Act," and any other provision of federal law, the director of job 63055
and family services may adopt rules establishing standards for 63056
adjusting the eligibility requirements concerning the level of 63057
impairment a person must have so that the amount appropriated for 63058
the program by the general assembly is adequate for the number of 63059
eligible individuals. The rules shall not limit the eligibility of 63060
disabled persons solely on a basis classifying disabilities as 63061

may adopt rules that establish eligibility standards for aged, 63063
blind, or disabled individuals who reside in one of the homes or 63064
facilities specified in division ~~(C)~~(D)(1) of this section but 63065
who, because of their income, do not receive supplemental security 63066

The director of mental health may adopt rules establishing 63074

to be placed on the waiting list even though the individual does 63088
not reside in one of the homes or facilities specified in division 63089
~~(C)~~(D)(1) of this section at the time of application. The director 63090
of mental health, by rules adopted in accordance with Chapter 119. 63091

specifying priorities may give priority to individuals placed on 63096
the waiting list on or after July 1, 2006, who receive 63097
supplemental security income benefits under Title XVI of the 63098
"Social Security Act," 86 Stat. 1475 (1972), 42 U.S.C. 1381, as 63099
amended. The rules shall not affect the place on the waiting list 63100

of any person who was on the list on July 1, 2006. The rules 63101
specifying priorities may also set additional priorities based on 63102
living arrangement, such as whether an individual resides in a 63103
facility listed in division ~~(C)~~(D)(1) of this section or has been 63104
admitted to a nursing facility. 63105

~~(G)~~(H) An individual in a licensed or certified living 63106
arrangement receiving state supplementation on November 15, 1990, 63107
under former section 5101.531 of the Revised Code shall not become 63108
ineligible for payments under this section solely by reason of the 63109
individual's living arrangement as long as the individual remains 63110
in the living arrangement in which the individual resided on 63111
November 15, 1990. 63112

~~(H)~~(I) The department of mental health shall notify each 63113

director refuses to renew the license under division (D) of this 64790

specify the period for which the license is being issued or 64792
renewed. A license remains valid for the length of the licensing 64793
period specified by the director, unless the license is 64794
terminated, revoked, or voluntarily surrendered. 64795

(D) If it is determined that an applicant or licensee is not 64796
in compliance with a provision of this chapter that applies to 64797
residential facilities or the rules adopted under such a 64798
provision, the director may deny issuance of a license, refuse to 64799

for the immediate removal of residents, or take any other action 64803
the director considers necessary consistent with the director's 64804
authority under this chapter regarding residential facilities. In 64805
the director's selection and administration of the sanction to be 64806
imposed, all of the following apply: 64807

(1) The director may deny, refuse to renew, or revoke a 64808
license, if the director determines that the applicant or licensee 64809
has demonstrated a pattern of serious noncompliance or that a 64810
violation creates a substantial risk to the health and safety of 64811
residents of a residential facility. 64812

(2) The director may terminate a license if more than twelve consecutive months have elapsed since the residential facility was last occupied by a resident or a notice required by division (K) of this section is not given.

(3) The director may issue an order for the suspension of admissions to a facility for any violation that may result in sanctions under division (D)(1) of this section and for any other violation specified in rules adopted under division (H)(2) of this section. If the suspension of admissions is imposed for a violation that may result in sanctions under division (D)(1) of this section, the director may impose the suspension before providing an opportunity for an adjudication under Chapter 119. of the Revised Code. The director shall lift an order for the suspension of admissions when the director determines that the violation that formed the basis for the order has been corrected.

(4) The director may order the placement of a monitor at a residential facility for any violation specified in rules adopted under division (H)(2) of this section. The director shall lift the order when the director determines that the violation that formed the basis for the order has been corrected.

(5) If the director determines that two or more residential facilities owned or operated by the same person or government entity are not being operated in compliance with a provision of this chapter that applies to residential facilities or the rules adopted under such a provision, and the director's findings are based on the same or a substantially similar action, practice, circumstance, or incident that creates a substantial risk to the health and safety of the residents, the director shall conduct a survey as soon as practicable at each residential facility owned or operated by that person or government entity. The director may take any action authorized by this section with respect to any facility found to be operating in violation of a provision of this

chapter that applies to residential facilities or the rules 64845
adopted under such a provision. 64846

(6) When the director initiates license revocation 64847
proceedings, no opportunity for submitting a plan of correction 64848
shall be given. The director shall notify the licensee by letter 64849
of the initiation of the proceedings. The letter shall list the 64850
deficiencies of the residential facility and inform the licensee 64851
that no plan of correction will be accepted. The director shall 64852
also send a copy of the letter to the county board of 64853
developmental disabilities. The county board shall send a copy of 64854
the letter to each of the following: 64855

(a) Each resident who receives services from the licensee; 64856

(b) The guardian of each resident who receives services from 64857
the licensee if the resident has a guardian; 64858

(c) The parent or guardian of each resident who receives 64859
services from the licensee if the resident is a minor. 64860

(7) Pursuant to rules which shall be adopted in accordance 64861
with Chapter 119. of the Revised Code, the director may order the 64862
immediate removal of residents from a residential facility 64863
whenever conditions at the facility present an immediate danger of 64864
physical or psychological harm to the residents. 64865

(8) In determining whether a residential facility is being 64866
operated in compliance with a provision of this chapter that 64867
applies to residential facilities or the rules adopted under such 64868
a provision, or whether conditions at a residential facility 64869
present an immediate danger of physical or psychological harm to 64870
the residents, the director may rely on information obtained by a 64871
county board of developmental disabilities or other governmental 64872
agencies. 64873

(9) In proceedings initiated to deny, refuse to renew, or 64874
revoke licenses, the director may deny, refuse to renew, or revoke 64875

a license regardless of whether some or all of the deficiencies 64876
that prompted the proceedings have been corrected at the time of 64877
the hearing. 64878

(E) The director shall establish a program under which public 64879
notification may be made when the director has initiated license 64880
revocation proceedings or has issued an order for the suspension 64881
of admissions, placement of a monitor, or removal of residents. 64882
The director shall adopt rules in accordance with Chapter 119. of 64883
the Revised Code to implement this division. The rules shall 64884
establish the procedures by which the public notification will be 64885
made and specify the circumstances for which the notification must 64886
be made. The rules shall require that public notification be made 64887
if the director has taken action against the facility in the 64888
eighteen-month period immediately preceding the director's latest 64889
action against the facility and the latest action is being taken 64890
for the same or a substantially similar violation of a provision 64891
of this chapter that applies to residential facilities or the 64892
rules adopted under such a provision. The rules shall specify a 64893
method for removing or amending the public notification if the 64894
director's action is found to have been unjustified or the 64895
violation at the residential facility has been corrected. 64896

(F)(1) Except as provided in division (F)(2) of this section, 64897
appeals from proceedings initiated to impose a sanction under 64898
division (D) of this section shall be conducted in accordance with 64899
Chapter 119. of the Revised Code. 64900

(2) Appeals from proceedings initiated to order the 64901
suspension of admissions to a facility shall be conducted in 64902
accordance with Chapter 119. of the Revised Code, unless the order 64903
was issued before providing an opportunity for an adjudication, in 64904
which case all of the following apply: 64905

(a) The licensee may request a hearing not later than ten 64906
days after receiving the notice specified in section 119.07 of the 64907

Revised Code. 64908

(b) If a timely request for a hearing that includes the 64909
licensee's current address is made, the hearing shall commence not 64910
later than thirty days after the department receives the request. 64911

(c) After commencing, the hearing shall continue 64912
uninterrupted, except for Saturdays, Sundays, and legal holidays, 64913
unless other interruptions are agreed to by the licensee and the 64914
director. 64915

(d) If the hearing is conducted by a hearing examiner, the 64916
hearing examiner shall file a report and recommendations not later 64917
than ten days after the last of the following: 64918

(i) The close of the hearing; 64919

(ii) If a transcript of the proceedings is ordered, the 64920
hearing examiner receives the transcript; 64921

(iii) If post-hearing briefs are timely filed, the hearing 64922
examiner receives the briefs. 64923

(e) A copy of the written report and recommendation of the 64924
hearing examiner shall be sent, by certified mail, to the licensee 64925
and the licensee's attorney, if applicable, not later than five 64926
days after the report is filed. 64927

(f) Not later than five days after the hearing examiner files 64928
the report and recommendations, the licensee may file objections 64929
to the report and recommendations. 64930

(g) Not later than fifteen days after the hearing examiner 64931
files the report and recommendations, the director shall issue an 64932
order approving, modifying, or disapproving the report and 64933
recommendations. 64934

(h) Notwithstanding the pendency of the hearing, the director 64935
shall lift the order for the suspension of admissions when the 64936
director determines that the violation that formed the basis for 64937

the order has been corrected. 64938

(G) Neither a person or government agency whose application 64939
for a license to operate a residential facility is denied nor a 64940
related party of the person or government agency may apply for a 64941
license to operate a residential facility before the date that is 64942
one year after the date of the denial. Neither a licensee whose 64943
residential facility license is revoked nor a related party of the 64944
licensee may apply for a residential facility license before the 64945
date that is five years after the date of the revocation. 64946

(H) In accordance with Chapter 119. of the Revised Code, the 64947
director shall adopt and may amend and rescind rules for licensing 64948
and regulating the operation of residential facilities, ~~including~~ 64949
~~intermediate care facilities for the mentally retarded~~. The rules 64950
for residential facilities that are intermediate care facilities 64951
for the mentally retarded may differ from those for other 64952
residential facilities. The rules shall establish and specify the 64953
following: 64954

(1) Procedures and criteria for issuing and renewing 64955
licenses, including procedures and criteria for determining the 64956
length of the licensing period that the director must specify for 64957
each license when it is issued or renewed; 64958

(2) Procedures and criteria for denying, refusing to renew, 64959
terminating, and revoking licenses and for ordering the suspension 64960
of admissions to a facility, placement of a monitor at a facility, 64961
and the immediate removal of residents from a facility; 64962

(3) Fees for issuing and renewing licenses, which shall be 64963
deposited into the program fee fund created under section 5123.033 64964
of the Revised Code; 64965

| (7) Certification procedures for licensees and management contractors that the director determines are necessary to ensure that they have the skills and qualifications to properly operate or manage residential facilities; | 64971 64972 64973 64974 |
| (8) The maximum number of persons who may be served in a particular type of residential facility; | 64975 64976 |

| (11) Procedures for waiving any provision of any rule adopted under this section. | 64981 64982 |
| (I) Before issuing a license, the director of the department or the director's designee shall conduct a survey of the residential facility for which application is made. The director or the director's designee shall conduct a survey of each licensed residential facility at least once during the period the license is valid and may conduct additional inspections as needed. A survey includes but is not limited to an on-site examination and evaluation of the residential facility, its personnel, and the services provided there. | 64983 64984 64985 64986 64987 64988 64989 64990 64991 |

designee in conducting the survey. 65000

Following each survey, unless the director initiates a 65001
license revocation proceeding, the director or the director's 65002
designee shall provide the licensee with a report listing any 65003
deficiencies, specifying a timetable within which the licensee 65004
shall submit a plan of correction describing how the deficiencies 65005
will be corrected, and, when appropriate, specifying a timetable 65006
within which the licensee must correct the deficiencies. After a 65007

designee shall approve or disapprove the plan. A copy of the 65009
report and any approved plan of correction shall be provided to 65010
any person who requests it. 65011

The director shall initiate disciplinary action against any 65012
department employee who notifies or causes the notification to any 65013
unauthorized person of an unannounced survey of a residential 65014
facility by an authorized representative of the department. 65015

(J) In addition to any other information which may be 65016
required of applicants for a license pursuant to this section, the 65017
director shall require each applicant to provide a copy of an 65018
approved plan for a proposed residential facility pursuant to 65019
section 5123.042 of the Revised Code. This division does not apply 65020
to renewal of a license or to an applicant for an initial or 65021
modified license who meets the requirements of section ~~5123.193~~ or 65022
5123.197 of the Revised Code. 65023

(K) A licensee shall notify the owner of the building in 65024
which the licensee's residential facility is located of any 65025
significant change in the identity of the licensee or management 65026
contractor before the effective date of the change if the licensee 65027
is not the owner of the building. 65028

Pursuant to rules which shall be adopted in accordance with 65029
Chapter 119. of the Revised Code, the director may require 65030

notification to the department of any significant change in the 65031
ownership of a residential facility or in the identity of the 65032
licensee or management contractor. If the director determines that 65033
a significant change of ownership is proposed, the director shall 65034
consider the proposed change to be an application for development 65035
by a new operator pursuant to section 5123.042 of the Revised Code 65036
and shall advise the applicant within sixty days of the 65037
notification that the current license shall continue in effect or 65038
a new license will be required pursuant to this section. If the 65039
director requires a new license, the director shall permit the 65040
facility to continue to operate under the current license until 65041
the new license is issued, unless the current license is revoked, 65042
refused to be renewed, or terminated in accordance with Chapter 65043
119. of the Revised Code. 65044

(L) A county board of developmental disabilities, the legal 65045
rights service, and any interested person may file complaints 65046
alleging violations of statute or department rule relating to 65047
residential facilities with the department. All complaints shall 65048
be in writing and shall state the facts constituting the basis of 65049
the allegation. The department shall not reveal the source of any 65050
complaint unless the complainant agrees in writing to waive the 65051
right to confidentiality or until so ordered by a court of 65052
competent jurisdiction. 65053

The department shall adopt rules in accordance with Chapter 65054
119. of the Revised Code establishing procedures for the receipt, 65055
referral, investigation, and disposition of complaints filed with 65056
the department under this division. 65057

(M) The department shall establish procedures for the 65058
notification of interested parties of the transfer or interim care 65059
of residents from residential facilities that are closing or are 65060
losing their license. 65061

(N) Before issuing a license under this section to a 65062

residential facility that will accommodate at any time more than 65063
one mentally retarded or developmentally disabled individual, the 65064
director shall, by first class mail, notify the following: 65065

(1) If the facility will be located in a municipal 65066
corporation, the clerk of the legislative authority of the 65067
municipal corporation; 65068

(2) If the facility will be located in unincorporated 65069
territory, the clerk of the appropriate board of county 65070
commissioners and the fiscal officer of the appropriate board of 65071
township trustees. 65072

The director shall not issue the license for ten days after 65073
mailing the notice, excluding Saturdays, Sundays, and legal 65074
holidays, in order to give the notified local officials time in 65075
which to comment on the proposed issuance. 65076

Any legislative authority of a municipal corporation, board 65077
of county commissioners, or board of township trustees that 65078
receives notice under this division of the proposed issuance of a 65079
license for a residential facility may comment on it in writing to 65080
the director within ten days after the director mailed the notice, 65081
excluding Saturdays, Sundays, and legal holidays. If the director 65082
receives written comments from any notified officials within the 65083
specified time, the director shall make written findings 65084
concerning the comments and the director's decision on the 65085
issuance of the license. If the director does not receive written 65086
comments from any notified local officials within the specified 65087
time, the director shall continue the process for issuance of the 65088
license. 65089

(O) Any person may operate a licensed residential facility 65090
that provides room and board, personal care, habilitation 65091
services, and supervision in a family setting for at least six but 65092
not more than eight persons with mental retardation or a 65093

developmental disability as a permitted use in any residential 65094
district or zone, including any single-family residential district 65095
or zone, of any political subdivision. These residential 65096
facilities may be required to comply with area, height, yard, and 65097
architectural compatibility requirements that are uniformly 65098
imposed upon all single-family residences within the district or 65099
zone. 65100

(P) Any person may operate a licensed residential facility 65101
that provides room and board, personal care, habilitation 65102
services, and supervision in a family setting for at least nine 65103
but not more than sixteen persons with mental retardation or a 65104
developmental disability as a permitted use in any multiple-family 65105
residential district or zone of any political subdivision, except 65106
that a political subdivision that has enacted a zoning ordinance 65107
or resolution establishing planned unit development districts may 65108
exclude these residential facilities from those districts, and a 65109
political subdivision that has enacted a zoning ordinance or 65110
resolution may regulate these residential facilities in 65111
multiple-family residential districts or zones as a conditionally 65112
permitted use or special exception, in either case, under 65113
reasonable and specific standards and conditions set out in the 65114
zoning ordinance or resolution to: 65115

(1) Require the architectural design and site layout of the 65116
residential facility and the location, nature, and height of any 65117
walls, screens, and fences to be compatible with adjoining land 65118
uses and the residential character of the neighborhood; 65119

(2) Require compliance with yard, parking, and sign 65120
regulation; 65121

(3) Limit excessive concentration of these residential 65122
facilities. 65123

(Q) This section does not prohibit a political subdivision 65124

from applying to residential facilities nondiscriminatory 65125
regulations requiring compliance with health, fire, and safety 65126
regulations and building standards and regulations. 65127

(R) Divisions (O) and (P) of this section are not applicable 65128
to municipal corporations that had in effect on June 15, 1977, an 65129
ordinance specifically permitting in residential zones licensed 65130
residential facilities by means of permitted uses, conditional 65131
uses, or special exception, so long as such ordinance remains in 65132
effect without any substantive modification. 65133

(S)(1) The director may issue an interim license to operate a 65134
residential facility to an applicant for a license under this 65135
section if either of the following is the case: 65136

(a) The director determines that an emergency exists 65137
requiring immediate placement of persons in a residential 65138
facility, that insufficient licensed beds are available, and that 65139
the residential facility is likely to receive a permanent license 65140
under this section within thirty days after issuance of the 65141
interim license. 65142

(C) The department shall divide county juvenile program allocations among county juvenile courts that administer programs and services for prevention, early intervention, diversion, treatment, and rehabilitation that are provided for alleged or adjudicated unruly or delinquent children or for children who are at risk of becoming unruly or delinquent children. The department shall base funding on the county's previous year's ratio of the department's institutional and community correctional facilities commitments to that county's ~~four-year~~ average of felony adjudications, as specified in the following formula:

(1) The department shall give to each county a proportional allocation of commitment credits. The proportional allocation of commitment credits shall be calculated by the following procedures:

(a) The department shall determine for each county and for the state ~~a four-year~~ an average of felony adjudications. Beginning July 1, 2012, the average shall include felony adjudications for fiscal year 2007 and for each subsequent fiscal year through fiscal year 2016. Beginning July 1, 2017, the most recent felony adjudication data shall be included and the oldest fiscal year data shall be removed so that a ten-year average of

felony adjudication data will be maintained. 66744

(b) The department shall determine for each county and for 66745
the state the number of charged bed days, for both the department 66746
and community correctional facilities, from the previous year. 66747

(c) The department shall divide the statewide total number of 66748
charged bed days by the statewide total number of felony 66749
adjudications, which quotient shall then be multiplied by a factor 66750
determined by the department. 66751

(d) The department shall calculate the county's allocation of 66752
credits by multiplying the number of adjudications for each court 66753
by the result determined pursuant to division (C)(1)(c) of this 66754
section. 66755

(2) The department shall subtract from the allocation 66756
determined pursuant to division (C)(1) of this section a credit 66757
for every chargeable bed day a youth stays in a department 66758
institution and two-thirds of credit for every chargeable bed day 66759
a youth stays in a community correctional facility, except for 66760
public safety beds. At the end of the year, the department shall 66761
divide the amount of remaining credits of that county's allocation 66762
by the total number of remaining credits to all counties, to 66763
determine the county's percentage, which shall then be applied to 66764
the total county allocation to determine the county's payment for 66765
the fiscal year. 66766

(3) The department shall pay counties three times during the 66767
fiscal year to allow for credit reporting and audit adjustments, 66768
and modifications to the appropriated line item for the care and 66769
custody of felony delinquents, as described in this section. The 66770
department shall pay fifty per cent of the payment by the 66771
fifteenth of July of each fiscal year, twenty-five per cent by the 66772
fifteenth of January of that fiscal year, and twenty-five per cent 66773
of the payment by the fifteenth of June of that fiscal year. 66774

~~(D) In fiscal year 2004, the payment of county juvenile programs shall be based on the following procedure:~~ 66775
66776

~~(1) The department shall divide the funding earned by each court in fiscal year 2003 by the aggregate funding of all courts, resulting in a percentage.~~ 66777
66778
66779

~~(2) The department shall apply the percentage determined under division (D)(1) of this section to the total county juvenile program allocation for fiscal year 2004 to determine each court's total payment.~~ 66780
66781
66782
66783

described in division (B)(3)(a) of this section. If the juvenile court complies with those requirements and the department approves that agreement and application, the juvenile court and the county served by the juvenile court may expend the state subsidy funds granted to the county pursuant to section 5139.34 of the Revised Code only in accordance with division (B)(2)(a) of this section, the rules pertaining to state subsidy funds that the department adopts pursuant to division (D) of section 5139.04 of the Revised Code, and the approved agreement and application.

monitoring program or another monitoring program described in this 66994
division determines that the juvenile court or the county used 66995
moneys in the county's felony delinquent care and custody fund for 66996

section, within forty-five days after the department notifies the 66998

is admitted to the department of youth services pursuant to the 67023
order of recommitment, whichever is later. Reductions of the 67024
allocation shall be charged against the county that recommitted 67025
the youth after the minimum expiration date of the original 67026

number not exceeding five, except as follows: 68134

(1) When the additional rate is for the payment of debt 68135

charges, the increased rate shall be for the life of the 68136
indebtedness. 68137

(2) When the additional rate is for any of the following, the 68138
increased rate shall be for a continuing period of time: 68139

(a) For the current expenses for a detention facility 68140
district, a district organized under section 2151.65 of the 68141
Revised Code, or a combined district organized under sections 68142

or under both of those sections. 68148

(3) When the additional rate is for either of the following, 68149
the increased rate may be for a continuing period of time: 68150

(a) For the purposes set forth in division (I), (J), (U), or 68151
(KK) of this section; 68152

(b) For the maintenance and operation of a joint recreation 68153
district. 68154

(4) When the increase is for the purpose or purposes set 68155
forth in division (D), (G), (H), (CC), or (PP) of this section, 68156
the tax levy may be for any specified number of years or for a 68157
continuing period of time, as set forth in the resolution. 68158

(5) When the additional rate is for the purpose described in 68159
division (Z) of this section, the increased rate shall be for any 68160

the purposes set forth in division (G), (I), (J), or (U) of this 68165

section may also be terminated or permanently reduced by the 68166
taxing authority if it adopts a resolution stating that the 68167
continuance of the levy is unnecessary and the levy shall be 68168
terminated or that the millage is excessive and the levy shall be 68169

A resolution of a detention facility district, a district 68171
organized under section 2151.65 of the Revised Code, or a combined 68172
district organized under both sections 2151.65 and 2152.41 of the 68173
Revised Code may include both current expenses and other purposes, 68174
provided that the resolution shall apportion the annual rate of 68175
levy between the current expenses and the other purpose or 68176
purposes. The apportionment need not be the same for each year of 68177
the levy, but the respective portions of the rate actually levied 68178
each year for the current expenses and the other purpose or 68179
purposes shall be limited by the apportionment. 68180

Whenever a board of county commissioners, acting either as 68181
the taxing authority of its county or as the taxing authority of a 68182
sewer district or subdistrict created under Chapter 6117. of the 68183
Revised Code, by resolution declares it necessary to levy a tax in 68184
excess of the ten-mill limitation for the purpose of constructing, 68185
improving, or extending sewage disposal plants or sewage systems, 68186
the tax may be in effect for any number of years not exceeding 68187
twenty, and the proceeds of the tax, notwithstanding the general 68188
provisions of this section, may be used to pay debt charges on any 68189
obligations issued and outstanding on behalf of the subdivision 68190
for the purposes enumerated in this paragraph, provided that any 68191
such obligations have been specifically described in the 68192
resolution. 68193

A resolution adopted by the legislative authority of a 68194
municipal corporation that is for the purpose in division (XX) of 68195
this section may be combined with the purpose provided in section 68196
306.55 of the Revised Code, by vote of two-thirds of all members 68197

of the legislative authority. The legislative authority may 68198
certify the resolution to the board of elections as a combined 68199
question. The question appearing on the ballot shall be as 68200
provided in section 5705.252 of the Revised Code. 68201

The resolution shall go into immediate effect upon its 68202
passage, and no publication of the resolution is necessary other 68203
than that provided for in the notice of election. 68204

