(5) Whether the rule has an adverse impact on businesses, 2531
reviewing the rule as if it were a draft rule being reviewed under 2532
sections 107.52 and 107.53 of the Revised Code, and whether any 2533
such adverse impact has been eliminated or reduced. 2534

(D) In making the review required under division (C) of this 2535
section, the agency shall consider the continued need for the 2536
rule, the nature of any complaints or comments received concerning 2537
the rule, and any relevant factors that have changed in the 2538

subject matter area affected by the rule. 2539

(E)(1) On or before the designated review date of a rule, the 2540
agency that adopted the rule shall proceed under division (E)(2) 2541
or (5) of this section to indicate that the agency has reviewed 2542
the rule. 2543

(2) If the agency has determined that the rule does not need 2544
to be amended or rescinded, the agency shall file all the 2545
following, in electronic form, with the joint committee on agency 2546
rule review, the secretary of state, and the director of the 2547

fiscal analysis for the rule as described in section 127.18 of the 2550
Revised Code. The agency shall assign a new review date to the 2551
rule, which shall not be later than five years after the rule's 2552
immediately preceding review date. After the joint committee has 2553
reviewed such a rule for the first time, including any rule that 2554
was in effect on September 26, 1996, the agency in its subsequent 2555
reviews of the rule may provide the same fiscal analysis it 2556
provided to the joint committee during its immediately preceding 2557
review of the rule unless any of the conditions described in 2558
division (B)(4), (5), (6), (8), (9), or (10) of section 127.18 of 2559
the Revised Code, as they relate to the rule, have appreciably 2560
changed since the joint committee's immediately preceding review 2561
of the rule. If any of these conditions, as they relate to the 2562
rule, have appreciably changed, the agency shall provide the joint 2563
committee with an updated fiscal analysis for the rule. If no 2564
review date is assigned to a rule, or if a review date assigned to 2565
a rule exceeds the five-year maximum, the review date for the rule 2566
is five years after its immediately preceding review date. The 2567
joint committee shall give public notice in the register of Ohio 2568
of the agency's determination after receiving a notice from the 2569
agency under division (E)(2) of this section. The joint committee 2570

shall transmit a copy of the notice in electronic form to the 2571
director of the legislative service commission. The director shall 2572
publish the notice in the register of Ohio for four consecutive 2573
weeks after its receipt. 2574

(3) During the ninety-day period following the date the joint 2575
committee receives a notice under division (E)(2) of this section 2576
but after the four-week period described in division (E)(2) of 2577
this section has ended, the joint committee, by a two-thirds vote 2578
of the members present, may recommend the adoption of a concurrent 2579
resolution invalidating the rule if the joint committee determines 2580
that any of the following apply: 2581

(a) The agency improperly applied the criteria described in 2582
divisions (C) and (D) of this section in reviewing the rule and in 2583
recommending its continuance without amendment or rescission. 2584

(b) The agency failed to file proper notice with the joint 2585
committee regarding the rule, or if the rule incorporates a text 2586
or other material by reference, the agency failed to file, or to 2587
deposit or display, the text or other material incorporated by 2588
reference as required by section 121.73 or 121.74 of the Revised 2589
Code or the incorporation by reference fails to meet the standards 2590
stated in section 121.72, 121.75, or 121.76 of the Revised Code. 2591

(c) The rule has an adverse impact on businesses, as 2592
determined under section 107.52 of the Revised Code, and the 2593
agency has not eliminated or reduced that impact as required under 2594
section 121.82 of the Revised Code. 2595

(4) If the joint committee does not take the action described 2596
in division (E)(3) of this section regarding a rule during the 2597
ninety-day period after the date the joint committee receives a 2598
notice under division (E)(2) of this section regarding that rule, 2599
the rule shall continue in effect without amendment and shall be 2600
next reviewed by the joint committee by the date designated by the 2601

agency in the notice provided to the joint committee under 2602
division (E)(2) of this section. 2603

(5) If the agency has determined that a rule reviewed under 2604
division (C) of this section needs to be amended or rescinded, the 2605
agency, on or before the rule's review date, shall file the rule 2606
as amended or rescinded in accordance with section 111.15, 119.03, 2607
or 4141.14 of the Revised Code, as applicable. 2608

(6) Each agency shall provide the joint committee with a copy 2609
of the rules that it has determined are rules described in 2610
division (A)(3)(b) of this section. At a time the joint committee 2611
designates, each agency shall appear before the joint committee 2612
and explain why it has determined that such rules are rules 2613
described in division (A)(3)(b) of this section. The joint 2614
committee, by a two-thirds vote of the members present, may 2615
determine that any of such rules are rules described in division 2616
(A)(3)(a) of this section. After the joint committee has made such 2617
a determination relating to a rule, the agency shall thereafter 2618
treat the rule as a rule described in division (A)(3)(a) of this 2619
section. 2620

(F) If an agency fails to provide the notice to the joint 2621
committee required under division (E)(2) of this section regarding 2622
a rule or otherwise fails by the rule's review date to take any 2623
action regarding the rule required by this section , the joint 2624
committee, by a majority vote of the members present, may 2625
recommend the adoption of a concurrent resolution invalidating the 2626
rule. The joint committee shall not recommend the adoption of such 2627
a resolution until it has afforded the agency the opportunity to 2628
appear before the joint committee to show cause why the joint 2629
committee should not recommend the adoption of such a resolution 2630
regarding that rule. 2631

(G) If the joint committee recommends adoption of a 2632
concurrent resolution invalidating a rule under division (E)(3) or 2633

(F) of this section, the adoption of the concurrent resolution 2634
shall be in the manner described in division (I) of section 119.03 2635

director of administrative services, with respect to positions in 4338
the service of the state, or any municipal civil service 4339
commission may find it impracticable to include in the competitive 4340
classified service; provided such exemptions shall be by order of 4341
the commission or the director, duly entered on the record of the 4342
commission or the director with the reasons for each such 4343
exemption; 4344

(13) Any physician or dentist who is a full-time employee of 4345
the department of mental health, the department of developmental 4346

fifteen positions in any division of either department, excluding 4354
administrative assistants to the director and division chiefs, 4355
which are within the immediate staff of a division chief and which 4356

Code. The authority to establish positions in the unclassified 4407
service under division (A)(26) of this section is in addition to 4408
and does not limit any other authority that an administrative 4409
department or state agency has under the Revised Code to establish 4410
positions, appoint employees, or set compensation. 4411

(27) Employees of the department of agriculture employed 4412
under section 901.09 of the Revised Code; 4413

(31) Employees appointed to highway patrol cadet or highway 4425

(32) Employees placed in the unclassified service by another 4427
section of the Revised Code. 4428

(B) The classified service shall comprise all persons in the 4429
employ of the state and the several counties, cities, city health 4430
districts, general health districts, and city school districts of 4431
the state, not specifically included in the unclassified service. 4432
Upon the creation by the board of trustees of a civil service 4433
township civil service commission, the classified service shall 4434
also comprise, except as otherwise provided in division (A)(17) or 4435
(C) of this section, all persons in the employ of a civil service 4436
township police or fire department having ten or more full-time 4437
paid employees. The classified service consists of two classes, 4438
which shall be designated as the competitive class and the 4439
unskilled labor class. 4440

(1) The competitive class shall include all positions and 4441
employments in the state and the counties, cities, city health 4442
districts, general health districts, and city school districts of 4443
the state, and, upon the creation by the board of trustees of a 4444
civil service township of a township civil service commission, all 4445
positions in a civil service township police or fire department 4446
having ten or more full-time paid employees, for which it is 4447
practicable to determine the merit and fitness of applicants by 4448
competitive examinations. Appointments shall be made to, or 4449

employment shall be given in, all positions in the competitive 4450
class that are not filled by promotion, reinstatement, transfer, 4451
or reduction, as provided in this chapter, and the rules of the 4452
director of administrative services, by appointment from those 4453
certified to the appointing officer in accordance with this 4454
chapter. 4455

(2) The unskilled labor class shall include ordinary 4456
unskilled laborers. Vacancies in the labor class for positions in 4457
service of the state shall be filled by appointment from lists of 4458
applicants registered by the director or the director's designee. 4459
Vacancies in the labor class for all other positions shall be 4460
filled by appointment from lists of applicants registered by a 4461
commission. The director or the commission, as applicable, by 4462
rule, shall require an applicant for registration in the labor 4463
class to furnish evidence or take tests as the director or 4464
commission considers proper with respect to age, residence, 4465
physical condition, ability to labor, honesty, sobriety, industry, 4466
capacity, and experience in the work or employment for which 4467
application is made. Laborers who fulfill the requirements shall 4468
be placed on the eligible list for the kind of labor or employment 4469
sought, and preference shall be given in employment in accordance 4470
with the rating received from that evidence or in those tests. 4471
Upon the request of an appointing officer, stating the kind of 4472
labor needed, the pay and probable length of employment, and the 4473
number to be employed, the director or commission, as applicable, 4474
shall certify from the highest on the list double the number to be 4475
employed; from this number, the appointing officer shall appoint 4476
the number actually needed for the particular work. If more than 4477
one applicant receives the same rating, priority in time of 4478
application shall determine the order in which their names shall 4479
be certified for appointment. 4480

(C) A municipal or civil service township civil service 4481

commission may place volunteer firefighters who are paid on a 4482
fee-for-service basis in either the classified or the unclassified 4483
civil service. 4484

(D)(1) This division does not apply to persons in the 4485
unclassified service who have the right to resume positions in the 4486
classified service under sections 4121.121, 5119.071, 5120.38, 4487
5120.381, 5120.382, 5123.08, 5139.02, and 5501.19 of the Revised 4488
Code or to cities, counties, or political subdivisions of the 4489
state. 4490

~~An appointing authority whose employees are paid directly by~~ 4491
~~warrant of the director of budget and management may appoint a~~ 4492
~~person who holds a certified position in the classified service~~ 4493
~~within the appointing authority's agency to a position in the~~ 4494
~~unclassified service within that agency. (2) A person appointed~~ 4495
~~pursuant to this division who holds a position in the classified~~ 4496
~~service of the state and who is appointed~~ to a position in the 4497
unclassified service shall retain the right to resume the position 4498
and status held by the person in the classified service 4499
immediately prior to the person's appointment to the position in 4500
the unclassified service, regardless of the number of positions 4501
the person held in the unclassified service. An employee's right 4502
to resume a position in the classified service may only be 4503
exercised when an appointing authority demotes the employee to a 4504
pay range lower than the employee's current pay range or revokes 4505
the employee's appointment to the unclassified service- and: 4506

(a) That person held a certified position prior to July 1, 4507
2007, in the classified service within the appointing authority's 4508
agency; or 4509

(b) That person held a permanent position on or after July 1, 4510
2007, in the classified service within the appointing authority's 4511
agency. 4512

(3) An employee forfeits the right to resume a position in 4513
the classified service when ~~the~~: 4514

(a) ~~The~~ employee is removed from the position in the 4515
unclassified service due to incompetence, inefficiency, 4516
dishonesty, drunkenness, immoral conduct, insubordination, 4517
discourteous treatment of the public, neglect of duty, violation 4518
of this chapter or the rules of the director of administrative 4519
services, any other failure of good behavior, any other acts of 4520
misfeasance, malfeasance, or nonfeasance in office, or conviction 4521
of a felony. ~~An employee also forfeits the right to resume a~~ 4522
~~position in the classified service upon; or~~ 4523

(b) Upon transfer to a different agency. 4524

(4) Reinstatement to a position in the classified service 4525
shall be to a position substantially equal to that position in the 4526
classified service held previously, as certified by the director 4527
of administrative services. If the position the person previously 4528
held in the classified service has been placed in the unclassified 4529
service or is otherwise unavailable, the person shall be appointed 4530
to a position in the classified service within the appointing 4531
authority's agency that the director of administrative services 4532
certifies is comparable in compensation to the position the person 4533
previously held in the classified service. Service in the position 4534
in the unclassified service shall be counted as service in the 4535
position in the classified service held by the person immediately 4536
prior to the person's appointment to the position in the 4537
unclassified service. When a person is reinstated to a position in 4538
the classified service as provided in this division, the person is 4539
entitled to all rights, status, and benefits accruing to the 4540
position in the classified service during the person's time of 4541
service in the position in the unclassified service. 4542

Sec. 124.12. (A) Within ninety days after an appointing 4543

authority appoints an employee to an unclassified position in the 4544
service of the state, the appointing authority shall notify the 4545
department of administrative services of that appointment. 4546

(B) On the date an appointing authority appoints an employee 4547
to an unclassified position in the state service, the appointing 4548
authority shall provide the employee with written information 4549
describing the nature of employment in the unclassified civil 4550
service. Within thirty days after the date an appointing authority 4551
appoints an employee to an unclassified position in the state 4552
service, the appointing authority shall provide the employee with 4553
written information describing the duties of that position. 4554
Failure of the appointing authority to provide the written 4555
information described in this division to the employee does not 4556
confer any additional rights upon the employee in any appellate 4557
body with jurisdiction over an appeal of the employee. 4558

(C) The department shall develop and provide each appointing 4559
authority in the ~~state~~ service of the state with a general written 4560
description of the nature of employment in the unclassified civil 4561
service that shall be provided to employees under division (B) of 4562
this section. 4563

Sec. 124.14. (A)(1) The director of administrative services 4564
shall establish, and may modify or rescind, by rule, a job 4565
classification plan for all positions, offices, and employments 4566
the salaries of which are paid in whole or in part by the state. 4567
The director shall group jobs within a classification so that the 4568
positions are similar enough in duties and responsibilities to be 4569
described by the same title, to have the same pay assigned with 4570
equity, and to have the same qualifications for selection applied. 4571
The director shall, by rule, assign a classification title to each 4572
classification within the classification plan. However, the 4573
director shall consider in establishing classifications, including 4574

classifications with parenthetical titles, and assigning pay 4575
ranges such factors as duties performed only on one shift, special 4576
skills in short supply in the labor market, recruitment problems, 4577
separation rates, comparative salary rates, the amount of training 4578
required, and other conditions affecting employment. The director 4579
shall describe the duties and responsibilities of the class, 4580
establish the qualifications for being employed in each position 4581
in the class, and file with the secretary of state a copy of 4582
specifications for all of the classifications. The director shall 4583
file new, additional, or revised specifications with the secretary 4584
of state before they are used. 4585

The director shall, by rule, assign each classification, 4586
either on a statewide basis or in particular counties or state 4587
institutions, to a pay range established under section 124.15 or 4588
section 124.152 of the Revised Code. The director may assign a 4589
classification to a pay range on a temporary basis for a period of 4590
six months. The director may establish, by rule adopted under 4591
Chapter 119. of the Revised Code, experimental classification 4592
plans for some or all employees paid directly by warrant of the 4593
director of budget and management. The rule shall include 4594
specifications for each classification within the plan and shall 4595
specifically address compensation ranges, and methods for 4596
advancing within the ranges, for the classifications, which may be 4597
assigned to pay ranges other than the pay ranges established under 4598
section 124.15 or 124.152 of the Revised Code. 4599

(2) The director of administrative services may reassign to a 4600
proper classification those positions that have been assigned to 4601
an improper classification. If the compensation of an employee in 4602
such a reassigned position exceeds the maximum rate of pay for the 4603
employee's new classification, the employee shall be placed in pay 4604
step X and shall not receive an increase in compensation until the 4605
maximum rate of pay for that classification exceeds the employee's 4606

compensation. 4607

(3) The director may reassign an exempt employee, as defined 4608
in section 124.152 of the Revised Code, to a bargaining unit 4609
classification if the director determines that the bargaining unit 4610
classification is the proper classification for that employee. 4611
Notwithstanding Chapter 4117. of the Revised Code or instruments 4612
and contracts negotiated under it, these placements are at the 4613
director's discretion. 4614

(4) The director shall, by rule, assign related 4615
classifications, which form a career progression, to a 4616
classification series. The director shall, by rule, assign each 4617
classification in the classification plan a five-digit number, the 4618
first four digits of which shall denote the classification series 4619
to which the classification is assigned. When a career progression 4620
encompasses more than ten classifications, the director shall, by 4621
rule, identify the additional classifications belonging to a 4622
classification series. The additional classifications shall be 4623
part of the classification series, notwithstanding the fact that 4624
the first four digits of the number assigned to the additional 4625
classifications do not correspond to the first four digits of the 4626
numbers assigned to other classifications in the classification 4627
series. 4628

~~(5) The director may establish, modify, or rescind a 4629
classification plan for county agencies that elect not to use the 4630
services and facilities of a county personnel department. The 4631
director shall establish any such classification plan by means of 4632
rules adopted under Chapter 119. of the Revised Code. The rules 4633
shall include a methodology for the establishment of titles unique 4634
to county agencies, the use of state classification titles and 4635
classification specifications for common positions, the criteria 4636
for a county to meet in establishing its own classification plan, 4637
and the establishment of what constitutes a classification series 4638~~

~~for county agencies. The director may assess a county agency that chooses to use the classification plan a usage fee the director determines. All usage fees the department of administrative services receives shall be paid into the state treasury to the credit of the human resources fund created in section 124.07 of the Revised Code.~~

(B) Division (A) of this section and sections 124.15 and 124.152 of the Revised Code do not apply to the following persons, positions, offices, and employments:

(1) Elected officials;

(2) Legislative employees, employees of the legislative service commission, employees in the office of the governor, employees who are in the unclassified civil service and exempt from collective bargaining coverage in the office of the secretary of state, auditor of state, treasurer of state, and attorney general, and employees of the supreme court;

~~(3) Employees of a county children services board that establishes compensation rates under section 5153.12 of the Revised Code;~~

~~(4)~~ Any position for which the authority to determine compensation is given by law to another individual or entity;

~~(5)~~(4) Employees of the bureau of workers' compensation whose compensation the administrator of workers' compensation establishes under division (B) of section 4121.121 of the Revised Code.

(C) The director may employ a consulting agency to aid and assist the director in carrying out this section.

(D)(1) When the director proposes to modify a classification or the assignment of classes to appropriate pay ranges, the director shall send written notice of the proposed rule to the

appointing authorities of the affected employees thirty days 4669
before a hearing on the proposed rule. The appointing authorities 4670
shall notify the affected employees regarding the proposed rule. 4671
The director also shall send those appointing authorities notice 4672
of any final rule that is adopted within ten days after adoption. 4673

(2) When the director proposes to reclassify any employee in 4674
the service of the state so that the employee is adversely 4675
affected, the director shall give to the employee affected and to 4676
the employee's appointing authority a written notice setting forth 4677
the proposed new classification, pay range, and salary. Upon the 4678
request of any classified employee in the service of the state who 4679
is not serving in a probationary period, the director shall 4680
perform a job audit to review the classification of the employee's 4681
position to determine whether the position is properly classified. 4682
The director shall give to the employee affected and to the 4683
employee's appointing authority a written notice of the director's 4684
determination whether or not to reclassify the position or to 4685
reassign the employee to another classification. An employee or 4686
appointing authority desiring a hearing shall file a written 4687
request for the hearing with the state personnel board of review 4688
within thirty days after receiving the notice. The board shall set 4689
the matter for a hearing and notify the employee and appointing 4690
authority of the time and place of the hearing. The employee, the 4691
appointing authority, or any authorized representative of the 4692
employee who wishes to submit facts for the consideration of the 4693
board shall be afforded reasonable opportunity to do so. After the 4694
hearing, the board shall consider anew the reclassification and 4695
may order the reclassification of the employee and require the 4696
director to assign the employee to such appropriate classification 4697
as the facts and evidence warrant. As provided in division (A)(1) 4698
of section 124.03 of the Revised Code, the board may determine the 4699
most appropriate classification for the position of any employee 4700
coming before the board, with or without a job audit. The board 4701

shall disallow any reclassification or reassignment classification 4702
of any employee when it finds that changes have been made in the 4703
duties and responsibilities of any particular employee for 4704
political, religious, or other unjust reasons. 4705

(E)(1) Employees of each county department of job and family 4706
services shall be paid a salary or wage established by the board 4707
of county commissioners. The provisions of section 124.18 of the 4708
Revised Code concerning the standard work week apply to employees 4709
of county departments of job and family services. A board of 4710
county commissioners may do either of the following: 4711

(a) Notwithstanding any other section of the Revised Code, 4712
supplement the sick leave, vacation leave, personal leave, and 4713
other benefits of any employee of the county department of job and 4714
family services of that county, if the employee is eligible for 4715
the supplement under a written policy providing for the 4716
supplement; 4717

(b) Notwithstanding any other section of the Revised Code, 4718
establish alternative schedules of sick leave, vacation leave, 4719
personal leave, or other benefits for employees not inconsistent 4720
with the provisions of a collective bargaining agreement covering 4721
the affected employees. 4722

(2) Division (E)(1) of this section does not apply to 4723
employees for whom the state employment relations board 4724
establishes appropriate bargaining units pursuant to section 4725
4117.06 of the Revised Code, except in either of the following 4726
situations: 4727

(a) The employees for whom the state employment relations 4728
board establishes appropriate bargaining units elect no 4729
representative in a board-conducted representation election. 4730

(b) After the state employment relations board establishes 4731
appropriate bargaining units for such employees, all employee 4732

organizations withdraw from a representation election. 4733

(F)(1) Notwithstanding any contrary provision of sections 4734
124.01 to 124.64 of the Revised Code, the board of trustees of 4735
each state university or college, as defined in section 3345.12 of 4736
the Revised Code, shall carry out all matters of governance 4737
involving the officers and employees of the university or college, 4738
including, but not limited to, the powers, duties, and functions 4739
of the department of administrative services and the director of 4740
administrative services specified in this chapter. Officers and 4741
employees of a state university or college shall have the right of 4742
appeal to the state personnel board of review as provided in this 4743
chapter. 4744

(2) Each board of trustees shall adopt rules under section 4745
111.15 of the Revised Code to carry out the matters of governance 4746
described in division (F)(1) of this section. Until the board of 4747
trustees adopts those rules, a state university or college shall 4748
continue to operate pursuant to the applicable rules adopted by 4749
the director of administrative services under this chapter. 4750

(G)(1) Each board of county commissioners may, by a 4751
resolution adopted by a majority of its members, establish a 4752
county personnel department to exercise the powers, duties, and 4753
functions specified in division (G) of this section. As used in 4754
division (G) of this section, "county personnel department" means 4755
a county personnel department established by a board of county 4756
commissioners under division (G)(1) of this section. 4757

(2)(a) Each board of county commissioners, by a resolution 4758
adopted by a majority of its members, may designate the county 4759
personnel department of the county to exercise the powers, duties, 4760
and functions specified in sections 124.01 to 124.64 and Chapter 4761
325. of the Revised Code with regard to employees in the service 4762
of the county, except for the powers and duties of the state 4763
personnel board of review, which powers and duties shall not be 4764

construed as having been modified or diminished in any manner by 4765
division (G)(2) of this section, with respect to the employees for 4766
whom the board of county commissioners is the appointing authority 4767
or co-appointing authority. 4768

(b) Nothing in division (G)(2) of this section shall be 4769
construed to limit the right of any employee who possesses the 4770
right of appeal to the state personnel board of review to continue 4771
to possess that right of appeal. 4772

(c) Any board of county commissioners that has established a 4773
county personnel department may contract with the department of 4774
administrative services, in accordance with division (H) of this 4775
section, another political subdivision, or an appropriate public 4776
or private entity to provide competitive testing services or other 4777
appropriate services. 4778

(3) After the county personnel department of a county has 4779
been established as described in division (G)(2) of this section, 4780
any elected official, board, agency, or other appointing authority 4781

the classified service of the state to ensure that the abilities 4882
of such applicants are properly assessed and that such applicants 4883
are not subject to discrimination because they are legally blind 4884
or legally deaf persons. 4885

Sec. 124.241. As used in this section, "professional 4886
employee" has the same meaning as in section 5126.20 of the 4887
Revised Code and "registered service employee" means a service 4888

state the applicant's name, address, and such other information as 4903
may reasonably be required concerning the applicant's education 4904
and experience. No inquiry shall be made as to religious or 4905
political affiliations or as to racial or ethnic origin of the 4906
applicant, except as necessary to gather equal employment 4907
opportunity or other statistics that, when compiled, will not 4908
identify any specific individual. 4909

Blank forms for applications shall be furnished by the 4910
director or the director's designee without charge to any person 4911
requesting the same. The director or the director's designee may 4912

application or examination, in establishing eligibility, or 4927
securing an appointment. 4928

Sec. 124.26. From the returns of ~~the~~ examinations for 4929

administrative services or the director's designee shall prepare 4931
an eligible list of the persons whose general average standing 4932
upon examinations for the class or position is not less than the 4933
minimum fixed by the rules of the director, and who are otherwise 4934
eligible. Those persons shall take rank upon the eligible list as 4935
candidates in the order of their relative excellence as determined 4936
by the examination without reference to priority of the time of 4937
examination. If two or more applicants receive the same mark in an 4938
open competitive examination, priority in the time of filing the 4939
application with the director or the director's designee shall 4940
determine the order in which their names shall be placed on the 4941
eligible list, except that applicants eligible for veteran's 4942
preference under section 124.23 of the Revised Code shall receive 4943
priority in rank on the eligible list over nonveterans on the list 4944
with a rating equal to that of the veteran. Ties among veterans 4945
shall be decided by priority of filing the application. 4946

- An eligible list expires upon the filling or closing of the 4947
position. An expired eligible list may be used to fill a position 4948
of the same classification within the same appointing authority 4949
for which the list was created. But, in no event shall an expired 4950
list be used more than one year past its expiration date. 4951

Sec. 124.27. (A) Appointments to all positions in the 4952
classified civil service, that are not filled by promotion, 4953

transfer, or reduction, as provided in sections 124.01 to 124.64 4954
of the Revised Code and the rules of the director prescribed under 4955
those sections, shall be made only from those persons whose names 4956
take rank order on an eligible list, and no employment, except as 4957
provided in those sections, shall be otherwise given in the 4958
classified civil service ~~of this state or any political~~ 4959
~~subdivision of the state~~. The appointing authority shall appoint 4960
in the following manner: each time a selection is made, it shall 4961
be from one of the names that ranks in the top ten names on the 4962
eligible list or the top twenty-five per cent of the eligible 4963
list, whichever is greater. ~~But, in~~ In the event that ten or fewer 4964
names are on the eligible list, the appointing authority may 4965
select any of the listed candidates. Each person who qualifies for 4966
the veteran's preference under section 124.23 of the Revised Code, 4967
who is a resident of this state, and whose name is on the eligible 4968
list for a position is entitled to preference in original 4969
appointment to any such competitive position in the classified 4970
civil service of the state ~~and its civil divisions~~ over all other 4971
persons who are eligible for those appointments and who are 4972
standing on the relevant eligible list with a rating equal to that 4973
of the person qualifying for the veteran's preference. 4974

(B) All original and promotional appointments in the 4975
classified civil service, including appointments made pursuant to 4976
section 124.30 of the Revised Code, but not intermittent 4977
appointments, shall be for a probationary period, not less than 4978
sixty days nor more than one year, to be fixed by the rules of the 4979
director for appointments in the civil service of the state, 4980
except as provided in section 124.231 of the Revised Code, and 4981
except for original appointments to a police department as a 4982
police officer or to a fire department as a firefighter which 4983
shall be for a probationary period of one year. No appointment or 4984
promotion is final until the appointee has satisfactorily served 4985
the probationary period. If the service of the probationary 4986

employee is unsatisfactory, the employee may be removed or reduced 4987
at any time during the probationary period. If the appointing 4988
authority decides to remove a probationary employee in the service 4989
of the state, the appointing authority shall communicate the 4990
removal to the director. A probationary employee duly removed or 4991
reduced in position for unsatisfactory service does not have the 4992
right to appeal the removal or reduction under section 124.34 of 4993
the Revised Code. 4994

Sec. 124.30. (A) ~~Positions~~ Classified positions in the 4995

in any position in the classified civil service and the director 4999
of administrative services is unable to certify to the appointing 5000
authority, upon its request, a list of persons eligible for 5001
appointment to the position after a competitive examination, the 5002
appointing authority may fill the position by noncompetitive 5003
examination. 5004

A temporary appointment may be made without regard to the 5005
rules of sections 124.01 to 124.64 of the Revised Code. Except as 5006
otherwise provided in this division, the temporary appointment may 5007
not continue longer than one hundred twenty days, and in no case 5008
shall successive temporary appointments be made. A temporary 5009
appointment longer than one hundred twenty days may be made if 5010
necessary by reason of sickness, disability, or other approved 5011
leave of absence of regular officers or employees, in which case 5012
it may continue during the period of sickness, disability, or 5013
other approved leave of absence, subject to the rules of the 5014
director. 5015

(2) In case of a vacancy in a position in the classified 5016
civil service where peculiar and exceptional qualifications of a 5017

scientific, managerial, professional, or educational character are 5018
required, and upon satisfactory evidence that for specified 5019
reasons competition in this special case is impracticable and that 5020
the position can best be filled by a selection of some designated 5021
person of high and recognized attainments in those qualities, the 5022
director may suspend the provisions of sections 124.01 to 124.64 5023
of the Revised Code that require competition in this special case, 5024
but no suspension shall be general in its application. All such 5025
cases of suspension shall be reported in the annual report of the 5026
director with the reasons for each suspension. The director shall 5027
suspend the provisions when the director of job and family 5028
services provides the certification under section 5101.051 of the 5029
Revised Code that a position with the department of job and family 5030
services can best be filled if the provisions are suspended. 5031

(3) The acceptance or refusal by an eligible person of a 5032
temporary appointment shall not affect the person's standing on 5033
the eligible list for permanent appointment, nor shall the period 5034
of temporary service be counted as a part of the probationary 5035
service in case of subsequent appointment to a permanent position. 5036

(B) Persons who receive temporary or intermittent 5037
appointments are in the unclassified civil service and serve at 5038
the pleasure of their appointing authority. 5039

Sec. 124.31. Vacancies in positions in the classified civil 5040
service of the state shall be filled insofar as practicable by 5041
promotions. The director of administrative services shall provide 5042
in the director's rules for keeping a record of efficiency for 5043
each employee in the classified civil service of the state, and 5044
for making promotions in the classified civil service of the state 5045
on the basis of merit and by conduct and capacity in office. 5046

institutions of higher education, and other instrumentalities of 5051
this state; the supreme court; all courts of appeals; and all 5052
courts of common pleas, may purchase recycled products in 5053
accordance with the guidelines adopted under division (B) of this 5054
section if the products are available and meet the performance 5055
specifications of the procuring entities. Purchases of recycled 5056
products shall comply with any rules adopted under division (C) of 5057
this section. 5058

(B) The director of administrative services shall adopt rules 5059
in accordance with Chapter 119. of the Revised Code establishing 5060
guidelines for the procurement of recycled products pursuant to 5061
division (A) of this section. To the extent practicable, the 5062
guidelines shall do all of the following: 5063

(1) Be consistent with and substantially equivalent to any 5064
relevant regulations adopted by the administrator of the United 5065
States environmental protection agency pursuant to the "Resource 5066

(2) Establish the minimum percentage of recycled materials 5069
the various products shall contain in order to be considered 5070
"recycled" for the purposes of division (A) of this section; 5071

(3) So far as practicable and economically feasible, 5072
incorporate specifications for recycled-content materials to 5073

virgin materials. 5080

(D) The department of administrative services and the 5081
~~department of natural resources~~ environmental protection agency 5082
annually shall prepare and submit to the governor, president of 5083
the senate, and speaker of the house of representatives a report 5084

recycled products that are purchased with moneys disbursed from 5086
the state treasury by the general assembly; the offices of all 5087
elected state officers; and all departments, boards, offices, 5088
commissions, agencies, and institutions of this state. 5089

Sec. 125.14. (A) The director of administrative services 5090
shall allocate any proceeds from the transfer, sale, or lease of 5091
excess and surplus supplies in the following manner: 5092

(1) Except as otherwise provided in division (A)(2) of this 5093
section, the proceeds of such a transfer, sale, or lease shall be 5094
paid into the state treasury to the credit of the investment 5095
recovery fund, which is hereby created. 5096

(2) Except as otherwise provided in division (A)(2) of this 5097
section, when supplies originally were purchased with funds from 5098
nongeneral revenue fund sources, the director shall determine what 5099
fund or account originally was used to purchase the supplies, and 5100
the credit for the proceeds from any transfer, sale, or lease of 5101
those supplies shall be transferred to that fund or account. If 5102
the director cannot determine which fund or account originally was 5103
used to purchase the supplies, if the fund or account is no longer 5104
active, or if the proceeds from the transfer, sale, or lease of a 5105
unit of supplies are less than one hundred dollars or any larger 5106
amount the director may establish with the approval of the 5107
director of budget and management, then the proceeds from the 5108
transfer, sale, or lease of such supplies shall be paid into the 5109

state treasury to the credit of the investment recovery fund. 5110

(B) The investment recovery fund shall be used to pay for the 5111
operating expenses of the state surplus property program. Any 5112
amounts in excess of these operating expenses shall periodically 5113
be transferred to the general revenue fund of the state. If 5114
proceeds paid into the investment recovery fund are insufficient 5115
to pay for the program's operating expenses, a service fee may be 5116
charged to state agencies to eliminate the deficit. 5117

(C) Proceeds from the sale of recyclable goods and materials 5118

except that the director of budget and management may approve the 5130
release of money appropriated for specific projects in accordance 5131
with the requirements of this section and except that the director 5132
of budget and management may approve the release of unencumbered 5133

projects are general and which are specific, the director shall 5148
submit to the controlling board a list that includes a brief 5149
description of and the estimated expenditures for each specific 5150

approval of the controlling board. 5158

The director may create new appropriation items and make 5159
transfers of appropriations to them for specific higher education 5160
projects included on the list that are to be funded from general 5161
purpose appropriations for basic renovations that are made from 5162
the higher education improvement fund or the higher education 5163
improvement taxable fund. 5164

credit for any service shall be allowed by the following formula: 6311

(a) For each month for which the member's earnable salary is 6312
two hundred fifty dollars or more, allow one month's credit. 6313

(b) For each month for which the member's earnable salary is 6314
less than two hundred fifty dollars, allow a fraction of a month's 6315
credit. The numerator of this fraction shall be the earnable 6316
salary during the month, and the denominator shall be two hundred 6317
fifty dollars, except that if the member's annual earnable salary 6318
is less than six hundred dollars, the member's credit shall not be 6319
reduced below twenty per cent of a year for a calendar year of 6320
employment during which the member worked each month. Division 6321
(T)(1)(b) of this section shall not reduce any credit earned 6322
before January 1, 1985. 6323

(2) Notwithstanding division (T)(1) of this section, an 6324
elected official who prior to January 1, 1980, was granted a full 6325
year of credit for each year of service as an elected official 6326
shall be considered to have earned a full year of credit for each 6327

of any constitutional provision prohibiting an increase in salary 6347
during a term of office, the member may elect to have the amount 6348
of the member's contributions calculated upon the basis of the 6349
increased salary for the office. At the member's request, the 6350
board shall compute the total additional amount the member would 6351
have contributed, or the amount by which each of the member's 6352
contributions would have increased, had the member received the 6353
increased salary for the office the member holds. If the member 6354
elects to have the amount by which the member's contribution would 6355
have increased withheld from the member's salary, the member shall 6356
notify the employer, and the employer shall make the withholding 6357
and transmit it to the retirement system. A member who has not 6358
elected to have that amount withheld may elect at any time to make 6359

a payment to the retirement system equal to the additional amount 6360
the member's contribution would have increased, plus interest on 6361
that contribution, compounded annually at a rate established by 6362
the board and computed from the date on which the last 6363
contribution would have been withheld from the member's salary to 6364
the date of payment. A member may make a payment for part of the 6365
period for which the increased contribution was not withheld, in 6366
which case the interest shall be computed from the date the last 6367
contribution would have been withheld for the period for which the 6368
payment is made. Upon the payment of the increased contributions 6369
as provided in this division, the increased annual salary as 6370
provided by law for the office for the period for which the member 6371
paid increased contributions thereon shall be used in determining 6372
the member's earnable salary for the purpose of computing the 6373
member's final average salary. 6374

maintained by the public office and accessed in the ordinary 6937
course of the public office's or person's duties. 6938

(3) If a request is ultimately denied, in part or in whole, 6939
the public office or the person responsible for the requested 6940
public record shall provide the requester with an explanation, 6941
including legal authority, setting forth why the request was 6942
denied. If the initial request was provided in writing, the 6943
explanation also shall be provided to the requester in writing. 6944
The explanation shall not preclude the public office or the person 6945

responsible for the requested public record from relying upon 6946
additional reasons or legal authority in defending an action 6947
commenced under division (C) of this section. 6948

(4) Unless specifically required or authorized by state or 6949
federal law or in accordance with division (B) of this section, no 6950
public office or person responsible for public records may limit 6951
or condition the availability of public records by requiring 6952
disclosure of the requester's identity or the intended use of the 6953
requested public record. Any requirement that the requester 6954
disclose the requestor's identity or the intended use of the 6955
requested public record constitutes a denial of the request. 6956

(5) A public office or person responsible for public records 6957
may ask a requester to make the request in writing, may ask for 6958
the requester's identity, and may inquire about the intended use 6959
of the information requested, but may do so only after disclosing 6960
to the requester that a written request is not mandatory and that 6961
the requester may decline to reveal the requester's identity or 6962
the intended use and when a written request or disclosure of the 6963
identity or intended use would benefit the requester by enhancing 6964
the ability of the public office or person responsible for public 6965
records to identify, locate, or deliver the public records sought 6966
by the requester. 6967

(6) If any person chooses to obtain a copy of a public record 6968
in accordance with division (B) of this section, the public office 6969
or person responsible for the public record may require that 6970
person to pay in advance the cost involved in providing the copy 6971
of the public record in accordance with the choice made by the 6972
person seeking the copy under this division. The public office or 6973
the person responsible for the public record shall permit that 6974
person to choose to have the public record duplicated upon paper, 6975
upon the same medium upon which the public office or person 6976
responsible for the public record keeps it, or upon any other 6977

medium upon which the public office or person responsible for the 6978
public record determines that it reasonably can be duplicated as 6979
an integral part of the normal operations of the public office or 6980
person responsible for the public record. When the person seeking 6981
the copy makes a choice under this division, the public office or 6982
person responsible for the public record shall provide a copy of 6983
it in accordance with the choice made by the person seeking the 6984
copy. Nothing in this section requires a public office or person 6985
responsible for the public record to allow the person seeking a 6986
copy of the public record to make the copies of the public record. 6987

(7) Upon a request made in accordance with division (B) of 6988
this section and subject to division (B)(6) of this section, a 6989
public office or person responsible for public records shall 6990
transmit a copy of a public record to any person by United States 6991
mail or by any other means of delivery or transmission within a 6992
reasonable period of time after receiving the request for the 6993
copy. The public office or person responsible for the public 6994
record may require the person making the request to pay in advance 6995
the cost of postage if the copy is transmitted by United States 6996
mail or the cost of delivery if the copy is transmitted other than 6997
by United States mail, and to pay in advance the costs incurred 6998
for other supplies used in the mailing, delivery, or transmission. 6999

Any public office may adopt a policy and procedures that it 7000
will follow in transmitting, within a reasonable period of time 7001
after receiving a request, copies of public records by United 7002
States mail or by any other means of delivery or transmission 7003
pursuant to this division. A public office that adopts a policy 7004
and procedures under this division shall comply with them in 7005
performing its duties under this division. 7006

In any policy and procedures adopted under this division, a 7007
public office may limit the number of records requested by a 7008
person that the office will transmit by United States mail to ten 7009

per month, unless the person certifies to the office in writing 7010
that the person does not intend to use or forward the requested 7011
records, or the information contained in them, for commercial 7012
purposes. For purposes of this division, "commercial" shall be 7013
narrowly construed and does not include reporting or gathering 7014
news, reporting or gathering information to assist citizen 7015
oversight or understanding of the operation or activities of 7016
government, or nonprofit educational research. 7017

(8) A public office or person responsible for public records 7018
is not required to permit a person who is incarcerated pursuant to 7019
a criminal conviction or a juvenile adjudication to inspect or to 7020
obtain a copy of any public record concerning a criminal 7021
investigation or prosecution or concerning what would be a 7022
criminal investigation or prosecution if the subject of the 7023
investigation or prosecution were an adult, unless the request to 7024
inspect or to obtain a copy of the record is for the purpose of 7025
acquiring information that is subject to release as a public 7026
record under this section and the judge who imposed the sentence 7027
or made the adjudication with respect to the person, or the 7028
judge's successor in office, finds that the information sought in 7029
the public record is necessary to support what appears to be a 7030
justiciable claim of the person. 7031

(9)(a) Upon written request made and signed by a journalist 7032
on or after December 16, 1999, a public office, or person 7033
responsible for public records, having custody of the records of 7034
the agency employing a specified peace officer, parole officer, 7035
probation officer, bailiff, prosecuting attorney, assistant 7036
prosecuting attorney, correctional employee, community-based 7037
correctional facility employee, youth services employee, 7038
firefighter, EMT, or investigator of the bureau of criminal 7039
identification and investigation shall disclose to the journalist 7040
the address of the actual personal residence of the peace officer, 7041

parole officer, probation officer, bailiff, prosecuting attorney, 7042
assistant prosecuting attorney, correctional employee, 7043
community-based correctional facility employee, youth services 7044
employee, firefighter, EMT, or investigator of the bureau of 7045
criminal identification and investigation and, if the peace 7046
officer's, parole officer's, probation officer's, bailiff's, 7047
prosecuting attorney's, assistant prosecuting attorney's, 7048
correctional employee's, community-based correctional facility 7049
employee's, youth services employee's, firefighter's, EMT's, or 7050
investigator of the bureau of criminal identification and 7051
investigation's spouse, former spouse, or child is employed by a 7052
public office, the name and address of the employer of the peace 7053
officer's, parole officer's, probation officer's, bailiff's, 7054
prosecuting attorney's, assistant prosecuting attorney's, 7055
correctional employee's, community-based correctional facility 7056
employee's, youth services employee's, firefighter's, EMT's, or 7057
investigator of the bureau of criminal identification and 7058
investigation's spouse, former spouse, or child. The request shall 7059
include the journalist's name and title and the name and address 7060
of the journalist's employer and shall state that disclosure of 7061
the information sought would be in the public interest. 7062

(b) Division (B)(9)(a) of this section also applies to 7063
journalist requests for customer information maintained by a 7064
municipally owned or operated public utility, other than social 7065
security numbers and any private financial information such as 7066
credit reports, payment methods, credit card numbers, and bank 7067
account information. 7068

