(G) It purports to be, or is represented as, a food for which a definition and standard of identity have been prescribed by statute, or by any rule adopted under an existing statute, or by	32444 32445 32446

flavorings, and colorings, other than those sold as such, may be 32470
designated as spices, flavorings, and colorings, without naming 32471
each; provided, that, to the extent that compliance with the 32472
requirements of division (I)(2) of this section is impractical or 32473
results in deception or unfair competition, exemptions shall be 32474
established by rules adopted by the director; and provided that 32475
these requirements shall not apply to any carbonated beverage of 32476

exemptions shall be established by rules ~~proposed~~ adopted by the 32490
director ~~and adopted by the public health council~~. 32491

Sec. 3715.61. (A) Whenever the director of agriculture finds 32492
after investigation that the distribution in this state of any 32493
class of food may, by reason of contamination with microorganisms 32494
during manufacture, processing, or packing thereof in any 32495
locality, be injurious to health, and that such injurious nature 32496
cannot be adequately determined after such articles have entered 32497
commerce, and in such case only, ~~he the director~~ shall ~~propose~~ 32498
~~regulations for adoption by the public health council~~ adopt rules 32499
providing for the issuance, to manufacturers, processor, or 32500
packers of such class of food in such locality, of permits to 32501
which shall be attached such conditions governing the manufacture, 32502
processing, or packing of such class food, for such temporary 32503
period of time, as may be necessary to protect the public health; 32504
and after the effective date of such regulations, and during such 32505
temporary period, no person shall introduce or deliver for 32506
introduction into commerce any such food manufactured, processed, 32507

adequate measures have been taken to comply with and maintain the 32518
conditions of the permit, as originally issued, or as amended. 32519

(C) The director shall have access to any factory or 32520
establishment, the operator of which holds a permit from the 32521
director for the purpose of ascertaining whether or not the 32522

access for such inspection shall be ground for suspension of the 32524
permit until such access is freely given by the operator. 32525

Sec. 3715.62. Any poisonous or deleterious substance added to 32526

production thereof or cannot be avoided by good manufacturing 32528
practice, shall be unsafe for purposes of the application of 32529

so fixed shall also be deemed to be unsafe for purposes of the 32536
application of division (B) of section 3715.59 of the Revised 32537
Code. While such a regulation is in effect limiting the quantity 32538

of any such substance in the case of any food, such food shall 32539
not, by reason of bearing or containing any added amount of such 32540
substance, be considered to be adulterated within the meaning of 32541
division (A) of section 3715.59 of the Revised Code. In 32542
determining the quantity of such added substance to be tolerated 32543
in or on different articles of food, the director shall take into 32544
account the extent to which the use of such substance is required 32545

or other poisonous or deleterious substances. 32548

false under this division if it is disseminated only to members of 32563
the medical, dental, pharmaceutical, or veterinary profession, or 32564
appears only in the scientific periodicals of these professions; 32565
provided, that whenever the director of agriculture determines 32566
that an advance in medical science has made any type of 32567
self-medication safe as to any of the diseases named above, the 32568
director shall ~~propose regulations for adoption by the public~~ 32569
~~health council~~ adopt rules authorizing the advertisement of drugs 32570

having curative or therapeutic effect for such disease, subject to 32571
such conditions and restrictions as the director may deem 32572
necessary in the interests of public health; provided, that this 32573
division shall not be construed as indicating that self-medication 32574
for diseases other than those named in this section is safe or 32575
efficacious. 32576

of substances may cause substantial personal injury or illness 32587
during any customary or reasonably anticipated handling or use. 32588

between two hundred and three hundred grams, at a single dose of 32596
fifty milligrams or less per kilogram of body weight, when orally 32597
administered; 32598

(b) Produces death within fourteen days in half or more than 32599
half of a group of ten or more laboratory white rats each weighing 32600

between two hundred and three hundred grams, when inhaled 32601
continuously for a period of one hour or less at an atmospheric 32602
concentration of two hundred parts per million by volume or less 32603

to be encountered by ~~man~~ a human being when the substance is used 32605
in any reasonably foreseeable manner; 32606

(c) Produces death within fourteen days in half or more than 32607

those obtained on animals in the above named dosages or 32614
concentrations, the human data shall take precedence. 32615

(G) "Corrosive" means any substance which in contact with 32616
living tissue will cause destruction of tissue by chemical action; 32617
but shall not refer to action on inanimate surfaces. 32618

(H) "Irritant" means any substance not corrosive within the 32619

(K) "Flammable" applies to any substance which has a flash 32634
point of above twenty degrees to and including eighty degrees 32635
Fahrenheit, as determined by the tagliabue open cut tester; except 32636
that the flammability of the contents of self-pressurized 32637

such containers and established by regulation of the ~~public health~~ 32639
~~council~~ director. 32640

(L) "Label" means a display of written, printed, or graphic 32641

(c) The signal word "DANGER" on substances which are 32661

extremely flammable, corrosive, or which: 32662

Sec. 3717.05. (A) The director of agriculture and the ~~public~~ director of health ~~council~~ shall adopt rules establishing standards for safe food handling and sanitation in retail food establishments and food service operations. The rules shall be compiled as the Ohio uniform food safety code, which shall be used by the licensors of retail food establishments and food service operations in ensuring the safe handling of food in this state. All scientific provisions of the Ohio uniform food safety code that are relevant to both retail food establishments and food

service operations shall be adopted by the director of agriculture 32875
and the ~~public~~ director of health council with each other's 32876
concurrence. 32877

(B)(1) Except as provided in division (B)(2) of this section, 32894
if a model food code is established by the United States food and 32895
drug administration, the Ohio uniform food safety code shall be 32896
based on the most current version of the food and drug 32897
administration's model food code. If the food and drug 32898
administration adopts, modifies, or rescinds a provision in the 32899
model food code, not later than twelve months after the 32900
administration's action, the director of agriculture and ~~public~~ 32901
director of health council shall adopt, amend, or rescind 32902
provisions in the Ohio uniform food safety code to ensure that it 32903
continues to conform with the model food code. 32904

(2) The Ohio uniform food safety code may contain or omit 32905
provisions that do not correspond to the food and drug 32906
administration's model food code if the director of agriculture or 32907
the ~~public~~ director of health council, with each other's 32908
concurrence, determines either of the following: 32909

(a) That rules can be adopted under this chapter that provide 32910
protection at least as effective as that which would be provided 32911
by basing the rules on the model food code; 32912

(b) That local conditions warrant the adoption of standards 32913
that are different from the model food code. 32914

Sec. 3717.07. (A) For purposes of establishing a licensing 32915
fee under sections 3717.25 and 3717.45 of the Revised Code, the 32916
director of agriculture and the ~~public~~ director of health council 32917
shall adopt rules establishing uniform methodologies for use in 32918
calculating the costs of licensing retail food establishments in 32919
the categories specified by the director of agriculture and the 32920
costs of licensing food service operations in the categories 32921
specified by the ~~council~~ director of health. In adopting the 32922
rules, the director of agriculture and the ~~public~~ director of 32923
health ~~council~~ shall consider any recommendations received from 32924
advisory boards or other entities representing the interests of 32925
retail food establishments and food service operations. 32926

of sanitarians by establishing appropriate statewide averages that 32932
may not be exceeded; 32933

(3) Limit the indirect costs that may be included in the 32934

calculation of fees to an amount that does not exceed thirty per cent of the cost of the licensing program;

(4) Provide for a proportionate reduction in the fees to be charged if a licensor included anticipated costs in the immediately preceding calculation of licensing fees and the total amount of the anticipated costs was not incurred;

(5) Provide for a proportionate reduction in the fees to be charged if it is discovered through an audit by the auditor of state or through any other means that the licensor has charged or is charging a licensing fee that exceeds the amount that should have been charged;

(6) Provide for a twenty per cent reduction in the fees to be charged when the reduction is imposed as a penalty under division (C) of section 3717.071 of the Revised Code;

(7) With regard to any fees charged for licensing vending machine locations, the rules shall prohibit a licensor from increasing fees by a percentage of increase over the previous year's fee that exceeds the percentage of increase in the consumer price index for all urban consumers (United States city average, all items), prepared by the United States department of labor, bureau of labor statistics, for the immediately preceding calendar year.

Sec. 3717.45. (A) A licensor may charge fees for issuing and renewing food service operation licenses. Any licensing fee charged shall be used solely for the administration and enforcement of the provisions of this chapter and the rules adopted under it applicable to food service operations.

Any licensing fee charged under this section shall be based on the licensor's costs of regulating food service operations, as determined according to the uniform methodologies established

under section 3717.07 of the Revised Code. If the licensor is a board of health, a fee may be disapproved by the district advisory council in the case of a general health district or the legislative authority of the city in the case of a city health district. A disapproved fee shall not be charged by the board of health.

Except when a licensing fee is established as an emergency measure, the licensor shall hold a public hearing regarding the proposed fee. At least twenty days prior to holding a public hearing, the licensor shall give written notice of the hearing to each person or government entity holding a food service operation license that may be affected by the proposed fee. The notice shall be mailed to the last known address of the licensee and shall specify the date, time, and place of the hearing and the amount of the proposed fee. On request, the licensor shall provide the completed uniform methodology used in the calculation of the licensor's costs and the proposed fee.

(B) In addition to licensing fees, a licensor may charge fees for the following:

(1) Review of facility layout and equipment specifications pertaining to food service operations, other than mobile and temporary food service operations, or similar reviews conducted for vending machine locations;

(2) Any necessary collection and bacteriological examination of samples from food service operations, or similar services specified in rules adopted under this chapter by the ~~public~~ director of health council;

(3) Attendance at a course of study offered by the licensor in food protection as it pertains to food service operations, if the course is approved under section 3717.09 of the Revised Code.

(C)(1) The ~~public health council~~ director may determine by

rule an amount to be collected from applicants for food service 32996
operation licenses for use ~~by the director of health~~ in 32997
administering and enforcing the provisions of this chapter and the 32998
rules adopted under it applicable to food service operations. 32999
Licensors shall collect the amount prior to issuing an applicant's 33000
new or renewed license. If a licensing fee is charged under this 33001
section, the licensor shall collect the amount at the same time 33002
the fee is collected. Licensors are not required to provide notice 33003
or hold public hearings regarding amounts to be collected. 33004

(2) A licensor shall certify the amount collected under 33005
division (C)(1) of this section and transmit the amount to the 33006
treasurer of state according to the following schedule: 33007

(a) For amounts received by the licensor on or after the 33008
first day of January but not later than the thirty-first day of 33009
March, transmit the amounts not later than the fifteenth day of 33010
May; 33011

(b) For amounts received by the licensor on or after the 33012
first day of April but not later than the thirtieth day of June, 33013
transmit the amounts not later than the fifteenth day of August; 33014

(c) For amounts received by the licensor on or after the 33015
first day of July but not later than the thirtieth day of 33016
September, transmit the amounts not later than the fifteenth day 33017
of November; 33018

(d) For amounts received by the licensor on or after the 33019
first day of October but not later than the thirty-first day of 33020
December, transmit the amounts not later than the fifteenth day of 33021
February of the following year. 33022

(3) All amounts received under division (C)(2) of this 33023
section shall be deposited into the general operations fund 33024
created in section 3701.83 of the Revised Code. The director shall 33025
use the amounts solely for the administration and enforcement of 33026

the provisions of this chapter and the rules adopted under it 33027
applicable to food service operations. 33028

~~(4) The director may submit recommendations to the public 33029
health council regarding the amounts collected under division 33030
(C)(1) of this section. When making recommendations, the director 33031
shall submit a report stating the current and projected expenses 33032
of administering and enforcing the provisions of this chapter and 33033
the rules adopted under it applicable to food service operations 33034
and the total of all amounts that have been deposited in the 33035
general operations fund pursuant to division (C)(3) of this 33036
section. The director may include in the report any 33037
recommendations for modifying the department's administration and 33038
enforcement of the provisions of this chapter and the rules 33039
adopted under it applicable to food service operations. 33040~~

Sec. 3717.51. Pursuant to section 3717.04 of the Revised 33042
Code, the public director of health council shall adopt rules 33043
regarding food service operations, as follows: 33044

(A) Licensing categories for food service operations and 33045
licensing requirements for each category; 33046

(B) Standards and procedures, including a schedule of 33047
frequency, for conducting inspections of food service operations; 33048

(C) Standards and procedures for conducting investigations of 33049
complaints pertaining to food service operations; 33050

(D) Procedures to be used by the director of health in 33051
approving courses of study for persons seeking certification in 33052
food protection, standards that must be met to receive and 33053
maintain the director's approval, and procedures for withdrawing 33054
the director's approval of a course if the standards for approval 33055
are no longer being met; 33056

(E) Standards for the provision of assistance to choking 33057

victims; 33058

(F) Any other matter the ~~council~~ director considers relevant 33059
to the administration and enforcement of the provisions of this 33060
chapter applicable to food service operations. 33061

Sec. 3718.02. (A) The ~~public~~ director of health council, in 33062
accordance with Chapter 119. of the Revised Code, shall adopt, and 33063
subsequently may amend and rescind, rules of general application 33064
throughout the state to administer this chapter. Rules adopted 33065
under division (A) of this section shall do at least all of the 33066
following: 33067

(1) Require that the appropriate board of health approve or 33068
disapprove the installation, operation, and alteration of a sewage 33069
treatment system if it is not connected to a sanitary sewerage 33070
system; 33071

(2) Require a board of health, or other person as established 33072
by rule, to conduct a site evaluation for any proposed 33073
installation of a sewage treatment system; 33074

(3) Prescribe standards for the siting, design, installation, 33075
operation, monitoring, maintenance, and abandonment of sewage 33076
treatment systems that may be used in this state and for the 33077
progressive or incremental alteration or repair of an existing 33078
sewage treatment system or the progressive or incremental 33079
installation of a new system to replace an existing sewage 33080
treatment system. The rules shall be adopted so as to establish a 33081
preference for the repair of an existing sewage treatment system, 33082
when technically and economically feasible, rather than its 33083
replacement with a new system. The standards shall include at a 33084
minimum all of the following: 33085

(a) Soil absorption specifications and vertical separation 33086
distances. 33087

(i) Soil absorption specifications established in rules shall 33088
include standards regarding the sizing of sewage treatment systems 33089
in use in the state. 33090

(ii) In establishing soil absorption specifications and 33091
vertical separation distances, the rules shall identify those soil 33092
conditions that present a low or moderate risk of inadequate 33093
treatment or dispersal of sewage from sewage treatment systems. 33094
For low and moderate risk conditions, the required vertical 33095
separation distance shall not exceed eighteen inches except as 33096
authorized pursuant to rules adopted under divisions 33097
(A)(3)(a)(iii) and (iv) of this section. 33098

In addition, the rules shall identify those soil conditions 33099
that present a high risk of inadequate treatment or dispersal of 33100
sewage. For such high risk conditions, the vertical separation 33101
distance shall be set at a depth from twenty-four to thirty-six 33102
inches and shall not be lowered unless a reduction of vertical 33103
separation is granted in accordance with rules adopted under 33104
division (A)(3)(a)(iii) of this section. 33105

(iii) The rules shall establish options to be utilized by a 33106
board of health when approving the reductions of or compliance 33107
with vertical separation distances that are established in rules 33108
adopted under division (A)(3)(a)(ii) of this section. The options 33109
for a board of health in providing such approval shall include, 33110
but not be limited to: the use where deemed appropriate for a 33111
particular site of subsurface interceptor drains, perimeter 33112
drains, or engineered drainage; pretreatment of sewage; or soil 33113
elevation. 33114

(iv) The rules shall provide that a board of health may 33115
petition the director to increase the vertical separation 33116
distances required for sewage treatment systems in the applicable 33117
health district or a portion of the district when conditions 33118
present a high risk of inadequate treatment or dispersal of 33119

sewage. The rules also shall provide that the director may approve 33120
such a request upon a demonstration by the board of health that 33121
unusual or unique local conditions relating to terrain, bedrock, 33122
water table, soil fragments, or soil textures require the 33123
establishment of greater vertical separation distances within the 33124
jurisdiction of the board of health or a portion thereof. If, 33125
under the rules, the director of health approves a greater 33126
vertical separation distance, a board of health still may approve 33127
a reduction of that vertical separation distance for an individual 33128
sewage treatment system pursuant to rules adopted under division 33129
(A)(3)(a)(iii) of this section. Further, if, under the rules, the 33130
director approves a greater vertical separation distance, a person 33131
who is denied permission by a board of health to install or 33132
replace a sewage treatment system as a result of the director's 33133
approval may request a hearing in accordance with section 3718.11 33134
of the Revised Code. 33135

(b) Specifications for the quality of treated sewage effluent 33136
from household sewage treatment systems that is applied to soil on 33137
the property where a household sewage treatment system is located. 33138
The specifications established in the rules for the quality of 33139
effluent from discharging systems shall comply with discharge 33140
requirements imposed by the national pollutant discharge 33141
elimination system permit program established under section 33142
6111.03 of the Revised Code and rules adopted under it. 33143

(c) Requirements for the reasonable maintenance of a system 33144
according to maintenance requirements approved by the director of 33145
health as recommended by the sewage treatment system technical 33146
advisory committee or according to accepted standards and 33147
practices established in rules, as applicable. The requirements 33148
may include standards for service contracts or other arrangements 33149
that assure regular maintenance and upkeep of the system. In 33150
determining the reasonableness of a maintenance requirement, the 33151

director shall consider a manufacturer's maintenance requirements 33152
as well as all other maintenance alternatives. 33153

(4) Prescribe procedures for notification to boards of health 33154
of the approval of a sewage treatment system or components of a 33155
system by the director of health under section 3718.04 of the 33156
Revised Code; 33157

(5) Prescribe criteria and procedures under which boards of 33158
health shall issue installation permits, operation permits, and 33159
alteration permits for sewage treatment systems. The rules shall 33160
require as a condition of an installation permit that the 33161
installer of a system must warrant that the system was installed 33162
in accordance with all applicable rules and design requirements. 33163
In addition, the rules shall require a board of health, not later 33164
than sixty days after the issuance of an installation, operation, 33165
or alteration permit, to notify the director that the permit was 33166
issued. The rules shall require the notification to be in a format 33167
prescribed by the director and to include information related to 33168
the issuance of the permit. With the assistance of the department 33169
of health, a board of health, to the extent practicable, shall 33170
computerize the process of the issuance of permits for sewage 33171
treatment systems. 33172

(6) Require a board of health to inspect a sewage treatment 33173
system not later than twelve months after its installation to 33174
ensure that the system is operating properly. The rules shall 33175
require a board of health, not later than sixty days after the 33176
inspection, to certify to the director on a form provided by the 33177
director that the inspection was performed. 33178

(7) Require each board of health to develop a program for the 33179
administration of maintenance requirements established in rules 33180
adopted under division (A)(3)(c) of this section. The rules shall 33181
include requirements and procedures under which a person may 33182
demonstrate the required maintenance of a system in lieu of having 33183

an inspection conducted when an inspection otherwise is required. 33184
The rules shall require a board of health to provide written 33185
notice to a person that is demonstrating maintenance of a system 33186
in lieu of an inspection that if proof of the required maintenance 33187
of the system is not provided as required by rules, the system is 33188
subject to inspection by the board and the reasonable cost of the 33189
inspection must be paid by the person. The rules shall authorize a 33190
board of health to inspect any sewage treatment system if there is 33191
a good-faith complaint regarding the system, there is probable 33192
cause for the inspection, or proof of the required maintenance of 33193
the system has not been provided as required by rules. In 33194
addition, the rules shall authorize a board of health to inspect a 33195
sewage treatment system without prior notice in any instance in 33196
which the board has probable cause to believe that the system is 33197
endangering or threatening to endanger public health. The rules 33198
shall require that the reasonable costs for sewage effluent 33199
testing or evaluation be paid by the owner of a sewage treatment 33200
system that is being investigated. Further, the rules shall 33201
establish a methodology for determining the reasonable costs of an 33202
inspection in accordance with section 3709.09 of the Revised Code. 33203
The rules shall allow, but shall not require, a board of health to 33204
continue an inspection program that was established by the board 33205
prior to the effective date of the rules, provided that the 33206

and discrete part or unit is in compliance with the Ohio basic 33922
building code established by the board of building standards under 33923
Chapters 3781. and 3791. of the Revised Code and the home permits 33924
the director, on request, to inspect the separate and discrete 33925
part or unit and speak with the individuals residing there, if 33926

they consent, to determine whether the separate and discrete part 33927
or unit meets the requirements of this division. 33928

~~(D)~~(E)(1) The director of health shall charge the following 33929
application fee and annual renewal licensing and inspection fee 33930

conducted under this section, including any statement of 33944
deficiencies and all findings and deficiencies cited in the 33945
statement on the basis of the inspection or investigation, shall 33946
be used solely to determine the home's compliance with this 33947
chapter or another chapter of the Revised Code in any action or 33948
proceeding other than an action commenced under division (I) of 33949
section 3721.17 of the Revised Code. Those results of an 33950

the findings and deficiencies cited in that statement shall not be 33952
used in any court or in any action or proceeding that is pending 33953
in any court and are not admissible in evidence in any action or 33954
proceeding unless that action or proceeding is an appeal of an 33955
action by the department of health under this chapter or is an 33956
action by any department or agency of the state to enforce this 33957

chapter or another chapter of the Revised Code. 33958

(2) Nothing in division (E)(1) of this section prohibits the 33959

section from being used in a criminal investigation or 33961
prosecution. 33962

sections and the rules adopted under them. The director may hold 33968
hearings, issue subpoenas, compel testimony, and make 33969
adjudications. 33970

whose license is revoked, or the county home or district home that 33988
has its license revoked, may appeal in accordance with Chapter 33989
119. of the Revised Code. 33990

or amendments to those plans approved or ordered to be implemented 36368
under section 3734.521 or 3734.56 of the Revised Code, and report 36369
its findings to the director. 36370

Sec. 3734.55. (A) Upon completion of its draft solid waste 36371
management plan under section 3734.54 of the Revised Code, the 36372
solid waste management policy committee of a county or joint solid 36373
waste management district shall send a copy of the draft plan to 36374
the director of environmental protection for preliminary review 36375
and comment. Within forty-five days after receiving the draft 36376
plan, the director shall provide the committee with a written, 36377
nonbinding advisory opinion regarding the draft plan and any 36378
recommended changes to it that the director considers necessary to 36379
effect its approval. After receipt of the director's written 36380
opinion, the committee may make such revisions to the draft plan 36381
based on the director's opinion as it considers appropriate. Upon 36382
receipt of the director's opinion and after making any such 36383
revisions to the draft plan, the committee shall prepare and 36384
publish in at least one newspaper of general circulation within 36385

the county or joint district a public notice that describes the 36386
draft plan, specifies the location where it is available for 36387

district, and by the public. The committee also shall send written 36394
notice of the plan to the director and to the fifty industrial, 36395
commercial, or institutional generators of solid wastes within the 36396
district that generate the largest quantities of solid wastes, as 36397
determined by the board, and their local trade associations. The 36398
board shall make good faith efforts to identify those generators 36399
within the district and their local trade associations, but the 36400
nonprovision of notice under this division to a particular 36401
industrial, commercial, or institutional generator or local trade 36402
association does not invalidate the proceedings under this 36403
section. All such written notices shall include the date, time, 36404
and location of the public hearing; the dates when the comment 36405
period begins and ends; and a description of the plan that 36406
includes, without limitation, the proposed amount of the fees to 36407
be levied under the plan pursuant to division (B) of section 36408
3734.57 or division (A) of section 3734.573 of the Revised Code, 36409
if any, and an indication as to whether the provision required to 36410
be included in the plan under division (E)(1) of section 3734.53 36411
of the Revised Code authorizes the board of county commissioners 36412
or directors of the district to establish, or precludes the board 36413
from establishing, facility designations under section 343.014 of 36414
the Revised Code. Within fifteen days after expiration of the 36415
comment period, the committee shall conduct a public hearing 36416
concerning the draft plan and, at least fifteen days before the 36417
hearing, shall publish in at least one newspaper of general 36418

circulation within the county or joint district a notice 36419
containing the time and place of the hearing and the location 36420
where the draft plan is available for review. 36421

(B) After the public hearing, the committee may modify the 36422
draft plan based upon the public's comments and shall adopt or 36423
reject it by a majority vote. Within thirty days after adoption of 36424
the draft plan, the committee shall deliver a copy of it to the 36425
board of county commissioners of each county forming the district 36426
and to the legislative authority of each municipal corporation and 36427
township under the jurisdiction of the district. Within ninety 36428
days after receiving a copy of the draft plan adopted by the 36429
committee, each such board and legislative authority shall approve 36430
or disapprove the draft plan, by ordinance or resolution, and 36431
deliver a copy of the ordinance or resolution to the committee. 36432

The solid waste management policy committee of a county 36433
district or a joint district formed by two or three counties shall 36434
declare the draft plan to be ratified as the solid waste 36435
management plan of the district upon determining that the board of 36436
county commissioners of each county forming the district has 36437
approved the draft plan and that the legislative authorities of a 36438
combination of municipal corporations and townships with a 36439
combined population within the county or joint district comprising 36440
at least sixty per cent of the total population of the district 36441
have approved the draft plan, provided that in the case of a 36442
county district, that combination shall include the municipal 36443
corporation having the largest population within the boundaries of 36444
the district, and provided further that in the case of a joint 36445
district formed by two or three counties, that combination shall 36446
include for each county forming the joint district the municipal 36447
corporation having the largest population within the boundaries of 36448
both the county in which the municipal corporation is located and 36449
the joint district. The solid waste management policy committee of 36450

a joint district formed by four or more counties shall declare the draft plan to be ratified as the solid waste management plan of the joint district upon determining that the boards of county commissioners of a majority of the counties forming the district have approved the draft plan; that, in each of a majority of the counties forming the joint district, the draft plan has been approved by the municipal corporation having the largest population within the county and the joint district; and that the legislative authorities of a combination of municipal corporations and townships with a combined population within the joint district comprising at least sixty per cent of the total population of the joint district have approved the draft plan.

For the purposes of this division and division (C)(2) of this section, only the population of the unincorporated area of a township shall be considered. For the purpose of determining the largest municipal corporation within each county under this division and division (C)(2) of this section, a municipal corporation that is located in more than one solid waste management district, but that is under the jurisdiction of one county or joint solid waste management district in accordance with division (A) of section 3734.52 of the Revised Code shall be considered to be within the boundaries of the county in which a majority of the population of the municipal corporation resides.

(C)(1) Upon ratification of the draft plan under division (B) of this section, the committee shall submit it to the director for review and approval for compliance with the requirements of divisions (A), (B), (D), and (E)(1) of section 3734.53 of the Revised Code. The director, by order, shall approve or disapprove the plan within ninety days after its submission. The director shall include with an order disapproving a plan a statement outlining the deficiencies in the plan and directing the committee to submit, within ninety days after issuance of the order, a

revised plan that remedies those deficiencies, except that if the 36483
committee, by resolution, requests an extension of the time for 36484
submission of a revised plan, the director, for good cause shown, 36485
may grant one such extension for a period of not more than sixty 36486
additional days. 36487

(2) Within sixty days after issuance of the order 36488
disapproving its plan, the committee shall prepare a draft revised 36489
plan, adopt a draft revised plan by a majority vote, and deliver a 36490
copy of the draft revised plan to the board of county 36491
commissioners of each county forming the district and to the 36492
legislative authority of each municipal corporation and township 36493
under the jurisdiction of the district. Within twenty-one days 36494
after the delivery of the draft revised plan, each such board and 36495
legislative authority shall approve or disapprove the draft 36496
revised plan, by ordinance or resolution, and deliver a copy of 36497
the ordinance or resolution to the committee. In the case of a 36498
county district or a joint district formed by two or three 36499
counties, the committee shall declare the draft revised plan to be 36500
ratified as the solid waste management plan of the county or joint 36501
district upon determining that the board of county commissioners 36502
of each county forming the district has approved the draft revised 36503
plan and that the legislative authorities of a combination of 36504
municipal corporations and townships with a combined population 36505
within the district comprising at least sixty per cent of the 36506
total population of the district have approved the draft revised 36507
plan, provided that in the case of a county district, that 36508
combination shall include the municipal corporation having the 36509
largest population within the boundaries of the district, and 36510
provided further that in the case of a joint district formed by 36511
two or three counties, that combination shall include for each 36512
county forming the joint district the municipal corporation having 36513
the largest population within the boundaries of both the county in 36514
which the municipal corporation is located and the joint district. 36515

In the case of a joint district formed by four or more counties, 36516
the committee shall declare the draft revised plan to be ratified 36517
as the solid waste management plan of the joint district upon 36518
determining that the boards of county commissioners of a majority 36519
of the counties forming the district have approved the draft 36520
revised plan; that, in each of a majority of the counties forming 36521
the joint district, the draft revised plan has been approved by 36522
the municipal corporation having the largest population within the 36523
county and the joint district; and that the legislative 36524
authorities of a combination of municipal corporations and 36525
townships with a combined population within the joint district 36526
comprising at least sixty per cent of the total population of the 36527
joint district have approved the draft revised plan. Upon 36528
ratification of the draft revised plan, the committee shall submit 36529
it to the director for approval in accordance with division (C)(1) 36530
of this section. The director, by order, shall approve or 36531
disapprove the draft revised plan within thirty days after 36532
receiving it. 36533

(3) Notwithstanding section 119.06 of the Revised Code, the 36534
director may approve or disapprove a plan or revised plan 36535
submitted under division (C)(1) or (2) of this section by issuance 36536
of a final order that is effective upon issuance, without the 36537
necessity to hold any adjudication hearing in connection with the 36538
order and without issuance of a proposed action under section 36539
3745.07 of the Revised Code. In any appeal taken under section 36540
3745.04 of the Revised Code pertaining to the director's 36541
disapproval of the solid waste management plan or revised plan of 36542
a county or joint district, the solid waste management policy 36543
committee of the county or joint district and the director shall 36544
be the parties. Upon a showing by the policy committee that there 36545
is a substantial likelihood that it will prevail on the merits, 36546
the environmental review appeals commission, within thirty days 36547
after filing of the notice of appeal under that section and 36548

pending final determination of the appeal, may grant temporary relief from the director's order disapproving the district's plan, including the issuance of appropriate orders to the director to refrain from acting under division (D) of this section.

(4) After approval of the plan or revised plan by the director, the board of county commissioners of a county district or board of directors of a joint district shall implement the plan in compliance with the implementation schedule contained in the approved plan.

3734.22, 3734.24, 3734.25, or 3734.26 of the Revised Code, as 38308
applicable. 38309

The agency shall utilize the laboratory facilities of the 38310
department of health and other state institutions and agencies to 38311
the maximum extent that the utilization is practicable, 38312
economical, and technically satisfactory. 38313

The director shall maintain and keep available for public 38314
inspection, at the director's principal office, a current register 38315
of all applications filed for permits, leases, licenses, 38316
variances, certificates, and approval of plans and specifications 38317
and of publicly owned treatment works pretreatment programs under 38318
the director's jurisdiction, hearings pending, the director's 38319
final action thereon, and the dates on which the filings, 38320

of the Revised Code and rules adopted under it, and all reports 38325
and other documents required to be filed with the director under 38326
Chapter 3751. of the Revised Code and rules adopted under it, 38327

Sec. 3745.05. (A) In hearing the appeal, if an adjudication 38333
hearing was conducted by the director of environmental protection 38334

in accordance with sections 119.09 and 119.10 of the Revised Code 38335
or conducted by a board of health, the environmental review 38336
appeals commission is confined to the record as certified to it by 38337
the director or the board of health, as applicable. The commission 38338
may grant a request for the admission of additional evidence when 38339
satisfied that such additional evidence is newly discovered and 38340
could not with reasonable diligence have been ascertained prior to 38341
the hearing before the director or the board, as applicable. If no 38342
adjudication hearing was conducted in accordance with sections 38343
119.09 and 119.10 of the Revised Code or conducted by a board of 38344
health, the commission shall conduct a hearing de novo on the 38345
appeal. 38346

For the purpose of conducting a de novo hearing, or where the 38347
commission has granted a request for the admission of additional 38348
evidence, the commission may require the attendance of witnesses 38349
and the production of written or printed materials. 38350

When conducting a de novo hearing, or when a request for the 38351
admission of additional evidence has been granted, the commission 38352
may, and at the request of any party it shall, issue subpoenas for 38353
witnesses or for books, papers, correspondence, memoranda, 38354
agreements, or other documents or records relevant or material to 38355
the inquiry directed to the sheriff of the counties where the 38356
witnesses or documents or records are found, which subpoenas shall 38357
be served and returned in the same manner as those allowed by the 38358
court of common pleas in criminal cases. 38359

(B) The fees of sheriffs shall be the same as those allowed 38360
by the court of common pleas in criminal cases. Witnesses shall be 38361
paid the fees and mileage provided for under section 119.094 of 38362
the Revised Code. The fee and mileage expenses incurred at the 38363
request of the appellant shall be paid in advance by the 38364
appellant, and the remainder of the expenses shall be paid out of 38365
funds appropriated for the expenses of the commission. 38366

(C) In case of disobedience or neglect of any subpoena served 38367
on any person, or the refusal of any witness to testify to any 38368
matter regarding which the witness may be lawfully interrogated, 38369
the court of common pleas of the county in which the disobedience, 38370
neglect, or refusal occurs, or any judge thereof, on application 38371
of the commission or any member thereof, may compel obedience by 38372
attachment proceedings for contempt as in the case of disobedience 38373
of the requirements of a subpoena issued from the court or a 38374
refusal to testify therein. 38375

(D) A witness at any hearing shall testify under oath or 38376
affirmation, which any member of the commission may administer. A 38377
witness, if the witness requests, shall be permitted to be 38378
accompanied, represented, and advised by an attorney, whose 38379
participation in the hearing shall be limited to the protection of 38380
the rights of the witness, and who may not examine or 38381
cross-examine witnesses. A witness shall be advised of the right 38382
to counsel before the witness is interrogated. 38383

(E) A ~~stenographic~~ record of the testimony and other evidence 38384
submitted shall be taken by an official court ~~shorthand~~ reporter. 38385
The record shall include all of the testimony and other evidence 38386
and the rulings on the admissibility thereof presented at the 38387
hearing. The commission shall pass upon the admissibility of 38388
evidence, but any party may at the time object to the admission of 38389
any evidence and except to the rulings of the commission thereon, 38390
and if the commission refuses to admit evidence the party offering 38391
same may make a proffer thereof, and such proffer shall be made a 38392
part of the record of such hearing. 38393

Any party may request the ~~stenographic~~ record of the hearing. 38394
Promptly after receiving such a request, the commission shall 38395
prepare and provide the ~~stenographic~~ record of the hearing to the 38396
party who requested it. The commission may charge a fee to the 38397
party who requested the ~~stenographic~~ record that does not exceed 38398

the cost to the commission for preparing and transcribing or 38399
transmitting it. 38400

(F) If, upon completion of the hearing, the commission finds 38401
that the action appealed from was lawful and reasonable, it shall 38402
make a written order affirming the action, or if the commission 38403
finds that the action was unreasonable or unlawful, it shall make 38404
a written order vacating or modifying the action appealed from. 38405

The commission shall issue a written order affirming, 38406
vacating, or modifying an action pursuant to the following 38407
schedule: 38408

(1) For an appeal that was filed with the commission before 38409
April 15, 2008, the commission shall issue a written order not 38410
later than December 15, 2009. 38411

(2) For all other appeals that have been filed with the 38412
commission as of October 15, 2009, the commission shall issue a 38413
written order not later than July 15, 2010. 38414

(3) For an appeal that is filed with the commission after 38415
October 15, 2009, the commission shall issue a written order not 38416
later than twelve months after the filing of the appeal with the 38417
commission. 38418

(G) Every order made by the commission shall contain a 38419
written finding by the commission of the facts upon which the 38420
order is based. Notice of the making of the order shall be given 38421
forthwith to each party to the appeal by mailing a certified copy 38422
thereof to each party by certified mail, with a statement of the 38423
time and method by which an appeal may be perfected. 38424

(H) The order of the commission is final unless vacated or 38425
modified upon judicial review. 38426

Sec. 3745.11. (A) Applicants for and holders of permits, 38427
licenses, variances, plan approvals, and certifications issued by 38428

the director of environmental protection pursuant to Chapters 3704., 3734., 6109., and 6111. of the Revised Code shall pay a fee to the environmental protection agency for each such issuance and each application for an issuance as provided by this section. No fee shall be charged for any issuance for which no application has been submitted to the director.

for and obtain a Title V permit under section 3704.036 of the		38518
Revised Code shall pay the fees set forth in <u>this</u> division (C)(1)		38519
of this section. For the purposes of <u>that</u> <u>this</u> division, total		38520
emissions of air contaminants may be calculated using engineering		38521

calculations, emissions factors, material balance calculations, or 38522
performance testing procedures, as authorized by the director. 38523

The following fees shall be assessed on the total actual 38524
emissions from a source in tons per year of the regulated 38525
pollutants particulate matter, sulfur dioxide, nitrogen oxides, 38526
organic compounds, and lead: 38527

~~(a)~~(1) Fifteen dollars per ton on the total actual emissions 38528
of each such regulated pollutant during the period July through 38529
December 1993, to be collected no sooner than July 1, 1994; 38530

~~(b)~~(2) Twenty dollars per ton on the total actual emissions 38531

calendar year in which the emissions occurred. 38538

The fees levied under this division ~~(C)(1) of this section~~ do 38539

pollutant at a facility that exceed four thousand tons during a 38541
calendar year. 38542

~~(2)~~(C)(1) The fees assessed under division ~~(C)(1)(B)~~ of this 38543
section are for the purpose of providing funding for the Title V 38544
permit program. 38545

~~(3)~~(2) The fees assessed under division ~~(C)(1)(B)~~ of this 38546
section do not apply to emissions from any electric generating 38547
unit designated as a Phase I unit under Title IV of the federal 38548
Clean Air Act prior to calendar year 2000. Those fees shall be 38549
assessed on the emissions from such a generating unit commencing 38550
in calendar year 2001 based upon the total actual emissions from 38551
the generating unit during calendar year 2000 and shall continue 38552

to be assessed each subsequent calendar year based on the total 38553
actual emissions from the generating unit during the preceding 38554
calendar year. 38555

~~(4)~~(3) The director shall issue invoices to owners or 38556
operators of air contaminant sources who are required to pay a fee 38557

invoice shall be issued no sooner than the applicable date when 38559
the fee first may be collected in a year under the applicable 38560
division, shall identify the nature and amount of the fee 38561
assessed, and shall indicate that the fee is required to be paid 38562
within thirty days after the issuance of the invoice. 38563

(D)(1) Except as provided in division (D)(3) of this section, 38564
from January 1, 1994, through December 31, 2003, each person who 38565
owns or operates an air contaminant source; who is required to 38566
apply for a permit to operate pursuant to rules adopted under 38567
division (G), or a variance pursuant to division (H), of section 38568
3704.03 of the Revised Code; and who is not required to apply for 38569
and obtain a Title V permit under section 3704.036 of the Revised 38570
Code shall pay a single fee based upon the sum of the actual 38571
annual emissions from the facility of the regulated pollutants 38572
particulate matter, sulfur dioxide, nitrogen oxides, organic 38573
compounds, and lead in accordance with the following schedule: 38574

beginning January 1, 2004, each person who owns or operates an air 38582
contaminant source; who is required to apply for a permit to 38583
operate pursuant to rules adopted under division (G), or a 38584

variance pursuant to division (H), of section 3704.03 of the Revised Code; and who is not required to apply for and obtain a Title V permit under section 3704.03 of the Revised Code shall pay a single fee based upon the sum of the actual annual emissions from the facility of the regulated pollutants particulate matter, sulfur dioxide, nitrogen oxides, organic compounds, and lead in accordance with the following schedule:

(3)(a) As used in division (D) of this section, "synthetic minor facility" means a facility for which one or more permits to install or permits to operate have been issued for the air contaminant sources at the facility that include terms and conditions that lower the facility's potential to emit air contaminants below the major source thresholds established in rules adopted under section 3704.036 of the Revised Code.

