shall begin within one year after the date of the lease and shall 3250
proceed according to a schedule agreed to between the department 3251
and the developer or the lease will be terminated. Moneys received 3252
by the state pursuant to such leases shall be paid into the state 3253

Sec. ~~123.08~~ 123.18. The director of administrative services 3257
may administer oaths to persons required by law to file affidavits 3258
or statements in the department of administrative services and to 3259

administration of the public works. 3261

Sec. 123.20. (A) There is hereby created the Ohio facilities 3262
construction commission. The commission shall administer the 3263
design and construction of improvements to public facilities of 3264
the state in accordance with this chapter and other provisions of 3265
the Revised Code. 3266

The commission is a body corporate and politic, an agency of 3267
state government and an instrumentality of the state, performing 3268
essential governmental functions of this state. The carrying out 3269

of the purposes and the exercise by the commission of its powers 3270
are essential public functions and public purposes of the state. 3271
The commission may, in its own name, sue and be sued, enter into 3272
contracts, and perform all the powers and duties given to it by 3273
the Revised Code, but it does not have and shall not exercise the 3274
power of eminent domain. In its discretion and as it determines 3275

executive director, or other employees any of the commission's 3277
powers and duties to carry out its functions. 3278

(B) The commission shall consist of three members: the 3279

Two members of the commission constitute a quorum, and the 3297

commission does not impair a quorum from exercising all the rights 3300
and performing all the duties of the commission. Meetings of the 3301

commission may be held anywhere in the state and shall be held in 3302
compliance with section 121.22 of the Revised Code. 3303

office for a period of sixty days or until the appointed member's 3315
successor takes office, whichever period is shorter. 3316

(D) The commission shall file an annual report of its 3317
activities and finances with the governor, speaker of the house of 3318
representatives, president of the senate, and chairpersons of the 3319
house and senate finance committees. 3320

state agencies that may be authorized by legislative 3344
appropriations or any other funds made available therefor, 3345
provided that the construction of the projects, improvements, or 3346
public buildings is a statutory duty of the commission. This 3347
section does not require the independent employment of an 3348
architect or engineer as provided by section 153.01 of the Revised 3349

to perform such powers and duties. 3380

(8) Debar a contractor as provided in section 153.02 of the 3381

climatic conditions. 3403

(3) "Energy performance index" means a number describing the 3404
energy requirements of a facility per square foot of floor space 3405

construction costs of the building. The results of life-cycle cost 3458
analysis shall be a primary consideration in the selection of a 3459
building design. That analysis shall be required only for 3460
construction of buildings with an area of five thousand square 3461
feet or greater. An energy consumption analysis for the term of a 3462

automobiles acquired for use in law enforcement or emergency 3563
rescue work, achieve a fleet average fuel economy of not less than 3564
the fleet average fuel economy for that fiscal year as shall be 3565
prescribed by the office by rule. The office shall promulgate the 3566
rule prior to the beginning of the fiscal year in accordance with 3567
the average fuel economy standards established pursuant to federal 3568

~~An appointing authority whose employees are paid directly by 4112
warrant of the director of budget and management may appoint a 4113
person who holds a certified position in the classified service 4114
within the appointing authority's agency to a position in the 4115
unclassified service within that agency. (2) A person appointed 4116
pursuant to this division who holds a position in the classified 4117
service and who is appointed to a position in the unclassified 4118
service shall retain the right to resume the position and status 4119
held by the person in the classified service immediately prior to 4120
the person's appointment to the position in the unclassified 4121
service, regardless of the number of positions the person held in 4122
the unclassified service. An employee's right to resume a position 4123
in the classified service may only be exercised when an appointing 4124
authority demotes the employee to a pay range lower than the 4125
employee's current pay range or revokes the employee's appointment 4126
to the unclassified service- and: 4127~~

(a) That person held a certified position prior to July 1, 4128
2007, in the classified service within the appointing authority's 4129
agency; or 4130

(b) That person held a permanent position on or after July 1, 4131
2007, in the classified service within the appointing authority's 4132

agency. 4133

(3) An employee forfeits the right to resume a position in 4134
the classified service when ~~the~~: 4135

unclassified service due to incompetence, inefficiency, 4137
dishonesty, drunkenness, immoral conduct, insubordination, 4138
discourteous treatment of the public, neglect of duty, violation 4139
of this chapter or the rules of the director of administrative 4140
services, any other failure of good behavior, any other acts of 4141
misfeasance, malfeasance, or nonfeasance in office, or conviction 4142
of a felony. ~~An employee also forfeits the right to resume a~~ 4143
~~position in the classified service upon; or~~ 4144

(b) Upon transfer to a different agency. 4145

(4) Reinstatement to a position in the classified service 4146
shall be to a position substantially equal to that position in the 4147
classified service held previously, as certified by the director 4148
of administrative services. If the position the person previously 4149
held in the classified service has been placed in the unclassified 4150
service or is otherwise unavailable, the person shall be appointed 4151
to a position in the classified service within the appointing 4152
authority's agency that the director of administrative services 4153
certifies is comparable in compensation to the position the person 4154
previously held in the classified service. Service in the position 4155
in the unclassified service shall be counted as service in the 4156
position in the classified service held by the person immediately 4157
prior to the person's appointment to the position in the 4158
unclassified service. When a person is reinstated to a position in 4159
the classified service as provided in this division, the person is 4160
entitled to all rights, status, and benefits accruing to the 4161
position in the classified service during the person's time of 4162
service in the position in the unclassified service. 4163

Sec. 124.12. (A) Within ninety days after an appointing authority appoints an employee to an unclassified position in the service of the state, the appointing authority shall notify the department of administrative services of that appointment.

(B) On the date an appointing authority appoints an employee to an unclassified position in the state service, the appointing authority shall provide the employee with written information describing the nature of employment in the unclassified civil service. Within thirty days after the date an appointing authority appoints an employee to an unclassified position in the state service, the appointing authority shall provide the employee with written information describing the duties of that position. Failure of the appointing authority to provide the written information described in this division to the employee does not confer any additional rights upon the employee in any appellate body with jurisdiction over an appeal of the employee.

(C) The department shall develop and provide each appointing authority in the ~~state~~ service of the state with a general written description of the nature of employment in the unclassified civil service that shall be provided to employees under division (B) of this section.

Sec. 124.14. (A)(1) The director of administrative services shall establish, and may modify or rescind, by rule, a job classification plan for all positions, offices, and employments the salaries of which are paid in whole or in part by the state. The director shall group jobs within a classification so that the positions are similar enough in duties and responsibilities to be described by the same title, to have the same pay assigned with equity, and to have the same qualifications for selection applied. The director shall, by rule, assign a classification title to each classification within the classification plan. However, the

director shall consider in establishing classifications, including 4195
classifications with parenthetical titles, and assigning pay 4196
ranges such factors as duties performed only on one shift, special 4197
skills in short supply in the labor market, recruitment problems, 4198
separation rates, comparative salary rates, the amount of training 4199
required, and other conditions affecting employment. The director 4200
shall describe the duties and responsibilities of the class, 4201
establish the qualifications for being employed in each position 4202
in the class, and file with the secretary of state a copy of 4203
specifications for all of the classifications. The director shall 4204
file new, additional, or revised specifications with the secretary 4205
of state before they are used. 4206

The director shall, by rule, assign each classification, 4207
either on a statewide basis or in particular counties or state 4208
institutions, to a pay range established under section 124.15 or 4209
section 124.152 of the Revised Code. The director may assign a 4210
classification to a pay range on a temporary basis for a period of 4211
six months. The director may establish, by rule adopted under 4212
Chapter 119. of the Revised Code, experimental classification 4213
plans for some or all employees paid directly by warrant of the 4214
director of budget and management. The rule shall include 4215
specifications for each classification within the plan and shall 4216
specifically address compensation ranges, and methods for 4217
advancing within the ranges, for the classifications, which may be 4218
assigned to pay ranges other than the pay ranges established under 4219
section 124.15 or 124.152 of the Revised Code. 4220

(2) The director of administrative services may reassign to a 4221
proper classification those positions that have been assigned to 4222
an improper classification. If the compensation of an employee in 4223
such a reassigned position exceeds the maximum rate of pay for the 4224
employee's new classification, the employee shall be placed in pay 4225
step X and shall not receive an increase in compensation until the 4226

maximum rate of pay for that classification exceeds the employee's 4227
compensation. 4228

(3) The director may reassign an exempt employee, as defined 4229
in section 124.152 of the Revised Code, to a bargaining unit 4230
classification if the director determines that the bargaining unit 4231
classification is the proper classification for that employee. 4232
Notwithstanding Chapter 4117. of the Revised Code or instruments 4233
and contracts negotiated under it, these placements are at the 4234
director's discretion. 4235

(4) The director shall, by rule, assign related 4236
classifications, which form a career progression, to a 4237
classification series. The director shall, by rule, assign each 4238
classification in the classification plan a five-digit number, the 4239
first four digits of which shall denote the classification series 4240
to which the classification is assigned. When a career progression 4241
encompasses more than ten classifications, the director shall, by 4242
rule, identify the additional classifications belonging to a 4243
classification series. The additional classifications shall be 4244
part of the classification series, notwithstanding the fact that 4245
the first four digits of the number assigned to the additional 4246
classifications do not correspond to the first four digits of the 4247
numbers assigned to other classifications in the classification 4248
series. 4249

~~(5) The director may establish, modify, or rescind a 4250
classification plan for county agencies that elect not to use the 4251
services and facilities of a county personnel department. The 4252
director shall establish any such classification plan by means of 4253
rules adopted under Chapter 119. of the Revised Code. The rules 4254
shall include a methodology for the establishment of titles unique 4255
to county agencies, the use of state classification titles and 4256
classification specifications for common positions, the criteria 4257
for a county to meet in establishing its own classification plan, 4258~~

~~and the establishment of what constitutes a classification series 4259
for county agencies. The director may assess a county agency that 4260
chooses to use the classification plan a usage fee the director 4261
determines. All usage fees the department of administrative 4262
services receives shall be paid into the state treasury to the 4263
credit of the human resources fund created in section 124.07 of 4264
the Revised Code. 4265~~

(B) Division (A) of this section and sections 124.15 and 4266
124.152 of the Revised Code do not apply to the following persons, 4267
positions, offices, and employments: 4268

(1) Elected officials; 4269

(2) Legislative employees, employees of the legislative 4270
service commission, employees in the office of the governor, 4271

of state, auditor of state, treasurer of state, and attorney 4274
general, and employees of the supreme court; 4275

(3) Employees of a county children services board that 4276

Code. 4284

(C) The director may employ a consulting agency to aid and 4285
assist the director in carrying out this section. 4286

(D)(1) When the director proposes to modify a classification 4287
or the assignment of classes to appropriate pay ranges, the 4288

director shall send written notice of the proposed rule to the 4289
appointing authorities of the affected employees thirty days 4290
before a hearing on the proposed rule. The appointing authorities 4291
shall notify the affected employees regarding the proposed rule. 4292
The director also shall send those appointing authorities notice 4293
of any final rule that is adopted within ten days after adoption. 4294

(2) When the director proposes to reclassify any employee so 4295
that the employee is adversely affected, the director shall give 4296
to the employee affected and to the employee's appointing 4297
authority a written notice setting forth the proposed new 4298
classification, pay range, and salary. Upon the request of any 4299

in a probationary period, the director shall perform a job audit 4301
to review the classification of the employee's position to 4302

director shall give to the employee affected and to the employee's 4304

reassign the employee to another classification. An employee or 4307
appointing authority desiring a hearing shall file a written 4308
request for the hearing with the state personnel board of review 4309
within thirty days after receiving the notice. The board shall set 4310
the matter for a hearing and notify the employee and appointing 4311
authority of the time and place of the hearing. The employee, the 4312
appointing authority, or any authorized representative of the 4313
employee who wishes to submit facts for the consideration of the 4314
board shall be afforded reasonable opportunity to do so. After the 4315
hearing, the board shall consider anew the reclassification and 4316
may order the reclassification of the employee and require the 4317
director to assign the employee to such appropriate classification 4318
as the facts and evidence warrant. As provided in division (A)(1) 4319
of section 124.03 of the Revised Code, the board may determine the 4320
most appropriate classification for the position of any employee 4321

coming before the board, with or without a job audit. The board 4322
shall disallow any reclassification or reassignment classification 4323
of any employee when it finds that changes have been made in the 4324
duties and responsibilities of any particular employee for 4325
political, religious, or other unjust reasons. 4326

the supplement under a written policy providing for the 4337
supplement; 4338

(b) Notwithstanding any other section of the Revised Code, 4339

personal leave, or other benefits for employees not inconsistent 4341
with the provisions of a collective bargaining agreement covering 4342
the affected employees. 4343

(2) Division (E)(1) of this section does not apply to 4344
employees for whom the state employment relations board 4345

board establishes appropriate bargaining units elect no 4350
representative in a board-conducted representation election. 4351

(b) After the state employment relations board establishes 4352

appropriate bargaining units for such employees, all employee 4353
organizations withdraw from a representation election. 4354

(F)(1) Notwithstanding any contrary provision of sections 4355

involving the officers and employees of the university or college, 4359
including, but not limited to, the powers, duties, and functions 4360

continue to operate pursuant to the applicable rules adopted by 4370
the director of administrative services under this chapter. 4371

administrative services, in accordance with division (H) of this 4396
section, another political subdivision, or an appropriate public 4397

any elected official, board, agency, or other appointing authority 4402
of that county, upon written notification to the county personnel 4403

ten or fewer names are on the eligible list, the appointing 4584
authority may select any of the listed candidates, or if the top 4585
twenty-five per cent of the eligible list is ten or fewer names, 4586
the appointing authority may select from one of the names that 4587

classified civil service of the state ~~and its civil divisions~~ over 4593
all other persons who are eligible for those appointments and who 4594
are standing on the relevant eligible list with a rating equal to 4595

sixty days nor more than one year, to be fixed by the rules of the 4601
director, except as provided in section 124.231 of the Revised 4602
Code, and except for original appointments to a police department 4603
as a police officer or to a fire department as a firefighter which 4604
shall be for a probationary period of one year. No appointment or 4605

promotion is final until the appointee has satisfactorily served 4606
the probationary period. If the service of the probationary 4607
employee is unsatisfactory, the employee may be removed or reduced 4608
at any time during the probationary period. If the appointing 4609
authority decides to remove a probationary employee in the service 4610
of the state, the appointing authority shall communicate the 4611
removal to the director. A probationary employee duly removed or 4612
reduced in position for unsatisfactory service does not have the 4613

eligible for appointment to the position after a competitive 4623
examination, the appointing authority may fill the position by 4624
noncompetitive examination. 4625

A temporary appointment may be made without regard to the 4626
rules of sections 124.01 to 124.64 of the Revised Code. Except as 4627

shall successive temporary appointments be made. A temporary 4630
appointment longer than one hundred twenty days may be made if 4631

position with the department of job and family services can best 4652
be filled if the provisions are suspended. 4653

(3) The acceptance or refusal by an eligible person of a 4654
temporary appointment shall not affect the person's standing on 4655
the eligible list for permanent appointment, nor shall the period 4656
of temporary service be counted as a part of the probationary 4657
service in case of subsequent appointment to a permanent position. 4658

(B) Persons who receive temporary or intermittent 4659
appointments are in the unclassified civil service and serve at 4660
the pleasure of their appointing authority. 4661

reason of race, creed, color, or national origin, after an 5141
opportunity to be heard upon written charges, said lease may be 5142
terminated at the time, in the manner and with consequences 5143
therein provided. If any such lease does not contain terms to the 5144

to contain such terms which shall be implemented as determined by 5146
the governing body of the lessor. 5147

contributing service in the year the member's employment 5410
terminates and the member's earnable salary for the partial year 5411
is higher than for any comparable period in the three years, the 5412
member's earnable salary for the partial year shall be substituted 5413
for the member's earnable salary for the comparable period during 5414
the three years in which the member's earnable salary was lowest. 5415

period for which the increased contribution was not withheld, in 5598
which case the interest shall be computed from the date the last 5599
contribution would have been withheld for the period for which the 5600
payment is made. Upon the payment of the increased contributions 5601
as provided in this division, the increased annual salary as 5602
provided by law for the office for the period for which the member 5603

commenced under division (C) of this section. 6180

(4) Unless specifically required or authorized by state or 6181
federal law or in accordance with division (B) of this section, no 6182

disclosure of the requester's identity or the intended use of the 6185

requested public record constitutes a denial of the request. 6188

(5) A public office or person responsible for public records 6189
may ask a requester to make the request in writing, may ask for 6190
the requester's identity, and may inquire about the intended use 6191
of the information requested, but may do so only after disclosing 6192

to the requester that a written request is not mandatory and that 6193
the requester may decline to reveal the requester's identity or 6194
the intended use and when a written request or disclosure of the 6195
identity or intended use would benefit the requester by enhancing 6196
the ability of the public office or person responsible for public 6197
records to identify, locate, or deliver the public records sought 6198
by the requester. 6199

(6) If any person chooses to obtain a copy of a public record 6200

person seeking the copy under this division. The public office or 6205
the person responsible for the public record shall permit that 6206
person to choose to have the public record duplicated upon paper, 6207
upon the same medium upon which the public office or person 6208
responsible for the public record keeps it, or upon any other 6209
medium upon which the public office or person responsible for the 6210
public record determines that it reasonably can be duplicated as 6211
an integral part of the normal operations of the public office or 6212
person responsible for the public record. When the person seeking 6213
the copy makes a choice under this division, the public office or 6214
person responsible for the public record shall provide a copy of 6215
it in accordance with the choice made by the person seeking the 6216
copy. Nothing in this section requires a public office or person 6217
responsible for the public record to allow the person seeking a 6218
copy of the public record to make the copies of the public record. 6219

(7) Upon a request made in accordance with division (B) of 6220
this section and subject to division (B)(6) of this section, a 6221
public office or person responsible for public records shall 6222
transmit a copy of a public record to any person by United States 6223
mail or by any other means of delivery or transmission within a 6224

reasonable period of time after receiving the request for the 6225
copy. The public office or person responsible for the public 6226
record may require the person making the request to pay in advance 6227
the cost of postage if the copy is transmitted by United States 6228
mail or the cost of delivery if the copy is transmitted other than 6229
by United States mail, and to pay in advance the costs incurred 6230
for other supplies used in the mailing, delivery, or transmission. 6231

Any public office may adopt a policy and procedures that it 6232
will follow in transmitting, within a reasonable period of time 6233
after receiving a request, copies of public records by United 6234
States mail or by any other means of delivery or transmission 6235
pursuant to this division. A public office that adopts a policy 6236
and procedures under this division shall comply with them in 6237
performing its duties under this division. 6238

In any policy and procedures adopted under this division, a 6239
public office may limit the number of records requested by a 6240
person that the office will transmit by United States mail to ten 6241

that the person does not intend to use or forward the requested 6243
records, or the information contained in them, for commercial 6244
purposes. For purposes of this division, "commercial" shall be 6245
narrowly construed and does not include reporting or gathering 6246
news, reporting or gathering information to assist citizen 6247
oversight or understanding of the operation or activities of 6248
government, or nonprofit educational research. 6249

(8) A public office or person responsible for public records 6250
is not required to permit a person who is incarcerated pursuant to 6251
a criminal conviction or a juvenile adjudication to inspect or to 6252
obtain a copy of any public record concerning a criminal 6253
investigation or prosecution or concerning what would be a 6254
criminal investigation or prosecution if the subject of the 6255
investigation or prosecution were an adult, unless the request to 6256

inspect or to obtain a copy of the record is for the purpose of 6257
acquiring information that is subject to release as a public 6258
record under this section and the judge who imposed the sentence 6259
or made the adjudication with respect to the person, or the 6260
judge's successor in office, finds that the information sought in 6261
the public record is necessary to support what appears to be a 6262
justiciable claim of the person. 6263

probation officer's, bailiff's, prosecuting attorney's, assistant 6278
prosecuting attorney's, correctional employee's, youth services 6279
employee's, firefighter's, EMT's, or investigator of the bureau of 6280
criminal identification and investigation's spouse, former spouse, 6281
or child is employed by a public office, the name and address of 6282
the employer of the peace officer's, parole officer's, probation 6283

criminal identification and investigation's spouse, former spouse, 6287
or child. The request shall include the journalist's name and 6288
title and the name and address of the journalist's employer and 6289

shall state that disclosure of the information sought would be in 6290
the public interest. 6291

(b) Division (B)(9)(a) of this section also applies to 6292
journalist requests for customer information maintained by a 6293
municipally owned or operated public utility, other than social 6294
security numbers and any private financial information such as 6295
credit reports, payment methods, credit card numbers, and bank 6296
account information. 6297

(c) As used in division (B)(9) of this section, "journalist" 6298
means a person engaged in, connected with, or employed by any news 6299
medium, including a newspaper, magazine, press association, news 6300
agency, or wire service, a radio or television station, or a 6301
similar medium, for the purpose of gathering, processing, 6302
transmitting, compiling, editing, or disseminating information for 6303
the general public. 6304

(C)(1) If a person allegedly is aggrieved by the failure of a 6305
public office or the person responsible for public records to 6306
promptly prepare a public record and to make it available to the 6307
person for inspection in accordance with division (B) of this 6308
section or by any other failure of a public office or the person 6309
responsible for public records to comply with an obligation in 6310
accordance with division (B) of this section, the person allegedly 6311
aggrieved may commence a mandamus action to obtain a judgment that 6312
orders the public office or the person responsible for the public 6313
record to comply with division (B) of this section, that awards 6314
court costs and reasonable attorney's fees to the person that 6315
instituted the mandamus action, and, if applicable, that includes 6316
an order fixing statutory damages under division (C)(1) of this 6317
section. The mandamus action may be commenced in the court of 6318
common pleas of the county in which division (B) of this section 6319
allegedly was not complied with, in the supreme court pursuant to 6320
its original jurisdiction under Section 2 of Article IV, Ohio 6321

Constitution, or in the court of appeals for the appellate 6322
district in which division (B) of this section allegedly was not 6323
complied with pursuant to its original jurisdiction under Section 6324
3 of Article IV, Ohio Constitution. 6325

If a requestor transmits a written request by hand delivery 6326
or certified mail to inspect or receive copies of any public 6327
record in a manner that fairly describes the public record or 6328
class of public records to the public office or person responsible 6329
for the requested public records, except as otherwise provided in 6330
this section, the requestor shall be entitled to recover the 6331
amount of statutory damages set forth in this division if a court 6332
determines that the public office or the person responsible for 6333
public records failed to comply with an obligation in accordance 6334
with division (B) of this section. 6335

The amount of statutory damages shall be fixed at one hundred 6336
dollars for each business day during which the public office or 6337
person responsible for the requested public records failed to 6338
comply with an obligation in accordance with division (B) of this 6339
section, beginning with the day on which the requester files a 6340
mandamus action to recover statutory damages, up to a maximum of 6341
one thousand dollars. The award of statutory damages shall not be 6342
construed as a penalty, but as compensation for injury arising 6343
from lost use of the requested information. The existence of this 6344
injury shall be conclusively presumed. The award of statutory 6345
damages shall be in addition to all other remedies authorized by 6346
this section. 6347

The court may reduce an award of statutory damages or not 6348
award statutory damages if the court determines both of the 6349
following: 6350

(a) That, based on the ordinary application of statutory law 6351
and case law as it existed at the time of the conduct or 6352
threatened conduct of the public office or person responsible for 6353

the requested public records that allegedly constitutes a failure 6354
to comply with an obligation in accordance with division (B) of 6355
this section and that was the basis of the mandamus action, a 6356
well-informed public office or person responsible for the 6357
requested public records reasonably would believe that the conduct 6358
or threatened conduct of the public office or person responsible 6359
for the requested public records did not constitute a failure to 6360
comply with an obligation in accordance with division (B) of this 6361
section; 6362

(b) That a well-informed public office or person responsible 6363
for the requested public records reasonably would believe that the 6364
conduct or threatened conduct of the public office or person 6365
responsible for the requested public records would serve the 6366
public policy that underlies the authority that is asserted as 6367
permitting that conduct or threatened conduct. 6368

(2)(a) If the court issues a writ of mandamus that orders the 6369
public office or the person responsible for the public record to 6370
comply with division (B) of this section and determines that the 6371
circumstances described in division (C)(1) of this section exist, 6372
the court shall determine and award to the relator all court 6373
costs. 6374

(b) If the court renders a judgment that orders the public 6375
office or the person responsible for the public record to comply 6376
with division (B) of this section, the court may award reasonable 6377
attorney's fees subject to reduction as described in division 6378
(C)(2)(c) of this section. The court shall award reasonable 6379
attorney's fees, subject to reduction as described in division 6380
(C)(2)(c) of this section when either of the following applies: 6381

(i) The public office or the person responsible for the 6382
public records failed to respond affirmatively or negatively to 6383
the public records request in accordance with the time allowed 6384
under division (B) of this section. 6385

(ii) The public office or the person responsible for the public records promised to permit the relator to inspect or receive copies of the public records requested within a specified period of time but failed to fulfill that promise within that specified period of time.

(c) Court costs and reasonable attorney's fees awarded under this section shall be construed as remedial and not punitive. Reasonable attorney's fees shall include reasonable fees incurred to produce proof of the reasonableness and amount of the fees and to otherwise litigate entitlement to the fees. The court may reduce an award of attorney's fees to the relator or not award attorney's fees to the relator if the court determines both of the following:

(i) That, based on the ordinary application of statutory law and case law as it existed at the time of the conduct or threatened conduct of the public office or person responsible for the requested public records that allegedly constitutes a failure to comply with an obligation in accordance with division (B) of this section and that was the basis of the mandamus action, a well-informed public office or person responsible for the requested public records reasonably would believe that the conduct or threatened conduct of the public office or person responsible for the requested public records did not constitute a failure to comply with an obligation in accordance with division (B) of this section;

(ii) That a well-informed public office or person responsible for the requested public records reasonably would believe that the conduct or threatened conduct of the public office or person responsible for the requested public records as described in division (C)(2)(c)(i) of this section would serve the public policy that underlies the authority that is asserted as permitting that conduct or threatened conduct.

(D) Chapter 1347. of the Revised Code does not limit the 6418
provisions of this section. 6419

(E)(1) To ensure that all employees of public offices are 6420
appropriately educated about a public office's obligations under 6421
division (B) of this section, all elected officials or their 6422
appropriate designees shall attend training approved by the 6423
attorney general as provided in section 109.43 of the Revised 6424
Code. In addition, all public offices shall adopt a public records 6425
policy in compliance with this section for responding to public 6426
records requests. In adopting a public records policy under this 6427
division, a public office may obtain guidance from the model 6428
public records policy developed and provided to the public office 6429
by the attorney general under section 109.43 of the Revised Code. 6430
Except as otherwise provided in this section, the policy may not 6431
limit the number of public records that the public office will 6432
make available to a single person, may not limit the number of 6433
public records that it will make available during a fixed period 6434
of time, and may not establish a fixed period of time before it 6435
will respond to a request for inspection or copying of public 6436
records, unless that period is less than eight hours. 6437

(2) The public office shall distribute the public records 6438
policy adopted by the public office under division (E)(1) of this 6439
section to the employee of the public office who is the records 6440
custodian or records manager or otherwise has custody of the 6441
records of that office. The public office shall require that 6442
employee to acknowledge receipt of the copy of the public records 6443
policy. The public office shall create a poster that describes its 6444
public records policy and shall post the poster in a conspicuous 6445
place in the public office and in all locations where the public 6446
office has branch offices. The public office may post its public 6447
records policy on the internet web site of the public office if 6448
the public office maintains an internet web site. A public office 6449

that has established a manual or handbook of its general policies 6450
and procedures for all employees of the public office shall 6451
include the public records policy of the public office in the 6452
manual or handbook. 6453

(F)(1) The bureau of motor vehicles may adopt rules pursuant 6454
to Chapter 119. of the Revised Code to reasonably limit the number 6455
of bulk commercial special extraction requests made by a person 6456
for the same records or for updated records during a calendar 6457
year. The rules may include provisions for charges to be made for 6458
bulk commercial special extraction requests for the actual cost of 6459
the bureau, plus special extraction costs, plus ten per cent. The 6460
bureau may charge for expenses for redacting information, the 6461
release of which is prohibited by law. 6462

(2) As used in division (F)(1) of this section: 6463

(a) "Actual cost" means the cost of depleted supplies, 6464
records storage media costs, actual mailing and alternative 6465
delivery costs, or other transmitting costs, and any direct 6466
equipment operating and maintenance costs, including actual costs 6467
paid to private contractors for copying services. 6468

(b) "Bulk commercial special extraction request" means a 6469
request for copies of a record for information in a format other 6470
than the format already available, or information that cannot be 6471
extracted without examination of all items in a records series, 6472
class of records, or data base by a person who intends to use or 6473
forward the copies for surveys, marketing, solicitation, or resale 6474
for commercial purposes. "Bulk commercial special extraction 6475
request" does not include a request by a person who gives 6476
assurance to the bureau that the person making the request does 6477
not intend to use or forward the requested copies for surveys, 6478
marketing, solicitation, or resale for commercial purposes. 6479

(c) "Commercial" means profit-seeking production, buying, or 6480

selling of any good, service, or other product. 6481

(d) "Special extraction costs" means the cost of the time 6482
spent by the lowest paid employee competent to perform the task, 6483
the actual amount paid to outside private contractors employed by 6484
the bureau, or the actual cost incurred to create computer 6485
programs to make the special extraction. "Special extraction 6486
costs" include any charges paid to a public agency for computer or 6487
records services. 6488

(3) For purposes of divisions (F)(1) and (2) of this section, 6489
"surveys, marketing, solicitation, or resale for commercial 6490
purposes" shall be narrowly construed and does not include 6491
reporting or gathering news, reporting or gathering information to 6492
assist citizen oversight or understanding of the operation or 6493
activities of government, or nonprofit educational research. 6494

Sec. 152.18. Whenever the Ohio building authority constructs, 6495
reconstructs, rehabilitates, remodels, renovates, enlarges, 6496
improves, alters, maintains, equips, furnishes, repairs, paints, 6497
or decorates capital facilities pursuant to section 152.19, 6498
152.21, or 152.31 of the Revised Code or buildings, facilities, 6499
and other properties for use and occupancy of persons pursuant to 6500
section 152.04 of the Revised Code, the authority shall make the 6501
necessary plans and specifications, and shall advertise for bids 6502
for all work to be placed under contract once a week for two 6503
consecutive weeks in a newspaper of general circulation in the 6504
county within which the work is to be done, and shall award the 6505
contract to the lowest responsive and responsible bidder in 6506
accordance with section 9.312 of the Revised Code. When the 6507
authority determines, subject to approval by the controlling 6508
board, that a real and present emergency exists or if the cost of 6509
such a contract does not exceed fifty thousand dollars, such a 6510
contract may be awarded without advertising and receipt of bids. A 6511

bid guaranty pursuant to sections 153.54 to 153.571 of the Revised Code shall be required for any contract under this section.

In all other cases of capital facilities financed by the authority, the construction, reconstruction, ~~rehabilitation,~~ ~~remodeling,~~ ~~renovation,~~ enlargement, improvement, alteration, ~~maintenance,~~ ~~equipping,~~ ~~furnishing,~~ repair, painting, or decoration of capital facilities by or for the state or any governmental entity shall be the responsibility of the ~~department of administrative services~~ Ohio facilities construction commission or, with the consent of the ~~department of administrative services~~ Ohio facilities construction commission, shall be the responsibility of the state agency using the capital facility, or the governmental entity with which a state agency is participating pursuant to section 152.33 of the Revised Code, and shall be undertaken by the ~~department~~ commission in compliance with Chapter 153. of the Revised Code, or by such state agency or governmental entity in accordance with otherwise applicable law. The rehabilitation, remodeling, renovation, maintenance, equipping, or furnishing of capital facilities by or for the state or any governmental entity shall be the responsibility of the department of administrative services or, with the consent of the department, the state agency or other governmental entity that is using the capital facility.

Sec. 152.24. (A) Except as otherwise provided with respect to leasing of capital facilities in sections 152.241, 152.242, 152.31, and 152.33 of the Revised Code, the department of administrative services or, with the consent of the department of administrative services, the state agency using an office facility and related storage and parking facilities, or participating in such facilities pursuant to section 152.33 of the Revised Code, shall lease any office facility and related storage and parking facility acquired, purchased, constructed, reconstructed,

rehabilitated, remodeled, renovated, enlarged, improved, altered, 6544
operated, maintained, equipped, furnished, repaired, painted, 6545
decorated, or financed by the Ohio building authority for housing 6546
any state agencies. An agreement between the authority and the 6547
department of administrative services or such using or 6548
participating agency may provide for the transfer of the property 6549
to the state after bonds and notes issued by the authority for the 6550
purpose of the acquisition, purchase, construction, 6551
reconstruction, rehabilitation, remodeling, renovation, 6552
enlargement, improvement, alteration, equipping, furnishing, 6553
repair, painting, decorating, or financing of such building or 6554
facility have been repaid. A lease between the authority and the 6555
department of administrative services or a using or participating 6556
agency shall be for a period not exceeding the then current 6557
two-year period for which appropriations have been made by the 6558
general assembly to the department of administrative services and 6559
the state agencies which will occupy or participate in the office 6560
facility and related storage and parking facility being leased, 6561
and such lease may contain such other terms as the department of 6562
administrative services, or a using or participating agency, and 6563
the authority agree notwithstanding any other provision of law, 6564
including provision that rental payments in amounts at least 6565
sufficient to pay bond service charges payable during the current 6566
two-year lease term shall be an absolute and unconditional 6567
obligation of the department of administrative services, or the 6568
using or participating agency, independent of all other duties 6569
under the lease without setoff or deduction or any other similar 6570
rights or defenses. Such an agreement may provide for renewal of a 6571
lease at the end of each term for another term, not exceeding two 6572
years, provided that no renewal shall be effective until the 6573
effective date of an appropriation enacted by the general assembly 6574
from which the department of administrative services, or the using 6575
or participating agency, may lawfully pay rentals under such 6576

lease. For purposes of this section, the term "lease" may include, 6577
without limitation, any agreement between the department of 6578
administrative services, or the using or participating agency, and 6579
the authority with respect to any costs of capital facilities to 6580
be incurred prior to land acquisition. 6581

(B) If the director of administrative services or the 6582
director of a state agency using or participating in an office 6583
facility and related storage and parking facility certifies that 6584
space in such facility acquired, purchased, constructed, 6585
reconstructed, rehabilitated, remodeled, renovated, enlarged, 6586
improved, altered, operated, maintained, equipped, furnished, 6587
repaired, painted, decorated, or financed by the authority has 6588
become unnecessary for state use, the authority may lease any 6589
excess space in such facility and related storage and parking 6590
facility to any governmental entity. 6591

(C) If space in any office facility leased by the authority 6592
to the department of administrative services is not immediately 6593
necessary for state use, the department of administrative services 6594
may exercise its authority under division (A)~~(9)~~(5) of section 6595
123.01 of the Revised Code with respect to such space. 6596

(D) Capital facilities acquired, purchased, constructed, 6597
reconstructed, rehabilitated, remodeled, renovated, enlarged, 6598
improved, altered, operated, maintained, equipped, furnished, 6599
repaired, painted, decorated, or financed by the Ohio building 6600
authority, other than any office facility and related storage and 6601
parking facility required to be leased pursuant to division (A) of 6602
this section, shall be leased to the department of administrative 6603
services, the state agency using the capital facilities, or the 6604
state agency participating in the capital facilities pursuant to 6605
section 152.33 of the Revised Code. The department of 6606
administrative services or the using or participating state agency 6607
may sublease such capital facilities to other state agencies or 6608

other governmental entities. Such parties, including other state 6609
agencies or state-supported or state-assisted institutions of 6610
higher education, may make other agreements for the use, 6611
construction, or operation of such capital facilities in any 6612
manner permitted by the lease or agreement with the authority and 6613
for the charging, collection, and deposit of such revenues and 6614
receipts of the using or participating state agency constituting 6615
available receipts, all upon such terms and conditions as the 6616
parties may agree upon and pursuant to this chapter 6617
notwithstanding other provisions of law affecting the leasing, 6618
acquisition, operation, or disposition of capital facilities by 6619
such parties. Any such lease between the authority and the 6620
department of administrative services or a using or participating 6621
state agency shall be for a period not to exceed the then current 6622
two-year period for which appropriations have been made by the 6623
general assembly to the department of administrative services or 6624
such using or participating state agency. The lease between the 6625
authority and the department of administrative services or the 6626
using or participating state agency may provide for renewal of the 6627
lease at the end of each term for another term, not exceeding two 6628
years, but no renewal shall be effective until the effective date 6629
of an appropriation enacted by the general assembly from which the 6630
department of administrative services or the using or 6631
participating state agency may lawfully pay rentals under such 6632
lease. Any such leases, subleases, or agreements may set forth the 6633
responsibilities of the authority, state agencies, 6634
state-supported, or state-assisted institutions of higher 6635
education, or other governmental entities as to the financing, 6636
assessment, planning, acquisition, purchase, construction, 6637
reconstruction, rehabilitation, remodeling, renovation, 6638
enlargement, improvement, alteration, subleasing, management, 6639
operation, maintenance, equipping, furnishing, repair, painting, 6640
decorating, and insuring of such capital facilities and other 6641

terms and conditions applicable thereto, and any other provisions 6642
mutually agreed upon for the purposes of this chapter. Promptly 6643
upon execution thereof, a signed or conformed copy of each such 6644
lease or sublease or agreement, and any supplement thereto, 6645
between the authority and a governmental entity shall be filed by 6646
the authority with the department of administrative services and 6647
the director of budget and management, and, promptly upon 6648
execution thereof, a signed or conformed copy of each such 6649
sublease or agreement between two governmental entities, not 6650
including the authority, shall be filed with the authority and the 6651
director of budget and management. For purposes of this section, 6652
the term "lease" may include, without limitation, any agreement 6653
between the department of administrative services or the state 6654
agency using or participating in such capital facilities and the 6655
authority with respect to any costs of capital facilities to be 6656
incurred prior to land acquisition. 6657

(E) The transfer of tangible personal property by lease under 6658
authority of this chapter is not a sale as used in Chapter 5739. 6659
of the Revised Code. Any agreement of a governmental entity to 6660
make rental, use, or other payments or payment of purchase price, 6661
in installments or otherwise, or repayments to or on account of 6662
the authority and the obligations issued by the authority, shall 6663
not be deemed to constitute indebtedness, bonded or otherwise, or 6664
bonds, notes, or other evidence of indebtedness of such 6665
governmental entity for the purpose of Chapter 133. of the Revised 6666
Code or any other purpose; such leases and agreements requiring 6667
payments beyond the current fiscal year are continuing contracts 6668
for the purposes of sections 5705.41 and 5705.44 of the Revised 6669
Code. 6670

(F) Any agreement between the department of administrative 6671
services or the state agency using or participating in such 6672
capital facilities and the authority that includes provision for 6673

the use of space by such using or participating state agency or 6674
the department of administrative services, even if executed prior 6675
to land acquisition or completion of construction, improvements, 6676
or financing, shall be a lease for purposes of this chapter and 6677
for all other purposes. No such lease need be recorded or 6678
recordable for purposes of determining its validity or legal 6679
sufficiency. 6680

Sec. 153.01. (A) Whenever any building or structure for the 6681
use of the state or any institution supported in whole or in part 6682

and executing the contract is extended by mutual consent of the 6993
owner or its representatives and the bidder whose bid the owner 6994
accepts and with respect to whom the owner subsequently awards and 6995

subdivision or that is authorized by state law, except as provided 7040
in section 5525.19 of the Revised Code, shall be governed by this 7041
section and sections 153.13 and 153.14 of the Revised Code. If the 7042
time for awarding the contract is extended by mutual consent, or 7043
if the owner or its representative fails to issue a timely notice 7044
to proceed as required by this section, the owner or its 7045
representative shall issue a change order authorizing delay costs 7046
to the contractor, which does not invalidate the contract. The 7047

or force accounts or, if no such provision is set forth in the 7050
contract, the cost to the owner shall be the contractor's actual 7051
costs including wages, labor costs other than wages, wage taxes, 7052

alternative dispute resolution procedures provided in accordance 7068
with guidelines established by the executive director of 7069
~~administrative services~~ the Ohio facilities construction 7070

(2) If any restoration or duplication of any property or 9371
facility proposed to be made under this division involves a 9372
relocation of such property or facility, the regional transit 9373

taxing districts in each tax year subsequent to the year of 9399
removal, whichever is the greater. 9400

The county auditor of each county in which such property is 9401
located shall apportion each such annual payment to each taxing 9402
district as if such annual payment has been levied and collected 9403
as a tax. 9404

Such annual payments shall never again be made after they 9405

Sec. 307.05. As used in this section, "emergency medical 9410
service organization" has the same meaning as in section 4765.01 9411
of the Revised Code. 9412

A board of county commissioners may operate an ambulance 9413

service organization or emergency medical service organization, 9414
or, in counties with a population of forty thousand or less, may 9415
operate a nonemergency patient transport service organization, or 9416
may enter into a contract with one or more counties, townships, 9417
municipal corporations, nonprofit corporations, joint emergency 9418
medical services districts, fire and ambulance districts, or 9419
private ambulance owners, regardless of whether such counties, 9420
townships, municipal corporations, nonprofit corporations, joint 9421
emergency medical services districts, fire and ambulance 9422
districts, or private ambulance owners are located within or 9423
without the state, in order to furnish or obtain the services of 9424
ambulance service organizations, to furnish or obtain additional 9425
services from ambulance service organizations in times of 9426
emergency, to furnish or obtain the services of emergency medical 9427
service organizations, or, in counties with a population of forty 9428
thousand or less, to furnish or obtain services of nonemergency 9429
patient transport service organizations, or may enter into a 9430
contract with any such entity to furnish or obtain the interchange 9431
of services from ambulance or emergency medical service 9432
organizations, or, within counties with a population of forty 9433
thousand or less, to furnish or obtain the interchange of services 9434
from nonemergency patient transport service organizations, within 9435
the territories of the contracting subdivisions. Except in the 9436
case of a contract with a joint emergency medical services 9437
district to obtain the services of emergency medical service 9438
organizations, such contracts shall not be entered into with a 9439
public agency or nonprofit corporation that receives more than 9440
half of its operating funds from governmental entities with the 9441
intention of directly competing with the operation of other 9442
ambulance service organizations, nonemergency patient transport 9443
service organizations, or emergency medical service organizations 9444
in the county unless the public agency or nonprofit corporation is 9445
awarded the contract after submitting the lowest and best bid to 9446

the board of county commissioners. Any county wishing to commence 9447
operation of a nonemergency patient transport service organization 9448
or wishing to enter into a contract for the first time to furnish 9449
or obtain services from a nonemergency patient transport service 9450
organization on or after March 1, 1993, including a county in 9451
which a private provider has been providing the service, shall 9452
demonstrate the need for public funding for the service to, and 9453
obtain approval from, the state board of emergency medical, fire, 9454
and transportation services or its immediate successor board prior 9455
to operating or funding the organization. 9456

When such an organization is operated by the board, the 9457
organization may be administered by the board, by the county 9458
sheriff, or by another county officer or employee designated by 9459
the board. All rules, including the determining of reasonable 9460
rates, necessary for the establishment, operation, and maintenance 9461
of such an organization shall be adopted by the board. 9462

A contract for services of an ambulance service, nonemergency 9463
patient transport service, or emergency medical service 9464
organization shall include the terms, conditions, and stipulations 9465
as agreed to by the parties to the contract. It may provide for a 9466
fixed annual charge to be paid at the times agreed upon and 9467
stipulated in the contract, or for compensation based upon a 9468
stipulated price for each run, call, or emergency or the number of 9469
persons or pieces of apparatus employed, or the elapsed time of 9470
service required in such run, call, or emergency, or any 9471
combination thereof. 9472

Sec. 307.051. As used in this section, "emergency medical 9473
service organization" has the same meaning as in section 4766.01 9474
of the Revised Code. 9475

A board of county commissioners, by adoption of an 9476
appropriate resolution, may choose to have the ~~Ohio~~ state board of 9477

emergency medical, fire, and transportation board services license 9478
any emergency medical service organization it operates. If a board 9479
adopts such a resolution, Chapter 4766. of the Revised Code, 9480
except for sections 4766.06 and 4766.99 of the Revised Code, 9481
applies to the county emergency medical service organization. All 9482
rules adopted under the applicable sections of that chapter also 9483
apply to the organization. A board, by adoption of an appropriate 9484
resolution, may remove its emergency medical service organization 9485
from the jurisdiction of the ~~Ohio~~ state board of emergency 9486
medical, fire, and transportation board services. 9487

Sec. 307.055. (A) Subject to the terms and conditions of the 9488
joint resolution creating it, each joint emergency medical 9489
services district may furnish ambulance services and emergency 9490
medical services by one of the following methods: 9491

(1) By operating an emergency medical service organization as 9492
defined in section 4765.01 of the Revised Code; 9493

(2) By contracting for the operation of one or more 9494
facilities pursuant to division (C) or (D) of this section; 9495

(3) By providing necessary services and equipment to the 9496
district either directly or under a contract entered into pursuant 9497
to division (B) of this section; 9498

(4) By providing service through any combination of methods 9499
described in divisions (A)(1) to (3) of this section. 9500

(B) In order to obtain ambulance service, to obtain 9501
additional ambulance service in times of emergency, or to obtain 9502
emergency medical services, a joint emergency medical services 9503
district may enter into a contract, for a period not to exceed 9504
three years, with one or more counties, townships, municipal 9505
corporations, joint fire districts, other governmental units that 9506
provide ambulance service or emergency medical services, nonprofit 9507

corporations, or private ambulance owners, regardless of whether 9508
the entities contracted with are located within or outside this 9509
state, upon such terms as are agreed to, to furnish or receive 9510
ambulance services or the interchange of ambulance services or 9511
emergency medical services within the several territories of the 9512
contracting subdivisions, if the contract is first authorized by 9513
all boards of trustees and legislative authorities in the 9514
territories to be served. 9515

Such a contract may provide for a fixed annual charge to be 9516
paid at the times agreed upon and stipulated in the contract; or 9517
for compensation based on a stipulated price for each run, call, 9518
or emergency or based on the elapsed time of service required for 9519
each run, call, or emergency, or based on any combination of 9520
these. 9521

Expenditures of a district for ambulance service or emergency 9522
medical service, whether pursuant to contract or otherwise, are 9523
lawful expenditures, regardless of whether the district or the 9524
party with which it contracts charges an additional fee to users 9525
of the service. 9526

(C) The board of trustees may enter into a contract with any 9527
person, municipal corporation, township, or other political 9528
subdivision, and any political subdivision may contract with the 9529
board, for the operation and maintenance of emergency medical 9530
services facilities regardless of whether the facilities used are 9531
owned or leased by the district, by another political subdivision, 9532
or by the contractor. 9533

(D) The district may purchase, lease, and maintain all 9534
materials, buildings, land, and equipment, including vehicles, the 9535
board considers necessary for the district. 9536

When the board finds, by resolution, that the district has 9537
personal property that is not needed for public use, or is 9538

obsolete or unfit for the use for which it was acquired, the board 9539
may dispose of the property in the same manner as provided in 9540
section 307.12 of the Revised Code. 9541

(E) Except in the case of a contract with a board of county 9542
commissioners for the provision of services of an emergency 9543
medical service organization, any contract entered into by a joint 9544
emergency medical services district shall conform to the same 9545
bidding requirements that apply to county contracts under sections 9546
307.86 to 307.92 of the Revised Code. 9547

