before the director mailed the notice of completeness or knowingly 31910
discuss in person or by telephone the merits of the application 31911
with the director. A person may supplement an application after a 31912
notice of completeness has been received by submitting clarifying 31913
information to the director. ~~If one or more persons request a 31914
meeting in person or by telephone, the director shall make a 31915
reasonable effort to invite interested parties to the meeting or 31916
conference call.~~ 31917~~

(C) All of the following apply to the process of granting or 31918
denying a certificate of need: 31919

(1) If the project proposed in a certificate of need 31920
application meets all of the applicable certificate of need 31921
criteria for approval under sections 3702.51 to 3702.62 of the 31922
Revised Code and the rules adopted under those sections, the 31923
director shall grant a certificate of need for all or part of the 31924
project that is the subject of the application by the applicable 31925
deadline specified in division (C)(4) of this section or any 31926
extension of it under division (C)(5) of this section. 31927

(2) The director's grant of a certificate of need does not 31928
affect, and sets no precedent for, the director's decision to 31929
grant or deny other applications for similar reviewable activities 31930
~~proposed to be conducted in the same or different health service~~ 31931
~~areas.~~ 31932

(3) ~~If the director receives written objections to an~~ 31933
~~application from any~~ Any ~~affected person may submit written~~ 31934
comments regarding an application. The director shall consider all 31935
written comments received by the thirtieth day after mailing the 31936
notice of completeness, ~~the director shall notify the applicant~~ 31937
~~and assign a hearing examiner to conduct an adjudication hearing~~ 31938
~~concerning the application in accordance with Chapter 119. of the~~ 31939
~~Revised Code. In or, in~~ the case of applications under comparative 31940
review, ~~if the director receives written objections to any of the~~ 31941
~~applications from any affected person~~ by the thirtieth day after 31942
the director mails the last notice of completeness, ~~the director~~ 31943
~~shall notify all of the applicants and appoint a hearing examiner~~ 31944
~~to conduct a consolidated adjudication hearing concerning the~~ 31945
~~applications in accordance with Chapter 119. of the Revised Code.~~ 31946
~~The hearing examiner shall be employed by or under contract with~~ 31947
~~the department of health.~~ 31948

~~The adjudication hearings may be conducted in the health~~ 31949

~~service area in which the reviewable activity is proposed to be 31950
conducted. Consolidated adjudication hearings for applications in 31951
comparative review may be conducted in the geographic region in 31952
which all of the reviewable activities will be conducted. The 31953
applicant, the director, and the affected persons that filed 31954
objections to the application shall be parties to the hearing. If 31955
none of the affected persons that submitted written objections to 31956
the application appears or prosecutes the hearing, the hearing 31957
examiner shall dismiss the hearing and the director shall grant a 31958
certificate of need for all or part of the project that is the 31959
subject of the application if the proposed project meets all of 31960
the applicable certificate of need criteria for approval under 31961
sections 3702.51 to 3702.62 of the Revised Code and the rules 31962
adopted under those sections. The affected persons bear the burden 31963
of proving by a preponderance of evidence that the project is not 31964
needed or that granting the certificate would not be in accordance 31965
with sections 3702.51 to 3702.62 of the Revised Code or the rules 31966
adopted under those sections. 31967~~

(4) Except as provided in division (C)(5) of this section, 31968
the director shall grant or deny certificate of need applications 31969
~~for which an adjudication hearing is not conducted under division 31970
(C)(3) of this section not later than sixty days after mailing the 31971
notice of completeness or, in the case of an application proposing 31972
addition of long term care beds, not later than sixty days after 31973
such other time as is specified in rules adopted under section 31974
3702.57 of the Revised Code. Except as provided in division (C)(5) 31975
of this section, the director shall grant or deny certificate of 31976
need applications for which an adjudication hearing is conducted 31977
under division (C)(3) of this section not later than thirty days 31978
after the expiration of the time for filing objections to the 31979
report and recommendation of the hearing examiner under section 31980
119.09 of the Revised Code. The director shall base decisions 31981
concerning applications for which an adjudication hearing is 31982~~

~~conducted under division (C)(3) of this section on the report and
recommendations of the hearing examiner.~~ 31983
31984

(5) Except as otherwise provided in division (C)(6) of this 31985
section, the director or the applicant may extend the deadline 31986
prescribed in division (C)(4) of this section once, for no longer 31987
than thirty days, by written notice before the end of the deadline 31988
prescribed by division (C)(4) of this section. An extension by the 31989
director under division (C)(5) of this section shall apply to all 31990
applications that are in comparative review. 31991

(6) No applicant in a comparative review may extend the 31992
deadline specified in division (C)(4) of this section. 31993

(7) If the director does not grant or deny the certificate by 31994
the applicable deadline specified in division (C)(4) of this 31995
section or any extension of it under division (C)(5) of this 31996
section, the certificate shall be considered to have been granted. 31997

(8) In granting a certificate of need, the director shall 31998
specify as the maximum capital expenditure the certificate holder 31999
may obligate under the certificate a figure equal to one hundred 32000
ten per cent of the approved project cost. 32001

(9) In granting a certificate of need, the director may grant 32002
the certificate with conditions that must be met by the holder of 32003
the certificate. 32004

(D) When a certificate of need is granted for a project under 32005
which beds are to be relocated, upon completion of the project for 32006
which the certificate of need was granted a number of beds equal 32007
to the number of beds relocated shall cease to be operated in the 32008
long-term care facility from which they are relocated, except that 32009
the beds may continue to be operated for not more than fifteen 32010
days to allow relocation of residents to the facility to which the 32011
beds have been relocated. Notwithstanding section 3721.03 of the 32012
Revised Code, if the relocated beds are in a home licensed under 32013

Chapter 3721. of the Revised Code, the facility's license is 32014
automatically reduced by the number of beds relocated effective 32015
fifteen days after the beds are relocated. If the beds are in a 32016
facility that is certified as a skilled nursing facility or 32017
nursing facility under Title XVIII or XIX of the "Social Security 32018
Act," the certification for the beds shall be surrendered. If the 32019
beds are registered under section 3701.07 of the Revised Code as 32020
skilled nursing beds or long-term care beds, the director shall 32021
remove the beds from registration not later than fifteen days 32022
after the beds are relocated. 32023

(E) The director shall monitor the activities of persons 32024
granted certificates of need during the period beginning with the 32025
granting of the certificate of need and ending five years after 32026
implementation of the activity for which the certificate was 32027
granted. 32028

~~(E)~~(F) When reviewing applications for certificates of need, 32029
considering appeals under section 3702.60 of the Revised Code, or 32030
monitoring activities of persons granted certificates of need, the 32031
director may issue and enforce, in the manner provided in section 32032
119.09 of the Revised Code, subpoenas and subpoenas duces tecum to 32033
compel ~~the production of a person to testify and produce~~ documents 32034
relevant to review of the application, consideration of the 32035
appeal, or monitoring of the activities. In addition, the director 32036
or the director's designee, ~~which may include a health service~~ 32037
~~agency,~~ may visit the sites where the activities are or will be 32038
conducted. 32039

~~(F)~~(G) The director may withdraw certificates of need. 32040

~~(G)~~ The director shall conduct, on a regular basis, health 32041
system data collection and analysis activities and prepare 32042
reports. The director shall make recommendations based upon these 32043
activities to the public health council concerning the adoption of 32044
appropriate rules under section 3702.57 of the Revised Code. (H) 32045

All health long-term care facilities and ~~other health care~~ 32046
~~providers~~ shall submit to the director, upon request, any 32047
information prescribed by rules adopted under division (H) of 32048
section 3702.57 of the Revised Code that is necessary to conduct 32049
reviews of certificate of need applications and to develop 32050
~~recommendations for~~ criteria for reviews, ~~and that is prescribed~~ 32051
~~by rules adopted under division (H) of section 3702.57 of the~~ 32052
~~Revised Code.~~ 32053

~~(H)~~(I) Any decision to grant or deny a certificate of need 32054
shall consider the special needs and circumstances resulting from 32055
moral and ethical values and the free exercise of religious rights 32056
of health long-term care facilities administered by religious 32057
organizations, and the special needs and circumstances of inner 32058
city and rural communities. 32059

Sec. ~~3702.522~~ 3702.521. (A) Reviews of applications for 32060
certificates of need to recategorize hospital beds to skilled 32061
nursing beds shall be conducted in accordance with this division 32062
and rules adopted by the ~~public~~ director of health council. 32063

(1) No hospital recategorizing beds shall apply for a 32064
certificate of need for more than twenty skilled nursing beds. 32065

(2) No beds for which a certificate of need is requested 32066
under this division shall be reviewed under or counted in any 32067
formula developed under ~~public health council~~ rules adopted by the 32068
director for the purpose of determining the number of long-term 32069
care beds that may be needed within the state. 32070

(3) No beds shall be approved under this division unless the 32071
hospital certifies and demonstrates in the application that the 32072
beds will be dedicated to patients with a length of stay of no 32073
more than thirty days. 32074

(4) No beds shall be approved under this division unless the 32075

hospital can satisfactorily demonstrate in the application that it 32076
is routinely unable to place the patients planned for the beds in 32077
accessible skilled nursing facilities. 32078

(5) In developing rules to implement this division, the 32079
~~public health council~~ director shall give special attention to the 32080
required documentation of the need for such beds, including the 32081
efforts made by the hospital to place patients in suitable skilled 32082
nursing facilities, and special attention to the appropriate size 32083
of units with such beds given the historical pattern of the 32084
applicant hospital's documented difficulty in placing skilled 32085
nursing patients. 32086

(B) ~~To assist the director of health~~ For assistance in 32087
monitoring the use of hospital beds recategorized as skilled 32088
nursing beds after August 5, 1989, the ~~public health council~~ 32089
director shall adopt rules specifying appropriate quarterly 32090
procedures for reporting to the department of health. 32091

(C) A patient may stay in a hospital bed that, after August 32092
5, 1989, has been recategorized as a skilled nursing bed for more 32093
than thirty days if the hospital is able to demonstrate that it 32094
made a good faith effort to place the patient in an accessible 32095
skilled nursing facility acceptable to the patient within the 32096
thirty-day period, but was unable to do so. 32097

(D) No hospital bed recategorized after August 5, 1989, as a 32098
skilled nursing bed shall be covered by a provider agreement under 32099
the medical assistance program established under Chapter 5111. of 32100
the Revised Code. 32101

(E) Nothing in this section requires a hospital to place a 32102
patient in any nursing home if the patient does not wish to be 32103
placed in the nursing home. Nothing in this section limits the 32104
ability of a hospital to file a certificate of need application 32105
for the addition of long-term care beds that meet the definition 32106

of "home" in section 3721.01 of the Revised Code. Nothing in this 32107
section limits the ability of the director to grant certificates 32108
of need necessary for hospitals to engage in demonstration 32109
projects authorized by the federal government for the purpose of 32110
enhancing long-term quality of care and cost containment. Nothing 32111
in this section limits the ability of hospitals to develop swing 32112
bed programs in accordance with federal regulations. 32113

No hospital that is granted a certificate of need after 32114
August 5, 1989, to recategorize hospital beds as skilled nursing 32115
beds is subject to sections 3721.01 to 3721.09 of the Revised 32116
Code. If the portion of the hospital in which the recategorized 32117
beds are located is certified as a skilled nursing facility under 32118
Title XVIII of the "Social Security Act," 49 Stat. 620 (1935), 42 32119
U.S.C.A. 301, as amended, that portion of the hospital is subject 32120
to sections 3721.10 to 3721.17 and sections 3721.21 to 3721.34 of 32121
the Revised Code. If the beds are registered pursuant to section 32122
3701.07 of the Revised Code as long-term care beds, the beds are 32123
subject to sections 3721.50 to 3721.58 of the Revised Code. 32124

~~(F) The public health council shall adopt rules authorizing 32125
the creation of one or more nursing home placement clearinghouses. 32126
Any public or private agency or facility may apply to the 32127
department of health to serve as a nursing home placement 32128
clearinghouse, and the rules shall provide the procedure for 32129
application and process for designation of clearinghouses. 32130~~

~~The department may approve one or more clearinghouses, but in 32131
no event shall there be more than one nursing home placement 32132
clearinghouse in each county. Any nursing home may list with a 32133
nursing home placement clearinghouse the services it provides and 32134
the types of patients it is approved for and equipped to serve. 32135
The clearinghouse shall make reasonable efforts to update its 32136
information at least every six months. 32137~~

~~If an appropriate clearinghouse has been designated, each 32138~~

~~hospital granted a certificate of need after August 5, 1989, to 32139
recategorize hospital beds as skilled nursing beds shall, and any 32140
other hospital may, utilize the nursing home placement 32141
clearinghouse prior to admitting a patient to a skilled nursing 32142
bed within the hospital and prior to keeping a patient in a 32143
skilled nursing bed within a hospital in excess of thirty days. 32144~~

~~The department shall provide at least annually to all 32145
hospitals a list of the designated nursing home placement 32146
clearinghouses. 32147~~

Sec. ~~3702.523~~ 3702.522. A person who has an application for a 32148
certificate of need pending with the director of health may revise 32149
the application to change the site of the proposed project unless 32150
either of the following applies: 32151

(A) The director, under section 3702.52 of the Revised Code, 32152
has mailed the applicant a written notice that the application is 32153
complete. 32154

(B) The application is subject to a comparative review under 32155
section 3702.593 of the Revised Code. 32156

The only revision that may be made in the revised application 32157
is the site of the proposed project. The revised site of the 32158
proposed project must be located in the same county as the site of 32159
the proposed project specified in the original application. The 32160
director may not accept a revised application if it includes 32161
revisions other than the site of the proposed project or if the 32162
revised site is located in a different county than the county in 32163
which the site specified in the original application is located. 32164

A revised application shall be accompanied by an additional, 32165
~~non-refundable~~ nonrefundable fee equal to twenty-five per cent of 32166
the fee charged under section 3702.52 of the Revised Code for the 32167
original application. The additional fee shall be deposited into 32168

the certificate of need fund created under section 3702.52 of the Revised Code. 32169
32170

On acceptance of a revised application, the director shall 32171
continue to review the application as revised in accordance with 32172
section 3702.52 of the Revised Code to determine whether it is 32173
complete and, if necessary and regardless of whether the director 32174
previously made two requests for additional information, may make 32175
a final written request to the applicant for additional 32176
information not later than thirty days after the date the director 32177
accepts the revised application. 32178

Sec. ~~3702.524~~ 3702.523. (A) Except as provided in division 32179
(B) of this section, a certificate of need ~~granted on or after~~ 32180
~~April 20, 1995,~~ is not transferable prior to the completion of the 32181
reviewable activity for which it was granted. If any person 32182
holding a certificate of need ~~issued on or after that date~~ 32183
transfers the certificate of need to another person before the 32184
reviewable activity is completed, or enters into an agreement that 32185
contemplates the transfer of the certificate of need on the 32186
completion of the reviewable activity, the certificate of need is 32187
void. If the controlling interest in an entity that holds a 32188
certificate of need ~~issued on or after that date~~ is transferred 32189
prior to the completion of the reviewable activity, the 32190
certificate of need is void. 32191

(B) Division (A) of this section does not prohibit the 32192
transfer of a certificate of need ~~issued on or after April 20,~~ 32193
~~1995,~~ between affiliated or related persons, as defined in rules 32194
adopted under section 3702.57 of the Revised Code, if the transfer 32195
does not result in a change in the person that holds the ultimate 32196
controlling interest, as defined in the rules, in the certificate 32197
of need. 32198

The transfer of a ~~health~~ long-term care facility after the 32199

completion of a reviewable activity for which a certificate of 32200
need was issued ~~on or after April 20, 1995,~~ is not a transfer of 32201
the certificate of need, unless the facility is transferred 32202
pursuant to an agreement entered into prior to the completion of 32203
the reviewable activity. 32204

Sec. ~~3702.525~~ 3702.524. (A) Not later than twenty-four months 32205
after the date the director of health mails the notice that the 32206
certificate of need has been granted or, if the grant or denial of 32207
the certificate of need is appealed under section 3702.60 of the 32208
Revised Code, not later than twenty-four months after issuance of 32209
an order granting the certificate that is not subject to further 32210
appeal, each person holding a certificate of need granted ~~on or~~ 32211
~~after April 20, 1995,~~ shall: 32212

(1) If the project for which the certificate of need was 32213
granted primarily involves construction and is to be financed 32214
primarily through external borrowing of funds, secure financial 32215
commitment for the stated purpose of developing the project and 32216
commence construction that continues uninterrupted except for 32217
interruptions or delays that are unavoidable due to reasons beyond 32218
the person's control, including labor strikes, natural disasters, 32219
material shortages, or comparable events; 32220

(2) If the project for which the certificate of need was 32221
granted primarily involves construction and is to be financed 32222
primarily internally, receive formal approval from the holder's 32223
board of directors or trustees or other governing authority to 32224
commit specified funds for implementation of the project and 32225
commence construction that continues uninterrupted except for 32226
interruptions or delays that are unavoidable due to reasons beyond 32227
the person's control, including labor strikes, natural disasters, 32228
material shortages, or comparable events; 32229

~~(3) If the project for which the certificate of need was~~ 32230

~~granted primarily involves acquisition of medical equipment, enter 32231
into a contract to purchase or lease the equipment and to accept 32232
the equipment at the site for which the certificate was granted;~~ 32233

(4) If the project for which the certificate of need was 32234
granted involves no capital expenditure or only minor renovations 32235
to existing structures, provide the ~~health~~ long-term care service 32236
~~or activity~~ by the means specified in the approved application for 32237
the certificate; 32238

~~(5)~~(4) If the project for which the certificate of need was 32239
granted primarily involves leasing a building or space that 32240
requires only minor renovations to the existing space, execute a 32241
lease and provide the ~~health~~ long-term care service ~~or activity~~ by 32242
the means specified in the approved application for the 32243
certificate; 32244

~~(6)~~(5) If the project for which the certificate of need was 32245
granted primarily involves leasing a building or space that has 32246
not been constructed or requires substantial renovations to 32247
existing space, commence construction for the purpose of 32248
implementing the reviewable activity that continues uninterrupted 32249
except for interruptions or delays that are unavoidable due to 32250
reasons beyond the person's control, including labor strikes, 32251
natural disasters, material shortages, or comparable events. 32252

(B) The twenty-four-month period specified in division (A) of 32253
this section shall not be extended by any means, including the 32254
granting of a subsequent or replacement certificate of need. Each 32255
person holding a certificate of need ~~granted on or after April 20,~~ 32256
~~1995,~~ shall provide the director of health documentation of 32257
compliance with that division not later than the earlier of thirty 32258
days after complying with that division or five days after the 32259
twenty-four-month period expires. Not later than the earlier of 32260
fifteen days after receiving the documentation or fifteen days 32261
after the twenty-four-month period expires, the director shall 32262

send by certified mail a notice to the holder of the certificate 32263
of need specifying whether the holder has complied with division 32264
(A) of this section. 32265

(C) ~~Notwithstanding division (B) of this section, the~~ 32266
~~twenty four month period specified in division (A) of this section~~ 32267
~~shall be extended for an additional twenty four months for any~~ 32268
~~certificate of need granted for the purchase and relocation of~~ 32269
~~licensed nursing home beds on February 26, 1999.~~ 32270

~~(D) A certificate of need granted on or after April 20, 1995,~~ 32271
expires, regardless of whether the director sends a notice under 32272
division (B) of this section, if the holder fails to comply with 32273
division (A) ~~or (C)~~ of this section or to provide information 32274
under division (B) of this section as necessary for the director 32275
to determine compliance. The determination by the director that a 32276
certificate of need has expired is final and not appealable under 32277
Chapter 119. of the Revised Code. 32278

Sec. ~~3702.526~~ 3702.525. Every six months after complying with 32279
section ~~3702.525~~ 3702.524 of the Revised Code, the holder of the 32280
certificate of need shall demonstrate to the director of health, 32281
in the form and manner required by rules adopted under section 32282
3702.57 of the Revised Code, that reasonable progress is being 32283
made toward the completion of the reviewable activity. If the 32284
director determines, in accordance with standards specified in the 32285
rules, that reasonable progress is not being made, ~~he~~ the director 32286

to be encountered by ~~man~~ a human being when the substance is used 35982
in any reasonably foreseeable manner; 35983
- (c) Produces death within fourteen days in half or more than 35984

36291

Sec. 3717.07. (A) For purposes of establishing a licensing fee under sections 3717.25 and 3717.45 of the Revised Code, the director of agriculture and the ~~public~~ director of health council shall adopt rules establishing uniform methodologies for use in calculating the costs of licensing retail food establishments in the categories specified by the director of agriculture and the costs of licensing food service operations in the categories specified by the ~~council~~ director of health. enforcement of the provisions of this chapter and the rules 36337
adopted under it applicable to food service operations. 36338

Any licensing fee charged under this section shall be based 36339
on the licensor's costs of regulating food service operations, as 36340

proposed fee. At least twenty days prior to holding a public 36350
hearing, the licensor shall give written notice of the hearing to 36351
each person or government entity holding a food service operation 36352

license that may be affected by the proposed fee. The notice shall 36353

specify the date, time, and place of the hearing and the amount of 36355
the proposed fee. On request, the licensor shall provide the 36356
completed uniform methodology used in the calculation of the 36357
licensor's costs and the proposed fee. 36358

administering and enforcing the provisions of this chapter and the 36375
rules adopted under it applicable to food service operations. 36376
Licensors shall collect the amount prior to issuing an applicant's 36377
new or renewed license. If a licensing fee is charged under this 36378
section, the licensor shall collect the amount at the same time 36379
the fee is collected. Licensors are not required to provide notice 36380
or hold public hearings regarding amounts to be collected. 36381

the provisions of this chapter and the rules adopted under it 36404
applicable to food service operations. 36405

~~(4) The director may submit recommendations to the public 36406
health council regarding the amounts collected under division 36407
(C)(1) of this section. When making recommendations, the director 36408
shall submit a report stating the current and projected expenses 36409
of administering and enforcing the provisions of this chapter and 36410
the rules adopted under it applicable to food service operations 36411
and the total of all amounts that have been deposited in the 36412
general operations fund pursuant to division (C)(3) of this 36413
section. The director may include in the report any 36414~~

~~recommendations for modifying the department's administration and 36415

adopted under it applicable to food service operations. 36417~~

Sec. 3717.51. Pursuant to section 3717.04 of the Revised 36419
Code, the ~~public~~ director of health council shall adopt rules 36420

Sec. 3718.02. (A) The ~~public~~ director of health council, in 36439
accordance with Chapter 119. of the Revised Code, shall adopt, and 36440

throughout the state to administer this chapter. Rules adopted 36442
under division (A) of this section shall do at least all of the 36443
following: 36444

- (1) Require that the appropriate board of health approve or disapprove the installation, operation, and alteration of a sewage treatment system if it is not connected to a sanitary sewerage system; 36445
36446
36447
36448
- (2) Require a board of health, or other person as established by rule, to conduct a site evaluation for any proposed installation of a sewage treatment system; 36449
36450
36451
- (3) Prescribe standards for the siting, design, installation, operation, monitoring, maintenance, and abandonment of sewage treatment systems that may be used in this state and for the progressive or incremental alteration or repair of an existing sewage treatment system or the progressive or incremental installation of a new system to replace an existing sewage treatment system. The rules shall be adopted so as to establish a preference for the repair of an existing sewage treatment system, when technically and economically feasible, rather than its replacement with a new system. The standards shall include at a minimum all of the following: 36452
36453
36454
36455
36456
36457
36458
36459
36460
36461
36462
- (a) Soil absorption specifications and vertical separation distances. 36463
36464
- (i) Soil absorption specifications established in rules shall include standards regarding the sizing of sewage treatment systems in use in the state. 36465
36466
36467
- (ii) In establishing soil absorption specifications and vertical separation distances, the rules shall identify those soil conditions that present a low or moderate risk of inadequate treatment or dispersal of sewage from sewage treatment systems. For low and moderate risk conditions, the required vertical separation distance shall not exceed eighteen inches except as authorized pursuant to rules adopted under divisions (A)(3)(a)(iii) and (iv) of this section. 36468
36469
36470
36471
36472
36473
36474
36475

In addition, the rules shall identify those soil conditions 36476
that present a high risk of inadequate treatment or dispersal of 36477
sewage. For such high risk conditions, the vertical separation 36478
distance shall be set at a depth from twenty-four to thirty-six 36479
inches and shall not be lowered unless a reduction of vertical 36480
separation is granted in accordance with rules adopted under 36481
division (A)(3)(a)(iii) of this section. 36482

(iii) The rules shall establish options to be utilized by a 36483
board of health when approving the reductions of or compliance 36484
with vertical separation distances that are established in rules 36485
adopted under division (A)(3)(a)(ii) of this section. The options 36486
for a board of health in providing such approval shall include, 36487
but not be limited to: the use where deemed appropriate for a 36488
particular site of subsurface interceptor drains, perimeter 36489
drains, or engineered drainage; pretreatment of sewage; or soil 36490
elevation. 36491

(iv) The rules shall provide that a board of health may 36492
petition the director to increase the vertical separation 36493
distances required for sewage treatment systems in the applicable 36494
health district or a portion of the district when conditions 36495
present a high risk of inadequate treatment or dispersal of 36496
sewage. The rules also shall provide that the director may approve 36497
such a request upon a demonstration by the board of health that 36498
unusual or unique local conditions relating to terrain, bedrock, 36499
water table, soil fragments, or soil textures require the 36500
establishment of greater vertical separation distances within the 36501
jurisdiction of the board of health or a portion thereof. If, 36502
under the rules, the director of health approves a greater 36503
vertical separation distance, a board of health still may approve 36504
a reduction of that vertical separation distance for an individual 36505
sewage treatment system pursuant to rules adopted under division 36506

advisory committee or according to accepted standards and 36524
practices established in rules, as applicable. The requirements 36525

subject to inspection by the board and the reasonable cost of the 36566
inspection must be paid by the person. The rules shall authorize a 36567
board of health to inspect any sewage treatment system if there is 36568

The rules shall require that the reasonable costs for sewage effluent testing or evaluation be paid by the owner of a sewage treatment system that is being investigated. Further, the rules shall establish a methodology for determining the reasonable costs of an inspection in accordance with section 3709.09 of the Revised Code. The rules shall establish uniform statewide bonding requirements or other financial security requirements for installers, service providers, and septage haulers as a condition of registration within any health district. The rules shall establish a methodology by which the required amount of a bond or other security may be calculated for each installer, service provider, and septage hauler. The methodology, at a minimum, shall consider the number of systems installed or serviced and the type of system installed or serviced by an installer, service provider, or septage hauler on an annual basis. The rules shall provide that no board of health shall require an additional or different bond or security requirement as a condition of registration beyond the bonding and security requirements established in the rules adopted under division (A)(8) of this section.

maintenance instructions, if available, when a board of health or 36624
a manufacturer receives a written request for instructions. 36625

facility pursuant to ~~Chapter 5119.~~ section 5119.22 of the Revised 37222
Code if the director determines that the part or unit to be 37223

residential facility. 37226

~~(C)~~(D) In determining the number of residents in a home for 37227

individuals for whom the home provides accommodations as one group 37229
unless one of the following is the case: 37230

(1) The home is a home for the aging, in which case all the 37231
individuals in the part or unit licensed as a nursing home shall 37232
be considered as one group, and all the individuals in the part or 37233
unit licensed as a rest home shall be considered as another group. 37234

(2) The home is both a nursing home and ~~an adult care~~ a 37235
residential facility. In that case, all the individuals in the 37236
part or unit licensed as a nursing home shall be considered as one 37237
group, and all the individuals in the part or unit licensed as an 37238
adult care facility shall be considered as another group. 37239

(3) The home maintains, in addition to a nursing home or 37240
residential care facility, a separate and discrete part or unit 37241
that provides accommodations to individuals who do not require or 37242
receive skilled nursing care and do not receive personal care 37243
services from the home, in which case the individuals in the 37244
separate and discrete part or unit shall not be considered in 37245
determining the number of residents in the home if the separate 37246
and discrete part or unit is in compliance with the Ohio basic 37247
building code established by the board of building standards under 37248
Chapters 3781. and 3791. of the Revised Code and the home permits 37249
the director, on request, to inspect the separate and discrete 37250
part or unit and speak with the individuals residing there, if 37251

they consent, to determine whether the separate and discrete part 37252
or unit meets the requirements of this division. 37253

