The director of agriculture, ~~the public health council~~, and the director of health have the exclusive power in this state to adopt rules regarding retail food establishments and food service operations. The rules adopted under this chapter shall be applied uniformly throughout this state.

All rules adopted under this chapter shall be adopted in accordance with Chapter 119. of the Revised Code. Subject to the approval of the joint committee on agency rule review, portions of the rules may be adopted by referencing all or any part of any federal regulations pertaining to food safety.

Sec. 3717.05. (A) The director of agriculture and the ~~public~~ director of health council shall adopt rules establishing standards for safe food handling and sanitation in retail food establishments and food service operations. The rules shall be compiled as the Ohio uniform food safety code, which shall be used by the licensors of retail food establishments and food service operations in ensuring the safe handling of food in this state. All scientific provisions of the Ohio uniform food safety code that are relevant to both retail food establishments and food service operations shall be adopted by the director of agriculture and the ~~public~~ director of health council with each other's concurrence.

The Ohio uniform food safety code shall include the following:

(1) Criteria for sanitation in retail food establishments and food service operations;

(2) Criteria for equipment in retail food establishments and food service operations;

(3) Criteria for reviewing the facility layout and equipment specifications of retail food establishments and food service operations;

(4) A definition of "potentially hazardous" as it pertains to food in retail food establishments and to food in food service operations;

(5) Criteria to be used in evaluating the primary business of a person or government entity for purposes of determining whether the person or entity

should be licensed as a retail food establishment or food service operation.

(B)(1) Except as provided in division (B)(2) of this section, if a model food code is established by the United States food and drug administration, the Ohio uniform food safety code shall be based on the most current version of the food and drug administration's model food code. If the food and drug administration adopts, modifies, or rescinds a provision in the model food code, not later than twelve months after the administration's action, the director of agriculture and ~~public director of health council~~ shall adopt, amend, or rescind provisions in the Ohio uniform food safety code to ensure that it continues to conform with the model food code.

(2) The Ohio uniform food safety code may contain or omit provisions that do not correspond to the food and drug administration's model food code if the director of agriculture or the ~~public director of health council~~, with each other's concurrence, determines either of the following:

(a) That rules can be adopted under this chapter that provide protection at least as effective as that which would be provided by basing the rules on the model food code;

(b) That local conditions warrant the adoption of standards that are different from the model food code.

Sec. 3717.07. (A) For purposes of establishing a licensing fee under sections 3717.25 and 3717.45 of the Revised Code, the director of agriculture and the ~~public director of health council~~ shall adopt rules establishing uniform methodologies for use in calculating the costs of licensing retail food establishments in the categories specified by the director of agriculture and the costs of licensing food service operations in the categories specified by the ~~council~~ director of health. In adopting the rules, the director of agriculture and the ~~public director of health council~~ shall consider any recommendations received from advisory boards or other entities representing the interests of retail food establishments and food service operations.

(B) The rules shall include provisions that do all of the following:

(1) Provide for calculations to be made according to fiscal years rather than licensing periods;

(2) Limit the direct costs that may be attributed to the use of sanitarians by establishing appropriate statewide averages that may not be exceeded;

(3) Limit the indirect costs that may be included in the calculation of fees to an amount that does not exceed thirty per cent of the cost of the licensing program;

(4) Provide for a proportionate reduction in the fees to be charged if a licensor included anticipated costs in the immediately preceding calculation

of licensing fees and the total amount of the anticipated costs was not incurred;

(5) Provide for a proportionate reduction in the fees to be charged if it is discovered through an audit by the auditor of state or through any other means that the licensor has charged or is charging a licensing fee that exceeds the amount that should have been charged;

(6) Provide for a twenty per cent reduction in the fees to be charged when the reduction is imposed as a penalty under division (C) of section 3717.071 of the Revised Code;

(7) With regard to any fees charged for licensing vending machine locations, the rules shall prohibit a licensor from increasing fees by a percentage of increase over the previous year's fee that exceeds the percentage of increase in the consumer price index for all urban consumers (United States city average, all items), prepared by the United States department of labor, bureau of labor statistics, for the immediately preceding calendar year.

Sec. 3717.45. (A) A licensor may charge fees for issuing and renewing food service operation licenses. Any licensing fee charged shall be used solely for the administration and enforcement of the provisions of this chapter and the rules adopted under it applicable to food service operations.

Any licensing fee charged under this section shall be based on the licensor's costs of regulating food service operations, as determined according to the uniform methodologies established under section 3717.07 of the Revised Code. If the licensor is a board of health, a fee may be disapproved by the district advisory council in the case of a general health district or the legislative authority of the city in the case of a city health district. A disapproved fee shall not be charged by the board of health.

Except when a licensing fee is established as an emergency measure, the licensor shall hold a public hearing regarding the proposed fee. At least twenty days prior to holding a public hearing, the licensor shall give written notice of the hearing to each person or government entity holding a food service operation license that may be affected by the proposed fee. The notice shall be mailed to the last known address of the licensee and shall specify the date, time, and place of the hearing and the amount of the proposed fee. On request, the licensor shall provide the completed uniform methodology used in the calculation of the licensor's costs and the proposed fee.

(B) In addition to licensing fees, a licensor may charge fees for the following:

(1) Review of facility layout and equipment specifications pertaining to

food service operations, other than mobile and temporary food service operations, or similar reviews conducted for vending machine locations;

(2) Any necessary collection and bacteriological examination of samples from food service operations, or similar services specified in rules adopted under this chapter by the ~~public~~ director of health ~~council~~;

(3) Attendance at a course of study offered by the licenser in food protection as it pertains to food service operations, if the course is approved under section 3717.09 of the Revised Code.

(C)(1) The ~~public health council~~ director may determine by rule an amount to be collected from applicants for food service operation licenses for use ~~by the director of health~~ in administering and enforcing the provisions of this chapter and the rules adopted under it applicable to food service operations. Licensors shall collect the amount prior to issuing an applicant's new or renewed license. If a licensing fee is charged under this section, the licenser shall collect the amount at the same time the fee is collected. Licensors are not required to provide notice or hold public hearings regarding amounts to be collected.

(2) A licenser shall certify the amount collected under division (C)(1) of this section and transmit the amount to the treasurer of state according to the following schedule:

(a) For amounts received by the licenser on or after the first day of January but not later than the thirty-first day of March, transmit the amounts not later than the fifteenth day of May;

(b) For amounts received by the licenser on or after the first day of April but not later than the thirtieth day of June, transmit the amounts not later than the fifteenth day of August;

(c) For amounts received by the licenser on or after the first day of July but not later than the thirtieth day of September, transmit the amounts not later than the fifteenth day of November;

(d) For amounts received by the licenser on or after the first day of October but not later than the thirty-first day of December, transmit the amounts not later than the fifteenth day of February of the following year.

(3) All amounts received under division (C)(2) of this section shall be deposited into the general operations fund created in section 3701.83 of the Revised Code. The director shall use the amounts solely for the administration and enforcement of the provisions of this chapter and the rules adopted under it applicable to food service operations.

~~(4) The director may submit recommendations to the public health council regarding the amounts collected under division (C)(1) of this section. When making recommendations, the director shall submit a report~~

~~stating the current and projected expenses of administering and enforcing the provisions of this chapter and the rules adopted under it applicable to food service operations and the total of all amounts that have been deposited in the general operations fund pursuant to division (C)(3) of this section. The director may include in the report any recommendations for modifying the department's administration and enforcement of the provisions of this chapter and the rules adopted under it applicable to food service operations.~~

Sec. 3717.51. Pursuant to section 3717.04 of the Revised Code, the public director of health council shall adopt rules regarding food service operations, as follows:

(A) Licensing categories for food service operations and licensing requirements for each category;

(B) Standards and procedures, including a schedule of frequency, for conducting inspections of food service operations;

(C) Standards and procedures for conducting investigations of complaints pertaining to food service operations;

(D) Procedures to be used by the director of health in approving courses of study for persons seeking certification in food protection, standards that must be met to receive and maintain the director's approval, and procedures for withdrawing the director's approval of a course if the standards for approval are no longer being met;

(E) Standards for the provision of assistance to choking victims;

(F) Any other matter the council director considers relevant to the administration and enforcement of the provisions of this chapter applicable to food service operations.

Sec. 3718.02. (A) The public director of health council, in accordance with Chapter 119. of the Revised Code, shall adopt, and subsequently may amend and rescind, rules of general application throughout the state to administer this chapter. Rules adopted under division (A) of this section shall do at least all of the following:

(1) Require that the appropriate board of health approve or disapprove the installation, operation, and alteration of a sewage treatment system if it is not connected to a sanitary sewerage system;

(2) Require a board of health, or other person as established by rule, to conduct a site evaluation for any proposed installation of a sewage treatment system;

(3) Prescribe standards for the siting, design, installation, operation, monitoring, maintenance, and abandonment of sewage treatment systems that may be used in this state and for the progressive or incremental alteration or repair of an existing sewage treatment system or the

progressive or incremental installation of a new system to replace an existing sewage treatment system. The rules shall be adopted so as to establish a preference for the repair of an existing sewage treatment system, when technically and economically feasible, rather than its replacement with a new system. The standards shall include at a minimum all of the following:

(a) Soil absorption specifications and vertical separation distances.

(i) Soil absorption specifications established in rules shall include standards regarding the sizing of sewage treatment systems in use in the state.

(ii) In establishing soil absorption specifications and vertical separation distances, the rules shall identify those soil conditions that present a low or moderate risk of inadequate treatment or dispersal of sewage from sewage treatment systems. For low and moderate risk conditions, the required vertical separation distance shall not exceed eighteen inches except as authorized pursuant to rules adopted under divisions (A)(3)(a)(iii) and (iv) of this section.

In addition, the rules shall identify those soil conditions that present a high risk of inadequate treatment or dispersal of sewage. For such high risk conditions, the vertical separation distance shall be set at a depth from twenty-four to thirty-six inches and shall not be lowered unless a reduction of vertical separation is granted in accordance with rules adopted under division (A)(3)(a)(iii) of this section.

(iii) The rules shall establish options to be utilized by a board of health when approving the reductions of or compliance with vertical separation distances that are established in rules adopted under division (A)(3)(a)(ii) of this section. The options for a board of health in providing such approval shall include, but not be limited to: the use where deemed appropriate for a particular site of subsurface interceptor drains, perimeter drains, or engineered drainage; pretreatment of sewage; or soil elevation.

(iv) The rules shall provide that a board of health may petition the director to increase the vertical separation distances required for sewage treatment systems in the applicable health district or a portion of the district when conditions present a high risk of inadequate treatment or dispersal of sewage. The rules also shall provide that the director may approve such a request upon a demonstration by the board of health that unusual or unique local conditions relating to terrain, bedrock, water table, soil fragments, or soil textures require the establishment of greater vertical separation distances within the jurisdiction of the board of health or a portion thereof. If, under the rules, the director of health approves a greater vertical

separation distance, a board of health still may approve a reduction of that vertical separation distance for an individual sewage treatment system pursuant to rules adopted under division (A)(3)(a)(iii) of this section. Further, if, under the rules, the director approves a greater vertical separation distance, a person who is denied permission by a board of health to install or replace a sewage treatment system as a result of the director's approval may request a hearing in accordance with section 3718.11 of the Revised Code.

(b) Specifications for the quality of treated sewage effluent from household sewage treatment systems that is applied to soil on the property where a household sewage treatment system is located. The specifications established in the rules for the quality of effluent from discharging systems shall comply with discharge requirements imposed by the national pollutant discharge elimination system permit program established under section 6111.03 of the Revised Code and rules adopted under it.

(c) Requirements for the reasonable maintenance of a system according to maintenance requirements approved by the director of health as recommended by the sewage treatment system technical advisory committee or according to accepted standards and practices established in rules, as applicable. The requirements may include standards for service contracts or other arrangements that assure regular maintenance and upkeep of the system. In determining the reasonableness of a maintenance requirement, the director shall consider a manufacturer's maintenance requirements as well as all other maintenance alternatives.

(4) Prescribe procedures for notification to boards of health of the approval of a sewage treatment system or components of a system by the director of health under section 3718.04 of the Revised Code;

(5) Prescribe criteria and procedures under which boards of health shall issue installation permits, operation permits, and alteration permits for sewage treatment systems. The rules shall require as a condition of an installation permit that the installer of a system must warrant that the system was installed in accordance with all applicable rules and design requirements. In addition, the rules shall require a board of health, not later than sixty days after the issuance of an installation, operation, or alteration permit, to notify the director that the permit was issued. The rules shall require the notification to be in a format prescribed by the director and to include information related to the issuance of the permit. With the assistance of the department of health, a board of health, to the extent practicable, shall computerize the process of the issuance of permits for sewage treatment systems.

(6) Require a board of health to inspect a sewage treatment system not later than twelve months after its installation to ensure that the system is operating properly. The rules shall require a board of health, not later than sixty days after the inspection, to certify to the director on a form provided by the director that the inspection was performed.

(7) Require each board of health to develop a program for the administration of maintenance requirements established in rules adopted under division (A)(3)(c) of this section. The rules shall include requirements and procedures under which a person may demonstrate the required maintenance of a system in lieu of having an inspection conducted when an inspection otherwise is required. The rules shall require a board of health to provide written notice to a person that is demonstrating maintenance of a system in lieu of an inspection that if proof of the required maintenance of the system is not provided as required by rules, the system is subject to inspection by the board and the reasonable cost of the inspection must be paid by the person. The rules shall authorize a board of health to inspect any sewage treatment system if there is a good-faith complaint regarding the system, there is probable cause for the inspection, or proof of the required maintenance of the system has not been provided as required by rules. In addition, the rules shall authorize a board of health to inspect a sewage treatment system without prior notice in any instance in which the board has probable cause to believe that the system is endangering or threatening to endanger public health. The rules shall require that the reasonable costs for sewage effluent testing or evaluation be paid by the owner of a sewage treatment system that is being investigated. Further, the rules shall establish a methodology for determining the reasonable costs of an inspection in accordance with section 3709.09 of the Revised Code. The rules shall allow, but shall not require, a board of health to continue an inspection program that was established by the board prior to the effective date of the rules, provided that the program authorizes a person to demonstrate the required maintenance of a system in lieu of an inspection.

(8) Require a board of health to register installers, service providers, and septage haulers that perform work within the health district; prescribe criteria and procedures for the registration; and prescribe criteria for a demonstration of competency as a part of the registration. The rules shall establish uniform statewide bonding requirements or other financial security requirements for installers, service providers, and septage haulers as a condition of registration within any health district. The rules shall establish a methodology by which the required amount of a bond or other security may be calculated for each installer, service provider, and septage hauler. The

methodology, at a minimum, shall consider the number of systems installed or serviced and the type of system installed or serviced by an installer, service provider, or septage hauler on an annual basis. The rules shall provide that no board of health shall require an additional or different bond or security requirement as a condition of registration beyond the bonding and security requirements established in the rules adopted under division (A)(8) of this section.

The rules shall establish a cost methodology for determining the fee for the registration of an installer, service provider, or septage hauler in any health district.

(9) Prescribe requirements for the collection, transportation, disposal, and land application of domestic septage in this state from a sewage treatment system;

(10) Require boards of health to maintain records that are determined necessary to ascertain compliance with this chapter and the rules adopted under it;

(11) Require the manufacturer of a sewage treatment system that is authorized for use in this state in rules adopted under this section or that is approved for use in this state under section 3718.04 of the Revised Code to provide instructions for the operation and maintenance of the system. The rules shall provide that a board of health may require a copy of a manufacturer's instructions for the operation and maintenance of a system to be filed with the board prior to the installation and use of the system in the health district in which the board has jurisdiction. In addition, the rules shall require a board of health and a manufacturer to provide a copy of the operation and maintenance instructions, if available, when a board of health or a manufacturer receives a written request for instructions.

(12) Prescribe criteria for the provision of written evidence of compliance with rules pertaining to sewage treatment for purposes of sections 711.05 and 711.10 of the Revised Code;

(13) Pursuant to divisions (A)(1) and (3) of this section, prescribe standards for the siting, design, installation, operation, monitoring, maintenance, and abandonment of small flow on-site sewage treatment systems that may be used in this state;

(14) Prescribe minimum criteria and procedures under which boards of health may establish household sewage treatment district management programs for the purpose of providing a responsive approach toward preventing or solving sewage treatment problems resulting from household sewage treatment systems within the districts established under the program. For purposes of division (A)(14) of this section, a board of health may enter

into a contract with any entity to administer a household sewage treatment district management program.

(15) Prescribe standards for the use of subsurface interceptor drains, perimeter drains, and engineered drainage to remove or divert any subsurface water from an area to be used for soil absorption of sewage in the soil of a sewage treatment system;

(16) Prescribe standards for the inspection of septage hauling truck tanks by boards of health, including, but not limited to, tank seal safety specifications;

(17) Establish standards and testing methods to ensure that all septic tanks, other disposal component tanks, dosing tanks, pump vaults, household sewage treatment disposal system holding tanks and privy vaults, or other applicable sewage disposal system components manufactured after ~~the effective date of this section~~ September 17, 2010, and used in this state are watertight and structurally sound;

(18) Require a board of health to give notice and an opportunity for a hearing, pursuant to section 3718.11 of the Revised Code, to an affected property owner regarding any of the following:

(a) The denial of an installation, operation, or alteration permit for a sewage treatment system;

(b) The imposition of a condition on the installation of a sewage treatment system;

(c) The required replacement of a sewage treatment system;

(d) Any other final order or decision of a board of health that is made under this chapter concerning which a property owner is claiming to be aggrieved or adversely affected.

The rules also shall establish procedures for giving such notice and for conducting the hearing required in rules adopted under division (A)(18) of this section.

(19) Prescribe standards for the regulation of gray water recycling systems;

(20) Prohibit a sewage treatment system from causing a public health nuisance;

(21) Define economic impact for purposes of division (B) of this section and section 3718.022 of the Revised Code.

The ~~council~~ director may adopt other rules under division (A) of this section that ~~it~~ the director determines are necessary to implement this chapter and to protect the public health and welfare.

At least sixty days prior to adopting a rule under division (A) of this section, the ~~council~~ director shall provide boards of health and any other

interested parties an opportunity to comment on the rule.

(B)(1) In accordance with section 3709.20 or 3709.21 of the Revised Code, as applicable, and subject to review by and approval of the director under division (C) of section 3718.05 of the Revised Code, a board of health may adopt rules necessary for the public health providing for more stringent standards than those established in rules ~~of the public health council~~ adopted by the director under division (A) of this section. In proposing or adopting the rules, a board of health shall consider and document the economic impact of the rules on property owners within the applicable health district.

(2) A board that intends to adopt rules shall notify the department of health of the proposed rules and submit a copy of the proposed rules and the documentation of the economic impact of the rules at least ninety days prior to the proposed date of adoption. The director shall approve or disapprove any such proposed rule within ninety days after receiving a copy of the proposed rule from the board of health.

(3) In reviewing a proposed rule, the director shall approve the rule if all of the following apply:

(a) The proposed rule is not in conflict with this chapter or rules adopted under it.

(b) The proposed rule is authorized by division (B) of this section.

(c) The proposed rule is no less stringent than rules adopted by the ~~public health council~~ director.

(d) Unless otherwise authorized by this chapter or rules adopted under it, the proposed rule does not require design changes to a sewage treatment system, or component thereof, that differ from a design authorized in rules adopted under division (A) of this section, including rules adopted under division (A)(1) or (A)(3)(a)(iii) or (iv) of this section, or approved by the director under section 3718.04 of the Revised Code.

(e) The proposed rule does not require operation or maintenance procedures for a sewage treatment system that conflict with operation or maintenance procedures authorized in rules adopted under division (A) of this section, including rules adopted under division (A)(1) or (A)(3)(a)(iii) or (iv) of this section, or approved by the director under section 3718.04 of the Revised Code.

(4) If a board of health fails to submit a proposed rule to the director or fails to demonstrate that the board has considered the economic impact of the proposed rule, the rule shall have no force or effect and is not enforceable.

Sec. 3718.021. (A) A board of health may regulate the siting, design, installation, operation, monitoring, maintenance, and abandonment of small

flow on-site sewage treatment systems in accordance with rules adopted by the ~~public director of health council~~ under division (A)(13) of section 3718.02 of the Revised Code. If a board of health chooses to regulate small flow on-site sewage treatment systems, the board first shall send written notification to the director of health and the director of environmental protection.

(B) If a board of health chooses to regulate small flow on-site sewage treatment systems under division (A) of this section and later determines that it no longer wants to regulate those systems, the board shall notify the director of health and the director of environmental protection. Upon the receipt of the notification by the director of environmental protection, the board of health shall cease regulating small flow on-site sewage treatment systems, and the environmental protection agency shall regulate those systems.

(C) If after a survey conducted under section 3718.07 of the Revised Code the director of health finds that a board of health that has chosen to regulate small flow on-site sewage treatment systems is not complying with the rules adopted under division (A)(13) of section 3718.02 of the Revised Code, the director shall notify the director of environmental protection and the board of health. Upon receipt of the notification, the board shall cease regulating small flow on-site sewage treatment systems, and the environmental protection agency shall regulate those systems.

Sec. 3718.022. Notwithstanding any provision in this chapter to the contrary, in adopting rules under division (A) of section 3718.02 of the Revised Code, the ~~public director of health council~~ shall consider the economic impact of the rules on property owners, the state of available technology, and the nature and economics of the available ~~alternatives~~ alternatives.

(B) Examine records of boards of health, in accordance with rules adopted by the ~~council~~ director, that are determined necessary to ascertain compliance with this chapter and rules adopted under it;

(C) Review and approve or disapprove rules proposed by boards of health under division (B) of section 3718.02 of the Revised Code. The director shall not disapprove a proposed rule unless the director determines that the proposed rule conflicts with this chapter or rules adopted under division (A) of section 3718.02 of the Revised Code ~~by the public health council~~ or fails to promote public health or environmental protection. If the

director disapproves a proposed rule, the director shall provide a written explanation of the director's disapproval to the board of health that proposed the rule.

(D) Survey boards of health as required by section 3718.07 of the Revised Code;

(E) Develop with the sewage treatment system technical advisory committee standards, guidelines, and protocols for use by the director in approving or disapproving a sewage treatment system under section 3718.04 of the Revised Code and an application form for use by applicants for that approval, including identification of the information that must be included with the form;

(F) Provide instructions on the operation and maintenance of a sewage treatment system. The director shall provide the operation and maintenance instructions on the department of health's web site. In addition, the director shall provide a copy of the operation and maintenance instructions when the director receives a written request for the instructions.

(G) Develop educational programs, in conjunction with boards of health, to educate owners of sewage treatment systems regarding the proper operation and maintenance of those systems.

Sec. 3718.06. (A)(4) A board of health shall establish fees in accordance with section 3709.09 of the Revised Code for the purpose of carrying out its duties under this chapter and rules adopted under it, including fees for installation permits, operation permits, and alteration permits issued by the board. All fees so established and collected by the board shall be deposited in a special fund of the district to be used exclusively by the board in carrying out those duties.

~~(2)~~(B) In accordance with Chapter 119. of the Revised Code, the ~~public~~ director of health council may establish by rule a fee to be collected from applicants for installation permits and alteration permits issued under rules adopted under this chapter. The director of health shall use not more than seventy-five per cent of the proceeds from that fee for administering and enforcing this chapter and the rules adopted under it by the ~~council~~ director. The director shall use not less than twenty-five per cent of the proceeds from that fee to establish a program in cooperation with boards of health to fund installation and evaluation of sewage treatment system new technology pilot projects through grants or other agreements. In the selection of pilot projects, the director shall consult with the sewage treatment system technical advisory committee. A board of health shall collect and transmit the fee to the director pursuant to section 3709.092 of the Revised Code.

~~(B) The director may submit recommendations to the public health~~

~~council regarding the amount of the fee collected under division (A)(2) of this section for installation and alteration permits. When making the recommendations, the director shall submit a report stating the current and projected expenses of administering and enforcing this chapter and the rules adopted under it and of the sewage treatment system new technology pilot projects program established under this section and the total of all money that has been deposited to the credit of the general operations fund under division (A)(2) of this section. The director may include in the report any recommendations for modifying the requirements established under this chapter and the rules adopted under it by the council.~~

Sec. 3718.07. The director of health shall survey each city and general health district at least once every three years to determine whether there is substantial compliance with the requirements of this chapter pertaining to health districts and the applicable rules adopted by the ~~public health council~~ director under this chapter. Upon determining that there is substantial compliance, the director shall place the district on an approved list. The director may resurvey an approved district if it is determined by the director to be necessary and may remove from the list a district that is found not to be substantially complying with the requirements of this chapter pertaining to health districts and the applicable rules.

If the director determines that a district is not eligible to be placed on the approved list or to continue on the list after a resurvey, the director shall certify that determination to the board of health, and the director shall carry out the duties of the unapproved health district under this chapter and the applicable rules adopted under it within the district or shall contract with an approved health district to conduct those duties until the unapproved district is placed on or returned to the approved list. The director or the contracting district shall have within the unapproved district the authority to exercise powers and perform duties granted to or imposed on the board under this chapter and the applicable rules adopted under it.

Until the unapproved district is placed on or returned to the approved list, the director or the contracting district shall collect all fees payable to the board of health under this chapter and all such fees previously paid to the unapproved district that have not been expended or encumbered. The director shall deposit those fees in the state treasury to the credit of a special fund, which is hereby created, to be used by the director for the purpose of carrying out the duties of the unapproved health district under this chapter and the applicable rules adopted under it. A contracting district shall deposit those fees to the credit of its fund created under section 3718.06 of the Revised Code to be used by the district for the purpose of carrying out the

duties of the unapproved district under this chapter and the applicable rules adopted under it. The director or contracting district shall repay to the unapproved district any balance remaining in the applicable fund from all sources when the unapproved district is placed on or returned to the approved list by the director.

If a health district is removed from the approved list under this section and the board of health of the district is regulating small flow on-site sewage treatment systems in the district under section 3718.021 of the Revised Code, the director of environmental protection shall regulate those systems in that district in accordance with division (C) of that section.

Sec. 3718.09. (A) A board of health may issue, modify, suspend, or revoke enforcement orders to a registration or permit holder or other person directing the holder or person to abate a violation of this chapter, any rule adopted or order issued under it, or a condition of a registration or permit issued under it within a specified, reasonable time. If an order issued under this division is neglected or disregarded, the applicable board of health may proceed in accordance with section 3707.02 of the Revised Code.

(B) The health commissioner or the commissioner's designated representative, without prior notice or hearing and in accordance with ~~the~~ rules ~~of~~ adopted by the public director of health council, may issue an emergency order requiring any action necessary to meet a public health emergency or to prevent or abate an imminent and substantial threat to surface water or ground water regarding domestic septage management or regarding a sewage treatment system that is being operated in a manner that does not comply with this chapter or rules adopted under it. A person to whom such an emergency order is issued immediately shall comply with the order. A person so ordered may apply to the issuer of the order for a hearing, which shall be held as soon as possible, but not later than twenty days after the issuer's receipt of the application for a hearing.

Those results of an inspection or investigation, that statement of deficiencies, and the findings and deficiencies cited in that statement shall not be used in any court or in any action or proceeding that is pending in any court and are not admissible in evidence in any action or proceeding unless that action or proceeding is an appeal of an action by the department of

health under this chapter or is an action by any department or agency of the state to enforce this chapter or another chapter of the Revised Code.

(C) Once the director notifies a person, county home, or district home licensed to operate a home that the license may be revoked or issues any order under this section, the person, county home, or district home shall not assign or transfer to another person or entity the right to operate the home. This prohibition shall remain in effect until proceedings under Chapter 119. of the Revised Code concerning the order or license revocation have been concluded or the director notifies the person, county home, or district home that the prohibition has been lifted.

If a license is revoked under this section, the former license holder shall not assign or transfer or consent to assignment or transfer of the right to operate the home. Any attempted assignment or transfer to another person or

Sec. 3734.51. There is hereby created within the environmental protection agency the solid waste management advisory council consisting of the directors of environmental protection; and development, ~~and natural resources~~, or their designees, as members ex officio, one member of the senate to be appointed by the president of the senate, one member of the house of representatives to be appointed by the speaker of the house of representatives, and fourteen members to be appointed by the governor with the advice and consent of the senate. Of the appointed members, one shall be an employee of a health district whose duties include enforcement of the solid waste provisions of this chapter, two shall represent the interests of counties, two shall represent the interests of municipal corporations, two shall represent the interests of townships, one shall represent the interests of county solid waste management districts, one shall represent the interests of joint solid waste management districts, one shall represent the interests of industrial generators of solid wastes, one shall be from the private recycling

industry, one shall be from the private solid waste management industry, one shall be from a statewide environmental advocacy organization, and one shall represent the public. ~~Within ninety days after June 24, 1988, the governor shall make the initial appointments to the advisory council. Of those initial appointments, six shall be for a term ending June 24, 1989, and six shall be for a term ending June 24, 1990. The governor shall make the initial appointments to the advisory council of the members representing county and joint solid waste management districts within ninety days after the effective date of this amendment. Of the initial appointments of the members representing solid waste management districts, one shall be for a term ending June 24, 1993, and one shall be for a term ending June 24, 1994. Thereafter, terms~~ Terms of office shall be for two years with each term ending on the same day of the same month as did the term that it succeeds. Each member shall hold office from the date of ~~his~~ appointment until the end of the term for which ~~he~~ the member was appointed. Members may be reappointed. Vacancies shall be filled in the manner provided for original appointments. Any member appointed to fill a vacancy occurring prior to the expiration of the term for which ~~his~~ the member's predecessor was appointed shall hold office for the remainder of that term. A member shall continue in office subsequent to the expiration of ~~his~~ the member's term or until a period of sixty days has elapsed, whichever occurs first.

The advisory council shall hold at least four regular quarterly meetings each year. Special meetings may be held at the behest of the ~~chairman~~ chairperson or a majority of the members. The director of environmental protection shall serve as ~~chairman~~ chairperson of the advisory council. The advisory council annually shall select from among its members a vice-~~chairman~~ chairperson and a secretary to keep a record of its proceedings. A majority vote of the members of the advisory council is necessary to take action on any matter.

Serving as an appointed member of the advisory council does not constitute holding a public office or position of employment under the laws of this state and does not constitute grounds for removal of public officers or employees from their offices or positions of employment. The governor may remove an appointed member of the advisory council at any time for misfeasance, nonfeasance, or malfeasance in office.

Appointed members of the advisory council shall serve without compensation for attending council meetings. Members of the advisory council shall be reimbursed for their actual and necessary expenses incurred in the performance of their duties as members of the council from moneys appropriated to the environmental protection agency for administration and

enforcement of the solid waste provisions of this chapter.

The advisory council shall do all of the following:

(A) Advise and assist the director of environmental protection with preparation of the state solid waste management plan and periodic revisions to the plan under section 3734.50 of the Revised Code;

(B) Approve or disapprove the draft state solid waste management plan and periodic revisions prior to adoption of the plan under section 3734.50 of the Revised Code;

(C) Annually review implementation of the state solid waste management plan and the solid waste management plans of county and joint solid waste management districts approved or ordered to be implemented under section 3734.521 or 3734.55 of the Revised Code or amendments to those plans approved or ordered to be implemented under section 3734.521 or 3734.56 of the Revised Code, and report its findings to the director.

Sec. 3734.55. (A) Upon completion of its draft solid waste management plan under section 3734.54 of the Revised Code, the solid waste management policy committee of a county or joint solid waste management district shall send a copy of the draft plan to the director of environmental protection for preliminary review and comment. Within forty-five days after receiving the draft plan, the director shall provide the committee with a written, nonbinding advisory opinion regarding the draft plan and any recommended changes to it that the director considers necessary to effect its approval. After receipt of the director's written opinion, the committee may make such revisions to the draft plan based on the director's opinion as it considers appropriate. Upon receipt of the director's opinion and after making any such revisions to the draft plan, the committee shall prepare and publish in at least one newspaper of general circulation within the county or joint district a public notice that describes the draft plan, specifies the location where it is available for review, and establishes a period of thirty days for comments concerning the draft plan. The committee shall send written notice of the draft plan to adjacent county and joint districts and shall make it available for review by those districts, by the board of county commissioners of each county forming the district, by all municipal corporations and townships within the county or joint district, and by the public. The committee also shall send written notice of the plan to the director and to the fifty industrial, commercial, or institutional generators of solid wastes within the district that generate the largest quantities of solid wastes, as determined by the board, and their local trade associations. The board shall make good faith efforts to identify those generators within the district and their local trade associations, but the nonprovision of notice

under this division to a particular industrial, commercial, or institutional generator or local trade association does not invalidate the proceedings under this section. All such written notices shall include the date, time, and location of the public hearing; the dates when the comment period begins and ends; and a description of the plan that includes, without limitation, the proposed amount of the fees to be levied under the plan pursuant to division (B) of section 3734.57 or division (A) of section 3734.573 of the Revised Code, if any, and an indication as to whether the provision required to be included in the plan under division (E)(1) of section 3734.53 of the Revised Code authorizes the board of county commissioners or directors of the district to establish, or precludes the board from establishing, facility designations under section 343.014 of the Revised Code. Within fifteen days after expiration of the comment period, the committee shall conduct a public hearing concerning the draft plan and, at least fifteen days before the hearing, shall publish in at least one newspaper of general circulation within the county or joint district a notice containing the time and place of the hearing and the location where the draft plan is available for review.

(B) After the public hearing, the committee may modify the draft plan based upon the public's comments and shall adopt or reject it by a majority vote. Within thirty days after adoption of the draft plan, the committee shall deliver a copy of it to the board of county commissioners of each county forming the district and to the legislative authority of each municipal corporation and township under the jurisdiction of the district. Within ninety days after receiving a copy of the draft plan adopted by the committee, each such board and legislative authority shall approve or disapprove the draft plan, by ordinance or resolution, and deliver a copy of the ordinance or resolution to the committee.

The solid waste management policy committee of a county district or a joint district formed by two or three counties shall declare the draft plan to be ratified as the solid waste management plan of the district upon determining that the board of county commissioners of each county forming the district has approved the draft plan and that the legislative authorities of a combination of municipal corporations and townships with a combined population within the county or joint district comprising at least sixty per cent of the total population of the district have approved the draft plan, provided that in the case of a county district, that combination shall include the municipal corporation having the largest population within the boundaries of the district, and provided further that in the case of a joint district formed by two or three counties, that combination shall include for each county forming the joint district the municipal corporation having the

largest population within the boundaries of both the county in which the municipal corporation is located and the joint district. The solid waste management policy committee of a joint district formed by four or more counties shall declare the draft plan to be ratified as the solid waste management plan of the joint district upon determining that the boards of county commissioners of a majority of the counties forming the district have approved the draft plan; that, in each of a majority of the counties forming the joint district, the draft plan has been approved by the municipal corporation having the largest population within the county and the joint district; and that the legislative authorities of a combination of municipal corporations and townships with a combined population within the joint district comprising at least sixty per cent of the total population of the joint district have approved the draft plan.

For the purposes of this division and division (C)(2) of this section, only the population of the unincorporated area of a township shall be considered. For the purpose of determining the largest municipal corporation within each county under this division and division (C)(2) of this section, a municipal corporation that is located in more than one solid waste management district, but that is under the jurisdiction of one county or joint solid waste management district in accordance with division (A) of section 3734.52 of the Revised Code shall be considered to be within the boundaries of the county in which a majority of the population of the municipal corporation resides.

(C)(1) Upon ratification of the draft plan under division (B) of this section, the committee shall submit it to the director for review and approval for compliance with the requirements of divisions (A), (B), (D), and (E)(1) of section 3734.53 of the Revised Code. The director, by order, shall approve or disapprove the plan within ninety days after its submission. The director shall include with an order disapproving a plan a statement outlining the deficiencies in the plan and directing the committee to submit, within ninety days after issuance of the order, a revised plan that remedies those deficiencies, except that if the committee, by resolution, requests an extension of the time for submission of a revised plan, the director, for good cause shown, may grant one such extension for a period of not more than sixty additional days.

(2) Within sixty days after issuance of the order disapproving its plan, the committee shall prepare a draft revised plan, adopt a draft revised plan by a majority vote, and deliver a copy of the draft revised plan to the board of county commissioners of each county forming the district and to the legislative authority of each municipal corporation and township under the

jurisdiction of the district. Within twenty-one days after the delivery of the draft revised plan, each such board and legislative authority shall approve or disapprove the draft revised plan, by ordinance or resolution, and deliver a copy of the ordinance or resolution to the committee. In the case of a county district or a joint district formed by two or three counties, the committee shall declare the draft revised plan to be ratified as the solid waste management plan of the county or joint district upon determining that the board of county commissioners of each county forming the district has approved the draft revised plan and that the legislative authorities of a combination of municipal corporations and townships with a combined population within the district comprising at least sixty per cent of the total population of the district have approved the draft revised plan, provided that in the case of a county district, that combination shall include the municipal corporation having the largest population within the boundaries of the district, and provided further that in the case of a joint district formed by two or three counties, that combination shall include for each county forming the joint district the municipal corporation having the largest population within the boundaries of both the county in which the municipal corporation is located and the joint district. In the case of a joint district formed by four or more counties, the committee shall declare the draft revised plan to be ratified as the solid waste management plan of the joint district upon determining that the boards of county commissioners of a majority of the counties forming the district have approved the draft revised plan; that, in each of a majority of the counties forming the joint district, the draft revised plan has been approved by the municipal corporation having the largest population within the county and the joint district; and that the legislative authorities of a combination of municipal corporations and townships with a combined population within the joint district comprising at least sixty per cent of the total population of the joint district have approved the draft revised plan. Upon ratification of the draft revised plan, the committee shall submit it to the director for approval in accordance with division (C)(1) of this section. The director, by order, shall approve or disapprove the draft revised plan within thirty days after receiving it.

(3) Notwithstanding section 119.06 of the Revised Code, the director may approve or disapprove a plan or revised plan submitted under division (C)(1) or (2) of this section by issuance of a final order that is effective upon issuance, without the necessity to hold any adjudication hearing in connection with the order and without issuance of a proposed action under section 3745.07 of the Revised Code. In any appeal taken under section 3745.04 of the Revised Code pertaining to the director's disapproval of the

solid waste management plan or revised plan of a county or joint district, the solid waste management policy committee of the county or joint district and the director shall be the parties. Upon a showing by the policy committee that there is a substantial likelihood that it will prevail on the merits, the environmental review appeals commission, within thirty days after filing of the notice of appeal under that section and pending final determination of the appeal, may grant temporary relief from the director's order disapproving the district's plan, including the issuance of appropriate orders to the director to refrain from acting under division (D) of this section.

(4) After approval of the plan or revised plan by the director, the board of county commissioners of a county district or board of directors of a joint district shall implement the plan in compliance with the implementation schedule contained in the approved plan.

The committee annually shall review implementation of the plan approved under this section or section 3734.521 of the Revised Code and subsequent amended plans approved under section 3734.521 or 3734.56 of the Revised Code and report its findings and recommendations regarding implementation of the plan to the board of county commissioners or board of directors of the district.

(D) If the director finds that a county or joint solid waste management district has failed to obtain approval of its solid waste management plan within eighteen months after the applicable date prescribed for submission of its plan under division (A) of section 3734.54 of the Revised Code or within twenty-four months after that date if the date for submission was extended under that division, the director shall prepare a solid waste management plan for the county or joint district that complies with divisions (A) and (D) of section 3734.53 of the Revised Code. The plan shall not contain any of the provisions required or authorized to be included in plans submitted by districts under division (B), (C), or (E) of that section. Upon completion of the plan, the director shall issue an order in accordance with Chapter 3745. of the Revised Code directing the board of county commissioners or board of directors of the district to implement the plan in compliance with the implementation schedule contained in it.

Within thirty days after the effective date of the order to implement the plan, the board of county commissioners or board of directors of the district shall determine whether the solid waste management policy committee of the district should continue to exist to monitor implementation of the plan or for the purposes of division (B) of section 3734.57 or section 3734.574 of the Revised Code. The board, by resolution, may abolish the committee if it determines that the committee is not necessary for any of those purposes. If

the board of county commissioners or directors of a district that has so abolished the policy committee of the district finds that it is necessary or appropriate for the district to consider levying fees under section 3734.574 of the Revised Code, the board shall reestablish and convene the policy committee to initiate proceedings to levy the fees. If the fees are levied, the policy committee shall continue to exist for as long as the district is levying the fees. If, after a policy committee is convened to initiate proceedings to levy those fees, the fees are not levied or are abolished under section 3734.574 of the Revised Code, the board, by resolution, may abolish the committee if it determines that the committee is not necessary to monitor implementation of the plan.

(E) If the director finds that the board of county commissioners or the board of directors of a district has materially failed to implement the district's plan or amended plan approved under division (C) of this section or section 3734.521 or 3734.56 of the Revised Code, or prepared and ordered to be implemented under division (D) of this section or section 3734.521 or 3734.56 of the Revised Code, in compliance with the implementation schedule contained in the plan or amended plan, the director shall issue an enforcement order under division (A) of section 3734.13 of the Revised Code directing the board to comply with the implementation schedule in the plan or amended plan within a specified, reasonable time. If the director finds that the board of county commissioners or directors of a district for which the provision included in the district's initial or amended plan approved under section 3734.521, 3734.55, or 3734.56 of the Revised Code pursuant to division (E)(1) or (2)(b) or (c) of section 3734.53 of the Revised Code, or an amendment to the district's approved initial or amended plan adopted and ratified under division (F) of section 3734.56 of the Revised Code, precludes the board from establishing facility designations under section 343.014 of the Revised Code has initiated proceedings to establish facility designations in violation of that section and the district's initial or amended plan, the director shall issue an enforcement order under division (A) of section 3734.13 of the Revised Code directing the board, at the board's discretion, to either abandon the proceedings or suspend them until after the board has adopted and obtained ratification of an amendment to the district's initial or amended plan under division (F) of section 3734.56 of the Revised Code that authorizes the board to establish facility designations under section 343.014 of the Revised Code. If the director finds that a board of county commissioners or directors of a district for which the provision included in the district's initial or amended plan approved under section 3734.521, 3734.55, or 3734.56 of the Revised Code pursuant to division

(E)(1) or (2)(b) or (c) of section 3734.53 of the Revised Code, or an amendment to the district's approved initial or amended plan adopted and ratified under division (F) of section 3734.56 of the Revised Code, authorizes the board to establish facility designations under section 343.014 of the Revised Code has established facility designations under section 343.014 of the Revised Code or continued facility designations under section 343.015 of the Revised Code and subsequently has initiated proceedings to terminate any such facility designations in violation of section 343.014 of the Revised Code and the district's initial or amended plan, the director shall issue an enforcement order under division (A) of section 3734.13 of the Revised Code directing the board, at the board's discretion, to either abandon the proceedings or adopt and obtain ratification of an amendment to the district's initial or amended plan under division (F) of section 3734.56 of the Revised Code that precludes the board from establishing facility designations under section 343.014 of the Revised Code.

(F) The director shall maintain a record of the county and joint solid waste management district solid waste management plans and amended plans that the director has approved or ordered to be implemented under this section, section 3734.521, and section 3734.56 of the Revised Code. ~~Upon determining that each county within the state is subject to such a plan or amended plan, the director shall notify the chief of recycling and litter prevention in the department of natural resources of that fact.~~

(G)(1) As used in divisions (C)(4), (D)(1) and (2), and (E) of this section and section 3734.521 of the Revised Code, any reference to a board of county commissioners of a county or a board of directors of a joint solid waste management district is deemed to include the board of trustees of a regional solid waste management authority formed under section 343.011 of the Revised Code.

(2) As used in this section and sections 3734.521 and 3734.57 of the Revised Code, "deliver" includes mailing as well as delivery by a means other than mailing.

Sec. 3734.79. (A) Except as provided in division (B) of this section, each application for a permit submitted under sections 3734.76 to 3734.78 of the Revised Code shall be accompanied by a nonrefundable application fee of four hundred dollars that shall be credited to the scrap tire management fund created in section 3734.82 of the Revised Code. If a permit is issued, the amount of the application fee paid shall be deducted from the amount of the applicable permit fee due under division ~~(G)~~(R) of section 3745.11 of the Revised Code.

(B) Division (A) of this section does not apply to an application for a permit for a scrap tire storage facility submitted under section 3734.76 of the Revised Code if the owner or operator of the facility or proposed facility is a motor vehicle salvage dealer licensed under Chapter 4738. of the Revised Code.

(C)(1) Except as otherwise provided in division (C)(2) of this section, the annual fee for a scrap tire storage facility license shall equal one thousand dollars times the number of acres on which scrap tires are to be

stored at the facility during the license year, as set forth on the application for the annual license, except that the total annual license fee for any such facility shall not exceed three thousand dollars.

(2) The annual fee for a scrap tire storage facility license for a storage facility that is owned or operated by a motor vehicle salvage dealer licensed under Chapter 4738. of the Revised Code is one hundred dollars.

The annual volume of sewage sludge treated or disposed of by a sewage sludge facility shall be calculated using the first day of January through the thirty-first day of December of the calendar year preceding the date on which payment of the fee is due.

(2)(a) Except as provided in division (Y)(2)(d) of this section, each sewage sludge facility shall pay a minimum annual sewage sludge fee of one hundred dollars.

(b) The annual sludge fee required to be paid by a sewage sludge facility that treats or disposes of exceptional quality sludge in this state shall be

The maximum annual fee for the following methods of disposal of sewage sludge is as follows:

(a) Incineration: five thousand dollars;

(b) Preexisting land reclamation project or disposal in a landfill: five thousand dollars;

(c) Land application, land reclamation, surface disposal, or any other disposal method not specified in division (Y)(3)(a) or (b) of this section:

twenty thousand dollars.

However, the entity or facility generating or treating the sewage sludge shall pay the one-hundred-dollar minimum fee required under division (Y)(2)(a) of this section.

(b) In the case of an entity that generates sewage sludge and transfers the sewage sludge to a landfill for disposal or to a sewage sludge facility for land reclamation or surface disposal, the entity generating the sewage sludge, and not the landfill or sewage sludge facility, shall pay the annual sludge fee for the tons of sewage sludge that are transferred.

(5) Not later than the first day of April of the calendar year following March 17, 2000, and each first day of April thereafter, the director shall issue invoices to persons who are required to pay the annual sludge fee. The invoice shall identify the nature and amount of the annual sludge fee assessed and state the first day of May as the deadline for receipt by the director of objections regarding the amount of the fee and the first day of July as the deadline for payment of the fee.

Not later than the first day of May following receipt of an invoice, a person required to pay the annual sludge fee may submit objections to the director concerning the accuracy of information regarding the number of dry tons of sewage sludge used to calculate the amount of the annual sludge fee or regarding whether the sewage sludge qualifies for the exceptional quality sludge discount established in division (Y)(2)(b) of this section. The director may consider the objections and adjust the amount of the fee to ensure that it is accurate.

If the director does not adjust the amount of the annual sludge fee in response to a person's objections, the person may appeal the director's determination in accordance with Chapter 119. of the Revised Code.

Not later than the first day of June, the director shall notify the objecting person regarding whether the director has found the objections to be valid and the reasons for the finding. If the director finds the objections to be valid and adjusts the amount of the annual sludge fee accordingly, the director shall issue with the notification a new invoice to the person identifying the amount of the annual sludge fee assessed and stating the first day of July as the deadline for payment.

Not later than the first day of July, any person who is required to do so

shall pay the annual sludge fee. Any person who is required to pay the fee, but who fails to do so on or before that date shall pay an additional amount that equals ten per cent of the required annual sludge fee.

The moneys shall be used to defray the costs of administering and enforcing provisions in Chapter 6111. of the Revised Code and rules adopted under it that govern the use, storage, treatment, or disposal of sewage sludge.

(7) Beginning in fiscal year 2001, and every two years thereafter, the director shall review the total amount of moneys generated by the annual sludge fees to determine if that amount exceeded six hundred thousand dollars in either of the two preceding fiscal years. If the total amount of moneys in the fund exceeded six hundred thousand dollars in either fiscal year, the director, after review of the fee structure and consultation with affected persons, shall issue an order reducing the amount of the fees levied under division (Y) of this section so that the estimated amount of moneys resulting from the fees will not exceed six hundred thousand dollars in any fiscal year.

If, upon review of the fees under division (Y)(7) of this section and after the fees have been reduced, the director determines that the total amount of moneys collected and accumulated is less than six hundred thousand dollars, the director, after review of the fee structure and consultation with affected persons, may issue an order increasing the amount of the fees levied under division (Y) of this section so that the estimated amount of moneys resulting from the fees will be approximately six hundred thousand dollars. Fees shall never be increased to an amount exceeding the amount specified in division (Y)(7) of this section.

Notwithstanding section 119.06 of the Revised Code, the director may issue an order under division (Y)(7) of this section without the necessity to hold an adjudicatory hearing in connection with the order. (B) No person shall treat, recycle, store, or dispose of any low-level radioactive waste except at a facility that is licensed for treatment, recycling, storage, or disposal of that waste by the director of health under this chapter and rules adopted under it or, until the state becomes an agreement state pursuant to section 3748.03 of the Revised Code, by the United States nuclear regulatory commission under the "Atomic Energy Act of 1954," 68 Stat. 919, 42 U.S.C.A. 2011, as amended, and regulations adopted under it regardless of whether the waste has been reclassified as "below regulatory concern" by the United States nuclear regulatory commission pursuant to any rule or standard adopted after January 1, 1990.

(C) Division (B) of this section does not apply to either of the following:

(1) Any low-level radioactive waste that on or before January 1, 1990,

was authorized under the "Atomic Energy Act of 1954," 68 Stat. 919, 42 U.S.C.A. 2011, as amended, and regulations adopted under it to be treated, recycled, stored, or disposed of at a facility that has not been licensed under that act and regulations adopted under it;

(2) Any low-level radioactive waste that has received an exemption from the director of health under division (C)(2) of this section. If the United States nuclear regulatory commission declares its intent to institute a policy regarding the reclassification of waste as "below regulatory concern," the ~~public health council~~ director, in consultation with the environmental protection agency, shall adopt rules in accordance with Chapter 119. of the Revised Code that govern the granting of such exemptions and that do at least all of the following:

(a) Establish an application procedure to be followed by the generator of a low-level radioactive waste who wishes to obtain an exemption for that waste under division (C)(2) of this section;

(b) Require that in order to receive an exemption, a low-level radioactive waste shall have been reclassified as "below regulatory concern" by the United States nuclear regulatory commission after August 19, 1992. The rules adopted under division (C)(2)(b) of this section shall stipulate that such a reclassification does not automatically qualify a low-level radioactive waste for an exemption under division (C)(2) of this section.

(c) Require an applicant to demonstrate with clear and convincing evidence that the low-level radioactive waste that is the subject of the application does not present a higher radioactive hazard than any low-level radioactive waste to which division (C)(1) of this section applies and that treatment, recycling, storage, or disposal of the waste at a facility that has not been licensed by the director under this chapter and rules adopted under it or, until the state becomes an agreement state pursuant to section 3748.03 of the Revised Code, by the United States nuclear regulatory commission under the "Atomic Energy Act of 1954," 68 Stat. 919, 42 U.S.C.A. 2011, as amended, and regulations adopted under it, will not harm public health or safety or the environment;

generator has complied with the rules adopted under division (C)(2)(a) of this section and that the waste satisfies the requirements established in the rules adopted under divisions (C)(2)(b) and (c) of this section. The director shall maintain a list of all low-level radioactive wastes to which ~~he~~ the director has granted such an exemption.

Division (C)(2) of this section does not apply to any low-level radioactive waste generated at a nuclear power station.

(B) A secured facility may take reasonable steps in accordance with rules the board of building standards adopts under division (A) of section 3781.10 of the Revised Code and in accordance with the state fire code the fire marshal adopts under section 3737.82 of the Revised Code, to deny egress to confine and protect patients or residents of the secured facility who are not capable of self-preservation. A secured facility that wishes to deny egress to those patients or residents may use delayed-egress doors and electronically coded doors to deny egress, on the condition that those doors are installed and used in accordance with rules the board of building standards adopts under division (A) of section 3781.10 of the Revised Code and in accordance with the state fire code the fire marshal adopts under section 3737.82 of the Revised Code. A secured facility also may install controlled-egress locks, in compliance with rules the board of building standards adopts under division (A) section 3781.10 of the Revised Code and in compliance with the state fire code the fire marshal adopts under section 3737.82 of the Revised Code, in areas of the secured facility where patients or residents who have physical or mental conditions that would endanger the patients or residents, the staff attending the patients or residents, or the general public if those patients or residents are not restricted

All fees collected by the board pursuant to this chapter shall be paid into the state treasury to the credit of the ~~labor~~ industrial compliance operating fund created in section 121.084 of the Revised Code.