(F) A county participating in a joint district may contribute 9548
any of its rights or interests in real or personal property, 9549
including money, and may contribute services to the district. Any 9550
such contributions shall be made by a written agreement between 9551
the contributing county and the district, specifying the 9552
contribution as well as the rights of the participating counties 9553
in the contributed property. Written agreements shall also be 9554
prepared specifying the rights of participating counties in 9555
property acquired by the district other than by contribution of a 9556
participating county. Written agreements required by this division 9557
may be amended only by written agreement of all parties to the 9558
original agreement. 9559

(G) A district's board of trustees, by adoption of an 9560
appropriate resolution, may choose to have the ~~Ohio~~ state board of 9561
emergency medical, fire, and transportation board services license 9562
any emergency medical service organization the district operates. 9563
If a board adopts such a resolution, Chapter 4766. of the Revised 9564
Code, except for sections 4766.06 and 4766.99 of the Revised Code, 9565
applies to the district emergency medical service organization. 9566
All rules adopted under the applicable sections of that chapter 9567
also apply to the organization. A board, by adoption of an 9568
appropriate resolution, may remove the district emergency medical 9569
service organization from the jurisdiction of the ~~Ohio~~ state board 9570

of emergency medical, fire, and transportation board services. 9571

Sec. 309.09. (A) The prosecuting attorney shall be the legal 9572
adviser of the board of county commissioners, board of elections, 9573
all other county officers and boards, and all tax-supported public 9574

instructions from the prosecuting attorney in matters connected 9576
with their official duties. The prosecuting attorney shall 9577
prosecute and defend all suits and actions that any such officer, 9578
board, or tax-supported public library directs or to which it is a 9579
party, and no county officer may employ any other counsel or 9580
attorney at the expense of the county, except as provided in 9581
section 305.14 of the Revised Code. The prosecuting attorney shall 9582
also defend all civil actions in the court of common pleas brought 9583
pursuant to division (B)(1) of section 2743.48 of the Revised 9584
Code. 9585

(B)(1) The prosecuting attorney shall be the legal adviser 9586
for all township officers, boards, and commissions, unless, 9587
subject to division (B)(2) of this section, the township has 9588
adopted a limited home rule government pursuant to Chapter 504. of 9589
the Revised Code and has not entered into a contract to have the 9590
prosecuting attorney serve as the township law director, in which 9591
case, subject to division (B)(2) of this section, the township law 9592
director, whether serving full-time or part-time, shall be the 9593
legal adviser for all township officers, boards, and commissions. 9594
When the board of township trustees finds it advisable or 9595
necessary to have additional legal counsel, it may employ an 9596
attorney other than the township law director or the prosecuting 9597
attorney of the county, either for a particular matter or on an 9598
annual basis, to represent the township and its officers, boards, 9599
and commissions in their official capacities and to advise them on 9600
legal matters. No such legal counsel may be employed, except on 9601
the order of the board of township trustees, duly entered upon its 9602

journal, in which the compensation to be paid for the legal 9603
services shall be fixed. The compensation shall be paid from the 9604
township fund. 9605

Nothing in this division confers any of the powers or duties 9606
of a prosecuting attorney under section 309.08 of the Revised Code 9607
upon a township law director. 9608

(2)(a) If any township in the county served by the 9609
prosecuting attorney has adopted any resolution regarding the 9610
operation of adult entertainment establishments pursuant to the 9611
authority that is granted under section 503.52 of the Revised Code 9612
or if a resolution of that nature has been adopted under section 9613
503.53 of the Revised Code in a township in the county served by 9614
the prosecuting attorney, all of the following apply: 9615

(i) Upon the request of a township in the county that has 9616
adopted, or in which has been adopted, a resolution of that nature 9617
that is made pursuant to division (E)(1)(c) of section 503.52 of 9618
the Revised Code, the prosecuting attorney shall prosecute and 9619
defend on behalf of the township in the trial and argument in any 9620
court or tribunal of any challenge to the validity of the 9621
resolution. If the challenge to the validity of the resolution is 9622
before a federal court, the prosecuting attorney may request the 9623
attorney general to assist the prosecuting attorney in prosecuting 9624
and defending the challenge and, upon the prosecuting attorney's 9625
making of such a request, the attorney general shall assist the 9626
prosecuting attorney in performing that service if the resolution 9627
was drafted in accordance with legal guidance provided by the 9628
attorney general as described in division (B)(2) of section 503.52 9629
of the Revised Code. The attorney general shall provide this 9630
assistance without charge to the township for which the service is 9631
performed. If a township adopts a resolution without the legal 9632
guidance of the attorney general, the attorney general is not 9633
required to provide assistance as described in this division to a 9634

prosecuting attorney. 9635

(ii) Upon the request of a township in the county that has 9636
adopted, or in which has been adopted, a resolution of that nature 9637
that is made pursuant to division (E)(1)(a) of section 503.52 of 9638
the Revised Code, the prosecuting attorney shall prosecute and 9639
defend on behalf of the township a civil action to enjoin the 9640
violation of the resolution in question. 9641

(iii) Upon the request of a township in the county that has 9642
adopted, or in which has been adopted, a resolution of that nature 9643
that is made pursuant to division (E)(1)(b) of section 503.52 of 9644
the Revised Code, the prosecuting attorney shall prosecute and 9645
defend on behalf of the township a civil action under Chapter 9646
3767. of the Revised Code to abate as a nuisance the place in the 9647
unincorporated area of the township at which the resolution is 9648
being or has been violated. Proceeds from the sale of personal 9649
property or contents seized pursuant to the action shall be 9650
applied and deposited in accordance with division (E)(1)(b) of 9651
section 503.52 of the Revised Code. 9652

(b) The provisions of division (B)(2)(a) of this section 9653
apply regarding all townships, including townships that have 9654
adopted a limited home rule government pursuant to Chapter 504. of 9655
the Revised Code, and regardless of whether a township that has so 9656
adopted a limited home rule government has entered into a contract 9657
with the prosecuting attorney as described in division (B) of 9658
section 504.15 of the Revised Code or has appointed a law director 9659
as described in division (A) of that section. 9660

The prosecuting attorney shall prosecute and defend in the 9661
actions and proceedings described in division (B)(2)(a) of this 9662
section without charge to the township for which the services are 9663
performed. 9664

(C) Whenever the board of county commissioners employs an 9665

attorney other than the prosecuting attorney of the county, 9666
without the authorization of the court of common pleas as provided 9667
in section 305.14 of the Revised Code, either for a particular 9668
matter or on an annual basis, to represent the board in its 9669
official capacity and to advise it on legal matters, the board 9670
shall enter upon its journal an order of the board in which the 9671
compensation to be paid for the legal services shall be fixed. The 9672
compensation shall be paid from the county general fund. The total 9673
compensation paid, in any year, by the board for legal services 9674
under this division shall not exceed the total annual compensation 9675
of the prosecuting attorney for that county. 9676

(D) The prosecuting attorney and the board of county 9677
commissioners jointly may contract with a board of park 9678
commissioners under section 1545.07 of the Revised Code for the 9679
prosecuting attorney to provide legal services to the park 9680
district the board of park commissioners operates. 9681

(E) The prosecuting attorney may be, in the prosecuting 9682
attorney's discretion and with the approval of the board of county 9683

district or may be the legal adviser to the district under a 9695
contract that the prosecuting attorney and the district enter 9696
into, and that the board of county commissioners approves, to 9697

authorize the prosecuting attorney to provide legal services to 9698
the district. 9699

(G) The prosecuting attorney may be, in the prosecuting 9700
attorney's discretion and with the approval of the board of county 9701
commissioners, the legal adviser of a joint emergency medical 9702
services district created under section 307.052 of the Revised 9703
Code at no cost to the district or may be the legal adviser to the 9704
district under a contract that the prosecuting attorney and the 9705
district enter into, and that the board of county commissioners 9706
approves, to authorize the prosecuting attorney to provide legal 9707
services to the district. 9708

(H) The prosecuting attorney may be, in the prosecuting 9709

into, and that the board of county commissioners approves, to 9715
authorize the prosecuting attorney to provide legal services to 9716
the district. 9717

(I) All money received pursuant to a contract entered into 9718
under division (D), (E), (F), (G), or (H) of this section shall be 9719
deposited into the prosecuting attorney's legal services fund, 9720
which shall be established in the county treasury of each county 9721

(B) Provide ongoing monitoring to ensure that services 10180
provided under section 340.09 of the Revised Code are available to 10181
the individual; 10182

(C) Provide discharge planning to ensure the individual's 10183
earliest possible transition to a less restrictive environment. 10184

Sec. 505.37. (A) The board of township trustees may establish 10185
all necessary rules to guard against the occurrence of fires and 10186
to protect the property and lives of the citizens against damage 10187
and accidents, and may, with the approval of the specifications by 10188
the prosecuting attorney or, if the township has adopted limited 10189
home rule government under Chapter 504. of the Revised Code, with 10190
the approval of the specifications by the township's law director, 10191
purchase, lease, lease with an option to purchase, or otherwise 10192
provide any fire apparatus, mechanical resuscitators, or other 10193
equipment, appliances, materials, fire hydrants, and water supply 10194
for fire-fighting purposes that seems advisable to the board. The 10195
board shall provide for the care and maintenance of fire 10196
equipment, and, for these purposes, may purchase, lease, lease 10197
with an option to purchase, or construct and maintain necessary 10198

buildings, and it may establish and maintain lines of fire-alarm 10199
communications within the limits of the township. The board may 10200
employ one or more persons to maintain and operate fire-fighting 10201
equipment, or it may enter into an agreement with a volunteer fire 10202
company for the use and operation of fire-fighting equipment. The 10203
board may compensate the members of a volunteer fire company on 10204
any basis and in any amount that it considers equitable. 10205

10206

When the estimated cost to purchase fire apparatus, 10207
mechanical resuscitators, other equipment, appliances, materials, 10208
fire hydrants, buildings, or fire-alarm communications equipment 10209
or services exceeds fifty thousand dollars, the contract shall be 10210
let by competitive bidding. When competitive bidding is required, 10211
the board shall advertise once a week for not less than two 10212
consecutive weeks in a newspaper of general circulation within the 10213
township. The board may also cause notice to be inserted in trade 10214
papers or other publications designated by it or to be distributed 10215
by electronic means, including posting the notice on the board's 10216
internet web site. If the board posts the notice on its web site, 10217
it may eliminate the second notice otherwise required to be 10218
published in a newspaper of general circulation within the 10219
township, provided that the first notice published in such 10220
newspaper meets all of the following requirements: 10221

(1) It is published at least two weeks before the opening of 10222
bids. 10223

(2) It includes a statement that the notice is posted on the 10224
board's internet web site. 10225

(3) It includes the internet address of the board's internet 10226
web site. 10227

(4) It includes instructions describing how the notice may be 10228
accessed on the board's internet web site. 10229

The advertisement shall include the time, date, and place 10230
where the clerk of the township, or the clerk's designee, will 10231
read bids publicly. The time, date, and place of bid openings may 10232
be extended to a later date by the board of township trustees, 10233
provided that written or oral notice of the change shall be given 10234
to all persons who have received or requested specifications not 10235
later than ninety-six hours prior to the original time and date 10236
fixed for the opening. The board may reject all the bids or accept 10237
the lowest and best bid, provided that the successful bidder meets 10238
the requirements of section 153.54 of the Revised Code when the 10239
contract is for the construction, demolition, alteration, repair, 10240
or reconstruction of an improvement. 10241

(B) The boards of township trustees of any two or more 10242
townships, or the legislative authorities of any two or more 10243
political subdivisions, or any combination of these, may, through 10244
joint action, unite in the joint purchase, lease, lease with an 10245
option to purchase, maintenance, use, and operation of 10246
fire-fighting equipment, or for any other purpose designated in 10247
sections 505.37 to 505.42 of the Revised Code, and may prorate the 10248
expense of the joint action on any terms that are mutually agreed 10249
upon. 10250

(C) The board of township trustees of any township may, by 10251
resolution, whenever it is expedient and necessary to guard 10252
against the occurrence of fires or to protect the property and 10253
lives of the citizens against damages resulting from their 10254
occurrence, create a fire district of any portions of the township 10255
that it considers necessary. The board may purchase, lease, lease 10256
with an option to purchase, or otherwise provide any fire 10257
apparatus, appliances, materials, fire hydrants, and water supply 10258
for fire-fighting purposes, or may contract for the fire 10259
protection for the fire district as provided in section 9.60 of 10260
the Revised Code. The fire district so created shall be given a 10261

separate name by which it shall be known. 10262

Additional unincorporated territory of the township may be 10263
added to a fire district upon the board's adoption of a resolution 10264
authorizing the addition. A municipal corporation that is within 10265
or adjoining the township may be added to a fire district upon the 10266
board's adoption of a resolution authorizing the addition and the 10267
municipal legislative authority's adoption of a resolution or 10268
ordinance requesting the addition of the municipal corporation to 10269
the fire district. 10270

If the township fire district imposes a tax, additional 10271
unincorporated territory of the township or a municipal 10272
corporation that is within or adjoining the township shall become 10273
part of the fire district only after all of the following have 10274
occurred: 10275

(1) Adoption by the board of township trustees of a 10276
resolution approving the expansion of the territorial limits of 10277
the district and, if the resolution proposes to add a municipal 10278
corporation, adoption by the municipal legislative authority of a 10279
resolution or ordinance requesting the addition of the municipal 10280
corporation to the district; 10281

(2) Adoption by the board of township trustees of a 10282
resolution recommending the extension of the tax to the additional 10283
territory; 10284

(3) Approval of the tax by the electors of the territory 10285
proposed for addition to the district. 10286

Each resolution of the board adopted under division (C)(2) of 10287
this section shall state the name of the fire district, a 10288
description of the territory to be added, and the rate and 10289
termination date of the tax, which shall be the rate and 10290
termination date of the tax currently in effect in the fire 10291
district. 10292

The board of trustees shall certify each resolution adopted under division (C)(2) of this section to the board of elections in accordance with section 5705.19 of the Revised Code. The election required under division (C)(3) of this section shall be held, canvassed, and certified in the manner provided for the submission of tax levies under section 5705.25 of the Revised Code, except that the question appearing on the ballot shall read:

"Shall the territory within
(description of the proposed territory to be added) be added to (name) fire district, and a property tax at a rate of taxation not exceeding (here insert tax rate) be in effect for (here insert the number of years the tax is to be in effect or "a continuing period of time," as applicable)?"

If the question is approved by at least a majority of the electors voting on it, the joinder shall be effective as of the first day of July of the year following approval, and on that date, the township fire district tax shall be extended to the taxable property within the territory that has been added. If the territory that has been added is a municipal corporation and if it had adopted a tax levy for fire purposes, the levy is terminated on the effective date of the joinder.

Any municipal corporation may withdraw from a township fire district created under division (C) of this section by the adoption by the municipal legislative authority of a resolution or ordinance ordering withdrawal. On the first day of July of the year following the adoption of the resolution or ordinance of withdrawal, the municipal corporation withdrawing ceases to be a part of the district, and the power of the fire district to levy a tax upon taxable property in the withdrawing municipal corporation terminates, except that the fire district shall continue to levy and collect taxes for the payment of indebtedness within the

territory of the fire district as it was composed at the time the 10325
indebtedness was incurred. 10326

Upon the withdrawal of any municipal corporation from a 10327
township fire district created under division (C) of this section, 10328
the county auditor shall ascertain, apportion, and order a 10329
division of the funds on hand, moneys and taxes in the process of 10330
collection except for taxes levied for the payment of 10331
indebtedness, credits, and real and personal property, either in 10332
money or in kind, on the basis of the valuation of the respective 10333
tax duplicates of the withdrawing municipal corporation and the 10334
remaining territory of the fire district. 10335

A board of township trustees may remove unincorporated 10336
territory of the township from the fire district upon the adoption 10337
of a resolution authorizing the removal. On the first day of July 10338
of the year following the adoption of the resolution, the 10339
unincorporated township territory described in the resolution 10340
ceases to be a part of the district, and the power of the fire 10341
district to levy a tax upon taxable property in that territory 10342
terminates, except that the fire district shall continue to levy 10343
and collect taxes for the payment of indebtedness within the 10344
territory of the fire district as it was composed at the time the 10345
indebtedness was incurred. 10346

(D) The board of township trustees of any township, the board 10347
of fire district trustees of a fire district created under section 10348
505.371 of the Revised Code, or the legislative authority of any 10349
municipal corporation may purchase, lease, or lease with an option 10350
to purchase the necessary fire-fighting equipment, buildings, and 10351
sites for the township, fire district, or municipal corporation 10352
and issue securities for that purpose with maximum maturities as 10353
provided in section 133.20 of the Revised Code. The board of 10354
township trustees, board of fire district trustees, or legislative 10355
authority may also construct any buildings necessary to house 10356

fire-fighting equipment and issue securities for that purpose with 10357
maximum maturities as provided in section 133.20 of the Revised 10358
Code. 10359

The board of township trustees, board of fire district 10360
trustees, or legislative authority may issue the securities of the 10361
township, fire district, or municipal corporation, signed by the 10362
board or designated officer of the municipal corporation and 10363
attested by the signature of the township fiscal officer, fire 10364
district clerk, or municipal clerk, covering any deferred payments 10365
and payable at the times provided, which securities shall bear 10366
interest not to exceed the rate determined as provided in section 10367
9.95 of the Revised Code, and shall not be subject to Chapter 133. 10368
of the Revised Code. The legislation authorizing the issuance of 10369
the securities shall provide for levying and collecting annually 10370
by taxation, amounts sufficient to pay the interest on and 10371
principal of the securities. The securities shall be offered for 10372
sale on the open market or given to the vendor or contractor if no 10373
sale is made. 10374

Section 505.40 of the Revised Code does not apply to any 10375
securities issued, or any lease with an option to purchase entered 10376
into, in accordance with this division. 10377

(E) A board of township trustees of any township or a board 10378
of fire district trustees of a fire district created under section 10379
505.371 of the Revised Code may purchase a policy or policies of 10380
liability insurance for the officers, employees, and appointees of 10381
the fire department, fire district, or joint fire district 10382
governed by the board that includes personal injury liability 10383
coverage as to the civil liability of those officers, employees, 10384
and appointees for false arrest, detention, or imprisonment, 10385
malicious prosecution, libel, slander, defamation or other 10386
violation of the right of privacy, wrongful entry or eviction, or 10387
other invasion of the right of private occupancy, arising out of 10388

the performance of their duties. 10389

When a board of township trustees cannot, by deed of gift or 10390
by purchase and upon terms it considers reasonable, procure land 10391
for a township fire station that is needed in order to respond in 10392
reasonable time to a fire or medical emergency, the board may 10393
appropriate land for that purpose under sections 163.01 to 163.22 10394
of the Revised Code. If it is necessary to acquire additional 10395
adjacent land for enlarging or improving the fire station, the 10396
board may purchase, appropriate, or accept a deed of gift for the 10397
land for these purposes. 10398

(F) As used in this division, "emergency medical service 10399
organization" has the same meaning as in section 4766.01 of the 10400
Revised Code. 10401

A board of township trustees, by adoption of an appropriate 10402
resolution, may choose to have the ~~Ohio~~ state board of emergency 10403
medical, fire, and transportation board services license any 10404
emergency medical service organization it operates. If the board 10405
adopts such a resolution, Chapter 4766. of the Revised Code, 10406
except for sections 4766.06 and 4766.99 of the Revised Code, 10407
applies to the organization. All rules adopted under the 10408
applicable sections of that chapter also apply to the 10409
organization. A board of township trustees, by adoption of an 10410
appropriate resolution, may remove its emergency medical service 10411
organization from the jurisdiction of the ~~Ohio~~ state board of 10412
emergency medical, fire, and transportation board services. 10413

Sec. 505.375. (A)(1)(a) The boards of township trustees of 10414
one or more townships and the legislative authorities of one or 10415
more municipal corporations, or the legislative authorities of two 10416
or more municipal corporations, or the boards of township trustees 10417
of two or more townships, may negotiate an agreement to form a 10418
fire and ambulance district for the delivery of both fire and 10419

ambulance services. The agreement shall be ratified by the 10420
adoption of a joint resolution by a majority of the members of 10421
each board of township trustees involved and a majority of the 10422
members of the legislative authority of each municipal corporation 10423
involved. The joint resolution shall specify a date on which the 10424
fire and ambulance district shall come into being. 10425

(b) If a joint fire district created under section 505.371 of 10426
the Revised Code or a joint ambulance district created under 10427
section 505.71 of the Revised Code is dissolved to facilitate the 10428
creation of a fire and ambulance district under division (A)(1)(a) 10429
of this section, the townships and municipal corporations forming 10430
the fire and ambulance district may transfer to the fire and 10431
ambulance district any of the funds on hand, moneys and taxes in 10432
the process of collection, credits, and real and personal property 10433
apportioned to them under division (D) of section 505.371 of the 10434
Revised Code or section 505.71 of the Revised Code, as applicable, 10435
for use by the fire and ambulance district in accordance with this 10436
section. 10437

(2)(a) The board of trustees of a joint ambulance district 10438
created under section 505.71 of the Revised Code and the board of 10439
fire district trustees of a joint fire district created under 10440
section 505.371 of the Revised Code may negotiate to combine their 10441
two joint districts into a single fire and ambulance district for 10442
the delivery of both fire and ambulance services, if the 10443
geographic area covered by the combining joint districts is 10444
exactly the same. Both boards shall adopt a joint resolution 10445
ratifying the agreement and setting a date on which the fire and 10446
ambulance district shall come into being. 10447

(b) On that date, the joint fire district and the joint 10448
ambulance district shall cease to exist, and the power of each to 10449
levy a tax upon taxable property shall terminate, except that any 10450

levy of a tax for the payment of indebtedness within the territory 10451
of the joint fire or joint ambulance district as it was composed 10452
at the time the indebtedness was incurred shall continue to be 10453
collected by the successor fire and ambulance district if the 10454
indebtedness remains unpaid. All funds and other property of the 10455
joint districts shall become the property of the fire and 10456
ambulance district, unless otherwise provided in the negotiated 10457
agreement. The agreement shall provide for the settlement of all 10458
debts and obligations of the joint districts. 10459

(B)(1) The governing body of a fire and ambulance district 10460
created under division (A)(1) or (2) of this section shall be a 10461
board of trustees of at least three but no more than nine members, 10462
appointed as provided in the agreement creating the district. 10463
Members of the board may be compensated at a rate not to exceed 10464
thirty dollars per meeting for not more than fifteen meetings per 10465
year, and may be reimbursed for all necessary expenses incurred, 10466
as provided in the agreement creating the district. 10467

(2) The board shall employ a clerk and other employees as it 10468
considers best, including a fire chief or fire prevention 10469
officers, and shall fix their compensation. Neither this section 10470
nor any other section of the Revised Code requires, or shall be 10471
construed to require, that the fire chief of a fire and ambulance 10472
district be a resident of the district. 10473

Before entering upon the duties of office, the clerk shall 10474
execute a bond, in the amount and with surety to be approved by 10475
the board, payable to the state, conditioned for the faithful 10476
performance of all of the clerk's official duties. The clerk shall 10477
deposit the bond with the presiding officer of the board, who 10478
shall file a copy of it, certified by the presiding officer, with 10479
the county auditor of the county containing the most territory in 10480
the district. 10481

The board also shall provide for the appointment of a fiscal 10482

officer for the district and may enter into agreements with 10483
volunteer fire companies for the use and operation of 10484
fire-fighting equipment. Volunteer firefighters acting under such 10485
an agreement are subject to the requirements for volunteer 10486
firefighters set forth in division (A) of section 505.38 of the 10487
Revised Code. 10488

(3) Employees of the district shall not be removed from 10489
office except as provided by sections 733.35 to 733.39 of the 10490
Revised Code, except that, to initiate removal proceedings, the 10491
board shall designate a private citizen or, if the employee is 10492
employed as a firefighter, the board may designate the fire chief, 10493
to investigate, conduct the proceedings, and prepare the necessary 10494
charges in conformity with those sections, and except that the 10495
board shall perform the functions and duties specified for the 10496
municipal legislative authority under those sections. The board 10497
may pay reasonable compensation to any private citizen hired for 10498
services rendered in the matter. 10499

(4) No person shall be appointed as a permanent full-time 10500
paid member of the district whose duties include fire fighting, or 10501
be appointed as a volunteer firefighter, unless that person has 10502
received a certificate issued under former section 3303.07 or 10503
section 4765.55 of the Revised Code evidencing satisfactory 10504
completion of a firefighter training program. The board may send 10505
its officers and firefighters to schools of instruction designed 10506
to promote the efficiency of firefighters and, if authorized in 10507
advance, may pay their necessary expenses from the funds used for 10508
the maintenance and operation of the district. 10509

The board may choose, by adoption of an appropriate 10510
resolution, to have the ~~Ohio~~ state board of emergency medical, 10511
fire, and transportation board services license any emergency 10512
medical service organization it operates. If the board adopts such 10513
a resolution, Chapter 4766. of the Revised Code, except for 10514

sections 4766.06 and 4766.99 of the Revised Code, applies to the 10515
organization. All rules adopted under the applicable sections of 10516
that chapter also apply to the organization. The board may remove, 10517
by resolution, its emergency medical service organization from the 10518
jurisdiction of the ~~Ohio~~ state board of emergency medical, fire, 10519
and transportation board services. 10520

(C) The board of trustees of a fire and ambulance district 10521
created under division (A)(1) or (2) of this section may exercise 10522
the following powers: 10523

(1) Purchase or otherwise provide any fire apparatus, 10524
mechanical resuscitators, or other fire or ambulance equipment, 10525
appliances, or materials; fire hydrants; and water supply for 10526
firefighting purposes that seems advisable to the board; 10527

(2) Provide for the care and maintenance of equipment and, 10528
for that purpose, purchase, lease, lease with an option to 10529
purchase, or construct and maintain necessary buildings; 10530

(3) Establish and maintain lines of fire-alarm communications 10531
within the limits of the district; 10532

(4) Appropriate land for a fire station or medical emergency 10533
unit needed in order to respond in reasonable time to a fire or 10534
medical emergency, in accordance with Chapter 163. of the Revised 10535
Code; 10536

(5) Purchase, appropriate, or accept a deed or gift of land 10537
to enlarge or improve a fire station or medical emergency unit; 10538

(6) Purchase, lease, lease with an option to purchase, 10539
maintain, and use all materials, equipment, vehicles, buildings, 10540
and land necessary to perform its duties; 10541

(7) Contract for a period not to exceed three years with one 10542
or more townships, municipal corporations, counties, joint fire 10543
districts, joint ambulance districts, governmental agencies, 10544

nonprofit corporations, or private ambulance owners located either 10545
within or outside the state, to furnish or receive ambulance 10546
services or emergency medical services within the several 10547
territories of the contracting parties, if the contract is first 10548
authorized by all boards of trustees and legislative authorities 10549
concerned; 10550

(8) Establish reasonable charges for the use of ambulance or 10551
emergency medical services under the same conditions under which a 10552
board of fire district trustees may establish those charges under 10553
section 505.371 of the Revised Code; 10554

(9) Establish all necessary rules to guard against the 10555
occurrence of fires and to protect property and lives against 10556
damage and accidents; 10557

(10) Adopt a standard code pertaining to fire, fire hazards, 10558
and fire prevention prepared and promulgated by the state or by a 10559
public or private organization that publishes a model or standard 10560
code; 10561

(11) Provide for charges for false alarms at commercial 10562
establishments in the same manner as joint fire districts are 10563
authorized to do under section 505.391 of the Revised Code; 10564

(12) Issue bonds and other evidences of indebtedness, subject 10565
to Chapter 133. of the Revised Code, but only after approval by a 10566
vote of the electors of the district as provided by section 133.18 10567
of the Revised Code; 10568

(13) To provide the services and equipment it considers 10569
necessary, levy a sufficient tax, subject to Chapter 5705. of the 10570
Revised Code, on all the taxable property in the district. 10571

(D) Any municipal corporation or township may join an 10572
existing fire and ambulance district, whether created under 10573
division (A)(1) or (2) of this section, by its legislative 10574
authority's adoption of a resolution requesting the membership and 10575

upon approval of the board of trustees of the district. Any 10576
municipal corporation or township may withdraw from a district, 10577
whether created under division (A)(1) or (2) of this section, by 10578
its legislative authority's adoption of a resolution ordering 10579
withdrawal. Upon its withdrawal, the municipal corporation or 10580
township ceases to be a part of the district, and the district's 10581
power to levy a tax on taxable property in the withdrawing 10582
township or municipal corporation terminates, except that the 10583
district shall continue to levy and collect taxes for the payment 10584
of indebtedness within the territory of the district as it was 10585
composed at the time the indebtedness was incurred. 10586

Upon the withdrawal of any township or municipal corporation 10587
from a district, the county auditor of the county containing the 10588
most territory in the district shall ascertain, apportion, and 10589
order a division of the funds on hand, including funds in the 10590
ambulance and emergency medical services fund, moneys and taxes in 10591
the process of collection, except for taxes levied for the payment 10592
of indebtedness, credits, and real and personal property on the 10593
basis of the valuation of the respective tax duplicates of the 10594
withdrawing municipal corporation or township and the remaining 10595
territory of the district. 10596

(E) As used in this section: 10597

paid by the person who is the subject of the request. 11014

Sec. 1315.141. Whenever the approval of the superintendent of financial institutions is required under sections 1315.01 to 1315.18 of the Revised Code, or under an order or supervisory action issued or taken under those sections, for a person to serve as an organizer, incorporator, director, executive officer, or controlling person of a licensee, or to otherwise have a substantial interest in or participate in the management of a licensee, the superintendent shall request the superintendent of the bureau of criminal identification and investigation, or a vendor approved by the bureau, to conduct a criminal records check based on the person's fingerprints in accordance with ~~division (A)(14)~~ of section 109.572 of the Revised Code. The superintendent of financial institutions shall request that criminal record information from the federal bureau of investigation be obtained as part of the criminal records check. Any fee required under division (C)(3) of section 109.572 of the Revised Code shall be paid by the person who is the subject of the request.

Sec. 1321.37. (A) Application for an original or renewal license to make short-term loans shall be in writing, under oath, and in the form prescribed by the superintendent of financial institutions, and shall contain the name and address of the applicant, the location where the business of making loans is to be conducted, and any further information as the superintendent requires. At the time of making an application for an original license, the applicant shall pay to the superintendent a nonrefundable investigation fee of two hundred dollars. No investigation fee or any portion thereof shall be refunded after an original license has been issued. The application for an original or renewal license shall be accompanied by an original or renewal license fee, for each business location of one thousand dollars, except that applications for original licenses issued on

or after the first day of July for any year shall be accompanied 11046
by an original license fee of five hundred dollars, and except 11047
that an application for an original or renewal license, for a 11048
nonprofit corporation that is incorporated under Chapter 1702. of 11049
the Revised Code, shall be accompanied by an original or renewal 11050
license fee, for each business location, that is one-half of the 11051
fee otherwise required. All fees paid to the superintendent 11052
pursuant to this division shall be deposited into the state 11053
treasury to the credit of the consumer finance fund. 11054

(B) Upon the filing of an application for an original license 11055
and, with respect to an application filed for a renewal license, 11056
on a schedule determined by the superintendent by rule adopted 11057
pursuant to section 1321.43 of the Revised Code, and the payment 11058
of fees in accordance with division (A) of this section, the 11059
superintendent shall investigate the facts concerning the 11060
applicant and the requirements provided by this division. The 11061
superintendent shall request the superintendent of the bureau of 11062
criminal identification and investigation, or a vendor approved by 11063
the bureau, to conduct a criminal records check based on the 11064
applicant's fingerprints in accordance with ~~division (A)(12)~~ of 11065
section 109.572 of the Revised Code. Notwithstanding division (K) 11066
of section 121.08 of the Revised Code, the superintendent of 11067
financial institutions shall request that criminal record 11068
information from the federal bureau of investigation be obtained 11069
as part of the criminal records check. The superintendent of 11070
financial institutions shall conduct a civil records check. The 11071
superintendent shall approve an application and issue an original 11072
or renewal license to the applicant if the superintendent finds 11073
all of the following: 11074

(1) The financial responsibility, experience, reputation, and 11075
general fitness of the applicant are such as to warrant the belief 11076
that the business of making loans will be operated lawfully, 11077

honestly, and fairly under sections 1321.35 to 1321.48 of the 11078
Revised Code and within the purposes of those sections; that the 11079
applicant has fully complied with those sections and any rule or 11080
order adopted or issued pursuant to section 1321.43 of the Revised 11081
Code; and that the applicant is qualified to engage in the 11082
business of making loans under sections 1321.35 to 1321.48 of the 11083
Revised Code. 11084

(2) The applicant is financially sound and has a net worth of 11085
not less than one hundred thousand dollars, or in the case of a 11086
nonprofit corporation that is incorporated under Chapter 1702. of 11087
the Revised Code, a net worth of not less than fifty thousand 11088
dollars. The applicant's net worth shall be computed according to 11089
generally accepted accounting principles. 11090

(3) The applicant has never had revoked a license to make 11091
loans under sections 1321.35 to 1321.48 of the Revised Code, under 11092
former sections 1315.35 to 1315.44 of the Revised Code, or to do 11093
business under sections 1315.21 to 1315.30 of the Revised Code. 11094

(4) Neither the applicant nor any senior officer, or partner 11095
of the applicant, has pleaded guilty to or been convicted of any 11096
criminal offense involving theft, receiving stolen property, 11097
embezzlement, forgery, fraud, passing bad checks, money 11098
laundering, or drug trafficking, or any criminal offense involving 11099
money or securities or any violation of an existing or former law 11100
of this state, any other state, or the United States that 11101
substantially is equivalent to a criminal offense described in 11102
that division. However, if the applicant or any of those other 11103
persons has pleaded guilty to or been convicted of any such 11104
offense other than theft, the superintendent shall not consider 11105
the offense if the applicant has proven to the superintendent, by 11106
a preponderance of the evidence, that the applicant's or other 11107
person's activities and employment record since the conviction 11108
show that the applicant or other person is honest, truthful, and 11109

of good reputation, and there is no basis in fact for believing 11110
that the applicant or other person will commit such an offense 11111
again. 11112

(5) Neither the applicant nor any senior officer, or partner 11113
of the applicant, has been subject to any adverse judgment for 11114
conversion, embezzlement, misappropriation of funds, fraud, 11115
misfeasance or malfeasance, or breach of fiduciary duty, or if the 11116
applicant or any of those other persons has been subject to such a 11117
judgment, the applicant has proven to the superintendent, by a 11118
preponderance of the evidence, that the applicant's or other 11119
person's activities and employment record since the judgment show 11120
that the applicant or other person is honest, truthful, and of 11121
good reputation, and there is no basis in fact for believing that 11122
the applicant or other person will be subject to such a judgment 11123
again. 11124

(C) If the superintendent finds that the applicant does not 11125
meet the requirements of division (B) of this section, or the 11126
superintendent finds that the applicant knowingly or repeatedly 11127
contracts with or employs persons to directly engage in lending 11128
activities who have been convicted of a felony crime listed in 11129
division (B)(5) of this section, the superintendent shall issue an 11130
order denying the application for an original or renewal license 11131
and giving the applicant an opportunity for a hearing on the 11132
denial in accordance with Chapter 119. of the Revised Code. The 11133
superintendent shall notify the applicant of the denial, the 11134
grounds for the denial, and the applicant's opportunity for a 11135
hearing. If the application is denied, the superintendent shall 11136
return the annual license fee but shall retain the investigation 11137
fee. 11138

(D) No person licensed under sections 1321.35 to 1321.48 of 11139
the Revised Code shall conduct business in this state unless the 11140
licensee has obtained and maintains in effect at all times a 11141

corporate surety bond issued by a bonding company or insurance 11142
company authorized to do business in this state. The bond shall be 11143
in favor of the superintendent and in the penal sum of at least 11144
one hundred thousand dollars, or in the case of a nonprofit 11145
corporation that is incorporated under Chapter 1702. of the 11146
Revised Code, in the amount of fifty thousand dollars. The term of 11147
the bond shall coincide with the term of the license. The licensee 11148
shall file a copy of the bond with the superintendent. The bond 11149
shall be for the exclusive benefit of any borrower injured by a 11150
violation by a licensee or any employee of a licensee, of any 11151
provision of sections 1321.35 to 1321.48 of the Revised Code. 11152

Sec. 1321.53. (A)(1) An application for a certificate of 11153
registration under sections 1321.51 to 1321.60 of the Revised Code 11154
shall contain an undertaking by the applicant to abide by those 11155
sections. The application shall be in writing, under oath, and in 11156
the form prescribed by the division of financial institutions, and 11157
shall contain any information that the division may require. 11158
Applicants that are foreign corporations shall obtain and maintain 11159
a license pursuant to Chapter 1703. of the Revised Code before a 11160
certificate is issued or renewed. 11161

(2) Upon the filing of the application and the payment by the 11162
applicant of a nonrefundable two_hundred_dollar investigation fee, 11163
a nonrefundable three_hundred_dollar annual registration fee, and 11164
any additional fee required by the nationwide mortgage licensing 11165
system and registry, the division shall investigate the relevant 11166
facts. If the application involves investigation outside this 11167
state, the applicant may be required by the division to advance 11168
sufficient funds to pay any of the actual expenses of such 11169
investigation, when it appears that these expenses will exceed two 11170
hundred dollars. An itemized statement of any of these expenses 11171
which the applicant is required to pay shall be furnished to the 11172
applicant by the division. No certificate shall be issued unless 11173

all the required fees have been submitted to the division. 11174

(3) All applicants making loans secured by an interest in 11175
real estate shall designate an employee or owner of the applicant 11176
as the applicant's primary point of contact. While acting as the 11177
primary point of contact, the employee or owner shall not be 11178
employed by any other registrant or mortgage broker. 11179

(4) The investigation undertaken upon application shall 11180
include both a civil and criminal records check of the applicant 11181
including any individual whose identity is required to be 11182
disclosed in the application. Where the applicant is a business 11183
entity the superintendent shall have the authority to require a 11184
civil and criminal background check of those persons that in the 11185
determination of the superintendent have the authority to direct 11186
and control the operations of the applicant. 11187

(5)(a) Notwithstanding division (K) of section 121.08 of the 11188
Revised Code, the superintendent of financial institutions shall 11189
obtain a criminal history records check and, as part of that 11190
records check, request that criminal record information from the 11191
federal bureau of investigation be obtained. To fulfill this 11192
requirement, the superintendent shall do either of the following: 11193

(i) Request the superintendent of the bureau of criminal 11194
identification and investigation, or a vendor approved by the 11195
bureau, to conduct a criminal records check based on the 11196
applicant's fingerprints or, if the fingerprints are unreadable, 11197
based on the applicant's social security number, in accordance 11198
with ~~division (A)(12)~~ of section 109.572 of the Revised Code; 11199

(ii) Authorize the nationwide mortgage licensing system and 11200
registry to request a criminal history background check as set 11201
forth in division (C) of section 1321.531 of the Revised Code. 11202

(b) Any fee required under division (C)(3) of section 109.572 11203
of the Revised Code or by the nationwide mortgage licensing system 11204

and registry shall be paid by the applicant. 11205

(6) If an application for a certificate of registration does 11206
not contain all of the information required under division (A) of 11207
this section, and if such information is not submitted to the 11208
division or to the nationwide mortgage licensing system and 11209
registry within ninety days after the superintendent or the 11210
nationwide mortgage licensing system and registry requests the 11211
information in writing, including by electronic transmission or 11212
facsimile, the superintendent may consider the application 11213
withdrawn. 11214

(7) If the division finds that the financial responsibility, 11215
experience, character, and general fitness of the applicant 11216
command the confidence of the public and warrant the belief that 11217
the business will be operated honestly and fairly in compliance 11218
with the purposes of sections 1321.51 to 1321.60 of the Revised 11219
Code and the rules adopted thereunder, and that the applicant has 11220
the requisite bond or applicable net worth and assets required by 11221
division (B) of this section, the division shall thereupon issue a 11222
certificate of registration to the applicant. The superintendent 11223
shall not use a credit score as the sole basis for a registration 11224
denial. 11225

(a)(i) Certificates of registration issued on or after July 11226
1, 2010, shall annually expire on the thirty-first day of 11227
December, unless renewed by the filing of a renewal application 11228
and payment of a three_hundred_dollar nonrefundable annual 11229
registration fee, any assessment as determined by the 11230
superintendent pursuant to division (A)(7)(a)(ii) of this section, 11231
and any additional fee required by the nationwide mortgage 11232
licensing system and registry, on or before the last day of 11233
December of each year. No other fee or assessment shall be 11234
required of a registrant by the state or any political subdivision 11235
of this state. 11236

(ii) If the renewal fees billed by the superintendent 11237
pursuant to division (A)(7)(a)(i) of this section are less than 11238
the estimated expenditures of the consumer finance section of the 11239
division of financial institutions, as determined by the 11240
superintendent, for the following fiscal year, the superintendent 11241
may assess each registrant at a rate sufficient to equal in the 11242
aggregate the difference between the renewal fees billed and the 11243
estimated expenditures. Each registrant shall pay the assessed 11244
amount to the superintendent prior to the last day of June. In no 11245
case shall the assessment exceed ten cents per each one hundred 11246
dollars of interest (excluding charge-off recoveries), points, 11247
loan origination charges, and credit line charges collected by 11248
that registrant during the previous calendar year. If such an 11249
assessment is imposed, it shall not be less than two hundred fifty 11250
dollars per registrant and shall not exceed thirty thousand 11251
dollars less the total renewal fees paid pursuant to division 11252
(A)(7)(a)(i) of this section by each registrant. 11253

(b) Registrants shall timely file renewal applications on 11254
forms prescribed by the division and provide any further 11255
information that the division may require. If a renewal 11256
application does not contain all of the information required under 11257
this section, and if that information is not submitted to the 11258
division or to the nationwide mortgage licensing system and 11259
registry within ninety days after the superintendent or the 11260
nationwide mortgage licensing system and registry requests the 11261
information in writing, including by electronic transmission or 11262
facsimile, the superintendent may consider the application 11263
withdrawn. 11264

(c) Renewal shall not be granted if the applicant's 11265
certificate of registration is subject to an order of suspension, 11266
revocation, or an unpaid and past due fine imposed by the 11267
superintendent. 11268

(d) If the division finds the applicant does not meet the conditions set forth in this section, it shall issue a notice of intent to deny the application, and forthwith notify the applicant of the denial, the grounds for the denial, and the applicant's reasonable opportunity to be heard on the action in accordance with Chapter 119. of the Revised Code.

(8) If there is a change of five per cent or more in the ownership of a registrant, the division may make any investigation necessary to determine whether any fact or condition exists that, if it had existed at the time of the original application for a certificate of registration, the fact or condition would have warranted the division to deny the application under division (A)(7) of this section. If such a fact or condition is found, the division may, in accordance with Chapter 119. of the Revised Code, revoke the registrant's certificate.

(B) Each registrant that engages in lending under sections 1321.51 to 1321.60 of the Revised Code shall, if not otherwise required to be bonded pursuant to section 1321.533 of the Revised Code, maintain both of the following:

(1) A net worth of at least fifty thousand dollars;

(2) For each certificate of registration, assets of at least fifty thousand dollars either in use or readily available for use in the conduct of the business.