When the electors of a subdivision have approved a tax levy 68205
under this section, the taxing authority of the subdivision may 68206
anticipate a fraction of the proceeds of the levy and issue 68207
anticipation notes in accordance with section 5705.191 or 5705.193 68208
of the Revised Code. 68209

Sec. 5705.25. (A) A copy of any resolution adopted as 68210
provided in section 5705.19 or 5705.2111 of the Revised Code shall 68211
be certified by the taxing authority to the board of elections of 68212
the proper county not less than ninety days before the general 68213
election in any year, and the board shall submit the proposal to 68214
the electors of the subdivision at the succeeding November 68215
election. Except as otherwise provided in this division, a 68216
resolution to renew an existing levy, regardless of the section of 68217
the Revised Code under which the tax was imposed, shall not be 68218
placed on the ballot unless the question is submitted at the 68219
general election held during the last year the tax to be renewed 68220
or replaced may be extended on the real and public utility 68221
property tax list and duplicate, or at any election held in the 68222
ensuing year. The limitation of the foregoing sentence does not 68223
apply to a resolution to renew and increase or to renew part of an 68224
existing levy that was imposed under section 5705.191 of the 68225
Revised Code to supplement the general fund for the purpose of 68226
making appropriations for one or more of the following purposes: 68227
for public assistance, human or social services, relief, welfare, 68228

hospitalization, health, and support of general hospitals. The 68229
limitation of the second preceding sentence also does not apply to 68230
a resolution that proposes to renew two or more existing levies 68231
imposed under section 5705.21 of the Revised Code, in which case 68232
the question shall be submitted on the date of the general or 68233
primary election held during the last year at least one of the 68234
levies to be renewed may be extended on the real and public 68235
utility property tax list and duplicate, or at any election held 68236
during the ensuing year. For purposes of this section, a levy 68237
shall be considered to be an "existing levy" through the year 68238
following the last year it can be placed on that tax list and 68239
duplicate. 68240

The board shall make the necessary arrangements for the 68241
submission of such questions to the electors of such subdivision, 68242
and the election shall be conducted, canvassed, and certified in 68243
the same manner as regular elections in such subdivision for the 68244
election of county officers. Notice of the election shall be 68245
published in a newspaper of general circulation in the subdivision 68246
once a week for two consecutive weeks, or as provided in section 68247
7.16 of the Revised Code, prior to the election. If the board of 68248
elections operates and maintains a web site, the board of 68249
elections shall post notice of the election on its web site for 68250
thirty days prior to the election. The notice shall state the 68251
purpose, the proposed increase in rate expressed in dollars and 68252
cents for each one hundred dollars of valuation as well as in 68253
mills for each one dollar of valuation, the number of years during 68254
which the increase will be in effect, the first month and year in 68255
which the tax will be levied, and the time and place of the 68256
election. 68257

(B) The form of the ballots cast at an election held pursuant 68258
to division (A) of this section shall be as follows: 68259

"An additional tax for the benefit of (name of subdivision or 68260

public library) for the purpose of (purpose stated in 68261
the resolution) at a rate not exceeding mills 68262
for each one dollar of valuation, which amounts to (rate expressed 68263
in dollars and cents) for each one hundred dollars of 68264
valuation, for (life of indebtedness or number of years the 68265
levy is to run). 68266

| | For the Tax Levy | |
| | Against the Tax Levy | " |

68267
68268
68269
68270

(C) If the levy is to be in effect for a continuing period of 68271
time, the notice of election and the form of ballot shall so state 68272
instead of setting forth a specified number of years for the levy. 68273

If the tax is to be placed on the current tax list, the form 68274
of the ballot shall be modified by adding, after the statement of 68275
the number of years the levy is to run, the phrase ", commencing 68276
in (first year the tax is to be levied), first due in 68277
calendar year (first calendar year in which the tax 68278
shall be due)." 68279

If the levy submitted is a proposal to renew, increase, or 68280
decrease an existing levy, the form of the ballot specified in 68281
division (B) of this section may be changed by substituting for 68282
the words "An additional" at the beginning of the form, the words 68283
"A renewal of a" in case of a proposal to renew an existing levy 68284
in the same amount; the words "A renewal of mills and an 68285
increase of mills to constitute a" in the case of an 68286
increase; or the words "A renewal of part of an existing levy, 68287
being a reduction of mills, to constitute a" in the case of 68288
a decrease in the proposed levy. 68289

If the levy submitted is a proposal to renew two or more 68290
existing levies imposed under section 5705.21 of the Revised Code, 68291

the form of the ballot specified in division (B) of this section 68292
shall be modified by substituting for the words "an additional 68293
tax" the words "a renewal of(insert the number of levies to 68294
be renewed) existing taxes." 68295

If the levy submitted is a levy under section 5705.72 of the 68296
Revised Code or a proposal to renew, increase, or decrease an 68297
existing levy imposed under that section, the name of the 68298
subdivision shall be "the unincorporated area of (name 68299
of township)." 68300

The question covered by such resolution shall be submitted as 68301
a separate proposition but may be printed on the same ballot with 68302
any other proposition submitted at the same election, other than 68303
the election of officers. More than one such question may be 68304
submitted at the same election. 68305

(D) A levy voted in excess of the ten-mill limitation under 68306
this section shall be certified to the tax commissioner. In the 68307
first year of the levy, it shall be extended on the tax lists 68308
after the February settlement succeeding the election. If the 68309
additional tax is to be placed upon the tax list of the current 68310
year, as specified in the resolution providing for its submission, 68311
the result of the election shall be certified immediately after 68312
the canvass by the board of elections to the taxing authority, who 68313
shall make the necessary levy and certify it to the county 68314
auditor, who shall extend it on the tax lists for collection. 68315
After the first year, the tax levy shall be included in the annual 68316
tax budget that is certified to the county budget commission. 68317

municipal corporation adopts a resolution for the purposes 68319
provided in section 306.55 of the Revised Code and division (XX) 68320
of section 5705.19 of the Revised Code and certifies the 68321
resolution to the board of elections as a combined question, the 68322

question appearing on the ballot shall read: 68323

"Shall the territory within the (name of municipal corporation) be withdrawn from (name of regional transit authority) and shall an additional tax be levied for the benefit of (name of municipal corporation) for the purpose of providing transportation services for the movement of persons within, from, or to the (name of municipal corporation) at a rate not exceeding mills for each one dollar of valuation, which amounts to (rate expressed in dollars and cents) for each one hundred dollars of valuation, for (number of years the levy is to run)?" 68324

to which a school library district tax budget was submitted under 68365
this division shall adopt such tax budget on behalf of the library 68366
district, but such budget shall not be part of the school 68367
district's tax budget. 68368

(2)(a) The taxing authority of a taxing unit that does not 68369
levy a tax is not required to adopt a tax budget pursuant to 68370
division (A) of this section. Instead, on or before the fifteenth 68371
day of July each year, such taxing authority shall adopt an 68372
operating budget for the taxing unit for the ensuing fiscal year. 68373
The operating budget shall include an estimate of receipts from 68374
all sources, a statement of all taxing unit expenses that are 68375

authorities may fix the amount of revenue they are to receive from 68402
the subdivision. In a municipal corporation in which a special 68403

money that is not needed to pay for current expenses for 68414
residential services and supported living but will be needed to 68415
pay for expenses for such services in the future or may be needed 68416

notice shall be given by at least one publication not less than 68452
ten days prior to the date of hearing in the official publication 68453
of such subdivision, or in a newspaper having general circulation 68454
in the subdivision. The budget, after adoption, shall be submitted 68455
to the county auditor on or before the twentieth day of July, or 68456
in the case of a school district or the city of Cincinnati, by the 68457
twentieth day of January. The tax commissioner may prescribe a 68458
later date for the submission of a subdivision's tax budget. Any 68459
subdivision that fails to submit its budget to the county auditor 68460
on or before the ~~twentieth day of July, unless the commissioner on~~ 68461
~~or before the twentieth day of July prescribes~~ date prescribed by 68462
this section or a later date for submission of the budget by that 68463
~~subdivision, prescribed by the commissioner~~ shall not receive an 68464
apportionment from the undivided local government fund 68465

~~the matter~~ the commissioner determines that the budget was adopted 68467
by the subdivision on or before the ~~fifteenth~~ fifth day ~~of July~~ 68468

budget, but was not submitted ~~to the county auditor~~ by the 68470
~~twentieth day of July~~ date so prescribed or the later time 68471
prescribed by the commissioner because of ministerial error by the 68472
subdivision or its officers, employees, or other representatives. 68473

Sec. 5705.34. When the budget commission has completed its 68474
work with respect to a tax budget or other information required to 68475
be provided under section 5705.281 of the Revised Code, it shall 68476
certify its action to the taxing authority, together with an 68477
estimate by the county auditor of the rate of each tax necessary 68478
to be levied by the taxing authority within its subdivision or 68479

taxing unit, and what part thereof is in excess of, and what part 68480
within, the ten-mill tax limitation. The certification shall also 68481
indicate the date on which each tax levied by the taxing authority 68482
will expire. 68483

If a taxing authority levies a tax for a fixed sum of money 68484
or to pay debt charges for the tax year for which the tax budget 68485
is prepared, and a payment on account of that tax is payable to 68486
the taxing authority for the tax year under section 5727.85, 68487
5727.86, 5751.21, or 5751.22 of the Revised Code, the county 68488
auditor, when estimating the rate at which the tax shall be levied 68489
in the current year, shall estimate the rate necessary to raise 68490
the required sum less the estimated amount of any payments made 68491
for the tax year to a taxing unit for fixed-sum levies under those 68492
sections. The estimated rate shall be the rate of the levy that 68493
the budget commission certifies with its action under this 68494
section. 68495

Each taxing authority, by ordinance or resolution, shall 68496
authorize the necessary tax levies and certify them to the county 68497
auditor before the first day of October in each year, or at such 68498
later date as is approved by the tax commissioner, except that the 68499
certification by the legislative authority of the city of 68500
Cincinnati or by a board of education shall be made by the first 68501
day of April or at such later date as is approved by the 68502
commissioner, and except that a township board of park 68503
commissioners that is appointed by the board of township trustees 68504
and oversees a township park district that contains only 68505
unincorporated territory shall authorize only those taxes approved 68506
by, and only at the rate approved by, the board of township 68507
trustees as required by division (C) of section 511.27 of the 68508
Revised Code. If the levying of a tax to be placed on the 68509
duplicate of the current year is approved by the electors of the 68510
subdivision under sections 5705.01 to 5705.47 of the Revised Code; 68511

if the rate of a school district tax is increased due to the 68512
repeal of a school district income tax and property tax rate 68513
reduction at an election held pursuant to section 5748.04 of the 68514
Revised Code; or if refunding bonds to refund all or a part of the 68515
principal of bonds payable from a tax levy for the ensuing fiscal 68516
year are issued or sold and in the process of delivery, the budget 68517
commission shall reconsider and revise its action on the budget of 68518
the subdivision or school library district for whose benefit the 68519
tax is to be levied after the returns of such election are fully 68520
canvassed, or after the issuance or sale of such refunding bonds 68521
is certified to it. 68522

Sec. 5705.35. (A) The certification of the budget commission 68523
to the taxing authority of each subdivision or taxing unit, as set 68524
forth in section 5705.34 of the Revised Code, shall show the 68525
various funds of such subdivisions other than funds to be created 68526
by transfer and shall be filed by the county budget commission 68527
with such taxing authority on or before the first day of March in 68528
the case of school districts and the city of Cincinnati and on or 68529
before the first day of September in each year in the case of all 68530
other taxing authorities. There shall be set forth on the credit 68531
side of each fund the estimated unencumbered balances and 68532
receipts, and if a tax is to be levied for such fund, the 68533
estimated revenue to be derived therefrom, the rate of the levy, 68534
and what portion thereof is within, and what in excess of, the 68535
ten-mill tax limitation, and on the debit side, the total 68536
appropriations that may be made therefrom. Subject to division (G) 68537
of section 5705.29 of the Revised Code, any reserve balance in an 68538
account established under section 5705.13 of the Revised Code for 68539
the purpose described in division (A)(1) of that section, and the 68540
principal of a nonexpendable trust fund established under section 68541
5705.131 of the Revised Code and any additions to principal 68542
arising from sources other than the reinvestment of investment 68543

earnings arising from that fund, are not unencumbered balances for 68544
the purposes of this section. The balance in a reserve balance 68545
account established under section 5705.132 of the Revised Code is 68546
not an unencumbered balance for the purposes of this division. 68547

There shall be attached to the certification a summary, which 68548
shall be known as the "official certificate of estimated 68549
resources," that shall state the total estimated resources of each 68550
fund of the subdivision that are available for appropriation in 68551
the fiscal year, other than funds to be created by transfer, and a 68552
statement of the amount of the total tax duplicate of the school 68553
district to be used in the collection of taxes for the following 68554
calendar year. Before the end of the fiscal year, the taxing 68555
authority of each subdivision and other taxing unit shall revise 68556
its tax budget, if one was adopted, so that the total contemplated 68557
expenditures from any fund during the ensuing fiscal year will not 68558
exceed the total appropriations that may be made from such fund, 68559
as determined by the budget commission in its certification; and 68560
such revised budget shall be the basis of the annual appropriation 68561
measure. 68562

(B)(1) Except as otherwise provided in division (B)(2) of 68563
this section, revenues from real property taxes scheduled to be 68564
settled on or before the tenth day of August and the fifteenth day 68565
of February of a fiscal year under divisions (A) and (C) of 68566
section 321.24 of the Revised Code, and revenue from taxes levied 68567
on personal property used in business scheduled to be settled on 68568
or before the thirty-first day of October and the thirtieth day of 68569
June of a fiscal year under divisions (B) and (D) of section 68570
321.24 of the Revised Code shall not be available for 68571
appropriation by a board of education prior to the fiscal year in 68572
which such latest scheduled settlement date occurs, except that 68573
moneys advanced to the treasurer of a board of education under 68574
division (A)(2)(b) of section 321.34 of the Revised Code shall be 68575

available for appropriation in the fiscal year in which they are 68576
paid to the treasurer under such section. If the date for any 68577
settlement of taxes is extended under division (E) of section 68578
321.24 of the Revised Code, the latest date set forth in divisions 68579
(A) to (D) of that section shall be used to determine in which 68580
fiscal year the revenues are first available for appropriation. 68581

(2) Revenues available for appropriation by a school district 68582
during a fiscal year may include amounts borrowed in that fiscal 68583
year under section 133.301 of the Revised Code in anticipation of 68584
the collection of taxes that are to be included in the settlements 68585
made under divisions (C) and (D) of section 321.24 of the Revised 68586
Code in the ensuing fiscal year. 68587

Sec. 5705.38. (A) This division does not apply to school 68588
district appropriation measures. On or about the first day of each 68589
fiscal year, the taxing authority of each subdivision or other 68590
taxing unit shall pass an appropriation measure, and thereafter 68591
during the year it may pass any supplemental appropriation 68592
measures as it finds necessary, based on the revised tax budget or 68593
the official certificate of estimated resources or amendments of 68594
the certificate. If it desires to postpone the passage of the 68595
annual appropriation measure until an amended certificate is 68596
received based on the actual balances, it may pass a temporary 68597
appropriation measure for meeting the ordinary expenses of the 68598
taxing unit until no later than the first day of April or, in the 68599
case of the city of Cincinnati, the first day of October, of the 68600
current year, and the appropriations made in the temporary measure 68601
shall be chargeable to the appropriations in the annual 68602
appropriation measure for that fiscal year when passed. 68603

(B) A board of education shall pass its annual appropriation 68604
measure by the first day of October. If, by the first day of 68605
October, a board has not received either the amended certificates 68606

of estimated resources required by division (B) of section 5705.36 68607
of the Revised Code or certifications that no amended certificates 68608
need be issued, the adoption of the annual appropriation measure 68609
shall be delayed until the amended certificates or certifications 68610
are received. Prior to the passage of the annual appropriation 68611
measure, the board may pass a temporary appropriation measure for 68612
meeting the ordinary expenses of the district until it passes an 68613
annual appropriation measure, and appropriations made in the 68614
temporary measure shall be chargeable to the appropriations in the 68615
annual appropriation measure for that fiscal year when passed. 68616
During the fiscal year and after the passage of the annual 68617
appropriation measure, a district may pass any supplemental 68618
appropriation measures as it finds necessary, based on the revised 68619
tax budget or the official certificate of estimated resources or 68620
amendments of the certificate. School district appropriation 68621
measures shall be in the form as the auditor of state, after 68622
consultation with the tax commissioner, prescribes. 68623

(C) Appropriation measures shall be classified so as to set 68624
forth separately the amounts appropriated for each office, 68625
department, and division, and, within each, the amount 68626
appropriated for personal services. In the case of a municipal 68627
university, the board of directors of which have assumed, in the 68628
manner provided by law, custody and control of the funds of the 68629
university, funds shall be appropriated as a lump sum for the use 68630
of the university. 68631

Sec. 5705.72. (A) As used in this section and in section 68632
5705.25 of the Revised Code with regard to a levy submitted under 68633
this section, "electors" means electors of the unincorporated area 68634
of a township. 68635

(B) The board of trustees of any township that withdraws or 68636
proposes by resolution to withdraw the unincorporated area of the 68637

township from a regional transit authority under section 306.55 of 68638
the Revised Code, by vote of two-thirds of all the members of the 68639
board of trustees, may declare by resolution that the amount of 68640
taxes that may be raised within the ten-mill limitation will be 68641
insufficient to provide transportation services to the 68642
unincorporated area of the township and that it is necessary to 68643
levy a tax in excess of that limitation within the unincorporated 68644
area of that township for the purpose of providing transportation 68645
services for the movement of persons within, from, or to the 68646
unincorporated area of that township. 68647

The resolution shall specify the necessary amount of the 68648
increase in rate to levy, the purpose of such increase, and the 68649
number of years, not exceeding ten, during which the rate increase 68650
shall be in effect, which may or may not include a levy upon the 68651
tax list of the current year. 68652

The resolution shall be submitted to the proper county board 68653
of elections not less than ninety days before the date of the 68654
election at which the question will appear on the ballot and in 68655
the manner provided by section 5705.25 of the Revised Code, except 68656
that the question may be submitted to electors at a general 68657
election or a special election held on a date consistent with 68658
section 3501.01 of the Revised Code. 68659

A resolution adopted by the board of trustees of a township 68660
under this section may be combined with a resolution for the 68661
withdrawal of the unincorporated area of the township from a 68662
regional transit authority as provided in section 306.55 of the 68663
Revised Code, by vote of two-thirds of all members of the board. 68664
The board may certify the combined resolution to the board of 68665
elections as a combined question. The question appearing on the 68666
ballot shall be as provided in section 5705.252 of the Revised 68667
Code. 68668

When electors have approved a tax levy under this section, 68669

the board of township trustees may anticipate a fraction of the proceeds of the levy and issue anticipation notes as authorized by section 5705.191 of the Revised Code for a current expense levy with a fixed term, and may anticipate the collection of current revenue under section 133.10 of the Revised Code. 68670

Sec. 5709.084. Real and personal property comprising a 68675
convention center that is constructed or, in the case of personal 68676
property, acquired, after January 1, 2010, are exempt from 68677
taxation if the convention center is located in a county having a 68678
population, when construction of the convention center commences, 68679
of more than one million two hundred thousand according to the 68680
most recent federal decennial census, and if the convention 68681
center, or the land upon which the convention center is situated, 68682
is owned or leased by the county. For the purposes of this 68683
section, construction of the convention center commences upon the 68684
earlier of issuance of debt to finance all or a portion of the 68685
convention center, demolition of existing structures on the site, 68686
or grading of the site in preparation for construction. 68687

Real and personal property comprising a convention center 68688
owned by the largest city in a county having a population greater 68689
than seven hundred thousand but less than nine hundred thousand 68690
according to the most recent federal decennial census is exempt 68691
from taxation, regardless of whether the property is leased to or 68692
otherwise operated or managed by a person other than the city. 68693

Real and personal property comprising a convention center owned by a convention facilities authority in a county having a population greater than one million according to the most recent federal decennial census is exempt from taxation, regardless of whether the property is leased to or otherwise operated or managed by a person other than the convention facilities authority. 68694
68695
68696
68697
68698
68699

As used in this section, "convention center" has the same 68700

meaning as in section 307.695 of the Revised Code. 68701

Sec. 5709.12. (A) As used in this section, "independent 68702
living facilities" means any residential housing facilities and 68703
related property that are not a nursing home, residential care 68704
facility, or ~~adult care~~ residential facility as defined in 68705
division (A) of section 5701.13 of the Revised Code. 68706

(B) Lands, houses, and other buildings belonging to a county, 68707
township, or municipal corporation and used exclusively for the 68708
accommodation or support of the poor, or leased to the state or 68709
any political subdivision for public purposes shall be exempt from 68710
taxation. Real and tangible personal property belonging to 68711
institutions that is used exclusively for charitable purposes 68712
shall be exempt from taxation, including real property belonging 68713
to an institution that is a nonprofit corporation that receives a 68714
grant under the Thomas Alva Edison grant program authorized by 68715
division (C) of section 122.33 of the Revised Code at any time 68716
during the tax year and being held for leasing or resale to 68717
others. If, at any time during a tax year for which such property 68718
is exempted from taxation, the corporation ceases to qualify for 68719
such a grant, the director of development shall notify the tax 68720
commissioner, and the tax commissioner shall cause the property to 68721
be restored to the tax list beginning with the following tax year. 68722
All property owned and used by a nonprofit organization 68723
exclusively for a home for the aged, as defined in section 5701.13 68724
of the Revised Code, also shall be exempt from taxation. 68725

(C)(1) If a home for the aged described in division (B)(1) of 68726
section 5701.13 of the Revised Code is operated in conjunction 68727
with or at the same site as independent living facilities, the 68728
exemption granted in division (B) of this section shall include 68729
kitchen, dining room, clinic, entry ways, maintenance and storage 68730
areas, and land necessary for access commonly used by both 68731

residents of the home for the aged and residents of the 68732
independent living facilities. Other facilities commonly used by 68733
both residents of the home for the aged and residents of 68734
independent living units shall be exempt from taxation only if the 68735
other facilities are used primarily by the residents of the home 68736
for the aged. Vacant land currently unused by the home, and 68737
independent living facilities and the lands connected with them 68738
are not exempt from taxation. Except as provided in division 68739
(A)(1) of section 5709.121 of the Revised Code, property of a home 68740
leased for nonresidential purposes is not exempt from taxation. 68741

(2) Independent living facilities are exempt from taxation if 68742
they are operated in conjunction with or at the same site as a 68743
home for the aged described in division (B)(2) of section 5701.13 68744
of the Revised Code; operated by a corporation, association, or 68745
trust described in division (B)(1)(b) of that section; operated 68746
exclusively for the benefit of members of the corporation, 68747
association, or trust who are retired, aged, or infirm; and 68748
provided to those members without charge in consideration of their 68749
service, without compensation, to a charitable, religious, 68750
fraternal, or educational institution. For the purposes of 68751
division (C)(2) of this section, "compensation" does not include 68752
furnishing room and board, clothing, health care, or other 68753
necessities, or stipends or other de minimis payments to defray 68754
the cost thereof. 68755

(D)(1) A private corporation established under federal law, 68756
defined in 36 U.S.C. 1101, Pub. L. No. 102-199, 105 Stat. 1629, as 68757
amended, the objects of which include encouraging the advancement 68758
of science generally, or of a particular branch of science, the 68759
promotion of scientific research, the improvement of the 68760
qualifications and usefulness of scientists, or the increase and 68761
diffusion of scientific knowledge is conclusively presumed to be a 68762
charitable or educational institution. A private corporation 68763

established as a nonprofit corporation under the laws of a state, 68764
that is exempt from federal income taxation under section 68765
501(c)(3) of the Internal Revenue Code of 1986, 100 Stat. 2085, 26 68766
U.S.C.A. 1, as amended, and has as its principal purpose one or 68767
more of the foregoing objects, also is conclusively presumed to be 68768
a charitable or educational institution. 68769

The fact that an organization described in this division 68770
operates in a manner that results in an excess of revenues over 68771
expenses shall not be used to deny the exemption granted by this 68772
section, provided such excess is used, or is held for use, for 68773
exempt purposes or to establish a reserve against future 68774
contingencies; and, provided further, that such excess may not be 68775
distributed to individual persons or to entities that would not be 68776
entitled to the tax exemptions provided by this chapter. Nor shall 68777
the fact that any scientific information diffused by the 68778
organization is of particular interest or benefit to any of its 68779
individual members be used to deny the exemption granted by this 68780
section, provided that such scientific information is available to 68781
the public for purchase or otherwise. 68782

