circumstance, or incident that creates a substantial risk to the 64569
health and safety of the residents, the director shall conduct a 64570
survey as soon as practicable at each residential facility owned 64571

applies to residential facilities or the rules adopted under such 64598
a provision, or whether conditions at a residential facility 64599
present an immediate danger of physical or psychological harm to 64600
the residents, the director may rely on information obtained by a 64601

The director shall adopt rules in accordance with Chapter 119. of 64613
the Revised Code to implement this division. The rules shall 64614
establish the procedures by which the public notification will be 64615

if the director has taken action against the facility in the 64618
eighteen-month period immediately preceding the director's latest 64619
action against the facility and the latest action is being taken 64620
for the same or a substantially similar violation of a provision 64621
of this chapter that applies to residential facilities or the 64622
rules adopted under such a provision. The rules shall specify a 64623
method for removing or amending the public notification if the 64624
director's action is found to have been unjustified or the 64625
violation at the residential facility has been corrected. 64626

(F)(1) Except as provided in division (F)(2) of this section, 64627
appeals from proceedings initiated to impose a sanction under 64628
division (D) of this section shall be conducted in accordance with 64629

Chapter 119. of the Revised Code. 64630

(2) Appeals from proceedings initiated to order the 64631

(I) Before issuing a license, the director of the department 64713
or the director's designee shall conduct a survey of the 64714
residential facility for which application is made. The director 64715
or the director's designee shall conduct a survey of each licensed 64716
residential facility at least once during the period the license 64717

survey includes but is not limited to an on-site examination and 64719
evaluation of the residential facility, its personnel, and the 64720

services provided there. 64721

In conducting surveys, the director or the director's 64722

designee in conducting the survey. 64730

Following each survey, unless the director initiates a 64731
license revocation proceeding, the director or the director's 64732
designee shall provide the licensee with a report listing any 64733
deficiencies, specifying a timetable within which the licensee 64734
shall submit a plan of correction describing how the deficiencies 64735
will be corrected, and, when appropriate, specifying a timetable 64736
within which the licensee must correct the deficiencies. After a 64737

report and any approved plan of correction shall be provided to 64740
any person who requests it. 64741

The director shall initiate disciplinary action against any 64742

(J) In addition to any other information which may be 64746
required of applicants for a license pursuant to this section, the 64747
director shall require each applicant to provide a copy of an 64748

section 5123.042 of the Revised Code. This division does not apply 64750

(K) A licensee shall notify the owner of the building in 64754
which the licensee's residential facility is located of any 64755

is not the owner of the building. 64758

Pursuant to rules which shall be adopted in accordance with 64759
Chapter 119. of the Revised Code, the director may require 64760
notification to the department of any significant change in the 64761
ownership of a residential facility or in the identity of the 64762
licensee or management contractor. If the director determines that 64763
a significant change of ownership is proposed, the director shall 64764
consider the proposed change to be an application for development 64765
by a new operator pursuant to section 5123.042 of the Revised Code 64766
and shall advise the applicant within sixty days of the 64767
notification that the current license shall continue in effect or 64768
a new license will be required pursuant to this section. If the 64769
director requires a new license, the director shall permit the 64770
facility to continue to operate under the current license until 64771
the new license is issued, unless the current license is revoked, 64772
refused to be renewed, or terminated in accordance with Chapter 64773
119. of the Revised Code. 64774

(L) A county board of developmental disabilities, the legal 64775

residential facilities with the department. All complaints shall 64778
be in writing and shall state the facts constituting the basis of 64779
the allegation. The department shall not reveal the source of any 64780
complaint unless the complainant agrees in writing to waive the 64781
right to confidentiality or until so ordered by a court of 64782
competent jurisdiction. 64783

The department shall adopt rules in accordance with Chapter 64784

119. of the Revised Code establishing procedures for the receipt, 64785
referral, investigation, and disposition of complaints filed with 64786
the department under this division. 64787

(M) The department shall establish procedures for the 64788
notification of interested parties of the transfer or interim care 64789
of residents from residential facilities that are closing or are 64790
losing their license. 64791

(N) Before issuing a license under this section to a 64792
residential facility that will accommodate at any time more than 64793
one mentally retarded or developmentally disabled individual, the 64794
director shall, by first class mail, notify the following: 64795

territory, the clerk of the appropriate board of county 64800

The director shall not issue the license for ten days after 64803
mailing the notice, excluding Saturdays, Sundays, and legal 64804
holidays, in order to give the notified local officials time in 64805
which to comment on the proposed issuance. 64806

Any legislative authority of a municipal corporation, board 64807
of county commissioners, or board of township trustees that 64808
receives notice under this division of the proposed issuance of a 64809
license for a residential facility may comment on it in writing to 64810
the director within ten days after the director mailed the notice, 64811
excluding Saturdays, Sundays, and legal holidays. If the director 64812
receives written comments from any notified officials within the 64813
specified time, the director shall make written findings 64814
concerning the comments and the director's decision on the 64815

issuance of the license. If the director does not receive written 64816
comments from any notified local officials within the specified 64817
time, the director shall continue the process for issuance of the 64818
license. 64819

(O) Any person may operate a licensed residential facility 64820
that provides room and board, personal care, habilitation 64821

not more than eight persons with mental retardation or a 64823
developmental disability as a permitted use in any residential 64824

facilities may be required to comply with area, height, yard, and 64827
architectural compatibility requirements that are uniformly 64828
imposed upon all single-family residences within the district or 64829
zone. 64830

(P) Any person may operate a licensed residential facility 64831
that provides room and board, personal care, habilitation 64832
services, and supervision in a family setting for at least nine 64833
but not more than sixteen persons with mental retardation or a 64834
developmental disability as a permitted use in any multiple-family 64835
residential district or zone of any political subdivision, except 64836
that a political subdivision that has enacted a zoning ordinance 64837
or resolution establishing planned unit development districts may 64838
exclude these residential facilities from those districts, and a 64839
political subdivision that has enacted a zoning ordinance or 64840
resolution may regulate these residential facilities in 64841
multiple-family residential districts or zones as a conditionally 64842
permitted use or special exception, in either case, under 64843
reasonable and specific standards and conditions set out in the 64844
zoning ordinance or resolution to: 64845

(1) Require the architectural design and site layout of the 64846

(2) Require compliance with yard, parking, and sign 64850
regulation; 64851

(3) Limit excessive concentration of these residential 64852
facilities. 64853

(Q) This section does not prohibit a political subdivision 64854
from applying to residential facilities nondiscriminatory 64855
regulations requiring compliance with health, fire, and safety 64856
regulations and building standards and regulations. 64857

(R) Divisions (O) and (P) of this section are not applicable 64858
to municipal corporations that had in effect on June 15, 1977, an 64859
ordinance specifically permitting in residential zones licensed 64860

uses, or special exception, so long as such ordinance remains in 64862
effect without any substantive modification. 64863

(S)(1) The director may issue an interim license to operate a 64864
residential facility to an applicant for a license under this 64865
section if either of the following is the case: 64866

(a) The director determines that an emergency exists 64867
requiring immediate placement of persons in a residential 64868
facility, that insufficient licensed beds are available, and that 64869
the residential facility is likely to receive a permanent license 64870
under this section within thirty days after issuance of the 64871
interim license. 64872

(b) The director determines that the issuance of an interim 64873
license is necessary to meet a temporary need for a residential 64874
facility. 64875

(2) To be eligible to receive an interim license, an 64876
applicant must meet the same criteria that must be met to receive 64877

a permanent license under this section, except for any differing 64878
procedures and time frames that may apply to issuance of a 64879
permanent license. 64880

(4) The director shall adopt rules in accordance with Chapter 64884
119. of the Revised Code as the director considers necessary to 64885
administer the issuance of interim licenses. 64886

(T) Notwithstanding rules adopted pursuant to this section 64887
establishing the maximum number of persons who may be served in a 64888
particular type of residential facility, a residential facility 64889
shall be permitted to serve the same number of persons being 64890
served by the facility on the effective date of the rules or the 64891
number of persons for which the facility is authorized pursuant to 64892
a current application for a certificate of need with a letter of 64893
support from the department of developmental disabilities and 64894
which is in the review process prior to April 4, 1986. 64895

time, for purposes of investigation, any home, facility, or other 64897

director has reasonable cause to believe is being operated as a 64899
residential facility without a license issued under this section. 64900

The director may petition the court of common pleas of the 64901
county in which an unlicensed residential facility is located for 64902
an order enjoining the person or governmental agency operating the 64903
facility from continuing to operate without a license. The court 64904
may grant the injunction on a showing that the person or 64905
governmental agency named in the petition is operating a 64906
residential facility without a license. The court may grant the 64907
injunction, regardless of whether the residential facility meets 64908

the requirements for receiving a license under this section. 64909

adjudications, as specified in the following formula: 66438

(1) The department shall give to each county a proportional 66439
allocation of commitment credits. The proportional allocation of 66440
commitment credits shall be calculated by the following 66441
procedures: 66442

(a) The department shall determine for each county and for 66443
the state a ~~four-year~~ an average of felony adjudications. 66444
Beginning July 1, 2012, the average shall include felony 66445
adjudications for fiscal year 2007 and for each subsequent fiscal 66446
year through fiscal year 2016. Beginning July 1, 2017, the most 66447
recent felony adjudication data shall be included and the oldest 66448
fiscal year data shall be removed so that a ten-year average of 66449
felony adjudication data will be maintained. 66450

(b) The department shall determine for each county and for 66451
the state the number of charged bed days, for both the department 66452
and community correctional facilities, from the previous year. 66453

(c) The department shall divide the statewide total number of 66454
charged bed days by the statewide total number of felony 66455
adjudications, which quotient shall then be multiplied by a factor 66456
determined by the department. 66457

(d) The department shall calculate the county's allocation of 66458
credits by multiplying the number of adjudications for each court 66459
by the result determined pursuant to division (C)(1)(c) of this 66460
section. 66461

(2) The department shall subtract from the allocation 66462
determined pursuant to division (C)(1) of this section a credit 66463

for every chargeable bed day a youth stays in a department 66464
institution and two-thirds of credit for every chargeable bed day 66465
a youth stays in a community correctional facility, except for 66466
public safety beds. At the end of the year, the department shall 66467
divide the amount of remaining credits of that county's allocation 66468
by the total number of remaining credits to all counties, to 66469
determine the county's percentage, which shall then be applied to 66470
the total county allocation to determine the county's payment for 66471
the fiscal year. 66472

(3) The department shall pay counties three times during the 66473
fiscal year to allow for credit reporting and audit adjustments, 66474
and modifications to the appropriated line item for the care and 66475
custody of felony delinquents, as described in this section. The 66476
department shall pay fifty per cent of the payment by the 66477
fifteenth of July of each fiscal year, twenty-five per cent by the 66478
fifteenth of January of that fiscal year, and twenty-five per cent 66479
of the payment by the fifteenth of June of that fiscal year. 66480

~~(D) In fiscal year 2004, the payment of county juvenile 66481
programs shall be based on the following procedure:~~ 66482

~~(1) The department shall divide the funding earned by each 66483
court in fiscal year 2003 by the aggregate funding of all courts,
resulting in a percentage. 66484
66485~~

~~(2) The department shall apply the percentage determined 66486
under division (D)(1) of this section to the total county juvenile 66487
program allocation for fiscal year 2004 to determine each court's 66488
total payment. 66489~~

~~(3) The department shall make payments in accordance with the 66490
schedule established in division (C)(3) of this section. 66491~~

Sec. 5139.43. (A) The department of youth services shall 66492
operate a felony delinquent care and custody program that shall be 66493

operated in accordance with the formula developed pursuant to 66494
section 5139.41 of the Revised Code, subject to the conditions 66495
specified in this section. 66496

(B)(1) Each juvenile court shall use the moneys disbursed to 66497
it by the department of youth services pursuant to division (B) of 66498
section 5139.41 of the Revised Code in accordance with the 66499
applicable provisions of division (B)(2) of this section and shall 66500
transmit the moneys to the county treasurer for deposit in 66501
accordance with this division. The county treasurer shall create 66502
in the county treasury a fund that shall be known as the felony 66503
delinquent care and custody fund and shall deposit in that fund 66504
the moneys disbursed to the juvenile court pursuant to division 66505
(B) of section 5139.41 of the Revised Code. The county treasurer 66506
also shall deposit into that fund the state subsidy funds granted 66507
to the county pursuant to section 5139.34 of the Revised Code. The 66508
moneys disbursed to the juvenile court pursuant to division (B) of 66509
section 5139.41 of the Revised Code and deposited pursuant to this 66510
division in the felony delinquent care and custody fund shall not 66511
be commingled with any other county funds except state subsidy 66512
funds granted to the county pursuant to section 5139.34 of the 66513
Revised Code; shall not be used for any capital construction 66514
projects; upon an order of the juvenile court and subject to 66515
appropriation by the board of county commissioners, shall be 66516
disbursed to the juvenile court for use in accordance with the 66517
applicable provisions of division (B)(2) of this section; shall 66518
not revert to the county general fund at the end of any fiscal 66519
year; and shall carry over in the felony delinquent care and 66520
custody fund from the end of any fiscal year to the next fiscal 66521
year. The maximum balance carry-over at the end of each respective 66522
fiscal year in the felony delinquent care and custody fund in any 66523
county from funds allocated to the county pursuant to sections 66524
5139.34 and 5139.41 of the Revised Code in the previous fiscal 66525
year shall not exceed an amount to be calculated as provided in 66526

the formula set forth in this division, unless that county has 66527
applied for and been granted an exemption by the director of youth 66528
services. Beginning June 30, 2008, the maximum balance carry-over 66529
at the end of each respective fiscal year shall be determined by 66530
the following formula: for fiscal year 2008, the maximum balance 66531
carry-over shall be one hundred per cent of the allocation for 66532
fiscal year 2007, to be applied in determining the fiscal year 66533
2009 allocation; for fiscal year 2009, it shall be fifty per cent 66534
of the allocation for fiscal year 2008, to be applied in 66535
determining the fiscal year 2010 allocation; for fiscal year 2010, 66536
it shall be twenty-five per cent of the allocation for fiscal year 66537
2009, to be applied in determining the fiscal year 2011 66538
allocation; and for each fiscal year subsequent to fiscal year 66539
2010, it shall be twenty-five per cent of the allocation for the 66540
immediately preceding fiscal year, to be applied in determining 66541
the allocation for the next immediate fiscal year. The department 66542
shall withhold from future payments to a county an amount equal to 66543
any moneys in the felony delinquent care and custody fund of the 66544
county that exceed the total maximum balance carry-over that 66545
applies for that county for the fiscal year in which the payments 66546
are being made and shall reallocate the withheld amount. The 66547
department shall adopt rules for the withholding and reallocation 66548
of moneys disbursed under sections 5139.34 and 5139.41 of the 66549
Revised Code and for the criteria and process for a county to 66550
obtain an exemption from the withholding requirement. The moneys 66551
disbursed to the juvenile court pursuant to division (B) of 66552
section 5139.41 of the Revised Code and deposited pursuant to this 66553
division in the felony delinquent care and custody fund shall be 66554
in addition to, and shall not be used to reduce, any usual annual 66555
increase in county funding that the juvenile court is eligible to 66556
receive or the current level of county funding of the juvenile 66557
court and of any programs or services for delinquent children, 66558
unruly children, or juvenile traffic offenders. 66559

(2)(a) A county and the juvenile court that serves the county 66560
shall use the moneys in its felony delinquent care and custody 66561
fund in accordance with rules that the department of youth 66562
services adopts pursuant to division (D) of section 5139.04 of the 66563
Revised Code and as follows: 66564

intervention, diversion, treatment, and rehabilitation programs 66568
that are provided for alleged or adjudicated unruly children or 66569
delinquent children or for children who are at risk of becoming 66570
unruly children or delinquent children. The county shall not use 66571
for capital improvements more than fifteen per cent of the moneys 66572
in the fund that represent the applicable annual grant of those 66573
state subsidy funds. 66574

(ii) The moneys in the fund that were disbursed to the 66575
juvenile court pursuant to division (B) of section 5139.41 of the 66576
Revised Code and deposited pursuant to division (B)(1) of this 66577
section in the fund shall be used to provide programs and services 66578
for the training, treatment, or rehabilitation of felony 66579
delinquents that are alternatives to their commitment to the 66580
department, including, but not limited to, community residential 66581
programs, day treatment centers, services within the home, and 66582
electronic monitoring, and shall be used in connection with 66583
training, treatment, rehabilitation, early intervention, or other 66584
programs or services for any delinquent child, unruly child, or 66585
juvenile traffic offender who is under the jurisdiction of the 66586
juvenile court. 66587

The fund also may be used for prevention, early intervention, 66588
diversion, treatment, and rehabilitation programs that are 66589
provided for alleged or adjudicated unruly children, delinquent 66590
children, or juvenile traffic offenders or for children who are at 66591

risk of becoming unruly children, delinquent children, or juvenile traffic offenders. Consistent with division (B)(1) of this section, a county and the juvenile court of a county shall not use any of those moneys for capital construction projects.

(iii) Moneys in the fund shall not be used to support programs or services that do not comply with federal juvenile justice and delinquency prevention core requirements or to support programs or services that research has shown to be ineffective. ~~Moneys in the fund shall be prioritized to research-supported~~ Research-supported, outcome-based programs and services, to the extent they are available, shall be encouraged.

(iv) The county and the juvenile court that serves the county may use moneys in the fund to provide out-of-home placement of children only in detention centers, community rehabilitation centers, or community corrections facilities approved by the department pursuant to standards adopted by the department, licensed by an authorized state agency, or accredited by the American correctional association or another national organization recognized by the department.

(b) Each juvenile court shall comply with division (B)(3)(d) of this section as implemented by the department. If a juvenile court fails to comply with division (B)(3)(d) of this section, the department shall not be required to make any disbursements in accordance with division (C) ~~or (D)~~ of section 5139.41 or division (C)(2) of section 5139.34 of the Revised Code.

