Two members of the commission constitute a quorum, and the 3445
affirmative vote of two members is necessary for approval of any 3446

state agencies that may be authorized by legislative 3492
appropriations or any other funds made available therefor, 3493
provided that the construction of the projects, improvements, or 3494
public buildings is a statutory duty of the commission. This 3495
section does not require the independent employment of an 3496
architect or engineer as provided by section 153.01 of the Revised 3497
Code in the cases to which section 153.01 of the Revised Code 3498
applies. This section does not affect or alter the existing powers 3499
of the director of transportation. 3500

~~An appointing authority whose employees are paid directly by~~ 4260
~~warrant of the director of budget and management may appoint a~~ 4261

~~the person's appointment to the position in the unclassified~~ 4269
~~service, regardless of the number of positions the person held in~~ 4270
~~the unclassified service. An employee's right to resume a position~~ 4271
~~in the classified service may only be exercised when an appointing~~ 4272
~~authority demotes the employee to a pay range lower than the~~ 4273
~~employee's current pay range or revokes the employee's appointment~~ 4274
~~to the unclassified service- and:~~ 4275

of a felony. ~~An employee also forfeits the right to resume a 4291
position in the classified service upon; or 4292~~

(b) Upon transfer to a different agency. 4293

(4) Reinstatement to a position in the classified service 4294
shall be to a position substantially equal to that position in the 4295
classified service held previously, as certified by the director 4296
of administrative services. If the position the person previously 4297
held in the classified service has been placed in the unclassified 4298
service or is otherwise unavailable, the person shall be appointed 4299
to a position in the classified service within the appointing 4300
authority's agency that the director of administrative services 4301
certifies is comparable in compensation to the position the person 4302

in the unclassified service shall be counted as service in the 4304
position in the classified service held by the person immediately 4305

unclassified service. When a person is reinstated to a position in 4307
the classified service as provided in this division, the person is 4308
entitled to all rights, status, and benefits accruing to the 4309
position in the classified service during the person's time of 4310

(B) On the date an appointing authority appoints an employee 4316
to an unclassified position in the state service, the appointing 4317
authority shall provide the employee with written information 4318
describing the nature of employment in the unclassified civil 4319
service. Within thirty days after the date an appointing authority 4320

appoints an employee to an unclassified position in the state 4321
service, the appointing authority shall provide the employee with 4322
written information describing the duties of that position. 4323
Failure of the appointing authority to provide the written 4324
information described in this division to the employee does not 4325
confer any additional rights upon the employee in any appellate 4326
body with jurisdiction over an appeal of the employee. 4327

(C) The department shall develop and provide each appointing 4328
authority in the ~~state~~ service of the state with a general written 4329

classification plan for all positions, offices, and employments 4335
the salaries of which are paid in whole or in part by the state. 4336
The director shall group jobs within a classification so that the 4337
positions are similar enough in duties and responsibilities to be 4338
described by the same title, to have the same pay assigned with 4339
equity, and to have the same qualifications for selection applied. 4340
The director shall, by rule, assign a classification title to each 4341
classification within the classification plan. However, the 4342
director shall consider in establishing classifications, including 4343
classifications with parenthetical titles, and assigning pay 4344
ranges such factors as duties performed only on one shift, special 4345
skills in short supply in the labor market, recruitment problems, 4346
separation rates, comparative salary rates, the amount of training 4347
required, and other conditions affecting employment. The director 4348
shall describe the duties and responsibilities of the class, 4349
establish the qualifications for being employed in each position 4350
in the class, and file with the secretary of state a copy of 4351
specifications for all of the classifications. The director shall 4352

file new, additional, or revised specifications with the secretary 4353
of state before they are used. 4354

The director shall, by rule, assign each classification, 4355
either on a statewide basis or in particular counties or state 4356
institutions, to a pay range established under section 124.15 or 4357
section 124.152 of the Revised Code. The director may assign a 4358
classification to a pay range on a temporary basis for a period of 4359
six months. The director may establish, by rule adopted under 4360
Chapter 119. of the Revised Code, experimental classification 4361
plans for some or all employees paid directly by warrant of the 4362
director of budget and management. The rule shall include 4363
specifications for each classification within the plan and shall 4364
specifically address compensation ranges, and methods for 4365
advancing within the ranges, for the classifications, which may be 4366
assigned to pay ranges other than the pay ranges established under 4367
section 124.15 or 124.152 of the Revised Code. 4368

(2) The director of administrative services may reassign to a 4369
proper classification those positions that have been assigned to 4370
an improper classification. If the compensation of an employee in 4371
such a reassigned position exceeds the maximum rate of pay for the 4372
employee's new classification, the employee shall be placed in pay 4373
step X and shall not receive an increase in compensation until the 4374
maximum rate of pay for that classification exceeds the employee's 4375
compensation. 4376

(3) The director may reassign an exempt employee, as defined 4377
in section 124.152 of the Revised Code, to a bargaining unit 4378
classification if the director determines that the bargaining unit 4379
classification is the proper classification for that employee. 4380
Notwithstanding Chapter 4117. of the Revised Code or instruments 4381
and contracts negotiated under it, these placements are at the 4382
director's discretion. 4383

(4) The director shall, by rule, assign related 4384

classifications, which form a career progression, to a 4385
classification series. The director shall, by rule, assign each 4386
classification in the classification plan a five-digit number, the 4387
first four digits of which shall denote the classification series 4388
to which the classification is assigned. When a career progression 4389
encompasses more than ten classifications, the director shall, by 4390
rule, identify the additional classifications belonging to a 4391
classification series. The additional classifications shall be 4392
part of the classification series, notwithstanding the fact that 4393
the first four digits of the number assigned to the additional 4394
classifications do not correspond to the first four digits of the 4395
numbers assigned to other classifications in the classification 4396
series. 4397

~~(5) The director may establish, modify, or rescind a 4398
classification plan for county agencies that elect not to use the 4399
services and facilities of a county personnel department. The 4400
director shall establish any such classification plan by means of 4401
rules adopted under Chapter 119. of the Revised Code. The rules 4402
shall include a methodology for the establishment of titles unique 4403
to county agencies, the use of state classification titles and 4404
classification specifications for common positions, the criteria 4405
for a county to meet in establishing its own classification plan, 4406
and the establishment of what constitutes a classification series 4407
for county agencies. The director may assess a county agency that 4408
chooses to use the classification plan a usage fee the director 4409
determines. All usage fees the department of administrative 4410
services receives shall be paid into the state treasury to the 4411
credit of the human resources fund created in section 124.07 of 4412
the Revised Code. 4413~~

most appropriate classification for the position of any employee 4469
coming before the board, with or without a job audit. The board 4470
shall disallow any reclassification or reassignment classification 4471

(b) Notwithstanding any other section of the Revised Code, 4487

the affected employees. 4491

continue to operate pursuant to the applicable rules adopted by 4518
the director of administrative services under this chapter. 4519

(G)(1) Each board of county commissioners may, by a 4520
resolution adopted by a majority of its members, establish a 4521

of the county, except for the powers and duties of the state 4532
personnel board of review, which powers and duties shall not be 4533
construed as having been modified or diminished in any manner by 4534
division (G)(2) of this section, with respect to the employees for 4535
whom the board of county commissioners is the appointing authority 4536
or co-appointing authority. 4537

(b) Nothing in division (G)(2) of this section shall be 4538
construed to limit the right of any employee who possesses the 4539
right of appeal to the state personnel board of review to continue 4540
to possess that right of appeal. 4541

(c) Any board of county commissioners that has established a 4542

any elected official, board, agency, or other appointing authority 4550
of that county, upon written notification to the county personnel 4551
department, may elect to use the services and facilities of the 4552
county personnel department. Upon receipt of the notification by 4553

the rate of employees serving in the same or similar 4629
classifications. This division does not apply to elected 4630
officials, legislative employees, employees of the legislative 4631
service commission, employees who are in the unclassified civil 4632

administrative services or the director's designee shall whenever 4648
practicable arrange for special examinations to be administered to 4649
legally blind or legally deaf persons applying for positions in 4650
the classified service of the state to ensure that the abilities 4651
of such applicants are properly assessed and that such applicants 4652
are not subject to discrimination because they are legally blind 4653
or legally deaf persons. 4654

Sec. 124.241. As used in this section, "professional 4655
employee" has the same meaning as in section 5126.20 of the 4656
Revised Code and "registered service employee" means a service 4657

~~services pursuant to section 124.23 of the Revised Code.~~ 4665

Sec. 124.25. The director of administrative services shall 4666
require persons applying for an examination for original 4667

state the applicant's name, address, and such other information as 4671
may reasonably be required concerning the applicant's education 4672
and experience. No inquiry shall be made as to religious or 4673
political affiliations or as to racial or ethnic origin of the 4674
applicant, except as necessary to gather equal employment 4675
opportunity or other statistics that, when compiled, will not 4676
identify any specific individual. 4677

Blank forms for applications shall be furnished by the 4678
director or the director's designee without charge to any person 4679
requesting the same. The director or the director's designee may 4680

application or examination, in establishing eligibility, or 4695
securing an appointment. 4696

Sec. 124.26. From the returns of ~~the~~ examinations for 4697
positions in the service of the state, the director of 4698
administrative services or the director's designee shall prepare 4699

an eligible list of the persons whose general average standing 4700
upon examinations for the class or position is not less than the 4701
minimum fixed by the rules of the director, and who are otherwise 4702
eligible. Those persons shall take rank upon the eligible list as 4703
candidates in the order of their relative excellence as determined 4704
by the examination without reference to priority of the time of 4705
examination. If two or more applicants receive the same mark in an 4706
open competitive examination, priority in the time of filing the 4707
application with the director or the director's designee shall 4708
determine the order in which their names shall be placed on the 4709
eligible list, except that applicants eligible for veteran's 4710
preference under section 124.23 of the Revised Code shall receive 4711
priority in rank on the eligible list over nonveterans on the list 4712
with a rating equal to that of the veteran. Ties among veterans 4713
shall be decided by priority of filing the application. 4714

- An eligible list expires upon the filling or closing of the 4715
position. An expired eligible list may be used to fill a position 4716
of the same classification within the same appointing authority 4717
for which the list was created. But, in no event shall an expired 4718
list be used more than one year past its expiration date. 4719

classified civil service of the state, that are not filled by 4721
promotion, transfer, or reduction, as provided in sections 124.01 4722
to 124.64 of the Revised Code and the rules of the director 4723
prescribed under those sections, shall be made only from those 4724
persons whose names take rank order on an eligible list, and no 4725
employment, except as provided in those sections, shall be 4726
otherwise given in the classified civil service of this state ~~or~~ 4727
~~any political subdivision of the state~~. The appointing authority 4728
shall appoint in the following manner: each time a selection is 4729
made, it shall be from one of the names that ranks in the top 4730
twenty-five per cent of the eligible list. But, in the event that 4731

ten or fewer names are on the eligible list, the appointing 4732
authority may select any of the listed candidates, or if the top 4733
twenty-five per cent of the eligible list is ten or fewer names, 4734
the appointing authority may select from one of the names that 4735
rank in the top ten of the eligible list. Each person who 4736
qualifies for the veteran's preference under section 124.23 of the 4737
Revised Code, who is a resident of this state, and whose name is 4738
on the eligible list for a position is entitled to preference in 4739
original appointment to any such competitive position in the 4740
classified civil service of the state ~~and its civil divisions~~ over 4741
all other persons who are eligible for those appointments and who 4742
are standing on the relevant eligible list with a rating equal to 4743
that of the person qualifying for the veteran's preference. 4744

(B) All original and promotional appointments in the civil 4745
service of the state, including appointments made pursuant to 4746
section 124.30 of the Revised Code, but not intermittent 4747
appointments, shall be for a probationary period, not less than 4748
sixty days nor more than one year, to be fixed by the rules of the 4749
director, except as provided in section 124.231 of the Revised 4750
Code, and except for original appointments to a police department 4751
as a police officer or to a fire department as a firefighter which 4752
shall be for a probationary period of one year. No appointment or 4753
promotion is final until the appointee has satisfactorily served 4754
the probationary period. If the service of the probationary 4755
employee is unsatisfactory, the employee may be removed or reduced 4756
at any time during the probationary period. If the appointing 4757
authority decides to remove a probationary employee in the service 4758
of the state, the appointing authority shall communicate the 4759
removal to the director. A probationary employee duly removed or 4760
reduced in position for unsatisfactory service does not have the 4761
right to appeal the removal or reduction under section 124.34 of 4762
the Revised Code. 4763

Sec. 124.30. (A) ~~Positions~~ Classified positions in the 4764
classified civil service of the state may be filled without 4765
competition as follows: 4766

(1) Whenever there are urgent reasons for filling a vacancy 4767
in any position in the classified civil service of the state and 4768
the director of administrative services is unable to certify to 4769
the appointing authority, upon its request, a list of persons 4770
eligible for appointment to the position after a competitive 4771
examination, the appointing authority may fill the position by 4772
noncompetitive examination. 4773

A temporary appointment may be made without regard to the 4774
rules of sections 124.01 to 124.64 of the Revised Code. Except as 4775
otherwise provided in this division, the temporary appointment may 4776
not continue longer than one hundred twenty days, and in no case 4777
shall successive temporary appointments be made. A temporary 4778
appointment longer than one hundred twenty days may be made if 4779
necessary by reason of sickness, disability, or other approved 4780
leave of absence of regular officers or employees, in which case 4781
it may continue during the period of sickness, disability, or 4782
other approved leave of absence, subject to the rules of the 4783
director. 4784

(2) In case of a vacancy in a position in the classified 4785
civil service of the state where peculiar and exceptional 4786
qualifications of a scientific, managerial, professional, or 4787
educational character are required, and upon satisfactory evidence 4788
that for specified reasons competition in this special case is 4789
impracticable and that the position can best be filled by a 4790
selection of some designated person of high and recognized 4791
attainments in those qualities, the director may suspend the 4792

be general in its application. All such cases of suspension shall 4795
be reported in the annual report of the director with the reasons 4796
for each suspension. The director shall suspend the provisions 4797
when the director of job and family services provides the 4798
certification under section 5101.051 of the Revised Code that a 4799
position with the department of job and family services can best 4800
be filled if the provisions are suspended. 4801

(3) The acceptance or refusal by an eligible person of a 4802
temporary appointment shall not affect the person's standing on 4803
the eligible list for permanent appointment, nor shall the period 4804
of temporary service be counted as a part of the probationary 4805
service in case of subsequent appointment to a permanent position. 4806

(B) Persons who receive temporary or intermittent 4807
appointments are in the unclassified civil service and serve at 4808

each employee in the classified civil service of the state, and 4814
for making promotions in the classified civil service of the state 4815
on the basis of merit and by conduct and capacity in office. 4816

Sec. 125.05. Except as provided in division (F) of this 4817

from or through the department of administrative services, 4824

whichever the agency determines. The agency shall adopt written 4825
procedures consistent with the department's purchasing procedures 4826
and shall use those procedures when making purchases under this 4827
division. 4828

(B) Subject to division (E) of this section and in accordance 4829
with section 125.051 of the Revised Code, a state agency may make 4830

the purchases comply with the department's purchasing procedures. 4835
Section 127.16 of the Revised Code does not apply to purchases 4836

provided in division (A) of this section. 4842

(C) Subject to division (E) of this section, a state agency 4843
wanting to purchase supplies or services that cost more than 4844
twenty-five thousand dollars shall, unless otherwise authorized by 4845
law, make the purchase from or through the department. The 4846
department shall make the purchase by competitive selection. If 4847
the director of administrative services determines that it is not 4848
possible or not advantageous to the state for the department to 4849
make the purchase, the department shall grant the agency a release 4850
and permit under section 125.06 of the Revised Code to make the 4851
purchase. Section 127.16 of the Revised Code does not apply to 4852
purchases the department makes under this section. 4853

(D) An agency that has been granted a release and permit to 4854
make a purchase may make the purchase without competitive 4855
selection if after making the purchase the cumulative purchase 4856

threshold as computed under division (E) of section 127.16 of the Revised Code would:

(1) Be exceeded and the controlling board approves the purchase;

(2) Not be exceeded and the department of administrative services approves the purchase.

(F) If ~~the eTech Ohio commission,~~ the department of education, or the Ohio education computer network determines that it can purchase software services or supplies for specified school districts at a price less than the price for which the districts could purchase the same software services or supplies for themselves, ~~the commission,~~ department, or network shall certify that fact to the department of administrative services and, acting as an agent for the specified school districts, shall make that purchase without following the provisions in divisions (A) to (D) of this section.

Sec. 125.082. (A) When purchasing equipment, materials, or supplies, the general assembly; the offices of all elected state officers; all departments, boards, offices, commissions, agencies, institutions, including, without limitation, state-supported institutions of higher education, and other instrumentalities of this state; the supreme court; all courts of appeals; and all courts of common pleas, may purchase recycled products in accordance with the guidelines adopted under division (B) of this section if the products are available and meet the performance

specifications of the procuring entities. Purchases of recycled products shall comply with any rules adopted under division (C) of this section.

(B) The director of administrative services shall adopt rules in accordance with Chapter 119. of the Revised Code establishing guidelines for the procurement of recycled products pursuant to division (A) of this section. To the extent practicable, the guidelines shall do all of the following:

(2) Establish the minimum percentage of recycled materials the various products shall contain in order to be considered "recycled" for the purposes of division (A) of this section;

(3) So far as practicable and economically feasible, incorporate specifications for recycled-content materials to promote the use and purchase of recycled products by state agencies.

elected state officers; and all departments, boards, offices, 4920
commissions, agencies, and institutions of this state. 4921

Sec. 125.14. (A) The director of administrative services 4922
shall allocate any proceeds from the transfer, sale, or lease of 4923
excess and surplus supplies in the following manner: 4924

(1) Except as otherwise provided in division (A)(2) of this 4925
section, the proceeds of such a transfer, sale, or lease shall be 4926
paid into the state treasury to the credit of the investment 4927
recovery fund, which is hereby created. 4928

(2) Except as otherwise provided in division (A)(2) of this 4929
section, when supplies originally were purchased with funds from 4930
nongeneral revenue fund sources, the director shall determine what 4931
fund or account originally was used to purchase the supplies, and 4932
the credit for the proceeds from any transfer, sale, or lease of 4933
those supplies shall be transferred to that fund or account. If 4934
the director cannot determine which fund or account originally was 4935
used to purchase the supplies, if the fund or account is no longer 4936
active, or if the proceeds from the transfer, sale, or lease of a 4937
unit of supplies are less than one hundred dollars or any larger 4938
amount the director may establish with the approval of the 4939
director of budget and management, then the proceeds from the 4940
transfer, sale, or lease of such supplies shall be paid into the 4941
state treasury to the credit of the investment recovery fund. 4942

(B) The investment recovery fund shall be used to pay for the 4943
operating expenses of the state surplus property program. Any 4944
amounts in excess of these operating expenses shall periodically 4945
be transferred to the general revenue fund of the state. If 4946
proceeds paid into the investment recovery fund are insufficient 4947
to pay for the program's operating expenses, a service fee may be 4948
charged to state agencies to eliminate the deficit. 4949

(C) Proceeds from the sale of recyclable goods and materials 4950
shall be paid into the state treasury to the credit of the 4951
recycled materials fund, which is hereby created, except that the 4952

except that the director of budget and management may approve the 4962
release of money appropriated for specific projects in accordance 4963
with the requirements of this section and except that the director 4964
of budget and management may approve the release of unencumbered 4965

public exigency declared to exist by the director of 4967
administrative services under section ~~123.15~~ 123.10 of the Revised 4968
Code, or by the executive director of the Ohio facilities 4969
construction commission under section 123.23 of the Revised Code, 4970

determine which appropriations are for general projects and which 4974
are for specific projects. Specific projects may include specific 4975
higher education projects that are to be funded from general 4976
purpose appropriations from the higher education improvement fund 4977
created in section 154.21 of the Revised Code. Upon determining 4978
which projects are general and which are specific, the director 4979
shall submit to the controlling board a list that includes a brief 4980

from the higher education improvement fund but that are not 4984
included on the list, and the release of money for any specific 4985
higher education projects included on the list that will exceed 4986
the estimated expenditures by more than ten per cent, are subject 4987
to the approval of the controlling board. The director may create 4988
new appropriation line items and make transfers of appropriations 4989

reason of race, creed, color, or national origin, after an 5351
opportunity to be heard upon written charges, said lease may be 5352
terminated at the time, in the manner and with consequences 5353
therein provided. If any such lease does not contain terms to the 5354

to contain such terms which shall be implemented as determined by 5356
the governing body of the lessor. 5357

in connection with such acquisition or the leasing of such land 5380
and hospital facilities thereon to one or more hospital agencies, 5381
enter into an agreement with the hospital agency which owns such 5382

salary during the month, and the denominator shall be two hundred 5759
fifty dollars, except that if the member's annual earnable salary 5760
is less than six hundred dollars, the member's credit shall not be 5761
reduced below twenty per cent of a year for a calendar year of 5762
employment during which the member worked each month. Division 5763

the member's contribution would have increased, plus interest on 5803
that contribution, compounded annually at a rate established by 5804
the board and computed from the date on which the last 5805
contribution would have been withheld from the member's salary to 5806
the date of payment. A member may make a payment for part of the 5807
period for which the increased contribution was not withheld, in 5808
which case the interest shall be computed from the date the last 5809
contribution would have been withheld for the period for which the 5810
payment is made. Upon the payment of the increased contributions 5811
as provided in this division, the increased annual salary as 5812
provided by law for the office for the period for which the member 5813

Subject to division (B)(8) of this section, upon request, a public office or

person responsible for public records shall make copies of the 6350
requested public record available at cost and within a reasonable 6351
period of time. If a public record contains information that is 6352
exempt from the duty to permit public inspection or to copy the 6353
public record, the public office or the person responsible for the 6354
public record shall make available all of the information within 6355
the public record that is not exempt. When making that public 6356
record available for public inspection or copying that public 6357
record, the public office or the person responsible for the public 6358
record shall notify the requester of any redaction or make the 6359
redaction plainly visible. A redaction shall be deemed a denial of 6360
a request to inspect or copy the redacted information, except if 6361
federal or state law authorizes or requires a public office to 6362
make the redaction. 6363

(2) To facilitate broader access to public records, a public 6364

available for inspection or copying in accordance with division 6367
(B) of this section. A public office also shall have available a 6368
copy of its current records retention schedule at a location 6369
readily available to the public. If a requester makes an ambiguous 6370
or overly broad request or has difficulty in making a request for 6371
copies or inspection of public records under this section such 6372
that the public office or the person responsible for the requested 6373
public record cannot reasonably identify what public records are 6374
being requested, the public office or the person responsible for 6375
the requested public record may deny the request but shall provide 6376
the requester with an opportunity to revise the request by 6377
informing the requester of the manner in which records are 6378

course of the public office's or person's duties. 6380

(3) If a request is ultimately denied, in part or in whole, 6381

the public office or the person responsible for the requested 6382

including legal authority, setting forth why the request was 6384
denied. If the initial request was provided in writing, the 6385
explanation also shall be provided to the requester in writing. 6386
The explanation shall not preclude the public office or the person 6387
responsible for the requested public record from relying upon 6388
additional reasons or legal authority in defending an action 6389
commenced under division (C) of this section. 6390

(4) Unless specifically required or authorized by state or 6391
federal law or in accordance with division (B) of this section, no 6392
public office or person responsible for public records may limit 6393
or condition the availability of public records by requiring 6394
disclosure of the requester's identity or the intended use of the 6395
requested public record. Any requirement that the requester 6396
disclose the requestor's identity or the intended use of the 6397
requested public record constitutes a denial of the request. 6398

(5) A public office or person responsible for public records 6399
may ask a requester to make the request in writing, may ask for 6400
the requester's identity, and may inquire about the intended use 6401
of the information requested, but may do so only after disclosing 6402
to the requester that a written request is not mandatory and that 6403
the requester may decline to reveal the requester's identity or 6404
the intended use and when a written request or disclosure of the 6405
identity or intended use would benefit the requester by enhancing 6406
the ability of the public office or person responsible for public 6407
records to identify, locate, or deliver the public records sought 6408
by the requester. 6409

(6) If any person chooses to obtain a copy of a public record 6410
in accordance with division (B) of this section, the public office 6411
or person responsible for the public record may require that 6412
person to pay in advance the cost involved in providing the copy 6413

of the public record in accordance with the choice made by the 6414
person seeking the copy under this division. The public office or 6415
the person responsible for the public record shall permit that 6416
person to choose to have the public record duplicated upon paper, 6417
upon the same medium upon which the public office or person 6418
responsible for the public record keeps it, or upon any other 6419
medium upon which the public office or person responsible for the 6420
public record determines that it reasonably can be duplicated as 6421
an integral part of the normal operations of the public office or 6422
person responsible for the public record. When the person seeking 6423
the copy makes a choice under this division, the public office or 6424
person responsible for the public record shall provide a copy of 6425
it in accordance with the choice made by the person seeking the 6426
copy. Nothing in this section requires a public office or person 6427
responsible for the public record to allow the person seeking a 6428
copy of the public record to make the copies of the public record. 6429

(7) Upon a request made in accordance with division (B) of 6430
this section and subject to division (B)(6) of this section, a 6431
public office or person responsible for public records shall 6432
transmit a copy of a public record to any person by United States 6433
mail or by any other means of delivery or transmission within a 6434
reasonable period of time after receiving the request for the 6435
copy. The public office or person responsible for the public 6436
record may require the person making the request to pay in advance 6437
the cost of postage if the copy is transmitted by United States 6438
mail or the cost of delivery if the copy is transmitted other than 6439
by United States mail, and to pay in advance the costs incurred 6440
for other supplies used in the mailing, delivery, or transmission. 6441

Any public office may adopt a policy and procedures that it 6442
will follow in transmitting, within a reasonable period of time 6443
after receiving a request, copies of public records by United 6444
States mail or by any other means of delivery or transmission 6445

pursuant to this division. A public office that adopts a policy 6446
and procedures under this division shall comply with them in 6447
performing its duties under this division. 6448

In any policy and procedures adopted under this division, a 6449
public office may limit the number of records requested by a 6450
person that the office will transmit by United States mail to ten 6451
per month, unless the person certifies to the office in writing 6452
that the person does not intend to use or forward the requested 6453
records, or the information contained in them, for commercial 6454
purposes. For purposes of this division, "commercial" shall be 6455
narrowly construed and does not include reporting or gathering 6456
news, reporting or gathering information to assist citizen 6457
oversight or understanding of the operation or activities of 6458
government, or nonprofit educational research. 6459

(8) A public office or person responsible for public records 6460
is not required to permit a person who is incarcerated pursuant to 6461
a criminal conviction or a juvenile adjudication to inspect or to 6462
obtain a copy of any public record concerning a criminal 6463
investigation or prosecution or concerning what would be a 6464
criminal investigation or prosecution if the subject of the 6465
investigation or prosecution were an adult, unless the request to 6466
inspect or to obtain a copy of the record is for the purpose of 6467
acquiring information that is subject to release as a public 6468
record under this section and the judge who imposed the sentence 6469
or made the adjudication with respect to the person, or the 6470
judge's successor in office, finds that the information sought in 6471
the public record is necessary to support what appears to be a 6472
justiciable claim of the person. 6473

(9)(a) Upon written request made and signed by a journalist 6474
on or after December 16, 1999, a public office, or person 6475

title and the name and address of the journalist's employer and 6499
shall state that disclosure of the information sought would be in 6500
the public interest. 6501

(b) Division (B)(9)(a) of this section also applies to 6502
journalist requests for customer information maintained by a 6503
municipally owned or operated public utility, other than social 6504
security numbers and any private financial information such as 6505
credit reports, payment methods, credit card numbers, and bank 6506

common pleas of the county in which division (B) of this section 6529
allegedly was not complied with, in the supreme court pursuant to 6530
its original jurisdiction under Section 2 of Article IV, Ohio 6531
Constitution, or in the court of appeals for the appellate 6532
district in which division (B) of this section allegedly was not 6533
complied with pursuant to its original jurisdiction under Section 6534
3 of Article IV, Ohio Constitution. 6535

If a requestor transmits a written request by hand delivery 6536
or certified mail to inspect or receive copies of any public 6537
record in a manner that fairly describes the public record or 6538
class of public records to the public office or person responsible 6539
for the requested public records, except as otherwise provided in 6540
this section, the requestor shall be entitled to recover the 6541

amount of statutory damages set forth in this division if a court 6542
determines that the public office or the person responsible for 6543
public records failed to comply with an obligation in accordance 6544
with division (B) of this section. 6545

The amount of statutory damages shall be fixed at one hundred 6546
dollars for each business day during which the public office or 6547
person responsible for the requested public records failed to 6548
comply with an obligation in accordance with division (B) of this 6549
section, beginning with the day on which the requester files a 6550
mandamus action to recover statutory damages, up to a maximum of 6551
one thousand dollars. The award of statutory damages shall not be 6552
construed as a penalty, but as compensation for injury arising 6553
from lost use of the requested information. The existence of this 6554
injury shall be conclusively presumed. The award of statutory 6555
damages shall be in addition to all other remedies authorized by 6556
this section. 6557

The court may reduce an award of statutory damages or not 6558
award statutory damages if the court determines both of the 6559
following: 6560

(a) That, based on the ordinary application of statutory law 6561
and case law as it existed at the time of the conduct or 6562
threatened conduct of the public office or person responsible for 6563
the requested public records that allegedly constitutes a failure 6564
to comply with an obligation in accordance with division (B) of 6565
this section and that was the basis of the mandamus action, a 6566
well-informed public office or person responsible for the 6567
requested public records reasonably would believe that the conduct 6568
or threatened conduct of the public office or person responsible 6569
for the requested public records did not constitute a failure to 6570
comply with an obligation in accordance with division (B) of this 6571
section; 6572

(b) That a well-informed public office or person responsible 6573

for the requested public records reasonably would believe that the 6574
conduct or threatened conduct of the public office or person 6575
responsible for the requested public records would serve the 6576
public policy that underlies the authority that is asserted as 6577
permitting that conduct or threatened conduct. 6578

(2)(a) If the court issues a writ of mandamus that orders the 6579
public office or the person responsible for the public record to 6580
comply with division (B) of this section and determines that the 6581
circumstances described in division (C)(1) of this section exist, 6582
the court shall determine and award to the relator all court 6583
costs. 6584

(b) If the court renders a judgment that orders the public 6585
office or the person responsible for the public record to comply 6586
with division (B) of this section, the court may award reasonable 6587
attorney's fees subject to reduction as described in division 6588
(C)(2)(c) of this section. The court shall award reasonable 6589
attorney's fees, subject to reduction as described in division 6590
(C)(2)(c) of this section when either of the following applies: 6591

(i) The public office or the person responsible for the 6592
public records failed to respond affirmatively or negatively to 6593
the public records request in accordance with the time allowed 6594
under division (B) of this section. 6595

(ii) The public office or the person responsible for the 6596
public records promised to permit the relator to inspect or 6597
receive copies of the public records requested within a specified 6598
period of time but failed to fulfill that promise within that 6599
specified period of time. 6600

(c) Court costs and reasonable attorney's fees awarded under 6601
this section shall be construed as remedial and not punitive. 6602
Reasonable attorney's fees shall include reasonable fees incurred 6603
to produce proof of the reasonableness and amount of the fees and 6604

to otherwise litigate entitlement to the fees. The court may 6605
reduce an award of attorney's fees to the relator or not award 6606
attorney's fees to the relator if the court determines both of the 6607
following: 6608

(i) That, based on the ordinary application of statutory law 6609
and case law as it existed at the time of the conduct or 6610
threatened conduct of the public office or person responsible for 6611
the requested public records that allegedly constitutes a failure 6612
to comply with an obligation in accordance with division (B) of 6613
this section and that was the basis of the mandamus action, a 6614
well-informed public office or person responsible for the 6615
requested public records reasonably would believe that the conduct 6616
or threatened conduct of the public office or person responsible 6617
for the requested public records did not constitute a failure to 6618
comply with an obligation in accordance with division (B) of this 6619
section; 6620

(ii) That a well-informed public office or person responsible 6621
for the requested public records reasonably would believe that the 6622
conduct or threatened conduct of the public office or person 6623
responsible for the requested public records as described in 6624
division (C)(2)(c)(i) of this section would serve the public 6625
policy that underlies the authority that is asserted as permitting 6626
that conduct or threatened conduct. 6627

(D) Chapter 1347. of the Revised Code does not limit the 6628
provisions of this section. 6629

(E)(1) To ensure that all employees of public offices are 6630
appropriately educated about a public office's obligations under 6631
division (B) of this section, all elected officials or their 6632
appropriate designees shall attend training approved by the 6633
attorney general as provided in section 109.43 of the Revised 6634
Code. In addition, all public offices shall adopt a public records 6635
policy in compliance with this section for responding to public 6636

records requests. In adopting a public records policy under this 6637
division, a public office may obtain guidance from the model 6638
public records policy developed and provided to the public office 6639
by the attorney general under section 109.43 of the Revised Code. 6640
Except as otherwise provided in this section, the policy may not 6641
limit the number of public records that the public office will 6642
make available to a single person, may not limit the number of 6643
public records that it will make available during a fixed period 6644
of time, and may not establish a fixed period of time before it 6645
will respond to a request for inspection or copying of public 6646
records, unless that period is less than eight hours. 6647

(2) The public office shall distribute the public records 6648
policy adopted by the public office under division (E)(1) of this 6649
section to the employee of the public office who is the records 6650
custodian or records manager or otherwise has custody of the 6651
records of that office. The public office shall require that 6652
employee to acknowledge receipt of the copy of the public records 6653
policy. The public office shall create a poster that describes its 6654
public records policy and shall post the poster in a conspicuous 6655
place in the public office and in all locations where the public 6656
office has branch offices. The public office may post its public 6657
records policy on the internet web site of the public office if 6658
the public office maintains an internet web site. A public office 6659
that has established a manual or handbook of its general policies 6660
and procedures for all employees of the public office shall 6661
include the public records policy of the public office in the 6662
manual or handbook. 6663

(F)(1) The bureau of motor vehicles may adopt rules pursuant 6664
to Chapter 119. of the Revised Code to reasonably limit the number 6665
of bulk commercial special extraction requests made by a person 6666
for the same records or for updated records during a calendar 6667
year. The rules may include provisions for charges to be made for 6668

bulk commercial special extraction requests for the actual cost of 6669
the bureau, plus special extraction costs, plus ten per cent. The 6670

forward the copies for surveys, marketing, solicitation, or resale 6684
for commercial purposes. "Bulk commercial special extraction 6685
request" does not include a request by a person who gives 6686

charges and after any deposit of all or such lesser portion as the 6895
authority may direct of the premium received upon the sale of 6896

physical delivery thereof or further act, and the lien of any such 6908
pledge is valid and binding against all parties having claims of 6909

a perfected lien for purposes of any real property interest, all 6913
without the necessity for separation or delivery of funds or for 6914

net proceeds of which are to be applied to the costs of capital 6924
facilities, and to any trustee therefor, for the further securing 6925

officer who has signed any obligations, or caused the officer's 6946
facsimile signature to be affixed thereto, ceases to be such 6947
officer before such obligations have been delivered, such 6948
obligations may, nevertheless, be issued and delivered as though 6949
the person who had signed the obligations or caused the person's 6950
facsimile signature to be affixed thereto had not ceased to be 6951
such officer. 6952

Any obligations may be executed on behalf of the authority by 6953
an officer who, on the date of execution, is the proper officer 6954
although on the date of such obligations such person was not the 6955
proper officer. 6956

(D) All obligations issued by the authority shall have all 6957

the qualities and incidents of negotiable instruments and may be 6958
issued in coupon or in registered form, or both, as the authority 6959
determines. Provision may be made for the registration of any 6960
obligations with coupons attached thereto as to principal alone or 6961
as to both principal and interest, their exchange for obligations 6962
so registered, and for the conversion or reconversion into 6963
obligations with coupons attached thereto of any obligations 6964
registered as to both principal and interest, and for reasonable 6965
charges for such registration, exchange, conversion, and 6966
reconversion. The authority may sell its obligations in any manner 6967
and for such prices as it determines, except that the authority 6968
shall sell obligations sold at public or private sale in 6969
accordance with section 152.091 of the Revised Code. 6970

(E) The obligations of the authority, principal, interest, 6971
and any proceeds from their sale or transfer, are exempt from all 6972
taxation within this state. 6973

(F) The authority is authorized to issue revenue obligations 6974
and other obligations under Section 2i of Article VIII, Ohio 6975
Constitution, for the purpose of paying the cost of capital 6976

government, including capital facilities for the purpose of 6978
housing personnel, equipment, or functions, or any combination 6979
thereof that the state agencies are responsible for housing, as 6980
are authorized by Chapter 152. of the Revised Code, and that are 6981
authorized by the general assembly by the appropriation of lease 6982
payments or other moneys for such capital facilities or by any 6983
other act of the general assembly, but not including the 6984

The authority shall provide by resolution for the issuance of 7005
such obligations. The bond service charges and all other payments 7006
required to be made by the trust agreement or indenture securing 7007

subject to the lien of such pledge without any physical delivery 7012
thereof or further act, and the lien of any such pledge is valid 7013
and binding against all parties having claims of any kind against 7014
the authority, irrespective of whether those parties have notice 7015
thereof, and creates a perfected security interest for all 7016
purposes of Chapter 1309. of the Revised Code and a perfected lien 7017
for purposes of any real property interest, all without the 7018
necessity for separation or delivery of funds or for the filing or 7019

trustee therefor, for the further securing of the payment of the 7029
bond service charges, and all or any rights under any agreement or 7030

Obligations may be issued at one time or from time to time, and 7032
each issue shall be dated, shall mature at such time or times as 7033
determined by the authority not exceeding forty years from the 7034
date of issue, and may be redeemable before maturity at the option 7035

such a contract does not exceed fifty thousand dollars, such a 7058
contract may be awarded without advertising and receipt of bids. A 7059
bid guaranty pursuant to sections 153.54 to 153.571 of the Revised 7060

department of administrative services or a using or participating 7104
agency shall be for a period not exceeding the then current 7105
two-year period for which appropriations have been made by the 7106
general assembly to the department of administrative services and 7107

facility and related storage and parking facility being leased, 7109
and such lease may contain such other terms as the department of 7110

the authority agree notwithstanding any other provision of law, 7112

two-year lease term shall be an absolute and unconditional 7115
obligation of the department of administrative services, or the 7116
using or participating agency, independent of all other duties 7117
under the lease without setoff or deduction or any other similar 7118

effective date of an appropriation enacted by the general assembly 7122
from which the department of administrative services, or the using 7123
or participating agency, may lawfully pay rentals under such 7124
lease. For purposes of this section, the term "lease" may include, 7125
without limitation, any agreement between the department of 7126
administrative services, or the using or participating agency, and 7127
the authority with respect to any costs of capital facilities to 7128
be incurred prior to land acquisition. 7129

(B) If the director of administrative services or the 7130

reconstructed, rehabilitated, remodeled, renovated, enlarged, 7134
improved, altered, operated, maintained, equipped, furnished, 7135

become unnecessary for state use, the authority may lease any 7137
excess space in such facility and related storage and parking 7138
facility to any governmental entity. 7139

(C) If space in any office facility leased by the authority 7140

123.01 of the Revised Code with respect to such space. 7144

(D) Capital facilities acquired, purchased, constructed, 7145
reconstructed, rehabilitated, remodeled, renovated, enlarged, 7146
improved, altered, operated, maintained, equipped, furnished, 7147

this section, shall be leased to the department of administrative 7151
services, the state agency using the capital facilities, or the 7152

section 152.33 of the Revised Code. The department of 7154
administrative services or the using or participating state agency 7155
may sublease such capital facilities to other state agencies or 7156
other governmental entities. Such parties, including other state 7157
agencies or state-supported or state-assisted institutions of 7158
higher education, may make other agreements for the use, 7159
construction, or operation of such capital facilities in any 7160
manner permitted by the lease or agreement with the authority and 7161
for the charging, collection, and deposit of such revenues and 7162
receipts of the using or participating state agency constituting 7163
available receipts, all upon such terms and conditions as the 7164
parties may agree upon and pursuant to this chapter 7165
notwithstanding other provisions of law affecting the leasing, 7166
acquisition, operation, or disposition of capital facilities by 7167
such parties. Any such lease between the authority and the 7168
department of administrative services or a using or participating 7169
state agency shall be for a period not to exceed the then current 7170
two-year period for which appropriations have been made by the 7171
general assembly to the department of administrative services or 7172

authority and the department of administrative services or the 7174
using or participating state agency may provide for renewal of the 7175
lease at the end of each term for another term, not exceeding two 7176
years, but no renewal shall be effective until the effective date 7177
of an appropriation enacted by the general assembly from which the 7178
department of administrative services or the using or 7179
participating state agency may lawfully pay rentals under such 7180
lease. Any such leases, subleases, or agreements may set forth the 7181
responsibilities of the authority, state agencies, 7182

enlargement, improvement, alteration, subleasing, management, 7187
operation, maintenance, equipping, furnishing, repair, painting, 7188
decorating, and insuring of such capital facilities and other 7189
terms and conditions applicable thereto, and any other provisions 7190
mutually agreed upon for the purposes of this chapter. Promptly 7191
upon execution thereof, a signed or conformed copy of each such 7192
lease or sublease or agreement, and any supplement thereto, 7193
between the authority and a governmental entity shall be filed by 7194
the authority with the department of administrative services and 7195
the director of budget and management, and, promptly upon 7196
execution thereof, a signed or conformed copy of each such 7197
sublease or agreement between two governmental entities, not 7198
including the authority, shall be filed with the authority and the 7199
director of budget and management. For purposes of this section, 7200
the term "lease" may include, without limitation, any agreement 7201
between the department of administrative services or the state 7202
agency using or participating in such capital facilities and the 7203
authority with respect to any costs of capital facilities to be 7204
incurred prior to land acquisition. 7205

(E) The transfer of tangible personal property by lease under 7206
authority of this chapter is not a sale as used in Chapter 5739. 7207

make rental, use, or other payments or payment of purchase price, 7209
in installments or otherwise, or repayments to or on account of 7210
the authority and the obligations issued by the authority, shall 7211
not be deemed to constitute indebtedness, bonded or otherwise, or 7212
bonds, notes, or other evidence of indebtedness of such 7213
governmental entity for the purpose of Chapter 133. of the Revised 7214
Code or any other purpose; such leases and agreements requiring 7215
payments beyond the current fiscal year are continuing contracts 7216

for the purposes of sections 5705.41 and 5705.44 of the Revised Code. 7217
7218

safely kept in the office of the owner as defined in section 7436
153.01 of the Revised Code as the property of the state. 7437
7438

Sec. 153.06. After the proceedings required by sections 7439

owner referred to in section 153.01 of the Revised Code shall give 7441
public notice of the time and place when and where bids will be 7442

place as may be designated in such notice. 7469

Sec. 153.08. On the day and at the place named in the notice 7470

sealed envelope. If the bid and bid guaranty are filed 7483
electronically, they must be received electronically before the 7484
deadline published pursuant to section 153.06 of the Revised Code. 7485
For all bids filed electronically, the original, unaltered bid 7486
guaranty shall be made available to the public authority after the 7487
public bid opening. After investigation, which shall be completed 7488
within thirty days, the contract shall be awarded by such owner to 7489
the lowest responsive and responsible bidder in accordance with 7490
section 9.312 of the Revised Code. 7491

No contract shall be entered into until the industrial 7492
commission has certified that the person so awarded the contract 7493
has complied with sections 4123.01 to 4123.94 of the Revised Code, 7494
until, if the bidder so awarded the contract is a foreign 7495

corporation, the secretary of state has certified that such 7496
corporation is authorized to do business in this state, until, if 7497
the bidder so awarded the contract is a person nonresident of this 7498
state, such person has filed with the secretary of state a power 7499
of attorney designating the secretary of state as its agent for 7500
the purpose of accepting service of summons in any action brought 7501
under section 153.05 of the Revised Code or under sections 4123.01 7502
to 4123.94 of the Revised Code, and until the contract and bond, 7503
if any, are submitted to the attorney general and the attorney 7504
general's approval certified thereon. 7505

No contract shall be entered into unless the bidder possesses 7506
a valid certificate of compliance with affirmative action programs 7507
issued pursuant to section 9.47 of the Revised Code and dated no 7508
earlier than one hundred eighty days prior to the date fixed for 7509
the opening of bids for a particular project. 7510

Sec. 153.09. If in the opinion of the owner referred to in 7511
section 153.01 of the Revised Code, the award of a contract to the 7512
lowest responsive and responsible bidder is not in the best 7513
interests of the state, the owner may accept another bid so opened 7514
or reject all bids, and advertise for other bids. Such 7515
advertisement shall be for such time, in such form, and in such 7516
newspaper as the ~~department~~ Ohio facilities construction 7517
commission directs. All contracts shall provide that such owner 7518
may make any change in work or materials on the conditions and in 7519
the manner provided in sections 153.10 and 153.11 of the Revised 7520
Code. 7521

Sec. 153.11. Whenever the change referred to in section 7522
153.10 of the Revised Code is approved by the owner as defined in 7523
section 153.01 of the Revised Code, accepted in writing by the 7524
contractor, and filed, the same shall be considered as being a 7525
part of the original contract, and the bond theretofore executed 7526

shall be ~~held~~ increased or decreased accordingly to include and 7527
cover the ~~same~~ change in the contract. 7528

Sec. 153.12. (A) With respect to award of any contract for 7529

alteration, repair, painting, or decoration of a public 7531
improvement made by the state, or any county, township, municipal 7532
corporation, school district, or other political subdivision, or 7533
any public board, commission, authority, instrumentality, or 7534
special purpose district of or in the state or a political 7535
subdivision or that is authorized by state law, the award, and 7536
execution of the contract, shall be made within sixty days after 7537
the date on which the bids are opened. The failure to award and 7538
execute the contract within sixty days invalidates the entire bid 7539
proceedings and all bids submitted, unless the time for awarding 7540
and executing the contract is extended by mutual consent of the 7541
owner or its representatives and the bidder whose bid the owner 7542
accepts and with respect to whom the owner subsequently awards and 7543
executes a contract. The public owners referred to in this section 7544
shall include, in the plans and specifications for the project for 7545
which bids are solicited, the estimate of cost. The bid for which 7546
the award is to be made shall be opened at the time and place 7547
named in the advertisement for bids, unless extended by the owner 7548
or its representative or unless, within seventy-two hours prior to 7549
the published time for the opening of bids, excluding Saturdays, 7550
Sundays, and legal holidays, any modification of the plans or 7551
specifications and estimates of cost for the project for which 7552
bids are solicited is issued and mailed or otherwise furnished to 7553
persons who have obtained plans or specifications for the project, 7554
for which the time for opening of bids shall be extended one week, 7555
with no further advertising of bids required. The contractor, upon 7556
request, is entitled to a notice to proceed with the work by the 7557
owner or its representative upon execution of the contract. No 7558

contract to which this section applies shall be entered into if 7559
the price of the contract, or, if the project involves multiple 7560
contracts where the total price of all contracts for the project, 7561
is in excess of ten per cent above the entire estimate thereof, 7562
nor shall the entire cost of the construction, reconstruction, 7563
repair, painting, decorating, improvement, alteration, addition, 7564
or installation, including changes and estimates of expenses for 7565
architects or engineers, exceed in the aggregate the amount 7566
authorized by law. 7567

The unit or lump sum price stated in the contract shall be 7568
used in determining the amount to be paid and shall constitute 7569
full and final compensation for all the work. 7570

Partial payment to the contractor for work performed under 7571
the lump sum price shall be based on a schedule prepared by the 7572
contractor and approved by the architect or engineer who shall 7573
apportion the lump sum price to the major components entering into 7574
or forming a part of the work under the lump sum price. 7575

Partial payments to the contractor for labor performed under 7576
either a unit or lump sum price contract shall be made at the rate 7577
of ninety-two per cent of the estimates prepared by the contractor 7578
and approved by the architect or engineer. All labor performed 7579
after the job is fifty per cent completed shall be paid for at the 7580
rate of one hundred per cent of the estimates submitted by the 7581
contractor and approved by the architect or engineer. 7582

The amounts and time of payments of any public improvements 7583
contract made by the state or any county, township, municipal 7584
corporation, school district, or other political subdivision, or 7585
any public board, commission, authority, instrumentality, or 7586
special purpose district of or in the state or a political 7587
subdivision or that is authorized by state law, except as provided 7588
in section 5525.19 of the Revised Code, shall be governed by this 7589
section and sections 153.13 and 153.14 of the Revised Code. If the 7590

time for awarding the contract is extended by mutual consent, or 7591
if the owner or its representative fails to issue a timely notice 7592
to proceed as required by this section, the owner or its 7593
representative shall issue a change order authorizing delay costs 7594
to the contractor, which does not invalidate the contract. The 7595
amount of such a change order to the owner shall be determined in 7596
accordance with the provisions of the contract for change orders 7597
or force accounts or, if no such provision is set forth in the 7598
contract, the cost to the owner shall be the contractor's actual 7599
costs including wages, labor costs other than wages, wage taxes, 7600
materials, equipment costs and rentals, insurance, and 7601
subcontracts attributable to the delay, plus a reasonable sum for 7602
overhead. In the event of a dispute between the owner and the 7603
contractor concerning such change order, procedures shall be 7604
commenced under the applicable terms of the contract, or, if the 7605
contract contains no provision for resolving the dispute, it shall 7606
be resolved pursuant to the procedures for arbitration in Chapter 7607
2711. of the Revised Code, except as provided in division (B) of 7608
this section. Nothing in this division shall be construed as a 7609
limitation upon the authority of the director of transportation 7610
granted in Chapter 5525. of the Revised Code. 7611

(B) If a dispute arises between the state and a contractor 7612
concerning the terms of a public improvement contract let by the 7613
state or concerning a breach of the contract, and after 7614
administrative remedies provided for in such contract and any 7615
alternative dispute resolution procedures provided in accordance 7616
with guidelines established by the executive director of 7617
~~administrative services~~ the Ohio facilities construction 7618
commission are exhausted, the contractor may bring an action to 7619
the court of claims in accordance with Chapter 2743. of the 7620
Revised Code. The state or the contractor may request the chief 7621
justice of the supreme court to appoint a referee or panel of 7622
referees in accordance with division (C)(3) of section 2743.03 of 7623

the Revised Code. As used in this division, "dispute" means a 7624
disagreement between the state and the contractor concerning a 7625
public improvement contract let by the state. 7626

