public defender determines, in good faith, that the defendant in 4559
the civil action or proceeding did not act manifestly outside the 4560

with malicious purpose, in bad faith, or in a wanton or reckless 4562
manner. If the state public defender elects not to contract 4563
pursuant to this division for private legal counsel in a civil 4564
action or proceeding, then, in accordance with sections 109.02, 4565
109.07, 109.361 to 109.366, and 120.03 of the Revised Code, the 4566

(2)(a) Subject to division (E)(2)(b) of this section, payment 4573
from the state treasury for the services of private legal counsel 4574

with whom the state public defender has contracted pursuant to 4575
division (E)(1) of this section shall be accomplished only through 4576
the following procedure: 4577

(i) The private legal counsel shall file with the attorney 4578

fees, court costs, and expenses earned or incurred in connection 4580
with the defense of the Ohio public defender commission, the state 4581
public defender, an assistant state public defender, an employee, 4582
or an attorney in a specified civil action or proceeding; a 4583
written itemization of those fees, costs, and expenses, including 4584
the signature of the state public defender and the state public 4585
defender's attestation that the fees, costs, and expenses were 4586
earned or incurred pursuant to division (E)(1) of this section to 4587
the best of the state public defender's knowledge and information; 4588
a written statement whether the fees, costs, and expenses are for 4589
all legal services to be rendered in connection with that defense, 4590
are only for legal services rendered to the date of the request 4591
and additional legal services likely will have to be provided in 4592
connection with that defense, or are for the final legal services 4593
rendered in connection with that defense; a written statement 4594
indicating whether the private legal counsel previously submitted 4595
a request for an award under division (E)(2) of this section in 4596
connection with that defense and, if so, the date and the amount 4597
of each award granted; and, if the fees, costs, and expenses are 4598
for all legal services to be rendered in connection with that 4599
defense or are for the final legal services rendered in connection 4600
with that defense, a certified copy of any judgment entry in the 4601
civil action or proceeding or a signed copy of any settlement 4602
agreement entered into between the parties to the civil action or 4603
proceeding. 4604

(ii) Upon receipt of a request for an award of legal fees, 4605
court costs, and expenses and the requisite supportive 4606

documentation described in division (E)(2)(a)(i) of this section, 4607
the attorney general shall review the request and documentation; 4608
determine whether any of the limitations specified in division 4609
(E)(2)(b) of this section apply to the request; and, if an award 4610
of legal fees, court costs, or expenses is permissible after 4611
applying the limitations, prepare a document awarding legal fees, 4612
court costs, or expenses to the private legal counsel. The 4613
document shall name the private legal counsel as the recipient of 4614
the award; specify the total amount of the award as determined by 4615
the attorney general; itemize the portions of the award that 4616
represent legal fees, court costs, and expenses; specify any 4617
limitation applied pursuant to division (E)(2)(b) of this section 4618
to reduce the amount of the award sought by the private legal 4619
counsel; state that the award is payable from the state treasury 4620
pursuant to division (E)(2)(a)(iii) of this section; and be 4621
approved by the inclusion of the signatures of the attorney 4622
general, the state public defender, and the private legal counsel. 4623

(iii) The attorney general shall forward a copy of the 4624
document prepared pursuant to division (E)(2)(a)(ii) of this 4625
section to the director of budget and management. The award of 4626
legal fees, court costs, or expenses shall be paid out of the 4627
state public defender's appropriations, to the extent there is a 4628
sufficient available balance in those appropriations. If the state 4629
public defender does not have a sufficient available balance in 4630
the state public defender's appropriations to pay the entire award 4631
of legal fees, court costs, or expenses, the director shall make 4632
application for a transfer of appropriations out of the emergency 4633
purposes account or any other appropriation for emergencies or 4634
contingencies in an amount equal to the portion of the award that 4635
exceeds the sufficient available balance in the state public 4636
defender's appropriations. A transfer of appropriations out of the 4637
emergency purposes account or any other appropriation for 4638
emergencies or contingencies shall be authorized if there are 4639

sufficient moneys greater than the sum total of then pending 4640
emergency purposes account requests, or requests for releases from 4641
the other appropriation. If a transfer of appropriations out of 4642
the emergency purposes account or other appropriation for 4643
emergencies or contingencies is made to pay an amount equal to the 4644
portion of the award that exceeds the sufficient available balance 4645
in the state public defender's appropriations, the director shall 4646
cause the payment to be made to the private legal counsel. If 4647
sufficient moneys do not exist in the emergency purposes account 4648
or other appropriation for emergencies or contingencies to pay an 4649
amount equal to the portion of the award that exceeds the 4650
sufficient available balance in the state public defender's 4651
appropriations, the private legal counsel shall request the 4652
general assembly to make an appropriation sufficient to pay an 4653
amount equal to the portion of the award that exceeds the 4654
sufficient available balance in the state public defender's 4655
appropriations, and no payment in that amount shall be made until 4656
the appropriation has been made. The private legal counsel shall 4657
make the request during the current biennium and during each 4658
succeeding biennium until a sufficient appropriation is made. 4659

(b) An award of legal fees, court costs, and expenses 4660
pursuant to division (E) of this section is subject to the 4661
following limitations: 4662

defender commission, the state public defender, an assistant state 4666
public defender, an employee, or an attorney in a specified civil 4667
action or proceeding shall not exceed fifty thousand dollars. 4668

(ii) The private legal counsel shall not be awarded legal 4669

(iii) The private legal counsel shall be awarded legal fees 4673

legal counsel in connection with the defense of the Ohio public 4676
defender commission, the state public defender, an assistant state 4677
public defender, an employee, or an attorney in a specified civil 4678
action or proceeding. 4679

(c) If, pursuant to division (E)(2)(a) of this section, the 4680
attorney general denies a request for an award of legal fees, 4681
court costs, or expenses to private legal counsel because of the 4682
application of a limitation specified in division (E)(2)(b) of 4683
this section, the attorney general shall notify the private legal 4684
counsel in writing of the denial and of the limitation applied. 4685

private legal counsel receives a denial of an award notification 4687
or if a private legal counsel refuses to approve a document under 4688
division (E)(2)(a)(ii) of this section because of the proposed 4689
application of a limitation specified in division (E)(2)(b) of 4690
this section, the private legal counsel may commence a civil 4691
action against the attorney general in the court of claims to 4692
prove the private legal counsel's entitlement to the award sought, 4693
to prove that division (E)(2)(b) of this section does not prohibit 4694
or otherwise limit the award sought, and to recover a judgment for 4695
the amount of the award sought. A civil action under division 4696
(E)(2)(d) of this section shall be commenced no later than two 4697
years after receipt of a denial of award notification or, if the 4698
private legal counsel refused to approve a document under division 4699
(E)(2)(a)(ii) of this section because of the proposed application 4700
of a limitation specified in division (E)(2)(b) of this section, 4701
no later than two years after the refusal. Any judgment of the 4702
court of claims in favor of the private legal counsel shall be 4703

paid from the state treasury in accordance with division (E)(2)(a) 4704
of this section. 4705

(F) If a court appoints the office of the state public 4706
defender to represent a petitioner in a postconviction relief 4707
proceeding under section 2953.21 of the Revised Code, the 4708
petitioner has received a sentence of death, and the proceeding 4709
relates to that sentence, all of the attorneys who represent the 4710
petitioner in the proceeding pursuant to the appointment, whether 4711

No member of a public body shall use division (G)(2) of this section as a subterfuge for providing covert information to prospective buyers or sellers. A purchase or sale of public property is void if the seller or buyer of the public property has received covert information from a member of a public body that has not been disclosed to the general

public in sufficient time for other prospective buyers and sellers 5001

Revised Code, to consider trade secrets, as defined in section 5028
1333.61 of the Revised Code. 5029

If a public body holds an executive session to consider any 5030
of the matters listed in divisions (G)(2) to (7) of this section, 5031

the motion and vote to hold that executive session shall state 5032
which one or more of the approved matters listed in those 5033
divisions are to be considered at the executive session. 5034

A public body specified in division (B)(1)(c) of this section 5035
shall not hold an executive session when meeting for the purposes 5036
specified in that division. 5037

(H) A resolution, rule, or formal action of any kind is 5038
invalid unless adopted in an open meeting of the public body. A 5039
resolution, rule, or formal action adopted in an open meeting that 5040
results from deliberations in a meeting not open to the public is 5041
invalid unless the deliberations were for a purpose specifically 5042
authorized in division (G) or (J) of this section and conducted at 5043
an executive session held in compliance with this section. A 5044
resolution, rule, or formal action adopted in an open meeting is 5045
invalid if the public body that adopted the resolution, rule, or 5046
formal action violated division (F) of this section. 5047

(I)(1) Any person may bring an action to enforce this 5048
section. An action under division (I)(1) of this section shall be 5049
brought within two years after the date of the alleged violation 5050
or threatened violation. Upon proof of a violation or threatened 5051
violation of this section in an action brought by any person, the 5052
court of common pleas shall issue an injunction to compel the 5053
members of the public body to comply with its provisions. 5054

(2)(a) If the court of common pleas issues an injunction 5055
pursuant to division (I)(1) of this section, the court shall order 5056
the public body that it enjoins to pay a civil forfeiture of five 5057
hundred dollars to the party that sought the injunction and shall 5058
award to that party all court costs and, subject to reduction as 5059
described in division (I)(2) of this section, reasonable 5060
attorney's fees. The court, in its discretion, may reduce an award 5061
of attorney's fees to the party that sought the injunction or not 5062
award attorney's fees to that party if the court determines both 5063

of the following: 5064

(i) That, based on the ordinary application of statutory law 5065
and case law as it existed at the time of violation or threatened 5066
violation that was the basis of the injunction, a well-informed 5067
public body reasonably would believe that the public body was not 5068
violating or threatening to violate this section; 5069

(ii) That a well-informed public body reasonably would 5070
believe that the conduct or threatened conduct that was the basis 5071
of the injunction would serve the public policy that underlies the 5072
authority that is asserted as permitting that conduct or 5073
threatened conduct. 5074

(b) If the court of common pleas does not issue an injunction 5075
pursuant to division (I)(1) of this section and the court 5076
determines at that time that the bringing of the action was 5077
frivolous conduct, as defined in division (A) of section 2323.51 5078
of the Revised Code, the court shall award to the public body all 5079
court costs and reasonable attorney's fees, as determined by the 5080
court. 5081

(3) Irreparable harm and prejudice to the party that sought 5082
the injunction shall be conclusively and irrebuttably presumed 5083
upon proof of a violation or threatened violation of this section. 5084

(4) A member of a public body who knowingly violates an 5085
injunction issued pursuant to division (I)(1) of this section may 5086
be removed from office by an action brought in the court of common 5087
pleas for that purpose by the prosecuting attorney or the attorney 5088
general. 5089

and shall not exclude representatives selected by the applicant, 5104

occupation of the applicant, whether the assistance was granted or 5113
denied, the amount of the assistance if assistance is granted, and 5114
the votes for and against the granting of assistance. 5115

to the council's functions. 5395

The administrative agent of a county council shall send 5396
notice of a member's absence if a member listed in division (B)(1) 5397
of this section has been absent from either three consecutive 5398
meetings of the county council or a county council subcommittee, 5399
or from one-quarter of such meetings in a calendar year, whichever 5400

is less. The notice shall be sent to the board of county 5401
commissioners that establishes the county council and, for the 5402
members listed in divisions (B)(1)(b), (c), (e), and (l) of this 5403
section, to the governing board overseeing the respective entity; 5404
for the member listed in division (B)(1)(f) of this section, to 5405
the county board of developmental disabilities that employs the 5406
superintendent; for a member listed in division (B)(1)(g) or (h) 5407
of this section, to the school board that employs the 5408
superintendent; for the member listed in division (B)(1)(i) of 5409
this section, to the mayor of the municipal corporation; for the 5410
member listed in division (B)(1)(k) of this section, to the 5411
director of youth services; and for the member listed in division 5412
(B)(1)(n) of this section, to that member's board of trustees. 5413

The administrative agent for a county council may do any of 5414
the following on behalf of the council: 5415

(i) Enter into agreements or administer contracts with public 5416
or private entities to fulfill specific council business. Such 5417
agreements and contracts are exempt from the competitive bidding 5418
requirements of section 307.86 of the Revised Code if they have 5419
been approved by the county council and they are for the purchase 5420
of family and child welfare or child protection services or other 5421
social or job and family services for families and children. The 5422
approval of the county council is not required to exempt 5423
agreements or contracts entered into under section 5139.34, 5424
5139.41, or 5139.43 of the Revised Code from the competitive 5425
bidding requirements of section 307.86 of the Revised Code. 5426

(ii) As determined by the council, provide financial 5427
stipends, reimbursements, or both, to family representatives for 5428
expenses related to council activity; 5429

(iii) Receive by gift, grant, devise, or bequest any moneys, 5430
lands, or other property for the purposes for which the council is 5431
established. The agent shall hold, apply, and dispose of the 5432

moneys, lands, or other property according to the terms of the 5433
gift, grant, devise, or bequest. Any interest or earnings shall be 5434
treated in the same manner and are subject to the same terms as 5435
the gift, grant, devise, or bequest from which it accrues. 5436

(b)(i) If the county council designates the board of county 5437
commissioners as its administrative agent, the board may, by 5438
resolution, delegate any of its powers and duties as 5439
administrative agent to an executive committee the board 5440
establishes from the membership of the county council. The board 5441
shall name to the executive committee at least the individuals 5442
described in divisions (B)(1)(b) to (h) of this section and may 5443
appoint the president of the board or another individual as the 5444
chair of the executive committee. The executive committee must 5445
include at least one family county council representative who does 5446
not have a family member employed by an agency represented on the 5447
council. 5448

(ii) The executive committee may, with the approval of the 5449
board, hire an executive director to assist the county council in 5450
administering its powers and duties. The executive director shall 5451
serve in the unclassified civil service at the pleasure of the 5452
executive committee. The executive director may, with the approval 5453
of the executive committee, hire other employees as necessary to 5454
properly conduct the county council's business. 5455

(iii) The board may require the executive committee to submit 5456
an annual budget to the board for approval and may amend or repeal 5457
the resolution that delegated to the executive committee its 5458
authority as the county council's administrative agent. 5459

(6) Two or more county councils may enter into an agreement 5460
to administer their county councils jointly by creating a regional 5461
family and children first council. A regional council possesses 5462
the same duties and authority possessed by a county council, 5463
except that the duties and authority apply regionally rather than 5464

to individual counties. Prior to entering into an agreement to 5465
create a regional council, the members of each county council to 5466
be part of the regional council shall meet to determine whether 5467
all or part of the members of each county council will serve as 5468
members of the regional council. 5469

(7) A board of county commissioners may approve a resolution 5470
by a majority vote of the board's members that requires the county 5471
council to submit a statement to the board each time the council 5472
proposes to enter into an agreement, adopt a plan, or make a 5473
decision, other than a decision pursuant to section 121.38 of the 5474
Revised Code, that requires the expenditure of funds for two or 5475
more families. The statement shall describe the proposed 5476
agreement, plan, or decision. 5477

Not later than fifteen days after the board receives the 5478
statement, it shall, by resolution approved by a majority of its 5479
members, approve or disapprove the agreement, plan, or decision. 5480
Failure of the board to pass a resolution during that time period 5481
shall be considered approval of the agreement, plan, or decision. 5482

An agreement, plan, or decision for which a statement is 5483
required to be submitted to the board shall be implemented only if 5484
it is approved by the board. 5485

(C) Each county shall develop a county service coordination 5486
mechanism. The county service coordination mechanism shall serve 5487
as the guiding document for coordination of services in the 5488
county. For children who also receive services under the help me 5489
grow program, the service coordination mechanism shall be 5490
consistent with rules adopted by the department of health under 5491
section 3701.61 of the Revised Code. All family service 5492
coordination plans shall be developed in accordance with the 5493
county service coordination mechanism. The mechanism shall be 5494
developed and approved with the participation of the county 5495
entities representing child welfare; mental retardation and 5496

developmental disabilities; alcohol, drug addiction, and mental 5497
health services; health; juvenile judges; education; the county 5498
family and children first council; and the county early 5499
intervention collaborative established pursuant to the federal 5500
early intervention program operated under the "Individuals with 5501
Disabilities Education Act of 2004." The county shall establish an 5502
implementation schedule for the mechanism. The cabinet council may 5503
monitor the implementation and administration of each county's 5504
service coordination mechanism. 5505

Each mechanism shall include all of the following: 5506

(1) A procedure for an agency, including a juvenile court, or 5507
a family voluntarily seeking service coordination, to refer the 5508
child and family to the county council for service coordination in 5509
accordance with the mechanism; 5510

(2) A procedure ensuring that a family and all appropriate 5511
staff from involved agencies, including a representative from the 5512
appropriate school district, are notified of and invited to 5513
participate in all family service coordination plan meetings; 5514

(3) A procedure that permits a family to initiate a meeting 5515
to develop or review the family's service coordination plan and 5516
allows the family to invite a family advocate, mentor, or support 5517
person of the family's choice to participate in any such meeting; 5518

(4) A procedure for ensuring that a family service 5519
coordination plan meeting is conducted for each child who receives 5520
service coordination under the mechanism and for whom an emergency 5521
out-of-home placement has been made or for whom a nonemergency 5522
out-of-home placement is being considered. The meeting shall be 5523
conducted within ten days of an emergency out-of-home placement. 5524
The meeting shall be conducted before a nonemergency out-of-home 5525
placement. The family service coordination plan shall outline how 5526
the county council members will jointly pay for services, where 5527

applicable, and provide services in the least restrictive 5528
environment. 5529

(5) A procedure for monitoring the progress and tracking the 5530
outcomes of each service coordination plan requested in the county 5531
including monitoring and tracking children in out-of-home 5532
placements to assure continued progress, appropriateness of 5533
placement, and continuity of care after discharge from placement 5534
with appropriate arrangements for housing, treatment, and 5535
education; 5536

(6) A procedure for protecting the confidentiality of all 5537
personal family information disclosed during service coordination 5538
meetings or contained in the comprehensive family service 5539
coordination plan. 5540

(7) A procedure for assessing the needs and strengths of any 5541
child or family that has been referred to the council for service 5542
coordination, including a child whose parent or custodian is 5543
voluntarily seeking services, and for ensuring that parents and 5544
custodians are afforded the opportunity to participate; 5545

(8) A procedure for development of a family service 5546
coordination plan described in division (D) of this section; 5547

(9) A local dispute resolution process to serve as the 5548
process that must be used first to resolve disputes among the 5549
agencies represented on the county council concerning the 5550
provision of services to children, including children who are 5551
abused, neglected, dependent, unruly, alleged unruly, or 5552
delinquent children and under the jurisdiction of the juvenile 5553
court and children whose parents or custodians are voluntarily 5554
seeking services. The local dispute resolution process shall 5555
comply with sections 121.38, 121.381, and 121.382 of the Revised 5556
Code. The local dispute resolution process shall be used to 5557
resolve disputes between a child's parents or custodians and the 5558

county council regarding service coordination. The county council 5559
shall inform the parents or custodians of their right to use the 5560
dispute resolution process. Parents or custodians shall use 5561
existing local agency grievance procedures to address disputes not 5562
involving service coordination. The dispute resolution process is 5563
in addition to and does not replace other rights or procedures 5564
that parents or custodians may have under other sections of the 5565
Revised Code. 5566

The cabinet council shall adopt rules in accordance with 5567
Chapter 119. of the Revised Code establishing an administrative 5568
review process to address problems that arise concerning the 5569
operation of a local dispute resolution process. 5570

Nothing in division (C)(4) of this section shall be 5571
interpreted as overriding or affecting decisions of a juvenile 5572
court regarding an out-of-home placement, long-term placement, or 5573
emergency out-of-home placement. 5574

(D) Each county shall develop a family service coordination 5575
plan that does all of the following: 5576

(1) Designates service responsibilities among the various 5577
state and local agencies that provide services to children and 5578
their families, including children who are abused, neglected, 5579

the recommendation of the council for funding the office. 5665

(C) The office established pursuant to the agreement entered 5666
into under this section shall review rules governing the 5667
certification and licensure of substitute care providers and 5668
determine which of the rules can be made substantively identical 5669

under section 5747.06 of the Revised Code by the taxpayer during 5794
the taxable year, or during the calendar year that includes the 5795
tax period, from the compensation of each employee or each 5796
home-based employee employed in the project to the extent the 5797
employee's withholdings are not used to determine the credit under 5798
section 122.171 of the Revised Code. "Income tax revenue" excludes 5799
amounts withheld before the day the taxpayer becomes eligible for 5800
the credit. 5801

(2) "Baseline income tax revenue" means income tax revenue 5802
except that the applicable withholding period is the twelve months 5803
immediately preceding the date the tax credit authority approves 5804
the taxpayer's application or the date the tax credit authority 5805
receives the recommendation described in division (C)(2)(a) of 5806
this section, whichever occurs first, multiplied by the sum of one 5807
plus an annual pay increase factor to be determined by the tax 5808
credit authority. If the taxpayer becomes eligible for the credit 5809
after the first day of the taxpayer's taxable year or after the 5810
first day of the calendar year that includes the tax period, the 5811
taxpayer's baseline income tax revenue for the first such taxable 5812
or calendar year of credit eligibility shall be reduced in 5813
proportion to the number of days during the taxable or calendar 5814
year for which the taxpayer was not eligible for the credit. For 5815
subsequent taxable or calendar years, "baseline income tax 5816
revenue" equals the unreduced baseline income tax revenue for the 5817
preceding taxable or calendar year multiplied by the sum of one 5818
plus the pay increase factor. 5819

(3) "Excess income tax revenue" means income tax revenue 5820
minus baseline income tax revenue. 5821

(4) "Home-based employee" means an employee whose services 5822

minimum wage under 29 U.S.C. 206. 5826

(B) The tax credit authority may make grants under this 5827
section to foster job creation in this state. Such a grant shall 5828
take the form of a refundable credit allowed against the tax 5829
imposed by section 5725.18, 5726.02, 5729.03, 5733.06, or 5747.02 5830
or levied under Chapter 5751. of the Revised Code. The credit 5831

the taxpayer's agreement with the tax credit authority under 5833

division (D) of this section. With respect to taxes imposed under 5834
section 5726.02, 5733.06, or 5747.02 or Chapter 5751. of the 5835
Revised Code, the credit shall be claimed in the order required 5836
under section 5726.98, 5733.98, 5747.98, or 5751.98 of the Revised 5837
Code. The amount of the credit available for a taxable year or for 5838
a calendar year that includes a tax period equals the excess 5839
income tax revenue for that year multiplied by the percentage 5840
specified in the agreement with the tax credit authority. Any 5841
credit granted under this section against the tax imposed by 5842
section 5733.06 or 5747.02 of the Revised Code, to the extent not 5843
fully utilized against such tax for taxable years ending prior to 5844
2008, shall automatically be converted without any action taken by 5845
the tax credit authority to a credit against the tax levied under 5846
Chapter 5751. of the Revised Code for tax periods beginning on or 5847
after July 1, 2008, provided that the person to whom the credit 5848
was granted is subject to such tax. The converted credit shall 5849
apply to those calendar years in which the remaining taxable years 5850
specified in the agreement end. 5851

(C)(1) A taxpayer or potential taxpayer who proposes a 5852
project to create new jobs in this state may apply to the tax 5853
credit authority to enter into an agreement for a tax credit under 5854
this section. 5855

An application shall not propose to include both home-based 5856
employees and employees who are not home-based employees in the 5857
computation of income tax revenue for the purposes of the same tax 5858
credit agreement. If a taxpayer or potential taxpayer employs both 5859
home-based employees and employees who are not home-based 5860
employees in a project, the taxpayer shall submit separate 5861
applications for separate tax credit agreements for the project, 5862
one of which shall include home-based employees in the computation 5863
of income tax revenue and one of which shall include all other 5864
employees in the computation of income tax revenue. 5865

The director of development services shall prescribe the form 5866
of the application. After receipt of an application, the authority 5867
may enter into an agreement with the taxpayer for a credit under 5868
this section if it determines all of the following: 5869

(a) The taxpayer's project will increase payroll and income 5870
tax revenue; 5871

(b) The taxpayer's project is economically sound and will 5872
benefit the people of this state by increasing opportunities for 5873
employment and strengthening the economy of this state; 5874

(c) Receiving the tax credit is a major factor in the 5875
taxpayer's decision to go forward with the project. 5876

(2)(a) A taxpayer that chooses to begin the project prior to 5877
receiving the determination of the authority may, upon submitting 5878
the taxpayer's application to the authority, request that the 5879
chief investment officer of the nonprofit corporation formed under 5880
section 187.01 of the Revised Code and the director review the 5881
taxpayer's application and recommend to the authority that the 5882
taxpayer's application be considered. As soon as possible after 5883
receiving such a request, the chief investment officer and the 5884
director shall review the taxpayer's application and, if they 5885
determine that the application warrants consideration by the 5886
authority, make that recommendation to the authority not later 5887
than six months after the application is received by the 5888
authority. 5889

(b) The authority shall consider any taxpayer's application 5890
for which it receives a recommendation under division (C)(2)(a) of 5891
this section. If the authority determines that the taxpayer does 5892
not meet all of the criteria set forth in division (C)(1) of this 5893
section, the authority and the development services agency shall 5894
proceed in accordance with rules adopted by the director pursuant 5895
to division (I) of this section. 5896

(D) An agreement under this section shall include all of the 5897
following: 5898

(1) A detailed description of the project that is the subject 5899
of the agreement; 5900

(2)(a) The term of the tax credit, which, except as provided 5901
in division (D)(2)(b) of this section, shall not exceed fifteen 5902
years, and the first taxable year, or first calendar year that 5903
includes a tax period, for which the credit may be claimed; 5904

(b) If the tax credit is computed on the basis of home-based 5905
employees, the term of the credit shall expire on or before the 5906
last day of the taxable or calendar year ending before the 5907
beginning of the seventh year after September 6, 2012, the 5908
effective date of H.B. 327 of the 129th general assembly~~+~~. 5909

(3) A requirement that the taxpayer shall maintain operations 5910
at the project location for at least the greater of seven years or 5911
the term of the credit plus three years; 5912

(4) The percentage, as determined by the tax credit 5913
authority, of excess income tax revenue that will be allowed as 5914
the amount of the credit for each taxable year or for each 5915
calendar year that includes a tax period; 5916

(5) The pay increase factor to be applied to the taxpayer's 5917
baseline income tax revenue; 5918

(6) A requirement that the taxpayer annually shall report to 5919
the director of development services employment, tax withholding, 5920
investment, the provision of health care benefits and tuition 5921
reimbursement if required in the agreement, and other information 5922
the director needs to perform the director's duties under this 5923
section; 5924

(7) A requirement that the director of development services 5925
annually review the information reported under division (D)(6) of 5926

this section and verify compliance with the agreement; if the taxpayer is in compliance, a requirement that the director issue a certificate to the taxpayer stating that the information has been verified and identifying the amount of the credit that may be claimed for the taxable or calendar year;

(8) A provision providing that the taxpayer may not relocate a substantial number of employment positions from elsewhere in this state to the project location unless the director of development services determines that the legislative authority of the county, township, or municipal corporation from which the employment positions would be relocated has been notified by the taxpayer of the relocation.

For purposes of this section, the movement of an employment position from one political subdivision to another political subdivision shall be considered a relocation of an employment position unless the employment position in the first political subdivision is replaced.

(9) If the tax credit is computed on the basis of home-based employees, that the tax credit may not be claimed by the taxpayer until the taxable year or tax period in which the taxpayer employs at least two hundred employees more than the number of employees the taxpayer employed on June 30, 2011.

(E) If a taxpayer fails to meet or comply with any condition or requirement set forth in a tax credit agreement, the tax credit authority may amend the agreement to reduce the percentage or term of the tax credit. The reduction of the percentage or term may take effect in the current taxable or calendar year.