(c) As used in division (B)(9) of this section, "journalist" 7069
means a person engaged in, connected with, or employed by any news 7070
medium, including a newspaper, magazine, press association, news 7071
agency, or wire service, a radio or television station, or a 7072
similar medium, for the purpose of gathering, processing, 7073

transmitting, compiling, editing, or disseminating information for 7074
the general public. 7075

(C)(1) If a person allegedly is aggrieved by the failure of a 7076
public office or the person responsible for public records to 7077
promptly prepare a public record and to make it available to the 7078
person for inspection in accordance with division (B) of this 7079
section or by any other failure of a public office or the person 7080
responsible for public records to comply with an obligation in 7081
accordance with division (B) of this section, the person allegedly 7082
aggrieved may commence a mandamus action to obtain a judgment that 7083
orders the public office or the person responsible for the public 7084
record to comply with division (B) of this section, that awards 7085
court costs and reasonable attorney's fees to the person that 7086
instituted the mandamus action, and, if applicable, that includes 7087
an order fixing statutory damages under division (C)(1) of this 7088
section. The mandamus action may be commenced in the court of 7089
common pleas of the county in which division (B) of this section 7090
allegedly was not complied with, in the supreme court pursuant to 7091
its original jurisdiction under Section 2 of Article IV, Ohio 7092
Constitution, or in the court of appeals for the appellate 7093
district in which division (B) of this section allegedly was not 7094
complied with pursuant to its original jurisdiction under Section 7095
3 of Article IV, Ohio Constitution. 7096

If a requestor transmits a written request by hand delivery 7097
or certified mail to inspect or receive copies of any public 7098
record in a manner that fairly describes the public record or 7099
class of public records to the public office or person responsible 7100
for the requested public records, except as otherwise provided in 7101
this section, the requestor shall be entitled to recover the 7102
amount of statutory damages set forth in this division if a court 7103
determines that the public office or the person responsible for 7104
public records failed to comply with an obligation in accordance 7105

with division (B) of this section. 7106

The amount of statutory damages shall be fixed at one hundred 7107
dollars for each business day during which the public office or 7108
person responsible for the requested public records failed to 7109
comply with an obligation in accordance with division (B) of this 7110
section, beginning with the day on which the requester files a 7111
mandamus action to recover statutory damages, up to a maximum of 7112
one thousand dollars. The award of statutory damages shall not be 7113
construed as a penalty, but as compensation for injury arising 7114
from lost use of the requested information. The existence of this 7115
injury shall be conclusively presumed. The award of statutory 7116
damages shall be in addition to all other remedies authorized by 7117
this section. 7118

The court may reduce an award of statutory damages or not 7119
award statutory damages if the court determines both of the 7120
following: 7121

(a) That, based on the ordinary application of statutory law 7122
and case law as it existed at the time of the conduct or 7123
threatened conduct of the public office or person responsible for 7124
the requested public records that allegedly constitutes a failure 7125
to comply with an obligation in accordance with division (B) of 7126
this section and that was the basis of the mandamus action, a 7127
well-informed public office or person responsible for the 7128
requested public records reasonably would believe that the conduct 7129
or threatened conduct of the public office or person responsible 7130
for the requested public records did not constitute a failure to 7131
comply with an obligation in accordance with division (B) of this 7132
section; 7133

(b) That a well-informed public office or person responsible 7134
for the requested public records reasonably would believe that the 7135
conduct or threatened conduct of the public office or person 7136
responsible for the requested public records would serve the 7137

public policy that underlies the authority that is asserted as 7138
permitting that conduct or threatened conduct. 7139

(2)(a) If the court issues a writ of mandamus that orders the 7140
public office or the person responsible for the public record to 7141
comply with division (B) of this section and determines that the 7142
circumstances described in division (C)(1) of this section exist, 7143
the court shall determine and award to the relator all court 7144
costs. 7145

(b) If the court renders a judgment that orders the public 7146
office or the person responsible for the public record to comply 7147
with division (B) of this section, the court may award reasonable 7148
attorney's fees subject to reduction as described in division 7149
(C)(2)(c) of this section. The court shall award reasonable 7150
attorney's fees, subject to reduction as described in division 7151
(C)(2)(c) of this section when either of the following applies: 7152

(i) The public office or the person responsible for the 7153
public records failed to respond affirmatively or negatively to 7154
the public records request in accordance with the time allowed 7155
under division (B) of this section. 7156

(ii) The public office or the person responsible for the 7157
public records promised to permit the relator to inspect or 7158
receive copies of the public records requested within a specified 7159
period of time but failed to fulfill that promise within that 7160
specified period of time. 7161

(c) Court costs and reasonable attorney's fees awarded under 7162
this section shall be construed as remedial and not punitive. 7163
Reasonable attorney's fees shall include reasonable fees incurred 7164
to produce proof of the reasonableness and amount of the fees and 7165
to otherwise litigate entitlement to the fees. The court may 7166
reduce an award of attorney's fees to the relator or not award 7167
attorney's fees to the relator if the court determines both of the 7168

following: 7169

(i) That, based on the ordinary application of statutory law 7170
and case law as it existed at the time of the conduct or 7171
threatened conduct of the public office or person responsible for 7172
the requested public records that allegedly constitutes a failure 7173
to comply with an obligation in accordance with division (B) of 7174
this section and that was the basis of the mandamus action, a 7175
well-informed public office or person responsible for the 7176
requested public records reasonably would believe that the conduct 7177
or threatened conduct of the public office or person responsible 7178
for the requested public records did not constitute a failure to 7179
comply with an obligation in accordance with division (B) of this 7180
section; 7181

(ii) That a well-informed public office or person responsible 7182
for the requested public records reasonably would believe that the 7183
conduct or threatened conduct of the public office or person 7184
responsible for the requested public records as described in 7185
division (C)(2)(c)(i) of this section would serve the public 7186
policy that underlies the authority that is asserted as permitting 7187
that conduct or threatened conduct. 7188

(D) Chapter 1347. of the Revised Code does not limit the 7189
provisions of this section. 7190

(E)(1) To ensure that all employees of public offices are 7191
appropriately educated about a public office's obligations under 7192
division (B) of this section, all elected officials or their 7193
appropriate designees shall attend training approved by the 7194
attorney general as provided in section 109.43 of the Revised 7195
Code. In addition, all public offices shall adopt a public records 7196
policy in compliance with this section for responding to public 7197
records requests. In adopting a public records policy under this 7198
division, a public office may obtain guidance from the model 7199
public records policy developed and provided to the public office 7200

by the attorney general under section 109.43 of the Revised Code. 7201
Except as otherwise provided in this section, the policy may not 7202
limit the number of public records that the public office will 7203
make available to a single person, may not limit the number of 7204
public records that it will make available during a fixed period 7205
of time, and may not establish a fixed period of time before it 7206
will respond to a request for inspection or copying of public 7207
records, unless that period is less than eight hours. 7208

(2) The public office shall distribute the public records 7209
policy adopted by the public office under division (E)(1) of this 7210
section to the employee of the public office who is the records 7211
custodian or records manager or otherwise has custody of the 7212
records of that office. The public office shall require that 7213
employee to acknowledge receipt of the copy of the public records 7214
policy. The public office shall create a poster that describes its 7215
public records policy and shall post the poster in a conspicuous 7216
place in the public office and in all locations where the public 7217
office has branch offices. The public office may post its public 7218
records policy on the internet web site of the public office if 7219
the public office maintains an internet web site. A public office 7220
that has established a manual or handbook of its general policies 7221
and procedures for all employees of the public office shall 7222
include the public records policy of the public office in the 7223
manual or handbook. 7224

(F)(1) The bureau of motor vehicles may adopt rules pursuant 7225
to Chapter 119. of the Revised Code to reasonably limit the number 7226
of bulk commercial special extraction requests made by a person 7227
for the same records or for updated records during a calendar 7228
year. The rules may include provisions for charges to be made for 7229
bulk commercial special extraction requests for the actual cost of 7230
the bureau, plus special extraction costs, plus ten per cent. The 7231
bureau may charge for expenses for redacting information, the 7232

release of which is prohibited by law. 7233

(a) "Actual cost" means the cost of depleted supplies, 7235
records storage media costs, actual mailing and alternative 7236

forward the copies for surveys, marketing, solicitation, or resale 7245
for commercial purposes. "Bulk commercial special extraction 7246
request" does not include a request by a person who gives 7247

marketing, solicitation, or resale for commercial purposes. 7250

(c) "Commercial" means profit-seeking production, buying, or 7251

programs to make the special extraction. "Special extraction 7257
costs" include any charges paid to a public agency for computer or 7258
records services. 7259

(3) For purposes of divisions (F)(1) and (2) of this section, 7260
"surveys, marketing, solicitation, or resale for commercial 7261
purposes" shall be narrowly construed and does not include 7262

activities of government, or nonprofit educational research. 7265

any state agencies. An agreement between the authority and the 7808
department of administrative services or such using or 7809

the authority agree notwithstanding any other provision of law, 7825
including provision that rental payments in amounts at least 7826
sufficient to pay bond service charges payable during the current 7827
two-year lease term shall be an absolute and unconditional 7828
obligation of the department of administrative services, or the 7829
using or participating agency, independent of all other duties 7830
under the lease without setoff or deduction or any other similar 7831

lease at the end of each term for another term, not exceeding two 7833
years, provided that no renewal shall be effective until the 7834
effective date of an appropriation enacted by the general assembly 7835
from which the department of administrative services, or the using 7836
or participating agency, may lawfully pay rentals under such 7837
lease. For purposes of this section, the term "lease" may include, 7838

without limitation, any agreement between the department of 7839
administrative services, or the using or participating agency, and 7840
the authority with respect to any costs of capital facilities to 7841
be incurred prior to land acquisition. 7842

(B) If the director of administrative services or the 7843
director of a state agency using or participating in an office 7844
facility and related storage and parking facility certifies that 7845
space in such facility acquired, purchased, constructed, 7846
reconstructed, rehabilitated, remodeled, renovated, enlarged, 7847
improved, altered, operated, maintained, equipped, furnished, 7848
repaired, painted, decorated, or financed by the authority has 7849
become unnecessary for state use, the authority may lease any 7850
excess space in such facility and related storage and parking 7851
facility to any governmental entity. 7852

(C) If space in any office facility leased by the authority 7853
to the department of administrative services is not immediately 7854
necessary for state use, the department of administrative services 7855
may exercise its authority under division (A)~~(9)~~(5) of section 7856
123.01 of the Revised Code with respect to such space. 7857

(D) Capital facilities acquired, purchased, constructed, 7858
reconstructed, rehabilitated, remodeled, renovated, enlarged, 7859
improved, altered, operated, maintained, equipped, furnished, 7860

authority, other than any office facility and related storage and 7862
parking facility required to be leased pursuant to division (A) of 7863
this section, shall be leased to the department of administrative 7864
services, the state agency using the capital facilities, or the 7865
state agency participating in the capital facilities pursuant to 7866
section 152.33 of the Revised Code. The department of 7867
administrative services or the using or participating state agency 7868
may sublease such capital facilities to other state agencies or 7869
other governmental entities. Such parties, including other state 7870

agencies or state-supported or state-assisted institutions of 7871
higher education, may make other agreements for the use, 7872
construction, or operation of such capital facilities in any 7873
manner permitted by the lease or agreement with the authority and 7874
for the charging, collection, and deposit of such revenues and 7875
receipts of the using or participating state agency constituting 7876
available receipts, all upon such terms and conditions as the 7877
parties may agree upon and pursuant to this chapter 7878
notwithstanding other provisions of law affecting the leasing, 7879
acquisition, operation, or disposition of capital facilities by 7880
such parties. Any such lease between the authority and the 7881
department of administrative services or a using or participating 7882
state agency shall be for a period not to exceed the then current 7883
two-year period for which appropriations have been made by the 7884
general assembly to the department of administrative services or 7885
such using or participating state agency. The lease between the 7886
authority and the department of administrative services or the 7887
using or participating state agency may provide for renewal of the 7888
lease at the end of each term for another term, not exceeding two 7889
years, but no renewal shall be effective until the effective date 7890
of an appropriation enacted by the general assembly from which the 7891
department of administrative services or the using or 7892
participating state agency may lawfully pay rentals under such 7893
lease. Any such leases, subleases, or agreements may set forth the 7894
responsibilities of the authority, state agencies, 7895
state-supported, or state-assisted institutions of higher 7896
education, or other governmental entities as to the financing, 7897
assessment, planning, acquisition, purchase, construction, 7898
reconstruction, rehabilitation, remodeling, renovation, 7899
enlargement, improvement, alteration, subleasing, management, 7900
operation, maintenance, equipping, furnishing, repair, painting, 7901
decorating, and insuring of such capital facilities and other 7902
terms and conditions applicable thereto, and any other provisions 7903

mutually agreed upon for the purposes of this chapter. Promptly 7904
upon execution thereof, a signed or conformed copy of each such 7905
lease or sublease or agreement, and any supplement thereto, 7906
between the authority and a governmental entity shall be filed by 7907
the authority with the department of administrative services and 7908
the director of budget and management, and, promptly upon 7909
execution thereof, a signed or conformed copy of each such 7910
sublease or agreement between two governmental entities, not 7911
including the authority, shall be filed with the authority and the 7912
director of budget and management. For purposes of this section, 7913
the term "lease" may include, without limitation, any agreement 7914
between the department of administrative services or the state 7915
agency using or participating in such capital facilities and the 7916
authority with respect to any costs of capital facilities to be 7917
incurred prior to land acquisition. 7918

in installments or otherwise, or repayments to or on account of 7923
the authority and the obligations issued by the authority, shall 7924
not be deemed to constitute indebtedness, bonded or otherwise, or 7925
bonds, notes, or other evidence of indebtedness of such 7926
governmental entity for the purpose of Chapter 133. of the Revised 7927
Code or any other purpose; such leases and agreements requiring 7928

the use of space by such using or participating state agency or 7935

the department of administrative services, even if executed prior 7936
to land acquisition or completion of construction, improvements, 7937
or financing, shall be a lease for purposes of this chapter and 7938

special purpose district of or in the state or a political 8251
subdivision or that is authorized by state law, the award, and 8252
execution of the contract, shall be made within sixty days after 8253
the date on which the bids are opened. The failure to award and 8254
execute the contract within sixty days invalidates the entire bid 8255
proceedings and all bids submitted, unless the time for awarding 8256
and executing the contract is extended by mutual consent of the 8257
owner or its representatives and the bidder whose bid the owner 8258
accepts and with respect to whom the owner subsequently awards and 8259
executes a contract. The public owners referred to in this section 8260
shall include, in the plans and specifications for the project for 8261
which bids are solicited, the estimate of cost. The bid for which 8262
the award is to be made shall be opened at the time and place 8263
named in the advertisement for bids, unless extended by the owner 8264
or its representative or unless, within seventy-two hours prior to 8265

with no further advertising of bids required. The contractor, upon 8272
request, is entitled to a notice to proceed with the work by the 8273
owner or its representative upon execution of the contract. No 8274
contract to which this section applies shall be entered into if 8275

nor shall the entire cost of the construction, reconstruction, 8279
repair, painting, decorating, improvement, alteration, addition, 8280
or installation, including changes and estimates of expenses for 8281
architects or engineers, exceed in the aggregate the amount 8282
authorized by law. 8283

The unit or lump sum price stated in the contract shall be 8284
used in determining the amount to be paid and shall constitute 8285
full and final compensation for all the work. 8286

Partial payment to the contractor for work performed under 8287
the lump sum price shall be based on a schedule prepared by the 8288
contractor and approved by the architect or engineer who shall 8289
apportion the lump sum price to the major components entering into 8290
or forming a part of the work under the lump sum price. 8291

Partial payments to the contractor for labor performed under 8292
either a unit or lump sum price contract shall be made at the rate 8293
of ninety-two per cent of the estimates prepared by the contractor 8294
and approved by the architect or engineer. All labor performed 8295

contractor and approved by the architect or engineer. 8298

The amounts and time of payments of any public improvements 8299
contract made by the state or any county, township, municipal 8300
corporation, school district, or other political subdivision, or 8301
any public board, commission, authority, instrumentality, or 8302
special purpose district of or in the state or a political 8303
subdivision or that is authorized by state law, except as provided 8304
in section 5525.19 of the Revised Code, shall be governed by this 8305
section and sections 153.13 and 153.14 of the Revised Code. If the 8306
time for awarding the contract is extended by mutual consent, or 8307
if the owner or its representative fails to issue a timely notice 8308

to proceed as required by this section, the owner or its 8309
representative shall issue a change order authorizing delay costs 8310
to the contractor, which does not invalidate the contract. The 8311
amount of such a change order to the owner shall be determined in 8312
accordance with the provisions of the contract for change orders 8313
or force accounts or, if no such provision is set forth in the 8314
contract, the cost to the owner shall be the contractor's actual 8315
costs including wages, labor costs other than wages, wage taxes, 8316
materials, equipment costs and rentals, insurance, and 8317
subcontracts attributable to the delay, plus a reasonable sum for 8318
overhead. In the event of a dispute between the owner and the 8319
contractor concerning such change order, procedures shall be 8320
commenced under the applicable terms of the contract, or, if the 8321
contract contains no provision for resolving the dispute, it shall 8322
be resolved pursuant to the procedures for arbitration in Chapter 8323
2711. of the Revised Code, except as provided in division (B) of 8324
this section. Nothing in this division shall be construed as a 8325
limitation upon the authority of the director of transportation 8326
granted in Chapter 5525. of the Revised Code. 8327

(B) If a dispute arises between the state and a contractor 8328
concerning the terms of a public improvement contract let by the 8329
state or concerning a breach of the contract, and after 8330
administrative remedies provided for in such contract and any 8331
alternative dispute resolution procedures provided in accordance 8332
with guidelines established by the executive director of 8333
~~administrative services~~ the Ohio facilities construction 8334
commission are exhausted, the contractor may bring an action to 8335
the court of claims in accordance with Chapter 2743. of the 8336
Revised Code. The state or the contractor may request the chief 8337

Upon completion of a project referred to in section 153.13 of the 8350
Revised Code or any divisible part thereof, the maintenance and 8351
repair of such project or divisible part shall be assumed by the 8352
owner referred to in section 153.01 or 153.12 of the Revised Code. 8353

In addition to all other payments on account of work 8354
performed, there shall be allowed by the owner referred to in 8355
section 153.01 or 153.12 of the Revised Code and paid to the 8356
contractor a sum at the rate of ninety-two per cent of the invoice 8357

material delivered on the site of the work, or a railroad station, 8359
siding, or other point in the vicinity of the work, or other 8360
approved storage site, provided such materials have been inspected 8361
and found to meet the specifications. The balance of such invoiced 8362
value shall be paid when such material is incorporated into and 8363
becomes a part of such building, construction, addition, 8364
improvement, alteration, or installation. When an estimate is 8365
allowed on account of material delivered on the site of the work 8366
or in the vicinity thereof or under the possession and control of 8367
the contractor but not yet incorporated therein, such material 8368
shall become the property of the owner under the contract, but if 8369
such material is stolen, destroyed, or damaged by casualty before 8370
being used, the contractor shall be required to replace it at ~~his~~ 8371

When the rate of work and amounts involved are so large that 8373
it is considered advisable by the owner or contractor, estimates 8374
and payments shall be made twice each month. 8375

Payment on approved estimates filed with the owner or its 8376
representative shall be made within thirty days. Upon the failure 8377
of the owner or its representative to make such payments within 8378
thirty days, or upon an unauthorized withholding of retainage, 8379
there shall be allowed to the contractor, in addition to any other 8380
remedies allowed by law, interest on such moneys not paid within 8381
thirty days. Interest on the unauthorized withholding of retainage 8382
shall be in addition to any interest earned in the escrow account 8383
set forth in section 153.13 of the Revised Code. The rate of such 8384
interest shall be the average of the prime rate established at the 8385
commercial banks in the city of over one hundred thousand 8386
population that is nearest the construction project. Nothing in 8387
this section shall be construed as a limitation upon the authority 8388

contractor shall be deemed to have exhausted all administrative 8404
remedies for purposes of division (B) of section 153.12 of the 8405
Revised Code. 8406

Sec. 153.17. (A) When in the opinion of the owner referred to 8407
in section 153.01 of the Revised Code, the work under any contract 8408
made under any law of the state is neglected by the contractor or 8409

or intended in the contract, such owner may make requisition upon 8411
the contractor for such additional specific force or materials to 8412
be brought into the work under such contract or to remove improper 8413

its faithful fulfillment requires. 8415

contractor without competitive bidding or controlling board 8430
approval. Upon execution of a takeover contract, the owner shall 8431
notify the director of budget and management. 8432

occurred, any moneys that the owner receives from the surety as a 8434

original fund from which the capital appropriation for the project 8436
was made. The executive director, without controlling board 8437
approval, may authorize specified additional uses for the moneys 8438

prequalified bidders are available. The public authority shall 8460
verify that each prospective bidder meets the prequalification 8461
criteria and may eliminate any bidder it determines is not 8462
qualified. 8463

(C) Once the prospective bidders are prequalified and found 8464
acceptable by the public authority, the construction manager at 8465

risk or design-build firm shall solicit proposals from each of 8466
those bidders. The solicitation and selection of a subcontractor 8467

cancellation or debt suspension product, shall be considered a 12259
part of the retail installment contract and shall remain a part of 12260
that contract upon the assignment, sale, or transfer of that 12261

shall be disclosed in writing to the buyer. The extension of 12265
credit, terms of the credit, or the terms of the related motor 12266

Sec. 1321.37. (A) Application for an original or renewal 12271

by an original license fee of five hundred dollars, and except 12286

that an application for an original or renewal license, for a 12287
nonprofit corporation that is incorporated under Chapter 1702. of 12288
the Revised Code, shall be accompanied by an original or renewal 12289
license fee, for each business location, that is one-half of the 12290
fee otherwise required. All fees paid to the superintendent 12291
pursuant to this division shall be deposited into the state 12292
treasury to the credit of the consumer finance fund. 12293

(B) Upon the filing of an application for an original license 12294

on a schedule determined by the superintendent by rule adopted 12296
pursuant to section 1321.43 of the Revised Code, and the payment 12297
of fees in accordance with division (A) of this section, the 12298
superintendent shall investigate the facts concerning the 12299
applicant and the requirements provided by this division. The 12300
superintendent shall request the superintendent of the bureau of 12301
criminal identification and investigation, or a vendor approved by 12302
the bureau, to conduct a criminal records check based on the 12303
applicant's fingerprints in accordance with ~~division (A)(12)~~ of 12304
section 109.572 of the Revised Code. Notwithstanding division (K) 12305
of section 121.08 of the Revised Code, the superintendent of 12306
financial institutions shall request that criminal record 12307
information from the federal bureau of investigation be obtained 12308
as part of the criminal records check. The superintendent of 12309
financial institutions shall conduct a civil records check. The 12310
superintendent shall approve an application and issue an original 12311
or renewal license to the applicant if the superintendent finds 12312
all of the following: 12313

(1) The financial responsibility, experience, reputation, and 12314
general fitness of the applicant are such as to warrant the belief 12315
that the business of making loans will be operated lawfully, 12316
honestly, and fairly under sections 1321.35 to 1321.48 of the 12317
Revised Code and within the purposes of those sections; that the 12318

applicant has fully complied with those sections and any rule or 12319
order adopted or issued pursuant to section 1321.43 of the Revised 12320
Code; and that the applicant is qualified to engage in the 12321
business of making loans under sections 1321.35 to 1321.48 of the 12322
Revised Code. 12323

(2) The applicant is financially sound and has a net worth of 12324
not less than one hundred thousand dollars, or in the case of a 12325
nonprofit corporation that is incorporated under Chapter 1702. of 12326
the Revised Code, a net worth of not less than fifty thousand 12327
dollars. The applicant's net worth shall be computed according to 12328
generally accepted accounting principles. 12329

(3) The applicant has never had revoked a license to make 12330
loans under sections 1321.35 to 1321.48 of the Revised Code, under 12331
former sections 1315.35 to 1315.44 of the Revised Code, or to do 12332
business under sections 1315.21 to 1315.30 of the Revised Code. 12333

(4) Neither the applicant nor any senior officer, or partner 12334
of the applicant, has pleaded guilty to or been convicted of any 12335
criminal offense involving theft, receiving stolen property, 12336
embezzlement, forgery, fraud, passing bad checks, money 12337
laundering, or drug trafficking, or any criminal offense involving 12338
money or securities or any violation of an existing or former law 12339
of this state, any other state, or the United States that 12340
substantially is equivalent to a criminal offense described in 12341
that division. However, if the applicant or any of those other 12342
persons has pleaded guilty to or been convicted of any such 12343
offense other than theft, the superintendent shall not consider 12344
the offense if the applicant has proven to the superintendent, by 12345
a preponderance of the evidence, that the applicant's or other 12346
person's activities and employment record since the conviction 12347
show that the applicant or other person is honest, truthful, and 12348
of good reputation, and there is no basis in fact for believing 12349
that the applicant or other person will commit such an offense 12350

again. 12351

(5) Neither the applicant nor any senior officer, or partner 12352
of the applicant, has been subject to any adverse judgment for 12353
conversion, embezzlement, misappropriation of funds, fraud, 12354
misfeasance or malfeasance, or breach of fiduciary duty, or if the 12355
applicant or any of those other persons has been subject to such a 12356
judgment, the applicant has proven to the superintendent, by a 12357
preponderance of the evidence, that the applicant's or other 12358
person's activities and employment record since the judgment show 12359
that the applicant or other person is honest, truthful, and of 12360
good reputation, and there is no basis in fact for believing that 12361
the applicant or other person will be subject to such a judgment 12362
again. 12363

(C) If the superintendent finds that the applicant does not 12364
meet the requirements of division (B) of this section, or the 12365
superintendent finds that the applicant knowingly or repeatedly 12366
contracts with or employs persons to directly engage in lending 12367
activities who have been convicted of a felony crime listed in 12368
division (B)(5) of this section, the superintendent shall issue an 12369
order denying the application for an original or renewal license 12370
and giving the applicant an opportunity for a hearing on the 12371
denial in accordance with Chapter 119. of the Revised Code. The 12372
superintendent shall notify the applicant of the denial, the 12373
grounds for the denial, and the applicant's opportunity for a 12374
hearing. If the application is denied, the superintendent shall 12375
return the annual license fee but shall retain the investigation 12376
fee. 12377

(D) No person licensed under sections 1321.35 to 1321.48 of 12378
the Revised Code shall conduct business in this state unless the 12379
licensee has obtained and maintains in effect at all times a 12380
corporate surety bond issued by a bonding company or insurance 12381
company authorized to do business in this state. The bond shall be 12382

in favor of the superintendent and in the penal sum of at least 12383
one hundred thousand dollars, or in the case of a nonprofit 12384
corporation that is incorporated under Chapter 1702. of the 12385
Revised Code, in the amount of fifty thousand dollars. The term of 12386
the bond shall coincide with the term of the license. The licensee 12387
shall file a copy of the bond with the superintendent. The bond 12388
shall be for the exclusive benefit of any borrower injured by a 12389
violation by a licensee or any employee of a licensee, of any 12390
provision of sections 1321.35 to 1321.48 of the Revised Code. 12391

Sec. 1321.53. (A)(1) An application for a certificate of 12392
registration under sections 1321.51 to 1321.60 of the Revised Code 12393
shall contain an undertaking by the applicant to abide by those 12394
sections. The application shall be in writing, under oath, and in 12395
the form prescribed by the division of financial institutions, and 12396
shall contain any information that the division may require. 12397
Applicants that are foreign corporations shall obtain and maintain 12398
a license pursuant to Chapter 1703. of the Revised Code before a 12399
certificate is issued or renewed. 12400

(2) Upon the filing of the application and the payment by the 12401
applicant of a nonrefundable two_hundred_dollar investigation fee, 12402
a nonrefundable three_hundred_dollar annual registration fee, and 12403
any additional fee required by the nationwide mortgage licensing 12404
system and registry, the division shall investigate the relevant 12405
facts. If the application involves investigation outside this 12406
state, the applicant may be required by the division to advance 12407
sufficient funds to pay any of the actual expenses of such 12408
investigation, when it appears that these expenses will exceed two 12409
hundred dollars. An itemized statement of any of these expenses 12410
which the applicant is required to pay shall be furnished to the 12411
applicant by the division. No certificate shall be issued unless 12412
all the required fees have been submitted to the division. 12413

(3) All applicants making loans secured by an interest in real estate shall designate an employee or owner of the applicant as the applicant's primary point of contact. While acting as the primary point of contact, the employee or owner shall not be employed by any other registrant or mortgage broker.

(4) The investigation undertaken upon application shall include both a civil and criminal records check of the applicant including any individual whose identity is required to be disclosed in the application. Where the applicant is a business entity the superintendent shall have the authority to require a civil and criminal background check of those persons that in the determination of the superintendent have the authority to direct and control the operations of the applicant.

(5)(a) Notwithstanding division (K) of section 121.08 of the Revised Code, the superintendent of financial institutions shall obtain a criminal history records check and, as part of that records check, request that criminal record information from the federal bureau of investigation be obtained. To fulfill this requirement, the superintendent shall do either of the following:

(i) Request the superintendent of the bureau of criminal identification and investigation, or a vendor approved by the bureau, to conduct a criminal records check based on the applicant's fingerprints or, if the fingerprints are unreadable, based on the applicant's social security number, in accordance with ~~division (A)(12)~~ of section 109.572 of the Revised Code;

(ii) Authorize the nationwide mortgage licensing system and registry to request a criminal history background check as set forth in division (C) of section 1321.531 of the Revised Code.

(b) Any fee required under division (C)(3) of section 109.572 of the Revised Code or by the nationwide mortgage licensing system and registry shall be paid by the applicant.

(6) If an application for a certificate of registration does not contain all of the information required under division (A) of this section, and if such information is not submitted to the division or to the nationwide mortgage licensing system and registry within ninety days after the superintendent or the nationwide mortgage licensing system and registry requests the information in writing, including by electronic transmission or facsimile, the superintendent may consider the application withdrawn.

(7) If the division finds that the financial responsibility, experience, character, and general fitness of the applicant command the confidence of the public and warrant the belief that the business will be operated honestly and fairly in compliance with the purposes of sections 1321.51 to 1321.60 of the Revised Code and the rules adopted thereunder, and that the applicant has the requisite bond or applicable net worth and assets required by division (B) of this section, the division shall thereupon issue a certificate of registration to the applicant. The superintendent shall not use a credit score as the sole basis for a registration denial.

(a)(i) Certificates of registration issued on or after July 1, 2010, shall annually expire on the thirty-first day of December, unless renewed by the filing of a renewal application and payment of a three_hundred_dollar nonrefundable annual registration fee, any assessment as determined by the superintendent pursuant to division (A)(7)(a)(ii) of this section, and any additional fee required by the nationwide mortgage licensing system and registry, on or before the last day of December of each year. No other fee or assessment shall be required of a registrant by the state or any political subdivision of this state.

(ii) If the renewal fees billed by the superintendent

pursuant to division (A)(7)(a)(i) of this section are less than 12477
the estimated expenditures of the consumer finance section of the 12478
division of financial institutions, as determined by the 12479
superintendent, for the following fiscal year, the superintendent 12480
may assess each registrant at a rate sufficient to equal in the 12481
aggregate the difference between the renewal fees billed and the 12482
estimated expenditures. Each registrant shall pay the assessed 12483
amount to the superintendent prior to the last day of June. In no 12484
case shall the assessment exceed ten cents per each one hundred 12485
dollars of interest (excluding charge-off recoveries), points, 12486
loan origination charges, and credit line charges collected by 12487
that registrant during the previous calendar year. If such an 12488
assessment is imposed, it shall not be less than two hundred fifty 12489
dollars per registrant and shall not exceed thirty thousand 12490
dollars less the total renewal fees paid pursuant to division 12491
(A)(7)(a)(i) of this section by each registrant. 12492

(b) Registrants shall timely file renewal applications on 12493
forms prescribed by the division and provide any further 12494
information that the division may require. If a renewal 12495
application does not contain all of the information required under 12496
this section, and if that information is not submitted to the 12497
division or to the nationwide mortgage licensing system and 12498
registry within ninety days after the superintendent or the 12499
nationwide mortgage licensing system and registry requests the 12500
information in writing, including by electronic transmission or 12501
facsimile, the superintendent may consider the application 12502
withdrawn. 12503

(c) Renewal shall not be granted if the applicant's 12504
certificate of registration is subject to an order of suspension, 12505
revocation, or an unpaid and past due fine imposed by the 12506
superintendent. 12507

(d) If the division finds the applicant does not meet the 12508

conditions set forth in this section, it shall issue a notice of 12509
intent to deny the application, and forthwith notify the applicant 12510
of the denial, the grounds for the denial, and the applicant's 12511
reasonable opportunity to be heard on the action in accordance 12512
with Chapter 119. of the Revised Code. 12513

(8) If there is a change of five per cent or more in the 12514
ownership of a registrant, the division may make any investigation 12515
necessary to determine whether any fact or condition exists that, 12516
if it had existed at the time of the original application for a 12517
certificate of registration, the fact or condition would have 12518
warranted the division to deny the application under division 12519
(A)(7) of this section. If such a fact or condition is found, the 12520
division may, in accordance with Chapter 119. of the Revised Code, 12521
revoke the registrant's certificate. 12522

(B) Each registrant that engages in lending under sections 12523
1321.51 to 1321.60 of the Revised Code shall, if not otherwise 12524
required to be bonded pursuant to section 1321.533 of the Revised 12525
Code, maintain both of the following: 12526

(1) A net worth of at least fifty thousand dollars; 12527

(2) For each certificate of registration, assets of at least 12528
fifty thousand dollars either in use or readily available for use 12529
in the conduct of the business. 12530

(C) Not more than one place of business shall be maintained 12531
under the same certificate, but the division may issue additional 12532
certificates to the same registrant upon compliance with sections 12533
1321.51 to 1321.60 of the Revised Code, governing the issuance of 12534
a single certificate. No change in the place of business of a 12535
registrant to a location outside the original municipal 12536
corporation shall be permitted under the same certificate without 12537
the approval of a new application, the payment of the registration 12538
fee and, if required by the superintendent, the payment of an 12539

investigation fee of two hundred dollars. When a registrant wishes 12540
to change its place of business within the same municipal 12541
corporation, it shall give written notice of the change in advance 12542
to the division, which shall provide a certificate for the new 12543
address without cost. If a registrant changes its name, prior to 12544
making loans under the new name it shall give written notice of 12545
the change to the division, which shall provide a certificate in 12546
the new name without cost. Sections 1321.51 to 1321.60 of the 12547
Revised Code do not limit the loans of any registrant to residents 12548
of the community in which the registrant's place of business is 12549
situated. Each certificate shall be kept conspicuously posted in 12550
the place of business of the registrant and is not transferable or 12551
assignable. 12552

(D) Sections 1321.51 to 1321.60 of the Revised Code do not 12553
apply to any of the following: 12554

any political subdivision, regardless of whether the project will 13311
benefit public or private littoral property. 13312

sections 1506.38 to 1506.46 of the Revised Code shall be 13363
constructed subject to sections 153.01 to 153.20 of the Revised 13364
Code, except that the ~~state architect and engineer~~ Ohio facilities
construction commission is not required to prepare the plans and 13365
specifications for those projects. 13366
13367

Sec. 1509.071. (A) When the chief of the division of oil and 13368
gas resources management finds that an owner has failed to comply 13369
with a final nonappealable order issued or compliance agreement 13370
entered into under section 1509.04, the restoration requirements 13371
of section 1509.072, plugging requirements of section 1509.12, or 13372
permit provisions of section 1509.13 of the Revised Code, or rules 13373
and orders relating thereto, the chief shall make a finding of 13374
that fact and declare any surety bond filed to ensure compliance 13375
with those sections and rules forfeited in the amount set by rule 13376
of the chief. The chief thereupon shall certify the total 13377
forfeiture to the attorney general, who shall proceed to collect 13378
the amount of the forfeiture. In addition, the chief may require 13379
an owner, operator, producer, or other person who forfeited a 13380
surety bond to post a new surety bond in the amount of fifteen 13381
thousand dollars for a single well, thirty thousand dollars for 13382
two wells, or fifty thousand dollars for three or more wells. 13383

In lieu of total forfeiture, the surety or owner, at the 13384
surety's or owner's option, may cause the well to be properly 13385
plugged and abandoned and the area properly restored or pay to the 13386
treasurer of state the cost of plugging and abandonment. 13387

(B) All moneys collected because of forfeitures of bonds as 13388
provided in this section shall be deposited in the state treasury 13389
to the credit of the oil and gas well fund created in section 13390
1509.02 of the Revised Code. 13391

The chief annually shall spend not less than fourteen per 13392
cent of the revenue credited to the fund during the previous 13393
fiscal year for the following purposes: 13394

(1) In accordance with division (D) of this section, to plug 13395
idle and orphaned wells or to restore the land surface properly as 13396
required in section 1509.072 of the Revised Code; 13397

(2) In accordance with division (E) of this section, to 13398

correct conditions that the chief reasonably has determined are 13399
causing imminent health or safety risks at an idle and orphaned 13400
well or a well for which the owner cannot be contacted in order to 13401
initiate a corrective action within a reasonable period of time as 13402
determined by the chief. 13403

Expenditures from the fund shall be made only for lawful 13404
purposes. In addition, expenditures from the fund shall not be 13405
made to purchase real property or to remove a dwelling in order to 13406
access a well. 13407

(C)(1) Upon determining that the owner of a well has failed 13408
to properly plug and abandon it or to properly restore the land 13409
surface at the well site in compliance with the applicable 13410
requirements of this chapter and applicable rules adopted and 13411
orders issued under it or that a well is an abandoned well for 13412
which no funds are available to plug the well in accordance with 13413
this chapter, the chief shall do all of the following: 13414

(a) Determine from the records in the office of the county 13415
recorder of the county in which the well is located the identity 13416
of the owner of the land on which the well is located, the 13417
identity of the owner of the oil or gas lease under which the well 13418
was drilled or the identity of each person owning an interest in 13419
the lease, and the identities of the persons having legal title 13420
to, or a lien upon, any of the equipment appurtenant to the well; 13421

(b) Mail notice to the owner of the land on which the well is 13422
located informing the landowner that the well is to be plugged. If 13423
the owner of the oil or gas lease under which the well was drilled 13424
is different from the owner of the well or if any persons other 13425
than the owner of the well own interests in the lease, the chief 13426
also shall mail notice that the well is to be plugged to the owner 13427
of the lease or to each person owning an interest in the lease, as 13428
appropriate. 13429

(c) Mail notice to each person having legal title to, or a lien upon, any equipment appurtenant to the well, informing the person that the well is to be plugged and offering the person the opportunity to plug the well and restore the land surface at the well site at the person's own expense in order to avoid forfeiture of the equipment to this state.

(2) If none of the persons described in division (C)(1)(c) of this section plugs the well within sixty days after the mailing of the notice required by that division, all equipment appurtenant to the well is hereby declared to be forfeited to this state without compensation and without the necessity for any action by the state for use to defray the cost of plugging and abandoning the well and restoring the land surface at the well site.