Sec. 153.14. For the construction of those projects, 7627
improvements, and public buildings over which the ~~director of~~ 7628
~~administrative services~~ Ohio facilities construction commission 7629
has general supervision pursuant to section ~~123.01~~ 123.21 of the 7630
Revised Code, the estimates referred to in section 153.13 of the 7631
Revised Code shall be filed with the executive director by the 7632
owner referred to in section 153.01 or 153.12 of the Revised Code. 7633
Upon completion of a project referred to in section 153.13 of the 7634
Revised Code or any divisible part thereof, the maintenance and 7635
repair of such project or divisible part shall be assumed by the 7636
owner referred to in section 153.01 or 153.12 of the Revised Code. 7637

In addition to all other payments on account of work 7638
performed, there shall be allowed by the owner referred to in 7639
section 153.01 or 153.12 of the Revised Code and paid to the 7640
contractor a sum at the rate of ninety-two per cent of the invoice 7641
costs, not to exceed the bid price in a unit price contract, of 7642
material delivered on the site of the work, or a railroad station, 7643
siding, or other point in the vicinity of the work, or other 7644
approved storage site, provided such materials have been inspected 7645
and found to meet the specifications. The balance of such invoiced 7646
value shall be paid when such material is incorporated into and 7647
becomes a part of such building, construction, addition, 7648
improvement, alteration, or installation. When an estimate is 7649
allowed on account of material delivered on the site of the work 7650
or in the vicinity thereof or under the possession and control of 7651
the contractor but not yet incorporated therein, such material 7652
shall become the property of the owner under the contract, but if 7653
such material is stolen, destroyed, or damaged by casualty before 7654
being used, the contractor shall be required to replace it at ~~his~~ 7655

the contractor's own expense. 7656

When the rate of work and amounts involved are so large that 7657
it is considered advisable by the owner or contractor, estimates 7658
and payments shall be made twice each month. 7659

Payment on approved estimates filed with the owner or its 7660
representative shall be made within thirty days. Upon the failure 7661
of the owner or its representative to make such payments within 7662
thirty days, or upon an unauthorized withholding of retainage, 7663
there shall be allowed to the contractor, in addition to any other 7664
remedies allowed by law, interest on such moneys not paid within 7665
thirty days. Interest on the unauthorized withholding of retainage 7666
shall be in addition to any interest earned in the escrow account 7667
set forth in section 153.13 of the Revised Code. The rate of such 7668
interest shall be the average of the prime rate established at the 7669
commercial banks in the city of over one hundred thousand 7670
population that is nearest the construction project. Nothing in 7671
this section shall be construed as a limitation upon the authority 7672
of the director of transportation granted in Chapter 5525. of the 7673
Revised Code. 7674

Sec. 153.16. (A) The executive director of ~~administrative~~ 7675
~~services~~ the Ohio facilities construction commission shall 7676
establish policy and procedure guidelines for contract documents 7677
in conjunction with the administration of public works contracts 7678
that the state or any institution supported in whole or in part by 7679
the state enters into for any project subject to sections 153.01 7680
to 153.11 of the Revised Code. 7681

(B) Notwithstanding any contract provision to the contrary, 7682
any claim submitted under a public works contract that the state 7683
or any institution supported in whole or in part by the state 7684
enters into for any project subject to sections 153.01 to 153.11 7685
of the Revised Code shall be resolved within one hundred twenty 7686

days. After the end of this one hundred twenty-day period, the 7687
contractor shall be deemed to have exhausted all administrative 7688
remedies for purposes of division (B) of section 153.12 of the 7689
Revised Code. 7690

Sec. 153.17. (A) When in the opinion of the owner referred to 7691
in section 153.01 of the Revised Code, the work under any contract 7692
made under any law of the state is neglected by the contractor or 7693
such work is not prosecuted with the diligence and force specified 7694
or intended in the contract, such owner may make requisition upon 7695
the contractor for such additional specific force or materials to 7696
be brought into the work under such contract or to remove improper 7697
materials from the grounds as in their judgment the contract and 7698
its faithful fulfillment requires. 7699

Not less than five days' notice in writing of such action 7700
shall be served upon the contractor or the contractor's agent in 7701
charge of the work. If the contractor fails to comply with such 7702
requisition within fifteen days, such owner with the written 7703
consent of the ~~department of administrative services~~ Ohio 7704
facilities construction commission, may employ upon the work the 7705
additional force, or supply the special materials or such part of 7706
either as is considered proper, and may remove improper materials 7707
from the grounds. 7708

(B) When the original contractor has defaulted on a contract 7709
and the surety has declined to take over the project, the owner 7710
may contract with one or more takeover contractors to complete 7711
work that was not finished because of the default of the original 7712
contractor. The owner may enter into a contract with a takeover 7713
contractor without competitive bidding or controlling board 7714
approval. Upon execution of a takeover contract, the owner shall 7715
notify the director of budget and management. 7716

When the owner has taken over a project after a default has 7717

occurred, any moneys that the owner receives from the surety as a 7718
settlement for completion of the project shall be deposited in the 7719
original fund from which the capital appropriation for the project 7720
was made. The executive director, without controlling board 7721
approval, may authorize specified additional uses for the moneys 7722
related to completion of the project and may increase the 7723
appropriation authority in the appropriation line item used to 7724
fund the project by an amount equal to the moneys received from 7725
the surety. 7726

Sec. 153.502. (A) Each construction manager at risk and 7727
design-build firm shall establish criteria by which it will 7728
prequalify prospective bidders on subcontracts awarded for work to 7729

public authority involved in the project and shall be consistent 7733
with the rules adopted by the ~~department of administrative~~ 7734
~~services~~ Ohio facilities construction commission pursuant to 7735
section 153.503 of the Revised Code. 7736

(B) For each subcontract to be awarded, the construction 7737
manager at risk or design-build firm shall identify at least three 7738
prospective bidders that are prequalified to bid on that 7739
subcontract, except that the construction manager at risk or 7740
design-build firm shall identify fewer than three if the 7741
construction manager at risk or design-build firm establishes to 7742
the satisfaction of the public authority that fewer than three 7743
prequalified bidders are available. The public authority shall 7744
verify that each prospective bidder meets the prequalification 7745
criteria and may eliminate any bidder it determines is not 7746
qualified. 7747

(C) Once the prospective bidders are prequalified and found 7748

acceptable by the public authority, the construction manager at 7749
risk or design-build firm shall solicit proposals from each of 7750
those bidders. The solicitation and selection of a subcontractor 7751
shall be conducted under an open book pricing method. As used in 7752
this division, "open book pricing method" has the same meaning as 7753
in section 9.33 of the Revised Code, in the case of a construction 7754
manager at risk, and the same meaning as in section 153.65 of the 7755
Revised Code, in the case of a design-build firm. 7756

(D) A construction manager at risk or design-build firm shall 7757
not be required to award a subcontract to a low bidder. 7758

(C) The board of trustees may enter into a contract with any 11149
person, municipal corporation, township, or other political 11150

section 305.14 of the Revised Code. The prosecuting attorney shall 11204
also defend all civil actions in the court of common pleas brought 11205
pursuant to division (B)(1) of section 2743.48 of the Revised 11206
Code. 11207

(B)(1) The prosecuting attorney shall be the legal adviser 11208
for all township officers, boards, and commissions, unless, 11209
subject to division (B)(2) of this section, the township has 11210
adopted a limited home rule government pursuant to Chapter 504. of 11211
the Revised Code and has not entered into a contract to have the 11212

director, whether serving full-time or part-time, shall be the 11215
legal adviser for all township officers, boards, and commissions. 11216
When the board of township trustees finds it advisable or 11217

attorney other than the township law director or the prosecuting 11219
attorney of the county, either for a particular matter or on an 11220
annual basis, to represent the township and its officers, boards, 11221
and commissions in their official capacities and to advise them on 11222
legal matters. No such legal counsel may be employed, except on 11223

the Revised Code, the prosecuting attorney shall prosecute and 11241

before a federal court, the prosecuting attorney may request the 11245
attorney general to assist the prosecuting attorney in prosecuting 11246
and defending the challenge and, upon the prosecuting attorney's 11247
making of such a request, the attorney general shall assist the 11248
prosecuting attorney in performing that service if the resolution 11249
was drafted in accordance with legal guidance provided by the 11250
attorney general as described in division (B)(2) of section 503.52 11251
of the Revised Code. The attorney general shall provide this 11252
assistance without charge to the township for which the service is 11253
performed. If a township adopts a resolution without the legal 11254
guidance of the attorney general, the attorney general is not 11255
required to provide assistance as described in this division to a 11256
prosecuting attorney. 11257

(ii) Upon the request of a township in the county that has 11258
adopted, or in which has been adopted, a resolution of that nature 11259
that is made pursuant to division (E)(1)(a) of section 503.52 of 11260

applied and deposited in accordance with division (E)(1)(b) of 11273
section 503.52 of the Revised Code. 11274

the Revised Code, and regardless of whether a township that has so 11278

with the prosecuting attorney as described in division (B) of 11280
section 504.15 of the Revised Code or has appointed a law director 11281
as described in division (A) of that section. 11282

The prosecuting attorney shall prosecute and defend in the 11283
actions and proceedings described in division (B)(2)(a) of this 11284
section without charge to the township for which the services are 11285
performed. 11286

(C) Whenever the board of county commissioners employs an 11287
attorney other than the prosecuting attorney of the county, 11288
without the authorization of the court of common pleas as provided 11289
in section 305.14 of the Revised Code, either for a particular 11290
matter or on an annual basis, to represent the board in its 11291
official capacity and to advise it on legal matters, the board 11292
shall enter upon its journal an order of the board in which the 11293

into, and that the board of county commissioners approves, to 11337
authorize the prosecuting attorney to provide legal services to 11338

all or part of the amendment. The director shall inform the board 11510

whatever action it determines is necessary to correct the 11531
situation, including notification of the appropriate authorities. 11532

(C) The board of township trustees of any township may, by 11873
resolution, whenever it is expedient and necessary to guard 11874
against the occurrence of fires or to protect the property and 11875

occurrence, create a fire district of any portions of the township 11877
that it considers necessary. The board may purchase, lease, lease 11878
with an option to purchase, or otherwise provide any fire 11879

for fire-fighting purposes, or may contract for the fire 11881
protection for the fire district as provided in section 9.60 of 11882

Additional unincorporated territory of the township may be 11885
added to a fire district upon the board's adoption of a resolution 11886
authorizing the addition. A municipal corporation that is within 11887
or adjoining the township may be added to a fire district upon the 11888
board's adoption of a resolution authorizing the addition and the 11889
municipal legislative authority's adoption of a resolution or 11890
ordinance requesting the addition of the municipal corporation to 11891
the fire district. 11892

If the township fire district imposes a tax, additional 11893
unincorporated territory of the township or a municipal 11894
corporation that is within or adjoining the township shall become 11895
part of the fire district only after all of the following have 11896
occurred: 11897

(3) Approval of the tax by the electors of the territory 11907
proposed for addition to the district. 11908

Each resolution of the board adopted under division (C)(2) of 11909
this section shall state the name of the fire district, a 11910
description of the territory to be added, and the rate and 11911
termination date of the tax, which shall be the rate and 11912
termination date of the tax currently in effect in the fire 11913
district. 11914

The board of trustees shall certify each resolution adopted 11915
under division (C)(2) of this section to the board of elections in 11916
accordance with section 5705.19 of the Revised Code. The election 11917
required under division (C)(3) of this section shall be held, 11918
canvassed, and certified in the manner provided for the submission 11919
of tax levies under section 5705.25 of the Revised Code, except 11920
that the question appearing on the ballot shall read: 11921

(description of the proposed territory to be added) be added to 11923
..... (name) fire district, and a property tax 11924
at a rate of taxation not exceeding (here insert tax rate) 11925
be in effect for (here insert the number of years the 11926
tax is to be in effect or "a continuing period of time," as 11927
applicable)?" 11928

If the question is approved by at least a majority of the 11929
electors voting on it, the joinder shall be effective as of the 11930
first day of July of the year following approval, and on that 11931

date, the township fire district tax shall be extended to the 11932
taxable property within the territory that has been added. If the 11933
territory that has been added is a municipal corporation and if it 11934
had adopted a tax levy for fire purposes, the levy is terminated 11935
on the effective date of the joinder. 11936

Any municipal corporation may withdraw from a township fire 11937
district created under division (C) of this section by the 11938
adoption by the municipal legislative authority of a resolution or 11939
ordinance ordering withdrawal. On the first day of July of the 11940
year following the adoption of the resolution or ordinance of 11941
withdrawal, the municipal corporation withdrawing ceases to be a 11942
part of the district, and the power of the fire district to levy a 11943
tax upon taxable property in the withdrawing municipal corporation 11944
terminates, except that the fire district shall continue to levy 11945
and collect taxes for the payment of indebtedness within the 11946
territory of the fire district as it was composed at the time the 11947
indebtedness was incurred. 11948

Upon the withdrawal of any municipal corporation from a 11949
township fire district created under division (C) of this section, 11950
the county auditor shall ascertain, apportion, and order a 11951
division of the funds on hand, moneys and taxes in the process of 11952
collection except for taxes levied for the payment of 11953
indebtedness, credits, and real and personal property, either in 11954
money or in kind, on the basis of the valuation of the respective 11955
tax duplicates of the withdrawing municipal corporation and the 11956
remaining territory of the fire district. 11957

A board of township trustees may remove unincorporated 11958
territory of the township from the fire district upon the adoption 11959
of a resolution authorizing the removal. On the first day of July 11960
of the year following the adoption of the resolution, the 11961
unincorporated township territory described in the resolution 11962
ceases to be a part of the district, and the power of the fire 11963

district to levy a tax upon taxable property in that territory 11964
terminates, except that the fire district shall continue to levy 11965
and collect taxes for the payment of indebtedness within the 11966
territory of the fire district as it was composed at the time the 11967
indebtedness was incurred. 11968

(D) The board of township trustees of any township, the board 11969

authority may also construct any buildings necessary to house 11978
fire-fighting equipment and issue securities for that purpose with 11979
maximum maturities as provided in section 133.20 of the Revised 11980
Code. 11981

The board of township trustees, board of fire district 11982
trustees, or legislative authority may issue the securities of the 11983
township, fire district, or municipal corporation, signed by the 11984
board or designated officer of the municipal corporation and 11985
attested by the signature of the township fiscal officer, fire 11986
district clerk, or municipal clerk, covering any deferred payments 11987
and payable at the times provided, which securities shall bear 11988
interest not to exceed the rate determined as provided in section 11989
9.95 of the Revised Code, and shall not be subject to Chapter 133. 11990
of the Revised Code. The legislation authorizing the issuance of 11991
the securities shall provide for levying and collecting annually 11992
by taxation, amounts sufficient to pay the interest on and 11993
principal of the securities. The securities shall be offered for 11994
sale on the open market or given to the vendor or contractor if no 11995

sale is made. 11996

Section 505.40 of the Revised Code does not apply to any 11997
securities issued, or any lease with an option to purchase entered 11998
into, in accordance with this division. 11999

(E) A board of township trustees of any township or a board 12000
of fire district trustees of a fire district created under section 12001
505.371 of the Revised Code may purchase a policy or policies of 12002
liability insurance for the officers, employees, and appointees of 12003
the fire department, fire district, or joint fire district 12004
governed by the board that includes personal injury liability 12005
coverage as to the civil liability of those officers, employees, 12006
and appointees for false arrest, detention, or imprisonment, 12007
malicious prosecution, libel, slander, defamation or other 12008
violation of the right of privacy, wrongful entry or eviction, or 12009
other invasion of the right of private occupancy, arising out of 12010
the performance of their duties. 12011

When a board of township trustees cannot, by deed of gift or 12012
by purchase and upon terms it considers reasonable, procure land 12013
for a township fire station that is needed in order to respond in 12014
reasonable time to a fire or medical emergency, the board may 12015
appropriate land for that purpose under sections 163.01 to 163.22 12016
of the Revised Code. If it is necessary to acquire additional 12017
adjacent land for enlarging or improving the fire station, the 12018
board may purchase, appropriate, or accept a deed of gift for the 12019
land for these purposes. 12020

(F) As used in this division, "emergency medical service 12021
organization" has the same meaning as in section 4766.01 of the 12022
Revised Code. 12023

A board of township trustees, by adoption of an appropriate 12024
resolution, may choose to have the ~~Ohio~~ state board of emergency 12025
medical, fire, and transportation board services license any 12026

emergency medical service organization it operates. If the board 12027
adopts such a resolution, Chapter 4766. of the Revised Code, 12028
except for sections 4766.06 and 4766.99 of the Revised Code, 12029
applies to the organization. All rules adopted under the 12030
applicable sections of that chapter also apply to the 12031
organization. A board of township trustees, by adoption of an 12032
appropriate resolution, may remove its emergency medical service 12033
organization from the jurisdiction of the ~~Ohio~~ state board of 12034
emergency medical, fire, and transportation board services. 12035

Sec. 505.375. (A)(1)(a) The boards of township trustees of 12036
one or more townships and the legislative authorities of one or 12037
more municipal corporations, or the legislative authorities of two 12038
or more municipal corporations, or the boards of township trustees 12039
of two or more townships, may negotiate an agreement to form a 12040
fire and ambulance district for the delivery of both fire and 12041
ambulance services. The agreement shall be ratified by the 12042
adoption of a joint resolution by a majority of the members of 12043
each board of township trustees involved and a majority of the 12044
members of the legislative authority of each municipal corporation 12045
involved. The joint resolution shall specify a date on which the 12046
fire and ambulance district shall come into being. 12047

(b) If a joint fire district created under section 505.371 of 12048
the Revised Code or a joint ambulance district created under 12049
section 505.71 of the Revised Code is dissolved to facilitate the 12050
creation of a fire and ambulance district under division (A)(1)(a) 12051
of this section, the townships and municipal corporations forming 12052
the fire and ambulance district may transfer to the fire and 12053
ambulance district any of the funds on hand, moneys and taxes in 12054
the process of collection, credits, and real and personal property 12055
apportioned to them under division (D) of section 505.371 of the 12056
Revised Code or section 505.71 of the Revised Code, as applicable, 12057
for use by the fire and ambulance district in accordance with this 12058

section. 12059

(2)(a) The board of trustees of a joint ambulance district 12060
created under section 505.71 of the Revised Code and the board of 12061
fire district trustees of a joint fire district created under 12062
section 505.371 of the Revised Code may negotiate to combine their 12063
two joint districts into a single fire and ambulance district for 12064
the delivery of both fire and ambulance services, if the 12065
geographic area covered by the combining joint districts is 12066
exactly the same. Both boards shall adopt a joint resolution 12067
ratifying the agreement and setting a date on which the fire and 12068
ambulance district shall come into being. 12069

(b) On that date, the joint fire district and the joint 12070
ambulance district shall cease to exist, and the power of each to 12071
levy a tax upon taxable property shall terminate, except that any 12072
levy of a tax for the payment of indebtedness within the territory 12073
of the joint fire or joint ambulance district as it was composed 12074
at the time the indebtedness was incurred shall continue to be 12075
collected by the successor fire and ambulance district if the 12076
indebtedness remains unpaid. All funds and other property of the 12077
joint districts shall become the property of the fire and 12078
ambulance district, unless otherwise provided in the negotiated 12079
agreement. The agreement shall provide for the settlement of all 12080
debts and obligations of the joint districts. 12081

(B)(1) The governing body of a fire and ambulance district 12082
created under division (A)(1) or (2) of this section shall be a 12083
board of trustees of at least three but no more than nine members, 12084
appointed as provided in the agreement creating the district. 12085
Members of the board may be compensated at a rate not to exceed 12086
thirty dollars per meeting for not more than fifteen meetings per 12087
year, and may be reimbursed for all necessary expenses incurred, 12088
as provided in the agreement creating the district. 12089

(2) The board shall employ a clerk and other employees as it 12090

considers best, including a fire chief or fire prevention 12091
officers, and shall fix their compensation. Neither this section 12092
nor any other section of the Revised Code requires, or shall be 12093
construed to require, that the fire chief of a fire and ambulance 12094
district be a resident of the district. 12095

Before entering upon the duties of office, the clerk shall 12096
execute a bond, in the amount and with surety to be approved by 12097
the board, payable to the state, conditioned for the faithful 12098
performance of all of the clerk's official duties. The clerk shall 12099
deposit the bond with the presiding officer of the board, who 12100
shall file a copy of it, certified by the presiding officer, with 12101
the county auditor of the county containing the most territory in 12102
the district. 12103

The board also shall provide for the appointment of a fiscal 12104
officer for the district and may enter into agreements with 12105
volunteer fire companies for the use and operation of 12106
fire-fighting equipment. Volunteer firefighters acting under such 12107
an agreement are subject to the requirements for volunteer 12108
firefighters set forth in division (A) of section 505.38 of the 12109
Revised Code. 12110

(3) Employees of the district shall not be removed from 12111
office except as provided by sections 733.35 to 733.39 of the 12112
Revised Code, except that, to initiate removal proceedings, the 12113
board shall designate a private citizen or, if the employee is 12114
employed as a firefighter, the board may designate the fire chief, 12115
to investigate, conduct the proceedings, and prepare the necessary 12116
charges in conformity with those sections, and except that the 12117
board shall perform the functions and duties specified for the 12118
municipal legislative authority under those sections. The board 12119
may pay reasonable compensation to any private citizen hired for 12120
services rendered in the matter. 12121

(4) No person shall be appointed as a permanent full-time 12122

paid member of the district whose duties include fire fighting, or 12123
be appointed as a volunteer firefighter, unless that person has 12124
received a certificate issued under former section 3303.07 or 12125
section 4765.55 of the Revised Code evidencing satisfactory 12126
completion of a firefighter training program. The board may send 12127
its officers and firefighters to schools of instruction designed 12128
to promote the efficiency of firefighters and, if authorized in 12129
advance, may pay their necessary expenses from the funds used for 12130
the maintenance and operation of the district. 12131

The board may choose, by adoption of an appropriate 12132
resolution, to have the Ohio state board of emergency medical, 12133
fire, and transportation board services license any emergency 12134
medical service organization it operates. If the board adopts such 12135
a resolution, Chapter 4766. of the Revised Code, except for 12136
sections 4766.06 and 4766.99 of the Revised Code, applies to the 12137
organization. All rules adopted under the applicable sections of 12138
that chapter also apply to the organization. The board may remove, 12139
by resolution, its emergency medical service organization from the 12140
jurisdiction of the Ohio state board of emergency medical, fire, 12141
and transportation board services. 12142

(C) The board of trustees of a fire and ambulance district 12143
created under division (A)(1) or (2) of this section may exercise 12144
the following powers: 12145

(1) Purchase or otherwise provide any fire apparatus, 12146
mechanical resuscitators, or other fire or ambulance equipment, 12147
appliances, or materials; fire hydrants; and water supply for 12148
firefighting purposes that seems advisable to the board; 12149

(2) Provide for the care and maintenance of equipment and, 12150
for that purpose, purchase, lease, lease with an option to 12151
purchase, or construct and maintain necessary buildings; 12152

(3) Establish and maintain lines of fire-alarm communications 12153

within the limits of the district; 12154

(4) Appropriate land for a fire station or medical emergency 12155
unit needed in order to respond in reasonable time to a fire or 12156
medical emergency, in accordance with Chapter 163. of the Revised 12157
Code; 12158

(5) Purchase, appropriate, or accept a deed or gift of land 12159
to enlarge or improve a fire station or medical emergency unit; 12160

(6) Purchase, lease, lease with an option to purchase, 12161
maintain, and use all materials, equipment, vehicles, buildings, 12162
and land necessary to perform its duties; 12163

(7) Contract for a period not to exceed three years with one 12164
or more townships, municipal corporations, counties, joint fire 12165
districts, joint ambulance districts, governmental agencies, 12166
nonprofit corporations, or private ambulance owners located either 12167
within or outside the state, to furnish or receive ambulance 12168
services or emergency medical services within the several 12169
territories of the contracting parties, if the contract is first 12170
authorized by all boards of trustees and legislative authorities 12171
concerned; 12172

(8) Establish reasonable charges for the use of ambulance or 12173
emergency medical services under the same conditions under which a 12174
board of fire district trustees may establish those charges under 12175
section 505.371 of the Revised Code; 12176

(9) Establish all necessary rules to guard against the 12177
occurrence of fires and to protect property and lives against 12178
damage and accidents; 12179

(10) Adopt a standard code pertaining to fire, fire hazards, 12180
and fire prevention prepared and promulgated by the state or by a 12181
public or private organization that publishes a model or standard 12182

(13) To provide the services and equipment it considers necessary, levy a sufficient tax, subject to Chapter 5705. of the Revised Code, on all the taxable property in the district.

(D) Any municipal corporation or township may join an existing fire and ambulance district, whether created under division (A)(1) or (2) of this section, by its legislative authority's adoption of a resolution requesting the membership and upon approval of the board of trustees of the district. Any municipal corporation or township may withdraw from a district, whether created under division (A)(1) or (2) of this section, by its legislative authority's adoption of a resolution ordering withdrawal. Upon its withdrawal, the municipal corporation or township ceases to be a part of the district, and the district's power to levy a tax on taxable property in the withdrawing township or municipal corporation terminates, except that the district shall continue to levy and collect taxes for the payment of indebtedness within the territory of the district as it was composed at the time the indebtedness was incurred.

Upon the withdrawal of any township or municipal corporation from a district, the county auditor of the county containing the most territory in the district shall ascertain, apportion, and order a division of the funds on hand, including funds in the ambulance and emergency medical services fund, moneys and taxes in the process of collection, except for taxes levied for the payment of indebtedness, credits, and real and personal property on the

basis of the valuation of the respective tax duplicates of the 12216
withdrawing municipal corporation or township and the remaining 12217
territory of the district. 12218

(1) "Governmental agency" includes all departments, boards, 12220
offices, commissions, agencies, colleges, universities, 12221
institutions, and other instrumentalities of this or another 12222
state. 12223

(2) "Emergency medical service organization" has the same 12224
meaning as in section 4766.01 of the Revised Code. 12225

Sec. 505.44. As used in this section: 12226

(A) "Emergency medical service organization" has the same 12227
meaning as in section 4765.01 of the Revised Code. 12228

(B) "State agency" means all departments, boards, offices, 12229

In order to obtain the services of ambulance service 12232
organizations, to obtain additional services from ambulance 12233
service organizations in times of emergency, to obtain the 12234
services of emergency medical service organizations, or, if the 12235
township is located in a county with a population of forty 12236
thousand or less, to obtain the services of nonemergency patient 12237
transport service organizations, a township may enter into a 12238
contract with one or more state agencies, townships, municipal 12239

them, to furnish or receive services from ambulance or emergency 12247

several territories of the contracting parties, if the contract is 12256
first authorized by the respective boards of township trustees, 12257
the other legislative bodies, or the officer or body authorized to 12258
contract on behalf of the state agency. Such contracts shall not 12259
be entered into with a state agency or nonprofit corporation that 12260
receives more than half of its operating funds from governmental 12261
entities with the intention of directly competing with the 12262
operation of other ambulance, emergency medical, or nonemergency 12263
patient transport service organizations in the township unless the 12264
state agency or nonprofit corporation is awarded the contract 12265
after submitting the lowest and best bid to the board of township 12266
trustees. 12267

The contract may provide for compensation upon such terms as 12268
the parties may agree. 12269

on taxable property in the unincorporated area of the township 12284
under section 5705.72 of the Revised Code to provide 12285
transportation services for the movement of persons within, from, 12286
or to the unincorporated area of the township. 12287

Sec. 505.72. (A) The board of trustees of a joint ambulance 12288
district shall provide for the employment of such employees as it 12289
considers best, and shall fix their compensation. Such employees 12290
shall continue in office until removed as provided by sections 12291
733.35 to 733.39 of the Revised Code. To initiate removal 12292

private citizen to investigate the conduct and prepare the 12294
necessary charges in conformity with sections 733.35 to 733.39 of 12295

(B) As used in this division, "emergency medical service 12304
organization" has the same meaning as in section 4765.01 of the 12305
Revised Code. 12306

(1) In order to obtain the services of ambulance service 12307

organizations, to obtain additional services from ambulance 12308
service organizations in times of emergency, or to obtain the 12309
services of emergency medical service organizations, a district 12310
may enter into a contract, for a period not to exceed three years, 12311
with one or more townships, municipal corporations, joint fire 12312
districts, nonprofit corporations, any other governmental unit 12313
that provides ambulance services or emergency medical services, or 12314
with private ambulance owners, regardless of whether such 12315

such contract is first authorized by all boards of trustees and 12323
legislative authorities concerned. 12324

The contract may provide for a fixed annual charge to be paid 12325
at the times agreed upon and stipulated in the contract, or for 12326
compensation based upon a stipulated price for each run, call, or 12327
emergency, or the elapsed time of service required in such run, 12328
call, or emergency, or any combination thereof. 12329

(2) Expenditures of a district for the services of ambulance 12330
service organizations or emergency medical service organizations, 12331
whether pursuant to contract or otherwise, are lawful 12332
expenditures, regardless of whether the district or the party with 12333
which it contracts charges additional fees to users of the 12334
services. 12335

(3) A district's board of trustees, by adoption of an 12336
appropriate resolution, may choose to have the ~~Ohio~~ state board of 12337
emergency medical, fire, and transportation ~~board~~ services license 12338
any emergency medical service organization the district operates. 12339

If a board adopts such a resolution, Chapter 4766. of the Revised Code, except for sections 4766.06 and 4766.99 of the Revised Code, applies to the district emergency medical service organization. All rules adopted under the applicable sections of that chapter also apply to the organization. A board, by adoption of an appropriate resolution, may remove the district emergency medical service organization from the jurisdiction of the ~~Ohio state board of emergency medical, fire, and transportation board services.~~

(C) Ambulance services or emergency medical services rendered for a joint ambulance district under this section and section 505.71 of the Revised Code shall be deemed services of the district. These sections do not authorize suits against a district or any township or municipal corporation providing or receiving, or contracting to provide or receive, such services under these sections for damages for injury or loss to persons or property or for wrongful death caused by persons providing such services.

the Revised Code, unless any of the following applies: 12402

(1) Immediate humane destruction of the dog is necessary 12403
because of obvious disease or injury. If the diseased or injured 12404

registration list maintained by the warden and the county auditor 12406
of the county where the dog is registered, the necessity of 12407

forty-eight hours following the end of the appropriate redemption 12423
period. 12424

At any time after such periods of redemption, any dog not 12425
redeemed shall be donated to any nonprofit special agency that is 12426
engaged in the training of any type of assistance dogs and that 12427

(b) Any fee required under division (C)(3) of section 109.572 12849
of the Revised Code or by the nationwide mortgage licensing system 12850
and registry shall be paid by the applicant. 12851

(6) If an application for a certificate of registration does 12852
not contain all of the information required under division (A) of 12853
this section, and if such information is not submitted to the 12854
division or to the nationwide mortgage licensing system and 12855
registry within ninety days after the superintendent or the 12856
nationwide mortgage licensing system and registry requests the 12857
information in writing, including by electronic transmission or 12858
facsimile, the superintendent may consider the application 12859
withdrawn. 12860

(7) If the division finds that the financial responsibility, 12861
experience, character, and general fitness of the applicant 12862
command the confidence of the public and warrant the belief that 12863
the business will be operated honestly and fairly in compliance 12864
with the purposes of sections 1321.51 to 1321.60 of the Revised 12865
Code and the rules adopted thereunder, and that the applicant has 12866
the requisite bond or applicable net worth and assets required by 12867
division (B) of this section, the division shall thereupon issue a 12868
certificate of registration to the applicant. The superintendent 12869
shall not use a credit score as the sole basis for a registration 12870
denial. 12871

(a)(i) Certificates of registration issued on or after July 12872
1, 2010, shall annually expire on the thirty-first day of 12873
December, unless renewed by the filing of a renewal application 12874

and payment of a three_hundred_dollar nonrefundable annual 12875

superintendent pursuant to division (A)(7)(a)(ii) of this section, 12877

licensing system and registry, on or before the last day of 12879
December of each year. No other fee or assessment shall be 12880
required of a registrant by the state or any political subdivision 12881
of this state. 12882

(ii) If the renewal fees billed by the superintendent 12883

division of financial institutions, as determined by the 12886
superintendent, for the following fiscal year, the superintendent 12887
may assess each registrant at a rate sufficient to equal in the 12888
aggregate the difference between the renewal fees billed and the 12889
estimated expenditures. Each registrant shall pay the assessed 12890
amount to the superintendent prior to the last day of June. In no 12891
case shall the assessment exceed ten cents per each one hundred 12892
dollars of interest (excluding charge-off recoveries), points, 12893

that registrant during the previous calendar year. If such an 12895
assessment is imposed, it shall not be less than two hundred fifty 12896
dollars per registrant and shall not exceed thirty thousand 12897
dollars less the total renewal fees paid pursuant to division 12898
(A)(7)(a)(i) of this section by each registrant. 12899

(b) Registrants shall timely file renewal applications on 12900
forms prescribed by the division and provide any further 12901
information that the division may require. If a renewal 12902
application does not contain all of the information required under 12903
this section, and if that information is not submitted to the 12904
division or to the nationwide mortgage licensing system and 12905
registry within ninety days after the superintendent or the 12906

nationwide mortgage licensing system and registry requests the 12907
information in writing, including by electronic transmission or 12908
facsimile, the superintendent may consider the application 12909
withdrawn. 12910

(c) Renewal shall not be granted if the applicant's 12911
certificate of registration is subject to an order of suspension, 12912
revocation, or an unpaid and past due fine imposed by the 12913
superintendent. 12914

(d) If the division finds the applicant does not meet the 12915
conditions set forth in this section, it shall issue a notice of 12916
intent to deny the application, and forthwith notify the applicant 12917
of the denial, the grounds for the denial, and the applicant's 12918
reasonable opportunity to be heard on the action in accordance 12919
with Chapter 119. of the Revised Code. 12920

(8) If there is a change of five per cent or more in the 12921
ownership of a registrant, the division may make any investigation 12922
necessary to determine whether any fact or condition exists that, 12923
if it had existed at the time of the original application for a 12924
certificate of registration, the fact or condition would have 12925
warranted the division to deny the application under division 12926
(A)(7) of this section. If such a fact or condition is found, the 12927
division may, in accordance with Chapter 119. of the Revised Code, 12928
revoke the registrant's certificate. 12929

(B) Each registrant that engages in lending under sections 12930

a single certificate. No change in the place of business of a 12942
registrant to a location outside the original municipal 12943
corporation shall be permitted under the same certificate without 12944
the approval of a new application, the payment of the registration 12945
fee and, if required by the superintendent, the payment of an 12946
investigation fee of two hundred dollars. When a registrant wishes 12947
to change its place of business within the same municipal 12948
corporation, it shall give written notice of the change in advance 12949
to the division, which shall provide a certificate for the new 12950
address without cost. If a registrant changes its name, prior to 12951
making loans under the new name it shall give written notice of 12952
the change to the division, which shall provide a certificate in 12953
the new name without cost. Sections 1321.51 to 1321.60 of the 12954
Revised Code do not limit the loans of any registrant to residents 12955
of the community in which the registrant's place of business is 12956
situated. Each certificate shall be kept conspicuously posted in 12957
the place of business of the registrant and is not transferable or 12958
assignable. 12959

bonds for that purpose under the powers conferred upon park 13746
districts under Chapter 1545. of the Revised Code. 13747

The director shall approve and supervise all projects that 13748
are to be constructed in accordance with this section. The 13749
director shall not proceed with the construction of any project 13750
until all funds that are to be paid by the county, township, 13751
municipal corporation, park board, or conservancy district, in 13752
accordance with the terms of the agreement entered into between 13753
the director and the county, township, municipal corporation, park 13754
board, or conservancy district, are in the director's possession 13755
and deposited in the shore erosion fund, which is hereby created 13756
in the state treasury. If the director finds it to be in the best 13757
interests of the state to construct projects as set forth in this 13758
section by the state itself, without the financial contribution of 13759
counties, townships, municipal corporations, park boards, or 13760
conservancy districts, the director may construct the projects. 13761

In deciding whether to assist a county or municipal 13762
corporation in constructing and maintaining a project under this 13763
section, the state, acting through the director, shall consider, 13764
among other factors, whether the county or municipal corporation 13765
has adopted or is in the process of adopting a Lake Erie coastal 13766
erosion area resolution or ordinance under division (D) of section 13767
1506.07 of the Revised Code. 13768

All projects constructed by the state in conformity with 13769
sections 1506.38 to 1506.46 of the Revised Code shall be 13770
constructed subject to sections 153.01 to 153.20 of the Revised 13771
Code, except that the ~~state architect and engineer~~ Ohio facilities 13772
construction commission is not required to prepare the plans and 13773
specifications for those projects. 13774

Sec. 1509.071. (A) When the chief of the division of oil and 13775
gas resources management finds that an owner has failed to comply 13776
with a final nonappealable order issued or compliance agreement 13777
entered into under section 1509.04, the restoration requirements 13778
of section 1509.072, plugging requirements of section 1509.12, or 13779
permit provisions of section 1509.13 of the Revised Code, or rules 13780
and orders relating thereto, the chief shall make a finding of 13781
that fact and declare any surety bond filed to ensure compliance 13782
with those sections and rules forfeited in the amount set by rule 13783
of the chief. The chief thereupon shall certify the total 13784
forfeiture to the attorney general, who shall proceed to collect 13785
the amount of the forfeiture. In addition, the chief may require 13786
an owner, operator, producer, or other person who forfeited a 13787
surety bond to post a new surety bond in the amount of fifteen 13788
thousand dollars for a single well, thirty thousand dollars for 13789
two wells, or fifty thousand dollars for three or more wells. 13790

In lieu of total forfeiture, the surety or owner, at the 13791
surety's or owner's option, may cause the well to be properly 13792
plugged and abandoned and the area properly restored or pay to the 13793
treasurer of state the cost of plugging and abandonment. 13794

(B) All moneys collected because of forfeitures of bonds as 13795
provided in this section shall be deposited in the state treasury 13796
to the credit of the oil and gas well fund created in section 13797
1509.02 of the Revised Code. 13798

The chief annually shall spend not less than fourteen per 13799

cent of the revenue credited to the fund during the previous 13800
fiscal year for the following purposes: 13801

(1) In accordance with division (D) of this section, to plug 13802
idle and orphaned wells or to restore the land surface properly as 13803
required in section 1509.072 of the Revised Code; 13804

(2) In accordance with division (E) of this section, to 13805
correct conditions that the chief reasonably has determined are 13806
causing imminent health or safety risks at an idle and orphaned 13807
well or a well for which the owner cannot be contacted in order to 13808
initiate a corrective action within a reasonable period of time as 13809
determined by the chief. 13810

Expenditures from the fund shall be made only for lawful 13811
purposes. In addition, expenditures from the fund shall not be 13812
made to purchase real property or to remove a dwelling in order to 13813
access a well. 13814

(C)(1) Upon determining that the owner of a well has failed 13815
to properly plug and abandon it or to properly restore the land 13816
surface at the well site in compliance with the applicable 13817
requirements of this chapter and applicable rules adopted and 13818
orders issued under it or that a well is an abandoned well for 13819
which no funds are available to plug the well in accordance with 13820
this chapter, the chief shall do all of the following: 13821

(a) Determine from the records in the office of the county 13822
recorder of the county in which the well is located the identity 13823
of the owner of the land on which the well is located, the 13824
identity of the owner of the oil or gas lease under which the well 13825
was drilled or the identity of each person owning an interest in 13826
the lease, and the identities of the persons having legal title 13827
to, or a lien upon, any of the equipment appurtenant to the well; 13828

(b) Mail notice to the owner of the land on which the well is 13829
located informing the landowner that the well is to be plugged. If 13830

the owner of the oil or gas lease under which the well was drilled 13831
is different from the owner of the well or if any persons other 13832
than the owner of the well own interests in the lease, the chief 13833
also shall mail notice that the well is to be plugged to the owner 13834
of the lease or to each person owning an interest in the lease, as 13835
appropriate. 13836

(c) Mail notice to each person having legal title to, or a 13837
lien upon, any equipment appurtenant to the well, informing the 13838
person that the well is to be plugged and offering the person the 13839
opportunity to plug the well and restore the land surface at the 13840
well site at the person's own expense in order to avoid forfeiture 13841
of the equipment to this state. 13842

(2) If none of the persons described in division (C)(1)(c) of 13843
this section plugs the well within sixty days after the mailing of 13844
the notice required by that division, all equipment appurtenant to 13845
the well is hereby declared to be forfeited to this state without 13846
compensation and without the necessity for any action by the state 13847
for use to defray the cost of plugging and abandoning the well and 13848
restoring the land surface at the well site. 13849

(D) Expenditures from the fund for the purpose of division 13850
(B)(1) of this section shall be made in accordance with either of 13851
the following: 13852

(1) The expenditures may be made pursuant to contracts 13853
entered into by the chief with persons who agree to furnish all of 13854
the materials, equipment, work, and labor as specified and 13855
provided in such a contract for activities associated with the 13856
restoration or plugging of a well as determined by the chief. The 13857
activities may include excavation to uncover a well, geophysical 13858
methods to locate a buried well when clear evidence of leakage 13859
from the well exists, cleanout of wellbores to remove material 13860
from a failed plugging of a well, plugging operations, 13861
installation of vault and vent systems, including associated 13862

engineering certifications and permits, restoration of property, 13863
and repair of damage to property that is caused by such 13864
activities. Expenditures shall not be used for salaries, 13865
maintenance, equipment, or other administrative purposes, except 13866
for costs directly attributed to the plugging of an idle and 13867
orphaned well. Agents or employees of persons contracting with the 13868
chief for a restoration or plugging project may enter upon any 13869
land, public or private, on which the well is located for the 13870
purpose of performing the work. Prior to such entry, the chief 13871
shall give to the following persons written notice of the 13872
existence of a contract for a project to restore or plug a well, 13873
the names of the persons with whom the contract is made, and the 13874
date that the project will commence: the owner of the well, the 13875
owner of the land upon which the well is located, the owner or 13876
agents of adjoining land, and, if the well is located in the same 13877
township as or in a township adjacent to the excavations and 13878
workings of a mine and the owner or lessee of that mine has 13879
provided written notice identifying those townships to the chief 13880
at any time during the immediately preceding three years, the 13881
owner or lessee of the mine. 13882

(2)(a) The owner of the land on which a well is located who 13883
has received notice under division (C)(1)(b) of this section may 13884
plug the well and be reimbursed by the division of oil and gas 13885
resources management for the reasonable cost of plugging the well. 13886
In order to plug the well, the landowner shall submit an 13887
application to the chief on a form prescribed by the chief and 13888
approved by the technical advisory council on oil and gas created 13889
in section 1509.38 of the Revised Code. The application, at a 13890
minimum, shall require the landowner to provide the same 13891
information as is required to be included in the application for a 13892
permit to plug and abandon under section 1509.13 of the Revised 13893
Code. The application shall be accompanied by a copy of a proposed 13894
contract to plug the well prepared by a contractor regularly 13895

engaged in the business of plugging oil and gas wells. The 13896
proposed contract shall require the contractor to furnish all of 13897
the materials, equipment, work, and labor necessary to plug the 13898
well properly and shall specify the price for doing the work, 13899
including a credit for the equipment appurtenant to the well that 13900
was forfeited to the state through the operation of division 13901
(C)(2) of this section. Expenditures under division (D)(2)(a) of 13902
this section shall be consistent with the expenditures for 13903
activities described in division (D)(1) of this section. The 13904
application also shall be accompanied by the permit fee required 13905
by section 1509.13 of the Revised Code unless the chief, in the 13906
chief's discretion, waives payment of the permit fee. The 13907
application constitutes an application for a permit to plug and 13908
abandon the well for the purposes of section 1509.13 of the 13909
Revised Code. 13910

(b) Within thirty days after receiving an application and 13911
accompanying proposed contract under division (D)(2)(a) of this 13912
section, the chief shall determine whether the plugging would 13913
comply with the applicable requirements of this chapter and 13914
applicable rules adopted and orders issued under it and whether 13915
the cost of the plugging under the proposed contract is 13916
reasonable. If the chief determines that the proposed plugging 13917
would comply with those requirements and that the proposed cost of 13918
the plugging is reasonable, the chief shall notify the landowner 13919
of that determination and issue to the landowner a permit to plug 13920
and abandon the well under section 1509.13 of the Revised Code. 13921
Upon approval of the application and proposed contract, the chief 13922
shall transfer ownership of the equipment appurtenant to the well 13923
to the landowner. The chief may disapprove an application 13924
submitted under division (D)(2)(a) of this section if the chief 13925
determines that the proposed plugging would not comply with the 13926
applicable requirements of this chapter and applicable rules 13927
adopted and orders issued under it, that the cost of the plugging 13928

under the proposed contract is unreasonable, or that the proposed 13929
contract is not a bona fide, arm's length contract. 13930

(c) After receiving the chief's notice of the approval of the 13931
application and permit to plug and abandon a well under division 13932
(D)(2)(b) of this section, the landowner shall enter into the 13933
proposed contract to plug the well. 13934

(d) Upon determining that the plugging has been completed in 13935
compliance with the applicable requirements of this chapter and 13936
applicable rules adopted and orders issued under it, the chief 13937
shall reimburse the landowner for the cost of the plugging as set 13938
forth in the proposed contract approved by the chief. The 13939
reimbursement shall be paid from the oil and gas well fund. If the 13940
chief determines that the plugging was not completed in accordance 13941
with the applicable requirements, the chief shall not reimburse 13942
the landowner for the cost of the plugging, and the landowner or 13943
the contractor, as applicable, promptly shall transfer back to 13944
this state title to and possession of the equipment appurtenant to 13945
the well that previously was transferred to the landowner under 13946
division (D)(2)(b) of this section. If any such equipment was 13947
removed from the well during the plugging and sold, the landowner 13948
shall pay to the chief the proceeds from the sale of the 13949
equipment, and the chief promptly shall pay the moneys so received 13950
to the treasurer of state for deposit into the oil and gas well 13951
fund. 13952

The chief may establish an annual limit on the number of 13953
wells that may be plugged under division (D)(2) of this section or 13954
an annual limit on the expenditures to be made under that 13955
division. 13956

As used in division (D)(2) of this section, "plug" and 13957
"plugging" include the plugging of the well and the restoration of 13958
the land surface disturbed by the plugging. 13959

(E) Expenditures from the oil and gas well fund for the purpose of division (B)(2) of this section may be made pursuant to contracts entered into by the chief with persons who agree to furnish all of the materials, equipment, work, and labor as specified and provided in such a contract. The competitive bidding requirements of Chapter 153. of the Revised Code do not apply if the chief reasonably determines that an emergency situation exists requiring immediate action for the correction of the applicable health or safety risk ~~requires immediate action~~. A contract or purchase of materials for purposes of addressing the emergency situation is not subject to division (B) of section 127.16 of the Revised Code. The chief, designated representatives of the chief, and agents or employees of persons contracting with the chief under this division may enter upon any land, public or private, for the purpose of performing the work.

(F) Contracts entered into by the chief under this section are not subject to ~~either~~ any of the following:

(1) Chapter 4115. of the Revised Code;

(2) Section 153.54 of the Revised Code, except that the contractor shall obtain and provide to the chief as a bid guaranty a surety bond or letter of credit in an amount equal to ten per cent of the amount of the contract;

(3) Section 4733.17 of the Revised Code.