Sec. 3791.02. No owner, or person having the control as an officer or member of a board or committee or otherwise of any opera house, hall, theater, church, schoolhouse, college, academy, seminary, infirmary, sanitarium, children's home, hospital, medical institute, asylum, memorial building, armory, assembly hall, or other building for the assemblage or betterment of people shall fail to obey any order of the state fire marshal, boards of health of city and general health districts, the building inspector or commissioner in cities having a building inspection department, or the superintendent of ~~labor~~ industrial compliance in the department of commerce under Chapters 3781. and 3791. of the Revised Code or rules or regulations adopted pursuant thereto.

Whoever violates this section shall be fined not more than one thousand dollars.

Sec. 3791.04. (A)(1) Before beginning the construction, erection, or manufacture of any building to which section 3781.06 of the Revised Code applies, including all industrialized units, the owner of that building, in addition to any other submission required by law, shall submit plans or drawings, specifications, and data prepared for the construction, erection, equipment, alteration, or addition that indicate the portions that have been approved pursuant to section 3781.12 of the Revised Code and for which no further approval is required, to the municipal, township, or county building department having jurisdiction unless one of the following applies:

(a) If no municipal, township, or county building department certified for nonresidential buildings pursuant to division (E) of section 3781.10 of the Revised Code has jurisdiction, the owner shall make the submissions described in division (A)(1) of this section to the superintendent of ~~labor~~ industrial compliance.

(b) If no certified municipal, township, or county building department certified for residential buildings pursuant to division (E) of section 3781.10 of the Revised Code has jurisdiction, the owner is not required to make the submissions described in division (A)(1) of this section.

(2)(a) The seal of an architect registered under Chapter 4703. of the Revised Code or an engineer registered under Chapter 4733. of the Revised Code is required for any plans, drawings, specifications, or data submitted for approval, unless the plans, drawings, specifications, or data are permitted to be prepared by persons other than registered architects pursuant to division (C) or (D) of section 4703.18 of the Revised Code, or by persons other than registered engineers pursuant to division (C) or (D) of section 4733.18 of the Revised Code.

(b) No seal is required for any plans, drawings, specifications, or data submitted for approval for any residential buildings, as defined in section 3781.06 of the Revised Code, or erected as industrialized one-, two-, or three-family units or structures within the meaning of "industrialized unit" as defined in section 3781.06 of the Revised Code.

(c) No seal is required for approval of the installation of replacement equipment or systems that are similar in type or capacity to the equipment or systems being replaced. No seal is required for approval for any new construction, improvement, alteration, repair, painting, decorating, or other modification of any buildings or structures subject to sections 3781.06 to 3781.18 and 3791.04 of the Revised Code if the proposed work does not involve technical design analysis, as defined by rule adopted by the board of building standards.

(B) No owner shall proceed with the construction, erection, alteration, or equipment of any building until the plans or drawings, specifications, and data have been approved as this section requires, or the industrialized unit inspected at the point of origin. No plans or specifications shall be approved or inspection approval given unless the building represented would, if constructed, repaired, erected, or equipped, comply with Chapters 3781. and 3791. of the Revised Code and any rule made under those chapters.

(C) The approval of plans or drawings and specifications or data pursuant to this section is invalid if construction, erection, alteration, or other work upon the building has not commenced within twelve months of the approval of the plans or drawings and specifications. One extension shall be granted for an additional twelve-month period if the owner requests at least ten days in advance of the expiration of the permit and upon payment of a fee not to exceed one hundred dollars. If in the course of construction, work is delayed or suspended for more than six months, the approval of

plans or drawings and specifications or data is invalid. Two extensions shall be granted for six months each if the owner requests at least ten days in advance of the expiration of the permit and upon payment of a fee for each extension of not more than one hundred dollars. Before any work may continue on the construction, erection, alteration, or equipment of any building for which the approval is invalid, the owner of the building shall resubmit the plans or drawings and specifications for approval pursuant to this section.

(D) Subject to section 3791.042 of the Revised Code, the board of building standards or the legislative authority of a municipal corporation, township, or county, by rule, may regulate the requirements for the submission of plans and specifications to the respective enforcing departments and for processing by those departments. The board of building standards or the legislative authority of a municipal corporation, township, or county may adopt rules to provide for the approval, subject to section 3791.042 of the Revised Code, by the department having jurisdiction of the plans for construction of a foundation or any other part of a building or structure before the complete plans and specifications for the entire building or structure are submitted. When any plans are approved by the department having jurisdiction, the structure and every particular represented by and disclosed in those plans shall, in the absence of fraud or a serious safety or sanitation hazard, be conclusively presumed to comply with Chapters 3781. and 3791. of the Revised Code and any rule issued pursuant to those chapters, if constructed, altered, or repaired in accordance with those plans and any rule in effect at the time of approval.

(E) The approval of plans and specifications, including inspection of industrialized units, under this section is a "license" and the failure to approve plans or specifications as submitted or to inspect the unit at the point of origin within thirty days after the plans or specifications are filed or the request to inspect the industrialized unit is made, the disapproval of plans and specifications, or the refusal to approve an industrialized unit following inspection at the point of origin is "an adjudication order denying the issuance of a license" requiring an "adjudication hearing" as provided by sections 119.07 to 119.13 of the Revised Code and as modified by sections 3781.031 and 3781.19 of the Revised Code. An adjudication order denying the issuance of a license shall specify the reasons for that denial.

(F) The board of building standards shall not require the submission of site preparation plans or plot plans to the division of ~~labor~~ industrial compliance when industrialized units are used exclusively as one-, two-, or three-family dwellings.

(G) Notwithstanding any procedures the board establishes, if the agency having jurisdiction objects to any portion of the plans or specifications, the owner or the owner's representative may request the agency to issue conditional approval to proceed with construction up to the point of the objection. Approval shall be issued only when the objection results from conflicting interpretations of the rules of the board of building standards rather than the application of specific technical requirements of the rules. Approval shall not be issued where the correction of the objection would cause extensive changes in the building design or construction. The giving of conditional approval is a "conditional license" to proceed with construction up to the point where the construction or materials objected to by the agency are to be incorporated into the building. No construction shall proceed beyond that point without the prior approval of the agency or another agency that conducts an adjudication hearing relative to the objection. The agency having jurisdiction shall specify its objections to the plans or specifications, which is an "adjudication order denying the issuance of a license" and may be appealed pursuant to sections 119.07 to 119.13 of the Revised Code and as modified by sections 3781.031 and 3781.19 of the Revised Code.

(H) A certified municipal, township, or county building department having jurisdiction, or the superintendent, as appropriate, shall review any plans, drawings, specifications, or data described in this section that are submitted to it or to the superintendent.

(I) No owner or persons having control as an officer, or as a member of a board or committee, or otherwise, of a building to which section 3781.06 of the Revised Code is applicable, and no architect, designer, engineer, builder, contractor, subcontractor, or any officer or employee of a municipal, township, or county building department shall violate this section.

(J) Whoever violates this section shall be fined not more than five hundred dollars.

Sec. 3791.05. No owner, lessee, agent, factor, architect, or contractor engaged in and having supervision or charge of the building, erection, or construction of a block, building, or structure, shall neglect or refuse to place or have placed upon the joists of each story thereof, as soon as joists are in position, counter floors of such quality and strength as to render perfectly safe the going to and from thereon of all mechanics, laborers, and other persons engaged upon the work of construction or supervision, or in placing materials for such construction.

Whoever violates this section shall be fined not less than twenty-five

nor more than two hundred dollars.

Each day that such person neglects or refuses to have such counter floors so placed, after notice is given by a building inspector, a chief inspector, or deputy inspector of the city building inspection department in cities where such department is organized, or by the superintendent of ~~labor~~ industrial compliance of the state, in cities where such departments are not organized, or from a person whose life or personal safety may be endangered by such neglect or refusal, is a separate offense.

Sec. 3791.07. (A) The board of building standards may establish such reasonable inspection fee schedules as it determines necessary or desirable relating to the inspection of all plans and specifications submitted for approval to the division of ~~labor~~ industrial compliance, and all industrialized units inspected at the point of origin and at the construction site of the building. The inspection fee schedule established shall bear some reasonable relationship to the cost of administering and enforcing the provisions of Chapters 3781. and 3791. of the Revised Code.

(B) In addition to the fee assessed in division (A) of this section, the board shall assess a fee of not more than five dollars for each application for acceptance and approval of plans and specifications and for making inspections pursuant to section 3791.04 of the Revised Code. The board shall adopt rules, in accordance with Chapter 119. of the Revised Code, specifying the manner by which the superintendent of ~~labor~~ industrial compliance shall collect and remit to the board the fees assessed under this division and requiring that remittance of the fees be made at least quarterly.

(C) Any person who fails to pay an inspection fee required for any inspection conducted by the department of commerce pursuant to Chapters 3781. and 3791. of the Revised Code, except for fees charged for the inspection of plans and specifications, within forty-five days after the inspection is conducted, shall pay a late payment fee equal to twenty-five per cent of the inspection fee.

(D) The board shall pay the fees assessed under this section into the state treasury to the credit of the ~~labor~~ industrial compliance operating fund created in section 121.084 of the Revised Code.

Sec. 3791.11. (A) As used in this section and sections 3791.12 and 3791.13 of the Revised Code:

(1) "Service station" means any facility designed and constructed primarily for use in the retail sale of gasoline, other petroleum products, and related accessories; except that "service station" does not include any such facility that has been converted for use for another bona fide business purpose, on and after the date of commencement of such other use.

(2) "Abandoned service station" means any service station that has not been used for the retail sale of gasoline, other petroleum products, and related accessories for a continuous period of six months, whenever failure to reasonably secure station buildings from ready access by unauthorized persons and to reasonably maintain the station's premises has resulted in conditions that endanger the public health, welfare, safety, or morals; provided, that such conditions include, but are not limited to, the presence of defective or deteriorated electrical wiring, heating apparatus, and gas connections, or of unprotected gasoline storage tanks, piping, and valves, or any combination of the foregoing; and provided further that the casual and intermittent use of a service station for the retail sale of any item described in division (A)(1) of this section during such six-month period shall not be held to prevent the station from being determined an abandoned service station if it meets the other qualifications of this division.

(B) No person shall construct, renew operation of, or continue operation of a service station unless, prior to the commencement of construction or renewed operation and during the period of continued operation, a valid bond is on file as provided in division (C) ~~or (D)~~ of this section. The bond shall be obtained by the owner of the property if ~~he~~ the owner is also the owner of the service station. If the owner of the property is not the owner of the service station, then the bond shall be obtained by the lessee of the property; except that such lessee shall be other than any person who leases and operates the service station pursuant to a contract with a supplier of gasoline and petroleum products. The bond shall identify and list the name and address of the property owner and any lessee other than a person who leases and operates the service station pursuant to a contract with a supplier of gasoline and petroleum products.

(C) The bond required by division (B) of this section shall be filed annually with the executive authority of the municipal corporation in which the service station is, or is to be, located, or with the clerk of the board of county commissioners if the service station is not, or is not to be, located within a municipal corporation. The bond shall either be a cash bond or have sufficient sureties approved by the executive authority or clerk with whom it is filed. The bond shall be for a term of one year and shall be renewed annually. The bond shall be in the amount of three thousand dollars for each service station to provide for the repair or removal of the service station and its appurtenances and restoration of the property. The bond shall be conditioned upon the repair or removal of the service station and restoration of the property if the service station is determined to be an abandoned service station as provided in section 3791.12 of the Revised Code. If the

service station is determined to be an abandoned service station, and division (D) or (F) of section 3791.12 of the Revised Code applies, the bond shall be forfeited and the proceeds applied to the costs of repair or removal and restoration as provided in section 3791.13 of the Revised Code. If the amount of the bond exceeds the costs of repair or removal and restoration, the excess shall be returned to the depositor.

~~(D) Whenever a property owner or lessee, other than a person leasing and operating a service station pursuant to a contract with a supplier of gasoline and other petroleum products, owns, leases, or is constructing two or more service stations in this state, such owner or lessee may deposit with the treasurer of state, in lieu of the bond required by division (C) of this section, money or a surety bond approved by the treasurer in the amount of one hundred fifty thousand dollars, or bonds of the United States, this state, or of a political subdivision of this state, having a market value, as determined by the treasurer, of one hundred fifty thousand dollars. The bond or deposit shall cover all service stations owned in the state, being constructed, leased, or operated by the depositor and shall be conditioned upon the repair or removal of any such station and its appurtenances and restoration of the property, if the station is determined to be an abandoned service station as provided in section 3791.12 of the Revised Code. If any such service station is determined to be an abandoned service station, and division (D) or (F) of section 3791.12 of the Revised Code applies, the portion of the bond or deposit required to pay the costs of repair or removal and restoration shall be forfeited and paid to the executive authority of the municipal corporation or to the board of county commissioners of the county, upon request therefor. If the surety refuses to pay the costs of repair or removal and restoration to the treasurer, the treasurer shall forthwith file an action on the bond in the amount certified by the executive authority or board as the costs of repair or removal and restoration, and shall pay to the executive authority or board the proceeds of any judgment. A bond or deposit shall remain valid as long as it is sufficient to cover one hundred thousand dollars of liability. If the bond or deposit is reduced to a lesser amount, it shall be invalid unless sufficient additional bond or deposit is provided to restore the amount of liability covered to one hundred fifty thousand dollars.~~

Sec. 3791.12. (A) The executive authority of each municipal corporation and the board of county commissioners of each county shall designate a suitable person to make inspections, within their respective territorial jurisdictions, of any service stations that are, or appear to be, no longer in use for the purposes described in division (A)(1) of section

3791.11 of the Revised Code, or for any other bona fide business purpose. Inspections of service stations under this section shall be made at the order of the executive authority or board, or upon the complaint of any person claiming to be adversely affected by the condition of a service station. Any inspector designated under this section shall have the right to enter upon and inspect any service station that is, or appears to be, no longer in use as described in this section. No inspector, while in the lawful pursuit of ~~his~~ official duties for such purpose, shall be subject to arrest for trespass while so engaged or for such cause thereafter.

(B) Whenever an inspector, upon inspecting a service station as provided in this section, has reasonable cause to believe that it qualifies as an abandoned service station, ~~he~~ the inspector shall prepare a written report of the condition of the station's buildings and premises. The report shall be filed immediately with the executive authority or board. Upon receipt of the report, the executive authority or board shall fix a place and time, not less than thirty days nor more than sixty days after receipt of the report, for a hearing to determine whether the service station is an abandoned service station. The executive authority or board shall send written notice of the place and date of the hearing, together with a copy of the inspector's report and information that the service station may be ordered repaired or removed if determined to be abandoned, to all persons listed in the bond filed under division (C) ~~or (D)~~ of section 3791.11 of the Revised Code, and to all persons listed in the records of the county recorder or county clerk of courts as holding a lien on the affected property. Such notice shall be sent by certified mail to the address shown on such records.

(C) In hearing the matter and deciding the issue, the executive authority or board shall consider the testimony of any persons appearing pursuant to the notice; or their authorized representatives, the testimony of any witnesses appearing on behalf of such persons, the inspector's report or testimony, or both, and any other evidence pertinent to the matter. If the executive authority or board thereupon determines that the service station is an abandoned service station in such condition as to constitute a danger to the public health, welfare, safety, or morals, it shall order the satisfactory repair, or removal, of the service station and its appurtenances, and restoration of the property, within such period of time, not less than thirty days, as the executive authority or board thereupon determines reasonable. Notice of the findings and order shall be sent to all persons required to be notified by division (B) of this section in the same manner as provided in that division.

(D) If an abandoned service station is not satisfactorily repaired or

removed within the period of time provided in an order made under division (C) of this section, the municipal corporation or county may enter the land and complete the repair, if repair was ordered, or remove the service station and its appurtenances, if removal was ordered, and restore the property.

(E) Any person aggrieved by an order of an executive authority or board made under division (C) of this section, may appeal as provided in Chapter 2506. of the Revised Code within thirty days of the mailing of notice of the order.

(F) In the event that no persons notified as provided in division (B) of this section, or their authorized representatives, appear at the hearing, respond to an order of the executive authority or board, or appeal within thirty days of the mailing of notice of the order as provided in division (E) of this section, the municipal corporation or county may proceed as provided in division (D) of this section.

The certificate of operation required by this section shall not be issued for any boiler which has not been thoroughly inspected during construction and upon completion, by either a general or special inspector, and which does not conform in every detail with the rules adopted by the board of building standards and unless, upon completion, such boiler is distinctly stamped under such rules by such inspector.

Sec. 4104.15. (A) All certificates of inspection for boilers, issued prior to October 15, 1965, are valid and effective for the period set forth in such certificates unless sooner withdrawn by the superintendent of ~~labor~~

industrial compliance. The owner or user of any such boiler shall obtain an appropriate certificate of operation for such boiler, and shall not operate such boiler, or permit it to be operated unless a certificate of operation has been obtained in accordance with section 4104.17 of the Revised Code.

(B) If, upon making the internal and external inspection required under sections 4104.11, 4104.12, and 4104.13 of the Revised Code, the inspector finds the boiler to be in safe working order, with the fittings necessary to safety, and properly set up, upon the inspector's report to the superintendent, the superintendent shall issue to the owner or user thereof, or renew, upon application and upon compliance with sections 4104.17 and 4104.18 of the Revised Code, a certificate of operation which shall state the maximum pressure at which the boiler may be operated, as ascertained by the rules of the board of building standards. Such certificates shall also state the name of the owner or user, the location, size, and number of each boiler, and the date of issuance, and shall be so placed as to be easily read in the engine room or boiler room of the plant where the boiler is located, except that the certificate of operation for a portable boiler shall be kept on the premises and shall be accessible at all times.

(C) If an inspector at any inspection finds that the boiler or pressure vessel is not in safe working condition, or is not provided with the fittings necessary to safety, or if the fittings are improperly arranged, the inspector shall immediately notify the owner or user and person in charge of the boiler and shall report the same to the superintendent who may revoke, suspend, or deny the certificate of operation and not renew the same until the boiler or pressure vessel and its fittings are put in condition to insure safety of operation, and the owner or user shall not operate the boiler or pressure vessel, or permit it to be operated until such certificate has been granted or restored.

(D) If the superintendent or a general boiler inspector finds that a pressure vessel or boiler or a part thereof poses an explosion hazard that reasonably can be regarded as posing an imminent danger of death or serious physical harm to persons, the superintendent or the general boiler inspector shall seal the pressure vessel or boiler and order, in writing, the operator or owner of the pressure vessel or boiler to immediately cease the pressure vessel's or boiler's operation. The order shall be effective until the nonconformities are eliminated, corrected, or otherwise remedied, or for a period of seventy-two hours from the time of issuance, whichever occurs first. During the seventy-two-hour period, the superintendent may request that the prosecuting attorney or city attorney of Franklin county or of the county in which the pressure vessel or boiler is located obtain an injunction

restraining the operator or owner of the pressure vessel or boiler from continuing its operation after the seventy-two-hour period expires until the nonconformities are eliminated, corrected, or otherwise remedied.

(E) Each boiler which has been inspected shall be assigned a number by the superintendent, which number shall be stamped on a nonferrous metal tag affixed to the boiler or its fittings by seal or otherwise. No person except an inspector shall deface or remove any such number or tag.

(F) If the owner or user of any pressure vessel or boiler disagrees with the inspector as to the necessity for shutting down a pressure vessel or boiler or for making repairs or alterations in it, or taking any other measures for safety that are requested by an inspector, the owner or user may appeal from the decision of the inspector to the superintendent, who may, after such other inspection by a general inspector or special inspector as the superintendent deems necessary, decide the issue.

(G) Neither sections 4104.01 to 4104.20 of the Revised Code, nor an inspection or report by any inspector, shall relieve the owner or user of a pressure vessel or boiler of the duty of using due care in the inspection, operation, and repair of the pressure vessel or boiler or of any liability for damages for failure to inspect, repair, or operate the pressure vessel or boiler safely.

Sec. 4104.16. The owner or user of any boiler required by sections 4104.01 to 4104.20 of the Revised Code, to be inspected, shall immediately notify the superintendent of ~~labor~~ industrial compliance in case a defect affecting the safety of the boiler is discovered.

The owner or user of any stationary boiler required by such sections to be inspected, who moves the same, shall report to the superintendent the new location of the boiler. Such boiler shall be inspected before it is again operated.

Sec. 4104.17. Certificates of operation issued for boilers subject to inspection under Chapter 4104. of the Revised Code shall be issued and renewed in accordance with and at dates prescribed by rules and regulations adopted by the superintendent of ~~labor~~ industrial compliance.

Sec. 4104.18. fifty dollars for boilers subject to triennial inspection under section 4104.11 of the Revised Code, or two hundred fifty dollars for boilers subject to quinquennial inspection under section 4104.13 of the Revised Code.

(B) The fee for complete inspection during construction by a general inspector on boilers and pressure vessels manufactured within the state shall be thirty-five dollars per hour. Boiler and pressure vessel manufacturers other than those located in the state may secure inspection by a general inspector on work during construction, upon application to the superintendent, and upon payment of a fee of thirty-five dollars per hour, plus the necessary traveling and hotel expenses incurred by the inspector.

(C) The application fee for applicants for steam engineer, high pressure boiler operator, or low pressure boiler operator licenses is seventy-five dollars. The fee for each original or renewal steam engineer, high pressure boiler operator, or low pressure boiler operator license is fifty dollars.

(D) The director of commerce, subject to the approval of the controlling board, may establish fees in excess of the fees provided in divisions (A), (B), and (C) of this section. Any moneys collected under this section shall be paid into the state treasury to the credit of the ~~labor~~ industrial compliance operating fund created in section 121.084 of the Revised Code.

(E) Any person who fails to pay an invoiced renewal fee or an invoiced inspection fee required for any inspection conducted by the division of ~~labor~~ industrial compliance pursuant to this chapter within forty-five days of the invoice date shall pay a late payment fee equal to twenty-five per cent of the invoiced fee.

(F) In addition to the fees assessed in divisions (A) and (B) of this section, the board of building standards shall assess the owner or user a fee of three dollars and twenty-five cents for each certificate of operation or renewal thereof issued under division (A) of this section and for each inspection conducted under division (B) of this section. The board shall adopt rules, in accordance with Chapter 119. of the Revised Code, specifying the manner by which the superintendent shall collect and remit to the board the fees assessed under this division and requiring that remittance of the fees be made at least quarterly.

(F) Each license issued under this chapter expires one year after the date of issue. Each person holding a valid, unexpired license may renew the license, without reexamination, by applying to the superintendent not more than ninety days before the expiration of the license, and submitting with the application the renewal fee established in section 4104.18 of the Revised Code. Applications shall be rejected which contain any willful falsification or untruthful statements. An applicant, if the division considers the applicant's history and experience sufficient, shall be examined by the superintendent of ~~labor~~ industrial compliance by a written examination dealing with the construction, installation, operation, maintenance, and repair of elevators and their appurtenances, and the applicant shall be accepted or rejected on the merits of the applicant's application and examination.

The superintendent shall issue a certificate of competency in the inspection of elevators to any applicant found competent upon examination. A rejected applicant shall be entitled, after the expiration of ninety days and upon payment of an examination fee to be established as provided in section 4105.17 of the Revised Code, to another examination. Should an applicant fail to pass the prescribed examination on second trial, the applicant will not be permitted to be an applicant for another examination for a period of one year after the second examination.

Sec. 4105.03. The superintendent of ~~labor~~ industrial compliance, with the consent of the director of commerce, shall hire an assistant who has at least ten years of experience in the construction, installation, maintenance, and repair of elevators and their appurtenances.

Every inspector shall forward to the superintendent a full and complete report of each inspection made of any elevator and shall, on the day the inspection is completed, leave a copy of such report with the owner or operator of the elevator, or the owner's or operator's agent or representative. Such report shall indicate the exact condition of the elevator and shall list any and all of the provisions of this chapter and any rules adopted pursuant thereto, with which the elevator does not comply. Before attempting to enforce, by any remedy, civil or criminal, the provisions with which the inspected elevator does not comply, the chief shall issue an adjudication order within the meaning of Chapter 119. of the Revised Code.

The approval of construction plans, or an application of specifications under section 4105.16 of the Revised Code is a license, and the failure to approve such plans or specifications by the chief within sixty days after they are filed is an adjudication order denying the issuance of a license.

Every adjudication order shall specify what appliances, site preparations, additions, repairs, or alterations to any elevators, plans, materials, assemblages, or procedures are necessary for the same to comply with this chapter, or any rules adopted pursuant thereto. Such adjudication order shall be issued pursuant to Chapter 119. of the Revised Code and shall be effective without prior hearing, within thirty days after the receipt of such order, the owner of the elevator specified therein may appeal to the board of building appeals under section 3781.19 of the Revised Code.

The court in such case shall not be confined to the record as certified to it by the agency, but any party may produce additional evidence and the court shall hear the matter upon such record and such additional evidence as is introduced by any party. The court shall not affirm the order of the agency unless the preponderance of the evidence before it supports the reasonableness and lawfulness of such order, and of any rules upon which the order of the agency is based in its application to the facts involved in the appeal.

Failure to comply with the requirements of any order issued pursuant to this section or the continued operation of any elevator after it has been sealed pursuant to section 4105.21 of the Revised Code is hereby declared a public nuisance.

Sec. 4105.12. In all cases where any changes or repairs are made which alter its construction or classification, grade or rated lifting capacity, except when made pursuant to a report of an inspector, an application of specifications in duplicate shall be submitted to the division, containing such information, or approval, except in those municipal corporations which maintain their own elevator inspection departments, in which event such specifications shall be submitted to the elevator department of the municipal corporation for its approval, and if approved, a permit for the erection or repair of such elevator shall be issued by the municipal corporation. Upon approval of such application and construction plans, the superintendent of ~~labor~~ industrial compliance shall issue a permit for the erection or repair of such elevator. No new elevator shall be operated until completion in accordance with the approved plans and specifications, unless a temporary permit is granted by the division.

The final inspection, before operation, of a permanent, new or repaired elevator shall be made by a general inspector or a special inspector designated by the superintendent.

Sec. 4105.17. (A) The fee for each inspection, or attempted inspection that, due to no fault of a general inspector or the division of ~~labor~~ industrial

compliance, is not successfully completed, by a general inspector before the operation of a permanent new elevator prior to the issuance of a certificate of operation, before operation of an elevator being put back into service after a repair or after an adjudication under section 4105.11 of the Revised Code, or as a result of the operation of section 4105.08 of the Revised Code and is an elevator required to be inspected under this chapter is one hundred twenty dollars plus ten dollars for each floor where the elevator stops. (B) The fee for each inspection, or attempted inspection, that due to no fault of the general inspector or the division, is not successfully completed by a general inspector before operation of a permanent new escalator or moving walk prior to the issuance of a certificate of operation, before operation of an escalator or moving walk being put back in service after a repair, or as a result of the operation of section 4105.08 of the Revised Code is three hundred dollars. The superintendent may assess an additional fee of one hundred fifty dollars for the reinspection of an escalator or moving walk when a previous attempt to inspect that escalator or moving walk has been unsuccessful through no fault of the general inspector or the division.

(C) The fee for issuing or renewing a certificate of operation under section 4105.15 of the Revised Code for an elevator that is inspected every six months in accordance with division (A) of section 4105.10 of the Revised Code is two hundred twenty dollars plus twelve dollars for each floor where the elevator stops, except where the elevator has been inspected by a special inspector in accordance with section 4105.07 of the Revised Code.

(D) The fee for issuing or renewing a certificate of operation under section 4105.05 of the Revised Code for an elevator that is inspected every twelve months in accordance with division (A) of section 4105.10 of the Revised Code is fifty-five dollars plus ten dollars for each floor where the elevator stops, except where the elevator has been inspected by a special inspector in accordance with section 4105.07 of the Revised Code.

(E) The fee for issuing or renewing a certificate of operation under section 4105.15 of the Revised Code for an escalator or moving walk is three hundred dollars, except where the escalator or moving walk has been inspected by a special inspector in accordance section 4105.07 of the Revised Code.

(F) All other fees to be charged for any examination given or other service performed by the division pursuant to this chapter shall be prescribed by the director of commerce. The fees shall be reasonably related to the costs of such examination or other service.

(G) The director of commerce, subject to the approval of the controlling board, may establish fees in excess of the fees provided in divisions (A), (B), (C), (D), and (E) of this section. Any moneys collected under this section shall be paid into the state treasury to the credit of the ~~labor~~ industrial compliance operating fund created in section 121.084 of the Revised Code.

(H) Any person who fails to pay an inspection fee required for any inspection conducted by the division pursuant to this chapter within forty-five days after the inspection is conducted shall pay a late payment fee equal to twenty-five per cent of the inspection fee.

(I) In addition to the fees assessed in divisions (A), (B), (C), (D), and (E) of this section, the board of building standards shall assess a fee of three dollars and twenty-five cents for each certificate of operation or renewal thereof issued under divisions (A), (B), (C), (D), or (E) of this section and for each permit issued under section 4105.16 of the Revised Code. The board shall adopt rules, in accordance with Chapter 119. of the Revised Code, specifying the manner by which the superintendent shall collect and remit to the board the fees assessed under this division and requiring that remittance of the fees be made at least quarterly.

The director shall make disbursements from the fund in accordance with this chapter to employees affected by violations of this chapter. If the director determines that any funds in the prevailing wage custodial fund are not returnable to employees as required under this section, then the director shall certify to the treasurer of state the amount of the funds that are not returnable. Upon the receipt of a certification from the director in accordance with this section, the treasurer of state shall transfer the certified amount of the funds from the prevailing wage custodial fund to the ~~labor~~ industrial compliance operating fund.

Sec. 4121.30. (A) All rules governing the operating procedure of the bureau of workers' compensation and the industrial commission shall be adopted in accordance with Chapter 119. of the Revised Code, except that determinations of the bureau, district hearing officers, staff hearing officers, and the commission, with respect to an individual employee's claim to participate in the state insurance fund are governed only by Chapter 4123. of the Revised Code.

The administrator of workers' compensation and commission shall proceed jointly, in accordance with Chapter 119. of the Revised Code, including a joint hearing, to adopt joint rules governing the operating procedures of the bureau and commission. ~~The bureau shall publish the joint rules in a single publication.~~

(B) Upon submission to the bureau or the commission of a petition containing not less than fifteen hundred signatures of adult residents of the state, any individual may propose a rule for adoption, amendment, or rescission by the bureau or the commission. The administrator shall not disregard any rule adopted by the commission, provided that the rule is within the commission's rule-making authority.

Sec. 4123.35. (A) Except as provided in this section, every employer mentioned in division (B)(2) of section 4123.01 of the Revised Code, and every publicly owned utility shall pay semiannually in the months of January and July into the state insurance fund the amount of annual premium the administrator of workers' compensation fixes for the employment or occupation of the employer, the amount of which premium to be paid by each employer to be determined by the classifications, rules, and rates made and published by the administrator. The employer shall pay semiannually a further sum of money into the state insurance fund as may be ascertained to be due from the employer by applying the rules of the administrator, and a receipt or certificate certifying that payment has been made, along with a written notice as is required in section 4123.54 of the Revised Code, shall be mailed immediately to the employer by the bureau of workers' compensation. The receipt or certificate is prima-facie evidence of the payment of the premium, and the proper posting of the notice constitutes the employer's compliance with the notice requirement mandated in section 4123.54 of the Revised Code.

The bureau of workers' compensation shall verify with the secretary of state the existence of all corporations and organizations making application for workers' compensation coverage and shall require every such application to include the employer's federal identification number.

An employer as defined in division (B)(2) of section 4123.01 of the Revised Code who has contracted with a subcontractor is liable for the unpaid premium due from any subcontractor with respect to that part of the payroll of the subcontractor that is for work performed pursuant to the

contract with the employer.

Division (A) of this section providing for the payment of premiums semiannually does not apply to any employer who was a subscriber to the state insurance fund prior to January 1, 1914, or who may first become a subscriber to the fund in any month other than January or July. Instead, the semiannual premiums shall be paid by those employers from time to time upon the expiration of the respective periods for which payments into the fund have been made by them.

The administrator shall adopt rules to permit employers to make periodic payments of the semiannual premium due under this division. The rules shall include provisions for the assessment of interest charges, where appropriate, and for the assessment of penalties when an employer fails to make timely premium payments. An employer who timely pays the amounts due under this division is entitled to all of the benefits and protections of this chapter. Upon receipt of payment, the bureau immediately shall mail a receipt or certificate to the employer certifying that payment has been made, which receipt is prima-facie evidence of payment. Workers' compensation coverage under this chapter continues uninterrupted upon timely receipt of payment under this division.

Every public employer, except public employers that are self-insuring employers under this section, shall comply with sections 4123.38 to 4123.41, and 4123.48 of the Revised Code in regard to the contribution of moneys to the public insurance fund.

(B) Employers who will abide by the rules of the administrator and who may be of sufficient financial ability to render certain the payment of compensation to injured employees or the dependents of killed employees, and the furnishing of medical, surgical, nursing, and hospital attention and services and medicines, and funeral expenses, equal to or greater than is provided for in sections 4123.52, 4123.55 to 4123.62, and 4123.64 to 4123.67 of the Revised Code, and who do not desire to insure the payment thereof or indemnify themselves against loss sustained by the direct payment thereof, upon a finding of such facts by the administrator, may be granted the privilege to pay individually compensation, and furnish medical, surgical, nursing, and hospital services and attention and funeral expenses directly to injured employees or the dependents of killed employees, thereby being granted status as a self-insuring employer. The administrator may charge employers who apply for the status as a self-insuring employer a reasonable application fee to cover the bureau's costs in connection with processing and making a determination with respect to an application.

All employers granted status as self-insuring employers shall

demonstrate sufficient financial and administrative ability to assure that all obligations under this section are promptly met. The administrator shall deny the privilege where the employer is unable to demonstrate the employer's ability to promptly meet all the obligations imposed on the employer by this section.

(1) The administrator shall consider, but is not limited to, the following factors, where applicable, in determining the employer's ability to meet all of the obligations imposed on the employer by this section:

(a) The employer employs a minimum of five hundred employees in this state;

(b) The employer has operated in this state for a minimum of two years, provided that an employer who has purchased, acquired, or otherwise succeeded to the operation of a business, or any part thereof, situated in this state that has operated for at least two years in this state, also shall qualify;

(c) Where the employer previously contributed to the state insurance fund or is a successor employer as defined by bureau rules, the amount of the buyout, as defined by bureau rules;

(d) The sufficiency of the employer's assets located in this state to insure the employer's solvency in paying compensation directly;

(e) The financial records, documents, and data, certified by a certified public accountant, necessary to provide the employer's full financial disclosure. The records, documents, and data include, but are not limited to, balance sheets and profit and loss history for the current year and previous four years.

(f) The employer's organizational plan for the administration of the workers' compensation law;

(g) The employer's proposed plan to inform employees of the change from a state fund insurer to a self-insuring employer, the procedures the employer will follow as a self-insuring employer, and the employees' rights to compensation and benefits; and

(h) The employer has either an account in a financial institution in this state, or if the employer maintains an account with a financial institution outside this state, ensures that workers' compensation checks are drawn from the same account as payroll checks or the employer clearly indicates that payment will be honored by a financial institution in this state.

The administrator may waive the requirements of divisions (B)(1)(a) and (b) of this section and the requirement of division (B)(1)(e) of this section that the financial records, documents, and data be certified by a certified public accountant. The administrator shall adopt rules establishing the criteria that an employer shall meet in order for the administrator to

waive the requirement of division (B)(1)(e) of this section. Such rules may require additional security of that employer pursuant to division (E) of section 4123.351 of the Revised Code.

The administrator shall not grant the status of self-insuring employer to the state, except that the administrator may grant the status of self-insuring employer to a state institution of higher education, ~~excluding~~ including its hospitals, that meets the requirements of division (B)(2) of this section.

(2) When considering the application of a public employer, except for a board of county commissioners described in division (G) of section 4123.01 of the Revised Code, a board of a county hospital, or a publicly owned utility, the administrator shall verify that the public employer satisfies all of the following requirements as the requirements apply to that public employer:

(a) For the two-year period preceding application under this section, the public employer has maintained an unvoted debt capacity equal to at least two times the amount of the current annual premium established by the administrator under this chapter for that public employer for the year immediately preceding the year in which the public employer makes application under this section.

(b) For each of the two fiscal years preceding application under this section, the unreserved and undesignated year-end fund balance in the public employer's general fund is equal to at least five per cent of the public employer's general fund revenues for the fiscal year computed in accordance with generally accepted accounting principles.

(c) For the five-year period preceding application under this section, the public employer, to the extent applicable, has complied fully with the continuing disclosure requirements established in rules adopted by the United States securities and exchange commission under 17 C.F.R. 240.15c 2-12.

(d) For the five-year period preceding application under this section, the public employer has not had its local government fund distribution withheld on account of the public employer being indebted or otherwise obligated to the state.

(e) For the five-year period preceding application under this section, the public employer has not been under a fiscal watch or fiscal emergency pursuant to section 118.023, 118.04, or 3316.03 of the Revised Code.

(f) For the public employer's fiscal year preceding application under this section, the public employer has obtained an annual financial audit as required under section 117.10 of the Revised Code, which has been released by the auditor of state within seven months after the end of the public

employer's fiscal year.

(g) On the date of application, the public employer holds a debt rating of Aa3 or higher according to Moody's investors service, inc., or a comparable rating by an independent rating agency similar to Moody's investors service, inc.

(h) The public employer agrees to generate an annual accumulating book reserve in its financial statements reflecting an actuarially generated reserve adequate to pay projected claims under this chapter for the applicable period of time, as determined by the administrator.

(i) For a public employer that is a hospital, the public employer shall submit audited financial statements showing the hospital's overall liquidity characteristics, and the administrator shall determine, on an individual basis, whether the public employer satisfies liquidity standards equivalent to the liquidity standards of other public employers.

(j) Any additional criteria that the administrator adopts by rule pursuant to division (E) of this section.

The administrator may adopt rules establishing the criteria that a public employer shall satisfy in order for the administrator to waive any of the requirements listed in divisions (B)(2)(a) to (j) of this section. The rules may require additional security from that employer pursuant to division (E) of section 4123.351 of the Revised Code. The administrator shall not waive any of the requirements listed in divisions (B)(2)(a) to (j) of this section for a public employer who does not satisfy the criteria established in the rules the administrator adopts.

(C) A board of county commissioners described in division (G) of section 4123.01 of the Revised Code, as an employer, that will abide by the rules of the administrator and that may be of sufficient financial ability to render certain the payment of compensation to injured employees or the dependents of killed employees, and the furnishing of medical, surgical, nursing, and hospital attention and services and medicines, and funeral expenses, equal to or greater than is provided for in sections 4123.52, 4123.55 to 4123.62, and 4123.64 to 4123.67 of the Revised Code, and that does not desire to insure the payment thereof or indemnify itself against loss sustained by the direct payment thereof, upon a finding of such facts by the administrator, may be granted the privilege to pay individually compensation, and furnish medical, surgical, nursing, and hospital services and attention and funeral expenses directly to injured employees or the dependents of killed employees, thereby being granted status as a self-insuring employer. The administrator may charge a board of county commissioners described in division (G) of section 4123.01 of the Revised

Code that applies for the status as a self-insuring employer a reasonable application fee to cover the bureau's costs in connection with processing and making a determination with respect to an application. All employers granted such status shall demonstrate sufficient financial and administrative ability to assure that all obligations under this section are promptly met. The administrator shall deny the privilege where the employer is unable to demonstrate the employer's ability to promptly meet all the obligations imposed on the employer by this section. The administrator shall consider, but is not limited to, the following factors, where applicable, in determining the employer's ability to meet all of the obligations imposed on the board as an employer by this section:

(1) The board as an employer employs a minimum of five hundred employees in this state;

(2) The board has operated in this state for a minimum of two years;

(3) Where the board previously contributed to the state insurance fund or is a successor employer as defined by bureau rules, the amount of the buyout, as defined by bureau rules;

(4) The sufficiency of the board's assets located in this state to insure the board's solvency in paying compensation directly;

(5) The financial records, documents, and data, certified by a certified public accountant, necessary to provide the board's full financial disclosure. The records, documents, and data include, but are not limited to, balance sheets and profit and loss history for the current year and previous four years.

(6) The board's organizational plan for the administration of the workers' compensation law;

(7) The board's proposed plan to inform employees of the proposed self-insurance, the procedures the board will follow as a self-insuring employer, and the employees' rights to compensation and benefits;

(8) The board has either an account in a financial institution in this state, or if the board maintains an account with a financial institution outside this state, ensures that workers' compensation checks are drawn from the same account as payroll checks or the board clearly indicates that payment will be honored by a financial institution in this state;

(9) The board shall provide the administrator a surety bond in an amount equal to one hundred twenty-five per cent of the projected losses as determined by the administrator.

(D) The administrator shall require a surety bond from all self-insuring employers, issued pursuant to section 4123.351 of the Revised Code, that is sufficient to compel, or secure to injured employees, or to the dependents of

employees killed, the payment of compensation and expenses, which shall in no event be less than that paid or furnished out of the state insurance fund in similar cases to injured employees or to dependents of killed employees whose employers contribute to the fund, except when an employee of the employer, who has suffered the loss of a hand, arm, foot, leg, or eye prior to the injury for which compensation is to be paid, and thereafter suffers the loss of any other of the members as the result of any injury sustained in the course of and arising out of the employee's employment, the compensation to be paid by the self-insuring employer is limited to the disability suffered in the subsequent injury, additional compensation, if any, to be paid by the bureau out of the surplus created by section 4123.34 of the Revised Code.

(E) In addition to the requirements of this section, the administrator shall make and publish rules governing the manner of making application and the nature and extent of the proof required to justify a finding of fact by the administrator as to granting the status of a self-insuring employer, which rules shall be general in their application, one of which rules shall provide that all self-insuring employers shall pay into the state insurance fund such amounts as are required to be credited to the surplus fund in division (B) of section 4123.34 of the Revised Code. The administrator may adopt rules establishing requirements in addition to the requirements described in division (B)(2) of this section that a public employer shall meet in order to qualify for self-insuring status.

Employers shall secure directly from the bureau central offices application forms upon which the bureau shall stamp a designating number. Prior to submission of an application, an employer shall make available to the bureau, and the bureau shall review, the information described in division (B)(1) of this section, and public employers shall make available, and the bureau shall review, the information necessary to verify whether the public employer meets the requirements listed in division (B)(2) of this section. An employer shall file the completed application forms with an application fee, which shall cover the costs of processing the application, as established by the administrator, by rule, with the bureau at least ninety days prior to the effective date of the employer's new status as a self-insuring employer. The application form is not deemed complete until all the required information is attached thereto. The bureau shall only accept applications that contain the required information.

(F) The bureau shall review completed applications within a reasonable time. If the bureau determines to grant an employer the status as a self-insuring employer, the bureau shall issue a statement, containing its findings of fact, that is prepared by the bureau and signed by the

administrator. If the bureau determines not to grant the status as a self-insuring employer, the bureau shall notify the employer of the determination and require the employer to continue to pay its full premium into the state insurance fund. The administrator also shall adopt rules establishing a minimum level of performance as a criterion for granting and maintaining the status as a self-insuring employer and fixing time limits beyond which failure of the self-insuring employer to provide for the necessary medical examinations and evaluations may not delay a decision on a claim.

(G) The administrator shall adopt rules setting forth procedures for auditing the program of self-insuring employers. The bureau shall conduct the audit upon a random basis or whenever the bureau has grounds for believing that a self-insuring employer is not in full compliance with bureau rules or this chapter.

The administrator shall monitor the programs conducted by self-insuring employers, to ensure compliance with bureau requirements and for that purpose, shall develop and issue to self-insuring employers standardized forms for use by the self-insuring employer in all aspects of the self-insuring employers' direct compensation program and for reporting of information to the bureau.

The bureau shall receive and transmit to the self-insuring employer all complaints concerning any self-insuring employer. In the case of a complaint against a self-insuring employer, the administrator shall handle the complaint through the self-insurance division of the bureau. The bureau shall maintain a file by employer of all complaints received that relate to the employer. The bureau shall evaluate each complaint and take appropriate action.

The administrator shall adopt as a rule a prohibition against any self-insuring employer from harassing, dismissing, or otherwise disciplining any employee making a complaint, which rule shall provide for a financial penalty to be levied by the administrator payable by the offending self-insuring employer.

(H) For the purpose of making determinations as to whether to grant status as a self-insuring employer, the administrator may subscribe to and pay for a credit reporting service that offers financial and other business information about individual employers. The costs in connection with the bureau's subscription or individual reports from the service about an applicant may be included in the application fee charged employers under this section.

(I) The administrator, notwithstanding other provisions of this chapter,

may permit a self-insuring employer to resume payment of premiums to the state insurance fund with appropriate credit modifications to the employer's basic premium rate as such rate is determined pursuant to section 4123.29 of the Revised Code.

(J) On the first day of July of each year, the administrator shall calculate separately each self-insuring employer's assessments for the safety and hygiene fund, administrative costs pursuant to section 4123.342 of the Revised Code, and for the portion of the surplus fund under division (B) of section 4123.34 of the Revised Code that is not used for handicapped reimbursement, on the basis of the paid compensation attributable to the individual self-insuring employer according to the following calculation:

(1) The total assessment against all self-insuring employers as a class for each fund and for the administrative costs for the year that the assessment is being made, as determined by the administrator, divided by the total amount of paid compensation for the previous calendar year attributable to all amenable self-insuring employers;

(2) Multiply the quotient in division (J)(1) of this section by the total amount of paid compensation for the previous calendar year that is attributable to the individual self-insuring employer for whom the assessment is being determined. Each self-insuring employer shall pay the assessment that results from this calculation, unless the assessment resulting from this calculation falls below a minimum assessment, which minimum assessment the administrator shall determine on the first day of July of each year with the advice and consent of the bureau of workers' compensation board of directors, in which event, the self-insuring employer shall pay the minimum assessment.

In determining the total amount due for the total assessment against all self-insuring employers as a class for each fund and the administrative assessment, the administrator shall reduce proportionately the total for each fund and assessment by the amount of money in the self-insurance assessment fund as of the date of the computation of the assessment.

The administrator shall calculate the assessment for the portion of the surplus fund under division (B) of section 4123.34 of the Revised Code that is used for handicapped reimbursement in the same manner as set forth in divisions (J)(1) and (2) of this section except that the administrator shall calculate the total assessment for this portion of the surplus fund only on the basis of those self-insuring employers that retain participation in the handicapped reimbursement program and the individual self-insuring employer's proportion of paid compensation shall be calculated only for those self-insuring employers who retain participation in the handicapped

reimbursement program. The administrator, as the administrator determines appropriate, may determine the total assessment for the handicapped portion of the surplus fund in accordance with sound actuarial principles.

The administrator shall calculate the assessment for the portion of the surplus fund under division (B) of section 4123.34 of the Revised Code that under division (D) of section 4121.66 of the Revised Code is used for rehabilitation costs in the same manner as set forth in divisions (J)(1) and (2) of this section, except that the administrator shall calculate the total assessment for this portion of the surplus fund only on the basis of those self-insuring employers who have not made the election to make payments directly under division (D) of section 4121.66 of the Revised Code and an individual self-insuring employer's proportion of paid compensation only for those self-insuring employers who have not made that election.

The administrator shall calculate the assessment for the portion of the surplus fund under division (B) of section 4123.34 of the Revised Code that is used for reimbursement to a self-insuring employer under division (H) of section 4123.512 of the Revised Code in the same manner as set forth in divisions (J)(1) and (2) of this section except that the administrator shall calculate the total assessment for this portion of the surplus fund only on the basis of those self-insuring employers that retain participation in reimbursement to the self-insuring employer under division (H) of section 4123.512 of the Revised Code and the individual self-insuring employer's proportion of paid compensation shall be calculated only for those self-insuring employers who retain participation in reimbursement to the self-insuring employer under division (H) of section 4123.512 of the Revised Code.

An employer who no longer is a self-insuring employer in this state or who no longer is operating in this state, shall continue to pay assessments for administrative costs and for the portion of the surplus fund under division (B) of section 4123.34 of the Revised Code that is not used for handicapped reimbursement, based upon paid compensation attributable to claims that occurred while the employer was a self-insuring employer within this state.

(K) There is hereby created in the state treasury the self-insurance assessment fund. All investment earnings of the fund shall be deposited in the fund. The administrator shall use the money in the self-insurance assessment fund only for administrative costs as specified in section 4123.341 of the Revised Code.

(L) Every self-insuring employer shall certify, in affidavit form subject to the penalty for perjury, to the bureau the amount of the self-insuring

employer's paid compensation for the previous calendar year. In reporting paid compensation paid for the previous year, a self-insuring employer shall exclude from the total amount of paid compensation any reimbursement the self-insuring employer receives in the previous calendar year from the surplus fund pursuant to section 4123.512 of the Revised Code for any paid compensation. The self-insuring employer also shall exclude from the paid compensation reported any amount recovered under section 4123.931 of the Revised Code and any amount that is determined not to have been payable to or on behalf of a claimant in any final administrative or judicial proceeding. The self-insuring employer shall exclude such amounts from the paid compensation reported in the reporting period subsequent to the date the determination is made. The administrator shall adopt rules, in accordance with Chapter 119. of the Revised Code, that provide for all of the following:

(1) Establishing the date by which self-insuring employers must submit such information and the amount of the assessments provided for in division (J) of this section for employers who have been granted self-insuring status within the last calendar year;

(2) If an employer fails to pay the assessment when due, the administrator may add a late fee penalty of not more than five hundred dollars to the assessment plus an additional penalty amount as follows:

(a) For an assessment from sixty-one to ninety days past due, the prime interest rate, multiplied by the assessment due;

(b) For an assessment from ninety-one to one hundred twenty days past due, the prime interest rate plus two per cent, multiplied by the assessment due;

(c) For an assessment from one hundred twenty-one to one hundred fifty days past due, the prime interest rate plus four per cent, multiplied by the assessment due;

(d) For an assessment from one hundred fifty-one to one hundred eighty days past due, the prime interest rate plus six per cent, multiplied by the assessment due;

(e) For an assessment from one hundred eighty-one to two hundred ten days past due, the prime interest rate plus eight per cent, multiplied by the assessment due;

(f) For each additional thirty-day period or portion thereof that an assessment remains past due after it has remained past due for more than two hundred ten days, the prime interest rate plus eight per cent, multiplied by the assessment due.

(3) An employer may appeal a late fee penalty and penalty assessment

to the administrator.

For purposes of division (L)(2) of this section, "prime interest rate" means the average bank prime rate, and the administrator shall determine the prime interest rate in the same manner as a county auditor determines the average bank prime rate under section 929.02 of the Revised Code.

The administrator shall include any assessment and penalties that remain unpaid for previous assessment periods in the calculation and collection of any assessments due under this division or division (J) of this section.

(M) As used in this section, "paid compensation" means all amounts paid by a self-insuring employer for living maintenance benefits, all amounts for compensation paid pursuant to sections 4121.63, 4121.67, 4123.56, 4123.57, 4123.58, 4123.59, 4123.60, and 4123.64 of the Revised Code, all amounts paid as wages in lieu of such compensation, all amounts paid in lieu of such compensation under a nonoccupational accident and sickness program fully funded by the self-insuring employer, and all amounts paid by a self-insuring employer for a violation of a specific safety standard pursuant to Section 35 of Article II, Ohio Constitution and section 4121.47 of the Revised Code.

(N) Should any section of this chapter or Chapter 4121. of the Revised Code providing for self-insuring employers' assessments based upon compensation paid be declared unconstitutional by a final decision of any court, then that section of the Revised Code declared unconstitutional shall revert back to the section in existence prior to November 3, 1989, providing for assessments based upon payroll.

(O) The administrator may grant a self-insuring employer the privilege to self-insure a construction project entered into by the self-insuring employer that is scheduled for completion within six years after the date the project begins, and the total cost of which is estimated to exceed one hundred million dollars or, for employers described in division (R) of this section, if the construction project is estimated to exceed twenty-five million dollars. The administrator may waive such cost and time criteria and grant a self-insuring employer the privilege to self-insure a construction project regardless of the time needed to complete the construction project and provided that the cost of the construction project is estimated to exceed fifty million dollars. A self-insuring employer who desires to self-insure a construction project shall submit to the administrator an application listing the dates the construction project is scheduled to begin and end, the estimated cost of the construction project, the contractors and subcontractors whose employees are to be self-insured by the self-insuring employer, the

provisions of a safety program that is specifically designed for the construction project, and a statement as to whether a collective bargaining agreement governing the rights, duties, and obligations of each of the parties to the agreement with respect to the construction project exists between the self-insuring employer and a labor organization.

