## Synopsis of House Committee Amendments\*

Michelle McGreevy

### **Am. S.B. 22**

129th General Assembly  
(H. Agriculture and Natural Resources)

Specifies that the provisions of the bill apply to publicly owned sewerage systems instead of all sewerage systems.

Modifies the provision that requires the Director to consider allowing adequate time and flexibility for implementation of the schedule specified in a long-term control plan by adding that the Director must consider allowing adequate time and flexibility when justified by a clear environmental benefit.

States that the Director must consider the factors specified by the bill to the extent allowable under regulations adopted under the Federal Water Pollution Control Act in addition to the act itself as in the bill as passed by the Senate.

\* This synopsis does not address amendments that may have been adopted on the House Floor.
