, and location of piers, abutments, or supports to be 117931
permanently located in the roads or highways, and the change of 117932
grade to be made in any railroad tracks, including sidetracks and 117933
switches. 117934

Sec. 5561.08. Notice of the passage of a resolution for a 117935
grade crossing improvement shall be served by the sheriff of the 117936
county, upon the owner of each piece of property which will be 117937
affected by any change of grade, in the manner provided for the 117938
service of summons in civil actions. If any of such owners are 117939
nonresidents of the county, or if it appears from the return that 117940
they cannot be found, the notice shall be published for at least 117941
two weeks in ~~an English language~~ a newspaper published of general 117942
circulation in such the county or as provided in section 7.16 of 117943
the Revised Code. Notice shall be completed at least twenty days 117944
before any work is done on such improvement, and the sheriff's 117945
return shall be prima-facie evidence of the facts recited therein. 117946

Section 727.18 of the Revised Code shall apply to the notice 117947
provided for in this section, and to all claims for damages by 117948

reason of such improvement. Such claims shall be filed with the county auditor within the time, and rights thereunder shall pass to vendees, as provided in such section. After the expiration of the time provided for the filing of claims, the board of county commissioners, when claims have been filed within the time limited, shall determine, by resolution, whether such claims are to be judicially inquired into before commencing or after the completion of the proposed improvement. Thereupon, the county prosecutor shall make application for a jury, to the court of common pleas, or probate court of the county, before commencing or after the completion of the improvement, as the board determines, and all proceedings upon such application shall be governed by the laws relating to similar applications provided for in cases of city improvements.

Sec. 5571.011. If a person through whose land a public road has been established which is under the jurisdiction of a board of township trustees, desires to turn or change or relocate such road or any part thereof through any part of ~~his~~ the person's land, ~~he~~ the person may file a petition with such board of township trustees setting forth briefly the particular change ~~he desires~~ desired. Upon receipt of such petition, the board of township trustees shall give notice by publication once, not later than two weeks prior to the date which such board shall fix for a hearing on such petition, in a newspaper ~~published or~~ of general circulation in said township, stating that such petition has been filed and setting forth the change desired in such road and the date and place of such hearing.

Upon receipt of such a petition the board of township trustees shall cause a competent engineer to make a survey of the ground over which the road is proposed to be changed, and to make a report in writing, together with a plat and survey of the proposed change and ~~his~~ the engineer's opinion as to its advantage

or disadvantage. The report of such engineer shall be filed with 117981
the board prior to the hearing of such petition. 117982

At the hearing had on the petition the board of township 117983
trustees may hear evidence for or against changing the road, and 117984
if the board is satisfied that the proposed change will not cause 117985
serious injury or disadvantage to the public, it may make a 117986
finding of such fact in its journal and authorize the petitioner 117987
to change such road in conformity with the prayer of the petition. 117988
The board may grant the change as prayed for in the petition, or 117989
it may order such change of the route of such road as will, in its 117990
judgment, be for the best interest of the public. 117991

Upon receiving satisfactory evidence that the road has been 117992
changed as authorized by it, and opened to the legal width and 117993
improved as required by it, the board of township trustees shall 117994
declare such new road a public highway and cause a record thereof 117995
to be made and at the same time vacate so much of the old road as 117996
is rendered unnecessary by the new road. The person petitioning 117997
for such change shall in all cases pay all costs and expenses in 117998
connection with the proceeding, as found and determined by the 117999
board, and the expense of making such change, including the cost 118000
of relocation of any conduits, cables, wires, towers, poles or 118001
other equipment or appliances of any public utility, located on, 118002
over or under such road. The petitioner shall, on the filing of 118003
the petition for such change, give bond to the satisfaction of the 118004
board in such amount as it determines to secure payment of the 118005
costs of the proceeding and to cover the expense of making the 118006
change asked for by the petition. 118007

Sec. 5573.02. Upon the completion of the surveys, plans, 118008
profiles, cross sections, estimates, and specifications for a road 118009
improvement by the county engineer, ~~he~~ the engineer shall transmit 118010
to the board of township trustees copies of the same. Except in 118011

cases of reconstruction or repair of roads, where no land or 118012
property is taken, the board shall then cause to be published in a 118013
newspaper, ~~published in the county and~~ of general circulation 118014
within the township, ~~but if no such paper is published in the~~ 118015
~~county then in one having general circulation in such township,~~ 118016
once a week for two consecutive weeks or as provided in section 118017
7.16 of the Revised Code, a notice that such improvement is to be 118018
made and that copies of the surveys, plans, profiles, cross 118019
sections, estimates, and specifications for it are on file with 118020
the board for the inspection and examination of all persons 118021
interested. 118022

In the event that land or property is to be taken for such 118023
improvement, proceedings shall be had in accordance with sections 118024
163.01 to 163.22, ~~inclusive~~, of the Revised Code. 118025

Sec. 5573.10. As soon as all questions of compensation and 118026
damages have been determined for any road improvement, the county 118027
engineer shall make, upon actual view, an estimated assessment, 118028
upon the real estate to be charged, of such part of the 118029
compensation, damages, and costs of such improvement as is to be 118030
specially assessed. Such assessment shall be according to the 118031
benefits which will result to the real estate. In making such 118032
assessment the engineer may take into consideration any previous 118033
special assessment made upon such real estate for road 118034
improvements. 118035

The schedule for such assessments shall be filed with the 118036
board of township trustees for the inspection of the persons 118037
interested. Before adopting the estimated assessment, the board 118038
shall publish once each week for two consecutive weeks, in ~~some a~~ 118039
newspaper ~~published in the county and~~ of general circulation 118040
within such township, ~~but if there is no such paper published in~~ 118041
~~said county then in one having general circulation in such~~ 118042

~~township~~ or as provided in section 7.16 of the Revised Code, 118043
notice that such assessment has been made and is on file with the 118044
board, and the date when objections will be heard to such 118045
assessment. 118046

If any owner of property affected desires to make objections, 118047
~~he~~ the owner may file ~~his~~ objections to such assessments, in 118048
writing, with the board, before the time of such hearing. If any 118049
objections are filed the board shall hear them and act as an 118050
equalizing board, and may change assessments if, in its opinion, 118051
any changes are necessary to make them just and equitable. The 118052
board shall approve and confirm assessments as reported by the 118053
engineer or modified by the board. Such assessments, when approved 118054
and confirmed, shall be a lien on the land chargeable therewith. 118055

Sec. 5575.01. (A) In the maintenance and repair of roads, the 118056
board of township trustees may proceed either by contract or force 118057
account, but, unless the exemption specified in division (C) of 118058
this section applies, if the board wishes to proceed by force 118059
account, it first shall cause the county engineer to complete the 118060
force account assessment form developed by the auditor of state 118061
under section 117.16 of the Revised Code. Except as otherwise 118062
provided in sections 505.08 and 505.101 of the Revised Code, when 118063
the board proceeds by contract, the contract shall, if the amount 118064
involved exceeds forty-five thousand dollars, be let by the board 118065
to the lowest responsible bidder after advertisement for bids 118066
once, not later than two weeks, prior to the date fixed for the 118067
letting of the contract, in a newspaper ~~published in the county~~ 118068
~~and~~ of general circulation within the township ~~or, if no newspaper~~ 118069

the state and its political subdivisions, the probable effect upon 118504
such revenue of possible changes in existing laws, and the 118505
possible enactment of measures providing for other forms of 118506

(B) The tax commissioner may adopt rules requiring any 118577
payment of tax shown on such a return to be due to be made 118578
electronically in a manner approved by the commissioner. 118579

(C) A rule adopted under this section does not apply to 118580
returns or reports filed or payments made before six months after 118581
the effective date of the rule. The commissioner shall publicize 118582
any new electronic filing requirement on the department's web 118583
site. The commissioner shall educate the public of the requirement 118584
through seminars, workshops, conferences, or other outreach 118585

(D) Any person required to file returns and make payments 118587
electronically under rules adopted under this section may apply to 118588
the commissioner, on a form prescribed by the commissioner, to be 118589
excused from that requirement. For good cause shown, the 118590
commissioner may excuse the applicant from the requirement and 118591
permit the applicant to file the returns or reports or make the 118592
payments required under this section by nonelectronic means. 118593

Sec. 5703.37. (A)(1) Except as provided in division (B) of 118594
this section, whenever service of a notice or order is required in 118595
the manner provided in this section, a copy of the notice or order 118596
shall be served upon the person affected thereby either by 118597
personal service ~~or~~, by certified mail, or by a delivery service 118598
authorized under section 5703.056 of the Revised Code that 118599
notifies the tax commissioner of the date of delivery. 118600

(2) With the permission of the person affected by the notice 118601
or order, the commissioner may enter into a written agreement to 118602
deliver a notice or order by alternative means as provided in this 118603
section, including, but not limited to, delivery by secure 118604
electronic mail. Delivery by such means satisfies the requirements 118605
for delivery under this section. 118606

(B)(1)(a) If certified mail is returned because of an 118607
undeliverable address, the commissioner shall first utilize 118608
reasonable means to ascertain a new last known address, including 118609
the use of a change of address service offered by the United 118610
States postal service. If, after using reasonable means, the 118611
commissioner is unable to ascertain a new last known address, the 118612
assessment is final for purposes of section 131.02 of the Revised 118613
Code sixty days after the notice or order sent by certified mail 118614
is first returned to the commissioner, and the commissioner shall 118615
certify the notice or order, if applicable, to the attorney 118616
general for collection under section 131.02 of the Revised Code. 118617

(b) Notwithstanding certification to the attorney general 118618
under division (B)(1)(a) of this section, once the commissioner or 118619
attorney general, or the designee of either, makes an initial 118620
contact with the person to whom the notice or order is directed, 118621
the person may protest an assessment by filing a petition for 118622
reassessment within sixty days after the initial contact. The 118623
certification of an assessment under division (B)(1)(a) of this 118624

section is prima-facie evidence that delivery is complete and that 118625
the notice or order is served. 118626

(2) If mailing of a notice or order by certified mail is 118627
returned for some cause other than an undeliverable address, the 118628
tax commissioner shall resend the notice or order by ordinary 118629
mail. The notice or order shall show the date the commissioner 118630
sends the notice or order and include the following statement: 118631

"This notice or order is deemed to be served on the addressee 118632
under applicable law ten days from the date this notice or order 118633
was mailed by the commissioner as shown on the notice or order, 118634
and all periods within which an appeal may be filed apply from and 118635
after that date." 118636

Unless the mailing is returned because of an undeliverable 118637
address, the mailing of that information is prima-facie evidence 118638
that delivery of the notice or order was completed ten days after 118639
the commissioner sent the notice or order by ordinary mail and 118640
that the notice or order was served. 118641

If the ordinary mail is subsequently returned because of an 118642
undeliverable address, the commissioner shall proceed under 118643
division (B)(1)(a) of this section. A person may challenge the 118644
presumption of delivery and service under this division in 118645
accordance with division (C) of this section. 118646

(C)(1) A person disputing the presumption of delivery and 118647
service under division (B) of this section bears the burden of 118648
proving by a preponderance of the evidence that the address to 118649
which the notice or order was sent was not an address with which 118650
the person was associated at the time the commissioner originally 118651
mailed the notice or order by certified mail. For the purposes of 118652
this section, a person is associated with an address at the time 118653
the commissioner originally mailed the notice or order if, at that 118654
time, the person was residing, receiving legal documents, or 118655

conducting business at the address; or if, before that time, the person had conducted business at the address and, when the notice or order was mailed, the person's agent or the person's affiliate was conducting business at the address. For the purposes of this section, a person's affiliate is any other person that, at the time the notice or order was mailed, owned or controlled at least twenty per cent, as determined by voting rights, of the addressee's business.

(2) If the person elects to protest an assessment certified to the attorney general for collection, the person must do so within sixty days after the attorney general's initial contact with the person. The attorney general may enter into a compromise with the person under sections 131.02 and 5703.06 of the Revised Code if the person does not file a petition for reassessment with the tax commissioner.

(D) Nothing in this section prohibits the tax commissioner or the commissioner's designee from delivering a notice or order by personal service.

(E) Collection actions taken pursuant to section 131.02 of the Revised Code upon any assessment being challenged under division (B)(1)(b) of this section shall be stayed upon the pendency of an appeal under this section. If a petition for reassessment is filed pursuant to this section on a claim that has been certified to the attorney general for collection, the claim shall be uncertified.

(F) As used in this section:

(1) "Last known address" means the address the department has at the time the document is originally sent by certified mail, or any address the department can ascertain using reasonable means such as the use of a change of address service offered by the United States postal service.

(2) "Undeliverable address" means an address to which the United States postal service is not able to deliver a notice or order, except when the reason for nondelivery is because the addressee fails to acknowledge or accept the notice or order.

section 5705.261 or 5705.31 of the Revised Code. A levy for one of 119283
the purposes set forth in division (G), (I), (J), or (U) of this 119284
section may also be terminated or permanently reduced by the 119285
taxing authority if it adopts a resolution stating that the 119286
continuance of the levy is unnecessary and the levy shall be 119287
terminated or that the millage is excessive and the levy shall be 119288
decreased by a designated amount. 119289

A resolution of a detention facility district, a district 119290
organized under section 2151.65 of the Revised Code, or a combined 119291
district organized under both sections 2151.65 and 2152.41 of the 119292
Revised Code may include both current expenses and other purposes, 119293
provided that the resolution shall apportion the annual rate of 119294
levy between the current expenses and the other purpose or 119295
purposes. The apportionment need not be the same for each year of 119296
the levy, but the respective portions of the rate actually levied 119297
each year for the current expenses and the other purpose or 119298
purposes shall be limited by the apportionment. 119299

Whenever a board of county commissioners, acting either as 119300
the taxing authority of its county or as the taxing authority of a 119301
sewer district or subdistrict created under Chapter 6117. of the 119302
Revised Code, by resolution declares it necessary to levy a tax in 119303
excess of the ten-mill limitation for the purpose of constructing, 119304
improving, or extending sewage disposal plants or sewage systems, 119305
the tax may be in effect for any number of years not exceeding 119306
twenty, and the proceeds of the tax, notwithstanding the general 119307
provisions of this section, may be used to pay debt charges on any 119308
obligations issued and outstanding on behalf of the subdivision 119309
for the purposes enumerated in this paragraph, provided that any 119310

such obligations have been specifically described in the 119311
resolution. 119312

The resolution shall go into immediate effect upon its 119313
passage, and no publication of the resolution is necessary other 119314
than that provided for in the notice of election. 119315

When the electors of a subdivision have approved a tax levy 119316
under this section, the taxing authority of the subdivision may 119317
anticipate a fraction of the proceeds of the levy and issue 119318
anticipation notes in accordance with section 5705.191 or 5705.193 119319
of the Revised Code. 119320

Sec. 5705.191. The taxing authority of any subdivision, other 119321
than the board of education of a school district or the taxing 119322
authority of a county school financing district, by a vote of 119323
two-thirds of all its members, may declare by resolution that the 119324
amount of taxes that may be raised within the ten-mill limitation 119325
by levies on the current tax duplicate will be insufficient to 119326
provide an adequate amount for the necessary requirements of the 119327
subdivision, and that it is necessary to levy a tax in excess of 119328
such limitation for any of the purposes in section 5705.19 of the 119329
Revised Code, or to supplement the general fund for the purpose of 119330
making appropriations for one or more of the following purposes: 119331
public assistance, human or social services, relief, welfare, 119332
hospitalization, health, and support of general hospitals, and 119333
that the question of such additional tax levy shall be submitted 119334
to the electors of the subdivision at a general, primary, or 119335
special election to be held at a time therein specified. Such 119336
resolution shall not include a levy on the current tax list and 119337
duplicate unless such election is to be held at or prior to the 119338
general election day of the current tax year. Such resolution 119339
shall conform to the requirements of section 5705.19 of the 119340
Revised Code, except that a levy to supplement the general fund 119341

for the purposes of public assistance, human or social services, 119342
relief, welfare, hospitalization, health, or the support of 119343
general or tuberculosis hospitals may not be for a longer period 119344
than ten years. All other levies under this section may not be for 119345
a longer period than five years unless a longer period is 119346
permitted by section 5705.19 of the Revised Code, and the 119347
resolution shall specify the date of holding such election, which 119348
shall not be earlier than ninety days after the adoption and 119349
certification of such resolution. The resolution shall go into 119350
immediate effect upon its passage and no publication of the same 119351
is necessary other than that provided for in the notice of 119352
election. A copy of such resolution, immediately after its 119353
passage, shall be certified to the board of elections of the 119354
proper county or counties in the manner provided by section 119355
5705.25 of the Revised Code, and such section shall govern the 119356
arrangements for the submission of such question and other matters 119357
with respect to such election, to which section 5705.25 of the 119358
Revised Code refers, excepting that such election shall be held on 119359
the date specified in the resolution, which shall be consistent 119360
with the requirements of section 3501.01 of the Revised Code, 119361
provided that only one special election for the submission of such 119362
question may be held in any one calendar year and provided that a 119363
special election may be held upon the same day a primary election 119364
is held. Publication of notice of that election shall be made in 119365
~~one or more newspapers~~ a newspaper of general circulation in the 119366
county once a week for two consecutive weeks, or as provided in 119367
section 7.16 of the Revised Code, prior to the election, ~~and, if,~~ 119368
If the board of elections operates and maintains a web site, the 119369
board of elections shall post notice of the election on its web 119370
site for thirty days prior to the election. 119371

If a majority of the electors voting on the question vote in 119372
favor thereof, the taxing authority of the subdivision may make 119373
the necessary levy within such subdivision at the additional rate 119374

or at any lesser rate outside the ten-mill limitation on the tax 119375
list and duplicate for the purpose stated in the resolution. Such 119376
tax levy shall be included in the next annual tax budget that is 119377
certified to the county budget commission. 119378

After the approval of such a levy by the electors, the taxing 119379
authority of the subdivision may anticipate a fraction of the 119380
proceeds of such levy and issue anticipation notes. In the case of 119381
a continuing levy that is not levied for the purpose of current 119382
expenses, notes may be issued at any time after approval of the 119383
levy in an amount not more than fifty per cent of the total 119384
estimated proceeds of the levy for the succeeding ten years, less 119385
an amount equal to the fraction of the proceeds of the levy 119386
previously anticipated by the issuance of anticipation notes. In 119387
the case of a levy for a fixed period that is not for the purpose 119388
of current expenses, notes may be issued at any time after 119389
approval of the levy in an amount not more than fifty per cent of 119390
the total estimated proceeds of the levy throughout the remaining 119391
life of the levy, less an amount equal to the fraction of the 119392
proceeds of the levy previously anticipated by the issuance of 119393
anticipation notes. In the case of a levy for current expenses, 119394
notes may be issued after the approval of the levy by the electors 119395
and prior to the time when the first tax collection from the levy 119396
can be made. Such notes may be issued in an amount not more than 119397
fifty per cent of the total estimated proceeds of the levy 119398
throughout the term of the levy in the case of a levy for a fixed 119399
period, or fifty per cent of the total estimated proceeds for the 119400
first ten years of the levy in the case of a continuing levy. 119401

No anticipation notes that increase the net indebtedness of a 119402
county may be issued without the prior consent of the board of 119403
county commissioners of that county. The notes shall be issued as 119404
provided in section 133.24 of the Revised Code, shall have 119405
principal payments during each year after the year of their 119406

issuance over a period not exceeding the life of the levy 119407
anticipated, and may have a principal payment in the year of their 119408
issuance. 119409

"Taxing authority" and "subdivision" have the same meanings 119410
as in section 5705.01 of the Revised Code. 119411

This section is supplemental to and not in derogation of 119412
sections 5705.20, 5705.21, and 5705.22 of the Revised Code. 119413

Sec. 5705.194. The board of education of any city, local, 119414
exempted village, cooperative education, or joint vocational 119415
school district at any time may declare by resolution that the 119416
revenue that will be raised by all tax levies which the district 119417
is authorized to impose, when combined with state and federal 119418
revenues, will be insufficient to provide for the emergency 119419
requirements of the school district or to avoid an operating 119420
deficit, and that it is therefore necessary to levy an additional 119421
tax in excess of the ten-mill limitation. The resolution shall be 119422
confined to a single purpose and shall specify that purpose. If 119423
the levy is proposed to renew all or a portion of the proceeds 119424
derived from one or more existing levies imposed pursuant to this 119425
section, it shall be called a renewal levy and shall be so 119426
designated on the ballot. If two or more existing levies are to be 119427
included in a single renewal levy but are not scheduled to expire 119428
in the same year, the resolution shall specify that the existing 119429
levies to be renewed shall not be levied after the year preceding 119430
the year in which the renewal levy is first imposed. 119431
Notwithstanding the original purpose of any one or more existing 119432
levies that are to be in any single renewal levy, the purpose of 119433
the renewal levy may be either to avoid an operating deficit or to 119434
provide for the emergency requirements of the school district. The 119435
resolution shall further specify the amount of money it is 119436
necessary to raise for the specified purpose for each calendar 119437

year the millage is to be imposed; if a renewal levy, whether the 119438
levy is to renew all, or a portion of, the proceeds derived from 119439
one or more existing levies; and the number of years in which the 119440
millage is to be in effect, which may include a levy upon the 119441
current year's tax list. The number of years may be any number not 119442
exceeding ten. 119443

The question shall be submitted at a special election on a 119444
date specified in the resolution. The date shall not be earlier 119445
than eighty days after the adoption and certification of the 119446
resolution to the county auditor and shall be consistent with the 119447
requirements of section 3501.01 of the Revised Code. A resolution 119448
for a renewal levy shall not be placed on the ballot unless the 119449
question is submitted on a date on which a special election may be 119450
held under division (D) of section 3501.01 of the Revised Code, 119451
except for the first Tuesday after the first Monday in February 119452
and August, during the last year the levy to be renewed may be 119453
extended on the real and public utility property tax list and 119454
duplicate, or at any election held in the ensuing year, except 119455
that if the resolution proposes renewing two or more existing 119456
levies, the question shall be submitted on the date of the general 119457
or primary election held during the last year at least one of the 119458
levies to be renewed may be extended on that list and duplicate, 119459
or at any election held during the ensuing year. For purposes of 119460
this section, a levy shall be considered to be an "existing levy" 119461
through the year following the last year it can be placed on the 119462
real and public utility property tax list and duplicate. 119463

The submission of questions to the electors under this 119464
section is subject to the limitation on the number of election 119465
dates established by section 5705.214 of the Revised Code. 119466

The resolution shall go into immediate effect upon its 119467
passage, and no publication of the resolution shall be necessary 119468
other than that provided for in the notice of election. A copy of 119469

the resolution shall immediately after its passing be certified to 119470
the county auditor of the proper county. Section 5705.195 of the 119471
Revised Code shall govern the arrangements for the submission of 119472
questions to the electors under this section and other matters 119473
concerning the election. Publication of notice of the election 119474
shall be made in one ~~or more newspapers~~ newspaper of general 119475
circulation in the county once a week for two consecutive weeks, 119476
or as provided in section 7.16 of the Revised Code, prior to the 119477
election, ~~and, if.~~ If the board of elections operates and 119478
maintains a web site, the board of elections shall post notice of 119479
the election on its web site for thirty days prior to the 119480
election. If a majority of the electors voting on the question 119481
submitted in an election vote in favor of the levy, the board of 119482
education of the school district may make the additional levy 119483
necessary to raise the amount specified in the resolution for the 119484
purpose stated in the resolution. The tax levy shall be included 119485
in the next tax budget that is certified to the county budget 119486
commission. 119487

After the approval of the levy and prior to the time when the 119488
first tax collection from the levy can be made, the board of 119489
education may anticipate a fraction of the proceeds of the levy 119490
and issue anticipation notes in an amount not exceeding the total 119491
estimated proceeds of the levy to be collected during the first 119492
year of the levy. 119493

The notes shall be issued as provided in section 133.24 of 119494
the Revised Code, shall have principal payments during each year 119495
after the year of their issuance over a period not to exceed five 119496
years, and may have principal payment in the year of their 119497
issuance. 119498

Sec. 5705.196. The election provided for in section 5705.194 119499
of the Revised Code shall be held at the regular places for voting 119500

in the district, and shall be conducted, canvassed, and certified 119501
in the same manner as regular elections in the district for the 119502
election of county officers, provided that in any such election in 119503
which only part of the electors of a precinct are qualified to 119504
vote, the board of elections may assign voters in such part to an 119505
adjoining precinct. Such an assignment may be made to an adjoining 119506
precinct in another county with the consent and approval of the 119507
board of elections of such other county. Notice of the election 119508
shall be published in one ~~or more newspapers~~ newspaper of general 119509
circulation in the district once a week for two consecutive weeks 119510
or as provided in section 7.16 of the Revised Code, prior to the 119511
election, ~~and, if.~~ If the board of elections operates and 119512
maintains a web site, the board of elections shall post notice of 119513
the election on its web site for thirty days prior to the 119514
election. Such notice shall state the annual proceeds of the 119515
proposed levy, the purpose for which such proceeds are to be used, 119516
the number of years during which the levy shall run, and the 119517
estimated average additional tax rate expressed in dollars and 119518
cents for each one hundred dollars of valuation as well as in 119519
mills for each one dollar of valuation, outside the limitation 119520
imposed by Section 2 of Article XII, Ohio Constitution, as 119521
certified by the county auditor. 119522

Sec. 5705.21. (A) At any time, the board of education of any 119523
city, local, exempted village, cooperative education, or joint 119524
vocational school district, by a vote of two-thirds of all its 119525
members, may declare by resolution that the amount of taxes which 119526
may be raised within the ten-mill limitation by levies on the 119527
current tax duplicate will be insufficient to provide an adequate 119528
amount for the necessary requirements of the school district, that 119529
it is necessary to levy a tax in excess of such limitation for one 119530
of the purposes specified in division (A), (D), (F), (H), or (DD) 119531
of section 5705.19 of the Revised Code, for general permanent 119532

improvements, for the purpose of operating a cultural center, or 119533
for the purpose of providing education technology, and that the 119534
question of such additional tax levy shall be submitted to the 119535
electors of the school district at a special election on a day to 119536
be specified in the resolution. If the resolution states that the 119537
levy is for the purpose of operating a cultural center, the ballot 119538
shall state that the levy is "for the purpose of operating the 119539
..... (name of cultural center)." 119540

As used in this section, "cultural center" means a 119541
freestanding building, separate from a public school building, 119542
that is open to the public for educational, musical, artistic, and 119543
cultural purposes; "education technology" means, but is not 119544
limited to, computer hardware, equipment, materials, and 119545
accessories, equipment used for two-way audio or video, and 119546
software; and "general permanent improvements" means permanent 119547
improvements without regard to the limitation of division (F) of 119548
section 5705.19 of the Revised Code that the improvements be a 119549
specific improvement or a class of improvements that may be 119550
included in a single bond issue. 119551

The submission of questions to the electors under this 119552
section is subject to the limitation on the number of election 119553
dates established by section 5705.214 of the Revised Code. 119554

(B) Such resolution shall be confined to a single purpose and 119555
shall specify the amount of the increase in rate that it is 119556
necessary to levy, the purpose of the levy, and the number of 119557
years during which the increase in rate shall be in effect. The 119558
number of years may be any number not exceeding five or, if the 119559
levy is for current expenses of the district or for general 119560
permanent improvements, for a continuing period of time. The 119561
resolution shall specify the date of holding such election, which 119562
shall not be earlier than ninety days after the adoption and 119563
certification of the resolution and which shall be consistent with 119564

the requirements of section 3501.01 of the Revised Code. 119565

The resolution may propose to renew one or more existing 119566
levies imposed under this section or to increase or decrease a 119567
single levy imposed under this section. If the board of education 119568
imposes one or more existing levies for the purpose specified in 119569
division (F) of section 5705.19 of the Revised Code, the 119570
resolution may propose to renew one or more of those existing 119571
levies, or to increase or decrease a single such existing levy, 119572
for the purpose of general permanent improvements. If the 119573
resolution proposes to renew two or more existing levies, the 119574
levies shall be levied for the same purpose. The resolution shall 119575
identify those levies and the rates at which they are levied. The 119576
resolution also shall specify that the existing levies shall not 119577
be extended on the tax lists after the year preceding the year in 119578
which the renewal levy is first imposed, regardless of the years 119579
for which those levies originally were authorized to be levied. 119580

The resolution shall go into immediate effect upon its 119581
passage, and no publication of the resolution shall be necessary 119582
other than that provided for in the notice of election. A copy of 119583
the resolution shall immediately after its passing be certified to 119584
the board of elections of the proper county in the manner provided 119585
by section 5705.25 of the Revised Code, and that section shall 119586
govern the arrangements for the submission of such question and 119587
other matters concerning such election, to which that section 119588
refers, except that such election shall be held on the date 119589
specified in the resolution. Publication of notice of that 119590
election shall be made in ~~one or more newspapers~~ a newspaper of 119591
general circulation in the county once a week for two consecutive 119592
weeks, or as provided in section 7.16 of the Revised Code, prior 119593
to the election, ~~and, if.~~ If the board of elections operates and 119594
maintains a web site, the board of elections shall post notice of 119595
the election on its web site for thirty days prior to the 119596

election. If a majority of the electors voting on the question so submitted in an election vote in favor of the levy, the board of education may make the necessary levy within the school district at the additional rate, or at any lesser rate in excess of the ten-mill limitation on the tax list, for the purpose stated in the resolution. A levy for a continuing period of time may be reduced pursuant to section 5705.261 of the Revised Code. The tax levy shall be included in the next tax budget that is certified to the county budget commission.

(C)(1) After the approval of a levy on the current tax list and duplicate for current expenses, for recreational purposes, for community centers provided for in section 755.16 of the Revised Code, or for a public library of the district and prior to the time when the first tax collection from the levy can be made, the board of education may anticipate a fraction of the proceeds of the levy and issue anticipation notes in a principal amount not exceeding fifty per cent of the total estimated proceeds of the levy to be collected during the first year of the levy.

(2) After the approval of a levy for general permanent improvements for a specified number of years, or for permanent improvements having the purpose specified in division (F) of section 5705.19 of the Revised Code, the board of education may anticipate a fraction of the proceeds of the levy and issue anticipation notes in a principal amount not exceeding fifty per cent of the total estimated proceeds of the levy remaining to be collected in each year over a period of five years after the issuance of the notes.

The notes shall be issued as provided in section 133.24 of the Revised Code, shall have principal payments during each year after the year of their issuance over a period not to exceed five years, and may have a principal payment in the year of their issuance.