(D) Expenditures from the fund for the purpose of division (B)(1) of this section shall be made in accordance with either of the following:

(1) The expenditures may be made pursuant to contracts entered into by the chief with persons who agree to furnish all of the materials, equipment, work, and labor as specified and provided in such a contract for activities associated with the restoration or plugging of a well as determined by the chief. The activities may include excavation to uncover a well, geophysical methods to locate a buried well when clear evidence of leakage from the well exists, cleanout of wellbores to remove material from a failed plugging of a well, plugging operations, installation of vault and vent systems, including associated engineering certifications and permits, restoration of property, and repair of damage to property that is caused by such activities. Expenditures shall not be used for salaries, maintenance, equipment, or other administrative purposes, except for costs directly attributed to the plugging of an idle and orphaned well. Agents or employees of persons contracting with the

chief for a restoration or plugging project may enter upon any 13462
land, public or private, on which the well is located for the 13463
purpose of performing the work. Prior to such entry, the chief 13464
shall give to the following persons written notice of the 13465
existence of a contract for a project to restore or plug a well, 13466
the names of the persons with whom the contract is made, and the 13467
date that the project will commence: the owner of the well, the 13468
owner of the land upon which the well is located, the owner or 13469
agents of adjoining land, and, if the well is located in the same 13470
township as or in a township adjacent to the excavations and 13471
workings of a mine and the owner or lessee of that mine has 13472
provided written notice identifying those townships to the chief 13473
at any time during the immediately preceding three years, the 13474
owner or lessee of the mine. 13475

(2)(a) The owner of the land on which a well is located who 13476
has received notice under division (C)(1)(b) of this section may 13477
plug the well and be reimbursed by the division of oil and gas 13478
resources management for the reasonable cost of plugging the well. 13479
In order to plug the well, the landowner shall submit an 13480
application to the chief on a form prescribed by the chief and 13481
approved by the technical advisory council on oil and gas created 13482
in section 1509.38 of the Revised Code. The application, at a 13483
minimum, shall require the landowner to provide the same 13484
information as is required to be included in the application for a 13485
permit to plug and abandon under section 1509.13 of the Revised 13486
Code. The application shall be accompanied by a copy of a proposed 13487
contract to plug the well prepared by a contractor regularly 13488
engaged in the business of plugging oil and gas wells. The 13489
proposed contract shall require the contractor to furnish all of 13490
the materials, equipment, work, and labor necessary to plug the 13491
well properly and shall specify the price for doing the work, 13492
including a credit for the equipment appurtenant to the well that 13493
was forfeited to the state through the operation of division 13494

(C)(2) of this section. Expenditures under division (D)(2)(a) of 13495
this section shall be consistent with the expenditures for 13496
activities described in division (D)(1) of this section. The 13497
application also shall be accompanied by the permit fee required 13498
by section 1509.13 of the Revised Code unless the chief, in the 13499
chief's discretion, waives payment of the permit fee. The 13500
application constitutes an application for a permit to plug and 13501
abandon the well for the purposes of section 1509.13 of the 13502
Revised Code. 13503

(b) Within thirty days after receiving an application and 13504
accompanying proposed contract under division (D)(2)(a) of this 13505
section, the chief shall determine whether the plugging would 13506
comply with the applicable requirements of this chapter and 13507
applicable rules adopted and orders issued under it and whether 13508
the cost of the plugging under the proposed contract is 13509
reasonable. If the chief determines that the proposed plugging 13510
would comply with those requirements and that the proposed cost of 13511
the plugging is reasonable, the chief shall notify the landowner 13512
of that determination and issue to the landowner a permit to plug 13513
and abandon the well under section 1509.13 of the Revised Code. 13514
Upon approval of the application and proposed contract, the chief 13515
shall transfer ownership of the equipment appurtenant to the well 13516
to the landowner. The chief may disapprove an application 13517
submitted under division (D)(2)(a) of this section if the chief 13518
determines that the proposed plugging would not comply with the 13519
applicable requirements of this chapter and applicable rules 13520
adopted and orders issued under it, that the cost of the plugging 13521
under the proposed contract is unreasonable, or that the proposed 13522
contract is not a bona fide, arm's length contract. 13523

(c) After receiving the chief's notice of the approval of the 13524
application and permit to plug and abandon a well under division 13525
(D)(2)(b) of this section, the landowner shall enter into the 13526

proposed contract to plug the well. 13527

(d) Upon determining that the plugging has been completed in 13528
compliance with the applicable requirements of this chapter and 13529
applicable rules adopted and orders issued under it, the chief 13530
shall reimburse the landowner for the cost of the plugging as set 13531
forth in the proposed contract approved by the chief. The 13532
reimbursement shall be paid from the oil and gas well fund. If the 13533
chief determines that the plugging was not completed in accordance 13534
with the applicable requirements, the chief shall not reimburse 13535
the landowner for the cost of the plugging, and the landowner or 13536
the contractor, as applicable, promptly shall transfer back to 13537
this state title to and possession of the equipment appurtenant to 13538
the well that previously was transferred to the landowner under 13539
division (D)(2)(b) of this section. If any such equipment was 13540
removed from the well during the plugging and sold, the landowner 13541
shall pay to the chief the proceeds from the sale of the 13542
equipment, and the chief promptly shall pay the moneys so received 13543
to the treasurer of state for deposit into the oil and gas well 13544
fund. 13545

The chief may establish an annual limit on the number of 13546
wells that may be plugged under division (D)(2) of this section or 13547
an annual limit on the expenditures to be made under that 13548
division. 13549

As used in division (D)(2) of this section, "plug" and 13550
"plugging" include the plugging of the well and the restoration of 13551
the land surface disturbed by the plugging. 13552

(E) Expenditures from the oil and gas well fund for the 13553
purpose of division (B)(2) of this section may be made pursuant to 13554
contracts entered into by the chief with persons who agree to 13555
furnish all of the materials, equipment, work, and labor as 13556
specified and provided in such a contract. The competitive bidding 13557
requirements of Chapter 153. of the Revised Code do not apply if 13558

the chief reasonably determines that an emergency situation exists 13559
requiring immediate action for the correction of the applicable 13560
health or safety risk ~~requires immediate action~~. A contract or 13561
purchase of materials for purposes of addressing the emergency 13562
situation is not subject to division (B) of section 127.16 of the 13563
Revised Code. The chief, designated representatives of the chief, 13564
and agents or employees of persons contracting with the chief 13565
under this division may enter upon any land, public or private, 13566
for the purpose of performing the work. 13567

(F) Contracts entered into by the chief under this section 13568
are not subject to ~~either~~ any of the following: 13569

(1) Chapter 4115. of the Revised Code; 13570

(2) Section 153.54 of the Revised Code, except that the 13571
contractor shall obtain and provide to the chief as a bid guaranty 13572
a surety bond or letter of credit in an amount equal to ten per 13573
cent of the amount of the contract; 13574

(3) Section 4733.17 of the Revised Code. 13575

(G) The owner of land on which a well is located who has 13576
received notice under division (C)(1)(b) of this section, in lieu 13577
of plugging the well in accordance with division (D)(2) of this 13578
section, may cause ownership of the well to be transferred to an 13579
owner who is lawfully doing business in this state and who has met 13580
the financial responsibility requirements established under 13581
section 1509.07 of the Revised Code, subject to the approval of 13582
the chief. The transfer of ownership also shall be subject to the 13583
landowner's filing the appropriate forms required under section 13584
1509.31 of the Revised Code and providing to the chief sufficient 13585
information to demonstrate the landowner's or owner's right to 13586
produce a formation or formations. That information may include a 13587
deed, a lease, or other documentation of ownership or property 13588
rights. 13589

The chief shall approve or disapprove the transfer of ownership of the well. If the chief approves the transfer, the owner is responsible for operating the well in accordance with this chapter and rules adopted under it, including, without limitation, all of the following:

(1) Filing an application with the chief under section 1509.06 of the Revised Code if the owner intends to drill deeper or produce a formation that is not listed in the records of the division for that well;

(2) Taking title to and possession of the equipment appurtenant to the well that has been identified by the chief as having been abandoned by the former owner;

(3) Complying with all applicable requirements that are necessary to drill deeper, plug the well, or plug back the well.

(H) The chief shall issue an order that requires the owner of a well to pay the actual documented costs of a corrective action that is described in division (B)(2) of this section concerning the well. The chief shall transmit the money so recovered to the treasurer of state who shall deposit the money in the state treasury to the credit of the oil and gas well fund.

(I) The chief may engage in cooperative projects under this section with any agency of this state, another state, or the United States; any other governmental agencies; or any state university or college as defined in section 3345.27 of the Revised Code. A contract entered into for purposes of a cooperative project is not subject to division (B) of section 127.16 of the Revised Code.

Sec. 1509.36. Any person adversely affected by an order by the chief of the division of oil and gas resources management may appeal to the oil and gas commission for an order vacating or

modifying the order. 13620

The person so appealing to the commission shall be known as 13621
appellant and the chief shall be known as appellee. Appellant and 13622
appellee shall be deemed to be parties to the appeal. 13623

The appeal shall be in writing and shall set forth the order 13624
complained of and the grounds upon which the appeal is based. The 13625
appeal shall be filed with the commission within thirty days after 13626
the date upon which the appellant received notice by certified 13627
mail and, for all other persons adversely affected by the order, 13628
within thirty days after the date of the order complained of. 13629
Notice of the filing of the appeal shall be filed with the chief 13630
within three days after the appeal is filed with the commission. 13631

Upon the filing of the appeal the commission promptly shall 13632
fix the time and place at which the hearing on the appeal will be 13633
held, and shall give the appellant and the chief at least ten 13634
days' written notice thereof by mail. The commission may postpone 13635
or continue any hearing upon its own motion or upon application of 13636
the appellant or of the chief. 13637

The filing of an appeal provided for in this section does not 13638
automatically suspend or stay execution of the order appealed 13639
from, but upon application by the appellant the commission may 13640
suspend or stay the execution pending determination of the appeal 13641
upon such terms as the commission considers proper. 13642

Either party to the appeal or any interested person who, 13643
pursuant to commission rules has been granted permission to 13644
appear, may submit such evidence as the commission considers 13645
admissible. 13646

For the purpose of conducting a hearing on an appeal, the 13647
commission may require the attendance of witnesses and the 13648
production of books, records, and papers, and it may, and at the 13649
request of any party it shall, issue subpoenas for witnesses or 13650

subpoenas duces tecum to compel the production of any books, 13651
records, or papers, directed to the sheriffs of the counties where 13652
the witnesses are found. The subpoenas shall be served and 13653
returned in the same manner as subpoenas in criminal cases are 13654
served and returned. The fees of sheriffs shall be the same as 13655
those allowed by the court of common pleas in criminal cases. 13656
Witnesses shall be paid the fees and mileage provided for under 13657
section 119.094 of the Revised Code. Such fees and mileage 13658
expenses incurred at the request of appellant shall be paid in 13659
advance by the appellant, and the remainder of those expenses 13660
shall be paid out of funds appropriated for the expenses of the 13661
division of oil and gas resources management. 13662

In case of disobedience or neglect of any subpoena served on 13663
any person, or the refusal of any witness to testify to any matter 13664
regarding which the witness may be lawfully interrogated, the 13665
court of common pleas of the county in which the disobedience, 13666
neglect, or refusal occurs, or any judge thereof, on application 13667
of the commission or any member thereof, shall compel obedience by 13668
attachment proceedings for contempt as in the case of disobedience 13669
of the requirements of a subpoena issued from that court or a 13670
refusal to testify therein. Witnesses at such hearings shall 13671
testify under oath, and any member of the commission may 13672
administer oaths or affirmations to persons who so testify. 13673

At the request of any party to the appeal, a ~~stenographic~~ 13674
record of the testimony and other evidence submitted shall be 13675
taken by an official court ~~shorthand~~ reporter at the expense of 13676
the party making the request ~~therefor~~ for the record. The record 13677
shall include all of the testimony and other evidence and the 13678
rulings on the admissibility thereof presented at the hearing. The 13679
commission shall pass upon the admissibility of evidence, but any 13680
party may at the time object to the admission of any evidence and 13681
except to the rulings of the commission thereon, and if the 13682

commission refuses to admit evidence the party offering same may 13683
make a proffer thereof, and such proffer shall be made a part of 13684
the record of the hearing. 13685

If upon completion of the hearing the commission finds that 13686
the order appealed from was lawful and reasonable, it shall make a 13687
written order affirming the order appealed from; if the commission 13688
finds that the order was unreasonable or unlawful, it shall make a 13689
written order vacating the order appealed from and making the 13690
order that it finds the chief should have made. Every order made 13691
by the commission shall contain a written finding by the 13692
commission of the facts upon which the order is based. 13693

Notice of the making of the order shall be given forthwith to 13694
each party to the appeal by mailing a certified copy thereof to 13695
each such party by certified mail. 13696

The order of the commission is final unless vacated by the 13697
court of common pleas of Franklin county in an appeal as provided 13698
for in section 1509.37 of the Revised Code. Sections 1509.01 to 13699
1509.37 of the Revised Code, providing for appeals relating to 13700
orders by the chief or by the commission, or relating to rules 13701
adopted by the chief, do not constitute the exclusive procedure 13702
that any person who believes the person's rights to be unlawfully 13703
affected by those sections or any official action taken thereunder 13704
must pursue in order to protect and preserve those rights, nor do 13705
those sections constitute a procedure that that person must pursue 13706
before that person may lawfully appeal to the courts to protect 13707
and preserve those rights. 13708

Sec. 1533.081. (A) As used in this section: 13709

(1) "Energy" has the same meaning as in section 1551.01 of 13710
the Revised Code. 13711

(2) "Energy facility" means a facility at which energy is 13712

produced. 13713

(B) A person operating an energy facility whose operation may 13714
result in the incidental taking of a wild animal shall obtain a 13715
permit to do so from the chief of the division of wildlife under 13716
this section. The chief shall adopt rules under section 1531.10 of 13717
the Revised Code that are necessary to administer this section. 13718

Sec. 1533.10. Except as provided in this section or division 13719
(A)(2) of section 1533.12 of the Revised Code, no person shall 13720
hunt any wild bird or wild quadruped without a hunting license. 13721
Each day that any person hunts within the state without procuring 13722
such a license constitutes a separate offense. Except as otherwise 13723
provided in this section, every applicant for a hunting license 13724
who is a resident of the state and eighteen years of age or more 13725
shall procure a resident hunting license or an apprentice resident 13726
hunting license, the fee for which shall be eighteen dollars 13727
unless the rules adopted under division (B) of section 1533.12 of 13728
the Revised Code provide for issuance of a resident hunting 13729
license to the applicant free of charge. Except as provided in 13730
rules adopted under division (B)(2) of that section, each 13731
applicant who is a resident of this state and who at the time of 13732
application is sixty-six years of age or older shall procure a 13733
special senior hunting license, the fee for which shall be 13734
one-half of the regular hunting license fee. Every applicant who 13735
is under the age of eighteen years shall procure a special youth 13736
hunting license or an apprentice youth hunting license, the fee 13737
for which shall be one-half of the regular hunting license fee. 13738

A resident of this state who owns lands in the state and the 13739
owner's children of any age and grandchildren under eighteen years 13740
of age may hunt on the lands without a hunting license. A resident 13741
of any other state who owns real property in this state, and the 13742
spouse and children living with the property owner, may hunt on 13743

that property without a license, provided that the state of 13744
residence of the real property owner allows residents of this 13745
state owning real property in that state, and the spouse and 13746
children living with the property owner, to hunt without a 13747
license. If the owner of land in this state is a limited liability 13748
company or a limited liability partnership that consists of three 13749
or fewer individual members or partners, as applicable, an 13750
individual member or partner who is a resident of this state and 13751
the member's or partner's children of any age and grandchildren 13752
under eighteen years of age may hunt on the land owned by the 13753
limited liability company or limited liability partnership without 13754
a hunting license. In addition, if the owner of land in this state 13755
is a trust that has a total of three or fewer trustees and 13756
beneficiaries, an individual who is a trustee or beneficiary and 13757
who is a resident of this state and the individual's children of 13758
any age and grandchildren under eighteen years of age may hunt on 13759
the land owned by the trust without a hunting license. The tenant 13760
and children of the tenant, residing on lands in the state, may 13761
hunt on them without a hunting license. 13762

Except as otherwise provided in division (A)(1) of section 13763
1533.12 of the Revised Code, every applicant for a hunting license 13764
who is a nonresident of the state and who is eighteen years of age 13765
or older shall procure a nonresident hunting license or an 13766
apprentice nonresident hunting license, the fee for which shall be 13767
one hundred twenty-four dollars unless the applicant is a resident 13768
of a state that is a party to an agreement under section 1533.91 13769
of the Revised Code, in which case the fee shall be eighteen 13770
dollars. Apprentice resident hunting licenses, apprentice youth 13771
hunting licenses, and apprentice nonresident hunting licenses are 13772
subject to the requirements established under section 1533.102 of 13773
the Revised Code and rules adopted pursuant to it. 13774

The chief of the division of wildlife may issue a small game 13775

hunting license expiring three days from the effective date of the 13776
license to a nonresident of the state, the fee for which shall be 13777
thirty-nine dollars. No person shall take or possess deer, wild 13778
turkeys, fur-bearing animals, ducks, geese, brant, or any nongame 13779
animal while possessing only a small game hunting license. A small 13780
game hunting license or an apprentice nonresident hunting license 13781
does not authorize the taking or possessing of ducks, geese, or 13782
brant without having obtained, in addition to the small game 13783
hunting license or the apprentice nonresident hunting license, a 13784
wetlands habitat stamp as provided in section 1533.112 of the 13785
Revised Code. A small game hunting license or an apprentice 13786
nonresident hunting license does not authorize the taking or 13787
possessing of deer, wild turkeys, or fur-bearing animals. A 13788
nonresident of the state who wishes to take or possess deer, wild 13789
turkeys, or fur-bearing animals in this state shall procure, 13790
respectively, a deer or wild turkey permit as provided in section 13791
1533.11 of the Revised Code or a fur taker permit as provided in 13792
section 1533.111 of the Revised Code in addition to a nonresident 13793
hunting license, an apprentice nonresident hunting license, a 13794

No person shall procure or attempt to procure a hunting 13797
license by fraud, deceit, misrepresentation, or any false 13798
statement. 13799

This section does not authorize the taking and possessing of 13800
deer or wild turkeys without first having obtained, in addition to 13801
the hunting license required by this section, a deer or wild 13802
turkey permit as provided in section 1533.11 of the Revised Code 13803
or the taking and possessing of ducks, geese, or brant without 13804

a hunting license required by this section, a fur taker permit as 13810
provided in section 1533.111 of the Revised Code. 13811

No hunting license shall be issued unless it is accompanied 13812
by a written explanation of the law in section 1533.17 of the 13813
Revised Code and the penalty for its violation, including a 13814
description of terms of imprisonment and fines that may be 13815
imposed. 13816

No hunting license, other than an apprentice hunting license, 13817
shall be issued unless the applicant presents to the agent 13818

chief shall conduct such courses with such frequency and at such 13849
locations throughout the state as to reasonably meet the needs of 13850
license applicants. The chief shall issue a certificate of 13851
completion to each person who successfully completes the course 13852
and passes an examination prescribed by the chief. 13853

shall be delivered by appellant to the chief within three days 14183
after the appeal is filed with the director. 14184

Within seven days after receipt of the notice of appeal the 14185
chief shall prepare and certify to the director at the expense of 14186
appellant a complete transcript of the proceedings out of which 14187
the appeal arises, including a transcript of the testimony 14188

notice thereof by mail. The director may postpone or continue any 14193
hearing upon the director's own motion or upon application of 14194
appellant or of the chief. 14195

The filing of an appeal provided for in this section does not 14196
automatically suspend or stay execution of the order appealed 14197
from, but upon application by the appellant the director may 14198
suspend or stay such execution pending determination of the appeal 14199
upon such terms as the director deems proper. 14200

corporation must form a domestic corporation to apply for, obtain, 14693
and maintain a certificate of authority under this chapter. 14694

(B) No person shall establish, operate, or perform the 14695
services of a health insuring corporation in this state without 14696
obtaining a certificate of authority under this chapter. 14697

(C) Except as provided by division (D) of this section, no 14698

the superintendent for a certificate of authority under division 14717
(A) of this section to establish and operate a health insuring 14718
corporation. 14719

(E) A health insuring corporation shall operate in this state 14720
in compliance with this chapter and Chapter 1753. of the Revised 14721

and shall operate in conformity with its filings with the 14723

Code. 14726

(F) An insurer licensed under Title XXXIX of the Revised Code 14727
need not obtain a certificate of authority as a health insuring 14728
corporation to offer an open panel plan as long as the providers 14729
and health care facilities participating in the open panel plan 14730
receive their compensation directly from the insurer. If the 14731
providers and health care facilities participating in the open 14732
panel plan receive their compensation from any person other than 14733
the insurer, or if the insurer offers a closed panel plan, the 14734
insurer must obtain a certificate of authority as a health 14735
insuring corporation. 14736

(G) An intermediary organization need not obtain a 14737
certificate of authority as a health insuring corporation, 14738
regardless of the method of reimbursement to the intermediary 14739

organization, as long as a health insuring corporation or a 14740
self-insured employer maintains the ultimate responsibility to 14741
assure delivery of all health care services required by the 14742
contract between the health insuring corporation and the 14743
subscriber and the laws of this state or between the self-insured 14744

Nothing in this section shall be construed to require any 14746
health care facility, provider, health delivery network, or 14747
intermediary organization that contracts with a health insuring 14748
corporation or self-insured employer, regardless of the method of 14749
reimbursement to the health care facility, provider, health 14750
delivery network, or intermediary organization, to obtain a 14751
certificate of authority as a health insuring corporation under 14752
this chapter, unless otherwise provided, in the case of contracts 14753
with a self-insured employer, by operation of the "Employee 14754
Retirement Income Security Act of 1974," 88 Stat. 829, 29 U.S.C.A. 14755
1001, as amended. 14756

(H) Any health delivery network doing business in this state, 14757
including any health delivery network that is functioning as an 14758
intermediary organization doing business in this state, that is 14759
not required to obtain a certificate of authority under this 14760
chapter shall certify to the superintendent annually, not later 14761
than the first day of July, and shall provide a statement signed 14762
by the highest ranking official which includes the following 14763
information: 14764

(1) The health delivery network's full name and the address 14765
of its principal place of business; 14766

(2) A statement that the health delivery network is not 14767
required to obtain a certificate of authority under this chapter 14768
to conduct its business. 14769

(I) The superintendent shall not issue a certificate of 14770

authority to a health insuring corporation that is a provider 14771
sponsored organization unless all health care plans to be offered 14772
by the health insuring corporation provide basic health care 14773
services. Substantially all of the physicians and hospitals with 14774
ownership or control of the provider sponsored organization, as 14775
defined in section 1751.01 of the Revised Code, shall also be 14776
participating providers for the provision of basic health care 14777
services for health care plans offered by the provider sponsored 14778
organization. If a health insuring corporation that is a provider 14779
sponsored organization offers health care plans that do not 14780
provide basic health care services, the health insuring 14781
corporation shall be deemed, for purposes of section 1751.35 of 14782
the Revised Code, to have failed to substantially comply with this 14783
chapter. 14784

Except as specifically provided in this division and in 14785
division (A) of section 1751.28 of the Revised Code, the 14786
provisions of this chapter shall apply to all health insuring 14787
corporations that are provider sponsored organizations in the same 14788
manner that these provisions apply to all health insuring 14789
corporations that are not provider sponsored organizations. 14790

(J) Nothing in this section shall be construed to apply to 14791
any multiple employer welfare arrangement operating pursuant to 14792
Chapter 1739. of the Revised Code. 14793

(K) Any person who violates division (B) of this section, and 14794
any health delivery network that fails to comply with division (H) 14795
of this section, is subject to the penalties set forth in section 14796
1751.45 of the Revised Code. 14797

Sec. 1751.13. (A)(1)(a) A health insuring corporation shall, 14798
either directly or indirectly, enter into contracts for the 14799
provision of health care services with a sufficient number and 14800
types of providers and health care facilities to ensure that all 14801

covered health care services will be accessible to enrollees from 14802
a contracted provider or health care facility. 14803

(b) A health insuring corporation shall not refuse to 14804
contract with a physician for the provision of health care 14805
services or refuse to recognize a physician as a specialist on the 14806
basis that the physician attended an educational program or a 14807
residency program approved or certified by the American 14808
osteopathic association. A health insuring corporation shall not 14809
refuse to contract with a health care facility for the provision 14810
of health care services on the basis that the health care facility 14811
is certified or accredited by the American osteopathic association 14812
or that the health care facility is an osteopathic hospital ~~as~~ 14813
~~defined in section 3702.51 of the Revised Code.~~ 14814

(c) Nothing in division (A)(1)(b) of this section shall be 14815
construed to require a health insuring corporation to make a 14816
benefit payment under a closed panel plan to a physician or health 14817
care facility with which the health insuring corporation does not 14818
have a contract, provided that none of the bases set forth in that 14819
division are used as a reason for failing to make a benefit 14820
payment. 14821

(2) When a health insuring corporation is unable to provide a 14822
covered health care service from a contracted provider or health 14823
care facility, the health insuring corporation must provide that 14824
health care service from a noncontracted provider or health care 14825
facility consistent with the terms of the enrollee's policy, 14826
contract, certificate, or agreement. The health insuring 14827
corporation shall either ensure that the health care service be 14828
provided at no greater cost to the enrollee than if the enrollee 14829
had obtained the health care service from a contracted provider or 14830
health care facility, or make other arrangements acceptable to the 14831
superintendent of insurance. 14832

(3) Nothing in this section shall prohibit a health insuring 14833

corporation from entering into contracts with out-of-state 14834
providers or health care facilities that are licensed, certified, 14835
accredited, or otherwise authorized in that state. 14836

(B)(1) A health insuring corporation shall, either directly 14837
or indirectly, enter into contracts with all providers and health 14838
care facilities through which health care services are provided to 14839
its enrollees. 14840

(2) A health insuring corporation, upon written request, 14841
shall assist its contracted providers in finding stop-loss or 14842
reinsurance carriers. 14843

(C) A health insuring corporation shall file an annual 14844
certificate with the superintendent certifying that all provider 14845
contracts and contracts with health care facilities through which 14846
health care services are being provided contain the following: 14847

(1) A description of the method by which the provider or 14848
health care facility will be notified of the specific health care 14849
services for which the provider or health care facility will be 14850
responsible, including any limitations or conditions on such 14851
services; 14852

(2) The specific hold harmless provision specifying 14853
protection of enrollees set forth as follows: 14854

including but not limited to nonpayment by the health insuring 14856
corporation, insolvency of the health insuring corporation, or 14857
breach of this agreement, shall [Provider/Health Care Facility] 14858
bill, charge, collect a deposit from, seek remuneration or 14859
reimbursement from, or have any recourse against, a subscriber, 14860
enrollee, person to whom health care services have been provided, 14861
or person acting on behalf of the covered enrollee, for health 14862
care services provided pursuant to this agreement. This does not 14863
prohibit [Provider/Health Care Facility] from collecting 14864

co-insurance, deductibles, or copayments as specifically provided 14865
in the evidence of coverage, or fees for uncovered health care 14866
services delivered on a fee-for-service basis to persons 14867
referenced above, nor from any recourse against the health 14868
insuring corporation or its successor." 14869

(3) Provisions requiring the provider or health care facility 14870
to continue to provide covered health care services to enrollees 14871
in the event of the health insuring corporation's insolvency or 14872
discontinuance of operations. The provisions shall require the 14873
provider or health care facility to continue to provide covered 14874
health care services to enrollees as needed to complete any 14875
medically necessary procedures commenced but unfinished at the 14876
time of the health insuring corporation's insolvency or 14877
discontinuance of operations. The completion of a medically 14878
necessary procedure shall include the rendering of all covered 14879
health care services that constitute medically necessary follow-up 14880
care for that procedure. If an enrollee is receiving necessary 14881
inpatient care at a hospital, the provisions may limit the 14882
required provision of covered health care services relating to 14883
that inpatient care in accordance with division (D)(3) of section 14884
1751.11 of the Revised Code, and may also limit such required 14885
provision of covered health care services to the period ending 14886
thirty days after the health insuring corporation's insolvency or 14887
discontinuance of operations. 14888

The provisions required by division (C)(3) of this section 14889
shall not require any provider or health care facility to continue 14890
to provide any covered health care service after the occurrence of 14891

liquidation order under Chapter 3903. of the Revised Code; 14894

| (4) A provision clearly stating the rights and responsibilities of the health insuring corporation, and of the contracted providers and health care facilities, with respect to administrative policies and programs, including, but not limited to, payments systems, utilization review, quality assurance, assessment, and improvement programs, credentialing, confidentiality requirements, and any applicable federal or state programs; | 14905 14906 14907 14908 14909 14910 14911 14912 |

The provision shall include terms requiring the provider or health care facility to make these health records available to appropriate state and federal authorities involved in assessing the quality of care or in investigating the grievances or complaints of enrollees, and requiring the provider or health care facility to comply with applicable state and federal laws related to the confidentiality of medical or health records. | 14913 14914 14915 14916 14917 14918 14919 14920 14921 14922 14923 14924 14925 |
| (6) A provision that states that contractual rights and responsibilities may not be assigned or delegated by the provider | 14926 14927 |

or health care facility without the prior written consent of the 14928
health insuring corporation; 14929

(7) A provision requiring the provider or health care 14930
facility to maintain adequate professional liability and 14931
malpractice insurance. The provision shall also require the 14932
provider or health care facility to notify the health insuring 14933
corporation not more than ten days after the provider's or health 14934
care facility's receipt of notice of any reduction or cancellation 14935
of such coverage. 14936

(8) A provision requiring the provider or health care 14937
facility to observe, protect, and promote the rights of enrollees 14938
as patients; 14939

or disability, and without regard to the source of payments made 14944
for health care services rendered to a patient. This requirement 14945
shall not apply to circumstances when the provider or health care 14946

required by division (C)(2) of this section shall survive the 14957
termination of the contract with respect to services covered and 14958

provided under the contract during the time the contract was in 14959
effect, regardless of the reason for the termination, including 14960
the insolvency of the health insuring corporation; 14961

(13) A provision requiring those terms that are used in the 14962
contract and that are defined by this chapter, be used in the 14963
contract in a manner consistent with those definitions. 14964

limit medically necessary health care services to a covered 14980
enrollee; 14981

(b) A provision that penalizes a provider or health care 14982

health insuring corporation's decision to deny or limit benefits 14984
to the enrollee; 14985

(c) A provision that limits or otherwise restricts the 14986

allegedly result from that decision. 15475

(D) This chapter does not apply to a student tenant as 15476
defined by division (H) of section 5321.01 of the Revised Code 15477
when the college or university proceeds to terminate a rental 15478
agreement pursuant to section 5321.031 of the Revised Code. 15479

Sec. 1923.061. (A) Any defense in an action under this 15480

chapter may be asserted at trial. 15481

(B) In an action for possession of residential premises based 15482
upon nonpayment of the rent or in an action for rent when the 15483
tenant or manufactured home park resident is in possession, the 15484
tenant or resident may counterclaim for any amount ~~he~~ the tenant 15485
or resident may recover under the rental agreement or under 15486
Chapter ~~3733.~~ 4781. or 5321. of the Revised Code. In that event, 15487
the court from time to time may order the tenant or resident to 15488
pay into court all or part of the past due rent and rent becoming 15489
due during the pendency of the action. After trial and judgment, 15490
the party to whom a net judgment is owed shall be paid first from 15491
the money paid into court, and any balance shall be satisfied as 15492
any other judgment. If no rent remains due after application of 15493
this division, judgment shall be entered for the tenant or 15494
resident in the action for possession. If the tenant or resident 15495
has paid into court an amount greater than that necessary to 15496
satisfy a judgment obtained by the landlord, the balance shall be 15497
returned by the court to the tenant or resident. 15498

Sec. 1923.15. During any proceeding involving residential 15499
premises under this chapter, the court may order an appropriate 15500
governmental agency to inspect the residential premises. If the 15501
agency determines and the court finds conditions which constitute 15502
a violation of section ~~3733.10~~ 4781.38 or 5321.04 of the Revised 15503
Code, and if the premises have been vacated or are to be restored 15504
to the landlord, the court may issue an order forbidding the 15505
re-rental of the property until such conditions are corrected. If 15506
the agency determines and the court finds such conditions, and if 15507
the court finds that the tenant or manufactured home park resident 15508
may remain in possession, the court may order such conditions 15509
corrected. If such conditions have been caused by the tenant or 15510
resident, the court may award damages to the landlord equal to the 15511
reasonable cost of correcting such conditions. 15512

Sec. 2151.33. (A) Pending hearing of a complaint filed under 15513
section 2151.27 of the Revised Code or a motion filed or made 15514
under division (B) of this section and the service of citations, 15515
the juvenile court may make any temporary disposition of any child 15516
that it considers necessary to protect the best interest of the 15517
child and that can be made pursuant to division (B) of this 15518
section. Upon the certificate of one or more reputable practicing 15519
physicians, the court may summarily provide for emergency medical 15520
and surgical treatment that appears to be immediately necessary to 15521
preserve the health and well-being of any child concerning whom a 15522
complaint or an application for care has been filed, pending the 15523
service of a citation upon the child's parents, guardian, or 15524
custodian. The court may order the parents, guardian, or 15525
custodian, if the court finds the parents, guardian, or custodian 15526
able to do so, to reimburse the court for the expense involved in 15527
providing the emergency medical or surgical treatment. Any person 15528
who disobeys the order for reimbursement may be adjudged in 15529
contempt of court and punished accordingly. 15530

If the emergency medical or surgical treatment is furnished 15531
to a child who is found at the hearing to be a nonresident of the 15532
county in which the court is located and if the expense of the 15533
medical or surgical treatment cannot be recovered from the 15534
parents, legal guardian, or custodian of the child, the board of 15535
county commissioners of the county in which the child has a legal 15536
settlement shall reimburse the court for the reasonable cost of 15537
the emergency medical or surgical treatment out of its general 15538
fund. 15539

(B)(1) After a complaint, petition, writ, or other document 15540
initiating a case dealing with an alleged or adjudicated abused, 15541
neglected, or dependent child is filed and upon the filing or 15542
making of a motion pursuant to division (C) of this section, the 15543
court, prior to the final disposition of the case, may issue any 15544

| (2) Prior to the final disposition of a case subject to | 15561 |
| division (B)(1) of this section, the court shall do both of the | 15562 |
| following: | 15563 |
| (a) Issue an order pursuant to Chapters 3119. to 3125. of the | 15564 |

| (C)(1) A court may issue an order pursuant to division (B) of | 15573 |

order and stating the reasons for it. Any notice sent by the court 15576
as a result of a motion pursuant to this division shall contain a 15577
notice that any party to a juvenile proceeding has the right to be 15578
represented by counsel and to have appointed counsel if the person 15579
is indigent. 15580

(2) If a child is taken into custody pursuant to section 15581
2151.31 of the Revised Code and placed in shelter care, the public 15582
children services agency or private child placing agency with 15583
which the child is placed in shelter care shall file or make a 15584
motion as described in division (C)(1) of this section before the 15585
end of the next day immediately after the date on which the child 15586
was taken into custody and, at a minimum, shall request an order 15587
for temporary custody under division (B)(1)(a) of this section. 15588

(3) A court that issues an order pursuant to division 15589
(B)(1)(b) of this section shall comply with section 2151.419 of 15590
the Revised Code. 15591

(D) The court may grant an ex parte order upon its own motion 15592
or a motion filed or made pursuant to division (C) of this section 15593
requesting such an order if it appears to the court that the best 15594
interest and the welfare of the child require that the court issue 15595
the order immediately. The court, if acting on its own motion, or 15596
the person requesting the granting of an ex parte order, to the 15597
extent possible, shall give notice of its intent or of the request 15598
to the parents, guardian, or custodian of the child who is the 15599
subject of the request. If the court issues an ex parte order, the 15600
court shall hold a hearing to review the order within seventy-two 15601
hours after it is issued or before the end of the next day after 15602
the day on which it is issued, whichever occurs first. The court 15603
shall give written notice of the hearing to all parties to the 15604
action and shall appoint a guardian ad litem for the child prior 15605
to the hearing. 15606

The written notice shall be given by all means that are 15607
reasonably likely to result in the party receiving actual notice 15608
and shall include all of the following: 15609

(1) The date, time, and location of the hearing; 15610

(2) The issues to be addressed at the hearing; 15611

to counsel and to court-appointed counsel, if the party is 15613
indigent; 15614

(4) The name, telephone number, and address of the person 15615
requesting the order; 15616

(5) A copy of the order, except when it is not possible to 15617
obtain it because of the exigent circumstances in the case. 15618

If the court does not grant an ex parte order pursuant to a 15619
motion filed or made pursuant to division (C) of this section or 15620
its own motion, the court shall hold a shelter care hearing on the 15621
motion within ten days after the motion is filed. The court shall 15622
give notice of the hearing to all affected parties in the same 15623
manner as set forth in the Juvenile Rules. 15624

(E) The court, pending the outcome of the adjudicatory and 15625
dispositional hearings, shall not issue an order granting 15626
temporary custody of a child to a public children services agency 15627
or private child placing agency pursuant to this section, unless 15628
the court determines and specifically states in the order that the 15629
continued residence of the child in the child's current home will 15630
be contrary to the child's best interest and welfare and the court 15631
complies with section 2151.419 of the Revised Code. 15632

(F) Each public children services agency and private child 15633
placing agency that receives temporary custody of a child pursuant 15634
to this section shall maintain in the child's case record written 15635
documentation that it has placed the child, to the extent that it 15636

is consistent with the best interest, welfare, and special needs 15637
of the child, in the most family-like setting available and in 15638
close proximity to the home of the parents, custodian, or guardian 15639
of the child. 15640

(G) For good cause shown, any court order that is issued 15641
pursuant to this section may be reviewed by the court at any time 15642
upon motion of any party to the action or upon the motion of the 15643
court. 15644

(H)(1) Pending the hearing of a complaint filed under section 15645
2151.27 of the Revised Code or a motion filed or made under 15646
division (B) of this section and the service of citations, a 15647
public children services agency may request that the 15648
superintendent of the bureau of criminal identification and 15649
investigation conduct a criminal records check with respect to 15650
each parent, guardian, custodian, prospective custodian, or 15651
prospective placement whose actions resulted in a temporary 15652
disposition under division (A) of this section. The public 15653
children services agency may request that the superintendent 15654
obtain information from the federal bureau of investigation as 15655
part of the criminal records check of each parent, guardian, 15656
custodian, prospective custodian, or prospective placement. 15657

(2) Each public children services agency authorized by 15658
division (H) of this section to request a criminal records check 15659
shall do both of the following: 15660

(a) Provide to each parent, guardian, custodian, prospective 15661
custodian, or prospective placement for whom a criminal records 15662
check is requested a copy of the form prescribed pursuant to 15663
division (C)(1) of section 109.572 of the Revised Code and a 15664
standard fingerprint impression sheet prescribed pursuant to 15665
division (C)(2) of that section and obtain the completed form and 15666
impression sheet from the parent, guardian, custodian, prospective 15667
custodian, or prospective placement; 15668

(b) Forward the completed form and impression sheet to the superintendent of the bureau of criminal identification and investigation. 15669
15670
15671

(3) A parent, guardian, custodian, prospective custodian, or prospective placement who is given a form and fingerprint impression sheet under division (H)(2)(a) of this section and who fails to complete the form or provide fingerprint impressions may be held in contempt of court. 15672
15673
15674
15675
15676

Sec. 2151.412. (A) Each public children services agency and private child placing agency shall prepare and maintain a case plan for any child to whom the agency is providing services and to whom any of the following applies: 15677
15678
15679
15680

(1) The agency filed a complaint pursuant to section 2151.27 of the Revised Code alleging that the child is an abused, neglected, or dependent child; 15681
15682
15683

(2) The agency has temporary or permanent custody of the child; 15684
15685

(3) The child is living at home subject to an order for protective supervision; 15686
15687

(4) The child is in a planned permanent living arrangement. 15688

15690
15691
15692
15693
15694

(B) Each public children services agency shall prepare and maintain a case plan or a family service plan for any child for whom the agency is providing in-home services pursuant to an alternative response. 15695
15696
15697
15698

(C)(1) The director of job and family services shall adopt 15699
rules pursuant to Chapter 119. of the Revised Code setting forth 15700
the content and format of case plans required by division (A) of 15701
this section and establishing procedures for developing, 15702
implementing, and changing the case plans. The rules shall at a 15703
minimum comply with the requirements of Title IV-E of the "Social 15704
Security Act," 94 Stat. 501, 42 U.S.C. 671 (1980), as amended. 15705

(2) The director of job and family services shall adopt rules 15706
pursuant to Chapter 119. of the Revised Code requiring public 15707
children services agencies and private child placing agencies to 15708
maintain case plans for children and their families who are 15709
receiving services in their homes from the agencies and for whom 15710
case plans are not required by division (A) of this section. The 15711
rules for public children services agencies shall include the 15712
requirements for case plans or family service plans maintained for 15713
children and their families who are receiving services in their 15714
homes from public children services agencies pursuant to an 15715
alternative response. The agencies shall maintain case plans and 15716
family service plans as required by those rules; however, the case 15717
plans and family service plans shall not be subject to any other 15718
provision of this section except as specifically required by the 15719
rules. 15720

(D) Each public children services agency and private child 15721
placing agency that is required by division (A) of this section to 15722
maintain a case plan shall file the case plan with the court prior 15723
to the child's adjudicatory hearing but no later than thirty days 15724
after the earlier of the date on which the complaint in the case 15725
was filed or the child was first placed into shelter care. If the 15726
agency does not have sufficient information prior to the 15727
adjudicatory hearing to complete any part of the case plan, the 15728
agency shall specify in the case plan the additional information 15729
necessary to complete each part of the case plan and the steps 15730

that will be taken to obtain that information. All parts of the 15731
case plan shall be completed by the earlier of thirty days after 15732
the adjudicatory hearing or the date of the dispositional hearing 15733
for the child. 15734

(E) Any agency that is required by division (A) of this 15735
section to prepare a case plan shall attempt to obtain an 15736
agreement among all parties, including, but not limited to, the 15737
parents, guardian, or custodian of the child and the guardian ad 15738
litem of the child regarding the content of the case plan. If all 15739
parties agree to the content of the case plan and the court 15740
approves it, the court shall journalize it as part of its 15741
dispositional order. If the agency cannot obtain an agreement upon 15742
the contents of the case plan or the court does not approve it, 15743
the parties shall present evidence on the contents of the case 15744
plan at the dispositional hearing. The court, based upon the 15745
evidence presented at the dispositional hearing and the best 15746
interest of the child, shall determine the contents of the case 15747
plan and journalize it as part of the dispositional order for the 15748
child. 15749

(F)(1) All parties, including the parents, guardian, or 15750
custodian of the child, are bound by the terms of the journalized 15751
case plan. A party that fails to comply with the terms of the 15752
journalized case plan may be held in contempt of court. 15753

(2) Any party may propose a change to a substantive part of 15754
the case plan, including, but not limited to, the child's 15755
placement and the visitation rights of any party. A party 15756
proposing a change to the case plan shall file the proposed change 15757
with the court and give notice of the proposed change in writing 15758
before the end of the day after the day of filing it to all 15759
parties and the child's guardian ad litem. All parties and the 15760
guardian ad litem shall have seven days from the date the notice 15761
is sent to object to and request a hearing on the proposed change. 15762

(a) If it receives a timely request for a hearing, the court shall schedule a hearing pursuant to section 2151.417 of the Revised Code to be held no later than thirty days after the request is received by the court. The court shall give notice of the date, time, and location of the hearing to all parties and the guardian ad litem. The agency may implement the proposed change after the hearing, if the court approves it. The agency shall not implement the proposed change unless it is approved by the court.

(b) If it does not receive a timely request for a hearing, the court may approve the proposed change without a hearing. If the court approves the proposed change without a hearing, it shall journalize the case plan with the change not later than fourteen days after the change is filed with the court. If the court does not approve the proposed change to the case plan, it shall schedule a hearing to be held pursuant to section 2151.417 of the Revised Code no later than thirty days after the expiration of the fourteen-day time period and give notice of the date, time, and location of the hearing to all parties and the guardian ad litem of the child. If, despite the requirements of division (F)(2) of this section, the court neither approves and journalizes the proposed change nor conducts a hearing, the agency may implement the proposed change not earlier than fifteen days after it is submitted to the court.

