For the purposes of division (BB)(2) of this section, the 63154  
cost of constructing a new bed shall be considered to be forty 63155

the renovation is completed, using the consumer price index for 63158

shelter costs for all urban consumers for the north central 63159

To determine the rate, the department shall do all of the following: 63214  
63215

63217  
63218  
63219

(2)(a) Set the maximum cost per case-mix unit for each peer group of intermediate care facilities for the mentally retarded with more than eight beds specified in rules adopted under division (F) of this section at a percentage above the cost per case-mix unit of the facility in the group that has the group's median medicaid ~~inpatient~~ day for the calendar year preceding the fiscal year in which the rate will be paid, as calculated under division (B)(1) of this section, that is no less than the percentage calculated under division (E)(2) of this section.

(b) Set the maximum cost per case-mix unit for each peer group of intermediate care facilities for the mentally retarded with eight or fewer beds specified in rules adopted under division (F) of this section at a percentage above the cost per case-mix unit of the facility in the group that has the group's median medicaid ~~inpatient~~ day for the calendar year preceding the fiscal year in which the rate will be paid, as calculated under division (B)(1) of this section, that is no less than the percentage calculated under division (E)(3) of this section.

(c) In calculating the maximum cost per case-mix unit under divisions (B)(2)(a) and (b) of this section for each peer group, the department shall exclude from its calculations the cost per case-mix unit of any facility in the group that participated in the medicaid program under the same operator for less than twelve months during the calendar year preceding the fiscal year in which the rate will be paid.

(3) Estimate the rate of inflation for the eighteen-month

period beginning on the first day of July of the calendar year 63252  
preceding the fiscal year in which the rate will be paid and 63253  
ending on the thirty-first day of December of the fiscal year in 63254  
which the rate will be paid, using the index specified in division 63255  
(C) of this section. If the estimated inflation rate for the 63256  
eighteen-month period is different from the actual inflation rate 63257  
for that period, as measured using the same index, the difference 63258  
shall be added to or subtracted from the inflation rate estimated 63259  
under division (B)(3) of this section for the following fiscal 63260

information that it receives after the maximum costs per case-mix 63265  
unit or percentages are set. The department shall recalculate a 63266

(E)(1) The department shall calculate the percentage above the median cost per case-mix unit determined under division (B)(1) of this section for the facility that has the median medicaid ~~inpatient~~ day for calendar year 1992 for all intermediate care facilities for the mentally retarded with more than eight beds that would result in payment of all desk-reviewed, actual, allowable direct care costs for eighty and one-half per cent of the medicaid ~~inpatient~~ days for such facilities for calendar year 1992.

(2) The department shall calculate the percentage above the median cost per case-mix unit determined under division (B)(1) of this section for the facility that has the median medicaid ~~inpatient~~ day for calendar year 1992 for all intermediate care facilities for the mentally retarded with eight or fewer beds that would result in payment of all desk-reviewed, actual, allowable direct care costs for eighty and one-half per cent of the medicaid ~~inpatient~~ days for such facilities for calendar year 1992.

and facility bed-size. The rules also may specify peer groups 63319  
based on findings of significant per diem direct care cost 63320  
differences due to other factors which may include case-mix. 63321

(G) The department, in accordance with division (D) of 63322  
section 5111.232 of the Revised Code and rules adopted under 63323  
division (F) of that section, may assign case-mix scores or costs 63324  
per case-mix unit if a provider fails to submit assessment data 63325  
necessary to calculate an intermediate care facility for the 63326

before the replacement nursing facility begins participating in 63410  
the medicaid program, the semiannual case-mix score most recently 63411

shall be redetermined to reflect the replacement nursing 63437  
facility's actual semiannual case-mix score determined under 63438  
section 5111.232 of the Revised Code after the nursing facility 63439  
submits its first two quarterly assessment data that qualify for 63440  
use in calculating a case-mix score in accordance with rules 63441  
authorized by division (E) of section 5111.232 of the Revised 63442  
Code. If the nursing facility's quarterly submissions do not 63443  
qualify for use in calculating a case-mix score, the department 63444  
shall continue to use the median annual average case-mix score for 63445  
the nursing facility's peer group in lieu of the nursing 63446  
facility's semiannual case-mix score until the nursing facility 63447

assisted living program's home first component if both of the 63709  
following apply: 63710

(1) The individual has been determined to be eligible for the 63711  
medicaid-funded component of the assisted living program. 63712

(2) At least one of the following applies: 63713

(a) The individual has been admitted to a nursing facility. 63714

the individual has a medical condition that, unless the individual 63716  
is enrolled in home and community-based services such as the 63717  
assisted living program, will require the individual to be 63718  
admitted to a nursing facility within thirty days of the 63719  
physician's determination. 63720

(c) The individual has been hospitalized and a physician has 63721  
determined and documented in writing that, unless the individual 63722

directly from the hospital to a nursing facility and admitted. 63725

(d) Both of the following apply: 63726

(i) The individual is the subject of a report made under 63727  
section 5101.61 of the Revised Code regarding abuse, neglect, or 63728  
exploitation or such a report referred to a county department of 63729  
job and family services under section 5126.31 of the Revised Code 63730  
or has made a request to a county department for protective 63731  
services as defined in section 5101.60 of the Revised Code. 63732

(ii) A county department of job and family services and an 63733  
area agency on aging have jointly documented in writing that, 63734  
unless the individual is enrolled in home and community-based 63735

services such as the assisted living program, the individual 63736  
should be admitted to a nursing facility. 63737

~~(c) The individual resided in a residential care facility for 63738  
at least six months immediately before applying for the 63739  
medicaid funded component of the assisted living program and is at 63740

of residing in the residential care facility have depleted the 63742  
individual's resources such that the individual is unable to 63743  
continue to afford the cost of residing in the residential care 63744  
facility. 63745~~

(B) Each month, each area agency on aging shall identify 63746

component of the assisted living program that is acceptable to the 63752  
individual, the agency shall notify the long-term care 63753  
consultation program administrator serving the area in which the 63754  
individual resides. The administrator shall determine whether the 63755  
assisted living program is appropriate for the individual and 63756  
whether the individual would rather participate in the assisted 63757  
living program than continue or begin to reside in a nursing 63758  
facility. If the administrator determines that the assisted living 63759  
program is appropriate for the individual and the individual would 63760  
rather participate in the assisted living program than continue or 63761  
begin to reside in a nursing facility, the administrator shall so 63762  
notify the department of aging. On receipt of the notice from the 63763  
administrator, the department shall approve the individual's 63764  
enrollment in the medicaid-funded component of the assisted living 63765  
program regardless of the unified waiting list established under 63766  
section 173.404 of the Revised Code, unless the enrollment would 63767

cause the component to exceed any limit on the number of 63768  
individuals who may participate in the component as set by the 63769  
United States secretary of health and human services in the 63770  
assisted living waiver. 63771

(G) Review each board's community mental health plan 64622

expenditure of funds. 64640

If the director disapproves all or part of any plan, the 64641  
director shall provide the board an opportunity to present its 64642  
position. The director shall inform the board of the reasons for 64643  
the disapproval and of the criteria that must be met before the 64644  
plan may be approved. The director shall give the board a 64645  
reasonable time within which to meet the criteria, and shall offer 64646  
technical assistance to the board to help it meet the criteria. 64647

(B) The department of mental health shall implement the 64674  
residential state supplement program under which the state 64675

(2) A residential state supplement administrative agency must 64710  
have determined that the environment in which the individual will 64711

services shall adopt rules in accordance with section 111.15 of 64728  
the Revised Code as necessary to implement the residential state 64729  
supplement program. 64730

To the extent permitted by Title XVI of the "Social Security 64731  
Act," and any other provision of federal law, the director of job 64732  
and family services may adopt rules establishing standards for 64733  
adjusting the eligibility requirements concerning the level of 64734  
impairment a person must have so that the amount appropriated for 64735  
the program by the general assembly is adequate for the number of 64736  
eligible individuals. The rules shall not limit the eligibility of 64737  
disabled persons solely on a basis classifying disabilities as 64738  
physical or mental. The director of job and family services also 64739  
may adopt rules that establish eligibility standards for aged, 64740  
blind, or disabled individuals who reside in one of the homes or 64741  
facilities specified in division ~~(C)~~(D)(1) of this section but 64742  
who, because of their income, do not receive supplemental security 64743  
income payments. The rules may provide that these individuals may 64744  
include individuals who receive other types of benefits, 64745

including, social security disability insurance benefits provided 64746  
under Title II of the "Social Security Act," 49 Stat. 620 (1935), 64747  
42 U.S.C.A. 401, as amended. Notwithstanding division ~~(A)~~(B) of 64748  
this section, such payments may be made if funds are available for 64749  
them. 64750

The director of mental health may adopt rules establishing 64751  
the method to be used to determine the amount an eligible 64752  
individual will receive under the program. The amount the general 64753  
assembly appropriates for the program may be a factor included in 64754  
the method that director establishes. 64755

~~(E)~~(F) The county department of job and family services of 64756  
the county in which an applicant for the residential state 64757  
supplement program resides shall determine whether the applicant 64758  
meets income and resource requirements for the program. 64759

~~(F)~~(G) The department of mental health shall maintain a 64760  
waiting list of any individuals eligible for payments under this 64761  
section but not receiving them because moneys appropriated to the 64762  
department for the purposes of this section are insufficient to 64763  
make payments to all eligible individuals. An individual may apply 64764  
to be placed on the waiting list even though the individual does 64765  
not reside in one of the homes or facilities specified in division 64766  
~~(C)~~(D)(1) of this section at the time of application. The director 64767  
of mental health, by rules adopted in accordance with Chapter 119. 64768  
of the Revised Code, may specify procedures and requirements for 64769  
placing an individual on the waiting list and priorities for the 64770  
order in which individuals placed on the waiting list are to begin 64771

director shall require each applicant to provide a copy of an 66792  
approved plan for a proposed residential facility pursuant to 66793  
section 5123.042 of the Revised Code. This division does not apply 66794  
to renewal of a license or to an applicant for an initial or 66795

5123.197 of the Revised Code. 66797

(K) A licensee shall notify the owner of the building in 66798  
which the licensee's residential facility is located of any 66799

is not the owner of the building. 66802

Pursuant to rules which shall be adopted in accordance with 66803  
Chapter 119. of the Revised Code, the director may require 66804  
notification to the department of any significant change in the 66805  
ownership of a residential facility or in the identity of the 66806  
licensee or management contractor. If the director determines that 66807  
a significant change of ownership is proposed, the director shall 66808  
consider the proposed change to be an application for development 66809  
by a new operator pursuant to section 5123.042 of the Revised Code 66810  
and shall advise the applicant within sixty days of the 66811  
notification that the current license shall continue in effect or 66812  
a new license will be required pursuant to this section. If the 66813  
director requires a new license, the director shall permit the 66814  
facility to continue to operate under the current license until 66815  
the new license is issued, unless the current license is revoked, 66816  
refused to be renewed, or terminated in accordance with Chapter 66817  
119. of the Revised Code. 66818

(L) A county board of developmental disabilities, the legal 66819  
rights service, and any interested person may file complaints 66820  
alleging violations of statute or department rule relating to 66821  
residential facilities with the department. All complaints shall 66822  
be in writing and shall state the facts constituting the basis of 66823  
the allegation. The department shall not reveal the source of any 66824  
complaint unless the complainant agrees in writing to waive the 66825  
right to confidentiality or until so ordered by a court of 66826  
competent jurisdiction. 66827

The department shall adopt rules in accordance with Chapter 66828  
119. of the Revised Code establishing procedures for the receipt, 66829  
referral, investigation, and disposition of complaints filed with 66830  
the department under this division. 66831

(M) The department shall establish procedures for the 66832

notification of interested parties of the transfer or interim care 66833

(N) Before issuing a license under this section to a 66836

territory, the clerk of the appropriate board of county 66844  
commissioners and the fiscal officer of the appropriate board of 66845  
township trustees. 66846

The director shall not issue the license for ten days after 66847  
mailing the notice, excluding Saturdays, Sundays, and legal 66848  
holidays, in order to give the notified local officials time in 66849  
which to comment on the proposed issuance. 66850

Any legislative authority of a municipal corporation, board 66851  
of county commissioners, or board of township trustees that 66852  
receives notice under this division of the proposed issuance of a 66853  
license for a residential facility may comment on it in writing to 66854  
the director within ten days after the director mailed the notice, 66855  
excluding Saturdays, Sundays, and legal holidays. If the director 66856  
receives written comments from any notified officials within the 66857  
specified time, the director shall make written findings 66858  
concerning the comments and the director's decision on the 66859  
issuance of the license. If the director does not receive written 66860  
comments from any notified local officials within the specified 66861  
time, the director shall continue the process for issuance of the 66862  
license. 66863

(O) Any person may operate a licensed residential facility 66864  
that provides room and board, personal care, habilitation 66865

facilities may be required to comply with area, height, yard, and 66871  
architectural compatibility requirements that are uniformly 66872  
imposed upon all single-family residences within the district or 66873  
zone. 66874

(P) Any person may operate a licensed residential facility 66875  
that provides room and board, personal care, habilitation 66876  
services, and supervision in a family setting for at least nine 66877  
but not more than sixteen persons with mental retardation or a 66878  
developmental disability as a permitted use in any multiple-family 66879  
residential district or zone of any political subdivision, except 66880  
that a political subdivision that has enacted a zoning ordinance 66881  
or resolution establishing planned unit development districts may 66882  
exclude these residential facilities from those districts, and a 66883  
political subdivision that has enacted a zoning ordinance or 66884  
resolution may regulate these residential facilities in 66885  
multiple-family residential districts or zones as a conditionally 66886  
permitted use or special exception, in either case, under 66887  
reasonable and specific standards and conditions set out in the 66888  
zoning ordinance or resolution to: 66889

(1) Require the architectural design and site layout of the 66890  
residential facility and the location, nature, and height of any 66891  
walls, screens, and fences to be compatible with adjoining land 66892  
uses and the residential character of the neighborhood; 66893

(2) Require compliance with yard, parking, and sign 66894  
regulation; 66895

(3) Limit excessive concentration of these residential facilities. 66896  
66897

(Q) This section does not prohibit a political subdivision from applying to residential facilities nondiscriminatory regulations requiring compliance with health, fire, and safety regulations and building standards and regulations. 66898  
66899  
66900  
66901

(R) Divisions (O) and (P) of this section are not applicable to municipal corporations that had in effect on June 15, 1977, an ordinance specifically permitting in residential zones licensed residential facilities by means of permitted uses, conditional uses, or special exception, so long as such ordinance remains in effect without any substantive modification. 66902  
66903  
66904  
66905  
66906  
66907

(S)(1) The director may issue an interim license to operate a residential facility to an applicant for a license under this section if either of the following is the case: 66908  
66909  
66910

(a) The director determines that an emergency exists requiring immediate placement of persons in a residential facility, that insufficient licensed beds are available, and that the residential facility is likely to receive a permanent license under this section within thirty days after issuance of the interim license. 66911  
66912  
66913  
66914  
66915  
66916

(b) The director determines that the issuance of an interim license is necessary to meet a temporary need for a residential facility. 66917  
66918  
66919

(2) To be eligible to receive an interim license, an applicant must meet the same criteria that must be met to receive a permanent license under this section, except for any differing procedures and time frames that may apply to issuance of a permanent license. 66920  
66921  
66922  
66923  
66924

(3) An interim license shall be valid for thirty days and may be renewed by the director for a period not to exceed one hundred 66925  
66926

fifty days. 66927

(4) The director shall adopt rules in accordance with Chapter 66928

establishing the maximum number of persons who may be served in a 66932  
particular type of residential facility, a residential facility 66933

served by the facility on the effective date of the rules or the 66935

residential facility without a license issued under this section. 66944

The director may petition the court of common pleas of the 66945  
county in which an unlicensed residential facility is located for 66946

may grant the injunction on a showing that the person or 66949  
governmental agency named in the petition is operating a 66950  
residential facility without a license. The court may grant the 66951  
injunction, regardless of whether the residential facility meets 66952  
the requirements for receiving a license under this section. 66953

**Sec. 5139.41.** The appropriation made to the department of 68455  
youth services for care and custody of felony delinquents shall be 68456  
expended in accordance with the following procedure that the 68457  
department shall use for each year of a biennium. The procedure 68458  
shall be consistent with sections 5139.41 to 5139.43 of the 68459  
Revised Code and shall be developed in accordance with the 68460  
following guidelines: 68461

(A) The line item appropriation for the care and custody of 68462  
felony delinquents shall provide funding for operational costs for 68463  
the following: 68464

(1) Institutions and the diagnosis, care, or treatment of 68465  
felony delinquents at facilities pursuant to contracts entered 68466  
into under section 5139.08 of the Revised Code; 68467

(2) Community corrections facilities constructed, 68468  
reconstructed, improved, or financed as described in section 68469  
5139.36 of the Revised Code for the purpose of providing 68470  
alternative placement and services for felony delinquents who have 68471  
been diverted from care and custody in institutions; 68472

(3) County juvenile courts that administer programs and 68473  
services for prevention, early intervention, diversion, treatment, 68474  
and rehabilitation services and programs that are provided for 68475  
alleged or adjudicated unruly or delinquent children or for 68476  
children who are at risk of becoming unruly or delinquent 68477  
children; 68478

(4) Administrative expenses the department incurs in 68479  
connection with the felony delinquent care and custody programs 68480  
described in section 5139.43 of the Revised Code. 68481

(B) From the appropriated line item for the care and custody of felony delinquents, the department, with the advice of the RECLAIM advisory committee established under section 5139.44 of the Revised Code, shall allocate annual operational funds for county juvenile programs, institutional care and custody, community corrections facilities care and custody, and administrative expenses incurred by the department associated with felony delinquent care and custody programs. The department, with the advice of the RECLAIM advisory committee, shall adjust these allocations, when modifications to this line item are made by legislative or executive action.

(C) The department shall divide county juvenile program allocations among county juvenile courts that administer programs and services for prevention, early intervention, diversion, treatment, and rehabilitation that are provided for alleged or adjudicated unruly or delinquent children or for children who are at risk of becoming unruly or delinquent children. The department shall base funding on the county's previous year's ratio of the department's institutional and community correctional facilities commitments to that county's ~~four-year~~ average of felony adjudications, as specified in the following formula:

(1) The department shall give to each county a proportional allocation of commitment credits. The proportional allocation of commitment credits shall be calculated by the following procedures:

(a) The department shall determine for each county and for the state ~~a four-year~~ an average of felony adjudications. Beginning July 1, 2012, the average shall include felony adjudications for fiscal year 2007 and for each subsequent fiscal year through fiscal year 2016. Beginning July 1, 2017, the most recent felony adjudication data shall be included and the oldest fiscal year data shall be removed so that a ten-year average of

felony adjudication data will be maintained. 68514

(b) The department shall determine for each county and for 68515  
the state the number of charged bed days, for both the department 68516  
and community correctional facilities, from the previous year. 68517

(c) The department shall divide the statewide total number of 68518  
charged bed days by the statewide total number of felony 68519  
adjudications, which quotient shall then be multiplied by a factor 68520  
determined by the department. 68521

(d) The department shall calculate the county's allocation of 68522  
credits by multiplying the number of adjudications for each court 68523  
by the result determined pursuant to division (C)(1)(c) of this 68524  
section. 68525

(2) The department shall subtract from the allocation 68526  
determined pursuant to division (C)(1) of this section a credit 68527  
for every chargeable bed day a youth stays in a department 68528  
institution and two-thirds of credit for every chargeable bed day 68529  
a youth stays in a community correctional facility, except for 68530  
public safety beds. At the end of the year, the department shall 68531  
divide the amount of remaining credits of that county's allocation 68532  
by the total number of remaining credits to all counties, to 68533  
determine the county's percentage, which shall then be applied to 68534  
the total county allocation to determine the county's payment for 68535  
the fiscal year. 68536

(3) The department shall pay counties three times during the 68537  
fiscal year to allow for credit reporting and audit adjustments, 68538  
and modifications to the appropriated line item for the care and 68539  
custody of felony delinquents, as described in this section. The 68540  
department shall pay fifty per cent of the payment by the 68541  
fifteenth of July of each fiscal year, twenty-five per cent by the 68542  
fifteenth of January of that fiscal year, and twenty-five per cent 68543  
of the payment by the fifteenth of June of that fiscal year. 68544

~~(D) In fiscal year 2004, the payment of county juvenile programs shall be based on the following procedure:~~ 68545  
68546

~~(1) The department shall divide the funding earned by each court in fiscal year 2003 by the aggregate funding of all courts, resulting in a percentage.~~ 68547  
68548  
68549

~~(2) The department shall apply the percentage determined under division (D)(1) of this section to the total county juvenile program allocation for fiscal year 2004 to determine each court's total payment.~~ 68550  
68551  
68552  
68553

~~(3) The department shall make payments in accordance with the schedule established in division (C)(3) of this section.~~ 68554  
68555

**Sec. 5139.43.** (A) The department of youth services shall operate a felony delinquent care and custody program that shall be operated in accordance with the formula developed pursuant to section 5139.41 of the Revised Code, subject to the conditions specified in this section. 68556  
68557  
68558  
68559  
68560

(B)(1) Each juvenile court shall use the moneys disbursed to it by the department of youth services pursuant to division (B) of section 5139.41 of the Revised Code in accordance with the applicable provisions of division (B)(2) of this section and shall transmit the moneys to the county treasurer for deposit in accordance with this division. The county treasurer shall create in the county treasury a fund that shall be known as the felony delinquent care and custody fund and shall deposit in that fund the moneys disbursed to the juvenile court pursuant to division (B) of section 5139.41 of the Revised Code. The county treasurer also shall deposit into that fund the state subsidy funds granted to the county pursuant to section 5139.34 of the Revised Code. The moneys disbursed to the juvenile court pursuant to division (B) of section 5139.41 of the Revised Code and deposited pursuant to this division in the felony delinquent care and custody fund shall not 68561

be commingled with any other county funds except state subsidy 68576  
funds granted to the county pursuant to section 5139.34 of the 68577  
Revised Code; shall not be used for any capital construction 68578  
projects; upon an order of the juvenile court and subject to 68579  
appropriation by the board of county commissioners, shall be 68580  
disbursed to the juvenile court for use in accordance with the 68581  
applicable provisions of division (B)(2) of this section; shall 68582  
not revert to the county general fund at the end of any fiscal 68583  
year; and shall carry over in the felony delinquent care and 68584  
custody fund from the end of any fiscal year to the next fiscal 68585  
year. The maximum balance carry-over at the end of each respective 68586  
fiscal year in the felony delinquent care and custody fund in any 68587  
county from funds allocated to the county pursuant to sections 68588  
5139.34 and 5139.41 of the Revised Code in the previous fiscal 68589  
year shall not exceed an amount to be calculated as provided in 68590  
the formula set forth in this division, unless that county has 68591  
applied for and been granted an exemption by the director of youth 68592  
services. Beginning June 30, 2008, the maximum balance carry-over 68593  
at the end of each respective fiscal year shall be determined by 68594  
the following formula: for fiscal year 2008, the maximum balance 68595  
carry-over shall be one hundred per cent of the allocation for 68596  
fiscal year 2007, to be applied in determining the fiscal year 68597  
2009 allocation; for fiscal year 2009, it shall be fifty per cent 68598  
of the allocation for fiscal year 2008, to be applied in 68599  
determining the fiscal year 2010 allocation; for fiscal year 2010, 68600  
it shall be twenty-five per cent of the allocation for fiscal year 68601  
2009, to be applied in determining the fiscal year 2011 68602  
allocation; and for each fiscal year subsequent to fiscal year 68603  
2010, it shall be twenty-five per cent of the allocation for the 68604  
immediately preceding fiscal year, to be applied in determining 68605  
the allocation for the next immediate fiscal year. The department 68606  
shall withhold from future payments to a county an amount equal to 68607  
any moneys in the felony delinquent care and custody fund of the 68608

county that exceed the total maximum balance carry-over that 68609  
applies for that county for the fiscal year in which the payments 68610  
are being made and shall reallocate the withheld amount. The 68611  
department shall adopt rules for the withholding and reallocation 68612  
of moneys disbursed under sections 5139.34 and 5139.41 of the 68613  
Revised Code and for the criteria and process for a county to 68614  
obtain an exemption from the withholding requirement. The moneys 68615  
disbursed to the juvenile court pursuant to division (B) of 68616  
section 5139.41 of the Revised Code and deposited pursuant to this 68617  
division in the felony delinquent care and custody fund shall be 68618  
in addition to, and shall not be used to reduce, any usual annual 68619  
increase in county funding that the juvenile court is eligible to 68620  
receive or the current level of county funding of the juvenile 68621  
court and of any programs or services for delinquent children, 68622  
unruly children, or juvenile traffic offenders. 68623

(2)(a) A county and the juvenile court that serves the county 68624  
shall use the moneys in its felony delinquent care and custody 68625  
fund in accordance with rules that the department of youth 68626  
services adopts pursuant to division (D) of section 5139.04 of the 68627  
Revised Code and as follows: 68628