A self-insuring employer may apply to self-insure the employees of either of the following:

(1) All contractors and subcontractors who perform labor or work or provide materials for the construction project;

(2) All contractors and, at the administrator's discretion, a substantial number of all the subcontractors who perform labor or work or provide materials for the construction project.

Upon approval of the application, the administrator shall mail a certificate granting the privilege to self-insure the construction project to the self-insuring employer. The certificate shall contain the name of the self-insuring employer and the name, address, and telephone number of the self-insuring employer's representatives who are responsible for administering workers' compensation claims for the construction project. The self-insuring employer shall post the certificate in a conspicuous place at the site of the construction project.

The administrator shall maintain a record of the contractors and subcontractors whose employees are covered under the certificate issued to the self-insured employer. A self-insuring employer immediately shall notify the administrator when any contractor or subcontractor is added or eliminated from inclusion under the certificate.

Upon approval of the application, the self-insuring employer is responsible for the administration and payment of all claims under this chapter and Chapter 4121. of the Revised Code for the employees of the contractor and subcontractors covered under the certificate who receive injuries or are killed in the course of and arising out of employment on the construction project, or who contract an occupational disease in the course of employment on the construction project. For purposes of this chapter and Chapter 4121. of the Revised Code, a claim that is administered and paid in accordance with this division is considered a claim against the self-insuring employer listed in the certificate. A contractor or subcontractor included under the certificate shall report to the self-insuring employer listed in the certificate, all claims that arise under this chapter and Chapter 4121. of the Revised Code in connection with the construction project for which the certificate is issued.

A self-insuring employer who complies with this division is entitled to

the protections provided under this chapter and Chapter 4121. of the Revised Code with respect to the employees of the contractors and subcontractors covered under a certificate issued under this division for death or injuries that arise out of, or death, injuries, or occupational diseases that arise in the course of, those employees' employment on that construction project, as if the employees were employees of the self-insuring employer, provided that the self-insuring employer also complies with this section. No employee of the contractors and subcontractors covered under a certificate issued under this division shall be considered the employee of the self-insuring employer listed in that certificate for any purposes other than this chapter and Chapter 4121. of the Revised Code. Nothing in this division gives a self-insuring employer authority to control the means, manner, or method of employment of the employees of the contractors and subcontractors covered under a certificate issued under this division.

The contractors and subcontractors included under a certificate issued under this division are entitled to the protections provided under this chapter and Chapter 4121. of the Revised Code with respect to the contractor's or subcontractor's employees who are employed on the construction project which is the subject of the certificate, for death or injuries that arise out of, or death, injuries, or occupational diseases that arise in the course of, those employees' employment on that construction project.

The contractors and subcontractors included under a certificate issued under this division shall identify in their payroll records the employees who are considered the employees of the self-insuring employer listed in that certificate for purposes of this chapter and Chapter 4121. of the Revised Code, and the amount that those employees earned for employment on the construction project that is the subject of that certificate. Notwithstanding any provision to the contrary under this chapter and Chapter 4121. of the Revised Code, the administrator shall exclude the payroll that is reported for employees who are considered the employees of the self-insuring employer listed in that certificate, and that the employees earned for employment on the construction project that is the subject of that certificate, when determining those contractors' or subcontractors' premiums or assessments required under this chapter and Chapter 4121. of the Revised Code. A self-insuring employer issued a certificate under this division shall include in the amount of paid compensation it reports pursuant to division (L) of this section, the amount of paid compensation the self-insuring employer paid pursuant to this division for the previous calendar year.

Nothing in this division shall be construed as altering the rights of employees under this chapter and Chapter 4121. of the Revised Code as

those rights existed prior to September 17, 1996. Nothing in this division shall be construed as altering the rights devolved under sections 2305.31 and 4123.82 of the Revised Code as those rights existed prior to September 17, 1996.

As used in this division, "privilege to self-insure a construction project" means privilege to pay individually compensation, and to furnish medical, surgical, nursing, and hospital services and attention and funeral expenses directly to injured employees or the dependents of killed employees.

(P) A self-insuring employer whose application is granted under division (O) of this section shall designate a safety professional to be responsible for the administration and enforcement of the safety program that is specifically designed for the construction project that is the subject of the application.

A self-insuring employer whose application is granted under division (O) of this section shall employ an ombudsperson for the construction project that is the subject of the application. The ombudsperson shall have experience in workers' compensation or the construction industry, or both. The ombudsperson shall perform all of the following duties:

(1) Communicate with and provide information to employees who are injured in the course of, or whose injury arises out of employment on the construction project, or who contract an occupational disease in the course of employment on the construction project;

(2) Investigate the status of a claim upon the request of an employee to do so;

(3) Provide information to claimants, third party administrators, employers, and other persons to assist those persons in protecting their rights under this chapter and Chapter 4121. of the Revised Code.

A self-insuring employer whose application is granted under division (O) of this section shall post the name of the safety professional and the ombudsperson and instructions for contacting the safety professional and the ombudsperson in a conspicuous place at the site of the construction project.

(Q) The administrator may consider all of the following when deciding whether to grant a self-insuring employer the privilege to self-insure a construction project as provided under division (O) of this section:

(1) Whether the self-insuring employer has an organizational plan for the administration of the workers' compensation law;

(2) Whether the safety program that is specifically designed for the construction project provides for the safety of employees employed on the construction project, is applicable to all contractors and subcontractors who perform labor or work or provide materials for the construction project, and

has as a component, a safety training program that complies with standards adopted pursuant to the "Occupational Safety and Health Act of 1970," 84 Stat. 1590, 29 U.S.C.A. 651, and provides for continuing management and employee involvement;

(3) Whether granting the privilege to self-insure the construction project will reduce the costs of the construction project;

(4) Whether the self-insuring employer has employed an ombudsperson as required under division (P) of this section;

(5) Whether the self-insuring employer has sufficient surety to secure the payment of claims for which the self-insuring employer would be responsible pursuant to the granting of the privilege to self-insure a construction project under division (O) of this section.

(R) As used in divisions (O), (P), and (Q), "self-insuring employer" includes the following employers, whether or not they have been granted the status of being a self-insuring employer under division (B) of this section:

(1) A state institution of higher education;

(2) A school district;

(3) A county school financing district;

(4) An educational service center;

(5) A community school established under Chapter 3314. of the Revised Code;

(6) A municipal power agency as defined in section 3734.058 of the Revised Code.

(S) As used in this section:

(1) "Unvoted debt capacity" means the amount of money that a public employer may borrow without voter approval of a tax levy;

(2) "State institution of higher education" means the state universities listed in section 3345.011 of the Revised Code, community colleges created pursuant to Chapter 3354. of the Revised Code, university branches created pursuant to Chapter 3355. of the Revised Code, technical colleges created pursuant to Chapter 3357. of the Revised Code, and state community colleges created pursuant to Chapter 3358. of the Revised Code.

Sec. 4123.54. (A) Except as otherwise provided in ~~division~~ divisions (I) and (K) of this section, every employee, who is injured or who contracts an occupational disease, and the dependents of each employee who is killed, or dies as the result of an occupational disease contracted in the course of employment, wherever such injury has occurred or occupational disease has been contracted, provided the same were not:

(1) Purposely self-inflicted; or

(2) Caused by the employee being intoxicated or under the influence of

a controlled substance not prescribed by a physician where the intoxication or being under the influence of the controlled substance not prescribed by a physician was the proximate cause of the injury, is entitled to receive, either directly from the employee's self-insuring employer as provided in section 4123.35 of the Revised Code, or from the state insurance fund, the compensation for loss sustained on account of the injury, occupational disease, or death, and the medical, nurse, and hospital services and medicines, and the amount of funeral expenses in case of death, as are provided by this chapter.

(B) For the purpose of this section, provided that an employer has posted written notice to employees that the results of, or the employee's refusal to submit to, any chemical test described under this division may affect the employee's eligibility for compensation and benefits pursuant to this chapter and Chapter 4121. of the Revised Code, there is a rebuttable presumption that an employee is intoxicated or under the influence of a controlled substance not prescribed by the employee's physician and that being intoxicated or under the influence of a controlled substance not prescribed by the employee's physician is the proximate cause of an injury under either of the following conditions:

(1) When any one or more of the following is true:

(a) The employee, through a qualifying chemical test administered within eight hours of an injury, is determined to have an alcohol concentration level equal to or in excess of the levels established in divisions (A)(1)(b) to (i) of section 4511.19 of the Revised Code;

(b) The employee, through a qualifying chemical test administered within thirty-two hours of an injury, is determined to have one of the following controlled substances not prescribed by the employee's physician in the employee's system that tests above the following levels in an enzyme multiplied immunoassay technique screening test and above the levels established in division (B)(1)(c) of this section in a gas chromatography mass spectrometry test:

(i) For amphetamines, one thousand nanograms per milliliter of urine;

(ii) For cannabinoids, fifty nanograms per milliliter of urine;

(iii) For cocaine, including crack cocaine, three hundred nanograms per milliliter of urine;

(iv) For opiates, two thousand nanograms per milliliter of urine;

(v) For phencyclidine, twenty-five nanograms per milliliter of urine.

(c) The employee, through a qualifying chemical test administered within thirty-two hours of an injury, is determined to have one of the following controlled substances not prescribed by the employee's physician

in the employee's system that tests above the following levels by a gas chromatography mass spectrometry test:

- (i) For amphetamines, five hundred nanograms per milliliter of urine;
 - (ii) For cannabinoids, fifteen nanograms per milliliter of urine;
 - (iii) For cocaine, including crack cocaine, one hundred fifty nanograms per milliliter of urine;
 - (iv) For opiates, two thousand nanograms per milliliter of urine;
 - (v) For phencyclidine, twenty-five nanograms per milliliter of urine.
- (d) The employee, through a qualifying chemical test administered within thirty-two hours of an injury, is determined to have barbiturates, benzodiazepines, methadone, or propoxyphene in the employee's system that tests above levels established by laboratories certified by the United States department of health and human services.

(2) When the employee refuses to submit to a requested chemical test, on the condition that that employee is or was given notice that the refusal to submit to any chemical test described in division (B)(1) of this section may affect the employee's eligibility for compensation and benefits under this chapter and Chapter 4121. of the Revised Code.

(C)(1) For purposes of division (B) of this section, a chemical test is a qualifying chemical test if it is administered to an employee after an injury under at least one of the following conditions:

- (a) When the employee's employer had reasonable cause to suspect that the employee may be intoxicated or under the influence of a controlled substance not prescribed by the employee's physician;
- (b) At the request of a police officer pursuant to section 4511.191 of the Revised Code, and not at the request of the employee's employer;
- (c) At the request of a licensed physician who is not employed by the employee's employer, and not at the request of the employee's employer.

(2) As used in division (C)(1)(a) of this section, "reasonable cause" means, but is not limited to, evidence that an employee is or was using alcohol or a controlled substance drawn from specific, objective facts and reasonable inferences drawn from these facts in light of experience and training. These facts and inferences may be based on, but are not limited to, any of the following:

- (a) Observable phenomena, such as direct observation of use, possession, or distribution of alcohol or a controlled substance, or of the physical symptoms of being under the influence of alcohol or a controlled substance, such as but not limited to slurred speech, dilated pupils, odor of alcohol or a controlled substance, changes in affect, or dynamic mood swings;

(b) A pattern of abnormal conduct, erratic or aberrant behavior, or deteriorating work performance such as frequent absenteeism, excessive tardiness, or recurrent accidents, that appears to be related to the use of alcohol or a controlled substance, and does not appear to be attributable to other factors;

(c) The identification of an employee as the focus of a criminal investigation into unauthorized possession, use, or trafficking of a controlled substance;

(d) A report of use of alcohol or a controlled substance provided by a reliable and credible source;

(e) Repeated or flagrant violations of the safety or work rules of the employee's employer, that are determined by the employee's supervisor to pose a substantial risk of physical injury or property damage and that appear to be related to the use of alcohol or a controlled substance and that do not appear attributable to other factors.

(D) Nothing in this section shall be construed to affect the rights of an employer to test employees for alcohol or controlled substance abuse.

(E) For the purpose of this section, laboratories certified by the United States department of health and human services or laboratories that meet or exceed the standards of that department for laboratory certification shall be used for processing the test results of a qualifying chemical test.

(F) The written notice required by division (B) of this section shall be the same size or larger ~~then~~ than the certificate of premium payment notice furnished by the bureau of workers' compensation and shall be posted by the employer in the same location as the certificate of premium payment notice or the certificate of self-insurance.

(G) If a condition that pre-existed an injury is substantially aggravated by the injury, and that substantial aggravation is documented by objective diagnostic findings, objective clinical findings, or objective test results, no compensation or benefits are payable because of the pre-existing condition once that condition has returned to a level that would have existed without the injury.

(H)(1) Whenever, with respect to an employee of an employer who is subject to and has complied with this chapter, there is possibility of conflict with respect to the application of workers' compensation laws because the contract of employment is entered into and all or some portion of the work is or is to be performed in a state or states other than Ohio, the employer and the employee may agree to be bound by the laws of this state or by the laws of some other state in which all or some portion of the work of the employee is to be performed. The agreement shall be in writing and shall be filed with

the bureau of workers' compensation within ten days after it is executed and shall remain in force until terminated or modified by agreement of the parties similarly filed. If the agreement is to be bound by the laws of this state and the employer has complied with this chapter, then the employee is entitled to compensation and benefits regardless of where the injury occurs or the disease is contracted and the rights of the employee and the employee's dependents under the laws of this state are the exclusive remedy against the employer on account of injury, disease, or death in the course of and arising out of the employee's employment. If the agreement is to be bound by the laws of another state and the employer has complied with the laws of that state, the rights of the employee and the employee's dependents under the laws of that state are the exclusive remedy against the employer on account of injury, disease, or death in the course of and arising out of the employee's employment without regard to the place where the injury was sustained or the disease contracted. If an employer and an employee enter into an agreement under this division, the fact that the employer and the employee entered into that agreement shall not be construed to change the status of an employee whose continued employment is subject to the will of the employer or the employee, unless the agreement contains a provision that expressly changes that status.

(2) If any employee or the employee's dependents pursue workers' compensation benefits or recover damages from the employer under the laws of another state, the amount awarded or recovered, whether paid or to be paid in future installments, shall be credited on the amount of any award of compensation or benefits made to the employee or the employee's dependents by the bureau. If an employee or the employee's dependents pursue or receive an award of compensation or benefits under this chapter or Chapter 4121., 4127., or 4131. of the Revised Code for the same injury, occupational disease, or death for which the employee or the employee's dependents pursued workers' compensation benefits and received a decision on the merits as defined in section 4123.542 of the Revised Code under the laws of another state or recovered damages under the laws of another state, the administrator or any employer, by any lawful means, may collect the amount of compensation or benefits paid to or on behalf of the employee or the employee's dependents by the administrator or a self-insuring employer pursuant to this chapter or Chapter 4121., 4127., or 4131. of the Revised Code for that award. The administrator or any employer also may collect from the employee or the employee's dependents any costs and attorney's fees the administrator or the employer incurs in collecting that payment and any attorney's fees, penalties, interest, awards, and costs incurred by an

employer in contesting or responding to any claim filed by the employee or the employee's dependents for the same injury, occupational disease, or death that was filed after the original claim for which the employee or the employee's dependents received a decision on the merits as described in section 4123.542 of the Revised Code. If the employee's employer pays premiums into the state insurance fund, the administrator shall not charge the amount of compensation or benefits the administrator collects pursuant to this division to the employer's experience. If the administrator collects any costs, penalties, interest, awards, or attorney's fees incurred by a state fund employer, the administrator shall forward the amount of such costs, penalties, interest, awards, and attorney's fees the administrator collects to that employer. If the employee's employer is a self-insuring employer, the self-insuring employer shall deduct the amount of compensation or benefits the self-insuring employer collects pursuant to this division from the paid compensation the self-insuring employer reports to the administrator under division (L) of section 4123.35 of the Revised Code.

(3) Except as otherwise stipulated in division (H)(4) of this section, if an employee is a resident of a state other than this state and is insured under the workers' compensation law or similar laws of a state other than this state, the employee and the employee's dependents are not entitled to receive compensation or benefits under this chapter, on account of injury, disease, or death arising out of or in the course of employment while temporarily within this state, and the rights of the employee and the employee's dependents under the laws of the other state are the exclusive remedy against the employer on account of the injury, disease, or death.

(4) Division (H)(3) of this section does not apply to an employee described in that division, or the employee's dependents, unless both of the following apply:

(a) The laws of the other state limit the ability of an employee who is a resident of this state and is covered by this chapter and Chapter 4123. of the Revised Code, or the employee's dependents, to receive compensation or benefits under the other state's workers' compensation law on account of injury, disease, or death incurred by the employee that arises out of or in the course of the employee's employment while temporarily within that state in the same manner as specified in division (H)(3) of this section for an employee who is a resident of a state other than this state, or the employee's dependents;

(b) The laws of the other state limit the liability of the employer of the employee who is a resident of this state and who is described in division (H)(4)(a) of this section for that injury, disease, or death, in the same

manner specified in division (H)(3) of this section for the employer of an employee who is a resident of the other state.

(5) An employee, or the dependent of an employee, who elects to receive compensation and benefits under this chapter or Chapter 4121., 4127., or 4131. of the Revised Code for a claim may not receive compensation and benefits under the workers' compensation laws of any state other than this state for that same claim. For each claim submitted by or on behalf of an employee, the administrator or, if the employee is employed by a self-insuring employer, the self-insuring employer shall request the employee or the employee's dependent to sign an election that affirms the employee's or employee's dependent's acceptance of electing to receive compensation and benefits under this chapter or Chapter 4121., 4127., or 4131. of the Revised Code for that claim that also affirmatively waives and releases the employee's or the employee's dependent's right to file for and receive compensation and benefits under the laws of any state other than this state for that claim. The employee or employee's dependent shall sign the election form within twenty-eight days after the administrator or self-insuring employer submits the request or the administrator or self-insuring employer shall suspend that claim until the administrator or self-insuring employer receives the signed election form.

(I) If an employee who is covered under the federal "Longshore and Harbor Workers' Compensation Act," 98 Stat. 1639, 33 U.S.C. 901 et seq., is injured or contracts an occupational disease or dies as a result of an injury or occupational disease, and if that employee's or that employee's dependents' claim for compensation or benefits for that injury, occupational disease, or death is subject to the jurisdiction of that act, the employee or the employee's dependents are not entitled to apply for and shall not receive compensation or benefits under this chapter and Chapter 4121. of the Revised Code. The rights of such an employee and the employee's dependents under the federal "Longshore and Harbor Workers' Compensation Act," 98 Stat. 1639, 33 U.S.C. 901 et seq., are the exclusive remedy against the employer for that injury, occupational disease, or death.

(J) Compensation or benefits are not payable to a claimant during the period of confinement of the claimant in any state or federal correctional institution, or in any county jail in lieu of incarceration in a state or federal correctional institution, whether in this or any other state for conviction of violation of any state or federal criminal law.

(K) An employer, upon the approval of the administrator, may provide for workers' compensation coverage for the employer's employees who are professional athletes and coaches by submitting to the administrator proof of

coverage under a league policy issued under the laws of another state under either of the following circumstances:

(1) The employer administers the payroll and workers' compensation insurance for a professional sports team subject to a collective bargaining agreement, and the collective bargaining agreement provides for the uniform administration of workers' compensation benefits and compensation for professional athletes.

(2) The employer is a professional sports league, or is a member team of a professional sports league, and all of the following apply:

(a) The professional sports league operates as a single entity, whereby all of the players and coaches of the sports league are employees of the sports league and not of the individual member teams.

(b) The professional sports league at all times maintains workers' compensation insurance that provides coverage for the players and coaches of the sports league.

(c) Each individual member team of the professional sports league, pursuant to the organizational or operating documents of the sports league, is obligated to the sports league to pay to the sports league any workers' compensation claims that are not covered by the workers' compensation insurance maintained by the sports league.

If the administrator approves the employer's proof of coverage submitted under division (K) of this section, a professional athlete or coach who is an employee of the employer and the dependents of the professional athlete or coach are not entitled to apply for and shall not receive compensation or benefits under this chapter and Chapter 4121. of the Revised Code. The rights of such an athlete or coach and the dependents of such an athlete or coach under the laws of the state where the policy was issued are the exclusive remedy against the employer for the athlete or coach if the athlete or coach suffers an injury or contracts an occupational disease in the course of employment, or for the dependents of the athlete or the coach if the athlete or coach is killed as a result of an injury or dies as a result of an occupational disease, regardless of the location where the injury was suffered or the occupational disease was contracted.

Sec. 4123.57. Partial disability compensation shall be paid as follows.

Except as provided in this section, not earlier than twenty-six weeks after the date of termination of the latest period of payments under section 4123.56 of the Revised Code, or not earlier than twenty-six weeks after the date of the injury or contraction of an occupational disease in the absence of payments under section 4123.56 of the Revised Code, the employee may file an application with the bureau of workers' compensation for the

determination of the percentage of the employee's permanent partial disability resulting from an injury or occupational disease.

Whenever the application is filed, the bureau shall send a copy of the application to the employee's employer or the employer's representative and shall schedule the employee for a medical examination by the bureau medical section. The bureau shall send a copy of the report of the medical examination to the employee, the employer, and their representatives. Thereafter, the administrator of workers' compensation shall review the employee's claim file and make a tentative order as the evidence before the administrator at the time of the making of the order warrants. If the administrator determines that there is a conflict of evidence, the administrator shall send the application, along with the claimant's file, to the district hearing officer who shall set the application for a hearing.

The administrator shall notify the employee, the employer, and their representatives, in writing, of the tentative order and of the parties' right to request a hearing. Unless the employee, the employer, or their representative notifies the administrator, in writing, of an objection to the tentative order within twenty days after receipt of the notice thereof, the tentative order shall go into effect and the employee shall receive the compensation provided in the order. In no event shall there be a reconsideration of a tentative order issued under this division.

If the employee, the employer, or their representatives timely notify the administrator of an objection to the tentative order, the matter shall be referred to a district hearing officer who shall set the application for hearing with written notices to all interested persons. Upon referral to a district hearing officer, the employer may obtain a medical examination of the employee, pursuant to rules of the industrial commission.

(A) The district hearing officer, upon the application, shall determine the percentage of the employee's permanent disability, except as is subject to division (B) of this section, based upon that condition of the employee resulting from the injury or occupational disease and causing permanent impairment evidenced by medical or clinical findings reasonably demonstrable. The employee shall receive sixty-six and two-thirds per cent of the employee's average weekly wage, but not more than a maximum of thirty-three and one-third per cent of the statewide average weekly wage as defined in division (C) of section 4123.62 of the Revised Code, per week regardless of the average weekly wage, for the number of weeks which equals the percentage of two hundred weeks. Except on application for reconsideration, review, or modification, which is filed within ten days after the date of receipt of the decision of the district hearing officer, in no

instance shall the former award be modified unless it is found from medical or clinical findings that the condition of the claimant resulting from the injury has so progressed as to have increased the percentage of permanent partial disability. A staff hearing officer shall hear an application for reconsideration filed and the staff hearing officer's decision is final. An employee may file an application for a subsequent determination of the percentage of the employee's permanent disability. If such an application is filed, the bureau shall send a copy of the application to the employer or the employer's representative. No sooner than sixty days from the date of the mailing of the application to the employer or the employer's representative, the administrator shall review the application. The administrator may require a medical examination or medical review of the employee. The administrator shall issue a tentative order based upon the evidence before the administrator, provided that if the administrator requires a medical examination or medical review, the administrator shall not issue the tentative order until the completion of the examination or review.

The employer may obtain a medical examination of the employee and may submit medical evidence at any stage of the process up to a hearing before the district hearing officer, pursuant to rules of the commission. The administrator shall notify the employee, the employer, and their representatives, in writing, of the nature and amount of any tentative order issued on an application requesting a subsequent determination of the percentage of an employee's permanent disability. An employee, employer, or their representatives may object to the tentative order within twenty days after the receipt of the notice thereof. If no timely objection is made, the tentative order shall go into effect. In no event shall there be a reconsideration of a tentative order issued under this division. If an objection is timely made, the application for a subsequent determination shall be referred to a district hearing officer who shall set the application for a hearing with written notice to all interested persons. No application for subsequent percentage determinations on the same claim for injury or occupational disease shall be accepted for review by the district hearing officer unless supported by substantial evidence of new and changed circumstances developing since the time of the hearing on the original or last determination.

No award shall be made under this division based upon a percentage of disability which, when taken with all other percentages of permanent disability, exceeds one hundred per cent. If the percentage of the permanent disability of the employee equals or exceeds ninety per cent, compensation for permanent partial disability shall be paid for two hundred weeks.

Compensation payable under this division accrues and is payable to the employee from the date of last payment of compensation, or, in cases where no previous compensation has been paid, from the date of the injury or the date of the diagnosis of the occupational disease.

When an award under this division has been made prior to the death of an employee, all unpaid installments accrued or to accrue under the provisions of the award are payable to the surviving spouse, or if there is no surviving spouse, to the dependent children of the employee, and if there are no children surviving, then to other dependents as the administrator determines.

(B) ~~It~~ For purposes of this division, "payable per week" means the seven consecutive day period in which compensation is paid in installments according to the schedule associated with the applicable injury as set forth in this division.

Compensation paid in weekly installments according to the schedule described in this division may only be commuted to one or more lump-sum payments pursuant to the procedure set forth in section 4123.64 of the Revised Code.

In cases included in the following schedule the compensation payable per week to the employee is the statewide average weekly wage as defined in division (C) of section 4123.62 of the Revised Code per week and shall continue during the periods provided in be paid in installments according to the following schedule:

For the loss of a first finger, commonly known as a thumb, sixty weeks.

For the loss of a second finger, commonly called index finger, thirty-five weeks.

For the loss of a third finger, thirty weeks.

For the loss of a fourth finger, twenty weeks.

For the loss of a fifth finger, commonly known as the little finger, fifteen weeks.

The loss of a second, or distal, phalange of the thumb is considered equal to the loss of one half of such thumb; the loss of more than one half of such thumb is considered equal to the loss of the whole thumb.

The loss of the third, or distal, phalange of any finger is considered equal to the loss of one-third of the finger.

The loss of the middle, or second, phalange of any finger is considered equal to the loss of two-thirds of the finger.

The loss of more than the middle and distal phalanges of any finger is considered equal to the loss of the whole finger. In no case shall the amount received for more than one finger exceed the amount provided in this

schedule for the loss of a hand.

For the loss of the metacarpal bone (bones of the palm) for the corresponding thumb, or fingers, add ten weeks to the number of weeks under this division.

For ankylosis (total stiffness of) or contractures (due to scars or injuries) which makes any of the fingers, thumbs, or parts of either useless, the same number of weeks apply to the members or parts thereof as given for the loss thereof.

If the claimant has suffered the loss of two or more fingers by amputation or ankylosis and the nature of the claimant's employment in the course of which the claimant was working at the time of the injury or occupational disease is such that the handicap or disability resulting from the loss of fingers, or loss of use of fingers, exceeds the normal handicap or disability resulting from the loss of fingers, or loss of use of fingers, the administrator may take that fact into consideration and increase the award of compensation accordingly, but the award made shall not exceed the amount of compensation for loss of a hand.

For the loss of a hand, one hundred seventy-five weeks.

For the loss of an arm, two hundred twenty-five weeks.

For the loss of a great toe, thirty weeks.

For the loss of one of the toes other than the great toe, ten weeks.

The loss of more than two-thirds of any toe is considered equal to the loss of the whole toe.

The loss of less than two-thirds of any toe is considered no loss, except as to the great toe; the loss of the great toe up to the interphalangeal joint is co-equal to the loss of one-half of the great toe; the loss of the great toe beyond the interphalangeal joint is considered equal to the loss of the whole great toe.

For the loss of a foot, one hundred fifty weeks.

For the loss of a leg, two hundred weeks.

For the loss of the sight of an eye, one hundred twenty-five weeks.

For the permanent partial loss of sight of an eye, the portion of one hundred twenty-five weeks as the administrator in each case determines, based upon the percentage of vision actually lost as a result of the injury or occupational disease, but, in no case shall an award of compensation be made for less than twenty-five per cent loss of uncorrected vision. "Loss of uncorrected vision" means the percentage of vision actually lost as the result of the injury or occupational disease.

For the permanent and total loss of hearing of one ear, twenty-five weeks; but in no case shall an award of compensation be made for less than

permanent and total loss of hearing of one ear.

For the permanent and total loss of hearing, one hundred twenty-five weeks; but, except pursuant to the next preceding paragraph, in no case shall an award of compensation be made for less than permanent and total loss of hearing.

In case an injury or occupational disease results in serious facial or head disfigurement which either impairs or may in the future impair the opportunities to secure or retain employment, the administrator shall make an award of compensation as it deems proper and equitable, in view of the nature of the disfigurement, and not to exceed the sum of ten thousand dollars. For the purpose of making the award, it is not material whether the employee is gainfully employed in any occupation or trade at the time of the administrator's determination.

When an award under this division has been made prior to the death of an employee all unpaid installments accrued or to accrue under the provisions of the award shall be payable to the surviving spouse, or if there is no surviving spouse, to the dependent children of the employee and if there are no such children, then to such dependents as the administrator determines.

When an employee has sustained the loss of a member by severance, but no award has been made on account thereof prior to the employee's death, the administrator shall make an award in accordance with this division for the loss which shall be payable to the surviving spouse, or if there is no surviving spouse, to the dependent children of the employee and if there are no such children, then to such dependents as the administrator determines.

(C) Compensation for partial impairment under divisions (A) and (B) of this section is in addition to the compensation paid the employee pursuant to section 4123.56 of the Revised Code. A claimant may receive compensation under divisions (A) and (B) of this section.

In all cases arising under division (B) of this section, if it is determined by any one of the following: (1) the amputee clinic at University hospital, Ohio state university; (2) the rehabilitation services commission; (3) an amputee clinic or prescribing physician approved by the administrator or the administrator's designee, that an injured or disabled employee is in need of an artificial appliance, or in need of a repair thereof, regardless of whether the appliance or its repair will be serviceable in the vocational rehabilitation of the injured employee, and regardless of whether the employee has returned to or can ever again return to any gainful employment, the bureau shall pay the cost of the artificial appliance or its repair out of the surplus created by division (B) of section 4123.34 of the Revised Code.

In those cases where a rehabilitation services commission recommendation that an injured or disabled employee is in need of an artificial appliance would conflict with their state plan, adopted pursuant to the "Rehabilitation Act of 1973," 87 Stat. 355, 29 U.S.C.A. 701, the administrator or the administrator's designee or the bureau may obtain a recommendation from an amputee clinic or prescribing physician that they determine appropriate.

(D) If an employee of a state fund employer makes application for a finding and the administrator finds that the employee has contracted silicosis as defined in division (X), or coal miners' pneumoconiosis as defined in division (Y), or asbestosis as defined in division (AA) of section 4123.68 of the Revised Code, and that a change of such employee's occupation is medically advisable in order to decrease substantially further exposure to silica dust, asbestos, or coal dust and if the employee, after the finding, has changed or shall change the employee's occupation to an occupation in which the exposure to silica dust, asbestos, or coal dust is substantially decreased, the administrator shall allow to the employee an amount equal to fifty per cent of the statewide average weekly wage per week for a period of thirty weeks, commencing as of the date of the discontinuance or change, and for a period of one hundred weeks immediately following the expiration of the period of thirty weeks, the employee shall receive sixty-six and two-thirds per cent of the loss of wages resulting directly and solely from the change of occupation but not to exceed a maximum of an amount equal to fifty per cent of the statewide average weekly wage per week. No such employee is entitled to receive more than one allowance on account of discontinuance of employment or change of occupation and benefits shall cease for any period during which the employee is employed in an occupation in which the exposure to silica dust, asbestos, or coal dust is not substantially less than the exposure in the occupation in which the employee was formerly employed or for any period during which the employee may be entitled to receive compensation or benefits under section 4123.68 of the Revised Code on account of disability from silicosis, asbestosis, or coal miners' pneumoconiosis. An award for change of occupation for a coal miner who has contracted coal miners' pneumoconiosis may be granted under this division even though the coal miner continues employment with the same employer, so long as the coal miner's employment subsequent to the change is such that the coal miner's exposure to coal dust is substantially decreased and a change of occupation is certified by the claimant as permanent. The administrator may accord to the employee medical and other benefits in accordance with section 4123.66 of the Revised Code.

(E) If a firefighter or police officer makes application for a finding and the administrator finds that the firefighter or police officer has contracted a cardiovascular and pulmonary disease as defined in division (W) of section 4123.68 of the Revised Code, and that a change of the firefighter's or police officer's occupation is medically advisable in order to decrease substantially further exposure to smoke, toxic gases, chemical fumes, and other toxic vapors, and if the firefighter, or police officer, after the finding, has changed or changes occupation to an occupation in which the exposure to smoke, toxic gases, chemical fumes, and other toxic vapors is substantially decreased, the administrator shall allow to the firefighter or police officer an amount equal to fifty per cent of the statewide average weekly wage per week for a period of thirty weeks, commencing as of the date of the discontinuance or change, and for a period of seventy-five weeks immediately following the expiration of the period of thirty weeks the administrator shall allow the firefighter or police officer sixty-six and two-thirds per cent of the loss of wages resulting directly and solely from the change of occupation but not to exceed a maximum of an amount equal to fifty per cent of the statewide average weekly wage per week. No such firefighter or police officer is entitled to receive more than one allowance on account of discontinuance of employment or change of occupation and benefits shall cease for any period during which the firefighter or police officer is employed in an occupation in which the exposure to smoke, toxic gases, chemical fumes, and other toxic vapors is not substantially less than the exposure in the occupation in which the firefighter or police officer was formerly employed or for any period during which the firefighter or police officer may be entitled to receive compensation or benefits under section 4123.68 of the Revised Code on account of disability from a cardiovascular and pulmonary disease. The administrator may accord to the firefighter or police officer medical and other benefits in accordance with section 4123.66 of the Revised Code.

(F) An order issued under this section is appealable pursuant to section 4123.511 of the Revised Code but is not appealable to court under section 4123.512 of the Revised Code.

Sec. 4141.35. (B) If the director finds that an applicant for benefits has been credited with a waiting period or paid benefits to which the applicant was not entitled for reasons other than fraudulent misrepresentation, the director shall:

(1)(a) Within six months after the determination under which the claimant was credited with that waiting period or paid benefits becomes final pursuant to section 4141.28 of the Revised Code, or within three years after the end of the benefit year in which such benefits were claimed, whichever is later, by order cancel such waiting period and require that such benefits be repaid to the director or be withheld from any benefits to which such applicant is or may become entitled before any additional benefits are paid, provided that the repayment or withholding shall not be required where the overpayment is the result of the director's correcting a prior decision due to a typographical or clerical error in the director's prior decision, or an error in an employer's report under division (G) of section 4141.28 of the Revised Code.

(b) The limitation specified in division (B)(1)(a) of this section shall not apply to cases involving the retroactive payment of remuneration covering periods for which benefits were previously paid to the claimant. However, in such cases, the director's order requiring repayment shall not be issued unless the director is notified of such retroactive payment within six months from the date the retroactive payment was made to the claimant.

(2) The director may, by reciprocal agreement with the United States secretary of labor or another state, recover overpayment amounts from unemployment benefits otherwise payable to an individual under Chapter 4141. of the Revised Code. (C) The appeal provisions of sections 4141.281 and 4141.282 of the Revised Code shall apply to all orders and determinations issued under this

section, except that an individual's right of appeal under division (B)(2) of this section shall be limited to this state's authority to recover overpayment of benefits.

(D) If an individual makes a full repayment or a repayment that is less than the full amount required by this section, the director shall apply the repayment to the mutualized account under division (B) of section 4141.25 of the Revised Code, except that the director shall credit the repayment to the accounts of the individual's base period employers that previously have not been credited for the amount of improperly paid benefits charged against their accounts based on the proportion of benefits charged against the accounts as determined pursuant to division (D) of section 4141.24 of the Revised Code.

The rules shall allow an online driver training enterprise to be affiliated with a licensed driver training school offering in-person classroom instruction, but

shall not require such an affiliation.

(b) Establish content requirements that an online driver education course must satisfy to be approved as equivalent to twenty-four hours of in-person classroom instruction:

(c) Establish attendance standards, including a maximum number of course hours that may be completed in a twenty-four-hour period:

Sec. 4510.037. (A) When the registrar of motor vehicles determines that the total points charged against any person under section 4510.036 of the Revised Code exceed five, the registrar shall send a warning letter to the person at the person's last known address by regular mail. The warning letter shall list the reported violations that are the basis of the points charged, list the number of points charged for each violation, and outline the suspension

provisions of this section.

(B) When the registrar determines that the total points charged against any person under section 4510.036 of the Revised Code within any two-year period beginning on the date of the first conviction within the two-year period is equal to twelve or more, the registrar shall send a written notice to the person at the person's last known address by regular mail. The notice shall list the reported violations that are the basis of the points charged, list the number of points charged for each violation, and state that, because the total number of points charged against the person within the applicable two-year period is equal to twelve or more, the registrar is imposing a class D suspension of the person's driver's or commercial driver's license or permit or nonresident operating privileges for the period of time specified in division (B)(4) of section 4510.02 of the Revised Code. The notice also shall state that the suspension is effective on the twentieth day after the mailing of the notice, unless the person files a petition appealing the determination and suspension in the municipal court, county court, or, if the person is under the age of eighteen, the juvenile division of the court of common pleas in whose jurisdiction the person resides or, if the person is not a resident of this state, in the Franklin county municipal court or juvenile division of the Franklin county court of common pleas. By filing the appeal of the determination and suspension, the person agrees to pay the cost of the proceedings in the appeal of the determination and suspension and alleges that the person can show cause why the person's driver's or commercial driver's license or permit or nonresident operating privileges should not be suspended.

(C)(1) Any person against whom at least two but less than twelve points have been charged under section 4510.036 of the Revised Code may enroll in a course of remedial driving instruction that is approved by the director of public safety. Upon the person's completion of an approved course of remedial driving instruction, the person may apply to the registrar on a form prescribed by the registrar for a credit of two points on the person's driving record. Upon receipt of the application and proof of completion of the approved remedial driving course, the registrar shall approve the two-point credit. The registrar shall not approve any credits for a person who completes an approved course of remedial driving instruction pursuant to a judge's order under section 4510.02 of the Revised Code.

(2) In any three-year period, the registrar shall approve only one two-point credit on a person's driving record under division (C)(1) of this section. The registrar shall approve not more than five two-point credits on a person's driving record under division (C)(1) of this section during that

person's lifetime.

(D) When a judge of a court of record suspends a person's driver's or commercial driver's license or permit or nonresident operating privilege and charges points against the person under section 4510.036 of the Revised Code for the offense that resulted in the suspension, the registrar shall credit that period of suspension against the time of any subsequent suspension imposed under this section for which those points were used to impose the subsequent suspension. When a United States district court that has jurisdiction within this state suspends a person's driver's or commercial driver's license or permit or nonresident operating privileges pursuant to the "Assimilative Crimes Act," 102 Stat. 4381 (1988), 18 U.S.C.A. 13, as amended, the district court prepares an abstract pursuant to section 4510.031 of the Revised Code, and the district court charges points against the person under section 4510.036 of the Revised Code for the offense that resulted in the suspension, the registrar shall credit the period of suspension imposed by the district court against the time of any subsequent suspension imposed under this section for which the points were used to impose the subsequent suspension.

(E) The registrar, upon the written request of a licensee who files a petition under division (B) of this section, shall furnish the licensee a certified copy of the registrar's record of the convictions and bond forfeitures of the person. This record shall include the name, address, and date of birth of the licensee; the name of the court in which each conviction or bail forfeiture took place; the nature of the offense that was the basis of the conviction or bond forfeiture; and any other information that the registrar considers necessary. If the record indicates that twelve points or more have been charged against the person within a two-year period, it is prima-facie evidence that the person is a repeat traffic offender, and the registrar shall suspend the person's driver's or commercial driver's license or permit or nonresident operating privilege pursuant to division (B) of this section.

In hearing the petition and determining whether the person filing the petition has shown cause why the person's driver's or commercial driver's license or permit or nonresident operating privilege should not be suspended, the court shall decide the issue on the record certified by the registrar and any additional relevant, competent, and material evidence that either the registrar or the person whose license is sought to be suspended submits.

(F) If a petition is filed under division (B) of this section in a county court, the prosecuting attorney of the county in which the case is pending

shall represent the registrar in the proceedings, except that, if the petitioner resides in a municipal corporation within the jurisdiction of the county court, the city director of law, village solicitor, or other chief legal officer of the municipal corporation shall represent the registrar in the proceedings. If a petition is filed under division (B) of this section in a municipal court, the registrar shall be represented in the resulting proceedings as provided in section 1901.34 of the Revised Code.

(G) If the court determines from the evidence submitted that a person who filed a petition under division (B) of this section has failed to show cause why the person's driver's or commercial driver's license or permit or nonresident operating privileges should not be suspended, the court shall assess against the person the cost of the proceedings in the appeal of the determination and suspension and shall impose the applicable suspension under this section or suspend all or a portion of the suspension and impose any conditions upon the person that the court considers proper or impose upon the person a community control sanction pursuant to section 2929.15 or 2929.25 of the Revised Code. If the court determines from the evidence submitted that a person who filed a petition under division (B) of this section has shown cause why the person's driver's or commercial driver's license or permit or nonresident operating privileges should not be suspended, the costs of the appeal proceeding shall be paid out of the county treasury of the county in which the proceedings were held.

(H) Any person whose driver's or commercial driver's license or permit or nonresident operating privileges are suspended under this section is not entitled to apply for or receive a new driver's or commercial driver's license or permit or to request or be granted nonresident operating privileges during the effective period of the suspension.

(I) Upon the termination of any suspension or other penalty imposed under this section involving the surrender of license or permit and upon the request of the person whose license or permit was suspended or surrendered, the registrar shall return the license or permit to the person upon determining that the person has complied with all provisions of section 4510.038 of the Revised Code or, if the registrar destroyed the license or permit pursuant to section 4510.52 of the Revised Code, shall reissue the person's license or permit.

(J) Any person whose driver's or commercial driver's license or permit or nonresident operating privileges are suspended as a repeat traffic offender under this section and who, during the suspension, operates any motor vehicle upon any public roads and highways is guilty of driving under a twelve-point suspension, a misdemeanor of the first degree. The court shall

sentence the offender to a minimum term of three days in jail. No court shall suspend the first three days of jail time imposed pursuant to this division.

(K) The registrar, in accordance with specific statutory authority, may suspend the privilege of driving a motor vehicle on the public roads and highways of this state that is granted to nonresidents by section 4507.04 of the Revised Code.

(L) ~~Any~~ (1) Except as provided in division (L)(2) of this section, any course of remedial driving instruction the director of public safety approves under this section shall require its students to attend at least fifty per cent of the course in person. ~~The~~ and the director shall not approve any course of remedial driving instruction that permits its students to take more than fifty per cent of the course in any other manner, including via video teleconferencing or the internet.

(2) The director may approve a course of remedial instruction that permits students to take the entire course via video teleconferencing or the internet. In accordance with division (C) of this section, upon receiving an application with a certificate or other proof of completion of a course approved under this division, the registrar shall approve the two-point reduction.

Sec. 4510.038. (A) Any person whose driver's or commercial driver's license or permit is suspended or who is granted limited driving privileges under section 4510.037, under division (H) of section 4511.19, or under section 4510.07 of the Revised Code for a violation of a municipal ordinance that is substantially equivalent to division (B) of section 4511.19 of the Revised Code is not eligible to retain the license, or to have the driving privileges reinstated, until each of the following has occurred:

The course also shall devote a number of hours to instruction in the area of alcohol and drugs and the operation of vehicles. The instruction shall include, but not be limited to, a review of the laws governing the operation of a vehicle while under the influence of alcohol, drugs, or a combination of them, the dangers of operating a vehicle while under the influence of alcohol, drugs, or a combination of them, and other information relating to the operation of vehicles and the consumption of alcoholic beverages and use of drugs. The director, in consultation with the director of alcohol and drug addiction services, shall prescribe the content of the instruction. The number of hours devoted to the area of alcohol and drugs and the operation

of vehicles shall comprise a minimum of twenty-five per cent of the number of hours of instruction included in the course.

(2) The person is examined in the manner provided for in section 4507.20 of the Revised Code, and found by the registrar of motor vehicles to be qualified to operate a motor vehicle;

(3) The person gives and maintains proof of financial responsibility, in accordance with section 4509.45 of the Revised Code.

(B) ~~Any (1) Except as provided in division (B)(2) of this section, any~~ course of remedial driving instruction the director of public safety approves under this section shall require its students to attend at least fifty per cent of the course in person. ~~The~~ and the director shall not approve any course of remedial driving instruction that permits its students to take more than fifty per cent of the course in any other manner, including via video teleconferencing or the internet.

(2) Any person who operates a vehicle, streetcar, or trackless trolley upon a highway or any public or private property used by the public for vehicular travel or parking within this state or who is in physical control of a vehicle, streetcar, or trackless trolley shall be deemed to have given consent to a chemical test or tests of the person's whole blood, blood serum or plasma, breath, or urine to determine the alcohol, drug of abuse, controlled substance, metabolite of a controlled substance, or combination content of the person's whole blood, blood serum or plasma, breath, or urine if arrested for a violation of division (A) or (B) of section 4511.19 of the Revised Code, section 4511.194 of the Revised Code or a substantially equivalent municipal ordinance, or a municipal OVI ordinance.

(3) The chemical test or tests under division (A)(2) of this section shall

be administered at the request of a law enforcement officer having reasonable grounds to believe the person was operating or in physical control of a vehicle, streetcar, or trackless trolley in violation of a division, section, or ordinance identified in division (A)(2) of this section. The law enforcement agency by which the officer is employed shall designate which of the tests shall be administered.

(4) Any person who is dead or unconscious, or who otherwise is in a condition rendering the person incapable of refusal, shall be deemed to have consented as provided in division (A)(2) of this section, and the test or tests may be administered, subject to sections 313.12 to 313.16 of the Revised Code.

The officer shall also advise the person at the time of the arrest that the person may have an independent chemical test taken at the person's own expense. Divisions (A)(3) and (4) of this section apply to the administration of a chemical test or tests pursuant to this division.

A law enforcement officer who acts

pursuant to this division to ensure that a person submits to a chemical test of the person's whole blood or blood serum or plasma is immune from criminal and civil liability based upon a claim for assault and battery or any other claim for the acts, unless the officer so acted with malicious purpose, in bad faith, or in a wanton or reckless manner.

(B)(1) Upon receipt of the sworn report of a law enforcement officer who arrested a person for a violation of division (A) or (B) of section 4511.19 of the Revised Code, section 4511.194 of the Revised Code or a substantially equivalent municipal ordinance, or a municipal OVI ordinance that was completed and sent to the registrar of motor vehicles and a court pursuant to section 4511.192 of the Revised Code in regard to a person who refused to take the designated chemical test, the registrar shall enter into the registrar's records the fact that the person's driver's or commercial driver's license or permit or nonresident operating privilege was suspended by the arresting officer under this division and that section and the period of the suspension, as determined under this section. The suspension shall be subject to appeal as provided in section 4511.197 of the Revised Code. The suspension shall be for whichever of the following periods applies:

(b) If the arrested person, within six years of the date on which the person refused the request to consent to the chemical test, had refused one previous request to consent to a chemical test or had been convicted of or pleaded guilty to one violation of division (A) or (B) of section 4511.19 of the Revised Code or one other equivalent offense, the suspension shall be a class B suspension imposed for the period of time specified in division (B)(2) of section 4510.02 of the Revised Code.

The registrar shall credit against any judicial suspension of a person's driver's or commercial driver's license or permit or nonresident operating privilege imposed pursuant to section 4511.19 of the Revised Code, or pursuant to section 4510.07 of the Revised Code for a violation of a municipal OVI ordinance, any time during which the person serves a related suspension imposed pursuant to division (B)(1) of this section.

Any subsequent finding that the person is not guilty of the charge that resulted in the person being requested to take the chemical test or tests under division (A) of this section does not affect the suspension.

(2) If a person is arrested for operating a vehicle, streetcar, or trackless trolley in violation of division (A) or (B) of section 4511.19 of the Revised Code or a municipal OVI ordinance, or for being in physical control of a vehicle, streetcar, or trackless trolley in violation of section 4511.194 of the Revised Code or a substantially equivalent municipal ordinance, regardless of whether the person's driver's or commercial driver's license or permit or nonresident operating privilege is or is not suspended under division (B) or (C) of this section or Chapter 4510. of the Revised Code, the person's initial appearance on the charge resulting from the arrest shall be held within five days of the person's arrest or the issuance of the citation to the person, subject to any continuance granted by the court pursuant to section 4511.197 of the Revised Code regarding the issues specified in that division.

(E) When it finally has been determined under the procedures of this section and sections 4511.192 to 4511.197 of the Revised Code that a nonresident's privilege to operate a vehicle within this state has been suspended, the registrar shall give information in writing of the action taken to the motor vehicle administrator of the state of the person's residence and of any state in which the person has a license.

The portions of the fees paid under division (F) of this section that are to be so deposited shall be determined in accordance with division (H)(2) of this section. Additionally, all portions of fines that are paid for a violation of section 4511.19 of the Revised Code or of any prohibition contained in Chapter 4510. of the Revised Code, and that are required under section 4511.19 or any provision of Chapter 4510. of the Revised Code to be deposited into a county indigent drivers alcohol treatment fund or municipal indigent drivers alcohol treatment fund shall be deposited into the appropriate fund in accordance with the applicable division of the section or provision.

court costs, the portion shall be deposited into the county juvenile indigent drivers alcohol treatment fund established in the county served by the court;

(iii) If the fee is paid by a person who was charged in a municipal court with the violation that resulted in the suspension or in the imposition of the court costs, the portion shall be deposited into the municipal indigent drivers alcohol treatment fund under the control of that court.

(b) Regarding a suspension imposed under section 4511.19 of the Revised Code or under section 4510.07 of the Revised Code for a violation of a municipal OVI ordinance, that portion of the fee shall be deposited as follows:

(i) If the fee is paid by a person whose license or permit was suspended by a county court, the portion shall be deposited into the county indigent drivers alcohol treatment fund under the control of that court;

(ii) If the fee is paid by a person whose license or permit was suspended by a municipal court, the portion shall be deposited into the municipal indigent drivers alcohol treatment fund under the control of that court.

(3) Expenditures from a county indigent drivers alcohol treatment fund, a county juvenile indigent drivers alcohol treatment fund, or a municipal indigent drivers alcohol treatment fund shall be made only upon the order of a county, juvenile, or municipal court judge and only for payment of the cost of an assessment or the cost of the attendance at an alcohol and drug addiction treatment program of a person who is convicted of, or found to be a juvenile traffic offender by reason of, a violation of division (A) of section 4511.19 of the Revised Code or a substantially similar municipal ordinance, who is ordered by the court to attend the alcohol and drug addiction treatment program, and who is determined by the court to be unable to pay the cost of the assessment or the cost of attendance at the treatment program or for payment of the costs specified in division (H)(4) of this section in accordance with that division. The alcohol and drug addiction services board or the board of alcohol, drug addiction, and mental health services established pursuant to section 340.02 or 340.021 of the Revised Code and serving the alcohol, drug addiction, and mental health service district in which the court is located shall administer the indigent drivers alcohol treatment program of the court. When a court orders an offender or juvenile traffic offender to obtain an assessment or attend an alcohol and drug addiction treatment program, the board shall determine which program is suitable to meet the needs of the offender or juvenile traffic offender, and when a suitable program is located and space is available at the program, the offender or juvenile traffic offender shall attend the program designated by the board. In addition, upon exhaustion of moneys in the indigent drivers interlock and alcohol monitoring fund for the use of an alcohol monitoring device, a county, juvenile, or municipal court judge may use moneys in the county indigent drivers alcohol treatment fund, county juvenile indigent drivers alcohol treatment fund, or municipal indigent drivers alcohol treatment fund in the following manners:

(a) If the source of the moneys was an appropriation of the general assembly, a portion of a fee that was paid under division (F) of this section, a portion of a fine that was specified for deposit into the fund by section 4511.193 of the Revised Code, or a portion of a fine that was paid for a violation of section 4511.19 of the Revised Code or of a provision contained in Chapter 4510. of the Revised Code that was required to be deposited into the fund, to pay for the continued use of an alcohol monitoring device by an offender or juvenile traffic offender, in conjunction with a treatment program approved by the department of alcohol and drug addiction services, when such use is determined clinically necessary by the treatment program and when the court determines that the offender or juvenile traffic offender is unable to pay all or part of the daily monitoring or cost of the device;

(b) If the source of the moneys was a portion of an additional court cost imposed under section 2949.094 of the Revised Code, to pay for the continued use of an alcohol monitoring device by an offender or juvenile traffic offender when the court determines that the offender or juvenile traffic offender is unable to pay all or part of the daily monitoring or cost of the device. The moneys may be used for a device as described in this division if the use of the device is in conjunction with a treatment program approved by the department of alcohol and drug addiction services, when the use of the device is determined clinically necessary by the treatment program, but the use of a device is not required to be in conjunction with a treatment program approved by the department in order for the moneys to be used for the device as described in this division.