(3) In accordance with rules adopted by the department pursuant to division (D) of section 5139.04 of the Revised Code, each juvenile court and the county served by that juvenile court shall do all of the following that apply:

(a) The juvenile court shall prepare an annual grant agreement and application for funding that satisfies the

requirements of this section and section 5139.34 of the Revised Code and that pertains to the use, upon an order of the juvenile court and subject to appropriation by the board of county commissioners, of the moneys in its felony delinquent care and custody fund for specified programs, care, and services as described in division (B)(2)(a) of this section, shall submit that agreement and application to the county family and children first council, the regional family and children first council, or the local intersystem services to children cluster as described in sections 121.37 and 121.38 of the Revised Code, whichever is applicable, and shall file that agreement and application with the department for its approval. The annual grant agreement and application for funding shall include a method of ensuring equal access for minority youth to the programs, care, and services specified in it.

The department may approve an annual grant agreement and application for funding only if the juvenile court involved has complied with the preparation, submission, and filing requirements described in division (B)(3)(a) of this section. If the juvenile court complies with those requirements and the department approves that agreement and application, the juvenile court and the county served by the juvenile court may expend the state subsidy funds granted to the county pursuant to section 5139.34 of the Revised Code only in accordance with division (B)(2)(a) of this section, the rules pertaining to state subsidy funds that the department adopts pursuant to division (D) of section 5139.04 of the Revised Code, and the approved agreement and application.

(b) By the thirty-first day of August of each year, the juvenile court shall file with the department a report that contains all of the statistical and other information for each month of the prior state fiscal year. If the juvenile court fails to file the report required by division (B)(3)(b) of this section

by the thirty-first day of August of any year, the department 66655
shall not disburse any payment of state subsidy funds to which the 66656
county otherwise is entitled pursuant to section 5139.34 of the 66657
Revised Code and shall not disburse pursuant to division (B) of 66658
section 5139.41 of the Revised Code the applicable allocation 66659
until the juvenile court fully complies with division (B)(3)(b) of 66660
this section. 66661

(c) If the department requires the juvenile court to prepare 66662
monthly statistical reports and to submit the reports on forms 66663
provided by the department, the juvenile court shall file those 66664
reports with the department on the forms so provided. If the 66665
juvenile court fails to prepare and submit those monthly 66666
statistical reports within the department's timelines, the 66667
department shall not disburse any payment of state subsidy funds 66668
to which the county otherwise is entitled pursuant to section 66669
5139.34 of the Revised Code and shall not disburse pursuant to 66670
division (B) of section 5139.41 of the Revised Code the applicable 66671
allocation until the juvenile court fully complies with division 66672
(B)(3)(c) of this section. If the juvenile court fails to prepare 66673
and submit those monthly statistical reports within one hundred 66674
eighty days of the date the department establishes for their 66675

the applicable allocation, and the state subsidy funds and the 66680
remainder of the applicable allocation shall revert to the 66681
department. If a juvenile court states in a monthly statistical 66682
report that the juvenile court adjudicated within a state fiscal 66683
year five hundred or more children to be delinquent children for 66684
committing acts that would be felonies if committed by adults and 66685
if the department determines that the data in the report may be 66686
inaccurate, the juvenile court shall have an independent auditor 66687

or other qualified entity certify the accuracy of the data on a 66688
date determined by the department. 66689

(d) If the department requires the juvenile court and the 66690
county to participate in a fiscal monitoring program or another 66691
monitoring program that is conducted by the department to ensure 66692
compliance by the juvenile court and the county with division (B) 66693
of this section, the juvenile court and the county shall 66694
participate in the program and fully comply with any guidelines 66695
for the performance of audits adopted by the department pursuant 66696
to that program and all requests made by the department pursuant 66697
to that program for information necessary to reconcile fiscal 66698
accounting. If an audit that is performed pursuant to a fiscal 66699
monitoring program or another monitoring program described in this 66700
division determines that the juvenile court or the county used 66701
moneys in the county's felony delinquent care and custody fund for 66702
expenses that are not authorized under division (B) of this 66703
section, within forty-five days after the department notifies the 66704
county of the unauthorized expenditures, the county either shall 66705
repay the amount of the unauthorized expenditures from the county 66706
general revenue fund to the state's general revenue fund or shall 66707
file a written appeal with the department. If an appeal is timely 66708
filed, the director of the department shall render a decision on 66709
the appeal and shall notify the appellant county or its juvenile 66710
court of that decision within forty-five days after the date that 66711
the appeal is filed. If the director denies an appeal, the 66712
county's fiscal agent shall repay the amount of the unauthorized 66713
expenditures from the county general revenue fund to the state's 66714
general revenue fund within thirty days after receiving the 66715
director's notification of the appeal decision. 66716

(C) The determination of which county a reduction of the care 66717
and custody allocation will be charged against for a particular 66718
youth shall be made as outlined below for all youths who do not 66719

qualify as public safety beds. The determination of which county a 66720
reduction of the care and custody allocation will be charged 66721
against shall be made as follows until each youth is released: 66722

charged against the committing county. 66724

(2) In the event of a recommitment, the reduction shall be 66725
charged against the original committing county until the 66726
expiration of the minimum period of institutionalization under the 66727
original order of commitment or until the date on which the youth 66728
is admitted to the department of youth services pursuant to the 66729
order of recommitment, whichever is later. Reductions of the 66730
allocation shall be charged against the county that recommitted 66731
the youth after the minimum expiration date of the original 66732
commitment. 66733

(3) In the event of a revocation of a release on parole, the 66734
reduction shall be charged against the county that revokes the 66735
youth's parole. 66736

(D) A juvenile court is not precluded by its allocation 66737
amount for the care and custody of felony delinquents from 66738
committing a felony delinquent to the department of youth services 66739
for care and custody in an institution or a community corrections 66740
facility when the juvenile court determines that the commitment is 66741
appropriate. 66742

facility under the control of the department of youth services, 66744
the department of youth services shall attempt to verify the 66745
youth's identification and social security number. If the 66746
department is able to verify the youth's identity with a verified 66747
birth certificate and social security number, the department shall 66748
issue an identification card that the youth may present to the 66749
registrar or deputy registrar of motor vehicles. If the department 66750

is not able to verify the youth's identity with both a verified 66751
birth certificate and social security number, the youth shall not 66752
receive an identification card under this section. 66753

Sec. 5149.311. (A) The department of rehabilitation and 66754

number of ~~felony~~ offenders on probation supervision who violate 66762
the conditions of their supervision. 66763

(2) The department shall adopt rules for the distribution of 66764
the probation improvement grant, including the formula for the 66765
allocation of the subsidy based on the number of ~~felony~~ offenders 66766
placed on probation annually in each jurisdiction. 66767

(C)(1) The probation incentive grant shall provide a 66768
performance-based level of funding to court ~~of common pleas~~ 66769
probation departments that are successful in reducing the number 66770
of felony offenders on probation supervision whose terms of 66771
supervision are revoked. 66772

(2) The department shall calculate annually any cost savings 66773
realized by the state from a reduction in the percentage of people 66774
who are incarcerated because their terms of supervised probation 66775
were revoked. The cost savings estimate shall be calculated for 66776
each ~~county~~ jurisdiction served by the probation department 66777

difference from fiscal year 2010 and the fiscal year under 66779

(3) The department shall adopt rules that specify the subsidy amount to be appropriated to court ~~of common pleas~~ probation departments that successfully reduce the percentage of people on probation who are incarcerated because their terms of supervision are revoked.

children alleged to be abused, neglected, or dependent children 66817
and in achieving permanency for a child committed to the agency's 66818

of the Revised Code. 67951

resolution to renew an existing levy, regardless of the section of 67959
the Revised Code under which the tax was imposed, shall not be 67960
placed on the ballot unless the question is submitted at the 67961
general election held during the last year the tax to be renewed 67962
or replaced may be extended on the real and public utility 67963
property tax list and duplicate, or at any election held in the 67964

making appropriations for one or more of the following purposes: 67969
for public assistance, human or social services, relief, welfare, 67970

The board shall make the necessary arrangements for the 67983

submission of such questions to the electors of such subdivision, 67984

(C) If the levy is to be in effect for a continuing period of 68013
time, the notice of election and the form of ballot shall so state 68014

If the tax is to be placed on the current tax list, the form 68016
of the ballot shall be modified by adding, after the statement of 68017
the number of years the levy is to run, the phrase ", commencing 68018

filed with the county auditor or county budget commission. 68126

(c) The total appropriations from each fund of a taxing unit 68127
that does not levy a tax shall not exceed the total estimated 68128
revenue available for expenditures from the fund, and 68129
appropriations shall be made from each fund only for the purposes 68130
for which the fund is established. 68131

(C)(1) To assist in the preparation of the tax budget, the 68132
head of each department, board, commission, and district authority 68133
entitled to participate in any appropriation or revenue of a 68134
subdivision shall file with the taxing authority, or in the case 68135
of a municipal corporation, with its chief executive officer, 68136
before the forty-fifth day prior to the date on which the budget 68137
must be adopted, an estimate of contemplated revenue and 68138
expenditures for the ensuing fiscal year, in such form as is 68139

prescribed by the taxing authority of the subdivision or by the auditor of state. The taxing authority shall include in its budget of expenditures the full amounts requested by district authorities, not to exceed the amount authorized by law, if such authorities may fix the amount of revenue they are to receive from the subdivision. In a municipal corporation in which a special levy for a municipal university has been authorized to be levied in excess of the ten-mill limitation, or is required by the charter of the municipal corporation, the taxing authority shall include an amount not less than the estimated yield of such levy, if such amount is requested by the board of directors of the municipal university.

(2) A county board of developmental disabilities may include within its estimate of contemplated revenue and expenditures a reserve balance account in the community developmental disabilities residential services fund. The account shall contain money that is not needed to pay for current expenses for residential services and supported living but will be needed to pay for expenses for such services in the future or may be needed for unanticipated emergency expenses. On the request of the county board of developmental disabilities, the board of county commissioners shall include such an account in its budget of expenditures and appropriate money to the account from residential service moneys for the county board.

(D) The board of trustees of any public library desiring to participate in the distribution of the county public library fund shall adopt appropriate rules extending the benefits of the library service of such library to all the inhabitants of the county on equal terms, unless such library service is by law available to all such inhabitants, and shall certify a copy of such rules to the taxing authority with its estimate of contemplated revenue and expenditures. Where such rules have been

so certified or where the adoption of such rules is not required, 68172
the taxing authority shall include in its budget of receipts such 68173
amounts as are specified by such board as contemplated revenue 68174
from the county public library fund, and in its budget of 68175
expenditures the full amounts requested therefrom by such board. 68176
No library association, incorporated or unincorporated, is 68177
entitled to participate in the proceeds of the county public 68178
library fund unless such association both was organized and 68179
operating prior to January 1, 1968, and participated in the 68180
distribution of the proceeds of the county public library fund 68181
prior to December 31, 2005. 68182

Sec. 5705.30. This section does not apply to a subdivision 68183
for which the county budget commission has waived the requirement 68184
to adopt a tax budget under section 5705.281 of the Revised Code. 68185

In addition to the information required by section 5705.29 of 68186
the Revised Code, the budget of each subdivision and school 68187
library district shall include such other information as is 68188
prescribed by the auditor of state. At least two copies of the 68189
budget shall be filed in the office of the fiscal officer of the 68190
subdivision for public inspection not less than ten days before 68191
its adoption by the taxing authority, and such taxing authority 68192
shall hold at least one public hearing thereon, of which public 68193
notice shall be given by at least one publication not less than 68194
ten days prior to the date of hearing in the official publication 68195
of such subdivision, or in a newspaper having general circulation 68196
in the subdivision. The budget, after adoption, shall be submitted 68197
to the county auditor on or before the twentieth day of July, or 68198
in the case of a school district or the city of Cincinnati, by the 68199
twentieth day of January. The tax commissioner may prescribe a 68200
later date for the submission of a subdivision's tax budget. Any 68201
subdivision that fails to submit its budget to the county auditor 68202
on or before the ~~twentieth day of July, unless the commissioner on~~ 68203

~~er before the twentieth day of July prescribes date prescribed by~~ 68204
~~this section or a later date for submission of the budget by that~~ 68205
~~subdivision, prescribed by the commissioner~~ shall not receive an 68206
apportionment from the undivided local government fund 68207
distribution for the ensuing calendar year, ~~unless upon review of~~ 68208
~~the matter~~ the commissioner determines that the budget was adopted 68209
by the subdivision on or before the ~~fifteenth~~ fifth day ~~of July~~ 68210
before the date prescribed by this section for submitting the 68211
budget, but was not submitted ~~to the county auditor~~ by the 68212
~~twentieth day of July~~ date so prescribed or the later time 68213
prescribed by the commissioner because of ministerial error by the 68214
subdivision or its officers, employees, or other representatives. 68215

Sec. 5705.34. When the budget commission has completed its 68216
work with respect to a tax budget or other information required to 68217
be provided under section 5705.281 of the Revised Code, it shall 68218
certify its action to the taxing authority, together with an 68219
estimate by the county auditor of the rate of each tax necessary 68220
to be levied by the taxing authority within its subdivision or 68221
taxing unit, and what part thereof is in excess of, and what part 68222
within, the ten-mill tax limitation. The certification shall also 68223
indicate the date on which each tax levied by the taxing authority 68224
will expire. 68225

If a taxing authority levies a tax for a fixed sum of money 68226
or to pay debt charges for the tax year for which the tax budget 68227
is prepared, and a payment on account of that tax is payable to 68228
the taxing authority for the tax year under section 5727.85, 68229
5727.86, 5751.21, or 5751.22 of the Revised Code, the county 68230
auditor, when estimating the rate at which the tax shall be levied 68231
in the current year, shall estimate the rate necessary to raise 68232
the required sum less the estimated amount of any payments made 68233
for the tax year to a taxing unit for fixed-sum levies under those 68234
sections. The estimated rate shall be the rate of the levy that 68235

the budget commission certifies with its action under this 68236
section. 68237

Each taxing authority, by ordinance or resolution, shall 68238
authorize the necessary tax levies and certify them to the county 68239
auditor before the first day of October in each year, or at such 68240
later date as is approved by the tax commissioner, except that the 68241
certification by the legislative authority of the city of 68242
Cincinnati or by a board of education shall be made by the first 68243
day of April or at such later date as is approved by the 68244
commissioner, and except that a township board of park 68245
commissioners that is appointed by the board of township trustees 68246
and oversees a township park district that contains only 68247
unincorporated territory shall authorize only those taxes approved 68248
by, and only at the rate approved by, the board of township 68249
trustees as required by division (C) of section 511.27 of the 68250
Revised Code. If the levying of a tax to be placed on the 68251
duplicate of the current year is approved by the electors of the 68252
subdivision under sections 5705.01 to 5705.47 of the Revised Code; 68253
if the rate of a school district tax is increased due to the 68254
repeal of a school district income tax and property tax rate 68255
reduction at an election held pursuant to section 5748.04 of the 68256
Revised Code; or if refunding bonds to refund all or a part of the 68257
principal of bonds payable from a tax levy for the ensuing fiscal 68258
year are issued or sold and in the process of delivery, the budget 68259
commission shall reconsider and revise its action on the budget of 68260
the subdivision or school library district for whose benefit the 68261
tax is to be levied after the returns of such election are fully 68262
canvassed, or after the issuance or sale of such refunding bonds 68263
is certified to it. 68264

Sec. 5705.35. (A) The certification of the budget commission 68265
to the taxing authority of each subdivision or taxing unit, as set 68266
forth in section 5705.34 of the Revised Code, shall show the 68267

various funds of such subdivisions other than funds to be created 68268
by transfer and shall be filed by the county budget commission 68269
with such taxing authority on or before the first day of March in 68270
the case of school districts and the city of Cincinnati and on or 68271
before the first day of September in each year in the case of all 68272
other taxing authorities. There shall be set forth on the credit 68273
side of each fund the estimated unencumbered balances and 68274
receipts, and if a tax is to be levied for such fund, the 68275
estimated revenue to be derived therefrom, the rate of the levy, 68276
and what portion thereof is within, and what in excess of, the 68277
ten-mill tax limitation, and on the debit side, the total 68278
appropriations that may be made therefrom. Subject to division (G) 68279
of section 5705.29 of the Revised Code, any reserve balance in an 68280
account established under section 5705.13 of the Revised Code for 68281
the purpose described in division (A)(1) of that section, and the 68282
principal of a nonexpendable trust fund established under section 68283
5705.131 of the Revised Code and any additions to principal 68284
arising from sources other than the reinvestment of investment 68285
earnings arising from that fund, are not unencumbered balances for 68286
the purposes of this section. The balance in a reserve balance 68287
account established under section 5705.132 of the Revised Code is 68288
not an unencumbered balance for the purposes of this division. 68289

There shall be attached to the certification a summary, which 68290
shall be known as the "official certificate of estimated 68291
resources," that shall state the total estimated resources of each 68292
fund of the subdivision that are available for appropriation in 68293
the fiscal year, other than funds to be created by transfer, and a 68294
statement of the amount of the total tax duplicate of the school 68295
district to be used in the collection of taxes for the following 68296
calendar year. Before the end of the fiscal year, the taxing 68297
authority of each subdivision and other taxing unit shall revise 68298
its tax budget, if one was adopted, so that the total contemplated 68299
expenditures from any fund during the ensuing fiscal year will not 68300

exceed the total appropriations that may be made from such fund, 68301
as determined by the budget commission in its certification; and 68302
such revised budget shall be the basis of the annual appropriation 68303
measure. 68304