(3) After approval of a levy for general permanent
improvements for a continuing period of time, the board of
education may anticipate a fraction of the proceeds of the levy
and issue anticipation notes in a principal amount not exceeding
fifty per cent of the total estimated proceeds of the levy to be
collected in each year over a specified period of years, not
exceeding ten, after the issuance of the notes.

The notes shall be issued as provided in section 133.24 of
the Revised Code, shall have principal payments during each year
after the year of their issuance over a period not to exceed ten
years, and may have a principal payment in the year of their
issuance.

Sec. 5705.211. (A) As used in this section:

(1) "Adjusted charge-off increase" for a tax year means two
~~and two-tenths~~ per cent of the cumulative carryover property value
increase. ~~If the cumulative carryover property value increase is
computed on the basis of a school district's recognized valuation
for a fiscal year before fiscal year 2014, the adjusted charge-off
increase shall be adjusted to account for the greater charge-off
rates prescribed for such fiscal years under sections 3317.022 and
3306.13 of the Revised Code.~~

(2) "Cumulative carryover property value increase" means the
sum of the increases in carryover value certified under division
(B)(2) of section 3317.015 of the Revised Code and included in a
school district's total taxable value in the computation of
recognized valuation under division (B) of that section for all
fiscal years from the fiscal year that ends in the first tax year
a levy under this section is extended on the tax list of real and
public utility property until and including the fiscal year that
ends in the current tax year.

(3) "Taxes charged and payable" means the taxes charged and

payable from a tax levy extended on the real and public utility 119660
property tax list and the general list of personal property before 119661
any reduction under section 319.302, 323.152, or 323.158 of the 119662
Revised Code. 119663

(B) The board of education of a city, local, or exempted 119664
village school district may adopt a resolution proposing the levy 119665
of a tax in excess of the ten-mill limitation for the purpose of 119666
paying the current operating expenses of the district. If the 119667
resolution is approved as provided in division (D) of this 119668
section, the tax may be levied at such a rate each tax year that 119669
the total taxes charged and payable from the levy equals the 119670
adjusted charge-off increase for the tax year or equals a lesser 119671
amount as prescribed under division (C) of this section. The tax 119672
may be levied for a continuing period of time or for a specific 119673
number of years, but not fewer than five years, as provided in the 119674
resolution. The tax may not be placed on the tax list for a tax 119675
year beginning before the first day of January following adoption 119676
of the resolution. A board of education may not adopt a resolution 119677
under this section proposing to levy a tax under this section 119678
concurrently with any other tax levied by the board under this 119679
section. 119680

(C) After the first year a tax is levied under this section, 119681
the rate of the tax in any year shall not exceed the rate, 119682
estimated by the county auditor, that would cause the sums levied 119683
from the tax against carryover property to exceed one hundred four 119684
per cent of the sums levied from the tax against carryover 119685

tax that the percentage shall be less than one hundred four per 119688
cent, but the percentage shall not be less than one hundred per 119689

approved by a majority of electors as provided in division (D) of 119691

this section, the board of education, by resolution, may decrease 119692
the percentage specified in the resolution levying the tax. 119693

(D) A resolution adopted under this section shall state that 119694
the purpose of the tax is to pay current operating expenses of the 119695

at which the question of the tax is to appear on the ballot, which 119699
shall be a general or special election consistent with the 119700
requirements of section 3501.01 of the Revised Code. If the board 119701
of education specifies a percentage less than one hundred four per 119702
cent pursuant to division (C) of this section, the percentage 119703
shall be specified in the resolution. 119704

Upon adoption of the resolution, the board of education may 119705
certify a copy of the resolution to the proper county board of 119706
elections. The copy of the resolution shall be certified to the 119707
board of elections not later than ninety days before the day of 119708
the election at which the question of the tax is to appear on the 119709
ballot. Upon receiving a timely certified copy of such a 119710
resolution, the board of elections shall make the necessary 119711
arrangements for the submission of the question to the electors of 119712
the school district, and the election shall be conducted, 119713
canvassed, and certified in the same manner as regular elections 119714
in the school district for the election of members of the board of 119715
education. Notice of the election shall be published in ~~one or~~ 119716
~~more newspapers~~ a newspaper of general circulation in the school 119717

the purpose of the tax is for the current operating expenses of 119720
the school district, the first year the tax is to be levied, the 119721
number of years the tax is to be levied or that it is to be levied 119722
for a continuing period of time, that the tax is to be levied each 119723

year in an amount estimated to offset decreases in state base cost 119724
funding caused by appreciation in real estate values, and that the 119725
estimated additional tax in any year shall not exceed the previous 119726
year's by more than four per cent, or a lesser percentage 119727
specified in the resolution levying the tax, except for increases 119728
caused by the addition of new taxable property. 119729

The question shall be submitted as a separate proposition but 119730
may be printed on the same ballot with any other proposition 119731
submitted at the same election other than the election of 119732
officers. 119733

The form of the ballot shall be substantially as follows: 119734

period of time), at a rate sufficient to offset any reduction in 119738
basic state funding caused by appreciation in real estate values? 119739
This levy will permit variable annual growth in revenue up to 119740

119744
119745
119746

If a majority of the electors of the school district voting 119747
on the question vote in favor of the question, the board of 119748
elections shall certify the results of the election to the board 119749
of education and to the tax commissioner immediately after the 119750
canvass. 119751

(E) When preparing any estimate of the contemplated receipts 119752
from a tax levied pursuant to this section for the purposes of 119753
sections 5705.28 to 5705.40 of the Revised Code, and in preparing 119754

to certify the tax under section 5705.34 of the Revised Code, a 119755
board of education authorized to levy such a tax shall use 119756
information supplied by the department of education to determine 119757
the adjusted charge-off increase for the tax year for which that 119758
certification is made. If the board levied a tax under this 119759
section in the preceding tax year, the sum to be certified for 119760
collection from the tax shall not exceed the sum that would exceed 119761
the limitation imposed under division (C) of this section. At the 119762
request of the board of education or the treasurer of the school 119763
district, the county auditor shall assist the board of education 119764
in determining the rate or sum that may be levied under this 119765
section. 119766

The board of education shall certify the sum authorized to be 119767
levied to the county auditor, and, for the purpose of the county 119768
auditor determining the rate at which the tax is to be levied in 119769
the tax year, the sum so certified shall be the sum to be raised 119770
by the tax unless the sum exceeds the limitation imposed by 119771
division (C) of this section. A tax levied pursuant to this 119772
section shall not be levied at a rate in excess of the rate 119773
estimated by the county auditor to produce the sum certified by 119774
the board of education before the reductions under sections 119775
319.302, 323.152, and 323.158 of the Revised Code. Notwithstanding 119776
section 5705.34 of the Revised Code, a board of education 119777
authorized to levy a tax under this section shall certify the tax 119778
to the county auditor before the first day of October of the tax 119779
year in which the tax is to be levied, or at a later date as 119780
approved by the tax commissioner. 119781

Sec. 5705.214. Not more than three elections during any 119782
calendar year shall include the questions by a school district of 119783
tax levies proposed under any one or any combination of the 119784
following sections: sections 5705.194, 5705.199, 5705.21, 119785
5705.212, 5705.213, 5705.217, 5705.218, ~~and~~ 5705.219, and 5748.09 119786

of the Revised Code. 119787

Sec. 5705.218. (A) The board of education of a city, local, 119788
or exempted village school district, at any time by a vote of 119789
two-thirds of all its members, may declare by resolution that it 119790

obligation bonds for permanent improvements. The resolution shall 119792
state all of the following: 119793

(1) The necessity and purpose of the bond issue; 119794

(2) The date of the special election at which the question 119795
shall be submitted to the electors; 119796

(3) The amount, approximate date, estimated rate of interest, 119797
and maximum number of years over which the principal of the bonds 119798
may be paid; 119799

(4) The necessity of levying a tax outside the ten-mill 119800
limitation to pay debt charges on the bonds and any anticipatory 119801
securities. 119802

On adoption of the resolution, the board shall certify a copy 119803
of it to the county auditor. The county auditor promptly shall 119804
estimate and certify to the board the average annual property tax 119805
rate required throughout the stated maturity of the bonds to pay 119806

(C) of section 133.18 of the Revised Code. 119808

(B) After receiving the county auditor's certification under 119809
division (A) of this section, the board of education of the city, 119810
local, or exempted village school district, by a vote of 119811
two-thirds of all its members, may declare by resolution that the 119812
amount of taxes that can be raised within the ten-mill limitation 119813
will be insufficient to provide an adequate amount for the present 119814
and future requirements of the school district; that it is 119815
necessary to issue general obligation bonds of the school district 119816

for permanent improvements and to levy an additional tax in excess 119817
of the ten-mill limitation to pay debt charges on the bonds and 119818
any anticipatory securities; that it is necessary for a specified 119819
number of years or for a continuing period of time to levy 119820
additional taxes in excess of the ten-mill limitation to provide 119821
funds for the acquisition, construction, enlargement, renovation, 119822
and financing of permanent improvements or to pay for current 119823
operating expenses, or both; and that the question of the bonds 119824
and taxes shall be submitted to the electors of the school 119825
district at a special election, which shall not be earlier than 119826
ninety days after certification of the resolution to the board of 119827

improvements, the first year the tax will be levied, and the 119839

continuing period of time. 119841

The resolution shall apportion the annual rate of the tax 119842
between current operating expenses and permanent improvements, if 119843
both taxes are proposed. The apportionment may but need not be the 119844
same for each year of the tax, but the respective portions of the 119845
rate actually levied each year for current operating expenses and 119846
permanent improvements shall be limited by the apportionment. The 119847
resolution shall go into immediate effect upon its passage, and no 119848

publication of it is necessary other than that provided in the 119849
notice of election. The board of education shall certify a copy of 119850
the resolution, along with copies of the auditor's estimate and 119851
its resolution under division (A) of this section, to the board of 119852
elections immediately after its adoption. 119853

(C) The board of elections shall make the arrangements for 119854
the submission of the question to the electors of the school 119855
district, and the election shall be conducted, canvassed, and 119856
certified in the same manner as regular elections in the district 119857
for the election of county officers. The resolution shall be put 119858

indicating approval of the bond issue, the levy to pay debt 119860
charges on the bonds and any anticipatory securities, the current 119861
operating expenses levy, and the permanent improvements levy, if 119862
either or both levies are proposed. The board of elections shall 119863
publish notice of the election in ~~one or more newspapers~~ a 119864

Sec. 5705.261. The question of decrease of an increased rate 120242

a subdivision may be initiated by the filing of a petition with 120244
the board of elections of the proper county not less than ninety 120245

general election for that office. Only one such petition may be 120252
filed during each five-year period following the election at which 120253

proposed decrease in rate, and the time and place of the election. 120268
The form of the ballot cast at such election shall be prescribed 120269
by the secretary of state. The question covered by such petition 120270
shall be submitted as a separate proposition but it may be printed 120271
on the same ballot with any other propositions submitted at the 120272
same election other than the election of officers. If a majority 120273

fiscal year following the year in which a levy proposed under 120354
section 5705.194, 5705.199, 5705.21, 5705.213, or 5705.219, a 120355
property tax levy proposed under section 5748.09, or the original 120356

be greater than twenty per cent of the amount of the levy 120360
estimated to be available for appropriation in such year. 120361

(3) Except as provided in division (E)(4) of this section, 120362
the full amount of any reserve balance the board includes in its 120363
budget shall be retained by the county auditor and county 120364
treasurer out of the first semiannual settlement of taxes until 120365

turned over to the board of education, to be used for the purposes 120368
of such fiscal year. 120369

(4) A board of education, by a two-thirds vote of all members 120370
of the board, may appropriate any amount withheld as a voluntary 120371
contingency reserve balance during the fiscal year for any lawful 120372
purpose, provided that prior to such appropriation the board of 120373
education has authorized the expenditure of all amounts 120374
appropriated for contingencies under section 5705.40 of the 120375
Revised Code. Upon request by the board of education, the county 120376
auditor shall draw a warrant on the district's account in the 120377
county treasury payable to the district in the amount requested. 120378

A district's spending reserve balance is the amount by which the designated percentage of the district's estimated personal property taxes to be settled during the calendar year in which the fiscal year ends exceeds the estimated amount of personal property taxes to be so settled and received by the district during that fiscal year. Moneys from a spending reserve shall be appropriated in accordance with section 133.301 of the Revised Code.

(G) Except as otherwise provided in this division, the county budget commission shall not reduce the taxing authority of a subdivision as a result of the creation of a reserve balance account. Except as otherwise provided in this division, the county budget commission shall not consider the amount in a reserve balance account of a township, county, or municipal corporation as an unencumbered balance or as revenue for the purposes of division (E)(3) or (4) of section 5747.51 of the Revised Code. The county budget commission may require documentation of the reasonableness of the reserve balance held in any reserve balance account. The commission shall consider any amount in a reserve balance account that it determines to be unreasonable as unencumbered and as

revenue for the purposes of section 5747.51 of the Revised Code 120411
and may take such amounts into consideration when determining 120412
whether to reduce the taxing authority of a subdivision. 120413

Sec. 5705.314. If the board of education of a city, local, or 120414
exempted village school district proposes to change its levy 120415
within the ten-mill limitation in a manner that will result in an 120416
increase in the amount of real property taxes levied by the board 120417
in the tax year the change takes effect, the board shall hold a 120418
public hearing solely on the proposal before adopting a resolution 120419

hearing in a newspaper of general circulation in the school 120421
district once a week for two consecutive weeks or as provided in 120422

real property taxes levied by the board. At the time the board 120428
submits the notice for publication, the board shall send a copy of 120429
the notice to the auditor of the county where the school district 120430
is located or, if the school district is located in more than one 120431

spending plan, setting forth a quarterly schedule of expenses and 120436
expenditures of all appropriations for the fiscal year from the 120437
county general fund. The spending plan shall be classified to set 120438

for each office, department, and division, and within each, the 120440
amount appropriated for personal services. Each office, 120441

department, and division shall be limited in its expenses and 120442
expenditures of moneys appropriated from the general fund during 120443
any quarter by the schedule established in the spending plan. The 120444
schedule established in the spending plan shall serve as a 120445
limitation during a quarter on the making of contracts and giving 120446
of orders involving the expenditure of money during that quarter 120447
for purposes of division (D) of section 5705.41 of the Revised 120448
Code. 120449

appropriations from any county fund, for the second half of a 120453
fiscal year and any subsequent fiscal year, for any county office, 120454
department, or division that has spent or encumbered more than 120455
six-tenths of the amount appropriated for personal services and 120456
payrolls during the first half of any fiscal year. 120457

(2) During any fiscal year, a board of county commissioners, 120458
by resolution, may adopt a spending plan or an amended spending 120459
plan setting forth separately a quarterly schedule of expenses and 120460
expenditures of appropriations from any county fund, for any 120461
county office, department, or division that, during the previous 120462
fiscal year, spent one hundred ten per cent or more of the total 120463
amount appropriated for personal services and payrolls by the 120464
board in its annual appropriation measure required by section 120465
5705.38 of the Revised Code. The spending plan or amended spending 120466
plan shall remain in effect two fiscal years, or until the county 120467
officer of the office for which the plan was adopted is no longer 120468
in office, including terms of office to which the county officer 120469
is re-elected, whichever is later. 120470

(3) At least thirty days before adopting a resolution under 120471
division (B)(1) or (2) of this section, the board of county 120472
commissioners shall provide written notice to each county office, 120473

department, or division for which it intends to adopt a spending 120474
plan or an amended spending plan. The notice shall be sent by 120475
regular first class mail or provided by personal service, and 120476
shall include a copy of the proposed spending plan or proposed 120477
amended spending plan. The county office, department, or division 120478
may meet with the board at any regular session of the board to 120479
comment on the notice, or to express concerns or ask questions 120480
about the proposed spending plan or proposed amended spending 120481
plan. 120482

Sec. 5705.412. (A) As used in this section, "qualifying 120483
contract" means any agreement for the expenditure of money under 120484
which aggregate payments from the funds included in the school 120485
district's five-year forecast under section 5705.391 of the 120486
Revised Code will exceed the lesser of the following amounts: 120487

signed as required by this section, that the school district has 120497
in effect the authorization to levy taxes including the renewal or 120498
replacement of existing levies which, when combined with the 120499
estimated revenue from all other sources available to the district 120500
at the time of certification, are sufficient to provide the 120501
operating revenues necessary to enable the district to maintain 120502
all personnel and programs for all the days set forth in its 120503
adopted school calendars for the current fiscal year and for a 120504

year, as follows: 120507

~~(1)~~(a) A certificate attached to an appropriation measure 120508
under this section shall cover only the fiscal year in which the 120509
appropriation measure is effective and shall not consider the 120510
renewal or replacement of an existing levy as the authority to 120511

in which a certificate is required, the certificate attached to an 120523
appropriation measure shall include the number of days on which 120524

and any succeeding fiscal years that the certificate must cover. 120528

The certificate shall be signed by the treasurer and 120529
president of the board of education and the superintendent of the 120530

120540

120543
120544
120545

(C) Every qualifying contract made or wage or salary schedule adopted or put into effect without such a certificate shall be void, and no payment of any amount due thereon shall be made. 120555
120556
120557

(D) The department of education and the auditor of state jointly shall adopt rules governing the methods by which treasurers, presidents of boards of education, superintendents, and members of financial planning and supervision commissions shall estimate revenue and determine whether such revenue is sufficient to provide necessary operating revenue for the purpose of making certifications required by this section. 120558

certificate issued under this section since the district's last 120569
audit, and the appropriation measure, contract, or wage and salary 120570

law officer of the school district. That officer may file a civil 120576
action in any court of appropriate jurisdiction to seek a 120577
declaration that the contract or wage or salary schedule is void, 120578
to recover for the school district from the payee the amount of 120579
payments already made under it, or both, except that the officer 120580
shall not seek to recover payments made under any collective 120581

from the auditor of state, any taxpayer may institute the action 120585
in the taxpayer's own name on behalf of the school district. 120586

in any wage or salary schedule that is necessary in order to 120588
enable a board of education to comply with division (B) of section 120589
3317.13 of the Revised Code, provided the contract or increase 120590
does not exceed the amount required to be paid to be in compliance 120591
with such division. 120592

void claim, not to exceed ten thousand dollars. However, no 120604
officer, employee, or other person shall be liable for a mistaken 120605
estimate of available resources made in good faith and based upon 120606
reasonable grounds. If an officer, employee, or other person is 120607
found to have complied with rules jointly adopted by the 120608
department of education and the auditor of state under this 120609
section governing methods by which revenue shall be estimated and 120610
determined sufficient to provide necessary operating revenue for 120611
the purpose of making certifications required by this section, the 120612
officer, employee, or other person shall not be liable under this 120613
section if the estimates and determinations made according to 120614
those rules do not, in fact, conform with actual revenue. The 120615
prosecuting attorney of the county, the city director of law, or 120616
other chief law officer of the district shall enforce this 120617
liability by civil action brought in any court of appropriate 120618

(C)(1) The legislative authority of a municipal corporation 120973
may adopt an ordinance creating an incentive district and 120974
declaring improvements to parcels within the district to be a 120975
public purpose and, except as provided in division (F) of this 120976
section, exempt from taxation as provided in this section, but no 120977
legislative authority of a municipal corporation that has a 120978
population that exceeds twenty-five thousand, as shown by the most 120979
recent federal decennial census, shall adopt an ordinance that 120980
creates an incentive district if the sum of the taxable value of 120981
real property in the proposed district for the preceding tax year 120982
and the taxable value of all real property in the municipal 120983
corporation that would have been taxable in the preceding year 120984
were it not for the fact that the property was in an existing 120985
incentive district and therefore exempt from taxation exceeds 120986
twenty-five per cent of the taxable value of real property in the 120987
municipal corporation for the preceding tax year. The ordinance 120988
shall delineate the boundary of the district and specifically 120989

include any parcel that is or has been exempted from taxation 120991
under division (B) of this section or that is or has been within 120992
another district created under this division. An ordinance may 120993
create more than one such district, and more than one ordinance 120994
may be adopted under division (C)(1) of this section. 120995

(2) Not later than thirty days prior to adopting an ordinance 120996
under division (C)(1) of this section, if the municipal 120997
corporation intends to apply for exemptions from taxation under 120998
section 5709.911 of the Revised Code on behalf of owners of real 120999
property located within the proposed incentive district, the 121000
legislative authority of a municipal corporation shall conduct a 121001
public hearing on the proposed ordinance. Not later than thirty 121002
days prior to the public hearing, the legislative authority shall 121003
give notice of the public hearing and the proposed ordinance by 121004
first class mail to every real property owner whose property is 121005

located within the boundaries of the proposed incentive district 121006
that is the subject of the proposed ordinance. 121007

(3)(a) An ordinance adopted under division (C)(1) of this 121008
section shall specify the life of the incentive district and the 121009
percentage of the improvements to be exempted, shall designate the 121010
public infrastructure improvements made, to be made, or in the 121011
process of being made, that benefit or serve, or, once made, will 121012
benefit or serve parcels in the district. The ordinance also shall 121013
identify one or more specific projects being, or to be, undertaken 121014
in the district that place additional demand on the public 121015
infrastructure improvements designated in the ordinance. The 121016
project identified may, but need not be, the project under 121017
division (C)(3)(b) of this section that places real property in 121018
use for commercial or industrial purposes. Except as otherwise 121019
permitted under that division, the service payments provided for 121020
in section 5709.42 of the Revised Code shall be used to finance 121021
the designated public infrastructure improvements, for the purpose 121022
described in division (D)(1) or (E) of this section, or as 121023
provided in section 5709.43 of the Revised Code. 121024

An ordinance adopted under division (C)(1) of this section on 121025
or after ~~the effective date of this amendment~~ March 30, 2006, 121026
shall not designate police or fire equipment as public 121027
infrastructure improvements, and no service payment provided for 121028
in section 5709.42 of the Revised Code and received by the 121029
municipal corporation under the ordinance shall be used for police 121030
or fire equipment. 121031

(b) An ordinance adopted under division (C)(1) of this 121032
section may authorize the use of service payments provided for in 121033
section 5709.42 of the Revised Code for the purpose of housing 121034
renovations within the incentive district, provided that the 121035
ordinance also designates public infrastructure improvements that 121036
benefit or serve the district, and that a project within the 121037

district places real property in use for commercial or industrial 121038
purposes. Service payments may be used to finance or support 121039
loans, deferred loans, and grants to persons for the purpose of 121040
housing renovations within the district. The ordinance shall 121041
designate the parcels within the district that are eligible for 121042
housing renovation. The ordinance shall state separately the 121043
amounts or the percentages of the expected aggregate service 121044
payments that are designated for each public infrastructure 121045
improvement and for the general purpose of housing renovations. 121046

(4) Except with the approval of the board of education of 121047
each city, local, ~~or~~ exempted village, and joint vocational school 121048
district within the territory of which the incentive district is 121049
or will be located, and subject to division (E) of this section, 121050
the life of an incentive district shall not exceed ten years, and 121051
the percentage of improvements to be exempted shall not exceed 121052
seventy-five per cent. With approval of the board of education, 121053
the life of a district may be not more than thirty years, and the 121054
percentage of improvements to be exempted may be not more than one 121055
hundred per cent. The approval of a board of education shall be 121056
obtained in the manner provided in division (D) of this section. 121057

(D)(1) If the ordinance declaring improvements to a parcel to 121058
be a public purpose or creating an incentive district specifies 121059
that payments in lieu of taxes provided for in section 5709.42 of 121060
the Revised Code shall be paid to the city, local, ~~or~~ exempted 121061
village, or joint vocational school district in which the parcel 121062
or incentive district is located in the amount of the taxes that 121063
would have been payable to the school district if the improvements 121064
had not been exempted from taxation, the percentage of the 121065
improvement that may be exempted from taxation may exceed 121066
seventy-five per cent, and the exemption may be granted for up to 121067
thirty years, without the approval of the board of education as 121068
otherwise required under division (D)(2) of this section. 121069

(2) Improvements with respect to a parcel may be exempted 121070
from taxation under division (B) of this section, and improvements 121071
to parcels within an incentive district may be exempted from 121072
taxation under division (C) of this section, for up to ten years 121073
or, with the approval under this paragraph of the board of 121074
education of the city, local, ~~or~~ exempted village, and joint 121075
vocational school district within which the parcel or district is 121076
located, for up to thirty years. The percentage of the improvement 121077
exempted from taxation may, with such approval, exceed 121078
seventy-five per cent, but shall not exceed one hundred per cent. 121079
Not later than forty-five business days prior to adopting an 121080
ordinance under this section declaring improvements to be a public 121081
purpose that is subject to approval by a board of education under 121082
this division, the legislative authority shall deliver to the 121083
board of education a notice stating its intent to adopt an 121084
ordinance making that declaration. The notice regarding 121085
improvements with respect to a parcel under division (B) of this 121086
section shall identify the parcels for which improvements are to 121087
be exempted from taxation, provide an estimate of the true value 121088
in money of the improvements, specify the period for which the 121089
improvements would be exempted from taxation and the percentage of 121090
the improvement that would be exempted, and indicate the date on 121091
which the legislative authority intends to adopt the ordinance. 121092
The notice regarding improvements to parcels within an incentive 121093
district under division (C) of this section shall delineate the 121094
boundaries of the district, specifically identify each parcel 121095
within the district, identify each anticipated improvement in the 121096
district, provide an estimate of the true value in money of each 121097
such improvement, specify the life of the district and the 121098
percentage of improvements that would be exempted, and indicate 121099
the date on which the legislative authority intends to adopt the 121100
ordinance. The board of education, by resolution adopted by a 121101
majority of the board, may approve the exemption for the period or 121102

for the exemption percentage specified in the notice; may 121103
disapprove the exemption for the number of years in excess of ten, 121104
may disapprove the exemption for the percentage of the improvement 121105
to be exempted in excess of seventy-five per cent, or both; or may 121106
approve the exemption on the condition that the legislative 121107
authority and the board negotiate an agreement providing for 121108
compensation to the school district equal in value to a percentage 121109
of the amount of taxes exempted in the eleventh and subsequent 121110
years of the exemption period or, in the case of exemption 121111
percentages in excess of seventy-five per cent, compensation equal 121112
in value to a percentage of the taxes that would be payable on the 121113
portion of the improvement in excess of seventy-five per cent were 121114
that portion to be subject to taxation, or other mutually 121115
agreeable compensation. 121116

(3) The board of education shall certify its resolution to 121117
the legislative authority not later than fourteen days prior to 121118
the date the legislative authority intends to adopt the ordinance 121119
as indicated in the notice. If the board of education and the 121120
legislative authority negotiate a mutually acceptable compensation 121121
agreement, the ordinance may declare the improvements a public 121122
purpose for the number of years specified in the ordinance or, in 121123
the case of exemption percentages in excess of seventy-five per 121124
cent, for the exemption percentage specified in the ordinance. In 121125
either case, if the board and the legislative authority fail to 121126
negotiate a mutually acceptable compensation agreement, the 121127
ordinance may declare the improvements a public purpose for not 121128
more than ten years, and shall not exempt more than seventy-five 121129
per cent of the improvements from taxation. If the board fails to 121130
certify a resolution to the legislative authority within the time 121131
prescribed by this division, the legislative authority thereupon 121132
may adopt the ordinance and may declare the improvements a public 121133
purpose for up to thirty years, or, in the case of exemption 121134
percentages proposed in excess of seventy-five per cent, for the 121135

exemption percentage specified in the ordinance. The legislative 121136
authority may adopt the ordinance at any time after the board of 121137
education certifies its resolution approving the exemption to the 121138
legislative authority, or, if the board approves the exemption on 121139
the condition that a mutually acceptable compensation agreement be 121140
negotiated, at any time after the compensation agreement is agreed 121141
to by the board and the legislative authority. 121142

(4) If a board of education has adopted a resolution waiving 121143
its right to approve exemptions from taxation under this section 121144
and the resolution remains in effect, approval of exemptions by 121145
the board is not required under division (D) of this section. If a 121146
board of education has adopted a resolution allowing a legislative 121147
authority to deliver the notice required under division (D) of 121148
this section fewer than forty-five business days prior to the 121149
legislative authority's adoption of the ordinance, the legislative 121150
authority shall deliver the notice to the board not later than the 121151
number of days prior to such adoption as prescribed by the board 121152
in its resolution. If a board of education adopts a resolution 121153
waiving its right to approve agreements or shortening the 121154
notification period, the board shall certify a copy of the 121155
resolution to the legislative authority. If the board of education 121156
rescinds such a resolution, it shall certify notice of the 121157
rescission to the legislative authority. 121158

(5) If the legislative authority is not required by division 121159
(D) of this section to notify the board of education of the 121160
legislative authority's intent to declare improvements to be a 121161
public purpose, the legislative authority shall comply with the 121162
notice requirements imposed under section 5709.83 of the Revised 121163
Code, unless the board has adopted a resolution under that section 121164
waiving its right to receive such a notice. 121165

(E)(1) If a proposed ordinance under division (C)(1) of this 121166
section exempts improvements with respect to a parcel within an 121167

incentive district for more than ten years, or the percentage of 121168
the improvement exempted from taxation exceeds seventy-five per 121169
cent, not later than forty-five business days prior to adopting 121170
the ordinance the legislative authority of the municipal 121171
corporation shall deliver to the board of county commissioners of 121172
the county within which the incentive district will be located a 121173
notice that states its intent to adopt an ordinance creating an 121174
incentive district. The notice shall include a copy of the 121175
proposed ordinance, identify the parcels for which improvements 121176
are to be exempted from taxation, provide an estimate of the true 121177
value in money of the improvements, specify the period of time for 121178
which the improvements would be exempted from taxation, specify 121179
the percentage of the improvements that would be exempted from 121180
taxation, and indicate the date on which the legislative authority 121181
intends to adopt the ordinance. 121182

(2) The board of county commissioners, by resolution adopted 121183
by a majority of the board, may object to the exemption for the 121184
number of years in excess of ten, may object to the exemption for 121185
the percentage of the improvement to be exempted in excess of 121186
seventy-five per cent, or both. If the board of county 121187
commissioners objects, the board may negotiate a mutually 121188
acceptable compensation agreement with the legislative authority. 121189
In no case shall the compensation provided to the board exceed the 121190
property taxes ~~foregone~~ forgone due to the exemption. If the board 121191
of county commissioners objects, and the board and legislative 121192
authority fail to negotiate a mutually acceptable compensation 121193
agreement, the ordinance adopted under division (C)(1) of this 121194
section shall provide to the board compensation in the eleventh 121195
and subsequent years of the exemption period equal in value to not 121196
more than fifty per cent of the taxes that would be payable to the 121197
county or, if the board's objection includes an objection to an 121198
exemption percentage in excess of seventy-five per cent, 121199
compensation equal in value to not more than fifty per cent of the 121200

taxes that would be payable to the county, on the portion of the 121201
improvement in excess of seventy-five per cent, were that portion 121202
to be subject to taxation. The board of county commissioners shall 121203
certify its resolution to the legislative authority not later than 121204
thirty days after receipt of the notice. 121205