(C) Not more than one place of business shall be maintained under the same certificate, but the division may issue additional certificates to the same registrant upon compliance with sections 1321.51 to 1321.60 of the Revised Code, governing the issuance of a single certificate. No change in the place of business of a registrant to a location outside the original municipal corporation shall be permitted under the same certificate without the approval of a new application, the payment of the registration

fee and, if required by the superintendent, the payment of an 11300
investigation fee of two hundred dollars. When a registrant wishes 11301
to change its place of business within the same municipal 11302
corporation, it shall give written notice of the change in advance 11303
to the division, which shall provide a certificate for the new 11304
address without cost. If a registrant changes its name, prior to 11305
making loans under the new name it shall give written notice of 11306
the change to the division, which shall provide a certificate in 11307
the new name without cost. Sections 1321.51 to 1321.60 of the 11308
Revised Code do not limit the loans of any registrant to residents 11309
of the community in which the registrant's place of business is 11310
situated. Each certificate shall be kept conspicuously posted in 11311
the place of business of the registrant and is not transferable or 11312
assignable. 11313

(D) Sections 1321.51 to 1321.60 of the Revised Code do not 11314
apply to any of the following: 11315

(1) Entities chartered and lawfully doing business under the 11316
authority of any law of this state, another state, or the United 11317
States as a bank, savings bank, trust company, savings and loan 11318
association, or credit union, or a subsidiary of any such entity, 11319
which subsidiary is regulated by a federal banking agency and is 11320
owned and controlled by such a depository institution; 11321

(2) Life, property, or casualty insurance companies licensed 11322
to do business in this state; 11323

(3) Any person that is a lender making a loan pursuant to 11324
sections 1321.01 to 1321.19 of the Revised Code or a business loan 11325
as described in division (B)(6) of section 1343.01 of the Revised 11326
Code; 11327

(4) Any political subdivision, or any governmental or other 11328
public entity, corporation, instrumentality, or agency, in or of 11329
the United States or any state of the United States, or any entity 11330

described in division (B)(3) of section 1343.01 of the Revised Code; 11331
11332

(5) A college or university, or controlled entity of a college or university, as those terms are defined in section 1713.05 of the Revised Code; 11333
11334
11335

(6) A credit union service organization, provided the organization utilizes services provided by registered mortgage loan originators or the organization complies with section 1321.522 of the Revised Code and holds a valid letter of exemption issued by the superintendent. 11336
11337
11338
11339
11340

(E) No person engaged in the business of selling tangible goods or services related to tangible goods may receive or retain a certificate under sections 1321.51 to 1321.60 of the Revised Code for such place of business. 11341
11342
11343
11344

Sec. 1321.531. (A) An application for a mortgage loan originator license shall be in writing, under oath, and in the form prescribed by the superintendent of financial institutions. The application shall be accompanied by a nonrefundable application fee of one hundred fifty dollars and all other required fees, including any fees required by the nationwide mortgage licensing system and registry. 11345
11346
11347
11348
11349
11350
11351

(B) The superintendent may establish relationships or enter into contracts with the nationwide mortgage licensing system and registry, or any entities designated by it, to collect and maintain records and process transaction fees or other fees related to mortgage loan originator licensees or other persons subject to or involved in their licensure. 11352
11353
11354
11355
11356
11357

(C) In connection with applying for a mortgage loan originator license, the applicant shall furnish to the nationwide mortgage licensing system and registry the following information 11358
11359
11360

concerning the applicant's identity: 11361

(1) The applicant's fingerprints for submission to the 11362
federal bureau of investigation, and any other governmental agency 11363
or entity authorized to receive such information, for purposes of 11364
a state, national, and international criminal history background 11365
check; 11366

(2) Personal history and experience in a form prescribed by 11367
the nationwide mortgage licensing system and registry, along with 11368
authorization for the superintendent and the nationwide mortgage 11369
licensing system and registry to obtain the following: 11370

(a) An independent credit report from a consumer reporting 11371
agency; 11372

(b) Information related to any administrative, civil, or 11373
criminal findings by any governmental jurisdiction. 11374

(D) In order to effectuate the purposes of divisions (C)(1) 11375
and (C)(2)(b) of this section, the superintendent may use the 11376
conference of state bank supervisors, or a wholly owned 11377
subsidiary, as a channeling agent for requesting information from 11378
and distributing information to the United States department of 11379
justice or any other governmental agency. The superintendent may 11380
also use the nationwide mortgage licensing system and registry as 11381
a channeling agent for requesting information from and 11382
distributing information to any source related to matters subject 11383
to divisions (C)(2)(a) and (b) of this section. 11384

(E) Upon the filing of the application, payment of the 11385
application fee, and payment of any additional fee, including any 11386
fee required by the nationwide mortgage licensing system and 11387
registry, the superintendent shall investigate the applicant as 11388
set forth in division (E) of this section. 11389

(1)(a) Notwithstanding division (K) of section 121.08 of the 11390
Revised Code, the superintendent shall obtain a criminal history 11391

records check and, as part of that records check, request that 11392
criminal record information from the federal bureau of 11393
investigation be obtained. To fulfill this requirement, the 11394
superintendent shall do either of the following: 11395

(i) Request the superintendent of the bureau of criminal 11396
identification and investigation, or a vendor approved by the 11397
bureau, to conduct a criminal records check based on the 11398
applicant's fingerprints or, if the fingerprints are unreadable, 11399
based on the applicant's social security number in accordance with 11400
~~division (A)(12) of~~ section 109.572 of the Revised Code; 11401

(ii) Authorize the nationwide mortgage licensing system and 11402
registry to request a criminal history background check as set 11403
forth in division (C) of this section. 11404

(b) Any fee required under division (C)(3) of section 109.572 11405
of the Revised Code or by the nationwide mortgage licensing system 11406
and registry shall be paid by the applicant. 11407

(2) The superintendent of financial institutions shall 11408
conduct a civil records check. 11409

(3) If, in order to issue a license to an applicant, 11410
additional investigation by the superintendent outside this state 11411
is necessary, the superintendent may require the applicant to 11412
advance sufficient funds to pay the actual expenses of the 11413
investigation, if it appears that these expenses will exceed one 11414
hundred dollars. The superintendent shall provide the applicant 11415
with an itemized statement of the actual expenses that the 11416
applicant is required to pay. 11417

(F) If an application for a mortgage loan originator license 11418
does not contain all of the information required under this 11419
section, and if that information is not submitted to the 11420
superintendent or to the nationwide mortgage licensing system and 11421
registry within ninety days after the superintendent or the 11422

nationwide mortgage licensing system and registry requests the 11423
information in writing, including by electronic transmission or 11424

withdrawn. 11426

Sec. 1322.03. (A) An application for a certificate of 11427
registration as a mortgage broker shall be in writing, under oath, 11428
and in the form prescribed by the superintendent of financial 11429
institutions. The application shall be accompanied by a 11430
nonrefundable application fee of five hundred dollars for each 11431
location of an office to be maintained by the applicant in 11432
accordance with division (A) of section 1322.02 of the Revised 11433

licensing system and registry. The application shall provide all 11435

the superintendent may require that the application be accompanied 11440
by a copy of a zoning permit authorizing the use of the residence 11441
for commercial purposes, or by a written opinion or other document 11442
issued by the county or political subdivision where the residence 11443
is located certifying that the use of the residence to transact 11444
business as a mortgage broker is not prohibited by the county or 11445
political subdivision. 11446

(2)(a) In the case of a sole proprietor, the name and address 11447
of the sole proprietor; 11448

(b) In the case of a partnership, the name and address of 11449

Sec. 1506.42. The state, acting through the director of natural resources, subject to section 1506.46 of the Revised Code, may enter into agreements with counties, townships, municipal corporations, park boards, and conservancy districts, other political subdivisions, or any state departments or divisions for the purpose of constructing and maintaining projects to control erosion along the Ohio shoreline of Lake Erie and in any rivers and bays that are connected with Lake Erie and any other watercourses that flow into Lake Erie. Such projects also may be constructed on any Lake Erie island that is situated within the boundaries of the state.	12051
	12052
	12053
	12054
	12055
	12056
	12057
	12058
	12059
	12060
	12061
The cost of such shore erosion projects that are for the benefit of public littoral property shall be prorated on the basis of two-thirds of the total cost to the state through	12062
	12063
	12064

appropriations made to the department of natural resources and 12065
one-third of the cost to the counties, townships, municipal 12066
corporations, park boards, conservancy districts, or other 12067
political subdivisions. 12068

If a shore erosion emergency is declared by the governor, the 12069
state, acting through the director, may spend whatever state funds 12070
are available to alleviate shore erosion, without participation by 12071
any political subdivision, regardless of whether the project will 12072
benefit public or private littoral property. 12073

A board of county commissioners, acting for the county over 12074
which it has jurisdiction, may enter into and carry out agreements 12075
with the director for the construction and maintenance of projects 12076
to control shore erosion. In providing the funds for the county's 12077
proportionate share of the cost of constructing and maintaining 12078
the projects referred to in this section, the board shall be 12079
governed by and may issue and refund bonds in accordance with 12080
Chapter 133. of the Revised Code. 12081

A municipal corporation or a township, acting through the 12082
legislative authority or the board of township trustees, may enter 12083
into and carry out agreements with the director for the purpose of 12084
constructing and maintaining projects to control shore erosion. In 12085
providing the funds for the municipal corporation's or township's 12086
proportionate share of the cost of constructing and maintaining 12087
the projects referred to in this section, a municipal corporation 12088
or township may issue and refund bonds in accordance with Chapter 12089
133. of the Revised Code. The contract shall be executed on behalf 12090
of the municipal corporation or township by the mayor, city 12091
manager, or other chief executive officer who has the authority to 12092
act for the municipal corporation or township. 12093

Conservancy districts may enter into and carry out agreements 12094
with the director, in accordance with the intent of this section, 12095
under the powers conferred upon conservancy districts under 12096

Chapter 6101. of the Revised Code. 12097

Park boards may enter into and carry out agreements with the 12098
director, in accordance with the intent of this section, and issue 12099
bonds for that purpose under the powers conferred upon park 12100
districts under Chapter 1545. of the Revised Code. 12101

The director shall approve and supervise all projects that 12102
are to be constructed in accordance with this section. The 12103
director shall not proceed with the construction of any project 12104
until all funds that are to be paid by the county, township, 12105
municipal corporation, park board, or conservancy district, in 12106
accordance with the terms of the agreement entered into between 12107
the director and the county, township, municipal corporation, park 12108
board, or conservancy district, are in the director's possession 12109
and deposited in the shore erosion fund, which is hereby created 12110
in the state treasury. If the director finds it to be in the best 12111
interests of the state to construct projects as set forth in this 12112
section by the state itself, without the financial contribution of 12113
counties, townships, municipal corporations, park boards, or 12114
conservancy districts, the director may construct the projects. 12115

In deciding whether to assist a county or municipal 12116
corporation in constructing and maintaining a project under this 12117
section, the state, acting through the director, shall consider, 12118
among other factors, whether the county or municipal corporation 12119
has adopted or is in the process of adopting a Lake Erie coastal 12120
erosion area resolution or ordinance under division (D) of section 12121
1506.07 of the Revised Code. 12122

All projects constructed by the state in conformity with 12123
sections 1506.38 to 1506.46 of the Revised Code shall be 12124
constructed subject to sections 153.01 to 153.20 of the Revised 12125
Code, except that the ~~state architect and engineer~~ Ohio facilities 12126
construction commission is not required to prepare the plans and 12127
specifications for those projects. 12128

Sec. 1509.071. (A) When the chief of the division of oil and 12129
gas resources management finds that an owner has failed to comply 12130
with a final nonappealable order issued or compliance agreement 12131
entered into under section 1509.04, the restoration requirements 12132
of section 1509.072, plugging requirements of section 1509.12, or 12133
permit provisions of section 1509.13 of the Revised Code, or rules 12134
and orders relating thereto, the chief shall make a finding of 12135
that fact and declare any surety bond filed to ensure compliance 12136
with those sections and rules forfeited in the amount set by rule 12137
of the chief. The chief thereupon shall certify the total 12138
forfeiture to the attorney general, who shall proceed to collect 12139
the amount of the forfeiture. In addition, the chief may require 12140
an owner, operator, producer, or other person who forfeited a 12141
surety bond to post a new surety bond in the amount of fifteen 12142
thousand dollars for a single well, thirty thousand dollars for 12143
two wells, or fifty thousand dollars for three or more wells. 12144

In lieu of total forfeiture, the surety or owner, at the 12145
surety's or owner's option, may cause the well to be properly 12146
plugged and abandoned and the area properly restored or pay to the 12147
treasurer of state the cost of plugging and abandonment. 12148

(B) All moneys collected because of forfeitures of bonds as 12149
provided in this section shall be deposited in the state treasury 12150
to the credit of the oil and gas well fund created in section 12151
1509.02 of the Revised Code. 12152

The chief annually shall spend not less than fourteen per 12153
cent of the revenue credited to the fund during the previous 12154
fiscal year for the following purposes: 12155

(1) In accordance with division (D) of this section, to plug 12156
idle and orphaned wells or to restore the land surface properly as 12157
required in section 1509.072 of the Revised Code; 12158

(2) In accordance with division (E) of this section, to 12159

correct conditions that the chief reasonably has determined are 12160
causing imminent health or safety risks at an idle and orphaned 12161
well or a well for which the owner cannot be contacted in order to 12162
initiate a corrective action within a reasonable period of time as 12163
determined by the chief. 12164

Expenditures from the fund shall be made only for lawful 12165
purposes. In addition, expenditures from the fund shall not be 12166
made to purchase real property or to remove a dwelling in order to 12167
access a well. 12168

(C)(1) Upon determining that the owner of a well has failed 12169
to properly plug and abandon it or to properly restore the land 12170
surface at the well site in compliance with the applicable 12171
requirements of this chapter and applicable rules adopted and 12172
orders issued under it or that a well is an abandoned well for 12173
which no funds are available to plug the well in accordance with 12174
this chapter, the chief shall do all of the following: 12175

(a) Determine from the records in the office of the county 12176
recorder of the county in which the well is located the identity 12177
of the owner of the land on which the well is located, the 12178
identity of the owner of the oil or gas lease under which the well 12179
was drilled or the identity of each person owning an interest in 12180
the lease, and the identities of the persons having legal title 12181
to, or a lien upon, any of the equipment appurtenant to the well; 12182

(b) Mail notice to the owner of the land on which the well is 12183
located informing the landowner that the well is to be plugged. If 12184
the owner of the oil or gas lease under which the well was drilled 12185
is different from the owner of the well or if any persons other 12186
than the owner of the well own interests in the lease, the chief 12187
also shall mail notice that the well is to be plugged to the owner 12188
of the lease or to each person owning an interest in the lease, as 12189
appropriate. 12190

(c) Mail notice to each person having legal title to, or a lien upon, any equipment appurtenant to the well, informing the person that the well is to be plugged and offering the person the opportunity to plug the well and restore the land surface at the well site at the person's own expense in order to avoid forfeiture of the equipment to this state.

(2) If none of the persons described in division (C)(1)(c) of this section plugs the well within sixty days after the mailing of the notice required by that division, all equipment appurtenant to the well is hereby declared to be forfeited to this state without compensation and without the necessity for any action by the state for use to defray the cost of plugging and abandoning the well and restoring the land surface at the well site.

(D) Expenditures from the fund for the purpose of division (B)(1) of this section shall be made in accordance with either of the following:

(1) The expenditures may be made pursuant to contracts entered into by the chief with persons who agree to furnish all of the materials, equipment, work, and labor as specified and provided in such a contract for activities associated with the restoration or plugging of a well as determined by the chief. The activities may include excavation to uncover a well, geophysical methods to locate a buried well when clear evidence of leakage from the well exists, cleanout of wellbores to remove material from a failed plugging of a well, plugging operations, installation of vault and vent systems, including associated engineering certifications and permits, restoration of property, and repair of damage to property that is caused by such activities. Expenditures shall not be used for salaries, maintenance, equipment, or other administrative purposes, except for costs directly attributed to the plugging of an idle and orphaned well. Agents or employees of persons contracting with the

chief for a restoration or plugging project may enter upon any 12223
land, public or private, on which the well is located for the 12224
purpose of performing the work. Prior to such entry, the chief 12225
shall give to the following persons written notice of the 12226
existence of a contract for a project to restore or plug a well, 12227
the names of the persons with whom the contract is made, and the 12228
date that the project will commence: the owner of the well, the 12229
owner of the land upon which the well is located, the owner or 12230
agents of adjoining land, and, if the well is located in the same 12231
township as or in a township adjacent to the excavations and 12232
workings of a mine and the owner or lessee of that mine has 12233
provided written notice identifying those townships to the chief 12234
at any time during the immediately preceding three years, the 12235
owner or lessee of the mine. 12236

(2)(a) The owner of the land on which a well is located who 12237
has received notice under division (C)(1)(b) of this section may 12238
plug the well and be reimbursed by the division of oil and gas 12239
resources management for the reasonable cost of plugging the well. 12240
In order to plug the well, the landowner shall submit an 12241
application to the chief on a form prescribed by the chief and 12242
approved by the technical advisory council on oil and gas created 12243
in section 1509.38 of the Revised Code. The application, at a 12244
minimum, shall require the landowner to provide the same 12245
information as is required to be included in the application for a 12246
permit to plug and abandon under section 1509.13 of the Revised 12247
Code. The application shall be accompanied by a copy of a proposed 12248
contract to plug the well prepared by a contractor regularly 12249
engaged in the business of plugging oil and gas wells. The 12250
proposed contract shall require the contractor to furnish all of 12251
the materials, equipment, work, and labor necessary to plug the 12252
well properly and shall specify the price for doing the work, 12253
including a credit for the equipment appurtenant to the well that 12254
was forfeited to the state through the operation of division 12255

(C)(2) of this section. Expenditures under division (D)(2)(a) of 12256
this section shall be consistent with the expenditures for 12257
activities described in division (D)(1) of this section. The 12258
application also shall be accompanied by the permit fee required 12259
by section 1509.13 of the Revised Code unless the chief, in the 12260
chief's discretion, waives payment of the permit fee. The 12261
application constitutes an application for a permit to plug and 12262
abandon the well for the purposes of section 1509.13 of the 12263
Revised Code. 12264

(b) Within thirty days after receiving an application and 12265
accompanying proposed contract under division (D)(2)(a) of this 12266
section, the chief shall determine whether the plugging would 12267
comply with the applicable requirements of this chapter and 12268
applicable rules adopted and orders issued under it and whether 12269
the cost of the plugging under the proposed contract is 12270
reasonable. If the chief determines that the proposed plugging 12271
would comply with those requirements and that the proposed cost of 12272
the plugging is reasonable, the chief shall notify the landowner 12273
of that determination and issue to the landowner a permit to plug 12274
and abandon the well under section 1509.13 of the Revised Code. 12275
Upon approval of the application and proposed contract, the chief 12276
shall transfer ownership of the equipment appurtenant to the well 12277
to the landowner. The chief may disapprove an application 12278
submitted under division (D)(2)(a) of this section if the chief 12279
determines that the proposed plugging would not comply with the 12280
applicable requirements of this chapter and applicable rules 12281
adopted and orders issued under it, that the cost of the plugging 12282
under the proposed contract is unreasonable, or that the proposed 12283
contract is not a bona fide, arm's length contract. 12284

(c) After receiving the chief's notice of the approval of the 12285
application and permit to plug and abandon a well under division 12286
(D)(2)(b) of this section, the landowner shall enter into the 12287

proposed contract to plug the well. 12288

(d) Upon determining that the plugging has been completed in 12289
compliance with the applicable requirements of this chapter and 12290
applicable rules adopted and orders issued under it, the chief 12291
shall reimburse the landowner for the cost of the plugging as set 12292
forth in the proposed contract approved by the chief. The 12293
reimbursement shall be paid from the oil and gas well fund. If the 12294
chief determines that the plugging was not completed in accordance 12295
with the applicable requirements, the chief shall not reimburse 12296
the landowner for the cost of the plugging, and the landowner or 12297
the contractor, as applicable, promptly shall transfer back to 12298
this state title to and possession of the equipment appurtenant to 12299
the well that previously was transferred to the landowner under 12300
division (D)(2)(b) of this section. If any such equipment was 12301
removed from the well during the plugging and sold, the landowner 12302
shall pay to the chief the proceeds from the sale of the 12303
equipment, and the chief promptly shall pay the moneys so received 12304
to the treasurer of state for deposit into the oil and gas well 12305
fund. 12306

The chief may establish an annual limit on the number of 12307
wells that may be plugged under division (D)(2) of this section or 12308
an annual limit on the expenditures to be made under that 12309
division. 12310

As used in division (D)(2) of this section, "plug" and 12311
"plugging" include the plugging of the well and the restoration of 12312
the land surface disturbed by the plugging. 12313

(E) Expenditures from the oil and gas well fund for the 12314
purpose of division (B)(2) of this section may be made pursuant to 12315
contracts entered into by the chief with persons who agree to 12316
furnish all of the materials, equipment, work, and labor as 12317
specified and provided in such a contract. The competitive bidding 12318
requirements of Chapter 153. of the Revised Code do not apply if 12319

the chief reasonably determines that an emergency situation exists 12320
requiring immediate action for the correction of the applicable 12321
health or safety risk ~~requires immediate action~~. A contract or 12322
purchase of materials for purposes of addressing the emergency 12323
situation is not subject to division (B) of section 127.16 of the 12324
Revised Code. The chief, designated representatives of the chief, 12325
and agents or employees of persons contracting with the chief 12326
under this division may enter upon any land, public or private, 12327
for the purpose of performing the work. 12328

(F) Contracts entered into by the chief under this section 12329
are not subject to ~~either~~ any of the following: 12330

(1) Chapter 4115. of the Revised Code; 12331

(2) Section 153.54 of the Revised Code, except that the 12332
contractor shall obtain and provide to the chief as a bid guaranty 12333
a surety bond or letter of credit in an amount equal to ten per 12334
cent of the amount of the contract; 12335

(3) Section 4733.17 of the Revised Code. 12336

(G) The owner of land on which a well is located who has 12337
received notice under division (C)(1)(b) of this section, in lieu 12338
of plugging the well in accordance with division (D)(2) of this 12339
section, may cause ownership of the well to be transferred to an 12340
owner who is lawfully doing business in this state and who has met 12341
the financial responsibility requirements established under 12342
section 1509.07 of the Revised Code, subject to the approval of 12343
the chief. The transfer of ownership also shall be subject to the 12344
landowner's filing the appropriate forms required under section 12345
1509.31 of the Revised Code and providing to the chief sufficient 12346
information to demonstrate the landowner's or owner's right to 12347
produce a formation or formations. That information may include a 12348
deed, a lease, or other documentation of ownership or property 12349
rights. 12350

The chief shall approve or disapprove the transfer of ownership of the well. If the chief approves the transfer, the owner is responsible for operating the well in accordance with this chapter and rules adopted under it, including, without limitation, all of the following:

(1) Filing an application with the chief under section 1509.06 of the Revised Code if the owner intends to drill deeper or produce a formation that is not listed in the records of the division for that well;

(2) Taking title to and possession of the equipment appurtenant to the well that has been identified by the chief as having been abandoned by the former owner;

(3) Complying with all applicable requirements that are necessary to drill deeper, plug the well, or plug back the well.

(H) The chief shall issue an order that requires the owner of a well to pay the actual documented costs of a corrective action that is described in division (B)(2) of this section concerning the well. The chief shall transmit the money so recovered to the treasurer of state who shall deposit the money in the state treasury to the credit of the oil and gas well fund.

(I) The chief may engage in cooperative projects under this section with any agency of this state, another state, or the United States; any other governmental agencies; or any state university or college as defined in section 3345.27 of the Revised Code. A contract entered into for purposes of a cooperative project is not subject to division (B) of section 127.16 of the Revised Code.

Sec. 1509.36. Any person adversely affected by an order by the chief of the division of oil and gas resources management may appeal to the oil and gas commission for an order vacating or

modifying the order. 12381

The person so appealing to the commission shall be known as 12382
appellant and the chief shall be known as appellee. Appellant and 12383
appellee shall be deemed to be parties to the appeal. 12384

The appeal shall be in writing and shall set forth the order 12385
complained of and the grounds upon which the appeal is based. The 12386
appeal shall be filed with the commission within thirty days after 12387
the date upon which the appellant received notice by certified 12388
mail and, for all other persons adversely affected by the order, 12389
within thirty days after the date of the order complained of. 12390
Notice of the filing of the appeal shall be filed with the chief 12391
within three days after the appeal is filed with the commission. 12392

Upon the filing of the appeal the commission promptly shall 12393
fix the time and place at which the hearing on the appeal will be 12394
held, and shall give the appellant and the chief at least ten 12395
days' written notice thereof by mail. The commission may postpone 12396
or continue any hearing upon its own motion or upon application of 12397
the appellant or of the chief. 12398

The filing of an appeal provided for in this section does not 12399
automatically suspend or stay execution of the order appealed 12400
from, but upon application by the appellant the commission may 12401
suspend or stay the execution pending determination of the appeal 12402
upon such terms as the commission considers proper. 12403

Either party to the appeal or any interested person who, 12404
pursuant to commission rules has been granted permission to 12405
appear, may submit such evidence as the commission considers 12406
admissible. 12407

For the purpose of conducting a hearing on an appeal, the 12408
commission may require the attendance of witnesses and the 12409
production of books, records, and papers, and it may, and at the 12410
request of any party it shall, issue subpoenas for witnesses or 12411

subpoenas duces tecum to compel the production of any books, 12412
records, or papers, directed to the sheriffs of the counties where 12413
the witnesses are found. The subpoenas shall be served and 12414
returned in the same manner as subpoenas in criminal cases are 12415
served and returned. The fees of sheriffs shall be the same as 12416
those allowed by the court of common pleas in criminal cases. 12417
Witnesses shall be paid the fees and mileage provided for under 12418
section 119.094 of the Revised Code. Such fees and mileage 12419
expenses incurred at the request of appellant shall be paid in 12420
advance by the appellant, and the remainder of those expenses 12421
shall be paid out of funds appropriated for the expenses of the 12422
division of oil and gas resources management. 12423

In case of disobedience or neglect of any subpoena served on 12424
any person, or the refusal of any witness to testify to any matter 12425
regarding which the witness may be lawfully interrogated, the 12426
court of common pleas of the county in which the disobedience, 12427
neglect, or refusal occurs, or any judge thereof, on application 12428
of the commission or any member thereof, shall compel obedience by 12429
attachment proceedings for contempt as in the case of disobedience 12430
of the requirements of a subpoena issued from that court or a 12431
refusal to testify therein. Witnesses at such hearings shall 12432
testify under oath, and any member of the commission may 12433
administer oaths or affirmations to persons who so testify. 12434

At the request of any party to the appeal, a ~~stenographic~~ 12435
record of the testimony and other evidence submitted shall be 12436
taken by an official court ~~shorthand~~ reporter at the expense of 12437
the party making the request ~~therefor~~ for the record. The record 12438
shall include all of the testimony and other evidence and the 12439
rulings on the admissibility thereof presented at the hearing. The 12440
commission shall pass upon the admissibility of evidence, but any 12441
party may at the time object to the admission of any evidence and 12442
except to the rulings of the commission thereon, and if the 12443

commission refuses to admit evidence the party offering same may 12444
make a proffer thereof, and such proffer shall be made a part of 12445
the record of the hearing. 12446

If upon completion of the hearing the commission finds that 12447
the order appealed from was lawful and reasonable, it shall make a 12448
written order affirming the order appealed from; if the commission 12449
finds that the order was unreasonable or unlawful, it shall make a 12450
written order vacating the order appealed from and making the 12451
order that it finds the chief should have made. Every order made 12452
by the commission shall contain a written finding by the 12453
commission of the facts upon which the order is based. 12454

Notice of the making of the order shall be given forthwith to 12455
each party to the appeal by mailing a certified copy thereof to 12456
each such party by certified mail. 12457

The order of the commission is final unless vacated by the 12458
court of common pleas of Franklin county in an appeal as provided 12459
for in section 1509.37 of the Revised Code. Sections 1509.01 to 12460
1509.37 of the Revised Code, providing for appeals relating to 12461
orders by the chief or by the commission, or relating to rules 12462
adopted by the chief, do not constitute the exclusive procedure 12463
that any person who believes the person's rights to be unlawfully 12464
affected by those sections or any official action taken thereunder 12465
must pursue in order to protect and preserve those rights, nor do 12466
those sections constitute a procedure that that person must pursue 12467
before that person may lawfully appeal to the courts to protect 12468
and preserve those rights. 12469

Sec. 1533.081. (A) As used in this section: 12470

(1) "Energy" has the same meaning as in section 1551.01 of 12471
the Revised Code. 12472

(2) "Energy facility" means a facility at which energy is 12473

produced. 12474

(B) A person operating an energy facility whose operation may 12475
result in the incidental taking of a wild animal shall obtain a 12476
permit to do so from the chief of the division of wildlife under 12477
this section. The chief shall adopt rules under section 1531.10 of 12478
the Revised Code that are necessary to administer this section. 12479

Sec. 1533.10. Except as provided in this section or division 12480
(A)(2) of section 1533.12 of the Revised Code, no person shall 12481
hunt any wild bird or wild quadruped without a hunting license. 12482
Each day that any person hunts within the state without procuring 12483
such a license constitutes a separate offense. Except as otherwise 12484
provided in this section, every applicant for a hunting license 12485
who is a resident of the state and eighteen years of age or more 12486
shall procure a resident hunting license or an apprentice resident 12487
hunting license, the fee for which shall be eighteen dollars 12488
unless the rules adopted under division (B) of section 1533.12 of 12489
the Revised Code provide for issuance of a resident hunting 12490
license to the applicant free of charge. Except as provided in 12491
rules adopted under division (B)(2) of that section, each 12492
applicant who is a resident of this state and who at the time of 12493
application is sixty-six years of age or older shall procure a 12494
special senior hunting license, the fee for which shall be 12495
one-half of the regular hunting license fee. Every applicant who 12496
is under the age of eighteen years shall procure a special youth 12497
hunting license or an apprentice youth hunting license, the fee 12498
for which shall be one-half of the regular hunting license fee. 12499

A resident of this state who owns lands in the state and the 12500
owner's children of any age and grandchildren under eighteen years 12501
of age may hunt on the lands without a hunting license. A resident 12502
of any other state who owns real property in this state, and the 12503
spouse and children living with the property owner, may hunt on 12504

that property without a license, provided that the state of 12505
residence of the real property owner allows residents of this 12506
state owning real property in that state, and the spouse and 12507
children living with the property owner, to hunt without a 12508
license. If the owner of land in this state is a limited liability 12509
company or a limited liability partnership that consists of three 12510
or fewer individual members or partners, as applicable, an 12511
individual member or partner who is a resident of this state and 12512
the member's or partner's children of any age and grandchildren 12513
under eighteen years of age may hunt on the land owned by the 12514
limited liability company or limited liability partnership without 12515
a hunting license. In addition, if the owner of land in this state 12516
is a trust that has a total of three or fewer trustees and 12517
beneficiaries, an individual who is a trustee or beneficiary and 12518
who is a resident of this state and the individual's children of 12519
any age and grandchildren under eighteen years of age may hunt on 12520
the land owned by the trust without a hunting license. The tenant 12521
and children of the tenant, residing on lands in the state, may 12522
hunt on them without a hunting license. 12523

Except as otherwise provided in division (A)(1) of section 12524
1533.12 of the Revised Code, every applicant for a hunting license 12525
who is a nonresident of the state and who is eighteen years of age 12526
or older shall procure a nonresident hunting license or an 12527
apprentice nonresident hunting license, the fee for which shall be 12528
one hundred twenty-four dollars unless the applicant is a resident 12529
of a state that is a party to an agreement under section 1533.91 12530
of the Revised Code, in which case the fee shall be eighteen 12531
dollars. Apprentice resident hunting licenses, apprentice youth 12532
hunting licenses, and apprentice nonresident hunting licenses are 12533
subject to the requirements established under section 1533.102 of 12534
the Revised Code and rules adopted pursuant to it. 12535

The chief of the division of wildlife may issue a small game 12536

12537 hunting license expiring three days from the effective date of the
12538 license to a nonresident of the state, the fee for which shall be
12539 thirty-nine dollars. No person shall take or possess deer, wild
12540 turkeys, fur-bearing animals, ducks, geese, brant, or any nongame
12541 animal while possessing only a small game hunting license. A small
12542 game hunting license or an apprentice nonresident hunting license
12543 does not authorize the taking or possessing of ducks, geese, or
12544 brant without having obtained, in addition to the small game
12545 hunting license or the apprentice nonresident hunting license, a
12546 wetlands habitat stamp as provided in section 1533.112 of the
12547 Revised Code. A small game hunting license or an apprentice
12548 nonresident hunting license does not authorize the taking or
12549 possessing of deer, wild turkeys, or fur-bearing animals. A
12550 nonresident of the state who wishes to take or possess deer, wild
12551 turkeys, or fur-bearing animals in this state shall procure,
12552 respectively, a deer or wild turkey permit as provided in section
12553 1533.11 of the Revised Code or a fur taker permit as provided in
12554 section 1533.111 of the Revised Code in addition to a nonresident
12555 hunting license, an apprentice nonresident hunting license, a
12556 special youth hunting license, or an apprentice youth hunting
12557 license, as applicable, as provided in this section.

12558 No person shall procure or attempt to procure a hunting
12559 license by fraud, deceit, misrepresentation, or any false
12560 statement.

12561 This section does not authorize the taking and possessing of
12562 deer or wild turkeys without first having obtained, in addition to
12563 the hunting license required by this section, a deer or wild
12564 turkey permit as provided in section 1533.11 of the Revised Code
12565 or the taking and possessing of ducks, geese, or brant without
12566 first having obtained, in addition to the hunting license required
12567 by this section, a wetlands habitat stamp as provided in section
12568 1533.112 of the Revised Code.

This section does not authorize the hunting or trapping of 12569
fur-bearing animals without first having obtained, in addition to 12570
a hunting license required by this section, a fur taker permit as 12571
provided in section 1533.111 of the Revised Code. 12572

No hunting license shall be issued unless it is accompanied 12573
by a written explanation of the law in section 1533.17 of the 12574
Revised Code and the penalty for its violation, including a 12575
description of terms of imprisonment and fines that may be 12576
imposed. 12577

No hunting license, other than an apprentice hunting license, 12578
shall be issued unless the applicant presents to the agent 12579
authorized to issue the license a previously held hunting license 12580
or evidence of having held such a license in content and manner 12581
approved by the chief, a certificate of completion issued upon 12582
completion of a hunter education and conservation course approved 12583
by the chief, or evidence of equivalent training in content and 12584
manner approved by the chief. A previously held apprentice hunting 12585
license does not satisfy the requirement concerning the 12586
presentation of a previously held hunting license or evidence of 12587
it. 12588

No person shall issue a hunting license, except an apprentice 12589
hunting license, to any person who fails to present the evidence 12590
required by this section. No person shall purchase or obtain a 12591
hunting license, other than an apprentice hunting license, without 12592
presenting to the issuing agent the evidence required by this 12593
section. Issuance of a hunting license in violation of the 12594
requirements of this section is an offense by both the purchaser 12595
of the illegally obtained hunting license and the clerk or agent 12596
who issued the hunting license. Any hunting license issued in 12597
violation of this section is void. 12598

The chief, with approval of the wildlife council, shall adopt 12599
rules prescribing a hunter education and conservation course for 12600

first-time hunting license buyers, other than buyers of apprentice 12601
hunting licenses, and for volunteer instructors. The course shall 12602
consist of subjects including, but not limited to, hunter safety 12603
and health, use of hunting implements, hunting tradition and 12604
ethics, the hunter and conservation, the law in section 1533.17 of 12605
the Revised Code along with the penalty for its violation, 12606
including a description of terms of imprisonment and fines that 12607
may be imposed, and other law relating to hunting. Authorized 12608
personnel of the division or volunteer instructors approved by the 12609
chief shall conduct such courses with such frequency and at such 12610
locations throughout the state as to reasonably meet the needs of 12611
license applicants. The chief shall issue a certificate of 12612
completion to each person who successfully completes the course 12613
and passes an examination prescribed by the chief. 12614

Sec. 1541.26. There is hereby created in the state treasury 12615
the parks mineral royalties fund. The fund shall consist of money 12616
deposited into it under section 1509.73 of the Revised Code and 12617
money transferred to it under section 1503.012 of the Revised 12618
Code. Any investment proceeds earned on money in the fund shall be 12619
credited to the fund. 12620

Money in the fund shall be used by the division of parks and 12621
recreation to acquire land and to pay capital costs, including 12622
equipment and repairs and renovations of facilities, that are 12623
owned by the state and administered by the division. Expenditures 12624
from the fund shall be approved by the director of natural 12625
resources. 12626

Sec. 1551.33. (A) The director of development shall appoint 12627
and fix the compensation of the director of the Ohio coal 12628
development office. The director shall serve at the pleasure of 12629
the director of development. 12630

(B) The director of the office shall do all of the following: 12631

(1) Biennially prepare and maintain the Ohio coal development 12632
agenda required under section 1551.34 of the Revised Code; 12633

(2) Propose and support policies for the office consistent 12634
with the Ohio coal development agenda and develop means to 12635
implement the agenda; 12636

(3) Initiate, undertake, and support projects to carry out 12637
the office's purposes and ensure that the projects are consistent 12638
with and meet the selection criteria established by the Ohio coal 12639
development agenda; 12640

(4) Actively encourage joint participation in and, when 12641
feasible, joint funding of the office's projects with governmental 12642
agencies, electric utilities, universities and colleges, other 12643
public or private interests, or any other person; 12644

(5) Establish a table of organization for and employ such 12645
employees and agents as are necessary for the administration and 12646
operation of the office. Any such employees shall be in the 12647
unclassified service and shall serve at the pleasure of the 12648
director of development. 12649

(6) Appoint specified members of and convene the technical 12650
advisory committee established under section 1551.35 of the 12651
Revised Code; 12652

(7) Review, with the assistance of the technical advisory 12653
committee, proposed coal research and development projects as 12654
defined in section 1555.01 of the Revised Code, and coal 12655
development projects, submitted to the office by public utilities 12656
for the purpose of section 4905.304 of the Revised Code. If the 12657
director and the advisory committee determine that any such 12658
facility or project has as its purpose the enhanced use of Ohio 12659
coal in an environmentally acceptable, cost effective manner, 12660
promotes energy conservation, is cost effective, and is 12661

environmentally sound, the director shall submit to the public 12662
utilities commission a report recommending that the commission 12663
allow the recovery of costs associated with the facility or 12664
project under section 4905.304 of the Revised Code and including 12665
the reasons for the recommendation. 12666

(8) Establish such policies, procedures, and guidelines as 12667
are necessary to achieve the office's purposes. 12668

(C) ~~The~~ With the approval of the director of development, the 12669
director of the office may exercise any of the powers and duties 12670
that the director of ~~the office~~ development considers appropriate 12671
or desirable to achieve the office's purposes, including, but not 12672
limited to, the powers and duties enumerated in sections 1551.11, 12673
1551.12, and 1551.15 of the Revised Code. 12674

Additionally, the director of the office may make loans to 12675
governmental agencies or persons for projects to carry out the 12676
office's purposes. Fees, charges, rates of interest, times of 12677
payment of interest and principal, and other terms, conditions, 12678
and provisions of the loans shall be such as the director of the 12679
office determines to be appropriate and in furtherance of the 12680
purposes for which the loans are made. The mortgage lien securing 12681
any moneys lent by the director of the office may be subordinate 12682
to the mortgage lien securing any moneys lent or invested by a 12683
financial institution, but shall be superior to that securing any 12684
moneys lent or expended by any other person. The moneys used in 12685
making the loans shall be disbursed upon order of the director of 12686
the office. 12687

Sec. 1555.02. It is hereby declared to be the public policy 12688
of this state through the operations of the Ohio coal development 12689
office under this chapter to contribute toward one or more of the 12690
following: to provide for the comfort, health, safety, and general 12691
welfare of all employees and other inhabitants of this state 12692

through research and development directed toward the discovery of 12693
new technologies or the demonstration or application of existing 12694
technologies to enable the conversion or use of Ohio coal as a 12695
fuel or chemical feedstock in an environmentally acceptable manner 12696
thereby enhancing the marketability and fostering the use of this 12697
state's vast reserves of coal, to assist in the financing of coal 12698
research and development and coal research and development 12699
projects or facilities for persons doing business in this state 12700
and educational and scientific institutions located in this state, 12701
to create or preserve jobs and employment opportunities or improve 12702
the economic welfare of the people of this state, or to assist and 12703
cooperate with such persons and educational and scientific 12704
institutions in conducting coal research and development. In 12705
furtherance of this public policy, the Ohio coal development 12706
office, with the advice of the technical advisory committee 12707
created in section 1551.35 of the Revised Code and the approval of 12708
the director of development, may make loans, guarantee loans, and 12709
make grants to persons doing business in this state or to 12710
educational or scientific institutions located in this state for 12711
coal research and development projects by such persons or 12712
educational or scientific institutions; may, with the advice of 12713
the technical advisory committee and the approval of the director 12714
of development, request the issuance of coal research and 12715
development general obligations under section 151.07 of the 12716
Revised Code to provide funds for making such loans, loan 12717
guarantees, and grants; and may, with the advice of the technical 12718
advisory committee and the approval of the director of 12719
development, expend moneys credited to the coal research and 12720
development fund created in section 1555.15 of the Revised Code 12721
for the purpose of making such loans, loan guarantees, and grants. 12722
Determinations by the director of the Ohio coal development office 12723
that coal research and development or a coal research and 12724
development facility is a coal research and development project 12725

under this chapter and is consistent with the purposes of Section 12726
15 of Article VIII, Ohio Constitution, and this chapter shall be 12727
conclusive as to the validity and enforceability of the coal 12728
research and development general obligations issued to finance 12729
such project and of the authorizations, trust agreements or 12730
indentures, loan agreements, loan guarantee agreements, or grant 12731
agreements, and other agreements made in connection therewith, all 12732
in accordance with their terms. 12733

Sec. 1555.03. For the purposes of this chapter, the director 12734
of the Ohio coal development office may: 12735

(A) With the advice of the technical advisory committee 12736
created in section 1551.35 of the Revised Code and the approval of 12737
the director of development, make loans, guarantee loans, and make 12738

or scientific institutions located in this state for coal research 12740
and development projects by any such person or educational or 12741
scientific institution and adopt rules under Chapter 119. of the 12742
Revised Code for making such loans, guarantees, and grants. 12743

(B) In making loans, loan guarantees, and grants under 12744
division (A) of this section and section 1555.04 of the Revised 12745
Code, the director of the office shall ensure that an adequate 12746
portion of the total amount of those loans, loan guarantees, and 12747
grants, as determined by the director with the advice of the 12748
technical advisory committee, is used for conducting research on 12749
fundamental scientific problems related to the utilization of Ohio 12750
coal and shall ensure, to the maximum feasible extent, joint 12751
financial participation by the federal government or other 12752
investors or interested parties in conjunction with any such loan, 12753
loan guarantee, or grant. The director, in each grant agreement or 12754
contract under division (A) of this section, loan contract or 12755
agreement under this division or section 1555.04 of the Revised 12756

Code, and contract of guarantee under section 1555.05 of the 12757
Revised Code, shall require that the facility or project be 12758
maintained and kept in good condition and repair by the person or 12759
educational or scientific institution to whom the grant or loan 12760
was made or for whom the guarantee was made. 12761

(C) From time to time, with the advice of the technical 12762
advisory committee and the approval of the director of 12763
development, request the issuance of coal research and development 12764
general obligations under section 151.07 of the Revised Code, for 12765
any of the purposes set forth in Section 15 of Article VIII, Ohio 12766
Constitution, and subject to the limitations therein upon the 12767
aggregate total amount of obligations that may be outstanding at 12768
any time. 12769

(D) Include as a condition of any loan, loan guarantee, or 12770

security and safeguard against losses, including, without 12846
limitation, foreclosure and the bidding upon and purchase of 12847
property upon foreclosure or other sale. 12848

(B) The authority granted by this section is cumulative and 12849
supplementary to all other authority granted in this chapter. The 12850
authority granted by this section does not alter or impair any 12851

similar authority granted elsewhere in this chapter with respect 12852
to other projects. 12853

Sec. 1555.05. (A) Subject to any limitations as to aggregate 12854
amounts thereof that may from time to time be prescribed by the 12855
general assembly and to other applicable provisions of this 12856
chapter, and subject to the one-hundred-million-dollar limitation 12857
provided in Section 15 of Article VIII, Ohio Constitution, the 12858
director of the Ohio coal development office, on behalf of this 12859
state, with the advice of the technical advisory committee created 12860
in section 1551.35 of the Revised Code and the approval of the 12861
director of development, may enter into contracts to guarantee the 12862
repayment or payment of the unpaid principal amount of loans made 12863
to pay the costs of coal research and development projects. 12864

(B) The contract of guarantee may make provision for the 12865
conditions of, time for, and manner of fulfillment of the 12866
guarantee commitment, subrogation of this state to the rights of 12867
the parties guaranteed and exercise of such parties' rights by the 12868
state, giving the state the option of making payment of the 12869
principal amount guaranteed in one or more installments and, if 12870
deferred, to pay interest thereon from the source specified in 12871
division (A) of this section, and any other terms or conditions 12872
customary to such guarantees and as the director of the office may 12873
approve, and may contain provisions for securing the guarantee in 12874
the manner consistent with this section, covenants on behalf of 12875
this state to issue obligations under section 1555.08 of the 12876
Revised Code to provide moneys to fulfill such guarantees and 12877
covenants, and covenants restricting the aggregate amount of 12878
guarantees that may be contracted under this section and 12879
obligations that may be issued under section 151.07 of the Revised 12880
Code, and terms pertinent to either, to better secure the parties 12881
guaranteed. 12882

(C) The director of the office may fix service charges for 12883
making a guarantee. Such charges shall be payable at such times 12884
and place and in such amounts and manner as may be prescribed by 12885
the director. Moneys received from such charges shall be credited 12886
to the coal research and development bond service fund. 12887

(D) Any guaranteed parties under this section, by any 12888
suitable form of legal proceedings and except to the extent that 12889
their rights are restricted by the guarantee documents, may 12890
protect and enforce any rights under the laws of this state or 12891
granted by such guarantee or guarantee documents. Such rights 12892
include the right to compel the performance of all duties of the 12893
office required by this section or the guarantee or guarantee 12894
documents; and in the event of default with respect to the payment 12895
of any guarantees, to apply to a court having jurisdiction of the 12896
cause to appoint a receiver to receive and administer the moneys 12897
pledged to such guarantee with full power to pay, and to provide 12898
for payment of, such guarantee, and with such powers, subject to 12899
the direction of the court, as are accorded receivers in general 12900
equity cases, excluding any power to pledge or apply additional 12901
revenues or receipts or other income or moneys of this state. Each 12902
duty of the office and its director and employees required or 12903
undertaken under this section or a guarantee made under this 12904
section is hereby established as a duty of the office and of its 12905
director and each such employee having authority to perform such 12906
duty, specifically enjoined by the law resulting from an office, 12907
trust, or station within the meaning of section 2731.01 of the 12908
Revised Code. The persons who are at the time the director of the 12909
office, or its employees, are not liable in their personal 12910
capacities on any guarantees or contracts to make guarantees by 12911
the director. 12912

Sec. 1555.06. Upon application by the director of the Ohio 12913
coal development office with the approval of the director of 12914

development, the controlling board, from appropriations available 12915
to the board, may provide funds for surveys or studies by the 12916
office of any proposed coal research and development project 12917
subject to repayment by the office from funds available to it, 12918
within the time fixed by the board. Funds to be repaid shall be 12919
charged by the office to the appropriate coal research and 12920
development project and the amount thereof shall be a cost of the 12921
project. This section does not abrogate the authority of the 12922
controlling board to otherwise provide funds for use by the office 12923
in the exercise of the powers granted to it by this chapter. 12924

Sec. 1571.14. Any person claiming to be aggrieved or 12925
adversely affected by an order of the chief of the division of oil 12926
and gas resources management made as provided in section 1571.10 12927
or 1571.16 of the Revised Code may appeal to the director of 12928
natural resources for an order vacating or modifying such order. 12929
Upon receipt of the appeal, the director shall appoint an 12930
individual who has knowledge of the laws and rules regarding the 12931
underground storage of gas and who shall act as a hearing officer 12932
in accordance with Chapter 119. of the Revised Code in hearing the 12933
appeal. 12934

The person appealing to the director shall be known as 12935
appellant and the chief shall be known as appellee. The appellant 12936
and the appellee shall be deemed parties to the appeal. 12937

The appeal shall be in writing and shall set forth the order 12938
complained of and the grounds upon which the appeal is based. The 12939
appeal shall be filed with the director within thirty days after 12940
the date upon which appellant received notice by registered mail 12941
of the making of the order complained of, as required by section 12942
1571.10 of the Revised Code. Notice of the filing of such appeal 12943
shall be delivered by appellant to the chief within three days 12944
after the appeal is filed with the director. 12945

Within seven days after receipt of the notice of appeal the chief shall prepare and certify to the director at the expense of appellant a complete transcript of the proceedings out of which the appeal arises, including a transcript of the testimony submitted to the chief.

Upon the filing of the appeal the director shall fix the time and place at which the hearing on the appeal will be held, and shall give appellant and the chief at least ten days' written notice thereof by mail. The director may postpone or continue any hearing upon the director's own motion or upon application of appellant or of the chief.

The filing of an appeal provided for in this section does not automatically suspend or stay execution of the order appealed from, but upon application by the appellant the director may suspend or stay such execution pending determination of the appeal upon such terms as the director deems proper.

The hearing officer appointed by the director shall hear the appeal de novo, and either party to the appeal may submit such evidence as the hearing officer deems admissible.