(2) Division (D)(2) of this section does not apply to real 68783
property exempted from taxation under this section and division 68784
(A)(3) of section 5709.121 of the Revised Code and belonging to a 68785
nonprofit corporation described in division (D)(1) of this section 68786
that has received a grant under the Thomas Alva Edison grant 68787
program authorized by division (C) of section 122.33 of the 68788
Revised Code during any of the tax years the property was exempted 68789
from taxation. 68790

When a private corporation described in division (D)(1) of 68791
this section sells all or any portion of a tract, lot, or parcel 68792
of real estate that has been exempt from taxation under this 68793
section and section 5709.121 of the Revised Code, the portion sold 68794
shall be restored to the tax list for the year following the year 68795

of the sale and, except in connection with a sale and transfer of 68796
such a tract, lot, or parcel to a county land reutilization 68797
corporation organized under Chapter 1724. of the Revised Code, a 68798
charge shall be levied against the sold property in an amount 68799
equal to the tax savings on such property during the four tax 68800
years preceding the year the property is placed on the tax list. 68801
The tax savings equals the amount of the additional taxes that 68802
would have been levied if such property had not been exempt from 68803
taxation. 68804

The charge constitutes a lien of the state upon such property 68805
as of the first day of January of the tax year in which the charge 68806
is levied and continues until discharged as provided by law. The 68807
charge may also be remitted for all or any portion of such 68808
property that the tax commissioner determines is entitled to 68809
exemption from real property taxation for the year such property 68810
is restored to the tax list under any provision of the Revised 68811
Code, other than sections 725.02, 1728.10, 3735.67, 5709.40, 68812
5709.41, 5709.62, 5709.63, 5709.71, 5709.73, 5709.78, and 5709.84, 68813
upon an application for exemption covering the year such property 68814
is restored to the tax list filed under section 5715.27 of the 68815
Revised Code. 68816

(E) Real property held by an organization organized and 68817
operated exclusively for charitable purposes as described under 68818
section 501(c)(3) of the Internal Revenue Code and exempt from 68819
federal taxation under section 501(a) of the Internal Revenue 68820
Code, 26 U.S.C.A. 501(a) and (c)(3), as amended, for the purpose 68821
of constructing or rehabilitating residences for eventual transfer 68822
to qualified low-income families through sale, lease, or land 68823
installment contract, shall be exempt from taxation. 68824

The exemption shall commence on the day title to the property 68825
is transferred to the organization and shall continue to the end 68826
of the tax year in which the organization transfers title to the 68827

property to a qualified low-income family. In no case shall the 68828
exemption extend beyond the second succeeding tax year following 68829
the year in which the title was transferred to the organization. 68830
If the title is transferred to the organization and from the 68831
organization to a qualified low-income family in the same tax 68832
year, the exemption shall continue to the end of that tax year. 68833
The proportionate amount of taxes that are a lien but not yet 68834
determined, assessed, and levied for the tax year in which title 68835
is transferred to the organization shall be remitted by the county 68836
auditor for each day of the year that title is held by the 68837
organization. 68838

Upon transferring the title to another person, the 68839
organization shall file with the county auditor an affidavit 68840
affirming that the title was transferred to a qualified low-income 68841
family or that the title was not transferred to a qualified 68842
low-income family, as the case may be; if the title was 68843
transferred to a qualified low-income family, the affidavit shall 68844
identify the transferee by name. If the organization transfers 68845
title to the property to anyone other than a qualified low-income 68846
family, the exemption, if it has not previously expired, shall 68847
terminate, and the property shall be restored to the tax list for 68848
the year following the year of the transfer and a charge shall be 68849
levied against the property in an amount equal to the amount of 68850
additional taxes that would have been levied if such property had 68851
not been exempt from taxation. The charge constitutes a lien of 68852
the state upon such property as of the first day of January of the 68853
tax year in which the charge is levied and continues until 68854
discharged as provided by law. 68855

The application for exemption shall be filed as otherwise 68856
required under section 5715.27 of the Revised Code, except that 68857
the organization holding the property shall file with its 68858
application documentation substantiating its status as an 68859

organization organized and operated exclusively for charitable 68860
purposes under section 501(c)(3) of the Internal Revenue Code and 68861
its qualification for exemption from federal taxation under 68862
section 501(a) of the Internal Revenue Code, and affirming its 68863
intention to construct or rehabilitate the property for the 68864
eventual transfer to qualified low-income families. 68865

As used in this division, "qualified low-income family" means 68866
a family whose income does not exceed two hundred per cent of the 68867
official federal poverty guidelines as revised annually in 68868
accordance with section 673(2) of the "Omnibus Budget 68869
Reconciliation Act of 1981," 95 Stat. 511, 42 U.S.C.A. 9902, as 68870
amended, for a family size equal to the size of the family whose 68871
income is being determined. 68872

(F) Real property held by a county land reutilization 68873
corporation organized under Chapter 1724. of the Revised Code 68874
shall be exempt from taxation. Notwithstanding section 5715.27 of 68875
the Revised Code, a county land reutilization corporation is not 68876
required to apply to any county or state agency in order to 68877
qualify for the exemption. 68878

The exemption shall commence on the day title to the property 68879
is transferred to the corporation and shall continue to the end of 68880
the tax year in which the instrument transferring title from the 68881
corporation to another owner is recorded, if the use to which the 68882
other owner puts the property does not qualify for an exemption 68883
under this section or any other section of the Revised Code. If 68884
the title to the property is transferred to the corporation and 68885
from the corporation in the same tax year, the exemption shall 68886
continue to the end of that tax year. The proportionate amount of 68887
taxes that are a lien but not yet determined, assessed, and levied 68888
for the tax year in which title is transferred to the corporation 68889
shall be remitted by the county auditor for each day of the year 68890
that title is held by the corporation. 68891

Upon transferring the title to another person, the 68892
corporation shall file with the county auditor an affidavit 68893
affirming that the title was transferred to such other person and 68894
shall identify the transferee by name. If the corporation 68895
transfers title to the property to anyone that does not qualify or 68896
the use to which the property is put does not qualify the property 68897
for an exemption under this section or any other section of the 68898
Revised Code, the exemption, if it has not previously expired, 68899
shall terminate, and the property shall be restored to the tax 68900
list for the year following the year of the transfer. A charge 68901
shall be levied against the property in an amount equal to the 68902
amount of additional taxes that would have been levied if such 68903
property had not been exempt from taxation. The charge constitutes 68904
a lien of the state upon such property as of the first day of 68905
January of the tax year in which the charge is levied and 68906
continues until discharged as provided by law. 68907

In lieu of the application for exemption otherwise required 68908
to be filed as required under section 5715.27 of the Revised Code, 68909
a count land reutilization corporation holding the property shall, 68910
upon the request of any county or state agency, submit its 68911
articles of incorporation substantiating its status as a county 68912
land reutilization corporation. 68913

Sec. 5709.121. (A) Real property and tangible personal 68914
property belonging to a charitable or educational institution or 68915
to the state or a political subdivision, shall be considered as 68916
used exclusively for charitable or public purposes by such 68917
institution, the state, or political subdivision, if it meets one 68918
of the following requirements: 68919

(1) It is used by such institution, the state, or political 68920
subdivision, or by one or more other such institutions, the state, 68921
or political subdivisions under a lease, sublease, or other 68922

contractual arrangement: 68923

(a) As a community or area center in which presentations in 68924
music, dramatics, the arts, and related fields are made in order 68925
to foster public interest and education therein; 68926

(b) For other charitable, educational, or public purposes. 68927

(2) It is made available under the direction or control of 68928
such institution, the state, or political subdivision for use in 68929
furtherance of or incidental to its charitable, educational, or 68930
public purposes and not with the view to profit. 68931

(3) It is used by an organization described in division (D) 68932
of section 5709.12 of the Revised Code. If the organization is a 68933
corporation that receives a grant under the Thomas Alva Edison 68934
grant program authorized by division (C) of section 122.33 of the 68935
Revised Code at any time during the tax year, "used," for the 68936
purposes of this division, includes holding property for lease or 68937
resale to others. 68938

(B)(1) Property described in division (A)(1)(a) of this 68939

Sec. 5709.62. (A) In any municipal corporation that is 69031
defined by the United States office of management and budget as a 69032
principal city of a metropolitan statistical area, the legislative 69033
authority of the municipal corporation may designate one or more 69034
areas within its municipal corporation as proposed enterprise 69035
zones. Upon designating an area, the legislative authority shall 69036
petition the director of development for certification of the area 69037
as having the characteristics set forth in division (A)(1) of 69038
section 5709.61 of the Revised Code as amended by Substitute 69039
Senate Bill No. 19 of the 120th general assembly. Except as 69040
otherwise provided in division (E) of this section, on and after 69041
July 1, 1994, legislative authorities shall not enter into 69042
agreements under this section unless the legislative authority has 69043
petitioned the director and the director has certified the zone 69044
under this section as amended by that act; however, all agreements 69045

entered into under this section as it existed prior to July 1, 69046
1994, and the incentives granted under those agreements shall 69047
remain in effect for the period agreed to under those agreements. 69048
Within sixty days after receiving such a petition, the director 69049
shall determine whether the area has the characteristics set forth 69050
in division (A)(1) of section 5709.61 of the Revised Code, and 69051
shall forward the findings to the legislative authority of the 69052
municipal corporation. If the director certifies the area as 69053
having those characteristics, and thereby certifies it as a zone, 69054
the legislative authority may enter into an agreement with an 69055
enterprise under division (C) of this section. 69056

(B) Any enterprise that wishes to enter into an agreement 69057
with a municipal corporation under division (C) of this section 69058
shall submit a proposal to the legislative authority of the 69059
municipal corporation on a form prescribed by the director of 69060
development, together with the application fee established under 69061
section 5709.68 of the Revised Code. The form shall require the 69062
following information: 69063

(1) An estimate of the number of new employees whom the 69064
enterprise intends to hire, or of the number of employees whom the 69065
enterprise intends to retain, within the zone at a facility that 69066
is a project site, and an estimate of the amount of payroll of the 69067
enterprise attributable to these employees; 69068

(2) An estimate of the amount to be invested by the 69069
enterprise to establish, expand, renovate, or occupy a facility, 69070
including investment in new buildings, additions or improvements 69071
to existing buildings, machinery, equipment, furniture, fixtures, 69072
and inventory; 69073

(3) A listing of the enterprise's current investment, if any, 69074
in a facility as of the date of the proposal's submission. 69075

The enterprise shall review and update the listings required 69076

under this division to reflect material changes, and any agreement 69077
entered into under division (C) of this section shall set forth 69078
final estimates and listings as of the time the agreement is 69079
entered into. The legislative authority may, on a separate form 69080
and at any time, require any additional information necessary to 69081
determine whether an enterprise is in compliance with an agreement 69082
and to collect the information required to be reported under 69083
section 5709.68 of the Revised Code. 69084

(C) Upon receipt and investigation of a proposal under 69085
division (B) of this section, if the legislative authority finds 69086
that the enterprise submitting the proposal is qualified by 69087
financial responsibility and business experience to create and 69088
preserve employment opportunities in the zone and improve the 69089
economic climate of the municipal corporation, the legislative 69090
authority, on or before October 15, ~~2012~~ 2013, may do one of the 69091
following: 69092

(1) Enter into an agreement with the enterprise under which 69093
the enterprise agrees to establish, expand, renovate, or occupy a 69094
facility and hire new employees, or preserve employment 69095
opportunities for existing employees, in return for one or more of 69096
the following incentives: 69097

(a) Exemption for a specified number of years, not to exceed 69098
fifteen, of a specified portion, up to seventy-five per cent, of 69099
the assessed value of tangible personal property first used in 69100
business at the project site as a result of the agreement. If an 69101
exemption for inventory is specifically granted in the agreement 69102
pursuant to this division, the exemption applies to inventory 69103
required to be listed pursuant to sections 5711.15 and 5711.16 of 69104
the Revised Code, except that, in the instance of an expansion or 69105
other situations in which an enterprise was in business at the 69106
facility prior to the establishment of the zone, the inventory 69107
that is exempt is that amount or value of inventory in excess of 69108

the amount or value of inventory required to be listed in the 69109
personal property tax return of the enterprise in the return for 69110
the tax year in which the agreement is entered into. 69111

(b) Exemption for a specified number of years, not to exceed 69112
fifteen, of a specified portion, up to seventy-five per cent, of 69113
the increase in the assessed valuation of real property 69114
constituting the project site subsequent to formal approval of the 69115
agreement by the legislative authority; 69116

(c) Provision for a specified number of years, not to exceed 69117
fifteen, of any optional services or assistance that the municipal 69118
corporation is authorized to provide with regard to the project 69119
site. 69120

(2) Enter into an agreement under which the enterprise agrees 69121
to remediate an environmentally contaminated facility, to spend an 69122
amount equal to at least two hundred fifty per cent of the true 69123
value in money of the real property of the facility prior to 69124
remediation as determined for the purposes of property taxation to 69125
establish, expand, renovate, or occupy the remediated facility, 69126
and to hire new employees or preserve employment opportunities for 69127
existing employees at the remediated facility, in return for one 69128
or more of the following incentives: 69129

(a) Exemption for a specified number of years, not to exceed 69130
fifteen, of a specified portion, not to exceed fifty per cent, of 69131
the assessed valuation of the real property of the facility prior 69132
to remediation; 69133

(b) Exemption for a specified number of years, not to exceed 69134
fifteen, of a specified portion, not to exceed one hundred per 69135
cent, of the increase in the assessed valuation of the real 69136
property of the facility during or after remediation; 69137

(c) The incentive under division (C)(1)(a) of this section, 69138
except that the percentage of the assessed value of such property 69139

exempted from taxation shall not exceed one hundred per cent; 69140

(d) The incentive under division (C)(1)(c) of this section. 69141

(3) Enter into an agreement with an enterprise that plans to 69142
purchase and operate a large manufacturing facility that has 69143
ceased operation or announced its intention to cease operation, in 69144
return for exemption for a specified number of years, not to 69145
exceed fifteen, of a specified portion, up to one hundred per 69146
cent, of the assessed value of tangible personal property used in 69147
business at the project site as a result of the agreement, or of 69148
the assessed valuation of real property constituting the project 69149
site, or both. 69150

(D)(1) Notwithstanding divisions (C)(1)(a) and (b) of this 69151
section, the portion of the assessed value of tangible personal 69152
property or of the increase in the assessed valuation of real 69153
property exempted from taxation under those divisions may exceed 69154
seventy-five per cent in any year for which that portion is 69155
exempted if the average percentage exempted for all years in which 69156
the agreement is in effect does not exceed sixty per cent, or if 69157
the board of education of the city, local, or exempted village 69158
school district within the territory of which the property is or 69159
will be located approves a percentage in excess of seventy-five 69160
per cent. 69161

(2) Notwithstanding any provision of the Revised Code to the 69162
contrary, the exemptions described in divisions (C)(1)(a), (b), 69163
and (c), (C)(2)(a), (b), and (c), and (C)(3) of this section may 69164
be for up to fifteen years if the board of education of the city, 69165
local, or exempted village school district within the territory of 69166
which the property is or will be located approves a number of 69167
years in excess of ten. 69168

(3) For the purpose of obtaining the approval of a city, 69169
local, or exempted village school district under division (D)(1) 69170

or (2) of this section, the legislative authority shall deliver to 69171
the board of education a notice not later than forty-five days 69172
prior to approving the agreement, excluding Saturdays, Sundays, 69173
and legal holidays as defined in section 1.14 of the Revised Code. 69174
The notice shall state the percentage to be exempted, an estimate 69175
of the true value of the property to be exempted, and the number 69176
of years the property is to be exempted. The board of education, 69177
by resolution adopted by a majority of the board, shall approve or 69178
disapprove the agreement and certify a copy of the resolution to 69179
the legislative authority not later than fourteen days prior to 69180
the date stipulated by the legislative authority as the date upon 69181
which approval of the agreement is to be formally considered by 69182
the legislative authority. The board of education may include in 69183
the resolution conditions under which the board would approve the 69184
agreement, including the execution of an agreement to compensate 69185
the school district under division (B) of section 5709.82 of the 69186
Revised Code. The legislative authority may approve the agreement 69187
at any time after the board of education certifies its resolution 69188
approving the agreement to the legislative authority, or, if the 69189
board approves the agreement conditionally, at any time after the 69190
conditions are agreed to by the board and the legislative 69191
authority. 69192

If a board of education has adopted a resolution waiving its 69193
right to approve agreements and the resolution remains in effect, 69194
approval of an agreement by the board is not required under this 69195
division. If a board of education has adopted a resolution 69196
allowing a legislative authority to deliver the notice required 69197
under this division fewer than forty-five business days prior to 69198
the legislative authority's approval of the agreement, the 69199
legislative authority shall deliver the notice to the board not 69200
later than the number of days prior to such approval as prescribed 69201
by the board in its resolution. If a board of education adopts a 69202
resolution waiving its right to approve agreements or shortening 69203

the notification period, the board shall certify a copy of the 69204
resolution to the legislative authority. If the board of education 69205
rescinds such a resolution, it shall certify notice of the 69206
rescission to the legislative authority. 69207

(4) The legislative authority shall comply with section 69208
5709.83 of the Revised Code unless the board of education has 69209
adopted a resolution under that section waiving its right to 69210
receive such notice. 69211

(E) This division applies to zones certified by the director 69212
of development under this section prior to July 22, 1994. 69213

On or before October 15, ~~2012~~ 2013, the legislative authority 69214
that designated a zone to which this division applies may enter 69215
into an agreement with an enterprise if the legislative authority 69216
finds that the enterprise satisfies one of the criteria described 69217
in divisions (E)(1) to (5) of this section: 69218

(1) The enterprise currently has no operations in this state 69219
and, subject to approval of the agreement, intends to establish 69220
operations in the zone; 69221

(2) The enterprise currently has operations in this state 69222
and, subject to approval of the agreement, intends to establish 69223
operations at a new location in the zone that would not result in 69224
a reduction in the number of employee positions at any of the 69225
enterprise's other locations in this state; 69226

(3) The enterprise, subject to approval of the agreement, 69227
intends to relocate operations, currently located in another 69228
state, to the zone; 69229

(4) The enterprise, subject to approval of the agreement, 69230
intends to expand operations at an existing site in the zone that 69231
the enterprise currently operates; 69232

(5) The enterprise, subject to approval of the agreement, 69233

intends to relocate operations, currently located in this state, 69234
to the zone, and the director of development has issued a waiver 69235
for the enterprise under division (B) of section 5709.633 of the 69236
Revised Code. 69237

The agreement shall require the enterprise to agree to 69238
establish, expand, renovate, or occupy a facility in the zone and 69239
hire new employees, or preserve employment opportunities for 69240
existing employees, in return for one or more of the incentives 69241
described in division (C) of this section. 69242

(F) All agreements entered into under this section shall be 69243
in the form prescribed under section 5709.631 of the Revised Code. 69244
After an agreement is entered into under this section, if the 69245
legislative authority revokes its designation of a zone, or if the 69246
director of development revokes a zone's certification, any 69247
entitlements granted under the agreement shall continue for the 69248
number of years specified in the agreement. 69249

(G) Except as otherwise provided in this division, an 69250
agreement entered into under this section shall require that the 69251
enterprise pay an annual fee equal to the greater of one per cent 69252
of the dollar value of incentives offered under the agreement or 69253
five hundred dollars; provided, however, that if the value of the 69254
incentives exceeds two hundred fifty thousand dollars, the fee 69255
shall not exceed two thousand five hundred dollars. The fee shall 69256
be payable to the legislative authority once per year for each 69257
year the agreement is effective on the days and in the form 69258
specified in the agreement. Fees paid shall be deposited in a 69259
special fund created for such purpose by the legislative authority 69260
and shall be used by the legislative authority exclusively for the 69261
purpose of complying with section 5709.68 of the Revised Code and 69262
by the tax incentive review council created under section 5709.85 69263
of the Revised Code exclusively for the purposes of performing the 69264
duties prescribed under that section. The legislative authority 69265

may waive or reduce the amount of the fee charged against an 69266
enterprise, but such a waiver or reduction does not affect the 69267
obligations of the legislative authority or the tax incentive 69268
review council to comply with section 5709.68 or 5709.85 of the 69269
Revised Code. 69270

(H) When an agreement is entered into pursuant to this 69271
section, the legislative authority authorizing the agreement shall 69272
forward a copy of the agreement to the director of development and 69273
to the tax commissioner within fifteen days after the agreement is 69274
entered into. If any agreement includes terms not provided for in 69275
section 5709.631 of the Revised Code affecting the revenue of a 69276
city, local, or exempted village school district or causing 69277
revenue to be forgone by the district, including any compensation 69278
to be paid to the school district pursuant to section 5709.82 of 69279
the Revised Code, those terms also shall be forwarded in writing 69280
to the director of development along with the copy of the 69281
agreement forwarded under this division. 69282

(I) After an agreement is entered into, the enterprise shall 69283
file with each personal property tax return required to be filed, 69284
or annual report required to be filed under section 5727.08 of the 69285
Revised Code, while the agreement is in effect, an informational 69286
return, on a form prescribed by the tax commissioner for that 69287
purpose, setting forth separately the property, and related costs 69288
and values, exempted from taxation under the agreement. 69289

(J) Enterprises may agree to give preference to residents of 69290
the zone within which the agreement applies relative to residents 69291
of this state who do not reside in the zone when hiring new 69292
employees under the agreement. 69293

(K) An agreement entered into under this section may include 69294
a provision requiring the enterprise to create one or more 69295
temporary internship positions for students enrolled in a course 69296
of study at a school or other educational institution in the 69297

vicinity, and to create a scholarship or provide another form of 69298
educational financial assistance for students holding such a 69299
position in exchange for the student's commitment to work for the 69300
enterprise at the completion of the internship. 69301

(L) The tax commissioner's authority in determining the 69302
accuracy of any exemption granted by an agreement entered into 69303
under this section is limited to divisions (C)(1)(a) and (b), 69304
(C)(2)(a), (b), and (c), (C)(3), (D), and (I) of this section and 69305
divisions (B)(1) to (10) of section 5709.631 of the Revised Code 69306
and, as authorized by law, to enforcing any modification to, or 69307
revocation of, that agreement by the legislative authority of a 69308
municipal corporation or the director of development. 69309

Sec. 5709.63. (A) With the consent of the legislative 69310
authority of each affected municipal corporation or of a board of 69311
township trustees, a board of county commissioners may, in the 69312
manner set forth in section 5709.62 of the Revised Code, designate 69313
one or more areas in one or more municipal corporations or in 69314
unincorporated areas of the county as proposed enterprise zones. A 69315
board of county commissioners may designate no more than one area 69316
within a township, or within adjacent townships, as a proposed 69317
enterprise zone. The board shall petition the director of 69318
development for certification of the area as having the 69319
characteristics set forth in division (A)(1) or (2) of section 69320
5709.61 of the Revised Code as amended by Substitute Senate Bill 69321
No. 19 of the 120th general assembly. Except as otherwise provided 69322
in division (D) of this section, on and after July 1, 1994, boards 69323
of county commissioners shall not enter into agreements under this 69324
section unless the board has petitioned the director and the 69325
director has certified the zone under this section as amended by 69326
that act; however, all agreements entered into under this section 69327
as it existed prior to July 1, 1994, and the incentives granted 69328
under those agreements shall remain in effect for the period 69329

agreed to under those agreements. The director shall make the 69330
determination in the manner provided under section 5709.62 of the 69331
Revised Code. 69332

Any enterprise wishing to enter into an agreement with the 69333
board under division (B) or (D) of this section shall submit a 69334
proposal to the board on the form and accompanied by the 69335
application fee prescribed under division (B) of section 5709.62 69336
of the Revised Code. The enterprise shall review and update the 69337
estimates and listings required by the form in the manner required 69338
under that division. The board may, on a separate form and at any 69339
time, require any additional information necessary to determine 69340
whether an enterprise is in compliance with an agreement and to 69341
collect the information required to be reported under section 69342
5709.68 of the Revised Code. 69343

