development, the owner or lessee of an energy project shall file a 125456
report with the director on or before the first day of March each 125457
year after completion of the energy facility's construction or 125458
installation indicating the project's nameplate capacity as of the 125459
preceding thirty-first day of December. Not later than sixty days 125460
after ~~the effective date of this section~~ June 17, 2010, the owner 125461
or lessee of an energy project, the construction of which was 125462

shall file a certificate indicating the project's nameplate 125464
capacity. 125465

construction or installation of the energy facility; 125470

(4) For energy projects with a nameplate capacity of five 125471
megawatts or greater, repair all roads, bridges, and culverts 125472
affected by construction as reasonably required to restore them to 125473
their preconstruction condition, as determined by the county 125474
engineer in consultation with the local jurisdiction responsible 125475
for the roads, bridges, and culverts. In the event that the county 125476
engineer deems any road, bridge, or culvert to be inadequate to 125477
support the construction or decommissioning of the energy 125478
facility, the road, bridge, or culvert shall be rebuilt or 125479

reinforced to the specifications established by the county 125480
engineer prior to the construction or decommissioning of the 125481
facility. The owner or lessee of the facility shall post a bond in 125482
an amount established by the county engineer and to be held by the 125483
board of county commissioners to ensure funding for repairs of 125484
roads, bridges, and culverts affected during the construction. The 125485

for repairs to roads, bridges, and culverts resulting from 125492
decommissioning of the facility. The energy facility owner or 125493
lessee and the county engineer may enter into an agreement 125494

fire and emergency responders with proper equipment as reasonably 125502
required to enable them to respond to such emergency situations; 125503

(6) Maintain a ratio of Ohio-domiciled full-time equivalent 125504
employees employed in the construction or installation of the 125505
energy project to total full-time equivalent employees employed in 125506
the construction or installation of the energy project of not less 125507
than eighty per cent in the case of a solar energy project, and 125508
not less than fifty per cent in the case of any other energy 125509
project. In the case of an energy project for which certification 125510
from the power siting board is required under section 4906.20 of 125511

the Revised Code, the number of full-time equivalent employees 125512
employed in the construction or installation of the energy project 125513
equals the number actually employed or the number projected to be 125514
employed in the certificate application, if such projection is 125515
required under regulations adopted pursuant to section 4906.03 of 125516
the Revised Code, whichever is greater. For all other energy 125517
projects, the number of full-time equivalent employees employed in 125518
the construction or installation of the energy project equals the 125519
number actually employed or the number projected to be employed by 125520
the director of development, whichever is greater. To estimate the 125521
number of employees to be employed in the construction or 125522
installation of an energy project, the director shall use a 125523
generally accepted job-estimating model in use for renewable 125524
energy projects, including but not limited to the job and economic 125525
development impact model. The director may adjust an estimate 125526
produced by a model to account for variables not accounted for by 125527
the model. 125528

the United States department of labor or with the apprenticeship 125534
council created by section 4139.02 of the Revised Code, to educate 125535
and train individuals for careers in the wind or solar energy 125536
industry. The relationship may include endowments, cooperative 125537
programs, internships, apprenticeships, research and development 125538
projects, and curriculum development. 125539

(8) Offer to sell power or renewable energy credits from the 125540
energy project to electric distribution utilities or electric 125541
service companies subject to renewable energy resource 125542
requirements under section 4928.64 of the Revised Code that have 125543

issued requests for proposal for such power or renewable energy 125544
credits. If no electric distribution utility or electric service 125545
company issues a request for proposal on or before December 31, 125546
2010, or accepts an offer for power or renewable energy credits 125547
within forty-five days after the offer is submitted, power or 125548
renewable energy credits from the energy project may be sold to 125549
other persons. Division (F)(8) of this section does not apply if: 125550

personal property on the real and public utility personal property 125570
tax list for each tax year for which property of the energy 125571
project is exempt from taxation under this section. The county 125572
treasurer shall allocate the payment on the basis of the project's 125573
physical location. Upon receipt of a payment, or if timely payment 125574

has not been received, the county treasurer shall certify such 125575

distribution year. For the purposes of this section, an emergency 125969
levy that existed in 1998 in the case of the electric company tax 125970
value loss, and 1999 in the case of the natural gas company tax 125971
value loss, continues to exist in a year beginning on or after 125972

tax year 1998 or 1999, respectively, less the amount of the 125976
payment certified under this division for 2002. 125977

(2) The total taxable value in tax year 1999 less the tax 125978
value loss in each school district, joint vocational school 125979

any school district, joint vocational school district, or local 125983
taxing unit is greater than zero, that amount shall equal the 125984
fixed-sum levy loss reimbursed pursuant to division ~~(E)~~(F) of 125985
section 5727.85 of the Revised Code or division (A)(2) of section 125986

proportion of each levy to the sum of all fixed-sum levies within 125990
each school district, joint vocational school district, or local 125991
taxing unit. 125992

(I) Notwithstanding divisions (D), (E), (G), and (H) of this 125993
section, in computing the tax value loss, fixed-rate levy loss, 125994
and fixed-sum levy loss, the tax commissioner shall use the 125995
greater of the 1998 tax rate or the 1999 tax rate in the case of 125996
levy losses associated with the electric company tax value loss, 125997
but the 1999 tax rate shall not include for this purpose any tax 125998
levy approved by the voters after June 30, 1999, and the tax 125999
commissioner shall use the greater of the 1999 or the 2000 tax 126000
rate in the case of levy losses associated with the natural gas 126001
company tax value loss. 126002

(J) Not later than January 1, 2002, the tax commissioner 126003
shall certify to the department of education the tax value loss 126004
determined under divisions (D) and (E) of this section for each 126005
taxing district, the fixed-rate levy loss calculated under 126006

division (G) of this section, and the fixed-sum levy loss 126007
calculated under division (H) of this section. The calculations 126008
under divisions (G) and (H) of this section shall separately 126009
display the levy loss for each levy eligible for reimbursement. 126010

(K) Not later than September 1, 2001, the tax commissioner 126011
shall certify the amount of the fixed-sum levy loss to the county 126012
auditor of each county in which a school district with a fixed-sum 126013

section from the amount described in division (A)(1)(a) of this 126022
section: 126023

(a) The state education aid computed for the school district 126024
or joint vocational school district for the current fiscal year as 126025

district or joint vocational school district; 126031

(c) The state education aid offset for fiscal year 2010 and 126032
fiscal year 2011 equals the greater of the state education aid 126033
offset calculated for that fiscal year under divisions (A)(1)(a) 126034

(4) For taxes levied within the ten-mill limitation or 126368
pursuant to a municipal charter for debt purposes in tax year 1998 126369
in the case of electric company tax value losses, and in tax year 126370
1999 in the case of natural gas company tax value losses, payments 126371
shall be made equal to one hundred per cent of the loss computed 126372
as if the tax were a fixed-rate levy, but those payments shall 126373
extend from ~~fiscal year 2006~~ 2011 through ~~fiscal year~~ 2016 if the 126374
levy was imposed for debt purposes in tax year 2010. If the levy 126375
is not imposed for debt purposes in tax year 2010 or any following 126376
tax year before tax year 2016, payments for that levy shall be 126377
made under division (A)(1) of this section beginning with the 126378
first year after the year the levy is imposed for a purpose other 126379
than debt. For the purposes of this division, taxes levied 126380
pursuant to a municipal charter refer to taxes levied pursuant to 126381
a provision of a municipal charter that permits the tax to be 126382

levied without prior voter approval. 126383

(B) Beginning in 2003, by the thirty-first day of January of 126384
each year, the tax commissioner shall review the calculation 126385
originally made under division (A) of this section of the 126386
fixed-sum levy loss determined under division (H) of section 126387
5727.84 of the Revised Code. If the commissioner determines that a 126388
fixed-sum levy that had been scheduled to be reimbursed in the 126389
current year has expired, a revised calculation for that and all 126390
subsequent years shall be made. 126391

(C) Payments to local taxing units required to be made under 126392
divisions (A) and (E) of this section shall be paid from the local 126393
government property tax replacement fund to the county undivided 126394
income tax fund in the proper county treasury. ~~One half of the~~ 126395
~~amount certified under those divisions shall be paid between the~~ 126396
~~twenty first and twenty eighth days of August and of February.~~ The 126397
county treasurer shall distribute amounts paid under division (A) 126398
of this section to the proper local taxing unit as if they had 126399
been levied and collected as taxes, and the local taxing unit 126400
shall apportion the amounts so received among its funds in the 126401
same proportions as if those amounts had been levied and collected 126402
as taxes. Except in the case of amounts distributed to the county 126403
as a local taxing unit, amounts distributed under division (E)(2) 126404
of this section shall be credited to the general fund of the local 126405
taxing unit that receives them. Amounts distributed to each county 126406
as a local taxing unit under division (E)(2) of this section shall 126407
be credited in the proportion that the current taxes charged and 126408
payable from each levy of or by the county bears to the total 126409
current taxes charged and payable from all levies of or by the 126410
county. 126411

(D) By February 5, 2002, the tax commissioner shall estimate 126412
the amount of money in the local government property tax 126413
replacement fund in excess of the amount necessary to make 126414

payments in that month under division (C) of this section. 126415

Notwithstanding division (A) of this section, the tax commissioner 126416
may pay any local taxing unit, from those excess funds, nine and 126417
four-tenths times the amount computed for 2002 under division 126418
(A)(1) of this section. A payment made under this division shall 126419
be in lieu of the payment to be made in February 2002 under 126420
division (A)(1) of this section. A local taxing unit receiving a 126421
payment under this division will no longer be entitled to any 126422
further payments under division (A)(1) of this section. A payment 126423
made under this division shall be paid from the local government 126424
property tax replacement fund to the county undivided income tax 126425
fund in the proper county treasury. The county treasurer shall 126426
distribute the payment to the proper local taxing unit as if it 126427
had been levied and collected as taxes, and the local taxing unit 126428
shall apportion the amounts so received among its funds in the 126429
same proportions as if those amounts had been levied and collected 126430
as taxes. 126431

(E)(1) On the thirty-first day of July of 2002, 2003, 2004, 126432
2005, and 2006, and on the thirty-first day of January and July of 126433
2007 ~~and each year thereafter~~ through January 2011, if the amount 126434
credited to the local government property tax replacement fund 126435
exceeds the amount needed to be distributed from the fund under 126436
division (A) of this section in the following month, the tax 126437
commissioner shall distribute the excess to each county as 126438
follows: 126439

(a) One-half shall be distributed to each county in 126440
proportion to each county's population. 126441

(b) One-half shall be distributed to each county in the 126442
proportion that the amounts determined under divisions (G) and (H) 126443
of section 5727.84 of the Revised Code for all local taxing units 126444
in the county is of the total amounts so determined for all local 126445
taxing units in the state. 126446

(2) The amounts distributed to each county under division (E) 126447
of this section shall be distributed by the county auditor to each 126448
local taxing unit in the county in the proportion that the unit's 126449
current taxes charged and payable are of the total current taxes 126450
charged and payable of all the local taxing units in the county. 126451
If the amount that the county auditor determines to be distributed 126452
to a local taxing unit is less than five dollars, that amount 126453
shall not be distributed, and the amount not distributed shall 126454
remain credited to the county undivided income tax fund. At the 126455
time of the next distribution under division (E)(2) of this 126456
section, any amount that had not been distributed in the prior 126457
distribution shall be added to the amount available for the next 126458
distribution prior to calculation of the amount to be distributed. 126459
As used in this division, "current taxes charged and payable" 126460
means the taxes charged and payable as most recently determined 126461
for local taxing units in the county. 126462

~~(3) If, in the opinion of the tax commissioner, the excess 126463
remaining in the local government property tax replacement fund in 126464
any year is not sufficient to warrant distribution After January 126465
2011, any amount that exceeds the amount needed to be distributed
from the fund under division ~~(E)(A)~~ of this section, ~~the excess 126467
shall remain to the credit of~~ in the following month shall be
transferred to the general revenue fund. 126468
126469~~

~~(F) From fiscal year 2002 through fiscal year 2016, if If the 126470
total amount in the local government property tax replacement fund 126471
is insufficient to make all payments under division (C) of this 126472
section at the times the payments are to be made, the director of 126473
budget and management shall transfer from the general revenue fund 126474
to the local government property tax replacement fund the 126475
difference between the total amount to be paid and the amount in 126476
the local government property tax replacement fund, except that no 126477
transfer shall be made by reason of a deficiency to the extent 126478~~

that it results from the amendment of section 5727.84 of the Revised Code by Amended Substitute House Bill 95 of the 125th general assembly.

(G) If all or a part of the territories of two or more local taxing units are merged, or unincorporated territory of a township is annexed by a municipal corporation, the tax commissioner shall adjust the payments made under this section to each of the local taxing units in proportion to the ~~tax value less~~ square mileage apportioned to the merged or annexed territory, or as otherwise provided by a written agreement between the legislative authorities of the local taxing units certified to the tax commissioner not later than the first day of June of the calendar year in which the payment is to be made.

Sec. 5729.17. (A) As used in this section, "certificate owner" has the same meaning as in section 149.311 of the Revised Code.

(B) There is allowed a credit against the tax imposed by section 5729.03 of the Revised Code for an insurance company subject to that tax that is a certificate owner of a rehabilitation tax credit certificate issued under section 149.311 of the Revised Code. The credit shall equal twenty-five per cent of the dollar amount indicated on the certificate, but the amount of the credit allowed for any company for any year shall not exceed five million dollars. The credit shall be claimed in the calendar year specified in the certificate and in the order required under section 5729.98 of the Revised Code. If the credit exceeds the amount of tax otherwise due in that year, the excess shall be refunded to the company but, if any amount of the credit is refunded, the sum of the amount refunded and the amount applied to reduce the tax otherwise due in that year shall not exceed three million dollars. The company may carry forward any balance

of the credit in excess of the amount claimed in that year for not 126510
more than five ensuing years, and shall deduct any amount claimed 126511
in any such year from the amount claimed in an ensuing year. 126512

(C) An insurance company claiming a credit under this section 126513
shall retain the rehabilitation tax credit certificate for four 126514
years following the end of the year in which the credit was 126515
claimed, and shall make the certificate available for inspection 126516
by the tax commissioner upon the request of the tax commissioner 126517
during that period. 126518

Sec. 5729.98. (A) To provide a uniform procedure for 126519
calculating the amount of tax due under this chapter, a taxpayer 126520
shall claim any credits and offsets against tax liability to which 126521
it is entitled in the following order: 126522

(1) The credit for an insurance company or insurance company 126523
group under section 5729.031 of the Revised Code; 126524

(2) The credit for eligible employee training costs under 126525
section 5729.07 of the Revised Code; 126526

(3) The credit for purchases of qualified low-income 126527

insurance guaranty association against tax liability permitted by 126532
section 3956.20 of the Revised Code; 126533

(6) The refundable credit for rehabilitating a historic 126534
building under section 5729.17 of the Revised Code. 126535

(7) The refundable credit for Ohio job retention under 126536
division (B)(2) or (3) of section 122.171 of the Revised Code; 126537

section 5729.032 of the Revised Code; 126539

~~(8)~~(9) The refundable credit under section 5729.08 of the 126540
Revised Code for losses on loans made under the Ohio venture 126541
capital program under sections 150.01 to 150.10 of the Revised 126542
Code. 126543

(B) For any credit except the refundable credits enumerated 126544
in this section, the amount of the credit for a taxable year shall 126545
not exceed the tax due after allowing for any other credit that 126546
precedes it in the order required under this section. Any excess 126547
amount of a particular credit may be carried forward if authorized 126548
under the section creating that credit. Nothing in this chapter 126549
shall be construed to allow a taxpayer to claim, directly or 126550
indirectly, a credit more than once for a taxable year. 126551

Sec. 5731.02. (A) A tax is hereby levied on the transfer of 126552

(B)(1) A nonrefundable credit is allowed against the tax imposed by section 5733.06 of the Revised Code for tax year 2002 for a taxpayer whose taxable year for tax year 2002 ended before July 1, 2001. The credit shall equal seven per cent of the excess of qualified research expenses incurred in this state by the taxpayer between January 1, 2001, and the end of the taxable year, over the taxpayer's average annual qualified research expenses incurred in this state for the three preceding taxable years.

(2) A nonrefundable credit also is allowed against the tax imposed by section 5733.06 of the Revised Code for each tax year, commencing with tax year 2004, and in the case of a corporation subject to division (G)(2) of section 5733.01 of the Revised Code ending with tax year 2008. (C) In the case of a qualifying controlled group, the credit 126946
allowed under division (B)(1) or (2) of this section to taxpayers 126947
in the qualifying controlled group shall be computed as if all 126948

(D) The levy of this tax on retail sales of recreation and 128621
sports club service shall not prevent a municipal corporation from 128622
levying any tax on recreation and sports club dues or on any 128623
income generated by recreation and sports club dues. 128624

(E) The tax collected by the vendor from the consumer under 128625
this chapter is not part of the price, but is a tax collection for 128626
the benefit of the state, and of counties levying an additional 128627
sales tax pursuant to section 5739.021 or 5739.026 of the Revised 128628
Code and of transit authorities levying an additional sales tax 128629
pursuant to section 5739.023 of the Revised Code. Except for the 128630
discount authorized under section 5739.12 of the Revised Code and 128631
the effects of any rounding pursuant to section 5703.055 of the 128632
Revised Code, no person other than the state or such a county or 128633
transit authority shall derive any benefit from the collection or 128634
payment of the tax levied by this section or section 5739.021, 128635
5739.023, or 5739.026 of the Revised Code. 128636

Sec. 5739.021. (A) For the purpose of providing additional 128637
general revenues for the county or supporting criminal and 128638
administrative justice services in the county, or both, and to pay 128639
the expenses of administering such levy, any county may levy a tax 128640
at the rate of not more than one per cent at any multiple of 128641
one-fourth of one per cent upon every retail sale made in the 128642
county, except sales of watercraft and outboard motors required to 128643
be titled pursuant to Chapter 1548. of the Revised Code and sales 128644
of motor vehicles, and may increase the rate of an existing tax to 128645
not more than one per cent at any multiple of one-fourth of one 128646
per cent. 128647

The tax shall be levied and the rate increased pursuant to a 128648
resolution of the board of county commissioners. The resolution 128649
shall state the purpose for which the tax is to be levied and the 128650
number of years for which the tax is to be levied, or that it is 128651
for a continuing period of time. If the tax is to be levied for 128652
the purpose of providing additional general revenues and for the 128653
purpose of supporting criminal and administrative justice 128654
services, the resolution shall state the rate or amount of the tax 128655
to be apportioned to each such purpose. The rate or amount may be 128656

different for each year the tax is to be levied, but the rates or 128657
amounts actually apportioned each year shall not be different from 128658
that stated in the resolution for that year. If the resolution is 128659
adopted as an emergency measure necessary for the immediate 128660
preservation of the public peace, health, or safety, it must 128661
receive an affirmative vote of all of the members of the board of 128662
county commissioners and shall state the reasons for such 128663
necessity. The board shall deliver a certified copy of the 128664
resolution to the tax commissioner, not later than the sixty-fifth 128665
day prior to the date on which the tax is to become effective, 128666
which shall be the first day of the calendar quarter. 128667

Prior to the adoption of any resolution under this section, 128668
the board of county commissioners shall conduct two public 128669
hearings on the resolution, the second hearing to be not less than 128670
three nor more than ten days after the first. Notice of the date, 128671
time, and place of the hearings shall be given by publication in a 128672
newspaper of general circulation in the county, or as provided in 128673
section 7.16 of the Revised Code, once a week on the same day of 128674
the week for two consecutive weeks, the second publication being 128675
not less than ten nor more than thirty days prior to the first 128676
hearing. 128677

Except as provided in division (B)(3) of this section, the 128678
resolution shall be subject to a referendum as provided in 128679
sections 305.31 to 305.41 of the Revised Code. 128680

If a petition for a referendum is filed, the county auditor 128681
with whom the petition was filed shall, within five days, notify 128682
the board of county commissioners and the tax commissioner of the 128683
filing of the petition by certified mail. If the board of 128684
elections with which the petition was filed declares the petition 128685
invalid, the board of elections, within five days, shall notify 128686
the board of county commissioners and the tax commissioner of that 128687
declaration by certified mail. If the petition is declared to be 128688

invalid, the effective date of the tax or increased rate of tax 128689
levied by this section shall be the first day of a calendar 128690
quarter following the expiration of sixty-five days from the date 128691
the commissioner receives notice from the board of elections that 128692
the petition is invalid. 128693

(B)(1) A resolution that is not adopted as an emergency 128694
measure may direct the board of elections to submit the question 128695
of levying the tax or increasing the rate of tax to the electors 128696
of the county at a special election held on the date specified by 128697
the board of county commissioners in the resolution, provided that 128698
the election occurs not less than ninety days after a certified 128699
copy of such resolution is transmitted to the board of elections 128700
and the election is not held in February or August of any year. 128701
Upon transmission of the resolution to the board of elections, the 128702
board of county commissioners shall notify the tax commissioner in 128703
writing of the levy question to be submitted to the electors. No 128704
resolution adopted under this division shall go into effect unless 128705
approved by a majority of those voting upon it, and, except as 128706
provided in division (B)(3) of this section, shall become 128707
effective on the first day of a calendar quarter following the 128708
expiration of sixty-five days from the date the tax commissioner 128709
receives notice from the board of elections of the affirmative 128710
vote. 128711

(2) A resolution that is adopted as an emergency measure 128712
shall go into effect as provided in division (A) of this section, 128713
but may direct the board of elections to submit the question of 128714
repealing the tax or increase in the rate of the tax to the 128715
electors of the county at the next general election in the county 128716
occurring not less than ninety days after a certified copy of the 128717
resolution is transmitted to the board of elections. Upon 128718
transmission of the resolution to the board of elections, the 128719
board of county commissioners shall notify the tax commissioner in 128720

writing of the levy question to be submitted to the electors. The 128721
ballot question shall be the same as that prescribed in section 128722
5739.022 of the Revised Code. The board of elections shall notify 128723
the board of county commissioners and the tax commissioner of the 128724
result of the election immediately after the result has been 128725
declared. If a majority of the qualified electors voting on the 128726
question of repealing the tax or increase in the rate of the tax 128727
vote for repeal of the tax or repeal of the increase, the board of 128728
county commissioners, on the first day of a calendar quarter 128729
following the expiration of sixty-five days after the date the 128730
board and tax commissioner receive notice of the result of the 128731
election, shall, in the case of a repeal of the tax, cease to levy 128732
the tax, or, in the case of a repeal of an increase in the rate of 128733
the tax, cease to levy the increased rate and levy the tax at the 128734
rate at which it was imposed immediately prior to the increase in 128735
rate. 128736

(3) If a vendor that is registered with the central 128737
electronic registration system provided for in section 5740.05 of 128738
the Revised Code makes a sale in this state by printed catalog and 128739
the consumer computed the tax on the sale based on local rates 128740
published in the catalog, any tax levied or repealed or rate 128741
changed under this section shall not apply to such a sale until 128742
the first day of a calendar quarter following the expiration of 128743
one hundred twenty days from the date of notice by the tax 128744
commissioner pursuant to division (H) of this section. 128745

(C) If a resolution is rejected at a referendum or if a 128746
resolution adopted after January 1, 1982, as an emergency measure 128747
is repealed by the electors pursuant to division (B)(2) of this 128748
section or section 5739.022 of the Revised Code, then for one year 128749
after the date of the election at which the resolution was 128750
rejected or repealed the board of county commissioners may not 128751
adopt any resolution authorized by this section as an emergency 128752

measure. 128753

(D) The board of county commissioners, at any time while a 128754
tax levied under this section is in effect, may by resolution 128755
reduce the rate at which the tax is levied to a lower rate 128756
authorized by this section. Any reduction in the rate at which the 128757
tax is levied shall be made effective on the first day of a 128758
calendar quarter next following the sixty-fifth day after a 128759
certified copy of the resolution is delivered to the tax 128760
commissioner. 128761

(E) The tax on every retail sale subject to a tax levied 128762
pursuant to this section shall be in addition to the tax levied by 128763
section 5739.02 of the Revised Code and any tax levied pursuant to 128764
section 5739.023 or 5739.026 of the Revised Code. 128765

A county that levies a tax pursuant to this section shall 128766
levy a tax at the same rate pursuant to section 5741.021 of the 128767
Revised Code. 128768

The additional tax levied by the county shall be collected 128769
pursuant to section 5739.025 of the Revised Code. If the 128770
additional tax or some portion thereof is levied for the purpose 128771
of criminal and administrative justice services, the revenue from 128772
the tax, or the amount or rate apportioned to that purpose, shall 128773
be credited to a special fund created in the county treasury for 128774
receipt of that revenue. 128775

Any tax levied pursuant to this section is subject to the 128776
exemptions provided in section 5739.02 of the Revised Code and in 128777
addition shall not be applicable to sales not within the taxing 128778
power of a county under the Constitution of the United States or 128779
the Ohio Constitution. 128780

(F) For purposes of this section, a copy of a resolution is 128781
"certified" when it contains a written statement attesting that 128782
the copy is a true and exact reproduction of the original 128783

resolution. 128784

(G) If a board of commissioners intends to adopt a resolution 128785
to levy a tax in whole or in part for the purpose of criminal and 128786
administrative justice services, the board shall prepare and make 128787
available at the first public hearing at which the resolution is 128788
considered a statement containing the following information: 128789

(1) For each of the two preceding fiscal years, the amount of 128790
expenditures made by the county from the county general fund for 128791
the purpose of criminal and administrative justice services; 128792

(2) For the fiscal year in which the resolution is adopted, 128793
the board's estimate of the amount of expenditures to be made by 128794
the county from the county general fund for the purpose of 128795
criminal and administrative justice services; 128796

(3) For each of the two fiscal years after the fiscal year in 128797
which the resolution is adopted, the board's preliminary plan for 128798
expenditures to be made from the county general fund for the 128799
purpose of criminal and administrative justice services, both 128800
under the assumption that the tax will be imposed for that purpose 128801
and under the assumption that the tax would not be imposed for 128802
that purpose, and for expenditures to be made from the special 128803
fund created under division (E) of this section under the 128804
assumption that the tax will be imposed for that purpose. 128805

The board shall prepare the statement and the preliminary 128806
plan using the best information available to the board at the time 128807
the statement is prepared. Neither the statement nor the 128808
preliminary plan shall be used as a basis to challenge the 128809
validity of the tax in any court of competent jurisdiction, nor 128810
shall the statement or preliminary plan limit the authority of the 128811
board to appropriate, pursuant to section 5705.38 of the Revised 128812
Code, an amount different from that specified in the preliminary 128813
plan. 128814

(H) Upon receipt from a board of county commissioners of a certified copy of a resolution required by division (A) or (D) of this section, or from the board of elections of a notice of the results of an election required by division (A) or (B)(1) or (2) of this section, the tax commissioner shall provide notice of a tax rate change in a manner that is reasonably accessible to all affected vendors. The commissioner shall provide this notice at least sixty days prior to the effective date of the rate change. The commissioner, by rule, may establish the method by which notice will be provided.

peace, health, or safety, it must receive an affirmative vote of 129030
all of the members of the board of county commissioners and shall 129031
state the reasons for the necessity. 129032

If the tax is for more than one of the purposes set forth in 129033
divisions (A)(1) to (7), (9), and (10) of this section, or is 129034
exclusively for one of the purposes set forth in division (A)(1), 129035

(2), (4), (5), (6), (7), (9), or (10) of this section, the 129036
resolution shall not go into effect unless it is approved by a 129037
majority of the electors voting on the question of the tax. 129038

(B) The board of county commissioners shall adopt a 129039
resolution under section 351.02 of the Revised Code creating the 129040

(C)(1) If the tax is to be used for more than one of the 129047
purposes set forth in divisions (A)(1) to (7), (9), and (10) of 129048
this section, the board of county commissioners shall establish 129049
the method that will be used to determine the amount or proportion 129050

will be distributed for each of those purposes, including, if 129052
applicable, provisions governing the reallocation of a convention 129053
facilities authority's allocation if the authority is dissolved 129054
while the tax is in effect. The allocation method may provide that 129055
different proportions or amounts of the tax shall be distributed 129056
among the purposes in different years, but it shall clearly 129057
describe the method that will be used for each year. Except as 129058
otherwise provided in division (C)(2) of this section, the 129059
allocation method established by the board is not subject to 129060
amendment during the life of the tax. 129061

(2) Subsequent to holding a public hearing on the proposed 129062
amendment, the board of county commissioners may amend the 129063
allocation method established under division (C)(1) of this 129064
section for any year, if the amendment is approved by the 129065
governing board of each entity whose allocation for the year would 129066
be reduced by the proposed amendment. In the case of a tax that is 129067

levied for a continuing period of time, the board may not so amend 129068
the allocation method for any year before the sixth year that the 129069
tax is in effect. 129070

facilities authority are pledged by the authority for the payment 129072
of convention facilities authority revenue bonds for as long as 129073
such bonds are outstanding, no reduction of the authority's 129074
allocation of the tax shall be made for any year except to the 129075
extent that the reduced authority allocation, when combined with 129076
the authority's other revenues pledged for that purpose, is 129077
sufficient to meet the debt service requirements for that year on 129078
such bonds. 129079

(b) If the additional revenues provided to the county are 129080
pledged by the county for the payment of bonds or notes described 129081
in division (A)(4) or (5) of this section, for as long as such 129082
bonds or notes are outstanding, no reduction of the county's or 129083
the community improvements board's allocation of the tax shall be 129084
made for any year, except to the extent that the reduced county or 129085
community improvements board allocation is sufficient to meet the 129086
debt service requirements for that year on such bonds or notes. 129087

(c) If the additional revenues provided to the transit 129088
authority are pledged by the authority for the payment of revenue 129089
bonds issued under section 306.37 of the Revised Code, for as long 129090
as such bonds are outstanding, no reduction of the authority's 129091
allocation of tax shall be made for any year, except to the extent 129092
that the authority's reduced allocation, when combined with the 129093
authority's other revenues pledged for that purpose, is sufficient 129094
to meet the debt service requirements for that year on such bonds. 129095

(d) If the additional revenues provided to the county are 129096
pledged by the county for the payment of bonds or notes issued 129097
under section 133.60 of the Revised Code, for so long as the bonds 129098
or notes are outstanding, no reduction of the county's allocation 129099

of the tax shall be made for any year, except to the extent that 129100
the reduced county allocation is sufficient to meet the debt 129101
service requirements for that year on the bonds or notes. 129102

(D)(1) The resolution levying the tax or increasing the rate 129103
of tax shall state the rate of the tax or the rate of the 129104

the number of years for which it is to be levied or that it is for 129106
a continuing period of time; the allocation method required by 129107
division (C) of this section; and if required to be submitted to 129108
the electors of the county under division (A) of this section, the 129109
date of the election at which the proposal shall be submitted to 129110
the electors of the county, which shall be not less than ninety 129111

board of elections and, if the tax is to be levied exclusively for 129113
the purpose set forth in division (A)(3) of this section, shall 129114

the resolution to the board of elections, the board of county 129116

levy question to be submitted to the electors. If approved by a 129118
majority of the electors, the tax shall become effective on the 129119
first day of a calendar quarter next following the sixty-fifth day 129120
following the date the board of county commissioners and tax 129121
commissioner receive from the board of elections the certification 129122
of the results of the election, except as provided in division (E) 129123
of this section. 129124

(2)(a) A resolution specifying that the tax is to be used 129125
exclusively for the purpose set forth in division (A)(3) of this 129126
section that is not adopted as an emergency measure may direct the 129127
board of elections to submit the question of levying the tax or 129128
increasing the rate of the tax to the electors of the county at a 129129
special election held on the date specified by the board of county 129130
commissioners in the resolution, provided that the election occurs 129131

not less than ninety days after the resolution is certified to the board of elections and the election is not held in February or August of any year. Upon certification of the resolution to the board of elections, the board of county commissioners shall notify the tax commissioner in writing of the levy question to be submitted to the electors. No resolution adopted under division (D)(2)(a) of this section shall go into effect unless approved by a majority of those voting upon it and, except as provided in division (E) of this section, not until the first day of a calendar quarter following the expiration of sixty-five days from the date the tax commissioner receives notice from the board of elections of the affirmative vote.

Upon certification of the resolution to the board of elections, the board of county commissioners shall notify the tax commissioner in writing of the levy question to be submitted to the electors. The ballot question shall be the same as that prescribed in section 5739.022 of the Revised Code. The board of elections shall notify the board of county commissioners and the tax commissioner of the result of the election immediately after the result has been declared. If a majority of the qualified electors voting on the question of repealing the tax or increase in the rate of the tax vote for repeal of the tax or repeal of the increase, the board of county commissioners, on the first day of a calendar quarter following the expiration of sixty-five days after the date the board and tax commissioner received notice of the

result of the election, shall, in the case of a repeal of the tax, 129165
cease to levy the tax, or, in the case of a repeal of an increase 129166
in the rate of the tax, cease to levy the increased rate and levy 129167
the tax at the rate at which it was imposed immediately prior to 129168
the increase in rate. 129169

(c) A board of county commissioners, by resolution, may 129170
reduce the rate of a tax levied exclusively for the purpose set 129171
forth in division (A)(3) of this section to a lower rate 129172
authorized by this section. Any such reduction shall be made 129173
effective on the first day of the calendar quarter next following 129174
the sixty-fifth day after the tax commissioner receives a 129175
certified copy of the resolution from the board. 129176

(E) If a vendor that is registered with the central 129177

the Revised Code makes a sale in this state by printed catalog and 129179
the consumer computed the tax on the sale based on local rates 129180
published in the catalog, any tax levied or repealed or rate 129181

Revised Code. 129192

The additional tax levied by the county shall be collected 129193
pursuant to section 5739.025 of the Revised Code. 129194

Any tax levied pursuant to this section is subject to the 129195

agent, the commissioner shall refund to the vendor the amount of 129213
taxes paid if the vendor has refunded to the consumer the full 129214

commissioner shall refund to the consumer the full amount of 129222
illegal or erroneous taxes paid. 129223

(C) The commissioner shall refund to the consumer taxes paid 129224

limitation is waived, the refund application period shall be 129242
extended for the same period as the waiver. 129243

(E) An application for refund shall be filed in accordance 129244

(4) Deduct disability and survivor's benefits to the extent included in federal adjusted gross income.

(5) Deduct benefits under Title II of the Social Security Act and tier 1 railroad retirement benefits to the extent included in federal adjusted gross income under section 86 of the Internal Revenue Code.

(6) In the case of a taxpayer who is a beneficiary of a trust that makes an accumulation distribution as defined in section 665 of the Internal Revenue Code, add, for the beneficiary's taxable years beginning before 2002, the portion, if any, of such distribution that does not exceed the undistributed net income of the trust for the three taxable years preceding the taxable year in which the distribution is made to the extent that the portion was not included in the trust's taxable income for any of the trust's taxable years beginning in 2002 or thereafter. "Undistributed net income of a trust" means the taxable income of the trust increased by (a)(i) the additions to adjusted gross

income required under division (A) of this section and (ii) the 129444
personal exemptions allowed to the trust pursuant to section 129445
642(b) of the Internal Revenue Code, and decreased by (b)(i) the 129446
deductions to adjusted gross income required under division (A) of 129447
this section, (ii) the amount of federal income taxes attributable 129448
to such income, and (iii) the amount of taxable income that has 129449
been included in the adjusted gross income of a beneficiary by 129450
reason of a prior accumulation distribution. Any undistributed net 129451
income included in the adjusted gross income of a beneficiary 129452
shall reduce the undistributed net income of the trust commencing 129453
with the earliest years of the accumulation period. 129454

(7) Deduct the amount of wages and salaries, if any, not 129455
otherwise allowable as a deduction but that would have been 129456
allowable as a deduction in computing federal adjusted gross 129457
income for the taxable year, had the targeted jobs credit allowed 129458
and determined under sections 38, 51, and 52 of the Internal 129459
Revenue Code not been in effect. 129460

(8) Deduct any interest or interest equivalent on public 129461
obligations and purchase obligations to the extent that the 129462
interest or interest equivalent is included in federal adjusted 129463
gross income. 129464

(9) Add any loss or deduct any gain resulting from the sale, 129465
exchange, or other disposition of public obligations to the extent 129466
that the loss has been deducted or the gain has been included in 129467
computing federal adjusted gross income. 129468

(10) Deduct or add amounts, as provided under section 5747.70 129469
of the Revised Code, related to contributions to variable college 129470
savings program accounts made or tuition units purchased pursuant 129471
to Chapter 3334. of the Revised Code. 129472

(11)(a) Deduct, to the extent not otherwise allowable as a 129473
deduction or exclusion in computing federal or Ohio adjusted gross 129474

income for the taxable year, the amount the taxpayer paid during 129475
the taxable year for medical care insurance and qualified 129476
long-term care insurance for the taxpayer, the taxpayer's spouse, 129477
and dependents. No deduction for medical care insurance under 129478
division (A)(11) of this section shall be allowed either to any 129479
taxpayer who is eligible to participate in any subsidized health 129480
plan maintained by any employer of the taxpayer or of the 129481
taxpayer's spouse, or to any taxpayer who is entitled to, or on 129482
application would be entitled to, benefits under part A of Title 129483
XVIII of the "Social Security Act," 49 Stat. 620 (1935), 42 U.S.C. 129484
301, as amended. For the purposes of division (A)(11)(a) of this 129485
section, "subsidized health plan" means a healthplan for which 129486
the employer pays any portion of the plan's cost. The deduction 129487
allowed under division (A)(11)(a) of this section shall be the net 129488
of any related premium refunds, related premium reimbursements, or 129489
related insurance premium dividends received during the taxable 129490
year. 129491

(b) Deduct, to the extent not otherwise deducted or excluded 129492
in computing federal or Ohio adjusted gross income during the 129493
taxable year, the amount the taxpayer paid during the taxable 129494
year, not compensated for by any insurance or otherwise, for 129495
medical care of the taxpayer, the taxpayer's spouse, and 129496
dependents, to the extent the expenses exceed seven and one-half 129497
per cent of the taxpayer's federal adjusted gross income. 129498

(c) Deduct, to the extent not otherwise deducted or excluded 129499
in computing federal or Ohio adjusted gross income, any amount 129500
included in federal adjusted gross income under section 105 or not 129501
excluded under section 106 of the Internal Revenue Code solely 129502
because it relates to an accident and health plan for a person who 129503
otherwise would be a "qualifying relative" and thus a "dependent" 129504
under section 152 of the Internal Revenue Code but for the fact 129505
that the person fails to meet the income and support limitations 129506

under section 152(d)(1)(B) and (C) of the Internal Revenue Code. 129507

(d) For purposes of division (A)(11) of this section, 129508
"medical care" has the meaning given in section 213 of the 129509
Internal Revenue Code, subject to the special rules, limitations, 129510
and exclusions set forth therein, and "qualified long-term care" 129511
has the same meaning given in section 7702B(c) of the Internal 129512
Revenue Code. Solely for purposes of divisions (A)(11)(a) and (c) 129513
of this section, "dependent" includes a person who otherwise would 129514
be a "qualifying relative" and thus a "dependent" under section 129515
152 of the Internal Revenue Code but for the fact that the person 129516
fails to meet the income and support limitations under section 129517
152(d)(1)(B) and (C) of the Internal Revenue Code. 129518

(12)(a) Deduct any amount included in federal adjusted gross 129519
income solely because the amount represents a reimbursement or 129520
refund of expenses that in any year the taxpayer had deducted as 129521
an itemized deduction pursuant to section 63 of the Internal 129522
Revenue Code and applicable United States department of the 129523
treasury regulations. The deduction otherwise allowed under 129524
division (A)(12)(a) of this section shall be reduced to the extent 129525
the reimbursement is attributable to an amount the taxpayer 129526
deducted under this section in any taxable year. 129527

(b) Add any amount not otherwise included in Ohio adjusted 129528
gross income for any taxable year to the extent that the amount is 129529
attributable to the recovery during the taxable year of any amount 129530
deducted or excluded in computing federal or Ohio adjusted gross 129531
income in any taxable year. 129532

(13) Deduct any portion of the deduction described in section 129533
1341(a)(2) of the Internal Revenue Code, for repaying previously 129534
reported income received under a claim of right, that meets both 129535
of the following requirements: 129536

(a) It is allowable for repayment of an item that was 129537

included in the taxpayer's adjusted gross income for a prior 129538
taxable year and did not qualify for a credit under division (A) 129539
or (B) of section 5747.05 of the Revised Code for that year; 129540

(b) It does not otherwise reduce the taxpayer's adjusted 129541
gross income for the current or any other taxable year. 129542

(14) Deduct an amount equal to the deposits made to, and net 129543
investment earnings of, a medical savings account during the 129544
taxable year, in accordance with section 3924.66 of the Revised 129545
Code. The deduction allowed by division (A)(14) of this section 129546
does not apply to medical savings account deposits and earnings 129547
otherwise deducted or excluded for the current or any other 129548
taxable year from the taxpayer's federal adjusted gross income. 129549

(15)(a) Add an amount equal to the funds withdrawn from a 129550
medical savings account during the taxable year, and the net 129551
investment earnings on those funds, when the funds withdrawn were 129552
used for any purpose other than to reimburse an account holder 129553
for, or to pay, eligible medical expenses, in accordance with 129554
section 3924.66 of the Revised Code; 129555

(b) Add the amounts distributed from a medical savings 129556
account under division (A)(2) of section 3924.68 of the Revised 129557
Code during the taxable year. 129558

(16) Add any amount claimed as a credit under section 129559
5747.059 of the Revised Code to the extent that such amount 129560
satisfies either of the following: 129561

(a) The amount was deducted or excluded from the computation 129562
of the taxpayer's federal adjusted gross income as required to be 129563
reported for the taxpayer's taxable year under the Internal 129564
Revenue Code; 129565

(b) The amount resulted in a reduction of the taxpayer's 129566
federal adjusted gross income as required to be reported for any 129567
of the taxpayer's taxable years under the Internal Revenue Code. 129568

(17) Deduct the amount contributed by the taxpayer to an individual development account program established by a county department of job and family services pursuant to sections 329.11 to 329.14 of the Revised Code for the purpose of matching funds deposited by program participants. On request of the tax commissioner, the taxpayer shall provide any information that, in the tax commissioner's opinion, is necessary to establish the amount deducted under division (A)(17) of this section.