(3) If an agency has reasonable cause to believe that a child is suffering from illness or injury and is not receiving proper care and that an appropriate change in the child's case plan is necessary to prevent immediate or threatened physical or emotional harm, to believe that a child is in immediate danger from the child's surroundings and that an immediate change in the child's case plan is necessary to prevent immediate or threatened physical or emotional harm to the child, or to believe that a parent, guardian, custodian, or other member of the child's household has

abused or neglected the child and that the child is in danger of 15795
immediate or threatened physical or emotional harm from that 15796
person unless the agency makes an appropriate change in the 15797
child's case plan, it may implement the change without prior 15798
agreement or a court hearing and, before the end of the next day 15799
after the change is made, give all parties, the guardian ad litem 15800
of the child, and the court notice of the change. Before the end 15801
of the third day after implementing the change in the case plan, 15802
the agency shall file a statement of the change with the court and 15803
give notice of the filing accompanied by a copy of the statement 15804
to all parties and the guardian ad litem. All parties and the 15805
guardian ad litem shall have ten days from the date the notice is 15806
sent to object to and request a hearing on the change. 15807

(a) If it receives a timely request for a hearing, the court 15808
shall schedule a hearing pursuant to section 2151.417 of the 15809
Revised Code to be held no later than thirty days after the 15810
request is received by the court. The court shall give notice of 15811
the date, time, and location of the hearing to all parties and the 15812
guardian ad litem. The agency shall continue to administer the 15813
case plan with the change after the hearing, if the court approves 15814
the change. If the court does not approve the change, the court 15815
shall make appropriate changes to the case plan and shall 15816
journalize the case plan. 15817

(b) If it does not receive a timely request for a hearing, 15818
the court may approve the change without a hearing. If the court 15819
approves the change without a hearing, it shall journalize the 15820
case plan with the change within fourteen days after receipt of 15821
the change. If the court does not approve the change to the case 15822
plan, it shall schedule a hearing under section 2151.417 of the 15823
Revised Code to be held no later than thirty days after the 15824
expiration of the fourteen-day time period and give notice of the 15825
date, time, and location of the hearing to all parties and the 15826

guardian ad litem of the child. 15827

(G)(1) All case plans for children in temporary custody shall 15828
have the following general goals: 15829

(a) Consistent with the best interest and special needs of 15830
the child, to achieve a safe out-of-home placement in the least 15831
restrictive, most family-like setting available and in close 15832
proximity to the home from which the child was removed or the home 15833
in which the child will be permanently placed; 15834

(b) To eliminate with all due speed the need for the 15835
out-of-home placement so that the child can safely return home. 15836

(2) The director of job and family services shall adopt rules 15837
pursuant to Chapter 119. of the Revised Code setting forth the 15838
general goals of case plans for children subject to dispositional 15839
orders for protective supervision, a planned permanent living 15840
arrangement, or permanent custody. 15841

(H) In the agency's development of a case plan and the 15842
court's review of the case plan, the child's health and safety 15843
shall be the paramount concern. The agency and the court shall be 15844
guided by the following general priorities: 15845

(1) A child who is residing with or can be placed with the 15846
child's parents within a reasonable time should remain in their 15847
legal custody even if an order of protective supervision is 15848
required for a reasonable period of time; 15849

(2) If both parents of the child have abandoned the child, 15850
have relinquished custody of the child, have become incapable of 15851
supporting or caring for the child even with reasonable 15852
assistance, or have a detrimental effect on the health, safety, 15853
and best interest of the child, the child should be placed in the 15854
legal custody of a suitable member of the child's extended family; 15855

(3) If a child described in division (H)(2) of this section 15856

has no suitable member of the child's extended family to accept 15857
legal custody, the child should be placed in the legal custody of 15858
a suitable nonrelative who shall be made a party to the 15859
proceedings after being given legal custody of the child; 15860

(4) If the child has no suitable member of the child's 15861
extended family to accept legal custody of the child and no 15862
suitable nonrelative is available to accept legal custody of the 15863
child and, if the child temporarily cannot or should not be placed 15864
with the child's parents, guardian, or custodian, the child should 15865
be placed in the temporary custody of a public children services 15866
agency or a private child placing agency; 15867

(5) If the child cannot be placed with either of the child's 15868
parents within a reasonable period of time or should not be placed 15869
with either, if no suitable member of the child's extended family 15870
or suitable nonrelative is available to accept legal custody of 15871
the child, and if the agency has a reasonable expectation of 15872
placing the child for adoption, the child should be committed to 15873
the permanent custody of the public children services agency or 15874
private child placing agency; 15875

(6) If the child is to be placed for adoption or foster care, 15876
the placement shall not be delayed or denied on the basis of the 15877
child's or adoptive or foster family's race, color, or national 15878
origin. 15879

(I) The case plan for a child in temporary custody shall 15880
include at a minimum the following requirements if the child is or 15881
has been the victim of abuse or neglect or if the child witnessed 15882
the commission in the child's household of abuse or neglect 15883
against a sibling of the child, a parent of the child, or any 15884
other person in the child's household: 15885

caregiver to operate a foster home. 16073

(C)(1) No appointing or hiring officer shall appoint or 16074
employ a person as a person responsible for a child's care in 16075
out-of-home care, the department of job and family services shall 16076
not issue a certificate under section 5103.03 of the Revised Code 16077

convicted of or pleaded guilty to any of the violations described 16085
in division (A)~~(8)~~(4) of section 109.572 of the Revised Code, 16086

(2) The appointing or hiring officer may appoint or employ a 16089
person as a person responsible for a child's care in out-of-home 16090
care conditionally until the criminal records check required by 16091
this section is completed and the officer receives the results of 16092
the criminal records check. If the results of the criminal records 16093
check indicate that, pursuant to division (C)(1) of this section, 16094
the person subject to the criminal records check does not qualify 16095

any foster home license, certificate, or other similar 16102

this state. The failure of a prospective foster caregiver to 16105
notify the recommending agency of any revocation of that type in 16106
another state that occurred within that five-year period shall be 16107
grounds for denial of the person's foster home application or the 16108
revocation of the person's foster home certification, whichever is 16109
applicable. If a person has had a revocation in another state 16110

within the five years prior to the date of the application, the 16111
department of job and family services shall not issue a foster 16112
home certificate to the prospective foster caregiver. 16113

(D) The appointing or hiring officer, administrative 16114
director, or attorney shall pay to the bureau of criminal 16115

division (C)(3) of section 109.572 of the Revised Code for each 16117

upon a request pursuant to division (A) of this section. The 16119
officer, director, or attorney may charge the person subject to 16120
the criminal records check a fee for the costs the officer, 16121
director, or attorney incurs in obtaining the criminal records 16122
check. A fee charged under this division shall not exceed the 16123
amount of fees the officer, director, or attorney pays for the 16124
criminal records check. If a fee is charged under this division, 16125
the officer, director, or attorney shall notify the person who is 16126
the applicant at the time of the person's initial application for 16127
appointment or employment, an adoption to be arranged, or a 16128
certificate to operate a foster home of the amount of the fee and 16129
that, unless the fee is paid, the person who is the applicant will 16130
not be considered for appointment or employment or as an adoptive 16131
parent or foster caregiver. 16132

(E) The report of any criminal records check conducted by the 16133

made under division (A) of this section is not a public record for 16136
the purposes of section 149.43 of the Revised Code and shall not 16137

decree of adoption or interlocutory order of adoption, or a foster 16149
home certificate. 16150

(F) The director of job and family services shall adopt rules 16151
in accordance with Chapter 119. of the Revised Code to implement 16152
this section. The rules shall include rehabilitation standards a 16153

Code must meet for an appointing or hiring officer to appoint or 16156
employ the person as a person responsible for a child's care in 16157
out-of-home care, a probate court to issue a final decree of 16158
adoption or interlocutory order of adoption making the person an 16159
adoptive parent, or the department to issue a certificate 16160
authorizing the prospective foster caregiver to operate a foster 16161
home or not revoke a foster home certificate for a violation 16162
specified in section 5103.0328 of the Revised Code. 16163

(G) An appointing or hiring officer, administrative director, 16164
or attorney required by division (A) of this section to request a 16165
criminal records check shall inform each person who is the 16166
applicant, at the time of the person's initial application for 16167
appointment or employment, an adoption to be arranged, or a foster 16168
home certificate, that the person subject to the criminal records 16169
check is required to provide a set of impressions of the person's 16170

109.572 of the Revised Code. 16173

(H) The department of job and family services may waive the requirement that a criminal records check based on fingerprints be conducted for an adult resident of a prospective adoptive or foster home or the home of a foster caregiver if the recommending agency documents to the department's satisfaction that the adult resident is physically unable to comply with the fingerprinting requirement and poses no danger to foster children or adoptive children who may be placed in the home. (A) If a complaint is filed against a child alleging that the child is a delinquent child and the case is transferred pursuant to division (A)(1)(a)(i) or (A)(1)(b)(ii) of section 2152.12 of the Revised Code, the juvenile court that transferred the case shall retain jurisdiction for purposes of making disposition of the child when required under division (B) of this section.

(B) If a complaint is filed against a child alleging that the child is a delinquent child, if the case is transferred pursuant

to division (A)(1)(a)(i) or (A)(1)(b)(ii) of section 2152.12 of 16235
the Revised Code, and if the child subsequently is convicted of or 16236
pleads guilty to an offense in that case, the sentence to be 16237
imposed or disposition to be made of the child shall be determined 16238
as follows: 16239

(1) The court in which the child is convicted of or pleads 16240
guilty to the offense shall determine whether, had a complaint 16241
been filed in juvenile court alleging that the child was a 16242
delinquent child for committing an act that would be that offense 16243
if committed by an adult, division (A) of section 2152.12 of the 16244
Revised Code would have required mandatory transfer of the case or 16245
division (B) of that section would have allowed discretionary 16246
transfer of the case. The court shall not consider the factor 16247
specified in division (B)(3) of section 2152.12 of the Revised 16248
Code in making its determination under this division. 16249

(2) If the court in which the child is convicted of or pleads 16250

section that, had a complaint been filed in juvenile court 16252
alleging that the child was a delinquent child for committing an 16253
act that would be that offense if committed by an adult, division 16254
(A) of section 2152.12 of the Revised Code would not have required 16255

would not have allowed discretionary transfer of the case, the 16257
court shall transfer jurisdiction of the case back to the juvenile 16258

agencies that have any record of the conviction of the child or 16260

plea and all records of it, the conviction or guilty plea shall be 16262
considered and treated for all purposes other than as provided in 16263
this section to have never occurred, the conviction or guilty plea 16264
shall be considered and treated for all purposes other than as 16265
provided in this section to have been a delinquent child 16266

(3) If the court in which the child is convicted of or pleads 16270
guilty to the offense determines under division (B)(1) of this 16271
section that, had a complaint been filed in juvenile court 16272
alleging that the child was a delinquent child for committing an 16273
act that would be that offense if committed by an adult, division 16274
(A) of section 2152.12 of the Revised Code would not have required 16275
mandatory transfer of the case but division (B) of that section 16276
would have allowed discretionary transfer of the case, the court 16277
shall determine the sentence it believes should be imposed upon 16278
the child under Chapter 2929. of the Revised Code, shall impose 16279
that sentence upon the child, and shall stay that sentence pending 16280
completion of the procedures specified in this division. Upon 16281
imposition and staying of the sentence, the court shall transfer 16282
jurisdiction of the case back to the juvenile court that initially 16283
transferred the case and the juvenile court shall proceed in 16284
accordance with this division. In no case may the child waive a 16285
right to a hearing of the type described in division (B)(3)(b) of 16286
this section, regarding a motion filed as described in that 16287
division by the prosecuting attorney in the case. Upon transfer of 16288

this section, the juvenile court shall impose a serious youthful 16292

adult portion of that sentence, the juvenile court shall consider 16295
and give preference to the sentence imposed upon the child by the 16296
court in which the child was convicted of or pleaded guilty to the 16297
offense. Upon imposing a serious youthful offender dispositional 16298

sentence upon the child as described in this division, the 16299
juvenile court shall notify the court in which the child was 16300
convicted of or pleaded guilty to the offense, the sentence 16301
imposed upon the child by that court shall terminate, the court 16302
and all other agencies that have any record of the conviction of 16303
the child shall expunge the conviction or guilty plea and all 16304
records of it, the conviction or guilty plea shall be considered 16305
and treated for all purposes other than as provided in this 16306
section to have never occurred, and the conviction or guilty plea 16307
shall be considered and treated for all purposes other than as 16308
provided in this section to have been a delinquent child 16309

(b) Upon the transfer, the prosecuting attorney in the case 16311
may file a motion in the juvenile court that objects to the 16312
imposition of a serious youthful offender dispositional sentence 16313
upon the child and requests that the sentence imposed upon the 16314
child by the court in which the child was convicted of or pleaded 16315
guilty to the offense be invoked. Upon the filing of a motion 16316
under this division, the juvenile court shall hold a hearing to 16317
determine whether the child is not amenable to care or 16318
rehabilitation within the juvenile system and whether the safety 16319
of the community may require that the child be subject solely to 16320
adult sanctions. If the juvenile court at the hearing finds that 16321
the child is not amenable to care or rehabilitation within the 16322
juvenile system or that the safety of the community may require 16323
that the child be subject solely to adult sanctions, the court 16324
shall grant the motion. Absent such a finding, the juvenile court 16325
shall deny the motion. In making its decision under this division, 16326
the juvenile court shall consider the factors listed in division 16327
(D) of section 2152.12 of the Revised Code as factors indicating 16328
that the motion should be granted, shall consider the factors 16329
listed in division (E) of that section as factors indicating that 16330
the motion should not be granted, and shall consider whether the 16331

applicable factors listed in division (D) of that section outweigh 16332
the applicable factors listed in division (E) of that section. 16333

If the juvenile court grants the motion of the prosecuting 16334
attorney under this division, the juvenile court shall transfer 16335
jurisdiction of the case back to the court in which the child was 16336
convicted of or pleaded guilty to the offense, and the sentence 16337
imposed by that court shall be invoked. If the juvenile court 16338
denies the motion of the prosecuting attorney under this section, 16339
the juvenile court shall impose a serious youthful offender 16340
dispositional sentence upon the child in accordance with division 16341
(B)(3)(a) of this section. 16342

(4) If the court in which the child is convicted of or pleads 16343
guilty to the offense determines under division (B)(1) of this 16344
section that, had a complaint been filed in juvenile court 16345
alleging that the child was a delinquent child for committing an 16346
act that would be that offense if committed by an adult, division 16347
(A) of section 2152.12 of the Revised Code would have required 16348
mandatory transfer of the case, the court shall impose sentence 16349
upon the child under Chapter 2929. of the Revised Code. 16350

Sec. 2152.22. (A) When a child is committed to the legal 16351
custody of the department of youth services under this chapter, 16352
the juvenile court relinquishes control with respect to the child 16353
so committed, except as provided in divisions (B), (C), (D), and 16354
(H) of this section or in sections 2152.82 to 2152.86 of the 16355
Revised Code. Subject to divisions (B), (C), and (D) of this 16356
section, sections 2151.353 and 2151.412 to 2151.421 of the Revised 16357
Code, sections 2152.82 to 2152.86 of the Revised Code, and any 16358
other provision of law that specifies a different duration for a 16359
dispositional order, all other dispositional orders made by the 16360
court under this chapter shall be temporary and shall continue for 16361
a period that is designated by the court in its order, until 16362

terminated or modified by the court or until the child attains 16363
twenty-one years of age. 16364

The department shall not release the child from a department 16365
facility and as a result shall not discharge the child or order 16366
the child's release on supervised release prior to the expiration 16367
of the minimum period specified by the court in division (A)(1) of 16368
section 2152.16 of the Revised Code and any term of commitment 16369
imposed under section 2152.17 of the Revised Code or prior to the 16370
child's attainment of twenty-one years of age, except upon the 16371
order of a court pursuant to division (B), (C), or (D) of this 16372
section or in accordance with section 5139.54 of the Revised Code. 16373

(B)(1) ~~The~~ Unless the court grants judicial release under 16374
division (D)(1)(b) of this section, the court that commits a 16375
delinquent child to the department of youth services may grant 16376
judicial release of the child to court supervision under this 16377
division during the first half of the prescribed minimum term for 16378
which the child was committed to the department or, if the child 16379
was committed to the department until the child attains twenty-one 16380
years of age, during the first half of the prescribed period of 16381
commitment that begins on the first day of commitment and ends on 16382
the child's twenty-first birthday, provided any commitment imposed 16383
under division (A), (B), (C), or (D) of section 2152.17 of the 16384
Revised Code has ended. 16385

(2) If the department desires to release a child during a 16386
period specified in division (B)(1) of this section, it shall 16387
request the court that committed the child to grant a judicial 16388
release of the child to court supervision under this division. 16389
During whichever of those periods is applicable, the child or the 16390
parents of the child also may request that court to grant a 16391
judicial release of the child to court supervision. Upon receipt 16392
of a request for a judicial release to court supervision under 16393
this division from the department, the child, or the child's 16394

parent, or upon its own motion, the court that committed the child 16395
shall do one of the following: approve the release by journal 16396
entry; schedule within thirty days after the request is received a 16397
time for a hearing on whether the child is to be released; or 16398
reject the request by journal entry without conducting a hearing. 16399

If the court rejects an initial request for a release under 16400
this division by the child or the child's parent, the child or the 16401
child's parent may make one additional request for a judicial 16402
release to court supervision within the applicable period. The 16403
additional request may be made no earlier than thirty days after 16404
the filing of the prior request for a judicial release to court 16405
supervision. Upon the filing of a second request for a judicial 16406
release to court supervision, the court shall either approve or 16407
disapprove the release by journal entry or schedule within thirty 16408
days after the request is received a time for a hearing on whether 16409
the child is to be released. 16410

(3) If a court schedules a hearing under division (B)(2) of 16411
this section, it may order the department to deliver the child to 16412
the court on the date set for the hearing and may order the 16413
department to present to the court a report on the child's 16414
progress in the institution to which the child was committed and 16415
recommendations for conditions of supervision of the child by the 16416
court after release. The court may conduct the hearing without the 16417
child being present. The court shall determine at the hearing 16418
whether the child should be granted a judicial release to court 16419
supervision. 16420

If the court approves the release under this division, it 16421
shall order its staff to prepare a written treatment and 16422
rehabilitation plan for the child that may include any conditions 16423
of the child's release that were recommended by the department and 16424
approved by the court. The committing court shall send the 16425
juvenile court of the county in which the child is placed a copy 16426

of the recommended plan. The court of the county in which the child is placed may adopt the recommended conditions set by the committing court as an order of the court and may add any additional consistent conditions it considers appropriate. If a child is granted a judicial release to court supervision, the release discharges the child from the custody of the department of youth services.

(C)(1) ~~The~~ Unless the court grants judicial release under division (D)(1)(b) of this section, the court that commits a delinquent child to the department of youth services may grant judicial release of the child to department of youth services supervision under this division during the second half of the prescribed minimum term for which the child was committed to the department or, if the child was committed to the department until the child attains twenty-one years of age, during the second half of the prescribed period of commitment that begins on the first day of commitment and ends on the child's twenty-first birthday, provided any commitment imposed under division (A), (B), (C), or (D) of section 2152.17 of the Revised Code has ended.

(2) If the department desires to release a child during a period specified in division (C)(1) of this section, it shall request the court that committed the child to grant a judicial release to department of youth services supervision. During whichever of those periods is applicable, the child or the child's parent also may request the court that committed the child to grant a judicial release to department of youth services supervision. Upon receipt of a request for judicial release to department of youth services supervision, the child, or the child's parent, or upon its own motion at any time during that period, the court shall do one of the following: approve the release by journal entry; schedule a time within thirty days after receipt of the request for a hearing on whether the child is to be

released; or reject the request by journal entry without 16459
conducting a hearing. 16460

If the court rejects an initial request for release under 16461
this division by the child or the child's parent, the child or the 16462
child's parent may make one or more subsequent requests for a 16463
release within the applicable period, but may make no more than 16464
one request during each period of ninety days that the child is in 16465
a secure department facility after the filing of a prior request 16466
for early release. Upon the filing of a request for release under 16467
this division subsequent to an initial request, the court shall 16468
either approve or disapprove the release by journal entry or 16469
schedule a time within thirty days after receipt of the request 16470
for a hearing on whether the child is to be released. 16471

(3) If a court schedules a hearing under division (C)(2) of 16472
this section, it may order the department to deliver the child to 16473
the court on the date set for the hearing and shall order the 16474
department to present to the court at that time a treatment plan 16475
for the child's post-institutional care. The court may conduct the 16476
hearing without the child being present. The court shall determine 16477
at the hearing whether the child should be granted a judicial 16478
release to department of youth services supervision. 16479

If the court approves the judicial release to department of 16480
youth services supervision, the department shall prepare a written 16481
treatment and rehabilitation plan for the child pursuant to 16482
division (F) of this section that shall include the conditions of 16483
the child's release. It shall send the committing court and the 16484
juvenile court of the county in which the child is placed a copy 16485
of the plan. The court of the county in which the child is placed 16486
may adopt the conditions set by the department as an order of the 16487
court and may add any additional consistent conditions it 16488
considers appropriate, provided that the court may not add any 16489
condition that decreases the level or degree of supervision 16490

specified by the department in its plan, that substantially 16491
increases the financial burden of supervision that will be 16492
experienced by the department, or that alters the placement 16493
specified by the department in its plan. If the court of the 16494
county in which the child is placed adds to the department's plan 16495
any additional conditions, it shall enter those additional 16496
conditions in its journal and shall send to the department a copy 16497
of the journal entry of the additional conditions. 16498

If the court approves the judicial release to department of 16499
youth services supervision, the actual date on which the 16500
department shall release the child is contingent upon the 16501
department finding a suitable placement for the child. If the 16502
child is to be returned to the child's home, the department shall 16503
return the child on the date that the court schedules for the 16504
child's release or shall bear the expense of any additional time 16505
that the child remains in a department facility. If the child is 16506
unable to return to the child's home, the department shall 16507
exercise reasonable diligence in finding a suitable placement for 16508
the child, and the child shall remain in a department facility 16509
while the department finds the suitable placement. 16510

(D)(1) Subject to division (D)(3) of this section, the court 16511
that commits a delinquent child to the department of youth 16512
services may grant judicial release of the child under this 16513
division at any time after the expiration of one of the following 16514
periods of time: 16515

(a) Except as otherwise provided in division (D)(1)(b) of 16516
this section, if the child was committed to the department for a 16517
prescribed minimum period and a maximum period not to exceed the 16518
child's attainment of twenty-one years, the court may grant 16519
judicial release of the child at any time after the expiration of 16520
the prescribed minimum term for which the child was committed to 16521
the department. 16522

(b) If the child was committed to the department for both one 16523
or more definite periods under division (A), (B), (C), or (D) of 16524
section 2152.17 of the Revised Code and a period of the type 16525
described in division (D)(1)(a) of this section, all of the 16526
prescribed minimum periods of commitment imposed under division 16527
(A), (B), (C), or (D) of section 2152.17 of the Revised Code and 16528
the prescribed period of commitment of the type described in 16529
division (D)(1)(a) of this section shall be aggregated for 16530
purposes of this division, and the court may grant judicial 16531
release of the child at any time after the expiration of one year 16532
after the child begins serving the aggregate period of commitment. 16533

(2) If a court grants a judicial release of a child under 16534
division (D)(1) of this section, the release shall be a judicial 16535
release to department of youth services supervision, if the 16536
release is granted during a period described in division (C)(1) of 16537
this section, and the second and third paragraphs of division 16538
(C)(3) of this section apply regarding the release. In all other 16539
cases, the release shall be a judicial release to court 16540
supervision, and the second paragraph of division (B)(3) of this 16541
section applies regarding the release. 16542

(3) A court at the time of making the disposition of a child 16543
shall provide notice in the order of disposition that the judge is 16544
retaining jurisdiction over the child for the purpose of a 16545
possible grant of judicial release of the child under division 16546
(D)(1) of this section. The failure of a court to provide this 16547
notice does not affect the authority of the court to grant a 16548
judicial release under that division and does not constitute 16549
grounds for setting aside the child's delinquent child 16550
adjudication or disposition or for granting any post-adjudication 16551
relief to the child. 16552

(4) The department of youth services, a child committed to 16553
the department, or the parents of the child, during a period 16554

specified in division (D)(1) of this section, may request the court that committed the child to grant a judicial release of the child under that division. Upon receipt of a request for judicial release of a child under this division from the department, the child, or the child's parent, or upon its own motion, the court that committed the child shall do one of the following:

(a) Approve the request by journal entry;

(b) Schedule within thirty days after the request is received a time for a hearing on whether the child is to be released;

(c) Reject the request by journal entry without conducting a hearing.

If the court rejects an initial request for a release under this division by the child or the child's parent, division (C)(2) of this section applies regarding the making of additional requests.

If the court schedules a hearing under this division to consider the judicial release, the first paragraph of division (B)(3) of this section applies regarding the hearing.

(E) If a child is released under division (B), (C), or (D) of this section and the court of the county in which the child is placed has reason to believe that the child's department is not in accordance with the conditions of the child's judicial release, the court of the county in which the child is placed shall schedule a time for a hearing to determine whether the child violated any of the post-release conditions, and, if the child was released under division (C) of this section or under division (D) of this section under department supervision, divisions (A) to (E) of section 5139.52 of the Revised Code apply regarding the child.

If that court determines at the hearing that the child violated any of the post-release conditions, the court, if it determines that the violation was a serious violation, may order

the child to be returned to the department for 16586
institutionalization, consistent with the original order of 16587
commitment of the child, or in any case may make any other 16588
disposition of the child authorized by law that the court 16589
considers proper. If the court of the county in which the child is 16590
placed orders the child to be returned to a department of youth 16591
services institution, the time during which the child was held in 16592
a secure department facility prior to the child's judicial release 16593
shall be considered as time served in fulfilling the prescribed 16594
period of institutionalization that is applicable to the child 16595
under the child's original order of commitment. If the court 16596
orders the child returned to a department institution, the child 16597
shall remain in institutional care for a minimum of three months 16598
or until the child successfully completes a revocation program of 16599
a duration of not less than thirty days operated either by the 16600
department or by an entity with which the department has 16601
contracted to provide a revocation program. 16602

(F) The department of youth services, prior to the release of 16603
a child pursuant to division (C) of this section or pursuant to 16604
division (D) of this section on department supervision, shall do 16605
all of the following: 16606

(1) After reviewing the child's rehabilitative progress 16607
history and medical and educational records, prepare a written 16608
treatment and rehabilitation plan for the child that includes 16609
conditions of the release; 16610

(2) Completely discuss the conditions of the plan prepared 16611
pursuant to division (F)(1) of this section and the possible 16612
penalties for violation of the plan with the child and the child's 16613
parents, guardian, or legal custodian; 16614

(3) Have the plan prepared pursuant to division (F)(1) of 16615
this section signed by the child, the child's parents, legal 16616
guardian, or custodian, and any authority or person that is to 16617

supervise, control, and provide supportive assistance to the child 16618
at the time of the child's release pursuant to division (C) or (D) 16619
of this section; 16620

(4) Prior to the child's release, file a copy of the 16621
treatment plan prepared pursuant to division (F)(1) of this 16622
section with the committing court and the juvenile court of the 16623
county in which the child is to be placed. 16624

(G) The department of youth services shall file a written 16625
progress report with the committing court regarding each child 16626
released pursuant to division (C) of this section or released 16627
pursuant to division (D) of this section on judicial release to 16628
department supervision at least once every thirty days unless 16629
specifically directed otherwise by the court. The report shall 16630
indicate the treatment and rehabilitative progress of the child 16631
and the child's family, if applicable, and shall include any 16632
suggestions for altering the program, custody, living 16633
arrangements, or treatment. The department shall retain legal 16634
custody of a child so released until it discharges the child or 16635
until the custody is terminated as otherwise provided by law. 16636

(H) When a child is committed to the legal custody of the 16637
department of youth services, the court retains jurisdiction to 16638
perform the functions specified in section 5139.51 of the Revised 16639
Code with respect to the granting of supervised release by the 16640
release authority and to perform the functions specified in 16641
section 5139.52 of the Revised Code with respect to violations of 16642
the conditions of supervised release granted by the release 16643
authority and to the revocation of supervised release granted by 16644
the release authority. 16645

Sec. 2301.01. There shall be a court of common pleas in each 16646
county held by one or more judges, each of whom has been admitted 16647
to practice as an attorney at law in this state and has, for a 16648

total of at least six years preceding the judge's appointment or 16649
commencement of the judge's term, engaged in the practice of law 16650
in this state or served as a judge of a court of record in any 16651
jurisdiction in the United States, or both, resides in the county, 16652
and is elected by the electors therein. ~~At least two of the years~~ 16653
~~of practice or service that qualify a judge shall have been in~~ 16654
~~this state.~~ Each judge shall be elected for six years at the 16655
general election immediately preceding the year in which the term, 16656
as provided in sections 2301.02 and 2301.03 of the Revised Code, 16657
commences, and the judge's successor shall be elected at the 16658
general election immediately preceding the expiration of that 16659
term. 16660

Sec. 2301.03. (A) In Franklin county, the judges of the court 16661
of common pleas whose terms begin on January 1, 1953, January 2, 16662
1953, January 5, 1969, January 5, 1977, and January 2, 1997, and 16663
successors, shall have the same qualifications, exercise the same 16664
powers and jurisdiction, and receive the same compensation as 16665
other judges of the court of common pleas of Franklin county and 16666
shall be elected and designated as judges of the court of common 16667

court has jurisdiction, and all divorce, dissolution of marriage, 16672
legal separation, and annulment cases shall be assigned to them. 16673
In addition to the judge's regular duties, the judge who is senior 16674
in point of service shall serve on the children services board and 16675
the county advisory board and shall be the administrator of the 16676
domestic relations division and its subdivisions and departments. 16677

(B) In Hamilton county: 16678
16679

(1) The judge of the court of common pleas, whose term begins 16680
on January 1, 1957, and successors, and the judge of the court of 16681
common pleas, whose term begins on February 14, 1967, and 16682

(2) The judges of the court of common pleas whose terms begin 16686
on January 5, 1957, January 16, 1981, and July 1, 1991, and 16687

after the first day of July and before the first day of August of 16692
1991 and each year thereafter, a majority of the judges of the 16693
division of domestic relations shall elect one of the judges of 16694
the division as administrative judge of that division. If a 16695
majority of the judges of the division of domestic relations are 16696
unable for any reason to elect an administrative judge for the 16697
division before the first day of August, a majority of the judges 16698
of the Hamilton county court of common pleas, as soon as possible 16699
after that date, shall elect one of the judges of the division of 16700
domestic relations as administrative judge of that division. The 16701
term of the administrative judge shall begin on the earlier of the 16702
first day of August of the year in which the administrative judge 16703

administrative judge's successor is elected in the following year. 16707

In addition to the judge's regular duties, the administrative 16708
judge of the division of domestic relations shall be the 16709
administrator of the domestic relations division and its 16710

employment, assignment, and supervision of the personnel of the 16712
division engaged in handling, servicing, or investigating divorce, 16713
dissolution of marriage, legal separation, and annulment cases, 16714
including any referees considered necessary by the judges in the 16715
discharge of their various duties. 16716

The administrative judge of the division of domestic 16717
relations also shall designate the title, compensation, expense 16718
allowances, hours, leaves of absence, and vacations of the 16719
personnel of the division, and shall fix the duties of its 16720
personnel. The duties of the personnel, in addition to those 16721

requesting them, whether or not the persons are parties to an 16726
action pending in the division. 16727

Sec. 2305.02. A The court of common pleas in the county where 18332

shall comply with division (B) of that section. 18342

Sec. 2307.89. The following apply to all tort actions for 18343
silicosis or mixed dust disease claims brought against a premises 18344
owner to recover damages or other relief for exposure to silica or 18345
mixed dust on the premises owner's property: 18346

(A) A premises owner is not liable for any injury to any 18347
individual resulting from silica or mixed dust exposure unless 18348
that individual's alleged exposure occurred while the individual 18349
was at the premises owner's property. 18350

(B) If exposure to silica or mixed dust is alleged to have 18351
occurred before January 1, 1972, it is presumed that a premises 18352
owner knew that this state had adopted safe levels of exposure for 18353
silica or mixed dust and that products containing silica or mixed 18354
dust were used on its property only at levels below those safe 18355
levels of exposure. To rebut this presumption, the plaintiff must 18356
prove by a preponderance of the evidence that the premises owner 18357
knew or should have known that the levels of silica or mixed dust 18358
in the immediate breathing zone of the plaintiff regularly 18359
exceeded the threshold limit values adopted by this state and that 18360
the premises owner allowed that condition to persist. 18361

(C)(1) A premises owner is presumed to be not liable for any 18362
injury to any invitee who was engaged to work with, install, or 18363
remove products containing silica or mixed dust on the premises 18364

owner's property if the invitee's employer held itself out as 18365
qualified to perform the work. To rebut this presumption, the 18366
plaintiff must demonstrate by a preponderance of the evidence that 18367
the premises owner had actual knowledge of the potential dangers 18368
of the products containing silica or mixed dust at the time of the 18369
alleged exposure that was superior to the knowledge of both the 18370
invitee and the invitee's employer. 18371

(2) A premises owner that hired a contractor before January 18372
1, 1972, to perform the type of work at the premises owner's 18373
property that the contractor was qualified to perform cannot be 18374
liable for any injury to any individual resulting from silica or 18375
mixed dust exposure caused by any of the contractor's employees or 18376
agents on the premises owner's property unless the premises owner 18377
directed the activity that resulted in the injury or gave or 18378
denied permission for the critical acts that led to the 18379
individual's injury. 18380

(3) If exposure to silica or mixed dust is alleged to have 18381
occurred after January 1, 1972, a premises owner is not liable for 18382
any injury to any individual resulting from that exposure caused 18383
by a contractor's employee or agent on the premises owner's 18384
property unless the plaintiff establishes the premises owner's 18385
intentional violation of an established safety standard that was 18386
in effect at the time of the exposure and that the alleged 18387
violation was in the plaintiff's breathing zone and was the 18388
proximate cause of the plaintiff's medical condition. 18389

(D) As used in this section: 18390

(1) "Threshold limit values" means the maximum allowable 18391
concentration of silica, or other dust, set forth in regulation 18392
247 of the "regulations for the prevention and control of diseases 18393
resulting from exposure to toxic fumes, vapors, mists, gases, and 18394
dusts in order to preserve and protect the public health," as 18395
adopted by the former public health council of the department of 18396

health on January 1, 1947, and set forth by the industrial 18397
commission of Ohio in bulletin no. 203, "specific requirements and 18398
general safety standards of the industrial commission of Ohio for 18399
work shops and factories, chapter XV, ventilation and exhausts," 18400
effective January 3, 1955. 18401

(2) "Established safety standard" means that, for the years 18402
after 1971, the concentration of silica or mixed dust in the 18403
breathing zone of the worker does not exceed the maximum allowable 18404
exposure limits for the eight-hour time-weighted average airborne 18405
concentration as promulgated by the occupational safety and health 18406
administration (OSHA) in effect at the time of the alleged 18407
exposure. 18408

(3) "Employee" means an individual who performs labor or 18409
provides construction services pursuant to a construction 18410
contract, as defined in section 4123.79 of the Revised Code, or a 18411
remodeling or repair contract, whether written or oral, if at 18412
least ten of the following criteria apply: 18413

(a) The individual is required to comply with instructions 18414

acting as the clerk of the court of appeals for the county, may 19244
refuse to accept for filing any pleading or paper submitted for 19245
filing by a person who has been found to be a vexatious litigator 19246

but not limited to, the acquisition of additional facilities or 19268
the rehabilitation of existing facilities, the acquisition of 19269
equipment, the hiring and training of staff, the employment of 19270
magistrates, the training and education of judges, acting judges, 19271

Sec. 2503.01. The supreme court shall consist of a chief 19320
justice and six justices, each of whom has been admitted to 19321
practice as an attorney at law in this state and has, for a total 19322

Sec. 2743.02. (A)(1) The state hereby waives its immunity 19328
from liability, except as provided for the office of the state 19329
fire marshal in division (G)(1) of section 9.60 and division (B) 19330
of section 3737.221 of the Revised Code and subject to division 19331
(H) of this section, and consents to be sued, and have its 19332
liability determined, in the court of claims created in this 19333
chapter in accordance with the same rules of law applicable to 19334
suits between private parties, except that the determination of 19335
liability is subject to the limitations set forth in this chapter 19336
and, in the case of state universities or colleges, in section 19337
3345.40 of the Revised Code, and except as provided in division 19338
(A)(2) or (3) of this section. To the extent that the state has 19339
previously consented to be sued, this chapter has no 19340
applicability. 19341

Except in the case of a civil action filed by the state, 19342
filing a civil action in the court of claims results in a complete 19343
waiver of any cause of action, based on the same act or omission, 19344
~~which that~~ the filing party has against any officer or employee, 19345
as defined in section 109.36 of the Revised Code. The waiver shall 19346
be void if the court determines that the act or omission was 19347
manifestly outside the scope of the officer's or employee's office 19348
or employment or that the officer or employee acted with malicious 19349
purpose, in bad faith, or in a wanton or reckless manner. 19350

(2) If a claimant proves in the court of claims that an 19351
officer or employee, as defined in section 109.36 of the Revised 19352
Code, would have personal liability for the officer's or 19353
employee's acts or omissions but for the fact that the officer or 19354
employee has personal immunity under section 9.86 of the Revised 19355

Code, the state shall be held liable in the court of claims in any 19356
action that is timely filed pursuant to section 2743.16 of the 19357
Revised Code and that is based upon the acts or omissions. 19358

(3)(a) Except as provided in division (A)(3)(b) of this 19359
section, the state is immune from liability in any civil action or 19360
proceeding involving the performance or nonperformance of a public 19361
duty, including the performance or nonperformance of a public duty 19362
that is owed by the state in relation to any action of an 19363
individual who is committed to the custody of the state. 19364

(b) The state immunity provided in division (A)(3)(a) of this 19365
section does not apply to any action of the state under 19366
circumstances in which a special relationship can be established 19367
between the state and an injured party. A special relationship 19368
under this division is demonstrated if all of the following 19369
elements exist: 19370

(i) An assumption by the state, by means of promises or 19371
actions, of an affirmative duty to act on behalf of the party who 19372
was allegedly injured; 19373

(ii) Knowledge on the part of the state's agents that 19374
inaction of the state could lead to harm; 19375

(iii) Some form of direct contact between the state's agents 19376
and the injured party; 19377

(iv) The injured party's justifiable reliance on the state's 19378
affirmative undertaking. 19379

(B) The state hereby waives the immunity from liability of 19380
all hospitals owned or operated by one or more political 19381
subdivisions and consents for them to be sued, and to have their 19382
liability determined, in the court of common pleas, in accordance 19383
with the same rules of law applicable to suits between private 19384
parties, subject to the limitations set forth in this chapter. 19385
This division is also applicable to hospitals owned or operated by 19386

political subdivisions ~~which~~ that have been determined by the 19387
supreme court to be subject to suit prior to July 28, 1975. 19388

(C) Any hospital, as defined in section 2305.113 of the 19389
Revised Code, may purchase liability insurance covering its 19390
operations and activities and its agents, employees, nurses, 19391
interns, residents, staff, and members of the governing board and 19392
committees, and, whether or not such insurance is purchased, may, 19393
to ~~such~~ the extent ~~as~~ that its governing board considers 19394
appropriate, indemnify or agree to indemnify and hold harmless any 19395
such person against expense, including attorney's fees, damage, 19396
loss, or other liability arising out of, or claimed to have arisen 19397
out of, the death, disease, or injury of any person as a result of 19398
the negligence, malpractice, or other action or inaction of the 19399
indemnified person while acting within the scope of the 19400
indemnified person's duties or engaged in activities at the 19401
request or direction, or for the benefit, of the hospital. Any 19402
hospital electing to indemnify ~~such~~ those persons, or to agree to 19403
so indemnify, shall reserve ~~such~~ any funds ~~as~~ that are necessary, 19404
in the exercise of sound and prudent actuarial judgment, to cover 19405
the potential expense, fees, damage, loss, or other liability. The 19406
superintendent of insurance may recommend, or, if ~~such~~ the 19407
hospital requests the superintendent to do so, the superintendent 19408
shall recommend, a specific amount for any period that, in the 19409
superintendent's opinion, represents such a judgment. This 19410
authority is in addition to any authorization otherwise provided 19411
or permitted by law. 19412

(D) Recoveries against the state shall be reduced by the 19413
aggregate of insurance proceeds, disability award, or other 19414
collateral recovery received by the claimant. This division does 19415
not apply to civil actions in the court of claims against a state 19416
university or college under the circumstances described in section 19417
3345.40 of the Revised Code. The collateral benefits provisions of 19418

division (B)(2) of that section apply under those circumstances. 19419

(E) The only defendant in original actions in the court of 19420
claims is the state. The state may file a third-party complaint or 19421
counterclaim in any civil action, except a civil action for ~~two~~ 19422
~~ten~~ thousand ~~five hundred~~ dollars or less, that is filed in the 19423
court of claims. 19424

(F) A civil action against an officer or employee, as defined 19425
in section 109.36 of the Revised Code, that alleges that the 19426
officer's or employee's conduct was manifestly outside the scope 19427
of the officer's or employee's employment or official 19428
responsibilities, or that the officer or employee acted with 19429
malicious purpose, in bad faith, or in a wanton or reckless manner 19430
shall first be filed against the state in the court of claims, 19431
~~which that~~ has exclusive, original jurisdiction to determine, 19432
initially, whether the officer or employee is entitled to personal 19433
immunity under section 9.86 of the Revised Code and whether the 19434
courts of common pleas have jurisdiction over the civil action. 19435
The officer or employee may participate in the immunity 19436
determination proceeding before the court of claims to determine 19437
whether the officer or employee is entitled to personal immunity 19438
under section 9.86 of the Revised Code. 19439

The filing of a claim against an officer or employee under 19440
this division tolls the running of the applicable statute of 19441
limitations until the court of claims determines whether the 19442
officer or employee is entitled to personal immunity under section 19443
9.86 of the Revised Code. 19444

(G) ~~Whenever~~ If a claim lies against an officer or employee 19445
who is a member of the Ohio national guard, and the officer or 19446
employee was, at the time of the act or omission complained of, 19447
subject to the "Federal Tort Claims Act," 60 Stat. 842 (1946), 28 19448
U.S.C. 2671, et seq., ~~then~~ the Federal Tort Claims Act is the 19449
exclusive remedy of the claimant and the state has no liability 19450

under this section. 19451

(H) If an inmate of a state correctional institution has a 19452
claim against the state for the loss of or damage to property and 19453
the amount claimed does not exceed three hundred dollars, before 19454
commencing an action against the state in the court of claims, the 19455
inmate shall file a claim for the loss or damage under the rules 19456
adopted by the director of rehabilitation and correction pursuant 19457
to this division. The inmate shall file the claim within the time 19458
allowed for commencement of a civil action under section 2743.16 19459
of the Revised Code. If the state admits or compromises the claim, 19460
the director shall make payment from a fund designated by the 19461
director for that purpose. If the state denies the claim or does 19462
not compromise the claim at least sixty days prior to expiration 19463
of the time allowed for commencement of a civil action based upon 19464
the loss or damage under section 2743.16 of the Revised Code, the 19465
inmate may commence an action in the court of claims under this 19466
chapter to recover damages for the loss or damage. 19467

been found to be a vexatious litigator under section 2323.52 of 19487
the Revised Code and who has failed to obtain leave to proceed 19488
under that section. 19489

Upon the commencement of an action or claim, the clerk shall 19490
assign it a number. This number shall be placed on the first page, 19491

commenced, the clerk shall enter the full names of the claimant, 19509
the victim, and the attorneys in the appearance docket and shall 19510
index the claim alphabetically by the last name of the claimant 19511
and the victim. Thereafter, the clerk shall chronologically note 19512

in the appearance docket all process issued and returns, motions, 19513

person who has been found to be a vexatious litigator under 19536
section 2323.52 of the Revised Code and who has failed to obtain 19537
leave to proceed under that section and if the clerk refused 19538

This division applies with respect to all prison terms imposed for an offense of a type described in this division, including a term imposed for any such offense that is a risk reduction sentence, as defined in section 2967.28 of the Revised Code. section that the offender will be supervised under section 2967.28 20893
of the Revised Code after the offender leaves prison or to include 20894
in the judgment of conviction entered on the journal a statement 20895
to that effect does not negate, limit, or otherwise affect the 20896
mandatory period of supervision that is required for the offender 20897
under division (B) of section 2967.28 of the Revised Code. Section 20898
2929.191 of the Revised Code applies if, prior to July 11, 2006, a 20899
court imposed a sentence including a prison term of a type 20900
described in division (B)(2)(c) of this section and failed to 20901
notify the offender pursuant to division (B)(2)(c) of this section 20902

(B)(2)(c) of this section. This division applies with respect to 20910
all prison terms imposed for an offense of a type described in 20911
this division, including a term imposed for any such offense that 20912
is a risk reduction sentence, as defined in section 2967.28 of the 20913
Revised Code. Section 2929.191 of the Revised Code applies if, 20914
prior to July 11, 2006, a court imposed a sentence including a 20915
prison term of a type described in division (B)(2)(d) of this 20916
section and failed to notify the offender pursuant to division 20917

the sentence a statement regarding post-release control. 20920

(e) Notify the offender that, if a period of supervision is 20921
imposed following the offender's release from prison, as described 20922
in division (B)(2)(c) or (d) of this section, and if the offender 20923
violates that supervision or a condition of post-release control 20924

imposed under division (B) of section 2967.131 of the Revised Code, the parole board may impose a prison term, as part of the sentence, of up to one-half of the stated prison term originally imposed upon the offender. If a court imposes a sentence including a prison term on or after July 11, 2006, the failure of a court to notify the offender pursuant to division (B)(2)(e) of this section that the parole board may impose a prison term as described in division (B)(2)(e) of this section for a violation of that supervision or a condition of post-release control imposed under division (B) of section 2967.131 of the Revised Code or to include in the judgment of conviction entered on the journal a statement to that effect does not negate, limit, or otherwise affect the authority of the parole board to so impose a prison term for a violation of that nature if, pursuant to division (D)(1) of section 2967.28 of the Revised Code, the parole board notifies the offender prior to the offender's release of the board's authority to so impose a prison term. Section 2929.191 of the Revised Code applies if, prior to July 11, 2006, a court imposed a sentence including a prison term and failed to notify the offender pursuant to division (B)(2)(e) of this section regarding the possibility of the parole board imposing a prison term for a violation of supervision or a condition of post-release control.