(B)(1) Except as otherwise provided in division (B)(2) of 68305
this section, revenues from real property taxes scheduled to be 68306
settled on or before the tenth day of August and the fifteenth day 68307
of February of a fiscal year under divisions (A) and (C) of 68308
section 321.24 of the Revised Code, and revenue from taxes levied 68309
on personal property used in business scheduled to be settled on 68310
or before the thirty-first day of October and the thirtieth day of 68311
June of a fiscal year under divisions (B) and (D) of section 68312
321.24 of the Revised Code shall not be available for 68313
appropriation by a board of education prior to the fiscal year in 68314
which such latest scheduled settlement date occurs, except that 68315
moneys advanced to the treasurer of a board of education under 68316
division (A)(2)(b) of section 321.34 of the Revised Code shall be 68317
available for appropriation in the fiscal year in which they are 68318
paid to the treasurer under such section. If the date for any 68319
settlement of taxes is extended under division (E) of section 68320
321.24 of the Revised Code, the latest date set forth in divisions 68321
(A) to (D) of that section shall be used to determine in which 68322
fiscal year the revenues are first available for appropriation. 68323

(2) Revenues available for appropriation by a school district 68324
during a fiscal year may include amounts borrowed in that fiscal 68325
year under section 133.301 of the Revised Code in anticipation of 68326
the collection of taxes that are to be included in the settlements 68327
made under divisions (C) and (D) of section 321.24 of the Revised 68328
Code in the ensuing fiscal year. 68329

Sec. 5705.38. (A) This division does not apply to school 68330
district appropriation measures. On or about the first day of each 68331

fiscal year, the taxing authority of each subdivision or other 68332
taxing unit shall pass an appropriation measure, and thereafter 68333
during the year it may pass any supplemental appropriation 68334
measures as it finds necessary, based on the revised tax budget or 68335
the official certificate of estimated resources or amendments of 68336
the certificate. If it desires to postpone the passage of the 68337
annual appropriation measure until an amended certificate is 68338
received based on the actual balances, it may pass a temporary 68339
appropriation measure for meeting the ordinary expenses of the 68340
taxing unit until no later than the first day of April or, in the 68341
case of the city of Cincinnati, the first day of October, of the 68342
current year, and the appropriations made in the temporary measure 68343
shall be chargeable to the appropriations in the annual 68344
appropriation measure for that fiscal year when passed. 68345

(B) A board of education shall pass its annual appropriation 68346
measure by the first day of October. If, by the first day of 68347
October, a board has not received either the amended certificates 68348
of estimated resources required by division (B) of section 5705.36 68349
of the Revised Code or certifications that no amended certificates 68350
need be issued, the adoption of the annual appropriation measure 68351
shall be delayed until the amended certificates or certifications 68352
are received. Prior to the passage of the annual appropriation 68353
measure, the board may pass a temporary appropriation measure for 68354
meeting the ordinary expenses of the district until it passes an 68355
annual appropriation measure, and appropriations made in the 68356
temporary measure shall be chargeable to the appropriations in the 68357
annual appropriation measure for that fiscal year when passed. 68358
During the fiscal year and after the passage of the annual 68359
appropriation measure, a district may pass any supplemental 68360
appropriation measures as it finds necessary, based on the revised 68361
tax budget or the official certificate of estimated resources or 68362
amendments of the certificate. School district appropriation 68363

measures shall be in the form as the auditor of state, after 68364
consultation with the tax commissioner, prescribes. 68365

(C) Appropriation measures shall be classified so as to set 68366
forth separately the amounts appropriated for each office, 68367
department, and division, and, within each, the amount 68368
appropriated for personal services. In the case of a municipal 68369
university, the board of directors of which have assumed, in the 68370
manner provided by law, custody and control of the funds of the 68371
university, funds shall be appropriated as a lump sum for the use 68372
of the university. 68373

Sec. 5705.72. (A) As used in this section and in section 68374
5705.25 of the Revised Code with regard to a levy submitted under 68375
this section, "electors" means electors of the unincorporated area 68376
of a township. 68377

(B) The board of trustees of any township that withdraws or 68378
proposes by resolution to withdraw the unincorporated area of the 68379
township from a regional transit authority under section 306.55 of 68380
the Revised Code, by vote of two-thirds of all the members of the 68381
board of trustees, may declare by resolution that the amount of 68382
taxes that may be raised within the ten-mill limitation will be 68383
insufficient to provide transportation services to the 68384
unincorporated area of the township and that it is necessary to 68385
levy a tax in excess of that limitation within the unincorporated 68386
area of that township for the purpose of providing transportation 68387
services for the movement of persons within, from, or to the 68388
unincorporated area of that township. 68389

The resolution shall specify the necessary amount of the 68390
increase in rate to levy, the purpose of such increase, and the 68391
number of years, not exceeding ten, during which the rate increase 68392
shall be in effect, which may or may not include a levy upon the 68393
tax list of the current year. 68394

The resolution shall be submitted to the proper county board of elections not less than ninety days before the date of the election at which the question will appear on the ballot and in the manner provided by section 5705.25 of the Revised Code, except that the question may be submitted to electors at a general election or a special election held on a date consistent with section 3501.01 of the Revised Code.

A resolution adopted by the board of trustees of a township under this section may be combined with a resolution for the withdrawal of the unincorporated area of the township from a regional transit authority as provided in section 306.55 of the Revised Code, by vote of two-thirds of all members of the board. The board may certify the combined resolution to the board of elections as a combined question. The question appearing on the ballot shall be as provided in section 5705.252 of the Revised Code.

When electors have approved a tax levy under this section, the board of township trustees may anticipate a fraction of the proceeds of the levy and issue anticipation notes as authorized by section 5705.191 of the Revised Code for a current expense levy with a fixed term, and may anticipate the collection of current revenue under section 133.10 of the Revised Code.

Sec. 5709.12. (A) As used in this section, "independent living facilities" means any residential housing facilities and related property that are not a nursing home, residential care facility, or ~~adult care~~ residential facility as defined in division (A) of section 5701.13 of the Revised Code.

(B) Lands, houses, and other buildings belonging to a county, township, or municipal corporation and used exclusively for the accommodation or support of the poor, or leased to the state or any political subdivision for public purposes shall be exempt from

taxation. Real and tangible personal property belonging to 68426
institutions that is used exclusively for charitable purposes 68427
shall be exempt from taxation, including real property belonging 68428
to an institution that is a nonprofit corporation that receives a 68429
grant under the Thomas Alva Edison grant program authorized by 68430
division (C) of section 122.33 of the Revised Code at any time 68431
during the tax year and being held for leasing or resale to 68432
others. If, at any time during a tax year for which such property 68433
is exempted from taxation, the corporation ceases to qualify for 68434
such a grant, the director of development shall notify the tax 68435
commissioner, and the tax commissioner shall cause the property to 68436
be restored to the tax list beginning with the following tax year. 68437
All property owned and used by a nonprofit organization 68438
exclusively for a home for the aged, as defined in section 5701.13 68439
of the Revised Code, also shall be exempt from taxation. 68440

(C)(1) If a home for the aged described in division (B)(1) of 68441
section 5701.13 of the Revised Code is operated in conjunction 68442
with or at the same site as independent living facilities, the 68443
exemption granted in division (B) of this section shall include 68444
kitchen, dining room, clinic, entry ways, maintenance and storage 68445
areas, and land necessary for access commonly used by both 68446
residents of the home for the aged and residents of the 68447
independent living facilities. Other facilities commonly used by 68448
both residents of the home for the aged and residents of 68449
independent living units shall be exempt from taxation only if the 68450
other facilities are used primarily by the residents of the home 68451
for the aged. Vacant land currently unused by the home, and 68452
independent living facilities and the lands connected with them 68453
are not exempt from taxation. Except as provided in division 68454
(A)(1) of section 5709.121 of the Revised Code, property of a home 68455
leased for nonresidential purposes is not exempt from taxation. 68456

(2) Independent living facilities are exempt from taxation if 68457

they are operated in conjunction with or at the same site as a 68458
home for the aged described in division (B)(2) of section 5701.13 68459
of the Revised Code; operated by a corporation, association, or 68460
trust described in division (B)(1)(b) of that section; operated 68461
exclusively for the benefit of members of the corporation, 68462
association, or trust who are retired, aged, or infirm; and 68463
provided to those members without charge in consideration of their 68464
service, without compensation, to a charitable, religious, 68465
fraternal, or educational institution. For the purposes of 68466
division (C)(2) of this section, "compensation" does not include 68467
furnishing room and board, clothing, health care, or other 68468
necessities, or stipends or other de minimis payments to defray 68469
the cost thereof. 68470

(D)(1) A private corporation established under federal law, 68471
defined in 36 U.S.C. 1101, Pub. L. No. 102-199, 105 Stat. 1629, as 68472
amended, the objects of which include encouraging the advancement 68473
of science generally, or of a particular branch of science, the 68474
promotion of scientific research, the improvement of the 68475
qualifications and usefulness of scientists, or the increase and 68476
diffusion of scientific knowledge is conclusively presumed to be a 68477
charitable or educational institution. A private corporation 68478
established as a nonprofit corporation under the laws of a state, 68479
that is exempt from federal income taxation under section 68480
501(c)(3) of the Internal Revenue Code of 1986, 100 Stat. 2085, 26 68481
U.S.C.A. 1, as amended, and has as its principal purpose one or 68482
more of the foregoing objects, also is conclusively presumed to be 68483
a charitable or educational institution. 68484

The fact that an organization described in this division 68485
operates in a manner that results in an excess of revenues over 68486
expenses shall not be used to deny the exemption granted by this 68487
section, provided such excess is used, or is held for use, for 68488
exempt purposes or to establish a reserve against future 68489

contingencies; and, provided further, that such excess may not be 68490
distributed to individual persons or to entities that would not be 68491
entitled to the tax exemptions provided by this chapter. Nor shall 68492
the fact that any scientific information diffused by the 68493
organization is of particular interest or benefit to any of its 68494
individual members be used to deny the exemption granted by this 68495
section, provided that such scientific information is available to 68496
the public for purchase or otherwise. 68497

(2) Division (D)(2) of this section does not apply to real 68498
property exempted from taxation under this section and division 68499
(A)(3) of section 5709.121 of the Revised Code and belonging to a 68500
nonprofit corporation described in division (D)(1) of this section 68501
that has received a grant under the Thomas Alva Edison grant 68502
program authorized by division (C) of section 122.33 of the 68503
Revised Code during any of the tax years the property was exempted 68504
from taxation. 68505

When a private corporation described in division (D)(1) of 68506
this section sells all or any portion of a tract, lot, or parcel 68507
of real estate that has been exempt from taxation under this 68508
section and section 5709.121 of the Revised Code, the portion sold 68509
shall be restored to the tax list for the year following the year 68510
of the sale and, except in connection with a sale and transfer of 68511
such a tract, lot, or parcel to a county land reutilization 68512
corporation organized under Chapter 1724. of the Revised Code, a 68513
charge shall be levied against the sold property in an amount 68514
equal to the tax savings on such property during the four tax 68515
years preceding the year the property is placed on the tax list. 68516
The tax savings equals the amount of the additional taxes that 68517
would have been levied if such property had not been exempt from 68518
taxation. 68519

The charge constitutes a lien of the state upon such property 68520
as of the first day of January of the tax year in which the charge 68521

is levied and continues until discharged as provided by law. The 68522
charge may also be remitted for all or any portion of such 68523
property that the tax commissioner determines is entitled to 68524
exemption from real property taxation for the year such property 68525
is restored to the tax list under any provision of the Revised 68526
Code, other than sections 725.02, 1728.10, 3735.67, 5709.40, 68527
5709.41, 5709.62, 5709.63, 5709.71, 5709.73, 5709.78, and 5709.84, 68528
upon an application for exemption covering the year such property 68529
is restored to the tax list filed under section 5715.27 of the 68530
Revised Code. 68531

(E) Real property held by an organization organized and 68532
operated exclusively for charitable purposes as described under 68533
section 501(c)(3) of the Internal Revenue Code and exempt from 68534
federal taxation under section 501(a) of the Internal Revenue 68535
Code, 26 U.S.C.A. 501(a) and (c)(3), as amended, for the purpose 68536
of constructing or rehabilitating residences for eventual transfer 68537
to qualified low-income families through sale, lease, or land 68538
installment contract, shall be exempt from taxation. 68539

The exemption shall commence on the day title to the property 68540
is transferred to the organization and shall continue to the end 68541
of the tax year in which the organization transfers title to the 68542
property to a qualified low-income family. In no case shall the 68543
exemption extend beyond the second succeeding tax year following 68544
the year in which the title was transferred to the organization. 68545
If the title is transferred to the organization and from the 68546
organization to a qualified low-income family in the same tax 68547
year, the exemption shall continue to the end of that tax year. 68548
The proportionate amount of taxes that are a lien but not yet 68549
determined, assessed, and levied for the tax year in which title 68550
is transferred to the organization shall be remitted by the county 68551
auditor for each day of the year that title is held by the 68552
organization. 68553

Upon transferring the title to another person, the 68554
organization shall file with the county auditor an affidavit 68555
affirming that the title was transferred to a qualified low-income 68556
family or that the title was not transferred to a qualified 68557
low-income family, as the case may be; if the title was 68558
transferred to a qualified low-income family, the affidavit shall 68559
identify the transferee by name. If the organization transfers 68560
title to the property to anyone other than a qualified low-income 68561
family, the exemption, if it has not previously expired, shall 68562
terminate, and the property shall be restored to the tax list for 68563
the year following the year of the transfer and a charge shall be 68564
levied against the property in an amount equal to the amount of 68565
additional taxes that would have been levied if such property had 68566
not been exempt from taxation. The charge constitutes a lien of 68567
the state upon such property as of the first day of January of the 68568
tax year in which the charge is levied and continues until 68569
discharged as provided by law. 68570

The application for exemption shall be filed as otherwise 68571
required under section 5715.27 of the Revised Code, except that 68572
the organization holding the property shall file with its 68573
application documentation substantiating its status as an 68574
organization organized and operated exclusively for charitable 68575
purposes under section 501(c)(3) of the Internal Revenue Code and 68576
its qualification for exemption from federal taxation under 68577
section 501(a) of the Internal Revenue Code, and affirming its 68578
intention to construct or rehabilitate the property for the 68579
eventual transfer to qualified low-income families. 68580

As used in this division, "qualified low-income family" means 68581
a family whose income does not exceed two hundred per cent of the 68582
official federal poverty guidelines as revised annually in 68583
accordance with section 673(2) of the "Omnibus Budget 68584
Reconciliation Act of 1981," 95 Stat. 511, 42 U.S.C.A. 9902, as 68585

amended, for a family size equal to the size of the family whose
income is being determined.

(F) Real property held by a county land reutilization
corporation organized under Chapter 1724. of the Revised Code
shall be exempt from taxation. Notwithstanding section 5715.27 of
the Revised Code, a county land reutilization corporation is not
required to apply to any county or state agency in order to
qualify for the exemption.

The exemption shall commence on the day title to the property
is transferred to the corporation and shall continue to the end of
the tax year in which the instrument transferring title from the
corporation to another owner is recorded, if the use to which the
other owner puts the property does not qualify for an exemption
under this section or any other section of the Revised Code. If
the title to the property is transferred to the corporation and
from the corporation in the same tax year, the exemption shall
continue to the end of that tax year. The proportionate amount of
taxes that are a lien but not yet determined, assessed, and levied
for the tax year in which title is transferred to the corporation
shall be remitted by the county auditor for each day of the year
that title is held by the corporation.

Upon transferring the title to another person, the
corporation shall file with the county auditor an affidavit
affirming that the title was transferred to such other person and
shall identify the transferee by name. If the corporation
transfers title to the property to anyone that does not qualify or
the use to which the property is put does not qualify the property
for an exemption under this section or any other section of the
Revised Code, the exemption, if it has not previously expired,
shall terminate, and the property shall be restored to the tax
list for the year following the year of the transfer. A charge
shall be levied against the property in an amount equal to the

amount of additional taxes that would have been levied if such 68618
property had not been exempt from taxation. The charge constitutes 68619
a lien of the state upon such property as of the first day of 68620
January of the tax year in which the charge is levied and 68621
continues until discharged as provided by law. 68622

In lieu of the application for exemption otherwise required 68623
to be filed as required under section 5715.27 of the Revised Code, 68624
a count land reutilization corporation holding the property shall, 68625
upon the request of any county or state agency, submit its 68626
articles of incorporation substantiating its status as a county 68627
land reutilization corporation. 68628

Sec. 5709.212. (A) With every application for an exempt 68629
facility certificate filed pursuant to section 5709.21 of the 68630
Revised Code, the applicant shall pay a fee equal to one-half of 68631
one per cent of the total exempt facility project cost, not to 68632
exceed two thousand dollars. One-half of the fee received with 68633
applications for exempt facility certificates shall be credited to 68634
the exempt facility administrative fund, which is hereby created 68635
in the state treasury, for appropriation to the department of 68636
taxation for use in administering sections 5709.20 to 5709.27 of 68637
the Revised Code. If the director of environmental protection is 68638
required to provide the opinion for an application, one-half of 68639
the fee shall be credited to the non-Title V clean air fund 68640
created in section 3704.035 of the Revised Code for use in 68641
administering section 5709.211 of the Revised Code, unless the 68642
application is for an industrial water pollution control facility. 68643
If the application is for an industrial water pollution control 68644
facility, one-half of the fee shall be credited to the surface 68645
water protection fund created in section 6111.038 of the Revised 68646
Code for use in administering section 5709.211 of the Revised 68647
Code. If the director of development is required to provide the 68648
opinion for an application, one-half of the fee for each exempt 68649

facility application shall be credited to the exempt facility 68650
inspection fund, which is hereby created in the state treasury, 68651
for appropriation to the department of development for use in 68652
administering section 5709.211 of the Revised Code. 68653

An applicant is not entitled to any tax exemption under 68654
section 5709.25 of the Revised Code until the fee required by this 68655
section is paid. The fee required by this section is not 68656
refundable, and is due with the application for an exempt facility 68657
certificate even if an exempt facility certificate ultimately is 68658
not issued or is withdrawn. Any application submitted without 68659
payment of the fee shall be deemed incomplete until the fee is 68660
paid. 68661

(B) The application fee imposed under division (A) of this 68662
section for a jointly owned facility shall be equal to one-half of 68663
one per cent of the total exempt facility project cost, not to 68664
exceed two thousand dollars for each facility that is the subject 68665
of the application. 68666

Sec. 5709.73. (A) As used in this section and section 5709.74 68667
of the Revised Code: 68668