(18) Beginning in taxable year 2001 but not for any taxable year beginning after December 31, 2005, if the taxpayer is married and files a joint return and the combined federal adjusted gross income of the taxpayer and the taxpayer's spouse for the taxable year does not exceed one hundred thousand dollars, or if the taxpayer is single and has a federal adjusted gross income for the taxable year not exceeding fifty thousand dollars, deduct amounts paid during the taxable year for qualified tuition and fees paid to an eligible institution for the taxpayer, the taxpayer's spouse, or any dependent of the taxpayer, who is a resident of this state and is enrolled in or attending a program that culminates in a degree or diploma at an eligible institution. The deduction may be claimed only to the extent that qualified tuition and fees are not otherwise deducted or excluded for any taxable year from federal or Ohio adjusted gross income. The deduction may not be claimed for educational expenses for which the taxpayer claims a credit under section 5747.27 of the Revised Code.

129594
129595
129596
129597

(20)(a)(i) Add five-sixths of the amount of depreciation expense allowed by subsection (k) of section 168 of the Internal Revenue Code, including the taxpayer's proportionate or

129598
129599
129600

distributive share of the amount of depreciation expense allowed 129601
by that subsection to a pass-through entity in which the taxpayer 129602
has a direct or indirect ownership interest. 129603

(ii) Add five-sixths of the amount of qualifying section 179 129604
depreciation expense, including a person's proportionate or 129605
distributive share of the amount of qualifying section 179 129606
depreciation expense allowed to any pass-through entity in which 129607
the person has a direct or indirect ownership. For the purposes of 129608
this division, "qualifying section 179 depreciation expense" means 129609
the difference between (I) the amount of depreciation expense 129610
directly or indirectly allowed to the taxpayer under section 179 129611
of the Internal Revenue Code, and (II) the amount of depreciation 129612
expense directly or indirectly allowed to the taxpayer under 129613
section 179 of the Internal Revenue Code as that section existed 129614
on December 31, 2002. 129615

The tax commissioner, under procedures established by the 129616
commissioner, may waive the add-backs related to a pass-through 129617
entity if the taxpayer owns, directly or indirectly, less than 129618
five per cent of the pass-through entity. 129619

(b) Nothing in division (A)(20) of this section shall be 129620
construed to adjust or modify the adjusted basis of any asset. 129621

(c) To the extent the add-back required under division 129622
(A)(20)(a) of this section is attributable to property generating 129623
nonbusiness income or loss allocated under section 5747.20 of the 129624
Revised Code, the add-back shall be situated to the same location 129625
as the nonbusiness income or loss generated by the property for 129626
the purpose of determining the credit under division (A) of 129627
section 5747.05 of the Revised Code. Otherwise, the add-back shall 129628
be apportioned, subject to one or more of the four alternative 129629
methods of apportionment enumerated in section 5747.21 of the 129630
Revised Code. 129631

(d) For the purposes of division (A) of this section, net operating loss carryback and carryforward shall not include five-sixths of the allowance of any net operating loss deduction carryback or carryforward to the taxable year to the extent such loss resulted from depreciation allowed by section 168(k) of the Internal Revenue Code and by the qualifying section 179 depreciation expense amount.

(21)(a) If the taxpayer was required to add an amount under division (A)(20)(a) of this section for a taxable year, deduct one-fifth of the amount so added for each of the five succeeding taxable years.

(b) If the amount deducted under division (A)(21)(a) of this section is attributable to an add-back allocated under division (A)(20)(c) of this section, the amount deducted shall be situated to the same location. Otherwise, the add-back shall be apportioned using the apportionment factors for the taxable year in which the deduction is taken, subject to one or more of the four alternative methods of apportionment enumerated in section 5747.21 of the Revised Code.

(c) No deduction is available under division (A)(21)(a) of this section with regard to any depreciation allowed by section 168(k) of the Internal Revenue Code and by the qualifying section 179 depreciation expense amount to the extent that such depreciation resulted in or increased a federal net operating loss carryback or carryforward to a taxable year to which division (A)(20)(d) of this section does not apply.

(22) Deduct, to the extent not otherwise deducted or excluded in computing federal or Ohio adjusted gross income for the taxable year, the amount the taxpayer received during the taxable year as reimbursement for life insurance premiums under section 5919.31 of the Revised Code.

(23) Deduct, to the extent not otherwise deducted or excluded 129663
in computing federal or Ohio adjusted gross income for the taxable 129664
year, the amount the taxpayer received during the taxable year as 129665
a death benefit paid by the adjutant general under section 5919.33 129666
of the Revised Code. 129667

(24) Deduct, to the extent included in federal adjusted gross 129668
income and not otherwise allowable as a deduction or exclusion in 129669
computing federal or Ohio adjusted gross income for the taxable 129670
year, military pay and allowances received by the taxpayer during 129671
the taxable year for active duty service in the United States 129672
army, air force, navy, marine corps, or coast guard or reserve 129673
components thereof or the national guard. The deduction may not be 129674
claimed for military pay and allowances received by the taxpayer 129675
while the taxpayer is stationed in this state. 129676

(25) Deduct, to the extent not otherwise allowable as a 129677
deduction or exclusion in computing federal or Ohio adjusted gross 129678
income for the taxable year and not otherwise compensated for by 129679
any other source, the amount of qualified organ donation expenses 129680
incurred by the taxpayer during the taxable year, not to exceed 129681
ten thousand dollars. A taxpayer may deduct qualified organ 129682
donation expenses only once for all taxable years beginning with 129683
taxable years beginning in 2007. 129684

For the purposes of division (A)(25) of this section: 129685

(a) "Human organ" means all or any portion of a human liver, 129686
pancreas, kidney, intestine, or lung, and any portion of human 129687
bone marrow. 129688

(b) "Qualified organ donation expenses" means travel 129689
expenses, lodging expenses, and wages and salary forgone by a 129690
taxpayer in connection with the taxpayer's donation, while living, 129691
of one or more of the taxpayer's human organs to another human 129692
being. 129693

(26) Deduct, to the extent not otherwise deducted or excluded 129694

year, amounts received by the taxpayer as retired military 129696
personnel pay for service in the United States army, navy, air 129697
force, coast guard, or marine corps or reserve components thereof, 129698
or the national guard, or received by the surviving spouse or 129699
former spouse of such a taxpayer under the survivor benefit plan 129700
on account of such a taxpayer's death. If the taxpayer receives 129701
income on account of retirement paid under the federal civil 129702
service retirement system or federal employees retirement system, 129703
or under any successor retirement program enacted by the congress 129704
of the United States that is established and maintained for 129705
retired employees of the United States government, and such 129706
retirement income is based, in whole or in part, on credit for the 129707
taxpayer's military service, the deduction allowed under this 129708
division shall include only that portion of such retirement income 129709
that is attributable to the taxpayer's military service, to the 129710
extent that portion of such retirement income is otherwise 129711
included in federal adjusted gross income and is not otherwise 129712
deducted under this section. Any amount deducted under division 129713
(A)(26) of this section is not included in a taxpayer's adjusted 129714
gross income for the purposes of section 5747.055 of the Revised 129715
Code. No amount may be deducted under division (A)(26) of this 129716
section on the basis of which a credit was claimed under section 129717
5747.055 of the Revised Code. 129718

(27) Deduct, to the extent not otherwise deducted or excluded 129719
in computing federal or Ohio adjusted gross income for the taxable 129720

from the military injury relief fund created in section 5101.98 of 129722

the taxable year from the Ohio department of veterans services as 129727
authorized by Section 2r of Article VIII, Ohio Constitution. 129728

in computing federal or Ohio adjusted gross income for the taxable 129730
year, any loss from wagering transactions that is allowed as an 129731
itemized deduction under section 165 of the Internal Revenue Code 129732
and that the taxpayer deducted in computing federal taxable 129733
income. 129734

(30) Deduct, to the extent not otherwise deducted or excluded 129735
in computing federal or Ohio adjusted gross income for the taxable 129736
year, any income derived from providing public services under a 129737
contract through a project owned by the state, as described in 129738
section 126.604 of the Revised Code or derived from a transfer 129739

arising from transactions, activities, and sources in the regular 129743
course of a trade or business and includes income, gain, or loss 129744
from real property, tangible property, and intangible property if 129745
the acquisition, rental, management, and disposition of the 129746
property constitute integral parts of the regular course of a 129747
trade or business operation. "Business income" includes income, 129748

sale or other disposition of goodwill. 129751

(C) "Nonbusiness income" means all income other than business 129752

129771

(2) The estate of a decedent who at the time of death was domiciled in this state. The domicile tests of section 5747.24 of the Revised Code are not controlling for purposes of division (I)(2) of this section. 129772
129773
129774
129775

(3) A trust that, in whole or part, resides in this state. If only part of a trust resides in this state, the trust is a resident only with respect to that part. 129776

only if at least one of the trust's qualifying beneficiaries is a 129799
resident domiciled in this state for the purposes of this chapter 129800
during all or some portion of the trust's current taxable year. If 129801
a trust document or instrument became irrevocable upon the death 129802

for purposes of this chapter, that person is a person described in 129804
division (I)(3)(a)(iii) of this section. 129805

(b) A trust is irrevocable to the extent that the transferor 129806

whole or in part, of assets, net of any related liabilities, that 129821
were transferred directly or indirectly, in whole or part, to the 129822
trust by any of the sources enumerated in that division shall be 129823
ascertained by multiplying the fair market value of the trust's 129824
assets, net of related liabilities, by the qualifying ratio, which 129825
shall be computed as follows: 129826

(i) The first time the trust receives assets, the numerator 129827
of the qualifying ratio is the fair market value of those assets 129828
at that time, net of any related liabilities, from sources 129829
enumerated in division (I)(3)(a) of this section. The denominator 129830
of the qualifying ratio is the fair market value of all the 129831
trust's assets at that time, net of any related liabilities. 129832

(ii) Each subsequent time the trust receives assets, a 129833
revised qualifying ratio shall be computed. The numerator of the 129834
revised qualifying ratio is the sum of (1) the fair market value 129835
of the trust's assets immediately prior to the subsequent 129836
transfer, net of any related liabilities, multiplied by the 129837
qualifying ratio last computed without regard to the subsequent 129838
transfer, and (2) the fair market value of the subsequently 129839
transferred assets at the time transferred, net of any related 129840
liabilities, from sources enumerated in division (I)(3)(a) of this 129841
section. The denominator of the revised qualifying ratio is the 129842
fair market value of all the trust's assets immediately after the 129843
subsequent transfer, net of any related liabilities. 129844

(iii) Whether a transfer to the trust is by or from any of 129845
the sources enumerated in division (I)(3)(a) of this section shall 129846
be ascertained without regard to the domicile of the trust's 129847
beneficiaries. 129848

(e) For the purposes of division (I)(3)(a)(i) of this 129849
section: 129850

(ii) A trust is described in division (I)(3)(e)(ii) of this section if the transfer is a qualifying transfer described in any of divisions (I)(3)(f)(i) to (vi) of this section, the trust is an irrevocable inter vivos trust, and at least one of the trust's qualifying beneficiaries is domiciled in this state for purposes of this chapter during all or some portion of the trust's current taxable year.

(ii) The transfer is made to a trust to which the decedent, prior to the decedent's death, had directly or indirectly transferred assets, net of any related liabilities, while the decedent was domiciled in this state for the purposes of this chapter, and prior to the death of the decedent the trust became irrevocable while the decedent was domiciled in this state for the purposes of this chapter.

(iii) The transfer is made on account of a contractual relationship existing directly or indirectly between the

transferor and either the decedent or the estate of the decedent 129882
at any time prior to the date of the decedent's death, and the 129883
decedent was domiciled in this state at the time of death for 129884
purposes of the taxes levied under Chapter 5731. of the Revised 129885
Code. 129886

(iv) The transfer is made to a trust on account of a 129887

5731. of the Revised Code. 129895

(vi) The transfer is made to a trust created by or caused to 129896
be created by a court, and the trust was directly or indirectly 129897
created in connection with or as a result of the death of an 129898

5731. of the Revised Code, was domiciled in this state at the time 129900
of the individual's death. 129901

part of a trust residing in this state. 129903

(J) "Nonresident" means an individual or estate that is not a 129904
resident. An individual who is a resident for only part of a 129905
taxable year is a nonresident for the remainder of that taxable 129906
year. 129907

(K) "Pass-through entity" has the same meaning as in section 129908
5733.04 of the Revised Code. 129909

(L) "Return" means the notifications and reports required to 129910
be filed pursuant to this chapter for the purpose of reporting the 129911
tax due and includes declarations of estimated tax when so 129912

required.	129913
(M) "Taxable year" means the calendar year or the taxpayer's	129914
fiscal year ending during the calendar year, or fractional part	129915

(N) "Taxpayer" means any person subject to the tax imposed by	129918
section 5747.02 of the Revised Code or any pass-through entity	129919

the Revised Code.	129921
(O) "Dependents" means dependents as defined in the Internal	129922
Revenue Code and as claimed in the taxpayer's federal income tax	129923

return.	129926
(P) "Principal county of employment" means, in the case of a	129927
nonresident, the county within the state in which a taxpayer	129928

performed in more than one county, the county in which the major	129930
portion of the services are performed.	129931

(R) "Overpayment" means any amount already paid that exceeds	129940
the figure determined to be the correct amount of the tax.	129941
(S) "Taxable income" or "Ohio taxable income" applies only to	129942

and used in the Internal Revenue Code, adjusted as follows: 129944

(1) Add interest or dividends, net of ordinary, necessary, 129945
and reasonable expenses not deducted in computing federal taxable 129946
income, on obligations or securities of any state or of any 129947
political subdivision or authority of any state, other than this 129948
state and its subdivisions and authorities, but only to the extent 129949
that such net amount is not otherwise includible in Ohio taxable 129950
income and is described in either division (S)(1)(a) or (b) of 129951
this section: 129952

(a) The net amount is not attributable to the S portion of an 129953
electing small business trust and has not been distributed to 129954
beneficiaries for the taxable year; 129955

(b) The net amount is attributable to the S portion of an 129956

taxable income and is described in either division (S)(1)(a) or 129965
(b) of this section; 129966

(3) Add the amount of personal exemption allowed to the 129967
estate pursuant to section 642(b) of the Internal Revenue Code; 129968

(4) Deduct interest or dividends, net of related expenses 129969
deducted in computing federal taxable income, on obligations of 129970
the United States and its territories and possessions or of any 129971
authority, commission, or instrumentality of the United States to 129972
the extent that the interest or dividends are exempt from state 129973

taxes under the laws of the United States, but only to the extent 129974
that such amount is included in federal taxable income and is 129975
described in either division (S)(1)(a) or (b) of this section; 129976

(5) Deduct the amount of wages and salaries, if any, not 129977
otherwise allowable as a deduction but that would have been 129978
allowable as a deduction in computing federal taxable income for 129979
the taxable year, had the targeted jobs credit allowed under 129980
sections 38, 51, and 52 of the Internal Revenue Code not been in 129981
effect, but only to the extent such amount relates either to 129982
income included in federal taxable income for the taxable year or 129983
to income of the S portion of an electing small business trust for 129984
the taxable year; 129985

(6) Deduct any interest or interest equivalent, net of 129986
related expenses deducted in computing federal taxable income, on 129987
public obligations and purchase obligations, but only to the 129988
extent that such net amount relates either to income included in 129989
federal taxable income for the taxable year or to income of the S 129990
portion of an electing small business trust for the taxable year; 129991

(7) Add any loss or deduct any gain resulting from sale, 129992
exchange, or other disposition of public obligations to the extent 129993
that such loss has been deducted or such gain has been included in 129994
computing either federal taxable income or income of the S portion 129995
of an electing small business trust for the taxable year; 129996

(8) Except in the case of the final return of an estate, add 129997
any amount deducted by the taxpayer on both its Ohio estate tax 129998
return pursuant to section 5731.14 of the Revised Code, and on its 129999
federal income tax return in determining federal taxable income; 130000

(9)(a) Deduct any amount included in federal taxable income 130001
solely because the amount represents a reimbursement or refund of 130002
expenses that in a previous year the decedent had deducted as an 130003
itemized deduction pursuant to section 63 of the Internal Revenue 130004

Code and applicable treasury regulations. The deduction otherwise 130005
allowed under division (S)(9)(a) of this section shall be reduced 130006
to the extent the reimbursement is attributable to an amount the 130007
taxpayer or decedent deducted under this section in any taxable 130008
year. 130009

(b) Add any amount not otherwise included in Ohio taxable 130010
income for any taxable year to the extent that the amount is 130011
attributable to the recovery during the taxable year of any amount 130012
deducted or excluded in computing federal or Ohio taxable income 130013
in any taxable year, but only to the extent such amount has not 130014
been distributed to beneficiaries for the taxable year. 130015

(10) Deduct any portion of the deduction described in section 130016
1341(a)(2) of the Internal Revenue Code, for repaying previously 130017
reported income received under a claim of right, that meets both 130018
of the following requirements: 130019

(a) It is allowable for repayment of an item that was 130020
included in the taxpayer's taxable income or the decedent's 130021
adjusted gross income for a prior taxable year and did not qualify 130022
for a credit under division (A) or (B) of section 5747.05 of the 130023
Revised Code for that year. 130024

(b) It does not otherwise reduce the taxpayer's taxable 130025
income or the decedent's adjusted gross income for the current or 130026
any other taxable year. 130027

(11) Add any amount claimed as a credit under section 130028
5747.059 of the Revised Code to the extent that the amount 130029
satisfies either of the following: 130030

(a) The amount was deducted or excluded from the computation 130031
of the taxpayer's federal taxable income as required to be 130032
reported for the taxpayer's taxable year under the Internal 130033
Revenue Code; 130034

(b) The amount resulted in a reduction in the taxpayer's 130035

federal taxable income as required to be reported for any of the 130036
taxpayer's taxable years under the Internal Revenue Code. 130037

(12) Deduct any amount, net of related expenses deducted in 130038
computing federal taxable income, that a trust is required to 130039
report as farm income on its federal income tax return, but only 130040
if the assets of the trust include at least ten acres of land 130041
satisfying the definition of "land devoted exclusively to 130042
agricultural use" under section 5713.30 of the Revised Code, 130043
regardless of whether the land is valued for tax purposes as such 130044
land under sections 5713.30 to 5713.38 of the Revised Code. If the 130045
trust is a pass-through entity investor, section 5747.231 of the 130046
Revised Code applies in ascertaining if the trust is eligible to 130047
claim the deduction provided by division (S)(12) of this section 130048
in connection with the pass-through entity's farm income. 130049

Except for farm income attributable to the S portion of an 130050
electing small business trust, the deduction provided by division 130051
(S)(12) of this section is allowed only to the extent that the 130052
trust has not distributed such farm income. Division (S)(12) of 130053
this section applies only to taxable years of a trust beginning in 130054
2002 or thereafter. 130055

(13) Add the net amount of income described in section 641(c) 130056
of the Internal Revenue Code to the extent that amount is not 130057
included in federal taxable income. 130058

(14) Add or deduct the amount the taxpayer would be required 130059
to add or deduct under division (A)(20) or (21) of this section if 130060
the taxpayer's Ohio taxable income were computed in the same 130061
manner as an individual's Ohio adjusted gross income is computed 130062
under this section. In the case of a trust, division (S)(14) of 130063
this section applies only to any of the trust's taxable years 130064
beginning in 2002 or thereafter. 130065

(T) "School district income" and "school district income tax" 130066

have the same meanings as in section 5748.01 of the Revised Code. 130067

(U) As used in divisions (A)(8), (A)(9), (S)(6), and (S)(7) 130068
of this section, "public obligations," "purchase obligations," and 130069
"interest or interest equivalent" have the same meanings as in 130070
section 5709.76 of the Revised Code. 130071

(V) "Limited liability company" means any limited liability 130072
company formed under Chapter 1705. of the Revised Code or under 130073
the laws of any other state. 130074

a partner, member, shareholder, or equity investor in that 130077
pass-through entity. 130078

(X) "Banking day" has the same meaning as in section 1304.01 130079
of the Revised Code. 130080

(Y) "Month" means a calendar month. 130081

(Z) "Quarter" means the first three months, the second three 130082
months, the third three months, or the last three months of the 130083
taxpayer's taxable year. 130084

(AA)(1) "Eligible institution" means a state university or 130085
state institution of higher education as defined in section 130086
3345.011 of the Revised Code, or a private, nonprofit college, 130087
university, or other post-secondary institution located in this 130088
state that possesses a certificate of authorization issued by the 130089
Ohio board of regents pursuant to Chapter 1713. of the Revised 130090
Code or a certificate of registration issued by the state board of 130091
career colleges and schools under Chapter 3332. of the Revised 130092
Code. 130093

(2) "Qualified tuition and fees" means tuition and fees 130094
imposed by an eligible institution as a condition of enrollment or 130095
attendance, not exceeding two thousand five hundred dollars in 130096

each of the individual's first two years of post-secondary 130097
education. If the individual is a part-time student, "qualified 130098
tuition and fees" includes tuition and fees paid for the academic 130099
equivalent of the first two years of post-secondary education 130100
during a maximum of five taxable years, not exceeding a total of 130101
five thousand dollars. "Qualified tuition and fees" does not 130102
include: 130103

(a) Expenses for any course or activity involving sports, 130104
games, or hobbies unless the course or activity is part of the 130105
individual's degree or diploma program; 130106

(b) The cost of books, room and board, student activity fees, 130107
athletic fees, insurance expenses, or other expenses unrelated to 130108
the individual's academic course of instruction; 130109

(c) Tuition, fees, or other expenses paid or reimbursed 130110
through an employer, scholarship, grant in aid, or other 130111
educational benefit program. 130112

(BB)(1) "Modified business income" means the business income 130113
included in a trust's Ohio taxable income after such taxable 130114
income is first reduced by the qualifying trust amount, if any. 130115

(2) "Qualifying trust amount" of a trust means capital gains 130116
and losses from the sale, exchange, or other disposition of equity 130117
or ownership interests in, or debt obligations of, a qualifying 130118
investee to the extent included in the trust's Ohio taxable 130119
income, but only if the following requirements are satisfied: 130120

(a) The book value of the qualifying investee's physical 130121
assets in this state and everywhere, as of the last day of the 130122
qualifying investee's fiscal or calendar year ending immediately 130123
prior to the date on which the trust recognizes the gain or loss, 130124
is available to the trust. 130125

(b) The requirements of section 5747.011 of the Revised Code 130126
are satisfied for the trust's taxable year in which the trust 130127

recognizes the gain or loss. 130128

Any gain or loss that is not a qualifying trust amount is 130129
modified business income, qualifying investment income, or 130130
modified nonbusiness income, as the case may be. 130131

(3) "Modified nonbusiness income" means a trust's Ohio 130132
taxable income other than modified business income, other than the 130133
qualifying trust amount, and other than qualifying investment 130134
income, as defined in section 5747.012 of the Revised Code, to the 130135
extent such qualifying investment income is not otherwise part of 130136
modified business income. 130137

(4) "Modified Ohio taxable income" applies only to trusts, 130138
and means the sum of the amounts described in divisions (BB)(4)(a) 130139
to (c) of this section: 130140

(a) The fraction, calculated under section 5747.013, and 130141
applying section 5747.231 of the Revised Code, multiplied by the 130142
sum of the following amounts: 130143

(i) The trust's modified business income; 130144

(ii) The trust's qualifying investment income, as defined in 130145
section 5747.012 of the Revised Code, but only to the extent the 130146
qualifying investment income does not otherwise constitute 130147
modified business income and does not otherwise constitute a 130148
qualifying trust amount. 130149

(b) The qualifying trust amount multiplied by a fraction, the 130150
numerator of which is the sum of the book value of the qualifying 130151
investee's physical assets in this state on the last day of the 130152
qualifying investee's fiscal or calendar year ending immediately 130153
prior to the day on which the trust recognizes the qualifying 130154
trust amount, and the denominator of which is the sum of the book 130155
value of the qualifying investee's total physical assets 130156
everywhere on the last day of the qualifying investee's fiscal or 130157
calendar year ending immediately prior to the day on which the 130158

trust recognizes the qualifying trust amount. If, for a taxable 130159
year, the trust recognizes a qualifying trust amount with respect 130160
to more than one qualifying investee, the amount described in 130161
division (BB)(4)(b) of this section shall equal the sum of the 130162
products so computed for each such qualifying investee. 130163

(c)(i) With respect to a trust or portion of a trust that is 130164
a resident as ascertained in accordance with division (I)(3)(d) of 130165
this section, its modified nonbusiness income. 130166

(ii) With respect to a trust or portion of a trust that is 130167
not a resident as ascertained in accordance with division 130168
(I)(3)(d) of this section, the amount of its modified nonbusiness 130169
income satisfying the descriptions in divisions (B)(2) to (5) of 130170
section 5747.20 of the Revised Code, except as otherwise provided 130171
in division (BB)(4)(c)(ii) of this section. With respect to a 130172
trust or portion of a trust that is not a resident as ascertained 130173
in accordance with division (I)(3)(d) of this section, the trust's 130174
portion of modified nonbusiness income recognized from the sale, 130175
exchange, or other disposition of a debt interest in or equity 130176
interest in a section 5747.212 entity, as defined in section 130177
5747.212 of the Revised Code, without regard to division (A) of 130178
that section, shall not be allocated to this state in accordance 130179
with section 5747.20 of the Revised Code but shall be apportioned 130180
to this state in accordance with division (B) of section 5747.212 130181
of the Revised Code without regard to division (A) of that 130182
section. 130183

If the allocation and apportionment of a trust's income under 130184
divisions (BB)(4)(a) and (c) of this section do not fairly 130185
represent the modified Ohio taxable income of the trust in this 130186
state, the alternative methods described in division (C) of 130187
section 5747.21 of the Revised Code may be applied in the manner 130188
and to the same extent provided in that section. 130189

(5)(a) Except as set forth in division (BB)(5)(b) of this 130190

section, "qualifying investee" means a person in which a trust has an equity or ownership interest, or a person or unit of government the debt obligations of either of which are owned by a trust. For the purposes of division (BB)(2)(a) of this section and for the purpose of computing the fraction described in division (BB)(4)(b) of this section, all of the following apply:

(i) If the qualifying investee is a member of a qualifying controlled group on the last day of the qualifying investee's fiscal or calendar year ending immediately prior to the date on which the trust recognizes the gain or loss, then "qualifying investee" includes all persons in the qualifying controlled group on such last day.

(ii) If the qualifying investee, or if the qualifying investee and any members of the qualifying controlled group of which the qualifying investee is a member on the last day of the qualifying investee's fiscal or calendar year ending immediately prior to the date on which the trust recognizes the gain or loss, separately or cumulatively own, directly or indirectly, on the last day of the qualifying investee's fiscal or calendar year ending immediately prior to the date on which the trust recognizes the qualifying trust amount, more than fifty per cent of the equity of a pass-through entity, then the qualifying investee and the other members are deemed to own the proportionate share of the pass-through entity's physical assets which the pass-through entity directly or indirectly owns on the last day of the pass-through entity's calendar or fiscal year ending within or with the last day of the qualifying investee's fiscal or calendar year ending immediately prior to the date on which the trust recognizes the qualifying trust amount.

(iii) For the purposes of division (BB)(5)(a)(iii) of this section, "upper level pass-through entity" means a pass-through entity directly or indirectly owning any equity of another

pass-through entity, and "lower level pass-through entity" means 130223
that other pass-through entity. 130224

An upper level pass-through entity, whether or not it is also 130225
a qualifying investee, is deemed to own, on the last day of the 130226
upper level pass-through entity's calendar or fiscal year, the 130227

entity's calendar or fiscal year ending within or with the last 130231
day of the upper level pass-through entity's fiscal or calendar 130232

indirectly owns less than fifty per cent of the equity of the 130234
lower level pass-through entity on each day of the upper level 130235
pass-through entity's calendar or fiscal year in which or with 130236
which ends the calendar or fiscal year of the lower level 130237

evidence, complete information about the location and cost of the 130239
physical assets of the lower pass-through entity is not available 130240
to the upper level pass-through entity, then solely for purposes 130241
of ascertaining if a gain or loss constitutes a qualifying trust 130242
amount, the upper level pass-through entity shall be deemed as 130243
owning no equity of the lower level pass-through entity for each 130244
day during the upper level pass-through entity's calendar or 130245
fiscal year in which or with which ends the lower level 130246

(2) For the purposes of this chapter, unless expressly stated otherwise, no qualifying person indirectly owns any asset directly	130283 130284

A designated contribution is irrevocable upon the filing of the return and shall be made in the full amount designated if the refund found due the taxpayer upon the initial processing of the taxpayer's return, after any deductions including those required by section 5747.12 of the Revised Code, is greater than or equal to the designated contribution. If the refund due as initially determined is less than the designated contribution, the contribution shall be made in the full amount of the refund. The tax commissioner shall subtract the amount of the contribution

from the amount of the refund initially found due the taxpayer and 130347
shall certify the difference to the director of budget and 130348
management and treasurer of state for payment to the taxpayer in 130349
accordance with section 5747.11 of the Revised Code. For the 130350
purpose of any subsequent determination of the taxpayer's net tax 130351
payment, the contribution shall be considered a part of the refund 130352
paid to the taxpayer. 130353

(B) The tax commissioner shall provide a space on the income 130354

the tax commissioner shall determine the total amount contributed 130377
to each fund under this section during the preceding eight months, 130378

any adjustments to prior months, and the cost to the department of 130379
taxation of administering the income tax refund contribution 130380
system during that eight-month period. The commissioner shall make 130381
an additional determination no later than the thirty-first day of 130382
January of each year of the total amount contributed to each fund 130383
under this section during the preceding four calendar months, any 130384
adjustments to prior years made during that four-month period, and 130385
the cost to the department of taxation of administering the income 130386
tax contribution system during that period. The cost of 130387
administering the income tax contribution system shall be 130388
certified by the tax commissioner to the director of budget and 130389
management, who shall transfer an amount equal to ~~one-third~~ 130390

preserves fund, ~~one-third~~ one-fourth of such costs from the 130392
nongame and endangered wildlife fund, ~~and one-third~~ one-fourth of 130393
such costs from the military injury relief fund, and one-fourth of 130394
such costs from the Ohio historical society income tax 130395
contribution fund to the litter control and natural resource tax 130396
administration fund, which is hereby created, provided that the 130397
moneys that the department receives to pay the cost of 130398
administering the income tax refund contribution system in any 130399
year shall not exceed two and one-half per cent of the total 130400
amount contributed under that system during that year. 130401

(E)(1) The director of natural resources, in January of every 130402
odd-numbered year, shall report to the general assembly on the 130403
effectiveness of the income tax refund contribution system as it 130404

and endangered wildlife fund. The report shall include the amount 130406
of money contributed to each fund in each of the previous five 130407
years, the amount of money contributed directly to each fund in 130408
addition to or independently of the income tax refund contribution 130409
system in each of the previous five years, and the purposes for 130410
which the money was expended. 130411

(2) The director of job and family services and the director 130412
of the Ohio historical society, in January of every odd-numbered 130413
year, each shall report to the general assembly on the 130414
effectiveness of the income tax refund contribution system as it 130415
pertains to the military injury relief fund and the Ohio 130416
historical society income tax contribution fund, respectively. The 130417
report shall include the amount of money contributed to the fund 130418
in each of the previous five years, the amount of money 130419
contributed directly to the fund in addition to or independently 130420
of the income tax refund contribution system in each of the 130421
previous five years, and the purposes for which the money was 130422
expended. 130423

Sec. 5747.451. (A) The mere retirement from business or 130424
voluntary dissolution of a domestic or foreign qualifying entity 130425
does not exempt it from the requirements to make reports as 130426
required under sections 5747.42 to 5747.44 or to pay the taxes 130427
imposed under section 5733.41 or 5747.41 of the Revised Code. If 130428
any qualifying entity subject to the taxes imposed under section 130429
5733.41 or 5747.41 of the Revised Code sells its business or stock 130430
of merchandise or quits its business, the taxes required to be 130431
paid prior to that time, together with any interest or penalty 130432
thereon, become due and payable immediately, and the qualifying 130433
entity shall make a final return within fifteen days after the 130434
date of selling or quitting business. The successor of the 130435
qualifying entity shall withhold a sufficient amount of the 130436
purchase money to cover the amount of such taxes, interest, and 130437
penalties due and unpaid until the qualifying entity produces a 130438
receipt from the tax commissioner showing that the taxes, 130439
interest, and penalties have been paid, or a certificate 130440
indicating that no taxes are due. If the purchaser of the business 130441
or stock of goods fails to withhold purchase money, the purchaser 130442
is personally liable for the payment of the taxes, interest, and 130443

penalties accrued and unpaid during the operation of the business 130444
by the qualifying entity. If the amount of those taxes, interest, 130445
and penalty unpaid at the time of the purchase exceeds the total 130446
purchase money, the tax commissioner may adjust the qualifying 130447
entity's liability for those taxes, interest, and penalty, or 130448
adjust the responsibility of the purchaser to pay that liability, 130449
in a manner calculated to maximize the collection of those 130450
liabilities. 130451

(B) Annually, on the last day of each qualifying taxable year 130452
of a qualifying entity, the taxes imposed under section 5733.41 or 130453
5747.41 of the Revised Code, together with any penalties 130454
subsequently accruing thereon, become a lien on all property in 130455
this state of the qualifying entity, whether such property is 130456
employed by the qualifying entity in the prosecution of its 130457
business or is in the hands of an assignee, trustee, or receiver 130458
for the benefit of the qualifying entity's creditors and 130459
investors. The lien shall continue until those taxes, together 130460
with any penalties subsequently accruing, are paid. 130461

Upon failure of such a qualifying entity to pay those taxes 130462
on the day fixed for payment, the treasurer of state shall 130463
thereupon notify the tax commissioner, and the commissioner may 130464
file in the office of the county recorder in each county in this 130465
state in which the qualifying entity owns or has a beneficial 130466
interest in real estate, notice of the lien containing a brief 130467
description of such real estate. No fee shall be charged for such 130468
a filing. The lien is not valid as against any mortgagee, 130469
purchaser, or judgment creditor whose rights have attached prior 130470
to the time the notice is so filed in the county in which the real 130471
estate which is the subject of such mortgage, purchase, or 130472
judgment lien is located. The notice shall be recorded in a book 130473
kept by the recorder, called the qualifying entity tax lien 130474
record, and indexed under the name of the qualifying entity 130475

charged with the tax. When the tax, together with any penalties 130476
subsequently accruing thereon, have been paid, the tax 130477
commissioner shall furnish to the qualifying entity an 130478
acknowledgment of such payment that the qualifying entity may 130479
record with the recorder of each county in which notice of such 130480
lien has been filed, for which recording the recorder shall charge 130481
and receive a fee of two dollars. 130482

(C) In addition to all other remedies for the collection of 130483
any taxes or penalties due under law, whenever any taxes, 130484
interest, or penalties due from any qualifying entity under 130485
section 5733.41 of the Revised Code or this chapter have remained 130486
unpaid for a period of ninety days, or whenever any qualifying 130487
entity has failed for a period of ninety days to make any report 130488
or return required by law, or to pay any penalty for failure to 130489
make or file such report or return, the attorney general, upon the 130490
request of the tax commissioner, shall file a petition in the 130491
court of common pleas in the county of the state in which such 130492
qualifying entity has its principal place of business for a 130493
judgment for the amount of the taxes, interest, or penalties 130494
appearing to be due, the enforcement of any lien in favor of the 130495
state, and an injunction to restrain such qualifying entity and 130496
its officers, directors, and managing agents from the transaction 130497
of any business within this state, other than such acts as are 130498
incidental to liquidation or winding up, until the payment of such 130499
taxes, interest, and penalties, and the costs of the proceeding 130500
fixed by the court, or the making and filing of such report or 130501
return. 130502

The petition shall be in the name of the state. Any of the 130503
qualifying entities having its principal places of business in the 130504
county may be joined in one suit. On the motion of the attorney 130505
general, the court of common pleas shall enter an order requiring 130506
all defendants to answer by a day certain, and may appoint a 130507

special master commissioner to take testimony, with such other 130508
power and authority as the court confers, and permitting process 130509
to be served by registered mail and by publication in a newspaper 130510
of general circulation ~~published~~ in the county, which publication 130511
need not be made more than once, setting forth the name of each 130512
delinquent qualifying entity, the matter in which the qualifying 130513
entity is delinquent, the names of its officers, directors, and 130514
managing agents, if set forth in the petition, and the amount of 130515
any taxes, fees, or penalties claimed to be owing by the 130516
qualifying entity. 130517

All or any of the trustees or other fiduciaries, officers, 130518
directors, investors, beneficiaries, or managing agents of any 130519
qualifying entity may be joined as defendants with the qualifying 130520
entity. 130521

If it appears to the court upon hearing that any qualifying 130522
entity that is a party to the proceeding is indebted to the state 130523
for taxes imposed under section 5733.41 or 5747.41 of the Revised 130524
Code, or interest or penalties thereon, judgment shall be entered 130525
therefor with interest; and if it appears that any qualifying 130526
entity has failed to make or file any report or return, a 130527
mandatory injunction may be issued against the qualifying entity, 130528
its trustees or other fiduciaries, officers, directors, and 130529
managing agents, enjoining them from the transaction of any 130530
business within this state, other than acts incidental to 130531
liquidation or winding up, until the making and filing of all 130532
proper reports or returns and until the payment in full of all 130533
taxes, interest, and penalties. 130534

If the trustees or other fiduciaries, officers, directors, 130535
investors, beneficiaries, or managing agents of a qualifying 130536
entity are not made parties in the first instance, and a judgment 130537
or an injunction is rendered or issued against the qualifying 130538
entity, those officers, directors, investors, or managing agents 130539

may be made parties to such proceedings upon the motion of the attorney general, and, upon notice to them of the form and terms of such injunction, they shall be bound thereby as fully as if they had been made parties in the first instance.

In any action authorized by this division, a statement of the tax commissioner, or the secretary of state, when duly certified, shall be prima-facie evidence of the amount of taxes, interest, or penalties due from any qualifying entity, or of the failure of any qualifying entity to file with the commissioner or the secretary of state any report required by law, and any such certificate of the commissioner or the secretary of state may be required in evidence in any such proceeding.

On the application of any defendant and for good cause shown, the court may order a separate hearing of the issues as to any defendant.

The costs of the proceeding shall be apportioned among the parties as the court deems proper.

The court in such proceeding may make, enter, and enforce such other judgments and orders and grant such other relief as is necessary or incidental to the enforcement of the claims and lien of the state.

In the performance of the duties enjoined upon the attorney general by this division, the attorney general may direct any prosecuting attorney to bring an action, as authorized by this division, in the name of the state with respect to any delinquent qualifying entities within the prosecuting attorney's county, and like proceedings and orders shall be had as if such action were instituted by the attorney general.