For the purpose of conducting a hearing on an appeal, the hearing officer may require the attendance of witnesses and the production of books, records, and papers, and may, and at the request of any party shall, issue subpoenas for witnesses or subpoenas duces tecum to compel the production of any books, records, or papers, directed to the sheriffs of the counties where such witnesses are found, which subpoenas shall be served and returned in the same manner as subpoenas in criminal cases are served and returned. The fees of sheriffs shall be the same as those allowed by the court of common pleas in criminal cases. Witnesses shall be paid the fees and mileage provided for under section 119.094 of the Revised Code. Such fee and mileage expenses incurred at the request of appellant shall be paid in advance by

appellant, and the remainder of such expenses shall be paid out of 12978
funds appropriated for the expenses of the division of oil and gas 12979
resources management. 12980

In case of disobedience or neglect of any subpoena served on 12981
any person, or the refusal of any witness to testify to any matter 12982
regarding which the witness may be lawfully interrogated, the 12983
court of common pleas of the county in which such disobedience, 12984
neglect, or refusal occurs, or any judge thereof, on application 12985
of the director, shall compel obedience by attachment proceedings 12986
for contempt as in the case of disobedience of the requirements of 12987
a subpoena issued from such court or a refusal to testify therein. 12988
Witnesses at such hearings shall testify under oath, and the 12989
hearing officer may administer oaths or affirmations to persons 12990
who so testify. 12991

At the request of any party to the appeal, a ~~stenographic~~ 12992
record of the testimony and other evidence submitted shall be 12993
taken by an official court ~~shorthand~~ reporter at the expense of 12994
the party making the request ~~therefor~~ for the record. The record 12995
shall include all of the testimony and other evidence and the 12996
rulings on the admissibility thereof presented at the hearing. The 12997
hearing officer shall pass upon the admissibility of evidence, but 12998
any party may at the time object to the admission of any evidence 12999
and except to the ruling of the hearing officer thereon, and if 13000
the hearing officer refuses to admit evidence, the party offering 13001
same may make a proffer thereof, and such proffer shall be made a 13002
part of the record of such hearing. 13003

If upon completion of the hearing the hearing officer finds 13004
that the order appealed from was lawful and reasonable, the 13005
hearing officer shall make a written order affirming the order 13006
appealed from. If the hearing officer finds that such order was 13007
unreasonable or unlawful, the hearing officer shall make a written 13008
order vacating the order appealed from and making the order that 13009

it finds the chief should have made. Every order made by the 13010
hearing officer shall contain a written finding by the hearing 13011
officer of the facts upon which the order is based. Notice of the 13012
making of such order shall be given forthwith to each party to the 13013
appeal by mailing a certified copy thereof to each such party by 13014
registered mail. 13015

Sec. 1707.08. (A) The transactions enumerated in section 13016
1707.06 of the Revised Code may be consummated on compliance with 13017
this section and section 1707.11 of the Revised Code. 13018

(B) A description, verified either by the oath of the 13019
individual filing it or of any individual having knowledge of the 13020
facts, shall be filed with the division of securities by the 13021
issuer, or by a majority of the incorporators of the issuer prior 13022
to election of officers if it is an incorporated issuer, or by a 13023
licensed dealer, which description shall be on forms prescribed by 13024
the division and shall set forth: 13025

(1) The name of the issuer; 13026

(2) A brief description of the securities; 13027

(3) The amount of the securities to be offered after the 13028
filing of the description for sale in this state and, if all the 13029
securities are not to be offered by the person filing the 13030
description, then the respective amounts to be offered by others, 13031
so far as those amounts are known, and the names and addresses of 13032
the other offerors; 13033

(4) A brief statement of the facts which show that the 13034
securities are the subject matter of a transaction enumerated in 13035
section 1707.06 of the Revised Code; 13036

(5) The price at which the securities are to be offered for 13037
sale. 13038

(C) The individual who executes the application for 13039

registration by description on behalf of the applicant shall state 13040
the individual's relationship to the applicant and certify all of 13041
the following: 13042

(1) The individual has executed the application on behalf of 13043
the applicant. 13044

(2) The individual is fully authorized to execute and file 13045
the application on behalf of the applicant. 13046

(3) The individual is familiar with the applicant's 13047
application. 13048

(4) To the best of the individual's knowledge, information, 13049
and belief, the statements made in the application are true, and 13050
the documents submitted with the application are true copies of 13051
the original documents. 13052

(D) A registration by description is effective seven business 13053
days after the division receives the description on applicable 13054
forms, together with a any filing fee ~~of fifty dollars~~ required
under this division, if no proceeding is pending under section 13055
1707.13 or 1707.131 of the Revised Code. However, the division may 13056
permit an earlier effective date by rule or by issuing a 13057
certificate of acknowledgment for the registration by description. 13058
13059

For an offering that exceeds fifty thousand dollars, a filing 13060
fee of fifty dollars shall be submitted with the registration by
description. 13061
13062

(E) In order to correct errors or omissions, a registration 13063
by description may be amended by the person that originally filed 13064
it, by the filing, in the same manner as in the case of an 13065
original registration by description, of an amended registration 13066
by description or of an amendment of the original registration by 13067
description. 13068

(F) When transactions in any securities enumerated in section 13069

1707.06 of the Revised Code have been registered and the fees 13070
prescribed by this section have been paid, the transactions may be 13071
consummated so long as the registration remains in full force. 13072

Sec. 1707.391. When any securities have been sold in reliance 13073
upon division (Q), (W), (X), or (Y) of section 1707.03 of the 13074
Revised Code, section 1707.08 of the Revised Code, or any other 13075
section of this chapter that the division of securities may 13076
specify by rule, but such reliance was improper because the 13077
required filings were not timely or properly made due to excusable 13078
neglect, upon the effective date of an application made to the 13079
division and payment of ~~the required~~ any applicable fee, if 13080
required and not already paid, ~~plus~~ and upon payment of a penalty 13081
fee equal to the greater of the required fee or one hundred 13082
dollars, the sale of the securities shall be deemed exempt, 13083
qualified, or registered, as though timely and properly filed. The 13084
application shall become effective upon the expiration of fourteen 13085
days after the date of the filing in question if prior thereto the 13086
division did not give notice to the applicant that the application 13087
was denied based on a finding of lack of excusable neglect. The 13088
division shall promptly adopt and promulgate rules establishing 13089
provisions defining excusable neglect and otherwise establishing 13090
reasonable standards for determining excusable neglect. 13091

The effectiveness of an application under this section does 13092
not relieve anyone who has, other than for excusable neglect, 13093
violated sections 1707.01 to 1707.45 of the Revised Code, or any 13094
previous law in force at the time of sale, from prosecution 13095
thereunder. 13096

Sec. 1733.47. Whenever the approval of the superintendent of 13097
credit unions is required under this chapter, or under an order or 13098
supervisory action issued or taken under this chapter, for a 13099
person to serve as an organizer, incorporator, director, or 13100

executive officer of a credit union, or to otherwise participate 13101
in the management of a credit union, the superintendent shall 13102
request the superintendent of the bureau of criminal 13103
identification and investigation, or a vendor approved by the 13104
bureau, to conduct a criminal records check based on the person's 13105
fingerprints in accordance with ~~division (A)(14)~~ of section 13106
109.572 of the Revised Code. The superintendent of credit unions 13107
shall request that criminal record information from the federal 13108
bureau of investigation be obtained as part of the criminal 13109
records check. Any fee required under division (C)(3) of section 13110
109.572 of the Revised Code shall be paid by the person who is the 13111
subject of the request. 13112

Sec. 1751.01. As used in this chapter: 13113

(A)(1) "Basic health care services" means the following 13114
services when medically necessary: 13115

(a) Physician's services, except when such services are 13116
supplemental under division (B) of this section; 13117

(b) Inpatient hospital services; 13118

(c) Outpatient medical services; 13119

(d) Emergency health services; 13120

(e) Urgent care services; 13121

(f) Diagnostic laboratory services and diagnostic and 13122
therapeutic radiologic services; 13123

(g) Diagnostic and treatment services, other than 13124
prescription drug services, for biologically based mental 13125
illnesses; 13126

(h) Preventive health care services, including, but not 13127
limited to, voluntary family planning services, infertility 13128
services, periodic physical examinations, prenatal obstetrical 13129

care, and well-child care; 13130

(i) Routine patient care for patients enrolled in an eligible 13131
cancer clinical trial pursuant to section 3923.80 of the Revised 13132
Code. 13133

"Basic health care services" does not include experimental 13134
procedures. 13135

Except as provided by divisions (A)(2) and (3) of this 13136
section in connection with the offering of coverage for diagnostic 13137
and treatment services for biologically based mental illnesses, a 13138
health insuring corporation shall not offer coverage for a health 13139
care service, defined as a basic health care service by this 13140
division, unless it offers coverage for all listed basic health 13141
care services. However, this requirement does not apply to the 13142
coverage of beneficiaries enrolled in medicare pursuant to a 13143
medicare contract, or to the coverage of beneficiaries enrolled in 13144
the federal employee health benefits program pursuant to 5 13145
U.S.C.A. 8905, or to the coverage of medicaid recipients, or to 13146
the coverage of beneficiaries under any federal health care 13147
program regulated by a federal regulatory body, or to the coverage 13148
of beneficiaries under any contract covering officers or employees 13149
of the state that has been entered into by the department of 13150
administrative services. 13151

(2) A health insuring corporation may offer coverage for 13152
diagnostic and treatment services for biologically based mental 13153
illnesses without offering coverage for all other basic health 13154
care services. A health insuring corporation may offer coverage 13155
for diagnostic and treatment services for biologically based 13156
mental illnesses alone or in combination with one or more 13157
supplemental health care services. However, a health insuring 13158
corporation that offers coverage for any other basic health care 13159
service shall offer coverage for diagnostic and treatment services 13160
for biologically based mental illnesses in combination with the 13161

offer of coverage for all other listed basic health care services. 13162

(3) A health insuring corporation that offers coverage for 13163
basic health care services is not required to offer coverage for 13164
diagnostic and treatment services for biologically based mental 13165
illnesses in combination with the offer of coverage for all other 13166
listed basic health care services if all of the following apply: 13167

(a) The health insuring corporation submits documentation 13168
certified by an independent member of the American academy of 13169
actuaries to the superintendent of insurance showing that incurred 13170
claims for diagnostic and treatment services for biologically 13171
based mental illnesses for a period of at least six months 13172
independently caused the health insuring corporation's costs for 13173
claims and administrative expenses for the coverage of basic 13174
health care services to increase by more than one per cent per 13175
year. 13176

(b) The health insuring corporation submits a signed letter 13177
from an independent member of the American academy of actuaries to 13178
the superintendent of insurance opining that the increase in costs 13179
described in division (A)(3)(a) of this section could reasonably 13180
justify an increase of more than one per cent in the annual 13181
premiums or rates charged by the health insuring corporation for 13182
the coverage of basic health care services. 13183

(c) The superintendent of insurance makes the following 13184
determinations from the documentation and opinion submitted 13185
pursuant to divisions (A)(3)(a) and (b) of this section: 13186

(i) Incurred claims for diagnostic and treatment services for 13187
biologically based mental illnesses for a period of at least six 13188
months independently caused the health insuring corporation's 13189
costs for claims and administrative expenses for the coverage of 13190
basic health care services to increase by more than one per cent 13191
per year. 13192

(ii) The increase in costs reasonably justifies an increase 13193
of more than one per cent in the annual premiums or rates charged 13194
by the health insuring corporation for the coverage of basic 13195
health care services. 13196

Any determination made by the superintendent under this 13197
division is subject to Chapter 119. of the Revised Code. 13198

(B)(1) "Supplemental health care services" means any health 13199
care services other than basic health care services that a health 13200
insuring corporation may offer, alone or in combination with 13201
either basic health care services or other supplemental health 13202
care services, and includes: 13203

(a) Services of facilities for intermediate or long-term 13204
care, or both; 13205

(b) Dental care services; 13206

(c) Vision care and optometric services including lenses and 13207
frames; 13208

(a) Except as otherwise provided in division (B)(3)(b) of 14537
this section, the juvenile court shall impose a serious youthful 14538
offender dispositional sentence upon the child under division 14539
(D)(1) of section 2152.13 of the Revised Code. In imposing the 14540
adult portion of that sentence, the juvenile court shall consider 14541
and give preference to the sentence imposed upon the child by the 14542
court in which the child was convicted of or pleaded guilty to the 14543
offense. Upon imposing a serious youthful offender dispositional 14544
sentence upon the child as described in this division, the 14545
juvenile court shall notify the court in which the child was 14546
convicted of or pleaded guilty to the offense, the sentence 14547
imposed upon the child by that court shall terminate, the court 14548
and all other agencies that have any record of the conviction of 14549
the child shall expunge the conviction or guilty plea and all 14550
records of it, the conviction or guilty plea shall be considered 14551
and treated for all purposes other than as provided in this 14552
section to have never occurred, and the conviction or guilty plea 14553
shall be considered and treated for all purposes other than as 14554
provided in this section to have been a delinquent child 14555
adjudication of the child. 14556

(b) Upon the transfer, the prosecuting attorney in the case 14557
may file a motion in the juvenile court that objects to the 14558
imposition of a serious youthful offender dispositional sentence 14559
upon the child and requests that the sentence imposed upon the 14560

child by the court in which the child was convicted of or pleaded 14561
guilty to the offense be invoked. Upon the filing of a motion 14562
under this division, the juvenile court shall hold a hearing to 14563
determine whether the child is not amenable to care or 14564
rehabilitation within the juvenile system and whether the safety 14565
of the community may require that the child be subject solely to 14566
adult sanctions. If the juvenile court at the hearing finds that 14567
the child is not amenable to care or rehabilitation within the 14568
juvenile system or that the safety of the community may require 14569
that the child be subject solely to adult sanctions, the court 14570
shall grant the motion. Absent such a finding, the juvenile court 14571
shall deny the motion. In making its decision under this division, 14572
the juvenile court shall consider the factors listed in division 14573
(D) of section 2152.12 of the Revised Code as factors indicating 14574
that the motion should be granted, shall consider the factors 14575
listed in division (E) of that section as factors indicating that 14576
the motion should not be granted, and shall consider whether the 14577
applicable factors listed in division (D) of that section outweigh 14578
the applicable factors listed in division (E) of that section. 14579

If the juvenile court grants the motion of the prosecuting 14580
attorney under this division, the juvenile court shall transfer 14581
jurisdiction of the case back to the court in which the child was 14582
convicted of or pleaded guilty to the offense, and the sentence 14583
imposed by that court shall be invoked. If the juvenile court 14584
denies the motion of the prosecuting attorney under this section, 14585
the juvenile court shall impose a serious youthful offender 14586
dispositional sentence upon the child in accordance with division 14587
(B)(3)(a) of this section. 14588

(4) If the court in which the child is convicted of or pleads 14589
guilty to the offense determines under division (B)(1) of this 14590
section that, had a complaint been filed in juvenile court 14591
alleging that the child was a delinquent child for committing an 14592

act that would be that offense if committed by an adult, division 14593
(A) of section 2152.12 of the Revised Code would have required 14594
mandatory transfer of the case, the court shall impose sentence 14595
upon the child under Chapter 2929. of the Revised Code. 14596

Sec. 2152.22. (A) When a child is committed to the legal 14597
custody of the department of youth services under this chapter, 14598
the juvenile court relinquishes control with respect to the child 14599
so committed, except as provided in divisions (B), (C), (D), and 14600
(H) of this section or in sections 2152.82 to 2152.86 of the 14601
Revised Code. Subject to divisions (B), (C), and (D) of this 14602
section, sections 2151.353 and 2151.412 to 2151.421 of the Revised 14603
Code, sections 2152.82 to 2152.86 of the Revised Code, and any 14604
other provision of law that specifies a different duration for a 14605
dispositional order, all other dispositional orders made by the 14606
court under this chapter shall be temporary and shall continue for 14607
a period that is designated by the court in its order, until 14608
terminated or modified by the court or until the child attains 14609
twenty-one years of age. 14610

The department shall not release the child from a department 14611
facility and as a result shall not discharge the child or order 14612
the child's release on supervised release prior to the expiration 14613
of the minimum period specified by the court in division (A)(1) of 14614
section 2152.16 of the Revised Code and any term of commitment 14615
imposed under section 2152.17 of the Revised Code or prior to the 14616
child's attainment of twenty-one years of age, except upon the 14617
order of a court pursuant to division (B), (C), or (D) of this 14618
section or in accordance with section 5139.54 of the Revised Code. 14619

(B)(1) The Unless the court grants judicial release under 14620
division (D)(1)(b) of this section, the court that commits a 14621
delinquent child to the department of youth services may grant 14622
judicial release of the child to court supervision under this 14623

division during the first half of the prescribed minimum term for 14624
which the child was committed to the department or, if the child 14625
was committed to the department until the child attains twenty-one 14626
years of age, during the first half of the prescribed period of 14627
commitment that begins on the first day of commitment and ends on 14628
the child's twenty-first birthday, provided any commitment imposed 14629
under division (A), (B), (C), or (D) of section 2152.17 of the 14630
Revised Code has ended. 14631

(2) If the department desires to release a child during a 14632
period specified in division (B)(1) of this section, it shall 14633
request the court that committed the child to grant a judicial 14634
release of the child to court supervision under this division. 14635
During whichever of those periods is applicable, the child or the 14636
parents of the child also may request that court to grant a 14637
judicial release of the child to court supervision. Upon receipt 14638
of a request for a judicial release to court supervision under 14639
this division from the department, the child, or the child's 14640
parent, or upon its own motion, the court that committed the child 14641
shall do one of the following: approve the release by journal 14642
entry; schedule within thirty days after the request is received a 14643
time for a hearing on whether the child is to be released; or 14644
reject the request by journal entry without conducting a hearing. 14645

If the court rejects an initial request for a release under 14646
this division by the child or the child's parent, the child or the 14647
child's parent may make one additional request for a judicial 14648
release to court supervision within the applicable period. The 14649
additional request may be made no earlier than thirty days after 14650
the filing of the prior request for a judicial release to court 14651
supervision. Upon the filing of a second request for a judicial 14652
release to court supervision, the court shall either approve or 14653
disapprove the release by journal entry or schedule within thirty 14654
days after the request is received a time for a hearing on whether 14655

the child is to be released. 14656

(3) If a court schedules a hearing under division (B)(2) of 14657
this section, it may order the department to deliver the child to 14658
the court on the date set for the hearing and may order the 14659
department to present to the court a report on the child's 14660
progress in the institution to which the child was committed and 14661
recommendations for conditions of supervision of the child by the 14662
court after release. The court may conduct the hearing without the 14663
child being present. The court shall determine at the hearing 14664
whether the child should be granted a judicial release to court 14665
supervision. 14666

If the court approves the release under this division, it 14667
shall order its staff to prepare a written treatment and 14668
rehabilitation plan for the child that may include any conditions 14669
of the child's release that were recommended by the department and 14670
approved by the court. The committing court shall send the 14671
juvenile court of the county in which the child is placed a copy 14672
of the recommended plan. The court of the county in which the 14673
child is placed may adopt the recommended conditions set by the 14674
committing court as an order of the court and may add any 14675
additional consistent conditions it considers appropriate. If a 14676
child is granted a judicial release to court supervision, the 14677
release discharges the child from the custody of the department of 14678
youth services. 14679

(C)(1) The Unless the court grants judicial release under 14680
division (D)(1)(b) of this section, the court that commits a 14681
delinquent child to the department of youth services may grant 14682
judicial release of the child to department of youth services 14683
supervision under this division during the second half of the 14684
prescribed minimum term for which the child was committed to the 14685
department or, if the child was committed to the department until 14686
the child attains twenty-one years of age, during the second half 14687

of the prescribed period of commitment that begins on the first 14688
day of commitment and ends on the child's twenty-first birthday, 14689
provided any commitment imposed under division (A), (B), (C), or 14690
(D) of section 2152.17 of the Revised Code has ended. 14691

(2) If the department desires to release a child during a 14692
period specified in division (C)(1) of this section, it shall 14693
request the court that committed the child to grant a judicial 14694
release to department of youth services supervision. During 14695
whichever of those periods is applicable, the child or the child's 14696
parent also may request the court that committed the child to 14697
grant a judicial release to department of youth services 14698
supervision. Upon receipt of a request for judicial release to 14699
department of youth services supervision, the child, or the 14700
child's parent, or upon its own motion at any time during that 14701
period, the court shall do one of the following: approve the 14702
release by journal entry; schedule a time within thirty days after 14703
receipt of the request for a hearing on whether the child is to be 14704
released; or reject the request by journal entry without 14705
conducting a hearing. 14706

If the court rejects an initial request for release under 14707
this division by the child or the child's parent, the child or the 14708
child's parent may make one or more subsequent requests for a 14709
release within the applicable period, but may make no more than 14710
one request during each period of ninety days that the child is in 14711
a secure department facility after the filing of a prior request 14712
for early release. Upon the filing of a request for release under 14713
this division subsequent to an initial request, the court shall 14714
either approve or disapprove the release by journal entry or 14715
schedule a time within thirty days after receipt of the request 14716
for a hearing on whether the child is to be released. 14717

(3) If a court schedules a hearing under division (C)(2) of 14718
this section, it may order the department to deliver the child to 14719

the court on the date set for the hearing and shall order the 14720
department to present to the court at that time a treatment plan 14721
for the child's post-institutional care. The court may conduct the 14722
hearing without the child being present. The court shall determine 14723
at the hearing whether the child should be granted a judicial 14724
release to department of youth services supervision. 14725

If the court approves the judicial release to department of 14726
youth services supervision, the department shall prepare a written 14727
treatment and rehabilitation plan for the child pursuant to 14728
division (F) of this section that shall include the conditions of 14729
the child's release. It shall send the committing court and the 14730
juvenile court of the county in which the child is placed a copy 14731
of the plan. The court of the county in which the child is placed 14732
may adopt the conditions set by the department as an order of the 14733
court and may add any additional consistent conditions it 14734
considers appropriate, provided that the court may not add any 14735
condition that decreases the level or degree of supervision 14736
specified by the department in its plan, that substantially 14737
increases the financial burden of supervision that will be 14738
experienced by the department, or that alters the placement 14739
specified by the department in its plan. If the court of the 14740
county in which the child is placed adds to the department's plan 14741
any additional conditions, it shall enter those additional 14742
conditions in its journal and shall send to the department a copy 14743
of the journal entry of the additional conditions. 14744

If the court approves the judicial release to department of 14745
youth services supervision, the actual date on which the 14746
department shall release the child is contingent upon the 14747
department finding a suitable placement for the child. If the 14748
child is to be returned to the child's home, the department shall 14749
return the child on the date that the court schedules for the 14750
child's release or shall bear the expense of any additional time 14751

that the child remains in a department facility. If the child is 14752
unable to return to the child's home, the department shall 14753
exercise reasonable diligence in finding a suitable placement for 14754
the child, and the child shall remain in a department facility 14755
while the department finds the suitable placement. 14756

(D)(1) Subject to division (D)(3) of this section, the court 14757
that commits a delinquent child to the department of youth 14758
services may grant judicial release of the child under this 14759
division at any time after the expiration of one of the following 14760
periods of time: 14761

(a) Except as otherwise provided in division (D)(1)(b) of 14762
this section, if the child was committed to the department for a 14763
prescribed minimum period and a maximum period not to exceed the 14764
child's attainment of twenty-one years, the court may grant 14765
judicial release of the child at any time after the expiration of 14766
the prescribed minimum term for which the child was committed to 14767
the department. 14768

(b) If the child was committed to the department for both one 14769
or more definite periods under division (A), (B), (C), or (D) of 14770
section 2152.17 of the Revised Code and a period of the type 14771
described in division (D)(1)(a) of this section, all of the 14772
prescribed minimum periods of commitment imposed under division 14773
(A), (B), (C), or (D) of section 2152.17 of the Revised Code and 14774
the prescribed period of commitment of the type described in 14775
division (D)(1)(a) of this section shall be aggregated for 14776
purposes of this division, and the court may grant judicial 14777
release of the child at any time after the expiration of one year 14778
after the child begins serving the aggregate period of commitment. 14779

(2) If a court grants a judicial release of a child under 14780
division (D)(1) of this section, the release shall be a judicial 14781
release to department of youth services supervision, if the 14782
release is granted during a period described in division (C)(1) of 14783

this section, and the second and third paragraphs of division 14784
(C)(3) of this section apply regarding the release. In all other 14785
cases, the release shall be a judicial release to court 14786
supervision, and the second paragraph of division (B)(3) of this 14787
section applies regarding the release. 14788

(3) A court at the time of making the disposition of a child 14789
shall provide notice in the order of disposition that the judge is 14790
retaining jurisdiction over the child for the purpose of a 14791
possible grant of judicial release of the child under division 14792
(D)(1) of this section. The failure of a court to provide this 14793
notice does not affect the authority of the court to grant a 14794
judicial release under that division and does not constitute 14795
grounds for setting aside the child's delinquent child 14796
adjudication or disposition or for granting any post-adjudication 14797
relief to the child. 14798

(4) The department of youth services, a child committed to 14799
the department, or the parents of the child, during a period 14800
specified in division (D)(1) of this section, may request the 14801
court that committed the child to grant a judicial release of the 14802
child under that division. Upon receipt of a request for judicial 14803
release of a child under this division from the department, the 14804
child, or the child's parent, or upon its own motion, the court 14805
that committed the child shall do one of the following: 14806

(a) Approve the request by journal entry; 14807

(b) Schedule within thirty days after the request is received 14808
a time for a hearing on whether the child is to be released; 14809

(c) Reject the request by journal entry without conducting a 14810
hearing. 14811

If the court rejects an initial request for a release under 14812
this division by the child or the child's parent, division (C)(2) 14813
of this section applies regarding the making of additional 14814

requests. 14815

If the court schedules a hearing under this division to 14816
consider the judicial release, the first paragraph of division 14817
(B)(3) of this section applies regarding the hearing. 14818

(E) If a child is released under division (B), (C), or (D) of 14819
this section and the court of the county in which the child is 14820
placed has reason to believe that the child's department is not in 14821
accordance with the conditions of the child's judicial release, 14822
the court of the county in which the child is placed shall 14823
schedule a time for a hearing to determine whether the child 14824
violated any of the post-release conditions, and, if the child was 14825
released under division (C) of this section or under division (D) 14826
of this section under department supervision, divisions (A) to (E) 14827
of section 5139.52 of the Revised Code apply regarding the child. 14828

If that court determines at the hearing that the child 14829
violated any of the post-release conditions, the court, if it 14830
determines that the violation was a serious violation, may order 14831
the child to be returned to the department for 14832
institutionalization, consistent with the original order of 14833
commitment of the child, or in any case may make any other 14834
disposition of the child authorized by law that the court 14835
considers proper. If the court of the county in which the child is 14836
placed orders the child to be returned to a department of youth 14837
services institution, the time during which the child was held in 14838
a secure department facility prior to the child's judicial release 14839
shall be considered as time served in fulfilling the prescribed 14840
period of institutionalization that is applicable to the child 14841
under the child's original order of commitment. If the court 14842
orders the child returned to a department institution, the child 14843
shall remain in institutional care for a minimum of three months 14844
or until the child successfully completes a revocation program of 14845
a duration of not less than thirty days operated either by the 14846

department or by an entity with which the department has 14847
contracted to provide a revocation program. 14848

(F) The department of youth services, prior to the release of 14849
a child pursuant to division (C) of this section or pursuant to 14850
division (D) of this section on department supervision, shall do 14851
all of the following: 14852

(1) After reviewing the child's rehabilitative progress 14853
history and medical and educational records, prepare a written 14854
treatment and rehabilitation plan for the child that includes 14855
conditions of the release; 14856

(2) Completely discuss the conditions of the plan prepared 14857
pursuant to division (F)(1) of this section and the possible 14858
penalties for violation of the plan with the child and the child's 14859
parents, guardian, or legal custodian; 14860

(3) Have the plan prepared pursuant to division (F)(1) of 14861
this section signed by the child, the child's parents, legal 14862
guardian, or custodian, and any authority or person that is to 14863
supervise, control, and provide supportive assistance to the child 14864
at the time of the child's release pursuant to division (C) or (D) 14865
of this section; 14866

(4) Prior to the child's release, file a copy of the 14867
treatment plan prepared pursuant to division (F)(1) of this 14868
section with the committing court and the juvenile court of the 14869
county in which the child is to be placed. 14870

(G) The department of youth services shall file a written 14871
progress report with the committing court regarding each child 14872
released pursuant to division (C) of this section or released 14873
pursuant to division (D) of this section on judicial release to 14874
department supervision at least once every thirty days unless 14875
specifically directed otherwise by the court. The report shall 14876
indicate the treatment and rehabilitative progress of the child 14877

and the child's family, if applicable, and shall include any 14878
suggestions for altering the program, custody, living 14879
arrangements, or treatment. The department shall retain legal 14880
custody of a child so released until it discharges the child or 14881
until the custody is terminated as otherwise provided by law. 14882

(H) When a child is committed to the legal custody of the 14883
department of youth services, the court retains jurisdiction to 14884
perform the functions specified in section 5139.51 of the Revised 14885
Code with respect to the granting of supervised release by the 14886
release authority and to perform the functions specified in 14887
section 5139.52 of the Revised Code with respect to violations of 14888
the conditions of supervised release granted by the release 14889
authority and to the revocation of supervised release granted by 14890
the release authority. 14891

Sec. 2301.03. (A) In Franklin county, the judges of the court 14892
of common pleas whose terms begin on January 1, 1953, January 2, 14893
1953, January 5, 1969, January 5, 1977, and January 2, 1997, and 14894
successors, shall have the same qualifications, exercise the same 14895
powers and jurisdiction, and receive the same compensation as 14896
other judges of the court of common pleas of Franklin county and 14897
shall be elected and designated as judges of the court of common 14898
pleas, division of domestic relations. They shall have all the 14899
powers relating to juvenile courts, and all cases under Chapters 14900
2151. and 2152. of the Revised Code, all parentage proceedings 14901
under Chapter 3111. of the Revised Code over which the juvenile 14902
court has jurisdiction, and all divorce, dissolution of marriage, 14903
legal separation, and annulment cases shall be assigned to them. 14904
In addition to the judge's regular duties, the judge who is senior 14905
in point of service shall serve on the children services board and 14906
the county advisory board and shall be the administrator of the 14907
domestic relations division and its subdivisions and departments. 14908
14909

(B) In Hamilton county: 14910

(1) The judge of the court of common pleas, whose term begins 14911
on January 1, 1957, and successors, and the judge of the court of 14912
common pleas, whose term begins on February 14, 1967, and 14913
successors, shall be the juvenile judges as provided in Chapters 14914
2151. and 2152. of the Revised Code, with the powers and 14915
jurisdiction conferred by those chapters. 14916

(2) The judges of the court of common pleas whose terms begin 14917
on January 5, 1957, January 16, 1981, and July 1, 1991, and 14918
successors, shall be elected and designated as judges of the court 14919
of common pleas, division of domestic relations, and shall have 14920
assigned to them all divorce, dissolution of marriage, legal 14921
separation, and annulment cases coming before the court. On or 14922
after the first day of July and before the first day of August of 14923
1991 and each year thereafter, a majority of the judges of the 14924
division of domestic relations shall elect one of the judges of 14925
the division as administrative judge of that division. If a 14926
majority of the judges of the division of domestic relations are 14927
unable for any reason to elect an administrative judge for the 14928
division before the first day of August, a majority of the judges 14929
of the Hamilton county court of common pleas, as soon as possible 14930
after that date, shall elect one of the judges of the division of 14931
domestic relations as administrative judge of that division. The 14932
term of the administrative judge shall begin on the earlier of the 14933
first day of August of the year in which the administrative judge 14934
is elected or the date on which the administrative judge is 14935
elected by a majority of the judges of the Hamilton county court 14936
of common pleas and shall terminate on the date on which the 14937

Sec. 2307.89. The following apply to all tort actions for silicosis or mixed dust disease claims brought against a premises owner to recover damages or other relief for exposure to silica or mixed dust on the premises owner's property:

(A) A premises owner is not liable for any injury to any individual resulting from silica or mixed dust exposure unless that individual's alleged exposure occurred while the individual was at the premises owner's property.

(B) If exposure to silica or mixed dust is alleged to have occurred before January 1, 1972, it is presumed that a premises owner knew that this state had adopted safe levels of exposure for silica or mixed dust and that products containing silica or mixed dust were used on its property only at levels below those safe levels of exposure. To rebut this presumption, the plaintiff must prove by a preponderance of the evidence that the premises owner knew or should have known that the levels of silica or mixed dust in the immediate breathing zone of the plaintiff regularly exceeded the threshold limit values adopted by this state and that the premises owner allowed that condition to persist.

(C)(1) A premises owner is presumed to be not liable for any injury to any invitee who was engaged to work with, install, or remove products containing silica or mixed dust on the premises owner's property if the invitee's employer held itself out as

qualified to perform the work. To rebut this presumption, the plaintiff must demonstrate by a preponderance of the evidence that the premises owner had actual knowledge of the potential dangers of the products containing silica or mixed dust at the time of the alleged exposure that was superior to the knowledge of both the invitee and the invitee's employer.

(2) A premises owner that hired a contractor before January 1, 1972, to perform the type of work at the premises owner's property that the contractor was qualified to perform cannot be liable for any injury to any individual resulting from silica or mixed dust exposure caused by any of the contractor's employees or agents on the premises owner's property unless the premises owner directed the activity that resulted in the injury or gave or denied permission for the critical acts that led to the individual's injury.

(3) If exposure to silica or mixed dust is alleged to have occurred after January 1, 1972, a premises owner is not liable for any injury to any individual resulting from that exposure caused by a contractor's employee or agent on the premises owner's property unless the plaintiff establishes the premises owner's intentional violation of an established safety standard that was in effect at the time of the exposure and that the alleged violation was in the plaintiff's breathing zone and was the proximate cause of the plaintiff's medical condition.

(D) As used in this section:

(1) "Threshold limit values" means the maximum allowable concentration of silica, or other dust, set forth in regulation 247 of the "regulations for the prevention and control of diseases resulting from exposure to toxic fumes, vapors, mists, gases, and dusts in order to preserve and protect the public health," as adopted by the former public health council of the department of health on January 1, 1947, and set forth by the industrial

commission of Ohio in bulletin no. 203, "specific requirements and 16628
general safety standards of the industrial commission of Ohio for 16629

(2) "Established safety standard" means that, for the years 16632
after 1971, the concentration of silica or mixed dust in the 16633
breathing zone of the worker does not exceed the maximum allowable 16634
exposure limits for the eight-hour time-weighted average airborne 16635
concentration as promulgated by the occupational safety and health 16636
administration (OSHA) in effect at the time of the alleged 16637
exposure. 16638

provides construction services pursuant to a construction 16640
contract, as defined in section 4123.79 of the Revised Code, or a 16641

special project. Moneys from a fund of that nature shall be 17519
disbursed upon an order of the court in an amount no greater than 17520
the actual cost to the court of a project. If a specific fund is 17521
terminated because of the discontinuance of a program or service 17522
established under division (B) of this section, the court may 17523
order that moneys remaining in the fund be transferred to an 17524
account established under this division for a similar purpose. 17525

Sec. 2501.17. Each officer and employee of a court of appeals 17526
appointed under section 2501.16 of the Revised Code shall receive 17527
the compensation that is fixed by the court of appeals and payable 17528
from the state treasury upon the certificate of the presiding or 17529
administrative judge of the district in which the officer or 17530
employee serves. The additional amount of compensation that the 17531
clerk of the court of common pleas receives for acting as the 17532
clerk of the court of appeals in ~~his~~ the clerk's county and 17533
assuming the duties of that office and that is equal to one-eighth 17534
of the annual compensation that ~~he~~ the clerk receives pursuant to 17535
sections 325.08 and 325.18 of the Revised Code for being the clerk 17536
of the court of common pleas is payable from the state treasury 17537
upon the certificate of the presiding or administrative judge of 17538
the district in which the clerk serves. 17539

~~Shorthand reporters~~ Reporters may receive additional 17540
compensation for transcripts of evidence, the fee for the 17541
transcripts to be fixed by the judges of the court of appeals and 17542
paid and collected in the same manner as the fees for transcripts 17543
furnished by official ~~shorthand~~ reporters of the court of common 17544
pleas under section 2301.24 of the Revised Code. ~~Shorthand~~ 17545
~~reporters~~ Reporters appointed for a term of less than one year 17546
shall receive a per diem compensation of not less than thirty 17547
dollars per day. All ~~shorthand~~ reporters shall receive their 17548

other than that in which they reside, to be paid as provided by 17550
section ~~2301.24~~ 2301.22 of the Revised Code. 17551

Sec. 2743.01. As used in this chapter: 17552

(A) ~~"State"~~ Subject to sections 2743.021 and 2743.022 of the 17553
Revised Code, "state" means the state of Ohio, including, but not 17554
limited to, the general assembly, the supreme court, the offices 17555
of all elected state officers, and all departments, boards, 17556

offices, commissions, agencies, institutions, and other 17557
instrumentalities of the state. "State" does not include political 17558
subdivisions. 17559

(B) "Political subdivisions" means municipal corporations, 17560
townships, counties, school districts, and all other bodies 17561
corporate and politic responsible for governmental activities only 17562
in geographic areas smaller than that of the state to which the 17563
sovereign immunity of the state attaches. 17564

(C) "Claim for an award of reparations" or "claim" means a 17565
claim for an award of reparations made under sections 2743.51 to 17566
2743.72 of the Revised Code. 17567

(D) "Award of reparations" or "award" means an award made 17568
under sections 2743.51 to 2743.72 of the Revised Code. 17569

(E)(1) "Public duty" includes, but is not limited to, any 17570
statutory, regulatory, or assumed duty concerning any action or 17571
omission of the state involving any of the following: 17572

(a) Permitting, certifying, licensing, inspecting, 17573
investigating, supervising, regulating, auditing, monitoring, law 17574
enforcement, or emergency response activity; 17575

(b) Supervising, rehabilitating, or liquidating corporations 17576
or other business entities. 17577

(2) "Public duty" does not include any action of the state 17578
under circumstances in which a special relationship can be 17579
established between the state and an injured party as provided in 17580
division (A)(3) of section 2743.02 of the Revised Code. 17581

Sec. 2743.02. (A)(1) The state hereby waives its immunity 17582
from liability, except as provided for the office of the state 17583
fire marshal in division (G)(1) of section 9.60 and division (B) 17584
of section 3737.221 of the Revised Code and subject to division 17585
(H) of this section, and consents to be sued, and have its 17586

liability determined, in the court of claims created in this 17587
chapter in accordance with the same rules of law applicable to 17588
suits between private parties, except that the determination of 17589
liability is subject to the limitations set forth in this chapter 17590
and, in the case of state universities or colleges, in section 17591
3345.40 of the Revised Code, except that the determination of 17592
liability of the department of transportation is subject to 17593
sections 2743.021 and 2743.022 of the Revised Code, and except as 17594
provided in division (A)(2) or (3) of this section. To the extent 17595
that the state has previously consented to be sued, this chapter 17596
has no applicability. 17597

Except in the case of a civil action filed by the state, 17598
filing a civil action in the court of claims results in a complete 17599
waiver of any cause of action, based on the same act or omission, 17600
~~which that~~ the filing party has against any officer or employee, 17601
as defined in section 109.36 of the Revised Code. The waiver shall 17602
be void if the court determines that the act or omission was 17603
manifestly outside the scope of the officer's or employee's office 17604
or employment or that the officer or employee acted with malicious 17605
purpose, in bad faith, or in a wanton or reckless manner. 17606

(2) If a claimant proves in the court of claims that an 17607
officer or employee, as defined in section 109.36 of the Revised 17608
Code, would have personal liability for the officer's or 17609
employee's acts or omissions but for the fact that the officer or 17610
employee has personal immunity under section 9.86 of the Revised 17611
Code, the state shall be held liable in the court of claims in any 17612
action that is timely filed pursuant to section 2743.16 of the 17613
Revised Code and that is based upon the acts or omissions. 17614

(3)(a) Except as provided in division (A)(3)(b) of this 17615
section, the state is immune from liability in any civil action or 17616
proceeding involving the performance or nonperformance of a public 17617
duty, including the performance or nonperformance of a public duty 17618

that is owed by the state in relation to any action of an 17619
individual who is committed to the custody of the state. 17620

(b) The state immunity provided in division (A)(3)(a) of this 17621
section does not apply to any action of the state under 17622
circumstances in which a special relationship can be established 17623
between the state and an injured party. A special relationship 17624
under this division is demonstrated if all of the following 17625
elements exist: 17626

(i) An assumption by the state, by means of promises or 17627
actions, of an affirmative duty to act on behalf of the party who 17628
was allegedly injured; 17629

(ii) Knowledge on the part of the state's agents that 17630
inaction of the state could lead to harm; 17631

(iii) Some form of direct contact between the state's agents 17632
and the injured party; 17633

(iv) The injured party's justifiable reliance on the state's 17634
affirmative undertaking. 17635

(B) The state hereby waives the immunity from liability of 17636
all hospitals owned or operated by one or more political 17637
subdivisions and consents for them to be sued, and to have their 17638
liability determined, in the court of common pleas, in accordance 17639
with the same rules of law applicable to suits between private 17640
parties, subject to the limitations set forth in this chapter. 17641
This division is also applicable to hospitals owned or operated by 17642
political subdivisions ~~which~~ that have been determined by the 17643
supreme court to be subject to suit prior to July 28, 1975. 17644

(C) Any hospital, as defined in section 2305.113 of the 17645
Revised Code, may purchase liability insurance covering its 17646
operations and activities and its agents, employees, nurses, 17647
interns, residents, staff, and members of the governing board and 17648
committees, and, whether or not such insurance is purchased, may, 17649

to ~~such the~~ extent ~~as that~~ its governing board considers 17650
appropriate, indemnify or agree to indemnify and hold harmless any 17651
such person against expense, including attorney's fees, damage, 17652
loss, or other liability arising out of, or claimed to have arisen 17653
out of, the death, disease, or injury of any person as a result of 17654
the negligence, malpractice, or other action or inaction of the 17655
indemnified person while acting within the scope of the 17656
indemnified person's duties or engaged in activities at the 17657
request or direction, or for the benefit, of the hospital. Any 17658
hospital electing to indemnify ~~such those~~ persons, or to agree to 17659
so indemnify, shall reserve ~~such any~~ funds ~~as that~~ are necessary, 17660
in the exercise of sound and prudent actuarial judgment, to cover 17661
the potential expense, fees, damage, loss, or other liability. The 17662
superintendent of insurance may recommend, or, if ~~such the~~ 17663
hospital requests the superintendent to do so, the superintendent 17664
shall recommend, a specific amount for any period that, in the 17665
superintendent's opinion, represents such a judgment. This 17666
authority is in addition to any authorization otherwise provided 17667
or permitted by law. 17668

(D) Recoveries against the state shall be reduced by the 17669
aggregate of insurance proceeds, disability award, or other 17670
collateral recovery received by the claimant. This division does 17671
not apply to civil actions in the court of claims against a state 17672
university or college under the circumstances described in section 17673
3345.40 of the Revised Code. The collateral benefits provisions of 17674
division (B)(2) of that section apply under those circumstances. 17675

(E) The only defendant in original actions in the court of 17676
claims is the state. The state may file a third-party complaint or 17677
counterclaim in any civil action, except a civil action for ~~two~~ 17678
~~ten~~ thousand ~~five hundred~~ dollars or less, that is filed in the 17679
court of claims. 17680

(F) A civil action against an officer or employee, as defined 17681

in section 109.36 of the Revised Code, that alleges that the 17682
officer's or employee's conduct was manifestly outside the scope 17683
of the officer's or employee's employment or official 17684
responsibilities, or that the officer or employee acted with 17685
malicious purpose, in bad faith, or in a wanton or reckless manner 17686
shall first be filed against the state in the court of claims, 17687
~~which that~~ has exclusive, original jurisdiction to determine, 17688
initially, whether the officer or employee is entitled to personal 17689
immunity under section 9.86 of the Revised Code and whether the 17690
courts of common pleas have jurisdiction over the civil action. 17691
The officer or employee may participate in the immunity 17692
determination proceeding before the court of claims to determine 17693
whether the officer or employee is entitled to personal immunity 17694
under section 9.86 of the Revised Code. 17695

The filing of a claim against an officer or employee under 17696
this division tolls the running of the applicable statute of 17697
limitations until the court of claims determines whether the 17698
officer or employee is entitled to personal immunity under section 17699
9.86 of the Revised Code. 17700

(G) ~~Whenever~~ If a claim lies against an officer or employee 17701
who is a member of the Ohio national guard, and the officer or 17702
employee was, at the time of the act or omission complained of, 17703
subject to the "Federal Tort Claims Act," 60 Stat. 842 (1946), 28 17704
U.S.C. 2671, et seq., ~~then~~ the Federal Tort Claims Act is the 17705
exclusive remedy of the claimant and the state has no liability 17706
under this section. 17707

(H) If an inmate of a state correctional institution has a 17708
claim against the state for the loss of or damage to property and 17709
the amount claimed does not exceed three hundred dollars, before 17710
commencing an action against the state in the court of claims, the 17711
inmate shall file a claim for the loss or damage under the rules 17712
adopted by the director of rehabilitation and correction pursuant 17713

to this division. The inmate shall file the claim within the time 17714
allowed for commencement of a civil action under section 2743.16 17715
of the Revised Code. If the state admits or compromises the claim, 17716
the director shall make payment from a fund designated by the 17717
director for that purpose. If the state denies the claim or does 17718
not compromise the claim at least sixty days prior to expiration 17719
of the time allowed for commencement of a civil action based upon 17720
the loss or damage under section 2743.16 of the Revised Code, the 17721
inmate may commence an action in the court of claims under this 17722
chapter to recover damages for the loss or damage. 17723

The director of rehabilitation and correction shall adopt 17724
rules pursuant to Chapter 119. of the Revised Code to implement 17725
this division. 17726

obligation of sovereignty and is performed by the department of 17733
transportation voluntarily or pursuant to legislative requirement; 17734

of the state; 17736

(b) "Governmental function" includes, but is not limited to, 17741
the following functions insofar as they are within the 17742
jurisdiction of the department of transportation: 17743

<u>(i) The provision or nonprovision of roadway services;</u>	17744

17778
17779
17780
17781
17782

(2) "Proprietary function" means a function of the department of transportation that satisfies both of the following: 17783
17784

(a) The function is not one described in division (A)(1)(a)(i) or (ii) of this section and is not one specified in division (A)(1)(b) of this section; 17785
17786
17787

(b) The function is one that promotes or preserves the public peace, health, safety, or welfare and that involves activities that are customarily engaged in by nongovernmental persons. 17788
17789
17790

(B)(1) Notwithstanding any provision in this chapter, the liability of the department of transportation for damages in a civil action for injury, death, or loss to person or property allegedly caused by any act or omission of the department of transportation or of any of its officers or employees in connection with a governmental or proprietary function shall be determined in accordance with this section and section 2743.022 of the Revised Code. 17791
17792
17793
17794
17795
17796
17797
17798

(2) Except as provided in division (C) of this section, the department of transportation is not liable in damages in a civil action for injury, death, or loss to person or property allegedly caused by any act or omission of the department of transportation or of any of its officers or employees in connection with a governmental or proprietary function. 17799
17800
17801
17802
17803
17804

(C) Subject to section 2743.022 of the Revised Code, the 17805
department of transportation is liable in damages in a civil 17806
action for injury, death, or loss to person or property shown to 17807
be caused by a preponderance of the evidence by any act or 17808
omission of the department of transportation or of any of its 17809
officers or employees in connection with a governmental or 17810
proprietary function, as follows: 17811

(1) The department of transportation is liable for injury, 17812
death, or loss to person or property caused by the negligent 17813
operation of any motor vehicle by any of its officers or employees 17814
while the officer or employee is engaged within the officer's or 17815
employee's scope of employment and authority. 17816

(2) The department of transportation is liable for injury, 17817
death, or loss to person or property caused by the negligent 17818
performance of acts by any of its officers or employees with 17819
respect to proprietary functions of the department of 17820
transportation. 17821

(3)(a) The department of transportation is liable for injury, 17822
death, or loss to person or property caused by its negligent 17823
failure to keep roads or highways under the jurisdiction of the 17824
department in repair and other negligent failure to remove 17825
obstructions from roads or highways under the jurisdiction of the 17826
department. 17827

(b) As used in division (C)(3)(a) of this section, "road" and 17828
"highway" have the same meanings as in section 5501.01 of the 17829
Revised Code but do not include berms, shoulders, rights-of-way, 17830
or traffic control devices unless the traffic control devices are 17831
mandated by the Ohio manual of uniform traffic control devices. 17832

(4) The department of transportation is liable for injury, 17833
death, or loss to person or property that is caused by the 17834
negligence of any of its officers or employees and that occurs 17835

within or on the grounds of, and is due to patent physical defects 17836
within or on the grounds of, buildings that are used in connection 17837
with the performance of a governmental function of the department 17838
of transportation. 17839

(5) In addition to the circumstances described in divisions 17840
(C)(1) to (4) of this section, the department of transportation is 17841
liable for injury, death, or loss to person or property when civil 17842
liability is expressly imposed upon the department of 17843
transportation by a section of the Revised Code. Civil liability 17844
shall not be construed to exist under another section of the 17845
Revised Code merely because that section imposes a responsibility 17846
or mandatory duty upon the department of transportation, because 17847
that section provides for a criminal penalty, because of a general 17848
authorization in that section that the department of 17849
transportation may sue and be sued, or because that section uses 17850
the term "shall" in a provision pertaining to the department of 17851
transportation. 17852

Sec. 2743.022. (A) In a civil action brought against the 17853
department of transportation or an officer or employee of the 17854
department to recover damages for injury, death, or loss to person 17855
or property allegedly caused by any act or omission in connection 17856
with a governmental or proprietary function, the following 17857
defenses or immunities may be asserted to establish nonliability: 17858

(1) The department is immune from liability if the officer or 17859
employee involved was engaged in the performance of a 17860
quasi-judicial, prosecutorial, or quasi-legislative function. 17861

(2) The department is immune from liability if the conduct of 17862
the officer or employee involved, other than negligent conduct, 17863
that gave rise to the claim of liability was required by law or 17864
authorized by law, or if the conduct of the officer or employee 17865
involved that gave rise to the claim of liability was necessary or 17866

essential to the exercise of the powers of the department or the officer or employee. 17867
17868

(3) The department is immune from liability if the action or failure to act by the officer or employee involved that gave rise to the claim of liability was within the discretion of the officer or employee with respect to policy-making, planning, or enforcement powers by virtue of the duties and responsibilities of the office or position of the officer or employee. 17869
17870
17871
17872
17873
17874

(4) The department is immune from liability if the injury, death, or loss to person or property resulted from the exercise of judgment or discretion in determining whether to acquire, or how to use, equipment, supplies, materials, personnel, facilities, and other resources unless the judgment or discretion was exercised with malicious purpose, in bad faith, or in a wanton or reckless manner. 17875
17876
17877
17878
17879
17880
17881

(5) The officer or employee of the department of transportation is immune from liability unless one of the following applies: 17882
17883
17884

(a) The officer's or employee's acts or omissions were manifestly outside the scope of the officer's or employee's employment or official responsibilities. 17885
17886
17887

(b) The officer's or employee's acts or omissions were with malicious purpose, in bad faith, or in a wanton or reckless manner. 17888
17889
17890

(c) Civil liability is expressly imposed upon the officer or employee by a section of the Revised Code. Civil liability shall not be construed to exist under another section of the Revised Code merely because that section imposes a responsibility or mandatory duty upon an officer or employee, because that section provides for a criminal penalty, because of a general authorization in that section that an officer or employee may sue 17891
17892
17893
17894
17895
17896
17897

and be sued, or because the section uses the term "shall" in a 17898
provision pertaining to an officer or employee. 17899

(B) Any immunity or defense conferred upon an officer or 17900
employee of the department of transportation by division (A)(5) of 17901
this section does not affect or limit any liability of the 17902
department of transportation for an act or omission of the officer 17903
or employee as provided in section 2743.021 of the Revised Code. 17904

(C) An order that denies the department of transportation or 17905
an officer or employee of the department the benefit of an alleged 17906
immunity from liability as provided in this section or any other 17907
provision of the law is a final order. 17908

Sec. 2743.09. The clerk of the court of claims shall do all 17909
of the following: 17910

(A) Administer oaths and take and certify affidavits, 17911
depositions, and acknowledgments of powers of attorney and other 17912
instruments in writing; 17913

(B) Prepare the dockets, enter and record the orders, 17914
judgments, decisions, awards, and proceedings of the court of 17915
claims and the court of claims commissioners, and issue writs and 17916
process; 17917

violates that supervision or a condition of post-release control 19160
imposed under division (B) of section 2967.131 of the Revised 19161
Code, the parole board may impose a prison term, as part of the 19162
sentence, of up to one-half of the stated prison term originally 19163
imposed upon the offender. If a court imposes a sentence including 19164
a prison term on or after July 11, 2006, the failure of a court to 19165
notify the offender pursuant to division (B)(2)(e) of this section 19166
that the parole board may impose a prison term as described in 19167
division (B)(2)(e) of this section for a violation of that 19168
supervision or a condition of post-release control imposed under 19169
division (B) of section 2967.131 of the Revised Code or to include 19170
in the judgment of conviction entered on the journal a statement 19171
to that effect does not negate, limit, or otherwise affect the 19172
authority of the parole board to so impose a prison term for a 19173
violation of that nature if, pursuant to division (D)(1) of 19174
section 2967.28 of the Revised Code, the parole board notifies the 19175
offender prior to the offender's release of the board's authority 19176
to so impose a prison term. Section 2929.191 of the Revised Code 19177
applies if, prior to July 11, 2006, a court imposed a sentence 19178
including a prison term and failed to notify the offender pursuant 19179
to division (B)(2)(e) of this section regarding the possibility of 19180
the parole board imposing a prison term for a violation of 19181
supervision or a condition of post-release control. 19182

(f) Require that the offender not ingest or be injected with 19183
a drug of abuse and submit to random drug testing as provided in 19184
section 341.26, 753.33, or 5120.63 of the Revised Code, whichever 19185
is applicable to the offender who is serving a prison term, and 19186
require that the results of the drug test administered under any 19187
of those sections indicate that the offender did not ingest or was 19188
not injected with a drug of abuse. 19189

(g) Include in the offender's sentence a statement notifying 19190
the offender of the information described in division (F)(3) of 19191

section 2929.14 of the Revised Code regarding earned credits under 19192
section 2967.193 of the Revised Code. 19193

(h)(i) Determine, notify the offender of, and include in the 19194
sentencing entry the number of days that the offender has been 19195
confined for any reason arising out of the offense for which the 19196
offender is being sentenced and by which the department of 19197
rehabilitation and correction must reduce the stated prison term 19198
under section 2967.191 of the Revised Code. The court's 19199
calculation shall not include the number of days, if any, that the 19200
offender previously served in the custody of the department of 19201
rehabilitation and correction arising out of the offense for which 19202
the prisoner was convicted and sentenced. 19203

(ii) In making a determination under division (B)(2)(h)(i) of 19204
this section, the court shall consider the arguments of the 19205
parties and conduct a hearing if one is requested. 19206

(iii) The sentencing court retains continuing jurisdiction to 19207
correct any error not previously raised at sentencing in making a 19208
determination under division (B)(2)(h)(i) of this section. The 19209
offender may, at any time after sentencing, file a motion in the 19210
sentencing court to correct any error made in making a 19211
determination under division (B)(2)(h)(i) of this section, and the 19212
court may in its discretion grant or deny that motion. If the 19213
court changes the number of days in its determination or 19214
redetermination, the court shall cause the entry granting that 19215
change to be delivered to the department of rehabilitation and 19216
correction without delay. Sections 2931.15 and 2953.21 of the 19217
Revised Code do not apply to a motion made under this section. 19218

(iv) An inaccurate determination under division (B)(2)(h)(i) 19219
of this section is not grounds for setting aside the offender's 19220
conviction or sentence and does not otherwise render the sentence 19221
void or voidable. 19222

(3)(a) The court shall include in the offender's sentence a statement that the offender is a tier III sex offender/child-victim offender, and the court shall comply with the requirements of section 2950.03 of the Revised Code if any of the following apply:

(i) The offender is being sentenced for a violent sex offense or designated homicide, assault, or kidnapping offense that the offender committed on or after January 1, 1997, and the offender is adjudicated a sexually violent predator in relation to that offense.