(i) The moneys in the fund that represent state subsidy funds 68629  
granted to the county pursuant to section 5139.34 of the Revised 68630  
Code shall be used to aid in the support of prevention, early 68631  
intervention, diversion, treatment, and rehabilitation programs 68632  
that are provided for alleged or adjudicated unruly children or 68633  
delinquent children or for children who are at risk of becoming 68634  
unruly children or delinquent children. The county shall not use 68635  
for capital improvements more than fifteen per cent of the moneys 68636  
in the fund that represent the applicable annual grant of those 68637  
state subsidy funds. 68638

(ii) The moneys in the fund that were disbursed to the 68639  
juvenile court pursuant to division (B) of section 5139.41 of the 68640

Revised Code and deposited pursuant to division (B)(1) of this 68641  
section in the fund shall be used to provide programs and services 68642  
for the training, treatment, or rehabilitation of felony 68643  
delinquents that are alternatives to their commitment to the 68644  
department, including, but not limited to, community residential 68645  
programs, day treatment centers, services within the home, and 68646  
electronic monitoring, and shall be used in connection with 68647  
training, treatment, rehabilitation, early intervention, or other 68648  
programs or services for any delinquent child, unruly child, or 68649  
juvenile traffic offender who is under the jurisdiction of the 68650  
juvenile court. 68651

The fund also may be used for prevention, early intervention, 68652  
diversion, treatment, and rehabilitation programs that are 68653  
provided for alleged or adjudicated unruly children, delinquent 68654  
children, or juvenile traffic offenders or for children who are at 68655  
risk of becoming unruly children, delinquent children, or juvenile 68656  
traffic offenders. Consistent with division (B)(1) of this 68657  
section, a county and the juvenile court of a county shall not use 68658  
any of those moneys for capital construction projects. 68659

(iii) Moneys in the fund shall not be used to support 68660  
programs or services that do not comply with federal juvenile 68661  
justice and delinquency prevention core requirements or to support 68662  
programs or services that research has shown to be ineffective. 68663  
~~Moneys in the fund shall be prioritized to research-supported~~ 68664  
Research-supported, outcome-based programs and services, to the 68665  
extent they are available, shall be encouraged. 68666

(iv) The county and the juvenile court that serves the county 68667  
may use moneys in the fund to provide out-of-home placement of 68668  
children only in detention centers, community rehabilitation 68669  
centers, or community corrections facilities approved by the 68670  
department pursuant to standards adopted by the department, 68671  
licensed by an authorized state agency, or accredited by the 68672

American correctional association or another national organization 68673  
recognized by the department. 68674

(b) Each juvenile court shall comply with division (B)(3)(d) 68675  
of this section as implemented by the department. If a juvenile 68676  
court fails to comply with division (B)(3)(d) of this section, the 68677  
department shall not be required to make any disbursements in 68678  
accordance with division (C) ~~or (D)~~ of section 5139.41 or division 68679  
(C)(2) of section 5139.34 of the Revised Code. 68680

(3) In accordance with rules adopted by the department 68681  
pursuant to division (D) of section 5139.04 of the Revised Code, 68682  
each juvenile court and the county served by that juvenile court 68683  
shall do all of the following that apply: 68684

(a) The juvenile court shall prepare an annual grant 68685  
agreement and application for funding that satisfies the 68686  
requirements of this section and section 5139.34 of the Revised 68687  
Code and that pertains to the use, upon an order of the juvenile 68688  
court and subject to appropriation by the board of county 68689  
commissioners, of the moneys in its felony delinquent care and 68690  
custody fund for specified programs, care, and services as 68691  
described in division (B)(2)(a) of this section, shall submit that 68692  
agreement and application to the county family and children first 68693  
council, the regional family and children first council, or the 68694  
local intersystem services to children cluster as described in 68695  
sections 121.37 and 121.38 of the Revised Code, whichever is 68696  
applicable, and shall file that agreement and application with the 68697  
department for its approval. The annual grant agreement and 68698  
application for funding shall include a method of ensuring equal 68699  
access for minority youth to the programs, care, and services 68700  
specified in it. 68701

The department may approve an annual grant agreement and 68702  
application for funding only if the juvenile court involved has 68703  
complied with the preparation, submission, and filing requirements 68704

described in division (B)(3)(a) of this section. If the juvenile court complies with those requirements and the department approves that agreement and application, the juvenile court and the county served by the juvenile court may expend the state subsidy funds granted to the county pursuant to section 5139.34 of the Revised Code only in accordance with division (B)(2)(a) of this section, the rules pertaining to state subsidy funds that the department adopts pursuant to division (D) of section 5139.04 of the Revised Code, and the approved agreement and application.

(b) By the thirty-first day of August of each year, the juvenile court shall file with the department a report that contains all of the statistical and other information for each month of the prior state fiscal year. If the juvenile court fails to file the report required by division (B)(3)(b) of this section by the thirty-first day of August of any year, the department shall not disburse any payment of state subsidy funds to which the county otherwise is entitled pursuant to section 5139.34 of the Revised Code and shall not disburse pursuant to division (B) of section 5139.41 of the Revised Code the applicable allocation until the juvenile court fully complies with division (B)(3)(b) of this section.

(c) If the department requires the juvenile court to prepare monthly statistical reports and to submit the reports on forms provided by the department, the juvenile court shall file those reports with the department on the forms so provided. If the juvenile court fails to prepare and submit those monthly statistical reports within the department's timelines, the department shall not disburse any payment of state subsidy funds to which the county otherwise is entitled pursuant to section 5139.34 of the Revised Code and shall not disburse pursuant to division (B) of section 5139.41 of the Revised Code the applicable allocation until the juvenile court fully complies with division

(B)(3)(c) of this section. If the juvenile court fails to prepare 68737  
and submit those monthly statistical reports within one hundred 68738  
eighty days of the date the department establishes for their 68739  
submission, the department shall not disburse any payment of state 68740  
subsidy funds to which the county otherwise is entitled pursuant 68741  
to section 5139.34 of the Revised Code and shall not disburse 68742  
pursuant to division (B) of section 5139.41 of the Revised Code 68743  
the applicable allocation, and the state subsidy funds and the 68744  
remainder of the applicable allocation shall revert to the 68745  
department. If a juvenile court states in a monthly statistical 68746  
report that the juvenile court adjudicated within a state fiscal 68747  
year five hundred or more children to be delinquent children for 68748  
committing acts that would be felonies if committed by adults and 68749  
if the department determines that the data in the report may be 68750  
inaccurate, the juvenile court shall have an independent auditor 68751  
or other qualified entity certify the accuracy of the data on a 68752  
date determined by the department. 68753

(d) If the department requires the juvenile court and the 68754  
county to participate in a fiscal monitoring program or another 68755  
monitoring program that is conducted by the department to ensure 68756  
compliance by the juvenile court and the county with division (B) 68757  
of this section, the juvenile court and the county shall 68758  
participate in the program and fully comply with any guidelines 68759  
for the performance of audits adopted by the department pursuant 68760  
to that program and all requests made by the department pursuant 68761  
to that program for information necessary to reconcile fiscal 68762  
accounting. If an audit that is performed pursuant to a fiscal 68763  
monitoring program or another monitoring program described in this 68764  
division determines that the juvenile court or the county used 68765  
moneys in the county's felony delinquent care and custody fund for 68766  
expenses that are not authorized under division (B) of this 68767  
section, within forty-five days after the department notifies the 68768  
county of the unauthorized expenditures, the county either shall 68769

repay the amount of the unauthorized expenditures from the county 68770  
general revenue fund to the state's general revenue fund or shall 68771  
file a written appeal with the department. If an appeal is timely 68772  
filed, the director of the department shall render a decision on 68773  
the appeal and shall notify the appellant county or its juvenile 68774  
court of that decision within forty-five days after the date that 68775  
the appeal is filed. If the director denies an appeal, the 68776  
county's fiscal agent shall repay the amount of the unauthorized 68777  
expenditures from the county general revenue fund to the state's 68778  
general revenue fund within thirty days after receiving the 68779  
director's notification of the appeal decision. 68780

(C) The determination of which county a reduction of the care 68781  
and custody allocation will be charged against for a particular 68782  
youth shall be made as outlined below for all youths who do not 68783  
qualify as public safety beds. The determination of which county a 68784  
reduction of the care and custody allocation will be charged 68785  
against shall be made as follows until each youth is released: 68786

(1) In the event of a commitment, the reduction shall be 68787  
charged against the committing county. 68788

(2) In the event of a recommitment, the reduction shall be 68789  
charged against the original committing county until the 68790  
expiration of the minimum period of institutionalization under the 68791  
original order of commitment or until the date on which the youth 68792  
is admitted to the department of youth services pursuant to the 68793  
order of recommitment, whichever is later. Reductions of the 68794  
allocation shall be charged against the county that recommitted 68795  
the youth after the minimum expiration date of the original 68796  
commitment. 68797

(3) In the event of a revocation of a release on parole, the 68798  
reduction shall be charged against the county that revokes the 68799  
youth's parole. 68800

(D) A juvenile court is not precluded by its allocation 68801  
amount for the care and custody of felony delinquents from 68802  
committing a felony delinquent to the department of youth services 68803  
for care and custody in an institution or a community corrections 68804  
facility when the juvenile court determines that the commitment is 68805  
appropriate. 68806

Sec. 5139.511. Before a youth is released from a secure 68807  
facility under the control of the department of youth services, 68808  
the department of youth services shall attempt to verify the 68809  
youth's identification and social security number. If the 68810  
department is able to verify the youth's identity with a verified 68811  
birth certificate and social security number, the department shall 68812  
issue an identification card that the youth may present to the 68813  
registrar or deputy registrar of motor vehicles. If the department 68814  
is not able to verify the youth's identity with both a verified 68815  
birth certificate and social security number, the youth shall not 68816  
receive an identification card under this section. 68817

**Sec. 5149.311.** (A) The department of rehabilitation and 68818  
correction shall establish and administer the probation 68819  
improvement grant and the probation incentive grant for ~~court of~~ 68820  
~~common pleas~~ probation departments that supervise ~~felony~~ offenders 68821  
sentenced by courts of common pleas or municipal courts. 68822

(B)(1) The probation improvement grant shall provide funding 68823  
to ~~court of common pleas~~ probation departments to adopt policies 68824  
and practices based on the latest research on how to reduce the 68825  
number of ~~felony~~ offenders on probation supervision who violate 68826  
the conditions of their supervision. 68827

(2) The department shall adopt rules for the distribution of 68828  
the probation improvement grant, including the formula for the 68829  
allocation of the subsidy based on the number of ~~felony~~ offenders 68830

placed on probation annually in each jurisdiction. 68831

(C)(1) The probation incentive grant shall provide a 68832  
performance-based level of funding to court ~~of common pleas~~ 68833  
probation departments that are successful in reducing the number 68834  
of felony offenders on probation supervision whose terms of 68835  
supervision are revoked. 68836

(2) The department shall calculate annually any cost savings 68837  
realized by the state from a reduction in the percentage of people 68838  
who are incarcerated because their terms of supervised probation 68839  
were revoked. The cost savings estimate shall be calculated for 68840  
each ~~county~~ jurisdiction served by the probation department 68841  
eligible for a grant under this section and be based on the 68842  
difference from fiscal year 2010 and the fiscal year under 68843  
examination. 68844

(3) The department shall adopt rules that specify the subsidy 68845  
amount to be appropriated to court ~~of common pleas~~ probation 68846  
departments that successfully reduce the percentage of people on 68847  
probation who are incarcerated because their terms of supervision 68848  
are revoked. 68849

(D) The following stipulations apply to both the probation 68850  
improvement grant and the probation incentive grant: 68851

(1) In order to be eligible for the probation improvement 68852  
grant and the probation incentive grant, courts of common pleas 68853  
must satisfy all requirements under sections 2301.27 and 2301.30 68854  
of the Revised Code ~~and, except.~~ Except for sentencing decisions 68855  
made by a court when use of the risk assessment tool is 68856  
discretionary, in order to be eligible for the probation 68857

the purposes set forth in division (G), (I), (J), or (U) of this 69998

section may also be terminated or permanently reduced by the 69999  
taxing authority if it adopts a resolution stating that the 70000

terminated or that the millage is excessive and the levy shall be 70002  
decreased by a designated amount. 70003

Revised Code may include both current expenses and other purposes, 70007  
provided that the resolution shall apportion the annual rate of 70008  
levy between the current expenses and the other purpose or 70009  
purposes. The apportionment need not be the same for each year of 70010  
the levy, but the respective portions of the rate actually levied 70011  
each year for the current expenses and the other purpose or 70012  
purposes shall be limited by the apportionment. 70013

Whenever a board of county commissioners, acting either as 70014  
the taxing authority of its county or as the taxing authority of a 70015  
sewer district or subdistrict created under Chapter 6117. of the 70016

excess of the ten-mill limitation for the purpose of constructing, 70018  
improving, or extending sewage disposal plants or sewage systems, 70019  
the tax may be in effect for any number of years not exceeding 70020  
twenty, and the proceeds of the tax, notwithstanding the general 70021  
provisions of this section, may be used to pay debt charges on any 70022  
obligations issued and outstanding on behalf of the subdivision 70023  
for the purposes enumerated in this paragraph, provided that any 70024  
such obligations have been specifically described in the 70025  
resolution. 70026

A resolution adopted by the legislative authority of a 70027  
municipal corporation that is for the purpose in division (XX) of 70028  
this section may be combined with the purpose provided in section 70029  
306.55 of the Revised Code, by vote of two-thirds of all members 70030

of the legislative authority. The legislative authority may 70031  
certify the resolution to the board of elections as a combined 70032  
question. The question appearing on the ballot shall be as 70033  
provided in section 5705.252 of the Revised Code. 70034

The resolution shall go into immediate effect upon its 70035  
passage, and no publication of the resolution is necessary other 70036  
than that provided for in the notice of election. 70037

When the electors of a subdivision have approved a tax levy 70038  
under this section, the taxing authority of the subdivision may 70039  
anticipate a fraction of the proceeds of the levy and issue 70040  
anticipation notes in accordance with section 5705.191 or 5705.193 70041  
of the Revised Code. 70042

**Sec. 5705.25.** (A) A copy of any resolution adopted as 70043  
provided in section 5705.19 or 5705.2111 of the Revised Code shall 70044  
be certified by the taxing authority to the board of elections of 70045  
the proper county not less than ninety days before the general 70046  
election in any year, and the board shall submit the proposal to 70047  
the electors of the subdivision at the succeeding November 70048  
election. Except as otherwise provided in this division, a 70049  
resolution to renew an existing levy, regardless of the section of 70050  
the Revised Code under which the tax was imposed, shall not be 70051  
placed on the ballot unless the question is submitted at the 70052  
general election held during the last year the tax to be renewed 70053  
or replaced may be extended on the real and public utility 70054  
property tax list and duplicate, or at any election held in the 70055  
ensuing year. The limitation of the foregoing sentence does not 70056  
apply to a resolution to renew and increase or to renew part of an 70057  
existing levy that was imposed under section 5705.191 of the 70058  
Revised Code to supplement the general fund for the purpose of 70059  
making appropriations for one or more of the following purposes: 70060  
for public assistance, human or social services, relief, welfare, 70061

hospitalization, health, and support of general hospitals. The 70062  
limitation of the second preceding sentence also does not apply to 70063  
a resolution that proposes to renew two or more existing levies 70064  
imposed under section 5705.21 of the Revised Code, in which case 70065  
the question shall be submitted on the date of the general or 70066  
primary election held during the last year at least one of the 70067  
levies to be renewed may be extended on the real and public 70068  
utility property tax list and duplicate, or at any election held 70069  
during the ensuing year. For purposes of this section, a levy 70070  
shall be considered to be an "existing levy" through the year 70071  
following the last year it can be placed on that tax list and 70072  
duplicate. 70073

The board shall make the necessary arrangements for the 70074  
submission of such questions to the electors of such subdivision, 70075  
and the election shall be conducted, canvassed, and certified in 70076  
the same manner as regular elections in such subdivision for the 70077  
election of county officers. Notice of the election shall be 70078  
published in a newspaper of general circulation in the subdivision 70079  
once a week for two consecutive weeks, or as provided in section 70080  
7.16 of the Revised Code, prior to the election. If the board of 70081  
elections operates and maintains a web site, the board of 70082  
elections shall post notice of the election on its web site for 70083  
thirty days prior to the election. The notice shall state the 70084  
purpose, the proposed increase in rate expressed in dollars and 70085  
cents for each one hundred dollars of valuation as well as in 70086  
mills for each one dollar of valuation, the number of years during 70087  
which the increase will be in effect, the first month and year in 70088  
which the tax will be levied, and the time and place of the 70089  
election. 70090

(B) The form of the ballots cast at an election held pursuant 70091  
to division (A) of this section shall be as follows: 70092

"An additional tax for the benefit of (name of subdivision or 70093

public library) ..... for the purpose of (purpose stated in 70094  
the resolution) ..... at a rate not exceeding ..... mills 70095  
for each one dollar of valuation, which amounts to (rate expressed 70096  
in dollars and cents) ..... for each one hundred dollars of 70097  
valuation, for ..... (life of indebtedness or number of years the 70098  
levy is to run). 70099

|  |                      |   |
|--|----------------------|---|
|  | For the Tax Levy     |   |
|  | Against the Tax Levy | " |

70100  
70101  
70102  
70103

(C) If the levy is to be in effect for a continuing period of 70104  
time, the notice of election and the form of ballot shall so state 70105  
instead of setting forth a specified number of years for the levy. 70106

If the tax is to be placed on the current tax list, the form 70107  
of the ballot shall be modified by adding, after the statement of 70108  
the number of years the levy is to run, the phrase ", commencing 70109  
in ..... (first year the tax is to be levied), first due in 70110  
calendar year ..... (first calendar year in which the tax 70111  
shall be due)." 70112

If the levy submitted is a proposal to renew, increase, or 70113  
decrease an existing levy, the form of the ballot specified in 70114  
division (B) of this section may be changed by substituting for 70115  
the words "An additional" at the beginning of the form, the words 70116  
"A renewal of a" in case of a proposal to renew an existing levy 70117  
in the same amount; the words "A renewal of ..... mills and an 70118  
increase of ..... mills to constitute a" in the case of an 70119  
increase; or the words "A renewal of part of an existing levy, 70120  
being a reduction of ..... mills, to constitute a" in the case of 70121  
a decrease in the proposed levy. 70122

If the levy submitted is a proposal to renew two or more 70123  
existing levies imposed under section 5705.21 of the Revised Code, 70124

the form of the ballot specified in division (B) of this section 70125  
shall be modified by substituting for the words "an additional 70126  
tax" the words "a renewal of ....(insert the number of levies to 70127  
be renewed) existing taxes." 70128

If the levy submitted is a levy under section 5705.72 of the 70129  
Revised Code or a proposal to renew, increase, or decrease an 70130  
existing levy imposed under that section, the name of the 70131  
subdivision shall be "the unincorporated area of ..... (name 70132  
of township)." 70133

The question covered by such resolution shall be submitted as 70134  
a separate proposition but may be printed on the same ballot with 70135  
any other proposition submitted at the same election, other than 70136  
the election of officers. More than one such question may be 70137  
submitted at the same election. 70138

(D) A levy voted in excess of the ten-mill limitation under 70139  
this section shall be certified to the tax commissioner. In the 70140  
first year of the levy, it shall be extended on the tax lists 70141  
after the February settlement succeeding the election. If the 70142  
additional tax is to be placed upon the tax list of the current 70143  
year, as specified in the resolution providing for its submission, 70144  
the result of the election shall be certified immediately after 70145  
the canvass by the board of elections to the taxing authority, who 70146  
shall make the necessary levy and certify it to the county 70147  
auditor, who shall extend it on the tax lists for collection. 70148  
After the first year, the tax levy shall be included in the annual 70149  
tax budget that is certified to the county budget commission. 70150

Sec. 5705.252. (A) If the legislative authority of a 70151  
municipal corporation adopts a resolution for the purposes 70152  
provided in section 306.55 of the Revised Code and division (XX) 70153  
of section 5705.19 of the Revised Code and certifies the 70154  
resolution to the board of elections as a combined question, the 70155

question appearing on the ballot shall read: 70156

"Shall the territory within the ..... (name of municipal corporation) be withdrawn from ..... (name of regional transit authority) and shall an additional tax be levied for the benefit of ..... (name of municipal corporation) ..... for the purpose of providing transportation services for the movement of persons within, from, or to the ..... (name of municipal corporation) at a rate not exceeding ..... mills for each one dollar of valuation, which amounts to ..... (rate expressed in dollars and cents) for each one hundred dollars of valuation, for ..... (number of years the levy is to run)?" 70157

70162  
70163  
70164  
70165  
70166

(B) If the board of trustees of a township adopts a resolution for the purposes provided in sections 306.55 and 5705.72 of the Revised Code and certifies the resolution to the board of elections as a combined question, the question appearing on the ballot in the unincorporated area of the township shall read: 70167  
70168  
70169  
70170  
70171  
70172

"Shall the territory within the unincorporated area of ..... (name of township) be withdrawn from ..... **Sec. 5705.28.** (A) Except as provided in division (B)(1) or (2) of this section or in section 5705.281 of the Revised Code, the taxing authority of each subdivision or other taxing unit shall adopt a tax budget for the next succeeding fiscal year: 70183  
70184  
70185  
70186

(1) On or before the fifteenth day of January in the case of a school ~~district~~ districts and the city of Cincinnati;

(2) On or before the fifteenth day of July in the case of all other subdivisions and taxing units.

(B)(1) Before the first day of June in each year, the board of trustees of a school library district entitled to participate in any appropriation or revenue of a school district or to have a tax proposed by the board of education of a school district shall file with the board of education of the school district a tax budget for the ensuing fiscal year. On or before the fifteenth day of July in each year, the board of education of a school district to which a school library district tax budget was submitted under this division shall adopt such tax budget on behalf of the library district, but such budget shall not be part of the school district's tax budget.

(2)(a) The taxing authority of a taxing unit that does not levy a tax is not required to adopt a tax budget pursuant to division (A) of this section. Instead, on or before the fifteenth day of July each year, such taxing authority shall adopt an operating budget for the taxing unit for the ensuing fiscal year. The operating budget shall include an estimate of receipts from all sources, a statement of all taxing unit expenses that are anticipated to occur, and the amount required for debt charges during the fiscal year. The operating budget is not required to be filed with the county auditor or the county budget commission.

(b) Except for this section and sections 5705.36, 5705.38, 5705.40, 5705.41, 5705.43, 5705.44, and 5705.45 of the Revised Code, a taxing unit that does not levy a tax is not a taxing unit for purposes of Chapter 5705. of the Revised Code. Documents prepared in accordance with such sections are not required to be filed with the county auditor or county budget commission.