(3) If the board of county commissioners does not object or 121206
fails to certify its resolution objecting to an exemption within 121207
thirty days after receipt of the notice, the legislative authority 121208
may adopt the ordinance, and no compensation shall be provided to 121209
the board of county commissioners. If the board timely certifies 121210
its resolution objecting to the ordinance, the legislative 121211
authority may adopt the ordinance at any time after a mutually 121212
acceptable compensation agreement is agreed to by the board and 121213
the legislative authority, or, if no compensation agreement is 121214
negotiated, at any time after the legislative authority agrees in 121215
the proposed ordinance to provide compensation to the board of 121216
fifty per cent of the taxes that would be payable to the county in 121217
the eleventh and subsequent years of the exemption period or on 121218
the portion of the improvement in excess of seventy-five per cent, 121219
were that portion to be subject to taxation. 121220

(F) Service payments in lieu of taxes that are attributable 121221
to any amount by which the effective tax rate of either a renewal 121222
levy with an increase or a replacement levy exceeds the effective 121223
tax rate of the levy renewed or replaced, or that are attributable 121224
to an additional levy, for a levy authorized by the voters for any 121225
of the following purposes on or after January 1, 2006, and which 121226
are provided pursuant to an ordinance creating an incentive 121227
district under division (C)(1) of this section that is adopted on 121228
or after January 1, 2006, shall be distributed to the appropriate 121229
taxing authority as required under division (C) of section 5709.42 121230
of the Revised Code in an amount equal to the amount of taxes from 121231
that additional levy or from the increase in the effective tax 121232

rate of such renewal or replacement levy that would have been 121233
payable to that taxing authority from the following levies were it 121234
not for the exemption authorized under division (C) of this 121235
section: 121236

(1) A tax levied under division (L) of section 5705.19 or 121237

Revised Code for the provision and maintenance of zoological park 121256
services and facilities under section 307.76 of the Revised Code; 121257

(8) A tax levied under section 511.27 or division (H) of 121258

park districts; 121260

(9) A tax levied under division (A), (F), or (H) of section 121261
5705.19 of the Revised Code for parks and recreational purposes of 121262

a joint recreation district organized pursuant to division (B) of 121263
section 755.14 of the Revised Code; 121264

(10) A tax levied under section 1545.20 or 1545.21 of the 121265
Revised Code for park district purposes; 121266

(11) A tax levied under section 5705.191 of the Revised Code 121267
for the purpose of making appropriations for public assistance; 121268
human or social services; public relief; public welfare; public 121269
health and hospitalization; and support of general hospitals; 121270

(12) A tax levied under section 3709.29 of the Revised Code 121271
for a general health district program. 121272

(G) An exemption from taxation granted under this section 121273
commences with the tax year specified in the ordinance so long as 121274
the year specified in the ordinance commences after the effective 121275
date of the ordinance. If the ordinance specifies a year 121276
commencing before the effective date of the resolution or 121277
specifies no year whatsoever, the exemption commences with the tax 121278
year in which an exempted improvement first appears on the tax 121279
list and duplicate of real and public utility property and that 121280
commences after the effective date of the ordinance. Except as 121281
otherwise provided in this division, the exemption ends on the 121282
date specified in the ordinance as the date the improvement ceases 121283
to be a public purpose or the incentive district expires, or ends 121284
on the date on which the public infrastructure improvements and 121285
housing renovations are paid in full from the municipal public 121286
improvement tax increment equivalent fund established under 121287
division (A) of section 5709.43 of the Revised Code, whichever 121288
occurs first. The exemption of an improvement with respect to a 121289
parcel or within an incentive district may end on a later date, as 121290
specified in the ordinance, if the legislative authority and the 121291
board of education of the city, local, ~~or~~ exempted village, or 121292
joint vocational school district within which the parcel or 121293
district is located have entered into a compensation agreement 121294

under section 5709.82 of the Revised Code with respect to the 121295
improvement, and the board of education has approved the term of 121296
the exemption under division (D)(2) of this section, but in no 121297
case shall the improvement be exempted from taxation for more than 121298
thirty years. Exemptions shall be claimed and allowed in the same 121299
manner as in the case of other real property exemptions. If an 121300
exemption status changes during a year, the procedure for the 121301
apportionment of the taxes for that year is the same as in the 121302
case of other changes in tax exemption status during the year. 121303

(H) Additional municipal financing of public infrastructure 121304
improvements and housing renovations may be provided by any 121305
methods that the municipal corporation may otherwise use for 121306
financing such improvements or renovations. If the municipal 121307
corporation issues bonds or notes to finance the public 121308
infrastructure improvements and housing renovations and pledges 121309
money from the municipal public improvement tax increment 121310
equivalent fund to pay the interest on and principal of the bonds 121311
or notes, the bonds or notes are not subject to Chapter 133. of 121312
the Revised Code. 121313

(I) The municipal corporation, not later than fifteen days 121314
after the adoption of an ordinance under this section, shall 121315
submit to the director of development a copy of the ordinance. On 121316
or before the thirty-first day of March of each year, the 121317
municipal corporation shall submit a status report to the director 121318
of development. The report shall indicate, in the manner 121319
prescribed by the director, the progress of the project during 121320
each year that an exemption remains in effect, including a summary 121321
of the receipts from service payments in lieu of taxes; 121322
expenditures of money from the funds created under section 5709.43 121323
of the Revised Code; a description of the public infrastructure 121324
improvements and housing renovations financed with such 121325
expenditures; and a quantitative summary of changes in employment 121326

and private investment resulting from each project. 121327

(J) Nothing in this section shall be construed to prohibit a 121328
legislative authority from declaring to be a public purpose 121329
improvements with respect to more than one parcel. 121330

Sec. 5709.41. (A) As used in this section: 121331

(1) "Business day" means a day of the week excluding 121332
Saturday, Sunday, and a legal holiday as defined under section 121333
1.14 of the Revised Code. 121334

(2) "Improvement" means the increase in assessed value of any 121335
parcel of property subsequent to the acquisition of the parcel by 121336
a municipal corporation engaged in urban redevelopment. 121337

(B) The legislative authority of a municipal corporation, by 121338
ordinance, may declare to be a public purpose any improvement to a 121339
parcel of real property if both of the following apply: 121340

(1) The municipal corporation held fee title to the parcel 121341
prior to the adoption of the ordinance; 121342

(2) The parcel is leased, or the fee of the parcel is 121343
conveyed, to any person either before or after adoption of the 121344
ordinance. 121345

Improvements used or to be used for residential purposes may 121346
be declared a public purpose under this section only if the parcel 121347
is located in a blighted area of an impacted city as those terms 121348
are defined in section 1728.01 of the Revised Code. 121349

(C) Except as otherwise provided in division (C)(1), (2), or 121350
(3) of this section, not more than seventy-five per cent of an 121351
improvement thus declared to be a public purpose may be exempted 121352
from real property taxation. The ordinance shall specify the 121353
percentage of the improvement to be exempted from taxation. 121354

(1) If the ordinance declaring improvements to a parcel to be 121355

a public purpose specifies that payments in lieu of taxes provided 121356
for in section 5709.42 of the Revised Code shall be paid to the 121357
city, local, ~~or~~ exempted village, and joint vocational school 121358
district in which the parcel is located in the amount of the taxes 121359
that would have been payable to the school district if the 121360
improvements had not been exempted from taxation, the percentage 121361
of the improvement that may be exempted from taxation may exceed 121362
seventy-five per cent, and the exemption may be granted for up to 121363
thirty years, without the approval of the board of education as 121364
otherwise required under division (C)(2) of this section. 121365

(2) Improvements may be exempted from taxation for up to ten 121366
years or, with the approval of the board of education of ~~the~~ each 121367
city, local, ~~or~~ exempted village, and joint vocational school 121368
district within the territory of which the improvements are or 121369
will be located, for up to thirty years. The percentage of the 121370
improvement exempted from taxation may, with such approval, exceed 121371
seventy-five per cent, but shall not exceed one hundred per cent. 121372
Not later than forty-five business days prior to adopting an 121373
ordinance under this section, the legislative authority shall 121374
deliver to the board of education a notice stating its intent to 121375
declare improvements to be a public purpose under this section. 121376
The notice shall describe the parcel and the improvements, provide 121377
an estimate of the true value in money of the improvements, 121378
specify the period for which the improvements would be exempted 121379
from taxation and the percentage of the improvements that would be 121380
exempted, and indicate the date on which the legislative authority 121381
intends to adopt the ordinance. The board of education, by 121382
resolution adopted by a majority of the board, may approve the 121383
exemption for the period or for the exemption percentage specified 121384
in the notice, may disapprove the exemption for the number of 121385
years in excess of ten, may disapprove the exemption for the 121386
percentage of the improvements to be exempted in excess of 121387
seventy-five per cent, or both, or may approve the exemption on 121388

the condition that the legislative authority and the board 121389
negotiate an agreement providing for compensation to the school 121390
district equal in value to a percentage of the amount of taxes 121391
exempted in the eleventh and subsequent years of the exemption 121392
period, or, in the case of exemption percentages in excess of 121393
seventy-five per cent, compensation equal in value to a percentage 121394
of the taxes that would be payable on the portion of the 121395
improvement in excess of seventy-five per cent were that portion 121396
to be subject to taxation. The board of education shall certify 121397
its resolution to the legislative authority not later than 121398
fourteen days prior to the date the legislative authority intends 121399
to adopt the ordinance as indicated in the notice. If the board of 121400
education approves the exemption on the condition that a 121401
compensation agreement be negotiated, the board in its resolution 121402
shall propose a compensation percentage. If the board of education 121403
and the legislative authority negotiate a mutually acceptable 121404
compensation agreement, the ordinance may declare the improvements 121405
a public purpose for the number of years specified in the 121406
ordinance or, in the case of exemption percentages in excess of 121407
seventy-five per cent, for the exemption percentage specified in 121408
the ordinance. In either case, if the board and the legislative 121409
authority fail to negotiate a mutually acceptable compensation 121410
agreement, the ordinance may declare the improvements a public 121411
purpose for not more than ten years, but shall not exempt more 121412
than seventy-five per cent of the improvements from taxation. If 121413
the board fails to certify a resolution to the legislative 121414
authority within the time prescribed by this division, the 121415
legislative authority thereupon may adopt the ordinance and may 121416
declare the improvements a public purpose for up to thirty years. 121417
The legislative authority may adopt the ordinance at any time 121418
after the board of education certifies its resolution approving 121419
the exemption to the legislative authority, or, if the board 121420
approves the exemption on the condition that a mutually acceptable 121421

compensation agreement be negotiated, at any time after the 121422
compensation agreement is agreed to by the board and the 121423
legislative authority. 121424

(3) If a board of education has adopted a resolution waiving 121425
its right to approve exemptions from taxation and the resolution 121426
remains in effect, approval of exemptions by the board is not 121427
required under this division. If a board of education has adopted 121428
a resolution allowing a legislative authority to deliver the 121429
notice required under this division fewer than forty-five business 121430
days prior to the legislative authority's adoption of the 121431
ordinance, the legislative authority shall deliver the notice to 121432
the board not later than the number of days prior to such adoption 121433
as prescribed by the board in its resolution. If a board of 121434
education adopts a resolution waiving its right to approve 121435
exemptions or shortening the notification period, the board shall 121436
certify a copy of the resolution to the legislative authority. If 121437
the board of education rescinds such a resolution, it shall 121438
certify notice of the rescission to the legislative authority. 121439

(4) If the legislative authority is not required by division 121440
(C)(1), (2), or (3) of this section to notify the board of 121441
education of the legislative authority's intent to declare 121442
improvements to be a public purpose, the legislative authority 121443
shall comply with the notice requirements imposed under section 121444
5709.83 of the Revised Code, unless the board has adopted a 121445
resolution under that section waiving its right to receive such a 121446
notice. 121447

(D) The exemption commences on the effective date of the 121448
ordinance and ends on the date specified in the ordinance as the 121449
date the improvement ceases to be a public purpose. The exemption 121450
shall be claimed and allowed in the same or a similar manner as in 121451
the case of other real property exemptions. If an exemption status 121452
changes during a tax year, the procedure for the apportionment of 121453

the taxes for that year is the same as in the case of other 121454
changes in tax exemption status during the year. 121455

(E) A municipal corporation, not later than fifteen days 121456
after the adoption of an ordinance granting a tax exemption under 121457
this section, shall submit to the director of development a copy 121458
of the ordinance. On or before the thirty-first day of March each 121459
year, the municipal corporation shall submit a status report to 121460
the director of development outlining the progress of the project 121461
during each year that the exemption remains in effect. 121462

Sec. 5709.42. (A) A municipal corporation that has declared 121463
an improvement to be a public purpose under section 5709.40 or 121464
5709.41 of the Revised Code may require the owner of any structure 121465
located on the parcel to make annual service payments in lieu of 121466
taxes to the county treasurer on or before the final dates for 121467
payment of real property taxes. Each such payment shall be charged 121468
and collected in the same manner and in the same amount as the 121469
real property taxes that would have been charged and payable 121470
against the improvement if it were not exempt from taxation. If 121471
any reduction in the levies otherwise applicable to such exempt 121472
property is made by the county budget commission under section 121473
5705.31 of the Revised Code, the amount of the service payment in 121474
lieu of taxes shall be calculated as if such reduction in levies 121475
had not been made. 121476

(B) Moneys collected as service payments in lieu of taxes 121477
shall be distributed at the same time and in the same manner as 121478
real property tax payments. However, subject to division (C) of 121479
this section or section 5709.913 of the Revised Code, the entire 121480
amount so collected shall be distributed to the municipal 121481
corporation in which the improvement is located. If an ordinance 121482
adopted under section 5709.40 or 5709.41 of the Revised Code 121483
specifies that service payments shall be paid to ~~the~~ a city, 121484

local, ~~or~~ exempted village, or joint vocational school district in 121485
which the improvements are located, the county treasurer shall 121486
distribute the portion of the service payments to that school 121487
district in an amount equal to the property tax payments the 121488
school district would have received from the portion of the 121489
improvements exempted from taxation had the improvements not been 121490
exempted, as directed in the ordinance. The treasurer shall 121491
maintain a record of the service payments in lieu of taxes made 121492
from property in each municipal corporation. 121493

(C) If annual service payments in lieu of taxes are required 121494
under this section, the county treasurer shall distribute to the 121495
appropriate taxing authorities the portion of the service payments 121496
that represents payments required under division (F) of section 121497
5709.40 of the Revised Code. 121498

(D) Nothing in this section or section 5709.40 or 5709.41 of 121499
the Revised Code affects the taxes levied against that portion of 121500
the value of any parcel of property that is not exempt from 121501
taxation. 121502

Sec. 5709.62. (A) In any municipal corporation that is 121503
defined by the United States office of management and budget as a 121504
principal city of a metropolitan statistical area, the legislative 121505
authority of the municipal corporation may designate one or more 121506
areas within its municipal corporation as proposed enterprise 121507
zones. Upon designating an area, the legislative authority shall 121508
petition the director of development for certification of the area 121509
as having the characteristics set forth in division (A)(1) of 121510
section 5709.61 of the Revised Code as amended by Substitute 121511
Senate Bill No. 19 of the 120th general assembly. Except as 121512
otherwise provided in division (E) of this section, on and after 121513
July 1, 1994, legislative authorities shall not enter into 121514
agreements under this section unless the legislative authority has 121515

petitioned the director and the director has certified the zone 121516
under this section as amended by that act; however, all agreements 121517
entered into under this section as it existed prior to July 1, 121518
1994, and the incentives granted under those agreements shall 121519
remain in effect for the period agreed to under those agreements. 121520
Within sixty days after receiving such a petition, the director 121521
shall determine whether the area has the characteristics set forth 121522
in division (A)(1) of section 5709.61 of the Revised Code, and 121523
shall forward the findings to the legislative authority of the 121524
municipal corporation. If the director certifies the area as 121525
having those characteristics, and thereby certifies it as a zone, 121526
the legislative authority may enter into an agreement with an 121527
enterprise under division (C) of this section. 121528

(B) Any enterprise that wishes to enter into an agreement 121529
with a municipal corporation under division (C) of this section 121530
shall submit a proposal to the legislative authority of the 121531
municipal corporation on a form prescribed by the director of 121532
development, together with the application fee established under 121533
section 5709.68 of the Revised Code. The form shall require the 121534
following information: 121535

(1) An estimate of the number of new employees whom the 121536
enterprise intends to hire, or of the number of employees whom the 121537
enterprise intends to retain, within the zone at a facility that 121538
is a project site, and an estimate of the amount of payroll of the 121539
enterprise attributable to these employees; 121540

(2) An estimate of the amount to be invested by the 121541
enterprise to establish, expand, renovate, or occupy a facility, 121542
including investment in new buildings, additions or improvements 121543
to existing buildings, machinery, equipment, furniture, fixtures, 121544
and inventory; 121545

(3) A listing of the enterprise's current investment, if any, 121546
in a facility as of the date of the proposal's submission. 121547

The enterprise shall review and update the listings required 121548
under this division to reflect material changes, and any agreement 121549
entered into under division (C) of this section shall set forth 121550
final estimates and listings as of the time the agreement is 121551
entered into. The legislative authority may, on a separate form 121552
and at any time, require any additional information necessary to 121553
determine whether an enterprise is in compliance with an agreement 121554
and to collect the information required to be reported under 121555
section 5709.68 of the Revised Code. 121556

(C) Upon receipt and investigation of a proposal under 121557
division (B) of this section, if the legislative authority finds 121558
that the enterprise submitting the proposal is qualified by 121559
financial responsibility and business experience to create and 121560
preserve employment opportunities in the zone and improve the 121561
economic climate of the municipal corporation, the legislative 121562
authority, on or before October 15, ~~2011~~ 2012, may do one of the 121563
following: 121564

(1) Enter into an agreement with the enterprise under which 121565
the enterprise agrees to establish, expand, renovate, or occupy a 121566
facility and hire new employees, or preserve employment 121567
opportunities for existing employees, in return for one or more of 121568
the following incentives: 121569

(a) Exemption for a specified number of years, not to exceed 121570
fifteen, of a specified portion, up to seventy-five per cent, of 121571
the assessed value of tangible personal property first used in 121572
business at the project site as a result of the agreement. If an 121573
exemption for inventory is specifically granted in the agreement 121574
pursuant to this division, the exemption applies to inventory 121575
required to be listed pursuant to sections 5711.15 and 5711.16 of 121576
the Revised Code, except that, in the instance of an expansion or 121577
other situations in which an enterprise was in business at the 121578
facility prior to the establishment of the zone, the inventory 121579

that is exempt is that amount or value of inventory in excess of 121580
the amount or value of inventory required to be listed in the 121581
personal property tax return of the enterprise in the return for 121582
the tax year in which the agreement is entered into. 121583

(b) Exemption for a specified number of years, not to exceed 121584
fifteen, of a specified portion, up to seventy-five per cent, of 121585
the increase in the assessed valuation of real property 121586
constituting the project site subsequent to formal approval of the 121587
agreement by the legislative authority; 121588

(c) Provision for a specified number of years, not to exceed 121589
fifteen, of any optional services or assistance that the municipal 121590
corporation is authorized to provide with regard to the project 121591
site. 121592

(2) Enter into an agreement under which the enterprise agrees 121593
to remediate an environmentally contaminated facility, to spend an 121594
amount equal to at least two hundred fifty per cent of the true 121595
value in money of the real property of the facility prior to 121596
remediation as determined for the purposes of property taxation to 121597
establish, expand, renovate, or occupy the remediated facility, 121598
and to hire new employees or preserve employment opportunities for 121599
existing employees at the remediated facility, in return for one 121600
or more of the following incentives: 121601

(a) Exemption for a specified number of years, not to exceed 121602
fifteen, of a specified portion, not to exceed fifty per cent, of 121603
the assessed valuation of the real property of the facility prior 121604
to remediation; 121605

(b) Exemption for a specified number of years, not to exceed 121606
fifteen, of a specified portion, not to exceed one hundred per 121607
cent, of the increase in the assessed valuation of the real 121608
property of the facility during or after remediation; 121609

(c) The incentive under division (C)(1)(a) of this section, 121610

except that the percentage of the assessed value of such property 121611
exempted from taxation shall not exceed one hundred per cent; 121612

(d) The incentive under division (C)(1)(c) of this section. 121613

(3) Enter into an agreement with an enterprise that plans to 121614
purchase and operate a large manufacturing facility that has 121615
ceased operation or announced its intention to cease operation, in 121616
return for exemption for a specified number of years, not to 121617
exceed fifteen, of a specified portion, up to one hundred per 121618
cent, of the assessed value of tangible personal property used in 121619
business at the project site as a result of the agreement, or of 121620
the assessed valuation of real property constituting the project 121621
site, or both. 121622

(D)(1) Notwithstanding divisions (C)(1)(a) and (b) of this 121623
section, the portion of the assessed value of tangible personal 121624
property or of the increase in the assessed valuation of real 121625
property exempted from taxation under those divisions may exceed 121626
seventy-five per cent in any year for which that portion is 121627
exempted if the average percentage exempted for all years in which 121628
the agreement is in effect does not exceed sixty per cent, or if 121629
the board of education of the city, local, or exempted village 121630
school district within the territory of which the property is or 121631
will be located approves a percentage in excess of seventy-five 121632
per cent. 121633

(2) Notwithstanding any provision of the Revised Code to the 121634
contrary, the exemptions described in divisions (C)(1)(a), (b), 121635
and (c), (C)(2)(a), (b), and (c), and (C)(3) of this section may 121636
be for up to fifteen years if the board of education of the city, 121637
local, or exempted village school district within the territory of 121638
which the property is or will be located approves a number of 121639
years in excess of ten. 121640

(3) For the purpose of obtaining the approval of a city, 121641

local, or exempted village school district under division (D)(1) 121642
or (2) of this section, the legislative authority shall deliver to 121643
the board of education a notice not later than forty-five days 121644
prior to approving the agreement, excluding Saturdays, Sundays, 121645
and legal holidays as defined in section 1.14 of the Revised Code. 121646
The notice shall state the percentage to be exempted, an estimate 121647
of the true value of the property to be exempted, and the number 121648
of years the property is to be exempted. The board of education, 121649
by resolution adopted by a majority of the board, shall approve or 121650
disapprove the agreement and certify a copy of the resolution to 121651
the legislative authority not later than fourteen days prior to 121652
the date stipulated by the legislative authority as the date upon 121653
which approval of the agreement is to be formally considered by 121654
the legislative authority. The board of education may include in 121655
the resolution conditions under which the board would approve the 121656
agreement, including the execution of an agreement to compensate 121657
the school district under division (B) of section 5709.82 of the 121658
Revised Code. The legislative authority may approve the agreement 121659
at any time after the board of education certifies its resolution 121660
approving the agreement to the legislative authority, or, if the 121661
board approves the agreement conditionally, at any time after the 121662
conditions are agreed to by the board and the legislative 121663
authority. 121664

If a board of education has adopted a resolution waiving its 121665
right to approve agreements and the resolution remains in effect, 121666
approval of an agreement by the board is not required under this 121667
division. If a board of education has adopted a resolution 121668
allowing a legislative authority to deliver the notice required 121669
under this division fewer than forty-five business days prior to 121670
the legislative authority's approval of the agreement, the 121671
legislative authority shall deliver the notice to the board not 121672
later than the number of days prior to such approval as prescribed 121673
by the board in its resolution. If a board of education adopts a 121674

resolution waiving its right to approve agreements or shortening 121675
the notification period, the board shall certify a copy of the 121676
resolution to the legislative authority. If the board of education 121677
rescinds such a resolution, it shall certify notice of the 121678
rescission to the legislative authority. 121679

(4) The legislative authority shall comply with section 121680
5709.83 of the Revised Code unless the board of education has 121681
adopted a resolution under that section waiving its right to 121682
receive such notice. 121683

(E) This division applies to zones certified by the director 121684
of development under this section prior to July 22, 1994. 121685

On or before October 15, ~~2011~~ 2012, the legislative authority 121686
that designated a zone to which this division applies may enter 121687
into an agreement with an enterprise if the legislative authority 121688
finds that the enterprise satisfies one of the criteria described 121689
in divisions (E)(1) to (5) of this section: 121690

(1) The enterprise currently has no operations in this state 121691
and, subject to approval of the agreement, intends to establish 121692
operations in the zone; 121693

(2) The enterprise currently has operations in this state 121694
and, subject to approval of the agreement, intends to establish 121695
operations at a new location in the zone that would not result in 121696
a reduction in the number of employee positions at any of the 121697
enterprise's other locations in this state; 121698

(3) The enterprise, subject to approval of the agreement, 121699
intends to relocate operations, currently located in another 121700
state, to the zone; 121701

(4) The enterprise, subject to approval of the agreement, 121702
intends to expand operations at an existing site in the zone that 121703
the enterprise currently operates; 121704

(5) The enterprise, subject to approval of the agreement, 121705
intends to relocate operations, currently located in this state, 121706
to the zone, and the director of development has issued a waiver 121707
for the enterprise under division (B) of section 5709.633 of the 121708
Revised Code. 121709

The agreement shall require the enterprise to agree to 121710
establish, expand, renovate, or occupy a facility in the zone and 121711
hire new employees, or preserve employment opportunities for 121712
existing employees, in return for one or more of the incentives 121713
described in division (C) of this section. 121714

(F) All agreements entered into under this section shall be 121715
in the form prescribed under section 5709.631 of the Revised Code. 121716
After an agreement is entered into under this section, if the 121717
legislative authority revokes its designation of a zone, or if the 121718
director of development revokes a zone's certification, any 121719
entitlements granted under the agreement shall continue for the 121720
number of years specified in the agreement. 121721

(G) Except as otherwise provided in this division, an 121722
agreement entered into under this section shall require that the 121723
enterprise pay an annual fee equal to the greater of one per cent 121724
of the dollar value of incentives offered under the agreement or 121725
five hundred dollars; provided, however, that if the value of the 121726
incentives exceeds two hundred fifty thousand dollars, the fee 121727
shall not exceed two thousand five hundred dollars. The fee shall 121728
be payable to the legislative authority once per year for each 121729
year the agreement is effective on the days and in the form 121730
specified in the agreement. Fees paid shall be deposited in a 121731
special fund created for such purpose by the legislative authority 121732
and shall be used by the legislative authority exclusively for the 121733
purpose of complying with section 5709.68 of the Revised Code and 121734
by the tax incentive review council created under section 5709.85 121735
of the Revised Code exclusively for the purposes of performing the 121736

duties prescribed under that section. The legislative authority 121737
may waive or reduce the amount of the fee charged against an 121738
enterprise, but such a waiver or reduction does not affect the 121739
obligations of the legislative authority or the tax incentive 121740
review council to comply with section 5709.68 or 5709.85 of the 121741
Revised Code. 121742

(H) When an agreement is entered into pursuant to this 121743
section, the legislative authority authorizing the agreement shall 121744
forward a copy of the agreement to the director of development and 121745
to the tax commissioner within fifteen days after the agreement is 121746
entered into. If any agreement includes terms not provided for in 121747
section 5709.631 of the Revised Code affecting the revenue of a 121748
city, local, or exempted village school district or causing 121749
revenue to be forgone by the district, including any compensation 121750
to be paid to the school district pursuant to section 5709.82 of 121751
the Revised Code, those terms also shall be forwarded in writing 121752
to the director of development along with the copy of the 121753
agreement forwarded under this division. 121754

(I) After an agreement is entered into, the enterprise shall 121755
file with each personal property tax return required to be filed, 121756
or annual report required to be filed under section 5727.08 of the 121757
Revised Code, while the agreement is in effect, an informational 121758
return, on a form prescribed by the tax commissioner for that 121759
purpose, setting forth separately the property, and related costs 121760
and values, exempted from taxation under the agreement. 121761

(J) Enterprises may agree to give preference to residents of 121762
the zone within which the agreement applies relative to residents 121763
of this state who do not reside in the zone when hiring new 121764
employees under the agreement. 121765

(K) An agreement entered into under this section may include 121766
a provision requiring the enterprise to create one or more 121767
temporary internship positions for students enrolled in a course 121768

of study at a school or other educational institution in the 121769
vicinity, and to create a scholarship or provide another form of 121770
educational financial assistance for students holding such a 121771
position in exchange for the student's commitment to work for the 121772
enterprise at the completion of the internship. 121773

(L) The tax commissioner's authority in determining the 121774
accuracy of any exemption granted by an agreement entered into 121775
under this section is limited to divisions (C)(1)(a) and (b), 121776
(C)(2)(a), (b), and (c), (C)(3), (D), and (I) of this section and 121777
divisions (B)(1) to (10) of section 5709.631 of the Revised Code 121778
and, as authorized by law, to enforcing any modification to, or 121779
revocation of, that agreement by the legislative authority of a 121780
municipal corporation or the director of development. 121781

Sec. 5709.63. (A) With the consent of the legislative 121782
authority of each affected municipal corporation or of a board of 121783
township trustees, a board of county commissioners may, in the 121784
manner set forth in section 5709.62 of the Revised Code, designate 121785
one or more areas in one or more municipal corporations or in 121786
unincorporated areas of the county as proposed enterprise zones. A 121787
board of county commissioners may designate no more than one area 121788
within a township, or within adjacent townships, as a proposed 121789
enterprise zone. The board shall petition the director of 121790
development for certification of the area as having the 121791
characteristics set forth in division (A)(1) or (2) of section 121792
5709.61 of the Revised Code as amended by Substitute Senate Bill 121793
No. 19 of the 120th general assembly. Except as otherwise provided 121794
in division (D) of this section, on and after July 1, 1994, boards 121795
of county commissioners shall not enter into agreements under this 121796
section unless the board has petitioned the director and the 121797
director has certified the zone under this section as amended by 121798
that act; however, all agreements entered into under this section 121799
as it existed prior to July 1, 1994, and the incentives granted 121800

under those agreements shall remain in effect for the period 121801
agreed to under those agreements. The director shall make the 121802
determination in the manner provided under section 5709.62 of the 121803
Revised Code. 121804

Any enterprise wishing to enter into an agreement with the 121805
board under division (B) or (D) of this section shall submit a 121806
proposal to the board on the form and accompanied by the 121807
application fee prescribed under division (B) of section 5709.62 121808
of the Revised Code. The enterprise shall review and update the 121809
estimates and listings required by the form in the manner required 121810
under that division. The board may, on a separate form and at any 121811
time, require any additional information necessary to determine 121812
whether an enterprise is in compliance with an agreement and to 121813
collect the information required to be reported under section 121814
5709.68 of the Revised Code. 121815

(B) If the board of county commissioners finds that an 121816
enterprise submitting a proposal is qualified by financial 121817
responsibility and business experience to create and preserve 121818
employment opportunities in the zone and to improve the economic 121819
climate of the municipal corporation or municipal corporations or 121820
the unincorporated areas in which the zone is located and to which 121821
the proposal applies, the board, on or before October 15, ~~2011~~ 121822
2012, and with the consent of the legislative authority of each 121823
affected municipal corporation or of the board of township 121824
trustees may do either of the following: 121825

(1) Enter into an agreement with the enterprise under which 121826
the enterprise agrees to establish, expand, renovate, or occupy a 121827
facility in the zone and hire new employees, or preserve 121828
employment opportunities for existing employees, in return for the 121829
following incentives: 121830

(a) When the facility is located in a municipal corporation, 121831
the board may enter into an agreement for one or more of the 121832

incentives provided in division (C) of section 5709.62 of the Revised Code, subject to division (D) of that section;

(b) When the facility is located in an unincorporated area, the board may enter into an agreement for one or more of the following incentives:

(i) Exemption for a specified number of years, not to exceed fifteen, of a specified portion, up to sixty per cent, of the assessed value of tangible personal property first used in business at a project site as a result of the agreement. If an exemption for inventory is specifically granted in the agreement pursuant to this division, the exemption applies to inventory required to be listed pursuant to sections 5711.15 and 5711.16 of the Revised Code, except, in the instance of an expansion or other situations in which an enterprise was in business at the facility prior to the establishment of the zone, the inventory that is exempt is that amount or value of inventory in excess of the amount or value of inventory required to be listed in the personal property tax return of the enterprise in the return for the tax year in which the agreement is entered into.