(B) If the board of county commissioners finds that an 69344
enterprise submitting a proposal is qualified by financial 69345
responsibility and business experience to create and preserve 69346
employment opportunities in the zone and to improve the economic 69347
climate of the municipal corporation or municipal corporations or 69348
the unincorporated areas in which the zone is located and to which 69349
the proposal applies, the board, on or before October 15, ~~2012~~ 69350
2013, and with the consent of the legislative authority of each 69351
affected municipal corporation or of the board of township 69352
trustees may do either of the following: 69353

(1) Enter into an agreement with the enterprise under which 69354
the enterprise agrees to establish, expand, renovate, or occupy a 69355
facility in the zone and hire new employees, or preserve 69356
employment opportunities for existing employees, in return for the 69357
following incentives: 69358

(a) When the facility is located in a municipal corporation, 69359
the board may enter into an agreement for one or more of the 69360
incentives provided in division (C) of section 5709.62 of the 69361

Revised Code, subject to division (D) of that section; 69362

(b) When the facility is located in an unincorporated area, 69363
the board may enter into an agreement for one or more of the 69364
following incentives: 69365

(i) Exemption for a specified number of years, not to exceed 69366
fifteen, of a specified portion, up to sixty per cent, of the 69367
assessed value of tangible personal property first used in 69368
business at a project site as a result of the agreement. If an 69369
exemption for inventory is specifically granted in the agreement 69370
pursuant to this division, the exemption applies to inventory 69371
required to be listed pursuant to sections 5711.15 and 5711.16 of 69372
the Revised Code, except, in the instance of an expansion or other 69373
situations in which an enterprise was in business at the facility 69374
prior to the establishment of the zone, the inventory that is 69375
exempt is that amount or value of inventory in excess of the 69376
amount or value of inventory required to be listed in the personal 69377
property tax return of the enterprise in the return for the tax 69378
year in which the agreement is entered into. 69379

(ii) Exemption for a specified number of years, not to exceed 69380
fifteen, of a specified portion, up to sixty per cent, of the 69381
increase in the assessed valuation of real property constituting 69382
the project site subsequent to formal approval of the agreement by 69383
the board; 69384

(iii) Provision for a specified number of years, not to 69385
exceed fifteen, of any optional services or assistance the board 69386
is authorized to provide with regard to the project site; 69387

(iv) The incentive described in division (C)(2) of section 69388
5709.62 of the Revised Code. 69389

(2) Enter into an agreement with an enterprise that plans to 69390
purchase and operate a large manufacturing facility that has 69391
ceased operation or has announced its intention to cease 69392

operation, in return for exemption for a specified number of 69393
years, not to exceed fifteen, of a specified portion, up to one 69394
hundred per cent, of tangible personal property used in business 69395
at the project site as a result of the agreement, or of real 69396
property constituting the project site, or both. 69397

(C)(1)(a) Notwithstanding divisions (B)(1)(b)(i) and (ii) of 69398
this section, the portion of the assessed value of tangible 69399
personal property or of the increase in the assessed valuation of 69400
real property exempted from taxation under those divisions may 69401
exceed sixty per cent in any year for which that portion is 69402
exempted if the average percentage exempted for all years in which 69403
the agreement is in effect does not exceed fifty per cent, or if 69404
the board of education of the city, local, or exempted village 69405
school district within the territory of which the property is or 69406
will be located approves a percentage in excess of sixty per cent. 69407

(b) Notwithstanding any provision of the Revised Code to the 69408
contrary, the exemptions described in divisions (B)(1)(b)(i), 69409
(ii), (iii), and (iv) and (B)(2) of this section may be for up to 69410
fifteen years if the board of education of the city, local, or 69411
exempted village school district within the territory of which the 69412
property is or will be located approves a number of years in 69413
excess of ten. 69414

(c) For the purpose of obtaining the approval of a city, 69415
local, or exempted village school district under division 69416
(C)(1)(a) or (b) of this section, the board of county 69417
commissioners shall deliver to the board of education a notice not 69418
later than forty-five days prior to approving the agreement, 69419
excluding Saturdays, Sundays, and legal holidays as defined in 69420
section 1.14 of the Revised Code. The notice shall state the 69421
percentage to be exempted, an estimate of the true value of the 69422
property to be exempted, and the number of years the property is 69423
to be exempted. The board of education, by resolution adopted by a 69424

majority of the board, shall approve or disapprove the agreement 69425
and certify a copy of the resolution to the board of county 69426
commissioners not later than fourteen days prior to the date 69427
stipulated by the board of county commissioners as the date upon 69428
which approval of the agreement is to be formally considered by 69429
the board of county commissioners. The board of education may 69430
include in the resolution conditions under which the board would 69431
approve the agreement, including the execution of an agreement to 69432
compensate the school district under division (B) of section 69433
5709.82 of the Revised Code. The board of county commissioners may 69434
approve the agreement at any time after the board of education 69435
certifies its resolution approving the agreement to the board of 69436
county commissioners, or, if the board of education approves the 69437
agreement conditionally, at any time after the conditions are 69438
agreed to by the board of education and the board of county 69439
commissioners. 69440

If a board of education has adopted a resolution waiving its 69441
right to approve agreements and the resolution remains in effect, 69442
approval of an agreement by the board of education is not required 69443
under division (C) of this section. If a board of education has 69444
adopted a resolution allowing a board of county commissioners to 69445
deliver the notice required under this division fewer than 69446
forty-five business days prior to approval of the agreement by the 69447
board of county commissioners, the board of county commissioners 69448
shall deliver the notice to the board of education not later than 69449
the number of days prior to such approval as prescribed by the 69450
board of education in its resolution. If a board of education 69451
adopts a resolution waiving its right to approve agreements or 69452
shortening the notification period, the board of education shall 69453
certify a copy of the resolution to the board of county 69454
commissioners. If the board of education rescinds such a 69455
resolution, it shall certify notice of the rescission to the board 69456
of county commissioners. 69457

(2) The board of county commissioners shall comply with 69458
section 5709.83 of the Revised Code unless the board of education 69459
has adopted a resolution under that section waiving its right to 69460
receive such notice. 69461

(D) This division applies to zones certified by the director 69462
of development under this section prior to July 22, 1994. 69463

On or before October 15, ~~2012~~ 2013, and with the consent of 69464
the legislative authority of each affected municipal corporation 69465
or board of township trustees of each affected township, the board 69466
of county commissioners that designated a zone to which this 69467
division applies may enter into an agreement with an enterprise if 69468
the board finds that the enterprise satisfies one of the criteria 69469
described in divisions (D)(1) to (5) of this section: 69470

(1) The enterprise currently has no operations in this state 69471
and, subject to approval of the agreement, intends to establish 69472
operations in the zone; 69473

(2) The enterprise currently has operations in this state 69474
and, subject to approval of the agreement, intends to establish 69475
operations at a new location in the zone that would not result in 69476
a reduction in the number of employee positions at any of the 69477
enterprise's other locations in this state; 69478

(3) The enterprise, subject to approval of the agreement, 69479
intends to relocate operations, currently located in another 69480
state, to the zone; 69481

(4) The enterprise, subject to approval of the agreement, 69482
intends to expand operations at an existing site in the zone that 69483
the enterprise currently operates; 69484

(5) The enterprise, subject to approval of the agreement, 69485
intends to relocate operations, currently located in this state, 69486
to the zone, and the director of development has issued a waiver 69487
for the enterprise under division (B) of section 5709.633 of the 69488

Revised Code. 69489

The agreement shall require the enterprise to agree to 69490
establish, expand, renovate, or occupy a facility in the zone and 69491
hire new employees, or preserve employment opportunities for 69492
existing employees, in return for one or more of the incentives 69493
described in division (B) of this section. 69494

(E) All agreements entered into under this section shall be 69495
in the form prescribed under section 5709.631 of the Revised Code. 69496
After an agreement under this section is entered into, if the 69497
board of county commissioners revokes its designation of a zone, 69498
or if the director of development revokes a zone's certification, 69499
any entitlements granted under the agreement shall continue for 69500
the number of years specified in the agreement. 69501

(F) Except as otherwise provided in this division, an 69502
agreement entered into under this section shall require that the 69503
enterprise pay an annual fee equal to the greater of one per cent 69504
of the dollar value of incentives offered under the agreement or 69505
five hundred dollars; provided, however, that if the value of the 69506
incentives exceeds two hundred fifty thousand dollars, the fee 69507
shall not exceed two thousand five hundred dollars. The fee shall 69508
be payable to the board of county commissioners once per year for 69509
each year the agreement is effective on the days and in the form 69510
specified in the agreement. Fees paid shall be deposited in a 69511
special fund created for such purpose by the board and shall be 69512
used by the board exclusively for the purpose of complying with 69513
section 5709.68 of the Revised Code and by the tax incentive 69514
review council created under section 5709.85 of the Revised Code 69515
exclusively for the purposes of performing the duties prescribed 69516
under that section. The board may waive or reduce the amount of 69517
the fee charged against an enterprise, but such waiver or 69518
reduction does not affect the obligations of the board or the tax 69519
incentive review council to comply with section 5709.68 or 5709.85 69520

of the Revised Code, respectively. 69521

(G) With the approval of the legislative authority of a 69522
municipal corporation or the board of township trustees of a 69523
township in which a zone is designated under division (A) of this 69524
section, the board of county commissioners may delegate to that 69525
legislative authority or board any powers and duties of the board 69526
of county commissioners to negotiate and administer agreements 69527
with regard to that zone under this section. 69528

(H) When an agreement is entered into pursuant to this 69529
section, the board of county commissioners authorizing the 69530
agreement or the legislative authority or board of township 69531
trustees that negotiates and administers the agreement shall 69532
forward a copy of the agreement to the director of development and 69533
to the tax commissioner within fifteen days after the agreement is 69534
entered into. If any agreement includes terms not provided for in 69535
section 5709.631 of the Revised Code affecting the revenue of a 69536
city, local, or exempted village school district or causing 69537
revenue to be foregone by the district, including any compensation 69538
to be paid to the school district pursuant to section 5709.82 of 69539
the Revised Code, those terms also shall be forwarded in writing 69540
to the director of development along with the copy of the 69541
agreement forwarded under this division. 69542

(I) After an agreement is entered into, the enterprise shall 69543
file with each personal property tax return required to be filed, 69544
or annual report that is required to be filed under section 69545
5727.08 of the Revised Code, while the agreement is in effect, an 69546
informational return, on a form prescribed by the tax commissioner 69547
for that purpose, setting forth separately the property, and 69548
related costs and values, exempted from taxation under the 69549
agreement. 69550

(J) Enterprises may agree to give preference to residents of 69551
the zone within which the agreement applies relative to residents 69552

of this state who do not reside in the zone when hiring new 69553
employees under the agreement. 69554

(K) An agreement entered into under this section may include 69555
a provision requiring the enterprise to create one or more 69556
temporary internship positions for students enrolled in a course 69557
of study at a school or other educational institution in the 69558
vicinity, and to create a scholarship or provide another form of 69559
educational financial assistance for students holding such a 69560
position in exchange for the student's commitment to work for the 69561
enterprise at the completion of the internship. 69562

(L) The tax commissioner's authority in determining the 69563
accuracy of any exemption granted by an agreement entered into 69564
under this section is limited to divisions (B)(1)(b)(i) and (ii), 69565
(B)(2), (C), and (I) of this section, division (B)(1)(b)(iv) of 69566
this section as it pertains to divisions (C)(2)(a), (b), and (c) 69567
of section 5709.62 of the Revised Code, and divisions (B)(1) to 69568
(10) of section 5709.631 of the Revised Code and, as authorized by 69569
law, to enforcing any modification to, or revocation of, that 69570
agreement by the board of county commissioners or the director of 69571
development or, if the board's powers and duties are delegated 69572
under division (G) of this section, by the legislative authority 69573
of a municipal corporation or board of township trustees. 69574

Sec. 5709.632. (A)(1) The legislative authority of a 69575
municipal corporation defined by the United States office of 69576
management and budget as a principal city of a metropolitan 69577
statistical area may, in the manner set forth in section 5709.62 69578
of the Revised Code, designate one or more areas in the municipal 69579
corporation as a proposed enterprise zone. 69580

(2) With the consent of the legislative authority of each 69581
affected municipal corporation or of a board of township trustees, 69582
a board of county commissioners may, in the manner set forth in 69583

section 5709.62 of the Revised Code, designate one or more areas 69584
in one or more municipal corporations or in unincorporated areas 69585
of the county as proposed urban jobs and enterprise zones, except 69586
that a board of county commissioners may designate no more than 69587
one area within a township, or within adjacent townships, as a 69588
proposed urban jobs and enterprise zone. 69589

(3) The legislative authority or board of county 69590
commissioners may petition the director of development for 69591
certification of the area as having the characteristics set forth 69592
in division (A)(3) of section 5709.61 of the Revised Code. Within 69593
sixty days after receiving such a petition, the director shall 69594
determine whether the area has the characteristics set forth in 69595
that division and forward the findings to the legislative 69596
authority or board of county commissioners. If the director 69597
certifies the area as having those characteristics and thereby 69598
certifies it as a zone, the legislative authority or board may 69599
enter into agreements with enterprises under division (B) of this 69600
section. Any enterprise wishing to enter into an agreement with a 69601
legislative authority or board of county commissioners under this 69602
section and satisfying one of the criteria described in divisions 69603
(B)(1) to (5) of this section shall submit a proposal to the 69604
legislative authority or board on the form prescribed under 69605
division (B) of section 5709.62 of the Revised Code and shall 69606
review and update the estimates and listings required by the form 69607
in the manner required under that division. The legislative 69608
authority or board may, on a separate form and at any time, 69609
require any additional information necessary to determine whether 69610
an enterprise is in compliance with an agreement and to collect 69611
the information required to be reported under section 5709.68 of 69612
the Revised Code. 69613

(B) Prior to entering into an agreement with an enterprise, 69614
the legislative authority or board of county commissioners shall 69615

determine whether the enterprise submitting the proposal is 69616
qualified by financial responsibility and business experience to 69617
create and preserve employment opportunities in the zone and to 69618
improve the economic climate of the municipal corporation or 69619
municipal corporations or the unincorporated areas in which the 69620
zone is located and to which the proposal applies, and whether the 69621
enterprise satisfies one of the following criteria: 69622

(1) The enterprise currently has no operations in this state 69623
and, subject to approval of the agreement, intends to establish 69624
operations in the zone; 69625

(2) The enterprise currently has operations in this state 69626
and, subject to approval of the agreement, intends to establish 69627
operations at a new location in the zone that would not result in 69628
a reduction in the number of employee positions at any of the 69629
enterprise's other locations in this state; 69630

(3) The enterprise, subject to approval of the agreement, 69631
intends to relocate operations, currently located in another 69632
state, to the zone; 69633

(4) The enterprise, subject to approval of the agreement, 69634
intends to expand operations at an existing site in the zone that 69635
the enterprise currently operates; 69636

(5) The enterprise, subject to approval of the agreement, 69637
intends to relocate operations, currently located in this state, 69638
to the zone, and the director of development has issued a waiver 69639
for the enterprise under division (B) of section 5709.633 of the 69640
Revised Code. 69641

(C) If the legislative authority or board determines that the 69642
enterprise is so qualified and satisfies one of the criteria 69643
described in divisions (B)(1) to (5) of this section, the 69644
legislative authority or board may, after complying with section 69645
5709.83 of the Revised Code and on or before October 15, ~~2012~~ 69646

2013, and, in the case of a board of commissioners, with the consent of the legislative authority of each affected municipal corporation or of the board of township trustees, enter into an agreement with the enterprise under which the enterprise agrees to establish, expand, renovate, or occupy a facility in the zone and hire new employees, or preserve employment opportunities for existing employees, in return for the following incentives:

(1) When the facility is located in a municipal corporation, a legislative authority or board of commissioners may enter into an agreement for one or more of the incentives provided in division (C) of section 5709.62 of the Revised Code, subject to division (D) of that section;

(2) When the facility is located in an unincorporated area, a board of commissioners may enter into an agreement for one or more of the incentives provided in divisions (B)(1)(b), (B)(2), and (B)(3) of section 5709.63 of the Revised Code, subject to division (C) of that section.

(D) All agreements entered into under this section shall be in the form prescribed under section 5709.631 of the Revised Code. After an agreement under this section is entered into, if the legislative authority or board of county commissioners revokes its designation of the zone, or if the director of development revokes the zone's certification, any entitlements granted under the agreement shall continue for the number of years specified in the agreement.

(E) Except as otherwise provided in this division, an agreement entered into under this section shall require that the enterprise pay an annual fee equal to the greater of one per cent of the dollar value of incentives offered under the agreement or five hundred dollars; provided, however, that if the value of the incentives exceeds two hundred fifty thousand dollars, the fee shall not exceed two thousand five hundred dollars. The fee shall

be payable to the legislative authority or board of commissioners 69679
once per year for each year the agreement is effective on the days 69680
and in the form specified in the agreement. Fees paid shall be 69681
deposited in a special fund created for such purpose by the 69682
legislative authority or board and shall be used by the 69683
legislative authority or board exclusively for the purpose of 69684
complying with section 5709.68 of the Revised Code and by the tax 69685
incentive review council created under section 5709.85 of the 69686
Revised Code exclusively for the purposes of performing the duties 69687
prescribed under that section. The legislative authority or board 69688
may waive or reduce the amount of the fee charged against an 69689
enterprise, but such waiver or reduction does not affect the 69690
obligations of the legislative authority or board or the tax 69691
incentive review council to comply with section 5709.68 or 5709.85 69692
of the Revised Code, respectively. 69693

(F) With the approval of the legislative authority of a 69694
municipal corporation or the board of township trustees of a 69695
township in which a zone is designated under division (A)(2) of 69696
this section, the board of county commissioners may delegate to 69697
that legislative authority or board any powers and duties of the 69698
board to negotiate and administer agreements with regard to that 69699
zone under this section. 69700

(G) When an agreement is entered into pursuant to this 69701
section, the legislative authority or board of commissioners 69702
authorizing the agreement shall forward a copy of the agreement to 69703
the director of development and to the tax commissioner within 69704
fifteen days after the agreement is entered into. If any agreement 69705
includes terms not provided for in section 5709.631 of the Revised 69706
Code affecting the revenue of a city, local, or exempted village 69707
school district or causing revenue to be forgone by the district, 69708
including any compensation to be paid to the school district 69709
pursuant to section 5709.82 of the Revised Code, those terms also 69710

shall be forwarded in writing to the director of development along 69711
with the copy of the agreement forwarded under this division. 69712

(H) After an agreement is entered into, the enterprise shall 69713
file with each personal property tax return required to be filed 69714
while the agreement is in effect, an informational return, on a 69715
form prescribed by the tax commissioner for that purpose, setting 69716
forth separately the property, and related costs and values, 69717
exempted from taxation under the agreement. 69718

(I) An agreement entered into under this section may include 69719
a provision requiring the enterprise to create one or more 69720
temporary internship positions for students enrolled in a course 69721
of study at a school or other educational institution in the 69722
vicinity, and to create a scholarship or provide another form of 69723
educational financial assistance for students holding such a 69724
position in exchange for the student's commitment to work for the 69725
enterprise at the completion of the internship. 69726

Sec. 5709.73. (A) As used in this section and section 5709.74 69727
of the Revised Code: 69728

(1) "Business day" means a day of the week excluding 69729
Saturday, Sunday, and a legal holiday as defined in section 1.14 69730
of the Revised Code. 69731

(2) "Further improvements" or "improvements" means the 69732
increase in the assessed value of real property that would first 69733
appear on the tax list and duplicate of real and public utility 69734
property after the effective date of a resolution adopted under 69735
this section were it not for the exemption granted by that 69736
resolution. For purposes of division (B) of this section, 69737
"improvements" do not include any property used or to be used for 69738
residential purposes. 69739

(3) "Housing renovation" means a project carried out for 69740

residential purposes. 69741

(4) "Incentive district" has the same meaning as in section 69742
5709.40 of the Revised Code, except that a blighted area is in the 69743
unincorporated area of a township. 69744

(5) "Project" and "public infrastructure improvement" have 69745
the same meanings as in section 5709.40 of the Revised Code. 69746

(B) A board of township trustees may, by unanimous vote, 69747
adopt a resolution that declares to be a public purpose any public 69748
infrastructure improvements made that are necessary for the 69749
development of certain parcels of land located in the 69750
unincorporated area of the township. Except with the approval 69751
under division (D) of this section of the board of education of 69752
each city, local, or exempted village school district within which 69753
the improvements are located, the resolution may exempt from real 69754
property taxation not more than seventy-five per cent of further 69755
improvements to a parcel of land that directly benefits from the 69756
public infrastructure improvements, for a period of not more than 69757
ten years. The resolution shall specify the percentage of the 69758
further improvements to be exempted and the life of the exemption. 69759

(C)(1) A board of township trustees may adopt, by unanimous 69760
vote, a resolution creating an incentive district and declaring 69761
improvements to parcels within the district to be a public purpose 69762
and, except as provided in division (F) of this section, exempt 69763
from taxation as provided in this section, but no board of 69764
township trustees of a township that has a population that exceeds 69765
twenty-five thousand, as shown by the most recent federal 69766
decennial census, shall adopt a resolution that creates an 69767
incentive district if the sum of the taxable value of real 69768
property in the proposed district for the preceding tax year and 69769
the taxable value of all real property in the township that would 69770
have been taxable in the preceding year were it not for the fact 69771
that the property was in an existing incentive district and 69772

therefore exempt from taxation exceeds twenty-five per cent of the 69773
taxable value of real property in the township for the preceding 69774
tax year. The district shall be located within the unincorporated 69775
area of the township and shall not include any territory that is 69776
included within a district created under division (B) of section 69777
5709.78 of the Revised Code. The resolution shall delineate the 69778
boundary of the district and specifically identify each parcel 69779
within the district. A district may not include any parcel that is 69780
or has been exempted from taxation under division (B) of this 69781
section or that is or has been within another district created 69782
under this division. A resolution may create more than one 69783
district, and more than one resolution may be adopted under 69784
division (C)(1) of this section. 69785

(2) Not later than thirty days prior to adopting a resolution 69786
under division (C)(1) of this section, if the township intends to 69787
apply for exemptions from taxation under section 5709.911 of the 69788
Revised Code on behalf of owners of real property located within 69789
the proposed incentive district, the board shall conduct a public 69790
hearing on the proposed resolution. Not later than thirty days 69791
prior to the public hearing, the board shall give notice of the 69792
public hearing and the proposed resolution by first class mail to 69793
every real property owner whose property is located within the 69794
boundaries of the proposed incentive district that is the subject 69795
of the proposed resolution. 69796

(3)(a) A resolution adopted under division (C)(1) of this 69797
section shall specify the life of the incentive district and the 69798
percentage of the improvements to be exempted, shall designate the 69799
public infrastructure improvements made, to be made, or in the 69800
process of being made, that benefit or serve, or, once made, will 69801
benefit or serve parcels in the district. The resolution also 69802
shall identify one or more specific projects being, or to be, 69803
undertaken in the district that place additional demand on the 69804

public infrastructure improvements designated in the resolution. 69805
The project identified may, but need not be, the project under 69806
division (C)(3)(b) of this section that places real property in 69807
use for commercial or industrial purposes. 69808

A resolution adopted under division (C)(1) of this section on 69809
or after March 30, 2006, shall not designate police or fire 69810
equipment as public infrastructure improvements, and no service 69811
payment provided for in section 5709.74 of the Revised Code and 69812
received by the township under the resolution shall be used for 69813
police or fire equipment. 69814

(b) A resolution adopted under division (C)(1) of this 69815
section may authorize the use of service payments provided for in 69816
section 5709.74 of the Revised Code for the purpose of housing 69817
renovations within the incentive district, provided that the 69818
resolution also designates public infrastructure improvements that 69819
benefit or serve the district, and that a project within the 69820
district places real property in use for commercial or industrial 69821
purposes. Service payments may be used to finance or support 69822
loans, deferred loans, and grants to persons for the purpose of 69823
housing renovations within the district. The resolution shall 69824
designate the parcels within the district that are eligible for 69825
housing renovations. The resolution shall state separately the 69826
amount or the percentages of the expected aggregate service 69827
payments that are designated for each public infrastructure 69828
improvement and for the purpose of housing renovations. 69829

(4) Except with the approval of the board of education of 69830
each city, local, or exempted village school district within the 69831
territory of which the incentive district is or will be located, 69832
and subject to division (E) of this section, the life of an 69833
incentive district shall not exceed ten years, and the percentage 69834
of improvements to be exempted shall not exceed seventy-five per 69835
cent. With approval of the board of education, the life of a 69836

district may be not more than thirty years, and the percentage of 69837
improvements to be exempted may be not more than one hundred per 69838
cent. The approval of a board of education shall be obtained in 69839
the manner provided in division (D) of this section. 69840

(D) Improvements with respect to a parcel may be exempted 69841
from taxation under division (B) of this section, and improvements 69842
to parcels within an incentive district may be exempted from 69843
taxation under division (C) of this section, for up to ten years 69844
or, with the approval of the board of education of the city, 69845
local, or exempted village school district within which the parcel 69846
or district is located, for up to thirty years. The percentage of 69847
the improvements exempted from taxation may, with such approval, 69848
exceed seventy-five per cent, but shall not exceed one hundred per 69849
cent. Not later than forty-five business days prior to adopting a 69850
resolution under this section declaring improvements to be a 69851
public purpose that is subject to approval by a board of education 69852
under this division, the board of township trustees shall deliver 69853
to the board of education a notice stating its intent to adopt a 69854
resolution making that declaration. The notice regarding 69855
improvements with respect to a parcel under division (B) of this 69856
section shall identify the parcels for which improvements are to 69857
be exempted from taxation, provide an estimate of the true value 69858
in money of the improvements, specify the period for which the 69859
improvements would be exempted from taxation and the percentage of 69860
the improvements that would be exempted, and indicate the date on 69861
which the board of township trustees intends to adopt the 69862
resolution. The notice regarding improvements made under division 69863
(C) of this section to parcels within an incentive district shall 69864
delineate the boundaries of the district, specifically identify 69865
each parcel within the district, identify each anticipated 69866
improvement in the district, provide an estimate of the true value 69867
in money of each such improvement, specify the life of the 69868
district and the percentage of improvements that would be 69869

exempted, and indicate the date on which the board of township trustees intends to adopt the resolution. The board of education, by resolution adopted by a majority of the board, may approve the exemption for the period or for the exemption percentage specified in the notice; may disapprove the exemption for the number of years in excess of ten, may disapprove the exemption for the percentage of the improvements to be exempted in excess of seventy-five per cent, or both; or may approve the exemption on the condition that the board of township trustees and the board of education negotiate an agreement providing for compensation to the school district equal in value to a percentage of the amount of taxes exempted in the eleventh and subsequent years of the exemption period or, in the case of exemption percentages in excess of seventy-five per cent, compensation equal in value to a percentage of the taxes that would be payable on the portion of the improvements in excess of seventy-five per cent were that portion to be subject to taxation, or other mutually agreeable compensation.