~~(D)~~(E)(1) The director of health shall charge the following 37254
application fee and annual renewal licensing and inspection fee 37255

twenty dollars. 37261

enforcing this chapter and rules adopted under it. 37266

~~(E)~~(F)(1) Except as otherwise provided in this section, the 37267
results of an inspection or investigation of a home that is 37268
conducted under this section, including any statement of 37269
deficiencies and all findings and deficiencies cited in the 37270
statement on the basis of the inspection or investigation, shall 37271
be used solely to determine the home's compliance with this 37272
chapter or another chapter of the Revised Code in any action or 37273
proceeding other than an action commenced under division (I) of 37274
section 3721.17 of the Revised Code. Those results of an 37275
inspection or investigation, that statement of deficiencies, and 37276
the findings and deficiencies cited in that statement shall not be 37277
used in any court or in any action or proceeding that is pending 37278
in any court and are not admissible in evidence in any action or 37279
proceeding unless that action or proceeding is an appeal of an 37280
action by the department of health under this chapter or is an 37281
action by any department or agency of the state to enforce this 37282

chapter or another chapter of the Revised Code. 37283

(2) Nothing in division (E)(1) of this section prohibits the 37284
results of an inspection or investigation conducted under this 37285
section from being used in a criminal investigation or 37286
prosecution. 37287

Sec. 3721.03. (A) As used in this section, "person" has the 37288
same meaning as in section 1.59 of the Revised Code. 37289

(B) The director of health shall enforce the provisions of 37290
sections 3721.01 to 3721.13 and 3721.99 of the Revised Code and 37291
may issue orders to secure compliance with the provisions of these 37292
sections and the rules adopted under them. The director may hold 37293
hearings, issue subpoenas, compel testimony, and make 37294
adjudications. 37295

The director may issue an order revoking a license in the 37296
event the director finds, upon hearing or opportunity afforded 37297
pursuant to Chapter 119. of the Revised Code, that any of the 37298
following apply to a person, county home, or district home 37299
licensed under section 3721.07 of the Revised Code: 37300

(5) Has had a long-standing pattern of violations of this 37309
chapter or the rules adopted under it that has caused physical, 37310
emotional, mental, or psychosocial harm to one or more residents. 37311

Upon the issuance of any order of revocation, the person 37312
whose license is revoked, or the county home or district home that 37313
has its license revoked, may appeal in accordance with Chapter 37314
119. of the Revised Code. 37315

(C) Once the director notifies a person, county home, or 37316
district home licensed to operate a home that the license may be 37317
revoked or issues any order under this section, the person, county 37318
home, or district home shall not assign or transfer to another 37319
person or entity the right to operate the home. This prohibition 37320
shall remain in effect until proceedings under Chapter 119. of the 37321
Revised Code concerning the order or license revocation have been 37322

all necessary steps to cease operation of the home. 37331

The director of health shall not accept a certificate of need 37332

another officer having responsibilities under sections 3721.01 to 37343
3721.09 of the Revised Code with respect to the interpretation or 37344

or dispose of, or amenable for recovery, storage, further 39222
treatment, or disposal; or to reduce the volume of the waste. When 39223
used in connection with infectious wastes, "treat" or "treatment" 39224
means any method, technique, or process designed to render the 39225

or amendments to those plans approved or ordered to be implemented 39693
under section 3734.521 or 3734.56 of the Revised Code, and report 39694
its findings to the director. 39695

Sec. 3734.55. (A) Upon completion of its draft solid waste 39696
management plan under section 3734.54 of the Revised Code, the 39697
solid waste management policy committee of a county or joint solid 39698
waste management district shall send a copy of the draft plan to 39699
the director of environmental protection for preliminary review 39700
and comment. Within forty-five days after receiving the draft 39701
plan, the director shall provide the committee with a written, 39702
nonbinding advisory opinion regarding the draft plan and any 39703
recommended changes to it that the director considers necessary to 39704
effect its approval. After receipt of the director's written 39705
opinion, the committee may make such revisions to the draft plan 39706
based on the director's opinion as it considers appropriate. Upon 39707
receipt of the director's opinion and after making any such 39708
revisions to the draft plan, the committee shall prepare and 39709

district, and by the public. The committee also shall send written 39719
notice of the plan to the director and to the fifty industrial, 39720
commercial, or institutional generators of solid wastes within the 39721
district that generate the largest quantities of solid wastes, as 39722
determined by the board, and their local trade associations. The 39723
board shall make good faith efforts to identify those generators 39724
within the district and their local trade associations, but the 39725
nonprovision of notice under this division to a particular 39726
industrial, commercial, or institutional generator or local trade 39727
association does not invalidate the proceedings under this 39728
section. All such written notices shall include the date, time, 39729
and location of the public hearing; the dates when the comment 39730
period begins and ends; and a description of the plan that 39731
includes, without limitation, the proposed amount of the fees to 39732
be levied under the plan pursuant to division (B) of section 39733
3734.57 or division (A) of section 3734.573 of the Revised Code, 39734
if any, and an indication as to whether the provision required to 39735
be included in the plan under division (E)(1) of section 3734.53 39736

the Revised Code. Within fifteen days after expiration of the 39740
comment period, the committee shall conduct a public hearing 39741
concerning the draft plan and, at least fifteen days before the 39742
hearing, shall publish in at least one newspaper of general 39743

circulation within the county or joint district a notice 39744
containing the time and place of the hearing and the location 39745
where the draft plan is available for review. 39746

(B) After the public hearing, the committee may modify the 39747
draft plan based upon the public's comments and shall adopt or 39748
reject it by a majority vote. Within thirty days after adoption of 39749
the draft plan, the committee shall deliver a copy of it to the 39750
board of county commissioners of each county forming the district 39751
and to the legislative authority of each municipal corporation and 39752
township under the jurisdiction of the district. Within ninety 39753
days after receiving a copy of the draft plan adopted by the 39754
committee, each such board and legislative authority shall approve 39755
or disapprove the draft plan, by ordinance or resolution, and 39756
deliver a copy of the ordinance or resolution to the committee. 39757

The solid waste management policy committee of a county 39758
district or a joint district formed by two or three counties shall 39759
declare the draft plan to be ratified as the solid waste 39760
management plan of the district upon determining that the board of 39761
county commissioners of each county forming the district has 39762
approved the draft plan and that the legislative authorities of a 39763
combination of municipal corporations and townships with a 39764
combined population within the county or joint district comprising 39765
at least sixty per cent of the total population of the district 39766
have approved the draft plan, provided that in the case of a 39767
county district, that combination shall include the municipal 39768
corporation having the largest population within the boundaries of 39769
the district, and provided further that in the case of a joint 39770
district formed by two or three counties, that combination shall 39771
include for each county forming the joint district the municipal 39772
corporation having the largest population within the boundaries of 39773
both the county in which the municipal corporation is located and 39774
the joint district. The solid waste management policy committee of 39775

a joint district formed by four or more counties shall declare the draft plan to be ratified as the solid waste management plan of the joint district upon determining that the boards of county commissioners of a majority of the counties forming the district have approved the draft plan; that, in each of a majority of the counties forming the joint district, the draft plan has been approved by the municipal corporation having the largest population within the county and the joint district; and that the legislative authorities of a combination of municipal corporations and townships with a combined population within the joint district comprising at least sixty per cent of the total population of the joint district have approved the draft plan.

For the purposes of this division and division (C)(2) of this section, only the population of the unincorporated area of a township shall be considered. For the purpose of determining the largest municipal corporation within each county under this division and division (C)(2) of this section, a municipal corporation that is located in more than one solid waste management district, but that is under the jurisdiction of one county or joint solid waste management district in accordance with division (A) of section 3734.52 of the Revised Code shall be considered to be within the boundaries of the county in which a majority of the population of the municipal corporation resides.

(C)(1) Upon ratification of the draft plan under division (B) of this section, the committee shall submit it to the director for review and approval for compliance with the requirements of divisions (A), (B), (D), and (E)(1) of section 3734.53 of the Revised Code. The director, by order, shall approve or disapprove the plan within ninety days after its submission. The director shall include with an order disapproving a plan a statement outlining the deficiencies in the plan and directing the committee to submit, within ninety days after issuance of the order, a

revised plan that remedies those deficiencies, except that if the 39808
committee, by resolution, requests an extension of the time for 39809
submission of a revised plan, the director, for good cause shown, 39810
may grant one such extension for a period of not more than sixty 39811
additional days. 39812

(2) Within sixty days after issuance of the order 39813
disapproving its plan, the committee shall prepare a draft revised 39814
plan, adopt a draft revised plan by a majority vote, and deliver a 39815
copy of the draft revised plan to the board of county 39816
commissioners of each county forming the district and to the 39817
legislative authority of each municipal corporation and township 39818
under the jurisdiction of the district. Within twenty-one days 39819
after the delivery of the draft revised plan, each such board and 39820
legislative authority shall approve or disapprove the draft 39821
revised plan, by ordinance or resolution, and deliver a copy of 39822
the ordinance or resolution to the committee. In the case of a 39823
county district or a joint district formed by two or three 39824
counties, the committee shall declare the draft revised plan to be 39825
ratified as the solid waste management plan of the county or joint 39826
district upon determining that the board of county commissioners 39827
of each county forming the district has approved the draft revised 39828
plan and that the legislative authorities of a combination of 39829
municipal corporations and townships with a combined population 39830
within the district comprising at least sixty per cent of the 39831
total population of the district have approved the draft revised 39832
plan, provided that in the case of a county district, that 39833
combination shall include the municipal corporation having the 39834
largest population within the boundaries of the district, and 39835
provided further that in the case of a joint district formed by 39836
two or three counties, that combination shall include for each 39837
county forming the joint district the municipal corporation having 39838
the largest population within the boundaries of both the county in 39839
which the municipal corporation is located and the joint district. 39840

In the case of a joint district formed by four or more counties, 39841
the committee shall declare the draft revised plan to be ratified 39842
as the solid waste management plan of the joint district upon 39843
determining that the boards of county commissioners of a majority 39844
of the counties forming the district have approved the draft 39845
revised plan; that, in each of a majority of the counties forming 39846
the joint district, the draft revised plan has been approved by 39847
the municipal corporation having the largest population within the 39848
county and the joint district; and that the legislative 39849
authorities of a combination of municipal corporations and 39850
townships with a combined population within the joint district 39851
comprising at least sixty per cent of the total population of the 39852
joint district have approved the draft revised plan. Upon 39853
ratification of the draft revised plan, the committee shall submit 39854
it to the director for approval in accordance with division (C)(1) 39855
of this section. The director, by order, shall approve or 39856
disapprove the draft revised plan within thirty days after 39857
receiving it. 39858

(3) Notwithstanding section 119.06 of the Revised Code, the 39859
director may approve or disapprove a plan or revised plan 39860
submitted under division (C)(1) or (2) of this section by issuance 39861
of a final order that is effective upon issuance, without the 39862
necessity to hold any adjudication hearing in connection with the 39863
order and without issuance of a proposed action under section 39864
3745.07 of the Revised Code. In any appeal taken under section 39865
3745.04 of the Revised Code pertaining to the director's 39866
disapproval of the solid waste management plan or revised plan of 39867
a county or joint district, the solid waste management policy 39868
committee of the county or joint district and the director shall 39869
be the parties. Upon a showing by the policy committee that there 39870
is a substantial likelihood that it will prevail on the merits, 39871
the environmental review appeals commission, within thirty days 39872
after filing of the notice of appeal under that section and 39873

pending final determination of the appeal, may grant temporary relief from the director's order disapproving the district's plan, including the issuance of appropriate orders to the director to refrain from acting under division (D) of this section.

(4) After approval of the plan or revised plan by the director, the board of county commissioners of a county district or board of directors of a joint district shall implement the plan in compliance with the implementation schedule contained in the approved plan.

accordance with the following schedule: 41970

| Total tons per year of regulated pollutants emitted | Annual fee per facility | |

| 100 or more | 700 | 41977 |

(3)(a) As used in division (D) of this section, "synthetic 41978
minor facility" means a facility for which one or more permits to 41979
install or permits to operate have been issued for the air 41980
contaminant sources at the facility that include terms and 41981
conditions that lower the facility's potential to emit air 41982
contaminants below the major source thresholds established in 41983
rules adopted under section 3704.036 of the Revised Code. 41984

(b) Beginning January 1, 2000, through June 30, 2014, each 41985
person who owns or operates a synthetic minor facility shall pay 41986
an annual fee based on the sum of the actual annual emissions from 41987
the facility of particulate matter, sulfur dioxide, nitrogen 41988
dioxide, organic compounds, and lead in accordance with the 41989
following schedule: 41990

| Combined total tons per year of all regulated pollutants emitted | Annual fee per facility | |

(4) The fees assessed under division (D)(1) of this section 42005
shall be collected annually no sooner than the fifteenth day of 42006
April, commencing in 1995. The fees assessed under division (D)(2) 42007
of this section shall be collected annually no sooner than the 42008
fifteenth day of April, commencing in 2005. The fees assessed 42009
under division (D)(3) of this section shall be collected no sooner 42010
than the fifteenth day of April, commencing in 2000. The fees 42011
assessed under division (D) of this section in a calendar year 42012
shall be based upon the sum of the actual emissions of those 42013
regulated pollutants during the preceding calendar year. For the 42014
purpose of division (D) of this section, emissions of air 42015
contaminants may be calculated using engineering calculations, 42016
emission factors, material balance calculations, or performance 42017
testing procedures, as authorized by the director. The director, 42018
by rule, may require persons who are required to pay the fees 42019
assessed under division (D) of this section to pay those fees 42020
biennially rather than annually. 42021

(E)(1) Consistent with the need to cover the reasonable costs 42022
of the Title V permit program, the director annually shall 42023
increase the fees prescribed in division ~~(C)(1)~~(B) of this section 42024
by the percentage, if any, by which the consumer price index for 42025
the most recent calendar year ending before the beginning of a 42026
year exceeds the consumer price index for calendar year 1989. Upon 42027
calculating an increase in fees authorized by division (E)(1) of 42028
this section, the director shall compile revised fee schedules for 42029
the purposes of division ~~(C)(1)~~(B) of this section and shall make 42030
the revised schedules available to persons required to pay the 42031
fees assessed under that division and to the public. 42032

(2) For the purposes of division (E)(1) of this section: 42033

(a) The consumer price index for any year is the average of 42034
the consumer price index for all urban consumers published by the 42035
United States department of labor as of the close of the 42036
twelve-month period ending on the thirty-first day of August of 42037
that year. 42038

(b) If the 1989 consumer price index is revised, the director 42039
shall use the revision of the consumer price index that is most 42040
consistent with that for calendar year 1989. 42041

(F) Each person who is issued a permit to install pursuant to 42042
rules adopted under division (F) of section 3704.03 of the Revised 42043
Code on or after July 1, 2003, shall pay the fees specified in the 42044
following schedules: 42045

(1) Fuel-burning equipment (boilers, furnaces, or process 42046
heaters used in the process of burning fuel for the primary 42047
purpose of producing heat or power by indirect heat transfer) 42048

process heater designed to provide direct heat or power to a 42087
process not designed to generate electricity shall be assessed a 42088

to Chapter 6111. of the Revised Code with an average daily 42257
discharge flow of five thousand gallons or more shall pay a 42258
nonrefundable annual discharge fee. Any person who fails to pay 42259
the fee at that time shall pay an additional amount that equals 42260
ten per cent of the required annual discharge fee. 42261

(ii) The billing year for the annual discharge fee 42262
established in division (L)(5)(a)(i) of this section shall consist 42263
of a twelve-month period beginning on the first day of January of 42264
the year preceding the date when the annual discharge fee is due. 42265
In the case of an existing source that permanently ceases to 42266
discharge during a billing year, the director shall reduce the 42267
annual discharge fee, including the surcharge applicable to 42268
certain industrial facilities pursuant to division (L)(5)(c) of 42269
this section, by one-twelfth for each full month during the 42270

in gallons per day calculated using first day of May through 42280
thirty-first day of October flow data for the period two years 42281
prior to the date on which the fee is due. In the case of NPDES 42282

discharge permits for new sources, the fee shall be calculated 42283
using the average daily design flow of the facility until actual 42284
average daily discharge flow values are available for the time 42285
period specified in division (L)(5)(a)(iii) of this section. The 42286
annual discharge fee may be prorated for a new source as described 42287

(i) Except as provided in division (Y)(2)(d) of this section, a sewage sludge facility that treats or disposes of exceptional quality sludge shall pay a minimum annual sewage sludge fee of one hundred dollars.

(ii) A sewage sludge facility that treats or disposes of exceptional quality sludge shall not be required to pay the annual sludge fee for treatment or disposal in this state of exceptional quality sludge generated outside of this state and contained in bags or other containers not greater than one hundred pounds in capacity.

A thirty-five per cent reduction for exceptional quality sludge applies to the maximum annual fees established under division (Y)(3) of this section.

(c) A sewage sludge facility that transfers sewage sludge to another sewage sludge facility in this state for further treatment prior to disposal in this state shall not be required to pay the annual sludge fee for the tons of sewage sludge that have been transferred. In such a case, the sewage sludge facility that disposes of the sewage sludge shall pay the annual sludge fee. However, the facility transferring the sewage sludge shall pay the one-hundred-dollar minimum fee required under division (Y)(2)(a) of this section.

In the case of a sewage sludge facility that treats sewage sludge in this state and transfers it out of this state to another entity for disposal, the sewage sludge facility in this state

shall be required to pay the annual sludge fee for the tons of 42880
sewage sludge that have been transferred. 42881

(d) A sewage sludge facility that generates sewage sludge 42882
resulting from an average daily discharge flow of less than five 42883
thousand gallons per day is not subject to the fees assessed under 42884
division (Y) of this section. 42885

(3) No sewage sludge facility required to pay the annual 42886

(b) of this section: twenty thousand dollars. 42898

(4)(a) In the case of an entity that generates sewage sludge 42899
or a sewage sludge facility that treats sewage sludge and 42900
transfers the sewage sludge to an incineration facility for 42901
disposal, the incineration facility, and not the entity generating 42902
the sewage sludge or the sewage sludge facility treating the 42903
sewage sludge, shall pay the annual sludge fee for the tons of 42904
sewage sludge that are transferred. However, the entity or 42905

July as the deadline for payment of the fee. 42922

Not later than the first day of May following receipt of an 42923
invoice, a person required to pay the annual sludge fee may submit 42924
objections to the director concerning the accuracy of information 42925
regarding the number of dry tons of sewage sludge used to 42926
calculate the amount of the annual sludge fee or regarding whether 42927
the sewage sludge qualifies for the exceptional quality sludge 42928
discount established in division (Y)(2)(b) of this section. The 42929
director may consider the objections and adjust the amount of the 42930
fee to ensure that it is accurate. 42931

If the director does not adjust the amount of the annual 42932
sludge fee in response to a person's objections, the person may 42933
appeal the director's determination in accordance with Chapter 42934
119. of the Revised Code. 42935

Not later than the first day of June, the director shall 42936
notify the objecting person regarding whether the director has 42937
found the objections to be valid and the reasons for the finding. 42938
If the director finds the objections to be valid and adjusts the 42939
amount of the annual sludge fee accordingly, the director shall 42940
issue with the notification a new invoice to the person 42941
identifying the amount of the annual sludge fee assessed and 42942

stating the first day of July as the deadline for payment. 42943

Not later than the first day of July, any person who is 42944
required to do so shall pay the annual sludge fee. Any person who 42945
is required to pay the fee, but who fails to do so on or before 42946
that date shall pay an additional amount that equals ten per cent 42947
of the required annual sludge fee. 42948

of administering and enforcing provisions in Chapter 6111. of the 42953
Revised Code and rules adopted under it that govern the use, 42954
storage, treatment, or disposal of sewage sludge. 42955

(7) Beginning in fiscal year 2001, and every two years 42956
thereafter, the director shall review the total amount of moneys 42957
generated by the annual sludge fees to determine if that amount 42958
exceeded six hundred thousand dollars in either of the two 42959
preceding fiscal years. If the total amount of moneys in the fund 42960
exceeded six hundred thousand dollars in either fiscal year, the 42961
director, after review of the fee structure and consultation with 42962
affected persons, shall issue an order reducing the amount of the 42963
fees levied under division (Y) of this section so that the 42964
estimated amount of moneys resulting from the fees will not exceed 42965
six hundred thousand dollars in any fiscal year. 42966

If, upon review of the fees under division (Y)(7) of this 42967
section and after the fees have been reduced, the director 42968
determines that the total amount of moneys collected and 42969
accumulated is less than six hundred thousand dollars, the 42970
director, after review of the fee structure and consultation with 42971
affected persons, may issue an order increasing the amount of the 42972
fees levied under division (Y) of this section so that the 42973
estimated amount of moneys resulting from the fees will be 42974

approximately six hundred thousand dollars. Fees shall never be 42975
increased to an amount exceeding the amount specified in division 42976
(Y)(7) of this section. 42977

Notwithstanding section 119.06 of the Revised Code, the 42978
director may issue an order under division (Y)(7) of this section 42979
without the necessity to hold an adjudicatory hearing in 42980

States or any agency or instrumentality of the United States other 43391
than the United States department of energy or the United States 43392
nuclear regulatory commission where state regulation of the 43393
treatment, recycling, storage, or disposal of low-level 43394
radioactive waste by either of those agencies is prohibited by 43395
federal law. 43396

(B) No person shall treat, recycle, store, or dispose of any 43397
low-level radioactive waste except at a facility that is licensed 43398
for treatment, recycling, storage, or disposal of that waste by 43399
the director of health under this chapter and rules adopted under 43400
it or, until the state becomes an agreement state pursuant to 43401
section 3748.03 of the Revised Code, by the United States nuclear 43402
regulatory commission under the "Atomic Energy Act of 1954," 68 43403

Stat. 919, 42 U.S.C.A. 2011, as amended, and regulations adopted 43404
under it regardless of whether the waste has been reclassified as 43405
"below regulatory concern" by the United States nuclear regulatory 43406
commission pursuant to any rule or standard adopted after January 43407
1, 1990. 43408

(C) Division (B) of this section does not apply to either of 43409
the following: 43410

(1) Any low-level radioactive waste that on or before January 43411
1, 1990, was authorized under the "Atomic Energy Act of 1954," 68 43412
Stat. 919, 42 U.S.C.A. 2011, as amended, and regulations adopted 43413
under it to be treated, recycled, stored, or disposed of at a 43414
facility that has not been licensed under that act and regulations 43415

this section. If the United States nuclear regulatory commission 43419
declares its intent to institute a policy regarding the 43420
reclassification of waste as "below regulatory concern," the 43421
~~public health council~~ director, in consultation with the 43422
environmental protection agency, shall adopt rules in accordance 43423
with Chapter 119. of the Revised Code that govern the granting of 43424
such exemptions and that do at least all of the following: 43425

(a) Establish an application procedure to be followed by the 43426
generator of a low-level radioactive waste who wishes to obtain an 43427
exemption for that waste under division (C)(2) of this section; 43428

(b) Require that in order to receive an exemption, a 43429
low-level radioactive waste shall have been reclassified as "below 43430
regulatory concern" by the United States nuclear regulatory 43431
commission after August 19, 1992. The rules adopted under division 43432
(C)(2)(b) of this section shall stipulate that such a 43433
reclassification does not automatically qualify a low-level 43434

radioactive waste for an exemption under division (C)(2) of this section. 43435
43436

(c) Require an applicant to demonstrate with clear and convincing evidence that the low-level radioactive waste that is the subject of the application does not present a higher radioactive hazard than any low-level radioactive waste to which division (C)(1) of this section applies and that treatment, recycling, storage, or disposal of the waste at a facility that has not been licensed by the director under this chapter and rules adopted under it or, until the state becomes an agreement state pursuant to section 3748.03 of the Revised Code, by the United States nuclear regulatory commission under the "Atomic Energy Act of 1954," 68 Stat. 919, 42 U.S.C.A. 2011, as amended, and regulations adopted under it, will not harm public health or safety or the environment; 43437
43438
43439
43440
43441
43442
43443
43444
43445
43446
43447
43448
43449

(d) Establish public notification procedures to be followed by the director for any public hearing held ~~by him~~ under division (C)(2) of this section. 43450
43451
43452

The director shall review an application submitted ~~to him~~ under division (C)(2) of this section and shall hold a public hearing concerning the application before granting or denying the exemption requested. The director may grant an exemption to the low-level radioactive waste that is the subject of the application ~~if he determines~~ after determining that the generator has complied with the rules adopted under division (C)(2)(a) of this section and that the waste satisfies the requirements established in the rules adopted under divisions (C)(2)(b) and (c) of this section. The director shall maintain a list of all low-level radioactive wastes to which ~~he~~ the director has granted such an exemption. 43453
43454
43455
43456
43457
43458
43459
43460
43461
43462
43463

Division (C)(2) of this section does not apply to any low-level radioactive waste generated at a nuclear power station. 43464
43465

Sec. 3748.12. The director of health shall certify radiation 43466
experts pursuant to rules adopted under division (C) of section 43467
3748.04 of the Revised Code. The director shall issue a 43468
certificate to each person certified under this section. An 43469
individual certified by the director is qualified to develop, 43470
provide periodic review of, and conduct audits of the quality 43471
assurance program for sources of radiation for which such a 43472
program is required under division (A) of section 3748.13 of the 43473
Revised Code. 43474

The ~~public health council~~ director shall establish an 43475
application fee for applying for certification and a biennial 43476
certification renewal fee in rules adopted under division (C) of 43477
section 3748.04 of the Revised Code. A certificate issued under 43478
this section shall expire two years after the date of its 43479
issuance. To maintain certification, a radiation expert shall 43480
apply to the director for renewal of certification in accordance 43481
with the standard renewal procedures established in Chapter 4745. 43482
of the Revised Code. The certification renewal fee is not required 43483
for initial certification, but shall be paid for every renewal of 43484
certification. Fees collected under this section shall be 43485
deposited into the state treasury to the credit of the general 43486
operations fund created in section 3701.83 of the Revised Code. 43487
The fees shall be used solely to administer and enforce this 43488
chapter and rules adopted under it. Any fee required under this 43489
section that ~~has not been paid within ninety days~~ remains unpaid 43490
on the ninety-first day after the original invoice date shall be 43491
assessed ~~at two times~~ an additional amount equal to ten per cent 43492
of the original invoiced fee. ~~Any fee that has not been paid~~ 43493
~~within one hundred eighty days after the invoice date shall be~~ 43494
~~assessed at five times the original invoiced fee.~~ 43495

Sec. 3748.13. (A) The director of health shall inspect 43496

sources of radiation for which licensure or registration by the handler is required, and the sources' shielding and surroundings, according to the schedule established in rules adopted under division (D) of section 3748.04 of the Revised Code. In accordance with rules adopted under section 3748.04 of the Revised Code, the director shall inspect all records and operating procedures of handlers that install or service sources of radiation and all sources of radiation for which licensure of radioactive material or registration of radiation-generating equipment by the handler is required. The director may make other inspections upon receiving complaints or other evidence of a violation of this chapter or rules adopted under it.

The director shall require any hospital registered under division (A) of section 3701.07 of the Revised Code to develop and maintain a quality assurance program for all sources of radiation-generating equipment. A certified radiation expert shall conduct oversight and maintenance of the program and shall file a report of audits of the program with the director on forms prescribed by the director. The audit reports shall become part of the inspection record.

(B)(1) Except as provided in division (B)(2) of this section, a facility shall pay inspection fees for radioactive material and radiation-generating equipment according to the schedule and categories established in rules adopted under division (A)(9) of section 3748.04 of the Revised Code.