(1) "Business day" means a day of the week excluding 68669
Saturday, Sunday, and a legal holiday as defined in section 1.14 68670
of the Revised Code. 68671

(2) "Further improvements" or "improvements" means the 68672
increase in the assessed value of real property that would first 68673
appear on the tax list and duplicate of real and public utility 68674
property after the effective date of a resolution adopted under 68675
this section were it not for the exemption granted by that 68676
resolution. For purposes of division (B) of this section, 68677
"improvements" do not include any property used or to be used for 68678
residential purposes. 68679

(3) "Housing renovation" means a project carried out for residential purposes. 68680
68681

(4) "Incentive district" has the same meaning as in section 5709.40 of the Revised Code, except that a blighted area is in the unincorporated area of a township. 68682
68683
68684

(5) "Project" and "public infrastructure improvement" have the same meanings as in section 5709.40 of the Revised Code. 68685
68686

(B) A board of township trustees may, by unanimous vote, adopt a resolution that declares to be a public purpose any public infrastructure improvements made that are necessary for the development of certain parcels of land located in the unincorporated area of the township. Except with the approval under division (D) of this section of the board of education of each city, local, or exempted village school district within which the improvements are located, the resolution may exempt from real property taxation not more than seventy-five per cent of further improvements to a parcel of land that directly benefits from the public infrastructure improvements, for a period of not more than ten years. The resolution shall specify the percentage of the further improvements to be exempted and the life of the exemption. 68687

68699

(C)(1) A board of township trustees may adopt, by unanimous vote, a resolution creating an incentive district and declaring improvements to parcels within the district to be a public purpose and, except as provided in division (F) of this section, exempt from taxation as provided in this section, but no board of township trustees of a township that has a population that exceeds twenty-five thousand, as shown by the most recent federal decennial census, shall adopt a resolution that creates an incentive district if the sum of the taxable value of real property in the proposed district for the preceding tax year and the taxable value of all real property in the township that would have been taxable in the preceding year were it not for the fact 68700

that the property was in an existing incentive district and 68712
therefore exempt from taxation exceeds twenty-five per cent of the 68713
taxable value of real property in the township for the preceding 68714
tax year. The district shall be located within the unincorporated 68715
area of the township and shall not include any territory that is 68716
included within a district created under division (B) of section 68717
5709.78 of the Revised Code. The resolution shall delineate the 68718
boundary of the district and specifically identify each parcel 68719
within the district. A district may not include any parcel that is 68720
or has been exempted from taxation under division (B) of this 68721
section or that is or has been within another district created 68722
under this division. A resolution may create more than one 68723
district, and more than one resolution may be adopted under 68724
division (C)(1) of this section. 68725

(2) Not later than thirty days prior to adopting a resolution 68726
under division (C)(1) of this section, if the township intends to 68727
apply for exemptions from taxation under section 5709.911 of the 68728
Revised Code on behalf of owners of real property located within 68729
the proposed incentive district, the board shall conduct a public 68730
hearing on the proposed resolution. Not later than thirty days 68731
prior to the public hearing, the board shall give notice of the 68732
public hearing and the proposed resolution by first class mail to 68733
every real property owner whose property is located within the 68734
boundaries of the proposed incentive district that is the subject 68735
of the proposed resolution. 68736

(3)(a) A resolution adopted under division (C)(1) of this 68737
section shall specify the life of the incentive district and the 68738
percentage of the improvements to be exempted, shall designate the 68739
public infrastructure improvements made, to be made, or in the 68740
process of being made, that benefit or serve, or, once made, will 68741
benefit or serve parcels in the district. The resolution also 68742
shall identify one or more specific projects being, or to be, 68743

undertaken in the district that place additional demand on the 68744
public infrastructure improvements designated in the resolution. 68745
The project identified may, but need not be, the project under 68746
division (C)(3)(b) of this section that places real property in 68747
use for commercial or industrial purposes. 68748

A resolution adopted under division (C)(1) of this section on 68749
or after March 30, 2006, shall not designate police or fire 68750
equipment as public infrastructure improvements, and no service 68751
payment provided for in section 5709.74 of the Revised Code and 68752
received by the township under the resolution shall be used for 68753
police or fire equipment. 68754

(b) A resolution adopted under division (C)(1) of this 68755
section may authorize the use of service payments provided for in 68756
section 5709.74 of the Revised Code for the purpose of housing 68757
renovations within the incentive district, provided that the 68758
resolution also designates public infrastructure improvements that 68759
benefit or serve the district, and that a project within the 68760
district places real property in use for commercial or industrial 68761
purposes. Service payments may be used to finance or support 68762
loans, deferred loans, and grants to persons for the purpose of 68763
housing renovations within the district. The resolution shall 68764
designate the parcels within the district that are eligible for 68765
housing renovations. The resolution shall state separately the 68766
amount or the percentages of the expected aggregate service 68767
payments that are designated for each public infrastructure 68768
improvement and for the purpose of housing renovations. 68769

(4) Except with the approval of the board of education of 68770
each city, local, or exempted village school district within the 68771
territory of which the incentive district is or will be located, 68772
and subject to division (E) of this section, the life of an 68773
incentive district shall not exceed ten years, and the percentage 68774
of improvements to be exempted shall not exceed seventy-five per 68775

cent. With approval of the board of education, the life of a 68776
district may be not more than thirty years, and the percentage of 68777
improvements to be exempted may be not more than one hundred per 68778
cent. The approval of a board of education shall be obtained in 68779
the manner provided in division (D) of this section. 68780

(D) Improvements with respect to a parcel may be exempted 68781
from taxation under division (B) of this section, and improvements 68782
to parcels within an incentive district may be exempted from 68783
taxation under division (C) of this section, for up to ten years 68784
or, with the approval of the board of education of the city, 68785
local, or exempted village school district within which the parcel 68786
or district is located, for up to thirty years. The percentage of 68787
the improvements exempted from taxation may, with such approval, 68788
exceed seventy-five per cent, but shall not exceed one hundred per 68789
cent. Not later than forty-five business days prior to adopting a 68790
resolution under this section declaring improvements to be a 68791
public purpose that is subject to approval by a board of education 68792
under this division, the board of township trustees shall deliver 68793
to the board of education a notice stating its intent to adopt a 68794
resolution making that declaration. The notice regarding 68795
improvements with respect to a parcel under division (B) of this 68796
section shall identify the parcels for which improvements are to 68797
be exempted from taxation, provide an estimate of the true value 68798
in money of the improvements, specify the period for which the 68799
improvements would be exempted from taxation and the percentage of 68800
the improvements that would be exempted, and indicate the date on 68801
which the board of township trustees intends to adopt the 68802
resolution. The notice regarding improvements made under division 68803
(C) of this section to parcels within an incentive district shall 68804
delineate the boundaries of the district, specifically identify 68805
each parcel within the district, identify each anticipated 68806
improvement in the district, provide an estimate of the true value 68807
in money of each such improvement, specify the life of the 68808

district and the percentage of improvements that would be 68809
exempted, and indicate the date on which the board of township 68810
trustees intends to adopt the resolution. The board of education, 68811
by resolution adopted by a majority of the board, may approve the 68812
exemption for the period or for the exemption percentage specified 68813
in the notice; may disapprove the exemption for the number of 68814
years in excess of ten, may disapprove the exemption for the 68815
percentage of the improvements to be exempted in excess of 68816
seventy-five per cent, or both; or may approve the exemption on 68817
the condition that the board of township trustees and the board of 68818
education negotiate an agreement providing for compensation to the 68819
school district equal in value to a percentage of the amount of 68820
taxes exempted in the eleventh and subsequent years of the 68821
exemption period or, in the case of exemption percentages in 68822
excess of seventy-five per cent, compensation equal in value to a 68823
percentage of the taxes that would be payable on the portion of 68824
the improvements in excess of seventy-five per cent were that 68825
portion to be subject to taxation, or other mutually agreeable 68826
compensation. 68827

The board of education shall certify its resolution to the 68828
board of township trustees not later than fourteen days prior to 68829
the date the board of township trustees intends to adopt the 68830
resolution as indicated in the notice. If the board of education 68831
and the board of township trustees negotiate a mutually acceptable 68832
compensation agreement, the resolution may declare the 68833
improvements a public purpose for the number of years specified in 68834
the resolution or, in the case of exemption percentages in excess 68835
of seventy-five per cent, for the exemption percentage specified 68836
in the resolution. In either case, if the board of education and 68837
the board of township trustees fail to negotiate a mutually 68838
acceptable compensation agreement, the resolution may declare the 68839
improvements a public purpose for not more than ten years, and 68840
shall not exempt more than seventy-five per cent of the 68841

improvements from taxation. If the board of education fails to 68842
certify a resolution to the board of township trustees within the 68843
time prescribed by this section, the board of township trustees 68844
thereupon may adopt the resolution and may declare the 68845
improvements a public purpose for up to thirty years or, in the 68846
case of exemption percentages proposed in excess of seventy-five 68847
per cent, for the exemption percentage specified in the 68848
resolution. The board of township trustees may adopt the 68849
resolution at any time after the board of education certifies its 68850
resolution approving the exemption to the board of township 68851
trustees, or, if the board of education approves the exemption on 68852
the condition that a mutually acceptable compensation agreement be 68853
negotiated, at any time after the compensation agreement is agreed 68854
to by the board of education and the board of township trustees. 68855
If a mutually acceptable compensation agreement is negotiated 68856
between the board of township trustees and the board of education, 68857
including agreements for payments in lieu of taxes under section 68858
5709.74 of the Revised Code, the board of township trustees shall 68859
compensate the joint vocational school district within which the 68860
parcel or district is located at the same rate and under the same 68861
terms received by the city, local, or exempted village school 68862
district. 68863

If a board of education has adopted a resolution waiving its 68864
right to approve exemptions from taxation under this section and 68865
the resolution remains in effect, approval of such exemptions by 68866
the board of education is not required under division (D) of this 68867
section. If a board of education has adopted a resolution allowing 68868
a board of township trustees to deliver the notice required under 68869
division (D) of this section fewer than forty-five business days 68870
prior to adoption of the resolution by the board of township 68871
trustees, the board of township trustees shall deliver the notice 68872
to the board of education not later than the number of days prior 68873
to the adoption as prescribed by the board of education in its 68874

resolution. If a board of education adopts a resolution waiving 68875
its right to approve exemptions or shortening the notification 68876
period, the board of education shall certify a copy of the 68877
resolution to the board of township trustees. If the board of 68878
education rescinds the resolution, it shall certify notice of the 68879
rescission to the board of township trustees. 68880

If the board of township trustees is not required by division 68881
(D) of this section to notify the board of education of the board 68882
of township trustees' intent to declare improvements to be a 68883
public purpose, the board of township trustees shall comply with 68884
the notice requirements imposed under section 5709.83 of the 68885
Revised Code before taking formal action to adopt the resolution 68886
making that declaration, unless the board of education has adopted 68887
a resolution under that section waiving its right to receive the 68888
notice. 68889

(E)(1) If a proposed resolution under division (C)(1) of this 68890
section exempts improvements with respect to a parcel within an 68891
incentive district for more than ten years, or the percentage of 68892
the improvement exempted from taxation exceeds seventy-five per 68893
cent, not later than forty-five business days prior to adopting 68894
the resolution the board of township trustees shall deliver to the 68895
board of county commissioners of the county within which the 68896
incentive district is or will be located a notice that states its 68897
intent to adopt a resolution creating an incentive district. The 68898
notice shall include a copy of the proposed resolution, identify 68899
the parcels for which improvements are to be exempted from 68900
taxation, provide an estimate of the true value in money of the 68901
improvements, specify the period of time for which the 68902
improvements would be exempted from taxation, specify the 68903
percentage of the improvements that would be exempted from 68904
taxation, and indicate the date on which the board of township 68905
trustees intends to adopt the resolution. 68906

(2) The board of county commissioners, by resolution adopted 68907
by a majority of the board, may object to the exemption for the 68908
number of years in excess of ten, may object to the exemption for 68909
the percentage of the improvement to be exempted in excess of 68910
seventy-five per cent, or both. If the board of county 68911
commissioners objects, the board may negotiate a mutually 68912
acceptable compensation agreement with the board of township 68913
trustees. In no case shall the compensation provided to the board 68914
of county commissioners exceed the property taxes foregone due to 68915
the exemption. If the board of county commissioners objects, and 68916
the board of county commissioners and board of township trustees 68917
fail to negotiate a mutually acceptable compensation agreement, 68918
the resolution adopted under division (C)(1) of this section shall 68919
provide to the board of county commissioners compensation in the 68920
eleventh and subsequent years of the exemption period equal in 68921
value to not more than fifty per cent of the taxes that would be 68922
payable to the county or, if the board of county commissioner's 68923
objection includes an objection to an exemption percentage in 68924
excess of seventy-five per cent, compensation equal in value to 68925
not more than fifty per cent of the taxes that would be payable to 68926
the county, on the portion of the improvement in excess of 68927
seventy-five per cent, were that portion to be subject to 68928
taxation. The board of county commissioners shall certify its 68929
resolution to the board of township trustees not later than thirty 68930
days after receipt of the notice. 68931

(3) If the board of county commissioners does not object or 68932
fails to certify its resolution objecting to an exemption within 68933
thirty days after receipt of the notice, the board of township 68934
trustees may adopt its resolution, and no compensation shall be 68935
provided to the board of county commissioners. If the board of 68936
county commissioners timely certifies its resolution objecting to 68937
the trustees' resolution, the board of township trustees may adopt 68938
its resolution at any time after a mutually acceptable 68939

compensation agreement is agreed to by the board of county 68940
commissioners and the board of township trustees, or, if no 68941
compensation agreement is negotiated, at any time after the board 68942
of township trustees agrees in the proposed resolution to provide 68943
compensation to the board of county commissioners of fifty per 68944
cent of the taxes that would be payable to the county in the 68945
eleventh and subsequent years of the exemption period or on the 68946
portion of the improvement in excess of seventy-five per cent, 68947
were that portion to be subject to taxation. 68948

(F) Service payments in lieu of taxes that are attributable 68949
to any amount by which the effective tax rate of either a renewal 68950
levy with an increase or a replacement levy exceeds the effective 68951
tax rate of the levy renewed or replaced, or that are attributable 68952
to an additional levy, for a levy authorized by the voters for any 68953
of the following purposes on or after January 1, 2006, and which 68954
are provided pursuant to a resolution creating an incentive 68955
district under division (C)(1) of this section that is adopted on 68956
or after January 1, 2006, shall be distributed to the appropriate 68957
taxing authority as required under division (C) of section 5709.74 68958
of the Revised Code in an amount equal to the amount of taxes from 68959
that additional levy or from the increase in the effective tax 68960
rate of such renewal or replacement levy that would have been 68961
payable to that taxing authority from the following levies were it 68962
not for the exemption authorized under division (C) of this 68963
section: 68964

(1) A tax levied under division (L) of section 5705.19 or 68965
section 5705.191 of the Revised Code for community mental 68966

commences with the tax year specified in the resolution so long as 69002
the year specified in the resolution commences after the effective 69003
date of the resolution. If the resolution specifies a year 69004
commencing before the effective date of the resolution or 69005
specifies no year whatsoever, the exemption commences with the tax 69006
year in which an exempted improvement first appears on the tax 69007
list and duplicate of real and public utility property and that 69008
commences after the effective date of the resolution. Except as 69009
otherwise provided in this division, the exemption ends on the 69010
date specified in the resolution as the date the improvement 69011
ceases to be a public purpose or the incentive district expires, 69012
or ends on the date on which the public infrastructure 69013
improvements and housing renovations are paid in full from the 69014

school district within which the parcel or district is located 69021
have entered into a compensation agreement under section 5709.82 69022
of the Revised Code with respect to the improvement and the board 69023
of education has approved the term of the exemption under division 69024
(D) of this section, but in no case shall the improvement be 69025
exempted from taxation for more than thirty years. The board of 69026
township trustees may, by majority vote, adopt a resolution 69027
permitting the township to enter into such agreements as the board 69028
finds necessary or appropriate to provide for the construction or 69029
undertaking of public infrastructure improvements and housing 69030
renovations. Any exemption shall be claimed and allowed in the 69031
same or a similar manner as in the case of other real property 69032
exemptions. If an exemption status changes during a tax year, the 69033
procedure for the apportionment of the taxes for that year is the 69034

same as in the case of other changes in tax exemption status 69035
during the year. 69036

(H) The board of township trustees may issue the notes of the 69037
township to finance all costs pertaining to the construction or 69038
undertaking of public infrastructure improvements and housing 69039
renovations made pursuant to this section. The notes shall be 69040
signed by the board and attested by the signature of the township 69041
fiscal officer, shall bear interest not to exceed the rate 69042
provided in section 9.95 of the Revised Code, and are not subject 69043
to Chapter 133. of the Revised Code. The resolution authorizing 69044
the issuance of the notes shall pledge the funds of the township 69045
public improvement tax increment equivalent fund established 69046
pursuant to section 5709.75 of the Revised Code to pay the 69047
interest on and principal of the notes. The notes, which may 69048
contain a clause permitting prepayment at the option of the board, 69049
shall be offered for sale on the open market or given to the 69050
vendor or contractor if no sale is made. 69051

(I) The township, not later than fifteen days after the 69052
adoption of a resolution under this section, shall submit to the 69053
director of development a copy of the resolution. On or before the 69054
thirty-first day of March of each year, the township shall submit 69055
a status report to the director of development. The report shall 69056
indicate, in the manner prescribed by the director, the progress 69057
of the project during each year that the exemption remains in 69058
effect, including a summary of the receipts from service payments 69059
in lieu of taxes; expenditures of money from the fund created 69060
under section 5709.75 of the Revised Code; a description of the 69061
public infrastructure improvements and housing renovations 69062
financed with the expenditures; and a quantitative summary of 69063
changes in private investment resulting from each project. 69064