(f) Require that the offender not ingest or be injected with a drug of abuse and submit to random drug testing as provided in section 341.26, 753.33, or 5120.63 of the Revised Code, whichever is applicable to the offender who is serving a prison term, and require that the results of the drug test administered under any of those sections indicate that the offender did not ingest or was not injected with a drug of abuse.

(g) Include in the offender's sentence a statement notifying the offender of the information described in division (F)(3) of section 2929.14 of the Revised Code regarding earned credits under

section 2967.193 of the Revised Code. 20957

(h)(i) Determine, notify the offender of, and include in the 20958
sentencing entry the number of days that the offender has been 20959
confined for any reason arising out of the offense for which the 20960
offender is being sentenced and by which the department of 20961
rehabilitation and correction must reduce the stated prison term 20962
under section 2967.191 of the Revised Code. The court's 20963
calculation shall not include the number of days, if any, that the 20964
offender previously served in the custody of the department of 20965
rehabilitation and correction arising out of the offense for which 20966
the prisoner was convicted and sentenced. 20967

(ii) In making a determination under division (B)(2)(h)(i) of 20968
this section, the court shall consider the arguments of the 20969
parties and conduct a hearing if one is requested. 20970

(iii) The sentencing court retains continuing jurisdiction to 20971
correct any error not previously raised at sentencing in making a 20972
determination under division (B)(2)(h)(i) of this section. The 20973
offender may, at any time after sentencing, file a motion in the 20974
sentencing court to correct any error made in making a 20975
determination under division (B)(2)(h)(i) of this section, and the 20976
court may in its discretion grant or deny that motion. If the 20977
court changes the number of days in its determination or 20978
redetermination, the court shall cause the entry granting that 20979
change to be delivered to the department of rehabilitation and 20980
correction without delay. Sections 2931.15 and 2953.21 of the 20981
Revised Code do not apply to a motion made under this section. 20982

(iv) An inaccurate determination under division (B)(2)(h)(i) 20983
of this section is not grounds for setting aside the offender's 20984
conviction or sentence and does not otherwise render the sentence 20985
void or voidable. 20986

(3)(a) The court shall include in the offender's sentence a 20987

statement that the offender is a tier III sex 20988
offender/child-victim offender, and the court shall comply with 20989
the requirements of section 2950.03 of the Revised Code if any of 20990
the following apply: 20991

(i) The offender is being sentenced for a violent sex offense 20992
or designated homicide, assault, or kidnapping offense that the 20993

is adjudicated a sexually violent predator in relation to that 20995
offense. 20996

(ii) The offender is being sentenced for a sexually oriented 20997
offense that the offender committed on or after January 1, 1997, 20998
and the offender is a tier III sex offender/child-victim offender 20999
relative to that offense. 21000

(iii) The offender is being sentenced on or after July 31, 21001
2003, for a child-victim oriented offense, and the offender is a 21002
tier III sex offender/child-victim offender relative to that 21003
offense. 21004

(iv) The offender is being sentenced under section 2971.03 of 21005
the Revised Code for a violation of division (A)(1)(b) of section 21006
2907.02 of the Revised Code committed on or after January 2, 2007. 21007

parole under division (B) of section 2907.02 of the Revised Code. 21009

(vi) The offender is being sentenced for attempted rape 21010
committed on or after January 2, 2007, and a specification of the 21011
type described in section 2941.1418, 2941.1419, or 2941.1420 of 21012
the Revised Code. 21013

(vii) The offender is being sentenced under division 21014
(B)(3)(a), (b), (c), or (d) of section 2971.03 of the Revised Code 21015
for an offense described in those divisions committed on or after 21016
January 1, 2008. 21017

(b) Additionally, if any criterion set forth in divisions 21018
(B)(3)(a)(i) to (vii) of this section is satisfied, in the 21019
circumstances described in division (E) of section 2929.14 of the 21020
Revised Code, the court shall impose sentence on the offender as 21021
described in that division. 21022

(4) If the sentencing court determines at the sentencing 21023
hearing that a community control sanction should be imposed and 21024
the court is not prohibited from imposing a community control 21025
sanction, the court shall impose a community control sanction. The 21026
court shall notify the offender that, if the conditions of the 21027
sanction are violated, if the offender commits a violation of any 21028
law, or if the offender leaves this state without the permission 21029
of the court or the offender's probation officer, the court may 21030
impose a longer time under the same sanction, may impose a more 21031
restrictive sanction, or may impose a prison term on the offender 21032
and shall indicate the specific prison term that may be imposed as 21033
a sanction for the violation, as selected by the court from the 21034
range of prison terms for the offense pursuant to section 2929.14 21035
of the Revised Code. 21036

(5) Before imposing a financial sanction under section 21037
2929.18 of the Revised Code or a fine under section 2929.32 of the 21038
Revised Code, the court shall consider the offender's present and 21039
future ability to pay the amount of the sanction or fine. 21040

(6) If the sentencing court sentences the offender to a 21041
sanction of confinement pursuant to section 2929.14 or 2929.16 of 21042
the Revised Code that is to be served in a local detention 21043
facility, as defined in section 2929.36 of the Revised Code, and 21044

21053
21054
21055

(ii) If the offender does not dispute the bill described in division (B)(6)(a)(i) of this section and does not pay the bill by the times specified in section 2929.37 of the Revised Code, the clerk of the court may issue a certificate of judgment against the offender as described in that section. 21056
21057

21060

(b) The sentence automatically includes any certificate of judgment issued as described in division (B)(6)(a)(ii) of this section. 21061
21062
21063

(7) The failure of the court to notify the offender that a prison term is a mandatory prison term pursuant to division (B)(2)(a) of this section or to include in the sentencing entry any information required by division (B)(2)(b) of this section does not affect the validity of the imposed sentence or sentences. 21064
21065
21066
21067
21068
21069
21070
21071
21072
21073
21074
21075
21076
21077

(C)(1) If the offender is being sentenced for a fourth degree felony OVI offense under division (G)(1) of section 2929.13 of the Revised Code, the court shall impose the mandatory term of local 21078

addition to the mandatory prison term or mandatory prison term and 21096
additional prison term the court imposes, the court also may 21097
impose a community control sanction on the offender, but the 21098
offender shall serve all of the prison terms so imposed prior to 21099

victim of the offense specifically consent to the filing of 21389
charges against the person who has committed the offense or sign a 21390
complaint against the person who has committed the offense. 21391

(ii) If a person is arrested for or charged with committing 21392

of this section shall not consider as a factor any possible 21413
shortage of cell space at the detention facility to which the 21414
person will be taken subsequent to the person's arrest or any 21415
possibility that the person's arrest might cause, contribute to, 21416
or exacerbate overcrowding at that detention facility or at any 21417
other detention facility. 21418

(g) If a peace officer described in division (A) of this 21419
section intends pursuant to divisions (B)(3)(a) to (g) of this 21420

evaluations of the defendant's present mental condition or, in the 21686

case of a plea of not guilty by reason of insanity, of the 21687
defendant's mental condition at the time of the offense charged. 21688
An examiner shall conduct the evaluation. 21689

(B) If the court orders more than one evaluation under 21690
division (A) of this section, the prosecutor and the defendant may 21691
recommend to the court an examiner whom each prefers to perform 21692
one of the evaluations. If a defendant enters a plea of not guilty 21693
by reason of insanity and if the court does not designate an 21694
examiner recommended by the defendant, the court shall inform the 21695
defendant that the defendant may have independent expert 21696
evaluation and that, if the defendant is unable to obtain 21697
independent expert evaluation, it will be obtained for the 21698
defendant at public expense if the defendant is indigent. 21699

(C) If the court orders an evaluation under division (A) of 21700
this section, the defendant shall be available at the times and 21701
places established by the examiners who are to conduct the 21702
evaluation. The court may order a defendant who has been released 21703
on bail or recognizance to submit to an evaluation under this 21704
section. If a defendant who has been released on bail or 21705
recognizance refuses to submit to a complete evaluation, the court 21706
may amend the conditions of bail or recognizance and order the 21707
sheriff to take the defendant into custody and deliver the 21708
defendant to a center, program, or facility operated or certified 21709

evaluation for a reasonable period of time not to exceed twenty 21712
days. 21713

(D) A defendant who has not been released on bail or 21714
recognizance may be evaluated at the defendant's place of 21715
detention. Upon the request of the examiner, the court may order 21716
the sheriff to transport the defendant to a program or facility 21717
operated or certified by the department of mental health or the 21718

department of developmental disabilities, where the defendant may 21719
be held for evaluation for a reasonable period of time not to 21720
exceed twenty days, and to return the defendant to the place of 21721
detention after the evaluation. A municipal court may make an 21722
order under this division only upon the request of a certified 21723
forensic center examiner. 21724

(E) If a court orders the evaluation to determine a 21725
defendant's mental condition at the time of the offense charged, 21726
the court shall inform the examiner of the offense with which the 21727
defendant is charged. 21728

(F) In conducting an evaluation of a defendant's mental 21729
condition at the time of the offense charged, the examiner shall 21730
consider all relevant evidence. If the offense charged involves 21731
the use of force against another person, the relevant evidence to 21732
be considered includes, but is not limited to, any evidence that 21733
the defendant suffered, at the time of the commission of the 21734
offense, from the "battered woman syndrome." 21735

(G) The examiner shall file a written report with the court 21736
within thirty days after entry of a court order for evaluation, 21737
and the court shall provide copies of the report to the prosecutor 21738
and defense counsel. The report shall include all of the 21739
following: 21740

(1) The examiner's findings; 21741

(2) The facts in reasonable detail on which the findings are 21742
based; 21743

(3) If the evaluation was ordered to determine the 21744
defendant's competence to stand trial, all of the following 21745
findings or recommendations that are applicable: 21746

(a) Whether the defendant is capable of understanding the 21747
nature and objective of the proceedings against the defendant or 21748
of assisting in the defendant's defense; 21749

(b) If the examiner's opinion is that the defendant is 21750
incapable of understanding the nature and objective of the 21751
proceedings against the defendant or of assisting in the 21752
defendant's defense, whether the defendant presently is mentally 21753
ill or mentally retarded and, if the examiner's opinion is that 21754
the defendant presently is mentally retarded, whether the 21755
defendant appears to be a mentally retarded person subject to 21756
institutionalization by court order; 21757

(c) If the examiner's opinion is that the defendant is 21758
incapable of understanding the nature and objective of the 21759
proceedings against the defendant or of assisting in the 21760
defendant's defense, the examiner's opinion as to the likelihood 21761
of the defendant becoming capable of understanding the nature and 21762
objective of the proceedings against the defendant and of 21763
assisting in the defendant's defense within one year if the 21764
defendant is provided with a course of treatment; 21765

(d) If the examiner's opinion is that the defendant is 21766
incapable of understanding the nature and objective of the 21767
proceedings against the defendant or of assisting in the 21768
defendant's defense and that the defendant presently is mentally 21769
ill or mentally retarded, the examiner's recommendation as to the 21770
least restrictive placement or commitment alternative, consistent 21771
with the defendant's treatment needs for restoration to competency 21772
and with the safety of the community; 21773

~~(e) If the defendant is charged with a misdemeanor offense 21774
that is not an offense of violence and the examiner's opinion is 21775
that the defendant is incapable of understanding the nature and 21776
objective of the proceedings against the defendant or of assisting 21777
in the defendant's defense and that the defendant is presently 21778
mentally ill or mentally retarded, the examiner's recommendation 21779
as to whether the defendant is amenable to engagement in mental 21780
health treatment or developmental disability services. 21781~~

(4) If the evaluation was ordered to determine the defendant's mental condition at the time of the offense charged, the examiner's findings as to whether the defendant, at the time of the offense charged, did not know, as a result of a severe mental disease or defect, the wrongfulness of the defendant's acts charged.

(H) If the examiner's report filed under division (G) of this section indicates that in the examiner's opinion the defendant is incapable of understanding the nature and objective of the proceedings against the defendant or of assisting in the defendant's defense and that in the examiner's opinion the defendant appears to be a mentally retarded person subject to institutionalization by court order, the court shall order the defendant to undergo a separate mental retardation evaluation conducted by a psychologist designated by the director of developmental disabilities. Divisions (C) to (F) of this section apply in relation to a separate mental retardation evaluation conducted under this division. The psychologist appointed under this division to conduct the separate mental retardation evaluation shall file a written report with the court within thirty days after the entry of the court order requiring the separate mental retardation evaluation, and the court shall provide copies of the report to the prosecutor and defense counsel. The report shall include all of the information described in divisions (G)(1) to (4) of this section. If the court orders a separate mental retardation evaluation of a defendant under this division, the court shall not conduct a hearing under divisions (B) to (H) of section 2945.37 of the Revised Code regarding that defendant until a report of the separate mental retardation evaluation conducted under this division has been filed. Upon the filing of that report, the court shall conduct the hearing within the period of time specified in division (C) of section 2945.37 of the Revised Code.

(I) An examiner appointed under divisions (A) and (B) of this section or under division (H) of this section to evaluate a defendant to determine the defendant's competence to stand trial also may be appointed to evaluate a defendant who has entered a plea of not guilty by reason of insanity, but an examiner of that nature shall prepare separate reports on the issue of competence to stand trial and the defense of not guilty by reason of insanity.

(J) No statement that a defendant makes in an evaluation or hearing under divisions (A) to (H) of this section relating to the defendant's competence to stand trial or to the defendant's mental condition at the time of the offense charged shall be used against the defendant on the issue of guilt in any criminal action or proceeding, but, in a criminal action or proceeding, the prosecutor or defense counsel may call as a witness any person who evaluated the defendant or prepared a report pursuant to a referral under this section. Neither the appointment nor the testimony of an examiner appointed under this section precludes the prosecutor or defense counsel from calling other witnesses or presenting other evidence on competency or insanity issues.

(K) Persons appointed as examiners under divisions (A) and (B) of this section or under division (H) of this section shall be paid a reasonable amount for their services and expenses, as certified by the court. The certified amount shall be paid by the county in the case of county courts and courts of common pleas and by the legislative authority, as defined in section 1901.03 of the Revised Code, in the case of municipal courts.

Sec. 2945.38. (A) If the issue of a defendant's competence to stand trial is raised and if the court, upon conducting the hearing provided for in section 2945.37 of the Revised Code, finds that the defendant is competent to stand trial, the defendant

shall be proceeded against as provided by law. If the court finds 21846
the defendant competent to stand trial and the defendant is 21847
receiving psychotropic drugs or other medication, the court may 21848
authorize the continued administration of the drugs or medication 21849
or other appropriate treatment in order to maintain the 21850
defendant's competence to stand trial, unless the defendant's 21851
attending physician advises the court against continuation of the 21852
drugs, other medication, or treatment. 21853

(B)(1)(a) If, after taking into consideration all relevant 21854
reports, information, and other evidence, the court finds that the 21855
defendant is incompetent to stand trial and that there is a 21856
substantial probability that the defendant will become competent 21857
to stand trial within one year if the defendant is provided with a 21858
course of treatment, the court shall order the defendant to 21859
undergo treatment. If the defendant has been charged with a felony 21860
offense and if, after taking into consideration all relevant 21861
reports, information, and other evidence, the court finds that the 21862
defendant is incompetent to stand trial, but the court is unable 21863
at that time to determine whether there is a substantial 21864
probability that the defendant will become competent to stand 21865
trial within one year if the defendant is provided with a course 21866
of treatment, the court shall order continuing evaluation and 21867
treatment of the defendant for a period not to exceed four months 21868
to determine whether there is a substantial probability that the 21869
defendant will become competent to stand trial within one year if 21870
the defendant is provided with a course of treatment. 21871

(b) The court order for the defendant to undergo treatment or 21872
continuing evaluation and treatment under division (B)(1)(a) of 21873
this section shall specify that the defendant, if determined to 21874
require mental health treatment or continuing evaluation and 21875
treatment, either shall be committed to the department of mental 21876
health for treatment or continuing evaluation and treatment at a 21877

hospital, facility, or agency, as determined to be clinically 21878
appropriate by the department of mental health ~~and~~ or shall be 21879
committed to a facility certified by the department of mental 21880
health as being qualified to treat mental illness, to a public or 21881
community mental health facility, or to a psychiatrist or another 21882
mental health professional for treatment or continuing evaluation 21883
and treatment. Prior to placing the defendant, the department of 21884
mental health shall obtain court approval for that placement 21885
following a hearing. The court order for the defendant to undergo 21886
treatment or continuing evaluation and treatment under division 21887
(B)(1)(a) of this section shall specify that the defendant, if 21888
determined to require treatment or continuing evaluation and 21889
treatment for ~~a developmental disability~~ mental retardation, shall 21890
receive treatment or continuing evaluation and treatment at an 21891
institution or facility operated by the department of 21892
developmental disabilities, at a facility certified by the 21893
department of developmental disabilities as being qualified to 21894
treat mental retardation, at a public or private ~~community~~ mental 21895
retardation facility, or by a psychiatrist or another mental 21896
retardation professional. ~~The~~ In any case, the order may restrict 21897
the defendant's freedom of movement as the court considers 21898
necessary. The prosecutor in the defendant's case shall send to 21899
the chief clinical officer of the hospital, facility, or agency 21900
where the defendant is placed by the department of mental health, 21901
or to the managing officer of the institution, the director of the 21902
program or facility, or the person to which the defendant is 21903
committed, copies of relevant police reports and other background 21904
information that pertains to the defendant and is available to the 21905
prosecutor unless the prosecutor determines that the release of 21906
any of the information in the police reports or any of the other 21907
background information to unauthorized persons would interfere 21908
with the effective prosecution of any person or would create a 21909
substantial risk of harm to any person. 21910

~~In committing the defendant to the department of mental health, the court shall consider the extent to which the person is a danger to the person and to others, the need for security, and the type of crime involved and, if the court finds that restrictions on the defendant's freedom of movement are necessary, shall specify the least restrictive limitations on the person's freedom of movement determined to be necessary to protect public safety. In determining the place of commitment alternatives for defendants determined to require treatment or continuing evaluation and treatment for developmental disabilities, the court shall consider the extent to which the person is a danger to the person and to others, the need for security, and the type of crime involved and shall order the least restrictive alternative available that is consistent with public safety and treatment goals. In weighing these factors, the court shall give preference to protecting public safety.~~

that is not an offense of violence, the prosecutor may hold the 21952

section 2945.39 of the Revised Code or files an affidavit in the 21962
probate court for the civil commitment of the defendant pursuant 21963
to Chapter 5122. or 5123. of the Revised Code alleging that the 21964
defendant is a mentally ill person subject to hospitalization by 21965
court order or a mentally retarded person subject to 21966
institutionalization by court order. If an affidavit is filed in 21967
the probate court, the trial court shall send to the probate court 21968
copies of all written reports of the defendant's mental condition 21969
that were prepared pursuant to section 2945.371 of the Revised 21970

5123. of the Revised Code. 21977

(C) No defendant shall be required to undergo treatment, 21978
including any continuing evaluation and treatment, under division 21979
(B)(1) of this section for longer than whichever of the following 21980
periods is applicable: 21981

(1) One year, if the most serious offense with which the 21982
defendant is charged is one of the following offenses: 21983

(a) Aggravated murder, murder, or an offense of violence for 21984
which a sentence of death or life imprisonment may be imposed; 21985

(b) An offense of violence that is a felony of the first or 21986

(c) A conspiracy to commit, an attempt to commit, or 21988
complicity in the commission of an offense described in division 21989
(C)(1)(a) or (b) of this section if the conspiracy, attempt, or 21990
complicity is a felony of the first or second degree. 21991

(2) Six months, if the most serious offense with which the 21992
defendant is charged is a felony other than a felony described in 21993
division (C)(1) of this section; 21994

(3) Sixty days, if the most serious offense with which the 21995
defendant is charged is a misdemeanor of the first or second 21996

shall not voluntarily admit the defendant or be voluntarily 22002
admitted to a hospital or institution pursuant to section 5122.02, 22003
5122.15, 5123.69, or 5123.76 of the Revised Code. 22004

(E) Except as otherwise provided in this division, a 22005

defendant who is charged with an offense and is committed by the 22006
court under this section to the department of mental health ~~with~~ 22007
~~restrictions on the defendant's freedom of movement~~ or is 22008

services if the person who supervises the treatment or the 22015
continuing evaluation and treatment of the defendant ordered under 22016
division (B)(1)(a) of this section informs the court that the 22017
treatment or continuing evaluation and treatment cannot be 22018
provided at the hospital or facility where the defendant is placed 22019
by the department of mental health or the institution or facility 22020
to which the defendant is committed. The chief clinical officer of 22021
the hospital or facility where the defendant is placed by the 22022
department of mental health or the managing officer of the 22023
institution or director of the facility to which the defendant is 22024

defendant, staff, and community during that emergency medical 22028
situation. The chief clinical officer of the hospital or facility 22029
where the defendant is placed by the department of mental health 22030
or the managing officer of the institution or director of the 22031
facility to which the defendant is committed shall notify the 22032
court within twenty-four hours of the defendant's movement to the 22033
medical facility for an emergency medical situation under this 22034
division. 22035

(F) The person who supervises the treatment or continuing 22036
evaluation and treatment of a defendant ordered to undergo 22037
treatment or continuing evaluation and treatment under division 22038

(B)(1)(a) of this section shall file a written report with the court at the following times:

(1) Whenever the person believes the defendant is capable of understanding the nature and objective of the proceedings against the defendant and of assisting in the defendant's defense;

(2) For a felony offense, fourteen days before expiration of the maximum time for treatment as specified in division (C) of this section and fourteen days before the expiration of the maximum time for continuing evaluation and treatment as specified in division (B)(1)(a) of this section, and, for a misdemeanor offense, ten days before the expiration of the maximum time for treatment, as specified in division (C) of this section;

(3) At a minimum, after each six months of treatment;

(4) Whenever the person who supervises the treatment or continuing evaluation and treatment of a defendant ordered under division (B)(1)(a) of this section believes that there is not a substantial probability that the defendant will become capable of understanding the nature and objective of the proceedings against the defendant or of assisting in the defendant's defense even if the defendant is provided with a course of treatment.

(G) A report under division (F) of this section shall contain the examiner's findings, the facts in reasonable detail on which the findings are based, and the examiner's opinion as to the defendant's capability of understanding the nature and objective of the proceedings against the defendant and of assisting in the defendant's defense. If, in the examiner's opinion, the defendant remains incapable of understanding the nature and objective of the proceedings against the defendant and of assisting in the defendant's defense and there is a substantial probability that the defendant will become capable of understanding the nature and objective of the proceedings against the defendant and of

assisting in the defendant's defense if the defendant is provided 22070
with a course of treatment, if in the examiner's opinion the 22071
defendant remains mentally ill or mentally retarded, and if the 22072
maximum time for treatment as specified in division (C) of this 22073
section has not expired, the report also shall contain the 22074
examiner's recommendation as to the least restrictive placement or 22075
commitment alternative that is consistent with the defendant's 22076
treatment needs for restoration to competency and with the safety 22077
of the community. The court shall provide copies of the report to 22078
the prosecutor and defense counsel. 22079

(H) If a defendant is committed pursuant to division (B)(1) 22080
of this section, within ten days after the treating physician of 22081
the defendant or the examiner of the defendant who is employed or 22082
retained by the treating facility advises that there is not a 22083
substantial probability that the defendant will become capable of 22084
understanding the nature and objective of the proceedings against 22085
the defendant or of assisting in the defendant's defense even if 22086
the defendant is provided with a course of treatment, within ten 22087
days after the expiration of the maximum time for treatment as 22088
specified in division (C) of this section, within ten days after 22089
the expiration of the maximum time for continuing evaluation and 22090
treatment as specified in division (B)(1)(a) of this section, 22091
within thirty days after a defendant's request for a hearing that 22092
is made after six months of treatment, or within thirty days after 22093
being advised by the treating physician or examiner that the 22094
defendant is competent to stand trial, whichever is the earliest, 22095
the court shall conduct another hearing to determine if the 22096
defendant is competent to stand trial and shall do whichever of 22097
the following is applicable: 22098

(1) If the court finds that the defendant is competent to 22099
stand trial, the defendant shall be proceeded against as provided 22100
by law. 22101

(2) If the court finds that the defendant is incompetent to stand trial, but that there is a substantial probability that the defendant will become competent to stand trial if the defendant is provided with a course of treatment, and the maximum time for treatment as specified in division (C) of this section has not expired, the court, after consideration of the examiner's recommendation, shall order that treatment be continued, may change the ~~least restrictive limitations on the defendant's freedom of movement~~ facility or program at which the treatment is to be continued, and, ~~if applicable,~~ shall specify whether the treatment ~~for developmental disabilities~~ is to be continued at the same or a different facility or ~~institution~~ program.

(3) If the court finds that the defendant is incompetent to stand trial, if the defendant is charged with an offense listed in division (C)(1) of this section, and if the court finds that there is not a substantial probability that the defendant will become competent to stand trial even if the defendant is provided with a course of treatment, or if the maximum time for treatment relative to that offense as specified in division (C) of this section has expired, further proceedings shall be as provided in sections 2945.39, 2945.401, and 2945.402 of the Revised Code.

(4) If the court finds that the defendant is incompetent to stand trial, if the most serious offense with which the defendant is charged is a misdemeanor or a felony other than a felony listed in division (C)(1) of this section, and if the court finds that there is not a substantial probability that the defendant will become competent to stand trial even if the defendant is provided with a course of treatment, or if the maximum time for treatment relative to that offense as specified in division (C) of this section has expired, the court shall dismiss the indictment, information, or complaint against the defendant. A dismissal under this division is not a bar to further prosecution based on the

same conduct. The court shall discharge the defendant unless the 22134
court or prosecutor files an affidavit in probate court for civil 22135
commitment pursuant to Chapter 5122. or 5123. of the Revised Code. 22136
If an affidavit for civil commitment is filed, the court may 22137
detain the defendant for ten days pending civil commitment. All of 22138
the following provisions apply to persons charged with a 22139
misdemeanor or a felony other than a felony listed in division 22140
(C)(1) of this section who are committed by the probate court 22141
subsequent to the court's or prosecutor's filing of an affidavit 22142
for civil commitment under authority of this division: 22143

(a) The chief clinical officer of the entity, hospital, or 22144
facility, the managing officer of the institution, the director of 22145
the program, or the person to which the defendant is committed or 22146
admitted shall do all of the following: 22147

(i) Notify the prosecutor, in writing, of the discharge of 22148
the defendant, send the notice at least ten days prior to the 22149
discharge unless the discharge is by the probate court, and state 22150
in the notice the date on which the defendant will be discharged; 22151

(ii) Notify the prosecutor, in writing, when the defendant is 22152
absent without leave or is granted unsupervised, off-grounds 22153
movement, and send this notice promptly after the discovery of the 22154
absence without leave or prior to the granting of the 22155
unsupervised, off-grounds movement, whichever is applicable; 22156

(iii) Notify the prosecutor, in writing, of the change of the 22157
defendant's commitment or admission to voluntary status, send the 22158
notice promptly upon learning of the change to voluntary status, 22159
and state in the notice the date on which the defendant was 22160
committed or admitted on a voluntary status. 22161

(b) Upon receiving notice that the defendant will be granted 22162
unsupervised, off-grounds movement, the prosecutor either shall 22163
re-indict the defendant or promptly notify the court that the 22164

prosecutor does not intend to prosecute the charges against the 22165
defendant. 22166

(I) If a defendant is convicted of a crime and sentenced to a 22167
jail or workhouse, the defendant's sentence shall be reduced by 22168
the total number of days the defendant is confined for evaluation 22169
to determine the defendant's competence to stand trial or 22170
treatment under this section and sections 2945.37 and 2945.371 of 22171
the Revised Code or by the total number of days the defendant is 22172
confined for evaluation to determine the defendant's mental 22173
condition at the time of the offense charged. 22174

Sec. 2945.39. (A) If a defendant who is charged with an 22175
offense described in division (C)(1) of section 2945.38 of the 22176
Revised Code is found incompetent to stand trial, after the 22177
expiration of the maximum time for treatment as specified in 22178
division (C) of that section or after the court finds that there 22179
is not a substantial probability that the defendant will become 22180
competent to stand trial even if the defendant is provided with a 22181
course of treatment, one of the following applies: 22182

(1) The court or the prosecutor may file an affidavit in 22183
probate court for civil commitment of the defendant in the manner 22184
provided in Chapter 5122. or 5123. of the Revised Code. If the 22185
court or prosecutor files an affidavit for civil commitment, the 22186
court may detain the defendant for ten days pending civil 22187
commitment. If the probate court commits the defendant subsequent 22188
to the court's or prosecutor's filing of an affidavit for civil 22189
commitment, the chief clinical officer of the entity, hospital, or 22190
facility, the managing officer of the institution, the director of 22191
the program, or the person to which the defendant is committed or 22192
admitted shall send to the prosecutor the notices described in 22193
divisions (H)(4)(a)(i) to (iii) of section 2945.38 of the Revised 22194
Code within the periods of time and under the circumstances 22195

specified in those divisions. 22196

(2) On the motion of the prosecutor or on its own motion, the 22197
court may retain jurisdiction over the defendant if, at a hearing, 22198
the court finds both of the following by clear and convincing 22199
evidence: 22200

(a) The defendant committed the offense with which the 22201
defendant is charged. 22202

(b) The defendant is a mentally ill person subject to 22203
hospitalization by court order or a mentally retarded person 22204
subject to institutionalization by court order. 22205

(B) In making its determination under division (A)(2) of this 22206
section as to whether to retain jurisdiction over the defendant, 22207
the court may consider all relevant evidence, including, but not 22208
limited to, any relevant psychiatric, psychological, or medical 22209
testimony or reports, the acts constituting the offense charged, 22210
and any history of the defendant that is relevant to the 22211
defendant's ability to conform to the law. 22212

(C) If the court conducts a hearing as described in division 22213
(A)(2) of this section and if the court does not make both 22214
findings described in divisions (A)(2)(a) and (b) of this section 22215
by clear and convincing evidence, the court shall dismiss the 22216
indictment, information, or complaint against the defendant. Upon 22217
the dismissal, the court shall discharge the defendant unless the 22218
court or prosecutor files an affidavit in probate court for civil 22219
commitment of the defendant pursuant to Chapter 5122. or 5123. of 22220
the Revised Code. If the court or prosecutor files an affidavit 22221
for civil commitment, the court may order that the defendant be 22222
detained for up to ten days pending the civil commitment. If the 22223
probate court commits the defendant subsequent to the court's or 22224
prosecutor's filing of an affidavit for civil commitment, the 22225
chief clinical officer of the entity, hospital, or facility, the 22226

managing officer of the institution, the director of the program, 22227
or the person to which the defendant is committed or admitted 22228
shall send to the prosecutor the notices described in divisions 22229
(H)(4)(a)(i) to (iii) of section 2945.38 of the Revised Code 22230
within the periods of time and under the circumstances specified 22231
in those divisions. A dismissal of charges under this division is 22232
not a bar to further criminal proceedings based on the same 22233
conduct. 22234

(D)(1) If the court conducts a hearing as described in 22235
division (A)(2) of this section and if the court makes the 22236
findings described in divisions (A)(2)(a) and (b) of this section 22237
by clear and convincing evidence, the court shall commit the 22238
defendant, if determined to require mental health treatment, 22239
either to the department of mental health for treatment at a 22240
hospital, facility, or agency as determined clinically appropriate 22241
by the department of mental health or to another medical or 22242
psychiatric facility, as appropriate. Prior to placing the 22243
defendant, the department of mental health shall obtain court 22244
approval for that placement. If the court conducts such a hearing 22245
and if it makes those findings by clear and convincing evidence, 22246
the court shall commit the defendant, if determined to require 22247
treatment for ~~developmental disabilities~~ mental retardation, to a 22248
facility operated by the department of developmental disabilities, 22249
or another facility, as appropriate. ~~In committing the defendant~~ 22250
~~to the department of mental health, the court shall specify the~~ 22251
~~least restrictive limitations on the defendant's freedom of~~ 22252
~~movement determined to be necessary to protect public safety. In~~ 22253
~~determining the place and nature of the commitment to a facility~~ 22254
~~operated by the department of developmental disabilities or~~ 22255
~~another facility for treatment of developmental disabilities, the~~ 22256
~~court~~ In determining the place of commitment, the court shall 22257
consider the extent to which the person is a danger to the person 22258
and to others, the need for security, and the type of crime 22259

involved and shall order the least restrictive ~~commitment~~ 22260
alternative available that is consistent with public safety and 22261
the welfare of the defendant. In weighing these factors, the court 22262
shall give preference to protecting public safety. 22263

(2) If a court makes a commitment of a defendant under 22264
division (D)(1) of this section, the prosecutor shall send to the 22265
hospital, facility, or agency where the defendant is placed by the 22266
department of mental health or to the defendant's place of 22267
commitment all reports of the defendant's current mental condition 22268
and, except as otherwise provided in this division, any other 22269
relevant information, including, but not limited to, a transcript 22270
of the hearing held pursuant to division (A)(2) of this section, 22271
copies of relevant police reports, and copies of any prior arrest 22272
and conviction records that pertain to the defendant and that the 22273
prosecutor possesses. The prosecutor shall send the reports of the 22274
defendant's current mental condition in every case of commitment, 22275
and, unless the prosecutor determines that the release of any of 22276
the other relevant information to unauthorized persons would 22277
interfere with the effective prosecution of any person or would 22278
create a substantial risk of harm to any person, the prosecutor 22279
also shall send the other relevant information. Upon admission of 22280
a defendant committed under division (D)(1) of this section, the 22281
place of commitment shall send to the board of alcohol, drug 22282
addiction, and mental health services or the community mental 22283
health board serving the county in which the charges against the 22284
defendant were filed a copy of all reports of the defendant's 22285
current mental condition and a copy of the other relevant 22286
information provided by the prosecutor under this division, 22287
including, if provided, a transcript of the hearing held pursuant 22288
to division (A)(2) of this section, the relevant police reports, 22289
and the prior arrest and conviction records that pertain to the 22290
defendant and that the prosecutor possesses. 22291

(3) If a court makes a commitment under division (D)(1) of 22292
this section, all further proceedings shall be in accordance with 22293
sections 2945.401 and 2945.402 of the Revised Code. 22294

Sec. 2945.40. (A) If a person is found not guilty by reason 22295
of insanity, the verdict shall state that finding, and the trial 22296
court shall conduct a full hearing to determine whether the person 22297
is a mentally ill person subject to hospitalization by court order 22298
or a mentally retarded person subject to institutionalization by 22299
court order. Prior to the hearing, if the trial judge believes 22300
that there is probable cause that the person found not guilty by 22301
reason of insanity is a mentally ill person subject to 22302
hospitalization by court order or mentally retarded person subject 22303
to institutionalization by court order, the trial judge may issue 22304
a temporary order of detention for that person to remain in effect 22305
for ten court days or until the hearing, whichever occurs first. 22306

Any person detained pursuant to a temporary order of 22307
detention issued under this division shall be held in a suitable 22308
facility, taking into consideration the place and type of 22309
confinement prior to and during trial. 22310

(B) The court shall hold the hearing under division (A) of 22311
this section to determine whether the person found not guilty by 22312
reason of insanity is a mentally ill person subject to 22313
hospitalization by court order or a mentally retarded person 22314
subject to institutionalization by court order within ten court 22315
days after the finding of not guilty by reason of insanity. 22316
Failure to conduct the hearing within the ten-day period shall 22317
cause the immediate discharge of the respondent, unless the judge 22318
grants a continuance for not longer than ten court days for good 22319
cause shown or for any period of time upon motion of the 22320
respondent. 22321

(C) If a person is found not guilty by reason of insanity, 22322

the person has the right to attend all hearings conducted pursuant 22323
to sections 2945.37 to 2945.402 of the Revised Code. At any 22324
hearing conducted pursuant to one of those sections, the court 22325
shall inform the person that the person has all of the following 22326
rights: 22327

(1) The right to be represented by counsel and to have that 22328
counsel provided at public expense if the person is indigent, with 22329
the counsel to be appointed by the court under Chapter 120. of the 22330
Revised Code or under the authority recognized in division (C) of 22331
section 120.06, division (E) of section 120.16, division (E) of 22332
section 120.26, or section 2941.51 of the Revised Code; 22333

(2) The right to have independent expert evaluation and to 22334
have that independent expert evaluation provided at public expense 22335
if the person is indigent; 22336

(3) The right to subpoena witnesses and documents, to present 22337
evidence on the person's behalf, and to cross-examine witnesses 22338
against the person; 22339

(4) The right to testify in the person's own behalf and to 22340
not be compelled to testify; 22341

(5) The right to have copies of any relevant medical or 22342
mental health document in the custody of the state or of any place 22343
of commitment other than a document for which the court finds that 22344
the release to the person of information contained in the document 22345
would create a substantial risk of harm to any person. 22346

(D) The hearing under division (A) of this section shall be 22347
open to the public, and the court shall conduct the hearing in 22348
accordance with the Rules of Civil Procedure. The court shall make 22349
and maintain a full transcript and record of the hearing 22350
proceedings. The court may consider all relevant evidence, 22351
including, but not limited to, any relevant psychiatric, 22352
psychological, or medical testimony or reports, the acts 22353

constituting the offense in relation to which the person was found 22354
not guilty by reason of insanity, and any history of the person 22355
that is relevant to the person's ability to conform to the law. 22356

(E) Upon completion of the hearing under division (A) of this 22357
section, if the court finds there is not clear and convincing 22358
evidence that the person is a mentally ill person subject to 22359
hospitalization by court order or a mentally retarded person 22360
subject to institutionalization by court order, the court shall 22361
discharge the person, unless a detainer has been placed upon the 22362
person by the department of rehabilitation and correction, in 22363
which case the person shall be returned to that department. 22364

(F) If, at the hearing under division (A) of this section, 22365
the court finds by clear and convincing evidence that the person 22366
is a mentally ill person subject to hospitalization by court 22367
order, the court shall commit the person either to the department 22368
of mental health for ~~placement~~ treatment in a hospital, facility, 22369
or agency as determined clinically appropriate by the department 22370
of mental health or to another medical or psychiatric facility, as 22371
appropriate. Prior to placing the defendant, the department of 22372
mental health shall obtain court approval for that placement. If, 22373
at the hearing under division (A) of this section, the court ~~finds~~ 22374
determines by clear and convincing evidence that the person ~~is a~~ 22375
~~mentally retarded person subject to institutionalization by court~~ 22376
~~order~~ requires treatment for mental retardation, it shall commit 22377
the person to a facility operated by the department of 22378
developmental disabilities or another facility, as appropriate. 22379
Further proceedings shall be in accordance with sections 2945.401 22380
and 2945.402 of the Revised Code. ~~In committing the person to the~~ 22381
~~department of mental health, the court shall specify the least~~ 22382
~~restrictive limitations to the defendant's freedom of movement~~ 22383
~~determined to be necessary to protect public safety.~~ In 22384
determining the place ~~and nature~~ of the commitment ~~of a mentally~~ 22385

~~retarded person subject to institutionalization by court order,~~ 22386
the court shall consider the extent to which the person is a 22387
danger to the person and to others, the need for security, and the 22388
type of crime involved and shall order the least restrictive 22389
~~commitment~~ alternative available that is consistent with public 22390
safety and the welfare of the person. In weighing these factors, 22391
the court shall give preference to protecting public safety. 22392