(b) Beginning January 1, 2000, through June 30, 2014, each person who owns or operates a synthetic minor facility shall pay an annual fee based on the sum of the actual annual emissions from the facility of particulate matter, sulfur dioxide, nitrogen dioxide, organic compounds, and lead in accordance with the following schedule:

(4) The fees assessed under division (D)(1) of this section shall be collected annually no sooner than the fifteenth day of April, commencing in 1995. The fees assessed under division (D)(2) of this section shall be collected annually no sooner than the fifteenth day of April, commencing in 2005. The fees assessed under division (D)(3) of this section shall be collected no sooner than the fifteenth day of April, commencing in 2000. The fees assessed under division (D) of this section in a calendar year shall be based upon the sum of the actual emissions of those regulated pollutants during the preceding calendar year. For the purpose of division (D) of this section, emissions of air contaminants may be calculated using engineering calculations, emission factors, material balance calculations, or performance testing procedures, as authorized by the director. The director, by rule, may require persons who are required to pay the fees assessed under division (D) of this section to pay those fees biennially rather than annually.

(E)(1) Consistent with the need to cover the reasonable costs of the Title V permit program, the director annually shall increase the fees prescribed in division ~~(C)(1)~~(B) of this section by the percentage, if any, by which the consumer price index for the most recent calendar year ending before the beginning of a year exceeds the consumer price index for calendar year 1989. Upon calculating an increase in fees authorized by division (E)(1) of

this section, the director shall compile revised fee schedules for 38650
the purposes of division ~~(C)~~(1)~~(B)~~ of this section and shall make 38651
the revised schedules available to persons required to pay the 38652
fees assessed under that division and to the public. 38653

(2) For the purposes of division (E)(1) of this section: 38654

(a) The consumer price index for any year is the average of 38655
the consumer price index for all urban consumers published by the 38656
United States department of labor as of the close of the 38657
twelve-month period ending on the thirty-first day of August of 38658
that year. 38659

(b) If the 1989 consumer price index is revised, the director 38660
shall use the revision of the consumer price index that is most 38661
consistent with that for calendar year 1989. 38662

(F) Each person who is issued a permit to install pursuant to 38663
rules adopted under division (F) of section 3704.03 of the Revised 38664

sewage sludge facility, shall pay the annual sludge fee for the 39534
tons of sewage sludge that are transferred. 39535

(5) Not later than the first day of April of the calendar 39536
year following March 17, 2000, and each first day of April 39537
thereafter, the director shall issue invoices to persons who are 39538
required to pay the annual sludge fee. The invoice shall identify 39539
the nature and amount of the annual sludge fee assessed and state 39540
the first day of May as the deadline for receipt by the director 39541
of objections regarding the amount of the fee and the first day of 39542
July as the deadline for payment of the fee. 39543

Not later than the first day of May following receipt of an 39544
invoice, a person required to pay the annual sludge fee may submit 39545
objections to the director concerning the accuracy of information 39546
regarding the number of dry tons of sewage sludge used to 39547
calculate the amount of the annual sludge fee or regarding whether 39548
the sewage sludge qualifies for the exceptional quality sludge 39549
discount established in division (Y)(2)(b) of this section. The 39550
director may consider the objections and adjust the amount of the 39551
fee to ensure that it is accurate. 39552

If the director does not adjust the amount of the annual 39553
sludge fee in response to a person's objections, the person may 39554
appeal the director's determination in accordance with Chapter 39555
119. of the Revised Code. 39556

Not later than the first day of June, the director shall 39557
notify the objecting person regarding whether the director has 39558

found the objections to be valid and the reasons for the finding. 39559
If the director finds the objections to be valid and adjusts the 39560
amount of the annual sludge fee accordingly, the director shall 39561
issue with the notification a new invoice to the person 39562
identifying the amount of the annual sludge fee assessed and 39563
stating the first day of July as the deadline for payment. 39564

Not later than the first day of July, any person who is 39565
required to do so shall pay the annual sludge fee. Any person who 39566
is required to pay the fee, but who fails to do so on or before 39567
that date shall pay an additional amount that equals ten per cent 39568
of the required annual sludge fee. 39569

(6) The director shall transmit all moneys collected under 39570
division (Y) of this section to the treasurer of state for deposit 39571
into the surface water protection fund created in section 6111.038 39572
of the Revised Code. The moneys shall be used to defray the costs 39573
of administering and enforcing provisions in Chapter 6111. of the 39574
Revised Code and rules adopted under it that govern the use, 39575
storage, treatment, or disposal of sewage sludge. 39576

(7) Beginning in fiscal year 2001, and every two years 39577
thereafter, the director shall review the total amount of moneys 39578
generated by the annual sludge fees to determine if that amount 39579
exceeded six hundred thousand dollars in either of the two 39580
preceding fiscal years. If the total amount of moneys in the fund 39581
exceeded six hundred thousand dollars in either fiscal year, the 39582
director, after review of the fee structure and consultation with 39583
affected persons, shall issue an order reducing the amount of the 39584
fees levied under division (Y) of this section so that the 39585
estimated amount of moneys resulting from the fees will not exceed 39586
six hundred thousand dollars in any fiscal year. 39587

If, upon review of the fees under division (Y)(7) of this 39588
section and after the fees have been reduced, the director 39589
determines that the total amount of moneys collected and 39590

accumulated is less than six hundred thousand dollars, the 39591
director, after review of the fee structure and consultation with 39592
affected persons, may issue an order increasing the amount of the 39593
fees levied under division (Y) of this section so that the 39594
estimated amount of moneys resulting from the fees will be 39595
approximately six hundred thousand dollars. Fees shall never be 39596
increased to an amount exceeding the amount specified in division 39597
(Y)(7) of this section. 39598

Notwithstanding section 119.06 of the Revised Code, the 39599
director may issue an order under division (Y)(7) of this section 39600
without the necessity to hold an adjudicatory hearing in 39601
connection with the order. The issuance of an order under this 39602
division is not an act or action for purposes of section 3745.04 39603

Sec. 3748.10. (A) As used in this section, "person" means any 40008
legal entity defined as a person under section 1.59 of the Revised 40009
Code, the state or any agency of the state, any political 40010
subdivision or agency of a political subdivision, and the United 40011
States or any agency or instrumentality of the United States other 40012
than the United States department of energy or the United States 40013
nuclear regulatory commission where state regulation of the 40014
treatment, recycling, storage, or disposal of low-level 40015
radioactive waste by either of those agencies is prohibited by 40016
federal law. 40017

(B) No person shall treat, recycle, store, or dispose of any 40018
low-level radioactive waste except at a facility that is licensed 40019
for treatment, recycling, storage, or disposal of that waste by 40020

the director of health under this chapter and rules adopted under 40021
it or, until the state becomes an agreement state pursuant to 40022
section 3748.03 of the Revised Code, by the United States nuclear 40023
regulatory commission under the "Atomic Energy Act of 1954," 68 40024
Stat. 919, 42 U.S.C.A. 2011, as amended, and regulations adopted 40025
under it regardless of whether the waste has been reclassified as 40026
"below regulatory concern" by the United States nuclear regulatory 40027
commission pursuant to any rule or standard adopted after January 40028
1, 1990. 40029

(C) Division (B) of this section does not apply to either of 40030
the following: 40031

(1) Any low-level radioactive waste that on or before January 40032
1, 1990, was authorized under the "Atomic Energy Act of 1954," 68 40033
Stat. 919, 42 U.S.C.A. 2011, as amended, and regulations adopted 40034
under it to be treated, recycled, stored, or disposed of at a 40035
facility that has not been licensed under that act and regulations 40036
adopted under it; 40037

(2) Any low-level radioactive waste that has received an 40038
exemption from the director of health under division (C)(2) of 40039
this section. If the United States nuclear regulatory commission 40040
declares its intent to institute a policy regarding the 40041
reclassification of waste as "below regulatory concern," the 40042
~~public health council~~ director, in consultation with the 40043
environmental protection agency, shall adopt rules in accordance 40044
with Chapter 119. of the Revised Code that govern the granting of 40045
such exemptions and that do at least all of the following: 40046

(a) Establish an application procedure to be followed by the 40047
generator of a low-level radioactive waste who wishes to obtain an 40048
exemption for that waste under division (C)(2) of this section; 40049

(b) Require that in order to receive an exemption, a 40050
low-level radioactive waste shall have been reclassified as "below 40051

regulatory concern" by the United States nuclear regulatory 40052
commission after August 19, 1992. The rules adopted under division 40053
(C)(2)(b) of this section shall stipulate that such a 40054
reclassification does not automatically qualify a low-level 40055
radioactive waste for an exemption under division (C)(2) of this 40056
section. 40057

(c) Require an applicant to demonstrate with clear and 40058
convincing evidence that the low-level radioactive waste that is 40059
the subject of the application does not present a higher 40060
radioactive hazard than any low-level radioactive waste to which 40061
division (C)(1) of this section applies and that treatment, 40062
recycling, storage, or disposal of the waste at a facility that 40063
has not been licensed by the director under this chapter and rules 40064
adopted under it or, until the state becomes an agreement state 40065
pursuant to section 3748.03 of the Revised Code, by the United 40066
States nuclear regulatory commission under the "Atomic Energy Act 40067
of 1954," 68 Stat. 919, 42 U.S.C.A. 2011, as amended, and 40068
regulations adopted under it, will not harm public health or 40069
safety or the environment; 40070

(d) Establish public notification procedures to be followed 40071
by the director for any public hearing held ~~by him~~ under division 40072
(C)(2) of this section. 40073

The director shall review an application submitted ~~to him~~ 40074
under division (C)(2) of this section and shall hold a public 40075
hearing concerning the application before granting or denying the 40076
exemption requested. The director may grant an exemption to the 40077
low-level radioactive waste that is the subject of the application 40078
~~if he determines~~ after determining that the generator has complied 40079
with the rules adopted under division (C)(2)(a) of this section 40080
and that the waste satisfies the requirements established in the 40081
rules adopted under divisions (C)(2)(b) and (c) of this section. 40082
The director shall maintain a list of all low-level radioactive 40083

wastes to which ~~he~~ the director has granted such an exemption. 40084

Division (C)(2) of this section does not apply to any 40085

low-level radioactive waste generated at a nuclear power station. 40086

Sec. 3748.12. The director of health shall certify radiation 40087
experts pursuant to rules adopted under division (C) of section 40088
3748.04 of the Revised Code. The director shall issue a 40089
certificate to each person certified under this section. An 40090
individual certified by the director is qualified to develop, 40091

assurance program for sources of radiation for which such a 40093
program is required under division (A) of section 3748.13 of the 40094
Revised Code. 40095

The ~~public health council~~ director shall establish an 40096
application fee for applying for certification and a biennial 40097
certification renewal fee in rules adopted under division (C) of 40098
section 3748.04 of the Revised Code. A certificate issued under 40099
this section shall expire two years after the date of its 40100
issuance. To maintain certification, a radiation expert shall 40101
apply to the director for renewal of certification in accordance 40102
with the standard renewal procedures established in Chapter 4745. 40103
of the Revised Code. The certification renewal fee is not required 40104
for initial certification, but shall be paid for every renewal of 40105
certification. Fees collected under this section shall be 40106
deposited into the state treasury to the credit of the general 40107
operations fund created in section 3701.83 of the Revised Code. 40108
The fees shall be used solely to administer and enforce this 40109
chapter and rules adopted under it. Any fee required under this 40110
section that ~~has not been paid within ninety days~~ remains unpaid 40111
on the ninety-first day after the original invoice date shall be 40112
assessed ~~at two times~~ an additional amount equal to ten per cent 40113
of the original ~~invoiced~~ fee. ~~Any fee that has not been paid~~ 40114

~~within one hundred eighty days after the invoice date shall be~~ 40115
~~assessed at five times the original invoiced fee.~~ 40116

Sec. 3748.13. (A) The director of health shall inspect 40117
sources of radiation for which licensure or registration by the 40118
handler is required, and the sources' shielding and surroundings, 40119
according to the schedule established in rules adopted under 40120
division (D) of section 3748.04 of the Revised Code. In accordance 40121
with rules adopted under section 3748.04 of the Revised Code, the 40122
director shall inspect all records and operating procedures of 40123
handlers that install or service sources of radiation and all 40124
sources of radiation for which licensure of radioactive material 40125
or registration of radiation-generating equipment by the handler 40126
is required. The director may make other inspections upon 40127
receiving complaints or other evidence of a violation of this 40128
chapter or rules adopted under it. 40129

radiation-generating equipment. A certified radiation expert shall 40133
conduct oversight and maintenance of the program and shall file a 40134
report of audits of the program with the director on forms 40135
prescribed by the director. The audit reports shall become part of 40136
the inspection record. 40137

structures within the meaning of "industrialized unit" as defined 41200
in section 3781.06 of the Revised Code. 41201

(c) No seal is required for approval of the installation of 41202
replacement equipment or systems that are similar in type or 41203
capacity to the equipment or systems being replaced. No seal is 41204
required for approval for any new construction, improvement, 41205
alteration, repair, painting, decorating, or other modification of 41206
any buildings or structures subject to sections 3781.06 to 3781.18 41207
and 3791.04 of the Revised Code if the proposed work does not 41208
involve technical design analysis, as defined by rule adopted by 41209
the board of building standards. 41210

(B) No owner shall proceed with the construction, erection, 41211
alteration, or equipment of any building until the plans or 41212
drawings, specifications, and data have been approved as this 41213
section requires, or the industrialized unit inspected at the 41214
point of origin. No plans or specifications shall be approved or 41215
inspection approval given unless the building represented would, 41216
if constructed, repaired, erected, or equipped, comply with 41217
Chapters 3781. and 3791. of the Revised Code and any rule made 41218
under those chapters. 41219

(C) The approval of plans or drawings and specifications or 41220
data pursuant to this section is invalid if construction, 41221
erection, alteration, or other work upon the building has not 41222
commenced within twelve months of the approval of the plans or 41223
drawings and specifications. One extension shall be granted for an 41224
additional twelve-month period if the owner requests at least ten 41225
days in advance of the expiration of the permit and upon payment 41226

of a fee not to exceed one hundred dollars. If in the course of 41227
construction, work is delayed or suspended for more than six 41228
months, the approval of plans or drawings and specifications or 41229
data is invalid. Two extensions shall be granted for six months 41230
each if the owner requests at least ten days in advance of the 41231
expiration of the permit and upon payment of a fee for each 41232
extension of not more than one hundred dollars. Before any work 41233
may continue on the construction, erection, alteration, or 41234
equipment of any building for which the approval is invalid, the 41235
owner of the building shall resubmit the plans or drawings and 41236
specifications for approval pursuant to this section. 41237

(D) Subject to section 3791.042 of the Revised Code, the 41238
board of building standards or the legislative authority of a 41239
municipal corporation, township, or county, by rule, may regulate 41240
the requirements for the submission of plans and specifications to 41241
the respective enforcing departments and for processing by those 41242
departments. The board of building standards or the legislative 41243
authority of a municipal corporation, township, or county may 41244
adopt rules to provide for the approval, subject to section 41245
3791.042 of the Revised Code, by the department having 41246
jurisdiction of the plans for construction of a foundation or any 41247
other part of a building or structure before the complete plans 41248
and specifications for the entire building or structure are 41249
submitted. When any plans are approved by the department having 41250
jurisdiction, the structure and every particular represented by 41251
and disclosed in those plans shall, in the absence of fraud or a 41252
serious safety or sanitation hazard, be conclusively presumed to 41253
comply with Chapters 3781. and 3791. of the Revised Code and any 41254
rule issued pursuant to those chapters, if constructed, altered, 41255
or repaired in accordance with those plans and any rule in effect 41256
at the time of approval. 41257

(E) The approval of plans and specifications, including 41258

inspection of industrialized units, under this section is a 41259
"license" and the failure to approve plans or specifications as 41260
submitted or to inspect the unit at the point of origin within 41261
thirty days after the plans or specifications are filed or the 41262
request to inspect the industrialized unit is made, the 41263
disapproval of plans and specifications, or the refusal to approve 41264
an industrialized unit following inspection at the point of origin 41265
is "an adjudication order denying the issuance of a license" 41266
requiring an "adjudication hearing" as provided by sections 119.07 41267
to 119.13 of the Revised Code and as modified by sections 3781.031 41268
and 3781.19 of the Revised Code. An adjudication order denying the 41269
issuance of a license shall specify the reasons for that denial. 41270

(F) The board of building standards shall not require the 41271
submission of site preparation plans or plot plans to the division 41272
of ~~labor~~ industrial compliance when industrialized units are used 41273
exclusively as one-, two-, or three-family dwellings. 41274

(G) Notwithstanding any procedures the board establishes, if 41275
the agency having jurisdiction objects to any portion of the plans 41276
or specifications, the owner or the owner's representative may 41277
request the agency to issue conditional approval to proceed with 41278
construction up to the point of the objection. Approval shall be 41279
issued only when the objection results from conflicting 41280
interpretations of the rules of the board of building standards 41281
rather than the application of specific technical requirements of 41282
the rules. Approval shall not be issued where the correction of 41283
the objection would cause extensive changes in the building design 41284
or construction. The giving of conditional approval is a 41285
"conditional license" to proceed with construction up to the point 41286
where the construction or materials objected to by the agency are 41287
to be incorporated into the building. No construction shall 41288
proceed beyond that point without the prior approval of the agency 41289
or another agency that conducts an adjudication hearing relative 41290

to the objection. The agency having jurisdiction shall specify its objections to the plans or specifications, which is an "adjudication order denying the issuance of a license" and may be appealed pursuant to sections 119.07 to 119.13 of the Revised Code and as modified by sections 3781.031 and 3781.19 of the Revised Code.

(H) A certified municipal, township, or county building department having jurisdiction, or the superintendent, as appropriate, shall review any plans, drawings, specifications, or data described in this section that are submitted to it or to the superintendent.

(I) No owner or persons having control as an officer, or as a member of a board or committee, or otherwise, of a building to which section 3781.06 of the Revised Code is applicable, and no architect, designer, engineer, builder, contractor, subcontractor, or any officer or employee of a municipal, township, or county building department shall violate this section.

(J) Whoever violates this section shall be fined not more than five hundred dollars.

Sec. 3791.05. No owner, lessee, agent, factor, architect, or contractor engaged in and having supervision or charge of the building, erection, or construction of a block, building, or structure, shall neglect or refuse to place or have placed upon the joists of each story thereof, as soon as joists are in position, counter floors of such quality and strength as to render perfectly safe the going to and from thereon of all mechanics, laborers, and other persons engaged upon the work of construction or supervision, or in placing materials for such construction.

Whoever violates this section shall be fined not less than twenty-five nor more than two hundred dollars.

Each day that such person neglects or refuses to have such
counter floors so placed, after notice is given by a building
inspector, a chief inspector, or deputy inspector of the city
building inspection department in cities where such department is
organized, or by the superintendent of ~~labor~~ industrial compliance
of the state, in cities where such departments are not organized,
or from a person whose life or personal safety may be endangered
by such neglect or refusal, is a separate offense.

Sec. 3791.07. (A) The board of building standards may
establish such reasonable inspection fee schedules as it
determines necessary or desirable relating to the inspection of
all plans and specifications submitted for approval to the
division of ~~labor~~ industrial compliance, and all industrialized
units inspected at the point of origin and at the construction
site of the building. The inspection fee schedule established
shall bear some reasonable relationship to the cost of
administering and enforcing the provisions of Chapters 3781. and
3791. of the Revised Code.

(B) In addition to the fee assessed in division (A) of this
section, the board shall assess a fee of not more than five
dollars for each application for acceptance and approval of plans
and specifications and for making inspections pursuant to section
3791.04 of the Revised Code. The board shall adopt rules, in
accordance with Chapter 119. of the Revised Code, specifying the
manner by which the superintendent of ~~labor~~ industrial compliance
shall collect and remit to the board the fees assessed under this
division and requiring that remittance of the fees be made at
least quarterly.

(C) Any person who fails to pay an inspection fee required
for any inspection conducted by the department of commerce
pursuant to Chapters 3781. and 3791. of the Revised Code, except

for fees charged for the inspection of plans and specifications, 41352
within forty-five days after the inspection is conducted, shall 41353
pay a late payment fee equal to twenty-five per cent of the 41354
inspection fee. 41355

(D) The board shall pay the fees assessed under this section 41356
into the state treasury to the credit of the ~~labor~~ industrial 41357
compliance operating fund created in section 121.084 of the 41358
Revised Code. 41359

Sec. 3791.11. (A) As used in this section and sections 41360
3791.12 and 3791.13 of the Revised Code: 41361

(1) "Service station" means any facility designed and 41362
constructed primarily for use in the retail sale of gasoline, 41363
other petroleum products, and related accessories; except that 41364
"service station" does not include any such facility that has been 41365
converted for use for another bona fide business purpose, on and 41366
after the date of commencement of such other use. 41367

(2) "Abandoned service station" means any service station 41368
that has not been used for the retail sale of gasoline, other 41369
petroleum products, and related accessories for a continuous 41370
period of six months, whenever failure to reasonably secure 41371
station buildings from ready access by unauthorized persons and to 41372
reasonably maintain the station's premises has resulted in 41373
conditions that endanger the public health, welfare, safety, or 41374
morals; provided, that such conditions include, but are not 41375
limited to, the presence of defective or deteriorated electrical 41376
wiring, heating apparatus, and gas connections, or of unprotected 41377
gasoline storage tanks, piping, and valves, or any combination of 41378
the foregoing; and provided further that the casual and 41379
intermittent use of a service station for the retail sale of any 41380
item described in division (A)(1) of this section during such 41381
six-month period shall not be held to prevent the station from 41382

being determined an abandoned service station if it meets the 41383
other qualifications of this division. 41384

(B) No person shall construct, renew operation of, or 41385
continue operation of a service station unless, prior to the 41386
commencement of construction or renewed operation and during the 41387
period of continued operation, a valid bond is on file as provided 41388
in division (C) ~~or (D)~~ of this section. The bond shall be obtained 41389
by the owner of the property if ~~he~~ the owner is also the owner of 41390
the service station. If the owner of the property is not the owner 41391
of the service station, then the bond shall be obtained by the 41392
lessee of the property; except that such lessee shall be other 41393
than any person who leases and operates the service station 41394
pursuant to a contract with a supplier of gasoline and petroleum 41395
products. The bond shall identify and list the name and address of 41396
the property owner and any lessee other than a person who leases 41397
and operates the service station pursuant to a contract with a 41398
supplier of gasoline and petroleum products. 41399

(C) The bond required by division (B) of this section shall 41400
be filed annually with the executive authority of the municipal 41401
corporation in which the service station is, or is to be, located, 41402
or with the clerk of the board of county commissioners if the 41403
service station is not, or is not to be, located within a 41404
municipal corporation. The bond shall either be a cash bond or 41405
have sufficient sureties approved by the executive authority or 41406
clerk with whom it is filed. The bond shall be for a term of one 41407
year and shall be renewed annually. The bond shall be in the 41408
amount of three thousand dollars for each service station to 41409
provide for the repair or removal of the service station and its 41410
appurtenances and restoration of the property. The bond shall be 41411
conditioned upon the repair or removal of the service station and 41412
restoration of the property if the service station is determined 41413
to be an abandoned service station as provided in section 3791.12 41414

of the Revised Code. If the service station is determined to be an 41415
abandoned service station, and division (D) or (F) of section 41416
3791.12 of the Revised Code applies, the bond shall be forfeited 41417
and the proceeds applied to the costs of repair or removal and 41418
restoration as provided in section 3791.13 of the Revised Code. If 41419
the amount of the bond exceeds the costs of repair or removal and 41420
restoration, the excess shall be returned to the depositor. 41421

~~(D) Whenever a property owner or lessee, other than a person 41422
leasing and operating a service station pursuant to a contract 41423
with a supplier of gasoline and other petroleum products, owns, 41424
leases, or is constructing two or more service stations in this 41425
state, such owner or lessee may deposit with the treasurer of 41426
state, in lieu of the bond required by division (C) of this 41427
section, money or a surety bond approved by the treasurer in the 41428
amount of one hundred fifty thousand dollars, or bonds of the 41429
United States, this state, or of a political subdivision of this 41430
state, having a market value, as determined by the treasurer, of 41431
one hundred fifty thousand dollars. The bond or deposit shall 41432
cover all service stations owned in the state, being constructed, 41433
leased, or operated by the depositor and shall be conditioned upon 41434
the repair or removal of any such station and its appurtenances 41435
and restoration of the property, if the station is determined to 41436
be an abandoned service station as provided in section 3791.12 of 41437
the Revised Code. If any such service station is determined to be 41438
an abandoned service station, and division (D) or (F) of section 41439
3791.12 of the Revised Code applies, the portion of the bond or 41440
deposit required to pay the costs of repair or removal and 41441
restoration shall be forfeited and paid to the executive authority 41442
of the municipal corporation or to the board of county 41443
commissioners of the county, upon request therefor. If the surety 41444
refuses to pay the costs of repair or removal and restoration to 41445
the treasurer, the treasurer shall forthwith file an action on the 41446
bond in the amount certified by the executive authority or board 41447~~

~~as the costs of repair or removal and restoration, and shall pay 41448
to the executive authority or board the proceeds of any judgment. 41449
A bond or deposit shall remain valid as long as it is sufficient 41450
to cover one hundred thousand dollars of liability. If the bond or 41451
deposit is reduced to a lesser amount, it shall be invalid unless 41452
sufficient additional bond or deposit is provided to restore the 41453
amount of liability covered to one hundred fifty thousand dollars. 41454~~

Sec. 3791.12. (A) The executive authority of each municipal 41455
corporation and the board of county commissioners of each county 41456
shall designate a suitable person to make inspections, within 41457
their respective territorial jurisdictions, of any service 41458
stations that are, or appear to be, no longer in use for the 41459
purposes described in division (A)(1) of section 3791.11 of the 41460
Revised Code, or for any other bona fide business purpose. 41461
Inspections of service stations under this section shall be made 41462
at the order of the executive authority or board, or upon the 41463
complaint of any person claiming to be adversely affected by the 41464
condition of a service station. Any inspector designated under 41465
this section shall have the right to enter upon and inspect any 41466
service station that is, or appears to be, no longer in use as 41467
described in this section. No inspector, while in the lawful 41468
pursuit of ~~his~~ official duties for such purpose, shall be subject 41469
to arrest for trespass while so engaged or for such cause 41470
thereafter. 41471

(B) Whenever an inspector, upon inspecting a service station 41472
as provided in this section, has reasonable cause to believe that 41473
it qualifies as an abandoned service station, ~~he~~ the inspector 41474
shall prepare a written report of the condition of the station's 41475
buildings and premises. The report shall be filed immediately with 41476
the executive authority or board. Upon receipt of the report, the 41477
executive authority or board shall fix a place and time, not less 41478
than thirty days nor more than sixty days after receipt of the 41479

report, for a hearing to determine whether the service station is 41480
an abandoned service station. The executive authority or board 41481
shall send written notice of the place and date of the hearing, 41482
together with a copy of the inspector's report and information 41483
that the service station may be ordered repaired or removed if 41484
determined to be abandoned, to all persons listed in the bond 41485
filed under division (C) ~~or (D)~~ of section 3791.11 of the Revised 41486
Code, and to all persons listed in the records of the county 41487
recorder or county clerk of courts as holding a lien on the 41488
affected property. Such notice shall be sent by certified mail to 41489
the address shown on such records. 41490

(C) In hearing the matter and deciding the issue, the 41491
executive authority or board shall consider the testimony of any 41492
persons appearing pursuant to the notice, or their authorized 41493
representatives, the testimony of any witnesses appearing on 41494
behalf of such persons, the inspector's report or testimony, or 41495
both, and any other evidence pertinent to the matter. If the 41496
executive authority or board thereupon determines that the service 41497
station is an abandoned service station in such condition as to 41498
constitute a danger to the public health, welfare, safety, or 41499
morals, it shall order the satisfactory repair, or removal, of the 41500
service station and its appurtenances, and restoration of the 41501
property, within such period of time, not less than thirty days, 41502
as the executive authority or board thereupon determines 41503
reasonable. Notice of the findings and order shall be sent to all 41504
persons required to be notified by division (B) of this section in 41505
the same manner as provided in that division. 41506

(D) If an abandoned service station is not satisfactorily 41507
repaired or removed within the period of time provided in an order 41508
made under division (C) of this section, the municipal corporation 41509
or county may enter the land and complete the repair, if repair 41510
was ordered, or remove the service station and its appurtenances, 41511

if removal was ordered, and restore the property. 41512

(E) Any person aggrieved by an order of an executive 41513
authority or board made under division (C) of this section, may 41514
appeal as provided in Chapter 2506. of the Revised Code within 41515
thirty days of the mailing of notice of the order. 41516

(F) In the event that no persons notified as provided in 41517
division (B) of this section, or their authorized representatives, 41518
appear at the hearing, respond to an order of the executive 41519
authority or board, or appeal within thirty days of the mailing of 41520
notice of the order as provided in division (E) of this section, 41521
the municipal corporation or county may proceed as provided in 41522
division (D) of this section. 41523

Sec. 3793.04. The department of alcohol and drug addiction 41524
services shall develop, administer, and revise as necessary a 41525
comprehensive statewide alcohol and drug addiction services plan 41526
for the implementation of this chapter. The plan shall emphasize 41527
abstinence from the use of alcohol and drugs of abuse as the 41528
primary goal of alcohol and drug addiction services. The council 41529
on alcohol ~~and~~, drug, and gambling addiction services shall advise 41530
the department in the development and implementation of the plan. 41531

The plan shall provide for the allocation and distribution of 41532
funds appropriated to the department by the general assembly for 41533
services furnished by alcohol and drug addiction programs under 41534
contract with boards of alcohol, drug addiction, and mental health 41535
services. The department shall exclude from the allocation and 41536
distribution any funds that are transferred to the department of 41537
job and family services to pay the nonfederal share of alcohol and 41538
drug addiction services covered by the medicaid program. 41539

The plan shall specify the methodology that the department 41540
will use for determining how the funds will be allocated and 41541
distributed. A portion of the funds shall be allocated on the 41542

basis of the ratio of the population of each alcohol, drug 41543
addiction, and mental health service district to the total 41544
population of the state as determined from the most recent federal 41545
census or the most recent official estimate made by the United 41546
States census bureau. 41547

The plan shall ensure that alcohol and drug addiction 41548
services of a high quality are accessible to, and responsive to 41549
the needs of, all persons, especially those who are members of 41550
underserved groups, including, but not limited to, African 41551
Americans, Hispanics, native Americans, Asians, juvenile and adult 41552
offenders, women, veterans, and persons with special services 41553
needs due to age or disability. The plan shall include a program 41554
to promote and protect the rights of those who receive services. 41555

To aid in formulating the plan and in evaluating the 41556
effectiveness and results of alcohol and drug addiction services, 41557
the department, in consultation with the department of mental 41558
health, shall establish and maintain an information system or 41559
systems. The department of alcohol and drug addiction services 41560
shall specify the information that must be provided by boards of 41561
alcohol, drug addiction, and mental health services and by alcohol 41562
and drug addiction programs for inclusion in the system. The 41563
department shall not collect any personal information from the 41564
boards except as required or permitted by state or federal law for 41565
purposes related to payment, health care operations, program and 41566
service evaluation, reporting activities, research, system 41567
administration, and oversight. 41568

In consultation with boards, programs, and persons receiving 41569
services, the department shall establish guidelines for the use of 41570
funds allocated and distributed under this section and for the 41571
boards' development of plans for services required by sections 41572
340.033 and 3793.05 of the Revised Code. 41573

In any fiscal year, the department shall spend, or allocate 41574

to boards, for methadone maintenance programs or any similar 41575
programs not more than eight per cent of the total amount 41576
appropriated to the department for the fiscal year. 41577

Sec. 3793.041. The department of alcohol and drug addiction 41578
services shall develop, administer, and revise as necessary a 41579
comprehensive statewide gambling addiction services plan. The 41580
council on alcohol, drug, and gambling addiction services shall 41581
advise the department in the development and implementation of the 41582
plan. 41583

The plan shall provide for allocation and distribution of 41584
funds from the problem casino gambling and addictions fund 41585
described in Section 6(C)(3)(g) of Article XV, Ohio Constitution, 41586
and any funding to be distributed by the department for problem 41587
gambling. 41588

The plan shall specify the methodology that the department 41589
will use for determining how the funds will be allocated and 41590
distributed. A portion of the funds shall be allocated on the 41591
basis of the ratio of the population of each alcohol, drug 41592
addiction, and mental health service district to the total 41593
population of the state as determined from the most recent federal 41594
census or the most recent official estimate made by the United 41595
States census bureau. 41596

The plan shall ensure that gambling addiction services of a 41597
high quality are accessible to, and responsive to the needs of, 41598
all persons, especially those who are members of underserved 41599
groups, including, but not limited to, African Americans, 41600
Hispanics, native Americans, Asians, juvenile and adult offenders, 41601
women, veterans, and persons with special services needs due to 41602
age or disability. The plan shall include a program to promote and 41603
protect the rights of those who receive services. 41604