(ii) Exemption for a specified number of years, not to exceed fifteen, of a specified portion, up to sixty per cent, of the increase in the assessed valuation of real property constituting the project site subsequent to formal approval of the agreement by the board;

(iii) Provision for a specified number of years, not to exceed fifteen, of any optional services or assistance the board is authorized to provide with regard to the project site;

(iv) The incentive described in division (C)(2) of section 5709.62 of the Revised Code.

(2) Enter into an agreement with an enterprise that plans to purchase and operate a large manufacturing facility that has

ceased operation or has announced its intention to cease 121864
operation, in return for exemption for a specified number of 121865
years, not to exceed fifteen, of a specified portion, up to one 121866
hundred per cent, of tangible personal property used in business 121867
at the project site as a result of the agreement, or of real 121868
property constituting the project site, or both. 121869

(C)(1)(a) Notwithstanding divisions (B)(1)(b)(i) and (ii) of 121870
this section, the portion of the assessed value of tangible 121871
personal property or of the increase in the assessed valuation of 121872
real property exempted from taxation under those divisions may 121873
exceed sixty per cent in any year for which that portion is 121874
exempted if the average percentage exempted for all years in which 121875
the agreement is in effect does not exceed fifty per cent, or if 121876
the board of education of the city, local, or exempted village 121877
school district within the territory of which the property is or 121878
will be located approves a percentage in excess of sixty per cent. 121879

(b) Notwithstanding any provision of the Revised Code to the 121880
contrary, the exemptions described in divisions (B)(1)(b)(i), 121881
(ii), (iii), and (iv) and (B)(2) of this section may be for up to 121882
fifteen years if the board of education of the city, local, or 121883
exempted village school district within the territory of which the 121884
property is or will be located approves a number of years in 121885
excess of ten. 121886

(c) For the purpose of obtaining the approval of a city, 121887
local, or exempted village school district under division 121888
(C)(1)(a) or (b) of this section, the board of county 121889
commissioners shall deliver to the board of education a notice not 121890
later than forty-five days prior to approving the agreement, 121891
excluding Saturdays, Sundays, and legal holidays as defined in 121892
section 1.14 of the Revised Code. The notice shall state the 121893
percentage to be exempted, an estimate of the true value of the 121894
property to be exempted, and the number of years the property is 121895

to be exempted. The board of education, by resolution adopted by a majority of the board, shall approve or disapprove the agreement and certify a copy of the resolution to the board of county commissioners not later than fourteen days prior to the date stipulated by the board of county commissioners as the date upon which approval of the agreement is to be formally considered by the board of county commissioners. The board of education may include in the resolution conditions under which the board would approve the agreement, including the execution of an agreement to compensate the school district under division (B) of section 5709.82 of the Revised Code. The board of county commissioners may approve the agreement at any time after the board of education certifies its resolution approving the agreement to the board of county commissioners, or, if the board of education approves the agreement conditionally, at any time after the conditions are agreed to by the board of education and the board of county commissioners.

If a board of education has adopted a resolution waiving its right to approve agreements and the resolution remains in effect, approval of an agreement by the board of education is not required under division (C) of this section. If a board of education has adopted a resolution allowing a board of county commissioners to deliver the notice required under this division fewer than forty-five business days prior to approval of the agreement by the board of county commissioners, the board of county commissioners shall deliver the notice to the board of education not later than the number of days prior to such approval as prescribed by the board of education in its resolution. If a board of education adopts a resolution waiving its right to approve agreements or shortening the notification period, the board of education shall certify a copy of the resolution to the board of county commissioners. If the board of education rescinds such a resolution, it shall certify notice of the rescission to the board

of county commissioners. 121929

(2) The board of county commissioners shall comply with 121930
section 5709.83 of the Revised Code unless the board of education 121931
has adopted a resolution under that section waiving its right to 121932
receive such notice. 121933

(D) This division applies to zones certified by the director 121934
of development under this section prior to July 22, 1994. 121935

On or before October 15, ~~2011~~ 2012, and with the consent of 121936
the legislative authority of each affected municipal corporation 121937
or board of township trustees of each affected township, the board 121938
of county commissioners that designated a zone to which this 121939
division applies may enter into an agreement with an enterprise if 121940
the board finds that the enterprise satisfies one of the criteria 121941
described in divisions (D)(1) to (5) of this section: 121942

(1) The enterprise currently has no operations in this state 121943
and, subject to approval of the agreement, intends to establish 121944
operations in the zone; 121945

(2) The enterprise currently has operations in this state 121946
and, subject to approval of the agreement, intends to establish 121947
operations at a new location in the zone that would not result in 121948
a reduction in the number of employee positions at any of the 121949
enterprise's other locations in this state; 121950

(3) The enterprise, subject to approval of the agreement, 121951
intends to relocate operations, currently located in another 121952
state, to the zone; 121953

(4) The enterprise, subject to approval of the agreement, 121954
intends to expand operations at an existing site in the zone that 121955
the enterprise currently operates; 121956

(5) The enterprise, subject to approval of the agreement, 121957
intends to relocate operations, currently located in this state, 121958

to the zone, and the director of development has issued a waiver 121959
for the enterprise under division (B) of section 5709.633 of the 121960
Revised Code. 121961

The agreement shall require the enterprise to agree to 121962
establish, expand, renovate, or occupy a facility in the zone and 121963
hire new employees, or preserve employment opportunities for 121964
existing employees, in return for one or more of the incentives 121965
described in division (B) of this section. 121966

(E) All agreements entered into under this section shall be 121967
in the form prescribed under section 5709.631 of the Revised Code. 121968
After an agreement under this section is entered into, if the 121969
board of county commissioners revokes its designation of a zone, 121970
or if the director of development revokes a zone's certification, 121971
any entitlements granted under the agreement shall continue for 121972
the number of years specified in the agreement. 121973

(F) Except as otherwise provided in this division, an 121974
agreement entered into under this section shall require that the 121975
enterprise pay an annual fee equal to the greater of one per cent 121976
of the dollar value of incentives offered under the agreement or 121977
five hundred dollars; provided, however, that if the value of the 121978
incentives exceeds two hundred fifty thousand dollars, the fee 121979
shall not exceed two thousand five hundred dollars. The fee shall 121980
be payable to the board of county commissioners once per year for 121981
each year the agreement is effective on the days and in the form 121982
specified in the agreement. Fees paid shall be deposited in a 121983
special fund created for such purpose by the board and shall be 121984
used by the board exclusively for the purpose of complying with 121985
section 5709.68 of the Revised Code and by the tax incentive 121986
review council created under section 5709.85 of the Revised Code 121987
exclusively for the purposes of performing the duties prescribed 121988
under that section. The board may waive or reduce the amount of 121989
the fee charged against an enterprise, but such waiver or 121990

reduction does not affect the obligations of the board or the tax 121991
incentive review council to comply with section 5709.68 or 5709.85 121992
of the Revised Code, respectively. 121993

(G) With the approval of the legislative authority of a 121994
municipal corporation or the board of township trustees of a 121995
township in which a zone is designated under division (A) of this 121996
section, the board of county commissioners may delegate to that 121997
legislative authority or board any powers and duties of the board 121998
of county commissioners to negotiate and administer agreements 121999
with regard to that zone under this section. 122000

(H) When an agreement is entered into pursuant to this 122001
section, the board of county commissioners authorizing the 122002
agreement or the legislative authority or board of township 122003
trustees that negotiates and administers the agreement shall 122004
forward a copy of the agreement to the director of development and 122005
to the tax commissioner within fifteen days after the agreement is 122006
entered into. If any agreement includes terms not provided for in 122007
section 5709.631 of the Revised Code affecting the revenue of a 122008
city, local, or exempted village school district or causing 122009
revenue to be foregone by the district, including any compensation 122010
to be paid to the school district pursuant to section 5709.82 of 122011
the Revised Code, those terms also shall be forwarded in writing 122012
to the director of development along with the copy of the 122013
agreement forwarded under this division. 122014

(I) After an agreement is entered into, the enterprise shall 122015
file with each personal property tax return required to be filed, 122016
or annual report that is required to be filed under section 122017
5727.08 of the Revised Code, while the agreement is in effect, an 122018
informational return, on a form prescribed by the tax commissioner 122019
for that purpose, setting forth separately the property, and 122020
related costs and values, exempted from taxation under the 122021
agreement. 122022

(J) Enterprises may agree to give preference to residents of 122023
the zone within which the agreement applies relative to residents 122024
of this state who do not reside in the zone when hiring new 122025
employees under the agreement. 122026

(K) An agreement entered into under this section may include 122027
a provision requiring the enterprise to create one or more 122028
temporary internship positions for students enrolled in a course 122029
of study at a school or other educational institution in the 122030
vicinity, and to create a scholarship or provide another form of 122031
educational financial assistance for students holding such a 122032
position in exchange for the student's commitment to work for the 122033
enterprise at the completion of the internship. 122034

(L) The tax commissioner's authority in determining the 122035
accuracy of any exemption granted by an agreement entered into 122036
under this section is limited to divisions (B)(1)(b)(i) and (ii), 122037
(B)(2), (C), and (I) of this section, division (B)(1)(b)(iv) of 122038
this section as it pertains to divisions (C)(2)(a), (b), and (c) 122039
of section 5709.62 of the Revised Code, and divisions (B)(1) to 122040
(10) of section 5709.631 of the Revised Code and, as authorized by 122041
law, to enforcing any modification to, or revocation of, that 122042
agreement by the board of county commissioners or the director of 122043
development or, if the board's powers and duties are delegated 122044
under division (G) of this section, by the legislative authority 122045
of a municipal corporation or board of township trustees. 122046

Sec. 5709.632. (A)(1) The legislative authority of a 122047
municipal corporation defined by the United States office of 122048
management and budget as a principal city of a metropolitan 122049
statistical area may, in the manner set forth in section 5709.62 122050
of the Revised Code, designate one or more areas in the municipal 122051
corporation as a proposed enterprise zone. 122052

(2) With the consent of the legislative authority of each 122053

affected municipal corporation or of a board of township trustees, 122054
a board of county commissioners may, in the manner set forth in 122055
section 5709.62 of the Revised Code, designate one or more areas 122056
in one or more municipal corporations or in unincorporated areas 122057
of the county as proposed urban jobs and enterprise zones, except 122058
that a board of county commissioners may designate no more than 122059
one area within a township, or within adjacent townships, as a 122060
proposed urban jobs and enterprise zone. 122061

(3) The legislative authority or board of county 122062
commissioners may petition the director of development for 122063
certification of the area as having the characteristics set forth 122064
in division (A)(3) of section 5709.61 of the Revised Code. Within 122065
sixty days after receiving such a petition, the director shall 122066
determine whether the area has the characteristics set forth in 122067
that division and forward the findings to the legislative 122068
authority or board of county commissioners. If the director 122069
certifies the area as having those characteristics and thereby 122070
certifies it as a zone, the legislative authority or board may 122071
enter into agreements with enterprises under division (B) of this 122072
section. Any enterprise wishing to enter into an agreement with a 122073
legislative authority or board of county commissioners under this 122074
section and satisfying one of the criteria described in divisions 122075
(B)(1) to (5) of this section shall submit a proposal to the 122076
legislative authority or board on the form prescribed under 122077
division (B) of section 5709.62 of the Revised Code and shall 122078
review and update the estimates and listings required by the form 122079
in the manner required under that division. The legislative 122080
authority or board may, on a separate form and at any time, 122081
require any additional information necessary to determine whether 122082
an enterprise is in compliance with an agreement and to collect 122083
the information required to be reported under section 5709.68 of 122084
the Revised Code. 122085

(B) Prior to entering into an agreement with an enterprise, 122086
the legislative authority or board of county commissioners shall 122087
determine whether the enterprise submitting the proposal is 122088
qualified by financial responsibility and business experience to 122089
create and preserve employment opportunities in the zone and to 122090
improve the economic climate of the municipal corporation or 122091
municipal corporations or the unincorporated areas in which the 122092
zone is located and to which the proposal applies, and whether the 122093
enterprise satisfies one of the following criteria: 122094

(1) The enterprise currently has no operations in this state 122095
and, subject to approval of the agreement, intends to establish 122096
operations in the zone; 122097

(2) The enterprise currently has operations in this state 122098
and, subject to approval of the agreement, intends to establish 122099
operations at a new location in the zone that would not result in 122100
a reduction in the number of employee positions at any of the 122101
enterprise's other locations in this state; 122102

(3) The enterprise, subject to approval of the agreement, 122103
intends to relocate operations, currently located in another 122104
state, to the zone; 122105

(4) The enterprise, subject to approval of the agreement, 122106
intends to expand operations at an existing site in the zone that 122107
the enterprise currently operates; 122108

(5) The enterprise, subject to approval of the agreement, 122109
intends to relocate operations, currently located in this state, 122110
to the zone, and the director of development has issued a waiver 122111
for the enterprise under division (B) of section 5709.633 of the 122112
Revised Code. 122113

(C) If the legislative authority or board determines that the 122114
enterprise is so qualified and satisfies one of the criteria 122115
described in divisions (B)(1) to (5) of this section, the 122116

legislative authority or board may, after complying with section 122117
5709.83 of the Revised Code and on or before October 15, ~~2011~~ 122118
2012, and, in the case of a board of commissioners, with the 122119
consent of the legislative authority of each affected municipal 122120
corporation or of the board of township trustees, enter into an 122121
agreement with the enterprise under which the enterprise agrees to 122122
establish, expand, renovate, or occupy a facility in the zone and 122123
hire new employees, or preserve employment opportunities for 122124
existing employees, in return for the following incentives: 122125

(1) When the facility is located in a municipal corporation, 122126
a legislative authority or board of commissioners may enter into 122127
an agreement for one or more of the incentives provided in 122128
division (C) of section 5709.62 of the Revised Code, subject to 122129
division (D) of that section; 122130

(2) When the facility is located in an unincorporated area, a 122131
board of commissioners may enter into an agreement for one or more 122132
of the incentives provided in divisions (B)(1)(b), (B)(2), and 122133
(B)(3) of section 5709.63 of the Revised Code, subject to division 122134
(C) of that section. 122135

(D) All agreements entered into under this section shall be 122136
in the form prescribed under section 5709.631 of the Revised Code. 122137
After an agreement under this section is entered into, if the 122138
legislative authority or board of county commissioners revokes its 122139
designation of the zone, or if the director of development revokes 122140
the zone's certification, any entitlements granted under the 122141
agreement shall continue for the number of years specified in the 122142
agreement. 122143

(E) Except as otherwise provided in this division, an 122144
agreement entered into under this section shall require that the 122145
enterprise pay an annual fee equal to the greater of one per cent 122146
of the dollar value of incentives offered under the agreement or 122147
five hundred dollars; provided, however, that if the value of the 122148

incentives exceeds two hundred fifty thousand dollars, the fee 122149
shall not exceed two thousand five hundred dollars. The fee shall 122150
be payable to the legislative authority or board of commissioners 122151
once per year for each year the agreement is effective on the days 122152
and in the form specified in the agreement. Fees paid shall be 122153
deposited in a special fund created for such purpose by the 122154
legislative authority or board and shall be used by the 122155
legislative authority or board exclusively for the purpose of 122156
complying with section 5709.68 of the Revised Code and by the tax 122157
incentive review council created under section 5709.85 of the 122158
Revised Code exclusively for the purposes of performing the duties 122159
prescribed under that section. The legislative authority or board 122160
may waive or reduce the amount of the fee charged against an 122161
enterprise, but such waiver or reduction does not affect the 122162
obligations of the legislative authority or board or the tax 122163
incentive review council to comply with section 5709.68 or 5709.85 122164
of the Revised Code, respectively. 122165

(F) With the approval of the legislative authority of a 122166
municipal corporation or the board of township trustees of a 122167
township in which a zone is designated under division (A)(2) of 122168
this section, the board of county commissioners may delegate to 122169
that legislative authority or board any powers and duties of the 122170
board to negotiate and administer agreements with regard to that 122171
zone under this section. 122172

(G) When an agreement is entered into pursuant to this 122173
section, the legislative authority or board of commissioners 122174
authorizing the agreement shall forward a copy of the agreement to 122175
the director of development and to the tax commissioner within 122176
fifteen days after the agreement is entered into. If any agreement 122177
includes terms not provided for in section 5709.631 of the Revised 122178
Code affecting the revenue of a city, local, or exempted village 122179
school district or causing revenue to be forgone by the district, 122180

including any compensation to be paid to the school district 122181
pursuant to section 5709.82 of the Revised Code, those terms also 122182
shall be forwarded in writing to the director of development along 122183
with the copy of the agreement forwarded under this division. 122184

(H) After an agreement is entered into, the enterprise shall 122185
file with each personal property tax return required to be filed 122186
while the agreement is in effect, an informational return, on a 122187
form prescribed by the tax commissioner for that purpose, setting 122188
forth separately the property, and related costs and values, 122189
exempted from taxation under the agreement. 122190

(I) An agreement entered into under this section may include 122191
a provision requiring the enterprise to create one or more 122192
temporary internship positions for students enrolled in a course 122193
of study at a school or other educational institution in the 122194
vicinity, and to create a scholarship or provide another form of 122195
educational financial assistance for students holding such a 122196
position in exchange for the student's commitment to work for the 122197
enterprise at the completion of the internship. 122198

Sec. 5709.73. (A) As used in this section and section 5709.74 122199
of the Revised Code: 122200

(1) "Business day" means a day of the week excluding 122201
Saturday, Sunday, and a legal holiday as defined in section 1.14 122202
of the Revised Code. 122203

(2) "Further improvements" or "improvements" means the 122204
increase in the assessed value of real property that would first 122205
appear on the tax list and duplicate of real and public utility 122206
property after the effective date of a resolution adopted under 122207
this section were it not for the exemption granted by that 122208
resolution. For purposes of division (B) of this section, 122209
"improvements" do not include any property used or to be used for 122210
residential purposes. 122211

(3) "Housing renovation" means a project carried out for residential purposes.

(4) "Incentive district" has the same meaning as in section 5709.40 of the Revised Code, except that a blighted area is in the unincorporated area of a township.

(5) "Project" and "public infrastructure improvement" have the same meanings as in section 5709.40 of the Revised Code.

(B) A board of township trustees may, by unanimous vote, adopt a resolution that declares to be a public purpose any public infrastructure improvements made that are necessary for the development of certain parcels of land located in the unincorporated area of the township. Except with the approval under division (D) of this section of the board of education of each city, local, ~~or~~ exempted village, and joint vocational school district within which the improvements are located, the resolution may exempt from real property taxation not more than seventy-five per cent of further improvements to a parcel of land that directly benefits from the public infrastructure improvements, for a period of not more than ten years. The resolution shall specify the percentage of the further improvements to be exempted and the life of the exemption.

(C)(1) A board of township trustees may adopt, by unanimous vote, a resolution creating an incentive district and declaring improvements to parcels within the district to be a public purpose and, except as provided in division (F) of this section, exempt from taxation as provided in this section, but no board of township trustees of a township that has a population that exceeds twenty-five thousand, as shown by the most recent federal decennial census, shall adopt a resolution that creates an incentive district if the sum of the taxable value of real property in the proposed district for the preceding tax year and the taxable value of all real property in the township that would

have been taxable in the preceding year were it not for the fact 122244
that the property was in an existing incentive district and 122245
therefore exempt from taxation exceeds twenty-five per cent of the 122246
taxable value of real property in the township for the preceding 122247
tax year. The district shall be located within the unincorporated 122248
area of the township and shall not include any territory that is 122249
included within a district created under division (B) of section 122250
5709.78 of the Revised Code. The resolution shall delineate the 122251
boundary of the district and specifically identify each parcel 122252
within the district. A district may not include any parcel that is 122253
or has been exempted from taxation under division (B) of this 122254
section or that is or has been within another district created 122255
under this division. A resolution may create more than one 122256
district, and more than one resolution may be adopted under 122257
division (C)(1) of this section. 122258

(2) Not later than thirty days prior to adopting a resolution 122259
under division (C)(1) of this section, if the township intends to 122260
apply for exemptions from taxation under section 5709.911 of the 122261
Revised Code on behalf of owners of real property located within 122262
the proposed incentive district, the board shall conduct a public 122263
hearing on the proposed resolution. Not later than thirty days 122264
prior to the public hearing, the board shall give notice of the 122265
public hearing and the proposed resolution by first class mail to 122266
every real property owner whose property is located within the 122267
boundaries of the proposed incentive district that is the subject 122268
of the proposed resolution. 122269

(3)(a) A resolution adopted under division (C)(1) of this 122270
section shall specify the life of the incentive district and the 122271
percentage of the improvements to be exempted, shall designate the 122272
public infrastructure improvements made, to be made, or in the 122273
process of being made, that benefit or serve, or, once made, will 122274
benefit or serve parcels in the district. The resolution also 122275

shall identify one or more specific projects being, or to be, 122276
undertaken in the district that place additional demand on the 122277
public infrastructure improvements designated in the resolution. 122278
The project identified may, but need not be, the project under 122279
division (C)(3)(b) of this section that places real property in 122280
use for commercial or industrial purposes. 122281

A resolution adopted under division (C)(1) of this section on 122282
or after ~~the effective date of this amendment~~ March 30, 2006, 122283
shall not designate police or fire equipment as public 122284
infrastructure improvements, and no service payment provided for 122285
in section 5709.74 of the Revised Code and received by the 122286
township under the resolution shall be used for police or fire 122287
equipment. 122288

(b) A resolution adopted under division (C)(1) of this 122289
section may authorize the use of service payments provided for in 122290
section 5709.74 of the Revised Code for the purpose of housing 122291
renovations within the incentive district, provided that the 122292
resolution also designates public infrastructure improvements that 122293
benefit or serve the district, and that a project within the 122294
district places real property in use for commercial or industrial 122295
purposes. Service payments may be used to finance or support 122296
loans, deferred loans, and grants to persons for the purpose of 122297
housing renovations within the district. The resolution shall 122298
designate the parcels within the district that are eligible for 122299
housing renovations. The resolution shall state separately the 122300
amount or the percentages of the expected aggregate service 122301
payments that are designated for each public infrastructure 122302
improvement and for the purpose of housing renovations. 122303

(4) Except with the approval of the board of education of 122304
each city, local, ~~or~~ exempted village, and joint vocational school 122305
district within the territory of which the incentive district is 122306
or will be located, and subject to division (E) of this section, 122307

the life of an incentive district shall not exceed ten years, and 122308
the percentage of improvements to be exempted shall not exceed 122309
seventy-five per cent. With approval of the board of education, 122310
the life of a district may be not more than thirty years, and the 122311
percentage of improvements to be exempted may be not more than one 122312
hundred per cent. The approval of a board of education shall be 122313
obtained in the manner provided in division (D) of this section ~~£~~. 122314

(D) Improvements with respect to a parcel may be exempted 122315
from taxation under division (B) of this section, and improvements 122316
to parcels within an incentive district may be exempted from 122317
taxation under division (C) of this section, for up to ten years 122318
or, with the approval of the board of education of ~~the~~ each city, 122319
local, ~~or~~ exempted village, and joint vocational school district 122320
within which the parcel or district is located, for up to thirty 122321
years. The percentage of the improvements exempted from taxation 122322
may, with such approval, exceed seventy-five per cent, but shall 122323
not exceed one hundred per cent. Not later than forty-five 122324
business days prior to adopting a resolution under this section 122325
declaring improvements to be a public purpose that is subject to 122326
approval by a board of education under this division, the board of 122327
township trustees shall deliver to the board of education a notice 122328
stating its intent to adopt a resolution making that declaration. 122329
The notice regarding improvements with respect to a parcel under 122330
division (B) of this section shall identify the parcels for which 122331
improvements are to be exempted from taxation, provide an estimate 122332
of the true value in money of the improvements, specify the period 122333
for which the improvements would be exempted from taxation and the 122334
percentage of the improvements that would be exempted, and 122335
indicate the date on which the board of township trustees intends 122336
to adopt the resolution. The notice regarding improvements made 122337
under division (C) of this section to parcels within an incentive 122338
district shall delineate the boundaries of the district, 122339
specifically identify each parcel within the district, identify 122340

each anticipated improvement in the district, provide an estimate 122341
of the true value in money of each such improvement, specify the 122342
life of the district and the percentage of improvements that would 122343
be exempted, and indicate the date on which the board of township 122344
trustees intends to adopt the resolution. The board of education, 122345
by resolution adopted by a majority of the board, may approve the 122346
exemption for the period or for the exemption percentage specified 122347
in the notice; may disapprove the exemption for the number of 122348
years in excess of ten, may disapprove the exemption for the 122349
percentage of the improvements to be exempted in excess of 122350
seventy-five per cent, or both; or may approve the exemption on 122351
the condition that the board of township trustees and the board of 122352
education negotiate an agreement providing for compensation to the 122353
school district equal in value to a percentage of the amount of 122354
taxes exempted in the eleventh and subsequent years of the 122355
exemption period or, in the case of exemption percentages in 122356
excess of seventy-five per cent, compensation equal in value to a 122357
percentage of the taxes that would be payable on the portion of 122358
the improvements in excess of seventy-five per cent were that 122359
portion to be subject to taxation, or other mutually agreeable 122360
compensation. 122361

The board of education shall certify its resolution to the 122362
board of township trustees not later than fourteen days prior to 122363
the date the board of township trustees intends to adopt the 122364
resolution as indicated in the notice. If the board of education 122365
and the board of township trustees negotiate a mutually acceptable 122366
compensation agreement, the resolution may declare the 122367
improvements a public purpose for the number of years specified in 122368
the resolution or, in the case of exemption percentages in excess 122369
of seventy-five per cent, for the exemption percentage specified 122370
in the resolution. In either case, if the board of education and 122371
the board of township trustees fail to negotiate a mutually 122372
acceptable compensation agreement, the resolution may declare the 122373

improvements a public purpose for not more than ten years, and 122374
shall not exempt more than seventy-five per cent of the 122375
improvements from taxation. If the board of education fails to 122376
certify a resolution to the board of township trustees within the 122377
time prescribed by this section, the board of township trustees 122378
thereupon may adopt the resolution and may declare the 122379
improvements a public purpose for up to thirty years or, in the 122380
case of exemption percentages proposed in excess of seventy-five 122381
per cent, for the exemption percentage specified in the 122382
resolution. The board of township trustees may adopt the 122383
resolution at any time after the board of education certifies its 122384
resolution approving the exemption to the board of township 122385
trustees, or, if the board of education approves the exemption on 122386
the condition that a mutually acceptable compensation agreement be 122387
negotiated, at any time after the compensation agreement is agreed 122388
to by the board of education and the board of township trustees. 122389

If a board of education has adopted a resolution waiving its 122390
right to approve exemptions from taxation under this section and 122391
the resolution remains in effect, approval of such exemptions by 122392
the board of education is not required under division (D) of this 122393
section. If a board of education has adopted a resolution allowing 122394
a board of township trustees to deliver the notice required under 122395
division (D) of this section fewer than forty-five business days 122396
prior to adoption of the resolution by the board of township 122397
trustees, the board of township trustees shall deliver the notice 122398
to the board of education not later than the number of days prior 122399
to the adoption as prescribed by the board of education in its 122400
resolution. If a board of education adopts a resolution waiving 122401
its right to approve exemptions or shortening the notification 122402
period, the board of education shall certify a copy of the 122403
resolution to the board of township trustees. If the board of 122404
education rescinds the resolution, it shall certify notice of the 122405
rescission to the board of township trustees. 122406

If the board of township trustees is not required by division 122407
(D) of this section to notify the board of education of the board 122408
of township trustees' intent to declare improvements to be a 122409
public purpose, the board of township trustees shall comply with 122410
the notice requirements imposed under section 5709.83 of the 122411
Revised Code before taking formal action to adopt the resolution 122412
making that declaration, unless the board of education has adopted 122413
a resolution under that section waiving its right to receive the 122414
notice. 122415