(ii) The offender is being sentenced for a sexually oriented offense that the offender committed on or after January 1, 1997, and the offender is a tier III sex offender/child-victim offender relative to that offense.

(iii) The offender is being sentenced on or after July 31, 2003, for a child-victim oriented offense, and the offender is a tier III sex offender/child-victim offender relative to that offense.

(iv) The offender is being sentenced under section 2971.03 of the Revised Code for a violation of division (A)(1)(b) of section 2907.02 of the Revised Code committed on or after January 2, 2007.

(v) The offender is sentenced to a term of life without parole under division (B) of section 2907.02 of the Revised Code.

(vi) The offender is being sentenced for attempted rape committed on or after January 2, 2007, and a specification of the type described in section 2941.1418, 2941.1419, or 2941.1420 of the Revised Code.

(vii) The offender is being sentenced under division (B)(3)(a), (b), (c), or (d) of section 2971.03 of the Revised Code for an offense described in those divisions committed on or after January 1, 2008.

(b) Additionally, if any criterion set forth in divisions 19254
(B)(3)(a)(i) to (vii) of this section is satisfied, in the 19255
circumstances described in division (E) of section 2929.14 of the 19256
Revised Code, the court shall impose sentence on the offender as 19257
described in that division. 19258

(4) If the sentencing court determines at the sentencing 19259
hearing that a community control sanction should be imposed and 19260
the court is not prohibited from imposing a community control 19261
sanction, the court shall impose a community control sanction. The 19262
court shall notify the offender that, if the conditions of the 19263
sanction are violated, if the offender commits a violation of any 19264
law, or if the offender leaves this state without the permission 19265
of the court or the offender's probation officer, the court may 19266
impose a longer time under the same sanction, may impose a more 19267
restrictive sanction, or may impose a prison term on the offender 19268
and shall indicate the specific prison term that may be imposed as 19269
a sanction for the violation, as selected by the court from the 19270
range of prison terms for the offense pursuant to section 2929.14 19271
of the Revised Code. 19272

(5) Before imposing a financial sanction under section 19273
2929.18 of the Revised Code or a fine under section 2929.32 of the 19274
Revised Code, the court shall consider the offender's present and 19275
future ability to pay the amount of the sanction or fine. 19276

(6) If the sentencing court sentences the offender to a 19277
sanction of confinement pursuant to section 2929.14 or 2929.16 of 19278
the Revised Code that is to be served in a local detention 19279
facility, as defined in section 2929.36 of the Revised Code, and 19280
if the local detention facility is covered by a policy adopted 19281
pursuant to section 307.93, 341.14, 341.19, 341.21, 341.23, 19282
753.02, 753.04, 753.16, 2301.56, or 2947.19 of the Revised Code 19283
and section 2929.37 of the Revised Code, both of the following 19284
apply: 19285

(a) The court shall specify both of the following as part of the sentence: 19286
19287

(i) If the offender is presented with an itemized bill pursuant to section 2929.37 of the Revised Code for payment of the costs of confinement, the offender is required to pay the bill in accordance with that section. 19288
19289
19290
19291

(ii) If the offender does not dispute the bill described in division (B)(6)(a)(i) of this section and does not pay the bill by the times specified in section 2929.37 of the Revised Code, the clerk of the court may issue a certificate of judgment against the offender as described in that section. 19292
19293
19294
19295
19296

(b) The sentence automatically includes any certificate of judgment issued as described in division (B)(6)(a)(ii) of this section. 19297
19298
19299

(7) The failure of the court to notify the offender that a prison term is a mandatory prison term pursuant to division (B)(2)(a) of this section or to include in the sentencing entry any information required by division (B)(2)(b) of this section does not affect the validity of the imposed sentence or sentences. 19300
19301
19302
19303
19304
19305
19306
19307
19308
19309
19310
19311
19312
19313
If the sentencing court notifies the offender at the sentencing hearing that a prison term is mandatory but the sentencing entry does not specify that the prison term is mandatory, the court may complete a corrected journal entry and send copies of the corrected entry to the offender and the department of rehabilitation and correction, or, at the request of the state, the court shall complete a corrected journal entry and send copies of the corrected entry to the offender and department of rehabilitation and correction.

(C)(1) If the offender is being sentenced for a fourth degree felony OVI offense under division (G)(1) of section 2929.13 of the Revised Code, the court shall impose the mandatory term of local 19314
19315
19316

incarceration in accordance with that division, shall impose a 19317
mandatory fine in accordance with division (B)(3) of section 19318
2929.18 of the Revised Code, and, in addition, may impose 19319
additional sanctions as specified in sections 2929.15, 2929.16, 19320
2929.17, and 2929.18 of the Revised Code. The court shall not 19321
impose a prison term on the offender except that the court may 19322
impose a prison term upon the offender as provided in division 19323
(A)(1) of section 2929.13 of the Revised Code. 19324

(2) If the offender is being sentenced for a third or fourth 19325
degree felony OVI offense under division (G)(2) of section 2929.13 19326
of the Revised Code, the court shall impose the mandatory prison 19327
term in accordance with that division, shall impose a mandatory 19328
fine in accordance with division (B)(3) of section 2929.18 of the 19329
Revised Code, and, in addition, may impose an additional prison 19330
term as specified in section 2929.14 of the Revised Code. In 19331
addition to the mandatory prison term or mandatory prison term and 19332
additional prison term the court imposes, the court also may 19333
impose a community control sanction on the offender, but the 19334
offender shall serve all of the prison terms so imposed prior to 19335
serving the community control sanction. 19336

(D) The sentencing court, pursuant to division (I)(1) of 19337
section 2929.14 of the Revised Code, may recommend placement of 19338
the offender in a program of shock incarceration under section 19339
5120.031 of the Revised Code or an intensive program prison under 19340
section 5120.032 of the Revised Code, disapprove placement of the 19341
offender in a program or prison of that nature, or make no 19342
recommendation. If the court recommends or disapproves placement, 19343
it shall make a finding that gives its reasons for its 19344
recommendation or disapproval. 19345

Sec. 2939.11. The official ~~shorthand~~ reporter of the county, 19346
or any ~~shorthand~~ reporter designated by the court of common pleas, 19347

at the request of the prosecuting attorney, or any such reporter 19348
designated by the attorney general in investigations conducted by 19349
~~him~~ the attorney general, may take ~~shorthand~~ notes of or 19350
electronically record testimony before the grand jury, and furnish 19351
a transcript to the prosecuting attorney or the attorney general, 19352
and to no other person. The ~~shorthand~~ reporter shall withdraw from 19353
the jury room before the jurors begin to express their views or 19354
take their vote on the matter before them. Such reporter shall 19355
take an oath to be administered by the judge after the grand jury 19356
is sworn, imposing an obligation of secrecy to not disclose any 19357
testimony taken or heard except to the grand jury, prosecuting 19358
attorney, or attorney general, unless called upon in court to make 19359
disclosures. 19360

Sec. 2945.371. (A) If the issue of a defendant's competence 19361
to stand trial is raised or if a defendant enters a plea of not 19362
guilty by reason of insanity, the court may order one or more 19363
evaluations of the defendant's present mental condition or, in the 19364
case of a plea of not guilty by reason of insanity, of the 19365
defendant's mental condition at the time of the offense charged. 19366
An examiner shall conduct the evaluation. 19367

(B) If the court orders more than one evaluation under 19368
division (A) of this section, the prosecutor and the defendant may 19369
recommend to the court an examiner whom each prefers to perform 19370
one of the evaluations. If a defendant enters a plea of not guilty 19371
by reason of insanity and if the court does not designate an 19372
examiner recommended by the defendant, the court shall inform the 19373
defendant that the defendant may have independent expert 19374
evaluation and that, if the defendant is unable to obtain 19375
independent expert evaluation, it will be obtained for the 19376
defendant at public expense if the defendant is indigent. 19377

(C) If the court orders an evaluation under division (A) of 19378

this section, the defendant shall be available at the times and 19379
places established by the examiners who are to conduct the 19380
evaluation. The court may order a defendant who has been released 19381
on bail or recognizance to submit to an evaluation under this 19382
section. If a defendant who has been released on bail or 19383
recognizance refuses to submit to a complete evaluation, the court 19384
may amend the conditions of bail or recognizance and order the 19385
sheriff to take the defendant into custody and deliver the 19386
defendant to a center, program, or facility operated or certified 19387
by the department of mental health or the department of 19388
developmental disabilities where the defendant may be held for 19389
evaluation for a reasonable period of time not to exceed twenty 19390
days. 19391

(D) A defendant who has not been released on bail or 19392
recognizance may be evaluated at the defendant's place of 19393
detention. Upon the request of the examiner, the court may order 19394
the sheriff to transport the defendant to a program or facility 19395
operated or certified by the department of mental health or the 19396
department of developmental disabilities, where the defendant may 19397
be held for evaluation for a reasonable period of time not to 19398
exceed twenty days, and to return the defendant to the place of 19399
detention after the evaluation. A municipal court may make an 19400
order under this division only upon the request of a certified 19401
forensic center examiner. 19402

(E) If a court orders the evaluation to determine a 19403
defendant's mental condition at the time of the offense charged, 19404
the court shall inform the examiner of the offense with which the 19405
defendant is charged. 19406

(F) In conducting an evaluation of a defendant's mental 19407
condition at the time of the offense charged, the examiner shall 19408
consider all relevant evidence. If the offense charged involves 19409
the use of force against another person, the relevant evidence to 19410

be considered includes, but is not limited to, any evidence that 19411
the defendant suffered, at the time of the commission of the 19412
offense, from the "battered woman syndrome." 19413

(G) The examiner shall file a written report with the court 19414
within thirty days after entry of a court order for evaluation, 19415
and the court shall provide copies of the report to the prosecutor 19416
and defense counsel. The report shall include all of the 19417
following: 19418

(1) The examiner's findings; 19419

(2) The facts in reasonable detail on which the findings are 19420
based; 19421

(3) If the evaluation was ordered to determine the 19422
defendant's competence to stand trial, all of the following 19423
findings or recommendations that are applicable: 19424

(a) Whether the defendant is capable of understanding the 19425
nature and objective of the proceedings against the defendant or 19426
of assisting in the defendant's defense; 19427

(b) If the examiner's opinion is that the defendant is 19428
incapable of understanding the nature and objective of the 19429
proceedings against the defendant or of assisting in the 19430
defendant's defense, whether the defendant presently is mentally 19431
ill or mentally retarded and, if the examiner's opinion is that 19432
the defendant presently is mentally retarded, whether the 19433
defendant appears to be a mentally retarded person subject to 19434
institutionalization by court order; 19435

(c) If the examiner's opinion is that the defendant is 19436
incapable of understanding the nature and objective of the 19437
proceedings against the defendant or of assisting in the 19438
defendant's defense, the examiner's opinion as to the likelihood 19439
of the defendant becoming capable of understanding the nature and 19440
objective of the proceedings against the defendant and of 19441

assisting in the defendant's defense within one year if the 19442
defendant is provided with a course of treatment; 19443

(d) If the examiner's opinion is that the defendant is 19444
incapable of understanding the nature and objective of the 19445
proceedings against the defendant or of assisting in the 19446
defendant's defense and that the defendant presently is mentally 19447
ill or mentally retarded, the examiner's recommendation as to the 19448
least restrictive placement or commitment alternative, consistent 19449
with the defendant's treatment needs for restoration to competency 19450
and with the safety of the community; 19451

~~(e) If the defendant is charged with a misdemeanor offense 19452
that is not an offense of violence and the examiner's opinion is 19453
that the defendant is incapable of understanding the nature and 19454
objective of the proceedings against the defendant or of assisting 19455
in the defendant's defense and that the defendant is presently 19456
mentally ill or mentally retarded, the examiner's recommendation 19457
as to whether the defendant is amenable to engagement in mental 19458
health treatment or developmental disability services. 19459~~

(4) If the evaluation was ordered to determine the 19460
defendant's mental condition at the time of the offense charged, 19461
the examiner's findings as to whether the defendant, at the time 19462
of the offense charged, did not know, as a result of a severe 19463
mental disease or defect, the wrongfulness of the defendant's acts 19464
charged. 19465

(H) If the examiner's report filed under division (G) of this 19466
section indicates that in the examiner's opinion the defendant is 19467
incapable of understanding the nature and objective of the 19468
proceedings against the defendant or of assisting in the 19469
defendant's defense and that in the examiner's opinion the 19470
defendant appears to be a mentally retarded person subject to 19471
institutionalization by court order, the court shall order the 19472
defendant to undergo a separate mental retardation evaluation 19473

conducted by a psychologist designated by the director of 19474
developmental disabilities. Divisions (C) to (F) of this section 19475
apply in relation to a separate mental retardation evaluation 19476
conducted under this division. The psychologist appointed under 19477
this division to conduct the separate mental retardation 19478
evaluation shall file a written report with the court within 19479
thirty days after the entry of the court order requiring the 19480
separate mental retardation evaluation, and the court shall 19481
provide copies of the report to the prosecutor and defense 19482
counsel. The report shall include all of the information described 19483
in divisions (G)(1) to (4) of this section. If the court orders a 19484
separate mental retardation evaluation of a defendant under this 19485
division, the court shall not conduct a hearing under divisions 19486
(B) to (H) of section 2945.37 of the Revised Code regarding that 19487
defendant until a report of the separate mental retardation 19488
evaluation conducted under this division has been filed. Upon the 19489
filing of that report, the court shall conduct the hearing within 19490
the period of time specified in division (C) of section 2945.37 of 19491
the Revised Code. 19492

(I) An examiner appointed under divisions (A) and (B) of this 19493
section or under division (H) of this section to evaluate a 19494
defendant to determine the defendant's competence to stand trial 19495
also may be appointed to evaluate a defendant who has entered a 19496
plea of not guilty by reason of insanity, but an examiner of that 19497
nature shall prepare separate reports on the issue of competence 19498
to stand trial and the defense of not guilty by reason of 19499
insanity. 19500

(J) No statement that a defendant makes in an evaluation or 19501
hearing under divisions (A) to (H) of this section relating to the 19502
defendant's competence to stand trial or to the defendant's mental 19503
condition at the time of the offense charged shall be used against 19504
the defendant on the issue of guilt in any criminal action or 19505

proceeding, but, in a criminal action or proceeding, the 19506
prosecutor or defense counsel may call as a witness any person who 19507
evaluated the defendant or prepared a report pursuant to a 19508
referral under this section. Neither the appointment nor the 19509
testimony of an examiner appointed under this section precludes 19510
the prosecutor or defense counsel from calling other witnesses or 19511
presenting other evidence on competency or insanity issues. 19512

(K) Persons appointed as examiners under divisions (A) and 19513
(B) of this section or under division (H) of this section shall be 19514
paid a reasonable amount for their services and expenses, as 19515
certified by the court. The certified amount shall be paid by the 19516
county in the case of county courts and courts of common pleas and 19517
by the legislative authority, as defined in section 1901.03 of the 19518
Revised Code, in the case of municipal courts. 19519

Sec. 2945.38. (A) If the issue of a defendant's competence to 19520
stand trial is raised and if the court, upon conducting the 19521
hearing provided for in section 2945.37 of the Revised Code, finds 19522
that the defendant is competent to stand trial, the defendant 19523
shall be proceeded against as provided by law. If the court finds 19524
the defendant competent to stand trial and the defendant is 19525
receiving psychotropic drugs or other medication, the court may 19526
authorize the continued administration of the drugs or medication 19527
or other appropriate treatment in order to maintain the 19528
defendant's competence to stand trial, unless the defendant's 19529
attending physician advises the court against continuation of the 19530
drugs, other medication, or treatment. 19531

(B)(1)(a) If, after taking into consideration all relevant 19532
reports, information, and other evidence, the court finds that the 19533
defendant is incompetent to stand trial and that there is a 19534
substantial probability that the defendant will become competent 19535
to stand trial within one year if the defendant is provided with a 19536

course of treatment, the court shall order the defendant to 19537
undergo treatment. If the defendant has been charged with a felony 19538
offense and if, after taking into consideration all relevant 19539
reports, information, and other evidence, the court finds that the 19540
defendant is incompetent to stand trial, but the court is unable 19541
at that time to determine whether there is a substantial 19542
probability that the defendant will become competent to stand 19543
trial within one year if the defendant is provided with a course 19544
of treatment, the court shall order continuing evaluation and 19545
treatment of the defendant for a period not to exceed four months 19546
to determine whether there is a substantial probability that the 19547
defendant will become competent to stand trial within one year if 19548
the defendant is provided with a course of treatment. 19549

(b) The court order for the defendant to undergo treatment or 19550
continuing evaluation and treatment under division (B)(1)(a) of 19551
this section shall specify that the defendant, if determined to 19552
require mental health treatment or continuing evaluation and 19553
treatment, either shall be committed to the department of mental 19554
health for treatment or continuing evaluation and treatment at a 19555
hospital, facility, or agency, as determined to be clinically 19556
appropriate by the department of mental health ~~and~~ or shall be 19557
committed to a facility certified by the department of mental 19558
health as being qualified to treat mental illness, to a public or 19559
community mental health facility, or to a psychiatrist or another 19560
mental health professional for treatment or continuing evaluation 19561
and treatment. Prior to placing the defendant, the department of 19562
mental health shall obtain court approval for that placement 19563
following a hearing. The court order for the defendant to undergo 19564
treatment or continuing evaluation and treatment under division 19565
(B)(1)(a) of this section shall specify that the defendant, if 19566
determined to require treatment or continuing evaluation and 19567
treatment for ~~a developmental disability~~ mental retardation, shall 19568
receive treatment or continuing evaluation and treatment at an 19569

institution or facility operated by the department of 19570
developmental disabilities, at a facility certified by the 19571
department of developmental disabilities as being qualified to 19572
treat mental retardation, at a public or private ~~community~~ mental 19573
retardation facility, or by a psychiatrist or another mental 19574
retardation professional. ~~The~~ In any case, the order may restrict 19575
the defendant's freedom of movement as the court considers 19576

the chief clinical officer of the hospital, facility, or agency 19578
where the defendant is placed by the department of mental health, 19579
or to the managing officer of the institution, the director of the 19580
program or facility, or the person to which the defendant is 19581
committed, copies of relevant police reports and other background 19582
information that pertains to the defendant and is available to the 19583
prosecutor unless the prosecutor determines that the release of 19584
any of the information in the police reports or any of the other 19585
background information to unauthorized persons would interfere 19586
with the effective prosecution of any person or would create a 19587
substantial risk of harm to any person. 19588

~~In committing the defendant to the department of mental 19589
health, the court shall consider the extent to which the person is 19590
a danger to the person and to others, the need for security, and 19591
the type of crime involved and, if the court finds that 19592
restrictions on the defendant's freedom of movement are necessary, 19593
shall specify the least restrictive limitations on the person's 19594
freedom of movement determined to be necessary to protect public 19595
safety. In determining the place of commitment alternatives for 19596
~~defendants determined to require treatment or continuing 19597
evaluation and treatment for developmental disabilities,~~ the court 19598
shall consider the extent to which the person is a danger to the 19599
person and to others, the need for security, and the type of crime 19600
involved and shall order the least restrictive alternative 19601
available that is consistent with public safety and treatment 19602~~

goals. In weighing these factors, the court shall give preference 19603
to protecting public safety. 19604

(c) If the defendant is found incompetent to stand trial, if 19605
the chief clinical officer of the hospital, facility, or agency 19606
where the defendant is placed, or the managing officer of the 19607
institution, the director of the program or facility, or the 19608
person to which the defendant is committed for treatment or 19609
continuing evaluation and treatment under division (B)(1)(b) of 19610
this section determines that medication is necessary to restore 19611
the defendant's competency to stand trial, and if the defendant 19612
lacks the capacity to give informed consent or refuses medication, 19613
the chief clinical officer of the hospital, facility, or agency 19614
where the defendant is placed, or the managing officer of the 19615
institution, the director of the program or facility, or the 19616
person to which the defendant is committed for treatment or 19617
continuing evaluation and treatment may petition the court for 19618
authorization for the involuntary administration of medication. 19619
The court shall hold a hearing on the petition within five days of 19620
the filing of the petition if the petition was filed in a 19621
municipal court or a county court regarding an incompetent 19622
defendant charged with a misdemeanor or within ten days of the 19623
filing of the petition if the petition was filed in a court of 19624
common pleas regarding an incompetent defendant charged with a 19625
felony offense. Following the hearing, the court may authorize the 19626
involuntary administration of medication or may dismiss the 19627
petition. 19628

~~(d) If the defendant is charged with a misdemeanor offense 19629
that is not an offense of violence, the prosecutor may hold the 19630
charges in abeyance while the defendant engages in mental health 19631
treatment or developmental disability services. 19632~~

(2) If the court finds that the defendant is incompetent to 19633
stand trial and that, even if the defendant is provided with a 19634

course of treatment, there is not a substantial probability that 19635
the defendant will become competent to stand trial within one 19636
year, the court shall order the discharge of the defendant, unless 19637
upon motion of the prosecutor or on its own motion, the court 19638
either seeks to retain jurisdiction over the defendant pursuant to 19639
section 2945.39 of the Revised Code or files an affidavit in the 19640
probate court for the civil commitment of the defendant pursuant 19641
to Chapter 5122. or 5123. of the Revised Code alleging that the 19642
defendant is a mentally ill person subject to hospitalization by 19643
court order or a mentally retarded person subject to 19644
institutionalization by court order. If an affidavit is filed in 19645
the probate court, the trial court shall send to the probate court 19646
copies of all written reports of the defendant's mental condition 19647
that were prepared pursuant to section 2945.371 of the Revised 19648
Code. 19649

The trial court may issue the temporary order of detention 19650
that a probate court may issue under section 5122.11 or 5123.71 of 19651
the Revised Code, to remain in effect until the probable cause or 19652
initial hearing in the probate court. Further proceedings in the 19653
probate court are civil proceedings governed by Chapter 5122. or 19654
5123. of the Revised Code. 19655

defendant movement to a medical facility for an emergency medical 19704
situation with appropriate supervision to ensure the safety of the 19705
defendant, staff, and community during that emergency medical 19706

the defendant and of assisting in the defendant's defense; 19721

(2) For a felony offense, fourteen days before expiration of 19722
the maximum time for treatment as specified in division (C) of 19723
this section and fourteen days before the expiration of the 19724

in division (B)(1)(a) of this section, and, for a misdemeanor 19726
offense, ten days before the expiration of the maximum time for 19727
treatment, as specified in division (C) of this section; 19728

(3) At a minimum, after each six months of treatment; 19729

(4) Whenever the person who supervises the treatment or 19730
continuing evaluation and treatment of a defendant ordered under 19731
division (B)(1)(a) of this section believes that there is not a 19732
substantial probability that the defendant will become capable of 19733
understanding the nature and objective of the proceedings against 19734
the defendant or of assisting in the defendant's defense even if 19735
the defendant is provided with a course of treatment. 19736

(G) A report under division (F) of this section shall contain 19737
the examiner's findings, the facts in reasonable detail on which 19738
the findings are based, and the examiner's opinion as to the 19739
defendant's capability of understanding the nature and objective 19740
of the proceedings against the defendant and of assisting in the 19741
defendant's defense. If, in the examiner's opinion, the defendant 19742
remains incapable of understanding the nature and objective of the 19743
proceedings against the defendant and of assisting in the 19744
defendant's defense and there is a substantial probability that 19745
the defendant will become capable of understanding the nature and 19746
objective of the proceedings against the defendant and of 19747
assisting in the defendant's defense if the defendant is provided 19748
with a course of treatment, if in the examiner's opinion the 19749
defendant remains mentally ill or mentally retarded, and if the 19750
maximum time for treatment as specified in division (C) of this 19751
section has not expired, the report also shall contain the 19752
examiner's recommendation as to the least restrictive placement or 19753
commitment alternative that is consistent with the defendant's 19754
treatment needs for restoration to competency and with the safety 19755
of the community. The court shall provide copies of the report to 19756
the prosecutor and defense counsel. 19757

(H) If a defendant is committed pursuant to division (B)(1) 19758
of this section, within ten days after the treating physician of 19759
the defendant or the examiner of the defendant who is employed or 19760

retained by the treating facility advises that there is not a 19761
substantial probability that the defendant will become capable of 19762
understanding the nature and objective of the proceedings against 19763
the defendant or of assisting in the defendant's defense even if 19764
the defendant is provided with a course of treatment, within ten 19765
days after the expiration of the maximum time for treatment as 19766
specified in division (C) of this section, within ten days after 19767
the expiration of the maximum time for continuing evaluation and 19768
treatment as specified in division (B)(1)(a) of this section, 19769
within thirty days after a defendant's request for a hearing that 19770
is made after six months of treatment, or within thirty days after 19771
being advised by the treating physician or examiner that the 19772
defendant is competent to stand trial, whichever is the earliest, 19773
the court shall conduct another hearing to determine if the 19774
defendant is competent to stand trial and shall do whichever of 19775
the following is applicable: 19776

(1) If the court finds that the defendant is competent to 19777
stand trial, the defendant shall be proceeded against as provided 19778
by law. 19779

(2) If the court finds that the defendant is incompetent to 19780
stand trial, but that there is a substantial probability that the 19781
defendant will become competent to stand trial if the defendant is 19782
provided with a course of treatment, and the maximum time for 19783
treatment as specified in division (C) of this section has not 19784
expired, the court, after consideration of the examiner's 19785
recommendation, shall order that treatment be continued, may 19786
change the ~~least restrictive limitations on the defendant's~~ 19787
~~freedom of movement~~ facility or program at which the treatment is 19788
to be continued, and, ~~if applicable~~, shall specify whether the 19789
treatment ~~for developmental disabilities~~ is to be continued at the 19790
same or a different facility or ~~institution~~ program. 19791

(3) If the court finds that the defendant is incompetent to 19792

stand trial, if the defendant is charged with an offense listed in 19793
division (C)(1) of this section, and if the court finds that there 19794
is not a substantial probability that the defendant will become 19795
competent to stand trial even if the defendant is provided with a 19796
course of treatment, or if the maximum time for treatment relative 19797
to that offense as specified in division (C) of this section has 19798
expired, further proceedings shall be as provided in sections 19799
2945.39, 2945.401, and 2945.402 of the Revised Code. 19800

(4) If the court finds that the defendant is incompetent to 19801
stand trial, if the most serious offense with which the defendant 19802
is charged is a misdemeanor or a felony other than a felony listed 19803
in division (C)(1) of this section, and if the court finds that 19804
there is not a substantial probability that the defendant will 19805
become competent to stand trial even if the defendant is provided 19806
with a course of treatment, or if the maximum time for treatment 19807
relative to that offense as specified in division (C) of this 19808
section has expired, the court shall dismiss the indictment, 19809
information, or complaint against the defendant. A dismissal under 19810
this division is not a bar to further prosecution based on the 19811
same conduct. The court shall discharge the defendant unless the 19812
court or prosecutor files an affidavit in probate court for civil 19813
commitment pursuant to Chapter 5122. or 5123. of the Revised Code. 19814
If an affidavit for civil commitment is filed, the court may 19815
detain the defendant for ten days pending civil commitment. All of 19816
the following provisions apply to persons charged with a 19817
misdemeanor or a felony other than a felony listed in division 19818
(C)(1) of this section who are committed by the probate court 19819
subsequent to the court's or prosecutor's filing of an affidavit 19820
for civil commitment under authority of this division: 19821

(a) The chief clinical officer of the entity, hospital, or 19822
facility, the managing officer of the institution, the director of 19823
the program, or the person to which the defendant is committed or 19824

admitted shall do all of the following: 19825

(i) Notify the prosecutor, in writing, of the discharge of 19826
the defendant, send the notice at least ten days prior to the 19827
discharge unless the discharge is by the probate court, and state 19828
in the notice the date on which the defendant will be discharged; 19829

(ii) Notify the prosecutor, in writing, when the defendant is 19830
absent without leave or is granted unsupervised, off-grounds 19831
movement, and send this notice promptly after the discovery of the 19832
absence without leave or prior to the granting of the 19833
unsupervised, off-grounds movement, whichever is applicable; 19834

(iii) Notify the prosecutor, in writing, of the change of the 19835
defendant's commitment or admission to voluntary status, send the 19836
notice promptly upon learning of the change to voluntary status, 19837
and state in the notice the date on which the defendant was 19838
committed or admitted on a voluntary status. 19839

(b) Upon receiving notice that the defendant will be granted 19840
unsupervised, off-grounds movement, the prosecutor either shall 19841
re-indict the defendant or promptly notify the court that the 19842
prosecutor does not intend to prosecute the charges against the 19843
defendant. 19844

(I) If a defendant is convicted of a crime and sentenced to a 19845
jail or workhouse, the defendant's sentence shall be reduced by 19846
the total number of days the defendant is confined for evaluation 19847
to determine the defendant's competence to stand trial or 19848
treatment under this section and sections 2945.37 and 2945.371 of 19849
the Revised Code or by the total number of days the defendant is 19850
confined for evaluation to determine the defendant's mental 19851
condition at the time of the offense charged. 19852

Sec. 2945.39. (A) If a defendant who is charged with an 19853
offense described in division (C)(1) of section 2945.38 of the 19854

Revised Code is found incompetent to stand trial, after the 19855
expiration of the maximum time for treatment as specified in 19856
division (C) of that section or after the court finds that there 19857
is not a substantial probability that the defendant will become 19858
competent to stand trial even if the defendant is provided with a 19859
course of treatment, one of the following applies: 19860

(1) The court or the prosecutor may file an affidavit in 19861
probate court for civil commitment of the defendant in the manner 19862
provided in Chapter 5122. or 5123. of the Revised Code. If the 19863
court or prosecutor files an affidavit for civil commitment, the 19864
court may detain the defendant for ten days pending civil 19865
commitment. If the probate court commits the defendant subsequent 19866
to the court's or prosecutor's filing of an affidavit for civil 19867
commitment, the chief clinical officer of the entity, hospital, or 19868
facility, the managing officer of the institution, the director of 19869
the program, or the person to which the defendant is committed or 19870
admitted shall send to the prosecutor the notices described in 19871
divisions (H)(4)(a)(i) to (iii) of section 2945.38 of the Revised 19872
Code within the periods of time and under the circumstances 19873
specified in those divisions. 19874

(2) On the motion of the prosecutor or on its own motion, the 19875
court may retain jurisdiction over the defendant if, at a hearing, 19876
the court finds both of the following by clear and convincing 19877
evidence: 19878

(a) The defendant committed the offense with which the 19879
defendant is charged. 19880

(b) The defendant is a mentally ill person subject to 19881
hospitalization by court order or a mentally retarded person 19882
subject to institutionalization by court order. 19883

(B) In making its determination under division (A)(2) of this 19884
section as to whether to retain jurisdiction over the defendant, 19885

the court may consider all relevant evidence, including, but not 19886
limited to, any relevant psychiatric, psychological, or medical 19887
testimony or reports, the acts constituting the offense charged, 19888
and any history of the defendant that is relevant to the 19889
defendant's ability to conform to the law. 19890

(C) If the court conducts a hearing as described in division 19891
(A)(2) of this section and if the court does not make both 19892
findings described in divisions (A)(2)(a) and (b) of this section 19893
by clear and convincing evidence, the court shall dismiss the 19894
indictment, information, or complaint against the defendant. Upon 19895
the dismissal, the court shall discharge the defendant unless the 19896
court or prosecutor files an affidavit in probate court for civil 19897
commitment of the defendant pursuant to Chapter 5122. or 5123. of 19898
the Revised Code. If the court or prosecutor files an affidavit 19899
for civil commitment, the court may order that the defendant be 19900
detained for up to ten days pending the civil commitment. If the 19901
probate court commits the defendant subsequent to the court's or 19902
prosecutor's filing of an affidavit for civil commitment, the 19903
chief clinical officer of the entity, hospital, or facility, the 19904
managing officer of the institution, the director of the program, 19905
or the person to which the defendant is committed or admitted 19906
shall send to the prosecutor the notices described in divisions 19907
(H)(4)(a)(i) to (iii) of section 2945.38 of the Revised Code 19908
within the periods of time and under the circumstances specified 19909
in those divisions. A dismissal of charges under this division is 19910
not a bar to further criminal proceedings based on the same 19911
conduct. 19912

(D)(1) If the court conducts a hearing as described in 19913
division (A)(2) of this section and if the court makes the 19914
findings described in divisions (A)(2)(a) and (b) of this section 19915
by clear and convincing evidence, the court shall commit the 19916
defendant, if determined to require mental health treatment, 19917

either to the department of mental health for treatment at a 19918
hospital, facility, or agency as determined clinically appropriate 19919
by the department of mental health or to another medical or 19920
psychiatric facility, as appropriate. Prior to placing the 19921
defendant, the department of mental health shall obtain court 19922
approval for that placement. If the court conducts such a hearing 19923
and if it makes those findings by clear and convincing evidence, 19924
the court shall commit the defendant, if determined to require 19925
treatment for ~~developmental disabilities~~ mental retardation, to a 19926
facility operated by the department of developmental disabilities, 19927
or another facility, as appropriate. ~~In committing the defendant~~ 19928
~~to the department of mental health, the court shall specify the~~ 19929
~~least restrictive limitations on the defendant's freedom of~~ 19930
~~movement determined to be necessary to protect public safety. In~~ 19931
~~determining the place and nature of the commitment to a facility~~ 19932
~~operated by the department of developmental disabilities or~~ 19933
~~another facility for treatment of developmental disabilities, the~~ 19934
~~court~~ In determining the place of commitment, the court shall 19935
consider the extent to which the person is a danger to the person 19936
and to others, the need for security, and the type of crime 19937
involved and shall order the least restrictive ~~commitment~~ 19938
alternative available that is consistent with public safety and 19939
the welfare of the defendant. In weighing these factors, the court 19940
shall give preference to protecting public safety. 19941

(2) If a court makes a commitment of a defendant under 19942
division (D)(1) of this section, the prosecutor shall send to the 19943
hospital, facility, or agency where the defendant is placed by the 19944
department of mental health or to the defendant's place of 19945
commitment all reports of the defendant's current mental condition 19946
and, except as otherwise provided in this division, any other 19947
relevant information, including, but not limited to, a transcript 19948
of the hearing held pursuant to division (A)(2) of this section, 19949
copies of relevant police reports, and copies of any prior arrest 19950

and conviction records that pertain to the defendant and that the prosecutor possesses. The prosecutor shall send the reports of the defendant's current mental condition in every case of commitment, and, unless the prosecutor determines that the release of any of the other relevant information to unauthorized persons would interfere with the effective prosecution of any person or would create a substantial risk of harm to any person, the prosecutor also shall send the other relevant information. Upon admission of a defendant committed under division (D)(1) of this section, the place of commitment shall send to the board of alcohol, drug addiction, and mental health services or the community mental health board serving the county in which the charges against the defendant were filed a copy of all reports of the defendant's current mental condition and a copy of the other relevant information provided by the prosecutor under this division, including, if provided, a transcript of the hearing held pursuant to division (A)(2) of this section, the relevant police reports, and the prior arrest and conviction records that pertain to the defendant and that the prosecutor possesses.

(3) If a court makes a commitment under division (D)(1) of this section, all further proceedings shall be in accordance with sections 2945.401 and 2945.402 of the Revised Code.