(F) Projects that consist solely of point-of-final-purchase retail facilities are not eligible for a tax credit under this section. If a project consists of both point-of-final-purchase retail facilities and nonretail facilities, only the portion of

the project consisting of the nonretail facilities is eligible for 5958
a tax credit and only the excess income tax revenue from the 5959
nonretail facilities shall be considered when computing the amount 5960
of the tax credit. If a warehouse facility is part of a 5961
point-of-final-purchase retail facility and supplies only that 5962
facility, the warehouse facility is not eligible for a tax credit. 5963
Catalog distribution centers are not considered 5964
point-of-final-purchase retail facilities for the purposes of this 5965
division, and are eligible for tax credits under this section. 5966

(G) Financial statements and other information submitted to 5967
the development services agency or the tax credit authority by an 5968
applicant or recipient of a tax credit under this section, and any 5969
information taken for any purpose from such statements or 5970
information, are not public records subject to section 149.43 of 5971
the Revised Code. However, the chairperson of the authority may 5972
make use of the statements and other information for purposes of 5973
issuing public reports or in connection with court proceedings 5974
concerning tax credit agreements under this section. Upon the 5975
request of the tax commissioner or, if the applicant or recipient 5976
is an insurance company, upon the request of the superintendent of 5977
insurance, the chairperson of the authority shall provide to the 5978
commissioner or superintendent any statement or information 5979
submitted by an applicant or recipient of a tax credit in 5980
connection with the credit. The commissioner or superintendent 5981
shall preserve the confidentiality of the statement or 5982
information. 5983

(H) A taxpayer claiming a credit under this section shall 5984
submit to the tax commissioner or, if the taxpayer is an insurance 5985
company, to the superintendent of insurance, a copy of the 5986
director of development services' certificate of verification 5987
under division (D)(7) of this section with the taxpayer's tax 5988
report or return for the taxable year or for the calendar year 5989

that includes the tax period. Failure to submit a copy of the certificate with the report or return does not invalidate a claim for a credit if the taxpayer submits a copy of the certificate to the commissioner or superintendent within sixty days after the commissioner or superintendent requests it.

(I) The director of development services, after consultation with the tax commissioner and the superintendent of insurance and in accordance with Chapter 119. of the Revised Code, shall adopt rules necessary to implement this section, including rules that establish a procedure to be followed by the tax credit authority and the development services agency in the event the authority considers a taxpayer's application for which it receives a recommendation under division (C)(2)(a) of this section but does not approve it. The rules may provide for recipients of tax credits under this section to be charged fees to cover administrative costs of the tax credit program. The fees collected shall be credited to the business assistance fund created in section 122.174 of the Revised Code. At the time the director gives public notice under division (A) of section 119.03 of the Revised Code of the adoption of the rules, the director shall submit copies of the proposed rules to the chairpersons of the standing committees on economic development in the senate and the house of representatives.

(J) For the purposes of this section, a taxpayer may include a partnership, a corporation that has made an election under subchapter S of chapter one of subtitle A of the Internal Revenue Code, or any other business entity through which income flows as a distributive share to its owners. A partnership, S-corporation, or other such business entity may elect to pass the credit received under this section through to the persons to whom the income or profit of the partnership, S-corporation, or other entity is distributed. The election shall be made on the annual report

required under division (D)(6) of this section. The election 6022
applies to and is irrevocable for the credit for which the report 6023
is submitted. If the election is made, the credit shall be 6024
apportioned among those persons in the same proportions as those 6025
in which the income or profit is distributed. 6026

(K) If the director of development services determines that a 6027
taxpayer who has received a credit under this section is not 6028
complying with the requirement under division (D)(3) of this 6029
section, the director shall notify the tax credit authority of the 6030
noncompliance. After receiving such a notice, and after giving the 6031
taxpayer an opportunity to explain the noncompliance, the tax 6032
credit authority may require the taxpayer to refund to this state 6033
a portion of the credit in accordance with the following: 6034

(1) If the taxpayer maintained operations at the project 6035
location for a period less than or equal to the term of the 6036
credit, an amount not exceeding one hundred per cent of the sum of 6037
any credits allowed and received under this section; 6038

(2) If the taxpayer maintained operations at the project 6039
location for a period longer than the term of the credit, but less 6040
than the greater of seven years or the term of the credit plus 6041
three years, an amount not exceeding seventy-five per cent of the 6042
sum of any credits allowed and received under this section. 6043

In determining the portion of the tax credit to be refunded 6044
to this state, the tax credit authority shall consider the effect 6045
of market conditions on the taxpayer's project and whether the 6046
taxpayer continues to maintain other operations in this state. 6047
After making the determination, the authority shall certify the 6048
amount to be refunded to the tax commissioner or superintendent of 6049
insurance, as appropriate. If the amount is certified to the 6050
commissioner, the commissioner shall make an assessment for that 6051
amount against the taxpayer under Chapter 5726., 5733., 5747., or 6052
5751. of the Revised Code. If the amount is certified to the 6053

superintendent, the superintendent shall make an assessment for 6054
that amount against the taxpayer under Chapter 5725. or 5729. of 6055
the Revised Code. The time limitations on assessments under those 6056
chapters do not apply to an assessment under this division, but 6057
the commissioner or superintendent, as appropriate, shall make the 6058
assessment within one year after the date the authority certifies 6059
to the commissioner or superintendent the amount to be refunded. 6060

(L) On or before the first day of August each year, the 6061
director of development services shall submit a report to the 6062
governor, the president of the senate, and the speaker of the 6063
house of representatives on the tax credit program under this 6064
section. The report shall include information on the number of 6065
agreements that were entered into under this section during the 6066
preceding calendar year, a description of the project that is the 6067
subject of each such agreement, and an update on the status of 6068
projects under agreements entered into before the preceding 6069
calendar year. 6070

(M) There is hereby created the tax credit authority, which 6071
consists of the director of development services and four other 6072
members appointed as follows: the governor, the president of the 6073
senate, and the speaker of the house of representatives each shall 6074
appoint one member who shall be a specialist in economic 6075
development; the governor also shall appoint a member who is a 6076
specialist in taxation. Of the initial appointees, the members 6077
appointed by the governor shall serve a term of two years; the 6078
members appointed by the president of the senate and the speaker 6079
of the house of representatives shall serve a term of four years. 6080
Thereafter, terms of office shall be for four years. Initial 6081
appointments to the authority shall be made within thirty days 6082
after January 13, 1993. Each member shall serve on the authority 6083
until the end of the term for which the member was appointed. 6084
Vacancies shall be filled in the same manner provided for original 6085

appointments. Any member appointed to fill a vacancy occurring 6086
prior to the expiration of the term for which the member's 6087
predecessor was appointed shall hold office for the remainder of 6088
that term. Members may be reappointed to the authority. Members of 6089
the authority shall receive their necessary and actual expenses 6090
while engaged in the business of the authority. The director of 6091
development services shall serve as chairperson of the authority, 6092
and the members annually shall elect a vice-chairperson from among 6093
themselves. Three members of the authority constitute a quorum to 6094
transact and vote on the business of the authority. The majority 6095
vote of the membership of the authority is necessary to approve 6096
any such business, including the election of the vice-chairperson. 6097

The director of development services may appoint a 6098
professional employee of the development services agency to serve 6099
as the director's substitute at a meeting of the authority. The 6100
director shall make the appointment in writing. In the absence of 6101
the director from a meeting of the authority, the appointed 6102
substitute shall serve as chairperson. In the absence of both the 6103
director and the director's substitute from a meeting, the 6104
vice-chairperson shall serve as chairperson. 6105

(N) For purposes of the credits granted by this section 6106
against the taxes imposed under sections 5725.18 and 5729.03 of 6107
the Revised Code, "taxable year" means the period covered by the 6108
taxpayer's annual statement to the superintendent of insurance. 6109

the ~~six~~ five calendar years ~~following the year in which H.B. 327~~ 6111
~~of the 129th general assembly becomes effective~~ beginning with 6112

employees employed by the taxpayer in this state to the ~~department~~ 6116
~~of~~ development services agency. 6117

(P) On or before the first day of January of ~~the seventh~~ 6118
~~calendar year following the year in which H.B. 327 of the 129th~~ 6119
~~general assembly became effective~~ 2019, the director of 6120
development services shall submit a report to the governor, the 6121
president of the senate, and the speaker of the house of 6122
representatives on the effect of agreements entered into under 6123
this section in which the taxpayer included home-based employees 6124
in the computation of income tax revenue. The report shall include 6125
information on the number of such agreements that were entered 6126
into in the preceding six years, a description of the projects 6127
that were the subjects of such agreements, and an analysis of 6128
nationwide home-based employment trends, including the number of 6129
home-based jobs created from July 1, 2011, through June 30, 2017, 6130
and a description of any home-based employment tax incentives 6131
provided by other states during that time. 6132

(Q) The director of development services may require any 6133

and tuition reimbursement to all employees. 6137

tax credit authority may amend the agreement to reduce the 6288
percentage of the exemption or term during which the exemption 6289
applies to the computer data center equipment used or to be used 6290
at an eligible computer data center. The reduction of the 6291
percentage or term may take effect in the current calendar year. 6292

section 149.43 of the Revised Code. However, the chairperson of 6298
the authority may make use of the statements and other information 6299

proceedings concerning tax exemption agreements under this 6301
section. Upon the request of the tax commissioner, the chairperson 6302

of the authority shall provide to the tax commissioner any 6303
statement or other information submitted by an applicant for or 6304
recipient of an exemption under this section. The tax commissioner 6305
shall preserve the confidentiality of the statement or other 6306

(I) The tax commissioner shall issue a direct payment permit 6308
under section 5739.031 of the Revised Code to a taxpayer that 6309
enters into an agreement under this section. Such direct payment 6310
permit shall authorize the taxpayer to pay any sales and use taxes 6311
due on purchases of computer data center equipment used or to be 6312
used in an eligible computer data center and to pay any sales and 6313
use taxes due on purchases of tangible personal property or 6314
taxable services other than computer data center equipment used or 6315
to be used in an eligible computer data center directly to the tax 6316
commissioner. Each taxpayer shall pay pursuant to such direct 6317
payment permit all sales tax levied on such purchases under 6318
sections 5739.02, 5739.021, 5739.023, and 5739.026 of the Revised 6319
Code and all use tax levied on such purchases under sections 6320

consistent with the terms of the agreement entered into under this 6322
section. 6323

During the term of an agreement under this section the 6324
taxpayer shall submit to the tax commissioner a return that shows 6325
the amount of computer data center equipment purchased for use at 6326
the eligible computer data center, the amount of tangible personal 6327
property and taxable services other than computer data center 6328
equipment purchased for use at the eligible computer data center, 6329
the amount of tax under Chapter 5739. or 5741. of the Revised Code 6330

section, the exemption percentage for computer data center 6332

shall include a copy of the director of development services' 6338
certificate of verification issued under division (E)(6) of this 6339

submits a copy of the certificate to the tax commissioner within 6342
sixty days after the tax commissioner requests it. 6343

(J) If the director of development services determines that a 6344

authority may terminate the agreement and require the taxpayer to 6350
pay to the state all or a portion of the taxes that would have 6351
been owed in regards to the exempt equipment in previous years, 6352
all as determined under rules adopted pursuant to division (K) of 6353
this section. In determining the portion of the taxes that would 6354
have been owed on the previously exempted equipment to be paid to 6355
this state by the taxpayer, the authority shall consider the 6356
effect of market conditions on the taxpayer's eligible computer 6357
data center and whether the taxpayer continues to maintain other 6358
operations in this state. After making the determination, the 6359
authority shall certify to the tax commissioner the amount to be 6360
paid by the taxpayer. The tax commissioner shall make an 6361
assessment for that amount against the taxpayer under Chapter 6362
5739. or 5741. of the Revised Code. The time limitations on 6363
assessments under those chapters do not apply to an assessment 6364
under this division, but the tax commissioner shall make the 6365
assessment within one year after the date the authority certifies 6366
to the tax commissioner the amount to be paid by the taxpayer. 6367

(K) The director of development services, after consultation with the tax commissioner and in accordance with Chapter 119. of the Revised Code, shall adopt rules necessary to implement this section. project. Authorization to spend money, or an appropriation, for 7852
planning the cultural project does not constitute authorization to 7853
spend money on, or an appropriation for, construction of the 7854
cultural project. 7855~~

~~(E) No state funds, including any state bond proceeds, shall 7856
be spent on the construction of any state historical facility 7857
under this chapter unless the general assembly has specifically 7858

facility, or for rental payments relating to the financing of the 7861
construction of the state historical project. Authorization to 7862
spend money, or an appropriation, for planning the state 7863
historical project does not constitute authorization to spend 7864
money on, or an appropriation for, the construction of the state 7865
historical project. 7866~~

~~(F) for which the general assembly has made an appropriation 7867
or specifically authorized the spending of money or the making of 7868

~~(1) Specify how the proposed project will support culture, as 7873
defined in section 123.28 of the Revised Code; 7874~~

(2) Specify that the cultural organization has local contributions amounting to not less than fifty per cent of the total state funding for the cultural project; 7875
7876

7879

(4) Identify the facility to be constructed, renovated, remodeled, or improved; 7880
7881

(5) Specify that the project scope meets the intent and purpose of the project appropriation and that the project can be completed and ready for full occupancy without exceeding appropriated funds; 7882
7883
7884
7885

(6) Specify that the cultural organization shall hold the Ohio facilities construction commission harmless from all liability for the operation and maintenance costs of the facility; 7886
7887
7888

(7) Specify that the agreement or any actions taken under it are not subject to Chapters 123., 153., or 4115. of the Revised Code; and 7889

7891

(8) Provide that amendments to the agreement shall require the approval of the Ohio facilities construction commission. 7892
7893

(D) State funds shall not be used to pay or reimburse more than fifteen per cent of the initial estimated construction cost of an Ohio sports facility, excluding any site acquisition cost, and no state funds, including any state bond proceeds, shall be spent on any Ohio sports facility under this chapter unless, with respect to that facility, all of the following apply: 7894

7904

~~thousand dollars or less, the Ohio cultural facilities commission 7905
may delegate to its executive director the authority to determine 7906

construction cost of the facility, excluding any site acquisition 7914
cost, from sources other than the state. For a facility receiving 7915
a state appropriation of fifty thousand dollars or less, the Ohio 7916
cultural facilities commission may delegate to its executive 7917
director the authority to evaluate the financial and development 7918

spending of money on, or made an appropriation for, the 7922
construction of the facility, or for rental payments relating to 7923
state financing of all or a portion of the costs of constructing 7924
the facility. Authorization to spend money, or an appropriation, 7925
for planning or determining the feasibility of or need for the 7926
facility does not constitute authorization to spend money on, or 7927
an appropriation for, costs of constructing the facility. 7928~~

~~(4)(3) If state bond proceeds are being used for the Ohio 7929
sports facility, the state or a governmental agency owns or has 7930

the facility or in the portion or portions of the facility 7932
financed from proceeds of state bonds, which may include, but is 7933
not limited to, the right to use or to require the use of the 7934
facility for the presentation of sport and athletic events to the 7935
public at the facility. 7936~~

determined by the director of budget and management and certified 7951
by the executive director ~~to~~ of the Ohio ~~cultural~~ facilities 7952
construction commission and to the treasurer of state. 7953

(2) Any motorsports organization that commits to using the 7954
facility for an established period of time shall give the 7955

than six months' advance notice if the organization intends to 7957
cease utilizing the facility prior to the expiration of that 7958
established period. Such a motorsports organization shall be 7959
liable to the state for any state funds used on the construction 7960
costs of the facility. 7961

Upon the creation by the board of trustees of a civil service 8151
township civil service commission, the classified service shall 8152
also comprise, except as otherwise provided in division (A)(17) or 8153
(C) of this section, all persons in the employ of a civil service 8154

township police or fire department having ten or more full-time 8155
paid employees. The classified service consists of two classes, 8156
which shall be designated as the competitive class and the 8157
unskilled labor class. 8158

(1) The competitive class shall include all positions and 8159
employments in the state and the counties, cities, city health 8160
districts, general health districts, and city school districts of 8161
the state, and, upon the creation by the board of trustees of a 8162
civil service township of a township civil service commission, all 8163
positions in a civil service township police or fire department 8164
having ten or more full-time paid employees, for which it is 8165
practicable to determine the merit and fitness of applicants by 8166
competitive examinations. Appointments shall be made to, or 8167
employment shall be given in, all positions in the competitive 8168
class that are not filled by promotion, reinstatement, transfer, 8169
or reduction, as provided in this chapter, and the rules of the 8170
director of administrative services, by appointment from those 8171
certified to the appointing officer in accordance with this 8172
chapter. 8173

(2) The unskilled labor class shall include ordinary 8174
unskilled laborers. Vacancies in the labor class for positions in 8175
service of the state shall be filled by appointment from lists of 8176
applicants registered by the director or the director's designee. 8177
Vacancies in the labor class for all other positions shall be 8178
filled by appointment from lists of applicants registered by a 8179
commission. The director or the commission, as applicable, by 8180
rule, shall require an applicant for registration in the labor 8181
class to furnish evidence or take tests as the director or 8182
commission considers proper with respect to age, residence, 8183
physical condition, ability to labor, honesty, sobriety, industry, 8184
capacity, and experience in the work or employment for which 8185
application is made. Laborers who fulfill the requirements shall 8186

be placed on the eligible list for the kind of labor or employment 8187
sought, and preference shall be given in employment in accordance 8188
with the rating received from that evidence or in those tests. 8189
Upon the request of an appointing officer, stating the kind of 8190
labor needed, the pay and probable length of employment, and the 8191
number to be employed, the director or commission, as applicable, 8192
shall certify from the highest on the list double the number to be 8193
employed; from this number, the appointing officer shall appoint 8194
the number actually needed for the particular work. If more than 8195
one applicant receives the same rating, priority in time of 8196
application shall determine the order in which their names shall 8197
be certified for appointment. 8198

(C) A municipal or civil service township civil service 8199
commission may place volunteer firefighters who are paid on a 8200
fee-for-service basis in either the classified or the unclassified 8201
civil service. 8202

(D)(1) This division does not apply to persons in the 8203
unclassified service who have the right to resume positions in the 8204
classified service under sections 4121.121, ~~5119.071~~ 5119.18, 8205
5120.38, 5120.381, 5120.382, 5123.08, 5139.02, and 5501.19 of the 8206
Revised Code or to cities, counties, or political subdivisions of 8207
the state. 8208

(2) A person who holds a position in the classified service 8209
of the state and who is appointed to a position in the 8210
unclassified service shall retain the right to resume the position 8211
and status held by the person in the classified service 8212
immediately prior to the person's appointment to the position in 8213
the unclassified service, regardless of the number of positions 8214
the person held in the unclassified service. An employee's right 8215
to resume a position in the classified service may only be 8216
exercised when an appointing authority demotes the employee to a 8217
pay range lower than the employee's current pay range or revokes 8218

the employee's appointment to the unclassified service and: 8219

(a) That person held a certified position prior to July 1, 8220
2007, in the classified service within the appointing authority's 8221
agency; or 8222

(b) That person held a permanent position on or after July 1, 8223
2007, in the classified service within the appointing authority's 8224
agency. 8225

(3) An employee forfeits the right to resume a position in 8226
the classified service when: 8227

(a) The employee is removed from the position in the 8228
unclassified service due to incompetence, inefficiency, 8229
dishonesty, drunkenness, immoral conduct, insubordination, 8230
discourteous treatment of the public, neglect of duty, violation 8231
of this chapter or the rules of the director of administrative 8232
services, any other failure of good behavior, any other acts of 8233
misfeasance, malfeasance, or nonfeasance in office, or conviction 8234
of a felony; or 8235

(b) Upon transfer to a different agency. 8236

(4) Reinstatement to a position in the classified service 8237
shall be to a position substantially equal to that position in the 8238
classified service held previously, as certified by the director 8239
of administrative services. If the position the person previously 8240
held in the classified service has been placed in the unclassified 8241
service or is otherwise unavailable, the person shall be appointed 8242
to a position in the classified service within the appointing 8243
authority's agency that the director of administrative services 8244
certifies is comparable in compensation to the position the person 8245
previously held in the classified service. Service in the position 8246
in the unclassified service shall be counted as service in the 8247
position in the classified service held by the person immediately 8248
prior to the person's appointment to the position in the 8249

unclassified service. When a person is reinstated to a position in 8250
the classified service as provided in this division, the person is 8251
entitled to all rights, status, and benefits accruing to the 8252
position in the classified service during the person's time of 8253
service in the position in the unclassified service. 8254

Sec. 124.14. (A)(1) The director of administrative services 8255
shall establish, and may modify or rescind, ~~by rule,~~ a job 8256
classification plan for all positions, offices, and employments 8257
~~the salaries of which are paid in whole or in part by~~ in the 8258
service of the state. The director shall group jobs within a 8259
classification so that the positions are similar enough in duties 8260
and responsibilities to be described by the same title, to have 8261
the same pay assigned with equity, and to have the same 8262
qualifications for selection applied. The director shall, ~~by rule,~~ 8263
assign a classification title to each classification within the 8264
classification plan. However, the director shall consider in 8265
establishing classifications, including classifications with 8266
parenthetical titles, and assigning pay ranges such factors as 8267
duties performed only on one shift, special skills in short supply 8268
in the labor market, recruitment problems, separation rates, 8269
comparative salary rates, the amount of training required, and 8270
other conditions affecting employment. The director shall describe 8271
the duties and responsibilities of the class, establish the 8272
qualifications for being employed in each position in the class, 8273
and file with the secretary of state a copy of specifications for 8274
all of the classifications. The director shall file new, 8275
additional, or revised specifications with the secretary of state 8276
before they are used. 8277

The director shall, ~~by rule,~~ assign each classification, 8278
either on a statewide basis or in particular counties or state 8279
institutions, to a pay range established under section 124.15 or 8280
section 124.152 of the Revised Code. The director may assign a 8281

classification to a pay range on a temporary basis for a period of 8282
six months. The director may establish, ~~by rule adopted under~~ 8283
~~Chapter 119. of the Revised Code,~~ experimental classification 8284
plans for some or all employees paid directly by warrant of the 8285
director of budget and management. ~~The rule that~~ shall include 8286
specifications for each classification within the plan and shall 8287
specifically address compensation ranges, and methods for 8288
advancing within the ranges, for the classifications, which may be 8289
assigned to pay ranges other than the pay ranges established under 8290
section 124.15 or 124.152 of the Revised Code. 8291

(2) The director of administrative services may reassign to a 8292
proper classification those positions that have been assigned to 8293
an improper classification. If the compensation of an employee in 8294
such a reassigned position exceeds the maximum rate of pay for the 8295
employee's new classification, the employee shall be placed in pay 8296
step X and shall not receive an increase in compensation until the 8297
maximum rate of pay for that classification exceeds the employee's 8298
compensation. 8299

(3) The director may reassign an exempt employee, as defined 8300
in section 124.152 of the Revised Code, to a bargaining unit 8301
classification if the director determines that the bargaining unit 8302
classification is the proper classification for that employee. 8303
Notwithstanding Chapter 4117. of the Revised Code or instruments 8304
and contracts negotiated under it, these placements are at the 8305
director's discretion. 8306

(4) The director shall, ~~by rule,~~ assign related 8307
classifications, which form a career progression, to a 8308
classification series. The director shall, ~~by rule,~~ assign each 8309
classification in the classification plan a five-digit number, the 8310
first four digits of which shall denote the classification series 8311
to which the classification is assigned. When a career progression 8312
encompasses more than ten classifications, the director shall, ~~by~~ 8313

~~rule,~~ identify the additional classifications belonging to a 8314
classification series. The additional classifications shall be 8315
part of the classification series, notwithstanding the fact that 8316
the first four digits of the number assigned to the additional 8317
classifications do not correspond to the first four digits of the 8318
numbers assigned to other classifications in the classification 8319
series. 8320

(B) Division (A) of this section and sections 124.15 and 8321
124.152 of the Revised Code do not apply to the following persons, 8322
positions, offices, and employments: 8323

(1) Elected officials; 8324

(2) Legislative employees, employees of the legislative 8325
service commission, employees in the office of the governor, 8326
employees who are in the unclassified civil service and exempt 8327
from collective bargaining coverage in the office of the secretary 8328
of state, auditor of state, treasurer of state, and attorney 8329
general, and employees of the supreme court; 8330

(3) Any position for which the authority to determine 8331
compensation is given by law to another individual or entity; 8332

(4) Employees of the bureau of workers' compensation whose 8333
compensation the administrator of workers' compensation 8334
establishes under division (B) of section 4121.121 of the Revised 8335
Code. 8336

(C) The director may employ a consulting agency to aid and 8337
assist the director in carrying out this section. 8338

(D)(1) When the director proposes to modify a classification 8339
or the assignment of classes to appropriate pay ranges, the 8340
director shall send written notice ~~of the proposed rule~~ to the 8341
appointing authorities of the affected employees ~~thirty days~~ 8342
~~before a hearing on the proposed rule. The appointing authorities~~ 8343
that shall notify the affected employees regarding the ~~proposed~~ 8344

~~rule modification thirty days before the modification occurs.~~ The 8345
director also shall send those appointing authorities notice ~~of~~ 8346
~~any final rule that is adopted~~ within ten days after ~~adoption~~ the 8347
modification is finalized. 8348

(2) When the director proposes to reclassify any employee in 8349
the service of the state so that the employee is adversely 8350
affected, the director shall give to the employee affected and to 8351
the employee's appointing authority a written notice setting forth 8352
the proposed new classification, pay range, and salary. Upon the 8353
request of any classified employee in the service of the state who 8354
is not serving in a probationary period, the director shall 8355
perform a job audit to review the classification of the employee's 8356
position to determine whether the position is properly classified. 8357
The director shall give to the employee affected and to the 8358
employee's appointing authority a written notice of the director's 8359
determination whether or not to reclassify the position or to 8360
reassign the employee to another classification. An employee or 8361
appointing authority desiring a hearing shall file a written 8362
request for the hearing with the state personnel board of review 8363
within thirty days after receiving the notice. The board shall set 8364
the matter for a hearing and notify the employee and appointing 8365
authority of the time and place of the hearing. The employee, the 8366
appointing authority, or any authorized representative of the 8367
employee who wishes to submit facts for the consideration of the 8368
board shall be afforded reasonable opportunity to do so. After the 8369
hearing, the board shall consider anew the reclassification and 8370
may order the reclassification of the employee and require the 8371
director to assign the employee to such appropriate classification 8372
as the facts and evidence warrant. As provided in division (A)(1) 8373
of section 124.03 of the Revised Code, the board may determine the 8374
most appropriate classification for the position of any employee 8375
coming before the board, with or without a job audit. The board 8376
shall disallow any reclassification or reassignment classification 8377

of any employee when it finds that changes have been made in the 8378
duties and responsibilities of any particular employee for 8379
political, religious, or other unjust reasons. 8380

(E)(1) Employees of each county department of job and family 8381
services shall be paid a salary or wage established by the board 8382
of county commissioners. The provisions of section 124.18 of the 8383
Revised Code concerning the standard work week apply to employees 8384
of county departments of job and family services. A board of 8385
county commissioners may do either of the following: 8386

(a) Notwithstanding any other section of the Revised Code, 8387
supplement the sick leave, vacation leave, personal leave, and 8388
other benefits of any employee of the county department of job and 8389
family services of that county, if the employee is eligible for 8390
the supplement under a written policy providing for the 8391
supplement; 8392

(b) Notwithstanding any other section of the Revised Code, 8393
establish alternative schedules of sick leave, vacation leave, 8394
personal leave, or other benefits for employees not inconsistent 8395
with the provisions of a collective bargaining agreement covering 8396
the affected employees. 8397

(2) Division (E)(1) of this section does not apply to 8398
employees for whom the state employment relations board 8399
establishes appropriate bargaining units pursuant to section 8400
4117.06 of the Revised Code, except in either of the following 8401
situations: 8402

(a) The employees for whom the state employment relations 8403
board establishes appropriate bargaining units elect no 8404
representative in a board-conducted representation election. 8405

(b) After the state employment relations board establishes 8406
appropriate bargaining units for such employees, all employee 8407
organizations withdraw from a representation election. 8408

(F)(1) Notwithstanding any contrary provision of sections 8409
124.01 to 124.64 of the Revised Code, the board of trustees of 8410
each state university or college, as defined in section 3345.12 of 8411
the Revised Code, shall carry out all matters of governance 8412
involving the officers and employees of the university or college, 8413
including, but not limited to, the powers, duties, and functions 8414
of the department of administrative services and the director of 8415
administrative services specified in this chapter. Officers and 8416
employees of a state university or college shall have the right of 8417
appeal to the state personnel board of review as provided in this 8418
chapter. 8419