(G) If a court makes a commitment of a person under division 22393
(F) of this section, the prosecutor shall send to the hospital, 22394
facility, or agency where the person is placed by the department 22395
of mental health or to the defendant's place of commitment all 22396
reports of the person's current mental condition, and, except as 22397
otherwise provided in this division, any other relevant 22398
information, including, but not limited to, a transcript of the 22399
hearing held pursuant to division (A) of this section, copies of 22400
relevant police reports, and copies of any prior arrest and 22401
conviction records that pertain to the person and that the 22402
prosecutor possesses. The prosecutor shall send the reports of the 22403
person's current mental condition in every case of commitment, 22404
and, unless the prosecutor determines that the release of any of 22405
the other relevant information to unauthorized persons would 22406
interfere with the effective prosecution of any person or would 22407
create a substantial risk of harm to any person, the prosecutor 22408
also shall send the other relevant information. Upon admission of 22409
a person committed under division (F) of this section, the place 22410
of commitment shall send to the board of alcohol, drug addiction, 22411
and mental health services or the community mental health board 22412
serving the county in which the charges against the person were 22413
filed a copy of all reports of the person's current mental 22414
condition and a copy of the other relevant information provided by 22415
the prosecutor under this division, including, if provided, a 22416
transcript of the hearing held pursuant to division (A) of this 22417
section, the relevant police reports, and the prior arrest and 22418

conviction records that pertain to the person and that the 22419
prosecutor possesses. 22420

(H) A person who is committed pursuant to this section shall 22421
not voluntarily admit the person or be voluntarily admitted to a 22422
hospital or institution pursuant to section 5122.02, 5122.15, 22423
5123.69, or 5123.76 of the Revised Code. 22424

Sec. 2945.401. (A) A defendant found incompetent to stand 22425
trial and committed pursuant to section 2945.39 of the Revised 22426

committed pursuant to section 2945.40 of the Revised Code shall 22428
remain subject to the jurisdiction of the trial court pursuant to 22429
that commitment, and to the provisions of this section, until the 22430
final termination of the commitment as described in division 22431
(J)(1) of this section. If the jurisdiction is terminated under 22432
this division because of the final termination of the commitment 22433
resulting from the expiration of the maximum prison term or term 22434
of imprisonment described in division (J)(1)(b) of this section, 22435
the court or prosecutor may file an affidavit for the civil 22436
commitment of the defendant or person pursuant to Chapter 5122. or 22437
5123. of the Revised Code. 22438

(B) A hearing conducted under any provision of sections 22439
2945.37 to 2945.402 of the Revised Code shall not be conducted in 22440
accordance with Chapters 5122. and 5123. of the Revised Code. Any 22441
person who is committed pursuant to section 2945.39 or 2945.40 of 22442
the Revised Code shall not voluntarily admit the person or be 22443
voluntarily admitted to a hospital or institution pursuant to 22444
section 5122.02, 5122.15, 5123.69, or 5123.76 of the Revised Code. 22445
All other provisions of Chapters 5122. and 5123. of the Revised 22446
Code regarding hospitalization or institutionalization shall apply 22447
to the extent they are not in conflict with this chapter. A 22448
commitment under section 2945.39 or 2945.40 of the Revised Code 22449

shall not be terminated and the conditions of the commitment shall 22450
not be changed except as otherwise provided in division (D)(2) of 22451
this section with respect to a mentally retarded person subject to 22452
institutionalization by court order or except by order of the 22453
trial court. 22454

(C) The department of mental health or the institution ~~or~~ 22455

order and, in the case of a defendant committed under section 22462
2945.39 of the Revised Code, as to whether the defendant remains 22463
incompetent to stand trial. The department, institution, ~~or~~ 22464
facility, or program shall make the reports after the initial six 22465
months of treatment and every two years after the initial report 22466
is made. The trial court shall provide copies of the reports to 22467
the prosecutor and to the counsel for the defendant or person. 22468
Within thirty days after its receipt pursuant to this division of 22469
a report from the department, institution, ~~or~~ facility, or 22470
program, the trial court shall hold a hearing on the continued 22471
commitment of the defendant or person or on any changes in the 22472
conditions of the commitment of the defendant or person. The 22473
defendant or person may request a change in the conditions of 22474
confinement, and the trial court shall conduct a hearing on that 22475
request if six months or more have elapsed since the most recent 22476
hearing was conducted under this section. 22477

(D)(1) Except as otherwise provided in division (D)(2) of 22478
this section, when a defendant or person has been committed under 22479

defendant or person, the designee of the department of mental 22482
health or the managing officer of the institution or director of 22483
the facility or program to which the defendant or person is 22484
committed may recommend a termination of the defendant's or 22485
person's commitment or a change in the conditions of the 22486
defendant's or person's commitment. 22487

Except as otherwise provided in division (D)(2) of this 22488
section, if the designee of the department of mental health 22489
recommends on-grounds unsupervised movement, off-grounds 22490
supervised movement, or nonsecured status for the defendant or 22491
person or termination of the defendant's or person's commitment, 22492
the following provisions apply: 22493

(a) If the department's designee recommends on-grounds 22494
unsupervised movement or off-grounds supervised movement, the 22495
department's designee shall file with the trial court an 22496
application for approval of the movement and shall send a copy of 22497
the application to the prosecutor. Within fifteen days after 22498
receiving the application, the prosecutor may request a hearing on 22499
the application and, if a hearing is requested, shall so inform 22500
the department's designee. If the prosecutor does not request a 22501
hearing within the fifteen-day period, the trial court shall 22502
approve the application by entering its order approving the 22503
requested movement or, within five days after the expiration of 22504
the fifteen-day period, shall set a date for a hearing on the 22505
application. If the prosecutor requests a hearing on the 22506
application within the fifteen-day period, the trial court shall 22507
hold a hearing on the application within thirty days after the 22508
hearing is requested. If the trial court, within five days after 22509
the expiration of the fifteen-day period, sets a date for a 22510
hearing on the application, the trial court shall hold the hearing 22511
within thirty days after setting the hearing date. At least 22512
fifteen days before any hearing is held under this division, the 22513

trial court shall give the prosecutor written notice of the date, 22514
time, and place of the hearing. At the conclusion of each hearing 22515
conducted under this division, the trial court either shall 22516
approve or disapprove the application and shall enter its order 22517
accordingly. 22518

(b) If the department's designee recommends termination of 22519
the defendant's or person's commitment at any time or if the 22520
department's designee recommends the first of any nonsecured 22521
status for the defendant or person, the department's designee 22522
shall send written notice of this recommendation to the trial 22523
court and to the local forensic center. The local forensic center 22524
shall evaluate the committed defendant or person and, within 22525
thirty days after its receipt of the written notice, shall submit 22526
to the trial court and the department's designee a written report 22527
of the evaluation. The trial court shall provide a copy of the 22528
department's designee's written notice and of the local forensic 22529
center's written report to the prosecutor and to the counsel for 22530
the defendant or person. Upon the local forensic center's 22531
submission of the report to the trial court and the department's 22532
designee, all of the following apply: 22533

(i) If the forensic center disagrees with the recommendation 22534
of the department's designee, it shall inform the department's 22535
designee and the trial court of its decision and the reasons for 22536
the decision. The department's designee, after consideration of 22537
the forensic center's decision, shall either withdraw, proceed 22538
with, or modify and proceed with the recommendation. If the 22539
department's designee proceeds with, or modifies and proceeds 22540
with, the recommendation, the department's designee shall proceed 22541
in accordance with division (D)(1)(b)(iii) of this section. 22542

(ii) If the forensic center agrees with the recommendation of 22543
the department's designee, it shall inform the department's 22544
designee and the trial court of its decision and the reasons for 22545

the decision, and the department's designee shall proceed in 22546
accordance with division (D)(1)(b)(iii) of this section. 22547

(iii) If the forensic center disagrees with the 22548
recommendation of the department's designee and the department's 22549
designee proceeds with, or modifies and proceeds with, the 22550
recommendation or if the forensic center agrees with the 22551
recommendation of the department's designee, the department's 22552
designee shall work with community mental health agencies, 22553
programs, facilities, or boards of alcohol, drug addiction, and 22554
mental health services or community mental health boards to 22555
develop a plan to implement the recommendation. If the defendant 22556
or person is on medication, the plan shall include, but shall not 22557
be limited to, a system to monitor the defendant's or person's 22558
compliance with the prescribed medication treatment plan. The 22559
system shall include a schedule that clearly states when the 22560
defendant or person shall report for a medication compliance 22561
check. The medication compliance checks shall be based upon the 22562
effective duration of the prescribed medication, taking into 22563
account the route by which it is taken, and shall be scheduled at 22564
intervals sufficiently close together to detect a potential 22565
increase in mental illness symptoms that the medication is 22566
intended to prevent. 22567

The department's designee, after consultation with the board 22568
of alcohol, drug addiction, and mental health services or the 22569
community mental health board serving the area, shall send the 22570
recommendation and plan developed under division (D)(1)(b)(iii) of 22571
this section, in writing, to the trial court, the prosecutor, and 22572
the counsel for the committed defendant or person. The trial court 22573
shall conduct a hearing on the recommendation and plan developed 22574
under division (D)(1)(b)(iii) of this section. Divisions (D)(1)(c) 22575
and (d) and (E) to (J) of this section apply regarding the 22576
hearing. 22577

(c) If the department's designee's recommendation is for nonsecured status or termination of commitment, the prosecutor may obtain an independent expert evaluation of the defendant's or person's mental condition, and the trial court may continue the hearing on the recommendation for a period of not more than thirty days to permit time for the evaluation.

The prosecutor may introduce the evaluation report or present other evidence at the hearing in accordance with the Rules of Evidence.

(d) The trial court shall schedule the hearing on a department's designee's recommendation for nonsecured status or termination of commitment and shall give reasonable notice to the prosecutor and the counsel for the defendant or person. Unless continued for independent evaluation at the prosecutor's request or for other good cause, the hearing shall be held within thirty days after the trial court's receipt of the recommendation and plan.

(2)(a) Division (D)(1) of this section does not apply to on-grounds unsupervised movement of a defendant or person who has been committed under section 2945.39 or 2945.40 of the Revised Code, who is a mentally retarded person subject to institutionalization by court order, and who is being provided residential habilitation, care, and treatment in a facility operated by the department of developmental disabilities.

(b) If, pursuant to section 2945.39 of the Revised Code, the trial court commits a defendant who is found incompetent to stand trial and who is a mentally retarded person subject to institutionalization by court order, if the defendant is being provided residential habilitation, care, and treatment in a facility operated by the department of developmental disabilities, if an individual who is conducting a survey for the department of health to determine the facility's compliance with the

certification requirements of the medicaid program under Chapter 22610
5111. of the Revised Code and Title XIX of the "Social Security 22611
Act," 49 Stat. 620 (1935), 42 U.S.C.A. 301, as amended, cites the 22612
defendant's receipt of the residential habilitation, care, and 22613
treatment in the facility as being inappropriate under the 22614
certification requirements, if the defendant's receipt of the 22615
residential habilitation, care, and treatment in the facility 22616
potentially jeopardizes the facility's continued receipt of 22617
federal medicaid moneys, and if as a result of the citation the 22618
chief clinical officer of the facility determines that the 22619
conditions of the defendant's commitment should be changed, the 22620
department of developmental disabilities may cause the defendant 22621
to be removed from the particular facility and, after evaluating 22622
the risks to public safety and the welfare of the defendant and 22623
after determining whether another type of placement is consistent 22624
with the certification requirements, may place the defendant in 22625
another facility that the department selects as an appropriate 22626
facility for the defendant's continued receipt of residential 22627
habilitation, care, and treatment and that is a no less secure 22628
setting than the facility in which the defendant had been placed 22629
at the time of the citation. Within three days after the 22630
defendant's removal and alternative placement under the 22631
circumstances described in division (D)(2)(b) of this section, the 22632
department of developmental disabilities shall notify the trial 22633
court and the prosecutor in writing of the removal and alternative 22634
placement. 22635

The trial court shall set a date for a hearing on the removal 22636
and alternative placement, and the hearing shall be held within 22637
twenty-one days after the trial court's receipt of the notice from 22638
the department of developmental disabilities. At least ten days 22639
before the hearing is held, the trial court shall give the 22640
prosecutor, the department of developmental disabilities, and the 22641
counsel for the defendant written notice of the date, time, and 22642

place of the hearing. At the hearing, the trial court shall 22643
consider the citation issued by the individual who conducted the 22644
survey for the department of health to be prima-facie evidence of 22645
the fact that the defendant's commitment to the particular 22646
facility was inappropriate under the certification requirements of 22647
the medicaid program under Chapter 5111. of the Revised Code and 22648
Title XIX of the "Social Security Act," 49 Stat. 620 (1935), 42 22649
U.S.C.A. 301, as amended, and potentially jeopardizes the 22650
particular facility's continued receipt of federal medicaid 22651
moneys. At the conclusion of the hearing, the trial court may 22652
approve or disapprove the defendant's removal and alternative 22653
placement. If the trial court approves the defendant's removal and 22654
alternative placement, the department of developmental 22655
disabilities may continue the defendant's alternative placement. 22656
If the trial court disapproves the defendant's removal and 22657
alternative placement, it shall enter an order modifying the 22658
defendant's removal and alternative placement, but that order 22659
shall not require the department of developmental disabilities to 22660
replace the defendant for purposes of continued residential 22661
habilitation, care, and treatment in the facility associated with 22662
the citation issued by the individual who conducted the survey for 22663
the department of health. 22664

(E) In making a determination under this section regarding 22665
nonsecured status or termination of commitment, the trial court 22666
shall consider all relevant factors, including, but not limited 22667
to, all of the following: 22668

(1) Whether, in the trial court's view, the defendant or 22669
person currently represents a substantial risk of physical harm to 22670
the defendant or person or others; 22671

(2) Psychiatric and medical testimony as to the current 22672
mental and physical condition of the defendant or person; 22673

(3) Whether the defendant or person has insight into the 22674

~~defendant's~~ defendant's or person's condition so that the 22675
defendant or person will continue treatment as prescribed or seek 22676
professional assistance as needed; 22677

(4) The grounds upon which the state relies for the proposed 22678
commitment; 22679

(5) Any past history that is relevant to establish the 22680
defendant's or person's degree of conformity to the laws, rules, 22681
regulations, and values of society; 22682

(6) If there is evidence that the defendant's or person's 22683
mental illness is in a state of remission, the medically suggested 22684
cause and degree of the remission and the probability that the 22685
defendant or person will continue treatment to maintain the 22686
remissive state of the defendant's or person's illness should the 22687
defendant's or person's commitment conditions be altered. 22688

(F) At any hearing held pursuant to division (C) or (D)(1) or 22689
(2) of this section, the defendant or the person shall have all 22690
the rights of a defendant or person at a commitment hearing as 22691
described in section 2945.40 of the Revised Code. 22692

(G) In a hearing held pursuant to division (C) or (D)(1) of 22693
this section, the prosecutor has the burden of proof as follows: 22694

(1) For a recommendation of termination of commitment, to 22695
show by clear and convincing evidence that the defendant or person 22696
remains a mentally ill person subject to hospitalization by court 22697
order or a mentally retarded person subject to 22698
institutionalization by court order; 22699

(2) For a recommendation for a change in the conditions of 22700
the commitment to a less restrictive status, to show by clear and 22701
convincing evidence that the proposed change represents a threat 22702
to public safety or a threat to the safety of any person. 22703

(H) In a hearing held pursuant to division (C) or (D)(1) or 22704

(2) of this section, the prosecutor shall represent the state or the public interest. 22705
22706

(I) At the conclusion of a hearing conducted under division (D)(1) of this section regarding a recommendation from the designee of the department of mental health, managing officer of the institution, or director of a facility or program, the trial court may approve, disapprove, or modify the recommendation and shall enter an order accordingly. 22707

22710
22711
22712

(J)(1) A defendant or person who has been committed pursuant to section 2945.39 or 2945.40 of the Revised Code continues to be under the jurisdiction of the trial court until the final termination of the commitment. For purposes of division (J) of this section, the final termination of a commitment occurs upon the earlier of one of the following: 22713
22714
22715
22716
22717
22718

(a) The defendant or person no longer is a mentally ill person subject to hospitalization by court order or a mentally retarded person subject to institutionalization by court order, as determined by the trial court; 22719
22720
22721

(b) The expiration of the maximum prison term or term of imprisonment that the defendant or person could have received if the defendant or person had been convicted of the most serious offense with which the defendant or person is charged or in relation to which the defendant or person was found not guilty by reason of insanity; 22723
22724
22725
22726
22727
22728

(c) The trial court enters an order terminating the commitment under the circumstances described in division (J)(2)(a)(ii) of this section. 22729
22730
22731

(2)(a) If a defendant is found incompetent to stand trial and committed pursuant to section 2945.39 of the Revised Code, if neither of the circumstances described in divisions (J)(1)(a) and (b) of this section applies to that defendant, and if a report 22732
22733
22734
22735

filed with the trial court pursuant to division (C) of this 22736
section indicates that the defendant presently is competent to 22737
stand trial or if, at any other time during the period of the 22738
defendant's commitment, the prosecutor, the counsel for the 22739
defendant, or the designee of the department of mental health or 22740
the managing officer of the institution or director of the 22741
facility or program to which the defendant is committed files an 22742
application with the trial court alleging that the defendant 22743
presently is competent to stand trial and requesting a hearing on 22744
the competency issue or the trial court otherwise has reasonable 22745
cause to believe that the defendant presently is competent to 22746
stand trial and determines on its own motion to hold a hearing on 22747
the competency issue, the trial court shall schedule a hearing on 22748
the competency of the defendant to stand trial, shall give the 22749
prosecutor, the counsel for the defendant, and the department's 22750
designee or the managing officer of the institution or the 22751
director of the facility to which the defendant is committed 22752
notice of the date, time, and place of the hearing at least 22753
fifteen days before the hearing, and shall conduct the hearing 22754
within thirty days of the filing of the application or of its own 22755
motion. If, at the conclusion of the hearing, the trial court 22756
determines that the defendant presently is capable of 22757
understanding the nature and objective of the proceedings against 22758
the defendant and of assisting in the defendant's defense, the 22759
trial court shall order that the defendant is competent to stand 22760
trial and shall be proceeded against as provided by law with 22761
respect to the applicable offenses described in division (C)(1) of 22762
section 2945.38 of the Revised Code and shall enter whichever of 22763
the following additional orders is appropriate: 22764

(i) If the trial court determines that the defendant remains 22765
a mentally ill person subject to hospitalization by court order or 22766
a mentally retarded person subject to institutionalization by 22767
court order, the trial court shall order that the defendant's 22768

commitment to the department of mental health or to an institution 22769
~~or, facility, or program~~ for the treatment of ~~developmental~~ 22770
~~disabilities~~ mental retardation be continued during the pendency 22771
of the trial on the applicable offenses described in division 22772
(C)(1) of section 2945.38 of the Revised Code. 22773

(ii) If the trial court determines that the defendant no 22774
longer is a mentally ill person subject to hospitalization by 22775
court order or a mentally retarded person subject to 22776
institutionalization by court order, the trial court shall order 22777
that the defendant's commitment to the department of mental health 22778
or to an institution ~~or, facility, or program~~ for the treatment of 22779
~~developmental disabilities~~ mental retardation shall not be 22780
continued during the pendency of the trial on the applicable 22781
offenses described in division (C)(1) of section 2945.38 of the 22782
Revised Code. This order shall be a final termination of the 22783
commitment for purposes of division (J)(1)(c) of this section. 22784

(b) If, at the conclusion of the hearing described in 22785
division (J)(2)(a) of this section, the trial court determines 22786
that the defendant remains incapable of understanding the nature 22787
and objective of the proceedings against the defendant or of 22788
assisting in the defendant's defense, the trial court shall order 22789
that the defendant continues to be incompetent to stand trial, 22790
that the defendant's commitment to the department of mental health 22791
or to an institution ~~or, facility, or program~~ for the treatment of 22792
~~developmental disabilities~~ mental retardation shall be continued, 22793
and that the defendant remains subject to the jurisdiction of the 22794
trial court pursuant to that commitment, and to the provisions of 22795
this section, until the final termination of the commitment as 22796
described in division (J)(1) of this section. 22797

Sec. 2961.22. (A)(1) Any prisoner serving a prison term in a 22798
state correctional institution who satisfies all of the following 22799

is eligible to apply to the department of rehabilitation and 22800
correction at a time specified in division (A)(2) of this section 22801
and in accordance with division (D) of this section for a 22802
certificate of achievement and employability: 22803

(a) The prisoner has satisfactorily completed one or more 22804
in-prison vocational programs approved by rule by the department 22805
of rehabilitation and correction. 22806

(b) The prisoner has demonstrated exemplary performance as 22807
determined by completion of one or more cognitive or behavioral 22808
improvement programs approved by rule by the department while 22809
incarcerated in a state correctional institution, while under 22810
supervision, or during both periods of time. 22811

(c) The prisoner has completed community service hours. 22812

(d) The prisoner shows other evidence of achievement and 22813
rehabilitation while under the jurisdiction of the department. 22814

(2) An eligible prisoner may apply to the department of 22815
rehabilitation and correction under division (A)(1) of this 22816
section for a certificate of achievement and employability no 22817
earlier than one year prior to the date scheduled for the release 22818
of the prisoner from department custody and no later than the date 22819
of release of the prisoner. 22820

(B)(1) Any prisoner who has been released from a state 22821
correctional institution, who is under supervision on parole or 22822
under a post-release control sanction, and who satisfies all of 22823
the criteria set forth in division (A)(1) of this section is 22824
eligible to apply to the adult parole authority at a time 22825
specified in division (B)(2) of this section and in accordance 22826
with division (D) of this section for a certificate of achievement 22827
and employability. 22828

(2) An eligible prisoner may apply to the adult parole 22829

authority under division (B)(1) of this section for a certificate 22830
of achievement and employability at any time while the prisoner is 22831
under supervision on parole or under a post-release control 22832
sanction. 22833

(C)(1) An eligible prisoner may apply to the department of 22834
rehabilitation and correction or to the adult parole authority at 22835
a time specified in division (A) or (B) of this section, whichever 22836
is applicable, for a certificate of achievement and employability 22837
that grants the prisoner relief from one or more mandatory civil 22838
impacts that would affect a potential job within a field in which 22839
the prisoner trained as part of the prisoner's in-prison 22840
vocational program. The prisoner shall specify the mandatory civil 22841
impacts from which the prisoner is requesting relief under the 22842
certificate. Upon application by a prisoner in accordance with 22843
this division, if the mandatory civil impact of any licensing 22844
agency would be affected by the issuance of the certificate to the 22845
prisoner, the department or authority shall notify the licensing 22846
agency of the filing of the application, provide the licensing 22847
agency with a copy of the application and all evidence that the 22848
department, authority, or court has regarding the prisoner, and 22849
afford the licensing agency with an opportunity to object in 22850
writing to the issuance of the certificate to the prisoner. 22851

(2) Upon application by a prisoner in accordance with 22852
division (C)(1) of this section, the department of rehabilitation 22853
and correction or the adult parole authority, whichever is 22854
applicable, shall consider the application and all objections to 22855
the issuance of a certificate of achievement and employability to 22856
the prisoner, if any, that were made by a licensing agency under 22857
division (C)(1) of this section. If the department or authority 22858
determines that the prisoner is an eligible prisoner, that the 22859
application was filed at a time specified in division (B) of this 22860
section, and that any licensing agency objections to the issuance 22861

of the certificate to the prisoner are not sufficient to deny the 22862
issuance of the certificate to the prisoner, subject to division 22863
(C)(3) of this section, the department or authority shall issue 22864
the prisoner a certificate of achievement and employability that 22865
grants the prisoner relief from the mandatory civil impacts that 22866
are specified in the prisoner's application and that would affect 22867
a potential job within a field in which the prisoner trained as 22868
part of the prisoner's in-prison vocational program. 22869

(3) The mandatory civil impacts identified in division (A)(1) 22870
of section 2961.01 and in division (B) of section 2961.02 of the 22871
Revised Code shall not be affected by any certificate of 22872
achievement and employability issued under this section. No 22873
certificate of achievement and employability issued to a prisoner 22874
under this section grants the prisoner relief from the mandatory 22875
civil impacts identified in division (A)(1) of section 2961.01 and 22876
in division (B) of section 2961.02 of the Revised Code. 22877

(E) The department of rehabilitation and correction shall 22878
adopt rules that define in-prison vocational programs and 22879
cognitive or behavioral improvement programs that a prisoner may 22880
complete to satisfy the criteria described in divisions (A)(1)(a) 22881
and (b) of this section. 22882

(F) The department of rehabilitation and correction and the 22883
adult parole authority shall not be liable for any claim for 22884
damages arising from the department's or authority's issuance, 22885
denial, or revocation of a certificate of achievement and 22886
employability or for the department's or authority's failure to 22887
revoke a certificate of achievement and employability under the 22888
circumstances described in section 2961.24 of the Revised Code. 22889

Sec. 2967.03. The adult parole authority may exercise its 22890
functions and duties in relation to the pardon, commutation of 22891
sentence, or reprieve of a convict upon direction of the governor 22892

or upon its own initiative. It may exercise its functions and 22893
duties in relation to the parole of a prisoner who is eligible for 22894
parole upon the initiative of the head of the institution in which 22895
the prisoner is confined or upon its own initiative. When a 22896
prisoner becomes eligible for parole, the head of the institution 22897
in which the prisoner is confined shall notify the authority in 22898
the manner prescribed by the authority. The authority may 22899
investigate and examine, or cause the investigation and 22900
examination of, prisoners confined in state correctional 22901
institutions concerning their conduct in the institutions, their 22902
mental and moral qualities and characteristics, their knowledge of 22903
a trade or profession, their former means of livelihood, their 22904
family relationships, and any other matters affecting their 22905
fitness to be at liberty without being a threat to society. 22906

The authority may recommend to the governor the pardon, 22907
commutation of sentence, ~~medical release~~, or reprieve of any 22908
convict or prisoner or grant a parole to any prisoner for whom 22909
parole is authorized, if in its judgment there is reasonable 22910
ground to believe that granting a pardon, commutation, ~~medical~~ 22911
~~release~~, or reprieve to the convict or paroling the prisoner would 22912
further the interests of justice and be consistent with the 22913
welfare and security of society. However, the authority shall not 22914

period of time" means generally within six months. 22957

medical or cognitive disability, that prevents the inmate from 22960
completing activities of daily living without significant 22961
assistance, that incapacitates the inmate to the extent that 22962
institutional confinement does not offer additional restrictions, 22963
that is likely to continue throughout the entire period of parole, 22964
and that is unlikely to improve noticeably. 22965

(b) "Medically incapacitated" does not include conditions 22966

(3)(a) "Terminal illness" means a condition that satisfies 22969

(b) The department of rehabilitation and correction shall 22980
adopt rules pursuant to Chapter 119. of the Revised Code to 22981

so that the inmate is no longer terminally ill, medically 22991
incapacitated, or in imminent danger of death, the inmate shall be 22992
returned, by order of the governor, to the institution from which 22993

the offender who is the subject of the notice or shall inform the 23246
department that it will not be conducting a hearing relative to 23247
the offender. The court shall not grant a ~~petition for an early~~ 23248
release ~~of~~ to an offender without holding a hearing. If a court 23249
~~denies a petition for release of an offender without declines to~~ 23250
hold a hearing relative to an offender with respect to a written 23251
notice submitted by the director, the court may later consider 23252
release of that offender under this section on a ~~subsequent~~ 23253
~~petition. The court shall enter its ruling within its own motion~~ 23254
by scheduling a hearing for that purpose. Within thirty days after 23255
the ~~petition written notice is filed submitted,~~ the court shall 23256
inform the department whether or not the court is scheduling a 23257
hearing on the offender who is the subject of the notice. 23258

(G) If the court ~~grants schedules~~ schedules a hearing ~~on~~ upon receiving 23259

hearing by video conferencing equipment if equipment of that 23273
nature is available and compatible. 23274

Upon receipt of notice from a court of a hearing on the 23275
release of an offender under this division, the head of the state 23276
correctional institution in which the offender is confined 23277

~~release of an offender~~ under this section, at the hearing, the 23292
court shall afford the offender and the offender's attorney an 23293
opportunity to present written information and, if present, oral 23294

attorney, victim or victim's representative, as defined in section 23297
2930.01 of the Revised Code, and any other person the court 23298

statement of a victim made under section 2930.14 or 2930.17 of the Revised Code, any victim impact statement prepared under section 2947.051 of the Revised Code, and any report, ~~plan~~, and other documentation submitted by the director under division (D) of this section. After ruling on ~~the motion~~ whether to grant the offender early release, the court shall notify the victim in accordance with sections 2930.03 and 2930.16 of the Revised Code.

(I) If the court grants a ~~petition for release of an offender~~ early release under this section, it shall order the release of the offender, shall place the offender under one or more appropriate community control sanctions, under appropriate conditions, and under the supervision of the department of probation that serves the court, and shall reserve the right to reimpose the sentence that it reduced and from which the offender was released if the offender violates the sanction. The court shall not make a release under this section effective prior to the date on which the offender ~~has served at least eighty per cent of the offender's stated prison term that remains to be served after the offender~~ becomes eligible as described in division (C) of this section. If the sentence under which the offender is confined in a state correctional institution and from which the offender is being released was imposed for a felony of the first or second degree, the court shall consider ordering that the offender be monitored by means of a global positioning device. If the court reimposes the sentence that it reduced and from which the offender was released and if the violation of the sanction is a new offense, the court may order that the reimposed sentence be served either concurrently with, or consecutive to, any new sentence imposed upon the offender as a result of the violation that is a new offense. The period of all community control sanctions imposed under this division shall not exceed five years. The court, in its discretion, may reduce the period of community control sanctions by the amount of time the offender spent in jail or prison for the

offense. 23337

If the court grants ~~a petition for release of~~ an offender 23338
early release under this section, it shall notify the appropriate 23339
person at the department of rehabilitation and correction of the 23340
release, and the department shall post notice of the release on 23341
the database it maintains pursuant to section 5120.66 of the 23342
Revised Code. 23343

(J) The department shall adopt under Chapter 119. of the 23344
Revised Code any rules necessary to implement this section. 23345

Sec. 2967.191. The department of rehabilitation and 23346
correction shall reduce the stated prison term of a prisoner or, 23347
if the prisoner is serving a term for which there is parole 23348
eligibility, the minimum and maximum term or the parole 23349
eligibility date of the prisoner by the total number of days that 23350
the prisoner was confined for any reason arising out of the 23351
offense for which the prisoner was convicted and sentenced, 23352
including confinement in lieu of bail while awaiting trial, 23353
confinement for examination to determine the prisoner's competence 23354
to stand trial or sanity, and confinement while awaiting 23355
transportation to the place where the prisoner is to serve the 23356
prisoner's prison term, as determined by the sentencing court 23357
under division (B)(2)(h)(i) of section 2929.19 of the Revised 23358
Code. The department of rehabilitation and correction also shall 23359
reduce the stated prison term of a prisoner or, if the prisoner is 23360
serving a term for which there is parole eligibility, the minimum 23361
and maximum term or the parole eligibility date of the prisoner by 23362
the total number of days, if any, that the prisoner previously 23363
served in the custody of the department of rehabilitation and 23364
correction arising out of the offense for which the prisoner was 23365
convicted and sentenced. 23366

Sec. 2967.26. (A)(1) The department of rehabilitation and 23367
correction, by rule, may establish a transitional control program 23368
for the purpose of closely monitoring a prisoner's adjustment to 23369
community supervision during the final one hundred eighty days of 23370
the prisoner's confinement. If the department establishes a 23371
transitional control program under this division, the adult parole 23372
authority may transfer eligible prisoners to transitional control 23373
status under the program during the final one hundred eighty days 23374
of their confinement and under the terms and conditions 23375
established by the department, shall provide for the confinement 23376
as provided in this division of each eligible prisoner so 23377
transferred, and shall supervise each eligible prisoner so 23378
transferred in one or more community control sanctions. Each 23379
eligible prisoner who is transferred to transitional control 23380
status under the program shall be confined in a suitable facility 23381
that is licensed pursuant to division (C) of section 2967.14 of 23382
the Revised Code, or shall be confined in a residence the 23383
department has approved for this purpose and be monitored pursuant 23384
to an electronic monitoring device, as defined in section 2929.01 23385
of the Revised Code. If the department establishes a transitional 23386
control program under this division, the rules establishing the 23387
program shall include criteria that define which prisoners are 23388
eligible for the program, criteria that must be satisfied to be 23389
approved as a residence that may be used for confinement under the 23390
program of a prisoner that is transferred to it and procedures for 23391
the department to approve residences that satisfy those criteria, 23392
and provisions of the type described in division (C) of this 23393
section. At a minimum, the criteria that define which prisoners 23394
are eligible for the program shall provide all of the following: 23395

(a) That a prisoner is eligible for the program if the 23396
prisoner is serving a prison term or term of imprisonment for an 23397
offense committed prior to March 17, 1998, and if, at the time at 23398

which eligibility is being determined, the prisoner would have 23399
been eligible for a furlough under this section as it existed 23400
immediately prior to March 17, 1998, or would have been eligible 23401
for conditional release under former section 2967.23 of the 23402
Revised Code as that section existed immediately prior to March 23403
17, 1998; 23404

(b) That no prisoner who is serving a mandatory prison term 23405
is eligible for the program until after expiration of the 23406
mandatory term; 23407

(c) That no prisoner who is serving a prison term or term of 23408
life imprisonment without parole imposed pursuant to section 23409
2971.03 of the Revised Code is eligible for the program. 23410

(2) At least three weeks prior to transferring to 23411
transitional control under this section a prisoner who is serving 23412
a term of imprisonment or prison term for an offense committed on 23413
or after July 1, 1996, the ~~adult~~ division of parole authority and 23414
community services of the department of rehabilitation and 23415
correction shall give notice of the pendency of the transfer to 23416
transitional control to the court of common pleas of the county in 23417
which the indictment against the prisoner was found and of the 23418
fact that the court may disapprove the transfer of the prisoner to 23419
transitional control and shall include a report prepared by the 23420
head of the state correctional institution in which the prisoner 23421
is confined. The head of the state correctional institution in 23422
which the prisoner is confined, upon the request of the adult 23423
parole authority, shall provide to the authority for inclusion in 23424
the notice sent to the court under this division a report on the 23425
prisoner's conduct in the institution and in any institution from 23426
which the prisoner may have been transferred. The report shall 23427
cover the prisoner's participation in school, vocational training, 23428
work, treatment, and other rehabilitative activities and any 23429
disciplinary action taken against the prisoner. If the court 23430

disapproves of the transfer of the prisoner to transitional control, the court shall notify the authority of the disapproval within thirty days after receipt of the notice. If the court timely disapproves the transfer of the prisoner to transitional control, the authority shall not proceed with the transfer. If the court does not timely disapprove the transfer of the prisoner to transitional control, the authority may transfer the prisoner to transitional control.

(3) If the victim of an offense for which a prisoner was sentenced to a prison term or term of imprisonment has requested notification under section 2930.16 of the Revised Code and has provided the department of rehabilitation and correction with the victim's name and address, the adult parole authority, at least three weeks prior to transferring the prisoner to transitional control pursuant to this section, shall notify the victim of the pendency of the transfer and of the victim's right to submit a statement to the authority regarding the impact of the transfer of the prisoner to transitional control. If the victim subsequently submits a statement of that nature to the authority, the authority shall consider the statement in deciding whether to transfer the prisoner to transitional control.

(4) The department of rehabilitation and correction, at least three weeks prior to transferring a prisoner to transitional control pursuant to this section, shall post on the database it maintains pursuant to section 5120.66 of the Revised Code the prisoner's name and all of the information specified in division (A)(1)(c)(iv) of that section. In addition to and independent of the right of a victim to submit a statement as described in division (A)(3) of this section or to otherwise make a statement and in addition to and independent of any other right or duty of a person to present information or make a statement, any person may send to the adult parole authority at any time prior to the

authority's transfer of the prisoner to transitional control a 23463
written statement regarding the transfer of the prisoner to 23464
transitional control. In addition to the information, reports, and 23465
statements it considers under divisions (A)(2) and (3) of this 23466
section or that it otherwise considers, the authority shall 23467
consider each statement submitted in accordance with this division 23468
in deciding whether to transfer the prisoner to transitional 23469
control. 23470

(B) Each prisoner transferred to transitional control under 23471
this section shall be confined in the manner described in division 23472
(A) of this section during any period of time that the prisoner is 23473
not actually working at the prisoner's approved employment, 23474
engaged in a vocational training or another educational program, 23475
engaged in another program designated by the director, or engaged 23476
in other activities approved by the department. 23477

(C) The department of rehabilitation and correction shall 23478
adopt rules for transferring eligible prisoners to transitional 23479
control, supervising and confining prisoners so transferred, 23480
administering the transitional control program in accordance with 23481
this section, and using the moneys deposited into the transitional 23482
control fund established under division (E) of this section. 23483

(D) The department of rehabilitation and correction may adopt 23484
rules for the issuance of passes for the limited purposes 23485
described in this division to prisoners who are transferred to 23486
transitional control under this section. If the department adopts 23487
rules of that nature, the rules shall govern the granting of the 23488
passes and shall provide for the supervision of prisoners who are 23489
temporarily released pursuant to one of those passes. Upon the 23490
adoption of rules under this division, the department may issue 23491
passes to prisoners who are transferred to transitional control 23492
status under this section in accordance with the rules and the 23493
provisions of this division. All passes issued under this division 23494

shall be for a maximum of forty-eight hours and may be issued only 23495
for the following purposes: 23496

(1) To visit a relative in imminent danger of death; 23497

(2) To have a private viewing of the body of a deceased 23498
relative; 23499

(3) To visit with family; 23500

(4) To otherwise aid in the rehabilitation of the prisoner. 23501

(E) The adult parole authority may require a prisoner who is 23502
transferred to transitional control to pay to the division of 23503
parole and community services the reasonable expenses incurred by 23504
the division in supervising or confining the prisoner while under 23505
transitional control. Inability to pay those reasonable expenses 23506
shall not be grounds for refusing to transfer an otherwise 23507
eligible prisoner to transitional control. Amounts received by the 23508
division of parole and community services under this division 23509
shall be deposited into the transitional control fund, which is 23510
hereby created in the state treasury and which hereby replaces and 23511
succeeds the furlough services fund that formerly existed in the 23512
state treasury. All moneys that remain in the furlough services 23513
fund on March 17, 1998, shall be transferred on that date to the 23514
transitional control fund. The transitional control fund shall be 23515
used solely to pay costs related to the operation of the 23516
transitional control program established under this section. The 23517
director of rehabilitation and correction shall adopt rules in 23518
accordance with section 111.15 of the Revised Code for the use of 23519
the fund. 23520

(F) A prisoner who violates any rule established by the 23521
department of rehabilitation and correction under division (A), 23522
(C), or (D) of this section may be transferred to a state 23523
correctional institution pursuant to rules adopted under division 23524
(A), (C), or (D) of this section, but the prisoner shall receive 23525

credit towards completing the prisoner's sentence for the time 23526
spent under transitional control. 23527

If a prisoner is transferred to transitional control under 23528
this section, upon successful completion of the period of 23529
transitional control, the prisoner may be released on parole or 23530
under post-release control pursuant to section 2967.13 or 2967.28 23531
of the Revised Code and rules adopted by the department of 23532
rehabilitation and correction. If the prisoner is released under 23533
post-release control, the duration of the post-release control, 23534
the type of post-release control sanctions that may be imposed, 23535
the enforcement of the sanctions, and the treatment of prisoners 23536
who violate any sanction applicable to the prisoner are governed 23537
by section 2967.28 of the Revised Code. 23538

Sec. 2967.28. (A) As used in this section: 23539

(1) "Monitored time" means the monitored time sanction 23540
specified in section 2929.17 of the Revised Code. 23541

(2) "Deadly weapon" and "dangerous ordnance" have the same 23542
meanings as in section 2923.11 of the Revised Code. 23543

(3) "Felony sex offense" means a violation of a section 23544
contained in Chapter 2907. of the Revised Code that is a felony. 23545

(4) "Risk reduction sentence" means a prison term imposed by 23546
a court, when the court recommends pursuant to section 2929.143 of 23547
the Revised Code that the offender serve the sentence under 23548
section 5120.036 of the Revised Code, and the offender may 23549
potentially be released from imprisonment prior to the expiration 23550
of the prison term if the offender successfully completes all 23551
assessment and treatment or programming required by the department 23552
of rehabilitation and correction under section 5120.036 of the 23553
Revised Code. 23554

(B) Each sentence to a prison term for a felony of the first 23555

degree, for a felony of the second degree, for a felony sex 23556
offense, or for a felony of the third degree that is not a felony 23557
sex offense and in the commission of which the offender caused or 23558
threatened to cause physical harm to a person shall include a 23559
requirement that the offender be subject to a period of 23560
post-release control imposed by the parole board after the 23561
offender's release from imprisonment. This division applies with 23562
respect to all prison terms of a type described in this division, 23563
including a term of any such type that is a risk reduction 23564
sentence. If a court imposes a sentence including a prison term of 23565
a type described in this division on or after July 11, 2006, the 23566
failure of a sentencing court to notify the offender pursuant to 23567
division (B)(2)(c) of section 2929.19 of the Revised Code of this 23568
requirement or to include in the judgment of conviction entered on 23569
the journal a statement that the offender's sentence includes this 23570
requirement does not negate, limit, or otherwise affect the 23571
mandatory period of supervision that is required for the offender 23572
under this division. Section 2929.191 of the Revised Code applies 23573
if, prior to July 11, 2006, a court imposed a sentence including a 23574
prison term of a type described in this division and failed to 23575
notify the offender pursuant to division (B)(2)(c) of section 23576
2929.19 of the Revised Code regarding post-release control or to 23577
include in the judgment of conviction entered on the journal or in 23578
the sentence pursuant to division (D)(1) of section 2929.14 of the 23579
Revised Code a statement regarding post-release control. Unless 23580
reduced by the parole board pursuant to division (D) of this 23581
section when authorized under that division, a period of 23582
post-release control required by this division for an offender 23583
shall be of one of the following periods: 23584

- (1) For a felony of the first degree or for a felony sex 23585
offense, five years; 23586
- (2) For a felony of the second degree that is not a felony 23587

sex offense, three years; 23588

(3) For a felony of the third degree that is not a felony sex 23589
offense and in the commission of which the offender caused or 23590
threatened physical harm to a person, three years. 23591