(4) If a county, juvenile, or municipal court determines, in consultation with the alcohol and drug addiction services board or the board of alcohol, drug addiction, and mental health services established pursuant to section 340.02 or 340.021 of the Revised Code and serving the alcohol, drug

addiction, and mental health district in which the court is located, that the funds in the county indigent drivers alcohol treatment fund, the county juvenile indigent drivers alcohol treatment fund, or the municipal indigent drivers alcohol treatment fund under the control of the court are more than sufficient to satisfy the purpose for which the fund was established, as specified in divisions (H)(1) to (3) of this section, the court may declare a surplus in the fund. If the court declares a surplus in the fund, the court may expend the amount of the surplus in the fund for:

(a) Alcohol and drug abuse assessment and treatment of persons who are charged in the court with committing a criminal offense or with being a delinquent child or juvenile traffic offender and in relation to whom both of the following apply:

(i) The court determines that substance abuse was a contributing factor leading to the criminal or delinquent activity or the juvenile traffic offense with which the person is charged.

(ii) The court determines that the person is unable to pay the cost of the alcohol and drug abuse assessment and treatment for which the surplus money will be used.

(b) All or part of the cost of purchasing alcohol monitoring devices to be used in conjunction with division (H)(3) of this section, upon exhaustion of moneys in the indigent drivers interlock and alcohol monitoring fund for the use of an alcohol monitoring device.

(5) For the purpose of determining as described in division (F)(2)(c) of this section whether an offender does not have the means to pay for the offender's attendance at an alcohol and drug addiction treatment program or whether an alleged offender or delinquent child is unable to pay the costs specified in division (H)(4) of this section, the court shall use the indigent client eligibility guidelines and the standards of indigency established by the state public defender to make the determination.

(6) The court shall identify and refer any alcohol and drug addiction program that is not certified under section 3793.06 of the Revised Code and that is interested in receiving amounts from the surplus in the fund declared under division (H)(4) of this section to the department of alcohol and drug addiction services in order for the program to become a certified alcohol and drug addiction program. The department shall keep a record of applicant referrals received pursuant to this division and shall submit a report on the referrals each year to the general assembly. If a program interested in becoming certified makes an application to become certified pursuant to section 3793.06 of the Revised Code, the program is eligible to receive surplus funds as long as the application is pending with the department. The

department of alcohol and drug addiction services must offer technical assistance to the applicant. If the interested program withdraws the certification application, the department must notify the court, and the court shall not provide the interested program with any further surplus funds.

(7)(a) Each alcohol and drug addiction services board and board of alcohol, drug addiction, and mental health services established pursuant to section 340.02 or 340.021 of the Revised Code shall submit to the department of alcohol and drug addiction services an annual report for each indigent drivers alcohol treatment fund in that board's area.

(b) The report, which shall be submitted not later than sixty days after the end of the state fiscal year, shall provide the total payment that was made from the fund, including the number of indigent consumers that received treatment services and the number of indigent consumers that received an alcohol monitoring device. The report shall identify the treatment program and expenditure for an alcohol monitoring device for which that payment was made. The report shall include the fiscal year balance of each indigent drivers alcohol treatment fund located in that board's area. In the event that a surplus is declared in the fund pursuant to division (H)(4) of this section, the report also shall provide the total payment that was made from the surplus moneys and identify the treatment program and expenditure for an alcohol monitoring device for which that payment was made. The department may require additional information necessary to complete the comprehensive statewide alcohol and drug addiction services plan as required by section 3793.04 of the Revised Code.

(c) If a board is unable to obtain adequate information to develop the report to submit to the department for a particular indigent drivers alcohol treatment fund, the board shall submit a report detailing the effort made in obtaining the information.

(I)(1) Each county shall establish an indigent drivers interlock and alcohol monitoring fund and a juvenile indigent drivers interlock and alcohol treatment fund, and each municipal corporation in which there is a municipal court shall establish an indigent drivers interlock and alcohol monitoring fund. All revenue that the general assembly appropriates to the indigent drivers interlock and alcohol monitoring fund for transfer to a county indigent drivers interlock and alcohol monitoring fund, a county juvenile indigent drivers interlock and alcohol monitoring fund, or a municipal indigent drivers interlock and alcohol monitoring fund, all portions of license reinstatement fees that are paid under division (F)(2) of this section and that are credited under that division to the indigent drivers interlock and alcohol monitoring fund in the state treasury, and all portions

(e) Notation of any adverse drug effects.

(4) The dates on which ~~dangerous drugs~~ controlled substances or products containing tramadol were prescribed, furnished, or administered, the name and address of the individual patient to or for whom the ~~dangerous drugs~~ controlled substances or products containing tramadol were prescribed, ~~dispensed~~ furnished, or administered, and the amounts and dosage forms for the ~~dangerous drugs~~ controlled substances or products containing tramadol prescribed, furnished, or administered;

(5) A copy of ~~the any record or report made by the another physician or the physician to whom referral for evaluation was made under this division~~ that was used or consulted for the purpose of diagnosing the patient's chronic pain or treating the patient for chronic pain.

(E) A physician shall not prescribe, personally furnish, or administer to a patient a controlled substance or product containing tramadol without taking into account the potential for abuse of the controlled substance or product, the possibility the controlled substance or product may lead to dependence, the possibility the patient will obtain the controlled substance or product for a nontherapeutic use or distribute it to other persons, and the potential existence of an illicit market for the controlled substance or product. In addition, the physician shall address with the patient the risks associated with protracted treatment with controlled substances or products containing tramadol, including informing the patient of the potential for dependence, tolerance, and addiction and the clinical or monitoring tools the physician may use if signs of addiction, drug abuse, or drug diversion are present.

~~(D)~~(F) A physician who treats chronic pain by managing it with dangerous drugs controlled substances or products containing tramadol is not subject to disciplinary action by the board under section 4731.22 of the Revised Code solely because the physician treated the chronic pain with dangerous drugs controlled substances or products containing tramadol.

Sec. 4731.22. (A) The state medical board, by an affirmative vote of not fewer than six of its members, may revoke or may refuse to grant a certificate to a person found by the board to have committed fraud during the administration of the examination for a certificate to practice or to have committed fraud, misrepresentation, or deception in applying for or securing any certificate to practice or certificate of registration issued by the board.

(B) The board, by an affirmative vote of not fewer than six members, shall, to the extent permitted by law, limit, revoke, or suspend an individual's certificate to practice, refuse to register an individual, refuse to reinstate a certificate, or reprimand or place on probation the holder of a certificate for one or more of the following reasons:

(1) Permitting one's name or one's certificate to practice or certificate of registration to be used by a person, group, or corporation when the individual concerned is not actually directing the treatment given;

(2) Failure to maintain minimal standards applicable to the selection or administration of drugs, or failure to employ acceptable scientific methods in the selection of drugs or other modalities for treatment of disease;

(3) Selling, giving away, personally furnishing, prescribing, or

(4) Willfully betraying a professional confidence.

For purposes of this division, "willfully betraying a professional confidence" does not include providing any information, documents, or reports to a child fatality review board under sections 307.621 to 307.629 of the Revised Code and does not include the making of a report of an employee's use of a drug of abuse, or a report of a condition of an employee other than one involving the use of a drug of abuse, to the employer of the employee as described in division (B) of section 2305.33 of the Revised Code. Nothing in this division affects the immunity from civil liability conferred by that section upon a physician who makes either type of report in accordance with division (B) of that section. As used in this division, "employee," "employer," and "physician" have the same meanings as in section 2305.33 of the Revised Code.

(5) Making a false, fraudulent, deceptive, or misleading statement in the solicitation of or advertising for patients; in relation to the practice of medicine and surgery, osteopathic medicine and surgery, podiatric medicine and surgery, or a limited branch of medicine; or in securing or attempting to secure any certificate to practice or certificate of registration issued by the board.

As used in this division, "false, fraudulent, deceptive, or misleading statement" means a statement that includes a misrepresentation of fact, is likely to mislead or deceive because of a failure to disclose material facts, is intended or is likely to create false or unjustified expectations of favorable results, or includes representations or implications that in reasonable probability will cause an ordinarily prudent person to misunderstand or be deceived.

(6) A departure from, or the failure to conform to, minimal standards of care of similar practitioners under the same or similar circumstances, whether or not actual injury to a patient is established;

(7) Representing, with the purpose of obtaining compensation or other advantage as personal gain or for any other person, that an incurable disease or injury, or other incurable condition, can be permanently cured;

(8) The obtaining of, or attempting to obtain, money or anything of value by fraudulent misrepresentations in the course of practice;

(9) A plea of guilty to, a judicial finding of guilt of, or a judicial finding of eligibility for intervention in lieu of conviction for, a felony;

(10) Commission of an act that constitutes a felony in this state, regardless of the jurisdiction in which the act was committed;

(11) A plea of guilty to, a judicial finding of guilt of, or a judicial finding of eligibility for intervention in lieu of conviction for, a misdemeanor committed in the course of practice;

(12) Commission of an act in the course of practice that constitutes a misdemeanor in this state, regardless of the jurisdiction in which the act was committed;

(13) A plea of guilty to, a judicial finding of guilt of, or a judicial finding of eligibility for intervention in lieu of conviction for, a misdemeanor involving moral turpitude;

(14) Commission of an act involving moral turpitude that constitutes a misdemeanor in this state, regardless of the jurisdiction in which the act was committed;

(15) Violation of the conditions of limitation placed by the board upon a certificate to practice;

(16) Failure to pay license renewal fees specified in this chapter;

(17) Except as authorized in section 4731.31 of the Revised Code, engaging in the division of fees for referral of patients, or the receiving of a thing of value in return for a specific referral of a patient to utilize a particular service or business;

(18) Subject to section 4731.226 of the Revised Code, violation of any provision of a code of ethics of the American medical association, the American osteopathic association, the American podiatric medical association, or any other national professional organizations that the board specifies by rule. The state medical board shall obtain and keep on file current copies of the codes of ethics of the various national professional organizations. The individual whose certificate is being suspended or revoked shall not be found to have violated any provision of a code of ethics of an organization not appropriate to the individual's profession.

For purposes of this division, a "provision of a code of ethics of a national professional organization" does not include any provision that would preclude the making of a report by a physician of an employee's use of a drug of abuse, or of a condition of an employee other than one involving the use of a drug of abuse, to the employer of the employee as described in division (B) of section 2305.33 of the Revised Code. Nothing in this division affects the immunity from civil liability conferred by that section upon a physician who makes either type of report in accordance with division (B) of that section. As used in this division, "employee," "employer," and "physician" have the same meanings as in section 2305.33

of the Revised Code.

(19) Inability to practice according to acceptable and prevailing standards of care by reason of mental illness or physical illness, including, but not limited to, physical deterioration that adversely affects cognitive, motor, or perceptive skills.

In enforcing this division, the board, upon a showing of a possible violation, may compel any individual authorized to practice by this chapter or who has submitted an application pursuant to this chapter to submit to a mental examination, physical examination, including an HIV test, or both a mental and a physical examination. The expense of the examination is the responsibility of the individual compelled to be examined. Failure to submit to a mental or physical examination or consent to an HIV test ordered by the board constitutes an admission of the allegations against the individual unless the failure is due to circumstances beyond the individual's control, and a default and final order may be entered without the taking of testimony or presentation of evidence. If the board finds an individual unable to practice because of the reasons set forth in this division, the board shall require the individual to submit to care, counseling, or treatment by physicians approved or designated by the board, as a condition for initial, continued, reinstated, or renewed authority to practice. An individual affected under this division shall be afforded an opportunity to demonstrate to the board the ability to resume practice in compliance with acceptable and prevailing standards under the provisions of the individual's certificate. For the purpose of this division, any individual who applies for or receives a certificate to practice under this chapter accepts the privilege of practicing in this state and, by so doing, shall be deemed to have given consent to submit to a mental or physical examination when directed to do so in writing by the board, and to have waived all objections to the admissibility of testimony or examination reports that constitute a privileged communication.

(20) Except when civil penalties are imposed under section 4731.225 or 4731.281 of the Revised Code, and subject to section 4731.226 of the Revised Code, violating or attempting to violate, directly or indirectly, or assisting in or abetting the violation of, or conspiring to violate, any provisions of this chapter or any rule promulgated by the board.

This division does not apply to a violation or attempted violation of, assisting in or abetting the violation of, or a conspiracy to violate, any provision of this chapter or any rule adopted by the board that would preclude the making of a report by a physician of an employee's use of a drug of abuse, or of a condition of an employee other than one involving the use of a drug of abuse, to the employer of the employee as described in

division (B) of section 2305.33 of the Revised Code. Nothing in this division affects the immunity from civil liability conferred by that section upon a physician who makes either type of report in accordance with division (B) of that section. As used in this division, "employee," "employer," and "physician" have the same meanings as in section 2305.33 of the Revised Code.

(21) The violation of section 3701.79 of the Revised Code or of any abortion rule adopted by the ~~public~~ director of health ~~council~~ pursuant to section 3701.341 of the Revised Code;

(22) Any of the following actions taken by an agency responsible for authorizing, certifying, or regulating an individual to practice a health care occupation or provide health care services in this state or another jurisdiction, for any reason other than the nonpayment of fees: the limitation, revocation, or suspension of an individual's license to practice; acceptance of an individual's license surrender; denial of a license; refusal to renew or reinstate a license; imposition of probation; or issuance of an order of censure or other reprimand;

(23) The violation of section 2919.12 of the Revised Code or the performance or inducement of an abortion upon a pregnant woman with actual knowledge that the conditions specified in division (B) of section 2317.56 of the Revised Code have not been satisfied or with a heedless indifference as to whether those conditions have been satisfied, unless an affirmative defense as specified in division (H)(2) of that section would apply in a civil action authorized by division (H)(1) of that section;

(24) The revocation, suspension, restriction, reduction, or termination of clinical privileges by the United States department of defense or department of veterans affairs or the termination or suspension of a certificate of registration to prescribe drugs by the drug enforcement administration of the United States department of justice;

(25) Termination or suspension from participation in the medicare or medicaid programs by the department of health and human services or other responsible agency for any act or acts that also would constitute a violation of division (B)(2), (3), (6), (8), or (19) of this section;

(26) Impairment of ability to practice according to acceptable and prevailing standards of care because of habitual or excessive use or abuse of drugs, alcohol, or other substances that impair ability to practice.

For the purposes of this division, any individual authorized to practice by this chapter accepts the privilege of practicing in this state subject to supervision by the board. By filing an application for or holding a certificate to practice under this chapter, an individual shall be deemed to have given

consent to submit to a mental or physical examination when ordered to do so by the board in writing, and to have waived all objections to the admissibility of testimony or examination reports that constitute privileged communications.

If it has reason to believe that any individual authorized to practice by this chapter or any applicant for certification to practice suffers such impairment, the board may compel the individual to submit to a mental or physical examination, or both. The expense of the examination is the responsibility of the individual compelled to be examined. Any mental or physical examination required under this division shall be undertaken by a treatment provider or physician who is qualified to conduct the examination and who is chosen by the board.

Failure to submit to a mental or physical examination ordered by the board constitutes an admission of the allegations against the individual unless the failure is due to circumstances beyond the individual's control, and a default and final order may be entered without the taking of testimony or presentation of evidence. If the board determines that the individual's ability to practice is impaired, the board shall suspend the individual's certificate or deny the individual's application and shall require the individual, as a condition for initial, continued, reinstated, or renewed certification to practice, to submit to treatment.

Before being eligible to apply for reinstatement of a certificate suspended under this division, the impaired practitioner shall demonstrate to the board the ability to resume practice in compliance with acceptable and prevailing standards of care under the provisions of the practitioner's certificate. The demonstration shall include, but shall not be limited to, the following:

(a) Certification from a treatment provider approved under section 4731.25 of the Revised Code that the individual has successfully completed any required inpatient treatment;

(b) Evidence of continuing full compliance with an aftercare contract or consent agreement;

(c) Two written reports indicating that the individual's ability to practice has been assessed and that the individual has been found capable of practicing according to acceptable and prevailing standards of care. The reports shall be made by individuals or providers approved by the board for making the assessments and shall describe the basis for their determination.

The board may reinstate a certificate suspended under this division after that demonstration and after the individual has entered into a written consent agreement.

When the impaired practitioner resumes practice, the board shall require continued monitoring of the individual. The monitoring shall include, but not be limited to, compliance with the written consent agreement entered into before reinstatement or with conditions imposed by board order after a hearing, and, upon termination of the consent agreement, submission to the board for at least two years of annual written progress reports made under penalty of perjury stating whether the individual has maintained sobriety.

(27) A second or subsequent violation of section 4731.66 or 4731.69 of the Revised Code;

(28) Except as provided in division (N) of this section:

(a) Waiving the payment of all or any part of a deductible or copayment that a patient, pursuant to a health insurance or health care policy, contract, or plan that covers the individual's services, otherwise would be required to pay if the waiver is used as an enticement to a patient or group of patients to receive health care services from that individual;

(b) Advertising that the individual will waive the payment of all or any part of a deductible or copayment that a patient, pursuant to a health insurance or health care policy, contract, or plan that covers the individual's services, otherwise would be required to pay.

(29) Failure to use universal blood and body fluid precautions established by rules adopted under section 4731.051 of the Revised Code;

(30) Failure to provide notice to, and receive acknowledgment of the notice from, a patient when required by section 4731.143 of the Revised Code prior to providing nonemergency professional services, or failure to maintain that notice in the patient's file;

(31) Failure of a physician supervising a physician assistant to maintain supervision in accordance with the requirements of Chapter 4730. of the Revised Code and the rules adopted under that chapter;

(32) Failure of a physician or podiatrist to enter into a standard care arrangement with a clinical nurse specialist, certified nurse-midwife, or certified nurse practitioner with whom the physician or podiatrist is in collaboration pursuant to section 4731.27 of the Revised Code or failure to fulfill the responsibilities of collaboration after entering into a standard care arrangement;

(33) Failure to comply with the terms of a consult agreement entered into with a pharmacist pursuant to section 4729.39 of the Revised Code;

(34) Failure to cooperate in an investigation conducted by the board under division (F) of this section, including failure to comply with a subpoena or order issued by the board or failure to answer truthfully a question presented by the board at a deposition or in written interrogatories,

except that failure to cooperate with an investigation shall not constitute grounds for discipline under this section if a court of competent jurisdiction has issued an order that either quashes a subpoena or permits the individual to withhold the testimony or evidence in issue;

(35) Failure to supervise an acupuncturist in accordance with Chapter 4762. of the Revised Code and the board's rules for supervision of an acupuncturist;

(36) Failure to supervise an anesthesiologist assistant in accordance with Chapter 4760. of the Revised Code and the board's rules for supervision of an anesthesiologist assistant;

(37) Assisting suicide as defined in section 3795.01 of the Revised Code;

(38) Failure to comply with the requirements of section 2317.561 of the Revised Code;

(39) Failure to supervise a radiologist assistant in accordance with Chapter 4774. of the Revised Code and the board's rules for supervision of radiologist assistants;

(40) Performing or inducing an abortion at an office or facility with knowledge that the office or facility fails to post the notice required under section 3701.791 of the Revised Code;

(41) Failure to comply with the standards and procedures established in rules under section 4731.054 of the Revised Code for the operation of or the provision of care at a pain management clinic;

(42) Failure to comply with the standards and procedures established in rules under section 4731.054 of the Revised Code for providing supervision, direction, and control of individuals at a pain management clinic;

(43) Failure to comply with the requirements of section 4729.79 of the Revised Code, unless the state board of pharmacy no longer maintains a drug database pursuant to section 4729.75 of the Revised Code;

~~(41)~~(44) Failure to comply with the requirements of section 2919.171 of the Revised Code or failure to submit to the department of health in accordance with a court order a complete report as described in section 2919.171 of the Revised Code.

(C) Disciplinary actions taken by the board under divisions (A) and (B) of this section shall be taken pursuant to an adjudication under Chapter 119. of the Revised Code, except that in lieu of an adjudication, the board may enter into a consent agreement with an individual to resolve an allegation of a violation of this chapter or any rule adopted under it. A consent agreement, when ratified by an affirmative vote of not fewer than six members of the board, shall constitute the findings and order of the board with respect to the

matter addressed in the agreement. If the board refuses to ratify a consent agreement, the admissions and findings contained in the consent agreement shall be of no force or effect.

A telephone conference call may be utilized for ratification of a consent agreement that revokes or suspends an individual's certificate to practice. The telephone conference call shall be considered a special meeting under division (F) of section 121.22 of the Revised Code.

If the board takes disciplinary action against an individual under division (B) of this section for a second or subsequent plea of guilty to, or judicial finding of guilt of, a violation of section 2919.123 of the Revised Code, the disciplinary action shall consist of a suspension of the individual's certificate to practice for a period of at least one year or, if determined appropriate by the board, a more serious sanction involving the individual's certificate to practice. Any consent agreement entered into under this division with an individual that pertains to a second or subsequent plea of guilty to, or judicial finding of guilt of, a violation of that section shall provide for a suspension of the individual's certificate to practice for a period of at least one year or, if determined appropriate by the board, a more serious sanction involving the individual's certificate to practice.

(D) For purposes of divisions (B)(10), (12), and (14) of this section, the commission of the act may be established by a finding by the board, pursuant to an adjudication under Chapter 119. of the Revised Code, that the individual committed the act. The board does not have jurisdiction under those divisions if the trial court renders a final judgment in the individual's favor and that judgment is based upon an adjudication on the merits. The board has jurisdiction under those divisions if the trial court issues an order of dismissal upon technical or procedural grounds.

(E) The sealing of conviction records by any court shall have no effect upon a prior board order entered under this section or upon the board's jurisdiction to take action under this section if, based upon a plea of guilty, a judicial finding of guilt, or a judicial finding of eligibility for intervention in lieu of conviction, the board issued a notice of opportunity for a hearing prior to the court's order to seal the records. The board shall not be required to seal, destroy, redact, or otherwise modify its records to reflect the court's sealing of conviction records.

(F)(1) The board shall investigate evidence that appears to show that a person has violated any provision of this chapter or any rule adopted under it. Any person may report to the board in a signed writing any information that the person may have that appears to show a violation of any provision of this chapter or any rule adopted under it. In the absence of bad faith, any

person who reports information of that nature or who testifies before the board in any adjudication conducted under Chapter 119. of the Revised Code shall not be liable in damages in a civil action as a result of the report or testimony. Each complaint or allegation of a violation received by the board shall be assigned a case number and shall be recorded by the board.

(2) Investigations of alleged violations of this chapter or any rule adopted under it shall be supervised by the supervising member elected by the board in accordance with section 4731.02 of the Revised Code and by the secretary as provided in section 4731.39 of the Revised Code. The president may designate another member of the board to supervise the investigation in place of the supervising member. No member of the board who supervises the investigation of a case shall participate in further adjudication of the case.

(3) In investigating a possible violation of this chapter or any rule adopted under this chapter, the board may administer oaths, order the taking of depositions, inspect and copy any books, accounts, papers, records, or documents, issue subpoenas, and compel the attendance of witnesses and production of books, accounts, papers, records, documents, and testimony, except that a subpoena for patient record information shall not be issued without consultation with the attorney general's office and approval of the secretary and supervising member of the board. Before issuance of a subpoena for patient record information, the secretary and supervising member shall determine whether there is probable cause to believe that the complaint filed alleges a violation of this chapter or any rule adopted under it and that the records sought are relevant to the alleged violation and material to the investigation. The subpoena may apply only to records that cover a reasonable period of time surrounding the alleged violation.

On failure to comply with any subpoena issued by the board and after reasonable notice to the person being subpoenaed, the board may move for an order compelling the production of persons or records pursuant to the Rules of Civil Procedure.

A subpoena issued by the board may be served by a sheriff, the sheriff's deputy, or a board employee designated by the board. Service of a subpoena issued by the board may be made by delivering a copy of the subpoena to the person named therein, reading it to the person, or leaving it at the person's usual place of residence. When the person being served is a person whose practice is authorized by this chapter, service of the subpoena may be made by certified mail, restricted delivery, return receipt requested, and the subpoena shall be deemed served on the date delivery is made or the date the person refuses to accept delivery.

A sheriff's deputy who serves a subpoena shall receive the same fees as a sheriff. Each witness who appears before the board in obedience to a subpoena shall receive the fees and mileage provided for under section 119.094 of the Revised Code.

(4) All hearings and investigations of the board shall be considered civil actions for the purposes of section 2305.252 of the Revised Code.

(5) Information received by the board pursuant to an investigation is confidential and not subject to discovery in any civil action.

The board shall conduct all investigations and proceedings in a manner that protects the confidentiality of patients and persons who file complaints with the board. The board shall not make public the names or any other identifying information about patients or complainants unless proper consent is given or, in the case of a patient, a waiver of the patient privilege exists under division (B) of section 2317.02 of the Revised Code, except that consent or a waiver of that nature is not required if the board possesses reliable and substantial evidence that no bona fide physician-patient relationship exists.

The board may share any information it receives pursuant to an investigation, including patient records and patient record information, with law enforcement agencies, other licensing boards, and other governmental agencies that are prosecuting, adjudicating, or investigating alleged violations of statutes or administrative rules. An agency or board that receives the information shall comply with the same requirements regarding confidentiality as those with which the state medical board must comply, notwithstanding any conflicting provision of the Revised Code or procedure of the agency or board that applies when it is dealing with other information in its possession. In a judicial proceeding, the information may be admitted into evidence only in accordance with the Rules of Evidence, but the court shall require that appropriate measures are taken to ensure that confidentiality is maintained with respect to any part of the information that contains names or other identifying information about patients or complainants whose confidentiality was protected by the state medical board when the information was in the board's possession. Measures to ensure confidentiality that may be taken by the court include sealing its records or deleting specific information from its records.

(6) On a quarterly basis, the board shall prepare a report that documents the disposition of all cases during the preceding three months. The report shall contain the following information for each case with which the board has completed its activities:

(a) The case number assigned to the complaint or alleged violation;

(b) The type of certificate to practice, if any, held by the individual against whom the complaint is directed;

(c) A description of the allegations contained in the complaint;

(d) The disposition of the case.

The report shall state how many cases are still pending and shall be prepared in a manner that protects the identity of each person involved in each case. The report shall be a public record under section 149.43 of the Revised Code.

(G) If the secretary and supervising member determine both of the following, they may recommend that the board suspend an individual's certificate to practice without a prior hearing:

(1) That there is clear and convincing evidence that an individual has violated division (B) of this section;

(2) That the individual's continued practice presents a danger of immediate and serious harm to the public.

Written allegations shall be prepared for consideration by the board. The board, upon review of those allegations and by an affirmative vote of not fewer than six of its members, excluding the secretary and supervising member, may suspend a certificate without a prior hearing. A telephone conference call may be utilized for reviewing the allegations and taking the vote on the summary suspension.

The board shall issue a written order of suspension by certified mail or in person in accordance with section 119.07 of the Revised Code. The order shall not be subject to suspension by the court during pendency of any appeal filed under section 119.12 of the Revised Code. If the individual subject to the summary suspension requests an adjudicatory hearing by the board, the date set for the hearing shall be within fifteen days, but not earlier than seven days, after the individual requests the hearing, unless otherwise agreed to by both the board and the individual.

Any summary suspension imposed under this division shall remain in effect, unless reversed on appeal, until a final adjudicative order issued by the board pursuant to this section and Chapter 119. of the Revised Code becomes effective. The board shall issue its final adjudicative order within seventy-five days after completion of its hearing. A failure to issue the order within seventy-five days shall result in dissolution of the summary suspension order but shall not invalidate any subsequent, final adjudicative order.

(H) If the board takes action under division (B)(9), (11), or (13) of this section and the judicial finding of guilt, guilty plea, or judicial finding of eligibility for intervention in lieu of conviction is overturned on appeal,

upon exhaustion of the criminal appeal, a petition for reconsideration of the order may be filed with the board along with appropriate court documents. Upon receipt of a petition of that nature and supporting court documents, the board shall reinstate the individual's certificate to practice. The board may then hold an adjudication under Chapter 119. of the Revised Code to determine whether the individual committed the act in question. Notice of an opportunity for a hearing shall be given in accordance with Chapter 119. of the Revised Code. If the board finds, pursuant to an adjudication held under this division, that the individual committed the act or if no hearing is requested, the board may order any of the sanctions identified under division (B) of this section.

(I) The certificate to practice issued to an individual under this chapter and the individual's practice in this state are automatically suspended as of the date of the individual's second or subsequent plea of guilty to, or judicial finding of guilt of, a violation of section 2919.123 of the Revised Code, or the date the individual pleads guilty to, is found by a judge or jury to be guilty of, or is subject to a judicial finding of eligibility for intervention in lieu of conviction in this state or treatment or intervention in lieu of conviction in another jurisdiction for any of the following criminal offenses in this state or a substantially equivalent criminal offense in another jurisdiction: aggravated murder, murder, voluntary manslaughter, felonious assault, kidnapping, rape, sexual battery, gross sexual imposition, aggravated arson, aggravated robbery, or aggravated burglary. Continued practice after suspension shall be considered practicing without a certificate.

The board shall notify the individual subject to the suspension by certified mail or in person in accordance with section 119.07 of the Revised Code. If an individual whose certificate is automatically suspended under this division fails to make a timely request for an adjudication under Chapter 119. of the Revised Code, the board shall do whichever of the following is applicable:

(1) If the automatic suspension under this division is for a second or subsequent plea of guilty to, or judicial finding of guilt of, a violation of section 2919.123 of the Revised Code, the board shall enter an order suspending the individual's certificate to practice for a period of at least one year or, if determined appropriate by the board, imposing a more serious sanction involving the individual's certificate to practice.

(2) In all circumstances in which division (I)(1) of this section does not apply, enter a final order permanently revoking the individual's certificate to practice.

(J) If the board is required by Chapter 119. of the Revised Code to give

notice of an opportunity for a hearing and if the individual subject to the notice does not timely request a hearing in accordance with section 119.07 of the Revised Code, the board is not required to hold a hearing, but may adopt, by an affirmative vote of not fewer than six of its members, a final order that contains the board's findings. In that final order, the board may order any of the sanctions identified under division (A) or (B) of this section.

(K) Any action taken by the board under division (B) of this section resulting in a suspension from practice shall be accompanied by a written statement of the conditions under which the individual's certificate to practice may be reinstated. The board shall adopt rules governing conditions to be imposed for reinstatement. Reinstatement of a certificate suspended pursuant to division (B) of this section requires an affirmative vote of not fewer than six members of the board.

(L) When the board refuses to grant a certificate to an applicant, revokes an individual's certificate to practice, refuses to register an applicant, or refuses to reinstate an individual's certificate to practice, the board may specify that its action is permanent. An individual subject to a permanent action taken by the board is forever thereafter ineligible to hold a certificate to practice and the board shall not accept an application for reinstatement of the certificate or for issuance of a new certificate.

(M) Notwithstanding any other provision of the Revised Code, all of the following apply:

(1) The surrender of a certificate issued under this chapter shall not be effective unless or until accepted by the board. A telephone conference call may be utilized for acceptance of the surrender of an individual's certificate to practice. The telephone conference call shall be considered a special meeting under division (F) of section 121.22 of the Revised Code. Reinstatement of a certificate surrendered to the board requires an affirmative vote of not fewer than six members of the board.

(2) An application for a certificate made under the provisions of this chapter may not be withdrawn without approval of the board.

(3) Failure by an individual to renew a certificate of registration in accordance with this chapter shall not remove or limit the board's jurisdiction to take any disciplinary action under this section against the individual.

(N) Sanctions shall not be imposed under division (B)(28) of this section against any person who waives deductibles and copayments as follows:

(1) In compliance with the health benefit plan that expressly allows such

a practice. Waiver of the deductibles or copayments shall be made only with the full knowledge and consent of the plan purchaser, payer, and third-party administrator. Documentation of the consent shall be made available to the board upon request.

(2) For professional services rendered to any other person authorized to practice pursuant to this chapter, to the extent allowed by this chapter and rules adopted by the board.

(O) Under the board's investigative duties described in this section and subject to division (F) of this section, the board shall develop and implement a quality intervention program designed to improve through remedial education the clinical and communication skills of individuals authorized under this chapter to practice medicine and surgery, osteopathic medicine and surgery, and podiatric medicine and surgery. In developing and implementing the quality intervention program, the board may do all of the following:

One dollar of the fee shall be credited to the real estate education and research fund. If the superintendent is satisfied that the applicant is honest, truthful, and of good reputation, has not been convicted of a felony or a crime involving moral turpitude, and has not been finally adjudged by a court to have violated any municipal, state, or federal civil rights laws relevant to the protection of purchasers or sellers of real estate, and that the association of the real estate broker and the applicant will be in the public interest, the superintendent shall grant the application and issue a real estate salesperson's license to the applicant. The notice of intention shall be on a form prescribed by the superintendent and shall be accompanied by a fee of twenty-five dollars. One dollar of the fee shall be credited to the real estate education and research fund.

A licensed real estate broker who is a member or officer of a partnership, association, limited liability company, limited liability partnership, or corporation shall only act as a real estate broker for such partnership, association, limited liability company, limited liability partnership, or corporation.

(G) If a real estate broker or salesperson enters the armed forces, the broker or salesperson may place the broker's or salesperson's license on deposit with the Ohio real estate commission. The licensee shall not be required to renew the license until the renewal date that follows the date of discharge from the armed forces. Any license deposited with the commission shall be subject to this chapter. Any licensee whose license is on deposit under this division and who fails to meet the continuing education requirements of section 4735.141 of the Revised Code because the licensee is in the armed forces shall satisfy the commission that the licensee has complied with the continuing education requirements within twelve months of the licensee's first birthday after discharge. The superintendent shall notify the licensee of the licensee's obligations under section 4735.141 of the Revised Code at the time the licensee applies for reactivation of the licensee's license.

(H) If a licensed real estate salesperson submits an application to the superintendent to leave the association of one broker to associate with a different broker, the broker possessing the licensee's license need not return the salesperson's license to the superintendent. The superintendent may process the application regardless of whether the licensee's license is returned to the superintendent.

Sec. 4735.14. (A) Each license issued under this chapter, shall be valid without further recommendation or examination until it is placed in an inactive, ~~voluntary hold,~~ or resigned status, is revoked or suspended, or such license expires by operation of law.

(B) Except for a licensee who has placed the licensee's license on

~~voluntary hold or~~ in resigned status pursuant to section 4735.142 of the Revised Code, each licensed broker, brokerage, or salesperson shall file, on or before the date the Ohio real estate commission has adopted by rule for that licensee in accordance with division (A)(2)(f) of section 4735.10 of the Revised Code, a notice of renewal on a form prescribed by the superintendent of real estate. The notice of renewal shall be mailed by the superintendent two months prior to the filing deadline to the personal residence address of each broker or salesperson that is on file with the division. If the licensee is a partnership, association, limited liability company, limited liability partnership, or corporation, the notice of renewal shall be mailed by the superintendent two months prior to the filing deadline to the brokerage's business address on file with the division. A licensee shall not renew the licensee's license any earlier than two months prior to the filing deadline.

(C) Except as otherwise provided in division (B) of this section, the license of any real estate broker, brokerage, or salesperson that fails to file a notice of renewal on or before the filing deadline of each ensuing year shall be suspended automatically without the taking of any action by the superintendent. A suspended license may be reactivated within twelve months of the date of suspension, provided that the renewal fee plus a penalty fee of fifty per cent of the renewal fee is paid to the superintendent. Failure to reactivate the license as provided in this division shall result in automatic revocation of the license without the taking of any action by the superintendent. No person, partnership, association, corporation, limited liability company, or limited partnership shall engage in any act or acts for which a real estate license is required while that entity's license is placed in an inactive, ~~voluntary hold~~, or resigned status, or is suspended, or revoked. The commission shall adopt rules in accordance with Chapter 119. of the Revised Code to provide to licensees notice of suspension or revocation or both.

(D) Each licensee shall notify the ~~commission~~ superintendent of a change in personal residence address. A licensee's failure to notify the ~~commission~~ superintendent of a change in personal residence address does not negate the requirement to file the license renewal by the required deadline established by the commission by rule under division (A)(2)(f) of section 4735.10 of the Revised Code.

(E) The superintendent shall not renew a license if the licensee fails to comply with section 4735.141 of the Revised Code or is otherwise not in compliance with this chapter.

(F) The superintendent shall make notice of successful renewal

available electronically to licensees as soon as practicable, but not later than thirty days after receipt by the division of a complete application and renewal fee. This notice shall serve as a notice of renewal for purposes of section 4745.02 of the Revised Code.

Sec. 4735.141. (A) Except as otherwise provided in this division and except for a licensee who has placed the licensee's license ~~on voluntary hold~~ ~~or in~~ resigned status pursuant to section 4735.142 of the Revised Code, each person licensed under section 4735.07 or 4735.09 of the Revised Code shall submit proof satisfactory to the superintendent of real estate that the licensee has satisfactorily completed thirty hours of continuing education, as prescribed by the Ohio real estate commission pursuant to section 4735.10 of the Revised Code, on or before the licensee's birthday occurring three years after the licensee's date of initial licensure, and on or before the licensee's birthday every three years thereafter.

Persons licensed as real estate salespersons who subsequently become licensed real estate brokers shall continue to submit proof of continuing education in accordance with the time period established in this section.

The requirements of this section shall not apply to any disabled licensee as provided in division (E) of this section.

Each licensee who is seventy years of age or older, within a continuing education reporting period, shall submit proof satisfactory to the superintendent of real estate that the licensee has satisfactorily completed a total of nine classroom hours of continuing education, including instruction in Ohio real estate law; recently enacted state and federal laws affecting the real estate industry; municipal, state, and federal civil rights law; and canons of ethics for the real estate industry as adopted by the commission. The required proof of completion shall be submitted on or before the licensee's birthday that falls in the third year of that continuing education reporting period. A licensee who is seventy years of age or older whose license is in an inactive status is exempt from the continuing education requirements specified in this section. The commission shall adopt reasonable rules in accordance with Chapter 119. of the Revised Code to carry out the purposes of this paragraph.

(B) The continuing education requirements of this section shall be completed in schools, seminars, and educational institutions approved by the commission. Such approval shall be given according to rules established by the commission under the procedures of Chapter 119. of the Revised Code, and shall not be limited to institutions providing two-year or four-year degrees. Each school, seminar, or educational institution approved under this division shall be open to all licensees on an equal basis.

(C) If the requirements of this section are not met by a licensee within the period specified, the licensee's license shall be suspended automatically without the taking of any action by the superintendent. The superintendent shall notify the licensee of the license suspension, and such notification shall be sent by regular mail to the personal residence address of the licensee that is on file with the division. Any license so suspended shall remain suspended until it is reactivated by the superintendent. No such license shall be reactivated until it is established, to the satisfaction of the superintendent, that the requirements of this section have been met. If the requirements of this section are not met within twelve months from the date the license was suspended, the license shall be revoked automatically without the taking of any action by the superintendent.

(D) If the license of a real estate broker is suspended pursuant to division (C) of this section, the license of a real estate salesperson associated with that broker correspondingly is suspended pursuant to division (H) of section 4735.20 of the Revised Code. A sole broker shall notify affiliated salespersons of the suspension in writing within three days of receiving the notice required by division (C) of this section.

(1) The suspended license of the associated real estate salesperson shall be reactivated and no fee shall be charged or collected for that reactivation if that broker subsequently submits proof to the superintendent that the broker has complied with the requirements of this section and requests that the broker's license as a real estate broker be reactivated, and the superintendent then reactivates the broker's license as a real estate broker.

(2) If the real estate salesperson submits an application to leave the association of the suspended broker in order to associate with a different broker, the suspended license of the associated real estate salesperson shall be reactivated and no fee shall be charged or collected for that reactivation. The superintendent may process the application regardless of whether the licensee's license is returned to the superintendent.

Any person whose license is reactivated pursuant to this division shall comply with the requirements of this section and otherwise be in compliance with this chapter.

(E) Any licensee who is a disabled licensee at any time during the last three months of the third year of the licensee's continuing education reporting period may receive an extension of time as deemed appropriate by the superintendent to submit proof to the superintendent that the licensee has satisfactorily completed the required thirty hours of continuing education. To receive an extension of time, the licensee shall submit a request to the division of real estate for the extension and proof satisfactory to the

commission that the licensee was a disabled licensee at some time during the last three months of the three-year reporting period. The proof shall include, but is not limited to, a signed statement by the licensee's attending physician describing the disability, certifying that the licensee's disability is of such a nature as to prevent the licensee from attending any instruction lasting at least three hours in duration, and stating the expected duration of the disability. The licensee shall request the extension and provide the physician's statement to the division no later than one month prior to the end of the licensee's three-year continuing education reporting period, unless the disability did not arise until the last month of the three-year reporting period, in which event the licensee shall request the extension and provide the physician's statement as soon as practical after the occurrence of the disability. A licensee granted an extension pursuant to this division who is no longer a disabled licensee and who submits proof of completion of the continuing education during the extension period, shall submit, for future continuing education reporting periods, proof of completion of the continuing education requirements according to the schedule established in division (A) of this section.

(F) The superintendent shall not renew a license if the licensee fails to comply with this section, and the licensee shall be required to pay the penalty fee provided in section 4735.14 of the Revised Code.

(G) A licensee shall submit proof of completion of the required continuing education with the licensee's notice of renewal. The proof shall be submitted in the manner provided by the superintendent.

Sec. 4735.142. (A) Any person licensed under section 4735.07 or 4735.09 of the Revised Code, at any time prior to the date the licensee is required to file a notice of renewal pursuant to division (B) of section 4735.14 of the Revised Code may apply to the superintendent of real estate and professional licensing to place the licensee's license ~~on voluntary hold~~ or in a permanently resigned status.

~~(B) If the superintendent has placed a license on voluntary hold pursuant to a request made under division (A) of this section, the licensee who requested that the licensee's license be placed on voluntary hold may apply to the superintendent to reactivate that license within twelve months after the date the license is placed on voluntary hold. The superintendent shall reactivate that license if the licensee complies with the requirements for such reactivation that are specified in rules adopted by the Ohio real estate commission pursuant to division (A) of section 4735.10 of the Revised Code and satisfies all of the following requirements:~~

~~(1) The licensee complies with the postlicensure education requirements~~

~~specified in section 4735.07 or 4735.09 of the Revised Code, as applicable;~~

~~(2) The licensee complies with the continuing education requirements specified in section 4735.141 of the Revised Code;~~

~~(3) The licensee renews the licensee's license in accordance with section 4735.14 of the Revised Code and, if applicable, pays the annual brokerage assessment fee in accordance with the requirements specified in rules adopted by the commission.~~

~~(C) If a licensee does not apply to reactivate a license on voluntary hold pursuant to division (B) of this section during the twelve-month time period specified in that division or does not satisfy the requirements specified in that division during that twelve-month period, the superintendent shall consider that license to be in a resigned status. The superintendent shall not reactivate a resigned license. The resignation of a license is considered to be final without the taking of any action by the superintendent. If a person whose license is in a resigned status pursuant to this division wishes to obtain an active license, the person shall apply for an active license in accordance with the requirements specified in section 4735.07 or 4735.09 of the Revised Code, as applicable.~~

~~(D) A licensee, at any time during which a license has been suspended pursuant to division (G) of section 4735.07, division (H) of section 4735.09, division (E) of section 4735.12, division (C) of section 4735.14, division (C) of section 4735.141, or section 4735.182 of the Revised Code, may apply to the superintendent on a form prescribed by the superintendent to ~~voluntarily~~ permanently resign the licensee's license voluntarily. The resignation of a license is considered to be final without the taking of any action by the superintendent. ~~If~~~~

~~(C) If~~ a person whose license is in a permanently resigned status pursuant to a request made under this ~~division~~ section wishes to obtain an active or inactive license, the person shall apply for such a license in accordance with the requirements specified in section 4735.07 or 4735.09 of the Revised Code, as applicable, or in the rules adopted by the commission pursuant to division (A) of section 4735.10 of the Revised Code.

~~(E)(D)~~ If placing a broker's license ~~on voluntary hold or in~~ a permanently resigned status will result in the closure of the broker's brokerage, the broker, within three days after applying to the superintendent to place the license ~~on voluntary hold or in~~ a permanently resigned status, shall provide to each salesperson associated with that broker a written notice stating that fact.

~~(F)(E)~~ This section does not apply to any licensee whose license has been suspended pursuant to division (F) of section 4735.181 of the Revised

Code or due to disciplinary action ordered by the commission pursuant to section 4735.051 of the Revised Code.

(F) The superintendent shall not issue a certificate, registration, or license to, or recognize on a temporary basis an appraiser from another state that is a corporation, partnership, or association. (G) Every person licensed, registered, or certified under this chapter shall notify the superintendent, on a form provided by the superintendent, of a change in the address of the licensee's, registrant's, or certificate holder's principal place of business or residence within thirty days of the change. (H)(1) The superintendent shall not issue a certificate, registration, or license to any person, or recognize on a temporary basis an appraiser from another state, who does not meet applicable minimum criteria for state certification, registration, or licensure prescribed by federal law or rule.

(2) The resident has complained to the park operator of any violation of section ~~3733.10~~ 4781.38 of the Revised Code;

(3) The resident joined with other residents for the purpose of negotiating or dealing collectively with the park operator on any of the terms and conditions of a rental agreement.

(B) The maintenance of an action by the park operator under this section does not prevent the resident from recovering damages for any violation by the park operator of the rental agreement or of section ~~3733.10~~ 4781.38 of the Revised Code.

Sec. ~~3733.10~~ 4781.38. (A) A park operator who is a party to a rental agreement shall:

(C) If the resident violates any provision of this section, the park operator may recover any actual damages which result from the violation and reasonable attorneys' fees. This remedy is in addition to any right of the park operator to terminate the rental agreement, to maintain an action for the possession of the premises, or injunctive relief to compel access under division (B) of this section.

Sec. ~~3733.11~~ 4781.40. (A)(1) The park operator shall offer each home owner a written rental agreement for a manufactured home park lot for a term of one year or more that contains terms essentially the same as any

alternative month-to-month rental agreement offered to current and prospective tenants and owners. The park operator shall offer the minimum one-year rental agreement to the owner prior to installation of the home in the manufactured home park or, if the home is in the manufactured home park, prior to the expiration of the owner's existing rental agreement.

(2) The park operator shall deliver the offer to the owner by certified mail, return receipt requested, or in person. If the park operator delivers the offer to the owner in person, the owner shall complete a return showing receipt of the offer. If the owner does not accept the offer, the park operator is discharged from any obligation to make any further such offers. If the owner accepts the offer, the park operator shall, at the expiration of each successive rental agreement, offer the owner another rental agreement, for a term that is mutually agreed upon, and that contains terms essentially the same as the alternative month-to-month agreement. The park operator shall deliver subsequent rental offers by ordinary mail or personal delivery. The date by which the tenant shall vacate shall be at least one hundred twenty days after receipt of the written notification, and the date by which the owner shall vacate shall be at least one hundred eighty days after receipt of the written notification.

(B) A park operator shall fully disclose in writing all fees, charges, assessments, including rental fees, and rules prior to a tenant or owner executing a rental agreement and assuming occupancy in the manufactured home park. No fees, charges, assessments, or rental fees so disclosed may be increased nor rules changed by a park operator without specifying the date of implementation of the changed fees, charges, assessments, rental fees, or rules, which date shall be not less than thirty days after written notice of the change and its effective date to all tenants or owners in the manufactured home park, and no fee, charge, assessment, or rental fee shall be increased during the term of any tenant's or owner's rental agreement. Failure on the part of the park operator to fully disclose all fees, charges, or assessments

shall prevent the park operator from collecting the undisclosed fees, charges, or assessments. If a tenant or owner refuses to pay any undisclosed fees, charges, or assessments, the refusal shall not be used by the park operator as a cause for eviction in any court.

(C) A park operator shall promulgate rules governing the rental or occupancy of a lot in the manufactured home park. The rules shall not be unreasonable, arbitrary, or capricious. A copy of the rules and any amendments to them shall be delivered by the park operator to the tenant or owner prior to signing the rental agreement. A copy of the rules and any amendments to them shall be posted in a conspicuous place upon the manufactured home park grounds.

(D) No park operator shall require an owner to purchase from the park operator any personal property. Any such equipment shall be installed in accordance with the manufactured home park rules.

(E) No park operator shall charge any owner who chooses to install an electric or gas appliance in a home an additional fee solely on the basis of the installation, unless the installation is performed by the park operator at the request of the owner, nor shall the park operator restrict the installation, service, or maintenance of the appliance, restrict the ingress or egress of repairpersons to the manufactured home park for the purpose of installation, service, or maintenance of the appliance, nor restrict the making of any interior improvement in a home, if the installation or improvement is in compliance with applicable building codes and other provisions of law and if adequate utility services are available for the installation or improvement.

(F) No park operator shall require a tenant to lease or an owner to purchase a manufactured or mobile home from the park operator or any specific person as a condition of or prerequisite to entering into a rental agreement.

(G) No park operator shall require an owner to use the services of the park operator or any other specific person for installation of the manufactured or mobile home on the residential premises or for the performance of any service.

(H) No park operator shall:

(1) Deny any owner the right to sell the owner's manufactured home within the manufactured home park if the owner gives the park operator ten days' notice of the intention to sell the home;

(2) Require the owner to remove the home from the manufactured home park solely on the basis of the sale of the home;

(3) Unreasonably refuse to enter into a rental agreement with a purchaser of a home located within the operator's manufactured home park;

(4) Charge any tenant or owner any fee, charge, or assessment, including a rental fee, that is not set forth in the rental agreement or, if the rental agreement is oral, is not set forth in a written disclosure given to the tenant or owner prior to the tenant or owner entering into a rental agreement;

(5) Charge any owner any fee, charge, or assessment because of the transfer of ownership of a home or because a home is moved out of or into the manufactured home park, except a charge for the actual costs and expenses that are incurred by the park operator in moving the home out of or into the manufactured home park, or in installing the home in the manufactured home park and that have not been reimbursed by another tenant or owner.

(I) If the park operator violates any provision of divisions (A) to (H) of this section, the tenant or owner may recover actual damages resulting from the violation, and, if the tenant or owner obtains a judgment, reasonable attorneys' fees, or terminate the rental agreement.

(J) No rental agreement shall require a tenant or owner to sell, lease, or sublet the tenant's or owner's interest in the rental agreement or the manufactured or mobile home that is or will be located on the lot that is the subject of the rental agreement to any specific person or through any specific person as the person's agent.

(K) No park operator shall enter into a rental agreement with the owner of a manufactured or mobile home for the use of residential premises, if the rental agreement requires the owner of the home, as a condition to the owner's renting, occupying, or remaining on the residential premises, to pay the park operator or any other person specified in the rental agreement a fee or any sum of money based on the sale of the home, unless the owner of the home uses the park operator or other person as the owner's agent in the sale of the home.

(L) A park operator and a tenant or owner may include in a rental agreement any terms and conditions, including any term relating to rent, the duration of an agreement, and any other provisions governing the rights and obligations of the parties that are not inconsistent with or prohibited by sections 3733.09 to 3733.20 of the Revised Code or any other rule of law.

(M) Notwithstanding any other provision of the Revised Code, the owner of a manufactured or mobile home ~~that was previously titled by a dealer~~ may utilize the services of a manufactured home housing dealer or

The notice shall be sent to the person or place where rent is normally paid.