(2) Each board of trustees shall adopt rules under section 8420
111.15 of the Revised Code to carry out the matters of governance 8421
described in division (F)(1) of this section. Until the board of 8422
trustees adopts those rules, a state university or college shall 8423
continue to operate pursuant to the applicable rules adopted by 8424
the director of administrative services under this chapter. 8425

(G)(1) Each board of county commissioners may, by a 8426
resolution adopted by a majority of its members, establish a 8427
county personnel department to exercise the powers, duties, and 8428
functions specified in division (G) of this section. As used in 8429
division (G) of this section, "county personnel department" means 8430
a county personnel department established by a board of county 8431
commissioners under division (G)(1) of this section. 8432

(2)(a) Each board of county commissioners, by a resolution 8433
adopted by a majority of its members, may designate the county 8434
personnel department of the county to exercise the powers, duties, 8435
and functions specified in sections 124.01 to 124.64 and Chapter 8436
325. of the Revised Code with regard to employees in the service 8437
of the county, except for the powers and duties of the state 8438
personnel board of review, which powers and duties shall not be 8439
construed as having been modified or diminished in any manner by 8440

division (G)(2) of this section, with respect to the employees for 8441
whom the board of county commissioners is the appointing authority 8442
or co-appointing authority. 8443

(b) Nothing in division (G)(2) of this section shall be 8444
construed to limit the right of any employee who possesses the 8445
right of appeal to the state personnel board of review to continue 8446
to possess that right of appeal. 8447

(c) Any board of county commissioners that has established a 8448
county personnel department may contract with the department of 8449
administrative services, in accordance with division (H) of this 8450
section, another political subdivision, or an appropriate public 8451
or private entity to provide competitive testing services or other 8452
appropriate services. 8453

(3) After the county personnel department of a county has 8454
been established as described in division (G)(2) of this section, 8455
any elected official, board, agency, or other appointing authority 8456
of that county, upon written notification to the county personnel 8457
department, may elect to use the services and facilities of the 8458
county personnel department. Upon receipt of the notification by 8459
the county personnel department, the county personnel department 8460
shall exercise the powers, duties, and functions as described in 8461
division (G)(2) of this section with respect to the employees of 8462
that elected official, board, agency, or other appointing 8463
authority. 8464

(4) Each board of county commissioners, by a resolution 8465
adopted by a majority of its members, may disband the county 8466
personnel department. 8467

(5) Any elected official, board, agency, or appointing 8468
authority of a county may end its involvement with a county 8469
personnel department upon actual receipt by the department of a 8470
certified copy of the notification that contains the decision to 8471

no longer participate. 8472

(6) A county personnel department, in carrying out its 8473
duties, shall adhere to merit system principles with regard to 8474
employees of county departments of job and family services, child 8475
support enforcement agencies, and public child welfare agencies so 8476
that there is no threatened loss of federal funding for these 8477
agencies, and the county is financially liable to the state for 8478
any loss of federal funds due to the action or inaction of the 8479
county personnel department. 8480

(H) County agencies may contract with the department of 8481
administrative services for any human resources services, 8482
including, but not limited to, establishment and modification of 8483
job classification plans, competitive testing services, and 8484
periodic audits and reviews of the county's uniform application of 8485
the powers, duties, and functions specified in sections 124.01 to 8486
124.64 and Chapter 325. of the Revised Code with regard to 8487
employees in the service of the county. Nothing in this division 8488
modifies the powers and duties of the state personnel board of 8489
review with respect to employees in the service of the county. 8490
Nothing in this division limits the right of any employee who 8491
possesses the right of appeal to the state personnel board of 8492
review to continue to possess that right of appeal. 8493

(I) The director of administrative services shall establish 8494
the rate and method of compensation for all employees who are paid 8495
directly by warrant of the director of budget and management and 8496
who are serving in positions that the director of administrative 8497
services has determined impracticable to include in the state job 8498
classification plan. This division does not apply to elected 8499
officials, legislative employees, employees of the legislative 8500
service commission, employees who are in the unclassified civil 8501
service and exempt from collective bargaining coverage in the 8502
office of the secretary of state, auditor of state, treasurer of 8503

state, and attorney general, employees of the courts, employees of 8504
the bureau of workers' compensation whose compensation the 8505
administrator of workers' compensation establishes under division 8506
(B) of section 4121.121 of the Revised Code, or employees of an 8507
appointing authority authorized by law to fix the compensation of 8508
those employees. 8509

(J) The director of administrative services shall set the 8510
rate of compensation for all intermittent, seasonal, temporary, 8511
emergency, and casual employees in the service of the state who 8512
are not considered public employees under section 4117.01 of the 8513
Revised Code. Those employees are not entitled to receive employee 8514
benefits. This rate of compensation shall be equitable in terms of 8515
the rate of employees serving in the same or similar 8516
classifications. This division does not apply to elected 8517
officials, legislative employees, employees of the legislative 8518
service commission, employees who are in the unclassified civil 8519
service and exempt from collective bargaining coverage in the 8520
office of the secretary of state, auditor of state, treasurer of 8521
state, and attorney general, employees of the courts, employees of 8522
the bureau of workers' compensation whose compensation the 8523
administrator establishes under division (B) of section 4121.121 8524
of the Revised Code, or employees of an appointing authority 8525
authorized by law to fix the compensation of those employees. 8526

Sec. 124.141. The director of administrative services may 8527
~~establish, by rule adopted under Chapter 119. of the Revised Code,~~ 8528
an appointment incentive program that allows an appointing 8529
authority to pay to an officer or employee described in division 8530

that the appointment incentive program established by the director 8535

cannot include authority for an appointing authority to provide 8536
health care benefits to a covered officer or employee that are 8537
different from health care benefits otherwise provided by law for 8538
that officer or employee. 8539

Sec. 124.15. (A) Board and commission members appointed prior 8540
to July 1, 1991, shall be paid a salary or wage in accordance with 8541
the following schedules of rates: 8542

(B) The pay schedule of all employees shall be on a biweekly basis, with amounts computed on an hourly basis. 8650
8651

(C) Part-time employees shall be compensated on an hourly basis for time worked, at the rates shown in division (A) of this section or in section 124.152 of the Revised Code. 8652
8653
8654

(D) The salary and wage rates in division (A) of this section or in section 124.152 of the Revised Code represent base rates of compensation and may be augmented by the provisions of section 124.181 of the Revised Code. In those cases where lodging, meals, laundry, or other personal services are furnished an employee in the service of the state, the actual costs or fair market value of the personal services shall be paid by the employee in such amounts and manner as determined by the director of administrative services and approved by the director of budget and management, and those personal services shall not be considered as a part of 8655

the employee's compensation. An appointing authority that appoints 8665
employees in the service of the state, with the approval of the 8666
director of administrative services and the director of budget and 8667
management, may establish payments to employees for uniforms, 8668
tools, equipment, and other requirements of the department and 8669
payments for the maintenance of them. 8670

The director of administrative services may review collective 8671
bargaining agreements entered into under Chapter 4117. of the 8672
Revised Code that cover employees in the service of the state and 8673
determine whether certain benefits or payments provided to the 8674
employees covered by those agreements should also be provided to 8675
employees in the service of the state who are exempt from 8676
collective bargaining coverage and are paid in accordance with 8677
section 124.152 of the Revised Code or are listed in division 8678
(B)(2) or (4) of section 124.14 of the Revised Code. On completing 8679
the review, the director of administrative services, with the 8680
approval of the director of budget and management, may provide to 8681
some or all of these employees any payment or benefit, except for 8682
salary, contained in such a collective bargaining agreement even 8683
if it is similar to a payment or benefit already provided by law 8684
to some or all of these employees. Any payment or benefit so 8685
provided shall not exceed the highest level for that payment or 8686
benefit specified in such a collective bargaining agreement. The 8687
director of administrative services shall not provide, and the 8688
director of budget and management shall not approve, any payment 8689
or benefit to such an employee under this division unless the 8690
payment or benefit is provided pursuant to a collective bargaining 8691
agreement to a state employee who is in a position with similar 8692
duties as, is supervised by, or is employed by the same appointing 8693
authority as, the employee to whom the benefit or payment is to be 8694
provided. 8695

As used in this division, "payment or benefit already 8696

provided by law" includes, but is not limited to, bereavement, 8697
personal, vacation, administrative, and sick leave, disability 8698
benefits, holiday pay, and pay supplements provided under the 8699
Revised Code, but does not include wages or salary. 8700

(E) New employees paid in accordance with schedule B of 8701
division (A) of this section or schedule E-1 of section 124.152 of 8702
the Revised Code shall be employed at the minimum rate established 8703
for the range unless otherwise provided. Employees with 8704
qualifications that are beyond the minimum normally required for 8705
the position and that are determined by the director to be 8706
exceptional may be employed in, or may be transferred or promoted 8707
to, a position at an advanced step of the range. Further, in time 8708
of a serious labor market condition when it is relatively 8709
impossible to recruit employees at the minimum rate for a 8710
particular classification, the entrance rate may be set at an 8711
advanced step in the range by the director of administrative 8712
services. This rate may be limited to geographical regions of the 8713
state. Appointments made to an advanced step under the provision 8714
regarding exceptional qualifications shall not affect the step 8715
assignment of employees already serving. However, anytime the 8716
hiring rate of an entire classification is advanced to a higher 8717
step, all incumbents of that classification being paid at a step 8718
lower than that being used for hiring, shall be advanced beginning 8719
at the start of the first pay period thereafter to the new hiring 8720
rate, and any time accrued at the lower step will be used to 8721
calculate advancement to a succeeding step. If the hiring rate of 8722
a classification is increased for only a geographical region of 8723
the state, only incumbents who work in that geographical region 8724
shall be advanced to a higher step. When an employee in the 8725
unclassified service changes from one state position to another or 8726
is appointed to a position in the classified service, or if an 8727
employee in the classified service is appointed to a position in 8728
the unclassified service, the employee's salary or wage in the new 8729

position shall be determined in the same manner as if the employee 8730
were an employee in the classified service. When an employee in 8731
the unclassified service who is not eligible for step increases is 8732
appointed to a classification in the classified service under 8733
which step increases are provided, future step increases shall be 8734
based on the date on which the employee last received a pay 8735
increase. If the employee has not received an increase during the 8736
previous year, the date of the appointment to the classified 8737
service shall be used to determine the employee's annual step 8738
advancement eligibility date. In reassigning any employee to a 8739
classification resulting in a pay range increase or to a new pay 8740
range as a result of a promotion, an increase pay range 8741
adjustment, or other classification change resulting in a pay 8742
range increase, the director shall assign such employee to the 8743
step in the new pay range that will provide an increase of 8744
approximately four per cent if the new pay range can accommodate 8745
the increase. When an employee is being assigned to a 8746
classification or new pay range as the result of a class plan 8747
change, if the employee has completed a probationary period, the 8748
employee shall be placed in a step no lower than step two of the 8749
new pay range. If the employee has not completed a probationary 8750
period, the employee may be placed in step one of the new pay 8751
range. Such new salary or wage shall become effective on such date 8752
as the director determines. 8753

(F) If employment conditions and the urgency of the work 8754
require such action, the director of administrative services may, 8755
upon the application of a department head, authorize payment at 8756
any rate established within the range for the class of work, for 8757
work of a casual or intermittent nature or on a project basis. 8758
Payment at such rates shall not be made to the same individual for 8759
more than three calendar months in any one calendar year. Any such 8760
action shall be subject to the approval of the director of budget 8761
and management as to the availability of funds. This section and 8762

sections 124.14 and 124.152 of the Revised Code do not repeal any 8763
authority of any department or public official to contract with or 8764
fix the compensation of professional persons who may be employed 8765
temporarily for work of a casual nature or for work on a project 8766
basis. 8767

(G)(1) Except as provided in divisions (G)(2) and (3) of this 8768
section, each state employee paid in accordance with schedule B of 8769
this section or schedule E-1 of section 124.152 of the Revised 8770
Code shall be eligible for advancement to succeeding steps in the 8771
range for the employee's class or grade according to the schedule 8772
established in this division. Beginning on the first day of the 8773
pay period within which the employee completes the prescribed 8774
probationary period in the employee's classification with the 8775
state, each employee shall receive an automatic salary adjustment 8776
equivalent to the next higher step within the pay range for the 8777
employee's class or grade. 8778

Except as provided in divisions (G)(2) and (3) of this 8779
section, each employee paid in accordance with schedule E-1 of 8780
section 124.152 of the Revised Code shall be eligible to advance 8781
to the next higher step until the employee reaches the top step in 8782
the range for the employee's class or grade, if the employee has 8783
maintained satisfactory performance in accordance with criteria 8784
established by the employee's appointing authority. Those step 8785
advancements shall not occur more frequently than once in any 8786
twelve-month period. 8787

When an employee is promoted, the step entry date shall be 8788
set to account for a probationary period. When an employee is 8789
reassigned to a higher pay range, the step entry date shall be set 8790
to allow an employee who is not at the highest step of the range 8791
to receive a step advancement one year from the reassignment date. 8792
Step advancement shall not be affected by demotion. A promoted 8793
employee shall advance to the next higher step of the pay range on 8794

the first day of the pay period in which the required probationary 8795
period is completed. Step advancement shall become effective at 8796
the beginning of the pay period within which the employee attains 8797
the necessary length of service. Time spent on authorized leave of 8798
absence shall be counted for this purpose. 8799

If determined to be in the best interest of the state 8800
service, the director of administrative services may, either 8801
statewide or in selected agencies, adjust the dates on which 8802
annual step advancements are received by employees paid in 8803
accordance with schedule E-1 of section 124.152 of the Revised 8804
Code. 8805

(2)(a) There shall be a moratorium on annual step 8806
advancements under division (G)(1) of this section beginning June 8807
21, 2009, through June 20, 2011. Step advancements shall resume 8808
with the pay period beginning June 21, 2011. Upon the resumption 8809
of step advancements, there shall be no retroactive step 8810
advancements for the period the moratorium was in effect. The 8811
moratorium shall not affect an employee's performance evaluation 8812
schedule. 8813

An employee who begins a probationary period before June 21, 8814
2009, shall advance to the next step in the employee's pay range 8815
at the end of probation, and then become subject to the 8816
moratorium. An employee who is hired, promoted, or reassigned to a 8817
higher pay range between June 21, 2009, through June 20, 2011, 8818
shall not advance to the next step in the employee's pay range 8819
until the next anniversary of the employee's date of hire, 8820
promotion, or reassignment that occurs on or after June 21, 2011. 8821

(b) The moratorium under division (G)(2)(a) of this section 8822
shall apply to the employees of the secretary of state, the 8823
auditor of state, the treasurer of state, and the attorney 8824
general, who are subject to this section unless the secretary of 8825
state, the auditor of state, the treasurer of state, or the 8826

attorney general decides to exempt the office's employees from the 8827
moratorium and so notifies the director of administrative services 8828
in writing on or before July 1, 2009. 8829

(3) Employees in intermittent positions shall be employed at 8830
the minimum rate established for the pay range for their 8831
classification and are not eligible for step advancements. 8832

(H) Employees in appointive managerial or professional 8833
positions paid in accordance with schedule C of this section or 8834
schedule E-2 of section 124.152 of the Revised Code may be 8835
appointed at any rate within the appropriate pay range. This rate 8836
of pay may be adjusted higher or lower within the respective pay 8837
range at any time the appointing authority so desires as long as 8838
the adjustment is based on the employee's ability to successfully 8839
administer those duties assigned to the employee. Salary 8840
adjustments shall not be made more frequently than once in any 8841
six-month period under this provision to incumbents holding the 8842
same position and classification. 8843

(I) When an employee is assigned to duty outside this state, 8844
the employee may be compensated, upon request of the department 8845
head and with the approval of the director of administrative 8846
services, at a rate not to exceed fifty per cent in excess of the 8847
employee's current base rate for the period of time spent on that 8848
duty. 8849

(J) Unless compensation for members of a board or commission 8850
is otherwise specifically provided by law, the director of 8851
administrative services shall establish the rate and method of 8852
payment for members of boards and commissions pursuant to the pay 8853
schedules listed in section 124.152 of the Revised Code. 8854

(K) Regular full-time employees in positions assigned to 8855
classes within the instruction and education administration series 8856
under the rules of the director of administrative services, except 8857

certificated employees on the instructional staff of the state 8858
school for the blind or the state school for the deaf, whose 8859
positions are scheduled to work on the basis of an academic year 8860
rather than a full calendar year, shall be paid according to the 8861
pay range assigned by ~~such rules~~ the director but only during 8862
those pay periods included in the academic year of the school 8863
where the employee is located. 8864

(1) Part-time or substitute teachers or those whose period of 8865
employment is other than the full academic year shall be 8866
compensated for the actual time worked at the rate established by 8867
this section. 8868

(2) Employees governed by this division are exempt from 8869
sections 124.13 and 124.19 of the Revised Code. 8870

(3) Length of service for the purpose of determining 8871
eligibility for step advancements as provided by division (G) of 8872
this section and for the purpose of determining eligibility for 8873
longevity pay supplements as provided by division (E) of section 8874
124.181 of the Revised Code shall be computed on the basis of one 8875
full year of service for the completion of each academic year. 8876

(L) The superintendent of the state school for the deaf and 8877
the superintendent of the state school for the blind shall, 8878
subject to the approval of the superintendent of public 8879
instruction, carry out both of the following: 8880

(1) Annually, between the first day of April and the last day 8881
of June, establish for the ensuing fiscal year a schedule of 8882
hourly rates for the compensation of each certificated employee on 8883
the instructional staff of that superintendent's respective school 8884
constructed as follows: 8885

(a) Determine for each level of training, experience, and 8886
other professional qualification for which an hourly rate is set 8887
forth in the current schedule, the per cent that rate is of the 8888

rate set forth in such schedule for a teacher with a bachelor's 8889
degree and no experience. If there is more than one such rate for 8890
such a teacher, the lowest rate shall be used to make the 8891
computation. 8892

(b) Determine which six city, local, and exempted village 8893
school districts with territory in Franklin county have in effect 8894
on, or have adopted by, the first day of April for the school year 8895
that begins on the ensuing first day of July, teacher salary 8896
schedules with the highest minimum salaries for a teacher with a 8897
bachelor's degree and no experience; 8898

(c) Divide the sum of such six highest minimum salaries by 8899
ten thousand five hundred sixty; 8900

(d) Multiply each per cent determined in division (L)(1)(a) 8901
of this section by the quotient obtained in division (L)(1)(c) of 8902
this section; 8903

(e) One hundred five per cent of each product thus obtained 8904
shall be the hourly rate for the corresponding level of training, 8905
experience, or other professional qualification in the schedule 8906
for the ensuing fiscal year. 8907

(2) Annually, assign each certificated employee on the 8908
instructional staff of the superintendent's respective school to 8909
an hourly rate on the schedule that is commensurate with the 8910
employee's training, experience, and other professional 8911
qualifications. 8912

If an employee is employed on the basis of an academic year, 8913
the employee's annual salary shall be calculated by multiplying 8914
the employee's assigned hourly rate times one thousand seven 8915
hundred sixty. If an employee is not employed on the basis of an 8916
academic year, the employee's annual salary shall be calculated in 8917
accordance with the following formula: 8918

(a) Multiply the number of days the employee is required to 8919

work pursuant to the employee's contract by eight; 8920

(b) Multiply the product of division (L)(2)(a) of this 8921
section by the employee's assigned hourly rate. 8922

Each employee shall be paid an annual salary in biweekly 8923
installments. The amount of each installment shall be calculated 8924
by dividing the employee's annual salary by the number of biweekly 8925
installments to be paid during the year. 8926

Sections 124.13 and 124.19 of the Revised Code do not apply 8927
to an employee who is paid under this division. 8928

As used in this division, "academic year" means the number of 8929
days in each school year that the schools are required to be open 8930
for instruction with pupils in attendance. Upon completing an 8931
academic year, an employee paid under this division shall be 8932
deemed to have completed one year of service. An employee paid 8933
under this division is eligible to receive a pay supplement under 8934
division (L)(1), (2), or (3) of section 124.181 of the Revised 8935
Code for which the employee qualifies, but is not eligible to 8936
receive a pay supplement under division (L)(4) or (5) of that 8937
section. An employee paid under this division is eligible to 8938
receive a pay supplement under division (L)(6) of section 124.181 8939
of the Revised Code for which the employee qualifies, except that 8940
the supplement is not limited to a maximum of five per cent of the 8941
employee's regular base salary in a calendar year. 8942

(M) Division (A) of this section does not apply to "exempt 8943
employees," as defined in section 124.152 of the Revised Code, who 8944
are paid under that section. 8945

Notwithstanding any other provisions of this chapter, when an 8946
employee transfers between bargaining units or transfers out of or 8947
into a bargaining unit, the director of administrative services 8948
shall establish the employee's compensation and adjust the maximum 8949
leave accrual schedule as the director deems equitable. 8950

Sec. 124.18. (A) Forty hours shall be the standard work week 8951
for all employees whose salary or wage is paid in whole or in part 8952
by the state or by any state-supported college or university. When 8953
any employee whose salary or wage is paid in whole or in part by 8954
the state or by any state-supported college or university is 8955
required by an authorized administrative authority to be in an 8956
active pay status more than forty hours in any calendar week, the 8957
employee shall be compensated for such time over forty hours, 8958
except as otherwise provided in this section, at one and one-half 8959
times the employee's regular rate of pay. The use of sick leave or 8960
any leave used in lieu of sick leave shall not be considered to be 8961
active pay status for the purposes of earning overtime or 8962
compensatory time by employees whose wages are paid directly by 8963
warrant of the director of budget and management. A flexible-hours 8964
employee is not entitled to compensation for overtime work unless 8965
the employee's authorized administrative authority required the 8966
employee to be in active pay status for more than forty hours in a 8967
calendar week, regardless of the number of hours the employee 8968
works on any day in the same calendar week. 8969

Such compensation for overtime work shall be paid no later 8970
than at the conclusion of the next succeeding pay period. 8971

If the employee elects to take compensatory time off in lieu 8972
of overtime pay for any overtime worked, such compensatory time 8973
shall be granted by the employee's administrative superior, on a 8974
time and one-half basis, at a time mutually convenient to the 8975
employee and the administrative superior. Compensatory time is not 8976
available for use until it appears on the employee's earning 8977
statement and the compensation described in the earning statement 8978
is available to the employee. 8979

An employee may accrue compensatory time to a maximum of two 8980
hundred forty hours, except that public safety employees and other 8981

employees who meet the criteria established in the "Federal Fair 8982
Labor Standards Act of 1938," 52 Stat. 1060, 29 U.S.C.A. 207, 213, 8983
as amended, may accrue a maximum of four hundred eighty hours of 8984
compensatory time. An employee shall be paid at the employee's 8985
regular rate of pay for any hours of compensatory time accrued in 8986
excess of these maximum amounts if the employee has not used the 8987
compensatory time within three hundred sixty-five days after it is 8988
granted, if the employee transfers to another agency of the state, 8989
or if a change in the employee's status exempts the employee from 8990
the payment of overtime compensation. Upon the termination of 8991
employment, any employee with accrued but unused compensatory time 8992
shall be paid for that time at a rate that is the greater of the 8993
employee's final regular rate of pay or the employee's average 8994
regular rate of pay during the employee's last three years of 8995
employment with the state. 8996

No overtime, as described in this section, can be paid unless 8997
it has been authorized by the authorized administrative authority. 8998
Employees may be exempted from the payment of compensation as 8999
required by this section only under the criteria for exemption 9000
from the payment of overtime compensation established in the 9001
"Federal Fair Labor Standards Act of 1938," 52 Stat. 1060, 29 9002
U.S.C.A. 207, 213, as amended. With the approval of the director 9003
of administrative services, the appointing authority may establish 9004
a policy to grant compensatory time or to pay compensation to 9005
~~state~~ employees in the service of the state who are exempt from 9006
overtime compensation. With the approval of the board of county 9007
commissioners, a county human services department may establish a 9008
policy to grant compensatory time or to pay compensation to 9009
employees of the department who are exempt from overtime 9010
compensation. 9011

(B)(1) An employee, whose salary or wage is paid in whole or 9012
in part by the state, shall be paid for the holidays declared in 9013

section 124.19 of the Revised Code and shall not be required to 9014
work on those holidays, unless, in the opinion of the employee's 9015
responsible administrative authority, failure to work on those 9016
holidays would impair the public service. 9017

(2) An employee paid directly by warrant of the director of 9018
budget and management who is scheduled to work on the first day of 9019
January, the commemoration of memorial day, the fourth day of 9020
July, the fourth Thursday in November, or the twenty-fifth day of 9021
December and who does not report to work the day before, the day 9022
of, or the day after the holiday due to an illness of the employee 9023
or of a member of the employee's immediate family shall not 9024
receive holiday pay as provided by this division, unless the 9025
employee can provide documentation of extenuating circumstances 9026
that prohibited the employee from so reporting to work. If the 9027
employee works a shift between the employee's scheduled shift and 9028
the holiday, the employee shall be paid for the holiday. 9029

(3) An employee also shall not be paid for a holiday unless 9030
the employee was in active pay status on the scheduled work day 9031
immediately preceding the holiday, except that an employee need 9032
not be in active pay status on that work day in order to be paid 9033
for the holiday if the employee is participating in a mandatory or 9034
voluntary cost savings day under section 124.392 of the Revised 9035
Code. 9036

(4) If any of the holidays declared in section 124.19 of the 9037
Revised Code falls on Saturday, the Friday immediately preceding 9038
shall be observed as the holiday. If any of the holidays declared 9039
in section 124.19 of the Revised Code falls on Sunday, the Monday 9040
immediately succeeding shall be observed as the holiday. Employees 9041
whose work schedules are based on the requirements of a 9042
seven-days-a-week work operation shall observe holidays on the 9043
actual days specified in section 124.19 of the Revised Code. 9044

(5) If an employee's work schedule is other than Monday 9045

through Friday, the employee shall be entitled to eight hours of 9046
holiday pay for holidays observed on the employee's day off 9047
regardless of the day of the week on which they are observed. 9048

(6) A full-time permanent employee is entitled to a minimum 9049
of eight hours of pay for each holiday regardless of the 9050
employee's work shift and work schedule. A flexible-hours 9051
employee, who is normally scheduled to work in excess of eight 9052
hours on a day on which a holiday falls, either shall be required 9053
to work an alternate schedule for that week or shall receive 9054
additional holiday pay for the hours the employee is normally 9055
scheduled to work. Such an alternate schedule may require a 9056
flexible-hours employee to work five shifts consisting of eight 9057
hours each during the week including the holiday, and, in that 9058
case, the employee shall receive eight hours of holiday pay for 9059
the day the holiday is observed. 9060

(7) Except as provided under section 124.392 of the Revised 9061
Code, part-time permanent employees shall receive four hours of 9062
holiday pay regardless of the employee's work shift and work 9063
schedule. 9064

(8) When an employee who is eligible for overtime pay under 9065
this section is required by the employee's responsible 9066
administrative authority to work on the day observed as a holiday, 9067
the employee shall be entitled to pay for such time worked at one 9068
and one-half times the employee's regular rate of pay in addition 9069
to the employee's regular pay, or to be granted compensatory time 9070
off at time and one-half thereafter, at the employee's option. 9071
Payment at such rate shall be excluded in the calculation of hours 9072
in active pay status. 9073

(C) Each appointing authority may designate the number of 9074
employees in an agency who are flexible-hours employees. The 9075
appointing authority may establish for each flexible-hours 9076
employee a specified minimum number of hours to be worked each day 9077

that is consistent with the "Federal Fair Labor Standards Act of 9078
1938," 52 Stat. 1060, 29 U.S.C.A. 207, 213, as amended. 9079

(D) This section shall be uniformly administered for 9080
employees as defined in section 124.01 of the Revised Code and by 9081
the personnel departments of state-supported colleges and 9082
universities for employees of state-supported colleges and 9083
universities. If employees are not paid directly by warrant of the 9084
director of budget and management, the political subdivision shall 9085
determine whether the use of sick leave shall be considered to be 9086
active pay status for purposes of those employees earning overtime 9087
or compensatory time. 9088

(E) Policies relating to the payment of overtime pay or the 9089
granting of compensatory time off shall be adopted by the chief 9090
administrative officer of the house of representatives for 9091
employees of the house of representatives, by the clerk of the 9092
senate for employees of the senate, and by the director of the 9093
legislative service commission for all other legislative 9094
employees. 9095

(F) As used in this section, "regular rate of pay" means the 9096
base rate of pay an employee receives plus any pay supplements 9097
received pursuant to section 124.181 of the Revised Code. 9098

Sec. 124.30. (A) Classified positions in the civil service 9099
may be filled without competition as follows: 9100

(1) Whenever there are urgent reasons for filling a vacancy 9101
in any position in the classified civil service and the director 9102
of administrative services is unable to certify to the appointing 9103
authority, upon its request, a list of persons eligible for 9104
appointment to the position after a competitive examination, the 9105
appointing authority may fill the position by noncompetitive 9106
examination. 9107

A temporary appointment may be made without regard to the 9108
rules of sections 124.01 to 124.64 of the Revised Code. Except as 9109
otherwise provided in this division, the temporary appointment may 9110
not continue longer than one hundred twenty days, and in no case 9111
shall successive temporary appointments be made. A temporary 9112
appointment longer than one hundred twenty days may be made if 9113
necessary by reason of sickness, disability, or other approved 9114
leave of absence of regular officers or employees, in which case 9115
it may continue during the period of sickness, disability, or 9116
other approved leave of absence, subject to the rules of the 9117
director. 9118

(2) In case of a vacancy in a position in the classified 9119
civil service where peculiar and exceptional qualifications of a 9120
scientific, managerial, professional, or educational character are 9121
required, and upon satisfactory evidence that for specified 9122
reasons competition in this special case is impracticable and that 9123
the position can best be filled by a selection of some designated 9124
person of high and recognized attainments in those qualities, the 9125
director may suspend the provisions of sections 124.01 to 124.64 9126
of the Revised Code that require competition in this special case, 9127
but no suspension shall be general in its application. All such 9128
cases of suspension shall be reported in the annual report of the 9129
director with the reasons for each suspension. The director shall 9130
suspend the provisions when ~~the~~ either of the following applies: 9131

(a) The director of job and family services provides the 9132
certification under section 5101.051 of the Revised Code that a 9133
position with the department of job and family services can best 9134
be filled if the provisions are suspended; 9135

(b) The medicaid director provides the certification under 9136
section 5160.051 of the Revised Code that a position with the 9137
department of medicaid can best be filled if the provisions are 9138
suspended. 9139

(3) The acceptance or refusal by an eligible person of a 9140
temporary appointment shall not affect the person's standing on 9141
the eligible list for permanent appointment, nor shall the period 9142
of temporary service be counted as a part of the probationary 9143
service in case of subsequent appointment to a permanent position. 9144

(B) Persons who receive temporary or intermittent 9145
appointments are in the unclassified civil service and serve at 9146
the pleasure of their appointing authority. 9147

Sec. 124.341. (A) If an employee in the classified or 9148
unclassified civil service becomes aware in the course of 9149
employment of a violation of state or federal statutes, rules, or 9150
regulations or the misuse of public resources, and the employee's 9151
supervisor or appointing authority has authority to correct the 9152
violation or misuse, the employee may file a written report 9153
identifying the violation or misuse with the supervisor or 9154
appointing authority. In addition to or instead of filing a 9155
written report with the supervisor or appointing authority, the 9156
employee may file a written report with the office of internal 9157
~~auditing~~ audit created under section 126.45 of the Revised Code or 9158
file a complaint with the auditor of state's fraud-reporting 9159
system under section 117.103 of the Revised Code. 9160

If the employee reasonably believes that a violation or 9161
misuse of public resources is a criminal offense, the employee, in 9162
addition to or instead of filing a written report or complaint 9163
with the supervisor, appointing authority, the office of internal 9164
~~auditing~~ audit, or the auditor of state's fraud-reporting system, 9165
may report it to a prosecuting attorney, director of law, village 9166
solicitor, or similar chief legal officer of a municipal 9167
corporation, to a peace officer, as defined in section 2935.01 of 9168
the Revised Code, or, if the violation or misuse of public 9169
resources is within the jurisdiction of the inspector general, to 9170

the inspector general in accordance with section 121.46 of the Revised Code. In addition to that report, if the employee reasonably believes the violation or misuse is also a violation of Chapter 102., section 2921.42, or section 2921.43 of the Revised Code, the employee may report it to the appropriate ethics commission.