(C) Any sentence to a prison term for a felony of the third, 23592
fourth, or fifth degree that is not subject to division (B)(1) or 23593
(3) of this section shall include a requirement that the offender 23594
be subject to a period of post-release control of up to three 23595
years after the offender's release from imprisonment, if the 23596
parole board, in accordance with division (D) of this section, 23597
determines that a period of post-release control is necessary for 23598
that offender. This division applies with respect to all prison 23599
terms of a type described in this division, including a term of 23600
any such type that is a risk reduction sentence. Section 2929.191 23601
of the Revised Code applies if, prior to July 11, 2006, a court 23602
imposed a sentence including a prison term of a type described in 23603
this division and failed to notify the offender pursuant to 23604
division (B)(2)(d) of section 2929.19 of the Revised Code 23605
regarding post-release control or to include in the judgment of 23606
conviction entered on the journal or in the sentence pursuant to 23607
division (D)(2) of section 2929.14 of the Revised Code a statement 23608
regarding post-release control. Pursuant to an agreement entered 23609
into under section 2967.29 of the Revised Code, a court of common 23610
pleas or parole board may impose sanctions or conditions on an 23611
offender who is placed on post-release control under this 23612
division. 23613

(D)(1) Before the prisoner is released from imprisonment, the 23614
parole board or, pursuant to an agreement under section 2967.29 of 23615
the Revised Code, the court shall impose upon a prisoner described 23616
in division (B) of this section, shall impose upon a prisoner 23617
described in division (C) of this section who is to be released 23618
before the expiration of the prisoner's stated prison term under a 23619

risk reduction sentence, may impose upon a prisoner described in 23620
division (C) of this section who is not to be released before the 23621
expiration of the prisoner's stated prison term under a risk 23622
reduction sentence, and shall impose upon a prisoner described in 23623
division (B)(2)(b) of section 5120.031 or in division (B)(1) of 23624
section 5120.032 of the Revised Code, one or more post-release 23625
control sanctions to apply during the prisoner's period of 23626
post-release control. Whenever the board or court imposes one or 23627
more post-release control sanctions upon a prisoner, the board or 23628
court, in addition to imposing the sanctions, also shall include 23629
as a condition of the post-release control that the offender not 23630
leave the state without permission of the court or the offender's 23631
parole or probation officer and that the offender abide by the 23632
law. The board or court may impose any other conditions of release 23633
under a post-release control sanction that the board or court 23634
considers appropriate, and the conditions of release may include 23635
any community residential sanction, community nonresidential 23636
sanction, or financial sanction that the sentencing court was 23637
authorized to impose pursuant to sections 2929.16, 2929.17, and 23638
2929.18 of the Revised Code. Prior to the release of a prisoner 23639
for whom it will impose one or more post-release control sanctions 23640
under this division, the parole board or court shall review the 23641
prisoner's criminal history, results from the single validated 23642
risk assessment tool selected by the department of rehabilitation 23643
and correction under section 5120.114 of the Revised Code, all 23644
juvenile court adjudications finding the prisoner, while a 23645
juvenile, to be a delinquent child, and the record of the 23646
prisoner's conduct while imprisoned. The parole board or court 23647
shall consider any recommendation regarding post-release control 23648
sanctions for the prisoner made by the office of victims' 23649
services. After considering those materials, the board or court 23650
shall determine, for a prisoner described in division (B) of this 23651
section, division (B)(2)(b) of section 5120.031, or division 23652

(B)(1) of section 5120.032 of the Revised Code and for a prisoner 23653
described in division (C) of this section who is to be released 23654
before the expiration of the prisoner's stated prison term under a 23655
risk reduction sentence, which post-release control sanction or 23656
combination of post-release control sanctions is reasonable under 23657
the circumstances or, for a prisoner described in division (C) of 23658
this section who is not to be released before the expiration of 23659
the prisoner's stated prison term under a risk reduction sentence, 23660
whether a post-release control sanction is necessary and, if so, 23661
which post-release control sanction or combination of post-release 23662
control sanctions is reasonable under the circumstances. In the 23663
case of a prisoner convicted of a felony of the fourth or fifth 23664
degree other than a felony sex offense, the board or court shall 23665
presume that monitored time is the appropriate post-release 23666
control sanction unless the board or court determines that a more 23667
restrictive sanction is warranted. A post-release control sanction 23668
imposed under this division takes effect upon the prisoner's 23669
release from imprisonment. 23670

Regardless of whether the prisoner was sentenced to the 23671
prison term prior to, on, or after July 11, 2006, prior to the 23672
release of a prisoner for whom it will impose one or more 23673
post-release control sanctions under this division, the parole 23674
board shall notify the prisoner that, if the prisoner violates any 23675
sanction so imposed or any condition of post-release control 23676
described in division (B) of section 2967.131 of the Revised Code 23677
that is imposed on the prisoner, the parole board may impose a 23678
prison term of up to one-half of the stated prison term originally 23679
imposed upon the prisoner. 23680

(2) If a prisoner who is placed on post-release control under 23681
this section is released before the expiration of the prisoner's 23682
stated prison term by reason of credit earned under section 23683
2967.193 of the Revised Code and if the prisoner earned sixty or 23684

more days of credit, the adult parole authority shall supervise 23685
the offender with an active global positioning system device for 23686
the first fourteen days after the offender's release from 23687
imprisonment. This division does not prohibit or limit the 23688
imposition of any post-release control sanction otherwise 23689
authorized by this section. 23690

(3) At any time after a prisoner is released from 23691
imprisonment and during the period of post-release control 23692
applicable to the releasee, the adult parole authority or, 23693
pursuant to an agreement under section 2967.29 of the Revised 23694
Code, the court may review the releasee's behavior under the 23695
post-release control sanctions imposed upon the releasee under 23696
this section. The authority or court may determine, based upon the 23697
review and in accordance with the standards established under 23698
division (E) of this section, that a more restrictive or a less 23699
restrictive sanction is appropriate and may impose a different 23700
sanction. The authority also may recommend that the parole board 23701
or court increase or reduce the duration of the period of 23702
post-release control imposed by the court. If the authority 23703
recommends that the board or court increase the duration of 23704
post-release control, the board or court shall review the 23705
releasee's behavior and may increase the duration of the period of 23706
post-release control imposed by the court up to eight years. If 23707
the authority recommends that the board or court reduce the 23708
duration of control for an offense described in division (B) or 23709
(C) of this section, the board or court shall review the 23710
releasee's behavior and may reduce the duration of the period of 23711
control imposed by the court. In no case shall the board or court 23712
reduce the duration of the period of control imposed for an 23713
offense described in division (B)(1) of this section to a period 23714
less than the length of the stated prison term originally imposed, 23715
and in no case shall the board or court permit the releasee to 23716
leave the state without permission of the court or the releasee's 23717

parole or probation officer. 23718

(E) The department of rehabilitation and correction, in 23719
accordance with Chapter 119. of the Revised Code, shall adopt 23720
rules that do all of the following: 23721

(1) Establish standards for the imposition by the parole 23722
board of post-release control sanctions under this section that 23723
are consistent with the overriding purposes and sentencing 23724
principles set forth in section 2929.11 of the Revised Code and 23725
that are appropriate to the needs of releasees; 23726

(2) Establish standards that provide for a period of 23727
post-release control of up to three years for all prisoners 23728
described in division (C) of this section who are to be released 23729
before the expiration of their stated prison term under a risk 23730
reduction sentence and standards by which the parole board can 23731
determine which prisoners described in division (C) of this 23732
section who are not to be released before the expiration of their 23733
stated prison term under a risk reduction sentence should be 23734
placed under a period of post-release control; 23735

(3) Establish standards to be used by the parole board in 23736
reducing the duration of the period of post-release control 23737
imposed by the court when authorized under division (D) of this 23738
section, in imposing a more restrictive post-release control 23739
sanction than monitored time upon a prisoner convicted of a felony 23740
of the fourth or fifth degree other than a felony sex offense, or 23741
in imposing a less restrictive control sanction upon a releasee 23742
based on the releasee's activities including, but not limited to, 23743
remaining free from criminal activity and from the abuse of 23744
alcohol or other drugs, successfully participating in approved 23745
rehabilitation programs, maintaining employment, and paying 23746

| (4) Establish standards to be used by the adult parole authority in modifying a releasee's post-release control sanctions pursuant to division (D)(2) of this section; | 23749 23750 23751 |
| (5) Establish standards to be used by the adult parole authority or parole board in imposing further sanctions under division (F) of this section on releasees who violate post-release control sanctions, including standards that do the following: | 23752 23753 23754 23755 |
| (a) Classify violations according to the degree of seriousness; | 23756 23757 |
| (b) Define the circumstances under which formal action by the parole board is warranted; | 23758 23759 |
| (c) Govern the use of evidence at violation hearings; | 23760 |
| (d) Ensure procedural due process to an alleged violator; | 23761 |
| (e) Prescribe nonresidential community control sanctions for most misdemeanor and technical violations; | 23762 23763 |
| (f) Provide procedures for the return of a releasee to imprisonment for violations of post-release control. | 23764 23765 |
| (F)(1) Whenever the parole board imposes one or more post-release control sanctions upon an offender under this section, the offender upon release from imprisonment shall be under the general jurisdiction of the adult parole authority and generally shall be supervised by the field services section through its staff of parole and field officers as described in section 5149.04 of the Revised Code, as if the offender had been placed on parole. If the offender upon release from imprisonment violates the post-release control sanction or any conditions described in division (A) of section 2967.131 of the Revised Code that are imposed on the offender, the public or private person or entity that operates or administers the sanction or the program or activity that comprises the sanction shall report the violation | 23766 23767 23768 23769 23770 23771 23772 23773 23774 23775 23776 23777 23778 |

directly to the adult parole authority or to the officer of the 23779
authority who supervises the offender. The authority's officers 23780
may treat the offender as if the offender were on parole and in 23781
violation of the parole, and otherwise shall comply with this 23782
section. 23783

(2) If the adult parole authority or, pursuant to an 23784
agreement under section 2967.29 of the Revised Code, the court 23785
determines that a releasee has violated a post-release control 23786
sanction or any conditions described in division (A) of section 23787
2967.131 of the Revised Code imposed upon the releasee and that a 23788
more restrictive sanction is appropriate, the authority or court 23789
may impose a more restrictive sanction upon the releasee, in 23790
accordance with the standards established under division (E) of 23791
this section or in accordance with the agreement made under 23792
section 2967.29 of the Revised Code, or may report the violation 23793
to the parole board for a hearing pursuant to division (F)(3) of 23794
this section. The authority or court may not, pursuant to this 23795
division, increase the duration of the releasee's post-release 23796
control or impose as a post-release control sanction a residential 23797
sanction that includes a prison term, but the authority or court 23798
may impose on the releasee any other residential sanction, 23799
nonresidential sanction, or financial sanction that the sentencing 23800
court was authorized to impose pursuant to sections 2929.16, 23801
2929.17, and 2929.18 of the Revised Code. 23802

(3) The parole board or, pursuant to an agreement under 23803
section 2967.29 of the Revised Code, the court may hold a hearing 23804
on any alleged violation by a releasee of a post-release control 23805
sanction or any conditions described in division (A) of section 23806
2967.131 of the Revised Code that are imposed upon the releasee. 23807
If after the hearing the board or court finds that the releasee 23808
violated the sanction or condition, the board or court may 23809
increase the duration of the releasee's post-release control up to 23810

the maximum duration authorized by division (B) or (C) of this 23811
section or impose a more restrictive post-release control 23812
sanction. When appropriate, the board or court may impose as a 23813
post-release control sanction a residential sanction that includes 23814
a prison term. The board or court shall consider a prison term as 23815
a post-release control sanction imposed for a violation of 23816
post-release control when the violation involves a deadly weapon 23817
or dangerous ordnance, physical harm or attempted serious physical 23818
harm to a person, or sexual misconduct, or when the releasee 23819
committed repeated violations of post-release control sanctions. 23820
Unless a releasee's stated prison term was reduced pursuant to 23821
section 5120.032 of the Revised Code, the period of a prison term 23822
that is imposed as a post-release control sanction under this 23823
division shall not exceed nine months, and the maximum cumulative 23824
prison term for all violations under this division shall not 23825
exceed one-half of the stated prison term originally imposed upon 23826
the offender as part of this sentence. If a releasee's stated 23827
prison term was reduced pursuant to section 5120.032 of the 23828
Revised Code, the period of a prison term that is imposed as a 23829
post-release control sanction under this division and the maximum 23830
cumulative prison term for all violations under this division 23831
shall not exceed the period of time not served in prison under the 23832
sentence imposed by the court. The period of a prison term that is 23833
imposed as a post-release control sanction under this division 23834
shall not count as, or be credited toward, the remaining period of 23835
post-release control. 23836

If an offender is imprisoned for a felony committed while 23837
under post-release control supervision and is again released on 23838
post-release control for a period of time determined by division 23839
(F)(4)(d) of this section, the maximum cumulative prison term for 23840
all violations under this division shall not exceed one-half of 23841
the total stated prison terms of the earlier felony, reduced by 23842
any prison term administratively imposed by the parole board or 23843

court, plus one-half of the total stated prison term of the new 23844
felony. 23845

(4) Any period of post-release control shall commence upon an 23846
offender's actual release from prison. If an offender is serving 23847
an indefinite prison term or a life sentence in addition to a 23848
stated prison term, the offender shall serve the period of 23849
post-release control in the following manner: 23850

(a) If a period of post-release control is imposed upon the 23851
offender and if the offender also is subject to a period of parole 23852
under a life sentence or an indefinite sentence, and if the period 23853
of post-release control ends prior to the period of parole, the 23854
offender shall be supervised on parole. The offender shall receive 23855
credit for post-release control supervision during the period of 23856
parole. The offender is not eligible for final release under 23857
section 2967.16 of the Revised Code until the post-release control 23858
period otherwise would have ended. 23859

(b) If a period of post-release control is imposed upon the 23860
offender and if the offender also is subject to a period of parole 23861
under an indefinite sentence, and if the period of parole ends 23862
prior to the period of post-release control, the offender shall be 23863
supervised on post-release control. The requirements of parole 23864
supervision shall be satisfied during the post-release control 23865
period. 23866

(c) If an offender is subject to more than one period of 23867
post-release control, the period of post-release control for all 23868
of the sentences shall be the period of post-release control that 23869
expires last, as determined by the parole board or court. Periods 23870
of post-release control shall be served concurrently and shall not 23871
be imposed consecutively to each other. 23872

(d) The period of post-release control for a releasee who 23873
commits a felony while under post-release control for an earlier 23874

felony shall be the longer of the period of post-release control 23875
specified for the new felony under division (B) or (C) of this 23876
section or the time remaining under the period of post-release 23877
control imposed for the earlier felony as determined by the parole 23878
board or court. 23879

pending the time it no longer is needed as evidence or for another 23884
lawful purpose, and shall be disposed of pursuant to sections 23885

total amount of fees credited to the fund in each fiscal year, 24059
except that the children's trust fund board may approve an amount 24060

for actual administrative costs exceeding three per cent but not 24061

The state superintendent shall provide information about the 24958
scholarship program to all students residing in the district, 24959
shall accept applications from any such students until such date 24960
as shall be established by the state superintendent as a deadline 24961

prior to the deadline, which criteria shall give preference to 24964
students from low-income families. ~~For each student selected, the~~ 24965
~~state superintendent shall also determine whether the student~~ 24966
~~qualifies for seventy five or ninety per cent of the scholarship~~ 24967
~~amount. Students whose family income is at or above two hundred~~ 24968
~~per cent of the maximum income level established by the state~~ 24969

The state superintendent shall notify students of their selection 24974

prior to the fifteenth day of January ~~and whether they qualify for~~ 24975
~~seventy five or ninety per cent of the scholarship amount.~~ 24976

(1) A student receiving a pilot project scholarship may 24977
utilize it at an alternative public school by notifying the 24978
district superintendent, at any time before the beginning of the 24979
school year, of the name of the public school in an adjacent 24980
school district to which the student has been accepted pursuant to 24981
section 3327.06 of the Revised Code. 24982

(2) A student may decide to utilize a pilot project 24983

of the following conditions are met: 24985

(a) By the fifteenth day of February of the preceding school 24986

February and was admitted by the school pursuant to division (A) 24995
of section 3313.977 of the Revised Code; 24996

(ii) Within one week of the decision to admit the student if 24997
the student is admitted pursuant to division (C) of section 24998
3313.977 of the Revised Code. 24999

(c) The student actually enrolls in the registered private 25000
school to which the student was first admitted or in another 25001
registered private school in the district or in a public school in 25002
an adjacent school district. 25003

(B) The state superintendent shall also award in any school 25004

year tutorial assistance grants to a number of students equal to 25005
the number of students who receive scholarships under division (A) 25006
of this section. Tutorial assistance grants shall be awarded 25007
solely to students who are enrolled in the public schools of the 25008
district in a grade level covered by the pilot project. Tutorial 25009
assistance grants may be used solely to obtain tutorial assistance 25010
from a provider approved pursuant to division (D) of section 25011
3313.976 of the Revised Code. 25012

All students wishing to obtain tutorial assistance grants 25013
shall make application to the state superintendent by the first 25014
day of the school year in which the assistance will be used. The 25015
state superintendent shall award assistance grants in accordance 25016
with criteria the superintendent shall establish. ~~For each student~~ 25017
~~awarded a grant, the state superintendent shall also determine~~ 25018
~~whether the student qualifies for seventy five or ninety per cent~~ 25019
~~of the grant amount and so notify the student. Students whose~~ 25020
~~family income is at or above two hundred per cent of the maximum~~ 25021
~~income level established by the state superintendent for~~ 25022

alternative school the scholarship recipient attends or three 25030
thousand dollars before fiscal year 2007, three thousand four 25031
hundred fifty dollars in fiscal year 2007 through fiscal year 25032
2011, and four thousand two hundred fifty dollars in fiscal year 25033
2012 and thereafter. 25034

In the case of basic scholarships for students in grades nine 25035
through twelve, the scholarship amount shall not exceed the lesser 25036

of the net tuition charges of the alternative school the 25037
scholarship recipient attends or two thousand seven hundred 25038
dollars before fiscal year 2007, three thousand four hundred fifty 25039
dollars in fiscal year 2007 through fiscal year 2011, and five 25040
thousand dollars in fiscal year 2012 and thereafter. 25041

The net tuition and fees charged to a student shall be the 25042
tuition amount specified by the alternative school minus all other 25043
financial aid, discounts, and adjustments received for the 25044
student. In cases where discounts are offered for multiple 25045

attributable to the scholarship recipient shall be the lowest net 25048
tuition to which the family is entitled. 25049

(2) The state superintendent shall provide for an increase in 25050
the basic scholarship amount in the case of any student who is a 25051
mainstreamed student with a disability and shall further increase 25052
such amount in the case of any separately educated student with a 25053
disability. Such increases shall take into account the 25054
instruction, related services, and transportation costs of 25055
educating such students. 25056

(3) In the case of tutorial assistance grants, the grant 25057
amount shall not exceed the lesser of the provider's actual 25058
charges for such assistance or: 25059

amount; 25063

(b) In fiscal year 2007 and thereafter, four hundred dollars. 25064

~~(4) No scholarship or tutorial assistance grant shall be 25065~~
~~awarded unless the state superintendent determines that 25066~~
~~twenty five or ten per cent, as applicable, of the amount 25067~~

~~specified for such scholarship or grant pursuant to division 25068
(C)(1), (2), or (3) of this section will be furnished by a 25069
political subdivision, a private nonprofit or for profit entity, 25070
or another person. Only seventy five or ninety per cent of such 25071
amounts, as applicable, shall be paid from state funds pursuant to 25072
section 3313.979 of the Revised Code. 25073~~

(D)(1) Annually by the first day of November, the state 25074
superintendent shall estimate the maximum per-pupil scholarship 25075
amounts for the ensuing school year. The state superintendent 25076
shall make this estimate available to the general public at the 25077
offices of the district board of education together with the forms 25078
required by division (D)(2) of this section. 25079

(2) Annually by the fifteenth day of January, the chief 25080

affiliations. 25089

(E)(1) Only for the purpose of administering the pilot 25090
project scholarship program, the department may request from any 25091
of the following entities the data verification code assigned 25092
under division (D)(2) of section 3301.0714 of the Revised Code to 25093
any student who is seeking a scholarship under the program: 25094

(a) The school district in which the student is entitled to 25095
attend school under section 3313.64 or 3313.65 of the Revised 25096
Code; 25097

(b) If applicable, the community school in which the student 25098

this section for the data verification code of a student seeking a 25103
scholarship or a request by the student's parent for that code, 25104
the school district or community school shall submit that code to 25105
the department or parent in the manner specified by the 25106
department. If the student has not been assigned a code, because 25107
the student will be entering kindergarten during the school year 25108
for which the scholarship is sought, the district shall assign a 25109
code to that student and submit the code to the department or 25110
parent by a date specified by the department. If the district does 25111
not assign a code to the student by the specified date, the 25112
department shall assign a code to the student. 25113

The department annually shall submit to each school district 25114
the name and data verification code of each student residing in 25115
the district who is entering kindergarten, who has been awarded a 25116
scholarship under the program, and for whom the department has 25117
assigned a code under this division. 25118

(3) The department shall not release any data verification 25119
code that it receives under division (E) of this section to any 25120
person except as provided by law. 25121

(F) Any document relative to the pilot project scholarship 25122
program that the department holds in its files that contains both 25123
a student's name or other personally identifiable information and 25124
the student's data verification code shall not be a public record 25125
under section 149.43 of the Revised Code. 25126

(G)(1) The department annually shall compile the scores 25127
attained by scholarship students enrolled in registered private 25128
schools on the assessments administered to the students pursuant 25129

to division (A)(11) of section 3313.976 of the Revised Code. The 25130
scores shall be aggregated as follows: 25131

(a) By school district, which shall include all scholarship 25132
students residing in the pilot project school district who are 25133
enrolled in a registered private school and were required to take 25134
an assessment pursuant to division (A)(11) of section 3313.976 of 25135
the Revised Code; 25136

(b) By registered private school, which shall include all 25137
scholarship students enrolled in that school who were required to 25138
take an assessment pursuant to division (A)(11) of section 25139

(2) The department shall disaggregate the student performance 25141
data described in division (G)(1) of this section according to the 25142
following categories: 25143

(a) Age; 25144

(b) Race and ethnicity; 25145

(c) Gender; 25146

(d) Students who have participated in the scholarship program 25147
for three or more years; 25148

(e) Students who have participated in the scholarship program 25149

(g) Economically disadvantaged students. 25153

(3) The department shall post the student performance data 25154
required under divisions (G)(1) and (2) of this section on its web 25155
site and shall include that data in the information about the 25156
scholarship program provided to students under division (A) of 25157
this section. In reporting student performance data under this 25158
division, the department shall not include any data that is 25159

statistically unreliable or that could result in the 25160
identification of individual students. For this purpose, the 25161
department shall not report performance data for any group that 25162
contains less than ten students. 25163

(4) The department shall provide the parent of each 25164
scholarship student enrolled in a registered private school with 25165
information comparing the student's performance on the assessments 25166
administered pursuant to division (A)(11) of section 3313.976 of 25167
the Revised Code with the average performance of similar students 25168
enrolled in the building operated by the pilot project school 25169
district that the scholarship student would otherwise attend. In 25170
calculating the performance of similar students, the department 25171
shall consider age, grade, race and ethnicity, gender, and 25172
socioeconomic status. 25173

Sec. 3313.979. Each scholarship to be used for payments to a 25174
registered private school is payable to the parents of the student 25175
entitled to the scholarship. Each scholarship to be used for 25176
payments to a public school in an adjacent school district is 25177
payable to the school district of attendance by the superintendent 25178
of public instruction. Each grant to be used for payments to an 25179
approved tutorial assistance provider is payable to the approved 25180
tutorial assistance provider. 25181

(A)(1) By the fifteenth day of each month of the school year 25182
that any scholarship students are enrolled in a registered private 25183
school, the chief administrator of that school shall notify the 25184
state superintendent of: 25185

(a) The number of scholarship students who were reported to 25186
the school district as having been admitted by that private school 25187
pursuant to division (A)(2)(b) of section 3313.978 of the Revised 25188
Code and who were still enrolled in the private school as of the 25189
first day of such month, ~~and the numbers of such students who~~ 25190

~~qualify for seventy five and ninety per cent of the scholarship amount;~~ 25191
25192

(b) The number of scholarship students who were reported to 25193
the school district as having been admitted by another private 25194
school pursuant to division (A)(2)(b) of section 3313.978 of the 25195
Revised Code and since the date of admission have transferred to 25196
the school providing the notification under division (A)(1) of 25197
this section, ~~and the numbers of such students who qualify for~~ 25198
~~seventy five and ninety per cent of the scholarship amount.~~ 25199

(2) From time to time, the state superintendent shall make a 25200
payment to the parent of each student entitled to a scholarship. 25201
Each payment shall include for each student reported under 25202
division (A)(1) of this section, a portion of ~~seventy five or~~ 25203
~~ninety per cent, as applicable, of~~ the scholarship amount 25204
specified in divisions (C)(1) and (2) of section 3313.978 of the 25205
Revised Code. This amount shall be proportionately reduced in the 25206
case of any such student who is not enrolled in a registered 25207
private school for the entire school year. 25208

(3) The first payment under this division shall be made by 25209
the last day of November and shall equal one-third of ~~seventy five~~ 25210
~~or ninety per cent, as applicable, of~~ the estimated total amount 25211
that will be due to the parent for the school year pursuant to 25212
division (A)(2) of this section. 25213

(B) The state superintendent, on behalf of the parents of a 25214
scholarship student enrolled in a public school in an adjacent 25215
school district pursuant to section 3327.06 of the Revised Code, 25216
shall make the tuition payments required by that section to the 25217
school district admitting the student, except that, 25218
notwithstanding sections 3323.13, 3323.14, and 3327.06 of the 25219
Revised Code, the total payments in any school year shall not 25220
exceed ~~seventy five or ninety per cent, as applicable, of~~ the 25221
scholarship amount provided in divisions (C)(1) and (2) of section 25222

3313.978 of the Revised Code. 25223

(C) Whenever an approved provider provides tutorial 25224
assistance to a student, the state superintendent shall pay the 25225
approved provider for such costs upon receipt of a statement 25226
specifying the services provided and the costs of the services, 25227
which statement shall be signed by the provider and verified by 25228
the chief administrator having supervisory control over the 25229
tutoring site. The total payments to any approved provider under 25230
this division for all provider services to any individual student 25231
in any school year shall not exceed ~~seventy five or ninety per~~ 25232
~~cent, as applicable, of~~ the grant amount provided in division 25233
(C)(3) of section 3313.978 of the Revised Code. 25234

Sec. 3318.034. (A) This section applies to both of the 25235
following: 25236

(1) Any school district that has not executed an agreement 25237
for a project under sections 3318.01 to 3318.20 of the Revised 25238
Code prior to June 24, 2008; 25239

(2) Any school district that is eligible for additional 25240
assistance under sections 3318.01 to 3318.20 of the Revised Code 25241
pursuant to division (B)(2) of section 3318.04 of the Revised 25242
Code. 25243

Notwithstanding any provision of this chapter to the 25244
contrary, with the approval of the Ohio school facilities 25245
commission, any school district to which this section applies may 25246
opt to divide the district's entire classroom facilities needs, as 25247
those needs are jointly determined by the staff of the commission 25248
and the school district, into discrete segments and shall comply 25249
with all of the provisions of those sections unless otherwise 25250
provided in this section. 25251

(B) Except as provided in division (C) of this section, each 25252

segment shall comply with all of the following: 25253

(1) The segment shall consist of the new construction of one 25254
or more entire buildings or the complete renovation of one or more 25255
entire existing buildings, with any necessary additions to that 25256
building. 25257

(2) The segment shall not include any construction of or 25258
renovation or repair to any building that does not complete the 25259
needs of the district with respect to that particular building at 25260
the time the segment is completed. 25261

(3) The segment shall consist of new construction, 25262
renovations, additions, reconstruction, or repair of classroom 25263
facilities to the extent that the school district portion, as 25264
determined under section 3318.032 of the Revised Code, is an 25265
amount not less than the product of 0.040 times the district's 25266
valuation at the time the agreement for the segment is executed, 25267
unless the district previously has undertaken a segment under this 25268
section and the district's portion of the estimated basic project 25269
cost of the remainder of its entire classroom facilities needs, as 25270
determined jointly by the staff of the commission and the 25271
district, is less than the amount otherwise required by this 25272
division. 25273

(C) A district described in division (A)(2) of this section 25274
that has not received the additional assistance authorized under 25275
division (B)(2) of section 3318.04 of the Revised Code may 25276
undertake a segment, with commission approval, for the purpose of 25277
renovating or replacing work performed on a facility under the 25278
district's prior project. The commission may approve that segment 25279
if the commission determines that the renovation or replacement is 25280
necessary to protect the facility. The basic project cost of the 25281
segment shall be allocated between the state and the district in 25282
accordance with section 3318.032 of the Revised Code. However, the 25283
requirements of division (B) of this section shall not apply to a 25284

segment undertaken under this division. 25285

(D) The commission shall conditionally approve and seek 25286
controlling board approval in accordance with division (A) of 25287
section 3318.04 of the Revised Code of each segment. 25288

(E) ~~The school district's maintenance levy requirement, as~~ 25289
~~defined in section 3318.18 of the Revised Code, (1) When~~ 25290
undertaking a segment under this section, a school district may 25291
elect to prorate its full maintenance amount by setting aside for 25292
maintenance the amount calculated under division (E)(2) of this 25293
section to maintain the classroom facilities acquired under the 25294
segment, if the district will use one or more of the alternative 25295
methods authorized in sections 3318.051, 3318.052, and 3318.084 of 25296
the Revised Code to generate the entire amount calculated under 25297
that division. If the district so elects, the commission and the 25298
district shall include in the agreement entered into under section 25299
3318.08 of the Revised Code a statement specifying that the 25300
district will use the amount calculated under that division only 25301
to maintain the classroom facilities acquired under the segment. 25302

(2) The commission shall calculate the amount for a school 25303
district to maintain the classroom facilities acquired under a 25304
segment as follows: 25305

The full maintenance amount X (the school district's portion 25306
of the basic project cost for the segment / the school district's 25307
portion of the basic project cost for the district's entire 25308
classroom facilities needs, as determined jointly by the staff of 25309
the commission and the district) 25310

(3) A school district may elect to prorate its full 25311
maintenance amount for any number of segments, provided the 25312
district will use one or more of the alternative methods 25313
authorized in sections 3318.051, 3318.052, and 3318.084 of the 25314
Revised Code to generate the entire amount calculated under 25315

division (E)(2) of this section to maintain the classroom 25316
facilities acquired under each segment for which it so elects. If 25317
the district cannot use one or more of those alternative methods 25318
to generate the entire amount calculated under that division, the 25319
district shall levy the tax described in division (B) of section 25320
3318.05 of the Revised Code or an extension of that tax under 25321
section 3318.061 of the Revised Code in an amount necessary to 25322
generate the remainder of its full maintenance amount. The 25323
commission shall calculate the remainder of the district's full 25324
maintenance amount as follows: 25325

The full maintenance amount - the sum of the amounts 25326
calculated for the district under division (E)(2) of this section 25327
for each prior segment of the district's project 25328

(4) In no case shall the sum of the amounts calculated for a 25329
school district's maintenance of classroom facilities under 25330
divisions (E)(2) and (3) of this section exceed the amount that 25331
would have been required for maintenance if the district had 25332
elected to undertake its project in its entirety instead of 25333
segmenting the project under this section. 25334

(5) If a school district commenced a segment under this 25335
section prior to the effective date of this amendment but has not 25336
completed that segment, and has not levied the tax described in 25337
division (B) of section 3318.05 of the Revised Code or an 25338
extension of that tax under section 3318.061 of the Revised Code, 25339
the district may request approval from the commission to prorate 25340
its full maintenance amount in accordance with divisions (E)(1) to 25341
(4) of this section. If the commission approves the request, the 25342
commission and the district shall amend the agreement entered into 25343
under section 3318.08 of the Revised Code to reflect the change. 25344

(F) If a school district levies the tax described in division 25345
(B) of section 3318.05 of the Revised Code or an extension of that 25346
tax under section 3318.061 of the Revised Code, the tax shall run 25347

for twenty-three years from the date the ~~first~~ segment for which 25348
the tax is initially levied is undertaken; ~~however, the~~. The 25349
maintenance levy requirement, as defined in section 3318.18 of the 25350
Revised Code, does not apply to a segment undertaken under 25351
division (C) of this section. 25352

(G) As used in this section, "full maintenance amount" means 25353
the amount of total revenue that a school district likely would 25354
generate by one-half mill of the tax described in division (B) of 25355
section 3318.05 of the Revised Code over the entire 25356
twenty-three-year period required under that section, as 25357
determined by the commission in consultation with the department 25358
of taxation. 25359

Sec. 3318.08. Except in the case of a joint vocational school 25360
district that receives assistance under sections 3318.40 to 25361
3318.45 of the Revised Code, if the requisite favorable vote on 25362
the election is obtained, or if the school district board has 25363
resolved to apply the proceeds of a property tax levy or the 25364
proceeds of an income tax, or a combination of proceeds from such 25365
taxes, as authorized in section 3318.052 of the Revised Code, the 25366
Ohio school facilities commission, upon certification to it of 25367
either the results of the election or the resolution under section 25368
3318.052 of the Revised Code, shall enter into a written agreement 25369
with the school district board for the construction and sale of 25370
the project. In the case of a joint vocational school district 25371
that receives assistance under sections 3318.40 to 3318.45 of the 25372
Revised Code, if the school district board of education and the 25373
school district electors have satisfied the conditions prescribed 25374
in division (D)(1) of section 3318.41 of the Revised Code, the 25375
commission shall enter into an agreement with the school district 25376
board for the construction and sale of the project. In either 25377
case, the agreement shall include, but need not be limited to, the 25378
following provisions: 25379

(A) The sale and issuance of bonds or notes in anticipation 25380
thereof, as soon as practicable after the execution of the 25381
agreement, in an amount equal to the school district's portion of 25382
the basic project cost, including any securities authorized under 25383
division (J) of section 133.06 of the Revised Code and dedicated 25384
by the school district board to payment of the district's portion 25385
of the basic project cost of the project; provided, that if at 25386
that time the county treasurer of each county in which the school 25387
district is located has not commenced the collection of taxes on 25388
the general duplicate of real and public utility property for the 25389
year in which the controlling board approved the project, the 25390
school district board shall authorize the issuance of a first 25391
installment of bond anticipation notes in an amount specified by 25392
the agreement, which amount shall not exceed an amount necessary 25393
to raise the net bonded indebtedness of the school district as of 25394
the date of the controlling board's approval to within five 25395
thousand dollars of the required level of indebtedness for the 25396
preceding year. In the event that a first installment of bond 25397
anticipation notes is issued, the school district board shall, as 25398
soon as practicable after the county treasurer of each county in 25399
which the school district is located has commenced the collection 25400
of taxes on the general duplicate of real and public utility 25401
property for the year in which the controlling board approved the 25402
project, authorize the issuance of a second and final installment 25403
of bond anticipation notes or a first and final issue of bonds. 25404

The combined value of the first and second installment of 25405
bond anticipation notes or the value of the first and final issue 25406
of bonds shall be equal to the school district's portion of the 25407
basic project cost. The proceeds of any such bonds shall be used 25408
first to retire any bond anticipation notes. Otherwise, the 25409
proceeds of such bonds and of any bond anticipation notes, except 25410
the premium and accrued interest thereon, shall be deposited in 25411
the school district's project construction fund. In determining 25412

the amount of net bonded indebtedness for the purpose of fixing 25413
the amount of an issue of either bonds or bond anticipation notes, 25414
gross indebtedness shall be reduced by moneys in the bond 25415
retirement fund only to the extent of the moneys therein on the 25416
first day of the year preceding the year in which the controlling 25417
board approved the project. Should there be a decrease in the tax 25418
valuation of the school district so that the amount of 25419
indebtedness that can be incurred on the tax duplicates for the 25420
year in which the controlling board approved the project is less 25421
than the amount of the first installment of bond anticipation 25422
notes, there shall be paid from the school district's project 25423
construction fund to the school district's bond retirement fund to 25424
be applied against such notes an amount sufficient to cause the 25425
net bonded indebtedness of the school district, as of the first 25426
day of the year following the year in which the controlling board 25427
approved the project, to be within five thousand dollars of the 25428
required level of indebtedness for the year in which the 25429
controlling board approved the project. The maximum amount of 25430
indebtedness to be incurred by any school district board as its 25431
share of the cost of the project is either an amount that will 25432
cause its net bonded indebtedness, as of the first day of the year 25433
following the year in which the controlling board approved the 25434
project, to be within five thousand dollars of the required level 25435
of indebtedness, or an amount equal to the required percentage of 25436
the basic project costs, whichever is greater. All bonds and bond 25437
anticipation notes shall be issued in accordance with Chapter 133. 25438
of the Revised Code, and notes may be renewed as provided in 25439
section 133.22 of the Revised Code. 25440

(B) The transfer of such funds of the school district board 25441
available for the project, together with the proceeds of the sale 25442
of the bonds or notes, except premium, accrued interest, and 25443
interest included in the amount of the issue, to the school 25444
district's project construction fund; 25445

(C) For all school districts except joint vocational school 25446
districts that receive assistance under sections 3318.40 to 25447
3318.45 of the Revised Code, the following provisions as 25448
applicable: 25449

(1) If section 3318.052 of the Revised Code applies, the 25450
earmarking of the proceeds of a tax levied under section 5705.21 25451

section 5705.218 of the Revised Code for the purpose of permanent 25453
improvements, or the proceeds of a school district income tax 25454
levied under Chapter 5748. of the Revised Code, or the proceeds 25455
from a combination of those two taxes, in an amount to pay all or 25456
part of the service charges on bonds issued to pay the school 25457
district portion of the project and an amount equivalent to all or 25458
part of the tax required under division (B) of section 3318.05 of 25459
the Revised Code; 25460

(2) If section 3318.052 of the Revised Code does not apply, 25461
one of the following: 25462

(a) The levy of the tax authorized at the election for the 25463
payment of maintenance costs, as specified in division (B) of 25464
section 3318.05 of the Revised Code; 25465

(b) If the school district electors have approved a 25466
continuing tax for general permanent improvements under section 25467

(c) If, in lieu of the tax otherwise required under division 25472
(B) of section 3318.05 of the Revised Code, the commission has 25473
approved the transfer of money to the maintenance fund in 25474
accordance with section 3318.051 of the Revised Code, a 25475
requirement that the district board comply with the provisions 25476

that section. The district board may rescind the provision 25477
prescribed under division (C)(2)(c) of this section only so long 25478
as the electors of the district have approved, in accordance with 25479
section 3318.063 of the Revised Code, the levy of a tax for the 25480
maintenance of the classroom facilities acquired under the 25481
district's project and that levy continues to be collected as 25482
approved by the electors. 25483

(D) For joint vocational school districts that receive 25484
assistance under sections 3318.40 to 3318.45 of the Revised Code, 25485

sections as prescribed in section 3318.43 of the Revised Code; 25488

(E) Dedication of any local donated contribution as provided 25489
for under section 3318.084 of the Revised Code, including a 25490
schedule for depositing such moneys applied as an offset of the 25491
district's obligation to levy the tax described in division (B) of 25492
section 3318.05 of the Revised Code as required under division 25493
(D)(2) of section 3318.084 of the Revised Code; 25494

(F) Ownership of or interest in the project during the period 25495
of construction, which shall be divided between the commission and 25496
the school district board in proportion to their respective 25497
contributions to the school district's project construction fund; 25498

(G) Maintenance of the state's interest in the project until 25499
any obligations issued for the project under section 3318.26 of 25500
the Revised Code are no longer outstanding; 25501

(H) The insurance of the project by the school district from 25502
the time there is an insurable interest therein and so long as the 25503
state retains any ownership or interest in the project pursuant to 25504
division (F) of this section, in such amounts and against such 25505
risks as the commission shall require; provided, that the cost of 25506
any required insurance until the project is completed shall be a 25507

simultaneously in proportion to the state's and the school 25549
district's respective shares of that basic project cost as 25550

to pay for its share of the project cost or to comply with 25557
applicable temporary investment periods or spending exceptions to 25558
rebate as provided for under federal law in regard to those notes 25559
or bonds, the school district may commit to spend, or spend, a 25560

(S) A provision stipulating that the commission may prohibit 25563
the district from proceeding with any project if the commission 25564
determines that the site is not suitable for construction 25565

determination of whether a site is appropriate for construction 25567
purposes. 25568

(T) A provision stipulating that, unless otherwise authorized 25569

by the commission, any contingency reserve portion of the 25570
construction budget prescribed by the commission shall be used 25571
only to pay costs resulting from unforeseen job conditions, to 25572
comply with rulings regarding building and other codes, to pay 25573
costs related to design clarifications or corrections to contract 25574

Revised Code; 25577

(U) Provision stipulating that for continued release of 25578
project funds the school district board shall comply with section 25579

(W) A requirement for the school district to adhere to a 25590

and the Ohio school facilities commission, the treasurer of the 25594
school district board shall advertise for construction bids in 25595
accordance with section 3313.46 of the Revised Code. Such notices 25596

be designated in such notice, and the time and place when and 25599
where bids therefor will be received. 25600

The form of proposal to be submitted by bidders shall be 25601
supplied by the commission. Bidders may be permitted to bid upon 25602
all the branches of work and materials to be furnished and 25603
supplied, upon any branch thereof, or upon all or any thereof. 25604

When the construction bids for all branches of work and 25605
materials have been tabulated, the commission shall cause to be 25606
prepared a revised estimate of the basic project cost based upon 25607
the lowest responsible bids received. If such revised estimate 25608
exceeds the estimated basic project cost as approved by the 25609
controlling board pursuant to section 3318.04 or division (B)(1) 25610
of section 3318.41 of the Revised Code, no contracts may be 25611
entered into pursuant to this section unless such revised estimate 25612
is approved by the commission and by the controlling board. When 25613
such revised estimate has been prepared, and after such approvals 25614
are given, if necessary, and if the school district board has 25615
caused to be transferred to the project construction fund the 25616
proceeds from the sale of the first or first and final installment 25617
of its bonds or bond anticipation notes pursuant to the provision 25618
of the written agreement required by division (B) of section 25619
3318.08 of the Revised Code, and when the director of budget and 25620
management has certified that there is a balance in the 25621
appropriation, not otherwise obligated to pay precedent 25622
obligations, pursuant to which the state's share of such revised 25623
estimate is required to be paid, the contract for all branches of 25624
work and materials to be furnished and supplied, or for any branch 25625
thereof as determined by the school district board, shall be 25626
awarded by the school district board to the lowest responsible 25627
bidder subject to the approval of the commission. Such award shall 25628
be made within sixty days after the date on which the bids are 25629
opened, and the successful bidder shall enter into a contract 25630
within ten days after the successful bidder is notified of the 25631
award of the contract. 25632