(D) If any qualifying entity fails to make and file the reports or returns required under this chapter, or to pay the penalties provided by law for failure to make and file such

reports or returns for a period of ninety days after the time 130571
prescribed by this chapter, the attorney general, on the request 130572
of the tax commissioner, shall commence an action in quo warranto 130573
in the court of appeals of the county in which that qualifying 130574
entity has its principal place of business to forfeit and annul 130575
its privileges and franchises. If the court is satisfied that any 130576
such qualifying entity is in default, it shall render judgment 130577
ousting such qualifying entity from the exercise of its privileges 130578
and franchises within this state, and shall otherwise proceed as 130579
provided in sections 2733.02 to 2733.39 of the Revised Code. 130580

means the amount by which the net distribution to a county's 130642
public library fund during that distribution year exceeded or was 130643
less than the county's total entitlement for that year. 130644

All computations made under this section shall be rounded to 130645
the nearest one-hundredth of one per cent. 130646

Sec. 5747.51. ~~(A)~~ On or before the twenty-fifth day of July 130647
of each year, the tax commissioner shall make and certify to the 130648
county auditor of each county an estimate of the amount of the 130649
local government fund to be allocated to the undivided local 130650
government fund of each county for the ensuing calendar year ~~and~~ 130651
~~the estimated amount to be received by the undivided local~~ 130652
~~government fund of each county from the taxes levied pursuant to~~ 130653
~~section 5707.03 of the Revised Code for the ensuing calendar year.~~ 130654
Upon the auditor's receipt of the estimate, the county budget 130655
commission shall determine the amount that shall be distributed 130656
from the undivided local government fund to each subdivision under 130657
section 5747.52 or 5747.53 of the Revised Code. The commission's 130658
determination is final and may not be appealed unless the 130659
commission failed to comply with the formula under section 5747.52 130660
or 5747.53 of the Revised Code. 130661

~~(B) At each annual regular session of the county budget commission convened pursuant to section 5705.27 of the Revised Code, each auditor shall present to the commission the certificate of the commissioner, the annual tax budget and estimates, and the records showing the action of the commission in its last preceding regular session. The estimates shown on the certificate of the commissioner of the amount to be allocated from the local government fund and the amount to be received from taxes levied pursuant to section 5707.03 of the Revised Code shall be combined into one total comprising the estimate of the undivided local government fund of the county. The commission, after extending to the representatives of each subdivision an opportunity to be heard, under oath administered by any member of the commission, and considering all the facts and information presented to it by the auditor, shall determine the amount of the undivided local government fund needed by and to be apportioned to each subdivision for current operating expenses, as shown in the tax budget of the subdivision. This determination shall be made pursuant to divisions (C) to (I) of this section, unless the commission has provided for a formula pursuant to section 5747.53 of the Revised Code.~~

~~Nothing in this section prevents the budget commission, for the purpose of apportioning the undivided local government fund, from inquiring into the claimed needs of any subdivision as stated in its tax budget, or from adjusting claimed needs to reflect actual needs. For the purposes of this section, "current operating expenses" means the lawful expenditures of a subdivision, except those for permanent improvements and except payments for interest, sinking fund, and retirement of bonds, notes, and certificates of indebtedness of the subdivision.~~

~~(C) The commission shall determine the combined total of the estimated expenditures, including transfers, from the general fund~~

~~and any special funds other than special funds established for 130694

state highway improvement; and gas, water, sewer, and electric 130696
public utilities operated by a subdivision, as shown in the 130697
subdivision's tax budget for the ensuing calendar year. 130698~~

~~(D) From the combined total of expenditures calculated 130699
pursuant to division (C) of this section, the commission shall 130700
deduct the following expenditures, if included in these funds in 130701
the tax budget: 130702~~

~~(1) Expenditures for permanent improvements as defined in 130703
division (E) of section 5705.01 of the Revised Code; 130704~~

~~(2) In the case of counties and townships, transfers to the 130705
road and bridge fund, and in the case of municipalities, transfers 130706
to the street construction, maintenance, and repair fund and the 130707
state highway improvement fund; 130708~~

~~(3) Expenditures for the payment of debt charges; 130709~~

~~(4) Expenditures for the payment of judgments. 130710~~

~~(E) In addition to the deductions made pursuant to division 130711
(D) of this section, revenues accruing to the general fund and any 130712
special fund considered under division (C) of this section from 130713
the following sources shall be deducted from the combined total of 130714
expenditures calculated pursuant to division (C) of this section: 130715~~

~~(1) Taxes levied within the ten mill limitation, as defined 130716
in section 5705.02 of the Revised Code; 130717~~

~~(2) The budget commission allocation of estimated county 130718
public library fund revenues to be distributed pursuant to section 130719
5747.48 of the Revised Code; 130720~~

~~(3) Estimated unencumbered balances as shown on the tax 130721
budget as of the thirty first day of December of the current year 130722
in the general fund, but not any estimated balance in any special 130723~~

~~fund considered in division (C) of this section;~~ 130724

~~(4) Revenue, including transfers, shown in the general fund 130725
and any special funds other than special funds established for 130726
road and bridge; street construction, maintenance, and repair; 130727

public utilities, from all other sources except those that a 130729
subdivision receives from an additional tax or service charge 130730
voted by its electorate or receives from special assessment or 130731
revenue bond collection. For the purposes of this division, where 130732
the charter of a municipal corporation prohibits the levy of an 130733
income tax, an income tax levied by the legislative authority of 130734
such municipal corporation pursuant to an amendment of the charter 130735
of that municipal corporation to authorize such a levy represents 130736
an additional tax voted by the electorate of that municipal 130737
corporation. For the purposes of this division, any measure 130738
adopted by a board of county commissioners pursuant to section 130739
322.02, 324.02, 4504.02, or 5739.021 of the Revised Code, 130740

Code, money in a reserve balance account established by a county, 130746
township, or municipal corporation under section 5705.13 of the 130747
Revised Code shall not be considered an unencumbered balance or 130748
revenue under division (E)(3) or (4) of this section. Money in a 130749
reserve balance account established by a township under section 130750
5705.132 of the Revised Code shall not be considered an 130751
unencumbered balance or revenue under division (E)(3) or (4) of 130752
this section. 130753~~

~~If a county, township, or municipal corporation has created 130754
and maintains a nonexpendable trust fund under section 5705.131 of 130755~~

~~the Revised Code, the principal of the fund, and any additions to
the principal arising from sources other than the reinvestment of
investment earnings arising from such a fund, shall not be
considered an unencumbered balance or revenue under division
(E)(3) or (4) of this section. Only investment earnings arising
from investment of the principal or investment of such additions
to principal may be considered an unencumbered balance or revenue
under those divisions.~~

~~(F) The total expenditures calculated pursuant to division
(C) of this section, less the deductions authorized in divisions
(D) and (E) of this section, shall be known as the "relative need"
of the subdivision, for the purposes of this section.~~

~~(G) The budget commission shall total the relative need of
all participating subdivisions in the county, and shall compute a
relative need factor by dividing the total estimate of the
undivided local government fund by the total relative need of all
participating subdivisions.~~

~~(H) The relative need of each subdivision shall be multiplied
by the relative need factor to determine the proportionate share
of the subdivision in the undivided local government fund of the
county; provided, that the maximum proportionate share of a county
shall not exceed the following maximum percentages of the total
estimate of the undivided local government fund governed by the
relationship of the percentage of the population of the county
that resides within municipal corporations within the county to
the total population of the county as reported in the reports on
population in Ohio by the department of development as of the
twentieth day of July of the year in which the tax budget is filed

Where the proportionate share of the county exceeds the limitations established in this division, the budget commission shall adjust the proportionate shares determined pursuant to this division so that the proportionate share of the county does not exceed these limitations, and it shall increase the proportionate shares of all other subdivisions on a pro rata basis. In counties having a population of less than one hundred thousand, not less than ten per cent shall be distributed to the townships therein.		130790 130791 130792 130793 130794 130795 130796 130797

No payment shall be made from the undivided local government fund, 130829
except in accordance with such percentage shares. 130830~~

~~Within ten days after the budget commission has made its 130831
apportionment, whether conducted pursuant to section 5747.51 or 130832
5747.53 of the Revised Code determination, the auditor shall 130833
publish a list of the subdivisions and the amount each is to 130834

percentage share of each subdivision, in a newspaper or newspapers 130836

the legislative authority of the municipal corporation, shall 130851
participate in the money apportioned to such municipal corporation 130852
from the total local government fund, however created and 130853
constituted, in such amount as requested by the board of trustees, 130854
provided such sum does not exceed nine per cent of the total 130855

issued by the tax commissioner, the auditor of state, or the 130859
treasurer of state pursuant to such sections, or fails to comply 130860
with any law relating to the enforcement of such sections, the 130861
local government fund money allocated to the county may be 130862

Sec. 5747.53. ~~(A) As used in this section:~~ 130958

~~partially in the county, with the greatest population residing in~~ 130961
~~the county; however, if the county budget commission on or before~~ 130962
~~January 1, 1998, adopted an alternative method of apportionment~~ 130963
~~that was approved by the legislative authority of the city,~~ 130964
~~located partially in the county, with the greatest population but~~ 130965
~~not the greatest population residing in the county, "city, located~~ 130966
~~wholly or partially in the county, with the greatest population"~~ 130967
~~means the city, located wholly or partially in the county, with~~ 130968
~~the greatest population whether residing in the county or not, if~~ 130969

~~this alternative meaning is adopted by action of the board of
county commissioners and a majority of the boards of township
trustees and legislative authorities of municipal corporations
located wholly or partially in the county.~~

~~(2) "Participating political subdivision" means a municipal
corporation or township that satisfies all of the following:~~

~~(a) It is located wholly or partially in the county.~~

~~(b) It is not the city, located wholly or partially in the
county, with the greatest population.~~

~~(c) Undivided local government fund moneys are apportioned to
it under the county's alternative method or formula of
apportionment in the current calendar year.~~

~~(B) In lieu of the method of apportionment of the undivided
local government fund of the county provided by section 5747.51 of
the Revised Code, upon the approval of seventy-five per cent or
more of the subdivisions located wholly or partially in the county
acting by motion adopted after July 1, 2011, the county budget
commission may provide for the apportionment of the fund under an
alternative method or on a formula basis as authorized by this
section.~~

~~Except as otherwise provided in division (C) of this section,
the alternative method of apportionment shall have first been
approved by all of the following governmental units: the board of
county commissioners; the legislative authority of the city,
located wholly or partially in the county, with the greatest
population; and a majority of the boards of township trustees and
legislative authorities of municipal corporations, located wholly
or partially in the county, excluding the legislative authority of
the city, located wholly or partially in the county, with the
greatest population. In granting or denying approval for an
alternative method of apportionment, the board of county~~

~~commissioners, boards of township trustees, and legislative
authorities of municipal corporations shall act by motion. A
motion to approve shall be passed upon a majority vote of the
members of a board of county commissioners, board of township
trustees, or legislative authority of a municipal corporation,
shall take effect immediately, and need not be published.~~

Any alternative method of apportionment adopted and approved
under this ~~division~~ section may be revised, amended, or repealed
in the same manner as it may be adopted and approved. If an
alternative method of apportionment adopted and approved under
this ~~division~~ section is repealed, the undivided local government
fund of the county shall be apportioned among the subdivisions
eligible to participate in the fund, commencing in the ensuing
calendar year, under the apportionment provided in section 5747.52
of the Revised Code, ~~unless the repeal occurs by operation of
division (C) of this section or a new method for apportionment of
the fund is provided in the action of repeal.~~

~~(C) This division applies only in counties in which the city,
located wholly or partially in the county, with the greatest
population has a population of twenty thousand or less and a
population that is less than fifteen per cent of the total
population of the county. In such a county, the legislative
authorities or boards of township trustees of two or more
participating political subdivisions, which together have a
population residing in the county that is a majority of the total
population of the county, each may adopt a resolution to exclude
the approval otherwise required of the legislative authority of
the city, located wholly or partially in the county, with the
greatest population. All of the resolutions to exclude that
approval shall be adopted not later than the first Monday of
August of the year preceding the calendar year in which
distributions are to be made under an alternative method of~~

apportionment. 131033

~~A motion granting or denying approval of an alternative 131034
method of apportionment under this division shall be adopted by a 131035
majority vote of the members of the board of county commissioners 131036
and by a majority vote of a majority of the boards of township 131037
trustees and legislative authorities of the municipal corporations 131038
located wholly or partially in the county, other than the city, 131039
located wholly or partially in the county, with the greatest 131040
population, shall take effect immediately, and need not be 131041
published. The alternative method of apportionment under this 131042
division shall be adopted and approved annually, not later than 131043
the first Monday of August of the year preceding the calendar year 131044
in which distributions are to be made under it. A motion granting 131045
approval of an alternative method of apportionment under this 131046
division repeals any existing alternative method of apportionment, 131047
effective with distributions to be made from the fund in the 131048
ensuing calendar year. An alternative method of apportionment 131049
under this division shall not be revised or amended after the 131050
first Monday of August of the year preceding the calendar year in 131051
which distributions are to be made under it. 131052~~

~~(D) In determining an alternative method of apportionment 131053
authorized by this section, the county budget commission may 131054
include in the method any factor considered to be appropriate and 131055
reliable, in the sole discretion of the county budget commission. 131056~~

~~(E) The limitations set forth in section 5747.51 of the 131057
Revised Code, stating the maximum amount that the county may 131058
receive from the undivided local government fund and the minimum 131059
amount the townships in counties having a population of less than 131060
one hundred thousand may receive from the fund, are applicable to 131061
any alternative method of apportionment authorized under this 131062
section. 131063~~

~~(F) On the basis of any alternative method of apportionment 131064~~

adopted and approved as authorized by this section, as certified 131065
by the auditor to the county treasurer, the county treasurer shall 131066
make distribution of the money in the undivided local government 131067
fund to each subdivision eligible to participate in the fund, and 131068
the auditor, when the amount of those shares is in the custody of 131069
the treasurer in the amounts so computed to be due the respective 131070
subdivisions, shall at the same time certify to the tax 131071
commissioner the percentage share of the county as a subdivision. 131072
All money received into the treasury of a subdivision from the 131073
undivided local government fund in a county treasury shall be paid 131074
into the general fund and used for the current operating expenses 131075
of the subdivision. If a municipal corporation maintains a 131076
municipal university, the university, when the board of trustees 131077
so requests the legislative authority of the municipal 131078
corporation, shall participate in the money apportioned to the 131079
municipal corporation from the total local government fund, 131080
however created and constituted, in the amount requested by the 131081
board of trustees, provided that amount does not exceed nine per 131082
cent of the total amount paid to the municipal corporation. 131083

~~(G)~~ The actions of the county budget commission taken 131084
pursuant to this section are final and may not be appealed to the 131085
board of tax appeals, except on the issues of abuse of discretion 131086
and failure to comply with the formula. 131087

Sec. 5748.02. (A) The board of education of any school 131149
district, except a joint vocational school district, may declare, 131150
by resolution, the necessity of raising annually a specified 131151
amount of money for school district purposes. The resolution shall 131152
specify whether the income that is to be subject to the tax is 131153
taxable income of individuals and estates as defined in divisions 131154

(E)(1)(a) and (2) of section 5748.01 of the Revised Code or 131155
taxable income of individuals as defined in division (E)(1)(b) of 131156
that section. A copy of the resolution shall be certified to the 131157
tax commissioner no later than one hundred days prior to the date 131158
of the election at which the board intends to propose a levy under 131159
this section. Upon receipt of the copy of the resolution, the tax 131160
commissioner shall estimate both of the following: 131161

(1) The property tax rate that would have to be imposed in 131162
the current year by the district to produce an equivalent amount 131163
of money; 131164

(2) The income tax rate that would have had to have been in 131165
effect for the current year to produce an equivalent amount of 131166
money from a school district income tax. 131167

Within ten days of receiving the copy of the board's 131168
resolution, the commissioner shall prepare these estimates and 131169
certify them to the board. Upon receipt of the certification, the 131170
board may adopt a resolution proposing an income tax under 131171
division (B) of this section at the estimated rate contained in 131172
the certification rounded to the nearest one-fourth of one per 131173
cent. The commissioner's certification applies only to the board's 131174
proposal to levy an income tax at the election for which the board 131175
requested the certification. If the board intends to submit a 131176
proposal to levy an income tax at any other election, it shall 131177
request another certification for that election in the manner 131178
prescribed in this division. 131179

(B)(1) Upon the receipt of a certification from the tax 131180
commissioner under division (A) of this section, a majority of the 131181
members of a board of education may adopt a resolution proposing 131182
the levy of an annual tax for school district purposes on school 131183
district income. The proposed levy may be for a continuing period 131184
of time or for a specified number of years. The resolution shall 131185
set forth the purpose for which the tax is to be imposed, the rate 131186

of the tax, which shall be the rate set forth in the 131187
commissioner's certification rounded to the nearest one-fourth of 131188
one per cent, the number of years the tax will be levied or that 131189
it will be levied for a continuing period of time, the date on 131190
which the tax shall take effect, which shall be the first day of 131191
January of any year following the year in which the question is 131192
submitted, and the date of the election at which the proposal 131193
shall be submitted to the electors of the district, which shall be 131194
on the date of a primary, general, or special election the date of 131195
which is consistent with section 3501.01 of the Revised Code. The 131196
resolution shall specify whether the income that is to be subject 131197
to the tax is taxable income of individuals and estates as defined 131198
in divisions (E)(1)(a) and (2) of section 5748.01 of the Revised 131199
Code or taxable income of individuals as defined in division 131200
(E)(1)(b) of that section. The specification shall be the same as 131201
the specification in the resolution adopted and certified under 131202
division (A) of this section. 131203

If the tax is to be levied for current expenses and permanent 131204
improvements, the resolution shall apportion the annual rate of 131205
the tax. The apportionment may be the same or different for each 131206
year the tax is levied, but the respective portions of the rate 131207
actually levied each year for current expenses and for permanent 131208
improvements shall be limited by the apportionment. 131209

If the board of education currently imposes an income tax 131210
pursuant to this chapter that is due to expire and a question is 131211
submitted under this section for a proposed income tax to take 131212
effect upon the expiration of the existing tax, the board may 131213
specify in the resolution that the proposed tax renews the 131214
expiring tax. Two or more expiring income taxes may be renewed 131215
under this paragraph if the taxes are due to expire on the same 131216
date. If the tax rate being proposed is no higher than the total 131217
tax rate imposed by the expiring tax or taxes, the resolution may 131218

state that the proposed tax is not an additional income tax. 131219

(2) A board of education adopting a resolution under division 131220
(B)(1) of this section proposing a school district income tax for 131221
a continuing period of time and limited to the purpose of current 131222
expenses may propose in that resolution to reduce the rate or 131223
rates of one or more of the school district's property taxes 131224
levied for a continuing period of time in excess of the ten-mill 131225
limitation for the purpose of current expenses. The reduction in 131226
the rate of a property tax may be any amount, expressed in mills 131227
per one dollar in valuation, not exceeding the rate at which the 131228
tax is authorized to be levied. The reduction in the rate of a tax 131229
shall first take effect for the tax year that includes the day on 131230
which the school district income tax first takes effect, and shall 131231
continue for each tax year that both the school district income 131232
tax and the property tax levy are in effect. 131233

In addition to the matters required to be set forth in the 131234
resolution under division (B)(1) of this section, a resolution 131235
containing a proposal to reduce the rate of one or more property 131236
taxes shall state for each such tax the maximum rate at which it 131237
currently may be levied and the maximum rate at which the tax 131238
could be levied after the proposed reduction, expressed in mills 131239
per one dollar in valuation, and that the tax is levied for a 131240
continuing period of time. 131241

If a board of education proposes to reduce the rate of one or 131242
more property taxes under division (B)(2) of this section, the 131243
board, when it makes the certification required under division (A) 131244
of this section, shall designate the specific levy or levies to be 131245
reduced, the maximum rate at which each levy currently is 131246
authorized to be levied, and the rate by which each levy is 131247
proposed to be reduced. The tax commissioner, when making the 131248
certification to the board under division (A) of this section, 131249
also shall certify the reduction in the total effective tax rate 131250

for current expenses for each class of property that would have 131251
resulted if the proposed reduction in the rate or rates had been 131252
in effect the previous tax year. As used in this paragraph, 131253
"effective tax rate" has the same meaning as in section 323.08 of 131254
the Revised Code. 131255

(C) A resolution adopted under division (B) of this section 131256
shall go into immediate effect upon its passage, and no 131257
publication of the resolution shall be necessary other than that 131258
provided for in the notice of election. Immediately after its 131259
adoption and at least ninety days prior to the election at which 131260
the question will appear on the ballot, a copy of the resolution 131261
shall be certified to the board of elections of the proper county, 131262
which shall submit the proposal to the electors on the date 131263
specified in the resolution. The form of the ballot shall be as 131264
provided in section 5748.03 of the Revised Code. Publication of 131265
notice of the election shall be made in ~~one or more newspapers~~ a 131266
newspaper of general circulation in the county once a week for two 131267
consecutive weeks, or as provided in section 7.16 of the Revised 131268
Code, prior to the election, ~~and, if~~. If the board of elections 131269
operates and maintains a web site, the board of elections shall 131270
post notice of the election on its web site for thirty days prior 131271
to the election. The notice shall contain the time and place of 131272
the election and the question to be submitted to the electors. The 131273
question covered by the resolution shall be submitted as a 131274
separate proposition, but may be printed on the same ballot with 131275
any other proposition submitted at the same election, other than 131276
the election of officers. 131277

(D) No board of education shall submit the question of a tax 131278
on school district income to the electors of the district more 131279
than twice in any calendar year. If a board submits the question 131280
twice in any calendar year, one of the elections on the question 131281
shall be held on the date of the general election. 131282

(E)(1) No board of education may submit to the electors of the district the question of a tax on school district income on the taxable income of individuals as defined in division (E)(1)(b) of section 5748.01 of the Revised Code if that tax would be in addition to an existing tax on the taxable income of individuals and estates as defined in divisions (E)(1)(a) and (2) of that section.

(2) No board of education may submit to the electors of the district the question of a tax on school district income on the taxable income of individuals and estates as defined in divisions (E)(1)(a) and (2) of section 5748.01 of the Revised Code if that tax would be in addition to an existing tax on the taxable income of individuals as defined in division (E)(1)(b) of that section.

Sec. 5748.021. A board of education that levies a tax under section 5748.02 of the Revised Code on the school district income of individuals and estates as defined in divisions (G) and (E)(1)(a) and (2) of section 5748.01 of the Revised Code may declare, at any time, by a resolution adopted by a majority of its members, the necessity of raising annually a specified amount of money for school district purposes by replacing the existing tax with a tax on the school district income of individuals as defined in divisions (G)(1) and (E)(1)(b) of section 5748.01 of the Revised Code. The specified amount of money to be raised annually may be the same as, or more or less than, the amount of money raised annually by the existing tax.

The board shall certify a copy of the resolution to the tax commissioner not later than the eighty-fifth day before the date of the election at which the board intends to propose the replacement to the electors of the school district. Not later than the tenth day after receiving the resolution, the tax commissioner shall estimate the tax rate that would be required in the school

district annually to raise the amount of money specified in the 131314
resolution. The tax commissioner shall certify the estimate to the 131315
board. 131316

Upon receipt of the tax commissioner's estimate, the board 131317
may propose, by a resolution adopted by a majority of its members, 131318
to replace the existing tax on the school district income of 131319
individuals and estates as defined in divisions (G) and (E)(1)(a) 131320
and (2) of section 5748.01 of the Revised Code with the levy of an 131321
annual tax on the school district income of individuals as defined 131322
in divisions (G)(1) and (E)(1)(b) of section 5748.01 of the 131323
Revised Code. In the resolution, the board shall specify the rate 131324
of the replacement tax, whether the replacement tax is to be 131325
levied for a specified number of years or for a continuing time, 131326
the specific school district purposes for which the replacement 131327
tax is to be levied, the date on which the replacement tax will 131328
begin to be levied, the date of the election at which the question 131329
of the replacement is to be submitted to the electors of the 131330
school district, that the existing tax will cease to be levied and 131331
the replacement tax will begin to be levied if the replacement is 131332
approved by a majority of the electors voting on the replacement, 131333
and that if the replacement is not approved by a majority of the 131334
electors voting on the replacement the existing tax will remain in 131335
effect under its original authority for the remainder of its 131336
previously approved term. The resolution goes into immediate 131337
effect upon its adoption. Publication of the resolution is not 131338
necessary, and the information that will be provided in the notice 131339
of election is sufficient notice. At least seventy-five days 131340
before the date of the election at which the question of the 131341
replacement will be submitted to the electors of the school 131342
district, the board shall certify a copy of the resolution to the 131343
board of elections. 131344

The replacement tax shall have the same specific school 131345

district purposes as the existing tax, and its rate shall be the same as the tax commissioner's estimate rounded to the nearest one-fourth of one per cent. The replacement tax shall begin to be levied on the first day of January of the year following the year in which the question of the replacement is submitted to and approved by the electors of the school district or on the first day of January of a later year, as specified in the resolution. The date of the election shall be the date of an otherwise scheduled primary, general, or special election.

The board of elections shall make arrangements to submit the question of the replacement to the electors of the school district on the date specified in the resolution. The board of elections shall publish notice of the election on the question of the replacement in one ~~or more newspapers~~ newspaper of general circulation in the school district once a week for four consecutive weeks or as provided in section 7.16 of the Revised Code. The notice shall set forth the question to be submitted to the electors and the time and place of the election thereon.

The question shall be submitted to the electors of the school district as a separate proposition, but may be printed on the same ballot with other propositions that are submitted at the same election, other than the election of officers. The form of the ballot shall be substantially as follows:

"Shall the existing tax of (state the rate) on the school district income of individuals and estates imposed by (state the name of the school district) be replaced by a tax of (state the rate) on the earned income of individuals residing in the school district for (state the number of years the tax is to be in effect or that it will be in effect for a continuing time), beginning (state the date the new tax will take effect), for the purpose of (state the specific school district purposes of the tax)? If the new tax is not

approved, the existing tax will remain in effect under its 131378
original authority, for the remainder of its previously approved 131379
term. 131380

	For replacing the existing tax with the new tax		131381
	Against replacing the existing tax with the new tax	"	131382

The board of elections shall conduct and canvass the election 131383
in the same manner as regular elections in the school district for 131384
the election of county officers. The board shall certify the 131385
results of the election to the board of education and to the tax 131386
commissioner. If a majority of the electors voting on the question 131387
vote in favor of the replacement, the existing tax shall cease to 131388
be levied, and the replacement tax shall begin to be levied, on 131389
the date specified in the ballot question. If a majority of the 131390
electors voting on the question vote against the replacement, the 131391
existing tax shall continue to be levied under its original 131392
authority, for the remainder of its previously approved term. 131393

A board of education may not submit the question of replacing 131394
a tax more than twice in a calendar year. If a board submits the 131395
question more than once, one of the elections at which the 131396
question is submitted shall be on the date of a general election. 131397

If a board of education later intends to renew a replacement 131398
tax levied under this section, it shall repeat the procedure 131399
outlined in this section to do so, the replacement tax then being 131400
levied being the "existing tax" and the renewed replacement tax 131401
being the "replacement tax." 131402

Sec. 5748.04. (A) The question of the repeal of a school 131403
district income tax levied for more than five years may be 131404
initiated not more than once in any five-year period by filing 131405
with the board of elections of the appropriate counties not later 131406

than ninety days before the general election in any year after the 131407
year in which it is approved by the electors a petition requesting 131408
that an election be held on the question. The petition shall be 131409
signed by qualified electors residing in the school district 131410
levying the income tax equal in number to ten per cent of those 131411
voting for governor at the most recent gubernatorial election. 131412

The board of elections shall determine whether the petition 131413
is valid, and if it so determines, it shall submit the question to 131414
the electors of the district at the next general election. The 131415
election shall be conducted, canvassed, and certified in the same 131416
manner as regular elections for county offices in the county. 131417
Notice of the election shall be published in a newspaper of 131418
general circulation in the district once a week for two 131419
consecutive weeks, or as provided in section 7.16 of the Revised 131420
Code, prior to the election, ~~and, if.~~ If the board of elections 131421
operates and maintains a web site, the board of elections shall 131422
post notice of the election on its web site for thirty days prior 131423
to the election. The notice shall state the purpose, time, and 131424
place of the election. The form of the ballot cast at the election 131425
shall be as follows: 131426

"Shall the annual income tax of per cent, currently 131427
levied on the school district income of individuals and estates by 131428
..... (state the name of the school district) for the purpose 131429
of (state purpose of the tax), be repealed? 131430

	For repeal of the income tax	
	Against repeal of the income tax	"

(B)(1) If the tax is imposed on taxable income as defined in 131435
division (E)(1)(b) of section 5748.01 of the Revised Code, the 131436
form of the ballot shall be modified by stating that the tax 131437

currently is levied on the "earned income of individuals residing 131438
in the school district" in lieu of the "school district income of 131439
individuals and estates." 131440

(2) If the rate of one or more property tax levies was 131441
reduced for the duration of the income tax levy pursuant to 131442
division (B)(2) of section 5748.02 of the Revised Code, the form 131443
of the ballot shall be modified by adding the following language 131444
immediately after "repealed": ", and shall the rate of an existing 131445
tax on property for the purpose of current expenses, which rate 131446
was reduced for the duration of the income tax, be INCREASED from 131447
..... mills to mills per one dollar of valuation beginning 131448
in (state the first year for which the rate of the property 131449
tax will increase)." In lieu of "for repeal of the income tax" and 131450
"against repeal of the income tax," the phrases "for the issue" 131451
and "against the issue," respectively, shall be substituted. 131452

(3) If the rate of more than one property tax was reduced for 131453
the duration of the income tax, the ballot language shall be 131454
modified accordingly to express the rates at which those taxes 131455
currently are levied and the rates to which the taxes would be 131456
increased. 131457

(C) The question covered by the petition shall be submitted 131458
as a separate proposition, but it may be printed on the same 131459
ballot with any other proposition submitted at the same election 131460
other than the election of officers. If a majority of the 131461
qualified electors voting on the question vote in favor of it, the 131462
result shall be certified immediately after the canvass by the 131463
board of elections to the board of education of the school 131464
district and the tax commissioner, who shall thereupon, after the 131465
current year, cease to levy the tax, except that if notes have 131466
been issued pursuant to section 5748.05 of the Revised Code the 131467
tax commissioner shall continue to levy and collect under 131468
authority of the election authorizing the levy an annual amount, 131469

rounded upward to the nearest one-fourth of one per cent, as will 131470
be sufficient to pay the debt charges on the notes as they fall 131471
due. 131472

(D) If a school district income tax repealed pursuant to this 131473
section was approved in conjunction with a reduction in the rate 131474
of one or more school district property taxes as provided in 131475
division (B)(2) of section 5748.02 of the Revised Code, then each 131476
such property tax may be levied after the current year at the rate 131477
at which it could be levied prior to the reduction, subject to any 131478
adjustments required by the county budget commission pursuant to 131479
Chapter 5705. of the Revised Code. Upon the repeal of a school 131480
district income tax under this section, the board of education may 131481
resume levying a property tax, the rate of which has been reduced 131482
pursuant to a question approved under section 5748.02 of the 131483
Revised Code, at the rate the board originally was authorized to 131484
levy the tax. A reduction in the rate of a property tax under 131485
section 5748.02 of the Revised Code is a reduction in the rate at 131486
which a board of education may levy that tax only for the period 131487
during which a school district income tax is levied prior to any 131488
repeal pursuant to this section. The resumption of the authority 131489
to levy the tax upon such a repeal does not constitute a tax 131490
levied in excess of the one per cent limitation prescribed by 131491
Section 2 of Article XII, Ohio Constitution, or in excess of the 131492
ten-mill limitation. 131493

(E) This section does not apply to school district income tax 131494
levies that are levied for five or fewer years. 131495

Sec. 5748.05. After the approval by the electors of a 131496
resolution under section 5748.03 ~~or~~, 5748.08, or 5748.09 of the 131497
Revised Code to impose a school district income tax to provide an 131498
increase in current operating revenues or in current revenues for 131499
permanent improvements and prior to the time when the first 131500

payment to the district from the tax can be made, a board of 131501
education may anticipate a fraction of the proceeds of the tax and 131502
issue anticipation notes in an amount not exceeding fifty per cent 131503
of the total estimated proceeds of the tax to be collected for its 131504
first year of collection as estimated by the tax commissioner. The 131505

exceed five years and, if determined by the board of education, 131510
during the year of their issuance. The legislation authorizing 131511
issuance of the notes may also provide for the annual levy and 131512
collection of voted ad valorem property taxes levied for the 131513
applicable purpose for which the notes are issued and for the 131514
application of the proceeds of the levy to the extent necessary to 131515
pay annual debt charges on the notes. 131516

(IV) "Qualifying year" means the calendar year to which the 132282
qualifying certificate applies. 132283

(V) "Qualifying period" means the period of the first day of 132284
July of the second year preceding the qualifying year through the 132285
thirtieth day of June of the year preceding the qualifying year. 132286

(VI) "Qualifying certificate" means the certificate issued by 132287
the tax commissioner after the operator of a distribution center 132288
files an annual application with the commissioner. The application 132289
and annual fee shall be filed and paid for each qualified 132290
distribution center on or before the first day of September before 132291
the qualifying year or within forty-five days after the 132292
distribution center opens, whichever is later. 132293

The applicant must substantiate to the commissioner's 132294
satisfaction that, for the qualifying period, all persons 132295
operating the distribution center have more than fifty per cent of 132296
the cost of the qualified property shipped to a location such that 132297
it would be situated outside this state under the provisions of 132298
division (E) of section 5751.033 of the Revised Code. The 132299
applicant must also substantiate that the distribution center 132300
cumulatively had costs from its suppliers equal to or exceeding 132301
five hundred million dollars during the qualifying period. (For 132302
purposes of division (F)(2)(z)(i)(VI) of this section, "supplier" 132303

excludes any person that is part of the consolidated elected 132304
taxpayer group, if applicable, of the operator of the qualified 132305
distribution center.) The commissioner may require the applicant 132306
to have an independent certified public accountant certify that 132307
the calculation of the minimum thresholds required for a qualified 132308
distribution center by the operator of a distribution center has 132309
been made in accordance with generally accepted accounting 132310
principles. The commissioner shall issue or deny the issuance of a 132311
certificate within sixty days after the receipt of the 132312
application. A denial is subject to appeal under section 5717.02 132313
of the Revised Code. If the operator files a timely appeal under 132314
section 5717.02 of the Revised Code, the operator shall be granted 132315
a qualifying certificate, provided that the operator is liable for 132316
any tax, interest, or penalty upon amounts claimed as qualifying 132317
distribution center receipts, other than those receipts exempt 132318
under division (C)(1) of section 5751.011 of the Revised Code, 132319
that would have otherwise not been owed by its suppliers if the 132320
qualifying certificate was valid. 132321

(VII) "Ohio delivery percentage" means the proportion of the 132322
total property delivered to a destination inside Ohio from the 132323
qualified distribution center during the qualifying period 132324
compared with total deliveries from such distribution center 132325
everywhere during the qualifying period. 132326

(ii) If the distribution center is new and was not open for 132327
the entire qualifying period, the operator of the distribution 132328
center may request that the commissioner grant a qualifying 132329
certificate. If the certificate is granted and it is later 132330
determined that more than fifty per cent of the qualified property 132331
during that year was not shipped to a location such that it would 132332
be situated outside of this state under the provisions of division 132333
(E) of section 5751.033 of the Revised Code or if it is later 132334
determined that the person that operates the distribution center 132335

had average monthly costs from its suppliers of less than forty million dollars during that year, then the operator of the distribution center shall be liable for any tax, interest, or penalty upon amounts claimed as qualifying distribution center receipts, other than those receipts exempt under division (C)(1) of section 5751.011 of the Revised Code, that would have not otherwise been owed by its suppliers during the qualifying year if the qualifying certificate was valid. (For purposes of division (F)(2)(z)(ii) of this section, "supplier" excludes any person that is part of the consolidated elected taxpayer group, if applicable, of the operator of the qualified distribution center.)

(iii) When filing an application for a qualifying certificate under division (F)(2)(z)(i)(VI) of this section, the operator of a qualified distribution center also shall provide documentation, as the commissioner requires, for the commissioner to ascertain the Ohio delivery percentage. The commissioner, upon issuing the qualifying certificate, also shall certify the Ohio delivery percentage. The operator of the qualified distribution center may appeal the commissioner's certification of the Ohio delivery percentage in the same manner as an appeal is taken from the denial of a qualifying certificate under division (F)(2)(z)(i)(VI) of this section.