(J) Nothing in this section shall be construed to prohibit a 69065
board of township trustees from declaring to be a public purpose 69066

improvements with respect to more than one parcel. 69067

(K) A board of township trustees that adopted a resolution 69068
under this section prior to July 21, 1994, may amend that 69069
resolution to include any additional public infrastructure 69070
improvement. A board of township trustees that seeks by the 69071
amendment to utilize money from its township public improvement 69072
tax increment equivalent fund for land acquisition in aid of 69073
industry, commerce, distribution, or research, demolition on 69074
private property, or stormwater and flood remediation projects may 69075
do so provided that the board currently is a party to a 69076
hold-harmless agreement with the board of education of the city, 69077
local, or exempted village school district within the territory of 69078
which are located the parcels that are subject to an exemption. 69079
For the purposes of this division, a "hold-harmless agreement" 69080
means an agreement under which the board of township trustees 69081
agrees to compensate the school district for one hundred per cent 69082
of the tax revenue that the school district would have received 69083
from further improvements to parcels designated in the resolution 69084
were it not for the exemption granted by the resolution. 69085

(L) With respect to improvements resulting from projects, for 69086
which construction commences on or after April 1, 2012, and on or 69087
before December 31, 2013, and for which an exemption has been or 69088
will be sought pursuant to a resolution adopted under this section 69089
before December 14, 2001, "property used or to be used for 69090
residential purposes," as used in division (A)(2) of this section, 69091
means only that property that, as improved, the tax commissioner 69092
would classify as residential land and improvements pursuant to 69093
rules adopted by the tax commissioner under section 5713.041 of 69094
the Revised Code. 69095

Sec. 5709.75. (A) Any township that receives service payments 69096
in lieu of taxes under section 5709.74 of the Revised Code shall 69097

establish a township public improvement tax increment equivalent 69098
fund into which those payments shall be deposited. If the board of 69099
township trustees has adopted a resolution under division (C) of 69100
section 5709.73 of the Revised Code, the township shall establish 69101
at least one account in that fund with respect to resolutions 69102
adopted under division (B) of that section, and one account with 69103
respect to each incentive district created by a resolution adopted 69104
under division (C) of that section. If a resolution adopted under 69105
division (C) of section 5709.73 of the Revised Code also 69106
authorizes the use of service payments for housing renovations 69107
within the incentive district, the township shall establish 69108
separate accounts for the service payments designated for public 69109
infrastructure improvements and for the service payments 69110
authorized for the purpose of housing renovations. 69111

(B) Except as otherwise provided in division (C) or (D) of 69112
this section, money deposited in an account of the township public 69113
improvement tax increment equivalent fund shall be used by the 69114
township to pay the costs of public infrastructure improvements 69115
designated in or the housing renovations authorized by the 69116
resolution with respect to which the account is established, 69117
including any interest on and principal of the notes; in the case 69118
of an account established with respect to a resolution adopted 69119
under division (C) of that section, money in the account shall be 69120
used to finance the public infrastructure improvements designated, 69121
or the housing renovations authorized, for each incentive district 69122
created in the resolution. Money in an account shall not be used 69123
to finance or support housing renovations that take place after 69124
the incentive district has expired. 69125

(C)(1)(a) A township may distribute money in such an account 69126
to any school district in which the exempt property is located in 69127
an amount not to exceed the amount of real property taxes that 69128
such school district would have received from the improvement if 69129

it were not exempt from taxation. The resolution establishing the fund shall set forth the percentage of such maximum amount that will be distributed to any affected school district.

(b) A township also may distribute money in such an account as follows:

(i) To a board of county commissioners, in the amount that is owed to the board pursuant to division (E) of section 5709.73 of the Revised Code;

(2) Money from an account in a township public improvement tax increment equivalent fund may be distributed under division (C)(1)(b) of this section, regardless of the date a resolution was adopted under section 5709.73 of the Revised Code that prompted the establishment of the account, even if the resolution was adopted prior to March 30, 2006.

(D) A board of township trustees that adopted a resolution under ~~division (B)~~ of section 5709.73 of the Revised Code before January 1, ~~1995~~ 2011, and that, with respect to property exempted under such a resolution, is party to a hold-harmless or service agreement, may appropriate and expend unencumbered money in the fund to pay current public safety expenses of the township. A township appropriating and expending money under this division shall reimburse the fund for the sum so appropriated and expended not later than the day the exemption granted under the resolution expires. For the purposes of this division, a "hold-harmless agreement" is an agreement with the board of education of a city, local, or exempted village school district under which the board of township trustees agrees to compensate the school district for one hundred per cent of the tax revenue the school district would have received from improvements to parcels designated in the

resolution were it not for the exemption granted by the 69161
resolution. For the purposes of this division, a "service 69162
agreement" is an agreement with the board of education of a city, 69163
local, or exempted village school district under which the board 69164
of township trustees agrees to compensate the school district for 69165
a portion of the tax revenue the school district would have 69166
received from improvements to parcels designated in the resolution 69167
if not for the exemption granted by the resolution. 69168

(E) Any incidental surplus remaining in the township public 69169
improvement tax increment equivalent fund or an account of that 69170
fund upon dissolution of the account or fund shall be transferred 69171

provided, to whom the transfer effected or license given by a sale 69943

division (B)(3)(f) or (i) of this section is charged, or to whom 69945
the admission is granted. 69946

(2) Physicians, dentists, hospitals, and blood banks operated 69947
by nonprofit institutions and persons licensed to practice 69948
veterinary medicine, surgery, and dentistry are consumers of all 69949
tangible personal property and services purchased by them in 69950
connection with the practice of medicine, dentistry, the rendition 69951
of hospital or blood bank service, or the practice of veterinary 69952
medicine, surgery, and dentistry. In addition to being consumers 69953
of drugs administered by them or by their assistants according to 69954
their direction, veterinarians also are consumers of drugs that 69955
under federal law may be dispensed only by or upon the order of a 69956

purchase of that printed matter for that purpose is a sale. 69971

(b) In the case of a person who produces, rather than 69972
purchases, printed matter for the purpose of distributing it or 69973
having it distributed to the public or to a designated segment of 69974
the public, free of charge, that person is the consumer of all 69975
tangible personal property and services purchased for use or 69976

into the printed matter or any equipment, supplies, or services 69980
primarily used to produce the printed matter. 69981

(c) The distribution of printed matter to the public or to a 69982
designated segment of the public, free of charge, is not a sale to 69983
the members of the public to whom the printed matter is 69984
distributed or to any persons who purchase space in the printed 69985
matter for advertising or other purposes. 69986

(5) A person who makes sales of any of the services listed in 69987
division (B)(3) of this section is the consumer of any tangible 69988

that property is not subject to the resale exception under 69990
division (E)(1) of this section. 69991

(6) A person who engages in highway transportation for hire 69992
is the consumer of all packaging materials purchased by that 69993
person and used in performing the service, except for packaging 69994
materials sold by such person in a transaction separate from the 69995
service. 69996

(7) In the case of a transaction for health care services 69997
under division (B)(11) of this section, a medicaid health insuring 69998
corporation is the consumer of such services. The purchase of such 69999

and (22) of section 5739.02 of the Revised Code. 70003

(E) "Retail sale" and "sales at retail" include all sales, 70004
except those in which the purpose of the consumer is to resell the 70005

engaging in business, in the form in which the same is, or is to 70007
be, received by the person. 70008

(F) "Business" includes any activity engaged in by any person 70009
with the object of gain, benefit, or advantage, either direct or 70010
indirect. "Business" does not include the activity of a person in 70011
managing and investing the person's own funds. 70012

(G) "Engaging in business" means commencing, conducting, or 70013
continuing in business, and liquidating a business when the 70014
liquidator thereof holds itself out to the public as conducting 70015
such business. Making a casual sale is not engaging in business. 70016

(H)(1)(a) "Price," except as provided in divisions (H)(2), 70017
(3), and (4) of this section, means the total amount of 70018
consideration, including cash, credit, property, and services, for 70019
which tangible personal property or services are sold, leased, or 70020
rented, valued in money, whether received in money or otherwise, 70021
without any deduction for any of the following: 70022

(i) The vendor's cost of the property sold; 70023

(ii) The cost of materials used, labor or service costs, 70024
interest, losses, all costs of transportation to the vendor, all 70025
taxes imposed on the vendor, including the tax imposed under 70026
Chapter 5751. of the Revised Code, and any other expense of the 70027
vendor; 70028

(iii) Charges by the vendor for any services necessary to 70029
complete the sale; 70030

(iv) On and after August 1, 2003, delivery charges. As used 70031

consumer of tangible personal property or a service, including 70034
transportation, shipping, postage, handling, crating, and packing. 70035

(v) Installation charges; 70036

(vi) Credit for any trade-in. 70037

(b) "Price" includes consideration received by the vendor 70038
from a third party, if the vendor actually receives the 70039
consideration from a party other than the consumer, and the 70040
consideration is directly related to a price reduction or discount 70041
on the sale; the vendor has an obligation to pass the price 70042
reduction or discount through to the consumer; the amount of the 70043
consideration attributable to the sale is fixed and determinable 70044
by the vendor at the time of the sale of the item to the consumer; 70045
and one of the following criteria is met: 70046

(i) The consumer presents a coupon, certificate, or other 70047
document to the vendor to claim a price reduction or discount 70048

that the third party will reimburse any vendor to whom the coupon, 70051
certificate, or document is presented; 70052

(ii) The consumer identifies the consumer's self to the 70053
seller as a member of a group or organization entitled to a price 70054
reduction or discount. A preferred customer card that is available 70055
to any patron does not constitute membership in such a group or 70056
organization. 70057

(iii) The price reduction or discount is identified as a 70058
third party price reduction or discount on the invoice received by 70059
the consumer, or on a coupon, certificate, or other document 70060
presented by the consumer. 70061

(c) "Price" does not include any of the following: 70062

(i) Discounts, including cash, term, or coupons that are not 70063
reimbursed by a third party that are allowed by a vendor and taken 70064
by a consumer on a sale; 70065

(ii) Interest, financing, and carrying charges from credit 70066
extended on the sale of tangible personal property or services, if 70067
the amount is separately stated on the invoice, bill of sale, or 70068
similar document given to the purchaser; 70069

(iii) Any taxes legally imposed directly on the consumer that 70070
are separately stated on the invoice, bill of sale, or similar 70071
document given to the consumer. For the purpose of this division, 70072
the tax imposed under Chapter 5751. of the Revised Code is not a 70073
tax directly on the consumer, even if the tax or a portion thereof 70074
is separately stated. 70075

(iv) Notwithstanding divisions (H)(1)(b)(i) to (iii) of this 70076
section, any discount allowed by an automobile manufacturer to its 70077
employee, or to the employee of a supplier, on the purchase of a 70078
new motor vehicle from a new motor vehicle dealer in this state. 70079

(v) The dollar value of a gift card that is not sold by a 70080
vendor or purchased by a consumer and that is redeemed by the 70081
consumer in purchasing tangible personal property or services if 70082
the vendor is not reimbursed and does not receive compensation 70083
from a third party to cover all or part of the gift card value. 70084
For the purposes of this division, a gift card is not sold by a 70085
vendor or purchased by a consumer if it is distributed pursuant to 70086
an awards, loyalty, or promotional program. Past and present 70087
purchases of tangible personal property or services by the 70088
consumer shall not be treated as consideration exchanged for a 70089
gift card. 70090

(2) In the case of a sale of any new motor vehicle by a new 70091
motor vehicle dealer, as defined in section 4517.01 of the Revised 70092
Code, in which another motor vehicle is accepted by the dealer as 70093

part of the consideration received, "price" has the same meaning 70094
as in division (H)(1) of this section, reduced by the credit 70095
afforded the consumer by the dealer for the motor vehicle received 70096
in trade. 70097

(3) In the case of a sale of any watercraft or outboard motor 70098
by a watercraft dealer licensed in accordance with section 70099
1547.543 of the Revised Code, in which another watercraft, 70100
watercraft and trailer, or outboard motor is accepted by the 70101
dealer as part of the consideration received, "price" has the same 70102
meaning as in division (H)(1) of this section, reduced by the 70103
credit afforded the consumer by the dealer for the watercraft, 70104
watercraft and trailer, or outboard motor received in trade. As 70105
used in this division, "watercraft" includes an outdrive unit 70106
attached to the watercraft. 70107

(4) In the case of transactions for health care services 70108
under division (B)(11) of this section, "price" means the amount 70109
of managed care premiums received each month by a medicaid health 70110
insuring corporation. 70111

sales of vendors, provided that the dollar value of gift cards 70113
distributed pursuant to an awards, loyalty, or promotional 70114
program, and cash discounts allowed and taken on sales at the time 70115
they are consummated are not included, minus any amount deducted 70116
as a bad debt pursuant to section 5739.121 of the Revised Code. 70117
"Receipts" does not include the sale price of property returned or 70118
services rejected by consumers when the full sale price and tax 70119
are refunded either in cash or by credit. 70120

(J) "Place of business" means any location at which a person 70121
engages in business. 70122

(K) "Premises" includes any real property or portion thereof 70123

property at retail or making retail sales and also includes any 70125
real property or portion thereof designated for, or devoted to, 70126
use in conjunction with the business engaged in by such person. 70127

(L) "Casual sale" means a sale of an item of tangible 70128
personal property that was obtained by the person making the sale, 70129
through purchase or otherwise, for the person's own use and was 70130
previously subject to any state's taxing jurisdiction on its sale 70131
or use, and includes such items acquired for the seller's use that 70132
are sold by an auctioneer employed directly by the person for such 70133
purpose, provided the location of such sales is not the 70134
auctioneer's permanent place of business. As used in this 70135
division, "permanent place of business" includes any location 70136
where such auctioneer has conducted more than two auctions during 70137
the year. 70138

(M) "Hotel" means every establishment kept, used, maintained, 70139
advertised, or held out to the public to be a place where sleeping 70140
accommodations are offered to guests, in which five or more rooms 70141
are used for the accommodation of such guests, whether the rooms 70142
are in one or several structures, except as otherwise provided in 70143
division (G) of section 5739.09 of the Revised Code. 70144

(N) "Transient guests" means persons occupying a room or 70145
rooms for sleeping accommodations for less than thirty consecutive 70146
days. 70147

(O) "Making retail sales" means the effecting of transactions 70148
wherein one party is obligated to pay the price and the other 70149
party is obligated to provide a service or to transfer title to or 70150
possession of the item sold. "Making retail sales" does not 70151
include the preliminary acts of promoting or soliciting the retail 70152
sales, other than the distribution of printed matter which 70153
displays or describes and prices the item offered for sale, nor 70154
does it include delivery of a predetermined quantity of tangible 70155
personal property or transportation of property or personnel to or 70156

from a place where a service is performed, regardless of whether 70157
the vendor is a delivery vendor. 70158

(P) "Used directly in the rendition of a public utility 70159
service" means that property that is to be incorporated into and 70160
will become a part of the consumer's production, transmission, 70161
transportation, or distribution system and that retains its 70162
classification as tangible personal property after such 70163
incorporation; fuel or power used in the production, transmission, 70164
transportation, or distribution system; and tangible personal 70165
property used in the repair and maintenance of the production, 70166
transmission, transportation, or distribution system, including 70167
only such motor vehicles as are specially designed and equipped 70168
for such use. Tangible personal property and services used 70169
primarily in providing highway transportation for hire are not 70170
used directly in the rendition of a public utility service. In 70171
this definition, "public utility" includes a citizen of the United 70172

or unstamped; cigarette tax stamps affixed or unaffixed and unused 70841
meter impressions; and such other information as the commissioner 70842
finds necessary to the proper administration of sections 5743.01 70843
to 5743.20 of the Revised Code. The commissioner may extend the 70844
time for making and filing returns and may remit all or any part 70845

received and shall also show thereon by stamp or otherwise a 70851
payment or nonpayment of the deficiency shown by the return. 70852
Thereafter, the treasurer of state shall immediately transmit all 70853
returns filed under this section to the commissioner. 70854

(E) Any wholesale dealer who fails to file a return under 70855
this section and the rules of the commissioner, other than a 70856
report required pursuant to division (F) of this section, may be 70857
required, for each day the dealer so fails, to forfeit and pay 70858
into the state treasury the sum of one dollar as revenue arising 70859
from the tax imposed by sections 5743.01 to 5743.20 of the Revised 70860
Code and such sum may be collected by assessment in the manner 70861
provided in section 5743.081 of the Revised Code. If the 70862
commissioner finds it necessary in order to insure the payment of 70863
the tax imposed by sections 5743.01 to 5743.20 of the Revised 70864
Code, the commissioner may require returns and payments to be made 70865
other than semiannually. The returns shall be signed by the 70866
wholesale dealer or an authorized agent thereof. 70867

(F) Each person required to file a tax return under section 70868
5743.03, 5743.52, or 5743.62 of the Revised Code shall report to 70869

(G) The report required by division (F) of this section shall 70878
be made on a form prescribed by the commissioner and shall be 70879
filed not later than the last day of each month for the previous 70880
month, except that if the commissioner determines that the 70881
quantity reported by a person does not warrant monthly reporting, 70882
the commissioner may authorize reporting at less frequent 70883
intervals. The commissioner may assess a penalty of not more than 70884
two hundred fifty dollars for each month or portion thereof that a 70885
person fails to timely file a required report, and such sum may be 70886
collected by assessment in the manner provided in section 5743.081 70887
of the Revised Code. All money collected under this division shall 70888
be considered as revenue arising from the taxes imposed by 70889
sections 5743.01 to 5743.20 of the Revised Code. 70890

(H) The treasurer of state or an agent of the treasurer may 70891
sell cigarette tax stamps only to licensed wholesale or retail 70892
cigarette dealers, except as otherwise authorized by the tax 70893
commissioner, and may charge costs related to the sale of 70894
cigarette stamps to a purchasing dealer. Money collected from such 70895
charges shall be credited to the treasurer of state's 70896
administrative fund created under section 113.20 of the Revised 70897
Code. 70898