(G) The owner of land on which a well is located who has received notice under division (C)(1)(b) of this section, in lieu of plugging the well in accordance with division (D)(2) of this section, may cause ownership of the well to be transferred to an owner who is lawfully doing business in this state and who has met the financial responsibility requirements established under section 1509.07 of the Revised Code, subject to the approval of the chief. The transfer of ownership also shall be subject to the

landowner's filing the appropriate forms required under section 13991
1509.31 of the Revised Code and providing to the chief sufficient 13992
information to demonstrate the landowner's or owner's right to 13993
produce a formation or formations. That information may include a 13994
deed, a lease, or other documentation of ownership or property 13995
rights. 13996

The chief shall approve or disapprove the transfer of 13997
ownership of the well. If the chief approves the transfer, the 13998
owner is responsible for operating the well in accordance with 13999
this chapter and rules adopted under it, including, without 14000
limitation, all of the following: 14001

(1) Filing an application with the chief under section 14002
1509.06 of the Revised Code if the owner intends to drill deeper 14003
or produce a formation that is not listed in the records of the 14004
division for that well; 14005

(2) Taking title to and possession of the equipment 14006
appurtenant to the well that has been identified by the chief as 14007
having been abandoned by the former owner; 14008

(3) Complying with all applicable requirements that are 14009
necessary to drill deeper, plug the well, or plug back the well. 14010

(H) The chief shall issue an order that requires the owner of 14011
a well to pay the actual documented costs of a corrective action 14012
that is described in division (B)(2) of this section concerning 14013
the well. The chief shall transmit the money so recovered to the 14014
treasurer of state who shall deposit the money in the state 14015
treasury to the credit of the oil and gas well fund. 14016

(I) The chief may engage in cooperative projects under this 14017
section with any agency of this state, another state, or the 14018
United States; any other governmental agencies; or any state 14019
university or college as defined in section 3345.27 of the Revised 14020
Code. A contract entered into for purposes of a cooperative 14021

project is not subject to division (B) of section 127.16 of the 14022
Revised Code. 14023

Sec. 1509.36. Any person adversely affected by an order by 14024
the chief of the division of oil and gas resources management may 14025
appeal to the oil and gas commission for an order vacating or 14026
modifying the order. 14027

The person so appealing to the commission shall be known as 14028
appellant and the chief shall be known as appellee. Appellant and 14029
appellee shall be deemed to be parties to the appeal. 14030

The appeal shall be in writing and shall set forth the order 14031
complained of and the grounds upon which the appeal is based. The 14032
appeal shall be filed with the commission within thirty days after 14033
the date upon which the appellant received notice by certified 14034
mail and, for all other persons adversely affected by the order, 14035
within thirty days after the date of the order complained of. 14036
Notice of the filing of the appeal shall be filed with the chief 14037
within three days after the appeal is filed with the commission. 14038

Upon the filing of the appeal the commission promptly shall 14039
fix the time and place at which the hearing on the appeal will be 14040
held, and shall give the appellant and the chief at least ten 14041
days' written notice thereof by mail. The commission may postpone 14042
or continue any hearing upon its own motion or upon application of 14043
the appellant or of the chief. 14044

The filing of an appeal provided for in this section does not 14045
automatically suspend or stay execution of the order appealed 14046
from, but upon application by the appellant the commission may 14047
suspend or stay the execution pending determination of the appeal 14048
upon such terms as the commission considers proper. 14049

Either party to the appeal or any interested person who, 14050
pursuant to commission rules has been granted permission to 14051

appear, may submit such evidence as the commission considers 14052
admissible. 14053

For the purpose of conducting a hearing on an appeal, the 14054
commission may require the attendance of witnesses and the 14055
production of books, records, and papers, and it may, and at the 14056
request of any party it shall, issue subpoenas for witnesses or 14057
subpoenas duces tecum to compel the production of any books, 14058
records, or papers, directed to the sheriffs of the counties where 14059
the witnesses are found. The subpoenas shall be served and 14060
returned in the same manner as subpoenas in criminal cases are 14061
served and returned. The fees of sheriffs shall be the same as 14062
those allowed by the court of common pleas in criminal cases. 14063
Witnesses shall be paid the fees and mileage provided for under 14064
section 119.094 of the Revised Code. Such fees and mileage 14065
expenses incurred at the request of appellant shall be paid in 14066
advance by the appellant, and the remainder of those expenses 14067
shall be paid out of funds appropriated for the expenses of the 14068
division of oil and gas resources management. 14069

In case of disobedience or neglect of any subpoena served on 14070
any person, or the refusal of any witness to testify to any matter 14071
regarding which the witness may be lawfully interrogated, the 14072
court of common pleas of the county in which the disobedience, 14073
neglect, or refusal occurs, or any judge thereof, on application 14074
of the commission or any member thereof, shall compel obedience by 14075
attachment proceedings for contempt as in the case of disobedience 14076
of the requirements of a subpoena issued from that court or a 14077
refusal to testify therein. Witnesses at such hearings shall 14078
testify under oath, and any member of the commission may 14079
administer oaths or affirmations to persons who so testify. 14080

At the request of any party to the appeal, a ~~stenographic~~ 14081
record of the testimony and other evidence submitted shall be 14082
taken by an official court ~~shorthand~~ reporter at the expense of 14083

the party making the request ~~therefor~~ for the record. The record 14084
shall include all of the testimony and other evidence and the 14085
rulings on the admissibility thereof presented at the hearing. The 14086
commission shall pass upon the admissibility of evidence, but any 14087
party may at the time object to the admission of any evidence and 14088
except to the rulings of the commission thereon, and if the 14089
commission refuses to admit evidence the party offering same may 14090
make a proffer thereof, and such proffer shall be made a part of 14091
the record of the hearing. 14092

If upon completion of the hearing the commission finds that 14093
the order appealed from was lawful and reasonable, it shall make a 14094
written order affirming the order appealed from; if the commission 14095
finds that the order was unreasonable or unlawful, it shall make a 14096
written order vacating the order appealed from and making the 14097
order that it finds the chief should have made. Every order made 14098
by the commission shall contain a written finding by the 14099
commission of the facts upon which the order is based. 14100

Notice of the making of the order shall be given forthwith to 14101
each party to the appeal by mailing a certified copy thereof to 14102
each such party by certified mail. 14103

The order of the commission is final unless vacated by the 14104
court of common pleas of Franklin county in an appeal as provided 14105
for in section 1509.37 of the Revised Code. Sections 1509.01 to 14106
1509.37 of the Revised Code, providing for appeals relating to 14107
orders by the chief or by the commission, or relating to rules 14108
adopted by the chief, do not constitute the exclusive procedure 14109
that any person who believes the person's rights to be unlawfully 14110
affected by those sections or any official action taken thereunder 14111
must pursue in order to protect and preserve those rights, nor do 14112
those sections constitute a procedure that that person must pursue 14113
before that person may lawfully appeal to the courts to protect 14114
and preserve those rights. 14115

The tenant and children of the tenant, residing on lands in the state, may hunt on them without a hunting license.

Except as otherwise provided in division (A)(1) of section 1533.12 of the Revised Code, every applicant for a hunting license who is a nonresident of the state and who is eighteen years of age or older shall procure a nonresident hunting license or an apprentice nonresident hunting license, the fee for which shall be one hundred twenty-four dollars unless the applicant is a resident of a state that is a party to an agreement under section 1533.91 of the Revised Code, in which case the fee shall be eighteen dollars. Apprentice resident hunting licenses, apprentice youth

hunting licenses, and apprentice nonresident hunting licenses are 14179
subject to the requirements established under section 1533.102 of 14180
the Revised Code and rules adopted pursuant to it. 14181

The chief of the division of wildlife may issue a small game 14182
hunting license expiring three days from the effective date of the 14183
license to a nonresident of the state, the fee for which shall be 14184
thirty-nine dollars. No person shall take or possess deer, wild 14185
turkeys, fur-bearing animals, ducks, geese, brant, or any nongame 14186
animal while possessing only a small game hunting license. A small 14187
game hunting license or an apprentice nonresident hunting license 14188
does not authorize the taking or possessing of ducks, geese, or 14189
brant without having obtained, in addition to the small game 14190
hunting license or the apprentice nonresident hunting license, a 14191
wetlands habitat stamp as provided in section 1533.112 of the 14192
Revised Code. A small game hunting license or an apprentice 14193
nonresident hunting license does not authorize the taking or 14194
possessing of deer, wild turkeys, or fur-bearing animals. A 14195
nonresident of the state who wishes to take or possess deer, wild 14196
turkeys, or fur-bearing animals in this state shall procure, 14197
respectively, a deer or wild turkey permit as provided in section 14198
1533.11 of the Revised Code or a fur taker permit as provided in 14199
section 1533.111 of the Revised Code in addition to a nonresident 14200
hunting license, an apprentice nonresident hunting license, a 14201
special youth hunting license, or an apprentice youth hunting 14202
license, as applicable, as provided in this section. 14203

No person shall procure or attempt to procure a hunting 14204
license by fraud, deceit, misrepresentation, or any false 14205
statement. 14206

This section does not authorize the taking and possessing of 14207
deer or wild turkeys without first having obtained, in addition to 14208
the hunting license required by this section, a deer or wild 14209
turkey permit as provided in section 1533.11 of the Revised Code 14210

or the taking and possessing of ducks, geese, or brant without 14211
first having obtained, in addition to the hunting license required 14212
by this section, a wetlands habitat stamp as provided in section 14213
1533.112 of the Revised Code. 14214

This section does not authorize the hunting or trapping of 14215
fur-bearing animals without first having obtained, in addition to 14216
a hunting license required by this section, a fur taker permit as 14217
provided in section 1533.111 of the Revised Code. 14218

No hunting license shall be issued unless it is accompanied 14219
by a written explanation of the law in section 1533.17 of the 14220
Revised Code and the penalty for its violation, including a 14221
description of terms of imprisonment and fines that may be 14222
imposed. 14223

No hunting license, other than an apprentice hunting license, 14224
shall be issued unless the applicant presents to the agent 14225
authorized to issue the license a previously held hunting license 14226
or evidence of having held such a license in content and manner 14227
approved by the chief, a certificate of completion issued upon 14228
completion of a hunter education and conservation course approved 14229
by the chief, or evidence of equivalent training in content and 14230
manner approved by the chief. A previously held apprentice hunting 14231
license does not satisfy the requirement concerning the 14232
presentation of a previously held hunting license or evidence of 14233
it. 14234

No person shall issue a hunting license, except an apprentice 14235
hunting license, to any person who fails to present the evidence 14236
required by this section. No person shall purchase or obtain a 14237
hunting license, other than an apprentice hunting license, without 14238
presenting to the issuing agent the evidence required by this 14239
section. Issuance of a hunting license in violation of the 14240
requirements of this section is an offense by both the purchaser 14241
of the illegally obtained hunting license and the clerk or agent 14242

who issued the hunting license. Any hunting license issued in 14243
violation of this section is void. 14244

The chief, with approval of the wildlife council, shall adopt 14245
rules prescribing a hunter education and conservation course for 14246
first-time hunting license buyers, other than buyers of apprentice 14247
hunting licenses, and for volunteer instructors. The course shall 14248
consist of subjects including, but not limited to, hunter safety 14249
and health, use of hunting implements, hunting tradition and 14250
ethics, the hunter and conservation, the law in section 1533.17 of 14251
the Revised Code along with the penalty for its violation, 14252
including a description of terms of imprisonment and fines that 14253
may be imposed, and other law relating to hunting. Authorized 14254
personnel of the division or volunteer instructors approved by the 14255
chief shall conduct such courses with such frequency and at such 14256
locations throughout the state as to reasonably meet the needs of 14257
license applicants. The chief shall issue a certificate of 14258
completion to each person who successfully completes the course 14259
and passes an examination prescribed by the chief. 14260

Sec. 1541.26. There is hereby created in the state treasury 14261
the parks mineral royalties fund. The fund shall consist of money 14262
deposited into it under section 1509.73 of the Revised Code and 14263
money transferred to it under section 1503.012 of the Revised 14264
Code. Any investment proceeds earned on money in the fund shall be 14265
credited to the fund. 14266

Money in the fund shall be used by the division of parks and 14267
recreation to acquire land and to pay capital costs, including 14268
equipment and repairs and renovations of facilities, that are 14269
owned by the state and administered by the division. Expenditures 14270
from the fund shall be approved by the director of natural 14271
resources. 14272

Sec. 1551.33. (A) The director of development shall appoint 14273
and fix the compensation of the director of the Ohio coal 14274
development office. The director shall serve at the pleasure of 14275
the director of development. 14276

(B) The director of the office shall do all of the following: 14277

(1) Biennially prepare and maintain the Ohio coal development 14278
agenda required under section 1551.34 of the Revised Code; 14279

(2) Propose and support policies for the office consistent 14280
with the Ohio coal development agenda and develop means to 14281
implement the agenda; 14282

(3) Initiate, undertake, and support projects to carry out 14283
the office's purposes and ensure that the projects are consistent 14284
with and meet the selection criteria established by the Ohio coal 14285
development agenda; 14286

(4) Actively encourage joint participation in and, when 14287
feasible, joint funding of the office's projects with governmental 14288
agencies, electric utilities, universities and colleges, other 14289
public or private interests, or any other person; 14290

(5) Establish a table of organization for and employ such 14291
employees and agents as are necessary for the administration and 14292
operation of the office. Any such employees shall be in the 14293
unclassified service and shall serve at the pleasure of the 14294
director of development. 14295

(6) Appoint specified members of and convene the technical 14296
advisory committee established under section 1551.35 of the 14297
Revised Code; 14298

(7) Review, with the assistance of the technical advisory 14299
committee, proposed coal research and development projects as 14300
defined in section 1555.01 of the Revised Code, and coal 14301
development projects, submitted to the office by public utilities 14302

for the purpose of section 4905.304 of the Revised Code. If the 14303
director and the advisory committee determine that any such 14304
facility or project has as its purpose the enhanced use of Ohio 14305
coal in an environmentally acceptable, cost effective manner, 14306
promotes energy conservation, is cost effective, and is 14307
environmentally sound, the director shall submit to the public 14308
utilities commission a report recommending that the commission 14309
allow the recovery of costs associated with the facility or 14310
project under section 4905.304 of the Revised Code and including 14311
the reasons for the recommendation. 14312

(8) Establish such policies, procedures, and guidelines as 14313
are necessary to achieve the office's purposes. 14314

(C) ~~The~~ With the approval of the director of development, the 14315
director of the office may exercise any of the powers and duties 14316
that the director of ~~the office~~ development considers appropriate 14317
or desirable to achieve the office's purposes, including, but not 14318
limited to, the powers and duties enumerated in sections 1551.11, 14319
1551.12, and 1551.15 of the Revised Code. 14320

Additionally, the director of the office may make loans to 14321
governmental agencies or persons for projects to carry out the 14322
office's purposes. Fees, charges, rates of interest, times of 14323
payment of interest and principal, and other terms, conditions, 14324
and provisions of the loans shall be such as the director of the 14325
office determines to be appropriate and in furtherance of the 14326
purposes for which the loans are made. The mortgage lien securing 14327
any moneys lent by the director of the office may be subordinate 14328
to the mortgage lien securing any moneys lent or invested by a 14329
financial institution, but shall be superior to that securing any 14330
moneys lent or expended by any other person. The moneys used in 14331
making the loans shall be disbursed upon order of the director of 14332
the office. 14333

Sec. 1555.02. It is hereby declared to be the public policy 14334
of this state through the operations of the Ohio coal development 14335
office under this chapter to contribute toward one or more of the 14336
following: to provide for the comfort, health, safety, and general 14337
welfare of all employees and other inhabitants of this state 14338
through research and development directed toward the discovery of 14339
new technologies or the demonstration or application of existing 14340
technologies to enable the conversion or use of Ohio coal as a 14341
fuel or chemical feedstock in an environmentally acceptable manner 14342
thereby enhancing the marketability and fostering the use of this 14343
state's vast reserves of coal, to assist in the financing of coal 14344

created in section 1551.35 of the Revised Code and the approval of 14354
the director of development, may make loans, guarantee loans, and 14355

such project and of the authorizations, trust agreements or 14376
indentures, loan agreements, loan guarantee agreements, or grant 14377
agreements, and other agreements made in connection therewith, all 14378
in accordance with their terms. 14379

Sec. 1555.03. For the purposes of this chapter, the director 14380
of the Ohio coal development office may: 14381

(I) Do all acts necessary or proper to carry out the powers 14476
expressly granted in this chapter. 14477

authority granted by this section does not alter or impair any 14497
similar authority granted elsewhere in this chapter with respect 14498
to other projects. 14499

Sec. 1555.05. (A) Subject to any limitations as to aggregate 14500

repayment or payment of the unpaid principal amount of loans made 14509
to pay the costs of coal research and development projects. 14510

(B) The contract of guarantee may make provision for the 14511
conditions of, time for, and manner of fulfillment of the 14512
guarantee commitment, subrogation of this state to the rights of 14513
the parties guaranteed and exercise of such parties' rights by the 14514

approve, and may contain provisions for securing the guarantee in 14520
the manner consistent with this section, covenants on behalf of 14521
this state to issue obligations under section 1555.08 of the 14522
Revised Code to provide moneys to fulfill such guarantees and 14523

guaranteed. 14528

(C) The director of the office may fix service charges for 14529
making a guarantee. Such charges shall be payable at such times 14530
and place and in such amounts and manner as may be prescribed by 14531
the director. Moneys received from such charges shall be credited 14532

section is hereby established as a duty of the office and of its 14551
director and each such employee having authority to perform such 14552
duty, specifically enjoined by the law resulting from an office, 14553
trust, or station within the meaning of section 2731.01 of the 14554
Revised Code. The persons who are at the time the director of the 14555

office, or its employees, are not liable in their personal 14556
capacities on any guarantees or contracts to make guarantees by 14557
the director. 14558

coal development office with the approval of the director of 14560
development, the controlling board, from appropriations available 14561
to the board, may provide funds for surveys or studies by the 14562
office of any proposed coal research and development project 14563
subject to repayment by the office from funds available to it, 14564
within the time fixed by the board. Funds to be repaid shall be 14565
charged by the office to the appropriate coal research and 14566
development project and the amount thereof shall be a cost of the 14567
project. This section does not abrogate the authority of the 14568
controlling board to otherwise provide funds for use by the office 14569
in the exercise of the powers granted to it by this chapter. 14570

Sec. 1571.14. Any person claiming to be aggrieved or 14571

regarding which the witness may be lawfully interrogated, the 14629
court of common pleas of the county in which such disobedience, 14630

otherwise authorized in this state to furnish health care 15024
services, or any professional association organized under Chapter 15025
1785. of the Revised Code, provided that nothing in this chapter 15026
or other provisions of law shall be construed to preclude a health 15027

~~(AA)~~(BB) "Provider sponsored organization" means a 15036
corporation, as defined in division (H) of this section, that is 15037
at least eighty per cent owned or controlled by one or more 15038
hospitals, as defined in section 3727.01 of the Revised Code, or 15039

osteopathic medicine and surgery under Chapter 4731. of the 15041
Revised Code, or any combination of such physicians and hospitals. 15042
Such control is presumed to exist if at least eighty per cent of 15043
the voting rights or governance rights of a provider sponsored 15044

or permanent health of the injured or ill person, and may include 15061
such health care services provided out of the health insuring 15062
corporation's approved service area pursuant to indemnity payments 15063
or service agreements. 15064

Sec. 1751.02. (A) Notwithstanding any law in this state to 15065
the contrary, any corporation, as defined in section 1751.01 of 15066
the Revised Code, may apply to the superintendent of insurance for 15067
a certificate of authority to establish and operate a health 15068
insuring corporation. If the corporation applying for a 15069
certificate of authority is a foreign corporation domiciled in a 15070
state without laws similar to those of this chapter, the 15071
corporation must form a domestic corporation to apply for, obtain, 15072
and maintain a certificate of authority under this chapter. 15073

(B) No person shall establish, operate, or perform the 15074
services of a health insuring corporation in this state without 15075
obtaining a certificate of authority under this chapter. 15076

(C) Except as provided by division (D) of this section, no political subdivision or department, office, or institution of this state, or corporation formed by or on behalf of any political subdivision or department, office, or institution of this state, shall establish, operate, or perform the services of a health insuring corporation. Nothing in this section shall be construed to preclude a board of county commissioners, a county board of developmental disabilities, an alcohol and drug addiction services board, a board of alcohol, drug addiction, and mental health services, or a community mental health board, or a public entity formed by or on behalf of any of these boards, from using managed care techniques in carrying out the board's or public entity's duties pursuant to the requirements of Chapters 307., 329., 340., and 5126. of the Revised Code. However, no such board or public entity may operate so as to compete in the private sector with health insuring corporations holding certificates of authority under this chapter.

(D) A corporation formed by or on behalf of a publicly owned, operated, or funded hospital or health care facility may apply to the superintendent for a certificate of authority under division (A) of this section to establish and operate a health insuring corporation.

(E) A health insuring corporation shall operate in this state in compliance with this chapter and Chapter 1753. of the Revised Code, ~~and with sections 3702.51 to 3702.62 of the Revised Code,~~ and shall operate in conformity with its filings with the superintendent under this chapter, including filings made pursuant to sections 1751.03, 1751.11, 1751.12, and 1751.31 of the Revised Code.

(F) An insurer licensed under Title XXXIX of the Revised Code need not obtain a certificate of authority as a health insuring corporation to offer an open panel plan as long as the providers

and health care facilities participating in the open panel plan 15109
receive their compensation directly from the insurer. If the 15110
providers and health care facilities participating in the open 15111
panel plan receive their compensation from any person other than 15112
the insurer, or if the insurer offers a closed panel plan, the 15113
insurer must obtain a certificate of authority as a health 15114
insuring corporation. 15115

(G) An intermediary organization need not obtain a 15116
certificate of authority as a health insuring corporation, 15117
regardless of the method of reimbursement to the intermediary 15118
organization, as long as a health insuring corporation or a 15119
self-insured employer maintains the ultimate responsibility to 15120
assure delivery of all health care services required by the 15121
contract between the health insuring corporation and the 15122
subscriber and the laws of this state or between the self-insured 15123
employer and its employees. 15124

Nothing in this section shall be construed to require any 15125
health care facility, provider, health delivery network, or 15126
intermediary organization that contracts with a health insuring 15127
corporation or self-insured employer, regardless of the method of 15128
reimbursement to the health care facility, provider, health 15129
delivery network, or intermediary organization, to obtain a 15130
certificate of authority as a health insuring corporation under 15131
this chapter, unless otherwise provided, in the case of contracts 15132
with a self-insured employer, by operation of the "Employee 15133
Retirement Income Security Act of 1974," 88 Stat. 829, 29 U.S.C.A. 15134
1001, as amended. 15135

(H) Any health delivery network doing business in this state, 15136
including any health delivery network that is functioning as an 15137
intermediary organization doing business in this state, that is 15138
not required to obtain a certificate of authority under this 15139
chapter shall certify to the superintendent annually, not later 15140

than the first day of July, and shall provide a statement signed 15141
by the highest ranking official which includes the following 15142
information: 15143

(1) The health delivery network's full name and the address 15144
of its principal place of business; 15145

(2) A statement that the health delivery network is not 15146
required to obtain a certificate of authority under this chapter 15147
to conduct its business. 15148

(I) The superintendent shall not issue a certificate of 15149
authority to a health insuring corporation that is a provider 15150
sponsored organization unless all health care plans to be offered 15151
by the health insuring corporation provide basic health care 15152
services. Substantially all of the physicians and hospitals with 15153
ownership or control of the provider sponsored organization, as 15154
defined in section 1751.01 of the Revised Code, shall also be 15155
participating providers for the provision of basic health care 15156
services for health care plans offered by the provider sponsored 15157
organization. If a health insuring corporation that is a provider 15158
sponsored organization offers health care plans that do not 15159
provide basic health care services, the health insuring 15160
corporation shall be deemed, for purposes of section 1751.35 of 15161
the Revised Code, to have failed to substantially comply with this 15162
chapter. 15163

Except as specifically provided in this division and in 15164
division (A) of section 1751.28 of the Revised Code, the 15165
provisions of this chapter shall apply to all health insuring 15166
corporations that are provider sponsored organizations in the same 15167
manner that these provisions apply to all health insuring 15168
corporations that are not provider sponsored organizations. 15169

(J) Nothing in this section shall be construed to apply to 15170
any multiple employer welfare arrangement operating pursuant to 15171

Chapter 1739. of the Revised Code. 15172

(K) Any person who violates division (B) of this section, and 15173
any health delivery network that fails to comply with division (H) 15174
of this section, is subject to the penalties set forth in section 15175
1751.45 of the Revised Code. 15176

Sec. 1751.13. (A)(1)(a) A health insuring corporation shall, 15177
either directly or indirectly, enter into contracts for the 15178
provision of health care services with a sufficient number and 15179
types of providers and health care facilities to ensure that all 15180
covered health care services will be accessible to enrollees from 15181
a contracted provider or health care facility. 15182

(b) A health insuring corporation shall not refuse to 15183
contract with a physician for the provision of health care 15184
services or refuse to recognize a physician as a specialist on the 15185
basis that the physician attended an educational program or a 15186
residency program approved or certified by the American 15187
osteopathic association. A health insuring corporation shall not 15188
refuse to contract with a health care facility for the provision 15189
of health care services on the basis that the health care facility 15190
is certified or accredited by the American osteopathic association 15191
or that the health care facility is an osteopathic hospital ~~as~~ 15192
~~defined in section 3702.51 of the Revised Code.~~ 15193

(c) Nothing in division (A)(1)(b) of this section shall be 15194
construed to require a health insuring corporation to make a 15195
benefit payment under a closed panel plan to a physician or health 15196
care facility with which the health insuring corporation does not 15197
have a contract, provided that none of the bases set forth in that 15198
division are used as a reason for failing to make a benefit 15199
payment. 15200

(2) When a health insuring corporation is unable to provide a 15201
covered health care service from a contracted provider or health 15202

care facility, the health insuring corporation must provide that 15203
health care service from a noncontracted provider or health care 15204
facility consistent with the terms of the enrollee's policy, 15205
contract, certificate, or agreement. The health insuring 15206
corporation shall either ensure that the health care service be 15207
provided at no greater cost to the enrollee than if the enrollee 15208
had obtained the health care service from a contracted provider or 15209
health care facility, or make other arrangements acceptable to the 15210
superintendent of insurance. 15211

(3) Nothing in this section shall prohibit a health insuring 15212
corporation from entering into contracts with out-of-state 15213
providers or health care facilities that are licensed, certified, 15214
accredited, or otherwise authorized in that state. 15215

(B)(1) A health insuring corporation shall, either directly 15216
or indirectly, enter into contracts with all providers and health 15217
care facilities through which health care services are provided to 15218
its enrollees. 15219

(2) A health insuring corporation, upon written request, 15220
shall assist its contracted providers in finding stop-loss or 15221
reinsurance carriers. 15222

(C) A health insuring corporation shall file an annual 15223
certificate with the superintendent certifying that all provider 15224
contracts and contracts with health care facilities through which 15225
health care services are being provided contain the following: 15226

(1) A description of the method by which the provider or 15227
health care facility will be notified of the specific health care 15228
services for which the provider or health care facility will be 15229
responsible, including any limitations or conditions on such 15230
services; 15231

(2) The specific hold harmless provision specifying 15232
protection of enrollees set forth as follows: 15233

"[Provider/Health Care Facility] agrees that in no event, 15234
including but not limited to nonpayment by the health insuring 15235
corporation, insolvency of the health insuring corporation, or 15236
breach of this agreement, shall [Provider/Health Care Facility] 15237
bill, charge, collect a deposit from, seek remuneration or 15238
reimbursement from, or have any recourse against, a subscriber, 15239
enrollee, person to whom health care services have been provided, 15240
or person acting on behalf of the covered enrollee, for health 15241
care services provided pursuant to this agreement. This does not 15242
prohibit [Provider/Health Care Facility] from collecting 15243
co-insurance, deductibles, or copayments as specifically provided 15244
in the evidence of coverage, or fees for uncovered health care 15245
services delivered on a fee-for-service basis to persons 15246
referenced above, nor from any recourse against the health 15247
insuring corporation or its successor." 15248

(3) Provisions requiring the provider or health care facility 15249
to continue to provide covered health care services to enrollees 15250
in the event of the health insuring corporation's insolvency or 15251
discontinuance of operations. The provisions shall require the 15252
provider or health care facility to continue to provide covered 15253
health care services to enrollees as needed to complete any 15254
medically necessary procedures commenced but unfinished at the 15255
time of the health insuring corporation's insolvency or 15256
discontinuance of operations. The completion of a medically 15257
necessary procedure shall include the rendering of all covered 15258
health care services that constitute medically necessary follow-up 15259
care for that procedure. If an enrollee is receiving necessary 15260
inpatient care at a hospital, the provisions may limit the 15261
required provision of covered health care services relating to 15262
that inpatient care in accordance with division (D)(3) of section 15263
1751.11 of the Revised Code, and may also limit such required 15264
provision of covered health care services to the period ending 15265
thirty days after the health insuring corporation's insolvency or 15266

discontinuance of operations. 15267

The provisions required by division (C)(3) of this section 15268
shall not require any provider or health care facility to continue 15269
to provide any covered health care service after the occurrence of 15270
any of the following: 15271

(a) The end of the thirty-day period following the entry of a 15272
liquidation order under Chapter 3903. of the Revised Code; 15273

(b) The end of the enrollee's period of coverage for a 15274
contractual prepayment or premium; 15275

(c) The enrollee obtains equivalent coverage with another 15276
health insuring corporation or insurer, or the enrollee's employer 15277
obtains such coverage for the enrollee; 15278

(d) The enrollee or the enrollee's employer terminates 15279
coverage under the contract; 15280

(e) A liquidator effects a transfer of the health insuring 15281
corporation's obligations under the contract under division (A)(8) 15282
of section 3903.21 of the Revised Code. 15283

(4) A provision clearly stating the rights and 15284
responsibilities of the health insuring corporation, and of the 15285
contracted providers and health care facilities, with respect to 15286
administrative policies and programs, including, but not limited 15287
to, payments systems, utilization review, quality assurance, 15288
assessment, and improvement programs, credentialing, 15289
confidentiality requirements, and any applicable federal or state 15290
programs; 15291

(5) A provision regarding the availability and 15292
confidentiality of those health records maintained by providers 15293
and health care facilities to monitor and evaluate the quality of 15294
care, to conduct evaluations and audits, and to determine on a 15295
concurrent or retrospective basis the necessity of and 15296

appropriateness of health care services provided to enrollees. The 15297
provision shall include terms requiring the provider or health 15298
care facility to make these health records available to 15299
appropriate state and federal authorities involved in assessing 15300
the quality of care or in investigating the grievances or 15301
complaints of enrollees, and requiring the provider or health care 15302
facility to comply with applicable state and federal laws related 15303
to the confidentiality of medical or health records. 15304

(6) A provision that states that contractual rights and 15305
responsibilities may not be assigned or delegated by the provider 15306
or health care facility without the prior written consent of the 15307
health insuring corporation; 15308

(7) A provision requiring the provider or health care 15309
facility to maintain adequate professional liability and 15310
malpractice insurance. The provision shall also require the 15311
provider or health care facility to notify the health insuring 15312
corporation not more than ten days after the provider's or health 15313
care facility's receipt of notice of any reduction or cancellation 15314
of such coverage. 15315

(8) A provision requiring the provider or health care 15316
facility to observe, protect, and promote the rights of enrollees 15317
as patients; 15318

(9) A provision requiring the provider or health care 15319
facility to provide health care services without discrimination on 15320
the basis of a patient's participation in the health care plan, 15321
age, sex, ethnicity, religion, sexual preference, health status, 15322
or disability, and without regard to the source of payments made 15323
for health care services rendered to a patient. This requirement 15324
shall not apply to circumstances when the provider or health care 15325
facility appropriately does not render services due to limitations 15326
arising from the provider's or health care facility's lack of 15327
training, experience, or skill, or due to licensing restrictions. 15328

(10) A provision containing the specifics of any obligation 15329
on the primary care provider to provide, or to arrange for the 15330
provision of, covered health care services twenty-four hours per 15331
day, seven days per week; 15332

(11) A provision setting forth procedures for the resolution 15333
of disputes arising out of the contract; 15334

(12) A provision stating that the hold harmless provision 15335
required by division (C)(2) of this section shall survive the 15336
termination of the contract with respect to services covered and 15337
provided under the contract during the time the contract was in 15338
effect, regardless of the reason for the termination, including 15339
the insolvency of the health insuring corporation; 15340

(13) A provision requiring those terms that are used in the 15341
contract and that are defined by this chapter, be used in the 15342
contract in a manner consistent with those definitions. 15343

This division does not apply to the coverage of beneficiaries 15344
enrolled in medicare pursuant to a medicare risk contract or 15345
medicare cost contract, or to the coverage of beneficiaries 15346
enrolled in the federal employee health benefits program pursuant 15347
to 5 U.S.C.A. 8905, or to the coverage of medicaid recipients, or 15348
to the coverage of beneficiaries under any federal health care 15349
program regulated by a federal regulatory body, or to the coverage 15350
of beneficiaries under any contract covering officers or employees 15351
of the state that has been entered into by the department of 15352
administrative services. 15353

(D)(1) No health insuring corporation contract with a 15354
provider or health care facility shall contain any of the 15355
following: 15356

(a) A provision that directly or indirectly offers an 15357
inducement to the provider or health care facility to reduce or 15358
limit medically necessary health care services to a covered 15359

| (c) A provision that limits or otherwise restricts the provider's or health care facility's ethical and legal responsibility to fully advise enrollees about their medical condition and about medically appropriate treatment options; | 15365 15366 15367 15368 |

insuring corporation must approve or disapprove the participation 15391
of any provider or health care facility with which the 15392
intermediary organization contracts. 15393

(F) If an intermediary organization that is not a health 15394
delivery network contracting solely with self-insured employers 15395
subcontracts with a provider or health care facility, the 15396
subcontract with the provider or health care facility shall do all 15397
of the following: 15398

(1) Contain the provisions required by divisions (C) and (G) 15399
of this section, as made applicable to an intermediary 15400
organization, without the inclusion of inducements or penalties 15401
described in division (D) of this section; 15402

(2) Acknowledge that the health insuring corporation is a 15403
third-party beneficiary to the agreement; 15404

at one or more of its places of business in this state, and shall 15414
provide copies of these contracts to facilitate regulatory review 15415
upon written notice by the superintendent of insurance. 15416

(2) Any contract with an intermediary organization that 15417
accepts compensation shall include provisions requiring the 15418
intermediary organization to provide the superintendent with 15419
regulatory access to all books, records, financial information, 15420

subscribers and enrollees under the contract. The contract shall 15422
require the intermediary organization to maintain such books, 15423
records, financial information, and documents at its principal 15424
place of business in this state and to preserve them for at least 15425
three years in a manner that facilitates regulatory review. 15426

(I)(1) A health insuring corporation shall notify its 15427
affected enrollees of the termination of a contract for the 15428
provision of health care services between the health insuring 15429
corporation and a primary care physician or hospital, by mail, 15430
within thirty days after the termination of the contract. 15431

of a contract with a primary care physician if the subscriber, or 15433
a dependent covered under the subscriber's health care coverage, 15434

certificate of authority or license to operate under Chapter 1740. 15453
of the Revised Code. 15454

or described one or more controlled substances to be searched for 15686
and seized, stated substantially the offense under Chapter 2925. 15687
or 3719. of the Revised Code or the substantially similar 15688

otherwise was or is connected with the tenant's premises, and 15690
states the factual basis for the affiant's belief that the 15691
controlled substances are located on the tenant's premises; the 15692
warrant was properly executed by a law enforcement officer and any 15693
controlled substance described in the affidavit was found by that 15694
officer during the search and seizure; and, subsequent to the 15695
search and seizure, the landlord was informed by that or another 15696

law enforcement officer of the fact that the tenant or person has 15697
or presently is engaged in a violation as described in this 15698
division and it occurred in, is occurring in, or otherwise was or 15699
is connected with the tenant's premises. 15700

(ii) The landlord gives the tenant the notice required by 15701
division (C) of section 5321.17 of the Revised Code. 15702

(b) The court determines, by a preponderance of the evidence, 15703
that the tenant, any person in the tenant's household, or any 15704

division (A)(6)(a)(i) of this section. 15707

Code. In those cases, the court has the authority to declare a 15709
forfeiture of the vendee's rights under a land installment 15710
contract and to grant any other claims arising out of the 15711
contract. 15712

(8) Against tenants who have breached an obligation that is 15713
imposed by section 5321.05 of the Revised Code, other than the 15714
obligation specified in division (A)(9) of that section, and that 15715
materially affects health and safety. Prior to the commencement of 15716
an action under this division, notice shall be given to the tenant 15717
and compliance secured with section 5321.11 of the Revised Code. 15718

(9) Against tenants who have breached an obligation imposed 15719
upon them by a written rental agreement; 15720

(10) Against manufactured home park residents who have 15721
defaulted in the payment of rent or breached the terms of a rental 15722
agreement with a park operator. Nothing in this division precludes 15723
the commencement of an action under division (A)(12) of this 15724
section when the additional circumstances described in that 15725
division apply. 15726

(11) Against manufactured home park residents who have 15727

committed two material violations of the rules of the manufactured home park, of the ~~public health council~~ manufactured homes commission, or of applicable state and local health and safety codes and who have been notified of the violations in compliance with section ~~3733.13~~ 4781.45 of the Revised Code;

(12) Against a manufactured home park resident, or the estate of a manufactured home park resident, who as a result of death or otherwise has been absent from the manufactured home park for a period of thirty consecutive days prior to the commencement of an action under this division and whose manufactured home or mobile home, or recreational vehicle that is parked in the manufactured home park, has been left unoccupied for that thirty-day period, without notice to the park operator and without payment of rent due under the rental agreement with the park operator;

(13) Against occupants of self-service storage facilities, as defined in division (A) of section 5322.01 of the Revised Code, who have breached the terms of a rental agreement or violated section 5322.04 of the Revised Code;

(14) Against any resident or occupant who, pursuant to a rental agreement, resides in or occupies residential premises located within one thousand feet of any school premises or preschool or child day-care center premises and to whom both of the following apply:

(a) The resident's or occupant's name appears on the state registry of sex offenders and child-victim offenders maintained under section 2950.13 of the Revised Code.

(b) The state registry of sex offenders and child-victim offenders indicates that the resident or occupant was convicted of or pleaded guilty to a sexually oriented offense or a child-victim oriented offense in a criminal prosecution and was not sentenced to a serious youthful offender dispositional sentence for that

offense. 15759

(15) Against any tenant who permits any person to occupy 15760
residential premises located within one thousand feet of any 15761
school premises or preschool or child day-care center premises if 15762
both of the following apply to the person: 15763

(a) The person's name appears on the state registry of sex 15764
offenders and child-victim offenders maintained under section 15765
2950.13 of the Revised Code. 15766

(b) The state registry of sex offenders and child-victim 15767
offenders indicates that the person was convicted of or pleaded 15768
guilty to a sexually oriented offense or a child-victim oriented 15769
offense in a criminal prosecution and was not sentenced to a 15770
serious youthful offender dispositional sentence for that offense. 15771

(B) If a tenant or manufactured home park resident holding 15772
under an oral tenancy is in default in the payment of rent, the 15773
tenant or resident forfeits the right of occupancy, and the 15774
landlord may, at the landlord's option, terminate the tenancy by 15775
notifying the tenant or resident, as provided in section 1923.04 15776
of the Revised Code, to leave the premises, for the restitution of 15777
which an action may then be brought under this chapter. 15778

(C)(1) If a tenant or any other person with the tenant's 15779
permission resides in or occupies residential premises that are 15780
located within one thousand feet of any school premises and is a 15781
resident or occupant of the type described in division (A)(14) of 15782
this section or a person of the type described in division (A)(15) 15783
of this section, the landlord for those residential premises, upon 15784
discovery that the tenant or other person is a resident, occupant, 15785
or person of that nature, may terminate the rental agreement or 15786
tenancy for those residential premises by notifying the tenant and 15787
all other occupants, as provided in section 1923.04 of the Revised 15788
Code, to leave the premises. 15789

(2) If a landlord is authorized to terminate a rental agreement or tenancy pursuant to division (C)(1) of this section but does not so terminate the rental agreement or tenancy, the landlord is not liable in a tort or other civil action in damages for any injury, death, or loss to person or property that allegedly result from that decision.

(D) This chapter does not apply to a student tenant as defined by division (H) of section 5321.01 of the Revised Code when the college or university proceeds to terminate a rental agreement pursuant to section 5321.031 of the Revised Code.

Sec. 1923.061. (A) Any defense in an action under this chapter may be asserted at trial.

(B) In an action for possession of residential premises based upon nonpayment of the rent or in an action for rent when the tenant or manufactured home park resident is in possession, the tenant or resident may counterclaim for any amount ~~he~~ the tenant or resident may recover under the rental agreement or under Chapter ~~3733-~~ 4781. or 5321. of the Revised Code. In that event, the court from time to time may order the tenant or resident to pay into court all or part of the past due rent and rent becoming due during the pendency of the action. After trial and judgment, the party to whom a net judgment is owed shall be paid first from the money paid into court, and any balance shall be satisfied as any other judgment. If no rent remains due after application of this division, judgment shall be entered for the tenant or resident in the action for possession. If the tenant or resident has paid into court an amount greater than that necessary to satisfy a judgment obtained by the landlord, the balance shall be returned by the court to the tenant or resident.

Sec. 1923.15. During any proceeding involving residential

premises under this chapter, the court may order an appropriate 15820
governmental agency to inspect the residential premises. If the 15821
agency determines and the court finds conditions which constitute 15822
a violation of section ~~3733.10~~ 4781.38 or 5321.04 of the Revised 15823
Code, and if the premises have been vacated or are to be restored 15824
to the landlord, the court may issue an order forbidding the 15825
re-rental of the property until such conditions are corrected. If 15826
the agency determines and the court finds such conditions, and if 15827
the court finds that the tenant or manufactured home park resident 15828
may remain in possession, the court may order such conditions 15829
corrected. If such conditions have been caused by the tenant or 15830
resident, the court may award damages to the landlord equal to the 15831
reasonable cost of correcting such conditions. 15832

Sec. 2151.86. (A)(1) The appointing or hiring officer of any 15833
entity that appoints or employs any person responsible for a 15834
child's care in out-of-home care shall request the superintendent 15835
of BCII to conduct a criminal records check with respect to any 15836
person who is under final consideration for appointment or 15837
employment as a person responsible for a child's care in 15838
out-of-home care, except that section 3319.39 of the Revised Code 15839
shall apply instead of this section if the out-of-home care entity 15840
is a public school, educational service center, or chartered 15841
nonpublic school. 15842

(2) At the times specified in this division, the 15843

(3) Before a recommending agency submits a recommendation to 15855
the department of job and family services on whether the 15856
department should issue a certificate to a foster home under 15857
section 5103.03 of the Revised Code, and every four years 15858

(B) If a complaint is filed against a child alleging that the child is a delinquent child, if the case is transferred pursuant to division (A)(1)(a)(i) or (A)(1)(b)(ii) of section 2152.12 of the Revised Code, and if the child subsequently is convicted of or pleads guilty to an offense in that case, the sentence to be imposed or disposition to be made of the child shall be determined as follows: 16125

16135

if committed by an adult, division (A) of section 2152.12 of the Revised Code would have required mandatory transfer of the case or division (B) of that section would have allowed discretionary transfer of the case. The court shall not consider the factor specified in division (B)(3) of section 2152.12 of the Revised Code in making its determination under this division.

(2) If the court in which the child is convicted of or pleads guilty to the offense determines under division (B)(1) of this section that, had a complaint been filed in juvenile court alleging that the child was a delinquent child for committing an act that would be that offense if committed by an adult, division (A) of section 2152.12 of the Revised Code would not have required mandatory transfer of the case, and division (B) of that section would not have allowed discretionary transfer of the case, the court shall transfer jurisdiction of the case back to the juvenile court that initially transferred the case, the court and all other agencies that have any record of the conviction of the child or the child's guilty plea shall expunge the conviction or guilty plea and all records of it, the conviction or guilty plea shall be considered and treated for all purposes other than as provided in this section to have never occurred, the conviction or guilty plea shall be considered and treated for all purposes other than as provided in this section to have been a delinquent child adjudication of the child, and the juvenile court shall impose one or more traditional juvenile dispositions upon the child under sections 2152.19 and 2152.20 of the Revised Code.

(3) If the court in which the child is convicted of or pleads guilty to the offense determines under division (B)(1) of this section that, had a complaint been filed in juvenile court alleging that the child was a delinquent child for committing an act that would be that offense if committed by an adult, division (A) of section 2152.12 of the Revised Code would not have required

mandatory transfer of the case but division (B) of that section 16168
would have allowed discretionary transfer of the case, the court 16169
shall determine the sentence it believes should be imposed upon 16170
the child under Chapter 2929. of the Revised Code, shall impose 16171
that sentence upon the child, and shall stay that sentence pending 16172
completion of the procedures specified in this division. Upon 16173
imposition and staying of the sentence, the court shall transfer 16174
jurisdiction of the case back to the juvenile court that initially 16175
transferred the case and the juvenile court shall proceed in 16176
accordance with this division. In no case may the child waive a 16177
right to a hearing of the type described in division (B)(3)(b) of 16178
this section, regarding a motion filed as described in that 16179
division by the prosecuting attorney in the case. Upon transfer of 16180
jurisdiction of the case back to the juvenile court, both of the 16181
following apply: 16182

(a) Except as otherwise provided in division (B)(3)(b) of 16183
this section, the juvenile court shall impose a serious youthful 16184
offender dispositional sentence upon the child under division 16185
(D)(1) of section 2152.13 of the Revised Code. In imposing the 16186
adult portion of that sentence, the juvenile court shall consider 16187
and give preference to the sentence imposed upon the child by the 16188
court in which the child was convicted of or pleaded guilty to the 16189
offense. Upon imposing a serious youthful offender dispositional 16190
sentence upon the child as described in this division, the 16191
juvenile court shall notify the court in which the child was 16192
convicted of or pleaded guilty to the offense, the sentence 16193
imposed upon the child by that court shall terminate, the court 16194
and all other agencies that have any record of the conviction of 16195
the child shall expunge the conviction or guilty plea and all 16196
records of it, the conviction or guilty plea shall be considered 16197
and treated for all purposes other than as provided in this 16198
section to have never occurred, and the conviction or guilty plea 16199
shall be considered and treated for all purposes other than as 16200

provided in this section to have been a delinquent child 16201
adjudication of the child. 16202

(b) Upon the transfer, the prosecuting attorney in the case 16203
may file a motion in the juvenile court that objects to the 16204
imposition of a serious youthful offender dispositional sentence 16205
upon the child and requests that the sentence imposed upon the 16206
child by the court in which the child was convicted of or pleaded 16207
guilty to the offense be invoked. Upon the filing of a motion 16208
under this division, the juvenile court shall hold a hearing to 16209
determine whether the child is not amenable to care or 16210
rehabilitation within the juvenile system and whether the safety 16211
of the community may require that the child be subject solely to 16212
adult sanctions. If the juvenile court at the hearing finds that 16213
the child is not amenable to care or rehabilitation within the 16214
juvenile system or that the safety of the community may require 16215
that the child be subject solely to adult sanctions, the court 16216
shall grant the motion. Absent such a finding, the juvenile court 16217
shall deny the motion. In making its decision under this division, 16218
the juvenile court shall consider the factors listed in division 16219
(D) of section 2152.12 of the Revised Code as factors indicating 16220
that the motion should be granted, shall consider the factors 16221
listed in division (E) of that section as factors indicating that 16222
the motion should not be granted, and shall consider whether the 16223
applicable factors listed in division (D) of that section outweigh 16224
the applicable factors listed in division (E) of that section. 16225

If the juvenile court grants the motion of the prosecuting 16226
attorney under this division, the juvenile court shall transfer 16227
jurisdiction of the case back to the court in which the child was 16228
convicted of or pleaded guilty to the offense, and the sentence 16229
imposed by that court shall be invoked. If the juvenile court 16230
denies the motion of the prosecuting attorney under this section, 16231
the juvenile court shall impose a serious youthful offender 16232

dispositional sentence upon the child in accordance with division 16233
(B)(3)(a) of this section. 16234

(4) If the court in which the child is convicted of or pleads 16235
guilty to the offense determines under division (B)(1) of this 16236
section that, had a complaint been filed in juvenile court 16237
alleging that the child was a delinquent child for committing an 16238
act that would be that offense if committed by an adult, division 16239
(A) of section 2152.12 of the Revised Code would have required 16240
mandatory transfer of the case, the court shall impose sentence 16241
upon the child under Chapter 2929. of the Revised Code. 16242

Sec. 2152.22. (A) When a child is committed to the legal 16243
custody of the department of youth services under this chapter, 16244
the juvenile court relinquishes control with respect to the child 16245
so committed, except as provided in divisions (B), (C), (D), and 16246
(H) of this section or in sections 2152.82 to 2152.86 of the 16247
Revised Code. Subject to divisions (B), (C), and (D) of this 16248
section, sections 2151.353 and 2151.412 to 2151.421 of the Revised 16249
Code, sections 2152.82 to 2152.86 of the Revised Code, and any 16250
other provision of law that specifies a different duration for a 16251
dispositional order, all other dispositional orders made by the 16252
court under this chapter shall be temporary and shall continue for 16253
a period that is designated by the court in its order, until 16254
terminated or modified by the court or until the child attains 16255
twenty-one years of age. 16256

The department shall not release the child from a department 16257
facility and as a result shall not discharge the child or order 16258
the child's release on supervised release prior to the expiration 16259
of the minimum period specified by the court in division (A)(1) of 16260
section 2152.16 of the Revised Code and any term of commitment 16261
imposed under section 2152.17 of the Revised Code or prior to the 16262
child's attainment of twenty-one years of age, except upon the 16263

order of a court pursuant to division (B), (C), or (D) of this 16264
section or in accordance with section 5139.54 of the Revised Code. 16265

(B)(1) ~~The~~ Unless the court grants judicial release under 16266
division (D)(1)(b) of this section, the court that commits a 16267
delinquent child to the department of youth services may grant 16268
judicial release of the child to court supervision under this 16269
division during the first half of the prescribed minimum term for 16270
which the child was committed to the department or, if the child 16271
was committed to the department until the child attains twenty-one 16272
years of age, during the first half of the prescribed period of 16273
commitment that begins on the first day of commitment and ends on 16274
the child's twenty-first birthday, provided any commitment imposed 16275
under division (A), (B), (C), or (D) of section 2152.17 of the 16276
Revised Code has ended. 16277

(2) If the department desires to release a child during a 16278
period specified in division (B)(1) of this section, it shall 16279
request the court that committed the child to grant a judicial 16280
release of the child to court supervision under this division. 16281
During whichever of those periods is applicable, the child or the 16282
parents of the child also may request that court to grant a 16283
judicial release of the child to court supervision. Upon receipt 16284
of a request for a judicial release to court supervision under 16285
this division from the department, the child, or the child's 16286
parent, or upon its own motion, the court that committed the child 16287
shall do one of the following: approve the release by journal 16288
entry; schedule within thirty days after the request is received a 16289
time for a hearing on whether the child is to be released; or 16290
reject the request by journal entry without conducting a hearing. 16291

If the court rejects an initial request for a release under 16292
this division by the child or the child's parent, the child or the 16293
child's parent may make one additional request for a judicial 16294
release to court supervision within the applicable period. The 16295

additional request may be made no earlier than thirty days after 16296
the filing of the prior request for a judicial release to court 16297
supervision. Upon the filing of a second request for a judicial 16298
release to court supervision, the court shall either approve or 16299
disapprove the release by journal entry or schedule within thirty 16300
days after the request is received a time for a hearing on whether 16301
the child is to be released. 16302

(3) If a court schedules a hearing under division (B)(2) of 16303
this section, it may order the department to deliver the child to 16304
the court on the date set for the hearing and may order the 16305
department to present to the court a report on the child's 16306
progress in the institution to which the child was committed and 16307
recommendations for conditions of supervision of the child by the 16308
court after release. The court may conduct the hearing without the 16309
child being present. The court shall determine at the hearing 16310
whether the child should be granted a judicial release to court 16311
supervision. 16312

If the court approves the release under this division, it 16313
shall order its staff to prepare a written treatment and 16314
rehabilitation plan for the child that may include any conditions 16315
of the child's release that were recommended by the department and 16316
approved by the court. The committing court shall send the 16317
juvenile court of the county in which the child is placed a copy 16318
of the recommended plan. The court of the county in which the 16319
child is placed may adopt the recommended conditions set by the 16320
committing court as an order of the court and may add any 16321
additional consistent conditions it considers appropriate. If a 16322
child is granted a judicial release to court supervision, the 16323
release discharges the child from the custody of the department of 16324
youth services. 16325