(2) A facility that is, or is operated by, a medical practitioner or medical-practitioner group shall pay inspection fees for radiation-generating equipment according to the following schedule and categories:

involve technical design analysis, as defined by rule adopted by 44588
the board of building standards. 44589

(B) No owner shall proceed with the construction, erection, 44590
alteration, or equipment of any building until the plans or 44591
drawings, specifications, and data have been approved as this 44592
section requires, or the industrialized unit inspected at the 44593

extension of not more than one hundred dollars. Before any work 44612
may continue on the construction, erection, alteration, or 44613
equipment of any building for which the approval is invalid, the 44614
owner of the building shall resubmit the plans or drawings and 44615
specifications for approval pursuant to this section. 44616

(D) Subject to section 3791.042 of the Revised Code, the 44617
board of building standards or the legislative authority of a 44618
municipal corporation, township, or county, by rule, may regulate 44619
the requirements for the submission of plans and specifications to 44620
the respective enforcing departments and for processing by those 44621
departments. The board of building standards or the legislative 44622
authority of a municipal corporation, township, or county may 44623
adopt rules to provide for the approval, subject to section 44624
3791.042 of the Revised Code, by the department having 44625
jurisdiction of the plans for construction of a foundation or any 44626
other part of a building or structure before the complete plans 44627

submitted. When any plans are approved by the department having 44629
jurisdiction, the structure and every particular represented by 44630
and disclosed in those plans shall, in the absence of fraud or a 44631
serious safety or sanitation hazard, be conclusively presumed to 44632

rule issued pursuant to those chapters, if constructed, altered, 44634
or repaired in accordance with those plans and any rule in effect 44635
at the time of approval. 44636

(E) The approval of plans and specifications, including 44637
inspection of industrialized units, under this section is a 44638
"license" and the failure to approve plans or specifications as 44639
submitted or to inspect the unit at the point of origin within 44640
thirty days after the plans or specifications are filed or the 44641

request to inspect the industrialized unit is made, the 44642
disapproval of plans and specifications, or the refusal to approve 44643
an industrialized unit following inspection at the point of origin 44644
is "an adjudication order denying the issuance of a license" 44645
requiring an "adjudication hearing" as provided by sections 119.07 44646
to 119.13 of the Revised Code and as modified by sections 3781.031 44647
and 3781.19 of the Revised Code. An adjudication order denying the 44648

exclusively as one-, two-, or three-family dwellings. 44653

(G) Notwithstanding any procedures the board establishes, if 44654
the agency having jurisdiction objects to any portion of the plans 44655
or specifications, the owner or the owner's representative may 44656
request the agency to issue conditional approval to proceed with 44657
construction up to the point of the objection. Approval shall be 44658
issued only when the objection results from conflicting 44659
interpretations of the rules of the board of building standards 44660
rather than the application of specific technical requirements of 44661
the rules. Approval shall not be issued where the correction of 44662
the objection would cause extensive changes in the building design 44663
or construction. The giving of conditional approval is a 44664
"conditional license" to proceed with construction up to the point 44665
where the construction or materials objected to by the agency are 44666
to be incorporated into the building. No construction shall 44667
proceed beyond that point without the prior approval of the agency 44668
or another agency that conducts an adjudication hearing relative 44669
to the objection. The agency having jurisdiction shall specify its 44670
objections to the plans or specifications, which is an 44671
"adjudication order denying the issuance of a license" and may be 44672
appealed pursuant to sections 119.07 to 119.13 of the Revised Code 44673

and as modified by sections 3781.031 and 3781.19 of the Revised Code. 44674
44675

(H) A certified municipal, township, or county building department having jurisdiction, or the superintendent, as appropriate, shall review any plans, drawings, specifications, or data described in this section that are submitted to it or to the superintendent. 44676
44677
44678
44679
44680

44682
44683
44684
44685
44686

(J) Whoever violates this section shall be fined not more than five hundred dollars. 44687
44688

Sec. 3791.05. No owner, lessee, agent, factor, architect, or contractor engaged in and having supervision or charge of the building, erection, or construction of a block, building, or structure, shall neglect or refuse to place or have placed upon the joists of each story thereof, as soon as joists are in position, counter floors of such quality and strength as to render perfectly safe the going to and from thereon of all mechanics, laborers, and other persons engaged upon the work of construction or supervision, or in placing materials for such construction. 44689
44690
44691
44692
44693
44694
44695
44696
44697

Whoever violates this section shall be fined not less than twenty-five nor more than two hundred dollars. 44698
44699

44701
44702
44703

organized, or by the superintendent of ~~labor~~ industrial compliance 44704
of the state, in cities where such departments are not organized, 44705
or from a person whose life or personal safety may be endangered 44706
by such neglect or refusal, is a separate offense. 44707

Sec. 3791.07. (A) The board of building standards may 44708
establish such reasonable inspection fee schedules as it 44709
determines necessary or desirable relating to the inspection of 44710
all plans and specifications submitted for approval to the 44711
division of ~~labor~~ industrial compliance, and all industrialized 44712
units inspected at the point of origin and at the construction 44713
site of the building. The inspection fee schedule established 44714
shall bear some reasonable relationship to the cost of 44715
administering and enforcing the provisions of Chapters 3781. and 44716
3791. of the Revised Code. 44717

(B) In addition to the fee assessed in division (A) of this 44718
section, the board shall assess a fee of not more than five 44719
dollars for each application for acceptance and approval of plans 44720
and specifications and for making inspections pursuant to section 44721
3791.04 of the Revised Code. The board shall adopt rules, in 44722
accordance with Chapter 119. of the Revised Code, specifying the 44723
manner by which the superintendent of ~~labor~~ industrial compliance 44724
shall collect and remit to the board the fees assessed under this 44725
division and requiring that remittance of the fees be made at 44726
least quarterly. 44727

(C) Any person who fails to pay an inspection fee required 44728
for any inspection conducted by the department of commerce 44729
pursuant to Chapters 3781. and 3791. of the Revised Code, except 44730
for fees charged for the inspection of plans and specifications, 44731
within forty-five days after the inspection is conducted, shall 44732
pay a late payment fee equal to twenty-five per cent of the 44733
inspection fee. 44734

(D) The board shall pay the fees assessed under this section 44735
into the state treasury to the credit of the ~~labor~~ industrial 44736
compliance operating fund created in section 121.084 of the 44737
Revised Code. 44738

being determined an abandoned service station if it meets the 44762
other qualifications of this division. 44763

(B) No person shall construct, renew operation of, or 44764

considered made when it is received by the treasurer or the 45547
superintendent, irrespective of any United States postal service 45548
marking or other stamp or mark indicating the date on which the 45549

as is required in section 4123.54 of the Revised Code, shall be 46718
mailed immediately to the employer by the bureau of workers' 46719

to 4123.67 of the Revised Code, and who do not desire to insure 46765
the payment thereof or indemnify themselves against loss sustained 46766
by the direct payment thereof, upon a finding of such facts by the 46767
administrator, may be granted the privilege to pay individually 46768
compensation, and furnish medical, surgical, nursing, and hospital 46769
services and attention and funeral expenses directly to injured 46770
employees or the dependents of killed employees, thereby being 46771
granted status as a self-insuring employer. The administrator may 46772
charge employers who apply for the status as a self-insuring 46773
employer a reasonable application fee to cover the bureau's costs 46774
in connection with processing and making a determination with 46775
respect to an application. 46776

All employers granted status as self-insuring employers shall 46777
demonstrate sufficient financial and administrative ability to 46778
assure that all obligations under this section are promptly met. 46779
The administrator shall deny the privilege where the employer is 46780

the obligations imposed on the employer by this section. 46782

(1) The administrator shall consider, but is not limited to, 46783
the following factors, where applicable, in determining the 46784
employer's ability to meet all of the obligations imposed on the 46785
employer by this section: 46786

(a) The employer employs a minimum of five hundred employees 46787
in this state; 46788

(b) The employer has operated in this state for a minimum of 46789
two years, provided that an employer who has purchased, acquired, 46790
or otherwise succeeded to the operation of a business, or any part 46791

years in this state, also shall qualify; 46793

directly; 46799

(e) The financial records, documents, and data, certified by 46800
a certified public accountant, necessary to provide the employer's 46801
full financial disclosure. The records, documents, and data 46802
include, but are not limited to, balance sheets and profit and 46803
loss history for the current year and previous four years. 46804

(f) The employer's organizational plan for the administration 46805
of the workers' compensation law; 46806

(g) The employer's proposed plan to inform employees of the 46807
change from a state fund insurer to a self-insuring employer, the 46808
procedures the employer will follow as a self-insuring employer, 46809
and the employees' rights to compensation and benefits; and 46810

(h) The employer has either an account in a financial 46811
institution in this state, or if the employer maintains an account 46812
with a financial institution outside this state, ensures that 46813
workers' compensation checks are drawn from the same account as 46814
payroll checks or the employer clearly indicates that payment will 46815
be honored by a financial institution in this state. 46816

The administrator may waive the requirements of divisions 46817
(B)(1)(a) and (b) of this section and the requirement of division 46818
(B)(1)(e) of this section that the financial records, documents, 46819
and data be certified by a certified public accountant. The 46820
administrator shall adopt rules establishing the criteria that an 46821
employer shall meet in order for the administrator to waive the 46822
requirement of division (B)(1)(e) of this section. Such rules may 46823

require additional security of that employer pursuant to division 46824
(E) of section 4123.351 of the Revised Code. 46825

The administrator shall not grant the status of self-insuring 46826
employer to the state, except that the administrator may grant the 46827
status of self-insuring employer to a state institution of higher 46828
education, ~~excluding~~ including its hospitals, that meets the 46829
requirements of division (B)(2) of this section. 46830

except for a board of county commissioners described in division 46832
(G) of section 4123.01 of the Revised Code, a board of a county 46833
hospital, or a publicly owned utility, the administrator shall 46834
verify that the public employer satisfies all of the following 46835
requirements as the requirements apply to that public employer: 46836

(a) For the two-year period preceding application under this 46837
section, the public employer has maintained an unvoted debt 46838
capacity equal to at least two times the amount of the current 46839
annual premium established by the administrator under this chapter 46840
for that public employer for the year immediately preceding the 46841
year in which the public employer makes application under this 46842
section. 46843

(b) For each of the two fiscal years preceding application 46844
under this section, the unreserved and undesignated year-end fund 46845
balance in the public employer's general fund is equal to at least 46846
five per cent of the public employer's general fund revenues for 46847
the fiscal year computed in accordance with generally accepted 46848
accounting principles. 46849

(c) For the five-year period preceding application under this 46850
section, the public employer, to the extent applicable, has 46851
complied fully with the continuing disclosure requirements 46852
established in rules adopted by the United States securities and 46853
exchange commission under 17 C.F.R. 240.15c 2-12. 46854

(d) For the five-year period preceding application under this section, the public employer has not had its local government fund distribution withheld on account of the public employer being indebted or otherwise obligated to the state.

(e) For the five-year period preceding application under this section, the public employer has not been under a fiscal watch or fiscal emergency pursuant to section 118.023, 118.04, or 3316.03 of the Revised Code.

(f) For the public employer's fiscal year preceding application under this section, the public employer has obtained an annual financial audit as required under section 117.10 of the Revised Code, which has been released by the auditor of state within seven months after the end of the public employer's fiscal year.

(g) On the date of application, the public employer holds a debt rating of Aa3 or higher according to Moody's investors service, inc., or a comparable rating by an independent rating agency similar to Moody's investors service, inc.

(h) The public employer agrees to generate an annual accumulating book reserve in its financial statements reflecting an actuarially generated reserve adequate to pay projected claims under this chapter for the applicable period of time, as determined by the administrator.

(i) For a public employer that is a hospital, the public employer shall submit audited financial statements showing the hospital's overall liquidity characteristics, and the administrator shall determine, on an individual basis, whether the public employer satisfies liquidity standards equivalent to the liquidity standards of other public employers.

(j) Any additional criteria that the administrator adopts by rule pursuant to division (E) of this section.

The administrator may adopt rules establishing the criteria 46886
that a public employer shall satisfy in order for the 46887
administrator to waive any of the requirements listed in divisions 46888
(B)(2)(a) to (j) of this section. The rules may require additional 46889
security from that employer pursuant to division (E) of section 46890
4123.351 of the Revised Code. The administrator shall not waive 46891
any of the requirements listed in divisions (B)(2)(a) to (j) of 46892
this section for a public employer who does not satisfy the 46893
criteria established in the rules the administrator adopts. 46894

(C) A board of county commissioners described in division (G) 46895
of section 4123.01 of the Revised Code, as an employer, that will 46896
abide by the rules of the administrator and that may be of 46897
sufficient financial ability to render certain the payment of 46898
compensation to injured employees or the dependents of killed 46899
employees, and the furnishing of medical, surgical, nursing, and 46900
hospital attention and services and medicines, and funeral 46901
expenses, equal to or greater than is provided for in sections 46902
4123.52, 4123.55 to 4123.62, and 4123.64 to 4123.67 of the Revised 46903
Code, and that does not desire to insure the payment thereof or 46904
indemnify itself against loss sustained by the direct payment 46905
thereof, upon a finding of such facts by the administrator, may be 46906
granted the privilege to pay individually compensation, and 46907
furnish medical, surgical, nursing, and hospital services and 46908
attention and funeral expenses directly to injured employees or 46909
the dependents of killed employees, thereby being granted status 46910
as a self-insuring employer. The administrator may charge a board 46911
of county commissioners described in division (G) of section 46912
4123.01 of the Revised Code that applies for the status as a 46913
self-insuring employer a reasonable application fee to cover the 46914
bureau's costs in connection with processing and making a 46915
determination with respect to an application. All employers 46916
granted such status shall demonstrate sufficient financial and 46917
administrative ability to assure that all obligations under this 46918

section are promptly met. The administrator shall deny the 46919
privilege where the employer is unable to demonstrate the 46920
employer's ability to promptly meet all the obligations imposed on 46921
the employer by this section. The administrator shall consider, 46922
but is not limited to, the following factors, where applicable, in 46923
determining the employer's ability to meet all of the obligations 46924
imposed on the board as an employer by this section: 46925

(1) The board as an employer employs a minimum of five 46926
hundred employees in this state; 46927

(2) The board has operated in this state for a minimum of two 46928
years; 46929

(3) Where the board previously contributed to the state 46930
insurance fund or is a successor employer as defined by bureau 46931
rules, the amount of the buyout, as defined by bureau rules; 46932

(4) The sufficiency of the board's assets located in this 46933
state to insure the board's solvency in paying compensation 46934
directly; 46935

(5) The financial records, documents, and data, certified by 46936
a certified public accountant, necessary to provide the board's 46937
full financial disclosure. The records, documents, and data 46938
include, but are not limited to, balance sheets and profit and 46939
loss history for the current year and previous four years. 46940

(6) The board's organizational plan for the administration of 46941
the workers' compensation law; 46942

(7) The board's proposed plan to inform employees of the 46943
proposed self-insurance, the procedures the board will follow as a 46944
self-insuring employer, and the employees' rights to compensation 46945
and benefits; 46946

(8) The board has either an account in a financial 46947
institution in this state, or if the board maintains an account 46948

with a financial institution outside this state, ensures that 46949
workers' compensation checks are drawn from the same account as 46950
payroll checks or the board clearly indicates that payment will be 46951
honored by a financial institution in this state; 46952

(9) The board shall provide the administrator a surety bond 46953
in an amount equal to one hundred twenty-five per cent of the 46954
projected losses as determined by the administrator. 46955

(D) The administrator shall require a surety bond from all 46956
self-insuring employers, issued pursuant to section 4123.351 of 46957
the Revised Code, that is sufficient to compel, or secure to 46958
injured employees, or to the dependents of employees killed, the 46959
payment of compensation and expenses, which shall in no event be 46960
less than that paid or furnished out of the state insurance fund 46961
in similar cases to injured employees or to dependents of killed 46962
employees whose employers contribute to the fund, except when an 46963
employee of the employer, who has suffered the loss of a hand, 46964
arm, foot, leg, or eye prior to the injury for which compensation 46965
is to be paid, and thereafter suffers the loss of any other of the 46966
members as the result of any injury sustained in the course of and 46967
arising out of the employee's employment, the compensation to be 46968
paid by the self-insuring employer is limited to the disability 46969
suffered in the subsequent injury, additional compensation, if 46970
any, to be paid by the bureau out of the surplus created by 46971
section 4123.34 of the Revised Code. 46972

(E) In addition to the requirements of this section, the 46973
administrator shall make and publish rules governing the manner of 46974
making application and the nature and extent of the proof required 46975
to justify a finding of fact by the administrator as to granting 46976
the status of a self-insuring employer, which rules shall be 46977
general in their application, one of which rules shall provide 46978
that all self-insuring employers shall pay into the state 46979
insurance fund such amounts as are required to be credited to the 46980

surplus fund in division (B) of section 4123.34 of the Revised Code. The administrator may adopt rules establishing requirements in addition to the requirements described in division (B)(2) of this section that a public employer shall meet in order to qualify for self-insuring status.

Employers shall secure directly from the bureau central offices application forms upon which the bureau shall stamp a designating number. Prior to submission of an application, an employer shall make available to the bureau, and the bureau shall review, the information described in division (B)(1) of this section, and public employers shall make available, and the bureau shall review, the information necessary to verify whether the public employer meets the requirements listed in division (B)(2) of this section. An employer shall file the completed application forms with an application fee, which shall cover the costs of processing the application, as established by the administrator, by rule, with the bureau at least ninety days prior to the effective date of the employer's new status as a self-insuring employer. The application form is not deemed complete until all the required information is attached thereto. The bureau shall only accept applications that contain the required information.

(F) The bureau shall review completed applications within a reasonable time. If the bureau determines to grant an employer the status as a self-insuring employer, the bureau shall issue a statement, containing its findings of fact, that is prepared by the bureau and signed by the administrator. If the bureau determines not to grant the status as a self-insuring employer, the bureau shall notify the employer of the determination and require the employer to continue to pay its full premium into the state insurance fund. The administrator also shall adopt rules establishing a minimum level of performance as a criterion for granting and maintaining the status as a self-insuring employer

and fixing time limits beyond which failure of the self-insuring 47013
employer to provide for the necessary medical examinations and 47014
evaluations may not delay a decision on a claim. 47015

(G) The administrator shall adopt rules setting forth 47016
procedures for auditing the program of self-insuring employers. 47017
The bureau shall conduct the audit upon a random basis or whenever 47018
the bureau has grounds for believing that a self-insuring employer 47019
is not in full compliance with bureau rules or this chapter. 47020

The administrator shall monitor the programs conducted by 47021
self-insuring employers, to ensure compliance with bureau 47022
requirements and for that purpose, shall develop and issue to 47023
self-insuring employers standardized forms for use by the 47024
self-insuring employer in all aspects of the self-insuring 47025
employers' direct compensation program and for reporting of 47026
information to the bureau. 47027

The bureau shall receive and transmit to the self-insuring 47028
employer all complaints concerning any self-insuring employer. In 47029
the case of a complaint against a self-insuring employer, the 47030
administrator shall handle the complaint through the 47031
self-insurance division of the bureau. The bureau shall maintain a 47032
file by employer of all complaints received that relate to the 47033
employer. The bureau shall evaluate each complaint and take 47034
appropriate action. 47035

The administrator shall adopt as a rule a prohibition against 47036
any self-insuring employer from harassing, dismissing, or 47037
otherwise disciplining any employee making a complaint, which rule 47038
shall provide for a financial penalty to be levied by the 47039
administrator payable by the offending self-insuring employer. 47040

(H) For the purpose of making determinations as to whether to 47041
grant status as a self-insuring employer, the administrator may 47042
subscribe to and pay for a credit reporting service that offers 47043

financial and other business information about individual 47044
employers. The costs in connection with the bureau's subscription 47045
or individual reports from the service about an applicant may be 47046
included in the application fee charged employers under this 47047
section. 47048

(I) The administrator, notwithstanding other provisions of 47049
this chapter, may permit a self-insuring employer to resume 47050
payment of premiums to the state insurance fund with appropriate 47051
credit modifications to the employer's basic premium rate as such 47052
rate is determined pursuant to section 4123.29 of the Revised 47053
Code. 47054

(J) On the first day of July of each year, the administrator 47055
shall calculate separately each self-insuring employer's 47056
assessments for the safety and hygiene fund, administrative costs 47057
pursuant to section 4123.342 of the Revised Code, and for the 47058
portion of the surplus fund under division (B) of section 4123.34 47059
of the Revised Code that is not used for handicapped 47060
reimbursement, on the basis of the paid compensation attributable 47061
to the individual self-insuring employer according to the 47062
following calculation: 47063

(1) The total assessment against all self-insuring employers 47064
as a class for each fund and for the administrative costs for the 47065
year that the assessment is being made, as determined by the 47066
administrator, divided by the total amount of paid compensation 47067
for the previous calendar year attributable to all amenable 47068
self-insuring employers; 47069

(2) Multiply the quotient in division (J)(1) of this section 47070
by the total amount of paid compensation for the previous calendar 47071
year that is attributable to the individual self-insuring employer 47072
for whom the assessment is being determined. Each self-insuring 47073
employer shall pay the assessment that results from this 47074
calculation, unless the assessment resulting from this calculation 47075

falls below a minimum assessment, which minimum assessment the 47076
administrator shall determine on the first day of July of each 47077
year with the advice and consent of the bureau of workers' 47078
compensation board of directors, in which event, the self-insuring 47079
employer shall pay the minimum assessment. 47080

In determining the total amount due for the total assessment 47081
against all self-insuring employers as a class for each fund and 47082
the administrative assessment, the administrator shall reduce 47083
proportionately the total for each fund and assessment by the 47084
amount of money in the self-insurance assessment fund as of the 47085
date of the computation of the assessment. 47086

The administrator shall calculate the assessment for the 47087
portion of the surplus fund under division (B) of section 4123.34 47088
of the Revised Code that is used for handicapped reimbursement in 47089
the same manner as set forth in divisions (J)(1) and (2) of this 47090
section except that the administrator shall calculate the total 47091
assessment for this portion of the surplus fund only on the basis 47092
of those self-insuring employers that retain participation in the 47093
handicapped reimbursement program and the individual self-insuring 47094
employer's proportion of paid compensation shall be calculated 47095
only for those self-insuring employers who retain participation in 47096
the handicapped reimbursement program. The administrator, as the 47097
administrator determines appropriate, may determine the total 47098
assessment for the handicapped portion of the surplus fund in 47099
accordance with sound actuarial principles. 47100

The administrator shall calculate the assessment for the 47101
portion of the surplus fund under division (B) of section 4123.34 47102
of the Revised Code that under division (D) of section 4121.66 of 47103
the Revised Code is used for rehabilitation costs in the same 47104
manner as set forth in divisions (J)(1) and (2) of this section, 47105
except that the administrator shall calculate the total assessment 47106
for this portion of the surplus fund only on the basis of those 47107

self-insuring employers who have not made the election to make 47108
payments directly under division (D) of section 4121.66 of the 47109
Revised Code and an individual self-insuring employer's proportion 47110
of paid compensation only for those self-insuring employers who 47111
have not made that election. 47112

The administrator shall calculate the assessment for the 47113
portion of the surplus fund under division (B) of section 4123.34 47114
of the Revised Code that is used for reimbursement to a 47115
self-insuring employer under division (H) of section 4123.512 of 47116
the Revised Code in the same manner as set forth in divisions 47117
(J)(1) and (2) of this section except that the administrator shall 47118
calculate the total assessment for this portion of the surplus 47119
fund only on the basis of those self-insuring employers that 47120
retain participation in reimbursement to the self-insuring 47121
employer under division (H) of section 4123.512 of the Revised 47122
Code and the individual self-insuring employer's proportion of 47123
paid compensation shall be calculated only for those self-insuring 47124
employers who retain participation in reimbursement to the 47125
self-insuring employer under division (H) of section 4123.512 of 47126
the Revised Code. 47127

An employer who no longer is a self-insuring employer in this 47128
state or who no longer is operating in this state, shall continue 47129
to pay assessments for administrative costs and for the portion of 47130
the surplus fund under division (B) of section 4123.34 of the 47131
Revised Code that is not used for handicapped reimbursement, based 47132
upon paid compensation attributable to claims that occurred while 47133
the employer was a self-insuring employer within this state. 47134

(K) There is hereby created in the state treasury the 47135
self-insurance assessment fund. All investment earnings of the 47136
fund shall be deposited in the fund. The administrator shall use 47137
the money in the self-insurance assessment fund only for 47138
administrative costs as specified in section 4123.341 of the 47139

Revised Code. 47140

(L) Every self-insuring employer shall certify, in affidavit 47141
form subject to the penalty for perjury, to the bureau the amount 47142
of the self-insuring employer's paid compensation for the previous 47143
calendar year. In reporting paid compensation paid for the 47144
previous year, a self-insuring employer shall exclude from the 47145
total amount of paid compensation any reimbursement the 47146
self-insuring employer receives in the previous calendar year from 47147
the surplus fund pursuant to section 4123.512 of the Revised Code 47148
for any paid compensation. The self-insuring employer also shall 47149
exclude from the paid compensation reported any amount recovered 47150
under section 4123.931 of the Revised Code and any amount that is 47151
determined not to have been payable to or on behalf of a claimant 47152
in any final administrative or judicial proceeding. The 47153
self-insuring employer shall exclude such amounts from the paid 47154
compensation reported in the reporting period subsequent to the 47155
date the determination is made. The administrator shall adopt 47156
rules, in accordance with Chapter 119. of the Revised Code, that 47157
provide for all of the following: 47158

(1) Establishing the date by which self-insuring employers 47159
must submit such information and the amount of the assessments 47160
provided for in division (J) of this section for employers who 47161
have been granted self-insuring status within the last calendar 47162
year; 47163

(2) If an employer fails to pay the assessment when due, the 47164
administrator may add a late fee penalty of not more than five 47165
hundred dollars to the assessment plus an additional penalty 47166
amount as follows: 47167

(a) For an assessment from sixty-one to ninety days past due, 47168
the prime interest rate, multiplied by the assessment due; 47169

(b) For an assessment from ninety-one to one hundred twenty 47170

days past due, the prime interest rate plus two per cent, 47171
multiplied by the assessment due; 47172

(c) For an assessment from one hundred twenty-one to one 47173
hundred fifty days past due, the prime interest rate plus four per 47174
cent, multiplied by the assessment due; 47175

(d) For an assessment from one hundred fifty-one to one 47176
hundred eighty days past due, the prime interest rate plus six per 47177
cent, multiplied by the assessment due; 47178

(e) For an assessment from one hundred eighty-one to two 47179
hundred ten days past due, the prime interest rate plus eight per 47180
cent, multiplied by the assessment due; 47181

(f) For each additional thirty-day period or portion thereof 47182
that an assessment remains past due after it has remained past due 47183
for more than two hundred ten days, the prime interest rate plus 47184
eight per cent, multiplied by the assessment due. 47185

(3) An employer may appeal a late fee penalty and penalty 47186
assessment to the administrator. 47187

For purposes of division (L)(2) of this section, "prime 47188
interest rate" means the average bank prime rate, and the 47189
administrator shall determine the prime interest rate in the same 47190
manner as a county auditor determines the average bank prime rate 47191
under section 929.02 of the Revised Code. 47192

The administrator shall include any assessment and penalties 47193
that remain unpaid for previous assessment periods in the 47194
calculation and collection of any assessments due under this 47195
division or division (J) of this section. 47196

(M) As used in this section, "paid compensation" means all 47197
amounts paid by a self-insuring employer for living maintenance 47198
benefits, all amounts for compensation paid pursuant to sections 47199
4121.63, 4121.67, 4123.56, 4123.57, 4123.58, 4123.59, 4123.60, and 47200

4123.64 of the Revised Code, all amounts paid as wages in lieu of 47201
such compensation, all amounts paid in lieu of such compensation 47202
under a nonoccupational accident and sickness program fully funded 47203
by the self-insuring employer, and all amounts paid by a 47204
self-insuring employer for a violation of a specific safety 47205
standard pursuant to Section 35 of Article II, Ohio Constitution 47206
and section 4121.47 of the Revised Code. 47207

(N) Should any section of this chapter or Chapter 4121. of 47208
the Revised Code providing for self-insuring employers' 47209
assessments based upon compensation paid be declared 47210
unconstitutional by a final decision of any court, then that 47211
section of the Revised Code declared unconstitutional shall revert 47212
back to the section in existence prior to November 3, 1989, 47213
providing for assessments based upon payroll. 47214

(O) The administrator may grant a self-insuring employer the 47215
privilege to self-insure a construction project entered into by 47216
the self-insuring employer that is scheduled for completion within 47217
six years after the date the project begins, and the total cost of 47218
which is estimated to exceed one hundred million dollars or, for 47219
employers described in division (R) of this section, if the 47220
construction project is estimated to exceed twenty-five million 47221
dollars. The administrator may waive such cost and time criteria 47222
and grant a self-insuring employer the privilege to self-insure a 47223
construction project regardless of the time needed to complete the 47224
construction project and provided that the cost of the 47225
construction project is estimated to exceed fifty million dollars. 47226
A self-insuring employer who desires to self-insure a construction 47227
project shall submit to the administrator an application listing 47228
the dates the construction project is scheduled to begin and end, 47229
the estimated cost of the construction project, the contractors 47230
and subcontractors whose employees are to be self-insured by the 47231
self-insuring employer, the provisions of a safety program that is 47232

specifically designed for the construction project, and a 47233
statement as to whether a collective bargaining agreement 47234
governing the rights, duties, and obligations of each of the 47235
parties to the agreement with respect to the construction project 47236
exists between the self-insuring employer and a labor 47237
organization. 47238

A self-insuring employer may apply to self-insure the 47239
employees of either of the following: 47240

(1) All contractors and subcontractors who perform labor or 47241
work or provide materials for the construction project; 47242

(2) All contractors and, at the administrator's discretion, a 47243
substantial number of all the subcontractors who perform labor or 47244
work or provide materials for the construction project. 47245

Upon approval of the application, the administrator shall 47246
mail a certificate granting the privilege to self-insure the 47247
construction project to the self-insuring employer. The 47248
certificate shall contain the name of the self-insuring employer 47249
and the name, address, and telephone number of the self-insuring 47250
employer's representatives who are responsible for administering 47251
workers' compensation claims for the construction project. The 47252
self-insuring employer shall post the certificate in a conspicuous 47253
place at the site of the construction project. 47254