Sec. 5743.031. (A) A wholesale dealer may affix stamps only 70899
to packages of cigarettes that the dealer received directly from a 70900

current license under section 5743.15 of the Revised Code, or to 70902
packages of cigarettes that the dealer received from another 70903
wholesale dealer that possesses a valid and current license under 70904
section 5743.15 of the Revised Code, provided that the tax 70905
commissioner has authorized the sale of the cigarettes between 70906
those wholesale dealers and that the wholesale dealer that sells 70907
the cigarettes received them directly from a manufacturer or 70908
importer of cigarettes that possesses a valid and current license 70909
under section 5743.15 of the Revised Code. 70910

(B) Only a wholesale dealer that possesses a valid and 70911
current license under section 5743.15 of the Revised Code may 70912
purchase or obtain tax stamps. A wholesale dealer may not sell or 70913
provide such stamps to any other wholesale dealer or any other 70914
person. 70915

(C) Any person shipping unstamped packages of cigarettes into 70916
this state to a person other than a wholesale dealer licensed 70917
under section 5743.15 of the Revised Code shall, before such 70918
shipment, file notice of the shipment with the tax commissioner. 70919
Any person that transports unstamped packages of cigarettes into 70920
or within this state shall carry in the vehicle used to convey the 70921
shipment invoices or equivalent documentation of the shipment for 70922
all cigarettes in the shipment. The invoices or other 70923
documentation shall show the true name and address of the 70924
consignor or seller, the true name and address of the consignee or 70925
purchaser, and the quantity of the cigarettes being transported. 70926
This division does not apply to any ~~common or contract~~ for-hire 70927
motor carrier transporting cigarettes through this state to 70928
another location under a proper bill of lading or freight bill 70929
that states the quantity, source, and destination of the 70930
cigarettes. 70931

Sec. 5751.033. For the purposes of this chapter, gross 70932

receipts shall be sitused to this state as follows: 70933

(A) Gross rents and royalties from real property located in 70934
this state shall be sitused to this state. 70935

(B) Gross rents and royalties from tangible personal property 70936
shall be sitused to this state to the extent the tangible personal 70937
property is located or used in this state. 70938

(C) Gross receipts from the sale of electricity and electric 70939
transmission and distribution services shall be sitused to this 70940
state in the manner provided under section 5733.059 of the Revised 70941
Code. 70942

(D) Gross receipts from the sale of real property located in 70943
this state shall be sitused to this state. 70944

(E) Gross receipts from the sale of tangible personal 70945
property shall be sitused to this state if the property is 70946
received in this state by the purchaser. In the case of delivery 70947
of tangible personal property by ~~common~~ motor carrier or by other 70948
means of transportation, the place at which such property is 70949
ultimately received after all transportation has been completed 70950
shall be considered the place where the purchaser receives the 70951
property. For purposes of this section, the phrase "delivery of 70952
tangible personal property by ~~common~~ motor carrier or by other 70953
means of transportation" includes the situation in which a 70954
purchaser accepts the property in this state and then transports 70955
the property directly or by other means to a location outside this 70956
state. Direct delivery in this state, other than for purposes of 70957
transportation, to a person or firm designated by a purchaser 70958
constitutes delivery to the purchaser in this state, and direct 70959
delivery outside this state to a person or firm designated by a 70960
purchaser does not constitute delivery to the purchaser in this 70961
state, regardless of where title passes or other conditions of 70962
sale. 70963

(F) Gross receipts from the sale, exchange, disposition, or other grant of the right to use trademarks, trade names, patents, copyrights, and similar intellectual property shall be sitused to this state to the extent that the receipts are based on the amount of use of the property in this state. If the receipts are not based on the amount of use of the property, but rather on the right to use the property, and the payor has the right to use the property in this state, then the receipts from the sale, exchange, disposition, or other grant of the right to use such property shall be sitused to this state to the extent the receipts are based on the right to use the property in this state.

(G) Gross receipts from the sale of transportation services by a ~~common or contract~~ motor carrier shall be sitused to this state in proportion to the mileage traveled by the carrier during the tax period on roadways, waterways, airways, and railways in this state to the mileage traveled by the carrier during the tax period on roadways, waterways, airways, and railways everywhere. With prior written approval of the tax commissioner, a ~~common or contract~~ motor carrier may use an alternative situsing procedure for transportation services.

(H) Gross receipts from dividends, interest, and other sources of income from financial instruments described in divisions (F)(4), (5), (6), (7), (8), (9), (10), (11), and (13) of section 5733.056 of the Revised Code shall be sitused to this state in accordance with the situsing provisions set forth in those divisions. When applying the provisions of divisions (F)(6), (8), and (13) of section 5733.056 of the Revised Code, "gross receipts" shall be substituted for "net gains" wherever "net gains" appears in those divisions. Nothing in this division limits or modifies the exclusions enumerated in divisions (E) and (F)(2) of section 5751.01 of the Revised Code. The tax commissioner may promulgate rules to further specify the manner in which to situs

gross receipts subject to this division. 70996

(I) Gross receipts from the sale of all other services, and 70997
all other gross receipts not otherwise situated under this section, 70998
shall be situated to this state in the proportion that the 70999
purchaser's benefit in this state with respect to what was 71000
purchased bears to the purchaser's benefit everywhere with respect 71001
to what was purchased. The physical location where the purchaser 71002
ultimately uses or receives the benefit of what was purchased 71003
shall be paramount in determining the proportion of the benefit in 71004
this state to the benefit everywhere. If a taxpayer's records do 71005
not allow the taxpayer to determine that location, the taxpayer 71006
may use an alternative method to situs gross receipts under this 71007
division if the alternative method is reasonable, is consistently 71008
and uniformly applied, and is supported by the taxpayer's records 71009
as the records exist when the service is provided or within a 71010
reasonable period of time thereafter. 71011

(J) If the situsing provisions of divisions (A) to (H) of 71012
this section do not fairly represent the extent of a person's 71013
activity in this state, the person may request, or the tax 71014
commissioner may require or permit, an alternative method. Such 71015
request by a person must be made within the applicable statute of 71016
limitations set forth in this chapter. 71017

(K) The tax commissioner may adopt rules to provide 71018
additional guidance to the application of this section, and 71019
provide alternative methods of situsing gross receipts that apply 71020
to all persons, or subset of persons, that are engaged in similar 71021
business or trade activities. 71022

(L) As used in this section, "motor carrier" has the same 71023
meaning as in section 4923.01 of the Revised Code. 71024

Sec. 5751.12. The tax commissioner may prescribe requirements 71025
for the keeping of records and other pertinent documents, the 71026

filing of copies of federal income tax returns and determinations, 71027
and computations reconciling federal income tax returns with the 71028
returns and reports required by section 5751.05 of the Revised 71029
Code. The commissioner may require any person, by rule or notice 71030
served on that person, to keep those records that the commissioner 71031
considers necessary to show whether, and the extent to which, a 71032
person is subject to this chapter. Those records and other 71033
documents shall be open during business hours to the inspection of 71034
the commissioner, and shall be preserved for a period of four 71035
years unless the commissioner, in writing, consents to their 71036
destruction within that period, or by order requires that they be 71037
kept longer. If such records are normally kept by the person 71038
electronically, the person shall provide such records to the 71039
commissioner electronically at the commissioner's request. 71040

Any information required by the ~~tax~~ commissioner under this 71041
chapter is confidential as provided for in section 5703.21 of the 71042
Revised Code. However, the commissioner shall make public an 71043

director of developmental disabilities shall license the operation 71526
of residential facilities. An initial license shall be issued for 71527
a period that does not exceed one year, unless the director denies 71528
the license under division (D) of this section. A license shall be 71529
renewed for a period that does not exceed three years, unless the 71530
director refuses to renew the license under division (D) of this 71531
section. The director, when issuing or renewing a license, shall 71532
specify the period for which the license is being issued or 71533
renewed. A license remains valid for the length of the licensing 71534
period specified by the director, unless the license is 71535
terminated, revoked, or voluntarily surrendered. 71536

(D) If it is determined that an applicant or licensee is not 71537
in compliance with a provision of this chapter that applies to 71538
residential facilities or the rules adopted under such a 71539
provision, the director may deny issuance of a license, refuse to 71540
renew a license, terminate a license, revoke a license, issue an 71541
order for the suspension of admissions to a facility, issue an 71542
order for the placement of a monitor at a facility, issue an order 71543
for the immediate removal of residents, or take any other action 71544
the director considers necessary consistent with the director's 71545
authority under this chapter regarding residential facilities. In 71546
the director's selection and administration of the sanction to be 71547
imposed, all of the following apply: 71548

(1) The director may deny, refuse to renew, or revoke a 71549
license, if the director determines that the applicant or licensee 71550
has demonstrated a pattern of serious noncompliance or that a 71551
violation creates a substantial risk to the health and safety of 71552
residents of a residential facility. 71553

(2) The director may terminate a license if more than twelve consecutive months have elapsed since the residential facility was last occupied by a resident or a notice required by division (K) of this section is not given.

(3) The director may issue an order for the suspension of admissions to a facility for any violation that may result in sanctions under division (D)(1) of this section and for any other violation specified in rules adopted under division (H)(2) of this section. If the suspension of admissions is imposed for a violation that may result in sanctions under division (D)(1) of this section, the director may impose the suspension before providing an opportunity for an adjudication under Chapter 119. of the Revised Code. The director shall lift an order for the suspension of admissions when the director determines that the violation that formed the basis for the order has been corrected.

(4) The director may order the placement of a monitor at a residential facility for any violation specified in rules adopted under division (H)(2) of this section. The director shall lift the order when the director determines that the violation that formed the basis for the order has been corrected.

(5) If the director determines that two or more residential facilities owned or operated by the same person or government entity are not being operated in compliance with a provision of this chapter that applies to residential facilities or the rules adopted under such a provision, and the director's findings are based on the same or a substantially similar action, practice, circumstance, or incident that creates a substantial risk to the health and safety of the residents, the director shall conduct a survey as soon as practicable at each residential facility owned or operated by that person or government entity. The director may take any action authorized by this section with respect to any facility found to be operating in violation of a provision of this

chapter that applies to residential facilities or the rules 71586
adopted under such a provision. 71587

(6) When the director initiates license revocation 71588
proceedings, no opportunity for submitting a plan of correction 71589
shall be given. The director shall notify the licensee by letter 71590
of the initiation of the proceedings. The letter shall list the 71591
deficiencies of the residential facility and inform the licensee 71592
that no plan of correction will be accepted. The director shall 71593
also send a copy of the letter to the county board of 71594
developmental disabilities. The county board shall send a copy of 71595
the letter to each of the following: 71596

(a) Each resident who receives services from the licensee; 71597

(b) The guardian of each resident who receives services from 71598
the licensee if the resident has a guardian; 71599

(c) The parent or guardian of each resident who receives 71600
services from the licensee if the resident is a minor. 71601

(7) Pursuant to rules which shall be adopted in accordance 71602
with Chapter 119. of the Revised Code, the director may order the 71603
immediate removal of residents from a residential facility 71604
whenever conditions at the facility present an immediate danger of 71605
physical or psychological harm to the residents. 71606

(8) In determining whether a residential facility is being 71607
operated in compliance with a provision of this chapter that 71608
applies to residential facilities or the rules adopted under such 71609
a provision, or whether conditions at a residential facility 71610
present an immediate danger of physical or psychological harm to 71611
the residents, the director may rely on information obtained by a 71612
county board of developmental disabilities or other governmental 71613
agencies. 71614

(9) In proceedings initiated to deny, refuse to renew, or 71615
revoke licenses, the director may deny, refuse to renew, or revoke 71616

a license regardless of whether some or all of the deficiencies 71617
that prompted the proceedings have been corrected at the time of 71618
the hearing. 71619

(E) The director shall establish a program under which public 71620
notification may be made when the director has initiated license 71621
revocation proceedings or has issued an order for the suspension 71622
of admissions, placement of a monitor, or removal of residents. 71623
The director shall adopt rules in accordance with Chapter 119. of 71624
the Revised Code to implement this division. The rules shall 71625
establish the procedures by which the public notification will be 71626
made and specify the circumstances for which the notification must 71627
be made. The rules shall require that public notification be made 71628
if the director has taken action against the facility in the 71629
eighteen-month period immediately preceding the director's latest 71630
action against the facility and the latest action is being taken 71631
for the same or a substantially similar violation of a provision 71632
of this chapter that applies to residential facilities or the 71633
rules adopted under such a provision. The rules shall specify a 71634
method for removing or amending the public notification if the 71635
director's action is found to have been unjustified or the 71636
violation at the residential facility has been corrected. 71637

(F)(1) Except as provided in division (F)(2) of this section, 71638
appeals from proceedings initiated to impose a sanction under 71639
division (D) of this section shall be conducted in accordance with 71640
Chapter 119. of the Revised Code. 71641

(2) Appeals from proceedings initiated to order the 71642
suspension of admissions to a facility shall be conducted in 71643
accordance with Chapter 119. of the Revised Code, unless the order 71644
was issued before providing an opportunity for an adjudication, in 71645
which case all of the following apply: 71646

(a) The licensee may request a hearing not later than ten 71647
days after receiving the notice specified in section 119.07 of the 71648

Revised Code. 71649

(b) If a timely request for a hearing that includes the 71650
licensee's current address is made, the hearing shall commence not 71651
later than thirty days after the department receives the request. 71652

(c) After commencing, the hearing shall continue 71653
uninterrupted, except for Saturdays, Sundays, and legal holidays, 71654
unless other interruptions are agreed to by the licensee and the 71655
director. 71656

(d) If the hearing is conducted by a hearing examiner, the 71657
hearing examiner shall file a report and recommendations not later 71658
than ten days after the last of the following: 71659

(i) The close of the hearing; 71660

(ii) If a transcript of the proceedings is ordered, the 71661
hearing examiner receives the transcript; 71662

(iii) If post-hearing briefs are timely filed, the hearing 71663
examiner receives the briefs. 71664

(e) A copy of the written report and recommendation of the 71665
hearing examiner shall be sent, by certified mail, to the licensee 71666
and the licensee's attorney, if applicable, not later than five 71667
days after the report is filed. 71668

(f) Not later than five days after the hearing examiner files 71669
the report and recommendations, the licensee may file objections 71670
to the report and recommendations. 71671

(g) Not later than fifteen days after the hearing examiner 71672
files the report and recommendations, the director shall issue an 71673
order approving, modifying, or disapproving the report and 71674
recommendations. 71675

(h) Notwithstanding the pendency of the hearing, the director 71676
shall lift the order for the suspension of admissions when the 71677
director determines that the violation that formed the basis for 71678

the order has been corrected. 71679

(G) Neither a person or government agency whose application 71680
for a license to operate a residential facility is denied nor a 71681
related party of the person or government agency may apply for a 71682
license to operate a residential facility before the date that is 71683
one year after the date of the denial. Neither a licensee whose 71684
residential facility license is revoked nor a related party of the 71685
licensee may apply for a residential facility license before the 71686
date that is five years after the date of the revocation. 71687

(H) In accordance with Chapter 119. of the Revised Code, the 71688
director shall adopt and may amend and rescind rules for licensing 71689
and regulating the operation of residential facilities, ~~including~~ 71690
~~intermediate care facilities for the mentally retarded~~. The rules 71691
for residential facilities that are intermediate care facilities 71692
for the mentally retarded may differ from those for other 71693
residential facilities. The rules shall establish and specify the 71694
following: 71695

(1) Procedures and criteria for issuing and renewing 71696
licenses, including procedures and criteria for determining the 71697
length of the licensing period that the director must specify for 71698
each license when it is issued or renewed; 71699

(2) Procedures and criteria for denying, refusing to renew, 71700
terminating, and revoking licenses and for ordering the suspension 71701
of admissions to a facility, placement of a monitor at a facility, 71702
and the immediate removal of residents from a facility; 71703

(3) Fees for issuing and renewing licenses, which shall be 71704
deposited into the program fee fund created under section 5123.033 71705
of the Revised Code; 71706

(4) Procedures for surveying residential facilities; 71707

(5) Requirements for the training of residential facility 71708
personnel; 71709

| | |
|--|---|
| (6) Classifications for the various types of residential facilities; | 71710 71711 |
| (7) Certification procedures for licensees and management contractors that the director determines are necessary to ensure that they have the skills and qualifications to properly operate or manage residential facilities; | 71712 71713 71714 71715 |
| (8) The maximum number of persons who may be served in a particular type of residential facility; | 71716 71717 |
| (9) Uniform procedures for admission of persons to and transfers and discharges of persons from residential facilities; | 71718 71719 |

| (11) Procedures for waiving any provision of any rule adopted under this section. | 71722 71723 |
| (I) Before issuing a license, the director of the department or the director's designee shall conduct a survey of the residential facility for which application is made. The director or the director's designee shall conduct a survey of each licensed residential facility at least once during the period the license is valid and may conduct additional inspections as needed. A survey includes but is not limited to an on-site examination and evaluation of the residential facility, its personnel, and the services provided there. | 71724 71725 71726 71727 71728 71729 71730 71731 71732 |
| In conducting surveys, the director or the director's designee shall be given access to the residential facility; all records, accounts, and any other documents related to the operation of the facility; the licensee; the residents of the facility; and all persons acting on behalf of, under the control of, or in connection with the licensee. The licensee and all persons on behalf of, under the control of, or in connection with the licensee shall cooperate with the director or the director's | 71733 71734 71735 71736 71737 71738 71739 71740 |

designee in conducting the survey. 71741

Following each survey, unless the director initiates a 71742
license revocation proceeding, the director or the director's 71743
designee shall provide the licensee with a report listing any 71744
deficiencies, specifying a timetable within which the licensee 71745
shall submit a plan of correction describing how the deficiencies 71746
will be corrected, and, when appropriate, specifying a timetable 71747
within which the licensee must correct the deficiencies. After a 71748
plan of correction is submitted, the director or the director's 71749
designee shall approve or disapprove the plan. A copy of the 71750
report and any approved plan of correction shall be provided to 71751
any person who requests it. 71752

The director shall initiate disciplinary action against any 71753
department employee who notifies or causes the notification to any 71754
unauthorized person of an unannounced survey of a residential 71755
facility by an authorized representative of the department. 71756