(E)(1) If a proposed resolution under division (C)(1) of this 122416
section exempts improvements with respect to a parcel within an 122417
incentive district for more than ten years, or the percentage of 122418
the improvement exempted from taxation exceeds seventy-five per 122419
cent, not later than forty-five business days prior to adopting 122420
the resolution the board of township trustees shall deliver to the 122421
board of county commissioners of the county within which the 122422
incentive district is or will be located a notice that states its 122423
intent to adopt a resolution creating an incentive district. The 122424
notice shall include a copy of the proposed resolution, identify 122425
the parcels for which improvements are to be exempted from 122426
taxation, provide an estimate of the true value in money of the 122427
improvements, specify the period of time for which the 122428
improvements would be exempted from taxation, specify the 122429
percentage of the improvements that would be exempted from 122430
taxation, and indicate the date on which the board of township 122431
trustees intends to adopt the resolution. 122432

(2) The board of county commissioners, by resolution adopted 122433
by a majority of the board, may object to the exemption for the 122434
number of years in excess of ten, may object to the exemption for 122435
the percentage of the improvement to be exempted in excess of 122436
seventy-five per cent, or both. If the board of county 122437
commissioners objects, the board may negotiate a mutually 122438

acceptable compensation agreement with the board of township 122439
trustees. In no case shall the compensation provided to the board 122440
of county commissioners exceed the property taxes foregone due to 122441
the exemption. If the board of county commissioners objects, and 122442
the board of county commissioners and board of township trustees 122443
fail to negotiate a mutually acceptable compensation agreement, 122444
the resolution adopted under division (C)(1) of this section shall 122445
provide to the board of county commissioners compensation in the 122446
eleventh and subsequent years of the exemption period equal in 122447
value to not more than fifty per cent of the taxes that would be 122448
payable to the county or, if the board of county commissioner's 122449
objection includes an objection to an exemption percentage in 122450
excess of seventy-five per cent, compensation equal in value to 122451
not more than fifty per cent of the taxes that would be payable to 122452
the county, on the portion of the improvement in excess of 122453
seventy-five per cent, were that portion to be subject to 122454
taxation. The board of county commissioners shall certify its 122455
resolution to the board of township trustees not later than thirty 122456
days after receipt of the notice. 122457

(3) If the board of county commissioners does not object or 122458
fails to certify its resolution objecting to an exemption within 122459
thirty days after receipt of the notice, the board of township 122460
trustees may adopt its resolution, and no compensation shall be 122461
provided to the board of county commissioners. If the board of 122462
county commissioners timely certifies its resolution objecting to 122463
the trustees' resolution, the board of township trustees may adopt 122464
its resolution at any time after a mutually acceptable 122465
compensation agreement is agreed to by the board of county 122466
commissioners and the board of township trustees, or, if no 122467
compensation agreement is negotiated, at any time after the board 122468
of township trustees agrees in the proposed resolution to provide 122469
compensation to the board of county commissioners of fifty per 122470
cent of the taxes that would be payable to the county in the 122471

eleventh and subsequent years of the exemption period or on the 122472

(F) Service payments in lieu of taxes that are attributable 122475
to any amount by which the effective tax rate of either a renewal 122476

taxing authority as required under division (C) of section 5709.74 122484
of the Revised Code in an amount equal to the amount of taxes from 122485
that additional levy or from the increase in the effective tax 122486
rate of such renewal or replacement levy that would have been 122487
payable to that taxing authority from the following levies were it 122488
not for the exemption authorized under division (C) of this 122489
section: 122490

(1) A tax levied under division (L) of section 5705.19 or 122491

(G) An exemption from taxation granted under this section commences with the tax year specified in the resolution so long as the year specified in the resolution commences after the effective date of the resolution. If the resolution specifies a year commencing before the effective date of the resolution or specifies no year whatsoever, the exemption commences with the tax	122527 122528 122529 122530 122531 122532

year in which an exempted improvement first appears on the tax list and duplicate of real and public utility property and that commences after the effective date of the resolution. Except as otherwise provided in this division, the exemption ends on the date specified in the resolution as the date the improvement ceases to be a public purpose or the incentive district expires, or ends on the date on which the public infrastructure improvements and housing renovations are paid in full from the township public improvement tax increment equivalent fund established under section 5709.75 of the Revised Code, whichever occurs first. The exemption of an improvement with respect to a parcel or within an incentive district may end on a later date, as specified in the resolution, if the board of township trustees and the board of education of the city, local, ~~or~~ exempted village, and joint vocational school district within which the parcel or district is located have entered into a compensation agreement under section 5709.82 of the Revised Code with respect to the improvement and the board of education has approved the term of the exemption under division (D) of this section, but in no case shall the improvement be exempted from taxation for more than thirty years. The board of township trustees may, by majority vote, adopt a resolution permitting the township to enter into such agreements as the board finds necessary or appropriate to provide for the construction or undertaking of public infrastructure improvements and housing renovations. Any exemption shall be claimed and allowed in the same or a similar manner as in the case of other real property exemptions. If an exemption status changes during a tax year, the procedure for the apportionment of the taxes for that year is the same as in the case of other changes in tax exemption status during the year.

(H) The board of township trustees may issue the notes of the township to finance all costs pertaining to the construction or undertaking of public infrastructure improvements and housing

renovations made pursuant to this section. The notes shall be 122566
signed by the board and attested by the signature of the township 122567
fiscal officer, shall bear interest not to exceed the rate 122568
provided in section 9.95 of the Revised Code, and are not subject 122569
to Chapter 133. of the Revised Code. The resolution authorizing 122570
the issuance of the notes shall pledge the funds of the township 122571
public improvement tax increment equivalent fund established 122572
pursuant to section 5709.75 of the Revised Code to pay the 122573
interest on and principal of the notes. The notes, which may 122574
contain a clause permitting prepayment at the option of the board, 122575
shall be offered for sale on the open market or given to the 122576
vendor or contractor if no sale is made. 122577

(I) The township, not later than fifteen days after the 122578
adoption of a resolution under this section, shall submit to the 122579
director of development a copy of the resolution. On or before the 122580
thirty-first day of March of each year, the township shall submit 122581
a status report to the director of development. The report shall 122582
indicate, in the manner prescribed by the director, the progress 122583
of the project during each year that the exemption remains in 122584
effect, including a summary of the receipts from service payments 122585
in lieu of taxes; expenditures of money from the fund created 122586
under section 5709.75 of the Revised Code; a description of the 122587
public infrastructure improvements and housing renovations 122588
financed with the expenditures; and a quantitative summary of 122589
changes in private investment resulting from each project. 122590

(J) Nothing in this section shall be construed to prohibit a 122591
board of township trustees from declaring to be a public purpose 122592
improvements with respect to more than one parcel. 122593

(K) A board of township trustees that adopted a resolution 122594
under this section prior to July 21, 1994, may amend that 122595
resolution to include any additional public infrastructure 122596
improvement. A board of township trustees that seeks by the 122597

amendment to utilize money from its township public improvement 122598
tax increment equivalent fund for land acquisition in aid of 122599
industry, commerce, distribution, or research, demolition on 122600
private property, or stormwater and flood remediation projects may 122601
do so provided that the board currently is a party to a 122602
hold-harmless agreement with the board of education of ~~the~~ each 122603
city, local, ~~or~~ exempted village, and joint vocational school 122604
district within the territory of which are located the parcels 122605
that are subject to an exemption. For the purposes of this 122606
division, a "hold-harmless agreement" means an agreement under 122607
which the board of township trustees agrees to compensate the 122608
school district for one hundred per cent of the tax revenue that 122609
the school district would have received from further improvements 122610
to parcels designated in the resolution were it not for the 122611
exemption granted by the resolution. 122612

Sec. 5709.78. (A) A board of county commissioners may, by 122613
resolution, declare improvements to certain parcels of real 122614
property located in the unincorporated territory of the county to 122615
be a public purpose. Except with the approval under division (C) 122616
of this section of the board of education of each city, local, ~~or~~ 122617
exempted village, and joint vocational school district within 122618
which the improvements are located, not more than seventy-five per 122619
cent of an improvement thus declared to be a public purpose may be 122620
exempted from real property taxation, for a period of not more 122621
than ten years. The resolution shall specify the percentage of the 122622
improvement to be exempted and the life of the exemption. 122623

A resolution adopted under this division shall designate the 122624
specific public infrastructure improvements made, to be made, or 122625
in the process of being made by the county that directly benefit, 122626
or that once made will directly benefit, the parcels for which 122627
improvements are declared to be a public purpose. The service 122628
payments provided for in section 5709.79 of the Revised Code shall 122629

be used to finance the public infrastructure improvements 122630
designated in the resolution, or as provided in section 5709.80 of 122631
the Revised Code. 122632

(B)(1) A board of county commissioners may adopt a resolution 122633
creating an incentive district and declaring improvements to 122634
parcels within the district to be a public purpose and, except as 122635
provided in division (E) of this section, exempt from taxation as 122636
provided in this section, but no board of county commissioners of 122637
a county that has a population that exceeds twenty-five thousand, 122638
as shown by the most recent federal decennial census, shall adopt 122639
a resolution that creates an incentive district if the sum of the 122640
taxable value of real property in the proposed district for the 122641
preceding tax year and the taxable value of all real property in 122642
the county that would have been taxable in the preceding year were 122643
it not for the fact that the property was in an existing incentive 122644
district and therefore exempt from taxation exceeds twenty-five 122645
per cent of the taxable value of real property in the county for 122646
the preceding tax year. The district shall be located within the 122647
unincorporated territory of the county and shall not include any 122648
territory that is included within a district created under 122649
division (C) of section 5709.73 of the Revised Code. The 122650
resolution shall delineate the boundary of the district and 122651
specifically identify each parcel within the district. A district 122652
may not include any parcel that is or has been exempted from 122653
taxation under division (A) of this section or that is or has been 122654
within another district created under this division. A resolution 122655
may create more than one such district, and more than one 122656
resolution may be adopted under division (B)(1) of this section. 122657

(2) Not later than thirty days prior to adopting a resolution 122658
under division (B)(1) of this section, if the county intends to 122659
apply for exemptions from taxation under section 5709.911 of the 122660
Revised Code on behalf of owners of real property located within 122661

the proposed incentive district, the board of county commissioners 122662
shall conduct a public hearing on the proposed resolution. Not 122663
later than thirty days prior to the public hearing, the board 122664
shall give notice of the public hearing and the proposed 122665
resolution by first class mail to every real property owner whose 122666
property is located within the boundaries of the proposed 122667
incentive district that is the subject of the proposed resolution. 122668
The board also shall provide the notice by first class mail to the 122669
clerk of each township in which the proposed incentive district 122670
will be located. 122671

(3)(a) A resolution adopted under division (B)(1) of this 122672
section shall specify the life of the incentive district and the 122673
percentage of the improvements to be exempted, shall designate the 122674
public infrastructure improvements made, to be made, or in the 122675
process of being made, that benefit or serve, or, once made, will 122676
benefit or serve parcels in the district. The resolution also 122677
shall identify one or more specific projects being, or to be, 122678
undertaken in the district that place additional demand on the 122679
public infrastructure improvements designated in the resolution. 122680
The project identified may, but need not be, the project under 122681
division (B)(3)(b) of this section that places real property in 122682
use for commercial or industrial purposes. 122683

A resolution adopted under division (B)(1) of this section on 122684
or after ~~the effective date of this amendment~~ March 30, 2006, 122685
shall not designate police or fire equipment as public 122686
infrastructure improvements, and no service payment provided for 122687
in section 5709.79 of the Revised Code and received by the county 122688
under the resolution shall be used for police or fire equipment. 122689

(b) A resolution adopted under division (B)(1) of this 122690
section may authorize the use of service payments provided for in 122691
section 5709.79 of the Revised Code for the purpose of housing 122692
renovations within the incentive district, provided that the 122693

resolution also designates public infrastructure improvements that 122694
benefit or serve the district, and that a project within the 122695
district places real property in use for commercial or industrial 122696
purposes. Service payments may be used to finance or support 122697
loans, deferred loans, and grants to persons for the purpose of 122698
housing renovations within the district. The resolution shall 122699
designate the parcels within the district that are eligible for 122700
housing renovations. The resolution shall state separately the 122701
amount or the percentages of the expected aggregate service 122702
payments that are designated for each public infrastructure 122703
improvement and for the purpose of housing renovations. 122704

(4) Except with the approval of the board of education of 122705
each city, local, ~~or~~ exempted village, and joint vocational school 122706
district within the territory of which the incentive district is 122707
or will be located, and subject to division (D) of this section, 122708
the life of an incentive district shall not exceed ten years, and 122709
the percentage of improvements to be exempted shall not exceed 122710
seventy-five per cent. With approval of the board of education, 122711
the life of a district may be not more than thirty years, and the 122712
percentage of improvements to be exempted may be not more than one 122713
hundred per cent. The approval of a board of education shall be 122714
obtained in the manner provided in division (C) of this section. 122715

(C)(1) Improvements with respect to a parcel may be exempted 122716
from taxation under division (A) of this section, and improvements 122717
to parcels within an incentive district may be exempted from 122718
taxation under division (B) of this section, for up to ten years 122719
or, with the approval of the board of education of ~~the~~ each city, 122720
local, ~~or~~ exempted village, and joint vocational school district 122721
within which the parcel or district is located, for up to thirty 122722
years. The percentage of the improvements exempted from taxation 122723
may, with such approval, exceed seventy-five per cent, but shall 122724
not exceed one hundred per cent. Not later than forty-five 122725

business days prior to adopting a resolution under this section 122726
declaring improvements to be a public purpose that is subject to 122727
the approval of a board of education under this division, the 122728
board of county commissioners shall deliver to the board of 122729
education a notice stating its intent to adopt a resolution making 122730
that declaration. The notice regarding improvements with respect 122731
to a parcel under division (A) of this section shall identify the 122732
parcels for which improvements are to be exempted from taxation, 122733
provide an estimate of the true value in money of the 122734
improvements, specify the period for which the improvements would 122735
be exempted from taxation and the percentage of the improvements 122736
that would be exempted, and indicate the date on which the board 122737
of county commissioners intends to adopt the resolution. The 122738
notice regarding improvements to parcels within an incentive 122739
district under division (B) of this section shall delineate the 122740
boundaries of the district, specifically identify each parcel 122741
within the district, identify each anticipated improvement in the 122742
district, provide an estimate of the true value in money of each 122743
such improvement, specify the life of the district and the 122744
percentage of improvements that would be exempted, and indicate 122745
the date on which the board of county commissioners intends to 122746
adopt the resolution. The board of education, by resolution 122747
adopted by a majority of the board, may approve the exemption for 122748
the period or for the exemption percentage specified in the 122749
notice; may disapprove the exemption for the number of years in 122750
excess of ten, may disapprove the exemption for the percentage of 122751
the improvements to be exempted in excess of seventy-five per 122752
cent, or both; or may approve the exemption on the condition that 122753
the board of county commissioners and the board of education 122754
negotiate an agreement providing for compensation to the school 122755
district equal in value to a percentage of the amount of taxes 122756
exempted in the eleventh and subsequent years of the exemption 122757
period or, in the case of exemption percentages in excess of 122758

seventy-five per cent, compensation equal in value to a percentage 122759
of the taxes that would be payable on the portion of the 122760
improvements in excess of seventy-five per cent were that portion 122761
to be subject to taxation, or other mutually agreeable 122762
compensation. 122763

(2) The board of education shall certify its resolution to 122764
the board of county commissioners not later than fourteen days 122765
prior to the date the board of county commissioners intends to 122766
adopt its resolution as indicated in the notice. If the board of 122767
education and the board of county commissioners negotiate a 122768
mutually acceptable compensation agreement, the resolution of the 122769
board of county commissioners may declare the improvements a 122770
public purpose for the number of years specified in that 122771
resolution or, in the case of exemption percentages in excess of 122772
seventy-five per cent, for the exemption percentage specified in 122773
the resolution. In either case, if the board of education and the 122774
board of county commissioners fail to negotiate a mutually 122775
acceptable compensation agreement, the resolution may declare the 122776
improvements a public purpose for not more than ten years, and 122777
shall not exempt more than seventy-five per cent of the 122778
improvements from taxation. If the board of education fails to 122779
certify a resolution to the board of county commissioners within 122780
the time prescribed by this section, the board of county 122781
commissioners thereupon may adopt the resolution and may declare 122782
the improvements a public purpose for up to thirty years or, in 122783
the case of exemption percentages proposed in excess of 122784
seventy-five per cent, for the exemption percentage specified in 122785
the resolution. The board of county commissioners may adopt the 122786
resolution at any time after the board of education certifies its 122787
resolution approving the exemption to the board of county 122788
commissioners, or, if the board of education approves the 122789
exemption on the condition that a mutually acceptable compensation 122790
agreement be negotiated, at any time after the compensation 122791

agreement is agreed to by the board of education and the board of county commissioners. 122792
122793

(3) If a board of education has adopted a resolution waiving its right to approve exemptions from taxation under this section and the resolution remains in effect, approval of such exemptions by the board of education is not required under division (C) of this section. If a board of education has adopted a resolution allowing a board of county commissioners to deliver the notice required under division (C) of this section fewer than forty-five business days prior to approval of the resolution by the board of county commissioners, the board of county commissioners shall deliver the notice to the board of education not later than the number of days prior to such approval as prescribed by the board of education in its resolution. If a board of education adopts a resolution waiving its right to approve exemptions or shortening the notification period, the board of education shall certify a copy of the resolution to the board of county commissioners. If the board of education rescinds such a resolution, it shall certify notice of the rescission to the board of county commissioners. 122794

(D)(1) If a proposed resolution under division (B)(1) of this section exempts improvements with respect to a parcel within an incentive district for more than ten years, or the percentage of the improvement exempted from taxation exceeds seventy-five per cent, not later than forty-five business days prior to adopting the resolution the board of county commissioners shall deliver to the board of township trustees of any township within which the incentive district is or will be located a notice that states its intent to adopt a resolution creating an incentive district. improvements would be exempted from taxation, specify the 122825
percentage of the improvements that would be exempted from 122826
taxation, and indicate the date on which the board intends to 122827
adopt the resolution. 122828

(2) The board of township trustees, by resolution adopted by 122829
a majority of the board, may object to the exemption for the 122830
number of years in excess of ten, may object to the exemption for 122831
the percentage of the improvement to be exempted in excess of 122832
seventy-five per cent, or both. If the board of township trustees 122833
objects, the board of township trustees may negotiate a mutually 122834
acceptable compensation agreement with the board of county 122835
commissioners. In no case shall the compensation provided to the 122836
board of township trustees exceed the property taxes ~~foregone~~ 122837
forgone due to the exemption. If the board of township trustees 122838
objects, and the board of township trustees and the board of 122839
county commissioners fail to negotiate a mutually acceptable 122840
compensation agreement, the resolution adopted under division 122841
(B)(1) of this section shall provide to the board of township 122842
trustees compensation in the eleventh and subsequent years of the 122843
exemption period equal in value to not more than fifty per cent of 122844
the taxes that would be payable to the township or, if the board 122845
of township trustee's objection includes an objection to an 122846
exemption percentage in excess of seventy-five per cent, 122847
compensation equal in value to not more than fifty per cent of the 122848
taxes that would be payable to the township on the portion of the 122849
improvement in excess of seventy-five per cent, were that portion 122850
to be subject to taxation. The board of township trustees shall 122851
certify its resolution to the board of county commissioners not 122852
later than thirty days after receipt of the notice. 122853

(3) If the board of township trustees does not object or 122854
fails to certify a resolution objecting to an exemption within 122855

thirty days after receipt of the notice, the board of county 122856
commissioners may adopt its resolution, and no compensation shall 122857
be provided to the board of township trustees. If the board of 122858
township trustees certifies its resolution objecting to the 122859
commissioners' resolution, the board of county commissioners may 122860
adopt its resolution at any time after a mutually acceptable 122861
compensation agreement is agreed to by the board of county 122862
commissioners and the board of township trustees. If the board of 122863
township trustees certifies a resolution objecting to the 122864
commissioners' resolution, the board of county commissioners may 122865
adopt its resolution at any time after a mutually acceptable 122866
compensation agreement is agreed to by the board of county 122867
commissioners and the board of township trustees, or, if no 122868
compensation agreement is negotiated, at any time after the board 122869
of county commissioners in the proposed resolution to provide 122870
compensation to the board of township trustees of fifty per cent 122871
of the taxes that would be payable to the township in the eleventh 122872
and subsequent years of the exemption period or on the portion of 122873
the improvement in excess of seventy-five per cent, were that 122874
portion to be subject to taxation. 122875

of the Revised Code in an amount equal to the amount of taxes from 122886
that additional levy or from the increase in the effective tax 122887

section: 122891

(1) A tax levied under division (L) of section 5705.19 or 122892

(12) A tax levied under section 3709.29 of the Revised Code 122926

(F) An exemption from taxation granted under this section 122928

the year specified in the resolution commences after the effective 122930
date of the resolution. If the resolution specifies a year 122931
commencing before the effective date of the resolution or 122932
specifies no year whatsoever, the exemption commences with the tax 122933
year in which an exempted improvement first appears on the tax 122934
list and duplicate of real and public utility property and that 122935
commences after the effective date of the resolution. Except as 122936
otherwise provided in this division, the exemption ends on the 122937

if the board of commissioners and the board of education of ~~the~~ 122945
each city, local, ~~or~~ exempted village, and joint vocational school 122946
district within which the parcel or district is located have 122947
entered into a compensation agreement under section 5709.82 of the 122948
Revised Code with respect to the improvement, and the board of 122949
education has approved the term of the exemption under division 122950

(C)(1) of this section, but in no case shall the improvement be 122951
exempted from taxation for more than thirty years. Exemptions 122952
shall be claimed and allowed in the same or a similar manner as in 122953
the case of other real property exemptions. If an exemption status 122954
changes during a tax year, the procedure for the apportionment of 122955
the taxes for that year is the same as in the case of other 122956
changes in tax exemption status during the year. 122957

(G) If the board of county commissioners is not required by 122958
this section to notify the board of education of the board of 122959
county commissioners' intent to declare improvements to be a 122960
public purpose, the board of county commissioners shall comply 122961
with the notice requirements imposed under section 5709.83 of the 122962
Revised Code before taking formal action to adopt the resolution 122963
making that declaration, unless the board of education has adopted 122964
a resolution under that section waiving its right to receive such 122965
a notice. 122966

(H) The county, not later than fifteen days after the 122967
adoption of a resolution under this section, shall submit to the 122968
director of development a copy of the resolution. On or before the 122969
thirty-first day of March of each year, the county shall submit a 122970
status report to the director of development. The report shall 122971
indicate, in the manner prescribed by the director, the progress 122972
of the project during each year that an exemption remains in 122973
effect, including a summary of the receipts from service payments 122974
in lieu of taxes; expenditures of money from the fund created 122975
under section 5709.80 of the Revised Code; a description of the 122976
public infrastructure improvements and housing renovations 122977
financed with such expenditures; and a quantitative summary of 122978
changes in employment and private investment resulting from each 122979
project. 122980

(I) Nothing in this section shall be construed to prohibit a 122981
board of county commissioners from declaring to be a public 122982

purpose improvements with respect to more than one parcel. 122983

Sec. 5713.01. (A) Each county shall be the unit for assessing 122984
real estate for taxation purposes. The county auditor shall be the 122985
assessor of all the real estate in the auditor's county for 122986
purposes of taxation, but this section does not affect the power 122987
conferred by Chapter 5727. of the Revised Code upon the tax 122988
commissioner regarding the valuation and assessment of real 122989
property used in railroad operations. 122990

(B) The auditor shall assess all the real estate situated in 122991
the county at its taxable value in accordance with sections 122992
5713.03, 5713.31, and 5715.01 of the Revised Code and with the 122993
rules and methods applicable to the auditor's county adopted, 122994
prescribed, and promulgated by the tax commissioner. The auditor 122995
shall view and appraise or cause to be viewed and appraised at its 122996
true value in money, each lot or parcel of real estate, including 122997
land devoted exclusively to agricultural use, and the improvements 122998
located thereon at least once in each six-year period and the 122999
taxable values required to be derived therefrom shall be placed on 123000
the auditor's tax list and the county treasurer's duplicate for 123001
the tax year ordered by the commissioner pursuant to section 123002
5715.34 of the Revised Code. The commissioner may grant an 123003
extension of one year or less if the commissioner finds that good 123004
cause exists for the extension. When the auditor so views and 123005
appraises, the auditor may enter each structure located thereon to 123006
determine by actual view what improvements have been made therein 123007
or additions made thereto since the next preceding valuation. The 123008
auditor shall revalue and assess at any time all or any part of 123009
the real estate in such county, including land devoted exclusively 123010
to agricultural use, where the auditor finds that the true or 123011
taxable values thereof have changed, and when a conservation 123012
easement is created under sections 5301.67 to 5301.70 of the 123013
Revised Code. The auditor may increase or decrease the true or 123014

taxable value of any lot or parcel of real estate in any township, 123015
municipal corporation, or other taxing district by an amount which 123016
will cause all real property on the tax list to be valued as 123017
required by law, or the auditor may increase or decrease the 123018
aggregate value of all real property, or any class of real 123019
property, in the county, township, municipal corporation, or other 123020
taxing district, or in any ward or other division of a municipal 123021
corporation by a per cent or amount which will cause all property 123022
to be properly valued and assessed for taxation in accordance with 123023
Section 36, Article II, Section 2, Article XII, Ohio Constitution, 123024
this section, and sections 5713.03, 5713.31, and 5715.01 of the 123025
Revised Code. 123026

(C) When the auditor determines to reappraise all the real 123027
estate in the county or any class thereof, when the tax 123028
commissioner orders an increase in the aggregate true or taxable 123029
value of the real estate in any taxing subdivision, or when the 123030
taxable value of real estate is increased by the application of a 123031
uniform taxable value per cent of true value pursuant to the order 123032
of the commissioner, the auditor shall advertise the completion of 123033
the reappraisal or equalization action in a newspaper of general 123034
circulation in the county once a week for the three consecutive 123035
weeks next preceding the issuance of the tax bills, or as provided 123036
in section 7.16 of the Revised Code for the two consecutive weeks 123037
next preceding the issuance of the tax bills. When the auditor 123038
changes the true or taxable value of any individual parcels of 123039
real estate, the auditor shall notify the owner of the real 123040
estate, or the person in whose name the same stands charged on the 123041
duplicate, by mail or in person, of the changes the auditor has 123042
made in the assessments of such property. Such notice shall be 123043
given at least thirty days prior to the issuance of the tax bills. 123044
Failure to receive notice shall not invalidate any proceeding 123045
under this section. 123046

(D) The auditor shall make the necessary abstracts from books 123047
of the auditor's office containing descriptions of real estate in 123048
such county, together with such platbooks and lists of transfers 123049
of title to land as the auditor deems necessary in the performance 123050
of the auditor's duties in valuing such property for taxation. 123051
Such abstracts, platbooks, and lists shall be in such form and 123052
detail as the tax commissioner prescribes. 123053

(E) The auditor, with the approval of the tax commissioner, 123054
may appoint and employ such experts, deputies, clerks, or other 123055
employees as the auditor deems necessary to the performance of the 123056
auditor's duties as assessor, or, with the approval of the tax 123057
commissioner, the auditor may enter into a contract with an 123058
individual, partnership, firm, company, or corporation to do all 123059
or any part of the work; the amount to be expended in the payment 123060
of the compensation of such employees shall be fixed by the board 123061
of county commissioners. If, in the opinion of the auditor, the 123062
board of county commissioners fails to provide a sufficient amount 123063
for the compensation of such employees, the auditor may apply to 123064
the tax commissioner for an additional allowance, and the 123065
additional amount of compensation allowed by the commissioner 123066
shall be certified to the board of county commissioners, and the 123067
same shall be final. The salaries and compensation of such 123068
experts, deputies, clerks, and employees shall be paid upon the 123069
warrant of the auditor out of the general fund or the real estate 123070
assessment fund of the county, or both. If the salaries and 123071
compensation are in whole or in part fixed by the commissioner, 123072
they shall constitute a charge against the county regardless of 123073
the amount of money in the county treasury levied or appropriated 123074
for such purposes. 123075

(F) Any contract for goods or services related to the 123076
auditor's duties as assessor, including contracts for mapping, 123077
computers, and reproduction on any medium of any documents, 123078

records, photographs, microfiche, or magnetic tapes, but not 123079
including contracts for the professional services of an appraiser, 123080
shall be awarded pursuant to the competitive bidding procedures 123081
set forth in sections 307.86 to 307.92 of the Revised Code and 123082
shall be paid for, upon the warrant of the auditor, from the real 123083
estate assessment fund. 123084

(G) Experts, deputies, clerks, and other employees, in 123085
addition to their other duties, shall perform such services as the 123086
auditor directs in ascertaining such facts, description, location, 123087
character, dimensions of buildings and improvements, and other 123088
circumstances reflecting upon the value of real estate as will aid 123089
the auditor in fixing its true and taxable value and, in the case 123090
of land valued in accordance with section 5713.31 of the Revised 123091
Code, its current agricultural use value. The auditor may also 123092
summon and examine any person under oath in respect to any matter 123093
pertaining to the value of any real property within the county. 123094

Sec. 5715.17. When the county board of revision has completed 123095
its work of equalization and transmitted the returns to ~~him~~ the 123096
county auditor, the ~~county~~ auditor shall give notice by 123097
advertising in ~~two newspapers of opposite politics published in~~ 123098

in ~~his~~ the auditor's office, and that complaints against any 123102
valuation or assessment, except the valuations fixed and 123103
assessments made by the department of taxation, will be heard by 123104
the board, stating in the notice the time and place of the meeting 123105
of such board. Such advertisement shall be inserted in a 123106
conspicuous place in ~~each~~ such newspaper and be published daily 123107
for ten days, ~~unless there is no daily newspaper published in and~~ 123108
~~of general circulation throughout such county, in which event such~~ 123109
~~advertisement shall be so published once each week for two weeks~~ 123110

or as provided in section 7.16 of the Revised Code. 123111

The auditor shall, upon request, furnish to any person a 123112
certificate setting forth the assessment and valuation of any 123113
tract, lot, or parcel of real estate or any specific personal 123114
property, and mail the same when requested to do so upon receipt 123115
of sufficient postage. 123116

The auditor shall furnish notice to boards of education of 123117
school districts within the county of all hearings, and the 123118
results of such hearings, held in regard to the reduction or 123119
increasing of tax valuations in excess of one hundred thousand 123120
dollars directly affecting the revenue of such district. 123121

Sec. 5715.23. Annually, immediately after the county board of 123122
revision has acted upon the assessments for the current year as 123123
required under section 5715.16 of the Revised Code and the county 123124
auditor has given notice by advertisement in ~~two newspapers a~~ 123125
newspaper of general circulation in the county that the valuations 123126
have been revised and are open for public inspection as provided 123127
in section 5715.17 of the Revised Code, each auditor shall make 123128
out and transmit to the tax commissioner an abstract of the real 123129
property of each taxing district in ~~his~~ the auditor's county, in 123130
which ~~he~~ the auditor shall set forth the aggregate amount and 123131
valuation of each class of real property in such county and in 123132
each taxing district therein as it appears on ~~his~~ the auditor's 123133
tax list or the statements and returns on file in ~~his~~ the 123134
auditor's office and an abstract of the current year's true value 123135
of land valued for such year under section 5713.31 of the Revised 123136
Code as it appears in the current year's agricultural land tax 123137
list. 123138

Sec. 5715.26. (A)(1) Upon receiving the statement required by 123139
section 5715.25 of the Revised Code, the county auditor shall 123140

forthwith add to or deduct from each tract, lot, or parcel of real 123141
property or class of real property the required percentage or 123142
amount of the valuation thereof, adding or deducting any sum less 123143
than five dollars so that the value of any separate tract, lot, or 123144
parcel of real property shall be ten dollars or some multiple 123145
thereof. 123146

(2) After making the additions or deductions required by this 123147
section, the auditor shall transmit to the tax commissioner the 123148
appropriate adjusted abstract of the real property of each taxing 123149
district in the auditor's county in which an adjustment was 123150
required. 123151

(3) If the commissioner increases or decreases the aggregate 123152
value of the real property or any class thereof in any county or 123153
taxing district thereof and does not receive within ninety days 123154
thereafter an adjusted abstract conforming to its statement for 123155
such county or taxing district therein, the commissioner shall 123156
withhold from such county or taxing district therein fifty per 123157
cent of its share in the distribution of state revenues to local 123158
governments pursuant to sections 5747.50 to 5747.55 of the Revised 123159
Code and shall direct the department of education to withhold 123160
therefrom fifty per cent of state revenues to school districts 123161
pursuant to ~~Chapters 3306.~~ and Chapter 3317. of the Revised Code. 123162
The commissioner shall withhold the distribution of such funds 123163
until such county auditor has complied with this division, and the 123164
department shall withhold the distribution of such funds until the 123165
commissioner has notified the department that such county auditor 123166
has complied with this division. 123167

(B)(1) If the commissioner's determination is appealed under 123168
section 5715.251 of the Revised Code, the county auditor, 123169
treasurer, and all other officers shall forthwith proceed with the 123170
levy and collection of the current year's taxes in the manner 123171

(2) If as a result of the appeal to the board it is finally determined either that all real property and the various classes thereof have not been assessed as required by law or that the values set forth in the agricultural land tax list do not correctly reflect the true and agricultural use values of the lands contained therein, the county auditor shall forthwith add to or deduct from each tract, lot, or parcel of real property or class of real property the required percentage or amount of the valuation in accordance with the order of the board or judgment of the court to which the board's order was appealed, and the taxes on each tract, lot, or parcel and the percentages required by section 319.301 of the Revised Code shall be recomputed using the valuation as finally determined. The order or judgment making the final determination shall prescribe the time and manner for collecting, crediting, or refunding the resultant increases or decreases in taxes.