The administrator shall maintain a record of the contractors 47255
and subcontractors whose employees are covered under the 47256
certificate issued to the self-insured employer. A self-insuring 47257
employer immediately shall notify the administrator when any 47258
contractor or subcontractor is added or eliminated from inclusion 47259
under the certificate. 47260

Upon approval of the application, the self-insuring employer 47261
is responsible for the administration and payment of all claims 47262
under this chapter and Chapter 4121. of the Revised Code for the 47263

employees of the contractor and subcontractors covered under the 47264
certificate who receive injuries or are killed in the course of 47265
and arising out of employment on the construction project, or who 47266
contract an occupational disease in the course of employment on 47267
the construction project. For purposes of this chapter and Chapter 47268
4121. of the Revised Code, a claim that is administered and paid 47269
in accordance with this division is considered a claim against the 47270
self-insuring employer listed in the certificate. A contractor or 47271
subcontractor included under the certificate shall report to the 47272
self-insuring employer listed in the certificate, all claims that 47273
arise under this chapter and Chapter 4121. of the Revised Code in 47274
connection with the construction project for which the certificate 47275
is issued. 47276

A self-insuring employer who complies with this division is 47277
entitled to the protections provided under this chapter and 47278
Chapter 4121. of the Revised Code with respect to the employees of 47279
the contractors and subcontractors covered under a certificate 47280
issued under this division for death or injuries that arise out 47281
of, or death, injuries, or occupational diseases that arise in the 47282
course of, those employees' employment on that construction 47283
project, as if the employees were employees of the self-insuring 47284
employer, provided that the self-insuring employer also complies 47285
with this section. No employee of the contractors and 47286
subcontractors covered under a certificate issued under this 47287
division shall be considered the employee of the self-insuring 47288
employer listed in that certificate for any purposes other than 47289
this chapter and Chapter 4121. of the Revised Code. Nothing in 47290
this division gives a self-insuring employer authority to control 47291
the means, manner, or method of employment of the employees of the 47292
contractors and subcontractors covered under a certificate issued 47293
under this division. 47294

The contractors and subcontractors included under a 47295

certificate issued under this division are entitled to the 47296
protections provided under this chapter and Chapter 4121. of the 47297
Revised Code with respect to the contractor's or subcontractor's 47298
employees who are employed on the construction project which is 47299
the subject of the certificate, for death or injuries that arise 47300
out of, or death, injuries, or occupational diseases that arise in 47301
the course of, those employees' employment on that construction 47302
project. 47303

The contractors and subcontractors included under a 47304
certificate issued under this division shall identify in their 47305
payroll records the employees who are considered the employees of 47306
the self-insuring employer listed in that certificate for purposes 47307
of this chapter and Chapter 4121. of the Revised Code, and the 47308
amount that those employees earned for employment on the 47309
construction project that is the subject of that certificate. 47310
Notwithstanding any provision to the contrary under this chapter 47311
and Chapter 4121. of the Revised Code, the administrator shall 47312
exclude the payroll that is reported for employees who are 47313
considered the employees of the self-insuring employer listed in 47314
that certificate, and that the employees earned for employment on 47315
the construction project that is the subject of that certificate, 47316
when determining those contractors' or subcontractors' premiums or 47317
assessments required under this chapter and Chapter 4121. of the 47318
Revised Code. A self-insuring employer issued a certificate under 47319
this division shall include in the amount of paid compensation it 47320
reports pursuant to division (L) of this section, the amount of 47321
paid compensation the self-insuring employer paid pursuant to this 47322
division for the previous calendar year. 47323

Nothing in this division shall be construed as altering the 47324
rights of employees under this chapter and Chapter 4121. of the 47325
Revised Code as those rights existed prior to September 17, 1996. 47326
Nothing in this division shall be construed as altering the rights 47327

devolved under sections 2305.31 and 4123.82 of the Revised Code as 47328
those rights existed prior to September 17, 1996. 47329

As used in this division, "privilege to self-insure a 47330
construction project" means privilege to pay individually 47331
compensation, and to furnish medical, surgical, nursing, and 47332
hospital services and attention and funeral expenses directly to 47333
injured employees or the dependents of killed employees. 47334

(P) A self-insuring employer whose application is granted 47335
under division (O) of this section shall designate a safety 47336
professional to be responsible for the administration and 47337
enforcement of the safety program that is specifically designed 47338
for the construction project that is the subject of the 47339
application. 47340

A self-insuring employer whose application is granted under 47341
division (O) of this section shall employ an ombudsperson for the 47342
construction project that is the subject of the application. The 47343
ombudsperson shall have experience in workers' compensation or the 47344
construction industry, or both. The ombudsperson shall perform all 47345
of the following duties: 47346

(1) Communicate with and provide information to employees who 47347
are injured in the course of, or whose injury arises out of 47348
employment on the construction project, or who contract an 47349
occupational disease in the course of employment on the 47350
construction project; 47351

(2) Investigate the status of a claim upon the request of an 47352
employee to do so; 47353

(3) Provide information to claimants, third party 47354
administrators, employers, and other persons to assist those 47355
persons in protecting their rights under this chapter and Chapter 47356
4121. of the Revised Code. 47357

A self-insuring employer whose application is granted under 47358

division (O) of this section shall post the name of the safety professional and the ombudsperson and instructions for contacting the safety professional and the ombudsperson in a conspicuous place at the site of the construction project.

(Q) The administrator may consider all of the following when deciding whether to grant a self-insuring employer the privilege to self-insure a construction project as provided under division (O) of this section:

(1) Whether the self-insuring employer has an organizational plan for the administration of the workers' compensation law;

(2) Whether the safety program that is specifically designed for the construction project provides for the safety of employees employed on the construction project, is applicable to all contractors and subcontractors who perform labor or work or provide materials for the construction project, and has as a component, a safety training program that complies with standards adopted pursuant to the "Occupational Safety and Health Act of 1970," 84 Stat. 1590, 29 U.S.C.A. 651, and provides for continuing management and employee involvement;

(3) Whether granting the privilege to self-insure the construction project will reduce the costs of the construction project;

(4) Whether the self-insuring employer has employed an ombudsperson as required under division (P) of this section;

(5) Whether the self-insuring employer has sufficient surety to secure the payment of claims for which the self-insuring employer would be responsible pursuant to the granting of the privilege to self-insure a construction project under division (O) of this section.

(R) As used in divisions (O), (P), and (Q), "self-insuring employer" includes the following employers, whether or not they

| Sec. 4123.54. (A) Except as otherwise provided in division | 47410 |
| <u>divisions</u> (I) <u>and</u> (K) of this section, every employee, who is | 47411 |
| injured or who contracts an occupational disease, and the | 47412 |
| dependents of each employee who is killed, or dies as the result | 47413 |
| of an occupational disease contracted in the course of employment, | 47414 |
| wherever such injury has occurred or occupational disease has been | 47415 |
| contracted, provided the same were not: | 47416 |
| (1) Purposely self-inflicted; or | 47417 |
| (2) Caused by the employee being intoxicated or under the | 47418 |

influence of a controlled substance not prescribed by a physician 47419
where the intoxication or being under the influence of the 47420
controlled substance not prescribed by a physician was the 47421
proximate cause of the injury, is entitled to receive, either 47422
directly from the employee's self-insuring employer as provided in 47423
section 4123.35 of the Revised Code, or from the state insurance 47424
fund, the compensation for loss sustained on account of the 47425
injury, occupational disease, or death, and the medical, nurse, 47426
and hospital services and medicines, and the amount of funeral 47427
expenses in case of death, as are provided by this chapter. 47428

(B) For the purpose of this section, provided that an 47429
employer has posted written notice to employees that the results 47430
of, or the employee's refusal to submit to, any chemical test 47431
described under this division may affect the employee's 47432
eligibility for compensation and benefits pursuant to this chapter 47433
and Chapter 4121. of the Revised Code, there is a rebuttable 47434
presumption that an employee is intoxicated or under the influence 47435
of a controlled substance not prescribed by the employee's 47436
physician and that being intoxicated or under the influence of a 47437
controlled substance not prescribed by the employee's physician is 47438
the proximate cause of an injury under either of the following 47439
conditions: 47440

(1) When any one or more of the following is true: 47441

(a) The employee, through a qualifying chemical test 47442
administered within eight hours of an injury, is determined to 47443
have an alcohol concentration level equal to or in excess of the 47444
levels established in divisions (A)(1)(b) to (i) of section 47445
4511.19 of the Revised Code; 47446

(b) The employee, through a qualifying chemical test 47447
administered within thirty-two hours of an injury, is determined 47448
to have one of the following controlled substances not prescribed 47449
by the employee's physician in the employee's system that tests 47450

above the following levels in an enzyme multiplied immunoassay 47451
technique screening test and above the levels established in 47452
division (B)(1)(c) of this section in a gas chromatography mass 47453
spectrometry test: 47454

(i) For amphetamines, one thousand nanograms per milliliter 47455
of urine; 47456

(ii) For cannabinoids, fifty nanograms per milliliter of 47457
urine; 47458

(iii) For cocaine, including crack cocaine, three hundred 47459
nanograms per milliliter of urine; 47460

(iv) For opiates, two thousand nanograms per milliliter of 47461
urine; 47462

(v) For phencyclidine, twenty-five nanograms per milliliter 47463
of urine. 47464

(c) The employee, through a qualifying chemical test 47465
administered within thirty-two hours of an injury, is determined 47466
to have one of the following controlled substances not prescribed 47467
by the employee's physician in the employee's system that tests 47468
above the following levels by a gas chromatography mass 47469
spectrometry test: 47470

(i) For amphetamines, five hundred nanograms per milliliter 47471
of urine; 47472

(ii) For cannabinoids, fifteen nanograms per milliliter of 47473
urine; 47474

(iii) For cocaine, including crack cocaine, one hundred fifty 47475
nanograms per milliliter of urine; 47476

(iv) For opiates, two thousand nanograms per milliliter of 47477
urine; 47478

(v) For phencyclidine, twenty-five nanograms per milliliter 47479
of urine. 47480

(d) The employee, through a qualifying chemical test 47481
administered within thirty-two hours of an injury, is determined 47482
to have barbiturates, benzodiazepines, methadone, or propoxyphene 47483
in the employee's system that tests above levels established by 47484
laboratories certified by the United States department of health 47485
and human services. 47486

(2) When the employee refuses to submit to a requested 47487
chemical test, on the condition that that employee is or was given 47488
notice that the refusal to submit to any chemical test described 47489
in division (B)(1) of this section may affect the employee's 47490
eligibility for compensation and benefits under this chapter and 47491
Chapter 4121. of the Revised Code. 47492

(C)(1) For purposes of division (B) of this section, a 47493
chemical test is a qualifying chemical test if it is administered 47494
to an employee after an injury under at least one of the following 47495
conditions: 47496

(a) When the employee's employer had reasonable cause to 47497
suspect that the employee may be intoxicated or under the 47498
influence of a controlled substance not prescribed by the 47499
employee's physician; 47500

(b) At the request of a police officer pursuant to section 47501
4511.191 of the Revised Code, and not at the request of the 47502
employee's employer; 47503

(c) At the request of a licensed physician who is not 47504
employed by the employee's employer, and not at the request of the 47505
employee's employer. 47506

(2) As used in division (C)(1)(a) of this section, 47507
"reasonable cause" means, but is not limited to, evidence that an 47508
employee is or was using alcohol or a controlled substance drawn 47509
from specific, objective facts and reasonable inferences drawn 47510
from these facts in light of experience and training. These facts 47511

and inferences may be based on, but are not limited to, any of the 47512
following: 47513

(a) Observable phenomena, such as direct observation of use, 47514
possession, or distribution of alcohol or a controlled substance, 47515
or of the physical symptoms of being under the influence of 47516
alcohol or a controlled substance, such as but not limited to 47517
slurred speech, dilated pupils, odor of alcohol or a controlled 47518
substance, changes in affect, or dynamic mood swings; 47519

(b) A pattern of abnormal conduct, erratic or aberrant 47520
behavior, or deteriorating work performance such as frequent 47521
absenteeism, excessive tardiness, or recurrent accidents, that 47522
appears to be related to the use of alcohol or a controlled 47523
substance, and does not appear to be attributable to other 47524
factors; 47525

(c) The identification of an employee as the focus of a 47526
criminal investigation into unauthorized possession, use, or 47527
trafficking of a controlled substance; 47528

(d) A report of use of alcohol or a controlled substance 47529
provided by a reliable and credible source; 47530

(e) Repeated or flagrant violations of the safety or work 47531
rules of the employee's employer, that are determined by the 47532
employee's supervisor to pose a substantial risk of physical 47533
injury or property damage and that appear to be related to the use 47534
of alcohol or a controlled substance and that do not appear 47535
attributable to other factors. 47536

(D) Nothing in this section shall be construed to affect the 47537
rights of an employer to test employees for alcohol or controlled 47538
substance abuse. 47539

(E) For the purpose of this section, laboratories certified 47540
by the United States department of health and human services or 47541
laboratories that meet or exceed the standards of that department 47542

for laboratory certification shall be used for processing the test 47543
results of a qualifying chemical test. 47544

(F) The written notice required by division (B) of this 47545
section shall be the same size or larger ~~then~~ than the certificate 47546
of premium payment notice furnished by the bureau of workers' 47547
compensation and shall be posted by the employer in the same 47548
location as the certificate of premium payment notice or the 47549
certificate of self-insurance. 47550

(G) If a condition that pre-existed an injury is 47551
substantially aggravated by the injury, and that substantial 47552
aggravation is documented by objective diagnostic findings, 47553
objective clinical findings, or objective test results, no 47554
compensation or benefits are payable because of the pre-existing 47555
condition once that condition has returned to a level that would 47556
have existed without the injury. 47557

(H)(1) Whenever, with respect to an employee of an employer 47558
who is subject to and has complied with this chapter, there is 47559
possibility of conflict with respect to the application of 47560
workers' compensation laws because the contract of employment is 47561
entered into and all or some portion of the work is or is to be 47562
performed in a state or states other than Ohio, the employer and 47563
the employee may agree to be bound by the laws of this state or by 47564
the laws of some other state in which all or some portion of the 47565
work of the employee is to be performed. The agreement shall be in 47566
writing and shall be filed with the bureau of workers' 47567
compensation within ten days after it is executed and shall remain 47568
in force until terminated or modified by agreement of the parties 47569
similarly filed. If the agreement is to be bound by the laws of 47570
this state and the employer has complied with this chapter, then 47571
the employee is entitled to compensation and benefits regardless 47572
of where the injury occurs or the disease is contracted and the 47573
rights of the employee and the employee's dependents under the 47574

laws of this state are the exclusive remedy against the employer 47575
on account of injury, disease, or death in the course of and 47576
arising out of the employee's employment. If the agreement is to 47577
be bound by the laws of another state and the employer has 47578
complied with the laws of that state, the rights of the employee 47579
and the employee's dependents under the laws of that state are the 47580
exclusive remedy against the employer on account of injury, 47581
disease, or death in the course of and arising out of the 47582
employee's employment without regard to the place where the injury 47583
was sustained or the disease contracted. If an employer and an 47584
employee enter into an agreement under this division, the fact 47585
that the employer and the employee entered into that agreement 47586
shall not be construed to change the status of an employee whose 47587
continued employment is subject to the will of the employer or the 47588
employee, unless the agreement contains a provision that expressly 47589
changes that status. 47590

(2) If any employee or the employee's dependents pursue 47591
workers' compensation benefits or recover damages from the 47592
employer under the laws of another state, the amount awarded or 47593
recovered, whether paid or to be paid in future installments, 47594
shall be credited on the amount of any award of compensation or 47595
benefits made to the employee or the employee's dependents by the 47596
bureau. If an employee or the employee's dependents pursue or 47597
receive an award of compensation or benefits under this chapter or 47598
Chapter 4121., 4127., or 4131. of the Revised Code for the same 47599
injury, occupational disease, or death for which the employee or 47600
the employee's dependents pursued workers' compensation benefits 47601
and received a decision on the merits as defined in section 47602
4123.542 of the Revised Code under the laws of another state or 47603
recovered damages under the laws of another state, the 47604
administrator or any employer, by any lawful means, may collect 47605
the amount of compensation or benefits paid to or on behalf of the 47606
employee or the employee's dependents by the administrator or a 47607

self-insuring employer pursuant to this chapter or Chapter 4121., 47608
4127., or 4131. of the Revised Code for that award. The 47609
administrator or any employer also may collect from the employee 47610
or the employee's dependents any costs and attorney's fees the 47611
administrator or the employer incurs in collecting that payment 47612
and any attorney's fees, penalties, interest, awards, and costs 47613
incurred by an employer in contesting or responding to any claim 47614
filed by the employee or the employee's dependents for the same 47615
injury, occupational disease, or death that was filed after the 47616
original claim for which the employee or the employee's dependents 47617
received a decision on the merits as described in section 4123.542 47618
of the Revised Code. If the employee's employer pays premiums into 47619
the state insurance fund, the administrator shall not charge the 47620
amount of compensation or benefits the administrator collects 47621
pursuant to this division to the employer's experience. If the 47622
administrator collects any costs, penalties, interest, awards, or 47623
attorney's fees incurred by a state fund employer, the 47624
administrator shall forward the amount of such costs, penalties, 47625
interest, awards, and attorney's fees the administrator collects 47626
to that employer. If the employee's employer is a self-insuring 47627
employer, the self-insuring employer shall deduct the amount of 47628
compensation or benefits the self-insuring employer collects 47629
pursuant to this division from the paid compensation the 47630
self-insuring employer reports to the administrator under division 47631
(L) of section 4123.35 of the Revised Code. 47632

(3) Except as otherwise stipulated in division (H)(4) of this 47633
section, if an employee is a resident of a state other than this 47634
state and is insured under the workers' compensation law or 47635
similar laws of a state other than this state, the employee and 47636
the employee's dependents are not entitled to receive compensation 47637
or benefits under this chapter, on account of injury, disease, or 47638
death arising out of or in the course of employment while 47639
temporarily within this state, and the rights of the employee and 47640

the employee's dependents under the laws of the other state are 47641
the exclusive remedy against the employer on account of the 47642
injury, disease, or death. 47643

(4) Division (H)(3) of this section does not apply to an 47644
employee described in that division, or the employee's dependents, 47645
unless both of the following apply: 47646

(a) The laws of the other state limit the ability of an 47647
employee who is a resident of this state and is covered by this 47648
chapter and Chapter 4123. of the Revised Code, or the employee's 47649
dependents, to receive compensation or benefits under the other 47650
state's workers' compensation law on account of injury, disease, 47651
or death incurred by the employee that arises out of or in the 47652
course of the employee's employment while temporarily within that 47653
state in the same manner as specified in division (H)(3) of this 47654
section for an employee who is a resident of a state other than 47655
this state, or the employee's dependents; 47656

(b) The laws of the other state limit the liability of the 47657
employer of the employee who is a resident of this state and who 47658
is described in division (H)(4)(a) of this section for that 47659
injury, disease, or death, in the same manner specified in 47660
division (H)(3) of this section for the employer of an employee 47661
who is a resident of the other state. 47662

(5) An employee, or the dependent of an employee, who elects 47663
to receive compensation and benefits under this chapter or Chapter 47664
4121., 4127., or 4131. of the Revised Code for a claim may not 47665
receive compensation and benefits under the workers' compensation 47666
laws of any state other than this state for that same claim. For 47667
each claim submitted by or on behalf of an employee, the 47668
administrator or, if the employee is employed by a self-insuring 47669
employer, the self-insuring employer shall request the employee or 47670
the employee's dependent to sign an election that affirms the 47671
employee's or employee's dependent's acceptance of electing to 47672

receive compensation and benefits under this chapter or Chapter 47673
4121., 4127., or 4131. of the Revised Code for that claim that 47674
also affirmatively waives and releases the employee's or the 47675
employee's dependent's right to file for and receive compensation 47676
and benefits under the laws of any state other than this state for 47677
that claim. The employee or employee's dependent shall sign the 47678
election form within twenty-eight days after the administrator or 47679
self-insuring employer submits the request or the administrator or 47680
self-insuring employer shall suspend that claim until the 47681
administrator or self-insuring employer receives the signed 47682
election form. 47683

(I) If an employee who is covered under the federal 47684
"Longshore and Harbor Workers' Compensation Act," 98 Stat. 1639, 47685
33 U.S.C. 901 et seq., is injured or contracts an occupational 47686
disease or dies as a result of an injury or occupational disease, 47687
and if that employee's or that employee's dependents' claim for 47688
compensation or benefits for that injury, occupational disease, or 47689
death is subject to the jurisdiction of that act, the employee or 47690
the employee's dependents are not entitled to apply for and shall 47691
not receive compensation or benefits under this chapter and 47692
Chapter 4121. of the Revised Code. The rights of such an employee 47693
and the employee's dependents under the federal "Longshore and 47694
Harbor Workers' Compensation Act," 98 Stat. 1639, 33 U.S.C. 901 et 47695
seq., are the exclusive remedy against the employer for that 47696
injury, occupational disease, or death. 47697

(J) Compensation or benefits are not payable to a claimant 47698
during the period of confinement of the claimant in any state or 47699
federal correctional institution, or in any county jail in lieu of 47700
incarceration in a state or federal correctional institution, 47701
whether in this or any other state for conviction of violation of 47702
any state or federal criminal law. 47703

(K) An employer, upon the approval of the administrator, may 47704

provide for workers' compensation coverage for the employer's 47705
employees who are professional athletes and coaches by submitting 47706
to the administrator proof of coverage under a league policy 47707
issued under the laws of another state under either of the 47708
following circumstances: 47709

(1) The employer administers the payroll and workers' 47710
compensation insurance for a professional sports team subject to a 47711
collective bargaining agreement, and the collective bargaining 47712
agreement provides for the uniform administration of workers' 47713
compensation benefits and compensation for professional athletes. 47714

(2) The employer is a professional sports league, or is a 47715
member team of a professional sports league, and all of the 47716
following apply: 47717

(a) The professional sports league operates as a single 47718
entity, whereby all of the players and coaches of the sports 47719
league are employees of the sports league and not of the 47720
individual member teams. 47721

(b) The professional sports league at all times maintains 47722
workers' compensation insurance that provides coverage for the 47723
players and coaches of the sports league. 47724

(c) Each individual member team of the professional sports 47725
league, pursuant to the organizational or operating documents of 47726
the sports league, is obligated to the sports league to pay to the 47727
sports league any workers' compensation claims that are not 47728
covered by the workers' compensation insurance maintained by the 47729
sports league. 47730

If the administrator approves the employer's proof of 47731
coverage submitted under division (K) of this section, a 47732
professional athlete or coach who is an employee of the employer 47733
and the dependents of the professional athlete or coach are not 47734
entitled to apply for and shall not receive compensation or 47735

benefits under this chapter and Chapter 4121. of the Revised Code. 47736
The rights of such an athlete or coach and the dependents of such 47737
an athlete or coach under the laws of the state where the policy 47738
was issued are the exclusive remedy against the employer for the 47739
athlete or coach if the athlete or coach suffers an injury or 47740
contracts an occupational disease in the course of employment, or 47741
for the dependents of the athlete or the coach if the athlete or 47742
coach is killed as a result of an injury or dies as a result of an 47743
occupational disease, regardless of the location where the injury 47744
was suffered or the occupational disease was contracted. 47745

Sec. 4123.57. Partial disability compensation shall be paid 47746
as follows. 47747

Except as provided in this section, not earlier than 47748
twenty-six weeks after the date of termination of the latest 47749
period of payments under section 4123.56 of the Revised Code, or 47750
not earlier than twenty-six weeks after the date of the injury or 47751
contraction of an occupational disease in the absence of payments 47752
under section 4123.56 of the Revised Code, the employee may file 47753
an application with the bureau of workers' compensation for the 47754
determination of the percentage of the employee's permanent 47755
partial disability resulting from an injury or occupational 47756
disease. 47757

Whenever the application is filed, the bureau shall send a 47758
copy of the application to the employee's employer or the 47759
employer's representative and shall schedule the employee for a 47760
medical examination by the bureau medical section. The bureau 47761
shall send a copy of the report of the medical examination to the 47762
employee, the employer, and their representatives. Thereafter, the 47763
administrator of workers' compensation shall review the employee's 47764
claim file and make a tentative order as the evidence before the 47765
administrator at the time of the making of the order warrants. If 47766

the administrator determines that there is a conflict of evidence, 47767
the administrator shall send the application, along with the 47768
claimant's file, to the district hearing officer who shall set the 47769
application for a hearing. 47770

The administrator shall notify the employee, the employer, 47771
and their representatives, in writing, of the tentative order and 47772
of the parties' right to request a hearing. Unless the employee, 47773
the employer, or their representative notifies the administrator, 47774
in writing, of an objection to the tentative order within twenty 47775
days after receipt of the notice thereof, the tentative order 47776
shall go into effect and the employee shall receive the 47777
compensation provided in the order. In no event shall there be a 47778
reconsideration of a tentative order issued under this division. 47779

If the employee, the employer, or their representatives 47780
timely notify the administrator of an objection to the tentative 47781
order, the matter shall be referred to a district hearing officer 47782
who shall set the application for hearing with written notices to 47783
all interested persons. Upon referral to a district hearing 47784
officer, the employer may obtain a medical examination of the 47785
employee, pursuant to rules of the industrial commission. 47786

(A) The district hearing officer, upon the application, shall 47787
determine the percentage of the employee's permanent disability, 47788
except as is subject to division (B) of this section, based upon 47789
that condition of the employee resulting from the injury or 47790
occupational disease and causing permanent impairment evidenced by 47791
medical or clinical findings reasonably demonstrable. The employee 47792
shall receive sixty-six and two-thirds per cent of the employee's 47793
average weekly wage, but not more than a maximum of thirty-three 47794
and one-third per cent of the statewide average weekly wage as 47795
defined in division (C) of section 4123.62 of the Revised Code, 47796
per week regardless of the average weekly wage, for the number of 47797
weeks which equals the percentage of two hundred weeks. Except on 47798

application for reconsideration, review, or modification, which is 47799
filed within ten days after the date of receipt of the decision of 47800
the district hearing officer, in no instance shall the former 47801
award be modified unless it is found from medical or clinical 47802
findings that the condition of the claimant resulting from the 47803
injury has so progressed as to have increased the percentage of 47804
permanent partial disability. A staff hearing officer shall hear 47805
an application for reconsideration filed and the staff hearing 47806
officer's decision is final. An employee may file an application 47807
for a subsequent determination of the percentage of the employee's 47808
permanent disability. If such an application is filed, the bureau 47809
shall send a copy of the application to the employer or the 47810
employer's representative. No sooner than sixty days from the date 47811
of the mailing of the application to the employer or the 47812
employer's representative, the administrator shall review the 47813
application. The administrator may require a medical examination 47814
or medical review of the employee. The administrator shall issue a 47815
tentative order based upon the evidence before the administrator, 47816
provided that if the administrator requires a medical examination 47817
or medical review, the administrator shall not issue the tentative 47818
order until the completion of the examination or review. 47819

The employer may obtain a medical examination of the employee 47820
and may submit medical evidence at any stage of the process up to 47821
a hearing before the district hearing officer, pursuant to rules 47822
of the commission. The administrator shall notify the employee, 47823
the employer, and their representatives, in writing, of the nature 47824
and amount of any tentative order issued on an application 47825
requesting a subsequent determination of the percentage of an 47826
employee's permanent disability. An employee, employer, or their 47827
representatives may object to the tentative order within twenty 47828
days after the receipt of the notice thereof. If no timely 47829
objection is made, the tentative order shall go into effect. In no 47830
event shall there be a reconsideration of a tentative order issued 47831

under this division. If an objection is timely made, the 47832
application for a subsequent determination shall be referred to a 47833
district hearing officer who shall set the application for a 47834
hearing with written notice to all interested persons. No 47835
application for subsequent percentage determinations on the same 47836
claim for injury or occupational disease shall be accepted for 47837
review by the district hearing officer unless supported by 47838
substantial evidence of new and changed circumstances developing 47839
since the time of the hearing on the original or last 47840
determination. 47841

No award shall be made under this division based upon a 47842
percentage of disability which, when taken with all other 47843
percentages of permanent disability, exceeds one hundred per cent. 47844
If the percentage of the permanent disability of the employee 47845
equals or exceeds ninety per cent, compensation for permanent 47846
partial disability shall be paid for two hundred weeks. 47847

Compensation payable under this division accrues and is 47848
payable to the employee from the date of last payment of 47849
compensation, or, in cases where no previous compensation has been 47850
paid, from the date of the injury or the date of the diagnosis of 47851
the occupational disease. 47852