(B) Except as otherwise provided in division (C) of this section, no officer or employee in the classified or unclassified civil service shall take any disciplinary action against an employee in the classified or unclassified civil service for making any report or filing a complaint as authorized by division (A) of this section, including, without limitation, doing any of the following:

- (1) Removing or suspending the employee from employment;
- (2) Withholding from the employee salary increases or employee benefits to which the employee is otherwise entitled;
- (3) Transferring or reassigning the employee;
- (4) Denying the employee promotion that otherwise would have been received;
- (5) Reducing the employee in pay or position.

(C) An employee in the classified or unclassified civil service shall make a reasonable effort to determine the accuracy of any information reported under division (A) of this section. The employee is subject to disciplinary action, including suspension or removal, as determined by the employee's appointing authority, for purposely, knowingly, or recklessly reporting false information under division (A) of this section.

(D) If an appointing authority takes any disciplinary or retaliatory action against a classified or unclassified employee as a result of the employee's having filed a report or complaint

under division (A) of this section, the employee's sole and 9201
exclusive remedy, notwithstanding any other provision of law, is 9202
to file an appeal with the state personnel board of review within 9203
thirty days after receiving actual notice of the appointing 9204
authority's action. If the employee files such an appeal, the 9205
board shall immediately notify the employee's appointing authority 9206
and shall hear the appeal. The board may affirm or disaffirm the 9207
action of the appointing authority or may issue any other order as 9208
is appropriate. The order of the board is appealable in accordance 9209
with Chapter 119. of the Revised Code. 9210

(E) As used in this section: 9211

(1) "Purposely," "knowingly," and "recklessly" have the same 9212
meanings as in section 2901.22 of the Revised Code. 9213

(2) "Appropriate ethics commission" has the same meaning as 9214
in section 102.01 of the Revised Code. 9215

(3) "Inspector general" means the inspector general appointed 9216
under section 121.48 of the Revised Code. 9217

Sec. 124.381. (A)(1)(a) An employee in the service of the 9218
state may be eligible to receive salary continuation not to exceed 9219
four hundred eighty hours at the employee's total rate of pay for 9220
absence as a result of injury incurred during the performance of, 9221
or arising out of, state employment. When an eligible employee's 9222
absence as a result of such an injury extends beyond four hundred 9223
eighty hours, the employee immediately becomes subject to sections 9224
124.382 and 124.385 of the Revised Code regarding sick leave and 9225
disability leave benefits. 9226

An employee is ineligible to receive salary continuation 9227
until the date of implementation is established in the rules 9228
adopted under division (C)(1) of this section. 9229

(b) Employees of the secretary of state, auditor of state, 9230

treasurer of state, attorney general, supreme court, general 9231
assembly, or legislative service commission are not subject to 9232
division (A)(1)(a) of this section unless the relevant appointing 9233
authority notifies the director of administrative services in 9234
writing of the intent to have all of the appointing authority's 9235
employees participate in salary continuation. The relevant 9236
appointing authority also may discontinue salary continuation for 9237
all of its employees by providing written notice of the 9238
discontinuation to the director. 9239

Participation in salary continuation is subject to rules 9240
adopted under division (C)(1) of this section. 9241

(2) Each employee of the department of rehabilitation and 9242
correction, the department of ~~mental health~~ mental health and 9243
addiction services, the department of developmental disabilities, 9244
the department of veterans services, or the Ohio schools for the 9245
deaf and blind, and each employee of the department of youth 9246
services as established in division (A) of section 124.14 of the 9247
Revised Code who sustains a qualifying physical condition 9248
inflicted by a ward of these agencies during the time the employee 9249
is lawfully carrying out the assigned duties of the employee's 9250
position shall be paid occupational injury leave at the employee's 9251
total rate of pay during the period the employee is disabled as a 9252
result of that qualifying physical condition, but in no case to 9253
exceed nine hundred sixty hours, in lieu of workers' compensation. 9254
Pay made according to this division shall not be charged to the 9255
employee's accumulation of sick leave credit. In any case when an 9256
employee's disability as a result of such a qualifying physical 9257
condition extends beyond nine hundred sixty hours, the employee 9258
immediately becomes subject to sections 124.382 and 124.385 of the 9259
Revised Code regarding sick leave and disability leave benefits. 9260

(B) An employee who is receiving salary continuation or 9261
occupational injury leave under division (A)(1) or (2) of this 9262

section is not eligible for other paid leave, including holiday 9263
pay, while receiving benefits under either division. While an 9264
employee is receiving salary continuation or occupational injury 9265
leave under division (A)(1) or (2) of this section, vacation leave 9266
credit ceases to accrue to the employee under section 124.134 of 9267
the Revised Code, but sick leave credit and personal leave credit 9268
continue to accrue to the employee under sections 124.382 and 9269
124.386 of the Revised Code. 9270

(C)(1) The director of administrative services shall adopt 9271
rules for the administration of both the salary continuation 9272
program and the occupational injury leave program. The rules shall 9273
include, but not be limited to, provisions for determining a 9274
disability, for filing a claim for leave under this section, and 9275
for allowing or denying claims for the leave. 9276

(2) The director also may adopt rules for the payment of 9277
health benefits while an employee is on workers' compensation 9278
leave. 9279

(D) An appointing authority may apply to the director of 9280
administrative services to grant salary continuation under 9281
division (A)(1) of this section or occupational injury leave under 9282
division (A)(2) of this section to law enforcement personnel 9283
employed by the agency. 9284

Sec. 125.05. Except as provided in division (F) of this 9285
section, no state agency shall purchase any supplies or services 9286
except as provided in divisions (A) to (D) of this section. 9287

(A) Subject to division (E) of this section, a state agency 9288
may, without competitive selection, make any purchase of supplies 9289
or services that cost twenty-five thousand dollars or less. The 9290
agency may make the purchase directly or may make the purchase 9291
from or through the department of administrative services, 9292
whichever the agency determines. The agency shall adopt written 9293

procedures consistent with the department's purchasing procedures 9294
and shall use those procedures when making purchases under this 9295
division. 9296

(B) Subject to division (E) of this section and in accordance 9297
with section 125.051 of the Revised Code, a state agency may make 9298
purchases of supplies and services that cost more than twenty-five 9299
thousand dollars but less than fifty thousand dollars if the 9300
purchases are made under the direction of an employee of the 9301
agency who is certified by the department to make purchases and if 9302
the purchases comply with the department's purchasing procedures. 9303
Section 127.16 of the Revised Code does not apply to purchases 9304
made under this division. Until the certification effective date 9305
established by the department in rules adopted under section 9306
125.051 of the Revised Code, state agencies may make purchases of 9307
supplies and services that cost more than twenty-five thousand 9308
dollars but less than fifty thousand dollars in the same manner as 9309
provided in division (A) of this section. 9310

(C) Subject to division (E) of this section, a state agency 9311
wanting to purchase supplies or services that cost more than 9312
twenty-five thousand dollars shall, unless otherwise authorized by 9313
law, make the purchase from or through the department. The 9314
department shall make the purchase by competitive selection. If 9315
the director of administrative services determines that it is not 9316
possible or not advantageous to the state for the department to 9317
make the purchase, the department shall grant the agency a release 9318
and permit under section 125.06 of the Revised Code to make the 9319
purchase. Section 127.16 of the Revised Code does not apply to 9320
purchases the department makes under this section. 9321

(D) An agency that has been granted a release and permit to 9322
make a purchase may make the purchase without competitive 9323
selection if after making the purchase the cumulative purchase 9324
threshold as computed under division (E) of section 127.16 of the 9325

Revised Code would: 9326

(1) Be exceeded and the controlling board approves the 9327
purchase; 9328

(2) Not be exceeded and the department of administrative 9329
services approves the purchase. 9330

(E) Not later than the thirty-first day of January of each 9331
even-numbered year, the directors of administrative services and 9332
budget and management shall review and recommend to the general 9333
assembly, if necessary, adjustments to the amounts specified in 9334
divisions (A) to (C) of this section and division (B) of section 9335
127.16 of the Revised Code. 9336

(F) If ~~the eTech Ohio commission~~, the department of 9337
education, or the Ohio education computer network determines that 9338
it can purchase software services or supplies for specified school 9339
districts at a price less than the price for which the districts 9340
could purchase the same software services or supplies for 9341
themselves, the ~~commission~~, department, or network shall certify 9342
that fact to the department of administrative services and, acting 9343
as an agent for the specified school districts, shall make that 9344
purchase without following the provisions in divisions (A) to (D) 9345
of this section. 9346

Sec. 125.21. The director of administrative services shall 9347
process payroll information for the purpose of payment for 9348
personal services of state officials and employees on the basis of 9349
rates of pay determined by pertinent law, the director, or other 9350
competent authority. 9351

Calculation of payrolls may be made after the conclusion of 9352
each pay period based upon the amount of time served as certified 9353
by the appropriate appointing authority. Payment for personal 9354
service rendered by an official or employee during any pay period 9355

shall be made no later than at the conclusion of the official's or 9356
employee's next succeeding pay period. 9357

The director of administrative services shall furnish to the 9358
director of budget and management all necessary data for drawing 9359
state official and employee pay warrants and preparing earning 9360
statements. These data shall include the rate at which paid; the 9361
time for which paid, including overtime and any other adjustments 9362
affecting the official's or employee's gross pay; all taxes 9363
withheld, including, whenever practicable, year-to-date figures on 9364
all taxes withheld; the amount of contribution to the appropriate 9365
retirement system; any voluntary deductions made in accordance 9366
with authorizations filed by the official or employee; and whether 9367
a direct deposit is to be made in accordance with an authorization 9368
filed by the official or employee. 9369

Amounts deducted from the salaries or wages of all officials 9370
and employees shall be transferred to the payroll ~~withholding~~ 9371
deduction fund, which is hereby created in the state treasury for 9372
the purpose of consolidating all such deductions made in any 9373
month. Payments from this fund shall be made at intervals for the 9374
intended purpose of the deduction or for refund where it is 9375
determined that deductions were made in error. 9376

Sec. 125.212. The life insurance investment fund is hereby 9377
created in the state treasury. The fund shall consist of amounts 9378
from ~~the payroll withholding fund created by section 125.21 of the~~ 9379
~~Revised Code~~ state agencies, life insurance premium refunds 9380
received by the state, and other receipts related to the state's 9381
life insurance benefit program. The fund shall be used to pay the 9382
costs of the state's life insurance benefit program. All 9383
investment earnings of the life insurance investment fund shall be 9384
credited to the fund. 9385

Sec. 125.27. (A) There is hereby created in the state 9386
treasury the building improvement fund. The fund shall retain the 9387
interest earned. 9388

(B) The fund shall consist of any payments made by intrastate 9389
transfer voucher from the appropriation item for office building 9390
operating payments. 9391

(C) The fund shall be used for major maintenance or 9392
improvements required in the James A. Rhodes or Frank J. Lausche 9393
state office tower, Toledo government center, Senator Oliver R. 9394
Ocasek government office building, and Vern Riffe center for 9395
government and the arts. 9396

Sec. 125.832. (A) The department of administrative services 9488

delegated authority as described in division (G) of this section. 9537

(2) The fleets of state agencies that consist of greater than 9538

one hundred motor vehicles, but less than five hundred motor vehicles, on July 1, 2005, also shall be managed by the department's fleet management program on a time schedule determined by the department, unless the state agency has received delegated authority as described in division (G) of this section.

(b) Fleet management performance, as demonstrated by fleet data and other information submitted pursuant to annual reporting requirements and any other criteria the department considers necessary in evaluating the performance.

(2) The department may determine that a state agency is not in compliance with this section and direct that the agency's fleet management duties be transferred to the department.

(H) The proceeds derived from the disposition of any motor vehicles under this section shall be paid to whichever of the following applies:

(1) The fund that originally provided moneys for the purchase or lease of the motor vehicles;

(2) If the motor vehicles were originally purchased with moneys derived from the general revenue fund, the proceeds shall be deposited, in the director's discretion, into the state treasury to the credit of either the fleet management fund created by section 125.83 of the Revised Code or the investment recovery fund created by section 125.14 of the Revised Code.

The program shall be supported by reasonable fee charges for the services provided. The director shall collect these fees and deposit them into the state treasury to the credit for the fleet management fund created by section 125.83 of the Revised Code. The setting and collection of fees under this division is not subject to any restriction imposed by law upon the director's or the department's authority to set or collect fees. 9585

(L) The director also shall adopt rules that prohibit, except in very limited circumstances, the exclusive assignment of state-owned, leased, or pooled motor vehicles to state employees and that prohibit the reimbursement under section 126.31 of the Revised Code of state employees who use their own motor vehicles for any mileage they incur above an amount that the department shall determine annually unless reimbursement for the excess 9594

(2) Attempt to reduce the number of passenger vehicles used 9613
by state agencies during the fiscal years ending on June 30, 2004, 9614
and June 30, 2005. 9615

(N) Each state agency shall reimburse the department for all 9616
costs incurred in the assignment of motor vehicles to the state 9617
agency. 9618

(O) The director shall do all of the following in managing 9619
the fleet management program: 9620

(1) Determine how motor vehicles will be maintained, insured, 9621
operated, financed, and licensed; 9622

(2) Pursuant to the formula in division (O)(3) of this 9623
section, annually establish the minimum number of business miles 9624
per year an employee of a state agency must drive in order to 9625
qualify for approval by the department to receive a motor vehicle 9626
for business use; 9627

(3) Establish the minimum number of business miles per year 9628
at an amount that results when the annual motor vehicle cost is 9629

vehicle per year divided by the product resulting when the number 9643
of miles an average motor vehicle is driven per year is multiplied 9644
by the number of years an average motor vehicle is used. 9645

(e) "Reimbursement rate per mile" means the reimbursement per 9646
mile rate for travel expenses as provided by rule of the director 9647
of budget and management adopted under division (B) of section 9648
126.31 of the Revised Code. 9649

~~(P)(1) Not later than the fifteenth day of September of each 9650

fuel for, or to pay for the maintenance of, the motor vehicles; 9656~~

~~(c) Whether or not it makes bulk purchases of fuel for the 9657
motor vehicles. 9658~~

~~(2) Assuming it does not use the fleet management tracking, 9659
fuel card program, and bulk fuel purchases tools and services that 9660~~

~~the department provides, the report of a state institution of higher education required by division (P)(1) of this section also shall include both of the following:~~

~~(b) A rationale for either continuing with the fleet management system that the institution regularly uses or changing to the use of those tools and services that the department provides.~~

~~(3) The department shall certify within ninety days after receipt of all reports under division (P)(1) of this section a list of those state institutions of higher education that the department determines would save amounts if they were to use the fleet management tracking, fuel card program, and bulk fuel purchases tools and services that the department provides. ~~(3) "Incremental cost" means the difference in cost between blended biodiesel and conventional petroleum-based diesel fuel at the time the blended biodiesel is purchased.~~

The ~~director of administrative services, after consultation with the director~~ of development, services may direct the director of budget and management to transfer available moneys in the biodiesel revolving fund to the alternative fuel transportation fund created in section 122.075 of the Revised Code to be used by the ~~department of development~~ services agency for the purposes specified in that section.~~

~~(D) The director of administrative services shall adopt rules under Chapter 119. of the Revised Code that are necessary for the administration of the credit banking and selling program.~~

Sec. 126.07. Except as provided in division (B) of section 126.21 of the Revised Code, no contract, agreement, or obligation involving the expenditure of money chargeable to an appropriation, nor any resolution or order for the expenditure of money chargeable to an appropriation, shall be valid and enforceable unless the director of budget and management first certifies that there is a balance in the appropriation not already obligated to pay existing obligations, in an amount at least equal to the

portion of the contract, agreement, obligation, resolution, or 9722
order to be performed in the current fiscal year. Any written 9723
contract or agreement entered into by the state shall contain a 9724
clause stating that the obligations of the state are subject to 9725
this section. 9726

The chief administrative officer of a state agency is 9727
responsible for the preaudit and approval of expenditures and 9728
other transactions of the agency. In order to initiate the making 9729

those requirements, the chief administrative officer shall certify 9738
to the director the approval of the chief administrative officer 9739
for payment. 9740

Prior to drawing a warrant or processing an electronic funds 9741

director may review and audit the voucher, any documentation 9743
accompanying the voucher, and any other documentation related to 9744
the transaction that the director may require to determine if the 9745
transaction is in accordance with law. The director shall not 9746
approve payment to be made if the director finds that there is not 9747
an unobligated balance in the appropriation for the payment, that 9748
the payment is not for a valid claim against the state that is 9749
legally due, or that insufficient documentation has been 9750
submitted. If the director does not approve payment, the director 9751
shall notify the agency of the reasons the director has not given 9752
approval. 9753

In approving payments to be made under this section, the 9754
director, upon receipt of certification from the director of job 9755
and family services pursuant to section 4141.231 of the Revised 9756
Code, shall withhold from amounts otherwise payable to a person 9757
who is the subject of the director of jobs and family services' 9758
certification, the amount certified to be due and unpaid to the 9759
director of job and family services, and shall approve for payment 9760

except that the director of budget and management may approve the 9773
release of money appropriated for specific projects in accordance 9774
with the requirements of this section and except that the director 9775
of budget and management may approve the release of unencumbered 9776
capital balances, for a project to repair, remove, or prevent a 9777
public exigency declared to exist by the executive director of 9778
~~administrative services~~ the Ohio facilities construction 9779
commission under section 123.10 of the Revised Code, ~~or by the~~ 9780
~~executive director of the Ohio facilities construction commission~~ 9781
~~under section 123.23 of the Revised Code,~~ in the amount designated 9782
in that declaration. 9783

Within sixty days after the effective date of any act 9784

appropriating money for capital projects, the director shall 9785
determine which appropriations are for general projects and which 9786
are for specific projects. Specific projects may include specific 9787
higher education projects that are to be funded from general 9788
purpose appropriations from the higher education improvement fund 9789
or the higher education improvement taxable fund created in 9790

projects are general and which are specific, the director shall 9792
submit to the controlling board a list that includes a brief 9793
description of and the estimated expenditures for each specific 9794
project. The release of money for any specific higher education 9795
projects that are to be funded from general purpose appropriations 9796
from the higher education improvement fund or the higher education 9797
improvement taxable fund but that are not included on the list, 9798
and the release of money for any specific higher education 9799
projects included on the list that will exceed the estimated 9800
expenditures by more than ten per cent, are subject to the 9801
approval of the controlling board. 9802

The director may create new appropriation items and make 9803
transfers of appropriations to them for specific higher education 9804
projects included on the list that are to be funded from general 9805
purpose appropriations for basic renovations that are made from 9806
the higher education improvement fund or the higher education 9807
improvement taxable fund. 9808

Sec. 126.32. (A) Any officer of any state agency may 9809

rehabilitation and correction, to a position of superintendent in 9825
the department of youth services, or to a position under section 9826
122.05 of the Revised Code, and if that appointment requires a 9827
permanent change of residence, the appropriate state agency may 9828
reimburse the person for the person's actual and necessary 9829
expenses, including the cost of in-transit storage of household 9830
goods and personal effects, of moving the person and members of 9831
the person's immediate family residing in the person's household, 9832
and of moving their household goods and personal effects, to the 9833
person's new location. 9834

Until that person moves the person's permanent residence to 9835
the new location, but not for a period that exceeds thirty 9836
consecutive days, the state agency may reimburse the person for 9837
the person's temporary living expenses at the new location that 9838
the person has incurred on behalf of the person and members of the 9839
person's immediate family residing in the person's household. In 9840
addition, the state agency may reimburse that person for the 9841
person's travel expenses between the new location and the person's 9842
former residence during this period for a maximum number of trips 9843
specified by rule of the director of budget and management, but 9844
the state agency shall not reimburse the person for travel 9845
expenses incurred for those trips by members of the person's 9846
immediate family. With the prior written approval of the director, 9847
the maximum thirty-day period for temporary living expenses may be 9848

extended for a person appointed to a position under section 122.05 9849
of the Revised Code. 9850

The director of development services may reimburse a person 9851
appointed to a position under section 122.05 of the Revised Code 9852
for the person's actual and necessary expenses of moving the 9853
person and members of the person's immediate family residing in 9854
the person's household back to the United States and may reimburse 9855
a person appointed to such a position for the cost of storage of 9856
household goods and personal effects of the person and the 9857
person's immediate family while the person is serving outside the 9858
United States, if the person's office outside the United States is 9859
the person's primary job location. 9860

(C) All reimbursement under division (A) or (B) of this 9861
section shall be made in the manner, and at rates that do not 9862
exceed those, provided by rule of the director of budget and 9863
management in accordance with section 111.15 of the Revised Code. 9864
Reimbursements may be made under division (B) of this section 9865
directly to the persons who incurred the expenses or directly to 9866
the providers of goods or services the persons receive, as 9867
determined by the director of budget and management. 9868

(12) "Designee" and "elected official" have the same meanings 12057
as in section 109.43 of the Revised Code. 12058

(B)(1) Upon request and subject to division (B)(8) of this 12059
section, all public records responsive to the request shall be 12060
promptly prepared and made available for inspection to any person 12061
at all reasonable times during regular business hours. Subject to 12062
division (B)(8) of this section, upon request, a public office or 12063
person responsible for public records shall make copies of the 12064
requested public record available at cost and within a reasonable 12065
period of time. If a public record contains information that is 12066
exempt from the duty to permit public inspection or to copy the 12067
public record, the public office or the person responsible for the 12068
public record shall make available all of the information within 12069
the public record that is not exempt. When making that public 12070
record available for public inspection or copying that public 12071
record, the public office or the person responsible for the public 12072
record shall notify the requester of any redaction or make the 12073

redaction plainly visible. A redaction shall be deemed a denial of 12074
a request to inspect or copy the redacted information, except if 12075
federal or state law authorizes or requires a public office to 12076
make the redaction. 12077

(2) To facilitate broader access to public records, a public 12078
office or the person responsible for public records shall organize 12079
and maintain public records in a manner that they can be made 12080
available for inspection or copying in accordance with division 12081
(B) of this section. A public office also shall have available a 12082
copy of its current records retention schedule at a location 12083
readily available to the public. If a requester makes an ambiguous 12084
or overly broad request or has difficulty in making a request for 12085
copies or inspection of public records under this section such 12086
that the public office or the person responsible for the requested 12087
public record cannot reasonably identify what public records are 12088
being requested, the public office or the person responsible for 12089
the requested public record may deny the request but shall provide 12090
the requester with an opportunity to revise the request by 12091
informing the requester of the manner in which records are 12092
maintained by the public office and accessed in the ordinary 12093
course of the public office's or person's duties. 12094

(3) If a request is ultimately denied, in part or in whole, 12095
the public office or the person responsible for the requested 12096
public record shall provide the requester with an explanation, 12097
including legal authority, setting forth why the request was 12098
denied. If the initial request was provided in writing, the 12099
explanation also shall be provided to the requester in writing. 12100
The explanation shall not preclude the public office or the person 12101
responsible for the requested public record from relying upon 12102
additional reasons or legal authority in defending an action 12103
commenced under division (C) of this section. 12104

(4) Unless specifically required or authorized by state or 12105

federal law or in accordance with division (B) of this section, no public office or person responsible for public records may limit or condition the availability of public records by requiring disclosure of the requester's identity or the intended use of the requested public record. Any requirement that the requester disclose the requestor's identity or the intended use of the requested public record constitutes a denial of the request.

(5) A public office or person responsible for public records may ask a requester to make the request in writing, may ask for the requester's identity, and may inquire about the intended use of the information requested, but may do so only after disclosing to the requester that a written request is not mandatory and that the requester may decline to reveal the requester's identity or the intended use and when a written request or disclosure of the identity or intended use would benefit the requester by enhancing the ability of the public office or person responsible for public records to identify, locate, or deliver the public records sought by the requester.