Sec. 2945.40. (A) If a person is found not guilty by reason of insanity, the verdict shall state that finding, and the trial court shall conduct a full hearing to determine whether the person is a mentally ill person subject to hospitalization by court order or a mentally retarded person subject to institutionalization by court order. Prior to the hearing, if the trial judge believes that there is probable cause that the person found not guilty by reason of insanity is a mentally ill person subject to hospitalization by court order or mentally retarded person subject to institutionalization by court order, the trial judge may issue

a temporary order of detention for that person to remain in effect 19983
for ten court days or until the hearing, whichever occurs first. 19984

Any person detained pursuant to a temporary order of 19985
detention issued under this division shall be held in a suitable 19986
facility, taking into consideration the place and type of 19987
confinement prior to and during trial. 19988

(B) The court shall hold the hearing under division (A) of 19989
this section to determine whether the person found not guilty by 19990
reason of insanity is a mentally ill person subject to 19991
hospitalization by court order or a mentally retarded person 19992
subject to institutionalization by court order within ten court 19993
days after the finding of not guilty by reason of insanity. 19994
Failure to conduct the hearing within the ten-day period shall 19995
cause the immediate discharge of the respondent, unless the judge 19996
grants a continuance for not longer than ten court days for good 19997
cause shown or for any period of time upon motion of the 19998
respondent. 19999

(C) If a person is found not guilty by reason of insanity, 20000
the person has the right to attend all hearings conducted pursuant 20001
to sections 2945.37 to 2945.402 of the Revised Code. At any 20002
hearing conducted pursuant to one of those sections, the court 20003
shall inform the person that the person has all of the following 20004
rights: 20005

(1) The right to be represented by counsel and to have that 20006
counsel provided at public expense if the person is indigent, with 20007
the counsel to be appointed by the court under Chapter 120. of the 20008
Revised Code or under the authority recognized in division (C) of 20009
section 120.06, division (E) of section 120.16, division (E) of 20010
section 120.26, or section 2941.51 of the Revised Code; 20011

(2) The right to have independent expert evaluation and to 20012
have that independent expert evaluation provided at public expense 20013

if the person is indigent; 20014

(3) The right to subpoena witnesses and documents, to present 20015
evidence on the person's behalf, and to cross-examine witnesses 20016
against the person; 20017

(4) The right to testify in the person's own behalf and to 20018
not be compelled to testify; 20019

(5) The right to have copies of any relevant medical or 20020
mental health document in the custody of the state or of any place 20021
of commitment other than a document for which the court finds that 20022
the release to the person of information contained in the document 20023
would create a substantial risk of harm to any person. 20024

(D) The hearing under division (A) of this section shall be 20025
open to the public, and the court shall conduct the hearing in 20026
accordance with the Rules of Civil Procedure. The court shall make 20027
and maintain a full transcript and record of the hearing 20028
proceedings. The court may consider all relevant evidence, 20029
including, but not limited to, any relevant psychiatric, 20030
psychological, or medical testimony or reports, the acts 20031
constituting the offense in relation to which the person was found 20032
not guilty by reason of insanity, and any history of the person 20033
that is relevant to the person's ability to conform to the law. 20034

(E) Upon completion of the hearing under division (A) of this 20035
section, if the court finds there is not clear and convincing 20036
evidence that the person is a mentally ill person subject to 20037
hospitalization by court order or a mentally retarded person 20038
subject to institutionalization by court order, the court shall 20039
discharge the person, unless a detainer has been placed upon the 20040
person by the department of rehabilitation and correction, in 20041
which case the person shall be returned to that department. 20042

(F) If, at the hearing under division (A) of this section, 20043
the court finds by clear and convincing evidence that the person 20044

is a mentally ill person subject to hospitalization by court 20045
order, the court shall commit the person either to the department 20046
of mental health for ~~placement~~ treatment in a hospital, facility, 20047
or agency as determined clinically appropriate by the department 20048
of mental health or to another medical or psychiatric facility, as 20049
appropriate. Prior to placing the defendant, the department of 20050
mental health shall obtain court approval for that placement. If, 20051
at the hearing under division (A) of this section, the court ~~finds~~ 20052
determines by clear and convincing evidence that the person ~~is a~~ 20053
~~mentally retarded person subject to institutionalization by court~~ 20054
~~order~~ requires treatment for mental retardation, it shall commit 20055
the person to a facility operated by the department of 20056
developmental disabilities or another facility, as appropriate. 20057
Further proceedings shall be in accordance with sections 2945.401 20058
and 2945.402 of the Revised Code. ~~In committing the person to the~~ 20059
~~department of mental health, the court shall specify the least~~ 20060
~~restrictive limitations to the defendant's freedom of movement~~ 20061
~~determined to be necessary to protect public safety.~~ In 20062
determining the place ~~and nature of the commitment of a mentally~~ 20063
~~retarded person subject to institutionalization by court order,~~ 20064
the court shall consider the extent to which the person is a 20065
danger to the person and to others, the need for security, and the 20066
type of crime involved and shall order the least restrictive 20067
~~commitment~~ alternative available that is consistent with public 20068
safety and the welfare of the person. In weighing these factors, 20069
the court shall give preference to protecting public safety. 20070

(G) If a court makes a commitment of a person under division 20071
(F) of this section, the prosecutor shall send to the hospital, 20072
facility, or agency where the person is placed by the department 20073
of mental health or to the defendant's place of commitment all 20074
reports of the person's current mental condition, and, except as 20075
otherwise provided in this division, any other relevant 20076
information, including, but not limited to, a transcript of the 20077

hearing held pursuant to division (A) of this section, copies of 20078
relevant police reports, and copies of any prior arrest and 20079
conviction records that pertain to the person and that the 20080
prosecutor possesses. The prosecutor shall send the reports of the 20081
person's current mental condition in every case of commitment, 20082
and, unless the prosecutor determines that the release of any of 20083
the other relevant information to unauthorized persons would 20084
interfere with the effective prosecution of any person or would 20085
create a substantial risk of harm to any person, the prosecutor 20086
also shall send the other relevant information. Upon admission of 20087
a person committed under division (F) of this section, the place 20088
of commitment shall send to the board of alcohol, drug addiction, 20089
and mental health services or the community mental health board 20090
serving the county in which the charges against the person were 20091
filed a copy of all reports of the person's current mental 20092
condition and a copy of the other relevant information provided by 20093
the prosecutor under this division, including, if provided, a 20094
transcript of the hearing held pursuant to division (A) of this 20095
section, the relevant police reports, and the prior arrest and 20096
conviction records that pertain to the person and that the 20097
prosecutor possesses. 20098

(H) A person who is committed pursuant to this section shall 20099
not voluntarily admit the person or be voluntarily admitted to a 20100
hospital or institution pursuant to section 5122.02, 5122.15, 20101
5123.69, or 5123.76 of the Revised Code. 20102

Sec. 2945.401. (A) A defendant found incompetent to stand 20103
trial and committed pursuant to section 2945.39 of the Revised 20104
Code or a person found not guilty by reason of insanity and 20105
committed pursuant to section 2945.40 of the Revised Code shall 20106
remain subject to the jurisdiction of the trial court pursuant to 20107
that commitment, and to the provisions of this section, until the 20108
final termination of the commitment as described in division 20109

(J)(1) of this section. If the jurisdiction is terminated under 20110
this division because of the final termination of the commitment 20111
resulting from the expiration of the maximum prison term or term 20112
of imprisonment described in division (J)(1)(b) of this section, 20113
the court or prosecutor may file an affidavit for the civil 20114
commitment of the defendant or person pursuant to Chapter 5122. or 20115
5123. of the Revised Code. 20116

(B) A hearing conducted under any provision of sections 20117
2945.37 to 2945.402 of the Revised Code shall not be conducted in 20118
accordance with Chapters 5122. and 5123. of the Revised Code. Any 20119
person who is committed pursuant to section 2945.39 or 2945.40 of 20120
the Revised Code shall not voluntarily admit the person or be 20121
voluntarily admitted to a hospital or institution pursuant to 20122
section 5122.02, 5122.15, 5123.69, or 5123.76 of the Revised Code. 20123
All other provisions of Chapters 5122. and 5123. of the Revised 20124
Code regarding hospitalization or institutionalization shall apply 20125
to the extent they are not in conflict with this chapter. A 20126
commitment under section 2945.39 or 2945.40 of the Revised Code 20127
shall not be terminated and the conditions of the commitment shall 20128
not be changed except as otherwise provided in division (D)(2) of 20129
this section with respect to a mentally retarded person subject to 20130
institutionalization by court order or except by order of the 20131
trial court. 20132

(C) The department of mental health or the institution ~~or~~ 20133
facility, or program to which a defendant or person has been 20134
committed under section 2945.39 or 2945.40 of the Revised Code 20135
shall report in writing to the trial court, at the times specified 20136
in this division, as to whether the defendant or person remains a 20137
mentally ill person subject to hospitalization by court order or a 20138
mentally retarded person subject to institutionalization by court 20139
order and, in the case of a defendant committed under section 20140
2945.39 of the Revised Code, as to whether the defendant remains 20141

incompetent to stand trial. The department, institution, ~~or~~ 20142
facility, or program shall make the reports after the initial six 20143
months of treatment and every two years after the initial report 20144
is made. The trial court shall provide copies of the reports to 20145
the prosecutor and to the counsel for the defendant or person. 20146
Within thirty days after its receipt pursuant to this division of 20147
a report from the department, institution, ~~or~~ facility, or 20148
program, the trial court shall hold a hearing on the continued 20149
commitment of the defendant or person or on any changes in the 20150
conditions of the commitment of the defendant or person. The 20151
defendant or person may request a change in the conditions of 20152
confinement, and the trial court shall conduct a hearing on that 20153
request if six months or more have elapsed since the most recent 20154
hearing was conducted under this section. 20155

(D)(1) Except as otherwise provided in division (D)(2) of 20156
this section, when a defendant or person has been committed under 20157
section 2945.39 or 2945.40 of the Revised Code, at any time after 20158
evaluating the risks to public safety and the welfare of the 20159
defendant or person, the designee of the department of mental 20160
health or the managing officer of the institution or director of 20161
the facility or program to which the defendant or person is 20162
committed may recommend a termination of the defendant's or 20163
person's commitment or a change in the conditions of the 20164
defendant's or person's commitment. 20165

Except as otherwise provided in division (D)(2) of this 20166
section, if the designee of the department of mental health 20167
recommends on-grounds unsupervised movement, off-grounds 20168
supervised movement, or nonsecured status for the defendant or 20169
person or termination of the defendant's or person's commitment, 20170
the following provisions apply: 20171

(a) If the department's designee recommends on-grounds 20172
unsupervised movement or off-grounds supervised movement, the 20173

department's designee shall file with the trial court an 20174
application for approval of the movement and shall send a copy of 20175
the application to the prosecutor. Within fifteen days after 20176
receiving the application, the prosecutor may request a hearing on 20177
the application and, if a hearing is requested, shall so inform 20178
the department's designee. If the prosecutor does not request a 20179
hearing within the fifteen-day period, the trial court shall 20180
approve the application by entering its order approving the 20181
requested movement or, within five days after the expiration of 20182
the fifteen-day period, shall set a date for a hearing on the 20183
application. If the prosecutor requests a hearing on the 20184
application within the fifteen-day period, the trial court shall 20185
hold a hearing on the application within thirty days after the 20186
hearing is requested. If the trial court, within five days after 20187
the expiration of the fifteen-day period, sets a date for a 20188
hearing on the application, the trial court shall hold the hearing 20189
within thirty days after setting the hearing date. At least 20190
fifteen days before any hearing is held under this division, the 20191
trial court shall give the prosecutor written notice of the date, 20192
time, and place of the hearing. At the conclusion of each hearing 20193
conducted under this division, the trial court either shall 20194
approve or disapprove the application and shall enter its order 20195
accordingly. 20196

(b) If the department's designee recommends termination of 20197
the defendant's or person's commitment at any time or if the 20198
department's designee recommends the first of any nonsecured 20199
status for the defendant or person, the department's designee 20200
shall send written notice of this recommendation to the trial 20201
court and to the local forensic center. The local forensic center 20202
shall evaluate the committed defendant or person and, within 20203
thirty days after its receipt of the written notice, shall submit 20204
to the trial court and the department's designee a written report 20205
of the evaluation. The trial court shall provide a copy of the 20206

department's designee's written notice and of the local forensic 20207
center's written report to the prosecutor and to the counsel for 20208
the defendant or person. Upon the local forensic center's 20209
submission of the report to the trial court and the department's 20210
designee, all of the following apply: 20211

(i) If the forensic center disagrees with the recommendation 20212
of the department's designee, it shall inform the department's 20213
designee and the trial court of its decision and the reasons for 20214
the decision. The department's designee, after consideration of 20215
the forensic center's decision, shall either withdraw, proceed 20216
with, or modify and proceed with the recommendation. If the 20217
department's designee proceeds with, or modifies and proceeds 20218
with, the recommendation, the department's designee shall proceed 20219
in accordance with division (D)(1)(b)(iii) of this section. 20220

(ii) If the forensic center agrees with the recommendation of 20221
the department's designee, it shall inform the department's 20222
designee and the trial court of its decision and the reasons for 20223
the decision, and the department's designee shall proceed in 20224
accordance with division (D)(1)(b)(iii) of this section. 20225

(iii) If the forensic center disagrees with the 20226
recommendation of the department's designee and the department's 20227
designee proceeds with, or modifies and proceeds with, the 20228
recommendation or if the forensic center agrees with the 20229
recommendation of the department's designee, the department's 20230
designee shall work with community mental health agencies, 20231
programs, facilities, or boards of alcohol, drug addiction, and 20232
mental health services or community mental health boards to 20233
develop a plan to implement the recommendation. If the defendant 20234
or person is on medication, the plan shall include, but shall not 20235
be limited to, a system to monitor the defendant's or person's 20236
compliance with the prescribed medication treatment plan. The 20237
system shall include a schedule that clearly states when the 20238

defendant or person shall report for a medication compliance 20239
check. The medication compliance checks shall be based upon the 20240
effective duration of the prescribed medication, taking into 20241
account the route by which it is taken, and shall be scheduled at 20242
intervals sufficiently close together to detect a potential 20243
increase in mental illness symptoms that the medication is 20244
intended to prevent. 20245

The department's designee, after consultation with the board 20246
of alcohol, drug addiction, and mental health services or the 20247
community mental health board serving the area, shall send the 20248
recommendation and plan developed under division (D)(1)(b)(iii) of 20249
this section, in writing, to the trial court, the prosecutor, and 20250
the counsel for the committed defendant or person. The trial court 20251
shall conduct a hearing on the recommendation and plan developed 20252
under division (D)(1)(b)(iii) of this section. Divisions (D)(1)(c) 20253
and (d) and (E) to (J) of this section apply regarding the 20254
hearing. 20255

(c) If the department's designee's recommendation is for 20256
nonsecured status or termination of commitment, the prosecutor may 20257
obtain an independent expert evaluation of the defendant's or 20258
person's mental condition, and the trial court may continue the 20259
hearing on the recommendation for a period of not more than thirty 20260
days to permit time for the evaluation. 20261

The prosecutor may introduce the evaluation report or present 20262
other evidence at the hearing in accordance with the Rules of 20263
Evidence. 20264

(d) The trial court shall schedule the hearing on a 20265
department's designee's recommendation for nonsecured status or 20266
termination of commitment and shall give reasonable notice to the 20267
prosecutor and the counsel for the defendant or person. Unless 20268
continued for independent evaluation at the prosecutor's request 20269
or for other good cause, the hearing shall be held within thirty 20270

days after the trial court's receipt of the recommendation and 20271
plan. 20272

(2)(a) Division (D)(1) of this section does not apply to 20273
on-grounds unsupervised movement of a defendant or person who has 20274
been committed under section 2945.39 or 2945.40 of the Revised 20275
Code, who is a mentally retarded person subject to 20276
institutionalization by court order, and who is being provided 20277
residential habilitation, care, and treatment in a facility 20278
operated by the department of developmental disabilities. 20279

(b) If, pursuant to section 2945.39 of the Revised Code, the 20280
trial court commits a defendant who is found incompetent to stand 20281
trial and who is a mentally retarded person subject to 20282
institutionalization by court order, if the defendant is being 20283
provided residential habilitation, care, and treatment in a 20284
facility operated by the department of developmental disabilities, 20285
if an individual who is conducting a survey for the department of 20286
health to determine the facility's compliance with the 20287
certification requirements of the medicaid program under Chapter 20288
5111. of the Revised Code and Title XIX of the "Social Security 20289
Act," 49 Stat. 620 (1935), 42 U.S.C.A. 301, as amended, cites the 20290
defendant's receipt of the residential habilitation, care, and 20291
treatment in the facility as being inappropriate under the 20292
certification requirements, if the defendant's receipt of the 20293
residential habilitation, care, and treatment in the facility 20294
potentially jeopardizes the facility's continued receipt of 20295
federal medicaid moneys, and if as a result of the citation the 20296
chief clinical officer of the facility determines that the 20297
conditions of the defendant's commitment should be changed, the 20298
department of developmental disabilities may cause the defendant 20299
to be removed from the particular facility and, after evaluating 20300
the risks to public safety and the welfare of the defendant and 20301
after determining whether another type of placement is consistent 20302

with the certification requirements, may place the defendant in 20303
another facility that the department selects as an appropriate 20304
facility for the defendant's continued receipt of residential 20305
habilitation, care, and treatment and that is a no less secure 20306
setting than the facility in which the defendant had been placed 20307
at the time of the citation. Within three days after the 20308
defendant's removal and alternative placement under the 20309
circumstances described in division (D)(2)(b) of this section, the 20310
department of developmental disabilities shall notify the trial 20311
court and the prosecutor in writing of the removal and alternative 20312
placement. 20313

The trial court shall set a date for a hearing on the removal 20314
and alternative placement, and the hearing shall be held within 20315
twenty-one days after the trial court's receipt of the notice from 20316
the department of developmental disabilities. At least ten days 20317
before the hearing is held, the trial court shall give the 20318
prosecutor, the department of developmental disabilities, and the 20319
counsel for the defendant written notice of the date, time, and 20320
place of the hearing. At the hearing, the trial court shall 20321
consider the citation issued by the individual who conducted the 20322
survey for the department of health to be prima-facie evidence of 20323
the fact that the defendant's commitment to the particular 20324
facility was inappropriate under the certification requirements of 20325
the medicaid program under Chapter 5111. of the Revised Code and 20326
Title XIX of the "Social Security Act," 49 Stat. 620 (1935), 42 20327
U.S.C.A. 301, as amended, and potentially jeopardizes the 20328
particular facility's continued receipt of federal medicaid 20329
moneys. At the conclusion of the hearing, the trial court may 20330
approve or disapprove the defendant's removal and alternative 20331
placement. If the trial court approves the defendant's removal and 20332
alternative placement, the department of developmental 20333
disabilities may continue the defendant's alternative placement. 20334
If the trial court disapproves the defendant's removal and 20335

alternative placement, it shall enter an order modifying the 20336
defendant's removal and alternative placement, but that order 20337
shall not require the department of developmental disabilities to 20338
replace the defendant for purposes of continued residential 20339
habilitation, care, and treatment in the facility associated with 20340
the citation issued by the individual who conducted the survey for 20341
the department of health. 20342

(E) In making a determination under this section regarding 20343
nonsecured status or termination of commitment, the trial court 20344
shall consider all relevant factors, including, but not limited 20345
to, all of the following: 20346

(1) Whether, in the trial court's view, the defendant or 20347
person currently represents a substantial risk of physical harm to 20348
the defendant or person or others; 20349

(2) Psychiatric and medical testimony as to the current 20350
mental and physical condition of the defendant or person; 20351

(3) Whether the defendant or person has insight into the 20352
~~defendant's~~ defendant's or person's condition so that the 20353
defendant or person will continue treatment as prescribed or seek 20354
professional assistance as needed; 20355

(4) The grounds upon which the state relies for the proposed 20356
commitment; 20357

(5) Any past history that is relevant to establish the 20358
defendant's or person's degree of conformity to the laws, rules, 20359
regulations, and values of society; 20360

(6) If there is evidence that the defendant's or person's 20361
mental illness is in a state of remission, the medically suggested 20362
cause and degree of the remission and the probability that the 20363
defendant or person will continue treatment to maintain the 20364
remissive state of the defendant's or person's illness should the 20365
defendant's or person's commitment conditions be altered. 20366

(F) At any hearing held pursuant to division (C) or (D)(1) or 20367
(2) of this section, the defendant or the person shall have all 20368
the rights of a defendant or person at a commitment hearing as 20369
described in section 2945.40 of the Revised Code. 20370

(G) In a hearing held pursuant to division (C) or (D)(1) of 20371
this section, the prosecutor has the burden of proof as follows: 20372

(1) For a recommendation of termination of commitment, to 20373
show by clear and convincing evidence that the defendant or person 20374
remains a mentally ill person subject to hospitalization by court 20375
order or a mentally retarded person subject to 20376
institutionalization by court order; 20377

(2) For a recommendation for a change in the conditions of 20378
the commitment to a less restrictive status, to show by clear and 20379
convincing evidence that the proposed change represents a threat 20380
to public safety or a threat to the safety of any person. 20381

(H) In a hearing held pursuant to division (C) or (D)(1) or 20382
(2) of this section, the prosecutor shall represent the state or 20383
the public interest. 20384

(I) At the conclusion of a hearing conducted under division 20385
(D)(1) of this section regarding a recommendation from the 20386
designee of the department of mental health, managing officer of 20387
the institution, or director of a facility or program, the trial 20388
court may approve, disapprove, or modify the recommendation and 20389
shall enter an order accordingly. 20390

(J)(1) A defendant or person who has been committed pursuant 20391
to section 2945.39 or 2945.40 of the Revised Code continues to be 20392
under the jurisdiction of the trial court until the final 20393
termination of the commitment. For purposes of division (J) of 20394
this section, the final termination of a commitment occurs upon 20395
the earlier of one of the following: 20396

(a) The defendant or person no longer is a mentally ill 20397

person subject to hospitalization by court order or a mentally 20398
retarded person subject to institutionalization by court order, as 20399
determined by the trial court; 20400

(b) The expiration of the maximum prison term or term of 20401
imprisonment that the defendant or person could have received if 20402
the defendant or person had been convicted of the most serious 20403
offense with which the defendant or person is charged or in 20404
relation to which the defendant or person was found not guilty by 20405
reason of insanity; 20406

(c) The trial court enters an order terminating the 20407
commitment under the circumstances described in division 20408
(J)(2)(a)(ii) of this section. 20409

(2)(a) If a defendant is found incompetent to stand trial and 20410
committed pursuant to section 2945.39 of the Revised Code, if 20411
neither of the circumstances described in divisions (J)(1)(a) and 20412
(b) of this section applies to that defendant, and if a report 20413
filed with the trial court pursuant to division (C) of this 20414
section indicates that the defendant presently is competent to 20415
stand trial or if, at any other time during the period of the 20416
defendant's commitment, the prosecutor, the counsel for the 20417
defendant, or the designee of the department of mental health or 20418
the managing officer of the institution or director of the 20419
facility or program to which the defendant is committed files an 20420
application with the trial court alleging that the defendant 20421
presently is competent to stand trial and requesting a hearing on 20422
the competency issue or the trial court otherwise has reasonable 20423
cause to believe that the defendant presently is competent to 20424
stand trial and determines on its own motion to hold a hearing on 20425
the competency issue, the trial court shall schedule a hearing on 20426
the competency of the defendant to stand trial, shall give the 20427
prosecutor, the counsel for the defendant, and the department's 20428
designee or the managing officer of the institution or the 20429

director of the facility to which the defendant is committed 20430
notice of the date, time, and place of the hearing at least 20431
fifteen days before the hearing, and shall conduct the hearing 20432
within thirty days of the filing of the application or of its own 20433
motion. If, at the conclusion of the hearing, the trial court 20434
determines that the defendant presently is capable of 20435
understanding the nature and objective of the proceedings against 20436
the defendant and of assisting in the defendant's defense, the 20437
trial court shall order that the defendant is competent to stand 20438
trial and shall be proceeded against as provided by law with 20439
respect to the applicable offenses described in division (C)(1) of 20440
section 2945.38 of the Revised Code and shall enter whichever of 20441
the following additional orders is appropriate: 20442

(i) If the trial court determines that the defendant remains 20443
a mentally ill person subject to hospitalization by court order or 20444
a mentally retarded person subject to institutionalization by 20445
court order, the trial court shall order that the defendant's 20446
commitment to the department of mental health or to an institution 20447
~~or, facility, or program~~ for the treatment of ~~developmental~~ 20448
~~disabilities~~ mental retardation be continued during the pendency 20449
of the trial on the applicable offenses described in division 20450
(C)(1) of section 2945.38 of the Revised Code. 20451

(ii) If the trial court determines that the defendant no 20452
longer is a mentally ill person subject to hospitalization by 20453
court order or a mentally retarded person subject to 20454
institutionalization by court order, the trial court shall order 20455
that the defendant's commitment to the department of mental health 20456
or to an institution ~~or, facility, or program~~ for the treatment of 20457
~~developmental disabilities~~ mental retardation shall not be 20458
continued during the pendency of the trial on the applicable 20459
offenses described in division (C)(1) of section 2945.38 of the 20460
Revised Code. This order shall be a final termination of the 20461

commitment for purposes of division (J)(1)(c) of this section. 20462

(b) If, at the conclusion of the hearing described in 20463
division (J)(2)(a) of this section, the trial court determines 20464
that the defendant remains incapable of understanding the nature 20465
and objective of the proceedings against the defendant or of 20466
assisting in the defendant's defense, the trial court shall order 20467
that the defendant continues to be incompetent to stand trial, 20468
that the defendant's commitment to the department of mental health 20469
or to an institution ~~or~~, facility, or program for the treatment of 20470
~~developmental disabilities~~ mental retardation shall be continued, 20471
and that the defendant remains subject to the jurisdiction of the 20472
trial court pursuant to that commitment, and to the provisions of 20473
this section, until the final termination of the commitment as 20474
described in division (J)(1) of this section. 20475

Sec. 2953.32. (A)(1) Except as provided in section 2953.61 of 20476
the Revised Code, a first offender may apply to the sentencing 20477
court if convicted in this state, or to a court of common pleas if 20478
convicted in another state or in a federal court, for the sealing 20479
of the conviction record. Application may be made at the 20480
expiration of three years after the offender's final discharge if 20481
convicted of a felony, or at the expiration of one year after the 20482
offender's final discharge if convicted of a misdemeanor. 20483

(2) Any person who has been arrested for any misdemeanor 20484
offense and who has effected a bail forfeiture may apply to the 20485
court in which the misdemeanor criminal case was pending when bail 20486
was forfeited for the sealing of the record of the case. Except as 20487
provided in section 2953.61 of the Revised Code, the application 20488
may be filed at any time after the expiration of one year from the 20489
date on which the bail forfeiture was entered upon the minutes of 20490
the court or the journal, whichever entry occurs first. 20491

(B) Upon the filing of an application under this section, the 20492

court shall set a date for a hearing and shall notify the 20493
prosecutor for the case of the hearing on the application. The 20494
prosecutor may object to the granting of the application by filing 20495
an objection with the court prior to the date set for the hearing. 20496
The prosecutor shall specify in the objection the reasons for 20497
believing a denial of the application is justified. The court 20498
shall direct its regular probation officer, a state probation 20499
officer, or the department of probation of the county in which the 20500
applicant resides to make inquiries and written reports as the 20501
court requires concerning the applicant. 20502

(C)(1) The court shall do each of the following: 20503

(a) Determine whether the applicant is a first offender or 20504
whether the forfeiture of bail was agreed to by the applicant and 20505
the prosecutor in the case. If the applicant applies as a first 20506
offender pursuant to division (A)(1) of this section and has two 20507
or three convictions that result from the same indictment, 20508
information, or complaint, from the same plea of guilty, or from 20509
the same official proceeding, and result from related criminal 20510
acts that were committed within a three-month period but do not 20511
result from the same act or from offenses committed at the same 20512
time, in making its determination under this division, the court 20513
initially shall determine whether it is not in the public interest 20514
for the two or three convictions to be counted as one conviction. 20515
If the court determines that it is not in the public interest for 20516
the two or three convictions to be counted as one conviction, the 20517
court shall determine that the applicant is not a first offender; 20518
if the court does not make that determination, the court shall 20519
determine that the offender is a first offender. 20520

(b) Determine whether criminal proceedings are pending 20521
against the applicant; 20522

(c) If the applicant is a first offender who applies pursuant 20523
to division (A)(1) of this section, determine whether the 20524

applicant has been rehabilitated to the satisfaction of the court; 20525

(d) If the prosecutor has filed an objection in accordance 20526
with division (B) of this section, consider the reasons against 20527
granting the application specified by the prosecutor in the 20528
objection; 20529

(e) Weigh the interests of the applicant in having the 20530
records pertaining to the applicant's conviction sealed against 20531
the legitimate needs, if any, of the government to maintain those 20532
records. 20533

(2) If the court determines, after complying with division 20534
(C)(1) of this section, that the applicant is a first offender or 20535
the subject of a bail forfeiture, that no criminal proceeding is 20536
pending against the applicant, and that the interests of the 20537
applicant in having the records pertaining to the applicant's 20538
conviction or bail forfeiture sealed are not outweighed by any 20539
legitimate governmental needs to maintain those records, and that 20540
the rehabilitation of an applicant who is a first offender 20541
applying pursuant to division (A)(1) of this section has been 20542
attained to the satisfaction of the court, the court, except as 20543
provided in divisions (G) and (H) of this section, shall order all 20544
official records pertaining to the case sealed and, except as 20545
provided in division (F) of this section, all index references to 20546
the case deleted and, in the case of bail forfeitures, shall 20547
dismiss the charges in the case. The proceedings in the case shall 20548
be considered not to have occurred and the conviction or bail 20549
forfeiture of the person who is the subject of the proceedings 20550
shall be sealed, except that upon conviction of a subsequent 20551
offense, the sealed record of prior conviction or bail forfeiture 20552
may be considered by the court in determining the sentence or 20553
other appropriate disposition, including the relief provided for 20554
in sections 2953.31 to 2953.33 of the Revised Code. 20555

(3) Upon the filing of an application under this section, the 20556

applicant, unless indigent, shall pay a fee of fifty dollars. The 20557
court shall pay thirty dollars of the fee into the state treasury. 20558
It shall pay twenty dollars of the fee into the county general 20559
revenue fund if the sealed conviction or bail forfeiture was 20560
pursuant to a state statute, or into the general revenue fund of 20561
the municipal corporation involved if the sealed conviction or 20562
bail forfeiture was pursuant to a municipal ordinance. 20563

(D) Inspection of the sealed records included in the order 20564
may be made only by the following persons or for the following 20565
purposes: 20566

(1) By a law enforcement officer or prosecutor, or the 20567
assistants of either, to determine whether the nature and 20568
character of the offense with which a person is to be charged 20569
would be affected by virtue of the person's previously having been 20570
convicted of a crime; 20571

(2) By the parole or probation officer of the person who is 20572
the subject of the records, for the exclusive use of the officer 20573
in supervising the person while on parole or under a community 20574
control sanction or a post-release control sanction, and in making 20575
inquiries and written reports as requested by the court or adult 20576
parole authority; 20577

(3) Upon application by the person who is the subject of the 20578
records, by the persons named in the application; 20579

(4) By a law enforcement officer who was involved in the 20580
case, for use in the officer's defense of a civil action arising 20581
out of the officer's involvement in that case; 20582

(5) By a prosecuting attorney or the prosecuting attorney's 20583
assistants, to determine a defendant's eligibility to enter a 20584
pre-trial diversion program established pursuant to section 20585
2935.36 of the Revised Code; 20586

(6) By any law enforcement agency or any authorized employee 20587

of a law enforcement agency or by the department of rehabilitation 20588
and correction as part of a background investigation of a person 20589
who applies for employment with the agency as a law enforcement 20590
officer or with the department as a corrections officer; 20591

(7) By any law enforcement agency or any authorized employee 20592
of a law enforcement agency, for the purposes set forth in, and in 20593
the manner provided in, section 2953.321 of the Revised Code; 20594

(8) By the bureau of criminal identification and 20595
investigation or any authorized employee of the bureau for the 20596
purpose of providing information to a board or person pursuant to 20597
division (F) or (G) of section 109.57 of the Revised Code; 20598

(9) By the bureau of criminal identification and 20599
investigation or any authorized employee of the bureau for the 20600
purpose of performing a criminal history records check on a person 20601
to whom a certificate as prescribed in section 109.77 of the 20602
Revised Code is to be awarded; 20603

(10) By the bureau of criminal identification and 20604
investigation or any authorized employee of the bureau for the 20605
purpose of conducting a criminal records check of an individual 20606
pursuant to division (B) of section 109.572 of the Revised Code 20607
that was requested pursuant to any of the sections identified in 20608
division (B)(1) of that section; 20609

(11) By the bureau of criminal identification and 20610
investigation, an authorized employee of the bureau, a sheriff, or 20611
an authorized employee of a sheriff in connection with a criminal 20612
records check described in section 311.41 of the Revised Code; 20613

(12) By the attorney general or an authorized employee of the 20614
attorney general or a court for purposes of determining a person's 20615
classification pursuant to Chapter 2950. of the Revised Code; 20616

(13) By a prosecuting attorney or the attorney general, or 20617
the assistants of either, for purposes of defending a civil action 20618

brought pursuant to division (B)(1) of section 2743.48 of the 20619
Revised Code. 20620

When the nature and character of the offense with which a 20621
person is to be charged would be affected by the information, it 20622
may be used for the purpose of charging the person with an 20623
offense. 20624

(E) In any criminal proceeding, proof of any otherwise 20625
admissible prior conviction may be introduced and proved, 20626
notwithstanding the fact that for any such prior conviction an 20627
order of sealing previously was issued pursuant to sections 20628
2953.31 to 2953.36 of the Revised Code. 20629

(F) The person or governmental agency, office, or department 20630
that maintains sealed records pertaining to convictions or bail 20631
forfeitures that have been sealed pursuant to this section may 20632
maintain a manual or computerized index to the sealed records. The 20633
index shall contain only the name of, and alphanumeric identifiers 20634
that relate to, the persons who are the subject of the sealed 20635
records, the word "sealed," and the name of the person, agency, 20636
office, or department that has custody of the sealed records, and 20637
shall not contain the name of the crime committed. The index shall 20638
be made available by the person who has custody of the sealed 20639
records only for the purposes set forth in divisions (C), (D), and 20640
(E) of this section. 20641

(G) Notwithstanding any provision of this section or section 20642
2953.33 of the Revised Code that requires otherwise, a board of 20643
education of a city, local, exempted village, or joint vocational 20644
school district that maintains records of an individual who has 20645
been permanently excluded under sections 3301.121 and 3313.662 of 20646
the Revised Code is permitted to maintain records regarding a 20647
conviction that was used as the basis for the individual's 20648
permanent exclusion, regardless of a court order to seal the 20649
record. An order issued under this section to seal the record of a 20650

conviction does not revoke the adjudication order of the 20651
superintendent of public instruction to permanently exclude the 20652
individual who is the subject of the sealing order. An order 20653
issued under this section to seal the record of a conviction of an 20654
individual may be presented to a district superintendent as 20655
evidence to support the contention that the superintendent should 20656
recommend that the permanent exclusion of the individual who is 20657
the subject of the sealing order be revoked. Except as otherwise 20658
authorized by this division and sections 3301.121 and 3313.662 of 20659
the Revised Code, any school employee in possession of or having 20660
access to the sealed conviction records of an individual that were 20661
the basis of a permanent exclusion of the individual is subject to 20662
section 2953.35 of the Revised Code. 20663

(H) For purposes of sections 2953.31 to 2953.36 of the 20664
Revised Code, DNA records collected in the DNA database and 20665
fingerprints filed for record by the superintendent of the bureau 20666
of criminal identification and investigation shall not be sealed 20667
unless the superintendent receives a certified copy of a final 20668
court order establishing that the offender's conviction has been 20669
overturned. For purposes of this section, a court order is not 20670
"final" if time remains for an appeal or application for 20671
discretionary review with respect to the order. 20672

Sec. 2961.22. (A)(1) Any prisoner serving a prison term in a 20673
state correctional institution who satisfies all of the following 20674
is eligible to apply to the department of rehabilitation and 20675
correction at a time specified in division (A)(2) of this section 20676
and in accordance with division (D) of this section for a 20677
certificate of achievement and employability: 20678

(a) The prisoner has satisfactorily completed one or more 20679
in-prison vocational programs approved by rule by the department 20680
of rehabilitation and correction. 20681

(b) The prisoner has demonstrated exemplary performance as 20682
determined by completion of one or more cognitive or behavioral 20683
improvement programs approved by rule by the department while 20684
incarcerated in a state correctional institution, while under 20685
supervision, or during both periods of time. 20686

(c) The prisoner has completed community service hours. 20687

(d) The prisoner shows other evidence of achievement and 20688
rehabilitation while under the jurisdiction of the department. 20689

(2) An eligible prisoner may apply to the department of 20690
rehabilitation and correction under division (A)(1) of this 20691
section for a certificate of achievement and employability no 20692
earlier than one year prior to the date scheduled for the release 20693
of the prisoner from department custody and no later than the date 20694
of release of the prisoner. 20695

(B)(1) Any prisoner who has been released from a state 20696
correctional institution, who is under supervision on parole or 20697
under a post-release control sanction, and who satisfies all of 20698
the criteria set forth in division (A)(1) of this section is 20699
eligible to apply to the adult parole authority at a time 20700
specified in division (B)(2) of this section and in accordance 20701
with division (D) of this section for a certificate of achievement 20702
and employability. 20703

(2) An eligible prisoner may apply to the adult parole 20704
authority under division (B)(1) of this section for a certificate 20705
of achievement and employability at any time while the prisoner is 20706
under supervision on parole or under a post-release control 20707
sanction. 20708

(C)(1) An eligible prisoner may apply to the department of 20709
rehabilitation and correction or to the adult parole authority at 20710
a time specified in division (A) or (B) of this section, whichever 20711
is applicable, for a certificate of achievement and employability 20712

that grants the prisoner relief from one or more mandatory civil 20713
impacts that would affect a potential job within a field in which 20714
the prisoner trained as part of the prisoner's in-prison 20715
vocational program. The prisoner shall specify the mandatory civil 20716
impacts from which the prisoner is requesting relief under the 20717
certificate. Upon application by a prisoner in accordance with 20718
this division, if the mandatory civil impact of any licensing 20719
agency would be affected by the issuance of the certificate to the 20720
prisoner, the department or authority shall notify the licensing 20721
agency of the filing of the application, provide the licensing 20722
agency with a copy of the application and all evidence that the 20723
department, authority, or court has regarding the prisoner, and 20724
afford the licensing agency with an opportunity to object in 20725
writing to the issuance of the certificate to the prisoner. 20726

(2) Upon application by a prisoner in accordance with 20727
division (C)(1) of this section, the department of rehabilitation 20728
and correction or the adult parole authority, whichever is 20729
applicable, shall consider the application and all objections to 20730
the issuance of a certificate of achievement and employability to 20731
the prisoner, if any, that were made by a licensing agency under 20732
division (C)(1) of this section. If the department or authority 20733
determines that the prisoner is an eligible prisoner, that the 20734
application was filed at a time specified in division (B) of this 20735
section, and that any licensing agency objections to the issuance 20736
of the certificate to the prisoner are not sufficient to deny the 20737
issuance of the certificate to the prisoner, subject to division 20738
(C)(3) of this section, the department or authority shall issue 20739
the prisoner a certificate of achievement and employability that 20740
grants the prisoner relief from the mandatory civil impacts that 20741
are specified in the prisoner's application and that would affect 20742
a potential job within a field in which the prisoner trained as 20743
part of the prisoner's in-prison vocational program. 20744

(3) The mandatory civil impacts identified in division (A)(1) 20745
of section 2961.01 and in division (B) of section 2961.02 of the 20746
Revised Code shall not be affected by any certificate of 20747
achievement and employability issued under this section. No 20748
certificate of achievement and employability issued to a prisoner 20749
under this section grants the prisoner relief from the mandatory 20750
civil impacts identified in division (A)(1) of section 2961.01 and 20751
in division (B) of section 2961.02 of the Revised Code. 20752

(E) The department of rehabilitation and correction shall 20753
adopt rules that define in-prison vocational programs and 20754
cognitive or behavioral improvement programs that a prisoner may 20755
complete to satisfy the criteria described in divisions (A)(1)(a) 20756
and (b) of this section. 20757

(F) The department of rehabilitation and correction and the 20758
adult parole authority shall not be liable for any claim for 20759
damages arising from the department's or authority's issuance, 20760
denial, or revocation of a certificate of achievement and 20761
employability or for the department's or authority's failure to 20762
revoke a certificate of achievement and employability under the 20763
circumstances described in section 2961.24 of the Revised Code. 20764

Sec. 2967.03. The adult parole authority may exercise its 20765
functions and duties in relation to the pardon, commutation of 20766
sentence, or reprieve of a convict upon direction of the governor 20767
or upon its own initiative. It may exercise its functions and 20768
duties in relation to the parole of a prisoner who is eligible for 20769
parole upon the initiative of the head of the institution in which 20770
the prisoner is confined or upon its own initiative. When a 20771
prisoner becomes eligible for parole, the head of the institution 20772
in which the prisoner is confined shall notify the authority in 20773
the manner prescribed by the authority. The authority may 20774
investigate and examine, or cause the investigation and 20775

examination of, prisoners confined in state correctional 20776
institutions concerning their conduct in the institutions, their 20777
mental and moral qualities and characteristics, their knowledge of 20778
a trade or profession, their former means of livelihood, their 20779
family relationships, and any other matters affecting their 20780
fitness to be at liberty without being a threat to society. 20781

The authority may recommend to the governor the pardon, 20782
commutation of sentence, ~~medical release~~, or reprieve of any 20783
convict or prisoner or grant a parole to any prisoner for whom 20784
parole is authorized, if in its judgment there is reasonable 20785
ground to believe that granting a pardon, commutation, ~~medical~~ 20786
~~release~~, or reprieve to the convict or paroling the prisoner would 20787
further the interests of justice and be consistent with the 20788
welfare and security of society. However, the authority shall not 20789
recommend a pardon, or commutation of sentence, ~~or medical release~~ 20790
~~of~~, or grant a parole to, any convict or prisoner until the 20791
authority has complied with the applicable notice requirements of 20792
sections 2930.16 and 2967.12 of the Revised Code and until it has 20793
considered any statement made by a victim or a victim's 20794
representative that is relevant to the convict's or prisoner's 20795
case and that was sent to the authority pursuant to section 20796
2930.17 of the Revised Code, any other statement made by a victim 20797
or a victim's representative that is relevant to the convict's or 20798
prisoner's case and that was received by the authority after it 20799
provided notice of the pendency of the action under sections 20800
2930.16 and 2967.12 of the Revised Code, and any written statement 20801
of any person submitted to the court pursuant to division (G) of 20802

testimony as authorized by section 5149.101 of the Revised Code, 20806
the authority shall consider the testimony in determining whether 20807

Sec. 2967.05. (A) As used in this section: 20827

(1) "Imminent danger of death" means that the inmate has a 20828
medically diagnosable condition that will cause death to occur 20829

As used in division (A)(1) of this section, "within a short 20831
period of time" means generally within six months. 20832

(2)(a) "Medically incapacitated" means any diagnosable 20833
medical condition, including mental dementia and severe, permanent 20834
medical or cognitive disability, that prevents the inmate from 20835
completing activities of daily living without significant 20836
assistance, that incapacitates the inmate to the extent that 20837
institutional confinement does not offer additional restrictions, 20838
that is likely to continue throughout the entire period of parole, 20839

and that is unlikely to improve noticeably. 20840

(b) "Medically incapacitated" does not include conditions 20841
related solely to mental illness unless the mental illness is 20842
accompanied by injury, disease, or organic defect. 20843

(3)(a) "Terminal illness" means a condition that satisfies 20844
all of the following criteria: 20845

(i) The condition is irreversible and incurable and is caused 20846
by disease, illness, or injury from which the inmate is unlikely 20847
to recover. 20848

(ii) In accordance with reasonable medical standards and a 20849
reasonable degree of medical certainty, the condition is likely to 20850
cause death to the inmate within twelve months. 20851

(iii) Institutional confinement of the inmate does not offer 20852
additional protections for public safety or against the inmate's 20853
risk to reoffend. 20854

(b) The department of rehabilitation and correction shall 20855
adopt rules pursuant to Chapter 119. of the Revised Code to 20856

incapacitated, or in imminent danger of death, the governor may 20862
order the inmate's release as if on parole, reserving the right to 20863
return the inmate to the institution pursuant to this section. If, 20864
subsequent to the inmate's release, the inmate's health improves 20865
so that the inmate is no longer terminally ill, medically 20866
incapacitated, or in imminent danger of death, the inmate shall be 20867
returned, by order of the governor, to the institution from which 20868
the inmate was released. If the inmate violates any rules or 20869

incapacitated, or in imminent danger of death. 20882

(C) No inmate is eligible for release under this section if 20883
the inmate is serving a death sentence, a sentence of life without 20884
parole, a sentence under Chapter 2971. of the Revised Code for a 20885
felony of the first or second degree, a sentence for aggravated 20886

substance abuse, mental health counseling, counseling for sex 20937
offenders, ~~and~~ electronic monitoring services, aftercare, and 20938
other nonresidential services that the director identifies by 20939
rule. 20940

center, or community residential center complies with the 20946
standards that the division adopts in accordance with Chapter 119. 20947
of the Revised Code for the licensure of halfway houses, reentry 20948
centers, and community residential centers. The division shall 20949
annually inspect each licensed halfway house, licensed reentry 20950

(E) When the director submits a ~~petition~~ written notice to a 21093
sentencing court that an offender is eligible to be considered for 21094
early release under this section ~~for release of an offender~~, the 21095
department promptly shall provide to the prosecuting attorney of 21096
the county in which the offender was indicted a copy of the 21097
~~petition~~ written notice, a copy of the institutional summary 21098

including, but not limited to, the offender's institutional 21115
conduct and rehabilitative activities while incarcerated. 21116

(F) Upon receipt of a ~~petition for release of an offender~~ 21117
written notice submitted by the director under division (B) of 21118

shall, on its own motion, schedule a hearing to consider releasing 21120
the offender who is the subject of the notice or shall inform the 21121
department that it will not be conducting a hearing relative to 21122
the offender. The court shall not grant a ~~petition for an early~~ 21123

release ~~of~~ to an offender without holding a hearing. If a court 21124
~~denies a petition for release of an offender without~~ declines to 21125
hold a hearing relative to an offender with respect to a written 21126
notice submitted by the director, the court may later consider 21127
release of that offender under this section on a ~~subsequent~~ 21128
~~petition. The court shall enter its ruling within~~ its own motion 21129
by scheduling a hearing for that purpose. Within thirty days after 21130
the ~~petition~~ written notice is ~~filed~~ submitted, the court shall 21131
inform the department whether or not the court is scheduling a 21132
hearing on the offender who is the subject of the notice. 21133

(G) If the court ~~grants~~ schedules a hearing ~~on~~ upon receiving 21134
a ~~petition for release of an offender~~ written notice submitted 21135
under division (B) of this section or upon its own motion under 21136
division (F) of this section, the court shall notify the head of 21137
the state correctional institution in which the offender is 21138
confined of the hearing prior to the hearing. If the court makes a 21139
journal entry ordering the offender to be conveyed to the hearing, 21140
except as otherwise provided in this division, the head of the 21141
correctional institution shall deliver the offender to the sheriff 21142
of the county in which the hearing is to be held, and the sheriff 21143

court's own motion or the motion of the offender or the 21145
prosecuting attorney of the county in which the offender was 21146
indicted, the court may permit the offender to appear at the 21147
hearing by video conferencing equipment if equipment of that 21148
nature is available and compatible. 21149

Upon receipt of notice from a court of a hearing on the 21150
release of an offender under this division, the head of the state 21151
correctional institution in which the offender is confined 21152
immediately shall notify the appropriate person at the department 21153
of rehabilitation and correction of the hearing, and the 21154
department within twenty-four hours after receipt of the notice 21155

shall post on the database it maintains pursuant to section 21156
5120.66 of the Revised Code the offender's name and all of the 21157
information specified in division (A)(1)(c)(i) of that section. If 21158
the court ~~grants~~ schedules a hearing ~~on a petition for release of~~ 21159
~~an offender~~ under this section, the court promptly shall give 21160
notice of the hearing to the prosecuting attorney of the county in 21161
which the offender was indicted. Upon receipt of the notice from 21162
the court, the prosecuting attorney shall notify pursuant to 21163
section 2930.16 of the Revised Code any victim of the offender or 21164
the victim's representative of the hearing. 21165

(H) If the court ~~grants~~ schedules a hearing ~~on a petition for~~ 21166
~~release of an offender~~ under this section, at the hearing, the 21167
court shall afford the offender and the offender's attorney an 21168
opportunity to present written information and, if present, oral 21169
information relevant to the ~~motion~~ offender's early release. The 21170
court shall afford a similar opportunity to the prosecuting 21171
attorney, victim or victim's representative, as defined in section 21172
2930.01 of the Revised Code, and any other person the court 21173
determines is likely to present additional relevant information. 21174
If the court pursuant to division (G) of this section permits the 21175
offender to appear at the hearing by video conferencing equipment, 21176
the offender's opportunity to present oral information shall be as 21177
a part of the video conferencing. The court shall consider any 21178
statement of a victim made under section 2930.14 or 2930.17 of the 21179
Revised Code, any victim impact statement prepared under section 21180

section. After ruling on ~~the motion~~ whether to grant the offender 21183
early release, the court shall notify the victim in accordance 21184
with sections 2930.03 and 2930.16 of the Revised Code. 21185

appropriate community control sanctions, under appropriate 21189
conditions, and under the supervision of the department of 21190
probation that serves the court, and shall reserve the right to 21191
reimpose the sentence that it reduced and from which the offender 21192
was released if the offender violates the sanction. The court 21193
shall not make a release under this section effective prior to the 21194
date on which the offender ~~has served at least eighty per cent of~~ 21195
~~the offender's stated prison term that remains to be served after~~ 21196
~~the offender~~ becomes eligible as described in division (C) of this 21197
section. If the sentence under which the offender is confined in a 21198
state correctional institution and from which the offender is 21199
being released was imposed for a felony of the first or second 21200
degree, the court shall consider ordering that the offender be 21201
monitored by means of a global positioning device. If the court 21202
reimposes the sentence that it reduced and from which the offender 21203
was released and if the violation of the sanction is a new 21204
offense, the court may order that the reimposed sentence be served 21205
either concurrently with, or consecutive to, any new sentence 21206
imposed upon the offender as a result of the violation that is a 21207
new offense. The period of all community control sanctions imposed 21208
under this division shall not exceed five years. The court, in its 21209
discretion, may reduce the period of community control sanctions 21210
by the amount of time the offender spent in jail or prison for the 21211
offense. 21212

If the court grants ~~a petition for release of~~ an offender 21213
early release under this section, it shall notify the appropriate 21214
person at the department of rehabilitation and correction of the 21215
release, and the department shall post notice of the release on 21216
the database it maintains pursuant to section 5120.66 of the 21217
Revised Code. 21218

(J) The department shall adopt under Chapter 119. of the 21219

Revised Code any rules necessary to implement this section. 21220

Sec. 2967.191. The department of rehabilitation and 21221
correction shall reduce the stated prison term of a prisoner or, 21222
if the prisoner is serving a term for which there is parole 21223
eligibility, the minimum and maximum term or the parole 21224
eligibility date of the prisoner by the total number of days that 21225
the prisoner was confined for any reason arising out of the 21226
offense for which the prisoner was convicted and sentenced, 21227
including confinement in lieu of bail while awaiting trial, 21228
confinement for examination to determine the prisoner's competence 21229
to stand trial or sanity, and confinement while awaiting 21230
transportation to the place where the prisoner is to serve the 21231
prisoner's prison term, as determined by the sentencing court 21232
under division (B)(2)(h)(i) of section 2929.19 of the Revised 21233
Code. The department of rehabilitation and correction also shall 21234
reduce the stated prison term of a prisoner or, if the prisoner is 21235
serving a term for which there is parole eligibility, the minimum 21236
and maximum term or the parole eligibility date of the prisoner by 21237
the total number of days, if any, that the prisoner previously 21238
served in the custody of the department of rehabilitation and 21239
correction arising out of the offense for which the prisoner was 21240
convicted and sentenced. 21241

Sec. 2967.26. (A)(1) The department of rehabilitation and 21242
correction, by rule, may establish a transitional control program 21243
for the purpose of closely monitoring a prisoner's adjustment to 21244
community supervision during the final one hundred eighty days of 21245
the prisoner's confinement. If the department establishes a 21246
transitional control program under this division, the adult parole 21247
authority may transfer eligible prisoners to transitional control 21248
status under the program during the final one hundred eighty days 21249
of their confinement and under the terms and conditions 21250

established by the department, shall provide for the confinement 21251
as provided in this division of each eligible prisoner so 21252
transferred, and shall supervise each eligible prisoner so 21253
transferred in one or more community control sanctions. Each 21254
eligible prisoner who is transferred to transitional control 21255
status under the program shall be confined in a suitable facility 21256
that is licensed pursuant to division (C) of section 2967.14 of 21257
the Revised Code, or shall be confined in a residence the 21258
department has approved for this purpose and be monitored pursuant 21259
to an electronic monitoring device, as defined in section 2929.01 21260
of the Revised Code. If the department establishes a transitional 21261
control program under this division, the rules establishing the 21262
program shall include criteria that define which prisoners are 21263
eligible for the program, criteria that must be satisfied to be 21264
approved as a residence that may be used for confinement under the 21265
program of a prisoner that is transferred to it and procedures for 21266
the department to approve residences that satisfy those criteria, 21267
and provisions of the type described in division (C) of this 21268
section. At a minimum, the criteria that define which prisoners 21269
are eligible for the program shall provide all of the following: 21270