The board of education shall certify its resolution to the board of township trustees not later than fourteen days prior to the date the board of township trustees intends to adopt the resolution as indicated in the notice. If the board of education and the board of township trustees negotiate a mutually acceptable compensation agreement, the resolution may declare the improvements a public purpose for the number of years specified in the resolution or, in the case of exemption percentages in excess of seventy-five per cent, for the exemption percentage specified in the resolution. In either case, if the board of education and the board of township trustees fail to negotiate a mutually acceptable compensation agreement, the resolution may declare the improvements a public purpose for not more than ten years, and shall not exempt more than seventy-five per cent of the improvements from taxation. If the board of education fails to

certify a resolution to the board of township trustees within the 69903
time prescribed by this section, the board of township trustees 69904
thereupon may adopt the resolution and may declare the 69905
improvements a public purpose for up to thirty years or, in the 69906
case of exemption percentages proposed in excess of seventy-five 69907
per cent, for the exemption percentage specified in the 69908
resolution. The board of township trustees may adopt the 69909
resolution at any time after the board of education certifies its 69910
resolution approving the exemption to the board of township 69911
trustees, or, if the board of education approves the exemption on 69912
the condition that a mutually acceptable compensation agreement be 69913
negotiated, at any time after the compensation agreement is agreed 69914
to by the board of education and the board of township trustees. 69915
If a mutually acceptable compensation agreement is negotiated 69916
between the board of township trustees and the board of education, 69917
including agreements for payments in lieu of taxes under section 69918
5709.74 of the Revised Code, the board of township trustees shall 69919
compensate the joint vocational school district within which the 69920
parcel or district is located at the same rate and under the same 69921
terms received by the city, local, or exempted village school 69922
district. 69923

If a board of education has adopted a resolution waiving its 69924
right to approve exemptions from taxation under this section and 69925
the resolution remains in effect, approval of such exemptions by 69926
the board of education is not required under division (D) of this 69927
section. If a board of education has adopted a resolution allowing 69928
a board of township trustees to deliver the notice required under 69929
division (D) of this section fewer than forty-five business days 69930
prior to adoption of the resolution by the board of township 69931
trustees, the board of township trustees shall deliver the notice 69932
to the board of education not later than the number of days prior 69933
to the adoption as prescribed by the board of education in its 69934
resolution. If a board of education adopts a resolution waiving 69935

its right to approve exemptions or shortening the notification 69936
period, the board of education shall certify a copy of the 69937
resolution to the board of township trustees. If the board of 69938
education rescinds the resolution, it shall certify notice of the 69939
rescission to the board of township trustees. 69940

If the board of township trustees is not required by division 69941
(D) of this section to notify the board of education of the board 69942
of township trustees' intent to declare improvements to be a 69943
public purpose, the board of township trustees shall comply with 69944
the notice requirements imposed under section 5709.83 of the 69945
Revised Code before taking formal action to adopt the resolution 69946
making that declaration, unless the board of education has adopted 69947
a resolution under that section waiving its right to receive the 69948
notice. 69949

(E)(1) If a proposed resolution under division (C)(1) of this 69950
section exempts improvements with respect to a parcel within an 69951
incentive district for more than ten years, or the percentage of 69952
the improvement exempted from taxation exceeds seventy-five per 69953
cent, not later than forty-five business days prior to adopting 69954
the resolution the board of township trustees shall deliver to the 69955
board of county commissioners of the county within which the 69956
incentive district is or will be located a notice that states its 69957
intent to adopt a resolution creating an incentive district. The 69958
notice shall include a copy of the proposed resolution, identify 69959
the parcels for which improvements are to be exempted from 69960
taxation, provide an estimate of the true value in money of the 69961
improvements, specify the period of time for which the 69962
improvements would be exempted from taxation, specify the 69963
percentage of the improvements that would be exempted from 69964
taxation, and indicate the date on which the board of township 69965
trustees intends to adopt the resolution. 69966

(2) The board of county commissioners, by resolution adopted 69967

by a majority of the board, may object to the exemption for the 69968
number of years in excess of ten, may object to the exemption for 69969
the percentage of the improvement to be exempted in excess of 69970
seventy-five per cent, or both. If the board of county 69971
commissioners objects, the board may negotiate a mutually 69972
acceptable compensation agreement with the board of township 69973
trustees. In no case shall the compensation provided to the board 69974
of county commissioners exceed the property taxes foregone due to 69975
the exemption. If the board of county commissioners objects, and 69976
the board of county commissioners and board of township trustees 69977
fail to negotiate a mutually acceptable compensation agreement, 69978
the resolution adopted under division (C)(1) of this section shall 69979
provide to the board of county commissioners compensation in the 69980
eleventh and subsequent years of the exemption period equal in 69981
value to not more than fifty per cent of the taxes that would be 69982
payable to the county or, if the board of county commissioner's 69983
objection includes an objection to an exemption percentage in 69984
excess of seventy-five per cent, compensation equal in value to 69985
not more than fifty per cent of the taxes that would be payable to 69986
the county, on the portion of the improvement in excess of 69987
seventy-five per cent, were that portion to be subject to 69988
taxation. The board of county commissioners shall certify its 69989
resolution to the board of township trustees not later than thirty 69990
days after receipt of the notice. 69991

(3) If the board of county commissioners does not object or 69992
fails to certify its resolution objecting to an exemption within 69993
thirty days after receipt of the notice, the board of township 69994
trustees may adopt its resolution, and no compensation shall be 69995
provided to the board of county commissioners. If the board of 69996
county commissioners timely certifies its resolution objecting to 69997
the trustees' resolution, the board of township trustees may adopt 69998
its resolution at any time after a mutually acceptable 69999
compensation agreement is agreed to by the board of county 70000

commissioners and the board of township trustees, or, if no 70001
compensation agreement is negotiated, at any time after the board 70002
of township trustees agrees in the proposed resolution to provide 70003
compensation to the board of county commissioners of fifty per 70004
cent of the taxes that would be payable to the county in the 70005
eleventh and subsequent years of the exemption period or on the 70006
portion of the improvement in excess of seventy-five per cent, 70007
were that portion to be subject to taxation. 70008

(F) Service payments in lieu of taxes that are attributable 70009
to any amount by which the effective tax rate of either a renewal 70010
levy with an increase or a replacement levy exceeds the effective 70011
tax rate of the levy renewed or replaced, or that are attributable 70012
to an additional levy, for a levy authorized by the voters for any 70013
of the following purposes on or after January 1, 2006, and which 70014
are provided pursuant to a resolution creating an incentive 70015
district under division (C)(1) of this section that is adopted on 70016
or after January 1, 2006, shall be distributed to the appropriate 70017
taxing authority as required under division (C) of section 5709.74 70018
of the Revised Code in an amount equal to the amount of taxes from 70019
that additional levy or from the increase in the effective tax 70020
rate of such renewal or replacement levy that would have been 70021
payable to that taxing authority from the following levies were it 70022
not for the exemption authorized under division (C) of this 70023
section: 70024

(1) A tax levied under division (L) of section 5705.19 or 70025
section 5705.191 of the Revised Code for community mental 70026
retardation and developmental disabilities programs and services 70027
pursuant to Chapter 5126. of the Revised Code; 70028

Revised Code for providing or maintaining senior citizens services 70030
or facilities; 70031

| (G) An exemption from taxation granted under this section | 70061 |
| commences with the tax year specified in the resolution so long as | 70062 |

the year specified in the resolution commences after the effective 70063
date of the resolution. If the resolution specifies a year 70064
commencing before the effective date of the resolution or 70065
specifies no year whatsoever, the exemption commences with the tax 70066
year in which an exempted improvement first appears on the tax 70067
list and duplicate of real and public utility property and that 70068
commences after the effective date of the resolution. Except as 70069
otherwise provided in this division, the exemption ends on the 70070
date specified in the resolution as the date the improvement 70071
ceases to be a public purpose or the incentive district expires, 70072
or ends on the date on which the public infrastructure 70073
improvements and housing renovations are paid in full from the 70074
township public improvement tax increment equivalent fund 70075
established under section 5709.75 of the Revised Code, whichever 70076
occurs first. The exemption of an improvement with respect to a 70077
parcel or within an incentive district may end on a later date, as 70078
specified in the resolution, if the board of township trustees and 70079
the board of education of the city, local, or exempted village 70080
school district within which the parcel or district is located 70081
have entered into a compensation agreement under section 5709.82 70082
of the Revised Code with respect to the improvement and the board 70083
of education has approved the term of the exemption under division 70084
(D) of this section, but in no case shall the improvement be 70085
exempted from taxation for more than thirty years. The board of 70086
township trustees may, by majority vote, adopt a resolution 70087
permitting the township to enter into such agreements as the board 70088
finds necessary or appropriate to provide for the construction or 70089
undertaking of public infrastructure improvements and housing 70090
renovations. Any exemption shall be claimed and allowed in the 70091
same or a similar manner as in the case of other real property 70092
exemptions. If an exemption status changes during a tax year, the 70093
procedure for the apportionment of the taxes for that year is the 70094
same as in the case of other changes in tax exemption status 70095

during the year. 70096

(H) The board of township trustees may issue the notes of the township to finance all costs pertaining to the construction or undertaking of public infrastructure improvements and housing renovations made pursuant to this section. The notes shall be signed by the board and attested by the signature of the township fiscal officer, shall bear interest not to exceed the rate provided in section 9.95 of the Revised Code, and are not subject to Chapter 133. of the Revised Code. The resolution authorizing the issuance of the notes shall pledge the funds of the township public improvement tax increment equivalent fund established pursuant to section 5709.75 of the Revised Code to pay the interest on and principal of the notes. The notes, which may contain a clause permitting prepayment at the option of the board, shall be offered for sale on the open market or given to the vendor or contractor if no sale is made.

(I) The township, not later than fifteen days after the adoption of a resolution under this section, shall submit to the director of development a copy of the resolution. On or before the thirty-first day of March of each year, the township shall submit a status report to the director of development. The report shall indicate, in the manner prescribed by the director, the progress of the project during each year that the exemption remains in effect, including a summary of the receipts from service payments in lieu of taxes; expenditures of money from the fund created under section 5709.75 of the Revised Code; a description of the public infrastructure improvements and housing renovations financed with the expenditures; and a quantitative summary of changes in private investment resulting from each project.

(J) Nothing in this section shall be construed to prohibit a board of township trustees from declaring to be a public purpose improvements with respect to more than one parcel.

(K) A board of township trustees that adopted a resolution 70128
under this section prior to July 21, 1994, may amend that 70129
resolution to include any additional public infrastructure 70130
improvement. A board of township trustees that seeks by the 70131
amendment to utilize money from its township public improvement 70132
tax increment equivalent fund for land acquisition in aid of 70133
industry, commerce, distribution, or research, demolition on 70134
private property, or stormwater and flood remediation projects may 70135
do so provided that the board currently is a party to a 70136
hold-harmless agreement with the board of education of the city, 70137
local, or exempted village school district within the territory of 70138
which are located the parcels that are subject to an exemption. 70139
For the purposes of this division, a "hold-harmless agreement" 70140
means an agreement under which the board of township trustees 70141
agrees to compensate the school district for one hundred per cent 70142
of the tax revenue that the school district would have received 70143
from further improvements to parcels designated in the resolution 70144
were it not for the exemption granted by the resolution. 70145

(L) With respect to improvements resulting from projects, for 70146
which construction commences on or after April 1, 2012, and on or 70147
before December 31, 2013, and for which an exemption has been or 70148
will be sought pursuant to a resolution adopted under this section 70149
before December 14, 2001, "property used or to be used for 70150
residential purposes," as used in division (A)(2) of this section, 70151
means only that property that, as improved, the tax commissioner 70152
would classify as residential land and improvements pursuant to 70153
rules adopted by the tax commissioner under section 5713.041 of 70154
the Revised Code. 70155

relevant to the granting of, nor later developments with respect 72382
to, the tax credit shall impair the status of the qualified direct 72383

execution of the tax credit agreement by the tax credit authority. 72385

(c) Division (B)(48) of this section is limited to machinery, 72386
equipment, and software first stored, used, or consumed in this 72387

takeoff weight or used exclusively in general aviation. 72397

(b) Sales of tangible personal property, including materials, 72398

aerospace vehicles, the parts, avionics systems, control systems, 72402
engines, software, component materials, or component parts of such 72403
aerospace vehicles, and human performance equipment and technology 72404

in division (B)(49)(b) of this section, "aerospace vehicles" means 72406

or flight-crew training, sales of repair or replacement parts or 72411
components, and sales of repair or maintenance services for such 72412
full flight simulators. "Full flight simulator" means a replica of 72413
a specific type, or make, model, and series of aircraft cockpit. 72414
It includes the assemblage of equipment and computer programs 72415

between the state and a successful proposer in accordance with 72424
sections 126.60 to 126.605 of the Revised Code, provided the 72425
property is part of a project as defined in section 126.60 of the 72426
Revised Code and the state retains ownership of the project or 72427
part thereof that is being transferred or leased, between the 72428
state and JobsOhio in accordance with section 4313.02 of the 72429
Revised Code. 72430

(C) For the purpose of the proper administration of this 72431
chapter, and to prevent the evasion of the tax, it is presumed 72432

that all sales made in this state are subject to the tax until the 72433
contrary is established. 72434

(D) The levy of this tax on retail sales of recreation and 72435
sports club service shall not prevent a municipal corporation from 72436
levying any tax on recreation and sports club dues or on any 72437
income generated by recreation and sports club dues. 72438

(E) The tax collected by the vendor from the consumer under 72439
this chapter is not part of the price, but is a tax collection for 72440
the benefit of the state, and of counties levying an additional 72441
sales tax pursuant to section 5739.021 or 5739.026 of the Revised 72442
Code and of transit authorities levying an additional sales tax 72443
pursuant to section 5739.023 of the Revised Code. Except for the 72444
discount authorized under section 5739.12 of the Revised Code and 72445
the effects of any rounding pursuant to section 5703.055 of the 72446
Revised Code, no person other than the state or such a county or 72447
transit authority shall derive any benefit from the collection or 72448
payment of the tax levied by this section or section 5739.021, 72449
5739.023, or 5739.026 of the Revised Code. 72450

Sec. 5743.03. (A) Except as provided in section 5743.04 of 72451
the Revised Code, the taxes imposed under sections 5743.02, 72452
5743.021, 5743.024, and 5743.026 of the Revised Code shall be paid 72453
by the purchase of tax stamps. A tax stamp shall be affixed to 72454
each package of an aggregate denomination not less than the amount 72455
of the tax upon the contents thereof. The tax stamp, so affixed, 72456
shall be prima-facie evidence of payment of the tax. 72457

Except as is provided in the rules prescribed by the tax 72458
commissioner under authority of sections 5743.01 to 5743.20 of the 72459
Revised Code, and unless tax stamps have been previously affixed, 72460
they shall be so affixed by each wholesale dealer, and canceled by 72461
writing or stamping across the face thereof the number assigned to 72462
such wholesale dealer by the tax commissioner for that purpose, 72463

prior to the delivery of any cigarettes to any person in this 72464
state, or in the case of a tax levied pursuant to section 72465
5743.021, 5743.024, or 5743.026 of the Revised Code, prior to the 72466
delivery of cigarettes to any person in the county in which the 72467
tax is levied. 72468

(B) Except as provided in the rules prescribed by the 72469
commissioner under authority of sections 5743.01 to 5743.20 of the 72470
Revised Code, each retail dealer, within twenty-four hours after 72471
the receipt of any cigarettes at the retail dealer's place of 72472
business, shall inspect the cigarettes to ensure that tax stamps 72473
are affixed. The inspection shall be completed before the 72474
cigarettes are delivered to any person in this state, or, in the 72475
case of a tax levied pursuant to section 5743.021, 5743.024, or 72476
5743.026 of the Revised Code, before the cigarettes are delivered 72477
to any person in the county in which the tax is levied. 72478

(C) Whenever any cigarettes are found in the place of 72479
business of any retail dealer without proper tax stamps affixed 72480
thereto and canceled, it is presumed that such cigarettes are kept 72481
therein in violation of sections 5743.01 to 5743.20 of the Revised 72482
Code. 72483

(D) Each wholesale dealer who purchases cigarettes without 72484
proper tax stamps affixed thereto shall, on or before the 72485
thirty-first day of the month following the close of each 72486
semiannual period, which period shall end on the thirtieth day of 72487
June and the thirty-first day of December of each year, make and 72488
file a return of the preceding semiannual period, on such form as 72489
is prescribed by the tax commissioner, showing the dealer's entire 72490
purchases and sales of cigarettes and stamps or impressions for 72491
such semiannual period and accurate inventories as of the 72492
beginning and end of each semiannual period of cigarettes, stamped 72493
or unstamped; cigarette tax stamps affixed or unaffixed and unused 72494
meter impressions; and such other information as the commissioner 72495

finds necessary to the proper administration of sections 5743.01 72496
to 5743.20 of the Revised Code. The commissioner may extend the 72497
time for making and filing returns and may remit all or any part 72498
of amounts of penalties that may become due under sections 5743.01 72499
to 5743.20 of the Revised Code. The wholesale dealer shall deliver 72500
the return together with a remittance of the tax deficiency 72501
reported thereon to the treasurer of state. The treasurer of state 72502
shall stamp or otherwise mark on the return the date it was 72503
received and shall also show thereon by stamp or otherwise a 72504
payment or nonpayment of the deficiency shown by the return. 72505
Thereafter, the treasurer of state shall immediately transmit all 72506
returns filed under this section to the commissioner. 72507

(E) Any wholesale dealer who fails to file a return under 72508
this section and the rules of the commissioner, other than a 72509
report required pursuant to division (F) of this section, may be 72510
required, for each day the dealer so fails, to forfeit and pay 72511
into the state treasury the sum of one dollar as revenue arising 72512
from the tax imposed by sections 5743.01 to 5743.20 of the Revised 72513
Code and such sum may be collected by assessment in the manner 72514
provided in section 5743.081 of the Revised Code. If the 72515
commissioner finds it necessary in order to insure the payment of 72516
the tax imposed by sections 5743.01 to 5743.20 of the Revised 72517
Code, the commissioner may require returns and payments to be made 72518
other than semiannually. The returns shall be signed by the 72519
wholesale dealer or an authorized agent thereof. 72520

(F) Each person required to file a tax return under section 72521
5743.03, 5743.52, or 5743.62 of the Revised Code shall report to 72522
the commissioner the quantity of all cigarettes and roll-your-own 72523
cigarette tobacco sold in Ohio for each brand not covered by the 72524
tobacco master settlement agreement for which the person is liable 72525
for the taxes levied under section 5743.02, 5743.51, or 5743.62 of 72526
the Revised Code. 72527

As used in this division, "tobacco master settlement agreement" has the same meaning as in section 183.01 of the Revised Code. 72528
72529
72530

(G) The report required by division (F) of this section shall be made on a form prescribed by the commissioner and shall be filed not later than the last day of each month for the previous month, except that if the commissioner determines that the quantity reported by a person does not warrant monthly reporting, the commissioner may authorize reporting at less frequent intervals. The commissioner may assess a penalty of not more than two hundred fifty dollars for each month or portion thereof that a person fails to timely file a required report, and such sum may be collected by assessment in the manner provided in section 5743.081 of the Revised Code. All money collected under this division shall be considered as revenue arising from the taxes imposed by sections 5743.01 to 5743.20 of the Revised Code. 72531

(H) The treasurer of state or an agent of the treasurer may sell tax stamps only to a licensed wholesale dealer, except as otherwise authorized by the commissioner. The treasurer or an agent of the treasurer may charge the costs associated with the shipment of tax stamps to the licensed wholesale dealer. Amounts collected from such charges shall be credited to the treasurer of state's administrative fund created under section 113.20 of the Revised Code. 72544

Sec. 5743.031. (A) A wholesale dealer may affix stamps only to packages of cigarettes that the dealer received directly from a manufacturer or importer of cigarettes that possesses a valid and current license under section 5743.15 of the Revised Code, or to packages of cigarettes that the dealer received from another wholesale dealer that possesses a valid and current license under section 5743.15 of the Revised Code, provided that the tax 72552
72553
72554
72555
72556
72557
72558

commissioner has authorized the sale of the cigarettes between 72559
those wholesale dealers and that the wholesale dealer that sells 72560
the cigarettes received them directly from a manufacturer or 72561
importer of cigarettes that possesses a valid and current license 72562
under section 5743.15 of the Revised Code. 72563

(B) Only a wholesale dealer that possesses a valid and 72564
current license under section 5743.15 of the Revised Code may 72565
purchase or obtain tax stamps. A wholesale dealer may not sell or 72566
provide such stamps to any other wholesale dealer or any other 72567
person. 72568

(C) Any person shipping unstamped packages of cigarettes into 72569
this state to a person other than a wholesale dealer licensed 72570
under section 5743.15 of the Revised Code shall, before such 72571
shipment, file notice of the shipment with the tax commissioner. 72572
Any person that transports unstamped packages of cigarettes into 72573
or within this state shall carry in the vehicle used to convey the 72574
shipment invoices or equivalent documentation of the shipment for 72575
all cigarettes in the shipment. The invoices or other 72576
documentation shall show the true name and address of the 72577
consignor or seller, the true name and address of the consignee or 72578
purchaser, and the quantity of the cigarettes being transported. 72579
This division does not apply to any ~~common or contract~~ for-hire 72580
motor carrier transporting cigarettes through this state to 72581
another location under a proper bill of lading or freight bill 72582
that states the quantity, source, and destination of the 72583
cigarettes. 72584

Sec. 5751.033. For the purposes of this chapter, gross 72585
receipts shall be sitused to this state as follows: 72586

(A) Gross rents and royalties from real property located in 72587
this state shall be sitused to this state. 72588

(B) Gross rents and royalties from tangible personal property 72589
shall be sitused to this state to the extent the tangible personal 72590
property is located or used in this state. 72591