(B) If a park operator receives the notice described in division (A) of this section and after receipt of the notice fails to remedy the condition within a reasonable time, considering the severity of the condition and the time necessary to remedy such condition, or within thirty days, whichever is sooner, and if the resident is current in rent payments due under the rental agreement, the resident may do one of the following:

(1) Apply to the clerk of court for release of the rent on the ground that the condition contained in the notice given pursuant to division (A) of section ~~3733.12~~ 4781.41 of the Revised Code has been remedied. The clerk shall forthwith release the rent, less costs, to the park operator if the resident gives written notice to the clerk that the condition has been remedied.

If the resident remedies the condition described in the notice, whether by repair, the payment of damages, or otherwise, the rental agreement shall not terminate. The park operator may terminate the rental agreement immediately if the resident commits a second material violation of the park or ~~public health council~~ commission rules, or of applicable state and local health and safety codes, subject to the defense that the park rule is unreasonable, that the park or ~~public health council~~ commission rule, or health or safety code, is not being enforced against other manufactured home park residents, or that the two violations were not willful and not committed in bad faith.

Control is presumed to exist if any person, directly or indirectly, owns, controls, holds the power to vote, or holds with the power to vote proxies that constitute, twenty per cent or more of the total voting power of the domestic company or utility or the holding company.

(2) "Electric utility" has the same meaning as in section 4928.07 of the Revised Code.

(3) "Holding company" excludes any securities broker performing the usual and customary broker's function.

(B) No person shall acquire control, directly or indirectly, of a domestic telephone company or a holding company controlling a domestic telephone company or of a domestic electric utility or a holding company controlling a domestic electric utility unless that person obtains the prior approval of the public utilities commission under this section. To obtain approval the person shall file an application with the commission demonstrating that the acquisition will promote public convenience and result in the provision of adequate service for a reasonable rate, rental, toll, or charge. The application shall contain such information as the commission may require. If the commission considers a hearing necessary, it may fix a time and place for hearing. If, after review of the application and after any necessary hearing, the commission is satisfied that approval of the application will promote public convenience and result in the provision of adequate service for a reasonable rate, rental, toll, or charge, the commission shall approve the

application and make such order as it considers proper. If the commission fails to issue an order within thirty days of the filing of the application, or within twenty days of the conclusion of a hearing, if one is held, the application shall be deemed approved by operation of law.

(C) No domestic telephone company shall merge with another domestic telephone company unless the merging companies obtain the prior approval of the commission. An application seeking such approval shall be filed, processed, and decided in the manner provided for an application under division (B) of this section.

(D) The commission shall adopt such rules as it finds necessary to carry out the provisions of this section.

(E) If it appears to the commission or to any person that may be adversely affected that any person is engaged in or about to engage in any acts or practices that would violate division (B) or (C) of this section or any provision of a rule adopted under this section, the attorney general, when directed to do so by the commission, or the person claiming to be adversely affected may bring an action in any court of common pleas that has jurisdiction and venue to enjoin such acts or practices and enforce compliance. Upon a proper showing, the court shall grant, without bond, a restraining order or temporary or permanent injunction.

(F) The courts of this state have jurisdiction over every person not a resident of or domiciled or authorized to do business in this state that files, or is prohibited from acting without first filing, an application under division (B) or (C) of this section, and over all actions involving such person arising out of violations of any provision of this section or of a rule adopted under this section. The secretary of state shall be the agent for service of process for any such person in any action, suit, or proceeding arising out of such violations. Copies of all such lawful process shall be served upon the secretary of state and transmitted by certified mail, with return receipt requested, by the secretary of state to such person at the person's last known address.

Every public utility or railroad and every officer of a public utility or railroad shall comply with every order, direction, and requirement of the public utilities commission made under authority of this chapter and Chapters 4901., 4903., 4907., and 4909., ~~4921., and 4923.~~ of the Revised Code, so long as they remain in force. Except as otherwise specifically provided in ~~sections 4905.83, section 4905.95, 4919.99, 4921.99, and 4923.99~~ of the Revised Code, the public utilities commission may assess a forfeiture of not more than ten thousand dollars for each violation or failure against a public utility or railroad that violates a

provision of those chapters or that after due notice fails to comply with an order, direction, or requirement of the commission that was officially promulgated. Each day's continuance of the violation or failure is a separate offense. All forfeitures collected under this section shall be credited to the general revenue fund.

Sec. 4905.57. Except as otherwise specifically provided in sections ~~4905.83, 4905.96, 4919.99, 4921.99,~~ and 4923.99 of the Revised Code, actions to recover forfeitures provided for in this chapter and Chapters 4901., 4903., 4907., 4909., ~~4921.,~~ and 4923. of the Revised Code shall be prosecuted in the name of the state and may be brought in the court of common pleas of any county in which the public utility ~~or~~, railroad, ~~or~~ motor carrier is located. Such actions shall be commenced and prosecuted by the attorney general when ~~he~~ the attorney general is directed to do so by the public utilities commission. Moneys recovered by such actions shall be deposited in the state treasury to the credit of the general revenue fund.

Sec. 4905.58. All prosecutions against a railroad or an officer, agent, or employee thereof, under Chapters 4901., 4903., 4905., 4907., and 4909., ~~4921., and 4923.~~ and other sections of the Revised Code for penalties involving imprisonment shall be by indictment.

(G) Supervise and regulate motor carriers in all other matters affecting the relationship between those carriers and the public to the exclusion of all local authorities, except as provided in this section. The commission, in the exercise of the jurisdiction conferred upon it by this chapter and Chapters 4901., 4903., 4907., 4909., 4921., and 4923. of the Revised Code, may adopt rules affecting motor carriers, notwithstanding the provisions of any ordinance, resolution, license, or permit enacted, adopted, or granted by any township, municipal corporation, municipal corporation and county, or county. In case of conflict between any such ordinance, resolution, license, or permit, the order or rule of the commission shall prevail. Local subdivisions may adopt reasonable local police rules within their respective boundaries not inconsistent with those chapters and rules adopted under them.

The commission has jurisdiction to receive, hear, and determine as a question of fact, upon complaint of any party or upon its own motion, and upon not less than fifteen days' notice of the time and place of the hearing and the matter to be heard, whether any corporation, company, association, joint-stock association, person, firm, or copartnership, or their lessees, legal or personal representatives, trustees, or receivers or trustees appointed by any court, is engaged as a motor carrier. (1) "Telecommunications relay service" means intrastate transmission services that provide the ability for an individual who has a hearing or speech impairment to engage in a communication by wire or radio with a hearing individual in a manner that is functionally equivalent to the ability of an individual who does not have a hearing or speech impairment to communicate using voice communication services by wire or radio. "Telecommunications relay service" includes services that enable two-way communication between an individual who uses a telecommunications device for the deaf or other nonvoice terminal device and an individual who

The commission shall determine the appropriate service providers to be assessed the telecommunications relay service costs, including telephone companies as defined in division (A)~~(4)~~ of section 4905.03 of the Revised Code, commercial mobile radio service providers, and providers of advanced services or internet protocol-enabled services that are competitive with or functionally equivalent to basic local exchange service as defined in section 4927.01 of the Revised Code.

(C) The assessment shall be allocated proportionately among the appropriate service providers using a competitively neutral formula established by the commission based on the number of retail intrastate customer access lines or their equivalent. The commission shall annually reconcile the funds collected with the actual costs of providing telecommunications relay service when it issues the assessment and shall either proportionately charge the service providers for any amounts not sufficient to cover the actual costs or proportionately credit amounts collected in excess of the actual costs. The total amount assessed from all service providers shall not exceed the total telecommunications relay service costs.

Each service provider that pays the assessment shall be permitted to recover the cost of the assessment. The method of recovery may include, but is not limited to, a customer billing surcharge.

The commission shall deposit the money collected in the telecommunications relay service fund, which is hereby created in the state treasury, and shall use the money in that fund solely to compensate the TRS provider.

(D) The commission shall take such measures as it considers necessary to protect the confidentiality of information provided to the commission pursuant to this section by service providers required to pay the assessment.

(E) The commission may assess a forfeiture of not more than one thousand dollars on any service provider failing to comply with this section.

Each day's continuance of such failure is a separate offense. The forfeiture shall be recovered in accordance with sections 4905.55 to 4905.60 of the Revised Code.

All duties required of, and penalties imposed upon, a railroad or an officer or agent thereof insofar as they are applicable, are required and imposed upon express companies, water transportation companies, and interurban railroad companies, and upon their officers and agents.

The public utilities commission has the power of supervision and control of express companies, water transportation companies, and interurban railroad companies to the same extent as railroads.

Sec. 4907.04. Chapters 4901., 4903., 4905., 4907., and 4909., ~~4921., 4923., and 4925.~~ of the Revised Code do not apply to street and electric

railways engaged solely in the transportation of passengers within the limits of cities, or to other private railroads not doing business as common carriers.

Sec. 4907.08. The public utilities commission shall inquire into any neglect or violation of the laws of this state by a railroad doing business in this state, by its officers, agents, or employees, or by any person operating a railroad. The commission shall enforce Chapters 4901., 4903., 4905., 4907., 4909., ~~4921., 4923.,~~ and 4959. of the Revised Code, as well as all other laws relating to railroads, and report violations thereof to the attorney general.

If, upon complaint or otherwise, the commission has reason to believe that a railroad or any officer, agent, or employee of a railroad has violated or is violating any law of this state, or if it has reason to believe that differences have arisen between citizens of the state and any railroad operating as a common carrier within this state, it shall examine into the matter.

Sec. 4907.19. The public utilities commission shall cause blank forms to be prepared suitable for the purposes designated in Chapters 4901., 4903., 4905., 4907., and 4909., ~~4921., 4923., and 4925.~~ of the Revised Code which shall conform as nearly as practicable to the forms prescribed by the interstate commerce commission, and, when necessary, furnish such blank forms to each railroad.

Sec. 4907.28. No railroad shall charge, demand, collect, or receive a greater or less compensation for the transportation of passengers or property, or for any service in connection therewith, than is specified in the printed schedules referred to in sections 4907.25 to 4907.27, ~~inclusive,~~ of the Revised Code, including schedules of joint rates, as being then in force. The rates, fares, and charges named in such schedules shall be the lawful rates, fares, and charges until they are changed as provided in Chapters 4901., 4903., 4905., 4907., and 4909., ~~4921., 4923., and 4925.~~ of the Revised Code.

Sec. 4907.35. If a railroad, or an agent or officer of a railroad, by special rate, rebate, drawback, or by means of false billing, false classification, false weighing, or other device, charges, demands, collects, or receives, either directly or indirectly, from any person, firm, or corporation, a greater or less compensation for service rendered or to be rendered by such railroad for the transportation of persons or property or any service in connection therewith, than that prescribed in the published tariffs then in force, or established as provided in Chapters 4901., 4903., 4905., 4907., and 4909., ~~4921., 4923., and 4925.~~ of the Revised Code, or a greater or less compensation than it charges, demands, collects, or receives from any other person, firm, or corporation for a like and contemporaneous service in the transportation of a

like kind of traffic, under substantially similar circumstances and conditions, the railroad is guilty of unjust discrimination, which is hereby prohibited. Upon conviction of unjust discrimination, such railroad shall forfeit and pay into the state treasury not less than one hundred nor more than five thousand dollars for each offense.

No agent or officer of a railroad shall violate this section.

Sec. 4907.37. No common carrier subject to Chapters 4901., 4903., 4905., 4907., and 4909., ~~4921., 4923., and 4925.~~ of the Revised Code shall make or give undue or unreasonable preference or advantage to a particular person, company, firm, corporation, or locality, or to any particular description of traffic, or subject any particular person, company, firm, corporation, or locality, or any particular description of traffic, to any undue or unreasonable prejudice or disadvantage in any respect.

Sec. 4907.43. When the tracks of a railroad and the tracks of an interurban or suburban railway cross, connect, or intersect, and such tracks are of the same gauge, the companies owning such railroads may connect such tracks so as to admit the passage of cars from one to the other with facility.

If any such railroads fail to make such connection, upon complaint of any party authorized by Chapters 4901., 4903., 4905., 4907., and 4909.; ~~4921., 4923., and 4925.~~ of the Revised Code to file complaint, the public utilities commission shall proceed to hear and determine the same in a manner provided for making investigations upon complaint.

If upon such hearing the commission finds that it is practicable and reasonably necessary to ~~accommodate~~ accommodate the public, to connect such tracks and that when so connected it will be practicable to transport cars over such railroad without endangering the equipment, tracks, or appliances of either company, the commission shall make an order requiring such railroads to make connection. Such order shall describe the terms and conditions and shall apportion the cost of making such connection between the railroads.

When such connection is made, the railroads parties to it, according to their respective powers, shall afford all reasonable and proper facilities for the interchange of traffic between their respective lines for forwarding and delivering passengers and property, and without unreasonable delay or discrimination shall transfer, switch, and deliver freight or passenger cars destined to a point on its own or connecting lines. Precedence may be given to livestock and perishable freight over other freight. Whenever a derailing device is required at the intersection of any railroads mentioned in this section, it shall be installed, maintained, and operated as required by the

commission, which may prescribe the necessary rules and regulations for such operation, and designate the companies that shall be responsible for the operation of such derailing device.

Sec. 4907.49. When two or more railroads cross a public highway or street at a dangerous crossing, the expenses incurred in the erection and maintenance of gates, bells, or other devices, and of necessary gatekeepers or ~~flagmen~~ flaggers, and apportioned by the public utilities commission as railroad expense, shall be shared equally by the railroads.

Chapters 4901., 4903., 4905., 4907., and 4909., ~~4921., and 4923.~~ of the Revised Code do not prevent the use of automatic bells or other mechanical devices by a railroad at a public crossing not declared dangerous by the public utilities commission, nor do they prevent state, county, township, or municipal officials from entering into an agreement with a railroad to pay all or part of the expense of erecting a warning device. Any funds levied and made available for highways or street purposes may be used to pay the public share of the cost under such an agreement. If a gate is erected or a ~~flagman~~ flagger is stationed and maintained by a railroad, either alone or pursuant to such an agreement, the gate or ~~flagman~~ flagger shall not be abandoned nor an automatic bell or other mechanical device substituted for the gate or ~~flagman~~ flagger, unless the commission consents to the abandonment or substitution.

Sec. 4907.57. All claims, charges, or demands against a railroad for loss of or damage to property occurring while in the custody of such railroad and unreasonable delay in transportation and delivery, for overcharges upon a shipment, or for any other service in violation of Chapters 4901., 4903., 4905., 4907., and 4909., ~~4921., 4923., and 4925.~~ of the Revised Code, if not paid within sixty days from the date of the filing thereof with such railroad, may be submitted to the public utilities commission by a formal complaint. Such complaint shall be made upon blank forms which the commission shall provide upon demand of the claimant.

Such complaint shall be verified as petitions in civil actions and may be accompanied by the sworn statements of any witnesses who have knowledge of any fact material to the inquiry. Upon the filing of such complaint the commission shall forthwith cite the railroad to answer the complaint, and the citation shall be accompanied with a brief statement of the claim. The answer of the railroad shall be filed within three weeks from the service of the citation and shall be verified as answers in civil cases, and may be accompanied with the affidavits of any witnesses having knowledge of facts material to the inquiry.

The burden of proof shall be upon the railroad to show that loss or

damage to property was not due to its negligence. The railroad to which property is delivered for shipment shall prima facie be liable for loss or damage occurring to such property in transit notwithstanding such property may be delivered to other railroads before reaching its destination. The claim referred to in this section for loss of or damage to property may be made to any carrier over whose lines the lost or damaged property was consigned, and such claimant may at ~~his~~ the claimant's option join all of such railroads as parties defendant in ~~his~~ the complaint before said commission. The railroad shall furnish the claimant with a copy of its answer and affidavits, and within two weeks from the filing of such answers the claimant may file ~~his~~ a reply, with affidavits in support thereof, verified as replies in civil cases. At the expiration of said period of two weeks the commission shall proceed summarily to examine the complaint, answer, reply, and affidavits, and shall determine the existence and validity of the claim presented. If the commission finds in favor of the claimant it shall certify its findings to the clerk of the court of common pleas of the county in which the claimant resides or where the railroad or any of its offices is maintained.

Sec. 4907.59. Upon request of the public utilities commission, the attorney general or the prosecuting attorney of the proper county shall aid in an investigation, prosecution, hearing, or trial had under Chapters 4901., 4903., 4905., 4907., and 4909., ~~4921., 4923., and 4925.~~ of the Revised Code, and shall institute and prosecute necessary actions or proceedings for the enforcement of such chapters and of other laws of this state relating to railroads, and for the punishment of all violations of such chapters and such other laws.

Sec. 4907.60. If a railroad fails to perform a duty enjoined upon it by Chapter 4901., 4903., 4905., 4907., 4909., ~~4921., 4923.,~~ or 4959. of the Revised Code, or does any act prohibited by any of those chapters, for which failure or act no penalty or forfeiture has been provided by law, or fails to obey a lawful requirement or order made by the public utilities commission or order of any court upon application of the commission, the railroad, except as otherwise specifically provided in ~~sections 4905.83, section 4905.95, 4919.99, 4921.99, and 4923.99~~ of the Revised Code, shall forfeit into the state treasury not less than one hundred nor more than ten thousand dollars for each violation or failure. In construing and enforcing this section, the act, omission, or failure of any officer, agent, or other person acting for or employed by a railroad, while acting within the scope of the officer's, agent's, or other person's employment, is the act, omission, or failure of the railroad.

Sec. 4907.61. Except as otherwise specifically provided in sections ~~4905.83, 4905.96, 4919.99, 4921.99,~~ and 4923.99 of the Revised Code, when the attorney general prosecutes an action for the recovery of a forfeiture provided for in Chapter 4901., 4903., 4905., 4907., 4909., 4921., 4923., or 4959. of the Revised Code, the attorney general may bring the action in the court of common pleas of Franklin county or of any county having jurisdiction of the defendant.

Sec. 4907.62. If a railroad does, causes, or permits anything prohibited by Chapters 4901., 4903., 4905., 4907., and 4909., ~~4921., 4923., and 4925.~~ of the Revised Code to be done, or omits doing anything required to be done by such chapters, such railroad is liable to the person, firm, or corporation injured thereby in treble the amount of damages sustained in consequence of such violation or omission. A recovery provided by this section shall not affect a recovery by the state of the penalty prescribed for such violation.

(B) "Electric light company," "gas company," "natural gas company," "pipeline company," "water-works company," "sewage disposal system company," and "street railway company" have the same meanings as in section 4905.03 of the Revised Code.

Sec. 4909.03. All rates, fares, charges, classifications, and joint rates of railroad companies fixed by the public utilities commission shall be in force and be prima-facie lawful for two years from the day they take effect, or until changed or modified by the commission or by an order of a competent court in an action under Chapters 4901., 4903., 4905., 4907., and 4909., ~~4921., and 4923.~~ of the Revised Code.

Sec. 4909.17. No rate, joint rate, toll, classification, charge, or rental, no change in any rate, joint rate, toll, classification, charge, or rental, and no

regulation or practice affecting any rate, joint rate, toll, classification, charge, or rental of a public utility shall become effective until the public utilities commission, by order, determines it to be just and reasonable, except as provided in this section and sections 4909.18, 4909.19, and 4909.191 of the Revised Code. Such sections do not apply to any rate, joint rate, toll, classification, charge, or rental, or any regulation or practice affecting the same, of railroads, street and electric railways, for-hire motor ~~transportation companies~~ carriers, and pipe line companies.

Sec. 4909.22. When passengers or property are transported over two or more connecting railroads between points in this state, and the railroad companies have made joint rates for the transportation of such passengers or property, such rates and all charges in connection therewith shall be just and reasonable. Every unjust and unreasonable charge is prohibited. A less charge by each of such railroads for its proportion of such joint rates than is made locally between the same points on their respective lines is not for that reason a violation of Chapters 4901., 4903., 4905., 4907., and 4909., ~~4921., 4923., and 4925.~~ of the Revised Code and does not render such railroads liable to any of the penalties in such chapters.

Sec. 4909.24. Upon complaint of a person, firm, corporation, or association, of a mercantile, agricultural, or manufacturing society, or of a body politic or municipal organization, that any of the rates, fares, charges, or classifications, or any joint rates are in any respect unreasonable or unjustly discriminatory, or that any regulation or practice, affecting the transportation of persons or property, or any service in connection therewith, are in any respect unreasonable or unjustly discriminatory, or that any service is inadequate, the public utilities commission may notify the railroad complained of that complaint has been made, and ten days after such notice proceed to investigate such charges as provided in Chapters 4901., 4903., 4905., 4907., and 4909., ~~4921., 4923., and 4925.~~ of the Revised Code. Before making such investigation, the commission shall give the railroad and the complainants ten days' notice of the time and place such matters will be considered and determined, and such parties are entitled to be heard and to have process to enforce the attendance of witnesses.

A railroad may make complaint with like effect as though made by any person, firm, corporation, or association, ~~meretantile~~ mercantile, agricultural, or manufacturing society, body politic, or municipal organization.

Sec. 4909.28. If, upon an investigation under Chapters 4901., 4903., 4905., 4907., and 4909., ~~4921., 4923., and 4925.~~ of the Revised Code, the public utilities commission finds that any existing rate, fare, charge, or

classification, any joint rate, or any regulation or practice affecting the transportation of persons or property, or service in connection therewith, is unreasonable or unjustly discriminatory, or that any service is inadequate, it shall determine and by order fix a reasonable rate, fare, charge, classification, joint rate, regulation, practice, or service to be imposed, observed, and followed in the future, in place of that so found to be unreasonable, unjustly discriminatory, or inadequate. A certified copy of each such order shall be delivered to an officer or station agent of the railroad affected, and such order shall of its own force take effect and become operative thirty days after service.

All railroads to which such order applies shall make such changes in their schedules on file as are necessary to conform to such order, and no change shall thereafter be made by any railroad in any such rate, fare, or charge, or in any joint rate, without the approval of the commission.

U.S.C.A. App. 1819.

(2) "Uniform permit" has the same meaning as "permit" as used in the final report submitted to the United States secretary of transportation, pursuant to subsection (c) of section 22 of the "Hazardous Materials Transportation Uniform Safety Act of 1990," 104 Stat. 3244, 49 U.S.C.A. App. 1819.

(B)(1) The public utilities commission may adopt rules applicable to the uniform registration and uniform permitting of persons engaged in the highway transportation of hazardous materials into, through, or within this state. The rules shall include rules staggering the registration date for those persons and reducing or extending, by no more than one year, the permit renewal period for those persons.

(2) For the purpose of minimizing filing requirements regarding any background investigation required for the issuance of a uniform permit as a carrier of hazardous wastes, the commission shall accept from any applicant for the permit any refiling of information the applicant has filed with the office of the attorney general under section 3734.42 of the Revised Code or any reference to that information if the refiled or referenced information is on file with the office of the attorney general, is accurate and timely for the commission's purposes under this section, and is supplemented by any additional information the commission requires. The office of the attorney general, as necessary for a background investigation, shall make accessible to the commission any information referenced or refiled in an application for a uniform permit as a carrier of hazardous wastes that the attorney general determines may be disclosed in accordance with section 3734.42 of the Revised Code. Nothing in sections 4921.15, 4921.16, and division (H) of section 4921.19 of the Revised Code affects any limitations under section 3734.42 of the Revised Code on the disclosure of that information.

(C) The commission, as necessary to implement the rules adopted under division (B) of this section, may enter into agreements, contracts, arrangements, or declarations with other states and with the national repository, established pursuant to the final report submitted to the United States secretary of transportation, pursuant to subsection (c) of section 22 of the "Hazardous Materials Transportation Uniform Safety Act of 1990," 104 Stat. 3244, 49 U.S.C.A. App. 1819. The agreements, contracts, arrangements, or declarations shall include, but not be limited to, the determination of a base state, the collection of uniform registration fees, the frequency of distribution of uniform registration fees, procedures for dispute resolution, and protection of trade secrets and confidential business information.

(D) No person shall knowingly falsify or fail to submit any data, reports, records, or other information required to be submitted to the commission pursuant to this section or a rule adopted under it. For purposes of this division, a person acts knowingly if either of the following applies:

(1) The person has actual knowledge of the facts giving rise to the violation.

(2) A reasonable person acting in the circumstances and exercising due care would have such knowledge.

(E) After notice and opportunity for a hearing, the commission, pursuant to criteria set forth in rules adopted under division (B) of this section, may suspend, revoke, or deny the uniform permit as a carrier of hazardous materials of any person that has obtained or applied for such a uniform permit from the commission pursuant to rules adopted under that division, or the commission may order the suspension of the transportation of hazardous materials into, through, or within this state by a carrier that has obtained a uniform permit from another state that has a reciprocity agreement with the commission pursuant to division (C) of this section.

(F)(1) The proceedings specified in division (E) of this section are subject to and governed by Chapter 4903. of the Revised Code, except as otherwise provided in this section. The court of appeals of Franklin county has exclusive original jurisdiction to review, modify, or vacate any order of the commission suspending, revoking, or denying a uniform permit as a carrier of hazardous materials of any person that has obtained or applied for a uniform permit from the commission pursuant to rules adopted under division (B) of this section, or any order of the commission suspending the transportation of hazardous materials into, through, or within this state by a carrier that has obtained a uniform permit from another state that has a reciprocity agreement with the commission under division (C) of this section. The court of appeals shall hear and determine those appeals in the same manner and under the same standards as the Ohio supreme court hears and determines appeals under Chapter 4903. of the Revised Code. The judgment of the court of appeals is final and conclusive unless reversed, vacated, or modified on appeal. Such appeals may be taken either by the commission or the person to whom the order was issued and shall proceed as in the case of appeals in civil actions as provided in Chapter 2505. of the Revised Code.

(2) Section 4903.11 of the Revised Code does not apply to appeals of any order of the commission suspending, revoking, or denying a uniform permit of a person that has obtained or applied for a uniform permit from the commission pursuant to rules adopted under division (B) of this section, or

of any order of the commission suspending the transportation of hazardous materials into, through, or within this state by a carrier that has obtained a uniform permit from another state that has a reciprocity agreement with the commission pursuant to division (C) of this section. Any person to whom such an order is issued who wishes to contest the order shall file, within sixty days after the entry of the order upon the journal of the commission, a notice of appeal, setting forth the order appealed from and the errors complained of. The notice of appeal shall be served, unless waived, upon the chairperson of the commission or, in the event of the chairperson's absence, upon any public utilities commissioner, or by leaving a copy at the office of the commission at Columbus. On appeal, the court shall reverse, vacate, or modify the order if, upon consideration of the record, the court is of the opinion that the order was unlawful or unreasonable.

Sec. 4921.16. (A) Information submitted to the public utilities commission as part of a uniform registration application, pursuant to rules adopted under division (B) of section 4921.15 of the Revised Code, is a public record and is subject to section 149.43 of the Revised Code.

(B) Except for information related to corporate structure and personnel, information that is submitted to the commission as part of a uniform permit application, pursuant to rules adopted under division (B) of section 4921.15 of the Revised Code, is a public record and is subject to section 149.43 of the Revised Code. Information that is related to corporate structure and personnel that is submitted to the commission as part of a uniform permit application, pursuant to rules adopted under division (B) of section 4921.15 of the Revised Code, is not a public record and is not subject to section 149.43 of the Revised Code. Except as provided in division (D) of this section, the commission shall not disclose to any person any information that is related to corporate structure and personnel that is submitted as part of a uniform permit application.

(C) Information that is submitted for any background investigation for an application for a uniform permit as a carrier of hazardous wastes is not a public record and is not subject to section 149.43 of the Revised Code. Except as provided in division (D) of this section, the commission shall not disclose to any person any information submitted for any background investigation for such an application.

(D) The commission may disclose to its authorized employees and to any federal agencies, state agencies of this state or another state, local government agencies of this state or another state, or the national repository established pursuant to the final report submitted to the United States secretary of transportation, pursuant to subsection (c) of section 22 of the

"Hazardous Materials Transportation Uniform Safety Act of 1990," 104 Stat. 3244, 49 U.S.C.A. App. 1819, any information submitted to the commission as part of a uniform permit application that is related to corporate structure and personnel or submitted for any background investigation for an application for a uniform permit as a carrier of hazardous wastes if all of the following conditions are met:

(1) The commission enters into a confidentiality agreement with the employee, agency, or national repository under which that employee or entity agrees not to disclose to any third party any information related to corporate structure or personnel or any information submitted as part of a background investigation unless the third party enters into a confidentiality agreement with the commission consistent with this division.

(2) The employee, agency, or national repository certifies to the commission that it is not required by any state or federal law to disclose any information related to corporate structure or personnel or any information submitted as part of a background investigation.

(3) The federal agency, state or local government agency of another state, or national repository irrevocably consents in writing to the jurisdiction of the courts of this state and service of process in this state, including, without limitation, summonses and subpoenas, for any civil proceeding arising out of an intentional disclosure of information in violation of this division.

(E) Any person who intentionally discloses information in violation of division (D) of this section is liable to the owner of the information for civil damages caused by the disclosure.

Sec. 4921.19. (A) Every for-hire motor carrier operating in this state shall, at the time of the issuance of a certificate of public convenience and necessity under section 4921.03 of the Revised Code, pay to the public utilities commission, for and on behalf of the treasurer of state, the following taxes:

(1) For each motor vehicle used for transporting persons, thirty dollars;

(2) For each commercial tractor, as defined in section 4501.01 of the Revised Code, used for transporting property, thirty dollars;

(3) For each other motor vehicle transporting property, twenty dollars.

(B) Every for-hire motor carrier operating in this state solely in intrastate commerce shall, annually between the first day of May and the thirtieth day of June, pay to the commission, for and on behalf of the treasurer of state, the following taxes:

(1) For each motor vehicle used for transporting persons, thirty dollars;

(2) For each commercial tractor, as defined in section 4501.01 of the

Revised Code, used for transporting property, thirty dollars:

(3) For each other motor vehicle transporting property, twenty dollars.

(C) After a for-hire motor carrier has paid the applicable taxes under division (B) of this section and all requirements under division (C) of section 4921.13 of the Revised Code have been met, the commission shall issue the carrier a tax receipt. The carrier shall carry a copy of the tax receipt in each motor vehicle operated by the carrier. The carrier shall maintain the original copy of the tax receipt at the carrier's primary place of business.

(D) A trailer used by a for-hire motor carrier shall not be taxed under this section.

(E) The annual tax levied by division (B) of this section does not apply in those cases where the commission finds that the movement of agricultural commodities or foodstuffs produced therefrom requires a temporary and seasonal use of vehicular equipment for a period of not more than ninety days. In such event, the tax on the vehicular equipment shall be twenty-five per cent of the annual tax levied by division (B) of this section. If any vehicular equipment is used in excess of the ninety-day period, the annual tax levied by this section shall be paid.

(F) All taxes levied by division (B) of this section shall be reckoned as from the beginning of the quarter in which the tax receipt is issued or as from when the use of equipment under any existing tax receipt began.

(G) The fees for unified carrier registration pursuant to section 4921.11 of the Revised Code shall be identical to those established by the unified carrier registration act board as approved by the federal motor carrier safety administration for each year.

(H)(1) The fees for uniform registration and a uniform permit as a carrier of hazardous materials pursuant to section 4921.15 of the Revised Code shall consist of the following:

(a) A processing fee of fifty dollars;

(b) An apportioned per-truck registration fee, which shall be calculated by multiplying the percentage of a registrant's activity in this state times the percentage of the registrant's business that is hazardous-materials-related, times the number of vehicles owned or operated by the registrant, times a per-truck fee determined by order of the commission following public notice and an opportunity for comment.

(i) The percentage of a registrant's activity in this state shall be calculated by dividing the number of miles that the registrant travels in this state under the international registration plan, pursuant to section 4503.61 of the Revised Code, by the number of miles that the registrant travels nationwide under the international registration plan. Registrants that operate

solely within this state shall use one hundred per cent as their percentage of activity. Registrants that do not register their vehicles through the international registration plan shall calculate activity in the state in the same manner as that required by the international registration plan.

(ii) The percentage of a registrant's business that is hazardous-materials-related shall be calculated, for less-than-truckload shipments, by dividing the weight of all the registrant's hazardous materials shipments by the total weight of all shipments in the previous year. The percentage of a registrant's business that is hazardous-materials-related shall be calculated, for truckload shipments, by dividing the number of shipments for which placarding, marking of the vehicle, or manifesting, as appropriate, was required by regulations adopted under sections 4 to 6 of the "Hazardous Materials Transportation Uniform Safety Act of 1990," 104 Stat. 3244, 49 U.S.C. App. 1804, by the total number of the registrant's shipments that transported any kind of goods in the previous year. A registrant that transports both less-than-truckload and truckload shipments of hazardous materials shall calculate the percentage of business that is hazardous-materials-related on a proportional basis.

(iii) A registrant may utilize fiscal year, or calendar year, or other current company accounting data, or other publicly available information, in calculating the percentages required by divisions (H)(1)(b)(i) and (ii) of this section.

(2) The commission, after notice and opportunity for a hearing, may assess each carrier a fee for any background investigation required for the issuance, for the purpose of section 3734.15 of the Revised Code, of a uniform permit as a carrier of hazardous wastes and fees related to investigations and proceedings for the denial, suspension, or revocation of a uniform permit as a carrier of hazardous materials. The fees shall not exceed the reasonable costs of the investigations and proceedings. The fee for a background investigation for a uniform permit as a carrier of hazardous wastes shall be six hundred dollars plus the costs of obtaining any necessary information not included in the permit application, to be calculated at the rate of thirty dollars per hour, not exceeding six hundred dollars, plus any fees payable to obtain necessary information.

(I) The application fee for a certificate for the transportation of household goods issued pursuant to sections 4921.30 to 4921.38 of the Revised Code shall be based on the certificate holder's gross revenue, in the prior year, for the intrastate transportation of household goods. The commission shall establish, by order, ranges of gross revenue and the fee for each range. The fees shall be set in amounts sufficient to carry out the

purposes of sections 4921.30 to 4921.38 and 4923.99 of the Revised Code and, to the extent necessary, the commission shall make changes to the fee structure to ensure that neither over nor under collection of the fees occurs. The fees shall also take into consideration the revenue generated from the assessment of forfeitures under section 4923.99 of the Revised Code regarding the consumer protection provisions applicable to for-hire motor carriers engaged in the transportation of household goods.

(J) The fees and taxes provided under this section shall be in addition to taxes, fees, and charges fixed and exacted by other sections of the Revised Code, except the assessments required by section 4905.10 of the Revised Code, but all fees, license fees, annual payments, license taxes, or taxes or other money exactions, except the general property tax, assessed, charged, fixed, or exacted by local authorities such as municipal corporations, townships, counties, or other local boards, or the officers of such subdivisions are illegal and, are superseded by sections 4503.04 and 4905.03 and Chapter 4921. of the Revised Code. Sec. 4921.21. (A) As used in this section, "adjusted credit amount" means the aggregate amount credited to the public utilities transportation safety fund, less the sum of all of the following:

(2) The fees collected by the commission on behalf of other states under division (C) of section 4921.15 of the Revised Code;

(3) The forfeitures collected by the commission under section 4923.99 of the Revised Code for violations of rules adopted under division (A)(2) of section 4923.04 of the Revised Code.

(B)(1) There is hereby created in the state treasury the public utilities transportation safety fund. The fees collected in accordance with the unified carrier registration plan under section 4921.11 of the Revised Code, the fees collected under section 4921.15 of the Revised Code, the taxes and fees remitted under section 4921.19 of the Revised Code, the forfeitures imposed under section 4923.99 of the Revised Code, except as provided in division

(B)(2) of this section, and the fines collected under section 4163.07 of the Revised Code shall be deposited into the state treasury to the credit of the public utilities transportation safety fund, until the adjusted credit amount in a fiscal year is equal to the total amount appropriated from the fund for the fiscal year. Once this point of parity is reached, any additional fees, taxes, forfeitures, or fines received during the fiscal year shall be credited to the general revenue fund, except as provided in division (B)(2) of this section, and except for both of the following:

(a) The fees collected in accordance with the unified carrier registration plan under section 4921.11 of the Revised Code, that exceed the federal certification of revenue for each year of the plan;

(b) The fees collected on behalf of other states under division (C) of section 4921.15 of the Revised Code.

(2) The first eight hundred thousand dollars of forfeitures collected under section 4923.99 of the Revised Code, for violations of rules adopted under division (A)(2) of section 4923.04 of the Revised Code, during each fiscal year shall be credited to the public utilities transportation safety fund. Any forfeitures in excess of that amount shall be deposited into the general revenue fund. In each fiscal year, the commission shall distribute moneys from these forfeitures credited to the public utilities transportation safety fund for the purposes of emergency response planning and the training of safety, enforcement, and emergency services personnel in proper techniques for the management of hazardous materials releases that occur during transportation or otherwise. For these purposes, fifty per cent of all such moneys credited to the public utilities transportation safety fund shall be distributed to Cleveland state university, forty-five per cent shall be distributed to other educational institutions, state agencies, regional planning commissions, and political subdivisions, and five per cent shall be retained by the commission for the administration of this section and for training employees. However, if, in any such period, moneys from these forfeitures credited to the public utilities transportation safety fund equal an amount less than four hundred thousand dollars, the commission shall distribute, to the extent of the aggregate amount of those moneys, two hundred thousand dollars to Cleveland state university and the remainder to other educational institutions, state agencies, regional planning commissions, and political subdivisions.

(C) The purpose of the public utilities transportation safety fund shall be for defraying all expenses incident to maintaining the nonrailroad transportation activities of the commission.

(D) There is hereby created in the state treasury the federal commercial

vehicle transportation systems fund. The fund shall consist of money received from the United States department of transportation's commercial vehicle intelligent transportation systems infrastructure deployment program. The public utilities commission shall use the fund to deploy the Ohio commercial vehicle information systems networks project and to improve safety of motor carrier operations through electronic exchange of data.

(E) There is hereby created in the state treasury the motor carrier safety fund. The fund shall consist of money received from the United States department of transportation for motor carrier safety. The commission shall use the fund to administer the state's motor carrier safety assistance program and associated grants, including the motor carrier safety assistance program basic grant, the incentive grant, the high priority grants, the new entrant safety assurance grant, the safety data improvement grant, or their equivalents.

(F) If the director of budget and management determines there is not sufficient money in the public utilities transportation safety fund, the director shall transfer money from the general revenue fund to the public utilities transportation safety fund in an amount up to the difference between the balance of the public utilities transportation safety fund and the appropriations from that fund. If the director subsequently determines during the fiscal year that the balance of the public utilities transportation safety fund exceeds the amount needed to support the appropriations from the fund, the director shall transfer the excess money, up to the amount of the original transfer, to the general revenue fund.

Sec. 4921.25. Any person, firm, copartnership, voluntary association, joint-stock association, company, or corporation, wherever organized or incorporated, that is engaged in the towing of motor vehicles is subject to regulation by the public utilities commission as a for-hire motor carrier under this chapter. Sec. 4921.34. (A) The public utilities commission shall approve an application for a certificate for the transportation of household goods under sections 4921.30 to 4921.38 of the Revised Code and shall issue a certificate, provided the applicant pays the applicable application fee under division (I) of section 4921.19 of the Revised Code and submits to the commission a completed application, on a form prescribed by the commission, that is substantially the same as the application prescribed by the commission pursuant to section 4921.05 of the Revised Code, and includes a certification of all of the following by responsible officials of the applicant:

The public utilities commission, after providing reasonable notice and the opportunity for a hearing in accordance with the procedural rules adopted under section 4901.13 of the Revised Code, shall assess, by order, a forfeiture upon a person whom the commission determines, by a preponderance of the

evidence, committed the violation. In determining the amount of the forfeiture for a violation discovered during a driver or motor-vehicle inspection under section 4923.06 of the Revised Code, the commission shall, to the extent practicable, not act in a manner incompatible with the requirements of the United States department of transportation, and, to the extent practicable, shall utilize a system comparable to the recommended civil-penalty procedure adopted by the commercial vehicle safety alliance. In determining the amount of the forfeiture for a violation discovered during a compliance review of a motor carrier under section 4923.07 of the Revised Code, the commission shall, to the extent practicable, not act in a manner incompatible with the civil-penalty guidelines of the United States department of transportation.

The court of common pleas of Franklin county has jurisdiction to and may grant preliminary and permanent injunctive relief upon a showing that the person against whom the action is brought has violated or is violating any such order. The court shall give precedence to such an action over all other cases.

(B) The amount of any forfeiture may be compromised at any time prior to collection of the forfeiture. The commission shall adopt rules governing the manner in which the amount of a forfeiture may be established by agreement prior to the hearing on the forfeiture before the commission.

The court of appeals of Franklin county has exclusive, original jurisdiction to review, modify, or vacate an order of the commission issued to secure compliance with any provision of Chapter 4921. or 4923. of the Revised Code. The court of appeals shall hear and determine those appeals in the same manner, and under the same standards, as the supreme court hears and determines appeals under Chapter 4903. of the Revised Code. The judgment of the court of appeals is final and conclusive unless reversed, vacated, or modified

on appeal. Such appeals may be taken either by the commission or the person to whom the compliance order or forfeiture assessment was issued and shall proceed as in the case of appeals in civil actions as provided in the rules of appellate procedure and Chapter 2505. of the Revised Code.

(D) Section 4903.11 of the Revised Code does not apply to an appeal of an order issued to secure compliance with Chapter 4921. or 4923. of the Revised Code or an order issued under division (A)(1) of this section assessing a forfeiture. Any person to whom any such order is issued who wishes to contest a compliance order, the fact of the violation, or the amount of the forfeiture shall file a notice of appeal, setting forth the order appealed from and the errors complained of, within sixty days after the entry of the order upon the journal of the commission. The notice of appeal shall be served, unless waived, upon the chairperson of the commission or, in the event of the chairperson's absence, upon any public utilities commissioner, or by leaving a copy at the office of the commission at Columbus. An order issued by the commission to secure compliance with Chapter 4921. or 4923. of the Revised Code or an order issued under division (A)(1) of this section assessing a forfeiture shall be reversed, vacated, or modified on appeal if, upon consideration of the record, the court is of the opinion that the order was unlawful or unreasonable.

(E) Only for such violations that constitute violations of the "Hazardous Materials Transportation Uniform Safety Act of 1990," 104 Stat. 3244, 49 U.S.C.A. App. 1804 and 1805, or regulations adopted under the act, the commission, in determining liability, shall use the same standard of culpability for civil forfeitures under this section as that set forth for civil penalties under section 12 of the "Hazardous Materials Transportation Uniform Safety Act of 1990," 104 Stat. 3244, 49 U.S.C.A. App. 1809. The commission shall consider the assessment considerations for civil penalties specified in regulations adopted under the "Hazardous Materials Transportation Act," 88 Stat. 2156 (1975), 49 U.S.C. 1801.

(1) The rate for direct care costs determined for the nursing facility under section 5111.231 of the Revised Code;

(2) The rate for ancillary and support costs determined for the nursing facility's ancillary and support cost peer group under section 5111.24 of the Revised Code;

(3) The rate for tax costs determined for the nursing facility under section 5111.242 of the Revised Code;

(4) The quality incentive payment paid to the nursing facility under section 5111.244 of the Revised Code;

(5) If the nursing facility qualifies as a critical access nursing facility, the critical access incentive payment paid to the nursing facility under

section 5111.246 of the Revised Code:

(6) The rate for capital costs determined for the nursing facility's capital costs peer group under section 5111.25 of the Revised Code.

(B) The department shall adjust the rates otherwise determined under division (A) of this section as directed by the general assembly through the enactment of law governing medicaid payments to providers of nursing facilities, including any law that establishes factors by which the rates are to be adjusted.

(C) In addition to paying a nursing facility provider the total rate determined for the nursing facility under division (A) of this section for a fiscal year, the department shall pay the provider a quality bonus under section 5111.245 of the Revised Code for that fiscal year if the provider's nursing facility is a qualifying nursing facility, as defined in that section, for that fiscal year. The quality bonus shall not be part of the total rate.

Sec. 5111.23. (A) The department of job and family services shall pay a provider for each of the provider's eligible intermediate care facilities for the mentally retarded a per resident per day rate for direct care costs established prospectively for each facility. The department shall establish each facility's rate for direct care costs quarterly.

(B) Each facility's rate for direct care costs shall be based on the facility's cost per case-mix unit, subject to the maximum costs per case-mix unit established under division (B)(2) of this section, from the calendar year preceding the fiscal year in which the rate is paid. To determine the rate, the department shall do all of the following:

(1) Determine each facility's cost per case-mix unit for the calendar year preceding the fiscal year in which the rate will be paid by dividing the facility's desk-reviewed, actual, allowable, per diem direct care costs for that year by its average case-mix score determined under section 5111.232 of the Revised Code for the same calendar year.

(2)(a) Set the maximum cost per case-mix unit for each peer group of intermediate care facilities for the mentally retarded with more than eight beds specified in rules adopted under division (F) of this section at a percentage above the cost per case-mix unit of the facility in the group that has the group's median medicaid ~~inpatient~~ day for the calendar year preceding the fiscal year in which the rate will be paid, as calculated under division (B)(1) of this section, that is no less than the percentage calculated under division (E)(2) of this section.

(b) Set the maximum cost per case-mix unit for each peer group of intermediate care facilities for the mentally retarded with eight or fewer beds specified in rules adopted under division (F) of this section at a percentage

above the cost per case-mix unit of the facility in the group that has the group's median medicaid ~~inpatient~~ day for the calendar year preceding the fiscal year in which the rate will be paid, as calculated under division (B)(1) of this section, that is no less than the percentage calculated under division (E)(3) of this section.

(c) In calculating the maximum cost per case-mix unit under divisions (B)(2)(a) and (b) of this section for each peer group, the department shall exclude from its calculations the cost per case-mix unit of any facility in the group that participated in the medicaid program under the same operator for less than twelve months during the calendar year preceding the fiscal year in which the rate will be paid.

(3) Estimate the rate of inflation for the eighteen-month period beginning on the first day of July of the calendar year preceding the fiscal year in which the rate will be paid and ending on the thirty-first day of December of the fiscal year in which the rate will be paid, using the index specified in division (C) of this section. If the estimated inflation rate for the eighteen-month period is different from the actual inflation rate for that period, as measured using the same index, the difference shall be added to or subtracted from the inflation rate estimated under division (B)(3) of this section for the following fiscal year.

(4) The department shall not recalculate a maximum cost per case-mix unit under division (B)(2) of this section or a percentage under division (E) of this section based on additional information that it receives after the maximum costs per case-mix unit or percentages are set. The department shall recalculate a maximum cost per case-mix units or percentage only if it made an error in computing the maximum cost per case-mix unit or percentage based on information available at the time of the original calculation.

(C) The department shall use the following index for the purpose of division (B)(3) of this section:

(1) The employment cost index for total compensation, health services component, published by the United States bureau of labor statistics;

(2) If the United States bureau of labor statistics ceases to publish the index specified in division (C)(1) of this section, the index that is subsequently published by the bureau and covers nursing facilities' staff costs.

(D) Each facility's rate for direct care costs shall be determined as follows for each calendar quarter within a fiscal year:

(1) Multiply the lesser of the following by the facility's average case-mix score determined under section 5111.232 of the Revised Code for

the calendar quarter that preceded the immediately preceding calendar quarter:

(a) The facility's cost per case-mix unit for the calendar year preceding the fiscal year in which the rate will be paid, as determined under division (B)(1) of this section;

(b) The maximum cost per case-mix unit established for the fiscal year in which the rate will be paid for the facility's peer group under division (B)(2) of this section;

(2) Adjust the product determined under division (D)(1) of this section by the inflation rate estimated under division (B)(3) of this section.

(E)(1) The department shall calculate the percentage above the median cost per case-mix unit determined under division (B)(1) of this section for the facility that has the median medicaid ~~inpatient~~ day for calendar year 1992 for all intermediate care facilities for the mentally retarded with more than eight beds that would result in payment of all desk-reviewed, actual, allowable direct care costs for eighty and one-half per cent of the medicaid ~~inpatient~~ days for such facilities for calendar year 1992.

(2) The department shall calculate the percentage above the median cost per case-mix unit determined under division (B)(1) of this section for the facility that has the median medicaid ~~inpatient~~ day for calendar year 1992 for all intermediate care facilities for the mentally retarded with eight or fewer beds that would result in payment of all desk-reviewed, actual, allowable direct care costs for eighty and one-half per cent of the medicaid ~~inpatient~~ days for such facilities for calendar year 1992.

(F) The director of job and family services shall adopt rules under section 5111.02 of the Revised Code that specify peer groups of intermediate care facilities for the mentally retarded with more than eight beds and intermediate care facilities for the mentally retarded with eight or fewer beds, based on findings of significant per diem direct care cost differences due to geography and facility bed-size. The rules also may specify peer groups based on findings of significant per diem direct care cost differences due to other factors which may include case-mix.

(G) The department, in accordance with division (D) of section 5111.232 of the Revised Code and rules adopted under division (F) of that section, may assign case-mix scores or costs per case-mix unit if a provider fails to submit assessment data necessary to calculate an intermediate care facility for the mentally retarded's case-mix score in accordance with that section.

Sec. 5111.242. (A) As used in this section:

(1) ~~"Applicable,~~ "applicable calendar year" means the following:

~~(a)~~(1) For the purpose of the department of job and family services' initial determination under this section of nursing facilities' rate for tax costs, calendar year 2003;

(C) At least once every ten years, the department shall determine the rate for tax costs for each nursing facility. To determine a nursing facility's rate for tax costs and except as provided in division (D) of this section, the department shall divide the nursing facility's desk-reviewed, actual, allowable tax costs paid for the applicable calendar year by the number of inpatient days the nursing facility would have had if its occupancy rate had been one hundred per cent during the applicable calendar year.

(D) If a nursing facility had a credit regarding its real estate taxes reflected on its cost report for calendar year 2003, the department shall determine its rate for tax costs for the period beginning on July 1, 2010, and ending on the first day of the fiscal year for which the department first redetermines all nursing facilities' rate for tax costs under division (C) of this section by dividing the nursing facility's desk-reviewed, actual, allowable tax costs paid for calendar year 2004 by the number of inpatient days the nursing facility would have had if its occupancy rate had been one hundred per cent during calendar year 2004.

Sec. 5111.246. (A) Each fiscal year, the department of job and family services shall pay a critical access incentive payment to the provider of each nursing facility that qualifies as a critical access nursing facility. To qualify as a critical access nursing facility for a fiscal year, a nursing facility must meet all of the following requirements:

(1) The nursing facility must be located in an area that, on December 31, 2011, was designated an empowerment zone under section 1391 of the "Internal Revenue Code of 1986," 107 Stat. 543, 26 U.S.C. 1391, as amended.

(B) A critical access nursing facility's critical access incentive payment for a fiscal year shall equal five per cent of the portion of the nursing facility's total rate for the fiscal year that is the sum of the rates and payment identified in divisions (A)(1) to (4) and (6) of section 5111.222 of the Revised Code.

Sec. 5111.254. (A) The department of job and family services shall establish initial rates for a nursing facility with a first date of licensure that is on or after July 1, 2006, including a facility that replaces one or more existing facilities, or for a nursing facility with a first date of licensure before that date that was initially certified for the medicaid program on or after that date, in the following manner:

(1) The rate for direct care costs shall be the product of the cost per case-mix unit determined under division (D) of section 5111.231 of the Revised Code for the facility's peer group and the nursing facility's case-mix score. For the purpose of division (A)(1) of this section, the nursing facility's case-mix score shall be the following:

(B) Subject to division (C) of this section, the department shall adjust the rates established under division (A) of this section effective the first day of July, to reflect new rate calculations for all nursing facilities under sections 5111.20 to 5111.331 of the Revised Code.

(C) If a rate for direct care costs is determined under this section for a nursing facility using the median annual average case-mix score for the nursing facility's peer group, the rate shall be redetermined to reflect the replacement nursing facility's actual semiannual case-mix score determined under section 5111.232 of the Revised Code after the nursing facility submits its first two quarterly assessment data that qualify for use in calculating a case-mix score in accordance with rules authorized by division (E) of section 5111.232 of the Revised Code. If the nursing facility's quarterly submissions do not qualify for use in calculating a case-mix score, the department shall continue to use the median annual average case-mix score for the nursing facility's peer group in lieu of the nursing facility's semiannual case-mix score until the nursing facility submits two consecutive quarterly assessment data that qualify for use in calculating a case-mix score.

(2) "Long-term care consultation program administrator" or "administrator" means the department of aging or, if the department contracts with an area agency on aging or other entity to administer the

long-term care consultation program for a particular area, that agency or entity.

(3) "Nursing facility" has the same meaning as in section 5111.20 of the Revised Code.