(c) The total appropriations from each fund of a taxing unit 70218  
that does not levy a tax shall not exceed the total estimated 70219  
revenue available for expenditures from the fund, and 70220  
appropriations shall be made from each fund only for the purposes 70221  
for which the fund is established. 70222

(C)(1) To assist in the preparation of the tax budget, the 70223  
head of each department, board, commission, and district authority 70224  
entitled to participate in any appropriation or revenue of a 70225  
subdivision shall file with the taxing authority, or in the case 70226  
of a municipal corporation, with its chief executive officer, 70227  
before the forty-fifth day prior to the date on which the budget 70228  
must be adopted, an estimate of contemplated revenue and 70229  
expenditures for the ensuing fiscal year, in such form as is 70230  
prescribed by the taxing authority of the subdivision or by the 70231  
auditor of state. The taxing authority shall include in its budget 70232  
of expenditures the full amounts requested by district 70233  
authorities, not to exceed the amount authorized by law, if such 70234  
authorities may fix the amount of revenue they are to receive from 70235  
the subdivision. In a municipal corporation in which a special 70236  
levy for a municipal university has been authorized to be levied 70237  
in excess of the ten-mill limitation, or is required by the 70238  
charter of the municipal corporation, the taxing authority shall 70239  
include an amount not less than the estimated yield of such levy, 70240  
if such amount is requested by the board of directors of the 70241  
municipal university. 70242

(2) A county board of developmental disabilities may include 70243  
within its estimate of contemplated revenue and expenditures a 70244  
reserve balance account in the community developmental 70245  
disabilities residential services fund. The account shall contain 70246  
money that is not needed to pay for current expenses for 70247  
residential services and supported living but will be needed to 70248  
pay for expenses for such services in the future or may be needed 70249

for unanticipated emergency expenses. On the request of the county 70250  
board of developmental disabilities, the board of county 70251  
commissioners shall include such an account in its budget of 70252  
expenditures and appropriate money to the account from residential 70253  
service moneys for the county board. 70254

(D) The board of trustees of any public library desiring to 70255  
participate in the distribution of the county public library fund 70256  
shall adopt appropriate rules extending the benefits of the 70257  
library service of such library to all the inhabitants of the 70258  
county on equal terms, unless such library service is by law 70259  
available to all such inhabitants, and shall certify a copy of 70260  
such rules to the taxing authority with its estimate of 70261  
contemplated revenue and expenditures. Where such rules have been 70262  
so certified or where the adoption of such rules is not required, 70263  
the taxing authority shall include in its budget of receipts such 70264  
amounts as are specified by such board as contemplated revenue 70265  
from the county public library fund, and in its budget of 70266  
expenditures the full amounts requested therefrom by such board. 70267  
No library association, incorporated or unincorporated, is 70268  
entitled to participate in the proceeds of the county public 70269  
library fund unless such association both was organized and 70270  
operating prior to January 1, 1968, and participated in the 70271  
distribution of the proceeds of the county public library fund 70272  
prior to December 31, 2005. 70273

**Sec. 5705.30.** This section does not apply to a subdivision 70274  
for which the county budget commission has waived the requirement 70275  
to adopt a tax budget under section 5705.281 of the Revised Code. 70276

In addition to the information required by section 5705.29 of 70277  
the Revised Code, the budget of each subdivision and school 70278  
library district shall include such other information as is 70279  
prescribed by the auditor of state. At least two copies of the 70280

budget shall be filed in the office of the fiscal officer of the 70281  
subdivision for public inspection not less than ten days before 70282  
its adoption by the taxing authority, and such taxing authority 70283  
shall hold at least one public hearing thereon, of which public 70284  
notice shall be given by at least one publication not less than 70285  
ten days prior to the date of hearing in the official publication 70286  
of such subdivision, or in a newspaper having general circulation 70287  
in the subdivision. The budget, after adoption, shall be submitted 70288  
to the county auditor on or before the twentieth day of July, or 70289  
in the case of a school district or the city of Cincinnati, by the 70290  
twentieth day of January. The tax commissioner may prescribe a 70291  
later date for the submission of a subdivision's tax budget. Any 70292  
subdivision that fails to submit its budget to the county auditor 70293  
on or before the ~~twentieth day of July, unless the commissioner on~~ 70294  
~~or before the twentieth day of July prescribes~~ date prescribed by 70295  
this section or a later date for ~~submission of the budget by that~~ 70296  
~~subdivision, prescribed by the commissioner~~ shall not receive an 70297  
apportionment from the undivided local government fund 70298  
distribution for the ensuing calendar year, ~~unless upon review of~~ 70299  
~~the matter~~ the commissioner determines that the budget was adopted 70300  
by the subdivision on or before the ~~fifteenth~~ fifth day ~~of July~~ 70301  
before the date prescribed by this section for submitting the 70302  
budget, but was not submitted ~~to the county auditor~~ by the 70303  
~~twentieth day of July~~ date so prescribed or the later time 70304  
prescribed by the commissioner because of ministerial error by the 70305  
subdivision or its officers, employees, or other representatives. 70306

**Sec. 5705.34.** When the budget commission has completed its 70307  
work with respect to a tax budget or other information required to 70308  
be provided under section 5705.281 of the Revised Code, it shall 70309  
certify its action to the taxing authority, together with an 70310  
estimate by the county auditor of the rate of each tax necessary 70311  
to be levied by the taxing authority within its subdivision or 70312

taxing unit, and what part thereof is in excess of, and what part 70313  
within, the ten-mill tax limitation. The certification shall also 70314  
indicate the date on which each tax levied by the taxing authority 70315  
will expire. 70316

If a taxing authority levies a tax for a fixed sum of money 70317  
or to pay debt charges for the tax year for which the tax budget 70318  
is prepared, and a payment on account of that tax is payable to 70319  
the taxing authority for the tax year under section 5727.85, 70320  
5727.86, 5751.21, or 5751.22 of the Revised Code, the county 70321  
auditor, when estimating the rate at which the tax shall be levied 70322  
in the current year, shall estimate the rate necessary to raise 70323  
the required sum less the estimated amount of any payments made 70324  
for the tax year to a taxing unit for fixed-sum levies under those 70325  
sections. The estimated rate shall be the rate of the levy that 70326  
the budget commission certifies with its action under this 70327  
section. 70328

Each taxing authority, by ordinance or resolution, shall 70329  
authorize the necessary tax levies and certify them to the county 70330  
auditor before the first day of October in each year, or at such 70331  
later date as is approved by the tax commissioner, except that the 70332  
certification by the legislative authority of the city of 70333  
Cincinnati or by a board of education shall be made by the first 70334  
day of April or at such later date as is approved by the 70335  
commissioner, and except that a township board of park 70336  
commissioners that is appointed by the board of township trustees 70337  
and oversees a township park district that contains only 70338  
unincorporated territory shall authorize only those taxes approved 70339  
by, and only at the rate approved by, the board of township 70340  
trustees as required by division (C) of section 511.27 of the 70341  
Revised Code. If the levying of a tax to be placed on the 70342  
duplicate of the current year is approved by the electors of the 70343  
subdivision under sections 5705.01 to 5705.47 of the Revised Code; 70344

if the rate of a school district tax is increased due to the 70345  
repeal of a school district income tax and property tax rate 70346  
reduction at an election held pursuant to section 5748.04 of the 70347  
Revised Code; or if refunding bonds to refund all or a part of the 70348  
principal of bonds payable from a tax levy for the ensuing fiscal 70349  
year are issued or sold and in the process of delivery, the budget 70350  
commission shall reconsider and revise its action on the budget of 70351  
the subdivision or school library district for whose benefit the 70352  
tax is to be levied after the returns of such election are fully 70353  
canvassed, or after the issuance or sale of such refunding bonds 70354  
is certified to it. 70355

**Sec. 5705.35.** (A) The certification of the budget commission 70356  
to the taxing authority of each subdivision or taxing unit, as set 70357  
forth in section 5705.34 of the Revised Code, shall show the 70358  
various funds of such subdivisions other than funds to be created 70359  
by transfer and shall be filed by the county budget commission 70360  
with such taxing authority on or before the first day of March in 70361  
the case of school districts and the city of Cincinnati and on or 70362  
before the first day of September in each year in the case of all 70363  
other taxing authorities. There shall be set forth on the credit 70364  
side of each fund the estimated unencumbered balances and 70365  
receipts, and if a tax is to be levied for such fund, the 70366  
estimated revenue to be derived therefrom, the rate of the levy, 70367  
and what portion thereof is within, and what in excess of, the 70368  
ten-mill tax limitation, and on the debit side, the total 70369  
appropriations that may be made therefrom. Subject to division (G) 70370  
of section 5705.29 of the Revised Code, any reserve balance in an 70371  
account established under section 5705.13 of the Revised Code for 70372  
the purpose described in division (A)(1) of that section, and the 70373  
principal of a nonexpendable trust fund established under section 70374  
5705.131 of the Revised Code and any additions to principal 70375  
arising from sources other than the reinvestment of investment 70376

earnings arising from that fund, are not unencumbered balances for 70377  
the purposes of this section. The balance in a reserve balance 70378  
account established under section 5705.132 of the Revised Code is 70379  
not an unencumbered balance for the purposes of this division. 70380

There shall be attached to the certification a summary, which 70381  
shall be known as the "official certificate of estimated 70382  
resources," that shall state the total estimated resources of each 70383  
fund of the subdivision that are available for appropriation in 70384  
the fiscal year, other than funds to be created by transfer, and a 70385  
statement of the amount of the total tax duplicate of the school 70386  
district to be used in the collection of taxes for the following 70387  
calendar year. Before the end of the fiscal year, the taxing 70388  
authority of each subdivision and other taxing unit shall revise 70389  
its tax budget, if one was adopted, so that the total contemplated 70390  
expenditures from any fund during the ensuing fiscal year will not 70391  
exceed the total appropriations that may be made from such fund, 70392  
as determined by the budget commission in its certification; and 70393  
such revised budget shall be the basis of the annual appropriation 70394  
measure. 70395

(B)(1) Except as otherwise provided in division (B)(2) of 70396  
this section, revenues from real property taxes scheduled to be 70397  
settled on or before the tenth day of August and the fifteenth day 70398  
of February of a fiscal year under divisions (A) and (C) of 70399  
section 321.24 of the Revised Code, and revenue from taxes levied 70400  
on personal property used in business scheduled to be settled on 70401  
or before the thirty-first day of October and the thirtieth day of 70402  
June of a fiscal year under divisions (B) and (D) of section 70403  
321.24 of the Revised Code shall not be available for 70404  
appropriation by a board of education prior to the fiscal year in 70405  
which such latest scheduled settlement date occurs, except that 70406  
moneys advanced to the treasurer of a board of education under 70407  
division (A)(2)(b) of section 321.34 of the Revised Code shall be 70408

available for appropriation in the fiscal year in which they are 70409  
paid to the treasurer under such section. If the date for any 70410  
settlement of taxes is extended under division (E) of section 70411  
321.24 of the Revised Code, the latest date set forth in divisions 70412  
(A) to (D) of that section shall be used to determine in which 70413  
fiscal year the revenues are first available for appropriation. 70414

(2) Revenues available for appropriation by a school district 70415  
during a fiscal year may include amounts borrowed in that fiscal 70416  
year under section 133.301 of the Revised Code in anticipation of 70417  
the collection of taxes that are to be included in the settlements 70418  
made under divisions (C) and (D) of section 321.24 of the Revised 70419  
Code in the ensuing fiscal year. 70420

**Sec. 5705.38.** (A) This division does not apply to school 70421  
district appropriation measures. On or about the first day of each 70422  
fiscal year, the taxing authority of each subdivision or other 70423  
taxing unit shall pass an appropriation measure, and thereafter 70424  
during the year it may pass any supplemental appropriation 70425  
measures as it finds necessary, based on the revised tax budget or 70426  
the official certificate of estimated resources or amendments of 70427  
the certificate. If it desires to postpone the passage of the 70428  
annual appropriation measure until an amended certificate is 70429  
received based on the actual balances, it may pass a temporary 70430  
appropriation measure for meeting the ordinary expenses of the 70431  
taxing unit until no later than the first day of April or, in the 70432  
case of the city of Cincinnati, the first day of October, of the 70433  
current year, and the appropriations made in the temporary measure 70434  
shall be chargeable to the appropriations in the annual 70435  
appropriation measure for that fiscal year when passed. 70436

(B) A board of education shall pass its annual appropriation 70437  
measure by the first day of October. If, by the first day of 70438  
October, a board has not received either the amended certificates 70439

of estimated resources required by division (B) of section 5705.36 70440  
of the Revised Code or certifications that no amended certificates 70441  
need be issued, the adoption of the annual appropriation measure 70442  
shall be delayed until the amended certificates or certifications 70443  
are received. Prior to the passage of the annual appropriation 70444  
measure, the board may pass a temporary appropriation measure for 70445  
meeting the ordinary expenses of the district until it passes an 70446  
annual appropriation measure, and appropriations made in the 70447  
temporary measure shall be chargeable to the appropriations in the 70448  
annual appropriation measure for that fiscal year when passed. 70449  
During the fiscal year and after the passage of the annual 70450  
appropriation measure, a district may pass any supplemental 70451  
appropriation measures as it finds necessary, based on the revised 70452  
tax budget or the official certificate of estimated resources or 70453  
amendments of the certificate. School district appropriation 70454  
measures shall be in the form as the auditor of state, after 70455  
consultation with the tax commissioner, prescribes. 70456

(C) Appropriation measures shall be classified so as to set 70457  
forth separately the amounts appropriated for each office, 70458  
department, and division, and, within each, the amount 70459  
appropriated for personal services. In the case of a municipal 70460  
university, the board of directors of which have assumed, in the 70461  
manner provided by law, custody and control of the funds of the 70462  
university, funds shall be appropriated as a lump sum for the use 70463  
of the university. 70464

Sec. 5705.72. (A) As used in this section and in section 70465  
5705.25 of the Revised Code with regard to a levy submitted under 70466  
this section, "electors" means electors of the unincorporated area 70467  
of a township. 70468

(B) The board of trustees of any township that withdraws or 70469  
proposes by resolution to withdraw the unincorporated area of the 70470

township from a regional transit authority under section 306.55 of 70471  
the Revised Code, by vote of two-thirds of all the members of the 70472  
board of trustees, may declare by resolution that the amount of 70473  
taxes that may be raised within the ten-mill limitation will be 70474  
insufficient to provide transportation services to the 70475  
unincorporated area of the township and that it is necessary to 70476  
levy a tax in excess of that limitation within the unincorporated 70477  
area of that township for the purpose of providing transportation 70478  
services for the movement of persons within, from, or to the 70479  
unincorporated area of that township. 70480

The resolution shall specify the necessary amount of the 70481  
increase in rate to levy, the purpose of such increase, and the 70482  
number of years, not exceeding ten, during which the rate increase 70483  
shall be in effect, which may or may not include a levy upon the 70484  
tax list of the current year. 70485

The resolution shall be submitted to the proper county board 70486  
of elections not less than ninety days before the date of the 70487  
election at which the question will appear on the ballot and in 70488  
the manner provided by section 5705.25 of the Revised Code, except 70489  
that the question may be submitted to electors at a general 70490  
election or a special election held on a date consistent with 70491  
section 3501.01 of the Revised Code. 70492

A resolution adopted by the board of trustees of a township 70493  
under this section may be combined with a resolution for the 70494  
withdrawal of the unincorporated area of the township from a 70495  
regional transit authority as provided in section 306.55 of the 70496  
Revised Code, by vote of two-thirds of all members of the board. 70497  
The board may certify the combined resolution to the board of 70498  
elections as a combined question. The question appearing on the 70499  
ballot shall be as provided in section 5705.252 of the Revised 70500  
Code. 70501

When electors have approved a tax levy under this section, 70502

the board of township trustees may anticipate a fraction of the 70503  
proceeds of the levy and issue anticipation notes as authorized by 70504  
section 5705.191 of the Revised Code for a current expense levy 70505  
with a fixed term, and may anticipate the collection of current 70506  
revenue under section 133.10 of the Revised Code. 70507

**Sec. 5709.084.** Real and personal property comprising a 70508  
convention center that is constructed or, in the case of personal 70509  
property, acquired, after January 1, 2010, are exempt from 70510  
taxation if the convention center is located in a county having a 70511  
population, when construction of the convention center commences, 70512  
of more than one million two hundred thousand according to the 70513  
most recent federal decennial census, and if the convention 70514  
center, or the land upon which the convention center is situated, 70515  
is owned or leased by the county. For the purposes of this 70516  
section, construction of the convention center commences upon the 70517  
earlier of issuance of debt to finance all or a portion of the 70518  
convention center, demolition of existing structures on the site, 70519  
or grading of the site in preparation for construction. 70520

Real and personal property comprising a convention center 70521  
owned by the largest city in a county having a population greater 70522  
than seven hundred thousand but less than nine hundred thousand 70523  
according to the most recent federal decennial census is exempt 70524  
from taxation, regardless of whether the property is leased to or 70525  
otherwise operated or managed by a person other than the city. 70526

Real and personal property comprising a convention center 70527  
owned by a convention facilities authority in a county having a 70528  
population greater than one million according to the most recent 70529  
federal decennial census is exempt from taxation, regardless of 70530  
whether the property is leased to or otherwise operated or managed 70531  
by a person other than the convention facilities authority. 70532

As used in this section, "convention center" has the same 70533

meaning as in section 307.695 of the Revised Code. 70534

**Sec. 5709.12.** (A) As used in this section, "independent 70535  
living facilities" means any residential housing facilities and 70536  
related property that are not a nursing home, residential care 70537  
facility, or ~~adult care~~ residential facility as defined in 70538  
division (A) of section 5701.13 of the Revised Code. 70539

(B) Lands, houses, and other buildings belonging to a county, 70540  
township, or municipal corporation and used exclusively for the 70541  
accommodation or support of the poor, or leased to the state or 70542  
any political subdivision for public purposes shall be exempt from 70543  
taxation. Real and tangible personal property belonging to 70544  
institutions that is used exclusively for charitable purposes 70545  
shall be exempt from taxation, including real property belonging 70546  
to an institution that is a nonprofit corporation that receives a 70547  
grant under the Thomas Alva Edison grant program authorized by 70548  
division (C) of section 122.33 of the Revised Code at any time 70549  
during the tax year and being held for leasing or resale to 70550  
others. If, at any time during a tax year for which such property 70551  
is exempted from taxation, the corporation ceases to qualify for 70552  
such a grant, the director of development shall notify the tax 70553  
commissioner, and the tax commissioner shall cause the property to 70554  
be restored to the tax list beginning with the following tax year. 70555  
All property owned and used by a nonprofit organization 70556  
exclusively for a home for the aged, as defined in section 5701.13 70557  
of the Revised Code, also shall be exempt from taxation. 70558

(C)(1) If a home for the aged described in division (B)(1) of 70559  
section 5701.13 of the Revised Code is operated in conjunction 70560  
with or at the same site as independent living facilities, the 70561  
exemption granted in division (B) of this section shall include 70562  
kitchen, dining room, clinic, entry ways, maintenance and storage 70563  
areas, and land necessary for access commonly used by both 70564

residents of the home for the aged and residents of the 70565  
independent living facilities. Other facilities commonly used by 70566  
both residents of the home for the aged and residents of 70567  
independent living units shall be exempt from taxation only if the 70568  
other facilities are used primarily by the residents of the home 70569  
for the aged. Vacant land currently unused by the home, and 70570  
independent living facilities and the lands connected with them 70571  
are not exempt from taxation. Except as provided in division 70572  
(A)(1) of section 5709.121 of the Revised Code, property of a home 70573  
leased for nonresidential purposes is not exempt from taxation. 70574

(2) Independent living facilities are exempt from taxation if 70575  
they are operated in conjunction with or at the same site as a 70576  
home for the aged described in division (B)(2) of section 5701.13 70577  
of the Revised Code; operated by a corporation, association, or 70578  
trust described in division (B)(1)(b) of that section; operated 70579  
exclusively for the benefit of members of the corporation, 70580  
association, or trust who are retired, aged, or infirm; and 70581  
provided to those members without charge in consideration of their 70582  
service, without compensation, to a charitable, religious, 70583  
fraternal, or educational institution. For the purposes of 70584  
division (C)(2) of this section, "compensation" does not include 70585  
furnishing room and board, clothing, health care, or other 70586  
necessities, or stipends or other de minimis payments to defray 70587  
the cost thereof. 70588

(D)(1) A private corporation established under federal law, 70589  
defined in 36 U.S.C. 1101, Pub. L. No. 102-199, 105 Stat. 1629, as 70590  
amended, the objects of which include encouraging the advancement 70591  
of science generally, or of a particular branch of science, the 70592  
promotion of scientific research, the improvement of the 70593  
qualifications and usefulness of scientists, or the increase and 70594  
diffusion of scientific knowledge is conclusively presumed to be a 70595  
charitable or educational institution. A private corporation 70596

established as a nonprofit corporation under the laws of a state, 70597  
that is exempt from federal income taxation under section 70598  
501(c)(3) of the Internal Revenue Code of 1986, 100 Stat. 2085, 26 70599  
U.S.C.A. 1, as amended, and has as its principal purpose one or 70600  
more of the foregoing objects, also is conclusively presumed to be 70601  
a charitable or educational institution. 70602

The fact that an organization described in this division 70603  
operates in a manner that results in an excess of revenues over 70604  
expenses shall not be used to deny the exemption granted by this 70605  
section, provided such excess is used, or is held for use, for 70606  
exempt purposes or to establish a reserve against future 70607  
contingencies; and, provided further, that such excess may not be 70608  
distributed to individual persons or to entities that would not be 70609  
entitled to the tax exemptions provided by this chapter. Nor shall 70610  
the fact that any scientific information diffused by the 70611  
organization is of particular interest or benefit to any of its 70612  
individual members be used to deny the exemption granted by this 70613  
section, provided that such scientific information is available to 70614  
the public for purchase or otherwise. 70615

(2) Division (D)(2) of this section does not apply to real 70616  
property exempted from taxation under this section and division 70617  
(A)(3) of section 5709.121 of the Revised Code and belonging to a 70618  
nonprofit corporation described in division (D)(1) of this section 70619  
that has received a grant under the Thomas Alva Edison grant 70620  
program authorized by division (C) of section 122.33 of the 70621  
Revised Code during any of the tax years the property was exempted 70622  
from taxation. 70623

When a private corporation described in division (D)(1) of 70624  
this section sells all or any portion of a tract, lot, or parcel 70625  
of real estate that has been exempt from taxation under this 70626  
section and section 5709.121 of the Revised Code, the portion sold 70627  
shall be restored to the tax list for the year following the year 70628

of the sale and, except in connection with a sale and transfer of 70629  
such a tract, lot, or parcel to a county land reutilization 70630  
corporation organized under Chapter 1724. of the Revised Code, a 70631  
charge shall be levied against the sold property in an amount 70632  
equal to the tax savings on such property during the four tax 70633  
years preceding the year the property is placed on the tax list. 70634  
The tax savings equals the amount of the additional taxes that 70635  
would have been levied if such property had not been exempt from 70636  
taxation. 70637

The charge constitutes a lien of the state upon such property 70638  
as of the first day of January of the tax year in which the charge 70639  
is levied and continues until discharged as provided by law. The 70640  
charge may also be remitted for all or any portion of such 70641  
property that the tax commissioner determines is entitled to 70642  
exemption from real property taxation for the year such property 70643  
is restored to the tax list under any provision of the Revised 70644  
Code, other than sections 725.02, 1728.10, 3735.67, 5709.40, 70645  
5709.41, 5709.62, 5709.63, 5709.71, 5709.73, 5709.78, and 5709.84, 70646  
upon an application for exemption covering the year such property 70647  
is restored to the tax list filed under section 5715.27 of the 70648  
Revised Code. 70649

(E) Real property held by an organization organized and 70650  
operated exclusively for charitable purposes as described under 70651  
section 501(c)(3) of the Internal Revenue Code and exempt from 70652  
federal taxation under section 501(a) of the Internal Revenue 70653  
Code, 26 U.S.C.A. 501(a) and (c)(3), as amended, for the purpose 70654  
of constructing or rehabilitating residences for eventual transfer 70655  
to qualified low-income families through sale, lease, or land 70656  
installment contract, shall be exempt from taxation. 70657

The exemption shall commence on the day title to the property 70658  
is transferred to the organization and shall continue to the end 70659  
of the tax year in which the organization transfers title to the 70660

property to a qualified low-income family. In no case shall the 70661  
exemption extend beyond the second succeeding tax year following 70662  
the year in which the title was transferred to the organization. 70663  
If the title is transferred to the organization and from the 70664  
organization to a qualified low-income family in the same tax 70665  
year, the exemption shall continue to the end of that tax year. 70666  
The proportionate amount of taxes that are a lien but not yet 70667  
determined, assessed, and levied for the tax year in which title 70668  
is transferred to the organization shall be remitted by the county 70669  
auditor for each day of the year that title is held by the 70670  
organization. 70671

Upon transferring the title to another person, the 70672  
organization shall file with the county auditor an affidavit 70673  
affirming that the title was transferred to a qualified low-income 70674  
family or that the title was not transferred to a qualified 70675  
low-income family, as the case may be; if the title was 70676  
transferred to a qualified low-income family, the affidavit shall 70677  
identify the transferee by name. If the organization transfers 70678  
title to the property to anyone other than a qualified low-income 70679  
family, the exemption, if it has not previously expired, shall 70680  
terminate, and the property shall be restored to the tax list for 70681  
the year following the year of the transfer and a charge shall be 70682  
levied against the property in an amount equal to the amount of 70683  
additional taxes that would have been levied if such property had 70684  
not been exempt from taxation. The charge constitutes a lien of 70685  
the state upon such property as of the first day of January of the 70686  
tax year in which the charge is levied and continues until 70687  
discharged as provided by law. 70688

The application for exemption shall be filed as otherwise 70689  
required under section 5715.27 of the Revised Code, except that 70690  
the organization holding the property shall file with its 70691  
application documentation substantiating its status as an 70692

organization organized and operated exclusively for charitable 70693  
purposes under section 501(c)(3) of the Internal Revenue Code and 70694  
its qualification for exemption from federal taxation under 70695  
section 501(a) of the Internal Revenue Code, and affirming its 70696  
intention to construct or rehabilitate the property for the 70697  
eventual transfer to qualified low-income families. 70698

As used in this division, "qualified low-income family" means 70699  
a family whose income does not exceed two hundred per cent of the 70700  
official federal poverty guidelines as revised annually in 70701  
accordance with section 673(2) of the "Omnibus Budget 70702  
Reconciliation Act of 1981," 95 Stat. 511, 42 U.S.C.A. 9902, as 70703  
amended, for a family size equal to the size of the family whose 70704  
income is being determined. 70705

(F) Real property held by a county land reutilization 70706  
corporation organized under Chapter 1724. of the Revised Code 70707  
shall be exempt from taxation. Notwithstanding section 5715.27 of 70708  
the Revised Code, a county land reutilization corporation is not 70709  
required to apply to any county or state agency in order to 70710  
qualify for the exemption. 70711

The exemption shall commence on the day title to the property 70712  
is transferred to the corporation and shall continue to the end of 70713  
the tax year in which the instrument transferring title from the 70714  
corporation to another owner is recorded, if the use to which the 70715  
other owner puts the property does not qualify for an exemption 70716  
under this section or any other section of the Revised Code. If 70717  
the title to the property is transferred to the corporation and 70718  
from the corporation in the same tax year, the exemption shall 70719  
continue to the end of that tax year. The proportionate amount of 70720  
taxes that are a lien but not yet determined, assessed, and levied 70721  
for the tax year in which title is transferred to the corporation 70722  
shall be remitted by the county auditor for each day of the year 70723  
that title is held by the corporation. 70724