Sec. 5719.04. The county auditor shall also include in such list all taxes assessed by the tax commissioner pursuant to law which were not charged upon the tax lists and duplicates on which such settlements were made nor previously charged upon a delinquent tax

duplicates shall contain the name of the person charged and the 123208
amount of such taxes, and the penalty, due and unpaid, and shall 123209

The auditor shall cause a copy of the delinquent personal and 123218

division to be published twice within sixty days after delivery of 123220
such duplicate to the treasurer in a newspaper ~~published in the~~ 123221

cost of the second publication of the list shall not exceed 123226
three-fourths of the cost of the first publication of the list. 123227

Before such publication, the auditor shall cause a display 123228

and classified property tax list to be inserted once a week for 123230
two consecutive weeks in a newspaper ~~published in the English~~ 123231

publication of said list pays such taxes in full or enters into a 123247
delinquent tax contract to pay such taxes in installments pursuant 123248
to section 5719.05 of the Revised Code shall be stricken from such 123249
list, and the taxpayer's name shall not be included in the list 123250
for that publication. 123251

The other such duplicate, from which shall first be 123252
eliminated the names of persons whose total liability for taxes 123253
and penalty is less than one hundred dollars, shall be filed by 123254
the auditor on the first day of December, annually, in the office 123255
of the county recorder, and the same shall constitute a notice of 123256
lien and operate as of the date of delivery as a lien on the lands 123257
and tenements, vested legal interests therein, and permanent 123258
leasehold estates of each person named therein having such real 123259
estate in such county. Such notice of lien and such lien shall not 123260
be valid as against any mortgagee, pledgee, purchaser, or judgment 123261

as the personal tax lien record, and indexed under the name of the 123264
person charged with such tax. No fee shall be charged by the 123265

section all such taxes omitted in a previous year when assessed by 123268

the auditor or finally assessed by the tax commissioner pursuant 123269
to law, and by proper certificates cause the same to be added to 123270
the treasurer's delinquent tax duplicate provided for in this 123271
section, and, in proper cases, file notice of the lien with the 123272
recorder, as provided in this section. 123273

If the authority making any assessment believes that the 123274
collection of such taxes will be jeopardized by delay, such 123275
assessing authority shall so certify on the assessment certificate 123276
thereof, and the auditor shall include a certificate of such 123277
jeopardy in the certificate given by the auditor to the treasurer. 123278
In such event the treasurer shall proceed immediately to collect 123279
such taxes, and to enforce the collection thereof by any means 123280
provided by law, and the treasurer may not accept a tender of any 123281
part of such taxes; but the person or the representatives of the 123282
person against whom such assessment is made may, in the event of 123283
an appeal to the tax commissioner therefrom, obtain a stay of 123284
collection of the whole or any part of the amount of such 123285
assessment by filing with the treasurer a bond in an amount not 123286
exceeding double the amount as to which the stay is desired, with 123287
such surety as the treasurer deems necessary, conditioned upon the 123288
payment of the amount determined to be due by the decision of the 123289
commissioner which has become final, and further conditioned that 123290
if an appeal is not filed within the period provided by law, the 123291
amount of collection which is stayed by the bond will be paid on 123292
notice and demand of the treasurer at any time after the 123293
expiration of such period. The taxpayer may waive such stay as to 123294
the whole or any part of the amount covered by the bond, and if as 123295
the result of such waiver any part of the amount covered by the 123296
bond is paid, then the bond shall be proportionately reduced on 123297
the request of the taxpayer. 123298

(B) Immediately after each settlement required by division 123299
(D) of section 321.24 of the Revised Code the auditor shall make a 123300

separate list and duplicate, prepared as prescribed in division 123301
(A) of this section, of all general personal and classified 123302
property taxes that remain unpaid but are excepted from collection 123303
pursuant to section 5711.32 of the Revised Code. The duplicate of 123304
such list shall be delivered to the treasurer at the time of 123305
delivery of the delinquent personal and classified property tax 123306
duplicate. 123307

Sec. 5721.03. (A) At the time of making the delinquent land 123335
list, as provided in section 5721.011 of the Revised Code, the 123336
county auditor shall compile a delinquent tax list consisting of 123337
all lands on the delinquent land list on which taxes have become 123338
delinquent at the close of the collection period immediately 123339
preceding the making of the delinquent land list. The auditor 123340
shall also compile a delinquent vacant land tax list of all 123341

the Revised Code. 123346

The delinquent tax list, and the delinquent vacant land tax 123347
list if one is compiled, shall contain all of the information 123348
included on the delinquent land list, except that, if the 123349
auditor's records show that the name of the person in whose name 123350
the property currently is listed is not the name that appears on 123351
the delinquent land list, the name used in the delinquent tax list 123352
or the delinquent vacant land tax list shall be the name of the 123353
person the auditor's records show as the person in whose name the 123354
property currently is listed. 123355

Lands that have been included in a previously published 123356
delinquent tax list shall not be included in the delinquent tax 123357
list so long as taxes have remained delinquent on such lands for 123358
the entire intervening time. 123359

In either list, there may be included lands that have been 123360
omitted in error from a prior list and lands with respect to which 123361
the auditor has received a certification that a delinquent tax 123362

contract has become void since the publication of the last 123363
previously published list, provided the name of the owner was 123364
stricken from a prior list under section 5721.02 of the Revised 123365
Code. 123366

(B)(1) The auditor shall cause the delinquent tax list and 123367
the delinquent vacant land tax list, if one is compiled, to be 123368
published twice within sixty days after the delivery of the 123369
delinquent land duplicate to the county treasurer, in a newspaper 123370
of general circulation in the county. The newspaper shall meet the 123371
requirements of section 7.12 of the Revised Code. ~~The publication~~ 123372
~~shall be printed in the English language~~ auditor may publish the 123373
list or lists on a pre-printed insert in the newspaper. The cost 123374

three-fourths of the cost of the first publication of the list or 123376
lists. 123377

The auditor shall insert display notices of the forthcoming 123378
publication of the delinquent tax list and, if it is to be 123379
published, the delinquent vacant land tax list once a week for two 123380
consecutive weeks in a newspaper of general circulation in the 123381
county. The display notices shall contain the times and methods of 123382
payment of taxes provided by law, including information concerning 123383
installment payments made in accordance with a written delinquent 123384
tax contract. The display notice for the delinquent tax list also 123385
shall include a notice that an interest charge will accrue on 123386
accounts remaining unpaid after the last day of November unless 123387
the taxpayer enters into a written delinquent tax contract to pay 123388
such taxes in installments. The display notice for the delinquent 123389
vacant land tax list if it is to be published also shall include a 123390
notice that delinquent vacant lands in the list are lands on which 123391
taxes have remained unpaid for one year after being certified 123392
delinquent, and that they are subject to foreclosure proceedings 123393
as provided in section 323.25, sections 323.65 to 323.79, or 123394

section 5721.18 of the Revised Code, or foreclosure and forfeiture 123395
proceedings as provided in section 5721.14 of the Revised Code. 123396
Each display notice also shall state that the lands are subject to 123397
a tax certificate sale under section 5721.32 or 5721.33 of the 123398
Revised Code or assignment to a county land reutilization 123399
corporation, as the case may be, and shall include any other 123400
information that the auditor considers pertinent to the purpose of 123401
the notice. The display notices shall be furnished by the auditor 123402
to the ~~newspapers~~ newspaper selected to publish the lists at least 123403
ten days before their first publication. 123404

(2) Publication of the list or lists may be made by a 123405
newspaper in installments, provided the complete publication of 123406
each list is made twice during the sixty-day period. 123407

(3) There shall be attached to the delinquent tax list a 123408
notice that the delinquent lands will be certified for foreclosure 123409
by the auditor unless the taxes, assessments, interest, and 123410
penalties due and owing on them are paid. There shall be attached 123411
to the delinquent vacant land tax list, if it is to be published, 123412
a notice that delinquent vacant lands will be certified for 123413
foreclosure or foreclosure and forfeiture by the auditor unless 123414
the taxes, assessments, interest, and penalties due and owing on 123415
them are paid within twenty-eight days after the final publication 123416
of the notice. 123417

(4) The auditor shall review the first publication of each 123418
list for accuracy and completeness and may correct any errors 123419
appearing in the list in the second publication. 123420

(C) For the purposes of section 5721.18 of the Revised Code, 123421
land is first certified delinquent on the date of the 123422
certification of the delinquent land list containing that land. 123423

Sec. 5721.04. The proper and necessary expenses of publishing 123424
the delinquent tax lists, delinquent vacant land tax lists, and 123425

display notices provided for by sections 5719.04 and 5721.03 of 123426
the Revised Code shall be paid from the county treasury as county 123427
expenses are paid, and the board of county commissioners shall 123428
make provision for them in the annual budget of the county 123429
submitted to the budget commission, and shall make the necessary 123430
appropriations. If the board fails to make such appropriations, or 123431
if an appropriation is insufficient to meet such an expense, any 123432
person interested may apply to the court of common pleas of the 123433
county for an allowance to cover the expense, and the court shall 123434
issue an order instructing the county auditor to issue ~~his~~ a 123435
warrant upon the county treasurer for the amount necessary. The 123436
order by the court shall be final and shall be complied with 123437
immediately. 123438

The aggregate amount paid ~~shall for publication may be~~ 123439
apportioned by the county auditor among the taxing districts in 123440
which the lands on each list are located in proportion to the 123441
amount of delinquent taxes so advertised in such subdivision, or 123442
the county auditor may charge the property owner of land on a list 123443
a flat fee established under section 319.54 of the Revised Code 123444
for the cost of publishing the list and, if the fee is not paid, 123445
may place the fee upon the tax duplicate as a lien on the land, to 123446
be collected as other taxes. Thereafter, the auditor, in making 123447
~~his~~ the auditor's semiannual apportionment of funds, shall retain 123448
at each semiannual apportionment one half the amount apportioned 123449
to each such taxing district. The amounts retained shall be 123450
credited to the general fund of the county until the aggregate of 123451
all amounts paid in the first instance out of the treasury have 123452
been fully reimbursed. 123453

Sec. 5721.18. The county prosecuting attorney, upon the 123454
delivery to the prosecuting attorney by the county auditor of a 123455
delinquent land or delinquent vacant land tax certificate, or of a 123456
master list of delinquent or delinquent vacant tracts, shall 123457

institute a foreclosure proceeding under this section in the name 123458
of the county treasurer to foreclose the lien of the state, in any 123459
court with jurisdiction or in the county board of revision with 123460
jurisdiction pursuant to section 323.66 of the Revised Code, 123461
unless the taxes, assessments, charges, penalties, and interest 123462
are paid prior to the time a complaint is filed, or unless a 123463
foreclosure or foreclosure and forfeiture action has been or will 123464
be instituted under section 323.25, sections 323.65 to 323.79, or 123465
section 5721.14 of the Revised Code. If the delinquent land or 123466
delinquent vacant land tax certificate or the master list of 123467
delinquent or delinquent vacant tracts lists minerals or rights to 123468
minerals listed pursuant to sections 5713.04, 5713.05, and 5713.06 123469
of the Revised Code, the county prosecuting attorney may institute 123470
a foreclosure proceeding in the name of the county treasurer, in 123471
any court with jurisdiction, to foreclose the lien of the state 123472
against such minerals or rights to minerals, unless the taxes, 123473
assessments, charges, penalties, and interest are paid prior to 123474
the time the complaint is filed, or unless a foreclosure or 123475
foreclosure and forfeiture action has been or will be instituted 123476
under section 323.25, sections 323.65 to 323.79, or section 123477
5721.14 of the Revised Code. 123478

The prosecuting attorney shall prosecute the proceeding to 123479
final judgment and satisfaction. Within ten days after obtaining a 123480
judgment, the prosecuting attorney shall notify the treasurer in 123481
writing that judgment has been rendered. If there is a copy of a 123482
written delinquent tax contract attached to the certificate or an 123483
asterisk next to an entry on the master list, or if a copy of a 123484
delinquent tax contract is received from the auditor prior to the 123485
commencement of the proceeding under this section, the prosecuting 123486
attorney shall not institute the proceeding under this section, 123487
unless the prosecuting attorney receives a certification of the 123488
treasurer that the delinquent tax contract has become void. 123489

(A) This division applies to all foreclosure proceedings not 123490
instituted and prosecuted under section 323.25 of the Revised Code 123491
or division (B) or (C) of this section. The foreclosure 123492
proceedings shall be instituted and prosecuted in the same manner 123493
as is provided by law for the foreclosure of mortgages on land, 123494
except that, if service by publication is necessary, such 123495
publication shall be made once a week for three consecutive weeks 123496
instead of as provided by the Rules of Civil Procedure, and the 123497
service shall be complete at the expiration of three weeks after 123498
the date of the first publication. In any proceeding prosecuted 123499
under this section, if the prosecuting attorney determines that 123500
service upon a defendant may be obtained ultimately only by 123501
publication, the prosecuting attorney may cause service to be made 123502
simultaneously by certified mail, return receipt requested, 123503
ordinary mail, and publication. 123504

In any county that has adopted a permanent parcel number 123505
system, the parcel may be described in the notice by parcel number 123506
only, instead of also with a complete legal description, if the 123507
prosecuting attorney determines that the publication of the 123508
complete legal description is not necessary to provide reasonable 123509
notice of the foreclosure proceeding to the interested parties. If 123510
the complete legal description is not published, the notice shall 123511
indicate where the complete legal description may be obtained. 123512

It is sufficient, having been made a proper party to the 123513
foreclosure proceeding, for the treasurer to allege in the 123514
treasurer's complaint that the certificate or master list has been 123515
duly filed by the auditor, that the amount of money appearing to 123516
be due and unpaid is due and unpaid, and that there is a lien 123517
against the property described in the certificate or master list, 123518
without setting forth in the complaint any other or special matter 123519
relating to the foreclosure proceeding. The prayer of the 123520
complaint shall be that the court or the county board of revision 123521

with jurisdiction pursuant to section 323.66 of the Revised Code 123522
issue an order that the property be sold or conveyed by the 123523
sheriff or otherwise be disposed of, and the equity of redemption 123524
be extinguished, according to the alternative redemption 123525
procedures prescribed in sections 323.65 to 323.79 of the Revised 123526
Code, or if the action is in the municipal court by the bailiff, 123527
in the manner provided in section 5721.19 of the Revised Code. 123528

In the foreclosure proceeding, the treasurer may join in one 123529
action any number of lots or lands, but the decree shall be 123530
rendered separately, and any proceedings may be severed, in the 123531
discretion of the court or board of revision, for the purpose of 123532
trial or appeal, and the court or board of revision shall make 123533
such order for the payment of costs as is considered proper. The 123534
certificate or master list filed by the auditor with the 123535
prosecuting attorney is prima-facie evidence at the trial of the 123536
foreclosure action of the amount and validity of the taxes, 123537
assessments, charges, penalties, and interest appearing due and 123538
unpaid and of their nonpayment. 123539

(B) Foreclosure proceedings constituting an action in rem may 123540
be commenced by the filing of a complaint after the end of the 123541
second year from the date on which the delinquency was first 123542
certified by the auditor. Prior to filing such an action in rem, 123543
the prosecuting attorney shall cause a title search to be 123544
conducted for the purpose of identifying any lienholders or other 123545
persons with interests in the property subject to foreclosure. 123546
Following the title search, the action in rem shall be instituted 123547
by filing in the office of the clerk of a court with jurisdiction 123548
a complaint bearing a caption substantially in the form set forth 123549
in division (A) of section 5721.181 of the Revised Code. 123550

Any number of parcels may be joined in one action. Each 123551
separate parcel included in a complaint shall be given a serial 123552
number and shall be separately indexed and docketed by the clerk 123553

of the court in a book kept by the clerk for such purpose. A 123554
complaint shall contain the permanent parcel number of each parcel 123555
included in it, the full street address of the parcel when 123556
available, a description of the parcel as set forth in the 123557
certificate or master list, the name and address of the last known 123558
owner of the parcel if they appear on the general tax list, the 123559
name and address of each lienholder and other person with an 123560
interest in the parcel identified in the title search relating to 123561
the parcel that is required by this division, and the amount of 123562
taxes, assessments, charges, penalties, and interest due and 123563
unpaid with respect to the parcel. It is sufficient for the 123564
treasurer to allege in the complaint that the certificate or 123565
master list has been duly filed by the auditor with respect to 123566
each parcel listed, that the amount of money with respect to each 123567
parcel appearing to be due and unpaid is due and unpaid, and that 123568
there is a lien against each parcel, without setting forth any 123569
other or special matters. The prayer of the complaint shall be 123570
that the court issue an order that the land described in the 123571
complaint be sold in the manner provided in section 5721.19 of the 123572
Revised Code. 123573

(1) Within thirty days after the filing of a complaint, the 123574
clerk of the court in which the complaint was filed shall cause a 123575
notice of foreclosure substantially in the form of the notice set 123576
forth in division (B) of section 5721.181 of the Revised Code to 123577
be published once a week for three consecutive weeks in a 123578
newspaper of general circulation in the county. The newspaper 123579
shall meet the requirements of section 7.12 of the Revised Code. 123580
In any county that has adopted a permanent parcel number system, 123581
the parcel may be described in the notice by parcel number only, 123582
instead of also with a complete legal description, if the 123583
prosecuting attorney determines that the publication of the 123584
complete legal description is not necessary to provide reasonable 123585
notice of the foreclosure proceeding to the interested parties. If 123586

the complete legal description is not published, the notice shall 123587
indicate where the complete legal description may be obtained. 123588

After the third publication, the publisher shall file with 123589
the clerk of the court an affidavit stating the fact of the 123590
publication and including a copy of the notice of foreclosure as 123591
published. Service of process for purposes of the action in rem 123592
shall be considered as complete on the date of the last 123593
publication. 123594

Within thirty days after the filing of a complaint and before 123595
the final date of publication of the notice of foreclosure, the 123596
clerk of the court also shall cause a copy of a notice 123597
substantially in the form of the notice set forth in division (C) 123598
of section 5721.181 of the Revised Code to be mailed by certified 123599
mail, with postage prepaid, to each person named in the complaint 123600
as being the last known owner of a parcel included in it, or as 123601
being a lienholder or other person with an interest in a parcel 123602
included in it. The notice shall be sent to the address of each 123603
such person, as set forth in the complaint, and the clerk shall 123604
enter the fact of such mailing upon the appearance docket. If the 123605
name and address of the last known owner of a parcel included in a 123606
complaint is not set forth in it, the auditor shall file an 123607
affidavit with the clerk stating that the name and address of the 123608
last known owner does not appear on the general tax list. 123609

(2)(a) An answer may be filed in an action in rem under this 123610
division by any person owning or claiming any right, title, or 123611
interest in, or lien upon, any parcel described in the complaint. 123612
The answer shall contain the caption and number of the action and 123613
the serial number of the parcel concerned. The answer shall set 123614
forth the nature and amount of interest claimed in the parcel and 123615
any defense or objection to the foreclosure of the lien of the 123616
state for delinquent taxes, assessments, charges, penalties, and 123617
interest as shown in the complaint. The answer shall be filed in 123618

the office of the clerk of the court, and a copy of the answer 123619
shall be served on the prosecuting attorney, not later than 123620
twenty-eight days after the date of final publication of the 123621
notice of foreclosure. If an answer is not filed within such time, 123622
a default judgment may be taken as to any parcel included in a 123623
complaint as to which no answer has been filed. A default judgment 123624
is valid and effective with respect to all persons owning or 123625
claiming any right, title, or interest in, or lien upon, any such 123626
parcel, notwithstanding that one or more of such persons are 123627
minors, incompetents, absentees or nonresidents of the state, or 123628
convicts in confinement. 123629

(b)(i) A receiver appointed pursuant to divisions (C)(2) and 123630
(3) of section 3767.41 of the Revised Code may file an answer 123631
pursuant to division (B)(2)(a) of this section, but is not 123632
required to do so as a condition of receiving proceeds in a 123633
distribution under division (B)(1) of section 5721.17 of the 123634
Revised Code. 123635

(ii) When a receivership under section 3767.41 of the Revised 123636
Code is associated with a parcel, the notice of foreclosure set 123637
forth in division (B) of section 5721.181 of the Revised Code and 123638
the notice set forth in division (C) of that section shall be 123639
modified to reflect the provisions of division (B)(2)(b)(i) of 123640
this section. 123641

(3) At the trial of an action in rem under this division, the 123642
certificate or master list filed by the auditor with the 123643
prosecuting attorney shall be prima-facie evidence of the amount 123644
and validity of the taxes, assessments, charges, penalties, and 123645
interest appearing due and unpaid on the parcel to which the 123646
certificate or master list relates and their nonpayment. If an 123647
answer is properly filed, the court may, in its discretion, and 123648
shall, at the request of the person filing the answer, grant a 123649
severance of the proceedings as to any parcel described in such 123650

answer for purposes of trial or appeal. 123651

(C) In addition to the actions in rem authorized under 123652
division (B) of this section and section 5721.14 of the Revised 123653
Code, an action in rem may be commenced under this division. An 123654
action commenced under this division shall conform to all of the 123655
requirements of division (B) of this section except as follows: 123656

(1) The prosecuting attorney shall not cause a title search 123657
to be conducted for the purpose of identifying any lienholders or 123658
other persons with interests in the property subject to 123659
foreclosure, except that the prosecuting attorney shall cause a 123660
title search to be conducted to identify any receiver's lien. 123661

(2) The names and addresses of lienholders and persons with 123662
an interest in the parcel shall not be contained in the complaint, 123663
and notice shall not be mailed to lienholders and persons with an 123664
interest as provided in division (B)(1) of this section, except 123665
that the name and address of a receiver under section 3767.41 of 123666
the Revised Code shall be contained in the complaint and notice 123667
shall be mailed to the receiver. 123668

(3) With respect to the forms applicable to actions commenced 123669
under division (B) of this section and contained in section 123670
5721.181 of the Revised Code: 123671

(a) The notice of foreclosure prescribed by division (B) of 123672
section 5721.181 of the Revised Code shall be revised to exclude 123673
any reference to the inclusion of the name and address of each 123674
lienholder and other person with an interest in the parcel 123675
identified in a statutorily required title search relating to the 123676
parcel, and to exclude any such names and addresses from the 123677
published notice, except that the revised notice shall refer to 123678
the inclusion of the name and address of a receiver under section 123679
3767.41 of the Revised Code and the published notice shall include 123680
the receiver's name and address. The notice of foreclosure also 123681

shall include the following in boldface type: 123682

"If pursuant to the action the parcel is sold, the sale shall 123683
not affect or extinguish any lien or encumbrance with respect to 123684
the parcel other than a receiver's lien and other than the lien 123685
for land taxes, assessments, charges, interest, and penalties for 123686
which the lien is foreclosed and in satisfaction of which the 123687
property is sold. All other liens and encumbrances with respect to 123688
the parcel shall survive the sale." 123689

(b) The notice to the owner, lienholders, and other persons 123690
with an interest in a parcel shall be a notice only to the owner 123691
and to any receiver under section 3767.41 of the Revised Code, and 123692
the last two sentences of the notice shall be omitted. 123693

(4) As used in this division, a "receiver's lien" means the 123694
lien of a receiver appointed pursuant to divisions (C)(2) and (3) 123695
of section 3767.41 of the Revised Code that is acquired pursuant 123696
to division (H)(2)(b) of that section for any unreimbursed 123697
expenses and other amounts paid in accordance with division (F) of 123698
that section by the receiver and for the fees of the receiver 123699
approved pursuant to division (H)(1) of that section. 123700

(D) If the prosecuting attorney determines that an action in 123701
rem under division (B) or (C) of this section is precluded by law, 123702
then foreclosure proceedings shall be filed pursuant to division 123703
(A) of this section, and the complaint in the action in personam 123704
shall set forth the grounds upon which the action in rem is 123705
precluded. 123706

(E) The conveyance by the owner of any parcel against which a 123707
complaint has been filed pursuant to this section at any time 123708
after the date of publication of the parcel on the delinquent tax 123709
list but before the date of a judgment of foreclosure pursuant to 123710
section 5721.19 of the Revised Code shall not nullify the right of 123711
the county to proceed with the foreclosure. 123712

Sec. 5721.19. (A) In its judgment of foreclosure rendered 123713
with respect to actions filed pursuant to section 5721.18 of the 123714
Revised Code, the court or the county board of revision with 123715
jurisdiction pursuant to section 323.66 of the Revised Code shall 123716
enter a finding with respect to each parcel of the amount of the 123717
taxes, assessments, charges, penalties, and interest, and the 123718
costs incurred in the foreclosure proceeding instituted against 123719
it, that are due and unpaid. The court or the county board of 123720
revision shall order such premises to be transferred pursuant to 123721
division (I) of this section or may order each parcel to be sold, 123722
without appraisal, for not less than either of the following: 123723

(1) The fair market value of the parcel, as determined by the 123724
county auditor, plus the costs incurred in the foreclosure 123725
proceeding; 123726

(2) The total amount of the finding entered by the court or 123727
the county board of revision, including all taxes, assessments, 123728
charges, penalties, and interest payable subsequent to the 123729
delivery to the county prosecuting attorney of the delinquent land 123730
tax certificate or master list of delinquent tracts and prior to 123731
the transfer of the deed of the parcel to the purchaser following 123732
confirmation of sale, plus the costs incurred in the foreclosure 123733
proceeding. For purposes of determining such amount, the county 123734
treasurer may estimate the amount of taxes, assessments, interest, 123735
penalties, and costs that will be payable at the time the deed of 123736
the property is transferred to the purchaser. 123737

Notwithstanding the minimum sales price provisions of 123738
divisions (A)(1) and (2) of this section to the contrary, a parcel 123739
sold pursuant to this section shall not be sold for less than the 123740
amount described in division (A)(2) of this section if the highest 123741
bidder is the owner of record of the parcel immediately prior to 123742
the judgment of foreclosure or a member of the following class of 123743

parties connected to that owner: a member of that owner's 123744
immediate family, a person with a power of attorney appointed by 123745
that owner who subsequently transfers the parcel to the owner, a 123746
sole proprietorship owned by that owner or a member of that 123747
owner's immediate family, or a partnership, trust, business trust, 123748
corporation, or association in which the owner or a member of the 123749
owner's immediate family owns or controls directly or indirectly 123750
more than fifty per cent. If a parcel sells for less than the 123751
amount described in division (A)(2) of this section, the officer 123752
conducting the sale shall require the buyer to complete an 123753
affidavit stating that the buyer is not the owner of record 123754
immediately prior to the judgment of foreclosure or a member of 123755
the specified class of parties connected to that owner, and the 123756
affidavit shall become part of the court records of the 123757
proceeding. If the county auditor discovers within three years 123758
after the date of the sale that a parcel was sold to that owner or 123759
a member of the specified class of parties connected to that owner 123760
for a price less than the amount so described, and if the parcel 123761
is still owned by that owner or a member of the specified class of 123762
parties connected to that owner, the auditor within thirty days 123763
after such discovery shall add the difference between that amount 123764
and the sale price to the amount of taxes that then stand charged 123765
against the parcel and is payable at the next succeeding date for 123766
payment of real property taxes. As used in this paragraph, 123767
"immediate family" means a spouse who resides in the same 123768
household and children. 123769

(B) Each parcel affected by the court's finding and order of 123770
sale shall be separately sold, unless the court orders any of such 123771
parcels to be sold together. 123772