(4) "Residential state supplement administrative agency" means the department of mental health or, if the department designates an entity under division (C) of this section for a particular area, the designated entity.

(5) "Residential state supplement program" means the program administered pursuant to this section.

Residential state supplement payments shall be used for the provision of accommodations, supervision, and personal care services to supplemental security income recipients who the department determines are at risk of needing institutional care.

~~(B)~~(C) In implementing the program, the department may designate one or more entities to be responsible for providing administrative services regarding the program. The department may designate an entity to be a residential state supplement administrative agency under this division either by entering into a contract with the entity to serve in that capacity or by otherwise delegating to the entity the responsibility to serve in that capacity.

~~(C)~~(D) For an individual to be eligible for residential state supplement payments, all of the following must be the case:

(1) Except as provided by division ~~(G)~~(H) of this section, the individual must reside in one of the following:

(a) ~~An adult foster home certified under section 5119.692 of the Revised Code;~~

~~(b) A home or facility, other than a nursing home or nursing home unit of a home for the aging, licensed by the department of health under Chapter 3721. of the Revised Code or the department of mental health under sections 5119.70 to 5119.88 of the Revised Code;~~

(2) A residential state supplement administrative agency must have determined that the environment in which the individual will be living while receiving the payments is appropriate for the individual's needs. If the individual is eligible for supplemental security income payments or social security disability insurance benefits because of a mental disability, the residential state supplement administrative agency shall refer the individual to a community mental health agency for ~~the community mental health agency to issue in accordance with~~ an assessment under division (A) of section 340.091 of the Revised Code ~~a recommendation on whether the residential state supplement administrative agency should determine that the environment in which the individual will be living while receiving the payments is appropriate for the individual's needs.~~

~~(D)~~(E) The directors of mental health and job and family services shall adopt rules in accordance with section 111.15 of the Revised Code as necessary to implement the residential state supplement program.

To the extent permitted by Title XVI of the "Social Security Act," and any other provision of federal law, the director of job and family services may adopt rules establishing standards for adjusting the eligibility requirements concerning the level of impairment a person must have so that the amount appropriated for the program by the general assembly is adequate for the number of eligible individuals. The rules shall not limit the eligibility of disabled persons solely on a basis classifying disabilities as physical or mental. The director of job and family services also may adopt rules that establish eligibility standards for aged, blind, or disabled individuals who reside in one of the homes or facilities specified in division ~~(C)~~(D)(1) of this section but who, because of their income, do not receive supplemental security income payments. The rules may provide that these individuals may include individuals who receive other types of benefits, including, social security disability insurance benefits provided under Title II of the "Social Security Act," 49 Stat. 620 (1935), 42 U.S.C.A. 401, as amended. Notwithstanding division ~~(A)~~(B) of this section, such payments may be made if funds are available for them.

The director of mental health may adopt rules establishing the method to be used to determine the amount an eligible individual will receive under the program. The amount the general assembly appropriates for the program may be a factor included in the method that director establishes.

~~(E)~~(F) The county department of job and family services of the county

in which an applicant for the residential state supplement program resides shall determine whether the applicant meets income and resource requirements for the program.

~~(F)~~(G) The department of mental health shall maintain a waiting list of any individuals eligible for payments under this section but not receiving them because moneys appropriated to the department for the purposes of this section are insufficient to make payments to all eligible individuals. An individual may apply to be placed on the waiting list even though the individual does not reside in one of the homes or facilities specified in division ~~(C)~~(D)(1) of this section at the time of application. The director of mental health, by rules adopted in accordance with Chapter 119. of the Revised Code, may specify procedures and requirements for placing an individual on the waiting list and priorities for the order in which individuals placed on the waiting list are to begin to receive residential state supplement payments. The rules specifying priorities may give priority to individuals placed on the waiting list on or after July 1, 2006, who receive supplemental security income benefits under Title XVI of the "Social Security Act," 86 Stat. 1475 (1972), 42 U.S.C. 1381, as amended. The rules shall not affect the place on the waiting list of any person who was on the list on July 1, 2006. The rules specifying priorities may also set additional priorities based on living arrangement, such as whether an individual resides in a facility listed in division ~~(C)~~(D)(1) of this section or has been admitted to a nursing facility.

~~(G)~~(H) An individual in a licensed or certified living arrangement receiving state supplementation on November 15, 1990, under former section 5101.531 of the Revised Code shall not become ineligible for payments under this section solely by reason of the individual's living arrangement as long as the individual remains in the living arrangement in which the individual resided on November 15, 1990.

If a residential state supplement administrative agency determines that such an individual has been admitted to a nursing facility, the agency shall notify the long-term care consultation program administrator serving the area in which the individual resides about the determination. The administrator shall determine whether the residential state supplement program is appropriate for the individual and whether the individual would rather participate in the program than continue residing in the nursing facility. If the administrator determines that the residential state supplement program is appropriate for the individual and the individual would rather participate in the program than continue residing in the nursing facility, the administrator shall so notify the department of mental health. On receipt of the notice from the administrator, the department of mental health shall approve the individual's enrollment in the residential state supplement program in accordance with the priorities specified in rules adopted under division (F)(G) of section 5119.69 of the Revised Code. Each quarter, the department of mental health shall certify to the director of budget and management the estimated increase in costs of the residential state supplement program resulting from enrollment of individuals in the program pursuant to this section.

(XX) For a municipal corporation that withdraws or proposes by resolution to withdraw from a regional transit authority under section 306.55 of the Revised Code to provide transportation services for the movement of persons within, from, or to the municipal corporation.

The resolution shall be confined to the purpose or purposes described in one division of this section, to which the revenue derived therefrom shall be applied. The existence in any other division of this section of authority to levy a tax for any part or all of the same purpose or purposes does not preclude the use of such revenues for any part of the purpose or purposes of the division under which the resolution is adopted.

The resolution shall specify the amount of the increase in rate that it is necessary to levy, the purpose of that increase in rate, and the number of years during which the increase in rate shall be in effect, which may or may not include a levy upon the duplicate of the current year. The number of years may be any number not exceeding five, except as follows:

(1) When the additional rate is for the payment of debt charges, the increased rate shall be for the life of the indebtedness.

(2) When the additional rate is for any of the following, the increased rate shall be for a continuing period of time:

(a) For the current expenses for a detention facility district, a district organized under section 2151.65 of the Revised Code, or a combined district organized under sections 2151.65 and 2152.41 of the Revised Code;

(3) When the additional rate is for either of the following, the increased rate may be for a continuing period of time:

(a) For the purposes set forth in division (I), (J), (U), or (KK) of this section;

(b) For the maintenance and operation of a joint recreation district.

(4) When the increase is for the purpose or purposes set forth in division (D), (G), (H), (CC), or (PP) of this section, the tax levy may be for any specified number of years or for a continuing period of time, as set forth in the resolution.

(5) When the additional rate is for the purpose described in division (Z) of this section, the increased rate shall be for any number of years not exceeding ten.

A levy for one of the purposes set forth in division (G), (I), (J), or (U) of this section may be reduced pursuant to section 5705.261 or 5705.31 of the Revised Code. A levy for one of the purposes set forth in division (G), (I), (J), or (U) of this section may also be terminated or permanently reduced by the taxing authority if it adopts a resolution stating that the continuance of the levy is unnecessary and the levy shall be terminated or that the millage is excessive and the levy shall be decreased by a designated amount.

A resolution of a detention facility district, a district organized under section 2151.65 of the Revised Code, or a combined district organized under both sections 2151.65 and 2152.41 of the Revised Code may include both current expenses and other purposes, provided that the resolution shall apportion the annual rate of levy between the current expenses and the other purpose or purposes. The apportionment need not be the same for each year of the levy, but the respective portions of the rate actually levied each year for the current expenses and the other purpose or purposes shall be limited by the apportionment.

Whenever a board of county commissioners, acting either as the taxing authority of its county or as the taxing authority of a sewer district or subdistrict created under Chapter 6117. of the Revised Code, by resolution declares it necessary to levy a tax in excess of the ten-mill limitation for the purpose of constructing, improving, or extending sewage disposal plants or sewage systems, the tax may be in effect for any number of years not exceeding twenty, and the proceeds of the tax, notwithstanding the general provisions of this section, may be used to pay debt charges on any obligations issued and outstanding on behalf of the subdivision for the purposes enumerated in this paragraph, provided that any such obligations have been specifically described in the resolution.

A resolution adopted by the legislative authority of a municipal corporation that is for the purpose in division (XX) of this section may be combined with the purpose provided in section 306.55 of the Revised Code, by vote of two-thirds of all members of the legislative authority. The legislative authority may certify the resolution to the board of elections as a combined question. The question appearing on the ballot shall be as provided in section 5705.252 of the Revised Code.

The resolution shall go into immediate effect upon its passage, and no publication of the resolution is necessary other than that provided for in the notice of election.

When the electors of a subdivision have approved a tax levy under this section, the taxing authority of the subdivision may anticipate a fraction of the proceeds of the levy and issue anticipation notes in accordance with

section 5705.191 or 5705.193 of the Revised Code.

Sec. 5705.25. (A) A copy of any resolution adopted as provided in section 5705.19 or 5705.2111 of the Revised Code shall be certified by the taxing authority to the board of elections of the proper county not less than ninety days before the general election in any year, and the board shall submit the proposal to the electors of the subdivision at the succeeding November election. Except as otherwise provided in this division, a resolution to renew an existing levy, regardless of the section of the Revised Code under which the tax was imposed, shall not be placed on the ballot unless the question is submitted at the general election held during the last year the tax to be renewed or replaced may be extended on the real and public utility property tax list and duplicate, or at any election held in the ensuing year. The limitation of the foregoing sentence does not apply to a resolution to renew and increase or to renew part of an existing levy that was imposed under section 5705.191 of the Revised Code to supplement the general fund for the purpose of making appropriations for one or more of the following purposes: for public assistance, human or social services, relief, welfare, hospitalization, health, and support of general hospitals. The limitation of the second preceding sentence also does not apply to a resolution that proposes to renew two or more existing levies imposed under section 5705.21 of the Revised Code, in which case the question shall be submitted on the date of the general or primary election held during the last year at least one of the levies to be renewed may be extended on the real and public utility property tax list and duplicate, or at any election held during the ensuing year. For purposes of this section, a levy shall be considered to be an "existing levy" through the year following the last year it can be placed on that tax list and duplicate.

The board shall make the necessary arrangements for the submission of such questions to the electors of such subdivision, and the election shall be conducted, canvassed, and certified in the same manner as regular elections in such subdivision for the election of county officers. Notice of the election shall be published in a newspaper of general circulation in the subdivision once a week for two consecutive weeks, or as provided in section 7.16 of the Revised Code, prior to the election. If the board of elections operates and maintains a web site, the board of elections shall post notice of the election on its web site for thirty days prior to the election. The notice shall state the purpose, the proposed increase in rate expressed in dollars and cents for each one hundred dollars of valuation as well as in mills for each one dollar of valuation, the number of years during which the increase will be in effect, the first month and year in which the tax will be levied, and the time and

place of the election.

(B) The form of the ballots cast at an election held pursuant to division (A) of this section shall be as follows:

"An additional tax for the benefit of (name of subdivision or public library) for the purpose of (purpose stated in the resolution) at a rate not exceeding mills for each one dollar of valuation, which amounts to (rate expressed in dollars and cents) for each one hundred dollars of valuation, for (life of indebtedness or number of years the levy is to run).

	For the Tax Levy	"
	Against the Tax Levy	

(C) If the levy is to be in effect for a continuing period of time, the notice of election and the form of ballot shall so state instead of setting forth a specified number of years for the levy.

If the tax is to be placed on the current tax list, the form of the ballot shall be modified by adding, after the statement of the number of years the levy is to run, the phrase ", commencing in (first year the tax is to be levied), first due in calendar year (first calendar year in which the tax shall be due)."

If the levy submitted is a proposal to renew, increase, or decrease an existing levy, the form of the ballot specified in division (B) of this section may be changed by substituting for the words "An additional" at the beginning of the form, the words "A renewal of a" in case of a proposal to renew an existing levy in the same amount; the words "A renewal of mills and an increase of mills to constitute a" in the case of an increase; or the words "A renewal of part of an existing levy, being a reduction of mills, to constitute a" in the case of a decrease in the proposed levy.

If the levy submitted is a proposal to renew two or more existing levies imposed under section 5705.21 of the Revised Code, the form of the ballot specified in division (B) of this section shall be modified by substituting for the words "an additional tax" the words "a renewal of ...(insert the number of levies to be renewed) existing taxes."

If the levy submitted is a levy under section 5705.72 of the Revised Code or a proposal to renew, increase, or decrease an existing levy imposed under that section, the name of the subdivision shall be "the unincorporated area of (name of township)."

The question covered by such resolution shall be submitted as a separate proposition but may be printed on the same ballot with any other proposition

submitted at the same election, other than the election of officers. More than one such question may be submitted at the same election.

(D) A levy voted in excess of the ten-mill limitation under this section shall be certified to the tax commissioner. In the first year of the levy, it shall be extended on the tax lists after the February settlement succeeding the election. If the additional tax is to be placed upon the tax list of the current year, as specified in the resolution providing for its submission, the result of the election shall be certified immediately after the canvass by the board of elections to the taxing authority, who shall make the necessary levy and certify it to the county auditor, who shall extend it on the tax lists for collection. After the first year, the tax levy shall be included in the annual tax budget that is certified to the county budget commission.

Sec. 5705.252. (A) If the legislative authority of a municipal corporation adopts a resolution for the purposes provided in section 306.55 of the Revised Code and division (XX) of section 5705.19 of the Revised Code and certifies the resolution to the board of elections as a combined question, the question appearing on the ballot shall read:

"Shall the territory within the (name of municipal corporation) be withdrawn from (name of regional transit authority) and shall an additional tax be levied for the benefit of (name of municipal corporation) for the purpose of providing transportation services for the movement of persons within, from, or to the (name of municipal corporation) at a rate not exceeding mills for each one dollar of valuation, which amounts to (rate expressed in dollars and cents) for each one hundred dollars of valuation, for (number of years the levy is to run)?"

(B) If the board of trustees of a township adopts a resolution for the purposes provided in sections 306.55 and 5705.72 of the Revised Code and certifies the resolution to the board of elections as a combined question, the question appearing on the ballot in the unincorporated area of the township shall read:

"Shall the territory within the unincorporated area of (name of township) be withdrawn from (name of regional transit authority) and shall an additional tax be levied for the benefit of the unincorporated area of (name of township) for the purpose of providing transportation services for the movement of persons within, from, or to the unincorporated area of (name of township) at a rate not exceeding mills for each one dollar of valuation, which amounts to (rate expressed in dollars and cents) for each one hundred dollars of valuation, for (number of years the levy is to run)?"

Sec. 5705.28. (A) Except as provided in division (B)(1) or (2) of this section or in section 5705.281 of the Revised Code, the taxing authority of each subdivision or other taxing unit shall adopt a tax budget for the next succeeding fiscal year:

(1) On or before the fifteenth day of January in the case of a school district ~~district districts and the city of Cincinnati~~;

(2) On or before the fifteenth day of July in the case of all other subdivisions and taxing units.

(B)(1) Before the first day of June in each year, the board of trustees of a school library district entitled to participate in any appropriation or revenue of a school district or to have a tax proposed by the board of education of a school district shall file with the board of education of the school district a tax budget for the ensuing fiscal year. On or before the fifteenth day of July in each year, the board of education of a school district to which a school library district tax budget was submitted under this division shall adopt such tax budget on behalf of the library district, but such budget shall not be part of the school district's tax budget.

(2)(a) The taxing authority of a taxing unit that does not levy a tax is not required to adopt a tax budget pursuant to division (A) of this section. Instead, on or before the fifteenth day of July each year, such taxing authority shall adopt an operating budget for the taxing unit for the ensuing fiscal year. The operating budget shall include an estimate of receipts from all sources, a statement of all taxing unit expenses that are anticipated to occur, and the amount required for debt charges during the fiscal year. The operating budget is not required to be filed with the county auditor or the county budget commission.

(b) Except for this section and sections 5705.36, 5705.38, 5705.40, 5705.41, 5705.43, 5705.44, and 5705.45 of the Revised Code, a taxing unit that does not levy a tax is not a taxing unit for purposes of Chapter 5705. of the Revised Code. Documents prepared in accordance with such sections are not required to be filed with the county auditor or county budget commission.

(c) The total appropriations from each fund of a taxing unit that does not levy a tax shall not exceed the total estimated revenue available for expenditures from the fund, and appropriations shall be made from each fund only for the purposes for which the fund is established.

(C)(1) To assist in the preparation of the tax budget, the head of each department, board, commission, and district authority entitled to participate in any appropriation or revenue of a subdivision shall file with the taxing authority, or in the case of a municipal corporation, with its chief executive

officer, before the forty-fifth day prior to the date on which the budget must be adopted, an estimate of contemplated revenue and expenditures for the ensuing fiscal year, in such form as is prescribed by the taxing authority of the subdivision or by the auditor of state. The taxing authority shall include in its budget of expenditures the full amounts requested by district authorities, not to exceed the amount authorized by law, if such authorities may fix the amount of revenue they are to receive from the subdivision. In a municipal corporation in which a special levy for a municipal university has been authorized to be levied in excess of the ten-mill limitation, or is required by the charter of the municipal corporation, the taxing authority shall include an amount not less than the estimated yield of such levy, if such amount is requested by the board of directors of the municipal university.

(2) A county board of developmental disabilities may include within its estimate of contemplated revenue and expenditures a reserve balance account in the community developmental disabilities residential services fund. The account shall contain money that is not needed to pay for current expenses for residential services and supported living but will be needed to pay for expenses for such services in the future or may be needed for unanticipated emergency expenses. On the request of the county board of developmental disabilities, the board of county commissioners shall include such an account in its budget of expenditures and appropriate money to the account from residential service moneys for the county board.

(D) The board of trustees of any public library desiring to participate in the distribution of the county public library fund shall adopt appropriate rules extending the benefits of the library service of such library to all the inhabitants of the county on equal terms, unless such library service is by law available to all such inhabitants, and shall certify a copy of such rules to the taxing authority with its estimate of contemplated revenue and expenditures. Where such rules have been so certified or where the adoption of such rules is not required, the taxing authority shall include in its budget of receipts such amounts as are specified by such board as contemplated revenue from the county public library fund, and in its budget of expenditures the full amounts requested therefrom by such board. No library association, incorporated or unincorporated, is entitled to participate in the proceeds of the county public library fund unless such association both was organized and operating prior to January 1, 1968, and participated in the distribution of the proceeds of the county public library fund prior to December 31, 2005.

Sec. 5705.30. This section does not apply to a subdivision for which the

county budget commission has waived the requirement to adopt a tax budget under section 5705.281 of the Revised Code.

In addition to the information required by section 5705.29 of the Revised Code, the budget of each subdivision and school library district shall include such other information as is prescribed by the auditor of state. At least two copies of the budget shall be filed in the office of the fiscal officer of the subdivision for public inspection not less than ten days before its adoption by the taxing authority, and such taxing authority shall hold at least one public hearing thereon, of which public notice shall be given by at least one publication not less than ten days prior to the date of hearing in the official publication of such subdivision, or in a newspaper having general circulation in the subdivision. The budget, after adoption, shall be submitted to the county auditor on or before the twentieth day of July, or in the case of a school district or the city of Cincinnati, by the twentieth day of January. The tax commissioner may prescribe a later date for the submission of a subdivision's tax budget. Any subdivision that fails to submit its budget to the county auditor on or before the ~~twentieth day of July, unless the commissioner on or before the twentieth day of July prescribes date prescribed by this section~~ or a later date for submission of the budget by that subdivision, prescribed by the commissioner shall not receive an apportionment from the undivided local government fund distribution for the ensuing calendar year; ~~unless upon review of the matter the commissioner determines that the budget was adopted by the subdivision on or before the fifteenth fifth day of July before the date prescribed by this section for submitting the budget, but was not submitted to the county auditor by the twentieth day of July~~ date so prescribed or the later time prescribed by the commissioner because of ministerial error by the subdivision or its officers, employees, or other representatives.

Sec. 5705.34. When the budget commission has completed its work with respect to a tax budget or other information required to be provided under section 5705.281 of the Revised Code, it shall certify its action to the taxing authority, together with an estimate by the county auditor of the rate of each tax necessary to be levied by the taxing authority within its subdivision or taxing unit, and what part thereof is in excess of, and what part within, the ten-mill tax limitation. The certification shall also indicate the date on which each tax levied by the taxing authority will expire.

If a taxing authority levies a tax for a fixed sum of money or to pay debt charges for the tax year for which the tax budget is prepared, and a payment on account of that tax is payable to the taxing authority for the tax year under section 5727.85, 5727.86, 5751.21, or 5751.22 of the Revised Code,

the county auditor, when estimating the rate at which the tax shall be levied in the current year, shall estimate the rate necessary to raise the required sum less the estimated amount of any payments made for the tax year to a taxing unit for fixed-sum levies under those sections. The estimated rate shall be the rate of the levy that the budget commission certifies with its action under this section.

Each taxing authority, by ordinance or resolution, shall authorize the necessary tax levies and certify them to the county auditor before the first day of October in each year, or at such later date as is approved by the tax commissioner, except that the certification by the legislative authority of the city of Cincinnati or by a board of education shall be made by the first day of April or at such later date as is approved by the commissioner, and except that a township board of park commissioners that is appointed by the board of township trustees and oversees a township park district that contains only unincorporated territory shall authorize only those taxes approved by, and only at the rate approved by, the board of township trustees as required by division (C) of section 511.27 of the Revised Code. If the levying of a tax to be placed on the duplicate of the current year is approved by the electors of the subdivision under sections 5705.01 to 5705.47 of the Revised Code; if the rate of a school district tax is increased due to the repeal of a school district income tax and property tax rate reduction at an election held pursuant to section 5748.04 of the Revised Code; or if refunding bonds to refund all or a part of the principal of bonds payable from a tax levy for the ensuing fiscal year are issued or sold and in the process of delivery, the budget commission shall reconsider and revise its action on the budget of the subdivision or school library district for whose benefit the tax is to be levied after the returns of such election are fully canvassed, or after the issuance or sale of such refunding bonds is certified to it.

Sec. 5705.35. (A) The certification of the budget commission to the taxing authority of each subdivision or taxing unit, as set forth in section 5705.34 of the Revised Code, shall show the various funds of such subdivisions other than funds to be created by transfer and shall be filed by the county budget commission with such taxing authority on or before the first day of March in the case of school districts and the city of Cincinnati and on or before the first day of September in each year in the case of all other taxing authorities. There shall be set forth on the credit side of each fund the estimated unencumbered balances and receipts, and if a tax is to be levied for such fund, the estimated revenue to be derived therefrom, the rate of the levy, and what portion thereof is within, and what in excess of, the ten-mill tax limitation, and on the debit side, the total appropriations that

may be made therefrom. Subject to division (G) of section 5705.29 of the Revised Code, any reserve balance in an account established under section 5705.13 of the Revised Code for the purpose described in division (A)(1) of that section, and the principal of a nonexpendable trust fund established under section 5705.131 of the Revised Code and any additions to principal arising from sources other than the reinvestment of investment earnings arising from that fund, are not unencumbered balances for the purposes of this section. The balance in a reserve balance account established under section 5705.132 of the Revised Code is not an unencumbered balance for the purposes of this division.

There shall be attached to the certification a summary, which shall be known as the "official certificate of estimated resources," that shall state the total estimated resources of each fund of the subdivision that are available for appropriation in the fiscal year, other than funds to be created by transfer, and a statement of the amount of the total tax duplicate of the school district to be used in the collection of taxes for the following calendar year. Before the end of the fiscal year, the taxing authority of each subdivision and other taxing unit shall revise its tax budget, if one was adopted, so that the total contemplated expenditures from any fund during the ensuing fiscal year will not exceed the total appropriations that may be made from such fund, as determined by the budget commission in its certification; and such revised budget shall be the basis of the annual appropriation measure.

(B)(1) Except as otherwise provided in division (B)(2) of this section, revenues from real property taxes scheduled to be settled on or before the tenth day of August and the fifteenth day of February of a fiscal year under divisions (A) and (C) of section 321.24 of the Revised Code, and revenue from taxes levied on personal property used in business scheduled to be settled on or before the thirty-first day of October and the thirtieth day of June of a fiscal year under divisions (B) and (D) of section 321.24 of the Revised Code shall not be available for appropriation by a board of education prior to the fiscal year in which such latest scheduled settlement date occurs, except that moneys advanced to the treasurer of a board of education under division (A)(2)(b) of section 321.34 of the Revised Code shall be available for appropriation in the fiscal year in which they are paid to the treasurer under such section. If the date for any settlement of taxes is extended under division (E) of section 321.24 of the Revised Code, the latest date set forth in divisions (A) to (D) of that section shall be used to determine in which fiscal year the revenues are first available for appropriation.

(2) Revenues available for appropriation by a school district during a fiscal year may include amounts borrowed in that fiscal year under section 133.301 of the Revised Code in anticipation of the collection of taxes that are to be included in the settlements made under divisions (C) and (D) of section 321.24 of the Revised Code in the ensuing fiscal year.

Sec. 5705.38. (A) This division does not apply to school district appropriation measures. On or about the first day of each fiscal year, the taxing authority of each subdivision or other taxing unit shall pass an appropriation measure, and thereafter during the year it may pass any supplemental appropriation measures as it finds necessary, based on the revised tax budget or the official certificate of estimated resources or amendments of the certificate. If it desires to postpone the passage of the annual appropriation measure until an amended certificate is received based on the actual balances, it may pass a temporary appropriation measure for meeting the ordinary expenses of the taxing unit until no later than the first day of April or, in the case of the city of Cincinnati, the first day of October, of the current year, and the appropriations made in the temporary measure shall be chargeable to the appropriations in the annual appropriation measure for that fiscal year when passed.

(B) A board of education shall pass its annual appropriation measure by the first day of October. If, by the first day of October, a board has not received either the amended certificates of estimated resources required by division (B) of section 5705.36 of the Revised Code or certifications that no amended certificates need be issued, the adoption of the annual appropriation measure shall be delayed until the amended certificates or certifications are received. Prior to the passage of the annual appropriation measure, the board may pass a temporary appropriation measure for meeting the ordinary expenses of the district until it passes an annual appropriation measure, and appropriations made in the temporary measure shall be chargeable to the appropriations in the annual appropriation measure for that fiscal year when passed. During the fiscal year and after the passage of the annual appropriation measure, a district may pass any supplemental appropriation measures as it finds necessary, based on the revised tax budget or the official certificate of estimated resources or amendments of the certificate. School district appropriation measures shall be in the form as the auditor of state, after consultation with the tax commissioner, prescribes.

(C) Appropriation measures shall be classified so as to set forth separately the amounts appropriated for each office, department, and division, and, within each, the amount appropriated for personal services. In the case of a municipal university, the board of directors of which have

assumed, in the manner provided by law, custody and control of the funds of the university, funds shall be appropriated as a lump sum for the use of the university.

Sec. 5705.72. (A) As used in this section and in section 5705.25 of the Revised Code with regard to a levy submitted under this section, "electors" means electors of the unincorporated area of a township.

(B) The board of trustees of any township that withdraws or proposes by resolution to withdraw the unincorporated area of the township from a regional transit authority under section 306.55 of the Revised Code, by vote of two-thirds of all the members of the board of trustees, may declare by resolution that the amount of taxes that may be raised within the ten-mill limitation will be insufficient to provide transportation services to the unincorporated area of the township and that it is necessary to levy a tax in excess of that limitation within the unincorporated area of that township for the purpose of providing transportation services for the movement of persons within, from, or to the unincorporated area of that township.

The resolution shall specify the necessary amount of the increase in rate to levy, the purpose of such increase, and the number of years, not exceeding ten, during which the rate increase shall be in effect, which may or may not include a levy upon the tax list of the current year.

The resolution shall be submitted to the proper county board of elections not less than ninety days before the date of the election at which the question will appear on the ballot and in the manner provided by section 5705.25 of the Revised Code, except that the question may be submitted to electors at a general election or a special election held on a date consistent with section 3501.01 of the Revised Code.

A resolution adopted by the board of trustees of a township under this section may be combined with a resolution for the withdrawal of the unincorporated area of the township from a regional transit authority as provided in section 306.55 of the Revised Code, by vote of two-thirds of all members of the board. The board may certify the combined resolution to the board of elections as a combined question. The question appearing on the ballot shall be as provided in section 5705.252 of the Revised Code.

When electors have approved a tax levy under this section, the board of township trustees may anticipate a fraction of the proceeds of the levy and issue anticipation notes as authorized by section 5705.191 of the Revised Code for a current expense levy with a fixed term, and may anticipate the collection of current revenue under section 133.10 of the Revised Code.

Sec. 5709.084. Real and personal property comprising a convention center that is constructed or, in the case of personal property, acquired, after

January 1, 2010, are exempt from taxation if the convention center is located in a county having a population, when construction of the convention center commences, of more than one million two hundred thousand according to the most recent federal decennial census, and if the convention center, or the land upon which the convention center is situated, is owned or leased by the county. For the purposes of this section, construction of the convention center commences upon the earlier of issuance of debt to finance all or a portion of the convention center, demolition of existing structures on the site, or grading of the site in preparation for construction.

Real and personal property comprising a convention center owned by the largest city in a county having a population greater than seven hundred thousand but less than nine hundred thousand according to the most recent federal decennial census is exempt from taxation, regardless of whether the property is leased to or otherwise operated or managed by a person other than the city.

Real and personal property comprising a convention center owned by a convention facilities authority in a county having a population greater than one million according to the most recent federal decennial census is exempt from taxation, regardless of whether the property is leased to or otherwise operated or managed by a person other than the convention facilities authority.

As used in this section, "convention center" has the same meaning as in section 307.695 of the Revised Code.

Sec. 5709.12. (A) As used in this section, "independent living facilities" means any residential housing facilities and related property that are not a nursing home, residential care facility, or ~~adult-care residential~~ residential facility as defined in division (A) of section 5701.13 of the Revised Code.

(B) Lands, houses, and other buildings belonging to a county, township, or municipal corporation and used exclusively for the accommodation or support of the poor, or leased to the state or any political subdivision for public purposes shall be exempt from taxation. Real and tangible personal property belonging to institutions that is used exclusively for charitable purposes shall be exempt from taxation, including real property belonging to an institution that is a nonprofit corporation that receives a grant under the Thomas Alva Edison grant program authorized by division (C) of section 122.33 of the Revised Code at any time during the tax year and being held for leasing or resale to others. If, at any time during a tax year for which such property is exempted from taxation, the corporation ceases to qualify for such a grant, the director of development shall notify the tax commissioner, and the tax commissioner shall cause the property to be

restored to the tax list beginning with the following tax year. All property owned and used by a nonprofit organization exclusively for a home for the aged, as defined in section 5701.13 of the Revised Code, also shall be exempt from taxation.

(C)(1) If a home for the aged described in division (B)(1) of section 5701.13 of the Revised Code is operated in conjunction with or at the same site as independent living facilities, the exemption granted in division (B) of this section shall include kitchen, dining room, clinic, entry ways, maintenance and storage areas, and land necessary for access commonly used by both residents of the home for the aged and residents of the independent living facilities. Other facilities commonly used by both residents of the home for the aged and residents of independent living units shall be exempt from taxation only if the other facilities are used primarily by the residents of the home for the aged. Vacant land currently unused by the home, and independent living facilities and the lands connected with them are not exempt from taxation. Except as provided in division (A)(1) of section 5709.121 of the Revised Code, property of a home leased for nonresidential purposes is not exempt from taxation.

(2) Independent living facilities are exempt from taxation if they are operated in conjunction with or at the same site as a home for the aged described in division (B)(2) of section 5701.13 of the Revised Code; operated by a corporation, association, or trust described in division (B)(1)(b) of that section; operated exclusively for the benefit of members of the corporation, association, or trust who are retired, aged, or infirm; and provided to those members without charge in consideration of their service, without compensation, to a charitable, religious, fraternal, or educational institution. For the purposes of division (C)(2) of this section, "compensation" does not include furnishing room and board, clothing, health care, or other necessities, or stipends or other de minimis payments to defray the cost thereof.

(D)(1) A private corporation established under federal law, defined in 36 U.S.C. 1101, Pub. L. No. 102-199, 105 Stat. 1629, as amended, the objects of which include encouraging the advancement of science generally, or of a particular branch of science, the promotion of scientific research, the improvement of the qualifications and usefulness of scientists, or the increase and diffusion of scientific knowledge is conclusively presumed to be a charitable or educational institution. A private corporation established as a nonprofit corporation under the laws of a state, that is exempt from federal income taxation under section 501(c)(3) of the Internal Revenue Code of 1986, 100 Stat. 2085, 26 U.S.C.A. 1, as amended, and has as its

principal purpose one or more of the foregoing objects, also is conclusively presumed to be a charitable or educational institution.

The fact that an organization described in this division operates in a manner that results in an excess of revenues over expenses shall not be used to deny the exemption granted by this section, provided such excess is used, or is held for use, for exempt purposes or to establish a reserve against future contingencies; and, provided further, that such excess may not be distributed to individual persons or to entities that would not be entitled to the tax exemptions provided by this chapter. Nor shall the fact that any scientific information diffused by the organization is of particular interest or benefit to any of its individual members be used to deny the exemption granted by this section, provided that such scientific information is available to the public for purchase or otherwise.

(2) Division (D)(2) of this section does not apply to real property exempted from taxation under this section and division (A)(3) of section 5709.121 of the Revised Code and belonging to a nonprofit corporation described in division (D)(1) of this section that has received a grant under the Thomas Alva Edison grant program authorized by division (C) of section 122.33 of the Revised Code during any of the tax years the property was exempted from taxation.

When a private corporation described in division (D)(1) of this section sells all or any portion of a tract, lot, or parcel of real estate that has been exempt from taxation under this section and section 5709.121 of the Revised Code, the portion sold shall be restored to the tax list for the year following the year of the sale and, except in connection with a sale and transfer of such a tract, lot, or parcel to a county land reutilization corporation organized under Chapter 1724. of the Revised Code, a charge shall be levied against the sold property in an amount equal to the tax savings on such property during the four tax years preceding the year the property is placed on the tax list. The tax savings equals the amount of the additional taxes that would have been levied if such property had not been exempt from taxation.

The charge constitutes a lien of the state upon such property as of the first day of January of the tax year in which the charge is levied and continues until discharged as provided by law. The charge may also be remitted for all or any portion of such property that the tax commissioner determines is entitled to exemption from real property taxation for the year such property is restored to the tax list under any provision of the Revised Code, other than sections 725.02, 1728.10, 3735.67, 5709.40, 5709.41, 5709.62, 5709.63, 5709.71, 5709.73, 5709.78, and 5709.84, upon an application for exemption covering the year such property is restored to the

tax list filed under section 5715.27 of the Revised Code.

(E) Real property held by an organization organized and operated exclusively for charitable purposes as described under section 501(c)(3) of the Internal Revenue Code and exempt from federal taxation under section 501(a) of the Internal Revenue Code, 26 U.S.C.A. 501(a) and (c)(3), as amended, for the purpose of constructing or rehabilitating residences for eventual transfer to qualified low-income families through sale, lease, or land installment contract, shall be exempt from taxation.

The exemption shall commence on the day title to the property is transferred to the organization and shall continue to the end of the tax year in which the organization transfers title to the property to a qualified low-income family. In no case shall the exemption extend beyond the second succeeding tax year following the year in which the title was transferred to the organization. If the title is transferred to the organization and from the organization to a qualified low-income family in the same tax year, the exemption shall continue to the end of that tax year. The proportionate amount of taxes that are a lien but not yet determined, assessed, and levied for the tax year in which title is transferred to the organization shall be remitted by the county auditor for each day of the year that title is held by the organization.

Upon transferring the title to another person, the organization shall file with the county auditor an affidavit affirming that the title was transferred to a qualified low-income family or that the title was not transferred to a qualified low-income family, as the case may be; if the title was transferred to a qualified low-income family, the affidavit shall identify the transferee by name. If the organization transfers title to the property to anyone other than a qualified low-income family, the exemption, if it has not previously expired, shall terminate, and the property shall be restored to the tax list for the year following the year of the transfer and a charge shall be levied against the property in an amount equal to the amount of additional taxes that would have been levied if such property had not been exempt from taxation. The charge constitutes a lien of the state upon such property as of the first day of January of the tax year in which the charge is levied and continues until discharged as provided by law.

The application for exemption shall be filed as otherwise required under section 5715.27 of the Revised Code, except that the organization holding the property shall file with its application documentation substantiating its status as an organization organized and operated exclusively for charitable purposes under section 501(c)(3) of the Internal Revenue Code and its qualification for exemption from federal taxation under section 501(a) of the

Internal Revenue Code, and affirming its intention to construct or rehabilitate the property for the eventual transfer to qualified low-income families.

As used in this division, "qualified low-income family" means a family whose income does not exceed two hundred per cent of the official federal poverty guidelines as revised annually in accordance with section 673(2) of the "Omnibus Budget Reconciliation Act of 1981," 95 Stat. 511, 42 U.S.C.A. 9902, as amended, for a family size equal to the size of the family whose income is being determined.

(F) Real property held by a county land reutilization corporation organized under Chapter 1724. of the Revised Code shall be exempt from taxation. Notwithstanding section 5715.27 of the Revised Code, a county land reutilization corporation is not required to apply to any county or state agency in order to qualify for the exemption.

The exemption shall commence on the day title to the property is transferred to the corporation and shall continue to the end of the tax year in which the instrument transferring title from the corporation to another owner is recorded, if the use to which the other owner puts the property does not qualify for an exemption under this section or any other section of the Revised Code. If the title to the property is transferred to the corporation and from the corporation in the same tax year, the exemption shall continue to the end of that tax year. The proportionate amount of taxes that are a lien but not yet determined, assessed, and levied for the tax year in which title is transferred to the corporation shall be remitted by the county auditor for each day of the year that title is held by the corporation.

Upon transferring the title to another person, the corporation shall file with the county auditor an affidavit affirming that the title was transferred to such other person and shall identify the transferee by name. If the corporation transfers title to the property to anyone that does not qualify or the use to which the property is put does not qualify the property for an exemption under this section or any other section of the Revised Code, the exemption, if it has not previously expired, shall terminate, and the property shall be restored to the tax list for the year following the year of the transfer. A charge shall be levied against the property in an amount equal to the amount of additional taxes that would have been levied if such property had not been exempt from taxation. The charge constitutes a lien of the state upon such property as of the first day of January of the tax year in which the charge is levied and continues until discharged as provided by law.

In lieu of the application for exemption otherwise required to be filed as required under section 5715.27 of the Revised Code, a count land

reutilization corporation holding the property shall, upon the request of any county or state agency, submit its articles of incorporation substantiating its status as a county land reutilization corporation.

Sec. 5709.121. (A) Real property and tangible personal property belonging to a charitable or educational institution or to the state or a political subdivision, shall be considered as used exclusively for charitable or public purposes by such institution, the state, or political subdivision, if it meets one of the following requirements:

(1) It is used by such institution, the state, or political subdivision, or by one or more other such institutions, the state, or political subdivisions under a lease, sublease, or other contractual arrangement:

(a) As a community or area center in which presentations in music, dramatics, the arts, and related fields are made in order to foster public interest and education therein;

(b) For other charitable, educational, or public purposes.

(2) It is made available under the direction or control of such institution, the state, or political subdivision for use in furtherance of or incidental to its charitable, educational, or public purposes and not with the view to profit.

(3) It is used by an organization described in division (D) of section 5709.12 of the Revised Code. If the organization is a corporation that receives a grant under the Thomas Alva Edison grant program authorized by division (C) of section 122.33 of the Revised Code at any time during the tax year, "used," for the purposes of this division, includes holding property for lease or resale to others.

(B)(1) Property described in division (A)(1)(a) of this section shall continue to be considered as used exclusively for charitable or public purposes even if the property is conveyed through one conveyance or a series of conveyances to an entity that is not a charitable or educational institution and is not the state or a political subdivision, provided that all of the following conditions apply with respect to that property:

(a) The property has been listed as exempt on the county auditor's tax list and duplicate for the county in which it is located for the ten tax years immediately preceding the year in which the property is conveyed through one conveyance or a series of conveyances;

(b) The ~~owner to which the~~ property is conveyed through one conveyance or a series of conveyances ~~leases~~ to an owner that does any of the following:

(i) Leases the property through one lease or a series of leases to the entity that owned or occupied the property for the ten tax years immediately preceding the year in which the property is conveyed or to an affiliate of

~~such prior owner or occupant~~ that entity;

(ii) Contracts to have renovations performed as described in division (B)(1)(d) of this section and is at least partially owned by a nonprofit organization described in section 501(c)(3) of the Internal Revenue Code that is exempt from taxation under section 501(a) of that code.

(c) The property includes improvements that are at least fifty years old;

(d) The property is being renovated in connection with a claim for historic preservation tax credits available under federal law;

(e) The property continues to be used for the purposes described in division (A)(1)(a) of this section after its conveyance; and

(f) The property is certified by the United States secretary of the interior as a "certified historic structure" or certified as part of a certified historic structure.

(2) Notwithstanding section 5715.27 of the Revised Code, an application for exemption from taxation of property described in division (B)(1) of this section may be filed by either the owner of the property or its occupant.

(C) For purposes of this section, an institution that meets all of the following requirements is conclusively presumed to be a charitable institution:

(1) The institution is a nonprofit corporation or association, no part of the net earnings of which inures to the benefit of any private shareholder or individual;

(2) The institution is exempt from federal income taxation under section 501(a) of the Internal Revenue Code;

(3) The majority of the institution's board of directors are appointed by the mayor or legislative authority of a municipal corporation or a board of county commissioners, or a combination thereof;

(4) The primary purpose of the institution is to assist in the development and revitalization of downtown urban areas.

Sec. 5709.212. (A) With every application for an exempt facility certificate filed pursuant to section 5709.21 of the Revised Code, the applicant shall pay a fee equal to one-half of one per cent of the total exempt facility project cost, not to exceed two thousand dollars. One-half of the fee received with applications for exempt facility certificates shall be credited to the exempt facility administrative fund, which is hereby created in the state treasury, for appropriation to the department of taxation for use in administering sections 5709.20 to 5709.27 of the Revised Code. If the director of environmental protection is required to provide the opinion for an application, one-half of the fee shall be credited to the non-Title V clean air

fund created in section 3704.035 of the Revised Code for use in administering section 5709.211 of the Revised Code, unless the application is for an industrial water pollution control facility. If the application is for an industrial water pollution control facility, one-half of the fee shall be credited to the surface water protection fund created in section 6111.038 of the Revised Code for use in administering section 5709.211 of the Revised Code. If the director of development is required to provide the opinion for an application, one-half of the fee for each exempt facility application shall be credited to the exempt facility inspection fund, which is hereby created in the state treasury, for appropriation to the department of development for use in administering section 5709.211 of the Revised Code.

An applicant is not entitled to any tax exemption under section 5709.25 of the Revised Code until the fee required by this section is paid. The fee required by this section is not refundable, and is due with the application for an exempt facility certificate even if an exempt facility certificate ultimately is not issued or is withdrawn. Any application submitted without payment of the fee shall be deemed incomplete until the fee is paid.

(B) The application fee imposed under division (A) of this section for a jointly owned facility shall be equal to one-half of one per cent of the total exempt facility project cost, not to exceed two thousand dollars for each facility that is the subject of the application.

Sec. 5709.62. (A) In any municipal corporation that is defined by the United States office of management and budget as a principal city of a metropolitan statistical area, the legislative authority of the municipal corporation may designate one or more areas within its municipal corporation as proposed enterprise zones. Upon designating an area, the legislative authority shall petition the director of development for certification of the area as having the characteristics set forth in division (A)(1) of section 5709.61 of the Revised Code as amended by Substitute Senate Bill No. 19 of the 120th general assembly. Except as otherwise provided in division (E) of this section, on and after July 1, 1994, legislative authorities shall not enter into agreements under this section unless the legislative authority has petitioned the director and the director has certified the zone under this section as amended by that act; however, all agreements entered into under this section as it existed prior to July 1, 1994, and the incentives granted under those agreements shall remain in effect for the period agreed to under those agreements. Within sixty days after receiving such a petition, the director shall determine whether the area has the characteristics set forth in division (A)(1) of section 5709.61 of the Revised Code, and shall forward the findings to the legislative authority of the

municipal corporation. If the director certifies the area as having those characteristics, and thereby certifies it as a zone, the legislative authority may enter into an agreement with an enterprise under division (C) of this section.

(B) Any enterprise that wishes to enter into an agreement with a municipal corporation under division (C) of this section shall submit a proposal to the legislative authority of the municipal corporation on a form prescribed by the director of development, together with the application fee established under section 5709.68 of the Revised Code. The form shall require the following information:

(1) An estimate of the number of new employees whom the enterprise intends to hire, or of the number of employees whom the enterprise intends to retain, within the zone at a facility that is a project site, and an estimate of the amount of payroll of the enterprise attributable to these employees;

(2) An estimate of the amount to be invested by the enterprise to establish, expand, renovate, or occupy a facility, including investment in new buildings, additions or improvements to existing buildings, machinery, equipment, furniture, fixtures, and inventory;

(3) A listing of the enterprise's current investment, if any, in a facility as of the date of the proposal's submission.

The enterprise shall review and update the listings required under this division to reflect material changes, and any agreement entered into under division (C) of this section shall set forth final estimates and listings as of the time the agreement is entered into. The legislative authority may, on a separate form and at any time, require any additional information necessary to determine whether an enterprise is in compliance with an agreement and to collect the information required to be reported under section 5709.68 of the Revised Code.

(C) Upon receipt and investigation of a proposal under division (B) of this section, if the legislative authority finds that the enterprise submitting the proposal is qualified by financial responsibility and business experience to create and preserve employment opportunities in the zone and improve the economic climate of the municipal corporation, the legislative authority, on or before October 15, ~~2012~~ 2013, may do one of the following:

(1) Enter into an agreement with the enterprise under which the enterprise agrees to establish, expand, renovate, or occupy a facility and hire new employees, or preserve employment opportunities for existing employees, in return for one or more of the following incentives:

(a) Exemption for a specified number of years, not to exceed fifteen, of a specified portion, up to seventy-five per cent, of the assessed value of

tangible personal property first used in business at the project site as a result of the agreement. If an exemption for inventory is specifically granted in the agreement pursuant to this division, the exemption applies to inventory required to be listed pursuant to sections 5711.15 and 5711.16 of the Revised Code, except that, in the instance of an expansion or other situations in which an enterprise was in business at the facility prior to the establishment of the zone, the inventory that is exempt is that amount or value of inventory in excess of the amount or value of inventory required to be listed in the personal property tax return of the enterprise in the return for the tax year in which the agreement is entered into.

(b) Exemption for a specified number of years, not to exceed fifteen, of a specified portion, up to seventy-five per cent, of the increase in the assessed valuation of real property constituting the project site subsequent to formal approval of the agreement by the legislative authority;

(c) Provision for a specified number of years, not to exceed fifteen, of any optional services or assistance that the municipal corporation is authorized to provide with regard to the project site.

(2) Enter into an agreement under which the enterprise agrees to remediate an environmentally contaminated facility, to spend an amount equal to at least two hundred fifty per cent of the true value in money of the real property of the facility prior to remediation as determined for the purposes of property taxation to establish, expand, renovate, or occupy the remediated facility, and to hire new employees or preserve employment opportunities for existing employees at the remediated facility, in return for one or more of the following incentives:

(a) Exemption for a specified number of years, not to exceed fifteen, of a specified portion, not to exceed fifty per cent, of the assessed valuation of the real property of the facility prior to remediation;

(b) Exemption for a specified number of years, not to exceed fifteen, of a specified portion, not to exceed one hundred per cent, of the increase in the assessed valuation of the real property of the facility during or after remediation;

(c) The incentive under division (C)(1)(a) of this section, except that the percentage of the assessed value of such property exempted from taxation shall not exceed one hundred per cent;

(d) The incentive under division (C)(1)(c) of this section.

(3) Enter into an agreement with an enterprise that plans to purchase and operate a large manufacturing facility that has ceased operation or announced its intention to cease operation, in return for exemption for a specified number of years, not to exceed fifteen, of a specified portion, up to

one hundred per cent, of the assessed value of tangible personal property used in business at the project site as a result of the agreement, or of the assessed valuation of real property constituting the project site, or both.

(D)(1) Notwithstanding divisions (C)(1)(a) and (b) of this section, the portion of the assessed value of tangible personal property or of the increase in the assessed valuation of real property exempted from taxation under those divisions may exceed seventy-five per cent in any year for which that portion is exempted if the average percentage exempted for all years in which the agreement is in effect does not exceed sixty per cent, or if the board of education of the city, local, or exempted village school district within the territory of which the property is or will be located approves a percentage in excess of seventy-five per cent.

(2) Notwithstanding any provision of the Revised Code to the contrary, the exemptions described in divisions (C)(1)(a), (b), and (c), (C)(2)(a), (b), and (c), and (C)(3) of this section may be for up to fifteen years if the board of education of the city, local, or exempted village school district within the territory of which the property is or will be located approves a number of years in excess of ten.

(3) For the purpose of obtaining the approval of a city, local, or exempted village school district under division (D)(1) or (2) of this section, the legislative authority shall deliver to the board of education a notice not later than forty-five days prior to approving the agreement, excluding Saturdays, Sundays, and legal holidays as defined in section 1.14 of the Revised Code. The notice shall state the percentage to be exempted, an estimate of the true value of the property to be exempted, and the number of years the property is to be exempted. The board of education, by resolution adopted by a majority of the board, shall approve or disapprove the agreement and certify a copy of the resolution to the legislative authority not later than fourteen days prior to the date stipulated by the legislative authority as the date upon which approval of the agreement is to be formally considered by the legislative authority. The board of education may include in the resolution conditions under which the board would approve the agreement, including the execution of an agreement to compensate the school district under division (B) of section 5709.82 of the Revised Code. The legislative authority may approve the agreement at any time after the board of education certifies its resolution approving the agreement to the legislative authority, or, if the board approves the agreement conditionally, at any time after the conditions are agreed to by the board and the legislative authority.

If a board of education has adopted a resolution waiving its right to

approve agreements and the resolution remains in effect, approval of an agreement by the board is not required under this division. If a board of education has adopted a resolution allowing a legislative authority to deliver the notice required under this division fewer than forty-five business days prior to the legislative authority's approval of the agreement, the legislative authority shall deliver the notice to the board not later than the number of days prior to such approval as prescribed by the board in its resolution. If a board of education adopts a resolution waiving its right to approve agreements or shortening the notification period, the board shall certify a copy of the resolution to the legislative authority. If the board of education rescinds such a resolution, it shall certify notice of the rescission to the legislative authority.

(4) The legislative authority shall comply with section 5709.83 of the Revised Code unless the board of education has adopted a resolution under that section waiving its right to receive such notice.

(E) This division applies to zones certified by the director of development under this section prior to July 22, 1994.

On or before October 15, ~~2012~~ 2013, the legislative authority that designated a zone to which this division applies may enter into an agreement with an enterprise if the legislative authority finds that the enterprise satisfies one of the criteria described in divisions (E)(1) to (5) of this section:

(1) The enterprise currently has no operations in this state and, subject to approval of the agreement, intends to establish operations in the zone;

(2) The enterprise currently has operations in this state and, subject to approval of the agreement, intends to establish operations at a new location in the zone that would not result in a reduction in the number of employee positions at any of the enterprise's other locations in this state;

(3) The enterprise, subject to approval of the agreement, intends to relocate operations, currently located in another state, to the zone;

(4) The enterprise, subject to approval of the agreement, intends to expand operations at an existing site in the zone that the enterprise currently operates;

(5) The enterprise, subject to approval of the agreement, intends to relocate operations, currently located in this state, to the zone, and the director of development has issued a waiver for the enterprise under division (B) of section 5709.633 of the Revised Code.

The agreement shall require the enterprise to agree to establish, expand, renovate, or occupy a facility in the zone and hire new employees, or preserve employment opportunities for existing employees, in return for one

or more of the incentives described in division (C) of this section.

(F) All agreements entered into under this section shall be in the form prescribed under section 5709.631 of the Revised Code. After an agreement is entered into under this section, if the legislative authority revokes its designation of a zone, or if the director of development revokes a zone's certification, any entitlements granted under the agreement shall continue for the number of years specified in the agreement.