(6) If any person chooses to obtain a copy of a public record in accordance with division (B) of this section, the public office or person responsible for the public record may require that person to pay in advance the cost involved in providing the copy of the public record in accordance with the choice made by the person seeking the copy under this division. The public office or the person responsible for the public record shall permit that person to choose to have the public record duplicated upon paper, upon the same medium upon which the public office or person responsible for the public record keeps it, or upon any other medium upon which the public office or person responsible for the public record determines that it reasonably can be duplicated as an integral part of the normal operations of the public office or person responsible for the public record. When the person seeking

the copy makes a choice under this division, the public office or 12138
person responsible for the public record shall provide a copy of 12139
it in accordance with the choice made by the person seeking the 12140
copy. Nothing in this section requires a public office or person 12141
responsible for the public record to allow the person seeking a 12142
copy of the public record to make the copies of the public record. 12143

(7) Upon a request made in accordance with division (B) of 12144
this section and subject to division (B)(6) of this section, a 12145
public office or person responsible for public records shall 12146
transmit a copy of a public record to any person by United States 12147
mail or by any other means of delivery or transmission within a 12148
reasonable period of time after receiving the request for the 12149
copy. The public office or person responsible for the public 12150
record may require the person making the request to pay in advance 12151
the cost of postage if the copy is transmitted by United States 12152
mail or the cost of delivery if the copy is transmitted other than 12153
by United States mail, and to pay in advance the costs incurred 12154
for other supplies used in the mailing, delivery, or transmission. 12155

Any public office may adopt a policy and procedures that it 12156
will follow in transmitting, within a reasonable period of time 12157
after receiving a request, copies of public records by United 12158
States mail or by any other means of delivery or transmission 12159
pursuant to this division. A public office that adopts a policy 12160
and procedures under this division shall comply with them in 12161
performing its duties under this division. 12162

In any policy and procedures adopted under this division, a 12163
public office may limit the number of records requested by a 12164
person that the office will transmit by United States mail to ten 12165
per month, unless the person certifies to the office in writing 12166
that the person does not intend to use or forward the requested 12167
records, or the information contained in them, for commercial 12168
purposes. For purposes of this division, "commercial" shall be 12169

narrowly construed and does not include reporting or gathering 12170
news, reporting or gathering information to assist citizen 12171
oversight or understanding of the operation or activities of 12172
government, or nonprofit educational research. 12173

(8) A public office or person responsible for public records 12174
is not required to permit a person who is incarcerated pursuant to 12175
a criminal conviction or a juvenile adjudication to inspect or to 12176
obtain a copy of any public record concerning a criminal 12177
investigation or prosecution or concerning what would be a 12178
criminal investigation or prosecution if the subject of the 12179
investigation or prosecution were an adult, unless the request to 12180
inspect or to obtain a copy of the record is for the purpose of 12181
acquiring information that is subject to release as a public 12182
record under this section and the judge who imposed the sentence 12183
or made the adjudication with respect to the person, or the 12184
judge's successor in office, finds that the information sought in 12185
the public record is necessary to support what appears to be a 12186
justiciable claim of the person. 12187

(9)(a) Upon written request made and signed by a journalist 12188
on or after December 16, 1999, a public office, or person 12189
responsible for public records, having custody of the records of 12190
the agency employing a specified peace officer, parole officer, 12191
probation officer, bailiff, prosecuting attorney, assistant 12192
prosecuting attorney, correctional employee, community-based 12193
correctional facility employee, youth services employee, 12194
firefighter, EMT, or investigator of the bureau of criminal 12195
identification and investigation shall disclose to the journalist 12196
the address of the actual personal residence of the peace officer, 12197
parole officer, probation officer, bailiff, prosecuting attorney, 12198
assistant prosecuting attorney, correctional employee, 12199
community-based correctional facility employee, youth services 12200
employee, firefighter, EMT, or investigator of the bureau of 12201

criminal identification and investigation and, if the peace officer's, parole officer's, probation officer's, bailiff's, prosecuting attorney's, assistant prosecuting attorney's, correctional employee's, community-based correctional facility employee's, youth services employee's, firefighter's, EMT's, or investigator of the bureau of criminal identification and investigation's spouse, former spouse, or child is employed by a public office, the name and address of the employer of the peace officer's, parole officer's, probation officer's, bailiff's, prosecuting attorney's, assistant prosecuting attorney's, correctional employee's, community-based correctional facility employee's, youth services employee's, firefighter's, EMT's, or investigator of the bureau of criminal identification and investigation's spouse, former spouse, or child. The request shall include the journalist's name and title and the name and address of the journalist's employer and shall state that disclosure of the information sought would be in the public interest.

(b) Division (B)(9)(a) of this section also applies to journalist requests for customer information maintained by a municipally owned or operated public utility, other than social security numbers and any private financial information such as credit reports, payment methods, credit card numbers, and bank account information.

(c) As used in division (B)(9) of this section, "journalist" means a person engaged in, connected with, or employed by any news medium, including a newspaper, magazine, press association, news agency, or wire service, a radio or television station, or a similar medium, for the purpose of gathering, processing, transmitting, compiling, editing, or disseminating information for the general public.

(C)(1) If a person allegedly is aggrieved by the failure of a public office or the person responsible for public records to

promptly prepare a public record and to make it available to the 12234
person for inspection in accordance with division (B) of this 12235
section or by any other failure of a public office or the person 12236
responsible for public records to comply with an obligation in 12237
accordance with division (B) of this section, the person allegedly 12238
aggrieved may commence a mandamus action to obtain a judgment that 12239
orders the public office or the person responsible for the public 12240
record to comply with division (B) of this section, that awards 12241
court costs and reasonable attorney's fees to the person that 12242
instituted the mandamus action, and, if applicable, that includes 12243
an order fixing statutory damages under division (C)(1) of this 12244
section. The mandamus action may be commenced in the court of 12245
common pleas of the county in which division (B) of this section 12246
allegedly was not complied with, in the supreme court pursuant to 12247
its original jurisdiction under Section 2 of Article IV, Ohio 12248
Constitution, or in the court of appeals for the appellate 12249
district in which division (B) of this section allegedly was not 12250
complied with pursuant to its original jurisdiction under Section 12251
3 of Article IV, Ohio Constitution. 12252

If a requestor transmits a written request by hand delivery 12253
or certified mail to inspect or receive copies of any public 12254
record in a manner that fairly describes the public record or 12255
class of public records to the public office or person responsible 12256
for the requested public records, except as otherwise provided in 12257
this section, the requestor shall be entitled to recover the 12258
amount of statutory damages set forth in this division if a court 12259
determines that the public office or the person responsible for 12260
public records failed to comply with an obligation in accordance 12261
with division (B) of this section. 12262

The amount of statutory damages shall be fixed at one hundred 12263
dollars for each business day during which the public office or 12264
person responsible for the requested public records failed to 12265

comply with an obligation in accordance with division (B) of this 12266
section, beginning with the day on which the requester files a 12267
mandamus action to recover statutory damages, up to a maximum of 12268
one thousand dollars. The award of statutory damages shall not be 12269
construed as a penalty, but as compensation for injury arising 12270
from lost use of the requested information. The existence of this 12271
injury shall be conclusively presumed. The award of statutory 12272
damages shall be in addition to all other remedies authorized by 12273
this section. 12274

The court may reduce an award of statutory damages or not 12275
award statutory damages if the court determines both of the 12276
following: 12277

(a) That, based on the ordinary application of statutory law 12278
and case law as it existed at the time of the conduct or 12279
threatened conduct of the public office or person responsible for 12280
the requested public records that allegedly constitutes a failure 12281
to comply with an obligation in accordance with division (B) of 12282
this section and that was the basis of the mandamus action, a 12283
well-informed public office or person responsible for the 12284
requested public records reasonably would believe that the conduct 12285
or threatened conduct of the public office or person responsible 12286
for the requested public records did not constitute a failure to 12287
comply with an obligation in accordance with division (B) of this 12288
section; 12289

(b) That a well-informed public office or person responsible 12290
for the requested public records reasonably would believe that the 12291
conduct or threatened conduct of the public office or person 12292
responsible for the requested public records would serve the 12293
public policy that underlies the authority that is asserted as 12294
permitting that conduct or threatened conduct. 12295

(2)(a) If the court issues a writ of mandamus that orders the 12296
public office or the person responsible for the public record to 12297

comply with division (B) of this section and determines that the 12298
circumstances described in division (C)(1) of this section exist, 12299
the court shall determine and award to the relator all court 12300
costs. 12301

(b) If the court renders a judgment that orders the public 12302
office or the person responsible for the public record to comply 12303
with division (B) of this section, the court may award reasonable 12304
attorney's fees subject to reduction as described in division 12305
(C)(2)(c) of this section. The court shall award reasonable 12306
attorney's fees, subject to reduction as described in division 12307
(C)(2)(c) of this section when either of the following applies: 12308

(i) The public office or the person responsible for the 12309
public records failed to respond affirmatively or negatively to 12310
the public records request in accordance with the time allowed 12311
under division (B) of this section. 12312

(ii) The public office or the person responsible for the 12313
public records promised to permit the relator to inspect or 12314
receive copies of the public records requested within a specified 12315
period of time but failed to fulfill that promise within that 12316
specified period of time. 12317

(c) Court costs and reasonable attorney's fees awarded under 12318
this section shall be construed as remedial and not punitive. 12319
Reasonable attorney's fees shall include reasonable fees incurred 12320
to produce proof of the reasonableness and amount of the fees and 12321
to otherwise litigate entitlement to the fees. The court may 12322
reduce an award of attorney's fees to the relator or not award 12323
attorney's fees to the relator if the court determines both of the 12324
following: 12325

(i) That, based on the ordinary application of statutory law 12326
and case law as it existed at the time of the conduct or 12327
threatened conduct of the public office or person responsible for 12328

the requested public records that allegedly constitutes a failure 12329
to comply with an obligation in accordance with division (B) of 12330
this section and that was the basis of the mandamus action, a 12331
well-informed public office or person responsible for the 12332
requested public records reasonably would believe that the conduct 12333
or threatened conduct of the public office or person responsible 12334
for the requested public records did not constitute a failure to 12335
comply with an obligation in accordance with division (B) of this 12336
section; 12337

(ii) That a well-informed public office or person responsible 12338
for the requested public records reasonably would believe that the 12339
conduct or threatened conduct of the public office or person 12340
responsible for the requested public records as described in 12341
division (C)(2)(c)(i) of this section would serve the public 12342
policy that underlies the authority that is asserted as permitting 12343
that conduct or threatened conduct. 12344

(D) Chapter 1347. of the Revised Code does not limit the 12345
provisions of this section. 12346

(E)(1) To ensure that all employees of public offices are 12347
appropriately educated about a public office's obligations under 12348
division (B) of this section, all elected officials or their 12349
appropriate designees shall attend training approved by the 12350
attorney general as provided in section 109.43 of the Revised 12351
Code. In addition, all public offices shall adopt a public records 12352
policy in compliance with this section for responding to public 12353
records requests. In adopting a public records policy under this 12354
division, a public office may obtain guidance from the model 12355
public records policy developed and provided to the public office 12356
by the attorney general under section 109.43 of the Revised Code. 12357
Except as otherwise provided in this section, the policy may not 12358
limit the number of public records that the public office will 12359
make available to a single person, may not limit the number of 12360

public records that it will make available during a fixed period 12361
of time, and may not establish a fixed period of time before it 12362
will respond to a request for inspection or copying of public 12363
records, unless that period is less than eight hours. 12364

(2) The public office shall distribute the public records 12365
policy adopted by the public office under division (E)(1) of this 12366
section to the employee of the public office who is the records 12367
custodian or records manager or otherwise has custody of the 12368
records of that office. The public office shall require that 12369
employee to acknowledge receipt of the copy of the public records 12370
policy. The public office shall create a poster that describes its 12371
public records policy and shall post the poster in a conspicuous 12372
place in the public office and in all locations where the public 12373
office has branch offices. The public office may post its public 12374
records policy on the internet web site of the public office if 12375
the public office maintains an internet web site. A public office 12376
that has established a manual or handbook of its general policies 12377
and procedures for all employees of the public office shall 12378
include the public records policy of the public office in the 12379
manual or handbook. 12380

(F)(1) The bureau of motor vehicles may adopt rules pursuant 12381
to Chapter 119. of the Revised Code to reasonably limit the number 12382
of bulk commercial special extraction requests made by a person 12383
for the same records or for updated records during a calendar 12384
year. The rules may include provisions for charges to be made for 12385
bulk commercial special extraction requests for the actual cost of 12386
the bureau, plus special extraction costs, plus ten per cent. The 12387
bureau may charge for expenses for redacting information, the 12388
release of which is prohibited by law. 12389

(2) As used in division (F)(1) of this section: 12390

(a) "Actual cost" means the cost of depleted supplies, 12391
records storage media costs, actual mailing and alternative 12392

delivery costs, or other transmitting costs, and any direct 12393
equipment operating and maintenance costs, including actual costs 12394
paid to private contractors for copying services. 12395

(b) "Bulk commercial special extraction request" means a 12396
request for copies of a record for information in a format other 12397
than the format already available, or information that cannot be 12398
extracted without examination of all items in a records series, 12399
class of records, or ~~data base~~ database by a person who intends to 12400
use or forward the copies for surveys, marketing, solicitation, or 12401
resale for commercial purposes. "Bulk commercial special 12402
extraction request" does not include a request by a person who 12403
gives assurance to the bureau that the person making the request 12404
does not intend to use or forward the requested copies for 12405
surveys, marketing, solicitation, or resale for commercial 12406
purposes. 12407

(c) "Commercial" means profit-seeking production, buying, or 12408
selling of any good, service, or other product. 12409

(d) "Special extraction costs" means the cost of the time 12410
spent by the lowest paid employee competent to perform the task, 12411
the actual amount paid to outside private contractors employed by 12412
the bureau, or the actual cost incurred to create computer 12413
programs to make the special extraction. "Special extraction 12414
costs" include any charges paid to a public agency for computer or 12415
records services. 12416

(3) For purposes of divisions (F)(1) and (2) of this section, 12417
"surveys, marketing, solicitation, or resale for commercial 12418
purposes" shall be narrowly construed and does not include 12419
reporting or gathering news, reporting or gathering information to 12420
assist citizen oversight or understanding of the operation or 12421
activities of government, or nonprofit educational research. 12422

Sec. 151.11. (A) As used in this section: 12423

(1) "Costs of sites and facilities" includes related direct administrative expenses and allocable portions of the direct costs of those projects. "Costs of sites and facilities" includes "allowable costs" as defined in section 122.085 of the Revised Code.

(B) The issuing authority shall issue general obligations of the state to pay costs of sites and facilities pursuant to division (B)(3) of Section 2p of Article VIII, Ohio Constitution, section 151.01 of the Revised Code, and this section. The issuing authority shall issue obligations in the amount determined by the issuing authority to be required for those purposes. The total principal amount of obligations issued under this section shall not exceed one hundred fifty million dollars.

During the period beginning with the date of the first issuance of

obligations and continuing during the time that any obligations 12456
are outstanding in accordance with their terms, so long as moneys 12457
in the bond service fund are insufficient to pay debt service when 12458
due on those obligations payable from that fund, except the 12459
principal amounts of bond anticipation notes payable from the 12460
proceeds of renewal notes or bonds anticipated, and due in the 12461
particular fiscal year, a sufficient amount of revenues of the 12462
state is committed and, without necessity for further act of 12463
appropriation, shall be paid to the bond service fund for the 12464
purpose of paying that debt service when due. All investment 12465
earnings on the cash balance in the fund shall be credited to the 12466
fund. 12467

thereof or further act, and the lien of any such pledge is valid 12776
and binding against all parties having claims of any kind against 12777
the authority, irrespective of whether those parties have notice 12778

thereof, and creates a perfected security interest for all 12779
purposes of Chapter 1309. of the Revised Code and a perfected lien 12780
for purposes of any real property interest, all without the 12781
necessity for separation or delivery of funds or for the filing or 12782

principal as the holder of the items and shall not interrupt the 13823
period for computing the time for which the items have remained 13824
unclaimed. 13825

owner or upon the nonactivity as provided in division (B) of 13842
section 169.01 of the Revised Code, whichever occurs later, 13843

fund shall be credited to the trust fund. The remainder of the 14186
aggregate amount of unclaimed funds as shown on the report, plus 14187
earnings accrued to date of payment to the director, shall, at the 14188

option of the director, be retained by the holder or paid to the 14189
director for deposit as agent for the mortgage funds with a 14190
financial organization as defined in section 169.01 of the Revised 14191
Code, with the funds to be in income-bearing accounts to the 14192
credit of the mortgage funds, or the holder may enter into an 14193
agreement with the director specifying the obligations of the 14194

the interest on the obligations to the state. Holders retaining 14196
any funds not in obligations of the United States shall enter into 14197
an agreement with the director specifying the classification of 14198

state interest on the funds at a rate equal to the prevailing 14200
market rate for similar funds. Moneys that the holder is required 14201
to pay to the director rather than to retain may be deposited with 14202
the treasurer of state, or placed with a financial organization. 14203

Securities and other intangible property transferred to the 14204
director shall, within a reasonable time, be converted to cash and 14205

the minority business bonding fund to meet the provisions of 14212
division (B) of this section, the remainder shall be allocated on 14213
the records of the director to the housing development fund 14214
created by division (A) of section 175.11 of the Revised Code. 14215

section 122.88 of the Revised Code, the mortgage insurance fund, 14220

and the housing development fund created by section 175.11 of the Revised Code. Funds from the mortgage insurance fund are available to the director of development services when those funds are to be disbursed to prevent or cure, or upon the occurrence of, a default of a mortgage insured pursuant to section 122.451 of the Revised Code. Funds from the housing development fund are available upon request to the Ohio housing finance agency, in an amount not to exceed the funds allocated on the records of the director, for the purposes of section 175.05 of the Revised Code. Funds from the minority business bonding fund are available to the director of development services upon request to pay obligations on bonds the director writes pursuant to section 122.88 of the Revised Code; except that, unless the general assembly authorizes additional amounts, the total maximum amount of moneys that may be allocated to the minority business bonding fund under this division is ten million dollars.

When funds are to be disbursed, the appropriate agency shall call upon the director to transfer the necessary funds to it. The director shall first withdraw the funds paid by the holders and deposited with the treasurer of state or in a financial institution as agent for the funds. Whenever these funds are inadequate to meet the request, the director shall provide for a withdrawal of funds, within a reasonable time and in the amount necessary to meet the request, from financial institutions in which the funds were retained or placed by a holder and from other holders who have retained funds, in an equitable manner as the director prescribes. In the event that the amount to be withdrawn from any one holder is less than five hundred dollars, the amount to be withdrawn is at the director's discretion. The director shall then transfer to the agency the amount of funds requested.

administrative expenses the department of commerce incurs in the 14256
administration and enforcement of this chapter. 14257

The unclaimed funds trust fund shall be assessed a 14258

classification held in the financial organization or paid to the 14268
director. The director shall be notified annually, and at other 14269
times as the director may request, of the amount of the earnings 14270

to be withdrawn shall be at the discretion of the director. Such 14423
funds may be reimbursed in the amounts withdrawn when the trust 14424
fund has a surplus over the amount required to pay anticipated 14425
claims. Whenever the trust fund has a surplus over the amount 14426
required to pay anticipated claims, the director may transfer such 14427
surplus to the mortgage accounts. 14428

~~(E)~~(F) If a claim which is allowed under this section relates 14429
to funds which have been retained by the reporting holder, and if 14430

such holder in writing of the payment of the claim and such holder 14433
shall immediately reimburse the state in the amount of such claim. 14434
The reimbursement shall be credited to the unclaimed funds trust 14435

Code. If the director has received notice that an owner or 14459
claimant owes both child support under section 3123.88 and an 14460
amount certified under section 131.024 of the Revised Code, the 14461
setoff against child support shall take priority and be applied 14462
first, and any remaining amount shall be applied next to the 14463
payment of delinquent state taxes, penalties or interest, or other 14464

provided that the authority granted under those sections shall not 21859
be exercised in a manner that discriminates against, unfairly 21860

the chief be engaged in any occupation or business that might 21864

to prevent such violations, the chief shall issue the permit 22092
subject to those terms or conditions, including, if applicable, 22093
terms and conditions regarding subjects identified in rules 22094
adopted under section 1509.03 of the Revised Code. The issuance of 22095

Sec. 1509.074. (A) With regard to material that is used in or 22280
results from the construction, operation, or plugging of a 22281
horizontal well, all of the following apply: 22282

(1) Except as provided in division (A)(2) of this section, 22283
the owner shall determine the concentration of radium-226 and of 22284
radium-228 in the material if the material is technologically 22285

horizontal well until the analysis is complete and the results are 22292
available. However, the owner may temporarily store the material 22293
in an area adjacent to the location associated with the production 22294
operation of the well while the results from the analysis of the 22295
samples are pending if the material is located in an area that is 22296
designated by the division of oil and gas resources management and 22297
the owner complies with all conditions imposed by the chief of the 22298

originated or is transferred to another site for reuse in a 22304
horizontal well. For purposes of this division, a material is 22305
reused if the material is used in a substantially similar manner 22306
as it was originally used. 22307

occurring radioactive material and the material has come in 22313
contact with a refined oil-based substance, the owner shall do one 22314
of the following: 22315

(a) If the material is removed from the location associated 22316
with the production operation of the well, dispose of the material 22317
at a solid waste facility that is authorized to accept the 22318
material in accordance with Chapter 3734. of the Revised Code and 22319
rules adopted under it; 22320

(b) If the material is removed from the location associated with the production operation of the well, beneficially use the material in accordance with rules adopted by the director of environmental protection under section 3734.125 of the Revised Code; 22321
22322
22323
22324
22325

(c) If the material is not removed from the location associated with the production operation of the well, recycle or reuse the material with the approval of the chief. 22326
22327
22328

(5) If the material is not technologically enhanced naturally occurring radioactive material and the material has not come in contact with a refined oil-based substance, the material may remain at the location associated with the production operation of the horizontal well, and the owner may utilize the material at the site of the horizontal well. 22329
22330
22331
22332
22333
22334

(B) An owner who has obtained results under division (A)(1) of this section shall keep and maintain the results for a period of three years. In addition, the owner shall provide a copy of the results to the chief upon request. 22335
22336
22337

to prevent the escape of brine and crude oil, and the reservoir 22715
within such a dike or pit shall be kept reasonably free of brine, 22716
crude oil, and other waste substances. 22717

~~(5) Earthen impoundments~~ (6) Impoundments constructed 22718

the chief, shall inject brine or other waste substances resulting 22728
from, obtained from, or produced in connection with oil or gas 22729
drilling, exploration, or production into an underground formation 22730
unless a rule of the chief expressly authorizes the injection 22731
without a permit. The permit shall be in addition to any permit 22732

brine and other waste substances resulting from, obtained from, or 22737
produced in connection with oil or gas drilling, exploration, or 22738

injection into the well. 22753

(d) The provision and electronic reporting quarterly of 22754

22758

(e) Any other provisions in furtherance of the goals of this section and the Safe Drinking Water Act. 22759
22760

(2) The chief may adopt rules in accordance with Chapter 119. of the Revised Code authorizing tests to evaluate whether fluids or carbon dioxide may be injected in a reservoir and to determine the maximum allowable injection pressure, which shall be conducted in accordance with methods prescribed in the rules or in accordance with conditions of the permit. In addition, the chief may adopt rules that do both of the following: 22761

22769

(b) Establish requirements and procedures to protect public health and safety. 22770
22771

(3) To implement the goals of the Safe Drinking Water Act, the chief shall not issue a permit for the injection of brine or other waste substances resulting from, obtained from, or produced in connection with oil or gas drilling, exploration, or production unless the chief concludes that the applicant has demonstrated that the injection will not result in the presence of any contaminant in ground water that supplies or can reasonably be expected to supply any public water system, such that the presence of the contaminant may result in the system's not complying with any national primary drinking water regulation or may otherwise adversely affect the health of persons. 22772

22784
22785
22786

(5) This division and rules, orders, and terms and conditions 22787

of permits adopted or issued under it shall be construed to be no 22788

Water Act unless essential to ensure that underground sources of 22790
drinking water will not be endangered. 22791

(E) The owner holding a permit, or an assignee or transferee 22792
who has assumed the obligations and liabilities imposed by this 22793
chapter and any rules adopted or orders issued under it pursuant 22794
to section 1509.31 of the Revised Code, and the operator of a well 22795
shall be liable for a violation of this section or any rules 22796

(F) An owner shall replace the water supply of the holder of 22799
an interest in real property who obtains all or part of the 22800
holder's supply of water for domestic, agricultural, industrial, 22801
or other legitimate use from an underground or surface source 22802
where the supply has been substantially disrupted by 22803
contamination, diminution, or interruption proximately resulting 22804
from the owner's oil or gas operation, or the owner may elect to 22805
compensate the holder of the interest in real property for the 22806
difference between the fair market value of the interest before 22807
the damage occurred to the water supply and the fair market value 22808
after the damage occurred if the cost of replacing the water 22809
supply exceeds this difference in fair market values. However, 22810
during the pendency of any order issued under this division, the 22811
owner shall obtain for the holder or shall reimburse the holder 22812
for the reasonable cost of obtaining a water supply from the time 22813
of the contamination, diminution, or interruption by the operation 22814
until the owner has complied with an order of the chief for 22815
compliance with this division or such an order has been revoked or 22816
otherwise becomes not effective. If the owner elects to pay the 22817
difference in fair market values, but the owner and the holder 22818
have not agreed on the difference within thirty days after the 22819

chief issues an order for compliance with this division, within 22820
ten days after the expiration of that thirty-day period, the owner 22821
and the chief each shall appoint an appraiser to determine the 22822
difference in fair market values, except that the holder of the 22823
interest in real property may elect to appoint and compensate the 22824
holder's own appraiser, in which case the chief shall not appoint 22825
an appraiser. The two appraisers appointed shall appoint a third 22826
appraiser, and within thirty days after the appointment of the 22827
third appraiser, the three appraisers shall hold a hearing to 22828

after the hearing, the appraisers shall make their determination 22830
by majority vote and issue their final determination of the 22831
difference in fair market values. The chief shall accept a 22832
determination of the difference in fair market values made by 22833
agreement of the owner and holder or by appraisers under this 22834
division and shall make and dissolve orders accordingly. This 22835
division does not affect in any way the right of any person to 22836
enforce or protect, under applicable law, the person's interest in 22837
water resources affected by an oil or gas operation. 22838

(G) In any action brought by the state for a violation of 22839
division (A) of this section involving any well at which annular 22840
disposal is used, there shall be a rebuttable presumption 22841
available to the state that the annular disposal caused the 22842
violation if the well is located within a one-quarter-mile radius 22843
of the site of the violation. 22844

(H)(1) There is levied on the owner of an injection well who 22845
has been issued a permit under division (D) of this section the 22846
following fees: 22847

(a) Five cents per barrel of each substance that is delivered 22848
to a well to be injected in the well when the substance is 22849
produced within the division of oil and gas resources management 22850
regulatory district in which the well is located or within an 22851

adjoining oil and gas resources management regulatory district; 22852

(b) Twenty cents per barrel of each substance that is 22853
delivered to a well to be injected in the well when the substance 22854
is not produced within the division of oil and gas resources 22855
management regulatory district in which the well is located or 22856
within an adjoining oil and gas resources management regulatory 22857
district. 22858

(2) The maximum number of barrels of substance per injection 22859
well in a calendar year on which a fee may be levied under 22860
division (H) of this section is five hundred thousand. If in a 22861
calendar year the owner of an injection well receives more than 22862
five hundred thousand barrels of substance to be injected in the 22863
owner's well and if the owner receives at least one substance that 22864
is produced within the division's regulatory district in which the 22865
well is located or within an adjoining regulatory district and at 22866
least one substance that is not produced within the division's 22867
regulatory district in which the well is located or within an 22868
adjoining regulatory district, the fee shall be calculated first 22869
on all of the barrels of substance that are not produced within 22870
the division's regulatory district in which the well is located or 22871
within an adjoining district at the rate established in division 22872
(H)(2) of this section. The fee then shall be calculated on the 22873
barrels of substance that are produced within the division's 22874
regulatory district in which the well is located or within an 22875
adjoining district at the rate established in division (H)(1) of 22876
this section until the maximum number of barrels established in 22877
division (H)(2) of this section has been attained. 22878

(3) The owner of an injection well who is issued a permit 22879
under division (D) of this section shall collect the fee levied by 22880
division (H) of this section on behalf of the division of oil and 22881
gas resources management and forward the fee to the division. The 22882
chief shall transmit all money received under division (H) of this 22883

section to the treasurer of state who shall deposit the money in 22884
the state treasury to the credit of the oil and gas well fund 22885
created in section 1509.02 of the Revised Code. The owner of an 22886
injection well who collects the fee levied by this division may 22887
retain up to three per cent of the amount that is collected. 22888