Each parcel shall be advertised and sold by the officer to 123773
whom the order of sale is directed in the manner provided by law 123774
for the sale of real property on execution. The advertisement for 123775

sale of each parcel shall be published once a week for three 123776
consecutive weeks and shall include the date on which a second 123777
sale will be conducted if no bid is accepted at the first sale. 123778
Any number of parcels may be included in one advertisement. 123779

The notice of the advertisement shall be substantially in the 123780
form of the notice set forth in section 5721.191 of the Revised 123781
Code. In any county that has adopted a permanent parcel number 123782
system, the parcel may be described in the notice by parcel number 123783
only, instead of also with a complete legal description, if the 123784
prosecuting attorney determines that the publication of the 123785
complete legal description is not necessary to provide reasonable 123786
notice of the foreclosure sale to potential bidders. If the 123787
complete legal description is not published, the notice shall 123788
indicate where the complete legal description may be obtained. 123789

(C)(1) Whenever the officer charged to conduct the sale 123790
offers any parcel for sale the officer first shall read aloud a 123791
complete legal description of the parcel, or in the alternative, 123792
may read aloud only a summary description, including the complete 123793
street address of the parcel, if any, and a parcel number if the 123794
county has adopted a permanent parcel number system and if the 123795
advertising notice prepared pursuant to this section includes a 123796
complete legal description or indicates where the complete legal 123797
description may be obtained. Whenever the officer charged to 123798
conduct the sale offers any parcel for sale and no bids are made 123799
equal to the lesser of the amounts described in divisions (A)(1) 123800
and (2) of this section, the officer shall adjourn the sale of the 123801
parcel to the second date that was specified in the advertisement 123802
of sale. The second date shall be not less than two weeks or more 123803
than six weeks from the day on which the parcel was first offered 123804
for sale. The second sale shall be held at the same place and 123805
commence at the same time as set forth in the advertisement of 123806
sale. The officer shall offer any parcel not sold at the first 123807

sale. Upon the conclusion of any sale, or if any parcel remains 123808
unsold after being offered at two sales, the officer conducting 123809
the sale shall report the results to the court. 123810

(2)(a) If a parcel remains unsold after being offered at two 123811
sales, or one sale in the case of abandoned lands foreclosed under 123812
sections 323.65 to 323.79 of the Revised Code, or if a parcel 123813
sells at any sale but the amount of the price is less than the 123814
costs incurred in the proceeding instituted against the parcel 123815
under section 5721.18 of the Revised Code, then the clerk of the 123816
court shall certify to the county auditor the amount of those 123817
costs that remains unpaid. At the next semiannual apportionment of 123818
real property taxes that occurs following any such certification, 123819
the auditor shall reduce the real property taxes that the auditor 123820
otherwise would distribute to each taxing district. In making the 123821
reductions, the auditor shall subtract from the otherwise 123822
distributable real property taxes to a taxing district an amount 123823
that shall be determined by multiplying the certified costs by a 123824
fraction the numerator of which shall be the amount of the taxes, 123825
assessments, charges, penalties, and interest on the parcel owed 123826
to that taxing district at the time the parcel first was offered 123827
for sale pursuant to this section, and the denominator of which 123828
shall be the total of the taxes, assessments, charges, penalties, 123829
and interest on the parcel owed to all the taxing districts at 123830
that time. The auditor promptly shall pay to the clerk of the 123831
court the amounts of the reductions. 123832

(b) If reductions occur pursuant to division (C)(2)(a) of 123833
this section, and if at a subsequent time a parcel is sold at a 123834
foreclosure sale or a forfeiture sale pursuant to Chapter 5723. of 123835
the Revised Code, then, notwithstanding other provisions of the 123836
Revised Code, except section 5721.17 of the Revised Code, 123837
governing the distribution of the proceeds of a foreclosure or 123838
forfeiture sale, the proceeds first shall be distributed to 123839

reimburse the taxing districts subjected to reductions in their 123840
otherwise distributable real property taxes. The distributions 123841
shall be based on the same proportions used for purposes of 123842
division (C)(2)(a) of this section. 123843

(3) The court, in its discretion, may order any parcel not 123844
sold pursuant to the original order of sale to be advertised and 123845
offered for sale at a subsequent foreclosure sale. For such 123846
purpose, the court may direct the parcel to be appraised and fix a 123847
minimum price for which it may be sold. 123848

(D) Except as otherwise provided in division (B)(1) of 123849
section 5721.17 of the Revised Code, upon the confirmation of a 123850
sale, the proceeds of the sale shall be applied as follows: 123851

(1) The costs incurred in any proceeding filed against the 123852
parcel pursuant to section 5721.18 of the Revised Code shall be 123853
paid first. 123854

(2) Following the payment required by division (D)(1) of this 123855
section, the part of the proceeds that is equal to five per cent 123856
of the taxes and assessments due shall be deposited in equal 123857
shares into each of the delinquent tax and assessment collection 123858
~~fund~~ funds created pursuant to section 321.261 of the Revised 123859
Code. If a county land reutilization corporation is operating in 123860
the county, the board of county commissioners, by resolution, may 123861
provide that an additional amount, not to exceed five per cent of 123862
such taxes and assessments, shall be credited to the county land 123863
reutilization corporation fund created by section 321.263 of the 123864
Revised Code to pay for the corporation's expenses. If such a 123865
resolution is in effect, the percentage of such taxes and 123866
assessments so provided shall be credited to that fund. 123867

(3) Following the payment required by division (D)(2) of this 123868
section, the amount found due for taxes, assessments, charges, 123869
penalties, and interest shall be paid, including all taxes, 123870

assessments, charges, penalties, and interest payable subsequent 123871
to the delivery to the county prosecuting attorney of the 123872
delinquent land tax certificate or master list of delinquent 123873
tracts and prior to the transfer of the deed of the parcel to the 123874
purchaser following confirmation of sale. If the proceeds 123875
available for distribution pursuant to division (D)(3) of this 123876
section are sufficient to pay the entire amount of those taxes, 123877
assessments, charges, penalties, and interest, the portion of the 123878
proceeds representing taxes, interest, and penalties shall be paid 123879
to each claimant in proportion to the amount of taxes levied by 123880
the claimant in the preceding tax year, and the amount 123881
representing assessments and other charges shall be paid to each 123882
claimant in the order in which they became due. If the proceeds 123883
are not sufficient to pay that entire amount, the proportion of 123884
the proceeds representing taxes, penalties, and interest shall be 123885
paid to each claimant in the same proportion that the amount of 123886
taxes levied by the claimant against the parcel in the preceding 123887
tax year bears to the taxes levied by all such claimants against 123888
the parcel in the preceding tax year, and the proportion of the 123889
proceeds representing items of assessments and other charges shall 123890
be credited to those items in the order in which they became due. 123891

(E) If the proceeds from the sale of a parcel are 123892
insufficient to pay in full the amount of the taxes, assessments, 123893
charges, penalties, and interest which are due and unpaid; the 123894
costs incurred in the foreclosure proceeding instituted against it 123895
which are due and unpaid; and, if division (B)(1) of section 123896
5721.17 of the Revised Code is applicable, any notes issued by a 123897
receiver pursuant to division (F) of section 3767.41 of the 123898
Revised Code and any receiver's lien as defined in division (C)(4) 123899
of section 5721.18 of the Revised Code, the court, pursuant to 123900
section 5721.192 of the Revised Code, may enter a deficiency 123901
judgment against the owner of record of the parcel for the unpaid 123902
amount. If that owner of record is a corporation, the court may 123903

enter the deficiency judgment against the stockholder holding a 123904
majority of that corporation's stock. 123905

If after distribution of proceeds from the sale of the parcel 123906
under division (D) of this section the amount of proceeds to be 123907
applied to pay the taxes, assessments, charges, penalties, 123908
interest, and costs is insufficient to pay them in full, and the 123909
court does not enter a deficiency judgment against the owner of 123910
record pursuant to this division, the taxes, assessments, charges, 123911
penalties, interest, and costs shall be deemed satisfied. 123912

(F)(1) Upon confirmation of a sale, a spouse of the party 123913
charged with the delinquent taxes or assessments shall thereby be 123914
barred of the right of dower in the property sold, though such 123915
spouse was not a party to the action. No statute of limitations 123916
shall apply to such action. When the land or lots stand charged on 123917
the tax duplicate as certified delinquent, it is not necessary to 123918
make the state a party to the foreclosure proceeding, but the 123919
state shall be deemed a party to such action through and be 123920
represented by the county treasurer. 123921

(2) Except as otherwise provided in divisions (F)(3) and (G) 123922
of this section, unless such land or lots were previously redeemed 123923
pursuant to section 5721.25 of the Revised Code, upon the filing 123924
of the entry of confirmation of any sale or the expiration of the 123925
alternative redemption period as defined in section 323.65 of the 123926
Revised Code, if applicable, the title to such land or lots shall 123927
be incontestable in the purchaser and shall be free and clear of 123928
all liens and encumbrances, except a federal tax lien notice of 123929
which is properly filed in accordance with section 317.09 of the 123930
Revised Code prior to the date that a foreclosure proceeding is 123931
instituted pursuant to division (B) of section 5721.18 of the 123932
Revised Code and the easements and covenants of record running 123933
with the land or lots that were created prior to the time the 123934
taxes or assessments, for the nonpayment of which the land or lots 123935

are sold at foreclosure, became due and payable. 123936

(3) When proceedings for foreclosure are instituted under 123937
division (C) of section 5721.18 of the Revised Code, unless the 123938
land or lots were previously redeemed pursuant to section 5721.25 123939
of the Revised Code or before the expiration of the alternative 123940
redemption period, upon the filing of the entry of confirmation of 123941
sale or after the expiration of the alternative redemption period, 123942
as may apply to the case, the title to such land or lots shall be 123943
incontestable in the purchaser and shall be free of any receiver's 123944
lien as defined in division (C)(4) of section 5721.18 of the 123945
Revised Code and, except as otherwise provided in division (G) of 123946
this section, the liens for land taxes, assessments, charges, 123947
interest, and penalties for which the lien was foreclosed and in 123948
satisfaction of which the property was sold. All other liens and 123949
encumbrances with respect to the land or lots shall survive the 123950
sale. 123951

(4) The title shall not be invalid because of any 123952
irregularity, informality, or omission of any proceedings under 123953
this chapter, or in any processes of taxation, if such 123954
irregularity, informality, or omission does not abrogate the 123955
provision for notice to holders of title, lien, or mortgage to, or 123956
other interests in, such foreclosed lands or lots, as prescribed 123957
in this chapter. 123958

(G) If a parcel is sold under this section for the amount 123959
described in division (A)(2) of this section, and the county 123960
treasurer's estimate exceeds the amount of taxes, assessments, 123961
interest, penalties, and costs actually payable when the deed is 123962
transferred to the purchaser, the officer who conducted the sale 123963
shall refund to the purchaser the difference between the estimate 123964
and the amount actually payable. If the amount of taxes, 123965
assessments, interest, penalties, and costs actually payable when 123966
the deed is transferred to the purchaser exceeds the county 123967

treasurer's estimate, the officer shall certify the amount of the 123968
excess to the treasurer, who shall enter that amount on the real 123969
and public utility property tax duplicate opposite the property; 123970
the amount of the excess shall be payable at the next succeeding 123971
date prescribed for payment of taxes in section 323.12 of the 123972
Revised Code. 123973

(H) If a parcel is sold or transferred under this section or 123974
sections 323.28 and 323.65 to 323.78 of the Revised Code, the 123975
officer who conducted the sale or made the transfer of the 123976
property shall collect the recording fee and any associated costs 123977
to cover the recording from the purchaser or transferee at the 123978
time of the sale or transfer and, following confirmation of the 123979
sale or transfer, shall execute and record the deed conveying 123980
title to the parcel to the purchaser or transferee. For purposes 123981
of recording such deed, by placement of a bid or making a 123982
statement of interest by any party ultimately awarded the parcel, 123983
that purchaser or transferee thereby appoints the officer who 123984
makes the sale or is charged with executing and delivering the 123985
deed as agent for the purchaser or transferee for the sole purpose 123986
of accepting delivery of the deed. For such purposes, the 123987
confirmation of any such sale or order to transfer the parcel 123988
without appraisal or sale shall be deemed delivered upon the 123989
confirmation of such sale or transfer. 123990

(I) Notwithstanding section 5722.03 of the Revised Code, if 123991
the complaint alleges that the property is delinquent vacant land 123992
as defined in section 5721.01 of the Revised Code, abandoned lands 123993
as defined in section 323.65 of the Revised Code, or lands 123994
described in division (E) of section 5722.01 of the Revised Code, 123995
and the value of the taxes, assessments, penalties, interest, and 123996
all other charges and costs of the action exceed the auditor's 123997
fair market value of the parcel, then the court or board of 123998
revision having jurisdiction over the matter on motion of the 123999

plaintiff, or on the court's or board's own motion, shall, upon 124000
any adjudication of foreclosure, order, without appraisal and 124001
without sale, the fee simple title of the property to be 124002
transferred to and vested in an electing subdivision as defined in 124003
division (A) of section 5722.01 of the Revised Code. For purposes 124004
of determining whether the taxes, assessments, penalties, 124005
interest, and all other charges and costs of the action exceed the 124006
actual fair market value of the parcel, the auditor's most current 124007
valuation shall be rebuttably presumed to be, and constitute 124008
prima-facie evidence of, the fair market value of the parcel. In 124009
such case, the filing for journalization of a decree of 124010
foreclosure ordering that direct transfer without appraisal or 124011
sale shall constitute confirmation of the transfer and thereby 124012
terminate any further statutory or common law right of redemption. 124013

Sec. 5721.30. As used in sections 5721.30 to 5721.43 of the 124014
Revised Code: 124015

(A) "Tax certificate," "certificate," or "duplicate 124016
certificate" means a document that may be issued as a physical 124017
certificate, in book-entry form, or through an electronic medium, 124018
at the discretion of the county treasurer. Such document shall 124019
contain the information required by section 5721.31 of the Revised 124020
Code and shall be prepared, transferred, or redeemed in the manner 124021
prescribed by sections 5721.30 to 5721.43 of the Revised Code. As 124022
used in those sections, "tax certificate," "certificate," and 124023
"duplicate certificate" do not refer to the delinquent land tax 124024
certificate or the delinquent vacant land tax certificate issued 124025

delinquent land list compiled under section 5721.011 of the 124165
Revised Code, or a delinquent land list compiled previously under 124166
that section, the county treasurer may select from the list 124167
parcels of delinquent land the lien against which the county 124168
treasurer may attempt to transfer by the sale of tax certificates 124169
under sections 5721.30 to 5721.43 of the Revised Code. None of the 124170

(c) A parcel the owner of which has filed a petition in 124176

(2) The county treasurer shall compile a separate list of 124179
parcels selected for tax certificate sales, including the same 124180
information as is required to be included in the delinquent land 124181
list. 124182

Upon compiling the list of parcels selected for tax 124183
certificate sales, the county treasurer may conduct a title search 124184

for any parcel on the list. 124185

(B)(1) Except as otherwise provided in division (B)(3) of 124186
this section, when tax certificates are to be sold under section 124187
5721.32 of the Revised Code with respect to parcels, the county 124188
treasurer shall send written notice by certified mail to either 124189
the owner of record or all interested parties discoverable through 124190
a title search, or both, of each parcel on the list. A notice to 124191
an owner shall be sent to the owner's last known tax-mailing 124192
address. The notice shall inform the owner or interested parties 124193
that a tax certificate will be offered for sale on the parcel, and 124194
that the owner or interested parties may incur additional expenses 124195
as a result of the sale. 124196

(2) Except as otherwise provided in division (B)(3) of this 124197
section, when tax certificates are to be sold or transferred under 124198

county treasurer, at least thirty days prior to the date of sale 124200
or transfer of such tax certificates, shall send written notice of 124201
the sale or transfer by certified mail to the last known 124202
tax-mailing address of the record owner of the property or parcel 124203
and may send such notice to all parties with an interest in the 124204
property that has been recorded in the property records of the 124205
county pursuant to section 317.08 of the Revised Code. The notice 124206
shall state that a tax certificate will be offered for sale or 124207
transfer on the parcel, and that the owner or interested parties 124208
may incur additional expenses as a result of the sale or transfer. 124209

(3) The county treasurer is not required to send a notice 124210
under division (B)(1) or (B)(2) of this section if the treasurer 124211
previously has attempted to send such notice to the owner of the 124212
parcel and the notice has been returned by the post office as 124213
undeliverable. The absence of a valid tax-mailing address for the 124214
owner of a parcel does not preclude the county treasurer from 124215
selling or transferring a tax certificate for the parcel. 124216

(C) The county treasurer shall advertise the sale of tax certificates under section 5721.32 of the Revised Code in a newspaper of general circulation in the county, once a week for two consecutive weeks. The advertisement also shall include the certificate purchase prices of the parcels or the total purchase price of tax certificates for sale in blocks of tax certificates.

(D) After the county treasurer has compiled the list of parcels selected for tax certificate sales but before a tax certificate respecting a parcel is sold or transferred, if the owner of record of the parcel pays to the county treasurer in cash the delinquent taxes respecting the parcel or otherwise acts so that any condition in division (A)(1)(a), (b), or (c) of this section applies to the parcel, the owner of record of the parcel also shall pay a fee in an amount prescribed by the treasurer to cover the administrative costs of the treasurer under this section respecting the parcel. The fee shall be deposited in the county treasury to the credit of the tax certificate administration fund.

(E) A tax certificate administration fund shall be created in the county treasury of each county selling tax certificates under sections 5721.30 to 5721.43 of the Revised Code. The fund shall be administered by the county treasurer, and used solely for the purposes of sections 5721.30 to 5721.43 of the Revised Code or as otherwise permitted in this division. Any fee received by the treasurer under sections 5721.30 to 5721.43 of the Revised Code shall be credited to the fund, except the bidder registration fee under division (B) of section 5721.32 of the Revised Code and the county prosecuting attorney's fee under division (B)(3) of section

5721.37 of the Revised Code. To the extent there is a surplus in 124249
the fund from time to time, the surplus may, with the approval of 124250
the county treasurer, be utilized for the purposes of a county 124251
land reutilization corporation operating in the county. 124252

(F) The county treasurers of more than one county may jointly 124253
conduct a regional sale of tax certificates under section 5721.32 124254
of the Revised Code. A regional sale shall be held at a single 124255
location in one county, where the tax certificates from each of 124256
the participating counties shall be offered for sale at public 124257
auction. Before the regional sale, each county treasurer shall 124258
advertise the sale for the parcels in the treasurer's county as 124259
required by division (C) of this section. At the regional sale, 124260
tax certificates shall be sold on parcels from one county at a 124261
time, with all of the certificates for one county offered for sale 124262
before any certificates for the next county are offered for sale. 124263

(G) The tax commissioner shall prescribe the form of the tax 124264
certificate under this section, and county treasurers shall use 124265
the form so prescribed. 124266

Sec. 5721.32. (A) The sale of tax certificates by public 124267
auction may be conducted at any time after completion of the 124268
advertising of the sale under section 5721.31 of the Revised Code, 124269
on the date and at the time and place designated in the 124270
advertisements, and may be continued from time to time as the 124271
county treasurer directs. The county treasurer may offer the tax 124272
certificates for sale in blocks of tax certificates, consisting of 124273
any number of tax certificates as determined by the county 124274
treasurer, and may specify a certificate period of not less than 124275
three years and not more than six years. 124276

(B)(1) The sale of tax certificates under this section shall 124277
be conducted at a public auction by the county treasurer or a 124278
designee of the county treasurer. 124279

(2) No person shall be permitted to bid without completing a bidder registration form, in the form prescribed by the tax commissioner, and without filing the form with the county treasurer prior to the start of the auction, together with remittance of a registration fee, in cash, of five hundred dollars. The bidder registration form shall include a tax identification number of the registrant. The registration fee is refundable at the end of bidding on the day of the auction, unless the registrant is the winning bidder for one or more tax certificates or one or more blocks of tax certificates, in which case the fee may be applied toward the deposit required by this section.

(3) The county treasurer may require a person who wishes to bid on one or more parcels to submit a letter from a financial institution stating that the bidder has sufficient funds available to pay the purchase price of the parcels and a written authorization for the treasurer to verify such information with the financial institution. The county treasurer may require submission of the letter and authorization sufficiently in advance of the auction to allow for verification. No person who fails to submit the required letter and authorization, or whose financial institution fails to provide the requested verification, shall be permitted to bid.

(C) At the public auction, the county treasurer or the treasurer's designee or agent shall begin the bidding at eighteen per cent per year simple interest, and accept lower bids in even increments of one-fourth of one per cent to the rate of zero per cent. The county treasurer, designee, or agent shall award the tax certificate to the person bidding the lowest certificate rate of interest. The county treasurer shall decide which person is the winning bidder in the event of a tie for the lowest bid offered, or if a person contests the lowest bid offered. The county

treasurer's decision is not appealable. 124312

(D)(1) The winning bidder shall pay the county treasurer a 124313
cash deposit of at least ten per cent of the certificate purchase 124314
price not later than the close of business on the day of the sale. 124315
The winning bidder shall pay the balance and the fee required 124316
under division (H) of this section not later than five business 124317
days after the day on which the certificate is sold. Except as 124318
provided under division (D)(2) of this section, if the winning 124319
bidder fails to pay the balance and fee within the prescribed 124320
time, the bidder forfeits the deposit, and the county treasurer 124321
shall retain the tax certificate and may attempt to sell it at any 124322
auction conducted at a later date. 124323

(2) At the request of a winning bidder, the county treasurer 124324
may release the bidder from the bidder's tax certificate purchase 124325
obligation. The county treasurer may retain all or any portion of 124326
the deposit of a bidder granted a release. After granting a 124327
release under this division, the county treasurer may award the 124328
tax certificate to the person that submitted the second lowest bid 124329
at the auction. 124330

(3) The county treasurer shall deposit the deposit forfeited 124331
or retained under divisions (D)(1) or (2) of this section in the 124332
county treasury to the credit of the tax certificate 124333
administration fund. 124334

(E) Upon receipt of the full payment of the certificate 124335
purchase price from the purchaser, the county treasurer shall 124336
issue the tax certificate and record the tax certificate sale by 124337
entering into a tax certificate register the certificate purchase 124338
price, the certificate rate of interest, the date the certificate 124339
was sold, the certificate period, the name and address of the 124340
certificate holder, and any other information the county treasurer 124341
considers necessary. The county treasurer may keep the tax 124342
certificate register in a hard-copy format or in an electronic 124343

format. The name and address of the certificate holder may be, 124344
upon receipt of instructions from the purchaser, that of the 124345
secured party of the actual purchaser, or an agent or custodian 124346
for the purchaser or secured party. The county treasurer also 124347
shall transfer the tax certificate to the certificate holder. The 124348
county treasurer shall apportion the part of the proceeds from the 124349
sale representing taxes, penalties, and interest among the several 124350
taxing districts in the same proportion that the amount of taxes 124351
levied by each district against the certificate parcel in the 124352
preceding tax year bears to the taxes levied by all such districts 124353
against the certificate parcel in the preceding tax year, and 124354
credit the part of the proceeds representing assessments and other 124355
charges to the items of assessments and charges in the order in 124356
which those items became due. Upon issuing a tax certificate, the 124357
delinquent taxes that make up the certificate purchase price are 124358
transferred, and the superior lien of the state and its taxing 124359
districts for those delinquent taxes is conveyed intact to the 124360
certificate holder. 124361

(F) If a tax certificate is offered for sale under this 124362
section but is not sold, the county treasurer may sell the 124363
certificate in a negotiated sale authorized under section 5721.33 124364
of the Revised Code, or may strike the corresponding certificate 124365
parcel from the list of parcels selected for tax certificate 124366
sales. The lien for taxes, assessments, charges, penalties, and 124367
interest against a parcel stricken from the list thereafter may be 124368
foreclosed in the manner prescribed by section 323.25, sections 124369
323.65 to 323.79, or section 5721.14 or 5721.18 of the Revised 124370
Code unless, prior to the institution of such proceedings against 124371
the parcel, the county treasurer restores the parcel to the list 124372
of parcels selected for tax certificate sales. 124373

(G) A certificate holder shall not be liable for damages 124374
arising from a violation of sections 3737.87 to 3737.891 or 124375

Chapter 3704., 3734., 3745., 3746., 3750., 3751., 3752., 6109., or 124376
6111. of the Revised Code, or a rule adopted or order, permit, 124377
license, variance, or plan approval issued under any of those 124378
chapters, that is or was committed by another person in connection 124379
with the parcel for which the tax certificate is held. 124380

(H) When selling a tax certificate under this section, the 124381
county treasurer shall charge a fee to the purchaser of the 124382
certificate. The county treasurer shall set the fee at a 124383
reasonable amount that covers the treasurer's costs of 124384
administering the sale of the tax certificate. The county 124385
treasurer shall deposit the fee in the county treasury to the 124386
credit of the tax certificate administration fund. 124387

(I) After selling a tax certificate under this section, the 124388
county treasurer shall send written notice by certified mail to 124389
the owner of the certificate parcel at the owner's last known 124390
tax-mailing address. The notice shall inform the owner that the 124391
tax certificate was sold, shall describe the owner's options to 124392
redeem the parcel, including entering into a redemption payment 124393
plan under division (C)(1) of section 5721.38 of the Revised Code, 124394
and shall name the certificate holder and its secured party, if 124395
any. However, the county treasurer is not required to send a 124396
notice under this division if the treasurer previously has 124397
attempted to send a notice to the owner of the parcel at the 124398
owner's last known tax-mailing address, and the postal service has 124399
returned the notice as undeliverable. 124400

(J) A tax certificate shall not be sold to the owner of the 124401
certificate parcel. 124402

Sec. 5721.37. ~~(A)(1) Division (A)(1) of this section applies 124403
to tax certificates purchased under section 5721.32 of the Revised 124404
Code, or under section 5721.42 of the Revised Code by the holder 124405
of a certificate issued under section 5721.32 of the Revised Code. 124406~~

At any time after one year from the date shown on the tax certificate as the date the tax certificate was sold, and not later than ~~six years after that date~~ the end of the certificate period, a certificate holder, except for a county land reutilization corporation, may file with the county treasurer a request for foreclosure, or a private attorney on behalf of the certificate holder may file with the county treasurer a notice of intent to foreclose, on a form prescribed by the tax commissioner, provided the certificate parcel has not been redeemed under division (A) or (C) of section 5721.38 of the Revised Code and at least one certificate respecting the certificate parcel, held by the certificate holder filing the request for foreclosure or notice of intent to foreclose and eligible to be enforced through a foreclosure proceeding, has not been voided under section 5721.381 of the Revised Code. If the certificate holder is a county land reutilization corporation, the corporation may institute a foreclosure action under the statutes pertaining to the foreclosure of mortgages or as permitted under sections 323.65 to 323.79 of the Revised Code at any time after it acquires the tax certificate.

~~(2) Division (A)(2) of this section applies to tax certificates purchased under section 5721.33 of the Revised Code or under section 5721.42 of the Revised Code by the holder of a certificate issued under section 5721.33 of the Revised Code. environmental protection, the county treasurer shall notify the 124512
certificate holder by ordinary first-class or certified mail or by 124513

county treasurer shall notify the certificate holder of the 124516
determination by ordinary first-class or certified mail or by 124517

(3) If the foreclosure proceedings are filed by the county prosecuting attorney pursuant to section 323.25, sections 323.65 to 323.79, or section 5721.14 or 5721.18 of the Revised Code, a fee in the amount prescribed by the county prosecuting attorney to cover the prosecuting attorney's legal costs incurred in the foreclosure proceeding.

The prosecuting attorney shall attach to the complaint the foreclosure request and the county treasurer's written certification.

(2) With respect to a certificate purchased under section 5721.32, 5721.33, or 5721.42 of the Revised Code, if the

certificate parcel has not been redeemed, at least one certificate 124568
respecting the certificate parcel, held by the certificate holder 124569
filing the notice of intent to foreclose and eligible to be 124570
enforced through a foreclosure proceeding, has not been voided 124571
under section 5721.381 of the Revised Code, a notice of intent to 124572
foreclose has been filed, and the payment required under division 124573
(B) of this section has been made, the county treasurer shall 124574
certify notice to that effect to the private attorney. The county 124575
treasurer also shall send notice by ordinary first class or 124576
certified mail or by binary means to all certificate holders other 124577
than the certificate holder represented by the attorney that a 124578
notice of intent to foreclose has been filed and that payment for 124579
the tax certificates is forthcoming. After receipt of the 124580
treasurer's certification and not later than one hundred twenty 124581
days after the filing of the intent to foreclose or the number of 124582
days specified under the terms of a negotiated sale under section 124583
5721.33 of the Revised Code, the private attorney shall commence a 124584
foreclosure proceeding in the name of the certificate holder in 124585
the manner provided under division (F) of this section to enforce 124586
the lien vested in the certificate holder by the certificate. The 124587
private attorney shall attach to the complaint the notice of 124588
intent to foreclose and the county treasurer's written 124589
certification. 124590

(D) The county treasurer shall credit the amount received 124591
under division (B)(1) of this section to the tax certificate 124592
redemption fund. The tax certificates respecting the payment shall 124593
be paid as provided in division (D) of section 5721.38 of the 124594
Revised Code. The amount received under division (B)(2) of this 124595
section shall be distributed to the taxing districts to which the 124596
delinquent and unpaid amounts are owed. The county treasurer shall 124597
deposit the fee received under division (B)(3) of this section in 124598
the county treasury to the credit of the delinquent tax and 124599
assessment collection fund. 124600

~~(E)(1)(a) Except with respect to a county land reutilization corporation, if, in the case of a certificate purchased under section 5721.32 of the Revised Code, or under section 5721.42 of the Revised Code by the holder of a certificate issued under section 5721.32 of the Revised Code, the certificate holder does not file with the county treasurer a request for foreclosure or a notice of intent to foreclose with the required payment within six years after the date shown on the tax certificate as the date the certificate was sold or within the period provided under division (A)(3)(a) of this section, and during that time the certificate has not been voided under section 5721.381 of the Revised Code and the parcel has not been redeemed or foreclosed upon, the certificate holder's lien against the parcel is canceled, and the certificate is voided, subject to division (E)(1)(b) of this section.~~

~~(b) In the case of any tax certificate purchased under section 5721.32 of the Revised Code or under section 5721.42 of the Revised Code by the holder of a certificate issued under section 5721.32 of the Revised Code prior to June 24, 2008, the county treasurer, upon application by the certificate holder, may sell to the certificate holder a new certificate extending the three year period prescribed by division (E)(1) of this section, as that division existed prior to that date, to six years after the date shown on the original certificate as the date it was sold or any extension of that date.~~

~~(2)(a) Except with respect to a county land reutilization corporation, if, in the case of a certificate purchased under section 5721.33 of the Revised Code, or under section 5721.42 of the Revised Code by the holder of a certificate issued under section 5721.33 of the Revised Code, the certificate holder does not file with the county treasurer a request for foreclosure or a notice of intent to foreclose with respect to a certificate parcel~~

with the required payment within ~~six years after the date shown on~~ 124633

to division (C)(2) of section 5721.38 of the Revised Code, or 124636
within the period provided under division ~~(A)(3)(b)~~(A)(2) of this 124637
section ~~or as specified under the terms of a negotiated sale under~~ 124638
~~section 5721.33 of the Revised Code~~, and during that time the 124639
certificate has not been voided under section 5721.381 of the 124640

is canceled and the certificate is voided, subject to division 124643
~~(E)(2)(b)~~(E)(2) of this section. 124644

~~(b)(2)~~ In the case of any tax certificate purchased under 124645
section ~~5721.33~~ 5721.32 of the Revised Code or under section 124646
5721.42 of the Revised Code by the holder of a certificate issued 124647
under section 5721.32 of the Revised Code prior to ~~October 10,~~ 124648
~~2000~~ June 24, 2008, the county treasurer, upon application by the 124649
certificate holder, may sell to the certificate holder a new 124650
certificate extending the three-year period prescribed by division 124651
~~(E)(2)(E)(1)~~ of this section, as that division existed prior to 124652
~~October 10, 2000~~ that date, to six years after the date shown on 124653
the original certificate as the date it was sold or any extension 124654
of that date. 124655

~~(3)~~ The county treasurer and the certificate holder shall 124656
negotiate the premium, in cash, to be paid for a new certificate 124657
sold under division ~~(E)(1)(b) or (2)(b)~~(E)(2) of this section. If 124658
the county treasurer and certificate holder do not negotiate a 124659
mutually acceptable premium, the county treasurer and certificate 124660
holder may agree to engage a person experienced in the valuation 124661
of financial assets to appraise a fair premium for the new 124662
certificate. The certificate holder has the option to purchase the 124663
new certificate for the fair premium so appraised. Not less than 124664

one-half of the fee of the person so engaged shall be paid by the certificate holder requesting the new certificate; the remainder of the fee shall be paid from the proceeds of the sale of the new certificate. If the certificate holder does not purchase the new certificate for the premium so appraised, the certificate holder shall pay the entire fee. The county treasurer shall credit the remaining proceeds from the sale to the items of taxes, assessments, penalties, interest, and charges in the order in which they became due.