(G) Except as otherwise provided in this division, an agreement entered into under this section shall require that the enterprise pay an annual fee equal to the greater of one per cent of the dollar value of incentives offered under the agreement or five hundred dollars; provided, however, that if the value of the incentives exceeds two hundred fifty thousand dollars, the fee shall not exceed two thousand five hundred dollars. The fee shall be payable to the legislative authority once per year for each year the agreement is effective on the days and in the form specified in the agreement. Fees paid shall be deposited in a special fund created for such purpose by the legislative authority and shall be used by the legislative authority exclusively for the purpose of complying with section 5709.68 of the Revised Code and by the tax incentive review council created under section 5709.85 of the Revised Code exclusively for the purposes of performing the duties prescribed under that section. The legislative authority may waive or reduce the amount of the fee charged against an enterprise, but such a waiver or reduction does not affect the obligations of the legislative authority or the tax incentive review council to comply with section 5709.68 or 5709.85 of the Revised Code.

(H) When an agreement is entered into pursuant to this section, the legislative authority authorizing the agreement shall forward a copy of the agreement to the director of development and to the tax commissioner within fifteen days after the agreement is entered into. If any agreement includes terms not provided for in section 5709.631 of the Revised Code affecting the revenue of a city, local, or exempted village school district or causing revenue to be forgone by the district, including any compensation to be paid to the school district pursuant to section 5709.82 of the Revised Code, those terms also shall be forwarded in writing to the director of development along with the copy of the agreement forwarded under this division.

(I) After an agreement is entered into, the enterprise shall file with each personal property tax return required to be filed, or annual report required to be filed under section 5727.08 of the Revised Code, while the agreement is in effect, an informational return, on a form prescribed by the tax

commissioner for that purpose, setting forth separately the property, and related costs and values, exempted from taxation under the agreement.

(J) Enterprises may agree to give preference to residents of the zone within which the agreement applies relative to residents of this state who do not reside in the zone when hiring new employees under the agreement.

(K) An agreement entered into under this section may include a provision requiring the enterprise to create one or more temporary internship positions for students enrolled in a course of study at a school or other educational institution in the vicinity, and to create a scholarship or provide another form of educational financial assistance for students holding such a position in exchange for the student's commitment to work for the enterprise at the completion of the internship.

(L) The tax commissioner's authority in determining the accuracy of any exemption granted by an agreement entered into under this section is limited to divisions (C)(1)(a) and (b), (C)(2)(a), (b), and (c), (C)(3), (D), and (I) of this section and divisions (B)(1) to (10) of section 5709.631 of the Revised Code and, as authorized by law, to enforcing any modification to, or revocation of, that agreement by the legislative authority of a municipal corporation or the director of development.

Sec. 5709.63. (A) With the consent of the legislative authority of each affected municipal corporation or of a board of township trustees, a board of county commissioners may, in the manner set forth in section 5709.62 of the Revised Code, designate one or more areas in one or more municipal corporations or in unincorporated areas of the county as proposed enterprise zones. A board of county commissioners may designate no more than one area within a township, or within adjacent townships, as a proposed enterprise zone. The board shall petition the director of development for certification of the area as having the characteristics set forth in division (A)(1) or (2) of section 5709.61 of the Revised Code as amended by Substitute Senate Bill No. 19 of the 120th general assembly. Except as otherwise provided in division (D) of this section, on and after July 1, 1994, boards of county commissioners shall not enter into agreements under this section unless the board has petitioned the director and the director has certified the zone under this section as amended by that act; however, all agreements entered into under this section as it existed prior to July 1, 1994, and the incentives granted under those agreements shall remain in effect for the period agreed to under those agreements. The director shall make the determination in the manner provided under section 5709.62 of the Revised Code.

Any enterprise wishing to enter into an agreement with the board under

division (B) or (D) of this section shall submit a proposal to the board on the form and accompanied by the application fee prescribed under division (B) of section 5709.62 of the Revised Code. The enterprise shall review and update the estimates and listings required by the form in the manner required under that division. The board may, on a separate form and at any time, require any additional information necessary to determine whether an enterprise is in compliance with an agreement and to collect the information required to be reported under section 5709.68 of the Revised Code.

(B) If the board of county commissioners finds that an enterprise submitting a proposal is qualified by financial responsibility and business experience to create and preserve employment opportunities in the zone and to improve the economic climate of the municipal corporation or municipal corporations or the unincorporated areas in which the zone is located and to which the proposal applies, the board, on or before October 15, ~~2012~~ 2013, and with the consent of the legislative authority of each affected municipal corporation or of the board of township trustees may do either of the following:

(1) Enter into an agreement with the enterprise under which the enterprise agrees to establish, expand, renovate, or occupy a facility in the zone and hire new employees, or preserve employment opportunities for existing employees, in return for the following incentives:

(a) When the facility is located in a municipal corporation, the board may enter into an agreement for one or more of the incentives provided in division (C) of section 5709.62 of the Revised Code, subject to division (D) of that section;

(b) When the facility is located in an unincorporated area, the board may enter into an agreement for one or more of the following incentives:

(i) Exemption for a specified number of years, not to exceed fifteen, of a specified portion, up to sixty per cent, of the assessed value of tangible personal property first used in business at a project site as a result of the agreement. If an exemption for inventory is specifically granted in the agreement pursuant to this division, the exemption applies to inventory required to be listed pursuant to sections 5711.15 and 5711.16 of the Revised Code, except, in the instance of an expansion or other situations in which an enterprise was in business at the facility prior to the establishment of the zone, the inventory that is exempt is that amount or value of inventory in excess of the amount or value of inventory required to be listed in the personal property tax return of the enterprise in the return for the tax year in which the agreement is entered into.

(ii) Exemption for a specified number of years, not to exceed fifteen, of

a specified portion, up to sixty per cent, of the increase in the assessed valuation of real property constituting the project site subsequent to formal approval of the agreement by the board;

(iii) Provision for a specified number of years, not to exceed fifteen, of any optional services or assistance the board is authorized to provide with regard to the project site;

(iv) The incentive described in division (C)(2) of section 5709.62 of the Revised Code.

(2) Enter into an agreement with an enterprise that plans to purchase and operate a large manufacturing facility that has ceased operation or has announced its intention to cease operation, in return for exemption for a specified number of years, not to exceed fifteen, of a specified portion, up to one hundred per cent, of tangible personal property used in business at the project site as a result of the agreement, or of real property constituting the project site, or both.

(C)(1)(a) Notwithstanding divisions (B)(1)(b)(i) and (ii) of this section, the portion of the assessed value of tangible personal property or of the increase in the assessed valuation of real property exempted from taxation under those divisions may exceed sixty per cent in any year for which that portion is exempted if the average percentage exempted for all years in which the agreement is in effect does not exceed fifty per cent, or if the board of education of the city, local, or exempted village school district within the territory of which the property is or will be located approves a percentage in excess of sixty per cent.

(b) Notwithstanding any provision of the Revised Code to the contrary, the exemptions described in divisions (B)(1)(b)(i), (ii), (iii), and (iv) and (B)(2) of this section may be for up to fifteen years if the board of education of the city, local, or exempted village school district within the territory of which the property is or will be located approves a number of years in excess of ten.

(c) For the purpose of obtaining the approval of a city, local, or exempted village school district under division (C)(1)(a) or (b) of this section, the board of county commissioners shall deliver to the board of education a notice not later than forty-five days prior to approving the agreement, excluding Saturdays, Sundays, and legal holidays as defined in section 1.14 of the Revised Code. The notice shall state the percentage to be exempted, an estimate of the true value of the property to be exempted, and the number of years the property is to be exempted. The board of education, by resolution adopted by a majority of the board, shall approve or disapprove the agreement and certify a copy of the resolution to the board of

county commissioners not later than fourteen days prior to the date stipulated by the board of county commissioners as the date upon which approval of the agreement is to be formally considered by the board of county commissioners. The board of education may include in the resolution conditions under which the board would approve the agreement, including the execution of an agreement to compensate the school district under division (B) of section 5709.82 of the Revised Code. The board of county commissioners may approve the agreement at any time after the board of education certifies its resolution approving the agreement to the board of county commissioners, or, if the board of education approves the agreement conditionally, at any time after the conditions are agreed to by the board of education and the board of county commissioners.

If a board of education has adopted a resolution waiving its right to approve agreements and the resolution remains in effect, approval of an agreement by the board of education is not required under division (C) of this section. If a board of education has adopted a resolution allowing a board of county commissioners to deliver the notice required under this division fewer than forty-five business days prior to approval of the agreement by the board of county commissioners, the board of county commissioners shall deliver the notice to the board of education not later than the number of days prior to such approval as prescribed by the board of education in its resolution. If a board of education adopts a resolution waiving its right to approve agreements or shortening the notification period, the board of education shall certify a copy of the resolution to the board of county commissioners. If the board of education rescinds such a resolution, it shall certify notice of the rescission to the board of county commissioners.

(2) The board of county commissioners shall comply with section 5709.83 of the Revised Code unless the board of education has adopted a resolution under that section waiving its right to receive such notice.

(D) This division applies to zones certified by the director of development under this section prior to July 22, 1994.

On or before October 15, ~~2012~~ 2013, and with the consent of the legislative authority of each affected municipal corporation or board of township trustees of each affected township, the board of county commissioners that designated a zone to which this division applies may enter into an agreement with an enterprise if the board finds that the enterprise satisfies one of the criteria described in divisions (D)(1) to (5) of this section:

(1) The enterprise currently has no operations in this state and, subject

to approval of the agreement, intends to establish operations in the zone;

(2) The enterprise currently has operations in this state and, subject to approval of the agreement, intends to establish operations at a new location in the zone that would not result in a reduction in the number of employee positions at any of the enterprise's other locations in this state;

(3) The enterprise, subject to approval of the agreement, intends to relocate operations, currently located in another state, to the zone;

(4) The enterprise, subject to approval of the agreement, intends to expand operations at an existing site in the zone that the enterprise currently operates;

(5) The enterprise, subject to approval of the agreement, intends to relocate operations, currently located in this state, to the zone, and the director of development has issued a waiver for the enterprise under division (B) of section 5709.633 of the Revised Code.

The agreement shall require the enterprise to agree to establish, expand, renovate, or occupy a facility in the zone and hire new employees, or preserve employment opportunities for existing employees, in return for one or more of the incentives described in division (B) of this section.

(E) All agreements entered into under this section shall be in the form prescribed under section 5709.631 of the Revised Code. After an agreement under this section is entered into, if the board of county commissioners revokes its designation of a zone, or if the director of development revokes a zone's certification, any entitlements granted under the agreement shall continue for the number of years specified in the agreement.

(F) Except as otherwise provided in this division, an agreement entered into under this section shall require that the enterprise pay an annual fee equal to the greater of one per cent of the dollar value of incentives offered under the agreement or five hundred dollars; provided, however, that if the value of the incentives exceeds two hundred fifty thousand dollars, the fee shall not exceed two thousand five hundred dollars. The fee shall be payable to the board of county commissioners once per year for each year the agreement is effective on the days and in the form specified in the agreement. Fees paid shall be deposited in a special fund created for such purpose by the board and shall be used by the board exclusively for the purpose of complying with section 5709.68 of the Revised Code and by the tax incentive review council created under section 5709.85 of the Revised Code exclusively for the purposes of performing the duties prescribed under that section. The board may waive or reduce the amount of the fee charged against an enterprise, but such waiver or reduction does not affect the obligations of the board or the tax incentive review council to comply with

section 5709.68 or 5709.85 of the Revised Code, respectively.

(G) With the approval of the legislative authority of a municipal corporation or the board of township trustees of a township in which a zone is designated under division (A) of this section, the board of county commissioners may delegate to that legislative authority or board any powers and duties of the board of county commissioners to negotiate and administer agreements with regard to that zone under this section.

(H) When an agreement is entered into pursuant to this section, the board of county commissioners authorizing the agreement or the legislative authority or board of township trustees that negotiates and administers the agreement shall forward a copy of the agreement to the director of development and to the tax commissioner within fifteen days after the agreement is entered into. If any agreement includes terms not provided for in section 5709.631 of the Revised Code affecting the revenue of a city, local, or exempted village school district or causing revenue to be foregone by the district, including any compensation to be paid to the school district pursuant to section 5709.82 of the Revised Code, those terms also shall be forwarded in writing to the director of development along with the copy of the agreement forwarded under this division.

(I) After an agreement is entered into, the enterprise shall file with each personal property tax return required to be filed, or annual report that is required to be filed under section 5727.08 of the Revised Code, while the agreement is in effect, an informational return, on a form prescribed by the tax commissioner for that purpose, setting forth separately the property, and related costs and values, exempted from taxation under the agreement.

(J) Enterprises may agree to give preference to residents of the zone within which the agreement applies relative to residents of this state who do not reside in the zone when hiring new employees under the agreement.

(K) An agreement entered into under this section may include a provision requiring the enterprise to create one or more temporary internship positions for students enrolled in a course of study at a school or other educational institution in the vicinity, and to create a scholarship or provide another form of educational financial assistance for students holding such a position in exchange for the student's commitment to work for the enterprise at the completion of the internship.

(L) The tax commissioner's authority in determining the accuracy of any exemption granted by an agreement entered into under this section is limited to divisions (B)(1)(b)(i) and (ii), (B)(2), (C), and (I) of this section, division (B)(1)(b)(iv) of this section as it pertains to divisions (C)(2)(a), (b), and (c) of section 5709.62 of the Revised Code, and divisions (B)(1) to (10) of

section 5709.631 of the Revised Code and, as authorized by law, to enforcing any modification to, or revocation of, that agreement by the board of county commissioners or the director of development or, if the board's powers and duties are delegated under division (G) of this section, by the legislative authority of a municipal corporation or board of township trustees.

Sec. 5709.632. (A)(1) The legislative authority of a municipal corporation defined by the United States office of management and budget as a principal city of a metropolitan statistical area may, in the manner set forth in section 5709.62 of the Revised Code, designate one or more areas in the municipal corporation as a proposed enterprise zone.

(2) With the consent of the legislative authority of each affected municipal corporation or of a board of township trustees, a board of county commissioners may, in the manner set forth in section 5709.62 of the Revised Code, designate one or more areas in one or more municipal corporations or in unincorporated areas of the county as proposed urban jobs and enterprise zones, except that a board of county commissioners may designate no more than one area within a township, or within adjacent townships, as a proposed urban jobs and enterprise zone.

(3) The legislative authority or board of county commissioners may petition the director of development for certification of the area as having the characteristics set forth in division (A)(3) of section 5709.61 of the Revised Code. Within sixty days after receiving such a petition, the director shall determine whether the area has the characteristics set forth in that division and forward the findings to the legislative authority or board of county commissioners. If the director certifies the area as having those characteristics and thereby certifies it as a zone, the legislative authority or board may enter into agreements with enterprises under division (B) of this section. Any enterprise wishing to enter into an agreement with a legislative authority or board of county commissioners under this section and satisfying one of the criteria described in divisions (B)(1) to (5) of this section shall submit a proposal to the legislative authority or board on the form prescribed under division (B) of section 5709.62 of the Revised Code and shall review and update the estimates and listings required by the form in the manner required under that division. The legislative authority or board may, on a separate form and at any time, require any additional information necessary to determine whether an enterprise is in compliance with an agreement and to collect the information required to be reported under section 5709.68 of the Revised Code.

(B) Prior to entering into an agreement with an enterprise, the legislative

authority or board of county commissioners shall determine whether the enterprise submitting the proposal is qualified by financial responsibility and business experience to create and preserve employment opportunities in the zone and to improve the economic climate of the municipal corporation or municipal corporations or the unincorporated areas in which the zone is located and to which the proposal applies, and whether the enterprise satisfies one of the following criteria:

(1) The enterprise currently has no operations in this state and, subject to approval of the agreement, intends to establish operations in the zone;

(2) The enterprise currently has operations in this state and, subject to approval of the agreement, intends to establish operations at a new location in the zone that would not result in a reduction in the number of employee positions at any of the enterprise's other locations in this state;

(3) The enterprise, subject to approval of the agreement, intends to relocate operations, currently located in another state, to the zone;

(4) The enterprise, subject to approval of the agreement, intends to expand operations at an existing site in the zone that the enterprise currently operates;

(5) The enterprise, subject to approval of the agreement, intends to relocate operations, currently located in this state, to the zone, and the director of development has issued a waiver for the enterprise under division (B) of section 5709.633 of the Revised Code.

(C) If the legislative authority or board determines that the enterprise is so qualified and satisfies one of the criteria described in divisions (B)(1) to (5) of this section, the legislative authority or board may, after complying with section 5709.83 of the Revised Code and on or before October 15, ~~2012~~ 2013, and, in the case of a board of commissioners, with the consent of the legislative authority of each affected municipal corporation or of the board of township trustees, enter into an agreement with the enterprise under which the enterprise agrees to establish, expand, renovate, or occupy a facility in the zone and hire new employees, or preserve employment opportunities for existing employees, in return for the following incentives:

(1) When the facility is located in a municipal corporation, a legislative authority or board of commissioners may enter into an agreement for one or more of the incentives provided in division (C) of section 5709.62 of the Revised Code, subject to division (D) of that section;

(2) When the facility is located in an unincorporated area, a board of commissioners may enter into an agreement for one or more of the incentives provided in divisions (B)(1)(b), (B)(2), and (B)(3) of section 5709.63 of the Revised Code, subject to division (C) of that section.

(D) All agreements entered into under this section shall be in the form prescribed under section 5709.631 of the Revised Code. After an agreement under this section is entered into, if the legislative authority or board of county commissioners revokes its designation of the zone, or if the director of development revokes the zone's certification, any entitlements granted under the agreement shall continue for the number of years specified in the agreement.

(E) Except as otherwise provided in this division, an agreement entered into under this section shall require that the enterprise pay an annual fee equal to the greater of one per cent of the dollar value of incentives offered under the agreement or five hundred dollars; provided, however, that if the value of the incentives exceeds two hundred fifty thousand dollars, the fee shall not exceed two thousand five hundred dollars. The fee shall be payable to the legislative authority or board of commissioners once per year for each year the agreement is effective on the days and in the form specified in the agreement. Fees paid shall be deposited in a special fund created for such purpose by the legislative authority or board and shall be used by the legislative authority or board exclusively for the purpose of complying with section 5709.68 of the Revised Code and by the tax incentive review council created under section 5709.85 of the Revised Code exclusively for the purposes of performing the duties prescribed under that section. The legislative authority or board may waive or reduce the amount of the fee charged against an enterprise, but such waiver or reduction does not affect the obligations of the legislative authority or board or the tax incentive review council to comply with section 5709.68 or 5709.85 of the Revised Code, respectively.

(F) With the approval of the legislative authority of a municipal corporation or the board of township trustees of a township in which a zone is designated under division (A)(2) of this section, the board of county commissioners may delegate to that legislative authority or board any powers and duties of the board to negotiate and administer agreements with regard to that zone under this section.

(G) When an agreement is entered into pursuant to this section, the legislative authority or board of commissioners authorizing the agreement shall forward a copy of the agreement to the director of development and to the tax commissioner within fifteen days after the agreement is entered into. If any agreement includes terms not provided for in section 5709.631 of the Revised Code affecting the revenue of a city, local, or exempted village school district or causing revenue to be forgone by the district, including any compensation to be paid to the school district pursuant to section 5709.82 of

the Revised Code, those terms also shall be forwarded in writing to the director of development along with the copy of the agreement forwarded under this division.

(H) After an agreement is entered into, the enterprise shall file with each personal property tax return required to be filed while the agreement is in effect, an informational return, on a form prescribed by the tax commissioner for that purpose, setting forth separately the property, and related costs and values, exempted from taxation under the agreement.

(I) An agreement entered into under this section may include a provision requiring the enterprise to create one or more temporary internship positions for students enrolled in a course of study at a school or other educational institution in the vicinity, and to create a scholarship or provide another form of educational financial assistance for students holding such a position in exchange for the student's commitment to work for the enterprise at the completion of the internship.

Sec. 5709.73. (A) As used in this section and section 5709.74 of the Revised Code:

(1) "Business day" means a day of the week excluding Saturday, Sunday, and a legal holiday as defined in section 1.14 of the Revised Code.

(2) "Further improvements" or "improvements" means the increase in the assessed value of real property that would first appear on the tax list and duplicate of real and public utility property after the effective date of a resolution adopted under this section were it not for the exemption granted by that resolution. For purposes of division (B) of this section, "improvements" do not include any property used or to be used for residential purposes.

(3) "Housing renovation" means a project carried out for residential purposes.

(4) "Incentive district" has the same meaning as in section 5709.40 of the Revised Code, except that a blighted area is in the unincorporated area of a township.

(5) "Project" and "public infrastructure improvement" have the same meanings as in section 5709.40 of the Revised Code.

(B) A board of township trustees may, by unanimous vote, adopt a resolution that declares to be a public purpose any public infrastructure improvements made that are necessary for the development of certain parcels of land located in the unincorporated area of the township. Except with the approval under division (D) of this section of the board of education of each city, local, or exempted village school district within which the improvements are located, the resolution may exempt from real

property taxation not more than seventy-five per cent of further improvements to a parcel of land that directly benefits from the public infrastructure improvements, for a period of not more than ten years. The resolution shall specify the percentage of the further improvements to be exempted and the life of the exemption.

(C)(1) A board of township trustees may adopt, by unanimous vote, a resolution creating an incentive district and declaring improvements to parcels within the district to be a public purpose and, except as provided in division (F) of this section, exempt from taxation as provided in this section, but no board of township trustees of a township that has a population that exceeds twenty-five thousand, as shown by the most recent federal decennial census, shall adopt a resolution that creates an incentive district if the sum of the taxable value of real property in the proposed district for the preceding tax year and the taxable value of all real property in the township that would have been taxable in the preceding year were it not for the fact that the property was in an existing incentive district and therefore exempt from taxation exceeds twenty-five per cent of the taxable value of real property in the township for the preceding tax year. The district shall be located within the unincorporated area of the township and shall not include any territory that is included within a district created under division (B) of section 5709.78 of the Revised Code. The resolution shall delineate the boundary of the district and specifically identify each parcel within the district. A district may not include any parcel that is or has been exempted from taxation under division (B) of this section or that is or has been within another district created under this division. A resolution may create more than one district, and more than one resolution may be adopted under division (C)(1) of this section.

(2) Not later than thirty days prior to adopting a resolution under division (C)(1) of this section, if the township intends to apply for exemptions from taxation under section 5709.911 of the Revised Code on behalf of owners of real property located within the proposed incentive district, the board shall conduct a public hearing on the proposed resolution. Not later than thirty days prior to the public hearing, the board shall give notice of the public hearing and the proposed resolution by first class mail to every real property owner whose property is located within the boundaries of the proposed incentive district that is the subject of the proposed resolution.

(3)(a) A resolution adopted under division (C)(1) of this section shall specify the life of the incentive district and the percentage of the improvements to be exempted, shall designate the public infrastructure

improvements made, to be made, or in the process of being made, that benefit or serve, or, once made, will benefit or serve parcels in the district. The resolution also shall identify one or more specific projects being, or to be, undertaken in the district that place additional demand on the public infrastructure improvements designated in the resolution. The project identified may, but need not be, the project under division (C)(3)(b) of this section that places real property in use for commercial or industrial purposes.

A resolution adopted under division (C)(1) of this section on or after March 30, 2006, shall not designate police or fire equipment as public infrastructure improvements, and no service payment provided for in section 5709.74 of the Revised Code and received by the township under the resolution shall be used for police or fire equipment.

(b) A resolution adopted under division (C)(1) of this section may authorize the use of service payments provided for in section 5709.74 of the Revised Code for the purpose of housing renovations within the incentive district, provided that the resolution also designates public infrastructure improvements that benefit or serve the district, and that a project within the district places real property in use for commercial or industrial purposes. Service payments may be used to finance or support loans, deferred loans, and grants to persons for the purpose of housing renovations within the district. The resolution shall designate the parcels within the district that are eligible for housing renovations. The resolution shall state separately the amount or the percentages of the expected aggregate service payments that are designated for each public infrastructure improvement and for the purpose of housing renovations.

(4) Except with the approval of the board of education of each city, local, or exempted village school district within the territory of which the incentive district is or will be located, and subject to division (E) of this section, the life of an incentive district shall not exceed ten years, and the percentage of improvements to be exempted shall not exceed seventy-five per cent. With approval of the board of education, the life of a district may be not more than thirty years, and the percentage of improvements to be exempted may be not more than one hundred per cent. The approval of a board of education shall be obtained in the manner provided in division (D) of this section.

(D) Improvements with respect to a parcel may be exempted from taxation under division (B) of this section, and improvements to parcels within an incentive district may be exempted from taxation under division (C) of this section, for up to ten years or, with the approval of the board of

education of the city, local, or exempted village school district within which the parcel or district is located, for up to thirty years. The percentage of the improvements exempted from taxation may, with such approval, exceed seventy-five per cent, but shall not exceed one hundred per cent. Not later than forty-five business days prior to adopting a resolution under this section declaring improvements to be a public purpose that is subject to approval by a board of education under this division, the board of township trustees shall deliver to the board of education a notice stating its intent to adopt a resolution making that declaration. The notice regarding improvements with respect to a parcel under division (B) of this section shall identify the parcels for which improvements are to be exempted from taxation, provide an estimate of the true value in money of the improvements, specify the period for which the improvements would be exempted from taxation and the percentage of the improvements that would be exempted, and indicate the date on which the board of township trustees intends to adopt the resolution. The notice regarding improvements made under division (C) of this section to parcels within an incentive district shall delineate the boundaries of the district, specifically identify each parcel within the district, identify each anticipated improvement in the district, provide an estimate of the true value in money of each such improvement, specify the life of the district and the percentage of improvements that would be exempted, and indicate the date on which the board of township trustees intends to adopt the resolution. The board of education, by resolution adopted by a majority of the board, may approve the exemption for the period or for the exemption percentage specified in the notice; may disapprove the exemption for the number of years in excess of ten, may disapprove the exemption for the percentage of the improvements to be exempted in excess of seventy-five per cent, or both; or may approve the exemption on the condition that the board of township trustees and the board of education negotiate an agreement providing for compensation to the school district equal in value to a percentage of the amount of taxes exempted in the eleventh and subsequent years of the exemption period or, in the case of exemption percentages in excess of seventy-five per cent, compensation equal in value to a percentage of the taxes that would be payable on the portion of the improvements in excess of seventy-five per cent were that portion to be subject to taxation, or other mutually agreeable compensation.

The board of education shall certify its resolution to the board of township trustees not later than fourteen days prior to the date the board of township trustees intends to adopt the resolution as indicated in the notice. If the board of education and the board of township trustees negotiate a

mutually acceptable compensation agreement, the resolution may declare the improvements a public purpose for the number of years specified in the resolution or, in the case of exemption percentages in excess of seventy-five per cent, for the exemption percentage specified in the resolution. In either case, if the board of education and the board of township trustees fail to negotiate a mutually acceptable compensation agreement, the resolution may declare the improvements a public purpose for not more than ten years, and shall not exempt more than seventy-five per cent of the improvements from taxation. If the board of education fails to certify a resolution to the board of township trustees within the time prescribed by this section, the board of township trustees thereupon may adopt the resolution and may declare the improvements a public purpose for up to thirty years or, in the case of exemption percentages proposed in excess of seventy-five per cent, for the exemption percentage specified in the resolution. The board of township trustees may adopt the resolution at any time after the board of education certifies its resolution approving the exemption to the board of township trustees, or, if the board of education approves the exemption on the condition that a mutually acceptable compensation agreement be negotiated, at any time after the compensation agreement is agreed to by the board of education and the board of township trustees. If a mutually acceptable compensation agreement is negotiated between the board of township trustees and the board of education, including agreements for payments in lieu of taxes under section 5709.74 of the Revised Code, the board of township trustees shall compensate the joint vocational school district within which the parcel or district is located at the same rate and under the same terms received by the city, local, or exempted village school district.

If a board of education has adopted a resolution waiving its right to approve exemptions from taxation under this section and the resolution remains in effect, approval of such exemptions by the board of education is not required under division (D) of this section. If a board of education has adopted a resolution allowing a board of township trustees to deliver the notice required under division (D) of this section fewer than forty-five business days prior to adoption of the resolution by the board of township trustees, the board of township trustees shall deliver the notice to the board of education not later than the number of days prior to the adoption as prescribed by the board of education in its resolution. If a board of education adopts a resolution waiving its right to approve exemptions or shortening the notification period, the board of education shall certify a copy of the resolution to the board of township trustees. If the board of education

rescinds the resolution, it shall certify notice of the rescission to the board of township trustees.

If the board of township trustees is not required by division (D) of this section to notify the board of education of the board of township trustees' intent to declare improvements to be a public purpose, the board of township trustees shall comply with the notice requirements imposed under section 5709.83 of the Revised Code before taking formal action to adopt the resolution making that declaration, unless the board of education has adopted a resolution under that section waiving its right to receive the notice.

(E)(1) If a proposed resolution under division (C)(1) of this section exempts improvements with respect to a parcel within an incentive district for more than ten years, or the percentage of the improvement exempted from taxation exceeds seventy-five per cent, not later than forty-five business days prior to adopting the resolution the board of township trustees shall deliver to the board of county commissioners of the county within which the incentive district is or will be located a notice that states its intent to adopt a resolution creating an incentive district. The notice shall include a copy of the proposed resolution, identify the parcels for which improvements are to be exempted from taxation, provide an estimate of the true value in money of the improvements, specify the period of time for which the improvements would be exempted from taxation, specify the percentage of the improvements that would be exempted from taxation, and indicate the date on which the board of township trustees intends to adopt the resolution.

(2) The board of county commissioners, by resolution adopted by a majority of the board, may object to the exemption for the number of years in excess of ten, may object to the exemption for the percentage of the improvement to be exempted in excess of seventy-five per cent, or both. If the board of county commissioners objects, the board may negotiate a mutually acceptable compensation agreement with the board of township trustees. In no case shall the compensation provided to the board of county commissioners exceed the property taxes foregone due to the exemption. If the board of county commissioners objects, and the board of county commissioners and board of township trustees fail to negotiate a mutually acceptable compensation agreement, the resolution adopted under division (C)(1) of this section shall provide to the board of county commissioners compensation in the eleventh and subsequent years of the exemption period equal in value to not more than fifty per cent of the taxes that would be payable to the county or, if the board of county commissioner's objection

includes an objection to an exemption percentage in excess of seventy-five per cent, compensation equal in value to not more than fifty per cent of the taxes that would be payable to the county, on the portion of the improvement in excess of seventy-five per cent, were that portion to be subject to taxation. The board of county commissioners shall certify its resolution to the board of township trustees not later than thirty days after receipt of the notice.

(3) If the board of county commissioners does not object or fails to certify its resolution objecting to an exemption within thirty days after receipt of the notice, the board of township trustees may adopt its resolution, and no compensation shall be provided to the board of county commissioners. If the board of county commissioners timely certifies its resolution objecting to the trustees' resolution, the board of township trustees may adopt its resolution at any time after a mutually acceptable compensation agreement is agreed to by the board of county commissioners and the board of township trustees, or, if no compensation agreement is negotiated, at any time after the board of township trustees agrees in the proposed resolution to provide compensation to the board of county commissioners of fifty per cent of the taxes that would be payable to the county in the eleventh and subsequent years of the exemption period or on the portion of the improvement in excess of seventy-five per cent, were that portion to be subject to taxation.

(F) Service payments in lieu of taxes that are attributable to any amount by which the effective tax rate of either a renewal levy with an increase or a replacement levy exceeds the effective tax rate of the levy renewed or replaced, or that are attributable to an additional levy, for a levy authorized by the voters for any of the following purposes on or after January 1, 2006, and which are provided pursuant to a resolution creating an incentive district under division (C)(1) of this section that is adopted on or after January 1, 2006, shall be distributed to the appropriate taxing authority as required under division (C) of section 5709.74 of the Revised Code in an amount equal to the amount of taxes from that additional levy or from the increase in the effective tax rate of such renewal or replacement levy that would have been payable to that taxing authority from the following levies were it not for the exemption authorized under division (C) of this section:

(1) A tax levied under division (L) of section 5705.19 or section 5705.191 of the Revised Code for community mental retardation and developmental disabilities programs and services pursuant to Chapter 5126. of the Revised Code;

(2) A tax levied under division (Y) of section 5705.19 of the Revised

Code for providing or maintaining senior citizens services or facilities;

(3) A tax levied under section 5705.22 of the Revised Code for county hospitals;

(4) A tax levied by a joint-county district or by a county under section 5705.19, 5705.191, or 5705.221 of the Revised Code for alcohol, drug addiction, and mental health services or families;

(8) A tax levied under section 511.27 or division (H) of section 5705.19 of the Revised Code for the support of township park districts;

(9) A tax levied under division (A), (F), or (H) of section 5705.19 of the Revised Code for parks and recreational purposes of a joint recreation district organized pursuant to division (B) of section 755.14 of the Revised Code;

(10) A tax levied under section 1545.20 or 1545.21 of the Revised Code for park district purposes;

(12) A tax levied under section 3709.29 of the Revised Code for a general health district program.

(G) An exemption from taxation granted under this section commences with the tax year specified in the resolution so long as the year specified in the resolution commences after the effective date of the resolution. If the resolution specifies a year commencing before the effective date of the resolution or specifies no year whatsoever, the exemption commences with the tax year in which an exempted improvement first appears on the tax list and duplicate of real and public utility property and that commences after the effective date of the resolution. Except as otherwise provided in this division, the exemption ends on the date specified in the resolution as the date the improvement ceases to be a public purpose or the incentive district expires, or ends on the date on which the public infrastructure improvements and housing renovations are paid in full from the township public improvement tax increment equivalent fund established under section

5709.75 of the Revised Code, whichever occurs first. The exemption of an improvement with respect to a parcel or within an incentive district may end on a later date, as specified in the resolution, if the board of township trustees and the board of education of the city, local, or exempted village school district within which the parcel or district is located have entered into a compensation agreement under section 5709.82 of the Revised Code with respect to the improvement and the board of education has approved the term of the exemption under division (D) of this section, but in no case shall the improvement be exempted from taxation for more than thirty years. The board of township trustees may, by majority vote, adopt a resolution permitting the township to enter into such agreements as the board finds necessary or appropriate to provide for the construction or undertaking of public infrastructure improvements and housing renovations. Any exemption shall be claimed and allowed in the same or a similar manner as in the case of other real property exemptions. If an exemption status changes during a tax year, the procedure for the apportionment of the taxes for that year is the same as in the case of other changes in tax exemption status during the year.

(H) The board of township trustees may issue the notes of the township to finance all costs pertaining to the construction or undertaking of public infrastructure improvements and housing renovations made pursuant to this section. The notes shall be signed by the board and attested by the signature of the township fiscal officer, shall bear interest not to exceed the rate provided in section 9.95 of the Revised Code, and are not subject to Chapter 133. of the Revised Code. The resolution authorizing the issuance of the notes shall pledge the funds of the township public improvement tax increment equivalent fund established pursuant to section 5709.75 of the Revised Code to pay the interest on and principal of the notes. The notes, which may contain a clause permitting prepayment at the option of the board, shall be offered for sale on the open market or given to the vendor or contractor if no sale is made.

(I) The township, not later than fifteen days after the adoption of a resolution under this section, shall submit to the director of development a copy of the resolution. On or before the thirty-first day of March of each year, the township shall submit a status report to the director of development. The report shall indicate, in the manner prescribed by the director, the progress of the project during each year that the exemption remains in effect, including a summary of the receipts from service payments in lieu of taxes; expenditures of money from the fund created under section 5709.75 of the Revised Code; a description of the public

infrastructure improvements and housing renovations financed with the expenditures; and a quantitative summary of changes in private investment resulting from each project.

(J) Nothing in this section shall be construed to prohibit a board of township trustees from declaring to be a public purpose improvements with respect to more than one parcel.

(K) A board of township trustees that adopted a resolution under this section prior to July 21, 1994, may amend that resolution to include any additional public infrastructure improvement. A board of township trustees that seeks by the amendment to utilize money from its township public improvement tax increment equivalent fund for land acquisition in aid of industry, commerce, distribution, or research, demolition on private property, or stormwater and flood remediation projects may do so provided that the board currently is a party to a hold-harmless agreement with the board of education of the city, local, or exempted village school district within the territory of which are located the parcels that are subject to an exemption. For the purposes of this division, a "hold-harmless agreement" means an agreement under which the board of township trustees agrees to compensate the school district for one hundred per cent of the tax revenue that the school district would have received from further improvements to parcels designated in the resolution were it not for the exemption granted by the resolution.

(L) With respect to improvements resulting from projects, for which construction commences on or after April 1, 2012, and on or before December 31, 2013, and for which an exemption has been or will be sought pursuant to a resolution adopted under this section before December 14, 2001, "property used or to be used for residential purposes," as used in division (A)(2) of this section, means only that property that, as improved, the tax commissioner would classify as residential land and improvements pursuant to rules adopted by the tax commissioner under section 5713.041 of the Revised Code.

(ii) Methods of data collection and data management relative to parcels of real property, including modern alternative data collection methods and currently utilized computer-assisted mass appraisal systems;

(iv) Traditional approaches of property valuation, including the cost approach, the sales comparison approach, and the income approach, as they are implemented in a mass appraisal project;

(v) Methods and systems for model building and model calibration as related to mass appraisal of real property;

(b) Has completed at least seven hours of continuing education courses in mass appraisal during the two-year period immediately succeeding the year in which the person passed the examination required in division (A)(2)(a) of this section, and during each two-year period thereafter.

(B)(1) The county auditor, in acting as the assessor of all real property in the auditor's county for taxation purposes in accordance with section 5713.01 of the Revised Code, shall involve at least one qualified project manager in each mass assessment project that originates more than two years after the effective date of the enactment of this section by H.B. 487 of the 129th general assembly.

appropriate credentials, to act as a qualified project manager.

(3) The tax commissioner, beginning two years after the effective date of the enactment of this section by H.B. 487 of the 129th general assembly, shall not include any person that has not designated an officer or employee, with the appropriate credentials, to act as a qualified project manager on a list generated by the commissioner for either of the following purposes:

In determining the true value of any tract, lot, or parcel of real estate under this section, if such tract, lot, or parcel has been the subject of an arm's length sale between a willing seller and a willing buyer within a reasonable length of time, either before or after the tax lien date, the auditor ~~shall~~ may consider the sale price of such tract, lot, or parcel to be the true value for taxation purposes. However, the sale price in an arm's length transaction between a willing seller and a willing buyer shall not be considered the true value of the property sold if subsequent to the sale:

(A) The tract, lot, or parcel of real estate loses value due to some casualty;

(B) An improvement is added to the property. Nothing in this section or section 5713.01 of the Revised Code and no rule adopted under section 5715.01 of the Revised Code shall require the county auditor to change the true value in money of any property in any year except a year in which the tax commissioner is required to determine under section 5715.24 of the Revised Code whether the property has been assessed as required by law.

The county auditor shall adopt and use a real property record approved by the commissioner for each tract, lot, or parcel of real property, setting forth the true and taxable value of land and, in the case of land valued in accordance with section 5713.31 of the Revised Code, its current agricultural use value, the number of acres of arable land, permanent pasture land, woodland, and wasteland in each tract, lot, or parcel. ~~He~~ The auditor shall record pertinent information and the true and taxable value of each building, structure, or improvement to land, which value shall be included as a separate part of the total value of each tract, lot, or parcel of real property.

A dealer in intangibles who pays ~~to the treasurer of state~~ the taxes assessed upon its shares in the hands of its shareholders, as provided in this section, may deduct the amount thereof from dividends or distributions that are due or thereafter become due on such shares, and shall have a lien on the shares of stock and all funds belonging to such shareholders in its possession, or which come into its possession, for reimbursement of such tax paid on account of the shareholders, with legal interest. Such lien may be enforced in any appropriate manner.

Sec. 5725.14. (A) As used in this section and section 5725.15 of the Revised Code:

(1) "Billing address" of a customer means one of the following:

(a) The customer's address as set forth in any notice, statement, bill, or similar acknowledgment shall be presumed to be the address where the customer is located with respect to the transaction for which the dealer issued the notice, statement, bill, or acknowledgment.

(b) If the dealer issues any notice, statement, bill, or similar acknowledgment electronically to an address other than a street address or post office box address or if the dealer does not issue such a notice, statement, bill, or acknowledgment, the customer's street address as set forth in the records of the dealer at the time of the transaction shall be presumed

to be the address where the customer is located.

(2) "Commissions" includes but is not limited to brokerage commissions, asset management fees, and similar fees charged in the regular course of business to a customer for the maintenance and management of the customer's account.

In the case of an unincorporated dealer in intangibles, such report shall also exhibit the amount or value as of the date of conversion of all property within the year preceding the date of listing, and on or after the first day of November converted into bonds or other securities not taxed to the extent such nontaxable bonds or securities may be shown in the dealer's resources on such date, without deduction for indebtedness created in the purchase of such nontaxable bonds or securities.

If a dealer in intangibles maintains separate business offices, whether within this state only or within and without this state, the report shall also show the gross receipts from business done at each such office during the year ending on the thirty-first day of December next preceding.

For the purposes of this section and section 5725.15 of the Revised Code, business is considered done at an office when it originates at such office, but the receipts from business originating at one office and consummated at another office shall be divided equitably between such offices.

(C) For the purposes of this section and section 5725.15 of the Revised Code, in the case of a dealer in intangibles principally engaged in the business of selling or buying stocks, bonds, or other similar securities either on the dealer's own account or as agent for another, the dealer's capital, surplus, and undivided profits employed in this state shall bear the same

ratio to the dealer's total capital, surplus, and undivided profits employed everywhere as the amount described in division (C)(1) of this section bears to the amount described in division (C)(2) of this section:

(1) The sum of the commissions earned during the year covered by the ~~report~~ return from transactions with respect to brokerage accounts owned by customers having billing addresses in this state;

In such case the parent corporation making such return is not required to include in its resources any of the stocks, securities, or other obligations of its subsidiary dealers, nor permitted to include in its liabilities any of its own securities or other obligations belonging to its subsidiaries.

If a dealer has separate offices, whether within this state only or within and without this state, the ~~commissioner~~ dealer shall ~~find~~ list the amount of capital employed in each office in this state, which shall bear the same ratio to the entire capital of such dealer, wherever employed, as the gross receipts of such office bears to the entire gross receipts of such dealer, wherever arising.

The aggregate book value of the capital, surplus, and undivided profits of a dealer in intangibles as shown in such report shall be taken as the fair

value thereof for the purpose of the assessment required by this section, unless the commissioner finds that such book value is greater or less than the then fair value of said capital, surplus, and undivided profits. Claim for any deduction from book value of capital, surplus, and undivided profits must be made in writing by the dealer in intangibles at the time of making ~~his~~ the dealer's return.

Whenever the commissioner assesses the fair value of the capital, surplus, and undivided profits of a dealer in intangibles at an amount in excess of the ~~book~~ value thereof as ~~shown by its report, or disallows any claim for deduction from book value of such capital, surplus, and undivided profits listed in the dealer's report, or assesses the shares or property of a dealer that fails to file a return,~~ he the commissioner shall give notice and proceed as provided in section 5711.31 of the Revised Code.

The treasurer shall credit all such payments against the appropriate amounts on the intangible property tax list in the treasurer's office.

~~A dealer in intangibles may be tendered by the payee or transferee thereof to the treasurer of state as payment for any taxes allocable to the county in which the claim for a refund of any overpayment arose of the tax levied under division (D) of section 5707.03 of the Revised Code by filing an application for final assessment in accordance with section 5711.26 of the Revised Code.~~

Sec. 5725.17. (A) In addition to any other penalty imposed by this chapter or Chapter 5703. of the Revised Code, the following penalties shall apply:

(3) If a dealer in intangibles submits a report required by section 5725.14 of the Revised Code that is marked, defaced, or otherwise designed by the dealer to be a frivolous protest or an attempt to delay or impede the administration of the tax levied by division (D) of section 5707.03 of the Revised Code, a penalty shall be imposed equal to the greater of one hundred dollars or twenty-five per cent of the tax required to be shown on the report.

(4) If a dealer in intangibles makes a fraudulent attempt to evade the reporting or payment of the tax levied by division (D) of section 5707.03 of the Revised Code, a penalty shall be imposed equal to the greater of one thousand dollars or one hundred per cent of the tax required to be shown on the report required by section 5725.14 of the Revised Code.

(5) If any person makes a false or fraudulent claim for abatement or refund of the tax levied by division (D) of section 5707.03 of the Revised Code, a penalty shall be imposed equal to the greater of one thousand dollars or one hundred per cent of the claim. The treasurer ~~of state~~ or commissioner may consult the attorney general regarding such claims. Refunds shall be paid from the tax refund fund created by section 5703.052 of the Revised Code.

~~(A)(D)(1)~~ Within twenty days after receipt of any preliminary assessment ~~certified to him~~ of taxes levied under section 5725.18 of the Revised Code, the treasurer of state shall issue a tax bill, but if such preliminary assessment reflects a late filed tax return, the treasurer of state shall add interest as provided in division (A) of section 5725.221 of the Revised Code and issue a tax bill.

~~(B)(2)~~ Within twenty days after receipt of any amended or final assessment ~~certified to him~~ of taxes levied under section 5725.18 of the Revised Code, the treasurer of state shall ascertain the difference between the total taxes computed on such assessment and the total taxes computed on the most recent assessment certified for the same tax year. If the difference is a deficiency, the treasurer of state shall add interest as provided in division (B)(1) of section 5725.221 of the Revised Code and issue a tax bill. If the difference is an excess, the treasurer of state shall add interest as provided in division (B)(2) of section 5725.221 of the Revised Code and certify the name of the taxpayer and the amount to be refunded to the director of budget and management for payment to the taxpayer. If the taxpayer has a deficiency for one tax year and an excess for another tax year, or any combination thereof for more than two tax years, the treasurer of state may determine the net result after adding interest, if applicable, and, depending on such result, proceed to mail a tax bill or certify a refund.

If the difference is an excess, the commissioner shall add interest as provided in division (B)(2) of section 5725.221 of the Revised Code and certify the name of the taxpayer and the amount to be refunded to the director of budget and management for payment to the taxpayer. If the taxpayer has a deficiency for one tax year and excess for another tax year, or any combination thereof for more than

two tax years, the commissioner may determine the net result after adding interest, if applicable, and, depending on such result, proceed to mail a tax bill or certify a refund.

(2) The tax commissioner may issue a tax bill for any deficiency resulting from an assessment at the time the commissioner issues the assessment.

(F) If a taxpayer fails to pay all taxes and interest, if any, on or before the due date shown on the tax bill but makes payment within ten calendar days of such date, the treasurer of state or tax commissioner, as appropriate, shall add a penalty equal to five per cent of the taxes due. If payment is not made within ten days of such date, the treasurer of state or commissioner shall add a penalty equal to ten per cent of the taxes due. The treasurer of state or commissioner shall prepare a delinquent claim for each tax bill on which penalties were added and certify such claims to the attorney general for collection. The attorney general shall transmit a copy of each claim certified by the treasurer to the tax commissioner or the superintendent of insurance and, for each claim certified by the treasurer or commissioner, the attorney general shall proceed to collect the delinquent taxes, penalties, and interest thereon in the manner prescribed by law.

Sec. 5725.221. The invoices or other documentation shall show the true name and address of the consignor or seller, the true name and address of the consignee or purchaser, and the quantity of the cigarettes being transported. This division does not apply to any ~~common or contract~~ for-hire motor carrier transporting cigarettes through this state to another location under a proper bill of lading or freight bill that states the quantity, source, and destination of the cigarettes.

Sec. 5751.033. For the purposes of this chapter, gross receipts shall be sitused to this state as follows:

(A) Gross rents and royalties from real property located in this state shall be sitused to this state.

(B) Gross rents and royalties from tangible personal property shall be sitused to this state to the extent the tangible personal property is located or used in this state.

(C) Gross receipts from the sale of electricity and electric transmission and distribution services shall be sitused to this state in the manner provided under section 5733.059 of the Revised Code.

(D) Gross receipts from the sale of real property located in this state shall be sitused to this state.

(E) Gross receipts from the sale of tangible personal property shall be sitused to this state if the property is received in this state by the purchaser. In the case of delivery of tangible personal property by ~~common~~ motor carrier or by other means of transportation, the place at which such property is ultimately received after all transportation has been completed shall be considered the place where the purchaser receives the property. For purposes of this section, the phrase "delivery of tangible personal property by ~~common~~ motor carrier or by other means of transportation" includes the

situation in which a purchaser accepts the property in this state and then transports the property directly or by other means to a location outside this state. Direct delivery in this state, other than for purposes of transportation, to a person or firm designated by a purchaser constitutes delivery to the purchaser in this state, and direct delivery outside this state to a person or firm designated by a purchaser does not constitute delivery to the purchaser in this state, regardless of where title passes or other conditions of sale.

(F) Gross receipts from the sale, exchange, disposition, or other grant of the right to use trademarks, trade names, patents, copyrights, and similar intellectual property shall be situated to this state to the extent that the receipts are based on the amount of use of the property in this state. If the receipts are not based on the amount of use of the property, but rather on the right to use the property, and the payor has the right to use the property in this state, then the receipts from the sale, exchange, disposition, or other grant of the right to use such property shall be situated to this state to the extent the receipts are based on the right to use the property in this state.

(G) Gross receipts from the sale of transportation services by a ~~common or contract~~ motor carrier shall be situated to this state in proportion to the mileage traveled by the carrier during the tax period on roadways, waterways, airways, and railways in this state to the mileage traveled by the carrier during the tax period on roadways, waterways, airways, and railways everywhere. With prior written approval of the tax commissioner, a ~~common or contract~~ motor carrier may use an alternative situsing procedure for transportation services.

(H) Gross receipts from dividends, interest, and other sources of income from financial instruments described in divisions (F)(4), (5), (6), (7), (8), (9), (10), (11), and (13) of section 5733.056 of the Revised Code shall be situated to this state in accordance with the situsing provisions set forth in those divisions. When applying the provisions of divisions (F)(6), (8), and (13) of section 5733.056 of the Revised Code, "gross receipts" shall be substituted for "net gains" wherever "net gains" appears in those divisions. Nothing in this division limits or modifies the exclusions enumerated in divisions (E) and (F)(2) of section 5751.01 of the Revised Code. The tax commissioner may promulgate rules to further specify the manner in which to situs gross receipts subject to this division.

(I) Gross receipts from the sale of all other services, and all other gross receipts not otherwise situated under this section, shall be situated to this state in the proportion that the purchaser's benefit in this state with respect to what was purchased bears to the purchaser's benefit everywhere with respect to what was purchased. The physical location where the purchaser

ultimately uses or receives the benefit of what was purchased shall be paramount in determining the proportion of the benefit in this state to the benefit everywhere. If a taxpayer's records do not allow the taxpayer to determine that location, the taxpayer may use an alternative method to situs gross receipts under this division if the alternative method is reasonable, is consistently and uniformly applied, and is supported by the taxpayer's records as the records exist when the service is provided or within a reasonable period of time thereafter.

(J) If the situsing provisions of divisions (A) to (H) of this section do not fairly represent the extent of a person's activity in this state, the person may request, or the tax commissioner may require or permit, an alternative method. Such request by a person must be made within the applicable statute of limitations set forth in this chapter.

(K) The tax commissioner may adopt rules to provide additional guidance to the application of this section, and provide alternative methods of situsing gross receipts that apply to all persons, or subset of persons, that are engaged in similar business or trade activities.

(L) As used in this section, "motor carrier" has the same meaning as in section 4923.01 of the Revised Code.

Sec. 5751.12. The tax commissioner may prescribe requirements for the keeping of records and other pertinent documents, the filing of copies of federal income tax returns and determinations, and computations reconciling federal income tax returns with the returns and reports required by section 5751.05 of the Revised Code. The commissioner may require any person, by rule or notice served on that person, to keep those records that the commissioner considers necessary to show whether, and the extent to which, a person is subject to this chapter. Those records and other documents shall be open during business hours to the inspection of the commissioner, and shall be preserved for a period of four years unless the commissioner, in writing, consents to their destruction within that period, or by order requires that they be kept longer. If such records are normally kept by the person electronically, the person shall provide such records to the commissioner electronically at the commissioner's request.

Any information required by the ~~tax~~ commissioner under this chapter is confidential as provided for in section 5703.21 of the Revised Code. However, the commissioner shall make public an electronic list of all actively registered persons required to remit the tax under this chapter, including legal names, trade names, addresses, and account numbers. In addition, such list shall include all persons that cancelled their registration at any time during the preceding four calendar years, including the date the

registration was cancelled.