Upon transferring the title to another person, the 70725  
corporation shall file with the county auditor an affidavit 70726  
affirming that the title was transferred to such other person and 70727  
shall identify the transferee by name. If the corporation 70728  
transfers title to the property to anyone that does not qualify or 70729  
the use to which the property is put does not qualify the property 70730  
for an exemption under this section or any other section of the 70731  
Revised Code, the exemption, if it has not previously expired, 70732  
shall terminate, and the property shall be restored to the tax 70733  
list for the year following the year of the transfer. A charge 70734  
shall be levied against the property in an amount equal to the 70735  
amount of additional taxes that would have been levied if such 70736  
property had not been exempt from taxation. The charge constitutes 70737  
a lien of the state upon such property as of the first day of 70738  
January of the tax year in which the charge is levied and 70739  
continues until discharged as provided by law. 70740

In lieu of the application for exemption otherwise required 70741  
to be filed as required under section 5715.27 of the Revised Code, 70742  
a count land reutilization corporation holding the property shall, 70743  
upon the request of any county or state agency, submit its 70744  
articles of incorporation substantiating its status as a county 70745  
land reutilization corporation. 70746

**Sec. 5709.121.** (A) Real property and tangible personal 70747  
property belonging to a charitable or educational institution or 70748  
to the state or a political subdivision, shall be considered as 70749  
used exclusively for charitable or public purposes by such 70750  
institution, the state, or political subdivision, if it meets one 70751  
of the following requirements: 70752

(1) It is used by such institution, the state, or political 70753  
subdivision, or by one or more other such institutions, the state, 70754  
or political subdivisions under a lease, sublease, or other 70755

contractual arrangement: 70756

(a) As a community or area center in which presentations in 70757  
music, dramatics, the arts, and related fields are made in order 70758  
to foster public interest and education therein; 70759

(b) For other charitable, educational, or public purposes. 70760

(2) It is made available under the direction or control of 70761  
such institution, the state, or political subdivision for use in 70762

facility certificate filed pursuant to section 5709.21 of the 70827  
Revised Code, the applicant shall pay a fee equal to one-half of 70828

the Revised Code. If the director of environmental protection is 70835  
required to provide the opinion for an application, one-half of 70836  
the fee shall be credited to the non-Title V clean air fund 70837

section 5709.25 of the Revised Code until the fee required by this 70852  
section is paid. The fee required by this section is not 70853  
refundable, and is due with the application for an exempt facility 70854  
certificate even if an exempt facility certificate ultimately is 70855  
not issued or is withdrawn. Any application submitted without 70856  
payment of the fee shall be deemed incomplete until the fee is 70857  
paid. 70858

(B) The application fee imposed under division (A) of this 70859  
section for a jointly owned facility shall be equal to one-half of 70860

exemption under section 5709.40 of the Revised Code shall 70865  
establish a municipal public improvement tax increment equivalent 70866  
fund into which shall be deposited service payments in lieu of 70867  
taxes distributed to the municipal corporation under section 70868  
5709.42 of the Revised Code. If the legislative authority of the 70869  
municipal corporation has adopted an ordinance under division (C) 70870  
of section 5709.40 of the Revised Code, the municipal corporation 70871  
shall establish at least one account in that fund with respect to 70872  
ordinances adopted under division (B) of that section, and one 70873  
account with respect to each incentive district created in an 70874  
ordinance adopted under division (C) of that section. If an 70875  
ordinance adopted under division (C) of section 5709.40 of the 70876  
Revised Code also authorizes the use of service payments for 70877  
housing renovations within the district, the municipal corporation 70878

shall establish separate accounts for the service payments 70879  
designated for public infrastructure improvements and for the 70880  
service payments authorized for the purpose of housing 70881  
renovations. Money in an account of the municipal public 70882  
improvement tax increment equivalent fund shall be used to finance 70883  
the public infrastructure improvements designated in, or the 70884  
housing renovations authorized by, the ordinance with respect to 70885  
which the account is established; in the case of an account 70886  
established with respect to an ordinance adopted under division 70887  
(C) of that section, money in the account shall be used to finance 70888  
the public infrastructure improvements designated, or the housing 70889  
renovations authorized, for each incentive district created in the 70890  
ordinance. Money in an account shall not be used to finance or 70891  
support housing renovations that take place after the incentive 70892  
district has expired. The municipal corporation also may deposit 70893  
into any of those accounts municipal income tax revenue that has 70894  
been designated by ordinance to finance the public infrastructure 70895  
improvements and housing renovations. 70896

(B) A municipal corporation may establish an urban 70897  
redevelopment tax increment equivalent fund, by resolution or 70898  
ordinance of its legislative authority, into which shall be 70899  
deposited service payments in lieu of taxes distributed to the 70900  
municipal corporation by the county treasurer as provided in 70901  
section 5709.42 of the Revised Code for improvements exempt from 70902  
taxation pursuant to an ordinance adopted under section 5709.41 of 70903  
the Revised Code. Moneys deposited in the urban redevelopment tax 70904  
increment equivalent fund shall be used for such purposes as are 70905  
authorized in the resolution or ordinance establishing the fund. 70906  
The municipal corporation also may deposit into the urban 70907  
redevelopment tax increment equivalent fund municipal income tax 70908  
revenue that has been dedicated to fund any of the purposes for 70909  
which the fund is established. 70910

(C)(1)(a) A municipal corporation may distribute money in the 70911  
municipal public improvement tax increment equivalent fund or the 70912  
urban redevelopment tax increment equivalent fund to any school 70913  
district in which the exempt property is located, in an amount not 70914  
to exceed the amount of real property taxes that such school 70915  
district would have received from the improvement if it were not 70916  
exempt from taxation, or use money in either or both funds to 70917  
finance specific public improvements benefiting the school 70918  
district. The resolution or ordinance establishing the fund shall 70919  
set forth the percentage of such maximum amount that will be 70920  
distributed to any affected school district or used to finance 70921  
specific public improvements benefiting the school district. 70922

(b) A municipal corporation also may distribute money in the 70923  
municipal public improvement tax increment equivalent fund or the 70924  
urban redevelopment tax increment equivalent fund as follows: 70925

(i) To a board of county commissioners, in the amount that is 70926  
owed to the board pursuant to division (E) of section 5709.40 of 70927  
the Revised Code; 70928

(ii) To a county in accordance with section 5709.913 of the 70929  
Revised Code. 70930

(2) Money from an account in a municipal public improvement 70931  
tax increment equivalent fund or from an urban redevelopment tax 70932  
increment equivalent fund may be distributed under division 70933  
(C)(1)(b) of this section, regardless of the date a resolution or 70934  
an ordinance was adopted under section 5709.40 or 5709.41 of the 70935  
Revised Code that prompted the establishment of the account or the 70936  
establishment of the urban redevelopment tax increment equivalent 70937  
fund, even if the resolution or ordinance was adopted prior to ~~the~~ 70938  
~~effective date of this amendment~~ March 30, 2006. 70939

(D)(1) A municipal corporation may use surplus money in the 70940  
municipal public improvement tax increment equivalent fund or an 70941

account of that fund, or in the urban redevelopment tax increment 70942  
equivalent fund, to repay a loan or provide matching funds for a 70943  
grant awarded to the municipal corporation under the local 70944  
government innovation program created in section 189.02 of the 70945  
Revised Code. 70946

(2) Any incidental surplus remaining in the municipal public 70947  
improvement tax increment equivalent fund or an account of that 70948  
fund, or in the urban redevelopment tax increment equivalent fund, 70949  
upon dissolution of the account or fund shall be used as provided 70950  
in division (D)(1) of this section or transferred to the general 70951  
fund of the municipal corporation. 70952

**Sec. 5709.62.** (A) In any municipal corporation that is 70953  
defined by the United States office of management and budget as a 70954  
principal city of a metropolitan statistical area, the legislative 70955  
authority of the municipal corporation may designate one or more 70956  
areas within its municipal corporation as proposed enterprise 70957  
zones. Upon designating an area, the legislative authority shall 70958  
petition the director of development for certification of the area 70959  
as having the characteristics set forth in division (A)(1) of 70960  
section 5709.61 of the Revised Code as amended by Substitute 70961  
Senate Bill No. 19 of the 120th general assembly. Except as 70962  
otherwise provided in division (E) of this section, on and after 70963  
July 1, 1994, legislative authorities shall not enter into 70964  
agreements under this section unless the legislative authority has 70965  
petitioned the director and the director has certified the zone 70966  
under this section as amended by that act; however, all agreements 70967  
entered into under this section as it existed prior to July 1, 70968  
1994, and the incentives granted under those agreements shall 70969  
remain in effect for the period agreed to under those agreements. 70970  
Within sixty days after receiving such a petition, the director 70971  
shall determine whether the area has the characteristics set forth 70972  
in division (A)(1) of section 5709.61 of the Revised Code, and 70973

shall forward the findings to the legislative authority of the 70974  
municipal corporation. If the director certifies the area as 70975  
having those characteristics, and thereby certifies it as a zone, 70976  
the legislative authority may enter into an agreement with an 70977  
enterprise under division (C) of this section. 70978

(B) Any enterprise that wishes to enter into an agreement 70979  
with a municipal corporation under division (C) of this section 70980  
shall submit a proposal to the legislative authority of the 70981  
municipal corporation on a form prescribed by the director of 70982  
development, together with the application fee established under 70983  
section 5709.68 of the Revised Code. The form shall require the 70984  
following information: 70985

(1) An estimate of the number of new employees whom the 70986  
enterprise intends to hire, or of the number of employees whom the 70987  
enterprise intends to retain, within the zone at a facility that 70988  
is a project site, and an estimate of the amount of payroll of the 70989  
enterprise attributable to these employees; 70990

(2) An estimate of the amount to be invested by the 70991  
enterprise to establish, expand, renovate, or occupy a facility, 70992  
including investment in new buildings, additions or improvements 70993  
to existing buildings, machinery, equipment, furniture, fixtures, 70994  
and inventory; 70995

(3) A listing of the enterprise's current investment, if any, 70996  
in a facility as of the date of the proposal's submission. 70997

The enterprise shall review and update the listings required 70998  
under this division to reflect material changes, and any agreement 70999  
entered into under division (C) of this section shall set forth 71000  
final estimates and listings as of the time the agreement is 71001  
entered into. The legislative authority may, on a separate form 71002  
and at any time, require any additional information necessary to 71003  
determine whether an enterprise is in compliance with an agreement 71004

and to collect the information required to be reported under 71005  
section 5709.68 of the Revised Code. 71006

(C) Upon receipt and investigation of a proposal under 71007  
division (B) of this section, if the legislative authority finds 71008  
that the enterprise submitting the proposal is qualified by 71009  
financial responsibility and business experience to create and 71010  
preserve employment opportunities in the zone and improve the 71011  
economic climate of the municipal corporation, the legislative 71012  
authority, on or before October 15, ~~2012~~ 2013, may do one of the 71013  
following: 71014

(1) Enter into an agreement with the enterprise under which 71015  
the enterprise agrees to establish, expand, renovate, or occupy a 71016  
facility and hire new employees, or preserve employment 71017  
opportunities for existing employees, in return for one or more of 71018  
the following incentives: 71019

(a) Exemption for a specified number of years, not to exceed 71020  
fifteen, of a specified portion, up to seventy-five per cent, of 71021  
the assessed value of tangible personal property first used in 71022  
business at the project site as a result of the agreement. If an 71023  
exemption for inventory is specifically granted in the agreement 71024  
pursuant to this division, the exemption applies to inventory 71025  
required to be listed pursuant to sections 5711.15 and 5711.16 of 71026  
the Revised Code, except that, in the instance of an expansion or 71027  
other situations in which an enterprise was in business at the 71028  
facility prior to the establishment of the zone, the inventory 71029  
that is exempt is that amount or value of inventory in excess of 71030  
the amount or value of inventory required to be listed in the 71031  
personal property tax return of the enterprise in the return for 71032  
the tax year in which the agreement is entered into. 71033

(b) Exemption for a specified number of years, not to exceed 71034  
fifteen, of a specified portion, up to seventy-five per cent, of 71035  
the increase in the assessed valuation of real property 71036

constituting the project site subsequent to formal approval of the agreement by the legislative authority;

(c) Provision for a specified number of years, not to exceed fifteen, of any optional services or assistance that the municipal corporation is authorized to provide with regard to the project site.

(2) Enter into an agreement under which the enterprise agrees to remediate an environmentally contaminated facility, to spend an amount equal to at least two hundred fifty per cent of the true value in money of the real property of the facility prior to remediation as determined for the purposes of property taxation to establish, expand, renovate, or occupy the remediated facility, and to hire new employees or preserve employment opportunities for existing employees at the remediated facility, in return for one or more of the following incentives:

(a) Exemption for a specified number of years, not to exceed fifteen, of a specified portion, not to exceed fifty per cent, of the assessed valuation of the real property of the facility prior to remediation;

(b) Exemption for a specified number of years, not to exceed fifteen, of a specified portion, not to exceed one hundred per cent, of the increase in the assessed valuation of the real property of the facility during or after remediation;

(c) The incentive under division (C)(1)(a) of this section, except that the percentage of the assessed value of such property exempted from taxation shall not exceed one hundred per cent;

(d) The incentive under division (C)(1)(c) of this section.

(3) Enter into an agreement with an enterprise that plans to purchase and operate a large manufacturing facility that has ceased operation or announced its intention to cease operation, in return for exemption for a specified number of years, not to

exceed fifteen, of a specified portion, up to one hundred per 71068  
cent, of the assessed value of tangible personal property used in 71069  
business at the project site as a result of the agreement, or of 71070  
the assessed valuation of real property constituting the project 71071  
site, or both. 71072

(D)(1) Notwithstanding divisions (C)(1)(a) and (b) of this 71073  
section, the portion of the assessed value of tangible personal 71074  
property or of the increase in the assessed valuation of real 71075  
property exempted from taxation under those divisions may exceed 71076  
seventy-five per cent in any year for which that portion is 71077  
exempted if the average percentage exempted for all years in which 71078  
the agreement is in effect does not exceed sixty per cent, or if 71079  
the board of education of the city, local, or exempted village 71080  
school district within the territory of which the property is or 71081  
will be located approves a percentage in excess of seventy-five 71082  
per cent. 71083

(2) Notwithstanding any provision of the Revised Code to the 71084  
contrary, the exemptions described in divisions (C)(1)(a), (b), 71085  
and (c), (C)(2)(a), (b), and (c), and (C)(3) of this section may 71086  
be for up to fifteen years if the board of education of the city, 71087  
local, or exempted village school district within the territory of 71088  
which the property is or will be located approves a number of 71089  
years in excess of ten. 71090

(3) For the purpose of obtaining the approval of a city, 71091  
local, or exempted village school district under division (D)(1) 71092  
or (2) of this section, the legislative authority shall deliver to 71093  
the board of education a notice not later than forty-five days 71094  
prior to approving the agreement, excluding Saturdays, Sundays, 71095  
and legal holidays as defined in section 1.14 of the Revised Code. 71096  
The notice shall state the percentage to be exempted, an estimate 71097  
of the true value of the property to be exempted, and the number 71098  
of years the property is to be exempted. The board of education, 71099

by resolution adopted by a majority of the board, shall approve or 71100  
disapprove the agreement and certify a copy of the resolution to 71101  
the legislative authority not later than fourteen days prior to 71102  
the date stipulated by the legislative authority as the date upon 71103  
which approval of the agreement is to be formally considered by 71104  
the legislative authority. The board of education may include in 71105  
the resolution conditions under which the board would approve the 71106  
agreement, including the execution of an agreement to compensate 71107  
the school district under division (B) of section 5709.82 of the 71108  
Revised Code. The legislative authority may approve the agreement 71109  
at any time after the board of education certifies its resolution 71110  
approving the agreement to the legislative authority, or, if the 71111  
board approves the agreement conditionally, at any time after the 71112  
conditions are agreed to by the board and the legislative 71113  
authority. 71114

If a board of education has adopted a resolution waiving its 71115  
right to approve agreements and the resolution remains in effect, 71116  
approval of an agreement by the board is not required under this 71117  
division. If a board of education has adopted a resolution 71118  
allowing a legislative authority to deliver the notice required 71119  
under this division fewer than forty-five business days prior to 71120  
the legislative authority's approval of the agreement, the 71121  
legislative authority shall deliver the notice to the board not 71122  
later than the number of days prior to such approval as prescribed 71123  
by the board in its resolution. If a board of education adopts a 71124  
resolution waiving its right to approve agreements or shortening 71125  
the notification period, the board shall certify a copy of the 71126  
resolution to the legislative authority. If the board of education 71127  
rescinds such a resolution, it shall certify notice of the 71128  
rescission to the legislative authority. 71129

(4) The legislative authority shall comply with section 71130  
5709.83 of the Revised Code unless the board of education has 71131

adopted a resolution under that section waiving its right to 71132  
receive such notice. 71133

(E) This division applies to zones certified by the director 71134  
of development under this section prior to July 22, 1994. 71135

On or before October 15, ~~2012~~ 2013, the legislative authority 71136  
that designated a zone to which this division applies may enter 71137  
into an agreement with an enterprise if the legislative authority 71138  
finds that the enterprise satisfies one of the criteria described 71139  
in divisions (E)(1) to (5) of this section: 71140

(1) The enterprise currently has no operations in this state 71141  
and, subject to approval of the agreement, intends to establish 71142  
operations in the zone; 71143

(2) The enterprise currently has operations in this state 71144  
and, subject to approval of the agreement, intends to establish 71145  
operations at a new location in the zone that would not result in 71146  
a reduction in the number of employee positions at any of the 71147  
enterprise's other locations in this state; 71148

(3) The enterprise, subject to approval of the agreement, 71149  
intends to relocate operations, currently located in another 71150  
state, to the zone; 71151

(4) The enterprise, subject to approval of the agreement, 71152  
intends to expand operations at an existing site in the zone that 71153  
the enterprise currently operates; 71154

(5) The enterprise, subject to approval of the agreement, 71155  
intends to relocate operations, currently located in this state, 71156  
to the zone, and the director of development has issued a waiver 71157  
for the enterprise under division (B) of section 5709.633 of the 71158  
Revised Code. 71159

The agreement shall require the enterprise to agree to 71160  
establish, expand, renovate, or occupy a facility in the zone and 71161

hire new employees, or preserve employment opportunities for 71162  
existing employees, in return for one or more of the incentives 71163  
described in division (C) of this section. 71164

(F) All agreements entered into under this section shall be 71165  
in the form prescribed under section 5709.631 of the Revised Code. 71166  
After an agreement is entered into under this section, if the 71167  
legislative authority revokes its designation of a zone, or if the 71168  
director of development revokes a zone's certification, any 71169  
entitlements granted under the agreement shall continue for the 71170  
number of years specified in the agreement. 71171

(G) Except as otherwise provided in this division, an 71172  
agreement entered into under this section shall require that the 71173  
enterprise pay an annual fee equal to the greater of one per cent 71174  
of the dollar value of incentives offered under the agreement or 71175  
five hundred dollars; provided, however, that if the value of the 71176  
incentives exceeds two hundred fifty thousand dollars, the fee 71177  
shall not exceed two thousand five hundred dollars. The fee shall 71178  
be payable to the legislative authority once per year for each 71179  
year the agreement is effective on the days and in the form 71180  
specified in the agreement. Fees paid shall be deposited in a 71181  
special fund created for such purpose by the legislative authority 71182  
and shall be used by the legislative authority exclusively for the 71183  
purpose of complying with section 5709.68 of the Revised Code and 71184  
by the tax incentive review council created under section 5709.85 71185  
of the Revised Code exclusively for the purposes of performing the 71186  
duties prescribed under that section. The legislative authority 71187  
may waive or reduce the amount of the fee charged against an 71188  
enterprise, but such a waiver or reduction does not affect the 71189  
obligations of the legislative authority or the tax incentive 71190  
review council to comply with section 5709.68 or 5709.85 of the 71191  
Revised Code. 71192

(H) When an agreement is entered into pursuant to this 71193

section, the legislative authority authorizing the agreement shall 71194  
forward a copy of the agreement to the director of development and 71195  
to the tax commissioner within fifteen days after the agreement is 71196  
entered into. If any agreement includes terms not provided for in 71197  
section 5709.631 of the Revised Code affecting the revenue of a 71198  
city, local, or exempted village school district or causing 71199  
revenue to be forgone by the district, including any compensation 71200  
to be paid to the school district pursuant to section 5709.82 of 71201  
the Revised Code, those terms also shall be forwarded in writing 71202  
to the director of development along with the copy of the 71203  
agreement forwarded under this division. 71204

(I) After an agreement is entered into, the enterprise shall 71205  
file with each personal property tax return required to be filed, 71206  
or annual report required to be filed under section 5727.08 of the 71207  
Revised Code, while the agreement is in effect, an informational 71208  
return, on a form prescribed by the tax commissioner for that 71209  
purpose, setting forth separately the property, and related costs 71210  
and values, exempted from taxation under the agreement. 71211

(J) Enterprises may agree to give preference to residents of 71212  
the zone within which the agreement applies relative to residents 71213  
of this state who do not reside in the zone when hiring new 71214  
employees under the agreement. 71215

(K) An agreement entered into under this section may include 71216  
a provision requiring the enterprise to create one or more 71217  
temporary internship positions for students enrolled in a course 71218  
of study at a school or other educational institution in the 71219  
vicinity, and to create a scholarship or provide another form of 71220  
educational financial assistance for students holding such a 71221  
position in exchange for the student's commitment to work for the 71222  
enterprise at the completion of the internship. 71223

(L) The tax commissioner's authority in determining the 71224  
accuracy of any exemption granted by an agreement entered into 71225

under this section is limited to divisions (C)(1)(a) and (b), 71226  
(C)(2)(a), (b), and (c), (C)(3), (D), and (I) of this section and 71227  
divisions (B)(1) to (10) of section 5709.631 of the Revised Code 71228  
and, as authorized by law, to enforcing any modification to, or 71229  
revocation of, that agreement by the legislative authority of a 71230  
municipal corporation or the director of development. 71231

**Sec. 5709.63.** (A) With the consent of the legislative 71232  
authority of each affected municipal corporation or of a board of 71233  
township trustees, a board of county commissioners may, in the 71234  
manner set forth in section 5709.62 of the Revised Code, designate 71235  
one or more areas in one or more municipal corporations or in 71236  
unincorporated areas of the county as proposed enterprise zones. A 71237  
board of county commissioners may designate no more than one area 71238  
within a township, or within adjacent townships, as a proposed 71239  
enterprise zone. The board shall petition the director of 71240  
development for certification of the area as having the 71241  
characteristics set forth in division (A)(1) or (2) of section 71242  
5709.61 of the Revised Code as amended by Substitute Senate Bill 71243  
No. 19 of the 120th general assembly. Except as otherwise provided 71244  
in division (D) of this section, on and after July 1, 1994, boards 71245  
of county commissioners shall not enter into agreements under this 71246  
section unless the board has petitioned the director and the 71247  
director has certified the zone under this section as amended by 71248  
that act; however, all agreements entered into under this section 71249  
as it existed prior to July 1, 1994, and the incentives granted 71250  
under those agreements shall remain in effect for the period 71251  
agreed to under those agreements. The director shall make the 71252  
determination in the manner provided under section 5709.62 of the 71253  
Revised Code. 71254

Any enterprise wishing to enter into an agreement with the 71255  
board under division (B) or (D) of this section shall submit a 71256  
proposal to the board on the form and accompanied by the 71257

application fee prescribed under division (B) of section 5709.62 71258  
of the Revised Code. The enterprise shall review and update the 71259  
estimates and listings required by the form in the manner required 71260  
under that division. The board may, on a separate form and at any 71261  
time, require any additional information necessary to determine 71262  
whether an enterprise is in compliance with an agreement and to 71263  
collect the information required to be reported under section 71264  
5709.68 of the Revised Code. 71265

(B) If the board of county commissioners finds that an 71266  
enterprise submitting a proposal is qualified by financial 71267  
responsibility and business experience to create and preserve 71268  
employment opportunities in the zone and to improve the economic 71269  
climate of the municipal corporation or municipal corporations or 71270  
the unincorporated areas in which the zone is located and to which 71271  
the proposal applies, the board, on or before October 15, ~~2012~~ 71272  
2013, and with the consent of the legislative authority of each 71273  
affected municipal corporation or of the board of township 71274  
trustees may do either of the following: 71275

(1) Enter into an agreement with the enterprise under which 71276  
the enterprise agrees to establish, expand, renovate, or occupy a 71277  
facility in the zone and hire new employees, or preserve 71278  
employment opportunities for existing employees, in return for the 71279  
following incentives: 71280

(a) When the facility is located in a municipal corporation, 71281  
the board may enter into an agreement for one or more of the 71282  
incentives provided in division (C) of section 5709.62 of the 71283  
Revised Code, subject to division (D) of that section; 71284

(b) When the facility is located in an unincorporated area, 71285  
the board may enter into an agreement for one or more of the 71286  
following incentives: 71287