Within thirty days after all appeals have been exhausted, the operator of the qualified distribution center shall notify the affected suppliers of qualified property that such suppliers are required to file, within sixty days after receiving notice from the operator of the qualified distribution center, amended reports for the impacted calendar quarter or quarters or calendar year, whichever the case may be. Any additional tax liability or tax overpayment shall be subject to interest but shall not be subject to the imposition of any penalty so long as the amended returns are timely filed. The supplier of tangible personal property

delivered to the qualified distribution center shall include in 132368
its report of taxable gross receipts the receipts from the total 132369
sales of property delivered to the qualified distribution center 132370
for the calendar quarter or calendar year, whichever the case may 132371
be, multiplied by the Ohio delivery percentage for the qualifying 132372
year. Nothing in division (F)(2)(z)(iii) of this section shall be 132373
construed as imposing liability on the operator of a qualified 132374
distribution center for the tax imposed by this chapter arising 132375
from any change to the Ohio delivery percentage. 132376

(iv) In the case where the distribution center is new and not 132377
open for the entire qualifying period, the operator shall make a 132378
good faith estimate of an Ohio delivery percentage for use by 132379
suppliers in their reports of taxable gross receipts for the 132380
remainder of the qualifying period. The operator of the facility 132381
shall disclose to the suppliers that such Ohio delivery percentage 132382
is an estimate and is subject to recalculation. By the due date of 132383
the next application for a qualifying certificate, the operator 132384
shall determine the actual Ohio delivery percentage for the 132385
estimated qualifying period and proceed as provided in division 132386
(F)(2)(z)(iii) of this section with respect to the calculation and 132387
recalculation of the Ohio delivery percentage. The supplier is 132388
required to file, within sixty days after receiving notice from 132389
the operator of the qualified distribution center, amended reports 132390
for the impacted calendar quarter or quarters or calendar year, 132391
whichever the case may be. Any additional tax liability or tax 132392
overpayment shall be subject to interest but shall not be subject 132393
to the imposition of any penalty so long as the amended returns 132394
are timely filed. 132395

(v) Qualifying certificates and Ohio delivery percentages 132396
issued by the commissioner shall be open to public inspection and 132397
shall be timely published by the commissioner. A supplier relying 132398
in good faith on a certificate issued under this division shall 132399

not be subject to tax on the qualifying distribution center 132400
receipts under division (F)(2)(z) of this section. A person 132401
receiving a qualifying certificate is responsible for paying the 132402
tax, interest, and penalty upon amounts claimed as qualifying 132403
distribution center receipts that would not otherwise have been 132404
owed by the supplier if the qualifying certificate were available 132405
when it is later determined that the qualifying certificate should 132406
not have been issued because the statutory requirements were in 132407
fact not met. 132408

(vi) The annual fee for a qualifying certificate shall be one 132409
hundred thousand dollars for each qualified distribution center. 132410
If a qualifying certificate is not issued, the annual fee is 132411
subject to refund after the exhaustion of all appeals provided for 132412
in division (F)(2)(z)(i)(VI) of this section. The fee imposed 132413
under this division may be assessed in the same manner as the tax 132414
imposed under this chapter. The first one hundred thousand dollars 132415
of the annual application fees collected each calendar year shall 132416
be credited to the commercial activity tax administrative fund. 132417
The remainder of the annual application fees collected shall be 132418
distributed in the same manner required under section 5751.20 of 132419
the Revised Code. 132420

(vii) The tax commissioner may require that adequate security 132421
be posted by the operator of the distribution center on appeal 132422
when the commissioner disagrees that the applicant has met the 132423
minimum thresholds for a qualified distribution center as set 132424
forth in divisions (F)(2)(z)(i)(VI) and (F)(2)(z)(ii) of this 132425
section. 132426

(aa) Receipts of an employer from payroll deductions relating 132427
to the reimbursement of the employer for advancing moneys to an 132428
unrelated third party on an employee's behalf; 132429

(bb) Cash discounts allowed and taken; 132430

(cc) Returns and allowances; 132431

(dd) Bad debts from receipts on the basis of which the tax 132432
imposed by this chapter was paid in a prior quarterly tax payment 132433
period. For the purpose of this division, "bad debts" means any 132434
debts that have become worthless or uncollectible between the 132435
preceding and current quarterly tax payment periods, have been 132436
uncollected for at least six months, and that may be claimed as a 132437
deduction under section 166 of the Internal Revenue Code and the 132438
regulations adopted under that section, or that could be claimed 132439
as such if the taxpayer kept its accounts on the accrual basis. 132440
"Bad debts" does not include repossessed property, uncollectible 132441
amounts on property that remains in the possession of the taxpayer 132442
until the full purchase price is paid, or expenses in attempting 132443
to collect any account receivable or for any portion of the debt 132444
recovered; 132445

(ee) Any amount realized from the sale of an account 132446
receivable to the extent the receipts from the underlying 132447
transaction giving rise to the account receivable were included in 132448
the gross receipts of the taxpayer; 132449

(ff) Any receipts directly attributed to providing public 132450
services pursuant to sections 126.60 to 126.605 of the Revised 132451
Code, or any receipts directly attributed to a transfer agreement 132452
or to the enterprise transferred under that agreement under 132453
section 4313.02 of the Revised Code. 132454

(gg) Any receipts for which the tax imposed by this chapter 132455
is prohibited by the Constitution or laws of the United States or 132456
the Constitution of Ohio. 132457

~~(gg)~~ (hh) Amounts realized by licensed motor fuel dealers or 132458
licensed permissive motor fuel dealers from the exchange of 132459
petroleum products, including motor fuel, between such dealers, 132460
provided that delivery of the petroleum products occurs at a 132461

refinery, terminal, pipeline, or marine vessel and that the 132462
exchanging dealers agree neither dealer shall require monetary 132463
compensation from the other for the value of the exchanged 132464
petroleum products other than such compensation for differences in 132465
product location or grade. Division (F)(2)~~(gg)~~(hh) of this section 132466
does not apply to amounts realized as a result of differences in 132467
location or grade of exchanged petroleum products or from 132468
handling, lubricity, dye, or other additive injections fees, 132469
pipeline security fees, or similar fees. As used in this division, 132470
"motor fuel," "licensed motor fuel dealer," "licensed permissive 132471
motor fuel dealer," and "terminal" have the same meanings as in 132472
section 5735.01 of the Revised Code. 132473

(ii) Qualified uranium receipts qualifying for exclusion 132474
under section 5751.41 of the Revised Code. 132475

(3) In the case of a taxpayer when acting as a real estate 132476
broker, "gross receipts" includes only the portion of any fee for 132477
the service of a real estate broker, or service of a real estate 132478
salesperson associated with that broker, that is retained by the 132479
broker and not paid to an associated real estate salesperson or 132480
another real estate broker. For the purposes of this division, 132481
"real estate broker" and "real estate salesperson" have the same 132482
meanings as in section 4735.01 of the Revised Code. 132483

(4) A taxpayer's method of accounting for gross receipts for 132484
a tax period shall be the same as the taxpayer's method of 132485
accounting for federal income tax purposes for the taxpayer's 132486
federal taxable year that includes the tax period. If a taxpayer's 132487
method of accounting for federal income tax purposes changes, its 132488
method of accounting for gross receipts under this chapter shall 132489
be changed accordingly. 132490

state with an aggregate value of at least fifty thousand dollars.	132506

least fifty thousand dollars. Payroll in this state includes all	132511

Any term used in this chapter that is not otherwise defined has the same meaning as when used in a comparable context in the laws of the United States relating to federal income taxes unless a different meaning is clearly required. Any reference in this chapter to the Internal Revenue Code includes other laws of the United States relating to federal income taxes.	132529 132530 132531 132532 132533 132534 132535 132536

matters under this chapter, or, for the purposes of section 132566
5751.04 of the Revised Code, a separate taxpayer that is not a 132567
member of such a group. 132568

Sec. 5751.011. (A) A group of two or more persons may elect 132569
to be a consolidated elected taxpayer for the purposes of this 132570
chapter if the group satisfies all of the following requirements: 132571

(1) The group elects to include all persons, including 132572
persons enumerated in divisions (E)(2) to (10) of section 5751.01 132573
of the Revised Code, having at least eighty per cent, or having at 132574
least fifty per cent, of the value of their ownership interests 132575
owned or controlled, directly or constructively through related 132576
interests, by common owners during all or any portion of the tax 132577
period, together with the common owners. 132578

A group making its initial election on the basis of the 132579
eighty per cent ownership test may change its election so that its 132580
consolidated elected taxpayer group is formed on the basis of the 132581

fifty per cent ownership test if all of the following are satisfied: 132582
132583

(a) When the initial election was made, the group did not have any persons satisfying the fifty per cent ownership test; 132584
132585

(b) One or more of the persons in the initial group subsequently acquires ownership interests in a person such that the fifty per cent ownership test is satisfied, the eighty per cent ownership test is not satisfied, and the acquired person would be required to be included in a combined taxpayer group under section 5751.012 of the Revised Code; 132586

132593
132594
132595

(d) The group has not previously changed its election. 132596

At the election of the group, all entities that are not incorporated or formed under the laws of a state or of the United States and that meet the consolidated elected ownership test shall either be included in the group or all shall be excluded from the group. If, at the time of registration, the group does not include any such entities that meet the consolidated elected ownership test, the group shall elect to either include or exclude the newly acquired entities before the due date of the first return due after the date of the acquisition. 132597
132598
132599

132601
132602
132603
132604
132605

Each group shall notify the tax commissioner of the foregoing elections before the due date of the return for the period in which the election becomes binding. If fifty per cent of the value of a person's ownership interests is owned or controlled by each of two consolidated elected taxpayer groups formed under the fifty per cent ownership or control test, that person is a member of each group for the purposes of this section, and each group shall 132606
132607
132608
132609
132610
132611
132612

include in the group's taxable gross receipts fifty per cent of 132613
that person's taxable gross receipts. Otherwise, all of that 132614
person's taxable gross receipts shall be included in the taxable 132615
gross receipts of the consolidated elected taxpayer group of which 132616
the person is a member. In no event shall the ownership or control 132617
of fifty per cent of the value of a person's ownership interests 132618
by two otherwise unrelated groups form the basis for consolidating 132619
the groups into a single consolidated elected taxpayer group or 132620
permit any exclusion under division (C) of this section of taxable 132621
gross receipts between members of the two groups. Division (A)(3) 132622
of this section applies with respect to the elections described in 132623
this division. 132624

(2) The group makes the election to be treated as a 132625
consolidated elected taxpayer in the manner prescribed under 132626
division (D) of this section. 132627

(3) Subject to review and audit by the tax commissioner, the 132628
group agrees that all of the following apply: 132629

(a) The group shall file reports as a single taxpayer for at 132630
least the next eight calendar quarters following the election so 132631
long as at least two or more of the members of the group meet the 132632
requirements of division (A)(1) of this section. 132633

(b) Before the expiration of the eighth such calendar 132634
quarter, the group shall notify the commissioner if it elects to 132635
cancel its designation as a consolidated elected taxpayer. If the 132636
group does not so notify the tax commissioner, the election 132637
remains in effect for another eight calendar quarters. 132638

(c) If, at any time during any of those eight calendar 132639
quarters following the election, a former member of the group no 132640
longer meets the requirements under division (A)(1) of this 132641
section, that member shall report and pay the tax imposed under 132642
this chapter separately, as a member of a combined taxpayer, or, 132643

if the former member satisfies such requirements with respect to 132644
another consolidated elected group, as a member of that 132645
consolidated elected group. 132646

(d) The group agrees to the application of division (B) of 132647
this section. 132648

(B) A group of persons making the election under this section 132649
shall report and pay tax on all of the group's taxable gross 132650
receipts even if substantial nexus with this state does not exist 132651
for one or more persons in the group. 132652

(C)(1)(a) Members of a consolidated elected taxpayer group 132653
shall exclude gross receipts among persons included in the 132654
consolidated elected taxpayer group. 132655

(b) Subject to divisions (C)(1)(c) and (C)(2) of this 132656
section, nothing in this section shall have the effect of 132657
requiring a consolidated elected taxpayer group to include gross 132658
receipts received by a person enumerated in divisions (E)(2) to 132659
(10) of section 5751.01 of the Revised Code if that person is a 132660
member of the group pursuant to the elections made by the group 132661
under division (A)(1) of this section. 132662

(c)(i) As used in division (C)(1)(c) of this section, "dealer 132663
transfer" means a transfer of property that satisfies both of the 132664
following: (I) the property is directly transferred by any means 132665
from one member of the group to another member of the group that 132666
is a dealer in intangibles but is not a qualifying dealer as 132667
defined in section ~~5725.24~~ 5707.031 of the Revised Code; and (II) 132668
the property is subsequently delivered by the dealer in 132669
intangibles to a person that is not a member of the group. 132670

(ii) In the event of a dealer transfer, a consolidated 132671
elected taxpayer group shall not exclude, under division (C) of 132672
this section, gross receipts from the transfer described in 132673
division (C)(1)(c)(i)(I) of this section. 132674

(2) Gross receipts related to the sale or transmission of electricity through the use of an intermediary regional transmission organization approved by the federal energy regulatory commission shall be excluded from taxable gross receipts under division (C)(1) of this section if all other requirements of that division are met, even if the receipts are from and to the same member of the group.

(D) To make the election to be a consolidated elected taxpayer, a group of persons shall notify the tax commissioner of the election in the manner prescribed by the commissioner and pay the commissioner a registration fee equal to the lesser of two hundred dollars or twenty dollars for each person in the group. No additional fee shall be imposed for the addition of new members to the group once the group has remitted a fee in the amount of two hundred dollars. The election shall be made and the fee paid before the beginning of the first calendar quarter to which the election applies. The fee shall be collected and used in the same manner as provided in section 5751.04 of the Revised Code.

The election shall be made on a form prescribed by the tax commissioner for that purpose and shall be signed by one or more individuals with authority, separately or together, to make a binding election on behalf of all persons in the group.

In computing the fixed-rate levy losses under divisions (D)(1), (2), and (3) of this section for any school district, joint vocational school district, or local taxing unit to which division (C)(5) of this section applies, the taxable value of such property as listed on the general tax list of personal property for tax year 2000 shall be substituted for the taxable value of such property as reported by taxpayers for tax year 2004, in the taxing district containing the uranium facility, if the taxable value listed for tax year 2000 is greater than the taxable value reported by taxpayers for tax year 2004. For the purpose of making the computations under divisions (D)(1), (2), and (3) of this section, the tax year 2000 valuation is to be allocated to machinery and equipment, inventory, and furniture and fixtures property in the same proportions as the tax year 2004 values. For the purpose of the calculations in division (A) of section 5751.21 of the Revised Code, the tax year 2004 taxable values shall be used.	133208 133209 133210 133211 133212 133213 133214 133215 133216 133217 133218 133219 133220 133221 133222 133223 133224

Except as provided in division (F) of this section, such losses are the applicable amounts described in divisions (D)(1), (2), (3), and (4) of this section:

(1) The machinery and equipment fixed-rate levy loss is the machinery and equipment property tax value loss multiplied by the sum of the tax rates of fixed-rate qualifying levies.

(2) The inventory fixed-rate loss is the inventory property tax value loss multiplied by the sum of the tax rates of fixed-rate qualifying levies.

(3) The furniture and fixtures fixed-rate levy loss is the furniture and fixture property tax value loss multiplied by the sum of the tax rates of fixed-rate qualifying levies.

(4) The telephone property fixed-rate levy loss is the telephone property tax value loss multiplied by the sum of the tax rates of fixed-rate qualifying levies.

(E) Not later than September 15, 2005, the tax commissioner shall determine for each school district, joint vocational school district, and local taxing unit its fixed-sum levy loss. fixtures property tax value loss, and, for 2008 through ~~2017~~ 2010, 133259
the telephone property tax value loss of the district or unit 133260
multiplied by the sum of the fixed-sum tax rates of qualifying 133261
levies. For 2006 through 2010, this computation shall include all 133262
qualifying levies remaining in effect for the current tax year and 133263
any school district levies imposed under section 5705.194 or 133264

the case of school district levies imposed under section 5705.194 133267
or 5705.213 of the Revised Code and for all years after 2010 in 133268
the case of other fixed-sum levies, this computation shall include 133269
only qualifying levies remaining in effect for the current year. 133270

year, the board of education levies a school district levy imposed 133274
under section 5705.194, 5705.199, 5705.213, or 5705.219 of the 133275

payment certified under this division for 2006. 133278

(2) The total taxable value in tax year 2004 less the sum of 133279
the machinery and equipment, inventory, furniture and fixtures, 133280
and telephone property tax value losses in each school district, 133281
joint vocational school district, and local taxing unit multiplied 133282
by one-half of one mill per dollar. 133283

(3) For the calculations in divisions (E)(1) and (2) of this 133284
section, the tax value losses are those that would be calculated 133285
for tax year 2009 under divisions (C)(1), (2), and (3) of this 133286
section and for tax year 2011 under division (C)(4) of this 133287

section. 133288

the tax commissioner a copy of the county auditor's certificate of 133294
estimated property tax millage for such levy as required under 133295
division (B) of section 5705.03 of the Revised Code, which is the 133296
rate that shall be used in the calculations under such divisions. 133297

for any school district, joint vocational school district, or 133299
local taxing unit is greater than zero, that amount shall equal 133300
the reimbursement to be paid pursuant to division (E) of section 133301
5751.21 or division (A)(3) of section 5751.22 of the Revised Code, 133302
and the one-half of one mill that is subtracted under division 133303

fixed-sum levies in the proportion that each levy bears to the sum 133305
of all fixed-sum levies within each school district, joint 133306
vocational school district, or local taxing unit. 133307

(F) If a school district levies a tax under section 5705.219 133308
of the Revised Code, the fixed-rate levy loss for qualifying 133309
levies, to the extent repealed under that section, shall equal the 133310
sum of the following amounts in lieu of the amounts computed for 133311
such levies under division (D) of this section: 133312

(1) The sum of the rates of qualifying levies to the extent 133313
so repealed multiplied by the sum of the machinery and equipment, 133314
inventory, and furniture and fixtures tax value losses for 2009 as 133315
determined under that division; 133316

(2) The sum of the rates of qualifying levies to the extent 133317

The fixed-rate levy losses for qualifying levies to the 133320
extent not repealed under section 5705.219 of the Revised Code 133321
shall be as determined under division (D) of this section. The 133322
revised fixed-rate levy losses determined under this division and 133323
division (D) of this section first apply in the year following the 133324
first year the district levies the tax under section 5705.219 of 133325
the Revised Code. 133326

(G) Not later than October 1, 2005, the tax commissioner 133327
shall certify to the department of education for every school 133328
district and joint vocational school district the machinery and 133329
equipment, inventory, furniture and fixtures, and telephone 133330
property tax value losses determined under division (C) of this 133331
section, the machinery and equipment, inventory, furniture and 133332
fixtures, and telephone fixed-rate levy losses determined under 133333
division (D) of this section, and the fixed-sum levy losses 133334
calculated under division (E) of this section. The calculations 133335
under divisions (D) and (E) of this section shall separately 133336
display the levy loss for each levy eligible for reimbursement. 133337

(H) Not later than October 1, 2005, the tax commissioner 133338
shall certify the amount of the fixed-sum levy losses to the 133339
county auditor of each county in which a school district, joint 133340
vocational school district, or local taxing unit with a fixed-sum 133341
levy loss reimbursement has territory. 133342

section from the amount described in division (A)(1)(a) of this 133358
section: 133359

(a) The state education aid computed for the school district 133360
or joint vocational school district for the current fiscal year as 133361
of the thirtieth day of July; 133362

(b) The state education aid that would be computed for the 133363
school district or joint vocational school district for the 133364
current fiscal year as of the thirtieth day of July if the 133365

2005, payments shall be made based on the schedule in division 133768
(A)(1) of this section for each of the calendar years 2006 through 133769
2010. For each of the calendar years 2011 through 2017, the 133770
percentages for calendar year 2010 shall be used for taxes levied 133771
within the ten-mill limitation or pursuant to a municipal charter 133772
for debt purposes in tax year 2010, as long as ~~the qualifying levy~~ 133773
~~continues~~ such levies continue to be used for debt purposes. If 133774
the purpose of such a qualifying levy is changed, that levy 133775
becomes subject to the payment schedules in divisions (A)(1)(a) to 133776

5751.20 of the Revised Code. If the commissioner determines that a 133786
fixed-sum levy that had been scheduled to be reimbursed in the 133787
current year has expired, a revised calculation for that and all 133788
subsequent years shall be made. 133789

(C) Payments to local taxing units required to be made under 133790
division (A) of this section shall be paid from the local 133791
government tangible property tax replacement fund to the county 133792

November each year, except that in November 2011, the payment 133801
shall equal one hundred per cent of the amount calculated for that 133802
payment. Beginning in May 2014, one-half of the amount determined 133803
under that division shall be paid on or before the last day of May 133804
each year, and one-half shall be paid on or before the twentieth 133805

receipt of such payments, the county treasurer shall distribute 133807
amounts determined under division (A) of this section to the 133808
proper local taxing unit as if they had been levied and collected 133809
as taxes, and the local taxing unit shall apportion the amounts so 133810
received among its funds in the same proportions as if those 133811
amounts had been levied and collected as taxes. 133812

(D) For each of the fiscal years 2006 through ~~2019~~ 2018, if 133813
the total amount in the local government tangible property tax 133814
replacement fund is insufficient to make all payments under 133815
division (C) of this section at the times the payments are to be 133816

made, the director of budget and management shall transfer from 133817
the general revenue fund to the local government tangible property 133818
tax replacement fund the difference between the total amount to be 133819
paid and the amount in the local government tangible property tax 133820
replacement fund. For each fiscal year after ~~2019~~ 2018, at the 133821
time payments under division (A)(2) of this section are to be 133822
made, the director of budget and management shall transfer from 133823
the general revenue fund to the local government property tax 133824
replacement fund the amount necessary to make such payments. 133825

(E) On the fifteenth day of June of each year from 2006 133826
through 2018, the director of budget and management may transfer 133827
any balance in the local government tangible property tax 133828
replacement fund to the general revenue fund. 133829

taxing units are merged, or unincorporated territory of a township 133831
is annexed by a municipal corporation, the tax commissioner shall 133832
adjust the payments made under this section to each of the local 133833
taxing units in proportion to the ~~tax value loss apportioned to~~ 133834
square mileage of the merged or annexed territory as a percentage 133835
of the total square mileage of the jurisdiction from which the 133836
territory originated, or as otherwise provided by a written 133837
agreement between the legislative authorities of the local taxing 133838
units certified to the commissioner not later than the first day 133839
of June of the calendar year in which the payment is to be made. 133840

within the district and that any balance will be paid by the 134148
county at large from other available funds. The resolution also 134149
shall contain a description of the boundaries of that part of the 134150
district to be assessed and shall designate a time and place for 134151
objections to the improvement, to the tentative assessment, or to 134152
the boundaries of the assessment district to be heard by the 134153
board. The date of that hearing shall be not less than twenty-four 134154
days after the date of the first publication of the notice of the 134155
hearing required by this division. 134156

The board shall cause a notice of the hearing to be published 134157
once a week for two consecutive weeks in a newspaper of general 134158
circulation in the county or as provided in section 7.16 of the 134159
Revised Code, and on or before the date of the second publication, 134160

it shall cause to be sent by first class or certified mail a copy 134161
of the notice to every owner of property to be assessed for the 134162
improvement whose address is known. 134163

The notice shall set forth the time and place of the hearing, 134164
a summary description of the proposed improvement, including its 134165
general route and termini, a summary description of the area 134166
constituting the assessment district, and the place where the 134167
plans, specifications, estimate of cost, and tentative assessment 134168
are on file and may be examined. Each mailed notice also shall 134169
include a statement that the property of the addressee will be 134170
assessed for the improvement. The notice also shall be sent by 134171
first class or certified mail, on or before the date of the second 134172
publication, to the clerk, or the official discharging the duties 134173
of a clerk, of any municipal corporation any part of which lies 134174
within the assessment district and shall state whether or not any 134175
property belonging to the municipal corporation is to be assessed 134176
and, if so, shall identify that property. 134177

At the hearing, or at any adjournment of the hearing, of 134178
which no further published or mailed notice need be given, the 134179
board shall hear all parties whose properties are proposed to be 134180
assessed. Written objections to or endorsements of the proposed 134181
improvement, its character and termini, the boundaries of the 134182
assessment district, or the tentative assessment shall be received 134183
by the board for a period of five days after the completion of the 134184
hearing, and no action shall be taken by the board in the matter 134185
until after that period has elapsed. The minutes of the hearing 134186
shall be entered on the journal of the board showing the persons 134187
who appear in person or by attorney, and all written objections 134188
shall be preserved and filed in the office of the board. 134189

Sec. 6103.06. After the expiration of the period of five days 134190
provided in section 6103.05 of the Revised Code for the filing of 134191

written objections, the board of county commissioners shall 134192
determine whether it will proceed with the construction of the 134193
proposed improvement. If it decides to proceed therewith, the 134194
board shall ratify or amend the plans for the improvement, the 134195
character and termini thereof, the boundaries of the assessment 134196
district, and the tentative assessment, and may cause such 134197
revision of plans, boundaries, or assessments as is necessary to 134198
be made by the county sanitary engineer. If the boundaries of the 134199
assessment district are amended so as to include any property not 134200
included within the boundaries as established by the resolution of 134201
necessity, provided for in section 6103.05 of the Revised Code, 134202
the owners of all such property shall be notified by mail if their 134203
addresses are known, and notice shall be published once a week for 134204
two consecutive weeks in a newspaper of general circulation within 134205
the county or as provided in section 7.16 of the Revised Code, 134206
that such amendments have been adopted and that a hearing will be 134207
given by the board at a time and place stated in such notice at 134208
which all persons interested will be heard by the board. The date 134209
of such hearing shall be not less than twenty-four days after the 134210
first publication of such notice, and the hearing shall be 134211
conducted and records kept in the same manner as the first 134212
hearing. Five days shall be allowed for the filing of written 134213
objections as provided in section 6103.05 of the Revised Code for 134214
the first hearing and after the expiration of such five day period 134215
the board shall ratify the plans for the improvement, the 134216
character and termini thereof, the boundaries of the assessment 134217
district, and the tentative assessment, or shall further amend the 134218
same. If the boundaries of the assessment district are amended so 134219
as to include any property not included in the assessment district 134220
as originally established or previously amended, further notice 134221
and hearing shall be given to the owners of such property in the 134222
same manner as for the first amendment of such boundaries, and the 134223
same procedure shall be repeated until all property owners 134224

affected have been given an opportunity to be heard. If the owners 134225
of all property added to an assessment district by amendment of 134226
the original boundaries thereof waive objection to such amendment 134227
in writing, no further notice or hearing shall be given. After the 134228
board has ratified the plans for the improvement, the character 134229
and termini thereof, the boundaries of the assessment district, 134230
and the tentative assessment, either as originally presented or as 134231
amended, and if it decides to proceed therewith, the board shall 134232
adopt a resolution, to be known as the improvement resolution. 134233
Said improvement resolution shall declare the determination of 134234
such board to proceed with the construction of the improvement 134235
provided for in the resolution of necessity, in accordance with 134236
the plans and specification provided for such improvement, as 134237
ratified or amended, and whether bonds or certificates of 134238
indebtedness shall be issued in anticipation of the collection of 134239
special assessments, or that money in the county treasury 134240
unappropriated for any other purpose shall be appropriated to pay 134241
for said improvement. 134242

Sec. 6103.081. (A) After the establishment of any county 134243
sewer district, the board of county commissioners may determine by 134244
resolution that it is necessary to provide water supply 134245
improvements and to maintain and operate the improvements within 134246
the district or a designated portion of the district, that the 134247
improvements, which shall be generally described in the 134248
resolution, shall be constructed, that funds are required to pay 134249
the preliminary costs of the improvements to be incurred prior to 134250
the commencement of the proceedings for their construction, and 134251
that those funds shall be provided in accordance with this 134252
section. 134253

(B) Prior to the adoption of the resolution, the board shall 134254
give notice of its pendency and of the proposed determination of 134255
the necessity of the improvements generally described in the 134256

resolution. The notice shall set forth a description of the 134257
properties to be benefited by the improvements and the time and 134258
place of a hearing of objections to and endorsements of the 134259
improvements. The notice shall be given either by publication in a 134260
newspaper of general circulation in the county once a week for two 134261
consecutive weeks, by publication as provided in section 7.16 of 134262
the Revised Code, or by mailing a copy of the notice by first 134263
class or certified mail to the owners of the properties proposed 134264
to be assessed at their respective tax mailing addresses, or by 134265
~~both~~ a combination of these manners, the first publication to be 134266
made or the mailing to occur at least two weeks prior to the date 134267
set for the hearing. At the hearing, or at any adjournment of the 134268
hearing, of which no further published or mailed notice need be 134269
given, the board shall hear all persons whose properties are 134270
proposed to be assessed and the evidence it considers to be 134271
necessary. The board then shall determine the necessity of the 134272
proposed improvements and whether the improvements shall be made 134273
by the board and, if they are to be made, shall direct the 134274
preparation of tentative assessments upon the benefited properties 134275
and by whom they shall be prepared. 134276

(C) In order to obtain funds for the preparation of a general 134277
or revised general plan of water supply for the district or part 134278
of the district, for the preparation of the detailed plans, 134279
specifications, estimate of cost, and tentative assessment for the 134280
proposed improvements, and for the cost of financing and legal 134281
services incident to the preparation of all of those plans and a 134282
plan of financing the proposed improvements, the board may levy 134283
upon the properties to be benefited in the district a preliminary 134284
assessment apportioned according to benefits or to tax valuation 134285
or partly by one method and partly by the other method as the 134286
board may determine. The assessments shall be in the amount 134287
determined to be necessary to obtain funds for the general and 134288
detailed plans and the cost of financing and legal services and 134289

shall be payable in the number of years that the board shall 134290
determine, not to exceed twenty years, together with interest on 134291
any public obligations that may be issued or incurred in 134292
anticipation of the collection of the assessments. 134293

(D) The board shall have power at any time to levy additional 134294
assessments according to benefits or to tax valuation or partly by 134295
one method and partly by the other method as the board may 134296
determine for the purposes described in division (C) of this 134297
section upon the benefited properties to complete the payment of 134298
the costs described in division (C) of this section or to pay the 134299
cost of any additional plans, specifications, estimate of cost, or 134300
tentative assessment and the cost of financing and legal services 134301
incident to the preparation of those plans and the plan of 134302
financing, which additional assessments shall be payable in the 134303
number of years that the board shall determine, not to exceed 134304
twenty years, together with interest on any public obligations 134305
that may be issued or incurred in anticipation of the collection 134306
of the additional assessments. 134307

(E) Prior to the adoption of a resolution levying assessments 134308
under this section, the board shall give notice either by one 134309
publication in a newspaper of general circulation in the county, 134310
or by mailing a copy of the notice by first class or certified 134311
mail to the owners of the properties proposed to be assessed at 134312
their respective tax mailing addresses, or by both manners, the 134313
publication to be made or the mailing to occur at least ten days 134314
prior to the date of the meeting at which the resolution shall be 134315
taken up for consideration; that notice shall state the time and 134316
place of the meeting at which the resolution is to be considered. 134317
At the time and place of the meeting, or at any adjournment of the 134318
meeting, of which no further published or mailed notice need be 134319
given, the board shall hear all persons whose properties are 134320
proposed to be assessed, shall correct any errors and make any 134321

revisions that appear to be necessary or just, and then may adopt 134322
a resolution levying upon the properties determined to be 134323
benefited the assessments as so corrected and revised. 134324

The assessments levied by the resolution shall be certified 134325
to the county auditor for collection in the same manner as taxes 134326
in the year or years in which they are payable. 134327

(F) Upon the adoption of the resolution described in division 134328
(E) of this section, no further action shall be taken or work done 134329
until ten days have elapsed. If, at the expiration of that period, 134330
no appeal has been effected by any property owner as provided in 134331
this division, the action of the board shall be final. If, at the 134332
end of that ten days, any owner of property to be assessed for the 134333
improvements has effected an appeal, no further action shall be 134334
taken and no work done in connection with the improvements under 134335
the resolution until the matters appealed from have been disposed 134336
of in court. 134337

Any owner of property to be assessed may appeal as provided 134338
and upon the grounds stated in sections 6117.09 to 6117.24 of the 134339
Revised Code. 134340

If no appeal has been perfected or if on appeal the 134341
resolution of the board is sustained, the board may authorize and 134342
enter into contracts to carry out the purpose for which the 134343
assessments have been levied without the prior issuance of notes, 134344
provided that the payments under those contracts do not fall due 134345
prior to the time by which the assessments are to be collected. 134346
The board may issue and sell bonds with a maximum maturity of 134347
twenty years in anticipation of the collection of the assessments 134348
and may issue notes in anticipation of the issuance of the bonds, 134349
which notes and bonds, as public obligations, shall be issued and 134350
sold as provided in Chapter 133. of the Revised Code. 134351

Sec. 6103.31. (A) If the board of county commissioners 134352

determines by resolution that the best interests of the county and 134353
the users of water supply facilities of the county serving a sewer 134354
district so require, the board may sell or otherwise dispose of 134355
the facilities to another public agency or a person. The 134356
resolution declaring the necessity of that disposition shall 134357
recite the reasons for the sale or other disposition and shall 134358
establish any conditions or terms that the board may impose, 134359
including, but not limited to, a minimum sales price if a sale is 134360
proposed, a requirement for the submission by bidders of the 134361
schedule of water rates and charges initially proposed to be paid 134362
by the users of the facilities, and other pertinent conditions or 134363
terms relating to the sale or other disposition. The resolution 134364
also shall designate a time and place for the hearing of 134365
objections to the sale or other disposition by the board. Notice 134366
of the adoption of the resolution and the time and place of the 134367
hearing shall be published as provided in section 7.16 of the 134368
Revised Code, or once a week for two consecutive weeks, in a 134369
newspaper of general circulation in the sewer district and in the 134370
county. The public hearing on the sale or other disposition shall 134371
be held not less than twenty-four days following the date of first 134372
publication of the notice. A copy of the notice also shall be sent 134373
by first class or certified mail, on or before the date of the 134374
second publication, to any public agency within the area served by 134375
the facilities. At the public hearing, or at any adjournment of 134376
it, of which no further published or mailed notice need be given, 134377
the board shall hear all interested parties. A period of five days 134378
shall be given following the completion of the hearing for the 134379
filing of written objections by any interested persons or public 134380
agencies to the sale or other disposition, after which the board 134381
shall consider any objections and by resolution determine whether 134382
or not to proceed with the sale or other disposition. If the board 134383
determines to proceed with the sale or other disposition, it shall 134384

receive bids after advertising once a week for four consecutive 134385
weeks in a newspaper of general circulation in the county or as 134386
provided in section 7.16 of the Revised Code and, subject to the 134387
right of the board to reject any or all bids, may make an award to 134388
a responsible bidder whose proposal is determined by the board to 134389
be in the best interests of the county and the users of the 134390
facilities. 134391

(B) A conveyance of water supply facilities by a county to a 134392
municipal corporation, in accordance with division (B) of section 134393
6103.04 of the Revised Code, may be made without regard to 134394
division (A) of this section. 134395

Sec. 6105.131. The board of directors of a watershed district 134396
may designate a specific reach in the channel of any watercourse 134397
within the territorial boundaries of the district as a restricted 134398
channel, when the construction or alteration of structures or 134399
obstructions within such channel will restrict its capacity so as 134400
to constitute an unreasonable hazard to the safety of life and 134401
property in times of flood, or designate any area outside the 134402
banks of a restricted channel as a restricted floodway when such 134403
area is reasonably necessary to the efficiency of a restricted 134404
channel as a means of carrying off flood waters. Such designation 134405
of a restricted channel or restricted floodway shall be made in 134406
the following manner: 134407

(A) The board shall adopt a resolution stating its intent to 134408
designate a specific reach in a channel of a watercourse as a 134409
restricted channel or a specific area as a restricted floodway. 134410
Such resolution shall contain a description of the reach of the 134411
channel to be designated as a restricted channel or description of 134412
the area to be designated as a restricted floodway and the reasons 134413
of the board for making such designation. 134414

(B) The board shall cause such resolution to be published as 134415
provided in section 7.16 of the Revised Code or once a week for 134416
two consecutive weeks in a newspaper of general circulation in the 134417
county or counties in which such restricted channel or restricted 134418
floodway is located, together with a notice of the time and place 134419
where a hearing will be held by the board on the question of 134420
designating such channel as a restricted channel or such area as a 134421
restricted floodway ~~and~~. The board also shall give not less than 134422
ten days notice of said hearing by first class mail to all owners 134423
of property within the area proposed to be designated as a 134424
restricted floodway. The date of such hearing shall be not less 134425
than ten days after the completion of the publication provided for 134426
by this division. 134427

(C) The board shall hold a hearing at the time and place 134428
designated in the notice published under division (B) of this 134429
section at which time indorsements of and objections to the 134430
designation of such channel as a restricted channel or such area 134431
as a restricted floodway shall be heard. 134432

(D) The board may, after the completion of the hearing under 134433
division (C) of this section and after finding that the 134434
construction or alteration of structures or obstructions or 134435
relocation, alteration, restriction, deposit, or encroachment 134436
within the designated reach of such channel will restrict its 134437
capacity so as to constitute an unreasonable hazard to the safety 134438
of life and property in times of flood, adopt a resolution 134439
designating the reach of the channel described in the resolution 134440
of intent adopted under division (A) of this section or any 134441
modification thereof as a restricted channel. 134442

(E) In like manner the board may, after completion of a 134443
hearing under division (C) of this section and after finding that 134444
the construction or alteration of structures or obstructions or 134445
change of grade within a designated floodway area will restrict 134446

its capacity or efficiency as a means of carrying off flood water 134447
so as to constitute an unreasonable hazard to the safety of life 134448
and property in times of flood, adopt a resolution designating the 134449
area described in the resolution of intent adopted under division 134450
(A) of this section, or any modification thereof, as a restricted 134451
floodway. 134452

Sec. 6109.21. (A) Except as provided in divisions (D) and (E) 134453
of this section, on and after January 1, 1994, no person shall 134454

(1) If the public water system is a community water system, 134460
not later than January 31, 1994; 134461

(2) If the public water system is not a community water 134462
system and serves a nontransient population, not later than 134463
January 31, 1994; 134464

(3) If the public water system is not a community water 134465
system and serves a transient population, not later than January 134466
31, 1995. 134467

A person proposing to operate or maintain a new public water 134468
system after January 1, 1994, in addition to complying with 134469
section 6109.07 of the Revised Code and rules adopted under it, 134470

section to the director prior to commencing operation of the 134472
system. 134473

A license or license renewal issued under this section shall 134474
be renewed annually. Such a license or license renewal shall 134475
expire on the thirtieth day of January in the year following its 134476

issuance. A license holder that proposes to continue operating the public water system for which the license or license renewal was issued shall apply for a license renewal at least thirty days prior to that expiration date.

The director shall adopt, and may amend and rescind, rules in accordance with Chapter 119. of the Revised Code establishing procedures governing and information to be included on applications for licenses and license renewals under this section. (B) Not later than thirty days after receiving a completed application and the appropriate license fee for an initial license under division (A) of this section, the director shall issue the license for the public water system. Not later than thirty days after receiving a completed application and the appropriate license fee for a license renewal under division (A) of this section, the director shall do one of the following:

(1) Issue the license renewal for the public water system;

(2) Issue the license renewal subject to terms and conditions that the director determines are necessary to ensure compliance with this chapter and rules adopted under it;

(3) Deny the license renewal if the director finds that the public water system was not operated in substantial compliance with this chapter and rules adopted under it.