To aid in formulating the plan and in evaluating the 41605

effectiveness and results of gambling addiction services, the 41606
department, in consultation with the department of mental health, 41607
shall establish and maintain an information system or systems. The 41608
department of alcohol and drug addiction services shall specify 41609
the information that must be provided by boards of alcohol, drug 41610
addiction, and mental health services and by gambling addiction 41611
programs for inclusion in the system. The department shall not 41612
collect any personal information from the boards except as 41613
required or permitted by state or federal law for purposes related 41614
to payment, health care operations, program and service 41615
evaluation, reporting activities, research, system administration, 41616
and oversight. 41617

In consultation with boards, programs, and persons receiving 41618
services, the department shall establish guidelines for the use of 41619
funds allocated and distributed under this section. 41620

Sec. 3793.09. (A) There is hereby created the council on 41621
alcohol ~~and~~, drug, and gambling addiction services which shall 41622
consist of the public officials specified in division (B) of this 41623
section, or their designees, and ~~thirteen~~ fourteen members 41624
appointed by the governor with the advice and consent of the 41625
senate. The members appointed by the governor shall be 41626
representatives of the following: boards of alcohol, drug 41627
addiction, and mental health services; the criminal and juvenile 41628
justice systems; ~~and~~ alcohol and drug addiction programs; and 41629
gambling addiction programs. At least four of the appointed 41630

otherwise remedied, or for a period of seventy-two hours from the 42393
time of issuance, whichever occurs first. During the 42394
seventy-two-hour period, the superintendent may request that the 42395
prosecuting attorney or city attorney of Franklin county or of the 42396
county in which the pressure vessel or boiler is located obtain an 42397
injunction restraining the operator or owner of the pressure 42398
vessel or boiler from continuing its operation after the 42399
seventy-two-hour period expires until the nonconformities are 42400
eliminated, corrected, or otherwise remedied. 42401

(E) Each boiler which has been inspected shall be assigned a 42402

or otherwise. No person except an inspector shall deface or remove 42405
any such number or tag. 42406

(F) If the owner or user of any pressure vessel or boiler 42407
disagrees with the inspector as to the necessity for shutting down 42408
a pressure vessel or boiler or for making repairs or alterations 42409
in it, or taking any other measures for safety that are requested 42410
by an inspector, the owner or user may appeal from the decision of 42411
the inspector to the superintendent, who may, after such other 42412

due care in the inspection, operation, and repair of the pressure 42418
vessel or boiler or of any liability for damages for failure to 42419
inspect, repair, or operate the pressure vessel or boiler safely. 42420

under section 4104.12 of the Revised Code to be inspected upon 42436
installation, and the owner or user of a boiler for which a 42437
certificate of inspection has been issued which is replaced with 42438

state may secure inspection by a general inspector on work during 42452
construction, upon application to the superintendent, and upon 42453
payment of a fee of thirty-five dollars per hour, plus the 42454
necessary traveling and hotel expenses incurred by the inspector. 42455

(C) The application fee for applicants for steam engineer, 42456
high pressure boiler operator, or low pressure boiler operator 42457
licenses is seventy-five dollars. The fee for each original or 42458
renewal steam engineer, high pressure boiler operator, or low 42459
pressure boiler operator license is fifty dollars. 42460

(D) The director of commerce, subject to the approval of the 42461
controlling board, may establish fees in excess of the fees 42462

Chapter 119. of the Revised Code. 42805

which the elevator affected by such order is located. The court in 42828
such case shall not be confined to the record as certified to it 42829
by the agency, but any party may produce additional evidence and 42830
the court shall hear the matter upon such record and such 42831
additional evidence as is introduced by any party. The court shall 42832
not affirm the order of the agency unless the preponderance of the 42833
evidence before it supports the reasonableness and lawfulness of 42834
such order, and of any rules upon which the order of the agency is 42835
based in its application to the facts involved in the appeal. 42836

Failure to comply with the requirements of any order issued 42837
pursuant to this section or the continued operation of any 42838
elevator after it has been sealed pursuant to section 4105.21 of 42839

apparatus, counterweights, and all other appurtenances, in 42854
accordance with state laws and rules as are authorized in respect 42855
thereto. Where reasonable safety is obtained without complying to 42856
the literal requirements of such rules as in cases of practical 42857
difficulty or unnecessary hardship, the literal requirements of 42858
such rules shall not be required. The superintendent of ~~labor~~ 42859
industrial compliance may permit the installation of vertical 42860
wheelchair lifts in public buildings to provide for handicapped 42861

requirements of the rules adopted by the board of building 42863
standards pursuant to section 4105.011 of the Revised Code, 42864
provided that reasonable safety may be obtained. 42865

Sec. 4105.15. No certificate of operation for any elevator 42866
shall be issued by the director of commerce until such elevator 42867
has been inspected as required by this chapter. Certificates of 42868
operation shall be renewed by the owner or user of the elevator in 42869
accordance with rules adopted by the superintendent of ~~labor~~ 42870
industrial compliance pursuant to section 4105.12 of the Revised 42871
Code. 42872

Sec. 4105.16. Before any new installation of an elevator of 42873
permanent nature is erected or before any existing elevator is 42874
removed to and installed in a different location, an application 42875

of specifications in duplicate shall be submitted to the division 42876
of ~~labor~~ industrial compliance giving such information concerning 42877
the construction, installation, and operation of said elevator as 42878
the division may require on forms to be furnished by the division, 42879
together with complete construction plans in duplicate. In all 42880
cases where any changes or repairs are made which alter its 42881
construction of classification, grade or rated lifting capacity, 42882
except when made pursuant to a report of an inspector, an 42883
application of specifications in duplicate shall be submitted to 42884

~~also~~ holds a license issued by the public utilities commission to 43552
transport beer, intoxicating liquor, and alcohol, or any of them, 43553
in this state for delivery or use in this state. This section does 43554
not prevent the division of liquor control from contracting with 43555
~~common or contract~~ for-hire motor carriers for the delivery or 43556
transportation of liquor for the division, and any ~~contract or~~ 43557
~~common~~ for-hire motor carrier so contracting with the division is 43558

licensed under this chapter and Chapter 4301. of the Revised Code 43562
by their own trucks as an incident to the purchase or sale of such 43563
beverages need not obtain an H permit. Carriers by rail shall 43564
receive an H permit upon application for it. 43565

This section does not prevent the division from issuing, upon 43566
the payment of the permit fee, an H permit to any person, 43567
partnership, firm, or corporation licensed by any other state to 43568
engage in the business of manufacturing and brewing or producing 43569
beer, wine, and mixed beverages or any person, partnership, firm, 43570
or corporation licensed by the United States or any other state to 43571
engage in the business of importing beer, wine, and mixed 43572
beverages manufactured outside the United States. The 43573
manufacturer, brewer, or importer of products manufactured outside 43574
the United States, upon the issuance of an H permit, may 43575

issued by the division to such applicant until the applicant files 43579
with the division a liability insurance certificate or policy 43580
satisfactory to the division, in a sum of not less than one 43581
thousand nor more than five thousand dollars for property damage 43582
and for not less than five thousand nor more than fifty thousand 43583

such other terms as the division considers necessary to adequately 43585
protect the interest of the public, having due regard for the 43586
number of persons and amount of property affected. The certificate 43587
or policy shall insure the manufacturer, brewer, or importer of 43588
products manufactured outside the United States against loss 43589
sustained by reason of the death of or injury to persons, and for 43590

Sec. 4313.02. (A) The state may transfer to JobsOhio, and 43594
JobsOhio may accept the transfer of, all or a portion of the 43595
enterprise acquisition project for a transfer price payable by 43596
JobsOhio to the state. Any such transfer shall be treated as an 43597
absolute conveyance and true sale of the interest in the 43598
enterprise acquisition project purported to be conveyed for all 43599
purposes, and not as a pledge or other security interest. The 43600
characterization of any such transfer as a true sale and absolute 43601
conveyance shall not be negated or adversely affected by the 43602
acquisition or retention by the state of a residual or 43603
reversionary interest in the enterprise acquisition project, the 43604
participation of any state officer or employee as a member or 43605
officer of, or contracting for staff support to, JobsOhio or any 43606
subsidiary of JobsOhio, any regulatory responsibility of an 43607
officer or employee of the state, including the authority to 43608
collect amounts to be received in connection therewith, the 43609
retention of the state of any legal title to or interest in any 43610
portion of the enterprise acquisition project for the purpose of 43611
regulatory activities, or any characterization of JobsOhio or 43612
obligations of JobsOhio under accounting, taxation, or securities 43613
regulations, or any other reason whatsoever. An absolute 43614
conveyance and true sale or lease shall exist under this section 43615
regardless of whether JobsOhio has any recourse against the state 43616
or the treatment or characterization of the transfer as a 43617
financing for any purpose. Upon and following the transfer, the 43618
state shall not have any right, title, or interest in the 43619
enterprise acquisition project so transferred other than any 43620
residual interest that may be described in the transfer agreement 43621
pursuant to the following paragraph and division (D) of this 43622
section. Any determination of the fair market value of the 43623
enterprise acquisition project reflected in the transfer agreement 43624

shall be conclusive and binding on the state and JobsOhio. 43625

Any transfer of the enterprise acquisition project that is a 43626
lease or grant of a franchise shall be for a term not to exceed 43627
twenty-five years. Any transfer of the enterprise acquisition 43628
project that is an assignment and sale, conveyance, or other 43629
transfer shall contain a provision that the state shall have the 43630
option to have conveyed or transferred back to it, at no cost, the 43631
enterprise acquisition project, as it then exists, no later than 43632
twenty-five years after the original transfer authorized in the 43633
transfer agreement on such other terms as shall be provided in the 43634
transfer agreement. 43635

The exercise of the powers granted by this section will be 43636
for the benefit of the people of the state. All or any portion of 43637
the enterprise acquisition project transferred pursuant to the 43638
transfer agreement that would be exempt from real property taxes 43639
or assessments or real property taxes or assessments in the 43640
absence of such transfer shall, as it may from time to time exist 43641
thereafter, remain exempt from real property taxes or assessments 43642
levied by the state and its subdivisions to the same extent as if 43643
not transferred. The gross receipts and income of JobsOhio derived 43644
from the enterprise acquisition project shall be exempt from 43645
taxation levied by the state and its subdivisions, including, but 43646
not limited to, the taxes levied pursuant to Chapters 718., 5739., 43647
5741., 5747., and 5751. of the Revised Code. Any transfer from the 43648
state to JobsOhio of the enterprise acquisition project, or item 43649
included or to be included in the project, shall be exempt from 43650
the taxes levied pursuant to Chapters 5739. and 5741. of the 43651
Revised Code. 43652

(B) The proceeds of any transfer under division (A) of this 43653
section may be expended as provided in the transfer agreement for 43654
any one or more of the following purposes: 43655

the Revised Code; 43659

Code, the research and development loan fund created pursuant to 43664
section 166.20 of the Revised Code, the logistics and distribution 43665
infrastructure fund created pursuant to section 166.26 of the 43666
Revised Code, the advanced energy research and development fund 43667
created pursuant to section 3706.27 of the Revised Code, and the 43668
advanced energy research and development taxable fund created 43669
pursuant to section 3706.27 of the Revised Code; 43670

(4) Conveyance to JobsOhio for the purposes for which it was 43671
created. 43672

(C)(1) The state may covenant, pledge, and agree in the 43673
transfer agreement, with and for the benefit of JobsOhio, that it 43674
shall maintain statutory authority for the enterprise acquisition 43675
project and the revenues of the enterprise acquisition project and 43676
not otherwise materially impair any obligations supported by a 43677
pledge of revenues of the enterprise acquisition project. The 43678
transfer agreement may provide or authorize the manner for 43679
determining material impairment of the security for any such 43680
outstanding obligations, including by assessing and evaluating the 43681
revenues of the enterprise acquisition project. 43682

(2) The director of budget and management, in consultation 43683
with the director of commerce, may, without need for any other 43684
approval, negotiate terms of any documents, including the transfer 43685
agreement, necessary to effect the transfer and the acceptance of 43686

the transfer of the enterprise acquisition project. The director 43687
of budget and management and the director of commerce shall 43688
execute the transfer agreement on behalf of the state. The 43689
director of budget and management may also, without need for any 43690
other approval, retain or contract for the services of commercial 43691
appraisers, underwriters, investment bankers, and financial 43692
advisers, as are necessary in the judgment of the director of 43693

the county auditor within fourteen days after the owner or vendee 44250

division (F) of that section, the county treasurer shall issue a 44268
certificate evidencing registration that shall be valid in any 44269
county in this state during the year for which the certificate is 44270

(4) The permanent decal issued under this division is valid 44272

home is relocated in another county the owner shall apply for a 44274
new registration as required by this section and section 4503.06 44275
of the Revised Code. 44276

(D)(1) All owners of manufactured or mobile homes subject to 44277
the manufactured home tax being relocated to or having situs in a 44278
county that has not adopted a permanent registration system, as 44279
provided in division (F) of this section, shall register the home 44280

issue a tax bill stating the amount of annual manufactured home 44287
tax due under section 4503.06 of the Revised Code, as provided in 44288
division (D)(6) of that section. When a manufactured or mobile 44289
home is registered and when the tax for the current one-half year 44290
has been paid as required by division (F) of that section, the 44291
county treasurer shall issue a certificate evidencing registration 44292
and a decal. The certificate and decal are valid in any county in 44293
this state during the year for which they are issued. The decal 44294

(3) For the first annual registration in each county of 44296

present an Ohio certificate of title, certified copy of the 44298
certificate of title, or memorandum certificate of title as such 44299

before a relocation notice may be issued have been paid, and that 44304
a relocation notice was obtained for the home if required by 44305
division (H) of this section. If the owner or vendee does not 44306
possess the Ohio certificate of title, certified copy of the 44307
certificate of title, or memorandum certificate of title at the 44308
time the owner or vendee first registers the home in a county, the 44309
county auditor shall register the home without presentation of the 44310
document, but the owner or vendee shall present the certificate of 44311
title, certified copy of the certificate of title, or memorandum 44312
certificate of title to the county auditor within fourteen days 44313
after the owner or vendee obtains possession of the document. When 44314
the county treasurer receives the tax payment, the county 44315
treasurer shall note by writing or by a stamp on the certificate 44316

of title, certified copy of the certificate of title, or 44317
memorandum certificate of title that the home has been registered 44318
for the current year and that the manufactured home taxes due, if 44319
any, have been paid for the preceding five years and for the 44320
current year. 44321

(4) For subsequent annual registrations, the auditor may 44322
require the owner or vendee in possession to present an Ohio 44323
certificate of title, certified copy of the certificate of title, 44324
or memorandum certificate of title to the county treasurer upon 44325
payment of the manufactured home tax that is due. 44326

(E)(1) Upon the application to transfer ownership of a 44327
manufactured or mobile home for which manufactured home taxes are 44328
paid pursuant to division (C) of section 4503.06 of the Revised 44329
Code the clerk of the court of common pleas shall not issue any 44330

of the following: 44332

(a) An endorsement of the county treasurer stating that the 44333
home has been registered for each year of ownership and that all 44334
manufactured home taxes imposed pursuant to section 4503.06 of the 44335
Revised Code have been paid or that no tax is due; 44336

(2) If all the taxes have not been paid, the clerk shall 44341
notify the vendee to contact the county treasurer of the county 44342
containing the taxing district in which the home has its situs at 44343
the time of the proposed transfer. The county treasurer shall then 44344
collect all the taxes that are due for the year of the transfer 44345
and all previous years not exceeding a total of five years. The 44346
county treasurer shall distribute that part of the collection owed 44347

to the county treasurer of other counties if the home had its 44348
situs in another county during a particular year when the unpaid 44349
tax became due and payable. The burden to prove the situs of the 44350
home in the years that the taxes were not paid is on the 44351
transferor of the home. Upon payment of the taxes, the county 44352
auditor shall remove all remaining taxes from the manufactured 44353
home tax list and the delinquent manufactured home tax list, and 44354
the county treasurer shall release all liens for such taxes. The 44355
clerk of courts shall issue a certificate of title, free and clear 44356
of all liens for manufactured home taxes, to the transferee of the 44357
home. 44358

(3) Once the transfer is complete and the certificate of 44359
title has been issued, the transferee shall register the 44360
manufactured or mobile home pursuant to division (C) or (D) of 44361
this section with the county auditor of the county containing the 44362
taxing district in which the home remains after the transfer or, 44363
if the home is relocated to another county, with the county 44364
auditor of the county to which the home is relocated. The 44365
transferee need not pay the annual tax for the year of acquisition 44366
if the original owner has already paid the annual tax for that 44367
year. 44368

(F) The county auditor may adopt a permanent registration 44369
system and issue a permanent decal with the first registration as 44370
prescribed by the tax commissioner. 44371

(G) When any manufactured or mobile home required to be 44372
registered by this section is not registered, the county auditor 44373
shall impose a penalty of one hundred dollars upon the owner and 44374
deposit the amount to the credit of the county real estate 44375
assessment fund to be used to pay the costs of administering this 44376
section and section 4503.06 of the Revised Code. If unpaid, the 44377
penalty shall constitute a lien on the home and shall be added by 44378
the county auditor to the manufactured home tax list for 44379

collection. 44380

(H)(1) Except as otherwise provided in this division, before 44381
moving a manufactured or mobile home on public roads from one 44382
address within this state to another address within or outside 44383
this state, the owner of the home shall obtain a relocation 44384
notice, as provided by this section, from the auditor of the 44385
county in which the home is located if the home is currently 44386
subject to taxation pursuant to section 4503.06 of the Revised 44387
Code. The auditor shall charge five dollars for the notice, and 44388
deposit the amount to the credit of the county real estate 44389
assessment fund to be used to pay the costs of administering this 44390
section and section 4503.06 of the Revised Code. The auditor shall 44391
not issue a relocation notice unless all taxes owed on the home 44392
under section 4503.06 of the Revised Code that were first charged 44393
to the home during the period of ownership of the owner seeking 44394
the relocation notice have been paid. If the home is being moved 44395
by a new owner of the home or by a party taking repossession of 44396
the home, the auditor shall not issue a relocation notice unless 44397
all of the taxes due for the preceding five years and for the 44398
current year have been paid. A relocation notice issued by a 44399
county auditor is valid until the last day of December of the year 44400
in which it was issued. 44401

If the home is being moved by a sheriff, police officer, 44402
constable, bailiff, or manufactured home park operator, as defined 44403
in section ~~3733.01~~ 4781.01 of the Revised Code, or any agent of 44404
any of these persons, for purposes of removal from a manufactured 44405
home park and storage, sale, or destruction under section 1923.14 44406
of the Revised Code, the auditor shall issue a relocation notice 44407
without requiring payment of any taxes owed on the home under 44408
section 4503.06 of the Revised Code. 44409

(2) If a manufactured or mobile home is not yet subject to 44410
taxation under section 4503.06 of the Revised Code, the owner of 44411

the home shall obtain a relocation notice from the dealer of the 44412
home. Within thirty days after the manufactured or mobile home is 44413
purchased, the dealer of the home shall provide the auditor of the 44414
county in which the home is to be located written notice of the 44415
name of the purchaser of the home, the registration number or 44416
vehicle identification number of the home, and the address or 44417
location to which the home is to be moved. The county auditor 44418
shall provide to each manufactured and mobile home dealer, without 44419
charge, a supply of relocation notices to be distributed to 44420
purchasers pursuant to this section. 44421

(3) The notice shall be in the form of a one-foot square 44422
yellow sign with the words "manufactured home relocation notice" 44423
printed prominently on it. The name of the owner of the home, the 44424
home's registration number or vehicle identification number, the 44425
county and the address or location to which the home is being 44426
moved, and the county in which the notice is issued shall also be 44427

(4) The relocation notice must be attached to the rear of the 44429
home when the home is being moved on a public road. Except as 44430
provided in divisions (H)(1) and (5) of this section, no person 44431
shall drive a motor vehicle moving a manufactured or mobile home 44432
on a public road from one address to another address within this 44433
state unless a relocation notice is attached to the rear of the 44434
home. 44435

(5) If the county auditor determines that a manufactured or 44436
mobile home has been moved without a relocation notice as required 44437
under this division, the auditor shall impose a penalty of one 44438
hundred dollars upon the owner of the home and upon the person who 44439
moved the home and deposit the amount to the credit of the county 44440
real estate assessment fund to pay the costs of administering this 44441
section and section 4503.06 of the Revised Code. If the home was 44442
relocated from one county in this state to another county in this 44443

state and the county auditor of the county to which the home was 44444
relocated imposes the penalty, that county auditor, upon 44445
collection of the penalty, shall cause an amount equal to the 44446
penalty to be transmitted from the county real estate assessment 44447
fund to the county auditor of the county from which the home was 44448
relocated, who shall deposit the amount to the credit of the 44449
county real estate assessment fund. If the penalty on the owner is 44450
unpaid, the penalty shall constitute a lien on the home and the 44451
auditor shall add the penalty to the manufactured home tax list 44452
for collection. If the county auditor determines that a dealer 44453
that has sold a manufactured or mobile home has failed to timely 44454

shall impose a penalty upon the dealer in the amount of one 44456
hundred dollars. The penalty shall be credited to the county real 44457
estate assessment fund and used to pay the costs of administering 44458
this section and section 4503.06 of the Revised Code. 44459

The registrar shall not consider any bid that does not provide for 45017
the supplying of both laminating equipment and laminating 45018

to Chapter 119. of the Revised Code, shall adopt and prescribe 45162
such rules concerning the administration and enforcement of this 45163
chapter as are necessary to protect the public. The director shall 45164
inspect the school facilities and equipment of applicants and 45165
licensees and examine applicants for instructor's licenses. 45166

(2) The director shall adopt rules governing online driver 45167
education courses that may be completed via the internet to 45168
satisfy the classroom instruction under division (C) of this 45169
section. The rules shall do all of the following: 45170

(a) Establish standards that an online driver training 45171
enterprise must satisfy to be licensed to offer an online driver 45172

education course via the internet, including, at a minimum, proven 45173
expertise in providing online driver education and an acceptable 45174
infrastructure capable of providing secure online driver education 45175
in accord with advances in internet technology; 45176

(b) Establish content requirements that an online driver 45177
education course must satisfy to be approved as equivalent to 45178
twenty-four hours of in-person classroom instruction; 45179

(c) Allow an enrolled applicant to begin the required eight 45180
hours of actual behind-the-wheel instruction upon being issued a 45181
certificate of enrollment by a licensed online driver training 45182

(d) Establish any other requirements necessary to regulate 45184
online driver education. 45185

(B) The director shall administer and enforce this chapter. 45186

(C) The rules shall require twenty-four hours of in-person 45187
classroom instruction or completion of an approved, equivalent 45188
online driver education course offered via the internet by a 45189
licensed online driver training enterprise, and eight hours of 45190
actual behind-the-wheel instruction conducted on public streets 45191
and highways of this state for all beginning drivers of 45192
noncommercial motor vehicles who are under age eighteen. 45193

(D) The rules shall state the minimum hours for classroom and 45194
behind-the-wheel instruction required for beginning drivers of 45195
commercial trucks, commercial cars, buses, and commercial 45196
tractors, trailers, and ~~semi-trailers~~ semitrailers. 45197

(E)(1) The department of public safety may charge a fee to 45198
each online driver training enterprise in an amount sufficient to 45199
pay the actual expenses the department incurs in the regulation of 45200
online driver education courses. 45201

(2) The department shall print and supply to each licensed 45202

online driver training enterprise certificates to be used for 45203

successful completion of an approved online driver education 45206
course. The certificates shall be numbered serially. The 45207
department may charge a fee to each online driver training 45208
enterprise per certificate supplied to pay the actual expenses the 45209
department incurs in printing and supplying the certificates. 45210

Sec. 4510.037. (A) When the registrar of motor vehicles 45211
determines that the total points charged against any person under 45212
section 4510.036 of the Revised Code exceed five, the registrar 45213
shall send a warning letter to the person at the person's last 45214
known address by regular mail. The warning letter shall list the 45215
reported violations that are the basis of the points charged, list 45216
the number of points charged for each violation, and outline the 45217
suspension provisions of this section. 45218

(B) When the registrar determines that the total points 45219
charged against any person under section 4510.036 of the Revised 45220
Code within any two-year period beginning on the date of the first 45221
conviction within the two-year period is equal to twelve or more, 45222
the registrar shall send a written notice to the person at the 45223
person's last known address by regular mail. The notice shall list 45224
the reported violations that are the basis of the points charged, 45225
list the number of points charged for each violation, and state 45226
that, because the total number of points charged against the 45227
person within the applicable two-year period is equal to twelve or 45228
more, the registrar is imposing a class D suspension of the 45229
person's driver's or commercial driver's license or permit or 45230
nonresident operating privileges for the period of time specified 45231
in division (B)(4) of section 4510.02 of the Revised Code. The 45232
notice also shall state that the suspension is effective on the 45233
twentieth day after the mailing of the notice, unless the person 45234

files a petition appealing the determination and suspension in the 45235
municipal court, county court, or, if the person is under the age 45236
of eighteen, the juvenile division of the court of common pleas in 45237
whose jurisdiction the person resides or, if the person is not a 45238
resident of this state, in the Franklin county municipal court or 45239
juvenile division of the Franklin county court of common pleas. By 45240
filing the appeal of the determination and suspension, the person 45241
agrees to pay the cost of the proceedings in the appeal of the 45242
determination and suspension and alleges that the person can show 45243
cause why the person's driver's or commercial driver's license or 45244
permit or nonresident operating privileges should not be 45245
suspended. 45246

(C)(1) Any person against whom at least two but less than 45247
twelve points have been charged under section 4510.036 of the 45248
Revised Code may enroll in a course of remedial driving 45249
instruction that is approved by the director of public safety. 45250
Upon the person's completion of an approved course of remedial 45251
driving instruction, the person may apply to the registrar on a 45252
form prescribed by the registrar for a credit of two points on the 45253
person's driving record. Upon receipt of the application and proof 45254
of completion of the approved remedial driving course, the 45255
registrar shall approve the two-point credit. The registrar shall 45256
not approve any credits for a person who completes an approved 45257
course of remedial driving instruction pursuant to a judge's order 45258
under section 4510.02 of the Revised Code. 45259

(2) In any three-year period, the registrar shall approve 45260
only one two-point credit on a person's driving record under 45261
division (C)(1) of this section. The registrar shall approve not 45262
more than five two-point credits on a person's driving record 45263
under division (C)(1) of this section during that person's 45264
lifetime. 45265

(D) When a judge of a court of record suspends a person's 45266

driver's or commercial driver's license or permit or nonresident 45267
operating privilege and charges points against the person under 45268
section 4510.036 of the Revised Code for the offense that resulted 45269
in the suspension, the registrar shall credit that period of 45270
suspension against the time of any subsequent suspension imposed 45271
under this section for which those points were used to impose the 45272
subsequent suspension. When a United States district court that 45273
has jurisdiction within this state suspends a person's driver's or 45274
commercial driver's license or permit or nonresident operating 45275
privileges pursuant to the "Assimilative Crimes Act," 102 Stat. 45276
4381 (1988), 18 U.S.C.A. 13, as amended, the district court 45277
prepares an abstract pursuant to section 4510.031 of the Revised 45278
Code, and the district court charges points against the person 45279
under section 4510.036 of the Revised Code for the offense that 45280
resulted in the suspension, the registrar shall credit the period 45281
of suspension imposed by the district court against the time of 45282
any subsequent suspension imposed under this section for which the 45283
points were used to impose the subsequent suspension. 45284

(E) The registrar, upon the written request of a licensee who 45285
files a petition under division (B) of this section, shall furnish 45286
the licensee a certified copy of the registrar's record of the 45287
convictions and bond forfeitures of the person. This record shall 45288
include the name, address, and date of birth of the licensee; the 45289
name of the court in which each conviction or bail forfeiture took 45290
place; the nature of the offense that was the basis of the 45291
conviction or bond forfeiture; and any other information that the 45292
registrar considers necessary. If the record indicates that twelve 45293
points or more have been charged against the person within a 45294
two-year period, it is prima-facie evidence that the person is a 45295
repeat traffic offender, and the registrar shall suspend the 45296
person's driver's or commercial driver's license or permit or 45297
nonresident operating privilege pursuant to division (B) of this 45298
section. 45299

In hearing the petition and determining whether the person 45300
filing the petition has shown cause why the person's driver's or 45301
commercial driver's license or permit or nonresident operating 45302
privilege should not be suspended, the court shall decide the 45303
issue on the record certified by the registrar and any additional 45304
relevant, competent, and material evidence that either the 45305
registrar or the person whose license is sought to be suspended 45306
submits. 45307

(F) If a petition is filed under division (B) of this section 45308
in a county court, the prosecuting attorney of the county in which 45309
the case is pending shall represent the registrar in the 45310
proceedings, except that, if the petitioner resides in a municipal 45311
corporation within the jurisdiction of the county court, the city 45312
director of law, village solicitor, or other chief legal officer 45313
of the municipal corporation shall represent the registrar in the 45314
proceedings. If a petition is filed under division (B) of this 45315
section in a municipal court, the registrar shall be represented 45316
in the resulting proceedings as provided in section 1901.34 of the 45317
Revised Code. 45318

(G) If the court determines from the evidence submitted that 45319
a person who filed a petition under division (B) of this section 45320
has failed to show cause why the person's driver's or commercial 45321
driver's license or permit or nonresident operating privileges 45322
should not be suspended, the court shall assess against the person 45323
the cost of the proceedings in the appeal of the determination and 45324
suspension and shall impose the applicable suspension under this 45325
section or suspend all or a portion of the suspension and impose 45326
any conditions upon the person that the court considers proper or 45327
impose upon the person a community control sanction pursuant to 45328
section 2929.15 or 2929.25 of the Revised Code. If the court 45329
determines from the evidence submitted that a person who filed a 45330
petition under division (B) of this section has shown cause why 45331

the person's driver's or commercial driver's license or permit or 45332
nonresident operating privileges should not be suspended, the 45333
costs of the appeal proceeding shall be paid out of the county 45334
treasury of the county in which the proceedings were held. 45335

(H) Any person whose driver's or commercial driver's license 45336
or permit or nonresident operating privileges are suspended under 45337
this section is not entitled to apply for or receive a new 45338
driver's or commercial driver's license or permit or to request or 45339
be granted nonresident operating privileges during the effective 45340
period of the suspension. 45341

(I) Upon the termination of any suspension or other penalty 45342
imposed under this section involving the surrender of license or 45343
permit and upon the request of the person whose license or permit 45344
was suspended or surrendered, the registrar shall return the 45345
license or permit to the person upon determining that the person 45346
has complied with all provisions of section 4510.038 of the 45347
Revised Code or, if the registrar destroyed the license or permit 45348
pursuant to section 4510.52 of the Revised Code, shall reissue the 45349
person's license or permit. 45350

(J) Any person whose driver's or commercial driver's license 45351
or permit or nonresident operating privileges are suspended as a 45352
repeat traffic offender under this section and who, during the 45353
suspension, operates any motor vehicle upon any public roads and 45354
highways is guilty of driving under a twelve-point suspension, a 45355
misdemeanor of the first degree. The court shall sentence the 45356
offender to a minimum term of three days in jail. No court shall 45357
suspend the first three days of jail time imposed pursuant to this 45358
division. 45359

(K) The registrar, in accordance with specific statutory 45360
authority, may suspend the privilege of driving a motor vehicle on 45361
the public roads and highways of this state that is granted to 45362
nonresidents by section 4507.04 of the Revised Code. 45363

(L) Any (1) Except as provided in division (L)(2) of this section, any course of remedial driving instruction the director of public safety approves under this section shall require its students to attend at least fifty per cent of the course in person. ~~The~~ and the director shall not approve any course of remedial driving instruction that permits its students to take more than fifty per cent of the course in any other manner, including via video teleconferencing or the internet.

(2) The director may approve a course of remedial instruction that permits students to take the entire course via video teleconferencing. In accordance with division (C) of this section, upon receiving an application with a certificate or other proof of completion of a course approved under this division, the registrar shall approve the two-point reduction.

Sec. 4510.038. (A) Any person whose driver's or commercial driver's license or permit is suspended or who is granted limited driving privileges under section 4510.037, under division (H) of section 4511.19, or under section 4510.07 of the Revised Code for a violation of a municipal ordinance that is substantially equivalent to division (B) of section 4511.19 of the Revised Code is not eligible to retain the license, or to have the driving privileges reinstated, until each of the following has occurred:

area of alcohol and drugs and the operation of vehicles shall 45402
comprise a minimum of twenty-five per cent of the number of hours 45403
of instruction included in the course. 45404

(2) The person is examined in the manner provided for in 45405
section 4507.20 of the Revised Code, and found by the registrar of 45406
motor vehicles to be qualified to operate a motor vehicle; 45407

(3) The person gives and maintains proof of financial 45408
responsibility, in accordance with section 4509.45 of the Revised 45409
Code. 45410

additional court cost imposed under section 2949.094 of the 45946
Revised Code, to pay for the continued use of an alcohol 45947
monitoring device by an offender or juvenile traffic offender when 45948

offender is unable to pay all or part of the daily monitoring or 45950
cost of the device. The moneys may be used for a device as 45951
described in this division if the use of the device is in 45952
conjunction with a treatment program approved by the department of 45953
alcohol and drug addiction services, when the use of the device is 45954
determined clinically necessary by the treatment program, but the 45955
use of a device is not required to be in conjunction with a 45956

(4) If a county, juvenile, or municipal court determines, in 45959
consultation with the alcohol and drug addiction services board or 45960
the board of alcohol, drug addiction, and mental health services 45961
established pursuant to section 340.02 or 340.021 of the Revised 45962

court are more than sufficient to satisfy the purpose for which 45968

the fund was established, as specified in divisions (H)(1) to (3) 45969
of this section, the court may declare a surplus in the fund. If 45970
the court declares a surplus in the fund, the court may expend the 45971
amount of the surplus in the fund for: 45972

(a) Alcohol and drug abuse assessment and treatment of 45973
persons who are charged in the court with committing a criminal 45974
offense or with being a delinquent child or juvenile traffic 45975

(ii) The court determines that the person is unable to pay 45980
the cost of the alcohol and drug abuse assessment and treatment 45981

devices to be used in conjunction with division (H)(3) of this 45984
section, upon exhaustion of moneys in the indigent drivers 45985
interlock and alcohol monitoring fund for the use of an alcohol 45986
monitoring device. 45987

(5) For the purpose of determining as described in division 45988
(F)(2)(c) of this section whether an offender does not have the 45989
means to pay for the offender's attendance at an alcohol and drug 45990
addiction treatment program or whether an alleged offender or 45991
delinquent child is unable to pay the costs specified in division 45992
(H)(4) of this section, the court shall use the indigent client 45993
eligibility guidelines and the standards of indigency established 45994

(6) The court shall identify and refer any alcohol and drug 45996
addiction program that is not certified under section 3793.06 of 45997
the Revised Code and that is interested in receiving amounts from 45998
the surplus in the fund declared under division (H)(4) of this 45999

section to the department of alcohol and drug addiction services 46000
in order for the program to become a certified alcohol and drug 46001
addiction program. The department shall keep a record of applicant 46002
referrals received pursuant to this division and shall submit a 46003
report on the referrals each year to the general assembly. If a 46004
program interested in becoming certified makes an application to 46005
become certified pursuant to section 3793.06 of the Revised Code, 46006
the program is eligible to receive surplus funds as long as the 46007
application is pending with the department. The department of 46008
alcohol and drug addiction services must offer technical 46009
assistance to the applicant. If the interested program withdraws 46010
the certification application, the department must notify the 46011
court, and the court shall not provide the interested program with 46012
any further surplus funds. 46013

(7)(a) Each alcohol and drug addiction services board and 46014

Code shall submit to the department of alcohol and drug addiction 46017

total payment that was made from the fund, including the number of 46022
indigent consumers that received treatment services and the number 46023
of indigent consumers that received an alcohol monitoring device. 46024
The report shall identify the treatment program and expenditure 46025
for an alcohol monitoring device for which that payment was made. 46026
The report shall include the fiscal year balance of each indigent 46027
drivers alcohol treatment fund located in that board's area. In 46028
the event that a surplus is declared in the fund pursuant to 46029
division (H)(4) of this section, the report also shall provide the 46030
total payment that was made from the surplus moneys and identify 46031

the treatment program and expenditure for an alcohol monitoring 46032
device for which that payment was made. The department may require 46033
additional information necessary to complete the comprehensive 46034
statewide alcohol and drug addiction services plan as required by 46035
section 3793.04 of the Revised Code. 46036

(c) If a board is unable to obtain adequate information to 46037

Revised Code and that are credited by division (G)(5)(e) of that 46056
section to the indigent drivers interlock and alcohol monitoring 46057
fund in the state treasury shall be deposited in the appropriate 46058

branch of medicine; or in securing or attempting to secure any 46706
certificate to practice or certificate of registration issued by 46707
the board. 46708

As used in this division, "false, fraudulent, deceptive, or 46709
misleading statement" means a statement that includes a 46710

of a failure to disclose material facts, is intended or is likely 46712

probability will cause an ordinarily prudent person to 46715
misunderstand or be deceived. 46716

(6) A departure from, or the failure to conform to, minimal 46717

board upon a certificate to practice; 46747

medical association, the American osteopathic association, the 46756

professional organizations that the board specifies by rule. The 46758
state medical board shall obtain and keep on file current copies 46759
of the codes of ethics of the various national professional 46760
organizations. The individual whose certificate is being suspended 46761
or revoked shall not be found to have violated any provision of a 46762
code of ethics of an organization not appropriate to the 46763
individual's profession. 46764

For purposes of this division, a "provision of a code of ethics of a national professional organization" does not include any provision that would preclude the making of a report by a physician of an employee's use of a drug of abuse, or of a condition of an employee other than one involving the use of a drug of abuse, to the employer of the employee as described in division (B) of section 2305.33 of the Revised Code. Nothing in this division affects the immunity from civil liability conferred by that section upon a physician who makes either type of report in accordance with division (B) of that section. As used in this division, "employee," "employer," and "physician" have the same meanings as in section 2305.33 of the Revised Code.