(i) Exemption for a specified number of years, not to exceed 71288

fifteen, of a specified portion, up to sixty per cent, of the 71289  
assessed value of tangible personal property first used in 71290  
business at a project site as a result of the agreement. If an 71291  
exemption for inventory is specifically granted in the agreement 71292  
pursuant to this division, the exemption applies to inventory 71293  
required to be listed pursuant to sections 5711.15 and 5711.16 of 71294  
the Revised Code, except, in the instance of an expansion or other 71295  
situations in which an enterprise was in business at the facility 71296  
prior to the establishment of the zone, the inventory that is 71297  
exempt is that amount or value of inventory in excess of the 71298  
amount or value of inventory required to be listed in the personal 71299  
property tax return of the enterprise in the return for the tax 71300  
year in which the agreement is entered into. 71301

(ii) Exemption for a specified number of years, not to exceed 71302  
fifteen, of a specified portion, up to sixty per cent, of the 71303  
increase in the assessed valuation of real property constituting 71304  
the project site subsequent to formal approval of the agreement by 71305  
the board; 71306

(iii) Provision for a specified number of years, not to 71307  
exceed fifteen, of any optional services or assistance the board 71308  
is authorized to provide with regard to the project site; 71309

(iv) The incentive described in division (C)(2) of section 71310  
5709.62 of the Revised Code. 71311

(2) Enter into an agreement with an enterprise that plans to 71312  
purchase and operate a large manufacturing facility that has 71313  
ceased operation or has announced its intention to cease 71314  
operation, in return for exemption for a specified number of 71315  
years, not to exceed fifteen, of a specified portion, up to one 71316  
hundred per cent, of tangible personal property used in business 71317  
at the project site as a result of the agreement, or of real 71318  
property constituting the project site, or both. 71319

(C)(1)(a) Notwithstanding divisions (B)(1)(b)(i) and (ii) of 71320  
this section, the portion of the assessed value of tangible 71321  
personal property or of the increase in the assessed valuation of 71322  
real property exempted from taxation under those divisions may 71323  
exceed sixty per cent in any year for which that portion is 71324  
exempted if the average percentage exempted for all years in which 71325  
the agreement is in effect does not exceed fifty per cent, or if 71326  
the board of education of the city, local, or exempted village 71327  
school district within the territory of which the property is or 71328  
will be located approves a percentage in excess of sixty per cent. 71329

(b) Notwithstanding any provision of the Revised Code to the 71330  
contrary, the exemptions described in divisions (B)(1)(b)(i), 71331  
(ii), (iii), and (iv) and (B)(2) of this section may be for up to 71332  
fifteen years if the board of education of the city, local, or 71333  
exempted village school district within the territory of which the 71334  
property is or will be located approves a number of years in 71335  
excess of ten. 71336

(c) For the purpose of obtaining the approval of a city, 71337  
local, or exempted village school district under division 71338  
(C)(1)(a) or (b) of this section, the board of county 71339  
commissioners shall deliver to the board of education a notice not 71340  
later than forty-five days prior to approving the agreement, 71341  
excluding Saturdays, Sundays, and legal holidays as defined in 71342  
section 1.14 of the Revised Code. The notice shall state the 71343  
percentage to be exempted, an estimate of the true value of the 71344  
property to be exempted, and the number of years the property is 71345  
to be exempted. The board of education, by resolution adopted by a 71346  
majority of the board, shall approve or disapprove the agreement 71347  
and certify a copy of the resolution to the board of county 71348  
commissioners not later than fourteen days prior to the date 71349  
stipulated by the board of county commissioners as the date upon 71350  
which approval of the agreement is to be formally considered by 71351

the board of county commissioners. The board of education may 71352  
include in the resolution conditions under which the board would 71353  
approve the agreement, including the execution of an agreement to 71354  
compensate the school district under division (B) of section 71355  
5709.82 of the Revised Code. The board of county commissioners may 71356  
approve the agreement at any time after the board of education 71357  
certifies its resolution approving the agreement to the board of 71358  
county commissioners, or, if the board of education approves the 71359  
agreement conditionally, at any time after the conditions are 71360  
agreed to by the board of education and the board of county 71361  
commissioners. 71362

If a board of education has adopted a resolution waiving its 71363  
right to approve agreements and the resolution remains in effect, 71364  
approval of an agreement by the board of education is not required 71365  
under division (C) of this section. If a board of education has 71366  
adopted a resolution allowing a board of county commissioners to 71367  
deliver the notice required under this division fewer than 71368  
forty-five business days prior to approval of the agreement by the 71369  
board of county commissioners, the board of county commissioners 71370  
shall deliver the notice to the board of education not later than 71371  
the number of days prior to such approval as prescribed by the 71372  
board of education in its resolution. If a board of education 71373  
adopts a resolution waiving its right to approve agreements or 71374  
shortening the notification period, the board of education shall 71375  
certify a copy of the resolution to the board of county 71376  
commissioners. If the board of education rescinds such a 71377  
resolution, it shall certify notice of the rescission to the board 71378  
of county commissioners. 71379

(2) The board of county commissioners shall comply with 71380  
section 5709.83 of the Revised Code unless the board of education 71381  
has adopted a resolution under that section waiving its right to 71382  
receive such notice. 71383

(D) This division applies to zones certified by the director 71384  
of development under this section prior to July 22, 1994. 71385

On or before October 15, ~~2012~~ 2013, and with the consent of 71386  
the legislative authority of each affected municipal corporation 71387  
or board of township trustees of each affected township, the board 71388  
of county commissioners that designated a zone to which this 71389  
division applies may enter into an agreement with an enterprise if 71390  
the board finds that the enterprise satisfies one of the criteria 71391  
described in divisions (D)(1) to (5) of this section: 71392

(1) The enterprise currently has no operations in this state 71393  
and, subject to approval of the agreement, intends to establish 71394  
operations in the zone; 71395

(2) The enterprise currently has operations in this state 71396  
and, subject to approval of the agreement, intends to establish 71397  
operations at a new location in the zone that would not result in 71398  
a reduction in the number of employee positions at any of the 71399  
enterprise's other locations in this state; 71400

(3) The enterprise, subject to approval of the agreement, 71401  
intends to relocate operations, currently located in another 71402  
state, to the zone; 71403

(4) The enterprise, subject to approval of the agreement, 71404  
intends to expand operations at an existing site in the zone that 71405  
the enterprise currently operates; 71406

(5) The enterprise, subject to approval of the agreement, 71407  
intends to relocate operations, currently located in this state, 71408  
to the zone, and the director of development has issued a waiver 71409  
for the enterprise under division (B) of section 5709.633 of the 71410  
Revised Code. 71411

The agreement shall require the enterprise to agree to 71412  
establish, expand, renovate, or occupy a facility in the zone and 71413  
hire new employees, or preserve employment opportunities for 71414

existing employees, in return for one or more of the incentives 71415  
described in division (B) of this section. 71416

(E) All agreements entered into under this section shall be 71417  
in the form prescribed under section 5709.631 of the Revised Code. 71418  
After an agreement under this section is entered into, if the 71419  
board of county commissioners revokes its designation of a zone, 71420  
or if the director of development revokes a zone's certification, 71421  
any entitlements granted under the agreement shall continue for 71422  
the number of years specified in the agreement. 71423

(F) Except as otherwise provided in this division, an 71424  
agreement entered into under this section shall require that the 71425  
enterprise pay an annual fee equal to the greater of one per cent 71426  
of the dollar value of incentives offered under the agreement or 71427  
five hundred dollars; provided, however, that if the value of the 71428  
incentives exceeds two hundred fifty thousand dollars, the fee 71429  
shall not exceed two thousand five hundred dollars. The fee shall 71430  
be payable to the board of county commissioners once per year for 71431  
each year the agreement is effective on the days and in the form 71432  
specified in the agreement. Fees paid shall be deposited in a 71433  
special fund created for such purpose by the board and shall be 71434  
used by the board exclusively for the purpose of complying with 71435  
section 5709.68 of the Revised Code and by the tax incentive 71436  
review council created under section 5709.85 of the Revised Code 71437  
exclusively for the purposes of performing the duties prescribed 71438  
under that section. The board may waive or reduce the amount of 71439  
the fee charged against an enterprise, but such waiver or 71440  
reduction does not affect the obligations of the board or the tax 71441  
incentive review council to comply with section 5709.68 or 5709.85 71442  
of the Revised Code, respectively. 71443

(G) With the approval of the legislative authority of a 71444  
municipal corporation or the board of township trustees of a 71445  
township in which a zone is designated under division (A) of this 71446

section, the board of county commissioners may delegate to that 71447  
legislative authority or board any powers and duties of the board 71448  
of county commissioners to negotiate and administer agreements 71449  
with regard to that zone under this section. 71450

(H) When an agreement is entered into pursuant to this 71451  
section, the board of county commissioners authorizing the 71452  
agreement or the legislative authority or board of township 71453  
trustees that negotiates and administers the agreement shall 71454  
forward a copy of the agreement to the director of development and 71455  
to the tax commissioner within fifteen days after the agreement is 71456  
entered into. If any agreement includes terms not provided for in 71457  
section 5709.631 of the Revised Code affecting the revenue of a 71458  
city, local, or exempted village school district or causing 71459  
revenue to be foregone by the district, including any compensation 71460  
to be paid to the school district pursuant to section 5709.82 of 71461  
the Revised Code, those terms also shall be forwarded in writing 71462  
to the director of development along with the copy of the 71463  
agreement forwarded under this division. 71464

(I) After an agreement is entered into, the enterprise shall 71465  
file with each personal property tax return required to be filed, 71466  
or annual report that is required to be filed under section 71467  
5727.08 of the Revised Code, while the agreement is in effect, an 71468  
informational return, on a form prescribed by the tax commissioner 71469  
for that purpose, setting forth separately the property, and 71470  
related costs and values, exempted from taxation under the 71471  
agreement. 71472

(J) Enterprises may agree to give preference to residents of 71473  
the zone within which the agreement applies relative to residents 71474  
of this state who do not reside in the zone when hiring new 71475  
employees under the agreement. 71476

(K) An agreement entered into under this section may include 71477  
a provision requiring the enterprise to create one or more 71478

temporary internship positions for students enrolled in a course 71479  
of study at a school or other educational institution in the 71480  
vicinity, and to create a scholarship or provide another form of 71481  
educational financial assistance for students holding such a 71482  
position in exchange for the student's commitment to work for the 71483  
enterprise at the completion of the internship. 71484

(L) The tax commissioner's authority in determining the 71485  
accuracy of any exemption granted by an agreement entered into 71486  
under this section is limited to divisions (B)(1)(b)(i) and (ii), 71487  
(B)(2), (C), and (I) of this section, division (B)(1)(b)(iv) of 71488  
this section as it pertains to divisions (C)(2)(a), (b), and (c) 71489  
of section 5709.62 of the Revised Code, and divisions (B)(1) to 71490  
(10) of section 5709.631 of the Revised Code and, as authorized by 71491  
law, to enforcing any modification to, or revocation of, that 71492  
agreement by the board of county commissioners or the director of 71493  
development or, if the board's powers and duties are delegated 71494  
under division (G) of this section, by the legislative authority 71495  
of a municipal corporation or board of township trustees. 71496

**Sec. 5709.632.** (A)(1) The legislative authority of a 71497  
municipal corporation defined by the United States office of 71498  
management and budget as a principal city of a metropolitan 71499  
statistical area may, in the manner set forth in section 5709.62 71500  
of the Revised Code, designate one or more areas in the municipal 71501  
corporation as a proposed enterprise zone. 71502

(2) With the consent of the legislative authority of each 71503  
affected municipal corporation or of a board of township trustees, 71504  
a board of county commissioners may, in the manner set forth in 71505  
section 5709.62 of the Revised Code, designate one or more areas 71506  
in one or more municipal corporations or in unincorporated areas 71507  
of the county as proposed urban jobs and enterprise zones, except 71508  
that a board of county commissioners may designate no more than 71509

one area within a township, or within adjacent townships, as a 71510  
proposed urban jobs and enterprise zone. 71511

(3) The legislative authority or board of county 71512  
commissioners may petition the director of development for 71513  
certification of the area as having the characteristics set forth 71514  
in division (A)(3) of section 5709.61 of the Revised Code. Within 71515  
sixty days after receiving such a petition, the director shall 71516  
determine whether the area has the characteristics set forth in 71517  
that division and forward the findings to the legislative 71518  
authority or board of county commissioners. If the director 71519  
certifies the area as having those characteristics and thereby 71520  
certifies it as a zone, the legislative authority or board may 71521  
enter into agreements with enterprises under division (B) of this 71522  
section. Any enterprise wishing to enter into an agreement with a 71523  
legislative authority or board of county commissioners under this 71524  
section and satisfying one of the criteria described in divisions 71525  
(B)(1) to (5) of this section shall submit a proposal to the 71526  
legislative authority or board on the form prescribed under 71527  
division (B) of section 5709.62 of the Revised Code and shall 71528  
review and update the estimates and listings required by the form 71529  
in the manner required under that division. The legislative 71530  
authority or board may, on a separate form and at any time, 71531  
require any additional information necessary to determine whether 71532  
an enterprise is in compliance with an agreement and to collect 71533  
the information required to be reported under section 5709.68 of 71534  
the Revised Code. 71535

(B) Prior to entering into an agreement with an enterprise, 71536  
the legislative authority or board of county commissioners shall 71537  
determine whether the enterprise submitting the proposal is 71538  
qualified by financial responsibility and business experience to 71539  
create and preserve employment opportunities in the zone and to 71540  
improve the economic climate of the municipal corporation or 71541

municipal corporations or the unincorporated areas in which the 71542  
zone is located and to which the proposal applies, and whether the 71543  
enterprise satisfies one of the following criteria: 71544

(1) The enterprise currently has no operations in this state 71545  
and, subject to approval of the agreement, intends to establish 71546  
operations in the zone; 71547

(2) The enterprise currently has operations in this state 71548  
and, subject to approval of the agreement, intends to establish 71549  
operations at a new location in the zone that would not result in 71550  
a reduction in the number of employee positions at any of the 71551  
enterprise's other locations in this state; 71552

(3) The enterprise, subject to approval of the agreement, 71553  
intends to relocate operations, currently located in another 71554  
state, to the zone; 71555

(4) The enterprise, subject to approval of the agreement, 71556  
intends to expand operations at an existing site in the zone that 71557  
the enterprise currently operates; 71558

(5) The enterprise, subject to approval of the agreement, 71559  
intends to relocate operations, currently located in this state, 71560  
to the zone, and the director of development has issued a waiver 71561  
for the enterprise under division (B) of section 5709.633 of the 71562  
Revised Code. 71563

(C) If the legislative authority or board determines that the 71564  
enterprise is so qualified and satisfies one of the criteria 71565  
described in divisions (B)(1) to (5) of this section, the 71566  
legislative authority or board may, after complying with section 71567  
5709.83 of the Revised Code and on or before October 15, ~~2012~~ 71568  
2013, and, in the case of a board of commissioners, with the 71569  
consent of the legislative authority of each affected municipal 71570  
corporation or of the board of township trustees, enter into an 71571  
agreement with the enterprise under which the enterprise agrees to 71572

establish, expand, renovate, or occupy a facility in the zone and 71573  
hire new employees, or preserve employment opportunities for 71574  
existing employees, in return for the following incentives: 71575

(1) When the facility is located in a municipal corporation, 71576  
a legislative authority or board of commissioners may enter into 71577  
an agreement for one or more of the incentives provided in 71578  
division (C) of section 5709.62 of the Revised Code, subject to 71579  
division (D) of that section; 71580

(2) When the facility is located in an unincorporated area, a 71581  
board of commissioners may enter into an agreement for one or more 71582  
of the incentives provided in divisions (B)(1)(b), (B)(2), and 71583  
(B)(3) of section 5709.63 of the Revised Code, subject to division 71584  
(C) of that section. 71585

(D) All agreements entered into under this section shall be 71586  
in the form prescribed under section 5709.631 of the Revised Code. 71587  
After an agreement under this section is entered into, if the 71588  
legislative authority or board of county commissioners revokes its 71589  
designation of the zone, or if the director of development revokes 71590  
the zone's certification, any entitlements granted under the 71591  
agreement shall continue for the number of years specified in the 71592  
agreement. 71593

(E) Except as otherwise provided in this division, an 71594  
agreement entered into under this section shall require that the 71595  
enterprise pay an annual fee equal to the greater of one per cent 71596  
of the dollar value of incentives offered under the agreement or 71597  
five hundred dollars; provided, however, that if the value of the 71598  
incentives exceeds two hundred fifty thousand dollars, the fee 71599  
shall not exceed two thousand five hundred dollars. The fee shall 71600  
be payable to the legislative authority or board of commissioners 71601  
once per year for each year the agreement is effective on the days 71602  
and in the form specified in the agreement. Fees paid shall be 71603  
deposited in a special fund created for such purpose by the 71604

legislative authority or board and shall be used by the 71605  
legislative authority or board exclusively for the purpose of 71606  
complying with section 5709.68 of the Revised Code and by the tax 71607  
incentive review council created under section 5709.85 of the 71608  
Revised Code exclusively for the purposes of performing the duties 71609  
prescribed under that section. The legislative authority or board 71610  
may waive or reduce the amount of the fee charged against an 71611  
enterprise, but such waiver or reduction does not affect the 71612  
obligations of the legislative authority or board or the tax 71613  
incentive review council to comply with section 5709.68 or 5709.85 71614  
of the Revised Code, respectively. 71615

(F) With the approval of the legislative authority of a 71616  
municipal corporation or the board of township trustees of a 71617  
township in which a zone is designated under division (A)(2) of 71618  
this section, the board of county commissioners may delegate to 71619  
that legislative authority or board any powers and duties of the 71620  
board to negotiate and administer agreements with regard to that 71621  
zone under this section. 71622

(G) When an agreement is entered into pursuant to this 71623  
section, the legislative authority or board of commissioners 71624  
authorizing the agreement shall forward a copy of the agreement to 71625  
the director of development and to the tax commissioner within 71626  
fifteen days after the agreement is entered into. If any agreement 71627  
includes terms not provided for in section 5709.631 of the Revised 71628  
Code affecting the revenue of a city, local, or exempted village 71629  
school district or causing revenue to be forgone by the district, 71630  
including any compensation to be paid to the school district 71631  
pursuant to section 5709.82 of the Revised Code, those terms also 71632  
shall be forwarded in writing to the director of development along 71633  
with the copy of the agreement forwarded under this division. 71634

(H) After an agreement is entered into, the enterprise shall 71635  
file with each personal property tax return required to be filed 71636

while the agreement is in effect, an informational return, on a 71637  
form prescribed by the tax commissioner for that purpose, setting 71638  
forth separately the property, and related costs and values, 71639  
exempted from taxation under the agreement. 71640

(I) An agreement entered into under this section may include 71641  
a provision requiring the enterprise to create one or more 71642  
temporary internship positions for students enrolled in a course 71643  
of study at a school or other educational institution in the 71644  
vicinity, and to create a scholarship or provide another form of 71645  
educational financial assistance for students holding such a 71646  
position in exchange for the student's commitment to work for the 71647  
enterprise at the completion of the internship. 71648

**Sec. 5709.73.** (A) As used in this section and section 5709.74 71649  
of the Revised Code: 71650

(1) "Business day" means a day of the week excluding 71651  
Saturday, Sunday, and a legal holiday as defined in section 1.14 71652  
of the Revised Code. 71653

(2) "Further improvements" or "improvements" means the 71654  
increase in the assessed value of real property that would first 71655  
appear on the tax list and duplicate of real and public utility 71656  
property after the effective date of a resolution adopted under 71657  
this section were it not for the exemption granted by that 71658  
resolution. For purposes of division (B) of this section, 71659  
"improvements" do not include any property used or to be used for 71660  
residential purposes. 71661

(3) "Housing renovation" means a project carried out for 71662  
residential purposes. 71663

(4) "Incentive district" has the same meaning as in section 71664  
5709.40 of the Revised Code, except that a blighted area is in the 71665  
unincorporated area of a township. 71666

(5) "Project" and "public infrastructure improvement" have 71667  
the same meanings as in section 5709.40 of the Revised Code. 71668

(B) A board of township trustees may, by unanimous vote, 71669  
adopt a resolution that declares to be a public purpose any public 71670  
infrastructure improvements made that are necessary for the 71671  
development of certain parcels of land located in the 71672  
unincorporated area of the township. Except with the approval 71673  
under division (D) of this section of the board of education of 71674  
each city, local, or exempted village school district within which 71675  
the improvements are located, the resolution may exempt from real 71676  
property taxation not more than seventy-five per cent of further 71677  
improvements to a parcel of land that directly benefits from the 71678  
public infrastructure improvements, for a period of not more than 71679  
ten years. The resolution shall specify the percentage of the 71680  
further improvements to be exempted and the life of the exemption. 71681

(C)(1) A board of township trustees may adopt, by unanimous 71682  
vote, a resolution creating an incentive district and declaring 71683  
improvements to parcels within the district to be a public purpose 71684  
and, except as provided in division (F) of this section, exempt 71685  
from taxation as provided in this section, but no board of 71686  
township trustees of a township that has a population that exceeds 71687  
twenty-five thousand, as shown by the most recent federal 71688  
decennial census, shall adopt a resolution that creates an 71689  
incentive district if the sum of the taxable value of real 71690  
property in the proposed district for the preceding tax year and 71691  
the taxable value of all real property in the township that would 71692  
have been taxable in the preceding year were it not for the fact 71693  
that the property was in an existing incentive district and 71694  
therefore exempt from taxation exceeds twenty-five per cent of the 71695  
taxable value of real property in the township for the preceding 71696  
tax year. The district shall be located within the unincorporated 71697  
area of the township and shall not include any territory that is 71698

included within a district created under division (B) of section 71699  
5709.78 of the Revised Code. The resolution shall delineate the 71700  
boundary of the district and specifically identify each parcel 71701  
within the district. A district may not include any parcel that is 71702  
or has been exempted from taxation under division (B) of this 71703  
section or that is or has been within another district created 71704  
under this division. A resolution may create more than one 71705  
district, and more than one resolution may be adopted under 71706  
division (C)(1) of this section. 71707

(2) Not later than thirty days prior to adopting a resolution 71708  
under division (C)(1) of this section, if the township intends to 71709  
apply for exemptions from taxation under section 5709.911 of the 71710  
Revised Code on behalf of owners of real property located within 71711  
the proposed incentive district, the board shall conduct a public 71712  
hearing on the proposed resolution. Not later than thirty days 71713  
prior to the public hearing, the board shall give notice of the 71714  
public hearing and the proposed resolution by first class mail to 71715  
every real property owner whose property is located within the 71716  
boundaries of the proposed incentive district that is the subject 71717  
of the proposed resolution. 71718

(3)(a) A resolution adopted under division (C)(1) of this 71719  
section shall specify the life of the incentive district and the 71720  
percentage of the improvements to be exempted, shall designate the 71721  
public infrastructure improvements made, to be made, or in the 71722  
process of being made, that benefit or serve, or, once made, will 71723  
benefit or serve parcels in the district. The resolution also 71724  
shall identify one or more specific projects being, or to be, 71725  
undertaken in the district that place additional demand on the 71726  
public infrastructure improvements designated in the resolution. 71727  
The project identified may, but need not be, the project under 71728  
division (C)(3)(b) of this section that places real property in 71729  
use for commercial or industrial purposes. 71730

A resolution adopted under division (C)(1) of this section on 71731  
or after March 30, 2006, shall not designate police or fire 71732  
equipment as public infrastructure improvements, and no service 71733  
payment provided for in section 5709.74 of the Revised Code and 71734  
received by the township under the resolution shall be used for 71735  
police or fire equipment. 71736

(b) A resolution adopted under division (C)(1) of this 71737  
section may authorize the use of service payments provided for in 71738  
section 5709.74 of the Revised Code for the purpose of housing 71739  
renovations within the incentive district, provided that the 71740  
resolution also designates public infrastructure improvements that 71741  
benefit or serve the district, and that a project within the 71742  
district places real property in use for commercial or industrial 71743  
purposes. Service payments may be used to finance or support 71744  
loans, deferred loans, and grants to persons for the purpose of 71745  
housing renovations within the district. The resolution shall 71746  
designate the parcels within the district that are eligible for 71747  
housing renovations. The resolution shall state separately the 71748  
amount or the percentages of the expected aggregate service 71749  
payments that are designated for each public infrastructure 71750  
improvement and for the purpose of housing renovations. 71751

(4) Except with the approval of the board of education of 71752  
each city, local, or exempted village school district within the 71753  
territory of which the incentive district is or will be located, 71754  
and subject to division (E) of this section, the life of an 71755  
incentive district shall not exceed ten years, and the percentage 71756  
of improvements to be exempted shall not exceed seventy-five per 71757  
cent. With approval of the board of education, the life of a 71758  
district may be not more than thirty years, and the percentage of 71759  
improvements to be exempted may be not more than one hundred per 71760  
cent. The approval of a board of education shall be obtained in 71761  
the manner provided in division (D) of this section. 71762