(C) The director may suspend or revoke a license or license renewal issued under this section if the director finds that the

public water system was not operated in substantial compliance 134508
with this chapter and rules adopted under it. The director shall 134509
adopt, and may amend and rescind, rules in accordance with Chapter 134510
119. of the Revised Code governing such suspensions and 134511
revocations. 134512

(D)(1) As used in division (D) of this section, "church" 134513
means a fellowship of believers, congregation, society, 134514

(2) This section does not apply to a church that operates or 134518
maintains a public water system solely to provide water for that 134519

their families. A church that, on or before March 5, 1996, has 134522
obtained a license under this section for such a public water 134523
system need not obtain a license renewal under this section. 134524

~~Moneys in the fund shall not be used to meet any state 134553
matching requirements that are necessary to obtain federal grants. 134554~~

Sec. 6111.044. Upon receipt of an application for an 134555
injection well drilling permit, an injection well operating 134556
permit, a renewal of an injection well operating permit, or a 134557
modification of an injection well drilling permit, operating 134558
permit, or renewal of an operating permit, the director of 134559
environmental protection shall determine whether the application 134560
is complete and demonstrates that the activities for which the 134561
permit, renewal permit, or modification is requested will comply 134562
with the Federal Water Pollution Control Act and regulations 134563
adopted under it; the "Safe Drinking Water Act," 88 Stat. 1661 134564
(1974), 42 U.S.C.A. 300(f), as amended, and regulations adopted 134565
under it; and this chapter and the rules adopted under it. If the 134566
application demonstrates that the proposed activities will not 134567
comply or will pose an unreasonable risk of inducing seismic 134568
activity, inducing geologic fracturing, or contamination of an 134569
underground source of drinking water, the director shall deny the 134570

application. If the application does not make the required 134571
demonstrations, the director shall return it to the applicant with 134572
an indication of those matters about which a required 134573
demonstration was not made. If the director determines that the 134574
application makes the required demonstrations, the director shall 134575
transmit copies of the application and all of the accompanying 134576
maps, data, samples, and information to the chief of the division 134577
of ~~mineral~~ oil and gas resources management, the chief of the 134578
division of geological survey, ~~and~~ the chief of the division of 134579
soil and water resources, and, if the well is or is to be located 134580
in a coal bearing township designated under section 1561.06 of the 134581
Revised Code, the chief of the division of mineral resources 134582
management in the department of natural resources. 134583

The chief of the division of geological survey shall comment 134584
upon the application if the chief determines that the proposed 134585
well or injection will present an unreasonable risk of loss or 134586
damage to valuable mineral resources. If the chief submits 134587
comments on the application, those comments shall be accompanied 134588
by an evaluation of the geological factors upon which the comments 134589
are based, including fractures, faults, earthquake potential, and 134590
the porosity and permeability of the injection zone and confining 134591
zone, and by the documentation supporting the evaluation. The 134592
director shall take into consideration the chief's comments, and 134593
the accompanying evaluation of geologic factors and supporting 134594
documentation, when considering the application. The director 134595
shall provide written notice to the chief of the director's 134596
decision on the application and, if the chief's comments are not 134597
included in the permit, renewal permit, or modification, of the 134598
director's rationale for not including them. 134599

The chief of the division of ~~mineral~~ oil and gas resources 134600
management shall comment upon the application if the chief 134601
determines that the proposed well or injection will present an 134602

unreasonable risk that waste or contamination of recoverable oil 134603
or gas in the earth will occur. If the chief submits comments on 134604
the application, those comments shall be accompanied by an 134605
evaluation of the oil or gas reserves that, in the best 134606
professional judgment of the chief, are recoverable and will be 134607
adversely affected by the proposed well or injection, and by the 134608
documentation supporting the evaluation. The director shall take 134609
into consideration the chief's comments, and the accompanying 134610
evaluation and supporting documentation, when considering the 134611
application. The director shall provide written notice to the 134612
chief of the director's decision on the application and, if the 134613
chief's comments are not included in the permit, renewal permit, 134614
or modification, of the director's rationale for not including 134615
them. 134616

The chief of the division of soil and water resources shall 134617
assist the director in determining whether all underground sources 134618
of drinking water in the area of review of the proposed well or 134619
injection have been identified and correctly delineated in the 134620
application. If the application fails to identify or correctly 134621
delineate an underground source of drinking water, the chief shall 134622
provide written notice of that fact to the director. 134623

The chief of the division of mineral resources management 134624
~~also~~ shall review the application as follows: 134625

If the application concerns the drilling or conversion of a 134626
well or the injection into a well that is not or is not to be 134627
located within five thousand feet of the excavation and workings 134628
of a mine, the chief of the division of mineral resources 134629
management shall note upon the application that it has been 134630
examined by the division of mineral resources management, retain a 134631
copy of the application and map, and immediately return a copy of 134632
the application to the director. 134633

If the application concerns the drilling or conversion of a 134634

well or the injection into a well that is or is to be located 134635
within five thousand feet, but more than five hundred feet from 134636
the surface excavations and workings of a mine, the chief of the 134637
division of mineral resources management immediately shall notify 134638
the owner or lessee of the mine that the application has been 134639
filed and send to the owner or lessee a copy of the map 134640
accompanying the application setting forth the location of the 134641
well. The chief of the division of mineral resources management 134642
shall note on the application that the notice has been sent to the 134643
owner or lessee of the mine, retain a copy of the application and 134644
map, and immediately return a copy of the application to the 134645
director with the chief's notation on it. 134646

If the application concerns the drilling or conversion of a 134647
well or the injection into a well that is or is to be located 134648
within five thousand feet of the underground excavations and 134649
workings of a mine or within five hundred feet of the surface 134650
excavations and workings of a mine, the chief of the division of 134651
mineral resources management immediately shall notify the owner or 134652
lessee of the mine that the application has been filed and send to 134653
the owner or lessee a copy of the map accompanying the application 134654
setting forth the location of the well. If the owner or lessee 134655
objects to the application, the owner or lessee shall notify the 134656
chief of the division of mineral resources management of the 134657
objection, giving the reasons, within six days after the receipt 134658
of the notice. If the chief of the division of mineral resources 134659
management receives no objections from the owner or lessee of the 134660
mine within ten days after the receipt of the notice by the owner 134661
or lessee, or if in the opinion of the chief of the division of 134662
mineral resources management the objections offered by the owner 134663
or lessee are not sufficiently well founded, the chief shall 134664
retain a copy of the application and map and return a copy of the 134665
application to the director with any applicable notes concerning 134666
it. 134667

If the chief of the division of mineral resources management 134668
receives an objection from the owner or lessee of the mine as to 134669
the application, within ten days after receipt of the notice by 134670
the owner or lessee, and if in the opinion of the chief the 134671
objection is well founded, the chief shall disapprove the 134672
application and immediately return it to the director together 134673
with the chief's reasons for the disapproval. The director 134674
promptly shall notify the applicant for the permit, renewal 134675
permit, or modification of the disapproval. The applicant may 134676
appeal the disapproval of the application by the chief of the 134677
division of mineral resources management to the reclamation 134678
commission created under section 1513.05 of the Revised Code, and 134679
the commission shall hear the appeal in accordance with section 134680
1513.13 of the Revised Code. The appeal shall be filed within 134681
thirty days from the date the applicant receives notice of the 134682
disapproval. No comments concerning or disapproval of an 134683
application shall be delayed by the chief of the division of 134684
mineral resources management for more than fifteen days from the 134685
date of sending of notice to the mine owner or lessee as required 134686
by this section. 134687

The director shall not approve an application for an 134688
injection well drilling permit, an injection well operating 134689
permit, a renewal of an injection well operating permit, or a 134690
modification of an injection well drilling permit, operating 134691
permit, or renewal of an operating permit for a well that is or is 134692
to be located within three hundred feet of any opening of any mine 134693
used as a means of ingress, egress, or ventilation for persons 134694
employed in the mine, nor within one hundred feet of any building 134695
or flammable structure connected with the mine and actually used 134696
as a part of the operating equipment of the mine, unless the chief 134697
of the division of mineral resources management determines that 134698
life or property will not be endangered by drilling and operating 134699
the well in that location. 134700

Upon review by the chief of the division of ~~mineral oil and~~ 134701
gas resources management, the chief of the division of geological 134702
survey, and the chief of the division of soil and water resources, 134703
and if the chief of the division of mineral resources management 134704
has not disapproved the application, the director shall issue a 134705
permit, renewal permit, or modification with any terms and 134706
conditions that may be necessary to comply with the Federal Water 134707
Pollution Control Act and regulations adopted under it; the "Safe 134708
Drinking Water Act," 88 Stat. 1661 (1974), 42 U.S.C.A. 300(f) as 134709
amended, and regulations adopted under it; and this chapter and 134710
the rules adopted under it. The director shall not issue a permit, 134711
renewal permit, or modification to an applicant if the applicant 134712
or persons associated with the applicant have engaged in or are 134713
engaging in a substantial violation of this chapter that is 134714
endangering or may endanger human health or the environment or if, 134715
in the case of an applicant for an injection well drilling permit, 134716
the applicant, at the time of applying for the permit, did not 134717
hold an injection well operating permit or renewal of an injection 134718
well drilling permit and failed to demonstrate sufficient 134719
expertise and competency to operate the well in compliance with 134720
the applicable provisions of this chapter. 134721

If the director receives a disapproval from the chief of the 134722
division of mineral resources management regarding an application 134723
for an injection well drilling or operating permit, renewal 134724
permit, or modification, if required, the director shall issue an 134725
order denying the application. 134726

The director need not issue a proposed action under section 134727
3745.07 of the Revised Code or hold an adjudication hearing under 134728
that section and Chapter 119. of the Revised Code before issuing 134729
or denying a permit, renewal permit, or modification of a permit 134730
or renewal permit. Before issuing or renewing a permit to drill or 134731
operate a class I injection well or a modification of it, the 134732

director shall propose the permit, renewal permit, or modification 134733
in draft form and shall hold a public hearing to receive public 134734
comment on the draft permit, renewal permit, or modification. At 134735
least fifteen days before the public hearing on a draft permit, 134736
renewal permit, or modification, the director shall publish notice 134737
of the date, time, and location of the public hearing in at least 134738
one newspaper of general circulation serving the area where the 134739
well is or is to be located. The proposing of such a draft permit, 134740
renewal permit, or modification does not constitute the issuance 134741
of a proposed action under section 3745.07 of the Revised Code, 134742
and the holding of the public hearing on such a draft permit, 134743
renewal permit, or modification does not constitute the holding of 134744
an adjudication hearing under that section and Chapter 119. of the 134745
Revised Code. Appeals of orders other than orders of the chief of 134746
the division of mineral resources management shall be taken under 134747
sections 3745.04 to 3745.08 of the Revised Code. 134748

The director may order that an injection well drilling permit 134749
or an injection well operating permit or renewal permit be 134750
suspended and that activities under it cease after determining 134751
that those activities are occurring in violation of law, rule, 134752
order, or term or condition of the permit. Upon service of a copy 134753
of the order upon the permit holder or the permit holder's 134754
authorized agent or assignee, the permit and activities under it 134755
shall be suspended immediately without prior hearing and shall 134756
remain suspended until the violation is corrected and the order of 134757
suspension is lifted. If a violation is the second within a 134758
one-year period, the director, after a hearing, may revoke the 134759
permit. 134760

The director may order that an injection well drilling permit 134761
or an injection well operating permit or renewal permit be 134762
suspended and that activities under it cease if the director has 134763
reasonable cause to believe that the permit would not have been 134764

issued if the information available at the time of suspension had 134765
been available at the time a determination was made by one of the 134766
agencies acting under authority of this section. Upon service of a 134767
copy of the order upon the permit holder or the permit holder's 134768
authorized agent or assignee, the permit and activities under it 134769
shall be suspended immediately without prior hearing, but a permit 134770
may not be suspended for that reason without prior hearing unless 134771
immediate suspension is necessary to prevent waste or 134772
contamination of oil or gas, comply with the Federal Water 134773
Pollution Control Act and regulations adopted under it; the "Safe 134774
Drinking Water Act," 88 Stat. 1661 (1974), 42 U.S.C.A. 300(f), as 134775
amended, and regulations adopted under it; and this chapter and 134776
the rules adopted under it, or prevent damage to valuable mineral 134777
resources, prevent contamination of an underground source of 134778
drinking water, or prevent danger to human life or health. If 134779
after a hearing the director determines that the permit would not 134780
have been issued if the information available at the time of the 134781
hearing had been available at the time a determination was made by 134782
one of the agencies acting under authority of this section, the 134783
director shall revoke the permit. 134784

When a permit has been revoked, the permit holder or other 134785
person responsible for it immediately shall plug the well in the 134786
manner required by the director. 134787

The director may issue orders to prevent or require cessation 134788
of violations of this section, section 6111.043, 6111.045, 134789
6111.046, or 6111.047 of the Revised Code, rules adopted under any 134790
of those sections, and terms or conditions of permits issued under 134791
any of them. The orders may require the elimination of conditions 134792
caused by the violation. 134793

Sec. 6111.46. (A) The environmental protection agency shall 134794
exercise general supervision of the treatment and disposal of 134795

sewage and industrial wastes and the operation and maintenance of 134796
works or means installed for the collection, treatment, and 134797
disposal of sewage and industrial wastes. Such general supervision 134798
shall apply to all features of construction, operation, and 134799
maintenance of the works or means that do or may affect the proper 134800
treatment and disposal of sewage and industrial wastes. 134801

(B)(1) The agency shall investigate the works or means 134802
employed in the collection, treatment, and disposal of sewage and 134803
industrial wastes whenever considered necessary or whenever 134804
requested to do so by local health officials and may issue and 134805
enforce orders and shall adopt rules governing the operation and 134806
maintenance of the works or means of treatment and disposal of 134807
such sewage and industrial wastes. In adopting rules under this 134808
section, the agency shall establish standards governing the 134809
construction, operation, and maintenance of the works or means of 134810
collection, treatment, and disposal of sewage that is generated at 134811
recreational vehicle parks, recreation camps, combined park-camps, 134812
and temporary park-camps that are separate from such standards 134813
relative to manufactured home parks. 134814

(2) As used in division (B)(1) of this section: 134815

(a) "Manufactured home parks" has the same meaning as in 134816
section ~~3733.01~~ 4781.01 of the Revised Code. 134817

(b) "Recreational vehicle parks," "recreation camps," 134818
"combined park-camps," and "temporary park-camps" have the same 134819
meanings as in section 3729.01 of the Revised Code. 134820

(C) The agency may require the submission of records and data 134821
of construction, operation, and maintenance, including plans and 134822
descriptions of existing works or means of treatment and disposal 134823
of such sewage and industrial wastes. When the agency requires the 134824
submission of such records or information, the public officials or 134825
person, firm, or corporation having the works in charge shall 134826

comply promptly with that order. 134827

Sec. 6115.01. As used in sections 6115.01 to 6115.79 of the 134828
Revised Code: 134829

(A) "Publication" means once a week for three consecutive 134830
weeks in ~~each of two newspapers of different political~~ 134831
~~affiliations, if there are such newspapers, and a newspaper~~ of 134832
general circulation in the counties wherein publication is to be 134833
made or as provided in section 7.16 of the Revised Code. 134834
Publication need not be made on the same day of the week in each 134835
of the ~~three~~ weeks; but not less than fourteen days, excluding the 134836
day of first publication, shall intervene between the first 134837
publication and the last publication. Publication shall be 134838
complete on the date of the last publication. 134839

(B) "Person" means person, firm, partnership, association, or 134840
corporation, other than county, township, municipal corporation, 134841
or other political subdivision. 134842

(C) "Public corporation" means counties, townships, municipal 134843
corporations, school districts, road districts, ditch districts, 134844
park districts, levee districts, and all other governmental 134845
agencies clothed with the power of levying general or special 134846
taxes. 134847

(D) "Court" means the court of common pleas in which the 134848
petition for the organization of a sanitary district was filed and 134849
granted. In the case of a district lying in more than one county, 134850
"court" means the court comprised of one judge of the court of 134851
common pleas from each county as provided in section 6115.04 of 134852
the Revised Code. 134853

(E) "Land" or "property," unless otherwise specified, means 134854
real property, as "real property" is used in and defined by the 134855
laws of this state, and embraces all railroads, tramroads, roads, 134856

electric railroads, street and interurban railroads, streets and 134857
street improvements, telephones, telegraph, and transmission 134858
lines, gas, sewerage, and water systems, pipelines and 134859
rights-of-way of public service corporations, and all other real 134860
property whether public or private. 134861

(F) "Board of directors" applies to the duties of one 134862
director appointed in accordance with section 6115.10 of the 134863
Revised Code in a district lying wholly within one county. 134864

(G) "Biting arthropods" include mosquitoes, ticks, biting 134865
flies, or other biting arthropods capable of transmitting disease 134866
to humans. 134867

(H) "Bond" or "bonds" means bonds, notes, certificates of 134868
indebtedness, certificates of participation, commercial paper, and 134869
other instruments in writing, including, unless the context does 134870
not admit, bonds or notes issued in anticipation of the issuance 134871
of other bonds, issued by a sanitary district to evidence its 134872
obligation to repay money borrowed, or to pay interest, by, or to 134873
pay at any future time other money obligations of, the sanitary 134874
district. 134875

(I) "Financing costs" has the same meaning as in division (K) 134876
of section 133.01 of the Revised Code. 134877

Sec. 6115.20. (A) When it is determined to let the work 134878
relating to the improvements for which a sanitary district was 134879
established by contract, contracts in amounts to exceed ten 134880
thousand dollars shall be advertised after notice calling for bids 134881
has been published once a week for five consecutive weeks 134882
completed on the date of last publication or as provided in 134883
section 7.16 of the Revised Code, in ~~at least one~~ a newspaper of 134884
general circulation within the sanitary district where the work is 134885
to be done. The board of directors of the sanitary district shall 134886
let bids as provided in this section or, if applicable, section 134887

9.312 of the Revised Code. If the bids are for a contract for the construction, demolition, alteration, repair, or reconstruction of an improvement, the board of directors of the sanitary district shall let the contract to the lowest or best bidder who meets the requirements of section 153.54 of the Revised Code. If the bids are for a contract for any other work relating to the improvements for which a sanitary district was established, the board of directors of the sanitary district shall let the contract to the lowest or best bidder who gives a good and approved bond, with ample security, conditioned on the carrying out of the contract and the payment for all labor and material. The contract shall be in writing and shall be accompanied by or shall refer to plans and specifications for the work to be done prepared by the chief engineer. The plans and specifications at all times shall be made and considered a part of the contract. The contract shall be approved by the board and signed by the president of the board and by the contractor and shall be executed in duplicate. In case of emergency the advertising of contracts may be waived upon the consent of the board with the approval of the court or judge in vacation.

(B) In the case of a sanitary district organized wholly for the purpose of providing a water supply for domestic, municipal, and public use that includes two municipal corporations in two counties, any service to be purchased, including the services of an accountant, architect, attorney at law, physician, or professional engineer, at a cost in excess of ten thousand dollars shall be obtained in the manner provided in sections 153.65 to ~~153.71~~ 153.73 of the Revised Code. For the purposes of the application of those sections to division (B) of this section, all of the following apply:

(1) "Public authority," as used in those sections, shall be deemed to mean a sanitary district organized wholly for the

purpose of providing a water supply for domestic, municipal, and public use that includes two municipal corporations in two counties;

(2) "Professional design firm," as used in those sections, shall be deemed to mean any person legally engaged in rendering professional design services as defined in division (B)(3) of this section;

(3) "Professional design services," as used in those sections, shall be deemed to mean accounting, architectural, legal, medical, or professional engineering services;

(4) The use of other terms in those sections shall be adapted accordingly, including, without limitation, for the purposes of division (D)~~(2)~~ of section 153.67 of the Revised Code;

(5) Divisions (A) to (C) of section 153.71 of the Revised Code do not apply.

(C) The board of directors of a district organized wholly for the purpose of providing a water supply for domestic, municipal, and public use may contract for, purchase, or otherwise procure for the benefit of employees of the district and pay all or any part of the cost of group insurance policies that may provide benefits, including, but not limited to, hospitalization, surgical care, major medical care, disability, dental care, vision care, medical care, hearing aids, or prescription drugs. Any group insurance policy purchased under this division shall be purchased from the health care corporation that the board of directors determines offers the most cost-effective group insurance policy.

Sec. 6115.321. (A) The legislative authority of a municipal corporation whose territory is included within the territory of a sanitary district that is established solely for the reduction of populations of biting arthropods pursuant to division (F) of

section 6115.04 of the Revised Code may enact an ordinance by a 134950
majority vote to submit to the electors of the municipal 134951
corporation the question of whether the territory of the municipal 134952
corporation that is currently included in the district should be 134953
excluded from the district. If the legislative authority of a 134954
municipal corporation enacts such an ordinance, the clerk of the 134955
legislative authority shall transmit a certified copy of the 134956
ordinance to all of the applicable boards of elections. On receipt 134957
of such a certified copy of an ordinance from a legislative 134958
authority, each applicable board of elections shall submit the 134959
proposed question to the electors of the municipal corporation for 134960
approval or rejection at the next general election occurring 134961
subsequent to ninety days after the clerk certifies the ordinance 134962
to the boards of elections. A board of elections shall publish the 134963
full text of the proposed question as set forth in division (B) of 134964
this section one time in a newspaper of general circulation in the 134965
municipal corporation at least fifteen days prior to the election 134966
at which the question is to be submitted to the electors. 134967

cause the notice to be published once in a newspaper of general 135145
circulation in the county not later than ten days before the 135146
adoption of the resolution. 135147

(E) After complying with divisions (A), (C), and (D) of this 135148
section, the board may adopt a resolution declaring that the 135149
improvement, which shall be described as to its nature and its 135150
location, route, and termini, is necessary for the preservation 135151
and promotion of the public health and welfare, referring to the 135152
plans, specifications, estimate of cost, and tentative assessment, 135153
stating the place where they are on file and may be examined, and 135154
providing that the entire cost or a lesser designated part of the 135155
cost will be specially assessed against the benefited properties 135156
within the district and that any balance will be paid by the 135157
county at large from other available funds. The resolution also 135158

assessment district, or the tentative assessment shall be received 135192
by the board for a period of five days after the completion of the 135193
hearing, and no action shall be taken by the board in the matter 135194
until after that period has elapsed. The minutes of the hearing 135195
shall be entered on the journal of the board, showing the persons 135196
who appear in person or by attorney, and all written objections 135197

of written objections, the board of county commissioners shall 135201

determine whether or not it will proceed with the construction of 135202
the improvement mentioned in such section. Notice of the time and 135203
place of each meeting of the board of county commissioners, at 135204
which the resolution to proceed with the construction of such 135205

county sanitary engineer. If the boundaries of the assessment 135221
district are amended so as to include any property not included 135222
within the boundaries as established by the resolution of 135223
necessity provided for in section 6117.06 of the Revised Code, the 135224
owners of all such property shall be notified by mail if their 135225
addresses are known, and notice shall be published once a week for 135226
two consecutive weeks in a newspaper of general circulation within 135227
the county or as provided in section 7.16 of the Revised Code that 135228

all persons interested will be heard by the board. The date of 135231
such hearing shall be not less than twenty-four days after the 135232
first publication of such notice, and the hearing shall be 135233
conducted and records kept in the same manner as the first 135234

ratify the plans for the improvement and the character and termini 135238
thereof, the boundaries of the assessment district, and the 135239
tentative assessment, or shall further amend the same. If the 135240
boundaries of the assessment district are amended so as to include 135241
any property not included in the assessment district as originally 135242
established or previously amended, further notice and hearing 135243
shall be given to the owners of such property in the same manner 135244
as for the first amendment of such boundaries, and the same 135245
procedure shall be repeated until all property owners affected 135246
have been given an opportunity to be heard. If the owners of all 135247
property added to an assessment district by amendment of the 135248
original boundaries thereof waive objection to such amendment in 135249
writing, no further notice or hearing shall be given. 135250

After the board has ratified the plans for the improvement 135251
and the character and termini thereof, the boundaries of the 135252
assessment district, and the tentative assessment, either as 135253
originally presented or as amended, and if it decides to proceed 135254
therewith, the board shall adopt a resolution to be known as the 135255
improvement resolution. Said improvement resolution shall declare 135256
the determination of such board to proceed with the construction 135257
of the improvement provided for in the resolution of necessity, in 135258

improvement as ratified or amended, and whether bonds or 135260
certificates of indebtedness shall be issued in anticipation of 135261
the collection of special assessments, as provided in section 135262

in the county treasury unappropriated for any other purpose shall 135264
be appropriated to pay for said improvement. 135265

(B) Prior to the adoption of the resolution, the board shall give notice of its pendency and of the proposed determination of the necessity of the improvements generally described in the resolution. At the hearing, or at any adjournment of the hearing, of which no further published or mailed notice need be given, the board shall hear all persons whose properties are proposed to be assessed and the evidence it considers to be necessary. The board then shall determine the necessity of the proposed improvements and whether the improvements shall be made

by the board and, if they are to be made, shall direct the 135298
preparation of tentative assessments upon the benefited properties 135299
and by whom they shall be prepared. 135300

(C) In order to obtain funds for the preparation of a general 135301
or revised general plan of sewerage or drainage for the district 135302
or part of the district, for the preparation of the detailed 135303
plans, specifications, estimate of cost, and tentative assessment 135304
for the proposed improvements, and for the cost of financing and 135305
legal services incident to the preparation of all of those plans 135306
and a plan of financing the proposed improvements, the board may 135307
levy upon the properties to be benefited in the district a 135308
preliminary assessment apportioned according to benefits or to tax 135309
valuation or partly by one method and partly by the other method 135310
as the board may determine. The assessments shall be in the amount 135311
determined to be necessary to obtain funds for the general and 135312
detailed plans and the cost of financing and legal services and 135313
shall be payable in the number of years that the board shall 135314
determine, not to exceed twenty years, together with interest on 135315
any public obligations that may be issued or incurred in 135316
anticipation of the collection of the assessments. 135317

(D) The board shall have power at any time to levy additional 135318
assessments according to benefits or to tax valuation or partly by 135319
one method and partly by the other method as the board may 135320
determine for the purposes described in division (C) of this 135321
section upon the benefited properties to complete the payment of 135322
the costs described in division (C) of this section or to pay the 135323
cost of any additional plans, specifications, estimate of cost, or 135324
tentative assessment and the cost of financing and legal services 135325
incident to the preparation of those plans and the plan of 135326
financing, which additional assessments shall be payable in the 135327
number of years that the board shall determine, not to exceed 135328
twenty years, together with interest on any public obligations 135329

that may be issued or incurred in anticipation of the collection 135330
of the additional assessments. 135331

(E) Prior to the adoption of a resolution levying assessments 135332
under this section, the board shall give notice either by one 135333
publication in a newspaper of general circulation in the county, 135334
or by mailing a copy of the notice by first class or certified 135335
mail to the owners of the properties proposed to be assessed at 135336
their respective tax mailing addresses, or by both manners, the 135337
publication to be made or the mailing to occur at least ten days 135338
prior to the date of the meeting at which the resolution shall be 135339
taken up for consideration; that notice shall state the time and 135340
place of the meeting at which the resolution is to be considered. 135341
At the time and place of the meeting, or at any adjournment of the 135342
meeting, of which no further published or mailed notice need be 135343
given, the board shall hear all persons whose properties are 135344
proposed to be assessed, shall correct any errors and make any 135345
revisions that appear to be necessary or just, and then may adopt 135346
a resolution levying upon the properties determined to be 135347
benefited the assessments as so corrected and revised. 135348

The assessments levied by the resolution shall be certified 135349
to the county auditor for collection in the same manner as taxes 135350
in the year or years in which they are payable. 135351

(F) Upon the adoption of the resolution described in division 135352
(E) of this section, no further action shall be taken or work done 135353
until ten days have elapsed. If, at the expiration of that period, 135354
no appeal has been effected by any property owner as provided in 135355
this division, the action of the board shall be final. If, at the 135356
end of that ten days, any owner of property to be assessed for the 135357
improvements has effected an appeal, no further action shall be 135358
taken and no work done in connection with the improvements under 135359
the resolution until the matters appealed from have been disposed 135360
of in court. 135361

Any owner of property to be assessed may appeal as provided 135362
and upon the grounds stated in sections 6117.09 to 6117.24 of the 135363
Revised Code. 135364

If no appeal has been perfected or if on appeal the 135365
resolution of the board is sustained, the board may authorize and 135366
enter into contracts to carry out the purposes for which the 135367
assessments have been levied without the prior issuance of notes, 135368
provided that the payments under those contracts do not fall due 135369
prior to the time by which the assessments are to be collected. 135370
The board may issue and sell bonds with a maximum maturity of 135371
twenty years in anticipation of the collection of the assessments 135372
and may issue notes in anticipation of the issuance of the bonds, 135373
which notes and bonds, as public obligations, shall be issued and 135374
sold as provided in Chapter 133. of the Revised Code. 135375

Sec. 6117.49. (A) If the board of county commissioners 135376
determines by resolution that the best interests of the county and 135377
those served by the sanitary or drainage facilities or the 135378
prevention or replacement facilities of a county sewer district so 135379
require, the board may sell or otherwise dispose of the facilities 135380
to another public agency or a person. The resolution declaring the 135381
necessity of that disposition shall recite the reasons for the 135382
sale or other disposition and shall establish any conditions or 135383
terms that the board may impose, including, but not limited to, a 135384
minimum sales price if a sale is proposed, a requirement for the 135385
submission by bidders of the schedule of rates and charges 135386
initially proposed to be paid for the services of the facilities, 135387
and other pertinent conditions or terms relating to the sale or 135388
other disposition. The resolution also shall designate a time and 135389
place for the hearing of objections to the sale or other 135390
disposition by the board. Notice of the adoption of the resolution 135391
and the time and place of the hearing shall be published as 135392
provided in section 7.16 of the Revised Code or once a week for 135393

two consecutive weeks, in a newspaper of general circulation in 135394
the sewer district and in the county. The public hearing on the 135395
sale or other disposition shall be held not less than twenty-four 135396
days following the date of first publication of the notice. A copy 135397
of the notice also shall be sent by first class or certified mail, 135398
on or before the date of the second publication, to any public 135399
agency within the area served by the facilities. At the public 135400
hearing, or at any adjournment of it, of which no further 135401
published or mailed notice need be given, the board shall hear all 135402
interested parties. A period of five days shall be given following 135403
the completion of the hearing for the filing of written objections 135404
by any interested persons or public agencies to the sale or other 135405
disposition, after which the board shall consider any objections 135406
and by resolution determine whether or not to proceed with the 135407
sale or other disposition. If the board determines to proceed with 135408
the sale or other disposition, it shall receive bids after 135409
advertising once a week for four consecutive weeks or as provided 135410
in section 7.16 of the Revised Code, in a newspaper of general 135411
circulation in the county and, subject to the right of the board 135412
to reject any or all bids, may make an award to a responsible 135413
bidder whose proposal is determined by the board to be in the best 135414
interests of the county and those served by the facilities. 135415

(B) A conveyance of sanitary or drainage facilities or of 135416
prevention or replacement facilities by a county to a municipal 135417
corporation in accordance with division (B) of section 6117.05 of 135418
the Revised Code may be made without regard to division (A) of 135419
this section. 135420

Sec. 6119.061. (A) Whenever any portion of a regional water 135421
and sewer district is incorporated as, or annexed to, a municipal 135422
corporation, the area so incorporated or annexed shall remain 135423
under the jurisdiction of the district for purposes of the 135424
acquisition, construction, or operation of a water resource 135425

project until the water resource project has been acquired or 135426
completed or until the project is abandoned by the district. The 135427
board of trustees of the district, unless and until a conveyance 135428
is made to a municipal corporation in accordance with division (B) 135429
of this section, shall continue to have jurisdiction in the area 135430
so incorporated or annexed with respect to the management, 135431
maintenance, and operation of all water resource projects so 135432
acquired or completed or previously acquired or completed, 135433
including the right to establish rules and rates and charges for 135434
the use of, and connections to, the projects. The incorporation or 135435
annexation of any part of a district shall not affect the legality 135436
or enforceability of any public obligations issued or incurred by 135437
the district for purposes of this chapter to provide for the 135438
payment of the cost of acquisition, construction, maintenance, or 135439
operation of any water resource project or the validity of any 135440
assessments levied or to be levied on properties within the area 135441
to provide for the payment of the cost of acquisition, 135442
construction, maintenance, or operation of the project. 135443

(B) The board of trustees of a regional water and sewer 135444
district may convey, by mutual agreement, to a municipal 135445
corporation any completed water resource project acquired or 135446
constructed under this chapter for the use of, or service of 135447
property located in, the regional water and sewer district, or any 135448
part of that project to which any of the following applies: 135449

(1) The project is located within the municipal corporation 135450
or within any area that is incorporated as, or annexed to, the 135451
municipal corporation. 135452

(2) The project serves the municipal corporation or any area 135453
that is located within or that is incorporated as, or annexed to, 135454
the municipal corporation. 135455

(3) The project is connected to water supply or sanitary, 135456
drainage, prevention, or replacement facilities of the municipal 135457

corporation. 135458

The conveyance shall be completed with terms and for 135459
consideration as may be negotiated. Upon and after the conveyance, 135460
the municipal corporation shall manage, maintain, and operate the 135461
water resource project in accordance with the agreement. The board 135462
of trustees may retain the right to the joint use of all or part 135463
of any project so conveyed for the benefit of the district. 135464
Neither the validity of any assessment levied or to be levied, nor 135465
the legality or enforceability of any public obligations issued or 135466
incurred, to provide for the payment of the cost of the 135467
acquisition, construction, maintenance, or operation of the 135468
project or any part of the project shall be affected by the 135469
conveyance. 135470

Sec. 6119.10. The board of trustees of a regional water and 135471
sewer district or any officer or employee designated by the board 135472
may make any contract for the purchase of supplies or material or 135473
for labor for any work, under the supervision of the board, the 135474
cost of which shall not exceed twenty-five thousand dollars. When 135475
an expenditure, other than for the acquisition of real estate and 135476
interests in real estate, the discharge of noncontractual claims, 135477
personal services, the joint use of facilities or the exercise of 135478
powers with other political subdivisions, or the product or 135479
services of public utilities, exceeds twenty-five thousand 135480
dollars, the expenditures shall be made only after a notice 135481
calling for bids has been published ~~not less than~~ two consecutive 135482
weeks in ~~at least~~ one newspaper ~~having a~~ of general circulation 135483
within the district or as provided in section 7.16 of the Revised 135484
Code. If the bids are for a contract for the construction, 135485
demolition, alteration, repair, or reconstruction of an 135486
improvement, the board may let the contract to the lowest and best 135487
bidder who meets the requirements of section 153.54 of the Revised 135488
Code. If the bids are for a contract for any other work relating 135489

to the improvements for which a regional water and sewer district 135490
was established, the board of trustees of the regional water and 135491
sewer district may let the contract to the lowest or best bidder 135492
who gives a good and approved bond with ample security conditioned 135493
on the carrying out of the contract. The contract shall be in 135494
writing and shall be accompanied by or shall refer to plans and 135495
specifications for the work to be done, approved by the board. The 135496
plans and specifications shall at all times be made and considered 135497
part of the contract. The contract shall be approved by the board 135498
and signed by its president or other duly authorized officer and 135499
by the contractor. In case of a real and present emergency, the 135500
board of trustees of the district, by two-thirds vote of all 135501
members, may authorize the president or other duly authorized 135502
officer to enter into a contract for work to be done or for the 135503
purchase of supplies or materials without formal bidding or 135504
advertising. All contracts shall have attached the certificate 135505
required by section 5705.41 of the Revised Code duly executed by 135506
the secretary of the board of trustees of the district. The 135507
district may make improvements by force account or direct labor, 135508
provided that, if the estimated cost of supplies or material for 135509
any such improvement exceeds twenty-five thousand dollars, bids 135510
shall be received as provided in this section. For the purposes of 135511
the competitive bidding requirements of this section, the board 135512
shall not sever a contract for supplies or materials and labor 135513
into separate contracts for labor, supplies, or materials if the 135514
contracts are in fact a part of a single contract required to be 135515
bid competitively under this section. 135516

Sec. 6119.18. The board of trustees of a regional water and 135517
sewer district, by a vote of two-thirds of all its members, may 135518
declare by resolution that it is necessary to levy a tax in excess 135519
of the ten-mill limitation for the purpose of providing funds to 135520
pay current expenses of the district or for the purpose of paying 135521

any portion of the cost of one or more water resource projects or 135522
parts thereof or for both of such purposes, and that the question 135523
of such tax levy shall be submitted to the electors of the 135524
district at a general or primary election. Such resolution shall 135525
conform to the requirements of section 5705.19 of the Revised 135526
Code, except as otherwise permitted by this section and except 135527
that such levy may be for a period not longer than ten years. The 135528
resolution shall go into immediate effect upon its passage and no 135529
publication of the resolution is necessary other than that 135530
provided for in the notice of election. A copy of such resolution 135531
shall, immediately after its passage, be certified to the board of 135532
elections of the proper county or counties in the manner provided 135533
by section 5705.25 of the Revised Code, and such section shall 135534
govern the arrangements for the submission of such question and 135535
other matters with respect to such election to which such section 135536
refers. Publication of the notice of that election shall be made 135537
in one ~~or more newspapers having a~~ newspaper of general 135538
circulation in the district once a week for two consecutive weeks 135539
prior to the election, ~~and, if~~ or as provided in section 7.16 of 135540
the Revised Code. If the board of elections operates and maintains 135541
a web site, the board of elections shall post notice of the 135542
election on its web site for thirty days prior to the election. 135543

If a majority of the electors voting on the question vote in 135544
favor thereof, the board may make the necessary levy within the 135545
district at the additional rate or at any lesser rate on the tax 135546
list and duplicate for the purpose or purposes stated in the 135547
resolution. 135548

The taxes realized from such levy shall be collected at the 135549
same time and in the same manner as other taxes on such tax list 135550
and duplicate and such taxes, when collected, shall be paid to the 135551
district and deposited by it in a special fund which shall be 135552
established by the district for all revenues derived from such 135553

levy and for the proceeds of anticipation notes which shall be 135554
deposited in such fund. 135555

After the approval of such levy, the district may anticipate 135556
a fraction of the proceeds of such levy and, from time to time, 135557
during the life of such levy, issue anticipation notes in an 135558
amount not exceeding fifty per cent of the estimated proceeds of 135559
such levy to be collected in each year up to a period of five 135560
years after the date of issuance of such notes, less an amount 135561
equal to the proceeds of such levy previously obligated for each 135562
year by the issuance of anticipation notes, provided that the 135563
total amount maturing in any one year shall not exceed fifty per 135564
cent of the anticipated proceeds of such levy for that year. Each 135565
issue of notes shall be sold as provided in Chapter 133. of the 135566
Revised Code, and shall, except for such limitation that the total 135567
amount of such notes maturing in any one year shall not exceed 135568
fifty per cent of the anticipated proceeds of such levy for that 135569
year, mature serially in substantially equal installments during 135570
each year over a period not to exceed five years after their 135571
issuance. 135572

Sec. 6119.22. When a plan of sewerage devised in accordance 135573
with section 6119.19 of the Revised Code has been prepared, the 135574
board of trustees of the regional water and sewer district shall 135575
give at least ten days' notice in one newspaper of general 135576
circulation in such area or give notice as provided in section 135577
7.16 of the Revised Code, stating that such plans have been 135578
prepared and are filed in the office of the secretary of the board 135579
for examination and inspection by the parties interested. 135580

Any objection to such plan shall then be made to the board 135581
and it may amend or correct such plan, and shall thereupon file it 135582
as amended, or if no amendments are made, it shall file the 135583
original plan in the office of the secretary. 135584

Sec. 6119.25. When the board of trustees of a regional water and sewer district deems it necessary to construct all or a part of the sewers provided for in the plan devised in accordance with section 6119.19 of the Revised Code, the board shall declare by resolution the necessity thereof. Such resolution shall contain a declaration of the necessity of such improvement, a statement of the districts, areas, or parts thereof proposed to be constructed, the character of the materials to be used, a reference to the plans and specifications, where they are on file, and the mode of payment therefor, and shall publish the resolution once a week for not less than two nor more than four consecutive weeks in one newspaper of general circulation in the area or as provided in section 7.16 of the Revised Code.

Sec. 6119.58. In order to obtain funds for the preparation of plans, specifications, estimates of cost, tentative assessments, and a plan of financing for any water resource project or part thereof, the board of trustees of a regional water and sewer district may levy upon the property in such district to be benefited by such project assessments apportioned in accordance with one or more of the methods set forth in section 6119.42 of the Revised Code. The aggregate of such assessments shall not exceed the amount determined by the board of trustees to be necessary for such purpose, including costs of financing, legal services, and other incidental costs, and shall be payable in such number of annual installments, not less than one, as the board of trustees prescribes, together with interest on any water resource revenue notes and bonds which may be issued in anticipation of the collection of such assessments.

If the board of trustees proposes to obtain funds in accordance with this section, it shall determine by resolution that it is necessary to construct the water resource project and

to maintain and operate the same on behalf of the district. 135616

Prior to the adoption of the resolution making such 135617
determination, the board of trustees shall give notice of the 135618
pendency thereof and of the proposed determination of the 135619
necessity of the construction of such project therein generally 135620
described, and such notice shall set forth a description of the 135621
properties to be benefited by such project and the time and place 135622
of a hearing of objections to, and endorsements of, such project. 135623
Such notice shall be given by publication in ~~at least~~ one 135624
newspaper ~~having a~~ of general circulation in the district once a 135625
week for two consecutive weeks or as provided in section 7.16 of 135626
the Revised Code, the first publication to be at least two weeks 135627
prior to the date set for the hearing, provided that the board of 135628
trustees may give, or cause to be given, such alternative or 135629
further notice of such hearing as it finds to be necessary or 135630
appropriate. At such hearing, or at any adjournment thereof, of 135631
which no further notice need be given, the board of trustees shall 135632
hear all owners whose properties are proposed to be assessed and 135633
such other evidence as is considered to be necessary, and may then 135634
adopt its resolution determining that the proposed project is 135635
necessary and should be undertaken by the district. In such 135636
resolution, the board of trustees shall direct the preparation of 135637
the estimated assessments upon the benefited properties and by 135638
whom they shall be prepared. 135639

After such assessments have been prepared and filed in the 135640
office of the secretary of the board of trustees and prior to the 135641
adoption of the resolution levying such assessments, the board of 135642
trustees shall give notice of the pendency of such resolution and 135643
of the proposed determination to levy such assessments, and such 135644
notice shall set forth the time and place of a hearing of 135645
objections to such assessments. Such notice shall be given by 135646
publication once in ~~at least~~ one newspaper ~~having a~~ of general 135647

circulation in the district, such publication to be made at least 135648
ten days prior to the date set for the hearing, provided that the 135649
board of trustees may give or cause to be given, such alternative 135650
of further notice of such hearing as it finds to be necessary or 135651
appropriate. At such hearing, or at any adjournment thereof, of 135652
which no further notice need be given, the board of trustees shall 135653
hear all persons whose properties are proposed to be assessed, 135654
shall correct any errors and make any revisions in the estimated 135655
assessments that appear to be necessary or just, and may then 135656
adopt a resolution levying upon the properties determined to be 135657
benefited the assessments as originally prepared or as so 135658
corrected and revised. 135659

The board of trustees shall have the power at any time to 135660
levy additional assessments upon such properties to complete the 135661
payment of the costs for which the original assessments were 135662
levied or to provide funds for any additional plans, 135663
specifications, estimates of cost, tentative assessments, and 135664
other incidental costs, provided that the board shall first have 135665
held a hearing on objections to such additional assessments in the 135666
same manner as required by this section with respect to such 135667
original assessments. Such additional assessments shall be payable 135668
in such number of annual installments, not less than one, as the 135669
board of trustees prescribes, together with interest on any water 135670
resource revenue notes and bonds which may be issued in 135671
anticipation of the collection of such assessments. 135672

The board of trustees may authorize contracts to carry out 135673
the purposes for which such assessments have been levied without 135674
the prior issuance of water resource revenue notes and bonds, 135675
provided that the payments to be made by the district do not fall 135676
due prior to the times when such assessments shall be collected. 135677

hospitalization by court order under division (B)(4) of section 136477
5122.01 of the Revised Code shall automatically be terminated. 136478

Sec. 5122.271. (A) Except as provided in divisions (C), (D), 136479
and (E) of this section, the chief clinical officer or, in a 136480
nonpublic hospital, the attending physician responsible for a 136481
patient's care shall provide all information, including expected 136482
physical and medical consequences, necessary to enable any patient 136483
of a hospital for the mentally ill to give a fully informed, 136484
intelligent, and knowing consent, the opportunity to consult with 136485
independent specialists and counsel, and the right to refuse 136486

(1) Surgery; 136488

(2) Convulsive therapy; 136489

(3) Major aversive interventions; 136490

(4) Sterilizations; 136491

(5) Any unusually hazardous treatment procedures; 136492

(6) Psycho-surgery. 136493

(B) No patient shall be subjected to any of the procedures 136494
listed in divisions (A)(4) to (6) of this section until both the 136495
patient's informed, intelligent, and knowing consent and the 136496
approval of the court have been obtained, except that court 136497
approval is not required for a legally competent and voluntary 136498
patient in a nonpublic hospital. 136499

(C) If, after providing the information required under 136500
division (A) of this section to the patient, the chief clinical 136501
officer or attending physician concludes that a patient is 136502
physically or mentally unable to receive the information required 136503
for surgery under division (A)(1) of this section, or has been 136504
adjudicated incompetent, the information may be provided to the 136505
patient's natural or court-appointed guardian, who may give an 136506

informed, intelligent, and knowing written consent. 136507

If a patient is physically or mentally unable to receive the 136508
information required for surgery under division (A)(1) of this 136509
section and has no guardian, the information, the recommendation 136510
of the chief clinical officer, and the concurring judgment of a 136511
licensed physician who is not a full-time employee of the state 136512
may be provided to the court in the county in which the hospital 136513
is located, which may approve the surgery. Before approving the 136514
surgery, the court shall notify the ~~legal rights service~~ Ohio 136515

Revised Code, and shall notify the patient of the rights to 136517
consult with counsel, to have counsel appointed by the court if 136518
the patient is indigent, and to contest the recommendation of the 136519
chief clinical officer. 136520

(D) If, in a medical emergency, and after providing the 136521
information required under division (A) of this section to the 136522
patient, it is the judgment of one licensed physician that delay 136523
in obtaining surgery would create a grave danger to the health of 136524
the patient, it may be administered without the consent of the 136525
patient or the patient's guardian if the necessary information is 136526
provided to the patient's spouse or next of kin to enable that 136527
person to give informed, intelligent, and knowing written consent. 136528
If no spouse or next of kin can reasonably be contacted, or if the 136529
spouse or next of kin is contacted, but refuses to consent, the 136530
surgery may be performed upon the written authorization of the 136531
chief clinical officer or, in a nonpublic hospital, upon the 136532
written authorization of the attending physician responsible for 136533
the patient's care, and after the approval of the court has been 136534
obtained. However, if delay in obtaining court approval would 136535
create a grave danger to the life of the patient, the chief 136536
clinical officer or, in a nonpublic hospital, the attending 136537
physician responsible for the patient's care may authorize 136538

surgery, in writing, without court approval. If the surgery is 136539
authorized without court approval, the chief clinical officer or 136540
the attending physician who made the authorization and the 136541
physician who performed the surgery shall each execute an 136542
affidavit describing the circumstances constituting the emergency 136543
and warranting the surgery and the circumstances warranting their 136544
not obtaining prior court approval. The affidavit shall be filed 136545
with the court with which the request for prior approval would 136546
have been filed within five court days after the surgery, and a 136547
copy of the affidavit shall be placed in the patient's file and be 136548
given to the guardian, spouse, or next of kin of the patient, to 136549
the hospital at which the surgery was performed, and to the ~~legal~~ 136550
~~rights service created by~~ Ohio protection and advocacy system as 136551
defined in section 5123.60 of the Revised Code. 136552

(E) Major aversive interventions shall not be used unless a 136553
patient continues to engage in behavior destructive to self or 136554
others after other forms of therapy have been attempted. Major 136555
aversive interventions may be applied if approved by the director 136556
of mental health. ~~The director of the legal rights service created~~ 136557
~~by section 5123.60 of the Revised Code shall be notified of any~~ 136558
~~proposed major aversive intervention prior to review by the~~ 136559
~~director of mental health.~~ Major aversive interventions shall not 136560
be applied to a voluntary patient without the informed, 136561
intelligent, and knowing written consent of the patient or the 136562
patient's guardian. 136563

(F) Unless there is substantial risk of physical harm to self 136564
or others, or other than under division (D) of this section, this 136565
chapter does not authorize any form of compulsory medical, 136566
psychological, or psychiatric treatment of any patient who is 136567
being treated by spiritual means through prayer alone in 136568
accordance with a recognized religious method of healing without 136569
specific court authorization. 136570

(G) For purposes of this section, "convulsive therapy" does not include defibrillation.