(C)(1) The Unless the court grants judicial release under 16326
division (D)(1)(b) of this section, the court that commits a 16327

delinquent child to the department of youth services may grant 16328
judicial release of the child to department of youth services 16329
supervision under this division during the second half of the 16330
prescribed minimum term for which the child was committed to the 16331
department or, if the child was committed to the department until 16332
the child attains twenty-one years of age, during the second half 16333
of the prescribed period of commitment that begins on the first 16334
day of commitment and ends on the child's twenty-first birthday, 16335
provided any commitment imposed under division (A), (B), (C), or 16336
(D) of section 2152.17 of the Revised Code has ended. 16337

(2) If the department desires to release a child during a 16338
period specified in division (C)(1) of this section, it shall 16339
request the court that committed the child to grant a judicial 16340
release to department of youth services supervision. During 16341
whichever of those periods is applicable, the child or the child's 16342
parent also may request the court that committed the child to 16343
grant a judicial release to department of youth services 16344
supervision. Upon receipt of a request for judicial release to 16345
department of youth services supervision, the child, or the 16346
child's parent, or upon its own motion at any time during that 16347
period, the court shall do one of the following: approve the 16348
release by journal entry; schedule a time within thirty days after 16349
receipt of the request for a hearing on whether the child is to be 16350
released; or reject the request by journal entry without 16351
conducting a hearing. 16352

If the court rejects an initial request for release under 16353
this division by the child or the child's parent, the child or the 16354
child's parent may make one or more subsequent requests for a 16355
release within the applicable period, but may make no more than 16356
one request during each period of ninety days that the child is in 16357
a secure department facility after the filing of a prior request 16358
for early release. Upon the filing of a request for release under 16359

this division subsequent to an initial request, the court shall 16360
either approve or disapprove the release by journal entry or 16361
schedule a time within thirty days after receipt of the request 16362
for a hearing on whether the child is to be released. 16363

(3) If a court schedules a hearing under division (C)(2) of 16364
this section, it may order the department to deliver the child to 16365
the court on the date set for the hearing and shall order the 16366
department to present to the court at that time a treatment plan 16367
for the child's post-institutional care. The court may conduct the 16368
hearing without the child being present. The court shall determine 16369
at the hearing whether the child should be granted a judicial 16370
release to department of youth services supervision. 16371

If the court approves the judicial release to department of 16372
youth services supervision, the department shall prepare a written 16373
treatment and rehabilitation plan for the child pursuant to 16374
division (F) of this section that shall include the conditions of 16375
the child's release. It shall send the committing court and the 16376
juvenile court of the county in which the child is placed a copy 16377
of the plan. The court of the county in which the child is placed 16378
may adopt the conditions set by the department as an order of the 16379
court and may add any additional consistent conditions it 16380
considers appropriate, provided that the court may not add any 16381
condition that decreases the level or degree of supervision 16382
specified by the department in its plan, that substantially 16383
increases the financial burden of supervision that will be 16384
experienced by the department, or that alters the placement 16385
specified by the department in its plan. If the court of the 16386
county in which the child is placed adds to the department's plan 16387
any additional conditions, it shall enter those additional 16388
conditions in its journal and shall send to the department a copy 16389
of the journal entry of the additional conditions. 16390

If the court approves the judicial release to department of 16391

youth services supervision, the actual date on which the 16392
department shall release the child is contingent upon the 16393
department finding a suitable placement for the child. If the 16394
child is to be returned to the child's home, the department shall 16395
return the child on the date that the court schedules for the 16396
child's release or shall bear the expense of any additional time 16397
that the child remains in a department facility. If the child is 16398
unable to return to the child's home, the department shall 16399
exercise reasonable diligence in finding a suitable placement for 16400
the child, and the child shall remain in a department facility 16401
while the department finds the suitable placement. 16402

(D)(1) Subject to division (D)(3) of this section, the court 16403
that commits a delinquent child to the department of youth 16404
services may grant judicial release of the child under this 16405
division at any time after the expiration of one of the following 16406
periods of time: 16407

(a) Except as otherwise provided in division (D)(1)(b) of 16408
this section, if the child was committed to the department for a 16409
prescribed minimum period and a maximum period not to exceed the 16410
child's attainment of twenty-one years, the court may grant 16411
judicial release of the child at any time after the expiration of 16412
the prescribed minimum term for which the child was committed to 16413
the department. 16414

(b) If the child was committed to the department for both one 16415
or more definite periods under division (A), (B), (C), or (D) of 16416
section 2152.17 of the Revised Code and a period of the type 16417
described in division (D)(1)(a) of this section, all of the 16418
prescribed minimum periods of commitment imposed under division 16419
(A), (B), (C), or (D) of section 2152.17 of the Revised Code and 16420
the prescribed period of commitment of the type described in 16421
division (D)(1)(a) of this section shall be aggregated for 16422
purposes of this division, and the court may grant judicial 16423

release of the child at any time after the expiration of one year 16424
after the child begins serving the aggregate period of commitment. 16425

(2) If a court grants a judicial release of a child under 16426
division (D)(1) of this section, the release shall be a judicial 16427
release to department of youth services supervision, if the 16428
release is granted during a period described in division (C)(1) of 16429
this section, and the second and third paragraphs of division 16430
(C)(3) of this section apply regarding the release. In all other 16431
cases, the release shall be a judicial release to court 16432
supervision, and the second paragraph of division (B)(3) of this 16433
section applies regarding the release. 16434

(3) A court at the time of making the disposition of a child 16435
shall provide notice in the order of disposition that the judge is 16436
retaining jurisdiction over the child for the purpose of a 16437
possible grant of judicial release of the child under division 16438
(D)(1) of this section. The failure of a court to provide this 16439
notice does not affect the authority of the court to grant a 16440
judicial release under that division and does not constitute 16441
grounds for setting aside the child's delinquent child 16442
adjudication or disposition or for granting any post-adjudication 16443
relief to the child. 16444

(4) The department of youth services, a child committed to 16445
the department, or the parents of the child, during a period 16446
specified in division (D)(1) of this section, may request the 16447
court that committed the child to grant a judicial release of the 16448
child under that division. Upon receipt of a request for judicial 16449
release of a child under this division from the department, the 16450
child, or the child's parent, or upon its own motion, the court 16451
that committed the child shall do one of the following: 16452

(a) Approve the request by journal entry; 16453

(b) Schedule within thirty days after the request is received 16454

a time for a hearing on whether the child is to be released; 16455

(c) Reject the request by journal entry without conducting a 16456
hearing. 16457

If the court rejects an initial request for a release under 16458
this division by the child or the child's parent, division (C)(2) 16459
of this section applies regarding the making of additional 16460
requests. 16461

If the court schedules a hearing under this division to 16462
consider the judicial release, the first paragraph of division 16463
(B)(3) of this section applies regarding the hearing. 16464

(E) If a child is released under division (B), (C), or (D) of 16465
this section and the court of the county in which the child is 16466
placed has reason to believe that the child's department is not in 16467
accordance with the conditions of the child's judicial release, 16468
the court of the county in which the child is placed shall 16469
schedule a time for a hearing to determine whether the child 16470
violated any of the post-release conditions, and, if the child was 16471
released under division (C) of this section or under division (D) 16472
of this section under department supervision, divisions (A) to (E) 16473
of section 5139.52 of the Revised Code apply regarding the child. 16474

If that court determines at the hearing that the child 16475
violated any of the post-release conditions, the court, if it 16476
determines that the violation was a serious violation, may order 16477
the child to be returned to the department for 16478
institutionalization, consistent with the original order of 16479
commitment of the child, or in any case may make any other 16480
disposition of the child authorized by law that the court 16481
considers proper. If the court of the county in which the child is 16482
placed orders the child to be returned to a department of youth 16483
services institution, the time during which the child was held in 16484
a secure department facility prior to the child's judicial release 16485

shall be considered as time served in fulfilling the prescribed 16486
period of institutionalization that is applicable to the child 16487
under the child's original order of commitment. If the court 16488
orders the child returned to a department institution, the child 16489
shall remain in institutional care for a minimum of three months 16490
or until the child successfully completes a revocation program of 16491
a duration of not less than thirty days operated either by the 16492
department or by an entity with which the department has 16493
contracted to provide a revocation program. 16494

(F) The department of youth services, prior to the release of 16495
a child pursuant to division (C) of this section or pursuant to 16496
division (D) of this section on department supervision, shall do 16497
all of the following: 16498

(1) After reviewing the child's rehabilitative progress 16499
history and medical and educational records, prepare a written 16500
treatment and rehabilitation plan for the child that includes 16501
conditions of the release; 16502

(2) Completely discuss the conditions of the plan prepared 16503
pursuant to division (F)(1) of this section and the possible 16504
penalties for violation of the plan with the child and the child's 16505
parents, guardian, or legal custodian; 16506

(3) Have the plan prepared pursuant to division (F)(1) of 16507
this section signed by the child, the child's parents, legal 16508
guardian, or custodian, and any authority or person that is to 16509
supervise, control, and provide supportive assistance to the child 16510
at the time of the child's release pursuant to division (C) or (D) 16511
of this section; 16512

(4) Prior to the child's release, file a copy of the 16513
treatment plan prepared pursuant to division (F)(1) of this 16514
section with the committing court and the juvenile court of the 16515
county in which the child is to be placed. 16516

(G) The department of youth services shall file a written progress report with the committing court regarding each child released pursuant to division (C) of this section or released pursuant to division (D) of this section on judicial release to department supervision at least once every thirty days unless specifically directed otherwise by the court. The report shall indicate the treatment and rehabilitative progress of the child and the child's family, if applicable, and shall include any suggestions for altering the program, custody, living arrangements, or treatment. The department shall retain legal custody of a child so released until it discharges the child or until the custody is terminated as otherwise provided by law.

(H) When a child is committed to the legal custody of the department of youth services, the court retains jurisdiction to perform the functions specified in section 5139.51 of the Revised Code with respect to the granting of supervised release by the release authority and to perform the functions specified in section 5139.52 of the Revised Code with respect to violations of the conditions of supervised release granted by the release authority and to the revocation of supervised release granted by the release authority.

They shall have all the powers relating to juvenile courts, and all cases under Chapters 2151. and 2152. of the Revised Code, all parentage proceedings under Chapter 3111. of the Revised Code over which the juvenile

court has jurisdiction, and all divorce, dissolution of marriage, 16549
legal separation, and annulment cases shall be assigned to them. 16550
In addition to the judge's regular duties, the judge who is senior 16551
in point of service shall serve on the children services board and 16552
the county advisory board and shall be the administrator of the 16553
domestic relations division and its subdivisions and departments. 16554
16555

(B) In Hamilton county: 16556

(1) The judge of the court of common pleas, whose term begins 16557

1991 and each year thereafter, a majority of the judges of the 16570
division of domestic relations shall elect one of the judges of 16571
the division as administrative judge of that division. If a 16572
majority of the judges of the division of domestic relations are 16573
unable for any reason to elect an administrative judge for the 16574
division before the first day of August, a majority of the judges 16575
of the Hamilton county court of common pleas, as soon as possible 16576
after that date, shall elect one of the judges of the division of 16577
domestic relations as administrative judge of that division. The 16578
term of the administrative judge shall begin on the earlier of the 16579
first day of August of the year in which the administrative judge 16580

is elected or the date on which the administrative judge is 16581
elected by a majority of the judges of the Hamilton county court 16582
of common pleas and shall terminate on the date on which the 16583
administrative judge's successor is elected in the following year. 16584

In addition to the judge's regular duties, the administrative 16585
judge of the division of domestic relations shall be the 16586
administrator of the domestic relations division and its 16587
subdivisions and departments and shall have charge of the 16588
employment, assignment, and supervision of the personnel of the 16589
division engaged in handling, servicing, or investigating divorce, 16590
dissolution of marriage, legal separation, and annulment cases, 16591
including any referees considered necessary by the judges in the 16592
discharge of their various duties. 16593

The administrative judge of the division of domestic 16594
relations also shall designate the title, compensation, expense 16595
allowances, hours, leaves of absence, and vacations of the 16596
personnel of the division, and shall fix the duties of its 16597
personnel. The duties of the personnel, in addition to those 16598
provided for in other sections of the Revised Code, shall include 16599
the handling, servicing, and investigation of divorce, dissolution 16600
of marriage, legal separation, and annulment cases and counseling 16601
and conciliation services that may be made available to persons 16602
requesting them, whether or not the persons are parties to an 16603
action pending in the division. 16604

The board of county commissioners shall appropriate the sum 16605
of money each year as will meet all the administrative expenses of 16606
the division of domestic relations, including reasonable expenses 16607
of the domestic relations judges and the division counselors and 16608
other employees designated to conduct the handling, servicing, and 16609
investigation of divorce, dissolution of marriage, legal 16610
separation, and annulment cases, conciliation and counseling, and 16611
all matters relating to those cases and counseling, and the 16612

expenses involved in the attendance of division personnel at 16613
domestic relations and welfare conferences designated by the 16614
division, and the further sum each year as will provide for the 16615
adequate operation of the division of domestic relations. 16616

The compensation and expenses of all employees and the salary 16617
and expenses of the judges shall be paid by the county treasurer 16618
from the money appropriated for the operation of the division, 16619
upon the warrant of the county auditor, certified to by the 16620
administrative judge of the division of domestic relations. 16621

writs of the division may issue to a bailiff, constable, or staff 16623
investigator of the division or to the sheriff of any county or 16624
any marshal, constable, or police officer, and the provisions of 16625
law relating to the subpoenaing of witnesses in other cases shall 16626
apply insofar as they are applicable. When a summons, warrant, 16627
citation, subpoena, or other writ is issued to an officer, other 16628
than a bailiff, constable, or staff investigator of the division, 16629
the expense of serving it shall be assessed as a part of the costs 16630
in the case involved. 16631

whose term begins on January 3, 1997, and the successors to that 16633
judge shall each be elected and designated as the drug court judge 16634
of the court of common pleas of Hamilton county. The drug court 16635
judge may accept or reject any case referred to the drug court 16636
judge under division (B)(3) of this section. After the drug court 16637
judge accepts a referred case, the drug court judge has full 16638
authority over the case, including the authority to conduct 16639
arraignment, accept pleas, enter findings and dispositions, 16640
conduct trials, order treatment, and if treatment is not 16641
successfully completed pronounce and enter sentence. 16642

of Hamilton county and a judge of the Hamilton county municipal 16644

court may refer to the drug court judge any case, and any 16645
companion cases, the judge determines meet the criteria described 16646
under divisions (B)(3)(a) and (b) of this section. If the drug 16647
court judge accepts referral of a referred case, the case, and any 16648
companion cases, shall be transferred to the drug court judge. A 16649
judge may refer a case meeting the criteria described in divisions 16650
(B)(3)(a) and (b) of this section that involves a violation of a 16651
condition of a community control sanction to the drug court judge, 16652
and, if the drug court judge accepts the referral, the referring 16653
judge and the drug court judge have concurrent jurisdiction over 16654
the case. 16655

A judge of the general division of the court of common pleas 16656
of Hamilton county and a judge of the Hamilton county municipal 16657
court may refer a case to the drug court judge under division 16658
(B)(3) of this section if the judge determines that both of the 16659
following apply: 16660

(a) One of the following applies: 16661

(i) The case involves a drug abuse offense, as defined in 16662
section 2925.01 of the Revised Code, that is a felony of the third 16663
or fourth degree if the offense is committed prior to July 1, 16664
1996, a felony of the third, fourth, or fifth degree if the 16665

fourth degree if the offense is committed prior to July 1, 1996, a 16669
felony of the third, fourth, or fifth degree if the offense is 16670
committed on or after July 1, 1996, or a misdemeanor, and the 16671

(b) All of the following apply: 16674

(iii) The defendant has no history of mental illness.

(iv) The defendant's current or past behavior, or both, is
drug or alcohol driven.

(v) The defendant demonstrates a sincere willingness to
participate in a fifteen-month treatment process.

(vi) The defendant has no acute health condition.

(vii) If the defendant is incarcerated, the county prosecutor
approves of the referral.

(4) If the administrative judge of the court of common pleas
of Hamilton county determines that the volume of cases pending
before the drug court judge does not constitute a sufficient
caseload for the drug court judge, the administrative judge, in
accordance with the Rules of Superintendence for Courts of Common
Pleas, shall assign individual cases to the drug court judge from
the general docket of the court. If the assignments so occur, the
administrative judge shall cease the assignments when the
administrative judge determines that the volume of cases pending
before the drug court judge constitutes a sufficient caseload for
the drug court judge.

(5) As used in division (B) of this section, "community
control sanction," "mandatory prison term," and "mandatory jail
term" have the same meanings as in section 2929.01 of the Revised
Code.

(C)(1) In Lorain county:

(a) The judges of the court of common pleas whose terms begin
on January 3, 1959, January 4, 1989, and January 2, 1999, and

successors, and the judge of the court of common pleas whose term 16706
begins on February 9, 2009, shall have the same qualifications, 16707
exercise the same powers and jurisdiction, and receive the same 16708
compensation as the other judges of the court of common pleas of 16709
Lorain county and shall be elected and designated as the judges of 16710
the court of common pleas, division of domestic relations. The 16711
judges of the court of common pleas whose terms begin on January 16712
3, 1959, January 4, 1989, and January 2, 1999, and successors, 16713
shall have all of the powers relating to juvenile courts, and all 16714
cases under Chapters 2151. and 2152. of the Revised Code, all 16715
parentage proceedings over which the juvenile court has 16716
jurisdiction, and all divorce, dissolution of marriage, legal 16717
separation, and annulment cases shall be assigned to them, except 16718
cases that for some special reason are assigned to some other 16719
judge of the court of common pleas. From February 9, 2009, through 16720
September 28, 2009, the judge of the court of common pleas whose 16721
term begins on February 9, 2009, shall have all the powers 16722
relating to juvenile courts, and cases under Chapters 2151. and 16723
2152. of the Revised Code, parentage proceedings over which the 16724

county courts and appellate jurisdiction from the decisions of 18170
boards of county commissioners. The court of common pleas shall 18171
not have jurisdiction, in any tort action to which the amounts 18172

The courts of common pleas of Adams, Athens, Belmont, Brown, 18197
Clermont, Columbiana, Gallia, Hamilton, Jefferson, Lawrence, 18198
Meigs, Monroe, Scioto, and Washington counties have jurisdiction 18199
beyond the north or northwest shore of the Ohio river extending to 18200
the opposite shore line, between the extended boundary lines of 18201
any adjacent counties or adjacent state. Each of those courts of 18202
common pleas has concurrent jurisdiction on the Ohio river with 18203

any adjacent court of common pleas that borders on that river and 18204
with any court of Kentucky or of West Virginia that borders on the 18205
Ohio river and that has jurisdiction on the Ohio river under the 18206
law of Kentucky or the law of West Virginia, whichever is 18207

determination by that court that the individual satisfies 18213
divisions (A)(1) to ~~(4)~~(6) of section 2743.48 of the Revised Code 18214
and ~~that seeks a determination by the court that the offense of~~ 18215
~~which he was found guilty, including all lesser included offenses,~~ 18216
~~either was not committed by him or was not committed by any~~ 18217
~~person.~~ If ~~the~~ that court enters the requested determination, it 18218
shall comply with division (B) of that section. 18219

Sec. 2307.89. The following apply to all tort actions for 18220
silicosis or mixed dust disease claims brought against a premises 18221
owner to recover damages or other relief for exposure to silica or 18222
mixed dust on the premises owner's property: 18223

(A) A premises owner is not liable for any injury to any 18224
individual resulting from silica or mixed dust exposure unless 18225
that individual's alleged exposure occurred while the individual 18226
was at the premises owner's property. 18227

(B) If exposure to silica or mixed dust is alleged to have 18228
occurred before January 1, 1972, it is presumed that a premises 18229
owner knew that this state had adopted safe levels of exposure for 18230
silica or mixed dust and that products containing silica or mixed 18231
dust were used on its property only at levels below those safe 18232
levels of exposure. To rebut this presumption, the plaintiff must 18233

prove by a preponderance of the evidence that the premises owner 18234
knew or should have known that the levels of silica or mixed dust 18235
in the immediate breathing zone of the plaintiff regularly 18236
exceeded the threshold limit values adopted by this state and that 18237
the premises owner allowed that condition to persist. 18238

(C)(1) A premises owner is presumed to be not liable for any 18239
injury to any invitee who was engaged to work with, install, or 18240
remove products containing silica or mixed dust on the premises 18241
owner's property if the invitee's employer held itself out as 18242
qualified to perform the work. To rebut this presumption, the 18243
plaintiff must demonstrate by a preponderance of the evidence that 18244
the premises owner had actual knowledge of the potential dangers 18245
of the products containing silica or mixed dust at the time of the 18246
alleged exposure that was superior to the knowledge of both the 18247
invitee and the invitee's employer. 18248

(2) A premises owner that hired a contractor before January 18249
1, 1972, to perform the type of work at the premises owner's 18250
property that the contractor was qualified to perform cannot be 18251
liable for any injury to any individual resulting from silica or 18252
mixed dust exposure caused by any of the contractor's employees or 18253
agents on the premises owner's property unless the premises owner 18254
directed the activity that resulted in the injury or gave or 18255
denied permission for the critical acts that led to the 18256
individual's injury. 18257

(3) If exposure to silica or mixed dust is alleged to have 18258
occurred after January 1, 1972, a premises owner is not liable for 18259
any injury to any individual resulting from that exposure caused 18260
by a contractor's employee or agent on the premises owner's 18261
property unless the plaintiff establishes the premises owner's 18262
intentional violation of an established safety standard that was 18263
in effect at the time of the exposure and that the alleged 18264
violation was in the plaintiff's breathing zone and was the 18265

proximate cause of the plaintiff's medical condition. 18266

(D) As used in this section: 18267

(1) "Threshold limit values" means the maximum allowable 18268
concentration of silica, or other dust, set forth in regulation 18269
247 of the "regulations for the prevention and control of diseases 18270
resulting from exposure to toxic fumes, vapors, mists, gases, and 18271
dusts in order to preserve and protect the public health," as 18272
adopted by the former public health council of the department of 18273
health on January 1, 1947, and set forth by the industrial 18274
commission of Ohio in bulletin no. 203, "specific requirements and 18275
general safety standards of the industrial commission of Ohio for 18276
work shops and factories, chapter XV, ventilation and exhausts," 18277
effective January 3, 1955. 18278

(2) "Established safety standard" means that, for the years 18279
after 1971, the concentration of silica or mixed dust in the 18280
breathing zone of the worker does not exceed the maximum allowable 18281
exposure limits for the eight-hour time-weighted average airborne 18282
concentration as promulgated by the occupational safety and health 18283
administration (OSHA) in effect at the time of the alleged 18284
exposure. 18285

(3) "Employee" means an individual who performs labor or 18286
provides construction services pursuant to a construction 18287
contract, as defined in section 4123.79 of the Revised Code, or a 18288
remodeling or repair contract, whether written or oral, if at 18289
least ten of the following criteria apply: 18290

(a) The individual is required to comply with instructions 18291
from the other contracting party regarding the manner or method of 18292
performing services. 18293

| (o) The individual is provided with the facilities used to perform services. | 18321 18322 |
| (p) The individual does not realize a profit or suffer a loss as a result of the services provided. | 18323 18324 |

certain respects: 18335

(A)(1) An attorney, concerning a communication made to the 18336
attorney by a client in that relation or the attorney's advice to 18337
a client, except that the attorney may testify by express consent 18338

commission of bad faith by the client, if the party seeking 18364
disclosure of the communications has made a prima_facie showing of 18365
bad faith, fraud, or criminal misconduct by the client. 18366

that a criminal action or proceeding has been commenced against a 18459
specified person, that requests the provider to supply to the 18460
officer copies of any records the provider possesses that pertain 18461
to any test or the results of any test administered to the 18462
specified person to determine the presence or concentration of 18463
alcohol, a drug of abuse, a combination of them, a controlled 18464
substance, or a metabolite of a controlled substance in the 18465
person's whole blood, blood serum or plasma, breath, or urine at 18466

the test in question, the custodian of the records may submit a 18480
certified copy of the records, and, upon its submission, the 18481

certified copy is qualified as authentic evidence and may be 18482
admitted as evidence in accordance with the Rules of Evidence. 18483

Sec. 2743.02. (A)(1) The state hereby waives its immunity 19199
from liability, except as provided for the office of the state 19200
fire marshal in division (G)(1) of section 9.60 and division (B) 19201
of section 3737.221 of the Revised Code and subject to division 19202
(H) of this section, and consents to be sued, and have its 19203
liability determined, in the court of claims created in this 19204
chapter in accordance with the same rules of law applicable to 19205
suits between private parties, except that the determination of 19206
liability is subject to the limitations set forth in this chapter 19207
and, in the case of state universities or colleges, in section 19208
3345.40 of the Revised Code, and except as provided in division 19209
(A)(2) or (3) of this section. To the extent that the state has 19210
previously consented to be sued, this chapter has no 19211
applicability. 19212

Except in the case of a civil action filed by the state, 19213
filing a civil action in the court of claims results in a complete 19214
waiver of any cause of action, based on the same act or omission, 19215
~~which~~ that the filing party has against any officer or employee, 19216
as defined in section 109.36 of the Revised Code. The waiver shall 19217
be void if the court determines that the act or omission was 19218
manifestly outside the scope of the officer's or employee's office 19219
or employment or that the officer or employee acted with malicious 19220
purpose, in bad faith, or in a wanton or reckless manner. 19221

(2) If a claimant proves in the court of claims that an 19222
officer or employee, as defined in section 109.36 of the Revised 19223
Code, would have personal liability for the officer's or 19224
employee's acts or omissions but for the fact that the officer or 19225
employee has personal immunity under section 9.86 of the Revised 19226
Code, the state shall be held liable in the court of claims in any 19227

action that is timely filed pursuant to section 2743.16 of the Revised Code and that is based upon the acts or omissions.

(3)(a) Except as provided in division (A)(3)(b) of this section, the state is immune from liability in any civil action or proceeding involving the performance or nonperformance of a public duty, including the performance or nonperformance of a public duty that is owed by the state in relation to any action of an individual who is committed to the custody of the state.

(b) The state immunity provided in division (A)(3)(a) of this section does not apply to any action of the state under circumstances in which a special relationship can be established between the state and an injured party. A special relationship under this division is demonstrated if all of the following elements exist:

(i) An assumption by the state, by means of promises or actions, of an affirmative duty to act on behalf of the party who was allegedly injured;

(ii) Knowledge on the part of the state's agents that inaction of the state could lead to harm;

(iii) Some form of direct contact between the state's agents and the injured party;

(iv) The injured party's justifiable reliance on the state's affirmative undertaking.

(B) The state hereby waives the immunity from liability of all hospitals owned or operated by one or more political subdivisions and consents for them to be sued, and to have their liability determined, in the court of common pleas, in accordance with the same rules of law applicable to suits between private parties, subject to the limitations set forth in this chapter. This division is also applicable to hospitals owned or operated by political subdivisions ~~which~~ that have been determined by the

supreme court to be subject to suit prior to July 28, 1975. 19259

(C) Any hospital, as defined in section 2305.113 of the 19260
Revised Code, may purchase liability insurance covering its 19261
operations and activities and its agents, employees, nurses, 19262
interns, residents, staff, and members of the governing board and 19263
committees, and, whether or not such insurance is purchased, may, 19264
to ~~such the~~ extent ~~as that~~ its governing board considers 19265
appropriate, indemnify or agree to indemnify and hold harmless any 19266
such person against expense, including attorney's fees, damage, 19267
loss, or other liability arising out of, or claimed to have arisen 19268
out of, the death, disease, or injury of any person as a result of 19269
the negligence, malpractice, or other action or inaction of the 19270
indemnified person while acting within the scope of the 19271
indemnified person's duties or engaged in activities at the 19272
request or direction, or for the benefit, of the hospital. Any 19273
hospital electing to indemnify ~~such those~~ persons, or to agree to 19274
so indemnify, shall reserve ~~such any~~ funds ~~as that~~ are necessary, 19275
in the exercise of sound and prudent actuarial judgment, to cover 19276
the potential expense, fees, damage, loss, or other liability. The 19277
superintendent of insurance may recommend, or, if ~~such the~~ 19278
hospital requests the superintendent to do so, the superintendent 19279
shall recommend, a specific amount for any period that, in the 19280
superintendent's opinion, represents such a judgment. This 19281
authority is in addition to any authorization otherwise provided 19282
or permitted by law. 19283

(D) Recoveries against the state shall be reduced by the 19284
aggregate of insurance proceeds, disability award, or other 19285
collateral recovery received by the claimant. This division does 19286
not apply to civil actions in the court of claims against a state 19287
university or college under the circumstances described in section 19288
3345.40 of the Revised Code. The collateral benefits provisions of 19289
division (B)(2) of that section apply under those circumstances. 19290

(E) The only defendant in original actions in the court of claims is the state. The state may file a third-party complaint or counterclaim in any civil action, except a civil action for ~~two~~ ten thousand ~~five hundred~~ dollars or less, that is filed in the court of claims.

(F) A civil action against an officer or employee, as defined in section 109.36 of the Revised Code, that alleges that the officer's or employee's conduct was manifestly outside the scope of the officer's or employee's employment or official responsibilities, or that the officer or employee acted with malicious purpose, in bad faith, or in a wanton or reckless manner shall first be filed against the state in the court of claims, ~~which~~ that has exclusive, original jurisdiction to determine, initially, whether the officer or employee is entitled to personal immunity under section 9.86 of the Revised Code and whether the courts of common pleas have jurisdiction over the civil action. The officer or employee may participate in the immunity determination proceeding before the court of claims to determine whether the officer or employee is entitled to personal immunity under section 9.86 of the Revised Code.

The filing of a claim against an officer or employee under this division tolls the running of the applicable statute of limitations until the court of claims determines whether the officer or employee is entitled to personal immunity under section 9.86 of the Revised Code.

(G) ~~Whenever~~ If a claim lies against an officer or employee who is a member of the Ohio national guard, and the officer or employee was, at the time of the act or omission complained of, subject to the "Federal Tort Claims Act," 60 Stat. 842 (1946), 28 U.S.C. 2671, et seq., ~~then~~ the Federal Tort Claims Act is the exclusive remedy of the claimant and the state has no liability under this section.

(H) If an inmate of a state correctional institution has a claim against the state for the loss of or damage to property and the amount claimed does not exceed three hundred dollars, before commencing an action against the state in the court of claims, the inmate shall file a claim for the loss or damage under the rules adopted by the director of rehabilitation and correction pursuant to this division. The inmate shall file the claim within the time allowed for commencement of a civil action under section 2743.16 of the Revised Code. If the state admits or compromises the claim, the director shall make payment from a fund designated by the director for that purpose. If the state denies the claim or does not compromise the claim at least sixty days prior to expiration of the time allowed for commencement of a civil action based upon the loss or damage under section 2743.16 of the Revised Code, the inmate may commence an action in the court of claims under this chapter to recover damages for the loss or damage.

The director of rehabilitation and correction shall adopt rules pursuant to Chapter 119. of the Revised Code to implement this division.

At the time an appeal for an award of reparations is commenced, the clerk shall enter the full names of the claimant, the victim, and the attorneys in the appearance docket and shall index the claim alphabetically by the last name of the claimant and the victim. Thereafter, the clerk shall chronologically note in the appearance docket all process issued and returns, motions,

thousand ~~five hundred~~ dollars or less shall be determined 19403
administratively by the clerk of the court of claims, except that 19404
the clerk is not required to administratively determine a civil 19405
action of that nature if the civil action was commenced by a 19406
person who has been found to be a vexatious litigator under 19407
section 2323.52 of the Revised Code and who has failed to obtain 19408
leave to proceed under that section and if the clerk refused 19409
pursuant to division (D) of section 2743.09 of the Revised Code to 19410

Sec. 2929.19. (A) The court shall hold a sentencing hearing before imposing a sentence under this chapter upon an offender who was convicted of or pleaded guilty to a felony and before resentencing an offender who was convicted of or pleaded guilty to a felony and whose case was remanded pursuant to section 2953.07 or 2953.08 of the Revised Code. At the hearing, the offender, the prosecuting attorney, the victim or the victim's representative in accordance with section 2930.14 of the Revised Code, and, with the approval of the court, any other person may present information relevant to the imposition of sentence in the case. The court shall inform the offender of the verdict of the jury or finding of the court and ask the offender whether the offender has anything to say as to why sentence should not be imposed upon the offender. 20508

(B)(1) At the sentencing hearing, the court, before imposing sentence, shall consider the record, any information presented at the hearing by any person pursuant to division (A) of this section, and, if one was prepared, the presentence investigation 20521
20522
20523
20524

report made pursuant to section 2951.03 of the Revised Code or 20525
Criminal Rule 32.2, and any victim impact statement made pursuant 20526
to section 2947.051 of the Revised Code. 20527

(2) Subject to division (B)(3) of this section, if the 20528
sentencing court determines at the sentencing hearing that a 20529
prison term is necessary or required, the court shall do all of 20530
the following: 20531

(a) Impose a stated prison term and, if the court imposes a 20532
mandatory prison term, notify the offender that the prison term is 20533
a mandatory prison term; 20534

(b) In addition to any other information, include in the 20535
sentencing entry the name and section reference to the offense or 20536
offenses, the sentence or sentences imposed and whether the 20537
sentence or sentences contain mandatory prison terms, if sentences 20538
are imposed for multiple counts whether the sentences are to be 20539
served concurrently or consecutively, and the name and section 20540
reference of any specification or specifications for which 20541
sentence is imposed and the sentence or sentences imposed for the 20542
specification or specifications; 20543

(c) Notify the offender that the offender will be supervised 20544
under section 2967.28 of the Revised Code after the offender 20545
leaves prison if the offender is being sentenced for a felony of 20546
the first degree or second degree, for a felony sex offense, or 20547
for a felony of the third degree that is not a felony sex offense 20548
and in the commission of which the offender caused or threatened 20549
to cause physical harm to a person. This division applies with 20550
respect to all prison terms imposed for an offense of a type 20551
described in this division, including a term imposed for any such 20552
offense that is a risk reduction sentence, as defined in section 20553
2967.28 of the Revised Code. If a court imposes a sentence 20554
including a prison term of a type described in division (B)(2)(c) 20555
of this section on or after July 11, 2006, the failure of a court 20556

to notify the offender pursuant to division (B)(2)(c) of this 20557
section that the offender will be supervised under section 2967.28 20558
of the Revised Code after the offender leaves prison or to include 20559
in the judgment of conviction entered on the journal a statement 20560
to that effect does not negate, limit, or otherwise affect the 20561
mandatory period of supervision that is required for the offender 20562
under division (B) of section 2967.28 of the Revised Code. Section 20563
2929.191 of the Revised Code applies if, prior to July 11, 2006, a 20564
court imposed a sentence including a prison term of a type 20565
described in division (B)(2)(c) of this section and failed to 20566
notify the offender pursuant to division (B)(2)(c) of this section 20567
regarding post-release control or to include in the judgment of 20568
conviction entered on the journal or in the sentence a statement 20569
regarding post-release control. 20570

(d) Notify the offender that the offender may be supervised 20571
under section 2967.28 of the Revised Code after the offender 20572
leaves prison if the offender is being sentenced for a felony of 20573
the third, fourth, or fifth degree that is not subject to division 20574
(B)(2)(c) of this section. This division applies with respect to 20575
all prison terms imposed for an offense of a type described in 20576
this division, including a term imposed for any such offense that 20577
is a risk reduction sentence, as defined in section 2967.28 of the 20578
Revised Code. Section 2929.191 of the Revised Code applies if, 20579
prior to July 11, 2006, a court imposed a sentence including a 20580
prison term of a type described in division (B)(2)(d) of this 20581
section and failed to notify the offender pursuant to division 20582
(B)(2)(d) of this section regarding post-release control or to 20583
include in the judgment of conviction entered on the journal or in 20584
the sentence a statement regarding post-release control. 20585

(e) Notify the offender that, if a period of supervision is 20586
imposed following the offender's release from prison, as described 20587
in division (B)(2)(c) or (d) of this section, and if the offender 20588

violates that supervision or a condition of post-release control 20589
imposed under division (B) of section 2967.131 of the Revised 20590
Code, the parole board may impose a prison term, as part of the 20591
sentence, of up to one-half of the stated prison term originally 20592
imposed upon the offender. If a court imposes a sentence including 20593
a prison term on or after July 11, 2006, the failure of a court to 20594
notify the offender pursuant to division (B)(2)(e) of this section 20595
that the parole board may impose a prison term as described in 20596
division (B)(2)(e) of this section for a violation of that 20597
supervision or a condition of post-release control imposed under 20598
division (B) of section 2967.131 of the Revised Code or to include 20599
in the judgment of conviction entered on the journal a statement 20600
to that effect does not negate, limit, or otherwise affect the 20601
authority of the parole board to so impose a prison term for a 20602
violation of that nature if, pursuant to division (D)(1) of 20603
section 2967.28 of the Revised Code, the parole board notifies the 20604
offender prior to the offender's release of the board's authority 20605
to so impose a prison term. Section 2929.191 of the Revised Code 20606
applies if, prior to July 11, 2006, a court imposed a sentence 20607
including a prison term and failed to notify the offender pursuant 20608
to division (B)(2)(e) of this section regarding the possibility of 20609
the parole board imposing a prison term for a violation of 20610
supervision or a condition of post-release control. 20611

(f) Require that the offender not ingest or be injected with 20612
a drug of abuse and submit to random drug testing as provided in 20613
section 341.26, 753.33, or 5120.63 of the Revised Code, whichever 20614
is applicable to the offender who is serving a prison term, and 20615
require that the results of the drug test administered under any 20616
of those sections indicate that the offender did not ingest or was 20617
not injected with a drug of abuse. 20618

(g) Include in the offender's sentence a statement notifying 20619
the offender of the information described in division (F)(3) of 20620

section 2929.14 of the Revised Code regarding earned credits under 20621
section 2967.193 of the Revised Code. 20622

(h)(i) Determine, notify the offender of, and include in the 20623
sentencing entry the number of days that the offender has been 20624
confined for any reason arising out of the offense for which the 20625
offender is being sentenced and by which the department of 20626
rehabilitation and correction must reduce the stated prison term 20627
under section 2967.191 of the Revised Code. The court's 20628
calculation shall not include the number of days, if any, that the 20629
offender previously served in the custody of the department of 20630
rehabilitation and correction arising out of the offense for which 20631
the prisoner was convicted and sentenced. 20632

(ii) In making a determination under division (B)(2)(h)(i) of 20633
this section, the court shall consider the arguments of the 20634
parties and conduct a hearing if one is requested. 20635

(iii) The sentencing court retains continuing jurisdiction to 20636
correct any error not previously raised at sentencing in making a 20637
determination under division (B)(2)(h)(i) of this section. The 20638
offender may, at any time after sentencing, file a motion in the 20639
sentencing court to correct any error made in making a 20640
determination under division (B)(2)(h)(i) of this section, and the 20641
court may in its discretion grant or deny that motion. If the 20642
court changes the number of days in its determination or 20643
redetermination, the court shall cause the entry granting that 20644
change to be delivered to the department of rehabilitation and 20645
correction without delay. Sections 2931.15 and 2953.21 of the 20646
Revised Code do not apply to a motion made under this section. 20647

(iv) An inaccurate determination under division (B)(2)(h)(i) 20648
of this section is not grounds for setting aside the offender's 20649
conviction or sentence and does not otherwise render the sentence 20650
void or voidable. 20651

(3)(a) The court shall include in the offender's sentence a statement that the offender is a tier III sex offender/child-victim offender, and the court shall comply with the requirements of section 2950.03 of the Revised Code if any of the following apply:

(i) The offender is being sentenced for a violent sex offense or designated homicide, assault, or kidnapping offense that the offender committed on or after January 1, 1997, and the offender is adjudicated a sexually violent predator in relation to that offense.

(ii) The offender is being sentenced for a sexually oriented offense that the offender committed on or after January 1, 1997, and the offender is a tier III sex offender/child-victim offender relative to that offense.

(iii) The offender is being sentenced on or after July 31, 2003, for a child-victim oriented offense, and the offender is a tier III sex offender/child-victim offender relative to that offense.

(iv) The offender is being sentenced under section 2971.03 of the Revised Code for a violation of division (A)(1)(b) of section 2907.02 of the Revised Code committed on or after January 2, 2007.

(v) The offender is sentenced to a term of life without parole under division (B) of section 2907.02 of the Revised Code.

(vi) The offender is being sentenced for attempted rape committed on or after January 2, 2007, and a specification of the type described in section 2941.1418, 2941.1419, or 2941.1420 of the Revised Code.

(vii) The offender is being sentenced under division (B)(3)(a), (b), (c), or (d) of section 2971.03 of the Revised Code for an offense described in those divisions committed on or after January 1, 2008.

(b) Additionally, if any criterion set forth in divisions 20683
(B)(3)(a)(i) to (vii) of this section is satisfied, in the 20684
circumstances described in division (E) of section 2929.14 of the 20685
Revised Code, the court shall impose sentence on the offender as 20686
described in that division. 20687

(4) If the sentencing court determines at the sentencing 20688
hearing that a community control sanction should be imposed and 20689
the court is not prohibited from imposing a community control 20690
sanction, the court shall impose a community control sanction. The 20691
court shall notify the offender that, if the conditions of the 20692
sanction are violated, if the offender commits a violation of any 20693
law, or if the offender leaves this state without the permission 20694
of the court or the offender's probation officer, the court may 20695
impose a longer time under the same sanction, may impose a more 20696
restrictive sanction, or may impose a prison term on the offender 20697
and shall indicate the specific prison term that may be imposed as 20698
a sanction for the violation, as selected by the court from the 20699
range of prison terms for the offense pursuant to section 2929.14 20700
of the Revised Code. 20701

(5) Before imposing a financial sanction under section 20702
2929.18 of the Revised Code or a fine under section 2929.32 of the 20703
Revised Code, the court shall consider the offender's present and 20704
future ability to pay the amount of the sanction or fine. 20705

(6) If the sentencing court sentences the offender to a 20706
sanction of confinement pursuant to section 2929.14 or 2929.16 of 20707
the Revised Code that is to be served in a local detention 20708
facility, as defined in section 2929.36 of the Revised Code, and 20709
if the local detention facility is covered by a policy adopted 20710
pursuant to section 307.93, 341.14, 341.19, 341.21, 341.23, 20711
753.02, 753.04, 753.16, 2301.56, or 2947.19 of the Revised Code 20712
and section 2929.37 of the Revised Code, both of the following 20713
apply: 20714

(a) The court shall specify both of the following as part of the sentence:

(i) If the offender is presented with an itemized bill pursuant to section 2929.37 of the Revised Code for payment of the costs of confinement, the offender is required to pay the bill in accordance with that section.

(ii) If the offender does not dispute the bill described in division (B)(6)(a)(i) of this section and does not pay the bill by the times specified in section 2929.37 of the Revised Code, the clerk of the court may issue a certificate of judgment against the offender as described in that section.

(b) The sentence automatically includes any certificate of judgment issued as described in division (B)(6)(a)(ii) of this section.

(7) The failure of the court to notify the offender that a prison term is a mandatory prison term pursuant to division (B)(2)(a) of this section or to include in the sentencing entry any information required by division (B)(2)(b) of this section does not affect the validity of the imposed sentence or sentences. If the sentencing court notifies the offender at the sentencing hearing that a prison term is mandatory but the sentencing entry does not specify that the prison term is mandatory, the court may complete a corrected journal entry and send copies of the corrected entry to the offender and the department of rehabilitation and correction, or, at the request of the state, the court shall complete a corrected journal entry and send copies of the corrected entry to the offender and department of rehabilitation and correction.