(D) Improvements with respect to a parcel may be exempted 71763  
from taxation under division (B) of this section, and improvements 71764  
to parcels within an incentive district may be exempted from 71765  
taxation under division (C) of this section, for up to ten years 71766  
or, with the approval of the board of education of the city, 71767  
local, or exempted village school district within which the parcel 71768  
or district is located, for up to thirty years. The percentage of 71769  
the improvements exempted from taxation may, with such approval, 71770  
exceed seventy-five per cent, but shall not exceed one hundred per 71771  
cent. Not later than forty-five business days prior to adopting a 71772  
resolution under this section declaring improvements to be a 71773  
public purpose that is subject to approval by a board of education 71774  
under this division, the board of township trustees shall deliver 71775  
to the board of education a notice stating its intent to adopt a 71776  
resolution making that declaration. The notice regarding 71777  
improvements with respect to a parcel under division (B) of this 71778  
section shall identify the parcels for which improvements are to 71779  
be exempted from taxation, provide an estimate of the true value 71780  
in money of the improvements, specify the period for which the 71781  
improvements would be exempted from taxation and the percentage of 71782  
the improvements that would be exempted, and indicate the date on 71783  
which the board of township trustees intends to adopt the 71784  
resolution. The notice regarding improvements made under division 71785  
(C) of this section to parcels within an incentive district shall 71786  
delineate the boundaries of the district, specifically identify 71787  
each parcel within the district, identify each anticipated 71788  
improvement in the district, provide an estimate of the true value 71789  
in money of each such improvement, specify the life of the 71790  
district and the percentage of improvements that would be 71791  
exempted, and indicate the date on which the board of township 71792  
trustees intends to adopt the resolution. The board of education, 71793  
by resolution adopted by a majority of the board, may approve the 71794  
exemption for the period or for the exemption percentage specified 71795

in the notice; may disapprove the exemption for the number of 71796  
years in excess of ten, may disapprove the exemption for the 71797  
percentage of the improvements to be exempted in excess of 71798  
seventy-five per cent, or both; or may approve the exemption on 71799  
the condition that the board of township trustees and the board of 71800  
education negotiate an agreement providing for compensation to the 71801  
school district equal in value to a percentage of the amount of 71802  
taxes exempted in the eleventh and subsequent years of the 71803  
exemption period or, in the case of exemption percentages in 71804  
excess of seventy-five per cent, compensation equal in value to a 71805  
percentage of the taxes that would be payable on the portion of 71806  
the improvements in excess of seventy-five per cent were that 71807  
portion to be subject to taxation, or other mutually agreeable 71808  
compensation. 71809

The board of education shall certify its resolution to the 71810  
board of township trustees not later than fourteen days prior to 71811  
the date the board of township trustees intends to adopt the 71812  
resolution as indicated in the notice. If the board of education 71813  
and the board of township trustees negotiate a mutually acceptable 71814  
compensation agreement, the resolution may declare the 71815  
improvements a public purpose for the number of years specified in 71816  
the resolution or, in the case of exemption percentages in excess 71817  
of seventy-five per cent, for the exemption percentage specified 71818  
in the resolution. In either case, if the board of education and 71819  
the board of township trustees fail to negotiate a mutually 71820  
acceptable compensation agreement, the resolution may declare the 71821  
improvements a public purpose for not more than ten years, and 71822  
shall not exempt more than seventy-five per cent of the 71823  
improvements from taxation. If the board of education fails to 71824  
certify a resolution to the board of township trustees within the 71825  
time prescribed by this section, the board of township trustees 71826  
thereupon may adopt the resolution and may declare the 71827  
improvements a public purpose for up to thirty years or, in the 71828

case of exemption percentages proposed in excess of seventy-five 71829  
per cent, for the exemption percentage specified in the 71830  
resolution. The board of township trustees may adopt the 71831  
resolution at any time after the board of education certifies its 71832  
resolution approving the exemption to the board of township 71833  
trustees, or, if the board of education approves the exemption on 71834  
the condition that a mutually acceptable compensation agreement be 71835  
negotiated, at any time after the compensation agreement is agreed 71836  
to by the board of education and the board of township trustees. 71837  
If a mutually acceptable compensation agreement is negotiated 71838  
between the board of township trustees and the board of education, 71839  
including agreements for payments in lieu of taxes under section 71840  
5709.74 of the Revised Code, the board of township trustees shall 71841  
compensate the joint vocational school district within which the 71842  
parcel or district is located at the same rate and under the same 71843  
terms received by the city, local, or exempted village school 71844  
district. 71845

If a board of education has adopted a resolution waiving its 71846  
right to approve exemptions from taxation under this section and 71847  
the resolution remains in effect, approval of such exemptions by 71848  
the board of education is not required under division (D) of this 71849  
section. If a board of education has adopted a resolution allowing 71850  
a board of township trustees to deliver the notice required under 71851  
division (D) of this section fewer than forty-five business days 71852  
prior to adoption of the resolution by the board of township 71853  
trustees, the board of township trustees shall deliver the notice 71854  
to the board of education not later than the number of days prior 71855  
to the adoption as prescribed by the board of education in its 71856  
resolution. If a board of education adopts a resolution waiving 71857  
its right to approve exemptions or shortening the notification 71858  
period, the board of education shall certify a copy of the 71859  
resolution to the board of township trustees. If the board of 71860  
education rescinds the resolution, it shall certify notice of the 71861

rescission to the board of township trustees. 71862

If the board of township trustees is not required by division 71863  
(D) of this section to notify the board of education of the board 71864  
of township trustees' intent to declare improvements to be a 71865  
public purpose, the board of township trustees shall comply with 71866  
the notice requirements imposed under section 5709.83 of the 71867  
Revised Code before taking formal action to adopt the resolution 71868  
making that declaration, unless the board of education has adopted 71869  
a resolution under that section waiving its right to receive the 71870  
notice. 71871

(E)(1) If a proposed resolution under division (C)(1) of this 71872  
section exempts improvements with respect to a parcel within an 71873  
incentive district for more than ten years, or the percentage of 71874  
the improvement exempted from taxation exceeds seventy-five per 71875  
cent, not later than forty-five business days prior to adopting 71876  
the resolution the board of township trustees shall deliver to the 71877  
board of county commissioners of the county within which the 71878  
incentive district is or will be located a notice that states its 71879  
intent to adopt a resolution creating an incentive district. The 71880  
notice shall include a copy of the proposed resolution, identify 71881  
the parcels for which improvements are to be exempted from 71882  
taxation, provide an estimate of the true value in money of the 71883  
improvements, specify the period of time for which the 71884  
improvements would be exempted from taxation, specify the 71885  
percentage of the improvements that would be exempted from 71886  
taxation, and indicate the date on which the board of township 71887  
trustees intends to adopt the resolution. 71888

(2) The board of county commissioners, by resolution adopted 71889  
by a majority of the board, may object to the exemption for the 71890  
number of years in excess of ten, may object to the exemption for 71891  
the percentage of the improvement to be exempted in excess of 71892  
seventy-five per cent, or both. If the board of county 71893

commissioners objects, the board may negotiate a mutually 71894  
acceptable compensation agreement with the board of township 71895  
trustees. In no case shall the compensation provided to the board 71896  
of county commissioners exceed the property taxes foregone due to 71897  
the exemption. If the board of county commissioners objects, and 71898  
the board of county commissioners and board of township trustees 71899  
fail to negotiate a mutually acceptable compensation agreement, 71900  
the resolution adopted under division (C)(1) of this section shall 71901  
provide to the board of county commissioners compensation in the 71902  
eleventh and subsequent years of the exemption period equal in 71903  
value to not more than fifty per cent of the taxes that would be 71904  
payable to the county or, if the board of county commissioner's 71905  
objection includes an objection to an exemption percentage in 71906  
excess of seventy-five per cent, compensation equal in value to 71907  
not more than fifty per cent of the taxes that would be payable to 71908  
the county, on the portion of the improvement in excess of 71909  
seventy-five per cent, were that portion to be subject to 71910  
taxation. The board of county commissioners shall certify its 71911  
resolution to the board of township trustees not later than thirty 71912  
days after receipt of the notice. 71913

(3) If the board of county commissioners does not object or 71914  
fails to certify its resolution objecting to an exemption within 71915  
thirty days after receipt of the notice, the board of township 71916  
trustees may adopt its resolution, and no compensation shall be 71917  
provided to the board of county commissioners. If the board of 71918  
county commissioners timely certifies its resolution objecting to 71919  
the trustees' resolution, the board of township trustees may adopt 71920  
its resolution at any time after a mutually acceptable 71921  
compensation agreement is agreed to by the board of county 71922  
commissioners and the board of township trustees, or, if no 71923  
compensation agreement is negotiated, at any time after the board 71924  
of township trustees agrees in the proposed resolution to provide 71925  
compensation to the board of county commissioners of fifty per 71926

cent of the taxes that would be payable to the county in the 71927  
eleventh and subsequent years of the exemption period or on the 71928  
portion of the improvement in excess of seventy-five per cent, 71929  
were that portion to be subject to taxation. 71930

(F) Service payments in lieu of taxes that are attributable 71931  
to any amount by which the effective tax rate of either a renewal 71932  
levy with an increase or a replacement levy exceeds the effective 71933  
tax rate of the levy renewed or replaced, or that are attributable 71934  
to an additional levy, for a levy authorized by the voters for any 71935  
of the following purposes on or after January 1, 2006, and which 71936  
are provided pursuant to a resolution creating an incentive 71937

taxing authority as required under division (C) of section 5709.74 71940  
of the Revised Code in an amount equal to the amount of taxes from 71941  
that additional levy or from the increase in the effective tax 71942  
rate of such renewal or replacement levy that would have been 71943  
payable to that taxing authority from the following levies were it 71944  
not for the exemption authorized under division (C) of this 71945  
section: 71946

| (G) An exemption from taxation granted under this section commences with the tax year specified in the resolution so long as the year specified in the resolution commences after the effective date of the resolution. If the resolution specifies a year commencing before the effective date of the resolution or | 71983<br>71984<br>71985<br>71986<br>71987 |

specifies no year whatsoever, the exemption commences with the tax 71988  
year in which an exempted improvement first appears on the tax 71989  
list and duplicate of real and public utility property and that 71990  
commences after the effective date of the resolution. Except as 71991  
otherwise provided in this division, the exemption ends on the 71992  
date specified in the resolution as the date the improvement 71993  
ceases to be a public purpose or the incentive district expires, 71994  
or ends on the date on which the public infrastructure 71995  
improvements and housing renovations are paid in full from the 71996  
township public improvement tax increment equivalent fund 71997  
established under section 5709.75 of the Revised Code, whichever 71998  
occurs first. The exemption of an improvement with respect to a 71999  
parcel or within an incentive district may end on a later date, as 72000  
specified in the resolution, if the board of township trustees and 72001  
the board of education of the city, local, or exempted village 72002  
school district within which the parcel or district is located 72003  
have entered into a compensation agreement under section 5709.82 72004  
of the Revised Code with respect to the improvement and the board 72005  
of education has approved the term of the exemption under division 72006  
(D) of this section, but in no case shall the improvement be 72007  
exempted from taxation for more than thirty years. The board of 72008  
township trustees may, by majority vote, adopt a resolution 72009  
permitting the township to enter into such agreements as the board 72010  
finds necessary or appropriate to provide for the construction or 72011  
undertaking of public infrastructure improvements and housing 72012  
renovations. Any exemption shall be claimed and allowed in the 72013  
same or a similar manner as in the case of other real property 72014  
exemptions. If an exemption status changes during a tax year, the 72015  
procedure for the apportionment of the taxes for that year is the 72016  
same as in the case of other changes in tax exemption status 72017  
during the year. 72018

(H) The board of township trustees may issue the notes of the 72019  
township to finance all costs pertaining to the construction or 72020

undertaking of public infrastructure improvements and housing 72021  
renovations made pursuant to this section. The notes shall be 72022  
signed by the board and attested by the signature of the township 72023  
fiscal officer, shall bear interest not to exceed the rate 72024  
provided in section 9.95 of the Revised Code, and are not subject 72025  
to Chapter 133. of the Revised Code. The resolution authorizing 72026  
the issuance of the notes shall pledge the funds of the township 72027  
public improvement tax increment equivalent fund established 72028  
pursuant to section 5709.75 of the Revised Code to pay the 72029  
interest on and principal of the notes. The notes, which may 72030  
contain a clause permitting prepayment at the option of the board, 72031  
shall be offered for sale on the open market or given to the 72032  
vendor or contractor if no sale is made. 72033

(I) The township, not later than fifteen days after the 72034  
adoption of a resolution under this section, shall submit to the 72035  
director of development a copy of the resolution. On or before the 72036  
thirty-first day of March of each year, the township shall submit 72037  
a status report to the director of development. The report shall 72038  
indicate, in the manner prescribed by the director, the progress 72039  
of the project during each year that the exemption remains in 72040  
effect, including a summary of the receipts from service payments 72041  
in lieu of taxes; expenditures of money from the fund created 72042  
under section 5709.75 of the Revised Code; a description of the 72043  
public infrastructure improvements and housing renovations 72044  
financed with the expenditures; and a quantitative summary of 72045  
changes in private investment resulting from each project. 72046

(J) Nothing in this section shall be construed to prohibit a 72047  
board of township trustees from declaring to be a public purpose 72048  
improvements with respect to more than one parcel. 72049

(K) A board of township trustees that adopted a resolution 72050  
under this section prior to July 21, 1994, may amend that 72051  
resolution to include any additional public infrastructure 72052

improvement. A board of township trustees that seeks by the 72053  
amendment to utilize money from its township public improvement 72054  
tax increment equivalent fund for land acquisition in aid of 72055  
industry, commerce, distribution, or research, demolition on 72056  
private property, or stormwater and flood remediation projects may 72057  
do so provided that the board currently is a party to a 72058  
hold-harmless agreement with the board of education of the city, 72059  
local, or exempted village school district within the territory of 72060  
which are located the parcels that are subject to an exemption. 72061  
For the purposes of this division, a "hold-harmless agreement" 72062  
means an agreement under which the board of township trustees 72063  
agrees to compensate the school district for one hundred per cent 72064  
of the tax revenue that the school district would have received 72065  
from further improvements to parcels designated in the resolution 72066  
were it not for the exemption granted by the resolution. 72067

(L) With respect to improvements resulting from projects, for 72068  
which construction commences on or after April 1, 2012, and on or 72069  
before December 31, 2013, and for which an exemption has been or 72070  
will be sought pursuant to a resolution adopted under this section 72071  
before December 14, 2001, "property used or to be used for 72072  
residential purposes," as used in division (A)(2) of this section, 72073  
means only that property that, as improved, the tax commissioner 72074  
would classify as residential land and improvements pursuant to 72075  
rules adopted by the tax commissioner under section 5713.041 of 72076  
the Revised Code. 72077

**Sec. 5709.75.** (A) Any township that receives service payments 72078  
in lieu of taxes under section 5709.74 of the Revised Code shall 72079  
establish a township public improvement tax increment equivalent 72080  
fund into which those payments shall be deposited. If the board of 72081  
township trustees has adopted a resolution under division (C) of 72082  
section 5709.73 of the Revised Code, the township shall establish 72083  
at least one account in that fund with respect to resolutions 72084

adopted under division (B) of that section, and one account with 72085  
respect to each incentive district created by a resolution adopted 72086  
under division (C) of that section. If a resolution adopted under 72087  
division (C) of section 5709.73 of the Revised Code also 72088  
authorizes the use of service payments for housing renovations 72089  
within the incentive district, the township shall establish 72090  
separate accounts for the service payments designated for public 72091  
infrastructure improvements and for the service payments 72092  
authorized for the purpose of housing renovations. 72093

(B) Except as otherwise provided in division (C) or (D) of 72094  
this section, money deposited in an account of the township public 72095  
improvement tax increment equivalent fund shall be used by the 72096  
township to pay the costs of public infrastructure improvements 72097  
designated in or the housing renovations authorized by the 72098  
resolution with respect to which the account is established, 72099  
including any interest on and principal of the notes; in the case 72100  
of an account established with respect to a resolution adopted 72101  
under division (C) of that section, money in the account shall be 72102  
used to finance the public infrastructure improvements designated, 72103  
or the housing renovations authorized, for each incentive district 72104  
created in the resolution. Money in an account shall not be used 72105  
to finance or support housing renovations that take place after 72106  
the incentive district has expired. 72107

(C)(1)(a) A township may distribute money in such an account 72108  
to any school district in which the exempt property is located in 72109  
an amount not to exceed the amount of real property taxes that 72110  
such school district would have received from the improvement if 72111  
it were not exempt from taxation. The resolution establishing the 72112  
fund shall set forth the percentage of such maximum amount that 72113  
will be distributed to any affected school district. 72114

(b) A township also may distribute money in such an account 72115  
as follows: 72116

(i) To a board of county commissioners, in the amount that is owed to the board pursuant to division (E) of section 5709.73 of the Revised Code;

(ii) To a county in accordance with section 5709.913 of the Revised Code.

(2) Money from an account in a township public improvement tax increment equivalent fund may be distributed under division (C)(1)(b) of this section, regardless of the date a resolution was adopted under section 5709.73 of the Revised Code that prompted the establishment of the account, even if the resolution was adopted prior to March 30, 2006.

(D) A board of township trustees that adopted a resolution under division (B) of section 5709.73 of the Revised Code before January 1, 1995, and that, with respect to property exempted under such a resolution, is party to a hold-harmless agreement, may appropriate and expend unencumbered money in the fund to pay current public safety expenses of the township. A township appropriating and expending money under this division shall reimburse the fund for the sum so appropriated and expended not later than the day the exemption granted under the resolution expires. For the purposes of this division, a "hold-harmless agreement" is an agreement with the board of education of a city, local, or exempted village school district under which the board of township trustees agrees to compensate the school district for one hundred per cent of the tax revenue the school district would have received from improvements to parcels designated in the resolution were it not for the exemption granted by the resolution.

(E)(1) A township may use surplus money in the township public improvement tax increment equivalent fund, or an account of that fund, to repay a loan or provide matching funds for a grant awarded to the township under the local government innovation

program created in section 189.02 of the Revised Code. 72149

(2) Any incidental surplus remaining in the township public 72150  
improvement tax increment equivalent fund or an account of that 72151  
fund upon dissolution of the account or fund shall be used as 72152  
provided in division (E)(1) of this section or transferred to the 72153  
general fund of the township. 72154

**Sec. 5709.80.** (A) The board of county commissioners of a 72155  
county that receives service payments in lieu of taxes under 72156  
section 5709.79 of the Revised Code shall establish a 72157  
redevelopment tax equivalent fund into which those payments shall 72158  
be deposited. Separate accounts shall be established in the fund 72159  
for each resolution adopted by the board of county commissioners 72160  
under section 5709.78 of the Revised Code. If the board of county 72161  
commissioners has adopted a resolution under division (B) of that 72162  
section, the county shall establish an account for each incentive 72163  
district created in that resolution. If a resolution adopted under 72164  
division (B) of section 5709.78 of the Revised Code also 72165  
authorizes the use of service payments for housing renovations 72166  
within the incentive district, the county shall establish separate 72167  
accounts for the service payments designated for public 72168  
infrastructure improvements and for the service payments 72169  
authorized for the purpose of housing renovations. 72170

(B) Moneys deposited into each account of the fund shall be 72171  
used by the county to pay the cost of constructing or repairing 72172  
the public infrastructure improvements designated in, or the 72173  
housing renovations authorized by, the resolution, or for each 72174  
incentive district for which the account is established, to pay 72175  
the interest on and principal of bonds or notes issued under 72176  
division (B) of section 307.082 or division (A) of section 5709.81 72177  
of the Revised Code, or for the purposes pledged under division 72178  
(B) of section 5709.81 of the Revised Code. Money in an account 72179

shall not be used to finance or support housing renovations that 72180  
take place after the incentive district has expired. 72181

(C)(1)(a) The board of county commissioners may distribute 72182  
money in an account to any school district in which the exempt 72183  
property is located in an amount not to exceed the amount of real 72184  
property taxes that such school district would have received from 72185  
the improvement if it were not exempt from taxation. The 72186  
resolution under which an account is established shall set forth 72187  
the percentage of such maximum amount that will be distributed to 72188  
any affected school district. 72189

(b) A board of county commissioners also may distribute money 72190  
in such an account as follows: 72191

(i) To a board of township trustees or legislative authority 72192  
of a municipal corporation, as applicable, in the amount that is 72193  
owed to the board of township trustees or legislative authority 72194  
pursuant to division (D) of section 5709.78 of the Revised Code; 72195

Revised Code. 72197

(2) Money from an account in the redevelopment tax equivalent 72198  
fund may be distributed under division (C)(1)(b) of this section, 72199  
regardless of the date a resolution was adopted under section 72200  
5709.78 of the Revised Code that prompted the establishment of the 72201  
account, even if the resolution was adopted prior to ~~the effective~~ 72202

surplus money in an account of the redevelopment tax equivalent 72206  
fund to repay a loan or provide matching funds for a grant awarded 72207  
to the county under the local government innovation program 72208  
created in section 189.02 of the Revised Code. 72209

(2) An incidental surplus remaining in an account upon its 72210

dissolution shall be used as provided in division (D)(1) of this 72211  
section or transferred to the general fund of the county. 72212

taxpayer and the same tax year, the treasurer of state or tax 72685  
commissioner, as appropriate, shall add interest to the deficiency 72686

of the month following the last day on which the previous 72690  
assessment was required to be paid, to the last day of the month 72691

(ii) The cost of materials used, labor or service costs, 73107  
interest, losses, all costs of transportation to the vendor, all 73108

on the sale; the vendor has an obligation to pass the price 73125  
reduction or discount through to the consumer; the amount of the 73126  
consideration attributable to the sale is fixed and determinable 73127

organization. 73140

(iii) The price reduction or discount is identified as a 73141

the tax imposed under Chapter 5751. of the Revised Code is not a 73156  
tax directly on the consumer, even if the tax or a portion thereof 73157  
is separately stated. 73158

(iv) Notwithstanding divisions (H)(1)(b)(i) to (iii) of this 73159

consumer in purchasing tangible personal property or services if 73165  
the vendor is not reimbursed and does not receive compensation 73166  
from a third party to cover all or part of the gift card value. 73167  
For the purposes of this division, a gift card is not sold by a 73168  
vendor or purchased by a consumer if it is distributed pursuant to 73169  
an awards, loyalty, or promotional program. Past and present 73170

afforded the consumer by the dealer for the motor vehicle received 73179  
in trade. 73180

watercraft and trailer, or outboard motor is accepted by the 73184  
dealer as part of the consideration received, "price" has the same 73185  
meaning as in division (H)(1) of this section, reduced by the 73186

**Sec. 5739.02.** For the purpose of providing revenue with which 73881  
to meet the needs of the state, for the use of the general revenue 73882  
fund of the state, for the purpose of securing a thorough and 73883  
efficient system of common schools throughout the state, for the 73884  
purpose of affording revenues, in addition to those from general 73885  
property taxes, permitted under constitutional limitations, and 73886  
from other sources, for the support of local governmental 73887  
functions, and for the purpose of reimbursing the state for the 73888  
expense of administering this chapter, an excise tax is hereby 73889  
levied on each retail sale made in this state. 73890

(A)(1) The tax shall be collected as provided in section 73891  
5739.025 of the Revised Code. The rate of the tax shall be five 73892  
and one-half per cent. The tax applies and is collectible when the 73893  
sale is made, regardless of the time when the price is paid or 73894  
delivered. 73895

(2) In the case of the lease or rental, with a fixed term of 73896  
more than thirty days or an indefinite term with a minimum period 73897  
of more than thirty days, of any motor vehicles designed by the 73898  
manufacturer to carry a load of not more than one ton, watercraft, 73899  
outboard motor, or aircraft, or of any tangible personal property, 73900  
other than motor vehicles designed by the manufacturer to carry a 73901  
load of more than one ton, to be used by the lessee or renter 73902  
primarily for business purposes, the tax shall be collected by the 73903  
vendor at the time the lease or rental is consummated and shall be 73904  
calculated by the vendor on the basis of the total amount to be 73905  
paid by the lessee or renter under the lease agreement. If the 73906  
total amount of the consideration for the lease or rental includes 73907  
amounts that are not calculated at the time the lease or rental is 73908  
executed, the tax shall be calculated and collected by the vendor 73909  
at the time such amounts are billed to the lessee or renter. In 73910  
the case of an open-end lease or rental, the tax shall be 73911  
calculated by the vendor on the basis of the total amount to be 73912  
paid during the initial fixed term of the lease or rental, and for 73913  
each subsequent renewal period as it comes due. As used in this 73914  
division, "motor vehicle" has the same meaning as in section 73915  
4501.01 of the Revised Code, and "watercraft" includes an outdrive 73916  
unit attached to the watercraft. 73917

A lease with a renewal clause and a termination penalty or 73918  
similar provision that applies if the renewal clause is not 73919  
exercised is presumed to be a sham transaction. In such a case, 73920  
the tax shall be calculated and paid on the basis of the entire 73921  
length of the lease period, including any renewal periods, until 73922

the termination penalty or similar provision no longer applies. 73923  
The taxpayer shall bear the burden, by a preponderance of the 73924  
evidence, that the transaction or series of transactions is not a 73925  
sham transaction. 73926

(3) Except as provided in division (A)(2) of this section, in 73927  
the case of a sale, the price of which consists in whole or in 73928  
part of the lease or rental of tangible personal property, the tax 73929  
shall be measured by the installments of that lease or rental. 73930

(4) In the case of a sale of a physical fitness facility 73931  
service or recreation and sports club service, the price of which 73932  
consists in whole or in part of a membership for the receipt of 73933  
the benefit of the service, the tax applicable to the sale shall 73934  
be measured by the installments thereof. 73935