~~(4)~~ A certificate issued under division ~~(E)(1)(b)~~ (2)(b)(E)(2) of this section vests in the certificate holder and its secured party, if any, the same rights, interests, privileges, and immunities as are vested by the original certificate under sections 5721.30 to 5721.43 of the Revised Code. The certificate shall be issued in the same form as the form prescribed for the original certificate issued except for any modifications necessary, in the county treasurer's discretion, to reflect the extension under this division of the certificate holder's lien to six years after the date shown on the original certificate as the date it was sold or any extension of that date. The certificate holder may record a certificate issued under division ~~(E)(1)(b)~~ (2)(b)(E)(2) of this section or memorandum thereof as provided in division (B) of section 5721.35 of the Revised Code, and the county recorder shall index the certificate and record any subsequent cancellation of the lien as provided in that section. The sale of a certificate extending the lien under division ~~(E)(1)(b)~~ (2)(b)(E)(2) of this section does not impair the right of redemption of the owner of record of the certificate parcel or of any other person entitled to redeem the property.

~~(5)~~(3) If the holder of a certificate purchased under section 5721.32, 5721.33, or 5721.42 of the Revised Code submits a notice of intent to foreclose to the county treasurer but fails to file a

foreclosure action in a court of competent jurisdiction within the 124697
time specified in division (C)(2) of this section, the liens 124698
represented by all tax certificates respecting the certificate 124699
parcel held by that certificate holder, and for which the deadline 124700
for filing a notice of intent to foreclose has passed, are 124701
canceled and the certificates voided, and the certificate holder 124702
forfeits the payment of the amounts described in division (B)(2) 124703
of this section. 124704

(F) With respect to tax certificates purchased under section 124705
5721.32, 5721.33, or 5721.42 of the Revised Code, upon the 124706
delivery to the private attorney by the county treasurer of the 124707
certification provided for under division (C)(2) of this section, 124708
the private attorney shall institute a foreclosure proceeding 124709
under this division in the name of the certificate holder to 124710
enforce the holder's lien, in any court or board of revision with 124711
jurisdiction, unless the certificate redemption price is paid 124712
prior to the time a complaint is filed. The attorney shall 124713
prosecute the proceeding to final judgment and satisfaction, 124714
whether through sale of the property or the vesting of title and 124715
possession in the certificate holder or other disposition under 124716
sections 323.65 to 323.79 of the Revised Code or as may otherwise 124717
be provided by law. 124718

The foreclosure proceedings under this division, except as 124719
otherwise provided in this division, shall be instituted and 124720
prosecuted in the same manner as is provided by law for the 124721
foreclosure of mortgages on land, except that, if service by 124722
publication is necessary, such publication shall be made once a 124723
week for three consecutive weeks and the service shall be complete 124724
at the expiration of three weeks after the date of the first 124725
publication. 124726

Any notice given under this division shall include the name 124727
of the owner of the parcel as last set forth in the records of the 124728

county recorder, the owner's last known mailing address, the 124729
address of the subject parcel if different from that of the owner, 124730
and a complete legal description of the subject parcel. In any 124731
county that has adopted a permanent parcel number system, such 124732
notice may include the permanent parcel number in addition to a 124733
complete legal description. 124734

It is sufficient, having been made a proper party to the 124735
foreclosure proceeding, for the certificate holder to allege in 124736
such holder's complaint that the tax certificate has been duly 124737
purchased by the certificate holder, that the certificate 124738
redemption price is due and unpaid, that there is a lien against 124739
the property described in the tax certificate, and, if applicable, 124740
that the certificate holder desires to invoke the alternative 124741
redemption period prescribed in sections 323.65 to 323.79 of the 124742
Revised Code, without setting forth in such holder's complaint any 124743
other special matter relating to the foreclosure proceeding. The 124744
complaint shall pray for an order directing the sheriff, or the 124745
bailiff if the complaint is filed in municipal court, to offer the 124746
property for sale in the manner provided in section 5721.19 of the 124747
Revised Code or otherwise transferred according to any applicable 124748
procedures provided in sections 323.65 to 323.79 of the Revised 124749
Code, unless the complaint documents that the county auditor has 124750
determined that the true value of the certificate parcel is less 124751
than the certificate purchase price. In that case, the prayer of 124752
the complaint shall request that fee simple title to the property 124753
be transferred to and vested in the certificate holder free and 124754
clear of all subordinate liens. 124755

In the foreclosure proceeding, the certificate holder may 124756
join in one action any number of tax certificates relating to the 124757
same owner. However, the decree for each tax certificate shall be 124758
rendered separately and any proceeding may be severed, in the 124759
discretion of the court or board of revision, for the purpose of 124760

trial or appeal. Except as may otherwise be provided in sections 124761
323.65 to 323.79 of the Revised Code, upon confirmation of sale, 124762
the court or board of revision shall order payment of all costs 124763
related directly or indirectly to the tax certificate, including, 124764
without limitation, attorney's fees of the holder's attorney in 124765
accordance with section 5721.371 of the Revised Code. The tax 124766
certificate purchased by the certificate holder is presumptive 124767
evidence in all courts and boards of revision and in all 124768
proceedings, including, without limitation, at the trial of the 124769
foreclosure action, of the amount and validity of the taxes, 124770
assessments, charges, penalties by the court and added to such 124771
principal amount, and interest appearing due and unpaid and of 124772
their nonpayment. 124773

(G) If a parcel is sold under this section, the officer who 124774
conducted the sale shall collect the recording fee from the 124775
purchaser at the time of the sale and, following confirmation of 124776
the sale, shall prepare and record the deed conveying the title to 124777
the parcel to the purchaser. 124778

Sec. 5721.38. (A) At any time prior to payment to the county 124779
treasurer by the certificate holder to initiate foreclosure 124780
proceedings under division (B) of section 5721.37 of the Revised 124781
Code, the owner of record of the certificate parcel, or any other 124782
person entitled to redeem that parcel, may redeem the parcel by 124783
paying to the county treasurer an amount equal to the total of the 124784
certificate redemption prices of all tax certificates respecting 124785
that parcel. 124786

(B) At any time after payment to the county treasurer by the 124787
certificate holder to initiate foreclosure proceedings under 124788
section 5721.37 of the Revised Code, and before the filing of the 124789
entry of confirmation of sale of a certificate parcel, or the 124790
expiration of the alternative redemption period defined in section 124791

323.65 of the Revised Code under foreclosure proceedings filed by 124792
the county prosecuting attorney, and before the decree conveying 124793
title to the certificate holder is rendered as provided for in 124794
division (F) of section 5721.37 of the Revised Code, the owner of 124795
record of the certificate parcel or any other person entitled to 124796
redeem that parcel may redeem the parcel by paying to the county 124797
treasurer the sum of the following amounts: 124798

(1) The amount described in division (A) of this section; 124799

(2) Interest on the certificate purchase price for each tax 124800
certificate sold respecting the parcel at the rate of eighteen per 124801
cent per year for the period beginning on the day on which the 124802
payment was submitted by the certificate holder and ending on the 124803
day the parcel is redeemed under this division; 124804

(3) An amount equal to the sum of the county prosecuting 124805
attorney's fee under division (B)(3) of section 5721.37 of the 124806
Revised Code plus interest on that amount at the rate of eighteen 124807
per cent per year beginning on the day on which the payment was 124808
submitted by the certificate holder and ending on the day the 124809
parcel is redeemed under this division. If the parcel is redeemed 124810
before the complaint has been filed, the prosecuting attorney 124811
shall adjust the fee to reflect services performed to the date of 124812
redemption, and the county treasurer shall calculate the interest 124813
based on the adjusted fee and refund any excess fee to the 124814
certificate holder. 124815

(4) Reasonable attorney's fees in accordance with section 124816
5721.371 of the Revised Code if the certificate holder retained a 124817
private attorney to foreclose the lien; 124818

(5) Any other costs and fees of the proceeding allocable to 124819
the certificate parcel as determined by the court or board of 124820
revision. 124821

The county treasurer may collect the total amount due under 124822

divisions (B)(1) to (5) of this section in the form of guaranteed 124823
funds acceptable to the treasurer. Immediately upon receipt of 124824
such payments, the county treasurer shall reimburse the 124825
certificate holder who initiated foreclosure proceedings as 124826
provided in division (D) of this section. The county treasurer 124827
shall pay the certificate holder interest at the rate of eighteen 124828
per cent per year on amounts paid under divisions (B)(2) and (3) 124829
of section 5721.37 of the Revised Code, beginning on the day the 124830
certificate holder paid the amounts under those divisions and 124831
ending on the day the parcel is redeemed under this section. 124832

(C)(1) During the period beginning on the date a tax 124833
certificate is sold under section 5721.32 of the Revised Code and 124834
ending one year from that date, the county treasurer may enter 124835
into a redemption payment plan with the owner of record of the 124836
certificate parcel or any other person entitled to redeem that 124837
parcel. The plan shall require the owner or other person to pay 124838
the certificate redemption price for the tax certificate in 124839
installments, with the final installment due no later than one 124840
year after the date the tax certificate is sold. The certificate 124841
holder may at any time, by written notice to the county treasurer, 124842
agree to accept installments collected to the date of notice as 124843
payment in full. Receipt of such notice by the treasurer shall 124844
constitute satisfaction of the payment plan and redemption of the 124845
tax certificate. 124846

(2) During the period beginning on the date a tax certificate 124847
is sold under section 5721.33 of the Revised Code and ending on 124848
the date the decree is rendered on the foreclosure proceeding 124849
under division (F) of section 5721.37 of the Revised Code, the 124850
owner of record of the certificate parcel, or any other person 124851
entitled to redeem that parcel, may enter into a redemption 124852
payment plan with the certificate holder and all secured parties 124853
of the certificate holder. The plan shall require the owner or 124854

other person to pay the certificate redemption price for the tax certificate, an administrative fee not to exceed one hundred dollars per year, and the actual fees and costs incurred, in installments, with the final installment due no later than ~~six~~ years after the date the tax certificate is sold the expiration of the certificate period. The certificate holder shall give written notice of the plan to the applicable county treasurer within sixty days after entering into the plan and written notice of default under the plan within ninety days after the default. If such a plan is entered into, the time period for filing a request for foreclosure or a notice of intent to foreclose under section 5721.37 of the Revised Code is extended by the length of time the plan is in effect and not in default.

(D)(1) Immediately upon receipt of full payment under division (A) or (B) of this section, the county treasurer shall make an entry to that effect in the tax certificate register, credit the payment to the tax certificate redemption fund created in the county treasury, and shall notify the certificate holder or holders by ordinary first class or certified mail or by binary means that the parcel has been redeemed and the lien or liens canceled, and that payment on the certificate or certificates is forthcoming. The treasurer shall pay the tax certificate holder or holders promptly.

The county treasurer shall administer the tax certificate redemption fund for the purpose of redeeming tax certificates. Interest earned on the fund shall be credited to the county general fund. If the county has established a county land reutilization corporation, the county treasurer may apply interest earned on the fund to the payment of the expenses of such corporation.

(2) If a redemption payment plan is entered into pursuant to division (C)(1) of this section, the county treasurer immediately

shall notify each certificate holder by ordinary first class or 124887
certified mail or by binary means of the terms of the plan. 124888
Installment payments made pursuant to the plan shall be deposited 124889
in the tax certificate redemption fund. Any overpayment of the 124890
installments shall be refunded to the person responsible for 124891
causing the overpayment if the person applies for a refund under 124892
this section. If the person responsible for causing the 124893
overpayment fails to apply for a refund under this section within 124894
five years from the date the plan is satisfied, an amount equal to 124895
the overpayment shall be deposited into the general fund of the 124896
county. If the county has established a county land reutilization 124897
corporation, the county treasurer may apply such overpayment to 124898
the payment of the expenses of the corporation. 124899

Upon satisfaction of the plan, the county treasurer shall 124900
indicate in the tax certificate register that the plan has been 124901
satisfied, and shall notify each certificate holder by ordinary 124902
first class or certified mail or by binary means that the plan has 124903
been satisfied and that payment on the certificate or certificates 124904
is forthcoming. The treasurer shall pay each certificate holder 124905
promptly. 124906

If a redemption payment plan becomes void, the county 124907
treasurer shall notify each certificate holder by ordinary first 124908
class or certified mail or by binary means. If a certificate 124909
holder files a request for foreclosure under section 5721.37 of 124910
the Revised Code, upon the filing of the request for foreclosure, 124911
any money paid under the plan shall be refunded to the person that 124912
paid the money under the plan. 124913

(3) Upon receipt of the payment required under division 124914
(B)(1) of section 5721.37 of the Revised Code, the treasurer shall 124915
pay all other certificate holders and indicate in the tax 124916
certificate register that such certificates have been satisfied. 124917
If a county has organized a county land reutilization corporation, 124918

the county treasurer may apply the redemption price and any 124919
applicable interest payable under division (B) of this section to 124920
the payment of the expenses of the corporation. 124921

Sec. 5721.42. After the settlement required under division 124922
(C) of section 321.24 of the Revised Code, the county treasurer 124923
shall notify the certificate holder of the most recently issued 124924
tax certificate, by ordinary first class or certified mail or by 124925
binary means, that the certificate holder may purchase a 124926
subsequent tax certificate by paying all delinquent taxes on the 124927
related certificate parcel, the lien against which has not been 124928
transferred by the sale of a tax certificate. During the thirty 124929
days after receiving the notice, the certificate holder possesses 124930
the exclusive right to purchase the subsequent tax certificate by 124931
paying those amounts to the county treasurer. The amount of the 124932
payment shall constitute a separate lien against the certificate 124933
parcel that shall be evidenced by the issuance by the treasurer to 124934
the certificate holder of an additional tax certificate with 124935
respect to the delinquent taxes so paid on the related certificate 124936
parcel. The amount of the payment as set forth in the tax 124937
certificate shall earn interest at the rate of eighteen per cent 124938
per year. The certificate period of each subsequent tax 124939
certificate shall terminate on the expiration date of the 124940
certificate period of the most recent tax certificate for the same 124941
certificate parcel. 124942

Sec. 5722.13. Real property acquired and held by an electing 124943
subdivision pursuant to this chapter that is not sold or otherwise 124944
transferred within fifteen years after such acquisition shall be 124945
offered for sale at public auction during the sixteenth year after 124946
acquisition. If the real property is not sold at that time, it may 124947
be disposed of or retained for any lawful purpose without further 124948
application of this chapter. 124949

Notice of the sale shall contain a description of each parcel, the permanent parcel number, and the full street address when available. The notice shall be published once a week for three consecutive weeks prior to the sale in a newspaper of general circulation within the electing subdivision. The newspaper shall meet the requirements of section 7.12 of the Revised Code.

Each parcel subsequent to the fifteenth year after its acquisition as part of a land reutilization program shall be sold for an amount equal to not less than the greater of:

(A) Two-thirds of its fair market value;

(B) The total amount of accrued taxes, assessments, penalties, interest, charges, and costs incurred by the electing subdivision in the acquisition, maintenance, and disposal of each parcel and the parcel's share of the costs and expenses of the land reutilization program.

The sale requirements of this section do not apply to real property acquired and held by a county land reutilization corporation.

Sec. 5723.05. If the taxes, assessments, charges, penalties, interest, and costs due on the forfeited lands have not been paid when the county auditor fixes the date for the sale of forfeited lands, the auditor shall give notice of them once a week for two consecutive weeks prior to the date fixed by the auditor for the sale, ~~in two newspapers~~ as provided in section 5721.03 of the Revised Code. The notice shall state that if the taxes, assessments, charges, penalties, interest, and costs charged against the lands forfeited to the state for nonpayment of taxes are not paid into the county treasury, and the county treasurer's receipt produced for the payment before the time specified in the notice for the sale of the lands, which day shall be named in the notice, each forfeited tract on which the taxes, assessments,

charges, penalties, interest, and costs remain unpaid will be 124981
offered for sale beginning on the date set by the auditor, at the 124982
courthouse in the county, in order to satisfy the unpaid taxes, 124983
assessments, charges, penalties, interest, and costs, and that the 124984
sale will continue from day to day until each of the tracts is 124985
sold or offered for sale. 124986

The notice also shall state that, if the forfeited land is 124987
sold for an amount that is less than the amount of the delinquent 124988
taxes, assessments, charges, penalties, and interest against it, 124989
and, if division (B)(2) of section 5721.17 of the Revised Code is 124990
applicable, any notes issued by a receiver pursuant to division 124991
(F) of section 3767.41 of the Revised Code and any receiver's lien 124992
as defined in division (C)(4) of section 5721.18 of the Revised 124993
Code, the court, in a separate order, may enter a deficiency 124994
judgment against the last owner of record of the land before its 124995
forfeiture to the state, for the amount of the difference; and 124996
that, if that owner of record is a corporation, the court may 124997
enter the deficiency judgment against the stockholder holding a 124998
majority of that corporation's stock. 124999

Sec. 5723.18. (A) Except as otherwise provided in division 125000
(B)(2) of section 5721.17 and division (B) of section 319.43 of 125001
the Revised Code, the proceeds from a forfeiture sale shall be 125002
distributed as follows: 125003

(1) The county auditor shall deduct all costs pertaining to 125004
the forfeiture and sale of forfeited lands, including costs 125005
pertaining to a foreclosure and forfeiture proceeding instituted 125006
under section 5721.14 of the Revised Code, except those paid under 125007
section 5721.04 of the Revised Code, from the moneys received from 125008
the sale of land and town lots forfeited to the state for the 125009
nonpayment of taxes, and shall pay such costs into the proper 125010
fund. In the case of the forfeiture sale of a parcel against which 125011

a foreclosure and forfeiture proceeding was instituted under 125012
section 5721.14 of the Revised Code, if the proceeds from the 125013
forfeiture sale are insufficient to pay the costs pertaining to 125014
such proceeding, the county auditor, at the next semiannual 125015
apportionment of real property taxes, shall reduce the amount of 125016
real property taxes that the auditor otherwise would distribute to 125017
each subdivision to which taxes, assessments, charges, penalties, 125018
or interest charged against the parcel are due. The reduction in 125019
each subdivision's real property tax distribution shall equal the 125020
amount of the unpaid costs multiplied by a fraction, the numerator 125021
of which is the amount of taxes, assessments, charges, penalties, 125022
and interest due the subdivision, and the denominator of which is 125023
the total amount of taxes, assessments, charges, penalties, and 125024
interest due all such subdivisions. 125025

(2) Following the payment required by division (A)(1) of this 125026
section, the part of the proceeds that is equal to ten per cent of 125027
the taxes and assessments due shall be deposited in equal shares 125028
into each of the delinquent tax and assessment collection ~~fund~~ 125029
funds created pursuant to section 321.261 of the Revised Code. 125030

(3) Following the payment required by division (A)(2) of this 125031
section, the remaining proceeds shall be distributed by the 125032
auditor to the appropriate subdivisions to pay the taxes, 125033
assessments, charges, penalties, and interest which are due and 125034
unpaid. If the proceeds available for distribution under this 125035
division are insufficient to pay the entire amount of those taxes, 125036
assessments, charges, penalties, and interest, the auditor shall 125037
distribute the proceeds available for distribution under this 125038
division to the appropriate subdivisions in proportion to the 125039
amount of those taxes, assessments, charges, penalties, and 125040
interest that each is due. 125041

(B) If the proceeds from the sale of forfeited land are 125042
insufficient to pay in full the amount of the taxes, assessments, 125043

charges, penalties, and interest; the costs incurred in the 125044
proceedings instituted pursuant to this chapter and section 125045
5721.18 of the Revised Code, or the foreclosure and forfeiture 125046
proceeding instituted pursuant to section 5721.14 of the Revised 125047
Code; and, if division (B)(2) of section 5721.17 of the Revised 125048
Code is applicable, any notes issued by a receiver pursuant to 125049
division (F) of section 3767.41 of the Revised Code and any 125050
receiver's lien as defined in division (C)(4) of section 5721.18 125051
of the Revised Code, the court may enter a deficiency judgment 125052
against the last owner of record of the land before its forfeiture 125053
to the state, for the unpaid amount. The court shall enter the 125054
judgment pursuant to section 5721.192 of the Revised Code. Except 125055
as otherwise provided in division (B) of section 319.43 of the 125056
Revised Code, the proceeds paid pursuant to the entry and 125057
satisfaction of such a judgment shall be distributed as if they 125058
had been received as a part of the proceeds from the sale of the 125059
land to satisfy the amount of the taxes, assessments, charges, 125060
penalties, and interest which are due and unpaid; the costs 125061
incurred in the associated proceedings which were due and unpaid; 125062
and, if division (B)(2) of section 5721.17 of the Revised Code is 125063
applicable, any notes issued by a receiver pursuant to division 125064
(F) of section 3767.41 of the Revised Code and any receiver's lien 125065

Code. 125067

The credit shall be claimed in the calendar year specified in the certificate. If the credit exceeds the amount of tax otherwise due in that year, the excess shall be refunded to the dealer but, if any amount of the credit is refunded, the sum of the amount refunded and the amount applied to reduce the tax otherwise due in that year shall not exceed three million dollars. The dealer may carry forward any balance of the credit in excess of the amount claimed in that year for not more than five ensuing years, and shall deduct any amount claimed in any such year from the amount claimed in an ensuing year.

Sec. 5727.57. In addition to all other remedies for the 125208
collection of any taxes or penalties due under law, whenever any 125209
taxes, fees, or penalties due from any public utility have 125210
remained unpaid for a period of ninety days, or whenever any 125211
public utility has failed for a period of ninety days to make any 125212
report or return required by law, or to pay any penalty for 125213
failure to make or file such report or return, the attorney 125214
general, upon the request of the tax commissioner, shall file a 125215
petition in the court of common pleas in the county of the state 125216
in which such public utility has its principal place of business 125217
for a judgment for the amount of the taxes and penalties appearing 125218
to be due, the enforcement of any lien in favor of the state, and 125219
an injunction to restrain such public utility and its officers, 125220
directors, and managing agents from the transaction of any 125221
business within this state, other than such acts as are incidental 125222
to liquidation or winding up, until the payment of such taxes, 125223
fees, penalties, and the costs of the proceeding, which shall be 125224
fixed by the court, or the making and filing of such report or 125225
return. 125226

Such petition shall be in the name of the state. All or any 125227
of the public utilities having their principal places of business 125228

in the county may be joined in one suit. On the motion of the attorney general, the court of common pleas shall enter an order requiring all defendants to answer by a day certain, and may appoint a special master commissioner to take testimony, with such other power and authority as the court confers, and permit process to be served by certified mail and by publication in a newspaper of general circulation ~~published~~ in the county, which publication need not be made more than once, setting forth the name of each delinquent public utility, the matter in which such public utility is delinquent, the names of its officers, directors, and managing agents, if set forth in the petition, and the amount of any taxes, fees, or penalties claimed to be owing by said public utility.

All of the officers, directors, shareholders, or managing agents of any public utility may be joined as defendants with such public utility.

If it appears to the court upon hearing that any public utility which is a party to such proceeding is indebted to the state for taxes, fees, or penalties, judgment shall be entered therefor with interest, which shall be computed at the rate per annum prescribed by section 5703.47 of the Revised Code; and if it appears that any public utility has failed to make or file any report or return, a mandatory injunction may be issued against such public utility, its officers, directors, and managing agents, as such enjoining them from the transaction of any business within this state, other than acts incidental to liquidation or winding up, until the making and filing of all proper reports or returns and the payment in full of all taxes, fees, and penalties.

If the officers, directors, shareholders, or managing agents of a public utility are not made parties in the first instance, and a judgment or an injunction is rendered or issued against such public utility, such officers, directors, shareholders, or managing agents, or any of them, may be made parties to such

proceedings upon the motion of the attorney general, and, upon 125261
notice to them of the form and terms of such injunction, they 125262
shall be bound thereby as fully as if they had been made parties 125263
in the first instance. 125264

In any action authorized by this section, a statement of the 125265
commissioner or the secretary of state, when duly certified shall 125266
be prima-facie evidence of the amount of taxes, fees, or penalties 125267
due from any public utility, or of the failure of any public 125268
utility to file with the commissioner or the secretary of state 125269
any report required by law, and any such certificate of the 125270
commissioner or the secretary of state may be required in evidence 125271
in any such proceeding. 125272

On the application of any defendant and for good cause shown, 125273
the court may order a separate hearing of the issues as to any 125274
defendant. 125275

The costs of the proceeding shall be apportioned among the 125276
parties as the court deems proper. 125277

The court in such proceeding may make, enter, and enforce 125278

Sec. 5727.75. (A) For purposes of this section: 125289

certified by the director of development pursuant to this section. 125291

(2) "Energy project" means a project to provide electric 125292
power through the construction, installation, and use of an energy 125293
facility. 125294

employee-hours for which compensation was paid to individuals 125299
employed at a qualified energy project for services performed at 125300
the project during the calendar year divided by two thousand 125301
eighty hours. 125302

(5) "Solar energy project" means an energy project composed 125303
of an energy facility using solar panels to generate electricity. 125304

(B)(1) Tangible personal property of a qualified energy 125305
project using renewable energy resources is exempt from taxation 125306
for tax years 2011 ~~and~~, 2012, 2013, 2014, and 2015 if all of the 125307
following conditions are satisfied: 125308

(a) On or before December 31, ~~2011~~ 2014, the owner or a 125309
lessee pursuant to a sale and leaseback transaction of the project 125310

under section 4906.20 of the Revised Code, or if that section does 125312
not apply, submits an application for any approval, consent, 125313

section, or the date the contract for the construction or 125322
installation of the energy facility is entered into. 125323

(c) For a qualified energy project with a nameplate capacity 125324
of five megawatts or greater, a board of county commissioners of a 125325
county in which property of the project is located has adopted a 125326
resolution under division (E)(1)(b) or (c) of this section to 125327
approve the application submitted under division (E) of this 125328
section to exempt the property located in that county from 125329
taxation. A board's adoption of a resolution rejecting an 125330
application or its failure to adopt a resolution approving the 125331
application does not affect the tax-exempt status of the qualified 125332
energy project's property that is located in another county. 125333

(2) If tangible personal property of a qualified energy 125334
project using renewable energy resources was exempt from taxation 125335

placed into service before that date is taxable property subject 125344
to taxation. An energy project for which certification has been 125345
revoked is ineligible for further exemption under this section. 125346
Revocation does not affect the tax-exempt status of the project's 125347
tangible personal property for the tax year in which revocation 125348
occurs or any prior tax year. 125349

(C) Tangible personal property of a qualified energy project 125350
using clean coal technology, advanced nuclear technology, or 125351
cogeneration technology is exempt from taxation for the first tax 125352
year that the property would be listed for taxation and all 125353

subsequent years if all of the following circumstances are met: 125354

is located in another county. 125369

(3) The certification for the qualified energy project issued 125370
under division (E)(2) of this section has not been revoked. An 125371
energy project for which certification has been revoked is 125372
ineligible for exemption under this section. Revocation does not 125373
affect the tax-exempt status of the project's tangible personal 125374
property for the tax year in which revocation occurs or any prior 125375
tax year. 125376

(D) Except as otherwise provided in this ~~division~~ section, 125377

certification of an energy project with a nameplate capacity of 125390
five megawatts or greater to the board of county commissioners of 125391
each county in which the project is located and to each taxing 125392
unit with territory located in each of the affected counties. Any 125393
board that receives from the director a copy of an application 125394
submitted under this division shall adopt a resolution approving 125395
or rejecting the application unless it has adopted a resolution 125396
under division (E)(1)(c) of this section. A resolution adopted 125397
under division (E)(1)(b) or (c) of this section may require an 125398
annual service payment to be made in addition to the service 125399
payment required under division (G) of this section. The sum of 125400
the service payment required in the resolution and the service 125401

submitted under this division or failed to adopt a resolution 125422
approving the application under division (E)(1)(b) or (c) of this 125423
section. 125424