(19) Inability to practice according to acceptable and prevailing standards of care by reason of mental illness or physical illness, including, but not limited to, physical deterioration that adversely affects cognitive, motor, or perceptive skills.

In enforcing this division, the board, upon a showing of a possible violation, may compel any individual authorized to practice by this chapter or who has submitted an application pursuant to this chapter to submit to a mental examination, physical examination, including an HIV test, or both a mental and a physical examination. The expense of the examination is the responsibility of the individual compelled to be examined. Failure to submit to a mental or physical examination or consent to an HIV test ordered by the board constitutes an admission of the allegations against the individual unless the failure is due to circumstances beyond the individual's control, and a default and final order may be entered without the taking of testimony or presentation of evidence. If the board finds an individual unable to practice because of the reasons set forth in this division, the board shall require the individual to submit to care, counseling,

or treatment by physicians approved or designated by the board, as 46797
a condition for initial, continued, reinstated, or renewed 46798
authority to practice. An individual affected under this division 46799
shall be afforded an opportunity to demonstrate to the board the 46800
ability to resume practice in compliance with acceptable and 46801
prevailing standards under the provisions of the individual's 46802
certificate. For the purpose of this division, any individual who 46803
applies for or receives a certificate to practice under this 46804
chapter accepts the privilege of practicing in this state and, by 46805
so doing, shall be deemed to have given consent to submit to a 46806
mental or physical examination when directed to do so in writing 46807
by the board, and to have waived all objections to the 46808
admissibility of testimony or examination reports that constitute 46809
a privileged communication. 46810

(20) Except when civil penalties are imposed under section 46811
4731.225 or 4731.281 of the Revised Code, and subject to section 46812
4731.226 of the Revised Code, violating or attempting to violate, 46813
directly or indirectly, or assisting in or abetting the violation 46814
of, or conspiring to violate, any provisions of this chapter or 46815
any rule promulgated by the board. 46816

This division does not apply to a violation or attempted 46817
violation of, assisting in or abetting the violation of, or a 46818
conspiracy to violate, any provision of this chapter or any rule 46819
adopted by the board that would preclude the making of a report by 46820
a physician of an employee's use of a drug of abuse, or of a 46821
condition of an employee other than one involving the use of a 46822
drug of abuse, to the employer of the employee as described in 46823
division (B) of section 2305.33 of the Revised Code. Nothing in 46824
this division affects the immunity from civil liability conferred 46825
by that section upon a physician who makes either type of report 46826
in accordance with division (B) of that section. As used in this 46827
division, "employee," "employer," and "physician" have the same 46828

meanings as in section 2305.33 of the Revised Code. 46829

~~council~~ pursuant to section 3701.341 of the Revised Code; 46832

(22) Any of the following actions taken by an agency 46833
responsible for authorizing, certifying, or regulating an 46834
individual to practice a health care occupation or provide health 46835
care services in this state or another jurisdiction, for any 46836
reason other than the nonpayment of fees: the limitation, 46837
revocation, or suspension of an individual's license to practice; 46838
acceptance of an individual's license surrender; denial of a 46839
license; refusal to renew or reinstate a license; imposition of 46840
probation; or issuance of an order of censure or other reprimand; 46841

(23) The violation of section 2919.12 of the Revised Code or 46842
the performance or inducement of an abortion upon a pregnant woman 46843
with actual knowledge that the conditions specified in division 46844
(B) of section 2317.56 of the Revised Code have not been satisfied 46845
or with a heedless indifference as to whether those conditions 46846
have been satisfied, unless an affirmative defense as specified in 46847
division (H)(2) of that section would apply in a civil action 46848
authorized by division (H)(1) of that section; 46849

(24) The revocation, suspension, restriction, reduction, or 46850
termination of clinical privileges by the United States department 46851
of defense or department of veterans affairs or the termination or 46852
suspension of a certificate of registration to prescribe drugs by 46853
the drug enforcement administration of the United States 46854
department of justice; 46855

(25) Termination or suspension from participation in the 46856
medicare or medicaid programs by the department of health and 46857
human services or other responsible agency for any act or acts 46858
that also would constitute a violation of division (B)(2), (3), 46859

(6), (8), or (19) of this section; 46860

(26) Impairment of ability to practice according to 46861
acceptable and prevailing standards of care because of habitual or 46862
excessive use or abuse of drugs, alcohol, or other substances that 46863
impair ability to practice. 46864

For the purposes of this division, any individual authorized 46865
to practice by this chapter accepts the privilege of practicing in 46866
this state subject to supervision by the board. By filing an 46867
application for or holding a certificate to practice under this 46868
chapter, an individual shall be deemed to have given consent to 46869
submit to a mental or physical examination when ordered to do so 46870
by the board in writing, and to have waived all objections to the 46871
admissibility of testimony or examination reports that constitute 46872
privileged communications. 46873

If it has reason to believe that any individual authorized to 46874
practice by this chapter or any applicant for certification to 46875
practice suffers such impairment, the board may compel the 46876
individual to submit to a mental or physical examination, or both. 46877
The expense of the examination is the responsibility of the 46878
individual compelled to be examined. Any mental or physical 46879
examination required under this division shall be undertaken by a 46880
treatment provider or physician who is qualified to conduct the 46881
examination and who is chosen by the board. 46882

Failure to submit to a mental or physical examination ordered 46883
by the board constitutes an admission of the allegations against 46884
the individual unless the failure is due to circumstances beyond 46885
the individual's control, and a default and final order may be 46886
entered without the taking of testimony or presentation of 46887
evidence. If the board determines that the individual's ability to 46888
practice is impaired, the board shall suspend the individual's 46889
certificate or deny the individual's application and shall require 46890
the individual, as a condition for initial, continued, reinstated, 46891

or renewed certification to practice, to submit to treatment. 46892

Before being eligible to apply for reinstatement of a 46893
certificate suspended under this division, the impaired 46894
practitioner shall demonstrate to the board the ability to resume 46895
practice in compliance with acceptable and prevailing standards of 46896
care under the provisions of the practitioner's certificate. The 46897
demonstration shall include, but shall not be limited to, the 46898
following: 46899

(a) Certification from a treatment provider approved under 46900
section 4731.25 of the Revised Code that the individual has 46901
successfully completed any required inpatient treatment; 46902

(b) Evidence of continuing full compliance with an aftercare 46903
contract or consent agreement; 46904

(c) Two written reports indicating that the individual's 46905
ability to practice has been assessed and that the individual has 46906
been found capable of practicing according to acceptable and 46907
prevailing standards of care. The reports shall be made by 46908
individuals or providers approved by the board for making the 46909
assessments and shall describe the basis for their determination. 46910

The board may reinstate a certificate suspended under this 46911
division after that demonstration and after the individual has 46912
entered into a written consent agreement. 46913

When the impaired practitioner resumes practice, the board 46914
shall require continued monitoring of the individual. The 46915
monitoring shall include, but not be limited to, compliance with 46916
the written consent agreement entered into before reinstatement or 46917
with conditions imposed by board order after a hearing, and, upon 46918
termination of the consent agreement, submission to the board for 46919
at least two years of annual written progress reports made under 46920
penalty of perjury stating whether the individual has maintained 46921
sobriety. 46922

(27) A second or subsequent violation of section 4731.66 or 46923
4731.69 of the Revised Code; 46924

(28) Except as provided in division (N) of this section: 46925

(a) Waiving the payment of all or any part of a deductible or 46926
copayment that a patient, pursuant to a health insurance or health 46927
care policy, contract, or plan that covers the individual's 46928
services, otherwise would be required to pay if the waiver is used 46929
as an enticement to a patient or group of patients to receive 46930
health care services from that individual; 46931

(b) Advertising that the individual will waive the payment of 46932
all or any part of a deductible or copayment that a patient, 46933
pursuant to a health insurance or health care policy, contract, or 46934
plan that covers the individual's services, otherwise would be 46935
required to pay. 46936

the Revised Code; 46939

(30) Failure to provide notice to, and receive acknowledgment 46940
of the notice from, a patient when required by section 4731.143 of 46941
the Revised Code prior to providing nonemergency professional 46942

standard care arrangement with a clinical nurse specialist, 46950

responsibilities of collaboration after entering into a standard care arrangement; 46954
46955

(33) Failure to comply with the terms of a consult agreement entered into with a pharmacist pursuant to section 4729.39 of the Revised Code; 46956
46957
46958

(34) Failure to cooperate in an investigation conducted by the board under division (F) of this section, including failure to comply with a subpoena or order issued by the board or failure to answer truthfully a question presented by the board at a deposition or in written interrogatories, except that failure to cooperate with an investigation shall not constitute grounds for discipline under this section if a court of competent jurisdiction has issued an order that either quashes a subpoena or permits the individual to withhold the testimony or evidence in issue; 46959
46960
46961
46962
46963
46964

46977

(39) Failure to supervise a radiologist assistant in accordance with Chapter 4774. of the Revised Code and the board's rules for supervision of radiologist assistants; 46978

(C) Disciplinary actions taken by the board under divisions 47000
(A) and (B) of this section shall be taken pursuant to an 47001
adjudication under Chapter 119. of the Revised Code, except that 47002
in lieu of an adjudication, the board may enter into a consent 47003
agreement with an individual to resolve an allegation of a 47004
violation of this chapter or any rule adopted under it. A consent 47005
agreement, when ratified by an affirmative vote of not fewer than 47006
six members of the board, shall constitute the findings and order 47007
of the board with respect to the matter addressed in the 47008
agreement. If the board refuses to ratify a consent agreement, the 47009
admissions and findings contained in the consent agreement shall 47010
be of no force or effect. 47011

A telephone conference call may be utilized for ratification 47012
of a consent agreement that revokes or suspends an individual's 47013
certificate to practice. The telephone conference call shall be 47014

considered a special meeting under division (F) of section 121.22 47015
of the Revised Code. 47016

If the board takes disciplinary action against an individual 47017
under division (B) of this section for a second or subsequent plea 47018
of guilty to, or judicial finding of guilt of, a violation of 47019
section 2919.123 of the Revised Code, the disciplinary action 47020
shall consist of a suspension of the individual's certificate to 47021
practice for a period of at least one year or, if determined 47022
appropriate by the board, a more serious sanction involving the 47023
individual's certificate to practice. Any consent agreement 47024
entered into under this division with an individual that pertains 47025
to a second or subsequent plea of guilty to, or judicial finding 47026
of guilt of, a violation of that section shall provide for a 47027
suspension of the individual's certificate to practice for a 47028
period of at least one year or, if determined appropriate by the 47029
board, a more serious sanction involving the individual's 47030
certificate to practice. 47031

(D) For purposes of divisions (B)(10), (12), and (14) of this 47032
section, the commission of the act may be established by a finding 47033
by the board, pursuant to an adjudication under Chapter 119. of 47034
the Revised Code, that the individual committed the act. The board 47035
does not have jurisdiction under those divisions if the trial 47036
court renders a final judgment in the individual's favor and that 47037
judgment is based upon an adjudication on the merits. The board 47038
has jurisdiction under those divisions if the trial court issues 47039
an order of dismissal upon technical or procedural grounds. 47040

(E) The sealing of conviction records by any court shall have 47041
no effect upon a prior board order entered under this section or 47042
upon the board's jurisdiction to take action under this section 47043
if, based upon a plea of guilty, a judicial finding of guilt, or a 47044
judicial finding of eligibility for intervention in lieu of 47045
conviction, the board issued a notice of opportunity for a hearing 47046

prior to the court's order to seal the records. The board shall 47047
not be required to seal, destroy, redact, or otherwise modify its 47048
records to reflect the court's sealing of conviction records. 47049

(F)(1) The board shall investigate evidence that appears to 47050
show that a person has violated any provision of this chapter or 47051
any rule adopted under it. Any person may report to the board in a 47052
signed writing any information that the person may have that 47053
appears to show a violation of any provision of this chapter or 47054
any rule adopted under it. In the absence of bad faith, any person 47055
who reports information of that nature or who testifies before the 47056
board in any adjudication conducted under Chapter 119. of the 47057
Revised Code shall not be liable in damages in a civil action as a 47058
result of the report or testimony. Each complaint or allegation of 47059
a violation received by the board shall be assigned a case number 47060
and shall be recorded by the board. 47061

(2) Investigations of alleged violations of this chapter or 47062
any rule adopted under it shall be supervised by the supervising 47063
member elected by the board in accordance with section 4731.02 of 47064
the Revised Code and by the secretary as provided in section 47065
4731.39 of the Revised Code. The president may designate another 47066
member of the board to supervise the investigation in place of the 47067
supervising member. No member of the board who supervises the 47068
investigation of a case shall participate in further adjudication 47069
of the case. 47070

(3) In investigating a possible violation of this chapter or 47071
any rule adopted under this chapter, the board may administer 47072
oaths, order the taking of depositions, inspect and copy any 47073
books, accounts, papers, records, or documents, issue subpoenas, 47074
and compel the attendance of witnesses and production of books, 47075
accounts, papers, records, documents, and testimony, except that a 47076
subpoena for patient record information shall not be issued 47077
without consultation with the attorney general's office and 47078

approval of the secretary and supervising member of the board. 47079
Before issuance of a subpoena for patient record information, the 47080
secretary and supervising member shall determine whether there is 47081
probable cause to believe that the complaint filed alleges a 47082
violation of this chapter or any rule adopted under it and that 47083
the records sought are relevant to the alleged violation and 47084
material to the investigation. The subpoena may apply only to 47085
records that cover a reasonable period of time surrounding the 47086
alleged violation. 47087

On failure to comply with any subpoena issued by the board 47088
and after reasonable notice to the person being subpoenaed, the 47089
board may move for an order compelling the production of persons 47090
or records pursuant to the Rules of Civil Procedure. 47091

A subpoena issued by the board may be served by a sheriff, 47092
the sheriff's deputy, or a board employee designated by the board. 47093
Service of a subpoena issued by the board may be made by 47094
delivering a copy of the subpoena to the person named therein, 47095
reading it to the person, or leaving it at the person's usual 47096
place of residence. When the person being served is a person whose 47097
practice is authorized by this chapter, service of the subpoena 47098
may be made by certified mail, restricted delivery, return receipt 47099
requested, and the subpoena shall be deemed served on the date 47100
delivery is made or the date the person refuses to accept 47101
delivery. 47102

A sheriff's deputy who serves a subpoena shall receive the 47103
same fees as a sheriff. Each witness who appears before the board 47104
in obedience to a subpoena shall receive the fees and mileage 47105
provided for under section 119.094 of the Revised Code. 47106

(4) All hearings and investigations of the board shall be 47107
considered civil actions for the purposes of section 2305.252 of 47108
the Revised Code. 47109

(5) Information received by the board pursuant to an 47110
investigation is confidential and not subject to discovery in any 47111
civil action. 47112

The board shall conduct all investigations and proceedings in 47113
a manner that protects the confidentiality of patients and persons 47114
who file complaints with the board. The board shall not make 47115
public the names or any other identifying information about 47116
patients or complainants unless proper consent is given or, in the 47117
case of a patient, a waiver of the patient privilege exists under 47118
division (B) of section 2317.02 of the Revised Code, except that 47119
consent or a waiver of that nature is not required if the board 47120
possesses reliable and substantial evidence that no bona fide 47121
physician-patient relationship exists. 47122

The board may share any information it receives pursuant to 47123
an investigation, including patient records and patient record 47124
information, with law enforcement agencies, other licensing 47125
boards, and other governmental agencies that are prosecuting, 47126
adjudicating, or investigating alleged violations of statutes or 47127
administrative rules. An agency or board that receives the 47128
information shall comply with the same requirements regarding 47129
confidentiality as those with which the state medical board must 47130
comply, notwithstanding any conflicting provision of the Revised 47131
Code or procedure of the agency or board that applies when it is 47132
dealing with other information in its possession. In a judicial 47133
proceeding, the information may be admitted into evidence only in 47134
accordance with the Rules of Evidence, but the court shall require 47135
that appropriate measures are taken to ensure that confidentiality 47136
is maintained with respect to any part of the information that 47137
contains names or other identifying information about patients or 47138
complainants whose confidentiality was protected by the state 47139
medical board when the information was in the board's possession. 47140
Measures to ensure confidentiality that may be taken by the court 47141

include sealing its records or deleting specific information from 47142
its records. 47143

(6) On a quarterly basis, the board shall prepare a report 47144
that documents the disposition of all cases during the preceding 47145
three months. The report shall contain the following information 47146
for each case with which the board has completed its activities: 47147

(a) The case number assigned to the complaint or alleged 47148
violation; 47149

(b) The type of certificate to practice, if any, held by the 47150
individual against whom the complaint is directed; 47151

(c) A description of the allegations contained in the 47152
complaint; 47153

(d) The disposition of the case. 47154

The report shall state how many cases are still pending and 47155
shall be prepared in a manner that protects the identity of each 47156
person involved in each case. The report shall be a public record 47157
under section 149.43 of the Revised Code. 47158

(G) If the secretary and supervising member determine both of 47159
the following, they may recommend that the board suspend an 47160
individual's certificate to practice without a prior hearing: 47161

(1) That there is clear and convincing evidence that an 47162
individual has violated division (B) of this section; 47163

(2) That the individual's continued practice presents a 47164
danger of immediate and serious harm to the public. 47165

Written allegations shall be prepared for consideration by 47166
the board. The board, upon review of those allegations and by an 47167
affirmative vote of not fewer than six of its members, excluding 47168
the secretary and supervising member, may suspend a certificate 47169
without a prior hearing. A telephone conference call may be 47170
utilized for reviewing the allegations and taking the vote on the 47171

summary suspension. 47172

The board shall issue a written order of suspension by 47173
certified mail or in person in accordance with section 119.07 of 47174
the Revised Code. The order shall not be subject to suspension by 47175
the court during pendency of any appeal filed under section 119.12 47176
of the Revised Code. If the individual subject to the summary 47177
suspension requests an adjudicatory hearing by the board, the date 47178
set for the hearing shall be within fifteen days, but not earlier 47179
than seven days, after the individual requests the hearing, unless 47180
otherwise agreed to by both the board and the individual. 47181

Any summary suspension imposed under this division shall 47182
remain in effect, unless reversed on appeal, until a final 47183
adjudicative order issued by the board pursuant to this section 47184
and Chapter 119. of the Revised Code becomes effective. The board 47185
shall issue its final adjudicative order within seventy-five days 47186
after completion of its hearing. A failure to issue the order 47187
within seventy-five days shall result in dissolution of the 47188
summary suspension order but shall not invalidate any subsequent, 47189
final adjudicative order. 47190

(H) If the board takes action under division (B)(9), (11), or 47191
(13) of this section and the judicial finding of guilt, guilty 47192
plea, or judicial finding of eligibility for intervention in lieu 47193
of conviction is overturned on appeal, upon exhaustion of the 47194
criminal appeal, a petition for reconsideration of the order may 47195
be filed with the board along with appropriate court documents. 47196
Upon receipt of a petition of that nature and supporting court 47197
documents, the board shall reinstate the individual's certificate 47198
to practice. The board may then hold an adjudication under Chapter 47199
119. of the Revised Code to determine whether the individual 47200
committed the act in question. Notice of an opportunity for a 47201
hearing shall be given in accordance with Chapter 119. of the 47202
Revised Code. If the board finds, pursuant to an adjudication held 47203

under this division, that the individual committed the act or if 47204
no hearing is requested, the board may order any of the sanctions 47205
identified under division (B) of this section. 47206

(I) The certificate to practice issued to an individual under 47207
this chapter and the individual's practice in this state are 47208
automatically suspended as of the date of the individual's second 47209
or subsequent plea of guilty to, or judicial finding of guilt of, 47210
a violation of section 2919.123 of the Revised Code, or the date 47211
the individual pleads guilty to, is found by a judge or jury to be 47212
guilty of, or is subject to a judicial finding of eligibility for 47213
intervention in lieu of conviction in this state or treatment or 47214
intervention in lieu of conviction in another jurisdiction for any 47215
of the following criminal offenses in this state or a 47216
substantially equivalent criminal offense in another jurisdiction: 47217
aggravated murder, murder, voluntary manslaughter, felonious 47218
assault, kidnapping, rape, sexual battery, gross sexual 47219
imposition, aggravated arson, aggravated robbery, or aggravated 47220
burglary. Continued practice after suspension shall be considered 47221
practicing without a certificate. 47222

The board shall notify the individual subject to the 47223
suspension by certified mail or in person in accordance with 47224
section 119.07 of the Revised Code. If an individual whose 47225
certificate is automatically suspended under this division fails 47226
to make a timely request for an adjudication under Chapter 119. of 47227
the Revised Code, the board shall do whichever of the following is 47228
applicable: 47229

(1) If the automatic suspension under this division is for a 47230
second or subsequent plea of guilty to, or judicial finding of 47231
guilt of, a violation of section 2919.123 of the Revised Code, the 47232
board shall enter an order suspending the individual's certificate 47233
to practice for a period of at least one year or, if determined 47234
appropriate by the board, imposing a more serious sanction 47235

involving the individual's certificate to practice. 47236

(2) In all circumstances in which division (I)(1) of this 47237
section does not apply, enter a final order permanently revoking 47238
the individual's certificate to practice. 47239

(J) If the board is required by Chapter 119. of the Revised 47240
Code to give notice of an opportunity for a hearing and if the 47241
individual subject to the notice does not timely request a hearing 47242
in accordance with section 119.07 of the Revised Code, the board 47243
is not required to hold a hearing, but may adopt, by an 47244
affirmative vote of not fewer than six of its members, a final 47245
order that contains the board's findings. In that final order, the 47246
board may order any of the sanctions identified under division (A) 47247
or (B) of this section. 47248

(K) Any action taken by the board under division (B) of this 47249
section resulting in a suspension from practice shall be 47250
accompanied by a written statement of the conditions under which 47251
the individual's certificate to practice may be reinstated. The 47252
board shall adopt rules governing conditions to be imposed for 47253
reinstatement. Reinstatement of a certificate suspended pursuant 47254
to division (B) of this section requires an affirmative vote of 47255
not fewer than six members of the board. 47256

(L) When the board refuses to grant a certificate to an 47257
applicant, revokes an individual's certificate to practice, 47258
refuses to register an applicant, or refuses to reinstate an 47259
individual's certificate to practice, the board may specify that 47260
its action is permanent. An individual subject to a permanent 47261
action taken by the board is forever thereafter ineligible to hold 47262
a certificate to practice and the board shall not accept an 47263
application for reinstatement of the certificate or for issuance 47264
of a new certificate. 47265

(M) Notwithstanding any other provision of the Revised Code, 47266

all of the following apply: 47267

(1) The surrender of a certificate issued under this chapter shall not be effective unless or until accepted by the board. A telephone conference call may be utilized for acceptance of the surrender of an individual's certificate to practice. The telephone conference call shall be considered a special meeting under division (F) of section 121.22 of the Revised Code. Reinstatement of a certificate surrendered to the board requires an affirmative vote of not fewer than six members of the board. 47268
47269
47270
47271
47272
47273
47274
47275

(2) An application for a certificate made under the provisions of this chapter may not be withdrawn without approval of the board. 47276
47277
47278

(3) Failure by an individual to renew a certificate of registration in accordance with this chapter shall not remove or limit the board's jurisdiction to take any disciplinary action under this section against the individual. 47279
47280
47281
47282

(N) Sanctions shall not be imposed under division (B)(28) of this section against any person who waives deductibles and copayments as follows: 47283

Waiver of the deductibles or copayments shall be made only with the full knowledge and consent of the plan purchaser, payer, and third-party administrator. Documentation of the consent shall be made available to the board upon request. 47286
47287

individual educational program and require further monitoring of 47314
the individual who completed the program or other action that the 47315

being reported directly to the state trauma registry is a public 48322
record and shall be maintained, made available to the public, held 48323
in confidence, risk adjusted, and not subject to discovery or 48324

the department of public safety shall not make public information 48333

Revised Code. The rules shall be developed in consultation with 48342
appropriate medical, hospital, and emergency medical service 48343

of the board. Before risk adjustment standards and procedures are 48345
implemented, no member of the board and no employee or contractor 48346
of the board or the department of public safety shall make public 48347

trauma care. After risk adjustment standards and procedures are 48351
implemented, the board shall make public such information only on 48352

No provider that furnishes information to the board shall be liable for the misuse or improper release of the information by the board or any other person.

trauma care; shall not discriminate among trauma centers for 49539

reasons not related to a patient's medical needs; shall seek to 49540

division (B) of this section, and shall not otherwise approve the 49568

evidence that continued operation by the license holder presents a 50447
danger of immediate and serious harm to the public. The 50448
chairperson and executive director of the board shall make a 50449
preliminary determination and describe the evidence on which they 50450

executive director in the event that the chairperson or executive 50454
director is unavailable or unable to act. Upon review of the 50455

majority of its members, may suspend the license without a 50457
hearing. 50458

is agreed to by the license holder and the board. 50470

its final adjudicative order not less than ninety days after 50475
completion of its adjudication hearing. Failure to issue the order 50476
by that day shall cause the summary suspension order to end, but 50477
such failure shall not affect the validity of any subsequent final 50478
adjudication order. 50479

each home owner a written rental agreement for a manufactured home 51580
park lot for a term of one year or more that contains terms 51581
essentially the same as any alternative month-to-month rental 51582
agreement offered to current and prospective tenants and owners. 51583
The park operator shall offer the minimum one-year rental 51584
agreement to the owner prior to installation of the home in the 51585
manufactured home park or, if the home is in the manufactured home 51586
park, prior to the expiration of the owner's existing rental 51587

agreement. 51588

(2) The park operator shall deliver the offer to the owner by 51589
certified mail, return receipt requested, or in person. If the 51590
park operator delivers the offer to the owner in person, the owner 51591
shall complete a return showing receipt of the offer. If the owner 51592
does not accept the offer, the park operator is discharged from 51593
any obligation to make any further such offers. If the owner 51594
accepts the offer, the park operator shall, at the expiration of 51595
each successive rental agreement, offer the owner another rental 51596
agreement, for a term that is mutually agreed upon, and that 51597
contains terms essentially the same as the alternative 51598
month-to-month agreement. The park operator shall deliver 51599
subsequent rental offers by ordinary mail or personal delivery. If 51600
the park operator sells the manufactured home park to another 51601
manufactured home park operator, the purchaser is bound by the 51602

notification in person, the recipient shall complete a return 51609
showing receipt of the notification. This notification shall 51610
contain notice of the sale of the manufactured home park, and 51611
notice of the date by which the tenant or owner shall vacate. The 51612
date by which the tenant shall vacate shall be at least one 51613

tenants or owners in the manufactured home park, and no fee, 51626
charge, assessment, or rental fee shall be increased during the 51627
term of any tenant's or owner's rental agreement. Failure on the 51628
part of the park operator to fully disclose all fees, charges, or 51629
assessments shall prevent the park operator from collecting the 51630
undisclosed fees, charges, or assessments. If a tenant or owner 51631
refuses to pay any undisclosed fees, charges, or assessments, the 51632
refusal shall not be used by the park operator as a cause for 51633
eviction in any court. 51634

(C) A park operator shall promulgate rules governing the 51635
rental or occupancy of a lot in the manufactured home park. The 51636
rules shall not be unreasonable, arbitrary, or capricious. A copy 51637
of the rules and any amendments to them shall be delivered by the 51638
park operator to the tenant or owner prior to signing the rental 51639
agreement. A copy of the rules and any amendments to them shall be 51640
posted in a conspicuous place upon the manufactured home park 51641
grounds. 51642

(D) No park operator shall require an owner to purchase from 51643
the park operator any personal property. The park operator may 51644

tying down homes, manufactured or mobile home accessories, or 51646
other equipment to be purchased by an owner from a vendor of the 51647
owner's choosing, provided that the equipment is readily available 51648
to the owner. Any such equipment shall be installed in accordance 51649
with the manufactured home park rules. 51650

(E) No park operator shall charge any owner who chooses to 51651

install an electric or gas appliance in a home an additional fee 51652
solely on the basis of the installation, unless the installation 51653
is performed by the park operator at the request of the owner, nor 51654
shall the park operator restrict the installation, service, or 51655
maintenance of the appliance, restrict the ingress or egress of 51656
repairpersons to the manufactured home park for the purpose of 51657
installation, service, or maintenance of the appliance, nor 51658
restrict the making of any interior improvement in a home, if the 51659
installation or improvement is in compliance with applicable 51660
building codes and other provisions of law and if adequate utility 51661
services are available for the installation or improvement. 51662

(F) No park operator shall require a tenant to lease or an 51663
owner to purchase a manufactured or mobile home from the park 51664
operator or any specific person as a condition of or prerequisite 51665
to entering into a rental agreement. 51666

(G) No park operator shall require an owner to use the 51667
services of the park operator or any other specific person for 51668
installation of the manufactured or mobile home on the residential 51669
premises or for the performance of any service. 51670

(H) No park operator shall: 51671

(1) Deny any owner the right to sell the owner's manufactured 51672
home within the manufactured home park if the owner gives the park 51673
operator ten days' notice of the intention to sell the home; 51674

(2) Require the owner to remove the home from the 51675
manufactured home park solely on the basis of the sale of the 51676
home; 51677

(3) Unreasonably refuse to enter into a rental agreement with 51678
a purchaser of a home located within the operator's manufactured 51679
home park; 51680

(4) Charge any tenant or owner any fee, charge, or 51681
assessment, including a rental fee, that is not set forth in the 51682

rental agreement or, if the rental agreement is oral, is not set 51683
forth in a written disclosure given to the tenant or owner prior 51684
to the tenant or owner entering into a rental agreement; 51685

(5) Charge any owner any fee, charge, or assessment because 51686
of the transfer of ownership of a home or because a home is moved 51687
out of or into the manufactured home park, except a charge for the 51688
actual costs and expenses that are incurred by the park operator 51689
in moving the home out of or into the manufactured home park, or 51690
in installing the home in the manufactured home park and that have 51691
not been reimbursed by another tenant or owner. 51692

(I) If the park operator violates any provision of divisions 51693
(A) to (H) of this section, the tenant or owner may recover actual 51694
damages resulting from the violation, and, if the tenant or owner 51695
obtains a judgment, reasonable attorneys' fees, or terminate the 51696
rental agreement. 51697

(J) No rental agreement shall require a tenant or owner to 51698
sell, lease, or sublet the tenant's or owner's interest in the 51699
rental agreement or the manufactured or mobile home that is or 51700
will be located on the lot that is the subject of the rental 51701
agreement to any specific person or through any specific person as 51702
the person's agent. 51703

(K) No park operator shall enter into a rental agreement with 51704
the owner of a manufactured or mobile home for the use of 51705
residential premises, if the rental agreement requires the owner 51706
of the home, as a condition to the owner's renting, occupying, or 51707
remaining on the residential premises, to pay the park operator or 51708
any other person specified in the rental agreement a fee or any 51709
sum of money based on the sale of the home, unless the owner of 51710
the home uses the park operator or other person as the owner's 51711
agent in the sale of the home. 51712

(L) A park operator and a tenant or owner may include in a 51713

rental agreement any terms and conditions, including any term 51714
relating to rent, the duration of an agreement, and any other 51715
provisions governing the rights and obligations of the parties 51716

~~titled by a dealer~~ may utilize the services of a manufactured home 51721
housing dealer or broker licensed under Chapter 4517. of the 51722

any obligation imposed upon ~~him~~ the park operator by section 51726
~~3733.10~~ 4781.38 of the Revised Code or by the rental agreement, or 51727
the conditions of the premises are such that the resident 51728
reasonably believes that a park operator has failed to fulfill any 51729
such obligations, or a governmental agency has found that the 51730
premises are not in compliance with building, housing, health, or 51731
safety codes which apply to any condition of the residential 51732
premises that could materially affect the health and safety of an 51733
occupant, the resident may give notice in writing to the park 51734
operator specifying the acts, omissions, or code violations that 51735
constitute noncompliance with such provisions. The notice shall be 51736
sent to the person or place where rent is normally paid. 51737
51738

(B) If a park operator receives the notice described in 51739
division (A) of this section and after receipt of the notice fails 51740
to remedy the condition within a reasonable time, considering the 51741
severity of the condition and the time necessary to remedy such 51742
condition, or within thirty days, whichever is sooner, and if the 51743
resident is current in rent payments due under the rental 51744

operator until such time as the park operator does remedy the 51754

remedy the condition. In any order issued pursuant to this 51756
division, the court may require the resident to deposit rent with 51757
the clerk of court as provided in division (B)(1) of this section. 51758

power to vote, or holds with the power to vote proxies that 52296
constitute, twenty per cent or more of the total voting power of 52297

commission shall approve the application and make such order as it 52324

considers proper. If the commission fails to issue an order within 52325

engage in any acts or practices that would violate division (B) or 52338
(C) of this section or any provision of a rule adopted under this 52339
section, the attorney general, when directed to do so by the 52340
commission, or the person claiming to be adversely affected may 52341
bring an action in any court of common pleas that has jurisdiction 52342
and venue to enjoin such acts or practices and enforce compliance. 52343

Sec. 4907.19. Sec. 4907.35. If a railroad, or an agent or officer of a railroad, by special rate, rebate, drawback, or by means of false billing, false classification, false weighing, or other device, charges, demands, collects, or receives, either directly or indirectly, from any person, firm, or corporation, a greater or less compensation for service rendered or to be rendered by such railroad for the transportation of persons or property or any

service in connection therewith, than that prescribed in the 52686
published tariffs then in force, or established as provided in 52687
Chapters 4901., 4903., 4905., 4907., and 4909., ~~4921., 4923., and~~ 52688
~~4925.~~ of the Revised Code, or a greater or less compensation than 52689
it charges, demands, collects, or receives from any other person, 52690
firm, or corporation for a like and contemporaneous service in the 52691
transportation of a like kind of traffic, under substantially 52692
similar circumstances and conditions, the railroad is guilty of 52693
unjust discrimination, which is hereby prohibited. Upon conviction 52694
of unjust discrimination, such railroad shall forfeit and pay into 52695
the state treasury not less than one hundred nor more than five 52696
thousand dollars for each offense. 52697

No agent or officer of a railroad shall violate this section. 52698

Sec. 4907.37. No common carrier subject to Chapters 4901., 52699
4903., 4905., 4907., and 4909., ~~4921., 4923., and 4925.~~ of the 52700

or advantage to a particular person, company, firm, corporation, 52702
or locality, or to any particular description of traffic, or 52703
subject any particular person, company, firm, corporation, or 52704
locality, or any particular description of traffic, to any undue 52705
or unreasonable prejudice or disadvantage in any respect. 52706

Sec. 4907.43. When the tracks of a railroad and the tracks of 52707
an interurban or suburban railway cross, connect, or intersect, 52708
and such tracks are of the same gauge, the companies owning such 52709
railroads may connect such tracks so as to admit the passage of 52710
cars from one to the other with facility. 52711

If any such railroads fail to make such connection, upon 52712
complaint of any party authorized by Chapters 4901., 4903., 4905., 52713
4907., and 4909., ~~4921., 4923., and 4925.~~ of the Revised Code to 52714
file complaint, the public utilities commission shall proceed to 52715

hear and determine the same in a manner provided for making 52716
investigations upon complaint. 52717

If upon such hearing the commission finds that it is 52718
practicable and reasonably necessary to ~~accomodate~~ accommodate the 52719
public, to connect such tracks and that when so connected it will 52720
be practicable to transport cars over such railroad without 52721
endangering the equipment, tracks, or appliances of either 52722
company, the commission shall make an order requiring such 52723
railroads to make connection. Such order shall describe the terms 52724
and conditions and shall apportion the cost of making such 52725
connection between the railroads. 52726

