coverage under a portable electronics insurance policy at any time 250
and receive a refund of any applicable premium. 251

(F)(1) The charges for portable electronics insurance may be 252
billed and collected by the vendor of portable electronics, and 253
the vendor may receive compensation for performing billing and 254
collection services, if either of the following conditions are 255
met: 256

(a) If the charge to the customer for coverage is not 257
included in the cost associated with the purchase or lease of 258
portable electronics or related services, the charge for coverage 259
is separately itemized on the customer's bill. 260

(b) If the charge to the customer for coverage is included in 261

the cost associated with the purchase or lease of portable 262
electronics or related services, the vendor clearly and 263
conspicuously discloses to the customer that the charge for 264
portable electronics insurance coverage is included with the 265
charge for portable electronics or related services. 266

(2) All funds received by a vendor from a customer for the 267
sale of portable electronics insurance shall be considered funds 268
held in trust by the vendor in a fiduciary capacity for the 269
benefit of the insurer. Vendors that bill and collect such charges 270
are not required to maintain those funds in a segregated account 271
if the vendor is authorized by the insurer to hold those funds in 272
an alternate manner and the vendor remits the amount of the 273
charges to the supervising entity within sixty days after 274
receiving the charges. 275

(G) If the superintendent has reason to believe that a vendor 276
or its endorsee has violated this section, the superintendent 277
shall schedule a hearing on the potential violation and provide 278
notification of the nature of the potential violation and the 279
date, time, and place of the hearing to the vendor or endorsee. If 280
after the hearing the superintendent determines that a vendor or 281
its endorsee has violated this section, the superintendent may do 282
either of the following: 283

(1) Impose a fine not to exceed five hundred dollars per 284
violation or five thousand dollars in the aggregate for multiple 285

considers necessary and reasonable, including either of the 288
following: 289

portable electronics insurance pursuant to this section at 291
specific location or locations where the violation or violations 292

<u>occurred;</u>	293
<u>(b) Suspending or revoking the ability of an endorsee to act</u>	294
<u>under the license of the vendor.</u>	295
<u>(H)(1) Except as otherwise provided in divisions (H)(2) and</u>	296
<u>(3) of this section, an insurer may terminate or otherwise change</u>	297
<u>the terms and conditions of a policy of portable electronics</u>	298
<u>insurance only upon providing the vendor policyholder and enrolled</u>	299
<u>customers with at least sixty days' prior notice. If the insurer</u>	300
<u>changes the terms and conditions, the insurer shall promptly</u>	301
<u>provide the vendor policyholder with a revised policy or</u>	302
<u>endorsement and each enrolled customer with a revised certificate,</u>	303
<u>endorsement, updated brochure, or other evidence indicating that a</u>	304
<u>change in the terms and conditions has occurred and a summary of</u>	305
<u>material changes.</u>	306
<u>(2) An insurer may terminate an enrolled customer's</u>	307
<u>enrollment under a portable electronics insurance policy upon</u>	308
<u>fifteen days' prior notice for discovery of fraud or material</u>	309
<u>misrepresentation in obtaining coverage or in the presentation of</u>	310
<u>a claim under the policy.</u>	311
<u>(3) An insurer may immediately terminate an enrolled</u>	312
<u>customer's enrollment under a portable electronics insurance</u>	313
<u>policy for any of the following reasons:</u>	314
<u>(a) The enrolled customer fails to pay the required premium;</u>	315
<u>(b) The enrolled customer ceases to have an active service</u>	316
<u>plan, if applicable, with the vendor of portable electronics;</u>	317
<u>(c) The enrolled customer exhausts the aggregate limit of</u>	318
<u>liability, if any, under the terms of the portable electronics</u>	319
<u>insurance policy and the insurer sends notice of termination to</u>	320
<u>the customer within thirty calendar days after exhaustion of the</u>	321
<u>limit. However, if the insurer does not send the notice within the</u>	322
<u>thirty-day time frame, enrollment shall continue notwithstanding</u>	323

the aggregate limit of liability until the insurer sends notice of 324
termination to the enrolled customer. 325

(4) If a portable electronics insurance policy is terminated 326
by a vendor policyholder, the vendor policyholder shall provide 327
notice to each enrolled customer advising the customer of the 328
termination of the policy and the effective date of the 329
termination. The written notice shall be mailed or delivered to 330
the customer at least thirty days prior to the termination. 331

(5) Notice required pursuant to this section shall be 332
provided in writing, either via mail or by electronic means. 333

(a) If notice is provided via mail, it shall be mailed or 334
delivered to the vendor at the vendor's mailing address and to all 335
affected enrolled customers at the last known mailing addresses of 336
those customers on file with the insurer. The insurer or vendor of 337
portable electronics shall maintain proof of mailing in a form 338
authorized or accepted by the United States postal service or 339
other commercial mail delivery service. 340

(b) If notice is provided electronically, it shall be 341
transmitted via facsimile or electronic mail to the vendor at the 342
vendor's facsimile number or electronic mail address and to all 343
affected enrolled customers at the last known facsimile numbers or 344
electronic mail addresses of those customers on file with the 345
insurer. The insurer or vendor shall maintain proof that the 346
notice was sent. 347

(I) An enrolled customer may cancel the enrolled customer's 348
coverage under a portable electronics insurance policy at any 349
time. Upon cancellation, the insurer shall refund any applicable 350
unearned premium. 351

(J) A license issued pursuant to this section shall authorize 352
the vendor and its endorsees to engage only in those activities 353
that are expressly permitted by this section. 354

(K) The superintendent may adopt rules implementing this 355
section. 356

Section 2. That existing section 3905.03 of the Revised Code 357
is hereby repealed. 358