(4) The chief shall adopt rules in accordance with Chapter 22889
119. of the Revised Code establishing requirements and procedures 22890
for collection of the fee levied by division (H) of this section. 22891

Sec. 1509.226. (A) If a board of county commissioners, a 22892
board of township trustees, or the legislative authority of a 22893
municipal corporation wishes to permit the surface application of 22894
brine to roads, streets, highways, and other similar land surfaces 22895
it owns or has the right to control for control of dust or ice, it 22896
may adopt a resolution permitting such application as provided in 22897
this section. If a board or legislative authority does not adopt 22898
such a resolution, then no such surface application of brine is 22899
permitted on such roads, streets, highways, and other similar 22900
surfaces. If a board or legislative authority votes on a proposed 22901
resolution to permit such surface application of brine, but the 22902
resolution fails to receive the affirmative vote of a majority of 22903
the board or legislative authority, the board or legislative 22904
authority shall not adopt such a resolution for one year following 22905
the date on which the vote was taken. A board or legislative 22906
authority shall hold at least one public hearing on any proposal 22907
to permit surface application of brine under this division and may 22908
hold additional hearings. The board or legislative authority shall 22909
publish notice of the time and place of each such public hearing 22910
in a newspaper of general circulation in the political subdivision 22911
at least five days before the day on which the hearing is to be 22912
held. 22913

(B) If a board or legislative authority adopts a resolution 22914

permitting the surface application of brine to roads, streets, 22915
highways, and other similar land surfaces under division (A) of 22916
this section, the board or legislative authority shall, within 22917
thirty days after the adoption of the resolution, prepare and 22918
submit to the chief of the division of oil and gas resources 22919
management a copy of the resolution. Any department, agency, or 22920
instrumentality of this state or the United States that wishes to 22921
permit the surface application of brine to roads, streets, 22922
highways, and other similar land surfaces it owns or has a right 22923
to control shall prepare and submit guidelines for such 22924
application, but need not adopt a resolution under division (A) of 22925
this section permitting such surface application. 22926

All resolutions and guidelines shall be subject to the 22927
following standards: 22928

(1) Brine shall not be applied: 22929

(a) To a water-saturated surface; 22930

(b) Directly to vegetation near or adjacent to surfaces being 22931
treated; 22932

or crossing drainage ditches; 22934

(d) Between sundown and sunrise, except for ice control. 22935

(2) The discharge of brine through the spreader bar shall 22936
stop when the application stops. 22937

(3) The applicator vehicle shall be moving at least five 22938
miles per hour at all times while the brine is being applied. 22939

(4) The maximum spreader bar nozzle opening shall be 22940
three-quarters of an inch in diameter. 22941

(5) The maximum uniform application rate of brine shall be 22942

three gallons per sixty square feet on unpaved lots. 22944

(6) The applicator vehicle discharge valve shall be closed 22945
between the brine collection point and the specific surfaces that 22946
have been approved for brine application. 22947

(7) Any valves that provide for tank draining other than 22948
through the spreader bar shall be closed during the brine 22949
application and transport. 22950

(8) The angle of discharge from the applicator vehicle 22951
spreader bar shall not be greater than sixty degrees from the 22952
perpendicular to the unpaved surface. 22953

(9) Only the last twenty-five per cent of an applicator 22954
vehicle's contents shall be allowed to have a pressure greater 22955
than atmospheric pressure; therefore, the first seventy-five per 22956
cent of the applicator vehicle's contents shall be discharged 22957
under atmospheric pressure. 22958

(10) Only brine that is produced from a well that is not a 22959
horizontal well shall be allowed to be spread on a road. Fluids 22960
from the drilling of a well, flowback from the stimulation of a 22961
well, and other fluids used to treat a well shall not be spread on 22962
a road. 22963

If a resolution or guidelines contain only the standards 22964
listed in divisions (B)(1) to (10) of this section, without 22965
addition or qualification, the resolution or guidelines shall be 22966
deemed effective when submitted to the chief without further 22967
action by the chief. All other resolutions and guidelines shall 22968
comply with and be no less stringent than this chapter, rules 22969
concerning surface application that the chief shall adopt under 22970
division (C) of section 1509.22 of the Revised Code, and other 22971
rules of the chief. Within fifteen days after receiving such other 22972
resolutions and guidelines, the chief shall review them for 22973
compliance with the law and rules and disapprove them if they do 22974
not comply. 22975

The board, legislative authority, or department, agency, or instrumentality may revise and resubmit any resolutions or guidelines that the chief disapproves after each disapproval, and the chief shall again review and approve or disapprove them within fifteen days after receiving them. The board, legislative authority, or department, agency, or instrumentality may amend any resolutions or guidelines previously approved by the chief and submit them, as amended, to the chief. The chief shall receive, review, and approve or disapprove the amended resolutions or guidelines on the same basis and in the same time as original resolutions or guidelines. The board, legislative authority, or department, agency, or instrumentality shall not implement amended resolutions or guidelines until they are approved by the chief under this division.

The board need not approve any such plans, but if it approves a plan, the plan shall comply with this chapter, rules adopted thereunder, and the board's resolutions, if any. Disapproved plans may be revised and resubmitted for the board's approval. Approved plans may also be revised and submitted to the board. A plan or revised plan shall do all of the following:

- (2) Identify by name, address, and registration certificate, if applicable, any transporters of the brine;
- (3) Specifically identify the places to which the brine will be applied;

(4) Specifically describe the method, rate, and frequency of application. 23008
23009

(D) The board may attach terms and conditions to approval of a plan, or revised plan, and may revoke approval for any violation of this chapter, rules adopted thereunder, resolutions adopted by the board, or terms or conditions attached by the board. The board shall conduct at least one public hearing before approving a plan or revised plan, publishing notice of the time and place of each such public hearing in a newspaper of general circulation in the county at least five days before the day on which the hearing is to be held. The board shall record the filings of all plans and revised plans in its journal. The board shall approve, disapprove, or revoke approval of a plan or revised plan by the adoption of a resolution. cause, may modify the requirements of this section governing the 23140
assignment or transfer of the interests of a well to the 23141
landowner. Upon the assignment or transfer of the well, the owner 23142
of an exempt domestic well is not subject to the severance tax 23143
levied under section 5749.02 of the Revised Code, but is subject 23144
to all applicable fees established in this chapter. 23145

(C) The owner holding a permit under section 1509.05 of the 23146
Revised Code is responsible for all obligations and liabilities 23147
imposed by this chapter and any rules, orders, and terms and 23148
conditions of a permit adopted or issued under it, and no 23149
assignment or transfer by the owner relieves the owner of the 23150
obligations and liabilities until and unless the assignee or 23151
transferee files with the division the information described in 23152
divisions (A)(1), (2), (3), (4), (5), (10), (11), and (12) of 23153

in section 1509.07 of the Revised Code. Section 1509.071 of the 23161
Revised Code applies to the surety bond, cash, and negotiable 23162

accordance with the plans and information filed by the permit 23166
holder pursuant to section 1509.06 of the Revised Code. 23167

(D) If a mortgaged property that is being foreclosed is 23168
subject to an oil or gas lease, pipeline agreement, or other 23169
instrument related to the production or sale of oil or natural gas 23170
and the lease, agreement, or other instrument was recorded 23171
subsequent to the mortgage, and if the lease, agreement, or other 23172
instrument is not in default, the oil or gas lease, pipeline 23173
agreement, or other instrument, as applicable, has priority over 23174
all other liens, claims, or encumbrances on the property so that 23175
the oil or gas lease, pipeline agreement, or other instrument is 23176
not terminated or extinguished upon the foreclosure sale of the 23177
mortgaged property. If the owner of the mortgaged property was 23178
entitled to oil and gas royalties before the foreclosure sale, the 23179
oil or gas royalties shall be paid to the purchaser of the 23180
foreclosed property. 23181

Sec. 1509.34. (A)(1) If an owner fails to pay the fees 23182

and gas resources management incurs costs under division (E) of 23184
section 1509.071 of the Revised Code to correct conditions 23185
associated with the owner's well that the chief reasonably has 23186
determined are causing imminent health or safety risks, the 23187
division of oil and gas resources management shall have a priority 23188
lien against that owner's interest in the applicable well in front 23189
of all other creditors for the amount of any such unpaid fees and 23190
costs incurred. The chief shall file a statement in the office of 23191
the county recorder of the county in which the applicable well is 23192
located of the amount of the unpaid fees and costs incurred as 23193
described in this division. The statement shall constitute a lien 23194
on the owner's interest in the well as of the date of the filing. 23195
The lien shall remain in force so long as any portion of the lien 23196
remains unpaid or until the chief issues a certificate of release 23197
of the lien. If the chief issues a certificate of release of the 23198
lien, the chief shall file the certificate of release in the 23199

office of the applicable county recorder. 23200

(2) A lien imposed under division (A)(1) of this section 23201
shall be in addition to any lien imposed by the attorney general 23202
for failure to pay ~~the assessment imposed by section 1509.50 of~~ 23203
~~the Revised Code or~~ the tax levied under division (A)(5) ~~or~~ (6), 23204
(10), or (11) of section 5749.02 of the Revised Code, as 23205
applicable. 23206

(3) If the attorney general cannot collect from a severer or 23207
an owner for an outstanding balance ~~of amounts due under section~~ 23208
~~1509.50 of the Revised Code or~~ of unpaid taxes levied under 23209
division (A)(5) ~~or~~ (6), (10), or (11) of section 5749.02 of the 23210
Revised Code, as applicable, the tax commissioner may request the 23211
chief to impose a priority lien against the owner's interest in 23212
the applicable well. Such a lien has priority in front of all 23213
other creditors. 23214

(B) The chief promptly shall issue a certificate of release 23215
of a lien under either of the following circumstances: 23216

(1) Upon the repayment in full of the amount of unpaid fees 23217
imposed by this chapter or costs incurred by the chief under 23218
division (E) of section 1509.071 of the Revised Code to correct 23219
conditions associated with the owner's well that the chief 23220
reasonably has determined are causing imminent health or safety 23221
risks; 23222

(2) Any other circumstance that the chief determines to be in 23223
the best interests of the state. 23224

(C) The chief may modify the amount of a lien under this 23225
section. If the chief modifies a lien, the chief shall file a 23226
statement in the office of the county recorder of the applicable 23227
county of the new amount of the lien. 23228

(D) An owner regarding which the division has recorded a lien 23229

against the owner's interest in a well in accordance with this 23230
section shall not transfer a well, lease, or mineral rights to 23231
another owner or person until the chief issues a certificate of 23232
release for each lien against the owner's interest in the well. 23233

(E) All money from the collection of liens under this section 23234
shall be deposited in the state treasury to the credit of the oil 23235
and gas well fund created in section 1509.02 of the Revised Code. 23236

Sec. 1531.06. (A) The chief of the division of wildlife, with 23237

been filed by the health insuring corporation with the 24846
superintendent of insurance. If the superintendent does not 24847
disapprove the evidence of coverage or amendment within sixty days 24848
after it is filed it shall be deemed approved, unless the 24849
superintendent sooner gives approval for the evidence of coverage 24850

amended or added to the evidence of coverage. If the 24853

of this section, the superintendent shall so notify the health 24856
insuring corporation and it shall be unlawful for the health 24857
insuring corporation to use such evidence of coverage or 24858

days' written notice to a health insuring corporation, may 24860
withdraw an approval, deemed or actual, of any evidence of 24861
coverage or amendment on any of the grounds stated in this 24862
section. Such disapproval shall be effected by a written order, 24863

continuation of coverage shall terminate at the earliest 24896
occurrence of any of the following: 24897

(a) The enrollee's discharge from the hospital; 24898

(b) The determination by the enrollee's attending physician 24899
that inpatient care is no longer medically indicated for the 24900

or not the health insuring corporation authorized the use of the 24919
provider or health care facility. 24920

(E) Notwithstanding divisions (C) and (D) of this section, a 24921
health insuring corporation may use an evidence of coverage that 24922
provides for the coverage of beneficiaries enrolled in medicare 24923
pursuant to a medicare contract, or an evidence of coverage that 24924

program regulated by a federal regulatory body, or an evidence of 24930
coverage that provides for the coverage of beneficiaries under any 24931

insuring corporation at any time until the contractual periodic 24949
prepayment and premium rate, or amendment, have been filed with 24950
the superintendent of insurance, and shall not be effective until 24951
the expiration of sixty days after their filing unless the 24952
superintendent sooner gives approval. The filing shall be 24953
accompanied by an actuarial certification in the form prescribed 24954
by the superintendent. The superintendent shall disapprove the 24955
filing, if the superintendent determines within the sixty-day 24956
period that the contractual periodic prepayment or premium rate, 24957

or amendment, is not in accordance with sound actuarial principles 24958
or is not reasonably related to the applicable coverage and 24959
characteristics of the applicable class of enrollees. The 24960
superintendent shall notify the health insuring corporation of the 24961
disapproval, and it shall thereafter be unlawful for the health 24962
insuring corporation to use the contractual periodic prepayment or 24963
premium rate, or amendment. 24964

(2) No contractual periodic prepayment for group policies for 24965
health care services shall be used until the contractual periodic 24966
prepayment has been filed with the superintendent. The filing 24967
shall be accompanied by an actuarial certification in the form 24968
prescribed by the superintendent. The superintendent may reject a 24969
filing made under division (A)(2) of this section at any time, 24970

corporation, if the contractual periodic prepayment is not in 24972
accordance with sound actuarial principles or is not reasonably 24973
related to the applicable coverage and characteristics of the 24974
applicable class of enrollees. 24975

(3) At any time, the superintendent, upon at least thirty 24976
days' written notice to a health insuring corporation, may 24977
withdraw the approval given under division (A)(1) of this section, 24978
deemed or actual, of any contractual periodic prepayment or 24979
premium rate, or amendment, based on information that either of 24980

(a) The contractual periodic prepayment or premium rate, or 24982
amendment, is not in accordance with sound actuarial principles. 24983

(b) The contractual periodic prepayment or premium rate, or 24984
amendment, is not reasonably related to the applicable coverage 24985
and characteristics of the applicable class of enrollees. 24986

(4) Any disapproval under division (A)(1) of this section, 24987
any rejection of a filing made under division (A)(2) of this 24988

section, or any withdrawal of approval under division (A)(3) of 24989
this section, shall be effected by a written notice, which shall 24990
state the specific basis for the disapproval, rejection, or 24991
withdrawal and shall be issued in accordance with Chapter 119. of 24992
the Revised Code. 24993

(B) Notwithstanding division (A) of this section, a health 24994
insuring corporation may use a contractual periodic prepayment or 24995
premium rate for policies used for the coverage of beneficiaries 24996
enrolled in medicare pursuant to a medicare risk contract or 24997
medicare cost contract, or for policies used for the coverage of 24998
beneficiaries enrolled in the federal employees health benefits 24999
program pursuant to 5 U.S.C.A. 8905, or for policies used for the 25000
coverage of medicaid recipients, or for policies used for the 25001
coverage of beneficiaries under any other federal health care 25002
program regulated by a federal regulatory body, or for policies 25003
used for the coverage of beneficiaries under any contract covering 25004
officers or employees of the state that has been entered into by 25005
the department of administrative services, if both of the 25006
following apply: 25007

(1) The contractual periodic prepayment or premium rate has 25008
been approved by the United States department of health and human 25009
services, the United States office of personnel management, the 25010
department of ~~job and family services~~ medicaid, or the department 25011
of administrative services. 25012

(2) The contractual periodic prepayment or premium rate is 25013
filed with the superintendent prior to use and is accompanied by 25014
documentation of approval from the United States department of 25015
health and human services, the United States office of personnel 25016
management, the department of ~~job and family services~~ medicaid, or 25017
the department of administrative services. 25018

(C) The administrative expense portion of all contractual 25019
periodic prepayment or premium rate filings submitted to the 25020

superintendent for review must reflect the actual cost of 25021
administering the product. The superintendent may require that the 25022
administrative expense portion of the filings be itemized and 25023
supported. 25024

(D)(1) Copayments must be reasonable and must not be a 25025
barrier to the necessary utilization of services by enrollees. 25026

(2) A health insuring corporation, in order to ensure that 25027
copayments are reasonable and not a barrier to the necessary 25028
utilization of basic health care services by enrollees, may do one 25029
of the following: 25030

(a) Impose copayment charges on any single covered basic 25031
health care service that does not exceed forty per cent of the 25032
average cost to the health insuring corporation of providing the 25033
service; 25034

(b) Impose copayment charges that annually do not exceed 25035
twenty per cent of the total annual cost to the health insuring 25036
corporation of providing all covered basic health care services, 25037
including physician office visits, urgent care services, and 25038
emergency health services, when aggregated as to all persons 25039
covered under the filed product in question. In addition, annual 25040
copayment charges as to each enrollee shall not exceed twenty per 25041
cent of the total annual cost to the health insuring corporation 25042
of providing all covered basic health care services, including 25043
physician office visits, urgent care services, and emergency 25044
health services, as to such enrollee. The total annual cost of 25045
providing a health care service is the cost to the health insuring 25046
corporation of providing the health care service to its enrollees 25047
as reduced by any applicable provider discount. 25048

(3) To ensure that copayments are reasonable and not a 25049
barrier to the utilization of basic health care services, a health 25050
insuring corporation may not impose, in any contract year, on any 25051

subscriber or enrollee, copayments that exceed two hundred per 25052
cent of the average annual premium rate to subscribers or 25053
enrollees. 25054

(4) For purposes of division (D) of this section, both of the 25055
following apply: 25056

(a) Copayments imposed by health insuring corporations in 25057
connection with a high deductible health plan that is linked to a 25058
health savings account are reasonable and are not a barrier to the 25059
necessary utilization of services by enrollees. 25060

(b) Divisions (D)(2) and (3) of this section do not apply to 25061
a high deductible health plan that is linked to a health savings 25062
account. 25063

(E) A health insuring corporation shall not impose lifetime 25064
maximums on basic health care services. However, a health insuring 25065
corporation may establish a benefit limit for inpatient hospital 25066
services that are provided pursuant to a policy, contract, 25067
certificate, or agreement for supplemental health care services. 25068

(F) A health insuring corporation may require that an 25069
enrollee pay an annual deductible that does not exceed one 25070
thousand dollars per enrollee or two thousand dollars per family, 25071
except that: 25072

(1) A health insuring corporation may impose higher 25073
deductibles for high deductible health plans that are linked to 25074
health savings accounts; 25075

(2) The superintendent may adopt rules allowing different 25076
annual deductible amounts for plans with a medical savings 25077
account, health reimbursement arrangement, flexible spending 25078
account, or similar account; 25079

(3) A health insuring corporation may impose higher 25080
deductibles under health plans if requested by the group contract, 25081

policy, certificate, or agreement holder, or an individual seeking 25082
coverage under an individual health plan. This shall not be 25083
construed as requiring the health insuring corporation to create 25084
customized health plans for group contract holders or individuals. 25085

(G) As used in this section, "health savings account" and 25086
"high deductible health plan" have the same meanings as in the 25087
"Internal Revenue Code of 1986," 100 Stat. 2085, 26 U.S.C. 223, as 25088
amended. 25089

corporation's solicitation document shall be filed with the 25091
superintendent of insurance. The superintendent, within sixty days 25092
of filing, may disapprove any solicitation document or amendment 25093
to it on any of the grounds stated in this section. Such 25094
disapproval shall be effected by written notice to the health 25095
insuring corporation. The notice shall state the grounds for 25096
disapproval and shall be issued in accordance with Chapter 119. of 25097
the Revised Code. 25098

(B) The solicitation document shall contain all information 25099
necessary to enable a consumer to make an informed choice as to 25100
whether or not to enroll in the health insuring corporation. The 25101
information shall include a specific description of the health 25102
care services to be available and the approximate number and type 25103
of full-time equivalent medical practitioners. The information 25104
shall be presented in the solicitation document in a manner that 25105
is clear, concise, and intelligible to prospective applicants in 25106
the proposed service area. 25107

(C) Every potential applicant whose subscription to a health 25108
care plan is solicited shall receive, at or before the time of 25109
solicitation, a solicitation document approved by the 25110
superintendent. 25111

(D) Notwithstanding division (A) of this section, a health 25112

insuring corporation may use a solicitation document that the 25113
corporation uses in connection with policies for medicare 25114
beneficiaries pursuant to a medicare risk contract or medicare 25115
cost contract, or for policies for beneficiaries of the federal 25116
employees health benefits program pursuant to 5 U.S.C.A. 8905, or 25117
for policies for medicaid recipients, or for policies for 25118
beneficiaries of any other federal health care program regulated 25119
by a federal regulatory body, or for policies for beneficiaries of 25120
contracts covering officers or employees of the state entered into 25121
by the department of administrative services, if both of the 25122
following apply: 25123

(1) The solicitation document has been approved by the United 25124
States department of health and human services, the United States 25125
office of personnel management, the department of ~~job and family~~ 25126
~~services~~ medicaid, or the department of administrative services. 25127

(2) The solicitation document is filed with the 25128
superintendent of insurance prior to use and is accompanied by 25129
documentation of approval from the United States department of 25130
health and human services, the United States office of personnel 25131
management, the department of ~~job and family services~~ medicaid, or 25132
the department of administrative services. 25133

(E) No health insuring corporation, or its agents or 25134
representatives, shall use monetary or other valuable 25135
consideration, engage in misleading or deceptive practices, or 25136
make untrue, misleading, or deceptive representations to induce 25137
enrollment. Nothing in this division shall prohibit incentive 25138
forms of remuneration such as commission sales programs for the 25139
health insuring corporation's employees and agents. 25140

(F) Any person obligated for any part of a premium rate in 25141
connection with an enrollment agreement, in addition to any right 25142
otherwise available to revoke an offer, may cancel such agreement 25143
within seventy-two hours after having signed the agreement or 25144

offer to enroll. Cancellation occurs when written notice of the 25145
cancellation is given to the health insuring corporation or its 25146
agents or other representatives. A notice of cancellation mailed 25147
to the health insuring corporation shall be considered to have 25148
been filed on its postmark date. 25149

(G) Nothing in this section shall prohibit healthy lifestyle 25150
programs. 25151

Sec. 1923.14. (A) Except as otherwise provided in this 25152
section, within ten days after receiving a writ of execution 25153
described in division (A) or (B) of section 1923.13 of the Revised 25154
Code, the sheriff, police officer, constable, or bailiff shall 25155
execute it by restoring the plaintiff to the possession of the 25156
premises, and shall levy and collect the costs and make return, as 25157
upon other executions. If an appeal from the judgment of 25158
restitution is filed and if, following the filing of the appeal, a 25159
stay of execution is obtained and any required bond is filed with 25160
the court of common pleas, municipal court, or county court, the 25161
judge of that court immediately shall issue an order to the 25162
sheriff, police officer, constable, or bailiff commanding the 25163
delay of all further proceedings upon the execution. If the 25164
premises have been restored to the plaintiff, the sheriff, police 25165
officer, constable, or bailiff shall forthwith place the defendant 25166
in possession of them, and return the writ with the sheriff's, 25167
police officer's, constable's, or bailiff's proceedings and the 25168
costs taxed on it. 25169

(B)(1) After a court of common pleas, municipal court, or 25170

shall send by regular mail, to the last known address of the 25173
titled owner of the manufactured home, mobile home, or 25174
recreational vehicle that is the subject of the writ and to the 25175

last known address of each other person who is listed on the writ 25176
as having any outstanding right, title, or interest in the home, 25177
vehicle, or personal property and to the auditor and treasurer of 25178
the county in which the court is located, a written notice that 25179
the home or vehicle potentially may be sold, destroyed, or have 25180
its title transferred under the circumstances described in 25181
division (B)(3) or (4) of this section. 25182

(2) Except as otherwise provided in this division, after 25183
receiving a writ of execution described in division (B) of section 25184
1923.13 of the Revised Code, and after causing the defendant to be 25185
removed from the residential premises of the manufactured home 25186
park, if necessary, in accordance with the writ, the sheriff, 25187
police officer, constable, or bailiff may cause the manufactured 25188
home, mobile home, or recreational vehicle that is the subject of 25189
the writ, and all personal property on the residential premises, 25190
at the sheriff's, police officer's, constable's, or bailiff's 25191
option, either to be removed from the manufactured home park and, 25192
if necessary, moved to a storage facility of the sheriff's, police 25193
officer's, constable's, or bailiff's choice, or to be retained at 25194
their current location on the residential premises, until they are 25195
claimed by the defendant or they are disposed of in a manner 25196
authorized by division (B)(3), (4), or (6) of this section or by 25197
another section of the Revised Code. The sheriff, police officer, 25198
constable, or bailiff shall not cause the manufactured home, 25199
mobile home, or recreational vehicle that is the subject of the 25200
writ, or the personal property, to be removed from the 25201
manufactured home park or moved to a storage facility if the 25202
holder of any outstanding lien, right, title, or interest in the 25203
home or vehicle, other than the titled owner of the home or 25204
vehicle, meets the conditions set forth in division (B)(6) or (7) 25205
of this section. 25206

The sheriff, police officer, constable, or bailiff who 25207

removes the manufactured home, mobile home, or recreational 25208
vehicle, or the abandoned personal property, from the residential 25209
premises shall be immune from civil liability pursuant to section 25210
2744.03 of the Revised Code for any damage caused to the home, 25211
vehicle, or any personal property during the removal. The park 25212
operator shall not be liable for any damage caused by the park 25213
operator's removal of the manufactured home, mobile home, or 25214
recreational vehicle or the removal of the personal property from 25215
the residential premises, or for any damage to the home, vehicle, 25216
or personal property during the time the home, vehicle, or 25217
property remains abandoned or stored in the manufactured home 25218
park, unless the damage is the result of acts that the park 25219
operator or the park operator's agents or employees performed with 25220
malicious purpose, in bad faith, or in a wanton or reckless 25221
manner. The reasonable costs for a removal of the manufactured 25222
home, mobile home, or recreational vehicle and personal property 25223
and, as applicable, the reasonable costs for its storage shall 25224
constitute a lien upon the home or vehicle payable by the titled 25225
owner of the home or vehicle or payable pursuant to division 25226
(B)(3) of this section. 25227

(3) Except as provided in divisions (B)(4), (5), and (6) of 25228
this section and division (D) of section 1923.12 of the Revised 25229
Code, within sixty days after receiving a writ of execution 25230
described in division (B) of section 1923.13 of the Revised Code, 25231
the sheriff, police officer, constable, or bailiff shall commence 25232
proceedings for the sale of the manufactured home, mobile home, or 25233
recreational vehicle that is the subject of the writ, and the 25234
abandoned personal property on the residential premises, if the 25235
home or vehicle is determined to be abandoned in accordance with 25236
the procedures for the sale of goods on execution under Chapter 25237
2329. of the Revised Code. In addition to all notices required to 25238
be given under section 2329.13 of the Revised Code, the sheriff, 25239
police officer, constable, or bailiff shall serve at their 25240

respective last known addresses a written notice of the date, 25241
time, and place of the sale upon all persons who are listed on the 25242
writ of execution as having any outstanding right, title, or 25243
interest in the abandoned manufactured home, mobile home, or 25244
recreational vehicle and the personal property and shall provide 25245
written notice to the auditor and the treasurer of the county in 25246
which the court issuing the writ is located. 25247

Unless the proceedings are governed by division (D) of 25248
section 1923.12 of the Revised Code, notwithstanding any statutory 25249
provision to the contrary, including, but not limited to, section 25250
2329.66 of the Revised Code, there shall be no stay of execution 25251
or exemption from levy or sale on execution available to the 25252
titled owner of the abandoned manufactured home, mobile home, or 25253
recreational vehicle in relation to a sale under this division. 25254

including the amendment of sections 2125.02, 2305.10, 2305.131, 27372
2315.18, 2315.19, and 2315.21 of the Revised Code; 27373

(7) An order in an appropriation proceeding that may be 27374
appealed pursuant to division (B)(3) of section 163.09 of the 27375
Revised Code. 27376

(C) When a court issues an order that vacates or sets aside a 27377
judgment or grants a new trial, the court, upon the request of 27378
either party, shall state in the order the grounds upon which the 27379
new trial is granted or the judgment vacated or set aside. 27380