When such connection is made, the railroads parties to it, 52727
according to their respective powers, shall afford all reasonable 52728
and proper facilities for the interchange of traffic between their 52729
respective lines for forwarding and delivering passengers and 52730
property, and without unreasonable delay or discrimination shall 52731
transfer, switch, and deliver freight or passenger cars destine to 52732
a point on its own or connecting lines. Precedence may be given to 52733
livestock and perishable freight over other freight. Whenever a 52734
derailing device is required at the intersection of any railroads 52735
mentioned in this section, it shall be installed, maintained, and 52736
operated as required by the commission, which may prescribe the 52737
necessary rules and regulations for such operation, and designate 52738
the companies that shall be responsible for the operation of such 52739
derailing device. 52740

Sec. 4907.49. When two or more railroads cross a public 52741
highway or street at a dangerous crossing, the expenses incurred 52742
in the erection and maintenance of gates, bells, or other devices, 52743
and of necessary gatekeepers or ~~flagmen~~ flaggers, and apportioned 52744
by the public utilities commission as railroad expense, shall be 52745
shared equally by the railroads. 52746

Chapters 4901., 4903., 4905., 4907., and 4909., ~~4921., and~~ 52747
~~4923.~~ of the Revised Code do not prevent the use of automatic 52748
bells or other mechanical devices by a railroad at a public 52749
crossing not declared dangerous by the public utilities 52750
commission, nor do they prevent state, county, township, or 52751
municipal officials from entering into an agreement with a 52752
railroad to pay all or part of the expense of erecting a warning 52753
device. Any funds levied and made available for highways or street 52754
purposes may be used to pay the public share of the cost under 52755
such an agreement. If a gate is erected or a ~~flagman~~ flagger is 52756
stationed and maintained by a railroad, either alone or pursuant 52757
to such an agreement, the gate or ~~flagman~~ flagger shall not be 52758
abandoned nor an automatic bell or other mechanical device 52759
substituted for the gate or ~~flagman~~ flagger, unless the commission 52760
consents to the abandonment or substitution. 52761

Sec. 4907.57. All claims, charges, or demands against a 52762
railroad for loss of or damage to property occurring while in the 52763
custody of such railroad and unreasonable delay in transportation 52764
and delivery, for overcharges upon a shipment, or for any other 52765
service in violation of Chapters 4901., 4903., 4905., 4907., and 52766
4909., ~~4921., 4923., and 4925.~~ of the Revised Code, if not paid 52767
within sixty days from the date of the filing thereof with such 52768
railroad, may be submitted to the public utilities commission by a 52769
formal complaint. Such complaint shall be made upon blank forms 52770
which the commission shall provide upon demand of the claimant. 52771

Such complaint shall be verified as petitions in civil 52772
actions and may be accompanied by the sworn statements of any 52773
witnesses who have knowledge of any fact material to the inquiry. 52774
Upon the filing of such complaint the commission shall forthwith 52775
cite the railroad to answer the complaint, and the citation shall 52776
be accompanied with a brief statement of the claim. The answer of 52777
the railroad shall be filed within three weeks from the service of 52778

the citation and shall be verified as answers in civil cases, and 52779
may be accompanied with the affidavits of any witnesses having 52780
knowledge of facts material to the inquiry. 52781

The burden of proof shall be upon the railroad to show that 52782
loss or damage to property was not due to its negligence. The 52783
railroad to which property is delivered for shipment shall prima 52784
facie be liable for loss or damage occurring to such property in 52785
transit notwithstanding such property may be delivered to other 52786
railroads before reaching its destination. The claim referred to 52787
in this section for loss of or damage to property may be made to 52788
any carrier over whose lines the lost or damaged property was 52789
consigned, and such claimant may at ~~his~~ the claimant's option join 52790
all of such railroads as parties defendant in ~~his~~ the complaint 52791
before said commission. The railroad shall furnish the claimant 52792
with a copy of its answer and affidavits, and within two weeks 52793
from the filing of such answers the claimant may file ~~his~~ a reply, 52794
with affidavits in support thereof, verified as replies in civil 52795
cases. At the expiration of said period of two weeks the 52796
commission shall proceed summarily to examine the complaint, 52797
answer, reply, and affidavits, and shall determine the existence 52798
and validity of the claim presented. If the commission finds in 52799
favor of the claimant it shall certify its findings to the clerk 52800
of the court of common pleas of the county in which the claimant 52801
resides or where the railroad or any of its offices is maintained. 52802

Sec. 4907.59. Upon request of the public utilities 52803
commission, the attorney general or the prosecuting attorney of 52804
the proper county shall aid in an investigation, prosecution, 52805
hearing, or trial had under Chapters 4901., 4903., 4905., 4907., 52806
and 4909., ~~4921., 4923., and 4925.~~ of the Revised Code, and shall 52807
institute and prosecute necessary actions or proceedings for the 52808
enforcement of such chapters and of other laws of this state 52809
relating to railroads, and for the punishment of all violations of 52810

such chapters and such other laws. 52811

Sec. 4907.60. If a railroad fails to perform a duty enjoined 52812
upon it by Chapter 4901., 4903., 4905., 4907., 4909., ~~4921.7~~ 52813
~~4923.7~~ or 4959. of the Revised Code, or does any act prohibited by 52814
any of those chapters, for which failure or act no penalty or 52815
forfeiture has been provided by law, or fails to obey a lawful 52816
requirement or order made by the public utilities commission or 52817
order of any court upon application of the commission, the 52818
railroad, except as otherwise specifically provided in ~~sections~~ 52819
~~4905.83,~~ section 4905.95, ~~4919.99,~~ ~~4921.99,~~ and ~~4923.99~~ of the 52820
Revised Code, shall forfeit into the state treasury not less than 52821
one hundred nor more than ten thousand dollars for each violation 52822
or failure. In construing and enforcing this section, the act, 52823
omission, or failure of any officer, agent, or other person acting 52824
for or employed by a railroad, while acting within the scope of 52825
the officer's, agent's, or other person's employment, is the act, 52826
omission, or failure of the railroad. 52827

Sec. 4907.61. Except as otherwise specifically provided in 52828
sections ~~4905.83,~~ 4905.96, ~~4919.99,~~ ~~4921.99,~~ and 4923.99 of the 52829
Revised Code, when the attorney general prosecutes an action for 52830
the recovery of a forfeiture provided for in Chapter 4901., 4903., 52831
4905., 4907., 4909., 4921., 4923., or 4959. of the Revised Code, 52832
the attorney general may bring the action in the court of common 52833
pleas of Franklin county or of any county having jurisdiction of 52834
the defendant. 52835

Sec. 4907.62. If a railroad does, causes, or permits anything 52836
prohibited by Chapters 4901., 4903., 4905., 4907., and 4909.7 52837
~~4921., 4923., and 4925.~~ of the Revised Code to be done, or omits 52838
doing anything required to be done by such chapters, such railroad 52839
is liable to the person, firm, or corporation injured thereby in 52840

treble the amount of damages sustained in consequence of such 52841
violation or omission. A recovery provided by this section shall 52842
not affect a recovery by the state of the penalty prescribed for 52843
such violation. 52844

Sec. 4909.01. As used in this chapter: 52845

(A) "Public utility" has the same meaning as in section 52846
4905.02 of the Revised Code. 52847

(B) "Electric light company," "gas company," "natural gas 52848
company," "pipeline company," "water-works company," "sewage 52849
disposal system company," and "street railway company" have the 52850
same meanings as in section 4905.03 of the Revised Code. 52851

(C) "Railroad" has the same meaning as in section 4907.02 of 52852
the Revised Code. 52853

(D) "~~Motor transportation company~~ For-hire motor carrier" has 52854
the same meaning as in ~~sections 4905.03 and 4921.02~~ section 52855
4921.01 of the Revised Code. 52856

Sec. 4909.02. All regulations, practices, and service of 52857
railroad companies prescribed by the public utilities commission 52858
shall be in force and be prima-facie reasonable, unless suspended 52859
or found otherwise in an action brought for that purpose pursuant 52860
to Chapters 4901., 4903., 4905., 4907., and 4909., ~~4921., and~~ 52861
~~4923.~~ of the Revised Code, or until changed or modified by the 52862
commission. 52863

Sec. 4909.03. All rates, fares, charges, classifications, and 52864
joint rates of railroad companies fixed by the public utilities 52865
commission shall be in force and be prima-facie lawful for two 52866
years from the day they take effect, or until changed or modified 52867
by the commission or by an order of a competent court in an action 52868
under Chapters 4901., 4903., 4905., 4907., and 4909., ~~4921., and~~ 52869

~~4923.~~ of the Revised Code. 52870

Sec. 4909.17. No rate, joint rate, toll, classification, 52871

reasonable, except as provided in this section and sections 52877
4909.18, 4909.19, and 4909.191 of the Revised Code. Such sections 52878
do not apply to any rate, joint rate, toll, classification, 52879
charge, or rental, or any regulation or practice affecting the 52880
same, of railroads, street and electric railways, for-hire motor 52881

transportation of such passengers or property, such rates and all 52886
charges in connection therewith shall be just and reasonable. 52887
Every unjust and unreasonable charge is prohibited. A less charge 52888
by each of such railroads for its proportion of such joint rates 52889
than is made locally between the same points on their respective 52890
lines is not for that reason a violation of Chapters 4901., 4903., 52891
4905., 4907., and 4909., ~~4921., 4923., and 4925.~~ of the Revised 52892

society, or of a body politic or municipal organization, that any 52897
of the rates, fares, charges, or classifications, or any joint 52898

or that any regulation or practice, affecting the transportation 52900
of persons or property, or any service in connection therewith, 52901
are in any respect unreasonable or unjustly discriminatory, or 52902
that any service is inadequate, the public utilities commission 52903
may notify the railroad complained of that complaint has been 52904
made, and ten days after such notice proceed to investigate such 52905
charges as provided in Chapters 4901., 4903., 4905., 4907., and 52906

complainants ten days' notice of the time and place such matters 52909
will be considered and determined, and such parties are entitled 52910
to be heard and to have process to enforce the attendance of 52911
witnesses. 52912

A railroad may make complaint with like effect as though made 52913
by any person, firm, corporation, or association, ~~mercantile~~ 52914
mercantile, agricultural, or manufacturing society, body politic, 52915
or municipal organization. 52916

Sec. 4909.28. If, upon an investigation under Chapters 4901., 52917
4903., 4905., 4907., and 4909., ~~4921., 4923., and 4925.~~ of the 52918
Revised Code, the public utilities commission finds that any 52919
existing rate, fare, charge, or classification, any joint rate, or 52920

or property, or service in connection therewith, is unreasonable 52922

shall determine and by order fix a reasonable rate, fare, charge, 52924
classification, joint rate, regulation, practice, or service to be 52925
imposed, observed, and followed in the future, in place of that so 52926
found to be unreasonable, unjustly discriminatory, or inadequate. 52927
A certified copy of each such order shall be delivered to an 52928
officer or station agent of the railroad affected, and such order 52929
shall of its own force take effect and become operative thirty 52930
days after service. 52931

All railroads to which such order applies shall make such 52932
changes in their schedules on file as are necessary to conform to 52933
such order, and no change shall thereafter be made by any railroad 52934
in any such rate, fare, or charge, or in any joint rate, without 52935
the approval of the commission. 52936

a uniform permit from another state that has a reciprocity 53279
agreement with the commission pursuant to division (C) of this 53280

(3) For each other motor vehicle transporting property, 53363
twenty dollars. 53364

(B) Every for-hire motor carrier operating in this state solely in intrastate commerce shall, annually between the first day of May and the thirtieth day of June, pay to the commission, for and on behalf of the treasurer of state, the following taxes: 53365
53366
53367
53368

(1) For each motor vehicle used for transporting persons, 53369
thirty dollars; 53370

(2) For each commercial tractor, as defined in section 4501.01 of the Revised Code, used for transporting property, 53371
thirty dollars; 53372
53373

(3) For each other motor vehicle transporting property, 53374
twenty dollars. 53375

(C) After a for-hire motor carrier has paid the applicable taxes under division (B) of this section and all requirements under division (C) of section 4921.13 of the Revised Code have been met, the commission shall issue the carrier a tax receipt. The carrier shall carry a copy of the tax receipt in each motor vehicle operated by the carrier. The carrier shall maintain the original copy of the tax receipt at the carrier's primary place of business. 53376
53377
53378
53379
53380
53381
53382
53383

(D) A trailer used by a for-hire motor carrier shall not be taxed under this section. 53384
53385

(E) The annual tax levied by division (B) of this section does not apply in those cases where the commission finds that the movement of agricultural commodities or foodstuffs produced 53386
53387
53388

therefrom requires a temporary and seasonal use of vehicular 53389
equipment for a period of not more than ninety days. In such 53390
event, the tax on the vehicular equipment shall be twenty-five per 53391
cent of the annual tax levied by division (B) of this section. If 53392
any vehicular equipment is used in excess of the ninety-day 53393
period, the annual tax levied by this section shall be paid. 53394

(F) All taxes levied by division (B) of this section shall be 53395
reckoned as from the beginning of the quarter in which the tax 53396
receipt is issued or as from when the use of equipment under any 53397
existing tax receipt began. 53398

(G) The fees for unified carrier registration pursuant to 53399
section 4921.11 of the Revised Code shall be identical to those 53400
established by the unified carrier registration act board as 53401
approved by the federal motor carrier safety administration for 53402
each year. 53403

(H)(1) The fees for uniform registration and a uniform permit 53404
as a carrier of hazardous materials pursuant to section 4921.15 of 53405
the Revised Code shall consist of the following: 53406

(a) A processing fee of fifty dollars; 53407

(b) An apportioned per-truck registration fee, which shall be 53408
calculated by multiplying the percentage of a registrant's 53409
activity in this state times the percentage of the registrant's 53410
business that is hazardous-materials-related, times the number of 53411
vehicles owned or operated by the registrant, times a per-truck 53412
fee determined by order of the commission following public notice 53413
and an opportunity for comment. 53414

(i) The percentage of a registrant's activity in this state 53415
shall be calculated by dividing the number of miles that the 53416
registrant travels in this state under the international 53417
registration plan, pursuant to section 4503.61 of the Revised 53418
Code, by the number of miles that the registrant travels 53419

nationwide under the international registration plan. Registrants 53420
that operate solely within this state shall use one hundred per 53421
cent as their percentage of activity. Registrants that do not 53422
register their vehicles through the international registration 53423
plan shall calculate activity in the state in the same manner as 53424
that required by the international registration plan. 53425

(ii) The percentage of a registrant's business that is 53426
hazardous-materials-related shall be calculated, for 53427
less-than-truckload shipments, by dividing the weight of all the 53428
registrant's hazardous materials shipments by the total weight of 53429
all shipments in the previous year. The percentage of a 53430
registrant's business that is hazardous-materials-related shall be 53431
calculated, for truckload shipments, by dividing the number of 53432
shipments for which placarding, marking of the vehicle, or 53433
manifesting, as appropriate, was required by regulations adopted 53434
under sections 4 to 6 of the "Hazardous Materials Transportation 53435
Uniform Safety Act of 1990," 104 Stat. 3244, 49 U.S.C. App. 1804, 53436
by the total number of the registrant's shipments that transported 53437
any kind of goods in the previous year. A registrant that 53438
transports both less-than-truckload and truckload shipments of 53439
hazardous materials shall calculate the percentage of business 53440
that is hazardous-materials-related on a proportional basis. 53441

(iii) A registrant may utilize fiscal year, or calendar year, 53442
or other current company accounting data, or other publicly 53443
available information, in calculating the percentages required by 53444
divisions (H)(1)(b)(i) and (ii) of this section. 53445

(2) The commission, after notice and opportunity for a 53446
hearing, may assess each carrier a fee for any background 53447
investigation required for the issuance, for the purpose of 53448
section 3734.15 of the Revised Code, of a uniform permit as a 53449
carrier of hazardous wastes and fees related to investigations and 53450
proceedings for the denial, suspension, or revocation of a uniform 53451

permit as a carrier of hazardous materials. The fees shall not 53452
exceed the reasonable costs of the investigations and proceedings. 53453
The fee for a background investigation for a uniform permit as a 53454
carrier of hazardous wastes shall be six hundred dollars plus the 53455
costs of obtaining any necessary information not included in the 53456
permit application, to be calculated at the rate of thirty dollars 53457
per hour, not exceeding six hundred dollars, plus any fees payable 53458
to obtain necessary information. 53459

(I) The application fee for a certificate for the 53460
transportation of household goods issued pursuant to sections 53461
4921.30 to 4921.38 of the Revised Code shall be based on the 53462
certificate holder's gross revenue, in the prior year, for the 53463
intrastate transportation of household goods. The commission shall 53464
establish, by order, ranges of gross revenue and the fee for each 53465
range. The fees shall be set in amounts sufficient to carry out 53466
the purposes of sections 4921.30 to 4921.38 and 4923.99 of the 53467
Revised Code and, to the extent necessary, the commission shall 53468
make changes to the fee structure to ensure that neither over nor 53469
under collection of the fees occurs. The fees shall also take into 53470
consideration the revenue generated from the assessment of 53471
forfeitures under section 4923.99 of the Revised Code regarding 53472
the consumer protection provisions applicable to for-hire motor 53473
carriers engaged in the transportation of household goods. 53474

(J) The fees and taxes provided under this section shall be 53475
in addition to taxes, fees, and charges fixed and exacted by other 53476
sections of the Revised Code, except the assessments required by 53477
section 4905.10 of the Revised Code, but all fees, license fees, 53478
annual payments, license taxes, or taxes or other money exactions, 53479
except the general property tax, assessed, charged, fixed, or 53480
exacted by local authorities such as municipal corporations, 53481
townships, counties, or other local boards, or the officers of 53482
such subdivisions are illegal and, are superseded by sections 53483

4503.04 and 4905.03 and Chapter 4921. of the Revised Code. On 53484
compliance with sections 4503.04 and 4905.03 and Chapter 4921. of 53485
the Revised Code, all local ordinances, resolutions, by laws, and 53486
rules in force shall cease to be operative as to the persons in 53487
compliance, except that such local subdivisions may make 53488
reasonable local police regulations within their respective 53489
boundaries not inconsistent with sections 4503.04 and 4905.03 and 53490
Chapter 4921. of the Revised Code. 53491

Sec. 4921.21. (A) As used in this section, "adjusted credit 53492
amount" means the aggregate amount credited to the public 53493
utilities transportation safety fund, less the sum of all of the 53494
following: 53495

(1) The fees collected by the public utilities commission, in 53496
accordance with the unified carrier registration plan under 53497
section 4921.11 of the Revised Code, that exceed the federal 53498
certification of revenue for each year of the plan; 53499

(2) The fees collected by the commission on behalf of other 53500
states under division (C) of section 4921.15 of the Revised Code; 53501

(3) The forfeitures collected by the commission under section 53502
4923.99 of the Revised Code for violations of rules adopted under 53503
division (A)(2) of section 4923.04 of the Revised Code. 53504

(B)(1) There is hereby created in the state treasury the 53505
public utilities transportation safety fund. The fees collected in 53506
accordance with the unified carrier registration plan under 53507
section 4921.11 of the Revised Code, the fees collected under 53508
section 4921.15 of the Revised Code, the taxes and fees remitted 53509
under section 4921.19 of the Revised Code, the forfeitures imposed 53510
under section 4923.99 of the Revised Code, except as provided in 53511
division (B)(2) of this section, and the fines collected under 53512
section 4163.07 of the Revised Code shall be deposited into the 53513
state treasury to the credit of the public utilities 53514

transportation safety fund, until the adjusted credit amount in a 53515
fiscal year is equal to the total amount appropriated from the 53516
fund for the fiscal year. Once this point of parity is reached, 53517
any additional fees, taxes, forfeitures, or fines received during 53518
the fiscal year shall be credited to the general revenue fund, 53519
except as provided in division (B)(2) of this section, and except 53520
for both of the following: 53521

(a) The fees collected in accordance with the unified carrier 53522
registration plan under section 4921.11 of the Revised Code, that 53523
exceed the federal certification of revenue for each year of the 53524
plan; 53525

(b) The fees collected on behalf of other states under 53526
division (C) of section 4921.15 of the Revised Code. 53527

(2) The first eight hundred thousand dollars of forfeitures 53528
collected under section 4923.99 of the Revised Code, for 53529
violations of rules adopted under division (A)(2) of section 53530
4923.04 of the Revised Code, during each fiscal year shall be 53531
credited to the public utilities transportation safety fund. Any 53532
forfeitures in excess of that amount shall be deposited into the 53533
general revenue fund. In each fiscal year, the commission shall 53534
distribute moneys from these forfeitures credited to the public 53535
utilities transportation safety fund for the purposes of emergency 53536
response planning and the training of safety, enforcement, and 53537
emergency services personnel in proper techniques for the 53538
management of hazardous materials releases that occur during 53539
transportation or otherwise. For these purposes, fifty per cent of 53540
all such moneys credited to the public utilities transportation 53541
safety fund shall be distributed to Cleveland state university, 53542
forty-five per cent shall be distributed to other educational 53543
institutions, state agencies, regional planning commissions, and 53544
political subdivisions, and five per cent shall be retained by the 53545
commission for the administration of this section and for training 53546

employees. However, if, in any such period, moneys from these 53547
forfeitures credited to the public utilities transportation safety 53548
fund equal an amount less than four hundred thousand dollars, the 53549
commission shall distribute, to the extent of the aggregate amount 53550
of those moneys, two hundred thousand dollars to Cleveland state 53551
university and the remainder to other educational institutions, 53552
state agencies, regional planning commissions, and political 53553
subdivisions. 53554

(C) The purpose of the public utilities transportation safety 53555
fund shall be for defraying all expenses incident to maintaining 53556
the nonrailroad transportation activities of the commission. 53557

(D) There is hereby created in the state treasury the federal 53558
commercial vehicle transportation systems fund. The fund shall 53559
consist of money received from the United States department of 53560
transportation's commercial vehicle intelligent transportation 53561
systems infrastructure deployment program. The public utilities 53562
commission shall use the fund to deploy the Ohio commercial 53563
vehicle information systems networks project and to improve safety 53564
of motor carrier operations through electronic exchange of data. 53565

(E) There is hereby created in the state treasury the motor 53566
carrier safety fund. The fund shall consist of money received from 53567
the United States department of transportation for motor carrier 53568
safety. The commission shall use the fund to administer the 53569
state's motor carrier safety assistance program and associated 53570
grants, including the motor carrier safety assistance program 53571
basic grant, the incentive grant, the high priority grants, the 53572
new entrant safety assurance grant, the safety data improvement 53573
grant, or their equivalents. 53574

(F) If the director of budget and management determines there 53575
is not sufficient money in the public utilities transportation 53576
safety fund, the director shall transfer money from the general 53577
revenue fund to the public utilities transportation safety fund in 53578

an amount up to the difference between the balance of the public utilities transportation safety fund and the appropriations from that fund. If the director subsequently determines during the fiscal year that the balance of the public utilities transportation safety fund exceeds the amount needed to support the appropriations from the fund, the director shall transfer the excess money, up to the amount of the original transfer, to the general revenue fund. 53579

of the Revised Code is liable to the state for a forfeiture of not 53870
more than twenty-five thousand dollars for each day of each 53871
violation. The public utilities commission, after providing 53872
reasonable notice and the opportunity for a hearing in accordance 53873
with the procedural rules adopted under section 4901.13 of the 53874
Revised Code, shall assess, by order, a forfeiture upon a person 53875

whom the commission determines, by a preponderance of the 53876
evidence, committed the violation. In determining the amount of 53877
the forfeiture for a violation discovered during a driver or 53878

extent practicable, not act in a manner incompatible with the 53888
civil-penalty guidelines of the United States department of 53889
transportation. 53890

commission, shall bring an action for injunctive relief in the 53898
court of common pleas of Franklin county against any person who 53899
has violated or is violating any order issued by the commission to 53900
secure compliance with any provision of Chapter 4921. or 4923. of 53901
the Revised Code. The court of common pleas of Franklin county has 53902
jurisdiction to and may grant preliminary and permanent injunctive 53903
relief upon a showing that the person against whom the action is 53904
brought has violated or is violating any such order. The court 53905
shall give precedence to such an action over all other cases. 53906

(B) The amount of any forfeiture may be compromised at any 53907

time prior to collection of the forfeiture. The commission shall 53908
adopt rules governing the manner in which the amount of a 53909
forfeiture may be established by agreement prior to the hearing on 53910
the forfeiture before the commission. 53911

(C) The proceedings of the commission specified in division 53912
(A) of this section are subject to and governed by Chapter 4903. 53913

exclusive, original jurisdiction to review, modify, or vacate an 53916
order of the commission issued to secure compliance with any 53917
provision of Chapter 4921. or 4923. of the Revised Code. The court 53918
of appeals shall hear and determine those appeals in the same 53919
manner, and under the same standards, as the supreme court hears 53920
and determines appeals under Chapter 4903. of the Revised Code. 53921
The judgment of the court of appeals is final and conclusive 53922
unless reversed, vacated, or modified on appeal. Such appeals may 53923
be taken either by the commission or the person to whom the 53924
compliance order or forfeiture assessment was issued and shall 53925
proceed as in the case of appeals in civil actions as provided in 53926
the rules of appellate procedure and Chapter 2505. of the Revised 53927
Code. 53928

(D) Section 4903.11 of the Revised Code does not apply to an 53929
appeal of an order issued to secure compliance with Chapter 4921. 53930
or 4923. of the Revised Code or an order issued under division 53931
(A)(1) of this section assessing a forfeiture. Any person to whom 53932
any such order is issued who wishes to contest a compliance order, 53933
the fact of the violation, or the amount of the forfeiture shall 53934
file a notice of appeal, setting forth the order appealed from and 53935
the errors complained of, within sixty days after the entry of the 53936
order upon the journal of the commission. The notice of appeal 53937
shall be served, unless waived, upon the chairperson of the 53938
commission or, in the event of the chairperson's absence, upon any 53939

public utilities commissioner, or by leaving a copy at the office 53940
of the commission at Columbus. An order issued by the commission 53941
to secure compliance with Chapter 4921. or 4923. of the Revised 53942
Code or an order issued under division (A)(1) of this section 53943
assessing a forfeiture shall be reversed, vacated, or modified on 53944
appeal if, upon consideration of the record, the court is of the 53945
opinion that the order was unlawful or unreasonable. 53946

(E) Only for such violations that constitute violations of 53947
the "Hazardous Materials Transportation Uniform Safety Act of 53948
1990," 104 Stat. 3244, 49 U.S.C.A. App. 1804 and 1805, or 53949
regulations adopted under the act, the commission, in determining 53950
liability, shall use the same standard of culpability for civil 53951
forfeitures under this section as that set forth for civil 53952
penalties under section 12 of the "Hazardous Materials 53953
Transportation Uniform Safety Act of 1990," 104 Stat. 3244, 49 53954

(c) The types of goods or services are commonly obtained by 57095

bed. A renovation may include betterment, improvement, 57129
restoration, or replacement of assets that are affixed to the 57130
building and have a useful life of at least five years. A 57131

life of the assets for at least ten years. 57141

For the purposes of division (BB)(2) of this section, the
cost of constructing a new bed shall be considered to be forty
thousand dollars, adjusted for the estimated rate of inflation
from January 1, 1993, to the end of the calendar year during which
the renovation is completed, using the consumer price index for
shelter costs for all urban consumers for the north central
region, as published by the United States bureau of labor
statistics.

The department of job and family services may treat a
renovation that costs more than eighty-five per cent of the cost
of constructing new beds as an extensive renovation if the
department determines that the renovation is more prudent than
construction of new beds.

(CC) "Tax costs" means the costs of taxes imposed under

the nursing facility's ancillary and support cost peer group under

section 5111.24 of the Revised Code;	57172

(6) The rate for capital costs determined for the nursing facility's capital costs peer group under section 5111.25 of the Revised Code.	57180 57181 57182
(B) The department shall adjust the rates otherwise determined under division (A) of this section as directed by the general assembly through the enactment of law governing medicaid payments to providers of nursing facilities, including any law that establishes factors by which the rates are to be adjusted.	57183 57184 57185 57186 57187
(C) In addition to paying a nursing facility provider the total rate determined for the nursing facility under division (A) of this section for a fiscal year, the department shall pay the provider a quality bonus under section 5111.245 of the Revised Code for that fiscal year if the provider's nursing facility is a qualifying nursing facility, as defined in that section, for that fiscal year. Sec. 5111.23. (A) The department of job and family services shall pay a provider for each of the provider's eligible intermediate care facilities for the mentally retarded a per resident per day rate for direct care costs established prospectively for each facility. The department shall establish each facility's rate for direct care costs quarterly.	57196 57197 57198 57199 57200 57201

(B) Each facility's rate for direct care costs shall be based 57202
on the facility's cost per case-mix unit, subject to the maximum 57203
costs per case-mix unit established under division (B)(2) of this 57204
section, from the calendar year preceding the fiscal year in which 57205
the rate is paid. To determine the rate, the department shall do 57206
all of the following: 57207

(1) Determine each facility's cost per case-mix unit for the 57208
calendar year preceding the fiscal year in which the rate will be 57209
paid by dividing the facility's desk-reviewed, actual, allowable, 57210
per diem direct care costs for that year by its average case-mix 57211
score determined under section 5111.232 of the Revised Code for 57212
the same calendar year. 57213

(2)(a) Set the maximum cost per case-mix unit for each peer 57214
group of intermediate care facilities for the mentally retarded 57215
with more than eight beds specified in rules adopted under 57216
division (F) of this section at a percentage above the cost per 57217
case-mix unit of the facility in the group that has the group's 57218
median medicaid ~~inpatient~~ day for the calendar year preceding the 57219
fiscal year in which the rate will be paid, as calculated under 57220
division (B)(1) of this section, that is no less than the 57221
percentage calculated under division (E)(2) of this section. 57222

(b) Set the maximum cost per case-mix unit for each peer 57223
group of intermediate care facilities for the mentally retarded 57224
with eight or fewer beds specified in rules adopted under division 57225
(F) of this section at a percentage above the cost per case-mix 57226
unit of the facility in the group that has the group's median 57227
medicaid ~~inpatient~~ day for the calendar year preceding the fiscal 57228
year in which the rate will be paid, as calculated under division 57229
(B)(1) of this section, that is no less than the percentage 57230
calculated under division (E)(3) of this section. 57231

(c) In calculating the maximum cost per case-mix unit under 57232
divisions (B)(2)(a) and (b) of this section for each peer group, 57233

the department shall exclude from its calculations the cost per 57234
case-mix unit of any facility in the group that participated in 57235
the medicaid program under the same operator for less than twelve 57236
months during the calendar year preceding the fiscal year in which 57237
the rate will be paid. 57238

(3) Estimate the rate of inflation for the eighteen-month 57239
period beginning on the first day of July of the calendar year 57240
preceding the fiscal year in which the rate will be paid and 57241
ending on the thirty-first day of December of the fiscal year in 57242
which the rate will be paid, using the index specified in division 57243
(C) of this section. If the estimated inflation rate for the 57244
eighteen-month period is different from the actual inflation rate 57245
for that period, as measured using the same index, the difference 57246
shall be added to or subtracted from the inflation rate estimated 57247
under division (B)(3) of this section for the following fiscal 57248
year. 57249

(4) The department shall not recalculate a maximum cost per 57250
case-mix unit under division (B)(2) of this section or a 57251
percentage under division (E) of this section based on additional 57252
information that it receives after the maximum costs per case-mix 57253
unit or percentages are set. The department shall recalculate a 57254
maximum cost per case-mix units or percentage only if it made an 57255
error in computing the maximum cost per case-mix unit or 57256
percentage based on information available at the time of the 57257
original calculation. 57258

(C) The department shall use the following index for the 57259
purpose of division (B)(3) of this section: 57260

(1) The employment cost index for total compensation, health 57261
services component, published by the United States bureau of labor 57262
statistics; 57263

(2) If the United States bureau of labor statistics ceases to 57264

publish the index specified in division (C)(1) of this section, 57265
the index that is subsequently published by the bureau and covers 57266
nursing facilities' staff costs. 57267

(D) Each facility's rate for direct care costs shall be 57268
determined as follows for each calendar quarter within a fiscal 57269
year: 57270

(1) Multiply the lesser of the following by the facility's 57271
average case-mix score determined under section 5111.232 of the 57272
Revised Code for the calendar quarter that preceded the 57273
immediately preceding calendar quarter: 57274

(a) The facility's cost per case-mix unit for the calendar 57275
year preceding the fiscal year in which the rate will be paid, as 57276
determined under division (B)(1) of this section; 57277

(b) The maximum cost per case-mix unit established for the 57278
fiscal year in which the rate will be paid for the facility's peer 57279
group under division (B)(2) of this section; 57280

(2) Adjust the product determined under division (D)(1) of 57281
this section by the inflation rate estimated under division (B)(3) 57282
of this section. 57283

(E)(1) The department shall calculate the percentage above 57284
the median cost per case-mix unit determined under division (B)(1) 57285
of this section for the facility that has the median medicaid 57286
~~inpatient~~ day for calendar year 1992 for all intermediate care 57287
facilities for the mentally retarded with more than eight beds 57288
that would result in payment of all desk-reviewed, actual, 57289
allowable direct care costs for eighty and one-half per cent of 57290
the medicaid ~~inpatient~~ days for such facilities for calendar year 57291
1992. 57292

(2) The department shall calculate the percentage above the 57293
median cost per case-mix unit determined under division (B)(1) of 57294
this section for the facility that has the median medicaid 57295

~~inpatient~~ day for calendar year 1992 for all intermediate care 57296
facilities for the mentally retarded with eight or fewer beds that 57297
would result in payment of all desk-reviewed, actual, allowable 57298
direct care costs for eighty and one-half per cent of the medicaid 57299
~~inpatient~~ days for such facilities for calendar year 1992. 57300

(F) The director of job and family services shall adopt rules 57301
under section 5111.02 of the Revised Code that specify peer groups 57302
of intermediate care facilities for the mentally retarded with 57303
more than eight beds and intermediate care facilities for the 57304
mentally retarded with eight or fewer beds, based on findings of 57305
significant per diem direct care cost differences due to geography 57306
and facility bed-size. The rules also may specify peer groups 57307
based on findings of significant per diem direct care cost 57308
differences due to other factors which may include case-mix. 57309

(G) The department, in accordance with division (D) of 57310
section 5111.232 of the Revised Code and rules adopted under 57311
division (F) of that section, may assign case-mix scores or costs 57312
per case-mix unit if a provider fails to submit assessment data 57313
necessary to calculate an intermediate care facility for the 57314
mentally retarded's case-mix score in accordance with that 57315
section. 57316

Sec. 5111.242. (A) As used in this section: 57317

~~(1)~~ ~~Applicable~~, "applicable" calendar year" means the 57318
following: 57319

(C) of this section. 57333

(C) At least once every ten years, the department shall 57334
determine the rate for tax costs for each nursing facility. The 57335
rate for tax costs determined under this division for a nursing 57336
facility shall be used for subsequent years until the department 57337
redetermines it. To determine a nursing facility's rate for tax 57338
costs and except as provided in division (D) of this section, the 57339
department shall divide the nursing facility's desk-reviewed, 57340
actual, allowable tax costs paid for the applicable calendar year 57341
by the number of inpatient days the nursing facility would have 57342
had if its occupancy rate had been one hundred per cent during the 57343
applicable calendar year. 57344

(D) If a nursing facility had a credit regarding its real 57345
estate taxes reflected on its cost report for calendar year 2003, 57346
the department shall determine its rate for tax costs for the 57347
period beginning on July 1, 2010, and ending on the first day of 57348
the fiscal year for which the department first redetermines all 57349
nursing facilities' rate for tax costs under division (C) of this 57350
section by dividing the nursing facility's desk-reviewed, actual, 57351
allowable tax costs paid for calendar year 2004 by the number of 57352
inpatient days the nursing facility would have had if its 57353
occupancy rate had been one hundred per cent during calendar year 57354
2004. 57355

Sec. 5111.246. (A) Each fiscal year, the department of job 57356

and family services shall pay a critical access incentive payment 57357

nursing facility for a fiscal year, a nursing facility must meet 57360
all of the following requirements: 57361

(3) The individual satisfies all eligibility requirements 58622

To the extent permitted by Title XVI of the "Social Security 58629
Act," and any other provision of federal law, the director of job 58630
and family services may adopt rules establishing standards for 58631
adjusting the eligibility requirements concerning the level of 58632
impairment a person must have so that the amount appropriated for 58633
the program by the general assembly is adequate for the number of 58634
eligible individuals. The rules shall not limit the eligibility of 58635
disabled persons solely on a basis classifying disabilities as 58636
physical or mental. The director of job and family services also 58637
may adopt rules that establish eligibility standards for aged, 58638

blind, or disabled individuals who reside in one of the homes or 58639
facilities specified in division ~~(C)~~(D)(1) of this section but 58640
who, because of their income, do not receive supplemental security 58641
income payments. The rules may provide that these individuals may 58642
include individuals who receive other types of benefits, 58643
including, social security disability insurance benefits provided 58644
under Title II of the "Social Security Act," 49 Stat. 620 (1935), 58645
42 U.S.C.A. 401, as amended. Notwithstanding division ~~(A)~~(B) of 58646
this section, such payments may be made if funds are available for 58647
them. 58648