(J) In addition to any other information which may be 71757
required of applicants for a license pursuant to this section, the 71758
director shall require each applicant to provide a copy of an 71759
approved plan for a proposed residential facility pursuant to 71760
section 5123.042 of the Revised Code. This division does not apply 71761
to renewal of a license or to an applicant for an initial or 71762
modified license who meets the requirements of section ~~5123.193~~ or 71763
5123.197 of the Revised Code. 71764

(K) A licensee shall notify the owner of the building in 71765
which the licensee's residential facility is located of any 71766
significant change in the identity of the licensee or management 71767
contractor before the effective date of the change if the licensee 71768
is not the owner of the building. 71769

Pursuant to rules which shall be adopted in accordance with 71770
Chapter 119. of the Revised Code, the director may require 71771

notification to the department of any significant change in the 71772
ownership of a residential facility or in the identity of the 71773
licensee or management contractor. If the director determines that 71774
a significant change of ownership is proposed, the director shall 71775
consider the proposed change to be an application for development 71776
by a new operator pursuant to section 5123.042 of the Revised Code 71777
and shall advise the applicant within sixty days of the 71778
notification that the current license shall continue in effect or 71779
a new license will be required pursuant to this section. If the 71780
director requires a new license, the director shall permit the 71781
facility to continue to operate under the current license until 71782
the new license is issued, unless the current license is revoked, 71783
refused to be renewed, or terminated in accordance with Chapter 71784
119. of the Revised Code. 71785

(L) A county board of developmental disabilities and any 71786
interested person may file complaints alleging violations of 71787
statute or department rule relating to residential facilities with 71788
the department. All complaints shall be in writing and shall state 71789
the facts constituting the basis of the allegation. The department 71790
shall not reveal the source of any complaint unless the 71791
complainant agrees in writing to waive the right to 71792
confidentiality or until so ordered by a court of competent 71793
jurisdiction. 71794

The department shall adopt rules in accordance with Chapter 71795
119. of the Revised Code establishing procedures for the receipt, 71796
referral, investigation, and disposition of complaints filed with 71797
the department under this division. 71798

(M) The department shall establish procedures for the 71799
notification of interested parties of the transfer or interim care 71800
of residents from residential facilities that are closing or are 71801
losing their license. 71802

(N) Before issuing a license under this section to a 71803

residential facility that will accommodate at any time more than 71804
one mentally retarded or developmentally disabled individual, the 71805
director shall, by first class mail, notify the following: 71806

(1) If the facility will be located in a municipal 71807
corporation, the clerk of the legislative authority of the 71808
municipal corporation; 71809

(2) If the facility will be located in unincorporated 71810
territory, the clerk of the appropriate board of county 71811
commissioners and the fiscal officer of the appropriate board of 71812
township trustees. 71813

The director shall not issue the license for ten days after 71814
mailing the notice, excluding Saturdays, Sundays, and legal 71815
holidays, in order to give the notified local officials time in 71816
which to comment on the proposed issuance. 71817

Any legislative authority of a municipal corporation, board 71818
of county commissioners, or board of township trustees that 71819
receives notice under this division of the proposed issuance of a 71820
license for a residential facility may comment on it in writing to 71821
the director within ten days after the director mailed the notice, 71822
excluding Saturdays, Sundays, and legal holidays. If the director 71823
receives written comments from any notified officials within the 71824
specified time, the director shall make written findings 71825
concerning the comments and the director's decision on the 71826
issuance of the license. If the director does not receive written 71827
comments from any notified local officials within the specified 71828
time, the director shall continue the process for issuance of the 71829
license. 71830

(O) Any person may operate a licensed residential facility 71831
that provides room and board, personal care, habilitation 71832
services, and supervision in a family setting for at least six but 71833
not more than eight persons with mental retardation or a 71834

developmental disability as a permitted use in any residential 71835
district or zone, including any single-family residential district 71836
or zone, of any political subdivision. These residential 71837
facilities may be required to comply with area, height, yard, and 71838
architectural compatibility requirements that are uniformly 71839
imposed upon all single-family residences within the district or 71840
zone. 71841

(P) Any person may operate a licensed residential facility 71842
that provides room and board, personal care, habilitation 71843
services, and supervision in a family setting for at least nine 71844
but not more than sixteen persons with mental retardation or a 71845
developmental disability as a permitted use in any multiple-family 71846
residential district or zone of any political subdivision, except 71847
that a political subdivision that has enacted a zoning ordinance 71848
or resolution establishing planned unit development districts may 71849
exclude these residential facilities from those districts, and a 71850
political subdivision that has enacted a zoning ordinance or 71851
resolution may regulate these residential facilities in 71852
multiple-family residential districts or zones as a conditionally 71853
permitted use or special exception, in either case, under 71854
reasonable and specific standards and conditions set out in the 71855
zoning ordinance or resolution to: 71856

(1) Require the architectural design and site layout of the 71857
residential facility and the location, nature, and height of any 71858
walls, screens, and fences to be compatible with adjoining land 71859
uses and the residential character of the neighborhood; 71860

(2) Require compliance with yard, parking, and sign 71861
regulation; 71862

(3) Limit excessive concentration of these residential 71863
facilities. 71864

(Q) This section does not prohibit a political subdivision 71865

from applying to residential facilities nondiscriminatory 71866
regulations requiring compliance with health, fire, and safety 71867
regulations and building standards and regulations. 71868

(R) Divisions (O) and (P) of this section are not applicable 71869
to municipal corporations that had in effect on June 15, 1977, an 71870
ordinance specifically permitting in residential zones licensed 71871
residential facilities by means of permitted uses, conditional 71872
uses, or special exception, so long as such ordinance remains in 71873
effect without any substantive modification. 71874

(S)(1) The director may issue an interim license to operate a 71875
residential facility to an applicant for a license under this 71876
section if either of the following is the case: 71877

(a) The director determines that an emergency exists 71878
requiring immediate placement of persons in a residential 71879
facility, that insufficient licensed beds are available, and that 71880
the residential facility is likely to receive a permanent license 71881
under this section within thirty days after issuance of the 71882
interim license. 71883

(b) The director determines that the issuance of an interim 71884
license is necessary to meet a temporary need for a residential 71885
facility. 71886

(2) To be eligible to receive an interim license, an 71887
applicant must meet the same criteria that must be met to receive 71888
a permanent license under this section, except for any differing 71889
procedures and time frames that may apply to issuance of a 71890
permanent license. 71891

(3) An interim license shall be valid for thirty days and may 71892
be renewed by the director for a period not to exceed one hundred 71893
fifty days. 71894

(4) The director shall adopt rules in accordance with Chapter 71895
119. of the Revised Code as the director considers necessary to 71896

administer the issuance of interim licenses. 71897

(T) Notwithstanding rules adopted pursuant to this section 71898
establishing the maximum number of persons who may be served in a 71899
particular type of residential facility, a residential facility 71900
shall be permitted to serve the same number of persons being 71901
served by the facility on the effective date of the rules or the 71902
number of persons for which the facility is authorized pursuant to 71903
a current application for a certificate of need with a letter of 71904
support from the department of developmental disabilities and 71905
which is in the review process prior to April 4, 1986. 71906

(U) The director or the director's designee may enter at any 71907
time, for purposes of investigation, any home, facility, or other 71908
structure that has been reported to the director or that the 71909
director has reasonable cause to believe is being operated as a 71910
residential facility without a license issued under this section. 71911

The director may petition the court of common pleas of the 71912

SMALL GOVERNMENT FIRE DEPARTMENTS 73535

Notwithstanding section 3737.17 of the Revised Code, the 73536
foregoing appropriation item 800635, Small Government Fire 73537
Departments, may be used to provide loans to private fire 73538
departments. 73539

UNCLAIMED FUNDS PAYMENTS 73540

The foregoing appropriation item 800625, Unclaimed 73541
Funds-Claims, shall be used to pay claims under section 169.08 of 73542
the Revised Code. If it is determined that additional amounts are 73543
necessary, the amounts are appropriated. 73544

UNCLAIMED FUNDS TRANSFERS 73545

Notwithstanding division (A) of section 169.05 of the Revised 73546
Code, during the FY 2012-FY 2013 biennium, the Director of Budget 73547
and Management shall request the Director of Commerce to transfer 73548
to the General Revenue Fund up to \$215,000,000 of unclaimed funds 73549
that have been reported by holders of unclaimed funds under 73550
section 169.05 of the Revised Code, irrespective of the allocation 73551
of the unclaimed funds under that section. The Director of 73552
Commerce shall transfer the funds at the times requested by the 73553
Director of Budget and Management. 73554

FIRE DEPARTMENT GRANTS 73555

Of the foregoing appropriation item 800639, Fire Department 73556
Grants, up to \$1,647,140 in each fiscal year shall be used to make 73557
annual grants to the following eligible recipients: volunteer fire 73558
departments, fire departments that serve one or more small 73559

municipalities or small townships, joint fire districts comprised 73560
of fire departments that primarily serve small municipalities or 73561
small townships, local units of government responsible for such 73562
fire departments, and local units of government responsible for 73563
the provision of fire protection services for small municipalities 73564
or small townships. For the purposes of these grants, a private 73565
fire company, as that phrase is defined in section 9.60 of the 73566
Revised Code, that is providing fire protection services under a 73567
contract to a political subdivision of the state, is an additional 73568
eligible recipient for a training grant. 73569

Eligible recipients that consist of small municipalities or 73570
small townships that all intend to contract with the same fire 73571
department or private fire company for fire protection services 73572
may jointly apply and be considered for a grant. If a joint 73573
applicant is awarded a grant, the State Fire Marshal shall, if 73574
feasible, proportionately award the grant and any equipment 73575
purchased with grant funds to each of the joint applicants based 73576
upon each applicant's contribution to and demonstrated need for 73577
fire protection services. 73578

If the grant awarded to joint applicants is an equipment 73579
grant and the equipment to be purchased cannot be readily 73580
distributed or possessed by multiple recipients, each of the joint 73581
applicants shall be awarded by the State Fire Marshal an ownership 73582
interest in the equipment so purchased in proportion to each 73583
applicant's contribution to and demonstrated need for fire 73584
protection services. The joint applicants shall then mutually 73585
agree on how the equipment is to be maintained, operated, stored, 73586
or disposed of. If, for any reason, the joint applicants cannot 73587
agree as to how jointly owned equipment is to be maintained, 73588
operated, stored, or disposed of or any of the joint applicants no 73589
longer maintain a contract with the same fire protection service 73590
provider as the other applicants, then the joint applicants shall, 73591

with the assistance of the State Fire Marshal, mutually agree as 73592
to how the jointly owned equipment is to be maintained, operated, 73593
stored, disposed of, or owned. If the joint applicants cannot 73594
agree how the grant equipment is to be maintained, operated, 73595
stored, disposed of, or owned, the State Fire Marshal may, in its 73596
discretion, require all of the equipment acquired by the joint 73597
applicants with grant funds to be returned to the State Fire 73598
Marshal. The State Fire Marshal may then award the returned 73599
equipment to any eligible recipients. 73600

The grants shall be used by recipients to purchase 73601
firefighting or rescue equipment or gear or similar items, to 73602
provide full or partial reimbursement for the documented costs of 73603
firefighter training, or, at the discretion of the State Fire 73604
Marshal, to cover fire department costs for providing fire 73605
protection services in that grant recipient's jurisdiction. 73606

Grant awards for firefighting or rescue equipment or gear or 73607
for fire department costs of providing fire protection services 73608
shall be up to \$15,000 per fiscal year, or up to \$25,000 per 73609
fiscal year if an eligible entity serves a jurisdiction in which 73610
the Governor declared a natural disaster during the preceding or 73611
current fiscal year in which the grant was awarded. In addition to 73612
any grant funds awarded for rescue equipment or gear, or for fire 73613
department costs associated with the provision of fire protection 73614
services, an eligible entity may receive a grant for up to \$15,000 73615
per fiscal year for full or partial reimbursement of the 73616
documented costs of firefighter training. For each fiscal year, 73617
the State Fire Marshal shall determine the total amounts to be 73618
allocated for each eligible purpose. 73619

The grant program shall be administered by the State Fire 73620
Marshal in accordance with rules the State Fire Marshal adopts as 73621
part of the state fire code adopted pursuant to section 3737.82 of 73622
the Revised Code that are necessary for the administration and 73623

operation of the grant program. The rules may further define the 73624
entities eligible to receive grants and establish criteria for the 73625
awarding and expenditure of grant funds, including methods the 73626
State Fire Marshal may use to verify the proper use of grant funds 73627
or to obtain reimbursement for or the return of equipment for 73628
improperly used grant funds. Any amounts in appropriation item 73629
800639, Fire Department Grants, in excess of the amount allocated 73630
for these grants may be used for the administration of the grant 73631
program. 73632

Sec. 267.10.10. OPERATING EXPENSES

74371

The foregoing appropriation item 200321, Operating Expenses, 74372
shall be used to support the same activities as are supported 74373
prior to July 1, 2012, by appropriation items 200100, Personal 74374
Services, and 200320, Maintenance and Equipment. A portion of this 74375

appropriation item also shall be used by the Department of 74376
Education to provide matching funds under 20 U.S.C. 2321, which 74377
are provided by appropriation item 200416, Career-Technical 74378
Education Match, prior to July 1, 2012. 74379

On July 1, 2012, or as soon as possible thereafter, the 74380
Director of Budget and Management shall cancel any existing 74381
encumbrances against appropriation items 200100, Personal 74382
Services, 200320, Maintenance and Equipment, and 200416, 74383
Career-Technical Education Match, and reestablish them against 74384
appropriation item 200321, Operating Expenses. The reestablished 74385
encumbrance amounts are hereby appropriated. 74386

EARLY CHILDHOOD EDUCATION 74387

The Department of Education shall distribute the foregoing 74388
appropriation item 200408, Early Childhood Education, to pay the 74389
costs of early childhood education programs. 74390

(A) As used in this section: 74391

(1) "Provider" means a city, local, exempted village, or 74392
joint vocational school district, or an educational service 74393
center. 74394

(2) In the case of a city, local, or exempted village school 74395
district, "new eligible provider" means a district that did not 74396
receive state funding for Early Childhood Education in the 74397
previous fiscal year or demonstrates a need for early childhood 74398
programs as defined in division (D) of this section. 74399

(3) "Eligible child" means a child who is at least three 74400
years of age as of the district entry date for kindergarten, is 74401
not of the age to be eligible for kindergarten, and whose family 74402
earns not more than two hundred per cent of the federal poverty 74403
guidelines as defined in division (A)(3) of section 5101.46 of the 74404
Revised Code. Children with an Individualized Education Program 74405
and where the Early Childhood Education program is the least 74406

restrictive environment may be enrolled on their third birthday. 74407

(B) In each fiscal year, up to two per cent of the total 74408
appropriation may be used by the Department for program support 74409
and technical assistance. The Department shall distribute the 74410
remainder of the appropriation in each fiscal year to serve 74411
eligible children. 74412

(C) The Department shall provide an annual report to the 74413
Governor, the Speaker of the House of Representatives, and the 74414
President of the Senate and post the report to the Department's 74415
web site, regarding early childhood education programs operated 74416
under this section and the early learning program guidelines. 74417

(D) After setting aside the amounts to make payments due from 74418
the previous fiscal year, in fiscal year 2012, the Department 74419
shall distribute funds first to recipients of funds for early 74420
childhood education programs under Section 265.10.20 of Am. Sub. 74421
H.B. 1 of the 128th General Assembly in the previous fiscal year 74422
and the balance to new eligible providers of early childhood 74423
education programs under this section or to existing providers to 74424
serve more eligible children or for purposes of program expansion, 74425
improvement, or special projects to promote quality and 74426
innovation. 74427

After setting aside the amounts to make payments due from the 74428
previous fiscal year, in fiscal year 2013, the Department shall 74429
distribute funds first to providers of early childhood education 74430
programs under this section in the previous fiscal year and the 74431
balance to new eligible providers or to existing providers to 74432
serve more eligible children or for purposes of program expansion, 74433
improvement, or special projects to promote quality and 74434
innovation. 74435

Awards under this section shall be distributed on a per-pupil 74436
basis, and in accordance with division (H) of this section. The 74437

Department may adjust the per-pupil amount so that the per-pupil amount multiplied by the number of eligible children enrolled and receiving services on the first day of December or the business day closest to that date equals the amount allocated under this section.

(E) Costs for developing and administering an early childhood education program may not exceed fifteen per cent of the total approved costs of the program.

All providers shall maintain such fiscal control and accounting procedures as may be necessary to ensure the disbursement of, and accounting for, these funds. The control of funds provided in this program, and title to property obtained, shall be under the authority of the approved provider for purposes provided in the program unless, as described in division (J) of this section, the program waives its right for funding or a program's funding is eliminated or reduced due to its inability to meet financial or early learning program guidelines. The approved provider shall administer and use such property and funds for the purposes specified.