(2) A person who is committed, voluntarily or involuntarily, shall be given reasonable protection from assault or battery by any other person.

(C) The right to communicate freely with and be visited at reasonable times by ~~his~~ the patient's private counsel or personnel of the ~~legal rights service~~ Ohio protection and advocacy system and, unless prior court restriction has been obtained, to communicate freely with and be visited at reasonable times by ~~his~~ the patient's personal physician or psychologist.

136607
136608

(F) The right to the following personal privileges consistent with health and safety:

As used in this section, "clear treatment reasons" means that 136639
permitting the patient to communicate freely with others will 136640
present a substantial risk of physical harm to the patient or 136641
others or will substantially preclude effective treatment of the 136642
patient. If a right provided under this section is restricted or 136643
withheld for clear treatment reasons, the patient's written 136644
treatment plan shall specify the treatment designed to eliminate 136645
the restriction or withholding of the right at the earliest 136646

(4) Pursuant to a court order signed by a judge; 136669

(5) That a patient shall be granted access to the patient's 136670

be made unless the patient is notified first and receives the 136699
information and does not object to the disclosure. 136700

(9) That community mental health agencies may exchange 136701
psychiatric records and certain other information with the board 136702

committed to a board. Release of records under this division shall 136705
be limited to medication history, physical health status and 136706

advisory council. Each time the term of a voting member expires, 136890
the remaining members of the council shall recommend to the 136891
director one or more persons to serve on the council. The director 136892
may accept a nominee of the council or reject the nominee or 136893
nominees. If the director rejects the nominee or nominees, the 136894
remaining members of the advisory council shall further recommend 136895
to the director one or more other persons to serve on the advisory 136896
council. This procedure shall continue until a member is appointed 136897
to the advisory council. 136898

Each advisory council shall elect from its appointed members 136899
a chairperson, vice-chairperson, and a secretary to serve for 136900
terms of one year. Advisory council officers shall not serve for 136901
more than two consecutive terms in the same office. A majority of 136902
the advisory council members constitutes a quorum. 136903

(C) Terms of office shall be for three years, each term 136904
ending on the same day of the same month of the year as did the 136905
term which it succeeds. No member shall serve more than two 136906
consecutive terms, except that any former member may be appointed 136907
if one year or longer has elapsed since the member served two 136908
consecutive terms. Each member shall hold office from the date of 136909
appointment until the end of the term for which the member was 136910
appointed. Any vacancy shall be filled in the same manner in which 136911
the original appointment was made, and the appointee to a vacancy 136912

in an unexpired term shall serve the balance of the term of the 136913
original appointee. Any member shall continue in office subsequent 136914
to the expiration date of the member's term until the member's 136915
successor takes office, or until a period of sixty days has 136916
elapsed, whichever occurs first. 136917

(D) Members shall be expected to attend all meetings of the 136918
advisory council. Unexcused absence from two successive regularly 136919
scheduled meetings shall be considered prima-facie evidence of 136920
intent not to continue as a member. The chairperson of the board 136921
shall, after a member has been absent for two successive regularly 136922
scheduled meetings, direct a letter to the member asking if the 136923
member wishes to remain in membership. If an affirmative reply is 136924
received, the member shall be retained as a member except that, 136925
if, after having expressed a desire to remain a member, the member 136926
then misses a third successive regularly scheduled meeting without 136927
being excused, the chairperson shall terminate the member's 136928
membership. 136929

(E) A citizen's advisory council shall meet six times 136930
annually, or more frequently if three council members request the 136931
chairperson to call a meeting. The council shall keep minutes of 136932
each meeting and shall submit them to the managing officer of the 136933
institution with which the council is associated, and the 136934
department of developmental disabilities, ~~and the legal rights~~ 136935
~~service.~~ 136936

(F) Members of citizen's advisory councils shall receive no 136937
compensation for their services, except that they shall be 136938
reimbursed for their actual and necessary expenses incurred in the 136939
performance of their official duties by the institution with which 136940
they are associated from funds allocated to it, provided that 136941
reimbursement for those expenses shall not exceed limits imposed 136942
upon the department of developmental disabilities by 136943
administrative rules regulating travel within this state. 136944

(G) The councils shall have reasonable access to all patient treatment and living areas and records of the institution, except those records of a strictly personal or confidential nature. The councils shall have access to a patient's personal records with the consent of the patient or the patient's legal guardian or, if the patient is a minor, with the consent of the parent or legal guardian of the patient.

(H) As used in this section, "branch institution" means a facility that is located apart from an institution and is under the control of the managing officer of the institution.

Sec. 5123.19. (A) As used in this section and in sections 5123.191, 5123.194, 5123.196, 5123.197, 5123.198, and 5123.20 of the Revised Code:

(1)(a) "Residential facility" means a home or facility in which a mentally retarded or developmentally disabled person resides, except the home of a relative or legal guardian in which a mentally retarded or developmentally disabled person resides, a respite care home certified under section 5126.05 of the Revised Code, a county home or district home operated pursuant to Chapter 5155. of the Revised Code, or a dwelling in which the only mentally retarded or developmentally disabled residents are in an independent living arrangement or are being provided supported living.

(2) "Political subdivision" means a municipal corporation, county, or township.

(3) "Independent living arrangement" means an arrangement in

which a mentally retarded or developmentally disabled person 136975
resides in an individualized setting chosen by the person or the 136976
person's guardian, which is not dedicated principally to the 136977
provision of residential services for mentally retarded or 136978
developmentally disabled persons, and for which no financial 136979
support is received for rendering such service from any 136980
governmental agency by a provider of residential services. 136981

(4) "Licensee" means the person or government agency that has 136982
applied for a license to operate a residential facility and to 136983
which the license was issued under this section. 136984

(5) "Related party" has the same meaning as in section 136985
5123.16 of the Revised Code except that "provider" as used in the 136986
definition of "related party" means a person or government entity 136987
that held or applied for a license to operate a residential 136988
facility, rather than a person or government entity certified to 136989
provide supported living. 136990

(B) Every person or government agency desiring to operate a 136991
residential facility shall apply for licensure of the facility to 136992
the director of developmental disabilities unless the residential 136993
facility is subject to section 3721.02, 5119.73, 5103.03, or 136994
5119.20 of the Revised Code. Notwithstanding Chapter 3721. of the 136995
Revised Code, a nursing home that is certified as an intermediate 136996
care facility for the mentally retarded under Title XIX of the 136997
"Social Security Act," 79 Stat. 286 (1965), 42 U.S.C.A. 1396, as 136998
amended, shall apply for licensure of the portion of the home that 136999
is certified as an intermediate care facility for the mentally 137000
retarded. 137001

(C) Subject to section 5123.196 of the Revised Code, the 137002
director of developmental disabilities shall license the operation 137003
of residential facilities. An initial license shall be issued for 137004
a period that does not exceed one year, unless the director denies 137005
the license under division (D) of this section. A license shall be 137006

renewed for a period that does not exceed three years, unless the 137007
director refuses to renew the license under division (D) of this 137008
section. The director, when issuing or renewing a license, shall 137009
specify the period for which the license is being issued or 137010
renewed. A license remains valid for the length of the licensing 137011
period specified by the director, unless the license is 137012
terminated, revoked, or voluntarily surrendered. 137013

(D) If it is determined that an applicant or licensee is not 137014
in compliance with a provision of this chapter that applies to 137015
residential facilities or the rules adopted under such a 137016
provision, the director may deny issuance of a license, refuse to 137017
renew a license, terminate a license, revoke a license, issue an 137018
order for the suspension of admissions to a facility, issue an 137019
order for the placement of a monitor at a facility, issue an order 137020
for the immediate removal of residents, or take any other action 137021
the director considers necessary consistent with the director's 137022
authority under this chapter regarding residential facilities. In 137023
the director's selection and administration of the sanction to be 137024
imposed, all of the following apply: 137025

(1) The director may deny, refuse to renew, or revoke a 137026
license, if the director determines that the applicant or licensee 137027
has demonstrated a pattern of serious noncompliance or that a 137028
violation creates a substantial risk to the health and safety of 137029
residents of a residential facility. 137030

(2) The director may terminate a license if more than twelve 137031
consecutive months have elapsed since the residential facility was 137032
last occupied by a resident or a notice required by division (K) 137033
of this section is not given. 137034

(3) The director may issue an order for the suspension of 137035
admissions to a facility for any violation that may result in 137036
sanctions under division (D)(1) of this section and for any other 137037
violation specified in rules adopted under division (H)(2) of this 137038

section. If the suspension of admissions is imposed for a 137039
violation that may result in sanctions under division (D)(1) of 137040
this section, the director may impose the suspension before 137041
providing an opportunity for an adjudication under Chapter 119. of 137042
the Revised Code. The director shall lift an order for the 137043
suspension of admissions when the director determines that the 137044
violation that formed the basis for the order has been corrected. 137045

(4) The director may order the placement of a monitor at a 137046
residential facility for any violation specified in rules adopted 137047
under division (H)(2) of this section. The director shall lift the 137048
order when the director determines that the violation that formed 137049
the basis for the order has been corrected. 137050

(5) If the director determines that two or more residential 137051
facilities owned or operated by the same person or government 137052
entity are not being operated in compliance with a provision of 137053
this chapter that applies to residential facilities or the rules 137054
adopted under such a provision, and the director's findings are 137055
based on the same or a substantially similar action, practice, 137056
circumstance, or incident that creates a substantial risk to the 137057
health and safety of the residents, the director shall conduct a 137058
survey as soon as practicable at each residential facility owned 137059
or operated by that person or government entity. The director may 137060
take any action authorized by this section with respect to any 137061
facility found to be operating in violation of a provision of this 137062
chapter that applies to residential facilities or the rules 137063
adopted under such a provision. 137064

(6) When the director initiates license revocation 137065
proceedings, no opportunity for submitting a plan of correction 137066
shall be given. The director shall notify the licensee by letter 137067
of the initiation of the proceedings. The letter shall list the 137068
deficiencies of the residential facility and inform the licensee 137069
that no plan of correction will be accepted. The director shall 137070

also send a copy of the letter to the county board of 137071
developmental disabilities. The county board shall send a copy of 137072
the letter to each of the following: 137073

(a) Each resident who receives services from the licensee; 137074

(b) The guardian of each resident who receives services from 137075
the licensee if the resident has a guardian; 137076

(c) The parent or guardian of each resident who receives 137077
services from the licensee if the resident is a minor. 137078

(7) Pursuant to rules which shall be adopted in accordance 137079
with Chapter 119. of the Revised Code, the director may order the 137080
immediate removal of residents from a residential facility 137081
whenever conditions at the facility present an immediate danger of 137082
physical or psychological harm to the residents. 137083

(8) In determining whether a residential facility is being 137084
operated in compliance with a provision of this chapter that 137085
applies to residential facilities or the rules adopted under such 137086
a provision, or whether conditions at a residential facility 137087
present an immediate danger of physical or psychological harm to 137088
the residents, the director may rely on information obtained by a 137089
county board of developmental disabilities or other governmental 137090
agencies. 137091

(9) In proceedings initiated to deny, refuse to renew, or 137092
revoke licenses, the director may deny, refuse to renew, or revoke 137093
a license regardless of whether some or all of the deficiencies 137094
that prompted the proceedings have been corrected at the time of 137095
the hearing. 137096

(E) The director shall establish a program under which public 137097
notification may be made when the director has initiated license 137098
revocation proceedings or has issued an order for the suspension 137099
of admissions, placement of a monitor, or removal of residents. 137100
The director shall adopt rules in accordance with Chapter 119. of 137101

the Revised Code to implement this division. The rules shall 137102
establish the procedures by which the public notification will be 137103
made and specify the circumstances for which the notification must 137104
be made. The rules shall require that public notification be made 137105
if the director has taken action against the facility in the 137106
eighteen-month period immediately preceding the director's latest 137107
action against the facility and the latest action is being taken 137108
for the same or a substantially similar violation of a provision 137109
of this chapter that applies to residential facilities or the 137110
rules adopted under such a provision. The rules shall specify a 137111
method for removing or amending the public notification if the 137112
director's action is found to have been unjustified or the 137113
violation at the residential facility has been corrected. 137114

(F)(1) Except as provided in division (F)(2) of this section, 137115
appeals from proceedings initiated to impose a sanction under 137116
division (D) of this section shall be conducted in accordance with 137117
Chapter 119. of the Revised Code. 137118

(2) Appeals from proceedings initiated to order the 137119
suspension of admissions to a facility shall be conducted in 137120
accordance with Chapter 119. of the Revised Code, unless the order 137121
was issued before providing an opportunity for an adjudication, in 137122
which case all of the following apply: 137123

(a) The licensee may request a hearing not later than ten 137124
days after receiving the notice specified in section 119.07 of the 137125
Revised Code. 137126

(b) If a timely request for a hearing that includes the 137127
licensee's current address is made, the hearing shall commence not 137128
later than thirty days after the department receives the request. 137129

(c) After commencing, the hearing shall continue 137130
uninterrupted, except for Saturdays, Sundays, and legal holidays, 137131
unless other interruptions are agreed to by the licensee and the 137132

director. 137133

(d) If the hearing is conducted by a hearing examiner, the 137134
hearing examiner shall file a report and recommendations not later 137135
than ten days after the last of the following: 137136

(i) The close of the hearing; 137137

(ii) If a transcript of the proceedings is ordered, the 137138
hearing examiner receives the transcript; 137139

(iii) If post-hearing briefs are timely filed, the hearing 137140
examiner receives the briefs. 137141

(e) A copy of the written report and recommendation of the 137142
hearing examiner shall be sent, by certified mail, to the licensee 137143
and the licensee's attorney, if applicable, not later than five 137144
days after the report is filed. 137145

(f) Not later than five days after the hearing examiner files 137146
the report and recommendations, the licensee may file objections 137147
to the report and recommendations. 137148

(g) Not later than fifteen days after the hearing examiner 137149
files the report and recommendations, the director shall issue an 137150
order approving, modifying, or disapproving the report and 137151
recommendations. 137152

(h) Notwithstanding the pendency of the hearing, the director 137153
shall lift the order for the suspension of admissions when the 137154
director determines that the violation that formed the basis for 137155
the order has been corrected. 137156

(G) Neither a person or government agency whose application 137157
for a license to operate a residential facility is denied nor a 137158
related party of the person or government agency may apply for a 137159
license to operate a residential facility before the date that is 137160
one year after the date of the denial. Neither a licensee whose 137161
residential facility license is revoked nor a related party of the 137162

licensee may apply for a residential facility license before the 137163
date that is five years after the date of the revocation. 137164

(H) In accordance with Chapter 119. of the Revised Code, the 137165
director shall adopt and may amend and rescind rules for licensing 137166
and regulating the operation of residential facilities, including 137167
intermediate care facilities for the mentally retarded. The rules 137168
for intermediate care facilities for the mentally retarded may 137169
differ from those for other residential facilities. The rules 137170
shall establish and specify the following: 137171

(1) Procedures and criteria for issuing and renewing 137172
licenses, including procedures and criteria for determining the 137173
length of the licensing period that the director must specify for 137174
each license when it is issued or renewed; 137175

(2) Procedures and criteria for denying, refusing to renew, 137176
terminating, and revoking licenses and for ordering the suspension 137177
of admissions to a facility, placement of a monitor at a facility, 137178
and the immediate removal of residents from a facility; 137179

(3) Fees for issuing and renewing licenses, which shall be 137180
deposited into the program fee fund created under section 5123.033 137181
of the Revised Code; 137182

(4) Procedures for surveying residential facilities; 137183

(5) Requirements for the training of residential facility 137184
personnel; 137185

(6) Classifications for the various types of residential 137186
facilities; 137187

(7) Certification procedures for licensees and management 137188
contractors that the director determines are necessary to ensure 137189
that they have the skills and qualifications to properly operate 137190
or manage residential facilities; 137191

(8) The maximum number of persons who may be served in a 137192

particular type of residential facility;	137193
(9) Uniform procedures for admission of persons to and transfers and discharges of persons from residential facilities;	137194 137195
(10) Other standards for the operation of residential facilities and the services provided at residential facilities;	137196 137197
(11) Procedures for waiving any provision of any rule adopted under this section.	137198 137199
(I) Before issuing a license, the director of the department or the director's designee shall conduct a survey of the residential facility for which application is made. The director or the director's designee shall conduct a survey of each licensed residential facility at least once during the period the license is valid and may conduct additional inspections as needed. A survey includes but is not limited to an on-site examination and evaluation of the residential facility, its personnel, and the services provided there.	137200 137201 137202 137203 137204 137205 137206 137207 137208
In conducting surveys, the director or the director's designee shall be given access to the residential facility; all records, accounts, and any other documents related to the operation of the facility; the licensee; the residents of the facility; and all persons acting on behalf of, under the control of, or in connection with the licensee. The licensee and all persons on behalf of, under the control of, or in connection with the licensee shall cooperate with the director or the director's designee in conducting the survey.	137209 137210 137211 137212 137213 137214 137215 137216 137217
Following each survey, unless the director initiates a license revocation proceeding, the director or the director's designee shall provide the licensee with a report listing any deficiencies, specifying a timetable within which the licensee shall submit a plan of correction describing how the deficiencies will be corrected, and, when appropriate, specifying a timetable	137218 137219 137220 137221 137222 137223

within which the licensee must correct the deficiencies. After a 137224
plan of correction is submitted, the director or the director's 137225
designee shall approve or disapprove the plan. A copy of the 137226
report and any approved plan of correction shall be provided to 137227
any person who requests it. 137228

The director shall initiate disciplinary action against any 137229
department employee who notifies or causes the notification to any 137230
unauthorized person of an unannounced survey of a residential 137231
facility by an authorized representative of the department. 137232

(J) In addition to any other information which may be 137233
required of applicants for a license pursuant to this section, the 137234
director shall require each applicant to provide a copy of an 137235
approved plan for a proposed residential facility pursuant to 137236
section 5123.042 of the Revised Code. This division does not apply 137237
to renewal of a license or to an applicant for an initial or 137238
modified license who meets the requirements of section 5123.193 or 137239
5123.197 of the Revised Code. 137240

(K) A licensee shall notify the owner of the building in 137241
which the licensee's residential facility is located of any 137242
significant change in the identity of the licensee or management 137243
contractor before the effective date of the change if the licensee 137244
is not the owner of the building. 137245

Pursuant to rules which shall be adopted in accordance with 137246
Chapter 119. of the Revised Code, the director may require 137247
notification to the department of any significant change in the 137248
ownership of a residential facility or in the identity of the 137249
licensee or management contractor. If the director determines that 137250
a significant change of ownership is proposed, the director shall 137251
consider the proposed change to be an application for development 137252
by a new operator pursuant to section 5123.042 of the Revised Code 137253
and shall advise the applicant within sixty days of the 137254
notification that the current license shall continue in effect or 137255

a new license will be required pursuant to this section. If the director requires a new license, the director shall permit the facility to continue to operate under the current license until the new license is issued, unless the current license is revoked, refused to be renewed, or terminated in accordance with Chapter 119. of the Revised Code.

(L) A county board of developmental disabilities, ~~the legal rights service,~~ and any interested person may file complaints alleging violations of statute or department rule relating to residential facilities with the department. All complaints shall be in writing and shall state the facts constituting the basis of the allegation. The department shall not reveal the source of any complaint unless the complainant agrees in writing to waive the right to confidentiality or until so ordered by a court of competent jurisdiction.

The department shall adopt rules in accordance with Chapter 119. of the Revised Code establishing procedures for the receipt, referral, investigation, and disposition of complaints filed with the department under this division.

(M) The department shall establish procedures for the notification of interested parties of the transfer or interim care of residents from residential facilities that are closing or are losing their license.

(N) Before issuing a license under this section to a residential facility that will accommodate at any time more than one mentally retarded or developmentally disabled individual, the director shall, by first class mail, notify the following:

(1) If the facility will be located in a municipal corporation, the clerk of the legislative authority of the municipal corporation;

(2) If the facility will be located in unincorporated

territory, the clerk of the appropriate board of county 137287
commissioners and the fiscal officer of the appropriate board of 137288
township trustees. 137289

The director shall not issue the license for ten days after 137290
mailing the notice, excluding Saturdays, Sundays, and legal 137291
holidays, in order to give the notified local officials time in 137292
which to comment on the proposed issuance. 137293

Any legislative authority of a municipal corporation, board 137294
of county commissioners, or board of township trustees that 137295
receives notice under this division of the proposed issuance of a 137296
license for a residential facility may comment on it in writing to 137297
the director within ten days after the director mailed the notice, 137298
excluding Saturdays, Sundays, and legal holidays. If the director 137299
receives written comments from any notified officials within the 137300
specified time, the director shall make written findings 137301
concerning the comments and the director's decision on the 137302
issuance of the license. If the director does not receive written 137303
comments from any notified local officials within the specified 137304
time, the director shall continue the process for issuance of the 137305
license. 137306

(O) Any person may operate a licensed residential facility 137307
that provides room and board, personal care, habilitation 137308

not more than eight persons with mental retardation or a 137310
developmental disability as a permitted use in any residential 137311
district or zone, including any single-family residential district 137312
or zone, of any political subdivision. These residential 137313
facilities may be required to comply with area, height, yard, and 137314
architectural compatibility requirements that are uniformly 137315
imposed upon all single-family residences within the district or 137316
zone. 137317

(P) Any person may operate a licensed residential facility 137318

that provides room and board, personal care, habilitation 137319
services, and supervision in a family setting for at least nine 137320
but not more than sixteen persons with mental retardation or a 137321
developmental disability as a permitted use in any multiple-family 137322
residential district or zone of any political subdivision, except 137323
that a political subdivision that has enacted a zoning ordinance 137324
or resolution establishing planned unit development districts may 137325
exclude these residential facilities from those districts, and a 137326
political subdivision that has enacted a zoning ordinance or 137327
resolution may regulate these residential facilities in 137328
multiple-family residential districts or zones as a conditionally 137329
permitted use or special exception, in either case, under 137330
reasonable and specific standards and conditions set out in the 137331
zoning ordinance or resolution to: 137332

(1) Require the architectural design and site layout of the 137333

uses and the residential character of the neighborhood; 137336

(2) Require compliance with yard, parking, and sign 137337
regulation; 137338

(3) Limit excessive concentration of these residential 137339
facilities. 137340

(Q) This section does not prohibit a political subdivision 137341
from applying to residential facilities nondiscriminatory 137342
regulations requiring compliance with health, fire, and safety 137343
regulations and building standards and regulations. 137344

(R) Divisions (O) and (P) of this section are not applicable 137345
to municipal corporations that had in effect on June 15, 1977, an 137346
ordinance specifically permitting in residential zones licensed 137347
residential facilities by means of permitted uses, conditional 137348
uses, or special exception, so long as such ordinance remains in 137349

effect without any substantive modification. 137350

(S)(1) The director may issue an interim license to operate a residential facility to an applicant for a license under this section if either of the following is the case: 137351
137352
137353

(a) The director determines that an emergency exists requiring immediate placement of persons in a residential facility, that insufficient licensed beds are available, and that the residential facility is likely to receive a permanent license under this section within thirty days after issuance of the interim license. 137354
137355
137356
137357
137358
137359

(b) The director determines that the issuance of an interim license is necessary to meet a temporary need for a residential facility. 137360
137361
137362

(2) To be eligible to receive an interim license, an applicant must meet the same criteria that must be met to receive a permanent license under this section, except for any differing procedures and time frames that may apply to issuance of a permanent license. 137363
137364
137365
137366
137367

(3) An interim license shall be valid for thirty days and may be renewed by the director for a period not to exceed one hundred fifty days. 137368
137369
137370

(4) The director shall adopt rules in accordance with Chapter 119. of the Revised Code as the director considers necessary to administer the issuance of interim licenses. 137371
137372
137373

(T) Notwithstanding rules adopted pursuant to this section establishing the maximum number of persons who may be served in a particular type of residential facility, a residential facility shall be permitted to serve the same number of persons being served by the facility on the effective date of the rules or the number of persons for which the facility is authorized pursuant to a current application for a certificate of need with a letter of 137374
137375

support from the department of developmental disabilities and 137381
which is in the review process prior to April 4, 1986. 137382

(U) The director or the director's designee may enter at any 137383
time, for purposes of investigation, any home, facility, or other 137384
structure that has been reported to the director or that the 137385
director has reasonable cause to believe is being operated as a 137386
residential facility without a license issued under this section. 137387

The director may petition the court of common pleas of the 137388
county in which an unlicensed residential facility is located for 137389
an order enjoining the person or governmental agency operating the 137390
facility from continuing to operate without a license. The court 137391
may grant the injunction on a showing that the person or 137392
governmental agency named in the petition is operating a 137393
residential facility without a license. The court may grant the 137394
injunction, regardless of whether the residential facility meets 137395
the requirements for receiving a license under this section. 137396

Sec. 5123.191. (A) The court of common pleas or a judge 137397
thereof in the judge's county, or the probate court, may appoint a 137398
receiver to take possession of and operate a residential facility 137399
licensed by the department of developmental disabilities, in 137400
causes pending in such courts respectively, when conditions 137401
existing at the facility present a substantial risk of physical or 137402
mental harm to residents and no other remedies at law are adequate 137403
to protect the health, safety, and welfare of the residents. 137404
Conditions at the facility that may present such risk of harm 137405
include, but are not limited to, instances when any of the 137406
following occur: 137407

(1) The residential facility is in violation of state or 137408
federal law or regulations. 137409

(2) The facility has had its license revoked or procedures 137410
for revocation have been initiated, or the facility is closing or 137411

intends to cease operations. 137412

(3) Arrangements for relocating residents need to be made. 137413

(4) Insolvency of the operator, licensee, or landowner 137414
threatens the operation of the facility. 137415

(5) The facility or operator has demonstrated a pattern and 137416
practice of repeated violations of state or federal laws or 137417
regulations. 137418

(B) A court in which a petition is filed pursuant to this 137419
section shall notify the person holding the license for the 137420
facility and the department of developmental disabilities of the 137421
filing. The court shall order the department to notify the ~~legal~~ 137422
~~rights service~~, facility owner, facility operator, county board of 137423
developmental disabilities, facility residents, and residents' 137424
parents and guardians of the filing of the petition. 137425

The court shall provide a hearing on the petition within five 137426
court days of the time it was filed, except that the court may 137427
appoint a receiver prior to that time if it determines that the 137428
circumstances necessitate such action. Following a hearing on the 137429
petition, and upon a determination that the appointment of a 137430
receiver is warranted, the court shall appoint a receiver and 137431
notify the department of developmental disabilities and 137432
appropriate persons of this action. 137433

(C) A residential facility for which a receiver has been 137434
named is deemed to be in compliance with section 5123.19 and 137435
Chapter 3721. of the Revised Code for the duration of the 137436
receivership. 137437

(D) When the operating revenue of a residential facility in 137438
receivership is insufficient to meet its operating expenses, 137439
including the cost of bringing the facility into compliance with 137440
state or federal laws or regulations, the court may order the 137441
state to provide necessary funding, except as provided in division 137442

(K) of this section. The state shall provide such funding, subject 137443
to the approval of the controlling board. The court may also order 137444
the appropriate authorities to expedite all inspections necessary 137445
for the issuance of licenses or the certification of a facility, 137446
and order a facility to be closed if it determines that reasonable 137447
efforts cannot bring the facility into substantial compliance with 137448
the law. 137449

(E) In establishing a receivership, the court shall set forth 137450
the powers and duties of the receiver. The court may generally 137451
authorize the receiver to do all that is prudent and necessary to 137452
safely and efficiently operate the residential facility within the 137453
requirements of state and federal law, but shall require the 137454
receiver to obtain court approval prior to making any single 137455
expenditure of more than five thousand dollars to correct 137456
deficiencies in the structure or furnishings of a facility. The 137457
court shall closely review the conduct of the receiver it has 137458
appointed and shall require regular and detailed reports. The 137459
receivership shall be reviewed at least every sixty days. 137460

(F) A receivership established pursuant to this section shall 137461
be terminated, following notification of the appropriate parties 137462
and a hearing, if the court determines either of the following: 137463

(1) The residential facility has been closed and the former 137464
residents have been relocated to an appropriate facility. 137465

(2) Circumstances no longer exist at the facility that 137466
present a substantial risk of physical or mental harm to 137467
residents, and there is no deficiency in the facility that is 137468
likely to create a future risk of harm. 137469

Notwithstanding division (F)(2) of this section, the court 137470
shall not terminate a receivership for a residential facility that 137471
has previously operated under another receivership unless the 137472
responsibility for the operation of the facility is transferred to 137473

an operator approved by the court and the department of 137474
developmental disabilities. 137475

(G) The department of developmental disabilities may, upon 137476
its own initiative or at the request of an owner, operator, or 137477
resident of a residential facility, or at the request of a 137478
resident's guardian or relative, or a county board of 137479
developmental disabilities, ~~or the legal rights service~~, petition 137480
the court to appoint a receiver to take possession of and operate 137481
a residential facility. When the department has been requested to 137482
file a petition by any of the parties listed above, it shall, 137483
within forty-eight hours of such request, either file such a 137484
petition or notify the requesting party of its decision not to 137485
file. If the department refuses to file, the requesting party may 137486
file a petition with the court requesting the appointment of a 137487
receiver to take possession of and operate a residential facility. 137488

Petitions filed pursuant to this division shall include the 137489
following: 137490

(1) A description of the specific conditions existing at the 137491
facility which present a substantial risk of physical or mental 137492
harm to residents; 137493

(2) A statement of the absence of other adequate remedies at 137494
law; 137495

(3) The number of individuals residing at the facility; 137496

(4) A statement that the facts have been brought to the 137497
attention of the owner or licensee and that conditions have not 137498
been remedied within a reasonable period of time or that the 137499
conditions, though remedied periodically, habitually exist at the 137500
facility as a pattern or practice; 137501

(5) The name and address of the person holding the license 137502
for the facility and the address of the department of 137503
developmental disabilities. 137504

The court may award to an operator appropriate costs and 137505
expenses, including reasonable attorney's fees, if it determines 137506
that a petitioner has initiated a proceeding in bad faith or 137507
merely for the purpose of harassing or embarrassing the operator. 137508

(H) Except for the department of developmental disabilities 137509
or a county board of developmental disabilities, no party or 137510
person interested in an action shall be appointed a receiver 137511
pursuant to this section. 137512

To assist the court in identifying persons qualified to be 137513
named as receivers, the director of developmental disabilities or 137514
the director's designee shall maintain a list of the names of such 137515
persons. The director shall, in accordance with Chapter 119. of 137516
the Revised Code, establish standards for evaluating persons 137517
desiring to be included on such a list. 137518

(I) Before a receiver enters upon the duties of that person, 137519
the receiver must be sworn to perform the duties of receiver 137520
faithfully, and, with surety approved by the court, judge, or 137521
clerk, execute a bond to such person, and in such sum as the court 137522
or judge directs, to the effect that such receiver will faithfully 137523
discharge the duties of receiver in the action, and obey the 137524
orders of the court therein. 137525

(J) Under the control of the appointing court, a receiver may 137526
bring and defend actions in the receiver's own name as receiver 137527
and take and keep possession of property. 137528

The court shall authorize the receiver to do the following: 137529

(1) Collect payment for all goods and services provided to 137530
the residents or others during the period of the receivership at 137531
the same rate as was charged by the licensee at the time the 137532
petition for receivership was filed, unless a different rate is 137533
set by the court; 137534

(2) Honor all leases, mortgages, and secured transactions 137535

governing all buildings, goods, and fixtures of which the receiver 137536
has taken possession and continues to use, subject to the 137537
following conditions: 137538

(a) In the case of a rental agreement, only to the extent of 137539
payments that are for the use of the property during the period of 137540
the receivership; 137541

(b) In the case of a purchase agreement only to the extent of 137542
payments that come due during the period of the receivership. 137543

(3) If transfer of residents is necessary, provide for the 137544
orderly transfer of residents by doing the following: 137545

(a) Cooperating with all appropriate state and local agencies 137546
in carrying out the transfer of residents to alternative community 137547
placements; 137548

(b) Providing for the transportation of residents' belongings 137549
and records; 137550

(c) Helping to locate alternative placements and develop 137551
discharge plans; 137552

(d) Preparing residents for the trauma of discharge; 137553

(e) Permitting residents or guardians to participate in 137554
transfer or discharge planning except when an emergency exists and 137555
immediate transfer is necessary. 137556

(4) Make periodic reports on the status of the residential 137557
program to the appropriate state agency, county board of 137558
developmental disabilities, parents, guardians, and residents; 137559

(5) Compromise demands or claims; 137560

(6) Generally do such acts respecting the residential 137561
facility as the court authorizes. 137562

(K) Neither the receiver nor the department of developmental 137563
disabilities is liable for debts incurred by the owner or operator 137564

of a residential facility for which a receiver has been appointed. 137565

(L) The department of developmental disabilities may contract 137566
for the operation of a residential facility in receivership. The 137567
department shall establish the conditions of a contract. 137568
Notwithstanding any other provision of law, contracts that are 137569
necessary to carry out the powers and duties of the receiver need 137570
not be competitively bid. 137571

(M) The department of developmental disabilities, the 137572
department of job and family services, and the department of 137573
health shall provide technical assistance to any receiver 137574
appointed pursuant to this section. 137575

specified under the terms of the grant or contract. 137610

(3) The member has not taken part in any discussion or vote 137611

contract, including service as a member of a review panel 137613
established by the council to award grants or enter into contracts 137614
or to make recommendations with regard to awarding grants or 137615

report by the department or by a county board of developmental 138144
disabilities. 138145

(N) Notwithstanding section 4731.22 of the Revised Code, the 138146
physician-patient privilege shall not be a ground for excluding 138147
evidence regarding the injuries or physical neglect of a person 138148
with mental retardation or a developmental disability or the cause 138149
thereof in any judicial proceeding resulting from a report 138150
submitted pursuant to this section. 138151

Sec. 5123.63. Every state agency, county board of developmental disabilities, or political subdivision that provides services, either directly or through a contract, to persons with mental retardation or a developmental disability shall give each provider a copy of the list of rights contained in section 5123.62 of the Revised Code. Each public and private provider of services shall carry out the requirements of this section in addition to any other posting or notification requirements imposed by local, state, or federal law or rules.

The provider shall make copies of the list of rights and shall be responsible for an initial distribution of the list to each individual receiving services from the provider. If the individual is unable to read the list, the provider shall communicate the contents of the list to the individual to the extent practicable in a manner that the individual understands. The individual receiving services or the parent, guardian, or advocate of the individual shall sign an acknowledgement of receipt of a copy of the list of rights, and a copy of the signed acknowledgement shall be placed in the individual's file. The provider shall also be responsible for answering any questions and giving any explanations necessary to assist the individual to understand the rights enumerated. Instruction in these rights shall be documented.

Each provider shall make available to all persons receiving services and all employees and visitors a copy of the list of rights and the addresses and telephone numbers of the ~~legal rights service~~ Ohio protection and advocacy system, the department of developmental disabilities, and the county board of developmental disabilities of the county in which the provider provides services.

Sec. 5123.64. (A) Every provider of services to persons with

mental retardation or a developmental disability shall establish 138183
policies and programs to ensure that all staff members are 138184
familiar with the rights enumerated in section 5123.62 of the 138185
Revised Code and observe those rights in their contacts with 138186
persons receiving services. Any policy, procedure, or rule of the 138187
provider that conflicts with any of the rights enumerated shall be 138188
null and void. Every provider shall establish written procedures 138189
for resolving complaints of violations of those rights. A copy of 138190
the procedures shall be provided to any person receiving services 138191
or to any parent, guardian, or advocate of a person receiving 138192
services. 138193

(B) Any person with mental retardation or a developmental 138194
disability who believes that the person's rights as enumerated in 138195
section 5123.62 of the Revised Code have been violated may: 138196

(1) Bring the violation to the attention of the provider for 138197
resolution; 138198

(2) Report the violation to the department of developmental 138199
disabilities, the ~~ombudsman section of the legal rights service~~ 138200
Ohio protection and advocacy system, or the appropriate county 138201
board of developmental disabilities; 138202

(3) Take any other appropriate action to ensure compliance 138203
with sections ~~5123.60~~ 5123.61 to 5123.64 of the Revised Code, 138204
including the filing of a legal action to enforce rights or to 138205
recover damages for violation of rights. 138206

Sec. 5123.69. (A) Except as provided in division ~~(E)~~(D) of 138207
this section, any person who is eighteen years of age or older and 138208
who is or believes self to be mentally retarded may make written 138209
application to the managing officer of any institution for 138210
voluntary admission. Except as provided in division ~~(E)~~(D) of this 138211
section, the application may be made on behalf of a minor by a 138212
parent or guardian, and on behalf of an adult adjudicated mentally 138213

incompetent by a guardian. 138214

(B) The managing officer of an institution, with the 138215
concurrence of the chief program director, may admit a person 138216
applying pursuant to this section only after a comprehensive 138217
evaluation has been made of the person and only if the 138218
comprehensive evaluation concludes that the person is mentally 138219
retarded and would benefit significantly from admission. 138220

~~(C) If application for voluntary admission of a minor or of a 138221
person adjudicated mentally incompetent is made by the parent or 138222
guardian of the minor or by the guardian of an incompetent and the 138223
minor or incompetent is admitted, the probate division of the 138224
court of common pleas shall determine, upon petition by the legal 138225
rights service, whether the voluntary admission or continued 138226
institutionalization is in the best interest of the minor or 138227
incompetent. 138228~~

~~(D)~~ The managing officer shall discharge any voluntary 138229
resident if, in the judgment of the chief program director, the 138230
results of a comprehensive examination indicate that 138231
institutionalization no longer is advisable. In light of the 138232
results of the comprehensive evaluation, the managing officer also 138233
may discharge any voluntary resident if, in the judgment of the 138234
chief program director, the discharge would contribute to the most 138235
effective use of the institution in the habilitation and care of 138236
the mentally retarded. 138237

~~(E)~~(D) A person who is found incompetent to stand trial or 138238
not guilty by reason of insanity and who is committed pursuant to 138239
section 2945.39, 2945.40, 2945.401, or 2945.402 of the Revised 138240
Code shall not voluntarily commit self pursuant to this section 138241
until after the final termination of the commitment, as described 138242
in division (J) of section 2945.401 of the Revised Code. 138243

Sec. 5123.701. (A) Except as provided in division ~~(E)~~(D) of 138244

this section, any person in the community who is eighteen years of age or older and who is or believes self to be mentally retarded may make written application to the managing officer of any institution for temporary admission for short-term care. The application may be made on behalf of a minor by a parent or guardian, and on behalf of an adult adjudicated mentally incompetent by a guardian.