(a) That a prisoner is eligible for the program if the 21271
prisoner is serving a prison term or term of imprisonment for an 21272
offense committed prior to March 17, 1998, and if, at the time at 21273
which eligibility is being determined, the prisoner would have 21274
been eligible for a furlough under this section as it existed 21275
immediately prior to March 17, 1998, or would have been eligible 21276
for conditional release under former section 2967.23 of the 21277
Revised Code as that section existed immediately prior to March 21278
17, 1998; 21279

(b) That no prisoner who is serving a mandatory prison term 21280
is eligible for the program until after expiration of the 21281
mandatory term; 21282

(c) That no prisoner who is serving a prison term or term of 21283
life imprisonment without parole imposed pursuant to section 21284
2971.03 of the Revised Code is eligible for the program. 21285

(2) At least three weeks prior to transferring to 21286
transitional control under this section a prisoner who is serving 21287
a term of imprisonment or prison term for an offense committed on 21288
or after July 1, 1996, the ~~adult~~ division of parole authority and 21289
community services of the department of rehabilitation and 21290
correction shall give notice of the pendency of the transfer to 21291
transitional control to the court of common pleas of the county in 21292
which the indictment against the prisoner was found and of the 21293
fact that the court may disapprove the transfer of the prisoner to 21294
transitional control and shall include a report prepared by the 21295
head of the state correctional institution in which the prisoner 21296
is confined. The head of the state correctional institution in 21297
which the prisoner is confined, upon the request of the adult 21298
parole authority, shall provide to the authority for inclusion in 21299
the notice sent to the court under this division a report on the 21300
prisoner's conduct in the institution and in any institution from 21301
which the prisoner may have been transferred. The report shall 21302
cover the prisoner's participation in school, vocational training, 21303
work, treatment, and other rehabilitative activities and any 21304
disciplinary action taken against the prisoner. If the court 21305
disapproves of the transfer of the prisoner to transitional 21306
control, the court shall notify the authority of the disapproval 21307
within thirty days after receipt of the notice. If the court 21308
timely disapproves the transfer of the prisoner to transitional 21309
control, the authority shall not proceed with the transfer. If the 21310
court does not timely disapprove the transfer of the prisoner to 21311
transitional control, the authority may transfer the prisoner to 21312
transitional control. 21313

(3) If the victim of an offense for which a prisoner was 21314

sentenced to a prison term or term of imprisonment has requested 21315
notification under section 2930.16 of the Revised Code and has 21316
provided the department of rehabilitation and correction with the 21317
victim's name and address, the adult parole authority, at least 21318
three weeks prior to transferring the prisoner to transitional 21319
control pursuant to this section, shall notify the victim of the 21320
pendency of the transfer and of the victim's right to submit a 21321
statement to the authority regarding the impact of the transfer of 21322
the prisoner to transitional control. If the victim subsequently 21323
submits a statement of that nature to the authority, the authority 21324
shall consider the statement in deciding whether to transfer the 21325
prisoner to transitional control. 21326

(4) The department of rehabilitation and correction, at least 21327
three weeks prior to transferring a prisoner to transitional 21328
control pursuant to this section, shall post on the database it 21329
maintains pursuant to section 5120.66 of the Revised Code the 21330
prisoner's name and all of the information specified in division 21331
(A)(1)(c)(iv) of that section. In addition to and independent of 21332
the right of a victim to submit a statement as described in 21333
division (A)(3) of this section or to otherwise make a statement 21334
and in addition to and independent of any other right or duty of a 21335
person to present information or make a statement, any person may 21336
send to the adult parole authority at any time prior to the 21337
authority's transfer of the prisoner to transitional control a 21338
written statement regarding the transfer of the prisoner to 21339
transitional control. In addition to the information, reports, and 21340
statements it considers under divisions (A)(2) and (3) of this 21341
section or that it otherwise considers, the authority shall 21342
consider each statement submitted in accordance with this division 21343
in deciding whether to transfer the prisoner to transitional 21344
control. 21345

(B) Each prisoner transferred to transitional control under 21346

this section shall be confined in the manner described in division 21347
(A) of this section during any period of time that the prisoner is 21348
not actually working at the prisoner's approved employment, 21349
engaged in a vocational training or another educational program, 21350
engaged in another program designated by the director, or engaged 21351
in other activities approved by the department. 21352

(C) The department of rehabilitation and correction shall 21353
adopt rules for transferring eligible prisoners to transitional 21354
control, supervising and confining prisoners so transferred, 21355
administering the transitional control program in accordance with 21356
this section, and using the moneys deposited into the transitional 21357
control fund established under division (E) of this section. 21358

(D) The department of rehabilitation and correction may adopt 21359
rules for the issuance of passes for the limited purposes 21360
described in this division to prisoners who are transferred to 21361
transitional control under this section. If the department adopts 21362
rules of that nature, the rules shall govern the granting of the 21363
passes and shall provide for the supervision of prisoners who are 21364
temporarily released pursuant to one of those passes. Upon the 21365
adoption of rules under this division, the department may issue 21366
passes to prisoners who are transferred to transitional control 21367
status under this section in accordance with the rules and the 21368
provisions of this division. All passes issued under this division 21369
shall be for a maximum of forty-eight hours and may be issued only 21370
for the following purposes: 21371

(1) To visit a relative in imminent danger of death; 21372

(2) To have a private viewing of the body of a deceased 21373
relative; 21374

(3) To visit with family; 21375

(4) To otherwise aid in the rehabilitation of the prisoner. 21376

(E) The adult parole authority may require a prisoner who is 21377

transferred to transitional control to pay to the division of 21378
parole and community services the reasonable expenses incurred by 21379
the division in supervising or confining the prisoner while under 21380
transitional control. Inability to pay those reasonable expenses 21381
shall not be grounds for refusing to transfer an otherwise 21382
eligible prisoner to transitional control. Amounts received by the 21383
division of parole and community services under this division 21384
shall be deposited into the transitional control fund, which is 21385
hereby created in the state treasury and which hereby replaces and 21386
succeeds the furlough services fund that formerly existed in the 21387
state treasury. All moneys that remain in the furlough services 21388
fund on March 17, 1998, shall be transferred on that date to the 21389
transitional control fund. The transitional control fund shall be 21390
used solely to pay costs related to the operation of the 21391
transitional control program established under this section. The 21392
director of rehabilitation and correction shall adopt rules in 21393
accordance with section 111.15 of the Revised Code for the use of 21394
the fund. 21395

(F) A prisoner who violates any rule established by the 21396
department of rehabilitation and correction under division (A), 21397
(C), or (D) of this section may be transferred to a state 21398
correctional institution pursuant to rules adopted under division 21399
(A), (C), or (D) of this section, but the prisoner shall receive 21400
credit towards completing the prisoner's sentence for the time 21401
spent under transitional control. 21402

If a prisoner is transferred to transitional control under 21403
this section, upon successful completion of the period of 21404
transitional control, the prisoner may be released on parole or 21405
under post-release control pursuant to section 2967.13 or 2967.28 21406
of the Revised Code and rules adopted by the department of 21407
rehabilitation and correction. If the prisoner is released under 21408
post-release control, the duration of the post-release control, 21409

the type of post-release control sanctions that may be imposed, 21410
the enforcement of the sanctions, and the treatment of prisoners 21411
who violate any sanction applicable to the prisoner are governed 21412
by section 2967.28 of the Revised Code. 21413

Sec. 2967.28. (A) As used in this section: 21414

(1) "Monitored time" means the monitored time sanction 21415
specified in section 2929.17 of the Revised Code. 21416

(2) "Deadly weapon" and "dangerous ordnance" have the same 21417
meanings as in section 2923.11 of the Revised Code. 21418

(3) "Felony sex offense" means a violation of a section 21419
contained in Chapter 2907. of the Revised Code that is a felony. 21420

(4) "Risk reduction sentence" means a prison term imposed by 21421
a court, when the court recommends pursuant to section 2929.143 of 21422
the Revised Code that the offender serve the sentence under 21423
section 5120.036 of the Revised Code, and the offender may 21424
potentially be released from imprisonment prior to the expiration 21425
of the prison term if the offender successfully completes all 21426
assessment and treatment or programming required by the department 21427
of rehabilitation and correction under section 5120.036 of the 21428
Revised Code. 21429

(B) Each sentence to a prison term for a felony of the first 21430
degree, for a felony of the second degree, for a felony sex 21431
offense, or for a felony of the third degree that is not a felony 21432
sex offense and in the commission of which the offender caused or 21433
threatened to cause physical harm to a person shall include a 21434
requirement that the offender be subject to a period of 21435
post-release control imposed by the parole board after the 21436
offender's release from imprisonment. This division applies with 21437
respect to all prison terms of a type described in this division, 21438
including a term of any such type that is a risk reduction 21439

sentence. If a court imposes a sentence including a prison term of 21440
a type described in this division on or after July 11, 2006, the 21441
failure of a sentencing court to notify the offender pursuant to 21442
division (B)(2)(c) of section 2929.19 of the Revised Code of this 21443
requirement or to include in the judgment of conviction entered on 21444
the journal a statement that the offender's sentence includes this 21445
requirement does not negate, limit, or otherwise affect the 21446
mandatory period of supervision that is required for the offender 21447
under this division. Section 2929.191 of the Revised Code applies 21448
if, prior to July 11, 2006, a court imposed a sentence including a 21449
prison term of a type described in this division and failed to 21450
notify the offender pursuant to division (B)(2)(c) of section 21451
2929.19 of the Revised Code regarding post-release control or to 21452
include in the judgment of conviction entered on the journal or in 21453
the sentence pursuant to division (D)(1) of section 2929.14 of the 21454
Revised Code a statement regarding post-release control. Unless 21455
reduced by the parole board pursuant to division (D) of this 21456
section when authorized under that division, a period of 21457
post-release control required by this division for an offender 21458
shall be of one of the following periods: 21459

(1) For a felony of the first degree or for a felony sex 21460
offense, five years; 21461

(2) For a felony of the second degree that is not a felony 21462
sex offense, three years; 21463

(3) For a felony of the third degree that is not a felony sex 21464
offense and in the commission of which the offender caused or 21465
threatened physical harm to a person, three years. 21466

(C) Any sentence to a prison term for a felony of the third, 21467
fourth, or fifth degree that is not subject to division (B)(1) or 21468
(3) of this section shall include a requirement that the offender 21469
be subject to a period of post-release control of up to three 21470
years after the offender's release from imprisonment, if the 21471

parole board, in accordance with division (D) of this section, 21472
determines that a period of post-release control is necessary for 21473
that offender. This division applies with respect to all prison 21474
terms of a type described in this division, including a term of 21475
any such type that is a risk reduction sentence. Section 2929.191 21476
of the Revised Code applies if, prior to July 11, 2006, a court 21477
imposed a sentence including a prison term of a type described in 21478
this division and failed to notify the offender pursuant to 21479
division (B)(2)(d) of section 2929.19 of the Revised Code 21480
regarding post-release control or to include in the judgment of 21481
conviction entered on the journal or in the sentence pursuant to 21482
division (D)(2) of section 2929.14 of the Revised Code a statement 21483
regarding post-release control. Pursuant to an agreement entered 21484
into under section 2967.29 of the Revised Code, a court of common 21485
pleas or parole board may impose sanctions or conditions on an 21486
offender who is placed on post-release control under this 21487
division. 21488

(D)(1) Before the prisoner is released from imprisonment, the 21489
parole board or, pursuant to an agreement under section 2967.29 of 21490
the Revised Code, the court shall impose upon a prisoner described 21491
in division (B) of this section, shall impose upon a prisoner 21492
described in division (C) of this section who is to be released 21493
before the expiration of the prisoner's stated prison term under a 21494
risk reduction sentence, may impose upon a prisoner described in 21495
division (C) of this section who is not to be released before the 21496
expiration of the prisoner's stated prison term under a risk 21497
reduction sentence, and shall impose upon a prisoner described in 21498
division (B)(2)(b) of section 5120.031 or in division (B)(1) of 21499
section 5120.032 of the Revised Code, one or more post-release 21500
control sanctions to apply during the prisoner's period of 21501
post-release control. Whenever the board or court imposes one or 21502
more post-release control sanctions upon a prisoner, the board or 21503
court, in addition to imposing the sanctions, also shall include 21504

as a condition of the post-release control that the offender not 21505
leave the state without permission of the court or the offender's 21506
parole or probation officer and that the offender abide by the 21507
law. The board or court may impose any other conditions of release 21508
under a post-release control sanction that the board or court 21509
considers appropriate, and the conditions of release may include 21510
any community residential sanction, community nonresidential 21511
sanction, or financial sanction that the sentencing court was 21512
authorized to impose pursuant to sections 2929.16, 2929.17, and 21513
2929.18 of the Revised Code. Prior to the release of a prisoner 21514
for whom it will impose one or more post-release control sanctions 21515
under this division, the parole board or court shall review the 21516
prisoner's criminal history, results from the single validated 21517
risk assessment tool selected by the department of rehabilitation 21518
and correction under section 5120.114 of the Revised Code, all 21519
juvenile court adjudications finding the prisoner, while a 21520
juvenile, to be a delinquent child, and the record of the 21521
prisoner's conduct while imprisoned. The parole board or court 21522
shall consider any recommendation regarding post-release control 21523
sanctions for the prisoner made by the office of victims' 21524
services. After considering those materials, the board or court 21525
shall determine, for a prisoner described in division (B) of this 21526
section, division (B)(2)(b) of section 5120.031, or division 21527
(B)(1) of section 5120.032 of the Revised Code and for a prisoner 21528
described in division (C) of this section who is to be released 21529
before the expiration of the prisoner's stated prison term under a 21530
risk reduction sentence, which post-release control sanction or 21531
combination of post-release control sanctions is reasonable under 21532
the circumstances or, for a prisoner described in division (C) of 21533
this section who is not to be released before the expiration of 21534
the prisoner's stated prison term under a risk reduction sentence, 21535
whether a post-release control sanction is necessary and, if so, 21536
which post-release control sanction or combination of post-release 21537

control sanctions is reasonable under the circumstances. In the 21538
case of a prisoner convicted of a felony of the fourth or fifth 21539
degree other than a felony sex offense, the board or court shall 21540
presume that monitored time is the appropriate post-release 21541
control sanction unless the board or court determines that a more 21542
restrictive sanction is warranted. A post-release control sanction 21543
imposed under this division takes effect upon the prisoner's 21544
release from imprisonment. 21545

Regardless of whether the prisoner was sentenced to the 21546
prison term prior to, on, or after July 11, 2006, prior to the 21547
release of a prisoner for whom it will impose one or more 21548
post-release control sanctions under this division, the parole 21549
board shall notify the prisoner that, if the prisoner violates any 21550
sanction so imposed or any condition of post-release control 21551
described in division (B) of section 2967.131 of the Revised Code 21552
that is imposed on the prisoner, the parole board may impose a 21553
prison term of up to one-half of the stated prison term originally 21554
imposed upon the prisoner. 21555

(2) If a prisoner who is placed on post-release control under 21556
this section is released before the expiration of the prisoner's 21557
stated prison term by reason of credit earned under section 21558
2967.193 of the Revised Code and if the prisoner earned sixty or 21559
more days of credit, the adult parole authority shall supervise 21560
the offender with an active global positioning system device for 21561
the first fourteen days after the offender's release from 21562
imprisonment. This division does not prohibit or limit the 21563
imposition of any post-release control sanction otherwise 21564
authorized by this section. 21565

(3) At any time after a prisoner is released from 21566
imprisonment and during the period of post-release control 21567
applicable to the releasee, the adult parole authority or, 21568
pursuant to an agreement under section 2967.29 of the Revised 21569

Code, the court may review the releasee's behavior under the 21570
post-release control sanctions imposed upon the releasee under 21571
this section. The authority or court may determine, based upon the 21572
review and in accordance with the standards established under 21573
division (E) of this section, that a more restrictive or a less 21574
restrictive sanction is appropriate and may impose a different 21575
sanction. The authority also may recommend that the parole board 21576
or court increase or reduce the duration of the period of 21577
post-release control imposed by the court. If the authority 21578
recommends that the board or court increase the duration of 21579
post-release control, the board or court shall review the 21580
releasee's behavior and may increase the duration of the period of 21581
post-release control imposed by the court up to eight years. If 21582
the authority recommends that the board or court reduce the 21583
duration of control for an offense described in division (B) or 21584
(C) of this section, the board or court shall review the 21585
releasee's behavior and may reduce the duration of the period of 21586
control imposed by the court. In no case shall the board or court 21587
reduce the duration of the period of control imposed for an 21588
offense described in division (B)(1) of this section to a period 21589
less than the length of the stated prison term originally imposed, 21590
and in no case shall the board or court permit the releasee to 21591
leave the state without permission of the court or the releasee's 21592
parole or probation officer. 21593

(E) The department of rehabilitation and correction, in 21594
accordance with Chapter 119. of the Revised Code, shall adopt 21595
rules that do all of the following: 21596

(1) Establish standards for the imposition by the parole 21597
board of post-release control sanctions under this section that 21598
are consistent with the overriding purposes and sentencing 21599
principles set forth in section 2929.11 of the Revised Code and 21600
that are appropriate to the needs of releasees; 21601

(2) Establish standards that provide for a period of 21602
post-release control of up to three years for all prisoners 21603
described in division (C) of this section who are to be released 21604
before the expiration of their stated prison term under a risk 21605
reduction sentence and standards by which the parole board can 21606
determine which prisoners described in division (C) of this 21607
section who are not to be released before the expiration of their 21608
stated prison term under a risk reduction sentence should be 21609
placed under a period of post-release control; 21610

(3) Establish standards to be used by the parole board in 21611
reducing the duration of the period of post-release control 21612
imposed by the court when authorized under division (D) of this 21613
section, in imposing a more restrictive post-release control 21614
sanction than monitored time upon a prisoner convicted of a felony 21615
of the fourth or fifth degree other than a felony sex offense, or 21616
in imposing a less restrictive control sanction upon a releasee 21617
based on the releasee's activities including, but not limited to, 21618
remaining free from criminal activity and from the abuse of 21619
alcohol or other drugs, successfully participating in approved 21620
rehabilitation programs, maintaining employment, and paying 21621
restitution to the victim or meeting the terms of other financial 21622
sanctions; 21623

(4) Establish standards to be used by the adult parole 21624
authority in modifying a releasee's post-release control sanctions 21625
pursuant to division (D)(2) of this section; 21626

(5) Establish standards to be used by the adult parole 21627
authority or parole board in imposing further sanctions under 21628
division (F) of this section on releasees who violate post-release 21629
control sanctions, including standards that do the following: 21630

(a) Classify violations according to the degree of 21631
seriousness; 21632

(b) Define the circumstances under which formal action by the parole board is warranted; 21633
21634

(c) Govern the use of evidence at violation hearings; 21635

(d) Ensure procedural due process to an alleged violator; 21636

(e) Prescribe nonresidential community control sanctions for most misdemeanor and technical violations; 21637
21638

(f) Provide procedures for the return of a releasee to imprisonment for violations of post-release control. 21639
21640

(F)(1) Whenever the parole board imposes one or more post-release control sanctions upon an offender under this section, the offender upon release from imprisonment shall be under the general jurisdiction of the adult parole authority and generally shall be supervised by the field services section through its staff of parole and field officers as described in section 5149.04 of the Revised Code, as if the offender had been placed on parole. If the offender upon release from imprisonment violates the post-release control sanction or any conditions described in division (A) of section 2967.131 of the Revised Code that are imposed on the offender, the public or private person or entity that operates or administers the sanction or the program or activity that comprises the sanction shall report the violation directly to the adult parole authority or to the officer of the authority who supervises the offender. The authority's officers may treat the offender as if the offender were on parole and in violation of the parole, and otherwise shall comply with this section. 21641

(2) If the adult parole authority or, pursuant to an agreement under section 2967.29 of the Revised Code, the court determines that a releasee has violated a post-release control sanction or any conditions described in division (A) of section 2967.131 of the Revised Code imposed upon the releasee and that a 21659

21663

more restrictive sanction is appropriate, the authority or court 21664
may impose a more restrictive sanction upon the releasee, in 21665
accordance with the standards established under division (E) of 21666
this section or in accordance with the agreement made under 21667
section 2967.29 of the Revised Code, or may report the violation 21668
to the parole board for a hearing pursuant to division (F)(3) of 21669
this section. The authority or court may not, pursuant to this 21670
division, increase the duration of the releasee's post-release 21671
control or impose as a post-release control sanction a residential 21672
sanction that includes a prison term, but the authority or court 21673
may impose on the releasee any other residential sanction, 21674
nonresidential sanction, or financial sanction that the sentencing 21675
court was authorized to impose pursuant to sections 2929.16, 21676
2929.17, and 2929.18 of the Revised Code. 21677

(3) The parole board or, pursuant to an agreement under 21678
section 2967.29 of the Revised Code, the court may hold a hearing 21679
on any alleged violation by a releasee of a post-release control 21680
sanction or any conditions described in division (A) of section 21681
2967.131 of the Revised Code that are imposed upon the releasee. 21682
If after the hearing the board or court finds that the releasee 21683
violated the sanction or condition, the board or court may 21684
increase the duration of the releasee's post-release control up to 21685
the maximum duration authorized by division (B) or (C) of this 21686
section or impose a more restrictive post-release control 21687
sanction. When appropriate, the board or court may impose as a 21688
post-release control sanction a residential sanction that includes 21689
a prison term. The board or court shall consider a prison term as 21690
a post-release control sanction imposed for a violation of 21691
post-release control when the violation involves a deadly weapon 21692
or dangerous ordnance, physical harm or attempted serious physical 21693
harm to a person, or sexual misconduct, or when the releasee 21694
committed repeated violations of post-release control sanctions. 21695
Unless a releasee's stated prison term was reduced pursuant to 21696

section 5120.032 of the Revised Code, the period of a prison term 21697
that is imposed as a post-release control sanction under this 21698
division shall not exceed nine months, and the maximum cumulative 21699
prison term for all violations under this division shall not 21700
exceed one-half of the stated prison term originally imposed upon 21701
the offender as part of this sentence. If a releasee's stated 21702
prison term was reduced pursuant to section 5120.032 of the 21703
Revised Code, the period of a prison term that is imposed as a 21704
post-release control sanction under this division and the maximum 21705
cumulative prison term for all violations under this division 21706
shall not exceed the period of time not served in prison under the 21707
sentence imposed by the court. The period of a prison term that is 21708
imposed as a post-release control sanction under this division 21709
shall not count as, or be credited toward, the remaining period of 21710
post-release control. 21711

If an offender is imprisoned for a felony committed while 21712
under post-release control supervision and is again released on 21713
post-release control for a period of time determined by division 21714
(F)(4)(d) of this section, the maximum cumulative prison term for 21715
all violations under this division shall not exceed one-half of 21716
the total stated prison terms of the earlier felony, reduced by 21717
any prison term administratively imposed by the parole board or 21718
court, plus one-half of the total stated prison term of the new 21719
felony. 21720

(4) Any period of post-release control shall commence upon an 21721
offender's actual release from prison. If an offender is serving 21722
an indefinite prison term or a life sentence in addition to a 21723
stated prison term, the offender shall serve the period of 21724
post-release control in the following manner: 21725

(a) If a period of post-release control is imposed upon the 21726
offender and if the offender also is subject to a period of parole 21727
under a life sentence or an indefinite sentence, and if the period 21728

of post-release control ends prior to the period of parole, the 21729
offender shall be supervised on parole. The offender shall receive 21730
credit for post-release control supervision during the period of 21731
parole. The offender is not eligible for final release under 21732
section 2967.16 of the Revised Code until the post-release control 21733
period otherwise would have ended. 21734

(b) If a period of post-release control is imposed upon the 21735
offender and if the offender also is subject to a period of parole 21736
under an indefinite sentence, and if the period of parole ends 21737
prior to the period of post-release control, the offender shall be 21738
supervised on post-release control. The requirements of parole 21739
supervision shall be satisfied during the post-release control 21740
period. 21741

(c) If an offender is subject to more than one period of 21742
post-release control, the period of post-release control for all 21743
of the sentences shall be the period of post-release control that 21744
expires last, as determined by the parole board or court. Periods 21745
of post-release control shall be served concurrently and shall not 21746
be imposed consecutively to each other. 21747

(d) The period of post-release control for a releasee who 21748
commits a felony while under post-release control for an earlier 21749
felony shall be the longer of the period of post-release control 21750
specified for the new felony under division (B) or (C) of this 21751
section or the time remaining under the period of post-release 21752
control imposed for the earlier felony as determined by the parole 21753
board or court. 21754

Revised Code. This amount shall be proportionately reduced in the 22573
case of any such student who is not enrolled in a registered 22574
private school for the entire school year. 22575

(3) The first payment under this division shall be made by 22576

Sec. 3318.034. (A) This section applies to both of the following:

(1) Any school district that has not executed an agreement for a project under sections 3318.01 to 3318.20 of the Revised Code prior to June 24, 2008;

(2) Any school district that is eligible for additional assistance under sections 3318.01 to 3318.20 of the Revised Code pursuant to division (B)(2) of section 3318.04 of the Revised Code.

Notwithstanding any provision of this chapter to the contrary, with the approval of the Ohio school facilities commission, any school district to which this section applies may opt to divide the district's entire classroom facilities needs, as those needs are jointly determined by the staff of the commission and the school district, into discrete segments and shall comply with all of the provisions of those sections unless otherwise provided in this section.

(B) Except as provided in division (C) of this section, each segment shall comply with all of the following:

(1) The segment shall consist of the new construction of one 22621
or more entire buildings or the complete renovation of one or more 22622
entire existing buildings, with any necessary additions to that 22623
building. 22624

(2) The segment shall not include any construction of or 22625
renovation or repair to any building that does not complete the 22626
needs of the district with respect to that particular building at 22627
the time the segment is completed. 22628

(3) The segment shall consist of new construction, 22629
renovations, additions, reconstruction, or repair of classroom 22630
facilities to the extent that the school district portion, as 22631
determined under section 3318.032 of the Revised Code, is an 22632
amount not less than the product of 0.040 times the district's 22633
valuation at the time the agreement for the segment is executed, 22634
unless the district previously has undertaken a segment under this 22635
section and the district's portion of the estimated basic project 22636
cost of the remainder of its entire classroom facilities needs, as 22637
determined jointly by the staff of the commission and the 22638
district, is less than the amount otherwise required by this 22639
division. 22640

(C) A district described in division (A)(2) of this section 22641
that has not received the additional assistance authorized under 22642
division (B)(2) of section 3318.04 of the Revised Code may 22643
undertake a segment, with commission approval, for the purpose of 22644
renovating or replacing work performed on a facility under the 22645
district's prior project. The commission may approve that segment 22646
if the commission determines that the renovation or replacement is 22647
necessary to protect the facility. The basic project cost of the 22648
segment shall be allocated between the state and the district in 22649
accordance with section 3318.032 of the Revised Code. However, the 22650
requirements of division (B) of this section shall not apply to a 22651
segment undertaken under this division. 22652

(D) The commission shall conditionally approve and seek 22653
controlling board approval in accordance with division (A) of 22654
section 3318.04 of the Revised Code of each segment. 22655

(E) ~~The school district's maintenance levy requirement, as~~ 22656
~~defined in section 3318.18 of the Revised Code, (1) When~~ 22657
undertaking a segment under this section, a school district may 22658
elect to prorate its full maintenance amount by setting aside for 22659
maintenance the amount calculated under division (E)(2) of this 22660
section to maintain the classroom facilities acquired under the 22661
segment, if the district will use one or more of the alternative 22662
methods authorized in sections 3318.051, 3318.052, and 3318.084 of 22663
the Revised Code to generate the entire amount calculated under 22664
that division. If the district so elects, the commission and the 22665
district shall include in the agreement entered into under section 22666
3318.08 of the Revised Code a statement specifying that the 22667
district will use the amount calculated under that division only 22668
to maintain the classroom facilities acquired under the segment. 22669

(2) The commission shall calculate the amount for a school 22670
district to maintain the classroom facilities acquired under a 22671
segment as follows: 22672

The full maintenance amount X (the school district's portion 22673
of the basic project cost for the segment / the school district's 22674
portion of the basic project cost for the district's entire 22675
classroom facilities needs, as determined jointly by the staff of 22676
the commission and the district) 22677

(3) A school district may elect to prorate its full 22678
maintenance amount for any number of segments, provided the 22679
district will use one or more of the alternative methods 22680
authorized in sections 3318.051, 3318.052, and 3318.084 of the 22681
Revised Code to generate the entire amount calculated under 22682
division (E)(2) of this section to maintain the classroom 22683
facilities acquired under each segment for which it so elects. If 22684

the district cannot use one or more of those alternative methods 22685
to generate the entire amount calculated under that division, the 22686
district shall levy the tax described in division (B) of section 22687
3318.05 of the Revised Code or an extension of that tax under 22688
section 3318.061 of the Revised Code in an amount necessary to 22689
generate the remainder of its full maintenance amount. The 22690
commission shall calculate the remainder of the district's full 22691
maintenance amount as follows: 22692

The full maintenance amount - the sum of the amounts 22693
calculated for the district under division (E)(2) of this section 22694
for each prior segment of the district's project 22695

(4) In no case shall the sum of the amounts calculated for a 22696
school district's maintenance of classroom facilities under 22697
divisions (E)(2) and (3) of this section exceed the amount that 22698
would have been required for maintenance if the district had 22699
elected to undertake its project in its entirety instead of 22700
segmenting the project under this section. 22701

(5) If a school district commenced a segment under this 22702
section prior to the effective date of this amendment but has not 22703
completed that segment, and has not levied the tax described in 22704
division (B) of section 3318.05 of the Revised Code or an 22705
extension of that tax under section 3318.061 of the Revised Code, 22706
the district may request approval from the commission to prorate 22707
its full maintenance amount in accordance with divisions (E)(1) to 22708
(4) of this section. If the commission approves the request, the 22709
commission and the district shall amend the agreement entered into 22710
under section 3318.08 of the Revised Code to reflect the change. 22711

(F) If a school district levies the tax described in division 22712
(B) of section 3318.05 of the Revised Code or an extension of that 22713
tax under section 3318.061 of the Revised Code, the tax shall run 22714
for twenty-three years from the date the ~~first~~ segment for which 22715
the tax is initially levied is undertaken; however, the. The 22716

maintenance levy requirement, as defined in section 3318.18 of the Revised Code, does not apply to a segment undertaken under division (C) of this section.

(G) As used in this section, "full maintenance amount" means the amount of total revenue that a school district likely would generate by one-half mill of the tax described in division (B) of section 3318.05 of the Revised Code over the entire twenty-three-year period required under that section, as determined by the commission in consultation with the department of taxation.

Sec. 3318.08. Except in the case of a joint vocational school district that receives assistance under sections 3318.40 to 3318.45 of the Revised Code, if the requisite favorable vote on the election is obtained, or if the school district board has resolved to apply the proceeds of a property tax levy or the proceeds of an income tax, or a combination of proceeds from such taxes, as authorized in section 3318.052 of the Revised Code, the Ohio school facilities commission, upon certification to it of either the results of the election or the resolution under section 3318.052 of the Revised Code, shall enter into a written agreement with the school district board for the construction and sale of the project. In the case of a joint vocational school district that receives assistance under sections 3318.40 to 3318.45 of the Revised Code, if the school district board of education and the school district electors have satisfied the conditions prescribed in division (D)(1) of section 3318.41 of the Revised Code, the commission shall enter into an agreement with the school district board for the construction and sale of the project. In either case, the agreement shall include, but need not be limited to, the following provisions:

(A) The sale and issuance of bonds or notes in anticipation

thereof, as soon as practicable after the execution of the 22748
agreement, in an amount equal to the school district's portion of 22749
the basic project cost, including any securities authorized under 22750
division (J) of section 133.06 of the Revised Code and dedicated 22751
by the school district board to payment of the district's portion 22752
of the basic project cost of the project; provided, that if at 22753
that time the county treasurer of each county in which the school 22754
district is located has not commenced the collection of taxes on 22755
the general duplicate of real and public utility property for the 22756
year in which the controlling board approved the project, the 22757
school district board shall authorize the issuance of a first 22758
installment of bond anticipation notes in an amount specified by 22759
the agreement, which amount shall not exceed an amount necessary 22760
to raise the net bonded indebtedness of the school district as of 22761
the date of the controlling board's approval to within five 22762
thousand dollars of the required level of indebtedness for the 22763
preceding year. In the event that a first installment of bond 22764
anticipation notes is issued, the school district board shall, as 22765
soon as practicable after the county treasurer of each county in 22766
which the school district is located has commenced the collection 22767
of taxes on the general duplicate of real and public utility 22768
property for the year in which the controlling board approved the 22769
project, authorize the issuance of a second and final installment 22770
of bond anticipation notes or a first and final issue of bonds. 22771

The combined value of the first and second installment of 22772
bond anticipation notes or the value of the first and final issue 22773
of bonds shall be equal to the school district's portion of the 22774
basic project cost. The proceeds of any such bonds shall be used 22775
first to retire any bond anticipation notes. Otherwise, the 22776
proceeds of such bonds and of any bond anticipation notes, except 22777
the premium and accrued interest thereon, shall be deposited in 22778
the school district's project construction fund. In determining 22779
the amount of net bonded indebtedness for the purpose of fixing 22780

the amount of an issue of either bonds or bond anticipation notes, 22781
gross indebtedness shall be reduced by moneys in the bond 22782
retirement fund only to the extent of the moneys therein on the 22783
first day of the year preceding the year in which the controlling 22784
board approved the project. Should there be a decrease in the tax 22785
valuation of the school district so that the amount of 22786
indebtedness that can be incurred on the tax duplicates for the 22787
year in which the controlling board approved the project is less 22788
than the amount of the first installment of bond anticipation 22789
notes, there shall be paid from the school district's project 22790
construction fund to the school district's bond retirement fund to 22791
be applied against such notes an amount sufficient to cause the 22792
net bonded indebtedness of the school district, as of the first 22793
day of the year following the year in which the controlling board 22794
approved the project, to be within five thousand dollars of the 22795
required level of indebtedness for the year in which the 22796
controlling board approved the project. The maximum amount of 22797
indebtedness to be incurred by any school district board as its 22798
share of the cost of the project is either an amount that will 22799
cause its net bonded indebtedness, as of the first day of the year 22800
following the year in which the controlling board approved the 22801
project, to be within five thousand dollars of the required level 22802
of indebtedness, or an amount equal to the required percentage of 22803
the basic project costs, whichever is greater. All bonds and bond 22804
anticipation notes shall be issued in accordance with Chapter 133. 22805
of the Revised Code, and notes may be renewed as provided in 22806
section 133.22 of the Revised Code. 22807

(B) The transfer of such funds of the school district board 22808
available for the project, together with the proceeds of the sale 22809
of the bonds or notes, except premium, accrued interest, and 22810
interest included in the amount of the issue, to the school 22811
district's project construction fund; 22812

(C) For all school districts except joint vocational school 22813
districts that receive assistance under sections 3318.40 to 22814
3318.45 of the Revised Code, the following provisions as 22815
applicable: 22816

(1) If section 3318.052 of the Revised Code applies, the 22817
earmarking of the proceeds of a tax levied under section 5705.21 22818
of the Revised Code for general permanent improvements or under 22819
section 5705.218 of the Revised Code for the purpose of permanent 22820
improvements, or the proceeds of a school district income tax 22821
levied under Chapter 5748. of the Revised Code, or the proceeds 22822
from a combination of those two taxes, in an amount to pay all or 22823
part of the service charges on bonds issued to pay the school 22824
district portion of the project and an amount equivalent to all or 22825
part of the tax required under division (B) of section 3318.05 of 22826
the Revised Code; 22827

(2) If section 3318.052 of the Revised Code does not apply, 22828
one of the following: 22829

(a) The levy of the tax authorized at the election for the 22830
payment of maintenance costs, as specified in division (B) of 22831
section 3318.05 of the Revised Code; 22832

(b) If the school district electors have approved a 22833
continuing tax for general permanent improvements under section 22834
5705.21 of the Revised Code and that tax can be used for 22835
maintenance, the earmarking of an amount of the proceeds from such 22836
tax for maintenance of classroom facilities as specified in 22837
division (B) of section 3318.05 of the Revised Code; 22838

(c) If, in lieu of the tax otherwise required under division 22839
(B) of section 3318.05 of the Revised Code, the commission has 22840
approved the transfer of money to the maintenance fund in 22841
accordance with section 3318.051 of the Revised Code, a 22842
requirement that the district board comply with the provisions 22843

that section. The district board may rescind the provision 22844
prescribed under division (C)(2)(c) of this section only so long 22845
as the electors of the district have approved, in accordance with 22846
section 3318.063 of the Revised Code, the levy of a tax for the 22847
maintenance of the classroom facilities acquired under the 22848
district's project and that levy continues to be collected as 22849
approved by the electors. 22850

(D) For joint vocational school districts that receive 22851
assistance under sections 3318.40 to 3318.45 of the Revised Code, 22852
provision for deposit of school district moneys dedicated to 22853
maintenance of the classroom facilities acquired under those 22854
sections as prescribed in section 3318.43 of the Revised Code; 22855

(E) Dedication of any local donated contribution as provided 22856
for under section 3318.084 of the Revised Code, including a 22857
schedule for depositing such moneys applied as an offset of the 22858
district's obligation to levy the tax described in division (B) of 22859
section 3318.05 of the Revised Code as required under division 22860
(D)(2) of section 3318.084 of the Revised Code; 22861

(F) Ownership of or interest in the project during the period 22862

entered into pursuant to this section unless such revised estimate 22978
is approved by the commission and by the controlling board. When 22979
such revised estimate has been prepared, and after such approvals 22980
are given, if necessary, and if the school district board has 22981
caused to be transferred to the project construction fund the 22982
proceeds from the sale of the first or first and final installment 22983
of its bonds or bond anticipation notes pursuant to the provision 22984
of the written agreement required by division (B) of section 22985
3318.08 of the Revised Code, and when the director of budget and 22986
management has certified that there is a balance in the 22987
appropriation, not otherwise obligated to pay precedent 22988
obligations, pursuant to which the state's share of such revised 22989
estimate is required to be paid, the contract for all branches of 22990
work and materials to be furnished and supplied, or for any branch 22991
thereof as determined by the school district board, shall be 22992
awarded by the school district board to the lowest responsible 22993
bidder subject to the approval of the commission. Such award shall 22994
be made within sixty days after the date on which the bids are 22995
opened, and the successful bidder shall enter into a contract 22996
within ten days after the successful bidder is notified of the 22997
award of the contract. 22998

Subject to the approval of the commission, the school 22999

district board may reject all bids and readvertise. Any contract 23000
made under this section shall be made in the name of the state and 23001
executed on its behalf by the president and treasurer of the 23002
school district board. 23003

Code, which are applicable to construction contracts of boards of 23005
education, shall apply to construction contracts for the project. 23006

The remedies afforded to any subcontractor, materials 23007
supplier, laborer, mechanic, or persons furnishing material or 23008
machinery for the project under sections 1311.26 to 1311.32 of the 23009
Revised Code, shall apply to contracts entered into under this 23010
section and the itemized statement required by section 1311.26 of 23011
the Revised Code shall be filed with the school district board. 23012

Notwithstanding any other requirement of this section, a 23013
school district, with the approval of the commission, may utilize 23014
any otherwise lawful alternative construction delivery method for 23015
the construction of the project. 23016

Sec. 3318.30. (A) There is hereby created the Ohio school 23017
facilities commission as an independent agency of the state within 23018
the Ohio facilities construction commission, which is created 23019
under section 123.20 of the Revised Code. The Ohio school 23020
facilities commission shall administer the provision of financial 23021

of classroom facilities in accordance with sections 3318.01 to 23023
3318.33 of the Revised Code. 23024

The Ohio school facilities commission is a body corporate and 23025
politic, an agency of state government and an instrumentality of 23026
the state, performing essential governmental functions of this 23027
state. The carrying out of the purposes and the exercise by the 23028
Ohio school facilities commission of its powers conferred by 23029
sections 3318.01 to 3318.33 of the Revised Code are essential 23030

public functions and public purposes of the state. The Ohio school facilities commission may, in its own name, sue and be sued, enter into contracts, and perform all the powers and duties given to it by sections 3318.01 to 3318.33 of the Revised Code, but it does not have and shall not exercise the power of eminent domain. In its discretion and as it determines appropriate, the Ohio school facilities commission may delegate to any of its members, executive director, or other employees any of the Ohio school facilities commission's powers and duties to carry out its functions.

(B) The Ohio school facilities commission shall consist of seven members, three of whom are voting members. The voting members of the Ohio school facilities commission shall be the director of the office of budget and management, the director of administrative services, and the superintendent of public instruction, or their designees. Of the nonvoting members, two shall be members of the senate appointed by the president of the senate, and two shall be members of the house of representatives appointed by the speaker of the house. Each of the appointees of the president, and each of the appointees of the speaker, shall be members of different political parties.

Nonvoting members shall serve as members of the Ohio school facilities commission during the legislative biennium for which they are appointed, except that any such member who ceases to be a member of the legislative house from which the member was appointed shall cease to be a member of the Ohio school facilities commission. Each nonvoting member shall be appointed within thirty-one days of the end of the term of that member's predecessor. Such members may be reappointed. Vacancies of nonvoting members shall be filled in the manner provided for original appointments.

Members of the Ohio school facilities commission shall serve

without compensation. 23063

After the initial nonvoting members of the Ohio school facilities commission have been appointed, the Ohio school facilities commission shall meet and organize by electing voting members as the chairperson and vice-chairperson of the Ohio school facilities commission, who shall hold their offices until the next organizational meeting of the Ohio school facilities commission. Organizational meetings of the Ohio school facilities commission shall be held at the first meeting of each calendar year. At each organizational meeting, the Ohio school facilities commission shall elect from among its voting members a chairperson and vice-chairperson, who shall serve until the next annual organizational meeting. The Ohio school facilities commission shall adopt rules pursuant to section 111.15 of the Revised Code for the conduct of its internal business and shall keep a journal of its proceedings. Including the organizational meeting, the Ohio school facilities commission shall meet at least once each calendar quarter.

Two voting members of the Ohio school facilities commission constitute a quorum, and the affirmative vote of two members is necessary for approval of any action taken by the Ohio school facilities commission. A vacancy in the membership of the Ohio school facilities commission does not impair a quorum from exercising all the rights and performing all the duties of the Ohio school facilities commission. Meetings of the Ohio school facilities commission may be held anywhere in the state and shall be held in compliance with section 121.22 of the Revised Code.

(C) The Ohio school facilities commission shall file an annual report of its activities and finances with the governor, speaker of the house of representatives, president of the senate, and chairpersons of the house and senate finance committees.

from the requirements of sections 101.82 to 101.87 of the Revised Code. 23095
23096

(E) The Ohio school facilities commission may share employees and facilities with the Ohio facilities construction commission. 23097
23098

agreements, and execute all instruments, necessary or incidental 23117
to the performance of its duties and the execution of its rights 23118

the pleasure of the Ohio school facilities commission. The 23126

director also shall employ and fix the compensation of such 23131
employees as will facilitate the activities and purposes of the 23132
Ohio school facilities commission, who shall serve at the pleasure 23133

section 4117.01 of the Revised Code. 23137

(C) The Ohio school facilities commission may adopt, amend, 23138

with section 109.07 of the Revised Code. 23145

Sec. 3318.36. (A)(1) As used in this section: 23146

(a) "Ohio school facilities commission," "classroom 23147
facilities," "school district," "school district board," "net 23148
bonded indebtedness," "required percentage of the basic project 23149
costs," "basic project cost," "valuation," and "percentile" have 23150
the same meanings as in section 3318.01 of the Revised Code. 23151

(b) "Required level of indebtedness" means five per cent of 23152
the school district's valuation for the year preceding the year in 23153
which the commission and school district enter into an agreement 23154
under division (B) of this section, plus [two one-hundredths of 23155

one per cent multiplied by (the percentile in which the district ranks minus one)].

(c) "Local resources" means any moneys generated in any manner permitted for a school district board to raise the school district portion of a project undertaken with assistance under sections 3318.01 to 3318.20 of the Revised Code.

(d) "Tangible personal property phase-out impacted district" means a school district for which the taxable value of its tangible personal property certified under division (A)(2) of section 3317.021 of the Revised Code for tax year 2005, excluding the taxable value of public utility personal property, made up eighteen per cent or more of its total taxable value for tax year 2005 as certified under that section.

(2) For purposes of determining the required level of indebtedness, the required percentage of the basic project costs under division (C)(1) of this section, and priority for assistance under sections 3318.01 to 3318.20 of the Revised Code, the percentile ranking of a school district with which the commission has entered into an agreement under this section between the first day of July and the thirty-first day of August in each fiscal year is the percentile ranking calculated for that district for the immediately preceding fiscal year, and the percentile ranking of a school district with which the commission has entered into such agreement between the first day of September and the thirtieth day of June in each fiscal year is the percentile ranking calculated for that district for the current fiscal year. However, in the case of a tangible personal property phase-out impacted district, the district's priority for assistance under sections 3318.01 to 3318.20 of the Revised Code and its portion of the basic project cost under those sections shall be determined in the manner prescribed, respectively, in divisions (B)(3)(b) and (E)(1)(b) of this section.