(D) This section applies to and governs any action, including 27381
an appeal, that is pending in any court on July 22, 1998, and all 27382
claims filed or actions commenced on or after July 22, 1998, 27383
notwithstanding any provision of any prior statute or rule of law 27384
of this state. 27385

Sec. 2743.02. (A)(1) The state hereby waives its immunity 27386

from liability, except as provided for the office of the state 27387
fire marshal in division (G)(1) of section 9.60 and division (B) 27388
of section 3737.221 of the Revised Code and subject to division 27389
(H) of this section, and consents to be sued, and have its 27390
liability determined, in the court of claims created in this 27391
chapter in accordance with the same rules of law applicable to 27392
suits between private parties, except that the determination of 27393
liability is subject to the limitations set forth in this chapter 27394
and, in the case of state universities or colleges, in section 27395
3345.40 of the Revised Code, and except as provided in division 27396
(A)(2) or (3) of this section. To the extent that the state has 27397
previously consented to be sued, this chapter has no 27398
applicability. 27399

Except in the case of a civil action filed by the state, 27400
filing a civil action in the court of claims results in a complete 27401
waiver of any cause of action, based on the same act or omission, 27402
that the filing party has against any officer or employee, as 27403
defined in section 109.36 of the Revised Code. The waiver shall be 27404
void if the court determines that the act or omission was 27405
manifestly outside the scope of the officer's or employee's office 27406
or employment or that the officer or employee acted with malicious 27407
purpose, in bad faith, or in a wanton or reckless manner. 27408

(2) If a claimant proves in the court of claims that an 27409
officer or employee, as defined in section 109.36 of the Revised 27410
Code, would have personal liability for the officer's or 27411
employee's acts or omissions but for the fact that the officer or 27412
employee has personal immunity under section 9.86 of the Revised 27413
Code, the state shall be held liable in the court of claims in any 27414
action that is timely filed pursuant to section 2743.16 of the 27415
Revised Code and that is based upon the acts or omissions. 27416

(3)(a) Except as provided in division (A)(3)(b) of this 27417
section, the state is immune from liability in any civil action or 27418

proceeding involving the performance or nonperformance of a public 27419
duty, including the performance or nonperformance of a public duty 27420
that is owed by the state in relation to any action of an 27421
individual who is committed to the custody of the state. 27422

(b) The state immunity provided in division (A)(3)(a) of this 27423
section does not apply to any action of the state under 27424
circumstances in which a special relationship can be established 27425
between the state and an injured party. A special relationship 27426
under this division is demonstrated if all of the following 27427
elements exist: 27428

(i) An assumption by the state, by means of promises or 27429
actions, of an affirmative duty to act on behalf of the party who 27430
was allegedly injured; 27431

(ii) Knowledge on the part of the state's agents that 27432
inaction of the state could lead to harm; 27433

(iii) Some form of direct contact between the state's agents 27434
and the injured party; 27435

(iv) The injured party's justifiable reliance on the state's 27436
affirmative undertaking. 27437

(B) The state hereby waives the immunity from liability of 27438
all hospitals owned or operated by one or more political 27439
subdivisions and consents for them to be sued, and to have their 27440
liability determined, in the court of common pleas, in accordance 27441
with the same rules of law applicable to suits between private 27442
parties, subject to the limitations set forth in this chapter. 27443
This division is also applicable to hospitals owned or operated by 27444
political subdivisions that have been determined by the supreme 27445
court to be subject to suit prior to July 28, 1975. 27446

(C) Any hospital, as defined in section 2305.113 of the 27447
Revised Code, may purchase liability insurance covering its 27448
operations and activities and its agents, employees, nurses, 27449

interns, residents, staff, and members of the governing board and 27450
committees, and, whether or not such insurance is purchased, may, 27451
to the extent that its governing board considers appropriate, 27452
indemnify or agree to indemnify and hold harmless any such person 27453
against expense, including attorney's fees, damage, loss, or other 27454
liability arising out of, or claimed to have arisen out of, the 27455
death, disease, or injury of any person as a result of the 27456
negligence, malpractice, or other action or inaction of the 27457
indemnified person while acting within the scope of the 27458
indemnified person's duties or engaged in activities at the 27459
request or direction, or for the benefit, of the hospital. Any 27460
hospital electing to indemnify those persons, or to agree to so 27461
indemnify, shall reserve any funds that are necessary, in the 27462
exercise of sound and prudent actuarial judgment, to cover the 27463
potential expense, fees, damage, loss, or other liability. The 27464
superintendent of insurance may recommend, or, if the hospital 27465
requests the superintendent to do so, the superintendent shall 27466
recommend, a specific amount for any period that, in the 27467
superintendent's opinion, represents such a judgment. This 27468
authority is in addition to any authorization otherwise provided 27469
or permitted by law. 27470

(D)(1) Notwithstanding any other provision of the Revised 27471
Code or rules of a court to the contrary, in an action against the 27472
state to recover damages for injury, death, or loss to person or 27473
property caused by an act or omission of the state itself, by an 27474
act or omission of any officer or employee of the state while 27475
acting within the scope of employment or official 27476
responsibilities, or by an act or omission of any other person 27477
authorized to act on behalf of the state that occurred while 27478
engaged in activities at the request or direction, or for the 27479
benefit, of the state, the following apply: 27480

(a) Punitive or exemplary damages shall not be awarded. 27481

(b)(i) Recoveries against the state shall be reduced by the 27482
aggregate of insurance proceeds, disability award, benefits or 27483
other collateral recovery received by the claimant for the injury, 27484
death, or loss allegedly incurred. This division If a claimant 27485
receives or is entitled to receive benefits or other collateral 27486
recovery, the claimant or the claimant's attorney shall disclose 27487
the benefits or other collateral recovery to the court, and the 27488
court shall deduct the amount of the benefits or other collateral 27489
recovery from any award against the state recovered by the 27490
claimant. No insurer or other person is entitled to bring a civil 27491
action under a subrogation provision in an insurance or other 27492
contract against the state with respect to those benefits or other 27493
collateral recovery. Nothing in this division affects or shall be 27494
construed to limit the rights of a beneficiary under a life 27495
insurance policy or the rights of sureties under fidelity or 27496
surety bonds. 27497

(ii) Division (D)(1)(b)(i) of this section does not apply to 27498
civil actions in the court of claims against a state university or 27499
college under the circumstances described in section 3345.40 of 27500
the Revised Code. The collateral benefits provisions of division 27501
(B)(2) of that section apply under those circumstances. 27502

(c) There shall not be any limitation on compensatory damages 27503
that represent the actual loss of the person who is awarded the 27504
damages. However, except in wrongful death actions brought 27505
pursuant to Chapter 2125. of the Revised Code, damages that arise 27506
from the same cause of action, transaction or occurrence, or 27507
series of transactions or occurrences and that do not represent 27508
the actual loss of the person who is awarded the damages shall not 27509
exceed two hundred fifty thousand dollars in favor of any one 27510
person. The limitation on damages that do not represent the actual 27511
loss of the person who is awarded the damages provided in this 27512
division does not apply to court costs that are awarded to a 27513

claimant, or to interest on a judgment rendered in favor of a 27514
claimant, in an action against the state. 27515

(2) As used in division (D) of this section: 27516

(a) "Benefits" includes, but is not limited to, proceeds from 27517
a policy or policies of insurance, social security benefits, 27518
veterans' benefits, unemployment compensation, workers' 27519
compensation, medicaid benefits, medicare benefits, and disability 27520
awards. 27521

(b) "Collateral recovery" includes, but is not limited to, 27522
any settlements with and judgments against third parties that 27523
arise out of the same operative facts involved in, and the injury, 27524
death, or loss allegedly incurred, in the action against the 27525
state, or any other source of recovery for any injury, death, or 27526
loss allegedly incurred in that action. 27527

(c) Except as provided in division (D)(2)(d) of this section, 27528
"the actual loss of the person who is awarded the damages" 27529
includes all of the following: 27530

(i) All wages, salaries, or other compensation lost by the 27531
person injured as a result of the injury, including wages, 27532
salaries, or other compensation lost as of the date of a judgment 27533
and future expected lost earnings of the injured person; 27534

(ii) All expenditures of the injured person or of another 27535
person on behalf of the injured person for medical care or 27536
treatment, rehabilitation services, or other care, treatment, 27537
services, products, or accommodations that were necessary because 27538
of the injury; 27539

(iii) All expenditures to be incurred in the future, as 27540
determined by the court, by the injured person or by another 27541
person on behalf of the injured person for medical care or 27542
treatment, rehabilitation services, or other care, treatment, 27543
services, products, or accommodations that will be necessary 27544

because of the injury; 27545

(iv) All expenditures of a person whose property was injured 27546
or destroyed or of another person on behalf of the person whose 27547
property was injured or destroyed in order to repair or replace 27548
the property that was injured or destroyed; 27549

(v) All expenditures of the injured person, of the person 27550
whose property was injured or destroyed, or of another person on 27551
behalf of the injured person or the person whose property was 27552
injured or destroyed in relation to the actual preparation or 27553
presentation of the claim involved; 27554

(vi) Any other expenditures of the injured person, of the 27555
person whose property was injured or destroyed, or of another 27556
person on behalf of the injured person or the person whose 27557
property was injured or destroyed that the court determines 27558
represent an actual loss experienced because of the personal or 27559
property injury or property loss. 27560

(d) "The actual loss of the person who is awarded the 27561
damages" does not include either of the following: 27562

(i) Any fees paid or owed to an attorney for any services 27563
rendered in relation to the personal or property injury or 27564
property loss; 27565

(ii) Any damages awarded for pain and suffering, for the loss 27566
of society, consortium, companionship, care, assistance, 27567
attention, protection, advice, guidance, counsel, instruction, 27568
training, or education of the injured person, for mental anguish, 27569
or for any other intangible loss. 27570

(E) The only defendant in original actions in the court of 27571
claims is the state. The state may file a third-party complaint or 27572
counterclaim in any civil action, except a civil action for ten 27573
thousand dollars or less, that is filed in the court of claims. 27574

(F) A civil action against an officer or employee, as defined 27575
in section 109.36 of the Revised Code, that alleges that the 27576
officer's or employee's conduct was manifestly outside the scope 27577
of the officer's or employee's employment or official 27578
responsibilities, or that the officer or employee acted with 27579
malicious purpose, in bad faith, or in a wanton or reckless manner 27580
shall first be filed against the state in the court of claims that 27581
has exclusive, original jurisdiction to determine, initially, 27582
whether the officer or employee is entitled to personal immunity 27583
under section 9.86 of the Revised Code and whether the courts of 27584
common pleas have jurisdiction over the civil action. The officer 27585
or employee may participate in the immunity determination 27586
proceeding before the court of claims to determine whether the 27587
officer or employee is entitled to personal immunity under section 27588
9.86 of the Revised Code. 27589

The filing of a claim against an officer or employee under 27590
this division tolls the running of the applicable statute of 27591
limitations until the court of claims determines whether the 27592
officer or employee is entitled to personal immunity under section 27593
9.86 of the Revised Code. 27594

(G) If a claim lies against an officer or employee who is a 27595
member of the Ohio national guard, and the officer or employee 27596
was, at the time of the act or omission complained of, subject to 27597
the "Federal Tort Claims Act," 60 Stat. 842 (1946), 28 U.S.C. 27598
2671, et seq., the Federal Tort Claims Act is the exclusive remedy 27599
of the claimant and the state has no liability under this section. 27600

(H) If an inmate of a state correctional institution has a 27601
claim against the state for the loss of or damage to property and 27602
the amount claimed does not exceed three hundred dollars, before 27603
commencing an action against the state in the court of claims, the 27604
inmate shall file a claim for the loss or damage under the rules 27605
adopted by the director of rehabilitation and correction pursuant 27606

to this division. The inmate shall file the claim within the time 27607
allowed for commencement of a civil action under section 2743.16 27608
of the Revised Code. If the state admits or compromises the claim, 27609
the director shall make payment from a fund designated by the 27610
director for that purpose. If the state denies the claim or does 27611
not compromise the claim at least sixty days prior to expiration 27612
of the time allowed for commencement of a civil action based upon 27613
the loss or damage under section 2743.16 of the Revised Code, the 27614
inmate may commence an action in the court of claims under this 27615
chapter to recover damages for the loss or damage. 27616

The director of rehabilitation and correction shall adopt 27617
rules pursuant to Chapter 119. of the Revised Code to implement 27618
this division. 27619

Sec. 2744.05. Notwithstanding any other provisions of the 27620
Revised Code or rules of a court to the contrary, in an action 27621
against a political subdivision to recover damages for injury, 27622
death, or loss to person or property caused by an act or omission 27623
in connection with a governmental or proprietary function: 27624

(A) Punitive or exemplary damages shall not be awarded. 27625

(B)(1) If a claimant receives or is entitled to receive 27626
benefits for injuries or loss allegedly incurred from a policy or 27627
policies of insurance or any other source, the benefits shall be 27628
disclosed to the court, and the amount of the benefits shall be 27629
deducted from any award against a political subdivision recovered 27630
by that claimant. No insurer or other person is entitled to bring 27631
an action under a subrogation provision in an insurance or other 27632
contract against a political subdivision with respect to those 27633
benefits. 27634

The amount of the benefits shall be deducted from an award 27635
against a political subdivision under division (B)(1) of this 27636
section regardless of whether the claimant may be under an 27637

obligation to pay back the benefits upon recovery, in whole or in part, for the claim. A claimant whose benefits have been deducted from an award under division (B)(1) of this section is not considered fully compensated and shall not be required to reimburse a subrogated claim for benefits deducted from an award pursuant to division (B)(1) of this section.

(2) Nothing in division (B)(1) of this section shall be construed to do either of the following:

(a) Limit the rights of a beneficiary under a life insurance policy or the rights of sureties under fidelity or surety bonds;

(b) Prohibit the department of ~~job and family services~~ medicaid from recovering from the political subdivision, pursuant to section ~~5101.58~~ 5160.37 of the Revised Code, the cost of medical assistance ~~benefits provided under Chapter 5107. or 5111. of the Revised Code~~ provided under a medical assistance program.

(C)(1) There shall not be any limitation on compensatory damages that represent the actual loss of the person who is awarded the damages. However, except in wrongful death actions brought pursuant to Chapter 2125. of the Revised Code, damages that arise from the same cause of action, transaction or occurrence, or series of transactions or occurrences and that do not represent the actual loss of the person who is awarded the damages shall not exceed two hundred fifty thousand dollars in favor of any one person. The limitation on damages that do not represent the actual loss of the person who is awarded the damages provided in this division does not apply to court costs that are awarded to a plaintiff, or to interest on a judgment rendered in favor of a plaintiff, in an action against a political subdivision.

(2) As used in this division, "the actual loss of the person who is awarded the damages" includes all of the following:

(a) All wages, salaries, or other compensation lost by the person injured as a result of the injury, including wages, salaries, or other compensation lost as of the date of a judgment and future expected lost earnings of the person injured;

(b) All expenditures of the person injured or another person on behalf of the person injured for medical care or treatment, for rehabilitation services, or for other care, treatment, services, products, or accommodations that were necessary because of the injury;

(c) All expenditures to be incurred in the future, as determined by the court, by the person injured or another person on behalf of the person injured for medical care or treatment, for rehabilitation services, or for other care, treatment, services, products, or accommodations that will be necessary because of the injury;

(d) All expenditures of a person whose property was injured or destroyed or of another person on behalf of the person whose property was injured or destroyed in order to repair or replace the property that was injured or destroyed;

(e) All expenditures of the person injured or of the person whose property was injured or destroyed or of another person on behalf of the person injured or of the person whose property was injured or destroyed in relation to the actual preparation or presentation of the claim involved;

(f) Any other expenditures of the person injured or of the person whose property was injured or destroyed or of another person on behalf of the person injured or of the person whose property was injured or destroyed that the court determines represent an actual loss experienced because of the personal or property injury or property loss.

"The actual loss of the person who is awarded the damages"

does not include any fees paid or owed to an attorney for any 27700
services rendered in relation to a personal or property injury or 27701
property loss, and does not include any damages awarded for pain 27702
and suffering, for the loss of society, consortium, companionship, 27703
care, assistance, attention, protection, advice, guidance, 27704
counsel, instruction, training, or education of the person 27705
injured, for mental anguish, or for any other intangible loss. 27706

Sec. 2901.30. (A) As used in sections 2901.30 to 2901.32 of 27707
the Revised Code: 27708

(1) "Information" means information that can be integrated 27709
into the computer system and that relates to the physical or 27710
mental description of a minor including, but not limited to, 27711
height, weight, color of hair and eyes, use of eyeglasses or 27712
contact lenses, skin coloring, physical or mental handicaps, 27713
special medical conditions or needs, abnormalities, problems, 27714
scars and marks, and distinguishing characteristics, and other 27715
information that could assist in identifying a minor including, 27716
but not limited to, full name and nickname, date and place of 27717
birth, age, names and addresses of parents and other relatives, 27718
fingerprints, dental records, photographs, social security number, 27719
driver's license number, credit card numbers, bank account 27720
numbers, and clothing. 27721

(2) "Minor" means a person under eighteen years of age. 27722

(3) "Missing children" or "missing child" means either of the 27723
following: 27724

(a) A minor who has run away from or who otherwise is missing 27725
from the home of, or the care, custody, and control of, the 27726
minor's parents, parent who is the residential parent and legal 27727
custodian, guardian, legal custodian, or other person having 27728
responsibility for the care of the minor; 27729

(b) A minor who is missing and about whom there is reason to believe the minor could be the victim of a violation of section 2905.01, 2905.02, 2905.03, or 2919.23 of the Revised Code or of a violation of section 2905.04 of the Revised Code as it existed prior to July 1, 1996.

(B) When a law enforcement agency in this state that has jurisdiction in the matter is informed that a minor is or may be a missing child and that the person providing the information wishes to file a missing child report, the law enforcement agency shall take that report. Upon taking the report, the law enforcement agency shall take prompt action upon it, including, but not limited to, concerted efforts to locate the missing child. No law enforcement agency in this state shall have a rule or policy that prohibits or discourages the filing of or the taking of action upon a missing child report, within a specified period following the discovery or formulation of a belief that a minor is or could be a missing child.

(C) If a missing child report is made to a law enforcement agency in this state that has jurisdiction in the matter, the law enforcement agency shall gather readily available information about the missing child and integrate it into the national crime information center computer immediately following the making of the report. The law enforcement agency shall make reasonable efforts to acquire additional information about the missing child following the transmittal of the initially available information, and promptly integrate any additional information acquired into such computer systems.

Whenever a law enforcement agency integrates information about a missing child into the national crime information center computer, the law enforcement agency promptly shall notify the missing child's parents, parent who is the residential parent and legal custodian, guardian, or legal custodian, or any other person

responsible for the care of the missing child, that it has so 27762
integrated the information. 27763

The parents, parent who is the residential parent and legal 27764
custodian, guardian, legal custodian, or other person responsible 27765
for the care of the missing child shall provide available 27766
information upon request, and may provide information voluntarily, 27767
to the law enforcement agency during the information gathering 27768
process. The law enforcement agency also may obtain available 27769
information about the missing child from other persons, subject to 27770
constitutional and statutory limitations. 27771

(D) Upon the filing of a missing child report, the law 27772
enforcement agency involved may notify the public or nonpublic 27773
school in which the missing child is or was most recently 27774
enrolled, as ascertained by the agency, that the child is the 27775
subject of a missing child report and that the child's school 27776
records are to be marked in accordance with section 3313.672 of 27777
the Revised Code. 27778

(E) Upon the filing of a missing child report, the law 27779
enforcement agency involved promptly shall make a reasonable 27780
attempt to notify other law enforcement agencies within its county 27781
and, if the agency has jurisdiction in a municipal corporation or 27782
township that borders another county, to notify the law 27783
enforcement agency for the municipal corporation or township in 27784
the other county with which it shares the border, that it has 27785
taken a missing child report and may be requesting assistance or 27786
cooperation in the case, and provide relevant information to the 27787
other law enforcement agencies. The agency may notify additional 27788
law enforcement agencies, or appropriate public children services 27789
agencies, about the case, request their assistance or cooperation 27790
in the case, and provide them with relevant information. 27791

Upon request from a law enforcement agency, a public children 27792
services agency shall grant the law enforcement agency access to 27793

all information concerning a missing child that the agency 27794
possesses that may be relevant to the law enforcement agency in 27795
investigating a missing child report concerning that child. The 27796
information obtained by the law enforcement agency shall be used 27797
only to further the investigation to locate the missing child. 27798

(F) Upon request, law enforcement agencies in this state 27799
shall provide assistance to, and cooperate with, other law 27800
enforcement agencies in their investigation of missing child 27801
cases. The assistance and cooperation under this paragraph shall 27802
be pursuant to any terms agreed upon by the law enforcement 27803
agencies, which may include the provision of law enforcement 27804
services or the use of law enforcement equipment or the 27805
interchange of services and equipment among the cooperating law 27806
enforcement agencies. Chapter 2744. of the Revised Code, insofar 27807
as it applies to the operation of law enforcement agencies, shall 27808
apply to the cooperating political subdivisions and to the law 27809
enforcement agency employees when they are rendering services 27810
pursuant to this paragraph outside the territory of the political 27811
subdivision by which they are employed. Law enforcement agency 27812
employees rendering services outside the territory of the 27813
political subdivision in which they are employed, pursuant to this 27814
paragraph, shall be entitled to participate in any indemnity fund 27815
established by their employer to the same extent as if they were 27816
rendering service within the territory of their employing 27817
political subdivision. Those law enforcement agency employees also 27818

return the findings as part of the verdict. In any such case, it 29461
is unnecessary to find and return the exact amount of the 29462
controlled substance involved, and it is sufficient if the finding 29463
and return is to the effect that the amount of the controlled 29464
substance involved is the requisite amount, or that the amount of 29465
the controlled substance involved is less than the requisite 29466
amount. 29467

(F)(1) Notwithstanding any contrary provision of section 29468
3719.21 of the Revised Code and except as provided in division (H) 29469
of this section, the clerk of the court shall pay any mandatory 29470
fine imposed pursuant to division (D)(1) of this section and any 29471
fine other than a mandatory fine that is imposed for a violation 29472
of this section pursuant to division (A) or (B)(5) of section 29473
2929.18 of the Revised Code to the county, township, municipal 29474
corporation, park district, as created pursuant to section 511.18 29475
or 1545.04 of the Revised Code, or state law enforcement agencies 29476
in this state that primarily were responsible for or involved in 29477
making the arrest of, and in prosecuting, the offender. However, 29478
the clerk shall not pay a mandatory fine so imposed to a law 29479
enforcement agency unless the agency has adopted a written 29480
internal control policy under division (F)(2) of this section that 29481
addresses the use of the fine moneys that it receives. Each agency 29482
shall use the mandatory fines so paid to subsidize the agency's 29483
law enforcement efforts that pertain to drug offenses, in 29484
accordance with the written internal control policy adopted by the 29485
recipient agency under division (F)(2) of this section. 29486

(2)(a) Prior to receiving any fine moneys under division 29487
(F)(1) of this section or division (B) of section 2925.42 of the 29488
Revised Code, a law enforcement agency shall adopt a written 29489
internal control policy that addresses the agency's use and 29490
disposition of all fine moneys so received and that provides for 29491

the keeping of detailed financial records of the receipts of those 29492
fine moneys, the general types of expenditures made out of those 29493
fine moneys, and the specific amount of each general type of 29494
expenditure. The policy shall not provide for or permit the 29495
identification of any specific expenditure that is made in an 29496
ongoing investigation. All financial records of the receipts of 29497
those fine moneys, the general types of expenditures made out of 29498
those fine moneys, and the specific amount of each general type of 29499
expenditure by an agency are public records open for inspection 29500
under section 149.43 of the Revised Code. Additionally, a written 29501
internal control policy adopted under this division is such a 29502
public record, and the agency that adopted it shall comply with 29503
it. 29504

(b) Each law enforcement agency that receives in any calendar 29505
year any fine moneys under division (F)(1) of this section or 29506
division (B) of section 2925.42 of the Revised Code shall prepare 29507
a report covering the calendar year that cumulates all of the 29508
information contained in all of the public financial records kept 29509
by the agency pursuant to division (F)(2)(a) of this section for 29510
that calendar year, and shall send a copy of the cumulative 29511
report, no later than the first day of March in the calendar year 29512
following the calendar year covered by the report, to the attorney 29513
general. Each report received by the attorney general is a public 29514
record open for inspection under section 149.43 of the Revised 29515
Code. Not later than the fifteenth day of April in the calendar 29516
year in which the reports are received, the attorney general shall 29517
send to the president of the senate and the speaker of the house 29518
of representatives a written notification that does all of the 29519
following: 29520

(i) Indicates that the attorney general has received from law 29521
enforcement agencies reports of the type described in this 29522
division that cover the previous calendar year and indicates that 29523

the reports were received under this division; 29524

(ii) Indicates that the reports are open for inspection under 29525
section 149.43 of the Revised Code; 29526

(iii) Indicates that the attorney general will provide a copy 29527
of any or all of the reports to the president of the senate or the 29528
speaker of the house of representatives upon request. 29529

(3) As used in division (F) of this section: 29530

(a) "Law enforcement agencies" includes, but is not limited 29531
to, the state board of pharmacy and the office of a prosecutor. 29532

(b) "Prosecutor" has the same meaning as in section 2935.01 29533
of the Revised Code. 29534

(G) When required under division (D)(2) of this section or 29535
any other provision of this chapter, the court shall suspend for 29536
not less than six months or more than five years the driver's or 29537
commercial driver's license or permit of any person who is 29538
convicted of or pleads guilty to any violation of this section or 29539
any other specified provision of this chapter. If an offender's 29540
driver's or commercial driver's license or permit is suspended 29541
pursuant to this division, the offender, at any time after the 29542
expiration of two years from the day on which the offender's 29543
sentence was imposed or from the day on which the offender finally 29544
was released from a prison term under the sentence, whichever is 29545
later, may file a motion with the sentencing court requesting 29546
termination of the suspension; upon the filing of such a motion 29547
and the court's finding of good cause for the termination, the 29548
court may terminate the suspension. 29549

(H)(1) In addition to any prison term authorized or required 29550
by division (C) of this section and sections 2929.13 and 2929.14 29551
of the Revised Code, in addition to any other penalty or sanction 29552
imposed for the offense under this section or sections 2929.11 to 29553
2929.18 of the Revised Code, and in addition to the forfeiture of 29554

property in connection with the offense as prescribed in Chapter 29555
2981. of the Revised Code, the court that sentences an offender 29556
who is convicted of or pleads guilty to a violation of division 29557
(A) of this section may impose upon the offender an additional 29558
fine specified for the offense in division (B)(4) of section 29559
2929.18 of the Revised Code. A fine imposed under division (H)(1) 29560
of this section is not subject to division (F) of this section and 29561
shall be used solely for the support of one or more eligible 29562
~~alcohol and drug~~ community addiction ~~programs~~ services provider in 29563
accordance with divisions (H)(2) and (3) of this section. 29564

(2) The court that imposes a fine under division (H)(1) of 29565
this section shall specify in the judgment that imposes the fine 29566
one or more eligible ~~alcohol and drug~~ community addiction ~~programs~~ 29567
services provider for the support of which the fine money is to be 29568
used. No ~~alcohol and drug~~ community addiction ~~program~~ services 29569
provider shall receive or use money paid or collected in 29570
satisfaction of a fine imposed under division (H)(1) of this 29571
section unless the ~~program~~ services provider is specified in the 29572
judgment that imposes the fine. No ~~alcohol and drug~~ community 29573
addiction ~~program~~ services provider shall be specified in the 29574
judgment unless the ~~program~~ services provider is an eligible 29575
~~alcohol and drug~~ community addiction ~~program~~ services provider 29576
and, except as otherwise provided in division (H)(2) of this 29577
section, unless the ~~program~~ services provider is located in the 29578
county in which the court that imposes the fine is located or in a 29579
county that is immediately contiguous to the county in which that 29580
court is located. If no eligible ~~alcohol and drug~~ community 29581
addiction ~~program~~ services provider is located in any of those 29582
counties, the judgment may specify an eligible ~~alcohol and drug~~ 29583
community addiction ~~program~~ services provider that is located 29584
anywhere within this state. 29585