Subject to the approval of the commission, the school 25633
district board may reject all bids and readvertise. Any contract 25634
made under this section shall be made in the name of the state and 25635
executed on its behalf by the president and treasurer of the 25636
school district board. 25637

The provisions of sections 9.312 and 3313.46 of the Revised 25638
Code, which are applicable to construction contracts of boards of 25639
education, shall apply to construction contracts for the project. 25640

The remedies afforded to any subcontractor, materials 25641
supplier, laborer, mechanic, or persons furnishing material or 25642
machinery for the project under sections 1311.26 to 1311.32 of the 25643
Revised Code, shall apply to contracts entered into under this 25644
section and the itemized statement required by section 1311.26 of 25645
the Revised Code shall be filed with the school district board. 25646

Notwithstanding any other requirement of this section, a 25647
school district, with the approval of the commission, may utilize 25648
any otherwise lawful alternative construction delivery method for 25649
the construction of the project. 25650

Sec. 3318.30. (A) There is hereby created the Ohio school 25651

the Ohio facilities construction commission, which is created 25653
under section 123.20 of the Revised Code. The Ohio school 25654
facilities commission shall administer the provision of financial 25655

sections 3318.01 to 3318.33 of the Revised Code are essential 25664
public functions and public purposes of the state. The Ohio school 25665
facilities commission may, in its own name, sue and be sued, enter 25666
into contracts, and perform all the powers and duties given to it 25667
by sections 3318.01 to 3318.33 of the Revised Code, but it does 25668
not have and shall not exercise the power of eminent domain. In 25669
its discretion and as it determines appropriate, the Ohio school 25670
facilities commission may delegate to any of its members, 25671
executive director, or other employees any of the Ohio school 25672
facilities commission's powers and duties to carry out its 25673
functions. 25674

(B) The Ohio school facilities commission shall consist of 25675
seven members, three of whom are voting members. The voting 25676
members of the Ohio school facilities commission shall be the 25677
director of the office of budget and management, the director of 25678
administrative services, and the superintendent of public 25679
instruction, or their designees. Of the nonvoting members, two 25680
shall be members of the senate appointed by the president of the 25681
senate, and two shall be members of the house of representatives 25682
appointed by the speaker of the house. Each of the appointees of 25683
the president, and each of the appointees of the speaker, shall be 25684
members of different political parties. 25685

Nonvoting members shall serve as members of the Ohio school 25686
facilities commission during the legislative biennium for which 25687
they are appointed, except that any such member who ceases to be a 25688
member of the legislative house from which the member was 25689
appointed shall cease to be a member of the Ohio school facilities 25690
commission. Each nonvoting member shall be appointed within 25691
thirty-one days of the end of the term of that member's 25692
predecessor. Such members may be reappointed. Vacancies of 25693
nonvoting members shall be filled in the manner provided for 25694
original appointments. 25695

Members of the Ohio school facilities commission shall serve 25696
without compensation. 25697

After the initial nonvoting members of the Ohio school 25698
facilities commission have been appointed, the Ohio school 25699
facilities commission shall meet and organize by electing voting 25700
members as the chairperson and vice-chairperson of the Ohio school 25701
facilities commission, who shall hold their offices until the next 25702
organizational meeting of the Ohio school facilities commission. 25703
Organizational meetings of the Ohio school facilities commission 25704
shall be held at the first meeting of each calendar year. At each 25705
organizational meeting, the Ohio school facilities commission 25706
shall elect from among its voting members a chairperson and 25707
vice-chairperson, who shall serve until the next annual 25708
organizational meeting. The Ohio school facilities commission 25709
shall adopt rules pursuant to section 111.15 of the Revised Code 25710

school facilities commission shall meet at least once each 25713
calendar quarter. 25714

Two voting members of the Ohio school facilities commission 25715
constitute a quorum, and the affirmative vote of two members is 25716
necessary for approval of any action taken by the Ohio school 25717
facilities commission. A vacancy in the membership of the Ohio 25718
school facilities commission does not impair a quorum from 25719
exercising all the rights and performing all the duties of the 25720
Ohio school facilities commission. Meetings of the Ohio school 25721
facilities commission may be held anywhere in the state and shall 25722
be held in compliance with section 121.22 of the Revised Code. 25723

the pleasure of the Ohio school facilities commission. The 25760

facilities commission possesses, supervise the operations of the 25762
Ohio school facilities commission and perform such other duties as 25763
delegated by the Ohio school facilities commission. The executive 25764
director also shall employ and fix the compensation of such 25765
employees as will facilitate the activities and purposes of the 25766
Ohio school facilities commission, who shall serve at the pleasure 25767
of the executive director. The employees of the Ohio school 25768
facilities commission shall be exempt from Chapter 4117. of the 25769
Revised Code and shall not be public employees as defined in 25770
section 4117.01 of the Revised Code. Any agreement entered into 25771
prior to July 1, 2012, between the office of collective bargaining 25772
and the exclusive representative for employees of the commission 25773
is binding and shall continue to have effect. 25774

(C) The Ohio school facilities commission may adopt, amend, 25775
and rescind rules pertaining to the administration of the 25776
construction of school facilities of the state under Chapter 119. 25777
of the Revised Code. 25778

(D) The attorney general shall serve as the legal 25779
representative for the Ohio school facilities commission and may 25780
appoint other counsel as necessary for that purpose in accordance 25781
with section 109.07 of the Revised Code. 25782

Sec. 3318.36. (A)(1) As used in this section: 25783

(a) "Ohio school facilities commission," "classroom 25784
facilities," "school district," "school district board," "net 25785
bonded indebtedness," "required percentage of the basic project 25786
costs," "basic project cost," "valuation," and "percentile" have 25787
the same meanings as in section 3318.01 of the Revised Code. 25788

(b) "Required level of indebtedness" means five per cent of 25789
the school district's valuation for the year preceding the year in 25790
which the commission and school district enter into an agreement 25791
under division (B) of this section, plus [two one-hundredths of 25792
one per cent multiplied by (the percentile in which the district 25793
ranks minus one)]. 25794

(c) "Local resources" means any moneys generated in any 25795
manner permitted for a school district board to raise the school 25796
district portion of a project undertaken with assistance under 25797
sections 3318.01 to 3318.20 of the Revised Code. 25798

(d) "Tangible personal property phase-out impacted district" 25799
means a school district for which the taxable value of its 25800
tangible personal property certified under division (A)(2) of 25801
section 3317.021 of the Revised Code for tax year 2005, excluding 25802
the taxable value of public utility personal property, made up 25803
eighteen per cent or more of its total taxable value for tax year 25804
2005 as certified under that section. 25805

(2) For purposes of determining the required level of 25806
indebtedness, the required percentage of the basic project costs 25807
under division (C)(1) of this section, and priority for assistance 25808
under sections 3318.01 to 3318.20 of the Revised Code, the 25809
percentile ranking of a school district with which the commission 25810
has entered into an agreement under this section between the first 25811
day of July and the thirty-first day of August in each fiscal year 25812
is the percentile ranking calculated for that district for the 25813
immediately preceding fiscal year, and the percentile ranking of a 25814
school district with which the commission has entered into such 25815
agreement between the first day of September and the thirtieth day 25816
of June in each fiscal year is the percentile ranking calculated 25817
for that district for the current fiscal year. However, in the 25818
case of a tangible personal property phase-out impacted district, 25819
the district's priority for assistance under sections 3318.01 to 25820

3318.20 of the Revised Code and its portion of the basic project 25821
cost under those sections shall be determined in the manner 25822
prescribed, respectively, in divisions (B)(3)(b) and (E)(1)(b) of 25823
this section. 25824

(B)(1) There is hereby established the school building 25825
assistance expedited local partnership program. Under the program, 25826
the Ohio school facilities commission may enter into an agreement 25827
with the school district board of any school district under which 25828
the school district board may proceed with the new construction or 25829
major repairs of a part of the school district's classroom 25830
facilities needs, as determined under sections 3318.01 to 3318.20 25831
of the Revised Code, through the expenditure of local resources 25832
prior to the school district's eligibility for state assistance 25833
under those sections and may apply that expenditure toward meeting 25834
the school district's portion of the basic project cost of the 25835
total of the school district's classroom facilities needs, as 25836
determined under sections 3318.01 to 3318.20 of the Revised Code 25837
and as recalculated under division (E) of this section, that are 25838
eligible for state assistance under sections 3318.01 to 3318.20 of 25839
the Revised Code when the school district becomes eligible for 25840
that assistance. Any school district that is reasonably expected 25841
to receive assistance under sections 3318.01 to 3318.20 of the 25842
Revised Code within two fiscal years from the date the school 25843
district adopts its resolution under division (B) of this section 25844
shall not be eligible to participate in the program established 25845
under this section. 25846

(2) To participate in the program, a school district board 25847
shall first adopt a resolution certifying to the commission the 25848
board's intent to participate in the program. 25849

The resolution shall specify the approximate date that the 25850
board intends to seek elector approval of any bond or tax measures 25851
or to apply other local resources to use to pay the cost of 25852

classroom facilities to be constructed under this section. The 25853
resolution may specify the application of local resources or 25854
elector-approved bond or tax measures after the resolution is 25855
adopted by the board, and in such case the board may proceed with 25856
a discrete portion of its project under this section as soon as 25857
the commission and the controlling board have approved the basic 25858
project cost of the district's classroom facilities needs as 25859
specified in division (D) of this section. The board shall submit 25860
its resolution to the commission not later than ten days after the 25861
date the resolution is adopted by the board. 25862

The commission shall not consider any resolution that is 25863
submitted pursuant to division (B)(2) of this section, as amended 25864
by this amendment, sooner than September 14, 2000. 25865

(3) For purposes of determining when a district that enters 25866
into an agreement under this section becomes eligible for 25867
assistance under sections 3318.01 to 3318.20 of the Revised Code, 25868
the commission shall use one of the following as applicable: 25869

(a) Except for a tangible personal property phase-out 25870
impacted district, the district's percentile ranking determined at 25871
the time the district entered into the agreement under this 25872
section, as prescribed by division (A)(2) of this section; 25873

(b) For a tangible personal property phase-out impacted 25874
district, the lesser of (i) the district's percentile ranking 25875
determined at the time the district entered into the agreement 25876
under this section, as prescribed by division (A)(2) of this 25877
section, or (ii) the district's current percentile ranking under 25878
section 3318.011 of the Revised Code. 25879

(4) Any project under this section shall comply with section 25880
3318.03 of the Revised Code and with any specifications for plans 25881
and materials for classroom facilities adopted by the commission 25882
under section 3318.04 of the Revised Code. 25883

(5) If a school district that enters into an agreement under this section has not begun a project applying local resources as provided for under that agreement at the time the district is notified by the commission that it is eligible to receive state assistance under sections 3318.01 to 3318.20 of the Revised Code, all assessment and agreement documents entered into under this section are void.

(6) Only construction of or repairs to classroom facilities that have been approved by the commission and have been therefore included as part of a district's basic project cost qualify for application of local resources under this section.

(C) Based on the results of on-site visits and assessment, the commission shall determine the basic project cost of the school district's classroom facilities needs. The commission shall determine the school district's portion of such basic project cost, which shall be the greater of:

(1) The required percentage of the basic project costs, determined based on the school district's percentile ranking;

(2) An amount necessary to raise the school district's net bonded indebtedness, as of the fiscal year the commission and the school district enter into the agreement under division (B) of this section, to within five thousand dollars of the required level of indebtedness.

(D)(1) When the commission determines the basic project cost of the classroom facilities needs of a school district and the school district's portion of that basic project cost under division (C) of this section, the project shall be conditionally approved. Such conditional approval shall be submitted to the controlling board for approval thereof. The controlling board shall forthwith approve or reject the commission's determination, conditional approval, and the amount of the state's portion of the

basic project cost; however, no state funds shall be encumbered 25915
under this section. Upon approval by the controlling board, the 25916
school district board may identify a discrete part of its 25917
classroom facilities needs, which shall include only new 25918
construction of or additions or major repairs to a particular 25919
building, to address with local resources. Upon identifying a part 25920
of the school district's basic project cost to address with local 25921
resources, the school district board may allocate any available 25922
school district moneys to pay the cost of that identified part, 25923
including the proceeds of an issuance of bonds if approved by the 25924
electors of the school district. 25925

All local resources utilized under this division shall first 25926
be deposited in the project construction account required under 25927
section 3318.08 of the Revised Code. 25928

(2) Unless the school district board exercises its option 25929
under division (D)(3) of this section, for a school district to 25930
qualify for participation in the program authorized under this 25931
section, one of the following conditions shall be satisfied: 25932

(a) The electors of the school district by a majority vote 25933
shall approve the levy of taxes outside the ten-mill limitation 25934
for a period of twenty-three years at the rate of not less than 25935
one-half mill for each dollar of valuation to be used to pay the 25936
cost of maintaining the classroom facilities included in the basic 25937
project cost as determined by the commission. The form of the 25938
ballot to be used to submit the question whether to approve the 25939
tax required under this division to the electors of the school 25940
district shall be the form for an additional levy of taxes 25941
prescribed in section 3318.361 of the Revised Code, which may be 25942
combined in a single ballot question with the questions prescribed 25943
under section 5705.218 of the Revised Code. 25944

(b) As authorized under division (C) of section 3318.05 of 25945
the Revised Code, the school district board shall earmark from the 25946

proceeds of a permanent improvement tax levied under section 25947
5705.21 of the Revised Code, an amount equivalent to the 25948
additional tax otherwise required under division (D)(2)(a) of this 25949
section for the maintenance of the classroom facilities included 25950
in the basic project cost as determined by the commission. 25951

(c) As authorized under section 3318.051 of the Revised Code, 25952
the school district board shall, if approved by the commission, 25953
annually transfer into the maintenance fund required under section 25954
3318.05 of the Revised Code the amount prescribed in section 25955
3318.051 of the Revised Code in lieu of the tax otherwise required 25956
under division (D)(2)(a) of this section for the maintenance of 25957
the classroom facilities included in the basic project cost as 25958
determined by the commission. 25959

(d) If the school district board has rescinded the agreement 25960
to make transfers under section 3318.051 of the Revised Code, as 25961
provided under division (F) of that section, the electors of the 25962
school district, in accordance with section 3318.063 of the 25963
Revised Code, first shall approve the levy of taxes outside the 25964
ten-mill limitation for the period specified in that section at a 25965
rate of not less than one-half mill for each dollar of valuation. 25966

(e) The school district board shall apply the proceeds of a 25967
tax to leverage bonds as authorized under section 3318.052 of the 25968
Revised Code or dedicate a local donated contribution in the 25969
manner described in division (B) of section 3318.084 of the 25970
Revised Code in an amount equivalent to the additional tax 25971
otherwise required under division (D)(2)(a) of this section for 25972
the maintenance of the classroom facilities included in the basic 25973
project cost as determined by the commission. 25974

(3) A school district board may opt to delay taking any of 25975
the actions described in division (D)(2) of this section until the 25976
school district becomes eligible for state assistance under 25977
sections 3318.01 to 3318.20 of the Revised Code. In order to 25978

exercise this option, the board shall certify to the commission a resolution indicating the board's intent to do so prior to entering into an agreement under division (B) of this section.

(4) If pursuant to division (D)(3) of this section a district board opts to delay levying an additional tax until the district becomes eligible for state assistance, it shall submit the question of levying that tax to the district electors as follows:

(a) In accordance with section 3318.06 of the Revised Code if it will also be necessary pursuant to division (E) of this section to submit a proposal for approval of a bond issue;

(b) In accordance with section 3318.361 of the Revised Code if it is not necessary to also submit a proposal for approval of a bond issue pursuant to division (E) of this section.

(5) No state assistance under sections 3318.01 to 3318.20 of the Revised Code shall be released until a school district board that adopts and certifies a resolution under division (D) of this section also demonstrates to the satisfaction of the commission compliance with the provisions of division (D)(2) of this section.

Any amount required for maintenance under division (D)(2) of this section shall be deposited into a separate fund as specified in division (B) of section 3318.05 of the Revised Code.

(E)(1) If the school district becomes eligible for state assistance under sections 3318.01 to 3318.20 of the Revised Code based on its percentile ranking under division (B)(3) of this section, the commission shall conduct a new assessment of the school district's classroom facilities needs and shall recalculate the basic project cost based on this new assessment. The basic project cost recalculated under this division shall include the amount of expenditures made by the school district board under division (D)(1) of this section. The commission shall then recalculate the school district's portion of the new basic project

cost, which shall be one of the following as applicable: 26010

(a) Except for a tangible personal property phase-out 26011
impacted district, the percentage of the original basic project 26012
cost assigned to the school district as its portion under division 26013
(C) of this section; 26014

(b) For a tangible personal property phase-out impacted 26015
district, the lesser of (i) the percentage of the original basic 26016
project cost assigned to the school district as its portion under 26017
division (C) of this section, or (ii) the percentage of the new 26018
basic project cost determined under section 3318.032 of the 26019
Revised Code using the district's current percentile ranking under 26020
section 3318.011 of the Revised Code. The 26021

The commission shall deduct the expenditure of school 26022
district moneys made under division (D)(1) of this section from 26023
the school district's portion of the basic project cost as 26024
recalculated under this division. If the amount of school district 26025
resources applied by the school district board to the school 26026
district's portion of the basic project cost under this section is 26027
less than the total amount of such portion as recalculated under 26028
this division, the school district board by a majority vote of all 26029
of its members shall, if it desires to seek state assistance under 26030
sections 3318.01 to 3318.20 of the Revised Code, adopt a 26031
resolution as specified in section 3318.06 of the Revised Code to 26032
submit to the electors of the school district the question of 26033
approval of a bond issue in order to pay any additional amount of 26034
school district portion required for state assistance. Any tax 26035
levy approved under division (D) of this section satisfies the 26036
requirements to levy the additional tax under section 3318.06 of 26037
the Revised Code. 26038

(2) If the amount of school district resources applied by the 26039
school district board to the school district's portion of the 26040
basic project cost under this section is more than the total 26041

amount of such portion as recalculated under ~~this~~ division (E)(1) 26042
of this section, within one year after the school district's 26043
portion is so recalculated ~~under division (E)(1) of this section~~ 26044
the commission may grant to the school district the difference 26045
between the two calculated portions, but at no time shall the 26046
commission expend any state funds on a project in an amount 26047
greater than the state's portion of the basic project cost as 26048
recalculated under ~~this~~ division (E)(1) of this section. 26049

Any reimbursement under this division shall be only for local 26050
resources the school district has applied toward construction cost 26051
expenditures for the classroom facilities approved by the 26052
commission, which shall not include any financing costs associated 26053
with that construction. 26054

The school district board shall use any moneys reimbursed to 26055
the district under this division to pay off any debt service the 26056
district owes for classroom facilities constructed under its 26057
project under this section before such moneys are applied to any 26058
other purpose. However, the district board first may deposit 26059
moneys reimbursed under this division into the district's general 26060
fund or a permanent improvement fund to replace local resources 26061
the district withdrew from those funds, as long as, and to the 26062
extent that, those local resources were used by the district for 26063
constructing classroom facilities included in the district's basic 26064
project cost. 26065

(3) A tangible personal property phase-out impacted district 26066
shall receive credit under division (E) of this section for the 26067
expenditure of local resources pursuant to any prior agreement 26068
authorized by this section, notwithstanding any recalculation of 26069
its average taxable value. 26070

Sec. 3318.37. (A)(1) As used in this section: 26071

(a) "Full maintenance amount" has the same meaning as in 26072

section 3318.034 of the Revised Code. 26073

(b) "Large land area school district" means a school district 26074
with a territory of greater than three hundred square miles in any 26075
percentile as determined under section 3318.011 of the Revised 26076
Code. 26077

~~(b)~~(c) "Low wealth school district" means a school district 26078
in the first through seventy-fifth percentiles as determined under 26079
section 3318.011 of the Revised Code. 26080

~~(e)~~(d) A "school district with an exceptional need for 26081
immediate classroom facilities assistance" means a low wealth or 26082
large land area school district with an exceptional need for new 26083
facilities in order to protect the health and safety of all or a 26084
portion of its students. 26085

(2) No school district that participates in the school 26086
building assistance expedited local partnership program under 26087
section 3318.36 of the Revised Code shall receive assistance under 26088
the program established under this section unless the following 26089
conditions are satisfied: 26090

(a) The district board adopted a resolution certifying its 26091
intent to participate in the school building assistance expedited 26092
local partnership program under section 3318.36 of the Revised 26093
Code prior to September 14, 2000. 26094

(b) The district was selected by the Ohio school facilities 26095
commission for participation in the school building assistance 26096
expedited local partnership program under section 3318.36 of the 26097
Revised Code in the manner prescribed by the commission under that 26098
section as it existed prior to September 14, 2000. 26099

(B)(1) There is hereby established the exceptional needs 26100
school facilities assistance program. Under the program, the Ohio 26101
school facilities commission may set aside from the moneys 26102
annually appropriated to it for classroom facilities assistance 26103

projects up to twenty-five per cent for assistance to school 26104
districts with exceptional needs for immediate classroom 26105
facilities assistance. 26106

(2)(a) After consulting with education and construction 26107
experts, the commission shall adopt guidelines for identifying 26108
school districts with an exceptional need for immediate classroom 26109
facilities assistance. 26110

(b) The guidelines shall include application forms and 26111
instructions for school districts to use in applying for 26112
assistance under this section. 26113

(3) The commission shall evaluate the classroom facilities, 26114
and the need for replacement classroom facilities from the 26115
applications received under this section. The commission, 26116
utilizing the guidelines adopted under division (B)(2)(a) of this 26117
section, shall prioritize the school districts to be assessed. 26118

Notwithstanding section 3318.02 of the Revised Code, the 26119
commission may conduct on-site evaluation of the school districts 26120
prioritized under this section and approve and award funds until 26121
such time as all funds set aside under division (B)(1) of this 26122
section have been encumbered. However, the commission need not 26123
conduct the evaluation of facilities if the commission determines 26124
that a district's assessment conducted under section 3318.36 of 26125
the Revised Code is sufficient for purposes of this section. 26126

(4) Notwithstanding division (A) of section 3318.05 of the 26127
Revised Code, the school district's portion of the basic project 26128
cost under this section shall be the "required percentage of the 26129
basic project costs," as defined in division (K) of section 26130
3318.01 of the Revised Code. 26131

(5) Except as otherwise specified in this section, any 26132
project undertaken with assistance under this section shall comply 26133
with all provisions of sections 3318.01 to 3318.20 of the Revised 26134

Code. A school district may receive assistance under sections 26135
3318.01 to 3318.20 of the Revised Code for the remainder of the 26136
district's classroom facilities needs as assessed under this 26137
section when the district is eligible for such assistance pursuant 26138
to section 3318.02 of the Revised Code, but any classroom facility 26139
constructed with assistance under this section shall not be 26140
included in a district's project at that time unless the 26141
commission determines the district has experienced the increased 26142
enrollment specified in division (B)(1) of section 3318.04 of the 26143
Revised Code. 26144

(C) No school district shall receive assistance under this 26145
section for a classroom facility that has been included in the 26146
discrete part of the district's classroom facilities needs 26147
identified and addressed in the district's project pursuant to an 26148
agreement entered into under section 3318.36 of the Revised Code, 26149
unless the district's entire classroom facilities plan consists of 26150
only a single building designed to house grades kindergarten 26151
through twelve. 26152

(D)(1) When undertaking a project under this section, a 26153
school district may elect to prorate its full maintenance amount 26154
by setting aside for maintenance the amount calculated under 26155
division (D)(2) of this section to maintain the classroom 26156
facilities acquired under the project, if the district will use 26157
one or more of the alternative methods authorized in sections 26158
3318.051, 3318.052, and 3318.084 of the Revised Code to generate 26159
the entire amount calculated under that division. If the district 26160
so elects, the commission and the district shall include in the 26161
agreement entered into under section 3318.08 of the Revised Code a 26162
statement specifying that the district will use the amount 26163
calculated under that division only to maintain the classroom 26164
facilities acquired under the project under this section. 26165

(2) The commission shall calculate the amount for a school 26166

district to maintain the classroom facilities acquired under a 26167
project under this section as follows: 26168

The full maintenance amount X (the school district's portion 26169
of the basic project cost under this section / the school 26170
district's portion of the basic project cost for the district's 26171
entire classroom facilities needs, as determined jointly by the 26172
staff of the commission and the district) 26173

(3) A school district may elect to prorate its full 26174
maintenance amount for any number of projects under this section, 26175
provided the district will use one or more of the alternative 26176
methods authorized in sections 3318.051, 3318.052, and 3318.084 of 26177
the Revised Code to generate the entire amount calculated under 26178
division (D)(2) of this section to maintain the classroom 26179
facilities acquired under each project for which it so elects. If 26180
the district cannot use one or more of those alternative methods 26181
to generate the entire amount calculated under that division, the 26182
district shall levy the tax described in division (B) of section 26183
3318.05 of the Revised Code or an extension of that tax under 26184
section 3318.061 of the Revised Code in an amount necessary to 26185
generate the remainder of its full maintenance amount. The 26186
commission shall calculate the remainder of the district's full 26187
maintenance amount as follows: 26188

The full maintenance amount - the sum of the amounts 26189

university, including use for student loan and scholarship 26879
purposes, unless otherwise directed in the donation or bequest. 26880

The board of trustees of a state college or university may 26881
utilize trust funds to invest in property, real and personal, as a 26882
portion of the holdings in the endowment portfolio under the trust 26883
powers imparted to the board of trustees. Such property, real and 26884
personal, acquired for investment purposes shall be managed by the 26885
board of trustees in the same manner as are other investments in 26886
the college's or university's endowment portfolio. The board of 26887
trustees may lease, lease back, or otherwise contract for the use 26888
of such property in such manner as to provide earning power for 26889
the college or university investment portfolio. Sections 123.01, 26890
~~123.04~~ 123.02, ~~123.15~~ 123.10, and ~~123.47~~ 123.13 of the Revised 26891
Code do not apply to properties, real and personal, held under 26892
this section as earning-power properties in the college or 26893
university endowment portfolio. 26894

Notwithstanding any provision of the Revised Code to the 26895

a board of trustees as an investment and held in the college's or 26897
university's endowment portfolio shall not be vested in the state, 26898
but shall be held in trust by the board. 26899

Sec. 3345.28. The board of trustees of any state university, 26900
medical university, technical college, state community college, 26901
community college, or the board of trustees or managing authority 26902
of any university branch may establish and administer a faculty 26903
improvement program, under which any full-time faculty member with 26904
at least seven academic years of teaching service at the college, 26905
university, or branch may be granted professional leave for a 26906
period not to exceed one academic year to engage in further 26907

education, research, or any other purpose approved by the board. A 26908
board of trustees or managing authority that establishes such a 26909

teaching service" and of "full-time faculty member." 26911

No such board or authority shall pay any faculty member for 26912
or during a period of professional leave any salary exceeding the 26913

of the leave. No faculty member shall, by virtue of being on 26916
professional leave, suffer a reduction or termination of the 26917
faculty member's regular employee retirement or insurance benefits 26918
or of any other benefit or privilege being received as a faculty 26919
member at the college, university, or branch where the faculty 26920
member is employed. Whenever such a benefit would be reduced 26921
because of a reduction in the faculty member's salary during the 26922
period of professional leave, the faculty member shall be given a 26923
chance to have the benefit increased to its normal level, in 26924
accordance with rules adopted by the board of trustees or the 26925
managing authority. A faculty member who has been granted 26926
professional leave shall complete another seven years of service 26927
at the college, university, or branch at which the faculty member 26928
is employed before becoming eligible for another grant of 26929
professional leave at that college, university, or branch. 26930
Professional leave taken as part of a faculty improvement program 26931
established under this section shall not be deemed to be in lieu 26932
of released time or assigned duty in connection with a specific 26933
research, scholarly, or creative program. 26934

Boards of trustees and managing authorities may accept moneys 26935
from any person, political subdivision, or the federal government 26936
to support a faculty improvement program, and may establish such 26937
additional rules as are necessary to establish and administer it. 26938

Each grant of professional leave shall be in accordance with 26939

a professional improvement policy for professional leaves that has 26940
been approved by the board of trustees or the managing authority. 26941
No professional leave shall be granted that requires a 26942
compensating addition to the permanent faculty or staff of the 26943
college, university, or branch. No professional leave shall be 26944
approved unless a specific plan for the professional improvement 26945
of the faculty member while on leave has been submitted to and 26946
accepted by the president of the university, college, or branch. 26947
At the completion of the leave, the faculty member shall submit to 26948
the president a report detailing the attainments of the faculty 26949
member under this professional improvement plan. 26950

chancellor of the board of regents shall report to the 26952
chairpersons of the education committees of the house of 26953
representatives and the senate on the status of implementation of 26954
faculty improvement programs. The report shall include, but need 26955
not be limited to, the following: the number of professional leave 26956
grants made by each institution; the purpose of each professional 26957
leave; and a statement of the cost to the institution of each 26958
professional leave, to the extent that such cost exceeds the 26959
salary of the faculty member on professional leave. 26960~~

conservation measures in a newspaper of general circulation within 27402
the territorial boundaries of the political subdivision or 27403
district over which it has jurisdiction of free public library 27404
services once a week for two consecutive weeks. The notice shall 27405

improvements. 27420

(b) Upon receiving proposals under division (C)(1)(c) of this 27421
section, the board of library trustees shall analyze the proposals 27422

division (B) of this section. After receipt and review of the 27425
energy conservation report, the board of library trustees may 27426
award a contract to the selected vendor to install the energy 27427
conservation measures that are most likely to result in the 27428
greatest energy savings considering the cost of the project and 27429
the board of library trustees' ability to pay for the improvements 27430
with current revenues or by financing the improvements. 27431

(c) The awarding of a contract to install energy conservation measures under division (C)(2)(a) or (b) of this section shall be conditioned upon a finding by the board of library trustees that the amount of money spent on energy conservation measures is not likely to exceed the amount of money the library would save in energy, operating, maintenance, and avoided capital costs over the average system life of the energy conservation measures as specified in the energy conservation report. In making such a finding, the board of trustees may take into account the increased costs due to inflation as shown in the energy conservation report. Nothing in this division prohibits a board of library trustees from rejecting all bids or proposals under division (C)(1)(b) or (c) of this section or from selecting more than one bid or proposal.

occurring prior to the expiration of the term for which the 27500
member's predecessor was appointed shall hold office for the 27501
remainder of such term. Any member shall continue in office 27502
subsequent to the expiration date of the member's term until the 27503
member's successor takes office, or until a period of sixty days 27504
has elapsed, whichever occurs first. 27505

(D) Members of the commission shall serve without 27506
compensation. 27507

(E) Organizational meetings of the commission shall be held 27508
at the first meeting of each calendar year. At each organizational 27509

a chairperson, a vice-chairperson, and a secretary-treasurer, who 27511
shall serve until the next annual meeting. The commission shall 27512
adopt rules pursuant to section 111.15 of the Revised Code for the 27513
conduct of its internal business and shall keep a journal of its 27514
proceedings. 27515

(F) Five voting members of the commission constitute a 27516
quorum, and the affirmative vote of five members is necessary for 27517
approval of any action taken by the commission. A vacancy in the 27518
membership of the commission does not impair a quorum from 27519
exercising all the rights and performing all the duties of the 27520
commission. Meetings of the commission may be held anywhere in the 27521
state, and shall be held in compliance with section 121.22 of the 27522

(G) All expenses incurred in carrying out this chapter are 27524

All expenses of the commission, including reimbursement of, or 27538
payment to, any other fund or any governmental agency for advances 27539

property acquired by the commission, including leasehold and other 27546
interests, pursuant to this chapter shall be taken in the name of 27547
the state and shall be held for the use and benefit of the 27548
commission. The commission shall not mortgage such real property 27549

of the Revised Code, except as follows: 27556

(1) For a cultural project other than a state historical 27557

project receiving a state appropriation of fifty thousand dollars 27563
or less, the Ohio cultural facilities commission may delegate to 27564
its executive director the authority to approve the provision of 27565
construction services by such an agency or organization, but not 27566
the authority to disapprove that provision. Construction services 27567
to be provided by a governmental agency or a cultural organization 27568
shall be specified in an agreement between the Ohio cultural 27569
facilities commission and the governmental agency or cultural 27570
organization. The agreement, or any actions taken under it, are 27571
not subject to Chapter 123. or 153. of the Revised Code, except 27572
for sections 123.081 and 153.011 of the Revised Code, and shall be 27573

(2) For a cultural project that is a state historical 27575
facility, construction services may be provided by the Ohio 27576
cultural facilities commission or by a cultural organization that 27577
occupies, will occupy, or is responsible for the facility, as 27578
determined by the Ohio cultural facilities commission. For a 27579
facility receiving a state appropriation of fifty thousand dollars 27580
or less, the Ohio cultural facilities commission may delegate to 27581
its executive director the authority to approve the provision of 27582
construction services by such an organization, but not the 27583
authority to disapprove that provision. The construction services 27584
to be provided by the cultural organization shall be specified in 27585
an agreement between the Ohio cultural facilities commission and 27586
the cultural organization. That agreement, and any actions taken 27587
under it, are not subject to Chapter 123., 153., or 4115. of the 27588
Revised Code. 27589

(B) For an Ohio sports facility that is financed in part by 27590

obligations issued pursuant to Chapter 154. of the Revised Code, 27591
construction services shall be provided on behalf of the state by 27592
or at the direction of the governmental agency or nonprofit 27593
corporation that will own or be responsible for the management of 27594
the facility, all as determined by the Ohio cultural facilities 27595
commission. For a facility receiving a state appropriation of 27596
fifty thousand dollars or less, the Ohio cultural facilities 27597
commission may delegate to its executive director the authority to 27598

disapprove that provision. Any construction services to be 27601
provided by a governmental agency or nonprofit corporation shall 27602
be specified in an agreement between the Ohio cultural facilities 27603
commission and the governmental agency or nonprofit corporation. 27604
That agreement, and any actions taken under it, are not subject to 27605
Chapter 123. or 153. of the Revised Code, except for sections 27606
123.081 and 153.011 of the Revised Code, and shall be subject to 27607
Chapter 4115. of the Revised Code. 27608

(C) General building services for an Ohio cultural facility 27609
shall be provided by the Ohio cultural facilities commission or by 27610
a cultural organization that occupies, will occupy, or is 27611
responsible for the facility, as determined by the Ohio cultural 27612
facilities commission. For a facility receiving a state 27613
appropriation of fifty thousand dollars or less, the Ohio cultural 27614
facilities commission may delegate to its executive director the 27615
authority to approve the provision of general building services by 27616
such an organization, but not the authority to disapprove that 27617
provision. Alternatively, the Ohio building authority may elect to 27618
provide those services for Ohio cultural facilities financed with 27619
proceeds of state bonds issued by the authority. The costs of 27620
management and general building services shall be paid by the 27621
cultural organization that occupies, will occupy, or is 27622
responsible for the facility as provided in an agreement between 27623

the Ohio cultural facilities commission and the cultural 27624
organization, except that the state may pay for general building 27625
services for state-owned cultural facilities constructed on 27626
state-owned land. 27627

General building services for an Ohio sports facility shall 27628
be provided by or at the direction of the governmental agency or 27629
nonprofit corporation that will be responsible for the management 27630
of the facility, all as determined by the Ohio cultural facilities 27631
commission. For a facility receiving a state appropriation of 27632
fifty thousand dollars or less, the Ohio cultural facilities 27633
commission may delegate to its executive director the authority to 27634
approve the provision of general building services by or at the 27635
direction of the agency or corporation, but not the authority to 27636
disapprove that provision. Any general building services to be 27637
provided by a governmental agency or nonprofit corporation for an 27638
Ohio sports facility shall be specified in an agreement between 27639
the Ohio cultural facilities commission and the governmental 27640
agency or nonprofit corporation. That agreement, and any actions 27641
taken under it, are not subject to Chapter 123. or 153. of the 27642
Revised Code, except for sections 123.081 and 153.011 of the 27643
Revised Code, and shall be subject to Chapter 4115. of the Revised 27644
Code. 27645

(D) This division does not apply to a state historical 27646
facility. No state funds, including any state bond proceeds, shall 27647
be spent on the construction of any cultural project under this 27648
chapter unless, with respect to the cultural project and to the 27649
Ohio cultural facility related to the project, all of the 27650
following apply: 27651

(1) The Ohio cultural facilities commission has determined 27652
that there is a need for the cultural project and the Ohio 27653
cultural facility related to the project in the region of the 27654
state in which the Ohio cultural facility is located or for which 27655

the facility is proposed. For a project receiving a state 27656
appropriation of fifty thousand dollars or less, the Ohio cultural 27657
facilities commission may delegate to its executive director the 27658
authority to determine need but only in the affirmative. 27659

(2) The Ohio cultural facilities commission has determined 27660
that, as an indication of substantial regional support for the 27661
cultural project, the cultural organization has made provision 27662
satisfactory to the Ohio cultural facilities commission, in its 27663
sole discretion, for local contributions amounting to not less 27664
than fifty per cent of the total state funding for the cultural 27665
project. For a project receiving a state appropriation of fifty 27666
thousand dollars or less, the Ohio cultural facilities commission 27667
may delegate to its executive director the authority to determine 27668
the adequacy of the regional support but only in the affirmative. 27669

(3) The general assembly has specifically authorized the 27670
spending of money on, or made an appropriation for, the 27671
construction of the cultural project, or for rental payments 27672
relating to the financing of the construction of the cultural 27673
project. Authorization to spend money, or an appropriation, for 27674
planning the cultural project does not constitute authorization to 27675
spend money on, or an appropriation for, construction of the 27676
cultural project. 27677

(E) No state funds, including any state bond proceeds, shall 27678
be spent on the construction of any state historical facility 27679
under this chapter unless the general assembly has specifically 27680
authorized the spending of money on, or made an appropriation for, 27681
the construction of the state historical project related to the 27682
facility, or for rental payments relating to the financing of the 27683
construction of the state historical project. Authorization to 27684
spend money, or an appropriation, for planning the state 27685
historical project does not constitute authorization to spend 27686
money on, or an appropriation for, the construction of the state 27687

historical project. 27688

(F) State funds shall not be used to pay or reimburse more 27689
than fifteen per cent of the initial estimated construction cost 27690
of an Ohio sports facility, excluding any site acquisition cost, 27691
and no state funds, including any state bond proceeds, shall be 27692
spent on any Ohio sports facility under this chapter unless, with 27693
respect to that facility, all of the following apply: 27694

(1) The Ohio cultural facilities commission has determined 27695
that there is a need for the facility in the region of the state 27696
for which the facility is proposed to provide the function of an 27697
Ohio sports facility as provided for in this chapter. For a 27698
facility receiving a state appropriation of fifty thousand dollars 27699
or less, the Ohio cultural facilities commission may delegate to 27700
its executive director the authority to determine need but only in 27701
the affirmative. 27702

(2) As an indication of substantial local support for the 27703
facility, the Ohio cultural facilities commission has received a 27704
financial and development plan satisfactory to it, and provision 27705
has been made, by agreement or otherwise, satisfactory to the Ohio 27706
cultural facilities commission, for a contribution amounting to 27707
not less than eighty-five per cent of the total estimated 27708
construction cost of the facility, excluding any site acquisition 27709
cost, from sources other than the state. For a facility receiving 27710
a state appropriation of fifty thousand dollars or less, the Ohio 27711
cultural facilities commission may delegate to its executive 27712
director the authority to evaluate the financial and development 27713
plan and the contribution and to determine their adequacy but only 27714
in the affirmative. 27715

(3) The general assembly has specifically authorized the 27716
spending of money on, or made an appropriation for, the 27717
construction of the facility, or for rental payments relating to 27718
state financing of all or a portion of the costs of constructing 27719

the facility. Authorization to spend money, or an appropriation, 27720
for planning or determining the feasibility of or need for the 27721
facility does not constitute authorization to spend money on, or 27722
an appropriation for, costs of constructing the facility. 27723

(4) If state bond proceeds are being used for the Ohio sports 27724
facility, the state or a governmental agency owns or has 27725
sufficient property interests in the facility or in the site of 27726
the facility or in the portion or portions of the facility 27727
financed from proceeds of state bonds, which may include, but is 27728
not limited to, the right to use or to require the use of the 27729
facility for the presentation of sport and athletic events to the 27730
public at the facility. 27731

(G) In addition to the requirements of division (F) of this 27732
section, no state funds, including any state bond proceeds, shall 27733
be spent on any Ohio sports facility that is a motorsports 27734
complex, unless, with respect to that facility, both of the 27735
following apply: 27736

(1) Motorsports events shall be presented at the facility 27737
pursuant to a lease entered into with the owner of the facility. 27738
The term of the lease shall be for a period of not less than the 27739
greater of the useful life of the portion of the facility financed 27740
from proceeds of state bonds as determined using the guidelines 27741
for maximum maturities as provided under divisions (B) and (C) of 27742
section 133.20 of the Revised Code, or the period of time 27743
remaining to the date of payment or provision for payment of 27744
outstanding state bonds allocable to costs of the facility, all as 27745
determined by the director of budget and management and certified 27746
by the director to the Ohio cultural facilities commission and to 27747
the treasurer of state. 27748

(2) Any motorsports organization that commits to using the 27749
facility for an established period of time shall give the 27750
political subdivision in which the facility is located not less 27751

than six months' advance notice if the organization intends to
cease utilizing the facility prior to the expiration of that
established period. Such a motorsports organization shall be
liable to the state for any state funds used on the construction
costs of the facility.

(H) In addition to the requirements of division (F) of this
section, no state bond proceeds shall be spent on any Ohio sports
facility that is a tennis facility, unless the owner or manager of
the facility provides contractual commitments from a national or
international professional tennis organization in a form
acceptable to the cultural facilities commission that assures that
one or more sanctioned professional tennis events will be
presented at the facility during each year that the bonds remain
outstanding.

~~increased by more than fifty per cent of the amount prescribed by~~ 29378