(C)(1) If the offender is being sentenced for a fourth degree felony OVI offense under division (G)(1) of section 2929.13 of the Revised Code, the court shall impose the mandatory term of local

incarceration in accordance with that division, shall impose a 20746
mandatory fine in accordance with division (B)(3) of section 20747
2929.18 of the Revised Code, and, in addition, may impose 20748
additional sanctions as specified in sections 2929.15, 2929.16, 20749
2929.17, and 2929.18 of the Revised Code. The court shall not 20750
impose a prison term on the offender except that the court may 20751
impose a prison term upon the offender as provided in division 20752
(A)(1) of section 2929.13 of the Revised Code. 20753

(2) If the offender is being sentenced for a third or fourth 20754
degree felony OVI offense under division (G)(2) of section 2929.13 20755
of the Revised Code, the court shall impose the mandatory prison 20756
term in accordance with that division, shall impose a mandatory 20757
fine in accordance with division (B)(3) of section 2929.18 of the 20758
Revised Code, and, in addition, may impose an additional prison 20759
term as specified in section 2929.14 of the Revised Code. In 20760
addition to the mandatory prison term or mandatory prison term and 20761
additional prison term the court imposes, the court also may 20762
impose a community control sanction on the offender, but the 20763
offender shall serve all of the prison terms so imposed prior to 20764
serving the community control sanction. 20765

(D) The sentencing court, pursuant to division (I)(1) of 20766
section 2929.14 of the Revised Code, may recommend placement of 20767
the offender in a program of shock incarceration under section 20768
5120.031 of the Revised Code or an intensive program prison under 20769
section 5120.032 of the Revised Code, disapprove placement of the 20770
offender in a program or prison of that nature, or make no 20771
recommendation. If the court recommends or disapproves placement, 20772
it shall make a finding that gives its reasons for its 20773
recommendation or disapproval. 20774

Sec. 2939.11. The official ~~shorthand~~ reporter of the county, 20775
or any ~~shorthand~~ reporter designated by the court of common pleas, 20776

at the request of the prosecuting attorney, or any such reporter 20777
designated by the attorney general in investigations conducted by 20778
~~him~~ the attorney general, may take ~~shorthand~~ notes of or 20779
electronically record testimony before the grand jury, and furnish 20780
a transcript to the prosecuting attorney or the attorney general, 20781
and to no other person. The ~~shorthand~~ reporter shall withdraw from 20782
the jury room before the jurors begin to express their views or 20783
take their vote on the matter before them. Such reporter shall 20784
take an oath to be administered by the judge after the grand jury 20785
is sworn, imposing an obligation of secrecy to not disclose any 20786
testimony taken or heard except to the grand jury, prosecuting 20787
attorney, or attorney general, unless called upon in court to make 20788
disclosures. 20789

Sec. 2945.371. (A) If the issue of a defendant's competence 20790
to stand trial is raised or if a defendant enters a plea of not 20791
guilty by reason of insanity, the court may order one or more 20792
evaluations of the defendant's present mental condition or, in the 20793
case of a plea of not guilty by reason of insanity, of the 20794
defendant's mental condition at the time of the offense charged. 20795
An examiner shall conduct the evaluation. 20796

(B) If the court orders more than one evaluation under 20797
division (A) of this section, the prosecutor and the defendant may 20798
recommend to the court an examiner whom each prefers to perform 20799
one of the evaluations. If a defendant enters a plea of not guilty 20800
by reason of insanity and if the court does not designate an 20801
examiner recommended by the defendant, the court shall inform the 20802
defendant that the defendant may have independent expert 20803
evaluation and that, if the defendant is unable to obtain 20804
independent expert evaluation, it will be obtained for the 20805
defendant at public expense if the defendant is indigent. 20806

(C) If the court orders an evaluation under division (A) of 20807

this section, the defendant shall be available at the times and 20808
places established by the examiners who are to conduct the 20809
evaluation. The court may order a defendant who has been released 20810
on bail or recognizance to submit to an evaluation under this 20811
section. If a defendant who has been released on bail or 20812
recognizance refuses to submit to a complete evaluation, the court 20813
may amend the conditions of bail or recognizance and order the 20814
sheriff to take the defendant into custody and deliver the 20815
defendant to a center, program, or facility operated or certified 20816
by the department of mental health or the department of 20817
developmental disabilities where the defendant may be held for 20818
evaluation for a reasonable period of time not to exceed twenty 20819
days. 20820

(D) A defendant who has not been released on bail or 20821
recognizance may be evaluated at the defendant's place of 20822
detention. Upon the request of the examiner, the court may order 20823
the sheriff to transport the defendant to a program or facility 20824
operated or certified by the department of mental health or the 20825
department of developmental disabilities, where the defendant may 20826
be held for evaluation for a reasonable period of time not to 20827
exceed twenty days, and to return the defendant to the place of 20828
detention after the evaluation. A municipal court may make an 20829
order under this division only upon the request of a certified 20830
forensic center examiner. 20831

(E) If a court orders the evaluation to determine a 20832
defendant's mental condition at the time of the offense charged, 20833
the court shall inform the examiner of the offense with which the 20834
defendant is charged. 20835

(F) In conducting an evaluation of a defendant's mental 20836
condition at the time of the offense charged, the examiner shall 20837
consider all relevant evidence. If the offense charged involves 20838
the use of force against another person, the relevant evidence to 20839

be considered includes, but is not limited to, any evidence that 20840
the defendant suffered, at the time of the commission of the 20841
offense, from the "battered woman syndrome." 20842

(G) The examiner shall file a written report with the court 20843
within thirty days after entry of a court order for evaluation, 20844
and the court shall provide copies of the report to the prosecutor 20845
and defense counsel. The report shall include all of the 20846
following: 20847

(1) The examiner's findings; 20848

(2) The facts in reasonable detail on which the findings are 20849
based; 20850

(3) If the evaluation was ordered to determine the 20851
defendant's competence to stand trial, all of the following 20852
findings or recommendations that are applicable: 20853

(a) Whether the defendant is capable of understanding the 20854
nature and objective of the proceedings against the defendant or 20855
of assisting in the defendant's defense; 20856

(b) If the examiner's opinion is that the defendant is 20857
incapable of understanding the nature and objective of the 20858
proceedings against the defendant or of assisting in the 20859
defendant's defense, whether the defendant presently is mentally 20860
ill or mentally retarded and, if the examiner's opinion is that 20861
the defendant presently is mentally retarded, whether the 20862
defendant appears to be a mentally retarded person subject to 20863
institutionalization by court order; 20864

(c) If the examiner's opinion is that the defendant is 20865
incapable of understanding the nature and objective of the 20866
proceedings against the defendant or of assisting in the 20867
defendant's defense, the examiner's opinion as to the likelihood 20868
of the defendant becoming capable of understanding the nature and 20869
objective of the proceedings against the defendant and of 20870

assisting in the defendant's defense within one year if the 20871
defendant is provided with a course of treatment; 20872

(d) If the examiner's opinion is that the defendant is 20873
incapable of understanding the nature and objective of the 20874
proceedings against the defendant or of assisting in the 20875
defendant's defense and that the defendant presently is mentally 20876
ill or mentally retarded, the examiner's recommendation as to the 20877
least restrictive placement or commitment alternative, consistent 20878
with the defendant's treatment needs for restoration to competency 20879
and with the safety of the community; 20880

~~(e) If the defendant is charged with a misdemeanor offense 20881
that is not an offense of violence and the examiner's opinion is 20882
that the defendant is incapable of understanding the nature and 20883
objective of the proceedings against the defendant or of assisting 20884
in the defendant's defense and that the defendant is presently 20885
mentally ill or mentally retarded, the examiner's recommendation 20886
as to whether the defendant is amenable to engagement in mental 20887
health treatment or developmental disability services. 20888~~

(4) If the evaluation was ordered to determine the 20889
defendant's mental condition at the time of the offense charged, 20890
the examiner's findings as to whether the defendant, at the time 20891
of the offense charged, did not know, as a result of a severe 20892
mental disease or defect, the wrongfulness of the defendant's acts 20893
charged. 20894

(H) If the examiner's report filed under division (G) of this 20895
section indicates that in the examiner's opinion the defendant is 20896
incapable of understanding the nature and objective of the 20897
proceedings against the defendant or of assisting in the 20898
defendant's defense and that in the examiner's opinion the 20899
defendant appears to be a mentally retarded person subject to 20900
institutionalization by court order, the court shall order the 20901
defendant to undergo a separate mental retardation evaluation 20902

conducted by a psychologist designated by the director of 20903
developmental disabilities. Divisions (C) to (F) of this section 20904
apply in relation to a separate mental retardation evaluation 20905
conducted under this division. The psychologist appointed under 20906
this division to conduct the separate mental retardation 20907
evaluation shall file a written report with the court within 20908
thirty days after the entry of the court order requiring the 20909
separate mental retardation evaluation, and the court shall 20910
provide copies of the report to the prosecutor and defense 20911
counsel. The report shall include all of the information described 20912
in divisions (G)(1) to (4) of this section. If the court orders a 20913
separate mental retardation evaluation of a defendant under this 20914
division, the court shall not conduct a hearing under divisions 20915
(B) to (H) of section 2945.37 of the Revised Code regarding that 20916
defendant until a report of the separate mental retardation 20917
evaluation conducted under this division has been filed. Upon the 20918
filing of that report, the court shall conduct the hearing within 20919
the period of time specified in division (C) of section 2945.37 of 20920
the Revised Code. 20921

(I) An examiner appointed under divisions (A) and (B) of this 20922
section or under division (H) of this section to evaluate a 20923
defendant to determine the defendant's competence to stand trial 20924
also may be appointed to evaluate a defendant who has entered a 20925
plea of not guilty by reason of insanity, but an examiner of that 20926
nature shall prepare separate reports on the issue of competence 20927
to stand trial and the defense of not guilty by reason of 20928
insanity. 20929

(J) No statement that a defendant makes in an evaluation or 20930
hearing under divisions (A) to (H) of this section relating to the 20931
defendant's competence to stand trial or to the defendant's mental 20932
condition at the time of the offense charged shall be used against 20933
the defendant on the issue of guilt in any criminal action or 20934

proceeding, but, in a criminal action or proceeding, the 20935
prosecutor or defense counsel may call as a witness any person who 20936
evaluated the defendant or prepared a report pursuant to a 20937
referral under this section. Neither the appointment nor the 20938
testimony of an examiner appointed under this section precludes 20939
the prosecutor or defense counsel from calling other witnesses or 20940
presenting other evidence on competency or insanity issues. 20941

(K) Persons appointed as examiners under divisions (A) and 20942
(B) of this section or under division (H) of this section shall be 20943
paid a reasonable amount for their services and expenses, as 20944
certified by the court. The certified amount shall be paid by the 20945
county in the case of county courts and courts of common pleas and 20946
by the legislative authority, as defined in section 1901.03 of the 20947
Revised Code, in the case of municipal courts. 20948

Sec. 2945.38. (A) If the issue of a defendant's competence to 20949
stand trial is raised and if the court, upon conducting the 20950
hearing provided for in section 2945.37 of the Revised Code, finds 20951
that the defendant is competent to stand trial, the defendant 20952
shall be proceeded against as provided by law. If the court finds 20953
the defendant competent to stand trial and the defendant is 20954
receiving psychotropic drugs or other medication, the court may 20955
authorize the continued administration of the drugs or medication 20956
or other appropriate treatment in order to maintain the 20957
defendant's competence to stand trial, unless the defendant's 20958
attending physician advises the court against continuation of the 20959
drugs, other medication, or treatment. 20960

(B)(1)(a) If, after taking into consideration all relevant 20961
reports, information, and other evidence, the court finds that the 20962
defendant is incompetent to stand trial and that there is a 20963
substantial probability that the defendant will become competent 20964
to stand trial within one year if the defendant is provided with a 20965

course of treatment, the court shall order the defendant to 20966
undergo treatment. If the defendant has been charged with a felony 20967
offense and if, after taking into consideration all relevant 20968
reports, information, and other evidence, the court finds that the 20969
defendant is incompetent to stand trial, but the court is unable 20970
at that time to determine whether there is a substantial 20971
probability that the defendant will become competent to stand 20972
trial within one year if the defendant is provided with a course 20973
of treatment, the court shall order continuing evaluation and 20974
treatment of the defendant for a period not to exceed four months 20975
to determine whether there is a substantial probability that the 20976
defendant will become competent to stand trial within one year if 20977
the defendant is provided with a course of treatment. 20978

(b) The court order for the defendant to undergo treatment or 20979
continuing evaluation and treatment under division (B)(1)(a) of 20980
this section shall specify that the defendant, if determined to 20981
require mental health treatment or continuing evaluation and 20982
treatment, either shall be committed to the department of mental 20983
health for treatment or continuing evaluation and treatment at a 20984
hospital, facility, or agency, as determined to be clinically 20985
appropriate by the department of mental health ~~and~~ or shall be 20986
committed to a facility certified by the department of mental 20987
health as being qualified to treat mental illness, to a public or 20988
community mental health facility, or to a psychiatrist or another 20989
mental health professional for treatment or continuing evaluation 20990
and treatment. Prior to placing the defendant, the department of 20991
mental health shall obtain court approval for that placement 20992
following a hearing. The court order for the defendant to undergo 20993
treatment or continuing evaluation and treatment under division 20994
(B)(1)(a) of this section shall specify that the defendant, if 20995
determined to require treatment or continuing evaluation and 20996
treatment for ~~a developmental disability~~ mental retardation, shall 20997
receive treatment or continuing evaluation and treatment at an 20998

institution or facility operated by the department of 20999
developmental disabilities, at a facility certified by the 21000
department of developmental disabilities as being qualified to 21001
treat mental retardation, at a public or private ~~community~~ mental 21002
retardation facility, or by a psychiatrist or another mental 21003
retardation professional. ~~The~~ In any case, the order may restrict 21004
the defendant's freedom of movement as the court considers 21005
necessary. The prosecutor in the defendant's case shall send to 21006
the chief clinical officer of the hospital, facility, or agency 21007
where the defendant is placed by the department of mental health, 21008
or to the managing officer of the institution, the director of the 21009
program or facility, or the person to which the defendant is 21010
committed, copies of relevant police reports and other background 21011
information that pertains to the defendant and is available to the 21012
prosecutor unless the prosecutor determines that the release of 21013
any of the information in the police reports or any of the other 21014
background information to unauthorized persons would interfere 21015
with the effective prosecution of any person or would create a 21016
substantial risk of harm to any person. 21017

~~In committing the defendant to the department of mental 21018
health, the court shall consider the extent to which the person is 21019
a danger to the person and to others, the need for security, and 21020
the type of crime involved and, if the court finds that 21021
restrictions on the defendant's freedom of movement are necessary, 21022
shall specify the least restrictive limitations on the person's 21023
freedom of movement determined to be necessary to protect public 21024
safety. In determining the place of commitment alternatives for 21025
defendants determined to require treatment or continuing 21026
evaluation and treatment for developmental disabilities, the court 21027
shall consider the extent to which the person is a danger to the 21028
person and to others, the need for security, and the type of crime 21029
involved and shall order the least restrictive alternative 21030
available that is consistent with public safety and treatment 21031~~

goals. In weighing these factors, the court shall give preference 21032
to protecting public safety. 21033

(c) If the defendant is found incompetent to stand trial, if 21034
the chief clinical officer of the hospital, facility, or agency 21035
where the defendant is placed, or the managing officer of the 21036
institution, the director of the program or facility, or the 21037
person to which the defendant is committed for treatment or 21038
continuing evaluation and treatment under division (B)(1)(b) of 21039
this section determines that medication is necessary to restore 21040
the defendant's competency to stand trial, and if the defendant 21041
lacks the capacity to give informed consent or refuses medication, 21042
the chief clinical officer of the hospital, facility, or agency 21043
where the defendant is placed, or the managing officer of the 21044
institution, the director of the program or facility, or the 21045
person to which the defendant is committed for treatment or 21046
continuing evaluation and treatment may petition the court for 21047
authorization for the involuntary administration of medication. 21048
The court shall hold a hearing on the petition within five days of 21049
the filing of the petition if the petition was filed in a 21050
municipal court or a county court regarding an incompetent 21051
defendant charged with a misdemeanor or within ten days of the 21052
filing of the petition if the petition was filed in a court of 21053
common pleas regarding an incompetent defendant charged with a 21054
felony offense. Following the hearing, the court may authorize the 21055
involuntary administration of medication or may dismiss the 21056
petition. 21057

~~(d) If the defendant is charged with a misdemeanor offense 21058
that is not an offense of violence, the prosecutor may hold the 21059
charges in abeyance while the defendant engages in mental health 21060
treatment or developmental disability services. 21061~~

(2) If the court finds that the defendant is incompetent to 21062
stand trial and that, even if the defendant is provided with a 21063

course of treatment, there is not a substantial probability that 21064
the defendant will become competent to stand trial within one 21065
year, the court shall order the discharge of the defendant, unless 21066
upon motion of the prosecutor or on its own motion, the court 21067
either seeks to retain jurisdiction over the defendant pursuant to 21068
section 2945.39 of the Revised Code or files an affidavit in the 21069
probate court for the civil commitment of the defendant pursuant 21070
to Chapter 5122. or 5123. of the Revised Code alleging that the 21071
defendant is a mentally ill person subject to hospitalization by 21072
court order or a mentally retarded person subject to 21073
institutionalization by court order. If an affidavit is filed in 21074
the probate court, the trial court shall send to the probate court 21075
copies of all written reports of the defendant's mental condition 21076
that were prepared pursuant to section 2945.371 of the Revised 21077
Code. 21078

The trial court may issue the temporary order of detention 21079
that a probate court may issue under section 5122.11 or 5123.71 of 21080
the Revised Code, to remain in effect until the probable cause or 21081
initial hearing in the probate court. Further proceedings in the 21082
probate court are civil proceedings governed by Chapter 5122. or 21083
5123. of the Revised Code. 21084

(C) No defendant shall be required to undergo treatment, 21085
including any continuing evaluation and treatment, under division 21086
(B)(1) of this section for longer than whichever of the following 21087
periods is applicable: 21088

(1) One year, if the most serious offense with which the 21089
defendant is charged is one of the following offenses: 21090

(a) Aggravated murder, murder, or an offense of violence for 21091
which a sentence of death or life imprisonment may be imposed; 21092

(b) An offense of violence that is a felony of the first or 21093
second degree; 21094

(c) A conspiracy to commit, an attempt to commit, or 21095
complicity in the commission of an offense described in division 21096
(C)(1)(a) or (b) of this section if the conspiracy, attempt, or 21097
complicity is a felony of the first or second degree. 21098

(2) Six months, if the most serious offense with which the 21099
defendant is charged is a felony other than a felony described in 21100
division (C)(1) of this section; 21101

(3) Sixty days, if the most serious offense with which the 21102
defendant is charged is a misdemeanor of the first or second 21103
degree; 21104

(4) Thirty days, if the most serious offense with which the 21105
defendant is charged is a misdemeanor of the third or fourth 21106
degree, a minor misdemeanor, or an unclassified misdemeanor. 21107

(D) Any defendant who is committed pursuant to this section 21108
shall not voluntarily admit the defendant or be voluntarily 21109
admitted to a hospital or institution pursuant to section 5122.02, 21110
5122.15, 5123.69, or 5123.76 of the Revised Code. 21111

(E) Except as otherwise provided in this division, a 21112
defendant who is charged with an offense and is committed by the 21113
court under this section to the department of mental health ~~with~~ 21114
~~restrictions on the defendant's freedom of movement~~ or is 21115
committed to an institution or facility for the treatment of 21116
~~developmental disabilities~~ mental retardation shall not be granted 21117
unsupervised on-grounds movement, supervised off-grounds movement, 21118
or nonsecured status except in accordance with the court order. 21119
The court may grant a defendant supervised off-grounds movement to 21120
obtain medical treatment or specialized habilitation treatment 21121
services if the person who supervises the treatment or the 21122
continuing evaluation and treatment of the defendant ordered under 21123
division (B)(1)(a) of this section informs the court that the 21124
treatment or continuing evaluation and treatment cannot be 21125

provided at the hospital or facility where the defendant is placed 21126
by the department of mental health or the institution or facility 21127
to which the defendant is committed. The chief clinical officer of 21128
the hospital or facility where the defendant is placed by the 21129
department of mental health or the managing officer of the 21130
institution or director of the facility to which the defendant is 21131
committed, or a designee of any of those persons, may grant a 21132
defendant movement to a medical facility for an emergency medical 21133
situation with appropriate supervision to ensure the safety of the 21134
defendant, staff, and community during that emergency medical 21135
situation. The chief clinical officer of the hospital or facility 21136
where the defendant is placed by the department of mental health 21137
or the managing officer of the institution or director of the 21138
facility to which the defendant is committed shall notify the 21139
court within twenty-four hours of the defendant's movement to the 21140
medical facility for an emergency medical situation under this 21141
division. 21142

(F) The person who supervises the treatment or continuing 21143
evaluation and treatment of a defendant ordered to undergo 21144
treatment or continuing evaluation and treatment under division 21145
(B)(1)(a) of this section shall file a written report with the 21146
court at the following times: 21147

(1) Whenever the person believes the defendant is capable of 21148
understanding the nature and objective of the proceedings against 21149
the defendant and of assisting in the defendant's defense; 21150

(2) For a felony offense, fourteen days before expiration of 21151
the maximum time for treatment as specified in division (C) of 21152
this section and fourteen days before the expiration of the 21153
maximum time for continuing evaluation and treatment as specified 21154
in division (B)(1)(a) of this section, and, for a misdemeanor 21155
offense, ten days before the expiration of the maximum time for 21156
treatment, as specified in division (C) of this section; 21157

(3) At a minimum, after each six months of treatment; 21158

(4) Whenever the person who supervises the treatment or 21159
continuing evaluation and treatment of a defendant ordered under 21160
division (B)(1)(a) of this section believes that there is not a 21161
substantial probability that the defendant will become capable of 21162
understanding the nature and objective of the proceedings against 21163
the defendant or of assisting in the defendant's defense even if 21164
the defendant is provided with a course of treatment. 21165

(G) A report under division (F) of this section shall contain 21166
the examiner's findings, the facts in reasonable detail on which 21167
the findings are based, and the examiner's opinion as to the 21168
defendant's capability of understanding the nature and objective 21169
of the proceedings against the defendant and of assisting in the 21170
defendant's defense. If, in the examiner's opinion, the defendant 21171
remains incapable of understanding the nature and objective of the 21172
proceedings against the defendant and of assisting in the 21173
defendant's defense and there is a substantial probability that 21174
the defendant will become capable of understanding the nature and 21175
objective of the proceedings against the defendant and of 21176
assisting in the defendant's defense if the defendant is provided 21177
with a course of treatment, if in the examiner's opinion the 21178
defendant remains mentally ill or mentally retarded, and if the 21179
maximum time for treatment as specified in division (C) of this 21180
section has not expired, the report also shall contain the 21181
examiner's recommendation as to the least restrictive placement or 21182
commitment alternative that is consistent with the defendant's 21183
treatment needs for restoration to competency and with the safety 21184
of the community. The court shall provide copies of the report to 21185
the prosecutor and defense counsel. 21186

(H) If a defendant is committed pursuant to division (B)(1) 21187
of this section, within ten days after the treating physician of 21188
the defendant or the examiner of the defendant who is employed or 21189

retained by the treating facility advises that there is not a 21190
substantial probability that the defendant will become capable of 21191
understanding the nature and objective of the proceedings against 21192
the defendant or of assisting in the defendant's defense even if 21193
the defendant is provided with a course of treatment, within ten 21194
days after the expiration of the maximum time for treatment as 21195
specified in division (C) of this section, within ten days after 21196
the expiration of the maximum time for continuing evaluation and 21197
treatment as specified in division (B)(1)(a) of this section, 21198
within thirty days after a defendant's request for a hearing that 21199
is made after six months of treatment, or within thirty days after 21200
being advised by the treating physician or examiner that the 21201
defendant is competent to stand trial, whichever is the earliest, 21202
the court shall conduct another hearing to determine if the 21203
defendant is competent to stand trial and shall do whichever of 21204
the following is applicable: 21205

(1) If the court finds that the defendant is competent to 21206
stand trial, the defendant shall be proceeded against as provided 21207
by law. 21208

(2) If the court finds that the defendant is incompetent to 21209
stand trial, but that there is a substantial probability that the 21210
defendant will become competent to stand trial if the defendant is 21211
provided with a course of treatment, and the maximum time for 21212
treatment as specified in division (C) of this section has not 21213
expired, the court, after consideration of the examiner's 21214
recommendation, shall order that treatment be continued, may 21215
change the ~~least restrictive limitations on the defendant's~~ 21216
~~freedom of movement~~ facility or program at which the treatment is 21217
to be continued, and, ~~if applicable~~, shall specify whether the 21218
treatment ~~for developmental disabilities~~ is to be continued at the 21219
same or a different facility or ~~institution~~ program. 21220

(3) If the court finds that the defendant is incompetent to 21221

stand trial, if the defendant is charged with an offense listed in 21222
division (C)(1) of this section, and if the court finds that there 21223
is not a substantial probability that the defendant will become 21224
competent to stand trial even if the defendant is provided with a 21225
course of treatment, or if the maximum time for treatment relative 21226
to that offense as specified in division (C) of this section has 21227
expired, further proceedings shall be as provided in sections 21228
2945.39, 2945.401, and 2945.402 of the Revised Code. 21229

(4) If the court finds that the defendant is incompetent to 21230
stand trial, if the most serious offense with which the defendant 21231
is charged is a misdemeanor or a felony other than a felony listed 21232
in division (C)(1) of this section, and if the court finds that 21233
there is not a substantial probability that the defendant will 21234
become competent to stand trial even if the defendant is provided 21235
with a course of treatment, or if the maximum time for treatment 21236
relative to that offense as specified in division (C) of this 21237
section has expired, the court shall dismiss the indictment, 21238
information, or complaint against the defendant. A dismissal under 21239
this division is not a bar to further prosecution based on the 21240
same conduct. The court shall discharge the defendant unless the 21241
court or prosecutor files an affidavit in probate court for civil 21242
commitment pursuant to Chapter 5122. or 5123. of the Revised Code. 21243
If an affidavit for civil commitment is filed, the court may 21244
detain the defendant for ten days pending civil commitment. All of 21245
the following provisions apply to persons charged with a 21246
misdemeanor or a felony other than a felony listed in division 21247
(C)(1) of this section who are committed by the probate court 21248
subsequent to the court's or prosecutor's filing of an affidavit 21249
for civil commitment under authority of this division: 21250

(a) The chief clinical officer of the entity, hospital, or 21251
facility, the managing officer of the institution, the director of 21252
the program, or the person to which the defendant is committed or 21253

admitted shall do all of the following: 21254

(i) Notify the prosecutor, in writing, of the discharge of 21255
the defendant, send the notice at least ten days prior to the 21256
discharge unless the discharge is by the probate court, and state 21257
in the notice the date on which the defendant will be discharged; 21258

(ii) Notify the prosecutor, in writing, when the defendant is 21259
absent without leave or is granted unsupervised, off-grounds 21260
movement, and send this notice promptly after the discovery of the 21261
absence without leave or prior to the granting of the 21262
unsupervised, off-grounds movement, whichever is applicable; 21263

(iii) Notify the prosecutor, in writing, of the change of the 21264
defendant's commitment or admission to voluntary status, send the 21265
notice promptly upon learning of the change to voluntary status, 21266
and state in the notice the date on which the defendant was 21267
committed or admitted on a voluntary status. 21268

(b) Upon receiving notice that the defendant will be granted 21269
unsupervised, off-grounds movement, the prosecutor either shall 21270
re-indict the defendant or promptly notify the court that the 21271
prosecutor does not intend to prosecute the charges against the 21272
defendant. 21273

(I) If a defendant is convicted of a crime and sentenced to a 21274
jail or workhouse, the defendant's sentence shall be reduced by 21275
the total number of days the defendant is confined for evaluation 21276
to determine the defendant's competence to stand trial or 21277
treatment under this section and sections 2945.37 and 2945.371 of 21278
the Revised Code or by the total number of days the defendant is 21279
confined for evaluation to determine the defendant's mental 21280
condition at the time of the offense charged. 21281

Sec. 2945.39. (A) If a defendant who is charged with an 21282
offense described in division (C)(1) of section 2945.38 of the 21283

Revised Code is found incompetent to stand trial, after the 21284
expiration of the maximum time for treatment as specified in 21285
division (C) of that section or after the court finds that there 21286
is not a substantial probability that the defendant will become 21287
competent to stand trial even if the defendant is provided with a 21288
course of treatment, one of the following applies: 21289

(1) The court or the prosecutor may file an affidavit in 21290
probate court for civil commitment of the defendant in the manner 21291
provided in Chapter 5122. or 5123. of the Revised Code. If the 21292
court or prosecutor files an affidavit for civil commitment, the 21293
court may detain the defendant for ten days pending civil 21294
commitment. If the probate court commits the defendant subsequent 21295
to the court's or prosecutor's filing of an affidavit for civil 21296
commitment, the chief clinical officer of the entity, hospital, or 21297
facility, the managing officer of the institution, the director of 21298
the program, or the person to which the defendant is committed or 21299
admitted shall send to the prosecutor the notices described in 21300
divisions (H)(4)(a)(i) to (iii) of section 2945.38 of the Revised 21301
Code within the periods of time and under the circumstances 21302
specified in those divisions. 21303

(2) On the motion of the prosecutor or on its own motion, the 21304
court may retain jurisdiction over the defendant if, at a hearing, 21305
the court finds both of the following by clear and convincing 21306
evidence: 21307

(a) The defendant committed the offense with which the 21308
defendant is charged. 21309

(b) The defendant is a mentally ill person subject to 21310
hospitalization by court order or a mentally retarded person 21311
subject to institutionalization by court order. 21312

(B) In making its determination under division (A)(2) of this 21313
section as to whether to retain jurisdiction over the defendant, 21314

the court may consider all relevant evidence, including, but not 21315
limited to, any relevant psychiatric, psychological, or medical 21316
testimony or reports, the acts constituting the offense charged, 21317
and any history of the defendant that is relevant to the 21318
defendant's ability to conform to the law. 21319

(C) If the court conducts a hearing as described in division 21320
(A)(2) of this section and if the court does not make both 21321
findings described in divisions (A)(2)(a) and (b) of this section 21322
by clear and convincing evidence, the court shall dismiss the 21323
indictment, information, or complaint against the defendant. Upon 21324
the dismissal, the court shall discharge the defendant unless the 21325
court or prosecutor files an affidavit in probate court for civil 21326
commitment of the defendant pursuant to Chapter 5122. or 5123. of 21327
the Revised Code. If the court or prosecutor files an affidavit 21328
for civil commitment, the court may order that the defendant be 21329
detained for up to ten days pending the civil commitment. If the 21330
probate court commits the defendant subsequent to the court's or 21331
prosecutor's filing of an affidavit for civil commitment, the 21332
chief clinical officer of the entity, hospital, or facility, the 21333
managing officer of the institution, the director of the program, 21334
or the person to which the defendant is committed or admitted 21335
shall send to the prosecutor the notices described in divisions 21336
(H)(4)(a)(i) to (iii) of section 2945.38 of the Revised Code 21337
within the periods of time and under the circumstances specified 21338
in those divisions. A dismissal of charges under this division is 21339
not a bar to further criminal proceedings based on the same 21340
conduct. 21341

(D)(1) If the court conducts a hearing as described in 21342
division (A)(2) of this section and if the court makes the 21343
findings described in divisions (A)(2)(a) and (b) of this section 21344
by clear and convincing evidence, the court shall commit the 21345
defendant, if determined to require mental health treatment, 21346

either to the department of mental health for treatment at a 21347
hospital, facility, or agency as determined clinically appropriate 21348
by the department of mental health or to another medical or 21349
psychiatric facility, as appropriate. Prior to placing the 21350
defendant, the department of mental health shall obtain court 21351
approval for that placement. If the court conducts such a hearing 21352
and if it makes those findings by clear and convincing evidence, 21353
the court shall commit the defendant, if determined to require 21354
treatment for ~~developmental disabilities~~ mental retardation, to a 21355
facility operated by the department of developmental disabilities, 21356
or another facility, as appropriate. ~~In committing the defendant~~ 21357
~~to the department of mental health, the court shall specify the~~ 21358
~~least restrictive limitations on the defendant's freedom of~~ 21359
~~movement determined to be necessary to protect public safety. In~~ 21360
~~determining the place and nature of the commitment to a facility~~ 21361
~~operated by the department of developmental disabilities or~~ 21362
~~another facility for treatment of developmental disabilities, the~~ 21363
~~court~~ In determining the place of commitment, the court shall 21364
consider the extent to which the person is a danger to the person 21365
and to others, the need for security, and the type of crime 21366
involved and shall order the least restrictive ~~commitment~~ 21367
alternative available that is consistent with public safety and 21368
the welfare of the defendant. In weighing these factors, the court 21369
shall give preference to protecting public safety. 21370

(2) If a court makes a commitment of a defendant under 21371
division (D)(1) of this section, the prosecutor shall send to the 21372
hospital, facility, or agency where the defendant is placed by the 21373
department of mental health or to the defendant's place of 21374
commitment all reports of the defendant's current mental condition 21375
and, except as otherwise provided in this division, any other 21376
relevant information, including, but not limited to, a transcript 21377
of the hearing held pursuant to division (A)(2) of this section, 21378
copies of relevant police reports, and copies of any prior arrest 21379

and conviction records that pertain to the defendant and that the prosecutor possesses. The prosecutor shall send the reports of the defendant's current mental condition in every case of commitment, and, unless the prosecutor determines that the release of any of the other relevant information to unauthorized persons would interfere with the effective prosecution of any person or would create a substantial risk of harm to any person, the prosecutor also shall send the other relevant information. Upon admission of a defendant committed under division (D)(1) of this section, the place of commitment shall send to the board of alcohol, drug addiction, and mental health services or the community mental health board serving the county in which the charges against the defendant were filed a copy of all reports of the defendant's current mental condition and a copy of the other relevant information provided by the prosecutor under this division, including, if provided, a transcript of the hearing held pursuant to division (A)(2) of this section, the relevant police reports, and the prior arrest and conviction records that pertain to the defendant and that the prosecutor possesses.

(3) If a court makes a commitment under division (D)(1) of this section, all further proceedings shall be in accordance with sections 2945.401 and 2945.402 of the Revised Code.

Sec. 2945.40. (A) If a person is found not guilty by reason of insanity, the verdict shall state that finding, and the trial court shall conduct a full hearing to determine whether the person is a mentally ill person subject to hospitalization by court order or a mentally retarded person subject to institutionalization by court order. Prior to the hearing, if the trial judge believes that there is probable cause that the person found not guilty by reason of insanity is a mentally ill person subject to hospitalization by court order or mentally retarded person subject to institutionalization by court order, the trial judge may issue

a temporary order of detention for that person to remain in effect 21412
for ten court days or until the hearing, whichever occurs first. 21413

Any person detained pursuant to a temporary order of 21414
detention issued under this division shall be held in a suitable 21415
facility, taking into consideration the place and type of 21416
confinement prior to and during trial. 21417

(B) The court shall hold the hearing under division (A) of 21418
this section to determine whether the person found not guilty by 21419
reason of insanity is a mentally ill person subject to 21420
hospitalization by court order or a mentally retarded person 21421
subject to institutionalization by court order within ten court 21422
days after the finding of not guilty by reason of insanity. 21423
Failure to conduct the hearing within the ten-day period shall 21424
cause the immediate discharge of the respondent, unless the judge 21425
grants a continuance for not longer than ten court days for good 21426
cause shown or for any period of time upon motion of the 21427
respondent. 21428

(C) If a person is found not guilty by reason of insanity, 21429
the person has the right to attend all hearings conducted pursuant 21430
to sections 2945.37 to 2945.402 of the Revised Code. At any 21431
hearing conducted pursuant to one of those sections, the court 21432
shall inform the person that the person has all of the following 21433
rights: 21434

(1) The right to be represented by counsel and to have that 21435
counsel provided at public expense if the person is indigent, with 21436
the counsel to be appointed by the court under Chapter 120. of the 21437
Revised Code or under the authority recognized in division (C) of 21438
section 120.06, division (E) of section 120.16, division (E) of 21439
section 120.26, or section 2941.51 of the Revised Code; 21440

(2) The right to have independent expert evaluation and to 21441
have that independent expert evaluation provided at public expense 21442

if the person is indigent; 21443

(3) The right to subpoena witnesses and documents, to present 21444
evidence on the person's behalf, and to cross-examine witnesses 21445
against the person; 21446

(4) The right to testify in the person's own behalf and to 21447
not be compelled to testify; 21448

(5) The right to have copies of any relevant medical or 21449
mental health document in the custody of the state or of any place 21450
of commitment other than a document for which the court finds that 21451
the release to the person of information contained in the document 21452
would create a substantial risk of harm to any person. 21453

(D) The hearing under division (A) of this section shall be 21454
open to the public, and the court shall conduct the hearing in 21455
accordance with the Rules of Civil Procedure. The court shall make 21456
and maintain a full transcript and record of the hearing 21457
proceedings. The court may consider all relevant evidence, 21458
including, but not limited to, any relevant psychiatric, 21459
psychological, or medical testimony or reports, the acts 21460
constituting the offense in relation to which the person was found 21461
not guilty by reason of insanity, and any history of the person 21462
that is relevant to the person's ability to conform to the law. 21463

(E) Upon completion of the hearing under division (A) of this 21464
section, if the court finds there is not clear and convincing 21465
evidence that the person is a mentally ill person subject to 21466
hospitalization by court order or a mentally retarded person 21467
subject to institutionalization by court order, the court shall 21468
discharge the person, unless a detainer has been placed upon the 21469
person by the department of rehabilitation and correction, in 21470
which case the person shall be returned to that department. 21471

(F) If, at the hearing under division (A) of this section, 21472
the court finds by clear and convincing evidence that the person 21473

is a mentally ill person subject to hospitalization by court 21474
order, the court shall commit the person either to the department 21475
of mental health for ~~placement~~ treatment in a hospital, facility, 21476
or agency as determined clinically appropriate by the department 21477
of mental health or to another medical or psychiatric facility, as 21478
appropriate. Prior to placing the defendant, the department of 21479
mental health shall obtain court approval for that placement. If, 21480
at the hearing under division (A) of this section, the court ~~finds~~ 21481
determines by clear and convincing evidence that the person ~~is a~~ 21482
~~mentally retarded person subject to institutionalization by court~~ 21483
~~order~~ requires treatment for mental retardation, it shall commit 21484
the person to a facility operated by the department of 21485
developmental disabilities or another facility, as appropriate. 21486
Further proceedings shall be in accordance with sections 2945.401 21487
and 2945.402 of the Revised Code. ~~In committing the person to the~~ 21488
~~department of mental health, the court shall specify the least~~ 21489
~~restrictive limitations to the defendant's freedom of movement~~ 21490
~~determined to be necessary to protect public safety.~~ In 21491
determining the place ~~and nature of the commitment of a mentally~~ 21492
~~retarded person subject to institutionalization by court order,~~ 21493
the court shall consider the extent to which the person is a 21494
danger to the person and to others, the need for security, and the 21495
type of crime involved and shall order the least restrictive 21496
~~commitment~~ alternative available that is consistent with public 21497
safety and the welfare of the person. In weighing these factors, 21498
the court shall give preference to protecting public safety. 21499

(G) If a court makes a commitment of a person under division 21500
(F) of this section, the prosecutor shall send to the hospital, 21501
facility, or agency where the person is placed by the department 21502
of mental health or to the defendant's place of commitment all 21503
reports of the person's current mental condition, and, except as 21504
otherwise provided in this division, any other relevant 21505
information, including, but not limited to, a transcript of the 21506

hearing held pursuant to division (A) of this section, copies of 21507
relevant police reports, and copies of any prior arrest and 21508
conviction records that pertain to the person and that the 21509
prosecutor possesses. The prosecutor shall send the reports of the 21510
person's current mental condition in every case of commitment, 21511
and, unless the prosecutor determines that the release of any of 21512
the other relevant information to unauthorized persons would 21513
interfere with the effective prosecution of any person or would 21514
create a substantial risk of harm to any person, the prosecutor 21515
also shall send the other relevant information. Upon admission of 21516
a person committed under division (F) of this section, the place 21517
of commitment shall send to the board of alcohol, drug addiction, 21518
and mental health services or the community mental health board 21519
serving the county in which the charges against the person were 21520
filed a copy of all reports of the person's current mental 21521
condition and a copy of the other relevant information provided by 21522
the prosecutor under this division, including, if provided, a 21523
transcript of the hearing held pursuant to division (A) of this 21524
section, the relevant police reports, and the prior arrest and 21525
conviction records that pertain to the person and that the 21526
prosecutor possesses. 21527

(H) A person who is committed pursuant to this section shall 21528
not voluntarily admit the person or be voluntarily admitted to a 21529
hospital or institution pursuant to section 5122.02, 5122.15, 21530

trial and committed pursuant to section 2945.39 of the Revised 21533
Code or a person found not guilty by reason of insanity and 21534
committed pursuant to section 2945.40 of the Revised Code shall 21535
remain subject to the jurisdiction of the trial court pursuant to 21536
that commitment, and to the provisions of this section, until the 21537
final termination of the commitment as described in division 21538

(J)(1) of this section. If the jurisdiction is terminated under 21539
this division because of the final termination of the commitment 21540
resulting from the expiration of the maximum prison term or term 21541
of imprisonment described in division (J)(1)(b) of this section, 21542
the court or prosecutor may file an affidavit for the civil 21543
commitment of the defendant or person pursuant to Chapter 5122. or 21544

2945.37 to 2945.402 of the Revised Code shall not be conducted in 21547
accordance with Chapters 5122. and 5123. of the Revised Code. Any 21548
person who is committed pursuant to section 2945.39 or 2945.40 of 21549
the Revised Code shall not voluntarily admit the person or be 21550
voluntarily admitted to a hospital or institution pursuant to 21551
section 5122.02, 5122.15, 5123.69, or 5123.76 of the Revised Code. 21552
All other provisions of Chapters 5122. and 5123. of the Revised 21553
Code regarding hospitalization or institutionalization shall apply 21554
to the extent they are not in conflict with this chapter. A 21555
commitment under section 2945.39 or 2945.40 of the Revised Code 21556
shall not be terminated and the conditions of the commitment shall 21557
not be changed except as otherwise provided in division (D)(2) of 21558
this section with respect to a mentally retarded person subject to 21559
institutionalization by court order or except by order of the 21560
trial court. 21561

(C) The department of mental health or the institution ~~or~~ 21562
facility, or program to which a defendant or person has been 21563
committed under section 2945.39 or 2945.40 of the Revised Code 21564
shall report in writing to the trial court, at the times specified 21565
in this division, as to whether the defendant or person remains a 21566
mentally ill person subject to hospitalization by court order or a 21567
mentally retarded person subject to institutionalization by court 21568
order and, in the case of a defendant committed under section 21569
2945.39 of the Revised Code, as to whether the defendant remains 21570

incompetent to stand trial. The department, institution, ~~or~~ 21571
facility, or program shall make the reports after the initial six 21572
months of treatment and every two years after the initial report 21573
is made. The trial court shall provide copies of the reports to 21574
the prosecutor and to the counsel for the defendant or person. 21575
Within thirty days after its receipt pursuant to this division of 21576
a report from the department, institution, ~~or~~ facility, or 21577
program, the trial court shall hold a hearing on the continued 21578
commitment of the defendant or person or on any changes in the 21579
conditions of the commitment of the defendant or person. The 21580
defendant or person may request a change in the conditions of 21581
confinement, and the trial court shall conduct a hearing on that 21582
request if six months or more have elapsed since the most recent 21583
hearing was conducted under this section. 21584

(D)(1) Except as otherwise provided in division (D)(2) of 21585
this section, when a defendant or person has been committed under 21586
section 2945.39 or 2945.40 of the Revised Code, at any time after 21587

defendant or person, the designee of the department of mental 21589
health or the managing officer of the institution or director of 21590
the facility or program to which the defendant or person is 21591
committed may recommend a termination of the defendant's or 21592
person's commitment or a change in the conditions of the 21593
defendant's or person's commitment. 21594

Except as otherwise provided in division (D)(2) of this 21595
section, if the designee of the department of mental health 21596
recommends on-grounds unsupervised movement, off-grounds 21597
supervised movement, or nonsecured status for the defendant or 21598
person or termination of the defendant's or person's commitment, 21599
the following provisions apply: 21600

(a) If the department's designee recommends on-grounds 21601
unsupervised movement or off-grounds supervised movement, the 21602

department's designee shall file with the trial court an 21603
application for approval of the movement and shall send a copy of 21604
the application to the prosecutor. Within fifteen days after 21605
receiving the application, the prosecutor may request a hearing on 21606
the application and, if a hearing is requested, shall so inform 21607
the department's designee. If the prosecutor does not request a 21608
hearing within the fifteen-day period, the trial court shall 21609

hearing is requested. If the trial court, within five days after 21616
the expiration of the fifteen-day period, sets a date for a 21617
hearing on the application, the trial court shall hold the hearing 21618
within thirty days after setting the hearing date. At least 21619
fifteen days before any hearing is held under this division, the 21620
trial court shall give the prosecutor written notice of the date, 21621
time, and place of the hearing. At the conclusion of each hearing 21622
conducted under this division, the trial court either shall 21623
approve or disapprove the application and shall enter its order 21624
accordingly. 21625

(b) If the department's designee recommends termination of 21626
the defendant's or person's commitment at any time or if the 21627
department's designee recommends the first of any nonsecured 21628
status for the defendant or person, the department's designee 21629
shall send written notice of this recommendation to the trial 21630
court and to the local forensic center. The local forensic center 21631
shall evaluate the committed defendant or person and, within 21632
thirty days after its receipt of the written notice, shall submit 21633
to the trial court and the department's designee a written report 21634

department's designee's written notice and of the local forensic 21636
center's written report to the prosecutor and to the counsel for 21637
the defendant or person. Upon the local forensic center's 21638
submission of the report to the trial court and the department's 21639
designee, all of the following apply: 21640

(i) If the forensic center disagrees with the recommendation 21641
of the department's designee, it shall inform the department's 21642
designee and the trial court of its decision and the reasons for 21643
the decision. The department's designee, after consideration of 21644
the forensic center's decision, shall either withdraw, proceed 21645
with, or modify and proceed with the recommendation. If the 21646
department's designee proceeds with, or modifies and proceeds 21647
with, the recommendation, the department's designee shall proceed 21648
in accordance with division (D)(1)(b)(iii) of this section. 21649

(ii) If the forensic center agrees with the recommendation of 21650
the department's designee, it shall inform the department's 21651
designee and the trial court of its decision and the reasons for 21652
the decision, and the department's designee shall proceed in 21653
accordance with division (D)(1)(b)(iii) of this section. 21654

(iii) If the forensic center disagrees with the 21655
recommendation of the department's designee and the department's 21656
designee proceeds with, or modifies and proceeds with, the 21657
recommendation or if the forensic center agrees with the 21658
recommendation of the department's designee, the department's 21659
designee shall work with community mental health agencies, 21660
programs, facilities, or boards of alcohol, drug addiction, and 21661
mental health services or community mental health boards to 21662
develop a plan to implement the recommendation. If the defendant 21663
or person is on medication, the plan shall include, but shall not 21664
be limited to, a system to monitor the defendant's or person's 21665
compliance with the prescribed medication treatment plan. The 21666
system shall include a schedule that clearly states when the 21667

defendant or person shall report for a medication compliance 21668
check. The medication compliance checks shall be based upon the 21669
effective duration of the prescribed medication, taking into 21670
account the route by which it is taken, and shall be scheduled at 21671
intervals sufficiently close together to detect a potential 21672
increase in mental illness symptoms that the medication is 21673
intended to prevent. 21674

The department's designee, after consultation with the board 21675
of alcohol, drug addiction, and mental health services or the 21676
community mental health board serving the area, shall send the 21677
recommendation and plan developed under division (D)(1)(b)(iii) of 21678
this section, in writing, to the trial court, the prosecutor, and 21679
the counsel for the committed defendant or person. The trial court 21680
shall conduct a hearing on the recommendation and plan developed 21681
under division (D)(1)(b)(iii) of this section. Divisions (D)(1)(c) 21682
and (d) and (E) to (J) of this section apply regarding the 21683
hearing. 21684

(c) If the department's designee's recommendation is for 21685
nonsecured status or termination of commitment, the prosecutor may 21686
obtain an independent expert evaluation of the defendant's or 21687
person's mental condition, and the trial court may continue the 21688
hearing on the recommendation for a period of not more than thirty 21689
days to permit time for the evaluation. 21690

The prosecutor may introduce the evaluation report or present 21691
other evidence at the hearing in accordance with the Rules of 21692
Evidence. 21693

(d) The trial court shall schedule the hearing on a 21694
department's designee's recommendation for nonsecured status or 21695
termination of commitment and shall give reasonable notice to the 21696
prosecutor and the counsel for the defendant or person. Unless 21697
continued for independent evaluation at the prosecutor's request 21698
or for other good cause, the hearing shall be held within thirty 21699

days after the trial court's receipt of the recommendation and 21700
plan. 21701

(2)(a) Division (D)(1) of this section does not apply to 21702
on-grounds unsupervised movement of a defendant or person who has 21703
been committed under section 2945.39 or 2945.40 of the Revised 21704
Code, who is a mentally retarded person subject to 21705
institutionalization by court order, and who is being provided 21706
residential habilitation, care, and treatment in a facility 21707
operated by the department of developmental disabilities. 21708

(b) If, pursuant to section 2945.39 of the Revised Code, the 21709
trial court commits a defendant who is found incompetent to stand 21710
trial and who is a mentally retarded person subject to 21711
institutionalization by court order, if the defendant is being 21712
provided residential habilitation, care, and treatment in a 21713
facility operated by the department of developmental disabilities, 21714
if an individual who is conducting a survey for the department of 21715
health to determine the facility's compliance with the 21716
certification requirements of the medicaid program under Chapter 21717
5111. of the Revised Code and Title XIX of the "Social Security 21718
Act," 49 Stat. 620 (1935), 42 U.S.C.A. 301, as amended, cites the 21719
defendant's receipt of the residential habilitation, care, and 21720
treatment in the facility as being inappropriate under the 21721
certification requirements, if the defendant's receipt of the 21722
residential habilitation, care, and treatment in the facility 21723
potentially jeopardizes the facility's continued receipt of 21724
federal medicaid moneys, and if as a result of the citation the 21725
chief clinical officer of the facility determines that the 21726
conditions of the defendant's commitment should be changed, the 21727
department of developmental disabilities may cause the defendant 21728
to be removed from the particular facility and, after evaluating 21729
the risks to public safety and the welfare of the defendant and 21730
after determining whether another type of placement is consistent 21731

with the certification requirements, may place the defendant in 21732
another facility that the department selects as an appropriate 21733
facility for the defendant's continued receipt of residential 21734
habilitation, care, and treatment and that is a no less secure 21735
setting than the facility in which the defendant had been placed 21736
at the time of the citation. Within three days after the 21737
defendant's removal and alternative placement under the 21738
circumstances described in division (D)(2)(b) of this section, the 21739
department of developmental disabilities shall notify the trial 21740
court and the prosecutor in writing of the removal and alternative 21741
placement. 21742

The trial court shall set a date for a hearing on the removal 21743
and alternative placement, and the hearing shall be held within 21744
twenty-one days after the trial court's receipt of the notice from 21745
the department of developmental disabilities. At least ten days 21746
before the hearing is held, the trial court shall give the 21747
prosecutor, the department of developmental disabilities, and the 21748
counsel for the defendant written notice of the date, time, and 21749
place of the hearing. At the hearing, the trial court shall 21750
consider the citation issued by the individual who conducted the 21751
survey for the department of health to be prima-facie evidence of 21752
the fact that the defendant's commitment to the particular 21753
facility was inappropriate under the certification requirements of 21754
the medicaid program under Chapter 5111. of the Revised Code and 21755
Title XIX of the "Social Security Act," 49 Stat. 620 (1935), 42 21756
U.S.C.A. 301, as amended, and potentially jeopardizes the 21757
particular facility's continued receipt of federal medicaid 21758
moneys. At the conclusion of the hearing, the trial court may 21759
approve or disapprove the defendant's removal and alternative 21760
placement. If the trial court approves the defendant's removal and 21761
alternative placement, the department of developmental 21762
disabilities may continue the defendant's alternative placement. 21763
If the trial court disapproves the defendant's removal and 21764

alternative placement, it shall enter an order modifying the 21765
defendant's removal and alternative placement, but that order 21766
shall not require the department of developmental disabilities to 21767
replace the defendant for purposes of continued residential 21768
habilitation, care, and treatment in the facility associated with 21769
the citation issued by the individual who conducted the survey for 21770
the department of health. 21771

(E) In making a determination under this section regarding 21772
nonsecured status or termination of commitment, the trial court 21773
shall consider all relevant factors, including, but not limited 21774
to, all of the following: 21775

(1) Whether, in the trial court's view, the defendant or 21776
person currently represents a substantial risk of physical harm to 21777
the defendant or person or others; 21778

(2) Psychiatric and medical testimony as to the current 21779
mental and physical condition of the defendant or person; 21780

(3) Whether the defendant or person has insight into the 21781
~~defendant's~~ defendant's or person's condition so that the 21782
defendant or person will continue treatment as prescribed or seek 21783
professional assistance as needed; 21784

(4) The grounds upon which the state relies for the proposed 21785
commitment; 21786

(5) Any past history that is relevant to establish the 21787
defendant's or person's degree of conformity to the laws, rules, 21788
regulations, and values of society; 21789

(6) If there is evidence that the defendant's or person's 21790
mental illness is in a state of remission, the medically suggested 21791
cause and degree of the remission and the probability that the 21792
defendant or person will continue treatment to maintain the 21793
remissive state of the defendant's or person's illness should the 21794
defendant's or person's commitment conditions be altered. 21795

(F) At any hearing held pursuant to division (C) or (D)(1) or 21796
(2) of this section, the defendant or the person shall have all 21797
the rights of a defendant or person at a commitment hearing as 21798
described in section 2945.40 of the Revised Code. 21799

(G) In a hearing held pursuant to division (C) or (D)(1) of 21800
this section, the prosecutor has the burden of proof as follows: 21801

(1) For a recommendation of termination of commitment, to 21802
show by clear and convincing evidence that the defendant or person 21803
remains a mentally ill person subject to hospitalization by court 21804
order or a mentally retarded person subject to 21805
institutionalization by court order; 21806

(2) For a recommendation for a change in the conditions of 21807
the commitment to a less restrictive status, to show by clear and 21808
convincing evidence that the proposed change represents a threat 21809
to public safety or a threat to the safety of any person. 21810

(H) In a hearing held pursuant to division (C) or (D)(1) or 21811
(2) of this section, the prosecutor shall represent the state or 21812
the public interest. 21813

(I) At the conclusion of a hearing conducted under division 21814
(D)(1) of this section regarding a recommendation from the 21815
designee of the department of mental health, managing officer of 21816
the institution, or director of a facility or program, the trial 21817
court may approve, disapprove, or modify the recommendation and 21818
shall enter an order accordingly. 21819

(J)(1) A defendant or person who has been committed pursuant 21820
to section 2945.39 or 2945.40 of the Revised Code continues to be 21821
under the jurisdiction of the trial court until the final 21822
termination of the commitment. For purposes of division (J) of 21823
this section, the final termination of a commitment occurs upon 21824
the earlier of one of the following: 21825

(a) The defendant or person no longer is a mentally ill 21826

person subject to hospitalization by court order or a mentally 21827
retarded person subject to institutionalization by court order, as 21828
determined by the trial court; 21829

(b) The expiration of the maximum prison term or term of 21830
imprisonment that the defendant or person could have received if 21831
the defendant or person had been convicted of the most serious 21832
offense with which the defendant or person is charged or in 21833
relation to which the defendant or person was found not guilty by 21834
reason of insanity; 21835

(c) The trial court enters an order terminating the 21836
commitment under the circumstances described in division 21837
(J)(2)(a)(ii) of this section. 21838

(2)(a) If a defendant is found incompetent to stand trial and 21839
committed pursuant to section 2945.39 of the Revised Code, if 21840
neither of the circumstances described in divisions (J)(1)(a) and 21841
(b) of this section applies to that defendant, and if a report 21842
filed with the trial court pursuant to division (C) of this 21843
section indicates that the defendant presently is competent to 21844
stand trial or if, at any other time during the period of the 21845
defendant's commitment, the prosecutor, the counsel for the 21846
defendant, or the designee of the department of mental health or 21847
the managing officer of the institution or director of the 21848
facility or program to which the defendant is committed files an 21849
application with the trial court alleging that the defendant 21850
presently is competent to stand trial and requesting a hearing on 21851
the competency issue or the trial court otherwise has reasonable 21852
cause to believe that the defendant presently is competent to 21853
stand trial and determines on its own motion to hold a hearing on 21854
the competency issue, the trial court shall schedule a hearing on 21855
the competency of the defendant to stand trial, shall give the 21856
prosecutor, the counsel for the defendant, and the department's 21857
designee or the managing officer of the institution or the 21858

director of the facility to which the defendant is committed 21859
notice of the date, time, and place of the hearing at least 21860
fifteen days before the hearing, and shall conduct the hearing 21861
within thirty days of the filing of the application or of its own 21862
motion. If, at the conclusion of the hearing, the trial court 21863
determines that the defendant presently is capable of 21864
understanding the nature and objective of the proceedings against 21865
the defendant and of assisting in the defendant's defense, the 21866
trial court shall order that the defendant is competent to stand 21867
trial and shall be proceeded against as provided by law with 21868
respect to the applicable offenses described in division (C)(1) of 21869
section 2945.38 of the Revised Code and shall enter whichever of 21870
the following additional orders is appropriate: 21871