(C) Gross receipts from the sale of electricity and electric 72592
transmission and distribution services shall be sitused to this 72593
state in the manner provided under section 5733.059 of the Revised 72594
Code. 72595

(D) Gross receipts from the sale of real property located in 72596
this state shall be sitused to this state. 72597

(E) Gross receipts from the sale of tangible personal 72598
property shall be sitused to this state if the property is 72599
received in this state by the purchaser. In the case of delivery 72600
of tangible personal property by ~~common~~ motor carrier or by other 72601
means of transportation, the place at which such property is 72602
ultimately received after all transportation has been completed 72603
shall be considered the place where the purchaser receives the 72604
property. For purposes of this section, the phrase "delivery of 72605
tangible personal property by ~~common~~ motor carrier or by other 72606
means of transportation" includes the situation in which a 72607
purchaser accepts the property in this state and then transports 72608
the property directly or by other means to a location outside this 72609
state. Direct delivery in this state, other than for purposes of 72610
transportation, to a person or firm designated by a purchaser 72611
constitutes delivery to the purchaser in this state, and direct 72612
delivery outside this state to a person or firm designated by a 72613
purchaser does not constitute delivery to the purchaser in this 72614
state, regardless of where title passes or other conditions of 72615
sale. 72616

(F) Gross receipts from the sale, exchange, disposition, or 72617
other grant of the right to use trademarks, trade names, patents, 72618
copyrights, and similar intellectual property shall be sitused to 72619
this state to the extent that the receipts are based on the amount 72620

of use of the property in this state. If the receipts are not 72621
based on the amount of use of the property, but rather on the 72622
right to use the property, and the payor has the right to use the 72623
property in this state, then the receipts from the sale, exchange, 72624
disposition, or other grant of the right to use such property 72625
shall be sitused to this state to the extent the receipts are 72626
based on the right to use the property in this state. 72627

(G) Gross receipts from the sale of transportation services 72628
by a ~~common or contract~~ motor carrier shall be sitused to this 72629
state in proportion to the mileage traveled by the carrier during 72630
the tax period on roadways, waterways, airways, and railways in 72631
this state to the mileage traveled by the carrier during the tax 72632
period on roadways, waterways, airways, and railways everywhere. 72633
With prior written approval of the tax commissioner, a ~~common or~~ 72634
~~contract~~ motor carrier may use an alternative situsing procedure 72635
for transportation services. 72636

(H) Gross receipts from dividends, interest, and other 72637
sources of income from financial instruments described in 72638
divisions (F)(4), (5), (6), (7), (8), (9), (10), (11), and (13) of 72639
section 5733.056 of the Revised Code shall be sitused to this 72640
state in accordance with the situsing provisions set forth in 72641
those divisions. When applying the provisions of divisions (F)(6), 72642
(8), and (13) of section 5733.056 of the Revised Code, "gross 72643
receipts" shall be substituted for "net gains" wherever "net 72644
gains" appears in those divisions. Nothing in this division limits 72645
or modifies the exclusions enumerated in divisions (E) and (F)(2) 72646
of section 5751.01 of the Revised Code. The tax commissioner may 72647
promulgate rules to further specify the manner in which to situs 72648
gross receipts subject to this division. 72649

(I) Gross receipts from the sale of all other services, and 72650
all other gross receipts not otherwise sitused under this section, 72651
shall be sitused to this state in the proportion that the 72652

purchaser's benefit in this state with respect to what was 72653
purchased bears to the purchaser's benefit everywhere with respect 72654
to what was purchased. The physical location where the purchaser 72655
ultimately uses or receives the benefit of what was purchased 72656
shall be paramount in determining the proportion of the benefit in 72657
this state to the benefit everywhere. If a taxpayer's records do 72658
not allow the taxpayer to determine that location, the taxpayer 72659
may use an alternative method to situs gross receipts under this 72660
division if the alternative method is reasonable, is consistently 72661
and uniformly applied, and is supported by the taxpayer's records 72662
as the records exist when the service is provided or within a 72663
reasonable period of time thereafter. 72664

(J) If the situsing provisions of divisions (A) to (H) of 72665
this section do not fairly represent the extent of a person's 72666
activity in this state, the person may request, or the tax 72667
commissioner may require or permit, an alternative method. Such 72668
request by a person must be made within the applicable statute of 72669
limitations set forth in this chapter. 72670

(K) The tax commissioner may adopt rules to provide 72671
additional guidance to the application of this section, and 72672
provide alternative methods of situsing gross receipts that apply 72673
to all persons, or subset of persons, that are engaged in similar 72674
business or trade activities. 72675

(L) As used in this section, "motor carrier" has the same 72676
meaning as in section 4923.01 of the Revised Code. 72677

Sec. 5751.12. The tax commissioner may prescribe requirements 72678
for the keeping of records and other pertinent documents, the 72679
filing of copies of federal income tax returns and determinations, 72680
and computations reconciling federal income tax returns with the 72681
returns and reports required by section 5751.05 of the Revised 72682
Code. The commissioner may require any person, by rule or notice 72683

served on that person, to keep those records that the commissioner 72684
considers necessary to show whether, and the extent to which, a 72685
person is subject to this chapter. Those records and other 72686
documents shall be open during business hours to the inspection of 72687

addiction, and mental health services of the service district in 73269
which the patient resided at the time services were most recently 73270

(C) Subject to section 5123.196 of the Revised Code, the 73360
director of developmental disabilities shall license the operation 73361

director refuses to renew the license under division (D) of this 73366
section. The director, when issuing or renewing a license, shall 73367
specify the period for which the license is being issued or 73368
renewed. A license remains valid for the length of the licensing 73369
period specified by the director, unless the license is 73370
terminated, revoked, or voluntarily surrendered. 73371

(D) If it is determined that an applicant or licensee is not 73372
in compliance with a provision of this chapter that applies to 73373
residential facilities or the rules adopted under such a 73374
provision, the director may deny issuance of a license, refuse to 73375
renew a license, terminate a license, revoke a license, issue an 73376
order for the suspension of admissions to a facility, issue an 73377
order for the placement of a monitor at a facility, issue an order 73378
for the immediate removal of residents, or take any other action 73379
the director considers necessary consistent with the director's 73380
authority under this chapter regarding residential facilities. In 73381
the director's selection and administration of the sanction to be 73382
imposed, all of the following apply: 73383

(1) The director may deny, refuse to renew, or revoke a 73384
license, if the director determines that the applicant or licensee 73385
has demonstrated a pattern of serious noncompliance or that a 73386
violation creates a substantial risk to the health and safety of 73387
residents of a residential facility. 73388

(2) The director may terminate a license if more than twelve 73389
consecutive months have elapsed since the residential facility was 73390
last occupied by a resident or a notice required by division (K) 73391

of this section is not given. 73392

(3) The director may issue an order for the suspension of 73393
admissions to a facility for any violation that may result in 73394
sanctions under division (D)(1) of this section and for any other 73395
violation specified in rules adopted under division (H)(2) of this 73396
section. If the suspension of admissions is imposed for a 73397
violation that may result in sanctions under division (D)(1) of 73398
this section, the director may impose the suspension before 73399
providing an opportunity for an adjudication under Chapter 119. of 73400
the Revised Code. The director shall lift an order for the 73401
suspension of admissions when the director determines that the 73402
violation that formed the basis for the order has been corrected. 73403

(4) The director may order the placement of a monitor at a 73404
residential facility for any violation specified in rules adopted 73405
under division (H)(2) of this section. The director shall lift the 73406
order when the director determines that the violation that formed 73407
the basis for the order has been corrected. 73408

(5) If the director determines that two or more residential 73409
facilities owned or operated by the same person or government 73410
entity are not being operated in compliance with a provision of 73411
this chapter that applies to residential facilities or the rules 73412
adopted under such a provision, and the director's findings are 73413
based on the same or a substantially similar action, practice, 73414
circumstance, or incident that creates a substantial risk to the 73415
health and safety of the residents, the director shall conduct a 73416
survey as soon as practicable at each residential facility owned 73417
or operated by that person or government entity. The director may 73418
take any action authorized by this section with respect to any 73419
facility found to be operating in violation of a provision of this 73420
chapter that applies to residential facilities or the rules 73421
adopted under such a provision. 73422

(6) When the director initiates license revocation 73423

proceedings, no opportunity for submitting a plan of correction 73424
shall be given. The director shall notify the licensee by letter 73425
of the initiation of the proceedings. The letter shall list the 73426
deficiencies of the residential facility and inform the licensee 73427
that no plan of correction will be accepted. The director shall 73428
also send a copy of the letter to the county board of 73429
developmental disabilities. The county board shall send a copy of 73430
the letter to each of the following: 73431

(a) Each resident who receives services from the licensee; 73432

(b) The guardian of each resident who receives services from 73433
the licensee if the resident has a guardian; 73434

(c) The parent or guardian of each resident who receives 73435
services from the licensee if the resident is a minor. 73436

(7) Pursuant to rules which shall be adopted in accordance 73437
with Chapter 119. of the Revised Code, the director may order the 73438
immediate removal of residents from a residential facility 73439
whenever conditions at the facility present an immediate danger of 73440
physical or psychological harm to the residents. 73441

(8) In determining whether a residential facility is being 73442
operated in compliance with a provision of this chapter that 73443
applies to residential facilities or the rules adopted under such 73444
a provision, or whether conditions at a residential facility 73445
present an immediate danger of physical or psychological harm to 73446
the residents, the director may rely on information obtained by a 73447
county board of developmental disabilities or other governmental 73448
agencies. 73449

(9) In proceedings initiated to deny, refuse to renew, or 73450
revoke licenses, the director may deny, refuse to renew, or revoke 73451
a license regardless of whether some or all of the deficiencies 73452
that prompted the proceedings have been corrected at the time of 73453
the hearing. 73454

(E) The director shall establish a program under which public notification may be made when the director has initiated license revocation proceedings or has issued an order for the suspension of admissions, placement of a monitor, or removal of residents. The director shall adopt rules in accordance with Chapter 119. of the Revised Code to implement this division. The rules shall establish the procedures by which the public notification will be made and specify the circumstances for which the notification must be made. The rules shall require that public notification be made if the director has taken action against the facility in the eighteen-month period immediately preceding the director's latest action against the facility and the latest action is being taken for the same or a substantially similar violation of a provision of this chapter that applies to residential facilities or the rules adopted under such a provision. The rules shall specify a method for removing or amending the public notification if the director's action is found to have been unjustified or the violation at the residential facility has been corrected.

(F)(1) Except as provided in division (F)(2) of this section, appeals from proceedings initiated to impose a sanction under division (D) of this section shall be conducted in accordance with Chapter 119. of the Revised Code.

(2) Appeals from proceedings initiated to order the suspension of admissions to a facility shall be conducted in accordance with Chapter 119. of the Revised Code, unless the order was issued before providing an opportunity for an adjudication, in which case all of the following apply:

(a) The licensee may request a hearing not later than ten days after receiving the notice specified in section 119.07 of the Revised Code.

(b) If a timely request for a hearing that includes the licensee's current address is made, the hearing shall commence not

later than thirty days after the department receives the request. 73487

(c) After commencing, the hearing shall continue 73488
uninterrupted, except for Saturdays, Sundays, and legal holidays, 73489
unless other interruptions are agreed to by the licensee and the 73490
director. 73491

(d) If the hearing is conducted by a hearing examiner, the 73492
hearing examiner shall file a report and recommendations not later 73493
than ten days after the last of the following: 73494

(i) The close of the hearing; 73495

(ii) If a transcript of the proceedings is ordered, the 73496
hearing examiner receives the transcript; 73497

(iii) If post-hearing briefs are timely filed, the hearing 73498
examiner receives the briefs. 73499

(e) A copy of the written report and recommendation of the 73500
hearing examiner shall be sent, by certified mail, to the licensee 73501
and the licensee's attorney, if applicable, not later than five 73502
days after the report is filed. 73503

(f) Not later than five days after the hearing examiner files 73504
the report and recommendations, the licensee may file objections 73505
to the report and recommendations. 73506

(g) Not later than fifteen days after the hearing examiner 73507
files the report and recommendations, the director shall issue an 73508
order approving, modifying, or disapproving the report and 73509
recommendations. 73510

(h) Notwithstanding the pendency of the hearing, the director 73511
shall lift the order for the suspension of admissions when the 73512
director determines that the violation that formed the basis for 73513
the order has been corrected. 73514

(G) Neither a person or government agency whose application 73515
for a license to operate a residential facility is denied nor a 73516

related party of the person or government agency may apply for a 73517
license to operate a residential facility before the date that is 73518
one year after the date of the denial. Neither a licensee whose 73519
residential facility license is revoked nor a related party of the 73520
licensee may apply for a residential facility license before the 73521
date that is five years after the date of the revocation. 73522

(H) In accordance with Chapter 119. of the Revised Code, the 73523
director shall adopt and may amend and rescind rules for licensing 73524
and regulating the operation of residential facilities, ~~including~~ 73525
~~intermediate care facilities for the mentally retarded~~. The rules 73526
for residential facilities that are intermediate care facilities 73527
for the mentally retarded may differ from those for other 73528
residential facilities. The rules shall establish and specify the 73529
following: 73530

(1) Procedures and criteria for issuing and renewing 73531
licenses, including procedures and criteria for determining the 73532
length of the licensing period that the director must specify for 73533
each license when it is issued or renewed; 73534

(2) Procedures and criteria for denying, refusing to renew, 73535
terminating, and revoking licenses and for ordering the suspension 73536
of admissions to a facility, placement of a monitor at a facility, 73537
and the immediate removal of residents from a facility; 73538

(3) Fees for issuing and renewing licenses, which shall be 73539
deposited into the program fee fund created under section 5123.033 73540
of the Revised Code; 73541

(4) Procedures for surveying residential facilities; 73542

(5) Requirements for the training of residential facility 73543
personnel; 73544

(6) Classifications for the various types of residential 73545
facilities; 73546

(7) Certification procedures for licensees and management contractors that the director determines are necessary to ensure that they have the skills and qualifications to properly operate or manage residential facilities;

(8) The maximum number of persons who may be served in a particular type of residential facility;

(9) Uniform procedures for admission of persons to and transfers and discharges of persons from residential facilities;

(10) Other standards for the operation of residential facilities and the services provided at residential facilities;

(11) Procedures for waiving any provision of any rule adopted under this section.

(I) Before issuing a license, the director of the department or the director's designee shall conduct a survey of the residential facility for which application is made. The director or the director's designee shall conduct a survey of each licensed residential facility at least once during the period the license is valid and may conduct additional inspections as needed. A survey includes but is not limited to an on-site examination and evaluation of the residential facility, its personnel, and the services provided there.

In conducting surveys, the director or the director's designee shall be given access to the residential facility; all records, accounts, and any other documents related to the operation of the facility; the licensee; the residents of the facility; and all persons acting on behalf of, under the control of, or in connection with the licensee. The licensee and all persons on behalf of, under the control of, or in connection with the licensee shall cooperate with the director or the director's designee in conducting the survey.

Following each survey, unless the director initiates a

consider the proposed change to be an application for development 73611
by a new operator pursuant to section 5123.042 of the Revised Code 73612
and shall advise the applicant within sixty days of the 73613
notification that the current license shall continue in effect or 73614

119. of the Revised Code. 73620

(L) A county board of developmental disabilities and any 73621
interested person may file complaints alleging violations of 73622
statute or department rule relating to residential facilities with 73623
the department. All complaints shall be in writing and shall state 73624

shall not reveal the source of any complaint unless the 73626
complainant agrees in writing to waive the right to 73627
confidentiality or until so ordered by a court of competent 73628
jurisdiction. 73629

The department shall adopt rules in accordance with Chapter 73630
119. of the Revised Code establishing procedures for the receipt, 73631

losing their license. 73637

(N) Before issuing a license under this section to a 73638

(R) Divisions (O) and (P) of this section are not applicable 73704

to municipal corporations that had in effect on June 15, 1977, an ordinance specifically permitting in residential zones licensed residential facilities by means of permitted uses, conditional uses, or special exception, so long as such ordinance remains in effect without any substantive modification.

(b) The director determines that the issuance of an interim license is necessary to meet a temporary need for a residential facility.

(2) To be eligible to receive an interim license, an applicant must meet the same criteria that must be met to receive a permanent license under this section, except for any differing procedures and time frames that may apply to issuance of a permanent license.

(3) An interim license shall be valid for thirty days and may be renewed by the director for a period not to exceed one hundred fifty days.

(4) The director shall adopt rules in accordance with Chapter 119. of the Revised Code as the director considers necessary to administer the issuance of interim licenses.

(T) Notwithstanding rules adopted pursuant to this section establishing the maximum number of persons who may be served in a particular type of residential facility, a residential facility

served by the facility on the effective date of the rules or the 73737
number of persons for which the facility is authorized pursuant to 73738
a current application for a certificate of need with a letter of 73739
support from the department of developmental disabilities and 73740

residential facility without a license issued under this section. 73746

The director may petition the court of common pleas of the 73747
county in which an unlicensed residential facility is located for 73748
an order enjoining the person or governmental agency operating the 73749
facility from continuing to operate without a license. The court 73750
may grant the injunction on a showing that the person or 73751
governmental agency named in the petition is operating a 73752
residential facility without a license. The court may grant the 73753
injunction, regardless of whether the residential facility meets 73754
the requirements for receiving a license under this section. 73755

operated by the department to determine the circumstances 73940
surrounding the injury, the cause of the injury, and the person 73941

the department finds that the report involves action or inaction 73948
that may constitute a crime under federal law or the law of this 73949
state, it shall submit a report of its investigation, in writing, 73950
to the law enforcement agency. If the person with mental 73951

responsibilities under sections 5126.31 to 5126.33 of the Revised 73968
Code shall be immune from any civil or criminal liability that 73969
might otherwise be incurred or imposed as a result of such actions 73970
except liability for perjury, unless the person or governmental 73971
entity has acted in bad faith or with malicious purpose. 73972

(L) No employer or any person with the authority to do so 73973
shall discharge, demote, transfer, prepare a negative work 73974
performance evaluation, reduce pay or benefits, terminate work 73975
privileges, or take any other action detrimental to an employee or 73976

made a report under this section. This division does not preclude 73978
an employer or person with authority from taking action with 73979
regard to an employee who has made a report under this section if 73980
there is another reasonable basis for the action. 73981

(M) Reports made under this section are not public records as 73982
defined in section 149.43 of the Revised Code. Information 73983
contained in the reports on request shall be made available to the 73984
person who is the subject of the report, to the person's legal 73985

counsel, and to agencies authorized to receive information in the 73986
 report by the department or by a county board of developmental 73987
 disabilities. 73988

(N) Notwithstanding section 4731.22 of the Revised Code, the 73989
 physician-patient privilege shall not be a ground for excluding 73990
 evidence regarding the injuries or physical neglect of a person 73991
 with mental retardation or a developmental disability or the cause 73992
 thereof in any judicial proceeding resulting from a report 73993
 submitted pursuant to this section. 73994

necessary, the amounts are appropriated. 75459

UNCLAIMED FUNDS TRANSFERS 75460

Notwithstanding division (A) of section 169.05 of the Revised 75461
Code, during the FY 2012-FY 2013 biennium, the Director of Budget 75462
and Management shall request the Director of Commerce to transfer 75463
to the General Revenue Fund up to \$215,000,000 of unclaimed funds 75464
that have been reported by holders of unclaimed funds under 75465
section 169.05 of the Revised Code, irrespective of the allocation 75466
of the unclaimed funds under that section. The Director of 75467
Commerce shall transfer the funds at the times requested by the 75468
Director of Budget and Management. 75469

FIRE DEPARTMENT GRANTS 75470

Of the foregoing appropriation item 800639, Fire Department 75471
Grants, up to \$1,647,140 in each fiscal year shall be used to make 75472
annual grants to the following eligible recipients: volunteer fire 75473
departments, fire departments that serve one or more small 75474
municipalities or small townships, joint fire districts comprised 75475
of fire departments that primarily serve small municipalities or 75476
small townships, local units of government responsible for such 75477
fire departments, and local units of government responsible for 75478
the provision of fire protection services for small municipalities 75479
or small townships. For the purposes of these grants, a private 75480
fire company, as that phrase is defined in section 9.60 of the 75481
Revised Code, that is providing fire protection services under a 75482
contract to a political subdivision of the state, is an additional 75483
eligible recipient for a training grant. 75484

Eligible recipients that consist of small municipalities or 75485
small townships that all intend to contract with the same fire 75486
department or private fire company for fire protection services 75487

may jointly apply and be considered for a grant. If a joint 75488
applicant is awarded a grant, the State Fire Marshal shall, if 75489
feasible, proportionately award the grant and any equipment 75490
purchased with grant funds to each of the joint applicants based 75491
upon each applicant's contribution to and demonstrated need for 75492
fire protection services. 75493

If the grant awarded to joint applicants is an equipment 75494
grant and the equipment to be purchased cannot be readily 75495
distributed or possessed by multiple recipients, each of the joint 75496
applicants shall be awarded by the State Fire Marshal an ownership 75497
interest in the equipment so purchased in proportion to each 75498
applicant's contribution to and demonstrated need for fire 75499
protection services. The joint applicants shall then mutually 75500
agree on how the equipment is to be maintained, operated, stored, 75501
or disposed of. If, for any reason, the joint applicants cannot 75502
agree as to how jointly owned equipment is to be maintained, 75503
operated, stored, or disposed of or any of the joint applicants no 75504
longer maintain a contract with the same fire protection service 75505
provider as the other applicants, then the joint applicants shall, 75506
with the assistance of the State Fire Marshal, mutually agree as 75507
to how the jointly owned equipment is to be maintained, operated, 75508
stored, disposed of, or owned. If the joint applicants cannot 75509
agree how the grant equipment is to be maintained, operated, 75510
stored, disposed of, or owned, the State Fire Marshal may, in its 75511
discretion, require all of the equipment acquired by the joint 75512
applicants with grant funds to be returned to the State Fire 75513
Marshal. The State Fire Marshal may then award the returned 75514
equipment to any eligible recipients. 75515

The grants shall be used by recipients to purchase 75516
firefighting or rescue equipment or gear or similar items, to 75517
provide full or partial reimbursement for the documented costs of 75518
firefighter training, or, at the discretion of the State Fire 75519

Marshal, to cover fire department costs for providing fire 75520
protection services in that grant recipient's jurisdiction. 75521

Grant awards for firefighting or rescue equipment or gear or 75522
for fire department costs of providing fire protection services 75523
shall be up to \$15,000 per fiscal year, or up to \$25,000 per 75524
fiscal year if an eligible entity serves a jurisdiction in which 75525
the Governor declared a natural disaster during the preceding or 75526
current fiscal year in which the grant was awarded. In addition to 75527
any grant funds awarded for rescue equipment or gear, or for fire 75528
department costs associated with the provision of fire protection 75529
services, an eligible entity may receive a grant for up to \$15,000 75530
per fiscal year for full or partial reimbursement of the 75531
documented costs of firefighter training. For each fiscal year, 75532
the State Fire Marshal shall determine the total amounts to be 75533
allocated for each eligible purpose. 75534

The grant program shall be administered by the State Fire 75535
Marshal in accordance with rules the State Fire Marshal adopts as 75536
part of the state fire code adopted pursuant to section 3737.82 of 75537
the Revised Code that are necessary for the administration and 75538
operation of the grant program. The rules may further define the 75539
entities eligible to receive grants and establish criteria for the 75540
awarding and expenditure of grant funds, including methods the 75541
State Fire Marshal may use to verify the proper use of grant funds 75542
or to obtain reimbursement for or the return of equipment for 75543
improperly used grant funds. Any amounts in appropriation item 75544
800639, Fire Department Grants, in excess of the amount allocated 75545
for these grants may be used for the administration of the grant 75546
program. 75547

Sec. 267.10.10. OPERATING EXPENSES 76332

The foregoing appropriation item 200321, Operating Expenses, 76333
shall be used to support the same activities as are supported 76334
prior to July 1, 2012, by appropriation items 200100, Personal 76335
Services, and 200320, Maintenance and Equipment. A portion of this 76336
appropriation item also shall be used by the Department of 76337
Education to provide matching funds under 20 U.S.C. 2321, which 76338
are provided by appropriation item 200416, Career-Technical 76339
Education Match, prior to July 1, 2012. 76340

On July 1, 2012, or as soon as possible thereafter, the 76341
Director of Budget and Management shall cancel any existing 76342
encumbrances against appropriation items 200100, Personal 76343
Services, 200320, Maintenance and Equipment, and 200416, 76344
Career-Technical Education Match, and reestablish them against 76345
appropriation item 200321, Operating Expenses. The reestablished 76346
encumbrance amounts are hereby appropriated. 76347

EARLY CHILDHOOD EDUCATION 76348

The Department of Education shall distribute the foregoing 76349
appropriation item 200408, Early Childhood Education, to pay the 76350
costs of early childhood education programs. 76351

(A) As used in this section: 76352

(1) "Provider" means a city, local, exempted village, or 76353
joint vocational school district, or an educational service 76354
center. 76355

(2) In the case of a city, local, or exempted village school 76356
district, "new eligible provider" means a district that did not 76357
receive state funding for Early Childhood Education in the 76358
previous fiscal year or demonstrates a need for early childhood 76359
programs as defined in division (D) of this section. 76360

(3) "Eligible child" means a child who is at least three years of age as of the district entry date for kindergarten, is not of the age to be eligible for kindergarten, and whose family earns not more than two hundred per cent of the federal poverty guidelines as defined in division (A)(3) of section 5101.46 of the Revised Code. Children with an Individualized Education Program and where the Early Childhood Education program is the least restrictive environment may be enrolled on their third birthday.