When an award under this division has been made prior to the 47853
death of an employee, all unpaid installments accrued or to accrue 47854
under the provisions of the award are payable to the surviving 47855
spouse, or if there is no surviving spouse, to the dependent 47856
children of the employee, and if there are no children surviving, 47857
then to other dependents as the administrator determines. 47858

(B) ~~In~~ For purposes of this division, "payable per week" 47859
means the seven consecutive day period in which compensation is 47860
paid in installments according to the schedule associated with the 47861
applicable injury as set forth in this division. 47862

Compensation paid in weekly installments according to the 47863
schedule described in this division may only be commuted to one or 47864
more lump-sum payments pursuant to the procedure set forth in 47865
section 4123.64 of the Revised Code. 47866

In cases included in the following schedule the compensation 47867
payable per week to the employee is the statewide average weekly 47868
wage as defined in division (C) of section 4123.62 of the Revised 47869
Code per week and shall ~~continue during the periods provided in~~ be 47870
paid in installments according to the following schedule: 47871

For the loss of a first finger, commonly known as a thumb, 47872
sixty weeks. 47873

For the loss of a second finger, commonly called index 47874
finger, thirty-five weeks. 47875

For the loss of a third finger, thirty weeks. 47876

For the loss of a fourth finger, twenty weeks. 47877

For the loss of a fifth finger, commonly known as the little 47878
finger, fifteen weeks. 47879

The loss of a second, or distal, phalange of the thumb is 47880
considered equal to the loss of one half of such thumb; the loss 47881
of more than one half of such thumb is considered equal to the 47882
loss of the whole thumb. 47883

The loss of the third, or distal, phalange of any finger is 47884
considered equal to the loss of one-third of the finger. 47885

The loss of the middle, or second, phalange of any finger is 47886
considered equal to the loss of two-thirds of the finger. 47887

The loss of more than the middle and distal phalanges of any 47888
finger is considered equal to the loss of the whole finger. In no 47889
case shall the amount received for more than one finger exceed the 47890
amount provided in this schedule for the loss of a hand. 47891

For the loss of the metacarpal bone (bones of the palm) for 47892

the corresponding thumb, or fingers, add ten weeks to the number 47893
of weeks under this division. 47894

For ankylosis (total stiffness of) or contractures (due to 47895
scars or injuries) which makes any of the fingers, thumbs, or 47896
parts of either useless, the same number of weeks apply to the 47897
members or parts thereof as given for the loss thereof. 47898

If the claimant has suffered the loss of two or more fingers 47899
by amputation or ankylosis and the nature of the claimant's 47900
employment in the course of which the claimant was working at the 47901
time of the injury or occupational disease is such that the 47902
handicap or disability resulting from the loss of fingers, or loss 47903
of use of fingers, exceeds the normal handicap or disability 47904
resulting from the loss of fingers, or loss of use of fingers, the 47905
administrator may take that fact into consideration and increase 47906
the award of compensation accordingly, but the award made shall 47907
not exceed the amount of compensation for loss of a hand. 47908

For the loss of a hand, one hundred seventy-five weeks. 47909

For the loss of an arm, two hundred twenty-five weeks. 47910

For the loss of a great toe, thirty weeks. 47911

For the loss of one of the toes other than the great toe, ten 47912
weeks. 47913

The loss of more than two-thirds of any toe is considered 47914
equal to the loss of the whole toe. 47915

The loss of less than two-thirds of any toe is considered no 47916
loss, except as to the great toe; the loss of the great toe up to 47917
the interphalangeal joint is co-equal to the loss of one-half of 47918
the great toe; the loss of the great toe beyond the 47919
interphalangeal joint is considered equal to the loss of the whole 47920
great toe. 47921

For the loss of a foot, one hundred fifty weeks. 47922

| | |
|---|---|
| For the loss of a leg, two hundred weeks. | 47923 |
| For the loss of the sight of an eye, one hundred twenty-five weeks. | 47924 47925 |
| For the permanent partial loss of sight of an eye, the portion of one hundred twenty-five weeks as the administrator in each case determines, based upon the percentage of vision actually lost as a result of the injury or occupational disease, but, in no case shall an award of compensation be made for less than twenty-five per cent loss of uncorrected vision. "Loss of uncorrected vision" means the percentage of vision actually lost as the result of the injury or occupational disease. | 47926 47927 47928 47929 47930 47931 47932 47933 |
| For the permanent and total loss of hearing of one ear, twenty-five weeks; but in no case shall an award of compensation be made for less than permanent and total loss of hearing of one ear. | 47934 47935 47936 47937 |
| For the permanent and total loss of hearing, one hundred twenty-five weeks; but, except pursuant to the next preceding paragraph, in no case shall an award of compensation be made for less than permanent and total loss of hearing. | 47938 47939 47940 47941 |
| In case an injury or occupational disease results in serious facial or head disfigurement which either impairs or may in the future impair the opportunities to secure or retain employment, the administrator shall make an award of compensation as it deems proper and equitable, in view of the nature of the disfigurement, and not to exceed the sum of ten thousand dollars. For the purpose of making the award, it is not material whether the employee is gainfully employed in any occupation or trade at the time of the administrator's determination. | 47942 47943 47944 47945 47946 47947 47948 47949 47950 |
| When an award under this division has been made prior to the death of an employee all unpaid installments accrued or to accrue under the provisions of the award shall be payable to the | 47951 47952 47953 |

surviving spouse, or if there is no surviving spouse, to the 47954
dependent children of the employee and if there are no such 47955
children, then to such dependents as the administrator determines. 47956

When an employee has sustained the loss of a member by 47957
severance, but no award has been made on account thereof prior to 47958
the employee's death, the administrator shall make an award in 47959
accordance with this division for the loss which shall be payable 47960
to the surviving spouse, or if there is no surviving spouse, to 47961
the dependent children of the employee and if there are no such 47962
children, then to such dependents as the administrator determines. 47963

(C) Compensation for partial impairment under divisions (A) 47964
and (B) of this section is in addition to the compensation paid 47965
the employee pursuant to section 4123.56 of the Revised Code. A 47966
claimant may receive compensation under divisions (A) and (B) of 47967
this section. 47968

In all cases arising under division (B) of this section, if 47969
it is determined by any one of the following: (1) the amputee 47970
clinic at University hospital, Ohio state university; (2) the 47971
rehabilitation services commission; (3) an amputee clinic or 47972
prescribing physician approved by the administrator or the 47973
administrator's designee, that an injured or disabled employee is 47974
in need of an artificial appliance, or in need of a repair 47975
thereof, regardless of whether the appliance or its repair will be 47976
serviceable in the vocational rehabilitation of the injured 47977
employee, and regardless of whether the employee has returned to 47978
or can ever again return to any gainful employment, the bureau 47979
shall pay the cost of the artificial appliance or its repair out 47980
of the surplus created by division (B) of section 4123.34 of the 47981
Revised Code. 47982

In those cases where a rehabilitation services commission 47983
recommendation that an injured or disabled employee is in need of 47984
an artificial appliance would conflict with their state plan, 47985

adopted pursuant to the "Rehabilitation Act of 1973," 87 Stat. 47986
355, 29 U.S.C.A. 701, the administrator or the administrator's 47987
designee or the bureau may obtain a recommendation from an amputee 47988
clinic or prescribing physician that they determine appropriate. 47989

(D) If an employee of a state fund employer makes application 47990
for a finding and the administrator finds that the employee has 47991
contracted silicosis as defined in division (X), or coal miners' 47992
pneumoconiosis as defined in division (Y), or asbestosis as 47993
defined in division (AA) of section 4123.68 of the Revised Code, 47994
and that a change of such employee's occupation is medically 47995
advisable in order to decrease substantially further exposure to 47996
silica dust, asbestos, or coal dust and if the employee, after the 47997
finding, has changed or shall change the employee's occupation to 47998
an occupation in which the exposure to silica dust, asbestos, or 47999
coal dust is substantially decreased, the administrator shall 48000
allow to the employee an amount equal to fifty per cent of the 48001
statewide average weekly wage per week for a period of thirty 48002
weeks, commencing as of the date of the discontinuance or change, 48003
and for a period of one hundred weeks immediately following the 48004
expiration of the period of thirty weeks, the employee shall 48005
receive sixty-six and two-thirds per cent of the loss of wages 48006
resulting directly and solely from the change of occupation but 48007
not to exceed a maximum of an amount equal to fifty per cent of 48008
the statewide average weekly wage per week. No such employee is 48009
entitled to receive more than one allowance on account of 48010
discontinuance of employment or change of occupation and benefits 48011
shall cease for any period during which the employee is employed 48012
in an occupation in which the exposure to silica dust, asbestos, 48013
or coal dust is not substantially less than the exposure in the 48014
occupation in which the employee was formerly employed or for any 48015
period during which the employee may be entitled to receive 48016
compensation or benefits under section 4123.68 of the Revised Code 48017
on account of disability from silicosis, asbestosis, or coal 48018

miners' pneumoconiosis. An award for change of occupation for a 48019
coal miner who has contracted coal miners' pneumoconiosis may be 48020
granted under this division even though the coal miner continues 48021
employment with the same employer, so long as the coal miner's 48022
employment subsequent to the change is such that the coal miner's 48023
exposure to coal dust is substantially decreased and a change of 48024
occupation is certified by the claimant as permanent. The 48025
administrator may accord to the employee medical and other 48026
benefits in accordance with section 4123.66 of the Revised Code. 48027

(E) If a firefighter or police officer makes application for 48028
a finding and the administrator finds that the firefighter or 48029
police officer has contracted a cardiovascular and pulmonary 48030
disease as defined in division (W) of section 4123.68 of the 48031
Revised Code, and that a change of the firefighter's or police 48032
officer's occupation is medically advisable in order to decrease 48033
substantially further exposure to smoke, toxic gases, chemical 48034
fumes, and other toxic vapors, and if the firefighter, or police 48035
officer, after the finding, has changed or changes occupation to 48036
an occupation in which the exposure to smoke, toxic gases, 48037
chemical fumes, and other toxic vapors is substantially decreased, 48038
the administrator shall allow to the firefighter or police officer 48039
an amount equal to fifty per cent of the statewide average weekly 48040
wage per week for a period of thirty weeks, commencing as of the 48041
date of the discontinuance or change, and for a period of 48042
seventy-five weeks immediately following the expiration of the 48043
period of thirty weeks the administrator shall allow the 48044
firefighter or police officer sixty-six and two-thirds per cent of 48045
the loss of wages resulting directly and solely from the change of 48046
occupation but not to exceed a maximum of an amount equal to fifty 48047
per cent of the statewide average weekly wage per week. No such 48048
firefighter or police officer is entitled to receive more than one 48049
allowance on account of discontinuance of employment or change of 48050
occupation and benefits shall cease for any period during which 48051

the firefighter or police officer is employed in an occupation in 48052
which the exposure to smoke, toxic gases, chemical fumes, and 48053
other toxic vapors is not substantially less than the exposure in 48054
the occupation in which the firefighter or police officer was 48055
formerly employed or for any period during which the firefighter 48056
or police officer may be entitled to receive compensation or 48057
benefits under section 4123.68 of the Revised Code on account of 48058
disability from a cardiovascular and pulmonary disease. The 48059
administrator may accord to the firefighter or police officer 48060
medical and other benefits in accordance with section 4123.66 of 48061
the Revised Code. 48062

(F) An order issued under this section is appealable pursuant 48063
to section 4123.511 of the Revised Code but is not appealable to 48064
court under section 4123.512 of the Revised Code. 48065

Sec. 4141.35. (A) If the director of job and family services 48066
finds that any fraudulent misrepresentation has been made by an 48067
applicant for or a recipient of benefits with the object of 48068
obtaining benefits to which the applicant or recipient was not 48069
entitled, and in addition to any other penalty or forfeiture under 48070
this chapter, then the director: 48071

(1) Shall within four years after the end of the benefit year 48072
in which the fraudulent misrepresentation was made reject or 48073
cancel such person's entire weekly claim for benefits that was 48074
fraudulently claimed, or the person's entire benefit rights if the 48075
misrepresentation was in connection with the filing of the 48076
claimant's application for determination of benefit rights; 48077

(2) Shall by order declare that, for each application for 48078
benefit rights and for each weekly claim canceled, such person 48079
shall be ineligible for two otherwise valid weekly claims for 48080
benefits, claimed within six years subsequent to the discovery of 48081
such misrepresentation; 48082

(3) By order shall require that the total amount of benefits 48083
rejected or canceled under division (A)(1) of this section be 48084
repaid to the director before such person may become eligible for 48085
further benefits, and shall withhold such unpaid sums from future 48086
benefit payments accruing and otherwise payable to such claimant. 48087
Effective with orders issued on or after January 1, 1993, if such 48088
benefits are not repaid within thirty days after the director's 48089
order becomes final, interest on the amount remaining unpaid shall 48090
be charged to the person at a rate and calculated in the same 48091
manner as provided under section 4141.23 of the Revised Code. When 48092
a person ordered to repay benefits has repaid all overpaid 48093
benefits according to a plan approved by the director, the 48094
director may cancel the amount of interest that accrued during the 48095
period of the repayment plan. The director may take action in ~~the~~ 48096
~~courts~~ any court of ~~this state~~ competent jurisdiction to collect 48097
benefits and interest as provided in sections 4141.23 and 4141.27 48098
of the Revised Code, in regard to the collection of unpaid 48099
contributions, using the final repayment order as the basis for 48100
such action. ~~No~~ Except as otherwise provided in this division, no 48101
administrative or legal proceedings for the collection of such 48102
benefits or interest due shall be initiated after the expiration 48103
of six years from the date on which the director's order requiring 48104
repayment became final and the amount of any benefits or interest 48105
not recovered at that time, and any liens thereon, shall be 48106
canceled as uncollectible. The time limit for instituting 48107
proceedings shall be extended by the period of any stay to the 48108
collection or by any other time period to which the parties 48109
mutually agree. 48110

(4) May take action to collect benefits fraudulently obtained 48111
under the unemployment compensation law of any other state or the 48112
United States or Canada. Such action may be initiated in the 48113
courts of this state in the same manner as provided for unpaid 48114
contributions in section 4141.41 of the Revised Code. 48115

(5) May take action to collect benefits that have been 48116
fraudulently obtained from the director, interest pursuant to 48117

enterprise acquisition project purported to be conveyed for all 49011
purposes, and not as a pledge or other security interest. The 49012
characterization of any such transfer as a true sale and absolute 49013
conveyance shall not be negated or adversely affected by the 49014
acquisition or retention by the state of a residual or 49015

officer of, or contracting for staff support to, JobsOhio or any 49018

obligations of JobsOhio under accounting, taxation, or securities 49025
regulations, or any other reason whatsoever. An absolute 49026
conveyance and true sale or lease shall exist under this section 49027
regardless of whether JobsOhio has any recourse against the state 49028
or the treatment or characterization of the transfer as a 49029
financing for any purpose. Upon and following the transfer, the 49030
state shall not have any right, title, or interest in the 49031
enterprise acquisition project so transferred other than any 49032

twenty-five years. Any transfer of the enterprise acquisition 49040
project that is an assignment and sale, conveyance, or other 49041

absence of such transfer shall, as it may from time to time exist 49053
thereafter, remain exempt from real property taxes or assessments 49054
levied by the state and its subdivisions to the same extent as if 49055
not transferred. The gross receipts and income of JobsOhio derived 49056
from the enterprise acquisition project shall be exempt from 49057
taxation levied by the state and its subdivisions, including, but 49058
not limited to, the taxes levied pursuant to Chapters 718., 5739., 49059
5741., 5747., and 5751. of the Revised Code. Any transfer from the 49060
state to JobsOhio of the enterprise acquisition project, or item 49061

transfer agreement may provide or authorize the manner for 49091
determining material impairment of the security for any such 49092

(2) The director of budget and management, in consultation 49095
with the director of commerce, may, without need for any other 49096

The treasurer shall then issue a certificate evidencing registration and a decal to be displayed on the street side of the home. The certificate is valid in any county in this state during the year for which it is issued.

(3) For each year thereafter, the county treasurer shall issue a tax bill stating the amount of tax due under section 4503.06 of the Revised Code, as provided in division (D)(6) of that section. When the total tax due has been paid as required by division (F) of that section, the county treasurer shall issue a certificate evidencing registration that shall be valid in any county in this state during the year for which the certificate is issued.

(4) The permanent decal issued under this division is valid during the period of ownership, except that when a manufactured home is relocated in another county the owner shall apply for a new registration as required by this section and section 4503.06 of the Revised Code.

(D)(1) All owners of manufactured or mobile homes subject to the manufactured home tax being relocated to or having situs in a county that has not adopted a permanent registration system, as provided in division (F) of this section, shall register the home within thirty days after the home is relocated or first acquires situs under section 4503.06 of the Revised Code and thereafter shall annually register the home with the county auditor of the

county containing the taxing district in which the home has its 49803
situs. 49804

(2) Upon the annual registration, the county treasurer shall 49805
issue a tax bill stating the amount of annual manufactured home 49806
tax due under section 4503.06 of the Revised Code, as provided in 49807
division (D)(6) of that section. When a manufactured or mobile 49808
home is registered and when the tax for the current one-half year 49809
has been paid as required by division (F) of that section, the 49810
county treasurer shall issue a certificate evidencing registration 49811
and a decal. The certificate and decal are valid in any county in 49812
this state during the year for which they are issued. The decal 49813
shall be displayed on the street side of the home. 49814

(3) For the first annual registration in each county of 49815
situs, the county auditor shall require the owner or vendee to 49816
present an Ohio certificate of title, certified copy of the 49817
certificate of title, or memorandum certificate of title as such 49818
are required by law, and proof, as required by the county auditor, 49819
that the manufactured or mobile home has been previously 49820
registered, if such registration was required, that all taxes due 49821
and required to be paid under division (H)(1) of this section 49822
before a relocation notice may be issued have been paid, and that 49823
a relocation notice was obtained for the home if required by 49824
division (H) of this section. If the owner or vendee does not 49825
possess the Ohio certificate of title, certified copy of the 49826
certificate of title, or memorandum certificate of title at the 49827
time the owner or vendee first registers the home in a county, the 49828
county auditor shall register the home without presentation of the 49829
document, but the owner or vendee shall present the certificate of 49830
title, certified copy of the certificate of title, or memorandum 49831
certificate of title to the county auditor within fourteen days 49832
after the owner or vendee obtains possession of the document. When 49833
the county treasurer receives the tax payment, the county 49834

treasurer shall note by writing or by a stamp on the certificate 49835
of title, certified copy of the certificate of title, or 49836
memorandum certificate of title that the home has been registered 49837
for the current year and that the manufactured home taxes due, if 49838
any, have been paid for the preceding five years and for the 49839
current year. 49840

(4) For subsequent annual registrations, the auditor may 49841
require the owner or vendee in possession to present an Ohio 49842
certificate of title, certified copy of the certificate of title, 49843
or memorandum certificate of title to the county treasurer upon 49844
payment of the manufactured home tax that is due. 49845

(E)(1) Upon the application to transfer ownership of a 49846
manufactured or mobile home for which manufactured home taxes are 49847
paid pursuant to division (C) of section 4503.06 of the Revised 49848

certificate of title that does not contain or have attached both 49850
of the following: 49851

(a) An endorsement of the county treasurer stating that the 49852
home has been registered for each year of ownership and that all 49853
manufactured home taxes imposed pursuant to section 4503.06 of the 49854
Revised Code have been paid or that no tax is due; 49855

(b) An endorsement of the county auditor that the 49856
manufactured home transfer tax imposed pursuant to section 322.06 49857
of the Revised Code and any fees imposed under division (G) of 49858

(2) If all the taxes have not been paid, the clerk shall 49860
notify the vendee to contact the county treasurer of the county 49861
containing the taxing district in which the home has its situs at 49862
the time of the proposed transfer. The county treasurer shall then 49863
collect all the taxes that are due for the year of the transfer 49864
and all previous years not exceeding a total of five years. The 49865

county treasurer shall distribute that part of the collection owed 49866
to the county treasurer of other counties if the home had its 49867
situs in another county during a particular year when the unpaid 49868
tax became due and payable. The burden to prove the situs of the 49869
home in the years that the taxes were not paid is on the 49870
transferor of the home. Upon payment of the taxes, the county 49871
auditor shall remove all remaining taxes from the manufactured 49872
home tax list and the delinquent manufactured home tax list, and 49873
the county treasurer shall release all liens for such taxes. The 49874
clerk of courts shall issue a certificate of title, free and clear 49875
of all liens for manufactured home taxes, to the transferee of the 49876
home. 49877

(3) Once the transfer is complete and the certificate of 49878
title has been issued, the transferee shall register the 49879
manufactured or mobile home pursuant to division (C) or (D) of 49880
this section with the county auditor of the county containing the 49881
taxing district in which the home remains after the transfer or, 49882
if the home is relocated to another county, with the county 49883
auditor of the county to which the home is relocated. The 49884
transferee need not pay the annual tax for the year of acquisition 49885
if the original owner has already paid the annual tax for that 49886
year. 49887

(F) The county auditor may adopt a permanent registration 49888
system and issue a permanent decal with the first registration as 49889
prescribed by the tax commissioner. 49890

(G) When any manufactured or mobile home required to be 49891
registered by this section is not registered, the county auditor 49892
shall impose a penalty of one hundred dollars upon the owner and 49893
deposit the amount to the credit of the county real estate 49894
assessment fund to be used to pay the costs of administering this 49895
section and section 4503.06 of the Revised Code. If unpaid, the 49896
penalty shall constitute a lien on the home and shall be added by 49897

the county auditor to the manufactured home tax list for 49898
collection. 49899

(H)(1) Except as otherwise provided in this division, before 49900
moving a manufactured or mobile home on public roads from one 49901
address within this state to another address within or outside 49902
this state, the owner of the home shall obtain a relocation 49903
notice, as provided by this section, from the auditor of the 49904
county in which the home is located if the home is currently 49905

deposit the amount to the credit of the county real estate 49908
assessment fund to be used to pay the costs of administering this 49909
section and section 4503.06 of the Revised Code. The auditor shall 49910
not issue a relocation notice unless all taxes owed on the home 49911
under section 4503.06 of the Revised Code that were first charged 49912
to the home during the period of ownership of the owner seeking 49913
the relocation notice have been paid. If the home is being moved 49914
by a new owner of the home or by a party taking repossession of 49915
the home, the auditor shall not issue a relocation notice unless 49916
all of the taxes due for the preceding five years and for the 49917
current year have been paid. A relocation notice issued by a 49918
county auditor is valid until the last day of December of the year 49919
in which it was issued. 49920

If the home is being moved by a sheriff, police officer, 49921
constable, bailiff, or manufactured home park operator, as defined 49922
in section ~~3733.01~~ 4781.01 of the Revised Code, or any agent of 49923
any of these persons, for purposes of removal from a manufactured 49924
home park and storage, sale, or destruction under section 1923.14 49925
of the Revised Code, the auditor shall issue a relocation notice 49926
without requiring payment of any taxes owed on the home under 49927
section 4503.06 of the Revised Code. 49928

(2) If a manufactured or mobile home is not yet subject to 49929

taxation under section 4503.06 of the Revised Code, the owner of 49930
the home shall obtain a relocation notice from the dealer of the 49931
home. Within thirty days after the manufactured or mobile home is 49932
purchased, the dealer of the home shall provide the auditor of the 49933
county in which the home is to be located written notice of the 49934
name of the purchaser of the home, the registration number or 49935
vehicle identification number of the home, and the address or 49936
location to which the home is to be moved. The county auditor 49937

charge, a supply of relocation notices to be distributed to 49939
purchasers pursuant to this section. 49940

(3) The notice shall be in the form of a one-foot square 49941

shall drive a motor vehicle moving a manufactured or mobile home 49951
on a public road from one address to another address within this 49952
state unless a relocation notice is attached to the rear of the 49953

(5) If the county auditor determines that a manufactured or 49955
mobile home has been moved without a relocation notice as required 49956
under this division, the auditor shall impose a penalty of one 49957
hundred dollars upon the owner of the home and upon the person who 49958
moved the home and deposit the amount to the credit of the county 49959
real estate assessment fund to pay the costs of administering this 49960
section and section 4503.06 of the Revised Code. If the home was 49961

relocated from one county in this state to another county in this state and the county auditor of the county to which the home was relocated imposes the penalty, that county auditor, upon collection of the penalty, shall cause an amount equal to the penalty to be transmitted from the county real estate assessment fund to the county auditor of the county from which the home was relocated, who shall deposit the amount to the credit of the county real estate assessment fund. If the penalty on the owner is unpaid, the penalty shall constitute a lien on the home and the auditor shall add the penalty to the manufactured home tax list for collection. If the county auditor determines that a dealer that has sold a manufactured or mobile home has failed to timely provide the information required under this division, the auditor shall impose a penalty upon the dealer in the amount of one hundred dollars. The penalty shall be credited to the county real estate assessment fund and used to pay the costs of administering this section and section 4503.06 of the Revised Code.

Sec. 4510.037. (A) When the registrar of motor vehicles determines that the total points charged against any person under section 4510.036 of the Revised Code exceed five, the registrar shall send a warning letter to the person at the person's last known address by regular mail. The warning letter shall list the reported violations that are the basis of the points charged, list the number of points charged for each violation, and outline the suspension provisions of this section.

(B) When the registrar determines that the total points charged against any person under section 4510.036 of the Revised Code within any two-year period beginning on the date of the first conviction within the two-year period is equal to twelve or more, the registrar shall send a written notice to the person at the person's last known address by regular mail. The notice shall list the reported violations that are the basis of the points charged, list the number of points charged for each violation, and state that, because the total number of points charged against the person within the applicable two-year period is equal to twelve or more, the registrar is imposing a class D suspension of the person's driver's or commercial driver's license or permit or nonresident operating privileges for the period of time specified in division (B)(4) of section 4510.02 of the Revised Code. The notice also shall state that the suspension is effective on the

twentieth day after the mailing of the notice, unless the person 50728
files a petition appealing the determination and suspension in the 50729
municipal court, county court, or, if the person is under the age 50730
of eighteen, the juvenile division of the court of common pleas in 50731
whose jurisdiction the person resides or, if the person is not a 50732
resident of this state, in the Franklin county municipal court or 50733
juvenile division of the Franklin county court of common pleas. By 50734
filing the appeal of the determination and suspension, the person 50735
agrees to pay the cost of the proceedings in the appeal of the 50736
determination and suspension and alleges that the person can show 50737
cause why the person's driver's or commercial driver's license or 50738
permit or nonresident operating privileges should not be 50739
suspended. 50740

(C)(1) Any person against whom at least two but less than 50741
twelve points have been charged under section 4510.036 of the 50742
Revised Code may enroll in a course of remedial driving 50743
instruction that is approved by the director of public safety. 50744
Upon the person's completion of an approved course of remedial 50745
driving instruction, the person may apply to the registrar on a 50746
form prescribed by the registrar for a credit of two points on the 50747
person's driving record. Upon receipt of the application and proof 50748
of completion of the approved remedial driving course, the 50749
registrar shall approve the two-point credit. The registrar shall 50750
not approve any credits for a person who completes an approved 50751
course of remedial driving instruction pursuant to a judge's order 50752
under section 4510.02 of the Revised Code. 50753

(2) In any three-year period, the registrar shall approve 50754
only one two-point credit on a person's driving record under 50755
division (C)(1) of this section. The registrar shall approve not 50756
more than five two-point credits on a person's driving record 50757
under division (C)(1) of this section during that person's 50758
lifetime. 50759

(D) When a judge of a court of record suspends a person's driver's or commercial driver's license or permit or nonresident operating privilege and charges points against the person under section 4510.036 of the Revised Code for the offense that resulted in the suspension, the registrar shall credit that period of suspension against the time of any subsequent suspension imposed under this section for which those points were used to impose the subsequent suspension. When a United States district court that has jurisdiction within this state suspends a person's driver's or commercial driver's license or permit or nonresident operating privileges pursuant to the "Assimilative Crimes Act," 102 Stat. 4381 (1988), 18 U.S.C.A. 13, as amended, the district court prepares an abstract pursuant to section 4510.031 of the Revised Code, and the district court charges points against the person under section 4510.036 of the Revised Code for the offense that resulted in the suspension, the registrar shall credit the period of suspension imposed by the district court against the time of any subsequent suspension imposed under this section for which the points were used to impose the subsequent suspension.