~~(3) "Independent living arrangement" means an arrangement in which a mentally retarded or developmentally disabled person resides in an individualized setting chosen by the person or the person's guardian, which is not dedicated principally to the provision of residential services for mentally retarded or developmentally disabled persons, and for which no financial support is received for rendering such service from any governmental agency by a provider of residential services.~~

~~(4)(2) "Intermediate care facility for the mentally retarded" has the same meaning as in section 1905(d) of the "Social Security Act," 101 Stat. 1330-204 (1987), 42 U.S.C. 1396d(d), as amended.~~

(3) "Licensee" means the person or government agency that has applied for a license to operate a residential facility and to which the license was issued under this section.

(4) "Political subdivision" means a municipal corporation, county, or township.

(5) "Related party" has the same meaning as in section 5123.16 of the Revised Code except that "provider" as used in the definition of "related party" means a person or government entity that held or applied for a license to operate a residential facility, rather than a person or government entity certified to provide supported living.

(6)(a) Except as provided in division (A)(6)(b) of this section, "residential facility" means a home or facility, including a facility certified as an intermediate care facility for the mentally retarded, in which an individual with mental retardation or a developmental disability resides.

(b) "Residential facility" does not mean any of the following:

(ii) A respite care home certified under section 5126.05 of the Revised Code;

(iii) A county home or district home operated pursuant to Chapter 5155. of the Revised Code;

(iv) A dwelling in which the only residents with mental retardation or developmental disabilities are in independent living arrangements or are being provided supported living.

(B) Every person or government agency desiring to operate a residential facility shall apply for licensure of the facility to the director of developmental disabilities unless the residential facility is subject to section 3721.02, ~~5119.73~~, 5103.03, ~~or 5119.20~~, or division (A)(9)(b) of section 5119.22 of the Revised Code. ~~Notwithstanding Chapter 3721. of the Revised Code, a nursing home that is certified as an intermediate care facility for the mentally retarded under Title XIX of the "Social Security Act," 79 Stat. 286 (1965), 42 U.S.C.A. 1396, as amended, shall apply for licensure of the portion of the home that is certified as an intermediate care facility for the mentally retarded.~~

(C) Subject to section 5123.196 of the Revised Code, the director of developmental disabilities shall license the operation of residential facilities. An initial license shall be issued for a period that does not exceed one year, unless the director denies the license under division (D) of this section. A license shall be renewed for a period that does not exceed three years, unless the director refuses to renew the license under division (D) of this section.

The director, when issuing or renewing a license, shall specify the period for which the license is being issued or renewed. A license remains valid for the length of the licensing period specified by the director, unless the license is terminated, revoked, or voluntarily surrendered.

(D) If it is determined that an applicant or licensee is not in compliance with a provision of this chapter that applies to residential facilities or the rules adopted under such a provision, the director may deny issuance of a license, refuse to renew a license, terminate a license, revoke a license, issue an order for the suspension of admissions to a facility, issue an order for the placement of a monitor at a facility, issue an order for the immediate removal of residents, or take any other action the director considers necessary consistent with the director's authority under this chapter regarding residential facilities. In the director's selection and administration of the sanction to be imposed, all of the following apply:

(1) The director may deny, refuse to renew, or revoke a license, if the director determines that the applicant or licensee has demonstrated a pattern of serious noncompliance or that a violation creates a substantial risk to the health and safety of residents of a residential facility.

(2) The director may terminate a license if more than twelve consecutive months have elapsed since the residential facility was last occupied by a resident or a notice required by division (K) of this section is not given.

(3) The director may issue an order for the suspension of admissions to a facility for any violation that may result in sanctions under division (D)(1) of this section and for any other violation specified in rules adopted under division (H)(2) of this section. If the suspension of admissions is imposed for a violation that may result in sanctions under division (D)(1) of this section, the director may impose the suspension before providing an opportunity for an adjudication under Chapter 119. of the Revised Code. The director shall lift an order for the suspension of admissions when the director determines that the violation that formed the basis for the order has been corrected.

(4) The director may order the placement of a monitor at a residential facility for any violation specified in rules adopted under division (H)(2) of this section. The director shall lift the order when the director determines that the violation that formed the basis for the order has been corrected.

(5) If the director determines that two or more residential facilities owned or operated by the same person or government entity are not being operated in compliance with a provision of this chapter that applies to residential facilities or the rules adopted under such a provision, and the director's findings are based on the same or a substantially similar action,

practice, circumstance, or incident that creates a substantial risk to the health and safety of the residents, the director shall conduct a survey as soon as practicable at each residential facility owned or operated by that person or government entity. The director may take any action authorized by this section with respect to any facility found to be operating in violation of a provision of this chapter that applies to residential facilities or the rules adopted under such a provision.

(6) When the director initiates license revocation proceedings, no opportunity for submitting a plan of correction shall be given. The director shall notify the licensee by letter of the initiation of the proceedings. The letter shall list the deficiencies of the residential facility and inform the licensee that no plan of correction will be accepted. The director shall also send a copy of the letter to the county board of developmental disabilities. The county board shall send a copy of the letter to each of the following:

- (a) Each resident who receives services from the licensee;
- (b) The guardian of each resident who receives services from the licensee if the resident has a guardian;
- (c) The parent or guardian of each resident who receives services from the licensee if the resident is a minor.

(7) Pursuant to rules which shall be adopted in accordance with Chapter 119. of the Revised Code, the director may order the immediate removal of residents from a residential facility whenever conditions at the facility present an immediate danger of physical or psychological harm to the residents.

(8) In determining whether a residential facility is being operated in compliance with a provision of this chapter that applies to residential facilities or the rules adopted under such a provision, or whether conditions at a residential facility present an immediate danger of physical or psychological harm to the residents, the director may rely on information obtained by a county board of developmental disabilities or other governmental agencies.

(9) In proceedings initiated to deny, refuse to renew, or revoke licenses, the director may deny, refuse to renew, or revoke a license regardless of whether some or all of the deficiencies that prompted the proceedings have been corrected at the time of the hearing.

(E) The director shall establish a program under which public notification may be made when the director has initiated license revocation proceedings or has issued an order for the suspension of admissions, placement of a monitor, or removal of residents. The director shall adopt rules in accordance with Chapter 119. of the Revised Code to implement

this division. The rules shall establish the procedures by which the public notification will be made and specify the circumstances for which the notification must be made. The rules shall require that public notification be made if the director has taken action against the facility in the eighteen-month period immediately preceding the director's latest action against the facility and the latest action is being taken for the same or a substantially similar violation of a provision of this chapter that applies to residential facilities or the rules adopted under such a provision. The rules shall specify a method for removing or amending the public notification if the director's action is found to have been unjustified or the violation at the residential facility has been corrected.

(F)(1) Except as provided in division (F)(2) of this section, appeals from proceedings initiated to impose a sanction under division (D) of this section shall be conducted in accordance with Chapter 119. of the Revised Code.

(2) Appeals from proceedings initiated to order the suspension of admissions to a facility shall be conducted in accordance with Chapter 119. of the Revised Code, unless the order was issued before providing an opportunity for an adjudication, in which case all of the following apply:

(a) The licensee may request a hearing not later than ten days after receiving the notice specified in section 119.07 of the Revised Code.

(b) If a timely request for a hearing that includes the licensee's current address is made, the hearing shall commence not later than thirty days after the department receives the request.

(c) After commencing, the hearing shall continue uninterrupted, except for Saturdays, Sundays, and legal holidays, unless other interruptions are agreed to by the licensee and the director.

(d) If the hearing is conducted by a hearing examiner, the hearing examiner shall file a report and recommendations not later than ten days after the last of the following:

(i) The close of the hearing;

(ii) If a transcript of the proceedings is ordered, the hearing examiner receives the transcript;

(iii) If post-hearing briefs are timely filed, the hearing examiner receives the briefs.

(e) A copy of the written report and recommendation of the hearing examiner shall be sent, by certified mail, to the licensee and the licensee's attorney, if applicable, not later than five days after the report is filed.

(f) Not later than five days after the hearing examiner files the report and recommendations, the licensee may file objections to the report and recommendations.

(g) Not later than fifteen days after the hearing examiner files the report and recommendations, the director shall issue an order approving, modifying, or disapproving the report and recommendations.

(h) Notwithstanding the pendency of the hearing, the director shall lift the order for the suspension of admissions when the director determines that the violation that formed the basis for the order has been corrected.

(G) Neither a person or government agency whose application for a license to operate a residential facility is denied nor a related party of the person or government agency may apply for a license to operate a residential facility before the date that is one year after the date of the denial. Neither a licensee whose residential facility license is revoked nor a related party of the licensee may apply for a residential facility license before the date that is five years after the date of the revocation.

(H) In accordance with Chapter 119. of the Revised Code, the director shall adopt and may amend and rescind rules for licensing and regulating the operation of residential facilities, ~~including intermediate care facilities for the mentally retarded.~~ The rules for residential facilities that are intermediate care facilities for the mentally retarded may differ from those for other residential facilities. The rules shall establish and specify the following:

(1) Procedures and criteria for issuing and renewing licenses, including procedures and criteria for determining the length of the licensing period that the director must specify for each license when it is issued or renewed;

(2) Procedures and criteria for denying, refusing to renew, terminating, and revoking licenses and for ordering the suspension of admissions to a facility, placement of a monitor at a facility, and the immediate removal of residents from a facility;

(3) Fees for issuing and renewing licenses, which shall be deposited into the program fee fund created under section 5123.033 of the Revised Code;

(4) Procedures for surveying residential facilities;

(5) Requirements for the training of residential facility personnel;

(6) Classifications for the various types of residential facilities;

(7) Certification procedures for licensees and management contractors that the director determines are necessary to ensure that they have the skills and qualifications to properly operate or manage residential facilities;

(8) The maximum number of persons who may be served in a particular type of residential facility;

(9) Uniform procedures for admission of persons to and transfers and discharges of persons from residential facilities;

(10) Other standards for the operation of residential facilities and the services provided at residential facilities;

(11) Procedures for waiving any provision of any rule adopted under this section.

(I) Before issuing a license, the director of the department or the director's designee shall conduct a survey of the residential facility for which application is made. The director or the director's designee shall conduct a survey of each licensed residential facility at least once during the period the license is valid and may conduct additional inspections as needed. A survey includes but is not limited to an on-site examination and evaluation of the residential facility, its personnel, and the services provided there.

In conducting surveys, the director or the director's designee shall be given access to the residential facility; all records, accounts, and any other documents related to the operation of the facility; the licensee; the residents of the facility; and all persons acting on behalf of, under the control of, or in connection with the licensee. The licensee and all persons on behalf of, under the control of, or in connection with the licensee shall cooperate with the director or the director's designee in conducting the survey.

Following each survey, unless the director initiates a license revocation proceeding, the director or the director's designee shall provide the licensee with a report listing any deficiencies, specifying a timetable within which the licensee shall submit a plan of correction describing how the deficiencies will be corrected, and, when appropriate, specifying a timetable within which the licensee must correct the deficiencies. After a plan of correction is submitted, the director or the director's designee shall approve or disapprove the plan. A copy of the report and any approved plan of correction shall be provided to any person who requests it.

The director shall initiate disciplinary action against any department employee who notifies or causes the notification to any unauthorized person of an unannounced survey of a residential facility by an authorized representative of the department.

(J) In addition to any other information which may be required of applicants for a license pursuant to this section, the director shall require each applicant to provide a copy of an approved plan for a proposed residential facility pursuant to section 5123.042 of the Revised Code. This division does not apply to renewal of a license or to an applicant for an initial or modified license who meets the requirements of section ~~5123.193~~ ~~or~~ 5123.197 of the Revised Code.

(K) A licensee shall notify the owner of the building in which the licensee's residential facility is located of any significant change in the identity of the licensee or management contractor before the effective date

of the change if the licensee is not the owner of the building.

Pursuant to rules which shall be adopted in accordance with Chapter 119. of the Revised Code, the director may require notification to the department of any significant change in the ownership of a residential facility or in the identity of the licensee or management contractor. If the director determines that a significant change of ownership is proposed, the director shall consider the proposed change to be an application for development by a new operator pursuant to section 5123.042 of the Revised Code and shall advise the applicant within sixty days of the notification that the current license shall continue in effect or a new license will be required pursuant to this section. If the director requires a new license, the director shall permit the facility to continue to operate under the current license until the new license is issued, unless the current license is revoked, refused to be renewed, or terminated in accordance with Chapter 119. of the Revised Code.

(L) A county board of developmental disabilities and any interested person may file complaints alleging violations of statute or department rule relating to residential facilities with the department. All complaints shall be in writing and shall state the facts constituting the basis of the allegation. The department shall not reveal the source of any complaint unless the complainant agrees in writing to waive the right to confidentiality or until so ordered by a court of competent jurisdiction.

The department shall adopt rules in accordance with Chapter 119. of the Revised Code establishing procedures for the receipt, referral, investigation, and disposition of complaints filed with the department under this division.

(M) The department shall establish procedures for the notification of interested parties of the transfer or interim care of residents from residential facilities that are closing or are losing their license.

(N) Before issuing a license under this section to a residential facility that will accommodate at any time more than one mentally retarded or developmentally disabled individual, the director shall, by first class mail, notify the following:

(1) If the facility will be located in a municipal corporation, the clerk of the legislative authority of the municipal corporation;

(2) If the facility will be located in unincorporated territory, the clerk of the appropriate board of county commissioners and the fiscal officer of the appropriate board of township trustees.

The director shall not issue the license for ten days after mailing the notice, excluding Saturdays, Sundays, and legal holidays, in order to give the notified local officials time in which to comment on the proposed

issuance.

Any legislative authority of a municipal corporation, board of county commissioners, or board of township trustees that receives notice under this division of the proposed issuance of a license for a residential facility may comment on it in writing to the director within ten days after the director mailed the notice, excluding Saturdays, Sundays, and legal holidays. If the director receives written comments from any notified officials within the specified time, the director shall make written findings concerning the comments and the director's decision on the issuance of the license. If the director does not receive written comments from any notified local officials within the specified time, the director shall continue the process for issuance of the license.

(O) Any person may operate a licensed residential facility that provides room and board, personal care, habilitation services, and supervision in a family setting for at least six but not more than eight persons with mental retardation or a developmental disability as a permitted use in any residential district or zone, including any single-family residential district or zone, of any political subdivision. These residential facilities may be required to comply with area, height, yard, and architectural compatibility requirements that are uniformly imposed upon all single-family residences within the district or zone.

(P) Any person may operate a licensed residential facility that provides room and board, personal care, habilitation services, and supervision in a family setting for at least nine but not more than sixteen persons with mental retardation or a developmental disability as a permitted use in any multiple-family residential district or zone of any political subdivision, except that a political subdivision that has enacted a zoning ordinance or resolution establishing planned unit development districts may exclude these residential facilities from those districts, and a political subdivision that has enacted a zoning ordinance or resolution may regulate these residential facilities in multiple-family residential districts or zones as a conditionally permitted use or special exception, in either case, under reasonable and specific standards and conditions set out in the zoning ordinance or resolution to:

(1) Require the architectural design and site layout of the residential facility and the location, nature, and height of any walls, screens, and fences to be compatible with adjoining land uses and the residential character of the neighborhood;

(2) Require compliance with yard, parking, and sign regulation;

(3) Limit excessive concentration of these residential facilities.

(Q) This section does not prohibit a political subdivision from applying to residential facilities nondiscriminatory regulations requiring compliance with health, fire, and safety regulations and building standards and regulations.

(R) Divisions (O) and (P) of this section are not applicable to municipal corporations that had in effect on June 15, 1977, an ordinance specifically permitting in residential zones licensed residential facilities by means of permitted uses, conditional uses, or special exception, so long as such ordinance remains in effect without any substantive modification.

(S)(1) The director may issue an interim license to operate a residential facility to an applicant for a license under this section if either of the following is the case:

(a) The director determines that an emergency exists requiring immediate placement of persons in a residential facility, that insufficient licensed beds are available, and that the residential facility is likely to receive a permanent license under this section within thirty days after issuance of the interim license.

(b) The director determines that the issuance of an interim license is necessary to meet a temporary need for a residential facility.

(2) To be eligible to receive an interim license, an applicant must meet the same criteria that must be met to receive a permanent license under this section, except for any differing procedures and time frames that may apply to issuance of a permanent license.

(3) An interim license shall be valid for thirty days and may be renewed by the director for a period not to exceed one hundred fifty days.

(4) The director shall adopt rules in accordance with Chapter 119. of the Revised Code as the director considers necessary to administer the issuance of interim licenses.

(T) Notwithstanding rules adopted pursuant to this section establishing the maximum number of persons who may be served in a particular type of residential facility, a residential facility shall be permitted to serve the same number of persons being served by the facility on the effective date of the rules or the number of persons for which the facility is authorized pursuant to a current application for a certificate of need with a letter of support from the department of developmental disabilities and which is in the review process prior to April 4, 1986.

UNCLAIMED FUNDS PAYMENTS

The foregoing appropriation item 800625, Unclaimed Funds-Claims, shall be used to pay claims under section 169.08 of the Revised Code. If it is determined that additional amounts are necessary, the amounts are appropriated.

UNCLAIMED FUNDS TRANSFERS

Notwithstanding division (A) of section 169.05 of the Revised Code, during the FY 2012-FY 2013 biennium, the Director of Budget and Management shall request the Director of Commerce to transfer to the General Revenue Fund up to \$215,000,000 of unclaimed funds that have been reported by holders of unclaimed funds under section 169.05 of the Revised Code, irrespective of the allocation of the unclaimed funds under that section. The Director of Commerce shall transfer the funds at the times requested by the Director of Budget and Management.

FIRE DEPARTMENT GRANTS

Of the foregoing appropriation item 800639, Fire Department Grants, up to \$1,647,140 in each fiscal year shall be used to make annual grants to the following eligible recipients: volunteer fire departments, fire departments that serve one or more small municipalities or small townships, joint fire districts comprised of fire departments that primarily serve small municipalities or small townships, local units of government responsible for such fire departments, and local units of government responsible for the provision of fire protection services for small municipalities or small townships. For the purposes of these grants, a private fire company, as that phrase is defined in section 9.60 of the Revised Code, that is providing fire protection services under a contract to a political subdivision of the state, is an additional eligible recipient for a training grant.

Eligible recipients that consist of small municipalities or small townships that all intend to contract with the same fire department or private fire company for fire protection services may jointly apply and be considered for a grant. If a joint applicant is awarded a grant, the State Fire Marshal shall, if feasible, proportionately award the grant and any equipment purchased with grant funds to each of the joint applicants based upon each applicant's contribution to and demonstrated need for fire protection services.

If the grant awarded to joint applicants is an equipment grant and the equipment to be purchased cannot be readily distributed or possessed by multiple recipients, each of the joint applicants shall be awarded by the State Fire Marshal an ownership interest in the equipment so purchased in proportion to each applicant's contribution to and demonstrated need for fire protection services. The joint applicants shall then mutually agree on how the equipment is to be maintained, operated, stored, or disposed of. If, for any reason, the joint applicants cannot agree as to how jointly owned equipment is to be maintained, operated, stored, or disposed of or any of the joint applicants no longer maintain a contract with the same fire protection service provider as the other applicants, then the joint applicants shall, with the assistance of the State Fire Marshal, mutually agree as to how the jointly owned equipment is to be maintained, operated, stored, disposed of, or owned. If the joint applicants cannot agree how the grant equipment is to be maintained, operated, stored, disposed of, or owned, the State Fire Marshal may, in its discretion, require all of the equipment acquired by the joint applicants with grant funds to be returned to the State Fire Marshal. The State Fire Marshal may then award the returned equipment to any eligible recipients.

The grants shall be used by recipients to purchase firefighting or rescue equipment or gear or similar items, to provide full or partial reimbursement for the documented costs of firefighter training, or, at the discretion of the State Fire Marshal, to cover fire department costs for providing fire protection services in that grant recipient's jurisdiction.

Grant awards for firefighting or rescue equipment or gear or for fire department costs of providing fire protection services shall be up to \$15,000 per fiscal year, or up to \$25,000 per fiscal year if an eligible entity serves a jurisdiction in which the Governor declared a natural disaster during the preceding or current fiscal year in which the grant was awarded. In addition to any grant funds awarded for rescue equipment or gear, or for fire department costs associated with the provision of fire protection services, an eligible entity may receive a grant for up to \$15,000 per fiscal year for full or partial reimbursement of the documented costs of firefighter training. For each fiscal year, the State Fire Marshal shall determine the total amounts to be allocated for each eligible purpose.

The grant program shall be administered by the State Fire Marshal in accordance with rules the State Fire Marshal adopts as part of the state fire code adopted pursuant to section 3737.82 of the Revised Code that are necessary for the administration and operation of the grant program. The rules may further define the entities eligible to receive grants and establish criteria for the awarding and expenditure of grant funds, including methods the State Fire Marshal may use to verify the proper use of grant funds or to obtain reimbursement for or the return of equipment for improperly used grant funds. Any amounts in appropriation item 800639, Fire Department Grants, in excess of the amount allocated for these grants may be used for the administration of the grant program.

Sec. 267.10.10. OPERATING EXPENSES

The foregoing appropriation item 200321, Operating Expenses, shall be used to support the same activities as are supported prior to July 1, 2012, by appropriation items 200100, Personal Services, and 200320, Maintenance and Equipment. A portion of this appropriation item also shall be used by the Department of Education to provide matching funds under 20 U.S.C. 2321, which are provided by appropriation item 200416, Career-Technical Education Match, prior to July 1, 2012.

On July 1, 2012, or as soon as possible thereafter, the Director of Budget and Management shall cancel any existing encumbrances against appropriation items 200100, Personal Services, 200320, Maintenance and Equipment, and 200416, Career-Technical Education Match, and reestablish them against appropriation item 200321, Operating Expenses. The reestablished encumbrance amounts are hereby appropriated.

EARLY CHILDHOOD EDUCATION

The Department of Education shall distribute the foregoing appropriation item 200408, Early Childhood Education, to pay the costs of early childhood education programs.

(A) As used in this section:

(1) "Provider" means a city, local, exempted village, or joint vocational school district, or an educational service center.

(2) In the case of a city, local, or exempted village school district, "new eligible provider" means a district that did not receive state funding for Early Childhood Education in the previous fiscal year or demonstrates a need for early childhood programs as defined in division (D) of this section.

(3) "Eligible child" means a child who is at least three years of age as of the district entry date for kindergarten, is not of the age to be eligible for kindergarten, and whose family earns not more than two hundred per cent of

the federal poverty guidelines as defined in division (A)(3) of section 5101.46 of the Revised Code. Children with an Individualized Education Program and where the Early Childhood Education program is the least restrictive environment may be enrolled on their third birthday.

(B) In each fiscal year, up to two per cent of the total appropriation may be used by the Department for program support and technical assistance. The Department shall distribute the remainder of the appropriation in each fiscal year to serve eligible children.

(C) The Department shall provide an annual report to the Governor, the Speaker of the House of Representatives, and the President of the Senate and post the report to the Department's web site, regarding early childhood education programs operated under this section and the early learning program guidelines.

(D) After setting aside the amounts to make payments due from the previous fiscal year, in fiscal year 2012, the Department shall distribute funds first to recipients of funds for early childhood education programs under Section 265.10.20 of Am. Sub. H.B. 1 of the 128th General Assembly in the previous fiscal year and the balance to new eligible providers of early childhood education programs under this section or to existing providers to serve more eligible children or for purposes of program expansion, improvement, or special projects to promote quality and innovation.

After setting aside the amounts to make payments due from the previous fiscal year, in fiscal year 2013, the Department shall distribute funds first to providers of early childhood education programs under this section in the previous fiscal year and the balance to new eligible providers or to existing providers to serve more eligible children or for purposes of program expansion, improvement, or special projects to promote quality and innovation.

Awards under this section shall be distributed on a per-pupil basis, and in accordance with division (H) of this section. The Department may adjust the per-pupil amount so that the per-pupil amount multiplied by the number of eligible children enrolled and receiving services on the first day of December or the business day closest to that date equals the amount allocated under this section.

(E) Costs for developing and administering an early childhood education program may not exceed fifteen per cent of the total approved costs of the program.

All providers shall maintain such fiscal control and accounting procedures as may be necessary to ensure the disbursement of, and accounting for, these funds. The control of funds provided in this program,

and title to property obtained, shall be under the authority of the approved provider for purposes provided in the program unless, as described in division (J) of this section, the program waives its right for funding or a program's funding is eliminated or reduced due to its inability to meet financial or early learning program guidelines. The approved provider shall administer and use such property and funds for the purposes specified.

(F) The Department may examine a provider's financial and program records. If the financial practices of the program are not in accordance with standard accounting principles or do not meet financial standards outlined under division (E) of this section, or if the program fails to substantially meet the early learning program guidelines, meet a quality rating level in the tiered quality rating and improvement system developed under section 5104.30 of the Revised Code as prescribed by the Department, or exhibits below average performance as measured against the guidelines, the early childhood education program shall propose and implement a corrective action plan that has been approved by the Department. The approved corrective action plan shall be signed by the chief executive officer and the executive of the official governing body of the provider. The corrective action plan shall include a schedule for monitoring by the Department. Such monitoring may include monthly reports, inspections, a timeline for correction of deficiencies, and technical assistance to be provided by the Department or obtained by the early childhood education program. The Department may withhold funding pending corrective action. If an early childhood education program fails to satisfactorily complete a corrective action plan, the Department may deny expansion funding to the program or withdraw all or part of the funding to the program and establish a new eligible provider through a selection process established by the Department.

(G) Each early childhood education program shall do all of the following:

(1) Meet teacher qualification requirements prescribed by section 3301.311 of the Revised Code;

(2) Align curriculum to the early learning content standards developed by the Department;

(3) Meet any child or program assessment requirements prescribed by the Department;

(4) Require teachers, except teachers enrolled and working to obtain a degree pursuant to section 3301.311 of the Revised Code, to attend a minimum of twenty hours every two years of professional development as prescribed by the Department;

(5) Document and report child progress as prescribed by the

Department;

(6) Meet and report compliance with the early learning program guidelines as prescribed by the Department;

(7) Participate in the tiered quality rating and improvement system developed under section 5104.30 of the Revised Code. Effective July 1, 2016, all programs shall be rated through the system.

(H) Per-pupil funding for programs subject to this section shall be sufficient to provide eligible children with services for a standard early childhood schedule which shall be defined in this section as a minimum of twelve and one-half hours per school week as defined in section 3313.62 of the Revised Code for the minimum school year as defined in sections 3313.48, 3313.481, and 3313.482 of the Revised Code. Nothing in this section shall be construed to prohibit program providers from utilizing other funds to serve eligible children in programs that exceed the twelve and one-half hours per week or that exceed the minimum school year. For any provider for which a standard early childhood education schedule creates a hardship or for which the provider shows evidence that the provider is working in collaboration with a preschool special education program, the provider may submit a waiver to the Department requesting an alternate schedule. If the Department approves a waiver for an alternate schedule that provides services for less time than the standard early childhood education schedule, the Department may reduce the provider's annual allocation proportionately. Under no circumstances shall an annual allocation be increased because of the approval of an alternate schedule.

(I) Each provider shall develop a sliding fee scale based on family incomes and shall charge families who earn more than two hundred per cent of the federal poverty guidelines, as defined in division (A)(3) of section 5101.46 of the Revised Code, for the early childhood education program.

The Department shall conduct an annual survey of each provider to determine whether the provider charges families tuition or fees, the amount families are charged relative to family income levels, and the number of families and students charged tuition and fees for the early childhood program.

(J) If an early childhood education program voluntarily waives its right for funding, or has its funding eliminated for not meeting financial standards or the early learning program guidelines, the provider shall transfer control of title to property, equipment, and remaining supplies obtained through the program to providers designated by the Department and return any unexpended funds to the Department along with any reports prescribed by the Department. The funding made available from a program that waives its

right for funding or has its funding eliminated or reduced may be used by the Department for new grant awards or expansion grants. The Department may award new grants or expansion grants to eligible providers who apply. The eligible providers who apply must do so in accordance with the selection process established by the Department.

(K) As used in this section, "early learning program guidelines" means the guidelines established by the Department pursuant to division (C)(3) of Section 206.09.54 of Am. Sub. H.B. 66 of the 126th General Assembly.

(L) Eligible expenditures for the Early Childhood Education program shall be claimed each fiscal year to help meet the state's TANF maintenance of effort requirement. The Superintendent of Public Instruction and the Director of Job and Family Services shall enter into an interagency agreement to carry out the requirements under this division, which shall include developing reporting guidelines for these expenditures.

Districts in fiscal distress shall be determined by the Auditor of State and shall include districts that the Auditor of State, in consultation with the Department of Education, determines are employing fiscal practices or experiencing budgetary conditions that could produce a state of fiscal watch or fiscal emergency.

The remainder of appropriation item 200422, School Management Assistance, shall be used by the Department of Education to provide fiscal technical assistance and inservice education for school district management personnel and to administer, monitor, and implement the fiscal caution, fiscal watch, and fiscal emergency provisions under Chapter 3316. of the Revised Code.

COMMUNITY SCHOOL AND CHOICE PROGRAMS

An amount equal to the unexpended, unencumbered balances of the GRF appropriations for the Department of Education at the end of fiscal year 2012, but not to exceed \$600,000, is hereby reappropriated to appropriation item 200455, Community Schools and Choice Programs, for fiscal year 2013 for the Department of Education to provide STEM schools with matching funds for industry workforce development initiatives.

If the unexpended, unencumbered balances reappropriated above are less than \$600,000, the Superintendent of Public Instruction shall identify outstanding GRF encumbrances of the Department for fiscal year 2012 and prior fiscal years that are no longer needed to support the obligations of the Department. On July 1, 2012, or as soon as possible thereafter, the Superintendent shall certify the identified encumbrances to the Director of Budget and Management. Upon receipt of the certification, the Director of Budget and Management shall cancel identified encumbrances in an amount up to the difference between \$600,000 and the amount reappropriated above. Notwithstanding the distribution formulas under sections 3317.20 and 3317.201 of the Revised Code, funding for DD boards and institutions for fiscal year 2012 and fiscal year 2013 shall be determined by providing the per pupil amount received by each DD board and institution for the prior fiscal year for each student served in the current fiscal year.

The Superintendent of Public Instruction shall administer and award the grants. The Superintendent shall establish procedures and forms by which applicants may apply for a grant, a competitive process for awarding the grants, procedures for distributing grants to recipients, and procedures for monitoring the use of grants by recipients. The procedures shall require each school district and community school applying for a grant to submit, as part of its grant application, a reading program plan identifying how the grant award will be used. To be eligible for a grant award, school districts and community schools shall apply to the Superintendent not later than December 31, 2012. The Superintendent shall announce the grant awards not later than April 30, 2013.

Sec. 309.30.10. HEALTH CARE/MEDICAID

The foregoing appropriation item 600525, Health Care/Medicaid, shall not be limited by section 131.33 of the Revised Code.

HEALTH CARE/MEDICAID ENDING BALANCE

Thirty million dollars of the unexpended and unencumbered portion of appropriation item 600525, Health Care/Medicaid, at the end of fiscal year 2012 is hereby reappropriated to the Department of Job and Family Services for payments to nursing facilities for fiscal year 2013 in accordance with the section of this act titled "FISCAL YEAR 2013 QUALITY BONUS PAYMENTS TO NURSING FACILITIES."

Sec. 309.30.30. REDUCTION IN MEDICAID PAYMENT RATES

(A) As used in this section, "charge high trim point" means a measure, excluding the measure established by paragraph (A)(6) of rule 5101:3-2-07.9 of the Administrative Code, used to determine whether a claim for a hospital inpatient service qualifies for a cost outlier payment under the Medicaid program.

(B) For fiscal year 2012 and fiscal year 2013, the Director of Job and Family Services shall implement purchasing strategies and rate reductions for hospital and other Medicaid-covered services, as determined by the Director, that result in payment rates for those services being at least two per cent less than the respective payment rates for fiscal year 2011. In implementing the purchasing strategies and rate reductions, the Director shall do the following:

(1) Notwithstanding the section of ~~this act~~ Am. Sub. H.B. 153 of the 129th General Assembly titled "CONTINUATION OF MEDICAID RATES FOR HOSPITAL INPATIENT AND OUTPATIENT SERVICES," modernize hospital inpatient and outpatient reimbursement methodologies by doing the following:

(a) Modifying the inpatient hospital capital reimbursement methodology;

(b) Establishing new diagnosis-related groups in a cost-neutral manner;

(c) For hospital discharges that occur during the period beginning October 1, 2011, and ending January 1, 2012, modifying charge high trim points, as in effect on January 1, 2011, by a factor of 13.6%;

(d) For hospital discharges that occur during the period beginning January 1, 2012, and ending on the effective date of the first of the new diagnosis-related groups established under division (B)(1)(b) of this section, modifying charge high trim points, as in effect on October 1, 2011, by a

factor of 9.72%;

(e) Implementing other changes the Director considers appropriate.

(2) Establish selective contracting and prior authorization requirements for types of medical assistance the Director identifies.

(C) The Director shall adopt rules under ~~section~~ sections 5111.02 and 5111.85 of the Revised Code as necessary to implement this section. The rules adopted to implement divisions (B)(1)(a), (b), and (e) of this section shall include quality factors and quality-based incentive payments.

(D) This section does not apply to nursing facility and intermediate care facility for the mentally retarded services provided under the Medicaid program.

Sec. 309.30.33. HOSPITAL INPATIENT AND OUTPATIENT SUPPLEMENTAL UPPER PAYMENT LIMIT PROGRAM; MEDICAID MANAGED CARE HOSPITAL INCENTIVE PAYMENT PROGRAM

(A) As used in this section:

(1) "Hospital" has the same meaning as in section 5112.40 of the Revised Code.

(2) "Hospital Assessment Fund" means the fund created under section 5112.45 of the Revised Code.

(3) "Medicaid managed care organization" means an entity under contract pursuant to section 5111.17 of the Revised Code to provide or arrange services for Medicaid recipients who are required or permitted to participate in the Medicaid care management system.

(B) The Department of Job and Family Services shall submit to the United States Secretary of Health and Human Services a Medicaid state plan amendment to do both of the following:

(1) Continue the Hospital Inpatient and Outpatient Supplemental Upper Payment Limit Program that was established pursuant to Section 309.30.17 of Am. Sub. H.B. 1 of the 128th General Assembly, with any modifications necessary to implement the program as described under division (D) of this section;

(2) Create the Medicaid Managed Care Hospital Incentive Payment Program, as described under division (E) of this section.

(C) Of the amounts deposited into the Hospital Assessment Fund in fiscal year 2012 and fiscal year 2013:

(1) Up to \$432,432,725 (state and federal) in fiscal year 2012 and up to \$415,162,388 (state and federal) in fiscal year 2013 shall be used for the Hospital Inpatient and Outpatient Supplemental Upper Payment Limit Program;

(2) Up to \$162,000,000 (state and federal) in each fiscal year shall be

used for the Medicaid Managed Care Hospital Incentive Payment Program;

(3) Up to \$176,021,111 (state and federal) in fiscal year 2012 and up to \$195,158,394 (state and federal) in fiscal year 2013 shall be used for the program authorized by the section of ~~this act~~ Am. Sub. H.B. 153 of the 129th General Assembly titled "CONTINUATION OF MEDICAID RATES FOR HOSPITAL INPATIENT AND OUTPATIENT SERVICES."

(D)(1) If the Medicaid state plan amendment submitted under division (B)(1) of this section is approved, the Department shall implement the Hospital Inpatient and Outpatient Supplemental Upper Payment Limit Program during fiscal year 2012 and fiscal year 2013. Under the Program, subject to division (D)(2) of this section, supplemental Medicaid payments shall be made to hospitals for Medicaid-covered inpatient and outpatient services. The Department shall make the payments through amounts that are made available for the Program under division (C) of this section and any federal financial participation available for the Program.

(2) The Department shall take all actions necessary to cease implementation of the Program if the United States Secretary determines that the assessment imposed under section 5112.41 of the Revised Code is an impermissible healthcare-related tax under section 1903(w) of the "Social Security Act," 105 Stat. 1793 (1991), 42 U.S.C. 1396b(w), as amended.

(E)(1) If the Medicaid state plan amendment submitted under division (B)(2) of this section is approved, the Department shall implement the Medicaid Managed Care Hospital Incentive Payment Program. The purpose of the Program is to increase access to hospital services for Medicaid recipients who are enrolled in Medicaid managed care organizations.

Under the Program, subject to division (E)(3) of this section, funds shall be provided to Medicaid managed care organizations, which shall use the funds to increase payments to hospitals for providing services to Medicaid recipients who are enrolled in the organizations. The Department shall provide the funds through amounts that are made available for the Program under division (C) of this section and any federal financial participation available for the Program.

(2) Not later than July 1, 2012, the Department shall select an actuary to conduct a study of the contracted reimbursement rates between Medicaid managed care organizations and hospitals. The actuary shall determine if a reduction in the capitation rates paid to Medicaid managed care organizations in fiscal year 2013 is appropriate as a result of the contracted reimbursement rates between the organizations and hospitals. The actuary shall notify the Department of its determination.

If the actuary determines that a reduction in the capitation rates paid to

Medicaid managed care organizations in fiscal year 2013 will not achieve \$22 million in state savings in fiscal year 2013, the state shall receive the difference between what the actuary determines the state will save and \$22 million. The Department, in consultation with the Ohio Association of Health Plans and the Ohio Hospital Association, shall establish a methodology under which the difference is paid equally by Medicaid managed care organizations and hospitals in this state.

Notwithstanding anything to the contrary specified in division (E)(3)(b) or (c) of this section, the Medicaid managed care organizations and hospitals shall pay the amounts determined under the methodology, unless the Department waives the requirement to make the payments. The requirement may be waived if spending for the Medicaid program in fiscal year 2013 is less than the amount that is budgeted for that fiscal year. If payments are made, the amount received by the Department shall be deposited into the state treasury to the credit of the Health Care Compliance Fund created under section ~~5111.171~~ 5111.946 of the Revised Code.

(3)(a) The Department shall not provide funds to Medicaid managed care organizations under the Program unless an actuary selected by the Department certifies that the Program would not violate the actuarial soundness of the capitation rates paid to Medicaid managed care organizations.

(b) The Department shall not implement the Program in a manner that causes a hospital to receive less money from the Hospital Assessment Fund than the hospital would have received if the Program were not implemented.

(c) The Department shall not implement the Program in a manner that causes a Medicaid managed care organization to receive a lower capitation payment rate solely because funds are made available to the organization under the Program.

(d) The Department shall take all necessary actions to cease implementation of the Program if the United States Secretary determines that the assessment imposed under section 5112.41 of the Revised Code is an impermissible healthcare-related tax under section 1903(w) of the "Social Security Act," 105 Stat. 1793 (1991), 42 U.S.C. 1396b(w), as amended.

(F) The Director of Budget and Management may authorize additional expenditures from appropriation item 600623, Health Care Federal, appropriation item 600525, Health Care/Medicaid, and appropriation item 600656, Medicaid-Hospital, in order to implement the programs authorized by this section and to implement the section of ~~this act~~ Am. Sub. H.B. 153 of the 129th General Assembly titled "CONTINUATION OF MEDICAID RATES FOR HOSPITAL INPATIENT AND OUTPATIENT SERVICES."

Any amounts authorized are hereby appropriated.

(G) Nothing in this section reduces payments to children's hospitals authorized under the section of ~~this act~~ Am. Sub. H.B. 153 of the 129th General Assembly titled "CHILDREN'S HOSPITALS SUPPLEMENTAL FUNDING."

Sec. 309.30.53. MEDICAID MANAGED CARE EXEMPTIONS

(A) As used in this section, "disabled individual" means any individual receiving services through the program for medically handicapped children established under section 3701.023 of the Revised Code who has one or more of the following conditions:

- (1) Cystic fibrosis;
- (2) Hemophilia;
- (3) Cancer.

(B) Notwithstanding section 5111.16 of the Revised Code, as amended by ~~this act~~ Am. Sub. H.B. 153 of the 129th General Assembly, the Department of Job and Family Services shall not include in the care management system established under that section ~~in either fiscal year 2012 or fiscal year 2013~~ any individual receiving services through the program for medically handicapped children established under section 3701.023 of the Revised Code who has one or more of the following conditions and who was not receiving services through the care management system immediately before the effective date of this section:

- (1) Cystic fibrosis;
- (2) Hemophilia;

(3) ~~Cancer~~ any disabled individual who was not receiving services through the care management system immediately before June 30, 2011, until the later of the following:

- (1) January 1, 2014;

(2) One year after the date that the Department first designates any individual who receives Medicaid on the basis of being aged, blind, or disabled who is under twenty-one years of age as an individual who is permitted or required to participate in the care management system.

Sec. 309.30.73. JOINT LEGISLATIVE COMMITTEE FOR UNIFIED LONG-TERM SERVICES AND SUPPORTS

(A) There is hereby created the Joint Legislative Committee for Unified Long-Term Services and Supports. The Committee shall consist of the following members:

- (1) Two members of the House of Representatives from the majority party, appointed by the Speaker of the House of Representatives;
- (2) One member of the House of Representatives from the minority

party, appointed by the Speaker of the House of Representatives;

(3) Two members of the Senate from the majority party, appointed by the President of the Senate;

(4) One member of the Senate from the minority party, appointed by the President of the Senate.

(B) The Speaker of the House of Representatives shall designate one of the members of the Committee appointed under division (A)(1) of this section to serve as co-chairperson of the Committee. The President of the Senate shall designate one of the members of the Committee appointed under division (A)(3) of this section to serve as the other co-chairperson of the Committee. The Committee shall meet at the call of the co-chairpersons. The co-chairpersons may request assistance for the Committee from the Legislative Service Commission.

(C) The Committee may examine the following issues:

(1) The implementation of the dual eligible integrated care demonstration project authorized by section 5111.981 of the Revised Code;

(2) The implementation of a unified long-term services and support Medicaid waiver component under section 5111.864 of the Revised Code;

(3) Providing consumers choices regarding a continuum of services that meet their health-care needs, promote autonomy and independence, and improve quality of life;

SECTION 701.121. (A) The state of Ohio requests that the Joint Committee on the Library of Congress approve the replacement of Ohio's statue of Governor William Allen in the National Statuary Hall Collection with a statue of Thomas Edison.

(B) In accordance with the Procedure for Replacement of Statues in the National Statuary Hall Collection, Ohio submits the following information for consideration by the Joint Committee on the Library of Congress:

(1) Thomas Edison, a native of Milan, Ohio, was a world famous inventor and highly successful businessperson whose inventions, such as the phonograph, the kinoscope (a precursor to the film projector), and the first practical incandescent light bulb, have had a tremendous impact on the world. In addition to these inventions, Thomas Edison's service to the United States Government has also impacted world history. During World War I, he consulted for the government, examining inventions submitted for military use and working on defensive devices for submarines and ships. For his service, he eventually was awarded a Distinguished Service Medal by the Department of the Navy. By the time of his death, he had received over one thousand patents.

Thomas Edison also has had a significant impact on the state of Ohio. He established the Edison Steel Company in Cleveland, Ohio, and established one of the first electric power stations in Tiffin, Ohio. His General Electric Company established the first industrial park in Ohio, which has employed hundreds of thousands of people over time. And the Ohio Department of Development sponsors The Thomas Edison Award, which was established in partnership with the Edison Birthplace Museum in Milan, Ohio. The Edison Birthplace Museum also has been instrumental in the issuance of a Thomas Edison stamp and commemorative silver dollar, and has received, on Thomas Edison's behalf, a posthumously awarded GRAMMY Award.

Thomas Edison's impact on the world, and, in particular, on the state of Ohio, through his inventions, business endeavors, and government service, merits inclusion of a statue of him in the National Statuary Hall Collection.

(2) The Ohio Statuary Hall Commission, a nonprofit Ohio corporation, was established in 2009 for the purpose of assisting with the process of recommending an Ohio citizen for statuary representation in the National Statuary Hall Collection, including raising funds and providing financial support for that effort. If the Joint Committee on the Library of Congress

approves this replacement statue request, the Commission shall be responsible for the selection of a sculptor for the Thomas Edison statue as well as for paying all costs incurred for placing the Thomas Edison statue in the United States Capitol, including costs incurred for all of the following:

- (a) Paying the sculptor;
- (b) Carving or casting the statue;
- (c) Creating a pedestal and any inscription;
- (d) Transporting the statue and pedestal to the United States Capitol;
- (e) Removing and transporting the replaced statue;
- (f) Temporarily erecting the new statue in the Rotunda of the Capitol for the unveiling ceremony;
- (g) Expenses related to the unveiling ceremony; and
- (h) Any other expenses that the Ohio Statuary Hall Commission finds it to be necessary to incur.

(C) As required by the Procedure for Replacement of Statues in the National Statuary Hall Collection, the Governor shall submit to the Architect of the Capitol a copy of this act, along with a letter from the Governor, requesting approval from the Joint Committee on the Library of Congress to replace Ohio's statue of Governor William Allen in the National Statuary Hall Collection with a statue of Thomas Edison.

In examining the potential return on investment, the Department shall consider the impact of converting all or part of the different motor vehicle fleets over a period of two to four years and shall develop various proposals for funding the conversion of the motor vehicle fleets. The Department may conduct public hearings and may consult with experts and other persons as the Department considers necessary to fulfill its duties under this act.

Not later than six months after the effective date of this section, the Department shall issue a report on its findings and recommendations on using compressed natural gas to fuel the motor vehicle fleets of the state and political subdivisions, including any recommendation for funding the conversion to compressed natural gas. In developing the system, the vendor shall establish a real-time patient registration and verification process that includes unique identifiers, including photographic images of individuals and images of their fingerprints. The system shall be developed in such a manner that a prescriber is able to compare the identity of a patient who is seeking a prescription with the unique identifiers included in the system.

SECTION 737.60. LUPUS EDUCATION AND AWARENESS PROGRAM

(A) In establishing the Lupus Education and Awareness Program under sections 3701.77 to 3701.775 of the Revised Code, as enacted by this act, the General Assembly hereby finds the following:

(1) Lupus is a serious, complex, and debilitating autoimmune disease that can cause inflammation and tissue damage to virtually any organ system in the body, including the skin, joints, other connective tissue, blood and blood vessels, heart, lungs, kidneys, and brain.

(2) The Lupus Foundation of America, Inc., estimates that approximately 1.5 to 2 million Americans live with lupus.

(3) According to the Centers for Disease Control and Prevention, the rate of lupus mortality has increased since the late 1970s.

(4) The pain and fatigue associated with lupus can threaten the ability to live independently, maintain employment, and lead a normal life. One in five individuals with lupus is disabled by the disease, and consequently receives support from government programs, including Medicare, Medicaid, Social Security Disability, and Social Security Supplemental Income.

(5) The estimated average annual cost of medical treatment for an individual with lupus is between \$10,000 and \$30,000; for individuals who have the most serious form of lupus, medical costs can greatly exceed this amount, causing a significant economic, emotional, and social burden to the entire family and society.

(6) More than half of individuals with lupus suffer four or more years and visit three or more physicians before obtaining a diagnosis of lupus; early diagnosis of and treatment for lupus can prevent or reduce serious organ damage, disability, and death.

(7) Despite the magnitude of lupus and its impact on individuals and families, health professional and public understanding of lupus remains low; only one in five Americans can provide basic information about lupus, and awareness of lupus is lowest among adults 18 to 34 years of age - the age group most likely to develop lupus.

(8) Lupus is a significant national health issue that deserves a

comprehensive and coordinated response by state and federal governments with involvement of the health care provider, patient, and public health communities.

(B) The purpose of sections 3701.77 to 3701.775 of the Revised Code, as enacted by this act, is to create a multi-pronged, statewide program to promote public and health professional awareness and increase knowledge concerning the causes and consequences of lupus, the importance of early diagnosis and appropriate management, and effective treatment and management strategies by all of the following:

(1) Conducting educational and training programs for health professionals on lupus diagnosis and management;

(2) Developing and disseminating educational materials and information to patients and health professionals on lupus research results and health care services available;

(3) Designing and implementing a statewide public education campaign aimed at heightening public awareness of lupus;

(4) Leveraging educational and training resources and services previously developed by organizations with appropriate expertise and knowledge of lupus.

One year after the effective date of this act, the Director of the Department of Rehabilitation and Correction, after consultation with the State Highway Patrol, the Department of Public Safety, the Fraternal Order of Police of Ohio, and the Buckeye State Sheriff's Association, shall submit a written report to the Governor, the President of the Senate, the Speaker of the House of Representatives, the minority leader of the Senate, and the minority leader of the House of Representatives on the effectiveness of the State Highway Patrol's authority to enforce the criminal laws in the Lake Erie Correctional Institution pursuant to section 5503.03 of the Revised Code, as amended by this act.

SECTION 757.10. A board of township trustees or the legislative authority of a municipal corporation to which section 5705.19 or 5705.252 of the Revised Code applies, as enacted or amended by this act, may adopt the resolution proposing the levy of the tax or the combined questions authorized by those enactments or amendments and certify a copy of the resolution to the proper county board of elections as otherwise prescribed by law after this act becomes law and before the effective date of those enactments or amendments, requesting that the board of elections submit the proposal to the electors at the general election occurring on November 6,

2012. The board of elections, upon receiving a properly certified copy of such a resolution not later than four p.m. on August 8, 2012, shall submit the proposal to electors at that election as otherwise provided under section 5705.25 or 5705.252 of the Revised Code, and such actions of the board of township trustees, municipal legislative authority, and board of elections are hereby ratified.

SECTION 757.20. As used in this section, "qualified property" means real property that either:

(A) Satisfies the qualifications for tax exemption under the terms of section 5709.07 of the Revised Code and is owned by a church as defined in that section;

(B) Satisfies the qualifications for tax exemption under the terms of section 5709.08 of the Revised Code and is owned by a township that acquired the property from a county.

Notwithstanding section 5713.081 of the Revised Code, when qualified property has not received tax exemption due to a failure to comply with Chapter 5713. or section 5715.27 of the Revised Code, the current owner of the property, or the prior owner of the property requesting exemption from prior taxes, at any time on or before twelve months after the effective date of this section, may file with the Tax Commissioner an application requesting that the property be placed on the tax-exempt list and that all unpaid taxes, penalties, and interest on the property be abated.

The application shall be made on the form prescribed by the Tax Commissioner under section 5715.27 of the Revised Code and shall list the name of the county in which the property is located; the property's legal description; its taxable value; the amount in dollars of the unpaid taxes, penalties, and interest; the date of acquisition of title to the property; the use of the property during any time that the unpaid taxes accrued; and any other information required by the Tax Commissioner. The county auditor shall supply the required information upon request of the applicant.

Upon request of the applicant, the county treasurer shall determine if all taxes, penalties, and interest that became a lien on the qualified property before it first was used for an exempt purpose and all special assessments charged against the property have been paid in full. If so, the county treasurer shall issue a certificate to the applicant stating that all such taxes, penalties, interest, and assessments have been paid in full. Prior to filing the application with the Tax Commissioner, the applicant shall attach the county treasurer's certificate to it. The Tax Commissioner shall not consider an application filed under this section unless such a certificate is attached to it.

Upon receipt of the application and after consideration of it, the Tax Commissioner shall determine if the applicant meets the qualifications set forth in this section, and if so shall issue an order directing that the property be placed on the tax-exempt list of the county and that all unpaid taxes, penalties, and interest for every year the property met the qualifications for exemption described in section 5709.07 or 5709.08 of the Revised Code be abated. If the Tax Commissioner finds that the property is not now being so used or is being used for a purpose that would foreclose its right to tax exemption, the Tax Commissioner shall issue an order denying the application.

If the Tax Commissioner finds that the property is not entitled to tax exemption and to the abatement of unpaid taxes, penalties, and interest for any of the years for which the current or prior owner claims an exemption or abatement, the Tax Commissioner shall order the county treasurer of the county in which the property is located to collect all taxes, penalties, and interest due on the property for those years in accordance with law.

The Tax Commissioner may apply this section to any qualified property that is the subject of an application for exemption pending before the Tax Commissioner on the effective date of this section, without requiring the property owner to file an additional application. The Tax Commissioner also may apply this section to any qualified property that is the subject of an application for exemption filed on or after the effective date of this section and on or before twelve months after that effective date, even though the application does not expressly request abatement of unpaid taxes, penalties, and interest.

SECTION 757.51. The amendment by this act of section 5713.03 of the Revised Code applies to the first tax year, after tax year 2012, to which division (A) or (B) of section 5715.24 of the Revised Code applies in the county.