(B) In each fiscal year, up to two per cent of the total appropriation may be used by the Department for program support and technical assistance. The Department shall distribute the remainder of the appropriation in each fiscal year to serve eligible children.

(C) The Department shall provide an annual report to the Governor, the Speaker of the House of Representatives, and the President of the Senate and post the report to the Department's web site, regarding early childhood education programs operated under this section and the early learning program guidelines.

(D) After setting aside the amounts to make payments due from the previous fiscal year, in fiscal year 2012, the Department shall distribute funds first to recipients of funds for early childhood education programs under Section 265.10.20 of Am. Sub. H.B. 1 of the 128th General Assembly in the previous fiscal year and the balance to new eligible providers of early childhood education programs under this section or to existing providers to serve more eligible children or for purposes of program expansion, improvement, or special projects to promote quality and innovation.

After setting aside the amounts to make payments due from the previous fiscal year, in fiscal year 2013, the Department shall distribute funds first to providers of early childhood education programs under this section in the previous fiscal year and the

balance to new eligible providers or to existing providers to 76393
serve more eligible children or for purposes of program expansion, 76394
improvement, or special projects to promote quality and 76395
innovation. 76396

Awards under this section shall be distributed on a per-pupil 76397
basis, and in accordance with division (H) of this section. The 76398
Department may adjust the per-pupil amount so that the per-pupil 76399
amount multiplied by the number of eligible children enrolled and 76400
receiving services on the first day of December or the business 76401
day closest to that date equals the amount allocated under this 76402
section. 76403

(E) Costs for developing and administering an early childhood 76404
education program may not exceed fifteen per cent of the total 76405
approved costs of the program. 76406

All providers shall maintain such fiscal control and 76407
accounting procedures as may be necessary to ensure the 76408
disbursement of, and accounting for, these funds. The control of 76409
funds provided in this program, and title to property obtained, 76410
shall be under the authority of the approved provider for purposes 76411
provided in the program unless, as described in division (J) of 76412
this section, the program waives its right for funding or a 76413
program's funding is eliminated or reduced due to its inability to 76414
meet financial or early learning program guidelines. The approved 76415
provider shall administer and use such property and funds for the 76416
purposes specified. 76417

(F) The Department may examine a provider's financial and 76418
program records. If the financial practices of the program are not 76419
in accordance with standard accounting principles or do not meet 76420
financial standards outlined under division (E) of this section, 76421
or if the program fails to substantially meet the early learning 76422
program guidelines, meet a quality rating level in the tiered 76423
quality rating and improvement system developed under section 76424

5104.30 of the Revised Code as prescribed by the Department, or 76425
exhibits below average performance as measured against the 76426
guidelines, the early childhood education program shall propose 76427
and implement a corrective action plan that has been approved by 76428
the Department. The approved corrective action plan shall be 76429
signed by the chief executive officer and the executive of the 76430
official governing body of the provider. The corrective action 76431
plan shall include a schedule for monitoring by the Department. 76432
Such monitoring may include monthly reports, inspections, a 76433
timeline for correction of deficiencies, and technical assistance 76434
to be provided by the Department or obtained by the early 76435
childhood education program. The Department may withhold funding 76436
pending corrective action. If an early childhood education program 76437
fails to satisfactorily complete a corrective action plan, the 76438
Department may deny expansion funding to the program or withdraw 76439
all or part of the funding to the program and establish a new 76440
eligible provider through a selection process established by the 76441
Department. 76442

(G) Each early childhood education program shall do all of 76443
the following: 76444

(1) Meet teacher qualification requirements prescribed by 76445
section 3301.311 of the Revised Code; 76446

(2) Align curriculum to the early learning content standards 76447
developed by the Department; 76448

(3) Meet any child or program assessment requirements 76449
prescribed by the Department; 76450

(4) Require teachers, except teachers enrolled and working to 76451
obtain a degree pursuant to section 3301.311 of the Revised Code, 76452
to attend a minimum of twenty hours every two years of 76453
professional development as prescribed by the Department; 76454

(5) Document and report child progress as prescribed by the 76455

Department; 76456

(6) Meet and report compliance with the early learning 76457
program guidelines as prescribed by the Department; 76458

(7) Participate in the tiered quality rating and improvement 76459
system developed under section 5104.30 of the Revised Code. 76460
Effective July 1, 2016, all programs shall be rated through the 76461
system. 76462

(H) Per-pupil funding for programs subject to this section 76463
shall be sufficient to provide eligible children with services for 76464
a standard early childhood schedule which shall be defined in this 76465
section as a minimum of twelve and one-half hours per school week 76466
as defined in section 3313.62 of the Revised Code for the minimum 76467
school year as defined in sections 3313.48, 3313.481, and 3313.482 76468
of the Revised Code. Nothing in this section shall be construed to 76469
prohibit program providers from utilizing other funds to serve 76470
eligible children in programs that exceed the twelve and one-half 76471
hours per week or that exceed the minimum school year. For any 76472
provider for which a standard early childhood education schedule 76473
creates a hardship or for which the provider shows evidence that 76474
the provider is working in collaboration with a preschool special 76475
education program, the provider may submit a waiver to the 76476
Department requesting an alternate schedule. If the Department 76477
approves a waiver for an alternate schedule that provides services 76478
for less time than the standard early childhood education 76479
schedule, the Department may reduce the provider's annual 76480
allocation proportionately. Under no circumstances shall an annual 76481
allocation be increased because of the approval of an alternate 76482
schedule. 76483

(I) Each provider shall develop a sliding fee scale based on 76484
family incomes and shall charge families who earn more than two 76485
hundred per cent of the federal poverty guidelines, as defined in 76486
division (A)(3) of section 5101.46 of the Revised Code, for the 76487

early childhood education program. 76488

The Department shall conduct an annual survey of each 76489
provider to determine whether the provider charges families 76490
tuition or fees, the amount families are charged relative to 76491
family income levels, and the number of families and students 76492
charged tuition and fees for the early childhood program. 76493

(J) If an early childhood education program voluntarily 76494
waives its right for funding, or has its funding eliminated for 76495
not meeting financial standards or the early learning program 76496
guidelines, the provider shall transfer control of title to 76497
property, equipment, and remaining supplies obtained through the 76498
program to providers designated by the Department and return any 76499
unexpended funds to the Department along with any reports 76500
prescribed by the Department. The funding made available from a 76501
program that waives its right for funding or has its funding 76502
eliminated or reduced may be used by the Department for new grant 76503
awards or expansion grants. The Department may award new grants or 76504
expansion grants to eligible providers who apply. The eligible 76505
providers who apply must do so in accordance with the selection 76506
process established by the Department. 76507

(K) As used in this section, "early learning program 76508
guidelines" means the guidelines established by the Department 76509
pursuant to division (C)(3) of Section 206.09.54 of Am. Sub. H.B. 76510
66 of the 126th General Assembly. 76511

(L) Eligible expenditures for the Early Childhood Education 76512
program shall be claimed each fiscal year to help meet the state's 76513
TANF maintenance of effort requirement. The Superintendent of 76514
Public Instruction and the Director of Job and Family Services 76515
shall enter into an interagency agreement to carry out the 76516
requirements under this division, which shall include developing 76517
reporting guidelines for these expenditures. 76518

76733
76734
76735
76736

Of the foregoing appropriation item 200550, Foundation 76737

Funding, a portion in each fiscal year shall be paid to school 76738
districts and community schools in accordance with the section of 76739
this act entitled "SUBSIDY FOR HIGH PERFORMING SCHOOL DISTRICTS." 76740

The remainder of appropriation item 200550, Foundation 76741
Funding, shall be used to distribute the amounts calculated for 76742
formula aid under Section 267.30.50 of this act. 76743

Appropriation items 200502, Pupil Transportation, 200540, 76744
Special Education Enhancements, and 200550, Foundation Funding, 76745
other than specific set-asides, are collectively used in each 76746
fiscal year to pay state formula aid obligations for school 76747
districts, community schools, STEM schools, and joint vocational 76748
school districts under this act. The first priority of these 76749
appropriation items, with the exception of specific set-asides, is 76750
to fund state formula aid obligations. It may be necessary to 76751
reallocate funds among these appropriation items or use excess 76752
funds from other general revenue fund appropriation items in the 76753
Department of Education's budget in each fiscal year, in order to 76754
meet state formula aid obligations. If it is determined that it is 76755
necessary to transfer funds among these appropriation items or to 76756
transfer funds from other General Revenue Fund appropriations in 76757
the Department of Education's budget to meet state formula aid 76758
obligations, the Department of Education shall seek approval from 76759
the Controlling Board to transfer funds as needed. 76760

Sec. 267.40.40. LOTTERY PROFITS EDUCATION RESERVE FUND 76761

(A) There is hereby created the Lottery Profits Education 76762
Reserve Fund (Fund 7018) in the State Treasury. Investment 76763
earnings of the Lottery Profits Education Reserve Fund shall be 76764
credited to the fund. 76765

(B) Notwithstanding any other provision of law to the 76766
contrary, the Director of Budget and Management may transfer cash 76767
from Fund 7018 to the Lottery Profits Education Fund (Fund 7017) 76768

in fiscal year 2012 and fiscal year 2013. Amounts transferred 76769
under this section are hereby appropriated. 76770

(C) On July 15, 2011, or as soon as possible thereafter, the 76771
Director of the Ohio Lottery Commission shall certify to the 76772
Director of Budget and Management the amount by which lottery 76773
profit transfers received by Fund 7017 exceeded \$711,000,000 in 76774
fiscal year 2011. The Director of Budget and Management may 76775
transfer the amount so certified, plus the cash balance in Fund 76776
7017, to Fund 7018. 76777

(D) On July 15, 2012, or as soon as possible thereafter, the 76778
Director of the Ohio Lottery Commission shall certify to the 76779
Director of Budget and Management the amount by which lottery 76780
profit transfers received by Fund 7017 exceeded \$717,500,000 in 76781
fiscal year 2012. The Director of Budget and Management may 76782
transfer the amount so certified, plus the cash balance in Fund 76783
7017, to Fund 7018. 76784

THIRD GRADE READING GUARANTEE 76785

The foregoing appropriation item 200686, Third Grade Reading 76786
Guarantee, shall be used to make competitive grants in an 76787
aggregate amount of up to \$13,000,000 to school districts and 76788
community schools to support reading intervention efforts that 76789
assist students in meeting the third grade reading guarantee 76790
established in section 3313.608 of the Revised Code. 76791

The Superintendent of Public Instruction shall administer and 76792
award the grants. The Superintendent shall establish procedures 76793
and forms by which applicants may apply for a grant, a competitive 76794
process for awarding the grants, procedures for distributing 76795
grants to recipients, and procedures for monitoring the use of 76796
grants by recipients. The procedures shall require each school 76797
district and community school applying for a grant to submit, as 76798
part of its grant application, a reading program plan identifying 76799

how the grant award will be used. To be eligible for a grant 76800
award, school districts and community schools shall apply to the 76801
Superintendent not later than December 31, 2012. The 76802
Superintendent shall announce the grant awards not later than 76803
April 30, 2013. 76804

In awarding the grants, the Superintendent shall give 76805
priority to plans that either utilize public-private partnerships 76806
or involve collaboration with educational service centers, other 76807
school districts, or local entities, such as libraries, parks and 76808
recreation authorities, or other community entities. The 76809
Superintendent shall also consider an applicant's past performance 76810
on the third grade reading assessment administered pursuant to the 76811
version of section 3301.0710 of the Revised Code that was in 76812
effect prior to October 16, 2009. In considering this factor, the 76813
Superintendent shall take into account the existing resources 76814
available for reading improvement initiatives, including the 76815
amount of funding the school district or community school 76816
regularly receives under Title I of the "Elementary and Secondary 76817
Education Act of 1965," 20 U.S.C. 6301, et seq. 76818

HEALTH CARE/MEDICAID ENDING BALANCE 77282

Thirty million dollars of the unexpended and unencumbered 77283
portion of appropriation item 600525, Health Care/Medicaid, at the 77284
end of fiscal year 2012 is hereby reappropriated to the Department 77285
of Job and Family Services for payments to nursing facilities for 77286

"FISCAL YEAR 2013 QUALITY BONUS PAYMENTS TO NURSING FACILITIES." 77288

Sec. 309.30.30. REDUCTION IN MEDICAID PAYMENT RATES 77289

(A) As used in this section, "charge high trim point" means a 77290
measure, excluding the measure established by paragraph (A)(6) of 77291
rule 5101:3-2-07.9 of the Administrative Code, used to determine 77292

(B) For fiscal year 2012 and fiscal year 2013, the Director 77295
of Job and Family Services shall implement purchasing strategies 77296

rates for those services being at least two per cent less than the 77299
respective payment rates for fiscal year 2011. In implementing the 77300
purchasing strategies and rate reductions, the Director shall do 77301
the following: 77302

(1) Notwithstanding the section of ~~this act~~ Am. Sub. H.B. 153 77303
of the 129th General Assembly titled "CONTINUATION OF MEDICAID 77304
RATES FOR HOSPITAL INPATIENT AND OUTPATIENT SERVICES," modernize 77305
hospital inpatient and outpatient reimbursement methodologies by 77306
doing the following: 77307

(a) Modifying the inpatient hospital capital reimbursement 77308
methodology; 77309

(b) Establishing new diagnosis-related groups in a 77310
cost-neutral manner; 77311

(c) For hospital discharges that occur during the period 77312
beginning October 1, 2011, and ending January 1, 2012, modifying 77313
charge high trim points, as in effect on January 1, 2011, by a 77314
factor of 13.6%; 77315

(d) For hospital discharges that occur during the period 77316
beginning January 1, 2012, and ending on the effective date of the 77317
first of the new diagnosis-related groups established under 77318

division (B)(1)(b) of this section, modifying charge high trim 77319
points, as in effect on October 1, 2011, by a factor of 9.72%; 77320

(e) Implementing other changes the Director considers 77321
appropriate. 77322

(2) Establish selective contracting and prior authorization 77323
requirements for types of medical assistance the Director 77324
identifies. 77325

(C) The Director shall adopt rules under ~~section~~ sections 77326
5111.02 and 5111.85 of the Revised Code as necessary to implement 77327
this section. The rules adopted to implement divisions (B)(1)(a), 77328
(b), and (e) of this section shall include quality factors and 77329
quality-based incentive payments. 77330

(D) This section does not apply to nursing facility and 77331
intermediate care facility for the mentally retarded services 77332
provided under the Medicaid program. 77333

Sec. 309.30.33. HOSPITAL INPATIENT AND OUTPATIENT 77334
SUPPLEMENTAL UPPER PAYMENT LIMIT PROGRAM; MEDICAID MANAGED CARE 77335
HOSPITAL INCENTIVE PAYMENT PROGRAM 77336

(A) As used in this section: 77337

(1) "Hospital" has the same meaning as in section 5112.40 of 77338
the Revised Code. 77339

(2) "Hospital Assessment Fund" means the fund created under 77340
section 5112.45 of the Revised Code. 77341

(3) "Medicaid managed care organization" means an entity 77342
under contract pursuant to section 5111.17 of the Revised Code to 77343
provide or arrange services for Medicaid recipients who are 77344
required or permitted to participate in the Medicaid care 77345
management system. 77346

(B) The Department of Job and Family Services shall submit to 77347

the United States Secretary of Health and Human Services a 77348
Medicaid state plan amendment to do both of the following: 77349

(1) Continue the Hospital Inpatient and Outpatient 77350
Supplemental Upper Payment Limit Program that was established 77351
pursuant to Section 309.30.17 of Am. Sub. H.B. 1 of the 128th 77352
General Assembly, with any modifications necessary to implement 77353
the program as described under division (D) of this section; 77354

(2) Create the Medicaid Managed Care Hospital Incentive 77355
Payment Program, as described under division (E) of this section. 77356

(C) Of the amounts deposited into the Hospital Assessment 77357
Fund in fiscal year 2012 and fiscal year 2013: 77358

(1) Up to \$432,432,725 (state and federal) in fiscal year 77359
2012 and up to \$415,162,388 (state and federal) in fiscal year 77360
2013 shall be used for the Hospital Inpatient and Outpatient 77361
Supplemental Upper Payment Limit Program; 77362

(2) Up to \$162,000,000 (state and federal) in each fiscal 77363
year shall be used for the Medicaid Managed Care Hospital 77364
Incentive Payment Program; 77365

(3) Up to \$176,021,111 (state and federal) in fiscal year 77366
2012 and up to \$195,158,394 (state and federal) in fiscal year 77367
2013 shall be used for the program authorized by the section of 77368
~~this act~~ Am. Sub. H.B. 153 of the 129th General Assembly titled 77369
"CONTINUATION OF MEDICAID RATES FOR HOSPITAL INPATIENT AND 77370
OUTPATIENT SERVICES." 77371

(D)(1) If the Medicaid state plan amendment submitted under 77372
division (B)(1) of this section is approved, the Department shall 77373
implement the Hospital Inpatient and Outpatient Supplemental Upper 77374
Payment Limit Program during fiscal year 2012 and fiscal year 77375
2013. Under the Program, subject to division (D)(2) of this 77376
section, supplemental Medicaid payments shall be made to hospitals 77377
for Medicaid-covered inpatient and outpatient services. The 77378

Department shall make the payments through amounts that are made 77379
available for the Program under division (C) of this section and 77380
any federal financial participation available for the Program. 77381

(2) The Department shall take all actions necessary to cease 77382
implementation of the Program if the United States Secretary 77383
determines that the assessment imposed under section 5112.41 of 77384
the Revised Code is an impermissible healthcare-related tax under 77385
section 1903(w) of the "Social Security Act," 105 Stat. 1793 77386
(1991), 42 U.S.C. 1396b(w), as amended. 77387

(E)(1) If the Medicaid state plan amendment submitted under 77388
division (B)(2) of this section is approved, the Department shall 77389
implement the Medicaid Managed Care Hospital Incentive Payment 77390
Program. The purpose of the Program is to increase access to 77391
hospital services for Medicaid recipients who are enrolled in 77392
Medicaid managed care organizations. 77393

Under the Program, subject to division (E)(3) of this 77394
section, funds shall be provided to Medicaid managed care 77395
organizations, which shall use the funds to increase payments to 77396
hospitals for providing services to Medicaid recipients who are 77397
enrolled in the organizations. The Department shall provide the 77398
funds through amounts that are made available for the Program 77399
under division (C) of this section and any federal financial 77400
participation available for the Program. 77401

(2) Not later than July 1, 2012, the Department shall select 77402
an actuary to conduct a study of the contracted reimbursement 77403
rates between Medicaid managed care organizations and hospitals. 77404
The actuary shall determine if a reduction in the capitation rates 77405
paid to Medicaid managed care organizations in fiscal year 2013 is 77406
appropriate as a result of the contracted reimbursement rates 77407
between the organizations and hospitals. The actuary shall notify 77408
the Department of its determination. 77409

If the actuary determines that a reduction in the capitation rates paid to Medicaid managed care organizations in fiscal year 2013 will not achieve \$22 million in state savings in fiscal year 2013, the state shall receive the difference between what the actuary determines the state will save and \$22 million. The Department, in consultation with the Ohio Association of Health Plans and the Ohio Hospital Association, shall establish a methodology under which the difference is paid equally by Medicaid managed care organizations and hospitals in this state.

Notwithstanding anything to the contrary specified in division (E)(3)(b) or (c) of this section, the Medicaid managed care organizations and hospitals shall pay the amounts determined under the methodology, unless the Department waives the requirement to make the payments. The requirement may be waived if spending for the Medicaid program in fiscal year 2013 is less than the amount that is budgeted for that fiscal year. If payments are made, the amount received by the Department shall be deposited into the state treasury to the credit of the Health Care Compliance Fund created under section ~~5111.171~~ 5111.946 of the Revised Code.

(3)(a) The Department shall not provide funds to Medicaid managed care organizations under the Program unless an actuary selected by the Department certifies that the Program would not violate the actuarial soundness of the capitation rates paid to Medicaid managed care organizations.

(b) The Department shall not implement the Program in a manner that causes a hospital to receive less money from the Hospital Assessment Fund than the hospital would have received if the Program were not implemented.