(E) The registrar, upon the written request of a licensee who files a petition under division (B) of this section, shall furnish the licensee a certified copy of the registrar's record of the convictions and bond forfeitures of the person. This record shall include the name, address, and date of birth of the licensee; the name of the court in which each conviction or bail forfeiture took place; the nature of the offense that was the basis of the conviction or bond forfeiture; and any other information that the registrar considers necessary. If the record indicates that twelve points or more have been charged against the person within a two-year period, it is prima-facie evidence that the person is a repeat traffic offender, and the registrar shall suspend the person's driver's or commercial driver's license or permit or nonresident operating privilege pursuant to division (B) of this

section. 50793

In hearing the petition and determining whether the person 50794
filing the petition has shown cause why the person's driver's or 50795
commercial driver's license or permit or nonresident operating 50796
privilege should not be suspended, the court shall decide the 50797
issue on the record certified by the registrar and any additional 50798
relevant, competent, and material evidence that either the 50799
registrar or the person whose license is sought to be suspended 50800
submits. 50801

(F) If a petition is filed under division (B) of this section 50802
in a county court, the prosecuting attorney of the county in which 50803
the case is pending shall represent the registrar in the 50804
proceedings, except that, if the petitioner resides in a municipal 50805
corporation within the jurisdiction of the county court, the city 50806
director of law, village solicitor, or other chief legal officer 50807
of the municipal corporation shall represent the registrar in the 50808
proceedings. If a petition is filed under division (B) of this 50809
section in a municipal court, the registrar shall be represented 50810
in the resulting proceedings as provided in section 1901.34 of the 50811
Revised Code. 50812

(G) If the court determines from the evidence submitted that 50813
a person who filed a petition under division (B) of this section 50814
has failed to show cause why the person's driver's or commercial 50815
driver's license or permit or nonresident operating privileges 50816
should not be suspended, the court shall assess against the person 50817
the cost of the proceedings in the appeal of the determination and 50818
suspension and shall impose the applicable suspension under this 50819
section or suspend all or a portion of the suspension and impose 50820
any conditions upon the person that the court considers proper or 50821
impose upon the person a community control sanction pursuant to 50822
section 2929.15 or 2929.25 of the Revised Code. If the court 50823
determines from the evidence submitted that a person who filed a 50824

petition under division (B) of this section has shown cause why 50825
the person's driver's or commercial driver's license or permit or 50826
nonresident operating privileges should not be suspended, the 50827
costs of the appeal proceeding shall be paid out of the county 50828
treasury of the county in which the proceedings were held. 50829

(H) Any person whose driver's or commercial driver's license 50830
or permit or nonresident operating privileges are suspended under 50831
this section is not entitled to apply for or receive a new 50832
driver's or commercial driver's license or permit or to request or 50833
be granted nonresident operating privileges during the effective 50834
period of the suspension. 50835

(I) Upon the termination of any suspension or other penalty 50836
imposed under this section involving the surrender of license or 50837
permit and upon the request of the person whose license or permit 50838
was suspended or surrendered, the registrar shall return the 50839
license or permit to the person upon determining that the person 50840
has complied with all provisions of section 4510.038 of the 50841
Revised Code or, if the registrar destroyed the license or permit 50842
pursuant to section 4510.52 of the Revised Code, shall reissue the 50843
person's license or permit. 50844

(J) Any person whose driver's or commercial driver's license 50845
or permit or nonresident operating privileges are suspended as a 50846
repeat traffic offender under this section and who, during the 50847
suspension, operates any motor vehicle upon any public roads and 50848
highways is guilty of driving under a twelve-point suspension, a 50849
misdemeanor of the first degree. The court shall sentence the 50850
offender to a minimum term of three days in jail. No court shall 50851
suspend the first three days of jail time imposed pursuant to this 50852
division. 50853

(K) The registrar, in accordance with specific statutory 50854
authority, may suspend the privilege of driving a motor vehicle on 50855
the public roads and highways of this state that is granted to 50856

nonresidents by section 4507.04 of the Revised Code. 50857

(L) Any (1) Except as provided in division (L)(2) of this 50858
section, any course of remedial driving instruction the director 50859
of public safety approves under this section shall require its 50860
students to attend at least fifty per cent of the course in 50861
person. ~~The~~ and the director shall not approve any course of 50862
remedial driving instruction that permits its students to take 50863
more than fifty per cent of the course in any other manner, 50864
including via video teleconferencing or the internet. 50865

(2) The director may approve a course of remedial instruction 50866
that permits students to take the entire course via video 50867
teleconferencing or the internet. In accordance with division (C) 50868
of this section, upon receiving an application with a certificate 50869
or other proof of completion of a course approved under this 50870
division, the registrar shall approve the two-point reduction. 50871

Sec. 4510.038. (A) Any person whose driver's or commercial 50872
driver's license or permit is suspended or who is granted limited 50873
driving privileges under section 4510.037, under division (H) of 50874
section 4511.19, or under section 4510.07 of the Revised Code for 50875
a violation of a municipal ordinance that is substantially 50876
equivalent to division (B) of section 4511.19 of the Revised Code 50877

on driver attitude. 50884

The course also shall devote a number of hours to instruction 50885
in the area of alcohol and drugs and the operation of vehicles. 50886
The instruction shall include, but not be limited to, a review of 50887

the laws governing the operation of a vehicle while under the 50888
influence of alcohol, drugs, or a combination of them, the dangers 50889
of operating a vehicle while under the influence of alcohol, 50890
drugs, or a combination of them, and other information relating to 50891
the operation of vehicles and the consumption of alcoholic 50892
beverages and use of drugs. The director, in consultation with the 50893
director of alcohol and drug addiction services, shall prescribe 50894
the content of the instruction. The number of hours devoted to the 50895
area of alcohol and drugs and the operation of vehicles shall 50896
comprise a minimum of twenty-five per cent of the number of hours 50897
of instruction included in the course. 50898

(2) The person is examined in the manner provided for in 50899
section 4507.20 of the Revised Code, and found by the registrar of 50900

more than fifty per cent of the course in any other manner, 50911
including via video teleconferencing or the internet. 50912

(2) The director may approve a course of remedial instruction 50913
that permits students to take the entire course via video 50914
teleconferencing or the internet. 50915

4511.194 of the Revised Code. 50918

(b) "Alcohol monitoring device" means any device that 50919
provides for continuous alcohol monitoring, any ignition interlock 50920
device, any immobilizing or disabling device other than an 50921
ignition interlock device that is constantly available to monitor 50922
the concentration of alcohol in a person's system, or any other 50923

reporting of alcohol consumption by a person and that a court 50925

person's conviction of or plea of guilty to an offense. 50927

state or who is in physical control of a vehicle, streetcar, or 50931
trackless trolley shall be deemed to have given consent to a 50932
chemical test or tests of the person's whole blood, blood serum or 50933

sections 313.12 to 313.16 of the Revised Code. 50953

(5)(a) If a law enforcement officer arrests a person for a 50954

person's whole blood or blood serum or plasma is immune from 50988
criminal and civil liability based upon a claim for assault and 50989
battery or any other claim for the acts, unless the officer so 50990
acted with malicious purpose, in bad faith, or in a wanton or 50991
reckless manner. 50992

(B)(1) Upon receipt of the sworn report of a law enforcement 50993
officer who arrested a person for a violation of division (A) or 50994

enter into the registrar's records the fact that the person's 51001
driver's or commercial driver's license or permit or nonresident 51002
operating privilege was suspended by the arresting officer under 51003
this division and that section and the period of the suspension, 51004

(d) If the arrested person, within six years of the date on which the person refused the request to consent to the chemical test, had refused three or more previous requests to consent to a chemical test, had been convicted of or pleaded guilty to three or more violations of division (A) or (B) of section 4511.19 of the Revised Code or other equivalent offenses, or had refused a number of previous requests to consent to a chemical test and also had been convicted of or pleaded guilty to a number of violations of division (A) or (B) of section 4511.19 of the Revised Code or other equivalent offenses that cumulatively total three or more such refusals, convictions, and guilty pleas, the suspension shall

be for five years. 51046

(2) The registrar shall terminate a suspension of the 51047
driver's or commercial driver's license or permit of a resident or 51048
of the operating privilege of a nonresident, or a denial of a 51049
driver's or commercial driver's license or permit, imposed 51050
pursuant to division (B)(1) of this section upon receipt of notice 51051
that the person has entered a plea of guilty to, or that the 51052

operating a vehicle in violation of section 4511.19 of the Revised 51054
Code or in violation of a municipal OVI ordinance, if the offense 51055
for which the conviction is had or the plea is entered arose from 51056
the same incident that led to the suspension or denial. 51057

The registrar shall credit against any judicial suspension of 51058
a person's driver's or commercial driver's license or permit or 51059
nonresident operating privilege imposed pursuant to section 51060
4511.19 of the Revised Code, or pursuant to section 4510.07 of the 51061
Revised Code for a violation of a municipal OVI ordinance, any 51062
time during which the person serves a related suspension imposed 51063
pursuant to division (B)(1) of this section. 51064

(C)(1) Upon receipt of the sworn report of the law 51065
enforcement officer who arrested a person for a violation of 51066
division (A) or (B) of section 4511.19 of the Revised Code or a 51067

division (B) of section 2305.33 of the Revised Code. Nothing in 52328
this division affects the immunity from civil liability conferred 52329
by that section upon a physician who makes either type of report 52330
in accordance with division (B) of that section. As used in this 52331
division, "employee," "employer," and "physician" have the same 52332
meanings as in section 2305.33 of the Revised Code. 52333

(19) Inability to practice according to acceptable and 52334
prevailing standards of care by reason of mental illness or 52335
physical illness, including, but not limited to, physical 52336
deterioration that adversely affects cognitive, motor, or 52337
perceptive skills. 52338

In enforcing this division, the board, upon a showing of a 52339
possible violation, may compel any individual authorized to 52340
practice by this chapter or who has submitted an application 52341
pursuant to this chapter to submit to a mental examination, 52342
physical examination, including an HIV test, or both a mental and 52343
a physical examination. The expense of the examination is the 52344
responsibility of the individual compelled to be examined. Failure 52345
to submit to a mental or physical examination or consent to an HIV 52346
test ordered by the board constitutes an admission of the 52347
allegations against the individual unless the failure is due to 52348
circumstances beyond the individual's control, and a default and 52349
final order may be entered without the taking of testimony or 52350

presentation of evidence. If the board finds an individual unable 52351
to practice because of the reasons set forth in this division, the 52352
board shall require the individual to submit to care, counseling, 52353
or treatment by physicians approved or designated by the board, as 52354
a condition for initial, continued, reinstated, or renewed 52355
authority to practice. An individual affected under this division 52356
shall be afforded an opportunity to demonstrate to the board the 52357
ability to resume practice in compliance with acceptable and 52358
prevailing standards under the provisions of the individual's 52359
certificate. For the purpose of this division, any individual who 52360
applies for or receives a certificate to practice under this 52361
chapter accepts the privilege of practicing in this state and, by 52362
so doing, shall be deemed to have given consent to submit to a 52363
mental or physical examination when directed to do so in writing 52364
by the board, and to have waived all objections to the 52365
admissibility of testimony or examination reports that constitute 52366
a privileged communication. 52367

(20) Except when civil penalties are imposed under section 52368
4731.225 or 4731.281 of the Revised Code, and subject to section 52369
4731.226 of the Revised Code, violating or attempting to violate, 52370
directly or indirectly, or assisting in or abetting the violation 52371
of, or conspiring to violate, any provisions of this chapter or 52372
any rule promulgated by the board. 52373

This division does not apply to a violation or attempted 52374
violation of, assisting in or abetting the violation of, or a 52375
conspiracy to violate, any provision of this chapter or any rule 52376
adopted by the board that would preclude the making of a report by 52377
a physician of an employee's use of a drug of abuse, or of a 52378
condition of an employee other than one involving the use of a 52379
drug of abuse, to the employer of the employee as described in 52380
division (B) of section 2305.33 of the Revised Code. Nothing in 52381
this division affects the immunity from civil liability conferred 52382

by that section upon a physician who makes either type of report 52383
in accordance with division (B) of that section. As used in this 52384
division, "employee," "employer," and "physician" have the same 52385
meanings as in section 2305.33 of the Revised Code. 52386

(21) The violation of section 3701.79 of the Revised Code or 52387
of any abortion rule adopted by the ~~public~~ director of health 52388
~~council~~ pursuant to section 3701.341 of the Revised Code; 52389

(22) Any of the following actions taken by an agency 52390
responsible for authorizing, certifying, or regulating an 52391
individual to practice a health care occupation or provide health 52392
care services in this state or another jurisdiction, for any 52393
reason other than the nonpayment of fees: the limitation, 52394
revocation, or suspension of an individual's license to practice; 52395
acceptance of an individual's license surrender; denial of a 52396
license; refusal to renew or reinstate a license; imposition of 52397
probation; or issuance of an order of censure or other reprimand; 52398

(23) The violation of section 2919.12 of the Revised Code or 52399
the performance or inducement of an abortion upon a pregnant woman 52400
with actual knowledge that the conditions specified in division 52401
(B) of section 2317.56 of the Revised Code have not been satisfied 52402
or with a heedless indifference as to whether those conditions 52403
have been satisfied, unless an affirmative defense as specified in 52404
division (H)(2) of that section would apply in a civil action 52405
authorized by division (H)(1) of that section; 52406

(24) The revocation, suspension, restriction, reduction, or 52407
termination of clinical privileges by the United States department 52408
of defense or department of veterans affairs or the termination or 52409
suspension of a certificate of registration to prescribe drugs by 52410
the drug enforcement administration of the United States 52411
department of justice; 52412

(25) Termination or suspension from participation in the 52413

medicare or medicaid programs by the department of health and 52414
human services or other responsible agency for any act or acts 52415
that also would constitute a violation of division (B)(2), (3), 52416
(6), (8), or (19) of this section; 52417

(26) Impairment of ability to practice according to 52418
acceptable and prevailing standards of care because of habitual or 52419
excessive use or abuse of drugs, alcohol, or other substances that 52420
impair ability to practice. 52421

For the purposes of this division, any individual authorized 52422
to practice by this chapter accepts the privilege of practicing in 52423
this state subject to supervision by the board. By filing an 52424
application for or holding a certificate to practice under this 52425
chapter, an individual shall be deemed to have given consent to 52426
submit to a mental or physical examination when ordered to do so 52427
by the board in writing, and to have waived all objections to the 52428
admissibility of testimony or examination reports that constitute 52429
privileged communications. 52430

If it has reason to believe that any individual authorized to 52431
practice by this chapter or any applicant for certification to 52432
practice suffers such impairment, the board may compel the 52433
individual to submit to a mental or physical examination, or both. 52434
The expense of the examination is the responsibility of the 52435
individual compelled to be examined. Any mental or physical 52436
examination required under this division shall be undertaken by a 52437
treatment provider or physician who is qualified to conduct the 52438
examination and who is chosen by the board. 52439

Failure to submit to a mental or physical examination ordered 52440
by the board constitutes an admission of the allegations against 52441
the individual unless the failure is due to circumstances beyond 52442
the individual's control, and a default and final order may be 52443
entered without the taking of testimony or presentation of 52444
evidence. If the board determines that the individual's ability to 52445

practice is impaired, the board shall suspend the individual's 52446
certificate or deny the individual's application and shall require 52447
the individual, as a condition for initial, continued, reinstated, 52448
or renewed certification to practice, to submit to treatment. 52449

Before being eligible to apply for reinstatement of a 52450
certificate suspended under this division, the impaired 52451
practitioner shall demonstrate to the board the ability to resume 52452
practice in compliance with acceptable and prevailing standards of 52453
care under the provisions of the practitioner's certificate. The 52454
demonstration shall include, but shall not be limited to, the 52455
following: 52456

(a) Certification from a treatment provider approved under 52457
section 4731.25 of the Revised Code that the individual has 52458
successfully completed any required inpatient treatment; 52459

(b) Evidence of continuing full compliance with an aftercare 52460
contract or consent agreement; 52461

(c) Two written reports indicating that the individual's 52462
ability to practice has been assessed and that the individual has 52463
been found capable of practicing according to acceptable and 52464
prevailing standards of care. The reports shall be made by 52465
individuals or providers approved by the board for making the 52466
assessments and shall describe the basis for their determination. 52467

The board may reinstate a certificate suspended under this 52468
division after that demonstration and after the individual has 52469
entered into a written consent agreement. 52470

When the impaired practitioner resumes practice, the board 52471
shall require continued monitoring of the individual. The 52472
monitoring shall include, but not be limited to, compliance with 52473
the written consent agreement entered into before reinstatement or 52474
with conditions imposed by board order after a hearing, and, upon 52475
termination of the consent agreement, submission to the board for 52476

deposition or in written interrogatories, except that failure to 52520
cooperate with an investigation shall not constitute grounds for 52521

| (C) Disciplinary actions taken by the board under divisions (A) and (B) of this section shall be taken pursuant to an adjudication under Chapter 119. of the Revised Code, except that in lieu of an adjudication, the board may enter into a consent agreement with an individual to resolve an allegation of a violation of this chapter or any rule adopted under it. A consent agreement, when ratified by an affirmative vote of not fewer than six members of the board, shall constitute the findings and order of the board with respect to the matter addressed in the agreement. If the board refuses to ratify a consent agreement, the admissions and findings contained in the consent agreement shall be of no force or effect. | 52557 52558 52559 52560 52561 52562 52563 52564 52565 52566 52567 52568 |

A telephone conference call may be utilized for ratification 52569
of a consent agreement that revokes or suspends an individual's 52570
certificate to practice. The telephone conference call shall be 52571
considered a special meeting under division (F) of section 121.22 52572
of the Revised Code. 52573

If the board takes disciplinary action against an individual 52574
under division (B) of this section for a second or subsequent plea 52575
of guilty to, or judicial finding of guilt of, a violation of 52576
section 2919.123 of the Revised Code, the disciplinary action 52577
shall consist of a suspension of the individual's certificate to 52578
practice for a period of at least one year or, if determined 52579
appropriate by the board, a more serious sanction involving the 52580
individual's certificate to practice. Any consent agreement 52581
entered into under this division with an individual that pertains 52582
to a second or subsequent plea of guilty to, or judicial finding 52583
of guilt of, a violation of that section shall provide for a 52584
suspension of the individual's certificate to practice for a 52585
period of at least one year or, if determined appropriate by the 52586
board, a more serious sanction involving the individual's 52587
certificate to practice. 52588

(D) For purposes of divisions (B)(10), (12), and (14) of this 52589
section, the commission of the act may be established by a finding 52590
by the board, pursuant to an adjudication under Chapter 119. of 52591
the Revised Code, that the individual committed the act. The board 52592
does not have jurisdiction under those divisions if the trial 52593
court renders a final judgment in the individual's favor and that 52594
judgment is based upon an adjudication on the merits. The board 52595
has jurisdiction under those divisions if the trial court issues 52596
an order of dismissal upon technical or procedural grounds. 52597

(E) The sealing of conviction records by any court shall have 52598
no effect upon a prior board order entered under this section or 52599
upon the board's jurisdiction to take action under this section 52600

if, based upon a plea of guilty, a judicial finding of guilt, or a 52601
judicial finding of eligibility for intervention in lieu of 52602
conviction, the board issued a notice of opportunity for a hearing 52603
prior to the court's order to seal the records. The board shall 52604
not be required to seal, destroy, redact, or otherwise modify its 52605
records to reflect the court's sealing of conviction records. 52606

(F)(1) The board shall investigate evidence that appears to 52607
show that a person has violated any provision of this chapter or 52608
any rule adopted under it. Any person may report to the board in a 52609
signed writing any information that the person may have that 52610
appears to show a violation of any provision of this chapter or 52611
any rule adopted under it. In the absence of bad faith, any person 52612
who reports information of that nature or who testifies before the 52613
board in any adjudication conducted under Chapter 119. of the 52614
Revised Code shall not be liable in damages in a civil action as a 52615
result of the report or testimony. Each complaint or allegation of 52616
a violation received by the board shall be assigned a case number 52617
and shall be recorded by the board. 52618

(2) Investigations of alleged violations of this chapter or 52619
any rule adopted under it shall be supervised by the supervising 52620
member elected by the board in accordance with section 4731.02 of 52621
the Revised Code and by the secretary as provided in section 52622
4731.39 of the Revised Code. The president may designate another 52623
member of the board to supervise the investigation in place of the 52624
supervising member. No member of the board who supervises the 52625
investigation of a case shall participate in further adjudication 52626
of the case. 52627

(3) In investigating a possible violation of this chapter or 52628
any rule adopted under this chapter, the board may administer 52629
oaths, order the taking of depositions, inspect and copy any 52630
books, accounts, papers, records, or documents, issue subpoenas, 52631
and compel the attendance of witnesses and production of books, 52632

accounts, papers, records, documents, and testimony, except that a 52633
subpoena for patient record information shall not be issued 52634
without consultation with the attorney general's office and 52635
approval of the secretary and supervising member of the board. 52636
Before issuance of a subpoena for patient record information, the 52637
secretary and supervising member shall determine whether there is 52638
probable cause to believe that the complaint filed alleges a 52639
violation of this chapter or any rule adopted under it and that 52640
the records sought are relevant to the alleged violation and 52641
material to the investigation. The subpoena may apply only to 52642
records that cover a reasonable period of time surrounding the 52643
alleged violation. 52644

On failure to comply with any subpoena issued by the board 52645
and after reasonable notice to the person being subpoenaed, the 52646
board may move for an order compelling the production of persons 52647
or records pursuant to the Rules of Civil Procedure. 52648

A subpoena issued by the board may be served by a sheriff, 52649
the sheriff's deputy, or a board employee designated by the board. 52650
Service of a subpoena issued by the board may be made by 52651
delivering a copy of the subpoena to the person named therein, 52652
reading it to the person, or leaving it at the person's usual 52653
place of residence. When the person being served is a person whose 52654
practice is authorized by this chapter, service of the subpoena 52655
may be made by certified mail, restricted delivery, return receipt 52656
requested, and the subpoena shall be deemed served on the date 52657
delivery is made or the date the person refuses to accept 52658
delivery. 52659

A sheriff's deputy who serves a subpoena shall receive the 52660
same fees as a sheriff. Each witness who appears before the board 52661
in obedience to a subpoena shall receive the fees and mileage 52662
provided for under section 119.094 of the Revised Code. 52663

(4) All hearings and investigations of the board shall be 52664

considered civil actions for the purposes of section 2305.252 of 52665
the Revised Code. 52666

(5) Information received by the board pursuant to an 52667
investigation is confidential and not subject to discovery in any 52668
civil action. 52669

The board shall conduct all investigations and proceedings in 52670
a manner that protects the confidentiality of patients and persons 52671
who file complaints with the board. The board shall not make 52672
public the names or any other identifying information about 52673
patients or complainants unless proper consent is given or, in the 52674
case of a patient, a waiver of the patient privilege exists under 52675
division (B) of section 2317.02 of the Revised Code, except that 52676
consent or a waiver of that nature is not required if the board 52677
possesses reliable and substantial evidence that no bona fide 52678
physician-patient relationship exists. 52679

The board may share any information it receives pursuant to 52680
an investigation, including patient records and patient record 52681
information, with law enforcement agencies, other licensing 52682
boards, and other governmental agencies that are prosecuting, 52683
adjudicating, or investigating alleged violations of statutes or 52684
administrative rules. An agency or board that receives the 52685
information shall comply with the same requirements regarding 52686
confidentiality as those with which the state medical board must 52687
comply, notwithstanding any conflicting provision of the Revised 52688
Code or procedure of the agency or board that applies when it is 52689
dealing with other information in its possession. In a judicial 52690
proceeding, the information may be admitted into evidence only in 52691
accordance with the Rules of Evidence, but the court shall require 52692
that appropriate measures are taken to ensure that confidentiality 52693
is maintained with respect to any part of the information that 52694
contains names or other identifying information about patients or 52695
complainants whose confidentiality was protected by the state 52696

medical board when the information was in the board's possession. 52697
Measures to ensure confidentiality that may be taken by the court 52698
include sealing its records or deleting specific information from 52699
its records. 52700

(6) On a quarterly basis, the board shall prepare a report 52701
that documents the disposition of all cases during the preceding 52702
three months. The report shall contain the following information 52703
for each case with which the board has completed its activities: 52704

(a) The case number assigned to the complaint or alleged 52705
violation; 52706

(b) The type of certificate to practice, if any, held by the 52707
individual against whom the complaint is directed; 52708

(c) A description of the allegations contained in the 52709
complaint; 52710

(d) The disposition of the case. 52711

The report shall state how many cases are still pending and 52712
shall be prepared in a manner that protects the identity of each 52713
person involved in each case. The report shall be a public record 52714
under section 149.43 of the Revised Code. 52715

(G) If the secretary and supervising member determine both of 52716
the following, they may recommend that the board suspend an 52717
individual's certificate to practice without a prior hearing: 52718

(1) That there is clear and convincing evidence that an 52719
individual has violated division (B) of this section; 52720

(2) That the individual's continued practice presents a 52721
danger of immediate and serious harm to the public. 52722

Written allegations shall be prepared for consideration by 52723
the board. The board, upon review of those allegations and by an 52724
affirmative vote of not fewer than six of its members, excluding 52725
the secretary and supervising member, may suspend a certificate 52726

without a prior hearing. A telephone conference call may be 52727
utilized for reviewing the allegations and taking the vote on the 52728
summary suspension. 52729

The board shall issue a written order of suspension by 52730
certified mail or in person in accordance with section 119.07 of 52731
the Revised Code. The order shall not be subject to suspension by 52732
the court during pendency of any appeal filed under section 119.12 52733
of the Revised Code. If the individual subject to the summary 52734
suspension requests an adjudicatory hearing by the board, the date 52735
set for the hearing shall be within fifteen days, but not earlier 52736
than seven days, after the individual requests the hearing, unless 52737
otherwise agreed to by both the board and the individual. 52738

Any summary suspension imposed under this division shall 52739
remain in effect, unless reversed on appeal, until a final 52740
adjudicative order issued by the board pursuant to this section 52741
and Chapter 119. of the Revised Code becomes effective. The board 52742
shall issue its final adjudicative order within seventy-five days 52743
after completion of its hearing. A failure to issue the order 52744
within seventy-five days shall result in dissolution of the 52745
summary suspension order but shall not invalidate any subsequent, 52746
final adjudicative order. 52747

(H) If the board takes action under division (B)(9), (11), or 52748
(13) of this section and the judicial finding of guilt, guilty 52749
plea, or judicial finding of eligibility for intervention in lieu 52750
of conviction is overturned on appeal, upon exhaustion of the 52751
criminal appeal, a petition for reconsideration of the order may 52752
be filed with the board along with appropriate court documents. 52753
Upon receipt of a petition of that nature and supporting court 52754
documents, the board shall reinstate the individual's certificate 52755
to practice. The board may then hold an adjudication under Chapter 52756
119. of the Revised Code to determine whether the individual 52757
committed the act in question. Notice of an opportunity for a 52758

hearing shall be given in accordance with Chapter 119. of the 52759
Revised Code. If the board finds, pursuant to an adjudication held 52760
under this division, that the individual committed the act or if 52761
no hearing is requested, the board may order any of the sanctions 52762
identified under division (B) of this section. 52763

(I) The certificate to practice issued to an individual under 52764
this chapter and the individual's practice in this state are 52765
automatically suspended as of the date of the individual's second 52766
or subsequent plea of guilty to, or judicial finding of guilt of, 52767
a violation of section 2919.123 of the Revised Code, or the date 52768
the individual pleads guilty to, is found by a judge or jury to be 52769
guilty of, or is subject to a judicial finding of eligibility for 52770
intervention in lieu of conviction in this state or treatment or 52771
intervention in lieu of conviction in another jurisdiction for any 52772
of the following criminal offenses in this state or a 52773
substantially equivalent criminal offense in another jurisdiction: 52774
aggravated murder, murder, voluntary manslaughter, felonious 52775
assault, kidnapping, rape, sexual battery, gross sexual 52776
imposition, aggravated arson, aggravated robbery, or aggravated 52777
burglary. Continued practice after suspension shall be considered 52778
practicing without a certificate. 52779

The board shall notify the individual subject to the 52780
suspension by certified mail or in person in accordance with 52781
section 119.07 of the Revised Code. If an individual whose 52782
certificate is automatically suspended under this division fails 52783
to make a timely request for an adjudication under Chapter 119. of 52784
the Revised Code, the board shall do whichever of the following is 52785
applicable: 52786

(1) If the automatic suspension under this division is for a 52787
second or subsequent plea of guilty to, or judicial finding of 52788
guilt of, a violation of section 2919.123 of the Revised Code, the 52789
board shall enter an order suspending the individual's certificate 52790

to practice for a period of at least one year or, if determined 52791
appropriate by the board, imposing a more serious sanction 52792
involving the individual's certificate to practice. 52793

(2) In all circumstances in which division (I)(1) of this 52794
section does not apply, enter a final order permanently revoking 52795
the individual's certificate to practice. 52796