(i) If the trial court determines that the defendant remains 21872
a mentally ill person subject to hospitalization by court order or 21873
a mentally retarded person subject to institutionalization by 21874
court order, the trial court shall order that the defendant's 21875
commitment to the department of mental health or to an institution 21876
~~or, facility, or program~~ for the treatment of ~~developmental~~ 21877
~~disabilities~~ mental retardation be continued during the pendency 21878
of the trial on the applicable offenses described in division 21879
(C)(1) of section 2945.38 of the Revised Code. 21880

(ii) If the trial court determines that the defendant no 21881
longer is a mentally ill person subject to hospitalization by 21882
court order or a mentally retarded person subject to 21883
institutionalization by court order, the trial court shall order 21884
that the defendant's commitment to the department of mental health 21885
or to an institution ~~or, facility, or program~~ for the treatment of 21886
~~developmental disabilities~~ mental retardation shall not be 21887
continued during the pendency of the trial on the applicable 21888
offenses described in division (C)(1) of section 2945.38 of the 21889
Revised Code. This order shall be a final termination of the 21890

commitment for purposes of division (J)(1)(c) of this section. 21891

(b) If, at the conclusion of the hearing described in 21892
division (J)(2)(a) of this section, the trial court determines 21893
that the defendant remains incapable of understanding the nature 21894
and objective of the proceedings against the defendant or of 21895
assisting in the defendant's defense, the trial court shall order 21896
that the defendant continues to be incompetent to stand trial, 21897
that the defendant's commitment to the department of mental health 21898
or to an institution ~~or~~, facility, or program for the treatment of 21899
~~developmental disabilities~~ mental retardation shall be continued, 21900
and that the defendant remains subject to the jurisdiction of the 21901
trial court pursuant to that commitment, and to the provisions of 21902
this section, until the final termination of the commitment as 21903
described in division (J)(1) of this section. 21904

Sec. 2953.32. (A)(1) Except as provided in section 2953.61 of 21905
the Revised Code, a first offender may apply to the sentencing 21906
court if convicted in this state, or to a court of common pleas if 21907
convicted in another state or in a federal court, for the sealing 21908
of the conviction record. Application may be made at the 21909
expiration of three years after the offender's final discharge if 21910
convicted of a felony, or at the expiration of one year after the 21911
offender's final discharge if convicted of a misdemeanor. 21912

(2) Any person who has been arrested for any misdemeanor 21913
offense and who has effected a bail forfeiture may apply to the 21914
court in which the misdemeanor criminal case was pending when bail 21915
was forfeited for the sealing of the record of the case. Except as 21916
provided in section 2953.61 of the Revised Code, the application 21917
may be filed at any time after the expiration of one year from the 21918
date on which the bail forfeiture was entered upon the minutes of 21919
the court or the journal, whichever entry occurs first. 21920

(B) Upon the filing of an application under this section, the 21921

court shall set a date for a hearing and shall notify the 21922
prosecutor for the case of the hearing on the application. The 21923
prosecutor may object to the granting of the application by filing 21924
an objection with the court prior to the date set for the hearing. 21925
The prosecutor shall specify in the objection the reasons for 21926
believing a denial of the application is justified. The court 21927
shall direct its regular probation officer, a state probation 21928
officer, or the department of probation of the county in which the 21929
applicant resides to make inquiries and written reports as the 21930
court requires concerning the applicant. 21931

(C)(1) The court shall do each of the following: 21932

(a) Determine whether the applicant is a first offender or 21933
whether the forfeiture of bail was agreed to by the applicant and 21934
the prosecutor in the case. If the applicant applies as a first 21935
offender pursuant to division (A)(1) of this section and has two 21936
or three convictions that result from the same indictment, 21937
information, or complaint, from the same plea of guilty, or from 21938
the same official proceeding, and result from related criminal 21939
acts that were committed within a three-month period but do not 21940
result from the same act or from offenses committed at the same 21941
time, in making its determination under this division, the court 21942
initially shall determine whether it is not in the public interest 21943
for the two or three convictions to be counted as one conviction. 21944
If the court determines that it is not in the public interest for 21945
the two or three convictions to be counted as one conviction, the 21946
court shall determine that the applicant is not a first offender; 21947
if the court does not make that determination, the court shall 21948
determine that the offender is a first offender. 21949

(b) Determine whether criminal proceedings are pending 21950
against the applicant; 21951

(c) If the applicant is a first offender who applies pursuant 21952
to division (A)(1) of this section, determine whether the 21953

applicant has been rehabilitated to the satisfaction of the court; 21954

(d) If the prosecutor has filed an objection in accordance 21955
with division (B) of this section, consider the reasons against 21956
granting the application specified by the prosecutor in the 21957
objection; 21958

(e) Weigh the interests of the applicant in having the 21959
records pertaining to the applicant's conviction sealed against 21960
the legitimate needs, if any, of the government to maintain those 21961
records. 21962

(2) If the court determines, after complying with division 21963
(C)(1) of this section, that the applicant is a first offender or 21964
the subject of a bail forfeiture, that no criminal proceeding is 21965
pending against the applicant, and that the interests of the 21966
applicant in having the records pertaining to the applicant's 21967
conviction or bail forfeiture sealed are not outweighed by any 21968
legitimate governmental needs to maintain those records, and that 21969
the rehabilitation of an applicant who is a first offender 21970
applying pursuant to division (A)(1) of this section has been 21971
attained to the satisfaction of the court, the court, except as 21972
provided in divisions (G) and (H) of this section, shall order all 21973
official records pertaining to the case sealed and, except as 21974
provided in division (F) of this section, all index references to 21975
the case deleted and, in the case of bail forfeitures, shall 21976
dismiss the charges in the case. The proceedings in the case shall 21977
be considered not to have occurred and the conviction or bail 21978
forfeiture of the person who is the subject of the proceedings 21979
shall be sealed, except that upon conviction of a subsequent 21980
offense, the sealed record of prior conviction or bail forfeiture 21981
may be considered by the court in determining the sentence or 21982
other appropriate disposition, including the relief provided for 21983
in sections 2953.31 to 2953.33 of the Revised Code. 21984

(3) Upon the filing of an application under this section, the 21985

applicant, unless indigent, shall pay a fee of fifty dollars. The 21986
court shall pay thirty dollars of the fee into the state treasury. 21987
It shall pay twenty dollars of the fee into the county general 21988
revenue fund if the sealed conviction or bail forfeiture was 21989
pursuant to a state statute, or into the general revenue fund of 21990
the municipal corporation involved if the sealed conviction or 21991
bail forfeiture was pursuant to a municipal ordinance. 21992

(D) Inspection of the sealed records included in the order 21993
may be made only by the following persons or for the following 21994
purposes: 21995

(1) By a law enforcement officer or prosecutor, or the 21996
assistants of either, to determine whether the nature and 21997
character of the offense with which a person is to be charged 21998
would be affected by virtue of the person's previously having been 21999
convicted of a crime; 22000

(2) By the parole or probation officer of the person who is 22001
the subject of the records, for the exclusive use of the officer 22002
in supervising the person while on parole or under a community 22003
control sanction or a post-release control sanction, and in making 22004
inquiries and written reports as requested by the court or adult 22005
parole authority; 22006

(3) Upon application by the person who is the subject of the 22007
records, by the persons named in the application; 22008

(4) By a law enforcement officer who was involved in the 22009
case, for use in the officer's defense of a civil action arising 22010
out of the officer's involvement in that case; 22011

(5) By a prosecuting attorney or the prosecuting attorney's 22012
assistants, to determine a defendant's eligibility to enter a 22013
pre-trial diversion program established pursuant to section 22014
2935.36 of the Revised Code; 22015

(6) By any law enforcement agency or any authorized employee 22016

of a law enforcement agency or by the department of rehabilitation 22017
and correction as part of a background investigation of a person 22018
who applies for employment with the agency as a law enforcement 22019
officer or with the department as a corrections officer; 22020

(7) By any law enforcement agency or any authorized employee 22021
of a law enforcement agency, for the purposes set forth in, and in 22022
the manner provided in, section 2953.321 of the Revised Code; 22023

(8) By the bureau of criminal identification and 22024
investigation or any authorized employee of the bureau for the 22025
purpose of providing information to a board or person pursuant to 22026
division (F) or (G) of section 109.57 of the Revised Code; 22027

(9) By the bureau of criminal identification and 22028
investigation or any authorized employee of the bureau for the 22029
purpose of performing a criminal history records check on a person 22030
to whom a certificate as prescribed in section 109.77 of the 22031
Revised Code is to be awarded; 22032

(10) By the bureau of criminal identification and 22033
investigation or any authorized employee of the bureau for the 22034
purpose of conducting a criminal records check of an individual 22035
pursuant to division (B) of section 109.572 of the Revised Code 22036
that was requested pursuant to any of the sections identified in 22037
division (B)(1) of that section; 22038

(11) By the bureau of criminal identification and 22039
investigation, an authorized employee of the bureau, a sheriff, or 22040
an authorized employee of a sheriff in connection with a criminal 22041
records check described in section 311.41 of the Revised Code; 22042

(12) By the attorney general or an authorized employee of the 22043
attorney general or a court for purposes of determining a person's 22044
classification pursuant to Chapter 2950. of the Revised Code; 22045

(13) By a prosecuting attorney or the attorney general, or 22046
the assistants of either, for purposes of defending a civil action 22047

brought pursuant to division (B)(1) of section 2743.48 of the 22048
Revised Code. 22049

When the nature and character of the offense with which a 22050
person is to be charged would be affected by the information, it 22051
may be used for the purpose of charging the person with an 22052
offense. 22053

(E) In any criminal proceeding, proof of any otherwise 22054
admissible prior conviction may be introduced and proved, 22055
notwithstanding the fact that for any such prior conviction an 22056
order of sealing previously was issued pursuant to sections 22057
2953.31 to 2953.36 of the Revised Code. 22058

(F) The person or governmental agency, office, or department 22059
that maintains sealed records pertaining to convictions or bail 22060
forfeitures that have been sealed pursuant to this section may 22061
maintain a manual or computerized index to the sealed records. The 22062
index shall contain only the name of, and alphanumeric identifiers 22063
that relate to, the persons who are the subject of the sealed 22064
records, the word "sealed," and the name of the person, agency, 22065
office, or department that has custody of the sealed records, and 22066
shall not contain the name of the crime committed. The index shall 22067
be made available by the person who has custody of the sealed 22068
records only for the purposes set forth in divisions (C), (D), and 22069
(E) of this section. 22070

(G) Notwithstanding any provision of this section or section 22071
2953.33 of the Revised Code that requires otherwise, a board of 22072
education of a city, local, exempted village, or joint vocational 22073
school district that maintains records of an individual who has 22074
been permanently excluded under sections 3301.121 and 3313.662 of 22075
the Revised Code is permitted to maintain records regarding a 22076
conviction that was used as the basis for the individual's 22077
permanent exclusion, regardless of a court order to seal the 22078
record. An order issued under this section to seal the record of a 22079

conviction does not revoke the adjudication order of the 22080
superintendent of public instruction to permanently exclude the 22081
individual who is the subject of the sealing order. An order 22082
issued under this section to seal the record of a conviction of an 22083
individual may be presented to a district superintendent as 22084
evidence to support the contention that the superintendent should 22085
recommend that the permanent exclusion of the individual who is 22086
the subject of the sealing order be revoked. Except as otherwise 22087
authorized by this division and sections 3301.121 and 3313.662 of 22088
the Revised Code, any school employee in possession of or having 22089
access to the sealed conviction records of an individual that were 22090
the basis of a permanent exclusion of the individual is subject to 22091
section 2953.35 of the Revised Code. 22092

(H) For purposes of sections 2953.31 to 2953.36 of the 22093
Revised Code, DNA records collected in the DNA database and 22094
fingerprints filed for record by the superintendent of the bureau 22095
of criminal identification and investigation shall not be sealed 22096
unless the superintendent receives a certified copy of a final 22097
court order establishing that the offender's conviction has been 22098
overturned. For purposes of this section, a court order is not 22099
"final" if time remains for an appeal or application for 22100
discretionary review with respect to the order. 22101

Sec. 2961.22. (A)(1) Any prisoner serving a prison term in a 22102
state correctional institution who satisfies all of the following 22103
is eligible to apply to the department of rehabilitation and 22104
correction at a time specified in division (A)(2) of this section 22105
and in accordance with division (D) of this section for a 22106
certificate of achievement and employability: 22107

(a) The prisoner has satisfactorily completed one or more 22108
in-prison vocational programs approved by rule by the department 22109
of rehabilitation and correction. 22110

(b) The prisoner has demonstrated exemplary performance as 22111
determined by completion of one or more cognitive or behavioral 22112
improvement programs approved by rule by the department while 22113
incarcerated in a state correctional institution, while under 22114
supervision, or during both periods of time. 22115

(c) The prisoner has completed community service hours. 22116

(d) The prisoner shows other evidence of achievement and 22117
rehabilitation while under the jurisdiction of the department. 22118

(2) An eligible prisoner may apply to the department of 22119
rehabilitation and correction under division (A)(1) of this 22120
section for a certificate of achievement and employability no 22121
earlier than one year prior to the date scheduled for the release 22122
of the prisoner from department custody and no later than the date 22123
of release of the prisoner. 22124

(B)(1) Any prisoner who has been released from a state 22125
correctional institution, who is under supervision on parole or 22126
under a post-release control sanction, and who satisfies all of 22127
the criteria set forth in division (A)(1) of this section is 22128
eligible to apply to the adult parole authority at a time 22129
specified in division (B)(2) of this section and in accordance 22130
with division (D) of this section for a certificate of achievement 22131
and employability. 22132

(2) An eligible prisoner may apply to the adult parole 22133
authority under division (B)(1) of this section for a certificate 22134
of achievement and employability at any time while the prisoner is 22135
under supervision on parole or under a post-release control 22136
sanction. 22137

(C)(1) An eligible prisoner may apply to the department of 22138
rehabilitation and correction or to the adult parole authority at 22139
a time specified in division (A) or (B) of this section, whichever 22140
is applicable, for a certificate of achievement and employability 22141

that grants the prisoner relief from one or more mandatory civil 22142
impacts that would affect a potential job within a field in which 22143
the prisoner trained as part of the prisoner's in-prison 22144
vocational program. The prisoner shall specify the mandatory civil 22145
impacts from which the prisoner is requesting relief under the 22146
certificate. Upon application by a prisoner in accordance with 22147
this division, if the mandatory civil impact of any licensing 22148
agency would be affected by the issuance of the certificate to the 22149
prisoner, the department or authority shall notify the licensing 22150
agency of the filing of the application, provide the licensing 22151
agency with a copy of the application and all evidence that the 22152
department, authority, or court has regarding the prisoner, and 22153
afford the licensing agency with an opportunity to object in 22154
writing to the issuance of the certificate to the prisoner. 22155

(2) Upon application by a prisoner in accordance with 22156
division (C)(1) of this section, the department of rehabilitation 22157
and correction or the adult parole authority, whichever is 22158
applicable, shall consider the application and all objections to 22159
the issuance of a certificate of achievement and employability to 22160
the prisoner, if any, that were made by a licensing agency under 22161
division (C)(1) of this section. If the department or authority 22162
determines that the prisoner is an eligible prisoner, that the 22163
application was filed at a time specified in division (B) of this 22164
section, and that any licensing agency objections to the issuance 22165
of the certificate to the prisoner are not sufficient to deny the 22166
issuance of the certificate to the prisoner, subject to division 22167
(C)(3) of this section, the department or authority shall issue 22168
the prisoner a certificate of achievement and employability that 22169
grants the prisoner relief from the mandatory civil impacts that 22170
are specified in the prisoner's application and that would affect 22171
a potential job within a field in which the prisoner trained as 22172
part of the prisoner's in-prison vocational program. 22173

(3) The mandatory civil impacts identified in division (A)(1) 22174
of section 2961.01 and in division (B) of section 2961.02 of the 22175
Revised Code shall not be affected by any certificate of 22176
achievement and employability issued under this section. No 22177
certificate of achievement and employability issued to a prisoner 22178
under this section grants the prisoner relief from the mandatory 22179
civil impacts identified in division (A)(1) of section 2961.01 and 22180
in division (B) of section 2961.02 of the Revised Code. 22181

(E) The department of rehabilitation and correction shall 22182
adopt rules that define in-prison vocational programs and 22183
cognitive or behavioral improvement programs that a prisoner may 22184
complete to satisfy the criteria described in divisions (A)(1)(a) 22185
and (b) of this section. 22186

(F) The department of rehabilitation and correction and the 22187
adult parole authority shall not be liable for any claim for 22188
damages arising from the department's or authority's issuance, 22189
denial, or revocation of a certificate of achievement and 22190
employability or for the department's or authority's failure to 22191
revoke a certificate of achievement and employability under the 22192
circumstances described in section 2961.24 of the Revised Code. 22193

Sec. 2967.03. The adult parole authority may exercise its 22194
functions and duties in relation to the pardon, commutation of 22195
sentence, or reprieve of a convict upon direction of the governor 22196
or upon its own initiative. It may exercise its functions and 22197
duties in relation to the parole of a prisoner who is eligible for 22198
parole upon the initiative of the head of the institution in which 22199
the prisoner is confined or upon its own initiative. When a 22200
prisoner becomes eligible for parole, the head of the institution 22201
in which the prisoner is confined shall notify the authority in 22202
the manner prescribed by the authority. The authority may 22203
investigate and examine, or cause the investigation and 22204

examination of, prisoners confined in state correctional 22205
institutions concerning their conduct in the institutions, their 22206
mental and moral qualities and characteristics, their knowledge of 22207
a trade or profession, their former means of livelihood, their 22208
family relationships, and any other matters affecting their 22209
fitness to be at liberty without being a threat to society. 22210

The authority may recommend to the governor the pardon, 22211
commutation of sentence, ~~medical release~~, or reprieve of any 22212
convict or prisoner or grant a parole to any prisoner for whom 22213
parole is authorized, if in its judgment there is reasonable 22214
ground to believe that granting a pardon, commutation, ~~medical~~ 22215
~~release~~, or reprieve to the convict or paroling the prisoner would 22216
further the interests of justice and be consistent with the 22217
welfare and security of society. However, the authority shall not 22218
recommend a pardon, or commutation of sentence, ~~or medical release~~ 22219
~~of~~, or grant a parole to, any convict or prisoner until the 22220
authority has complied with the applicable notice requirements of 22221
sections 2930.16 and 2967.12 of the Revised Code and until it has 22222
considered any statement made by a victim or a victim's 22223
representative that is relevant to the convict's or prisoner's 22224
case and that was sent to the authority pursuant to section 22225
2930.17 of the Revised Code, any other statement made by a victim 22226
or a victim's representative that is relevant to the convict's or 22227
prisoner's case and that was received by the authority after it 22228
provided notice of the pendency of the action under sections 22229
2930.16 and 2967.12 of the Revised Code, and any written statement 22230
of any person submitted to the court pursuant to division (G) of 22231
section 2967.12 of the Revised Code. If a victim, victim's 22232
representative, or the victim's spouse, parent, sibling, or child 22233
appears at a full board hearing of the parole board and gives 22234
testimony as authorized by section 5149.101 of the Revised Code, 22235
the authority shall consider the testimony in determining whether 22236
to grant a parole. The trial judge and prosecuting attorney of the 22237

trial court in which a person was convicted shall furnish to the 22238
authority, at the request of the authority, a summarized statement 22239
of the facts proved at the trial and of all other facts having 22240
reference to the propriety of recommending a pardon, commutation, 22241
or medical release, or granting a parole, together with a 22242
recommendation for or against a pardon, commutation, medical 22243
release, or parole, and the reasons for the recommendation. The 22244
trial judge, the prosecuting attorney, specified law enforcement 22245
agency members, and a representative of the prisoner may appear at 22246
a full board hearing of the parole board and give testimony in 22247
regard to the grant of a parole to the prisoner as authorized by 22248
section 5149.101 of the Revised Code. All state and local 22249
officials shall furnish information to the authority, when so 22250
requested by it in the performance of its duties. 22251

The adult parole authority shall exercise its functions and 22252
duties in relation to the release of prisoners who are serving a 22253
stated prison term in accordance with section 2967.28 of the 22254
Revised Code. 22255

Sec. 2967.05. (A) As used in this section: 22256

(1) "Imminent danger of death" means that the inmate has a 22257
medically diagnosable condition that will cause death to occur 22258
within a short period of time. 22259

As used in division (A)(1) of this section, "within a short 22260
period of time" means generally within six months. 22261

(2)(a) "Medically incapacitated" means any diagnosable 22262
medical condition, including mental dementia and severe, permanent 22263
medical or cognitive disability, that prevents the inmate from 22264
completing activities of daily living without significant 22265
assistance, that incapacitates the inmate to the extent that 22266
institutional confinement does not offer additional restrictions, 22267
that is likely to continue throughout the entire period of parole, 22268

and that is unlikely to improve noticeably. 22269

(b) "Medically incapacitated" does not include conditions 22270
related solely to mental illness unless the mental illness is 22271
accompanied by injury, disease, or organic defect. 22272

(3)(a) "Terminal illness" means a condition that satisfies 22273
all of the following criteria: 22274

(i) The condition is irreversible and incurable and is caused 22275
by disease, illness, or injury from which the inmate is unlikely 22276
to recover. 22277

(ii) In accordance with reasonable medical standards and a 22278
reasonable degree of medical certainty, the condition is likely to 22279
cause death to the inmate within twelve months. 22280

(iii) Institutional confinement of the inmate does not offer 22281
additional protections for public safety or against the inmate's 22282
risk to reoffend. 22283

(b) The department of rehabilitation and correction shall 22284
adopt rules pursuant to Chapter 119. of the Revised Code to 22285
implement the definition of "terminal illness" in division 22286
(A)(3)(a) of this section. 22287

(B) Upon the recommendation of the director of rehabilitation 22288
and correction, accompanied by a certificate of the attending 22289
physician that an inmate is terminally ill, medically 22290
incapacitated, or in imminent danger of death, the governor may 22291
order the inmate's release as if on parole, reserving the right to 22292
return the inmate to the institution pursuant to this section. If, 22293
subsequent to the inmate's release, the inmate's health improves 22294
so that the inmate is no longer terminally ill, medically 22295
incapacitated, or in imminent danger of death, the inmate shall be 22296
returned, by order of the governor, to the institution from which 22297
the inmate was released. If the inmate violates any rules or 22298
conditions applicable to the inmate, the inmate may be returned to 22299

an institution under the control of the department of 22300
rehabilitation and correction. The governor may direct the adult 22301
parole authority to investigate or cause to be investigated the 22302
inmate and make a recommendation ~~in the manner set forth in~~ 22303
~~section 2967.03 of the Revised Code.~~ An inmate released under this 22304
section shall be subject to supervision by the adult parole 22305
authority in accordance with any recommendation of the adult 22306
parole authority that is approved by the governor. The adult 22307
parole authority shall adopt rules pursuant to section 119.03 of 22308
the Revised Code to establish the procedure for medical release of 22309
an inmate when an inmate is terminally ill, medically 22310
incapacitated, or in imminent danger of death. 22311

(C) No inmate is eligible for release under this section if 22312
the inmate is serving a death sentence, a sentence of life without 22313
parole, a sentence under Chapter 2971. of the Revised Code for a 22314
felony of the first or second degree, a sentence for aggravated 22315
murder or murder, or a mandatory prison term for an offense of 22316
violence or any specification described in Chapter 2941. of the 22317

Sec. 2967.14. (A) The department of rehabilitation and 22319
correction or the adult parole authority may require or allow a 22320
parolee, a releasee, or a prisoner otherwise released from a state 22321

the division of parole and community services pursuant to division 22324
(C) of this section during a part or for the entire period of the 22325
offender's or parolee's conditional release or of the releasee's 22326
term of post-release control. The court of common pleas that 22327
placed an offender under a sanction consisting of a term in a 22328
halfway house or in an alternative residential sanction may 22329
require the offender to reside in a halfway house or other 22330
suitable community residential center that is designated by the 22331

division (C) of this section during a part or for the entire 22333

(C) of this section. An agreement under this division shall 22340
provide for the purchase of beds, shall set limits of supervision 22341
and levels of occupancy, and shall determine the scope of services 22342
for all eligible offenders, including those subject to a 22343
residential sanction, as defined in rules adopted by the director 22344
of rehabilitation and correction in accordance with Chapter 119. 22345
of the Revised Code, or those released from prison without 22346
supervision. The payments for beds and services shall not exceed 22347
the total operating costs of the halfway house, reentry center, or 22348
community residential center during the term of an agreement. The 22349
director of rehabilitation and correction shall adopt rules in 22350
accordance with Chapter 119. of the Revised Code for determining 22351

the agency's average daily per capita costs with its facility at 22353
full occupancy. 22354

residential center program to pay for contracts with licensed 22359
halfway houses for nonresidential services for offenders under the 22360
supervision of the adult parole authority, including but not 22361
limited to, offenders supervised pursuant to an agreement entered 22362
into by the adult parole authority and a court of common pleas 22363

services may include, but are not limited to, treatment for 22365
substance abuse, mental health counseling, counseling for sex 22366
offenders, ~~and~~ electronic monitoring services, aftercare, and 22367
other nonresidential services that the director identifies by 22368
rule. 22369

(C) The division of parole and community services may license 22370
a halfway house, reentry center, or community residential center 22371
as a suitable facility for the care and treatment of adult 22372
offenders, including offenders sentenced under section 2929.16 or 22373
2929.26 of the Revised Code, only if the halfway house, reentry 22374
center, or community residential center complies with the 22375
standards that the division adopts in accordance with Chapter 119. 22376
of the Revised Code for the licensure of halfway houses, reentry 22377
centers, and community residential centers. The division shall 22378
annually inspect each licensed halfway house, licensed reentry 22379
center, and licensed community residential center to determine if 22380
it is in compliance with the licensure standards. 22381

under division (C) of this section for a release under this 22446
section ~~and who has served at least eighty per cent of that stated~~ 22447

fully served. 22495

An offender serving a stated prison term ~~one~~ of one year or 22496
more that includes a mandatory prison term that is not a 22497
disqualifying prison term and is not a restricting prison term is 22498

of the Revised Code and include information on where a person may 22535
send comments regarding the ~~petition~~ recommendation of early 22536
release. 22537

The information provided to the court, the prosecutor, and 22538
the victim or victim's representative under divisions (D) and (E) 22539
of this section shall include the name and contact information of 22540
a specific department of rehabilitation and correction employee 22541
who is available to answer questions about the offender who is the 22542
subject of the written notice submitted by the director, 22543
including, but not limited to, the offender's institutional 22544
conduct and rehabilitative activities while incarcerated. 22545

(F) Upon receipt of a ~~petition for release of an offender~~ 22546
written notice submitted by the director under division (B) of 22547
this section, the court ~~may deny the petition without~~ either 22548
shall, on its own motion, schedule a hearing to consider releasing 22549
the offender who is the subject of the notice or shall inform the 22550
department that it will not be conducting a hearing relative to 22551
the offender. The court shall not grant a ~~petition for an early~~ 22552

release ~~of~~ to an offender without holding a hearing. If a court 22553
~~denies a petition for release of an offender without~~ declines to 22554
hold a hearing relative to an offender with respect to a written 22555
notice submitted by the director, the court may later consider 22556
release of that offender under this section on a ~~subsequent~~ 22557
~~petition. The court shall enter its ruling within~~ its own motion 22558
by scheduling a hearing for that purpose. Within thirty days after 22559
the ~~petition~~ written notice is ~~filed~~ submitted, the court shall 22560
inform the department whether or not the court is scheduling a 22561
hearing on the offender who is the subject of the notice. 22562

(G) If the court ~~grants~~ schedules a hearing ~~on~~ upon receiving 22563
a ~~petition for release of an offender~~ written notice submitted 22564
under division (B) of this section or upon its own motion under 22565
division (F) of this section, the court shall notify the head of 22566
the state correctional institution in which the offender is 22567
confined of the hearing prior to the hearing. If the court makes a 22568
journal entry ordering the offender to be conveyed to the hearing, 22569
except as otherwise provided in this division, the head of the 22570
correctional institution shall deliver the offender to the sheriff 22571
of the county in which the hearing is to be held, and the sheriff 22572
shall convey the offender to and from the hearing. Upon the 22573
court's own motion or the motion of the offender or the 22574
prosecuting attorney of the county in which the offender was 22575
indicted, the court may permit the offender to appear at the 22576
hearing by video conferencing equipment if equipment of that 22577
nature is available and compatible. 22578

Upon receipt of notice from a court of a hearing on the 22579
release of an offender under this division, the head of the state 22580
correctional institution in which the offender is confined 22581
immediately shall notify the appropriate person at the department 22582
of rehabilitation and correction of the hearing, and the 22583
department within twenty-four hours after receipt of the notice 22584

shall post on the database it maintains pursuant to section 22585
5120.66 of the Revised Code the offender's name and all of the 22586
information specified in division (A)(1)(c)(i) of that section. If 22587
the court ~~grants~~ schedules a hearing ~~on a petition for release of~~ 22588
~~an offender~~ under this section, the court promptly shall give 22589
notice of the hearing to the prosecuting attorney of the county in 22590
which the offender was indicted. Upon receipt of the notice from 22591
the court, the prosecuting attorney shall notify pursuant to 22592
section 2930.16 of the Revised Code any victim of the offender or 22593
the victim's representative of the hearing. 22594

(H) If the court ~~grants~~ schedules a hearing ~~on a petition for~~ 22595
~~release of an offender~~ under this section, at the hearing, the 22596
court shall afford the offender and the offender's attorney an 22597
opportunity to present written information and, if present, oral 22598
information relevant to the ~~motion~~ offender's early release. The 22599
court shall afford a similar opportunity to the prosecuting 22600
attorney, victim or victim's representative, as defined in section 22601
2930.01 of the Revised Code, and any other person the court 22602
determines is likely to present additional relevant information. 22603
If the court pursuant to division (G) of this section permits the 22604
offender to appear at the hearing by video conferencing equipment, 22605
the offender's opportunity to present oral information shall be as 22606
a part of the video conferencing. The court shall consider any 22607
statement of a victim made under section 2930.14 or 2930.17 of the 22608
Revised Code, any victim impact statement prepared under section 22609
2947.051 of the Revised Code, and any report, ~~plan~~, and other 22610
documentation submitted by the director under division (D) of this 22611
section. After ruling on ~~the motion~~ whether to grant the offender 22612
early release, the court shall notify the victim in accordance 22613
with sections 2930.03 and 2930.16 of the Revised Code. 22614

(I) If the court grants ~~a petition for release of~~ an offender 22615
early release under this section, it shall order the release of 22616

the offender, shall place the offender under one or more 22617
appropriate community control sanctions, under appropriate 22618
conditions, and under the supervision of the department of 22619
probation that serves the court, and shall reserve the right to 22620
reimpose the sentence that it reduced and from which the offender 22621
was released if the offender violates the sanction. The court 22622
shall not make a release under this section effective prior to the 22623
date on which the offender ~~has served at least eighty per cent of~~ 22624
~~the offender's stated prison term that remains to be served after~~ 22625
~~the offender~~ becomes eligible as described in division (C) of this 22626
section. If the sentence under which the offender is confined in a 22627
state correctional institution and from which the offender is 22628
being released was imposed for a felony of the first or second 22629
degree, the court shall consider ordering that the offender be 22630
monitored by means of a global positioning device. If the court 22631
reimposes the sentence that it reduced and from which the offender 22632
was released and if the violation of the sanction is a new 22633
offense, the court may order that the reimposed sentence be served 22634
either concurrently with, or consecutive to, any new sentence 22635
imposed upon the offender as a result of the violation that is a 22636
new offense. The period of all community control sanctions imposed 22637
under this division shall not exceed five years. The court, in its 22638
discretion, may reduce the period of community control sanctions 22639
by the amount of time the offender spent in jail or prison for the 22640
offense. 22641

If the court grants ~~a petition for release of~~ an offender 22642
early release under this section, it shall notify the appropriate 22643
person at the department of rehabilitation and correction of the 22644
release, and the department shall post notice of the release on 22645
the database it maintains pursuant to section 5120.66 of the 22646
Revised Code. 22647

(J) The department shall adopt under Chapter 119. of the 22648

Revised Code any rules necessary to implement this section. 22649

Sec. 2967.191. The department of rehabilitation and 22650
correction shall reduce the stated prison term of a prisoner or, 22651
if the prisoner is serving a term for which there is parole 22652
eligibility, the minimum and maximum term or the parole 22653
eligibility date of the prisoner by the total number of days that 22654
the prisoner was confined for any reason arising out of the 22655
offense for which the prisoner was convicted and sentenced, 22656
including confinement in lieu of bail while awaiting trial, 22657
confinement for examination to determine the prisoner's competence 22658
to stand trial or sanity, and confinement while awaiting 22659
transportation to the place where the prisoner is to serve the 22660
prisoner's prison term, as determined by the sentencing court 22661
under division (B)(2)(h)(i) of section 2929.19 of the Revised 22662
Code. The department of rehabilitation and correction also shall 22663
reduce the stated prison term of a prisoner or, if the prisoner is 22664
serving a term for which there is parole eligibility, the minimum 22665
and maximum term or the parole eligibility date of the prisoner by 22666
the total number of days, if any, that the prisoner previously 22667
served in the custody of the department of rehabilitation and 22668
correction arising out of the offense for which the prisoner was 22669
convicted and sentenced. 22670

Sec. 2967.26. (A)(1) The department of rehabilitation and 22671
correction, by rule, may establish a transitional control program 22672
for the purpose of closely monitoring a prisoner's adjustment to 22673
community supervision during the final one hundred eighty days of 22674
the prisoner's confinement. If the department establishes a 22675
transitional control program under this division, the adult parole 22676
authority may transfer eligible prisoners to transitional control 22677
status under the program during the final one hundred eighty days 22678
of their confinement and under the terms and conditions 22679

established by the department, shall provide for the confinement 22680
as provided in this division of each eligible prisoner so 22681
transferred, and shall supervise each eligible prisoner so 22682
transferred in one or more community control sanctions. Each 22683
eligible prisoner who is transferred to transitional control 22684
status under the program shall be confined in a suitable facility 22685
that is licensed pursuant to division (C) of section 2967.14 of 22686
the Revised Code, or shall be confined in a residence the 22687
department has approved for this purpose and be monitored pursuant 22688
to an electronic monitoring device, as defined in section 2929.01 22689
of the Revised Code. If the department establishes a transitional 22690
control program under this division, the rules establishing the 22691
program shall include criteria that define which prisoners are 22692
eligible for the program, criteria that must be satisfied to be 22693
approved as a residence that may be used for confinement under the 22694
program of a prisoner that is transferred to it and procedures for 22695
the department to approve residences that satisfy those criteria, 22696
and provisions of the type described in division (C) of this 22697
section. At a minimum, the criteria that define which prisoners 22698
are eligible for the program shall provide all of the following: 22699

(a) That a prisoner is eligible for the program if the 22700
prisoner is serving a prison term or term of imprisonment for an 22701
offense committed prior to March 17, 1998, and if, at the time at 22702
which eligibility is being determined, the prisoner would have 22703
been eligible for a furlough under this section as it existed 22704
immediately prior to March 17, 1998, or would have been eligible 22705
for conditional release under former section 2967.23 of the 22706
Revised Code as that section existed immediately prior to March 22707
17, 1998; 22708

(b) That no prisoner who is serving a mandatory prison term 22709
is eligible for the program until after expiration of the 22710
mandatory term; 22711

(c) That no prisoner who is serving a prison term or term of 22712
life imprisonment without parole imposed pursuant to section 22713
2971.03 of the Revised Code is eligible for the program. 22714

(2) At least three weeks prior to transferring to 22715
transitional control under this section a prisoner who is serving 22716
a term of imprisonment or prison term for an offense committed on 22717
or after July 1, 1996, the ~~adult~~ division of parole authority and 22718
community services of the department of rehabilitation and 22719
correction shall give notice of the pendency of the transfer to 22720
transitional control to the court of common pleas of the county in 22721
which the indictment against the prisoner was found and of the 22722
fact that the court may disapprove the transfer of the prisoner to 22723
transitional control and shall include a report prepared by the 22724
head of the state correctional institution in which the prisoner 22725
is confined. The head of the state correctional institution in 22726
which the prisoner is confined, upon the request of the adult 22727
parole authority, shall provide to the authority for inclusion in 22728
the notice sent to the court under this division a report on the 22729
prisoner's conduct in the institution and in any institution from 22730
which the prisoner may have been transferred. The report shall 22731
cover the prisoner's participation in school, vocational training, 22732
work, treatment, and other rehabilitative activities and any 22733
disciplinary action taken against the prisoner. If the court 22734
disapproves of the transfer of the prisoner to transitional 22735
control, the court shall notify the authority of the disapproval 22736
within thirty days after receipt of the notice. If the court 22737
timely disapproves the transfer of the prisoner to transitional 22738
control, the authority shall not proceed with the transfer. If the 22739
court does not timely disapprove the transfer of the prisoner to 22740
transitional control, the authority may transfer the prisoner to 22741
transitional control. 22742

(3) If the victim of an offense for which a prisoner was 22743

sentenced to a prison term or term of imprisonment has requested 22744
notification under section 2930.16 of the Revised Code and has 22745
provided the department of rehabilitation and correction with the 22746
victim's name and address, the adult parole authority, at least 22747
three weeks prior to transferring the prisoner to transitional 22748
control pursuant to this section, shall notify the victim of the 22749
pendency of the transfer and of the victim's right to submit a 22750
statement to the authority regarding the impact of the transfer of 22751
the prisoner to transitional control. If the victim subsequently 22752
submits a statement of that nature to the authority, the authority 22753
shall consider the statement in deciding whether to transfer the 22754
prisoner to transitional control. 22755

(4) The department of rehabilitation and correction, at least 22756
three weeks prior to transferring a prisoner to transitional 22757
control pursuant to this section, shall post on the database it 22758
maintains pursuant to section 5120.66 of the Revised Code the 22759
prisoner's name and all of the information specified in division 22760
(A)(1)(c)(iv) of that section. In addition to and independent of 22761
the right of a victim to submit a statement as described in 22762
division (A)(3) of this section or to otherwise make a statement 22763
and in addition to and independent of any other right or duty of a 22764
person to present information or make a statement, any person may 22765
send to the adult parole authority at any time prior to the 22766
authority's transfer of the prisoner to transitional control a 22767
written statement regarding the transfer of the prisoner to 22768
transitional control. In addition to the information, reports, and 22769
statements it considers under divisions (A)(2) and (3) of this 22770
section or that it otherwise considers, the authority shall 22771
consider each statement submitted in accordance with this division 22772
in deciding whether to transfer the prisoner to transitional 22773
control. 22774

(B) Each prisoner transferred to transitional control under 22775

this section shall be confined in the manner described in division 22776
(A) of this section during any period of time that the prisoner is 22777
not actually working at the prisoner's approved employment, 22778
engaged in a vocational training or another educational program, 22779
engaged in another program designated by the director, or engaged 22780
in other activities approved by the department. 22781

(C) The department of rehabilitation and correction shall 22782
adopt rules for transferring eligible prisoners to transitional 22783
control, supervising and confining prisoners so transferred, 22784
administering the transitional control program in accordance with 22785
this section, and using the moneys deposited into the transitional 22786
control fund established under division (E) of this section. 22787

(D) The department of rehabilitation and correction may adopt 22788
rules for the issuance of passes for the limited purposes 22789
described in this division to prisoners who are transferred to 22790
transitional control under this section. If the department adopts 22791
rules of that nature, the rules shall govern the granting of the 22792
passes and shall provide for the supervision of prisoners who are 22793
temporarily released pursuant to one of those passes. Upon the 22794
adoption of rules under this division, the department may issue 22795
passes to prisoners who are transferred to transitional control 22796
status under this section in accordance with the rules and the 22797
provisions of this division. All passes issued under this division 22798
shall be for a maximum of forty-eight hours and may be issued only 22799
for the following purposes: 22800

(1) To visit a relative in imminent danger of death; 22801

(2) To have a private viewing of the body of a deceased 22802
relative; 22803

(3) To visit with family; 22804

(4) To otherwise aid in the rehabilitation of the prisoner. 22805

(E) The adult parole authority may require a prisoner who is 22806

transferred to transitional control to pay to the division of 22807
parole and community services the reasonable expenses incurred by 22808
the division in supervising or confining the prisoner while under 22809
transitional control. Inability to pay those reasonable expenses 22810
shall not be grounds for refusing to transfer an otherwise 22811
eligible prisoner to transitional control. Amounts received by the 22812
division of parole and community services under this division 22813
shall be deposited into the transitional control fund, which is 22814
hereby created in the state treasury and which hereby replaces and 22815
succeeds the furlough services fund that formerly existed in the 22816
state treasury. All moneys that remain in the furlough services 22817
fund on March 17, 1998, shall be transferred on that date to the 22818
transitional control fund. The transitional control fund shall be 22819
used solely to pay costs related to the operation of the 22820
transitional control program established under this section. The 22821
director of rehabilitation and correction shall adopt rules in 22822
accordance with section 111.15 of the Revised Code for the use of 22823
the fund. 22824

(F) A prisoner who violates any rule established by the 22825
department of rehabilitation and correction under division (A), 22826
(C), or (D) of this section may be transferred to a state 22827
correctional institution pursuant to rules adopted under division 22828
(A), (C), or (D) of this section, but the prisoner shall receive 22829
credit towards completing the prisoner's sentence for the time 22830
spent under transitional control. 22831

If a prisoner is transferred to transitional control under 22832
this section, upon successful completion of the period of 22833
transitional control, the prisoner may be released on parole or 22834
under post-release control pursuant to section 2967.13 or 2967.28 22835
of the Revised Code and rules adopted by the department of 22836
rehabilitation and correction. If the prisoner is released under 22837
post-release control, the duration of the post-release control, 22838

the type of post-release control sanctions that may be imposed, 22839
the enforcement of the sanctions, and the treatment of prisoners 22840
who violate any sanction applicable to the prisoner are governed 22841
by section 2967.28 of the Revised Code. 22842

Sec. 2967.28. (A) As used in this section: 22843

(1) "Monitored time" means the monitored time sanction 22844
specified in section 2929.17 of the Revised Code. 22845

(2) "Deadly weapon" and "dangerous ordnance" have the same 22846
meanings as in section 2923.11 of the Revised Code. 22847

(3) "Felony sex offense" means a violation of a section 22848
contained in Chapter 2907. of the Revised Code that is a felony. 22849

(4) "Risk reduction sentence" means a prison term imposed by 22850
a court, when the court recommends pursuant to section 2929.143 of 22851
the Revised Code that the offender serve the sentence under 22852
section 5120.036 of the Revised Code, and the offender may 22853
potentially be released from imprisonment prior to the expiration 22854
of the prison term if the offender successfully completes all 22855
assessment and treatment or programming required by the department 22856
of rehabilitation and correction under section 5120.036 of the 22857
Revised Code. 22858

(B) Each sentence to a prison term for a felony of the first 22859
degree, for a felony of the second degree, for a felony sex 22860
offense, or for a felony of the third degree that is not a felony 22861
sex offense and in the commission of which the offender caused or 22862
threatened to cause physical harm to a person shall include a 22863
requirement that the offender be subject to a period of 22864
post-release control imposed by the parole board after the 22865
offender's release from imprisonment. This division applies with 22866
respect to all prison terms of a type described in this division, 22867
including a term of any such type that is a risk reduction 22868

sentence. If a court imposes a sentence including a prison term of 22869
a type described in this division on or after July 11, 2006, the 22870
failure of a sentencing court to notify the offender pursuant to 22871
division (B)(2)(c) of section 2929.19 of the Revised Code of this 22872
requirement or to include in the judgment of conviction entered on 22873
the journal a statement that the offender's sentence includes this 22874
requirement does not negate, limit, or otherwise affect the 22875
mandatory period of supervision that is required for the offender 22876
under this division. Section 2929.191 of the Revised Code applies 22877
if, prior to July 11, 2006, a court imposed a sentence including a 22878
prison term of a type described in this division and failed to 22879
notify the offender pursuant to division (B)(2)(c) of section 22880
2929.19 of the Revised Code regarding post-release control or to 22881
include in the judgment of conviction entered on the journal or in 22882
the sentence pursuant to division (D)(1) of section 2929.14 of the 22883
Revised Code a statement regarding post-release control. Unless 22884
reduced by the parole board pursuant to division (D) of this 22885
section when authorized under that division, a period of 22886
post-release control required by this division for an offender 22887
shall be of one of the following periods: 22888

(1) For a felony of the first degree or for a felony sex 22889
offense, five years; 22890

(2) For a felony of the second degree that is not a felony 22891
sex offense, three years; 22892

(3) For a felony of the third degree that is not a felony sex 22893
offense and in the commission of which the offender caused or 22894
threatened physical harm to a person, three years. 22895

(C) Any sentence to a prison term for a felony of the third, 22896
fourth, or fifth degree that is not subject to division (B)(1) or 22897
(3) of this section shall include a requirement that the offender 22898
be subject to a period of post-release control of up to three 22899
years after the offender's release from imprisonment, if the 22900

parole board, in accordance with division (D) of this section, 22901
determines that a period of post-release control is necessary for 22902
that offender. This division applies with respect to all prison 22903
terms of a type described in this division, including a term of 22904
any such type that is a risk reduction sentence. Section 2929.191 22905
of the Revised Code applies if, prior to July 11, 2006, a court 22906
imposed a sentence including a prison term of a type described in 22907
this division and failed to notify the offender pursuant to 22908
division (B)(2)(d) of section 2929.19 of the Revised Code 22909
regarding post-release control or to include in the judgment of 22910
conviction entered on the journal or in the sentence pursuant to 22911
division (D)(2) of section 2929.14 of the Revised Code a statement 22912
regarding post-release control. Pursuant to an agreement entered 22913
into under section 2967.29 of the Revised Code, a court of common 22914
pleas or parole board may impose sanctions or conditions on an 22915
offender who is placed on post-release control under this 22916
division. 22917

(D)(1) Before the prisoner is released from imprisonment, the 22918
parole board or, pursuant to an agreement under section 2967.29 of 22919
the Revised Code, the court shall impose upon a prisoner described 22920
in division (B) of this section, shall impose upon a prisoner 22921
described in division (C) of this section who is to be released 22922
before the expiration of the prisoner's stated prison term under a 22923
risk reduction sentence, may impose upon a prisoner described in 22924
division (C) of this section who is not to be released before the 22925
expiration of the prisoner's stated prison term under a risk 22926
reduction sentence, and shall impose upon a prisoner described in 22927
division (B)(2)(b) of section 5120.031 or in division (B)(1) of 22928
section 5120.032 of the Revised Code, one or more post-release 22929
control sanctions to apply during the prisoner's period of 22930
post-release control. Whenever the board or court imposes one or 22931
more post-release control sanctions upon a prisoner, the board or 22932
court, in addition to imposing the sanctions, also shall include 22933

as a condition of the post-release control that the offender not 22934
leave the state without permission of the court or the offender's 22935
parole or probation officer and that the offender abide by the 22936
law. The board or court may impose any other conditions of release 22937
under a post-release control sanction that the board or court 22938
considers appropriate, and the conditions of release may include 22939
any community residential sanction, community nonresidential 22940
sanction, or financial sanction that the sentencing court was 22941
authorized to impose pursuant to sections 2929.16, 2929.17, and 22942
2929.18 of the Revised Code. Prior to the release of a prisoner 22943
for whom it will impose one or more post-release control sanctions 22944
under this division, the parole board or court shall review the 22945
prisoner's criminal history, results from the single validated 22946
risk assessment tool selected by the department of rehabilitation 22947
and correction under section 5120.114 of the Revised Code, all 22948
juvenile court adjudications finding the prisoner, while a 22949
juvenile, to be a delinquent child, and the record of the 22950
prisoner's conduct while imprisoned. The parole board or court 22951
shall consider any recommendation regarding post-release control 22952
sanctions for the prisoner made by the office of victims' 22953
services. After considering those materials, the board or court 22954
shall determine, for a prisoner described in division (B) of this 22955
section, division (B)(2)(b) of section 5120.031, or division 22956
(B)(1) of section 5120.032 of the Revised Code and for a prisoner 22957
described in division (C) of this section who is to be released 22958
before the expiration of the prisoner's stated prison term under a 22959
risk reduction sentence, which post-release control sanction or 22960
combination of post-release control sanctions is reasonable under 22961
the circumstances or, for a prisoner described in division (C) of 22962
this section who is not to be released before the expiration of 22963
the prisoner's stated prison term under a risk reduction sentence, 22964
whether a post-release control sanction is necessary and, if so, 22965
which post-release control sanction or combination of post-release 22966

control sanctions is reasonable under the circumstances. In the 22967
case of a prisoner convicted of a felony of the fourth or fifth 22968
degree other than a felony sex offense, the board or court shall 22969
presume that monitored time is the appropriate post-release 22970
control sanction unless the board or court determines that a more 22971
restrictive sanction is warranted. A post-release control sanction 22972
imposed under this division takes effect upon the prisoner's 22973
release from imprisonment. 22974

Regardless of whether the prisoner was sentenced to the 22975
prison term prior to, on, or after July 11, 2006, prior to the 22976
release of a prisoner for whom it will impose one or more 22977
post-release control sanctions under this division, the parole 22978
board shall notify the prisoner that, if the prisoner violates any 22979
sanction so imposed or any condition of post-release control 22980
described in division (B) of section 2967.131 of the Revised Code 22981
that is imposed on the prisoner, the parole board may impose a 22982
prison term of up to one-half of the stated prison term originally 22983
imposed upon the prisoner. 22984