(c) The Department shall not implement the Program in a manner that causes a Medicaid managed care organization to receive a lower capitation payment rate solely because funds are made

available to the organization under the Program. 77442

(d) The Department shall take all necessary actions to cease 77443
implementation of the Program if the United States Secretary 77444
determines that the assessment imposed under section 5112.41 of 77445
the Revised Code is an impermissible healthcare-related tax under 77446
section 1903(w) of the "Social Security Act," 105 Stat. 1793 77447
(1991), 42 U.S.C. 1396b(w), as amended. 77448

and 2013 in the appropriate fund and appropriation item for the 80039

operations and related management functions of the OSAE to the 80047
OFCC, an authorized officer of the OSAE shall certify to the OFCC 80048

Superintendent of Labor or Division of Labor are referred to in 80073
any provision of law, or in any agreement or document that 80074
pertains to those duties, powers, obligations, functions, and 80075
rights, the reference is to the Superintendent of Industrial 80076
Compliance or Division of Industrial Compliance, as appropriate. 80077

All authorized obligations and supplements thereto of the 80078
Superintendent and Division of Labor are binding on the 80079
Superintendent or Division of Industrial Compliance and nothing in 80080
this act impairs those obligations or rights or the obligations or 80081
rights under any contract. The renaming of the Division of Labor 80082
and Superintendent of Labor does not affect the validity of 80083
agreements or obligations made by that superintendent or division 80084
pursuant to Chapters 121., 3703., 3781., 3791., 4104., 4105., and 80085

action on the part of the Superintendent or Division of Industrial 80095
Compliance, or the Director of Commerce. Additionally, all 80096
appropriations or reappropriations made to the Superintendent and 80097
Division of Labor for the purposes of the performance of their 80098
duties, powers, and obligations, are transferred to the 80099
Superintendent and Division of Industrial Compliance to the extent 80100
of the remaining unexpended or unencumbered balance thereof, 80101
whether allocated or unallocated, and whether obligated or 80102
unobligated. 80103

Section 701.121. (A) The state of Ohio requests that the 80104
Joint Committee on the Library of Congress approve the replacement 80105
of Ohio's statue of Governor William Allen in the National 80106
Statuary Hall Collection with a statue of Thomas Edison. 80107

(B) In accordance with the Procedure for Replacement of 80108
Statues in the National Statuary Hall Collection, Ohio submits the 80109
following information for consideration by the Joint Committee on 80110
the Library of Congress: 80111

(1) Thomas Edison, a native of Milan, Ohio, was a world 80112
famous inventor and highly successful businessperson whose 80113
inventions, such as the phonograph, the kinetoscope (a precursor 80114
to the film projector), and the first practical incandescent light 80115
bulb, have had a tremendous impact on the world. In addition to 80116
these inventions, Thomas Edison's service to the United States 80117
Government has also impacted world history. During World War I, he 80118
consulted for the government, examining inventions submitted for 80119
military use and working on defensive devices for submarines and 80120
ships. For his service, he eventually was awarded a Distinguished 80121

Service Medal by the Department of the Navy. By the time of his 80122
death, he had received over one thousand patents. 80123

Thomas Edison also has had a significant impact on the state 80124
of Ohio. He established the Edison Steel Company in Cleveland, 80125
Ohio, and established one of the first electric power stations in 80126
Tiffin, Ohio. His General Electric Company established the first 80127
industrial park in Ohio, which has employed hundreds of thousands 80128
of people over time. And the Ohio Department of Development 80129
sponsors The Thomas Edison Award, which was established in 80130
partnership with the Edison Birthplace Museum in Milan, Ohio. The 80131
Edison Birthplace Museum also has been instrumental in the 80132
issuance of a Thomas Edison stamp and commemorative silver dollar, 80133
and has received, on Thomas Edison's behalf, a posthumously 80134
awarded GRAMMY Award. 80135

Thomas Edison's impact on the world, and, in particular, on 80136
the state of Ohio, through his inventions, business endeavors, and 80137
government service, merits inclusion of a statue of him in the 80138
National Statuary Hall Collection. 80139

(2) The Ohio Statuary Hall Commission, a nonprofit Ohio 80140
corporation, was established in 2009 for the purpose of assisting 80141
with the process of recommending an Ohio citizen for statuary 80142
representation in the National Statuary Hall Collection, including 80143
raising funds and providing financial support for that effort. If 80144
the Joint Committee on the Library of Congress approves this 80145
replacement statue request, the Commission shall be responsible 80146
for the selection of a sculptor for the Thomas Edison statue as 80147
well as for paying all costs incurred for placing the Thomas 80148
Edison statue in the United States Capitol, including costs 80149
incurred for all of the following: 80150

(a) Paying the sculptor; 80151

(b) Carving or casting the statue; 80152

| | |
|--|--|
| (c) Creating a pedestal and any inscription; | 80153 |
| (d) Transporting the statue and pedestal to the United States Capitol; | 80154 80155 |
| (e) Removing and transporting the replaced statue; | 80156 |
| (f) Temporarily erecting the new statue in the Rotunda of the Capitol for the unveiling ceremony; | 80157 80158 |
| (g) Expenses related to the unveiling ceremony; and | 80159 |
| (h) Any other expenses that the Ohio Statuary Hall Commission finds it to be necessary to incur. | 80160 80161 |
| (C) As required by the Procedure for Replacement of Statues in the National Statuary Hall Collection, the Governor shall submit to the Architect of the Capitol a copy of this act, along with a letter from the Governor, requesting approval from the Joint Committee on the Library of Congress to replace Ohio's statue of Governor William Allen in the National Statuary Hall Collection with a statue of Thomas Edison. | 80162 80163 80164 80165 80166 80167 80168 |
| Section 701.141. The Department of Administrative Services shall conduct a study of the use of compressed natural gas in the motor vehicle fleets of the state and political subdivisions. The study shall examine the feasibility, budgetary effect, and return on investment from the use of compressed natural gas in the motor vehicle fleets of the state and political subdivisions, including transit fleets operated under Chapter 306. of the Revised Code. In examining the potential return on investment, the Department shall consider the impact of converting all or part of the different motor vehicle fleets over a period of two to four years and shall develop various proposals for funding the conversion of the motor vehicle fleets. The Department may conduct public hearings and may consult with experts and other persons as the Department considers necessary to fulfill its duties under this act. | 80169 80170 80171 80172 80173 80174 80175 80176 80177 80178 80179 80180 80181 80182 |

Not later than six months after the effective date of this section, the Department shall issue a report on its findings and recommendations on using compressed natural gas to fuel the motor vehicle fleets of the state and political subdivisions, including any recommendation for funding the conversion to compressed natural gas. The Department shall furnish copies of its report to the Governor, the Ohio Senate, and the Ohio House of Representatives.

As used in this section, "political subdivision" means a county, township, municipal corporation, or any other body corporate and politic that is responsible for government activities in a geographic area smaller than that of the state.

Section 701.151. Upon the effective date of this act, all references to the Development Services Agency or Director of Development Services in uncodified sections of law in this act shall be deemed to refer to the Department of Development or the Director of Development, respectively.

Section 707.10. For fiscal years 2013 and 2014, the legislative authority of a municipal corporation in a county, with a population between three hundred seventy-five thousand and four hundred thousand according to the most recent federal decennial census, may conduct a pilot program whereby the legislative authority may use up to five per cent of the aggregate amount of money deposited in the municipal corporation's sewer fund and up to five per cent of the aggregate amount of money deposited in a fund created by the municipal corporation for water-works for the purpose of extending the municipal corporation's water or sewerage system, as applicable, if both of the following apply:

(A) The water or sewerage system is being extended to areas for economic development purposes.

(B) The areas into which the water or sewerage system is 80213
being extended are the subject of a cooperative economic 80214
development agreement entered into by the municipal corporation 80215
under section 701.07 of the Revised Code. 80216

With regard to either fund, the legislative authority shall 80217
not exceed the five per cent limit established in this section. 80218

Section 709.11. Upon the expiration of the term of a member 80219
who is serving on the Ohio Grape Industries Committee created in 80220
section 924.51 of the Revised Code immediately prior to the 80221
effective date of this act, the Director of Agriculture shall 80222
appoint a member for a new term in accordance with that section as 80223
amended by this act. 80224

Section 729.20. BIOMETRIC ENROLLMENT AND VERIFICATION SYSTEM 80225
PILOT PROJECT 80226

(A) As used in this section, "dangerous drug" and 80227
"prescriber" have the same meanings as in section 4729.01 of the 80228
Revised Code. 80229

(B) For the purpose of reducing the occurrence of activities 80230
known as "drug diversion" and "doctor shopping," there is hereby 80231
established the Biometric Enrollment and Verification System Pilot 80232
Project. Contracts for the pilot project shall be entered into as 80233
follows: (1) Not later than June 1, 2012, the Department of 80234
Alcohol and Drug Addiction Services shall enter into a contract 80235
with a hospital in Gallia County to administer the project. 80236

(2) Not later than June 27, 2012, the hospital shall enter 80237
into a contract with a vendor to implement the project. 80238

(C) Not later than July 1, 2012, the vendor under contract 80239
for the pilot project shall implement the project in one or more 80240
counties selected by the vendor from among the following: Athens, 80241
Gallia, Jackson, Lawrence, Meigs, Scioto, and Vinton counties. 80242

In the selected counties, the vendor shall develop a system 80243
under which a prescriber of dangerous drugs may use biometric 80244
authentication to compare health records from multiple sources to 80245
confirm the eligibility of a patient to receive a prescription for 80246
a dangerous drug. In developing the system, the vendor shall 80247
establish a real-time patient registration and verification 80248
process that includes unique identifiers, including photographic 80249
images of individuals and images of their fingerprints. The system 80250
shall be developed in such a manner that a prescriber is able to 80251
compare the identity of a patient who is seeking a prescription 80252
with the unique identifiers included in the system. 80253

(D) Not later than December 31, 2012, the vendor under 80254

for the establishment of a Medicaid billing code for use in a 80260
statewide system based on the system used in the pilot project. 80261

The pilot project shall cease to exist on submission of the 80262
report. 80263

board may offer that property to the board of trustees of the 80285
state university in either or both of the following manners: 80286

(1) In an "as is" condition in return for an agreement 80287
between the board of trustees and the school district board, under 80288

Director of Health. Each such validation, cure, right, privilege, 80324
remedy, obligation, or liability shall be administered by the 80325

All rules, orders, and determinations of the Public Health 80327
Council adopted or made immediately prior to the effective date of 80328

Any action or proceeding that is related to the functions or 80336

Resources on the effective date of the transfer shall be completed 80352
by the Environmental Protection Agency. Any validation, cure, 80353
right, privilege, remedy, obligation, or liability is not lost or 80354
impaired solely by reason of the transfer required by this section 80355
and shall be administered by the Environmental Protection Agency 80356
in accordance with this act. 80357

Natural Resources or of the Department of Natural Resources in 80360
relation to that Division continue in effect as rules, orders, and 80361
determinations of the Environmental Protection Agency until 80362
modified or rescinded by the Environmental Protection Agency. If 80363

necessary to ensure the integrity of the numbering of the 80364
Administrative Code, the Director of the Legislative Service 80365
Commission shall renumber rules of the Department of Natural 80366
Resources in relation to the former Division of Recycling and 80367
Litter Prevention in that Department to reflect the transfer to 80368
the Environmental Protection Agency. 80369

(D) Subject to the provisions of the applicable bargaining 80370
unit agreements, all of the positions of the Division of Recycling 80371

transferred to the Environmental Protection Agency. Employees who 80373
transfer with the positions shall retain their same or 80374
substantially similar positions and all the benefits accruing 80375
thereto. Upon completion of the transfer, the employees shall be 80376
subject to the policies and procedures of the Environmental 80377
Protection Agency. 80378

(E) Whenever the Division of Recycling and Litter Prevention 80379
in the Department of Natural Resources or the Chief of the 80380
Division of Recycling and Litter Prevention is referred to in any 80381
law, contract, or other document, the reference shall be deemed to 80382
refer to the Environmental Protection Agency or to the Director of 80383
Environmental Protection, whichever is appropriate in context. 80384

(F) Any action or proceeding pending on the effective date of 80385
the amendment of the statutes governing the Division of Recycling 80386
and Litter Prevention by this act is not affected by the transfer 80387
of the functions of that Division by this act and shall be 80388
prosecuted or defended in the name of the Environmental Protection 80389
Agency. In all such actions and proceedings, the Environmental 80390

substituted as a party. 80392

Council created within the Environmental Protection Agency by 80394

section 3736.04 of the Revised Code, as amended and renumbered by 80395

Litter Prevention in the Department of Natural Resources by 80398
section 1502.04 of the Revised Code prior to its amendment and 80399
renumbering by this act. 80400

Section 737.40. (A) As used in this section: 80401

(1) "Food service operation," "retail food establishment," 80402
and "vending machine location" have the same meanings as in 80403

not more than two hundred fifty linear feet that offer either of 80406
the following: 80407

(a) Prepackaged foods that are not time- or 80408
temperature-controlled for food safety purposes; 80409

(b) Prepackaged foods that are refrigerated or frozen and 80410
time- or temperature-controlled for food safety purposes and that 80411
are stored in equipment that complies with Chapter 3717-1 of the 80412
Administrative Code. 80413

(B) Until the Director of Agriculture adopts rules under 80414
section 3717.04 of the Revised Code governing the licensure of 80415
micro markets, the operation of a micro market is exempt from the 80416
licensure requirements for retail food establishments, food 80417
service operations, and vending machine locations established 80418
under Chapter 3717. of the Revised Code. This division applies to 80419
a micro market that was previously exempted under division (B)(5) 80420
of section 3717.22 of the Revised Code by the Director from being 80421
licensed as a retail food establishment. 80422

(C) Not later than sixty days following the adoption of rules 80423
by the Director under section 3717.04 of the Revised Code 80424

governing the licensure of micro markets, the operator of a micro 80425
market shall apply for a license in accordance with those rules. 80426

Section 737.50. Not later than 30 days after the amendment by 80427
this act of section 3791.11 of the Revised Code takes effect, the 80428
Treasurer of State shall give written notice to each property 80429
owner or lessee who, under former division (D) of that section, 80430
deposited money or a surety or government-issued bond with the 80431
Treasurer of State that the money will be refunded or the bond 80432
will be released within the following time period, and that the 80433
property owner or lessee must file a bond in the manner required 80434
by division (C) of section 3791.11 of the Revised Code immediately 80435
after the refund or release: 80436

(A) If money was deposited, the Treasurer of State will 80437
refund the money to the property owner or lessee within 180 days 80438
after the effective date of section 3791.11 of the Revised Code, 80439
as amended by this act; 80440

will release the bond to the property owner or lessee upon the 80442
earlier of the expiration of the bond or within two years after 80443
the effective date of section 3791.11 of the Revised Code, as 80444
amended by this act; 80445

(C) If a government-issued bond was deposited, the Treasurer 80446
of State will release the bond to the property owner or lessee 80447
within 180 days after the effective date of section 3791.11 of the 80448
Revised Code, as amended by this act. 80449

Section 737.60. LUPUS EDUCATION AND AWARENESS PROGRAM 80450

(A) In establishing the Lupus Education and Awareness Program 80451
under sections 3701.77 to 3701.775 of the Revised Code, as enacted 80452
by this act, the General Assembly hereby finds the following: 80453

(1) Lupus is a serious, complex, and debilitating autoimmune 80454

disease that can cause inflammation and tissue damage to virtually 80455
any organ system in the body, including the skin, joints, other 80456
connective tissue, blood and blood vessels, heart, lungs, kidneys, 80457
and brain. 80458

(2) The Lupus Foundation of America, Inc., estimates that 80459
approximately 1.5 to 2 million Americans live with lupus. 80460

(3) According to the Centers for Disease Control and 80461
Prevention, the rate of lupus mortality has increased since the 80462
late 1970s. 80463

(4) The pain and fatigue associated with lupus can threaten 80464
the ability to live independently, maintain employment, and lead a 80465
normal life. One in five individuals with lupus is disabled by the 80466
disease, and consequently receives support from government 80467
programs, including Medicare, Medicaid, Social Security 80468
Disability, and Social Security Supplemental Income. 80469

(5) The estimated average annual cost of medical treatment 80470
for an individual with lupus is between \$10,000 and \$30,000; for 80471
individuals who have the most serious form of lupus, medical costs 80472
can greatly exceed this amount, causing a significant economic, 80473
emotional, and social burden to the entire family and society. 80474

(6) More than half of individuals with lupus suffer four or 80475
more years and visit three or more physicians before obtaining a 80476
diagnosis of lupus; early diagnosis of and treatment for lupus can 80477
prevent or reduce serious organ damage, disability, and death. 80478

(7) Despite the magnitude of lupus and its impact on 80479
individuals and families, health professional and public 80480
understanding of lupus remains low; only one in five Americans can 80481
provide basic information about lupus, and awareness of lupus is 80482
lowest among adults 18 to 34 years of age - the age group most 80483
likely to develop lupus. 80484

(8) Lupus is a significant national health issue that 80485

deserves a comprehensive and coordinated response by state and 80486
federal governments with involvement of the health care provider, 80487
patient, and public health communities. 80488

(B) The purpose of sections 3701.77 to 3701.775 of the 80489
Revised Code, as enacted by this act, is to create a 80490
multi-pronged, statewide program to promote public and health 80491
professional awareness and increase knowledge concerning the 80492
causes and consequences of lupus, the importance of early 80493
diagnosis and appropriate management, and effective treatment and 80494
management strategies by all of the following: 80495

(1) Conducting educational and training programs for health 80496
professionals on lupus diagnosis and management; 80497

(2) Developing and disseminating educational materials and 80498
information to patients and health professionals on lupus research 80499
results and health care services available; 80500

(3) Designing and implementing a statewide public education 80501
campaign aimed at heightening public awareness of lupus; 80502

(4) Leveraging educational and training resources and 80503
services previously developed by organizations with appropriate 80504
expertise and knowledge of lupus. 80505

Section 737.70. PILOT PROGRAM FOR OPIOID- AND 80506
ALCOHOL-DEPENDENT OFFENDERS 80507

(A) The Department of Alcohol and Drug Addiction Services 80508
shall conduct a pilot program to provide to certain 80509
opioid-dependent, alcohol-dependent, or opioid- and 80510
alcohol-dependent offenders within the criminal justice system 80511
treatment to prevent relapse into dependency, including 80512
medication-assisted treatment. The medication-assisted treatment 80513
shall be provided by using one or more drugs that constitute 80514
long-acting antagonist therapy and meet all of the following 80515

conditions: 80516

(1) There is no potential for abuse of the drugs by the 80517
person to whom they are given or through diversion of the drugs to 80518
others. 80519

(2) There is no potential for a person to become addicted to 80520
or otherwise dependent on the drugs. 80521

(3) The drugs have been approved by the United States Food 80522
and Drug Administration to prevent relapse into opioid dependency, 80523
alcohol dependency, or opioid and alcohol dependency. 80524

(B) The Department shall conduct the program in Franklin 80525
County and Scioto County and may conduct the program in any one or 80526
more other counties the Department selects. In conducting the 80527
program, the Department shall collaborate with the boards of 80528
alcohol, drug addiction, and mental health services that serve the 80529
counties included in the program. The Department also shall 80530
collaborate with the Departments of Mental Health, Job and Family 80531
Services, and Health and with any other state agency that the 80532
Department determines may be of assistance in accomplishing the 80533
objectives of the program. 80534

(C) The program shall serve not more than one hundred fifty 80535
opioid-dependent or alcohol-dependent offenders selected by the 80536
Department, each of whom meets all of the following criteria: 80537

(1) Is either being released from a community-based 80538
correctional facility or being diverted from prosecution under 80539
section 2935.36 of the Revised Code by a county drug court or 80540
municipal court; 80541

(2) Is transitioning to community-based programs as 80542
prescribed by the court; 80543

(3) Was opioid dependent, alcohol dependent, or opioid and 80544
alcohol dependent at the time of committing the offense for which 80545

the offender was most recently sentenced; 80546

(4) Resides in this state and in the offender's own 80547
court-approved residence or court-approved transitional housing. 80548

(D) A program participant shall do both of the following: 80549

(1) Commit to participate in the program for twelve months 80550
and comply with all requirements established by the program, 80551
sentencing court, and treatment providers, including testing, 80552
counseling, medication therapies, and reporting requirements; 80553

(2) Attend any on-site programming specified by the 80554
sentencing court or treatment provider. 80555

(E) Treatment under the program shall be provided by an 80556
alcohol and drug addiction program certified by the Department 80557
under section 3793.06 of the Revised Code. Treatment shall be 80558
based on an integrated service delivery model. The treatment 80559
provider shall do all of the following: 80560

(1) Conduct a professional, comprehensive substance abuse and 80561
mental health diagnostic assessment of each person who is a 80562
potential program participant to determine whether the person is 80563
opioid dependent, alcohol dependent, or opioid and alcohol 80564
dependent and would benefit from substance abuse treatment and 80565
monitoring to address the dependency; 80566

(2) Determine treatment needs for each program participant 80567
based on the diagnostic assessment; 80568

(3) Develop individualized goals and objectives for each 80569
program participant that follow guidelines provided by the 80570
Department; 80571

(4) Provide initial treatment to each program participant by 80572
persons professionally qualified to provide substance abuse 80573
counseling or treatment; 80574

(5) Provide substance abuse and co-occurring disorder 80575

treatment that includes psychosocial therapies and monthly medication-assisted treatment; 80576
80577

(6) Provide access to long-acting antagonist therapies to the same extent that access may be provided to any other medication-assisted treatment approved by the United States Food and Drug Administration; 80578
80579
80580
80581

(7) Monitor program compliance through regular urinalysis drug testing. 80582
80583

(F) Not later than three months after the program has ended, Kent State University shall prepare a report of the findings obtained from the program, along with its recommendations, if any. enactments or amendments and certify a copy of the resolution to 81083
the proper county board of elections as otherwise prescribed by 81084
law after this act becomes law and before the effective date of 81085
those enactments or amendments, requesting that the board of 81086
elections submit the proposal to the electors at the general 81087

election occurring on November 6, 2012. The board of elections, 81088
upon receiving a properly certified copy of such a resolution not 81089
later than four p.m. on August 8, 2012, shall submit the proposal 81090
to electors at that election as otherwise provided under section 81091
5705.25 or 5705.252 of the Revised Code, and such actions of the 81092
board of township trustees, municipal legislative authority, and 81093
board of elections are hereby ratified. 81094

Section 757.20. As used in this section, "qualified property" 81095
means real property that either: 81096

(A) Satisfies the qualifications for tax exemption under the 81097
terms of section 5709.07 of the Revised Code and is owned by a 81098
church as defined in that section; 81099

(B) Satisfies the qualifications for tax exemption under the 81100
terms of section 5709.08 of the Revised Code and is owned by a 81101
township that acquired the property from a county. 81102

Notwithstanding section 5713.081 of the Revised Code, when 81103
qualified property has not received tax exemption due to a failure 81104
to comply with Chapter 5713. or section 5715.27 of the Revised 81105
Code, the current owner of the property, or the prior owner of the 81106
property requesting exemption from prior taxes, at any time on or 81107
before twelve months after the effective date of this section, may 81108
file with the Tax Commissioner an application requesting that the 81109
property be placed on the tax-exempt list and that all unpaid 81110
taxes, penalties, and interest on the property be abated. 81111

The application shall be made on the form prescribed by the 81112
Tax Commissioner under section 5715.27 of the Revised Code and 81113
shall list the name of the county in which the property is 81114
located; the property's legal description; its taxable value; the 81115
amount in dollars of the unpaid taxes, penalties, and interest; 81116
the date of acquisition of title to the property; the use of the 81117
property during any time that the unpaid taxes accrued; and any 81118

other information required by the Tax Commissioner. The county auditor shall supply the required information upon request of the applicant.

Upon request of the applicant, the county treasurer shall determine if all taxes, penalties, and interest that became a lien on the qualified property before it first was used for an exempt purpose and all special assessments charged against the property have been paid in full. If so, the county treasurer shall issue a certificate to the applicant stating that all such taxes, penalties, interest, and assessments have been paid in full. Prior to filing the application with the Tax Commissioner, the applicant shall attach the county treasurer's certificate to it. The Tax Commissioner shall not consider an application filed under this section unless such a certificate is attached to it.

Upon receipt of the application and after consideration of it, the Tax Commissioner shall determine if the applicant meets the qualifications set forth in this section, and if so shall issue an order directing that the property be placed on the tax-exempt list of the county and that all unpaid taxes, penalties, and interest for every year the property met the qualifications for exemption described in section 5709.07 or 5709.08 of the Revised Code be abated. If the Tax Commissioner finds that the property is not now being so used or is being used for a purpose that would foreclose its right to tax exemption, the Tax Commissioner shall issue an order denying the application.

If the Tax Commissioner finds that the property is not entitled to tax exemption and to the abatement of unpaid taxes, penalties, and interest for any of the years for which the current or prior owner claims an exemption or abatement, the Tax Commissioner shall order the county treasurer of the county in which the property is located to collect all taxes, penalties, and interest due on the property for those years in accordance with

law. 81151

The Tax Commissioner may apply this section to any qualified 81152
property that is the subject of an application for exemption 81153
pending before the Tax Commissioner on the effective date of this 81154
section, without requiring the property owner to file an 81155
additional application. The Tax Commissioner also may apply this 81156
section to any qualified property that is the subject of an 81157
application for exemption filed on or after the effective date of 81158
this section and on or before twelve months after that effective 81159
date, even though the application does not expressly request 81160
abatement of unpaid taxes, penalties, and interest. 81161

Section 757.51. The amendment by this act of section 5713.03 81162
of the Revised Code applies to the first tax year, after tax year 81163
2012, to which division (A) or (B) of section 5715.24 of the 81164
Revised Code applies in the county. 81165

Section 757.61. The General Assembly hereby declares that the 81166
intent of the amendment by this act of section 5739.02 of the 81167
Revised Code is to clarify the law as it existed prior to the 81168
amendment by this act of that section. 81169

Section 806.10. The items of law contained in this act, and 81170
their applications, are severable. If any item of law contained in 81171
this act, or if any application of any item of law contained in 81172
this act, is held invalid, the invalidity does not affect other 81173
items of law contained in this act and their applications that can 81174
be given effect without the invalid item of law or application. 81175

Section 809.10. Sections 301.11 to 301.15 of this act are and 81176
remain in full force and effect commencing on July 1, 2012, and 81177
terminating on June 30, 2014, for the purpose of drawing money 81178
from the state treasury in payment of liabilities lawfully 81179

incurred under those sections, and on June 30, 2014, and not 81180
before, the moneys hereby appropriated lapse into the funds from 81181
which they are severally appropriated. If, under Section 1c of 81182
Article II, Ohio Constitution, Sections 301.11 to 301.15 of this 81183
act do not take effect until after July 1, 2012, the sections are 81184
and remain in full force and effect commencing on that effective 81185
date. 81186

effective date. Except as otherwise provided in this act, the 81188
amendment, enactment, or repeal by this act of a section is 81189

Section 1c and therefore takes effect on the ninety-first day 81191
after this act is filed with the Secretary of State. 81192

Ohio Constitution, Article II, Section 1c and takes effect on the 81197