The director of mental health may adopt rules establishing 58649
the method to be used to determine the amount an eligible 58650
individual will receive under the program. The amount the general 58651
assembly appropriates for the program may be a factor included in 58652
the method that director establishes. 58653

~~(E)~~(F) The county department of job and family services of 58654
the county in which an applicant for the residential state 58655
supplement program resides shall determine whether the applicant 58656
meets income and resource requirements for the program. 58657

~~(F)~~(G) The department of mental health shall maintain a 58658
waiting list of any individuals eligible for payments under this 58659
section but not receiving them because moneys appropriated to the 58660
department for the purposes of this section are insufficient to 58661
make payments to all eligible individuals. An individual may apply 58662
to be placed on the waiting list even though the individual does 58663
not reside in one of the homes or facilities specified in division 58664
~~(C)~~(D)(1) of this section at the time of application. The director 58665
of mental health, by rules adopted in accordance with Chapter 119. 58666
of the Revised Code, may specify procedures and requirements for 58667
placing an individual on the waiting list and priorities for the 58668
order in which individuals placed on the waiting list are to begin 58669
to receive residential state supplement payments. The rules 58670

specifying priorities may give priority to individuals placed on 58671
the waiting list on or after July 1, 2006, who receive 58672
supplemental security income benefits under Title XVI of the 58673
"Social Security Act," 86 Stat. 1475 (1972), 42 U.S.C. 1381, as 58674
amended. The rules shall not affect the place on the waiting list 58675
of any person who was on the list on July 1, 2006. The rules 58676
specifying priorities may also set additional priorities based on 58677
living arrangement, such as whether an individual resides in a 58678
facility listed in division ~~(C)~~(D)(1) of this section or has been 58679
admitted to a nursing facility. 58680

~~(G)~~(H) An individual in a licensed or certified living 58681
arrangement receiving state supplementation on November 15, 1990, 58682
under former section 5101.531 of the Revised Code shall not become 58683
ineligible for payments under this section solely by reason of the 58684
individual's living arrangement as long as the individual remains 58685
in the living arrangement in which the individual resided on 58686
November 15, 1990. 58687

~~(H)~~(I) The department of mental health shall notify each 58688

department's institutional and community correctional facilities 62389
commitments to that county's ~~four-year~~ average of felony 62390
adjudications, as specified in the following formula: 62391

(1) The department shall give to each county a proportional 62392
allocation of commitment credits. The proportional allocation of 62393
commitment credits shall be calculated by the following 62394
procedures: 62395

(a) The department shall determine for each county and for 62396
the state a ~~four-year~~ an average of felony adjudications. 62397
Beginning July 1, 2012, the average shall include felony 62398
adjudications for fiscal year 2007 and for each subsequent fiscal 62399
year through fiscal year 2016. Beginning July 1, 2017, the most 62400
recent felony adjudication data shall be included and the oldest 62401
fiscal year data shall be removed so that a ten-year average of 62402
felony adjudication data will be maintained. 62403

(b) The department shall determine for each county and for 62404
the state the number of charged bed days, for both the department 62405

and community correctional facilities, from the previous year. 62406

(c) The department shall divide the statewide total number of 62407
charged bed days by the statewide total number of felony 62408
adjudications, which quotient shall then be multiplied by a factor 62409
determined by the department. 62410

(d) The department shall calculate the county's allocation of 62411
credits by multiplying the number of adjudications for each court 62412
by the result determined pursuant to division (C)(1)(c) of this 62413
section. 62414

(2) The department shall subtract from the allocation 62415
determined pursuant to division (C)(1) of this section a credit 62416
for every chargeable bed day a youth stays in a department 62417
institution and two-thirds of credit for every chargeable bed day 62418
a youth stays in a community correctional facility, except for 62419
public safety beds. At the end of the year, the department shall 62420
divide the amount of remaining credits of that county's allocation 62421
by the total number of remaining credits to all counties, to 62422
determine the county's percentage, which shall then be applied to 62423
the total county allocation to determine the county's payment for 62424
the fiscal year. 62425

(3) The department shall pay counties three times during the 62426
fiscal year to allow for credit reporting and audit adjustments, 62427
and modifications to the appropriated line item for the care and 62428
custody of felony delinquents, as described in this section. The 62429
department shall pay fifty per cent of the payment by the 62430
fifteenth of July of each fiscal year, twenty-five per cent by the 62431
fifteenth of January of that fiscal year, and twenty-five per cent 62432
of the payment by the fifteenth of June of that fiscal year. 62433

~~(D) In fiscal year 2004, the payment of county juvenile 62434
programs shall be based on the following procedure: 62435~~

~~(1) The department shall divide the funding earned by each 62436~~

~~court in fiscal year 2003 by the aggregate funding of all courts, 62437
resulting in a percentage. 62438~~

~~(2) The department shall apply the percentage determined 62439
under division (D)(1) of this section to the total county juvenile 62440
program allocation for fiscal year 2004 to determine each court's 62441
total payment. 62442~~

~~(3) The department shall make payments in accordance with the 62443
schedule established in division (C)(3) of this section. 62444~~

Sec. 5139.43. (A) The department of youth services shall 62445
operate a felony delinquent care and custody program that shall be 62446
operated in accordance with the formula developed pursuant to 62447
section 5139.41 of the Revised Code, subject to the conditions 62448
specified in this section. 62449

(B)(1) Each juvenile court shall use the moneys disbursed to 62450
it by the department of youth services pursuant to division (B) of 62451
section 5139.41 of the Revised Code in accordance with the 62452
applicable provisions of division (B)(2) of this section and shall 62453
transmit the moneys to the county treasurer for deposit in 62454
accordance with this division. The county treasurer shall create 62455
in the county treasury a fund that shall be known as the felony 62456
delinquent care and custody fund and shall deposit in that fund 62457
the moneys disbursed to the juvenile court pursuant to division 62458
(B) of section 5139.41 of the Revised Code. The county treasurer 62459
also shall deposit into that fund the state subsidy funds granted 62460
to the county pursuant to section 5139.34 of the Revised Code. The 62461
moneys disbursed to the juvenile court pursuant to division (B) of 62462
section 5139.41 of the Revised Code and deposited pursuant to this 62463
division in the felony delinquent care and custody fund shall not 62464
be commingled with any other county funds except state subsidy 62465
funds granted to the county pursuant to section 5139.34 of the 62466
Revised Code; shall not be used for any capital construction 62467

projects; upon an order of the juvenile court and subject to 62468
appropriation by the board of county commissioners, shall be 62469
disbursed to the juvenile court for use in accordance with the 62470
applicable provisions of division (B)(2) of this section; shall 62471
not revert to the county general fund at the end of any fiscal 62472
year; and shall carry over in the felony delinquent care and 62473
custody fund from the end of any fiscal year to the next fiscal 62474
year. The maximum balance carry-over at the end of each respective 62475
fiscal year in the felony delinquent care and custody fund in any 62476
county from funds allocated to the county pursuant to sections 62477
5139.34 and 5139.41 of the Revised Code in the previous fiscal 62478
year shall not exceed an amount to be calculated as provided in 62479
the formula set forth in this division, unless that county has 62480
applied for and been granted an exemption by the director of youth 62481
services. Beginning June 30, 2008, the maximum balance carry-over 62482
at the end of each respective fiscal year shall be determined by 62483
the following formula: for fiscal year 2008, the maximum balance 62484
carry-over shall be one hundred per cent of the allocation for 62485
fiscal year 2007, to be applied in determining the fiscal year 62486
2009 allocation; for fiscal year 2009, it shall be fifty per cent 62487
of the allocation for fiscal year 2008, to be applied in 62488
determining the fiscal year 2010 allocation; for fiscal year 2010, 62489
it shall be twenty-five per cent of the allocation for fiscal year 62490
2009, to be applied in determining the fiscal year 2011 62491
allocation; and for each fiscal year subsequent to fiscal year 62492
2010, it shall be twenty-five per cent of the allocation for the 62493
immediately preceding fiscal year, to be applied in determining 62494
the allocation for the next immediate fiscal year. The department 62495
shall withhold from future payments to a county an amount equal to 62496
any moneys in the felony delinquent care and custody fund of the 62497
county that exceed the total maximum balance carry-over that 62498
applies for that county for the fiscal year in which the payments 62499
are being made and shall reallocate the withheld amount. The 62500

department shall adopt rules for the withholding and reallocation 62501
of moneys disbursed under sections 5139.34 and 5139.41 of the 62502
Revised Code and for the criteria and process for a county to 62503
obtain an exemption from the withholding requirement. The moneys 62504
disbursed to the juvenile court pursuant to division (B) of 62505
section 5139.41 of the Revised Code and deposited pursuant to this 62506
division in the felony delinquent care and custody fund shall be 62507
in addition to, and shall not be used to reduce, any usual annual 62508
increase in county funding that the juvenile court is eligible to 62509
receive or the current level of county funding of the juvenile 62510
court and of any programs or services for delinquent children, 62511
unruly children, or juvenile traffic offenders. 62512

(2)(a) A county and the juvenile court that serves the county 62513
shall use the moneys in its felony delinquent care and custody 62514
fund in accordance with rules that the department of youth 62515
services adopts pursuant to division (D) of section 5139.04 of the 62516
Revised Code and as follows: 62517

(i) The moneys in the fund that represent state subsidy funds 62518
granted to the county pursuant to section 5139.34 of the Revised 62519
Code shall be used to aid in the support of prevention, early 62520
intervention, diversion, treatment, and rehabilitation programs 62521
that are provided for alleged or adjudicated unruly children or 62522
delinquent children or for children who are at risk of becoming 62523
unruly children or delinquent children. The county shall not use 62524
for capital improvements more than fifteen per cent of the moneys 62525
in the fund that represent the applicable annual grant of those 62526
state subsidy funds. 62527

(ii) The moneys in the fund that were disbursed to the 62528
juvenile court pursuant to division (B) of section 5139.41 of the 62529
Revised Code and deposited pursuant to division (B)(1) of this 62530
section in the fund shall be used to provide programs and services 62531
for the training, treatment, or rehabilitation of felony 62532

delinquents that are alternatives to their commitment to the 62533
department, including, but not limited to, community residential 62534
programs, day treatment centers, services within the home, and 62535
electronic monitoring, and shall be used in connection with 62536
training, treatment, rehabilitation, early intervention, or other 62537
programs or services for any delinquent child, unruly child, or 62538
juvenile traffic offender who is under the jurisdiction of the 62539
juvenile court. 62540

The fund also may be used for prevention, early intervention, 62541
diversion, treatment, and rehabilitation programs that are 62542
provided for alleged or adjudicated unruly children, delinquent 62543
children, or juvenile traffic offenders or for children who are at 62544
risk of becoming unruly children, delinquent children, or juvenile 62545
traffic offenders. Consistent with division (B)(1) of this 62546
section, a county and the juvenile court of a county shall not use 62547
any of those moneys for capital construction projects. 62548

(iii) Moneys in the fund shall not be used to support 62549
programs or services that do not comply with federal juvenile 62550
justice and delinquency prevention core requirements or to support 62551
programs or services that research has shown to be ineffective. 62552
~~Moneys in the fund shall be prioritized to research-supported~~ 62553
Research-supported, outcome-based programs and services, to the 62554
extent they are available, shall be encouraged. 62555

(iv) The county and the juvenile court that serves the county 62556
may use moneys in the fund to provide out-of-home placement of 62557
children only in detention centers, community rehabilitation 62558
centers, or community corrections facilities approved by the 62559
department pursuant to standards adopted by the department, 62560
licensed by an authorized state agency, or accredited by the 62561
American correctional association or another national organization 62562
recognized by the department. 62563

(b) Each juvenile court shall comply with division (B)(3)(d) 62564

of this section as implemented by the department. If a juvenile court fails to comply with division (B)(3)(d) of this section, the department shall not be required to make any disbursements in accordance with division (C) ~~or (D)~~ of section 5139.41 or division (C)(2) of section 5139.34 of the Revised Code.

(3) In accordance with rules adopted by the department pursuant to division (D) of section 5139.04 of the Revised Code, each juvenile court and the county served by that juvenile court shall do all of the following that apply:

(a) The juvenile court shall prepare an annual grant agreement and application for funding that satisfies the requirements of this section and section 5139.34 of the Revised Code and that pertains to the use, upon an order of the juvenile court and subject to appropriation by the board of county commissioners, of the moneys in its felony delinquent care and custody fund for specified programs, care, and services as described in division (B)(2)(a) of this section, shall submit that agreement and application to the county family and children first council, the regional family and children first council, or the local intersystem services to children cluster as described in sections 121.37 and 121.38 of the Revised Code, whichever is applicable, and shall file that agreement and application with the department for its approval. The annual grant agreement and application for funding shall include a method of ensuring equal access for minority youth to the programs, care, and services specified in it.

The department may approve an annual grant agreement and application for funding only if the juvenile court involved has complied with the preparation, submission, and filing requirements described in division (B)(3)(a) of this section. If the juvenile court complies with those requirements and the department approves that agreement and application, the juvenile court and the county

served by the juvenile court may expend the state subsidy funds 62597
granted to the county pursuant to section 5139.34 of the Revised 62598
Code only in accordance with division (B)(2)(a) of this section, 62599
the rules pertaining to state subsidy funds that the department 62600
adopts pursuant to division (D) of section 5139.04 of the Revised 62601
Code, and the approved agreement and application. 62602

(b) By the thirty-first day of August of each year, the 62603
juvenile court shall file with the department a report that 62604
contains all of the statistical and other information for each 62605
month of the prior state fiscal year. If the juvenile court fails 62606
to file the report required by division (B)(3)(b) of this section 62607
by the thirty-first day of August of any year, the department 62608
shall not disburse any payment of state subsidy funds to which the 62609
county otherwise is entitled pursuant to section 5139.34 of the 62610
Revised Code and shall not disburse pursuant to division (B) of 62611
section 5139.41 of the Revised Code the applicable allocation 62612
until the juvenile court fully complies with division (B)(3)(b) of 62613
this section. 62614

(c) If the department requires the juvenile court to prepare 62615
monthly statistical reports and to submit the reports on forms 62616
provided by the department, the juvenile court shall file those 62617
reports with the department on the forms so provided. If the 62618
juvenile court fails to prepare and submit those monthly 62619
statistical reports within the department's timelines, the 62620
department shall not disburse any payment of state subsidy funds 62621
to which the county otherwise is entitled pursuant to section 62622
5139.34 of the Revised Code and shall not disburse pursuant to 62623
division (B) of section 5139.41 of the Revised Code the applicable 62624
allocation until the juvenile court fully complies with division 62625
(B)(3)(c) of this section. If the juvenile court fails to prepare 62626
and submit those monthly statistical reports within one hundred 62627
eighty days of the date the department establishes for their 62628

submission, the department shall not disburse any payment of state 62629
subsidy funds to which the county otherwise is entitled pursuant 62630
to section 5139.34 of the Revised Code and shall not disburse 62631
pursuant to division (B) of section 5139.41 of the Revised Code 62632
the applicable allocation, and the state subsidy funds and the 62633
remainder of the applicable allocation shall revert to the 62634
department. If a juvenile court states in a monthly statistical 62635
report that the juvenile court adjudicated within a state fiscal 62636
year five hundred or more children to be delinquent children for 62637
committing acts that would be felonies if committed by adults and 62638
if the department determines that the data in the report may be 62639
inaccurate, the juvenile court shall have an independent auditor 62640
or other qualified entity certify the accuracy of the data on a 62641
date determined by the department. 62642

(d) If the department requires the juvenile court and the 62643
county to participate in a fiscal monitoring program or another 62644
monitoring program that is conducted by the department to ensure 62645
compliance by the juvenile court and the county with division (B) 62646
of this section, the juvenile court and the county shall 62647
participate in the program and fully comply with any guidelines 62648
for the performance of audits adopted by the department pursuant 62649
to that program and all requests made by the department pursuant 62650
to that program for information necessary to reconcile fiscal 62651
accounting. If an audit that is performed pursuant to a fiscal 62652
monitoring program or another monitoring program described in this 62653
division determines that the juvenile court or the county used 62654
moneys in the county's felony delinquent care and custody fund for 62655
expenses that are not authorized under division (B) of this 62656
section, within forty-five days after the department notifies the 62657
county of the unauthorized expenditures, the county either shall 62658
repay the amount of the unauthorized expenditures from the county 62659
general revenue fund to the state's general revenue fund or shall 62660
file a written appeal with the department. If an appeal is timely 62661

filed, the director of the department shall render a decision on 62662
the appeal and shall notify the appellant county or its juvenile 62663
court of that decision within forty-five days after the date that 62664
the appeal is filed. If the director denies an appeal, the 62665
county's fiscal agent shall repay the amount of the unauthorized 62666
expenditures from the county general revenue fund to the state's 62667
general revenue fund within thirty days after receiving the 62668
director's notification of the appeal decision. 62669

(C) The determination of which county a reduction of the care 62670
and custody allocation will be charged against for a particular 62671
youth shall be made as outlined below for all youths who do not 62672
qualify as public safety beds. The determination of which county a 62673
reduction of the care and custody allocation will be charged 62674
against shall be made as follows until each youth is released: 62675

(1) In the event of a commitment, the reduction shall be 62676
charged against the committing county. 62677

(2) In the event of a recommitment, the reduction shall be 62678
charged against the original committing county until the 62679
expiration of the minimum period of institutionalization under the 62680
original order of commitment or until the date on which the youth 62681
is admitted to the department of youth services pursuant to the 62682
order of recommitment, whichever is later. Reductions of the 62683
allocation shall be charged against the county that recommitted 62684
the youth after the minimum expiration date of the original 62685
commitment. 62686

(3) In the event of a revocation of a release on parole, the 62687
reduction shall be charged against the county that revokes the 62688
youth's parole. 62689

(D) A juvenile court is not precluded by its allocation 62690
amount for the care and custody of felony delinquents from 62691
committing a felony delinquent to the department of youth services 62692

for care and custody in an institution or a community corrections 62693
facility when the juvenile court determines that the commitment is 62694
appropriate. 62695

Sec. 5139.511. Before a youth is released from a secure 62696
facility under the control of the department of youth services, 62697
the department of youth services shall attempt to verify the 62698
youth's identification and social security number. If the 62699
department is able to verify the youth's identity with a verified 62700
birth certificate and social security number, the department shall 62701
issue an identification card that the youth may present to the 62702
registrar or deputy registrar of motor vehicles. If the department 62703
is not able to verify the youth's identity with both a verified 62704
birth certificate and social security number, the youth shall not 62705
receive an identification card under this section. 62706

Sec. 5149.311. (A) The department of rehabilitation and 62707
correction shall establish and administer the probation 62708
improvement grant and the probation incentive grant for ~~court of~~ 62709
~~common pleas~~ probation departments that supervise ~~felony~~ offenders 62710
sentenced by courts of common pleas or municipal courts. 62711

(B)(1) The probation improvement grant shall provide funding 62712
to ~~court of common pleas~~ probation departments to adopt policies 62713
and practices based on the latest research on how to reduce the 62714
number of ~~felony~~ offenders on probation supervision who violate 62715
the conditions of their supervision. 62716

(2) The department shall adopt rules for the distribution of 62717
the probation improvement grant, including the formula for the 62718
allocation of the subsidy based on the number of ~~felony~~ offenders 62719
placed on probation annually in each jurisdiction. 62720

(C)(1) The probation incentive grant shall provide a 62721
performance-based level of funding to ~~court of common pleas~~ 62722

probation departments that are successful in reducing the number 62723
of felony offenders on probation supervision whose terms of 62724
supervision are revoked. 62725

(2) The department shall calculate annually any cost savings 62726
realized by the state from a reduction in the percentage of people 62727
who are incarcerated because their terms of supervised probation 62728
were revoked. The cost savings estimate shall be calculated for 62729
each ~~county~~ jurisdiction served by the probation department 62730
eligible for a grant under this section and be based on the 62731
difference from fiscal year 2010 and the fiscal year under 62732
examination. 62733

(3) The department shall adopt rules that specify the subsidy 62734
amount to be appropriated to court ~~of common pleas~~ probation 62735
departments that successfully reduce the percentage of people on 62736
probation who are incarcerated because their terms of supervision 62737
are revoked. 62738

(D) The following stipulations apply to both the probation 62739
improvement grant and the probation incentive grant: 62740

(1) In order to be eligible for the probation improvement 62741
grant and the probation incentive grant, courts of common pleas 62742
must satisfy all requirements under sections 2301.27 and 2301.30 62743
of the Revised Code ~~and, except.~~ Except for sentencing decisions 62744
made by a court when use of the risk assessment tool is 62745
discretionary, in order to be eligible for the probation 62746
improvement grant and the probation incentive grant, a court must 62747
utilize the single validated risk assessment tool selected by the 62748
department of rehabilitation and correction under section 5120.114 62749
of the Revised Code. 62750

(2) The department may deny a subsidy under this section to 62751
any applicant if the applicant fails to comply with the terms of 62752
any agreement entered into pursuant to any of the provisions of 62753

this section. 62754

(3) The department shall evaluate or provide for the 62755
evaluation of the policies, practices, and programs the court of 62756
~~common pleas~~ probation departments utilize with the programs of 62757
subsidies established under this section and establish means of 62758
measuring their effectiveness. 62759

(4) The department shall specify the policies, practices, and 62760

that is exempt from federal income taxation under section 63649

501(c)(3) of the Internal Revenue Code of 1986, 100 Stat. 2085, 26 63650
U.S.C.A. 1, as amended, and has as its principal purpose one or 63651
more of the foregoing objects, also is conclusively presumed to be 63652
a charitable or educational institution. 63653

The fact that an organization described in this division 63654
operates in a manner that results in an excess of revenues over 63655
expenses shall not be used to deny the exemption granted by this 63656
section, provided such excess is used, or is held for use, for 63657
exempt purposes or to establish a reserve against future 63658
contingencies; and, provided further, that such excess may not be 63659
distributed to individual persons or to entities that would not be 63660
entitled to the tax exemptions provided by this chapter. Nor shall 63661
the fact that any scientific information diffused by the 63662
organization is of particular interest or benefit to any of its 63663
individual members be used to deny the exemption granted by this 63664
section, provided that such scientific information is available to 63665
the public for purchase or otherwise. 63666

(2) Division (D)(2) of this section does not apply to real 63667
property exempted from taxation under this section and division 63668
(A)(3) of section 5709.121 of the Revised Code and belonging to a 63669
nonprofit corporation described in division (D)(1) of this section 63670
that has received a grant under the Thomas Alva Edison grant 63671
program authorized by division (C) of section 122.33 of the 63672
Revised Code during any of the tax years the property was exempted 63673
from taxation. 63674

When a private corporation described in division (D)(1) of 63675
this section sells all or any portion of a tract, lot, or parcel 63676
of real estate that has been exempt from taxation under this 63677
section and section 5709.121 of the Revised Code, the portion sold 63678
shall be restored to the tax list for the year following the year 63679
of the sale and, except in connection with a sale and transfer of 63680
such a tract, lot, or parcel to a county land reutilization 63681

corporation organized under Chapter 1724. of the Revised Code, a 63682
charge shall be levied against the sold property in an amount 63683
equal to the tax savings on such property during the four tax 63684
years preceding the year the property is placed on the tax list. 63685
The tax savings equals the amount of the additional taxes that 63686
would have been levied if such property had not been exempt from 63687
taxation. 63688

The charge constitutes a lien of the state upon such property 63689
as of the first day of January of the tax year in which the charge 63690
is levied and continues until discharged as provided by law. The 63691
charge may also be remitted for all or any portion of such 63692
property that the tax commissioner determines is entitled to 63693
exemption from real property taxation for the year such property 63694
is restored to the tax list under any provision of the Revised 63695
Code, other than sections 725.02, 1728.10, 3735.67, 5709.40, 63696
5709.41, 5709.62, 5709.63, 5709.71, 5709.73, 5709.78, and 5709.84, 63697
upon an application for exemption covering the year such property 63698
is restored to the tax list filed under section 5715.27 of the 63699
Revised Code. 63700

(E) Real property held by an organization organized and 63701
operated exclusively for charitable purposes as described under 63702
section 501(c)(3) of the Internal Revenue Code and exempt from 63703
federal taxation under section 501(a) of the Internal Revenue 63704
Code, 26 U.S.C.A. 501(a) and (c)(3), as amended, for the purpose 63705
of constructing or rehabilitating residences for eventual transfer 63706
to qualified low-income families through sale, lease, or land 63707
installment contract, shall be exempt from taxation. 63708

The exemption shall commence on the day title to the property 63709
is transferred to the organization and shall continue to the end 63710
of the tax year in which the organization transfers title to the 63711
property to a qualified low-income family. In no case shall the 63712
exemption extend beyond the second succeeding tax year following 63713

the year in which the title was transferred to the organization. 63714
If the title is transferred to the organization and from the 63715
organization to a qualified low-income family in the same tax 63716
year, the exemption shall continue to the end of that tax year. 63717
The proportionate amount of taxes that are a lien but not yet 63718
determined, assessed, and levied for the tax year in which title 63719
is transferred to the organization shall be remitted by the county 63720
auditor for each day of the year that title is held by the 63721
organization. 63722

Upon transferring the title to another person, the 63723
organization shall file with the county auditor an affidavit 63724
affirming that the title was transferred to a qualified low-income 63725
family or that the title was not transferred to a qualified 63726
low-income family, as the case may be; if the title was 63727
transferred to a qualified low-income family, the affidavit shall 63728
identify the transferee by name. If the organization transfers 63729
title to the property to anyone other than a qualified low-income 63730
family, the exemption, if it has not previously expired, shall 63731
terminate, and the property shall be restored to the tax list for 63732
the year following the year of the transfer and a charge shall be 63733
levied against the property in an amount equal to the amount of 63734
additional taxes that would have been levied if such property had 63735
not been exempt from taxation. The charge constitutes a lien of 63736
the state upon such property as of the first day of January of the 63737
tax year in which the charge is levied and continues until 63738
discharged as provided by law. 63739

The application for exemption shall be filed as otherwise 63740
required under section 5715.27 of the Revised Code, except that 63741
the organization holding the property shall file with its 63742
application documentation substantiating its status as an 63743
organization organized and operated exclusively for charitable 63744
purposes under section 501(c)(3) of the Internal Revenue Code and 63745

its qualification for exemption from federal taxation under 63746
section 501(a) of the Internal Revenue Code, and affirming its 63747
intention to construct or rehabilitate the property for the 63748
eventual transfer to qualified low-income families. 63749

As used in this division, "qualified low-income family" means 63750
a family whose income does not exceed two hundred per cent of the 63751
official federal poverty guidelines as revised annually in 63752
accordance with section 673(2) of the "Omnibus Budget 63753
Reconciliation Act of 1981," 95 Stat. 511, 42 U.S.C.A. 9902, as 63754
amended, for a family size equal to the size of the family whose 63755
income is being determined. 63756

(F) Real property held by a county land reutilization 63757
corporation organized under Chapter 1724. of the Revised Code 63758
shall be exempt from taxation. Notwithstanding section 5715.27 of 63759
the Revised Code, a county land reutilization corporation is not 63760
required to apply to any county or state agency in order to 63761
qualify for the exemption. 63762

The exemption shall commence on the day title to the property 63763
is transferred to the corporation and shall continue to the end of 63764
the tax year in which the instrument transferring title from the 63765
corporation to another owner is recorded, if the use to which the 63766
other owner puts the property does not qualify for an exemption 63767
under this section or any other section of the Revised Code. If 63768
the title to the property is transferred to the corporation and 63769
from the corporation in the same tax year, the exemption shall 63770
continue to the end of that tax year. The proportionate amount of 63771
taxes that are a lien but not yet determined, assessed, and levied 63772
for the tax year in which title is transferred to the corporation 63773
shall be remitted by the county auditor for each day of the year 63774
that title is held by the corporation. 63775

Upon transferring the title to another person, the 63776
corporation shall file with the county auditor an affidavit 63777

affirming that the title was transferred to such other person and 63778
shall identify the transferee by name. If the corporation 63779
transfers title to the property to anyone that does not qualify or 63780
the use to which the property is put does not qualify the property 63781
for an exemption under this section or any other section of the 63782
Revised Code, the exemption, if it has not previously expired, 63783
shall terminate, and the property shall be restored to the tax 63784
list for the year following the year of the transfer. A charge 63785
shall be levied against the property in an amount equal to the 63786
amount of additional taxes that would have been levied if such 63787
property had not been exempt from taxation. The charge constitutes 63788
a lien of the state upon such property as of the first day of 63789
January of the tax year in which the charge is levied and 63790
continues until discharged as provided by law. 63791

In lieu of the application for exemption otherwise required 63792
to be filed as required under section 5715.27 of the Revised Code, 63793
a count land reutilization corporation holding the property shall, 63794
upon the request of any county or state agency, submit its 63795
articles of incorporation substantiating its status as a county 63796
land reutilization corporation. 63797

Sec. 5709.212. (A) With every application for an exempt 63798
facility certificate filed pursuant to section 5709.21 of the 63799
Revised Code, the applicant shall pay a fee equal to one-half of 63800
one per cent of the total exempt facility project cost, not to 63801
exceed two thousand dollars. One-half of the fee received with 63802
applications for exempt facility certificates shall be credited to 63803
the exempt facility administrative fund, which is hereby created 63804
in the state treasury, for appropriation to the department of 63805
taxation for use in administering sections 5709.20 to 5709.27 of 63806
the Revised Code. If the director of environmental protection is 63807
required to provide the opinion for an application, one-half of 63808
the fee shall be credited to the non-Title V clean air fund 63809

created in section 3704.035 of the Revised Code for use in 63810
administering section 5709.211 of the Revised Code, unless the 63811
application is for an industrial water pollution control facility. 63812
If the application is for an industrial water pollution control 63813
facility, one-half of the fee shall be credited to the surface 63814
water protection fund created in section 6111.038 of the Revised 63815
Code for use in administering section 5709.211 of the Revised 63816
Code. If the director of development is required to provide the 63817
opinion for an application, one-half of the fee for each exempt 63818
facility application shall be credited to the exempt facility 63819
inspection fund, which is hereby created in the state treasury, 63820
for appropriation to the department of development for use in 63821
administering section 5709.211 of the Revised Code. 63822

An applicant is not entitled to any tax exemption under 63823
section 5709.25 of the Revised Code until the fee required by this 63824
section is paid. The fee required by this section is not 63825
refundable, and is due with the application for an exempt facility 63826
certificate even if an exempt facility certificate ultimately is 63827
not issued or is withdrawn. Any application submitted without 63828
payment of the fee shall be deemed incomplete until the fee is 63829
paid. 63830

(B) The application fee imposed under division (A) of this 63831
section for a jointly owned facility shall be equal to one-half of 63832
one per cent of the total exempt facility project cost, not to 63833
exceed two thousand dollars for each facility that is the subject 63834
of the application. 63835

Sec. 5709.73. (A) As used in this section and section 5709.74 63836
of the Revised Code: 63837

(1) "Business day" means a day of the week excluding 63838
Saturday, Sunday, and a legal holiday as defined in section 1.14 63839

of the Revised Code. 63840

(2) "Further improvements" or "improvements" means the 63841
increase in the assessed value of real property that would first 63842
appear on the tax list and duplicate of real and public utility 63843
property after the effective date of a resolution adopted under 63844
this section were it not for the exemption granted by that 63845
resolution. For purposes of division (B) of this section, 63846
"improvements" do not include any property used or to be used for 63847
residential purposes. 63848

(3) "Housing renovation" means a project carried out for 63849
residential purposes. 63850

(4) "Incentive district" has the same meaning as in section 63851
5709.40 of the Revised Code, except that a blighted area is in the 63852
unincorporated area of a township. 63853

(5) "Project" and "public infrastructure improvement" have 63854
the same meanings as in section 5709.40 of the Revised Code. 63855

(B) A board of township trustees may, by unanimous vote, 63856
adopt a resolution that declares to be a public purpose any public 63857
infrastructure improvements made that are necessary for the 63858
development of certain parcels of land located in the 63859
unincorporated area of the township. Except with the approval 63860
under division (D) of this section of the board of education of 63861
each city, local, or exempted village school district within which 63862
the improvements are located, the resolution may exempt from real 63863
property taxation not more than seventy-five per cent of further 63864
improvements to a parcel of land that directly benefits from the 63865
public infrastructure improvements, for a period of not more than 63866
ten years. The resolution shall specify the percentage of the 63867
further improvements to be exempted and the life of the exemption. 63868

(C)(1) A board of township trustees may adopt, by unanimous 63869
vote, a resolution creating an incentive district and declaring 63870

improvements to parcels within the district to be a public purpose 63871
and, except as provided in division (F) of this section, exempt 63872
from taxation as provided in this section, but no board of 63873
township trustees of a township that has a population that exceeds 63874
twenty-five thousand, as shown by the most recent federal 63875
decennial census, shall adopt a resolution that creates an 63876
incentive district if the sum of the taxable value of real 63877
property in the proposed district for the preceding tax year and 63878
the taxable value of all real property in the township that would 63879
have been taxable in the preceding year were it not for the fact 63880
that the property was in an existing incentive district and 63881
therefore exempt from taxation exceeds twenty-five per cent of the 63882
taxable value of real property in the township for the preceding 63883
tax year. The district shall be located within the unincorporated 63884
area of the township and shall not include any territory that is 63885
included within a district created under division (B) of section 63886
5709.78 of the Revised Code. The resolution shall delineate the 63887
boundary of the district and specifically identify each parcel 63888
within the district. A district may not include any parcel that is 63889
or has been exempted from taxation under division (B) of this 63890
section or that is or has been within another district created 63891
under this division. A resolution may create more than one 63892
district, and more than one resolution may be adopted under 63893
division (C)(1) of this section. 63894

(2) Not later than thirty days prior to adopting a resolution 63895
under division (C)(1) of this section, if the township intends to 63896
apply for exemptions from taxation under section 5709.911 of the 63897
Revised Code on behalf of owners of real property located within 63898
the proposed incentive district, the board shall conduct a public 63899
hearing on the proposed resolution. Not later than thirty days 63900
prior to the public hearing, the board shall give notice of the 63901
public hearing and the proposed resolution by first class mail to 63902
every real property owner whose property is located within the 63903

boundaries of the proposed incentive district that is the subject 63904
of the proposed resolution. 63905

(3)(a) A resolution adopted under division (C)(1) of this 63906
section shall specify the life of the incentive district and the 63907
percentage of the improvements to be exempted, shall designate the 63908
public infrastructure improvements made, to be made, or in the 63909
process of being made, that benefit or serve, or, once made, will 63910
benefit or serve parcels in the district. The resolution also 63911
shall identify one or more specific projects being, or to be, 63912
undertaken in the district that place additional demand on the 63913
public infrastructure improvements designated in the resolution. 63914
The project identified may, but need not be, the project under 63915
division (C)(3)(b) of this section that places real property in 63916
use for commercial or industrial purposes. 63917

A resolution adopted under division (C)(1) of this section on 63918
or after March 30, 2006, shall not designate police or fire 63919
equipment as public infrastructure improvements, and no service 63920
payment provided for in section 5709.74 of the Revised Code and 63921
received by the township under the resolution shall be used for 63922
police or fire equipment. 63923

(b) A resolution adopted under division (C)(1) of this 63924
section may authorize the use of service payments provided for in 63925
section 5709.74 of the Revised Code for the purpose of housing 63926
renovations within the incentive district, provided that the 63927
resolution also designates public infrastructure improvements that 63928
benefit or serve the district, and that a project within the 63929
district places real property in use for commercial or industrial 63930
purposes. Service payments may be used to finance or support 63931
loans, deferred loans, and grants to persons for the purpose of 63932
housing renovations within the district. The resolution shall 63933
designate the parcels within the district that are eligible for 63934
housing renovations. The resolution shall state separately the 63935

amount or the percentages of the expected aggregate service 63936
payments that are designated for each public infrastructure 63937
improvement and for the purpose of housing renovations. 63938