(B) The tax does not apply to the following: 73936

commissioner under authority of sections 5743.01 to 5743.20 of the 74527  
Revised Code, each retail dealer, within twenty-four hours after 74528  
the receipt of any cigarettes at the retail dealer's place of 74529  
business, shall inspect the cigarettes to ensure that tax stamps 74530  
are affixed. The inspection shall be completed before the 74531  
cigarettes are delivered to any person in this state, or, in the 74532  
case of a tax levied pursuant to section 5743.021, 5743.024, or 74533  
5743.026 of the Revised Code, before the cigarettes are delivered 74534  
to any person in the county in which the tax is levied. 74535

(C) Whenever any cigarettes are found in the place of 74536  
business of any retail dealer without proper tax stamps affixed 74537

Code. 74540

(D) Each wholesale dealer who purchases cigarettes without 74541

or unstamped; cigarette tax stamps affixed or unaffixed and unused 74551  
meter impressions; and such other information as the commissioner 74552

to 5743.20 of the Revised Code. The commissioner may extend the 74554  
time for making and filing returns and may remit all or any part 74555  
of amounts of penalties that may become due under sections 5743.01 74556  
to 5743.20 of the Revised Code. The wholesale dealer shall deliver 74557

(E) Any wholesale dealer who fails to file a return under 74565  
this section and the rules of the commissioner, other than a 74566  
report required pursuant to division (F) of this section, may be 74567  
required, for each day the dealer so fails, to forfeit and pay 74568  
into the state treasury the sum of one dollar as revenue arising 74569  
from the tax imposed by sections 5743.01 to 5743.20 of the Revised 74570  
Code and such sum may be collected by assessment in the manner 74571  
provided in section 5743.081 of the Revised Code. If the 74572  
commissioner finds it necessary in order to insure the payment of 74573  
the tax imposed by sections 5743.01 to 5743.20 of the Revised 74574  
Code, the commissioner may require returns and payments to be made 74575  
other than semiannually. The returns shall be signed by the 74576  
wholesale dealer or an authorized agent thereof. 74577

(F) Each person required to file a tax return under section 74578

the commissioner the quantity of all cigarettes and roll-your-own 74580

filed not later than the last day of each month for the previous 74590  
month, except that if the commissioner determines that the 74591  
quantity reported by a person does not warrant monthly reporting, 74592  
the commissioner may authorize reporting at less frequent 74593  
intervals. The commissioner may assess a penalty of not more than 74594  
two hundred fifty dollars for each month or portion thereof that a 74595  
person fails to timely file a required report, and such sum may be 74596  
collected by assessment in the manner provided in section 5743.081 74597  
of the Revised Code. All money collected under this division shall 74598  
be considered as revenue arising from the taxes imposed by 74599  
sections 5743.01 to 5743.20 of the Revised Code. 74600

(H) The treasurer of state or an agent of the treasurer may 74601  
sell tax stamps only to a licensed wholesale dealer, except as 74602  
otherwise authorized by the commissioner. The treasurer or an 74603  
agent of the treasurer may charge the costs associated with the 74604  
sale of tax stamps to the licensed wholesale dealer. Amounts 74605  
collected from such charges shall be credited to the treasurer of 74606  
state's administrative fund created under section 113.20 of the 74607  
Revised Code. 74608

**Sec. 5743.031.** (A) A wholesale dealer may affix stamps only 74609  
to packages of cigarettes that the dealer received directly from a 74610  
manufacturer or importer of cigarettes that possesses a valid and 74611  
current license under section 5743.15 of the Revised Code, or to 74612

packages of cigarettes that the dealer received from another 74613  
wholesale dealer that possesses a valid and current license under 74614  
section 5743.15 of the Revised Code, provided that the tax 74615  
commissioner has authorized the sale of the cigarettes between 74616  
those wholesale dealers and that the wholesale dealer that sells 74617  
the cigarettes received them directly from a manufacturer or 74618  
importer of cigarettes that possesses a valid and current license 74619

documentation shall show the true name and address of the 74634  
consignor or seller, the true name and address of the consignee or 74635  
purchaser, and the quantity of the cigarettes being transported. 74636  
This division does not apply to any ~~common or contract~~ for-hire 74637  
motor carrier transporting cigarettes through this state to 74638  
another location under a proper bill of lading or freight bill 74639  
that states the quantity, source, and destination of the 74640  
cigarettes. 74641

**Sec. 5751.033.** For the purposes of this chapter, gross 74642  
receipts shall be situated to this state as follows: 74643

(A) Gross rents and royalties from real property located in this state shall be sitused to this state. 74644  
74645

(B) Gross rents and royalties from tangible personal property shall be sitused to this state to the extent the tangible personal property is located or used in this state. 74646  
74647  
74648

(C) Gross receipts from the sale of electricity and electric transmission and distribution services shall be sitused to this state in the manner provided under section 5733.059 of the Revised Code. 74649  
74650  
74651  
74652

(D) Gross receipts from the sale of real property located in this state shall be sitused to this state. 74653  
74654

(E) Gross receipts from the sale of tangible personal property shall be sitused to this state if the property is received in this state by the purchaser. In the case of delivery of tangible personal property by ~~common~~ motor carrier or by other means of transportation, the place at which such property is ultimately received after all transportation has been completed shall be considered the place where the purchaser receives the property. For purposes of this section, the phrase "delivery of tangible personal property by ~~common~~ motor carrier or by other means of transportation" includes the situation in which a purchaser accepts the property in this state and then transports the property directly or by other means to a location outside this state. Direct delivery in this state, other than for purposes of transportation, to a person or firm designated by a purchaser constitutes delivery to the purchaser in this state, and direct delivery outside this state to a person or firm designated by a purchaser does not constitute delivery to the purchaser in this state, regardless of where title passes or other conditions of sale. 74655

74663  
74664  
74665  
74666  
74667  
74668  
74669  
74670  
74671  
74672  
74673

(F) Gross receipts from the sale, exchange, disposition, or 74674

other grant of the right to use trademarks, trade names, patents, 74675  
copyrights, and similar intellectual property shall be sitused to 74676  
this state to the extent that the receipts are based on the amount 74677  
of use of the property in this state. If the receipts are not 74678  
based on the amount of use of the property, but rather on the 74679  
right to use the property, and the payor has the right to use the 74680  
property in this state, then the receipts from the sale, exchange, 74681  
disposition, or other grant of the right to use such property 74682  
shall be sitused to this state to the extent the receipts are 74683  
based on the right to use the property in this state. 74684

(G) Gross receipts from the sale of transportation services 74685  
by a ~~common or contract~~ motor carrier shall be sitused to this 74686  
state in proportion to the mileage traveled by the carrier during 74687  
the tax period on roadways, waterways, airways, and railways in 74688  
this state to the mileage traveled by the carrier during the tax 74689  
period on roadways, waterways, airways, and railways everywhere. 74690  
With prior written approval of the tax commissioner, a ~~common or~~ 74691  
~~contract~~ motor carrier may use an alternative situsing procedure 74692  
for transportation services. 74693

(H) Gross receipts from dividends, interest, and other 74694  
sources of income from financial instruments described in 74695  
divisions (F)(4), (5), (6), (7), (8), (9), (10), (11), and (13) of 74696  
section 5733.056 of the Revised Code shall be sitused to this 74697  
state in accordance with the situsing provisions set forth in 74698  
those divisions. When applying the provisions of divisions (F)(6), 74699  
(8), and (13) of section 5733.056 of the Revised Code, "gross 74700  
receipts" shall be substituted for "net gains" wherever "net 74701  
gains" appears in those divisions. Nothing in this division limits 74702  
or modifies the exclusions enumerated in divisions (E) and (F)(2) 74703  
of section 5751.01 of the Revised Code. The tax commissioner may 74704  
promulgate rules to further specify the manner in which to situs 74705  
gross receipts subject to this division. 74706

(I) Gross receipts from the sale of all other services, and 74707  
all other gross receipts not otherwise situated under this section, 74708  
shall be situated to this state in the proportion that the 74709  
purchaser's benefit in this state with respect to what was 74710  
purchased bears to the purchaser's benefit everywhere with respect 74711  
to what was purchased. The physical location where the purchaser 74712  
ultimately uses or receives the benefit of what was purchased 74713  
shall be paramount in determining the proportion of the benefit in 74714  
this state to the benefit everywhere. If a taxpayer's records do 74715  
not allow the taxpayer to determine that location, the taxpayer 74716  
may use an alternative method to situs gross receipts under this 74717  
division if the alternative method is reasonable, is consistently 74718  
and uniformly applied, and is supported by the taxpayer's records 74719  
as the records exist when the service is provided or within a 74720  
reasonable period of time thereafter. 74721

(J) If the situsing provisions of divisions (A) to (H) of 74722  
this section do not fairly represent the extent of a person's 74723  
activity in this state, the person may request, or the tax 74724  
commissioner may require or permit, an alternative method. Such 74725  
request by a person must be made within the applicable statute of 74726  
limitations set forth in this chapter. 74727

(K) The tax commissioner may adopt rules to provide 74728  
additional guidance to the application of this section, and 74729  
provide alternative methods of situsing gross receipts that apply 74730  
to all persons, or subset of persons, that are engaged in similar 74731  
business or trade activities. 74732

(L) As used in this section, "motor carrier" has the same 74733  
meaning as in section 4923.01 of the Revised Code. 74734

**Sec. 5751.12.** The tax commissioner may prescribe requirements 74735  
for the keeping of records and other pertinent documents, the 74736  
filing of copies of federal income tax returns and determinations, 74737

and computations reconciling federal income tax returns with the 74738  
returns and reports required by section 5751.05 of the Revised 74739  
Code. The commissioner may require any person, by rule or notice 74740  
served on that person, to keep those records that the commissioner 74741  
considers necessary to show whether, and the extent to which, a 74742  
person is subject to this chapter. Those records and other 74743  
documents shall be open during business hours to the inspection of 74744  
the commissioner, and shall be preserved for a period of four 74745  
years unless the commissioner, in writing, consents to their 74746  
destruction within that period, or by order requires that they be 74747  
kept longer. If such records are normally kept by the person 74748  
electronically, the person shall provide such records to the 74749  
commissioner electronically at the commissioner's request. 74750

Any information required by the ~~tax~~ commissioner under this 74751  
chapter is confidential as provided for in section 5703.21 of the 74752  
Revised Code. However, the commissioner shall make public an 74753  
electronic list of all actively registered persons required to 74754  
remit the tax under this chapter, including legal names, trade 74755  
names, addresses, and account numbers. In addition, such list 74756  
shall include all persons that cancelled their registration at any 74757  
time during the preceding four calendar years, including the date 74758  
the registration was cancelled. 74759

immediate construction of sewers for the protection of the public 74921  
health and welfare; 74922

(b) The issuance of an order by the board of health of a health district to mitigate or abate a public health nuisance that is caused by an occasion of unavoidable urgency and suddenness due to unsanitary conditions and compels the immediate construction of sewers for the protection of the public health and welfare;

The resolution shall contain a definite, accurate, and detailed description of the property and the name and place of residence, if known or with reasonable diligence ascertainable, of the owners of the property to be appropriated.

The board of county commissioners shall fix in its resolution what it considers to be the value of the property to be appropriated, which shall be the board's determination of the compensation for the property and shall be supported by an independent appraisal, together with any damages to the residue. The board shall deposit the compensation so determined, together with an amount for the damages to the residue, with the probate court or the court of common pleas of the county in which the property, or a part of it, is situated. Except as otherwise provided in this division, the power to appropriate property for

the purposes of this division shall be exercised in the manner 74955

Code. 74960

**Sec. 6119.11.** (A) Except as provided in division (B) of this 74961  
section, the board of trustees of a regional water and sewer 74962

(B)(1) For the purposes of division (B) of this section, 74968  
~~either~~ any of the following constitutes a public exigency: 74969

(a) A finding by the director of environmental protection 74970  
that a public health nuisance caused by an occasion of unavoidable 74971  
urgency and suddenness due to unsanitary conditions compels the 74972  
immediate construction of sewers for the protection of the public 74973  
health and welfare; 74974

(b) The issuance of an order by the board of health of a 74975  
health district to mitigate or abate a public health nuisance that 74976  
is caused by an occasion of unavoidable urgency and suddenness due 74977

(c) With respect to an affected parcel of property, an 74980  
improvement required as a result of a federally imposed or 74981  
state-imposed consent decree that prohibits future sewer inflows, 74982

shall be exercised in the manner provided in sections 163.01 to 75007  
163.22 of the Revised Code for an appropriation in the time of 75008  
public exigency. The board's resolution and a written copy of the 75009  
independent appraisal shall accompany the petition filed under 75010

deficiencies, specifying a timetable within which the licensee 75576  
shall submit a plan of correction describing how the deficiencies 75577

and shall advise the applicant within sixty days of the 75609  
notification that the current license shall continue in effect or 75610  
a new license will be required pursuant to this section. If the 75611  
director requires a new license, the director shall permit the 75612  
facility to continue to operate under the current license until 75613  
the new license is issued, unless the current license is revoked, 75614

the department. All complaints shall be in writing and shall state 75620  
the facts constituting the basis of the allegation. The department 75621  
shall not reveal the source of any complaint unless the 75622  
complainant agrees in writing to waive the right to 75623  
confidentiality or until so ordered by a court of competent 75624  
jurisdiction. 75625

The department shall adopt rules in accordance with Chapter 75626

referral, investigation, and disposition of complaints filed with 75628  
the department under this division. 75629

(M) The department shall establish procedures for the 75630  
notification of interested parties of the transfer or interim care 75631  
of residents from residential facilities that are closing or are 75632  
losing their license. 75633

(N) Before issuing a license under this section to a 75634  
residential facility that will accommodate at any time more than 75635  
one mentally retarded or developmentally disabled individual, the 75636  
director shall, by first class mail, notify the following: 75637

exclude these residential facilities from those districts, and a 75681  
political subdivision that has enacted a zoning ordinance or 75682

FIRE DEPARTMENT GRANTS 77419

Of the foregoing appropriation item 800639, Fire Department 77420  
Grants, up to \$1,647,140 in each fiscal year shall be used to make 77421  
annual grants to the following eligible recipients: volunteer fire 77422  
departments, fire departments that serve one or more small 77423  
municipalities or small townships, joint fire districts comprised 77424  
of fire departments that primarily serve small municipalities or 77425

small townships, local units of government responsible for such 77426  
fire departments, and local units of government responsible for 77427  
the provision of fire protection services for small municipalities 77428  
or small townships. For the purposes of these grants, a private 77429  
fire company, as that phrase is defined in section 9.60 of the 77430  
Revised Code, that is providing fire protection services under a 77431  
contract to a political subdivision of the state, is an additional 77432  
eligible recipient for a training grant. 77433

Eligible recipients that consist of small municipalities or 77434  
small townships that all intend to contract with the same fire 77435  
department or private fire company for fire protection services 77436  
may jointly apply and be considered for a grant. If a joint 77437  
applicant is awarded a grant, the State Fire Marshal shall, if 77438  
feasible, proportionately award the grant and any equipment 77439  
purchased with grant funds to each of the joint applicants based 77440  
upon each applicant's contribution to and demonstrated need for 77441  
fire protection services. 77442

If the grant awarded to joint applicants is an equipment 77443  
grant and the equipment to be purchased cannot be readily 77444  
distributed or possessed by multiple recipients, each of the joint 77445  
applicants shall be awarded by the State Fire Marshal an ownership 77446  
interest in the equipment so purchased in proportion to each 77447  
applicant's contribution to and demonstrated need for fire 77448  
protection services. The joint applicants shall then mutually 77449  
agree on how the equipment is to be maintained, operated, stored, 77450  
or disposed of. If, for any reason, the joint applicants cannot 77451  
agree as to how jointly owned equipment is to be maintained, 77452  
operated, stored, or disposed of or any of the joint applicants no 77453  
longer maintain a contract with the same fire protection service 77454  
provider as the other applicants, then the joint applicants shall, 77455  
with the assistance of the State Fire Marshal, mutually agree as 77456  
to how the jointly owned equipment is to be maintained, operated, 77457

stored, disposed of, or owned. If the joint applicants cannot 77458  
agree how the grant equipment is to be maintained, operated, 77459  
stored, disposed of, or owned, the State Fire Marshal may, in its 77460  
discretion, require all of the equipment acquired by the joint 77461  
applicants with grant funds to be returned to the State Fire 77462  
Marshal. The State Fire Marshal may then award the returned 77463  
equipment to any eligible recipients. 77464

The grants shall be used by recipients to purchase 77465  
firefighting or rescue equipment or gear or similar items, to 77466  
provide full or partial reimbursement for the documented costs of 77467  
firefighter training, or, at the discretion of the State Fire 77468  
Marshal, to cover fire department costs for providing fire 77469  
protection services in that grant recipient's jurisdiction. 77470

Grant awards for firefighting or rescue equipment or gear or 77471  
for fire department costs of providing fire protection services 77472  
shall be up to \$15,000 per fiscal year, or up to \$25,000 per 77473  
fiscal year if an eligible entity serves a jurisdiction in which 77474  
the Governor declared a natural disaster during the preceding or 77475  
current fiscal year in which the grant was awarded. In addition to 77476  
any grant funds awarded for rescue equipment or gear, or for fire 77477  
department costs associated with the provision of fire protection 77478  
services, an eligible entity may receive a grant for up to \$15,000 77479  
per fiscal year for full or partial reimbursement of the 77480  
documented costs of firefighter training. For each fiscal year, 77481  
the State Fire Marshal shall determine the total amounts to be 77482  
allocated for each eligible purpose. 77483

The grant program shall be administered by the State Fire 77484  
Marshal in accordance with rules the State Fire Marshal adopts as 77485  
part of the state fire code adopted pursuant to section 3737.82 of 77486

entities eligible to receive grants and establish criteria for the 77489

awarding and expenditure of grant funds, including methods the 77490  
State Fire Marshal may use to verify the proper use of grant funds 77491  
or to obtain reimbursement for or the return of equipment for 77492  
improperly used grant funds. Any amounts in appropriation item 77493

**Sec. 267.10.10. OPERATING EXPENSES** 78232

The foregoing appropriation item 200321, Operating Expenses, 78233  
shall be used to support the same activities as are supported 78234  
prior to July 1, 2012, by appropriation items 200100, Personal 78235  
Services, and 200320, Maintenance and Equipment. A portion of this 78236  
appropriation item also shall be used by the Department of 78237  
Education to provide matching funds under 20 U.S.C. 2321, which 78238  
are provided by appropriation item 200416, Career-Technical 78239  
Education Match, prior to July 1, 2012. 78240

On July 1, 2012, or as soon as possible thereafter, the 78241

Director of Budget and Management shall cancel any existing 78242  
encumbrances against appropriation items 200100, Personal 78243  
Services, 200320, Maintenance and Equipment, and 200416, 78244  
Career-Technical Education Match, and reestablish them against 78245  
appropriation item 200321, Operating Expenses. The reestablished 78246  
encumbrance amounts are hereby appropriated. 78247

EARLY CHILDHOOD EDUCATION 78248

The Department of Education shall distribute the foregoing 78249  
appropriation item 200408, Early Childhood Education, to pay the 78250  
costs of early childhood education programs. 78251

(A) As used in this section: 78252

(1) "Provider" means a city, local, exempted village, or 78253  
joint vocational school district, or an educational service 78254  
center. 78255

(2) In the case of a city, local, or exempted village school 78256  
district, "new eligible provider" means a district that did not 78257  
receive state funding for Early Childhood Education in the 78258  
previous fiscal year or demonstrates a need for early childhood 78259  
programs as defined in division (D) of this section. 78260

(3) "Eligible child" means a child who is at least three 78261  
years of age as of the district entry date for kindergarten, is 78262  
not of the age to be eligible for kindergarten, and whose family 78263  
earns not more than two hundred per cent of the federal poverty 78264  
guidelines as defined in division (A)(3) of section 5101.46 of the 78265  
Revised Code. Children with an Individualized Education Program 78266  
and where the Early Childhood Education program is the least 78267  
restrictive environment may be enrolled on their third birthday. 78268

(B) In each fiscal year, up to two per cent of the total 78269  
appropriation may be used by the Department for program support 78270  
and technical assistance. The Department shall distribute the 78271  
remainder of the appropriation in each fiscal year to serve 78272

eligible children. 78273

(C) The Department shall provide an annual report to the 78274  
Governor, the Speaker of the House of Representatives, and the 78275  
President of the Senate and post the report to the Department's 78276  
web site, regarding early childhood education programs operated 78277  
under this section and the early learning program guidelines. 78278

(D) After setting aside the amounts to make payments due from 78279  
the previous fiscal year, in fiscal year 2012, the Department 78280  
shall distribute funds first to recipients of funds for early 78281  
childhood education programs under Section 265.10.20 of Am. Sub. 78282  
H.B. 1 of the 128th General Assembly in the previous fiscal year 78283  
and the balance to new eligible providers of early childhood 78284  
education programs under this section or to existing providers to 78285  
serve more eligible children or for purposes of program expansion, 78286  
improvement, or special projects to promote quality and 78287  
innovation. 78288

After setting aside the amounts to make payments due from the 78289  
previous fiscal year, in fiscal year 2013, the Department shall 78290  
distribute funds first to providers of early childhood education 78291  
programs under this section in the previous fiscal year and the 78292  
balance to new eligible providers or to existing providers to 78293  
serve more eligible children or for purposes of program expansion, 78294  
improvement, or special projects to promote quality and 78295  
innovation. 78296

Awards under this section shall be distributed on a per-pupil 78297  
basis, and in accordance with division (H) of this section. The 78298  
Department may adjust the per-pupil amount so that the per-pupil 78299  
amount multiplied by the number of eligible children enrolled and 78300  
receiving services on the first day of December or the business 78301  
day closest to that date equals the amount allocated under this 78302  
section. 78303

(E) Costs for developing and administering an early childhood education program may not exceed fifteen per cent of the total approved costs of the program.

All providers shall maintain such fiscal control and accounting procedures as may be necessary to ensure the disbursement of, and accounting for, these funds. The control of funds provided in this program, and title to property obtained, shall be under the authority of the approved provider for purposes provided in the program unless, as described in division (J) of this section, the program waives its right for funding or a program's funding is eliminated or reduced due to its inability to meet financial or early learning program guidelines. The approved provider shall administer and use such property and funds for the purposes specified.