(B) For purposes of this section, short-term care shall be defined to mean appropriate services provided to a person with mental retardation for no more than fourteen consecutive days and for no more than forty-two days in a fiscal year. When circumstances warrant, the fourteen-day period may be extended at the discretion of the managing officer. Short-term care is provided in a developmental center to meet the family's or caretaker's needs for separation from the person with mental retardation.

(C) The managing officer of an institution, with the concurrence of the chief program director, may admit a person for short-term care only after a medical examination has been made of the person and only if the managing officer concludes that the person is mentally retarded.

~~(D) If application for admission for short term care of a minor or of a person adjudicated mentally incompetent is made by the minor's parent or guardian or by the incompetent's guardian and the minor or incompetent is admitted, the probate division of the court of common pleas shall determine, upon petition by the legal rights service, whether the admission for short term care is in the best interest of the minor or the incompetent.~~

~~(E)~~ A person who is found not guilty by reason of insanity shall not admit self to an institution for short-term care unless a hearing was held regarding the person pursuant to division (A) of section 2945.40 of the Revised Code and either of the following

applies:	138277
(1) The person was found at the hearing not to be a mentally retarded person subject to institutionalization by court order;	138278 138279
(2) The person was found at the hearing to be a mentally retarded person subject to institutionalization by court order, was involuntarily committed, and was finally discharged.	138280 138281 138282
(F) (E) The mentally retarded person, liable relatives, and guardians of mentally retarded persons admitted for respite care shall pay support charges in accordance with sections 5121.01 to 5121.21 of the Revised Code.	138283 138284 138285 138286
(G) (F) At the conclusion of each period of short-term care, the person shall return to the person's family or caretaker. Under no circumstances shall a person admitted for short-term care according to this section remain in the institution after the period of short-term care unless the person is admitted according to section 5123.70, sections 5123.71 to 5123.76, or section 2945.38, 2945.39, 2945.40, 2945.401, or 2945.402 of the Revised Code.	138287 138288 138289 138290 138291 138292 138293 138294
Sec. 5123.86. (A) Except as provided in divisions (C), (D), (E), and (F) of this section, the chief medical officer shall provide all information, including expected physical and medical consequences, necessary to enable any resident of an institution for the mentally retarded to give a fully informed, intelligent, and knowing consent if any of the following procedures are proposed:	138295 138296 138297 138298 138299 138300 138301
(1) Surgery;	138302
(2) Convulsive therapy;	138303
(3) Major aversive interventions;	138304
(4) Sterilization;	138305

(5) Experimental procedures; 138306

(6) Any unusual or hazardous treatment procedures. 138307

(B) No resident shall be subjected to any of the procedures 138308
listed in division (A)(4), (5), or (6) of this section without the 138309
resident's informed consent. 138310

(C) If a resident is physically or mentally unable to receive 138311
the information required for surgery under division (A)(1) of this 138312
section, or has been adjudicated incompetent, the information may 138313
be provided to the resident's natural or court-appointed guardian, 138314
including an agency providing guardianship services under contract 138315
with the department of developmental disabilities under sections 138316
5123.55 to 5123.59 of the Revised Code, who may give the informed, 138317
intelligent, and knowing written consent for surgery. Consent for 138318
surgery shall not be provided by a guardian who is an officer or 138319
employee of the department of mental health or the department of 138320
developmental disabilities. 138321

If a resident is physically or mentally unable to receive the 138322
information required for surgery under division (A)(1) of this 138323
section and has no guardian, then the information, the 138324
recommendation of the chief medical officer, and the concurring 138325
judgment of a licensed physician who is not a full-time employee 138326
of the state may be provided to the court in the county in which 138327
the institution is located, which may approve the surgery. Before 138328
approving the surgery, the court shall notify the ~~legal rights~~ 138329
~~service~~ Ohio protection and advocacy system created by section 138330
5123.60 of the Revised Code, and shall notify the resident of the 138331
resident's rights to consult with counsel, to have counsel 138332
appointed by the court if the resident is indigent, and to contest 138333
the recommendation of the chief medical officer. 138334

(D) If, in the judgment of two licensed physicians, delay in 138335
obtaining consent for surgery would create a grave danger to the 138336

health of a resident, emergency surgery may be performed without 138337
the consent of the resident if the necessary information is 138338
provided to the resident's guardian, including an agency providing 138339
guardianship services under contract with the department of 138340
developmental disabilities under sections 5123.55 to 5123.59 of 138341
the Revised Code, or to the resident's spouse or next of kin to 138342
enable that person or agency to give an informed, intelligent, and 138343
knowing written consent. 138344

If the guardian, spouse, or next of kin cannot be contacted 138345
through exercise of reasonable diligence, or if the guardian, 138346
spouse, or next of kin is contacted, but refuses to consent, then 138347
the emergency surgery may be performed upon the written 138348
authorization of the chief medical officer and after court 138349
approval has been obtained. However, if delay in obtaining court 138350
approval would create a grave danger to the life of the resident, 138351
the chief medical officer may authorize surgery, in writing, 138352
without court approval. If the surgery is authorized without court 138353
approval, the chief medical officer who made the authorization and 138354
the physician who performed the surgery shall each execute an 138355
affidavit describing the circumstances constituting the emergency 138356
and warranting the surgery and the circumstances warranting their 138357
not obtaining prior court approval. The affidavit shall be filed 138358
with the court with which the request for prior approval would 138359
have been filed within five court days after the surgery, and a 138360
copy of the affidavit shall be placed in the resident's file and 138361
shall be given to the guardian, spouse, or next of kin of the 138362
resident, to the hospital at which the surgery was performed, and 138363
to the ~~legal rights service~~ Ohio protection and advocacy system 138364
created by section 5123.60 of the Revised Code. 138365

(E)(1) If it is the judgment of two licensed physicians, as 138366
described in division (E)(2) of this section, that a medical 138367
emergency exists and delay in obtaining convulsive therapy creates 138368

a grave danger to the life of a resident who is both mentally 138369
retarded and mentally ill, convulsive therapy may be administered 138370
without the consent of the resident if the resident is physically 138371
or mentally unable to receive the information required for 138372
convulsive therapy and if the necessary information is provided to 138373
the resident's natural or court-appointed guardian, including an 138374
agency providing guardianship services under contract with the 138375
department of developmental disabilities under sections 5123.55 to 138376
5123.59 of the Revised Code, or to the resident's spouse or next 138377
of kin to enable that person or agency to give an informed, 138378
intelligent, and knowing written consent. If neither the 138379
resident's guardian, spouse, nor next of kin can be contacted 138380
through exercise of reasonable diligence, or if the guardian, 138381
spouse, or next of kin is contacted, but refuses to consent, then 138382
convulsive therapy may be performed upon the written authorization 138383
of the chief medical officer and after court approval has been 138384
obtained. 138385

(2) The two licensed physicians referred to in division 138386
(E)(1) of this section shall not be associated with each other in 138387
the practice of medicine or surgery by means of a partnership or 138388
corporate arrangement, other business arrangement, or employment. 138389
At least one of the physicians shall be a psychiatrist as defined 138390
in division (E) of section 5122.01 of the Revised Code. 138391

(F) Major aversive interventions shall not be used unless a 138392
resident continues to engage in behavior destructive to self or 138393
others after other forms of therapy have been attempted. ~~The~~ 138394
~~director of the legal rights service created by section 5123.60 of~~ 138395
~~the Revised Code shall be notified of any proposed major aversive~~ 138396
~~intervention.~~ Major aversive interventions shall not be applied to 138397
a voluntary resident without the informed, intelligent, and 138398
knowing written consent of the resident or the resident's 138399
guardian, including an agency providing guardianship services 138400

under contract with the department of developmental disabilities 138401
under sections 5123.55 to 5123.59 of the Revised Code. 138402

(G)(1) This chapter does not authorize any form of compulsory 138403
medical or psychiatric treatment of any resident who is being 138404
treated by spiritual means through prayer alone in accordance with 138405
a recognized religious method of healing. 138406

(2) For purposes of this section, "convulsive therapy" does 138407
not include defibrillation. 138408

Sec. 5123.99. (A) Whoever violates section 5123.16 or 5123.20 138409
of the Revised Code is guilty of a misdemeanor of the first 138410
degree. 138411

(B) Whoever violates division (C), (E), or (G)(3) of section 138412
5123.61 of the Revised Code is guilty of a misdemeanor of the 138413
fourth degree or, if the abuse or neglect constitutes a felony, a 138414
misdemeanor of the second degree. In addition to any other 138415
sanction or penalty authorized or required by law, if a person who 138416
is convicted of or pleads guilty to a violation of division (C), 138417
(E), or (G)(3) of section 5123.61 of the Revised Code is an MR/DD 138418
employee, as defined in section 5123.50 of the Revised Code, the 138419
offender shall be eligible to be included in the registry 138420
regarding misappropriation, abuse, neglect, or other specified 138421
misconduct by MR/DD employees established under section 5123.52 of 138422
the Revised Code. 138423

~~(C) Whoever violates division (A) of section 5123.604 of the 138424
Revised Code is guilty of a misdemeanor of the second degree. 138425~~

~~(D) Whoever violates division (B) of section 5123.604 of the 138426
Revised Code shall be fined not more than one thousand dollars. 138427
Each violation constitutes a separate offense. 138428~~

Sec. 5126.33. (A) A county board of developmental 138429
disabilities may file a complaint with the probate court of the 138430

county in which an adult with mental retardation or a 138431
developmental disability resides for an order authorizing the 138432
board to arrange services described in division (C) of section 138433
5126.31 of the Revised Code for that adult if the adult is 138434
eligible to receive services or support under section 5126.041 of 138435
the Revised Code and the board has been unable to secure consent. 138436
The complaint shall include: 138437

(1) The name, age, and address of the adult; 138438

(2) Facts describing the nature of the abuse, neglect, or 138439
exploitation and supporting the board's belief that services are 138440
needed; 138441

(3) The types of services proposed by the board, as set forth 138442
in the protective service plan described in division (J) of 138443
section 5126.30 of the Revised Code and filed with the complaint; 138444

(4) Facts showing the board's attempts to obtain the consent 138445
of the adult or the adult's guardian to the services. 138446

(B) The board shall give the adult notice of the filing of 138447
the complaint and in simple and clear language shall inform the 138448
adult of the adult's rights in the hearing under division (C) of 138449
this section and explain the consequences of a court order. This 138450
notice shall be personally served upon all parties, and also shall 138451
be given to the adult's legal counsel, if any, ~~and the legal~~ 138452
~~rights service~~. The notice shall be given at least twenty-four 138453
hours prior to the hearing, although the court may waive this 138454
requirement upon a showing that there is a substantial risk that 138455
the adult will suffer immediate physical harm in the twenty-four 138456
hour period and that the board has made reasonable attempts to 138457
give the notice required by this division. 138458

(C) Upon the filing of a complaint for an order under this 138459
section, the court shall hold a hearing at least twenty-four hours 138460
and no later than seventy-two hours after the notice under 138461

division (B) of this section has been given unless the court has 138462
waived the notice. All parties shall have the right to be present 138463
at the hearing, present evidence, and examine and cross-examine 138464
witnesses. The Ohio Rules of Evidence shall apply to a hearing 138465
conducted pursuant to this division. The adult shall be 138466
represented by counsel unless the court finds that the adult has 138467
made a voluntary, informed, and knowing waiver of the right to 138468
counsel. If the adult is indigent, the court shall appoint counsel 138469
to represent the adult. The board shall be represented by the 138470
county prosecutor or an attorney designated by the board. 138471

(D)(1) The court shall issue an order authorizing the board 138472
to arrange the protective services if it finds, on the basis of 138473
clear and convincing evidence, all of the following: 138474

(a) The adult has been abused, neglected, or exploited; 138475

(b) The adult is incapacitated; 138476

(c) There is a substantial risk to the adult of immediate 138477
physical harm or death; 138478

(d) The adult is in need of the services; 138479

(e) No person authorized by law or court order to give 138480
consent for the adult is available or willing to consent to the 138481
services. 138482

(2) The board shall develop a detailed protective service 138483
plan describing the services that the board will provide, or 138484
arrange for the provision of, to the adult to prevent further 138485
abuse, neglect, or exploitation. The board shall submit the plan 138486
to the court for approval. The protective service plan may be 138487
changed only by court order. 138488

(3) In formulating the order, the court shall consider the 138489
individual protective service plan and shall specifically 138490
designate the services that are necessary to deal with the abuse, 138491

neglect, or exploitation or condition resulting from abuse, 138492
neglect, or exploitation and that are available locally, and 138493
authorize the board to arrange for these services only. The court 138494
shall limit the provision of these services to a period not 138495
exceeding six months, renewable for an additional six-month period 138496
on a showing by the board that continuation of the order is 138497
necessary. 138498

(E) If the court finds that all other options for meeting the 138499
adult's needs have been exhausted, it may order that the adult be 138500
removed from the adult's place of residence and placed in another 138501
residential setting. Before issuing that order, the court shall 138502
consider the adult's choice of residence and shall determine that 138503
the new residential setting is the least restrictive alternative 138504
available for meeting the adult's needs and is a place where the 138505
adult can obtain the necessary requirements for daily living in 138506
safety. The court shall not order an adult to a hospital or public 138507
hospital as defined in section 5122.01 or a state institution as 138508
defined in section 5123.01 of the Revised Code. 138509

(F) The court shall not authorize a change in an adult's 138510
placement ordered under division (E) of this section unless it 138511
finds compelling reasons to justify a change. The parties to whom 138512
notice was given in division (B) of this section shall be given 138513
notice of a proposed change at least five working days prior to 138514
the change. 138515

(G) The adult, the board, or any other person who received 138516
notice of the petition may file a motion for modification of the 138517
court order at any time. 138518

(H) The county board shall pay court costs incurred in 138519
proceedings brought pursuant to this section. The adult shall not 138520
be required to pay for court-ordered services. 138521

(I)(1) After the filing of a complaint for an order under 138522

this section, the court, prior to the final disposition, may enter 138523
any temporary order that the court finds necessary to protect the 138524
adult with mental retardation or a developmental disability from 138525
abuse, neglect, or exploitation including, but not limited to, the 138526
following: 138527

(a) A temporary protection order; 138528

(b) An order requiring the evaluation of the adult; 138529

(c) An order requiring a party to vacate the adult's place of 138530
residence or legal settlement, provided that, subject to division 138531
(K)(1)(d) of this section, no operator of a residential facility 138532
licensed by the department may be removed under this division; 138533

(d) In the circumstances described in, and in accordance with 138534
the procedures set forth in, section 5123.191 of the Revised Code, 138535
an order of the type described in that section that appoints a 138536
receiver to take possession of and operate a residential facility 138537
licensed by the department. 138538

(2) The court may grant an ex parte order pursuant to this 138539
division on its own motion or if a party files a written motion or 138540
makes an oral motion requesting the issuance of the order and 138541
stating the reasons for it if it appears to the court that the 138542
best interest and the welfare of the adult require that the court 138543
issue the order immediately. The court, if acting on its own 138544
motion, or the person requesting the granting of an ex parte 138545
order, to the extent possible, shall give notice of its intent or 138546
of the request to all parties, the adult's legal counsel, if any, 138547
~~and the legal rights service.~~ If the court issues an ex parte 138548
order, the court shall hold a hearing to review the order within 138549
seventy-two hours after it is issued or before the end of the next 138550
day after the day on which it is issued, whichever occurs first. 138551
The court shall give written notice of the hearing to all parties 138552
to the action. 138553

Administrative Services to carry out its duties prescribed in 138676
Section 515.60 of this act. 138677

Section 207.10.20. OHIO ADMINISTRATIVE KNOWLEDGE SYSTEM 138678

The Ohio Administrative Knowledge System (OAKS) is an 138679
enterprise resource planning system that replaced the state's 138680

services, financial or human resources functions, and enterprise 138688
applications that improve the state's operational efficiency. This 138689
includes, but is not limited to, the installation and 138690
implementation of hardware and software. Any lease-purchase 138691
arrangement entered into under Chapter 125. of the Revised Code to 138692
finance the OAKS system and the enhancements described above, 138693
including any fractionalized interest therein, as defined in 138694
division (N) of section 133.01 of the Revised Code, shall provide 138695

financing the costs associated with the acquisition, development, 138706
installation, and implementation of the Ohio Administrative 138707
Knowledge System. If it is determined that additional 138708
appropriations are necessary for this purpose, the amounts are 138709
hereby appropriated. 138710

DISASTER SERVICES 139881

Pursuant to requests submitted by the Department of Public Safety, the Controlling Board may approve transfers from the Disaster Services Fund (5E20) to a fund and appropriation item used by the Department of Public Safety to provide for assistance to political subdivisions made necessary by natural disasters or emergencies. These transfers may be requested and approved prior to the occurrence of any specific natural disasters or emergencies in order to facilitate the provision of timely assistance. The Emergency Management Agency of the Department of Public Safety shall use the funding to fund the State Disaster Relief Program for disasters that have been declared by the Governor, and the State Individual Assistance Program for disasters that have been declared by the Governor and the federal Small Business Administration. The Ohio Emergency Management Agency shall publish and make available application packets outlining procedures for the State Disaster Relief Program and the State Individual Assistance Program.

(A) The individual was a resident of a developmental center 140894
immediately prior to enrollment in the waiver; 140895

(B) The provider begins serving the individual on or after 140896
July 1, 2011; 140897

(C) The Director of Developmental Disabilities determines 140898
that the increased rate is warranted by the individual's special 140899
circumstances, including the individual's diagnosis, service 140900
needs, or length of stay at the developmental center, and that 140901
serving the individual through the Individual Options Waiver is 140902
fiscally prudent for the Medicaid program. 140903

Section 263.20.80. ODODD INNOVATIVE PILOT PROJECTS 140904

(A) In fiscal year 2012 and fiscal year 2013, the Director of 140905
Developmental Disabilities may authorize the implementation of one 140906
or more innovative pilot projects that, in the judgment of the 140907
Director, are likely to assist in promoting the objectives of 140908
Chapter 5123. or 5126. of the Revised Code. Subject to division 140909
(B) of this section and notwithstanding any provision of Chapters 140910
5123. and 5126. of the Revised Code and any rule adopted under 140911
either chapter, a pilot project authorized by the Director may be 140912
implemented in a manner inconsistent with one or more provisions 140913
of Chapter 5123. or 5126. of the Revised Code or one or more rules 140914
adopted under either chapter. Before authorizing a pilot program, 140915
the Director shall consult with entities interested in the issue 140916
of developmental disabilities, including the Ohio Provider 140917
Resource Association, the Ohio Association of County Boards of 140918
Developmental Disabilities, and the ARC of Ohio. 140919

(B) The Director may not authorize a pilot project to be 140920
implemented in a manner that would cause the state to be out of 140921
compliance with any requirements for a program funded in whole or 140922
in part with federal funds. 140923

Section 263.20.90. OHIO DEVELOPMENTAL DISABILITIES COUNCIL 140924
REMOTE ATTENDANCE PILOT PROGRAM 140925

(A) The Ohio Developmental Disabilities Council may establish 140926
a pilot program to allow Council members to attend a public 140927
Council meeting by teleconference or video conference in lieu of 140928
physically attending the meeting. If the pilot program is 140929
established, it shall be operated until five years after the 140930
effective date of this section. 140931

A member who attends a Council meeting by teleconference or 140932
video conference shall be counted for purposes of determining 140933

whether a quorum is present for the transaction of business. The 140934
member shall be permitted to vote at the meeting. 140935

At each Council meeting that includes members in attendance 140936
by teleconference or video conference, at least three Council 140937
members shall be physically present. Any Council meeting may be 140938
held with members in attendance by teleconference or video 140939
conference, except that the Council shall hold at least one 140940
meeting during each year of the pilot program at which members are 140941
not permitted to attend by teleconference or video conference. 140942

(B) If the pilot program is established, the Council shall 140943
submit a report to the General Assembly not later than four years 140944
after the effective date of this section to assist the recipients 140945
in determining whether legislation establishing remote attendance 140946
by teleconference or video conference for the meetings of other 140947
public bodies would be beneficial. The report shall be submitted 140948
in accordance with section 101.68 of the Revised Code. The report 140949
shall include all of the following: 140950

(1) A description of the effect of teleconferencing or video 140951
conferencing on the operation of the Council meetings; 140952

(2) An accounting of any costs incurred or savings realized 140953
by the Council through the use of teleconferencing or video 140954
conferencing; 140955

(3) For each Council meeting held during the pilot program, 140956
all of the following: 140957

(a) The notice of each meeting; 140958

(b) Attendance records for all Council members; 140959

(c) A description of public and media attendance; 140960

(d) A summary or copy of any comments made by the public or 140961
media regarding the use of teleconferencing or video conferencing; 140962

(e) A copy of the minutes for each meeting; 140963

(f) An accounting of the costs incurred for each meeting;	140964
(g) A description of any local media coverage of a teleconference or video conference meeting.	140965 140966
(C) The Ohio Developmental Disabilities Council may adopt any rules the Council considers necessary to implement this section.	140967 140968
The rules shall be adopted in accordance with Chapter 119. of the Revised Code.	140969 140970
At a minimum, the rules shall do the following:	140971
(1) Allow Council members to remotely attend a public Council meeting by teleconference or video conference in lieu of physically attending the meeting;	140972 140973 140974
(2) Establish a method for verifying the identity of a member who remotely attends a meeting by teleconference or video conference;	140975 140976 140977
(3) Establish a policy for distributing and circulating necessary documents to Council members, the public, and the media in advance of a meeting where members attend by teleconference or video conference.	140978 140979 140980 140981

Section 267.10.10. EARLY CHILDHOOD EDUCATION 141094

The Department of Education shall distribute the foregoing 141095
appropriation item 200408, Early Childhood Education, to pay the 141096
costs of early childhood education programs. 141097

(A) As used in this section: 141098

(1) "Provider" means a city, local, exempted village, or 141099
joint vocational school district, or an educational service 141100
center. 141101

(2) In the case of a city, local, or exempted village school 141102
district, "new eligible provider" means a district that did not 141103
receive state funding for Early Childhood Education in the 141104
previous fiscal year or demonstrates a need for early childhood 141105
programs as defined in division (D) of this section. 141106

(3) "Eligible child" means a child who is at least three 141107
years of age as of the district entry date for kindergarten, is 141108
not of the age to be eligible for kindergarten, and whose family 141109
earns not more than two hundred per cent of the federal poverty 141110
guidelines as defined in division (A)(3) of section 5101.46 of the 141111
Revised Code. Children with an Individualized Education Program 141112
and where the Early Childhood Education program is the least 141113
restrictive environment may be enrolled on their third birthday. 141114

(B) In each fiscal year, up to two per cent of the total 141115
appropriation may be used by the Department for program support 141116
and technical assistance. The Department shall distribute the 141117

remainder of the appropriation in each fiscal year to serve 141118
eligible children. 141119

(C) The Department shall provide an annual report to the 141120
Governor, the Speaker of the House of Representatives, and the 141121
President of the Senate and post the report to the Department's 141122
web site, regarding early childhood education programs operated 141123
under this section and the early learning program guidelines. 141124

(D) After setting aside the amounts to make payments due from 141125
the previous fiscal year, in fiscal year 2012, the Department 141126
shall distribute funds first to recipients of funds for early 141127
childhood education programs under Section 265.10.20 of Am. Sub. 141128
H.B. 1 of the 128th General Assembly in the previous fiscal year 141129
and the balance to new eligible providers of early childhood 141130
education programs under this section or to existing providers to 141131
serve more eligible children or for purposes of program expansion, 141132
improvement, or special projects to promote quality and 141133
innovation. 141134

After setting aside the amounts to make payments due from the 141135
previous fiscal year, in fiscal year 2013, the Department shall 141136
distribute funds first to providers of early childhood education 141137
programs under this section in the previous fiscal year and the 141138
balance to new eligible providers or to existing providers to 141139
serve more eligible children or for purposes of program expansion, 141140
improvement, or special projects to promote quality and 141141
innovation. 141142

Awards under this section shall be distributed on a per-pupil 141143
basis, and in accordance with division (H) of this section. The 141144
Department may adjust the per-pupil amount so that the per-pupil 141145
amount multiplied by the number of eligible children enrolled and 141146
receiving services on the first day of December or the business 141147
day closest to that date equals the amount allocated under this 141148
section. 141149

(E) Costs for developing and administering an early childhood education program may not exceed fifteen per cent of the total approved costs of the program.

All providers shall maintain such fiscal control and accounting procedures as may be necessary to ensure the disbursement of, and accounting for, these funds. The control of funds provided in this program, and title to property obtained, shall be under the authority of the approved provider for purposes provided in the program unless, as described in division (J) of this section, the program waives its right for funding or a program's funding is eliminated or reduced due to its inability to meet financial or early learning program guidelines. The approved provider shall administer and use such property and funds for the purposes specified.

(F) The Department may examine a provider's financial and program records. If the financial practices of the program are not in accordance with standard accounting principles or do not meet financial standards outlined under division (E) of this section, or if the program fails to substantially meet the early learning program guidelines or exhibits below average performance as measured against the guidelines, the early childhood education program shall propose and implement a corrective action plan that has been approved by the Department. The approved corrective action plan shall be signed by the chief executive officer and the executive of the official governing body of the provider. The corrective action plan shall include a schedule for monitoring by the Department. Such monitoring may include monthly reports, inspections, a timeline for correction of deficiencies, and technical assistance to be provided by the Department or obtained by the early childhood education program. The Department may withhold funding pending corrective action. If an early childhood education program fails to satisfactorily complete a corrective

action plan, the Department may deny expansion funding to the 141182
program or withdraw all or part of the funding to the program and 141183
establish a new eligible provider through a selection process 141184
established by the Department. 141185

(G) Each early childhood education program shall do all of 141186
the following: 141187

(1) Meet teacher qualification requirements prescribed by 141188
section 3301.311 of the Revised Code; 141189

(2) Align curriculum to the early learning content standards 141190
developed by the Department; 141191

(3) Meet any child or program assessment requirements 141192
prescribed by the Department; 141193

(4) Require teachers, except teachers enrolled and working to 141194
obtain a degree pursuant to section 3301.311 of the Revised Code, 141195
to attend a minimum of twenty hours every two years of 141196
professional development as prescribed by the Department; 141197

(5) Document and report child progress as prescribed by the 141198
Department; 141199

(6) Meet and report compliance with the early learning 141200
program guidelines as prescribed by the Department. 141201

(H) Per-pupil funding for programs subject to this section 141202
shall be sufficient to provide eligible children with services for 141203
a standard early childhood schedule which shall be defined in this 141204
section as a minimum of twelve and one-half hours per school week 141205
as defined in section 3313.62 of the Revised Code for the minimum 141206
school year as defined in sections 3313.48, 3313.481, and 3313.482 141207
of the Revised Code. Nothing in this section shall be construed to 141208
prohibit program providers from utilizing other funds to serve 141209
eligible children in programs that exceed the twelve and one-half 141210
hours per week or that exceed the minimum school year. For any 141211

provider for which a standard early childhood education schedule 141212
creates a hardship or for which the provider shows evidence that 141213
the provider is working in collaboration with a preschool special 141214
education program, the provider may submit a waiver to the 141215
Department requesting an alternate schedule. If the Department 141216
approves a waiver for an alternate schedule that provides services 141217
for less time than the standard early childhood education 141218
schedule, the Department may reduce the provider's annual 141219
allocation proportionately. Under no circumstances shall an annual 141220
allocation be increased because of the approval of an alternate 141221
schedule. 141222

(I) Each provider shall develop a sliding fee scale based on 141223
family incomes and shall charge families who earn more than two 141224
hundred per cent of the federal poverty guidelines, as defined in 141225
division (A)(3) of section 5101.46 of the Revised Code, for the 141226
early childhood education program. 141227

The Department shall conduct an annual survey of each 141228
provider to determine whether the provider charges families 141229
tuition or fees, the amount families are charged relative to 141230
family income levels, and the number of families and students 141231
charged tuition and fees for the early childhood program. 141232

(J) If an early childhood education program voluntarily 141233
waives its right for funding, or has its funding eliminated for 141234
not meeting financial standards or the early learning program 141235
guidelines, the provider shall transfer control of title to 141236
property, equipment, and remaining supplies obtained through the 141237
program to providers designated by the Department and return any 141238
unexpended funds to the Department along with any reports 141239
prescribed by the Department. The funding made available from a 141240
program that waives its right for funding or has its funding 141241
eliminated or reduced may be used by the Department for new grant 141242
awards or expansion grants. The Department may award new grants or 141243

expansion grants to eligible providers who apply. The eligible providers who apply must do so in accordance with the selection process established by the Department.

(K) As used in this section, "early learning program guidelines" means the guidelines established by the Department pursuant to division (C)(3) of Section 206.09.54 of Am. Sub. H.B. 66 of the 126th General Assembly.

(L) Eligible expenditures for the Early Childhood Education program shall be claimed each fiscal year to help meet the state's TANF maintenance of effort requirement. The Superintendent of Public Instruction and the Director of Job and Family Services shall enter into an interagency agreement to carry out the requirements under this division, which shall include developing reporting guidelines for these expenditures.

Section 267.10.20. CAREER-TECHNICAL EDUCATION MATCH

COMPUTER/APPLICATION/NETWORK DEVELOPMENT

The foregoing appropriation item 200420, Computer/Application/Network Development, shall be used to support the development and implementation of information technology solutions designed to improve the performance and services of the Department of Education. Funds may be used for personnel, maintenance, and equipment costs related to the development and implementation of these technical system projects. Implementation of these systems shall allow the Department to provide greater levels of assistance to school districts and to provide more timely information to the public, including school districts,

administrators, and legislators. Funds may also be used to support 141274
data-driven decision-making and differentiated instruction, as 141275
well as to communicate academic content standards and curriculum 141276
models to schools through web-based applications. 141277

Section 267.10.30. ALTERNATIVE EDUCATION PROGRAMS 141278

The foregoing appropriation item 200421, Alternative 141279

implementation grants and for competitive matching grants to 141281
school districts for alternative educational programs for existing 141282
and new at-risk and delinquent youth. Programs shall be focused on 141283
youth in one or more of the following categories: those who have 141284
been expelled or suspended, those who have dropped out of school 141285
or who are at risk of dropping out of school, those who are 141286
habitually truant or disruptive, or those on probation or on 141287
parole from a Department of Youth Services facility. Grants shall 141288
be awarded according to the criteria established by the 141289
Alternative Education Advisory Council in 1999. Grants shall be 141290
awarded only to programs in which the grant will not serve as the 141291
program's primary source of funding. These grants shall be 141292
administered by the Department of Education. 141293

The Department of Education may waive compliance with any 141294
minimum education standard established under section 3301.07 of 141295
the Revised Code for any alternative school that receives a grant 141296
under this section on the grounds that the waiver will enable the 141297
program to more effectively educate students enrolled in the 141298
alternative school. 141299

Of the foregoing appropriation item 200421, Alternative 141300
Education Programs, a portion may be used for program 141301
administration, monitoring, technical assistance, support, 141302

Districts in fiscal distress shall be determined by the Auditor of State and shall include districts that the Auditor of State, in consultation with the Department of Education, determines are employing fiscal practices or experiencing budgetary conditions that could produce a state of fiscal watch or fiscal emergency.

The remainder of appropriation item 200422, School Management Assistance, shall be used by the Department of Education to provide fiscal technical assistance and inservice education for school district management personnel and to administer, monitor, and implement the fiscal caution, fiscal watch, and fiscal emergency provisions under Chapter 3316. of the Revised Code.

The foregoing appropriation item 200424, Policy Analysis, shall be used by the Department of Education to support a system of administrative, statistical, and legislative education information to be used for policy analysis. Staff supported by this appropriation shall administer the development of reports, analyses, and briefings to inform education policymakers of current trends in education practice, efficient and effective use of resources, and evaluation of programs to improve education

results. The database shall be kept current at all times. These 141334
research efforts shall be used to supply information and analysis 141335
of data to the General Assembly and other state policymakers, 141336
including the Office of Budget and Management, the Governor's 141337
Office of 21st Century Education, and the Legislative Service 141338
Commission. 141339

The Department of Education may use funding from this 141340
appropriation item to purchase or contract for the development of 141341
software systems or contract for policy studies that will assist 141342
in the provision and analysis of policy-related information. 141343
Funding from this appropriation item also may be used to monitor 141344
and enhance quality assurance for research-based policy analysis 141345
and program evaluation to enhance the effective use of education 141346

determined by the Department. 141354

In each fiscal year the Department of Education shall use these funds to assist information technology centers or school districts with the operational costs associated with this connectivity. The Department of Education shall develop a formula and guidelines for the distribution of these funds to information technology centers or individual school districts. As used in this section, "public school building" means a school building of any city, local, exempted village, or joint vocational school district, any community school established under Chapter 3314. of the Revised Code, any STEM school established under Chapter 3326. of the Revised Code, any educational service center building used for instructional purposes, the Ohio School for the Deaf and the Ohio School for the Blind, high schools chartered by the Ohio Department of Youth Services, or high schools operated by Ohio Department of Rehabilitation and Corrections' Ohio Central School System.

DEPARTMENT OF EDUCATION APPROPRIATION TRANSFERS FOR STUDENT 141440
ASSESSMENT 141441

In fiscal year 2012 and fiscal year 2013, if the 141442
Superintendent of Public Instruction determines that additional 141443
funds are needed to fully fund the requirements of sections 141444
3301.0710, 3301.0711, and 3301.27 of the Revised Code and this act 141445
for assessments of student performance, the Superintendent of 141446
Public Instruction may recommend the reallocation of unexpended 141447
and unencumbered General Revenue Fund appropriations within the 141448
Department of Education to appropriation item 200437, Student 141449
Assessment, to the Director of Budget and Management. If the 141450
Director of Budget and Management determines that such a 141451
reallocation is required, the Director of Budget and Management 141452
may transfer unexpended and unencumbered appropriations within the 141453
Department of Education as necessary to appropriation item 200437, 141454
Student Assessment. If these transferred appropriations are not 141455
sufficient to fully fund the assessment requirements in fiscal 141456
year 2012 or fiscal year 2013, the Superintendent of Public 141457
Instruction may request that the Controlling Board transfer up to 141458

\$9,000,000 cash from the Lottery Profits Education Reserve Fund 141459
(Fund 7018) to the General Revenue Fund. Upon approval of the 141460
Controlling Board, the Director of Budget and Management shall 141461
transfer the cash. These transferred funds are hereby appropriated 141462
for the same purpose as appropriation item 200437, Student 141463
Assessment. 141464

Section 267.10.90. (A) Notwithstanding anything to the 141465
contrary in section 3301.0710, 3301.0711, 3301.0715 or 3313.608 of 141466
the Revised Code, the administration of the English language arts 141467
assessments for elementary grades as a replacement for the 141468
separate reading and writing assessments prescribed by sections 141469
3301.0710 and 3301.0711 of the Revised Code, as those sections 141470
were amended by Am. Sub. H.B. 1 of the 128th General Assembly, 141471
shall not be required until a date prescribed by rule of the State 141472
Board of Education. Until that date, the Department of Education 141473

separate reading assessments for elementary grades, as prescribed 141475
by the versions of sections 3301.0710 and 3301.0711 of the Revised 141476
Code that were in effect prior to the effective date of Section 141477
265.20.15 of Am. Sub. H.B. 1 of the 128th General Assembly. The 141478
intent for delaying implementation of the replacement English 141479
language arts assessment is to provide adequate time for the 141480
complete development of the new assessment. 141481

(B) Notwithstanding anything to the contrary in section 141482
3301.0710 of the Revised Code, the State Board shall not prescribe 141483
the three ranges of scores for the assessments prescribed by 141484
division (A)(2) of section 3301.0710 of the Revised Code, as 141485
amended by Am. Sub. H.B. 1 of the 128th General Assembly, until 141486
the Board adopts the rule required by division (A) of this 141487
section. Until that date, the Board shall continue to prescribe 141488
the five ranges of scores required by the version of section 141489
3301.0710 of the Revised Code in effect prior to the effective 141490

date of Section 265.20.15 of Am. Sub. H.B. 1 of the 128th General Assembly, and the following apply:

(1) The range of scores designated by the State Board as a proficient level of skill remains the passing score on the Ohio Graduation Tests for purposes of sections 3313.61, 3313.611, 3313.612, and 3325.08 of the Revised Code;

(2) The range of scores designated as a limited level of skill remains the standard for applying the third-grade reading guarantee under division (A) of section 3313.608 of the Revised Code;

(3) The range of scores designated by the State Board as a proficient level of skill remains the standard for the summer remediation requirement of division (B)(2) of section 3313.608 of the Revised Code.

(C) This section is not subject to expiration after June 30, 2013, under Section 809.10 of this act.

Section 267.20.10. Notwithstanding anything to the contrary in sections 3301.0710 and 3301.0711 of the Revised Code, in the 2011-2012 and 2012-2013 school years, the Department of Education shall not furnish, and school districts and schools shall not administer, the elementary writing and social studies achievement assessments prescribed by section 3301.0710 of the Revised Code, unless the Superintendent of Public Instruction determines the Department has sufficient funds to pay the costs of furnishing and scoring those assessments.

Section 267.30.50. FUNDING FOR CITY, EXEMPTED VILLAGE, AND	141860
LOCAL SCHOOL DISTRICTS	141861
(A) For each of fiscal years 2012 and 2013, the Department of	141862
Education shall compute and pay operating funding for each city,	141863
exempted village, and local school district according to the	141864
following formula:	141865
[(The final amount computed for fiscal year 2011 under	141866
the line on the district's PASS form entitled "State	141867
Resources for the Foundation Funding Program" / the district's	141868
recalculated fiscal year 2011 formula ADM) X the district's	141869
current year formula ADM] - the district's adjustment amount	141870
Where:	141871
(1) "PASS form" means the form for calculating operating	141872
payments to school districts as prescribed by former section	141873
3306.012 of the Revised Code.	141874
(2) "Recalculated fiscal year 2011 formula ADM" means the	141875
district's average daily membership reported in October 2010 under	141876
division (A) of section 3317.03 of the Revised Code, as verified	141877
by the Superintendent of Public Instruction and adjusted if so	141878
ordered under division (K) of that section, and as further	141879
adjusted by the Department, as follows:	141880
(a) Count only twenty per cent of the number of joint	141881

(b) Add twenty per cent of the number of students who are	141884
entitled to attend school in the district under section 3313.64 or	141885
3313.65 of the Revised Code and are enrolled in another school	141886
district under a career-technical educational compact.	141887
(3) "Current year formula ADM" means the district's formula	141888
ADM for the current fiscal year as defined in section 3317.02 of	141889

the Revised Code. 141890

(4) "The district's adjustment amount" means the amount 141891
computed under division (B)(5) of this section. 141892

If the computation made under division (A) of this section 141893
results in a negative number, the district's funding under this 141894
section shall be zero. 141895

(B) To make the computation required by division (A) of this 141896
section, the Department shall determine all of the following: 141897

(1) Each district's charge-off valuation per pupil, which 141898
shall be the valuation used to determine the district's state 141899
share of the adequacy amount for fiscal year 2011, under former 141900
section 3306.13 of the Revised Code, divided by the district's 141901
recalculated fiscal year 2011 formula ADM; 141902

(2) The statewide median charge-off valuation per pupil; 141903

(3) Each district's charge-off valuation index, which shall 141904
be the district's charge-off valuation per pupil divided by the 141905

aid obligation for school districts does not exceed the aggregate 141909
amount appropriated for formula aid under line items 200502, 141910
200550, and 200612. 141911

(5) Each district's adjustment amount, which shall be the 141912
district's charge-off valuation index multiplied by the statewide 141913
per pupil adjustment amount multiplied by the district's current 141914
year formula ADM. 141915

(C) On the form that the Department uses to compute funding 141916
for a school district in accordance with this section, the 141917
Department also shall indicate the amount of that funding 141918
allocated to special education and related services, the amount 141919

allocated to career-technical education, and the amount allocated 141920
to gifted education. The amounts allocated for special education 141921
and career-technical education shall be the amounts indicated on 141922
the PASS form for fiscal year 2011. Each school district that 141923
receives an allocation for career-technical education shall spend 141924
the funds only for purposes the Department of Education designates 141925
as approved for career-technical education expenses. 141926
Career-technical education expenses approved by the Department 141927
shall include only expenses connected to the delivery of 141928
career-technical programming to students enrolled in 141929
state-approved career-technical programs. If a school district 141930
informs the Department that it is unable to spend the full 141931
allocation on approved career-technical education expenses, the 141932
Department may reallocate the district's unexpended amount of the 141933
career-technical education allocation to other school districts. 141934
The overall funding levels calculated under division (A) of this 141935
section for districts affected by a reallocation under this 141936
division shall be adjusted accordingly. The Department shall first 141937
allocate the funds to school districts within the original school 141938
district's vocational education planning district that have growth 141939
in career-technical enrollment from the previous fiscal year. If 141940
there are no such districts, the Department shall allocate the 141941
funds to other school districts, with priority given to districts 141942
according to each district's growth in career-technical enrollment 141943
from the previous fiscal year. The amounts allocated to gifted 141944
education shall be the amounts districts received for gifted unit 141945
funding and supplemental identification funds in fiscal year 2009, 141946
either directly or through funds allocated to educational service 141947
centers. The Department shall require each school district to 141948
report data annually so that the Department may monitor and 141949
enforce the district's compliance with the requirements regarding 141950
the manner in which allocations for career-technical education and 141951
gifted education may be spent. 141952

(D) For fiscal years 2012 and 2013, wherever a provision of law refers to payments or adjustments for a school district made in accordance with any section of Chapter 3317. of the Revised Code, that reference shall be construed to include payments or adjustments made under this section.