(F) The Department may examine a provider's financial and program records. If the financial practices of the program are not in accordance with standard accounting principles or do not meet financial standards outlined under division (E) of this section, or if the program fails to substantially meet the early learning program guidelines, meet a quality rating level in the tiered quality rating and improvement system developed under section 5104.30 of the Revised Code as prescribed by the Department, or exhibits below average performance as measured against the guidelines, the early childhood education program shall propose and implement a corrective action plan that has been approved by the Department. The approved corrective action plan shall be signed by the chief executive officer and the executive of the

official governing body of the provider. The corrective action 74470
plan shall include a schedule for monitoring by the Department. 74471
Such monitoring may include monthly reports, inspections, a 74472
timeline for correction of deficiencies, and technical assistance 74473
to be provided by the Department or obtained by the early 74474
childhood education program. The Department may withhold funding 74475
pending corrective action. If an early childhood education program 74476
fails to satisfactorily complete a corrective action plan, the 74477
Department may deny expansion funding to the program or withdraw 74478
all or part of the funding to the program and establish a new 74479
eligible provider through a selection process established by the 74480
Department. 74481

(G) Each early childhood education program shall do all of 74482
the following: 74483

(1) Meet teacher qualification requirements prescribed by 74484
section 3301.311 of the Revised Code; 74485

(2) Align curriculum to the early learning content standards 74486
developed by the Department; 74487

(3) Meet any child or program assessment requirements 74488
prescribed by the Department; 74489

(4) Require teachers, except teachers enrolled and working to 74490
obtain a degree pursuant to section 3301.311 of the Revised Code, 74491
to attend a minimum of twenty hours every two years of 74492
professional development as prescribed by the Department; 74493

(5) Document and report child progress as prescribed by the 74494
Department; 74495

(6) Meet and report compliance with the early learning 74496
program guidelines as prescribed by the Department; 74497

(7) Participate in the tiered quality rating and improvement 74498
system developed under section 5104.30 of the Revised Code. 74499

Effective July 1, 2016, all programs shall be rated through the 74500
system. 74501

(H) Per-pupil funding for programs subject to this section 74502
shall be sufficient to provide eligible children with services for 74503
a standard early childhood schedule which shall be defined in this 74504
section as a minimum of twelve and one-half hours per school week 74505
as defined in section 3313.62 of the Revised Code for the minimum 74506
school year as defined in sections 3313.48, 3313.481, and 3313.482 74507
of the Revised Code. Nothing in this section shall be construed to 74508
prohibit program providers from utilizing other funds to serve 74509
eligible children in programs that exceed the twelve and one-half 74510
hours per week or that exceed the minimum school year. For any 74511
provider for which a standard early childhood education schedule 74512
creates a hardship or for which the provider shows evidence that 74513
the provider is working in collaboration with a preschool special 74514
education program, the provider may submit a waiver to the 74515
Department requesting an alternate schedule. If the Department 74516
approves a waiver for an alternate schedule that provides services 74517
for less time than the standard early childhood education 74518
schedule, the Department may reduce the provider's annual 74519
allocation proportionately. Under no circumstances shall an annual 74520
allocation be increased because of the approval of an alternate 74521
schedule. 74522

(I) Each provider shall develop a sliding fee scale based on 74523
family incomes and shall charge families who earn more than two 74524
hundred per cent of the federal poverty guidelines, as defined in 74525
division (A)(3) of section 5101.46 of the Revised Code, for the 74526
early childhood education program. 74527

The Department shall conduct an annual survey of each 74528
provider to determine whether the provider charges families 74529
tuition or fees, the amount families are charged relative to 74530
family income levels, and the number of families and students 74531

charged tuition and fees for the early childhood program. 74532

(J) If an early childhood education program voluntarily 74533
waives its right for funding, or has its funding eliminated for 74534
not meeting financial standards or the early learning program 74535
guidelines, the provider shall transfer control of title to 74536
property, equipment, and remaining supplies obtained through the 74537
program to providers designated by the Department and return any 74538
unexpended funds to the Department along with any reports 74539
prescribed by the Department. The funding made available from a 74540
program that waives its right for funding or has its funding 74541
eliminated or reduced may be used by the Department for new grant 74542
awards or expansion grants. The Department may award new grants or 74543
expansion grants to eligible providers who apply. The eligible 74544
providers who apply must do so in accordance with the selection 74545
process established by the Department. 74546

(K) As used in this section, "early learning program 74547
guidelines" means the guidelines established by the Department 74548
pursuant to division (C)(3) of Section 206.09.54 of Am. Sub. H.B. 74549
66 of the 126th General Assembly. 74550

(L) Eligible expenditures for the Early Childhood Education 74551
program shall be claimed each fiscal year to help meet the state's 74552
TANF maintenance of effort requirement. The Superintendent of 74553
Public Instruction and the Director of Job and Family Services 74554
shall enter into an interagency agreement to carry out the 74555
requirements under this division, which shall include developing 74556
reporting guidelines for these expenditures. 74557

Sec. 267.10.20. CAREER-TECHNICAL EDUCATION MATCH 74558

200416, Career-Technical Education Match, shall be used by the 74560
Department of Education to provide ~~vocational administration~~ 74561
matching funds under 20 U.S.C. ~~2311~~ 2321. 74562

districts with priority given to districts in fiscal distress. 74594
Districts in fiscal distress shall be determined by the Auditor of 74595
State and shall include districts that the Auditor of State, in 74596
consultation with the Department of Education, determines are 74597
employing fiscal practices or experiencing budgetary conditions 74598
that could produce a state of fiscal watch or fiscal emergency. 74599

The remainder of appropriation item 200422, School Management 74600

2012 and up to \$415,162,388 (state and federal) in fiscal year 75314
2013 shall be used for the Hospital Inpatient and Outpatient 75315
Supplemental Upper Payment Limit Program; 75316

(2) Up to \$162,000,000 (state and federal) in each fiscal 75317
year shall be used for the Medicaid Managed Care Hospital 75318
Incentive Payment Program; 75319

(3) Up to \$176,021,111 (state and federal) in fiscal year 75320
2012 and up to \$195,158,394 (state and federal) in fiscal year 75321
2013 shall be used for the program authorized by the section of 75322
~~this act~~ Am. Sub. H.B. 153 of the 129th General Assembly titled 75323
"CONTINUATION OF MEDICAID RATES FOR HOSPITAL INPATIENT AND 75324
OUTPATIENT SERVICES." 75325

(D)(1) If the Medicaid state plan amendment submitted under 75326
division (B)(1) of this section is approved, the Department shall 75327
implement the Hospital Inpatient and Outpatient Supplemental Upper 75328
Payment Limit Program during fiscal year 2012 and fiscal year 75329
2013. Under the Program, subject to division (D)(2) of this 75330
section, supplemental Medicaid payments shall be made to hospitals 75331
for Medicaid-covered inpatient and outpatient services. The 75332
Department shall make the payments through amounts that are made 75333
available for the Program under division (C) of this section and 75334
any federal financial participation available for the Program. 75335

(2) The Department shall take all actions necessary to cease 75336
implementation of the Program if the United States Secretary 75337
determines that the assessment imposed under section 5112.41 of 75338
the Revised Code is an impermissible healthcare-related tax under 75339
section 1903(w) of the "Social Security Act," 105 Stat. 1793 75340
(1991), 42 U.S.C. 1396b(w), as amended. 75341

(E)(1) If the Medicaid state plan amendment submitted under 75342
division (B)(2) of this section is approved, the Department shall 75343
implement the Medicaid Managed Care Hospital Incentive Payment 75344

Program. The purpose of the Program is to increase access to 75345
hospital services for Medicaid recipients who are enrolled in 75346
Medicaid managed care organizations. 75347

Under the Program, subject to division (E)(3) of this 75348
section, funds shall be provided to Medicaid managed care 75349
organizations, which shall use the funds to increase payments to 75350
hospitals for providing services to Medicaid recipients who are 75351
enrolled in the organizations. The Department shall provide the 75352
funds through amounts that are made available for the Program 75353
under division (C) of this section and any federal financial 75354
participation available for the Program. 75355

(2) Not later than July 1, 2012, the Department shall select 75356
an actuary to conduct a study of the contracted reimbursement 75357
rates between Medicaid managed care organizations and hospitals. 75358
The actuary shall determine if a reduction in the capitation rates 75359
paid to Medicaid managed care organizations in fiscal year 2013 is 75360
appropriate as a result of the contracted reimbursement rates 75361
between the organizations and hospitals. The actuary shall notify 75362
the Department of its determination. 75363

If the actuary determines that a reduction in the capitation 75364
rates paid to Medicaid managed care organizations in fiscal year 75365
2013 will not achieve \$22 million in state savings in fiscal year 75366
2013, the state shall receive the difference between what the 75367
actuary determines the state will save and \$22 million. The 75368
Department, in consultation with the Ohio Association of Health 75369
Plans and the Ohio Hospital Association, shall establish a 75370
methodology under which the difference is paid equally by Medicaid 75371
managed care organizations and hospitals in this state. 75372

Notwithstanding anything to the contrary specified in 75373
division (E)(3)(b) or (c) of this section, the Medicaid managed 75374
care organizations and hospitals shall pay the amounts determined 75375
under the methodology, unless the Department waives the 75376

requirement to make the payments. The requirement may be waived if 75377
spending for the Medicaid program in fiscal year 2013 is less than 75378
the amount that is budgeted for that fiscal year. If payments are 75379
made, the amount received by the Department shall be deposited 75380
into the state treasury to the credit of the Health Care 75381
Compliance Fund created under section ~~5111.171~~ 5111.946 of the 75382
Revised Code. 75383

(3)(a) The Department shall not provide funds to Medicaid 75384
managed care organizations under the Program unless an actuary 75385
selected by the Department certifies that the Program would not 75386
violate the actuarial soundness of the capitation rates paid to 75387
Medicaid managed care organizations. 75388

(b) The Department shall not implement the Program in a 75389
manner that causes a hospital to receive less money from the 75390
Hospital Assessment Fund than the hospital would have received if 75391
the Program were not implemented. 75392

(c) The Department shall not implement the Program in a 75393
manner that causes a Medicaid managed care organization to receive 75394
a lower capitation payment rate solely because funds are made 75395
available to the organization under the Program. 75396

(d) The Department shall take all necessary actions to cease 75397
implementation of the Program if the United States Secretary 75398
determines that the assessment imposed under section 5112.41 of 75399
the Revised Code is an impermissible healthcare-related tax under 75400
section 1903(w) of the "Social Security Act," 105 Stat. 1793 75401
(1991), 42 U.S.C. 1396b(w), as amended. 75402

(F) The Director of Budget and Management may authorize 75403
additional expenditures from appropriation item 600623, Health 75404
Care Federal, appropriation item 600525, Health Care/Medicaid, and 75405

implement the programs authorized by this section and to implement 75407

the section of ~~this act~~ Am. Sub. H.B. 153 of the 129th General 75408
Assembly titled "CONTINUATION OF MEDICAID RATES FOR HOSPITAL 75409
INPATIENT AND OUTPATIENT SERVICES." Any amounts authorized are 75410
hereby appropriated. 75411

(G) Nothing in this section reduces payments to children's 75412
hospitals authorized under the section of ~~this act~~ Am. Sub. H.B. 75413
153 of the 129th General Assembly titled "CHILDREN'S HOSPITALS 75414

Section 737.60. LUPUS EDUCATION AND AWARENESS PROGRAM 77970

(A) In establishing the Lupus Education and Awareness Program 77971
under sections 3701.77 to 3701.775 of the Revised Code, as enacted 77972
by this act, the General Assembly hereby finds the following: 77973

(1) Lupus is a serious, complex, and debilitating autoimmune disease that can cause inflammation and tissue damage to virtually any organ system in the body, including the skin, joints, other connective tissue, blood and blood vessels, heart, lungs, kidneys, and brain. 77974
77975
77976
77977
77978

(2) The Lupus Foundation of America, Inc., estimates that approximately 1.5 to 2 million Americans live with lupus. 77979
77980

(3) According to the Centers for Disease Control and Prevention, the rate of lupus mortality has increased since the late 1970s. 77981
77982
77983

(4) The pain and fatigue associated with lupus can threaten the ability to live independently, maintain employment, and lead a normal life. One in five individuals with lupus is disabled by the disease, and consequently receives support from government programs, including Medicare, Medicaid, Social Security Disability, and Social Security Supplemental Income. 77984
77985
77986
77987
77988
77989

(5) The estimated average annual cost of medical treatment for an individual with lupus is between \$10,000 and \$30,000; for individuals who have the most serious form of lupus, medical costs can greatly exceed this amount, causing a significant economic, emotional, and social burden to the entire family and society. 77990
77991
77992
77993
77994

(6) More than half of individuals with lupus suffer four or more years and visit three or more physicians before obtaining a diagnosis of lupus; early diagnosis of and treatment for lupus can prevent or reduce serious organ damage, disability, and death. 77995
77996
77997
77998

(7) Despite the magnitude of lupus and its impact on individuals and families, health professional and public understanding of lupus remains low; only one in five Americans can provide basic information about lupus, and awareness of lupus is lowest among adults 18 to 34 years of age - the age group most likely to develop lupus. 77999
78000
78001
78002
78003
78004

(8) Lupus is a significant national health issue that 78005
deserves a comprehensive and coordinated response by state and 78006
federal governments with involvement of the health care provider, 78007
patient, and public health communities. 78008

(B) The purpose of sections 3701.77 to 3701.775 of the 78009
Revised Code, as enacted by this act, is to create a 78010
multi-pronged, statewide program to promote public and health 78011
professional awareness and increase knowledge concerning the 78012
causes and consequences of lupus, the importance of early 78013
diagnosis and appropriate management, and effective treatment and 78014
management strategies by all of the following: 78015

(1) Conducting educational and training programs for health 78016
professionals on lupus diagnosis and management; 78017

(2) Developing and disseminating educational materials and 78018
information to patients and health professionals on lupus research 78019
results and health care services available; 78020

(3) Designing and implementing a statewide public education 78021
campaign aimed at heightening public awareness of lupus; 78022

(4) Leveraging educational and training resources and 78023
services previously developed by organizations with appropriate 78024
expertise and knowledge of lupus. 78025

long-acting antagonist therapy and meet all of the following 78035

person to whom they are given or through diversion of the drugs to 78038

(2) Attend any on-site programming specified by the 78074

based on an integrated service delivery model. The treatment 78079
provider shall do all of the following: 78080

(1) Conduct a professional, comprehensive substance abuse and 78081
mental health diagnostic assessment of each person who is a 78082

property under this section; 78546

property previously disposed of by the board of education; 78548

(3) The real property when sold will be used for commercial 78549

development. 78550

(B) Notwithstanding division (A)(3) of this section, on or 78551
after the effective date of this section, the real property may be 78552
used for residential development as well as commercial 78553
development. 78554

Section 757.10. A board of township trustees or the 78555
legislative authority of a municipal corporation to which section 78556
5705.19 or 5705.252 of the Revised Code applies, as enacted or 78557
amended by this act, may adopt the resolution proposing the levy 78558
of the tax or the combined questions authorized by those 78559
enactments or amendments and certify a copy of the resolution to 78560
the proper county board of elections as otherwise prescribed by 78561
law after this act becomes law and before the effective date of 78562
those enactments or amendments, requesting that the board of 78563
elections submit the proposal to the electors at the general 78564
election occurring on November 6, 2012. The board of elections, 78565
upon receiving a properly certified copy of such a resolution not 78566
later than four p.m. on August 8, 2012, shall submit the proposal 78567
to electors at that election as otherwise provided under section 78568
5705.25 or 5705.252 of the Revised Code, and such actions of the 78569
board of township trustees, municipal legislative authority, and 78570
board of elections are hereby ratified. 78571

Section 757.20. As used in this section, "qualified property" 78572
means real property that satisfies the qualifications for tax 78573
exemption under the terms of section 5709.07 of the Revised Code 78574
and that is owned by a church as defined in that section. 78575

Notwithstanding section 5713.081 of the Revised Code, when 78576
qualified property has not received tax exemption due to a failure 78577
to comply with Chapter 5713. or section 5715.27 of the Revised 78578
Code, the current owner of the property, or the prior owner of the 78579

property requesting exemption from prior taxes, at any time on or 78580
before twelve months after the effective date of this section, may 78581
file with the Tax Commissioner an application requesting that the 78582
property be placed on the tax-exempt list and that all unpaid 78583
taxes, penalties, and interest on the property be abated. 78584

The application shall be made on the form prescribed by the 78585
Tax Commissioner under section 5715.27 of the Revised Code and 78586
shall list the name of the county in which the property is 78587
located; the property's legal description; its taxable value; the 78588
amount in dollars of the unpaid taxes, penalties, and interest; 78589
the date of acquisition of title to the property; the use of the 78590
property during any time that the unpaid taxes accrued; and any 78591
other information required by the Tax Commissioner. The county 78592
auditor shall supply the required information upon request of the 78593
applicant. 78594

Upon request of the applicant, the county treasurer shall 78595
determine if all taxes, penalties, and interest that became a lien 78596
on the qualified property before it first was used for an exempt 78597
purpose and all special assessments charged against the property 78598
have been paid in full. If so, the county treasurer shall issue a 78599
certificate to the applicant stating that all such taxes, 78600
penalties, interest, and assessments have been paid in full. Prior 78601
to filing the application with the Tax Commissioner, the applicant 78602
shall attach the county treasurer's certificate to it. The Tax 78603
Commissioner shall not consider an application filed under this 78604
section unless such a certificate is attached to it. 78605

Upon receipt of the application and after consideration of 78606
it, the Tax Commissioner shall determine if the applicant meets 78607
the qualifications set forth in this section, and if so shall 78608
issue an order directing that the property be placed on the 78609
tax-exempt list of the county and that all unpaid taxes, 78610
penalties, and interest for every year the property met the 78611

qualifications for exemption described in section 5709.07 of the Revised Code be abated. If the Tax Commissioner finds that the property is not now being so used or is being used for a purpose that would foreclose its right to tax exemption, the Tax Commissioner shall issue an order denying the application.

If the Tax Commissioner finds that the property is not entitled to tax exemption and to the abatement of unpaid taxes, penalties, and interest for any of the years for which the current or prior owner claims an exemption or abatement, the Tax Commissioner shall order the county treasurer of the county in which the property is located to collect all taxes, penalties, and interest due on the property for those years in accordance with law.

The Tax Commissioner may apply this section to any qualified property that is the subject of an application for exemption pending before the Tax Commissioner on the effective date of this section, without requiring the property owner to file an additional application. The Tax Commissioner also may apply this section to any qualified property that is the subject of an application for exemption filed on or after the effective date of this section and on or before twelve months after that effective date, even though the application does not expressly request abatement of unpaid taxes, penalties, and interest.

Section 806.10. The items of law contained in this act, and their applications, are severable. If any item of law contained in this act, or if any application of any item of law contained in this act, is held invalid, the invalidity does not affect other items of law contained in this act and their applications that can be given effect without the invalid item of law or application.

Section 812.10. Sections subject to referendum: general

amendment, enactment, or repeal by this act of a section is 78643