(2) If a prisoner who is placed on post-release control under 22985
this section is released before the expiration of the prisoner's 22986
stated prison term by reason of credit earned under section 22987
2967.193 of the Revised Code and if the prisoner earned sixty or 22988
more days of credit, the adult parole authority shall supervise 22989
the offender with an active global positioning system device for 22990
the first fourteen days after the offender's release from 22991
imprisonment. This division does not prohibit or limit the 22992
imposition of any post-release control sanction otherwise 22993
authorized by this section. 22994

(3) At any time after a prisoner is released from 22995
imprisonment and during the period of post-release control 22996
applicable to the releasee, the adult parole authority or, 22997
pursuant to an agreement under section 2967.29 of the Revised 22998

Code, the court may review the releasee's behavior under the 22999
post-release control sanctions imposed upon the releasee under 23000
this section. The authority or court may determine, based upon the 23001
review and in accordance with the standards established under 23002
division (E) of this section, that a more restrictive or a less 23003
restrictive sanction is appropriate and may impose a different 23004
sanction. The authority also may recommend that the parole board 23005
or court increase or reduce the duration of the period of 23006
post-release control imposed by the court. If the authority 23007
recommends that the board or court increase the duration of 23008
post-release control, the board or court shall review the 23009
releasee's behavior and may increase the duration of the period of 23010
post-release control imposed by the court up to eight years. If 23011
the authority recommends that the board or court reduce the 23012
duration of control for an offense described in division (B) or 23013
(C) of this section, the board or court shall review the 23014
releasee's behavior and may reduce the duration of the period of 23015
control imposed by the court. In no case shall the board or court 23016
reduce the duration of the period of control imposed for an 23017
offense described in division (B)(1) of this section to a period 23018
less than the length of the stated prison term originally imposed, 23019
and in no case shall the board or court permit the releasee to 23020
leave the state without permission of the court or the releasee's 23021
parole or probation officer. 23022

(E) The department of rehabilitation and correction, in 23023
accordance with Chapter 119. of the Revised Code, shall adopt 23024
rules that do all of the following: 23025

(1) Establish standards for the imposition by the parole 23026
board of post-release control sanctions under this section that 23027
are consistent with the overriding purposes and sentencing 23028
principles set forth in section 2929.11 of the Revised Code and 23029
that are appropriate to the needs of releasees; 23030

(2) Establish standards that provide for a period of 23031
post-release control of up to three years for all prisoners 23032
described in division (C) of this section who are to be released 23033
before the expiration of their stated prison term under a risk 23034
reduction sentence and standards by which the parole board can 23035
determine which prisoners described in division (C) of this 23036
section who are not to be released before the expiration of their 23037
stated prison term under a risk reduction sentence should be 23038
placed under a period of post-release control; 23039

(3) Establish standards to be used by the parole board in 23040
reducing the duration of the period of post-release control 23041
imposed by the court when authorized under division (D) of this 23042
section, in imposing a more restrictive post-release control 23043
sanction than monitored time upon a prisoner convicted of a felony 23044
of the fourth or fifth degree other than a felony sex offense, or 23045
in imposing a less restrictive control sanction upon a releasee 23046
based on the releasee's activities including, but not limited to, 23047
remaining free from criminal activity and from the abuse of 23048
alcohol or other drugs, successfully participating in approved 23049
rehabilitation programs, maintaining employment, and paying 23050
restitution to the victim or meeting the terms of other financial 23051
sanctions; 23052

(4) Establish standards to be used by the adult parole 23053
authority in modifying a releasee's post-release control sanctions 23054
pursuant to division (D)(2) of this section; 23055

(5) Establish standards to be used by the adult parole 23056
authority or parole board in imposing further sanctions under 23057
division (F) of this section on releasees who violate post-release 23058
control sanctions, including standards that do the following: 23059

(a) Classify violations according to the degree of 23060
seriousness; 23061

(b) Define the circumstances under which formal action by the parole board is warranted; 23062
23063

(c) Govern the use of evidence at violation hearings; 23064

(d) Ensure procedural due process to an alleged violator; 23065

(e) Prescribe nonresidential community control sanctions for most misdemeanor and technical violations; 23066
23067

(f) Provide procedures for the return of a releasee to imprisonment for violations of post-release control. 23068
23069

(F)(1) Whenever the parole board imposes one or more post-release control sanctions upon an offender under this section, the offender upon release from imprisonment shall be under the general jurisdiction of the adult parole authority and generally shall be supervised by the field services section through its staff of parole and field officers as described in section 5149.04 of the Revised Code, as if the offender had been placed on parole. If the offender upon release from imprisonment violates the post-release control sanction or any conditions described in division (A) of section 2967.131 of the Revised Code that are imposed on the offender, the public or private person or entity that operates or administers the sanction or the program or activity that comprises the sanction shall report the violation directly to the adult parole authority or to the officer of the authority who supervises the offender. The authority's officers may treat the offender as if the offender were on parole and in violation of the parole, and otherwise shall comply with this section. 23070

23087

(2) If the adult parole authority or, pursuant to an agreement under section 2967.29 of the Revised Code, the court determines that a releasee has violated a post-release control sanction or any conditions described in division (A) of section 2967.131 of the Revised Code imposed upon the releasee and that a 23088

23090
23091
23092

more restrictive sanction is appropriate, the authority or court 23093
may impose a more restrictive sanction upon the releasee, in 23094
accordance with the standards established under division (E) of 23095
this section or in accordance with the agreement made under 23096
section 2967.29 of the Revised Code, or may report the violation 23097
to the parole board for a hearing pursuant to division (F)(3) of 23098
this section. The authority or court may not, pursuant to this 23099
division, increase the duration of the releasee's post-release 23100
control or impose as a post-release control sanction a residential 23101
sanction that includes a prison term, but the authority or court 23102
may impose on the releasee any other residential sanction, 23103
nonresidential sanction, or financial sanction that the sentencing 23104
court was authorized to impose pursuant to sections 2929.16, 23105
2929.17, and 2929.18 of the Revised Code. 23106

(3) The parole board or, pursuant to an agreement under 23107
section 2967.29 of the Revised Code, the court may hold a hearing 23108
on any alleged violation by a releasee of a post-release control 23109
sanction or any conditions described in division (A) of section 23110
2967.131 of the Revised Code that are imposed upon the releasee. 23111
If after the hearing the board or court finds that the releasee 23112
violated the sanction or condition, the board or court may 23113
increase the duration of the releasee's post-release control up to 23114
the maximum duration authorized by division (B) or (C) of this 23115
section or impose a more restrictive post-release control 23116
sanction. When appropriate, the board or court may impose as a 23117
post-release control sanction a residential sanction that includes 23118
a prison term. The board or court shall consider a prison term as 23119
a post-release control sanction imposed for a violation of 23120
post-release control when the violation involves a deadly weapon 23121
or dangerous ordnance, physical harm or attempted serious physical 23122
harm to a person, or sexual misconduct, or when the releasee 23123
committed repeated violations of post-release control sanctions. 23124
Unless a releasee's stated prison term was reduced pursuant to 23125

section 5120.032 of the Revised Code, the period of a prison term 23126
that is imposed as a post-release control sanction under this 23127
division shall not exceed nine months, and the maximum cumulative 23128
prison term for all violations under this division shall not 23129
exceed one-half of the stated prison term originally imposed upon 23130
the offender as part of this sentence. If a releasee's stated 23131
prison term was reduced pursuant to section 5120.032 of the 23132
Revised Code, the period of a prison term that is imposed as a 23133
post-release control sanction under this division and the maximum 23134
cumulative prison term for all violations under this division 23135
shall not exceed the period of time not served in prison under the 23136
sentence imposed by the court. The period of a prison term that is 23137
imposed as a post-release control sanction under this division 23138
shall not count as, or be credited toward, the remaining period of 23139
post-release control. 23140

If an offender is imprisoned for a felony committed while 23141
under post-release control supervision and is again released on 23142
post-release control for a period of time determined by division 23143
(F)(4)(d) of this section, the maximum cumulative prison term for 23144
all violations under this division shall not exceed one-half of 23145
the total stated prison terms of the earlier felony, reduced by 23146
any prison term administratively imposed by the parole board or 23147
court, plus one-half of the total stated prison term of the new 23148
felony. 23149

(4) Any period of post-release control shall commence upon an 23150
offender's actual release from prison. If an offender is serving 23151
an indefinite prison term or a life sentence in addition to a 23152
stated prison term, the offender shall serve the period of 23153
post-release control in the following manner: 23154

(a) If a period of post-release control is imposed upon the 23155
offender and if the offender also is subject to a period of parole 23156
under a life sentence or an indefinite sentence, and if the period 23157

of post-release control ends prior to the period of parole, the 23158
offender shall be supervised on parole. The offender shall receive 23159
credit for post-release control supervision during the period of 23160
parole. The offender is not eligible for final release under 23161
section 2967.16 of the Revised Code until the post-release control 23162
period otherwise would have ended. 23163

(b) If a period of post-release control is imposed upon the 23164
offender and if the offender also is subject to a period of parole 23165
under an indefinite sentence, and if the period of parole ends 23166
prior to the period of post-release control, the offender shall be 23167
supervised on post-release control. The requirements of parole 23168
supervision shall be satisfied during the post-release control 23169
period. 23170

(c) If an offender is subject to more than one period of 23171
post-release control, the period of post-release control for all 23172
of the sentences shall be the period of post-release control that 23173
expires last, as determined by the parole board or court. Periods 23174
of post-release control shall be served concurrently and shall not 23175
be imposed consecutively to each other. 23176

(d) The period of post-release control for a releasee who 23177
commits a felony while under post-release control for an earlier 23178
felony shall be the longer of the period of post-release control 23179
specified for the new felony under division (B) or (C) of this 23180
section or the time remaining under the period of post-release 23181
control imposed for the earlier felony as determined by the parole 23182
board or court. 23183

Sec. 2981.11. (A)(1) Any property that has been lost, 23184
abandoned, stolen, seized pursuant to a search warrant, or 23185
otherwise lawfully seized or forfeited and that is in the custody 23186
of a law enforcement agency shall be kept safely by the agency, 23187
pending the time it no longer is needed as evidence or for another 23188

financial literacy, as expressed in the social studies academic 24044
content standards adopted by the state board of education under 24045
division (A)(1) of section 3301.079 of the Revised Code and the 24046
academic content standards for financial literacy and 24047
entrepreneurship adopted under division (A)(2) of that section, 24048
into one or more existing social studies credits required under 24049
division (C)(6) of this section, or into the content of another 24050
class, so that every high school student receives instruction in 24051
those concepts. In developing the curriculum required by this 24052
paragraph, schools shall use available public-private partnerships 24053
and resources and materials that exist in business, industry, and 24054

(7) Five units consisting of one or any combination of 24057

States Code, or English language arts, mathematics, science, or 24062

Ohioans must be prepared to apply increased knowledge and 24065
skills in the workplace and to adapt their knowledge and skills 24066
quickly to meet the rapidly changing conditions of the 24067
twenty-first century. National studies indicate that all high 24068
school graduates need the same academic foundation, regardless of 24069
the opportunities they pursue after graduation. The goal of Ohio's 24070

system of elementary and secondary education is to prepare all 24071
students for and seamlessly connect all students to success in 24072
life beyond high school graduation, regardless of whether the next 24073
step is entering the workforce, beginning an apprenticeship, 24074
engaging in post-secondary training, serving in the military, or 24075
pursuing a college degree. 24076

The Ohio core curriculum is the standard expectation for all 24077
students entering ninth grade for the first time at a public or 24078
chartered nonpublic high school on or after July 1, 2010. A 24079
student may satisfy this expectation through a variety of methods, 24080
including, but not limited to, integrated, applied, 24081
career-technical, and traditional coursework. 24082

Whereas teacher quality is essential for student success in 24083
completing the Ohio core curriculum, the general assembly shall 24084
appropriate funds for strategic initiatives designed to strengthen 24085
schools' capacities to hire and retain highly qualified teachers 24086
in the subject areas required by the curriculum. Such initiatives 24087
are expected to require an investment of \$120,000,000 over five 24088
years. 24089

Stronger coordination between high schools and institutions 24090
of higher education is necessary to prepare students for more 24091
challenging academic endeavors and to lessen the need for academic 24092
remediation in college, thereby reducing the costs of higher 24093
education for Ohio's students, families, and the state. The state 24094
board and the chancellor of the Ohio board of regents shall 24095
develop policies to ensure that only in rare instances will 24096
students who complete the Ohio core curriculum require academic 24097
remediation after high school. 24098

School districts, community schools, and chartered nonpublic 24099
schools shall integrate technology into learning experiences 24100
across the curriculum in order to maximize efficiency, enhance 24101
learning, and prepare students for success in the 24102

technology-driven twenty-first century. Districts and schools 24103
shall use distance and web-based course delivery as a method of 24104
providing or augmenting all instruction required under this 24105
division, including laboratory experience in science. Districts 24106
and schools shall utilize technology access and electronic 24107
learning opportunities provided by the ~~eTech Ohio commission~~ 24108
department of education, the chancellor, the Ohio ~~learning network~~ 24109
technology consortium, education technology centers, public 24110
television stations, and other public and private providers. 24111

(D) Except as provided in division (E) of this section, a 24112
student who enters ninth grade on or after July 1, 2010, and 24113
before July 1, 2014, may qualify for graduation from a public or 24114
chartered nonpublic high school even though the student has not 24115
completed the Ohio core curriculum prescribed in division (C) of 24116
this section if all of the following conditions are satisfied: 24117

(1) After the student has attended high school for two years, 24118
as determined by the school, the student and the student's parent, 24119
guardian, or custodian sign and file with the school a written 24120
statement asserting the parent's, guardian's, or custodian's 24121
consent to the student's graduating without completing the Ohio 24122
core curriculum and acknowledging that one consequence of not 24123
completing the Ohio core curriculum is ineligibility to enroll in 24124
most state universities in Ohio without further coursework. 24125

(2) The student and parent, guardian, or custodian fulfill 24126
any procedural requirements the school stipulates to ensure the 24127
student's and parent's, guardian's, or custodian's informed 24128
consent and to facilitate orderly filing of statements under 24129
division (D)(1) of this section. 24130

(3) The student and the student's parent, guardian, or 24131
custodian and a representative of the student's high school 24132
jointly develop an individual career plan for the student that 24133
specifies the student matriculating to a two-year degree program, 24134

acquiring a business and industry credential, or entering an apprenticeship. 24135
24136

(4) The student's high school provides counseling and support 24137
for the student related to the plan developed under division 24138
(D)(3) of this section during the remainder of the student's high 24139
school experience. 24140

(5) The student successfully completes, at a minimum, the 24141
curriculum prescribed in division (B) of this section. 24142

The department ~~of education~~, in collaboration with the 24143
chancellor, shall analyze student performance data to determine if 24144
there are mitigating factors that warrant extending the exception 24145
permitted by division (D) of this section to high school classes 24146
beyond those entering ninth grade before July 1, 2014. The 24147
department shall submit its findings and any recommendations not 24148
later than August 1, 2014, to the speaker and minority leader of 24149
the house of representatives, the president and minority leader of 24150
the senate, the chairpersons and ranking minority members of the 24151
standing committees of the house of representatives and the senate 24152
that consider education legislation, the state board of education, 24153
and the superintendent of public instruction. 24154

(E) Each school district and chartered nonpublic school 24155
retains the authority to require an even more rigorous minimum 24156
curriculum for high school graduation than specified in division 24157
(B) or (C) of this section. A school district board of education, 24158
through the adoption of a resolution, or the governing authority 24159
of a chartered nonpublic school may stipulate any of the 24160
following: 24161

(1) A minimum high school curriculum that requires more than 24162
twenty units of academic credit to graduate; 24163

(2) An exception to the district's or school's minimum high 24164
school curriculum that is comparable to the exception provided in 24165

division (D) of this section but with additional requirements, 24166
which may include a requirement that the student successfully 24167
complete more than the minimum curriculum prescribed in division 24168
(B) of this section; 24169

(3) That no exception comparable to that provided in division 24170
(D) of this section is available. 24171

(F) A student enrolled in a dropout prevention and recovery 24172
program, which program has received a waiver from the department, 24173
may qualify for graduation from high school by successfully 24174
completing a competency-based instructional program administered 24175
by the dropout prevention and recovery program in lieu of 24176
completing the Ohio core curriculum prescribed in division (C) of 24177
this section. The department shall grant a waiver to a dropout 24178
prevention and recovery program, within sixty days after the 24179
program applies for the waiver, if the program meets all of the 24180
following conditions: 24181

(1) The program serves only students not younger than sixteen 24182
years of age and not older than twenty-one years of age. 24183

(2) The program enrolls students who, at the time of their 24184
initial enrollment, either, or both, are at least one grade level 24185
behind their cohort age groups or experience crises that 24186
significantly interfere with their academic progress such that 24187
they are prevented from continuing their traditional programs. 24188

(3) The program requires students to attain at least the 24189
applicable score designated for each of the assessments prescribed 24190
under division (B)(1) of section 3301.0710 of the Revised Code or, 24191
to the extent prescribed by rule of the state board under division 24192
(D)(6) of section 3301.0712 of the Revised Code, division (B)(2) 24193
of that section. 24194

(4) The program develops an individual career plan for the 24195
student that specifies the student's matriculating to a two-year 24196

degree program, acquiring a business and industry credential, or 24197
entering an apprenticeship. 24198

(5) The program provides counseling and support for the 24199
student related to the plan developed under division (F)(4) of 24200
this section during the remainder of the student's high school 24201
experience. 24202

(6) The program requires the student and the student's 24203
parent, guardian, or custodian to sign and file, in accordance 24204
with procedural requirements stipulated by the program, a written 24205
statement asserting the parent's, guardian's, or custodian's 24206
consent to the student's graduating without completing the Ohio 24207
core curriculum and acknowledging that one consequence of not 24208
completing the Ohio core curriculum is ineligibility to enroll in 24209
most state universities in Ohio without further coursework. 24210

(7) Prior to receiving the waiver, the program has submitted 24211
to the department an instructional plan that demonstrates how the 24212
academic content standards adopted by the state board under 24213
section 3301.079 of the Revised Code will be taught and assessed. 24214

If the department does not act either to grant the waiver or 24215
to reject the program application for the waiver within sixty days 24216
as required under this section, the waiver shall be considered to 24217
be granted. 24218

(G) Every high school may permit students below the ninth 24219
grade to take advanced work. If a high school so permits, it shall 24220
award high school credit for successful completion of the advanced 24221
work and shall count such advanced work toward the graduation 24222
requirements of division (B) or (C) of this section if the 24223
advanced work was both: 24224

(1) Taught by a person who possesses a license or certificate 24225
issued under section 3301.071, 3319.22, or 3319.222 of the Revised 24226
Code that is valid for teaching high school; 24227

(2) Designated by the board of education of the city, local, 24228
or exempted village school district, the board of the cooperative 24229
education school district, or the governing authority of the 24230
chartered nonpublic school as meeting the high school curriculum 24231
requirements. 24232

Each high school shall record on the student's high school 24233
transcript all high school credit awarded under division (G) of 24234
this section. In addition, if the student completed a seventh- or 24235
eighth-grade fine arts course described in division (K) of this 24236
section and the course qualified for high school credit under that 24237
division, the high school shall record that course on the 24238
student's high school transcript. 24239

(H) The department shall make its individual academic career 24240
plan available through its Ohio career information system web site 24241
for districts and schools to use as a tool for communicating with 24242
and providing guidance to students and families in selecting high 24243
school courses. 24244

(I) Units earned in English language arts, mathematics, 24245
science, and social studies that are delivered through integrated 24246
academic and career-technical instruction are eligible to meet the 24247
graduation requirements of division (B) or (C) of this section. 24248

(J) The state board, in consultation with the chancellor, 24249
shall adopt a statewide plan implementing methods for students to 24250
earn units of high school credit based on a demonstration of 24251
subject area competency, instead of or in combination with 24252
completing hours of classroom instruction. The state board shall 24253
adopt the plan not later than March 31, 2009, and commence phasing 24254
in the plan during the 2009-2010 school year. The plan shall 24255
include a standard method for recording demonstrated proficiency 24256
on high school transcripts. Each school district and community 24257
school shall comply with the state board's plan adopted under this 24258
division and award units of high school credit in accordance with 24259

the plan. The state board may adopt existing methods for earning 24260
high school credit based on a demonstration of subject area 24261
competency as necessary prior to the 2009-2010 school year. 24262

(K) This division does not apply to students who qualify for 24263
graduation from high school under division (D) or (F) of this 24264
section, or to students pursuing a career-technical instructional 24265
track as determined by the school district board of education or 24266
the chartered nonpublic school's governing authority. 24267
Nevertheless, the general assembly encourages such students to 24268
consider enrolling in a fine arts course as an elective. 24269

Beginning with students who enter ninth grade for the first 24270
time on or after July 1, 2010, each student enrolled in a public 24271
or chartered nonpublic high school shall complete two semesters or 24272
the equivalent of fine arts to graduate from high school. The 24273
coursework may be completed in any of grades seven to twelve. Each 24274
student who completes a fine arts course in grade seven or eight 24275
may elect to count that course toward the five units of electives 24276
required for graduation under division (C)(7) of this section, if 24277
the course satisfied the requirements of division (G) of this 24278
section. In that case, the high school shall award the student 24279
high school credit for the course and count the course toward the 24280
five units required under division (C)(7) of this section. If the 24281
course in grade seven or eight did not satisfy the requirements of 24282
division (G) of this section, the high school shall not award the 24283
student high school credit for the course but shall count the 24284
course toward the two semesters or the equivalent of fine arts 24285
required by this division. 24286

(L) Notwithstanding anything to the contrary in this section, 24287
the board of education of each school district and the governing 24288
authority of each chartered nonpublic school may adopt a policy to 24289
excuse from the high school physical education requirement each 24290
student who, during high school, has participated in 24291

interscholastic athletics, marching band, or cheerleading for at least two full seasons or in the junior reserve officer training corps for at least two full school years. If the board or authority adopts such a policy, the board or authority shall not require the student to complete any physical education course as a condition to graduate. However, the student shall be required to complete one-half unit, consisting of at least sixty hours of instruction, in another course of study. In the case of a student who has participated in the junior reserve officer training corps for at least two full school years, credit received for that participation may be used to satisfy the requirement to complete one-half unit in another course of study.

refunded money, it shall certify its determination and the amount 25054
of the refund to be made to the director of job and family 25055
services who shall make a refund as provided in section 4141.47 of 25056
the Revised Code. 25057

Each school district shall label materials, equipment, 25058
computer hardware or software, textbooks, and electronic textbooks 25059
purchased or leased for loan to a nonpublic school under this 25060
section, acknowledging that they were purchased or leased with 25061
state funds under this section. However, a district need not label 25062
materials, equipment, computer hardware or software, textbooks, or 25063
electronic textbooks that the district determines are consumable 25064
in nature or have a value of less than two hundred dollars. 25065

Sec. 3317.50. The ~~eTech-Ohio~~ telecommunity education fund is 25066
hereby created in the state treasury. The fund shall consist of 25067
certain excess local exchange telephone company contributions 25068
transferred from the reserve fund of the Ohio telecommunications 25069
advisory board pursuant to an agreement between the public 25070

utilities commission of Ohio and the Ohio department of education. 25071
The fund shall be used by the department of education and the 25072
chancellor of the Ohio board of regents, in the amounts 25073
appropriated, to finance technology grants to state-chartered 25074
elementary and secondary schools. Investment earnings of the fund 25075
shall be credited to the fund. 25076

Sec. 3317.51. (A) The distance learning fund is hereby 25077
created in the state treasury. The fund shall consist of moneys 25078
paid ~~to the eTech Ohio commission~~ by any telephone company as a 25079
part of a settlement agreement between such company and the public 25080
utilities commission in fiscal year 1995 in part to establish 25081
distance learning throughout the state. The ~~commission~~ chancellor 25082
of the Ohio board of regents shall administer the fund and expend 25083
moneys from it to finance technology grants to eligible schools 25084
chartered by the state board of education to establish distance 25085
learning in those schools. Chartered schools are eligible for 25086
funds if they are within the service area of the telephone 25087
company. Investment earnings of the fund shall be credited to the 25088
fund. 25089

(B) For purposes of this section, "distance learning" means 25090
the creation of a learning environment involving a school setting 25091
and at least one other location outside of the school which allows 25092
for information available at one site to be accessed at the other 25093
through the use of such educational applications as one-way or 25094
two-way transmission of data, voice, and video, singularly or in 25095
appropriate combinations. 25096

Sec. 3318.034. (A) This section applies to both of the 25097
following: 25098

(1) Any school district that has not executed an agreement 25099
for a project under sections 3318.01 to 3318.20 of the Revised 25100

Code prior to June 24, 2008; 25101

(2) Any school district that is eligible for additional 25102
assistance under sections 3318.01 to 3318.20 of the Revised Code 25103
pursuant to division (B)(2) of section 3318.04 of the Revised 25104
Code. 25105

Notwithstanding any provision of this chapter to the 25106
contrary, with the approval of the Ohio school facilities 25107
commission, any school district to which this section applies may 25108
opt to divide the district's entire classroom facilities needs, as 25109
those needs are jointly determined by the staff of the commission 25110
and the school district, into discrete segments and shall comply 25111
with all of the provisions of those sections unless otherwise 25112
provided in this section. 25113

(B) Except as provided in division (C) of this section, each 25114
segment shall comply with all of the following: 25115

(1) The segment shall consist of the new construction of one 25116
or more entire buildings or the complete renovation of one or more 25117
entire existing buildings, with any necessary additions to that 25118
building. 25119

(2) The segment shall not include any construction of or 25120
renovation or repair to any building that does not complete the 25121
needs of the district with respect to that particular building at 25122
the time the segment is completed. 25123

(3) The segment shall consist of new construction, 25124
renovations, additions, reconstruction, or repair of classroom 25125
facilities to the extent that the school district portion, as 25126
determined under section 3318.032 of the Revised Code, is an 25127
amount not less than the product of 0.040 times the district's 25128
valuation at the time the agreement for the segment is executed, 25129
unless the district previously has undertaken a segment under this 25130
section and the district's portion of the estimated basic project 25131

cost of the remainder of its entire classroom facilities needs, as 25132
determined jointly by the staff of the commission and the 25133
district, is less than the amount otherwise required by this 25134
division. 25135

(C) A district described in division (A)(2) of this section 25136
that has not received the additional assistance authorized under 25137
division (B)(2) of section 3318.04 of the Revised Code may 25138
undertake a segment, with commission approval, for the purpose of 25139
renovating or replacing work performed on a facility under the 25140
district's prior project. The commission may approve that segment 25141
if the commission determines that the renovation or replacement is 25142
necessary to protect the facility. The basic project cost of the 25143
segment shall be allocated between the state and the district in 25144
accordance with section 3318.032 of the Revised Code. However, the 25145
requirements of division (B) of this section shall not apply to a 25146
segment undertaken under this division. 25147

(D) The commission shall conditionally approve and seek 25148
controlling board approval in accordance with division (A) of 25149
section 3318.04 of the Revised Code of each segment. 25150

(E) ~~The school district's maintenance levy requirement, as~~ 25151
~~defined in section 3318.18 of the Revised Code, (1) When~~ 25152
undertaking a segment under this section, a school district may 25153
elect to prorate its full maintenance amount by setting aside for 25154
maintenance the amount calculated under division (E)(2) of this 25155
section to maintain the classroom facilities acquired under the 25156
segment, if the district will use one or more of the alternative 25157
methods authorized in sections 3318.051, 3318.052, and 3318.084 of 25158
the Revised Code to generate the entire amount calculated under 25159
that division. If the district so elects, the commission and the 25160
district shall include in the agreement entered into under section 25161
3318.08 of the Revised Code a statement specifying that the 25162
district will use the amount calculated under that division only 25163

to maintain the classroom facilities acquired under the segment. 25164

(2) The commission shall calculate the amount for a school district to maintain the classroom facilities acquired under a segment as follows: 25165
25166
25167

The full maintenance amount X (the school district's portion of the basic project cost for the segment / the school district's portion of the basic project cost for the district's entire classroom facilities needs, as determined jointly by the staff of the commission and the district) 25168
25169
25170
25171
25172

(3) A school district may elect to prorate its full maintenance amount for any number of segments, provided the district will use one or more of the alternative methods authorized in sections 3318.051, 3318.052, and 3318.084 of the Revised Code to generate the entire amount calculated under division (E)(2) of this section to maintain the classroom facilities acquired under each segment for which it so elects. If the district cannot use one or more of those alternative methods to generate the entire amount calculated under that division, the district shall levy the tax described in division (B) of section 3318.05 of the Revised Code or an extension of that tax under section 3318.061 of the Revised Code in an amount necessary to generate the remainder of its full maintenance amount. The commission shall calculate the remainder of the district's full maintenance amount as follows: 25173
25174
25175
25176
25177
25178
25179
25180
25181
25182
25183
25184
25185
25186
25187

The full maintenance amount - the sum of the amounts calculated for the district under division (E)(2) of this section for each prior segment of the district's project 25188
25189
25190

(4) In no case shall the sum of the amounts calculated for a school district's maintenance of classroom facilities under divisions (E)(2) and (3) of this section exceed the amount that would have been required for maintenance if the district had 25191
25192
25193
25194

elected to undertake its project in its entirety instead of 25195
segmenting the project under this section. 25196

(5) If a school district commenced a segment under this 25197
section prior to the effective date of this amendment but has not 25198
completed that segment, and has not levied the tax described in 25199
division (B) of section 3318.05 of the Revised Code or an 25200
extension of that tax under section 3318.061 of the Revised Code, 25201
the district may request approval from the commission to prorate 25202
its full maintenance amount in accordance with divisions (E)(1) to 25203
(4) of this section. If the commission approves the request, the 25204
commission and the district shall amend the agreement entered into 25205
under section 3318.08 of the Revised Code to reflect the change. 25206

(F) If a school district levies the tax described in division 25207
(B) of section 3318.05 of the Revised Code or an extension of that 25208
tax under section 3318.061 of the Revised Code, the tax shall run 25209
for twenty-three years from the date the ~~first~~ segment for which 25210
the tax is initially levied is undertaken; ~~however, the~~. The 25211
maintenance levy requirement, as defined in section 3318.18 of the 25212
Revised Code, does not apply to a segment undertaken under 25213
division (C) of this section. 25214

(G) As used in this section, "full maintenance amount" means 25215
the amount of total revenue that a school district likely would 25216
generate by one-half mill of the tax described in division (B) of 25217
section 3318.05 of the Revised Code over the entire 25218
twenty-three-year period required under that section, as 25219
determined by the commission in consultation with the department 25220
of taxation. 25221

Sec. 3318.08. Except in the case of a joint vocational school 25222
district that receives assistance under sections 3318.40 to 25223
3318.45 of the Revised Code, if the requisite favorable vote on 25224
the election is obtained, or if the school district board has 25225

resolved to apply the proceeds of a property tax levy or the 25226
proceeds of an income tax, or a combination of proceeds from such 25227
taxes, as authorized in section 3318.052 of the Revised Code, the 25228
Ohio school facilities commission, upon certification to it of 25229
either the results of the election or the resolution under section 25230
3318.052 of the Revised Code, shall enter into a written agreement 25231
with the school district board for the construction and sale of 25232
the project. In the case of a joint vocational school district 25233
that receives assistance under sections 3318.40 to 3318.45 of the 25234
Revised Code, if the school district board of education and the 25235
school district electors have satisfied the conditions prescribed 25236
in division (D)(1) of section 3318.41 of the Revised Code, the 25237
commission shall enter into an agreement with the school district 25238
board for the construction and sale of the project. In either 25239
case, the agreement shall include, but need not be limited to, the 25240
following provisions: 25241

(A) The sale and issuance of bonds or notes in anticipation 25242
thereof, as soon as practicable after the execution of the 25243
agreement, in an amount equal to the school district's portion of 25244
the basic project cost, including any securities authorized under 25245
division (J) of section 133.06 of the Revised Code and dedicated 25246
by the school district board to payment of the district's portion 25247
of the basic project cost of the project; provided, that if at 25248
that time the county treasurer of each county in which the school 25249
district is located has not commenced the collection of taxes on 25250
the general duplicate of real and public utility property for the 25251
year in which the controlling board approved the project, the 25252
school district board shall authorize the issuance of a first 25253
installment of bond anticipation notes in an amount specified by 25254
the agreement, which amount shall not exceed an amount necessary 25255
to raise the net bonded indebtedness of the school district as of 25256
the date of the controlling board's approval to within five 25257
thousand dollars of the required level of indebtedness for the 25258

preceding year. In the event that a first installment of bond 25259
anticipation notes is issued, the school district board shall, as 25260
soon as practicable after the county treasurer of each county in 25261
which the school district is located has commenced the collection 25262
of taxes on the general duplicate of real and public utility 25263
property for the year in which the controlling board approved the 25264
project, authorize the issuance of a second and final installment 25265
of bond anticipation notes or a first and final issue of bonds. 25266

The combined value of the first and second installment of 25267
bond anticipation notes or the value of the first and final issue 25268
of bonds shall be equal to the school district's portion of the 25269
basic project cost. The proceeds of any such bonds shall be used 25270
first to retire any bond anticipation notes. Otherwise, the 25271
proceeds of such bonds and of any bond anticipation notes, except 25272
the premium and accrued interest thereon, shall be deposited in 25273
the school district's project construction fund. In determining 25274
the amount of net bonded indebtedness for the purpose of fixing 25275
the amount of an issue of either bonds or bond anticipation notes, 25276
gross indebtedness shall be reduced by moneys in the bond 25277
retirement fund only to the extent of the moneys therein on the 25278
first day of the year preceding the year in which the controlling 25279
board approved the project. Should there be a decrease in the tax 25280
valuation of the school district so that the amount of 25281
indebtedness that can be incurred on the tax duplicates for the 25282
year in which the controlling board approved the project is less 25283
than the amount of the first installment of bond anticipation 25284
notes, there shall be paid from the school district's project 25285
construction fund to the school district's bond retirement fund to 25286
be applied against such notes an amount sufficient to cause the 25287
net bonded indebtedness of the school district, as of the first 25288
day of the year following the year in which the controlling board 25289
approved the project, to be within five thousand dollars of the 25290
required level of indebtedness for the year in which the 25291

controlling board approved the project. The maximum amount of 25292
indebtedness to be incurred by any school district board as its 25293
share of the cost of the project is either an amount that will 25294
cause its net bonded indebtedness, as of the first day of the year 25295
following the year in which the controlling board approved the 25296
project, to be within five thousand dollars of the required level 25297
of indebtedness, or an amount equal to the required percentage of 25298
the basic project costs, whichever is greater. All bonds and bond 25299
anticipation notes shall be issued in accordance with Chapter 133. 25300
of the Revised Code, and notes may be renewed as provided in 25301
section 133.22 of the Revised Code. 25302

(B) The transfer of such funds of the school district board 25303
available for the project, together with the proceeds of the sale 25304
of the bonds or notes, except premium, accrued interest, and 25305
interest included in the amount of the issue, to the school 25306
district's project construction fund; 25307

(C) For all school districts except joint vocational school 25308
districts that receive assistance under sections 3318.40 to 25309
3318.45 of the Revised Code, the following provisions as 25310
applicable: 25311

(1) If section 3318.052 of the Revised Code applies, the 25312
earmarking of the proceeds of a tax levied under section 5705.21 25313
of the Revised Code for general permanent improvements or under 25314
section 5705.218 of the Revised Code for the purpose of permanent 25315
improvements, or the proceeds of a school district income tax 25316
levied under Chapter 5748. of the Revised Code, or the proceeds 25317
from a combination of those two taxes, in an amount to pay all or 25318
part of the service charges on bonds issued to pay the school 25319
district portion of the project and an amount equivalent to all or 25320
part of the tax required under division (B) of section 3318.05 of 25321
the Revised Code; 25322

(2) If section 3318.052 of the Revised Code does not apply, 25323

one of the following: 25324

(a) The levy of the tax authorized at the election for the 25325
payment of maintenance costs, as specified in division (B) of 25326
section 3318.05 of the Revised Code; 25327

(b) If the school district electors have approved a 25328
continuing tax for general permanent improvements under section 25329
5705.21 of the Revised Code and that tax can be used for 25330
maintenance, the earmarking of an amount of the proceeds from such 25331

(c) If, in lieu of the tax otherwise required under division 25334
(B) of section 3318.05 of the Revised Code, the commission has 25335
approved the transfer of money to the maintenance fund in 25336
accordance with section 3318.051 of the Revised Code, a 25337
requirement that the district board comply with the provisions 25338
that section. The district board may rescind the provision 25339
prescribed under division (C)(2)(c) of this section only so long 25340
as the electors of the district have approved, in accordance with 25341
section 3318.063 of the Revised Code, the levy of a tax for the 25342
maintenance of the classroom facilities acquired under the 25343
district's project and that levy continues to be collected as 25344
approved by the electors. 25345

(D) For joint vocational school districts that receive 25346
assistance under sections 3318.40 to 3318.45 of the Revised Code, 25347

sections as prescribed in section 3318.43 of the Revised Code; 25350

(E) Dedication of any local donated contribution as provided 25351
for under section 3318.084 of the Revised Code, including a 25352
schedule for depositing such moneys applied as an offset of the 25353
district's obligation to levy the tax described in division (B) of 25354

section 3318.05 of the Revised Code as required under division 25355
(D)(2) of section 3318.084 of the Revised Code; 25356

(F) Ownership of or interest in the project during the period 25357
of construction, which shall be divided between the commission and 25358
the school district board in proportion to their respective 25359
contributions to the school district's project construction fund; 25360

(G) Maintenance of the state's interest in the project until 25361
any obligations issued for the project under section 3318.26 of 25362
the Revised Code are no longer outstanding; 25363

(H) The insurance of the project by the school district from 25364
the time there is an insurable interest therein and so long as the 25365
state retains any ownership or interest in the project pursuant to 25366
division (F) of this section, in such amounts and against such 25367
risks as the commission shall require; provided, that the cost of 25368
any required insurance until the project is completed shall be a 25369
part of the basic project cost; 25370

(I) The certification by the director of budget and 25371
management that funds are available and have been set aside to 25372
meet the state's share of the basic project cost as approved by 25373
the controlling board pursuant to either section 3318.04 or 25374
division (B)(1) of section 3318.41 of the Revised Code; 25375

district board; 25384

However, if the school district | 25406 25407 25408 25409 25410 25411 25412 25413 25414 25415 25416 |

certifies to the commission that expenditure by the school 25417
district is necessary to maintain the federal tax status or 25418
tax-exempt status of notes or bonds issued by the school district 25419
to pay for its share of the project cost or to comply with 25420
applicable temporary investment periods or spending exceptions to 25421
rebate as provided for under federal law in regard to those notes 25422
or bonds, the school district may commit to spend, or spend, a 25423

(S) A provision stipulating that the commission may prohibit 25426
the district from proceeding with any project if the commission 25427
determines that the site is not suitable for construction 25428
purposes. The commission may perform soil tests in its 25429
determination of whether a site is appropriate for construction 25430
purposes. 25431

(T) A provision stipulating that, unless otherwise authorized 25432
by the commission, any contingency reserve portion of the 25433
construction budget prescribed by the commission shall be used 25434
only to pay costs resulting from unforeseen job conditions, to 25435
comply with rulings regarding building and other codes, to pay 25436

Sec. 3318.10. When such working drawings, specifications, and 25453

and the Ohio school facilities commission, the treasurer of the 25455
school district board shall advertise for construction bids in 25456
accordance with section 3313.46 of the Revised Code. Such notices 25457
shall state that plans and specifications for the project are on 25458
file in the office of the commission and such other place as may 25459
be designated in such notice, and the time and place when and 25460
where bids therefor will be received. 25461

The form of proposal to be submitted by bidders shall be 25462
supplied by the commission. Bidders may be permitted to bid upon 25463
all the branches of work and materials to be furnished and 25464
supplied, upon any branch thereof, or upon all or any thereof. 25465

When the construction bids for all branches of work and 25466
materials have been tabulated, the commission shall cause to be 25467
prepared a revised estimate of the basic project cost based upon 25468
the lowest responsible bids received. If such revised estimate 25469
exceeds the estimated basic project cost as approved by the 25470
controlling board pursuant to section 3318.04 or division (B)(1) 25471
of section 3318.41 of the Revised Code, no contracts may be 25472
entered into pursuant to this section unless such revised estimate 25473
is approved by the commission and by the controlling board. When 25474
such revised estimate has been prepared, and after such approvals 25475
are given, if necessary, and if the school district board has 25476
caused to be transferred to the project construction fund the 25477
proceeds from the sale of the first or first and final installment 25478
of its bonds or bond anticipation notes pursuant to the provision 25479

of the written agreement required by division (B) of section 25480
3318.08 of the Revised Code, and when the director of budget and 25481
management has certified that there is a balance in the 25482
appropriation, not otherwise obligated to pay precedent 25483
obligations, pursuant to which the state's share of such revised 25484
estimate is required to be paid, the contract for all branches of 25485
work and materials to be furnished and supplied, or for any branch 25486
thereof as determined by the school district board, shall be 25487
awarded by the school district board to the lowest responsible 25488
bidder subject to the approval of the commission. Such award shall 25489
be made within sixty days after the date on which the bids are 25490
opened, and the successful bidder shall enter into a contract 25491
within ten days after the successful bidder is notified of the 25492
award of the contract. 25493

Subject to the approval of the commission, the school 25494
district board may reject all bids and readvertise. Any contract 25495
made under this section shall be made in the name of the state and 25496
executed on its behalf by the president and treasurer of the 25497
school district board. 25498

The provisions of sections 9.312 and 3313.46 of the Revised 25499
Code, which are applicable to construction contracts of boards of 25500
education, shall apply to construction contracts for the project. 25501

The remedies afforded to any subcontractor, materials 25502
supplier, laborer, mechanic, or persons furnishing material or 25503
machinery for the project under sections 1311.26 to 1311.32 of the 25504
Revised Code, shall apply to contracts entered into under this 25505
section and the itemized statement required by section 1311.26 of 25506
the Revised Code shall be filed with the school district board. 25507

Notwithstanding any other requirement of this section, a 25508
school district, with the approval of the commission, may utilize 25509
any otherwise lawful alternative construction delivery method for 25510
the construction of the project. 25511

Sec. 3318.30. (A) There is hereby created the Ohio school 25512
facilities commission as an independent agency of the state within 25513
the Ohio facilities construction commission, which is created 25514
under section 123.20 of the Revised Code. The Ohio school 25515
facilities commission shall administer the provision of financial 25516
assistance to school districts for the acquisition or construction 25517
of classroom facilities in accordance with sections 3318.01 to 25518
3318.33 of the Revised Code. 25519

state. The carrying out of the purposes and the exercise by the 25523
Ohio school facilities commission of its powers conferred by 25524
sections 3318.01 to 3318.33 of the Revised Code are essential 25525
public functions and public purposes of the state. The Ohio school 25526
facilities commission may, in its own name, sue and be sued, enter 25527
into contracts, and perform all the powers and duties given to it 25528
by sections 3318.01 to 3318.33 of the Revised Code, but it does 25529
not have and shall not exercise the power of eminent domain. In 25530
its discretion and as it determines appropriate, the Ohio school 25531
facilities commission may delegate to any of its members, 25532
executive director, or other employees any of the Ohio school 25533
facilities commission's powers and duties to carry out its 25534
functions. 25535

(B) The Ohio school facilities commission shall consist of 25536
seven members, three of whom are voting members. The voting 25537
members of the Ohio school facilities commission shall be the 25538
director of the office of budget and management, the director of 25539
administrative services, and the superintendent of public 25540
instruction, or their designees. Of the nonvoting members, two 25541
shall be members of the senate appointed by the president of the 25542
senate, and two shall be members of the house of representatives 25543

appointed by the speaker of the house. Each of the appointees of 25544
the president, and each of the appointees of the speaker, shall be 25545
members of different political parties. 25546

Nonvoting members shall serve as members of the Ohio school 25547
facilities commission during the legislative biennium for which 25548
they are appointed, except that any such member who ceases to be a 25549
member of the legislative house from which the member was 25550
appointed shall cease to be a member of the Ohio school facilities 25551
commission. Each nonvoting member shall be appointed within 25552
thirty-one days of the end of the term of that member's 25553
predecessor. Such members may be reappointed. Vacancies of 25554
nonvoting members shall be filled in the manner provided for 25555
original appointments. 25556

Members of the Ohio school facilities commission shall serve 25557
without compensation. 25558

After the initial nonvoting members of the Ohio school 25559
facilities commission have been appointed, the Ohio school 25560
facilities commission shall meet and organize by electing voting 25561
members as the chairperson and vice-chairperson of the Ohio school 25562
facilities commission, who shall hold their offices until the next 25563
organizational meeting of the Ohio school facilities commission. 25564
Organizational meetings of the Ohio school facilities commission 25565
shall be held at the first meeting of each calendar year. At each 25566
organizational meeting, the Ohio school facilities commission 25567
shall elect from among its voting members a chairperson and 25568
vice-chairperson, who shall serve until the next annual 25569
organizational meeting. The Ohio school facilities commission 25570
shall adopt rules pursuant to section 111.15 of the Revised Code 25571
for the conduct of its internal business and shall keep a journal 25572
of its proceedings. Including the organizational meeting, the Ohio 25573
school facilities commission shall meet at least once each 25574
calendar quarter. 25575

Two voting members of the Ohio school facilities commission 25576
constitute a quorum, and the affirmative vote of two members is 25577
necessary for approval of any action taken by the Ohio school 25578
facilities commission. A vacancy in the membership of the Ohio 25579
school facilities commission does not impair a quorum from 25580
exercising all the rights and performing all the duties of the 25581
Ohio school facilities commission. Meetings of the Ohio school 25582
facilities commission may be held anywhere in the state and shall 25583
be held in compliance with section 121.22 of the Revised Code. 25584

(C) The Ohio school facilities commission shall file an 25585
annual report of its activities and finances with the governor, 25586

(E) The Ohio school facilities commission may share employees 25592
and facilities with the Ohio facilities construction commission. 25593

Code, including any of the following: 25598

(2) Contract with, retain the services of, or designate, and 25602
fix the compensation of, such agents, accountants, consultants, 25603
advisers, and other independent contractors as may be necessary or 25604
desirable to carry out the programs authorized under Chapter 3318. 25605

of the Revised Code, or authorize the executive director to 25606
perform such powers and duties. 25607

(3) Receive and accept any gifts, grants, donations, and 25608
pledges, and receipts therefrom, to be used for the programs 25609
authorized under Chapter 3318. of the Revised Code. 25610

the executive director to perform such powers and duties. 25615

(5) Request the ~~director of administrative services~~ Ohio 25616
facilities construction commission to debar a contractor as 25617
provided in section 153.02 of the Revised Code. 25618

(B) The Ohio school facilities commission shall appoint and 25619
fix the compensation of an executive director who shall serve at 25620
the pleasure of the Ohio school facilities commission. The 25621
executive director shall exercise all powers that the Ohio school 25622
facilities commission possesses, supervise the operations of the 25623
Ohio school facilities commission and perform such other duties as 25624
delegated by the Ohio school facilities commission. The executive 25625
director also shall employ and fix the compensation of such 25626
employees as will facilitate the activities and purposes of the 25627
Ohio school facilities commission, who shall serve at the pleasure 25628
of the executive director. The employees of the Ohio school 25629
facilities commission shall be exempt from Chapter 4117. of the 25630
Revised Code and shall not be public employees as defined in 25631
section 4117.01 of the Revised Code. 25632

(C) The Ohio school facilities commission may adopt, amend, 25633

with section 109.07 of the Revised Code. 25640

Sec. 3318.36. (A)(1) As used in this section: 25641

(a) "Ohio school facilities commission," "classroom 25642
facilities," "school district," "school district board," "net 25643
bonded indebtedness," "required percentage of the basic project 25644
costs," "basic project cost," "valuation," and "percentile" have 25645
the same meanings as in section 3318.01 of the Revised Code. 25646

(b) "Required level of indebtedness" means five per cent of 25647
the school district's valuation for the year preceding the year in 25648
which the commission and school district enter into an agreement 25649
under division (B) of this section, plus [two one-hundredths of 25650
one per cent multiplied by (the percentile in which the district 25651
ranks minus one)]. 25652

(c) "Local resources" means any moneys generated in any 25653
manner permitted for a school district board to raise the school 25654
district portion of a project undertaken with assistance under 25655
sections 3318.01 to 3318.20 of the Revised Code. 25656

(d) "Tangible personal property phase-out impacted district" 25657
means a school district for which the taxable value of its 25658
tangible personal property certified under division (A)(2) of 25659
section 3317.021 of the Revised Code for tax year 2005, excluding 25660
the taxable value of public utility personal property, made up 25661
eighteen per cent or more of its total taxable value for tax year 25662
2005 as certified under that section. 25663

(2) For purposes of determining the required level of 25664
indebtedness, the required percentage of the basic project costs 25665
under division (C)(1) of this section, and priority for assistance 25666

under sections 3318.01 to 3318.20 of the Revised Code, the 25667
percentile ranking of a school district with which the commission 25668
has entered into an agreement under this section between the first 25669
day of July and the thirty-first day of August in each fiscal year 25670
is the percentile ranking calculated for that district for the 25671
immediately preceding fiscal year, and the percentile ranking of a 25672
school district with which the commission has entered into such 25673
agreement between the first day of September and the thirtieth day 25674
of June in each fiscal year is the percentile ranking calculated 25675
for that district for the current fiscal year. However, in the 25676
case of a tangible personal property phase-out impacted district, 25677
the district's priority for assistance under sections 3318.01 to 25678
3318.20 of the Revised Code and its portion of the basic project 25679
cost under those sections shall be determined in the manner 25680
prescribed, respectively, in divisions (B)(3)(b) and (E)(1)(b) of 25681
this section. 25682

(B)(1) There is hereby established the school building 25683
assistance expedited local partnership program. Under the program, 25684
the Ohio school facilities commission may enter into an agreement 25685
with the school district board of any school district under which 25686
the school district board may proceed with the new construction or 25687
major repairs of a part of the school district's classroom 25688
facilities needs, as determined under sections 3318.01 to 3318.20 25689
of the Revised Code, through the expenditure of local resources 25690
prior to the school district's eligibility for state assistance 25691
under those sections and may apply that expenditure toward meeting 25692
the school district's portion of the basic project cost of the 25693
total of the school district's classroom facilities needs, as 25694
determined under sections 3318.01 to 3318.20 of the Revised Code 25695
and as recalculated under division (E) of this section, that are 25696
eligible for state assistance under sections 3318.01 to 3318.20 of 25697
the Revised Code when the school district becomes eligible for 25698
that assistance. Any school district that is reasonably expected 25699

to receive assistance under sections 3318.01 to 3318.20 of the Revised Code within two fiscal years from the date the school district adopts its resolution under division (B) of this section shall not be eligible to participate in the program established under this section.