Section 267.30.53. SUPPLEMENTAL SCHOOL DISTRICT FUNDING

(A) For each of fiscal years 2012 and 2013, the Department of Education shall compute and pay supplemental operating funding for each city, exempted village, and local school district according to the following formula:

As used in this section, "the number of students in the 141989

joint vocational funding in an amount equal to the district's 142001
total state foundation aid as reported on the final JVS payment 142002
report produced by the Department for the previous fiscal year. 142003

the Medicaid program. 143777

(B) For fiscal year 2012 and fiscal year 2013, the Director 143778
of Job and Family Services shall implement purchasing strategies 143779
and rate reductions for hospital and other Medicaid-covered 143780
services, as determined by the Director, that result in payment 143781
rates for those services being at least two per cent less than the 143782
respective payment rates for fiscal year 2011. In implementing the 143783
purchasing strategies and rate reductions, the Director shall do 143784

(d) For hospital discharges that occur during the period beginning January 1, 2012, and ending on the effective date of the first of the new diagnosis-related groups established under division (B)(1)(b) of this section, modifying charge high trim points, as in effect on October 1, 2011, by a factor of 9.72%;	143798 143799 143800 143801 143802
(e) Implementing other changes the Director considers appropriate.	143803 143804
(2) Establish selective contracting and prior authorization requirements for types of medical assistance the Director identifies.	143805 143806 143807
(C) The Director shall adopt rules under section 5111.02 and 5111.85 of the Revised Code as necessary to implement this section.	143808 143809 143810
(D) This section does not apply to nursing facility and intermediate care facility for the mentally retarded services provided under the Medicaid program.	143811 143812 143813
Section 309.30.31. FISCAL YEAR 2012 MEDICARE COPAYMENT FOR DIALYSIS SERVICES PROVIDED TO MEDICAID RECIPIENTS	143814 143815
(A) As used in this section, "dual eligible individual" has the same meaning as in section 1915(h)(2)(B) of the "Social Security Act," 124 Stat. 315 (2010), 42 U.S.C. 1396n(h)(2)(B).	143816 143817 143818
(B) In fiscal year 2012, for dialysis services provided to a	143819

dual eligible individual, the Department of Job and Family Services shall pay under the Medicaid program an amount equal to the Medicare copayment amount that applies to the service, as that amount was paid by the Department immediately prior to the effective date of this section.

Section 309.30.32. FISCAL YEAR 2013 MEDICAID RATE FOR DIALYSIS SERVICES

Notwithstanding any conflicting provision of section 5111.021 of the Revised Code or any other conflicting provision of the Revised Code or this act, in fiscal year 2013, the Department of Job and Family Services may adjust the Medicaid rates that are paid for dialysis services by an amount sufficient to achieve aggregate savings of not more than \$9 million in state share expenditures under the Medicaid program.

Section 309.30.33. HOSPITAL INPATIENT AND OUTPATIENT SUPPLEMENTAL UPPER PAYMENT LIMIT PROGRAM; MEDICAID MANAGED CARE HOSPITAL INCENTIVE PAYMENT PROGRAM

(A) As used in this section:

(1) "Hospital" has the same meaning as in section 5112.40 of the Revised Code.

(2) "Hospital Assessment Fund" means the fund created under section 5112.45 of the Revised Code.

(3) "Medicaid managed care organization" means an entity under contract pursuant to section 5111.17 of the Revised Code to provide or arrange services for Medicaid recipients who are required or permitted to participate in the Medicaid care management system.

(B) The Department of Job and Family Services shall submit to the United States Secretary of Health and Human Services a

Medicaid state plan amendment to do both of the following:	143849
(1) Continue the Hospital Inpatient and Outpatient Supplemental Upper Payment Limit Program that was established pursuant to Section 309.30.17 of Am. Sub. H.B. 1 of the 128th General Assembly, with any modifications necessary to implement the program as described under division (D) of this section;	143850 143851 143852 143853 143854
(2) Create the Medicaid Managed Care Hospital Incentive Payment Program, as described under division (E) of this section.	143855 143856
(C) Of the amounts deposited into the Hospital Assessment Fund in fiscal year 2012 and fiscal year 2013:	143857 143858
(1) Up to \$432,432,725 (state and federal) in fiscal year 2012 and up to \$415,162,388 (state and federal) in fiscal year 2013 shall be used for the Hospital Inpatient and Outpatient Supplemental Upper Payment Limit Program;	143859 143860 143861 143862
(2) Up to \$162,000,000 (state and federal) in each fiscal year shall be used for the Medicaid Managed Care Hospital Incentive Payment Program;	143863 143864 143865
(3) Up to \$176,021,111 (state and federal) in fiscal year 2012 and up to \$195,158,394 (state and federal) in fiscal year 2013 shall be used for the program authorized by the section of this act titled "CONTINUATION OF MEDICAID RATES FOR HOSPITAL INPATIENT AND OUTPATIENT SERVICES."	143866 143867 143868 143869 143870
(D)(1) If the Medicaid state plan amendment submitted under division (B)(1) of this section is approved, the Department shall implement the Hospital Inpatient and Outpatient Supplemental Upper Payment Limit Program during fiscal year 2012 and fiscal year 2013. Under the Program, subject to division (D)(2) of this section, supplemental Medicaid payments shall be made to hospitals for Medicaid-covered inpatient and outpatient services. The Department shall make the payments through amounts that are made available for the Program under division (C) of this section and	143871 143872 143873 143874 143875 143876 143877 143878 143879

any federal financial participation available for the Program. 143880

(2) The Department shall take all actions necessary to cease 143881
implementation of the Program if the United States Secretary 143882
determines that the assessment imposed under section 5112.41 of 143883
the Revised Code is an impermissible healthcare-related tax under 143884
section 1903(w) of the "Social Security Act," 105 Stat. 1793 143885
(1991), 42 U.S.C. 1396b(w), as amended. 143886

(E)(1) If the Medicaid state plan amendment submitted under 143887
division (B)(2) of this section is approved, the Department shall 143888
implement the Medicaid Managed Care Hospital Incentive Payment 143889
Program. The purpose of the Program is to increase access to 143890
hospital services for Medicaid recipients who are enrolled in 143891
Medicaid managed care organizations. 143892

Under the Program, subject to division (E)(3) of this 143893
section, funds shall be provided to Medicaid managed care 143894
organizations, which shall use the funds to increase payments to 143895
hospitals for providing services to Medicaid recipients who are 143896
enrolled in the organizations. The Department shall provide the 143897
funds through amounts that are made available for the Program 143898
under division (C) of this section and any federal financial 143899
participation available for the Program. 143900

(2) Not later than July 1, 2012, the Department shall select 143901
an actuary to conduct a study of the contracted reimbursement 143902
rates between Medicaid managed care organizations and hospitals. 143903
The actuary shall determine if a reduction in the capitation rates 143904
paid to Medicaid managed care organizations in fiscal year 2013 is 143905
appropriate as a result of the contracted reimbursement rates 143906
between the organizations and hospitals. The actuary shall notify 143907
the Department of its determination. 143908

If the actuary determines that a reduction in the capitation 143909
rates paid to Medicaid managed care organizations in fiscal year 143910

2013 will not achieve \$22 million in state savings in fiscal year 143911
2013, the state shall receive the difference between what the 143912
actuary determines the state will save and \$22 million. The 143913
Department, in consultation with the Ohio Association of Health 143914
Plans and the Ohio Hospital Association, shall establish a 143915
methodology under which the difference is paid equally by Medicaid 143916
managed care organizations and hospitals in this state. 143917

Notwithstanding anything to the contrary specified in 143918
division (E)(3)(b) or (c) of this section, the Medicaid managed 143919
care organizations and hospitals shall pay the amounts determined 143920
under the methodology, unless the Department waives the 143921
requirement to make the payments. The requirement may be waived if 143922
spending for the Medicaid program in fiscal year 2013 is less than 143923
the amount that is budgeted for that fiscal year. If payments are 143924
made, the amount received by the Department shall be deposited 143925
into the state treasury to the credit of the Health Care 143926
Compliance Fund created under section 5111.171 of the Revised 143927
Code. 143928

(3)(a) The Department shall not provide funds to Medicaid 143929
managed care organizations under the Program unless an actuary 143930
selected by the Department certifies that the Program would not 143931
violate the actuarial soundness of the capitation rates paid to 143932
Medicaid managed care organizations. 143933

(b) The Department shall not implement the Program in a 143934
manner that causes a hospital to receive less money from the 143935
Hospital Assessment Fund than the hospital would have received if 143936
the Program were not implemented. 143937

(c) The Department shall not implement the Program in a 143938
manner that causes a Medicaid managed care organization to receive 143939
a lower capitation payment rate solely because funds are made 143940
available to the organization under the Program. 143941

(d) The Department shall take all necessary actions to cease 143942
implementation of the Program if the United States Secretary 143943
determines that the assessment imposed under section 5112.41 of 143944
the Revised Code is an impermissible healthcare-related tax under 143945
section 1903(w) of the "Social Security Act," 105 Stat. 1793 143946
(1991), 42 U.S.C. 1396b(w), as amended. 143947

(F) The Director of Budget and Management may authorize 143948
additional expenditures from appropriation item 600623, Health 143949
Care Federal, appropriation item 600525, Health Care/Medicaid, and 143950
appropriation item 600656, Medicaid-Hospital, in order to 143951
implement the programs authorized by this section and to implement 143952
the section of this act titled "CONTINUATION OF MEDICAID RATES FOR 143953
HOSPITAL INPATIENT AND OUTPATIENT SERVICES." Any amounts 143954
authorized are hereby appropriated. 143955

(G) Nothing in this section reduces payments to children's 143956
hospitals authorized under the section of this act titled 143957
"CHILDREN'S HOSPITALS SUPPLEMENTAL FUNDING." 143958

Section 309.30.35. CONTINUATION OF MEDICAID RATES FOR 143959
HOSPITAL INPATIENT AND OUTPATIENT SERVICES 143960

The Director of Job and Family Services shall amend rules 143961
adopted under section 5111.02 of the Revised Code as necessary to 143962
continue, for fiscal year 2012 and fiscal year 2013, the Medicaid 143963
reimbursement rates in effect on June 30, 2011, for 143964
Medicaid-covered hospital inpatient services and hospital 143965
outpatient services that are paid under the prospective payment 143966
system established in those rules. 143967

Section 309.30.38. CHILDREN'S HOSPITALS SUPPLEMENTAL FUNDING 143968

(A) As used in this section, "children's hospital" means a 143969
children's hospital, as defined in section 3702.51 of the Revised 143970
Code, that is located in this state, primarily serves patients 143971

eighteen years of age and younger, is subject to the Medicaid 143972
prospective payment system for hospitals established in rules 143973
adopted under section 5111.02 of the Revised Code, and is excluded 143974
from Medicare prospective payment in accordance with 42 C.F.R. 143975
412.23(d). 143976

(B) For fiscal year 2012 and fiscal year 2013, the Director 143977
of Job and Family Services shall make additional Medicaid payments 143978
to children's hospitals for inpatient services to compensate 143979
children's hospitals for the high percentage of Medicaid 143980
recipients they serve. The additional payments shall be made under 143981
a program modeled after the program the Department of Job and 143982
Family Services was required to create for fiscal year 2006 and 143983
fiscal year 2007 in Section 206.66.79 of Am. Sub. H.B. 66 of the 143984
126th General Assembly. The program may be the same as the program 143985
the Director used for making the payments to children's hospitals 143986
for fiscal year 2010 and fiscal year 2011 under Section 309.30.15 143987
of Am. Sub. H.B. 1 of the 128th General Assembly. 143988

(C) All of the following shall be used to make additional 143989
Medicaid payments to children's hospitals under division (B) of 143990
this section: 143991

(1) Of the foregoing appropriation item 600537, Children's 143992
Hospital, up to \$6 million in each fiscal year plus the 143993
corresponding federal match; 143994

(2) Of the amounts deposited into the Hospital Assessment 143995
Fund created under section 5112.45 of the Revised Code, \$4.4 143996
million in fiscal year 2012, plus the corresponding federal match, 143997
and \$4 million in fiscal year 2013, plus the corresponding federal 143998
match. 143999

Section 309.30.40. MANAGED CARE PERFORMANCE PAYMENT PROGRAM 144000

At the beginning of each quarter, or as soon as possible 144001

thereafter, the Director of Job and Family Services shall certify 144002
to the Director of Budget and Management the amount withheld in 144003
accordance with section 5111.1711 of the Revised Code for purposes 144004
of the Managed Care Performance Payment Program. Upon receiving 144005
certification, the Director of Budget and Management shall 144006
transfer cash in the amount certified from the General Revenue 144007
Fund to the Managed Care Performance Payment Fund. The transferred 144008
cash is hereby appropriated. Appropriation item 600525, Health 144009
Care/Medicaid, is hereby reduced by the amount of the transfer. 144010

Section 309.30.50. COORDINATION OF CARE FOR COVERED FAMILIES 144011
AND CHILDREN PENDING MEDICAID MANAGED CARE ENROLLMENT 144012

(A) As used in this section, "Medicaid managed care" means 144013

area health education centers' educational programs for the 146709
continued support of medical and other health professions 146710
education and for support of the Area Health Education Center 146711
Program. 146712

Section 371.20.50. STATE SHARE OF INSTRUCTION FORMULAS 146713

The Chancellor of the Board of Regents shall establish 146714
procedures to allocate the foregoing appropriation item 235501, 146715
State Share of Instruction, based on the formulas, enrollment, 146716
course completion, degree attainment, and student achievement 146717
factors in the instructional models set out in this section. 146718

(A) FULL-TIME EQUIVALENT (FTE) ENROLLMENTS AND COMPLETIONS 146719

(1) As soon as possible during each fiscal year of the 146720
biennium ending June 30, 2013, in accordance with instructions of 146721
the Board of Regents, each state-assisted institution of higher 146722
education shall report its actual enrollment, consistent with the 146723
definitions in the Higher Education Information (HEI) system's 146724
enrollment files, to the Chancellor of the Board of Regents. 146725

(2) In defining the number of full-time equivalent students 146726

for state subsidy purposes, the Chancellor of the Board of Regents shall exclude all undergraduate students who are not residents of Ohio, except those charged in-state fees in accordance with reciprocity agreements made under section 3333.17 of the Revised Code or employer contracts entered into under section 3333.32 of the Revised Code.

(3) In calculating the core subsidy entitlements for university branch and main campuses, the Chancellor of the Board of Regents shall use the following count of FTE students:

(a) The subsidy eligible enrollments by model shall equal only those FTE students who successfully complete the course as defined and reported through the Higher Education Information (HEI) system course enrollment file;

(b) For those undergraduate FTE students with successful course completions, identified in division (A)(3)(a) of this section, that had an expected family contribution less than 2190 or were determined to have been in need of remedial education shall be defined as at-risk students and shall have their eligible completions weighted by the following:

(i) Campus-specific course completion rates by model;

(ii) Campus-specific course completion indexes, where the indexes are calculated based upon the number of at-risk students enrolled during the 2009-2010 academic year; and

(iii) A statewide average at-risk course completion weight determined for each subsidy model. The statewide average at-risk course completion weight shall be determined by calculating the difference between the percentage of traditional students who complete a course and the percentage of at-risk students who complete the same course.

(4) In calculating the core subsidy entitlements for Medical II models only, students repeating terms may be no more than five

per cent of current year enrollment.			146758
(B) TOTAL COSTS PER FULL-TIME EQUIVALENT STUDENT			146759
For purposes of calculating state share of instruction			146760
allocations, the total instructional costs per full-time			146761
equivalent student shall be:			146762

(D) CALCULATION OF STATE SHARE OF INSTRUCTION FORMULA			146823
ENTITLEMENTS AND ADJUSTMENTS			146824
(1) Of the foregoing appropriation item 235501, State Share			146825
of Instruction, 7.5 per cent of the fiscal year 2012 appropriation			146826
and 10 per cent of the fiscal year 2013 appropriation for			146827
state-supported community colleges, state community colleges, and			146828
technical colleges shall be allocated to colleges in proportion to			146829
their share of college student success factors as adopted by the			146830
Chancellor of the Board of Regents in formal communication to the			146831
Controlling Board on August 30, 2010.			146832
(2) Of the foregoing appropriation item 235501, State Share			146833

of Instruction, up to 12.89 per cent of the appropriation for 146834
university main campuses in each fiscal year shall be reserved for 146835
support of doctoral programs to implement the funding 146836
recommendations made by representatives of the universities. The 146837
amount so reserved shall be referred to as the doctoral set-aside. 146838

The doctoral set-aside shall be allocated to universities as 146839
follows: 146840

(a) 70 per cent of the doctoral set-aside in fiscal year 2012 146841
and 60 per cent of the doctoral set-aside in fiscal year 2013 146842
shall be allocated to universities in proportion to their share of 146843
the total number of Doctoral I equivalent FTEs as calculated on an 146844
institutional basis using the greater of the two-year or five-year 146845
FTEs for the period fiscal year 1994 through fiscal year 1998 with 146846
annualized FTEs for fiscal years 1994 through 1997 and all-term 146847
FTEs for fiscal year 1998 as adjusted to reflect the effects of 146848
doctoral review and subsequent changes in Doctoral I equivalent 146849
enrollments. For the purposes of this calculation, Doctoral I 146850
equivalent FTEs shall equal the sum of Doctoral I FTEs plus 1.5 146851
times the sum of Doctoral II FTEs. 146852

(b) 15 per cent of the doctoral set-aside in fiscal year 2012 146853
and 20 per cent of the doctoral set-aside in fiscal year 2013 146854
shall be allocated to universities in proportion to each campus's 146855
share of the total statewide doctoral degrees, weighted by the 146856
cost of the doctoral discipline. In calculating each campus's 146857
doctoral degrees the Chancellor of the Board of Regents shall use 146858
the three-year average doctoral degrees awarded for the three-year 146859
period ending in the prior year. 146860

(c) 7.5 per cent of the doctoral set-aside in fiscal year 146861
2012 and 10 per cent of the doctoral set-aside in fiscal year 2013 146862
shall be allocated to universities in proportion to their share of 146863
research grant activity, using a data collection method that is 146864
reviewed and approved by the presidents of Ohio's doctoral degree 146865

granting universities. In the event that the data collection 146866
method is not available, funding for this component shall be 146867
allocated to universities in proportion to their share of research 146868
grant activity published by the National Science Foundation. Grant 146869
awards from the Department of Health and Human Services shall be 146870
weighted at 50 per cent. 146871

(d) 7.5 per cent of the doctoral set-aside in fiscal year 146872
2012 and 10 per cent of the doctoral set-aside in fiscal year 2013 146873
shall be allocated to universities based on other quality measures 146874
that contribute to the advancement of quality doctoral programs. 146875
These other quality measures shall be identified by the Chancellor 146876
in consultation with universities. If for any reason metrics for 146877
distributing the quality component of the doctoral set-aside are 146878
not identified prior to the fiscal year allocation process, this 146879
portion of the doctoral set-aside funds shall be allocated to 146880
universities based on division (D)(2)(a) of this section. 146881

(3) Of the foregoing appropriation item 235501, State Share 146882
of Instruction, 7.01 per cent of the appropriation for university 146883
main campuses in each fiscal year shall be reserved for support of 146884
Medical II FTEs. The amount so reserved shall be referred to as 146885
the medical II set-aside. 146886

The medical II set-aside shall be allocated to universities 146887
in proportion to their share of the total number of Medical II 146888
FTEs as calculated in division (A) of this section, weighted by 146889
model cost. 146890

The Northeast Ohio Medical University may use funds from the 146891
addition of 35 medical students resulting from its partnership 146892
with Cleveland State University to establish the Northeast Ohio 146893
Medical University academic campus at Cleveland State University 146894
to enable 50 per cent or more of the medical curriculum to be 146895
based in Cleveland at Cleveland State University, local hospitals, 146896
and community- and neighborhood-based primary care clinics. 146897

Cleveland State University shall not receive state capital 146898
appropriations to pay for facilities for the academic campus. 146899

(4) Of the foregoing appropriation item 235501, State Share 146900
of Instruction, 1.61 per cent of the appropriation for university 146901
main campuses in each fiscal year shall be reserved for support of 146902
Medical I FTEs. The amount so reserved shall be referred to as the 146903
medical I set-aside. 146904

The medical I set-aside shall be allocated to universities in 146905
proportion to their share of the total number of Medical I FTEs as 146906
calculated in division (A) of this section. 146907

(5) Of the foregoing appropriation item 235501, State Share 146908
of Instruction, 15 per cent of the fiscal year 2012 appropriation 146909
for university main campuses and 20 per cent of the fiscal year 146910
2013 appropriation for university main campuses shall be reserved 146911
for support of associate, baccalaureate, master's, and 146912
professional level degree attainment. 146913

The degree attainment funding shall be allocated to 146914
universities in proportion to each campus's share of the total 146915
statewide degrees granted, weighted by the cost of the degree 146916
programs. 146917

In calculating the subsidy entitlements for degree attainment 146918
at university main campuses, the Chancellor of the Board of 146919
Regents shall use the following count of degrees and degree costs: 146920

(a) For those associate degrees awarded by a state-supported 146921
university, the subsidy eligible degrees granted are defined as 146922
only those earned by students attending a university that received 146923
funding under GRF appropriation item 235418, Access Challenge, in 146924
fiscal year 2009. 146925

(b) For professional law and legal studies degrees awarded by 146926
a state-supported university, the subsidy-eligible degrees at each 146927
institution shall equal no more than the following: 146928

University of Akron	132	146929
University of Cincinnati	90	146930
Cleveland State University	192	146931
The Ohio State University	149	146932
University of Toledo	134	146933

(c) In calculating each campus's count of degrees, the
Chancellor of the Board of Regents shall use the three-year
average associate, baccalaureate, master's, and professional
degrees awarded for the three-year period ending in the prior
year.

(d) Eligible associate degrees defined in division (D)(5)(a)
of this section and all bachelor's degrees earned by a student
that either had an expected family contribution less than 2190,
was determined to have been in need of remedial education, is
Native American, African American, or Hispanic, or is at least age
26 at the time of graduation, shall be defined as degrees earned
by an at-risk student and shall be weighted by the following:

(i) A campus-specific degree completion index, where the
index is calculated based on the number of at-risk students
enrolled during a two-year degree cohort beginning in fiscal year
2000 or 2001 and earning a degree in eight years or less; and

(ii) A statewide average at-risk completion weight determined
by calculating the difference between the percentage of
traditional students who earned a degree and the percentage of
at-risk students who earned a degree during the same time period.

(6) Each campus's state share of instruction base formula
earnings shall be determined as follows:

(a) For each campus in each fiscal year, the instructional
costs shall be determined by multiplying the amounts listed above
in divisions (B) and (C) of this section by (i) average
subsidy-eligible FTEs for the two-year period ending in the prior

year for all models except Doctoral I and Doctoral II; and (ii) 146960
average subsidy-eligible FTEs for the five-year period ending in 146961
the prior year for all models except Doctoral I and Doctoral II. 146962

(b) The Chancellor of the Board of Regents shall compute the 146963
two calculations listed in division (D)(6)(a) of this section and 146964
use the greater amount as each campus's instructional costs. 146965

(c) The Chancellor of the Board of Regents shall compute a 146966
uniform state share of instructional costs for each sector. 146967

(i) For the state-supported community colleges, state 146968
community colleges, and technical colleges, the Chancellor of the 146969
Board of Regents shall compute the uniform state share of 146970
instructional costs by dividing the sector level appropriation 146971
total as determined by the Chancellor in division (A)(1) of 146972
Section 371.20.60 of this act and adjusted pursuant to divisions 146973
(B) and (C) of Section 371.20.60 of this act, less the student 146974
college success allocation as described in division (D)(1) of this 146975
section, by the sum of all eligible campuses' instructional costs 146976
as calculated in division (D)(6)(b) of this section. 146977

(ii) For the state-supported university branch campuses, the 146978
Chancellor of the Board of Regents shall compute the uniform state 146979
share of instructional costs by dividing the sector level 146980
appropriation, as determined by the Chancellor in division (A)(2) 146981
of Section 371.20.60 of this act and adjusted pursuant to division 146982
(B) of Section 371.20.60 of this act by the sum of all campuses' 146983
instructional costs as calculated in division (D)(6)(b) of this 146984
section. 146985

(iii) For the state-supported university main campuses, the 146986
Chancellor of the Board of Regents shall compute the uniform state 146987
share of instructional costs by dividing the sector level 146988
appropriation, as determined by the Chancellor in division (A)(3) 146989
of Section 371.20.60 of this act and adjusted pursuant to division 146990

(B) of Section 371.20.60 of this act, less the doctoral set-aside, 146991
less the medical I set-aside, less the medical II set-aside, and 146992
less the degree attainment funding as calculated in divisions 146993
(D)(2) to (5) of this section, by the sum of all campuses' 146994
instructional costs as calculated in division (D)(6)(b) of this 146995
section. 146996

(d) The formula entitlement for each sector's campuses shall 146997
be determined by multiplying the uniform state share of 146998
instructional costs calculated in division (D)(6)(c) of this 146999
section by the campus's instructional cost determined in division 147000
(D)(6)(b) of this section. 147001

(7) In addition to the student success allocation, doctoral 147002
set-aside, medical I set-aside, medical II set-aside, and the 147003
degree attainment allocation determined in divisions (D)(1) to (5) 147004
of this section and the formula entitlement determined in division 147005
(D)(6) of this section, an allocation based on facility-based 147006
plant operations and maintenance (POM) subsidy shall be made. For 147007
each eligible campus, the amount of the POM allocation in each 147008
fiscal year shall be distributed based on what each campus 147009
received in the fiscal year 2009 POM allocation. 147010

Any POM allocations required by this division shall be funded 147011
by proportionately reducing formula entitlement earnings, 147012
including the POM allocations, for all campuses in that sector. 147013

(8) STABILITY IN STATE SHARE OF INSTRUCTION FUNDING 147014

(a) In addition to and after the adjustments noted above, in 147015
fiscal year 2012, no campus shall receive a state share of 147016
instruction allocation that is less than the lesser of the 147017
following two amounts, net of funding for the medical II 147018
set-aside: 147019

(i) The prior year's state share of instruction amount 147020
reduced by 3 per cent, or 147021

(ii) The prior year's state share of instruction amount 147022
reduced by a percentage equal to the percentage change from the 147023
prior year in the campus's sector's state share of instruction 147024
funding minus three percentage points. Funds shall be made 147025
available to support this allocation by proportionately reducing 147026
formula entitlement earnings from those campuses, within each 147027
sector, that are not receiving stability funding. 147028

(b) In fiscal year 2013, in addition to and after the 147029
adjustments noted above, no campus shall receive a state share of 147030
instruction allocation that is less than the lesser of the 147031
following two amounts, net of funding for the medical II 147032
set-aside: 147033

(i) The prior year's state share of instruction amount 147034
reduced by 4 per cent, or 147035

(ii) The prior year's state share of instruction amount 147036
reduced by a percentage equal to the percentage change from the 147037
prior year in the campus's sector's state share of instruction 147038
funding minus four percentage points. Funds shall be made 147039
available to support this allocation by proportionately reducing 147040
formula entitlement earnings from those campuses, within each 147041
sector, that are not receiving stability funding. 147042

(c) For main campus universities that operate a medical 147043
school, in fiscal year 2012 no campus shall receive an allocation 147044
for the medical II set-aside that is less than the lesser of the 147045
following amounts: 147046

(i) The prior year's allocation for the medical II set-aside 147047
reduced by 2 per cent, or 147048

(ii) The prior year's allocation for the medical II set-aside 147049
reduced by a percentage equal to the percentage change from the 147050
prior year in the total medical II set-aside minus two percentage 147051
points. Funds shall be made available to support this allocation 147052

by proportionately reducing formula entitlement earnings from 147053
public medical schools, within each sector, that are not receiving 147054
stability funding. 147055

(d) In fiscal year 2013, no main campus university that 147056
operates a medical school shall receive an allocation for the 147057
medical II set-aside that is less than 97 per cent of the prior 147058
year's allocation for the medical II set-aside. Funds shall be 147059
made available to support this allocation by proportionately 147060
reducing formula entitlement earnings from public medical schools, 147061
within each sector, that are not receiving stability funding. 147062

(9) CAPITAL COMPONENT DEDUCTION 147063

After all other adjustments have been made, state share of 147064
instruction earnings shall be reduced for each campus by the 147065
amount, if any, by which debt service charged in Am. H.B. 748 of 147066
the 121st General Assembly, Am. Sub. H.B. 850 of the 122nd General 147067
Assembly, Am. Sub. H.B. 640 of the 123rd General Assembly, H.B. 147068
675 of the 124th General Assembly, Am. Sub. H.B. 16 of the 126th 147069
General Assembly, Am. Sub. H.B. 699 of the 126th General Assembly, 147070
Am. Sub. H.B. 496 of the 127th General Assembly, and Am. Sub. H.B. 147071
562 of the 127th General Assembly for that campus exceeds that 147072
campus's capital component earnings. The sum of the amounts 147073
deducted shall be transferred to appropriation item 235552, 147074
Capital Component, in each fiscal year. 147075

(E) EXCEPTIONAL CIRCUMSTANCES 147076

Adjustments may be made to the state share of instruction 147077
payments and other subsidies distributed by the Chancellor of the 147078
Board of Regents to state-assisted colleges and universities for 147079
exceptional circumstances. No adjustments for exceptional 147080
circumstances may be made without the recommendation of the 147081
Chancellor and the approval of the Controlling Board. 147082

Section 371.20.70. RESTRICTION ON FEE INCREASES 147158

The boards of trustees of state-assisted institutions of 147159
higher education shall restrain increases in in-state 147160
undergraduate instructional and general fees. Each state 147161
university, university branch, and the Northeast Ohio Medical 147162
University shall not increase its in-state undergraduate 147163
instructional and general fees more than 3.5 per cent over what 147164
the institution charged for the preceding academic year. 147165

Each community college, state community college, and 147166
technical college shall not increase its in-state undergraduate 147167
instructional and general fees by more than \$200 more than the 147168
institution charged for the preceding academic year. 147169

These limitations shall not apply to increases required to 147170
comply with institutional covenants related to their obligations 147171
or to meet unfunded legal mandates or legally binding obligations 147172
incurred or commitments made prior to the effective date of this 147173

section with respect to which the institution had identified such 147174
fee increases as the source of funds. Any increase required by 147175
such covenants and any such mandates, obligations, or commitments 147176
shall be reported by the Chancellor of the Board of Regents to the 147177
Controlling Board. These limitations may also be modified by the 147178
Chancellor of the Board of Regents, with the approval of the 147179
Controlling Board, to respond to exceptional circumstances as 147180
identified by the Chancellor of the Board of Regents. 147181

Section 371.20.80. HIGHER EDUCATION - BOARD OF TRUSTEES 147182

(A) Funds appropriated for instructional subsidies at 147183
colleges and universities may be used to provide such branch or 147184
other off-campus undergraduate courses of study and such master's 147185
degree courses of study as may be approved by the Chancellor of 147186
the Board of Regents. 147187

(B) In providing instructional and other services to 147188
students, boards of trustees of state-assisted institutions of 147189
higher education shall supplement state subsidies with income from 147190
charges to students. Except as otherwise provided in this act, 147191
each board shall establish the fees to be charged to all students, 147192
including an instructional fee for educational and associated 147193
operational support of the institution and a general fee for 147194
noninstructional services, including locally financed student 147195
services facilities used for the benefit of enrolled students. The 147196
instructional fee and the general fee shall encompass all charges 147197
for services assessed uniformly to all enrolled students. Each 147198
board may also establish special purpose fees, service charges, 147199
and fines as required; such special purpose fees and service 147200
charges shall be for services or benefits furnished individual 147201
students or specific categories of students and shall not be 147202
applied uniformly to all enrolled students. A tuition surcharge 147203
shall be paid by all students who are not residents of Ohio. 147204

The board of trustees of a state-assisted institution of higher education shall not authorize a waiver or nonpayment of instructional fees or general fees for any particular student or any class of students other than waivers specifically authorized by law or approved by the Chancellor. This prohibition is not intended to limit the authority of boards of trustees to provide for payments to students for services rendered the institution, nor to prohibit the budgeting of income for staff benefits or for student assistance in the form of payment of such instructional and general fees.

Each state-assisted institution of higher education in its statement of charges to students shall separately identify the instructional fee, the general fee, the tuition charge, and the tuition surcharge. Fee charges to students for instruction shall not be considered to be a price of service but shall be considered to be an integral part of the state government financing program in support of higher educational opportunity for students.

(C) The boards of trustees of state-assisted institutions of higher education shall ensure that faculty members devote a proper and judicious part of their work week to the actual instruction of students. Total class credit hours of production per academic term per full-time faculty member is expected to meet the standards set forth in the budget data submitted by the Chancellor of the Board of Regents.

(D) The authority of government vested by law in the boards of trustees of state-assisted institutions of higher education shall in fact be exercised by those boards. Boards of trustees may consult extensively with appropriate student and faculty groups. Administrative decisions about the utilization of available resources, about organizational structure, about disciplinary procedure, about the operation and staffing of all auxiliary facilities, and about administrative personnel shall be the

exclusive prerogative of boards of trustees. Any delegation of 147237
authority by a board of trustees in other areas of responsibility 147238
shall be accompanied by appropriate standards of guidance 147239
concerning expected objectives in the exercise of such delegated 147240
authority and shall be accompanied by periodic review of the 147241
exercise of this delegated authority to the end that the public 147242
interest, in contrast to any institutional or special interest, 147243
shall be served. 147244

to disabled students. 147250

from the Chancellor of the Board of Regents under Chapter 1713. of 147257

the Ohio School Facilities Commission shall certify on a quarterly 148199
basis to the Director of Budget and Management the amount of cash 148200
from interest earnings to be transferred from the School Building 148201
Assistance Fund (Fund 7032), the Public School Building Fund (Fund 148202
7021), and the Educational Facilities Trust Fund (Fund N087) to 148203
the Ohio School Facilities Commission Fund (Fund 5E30). The amount 148204
transferred from the School Building Assistance Fund (Fund 7032) 148205
may not exceed investment earnings credited to the fund, less any 148206
amount required to be paid for federal arbitrage rebate purposes. 148207

If the Executive Director of the Ohio School Facilities 148208
Commission determines that transferring cash from interest 148209
earnings is insufficient to support operations and carry out its 148210
responsibilities under this section and Chapter 3318. of the 148211
Revised Code, the Commission may, with the approval of the 148212
Controlling Board, transfer cash not generated from interest from 148213
the Public School Building Fund (Fund 7021) and the Educational 148214
Trust Fund (Fund N087) to the Ohio School Facilities Commission 148215
Fund (Fund 5E30). 148216

SCHOOL FACILITIES ENCUMBRANCES AND REAPPROPRIATION 148217

At the request of the Executive Director of the Ohio School 148218
Facilities Commission, the Director of Budget and Management may 148219
cancel encumbrances for school district projects from a previous 148220
biennium if the district has not raised its local share of project 148221
costs within thirteen months of receiving Controlling Board 148222
approval under section 3318.05 or 3318.41 of the Revised Code. The 148223
Executive Director of the Ohio School Facilities Commission shall 148224
certify the amounts of the canceled encumbrances to the Director 148225

of Budget and Management on a quarterly basis. The amounts of the 148226
canceled encumbrances are hereby appropriated. 148227

Section 387.30. AMENDMENT TO PROJECT AGREEMENT FOR 148228
MAINTENANCE LEVY 148229

The Ohio School Facilities Commission shall amend the project 148230
agreement between the Commission and a school district that is 148231
participating in the Accelerated Urban School Building Assistance 148232
Program on the effective date of this section, if the Commission 148233
determines that it is necessary to do so in order to comply with 148234
division (B)(3)(c) of section 3318.38 of the Revised Code. 148235

Section 387.40. CANTON CITY SCHOOL DISTRICT PROJECT 148236

(A) The Ohio School Facilities Commission may commit up to 148237
thirty-five million dollars to the Canton City School District for 148238
construction of a facility described in this section, in lieu of a 148239
high school that would otherwise be authorized under Chapter 3318. 148240
of the Revised Code. The Commission shall not commit funds under 148241
this section unless all of the following conditions are met: 148242

(1) The District has entered into a cooperative agreement 148243
with a state-assisted technical college; 148244

(2) The District has received an irrevocable commitment of 148245
additional funding from nonpublic sources; and 148246

(3) The facility is intended to serve both secondary and 148247
postsecondary instructional purposes. 148248

(B) The Commission shall enter into an agreement with the 148249
District for the construction of the facility authorized under 148250
this section that is separate from and in addition to the 148251
agreement required for the District's participation in the 148252
Classroom Facilities Assistance Program under section 3318.08 of 148253
the Revised Code. Notwithstanding that section and sections 148254

3318.03, 3318.04, and 3318.083 of the Revised Code, the additional agreement shall provide, but not be limited to, the following:

(1) The Commission shall not have any oversight responsibilities over the construction of the facility.

(2) The facility need not comply with the specifications for plans and materials for high schools adopted by the Commission.

(3) The Commission may decrease the basic project cost that would otherwise be calculated for a high school under Chapter 3318. of the Revised Code.

(4) The state shall not share in any increases in the basic project cost for the facility above the amount authorized under this section.

All other provisions of Chapter 3318. of the Revised Code apply to the approval and construction of a facility authorized under this section.

The state funds committed to the facility authorized by this section shall be part of the total amount the state commits to the Canton City School District under Chapter 3318. of the Revised Code. All additional state funds committed to the Canton City School District for classroom facilities assistance shall be subject to all provisions of Chapter 3318. of the Revised Code.

Section 387.50. Notwithstanding any other provision of law to the contrary, the Ohio School Facilities Commission may determine the amount of funding available for disbursement in a given fiscal year for any project approved under sections 3318.01 to 3318.20 of the Revised Code in order to keep aggregate state capital spending within approved limits and may take actions including, but not limited to, determining the schedule for design or bidding of approved projects, to ensure appropriate and supportable cash flow.

Section 387.60. Notwithstanding division (B) of section 148285
3318.40 of the Revised Code, the Ohio School Facilities Commission 148286
may provide assistance to at least one joint vocational school 148287
district each fiscal year for the acquisition of classroom 148288
facilities in accordance with sections 3318.40 to 3318.45 of the 148289
Revised Code. 148290

Section 387.70. (A) As used in this section, "equity list" 148291
means the school district percentile rankings calculated under 148292
section 3318.011 of the Revised Code. 148293

(B) Not later than thirty days after the effective date of 148294
this section, the Department of Education shall create an 148295
alternate equity list for fiscal year 2011, for use in funding 148296
projects for fiscal year 2012, by recalculating each school 148297
district's percentile ranking under section 3318.011 of the 148298
Revised Code and shall certify the alternate equity list to the 148299
Ohio School Facilities Commission. For this purpose, the 148300
Department shall recalculate each school district's percentile 148301
ranking using the district's "average taxable value" as that term 148302
is defined in the version of section 3318.011 of the Revised Code, 148303
as it results from the amendments to that section enacted by this 148304
act. 148305

(C) The Commission shall use the alternate equity list 148306
certified under division (B) of this section to determine the 148307
priority for assistance under sections 3318.01 to 3318.20 of the 148308
Revised Code for fiscal year 2012 for each school district that 148309
has not previously been offered funding under those sections. 148310
However, no district that already has been offered assistance 148311
under those sections for fiscal year 2011 prior to the 148312
Commission's receipt of the alternate equity list shall be denied 148313
the opportunity for assistance under those sections for that 148314
fiscal year. 148315

(D) Notwithstanding any provision of Chapter 3318. of the Revised Code to the contrary, for each school district that receives the Commission's conditional approval of the district's project under sections 3318.01 to 3318.20 of the Revised Code for fiscal year 2012, the district's portion of the basic project cost shall be the lesser of the following:

(1) The amount required under section 3318.032 of the Revised Code calculated using the percentile in which the district ranks on the alternate equity list certified under division (B) of this section;

(2) The amount required under section 3318.032 of the Revised Code calculated using the percentile in which the district ranks on the original equity list for fiscal year 2011.