(F) The Department may examine a provider's financial and program records. If the financial practices of the program are not in accordance with standard accounting principles or do not meet financial standards outlined under division (E) of this section, or if the program fails to substantially meet the early learning program guidelines, meet a quality rating level in the tiered quality rating and improvement system developed under section 5104.30 of the Revised Code as prescribed by the Department, or exhibits below average performance as measured against the guidelines, the early childhood education program shall propose and implement a corrective action plan that has been approved by the Department. The approved corrective action plan shall be signed by the chief executive officer and the executive of the official governing body of the provider. The corrective action plan shall include a schedule for monitoring by the Department. Such monitoring may include monthly reports, inspections, a timeline for correction of deficiencies, and technical assistance to be provided by the Department or obtained by the early

childhood education program. The Department may withhold funding 78336  
pending corrective action. If an early childhood education program 78337  
fails to satisfactorily complete a corrective action plan, the 78338  
Department may deny expansion funding to the program or withdraw 78339  
all or part of the funding to the program and establish a new 78340  
eligible provider through a selection process established by the 78341  
Department. 78342

(G) Each early childhood education program shall do all of 78343  
the following: 78344

(1) Meet teacher qualification requirements prescribed by 78345  
section 3301.311 of the Revised Code; 78346

(2) Align curriculum to the early learning content standards 78347  
developed by the Department; 78348

(3) Meet any child or program assessment requirements 78349  
prescribed by the Department; 78350

(4) Require teachers, except teachers enrolled and working to 78351  
obtain a degree pursuant to section 3301.311 of the Revised Code, 78352  
to attend a minimum of twenty hours every two years of 78353  
professional development as prescribed by the Department; 78354

(5) Document and report child progress as prescribed by the 78355  
Department; 78356

(6) Meet and report compliance with the early learning 78357  
program guidelines as prescribed by the Department; 78358

(7) Participate in the tiered quality rating and improvement 78359  
system developed under section 5104.30 of the Revised Code. 78360  
Effective July 1, 2016, all programs shall be rated through the 78361  
system. 78362

(H) Per-pupil funding for programs subject to this section 78363  
shall be sufficient to provide eligible children with services for 78364  
a standard early childhood schedule which shall be defined in this 78365

section as a minimum of twelve and one-half hours per school week 78366  
as defined in section 3313.62 of the Revised Code for the minimum 78367  
school year as defined in sections 3313.48, 3313.481, and 3313.482 78368  
of the Revised Code. Nothing in this section shall be construed to 78369  
prohibit program providers from utilizing other funds to serve 78370  
eligible children in programs that exceed the twelve and one-half 78371  
hours per week or that exceed the minimum school year. For any 78372  
provider for which a standard early childhood education schedule 78373  
creates a hardship or for which the provider shows evidence that 78374  
the provider is working in collaboration with a preschool special 78375  
education program, the provider may submit a waiver to the 78376  
Department requesting an alternate schedule. If the Department 78377  
approves a waiver for an alternate schedule that provides services 78378  
for less time than the standard early childhood education 78379  
schedule, the Department may reduce the provider's annual 78380  
allocation proportionately. Under no circumstances shall an annual 78381  
allocation be increased because of the approval of an alternate 78382  
schedule. 78383

(I) Each provider shall develop a sliding fee scale based on 78384  
family incomes and shall charge families who earn more than two 78385  
hundred per cent of the federal poverty guidelines, as defined in 78386  
division (A)(3) of section 5101.46 of the Revised Code, for the 78387  
early childhood education program. 78388

The Department shall conduct an annual survey of each 78389  
provider to determine whether the provider charges families 78390  
tuition or fees, the amount families are charged relative to 78391  
family income levels, and the number of families and students 78392  
charged tuition and fees for the early childhood program. 78393

(J) If an early childhood education program voluntarily 78394  
waives its right for funding, or has its funding eliminated for 78395  
not meeting financial standards or the early learning program 78396  
guidelines, the provider shall transfer control of title to 78397

property, equipment, and remaining supplies obtained through the 78398  
program to providers designated by the Department and return any 78399  
unexpended funds to the Department along with any reports 78400  
prescribed by the Department. The funding made available from a 78401  
program that waives its right for funding or has its funding 78402  
eliminated or reduced may be used by the Department for new grant 78403  
awards or expansion grants. The Department may award new grants or 78404  
expansion grants to eligible providers who apply. The eligible 78405  
providers who apply must do so in accordance with the selection 78406  
process established by the Department. 78407

(K) As used in this section, "early learning program 78408  
guidelines" means the guidelines established by the Department 78409  
pursuant to division (C)(3) of Section 206.09.54 of Am. Sub. H.B. 78410  
66 of the 126th General Assembly. 78411

(L) Eligible expenditures for the Early Childhood Education 78412  
program shall be claimed each fiscal year to help meet the state's 78413  
TANF maintenance of effort requirement. The Superintendent of 78414  
Public Instruction and the Director of Job and Family Services 78415  
shall enter into an interagency agreement to carry out the 78416  
requirements under this division, which shall include developing 78417  
reporting guidelines for these expenditures. 78418

Education. Funds may be used for personnel, maintenance, and 78436  
equipment costs related to the development and implementation of 78437  
these technical system projects. Implementation of these systems 78438  
shall allow the Department to provide greater levels of assistance 78439  
to school districts and to provide more timely information to the 78440  
public, including school districts, administrators, and 78441  
legislators. Funds may also be used to support data-driven 78442

in Chapter 3316. of the Revised Code and may also be used by the 78453  
Auditor of State to conduct performance audits of other school 78454  
districts with priority given to districts in fiscal distress. 78455  
Districts in fiscal distress shall be determined by the Auditor of 78456  
State and shall include districts that the Auditor of State, in 78457  
consultation with the Department of Education, determines are 78458  
employing fiscal practices or experiencing budgetary conditions 78459

that could produce a state of fiscal watch or fiscal emergency. 78460

The remainder of appropriation item 200422, School Management 78461  
Assistance, shall be used by the Department of Education to 78462  
provide fiscal technical assistance and inservice education for 78463  
school district management personnel and to administer, monitor, 78464  
and implement the fiscal caution, fiscal watch, and fiscal 78465  
emergency provisions under Chapter 3316. of the Revised Code. 78466

COMMUNITY SCHOOL AND CHOICE PROGRAMS 78467

An amount equal to the unexpended, unencumbered balances of 78468  
the GRF appropriations for the Department of Education at the end 78469  
of fiscal year 2012, but not to exceed \$600,000, is hereby 78470  
reappropriated to appropriation item 200455, Community Schools and 78471  
Choice Programs, for fiscal year 2013 for the Department of 78472  
Education to provide STEM schools with matching funds for industry 78473  
workforce development initiatives. 78474

If the unexpended, unencumbered balances reappropriated above 78475  
are less than \$600,000, the Superintendent of Public Instruction 78476  
shall identify outstanding GRF encumbrances of the Department for 78477  
fiscal year 2012 and prior fiscal years that are no longer needed 78478  
to support the obligations of the Department. On July 1, 2012, or 78479  
as soon as possible thereafter, the Superintendent shall certify 78480  
the identified encumbrances to the Director of Budget and 78481

**Sec. 309.30.33. HOSPITAL INPATIENT AND OUTPATIENT** 79103  
SUPPLEMENTAL UPPER PAYMENT LIMIT PROGRAM; MEDICAID MANAGED CARE 79104  
HOSPITAL INCENTIVE PAYMENT PROGRAM 79105

(A) As used in this section: 79106

(1) "Hospital" has the same meaning as in section 5112.40 of 79107  
the Revised Code. 79108

(2) "Hospital Assessment Fund" means the fund created under 79109  
section 5112.45 of the Revised Code. 79110

(3) "Medicaid managed care organization" means an entity 79111  
under contract pursuant to section 5111.17 of the Revised Code to 79112

required or permitted to participate in the Medicaid care 79114  
management system. 79115

(B) The Department of Job and Family Services shall submit to 79116  
the United States Secretary of Health and Human Services a 79117  
Medicaid state plan amendment to do both of the following: 79118

(1) Continue the Hospital Inpatient and Outpatient 79119  
Supplemental Upper Payment Limit Program that was established 79120  
pursuant to Section 309.30.17 of Am. Sub. H.B. 1 of the 128th 79121  
General Assembly, with any modifications necessary to implement 79122  
the program as described under division (D) of this section; 79123

(2) Create the Medicaid Managed Care Hospital Incentive 79124  
Payment Program, as described under division (E) of this section. 79125

(C) Of the amounts deposited into the Hospital Assessment 79126  
Fund in fiscal year 2012 and fiscal year 2013: 79127

(1) Up to \$432,432,725 (state and federal) in fiscal year 79128  
2012 and up to \$415,162,388 (state and federal) in fiscal year 79129  
2013 shall be used for the Hospital Inpatient and Outpatient 79130

(2) Up to \$162,000,000 (state and federal) in each fiscal 79132

Incentive Payment Program; 79134

(3) Up to \$176,021,111 (state and federal) in fiscal year 79135  
2012 and up to \$195,158,394 (state and federal) in fiscal year 79136  
2013 shall be used for the program authorized by the section of 79137  
~~this act~~ Am. Sub. H.B. 153 of the 129th General Assembly titled 79138  
"CONTINUATION OF MEDICAID RATES FOR HOSPITAL INPATIENT AND 79139  
OUTPATIENT SERVICES." 79140

(D)(1) If the Medicaid state plan amendment submitted under 79141  
division (B)(1) of this section is approved, the Department shall 79142  
implement the Hospital Inpatient and Outpatient Supplemental Upper 79143  
Payment Limit Program during fiscal year 2012 and fiscal year 79144  
2013. Under the Program, subject to division (D)(2) of this 79145  
section, supplemental Medicaid payments shall be made to hospitals 79146  
for Medicaid-covered inpatient and outpatient services. The 79147  
Department shall make the payments through amounts that are made 79148  
available for the Program under division (C) of this section and 79149  
any federal financial participation available for the Program. 79150

(2) The Department shall take all actions necessary to cease 79151  
implementation of the Program if the United States Secretary 79152  
determines that the assessment imposed under section 5112.41 of 79153  
the Revised Code is an impermissible healthcare-related tax under 79154  
section 1903(w) of the "Social Security Act," 105 Stat. 1793 79155  
(1991), 42 U.S.C. 1396b(w), as amended. 79156

(E)(1) If the Medicaid state plan amendment submitted under 79157  
division (B)(2) of this section is approved, the Department shall 79158  
implement the Medicaid Managed Care Hospital Incentive Payment 79159  
Program. The purpose of the Program is to increase access to 79160  
hospital services for Medicaid recipients who are enrolled in 79161  
Medicaid managed care organizations. 79162

Under the Program, subject to division (E)(3) of this 79163  
section, funds shall be provided to Medicaid managed care 79164  
organizations, which shall use the funds to increase payments to 79165  
hospitals for providing services to Medicaid recipients who are 79166  
enrolled in the organizations. The Department shall provide the 79167  
funds through amounts that are made available for the Program 79168  
under division (C) of this section and any federal financial 79169  
participation available for the Program. 79170

(2) Not later than July 1, 2012, the Department shall select 79171  
an actuary to conduct a study of the contracted reimbursement 79172

rates between Medicaid managed care organizations and hospitals. 79173  
The actuary shall determine if a reduction in the capitation rates 79174  
paid to Medicaid managed care organizations in fiscal year 2013 is 79175  
appropriate as a result of the contracted reimbursement rates 79176  
between the organizations and hospitals. The actuary shall notify 79177  
the Department of its determination. 79178

If the actuary determines that a reduction in the capitation 79179  
rates paid to Medicaid managed care organizations in fiscal year 79180  
2013 will not achieve \$22 million in state savings in fiscal year 79181  
2013, the state shall receive the difference between what the 79182  
actuary determines the state will save and \$22 million. The 79183  
Department, in consultation with the Ohio Association of Health 79184  
Plans and the Ohio Hospital Association, shall establish a 79185  
methodology under which the difference is paid equally by Medicaid 79186  
managed care organizations and hospitals in this state. 79187

Notwithstanding anything to the contrary specified in 79188  
division (E)(3)(b) or (c) of this section, the Medicaid managed 79189  
care organizations and hospitals shall pay the amounts determined 79190  
under the methodology, unless the Department waives the 79191  
requirement to make the payments. The requirement may be waived if 79192  
spending for the Medicaid program in fiscal year 2013 is less than 79193  
the amount that is budgeted for that fiscal year. If payments are 79194  
made, the amount received by the Department shall be deposited 79195  
into the state treasury to the credit of the Health Care 79196  
Compliance Fund created under section ~~5111.171~~ 5111.946 of the 79197  
Revised Code. 79198

(3)(a) The Department shall not provide funds to Medicaid 79199  
managed care organizations under the Program unless an actuary 79200  
selected by the Department certifies that the Program would not 79201  
violate the actuarial soundness of the capitation rates paid to 79202  
Medicaid managed care organizations. 79203

(b) The Department shall not implement the Program in a 79204

manner that causes a hospital to receive less money from the Hospital Assessment Fund than the hospital would have received if the Program were not implemented.

(c) The Department shall not implement the Program in a manner that causes a Medicaid managed care organization to receive a lower capitation payment rate solely because funds are made available to the organization under the Program.

(d) The Department shall take all necessary actions to cease implementation of the Program if the United States Secretary determines that the assessment imposed under section 5112.41 of the Revised Code is an impermissible healthcare-related tax under section 1903(w) of the "Social Security Act," 105 Stat. 1793 (1991), 42 U.S.C. 1396b(w), as amended.

(F) The Director of Budget and Management may authorize additional expenditures from appropriation item 600623, Health Care Federal, appropriation item 600525, Health Care/Medicaid, and appropriation item 600656, Medicaid-Hospital, in order to implement the programs authorized by this section and to implement the section of ~~this act~~ Am. Sub. H.B. 153 of the 129th General Assembly titled "CONTINUATION OF MEDICAID RATES FOR HOSPITAL INPATIENT AND OUTPATIENT SERVICES." Any amounts authorized are hereby appropriated.

(G) Nothing in this section reduces payments to children's hospitals authorized under the section of ~~this act~~ Am. Sub. H.B. 153 of the 129th General Assembly titled "CHILDREN'S HOSPITALS SUPPLEMENTAL FUNDING."

**Sec. 309.30.53. MEDICAID MANAGED CARE EXEMPTIONS**

**Section 701.121.** (A) The state of Ohio requests that the 81476  
Joint Committee on the Library of Congress approve the replacement 81477  
of Ohio's statue of Governor William Allen in the National 81478  
Statuary Hall Collection with a statue of Thomas Edison. 81479

(B) In accordance with the Procedure for Replacement of 81480  
Statues in the National Statuary Hall Collection, Ohio submits the 81481  
following information for consideration by the Joint Committee on 81482  
the Library of Congress: 81483

(1) Thomas Edison, a native of Milan, Ohio, was a world 81484  
famous inventor and highly successful businessperson whose 81485  
inventions, such as the phonograph, the kinetoscope (a precursor 81486  
to the film projector), and the first practical incandescent light 81487  
bulb, have had a tremendous impact on the world. In addition to 81488  
these inventions, Thomas Edison's service to the United States 81489  
Government has also impacted world history. During World War I, he 81490  
consulted for the government, examining inventions submitted for 81491  
military use and working on defensive devices for submarines and 81492  
ships. For his service, he eventually was awarded a Distinguished 81493  
Service Medal by the Department of the Navy. By the time of his 81494  
death, he had received over one thousand patents. 81495

Thomas Edison also has had a significant impact on the state 81496  
of Ohio. He established the Edison Steel Company in Cleveland, 81497

Ohio, and established one of the first electric power stations in 81498  
Tiffin, Ohio. His General Electric Company established the first 81499  
industrial park in Ohio, which has employed hundreds of thousands 81500  
of people over time. And the Ohio Department of Development 81501  
sponsors The Thomas Edison Award, which was established in 81502  
partnership with the Edison Birthplace Museum in Milan, Ohio. The 81503  
Edison Birthplace Museum also has been instrumental in the 81504  
issuance of a Thomas Edison stamp and commemorative silver dollar, 81505  
and has received, on Thomas Edison's behalf, a posthumously 81506  
awarded GRAMMY Award. 81507

Thomas Edison's impact on the world, and, in particular, on 81508  
the state of Ohio, through his inventions, business endeavors, and 81509  
government service, merits inclusion of a statue of him in the 81510  
National Statuary Hall Collection. 81511

(2) The Ohio Statuary Hall Commission, a nonprofit Ohio 81512  
corporation, was established in 2009 for the purpose of assisting 81513  
with the process of recommending an Ohio citizen for statuary 81514  
representation in the National Statuary Hall Collection, including 81515  
raising funds and providing financial support for that effort. If 81516  
the Joint Committee on the Library of Congress approves this 81517  
replacement statue request, the Commission shall be responsible 81518  
for the selection of a sculptor for the Thomas Edison statue as 81519  
well as for paying all costs incurred for placing the Thomas 81520  
Edison statue in the United States Capitol, including costs 81521

of the functions of that Division by this act and shall be 81692

will be released within the following time period, and that the 81737  
property owner or lessee must file a bond in the manner required 81738  
by division (C) of section 3791.11 of the Revised Code immediately 81739  
after the refund or release: 81740

(A) If money was deposited, the Treasurer of State will 81741  
refund the money to the property owner or lessee within 180 days 81742  
after the effective date of section 3791.11 of the Revised Code, 81743

the effective date of section 3791.11 of the Revised Code, as 81748  
amended by this act; 81749

(C) If a government-issued bond was deposited, the Treasurer 81750  
of State will release the bond to the property owner or lessee 81751

**Section 737.60. LUPUS EDUCATION AND AWARENESS PROGRAM** 81754

(A) In establishing the Lupus Education and Awareness Program 81755  
under sections 3701.77 to 3701.775 of the Revised Code, as enacted 81756  
by this act, the General Assembly hereby finds the following: 81757

(1) Lupus is a serious, complex, and debilitating autoimmune 81758  
disease that can cause inflammation and tissue damage to virtually 81759  
any organ system in the body, including the skin, joints, other 81760  
connective tissue, blood and blood vessels, heart, lungs, kidneys, 81761  
and brain. 81762

(2) The Lupus Foundation of America, Inc., estimates that 81763  
approximately 1.5 to 2 million Americans live with lupus. 81764

(3) According to the Centers for Disease Control and 81765  
Prevention, the rate of lupus mortality has increased since the 81766  
late 1970s. 81767

(4) The pain and fatigue associated with lupus can threaten 81768  
the ability to live independently, maintain employment, and lead a 81769  
normal life. One in five individuals with lupus is disabled by the 81770

disease, and consequently receives support from government 81771  
programs, including Medicare, Medicaid, Social Security 81772  
Disability, and Social Security Supplemental Income. 81773

(5) The estimated average annual cost of medical treatment 81774  
for an individual with lupus is between \$10,000 and \$30,000; for 81775  
individuals who have the most serious form of lupus, medical costs 81776  
can greatly exceed this amount, causing a significant economic, 81777  
emotional, and social burden to the entire family and society. 81778

(6) More than half of individuals with lupus suffer four or 81779  
more years and visit three or more physicians before obtaining a 81780  
diagnosis of lupus; early diagnosis of and treatment for lupus can 81781  
prevent or reduce serious organ damage, disability, and death. 81782

(7) Despite the magnitude of lupus and its impact on 81783  
individuals and families, health professional and public 81784  
understanding of lupus remains low; only one in five Americans can 81785  
provide basic information about lupus, and awareness of lupus is 81786  
lowest among adults 18 to 34 years of age - the age group most 81787  
likely to develop lupus. 81788

(8) Lupus is a significant national health issue that 81789  
deserves a comprehensive and coordinated response by state and 81790  
federal governments with involvement of the health care provider, 81791  
patient, and public health communities. 81792

(B) The purpose of sections 3701.77 to 3701.775 of the 81793  
Revised Code, as enacted by this act, is to create a 81794  
multi-pronged, statewide program to promote public and health 81795  
professional awareness and increase knowledge concerning the 81796  
causes and consequences of lupus, the importance of early 81797  
diagnosis and appropriate management, and effective treatment and 81798  
management strategies by all of the following: 81799

(1) Conducting educational and training programs for health 81800  
professionals on lupus diagnosis and management; 81801

(2) Developing and disseminating educational materials and information to patients and health professionals on lupus research results and health care services available;

(3) Designing and implementing a statewide public education campaign aimed at heightening public awareness of lupus;

(4) Leveraging educational and training resources and services previously developed by organizations with appropriate expertise and knowledge of lupus.

sentencing court, and treatment providers, including testing, 81856  
counseling, medication therapies, and reporting requirements; 81857

(2) Attend any on-site programming specified by the 81858  
sentencing court or treatment provider. 81859

(E) Treatment under the program shall be provided by an 81860  
alcohol and drug addiction program certified by the Department 81861

under section 3793.06 of the Revised Code. Treatment shall be 81862  
based on an integrated service delivery model. The treatment 81863  
provider shall do all of the following: 81864

(1) Conduct a professional, comprehensive substance abuse and 81865  
mental health diagnostic assessment of each person who is a 81866  
potential program participant to determine whether the person is 81867  
opioid dependent, alcohol dependent, or opioid and alcohol 81868  
dependent and would benefit from substance abuse treatment and 81869  
monitoring to address the dependency; 81870

(2) Determine treatment needs for each program participant 81871  
based on the diagnostic assessment; 81872

(3) Develop individualized goals and objectives for each 81873  
program participant that follow guidelines provided by the 81874

persons professionally qualified to provide substance abuse 81877  
counseling or treatment; 81878

treatment that includes psychosocial therapies and monthly 81880  
medication-assisted treatment; 81881

(6) Provide access to long-acting antagonist therapies to the 81882  
same extent that access may be provided to any other 81883  
medication-assisted treatment approved by the United States Food 81884  
and Drug Administration; 81885

(7) Monitor program compliance through regular urinalysis 81886  
drug testing. 81887

(F) Not later than three months after the program has ended, 81888

obtained from the program, along with its recommendations, if any. 81890  
The University shall include in the report data derived from the 81891

drug testing performed under the program. In preparing the report, 81892  
the University shall obtain assistance from the Department of 81893

**Section 753.13.** That Section 2 of Am. Sub. S.B. 63 of the 82481

**Section 755.10.** One year after the effective date of this act, the Director of the Department of Rehabilitation and Correction, after consultation with the State Highway Patrol, the Department of Public Safety, the Fraternal Order of Police of Ohio, and the Buckeye State Sheriff's Association, shall submit a written report to the Governor, the President of the Senate, the Speaker of the House of Representatives, the minority leader of the Senate, and the minority leader of the House of Representatives on the effectiveness of the State Highway Patrol's authority to enforce the criminal laws in the Lake Erie Correctional Institution pursuant to section 5503.03 of the Revised Code, as amended by this act.

The board of elections, upon receiving a properly certified copy of such a resolution not later than four p.m. on August 8, 2012, shall submit the proposal to electors at that election as otherwise provided under section 5705.25 or 5705.252 of the Revised Code, and such actions of the board of township trustees, municipal legislative authority, and board of elections are hereby ratified.

**Section 757.20.** As used in this section, "qualified property"

means real property that either: 82527

(A) Satisfies the qualifications for tax exemption under the 82528  
terms of section 5709.07 of the Revised Code and is owned by a 82529  
church as defined in that section; 82530

(B) Satisfies the qualifications for tax exemption under the 82531  
terms of section 5709.08 of the Revised Code and is owned by a 82532  
township that acquired the property from a county. 82533

Notwithstanding section 5713.081 of the Revised Code, when 82534  
qualified property has not received tax exemption due to a failure 82535  
to comply with Chapter 5713. or section 5715.27 of the Revised 82536  
Code, the current owner of the property, or the prior owner of the 82537  
property requesting exemption from prior taxes, at any time on or 82538  
before twelve months after the effective date of this section, may 82539  
file with the Tax Commissioner an application requesting that the 82540  
property be placed on the tax-exempt list and that all unpaid 82541  
taxes, penalties, and interest on the property be abated. 82542

The application shall be made on the form prescribed by the 82543  
Tax Commissioner under section 5715.27 of the Revised Code and 82544  
shall list the name of the county in which the property is 82545  
located; the property's legal description; its taxable value; the 82546  
amount in dollars of the unpaid taxes, penalties, and interest; 82547  
the date of acquisition of title to the property; the use of the 82548  
property during any time that the unpaid taxes accrued; and any 82549  
other information required by the Tax Commissioner. The county 82550  
auditor shall supply the required information upon request of the 82551  
applicant. 82552

Upon request of the applicant, the county treasurer shall 82553  
determine if all taxes, penalties, and interest that became a lien 82554  
on the qualified property before it first was used for an exempt 82555  
purpose and all special assessments charged against the property 82556  
have been paid in full. If so, the county treasurer shall issue a 82557

certificate to the applicant stating that all such taxes, 82558  
penalties, interest, and assessments have been paid in full. Prior 82559  
to filing the application with the Tax Commissioner, the applicant 82560  
shall attach the county treasurer's certificate to it. The Tax 82561  
Commissioner shall not consider an application filed under this 82562  
section unless such a certificate is attached to it. 82563

Upon receipt of the application and after consideration of 82564  
it, the Tax Commissioner shall determine if the applicant meets 82565  
the qualifications set forth in this section, and if so shall 82566  
issue an order directing that the property be placed on the 82567  
tax-exempt list of the county and that all unpaid taxes, 82568  
penalties, and interest for every year the property met the 82569  
qualifications for exemption described in section 5709.07 or 82570  
5709.08 of the Revised Code be abated. If the Tax Commissioner 82571  
finds that the property is not now being so used or is being used 82572  
for a purpose that would foreclose its right to tax exemption, the 82573  
Tax Commissioner shall issue an order denying the application. 82574

If the Tax Commissioner finds that the property is not 82575  
entitled to tax exemption and to the abatement of unpaid taxes, 82576  
penalties, and interest for any of the years for which the current 82577  
or prior owner claims an exemption or abatement, the Tax 82578  
Commissioner shall order the county treasurer of the county in 82579  
which the property is located to collect all taxes, penalties, and 82580  
interest due on the property for those years in accordance with 82581  
law. 82582

The Tax Commissioner may apply this section to any qualified 82583  
property that is the subject of an application for exemption 82584  
pending before the Tax Commissioner on the effective date of this 82585  
section, without requiring the property owner to file an 82586  
additional application. The Tax Commissioner also may apply this 82587  
section to any qualified property that is the subject of an 82588  
application for exemption filed on or after the effective date of 82589

this section and on or before twelve months after that effective 82590  
date, even though the application does not expressly request 82591  
abatement of unpaid taxes, penalties, and interest. 82592

**Section 757.51.** The amendment by this act of section 5713.03 82593  
of the Revised Code applies to the first tax year, after tax year 82594  
2012, to which division (A) or (B) of section 5715.24 of the 82595  
Revised Code applies in the county. 82596

**Section 757.61.** The General Assembly hereby declares that the 82597  
intent of the amendment by this act of section 5739.02 of the 82598  
Revised Code is to clarify the law as it existed prior to the 82599  
amendment by this act of that section. 82600

**Section 806.10.** The items of law contained in this act, and 82601  
their applications, are severable. If any item of law contained in 82602  
this act, or if any application of any item of law contained in 82603  
this act, is held invalid, the invalidity does not affect other 82604  
items of law contained in this act and their applications that can 82605  
be given effect without the invalid item of law or application. 82606

**Section 809.10.** Sections 301.11 to 301.15 of this act are and 82607  
remain in full force and effect commencing on July 1, 2012, and 82608  
terminating on June 30, 2014, for the purpose of drawing money 82609  
from the state treasury in payment of liabilities lawfully 82610  
incurred under those sections, and on June 30, 2014, and not 82611  
before, the moneys hereby appropriated lapse into the funds from 82612  
which they are severally appropriated. If, under Section 1c of 82613  
Article II, Ohio Constitution, Sections 301.11 to 301.15 of this 82614  
act do not take effect until after July 1, 2012, the sections are 82615

date. 82617