(J) If the board is required by Chapter 119. of the Revised 52797
Code to give notice of an opportunity for a hearing and if the 52798
individual subject to the notice does not timely request a hearing 52799
in accordance with section 119.07 of the Revised Code, the board 52800
is not required to hold a hearing, but may adopt, by an 52801
affirmative vote of not fewer than six of its members, a final 52802
order that contains the board's findings. In that final order, the 52803
board may order any of the sanctions identified under division (A) 52804
or (B) of this section. 52805

(K) Any action taken by the board under division (B) of this 52806
section resulting in a suspension from practice shall be 52807
accompanied by a written statement of the conditions under which 52808
the individual's certificate to practice may be reinstated. The 52809
board shall adopt rules governing conditions to be imposed for 52810
reinstatement. Reinstatement of a certificate suspended pursuant 52811
to division (B) of this section requires an affirmative vote of 52812
not fewer than six members of the board. 52813

(L) When the board refuses to grant a certificate to an 52814
applicant, revokes an individual's certificate to practice, 52815
refuses to register an applicant, or refuses to reinstate an 52816
individual's certificate to practice, the board may specify that 52817
its action is permanent. An individual subject to a permanent 52818
action taken by the board is forever thereafter ineligible to hold 52819
a certificate to practice and the board shall not accept an 52820
application for reinstatement of the certificate or for issuance 52821
of a new certificate. 52822

(M) Notwithstanding any other provision of the Revised Code, 52823
all of the following apply: 52824

(1) The surrender of a certificate issued under this chapter 52825
shall not be effective unless or until accepted by the board. A 52826
telephone conference call may be utilized for acceptance of the 52827
surrender of an individual's certificate to practice. The 52828
telephone conference call shall be considered a special meeting 52829
under division (F) of section 121.22 of the Revised Code. 52830
Reinstatement of a certificate surrendered to the board requires 52831
an affirmative vote of not fewer than six members of the board. 52832

(2) An application for a certificate made under the 52833
provisions of this chapter may not be withdrawn without approval 52834
of the board. 52835

(3) Failure by an individual to renew a certificate of 52836
registration in accordance with this chapter shall not remove or 52837
limit the board's jurisdiction to take any disciplinary action 52838
under this section against the individual. 52839

(N) Sanctions shall not be imposed under division (B)(28) of 52840
this section against any person who waives deductibles and 52841
copayments as follows: 52842

(1) In compliance with the health benefit plan that expressly 52843
allows such a practice. Waiver of the deductibles or copayments 52844
shall be made only with the full knowledge and consent of the plan 52845
purchaser, payer, and third-party administrator. Documentation of 52846
the consent shall be made available to the board upon request. 52847

(2) For professional services rendered to any other person 52848
authorized to practice pursuant to this chapter, to the extent 52849
allowed by this chapter and rules adopted by the board. 52850

(O) Under the board's investigative duties described in this 52851
section and subject to division (F) of this section, the board 52852
shall develop and implement a quality intervention program 52853

designed to improve through remedial education the clinical and 52854
communication skills of individuals authorized under this chapter 52855
to practice medicine and surgery, osteopathic medicine and 52856
surgery, and podiatric medicine and surgery. In developing and 52857
implementing the quality intervention program, the board may do 52858
all of the following: 52859

educational and assessment program pursuant to an investigation 52861
the board conducts under this section; 52862

(2) Select providers of educational and assessment services, 52863
including a quality intervention program panel of case reviewers; 52864

(3) Make referrals to educational and assessment service 52865
providers and approve individual educational programs recommended 52866
by those providers. The board shall monitor the progress of each 52867
individual undertaking a recommended individual educational 52868
program. 52869

(4) Determine what constitutes successful completion of an 52870
individual educational program and require further monitoring of 52871
the individual who completed the program or other action that the 52872
board determines to be appropriate; 52873

(5) Adopt rules in accordance with Chapter 119. of the 52874
Revised Code to further implement the quality intervention 52875
program. 52876

An individual who participates in an individual educational 52877
program pursuant to this division shall pay the financial 52878
obligations arising from that educational program. 52879

~~(7)~~(6) The licensee is the subject of an order by any 53500
government agency concerning real estate, financial matters, or 53501

certificate, or registration. 53503

If a licensee fails to notify the superintendent within the 53504
required time, the superintendent immediately may suspend the 53505
license of the licensee. 53506

Any court that convicts a licensee of a violation of any 53507

(E) If a real estate broker desires to associate with another 53520
real estate broker in the capacity of a real estate salesperson, 53521
the broker shall apply to the superintendent to deposit the 53522
broker's real estate broker's license with the superintendent and 53523

application shall be made on a form prescribed by the 53525
superintendent and shall be accompanied by the recommendation of 53526

the real estate broker with whom the applicant intends to become 53527
associated and a fee of twenty-five dollars for the real estate 53528
salesperson's license. One dollar of the fee shall be credited to 53529
the real estate education and research fund. If the superintendent 53530
is satisfied that the applicant is honest, truthful, and of good 53531
reputation, has not been convicted of a felony or a crime 53532
involving moral turpitude, and has not been finally adjudged by a 53533
court to have violated any municipal, state, or federal civil 53534
rights laws relevant to the protection of purchasers or sellers of 53535
real estate, and that the association of the real estate broker 53536
and the applicant will be in the public interest, the 53537
superintendent shall grant the application and issue a real estate 53538
salesperson's license to the applicant. Any license so deposited 53539

notice of this fact in a format prescribed by the superintendent 53543
to all salespersons associated with the broker when applying to 53544

the superintendent of the broker's intentions. The notice of 53550
intention shall be on a form prescribed by the superintendent and 53551
shall be accompanied by a fee of twenty-five dollars. One dollar 53552
of the fee shall be credited to the real estate education and 53553
research fund. 53554

A licensed real estate broker who is a member or officer of a 53555
partnership, association, limited liability company, limited 53556
liability partnership, or corporation shall only act as a real 53557
estate broker for such partnership, association, limited liability 53558

company, limited liability partnership, or corporation. 53559

(G) If a real estate broker or salesperson enters the armed 53560
forces, the broker or salesperson may place the broker's or 53561
salesperson's license on deposit with the Ohio real estate 53562
commission. The licensee shall not be required to renew the 53563
license until the renewal date that follows the date of discharge 53564
from the armed forces. Any license deposited with the commission 53565
shall be subject to this chapter. Any licensee whose license is on 53566
deposit under this division and who fails to meet the continuing 53567
education requirements of section 4735.141 of the Revised Code 53568
because the licensee is in the armed forces shall satisfy the 53569
commission that the licensee has complied with the continuing 53570
education requirements within twelve months of the licensee's 53571
first birthday after discharge. The superintendent shall notify 53572
the licensee of the licensee's obligations under section 4735.141 53573
of the Revised Code at the time the licensee applies for 53574
reactivation of the licensee's license. 53575

(H) If a licensed real estate salesperson submits an 53576
application to the superintendent to leave the association of one 53577
broker to associate with a different broker, the broker possessing 53578
the licensee's license need not return the salesperson's license 53579
to the superintendent. The superintendent may process the 53580
application regardless of whether the licensee's license is 53581
returned to the superintendent. 53582

Sec. 4735.14. (A) Each license issued under this chapter, 53583
shall be valid without further recommendation or examination until 53584
it is placed in an inactive, ~~voluntary hold~~, or resigned status, 53585
is revoked or suspended, or such license expires by operation of 53586
law. 53587

(B) Except for a licensee who has placed the licensee's 53588
license ~~on voluntary hold or in~~ resigned status pursuant to 53589

section 4735.142 of the Revised Code, each licensed broker, 53590
brokerage, or salesperson shall file, on or before the date the 53591
Ohio real estate commission has adopted by rule for that licensee 53592
in accordance with division (A)(2)(f) of section 4735.10 of the 53593
Revised Code, a notice of renewal on a form prescribed by the 53594
superintendent of real estate. The notice of renewal shall be 53595
mailed by the superintendent two months prior to the filing 53596
deadline to the personal residence address of each broker or 53597
salesperson that is on file with the division. If the licensee is 53598
a partnership, association, limited liability company, limited 53599
liability partnership, or corporation, the notice of renewal shall 53600
be mailed by the superintendent two months prior to the filing 53601
deadline to the brokerage's business address on file with the 53602
division. A licensee shall not renew the licensee's license any 53603
earlier than two months prior to the filing deadline. 53604

(C) Except as otherwise provided in division (B) of this 53605
section, the license of any real estate broker, brokerage, or 53606
salesperson that fails to file a notice of renewal on or before 53607
the filing deadline of each ensuing year shall be suspended 53608
automatically without the taking of any action by the 53609
superintendent. A suspended license may be reactivated within 53610
twelve months of the date of suspension, provided that the renewal 53611
fee plus a penalty fee of fifty per cent of the renewal fee is 53612
paid to the superintendent. Failure to reactivate the license as 53613
provided in this division shall result in automatic revocation of 53614
the license without the taking of any action by the 53615
superintendent. No person, partnership, association, corporation, 53616
limited liability company, or limited partnership shall engage in 53617
any act or acts for which a real estate license is required while 53618
that entity's license is placed in an inactive, ~~voluntary hold,~~ or 53619

adopt rules in accordance with Chapter 119. of the Revised Code to 53621
provide to licensees notice of suspension or revocation or both. 53622

(D) Each licensee shall notify the ~~commission~~ superintendent 53623
of a change in personal residence address. A licensee's failure to 53624
notify the ~~commission~~ superintendent of a change in personal 53625
residence address does not negate the requirement to file the 53626
license renewal by the required deadline established by the 53627
commission by rule under division (A)(2)(f) of section 4735.10 of 53628
the Revised Code. 53629

(E) The superintendent shall not renew a license if the 53630
licensee fails to comply with section 4735.141 of the Revised Code 53631
or is otherwise not in compliance with this chapter. 53632

(F) The superintendent shall make notice of successful 53633
renewal available electronically to licensees as soon as 53634
practicable, but not later than thirty days after receipt by the 53635
division of a complete application and renewal fee. This notice 53636
shall serve as a notice of renewal for purposes of section 4745.02 53637
of the Revised Code. 53638

Sec. 4735.141. (A) Except as otherwise provided in this 53639
division and except for a licensee who has placed the licensee's 53640
license ~~on voluntary hold or in~~ resigned status pursuant to 53641
section 4735.142 of the Revised Code, each person licensed under 53642
section 4735.07 or 4735.09 of the Revised Code shall submit proof 53643
satisfactory to the superintendent of real estate that the 53644
licensee has satisfactorily completed thirty hours of continuing 53645
education, as prescribed by the Ohio real estate commission 53646
pursuant to section 4735.10 of the Revised Code, on or before the 53647
licensee's birthday occurring three years after the licensee's 53648
date of initial licensure, and on or before the licensee's 53649
birthday every three years thereafter. 53650

Persons licensed as real estate salespersons who subsequently 53651
become licensed real estate brokers shall continue to submit proof 53652
of continuing education in accordance with the time period 53653

established in this section. 53654

The requirements of this section shall not apply to any 53655
disabled licensee as provided in division (E) of this section. 53656

Each licensee who is seventy years of age or older, within a 53657
continuing education reporting period, shall submit proof 53658
satisfactory to the superintendent of real estate that the 53659
licensee has satisfactorily completed a total of nine classroom 53660
hours of continuing education, including instruction in Ohio real 53661
estate law; recently enacted state and federal laws affecting the 53662
real estate industry; municipal, state, and federal civil rights 53663
law; and canons of ethics for the real estate industry as adopted 53664
by the commission. The required proof of completion shall be 53665
submitted on or before the licensee's birthday that falls in the 53666
third year of that continuing education reporting period. A 53667
licensee who is seventy years of age or older whose license is in 53668
an inactive status is exempt from the continuing education 53669
requirements specified in this section. The commission shall adopt 53670
reasonable rules in accordance with Chapter 119. of the Revised 53671
Code to carry out the purposes of this paragraph. 53672

(B) The continuing education requirements of this section 53673
shall be completed in schools, seminars, and educational 53674
institutions approved by the commission. Such approval shall be 53675
given according to rules established by the commission under the 53676
procedures of Chapter 119. of the Revised Code, and shall not be 53677
limited to institutions providing two-year or four-year degrees. 53678
Each school, seminar, or educational institution approved under 53679
this division shall be open to all licensees on an equal basis. 53680

(C) If the requirements of this section are not met by a 53681
licensee within the period specified, the licensee's license shall 53682
be suspended automatically without the taking of any action by the 53683
superintendent. The superintendent shall notify the licensee of 53684
the license suspension, and such notification shall be sent by 53685

regular mail to the personal residence address of the licensee 53686
that is on file with the division. Any license so suspended shall 53687
remain suspended until it is reactivated by the superintendent. No 53688
such license shall be reactivated until it is established, to the 53689
satisfaction of the superintendent, that the requirements of this 53690
section have been met. If the requirements of this section are not 53691
met within twelve months from the date the license was suspended, 53692
the license shall be revoked automatically without the taking of 53693
any action by the superintendent. 53694

(D) If the license of a real estate broker is suspended 53695
pursuant to division (C) of this section, the license of a real 53696
estate salesperson associated with that broker correspondingly is 53697
suspended pursuant to division (H) of section 4735.20 of the 53698
Revised Code. A sole broker shall notify affiliated salespersons 53699
of the suspension in writing within three days of receiving the 53700
notice required by division (C) of this section. 53701

(1) The suspended license of the associated real estate 53702
salesperson shall be reactivated and no fee shall be charged or 53703
collected for that reactivation if that broker subsequently 53704
submits proof to the superintendent that the broker has complied 53705
with the requirements of this section and requests that the 53706
broker's license as a real estate broker be reactivated, and the 53707
superintendent then reactivates the broker's license as a real 53708
estate broker. 53709

(2) If the real estate salesperson submits an application to 53710
leave the association of the suspended broker in order to 53711
associate with a different broker, the suspended license of the 53712
associated real estate salesperson shall be reactivated and no fee 53713
shall be charged or collected for that reactivation. The 53714
superintendent may process the application regardless of whether 53715
the licensee's license is returned to the superintendent. 53716

Any person whose license is reactivated pursuant to this 53717

division shall comply with the requirements of this section and 53718
otherwise be in compliance with this chapter. 53719

(E) Any licensee who is a disabled licensee at any time 53720
during the last three months of the third year of the licensee's 53721
continuing education reporting period may receive an extension of 53722
time as deemed appropriate by the superintendent to submit proof 53723
to the superintendent that the licensee has satisfactorily 53724
completed the required thirty hours of continuing education. To 53725
receive an extension of time, the licensee shall submit a request 53726
to the division of real estate for the extension and proof 53727
satisfactory to the commission that the licensee was a disabled 53728
licensee at some time during the last three months of the 53729
three-year reporting period. The proof shall include, but is not 53730
limited to, a signed statement by the licensee's attending 53731
physician describing the disability, certifying that the 53732
licensee's disability is of such a nature as to prevent the 53733
licensee from attending any instruction lasting at least three 53734
hours in duration, and stating the expected duration of the 53735
disability. The licensee shall request the extension and provide 53736
the physician's statement to the division no later than one month 53737
prior to the end of the licensee's three-year continuing education 53738
reporting period, unless the disability did not arise until the 53739
last month of the three-year reporting period, in which event the 53740
licensee shall request the extension and provide the physician's 53741
statement as soon as practical after the occurrence of the 53742
disability. A licensee granted an extension pursuant to this 53743
division who is no longer a disabled licensee and who submits 53744
proof of completion of the continuing education during the 53745
extension period, shall submit, for future continuing education 53746
reporting periods, proof of completion of the continuing education 53747
requirements according to the schedule established in division (A) 53748
of this section. 53749

(F) The superintendent shall not renew a license if the
licensee fails to comply with this section, and the licensee shall
be required to pay the penalty fee provided in section 4735.14 of
the Revised Code.

(G) A licensee shall submit proof of completion of the
required continuing education with the licensee's notice of
renewal. The proof shall be submitted in the manner provided by
the superintendent.

to the superintendent to place the license ~~on voluntary hold or in~~ 53817
a permanently resigned status, shall provide to each salesperson 53818

each home owner a written rental agreement for a manufactured home 55329
park lot for a term of one year or more that contains terms 55330
essentially the same as any alternative month-to-month rental 55331
agreement offered to current and prospective tenants and owners. 55332
The park operator shall offer the minimum one-year rental 55333
agreement to the owner prior to installation of the home in the 55334
manufactured home park or, if the home is in the manufactured home 55335
park, prior to the expiration of the owner's existing rental 55336
agreement. 55337

(2) The park operator shall deliver the offer to the owner by certified mail, return receipt requested, or in person. If the park operator delivers the offer to the owner in person, the owner shall complete a return showing receipt of the offer. If the owner does not accept the offer, the park operator is discharged from any obligation to make any further such offers. If the owner accepts the offer, the park operator shall, at the expiration of each successive rental agreement, offer the owner another rental agreement, for a term that is mutually agreed upon, and that contains terms essentially the same as the alternative month-to-month agreement. The park operator shall deliver subsequent rental offers by ordinary mail or personal delivery. If the park operator sells the manufactured home park to another manufactured home park operator, the purchaser is bound by the rental agreements entered into by the purchaser's predecessor.

(3) If the park operator sells the manufactured home park for a use other than as a manufactured home park, the park operator shall give each tenant and owner a written notification by certified mail, return receipt requested, or by handing it to the tenant or owner in person. tenants or owners in the manufactured home park, and no fee, 55375
charge, assessment, or rental fee shall be increased during the 55376
term of any tenant's or owner's rental agreement. Failure on the 55377

assessments shall prevent the park operator from collecting the 55379
undisclosed fees, charges, or assessments. If a tenant or owner 55380
refuses to pay any undisclosed fees, charges, or assessments, the 55381
refusal shall not be used by the park operator as a cause for 55382
eviction in any court. 55383

park operator to the tenant or owner prior to signing the rental 55388
agreement. A copy of the rules and any amendments to them shall be 55389

tying down homes, manufactured or mobile home accessories, or 55395
other equipment to be purchased by an owner from a vendor of the 55396
owner's choosing, provided that the equipment is readily available 55397
to the owner. Any such equipment shall be installed in accordance 55398
with the manufactured home park rules. 55399

(E) No park operator shall charge any owner who chooses to 55400
install an electric or gas appliance in a home an additional fee 55401

solely on the basis of the installation, unless the installation 55402
is performed by the park operator at the request of the owner, nor 55403
shall the park operator restrict the installation, service, or 55404
maintenance of the appliance, restrict the ingress or egress of 55405
repairpersons to the manufactured home park for the purpose of 55406
installation, service, or maintenance of the appliance, nor 55407
restrict the making of any interior improvement in a home, if the 55408
installation or improvement is in compliance with applicable 55409
building codes and other provisions of law and if adequate utility 55410
services are available for the installation or improvement. 55411

(F) No park operator shall require a tenant to lease or an 55412
owner to purchase a manufactured or mobile home from the park 55413
operator or any specific person as a condition of or prerequisite 55414
to entering into a rental agreement. 55415

(G) No park operator shall require an owner to use the 55416

premises or for the performance of any service. 55419

(H) No park operator shall: 55420

(2) Require the owner to remove the home from the 55424
manufactured home park solely on the basis of the sale of the 55425
home; 55426

(3) Unreasonably refuse to enter into a rental agreement with 55427
a purchaser of a home located within the operator's manufactured 55428
home park; 55429

(4) Charge any tenant or owner any fee, charge, or 55430
assessment, including a rental fee, that is not set forth in the 55431
rental agreement or, if the rental agreement is oral, is not set 55432

forth in a written disclosure given to the tenant or owner prior 55433
to the tenant or owner entering into a rental agreement; 55434

(5) Charge any owner any fee, charge, or assessment because 55435
of the transfer of ownership of a home or because a home is moved 55436
out of or into the manufactured home park, except a charge for the 55437
actual costs and expenses that are incurred by the park operator 55438
in moving the home out of or into the manufactured home park, or 55439
in installing the home in the manufactured home park and that have 55440
not been reimbursed by another tenant or owner. 55441

(I) If the park operator violates any provision of divisions 55442
(A) to (H) of this section, the tenant or owner may recover actual 55443
damages resulting from the violation, and, if the tenant or owner 55444
obtains a judgment, reasonable attorneys' fees, or terminate the 55445
rental agreement. 55446

(J) No rental agreement shall require a tenant or owner to 55447
sell, lease, or sublet the tenant's or owner's interest in the 55448
rental agreement or the manufactured or mobile home that is or 55449
will be located on the lot that is the subject of the rental 55450
agreement to any specific person or through any specific person as 55451
the person's agent. 55452

(K) No park operator shall enter into a rental agreement with 55453
the owner of a manufactured or mobile home for the use of 55454
residential premises, if the rental agreement requires the owner 55455
of the home, as a condition to the owner's renting, occupying, or 55456
remaining on the residential premises, to pay the park operator or 55457
any other person specified in the rental agreement a fee or any 55458
sum of money based on the sale of the home, unless the owner of 55459
the home uses the park operator or other person as the owner's 55460
agent in the sale of the home. 55461

(L) A park operator and a tenant or owner may include in a 55462
rental agreement any terms and conditions, including any term 55463

relating to rent, the duration of an agreement, and any other 55464
provisions governing the rights and obligations of the parties 55465

any obligation imposed upon ~~him~~ the park operator by section 55475
~~3733.10~~ 4781.38 of the Revised Code or by the rental agreement, or 55476
the conditions of the premises are such that the resident 55477
reasonably believes that a park operator has failed to fulfill any 55478
such obligations, or a governmental agency has found that the 55479
premises are not in compliance with building, housing, health, or 55480
safety codes which apply to any condition of the residential 55481
premises that could materially affect the health and safety of an 55482
occupant, the resident may give notice in writing to the park 55483
operator specifying the acts, omissions, or code violations that 55484
constitute noncompliance with such provisions. The notice shall be 55485
sent to the person or place where rent is normally paid. 55486

(B) If a park operator receives the notice described in 55488
division (A) of this section and after receipt of the notice fails 55489
to remedy the condition within a reasonable time, considering the 55490
severity of the condition and the time necessary to remedy such 55491

division (A) of section ~~3733.12~~ 4781.41 of the Revised Code, or 55544
that the resident was not current in rent payments due under the 55545

~~3733.12~~ 4781.41 of the Revised Code has been remedied, or that the 55567
resident did not comply with the notice requirement of division 55568
(A) of section ~~3733.12~~ 4781.41 of the Revised Code, or that the 55569

the court may, during the pendency of the action, upon application 55585
of the park operator, release part of the rent on deposit for 55586

payment of the periodic interest on a mortgage on the premises, 55587
the periodic principal payments on a mortgage on the premises, the 55588
insurance premiums for the premises, real estate taxes on the 55589
premises, utility services, repairs, and other customary and usual 55590
costs of operating the premises. 55591

(B) In determining whether to release rent for the payments 55592
described in division (A) of this section, the court shall 55593
consider the amount of rent the park operator receives from other 55594
lots, the cost of operating these lots, and the costs which may be 55595
required to remedy the condition contained in the notice given 55596
pursuant to division (A) of section ~~3733.12~~ 4781.41 of the Revised 55597

commission rule, or any health and safety code, occurs within six 55612
months after the date of this notice, the rental agreement will 55613
terminate immediately; 55614

(D) A statement that a defense available to termination of 55615
the rental agreement for two material violations of park or ~~public~~ 55616

~~health council~~ commission rules, or of health and safety codes, is 55617
that the park rule is unreasonable, or that the park or ~~public~~ 55618
~~health council~~ commission rule, or health or safety code, is not 55619
being enforced against other manufactured home park residents, or 55620
that the two violations were not willful and not committed in bad 55621
faith. 55622

If the resident remedies the condition described in the 55623
notice, whether by repair, the payment of damages, or otherwise, 55624
the rental agreement shall not terminate. The park operator may 55625
terminate the rental agreement immediately if the resident commits 55626
a second material violation of the park or ~~public health council~~ 55627
commission rules, or of applicable state and local health and 55628
safety codes, subject to the defense that the park rule is 55629

rule, or health or safety code, is not being enforced against 55631
other manufactured home park residents, or that the two violations 55632
were not willful and not committed in bad faith. 55633

waived by any oral or written agreement except as provided in 55640
division (F) of this section. 55641

engage in any acts or practices that would violate division (B) or 56087
(C) of this section or any provision of a rule adopted under this 56088
section, the attorney general, when directed to do so by the 56089
commission, or the person claiming to be adversely affected may 56090

railroad for the transportation of persons or property or any 56434
service in connection therewith, than that prescribed in the 56435
published tariffs then in force, or established as provided in 56436
Chapters 4901., 4903., 4905., 4907., and 4909., ~~4921., 4923., and~~ 56437

~~4925.~~ of the Revised Code, or a greater or less compensation than 56438
it charges, demands, collects, or receives from any other person, 56439
firm, or corporation for a like and contemporaneous service in the 56440
transportation of a like kind of traffic, under substantially 56441
similar circumstances and conditions, the railroad is guilty of 56442
unjust discrimination, which is hereby prohibited. Upon conviction 56443
of unjust discrimination, such railroad shall forfeit and pay into 56444
the state treasury not less than one hundred nor more than five 56445
thousand dollars for each offense. 56446

No agent or officer of a railroad shall violate this section. 56447

Sec. 4907.37. No common carrier subject to Chapters 4901., 56448
4903., 4905., 4907., and 4909., ~~4921., 4923., and 4925.~~ of the 56449
Revised Code shall make or give undue or unreasonable preference 56450
or advantage to a particular person, company, firm, corporation, 56451
or locality, or to any particular description of traffic, or 56452
subject any particular person, company, firm, corporation, or 56453
locality, or any particular description of traffic, to any undue 56454
or unreasonable prejudice or disadvantage in any respect. 56455

Sec. 4907.43. When the tracks of a railroad and the tracks of 56456
an interurban or suburban railway cross, connect, or intersect, 56457
and such tracks are of the same gauge, the companies owning such 56458
railroads may connect such tracks so as to admit the passage of 56459
cars from one to the other with facility. 56460

If any such railroads fail to make such connection, upon 56461
complaint of any party authorized by Chapters 4901., 4903., 4905., 56462
4907., and 4909., ~~4921., 4923., and 4925.~~ of the Revised Code to 56463
file complaint, the public utilities commission shall proceed to 56464
hear and determine the same in a manner provided for making 56465
investigations upon complaint. 56466

If upon such hearing the commission finds that it is 56467

practicable and reasonably necessary to ~~accomodate~~ accommodate the 56468
public, to connect such tracks and that when so connected it will 56469
be practicable to transport cars over such railroad without 56470
endangering the equipment, tracks, or appliances of either 56471
company, the commission shall make an order requiring such 56472
railroads to make connection. Such order shall describe the terms 56473
and conditions and shall apportion the cost of making such 56474
connection between the railroads. 56475

When such connection is made, the railroads parties to it, 56476
according to their respective powers, shall afford all reasonable 56477
and proper facilities for the interchange of traffic between their 56478
respective lines for forwarding and delivering passengers and 56479
property, and without unreasonable delay or discrimination shall 56480
transfer, switch, and deliver freight or passenger cars destine to 56481
a point on its own or connecting lines. Precedence may be given to 56482
livestock and perishable freight over other freight. Whenever a 56483
derailing device is required at the intersection of any railroads 56484
mentioned in this section, it shall be installed, maintained, and 56485
operated as required by the commission, which may prescribe the 56486
necessary rules and regulations for such operation, and designate 56487
the companies that shall be responsible for the operation of such 56488
derailing device. 56489

Sec. 4907.49. When two or more railroads cross a public 56490
highway or street at a dangerous crossing, the expenses incurred 56491
in the erection and maintenance of gates, bells, or other devices, 56492
and of necessary gatekeepers or ~~flagmen~~ flaggers, and apportioned 56493
by the public utilities commission as railroad expense, shall be 56494
shared equally by the railroads. 56495

Chapters 4901., 4903., 4905., 4907., and 4909., ~~4921., and~~ 56496
~~4923.~~ of the Revised Code do not prevent the use of automatic 56497
bells or other mechanical devices by a railroad at a public 56498

crossing not declared dangerous by the public utilities 56499
commission, nor do they prevent state, county, township, or 56500
municipal officials from entering into an agreement with a 56501
railroad to pay all or part of the expense of erecting a warning 56502
device. Any funds levied and made available for highways or street 56503
purposes may be used to pay the public share of the cost under 56504
such an agreement. If a gate is erected or a ~~flagman~~ flagger is 56505
stationed and maintained by a railroad, either alone or pursuant 56506
to such an agreement, the gate or ~~flagman~~ flagger shall not be 56507
abandoned nor an automatic bell or other mechanical device 56508
substituted for the gate or ~~flagman~~ flagger, unless the commission 56509
consents to the abandonment or substitution. 56510