(B)(1) There is hereby established the school building 23188
assistance expedited local partnership program. Under the program, 23189
the Ohio school facilities commission may enter into an agreement 23190
with the school district board of any school district under which 23191
the school district board may proceed with the new construction or 23192
major repairs of a part of the school district's classroom 23193
facilities needs, as determined under sections 3318.01 to 3318.20 23194
of the Revised Code, through the expenditure of local resources 23195
prior to the school district's eligibility for state assistance 23196
under those sections and may apply that expenditure toward meeting 23197
the school district's portion of the basic project cost of the 23198
total of the school district's classroom facilities needs, as 23199
determined under sections 3318.01 to 3318.20 of the Revised Code 23200
and as recalculated under division (E) of this section, that are 23201
eligible for state assistance under sections 3318.01 to 3318.20 of 23202
the Revised Code when the school district becomes eligible for 23203
that assistance. Any school district that is reasonably expected 23204
to receive assistance under sections 3318.01 to 3318.20 of the 23205
Revised Code within two fiscal years from the date the school 23206
district adopts its resolution under division (B) of this section 23207
shall not be eligible to participate in the program established 23208
under this section. 23209

(2) To participate in the program, a school district board 23210
shall first adopt a resolution certifying to the commission the 23211
board's intent to participate in the program. 23212

The resolution shall specify the approximate date that the 23213
board intends to seek elector approval of any bond or tax measures 23214
or to apply other local resources to use to pay the cost of 23215
classroom facilities to be constructed under this section. The 23216
resolution may specify the application of local resources or 23217
elector-approved bond or tax measures after the resolution is 23218
adopted by the board, and in such case the board may proceed with 23219

a discrete portion of its project under this section as soon as 23220
the commission and the controlling board have approved the basic 23221
project cost of the district's classroom facilities needs as 23222
specified in division (D) of this section. The board shall submit 23223
its resolution to the commission not later than ten days after the 23224
date the resolution is adopted by the board. 23225

The commission shall not consider any resolution that is 23226
submitted pursuant to division (B)(2) of this section, as amended 23227
by this amendment, sooner than September 14, 2000. 23228

(3) For purposes of determining when a district that enters 23229
into an agreement under this section becomes eligible for 23230
assistance under sections 3318.01 to 3318.20 of the Revised Code, 23231
the commission shall use one of the following as applicable: 23232

(a) Except for a tangible personal property phase-out 23233
impacted district, the district's percentile ranking determined at 23234
the time the district entered into the agreement under this 23235
section, as prescribed by division (A)(2) of this section; 23236

(b) For a tangible personal property phase-out impacted 23237
district, the lesser of (i) the district's percentile ranking 23238
determined at the time the district entered into the agreement 23239
under this section, as prescribed by division (A)(2) of this 23240
section, or (ii) the district's current percentile ranking under 23241
section 3318.011 of the Revised Code. 23242

(4) Any project under this section shall comply with section 23243
3318.03 of the Revised Code and with any specifications for plans 23244
and materials for classroom facilities adopted by the commission 23245
under section 3318.04 of the Revised Code. 23246

(5) If a school district that enters into an agreement under 23247
this section has not begun a project applying local resources as 23248
provided for under that agreement at the time the district is 23249
notified by the commission that it is eligible to receive state 23250

assistance under sections 3318.01 to 3318.20 of the Revised Code, 23251
all assessment and agreement documents entered into under this 23252
section are void. 23253

(6) Only construction of or repairs to classroom facilities 23254
that have been approved by the commission and have been therefore 23255
included as part of a district's basic project cost qualify for 23256
application of local resources under this section. 23257

(C) Based on the results of on-site visits and assessment, 23258
the commission shall determine the basic project cost of the 23259
school district's classroom facilities needs. The commission shall 23260
determine the school district's portion of such basic project 23261
cost, which shall be the greater of: 23262

(1) The required percentage of the basic project costs, 23263
determined based on the school district's percentile ranking; 23264

(2) An amount necessary to raise the school district's net 23265
bonded indebtedness, as of the fiscal year the commission and the 23266
school district enter into the agreement under division (B) of 23267
this section, to within five thousand dollars of the required 23268
level of indebtedness. 23269

(D)(1) When the commission determines the basic project cost 23270
of the classroom facilities needs of a school district and the 23271
school district's portion of that basic project cost under 23272
division (C) of this section, the project shall be conditionally 23273
approved. Such conditional approval shall be submitted to the 23274
controlling board for approval thereof. The controlling board 23275
shall forthwith approve or reject the commission's determination, 23276
conditional approval, and the amount of the state's portion of the 23277
basic project cost; however, no state funds shall be encumbered 23278
under this section. Upon approval by the controlling board, the 23279
school district board may identify a discrete part of its 23280
classroom facilities needs, which shall include only new 23281

construction of or additions or major repairs to a particular 23282
building, to address with local resources. Upon identifying a part 23283
of the school district's basic project cost to address with local 23284
resources, the school district board may allocate any available 23285
school district moneys to pay the cost of that identified part, 23286
including the proceeds of an issuance of bonds if approved by the 23287
electors of the school district. 23288

All local resources utilized under this division shall first 23289
be deposited in the project construction account required under 23290
section 3318.08 of the Revised Code. 23291

(2) Unless the school district board exercises its option 23292
under division (D)(3) of this section, for a school district to 23293
qualify for participation in the program authorized under this 23294
section, one of the following conditions shall be satisfied: 23295

(a) The electors of the school district by a majority vote 23296
shall approve the levy of taxes outside the ten-mill limitation 23297
for a period of twenty-three years at the rate of not less than 23298
one-half mill for each dollar of valuation to be used to pay the 23299
cost of maintaining the classroom facilities included in the basic 23300
project cost as determined by the commission. The form of the 23301
ballot to be used to submit the question whether to approve the 23302
tax required under this division to the electors of the school 23303
district shall be the form for an additional levy of taxes 23304
prescribed in section 3318.361 of the Revised Code, which may be 23305
combined in a single ballot question with the questions prescribed 23306
under section 5705.218 of the Revised Code. 23307

(b) As authorized under division (C) of section 3318.05 of 23308
the Revised Code, the school district board shall earmark from the 23309
proceeds of a permanent improvement tax levied under section 23310
5705.21 of the Revised Code, an amount equivalent to the 23311
additional tax otherwise required under division (D)(2)(a) of this 23312
section for the maintenance of the classroom facilities included 23313

in the basic project cost as determined by the commission. 23314

(c) As authorized under section 3318.051 of the Revised Code, 23315
the school district board shall, if approved by the commission, 23316
annually transfer into the maintenance fund required under section 23317
3318.05 of the Revised Code the amount prescribed in section 23318
3318.051 of the Revised Code in lieu of the tax otherwise required 23319
under division (D)(2)(a) of this section for the maintenance of 23320
the classroom facilities included in the basic project cost as 23321
determined by the commission. 23322

(d) If the school district board has rescinded the agreement 23323
to make transfers under section 3318.051 of the Revised Code, as 23324
provided under division (F) of that section, the electors of the 23325
school district, in accordance with section 3318.063 of the 23326
Revised Code, first shall approve the levy of taxes outside the 23327
ten-mill limitation for the period specified in that section at a 23328
rate of not less than one-half mill for each dollar of valuation. 23329

(e) The school district board shall apply the proceeds of a 23330
tax to leverage bonds as authorized under section 3318.052 of the 23331
Revised Code or dedicate a local donated contribution in the 23332
manner described in division (B) of section 3318.084 of the 23333
Revised Code in an amount equivalent to the additional tax 23334
otherwise required under division (D)(2)(a) of this section for 23335
the maintenance of the classroom facilities included in the basic 23336
project cost as determined by the commission. 23337

(3) A school district board may opt to delay taking any of 23338
the actions described in division (D)(2) of this section until the 23339
school district becomes eligible for state assistance under 23340
sections 3318.01 to 3318.20 of the Revised Code. In order to 23341
exercise this option, the board shall certify to the commission a 23342
resolution indicating the board's intent to do so prior to 23343
entering into an agreement under division (B) of this section. 23344

(4) If pursuant to division (D)(3) of this section a district board opts to delay levying an additional tax until the district becomes eligible for state assistance, it shall submit the question of levying that tax to the district electors as follows:

(a) In accordance with section 3318.06 of the Revised Code if it will also be necessary pursuant to division (E) of this section to submit a proposal for approval of a bond issue;

(b) In accordance with section 3318.361 of the Revised Code if it is not necessary to also submit a proposal for approval of a bond issue pursuant to division (E) of this section.

(5) No state assistance under sections 3318.01 to 3318.20 of the Revised Code shall be released until a school district board that adopts and certifies a resolution under division (D) of this section also demonstrates to the satisfaction of the commission compliance with the provisions of division (D)(2) of this section.

Any amount required for maintenance under division (D)(2) of this section shall be deposited into a separate fund as specified in division (B) of section 3318.05 of the Revised Code.

(E)(1) If the school district becomes eligible for state assistance under sections 3318.01 to 3318.20 of the Revised Code based on its percentile ranking under division (B)(3) of this section, the commission shall conduct a new assessment of the school district's classroom facilities needs and shall recalculate the basic project cost based on this new assessment. The basic project cost recalculated under this division shall include the amount of expenditures made by the school district board under division (D)(1) of this section. The commission shall then recalculate the school district's portion of the new basic project cost, which shall be one of the following as applicable:

(a) Except for a tangible personal property phase-out impacted district, the percentage of the original basic project

cost assigned to the school district as its portion under division 23376
(C) of this section; 23377

(b) For a tangible personal property phase-out impacted 23378
district, the lesser of (i) the percentage of the original basic 23379
project cost assigned to the school district as its portion under 23380
division (C) of this section, or (ii) the percentage of the new 23381
basic project cost determined under section 3318.032 of the 23382
Revised Code using the district's current percentile ranking under 23383
section 3318.011 of the Revised Code. The 23384

The commission shall deduct the expenditure of school 23385
district moneys made under division (D)(1) of this section from 23386
the school district's portion of the basic project cost as 23387
recalculated under this division. If the amount of school district 23388
resources applied by the school district board to the school 23389
district's portion of the basic project cost under this section is 23390
less than the total amount of such portion as recalculated under 23391
this division, the school district board by a majority vote of all 23392
of its members shall, if it desires to seek state assistance under 23393
sections 3318.01 to 3318.20 of the Revised Code, adopt a 23394
resolution as specified in section 3318.06 of the Revised Code to 23395
submit to the electors of the school district the question of 23396
approval of a bond issue in order to pay any additional amount of 23397
school district portion required for state assistance. Any tax 23398
levy approved under division (D) of this section satisfies the 23399
requirements to levy the additional tax under section 3318.06 of 23400
the Revised Code. 23401

(2) If the amount of school district resources applied by the 23402
school district board to the school district's portion of the 23403
basic project cost under this section is more than the total 23404
amount of such portion as recalculated under ~~this~~ division (E)(1) 23405
of this section, within one year after the school district's 23406
portion is so recalculated ~~under division (E)(1) of this section~~ 23407

the commission may grant to the school district the difference 23408
between the two calculated portions, but at no time shall the 23409
commission expend any state funds on a project in an amount 23410
greater than the state's portion of the basic project cost as 23411
recalculated under ~~this~~ division (E)(1) of this section. 23412

Any reimbursement under this division shall be only for local 23413
resources the school district has applied toward construction cost 23414
expenditures for the classroom facilities approved by the 23415
commission, which shall not include any financing costs associated 23416
with that construction. 23417

The school district board shall use any moneys reimbursed to 23418
the district under this division to pay off any debt service the 23419
district owes for classroom facilities constructed under its 23420
project under this section before such moneys are applied to any 23421
other purpose. However, the district board first may deposit 23422
moneys reimbursed under this division into the district's general 23423
fund or a permanent improvement fund to replace local resources 23424
the district withdrew from those funds, as long as, and to the 23425
extent that, those local resources were used by the district for 23426
constructing classroom facilities included in the district's basic 23427
project cost. 23428

(3) A tangible personal property phase-out impacted district 23429
shall receive credit under division (E) of this section for the 23430
expenditure of local resources pursuant to any prior agreement 23431
authorized by this section, notwithstanding any recalculation of 23432
its average taxable value. 23433

Sec. 3318.37. (A)(1) As used in this section: 23434

(a) "Full maintenance amount" has the same meaning as in 23435
section 3318.034 of the Revised Code. 23436

(b) "Large land area school district" means a school district 23437

with a territory of greater than three hundred square miles in any 23438
percentile as determined under section 3318.011 of the Revised 23439
Code. 23440

~~(b)~~(c) "Low wealth school district" means a school district 23441
in the first through seventy-fifth percentiles as determined under 23442
section 3318.011 of the Revised Code. 23443

~~(e)~~(d) A "school district with an exceptional need for 23444
immediate classroom facilities assistance" means a low wealth or 23445
large land area school district with an exceptional need for new 23446
facilities in order to protect the health and safety of all or a 23447
portion of its students. 23448

(2) No school district that participates in the school 23449
building assistance expedited local partnership program under 23450
section 3318.36 of the Revised Code shall receive assistance under 23451
the program established under this section unless the following 23452
conditions are satisfied: 23453

(a) The district board adopted a resolution certifying its 23454
intent to participate in the school building assistance expedited 23455
local partnership program under section 3318.36 of the Revised 23456
Code prior to September 14, 2000. 23457

(b) The district was selected by the Ohio school facilities 23458
commission for participation in the school building assistance 23459
expedited local partnership program under section 3318.36 of the 23460
Revised Code in the manner prescribed by the commission under that 23461
section as it existed prior to September 14, 2000. 23462

(B)(1) There is hereby established the exceptional needs 23463
school facilities assistance program. Under the program, the Ohio 23464
school facilities commission may set aside from the moneys 23465
annually appropriated to it for classroom facilities assistance 23466
projects up to twenty-five per cent for assistance to school 23467
districts with exceptional needs for immediate classroom 23468

facilities assistance. 23469

(2)(a) After consulting with education and construction 23470
experts, the commission shall adopt guidelines for identifying 23471
school districts with an exceptional need for immediate classroom 23472
facilities assistance. 23473

(b) The guidelines shall include application forms and 23474
instructions for school districts to use in applying for 23475
assistance under this section. 23476

(3) The commission shall evaluate the classroom facilities, 23477
and the need for replacement classroom facilities from the 23478
applications received under this section. The commission, 23479
utilizing the guidelines adopted under division (B)(2)(a) of this 23480
section, shall prioritize the school districts to be assessed. 23481

Notwithstanding section 3318.02 of the Revised Code, the 23482
commission may conduct on-site evaluation of the school districts 23483
prioritized under this section and approve and award funds until 23484
such time as all funds set aside under division (B)(1) of this 23485
section have been encumbered. However, the commission need not 23486
conduct the evaluation of facilities if the commission determines 23487
that a district's assessment conducted under section 3318.36 of 23488
the Revised Code is sufficient for purposes of this section. 23489

(4) Notwithstanding division (A) of section 3318.05 of the 23490
Revised Code, the school district's portion of the basic project 23491
cost under this section shall be the "required percentage of the 23492
basic project costs," as defined in division (K) of section 23493
3318.01 of the Revised Code. 23494

(5) Except as otherwise specified in this section, any 23495
project undertaken with assistance under this section shall comply 23496
with all provisions of sections 3318.01 to 3318.20 of the Revised 23497
Code. A school district may receive assistance under sections 23498
3318.01 to 3318.20 of the Revised Code for the remainder of the 23499

district's classroom facilities needs as assessed under this 23500
section when the district is eligible for such assistance pursuant 23501
to section 3318.02 of the Revised Code, but any classroom facility 23502
constructed with assistance under this section shall not be 23503
included in a district's project at that time unless the 23504
commission determines the district has experienced the increased 23505
enrollment specified in division (B)(1) of section 3318.04 of the 23506
Revised Code. 23507

(C) No school district shall receive assistance under this 23508
section for a classroom facility that has been included in the 23509
discrete part of the district's classroom facilities needs 23510
identified and addressed in the district's project pursuant to an 23511
agreement entered into under section 3318.36 of the Revised Code, 23512
unless the district's entire classroom facilities plan consists of 23513
only a single building designed to house grades kindergarten 23514
through twelve. 23515

(D)(1) When undertaking a project under this section, a 23516
school district may elect to prorate its full maintenance amount 23517
by setting aside for maintenance the amount calculated under 23518
division (D)(2) of this section to maintain the classroom 23519
facilities acquired under the project, if the district will use 23520
one or more of the alternative methods authorized in sections 23521
3318.051, 3318.052, and 3318.084 of the Revised Code to generate 23522
the entire amount calculated under that division. If the district 23523
so elects, the commission and the district shall include in the 23524
agreement entered into under section 3318.08 of the Revised Code a 23525
statement specifying that the district will use the amount 23526
calculated under that division only to maintain the classroom 23527
facilities acquired under the project under this section. 23528

(2) The commission shall calculate the amount for a school 23529
district to maintain the classroom facilities acquired under a 23530
project under this section as follows: 23531

The full maintenance amount X (the school district's portion of the basic project cost under this section / the school district's portion of the basic project cost for the district's entire classroom facilities needs, as determined jointly by the staff of the commission and the district) 23532
23533
23534
23535
23536

(3) A school district may elect to prorate its full maintenance amount for any number of projects under this section, provided the district will use one or more of the alternative methods authorized in sections 3318.051, 3318.052, and 3318.084 of the Revised Code to generate the entire amount calculated under division (D)(2) of this section to maintain the classroom facilities acquired under each project for which it so elects. If the district cannot use one or more of those alternative methods to generate the entire amount calculated under that division, the district shall levy the tax described in division (B) of section 3318.05 of the Revised Code or an extension of that tax under section 3318.061 of the Revised Code in an amount necessary to generate the remainder of its full maintenance amount. The commission shall calculate the remainder of the district's full maintenance amount as follows: 23537
23538
23539
23540
23541
23542
23543
23544
23545
23546
23547
23548
23549
23550
23551

The full maintenance amount - the sum of the amounts calculated for the district under division (D)(2) of this section for each of the district's prior projects under this section 23552
23553
23554

(4) In no case shall the sum of the amounts calculated for a school district's maintenance of classroom facilities under divisions (D)(2) and (3) of this section exceed the amount that would have been required for maintenance if the district had elected to meet its entire classroom facilities needs with a project under sections 3318.01 to 3318.20 of the Revised Code and had not undertaken one or more projects under this section. 23555
23556
23557
23558
23559
23560
23561

(5) If a school district commenced a project under this section prior to the effective date of this amendment but has not 23562
23563

completed that project, and has not levied the tax described in 23564
division (B) of section 3318.05 of the Revised Code or an 23565
extension of that tax under section 3318.061 of the Revised Code, 23566
the district may request approval from the commission to prorate 23567
its full maintenance amount in accordance with divisions (D)(1) to 23568
(4) of this section. If the commission approves the request, the 23569
commission and the district shall amend the agreement entered into 23570
under section 3318.08 of the Revised Code to reflect the change. 23571

Sec. 3333.04. The chancellor of the Ohio board of regents 23572
shall: 23573

(A) Make studies of state policy in the field of higher 23574
education and formulate a master plan for higher education for the 23575
state, considering the needs of the people, the needs of the 23576
state, and the role of individual public and private institutions 23577
within the state in fulfilling these needs; 23578

(B)(1) Report annually to the governor and the general 23579
assembly on the findings from the chancellor's studies and the 23580
master plan for higher education for the state; 23581

(C) Approve or disapprove the establishment of new branches 23585
or academic centers of state colleges and universities; 23586

(D) Approve or disapprove the establishment of state 23587
technical colleges or any other state institution of higher 23588
education; 23589

(E) Recommend the nature of the programs, undergraduate, 23590
graduate, professional, state-financed research, and public 23591
services which should be offered by the state colleges, 23592
universities, and other state-assisted institutions of higher 23593

education in order to utilize to the best advantage their 23594
facilities and personnel; 23595

(F) Recommend to the state colleges, universities, and other 23596
state-assisted institutions of higher education graduate or 23597
professional programs, including, but not limited to, doctor of 23598
philosophy, doctor of education, and juris doctor programs, that 23599
could be eliminated because they constitute unnecessary 23600
duplication, as shall be determined using the process developed 23601
pursuant to this division, or for other good and sufficient cause. 23602
Prior to recommending a program for elimination, the chancellor 23603
shall request the board of regents to hold at least one public 23604
hearing on the matter and advise the chancellor on whether the 23605
program should be recommended for elimination. The board shall 23606
provide notice of each hearing within a reasonable amount of time 23607
prior to its scheduled date. Following the hearing, the board 23608
shall issue a recommendation to the chancellor. The chancellor 23609
shall consider the board's recommendation but shall not be 23610
required to accept it. 23611

For purposes of determining the amounts of any state 23612
instructional subsidies paid to state colleges, universities, and 23613
other state-assisted institutions of higher education, the 23614
chancellor may exclude students enrolled in any program that the 23615
chancellor has recommended for elimination pursuant to this 23616
division except that the chancellor shall not exclude any such 23617
student who enrolled in the program prior to the date on which the 23618
chancellor initially commences to exclude students under this 23619
division. 23620

The chancellor and state colleges, universities, and other 23621
state-assisted institutions of higher education shall jointly 23622
develop a process for determining which existing graduate or 23623
professional programs constitute unnecessary duplication. 23624

(G) Recommend to the state colleges, universities, and other 23625

state-assisted institutions of higher education programs which 23626
should be added to their present programs; 23627

(H) Conduct studies for the state colleges, universities, and 23628
other state-assisted institutions of higher education to assist 23629
them in making the best and most efficient use of their existing 23630
facilities and personnel; 23631

(I) Make recommendations to the governor and general assembly 23632
concerning the development of state-financed capital plans for 23633
higher education; the establishment of new state colleges, 23634
universities, and other state-assisted institutions of higher 23635
education; and the establishment of new programs at the existing 23636
state colleges, universities, and other institutions of higher 23637
education; 23638

(J) Review the appropriation requests of the public community 23639
colleges and the state colleges and universities and submit to the 23640
office of budget and management and to the chairpersons of the 23641
finance committees of the house of representatives and of the 23642
senate the chancellor's recommendations in regard to the biennial 23643
higher education appropriation for the state, including 23644
appropriations for the individual state colleges and universities 23645
and public community colleges. For the purpose of determining the 23646
amounts of instructional subsidies to be paid to state-assisted 23647
colleges and universities, the chancellor shall define "full-time 23648
equivalent student" by program per academic year. The definition 23649
may take into account the establishment of minimum enrollment 23650
levels in technical education programs below which support 23651
allowances will not be paid. Except as otherwise provided in this 23652
section, the chancellor shall make no change in the definition of 23653
"full-time equivalent student" in effect on November 15, 1981, 23654
which would increase or decrease the number of subsidy-eligible 23655
full-time equivalent students, without first submitting a fiscal 23656
impact statement to the president of the senate, the speaker of 23657

the house of representatives, the legislative service commission, 23658
and the director of budget and management. The chancellor shall 23659
work in close cooperation with the director of budget and 23660
management in this respect and in all other matters concerning the 23661

and needs of higher education in this state; 23677

(N) Approve or disapprove all new degrees and new degree 23678
programs at all state colleges, universities, and other 23679
state-assisted institutions of higher education; 23680

(O) Adopt such rules as are necessary to carry out the 23681
chancellor's duties and responsibilities. The rules shall 23682
prescribe procedures for the chancellor to follow when taking 23683
actions associated with the chancellor's duties and 23684
responsibilities and shall indicate which types of actions are 23685
subject to those procedures. The procedures adopted under this 23686
division shall be in addition to any other procedures prescribed 23687
by law for such actions. However, if any other provision of the 23688

Revised Code or rule adopted by the chancellor prescribes	23689
different procedures for such an action, the procedures adopted	23690
under this division shall not apply to that action to the extent	23691
they conflict with the procedures otherwise prescribed by law. The	23692
procedures adopted under this division shall include at least the	23693
following:	23694
(1) Provision for public notice of the proposed action;	23695
(2) An opportunity for public comment on the proposed action,	23696
which may include a public hearing on the action by the board of	23697
regents;	23698
(3) Methods for parties that may be affected by the proposed	23699
action to submit comments during the public comment period;	23700
(4) Submission of recommendations from the board of regents	23701

chancellor and the chancellor's rationale for the action;	23704
(6) A timeline for the process described in divisions (0)(1)	23705
to (5) of this section.	23706
(P) Establish and submit to the governor and the general	23707
assembly a clear and measurable set of goals and timetables for	23708
their achievement for each program under the chancellor's	23709
supervision that is designed to accomplish any of the following:	23710
(1) Increased access to higher education;	23711
(2) Job training;	23712
(3) Adult literacy;	23713
(4) Research;	23714
(5) Excellence in higher education;	23715
(6) Reduction in the number of graduate programs within the	23716
same subject area.	23717

~~In July of each odd numbered year, the chancellor shall~~ 23718
~~submit to the governor and the general assembly a report on~~ 23719
~~progress made toward these goals.~~ 23720

~~(Q)~~ Make recommendations to the governor and the general 23721
assembly regarding the design and funding of the student financial 23722
aid programs specified in sections 3333.12, 3333.122, 3333.21 to 23723
3333.26, and 5910.02 of the Revised Code; 23724

~~(R)~~(O) Participate in education-related state or federal 23725
programs on behalf of the state and assume responsibility for the 23726
administration of such programs in accordance with applicable 23727
state or federal law; 23728

~~(S)~~(R) Adopt rules for student financial aid programs as 23729

an agreement between the Ohio cultural facilities commission and 24589
the cultural organization. That agreement, and any actions taken 24590
under it, are not subject to Chapter 123., 153., or 4115. of the 24591
Revised Code. 24592

(B) For an Ohio sports facility that is financed in part by 24593
obligations issued pursuant to Chapter 154. of the Revised Code, 24594
construction services shall be provided on behalf of the state by 24595
or at the direction of the governmental agency or nonprofit 24596
corporation that will own or be responsible for the management of 24597
the facility, all as determined by the Ohio cultural facilities 24598
commission. For a facility receiving a state appropriation of 24599
fifty thousand dollars or less, the Ohio cultural facilities 24600
commission may delegate to its executive director the authority to 24601
approve the provision of construction services by or at the 24602
direction of the agency or corporation, but not the authority to 24603
disapprove that provision. Any construction services to be 24604
provided by a governmental agency or nonprofit corporation shall 24605
be specified in an agreement between the Ohio cultural facilities 24606
commission and the governmental agency or nonprofit corporation. 24607
That agreement, and any actions taken under it, are not subject to 24608
Chapter 123. or 153. of the Revised Code, except for sections 24609
123.081 and 153.011 of the Revised Code, and shall be subject to 24610
Chapter 4115. of the Revised Code. 24611

(C) General building services for an Ohio cultural facility 24612
shall be provided by the Ohio cultural facilities commission or by 24613
a cultural organization that occupies, will occupy, or is 24614
responsible for the facility, as determined by the Ohio cultural 24615
facilities commission. For a facility receiving a state 24616

appropriation of fifty thousand dollars or less, the Ohio cultural facilities commission may delegate to its executive director the authority to approve the provision of general building services by such an organization, but not the authority to disapprove that provision. Alternatively, the Ohio building authority may elect to provide those services for Ohio cultural facilities financed with proceeds of state bonds issued by the authority. The costs of management and general building services shall be paid by the cultural organization that occupies, will occupy, or is responsible for the facility as provided in an agreement between the Ohio cultural facilities commission and the cultural organization, except that the state may pay for general building services for state-owned cultural facilities constructed on state-owned land.

General building services for an Ohio sports facility shall be provided by or at the direction of the governmental agency or nonprofit corporation that will be responsible for the management of the facility, all as determined by the Ohio cultural facilities commission. For a facility receiving a state appropriation of fifty thousand dollars or less, the Ohio cultural facilities commission may delegate to its executive director the authority to approve the provision of general building services by or at the direction of the agency or corporation, but not the authority to disapprove that provision. Any general building services to be provided by a governmental agency or nonprofit corporation for an Ohio sports facility shall be specified in an agreement between the Ohio cultural facilities commission and the governmental agency or nonprofit corporation. That agreement, and any actions taken under it, are not subject to Chapter 123. or 153. of the Revised Code, except for sections 123.081 and 153.011 of the Revised Code, and shall be subject to Chapter 4115. of the Revised Code.

(D) This division does not apply to a state historical facility. No state funds, including any state bond proceeds, shall be spent on the construction of any cultural project under this chapter unless, with respect to the cultural project and to the Ohio cultural facility related to the project, all of the following apply:

(1) The Ohio cultural facilities commission has determined that there is a need for the cultural project and the Ohio cultural facility related to the project in the region of the state in which the Ohio cultural facility is located or for which the facility is proposed. For a project receiving a state appropriation of fifty thousand dollars or less, the Ohio cultural facilities commission may delegate to its executive director the authority to determine need but only in the affirmative.

(2) The Ohio cultural facilities commission has determined that, as an indication of substantial regional support for the cultural project, the cultural organization has made provision satisfactory to the Ohio cultural facilities commission, in its sole discretion, for local contributions amounting to not less than fifty per cent of the total state funding for the cultural project. For a project receiving a state appropriation of fifty thousand dollars or less, the Ohio cultural facilities commission may delegate to its executive director the authority to determine the adequacy of the regional support but only in the affirmative.

(3) The general assembly has specifically authorized the spending of money on, or made an appropriation for, the construction of the cultural project, or for rental payments relating to the financing of the construction of the cultural project. Authorization to spend money, or an appropriation, for planning the cultural project does not constitute authorization to spend money on, or an appropriation for, construction of the cultural project.

(E) No state funds, including any state bond proceeds, shall 24681
be spent on the construction of any state historical facility 24682
under this chapter unless the general assembly has specifically 24683
authorized the spending of money on, or made an appropriation for, 24684
the construction of the state historical project related to the 24685
facility, or for rental payments relating to the financing of the 24686
construction of the state historical project. Authorization to 24687
spend money, or an appropriation, for planning the state 24688
historical project does not constitute authorization to spend 24689
money on, or an appropriation for, the construction of the state 24690
historical project. 24691

(F) State funds shall not be used to pay or reimburse more 24692
than fifteen per cent of the initial estimated construction cost 24693
of an Ohio sports facility, excluding any site acquisition cost, 24694
and no state funds, including any state bond proceeds, shall be 24695
spent on any Ohio sports facility under this chapter unless, with 24696
respect to that facility, all of the following apply: 24697

(1) The Ohio cultural facilities commission has determined 24698
that there is a need for the facility in the region of the state 24699
for which the facility is proposed to provide the function of an 24700
Ohio sports facility as provided for in this chapter. For a 24701
facility receiving a state appropriation of fifty thousand dollars 24702
or less, the Ohio cultural facilities commission may delegate to 24703
its executive director the authority to determine need but only in 24704
the affirmative. 24705

(2) As an indication of substantial local support for the 24706
facility, the Ohio cultural facilities commission has received a 24707
financial and development plan satisfactory to it, and provision 24708
has been made, by agreement or otherwise, satisfactory to the Ohio 24709
cultural facilities commission, for a contribution amounting to 24710
not less than eighty-five per cent of the total estimated 24711
construction cost of the facility, excluding any site acquisition 24712

cost, from sources other than the state. For a facility receiving 24713
a state appropriation of fifty thousand dollars or less, the Ohio 24714
cultural facilities commission may delegate to its executive 24715
director the authority to evaluate the financial and development 24716
plan and the contribution and to determine their adequacy but only 24717
in the affirmative. 24718

(3) The general assembly has specifically authorized the 24719
spending of money on, or made an appropriation for, the 24720
construction of the facility, or for rental payments relating to 24721
state financing of all or a portion of the costs of constructing 24722
the facility. Authorization to spend money, or an appropriation, 24723
for planning or determining the feasibility of or need for the 24724
facility does not constitute authorization to spend money on, or 24725
an appropriation for, costs of constructing the facility. 24726

(4) If state bond proceeds are being used for the Ohio sports 24727
facility, the state or a governmental agency owns or has 24728
sufficient property interests in the facility or in the site of 24729
the facility or in the portion or portions of the facility 24730
financed from proceeds of state bonds, which may include, but is 24731
not limited to, the right to use or to require the use of the 24732
facility for the presentation of sport and athletic events to the 24733
public at the facility. 24734

(G) In addition to the requirements of division (F) of this 24735
section, no state funds, including any state bond proceeds, shall 24736
be spent on any Ohio sports facility that is a motorsports 24737
complex, unless, with respect to that facility, both of the 24738
following apply: 24739

(1) Motorsports events shall be presented at the facility 24740
pursuant to a lease entered into with the owner of the facility. 24741
The term of the lease shall be for a period of not less than the 24742
greater of the useful life of the portion of the facility financed 24743
from proceeds of state bonds as determined using the guidelines 24744

for maximum maturities as provided under divisions (B) and (C) of 24745
section 133.20 of the Revised Code, or the period of time 24746
remaining to the date of payment or provision for payment of 24747
outstanding state bonds allocable to costs of the facility, all as 24748
determined by the director of budget and management and certified 24749
by the director to the Ohio cultural facilities commission and to 24750
the treasurer of state. 24751

(2) Any motorsports organization that commits to using the 24752
facility for an established period of time shall give the 24753
political subdivision in which the facility is located not less 24754
than six months' advance notice if the organization intends to 24755
cease utilizing the facility prior to the expiration of that 24756
established period. Such a motorsports organization shall be 24757
liable to the state for any state funds used on the construction 24758
costs of the facility. 24759

(H) In addition to the requirements of division (F) of this 24760
section, no state bond proceeds shall be spent on any Ohio sports 24761
facility that is a tennis facility, unless the owner or manager of 24762
the facility provides contractual commitments from a national or 24763
international professional tennis organization in a form 24764
acceptable to the cultural facilities commission that assures that 24765
one or more sanctioned professional tennis events will be 24766
presented at the facility during each year that the bonds remain 24767
outstanding. 24768

which all of the reviewable activities will be conducted. The 28689
applicant, the director, and the affected persons that filed 28690
objections to the application shall be parties to the hearing. If 28691
none of the affected persons that submitted written objections to 28692
the application appears or prosecutes the hearing, the hearing 28693
examiner shall dismiss the hearing and the director shall grant a 28694
certificate of need for all or part of the project that is the 28695
subject of the application if the proposed project meets all of 28696
the applicable certificate of need criteria for approval under 28697
sections 3702.51 to 3702.62 of the Revised Code and the rules 28698
adopted under those sections. The affected persons bear the burden 28699
of proving by a preponderance of evidence that the project is not 28700
needed or that granting the certificate would not be in accordance 28701
with sections 3702.51 to 3702.62 of the Revised Code or the rules 28702
adopted under those sections. 28703~~

(4) Except as provided in division (C)(5) of this section, 28704
the director shall grant or deny certificate of need applications 28705
~~for which an adjudication hearing is not conducted under division 28706
(C)(3) of this section not later than sixty days after mailing the 28707
notice of completeness or, in the case of an application proposing 28708
addition of long term care beds, not later than sixty days after 28709
such other time as is specified in rules adopted under section 28710
3702.57 of the Revised Code. Except as provided in division (C)(5) 28711
of this section, the director shall grant or deny certificate of 28712
need applications for which an adjudication hearing is conducted 28713
under division (C)(3) of this section not later than thirty days 28714
after the expiration of the time for filing objections to the 28715
report and recommendation of the hearing examiner under section 28716
119.09 of the Revised Code. The director shall base decisions 28717
concerning applications for which an adjudication hearing is 28718~~

~~conducted under division (C)(3) of this section on the report and
recommendations of the hearing examiner.~~ 28719
28720

(5) Except as otherwise provided in division (C)(6) of this 28721
section, the director or the applicant may extend the deadline 28722
prescribed in division (C)(4) of this section once, for no longer 28723
than thirty days, by written notice before the end of the deadline 28724
prescribed by division (C)(4) of this section. An extension by the 28725
director under division (C)(5) of this section shall apply to all 28726
applications that are in comparative review. 28727

(6) No applicant in a comparative review may extend the 28728
deadline specified in division (C)(4) of this section. 28729

(7) If the director does not grant or deny the certificate by 28730
the applicable deadline specified in division (C)(4) of this 28731
section or any extension of it under division (C)(5) of this 28732
section, the certificate shall be considered to have been granted. 28733

(8) In granting a certificate of need, the director shall 28734
specify as the maximum capital expenditure the certificate holder 28735
may obligate under the certificate a figure equal to one hundred 28736
ten per cent of the approved project cost. 28737

(9) In granting a certificate of need, the director may grant 28738
the certificate with conditions that must be met by the holder of 28739
the certificate. 28740

(D) When a certificate of need application is approved for a 28741
project under which the beds are relocated, a number of beds equal 28742
to the number relocated shall cease to be operated in the 28743
long-term care facility from which they were relocated, except 28744
that the beds may continue to be operated for not more than 28745
fifteen days to allow relocation of residents to the facility to 28746
which the beds have been relocated. Notwithstanding section 28747
3721.03 of the Revised Code, if the relocated beds are in a home 28748
licensed under Chapter 3721. of the Revised Code, the facility's 28749

license is automatically reduced by the number of beds relocated 28750
effective fifteen days after the beds are relocated. If the beds 28751
are in a facility that is certified as a skilled nursing facility 28752
or nursing facility under Title XVIII or XIX of the "Social 28753
Security Act," the certification for the beds shall be 28754
surrendered. If the beds are registered under section 3701.07 of 28755
the Revised Code as skilled nursing beds or long-term care beds, 28756
the director shall remove the beds from registration not later 28757
than fifteen days after the beds are relocated. 28758

(E) The director shall monitor the activities of persons 28759
granted certificates of need during the period beginning with the 28760
granting of the certificate of need and ending five years after 28761
implementation of the activity for which the certificate was 28762
granted. 28763

~~(E)~~(F) When reviewing applications for certificates of need, 28764
considering appeals under section 3702.60 of the Revised Code, or 28765
monitoring activities of persons granted certificates of need, the 28766
director may issue and enforce, in the manner provided in section 28767
119.09 of the Revised Code, subpoenas and subpoenas duces tecum to 28768
compel ~~the production of a person to testify and produce~~ documents 28769
relevant to review of the application, consideration of the 28770
appeal, or monitoring of the activities. In addition, the director 28771
or the director's designee, ~~which may include a health service~~ 28772
~~agency,~~ may visit the sites where the activities are or will be 28773
conducted. 28774

~~(F)~~(G) The director may withdraw certificates of need. 28775

~~(G)~~ The director shall conduct, on a regular basis, health 28776
system data collection and analysis activities and prepare 28777
reports. The director shall make recommendations based upon these 28778
activities to the public health council concerning the adoption of 28779
appropriate rules under section 3702.57 of the Revised Code. (H) 28780
All health long-term care facilities and other health care 28781

~~providers~~ shall submit to the director, upon request, any 28782
information prescribed by rules adopted under division (H) of 28783
section 3702.57 of the Revised Code that is necessary to conduct 28784
reviews of certificate of need applications and to develop 28785
~~recommendations for criteria for reviews, and that is prescribed~~ 28786
~~by rules adopted under division (H) of section 3702.57 of the~~ 28787
~~Revised Code.~~ 28788

~~(H)~~(I) Any decision to grant or deny a certificate of need 28789
shall consider the special needs and circumstances resulting from 28790
moral and ethical values and the free exercise of religious rights 28791
of ~~health~~ long-term care facilities administered by religious 28792
organizations, and the special needs and circumstances of inner 28793
city and rural communities. 28794

Sec. ~~3702.522~~ 3702.521. (A) Reviews of applications for 28795
certificates of need to recategorize hospital beds to skilled 28796
nursing beds shall be conducted in accordance with this division 28797
and rules adopted by the ~~public~~ director of health ~~council~~. 28798

(1) No hospital recategorizing beds shall apply for a 28799
certificate of need for more than twenty skilled nursing beds. 28800

(2) No beds for which a certificate of need is requested 28801
under this division shall be reviewed under or counted in any 28802
formula developed under ~~public health council~~ rules adopted by the 28803
director for the purpose of determining the number of long-term 28804
care beds that may be needed within the state. 28805

(3) No beds shall be approved under this division unless the 28806
hospital certifies and demonstrates in the application that the 28807
beds will be dedicated to patients with a length of stay of no 28808
more than thirty days. 28809

(4) No beds shall be approved under this division unless the 28810
hospital can satisfactorily demonstrate in the application that it 28811

is routinely unable to place the patients planned for the beds in 28812
accessible skilled nursing facilities. 28813

(5) In developing rules to implement this division, the 28814
~~public health council~~ director shall give special attention to the 28815
required documentation of the need for such beds, including the 28816
efforts made by the hospital to place patients in suitable skilled 28817
nursing facilities, and special attention to the appropriate size 28818
of units with such beds given the historical pattern of the 28819
applicant hospital's documented difficulty in placing skilled 28820
nursing patients. 28821

(B) ~~To assist the director of health~~ For assistance in 28822
monitoring the use of hospital beds recategorized as skilled 28823
nursing beds after August 5, 1989, the ~~public health council~~ 28824
director shall adopt rules specifying appropriate quarterly 28825
procedures for reporting to the department of health. 28826

(C) A patient may stay in a hospital bed that, after August 28827
5, 1989, has been recategorized as a skilled nursing bed for more 28828
than thirty days if the hospital is able to demonstrate that it 28829
made a good faith effort to place the patient in an accessible 28830
skilled nursing facility acceptable to the patient within the 28831
thirty-day period, but was unable to do so. 28832

(D) No hospital bed recategorized after August 5, 1989, as a 28833
skilled nursing bed shall be covered by a provider agreement under 28834
the medical assistance program established under Chapter 5111. of 28835
the Revised Code. 28836

(E) Nothing in this section requires a hospital to place a 28837
patient in any nursing home if the patient does not wish to be 28838
placed in the nursing home. Nothing in this section limits the 28839
ability of a hospital to file a certificate of need application 28840
for the addition of long-term care beds that meet the definition 28841
of "home" in section 3721.01 of the Revised Code. Nothing in this 28842

section limits the ability of the director to grant certificates 28843
of need necessary for hospitals to engage in demonstration 28844
projects authorized by the federal government for the purpose of 28845
enhancing long-term quality of care and cost containment. Nothing 28846
in this section limits the ability of hospitals to develop swing 28847
bed programs in accordance with federal regulations. 28848

No hospital that is granted a certificate of need after 28849
August 5, 1989, to recategorize hospital beds as skilled nursing 28850
beds is subject to sections 3721.01 to 3721.09 of the Revised 28851
Code. If the portion of the hospital in which the recategorized 28852
beds are located is certified as a skilled nursing facility under 28853
Title XVIII of the "Social Security Act," 49 Stat. 620 (1935), 42 28854
U.S.C.A. 301, as amended, that portion of the hospital is subject 28855
to sections 3721.10 to 3721.17 and sections 3721.21 to 3721.34 of 28856
the Revised Code. If the beds are registered pursuant to section 28857
3701.07 of the Revised Code as long-term care beds, the beds are 28858
subject to sections 3721.50 to 3721.58 of the Revised Code. 28859

~~(F) The public health council shall adopt rules authorizing 28860
the creation of one or more nursing home placement clearinghouses. 28861
Any public or private agency or facility may apply to the 28862
department of health to serve as a nursing home placement 28863
clearinghouse, and the rules shall provide the procedure for 28864
application and process for designation of clearinghouses. 28865~~

~~The department may approve one or more clearinghouses, but in 28866
no event shall there be more than one nursing home placement 28867
clearinghouse in each county. Any nursing home may list with a 28868
nursing home placement clearinghouse the services it provides and 28869
the types of patients it is approved for and equipped to serve. 28870
The clearinghouse shall make reasonable efforts to update its 28871
information at least every six months. 28872~~

~~If an appropriate clearinghouse has been designated, each 28873
hospital granted a certificate of need after August 5, 1989, to 28874~~

~~reclassify hospital beds as skilled nursing beds shall, and any other hospital may, utilize the nursing home placement clearinghouse prior to admitting a patient to a skilled nursing bed within the hospital and prior to keeping a patient in a skilled nursing bed within a hospital in excess of thirty days.~~

~~The department shall provide at least annually to all hospitals a list of the designated nursing home placement clearinghouses.~~

Sec. ~~3702.523~~ 3702.522. A person who has an application for a certificate of need pending with the director of health may revise the application to change the site of the proposed project unless either of the following applies:

(A) The director, under section 3702.52 of the Revised Code, has mailed the applicant a written notice that the application is complete.

(B) The application is subject to a comparative review under section 3702.593 of the Revised Code.

The only revision that may be made in the revised application is the site of the proposed project. The revised site of the proposed project must be located in the same county as the site of the proposed project specified in the original application. The director may not accept a revised application if it includes revisions other than the site of the proposed project or if the revised site is located in a different county than the county in which the site specified in the original application is located.

A revised application shall be accompanied by an additional, ~~non-refundable~~ nonrefundable fee equal to twenty-five per cent of the fee charged under section 3702.52 of the Revised Code for the original application. The additional fee shall be deposited into the certificate of need fund created under section 3702.52 of the

Revised Code. 28905

On acceptance of a revised application, the director shall 28906
continue to review the application as revised in accordance with 28907
section 3702.52 of the Revised Code to determine whether it is 28908
complete and, if necessary and regardless of whether the director 28909
previously made two requests for additional information, may make 28910
a final written request to the applicant for additional 28911
information not later than thirty days after the date the director 28912
accepts the revised application. 28913

Sec. ~~3702.524~~ 3702.523. (A) Except as provided in division 28914
(B) of this section, a certificate of need ~~granted on or after~~ 28915
~~April 20, 1995,~~ is not transferable prior to the completion of the 28916
reviewable activity for which it was granted. If any person 28917
holding a certificate of need ~~issued on or after that date~~ 28918
transfers the certificate of need to another person before the 28919
reviewable activity is completed, or enters into an agreement that 28920
contemplates the transfer of the certificate of need on the 28921
completion of the reviewable activity, the certificate of need is 28922
void. If the controlling interest in an entity that holds a 28923
certificate of need ~~issued on or after that date~~ is transferred 28924
prior to the completion of the reviewable activity, the 28925
certificate of need is void. 28926

(B) Division (A) of this section does not prohibit the 28927
transfer of a certificate of need ~~issued on or after April 20,~~ 28928
~~1995,~~ between affiliated or related persons, as defined in rules 28929
adopted under section 3702.57 of the Revised Code, if the transfer 28930
does not result in a change in the person that holds the ultimate 28931
controlling interest, as defined in the rules, in the certificate 28932
of need. 28933

The transfer of a ~~health~~ long-term care facility after the 28934
completion of a reviewable activity for which a certificate of 28935

need was issued ~~on or after April 20, 1995,~~ is not a transfer of 28936
the certificate of need, unless the facility is transferred 28937
pursuant to an agreement entered into prior to the completion of 28938
the reviewable activity. 28939

Sec. ~~3702.525~~ 3702.524. (A) Not later than twenty-four months 28940
after the date the director of health mails the notice that the 28941
certificate of need has been granted or, if the grant or denial of 28942
the certificate of need is appealed under section 3702.60 of the 28943
Revised Code, not later than twenty-four months after issuance of 28944
an order granting the certificate that is not subject to further 28945
appeal, each person holding a certificate of need granted ~~on or~~ 28946
~~after April 20, 1995,~~ shall: 28947

(1) If the project for which the certificate of need was 28948
granted primarily involves construction and is to be financed 28949
primarily through external borrowing of funds, secure financial 28950
commitment for the stated purpose of developing the project and 28951
commence construction that continues uninterrupted except for 28952
interruptions or delays that are unavoidable due to reasons beyond 28953
the person's control, including labor strikes, natural disasters, 28954
material shortages, or comparable events; 28955

(2) If the project for which the certificate of need was 28956
granted primarily involves construction and is to be financed 28957
primarily internally, receive formal approval from the holder's 28958
board of directors or trustees or other governing authority to 28959
commit specified funds for implementation of the project and 28960
commence construction that continues uninterrupted except for 28961
interruptions or delays that are unavoidable due to reasons beyond 28962
the person's control, including labor strikes, natural disasters, 28963
material shortages, or comparable events; 28964

(3) ~~If the project for which the certificate of need was~~ 28965
~~granted primarily involves acquisition of medical equipment, enter~~ 28966

~~into a contract to purchase or lease the equipment and to accept~~ 28967
~~the equipment at the site for which the certificate was granted.~~ 28968

~~(4)~~ If the project for which the certificate of need was 28969
granted involves no capital expenditure or only minor renovations 28970
to existing structures, provide the health long-term care service 28971
~~or activity~~ by the means specified in the approved application for 28972
the certificate; 28973

~~(5)~~(4) If the project for which the certificate of need was 28974
granted primarily involves leasing a building or space that 28975
requires only minor renovations to the existing space, execute a 28976
lease and provide the health long-term care service ~~or activity~~ by 28977
the means specified in the approved application for the 28978
certificate; 28979

~~(6)~~(5) If the project for which the certificate of need was 28980
granted primarily involves leasing a building or space that has 28981
not been constructed or requires substantial renovations to 28982

implementing the reviewable activity that continues uninterrupted 28984
except for interruptions or delays that are unavoidable due to 28985
reasons beyond the person's control, including labor strikes, 28986
natural disasters, material shortages, or comparable events. 28987

(B) The twenty-four-month period specified in division (A) of 28988
this section shall not be extended by any means, including the 28989
granting of a subsequent or replacement certificate of need. Each 28990
person holding a certificate of need ~~granted on or after April 20,~~ 28991
~~1995,~~ shall provide the director of health documentation of 28992
compliance with that division not later than the earlier of thirty 28993
days after complying with that division or five days after the 28994
twenty-four-month period expires. Not later than the earlier of 28995
fifteen days after receiving the documentation or fifteen days 28996
after the twenty-four-month period expires, the director shall 28997
send by certified mail a notice to the holder of the certificate 28998

of need specifying whether the holder has complied with division 28999

~~(C) Notwithstanding division (B) of this section, the 29001
twenty-four month period specified in division (A) of this section 29002
shall be extended for an additional twenty-four months for any 29003
certificate of need granted for the purchase and relocation of 29004
licensed nursing home beds on February 26, 1999. 29005~~

~~(D) A certificate of need granted on or after April 20, 1995, 29006

division (A) or (C) of this section or to provide information 29009
under division (B) of this section as necessary for the director 29010
to determine compliance. The determination by the director that a 29011