(2) To participate in the program, a school district board shall first adopt a resolution certifying to the commission the board's intent to participate in the program.

The resolution shall specify the approximate date that the board intends to seek elector approval of any bond or tax measures or to apply other local resources to use to pay the cost of classroom facilities to be constructed under this section. The resolution may specify the application of local resources or elector-approved bond or tax measures after the resolution is adopted by the board, and in such case the board may proceed with a discrete portion of its project under this section as soon as the commission and the controlling board have approved the basic project cost of the district's classroom facilities needs as specified in division (D) of this section. The board shall submit its resolution to the commission not later than ten days after the date the resolution is adopted by the board.

The commission shall not consider any resolution that is submitted pursuant to division (B)(2) of this section, as amended by this amendment, sooner than September 14, 2000.

(3) For purposes of determining when a district that enters into an agreement under this section becomes eligible for assistance under sections 3318.01 to 3318.20 of the Revised Code, the commission shall use one of the following as applicable:

(a) Except for a tangible personal property phase-out impacted district, the district's percentile ranking determined at the time the district entered into the agreement under this

section, as prescribed by division (A)(2) of this section; 25731

(b) For a tangible personal property phase-out impacted 25732
district, the lesser of (i) the district's percentile ranking 25733
determined at the time the district entered into the agreement 25734
under this section, as prescribed by division (A)(2) of this 25735
section, or (ii) the district's current percentile ranking under 25736
section 3318.011 of the Revised Code. 25737

(4) Any project under this section shall comply with section 25738
3318.03 of the Revised Code and with any specifications for plans 25739
and materials for classroom facilities adopted by the commission 25740
under section 3318.04 of the Revised Code. 25741

(5) If a school district that enters into an agreement under 25742
this section has not begun a project applying local resources as 25743
provided for under that agreement at the time the district is 25744
notified by the commission that it is eligible to receive state 25745
assistance under sections 3318.01 to 3318.20 of the Revised Code, 25746
all assessment and agreement documents entered into under this 25747
section are void. 25748

(6) Only construction of or repairs to classroom facilities 25749
that have been approved by the commission and have been therefore 25750
included as part of a district's basic project cost qualify for 25751
application of local resources under this section. 25752

(C) Based on the results of on-site visits and assessment, 25753
the commission shall determine the basic project cost of the 25754
school district's classroom facilities needs. The commission shall 25755
determine the school district's portion of such basic project 25756
cost, which shall be the greater of: 25757

(1) The required percentage of the basic project costs, 25758
determined based on the school district's percentile ranking; 25759

(2) An amount necessary to raise the school district's net 25760
bonded indebtedness, as of the fiscal year the commission and the 25761

school district enter into the agreement under division (B) of 25762
this section, to within five thousand dollars of the required 25763
level of indebtedness. 25764

(D)(1) When the commission determines the basic project cost 25765
of the classroom facilities needs of a school district and the 25766
school district's portion of that basic project cost under 25767
division (C) of this section, the project shall be conditionally 25768
approved. Such conditional approval shall be submitted to the 25769
controlling board for approval thereof. The controlling board 25770
shall forthwith approve or reject the commission's determination, 25771
conditional approval, and the amount of the state's portion of the 25772
basic project cost; however, no state funds shall be encumbered 25773
under this section. Upon approval by the controlling board, the 25774
school district board may identify a discrete part of its 25775
classroom facilities needs, which shall include only new 25776
construction of or additions or major repairs to a particular 25777
building, to address with local resources. Upon identifying a part 25778
of the school district's basic project cost to address with local 25779
resources, the school district board may allocate any available 25780
school district moneys to pay the cost of that identified part, 25781
including the proceeds of an issuance of bonds if approved by the 25782
electors of the school district. 25783

All local resources utilized under this division shall first 25784
be deposited in the project construction account required under 25785
section 3318.08 of the Revised Code. 25786

(2) Unless the school district board exercises its option 25787
under division (D)(3) of this section, for a school district to 25788
qualify for participation in the program authorized under this 25789
section, one of the following conditions shall be satisfied: 25790

(a) The electors of the school district by a majority vote 25791
shall approve the levy of taxes outside the ten-mill limitation 25792
for a period of twenty-three years at the rate of not less than 25793

one-half mill for each dollar of valuation to be used to pay the 25794
cost of maintaining the classroom facilities included in the basic 25795
project cost as determined by the commission. The form of the 25796
ballot to be used to submit the question whether to approve the 25797
tax required under this division to the electors of the school 25798
district shall be the form for an additional levy of taxes 25799
prescribed in section 3318.361 of the Revised Code, which may be 25800
combined in a single ballot question with the questions prescribed 25801
under section 5705.218 of the Revised Code. 25802

(b) As authorized under division (C) of section 3318.05 of 25803
the Revised Code, the school district board shall earmark from the 25804
proceeds of a permanent improvement tax levied under section 25805
5705.21 of the Revised Code, an amount equivalent to the 25806
additional tax otherwise required under division (D)(2)(a) of this 25807
section for the maintenance of the classroom facilities included 25808
in the basic project cost as determined by the commission. 25809

(c) As authorized under section 3318.051 of the Revised Code, 25810
the school district board shall, if approved by the commission, 25811
annually transfer into the maintenance fund required under section 25812
3318.05 of the Revised Code the amount prescribed in section 25813
3318.051 of the Revised Code in lieu of the tax otherwise required 25814
under division (D)(2)(a) of this section for the maintenance of 25815
the classroom facilities included in the basic project cost as 25816
determined by the commission. 25817

(d) If the school district board has rescinded the agreement 25818
to make transfers under section 3318.051 of the Revised Code, as 25819
provided under division (F) of that section, the electors of the 25820
school district, in accordance with section 3318.063 of the 25821
Revised Code, first shall approve the levy of taxes outside the 25822
ten-mill limitation for the period specified in that section at a 25823
rate of not less than one-half mill for each dollar of valuation. 25824

(e) The school district board shall apply the proceeds of a 25825

tax to leverage bonds as authorized under section 3318.052 of the Revised Code or dedicate a local donated contribution in the manner described in division (B) of section 3318.084 of the Revised Code in an amount equivalent to the additional tax otherwise required under division (D)(2)(a) of this section for the maintenance of the classroom facilities included in the basic project cost as determined by the commission.

(3) A school district board may opt to delay taking any of the actions described in division (D)(2) of this section until the school district becomes eligible for state assistance under sections 3318.01 to 3318.20 of the Revised Code. In order to exercise this option, the board shall certify to the commission a resolution indicating the board's intent to do so prior to entering into an agreement under division (B) of this section.

(4) If pursuant to division (D)(3) of this section a district board opts to delay levying an additional tax until the district becomes eligible for state assistance, it shall submit the question of levying that tax to the district electors as follows:

(a) In accordance with section 3318.06 of the Revised Code if it will also be necessary pursuant to division (E) of this section to submit a proposal for approval of a bond issue;

(b) In accordance with section 3318.361 of the Revised Code if it is not necessary to also submit a proposal for approval of a bond issue pursuant to division (E) of this section.

(5) No state assistance under sections 3318.01 to 3318.20 of the Revised Code shall be released until a school district board that adopts and certifies a resolution under division (D) of this section also demonstrates to the satisfaction of the commission compliance with the provisions of division (D)(2) of this section.

Any amount required for maintenance under division (D)(2) of this section shall be deposited into a separate fund as specified

in division (B) of section 3318.05 of the Revised Code. 25857

(E)(1) If the school district becomes eligible for state 25858
assistance under sections 3318.01 to 3318.20 of the Revised Code 25859
based on its percentile ranking under division (B)(3) of this 25860
section, the commission shall conduct a new assessment of the 25861
school district's classroom facilities needs and shall recalculate 25862
the basic project cost based on this new assessment. The basic 25863
project cost recalculated under this division shall include the 25864
amount of expenditures made by the school district board under 25865
division (D)(1) of this section. The commission shall then 25866
recalculate the school district's portion of the new basic project 25867
cost, which shall be one of the following as applicable: 25868

(a) Except for a tangible personal property phase-out 25869
impacted district, the percentage of the original basic project 25870
cost assigned to the school district as its portion under division 25871
(C) of this section; 25872

(b) For a tangible personal property phase-out impacted 25873
district, the lesser of (i) the percentage of the original basic 25874
project cost assigned to the school district as its portion under 25875
division (C) of this section, or (ii) the percentage of the new 25876
basic project cost determined under section 3318.032 of the 25877
Revised Code using the district's current percentile ranking under 25878
section 3318.011 of the Revised Code. The 25879

The commission shall deduct the expenditure of school 25880
district moneys made under division (D)(1) of this section from 25881
the school district's portion of the basic project cost as 25882
recalculated under this division. If the amount of school district 25883
resources applied by the school district board to the school 25884
district's portion of the basic project cost under this section is 25885
less than the total amount of such portion as recalculated under 25886
this division, the school district board by a majority vote of all 25887
of its members shall, if it desires to seek state assistance under 25888

sections 3318.01 to 3318.20 of the Revised Code, adopt a 25889
resolution as specified in section 3318.06 of the Revised Code to 25890
submit to the electors of the school district the question of 25891
approval of a bond issue in order to pay any additional amount of 25892
school district portion required for state assistance. Any tax 25893
levy approved under division (D) of this section satisfies the 25894
requirements to levy the additional tax under section 3318.06 of 25895
the Revised Code. 25896

(2) If the amount of school district resources applied by the 25897
school district board to the school district's portion of the 25898
basic project cost under this section is more than the total 25899
amount of such portion as recalculated under ~~this~~ division (E)(1) 25900
of this section, within one year after the school district's 25901
portion is so recalculated ~~under division (E)(1) of this section~~ 25902
the commission may grant to the school district the difference 25903
between the two calculated portions, but at no time shall the 25904
commission expend any state funds on a project in an amount 25905
greater than the state's portion of the basic project cost as 25906
recalculated under ~~this~~ division (E)(1) of this section. 25907

Any reimbursement under this division shall be only for local 25908
resources the school district has applied toward construction cost 25909
expenditures for the classroom facilities approved by the 25910
commission, which shall not include any financing costs associated 25911
with that construction. 25912

The school district board shall use any moneys reimbursed to 25913
the district under this division to pay off any debt service the 25914
district owes for classroom facilities constructed under its 25915
project under this section before such moneys are applied to any 25916
other purpose. However, the district board first may deposit 25917
moneys reimbursed under this division into the district's general 25918
fund or a permanent improvement fund to replace local resources 25919
the district withdrew from those funds, as long as, and to the 25920

extent that, those local resources were used by the district for 25921
constructing classroom facilities included in the district's basic 25922
project cost. 25923

(3) A tangible personal property phase-out impacted district 25924
shall receive credit under division (E) of this section for the 25925
expenditure of local resources pursuant to any prior agreement 25926
authorized by this section, notwithstanding any recalculation of 25927
its average taxable value. 25928

Sec. 3318.37. (A)(1) As used in this section: 25929

(a) "Full maintenance amount" has the same meaning as in 25930
section 3318.034 of the Revised Code. 25931

(b) "Large land area school district" means a school district 25932
with a territory of greater than three hundred square miles in any 25933
percentile as determined under section 3318.011 of the Revised 25934
Code. 25935

~~(b)~~(c) "Low wealth school district" means a school district 25936
in the first through seventy-fifth percentiles as determined under 25937
section 3318.011 of the Revised Code. 25938

~~(e)~~(d) A "school district with an exceptional need for 25939
immediate classroom facilities assistance" means a low wealth or 25940
large land area school district with an exceptional need for new 25941
facilities in order to protect the health and safety of all or a 25942
portion of its students. 25943

(2) No school district that participates in the school 25944
building assistance expedited local partnership program under 25945
section 3318.36 of the Revised Code shall receive assistance under 25946
the program established under this section unless the following 25947
conditions are satisfied: 25948

(a) The district board adopted a resolution certifying its 25949
intent to participate in the school building assistance expedited 25950

local partnership program under section 3318.36 of the Revised Code prior to September 14, 2000.

(b) The district was selected by the Ohio school facilities commission for participation in the school building assistance expedited local partnership program under section 3318.36 of the Revised Code in the manner prescribed by the commission under that section as it existed prior to September 14, 2000.

(B)(1) There is hereby established the exceptional needs school facilities assistance program. Under the program, the Ohio school facilities commission may set aside from the moneys annually appropriated to it for classroom facilities assistance projects up to twenty-five per cent for assistance to school districts with exceptional needs for immediate classroom facilities assistance.

(2)(a) After consulting with education and construction experts, the commission shall adopt guidelines for identifying school districts with an exceptional need for immediate classroom facilities assistance.

(b) The guidelines shall include application forms and instructions for school districts to use in applying for assistance under this section.

(3) The commission shall evaluate the classroom facilities, and the need for replacement classroom facilities from the applications received under this section. The commission, utilizing the guidelines adopted under division (B)(2)(a) of this section, shall prioritize the school districts to be assessed.

Notwithstanding section 3318.02 of the Revised Code, the commission may conduct on-site evaluation of the school districts prioritized under this section and approve and award funds until such time as all funds set aside under division (B)(1) of this section have been encumbered. However, the commission need not

conduct the evaluation of facilities if the commission determines 25982
that a district's assessment conducted under section 3318.36 of 25983
the Revised Code is sufficient for purposes of this section. 25984

(4) Notwithstanding division (A) of section 3318.05 of the 25985
Revised Code, the school district's portion of the basic project 25986
cost under this section shall be the "required percentage of the 25987
basic project costs," as defined in division (K) of section 25988
3318.01 of the Revised Code. 25989

(5) Except as otherwise specified in this section, any 25990
project undertaken with assistance under this section shall comply 25991
with all provisions of sections 3318.01 to 3318.20 of the Revised 25992
Code. A school district may receive assistance under sections 25993
3318.01 to 3318.20 of the Revised Code for the remainder of the 25994
district's classroom facilities needs as assessed under this 25995
section when the district is eligible for such assistance pursuant 25996
to section 3318.02 of the Revised Code, but any classroom facility 25997
constructed with assistance under this section shall not be 25998
included in a district's project at that time unless the 25999
commission determines the district has experienced the increased 26000
enrollment specified in division (B)(1) of section 3318.04 of the 26001
Revised Code. 26002

(C) No school district shall receive assistance under this 26003
section for a classroom facility that has been included in the 26004
discrete part of the district's classroom facilities needs 26005
identified and addressed in the district's project pursuant to an 26006
agreement entered into under section 3318.36 of the Revised Code, 26007
unless the district's entire classroom facilities plan consists of 26008
only a single building designed to house grades kindergarten 26009
through twelve. 26010

(D)(1) When undertaking a project under this section, a 26011
school district may elect to prorate its full maintenance amount 26012
by setting aside for maintenance the amount calculated under 26013

division (D)(2) of this section to maintain the classroom 26014
facilities acquired under the project, if the district will use 26015
one or more of the alternative methods authorized in sections 26016
3318.051, 3318.052, and 3318.084 of the Revised Code to generate 26017
the entire amount calculated under that division. If the district 26018
so elects, the commission and the district shall include in the 26019
agreement entered into under section 3318.08 of the Revised Code a 26020
statement specifying that the district will use the amount 26021
calculated under that division only to maintain the classroom 26022
facilities acquired under the project under this section. 26023

(2) The commission shall calculate the amount for a school 26024
district to maintain the classroom facilities acquired under a 26025
project under this section as follows: 26026

The full maintenance amount X (the school district's portion 26027
of the basic project cost under this section / the school 26028
district's portion of the basic project cost for the district's 26029
entire classroom facilities needs, as determined jointly by the 26030
staff of the commission and the district) 26031

(3) A school district may elect to prorate its full 26032
maintenance amount for any number of projects under this section, 26033
provided the district will use one or more of the alternative 26034
methods authorized in sections 3318.051, 3318.052, and 3318.084 of 26035
the Revised Code to generate the entire amount calculated under 26036
division (D)(2) of this section to maintain the classroom 26037
facilities acquired under each project for which it so elects. If 26038
the district cannot use one or more of those alternative methods 26039
to generate the entire amount calculated under that division, the 26040
district shall levy the tax described in division (B) of section 26041
3318.05 of the Revised Code or an extension of that tax under 26042
section 3318.061 of the Revised Code in an amount necessary to 26043
generate the remainder of its full maintenance amount. The 26044
commission shall calculate the remainder of the district's full 26045

maintenance amount as follows: 26046

The full maintenance amount - the sum of the amounts 26047
calculated for the district under division (D)(2) of this section 26048
for each of the district's prior projects under this section 26049

(4) In no case shall the sum of the amounts calculated for a 26050
school district's maintenance of classroom facilities under 26051
divisions (D)(2) and (3) of this section exceed the amount that 26052
would have been required for maintenance if the district had 26053
elected to meet its entire classroom facilities needs with a 26054
project under sections 3318.01 to 3318.20 of the Revised Code and 26055
had not undertaken one or more projects under this section. 26056

(5) If a school district commenced a project under this 26057
section prior to the effective date of this amendment but has not 26058
completed that project, and has not levied the tax described in 26059
division (B) of section 3318.05 of the Revised Code or an 26060
extension of that tax under section 3318.061 of the Revised Code, 26061
the district may request approval from the commission to prorate 26062
its full maintenance amount in accordance with divisions (D)(1) to 26063
(4) of this section. If the commission approves the request, the 26064
commission and the district shall amend the agreement entered into 26065
under section 3318.08 of the Revised Code to reflect the change. 26066

Sec. 3319.22. (A)(1) The state board of education shall issue 26067
the following educator licenses: 26068

(a) A resident educator license, which shall be valid for 26069
four years, except that the state board, on a case-by-case basis, 26070
may extend the license's duration as necessary to enable the 26071
license holder to complete the Ohio teacher residency program 26072
established under section 3319.223 of the Revised Code; 26073

(b) A professional educator license, which shall be valid for 26074
five years and shall be renewable; 26075

(d) A lead professional educator license, which shall be 26078
valid for five years and shall be renewable. 26079

(2) The state board may issue any additional educator 26080
licenses of categories, types, and levels the board elects to 26081
provide. 26082

(3) The state board shall adopt rules establishing the 26083
standards and requirements for obtaining each educator license 26084
issued under this section. 26085

least the following standards and qualifications for the educator 26087

at least a bachelor's degree from an accredited teacher 26090

(D) If the state board requires any examinations for educator 26137

of such examinations received by the department to the chancellor 26139
of the Ohio board of regents, in the manner and to the extent 26140
permitted by state and federal law. 26141

(E) Any rules the state board of education adopts, amends, or 26142
rescinds for educator licenses under this section, division (D) of 26143
section 3301.07 of the Revised Code, or any other law shall be 26144
adopted, amended, or rescinded under Chapter 119. of the Revised 26145
Code except as follows: 26146

(1) Notwithstanding division (D) of section 119.03 and 26147
division (A)(1) of section 119.04 of the Revised Code, in the case 26148
of the adoption of any rule or the amendment or rescission of any 26149
rule that necessitates institutions' offering preparation programs 26150
for educators and other school personnel that are approved by the 26151

the Revised Code to revise the curriculum of those programs, the 26153
effective date shall not be as prescribed in division (D) of 26154
section 119.03 and division (A)(1) of section 119.04 of the 26155
Revised Code. Instead, the effective date of such rules, or the 26156
amendment or rescission of such rules, shall be the date 26157
prescribed by section 3333.048 of the Revised Code. 26158

(2) Notwithstanding the authority to adopt, amend, or rescind 26159
emergency rules in division (F) of section 119.03 of the Revised 26160
Code, this authority shall not apply to the state board of 26161
education with regard to rules for educator licenses. 26162

(F)(1) The rules adopted under this section establishing 26163
standards requiring additional coursework for the renewal of any 26164
educator license shall require a school district and a chartered 26165
nonpublic school to establish local professional development 26166

committees. In a nonpublic school, the chief administrative 26167
officer shall establish the committees in any manner acceptable to 26168
such officer. The committees established under this division shall 26169
determine whether coursework that a district or chartered 26170
nonpublic school teacher proposes to complete meets the 26171
requirement of the rules. The department of education shall 26172
provide technical assistance and support to committees as the 26173
committees incorporate the professional development standards 26174
adopted by the state board of education pursuant to section 26175
3319.61 of the Revised Code into their review of coursework that 26176
is appropriate for license renewal. The rules shall establish a 26177
procedure by which a teacher may appeal the decision of a local 26178
professional development committee. 26179

(2) In any school district in which there is no exclusive 26180
representative established under Chapter 4117. of the Revised 26181
Code, the professional development committees shall be established 26182
as described in division (F)(2) of this section. 26183

Not later than the effective date of the rules adopted under 26184
this section, the board of education of each school district shall 26185
establish the structure for one or more local professional 26186
development committees to be operated by such school district. The 26187
committee structure so established by a district board shall 26188
remain in effect unless within thirty days prior to an anniversary 26189
of the date upon which the current committee structure was 26190
established, the board provides notice to all affected district 26191
employees that the committee structure is to be modified. 26192
Professional development committees may have a district-level or 26193
building-level scope of operations, and may be established with 26194
regard to particular grade or age levels for which an educator 26195
license is designated. 26196

Each professional development committee shall consist of at 26197
least three classroom teachers employed by the district, one 26198

principal employed by the district, and one other employee of the 26199
district appointed by the district superintendent. For committees 26200
with a building-level scope, the teacher and principal members 26201
shall be assigned to that building, and the teacher members shall 26202
be elected by majority vote of the classroom teachers assigned to 26203
that building. For committees with a district-level scope, the 26204
teacher members shall be elected by majority vote of the classroom 26205
teachers of the district, and the principal member shall be 26206
elected by a majority vote of the principals of the district, 26207
unless there are two or fewer principals employed by the district, 26208
in which case the one or two principals employed shall serve on 26209
the committee. If a committee has a particular grade or age level 26210
scope, the teacher members shall be licensed to teach such grade 26211
or age levels, and shall be elected by majority vote of the 26212
classroom teachers holding such a license and the principal shall 26213
be elected by all principals serving in buildings where any such 26214
teachers serve. The district superintendent shall appoint a 26215
replacement to fill any vacancy that occurs on a professional 26216
development committee, except in the case of vacancies among the 26217
elected classroom teacher members, which shall be filled by vote 26218
of the remaining members of the committee so selected. 26219

Terms of office on professional development committees shall 26220
be prescribed by the district board establishing the committees. 26221
The conduct of elections for members of professional development 26222
committees shall be prescribed by the district board establishing 26223
the committees. A professional development committee may include 26224
additional members, except that the majority of members on each 26225
such committee shall be classroom teachers employed by the 26226
district. Any member appointed to fill a vacancy occurring prior 26227
to the expiration date of the term for which a predecessor was 26228
appointed shall hold office as a member for the remainder of that 26229
term. 26230

The initial meeting of any professional development committee, upon election and appointment of all committee members, shall be called by a member designated by the district superintendent. At this initial meeting, the committee shall select a chairperson and such other officers the committee deems necessary, and shall adopt rules for the conduct of its meetings. Thereafter, the committee shall meet at the call of the chairperson or upon the filing of a petition with the district superintendent signed by a majority of the committee members calling for the committee to meet.

(3) In the case of a school district in which an exclusive representative has been established pursuant to Chapter 4117. of the Revised Code, professional development committees shall be established in accordance with any collective bargaining agreement in effect in the district that includes provisions for such committees.

If the collective bargaining agreement does not specify a different method for the selection of teacher members of the committees, the exclusive representative of the district's teachers shall select the teacher members.

If the collective bargaining agreement does not specify a different structure for the committees, the board of education of the school district shall establish the structure, including the number of committees and the number of teacher and administrative members on each committee; the specific administrative members to be part of each committee; whether the scope of the committees will be district levels, building levels, or by type of grade or age levels for which educator licenses are designated; the lengths of terms for members; the manner of filling vacancies on the committees; and the frequency and time and place of meetings. However, in all cases, except as provided in division (F)(4) of this section, there shall be a majority of teacher members of any

professional development committee, there shall be at least five 26263
total members of any professional development committee, and the 26264
exclusive representative shall designate replacement members in 26265
the case of vacancies among teacher members, unless the collective 26266
bargaining agreement specifies a different method of selecting 26267
such replacements. 26268

(4) Whenever an administrator's coursework plan is being 26269
discussed or voted upon, the local professional development 26270
committee shall, at the request of one of its administrative 26271
members, cause a majority of the committee to consist of 26272
administrative members by reducing the number of teacher members 26273
voting on the plan. 26274

(G)(1) The department of education, educational service 26275
centers, county boards of developmental disabilities, regional 26276
professional development centers, special education regional 26277
resource centers, college and university departments of education, 26278
head start programs, ~~the eTech Ohio commission~~, and the Ohio 26279
education computer network may establish local professional 26280
development committees to determine whether the coursework 26281
proposed by their employees who are licensed or certificated under 26282
this section or section 3319.222 of the Revised Code, or under the 26283
former version of either section as it existed prior to October 26284
16, 2009, meet the requirements of the rules adopted under this 26285
section. They may establish local professional development 26286
committees on their own or in collaboration with a school district 26287
or other agency having authority to establish them. 26288

Local professional development committees established by 26289
county boards of developmental disabilities shall be structured in 26290
a manner comparable to the structures prescribed for school 26291
districts in divisions (F)(2) and (3) of this section, as shall 26292
the committees established by any other entity specified in 26293
division (G)(1) of this section that provides educational services 26294

by employing or contracting for services of classroom teachers 26295
licensed or certificated under this section or section 3319.222 of 26296
the Revised Code, or under the former version of either section as 26297
it existed prior to October 16, 2009. All other entities specified 26298
in division (G)(1) of this section shall structure their 26299
committees in accordance with guidelines which shall be issued by 26300
the state board. 26301

(2) Any public agency that is not specified in division 26302
(G)(1) of this section but provides educational services and 26303
employs or contracts for services of classroom teachers licensed 26304
or certificated under this section or section 3319.222 of the 26305
Revised Code, or under the former version of either section as it 26306
existed prior to October 16, 2009, may establish a local 26307
professional development committee, subject to the approval of the 26308
department of education. The committee shall be structured in 26309
accordance with guidelines issued by the state board. 26310

Sec. 3319.235. (A) The standards for the preparation of 26311
teachers adopted under section 3333.048 of the Revised Code shall 26312
require any institution that provides a course of study for the 26313
training of teachers to ensure that graduates of such course of 26314
study are skilled at integrating educational technology in the 26315
instruction of children, as evidenced by the graduate having 26316
either demonstrated proficiency in such skills in a manner 26317
prescribed by the department of education or completed a course 26318
that includes training in such skills. 26319

(B) The ~~eTech Ohio commission~~ chancellor of the Ohio board of 26320

not anticipated to be paid pursuant to this section from the 26758
allocated state share of instruction for purposes of Section 17 of 26759
Article VIII, Ohio Constitution. 26760

(3) Any other pertinent conditions established in rules 26761
adopted under division (H) of this section. 26762

(C) If the chancellor approves the request of a community or 26763
technical college district to withhold and deposit funds pursuant 26764
to this section, the chancellor shall enter into a written 26765
agreement with the district and the primary paying agent or fiscal 26766
agent for the obligations, which agreement shall provide for the 26767
withholding of funds pursuant to this section for the payment of 26768
bond service charges on those obligations. The agreement may also 26769
include both of the following: 26770

(1) Provisions for certification by the district to the 26771
chancellor, prior to the deadline for payment of the applicable 26772
bond service charges, whether the district and the community or 26773
technical college it operates are able to pay those bond service 26774
charges when due; 26775

(2) Requirements that the district or the community or 26776
technical college it operates deposits amounts for the payment of 26777
those bond service charges with the primary paying agent or fiscal 26778
agent for the obligations prior to the date on which the bond 26779
service charges are due to the owners or holders of the 26780
obligations. 26781

(D) Whenever a district or the community or technical college 26782
it operates notifies the chancellor that it will not be able to 26783
pay the bond service charges when they are due, subject to the 26784
withholding provisions of this section, or whenever the applicable 26785

paying agent or fiscal agent notifies the chancellor that it has 26786
not timely received from a district or from the college it 26787
operates the full amount needed for payment of the bond service 26788
charges when due to the holders or owners of such obligations, the 26789
chancellor shall immediately contact the district or college and 26790
the paying agent or fiscal agent to confirm that the district and 26791
the college are not able to make the required payment by the date 26792
on which it is due. 26793

If the chancellor confirms that the district and the college 26794
are not able to make the payment and the payment will not be made 26795
pursuant to a credit enhancement facility, the chancellor shall 26796
promptly pay to the applicable primary paying agent or fiscal 26797
agent the lesser of the amount due for bond service charges or the 26798
amount of the next periodic distribution scheduled to be made to 26799
the district or to the college in respect of its allocated state 26800
share of instruction. If this amount is insufficient to pay the 26801
total amount then due the agent for the payment of bond service 26802
charges, the chancellor shall continue to pay to the agent from 26803
each periodic distribution thereafter, and until the full amount 26804
due the agent for unpaid bond service charges is paid in full, the 26805
lesser of the remaining amount due the agent for bond service 26806
charges or the amount of the next periodic distribution scheduled 26807
to be made to the district or college in respect of its allocated 26808
state share of instruction. 26809

(E) The chancellor may make any payments under this section 26810
by direct deposit of funds by electronic transfer. 26811

Any amount received by a paying agent or fiscal agent under 26812
this section shall be applied only to the payment of bond service 26813
charges on the obligations of the community or technical college 26814
district or community or technical college subject to this section 26815
or to the reimbursement of the provider of a credit enhancement 26816
facility that has paid the bond service charges. 26817

(F) The chancellor may make payments under this section to 26818
paying agents or fiscal agents during any fiscal biennium of the 26819
state only from and to the extent that money is appropriated to 26820
the board of regents by the general assembly for distribution 26821
during such biennium for the state share of instruction and only 26822
to the extent that a portion of the state share of instruction has 26823
been allocated to the community or technical college district or 26824
community or technical college. Obligations of the issuing 26825
authority or of a community or technical college district to which 26826
this section is made applicable do not constitute an obligation or 26827
a debt or a pledge of the faith, credit, or taxing power of the 26828
state, and the holders or owners of those obligations have no 26829
right to have excises or taxes levied or appropriations made by 26830
the general assembly for the payment of bond service charges on 26831
the obligations, and the obligations shall contain a statement to 26832
that effect. The agreement for or the actual withholding and 26833
payment of money under this section does not constitute the 26834
assumption by the state of any debt of a community or technical 26835
college district or a community or technical college, and bond 26836
service charges on the related obligations are not anticipated to 26837
be paid from the state general revenue fund for purposes of 26838
Section 17 of Article VIII, Ohio Constitution. 26839

(G) In the case of obligations subject to the withholding 26840
provisions of this section, the issuing community or technical 26841
college district, or the issuing authority in the case of 26842
obligations issued by the issuing authority, shall appoint a 26843
paying agent or fiscal agent who is not an officer or employee of 26844
the district or college. 26845

(H) The chancellor, with the advice and consent of the office 26846
of budget and management, may adopt reasonable rules not 26847
inconsistent with this section for the implementation of this 26848
section to secure payment of bond service charges on obligations 26849

issued by a community or technical college district or by the 26850
issuing authority for the benefit of a community or technical 26851
college district or the community or technical college it 26852
operates. Those rules shall include criteria for the evaluation 26853
and approval or denial of community or technical college district 26854
requests for withholding under this section. 26855

(I) The authority granted by this section is in addition to 26856
and not a limitation on any other authorizations granted by or 26857
pursuant to law for the same or similar purposes. 26858

Chapter 154. of the Revised Code, and nothing in this section 27630
impairs or limits the authority granted by Chapter 154. of the 27631
Revised Code. In any lease, agreement, or commitment made by an 27632
institution of higher education under Chapter 154. of the Revised 27633

Sec. 3345.16. The board of trustees of a state college or 27673
university may receive, and hold in trust, for the use and benefit 27674

university, including use for student loan and scholarship 27678
purposes, unless otherwise directed in the donation or bequest. 27679

The board of trustees of a state college or university may 27680
utilize trust funds to invest in property, real and personal, as a 27681
portion of the holdings in the endowment portfolio under the trust 27682
powers imparted to the board of trustees. Such property, real and 27683

trustees may lease, lease back, or otherwise contract for the use 27687
of such property in such manner as to provide earning power for 27688
the college or university investment portfolio. Sections 123.01, 27689
~~123.04~~ 123.02, ~~123.15~~ 123.10, and ~~123.47~~ 123.13 of the Revised 27690

Code do not apply to properties, real and personal, held under 27691
this section as earning-power properties in the college or 27692
university endowment portfolio. 27693

Notwithstanding any provision of the Revised Code to the 27694
contrary, the title in properties, real and personal, purchased by 27695
a board of trustees as an investment and held in the college's or 27696
university's endowment portfolio shall not be vested in the state, 27697
but shall be held in trust by the board. 27698

Sec. 3345.28. The board of trustees of any state university, 27699
medical university, technical college, state community college, 27700
community college, or the board of trustees or managing authority 27701
of any university branch may establish and administer a faculty 27702
improvement program, under which any full-time faculty member with 27703
at least seven academic years of teaching service at the college, 27704
university, or branch may be granted professional leave for a 27705
period not to exceed one academic year to engage in further 27706
education, research, or any other purpose approved by the board. A 27707
board of trustees or managing authority that establishes such a 27708
program shall, by rule, adopt a definition of "academic years of 27709
teaching service" and of "full-time faculty member." 27710

No such board or authority shall pay any faculty member for 27711
or during a period of professional leave any salary exceeding the 27712
amount that would have been paid to such faculty member for 27713
performing the faculty member's regular duties during the period 27714
of the leave. No faculty member shall, by virtue of being on 27715
professional leave, suffer a reduction or termination of the 27716
faculty member's regular employee retirement or insurance benefits 27717
or of any other benefit or privilege being received as a faculty 27718
member at the college, university, or branch where the faculty 27719
member is employed. Whenever such a benefit would be reduced 27720
because of a reduction in the faculty member's salary during the 27721

period of professional leave, the faculty member shall be given a 27722
chance to have the benefit increased to its normal level, in 27723
accordance with rules adopted by the board of trustees or the 27724
managing authority. A faculty member who has been granted 27725
professional leave shall complete another seven years of service 27726
at the college, university, or branch at which the faculty member 27727
is employed before becoming eligible for another grant of 27728
professional leave at that college, university, or branch. 27729
Professional leave taken as part of a faculty improvement program 27730
established under this section shall not be deemed to be in lieu 27731
of released time or assigned duty in connection with a specific 27732
research, scholarly, or creative program. 27733

Boards of trustees and managing authorities may accept moneys 27734
from any person, political subdivision, or the federal government 27735
to support a faculty improvement program, and may establish such 27736
additional rules as are necessary to establish and administer it. 27737

Each grant of professional leave shall be in accordance with 27738
a professional improvement policy for professional leaves that has 27739
been approved by the board of trustees or the managing authority. 27740
No professional leave shall be granted that requires a 27741
compensating addition to the permanent faculty or staff of the 27742
college, university, or branch. No professional leave shall be 27743
approved unless a specific plan for the professional improvement 27744
of the faculty member while on leave has been submitted to and 27745
accepted by the president of the university, college, or branch. 27746
At the completion of the leave, the faculty member shall submit to 27747
the president a report detailing the attainments of the faculty 27748
member under this professional improvement plan. 27749

~~Not later than the thirtieth day of June of each year, the 27750
chancellor of the board of regents shall report to the 27751
chairpersons of the education committees of the house of 27752
representatives and the senate on the status of implementation of 27753~~

~~faculty improvement programs. The report shall include, but need 27754
not be limited to, the following: the number of professional leave 27755
grants made by each institution; the purpose of each professional 27756
leave; and a statement of the cost to the institution of each 27757
professional leave, to the extent that such cost exceeds the 27758
salary of the faculty member on professional leave. 27759~~

commission is a body corporate and politic, an agency of state 28055
government and an instrumentality of the state, performing 28056
essential governmental functions of this state. The carrying out 28057
of the purposes and the exercise by the commission of its powers 28058
conferred by this chapter are essential public functions and 28059
public purposes of the state and of state government. The 28060
commission may, in its own name, sue and be sued, enter into 28061
contracts, and perform all the powers and duties given to it by 28062

this chapter; however, it does not have and shall not exercise the power of eminent domain.

(B) The commission shall consist of twelve members, nine of whom shall be voting members and three of whom shall be nonvoting members. The nine voting members shall be appointed by the governor, with the advice and consent of the senate, from different geographical regions of the state. (C) Of the five initial appointments made by the governor, one shall be for a term expiring December 31, 1989, two shall be for terms expiring December 31, 1990, and two shall be for terms expiring December 31, 1991. Of the initial appointments of the sixth and seventh voting members made by the governor, one shall be for a term expiring December 31, 2003, and one shall be for a term expiring December 31, 2004. Of the initial appointments of the eighth and ninth voting members made by the governor, one shall be for a term expiring December 31, 2007, and one shall be for a term expiring December 31, 2008. Thereafter, each such term shall be for three years, commencing on the first day of January and ending on the thirty-first day of December. Each appointment by the president of the senate and by the speaker of the house of representatives shall be for the balance of the then legislative biennium. Each member shall hold office from the date of the member's appointment until the end of the term for which the

member was appointed. Any member appointed to fill a vacancy 28095
occurring prior to the expiration of the term for which the 28096
member's predecessor was appointed shall hold office for the 28097
remainder of such term. Any member shall continue in office 28098

proceedings. 28111

(F) Five voting members of the commission constitute a 28112
quorum, and the affirmative vote of five members is necessary for 28113
approval of any action taken by the commission. A vacancy in the 28114
membership of the commission does not impair a quorum from 28115
exercising all the rights and performing all the duties of the 28116
commission. Meetings of the commission may be held anywhere in the 28117
state, and shall be held in compliance with section 121.22 of the 28118
Revised Code. 28119

(G) All expenses incurred in carrying out this chapter are 28120
payable solely from money accrued under this chapter or 28121
appropriated for these purposes by the general assembly, and the 28122
commission shall incur no liability or obligation beyond such 28123
money. 28124

(H) The commission shall file an annual report of its 28125

activities and finances with the governor, director of budget and 28126

(I) There is hereby established in the state treasury the 28130
Ohio cultural facilities commission administration fund. All 28131

of the commission. All investment earnings of that fund shall be 28138
credited to it and shall be allocated among any accounts created 28139
in the fund in the manner determined by the commission. 28140

(J) Title to all real property and lesser interests in real 28141
property acquired by the commission, including leasehold and other 28142
interests, pursuant to this chapter shall be taken in the name of 28143
the state and shall be held for the use and benefit of the 28144
commission. The commission shall not mortgage such real property 28145
and interests in real property. Title to other property and 28146
interests in it acquired by the commission pursuant to this 28147
chapter shall be taken in its name. 28148

Sec. 3383.07. (A) ~~The department of administrative services~~ 28149
Ohio facilities construction commission shall provide for the 28150
construction of a cultural project in conformity with Chapter 153. 28151
of the Revised Code, except as follows: 28152

(1) For a cultural project other than a state historical 28153
facility, construction services may be provided on behalf of the 28154
state by the Ohio cultural facilities commission, or by a 28155
governmental agency or a cultural organization that occupies, will 28156

occupy, or is responsible for the Ohio cultural facility, as 28157
determined by the Ohio cultural facilities commission. For a 28158
project receiving a state appropriation of fifty thousand dollars 28159
or less, the Ohio cultural facilities commission may delegate to 28160
its executive director the authority to approve the provision of 28161
construction services by such an agency or organization, but not 28162
the authority to disapprove that provision. Construction services 28163
to be provided by a governmental agency or a cultural organization 28164
shall be specified in an agreement between the Ohio cultural 28165
facilities commission and the governmental agency or cultural 28166
organization. The agreement, or any actions taken under it, are 28167
not subject to Chapter 123. or 153. of the Revised Code, except 28168
for sections 123.081 and 153.011 of the Revised Code, and shall be 28169
subject to Chapter 4115. of the Revised Code. 28170

(2) For a cultural project that is a state historical 28171
facility, construction services may be provided by the Ohio 28172
cultural facilities commission or by a cultural organization that 28173
occupies, will occupy, or is responsible for the facility, as 28174
determined by the Ohio cultural facilities commission. For a 28175
facility receiving a state appropriation of fifty thousand dollars 28176
or less, the Ohio cultural facilities commission may delegate to 28177
its executive director the authority to approve the provision of 28178
construction services by such an organization, but not the 28179
authority to disapprove that provision. The construction services 28180
to be provided by the cultural organization shall be specified in 28181
an agreement between the Ohio cultural facilities commission and 28182
the cultural organization. That agreement, and any actions taken 28183
under it, are not subject to Chapter 123., 153., or 4115. of the 28184
Revised Code. 28185

(B) For an Ohio sports facility that is financed in part by 28186
obligations issued pursuant to Chapter 154. of the Revised Code, 28187
construction services shall be provided on behalf of the state by 28188

or at the direction of the governmental agency or nonprofit corporation that will own or be responsible for the management of the facility, all as determined by the Ohio cultural facilities commission. For a facility receiving a state appropriation of fifty thousand dollars or less, the Ohio cultural facilities commission may delegate to its executive director the authority to approve the provision of construction services by or at the direction of the agency or corporation, but not the authority to disapprove that provision. Any construction services to be provided by a governmental agency or nonprofit corporation shall be specified in an agreement between the Ohio cultural facilities commission and the governmental agency or nonprofit corporation. That agreement, and any actions taken under it, are not subject to Chapter 123. or 153. of the Revised Code, except for sections 123.081 and 153.011 of the Revised Code, and shall be subject to Chapter 4115. of the Revised Code.

(C) General building services for an Ohio cultural facility shall be provided by the Ohio cultural facilities commission or by a cultural organization that occupies, will occupy, or is responsible for the facility, as determined by the Ohio cultural facilities commission. For a facility receiving a state appropriation of fifty thousand dollars or less, the Ohio cultural facilities commission may delegate to its executive director the authority to approve the provision of general building services by such an organization, but not the authority to disapprove that provision. Alternatively, the Ohio building authority may elect to provide those services for Ohio cultural facilities financed with proceeds of state bonds issued by the authority. The costs of management and general building services shall be paid by the cultural organization that occupies, will occupy, or is responsible for the facility as provided in an agreement between the Ohio cultural facilities commission and the cultural organization, except that the state may pay for general building

services for state-owned cultural facilities constructed on 28222
state-owned land. 28223

General building services for an Ohio sports facility shall 28224
be provided by or at the direction of the governmental agency or 28225
nonprofit corporation that will be responsible for the management 28226
of the facility, all as determined by the Ohio cultural facilities 28227
commission. For a facility receiving a state appropriation of 28228
fifty thousand dollars or less, the Ohio cultural facilities 28229
commission may delegate to its executive director the authority to 28230
approve the provision of general building services by or at the 28231
direction of the agency or corporation, but not the authority to 28232
disapprove that provision. Any general building services to be 28233
provided by a governmental agency or nonprofit corporation for an 28234
Ohio sports facility shall be specified in an agreement between 28235
the Ohio cultural facilities commission and the governmental 28236
agency or nonprofit corporation. That agreement, and any actions 28237
taken under it, are not subject to Chapter 123. or 153. of the 28238
Revised Code, except for sections 123.081 and 153.011 of the 28239
Revised Code, and shall be subject to Chapter 4115. of the Revised 28240
Code. 28241

(D) This division does not apply to a state historical 28242
facility. No state funds, including any state bond proceeds, shall 28243
be spent on the construction of any cultural project under this 28244
chapter unless, with respect to the cultural project and to the 28245
Ohio cultural facility related to the project, all of the 28246
following apply: 28247

(1) The Ohio cultural facilities commission has determined 28248
that there is a need for the cultural project and the Ohio 28249
cultural facility related to the project in the region of the 28250
state in which the Ohio cultural facility is located or for which 28251
the facility is proposed. For a project receiving a state 28252
appropriation of fifty thousand dollars or less, the Ohio cultural 28253

facilities commission may delegate to its executive director the 28254
authority to determine need but only in the affirmative. 28255

(2) The Ohio cultural facilities commission has determined 28256
that, as an indication of substantial regional support for the 28257
cultural project, the cultural organization has made provision 28258
satisfactory to the Ohio cultural facilities commission, in its 28259
sole discretion, for local contributions amounting to not less 28260
than fifty per cent of the total state funding for the cultural 28261
project. For a project receiving a state appropriation of fifty 28262
thousand dollars or less, the Ohio cultural facilities commission 28263
may delegate to its executive director the authority to determine 28264
the adequacy of the regional support but only in the affirmative. 28265

(3) The general assembly has specifically authorized the 28266
spending of money on, or made an appropriation for, the 28267
construction of the cultural project, or for rental payments 28268
relating to the financing of the construction of the cultural 28269
project. Authorization to spend money, or an appropriation, for 28270
planning the cultural project does not constitute authorization to 28271
spend money on, or an appropriation for, construction of the 28272
cultural project. 28273

(E) No state funds, including any state bond proceeds, shall 28274
be spent on the construction of any state historical facility 28275
under this chapter unless the general assembly has specifically 28276
authorized the spending of money on, or made an appropriation for, 28277
the construction of the state historical project related to the 28278
facility, or for rental payments relating to the financing of the 28279
construction of the state historical project. Authorization to 28280
spend money, or an appropriation, for planning the state 28281
historical project does not constitute authorization to spend 28282
money on, or an appropriation for, the construction of the state 28283
historical project. 28284

(F) State funds shall not be used to pay or reimburse more 28285

than fifteen per cent of the initial estimated construction cost 28286
of an Ohio sports facility, excluding any site acquisition cost, 28287
and no state funds, including any state bond proceeds, shall be 28288
spent on any Ohio sports facility under this chapter unless, with 28289
respect to that facility, all of the following apply: 28290

(1) The Ohio cultural facilities commission has determined 28291
that there is a need for the facility in the region of the state 28292
for which the facility is proposed to provide the function of an 28293
Ohio sports facility as provided for in this chapter. For a 28294
facility receiving a state appropriation of fifty thousand dollars 28295
or less, the Ohio cultural facilities commission may delegate to 28296
its executive director the authority to determine need but only in 28297
the affirmative. 28298

(2) As an indication of substantial local support for the 28299
facility, the Ohio cultural facilities commission has received a 28300
financial and development plan satisfactory to it, and provision 28301
has been made, by agreement or otherwise, satisfactory to the Ohio 28302
cultural facilities commission, for a contribution amounting to 28303
not less than eighty-five per cent of the total estimated 28304
construction cost of the facility, excluding any site acquisition 28305
cost, from sources other than the state. For a facility receiving 28306
a state appropriation of fifty thousand dollars or less, the Ohio 28307
cultural facilities commission may delegate to its executive 28308
director the authority to evaluate the financial and development 28309
plan and the contribution and to determine their adequacy but only 28310
in the affirmative. 28311

(3) The general assembly has specifically authorized the 28312
spending of money on, or made an appropriation for, the 28313
construction of the facility, or for rental payments relating to 28314
state financing of all or a portion of the costs of constructing 28315
the facility. Authorization to spend money, or an appropriation, 28316
for planning or determining the feasibility of or need for the 28317

facility does not constitute authorization to spend money on, or 28318
an appropriation for, costs of constructing the facility. 28319

(4) If state bond proceeds are being used for the Ohio sports 28320
facility, the state or a governmental agency owns or has 28321
sufficient property interests in the facility or in the site of 28322
the facility or in the portion or portions of the facility 28323
financed from proceeds of state bonds, which may include, but is 28324
not limited to, the right to use or to require the use of the 28325
facility for the presentation of sport and athletic events to the 28326
public at the facility. 28327

(G) In addition to the requirements of division (F) of this 28328
section, no state funds, including any state bond proceeds, shall 28329
be spent on any Ohio sports facility that is a motorsports 28330
complex, unless, with respect to that facility, both of the 28331
following apply: 28332

(1) Motorsports events shall be presented at the facility 28333
pursuant to a lease entered into with the owner of the facility. 28334
The term of the lease shall be for a period of not less than the 28335
greater of the useful life of the portion of the facility financed 28336
from proceeds of state bonds as determined using the guidelines 28337
for maximum maturities as provided under divisions (B) and (C) of 28338
section 133.20 of the Revised Code, or the period of time 28339
remaining to the date of payment or provision for payment of 28340
outstanding state bonds allocable to costs of the facility, all as 28341
determined by the director of budget and management and certified 28342
by the director to the Ohio cultural facilities commission and to 28343
the treasurer of state. 28344

(2) Any motorsports organization that commits to using the 28345
facility for an established period of time shall give the 28346
political subdivision in which the facility is located not less 28347
than six months' advance notice if the organization intends to 28348
cease utilizing the facility prior to the expiration of that 28349

established period. Such a motorsports organization shall be 28350
liable to the state for any state funds used on the construction 28351
costs of the facility. 28352

(H) In addition to the requirements of division (F) of this 28353
section, no state bond proceeds shall be spent on any Ohio sports 28354
facility that is a tennis facility, unless the owner or manager of 28355
the facility provides contractual commitments from a national or 28356
international professional tennis organization in a form 28357
acceptable to the cultural facilities commission that assures that 28358
one or more sanctioned professional tennis events will be 28359
presented at the facility during each year that the bonds remain 28360
outstanding. 28361

Sec. 3701.021. (A) The ~~public director of health council~~ 28362
shall adopt, in accordance with Chapter 119. of the Revised Code, 28363
such rules as are necessary to carry out sections 3701.021 to 28364

of that section. Referrals of potentially eligible children for 28421