(4) Except with the approval of the board of education of 63939
each city, local, or exempted village school district within the 63940
territory of which the incentive district is or will be located, 63941
and subject to division (E) of this section, the life of an 63942
incentive district shall not exceed ten years, and the percentage 63943
of improvements to be exempted shall not exceed seventy-five per 63944
cent. With approval of the board of education, the life of a 63945
district may be not more than thirty years, and the percentage of 63946
improvements to be exempted may be not more than one hundred per 63947
cent. The approval of a board of education shall be obtained in 63948
the manner provided in division (D) of this section. 63949

(D) Improvements with respect to a parcel may be exempted 63950
from taxation under division (B) of this section, and improvements 63951
to parcels within an incentive district may be exempted from 63952
taxation under division (C) of this section, for up to ten years 63953
or, with the approval of the board of education of the city, 63954
local, or exempted village school district within which the parcel 63955
or district is located, for up to thirty years. The percentage of 63956
the improvements exempted from taxation may, with such approval, 63957
exceed seventy-five per cent, but shall not exceed one hundred per 63958
cent. Not later than forty-five business days prior to adopting a 63959
resolution under this section declaring improvements to be a 63960
public purpose that is subject to approval by a board of education 63961
under this division, the board of township trustees shall deliver 63962
to the board of education a notice stating its intent to adopt a 63963
resolution making that declaration. The notice regarding 63964
improvements with respect to a parcel under division (B) of this 63965
section shall identify the parcels for which improvements are to 63966
be exempted from taxation, provide an estimate of the true value 63967

in money of the improvements, specify the period for which the 63968
improvements would be exempted from taxation and the percentage of 63969
the improvements that would be exempted, and indicate the date on 63970
which the board of township trustees intends to adopt the 63971
resolution. The notice regarding improvements made under division 63972
(C) of this section to parcels within an incentive district shall 63973
delineate the boundaries of the district, specifically identify 63974
each parcel within the district, identify each anticipated 63975
improvement in the district, provide an estimate of the true value 63976
in money of each such improvement, specify the life of the 63977
district and the percentage of improvements that would be 63978
exempted, and indicate the date on which the board of township 63979
trustees intends to adopt the resolution. The board of education, 63980
by resolution adopted by a majority of the board, may approve the 63981
exemption for the period or for the exemption percentage specified 63982
in the notice; may disapprove the exemption for the number of 63983
years in excess of ten, may disapprove the exemption for the 63984
percentage of the improvements to be exempted in excess of 63985
seventy-five per cent, or both; or may approve the exemption on 63986
the condition that the board of township trustees and the board of 63987
education negotiate an agreement providing for compensation to the 63988
school district equal in value to a percentage of the amount of 63989
taxes exempted in the eleventh and subsequent years of the 63990
exemption period or, in the case of exemption percentages in 63991
excess of seventy-five per cent, compensation equal in value to a 63992
percentage of the taxes that would be payable on the portion of 63993
the improvements in excess of seventy-five per cent were that 63994
portion to be subject to taxation, or other mutually agreeable 63995
compensation. 63996

The board of education shall certify its resolution to the 63997
board of township trustees not later than fourteen days prior to 63998
the date the board of township trustees intends to adopt the 63999
resolution as indicated in the notice. If the board of education 64000

and the board of township trustees negotiate a mutually acceptable 64001
compensation agreement, the resolution may declare the 64002
improvements a public purpose for the number of years specified in 64003
the resolution or, in the case of exemption percentages in excess 64004
of seventy-five per cent, for the exemption percentage specified 64005
in the resolution. In either case, if the board of education and 64006
the board of township trustees fail to negotiate a mutually 64007
acceptable compensation agreement, the resolution may declare the 64008
improvements a public purpose for not more than ten years, and 64009
shall not exempt more than seventy-five per cent of the 64010
improvements from taxation. If the board of education fails to 64011
certify a resolution to the board of township trustees within the 64012
time prescribed by this section, the board of township trustees 64013
thereupon may adopt the resolution and may declare the 64014
improvements a public purpose for up to thirty years or, in the 64015
case of exemption percentages proposed in excess of seventy-five 64016
per cent, for the exemption percentage specified in the 64017
resolution. The board of township trustees may adopt the 64018
resolution at any time after the board of education certifies its 64019
resolution approving the exemption to the board of township 64020
trustees, or, if the board of education approves the exemption on 64021
the condition that a mutually acceptable compensation agreement be 64022
negotiated, at any time after the compensation agreement is agreed 64023
to by the board of education and the board of township trustees. 64024
If a mutually acceptable compensation agreement is negotiated 64025
between the board of township trustees and the board of education, 64026
including agreements for payments in lieu of taxes under section 64027
5709.74 of the Revised Code, the board of township trustees shall 64028
compensate the joint vocational school district within which the 64029
parcel or district is located at the same rate and under the same 64030
terms received by the city, local, or exempted village school 64031
district. 64032

If a board of education has adopted a resolution waiving its 64033

right to approve exemptions from taxation under this section and 64034
the resolution remains in effect, approval of such exemptions by 64035
the board of education is not required under division (D) of this 64036
section. If a board of education has adopted a resolution allowing 64037
a board of township trustees to deliver the notice required under 64038
division (D) of this section fewer than forty-five business days 64039
prior to adoption of the resolution by the board of township 64040
trustees, the board of township trustees shall deliver the notice 64041
to the board of education not later than the number of days prior 64042
to the adoption as prescribed by the board of education in its 64043
resolution. If a board of education adopts a resolution waiving 64044
its right to approve exemptions or shortening the notification 64045
period, the board of education shall certify a copy of the 64046
resolution to the board of township trustees. If the board of 64047
education rescinds the resolution, it shall certify notice of the 64048
rescission to the board of township trustees. 64049

If the board of township trustees is not required by division 64050
(D) of this section to notify the board of education of the board 64051
of township trustees' intent to declare improvements to be a 64052
public purpose, the board of township trustees shall comply with 64053
the notice requirements imposed under section 5709.83 of the 64054
Revised Code before taking formal action to adopt the resolution 64055
making that declaration, unless the board of education has adopted 64056
a resolution under that section waiving its right to receive the 64057
notice. 64058

(E)(1) If a proposed resolution under division (C)(1) of this 64059
section exempts improvements with respect to a parcel within an 64060
incentive district for more than ten years, or the percentage of 64061
the improvement exempted from taxation exceeds seventy-five per 64062
cent, not later than forty-five business days prior to adopting 64063
the resolution the board of township trustees shall deliver to the 64064
board of county commissioners of the county within which the 64065

incentive district is or will be located a notice that states its 64066
intent to adopt a resolution creating an incentive district. The 64067
notice shall include a copy of the proposed resolution, identify 64068
the parcels for which improvements are to be exempted from 64069
taxation, provide an estimate of the true value in money of the 64070
improvements, specify the period of time for which the 64071
improvements would be exempted from taxation, specify the 64072
percentage of the improvements that would be exempted from 64073
taxation, and indicate the date on which the board of township 64074
trustees intends to adopt the resolution. 64075

(2) The board of county commissioners, by resolution adopted 64076
by a majority of the board, may object to the exemption for the 64077
number of years in excess of ten, may object to the exemption for 64078
the percentage of the improvement to be exempted in excess of 64079
seventy-five per cent, or both. If the board of county 64080
commissioners objects, the board may negotiate a mutually 64081
acceptable compensation agreement with the board of township 64082
trustees. In no case shall the compensation provided to the board 64083
of county commissioners exceed the property taxes foregone due to 64084
the exemption. If the board of county commissioners objects, and 64085
the board of county commissioners and board of township trustees 64086
fail to negotiate a mutually acceptable compensation agreement, 64087
the resolution adopted under division (C)(1) of this section shall 64088
provide to the board of county commissioners compensation in the 64089
eleventh and subsequent years of the exemption period equal in 64090
value to not more than fifty per cent of the taxes that would be 64091
payable to the county or, if the board of county commissioner's 64092
objection includes an objection to an exemption percentage in 64093
excess of seventy-five per cent, compensation equal in value to 64094
not more than fifty per cent of the taxes that would be payable to 64095
the county, on the portion of the improvement in excess of 64096
seventy-five per cent, were that portion to be subject to 64097
taxation. The board of county commissioners shall certify its 64098

resolution to the board of township trustees not later than thirty 64099
days after receipt of the notice. 64100

(3) If the board of county commissioners does not object or 64101
fails to certify its resolution objecting to an exemption within 64102
thirty days after receipt of the notice, the board of township 64103
trustees may adopt its resolution, and no compensation shall be 64104
provided to the board of county commissioners. If the board of 64105
county commissioners timely certifies its resolution objecting to 64106
the trustees' resolution, the board of township trustees may adopt 64107
its resolution at any time after a mutually acceptable 64108
compensation agreement is agreed to by the board of county 64109
commissioners and the board of township trustees, or, if no 64110
compensation agreement is negotiated, at any time after the board 64111
of township trustees agrees in the proposed resolution to provide 64112
compensation to the board of county commissioners of fifty per 64113
cent of the taxes that would be payable to the county in the 64114
eleventh and subsequent years of the exemption period or on the 64115
portion of the improvement in excess of seventy-five per cent, 64116
were that portion to be subject to taxation. 64117

(F) Service payments in lieu of taxes that are attributable 64118
to any amount by which the effective tax rate of either a renewal 64119
levy with an increase or a replacement levy exceeds the effective 64120
tax rate of the levy renewed or replaced, or that are attributable 64121
to an additional levy, for a levy authorized by the voters for any 64122
of the following purposes on or after January 1, 2006, and which 64123
are provided pursuant to a resolution creating an incentive 64124
district under division (C)(1) of this section that is adopted on 64125
or after January 1, 2006, shall be distributed to the appropriate 64126
taxing authority as required under division (C) of section 5709.74 64127
of the Revised Code in an amount equal to the amount of taxes from 64128
that additional levy or from the increase in the effective tax 64129
rate of such renewal or replacement levy that would have been 64130

payable to that taxing authority from the following levies were it 64131
not for the exemption authorized under division (C) of this 64132
section: 64133

(1) A tax levied under division (L) of section 5705.19 or 64134
section 5705.191 of the Revised Code for community mental 64135
retardation and developmental disabilities programs and services 64136
pursuant to Chapter 5126. of the Revised Code; 64137

(2) A tax levied under division (Y) of section 5705.19 of the 64138
Revised Code for providing or maintaining senior citizens services 64139
or facilities; 64140

(3) A tax levied under section 5705.22 of the Revised Code 64141
for county hospitals; 64142

(4) A tax levied by a joint-county district or by a county 64143
under section 5705.19, 5705.191, or 5705.221 of the Revised Code 64144
for alcohol, drug addiction, and mental health services or 64145
families; 64146

(5) A tax levied under section 5705.23 of the Revised Code 64147
for library purposes; 64148

(6) A tax levied under section 5705.24 of the Revised Code 64149
for the support of children services and the placement and care of 64150
children; 64151

(7) A tax levied under division (Z) of section 5705.19 of the 64152
Revised Code for the provision and maintenance of zoological park 64153
services and facilities under section 307.76 of the Revised Code; 64154

(8) A tax levied under section 511.27 or division (H) of 64155
section 5705.19 of the Revised Code for the support of township 64156
park districts; 64157

(9) A tax levied under division (A), (F), or (H) of section 64158
5705.19 of the Revised Code for parks and recreational purposes of 64159
a joint recreation district organized pursuant to division (B) of 64160

section 755.14 of the Revised Code; 64161

(12) A tax levied under section 3709.29 of the Revised Code 64168
for a general health district program. 64169

(G) An exemption from taxation granted under this section 64170
commences with the tax year specified in the resolution so long as 64171
the year specified in the resolution commences after the effective 64172
date of the resolution. If the resolution specifies a year 64173
commencing before the effective date of the resolution or 64174
specifies no year whatsoever, the exemption commences with the tax 64175
year in which an exempted improvement first appears on the tax 64176
list and duplicate of real and public utility property and that 64177
commences after the effective date of the resolution. Except as 64178
otherwise provided in this division, the exemption ends on the 64179
date specified in the resolution as the date the improvement 64180
ceases to be a public purpose or the incentive district expires, 64181
or ends on the date on which the public infrastructure 64182
improvements and housing renovations are paid in full from the 64183
township public improvement tax increment equivalent fund 64184
established under section 5709.75 of the Revised Code, whichever 64185
occurs first. The exemption of an improvement with respect to a 64186
parcel or within an incentive district may end on a later date, as 64187
specified in the resolution, if the board of township trustees and 64188
the board of education of the city, local, or exempted village 64189
school district within which the parcel or district is located 64190
have entered into a compensation agreement under section 5709.82 64191
of the Revised Code with respect to the improvement and the board 64192

of education has approved the term of the exemption under division 64193
(D) of this section, but in no case shall the improvement be 64194
exempted from taxation for more than thirty years. The board of 64195
township trustees may, by majority vote, adopt a resolution 64196
permitting the township to enter into such agreements as the board 64197
finds necessary or appropriate to provide for the construction or 64198
undertaking of public infrastructure improvements and housing 64199
renovations. Any exemption shall be claimed and allowed in the 64200
same or a similar manner as in the case of other real property 64201
exemptions. If an exemption status changes during a tax year, the 64202
procedure for the apportionment of the taxes for that year is the 64203
same as in the case of other changes in tax exemption status 64204
during the year. 64205

(H) The board of township trustees may issue the notes of the 64206
township to finance all costs pertaining to the construction or 64207
undertaking of public infrastructure improvements and housing 64208
renovations made pursuant to this section. The notes shall be 64209
signed by the board and attested by the signature of the township 64210
fiscal officer, shall bear interest not to exceed the rate 64211
provided in section 9.95 of the Revised Code, and are not subject 64212
to Chapter 133. of the Revised Code. The resolution authorizing 64213
the issuance of the notes shall pledge the funds of the township 64214
public improvement tax increment equivalent fund established 64215
pursuant to section 5709.75 of the Revised Code to pay the 64216
interest on and principal of the notes. The notes, which may 64217
contain a clause permitting prepayment at the option of the board, 64218
shall be offered for sale on the open market or given to the 64219
vendor or contractor if no sale is made. 64220

(I) The township, not later than fifteen days after the 64221
adoption of a resolution under this section, shall submit to the 64222
director of development a copy of the resolution. On or before the 64223
thirty-first day of March of each year, the township shall submit 64224

a status report to the director of development. The report shall 64225
indicate, in the manner prescribed by the director, the progress 64226
of the project during each year that the exemption remains in 64227
effect, including a summary of the receipts from service payments 64228
in lieu of taxes; expenditures of money from the fund created 64229
under section 5709.75 of the Revised Code; a description of the 64230
public infrastructure improvements and housing renovations 64231
financed with the expenditures; and a quantitative summary of 64232
changes in private investment resulting from each project. 64233

(J) Nothing in this section shall be construed to prohibit a 64234
board of township trustees from declaring to be a public purpose 64235
improvements with respect to more than one parcel. 64236

(K) A board of township trustees that adopted a resolution 64237
under this section prior to July 21, 1994, may amend that 64238
resolution to include any additional public infrastructure 64239
improvement. A board of township trustees that seeks by the 64240
amendment to utilize money from its township public improvement 64241
tax increment equivalent fund for land acquisition in aid of 64242
industry, commerce, distribution, or research, demolition on 64243
private property, or stormwater and flood remediation projects may 64244
do so provided that the board currently is a party to a 64245
hold-harmless agreement with the board of education of the city, 64246
local, or exempted village school district within the territory of 64247
which are located the parcels that are subject to an exemption. 64248
For the purposes of this division, a "hold-harmless agreement" 64249
means an agreement under which the board of township trustees 64250
agrees to compensate the school district for one hundred per cent 64251
of the tax revenue that the school district would have received 64252
from further improvements to parcels designated in the resolution 64253
were it not for the exemption granted by the resolution. 64254

(L) With respect to improvements resulting from projects, for 64255
which construction commences on or after April 1, 2012, and on or 64256

before December 31, 2013, and for which an exemption has been or 64257
will be sought pursuant to a resolution adopted under this section 64258
before December 14, 2001, "property used or to be used for 64259
residential purposes," as used in division (A)(2) of this section, 64260
means only that property that, as improved, the tax commissioner 64261
would classify as residential land and improvements pursuant to 64262
rules adopted by the tax commissioner under section 5713.041 of 64263
the Revised Code. 64264

Sec. 5709.75. (A) Any township that receives service payments 64265
in lieu of taxes under section 5709.74 of the Revised Code shall 64266
establish a township public improvement tax increment equivalent 64267
fund into which those payments shall be deposited. If the board of 64268
township trustees has adopted a resolution under division (C) of 64269
section 5709.73 of the Revised Code, the township shall establish 64270
at least one account in that fund with respect to resolutions 64271
adopted under division (B) of that section, and one account with 64272
respect to each incentive district created by a resolution adopted 64273
under division (C) of that section. If a resolution adopted under 64274
division (C) of section 5709.73 of the Revised Code also 64275
authorizes the use of service payments for housing renovations 64276
within the incentive district, the township shall establish 64277
separate accounts for the service payments designated for public 64278
infrastructure improvements and for the service payments 64279
authorized for the purpose of housing renovations. 64280

(B) Except as otherwise provided in division (C) or (D) of 64281
this section, money deposited in an account of the township public 64282
improvement tax increment equivalent fund shall be used by the 64283
township to pay the costs of public infrastructure improvements 64284
designated in or the housing renovations authorized by the 64285
resolution with respect to which the account is established, 64286
including any interest on and principal of the notes; in the case 64287
of an account established with respect to a resolution adopted 64288

under division (C) of that section, money in the account shall be 64289
used to finance the public infrastructure improvements designated, 64290
or the housing renovations authorized, for each incentive district 64291
created in the resolution. Money in an account shall not be used 64292
to finance or support housing renovations that take place after 64293
the incentive district has expired. 64294

(C)(1)(a) A township may distribute money in such an account 64295
to any school district in which the exempt property is located in 64296
an amount not to exceed the amount of real property taxes that 64297
such school district would have received from the improvement if 64298
it were not exempt from taxation. The resolution establishing the 64299
fund shall set forth the percentage of such maximum amount that 64300
will be distributed to any affected school district. 64301

(b) A township also may distribute money in such an account 64302
as follows: 64303

(i) To a board of county commissioners, in the amount that is 64304
owed to the board pursuant to division (E) of section 5709.73 of 64305
the Revised Code; 64306

(ii) To a county in accordance with section 5709.913 of the 64307
Revised Code. 64308

(2) Money from an account in a township public improvement 64309
tax increment equivalent fund may be distributed under division 64310
(C)(1)(b) of this section, regardless of the date a resolution was 64311
adopted under section 5709.73 of the Revised Code that prompted 64312
the establishment of the account, even if the resolution was 64313
adopted prior to March 30, 2006. 64314

(D) A board of township trustees that adopted a resolution 64315
under ~~division (B)~~ of section 5709.73 of the Revised Code before 64316
January 1, ~~1995~~ 2011, and that, with respect to property exempted 64317
under such a resolution, is party to a hold-harmless or service 64318
agreement, may appropriate and expend unencumbered money in the 64319

fund to pay current public safety expenses of the township. A 64320
township appropriating and expending money under this division 64321
shall reimburse the fund for the sum so appropriated and expended 64322
not later than the day the exemption granted under the resolution 64323
expires. For the purposes of this division, a "hold-harmless 64324
agreement" is an agreement with the board of education of a city, 64325
local, or exempted village school district under which the board 64326
of township trustees agrees to compensate the school district for 64327
one hundred per cent of the tax revenue the school district would 64328
have received from improvements to parcels designated in the 64329
resolution were it not for the exemption granted by the 64330
resolution. For the purposes of this division, a "service 64331
agreement" is an agreement with the board of education of a city,
local, or exempted village school district under which the board
of township trustees agrees to compensate the school district for
a portion of the tax revenue the school district would have
received from improvements to parcels designated in the resolution
if not for the exemption granted by the resolution. 64337

(E) Any incidental surplus remaining in the township public 64338
improvement tax increment equivalent fund or an account of that 64339
fund upon dissolution of the account or fund shall be transferred 64340
to the general fund of the township. 64341

are made, such persons shall constitute a single vendor. 65103

certificate, or document is presented; 65221

(ii) The consumer identifies the consumer's self to the 65222

(iii) Any taxes legally imposed directly on the consumer that 65239
are separately stated on the invoice, bill of sale, or similar 65240

tax directly on the consumer, even if the tax or a portion thereof 65243
is separately stated. 65244

(iv) Notwithstanding divisions (H)(1)(b)(i) to (iii) of this 65245

vendor or purchased by a consumer and that is redeemed by the 65250
consumer in purchasing tangible personal property or services if 65251
the vendor is not reimbursed and does not receive compensation 65252
from a third party to cover all or part of the gift card value. 65253
For the purposes of this division, a gift card is not sold by a 65254
vendor or purchased by a consumer if it is distributed pursuant to 65255
an awards, loyalty, or promotional program. Past and present 65256

purchases of tangible personal property or services by the 65257
consumer shall not be treated as consideration exchanged for a 65258
gift card. 65259

(2) In the case of a sale of any new motor vehicle by a new 65260
motor vehicle dealer, as defined in section 4517.01 of the Revised 65261

afforded the consumer by the dealer for the motor vehicle received 65265
in trade. 65266

1547.543 of the Revised Code, in which another watercraft, 65269
watercraft and trailer, or outboard motor is accepted by the 65270
dealer as part of the consideration received, "price" has the same 65271
meaning as in division (H)(1) of this section, reduced by the 65272
credit afforded the consumer by the dealer for the watercraft, 65273
watercraft and trailer, or outboard motor received in trade. As 65274
used in this division, "watercraft" includes an outdrive unit 65275

program, and cash discounts allowed and taken on sales at the time 65284
they are consummated are not included, minus any amount deducted 65285
as a bad debt pursuant to section 5739.121 of the Revised Code. 65286
"Receipts" does not include the sale price of property returned or 65287
services rejected by consumers when the full sale price and tax 65288

(L) "Casual sale" means a sale of an item of tangible 65297
personal property that was obtained by the person making the sale, 65298
through purchase or otherwise, for the person's own use and was 65299

or use, and includes such items acquired for the seller's use that 65301
are sold by an auctioneer employed directly by the person for such 65302

the commissioner may authorize reporting at less frequent 66052
intervals. The commissioner may assess a penalty of not more than 66053
two hundred fifty dollars for each month or portion thereof that a 66054
person fails to timely file a required report, and such sum may be 66055
collected by assessment in the manner provided in section 5743.081 66056

packages of cigarettes that the dealer received from another 66072
wholesale dealer that possesses a valid and current license under 66073
section 5743.15 of the Revised Code, provided that the tax 66074
commissioner has authorized the sale of the cigarettes between 66075
those wholesale dealers and that the wholesale dealer that sells 66076
the cigarettes received them directly from a manufacturer or 66077
importer of cigarettes that possesses a valid and current license 66078
under section 5743.15 of the Revised Code. 66079

(B) Only a wholesale dealer that possesses a valid and 66080
current license under section 5743.15 of the Revised Code may 66081
purchase or obtain tax stamps. A wholesale dealer may not sell or 66082

Any person that transports unstamped packages of cigarettes into 66089
or within this state shall carry in the vehicle used to convey the 66090
shipment invoices or equivalent documentation of the shipment for 66091

documentation shall show the true name and address of the 66093
consignor or seller, the true name and address of the consignee or 66094
purchaser, and the quantity of the cigarettes being transported. 66095
This division does not apply to any ~~common or contract~~ for-hire 66096
motor carrier transporting cigarettes through this state to 66097
another location under a proper bill of lading or freight bill 66098
that states the quantity, source, and destination of the 66099

cigarettes. 66100

Sec. 5751.033. For the purposes of this chapter, gross 66101
receipts shall be sitused to this state as follows: 66102

(A) Gross rents and royalties from real property located in 66103
this state shall be sitused to this state. 66104

(B) Gross rents and royalties from tangible personal property 66105
shall be sitused to this state to the extent the tangible personal 66106
property is located or used in this state. 66107

(C) Gross receipts from the sale of electricity and electric 66108
transmission and distribution services shall be sitused to this 66109
state in the manner provided under section 5733.059 of the Revised 66110
Code. 66111

(D) Gross receipts from the sale of real property located in 66112
this state shall be sitused to this state. 66113

(E) Gross receipts from the sale of tangible personal 66114
property shall be sitused to this state if the property is 66115
received in this state by the purchaser. In the case of delivery 66116
of tangible personal property by ~~common~~ motor carrier or by other 66117
means of transportation, the place at which such property is 66118
ultimately received after all transportation has been completed 66119
shall be considered the place where the purchaser receives the 66120
property. For purposes of this section, the phrase "delivery of 66121
tangible personal property by ~~common~~ motor carrier or by other 66122
means of transportation" includes the situation in which a 66123
purchaser accepts the property in this state and then transports 66124
the property directly or by other means to a location outside this 66125
state. Direct delivery in this state, other than for purposes of 66126
transportation, to a person or firm designated by a purchaser 66127
constitutes delivery to the purchaser in this state, and direct 66128
delivery outside this state to a person or firm designated by a 66129

purchaser does not constitute delivery to the purchaser in this state, regardless of where title passes or other conditions of sale.

(F) Gross receipts from the sale, exchange, disposition, or other grant of the right to use trademarks, trade names, patents, copyrights, and similar intellectual property shall be situated to this state to the extent that the receipts are based on the amount of use of the property in this state. If the receipts are not based on the amount of use of the property, but rather on the right to use the property, and the payor has the right to use the property in this state, then the receipts from the sale, exchange, disposition, or other grant of the right to use such property shall be situated to this state to the extent the receipts are based on the right to use the property in this state.

(G) Gross receipts from the sale of transportation services by a ~~common or contract~~ motor carrier shall be situated to this state in proportion to the mileage traveled by the carrier during the tax period on roadways, waterways, airways, and railways in this state to the mileage traveled by the carrier during the tax period on roadways, waterways, airways, and railways everywhere. With prior written approval of the tax commissioner, a ~~common or contract~~ motor carrier may use an alternative situsing procedure for transportation services.

(H) Gross receipts from dividends, interest, and other sources of income from financial instruments described in divisions (F)(4), (5), (6), (7), (8), (9), (10), (11), and (13) of section 5733.056 of the Revised Code shall be situated to this state in accordance with the situsing provisions set forth in those divisions. When applying the provisions of divisions (F)(6), (8), and (13) of section 5733.056 of the Revised Code, "gross receipts" shall be substituted for "net gains" wherever "net gains" appears in those divisions. Nothing in this division limits

or modifies the exclusions enumerated in divisions (E) and (F)(2) 66162
of section 5751.01 of the Revised Code. The tax commissioner may 66163
promulgate rules to further specify the manner in which to situs 66164
gross receipts subject to this division. 66165

(I) Gross receipts from the sale of all other services, and 66166
all other gross receipts not otherwise situated under this section, 66167
shall be situated to this state in the proportion that the 66168
purchaser's benefit in this state with respect to what was 66169
purchased bears to the purchaser's benefit everywhere with respect 66170
to what was purchased. The physical location where the purchaser 66171
ultimately uses or receives the benefit of what was purchased 66172
shall be paramount in determining the proportion of the benefit in 66173
this state to the benefit everywhere. If a taxpayer's records do 66174
not allow the taxpayer to determine that location, the taxpayer 66175
may use an alternative method to situs gross receipts under this 66176
division if the alternative method is reasonable, is consistently 66177
and uniformly applied, and is supported by the taxpayer's records 66178
as the records exist when the service is provided or within a 66179
reasonable period of time thereafter. 66180

specify the period for which the license is being issued or 66696
renewed. A license remains valid for the length of the licensing 66697
period specified by the director, unless the license is 66698
terminated, revoked, or voluntarily surrendered. 66699

(D) If it is determined that an applicant or licensee is not 66700
in compliance with a provision of this chapter that applies to 66701
residential facilities or the rules adopted under such a 66702
provision, the director may deny issuance of a license, refuse to 66703
renew a license, terminate a license, revoke a license, issue an 66704
order for the suspension of admissions to a facility, issue an 66705
order for the placement of a monitor at a facility, issue an order 66706
for the immediate removal of residents, or take any other action 66707
the director considers necessary consistent with the director's 66708
authority under this chapter regarding residential facilities. In 66709
the director's selection and administration of the sanction to be 66710
imposed, all of the following apply: 66711

(1) The director may deny, refuse to renew, or revoke a 66712
license, if the director determines that the applicant or licensee 66713
has demonstrated a pattern of serious noncompliance or that a 66714
violation creates a substantial risk to the health and safety of 66715
residents of a residential facility. 66716

(2) The director may terminate a license if more than twelve 66717
consecutive months have elapsed since the residential facility was 66718
last occupied by a resident or a notice required by division (K) 66719

of this section is not given. 66720

(3) The director may issue an order for the suspension of 66721
admissions to a facility for any violation that may result in 66722
sanctions under division (D)(1) of this section and for any other 66723
violation specified in rules adopted under division (H)(2) of this 66724
section. If the suspension of admissions is imposed for a 66725
violation that may result in sanctions under division (D)(1) of 66726
this section, the director may impose the suspension before 66727
providing an opportunity for an adjudication under Chapter 119. of 66728
the Revised Code. The director shall lift an order for the 66729
suspension of admissions when the director determines that the 66730
violation that formed the basis for the order has been corrected. 66731

(4) The director may order the placement of a monitor at a 66732
residential facility for any violation specified in rules adopted 66733
under division (H)(2) of this section. The director shall lift the 66734
order when the director determines that the violation that formed 66735
the basis for the order has been corrected. 66736

(5) If the director determines that two or more residential 66737
facilities owned or operated by the same person or government 66738
entity are not being operated in compliance with a provision of 66739
this chapter that applies to residential facilities or the rules 66740
adopted under such a provision, and the director's findings are 66741
based on the same or a substantially similar action, practice, 66742
circumstance, or incident that creates a substantial risk to the 66743
health and safety of the residents, the director shall conduct a 66744
survey as soon as practicable at each residential facility owned 66745
or operated by that person or government entity. The director may 66746
take any action authorized by this section with respect to any 66747
facility found to be operating in violation of a provision of this 66748
chapter that applies to residential facilities or the rules 66749
adopted under such a provision. 66750

(6) When the director initiates license revocation 66751

proceedings, no opportunity for submitting a plan of correction 66752
shall be given. The director shall notify the licensee by letter 66753
of the initiation of the proceedings. The letter shall list the 66754
deficiencies of the residential facility and inform the licensee 66755
that no plan of correction will be accepted. The director shall 66756
also send a copy of the letter to the county board of 66757
developmental disabilities. The county board shall send a copy of 66758
the letter to each of the following: 66759

(a) Each resident who receives services from the licensee; 66760

(b) The guardian of each resident who receives services from 66761
the licensee if the resident has a guardian; 66762

(c) The parent or guardian of each resident who receives 66763
services from the licensee if the resident is a minor. 66764

(7) Pursuant to rules which shall be adopted in accordance 66765
with Chapter 119. of the Revised Code, the director may order the 66766
immediate removal of residents from a residential facility 66767
whenever conditions at the facility present an immediate danger of 66768
physical or psychological harm to the residents. 66769

(8) In determining whether a residential facility is being 66770
operated in compliance with a provision of this chapter that 66771
applies to residential facilities or the rules adopted under such 66772
a provision, or whether conditions at a residential facility 66773
present an immediate danger of physical or psychological harm to 66774
the residents, the director may rely on information obtained by a 66775
county board of developmental disabilities or other governmental 66776
agencies. 66777

(9) In proceedings initiated to deny, refuse to renew, or 66778
revoke licenses, the director may deny, refuse to renew, or revoke 66779
a license regardless of whether some or all of the deficiencies 66780
that prompted the proceedings have been corrected at the time of 66781
the hearing. 66782

(E) The director shall establish a program under which public notification may be made when the director has initiated license revocation proceedings or has issued an order for the suspension of admissions, placement of a monitor, or removal of residents. The director shall adopt rules in accordance with Chapter 119. of the Revised Code to implement this division. The rules shall establish the procedures by which the public notification will be made and specify the circumstances for which the notification must be made. The rules shall require that public notification be made if the director has taken action against the facility in the eighteen-month period immediately preceding the director's latest action against the facility and the latest action is being taken for the same or a substantially similar violation of a provision of this chapter that applies to residential facilities or the rules adopted under such a provision. The rules shall specify a method for removing or amending the public notification if the director's action is found to have been unjustified or the violation at the residential facility has been corrected.

(F)(1) Except as provided in division (F)(2) of this section, appeals from proceedings initiated to impose a sanction under division (D) of this section shall be conducted in accordance with Chapter 119. of the Revised Code.

(2) Appeals from proceedings initiated to order the suspension of admissions to a facility shall be conducted in accordance with Chapter 119. of the Revised Code, unless the order was issued before providing an opportunity for an adjudication, in which case all of the following apply:

(a) The licensee may request a hearing not later than ten days after receiving the notice specified in section 119.07 of the Revised Code.

(b) If a timely request for a hearing that includes the licensee's current address is made, the hearing shall commence not

later than thirty days after the department receives the request. 66815

(c) After commencing, the hearing shall continue 66816
uninterrupted, except for Saturdays, Sundays, and legal holidays, 66817
unless other interruptions are agreed to by the licensee and the 66818
director. 66819

(d) If the hearing is conducted by a hearing examiner, the 66820
hearing examiner shall file a report and recommendations not later 66821
than ten days after the last of the following: 66822

(i) The close of the hearing; 66823

(ii) If a transcript of the proceedings is ordered, the 66824
hearing examiner receives the transcript; 66825

(iii) If post-hearing briefs are timely filed, the hearing 66826
examiner receives the briefs. 66827

(e) A copy of the written report and recommendation of the 66828
hearing examiner shall be sent, by certified mail, to the licensee 66829
and the licensee's attorney, if applicable, not later than five 66830
days after the report is filed. 66831

(f) Not later than five days after the hearing examiner files 66832
the report and recommendations, the licensee may file objections 66833
to the report and recommendations. 66834

(g) Not later than fifteen days after the hearing examiner 66835
files the report and recommendations, the director shall issue an 66836
order approving, modifying, or disapproving the report and 66837
recommendations. 66838

(h) Notwithstanding the pendency of the hearing, the director 66839
shall lift the order for the suspension of admissions when the 66840
director determines that the violation that formed the basis for 66841
the order has been corrected. 66842

(G) Neither a person or government agency whose application 66843
for a license to operate a residential facility is denied nor a 66844

related party of the person or government agency may apply for a license to operate a residential facility before the date that is one year after the date of the denial. Neither a licensee whose residential facility license is revoked nor a related party of the licensee may apply for a residential facility license before the date that is five years after the date of the revocation.