Sec. 4907.57. All claims, charges, or demands against a 56511
railroad for loss of or damage to property occurring while in the 56512
custody of such railroad and unreasonable delay in transportation 56513
and delivery, for overcharges upon a shipment, or for any other 56514
service in violation of Chapters 4901., 4903., 4905., 4907., and 56515
4909., ~~4921., 4923., and 4925.~~ of the Revised Code, if not paid 56516
within sixty days from the date of the filing thereof with such 56517
railroad, may be submitted to the public utilities commission by a 56518
formal complaint. Such complaint shall be made upon blank forms 56519
which the commission shall provide upon demand of the claimant. 56520

Such complaint shall be verified as petitions in civil 56521
actions and may be accompanied by the sworn statements of any 56522
witnesses who have knowledge of any fact material to the inquiry. 56523
Upon the filing of such complaint the commission shall forthwith 56524
cite the railroad to answer the complaint, and the citation shall 56525
be accompanied with a brief statement of the claim. The answer of 56526
the railroad shall be filed within three weeks from the service of 56527
the citation and shall be verified as answers in civil cases, and 56528
may be accompanied with the affidavits of any witnesses having 56529
knowledge of facts material to the inquiry. 56530

The burden of proof shall be upon the railroad to show that 56531
loss or damage to property was not due to its negligence. The 56532
railroad to which property is delivered for shipment shall prima 56533
facie be liable for loss or damage occurring to such property in 56534
transit notwithstanding such property may be delivered to other 56535
railroads before reaching its destination. The claim referred to 56536
in this section for loss of or damage to property may be made to 56537
any carrier over whose lines the lost or damaged property was 56538
consigned, and such claimant may at ~~his~~ the claimant's option join 56539
all of such railroads as parties defendant in ~~his~~ the complaint 56540
before said commission. The railroad shall furnish the claimant 56541
with a copy of its answer and affidavits, and within two weeks 56542
from the filing of such answers the claimant may file ~~his~~ a reply, 56543
with affidavits in support thereof, verified as replies in civil 56544
cases. At the expiration of said period of two weeks the 56545
commission shall proceed summarily to examine the complaint, 56546
answer, reply, and affidavits, and shall determine the existence 56547
and validity of the claim presented. If the commission finds in 56548
favor of the claimant it shall certify its findings to the clerk 56549
of the court of common pleas of the county in which the claimant 56550
resides or where the railroad or any of its offices is maintained. 56551

Sec. 4907.59. Upon request of the public utilities 56552
commission, the attorney general or the prosecuting attorney of 56553
the proper county shall aid in an investigation, prosecution, 56554
hearing, or trial had under Chapters 4901., 4903., 4905., 4907., 56555
and 4909., ~~4921., 4923., and 4925.~~ of the Revised Code, and shall 56556
institute and prosecute necessary actions or proceedings for the 56557
enforcement of such chapters and of other laws of this state 56558
relating to railroads, and for the punishment of all violations of 56559
such chapters and such other laws. 56560

Sec. 4907.60. If a railroad fails to perform a duty enjoined 56561

upon it by Chapter 4901., 4903., 4905., 4907., 4909., ~~4921.,~~ 56562
~~4923.,~~ or 4959. of the Revised Code, or does any act prohibited by 56563
any of those chapters, for which failure or act no penalty or 56564
forfeiture has been provided by law, or fails to obey a lawful 56565
requirement or order made by the public utilities commission or 56566
order of any court upon application of the commission, the 56567
railroad, except as otherwise specifically provided in ~~sections~~ 56568

Revised Code, shall forfeit into the state treasury not less than 56570
one hundred nor more than ten thousand dollars for each violation 56571
or failure. In construing and enforcing this section, the act, 56572
omission, or failure of any officer, agent, or other person acting 56573
for or employed by a railroad, while acting within the scope of 56574
the officer's, agent's, or other person's employment, is the act, 56575
omission, or failure of the railroad. 56576

Sec. 4907.61. Except as otherwise specifically provided in 56577
sections ~~4905.83,~~ 4905.96, ~~4919.99,~~ ~~4921.99,~~ and 4923.99 of the 56578
Revised Code, when the attorney general prosecutes an action for 56579
the recovery of a forfeiture provided for in Chapter 4901., 4903., 56580
4905., 4907., 4909., 4921., 4923., or 4959. of the Revised Code, 56581
the attorney general may bring the action in the court of common 56582
pleas of Franklin county or of any county having jurisdiction of 56583
the defendant. 56584

Sec. 4907.62. If a railroad does, causes, or permits anything 56585
prohibited by Chapters 4901., 4903., 4905., 4907., and 4909. 56586

doing anything required to be done by such chapters, such railroad 56588
is liable to the person, firm, or corporation injured thereby in 56589

Sec. 4921.15. (A) As used in sections 4921.15, 4921.16, and 4921.19 of the Revised Code: 56933
56934

(1) "Uniform registration" has the same meaning as "registration" as used in the final report submitted to the United States secretary of transportation, pursuant to subsection (c) of section 22 of the "Hazardous Materials Transportation Uniform Safety Act of 1990," 104 Stat. 3244, 49 U.S.C.A. App. 1819. 56935

56939

(2) "Uniform permit" has the same meaning as "permit" as used in the final report submitted to the United States secretary of transportation, pursuant to subsection (c) of section 22 of the "Hazardous Materials Transportation Uniform Safety Act of 1990," 104 Stat. 3244, 49 U.S.C.A. App. 1819. 56940
56941
56942
56943
56944

(B)(1) The public utilities commission may adopt rules applicable to the uniform registration and uniform permitting of persons engaged in the highway transportation of hazardous materials into, through, or within this state. The rules shall include rules staggering the registration date for those persons 56945
56946
56947
56948
56949

and reducing or extending, by no more than one year, the permit 56950
renewal period for those persons. 56951

(2) For the purpose of minimizing filing requirements 56952
regarding any background investigation required for the issuance 56953
of a uniform permit as a carrier of hazardous wastes, the 56954
commission shall accept from any applicant for the permit any 56955
refiling of information the applicant has filed with the office of 56956
the attorney general under section 3734.42 of the Revised Code or 56957
any reference to that information if the refiled or referenced 56958
information is on file with the office of the attorney general, is 56959
accurate and timely for the commission's purposes under this 56960
section, and is supplemented by any additional information the 56961
commission requires. The office of the attorney general, as 56962
necessary for a background investigation, shall make accessible to 56963
the commission any information referenced or refiled in an 56964
application for a uniform permit as a carrier of hazardous wastes 56965
that the attorney general determines may be disclosed in 56966
accordance with section 3734.42 of the Revised Code. Nothing in 56967
sections 4921.15, 4921.16, and division (H) of section 4921.19 of 56968
the Revised Code affects any limitations under section 3734.42 of 56969
the Revised Code on the disclosure of that information. 56970

(C) The commission, as necessary to implement the rules 56971
adopted under division (B) of this section, may enter into 56972
agreements, contracts, arrangements, or declarations with other 56973
states and with the national repository, established pursuant to 56974
the final report submitted to the United States secretary of 56975
transportation, pursuant to subsection (c) of section 22 of the 56976
"Hazardous Materials Transportation Uniform Safety Act of 1990," 56977
104 Stat. 3244, 49 U.S.C.A. App. 1819. The agreements, contracts, 56978
arrangements, or declarations shall include, but not be limited 56979
to, the determination of a base state, the collection of uniform 56980
registration fees, the frequency of distribution of uniform 56981

registration fees, procedures for dispute resolution, and 56982
protection of trade secrets and confidential business information. 56983

(D) No person shall knowingly falsify or fail to submit any 56984
data, reports, records, or other information required to be 56985
submitted to the commission pursuant to this section or a rule 56986
adopted under it. For purposes of this division, a person acts 56987
knowingly if either of the following applies: 56988

(1) The person has actual knowledge of the facts giving rise 56989
to the violation. 56990

(2) A reasonable person acting in the circumstances and 56991
exercising due care would have such knowledge. 56992

(E) After notice and opportunity for a hearing, the 56993
commission, pursuant to criteria set forth in rules adopted under 56994
division (B) of this section, may suspend, revoke, or deny the 56995
uniform permit as a carrier of hazardous materials of any person 56996
that has obtained or applied for such a uniform permit from the 56997
commission pursuant to rules adopted under that division, or the 56998
commission may order the suspension of the transportation of 56999
hazardous materials into, through, or within this state by a 57000
carrier that has obtained a uniform permit from another state that 57001
has a reciprocity agreement with the commission pursuant to 57002
division (C) of this section. 57003

(F)(1) The proceedings specified in division (E) of this 57004
section are subject to and governed by Chapter 4903. of the 57005
Revised Code, except as otherwise provided in this section. The 57006
court of appeals of Franklin county has exclusive original 57007
jurisdiction to review, modify, or vacate any order of the 57008
commission suspending, revoking, or denying a uniform permit as a 57009
carrier of hazardous materials of any person that has obtained or 57010
applied for a uniform permit from the commission pursuant to rules 57011
adopted under division (B) of this section, or any order of the 57012

commission suspending the transportation of hazardous materials 57013
into, through, or within this state by a carrier that has obtained 57014
a uniform permit from another state that has a reciprocity 57015
agreement with the commission under division (C) of this section. 57016
The court of appeals shall hear and determine those appeals in the 57017
same manner and under the same standards as the Ohio supreme court 57018
hears and determines appeals under Chapter 4903. of the Revised 57019
Code. The judgment of the court of appeals is final and conclusive 57020
unless reversed, vacated, or modified on appeal. Such appeals may 57021
be taken either by the commission or the person to whom the order 57022
was issued and shall proceed as in the case of appeals in civil 57023
actions as provided in Chapter 2505. of the Revised Code. 57024

(2) Section 4903.11 of the Revised Code does not apply to 57025
appeals of any order of the commission suspending, revoking, or 57026
denying a uniform permit of a person that has obtained or applied 57027
for a uniform permit from the commission pursuant to rules adopted 57028
under division (B) of this section, or of any order of the 57029
commission suspending the transportation of hazardous materials 57030
into, through, or within this state by a carrier that has obtained 57031
a uniform permit from another state that has a reciprocity 57032
agreement with the commission pursuant to division (C) of this 57033
section. Any person to whom such an order is issued who wishes to 57034
contest the order shall file, within sixty days after the entry of 57035
the order upon the journal of the commission, a notice of appeal, 57036
setting forth the order appealed from and the errors complained 57037
of. The notice of appeal shall be served, unless waived, upon the 57038
chairperson of the commission or, in the event of the 57039
chairperson's absence, upon any public utilities commissioner, or 57040
by leaving a copy at the office of the commission at Columbus. On 57041
appeal, the court shall reverse, vacate, or modify the order if, 57042
upon consideration of the record, the court is of the opinion that 57043
the order was unlawful or unreasonable. 57044

Sec. 4921.16. (A) Information submitted to the public 57045
utilities commission as part of a uniform registration 57046
application, pursuant to rules adopted under division (B) of 57047
section 4921.15 of the Revised Code, is a public record and is 57048
subject to section 149.43 of the Revised Code. 57049

(B) Except for information related to corporate structure and 57050
personnel, information that is submitted to the commission as part 57051
of a uniform permit application, pursuant to rules adopted under 57052
division (B) of section 4921.15 of the Revised Code, is a public 57053
record and is subject to section 149.43 of the Revised Code. 57054
Information that is related to corporate structure and personnel 57055
that is submitted to the commission as part of a uniform permit 57056
application, pursuant to rules adopted under division (B) of 57057
section 4921.15 of the Revised Code, is not a public record and is 57058
not subject to section 149.43 of the Revised Code. Except as 57059
provided in division (D) of this section, the commission shall not 57060
disclose to any person any information that is related to 57061
corporate structure and personnel that is submitted as part of a 57062
uniform permit application. 57063

(C) Information that is submitted for any background 57064
investigation for an application for a uniform permit as a carrier 57065
of hazardous wastes is not a public record and is not subject to 57066
section 149.43 of the Revised Code. Except as provided in division 57067
(D) of this section, the commission shall not disclose to any 57068
person any information submitted for any background investigation 57069
for such an application. 57070

(D) The commission may disclose to its authorized employees 57071
and to any federal agencies, state agencies of this state or 57072
another state, local government agencies of this state or another 57073
state, or the national repository established pursuant to the 57074
final report submitted to the United States secretary of 57075

transportation, pursuant to subsection (c) of section 22 of the 57076
"Hazardous Materials Transportation Uniform Safety Act of 1990," 57077
104 Stat. 3244, 49 U.S.C.A. App. 1819, any information submitted 57078
to the commission as part of a uniform permit application that is 57079
related to corporate structure and personnel or submitted for any 57080
background investigation for an application for a uniform permit 57081
as a carrier of hazardous wastes if all of the following 57082
conditions are met: 57083

(1) The commission enters into a confidentiality agreement 57084
with the employee, agency, or national repository under which that 57085
employee or entity agrees not to disclose to any third party any 57086
information related to corporate structure or personnel or any 57087
information submitted as part of a background investigation unless 57088
the third party enters into a confidentiality agreement with the 57089
commission consistent with this division. 57090

(2) The employee, agency, or national repository certifies to 57091
the commission that it is not required by any state or federal law 57092
to disclose any information related to corporate structure or 57093
personnel or any information submitted as part of a background 57094
investigation. 57095

(3) The federal agency, state or local government agency of 57096
another state, or national repository irrevocably consents in 57097
writing to the jurisdiction of the courts of this state and 57098
service of process in this state, including, without limitation, 57099
summonses and subpoenas, for any civil proceeding arising out of 57100
an intentional disclosure of information in violation of this 57101
division. 57102

(E) Any person who intentionally discloses information in 57103
violation of division (D) of this section is liable to the owner 57104
of the information for civil damages caused by the disclosure. 57105

Sec. 4921.19. (A) Every for-hire motor carrier operating in 57106

this state shall, at the time of the issuance of a certificate of public convenience and necessity under section 4921.03 of the Revised Code, pay to the public utilities commission, for and on behalf of the treasurer of state, the following taxes:

(1) For each motor vehicle used for transporting persons, thirty dollars;

(2) For each commercial tractor, as defined in section 4501.01 of the Revised Code, used for transporting property, thirty dollars;

(3) For each other motor vehicle transporting property, twenty dollars.

(B) Every for-hire motor carrier operating in this state solely in intrastate commerce shall, annually between the first day of May and the thirtieth day of June, pay to the commission, for and on behalf of the treasurer of state, the following taxes:

(1) For each motor vehicle used for transporting persons, thirty dollars;

(2) For each commercial tractor, as defined in section 4501.01 of the Revised Code, used for transporting property, thirty dollars;

(3) For each other motor vehicle transporting property, twenty dollars.

(C) After a for-hire motor carrier has paid the applicable taxes under division (B) of this section and all requirements under division (C) of section 4921.13 of the Revised Code have been met, the commission shall issue the carrier a tax receipt. The carrier shall carry a copy of the tax receipt in each motor vehicle operated by the carrier. The carrier shall maintain the original copy of the tax receipt at the carrier's primary place of business.

(D) A trailer used by a for-hire motor carrier shall not be 57137
taxed under this section. 57138

(E) The annual tax levied by division (B) of this section 57139
does not apply in those cases where the commission finds that the 57140
movement of agricultural commodities or foodstuffs produced 57141
therefrom requires a temporary and seasonal use of vehicular 57142
equipment for a period of not more than ninety days. In such 57143
event, the tax on the vehicular equipment shall be twenty-five per 57144
cent of the annual tax levied by division (B) of this section. If 57145
any vehicular equipment is used in excess of the ninety-day 57146
period, the annual tax levied by this section shall be paid. 57147

(F) All taxes levied by division (B) of this section shall be 57148
reckoned as from the beginning of the quarter in which the tax 57149
receipt is issued or as from when the use of equipment under any 57150
existing tax receipt began. 57151

(G) The fees for unified carrier registration pursuant to 57152
section 4921.11 of the Revised Code shall be identical to those 57153
established by the unified carrier registration act board as 57154
approved by the federal motor carrier safety administration for 57155
each year. 57156

(H)(1) The fees for uniform registration and a uniform permit 57157
as a carrier of hazardous materials pursuant to section 4921.15 of 57158
the Revised Code shall consist of the following: 57159

(a) A processing fee of fifty dollars; 57160

(b) An apportioned per-truck registration fee, which shall be 57161
calculated by multiplying the percentage of a registrant's 57162
activity in this state times the percentage of the registrant's 57163
business that is hazardous-materials-related, times the number of 57164
vehicles owned or operated by the registrant, times a per-truck 57165
fee determined by order of the commission following public notice 57166
and an opportunity for comment. 57167

(i) The percentage of a registrant's activity in this state shall be calculated by dividing the number of miles that the registrant travels in this state under the international registration plan, pursuant to section 4503.61 of the Revised Code, by the number of miles that the registrant travels nationwide under the international registration plan. Registrants that operate solely within this state shall use one hundred per cent as their percentage of activity. Registrants that do not register their vehicles through the international registration plan shall calculate activity in the state in the same manner as that required by the international registration plan.

(ii) The percentage of a registrant's business that is hazardous-materials-related shall be calculated, for less-than-truckload shipments, by dividing the weight of all the registrant's hazardous materials shipments by the total weight of all shipments in the previous year. The percentage of a registrant's business that is hazardous-materials-related shall be calculated, for truckload shipments, by dividing the number of shipments for which placarding, marking of the vehicle, or manifesting, as appropriate, was required by regulations adopted under sections 4 to 6 of the "Hazardous Materials Transportation Uniform Safety Act of 1990," 104 Stat. 3244, 49 U.S.C. App. 1804, by the total number of the registrant's shipments that transported any kind of goods in the previous year. A registrant that transports both less-than-truckload and truckload shipments of hazardous materials shall calculate the percentage of business that is hazardous-materials-related on a proportional basis.

(iii) A registrant may utilize fiscal year, or calendar year, or other current company accounting data, or other publicly available information, in calculating the percentages required by divisions (H)(1)(b)(i) and (ii) of this section.

(2) The commission, after notice and opportunity for a

hearing, may assess each carrier a fee for any background 57200
investigation required for the issuance, for the purpose of 57201
section 3734.15 of the Revised Code, of a uniform permit as a 57202
carrier of hazardous wastes and fees related to investigations and 57203
proceedings for the denial, suspension, or revocation of a uniform 57204
permit as a carrier of hazardous materials. The fees shall not 57205
exceed the reasonable costs of the investigations and proceedings. 57206
The fee for a background investigation for a uniform permit as a 57207
carrier of hazardous wastes shall be six hundred dollars plus the 57208
costs of obtaining any necessary information not included in the 57209
permit application, to be calculated at the rate of thirty dollars 57210
per hour, not exceeding six hundred dollars, plus any fees payable 57211
to obtain necessary information. 57212

(I) The application fee for a certificate for the 57213
transportation of household goods issued pursuant to sections 57214
4921.30 to 4921.38 of the Revised Code shall be based on the 57215
certificate holder's gross revenue, in the prior year, for the 57216
intrastate transportation of household goods. The commission shall 57217
establish, by order, ranges of gross revenue and the fee for each 57218
range. The fees shall be set in amounts sufficient to carry out 57219
the purposes of sections 4921.30 to 4921.38 and 4923.99 of the 57220
Revised Code and, to the extent necessary, the commission shall 57221
make changes to the fee structure to ensure that neither over nor 57222

utilities transportation safety fund, less the sum of all of the 57247

(1) The fees collected by the public utilities commission, in 57249
accordance with the unified carrier registration plan under 57250
section 4921.11 of the Revised Code, that exceed the federal 57251

(2) The fees collected by the commission on behalf of other 57253
states under division (C) of section 4921.15 of the Revised Code; 57254

(B)(1) There is hereby created in the state treasury the 57258

section 4163.07 of the Revised Code shall be deposited into the 57266
state treasury to the credit of the public utilities 57267
transportation safety fund, until the adjusted credit amount in a 57268
fiscal year is equal to the total amount appropriated from the 57269
fund for the fiscal year. Once this point of parity is reached, 57270
any additional fees, taxes, forfeitures, or fines received during 57271
the fiscal year shall be credited to the general revenue fund, 57272
except as provided in division (B)(2) of this section, and except 57273

(b) The fees collected on behalf of other states under 57279
division (C) of section 4921.15 of the Revised Code. 57280

violations of rules adopted under division (A)(2) of section 57283
4923.04 of the Revised Code, during each fiscal year shall be 57284
credited to the public utilities transportation safety fund. Any 57285
forfeitures in excess of that amount shall be deposited into the 57286
general revenue fund. In each fiscal year, the commission shall 57287
distribute moneys from these forfeitures credited to the public 57288
utilities transportation safety fund for the purposes of emergency 57289
response planning and the training of safety, enforcement, and 57290
emergency services personnel in proper techniques for the 57291
management of hazardous materials releases that occur during 57292

safety fund shall be distributed to Cleveland state university, 57295
forty-five per cent shall be distributed to other educational 57296
institutions, state agencies, regional planning commissions, and 57297

forfeitures credited to the public utilities transportation safety 57301
fund equal an amount less than four hundred thousand dollars, the 57302
commission shall distribute, to the extent of the aggregate amount 57303
of those moneys, two hundred thousand dollars to Cleveland state 57304
university and the remainder to other educational institutions, 57305
state agencies, regional planning commissions, and political 57306
subdivisions. 57307

(C) The purpose of the public utilities transportation safety 57308
fund shall be for defraying all expenses incident to maintaining 57309
the nonrailroad transportation activities of the commission. 57310

commercial vehicle transportation systems fund. The fund shall 57312
consist of money received from the United States department of 57313
transportation's commercial vehicle intelligent transportation 57314
systems infrastructure deployment program. The public utilities 57315
commission shall use the fund to deploy the Ohio commercial 57316
vehicle information systems networks project and to improve safety 57317
of motor carrier operations through electronic exchange of data. 57318

(E) There is hereby created in the state treasury the motor 57319
carrier safety fund. The fund shall consist of money received from 57320

state's motor carrier safety assistance program and associated 57323
grants, including the motor carrier safety assistance program 57324
basic grant, the incentive grant, the high priority grants, the 57325
new entrant safety assurance grant, the safety data improvement 57326

grant, or their equivalents. 57327

(F) If the director of budget and management determines there 57328
is not sufficient money in the public utilities transportation 57329
safety fund, the director shall transfer money from the general 57330
revenue fund to the public utilities transportation safety fund in 57331
an amount up to the difference between the balance of the public 57332
utilities transportation safety fund and the appropriations from 57333
that fund. If the director subsequently determines during the 57334
fiscal year that the balance of the public utilities 57335
transportation safety fund exceeds the amount needed to support 57336
the appropriations from the fund, the director shall transfer the 57337
excess money, up to the amount of the original transfer, to the 57338
general revenue fund. 57339

provision of Chapter 4921. or 4923. of the Revised Code. The court 57672
of appeals shall hear and determine those appeals in the same 57673
manner, and under the same standards, as the supreme court hears 57674
and determines appeals under Chapter 4903. of the Revised Code. 57675
The judgment of the court of appeals is final and conclusive 57676
unless reversed, vacated, or modified on appeal. Such appeals may 57677

section, from the calendar year preceding the fiscal year in which 61541
the rate is paid. To determine the rate, the department shall do 61542
all of the following: 61543

paid by dividing the facility's desk-reviewed, actual, allowable, 61546
per diem direct care costs for that year by its average case-mix 61547
score determined under section 5111.232 of the Revised Code for 61548

with more than eight beds specified in rules adopted under 61552
division (F) of this section at a percentage above the cost per 61553
case-mix unit of the facility in the group that has the group's 61554
median medicaid ~~inpatient~~ day for the calendar year preceding the 61555
fiscal year in which the rate will be paid, as calculated under 61556
division (B)(1) of this section, that is no less than the 61557
percentage calculated under division (E)(2) of this section. 61558

(b) Set the maximum cost per case-mix unit for each peer 61559
group of intermediate care facilities for the mentally retarded 61560
with eight or fewer beds specified in rules adopted under division 61561
(F) of this section at a percentage above the cost per case-mix 61562
unit of the facility in the group that has the group's median 61563
medicaid ~~inpatient~~ day for the calendar year preceding the fiscal 61564
year in which the rate will be paid, as calculated under division 61565
(B)(1) of this section, that is no less than the percentage 61566
calculated under division (E)(3) of this section. 61567

(c) In calculating the maximum cost per case-mix unit under 61568
divisions (B)(2)(a) and (b) of this section for each peer group, 61569

the department shall exclude from its calculations the cost per case-mix unit of any facility in the group that participated in the medicaid program under the same operator for less than twelve months during the calendar year preceding the fiscal year in which the rate will be paid.

(3) Estimate the rate of inflation for the eighteen-month period beginning on the first day of July of the calendar year preceding the fiscal year in which the rate will be paid and ending on the thirty-first day of December of the fiscal year in which the rate will be paid, using the index specified in division (C) of this section. If the estimated inflation rate for the eighteen-month period is different from the actual inflation rate for that period, as measured using the same index, the difference shall be added to or subtracted from the inflation rate estimated under division (B)(3) of this section for the following fiscal year.

(4) The department shall not recalculate a maximum cost per case-mix unit under division (B)(2) of this section or a percentage under division (E) of this section based on additional information that it receives after the maximum costs per case-mix unit or percentages are set. The department shall recalculate a maximum cost per case-mix units or percentage only if it made an error in computing the maximum cost per case-mix unit or percentage based on information available at the time of the original calculation.

(C) The department shall use the following index for the purpose of division (B)(3) of this section:

(1) The employment cost index for total compensation, health services component, published by the United States bureau of labor statistics;

(D) Each facility's rate for direct care costs shall be 61604
determined as follows for each calendar quarter within a fiscal 61605
year: 61606

average case-mix score determined under section 5111.232 of the 61608
Revised Code for the calendar quarter that preceded the 61609
immediately preceding calendar quarter: 61610

(a) The facility's cost per case-mix unit for the calendar 61611
year preceding the fiscal year in which the rate will be paid, as 61612
determined under division (B)(1) of this section; 61613

(b) The maximum cost per case-mix unit established for the 61614
fiscal year in which the rate will be paid for the facility's peer 61615
group under division (B)(2) of this section; 61616

(2) Adjust the product determined under division (D)(1) of 61617
this section by the inflation rate estimated under division (B)(3) 61618
of this section. 61619

(E)(1) The department shall calculate the percentage above 61620
the median cost per case-mix unit determined under division (B)(1) 61621
of this section for the facility that has the median medicaid 61622
~~inpatient~~ day for calendar year 1992 for all intermediate care 61623
facilities for the mentally retarded with more than eight beds 61624
that would result in payment of all desk-reviewed, actual, 61625
allowable direct care costs for eighty and one-half per cent of 61626
the medicaid ~~inpatient~~ days for such facilities for calendar year 61627
1992. 61628

(2) The department shall calculate the percentage above the 61629
median cost per case-mix unit determined under division (B)(1) of 61630
this section for the facility that has the median medicaid 61631

~~inpatient~~ day for calendar year 1992 for all intermediate care 61632
facilities for the mentally retarded with eight or fewer beds that 61633
would result in payment of all desk-reviewed, actual, allowable 61634
direct care costs for eighty and one-half per cent of the medicaid 61635
~~inpatient~~ days for such facilities for calendar year 1992. 61636

(F) The director of job and family services shall adopt rules 61637
under section 5111.02 of the Revised Code that specify peer groups 61638
of intermediate care facilities for the mentally retarded with 61639
more than eight beds and intermediate care facilities for the 61640
mentally retarded with eight or fewer beds, based on findings of 61641
significant per diem direct care cost differences due to geography 61642
and facility bed-size. The rules also may specify peer groups 61643
based on findings of significant per diem direct care cost 61644

area agency on aging have jointly documented in writing that, 62058
unless the individual is enrolled in home and community-based 62059
services such as the assisted living program, the individual 62060
should be admitted to a nursing facility. 62061

~~(c) The individual resided in a residential care facility for 62062
at least six months immediately before applying for the 62063
medicaid-funded component of the assisted living program and is at 62064

facility. 62069~~

(B) Each month, each area agency on aging shall identify 62070

program is appropriate for the individual and the individual would 62084
rather participate in the assisted living program than continue or 62085
begin to reside in a nursing facility, the administrator shall so 62086
notify the department of aging. On receipt of the notice from the 62087

administrator, the department shall approve the individual's 62088
enrollment in the medicaid-funded component of the assisted living 62089
program regardless of the unified waiting list established under 62090
section 173.404 of the Revised Code, unless the enrollment would 62091
cause the component to exceed any limit on the number of 62092
individuals who may participate in the component as set by the 62093
United States secretary of health and human services in the 62094
assisted living waiver. 62095