(H) In accordance with Chapter 119. of the Revised Code, the director shall adopt and may amend and rescind rules for licensing and regulating the operation of residential facilities, ~~including intermediate care facilities for the mentally retarded~~. The rules for residential facilities that are intermediate care facilities for the mentally retarded may differ from those for other residential facilities. The rules shall establish and specify the following:

(1) Procedures and criteria for issuing and renewing licenses, including procedures and criteria for determining the length of the licensing period that the director must specify for each license when it is issued or renewed;

(2) Procedures and criteria for denying, refusing to renew, terminating, and revoking licenses and for ordering the suspension of admissions to a facility, placement of a monitor at a facility, and the immediate removal of residents from a facility;

(3) Fees for issuing and renewing licenses, which shall be deposited into the program fee fund created under section 5123.033 of the Revised Code;

(4) Procedures for surveying residential facilities;

(5) Requirements for the training of residential facility personnel;

(6) Classifications for the various types of residential facilities;

(7) Certification procedures for licensees and management
contractors that the director determines are necessary to ensure
that they have the skills and qualifications to properly operate
or manage residential facilities; 66875
66876
66877
66878

(8) The maximum number of persons who may be served in a
particular type of residential facility; 66879
66880

(9) Uniform procedures for admission of persons to and
transfers and discharges of persons from residential facilities; 66881
66882

(10) Other standards for the operation of residential
facilities and the services provided at residential facilities; 66883
66884

(11) Procedures for waiving any provision of any rule adopted
under this section. 66885
66886

(I) Before issuing a license, the director of the department
or the director's designee shall conduct a survey of the 66887
66888
residential facility for which application is made. The director 66889
or the director's designee shall conduct a survey of each licensed 66890
residential facility at least once during the period the license 66891
is valid and may conduct additional inspections as needed. A 66892
survey includes but is not limited to an on-site examination and 66893
evaluation of the residential facility, its personnel, and the 66894
services provided there. 66895

In conducting surveys, the director or the director's
designee shall be given access to the residential facility; all 66896
66897
records, accounts, and any other documents related to the 66898
operation of the facility; the licensee; the residents of the 66899
facility; and all persons acting on behalf of, under the control 66900
of, or in connection with the licensee. The licensee and all 66901
persons on behalf of, under the control of, or in connection with 66902
the licensee shall cooperate with the director or the director's 66903
designee in conducting the survey. 66904

Following each survey, unless the director initiates a 66905

license revocation proceeding, the director or the director's 66906
designee shall provide the licensee with a report listing any 66907
deficiencies, specifying a timetable within which the licensee 66908
shall submit a plan of correction describing how the deficiencies 66909
will be corrected, and, when appropriate, specifying a timetable 66910
within which the licensee must correct the deficiencies. After a 66911
plan of correction is submitted, the director or the director's 66912
designee shall approve or disapprove the plan. A copy of the 66913
report and any approved plan of correction shall be provided to 66914
any person who requests it. 66915

The director shall initiate disciplinary action against any 66916
department employee who notifies or causes the notification to any 66917
unauthorized person of an unannounced survey of a residential 66918
facility by an authorized representative of the department. 66919

(J) In addition to any other information which may be 66920
required of applicants for a license pursuant to this section, the 66921
director shall require each applicant to provide a copy of an 66922
approved plan for a proposed residential facility pursuant to 66923
section 5123.042 of the Revised Code. This division does not apply 66924
to renewal of a license or to an applicant for an initial or 66925
modified license who meets the requirements of section ~~5123.193~~ or 66926
5123.197 of the Revised Code. 66927

(K) A licensee shall notify the owner of the building in 66928
which the licensee's residential facility is located of any 66929
significant change in the identity of the licensee or management 66930
contractor before the effective date of the change if the licensee 66931
is not the owner of the building. 66932

Pursuant to rules which shall be adopted in accordance with 66933
Chapter 119. of the Revised Code, the director may require 66934
notification to the department of any significant change in the 66935
ownership of a residential facility or in the identity of the 66936
licensee or management contractor. If the director determines that 66937

a significant change of ownership is proposed, the director shall 66938
consider the proposed change to be an application for development 66939
by a new operator pursuant to section 5123.042 of the Revised Code 66940
and shall advise the applicant within sixty days of the 66941
notification that the current license shall continue in effect or 66942
a new license will be required pursuant to this section. If the 66943
director requires a new license, the director shall permit the 66944
facility to continue to operate under the current license until 66945
the new license is issued, unless the current license is revoked, 66946
refused to be renewed, or terminated in accordance with Chapter 66947
119. of the Revised Code. 66948

(L) A county board of developmental disabilities and any 66949
interested person may file complaints alleging violations of 66950
statute or department rule relating to residential facilities with 66951
the department. All complaints shall be in writing and shall state 66952
the facts constituting the basis of the allegation. The department 66953
shall not reveal the source of any complaint unless the 66954
complainant agrees in writing to waive the right to 66955
confidentiality or until so ordered by a court of competent 66956
jurisdiction. 66957

The department shall adopt rules in accordance with Chapter 66958
119. of the Revised Code establishing procedures for the receipt, 66959
referral, investigation, and disposition of complaints filed with 66960
the department under this division. 66961

(M) The department shall establish procedures for the 66962
notification of interested parties of the transfer or interim care 66963
of residents from residential facilities that are closing or are 66964
losing their license. 66965

(N) Before issuing a license under this section to a 66966
residential facility that will accommodate at any time more than 66967
one mentally retarded or developmentally disabled individual, the 66968
director shall, by first class mail, notify the following: 66969

(1) If the facility will be located in a municipal corporation, the clerk of the legislative authority of the municipal corporation; 66970
66971
66972

(2) If the facility will be located in unincorporated territory, the clerk of the appropriate board of county commissioners and the fiscal officer of the appropriate board of township trustees. 66973
66974
66975
66976

The director shall not issue the license for ten days after mailing the notice, excluding Saturdays, Sundays, and legal holidays, in order to give the notified local officials time in which to comment on the proposed issuance. 66977
66978
66979
66980

Any legislative authority of a municipal corporation, board of county commissioners, or board of township trustees that receives notice under this division of the proposed issuance of a license for a residential facility may comment on it in writing to the director within ten days after the director mailed the notice, excluding Saturdays, Sundays, and legal holidays. If the director receives written comments from any notified officials within the specified time, the director shall make written findings concerning the comments and the director's decision on the issuance of the license. If the director does not receive written comments from any notified local officials within the specified time, the director shall continue the process for issuance of the license. 66981

66993

(0) Any person may operate a licensed residential facility that provides room and board, personal care, habilitation services, and supervision in a family setting for at least six but not more than eight persons with mental retardation or a developmental disability as a permitted use in any residential district or zone, including any single-family residential district or zone, of any political subdivision. These residential facilities may be required to comply with area, height, yard, and 66994

architectural compatibility requirements that are uniformly 67002
imposed upon all single-family residences within the district or 67003
zone. 67004

(P) Any person may operate a licensed residential facility 67005
that provides room and board, personal care, habilitation 67006
services, and supervision in a family setting for at least nine 67007
but not more than sixteen persons with mental retardation or a 67008
developmental disability as a permitted use in any multiple-family 67009
residential district or zone of any political subdivision, except 67010
that a political subdivision that has enacted a zoning ordinance 67011
or resolution establishing planned unit development districts may 67012
exclude these residential facilities from those districts, and a 67013
political subdivision that has enacted a zoning ordinance or 67014
resolution may regulate these residential facilities in 67015
multiple-family residential districts or zones as a conditionally 67016
permitted use or special exception, in either case, under 67017
reasonable and specific standards and conditions set out in the 67018
zoning ordinance or resolution to: 67019

(1) Require the architectural design and site layout of the 67020
residential facility and the location, nature, and height of any 67021
walls, screens, and fences to be compatible with adjoining land 67022
uses and the residential character of the neighborhood; 67023

(2) Require compliance with yard, parking, and sign 67024
regulation; 67025

(3) Limit excessive concentration of these residential 67026
facilities. 67027

(Q) This section does not prohibit a political subdivision 67028
from applying to residential facilities nondiscriminatory 67029
regulations requiring compliance with health, fire, and safety 67030
regulations and building standards and regulations. 67031

(R) Divisions (O) and (P) of this section are not applicable 67032

to municipal corporations that had in effect on June 15, 1977, an 67033
ordinance specifically permitting in residential zones licensed 67034
residential facilities by means of permitted uses, conditional 67035
uses, or special exception, so long as such ordinance remains in 67036
effect without any substantive modification. 67037

(S)(1) The director may issue an interim license to operate a 67038
residential facility to an applicant for a license under this 67039
section if either of the following is the case: 67040

(a) The director determines that an emergency exists 67041
requiring immediate placement of persons in a residential 67042
facility, that insufficient licensed beds are available, and that 67043
the residential facility is likely to receive a permanent license 67044
under this section within thirty days after issuance of the 67045
interim license. 67046

(b) The director determines that the issuance of an interim 67047
license is necessary to meet a temporary need for a residential 67048
facility. 67049

(2) To be eligible to receive an interim license, an 67050
applicant must meet the same criteria that must be met to receive 67051
a permanent license under this section, except for any differing 67052
procedures and time frames that may apply to issuance of a 67053
permanent license. 67054

(3) An interim license shall be valid for thirty days and may 67055
be renewed by the director for a period not to exceed one hundred 67056
fifty days. 67057

(4) The director shall adopt rules in accordance with Chapter 67058
119. of the Revised Code as the director considers necessary to 67059
administer the issuance of interim licenses. 67060

(T) Notwithstanding rules adopted pursuant to this section 67061
establishing the maximum number of persons who may be served in a 67062
particular type of residential facility, a residential facility 67063

shall be permitted to serve the same number of persons being 67064
served by the facility on the effective date of the rules or the 67065
number of persons for which the facility is authorized pursuant to 67066
a current application for a certificate of need with a letter of 67067
support from the department of developmental disabilities and 67068
which is in the review process prior to April 4, 1986. 67069

(U) The director or the director's designee may enter at any 67070
time, for purposes of investigation, any home, facility, or other 67071
structure that has been reported to the director or that the 67072
director has reasonable cause to believe is being operated as a 67073
residential facility without a license issued under this section. 67074

The director may petition the court of common pleas of the 67075
county in which an unlicensed residential facility is located for 67076
an order enjoining the person or governmental agency operating the 67077
facility from continuing to operate without a license. The court 67078
may grant the injunction on a showing that the person or 67079
governmental agency named in the petition is operating a 67080
residential facility without a license. The court may grant the 67081
injunction, regardless of whether the residential facility meets 67082
the requirements for receiving a license under this section. 67083

Section 110.21. That the existing version of section 5123.19 67084
of the Revised Code that is scheduled to take effect on October 1, 67085

evidence regarding the injuries or physical neglect of a person 67319
with mental retardation or a developmental disability or the cause 67320
thereof in any judicial proceeding resulting from a report 67321
submitted pursuant to this section. 67322

SMALL GOVERNMENT FIRE DEPARTMENTS 68524

Notwithstanding section 3737.17 of the Revised Code, the 68525
foregoing appropriation item 800635, Small Government Fire 68526
Departments, may be used to provide loans to private fire 68527
departments. 68528

UNCLAIMED FUNDS PAYMENTS 68529

The foregoing appropriation item 800625, Unclaimed 68530
Funds-Claims, shall be used to pay claims under section 169.08 of 68531
the Revised Code. If it is determined that additional amounts are 68532
necessary, the amounts are appropriated. 68533

UNCLAIMED FUNDS TRANSFERS 68534

Notwithstanding division (A) of section 169.05 of the Revised 68535
Code, during the FY 2012-FY 2013 biennium, the Director of Budget 68536
and Management shall request the Director of Commerce to transfer 68537
to the General Revenue Fund up to \$215,000,000 of unclaimed funds 68538
that have been reported by holders of unclaimed funds under 68539
section 169.05 of the Revised Code, irrespective of the allocation 68540
of the unclaimed funds under that section. The Director of 68541
Commerce shall transfer the funds at the times requested by the 68542
Director of Budget and Management. 68543

FIRE DEPARTMENT GRANTS 68544

Of the foregoing appropriation item 800639, Fire Department 68545
Grants, up to \$1,647,140 in each fiscal year shall be used to make 68546

annual grants to the following eligible recipients: volunteer fire departments, fire departments that serve one or more small municipalities or small townships, joint fire districts comprised of fire departments that primarily serve small municipalities or small townships, local units of government responsible for such fire departments, and local units of government responsible for the provision of fire protection services for small municipalities or small townships. For the purposes of these grants, a private fire company, as that phrase is defined in section 9.60 of the Revised Code, that is providing fire protection services under a contract to a political subdivision of the state, is an additional eligible recipient for a training grant.

Eligible recipients that consist of small municipalities or small townships that all intend to contract with the same fire department or private fire company for fire protection services may jointly apply and be considered for a grant. If a joint applicant is awarded a grant, the State Fire Marshal shall, if feasible, proportionately award the grant and any equipment purchased with grant funds to each of the joint applicants based upon each applicant's contribution to and demonstrated need for fire protection services.

If the grant awarded to joint applicants is an equipment grant and the equipment to be purchased cannot be readily distributed or possessed by multiple recipients, each of the joint applicants shall be awarded by the State Fire Marshal an ownership interest in the equipment so purchased in proportion to each applicant's contribution to and demonstrated need for fire protection services. The joint applicants shall then mutually agree on how the equipment is to be maintained, operated, stored, or disposed of. If, for any reason, the joint applicants cannot agree as to how jointly owned equipment is to be maintained, operated, stored, or disposed of or any of the joint applicants no

longer maintain a contract with the same fire protection service 68579
provider as the other applicants, then the joint applicants shall, 68580
with the assistance of the State Fire Marshal, mutually agree as 68581
to how the jointly owned equipment is to be maintained, operated, 68582
stored, disposed of, or owned. If the joint applicants cannot 68583
agree how the grant equipment is to be maintained, operated, 68584
stored, disposed of, or owned, the State Fire Marshal may, in its 68585
discretion, require all of the equipment acquired by the joint 68586
applicants with grant funds to be returned to the State Fire 68587
Marshal. The State Fire Marshal may then award the returned 68588
equipment to any eligible recipients. 68589

The grants shall be used by recipients to purchase 68590
firefighting or rescue equipment or gear or similar items, to 68591
provide full or partial reimbursement for the documented costs of 68592
firefighter training, or, at the discretion of the State Fire 68593
Marshal, to cover fire department costs for providing fire 68594
protection services in that grant recipient's jurisdiction. 68595

Sec. 267.10.10. OPERATING EXPENSES

69357

The foregoing appropriation item 200321, Operating Expenses, 69358
shall be used to support the same activities as are supported 69359
prior to July 1, 2012, by appropriation items 200100, Personal 69360
Services, and 200320, Maintenance and Equipment. A portion of this 69361
appropriation item also shall be used by the Department of 69362
Education to provide matching funds under 20 U.S.C. 2321, which 69363
are provided by appropriation item 200416, Career-Technical 69364
Education Match, prior to July 1, 2012. 69365

On July 1, 2012, or as soon as possible thereafter, the 69366
Director of Budget and Management shall cancel any existing 69367
encumbrances against appropriation items 200100, Personal 69368
Services, 200320, Maintenance and Equipment, and 200416, 69369
Career-Technical Education Match, and reestablish them against 69370
appropriation item 200321, Operating Expenses. The reestablished 69371
encumbrance amounts are hereby appropriated. 69372

EARLY CHILDHOOD EDUCATION 69373

The Department of Education shall distribute the foregoing 69374
appropriation item 200408, Early Childhood Education, to pay the 69375
costs of early childhood education programs. 69376

(A) As used in this section: 69377

(1) "Provider" means a city, local, exempted village, or 69378
joint vocational school district, or an educational service 69379
center. 69380

(2) In the case of a city, local, or exempted village school 69381
district, "new eligible provider" means a district that did not 69382
receive state funding for Early Childhood Education in the 69383
previous fiscal year or demonstrates a need for early childhood 69384
programs as defined in division (D) of this section. 69385

(3) "Eligible child" means a child who is at least three 69386
years of age as of the district entry date for kindergarten, is 69387
not of the age to be eligible for kindergarten, and whose family 69388
earns not more than two hundred per cent of the federal poverty 69389
guidelines as defined in division (A)(3) of section 5101.46 of the 69390
Revised Code. Children with an Individualized Education Program 69391
and where the Early Childhood Education program is the least 69392
restrictive environment may be enrolled on their third birthday. 69393

(B) In each fiscal year, up to two per cent of the total 69394
appropriation may be used by the Department for program support 69395
and technical assistance. The Department shall distribute the 69396

remainder of the appropriation in each fiscal year to serve 69397
eligible children. 69398

(C) The Department shall provide an annual report to the 69399
Governor, the Speaker of the House of Representatives, and the 69400
President of the Senate and post the report to the Department's 69401
web site, regarding early childhood education programs operated 69402
under this section and the early learning program guidelines. 69403

(D) After setting aside the amounts to make payments due from 69404
the previous fiscal year, in fiscal year 2012, the Department 69405
shall distribute funds first to recipients of funds for early 69406
childhood education programs under Section 265.10.20 of Am. Sub. 69407
H.B. 1 of the 128th General Assembly in the previous fiscal year 69408
and the balance to new eligible providers of early childhood 69409
education programs under this section or to existing providers to 69410
serve more eligible children or for purposes of program expansion, 69411
improvement, or special projects to promote quality and 69412
innovation. 69413

After setting aside the amounts to make payments due from the 69414
previous fiscal year, in fiscal year 2013, the Department shall 69415
distribute funds first to providers of early childhood education 69416
programs under this section in the previous fiscal year and the 69417
balance to new eligible providers or to existing providers to 69418
serve more eligible children or for purposes of program expansion, 69419
improvement, or special projects to promote quality and 69420
innovation. 69421

Awards under this section shall be distributed on a per-pupil 69422
basis, and in accordance with division (H) of this section. The 69423
Department may adjust the per-pupil amount so that the per-pupil 69424
amount multiplied by the number of eligible children enrolled and 69425
receiving services on the first day of December or the business 69426
day closest to that date equals the amount allocated under this 69427
section. 69428

(E) Costs for developing and administering an early childhood education program may not exceed fifteen per cent of the total approved costs of the program.

All providers shall maintain such fiscal control and accounting procedures as may be necessary to ensure the disbursement of, and accounting for, these funds. The control of funds provided in this program, and title to property obtained, shall be under the authority of the approved provider for purposes provided in the program unless, as described in division (J) of this section, the program waives its right for funding or a program's funding is eliminated or reduced due to its inability to meet financial or early learning program guidelines. The approved provider shall administer and use such property and funds for the purposes specified.

(F) The Department may examine a provider's financial and program records. If the financial practices of the program are not in accordance with standard accounting principles or do not meet financial standards outlined under division (E) of this section, or if the program fails to substantially meet the early learning program guidelines, meet a quality rating level in the tiered quality rating and improvement system developed under section 5104.30 of the Revised Code as prescribed by the Department, or exhibits below average performance as measured against the guidelines, the early childhood education program shall propose and implement a corrective action plan that has been approved by the Department. The approved corrective action plan shall be signed by the chief executive officer and the executive of the official governing body of the provider. The corrective action plan shall include a schedule for monitoring by the Department. Such monitoring may include monthly reports, inspections, a timeline for correction of deficiencies, and technical assistance to be provided by the Department or obtained by the early

childhood education program. The Department may withhold funding 69461
pending corrective action. If an early childhood education program 69462
fails to satisfactorily complete a corrective action plan, the 69463
Department may deny expansion funding to the program or withdraw 69464
all or part of the funding to the program and establish a new 69465
eligible provider through a selection process established by the 69466
Department. 69467

(G) Each early childhood education program shall do all of 69468
the following: 69469

(1) Meet teacher qualification requirements prescribed by 69470
section 3301.311 of the Revised Code; 69471

(2) Align curriculum to the early learning content standards 69472
developed by the Department; 69473

(3) Meet any child or program assessment requirements 69474
prescribed by the Department; 69475

(4) Require teachers, except teachers enrolled and working to 69476
obtain a degree pursuant to section 3301.311 of the Revised Code, 69477
to attend a minimum of twenty hours every two years of 69478
professional development as prescribed by the Department; 69479

(5) Document and report child progress as prescribed by the 69480
Department; 69481

(6) Meet and report compliance with the early learning 69482
program guidelines as prescribed by the Department; 69483

(7) Participate in the tiered quality rating and improvement 69484
system developed under section 5104.30 of the Revised Code. 69485
Effective July 1, 2016, all programs shall be rated through the 69486
system. 69487

(H) Per-pupil funding for programs subject to this section 69488
shall be sufficient to provide eligible children with services for 69489
a standard early childhood schedule which shall be defined in this 69490

section as a minimum of twelve and one-half hours per school week 69491
as defined in section 3313.62 of the Revised Code for the minimum 69492
school year as defined in sections 3313.48, 3313.481, and 3313.482 69493
of the Revised Code. Nothing in this section shall be construed to 69494
prohibit program providers from utilizing other funds to serve 69495
eligible children in programs that exceed the twelve and one-half 69496
hours per week or that exceed the minimum school year. For any 69497
provider for which a standard early childhood education schedule 69498
creates a hardship or for which the provider shows evidence that 69499
the provider is working in collaboration with a preschool special 69500
education program, the provider may submit a waiver to the 69501
Department requesting an alternate schedule. If the Department 69502
approves a waiver for an alternate schedule that provides services 69503
for less time than the standard early childhood education 69504
schedule, the Department may reduce the provider's annual 69505
allocation proportionately. Under no circumstances shall an annual 69506
allocation be increased because of the approval of an alternate 69507
schedule. 69508

(I) Each provider shall develop a sliding fee scale based on 69509
family incomes and shall charge families who earn more than two 69510
hundred per cent of the federal poverty guidelines, as defined in 69511
division (A)(3) of section 5101.46 of the Revised Code, for the 69512
early childhood education program. 69513

The Department shall conduct an annual survey of each 69514
provider to determine whether the provider charges families 69515
tuition or fees, the amount families are charged relative to 69516
family income levels, and the number of families and students 69517
charged tuition and fees for the early childhood program. 69518

(J) If an early childhood education program voluntarily 69519
waives its right for funding, or has its funding eliminated for 69520
not meeting financial standards or the early learning program 69521
guidelines, the provider shall transfer control of title to 69522

property, equipment, and remaining supplies obtained through the 69523
program to providers designated by the Department and return any 69524
unexpended funds to the Department along with any reports 69525
prescribed by the Department. The funding made available from a 69526
program that waives its right for funding or has its funding 69527
eliminated or reduced may be used by the Department for new grant 69528
awards or expansion grants. The Department may award new grants or 69529
expansion grants to eligible providers who apply. The eligible 69530
providers who apply must do so in accordance with the selection 69531
process established by the Department. 69532

(K) As used in this section, "early learning program 69533
guidelines" means the guidelines established by the Department 69534
pursuant to division (C)(3) of Section 206.09.54 of Am. Sub. H.B. 69535
66 of the 126th General Assembly. 69536

(L) Eligible expenditures for the Early Childhood Education 69537
program shall be claimed each fiscal year to help meet the state's 69538
TANF maintenance of effort requirement. The Superintendent of 69539
Public Instruction and the Director of Job and Family Services 69540
shall enter into an interagency agreement to carry out the 69541
requirements under this division, which shall include developing 69542
reporting guidelines for these expenditures. 69543

developmental disabilities for eligible students under section 69599
3317.20 of the Revised Code and at institutions for eligible 69600
students under section 3317.201 of the Revised Code. 69601
Notwithstanding the distribution formulas under sections 3317.20 69602
and 3317.201 of the Revised Code, funding for DD boards and 69603
institutions for fiscal year 2012 and fiscal year 2013 shall be 69604
determined by providing the per pupil amount received by each DD 69605
board and institution for the prior fiscal year for each student 69606
served in the current fiscal year. 69607

Of the foregoing appropriation item 200540, Special Education 69608

Sec. 309.30.30. REDUCTION IN MEDICAID PAYMENT RATES 70093

(A) As used in this section, "charge high trim point" means a 70094
 measure, excluding the measure established by paragraph (A)(6) of 70095
 rule 5101:3-2-07.9 of the Administrative Code, used to determine 70096
 whether a claim for a hospital inpatient service qualifies for a 70097
 cost outlier payment under the Medicaid program. 70098

(B) For fiscal year 2012 and fiscal year 2013, the Director 70099
 of Job and Family Services shall implement purchasing strategies 70100
 and rate reductions for hospital and other Medicaid-covered 70101

services, as determined by the Director, that result in payment 70102
rates for those services being at least two per cent less than the 70103
respective payment rates for fiscal year 2011. In implementing the 70104
purchasing strategies and rate reductions, the Director shall do 70105
the following: 70106

(1) Notwithstanding the section of ~~this act~~ Am. Sub. H.B. 153 70107
of the 129th General Assembly titled "CONTINUATION OF MEDICAID 70108
RATES FOR HOSPITAL INPATIENT AND OUTPATIENT SERVICES," modernize 70109
hospital inpatient and outpatient reimbursement methodologies by 70110
doing the following: 70111

(a) Modifying the inpatient hospital capital reimbursement 70112
methodology; 70113

(b) Establishing new diagnosis-related groups in a 70114
cost-neutral manner; 70115

(c) For hospital discharges that occur during the period 70116
beginning October 1, 2011, and ending January 1, 2012, modifying 70117
charge high trim points, as in effect on January 1, 2011, by a 70118
factor of 13.6%; 70119

(d) For hospital discharges that occur during the period 70120
beginning January 1, 2012, and ending on the effective date of the 70121
first of the new diagnosis-related groups established under 70122
division (B)(1)(b) of this section, modifying charge high trim 70123
points, as in effect on October 1, 2011, by a factor of 9.72%; 70124

(e) Implementing other changes the Director considers 70125
appropriate. 70126

(2) Establish selective contracting and prior authorization 70127
requirements for types of medical assistance the Director 70128
identifies. 70129

(C) The Director shall adopt rules under section 5111.02 and 70130
5111.85 of the Revised Code as necessary to implement this 70131

section. The rules adopted to implement divisions (B)(1)(a), (b), and (e) of this section shall include quality factors and quality-based incentive payments.

(D) This section does not apply to nursing facility and intermediate care facility for the mentally retarded services provided under the Medicaid program.

Sec. 309.30.33. HOSPITAL INPATIENT AND OUTPATIENT SUPPLEMENTAL UPPER PAYMENT LIMIT PROGRAM; MEDICAID MANAGED CARE HOSPITAL INCENTIVE PAYMENT PROGRAM

(A) As used in this section:

(1) "Hospital" has the same meaning as in section 5112.40 of the Revised Code.

(2) "Hospital Assessment Fund" means the fund created under section 5112.45 of the Revised Code.

(3) "Medicaid managed care organization" means an entity under contract pursuant to section 5111.17 of the Revised Code to provide or arrange services for Medicaid recipients who are required or permitted to participate in the Medicaid care management system.

(B) The Department of Job and Family Services shall submit to the United States Secretary of Health and Human Services a Medicaid state plan amendment to do both of the following:

(1) Continue the Hospital Inpatient and Outpatient Supplemental Upper Payment Limit Program that was established pursuant to Section 309.30.17 of Am. Sub. H.B. 1 of the 128th General Assembly, with any modifications necessary to implement the program as described under division (D) of this section;

(2) Create the Medicaid Managed Care Hospital Incentive Payment Program, as described under division (E) of this section.

(C) Of the amounts deposited into the Hospital Assessment Fund in fiscal year 2012 and fiscal year 2013: 70161
70162

(1) Up to \$432,432,725 (state and federal) in fiscal year 2012 and up to \$415,162,388 (state and federal) in fiscal year 2013 shall be used for the Hospital Inpatient and Outpatient Supplemental Upper Payment Limit Program; 70163
70164
70165
70166

(2) Up to \$162,000,000 (state and federal) in each fiscal year shall be used for the Medicaid Managed Care Hospital Incentive Payment Program; 70167
70168
70169

(3) Up to \$176,021,111 (state and federal) in fiscal year 2012 and up to \$195,158,394 (state and federal) in fiscal year 2013 shall be used for the program authorized by the section of ~~this act~~ Am. Sub. H.B. 153 of the 129th General Assembly titled "CONTINUATION OF MEDICAID RATES FOR HOSPITAL INPATIENT AND OUTPATIENT SERVICES." 70170
70171
70172
70173
70174
70175

(D)(1) If the Medicaid state plan amendment submitted under division (B)(1) of this section is approved, the Department shall implement the Hospital Inpatient and Outpatient Supplemental Upper Payment Limit Program during fiscal year 2012 and fiscal year 2013. Under the Program, subject to division (D)(2) of this section, supplemental Medicaid payments shall be made to hospitals for Medicaid-covered inpatient and outpatient services. The Department shall make the payments through amounts that are made available for the Program under division (C) of this section and any federal financial participation available for the Program. 70176
70177
70178
70179
70180
70181
70182
70183
70184
70185

(2) The Department shall take all actions necessary to cease implementation of the Program if the United States Secretary determines that the assessment imposed under section 5112.41 of the Revised Code is an impermissible healthcare-related tax under section 1903(w) of the "Social Security Act," 105 Stat. 1793 (1991), 42 U.S.C. 1396b(w), as amended. 70186
70187
70188
70189
70190
70191

(E)(1) If the Medicaid state plan amendment submitted under 70192
division (B)(2) of this section is approved, the Department shall 70193
implement the Medicaid Managed Care Hospital Incentive Payment 70194
Program. The purpose of the Program is to increase access to 70195
hospital services for Medicaid recipients who are enrolled in 70196
Medicaid managed care organizations. 70197

Under the Program, subject to division (E)(3) of this 70198
section, funds shall be provided to Medicaid managed care 70199
organizations, which shall use the funds to increase payments to 70200
hospitals for providing services to Medicaid recipients who are 70201
enrolled in the organizations. The Department shall provide the 70202
funds through amounts that are made available for the Program 70203
under division (C) of this section and any federal financial 70204
participation available for the Program. 70205

(2) Not later than July 1, 2012, the Department shall select 70206
an actuary to conduct a study of the contracted reimbursement 70207
rates between Medicaid managed care organizations and hospitals. 70208
The actuary shall determine if a reduction in the capitation rates 70209
paid to Medicaid managed care organizations in fiscal year 2013 is 70210
appropriate as a result of the contracted reimbursement rates 70211
between the organizations and hospitals. The actuary shall notify 70212
the Department of its determination. 70213

If the actuary determines that a reduction in the capitation 70214
rates paid to Medicaid managed care organizations in fiscal year 70215
2013 will not achieve \$22 million in state savings in fiscal year 70216
2013, the state shall receive the difference between what the 70217
actuary determines the state will save and \$22 million. The 70218
Department, in consultation with the Ohio Association of Health 70219
Plans and the Ohio Hospital Association, shall establish a 70220
methodology under which the difference is paid equally by Medicaid 70221
managed care organizations and hospitals in this state. 70222

Notwithstanding anything to the contrary specified in 70223

division (E)(3)(b) or (c) of this section, the Medicaid managed 70224
care organizations and hospitals shall pay the amounts determined 70225
under the methodology, unless the Department waives the 70226
requirement to make the payments. The requirement may be waived if 70227
spending for the Medicaid program in fiscal year 2013 is less than 70228
the amount that is budgeted for that fiscal year. If payments are 70229
made, the amount received by the Department shall be deposited 70230
into the state treasury to the credit of the Health Care 70231
Compliance Fund created under section ~~5111.171~~ 5111.946 of the 70232
Revised Code. 70233

(3)(a) The Department shall not provide funds to Medicaid 70234
managed care organizations under the Program unless an actuary 70235
selected by the Department certifies that the Program would not 70236
violate the actuarial soundness of the capitation rates paid to 70237
Medicaid managed care organizations. 70238

(b) The Department shall not implement the Program in a 70239
manner that causes a hospital to receive less money from the 70240
Hospital Assessment Fund than the hospital would have received if 70241
the Program were not implemented. 70242

(c) The Department shall not implement the Program in a 70243
manner that causes a Medicaid managed care organization to receive 70244
a lower capitation payment rate solely because funds are made 70245
available to the organization under the Program. 70246

(d) The Department shall take all necessary actions to cease 70247
implementation of the Program if the United States Secretary 70248
determines that the assessment imposed under section 5112.41 of 70249
the Revised Code is an impermissible healthcare-related tax under 70250
section 1903(w) of the "Social Security Act," 105 Stat. 1793 70251
(1991), 42 U.S.C. 1396b(w), as amended. 70252

(F) The Director of Budget and Management may authorize 70253
additional expenditures from appropriation item 600623, Health 70254

Care Federal, appropriation item 600525, Health Care/Medicaid, and 70255
 appropriation item 600656, Medicaid-Hospital, in order to 70256
 implement the programs authorized by this section and to implement 70257
 the section of ~~this act~~ Am. Sub. H.B. 153 of the 129th General 70258
Assembly titled "CONTINUATION OF MEDICAID RATES FOR HOSPITAL 70259
 INPATIENT AND OUTPATIENT SERVICES." Any amounts authorized are 70260
 hereby appropriated. 70261

(G) Nothing in this section reduces payments to children's 70262
 hospitals authorized under the section of ~~this act~~ Am. Sub. H.B. 70263
153 of the 129th General Assembly titled "CHILDREN'S HOSPITALS 70264
 SUPPLEMENTAL FUNDING." 70265

Sec. 309.35.73. HEALTHCARE COMPLIANCE APPROPRIATION 70266

Notwithstanding the provisions of section ~~5111.171~~ 5111.946 70267
 of the Revised Code specifying the uses of the ~~HealthCare~~ Health 70268
Care Compliance Fund, appropriations in appropriation item 600625, 70269
 HealthCare Compliance, may be used for expenses incurred in 70270
 implementation or operation of Health Home programs, contracts for 70271
consultants regarding Medicaid, and for the creation, 70272

 healthcare systems in fiscal year 2012 and fiscal year 2013. 70274

of section 3717.22 of the Revised Code by the Director from being 72549
licensed as a retail food establishment. 72550

by the Director under section 3717.04 of the Revised Code 72552
governing the licensure of micro markets, the operator of a micro 72553

will be released within the following time period, and that the 72561
property owner or lessee must file a bond in the manner required 72562

after the refund or release: 72564

(A) If money was deposited, the Treasurer of State will 72565
refund the money to the property owner or lessee within 180 days 72566

amended by this act; 72573

(C) If a government-issued bond was deposited, the Treasurer 72574

Section 737.60. LUPUS EDUCATION AND AWARENESS PROGRAM 72578

(A) In establishing the Lupus Education and Awareness Program 72579
under sections 3701.77 to 3701.775 of the Revised Code, as enacted 72580
by this act, the General Assembly hereby finds the following: 72581

(1) Lupus is a serious, complex, and debilitating autoimmune 72582
disease that can cause inflammation and tissue damage to virtually 72583
any organ system in the body, including the skin, joints, other 72584
connective tissue, blood and blood vessels, heart, lungs, kidneys, 72585
and brain. 72586

(2) The Lupus Foundation of America, Inc., estimates that 72587
approximately 1.5 to 2 million Americans live with lupus. 72588

(3) According to the Centers for Disease Control and 72589
Prevention, the rate of lupus mortality has increased since the 72590
late 1970s. 72591

(4) The pain and fatigue associated with lupus can threaten 72592
the ability to live independently, maintain employment, and lead a 72593
normal life. One in five individuals with lupus is disabled by the 72594

disease, and consequently receives support from government 72595
programs, including Medicare, Medicaid, Social Security 72596
Disability, and Social Security Supplemental Income. 72597

(5) The estimated average annual cost of medical treatment 72598
for an individual with lupus is between \$10,000 and \$30,000; for 72599
individuals who have the most serious form of lupus, medical costs 72600
can greatly exceed this amount, causing a significant economic, 72601
emotional, and social burden to the entire family and society. 72602

(6) More than half of individuals with lupus suffer four or 72603
more years and visit three or more physicians before obtaining a 72604
diagnosis of lupus; early diagnosis of and treatment for lupus can 72605
prevent or reduce serious organ damage, disability, and death. 72606

(7) Despite the magnitude of lupus and its impact on 72607
individuals and families, health professional and public 72608
understanding of lupus remains low; only one in five Americans can 72609
provide basic information about lupus, and awareness of lupus is 72610
lowest among adults 18 to 34 years of age - the age group most 72611
likely to develop lupus. 72612

(8) Lupus is a significant national health issue that 72613
deserves a comprehensive and coordinated response by state and 72614
federal governments with involvement of the health care provider, 72615
patient, and public health communities. 72616

(B) The purpose of sections 3701.77 to 3701.775 of the 72617
Revised Code, as enacted by this act, is to create a 72618
multi-pronged, statewide program to promote public and health 72619
professional awareness and increase knowledge concerning the 72620
causes and consequences of lupus, the importance of early 72621
diagnosis and appropriate management, and effective treatment and 72622
management strategies by all of the following: 72623

(1) Conducting educational and training programs for health 72624
professionals on lupus diagnosis and management; 72625

(2) Developing and disseminating educational materials and information to patients and health professionals on lupus research results and health care services available;

(3) Designing and implementing a statewide public education campaign aimed at heightening public awareness of lupus;

(4) Leveraging educational and training resources and services previously developed by organizations with appropriate expertise and knowledge of lupus.

(2) Attend any on-site programming specified by the 72682
sentencing court or treatment provider. 72683

(E) Treatment under the program shall be provided by an 72684
alcohol and drug addiction program certified by the Department 72685

under section 3793.06 of the Revised Code. Treatment shall be 72686
based on an integrated service delivery model. The treatment 72687
provider shall do all of the following: 72688

(1) Conduct a professional, comprehensive substance abuse and 72689
mental health diagnostic assessment of each person who is a 72690
potential program participant to determine whether the person is 72691
opioid dependent, alcohol dependent, or opioid and alcohol 72692
dependent and would benefit from substance abuse treatment and 72693
monitoring to address the dependency; 72694

(2) Determine treatment needs for each program participant 72695
based on the diagnostic assessment; 72696

(3) Develop individualized goals and objectives for each 72697

same extent that access may be provided to any other 72707
medication-assisted treatment approved by the United States Food 72708
and Drug Administration; 72709

(7) Monitor program compliance through regular urinalysis 72710
drug testing. 72711

(F) Not later than three months after the program has ended, 72712
Kent State University shall prepare a report of the findings 72713
obtained from the program, along with its recommendations, if any. 72714
The University shall include in the report data derived from the 72715

drug testing performed under the program. In preparing the report, 72716
the University shall obtain assistance from the Department of 72717
Alcohol and Drug Addition Services. When the report is complete, 72718
the University shall submit the report to the Governor; President 72719
of the Senate; Speaker of the House of Representatives; 72720

Section 751.20. The amendments by this act to Section 3 of 72955
Am. Sub. S.B. 38 of the 120th General Assembly eliminate the 72956