(3) Notwithstanding any contrary provision of section 3719.21 29586

of the Revised Code, the clerk of the court shall pay any fine 29587
imposed under division (H)(1) of this section to the eligible 29588
~~alcohol and drug~~ community addiction ~~program~~ services provider 29589
specified pursuant to division (H)(2) of this section in the 29590
judgment. The eligible ~~alcohol and drug~~ community addiction 29591
~~program~~ services provider that receives the fine moneys shall use 29592
the moneys only for the alcohol and drug addiction services 29593
identified in the application for certification under section 29594
~~3793.06~~ 5119.36 of the Revised Code or in the application for a 29595
license under section ~~3793.11~~ 5119.39 of the Revised Code filed 29596
with the department of ~~alcohol and drug addiction services~~ mental
health and addiction services by the ~~alcohol and drug~~ community 29597
addiction ~~program~~ services provider specified in the judgment. 29598
29599

(4) Each ~~alcohol and drug~~ community addiction ~~program~~ 29600
services provider that receives in a calendar year any fine moneys 29601
under division (H)(3) of this section shall file an annual report 29602
covering that calendar year with the court of common pleas and the 29603
board of county commissioners of the county in which the ~~program~~ 29604
services provider is located, with the court of common pleas and 29605
the board of county commissioners of each county from which the 29606
~~program~~ services provider received the moneys if that county is 29607
different from the county in which the ~~program~~ services provider 29608
is located, and with the attorney general. The ~~alcohol and drug~~ 29609
community addiction ~~program~~ services provider shall file the 29610
report no later than the first day of March in the calendar year 29611
following the calendar year in which the ~~program~~ services provider 29612
received the fine moneys. The report shall include statistics on 29613
the number of persons served by the ~~alcohol and drug~~ community 29614
addiction ~~program~~ services provider, identify the types of alcohol 29615
and drug addiction services provided to those persons, and include 29616
a specific accounting of the purposes for which the fine moneys 29617
received were used. No information contained in the report shall 29618
identify, or enable a person to determine the identity of, any 29619

person served by the ~~alcohol and drug~~ community addiction ~~program~~ 29620
services provider. Each report received by a court of common 29621
pleas, a board of county commissioners, or the attorney general is 29622
a public record open for inspection under section 149.43 of the 29623
Revised Code. 29624

(5) As used in divisions (H)(1) to (5) of this section: 29625

(a) "~~Alcohol and drug~~ Community addiction ~~program~~ services 29626
provider" and "alcohol and drug addiction services" have the same 29627
meanings as in section ~~3793.01~~ 5119.01 of the Revised Code. 29628

(b) "Eligible ~~alcohol and drug~~ community addiction ~~program~~ 29629
services provider" means ~~an alcohol and drug~~ a community addiction 29630
program services provider that is certified under section ~~3793.06~~ 29631
5119.36 of the Revised Code or licensed under section ~~3793.11~~ 29632
5119.39 of the Revised Code by the department of ~~alcohol and drug~~ 29633
~~addiction services~~ mental health and addiction services. 29634

(I) As used in this section, "drug" includes any substance 29635
that is represented to be a drug. 29636

(J) It is an affirmative defense to a charge of trafficking 29637
in a controlled substance analog under division (C)(8) of this 29638
section that the person charged with violating that offense sold 29639
or offered to sell, or prepared for shipment, shipped, 29640
transported, delivered, prepared for distribution, or distributed 29641
an item described in division (HH)(2)(a), (b), or (c) of section 29642
3719.01 of the Revised Code. 29643

Sec. 2929.13. (A) Except as provided in division (E), (F), or 29644
(G) of this section and unless a specific sanction is required to 29645
be imposed or is precluded from being imposed pursuant to law, a 29646
court that imposes a sentence upon an offender for a felony may 29647
impose any sanction or combination of sanctions on the offender 29648
that are provided in sections 2929.14 to 2929.18 of the Revised 29649

Code. 29650

If the offender is eligible to be sentenced to community control sanctions, the court shall consider the appropriateness of imposing a financial sanction pursuant to section 2929.18 of the Revised Code or a sanction of community service pursuant to section 2929.17 of the Revised Code as the sole sanction for the offense. Except as otherwise provided in this division, if the court is required to impose a mandatory prison term for the offense for which sentence is being imposed, the court also shall impose any financial sanction pursuant to section 2929.18 of the Revised Code that is required for the offense and may impose any other financial sanction pursuant to that section but may not impose any additional sanction or combination of sanctions under section 2929.16 or 2929.17 of the Revised Code.

If the offender is being sentenced for a fourth degree felony OVI offense or for a third degree felony OVI offense, in addition to the mandatory term of local incarceration or the mandatory prison term required for the offense by division (G)(1) or (2) of this section, the court shall impose upon the offender a mandatory fine in accordance with division (B)(3) of section 2929.18 of the Revised Code and may impose whichever of the following is applicable:

(1) For a fourth degree felony OVI offense for which sentence is imposed under division (G)(1) of this section, an additional community control sanction or combination of community control sanctions under section 2929.16 or 2929.17 of the Revised Code. If the court imposes upon the offender a community control sanction and the offender violates any condition of the community control sanction, the court may take any action prescribed in division (B) of section 2929.15 of the Revised Code relative to the offender, including imposing a prison term on the offender pursuant to that division.

(2) For a third or fourth degree felony OVI offense for which sentence is imposed under division (G)(2) of this section, an additional prison term as described in division (B)(4) of section 2929.14 of the Revised Code or a community control sanction as described in division (G)(2) of this section.

(B)(1)(a) Except as provided in division (B)(1)(b) of this section, if an offender is convicted of or pleads guilty to a felony of the fourth or fifth degree that is not an offense of violence or that is a qualifying assault offense, the court shall sentence the offender to a community control sanction of at least one year's duration if all of the following apply:

(i) The offender previously has not been convicted of or pleaded guilty to a felony offense.

(ii) The most serious charge against the offender at the time of sentencing is a felony of the fourth or fifth degree.

(iii) If the court made a request of the department of rehabilitation and correction pursuant to division (B)(1)(c) of this section, the department, within the forty-five-day period specified in that division, provided the court with the names of, contact information for, and program details of one or more community control sanctions of at least one year's duration that are available for persons sentenced by the court.

(iv) The offender previously has not been convicted of or pleaded guilty to a misdemeanor offense of violence that the offender committed within two years prior to the offense for which sentence is being imposed.

(b) The court has discretion to impose a prison term upon an offender who is convicted of or pleads guilty to a felony of the fourth or fifth degree that is not an offense of violence or that is a qualifying assault offense if any of the following apply:

(i) The offender committed the offense while having a firearm

on or about the offender's person or under the offender's control. 29713

(ii) If the offense is a qualifying assault offense, the 29714
offender caused serious physical harm to another person while 29715
committing the offense, and, if the offense is not a qualifying 29716
assault offense, the offender caused physical harm to another 29717
person while committing the offense. 29718

(iii) The offender violated a term of the conditions of bond 29719
as set by the court. 29720

(iv) The court made a request of the department of 29721
rehabilitation and correction pursuant to division (B)(1)(c) of 29722
this section, and the department, within the forty-five-day period 29723
specified in that division, did not provide the court with the 29724
name of, contact information for, and program details of any 29725
community control sanction of at least one year's duration that is 29726
available for persons sentenced by the court. 29727

(v) The offense is a sex offense that is a fourth or fifth 29728
degree felony violation of any provision of Chapter 2907. of the 29729
Revised Code. 29730

(vi) In committing the offense, the offender attempted to 29731
cause or made an actual threat of physical harm to a person with a 29732
deadly weapon. 29733

(vii) In committing the offense, the offender attempted to 29734
cause or made an actual threat of physical harm to a person, and 29735
the offender previously was convicted of an offense that caused 29736
physical harm to a person. 29737

(viii) The offender held a public office or position of 29738
trust, and the offense related to that office or position; the 29739
offender's position obliged the offender to prevent the offense or 29740
to bring those committing it to justice; or the offender's 29741
professional reputation or position facilitated the offense or was 29742
likely to influence the future conduct of others. 29743

(ix) The offender committed the offense for hire or as part of an organized criminal activity. 29744
29745

(x) The offender at the time of the offense was serving, or the offender previously had served, a prison term. 29746
29747

(xi) The offender committed the offense while under a community control sanction, while on probation, or while released from custody on a bond or personal recognizance. 29748
29749
29750

(c) If a court that is sentencing an offender who is convicted of or pleads guilty to a felony of the fourth or fifth degree that is not an offense of violence or that is a qualifying assault offense believes that no community control sanctions are available for its use that, if imposed on the offender, will adequately fulfill the overriding principles and purposes of sentencing, the court shall contact the department of rehabilitation and correction and ask the department to provide the court with the names of, contact information for, and program details of one or more community control sanctions of at least one year's duration that are available for persons sentenced by the court. Not later than forty-five days after receipt of a request from a court under this division, the department shall provide the court with the names of, contact information for, and program details of one or more community control sanctions of at least one year's duration that are available for persons sentenced by the court, if any. Upon making a request under this division that relates to a particular offender, a court shall defer sentencing of that offender until it receives from the department the names of, contact information for, and program details of one or more community control sanctions of at least one year's duration that are available for persons sentenced by the court or for forty-five days, whichever is the earlier. 29751

29754
29755
29756
29757
29758

29766
29767
29768
29769
29770
29771
29772
29773

If the department provides the court with the names of, contact information for, and program details of one or more 29774
29775

community control sanctions of at least one year's duration that 29776
are available for persons sentenced by the court within the 29777
forty-five-day period specified in this division, the court shall 29778
impose upon the offender a community control sanction under 29779
division (B)(1)(a) of this section, except that the court may 29780
impose a prison term under division (B)(1)(b) of this section if a 29781
factor described in division (B)(1)(b)(i) or (ii) of this section 29782
applies. If the department does not provide the court with the 29783
names of, contact information for, and program details of one or 29784
more community control sanctions of at least one year's duration 29785
that are available for persons sentenced by the court within the 29786
forty-five-day period specified in this division, the court may 29787
impose upon the offender a prison term under division 29788
(B)(1)(b)(iv) of this section. 29789

(d) A sentencing court may impose an additional penalty under 29790
division (B) of section 2929.15 of the Revised Code upon an 29791
offender sentenced to a community control sanction under division 29792
(B)(1)(a) of this section if the offender violates the conditions 29793
of the community control sanction, violates a law, or leaves the 29794
state without the permission of the court or the offender's 29795
probation officer. 29796

(2) If division (B)(1) of this section does not apply, except 29797
as provided in division (E), (F), or (G) of this section, in 29798
determining whether to impose a prison term as a sanction for a 29799
felony of the fourth or fifth degree, the sentencing court shall 29800
comply with the purposes and principles of sentencing under 29801
section 2929.11 of the Revised Code and with section 2929.12 of 29802
the Revised Code. 29803

(C) Except as provided in division (D), (E), (F), or (G) of 29804
this section, in determining whether to impose a prison term as a 29805
sanction for a felony of the third degree or a felony drug offense 29806
that is a violation of a provision of Chapter 2925. of the Revised 29807

Code and that is specified as being subject to this division for 29808
purposes of sentencing, the sentencing court shall comply with the 29809
purposes and principles of sentencing under section 2929.11 of the 29810
Revised Code and with section 2929.12 of the Revised Code. 29811

(D)(1) Except as provided in division (E) or (F) of this 29812
section, for a felony of the first or second degree, for a felony 29813
drug offense that is a violation of any provision of Chapter 29814
2925., 3719., or 4729. of the Revised Code for which a presumption 29815
in favor of a prison term is specified as being applicable, and 29816
for a violation of division (A)(4) or (B) of section 2907.05 of 29817
the Revised Code for which a presumption in favor of a prison term 29818
is specified as being applicable, it is presumed that a prison 29819
term is necessary in order to comply with the purposes and 29820
principles of sentencing under section 2929.11 of the Revised 29821
Code. Division (D)(2) of this section does not apply to a 29822
presumption established under this division for a violation of 29823
division (A)(4) of section 2907.05 of the Revised Code. 29824

(2) Notwithstanding the presumption established under 29825
division (D)(1) of this section for the offenses listed in that 29826
division other than a violation of division (A)(4) or (B) of 29827
section 2907.05 of the Revised Code, the sentencing court may 29828
impose a community control sanction or a combination of community 29829
control sanctions instead of a prison term on an offender for a 29830
felony of the first or second degree or for a felony drug offense 29831
that is a violation of any provision of Chapter 2925., 3719., or 29832
4729. of the Revised Code for which a presumption in favor of a 29833
prison term is specified as being applicable if it makes both of 29834
the following findings: 29835

(a) A community control sanction or a combination of 29836
community control sanctions would adequately punish the offender 29837
and protect the public from future crime, because the applicable 29838
factors under section 2929.12 of the Revised Code indicating a 29839

lesser likelihood of recidivism outweigh the applicable factors 29840
under that section indicating a greater likelihood of recidivism. 29841

(b) A community control sanction or a combination of 29842
community control sanctions would not demean the seriousness of 29843
the offense, because one or more factors under section 2929.12 of 29844
the Revised Code that indicate that the offender's conduct was 29845
less serious than conduct normally constituting the offense are 29846
applicable, and they outweigh the applicable factors under that 29847
section that indicate that the offender's conduct was more serious 29848
than conduct normally constituting the offense. 29849

(E)(1) Except as provided in division (F) of this section, 29850
for any drug offense that is a violation of any provision of 29851
Chapter 2925. of the Revised Code and that is a felony of the 29852
third, fourth, or fifth degree, the applicability of a presumption 29853
under division (D) of this section in favor of a prison term or of 29854
division (B) or (C) of this section in determining whether to 29855
impose a prison term for the offense shall be determined as 29856
specified in section 2925.02, 2925.03, 2925.04, 2925.05, 2925.06, 29857
2925.11, 2925.13, 2925.22, 2925.23, 2925.36, or 2925.37 of the 29858
Revised Code, whichever is applicable regarding the violation. 29859

(2) If an offender who was convicted of or pleaded guilty to 29860
a felony violates the conditions of a community control sanction 29861
imposed for the offense solely by reason of producing positive 29862
results on a drug test, the court, as punishment for the violation 29863
of the sanction, shall not order that the offender be imprisoned 29864
unless the court determines on the record either of the following: 29865

(a) The offender had been ordered as a sanction for the 29866
felony to participate in a drug treatment program, in a drug 29867
education program, or in narcotics anonymous or a similar program, 29868
and the offender continued to use illegal drugs after a reasonable 29869
period of participation in the program. 29870

(b) The imprisonment of the offender for the violation is 29871

require the professional to file a written assessment of the 29878
offender with the court. If the offender is eligible for a 29879
community control sanction and after considering the written 29880
assessment, the court may impose a community control sanction that 29881
includes treatment and recovery support services authorized by 29882
section ~~3793.02~~ 5119.21 of the Revised Code. If the court imposes 29883

recommendation of treatment and recovery support services 29887
providers. 29888

violation, with respect to a portion of the sentence imposed 30019
pursuant to division (B)(8) of section 2929.14 of the Revised 30020
Code. 30021

(G) Notwithstanding divisions (A) to (E) of this section, if 30022
an offender is being sentenced for a fourth degree felony OVI 30023
offense or for a third degree felony OVI offense, the court shall 30024
impose upon the offender a mandatory term of local incarceration 30025

or a mandatory prison term in accordance with the following: 30026

(1) If the offender is being sentenced for a fourth degree 30027
felony OVI offense and if the offender has not been convicted of 30028
and has not pleaded guilty to a specification of the type 30029
described in section 2941.1413 of the Revised Code, the court may 30030
impose upon the offender a mandatory term of local incarceration 30031
of sixty days or one hundred twenty days as specified in division 30032
(G)(1)(d) of section 4511.19 of the Revised Code. The court shall 30033
not reduce the term pursuant to section 2929.20, 2967.193, or any 30034
other provision of the Revised Code. The court that imposes a 30035
mandatory term of local incarceration under this division shall 30036
specify whether the term is to be served in a jail, a 30037
community-based correctional facility, a halfway house, or an 30038
alternative residential facility, and the offender shall serve the 30039
term in the type of facility specified by the court. A mandatory 30040
term of local incarceration imposed under division (G)(1) of this 30041
section is not subject to any other Revised Code provision that 30042
pertains to a prison term except as provided in division (A)(1) of 30043
this section. 30044

(2) If the offender is being sentenced for a third degree 30045
felony OVI offense, or if the offender is being sentenced for a 30046
fourth degree felony OVI offense and the court does not impose a 30047
mandatory term of local incarceration under division (G)(1) of 30048
this section, the court shall impose upon the offender a mandatory 30049
prison term of one, two, three, four, or five years if the 30050
offender also is convicted of or also pleads guilty to a 30051
specification of the type described in section 2941.1413 of the 30052
Revised Code or shall impose upon the offender a mandatory prison 30053
term of sixty days or one hundred twenty days as specified in 30054
division (G)(1)(d) or (e) of section 4511.19 of the Revised Code 30055
if the offender has not been convicted of and has not pleaded 30056
guilty to a specification of that type. Subject to divisions (C) 30057

to (I) of section 2967.19 of the Revised Code, the court shall not 30058
reduce the term pursuant to section 2929.20, 2967.19, 2967.193, or 30059
any other provision of the Revised Code. The offender shall serve 30060
the one-, two-, three-, four-, or five-year mandatory prison term 30061
consecutively to and prior to the prison term imposed for the 30062
underlying offense and consecutively to any other mandatory prison 30063
term imposed in relation to the offense. In no case shall an 30064
offender who once has been sentenced to a mandatory term of local 30065
incarceration pursuant to division (G)(1) of this section for a 30066
fourth degree felony OVI offense be sentenced to another mandatory 30067
term of local incarceration under that division for any violation 30068
of division (A) of section 4511.19 of the Revised Code. In 30069
addition to the mandatory prison term described in division (G)(2) 30070
of this section, the court may sentence the offender to a 30071
community control sanction under section 2929.16 or 2929.17 of the 30072
Revised Code, but the offender shall serve the prison term prior 30073
to serving the community control sanction. The department of 30074
rehabilitation and correction may place an offender sentenced to a 30075
mandatory prison term under this division in an intensive program 30076
prison established pursuant to section 5120.033 of the Revised 30077
Code if the department gave the sentencing judge prior notice of 30078
its intent to place the offender in an intensive program prison 30079
established under that section and if the judge did not notify the 30080
department that the judge disapproved the placement. Upon the 30081
establishment of the initial intensive program prison pursuant to 30082
section 5120.033 of the Revised Code that is privately operated 30083
and managed by a contractor pursuant to a contract entered into 30084
under section 9.06 of the Revised Code, both of the following 30085
apply: 30086

(a) The department of rehabilitation and correction shall 30087
make a reasonable effort to ensure that a sufficient number of 30088
offenders sentenced to a mandatory prison term under this division 30089
are placed in the privately operated and managed prison so that 30090

the privately operated and managed prison has full occupancy. 30091

(b) Unless the privately operated and managed prison has full 30092
occupancy, the department of rehabilitation and correction shall 30093
not place any offender sentenced to a mandatory prison term under 30094
this division in any intensive program prison established pursuant 30095
to section 5120.033 of the Revised Code other than the privately 30096
operated and managed prison. 30097

(H) If an offender is being sentenced for a sexually oriented 30098
offense or child-victim oriented offense that is a felony 30099
committed on or after January 1, 1997, the judge shall require the 30100
offender to submit to a DNA specimen collection procedure pursuant 30101
to section 2901.07 of the Revised Code. 30102

(I) If an offender is being sentenced for a sexually oriented 30103
offense or a child-victim oriented offense committed on or after 30104
January 1, 1997, the judge shall include in the sentence a summary 30105
of the offender's duties imposed under sections 2950.04, 2950.041, 30106
2950.05, and 2950.06 of the Revised Code and the duration of the 30107
duties. The judge shall inform the offender, at the time of 30108
sentencing, of those duties and of their duration. If required 30109
under division (A)(2) of section 2950.03 of the Revised Code, the 30110
judge shall perform the duties specified in that section, or, if 30111
required under division (A)(6) of section 2950.03 of the Revised 30112
Code, the judge shall perform the duties specified in that 30113
division. 30114

(J)(1) Except as provided in division (J)(2) of this section, 30115
when considering sentencing factors under this section in relation 30116
to an offender who is convicted of or pleads guilty to an attempt 30117
to commit an offense in violation of section 2923.02 of the 30118
Revised Code, the sentencing court shall consider the factors 30119
applicable to the felony category of the violation of section 30120
2923.02 of the Revised Code instead of the factors applicable to 30121
the felony category of the offense attempted. 30122

(2) When considering sentencing factors under this section in relation to an offender who is convicted of or pleads guilty to an attempt to commit a drug abuse offense for which the penalty is determined by the amount or number of unit doses of the controlled substance involved in the drug abuse offense, the sentencing court shall consider the factors applicable to the felony category that the drug abuse offense attempted would be if that drug abuse offense had been committed and had involved an amount or number of unit doses of the controlled substance that is within the next lower range of controlled substance amounts than was involved in the attempt.

(K) As used in this section:

(1) "Drug abuse offense" has the same meaning as in section 2925.01 of the Revised Code.

(2) "Qualifying assault offense" means a violation of section 2903.13 of the Revised Code for which the penalty provision in division (C)(7)(b) or (C)(8)(b) of that section applies.

(L) At the time of sentencing an offender for any sexually oriented offense, if the offender is a tier III sex offender/child-victim offender relative to that offense and the offender does not serve a prison term or jail term, the court may require that the offender be monitored by means of a global positioning device. If the court requires such monitoring, the cost of monitoring shall be borne by the offender. If the offender is indigent, the cost of compliance shall be paid by the crime victims reparations fund.

Sec. 2929.15. (A)(1) If in sentencing an offender for a felony the court is not required to impose a prison term, a mandatory prison term, or a term of life imprisonment upon the offender, the court may directly impose a sentence that consists of one or more community control sanctions authorized pursuant to

section 2929.16, 2929.17, or 2929.18 of the Revised Code. If the 30154
court is sentencing an offender for a fourth degree felony OVI 30155
offense under division (G)(1) of section 2929.13 of the Revised 30156
Code, in addition to the mandatory term of local incarceration 30157
imposed under that division and the mandatory fine required by 30158
division (B)(3) of section 2929.18 of the Revised Code, the court 30159
may impose upon the offender a community control sanction or 30160
combination of community control sanctions in accordance with 30161
sections 2929.16 and 2929.17 of the Revised Code. If the court is 30162
sentencing an offender for a third or fourth degree felony OVI 30163
offense under division (G)(2) of section 2929.13 of the Revised 30164
Code, in addition to the mandatory prison term or mandatory prison 30165
term and additional prison term imposed under that division, the 30166
court also may impose upon the offender a community control 30167
sanction or combination of community control sanctions under 30168
section 2929.16 or 2929.17 of the Revised Code, but the offender 30169
shall serve all of the prison terms so imposed prior to serving 30170
the community control sanction. 30171

The duration of all community control sanctions imposed upon 30172
an offender under this division shall not exceed five years. If 30173
the offender absconds or otherwise leaves the jurisdiction of the 30174
court in which the offender resides without obtaining permission 30175
from the court or the offender's probation officer to leave the 30176
jurisdiction of the court, or if the offender is confined in any 30177
institution for the commission of any offense while under a 30178
community control sanction, the period of the community control 30179
sanction ceases to run until the offender is brought before the 30180
court for its further action. If the court sentences the offender 30181
to one or more nonresidential sanctions under section 2929.17 of 30182
the Revised Code, the court shall impose as a condition of the 30183
nonresidential sanctions that, during the period of the sanctions, 30184
the offender must abide by the law and must not leave the state 30185
without the permission of the court or the offender's probation 30186

officer. The court may impose any other conditions of release 30187
under a community control sanction that the court considers 30188
appropriate, including, but not limited to, requiring that the 30189
offender not ingest or be injected with a drug of abuse and submit 30190
to random drug testing as provided in division (D) of this section 30191
to determine whether the offender ingested or was injected with a 30192
drug of abuse and requiring that the results of the drug test 30193
indicate that the offender did not ingest or was not injected with 30194
a drug of abuse. 30195

(2)(a) If a court sentences an offender to any community 30196
control sanction or combination of community control sanctions 30197
authorized pursuant to section 2929.16, 2929.17, or 2929.18 of the 30198
Revised Code, the court shall place the offender under the general 30199
control and supervision of a department of probation in the county 30200
that serves the court for purposes of reporting to the court a 30201
violation of any condition of the sanctions, any condition of 30202
release under a community control sanction imposed by the court, a 30203
violation of law, or the departure of the offender from this state 30204
without the permission of the court or the offender's probation 30205
officer. Alternatively, if the offender resides in another county 30206
and a county department of probation has been established in that 30207
county or that county is served by a multicounty probation 30208
department established under section 2301.27 of the Revised Code, 30209
the court may request the court of common pleas of that county to 30210
receive the offender into the general control and supervision of 30211
that county or multicounty department of probation for purposes of 30212
reporting to the court a violation of any condition of the 30213
sanctions, any condition of release under a community control 30214
sanction imposed by the court, a violation of law, or the 30215
departure of the offender from this state without the permission 30216
of the court or the offender's probation officer, subject to the 30217
jurisdiction of the trial judge over and with respect to the 30218
person of the offender, and to the rules governing that department 30219

of probation. 30220

If there is no department of probation in the county that 30221
serves the court, the court shall place the offender, regardless 30222
of the offender's county of residence, under the general control 30223
and supervision of the adult parole authority for purposes of 30224
reporting to the court a violation of any of the sanctions, any 30225
condition of release under a community control sanction imposed by 30226
the court, a violation of law, or the departure of the offender 30227
from this state without the permission of the court or the 30228
offender's probation officer. 30229

(b) If the court imposing sentence upon an offender sentences 30230
the offender to any community control sanction or combination of 30231
community control sanctions authorized pursuant to section 30232
2929.16, 2929.17, or 2929.18 of the Revised Code, and if the 30233
offender violates any condition of the sanctions, any condition of 30234
release under a community control sanction imposed by the court, 30235
violates any law, or departs the state without the permission of 30236
the court or the offender's probation officer, the public or 30237
private person or entity that operates or administers the sanction 30238
or the program or activity that comprises the sanction shall 30239
report the violation or departure directly to the sentencing 30240
court, or shall report the violation or departure to the county or 30241
multicounty department of probation with general control and 30242
supervision over the offender under division (A)(2)(a) of this 30243
section or the officer of that department who supervises the 30244
offender, or, if there is no such department with general control 30245
and supervision over the offender under that division, to the 30246
adult parole authority. If the public or private person or entity 30247
that operates or administers the sanction or the program or 30248
activity that comprises the sanction reports the violation or 30249
departure to the county or multicounty department of probation or 30250
the adult parole authority, the department's or authority's 30251

officers may treat the offender as if the offender were on 30252
probation and in violation of the probation, and shall report the 30253
violation of the condition of the sanction, any condition of 30254
release under a community control sanction imposed by the court, 30255
the violation of law, or the departure from the state without the 30256
required permission to the sentencing court. 30257

(3) If an offender who is eligible for community control 30258
sanctions under this section admits to being drug addicted or the 30259
court has reason to believe that the offender is drug addicted, 30260
and if the offense for which the offender is being sentenced was 30261
related to the addiction, the court may require that the offender 30262
be assessed by a properly credentialed professional within a 30263
specified period of time and shall require the professional to 30264
file a written assessment of the offender with the court. If a 30265
court imposes treatment and recovery support services as a 30266
community control sanction, the court shall direct the level and 30267
type of treatment and recovery support services after 30268
consideration of the written assessment, if available at the time 30269

treatment in the community for a period of time that does not 31098
exceed the maximum prison term or term of imprisonment that the 31099
person could have received for the offense in question had the 31100
person been convicted of the offense instead of being found 31101
incompetent to stand trial on the charge of the offense or being 31102
found not guilty by reason of insanity relative to the offense. 31103

(7) "Licensed clinical psychologist," "mentally ill person 31104
subject to hospitalization by court order," and "psychiatrist" 31105
have the same meanings as in section 5122.01 of the Revised Code. 31106

(8) "Mentally retarded person subject to institutionalization 31107
by court order" has the same meaning as in section 5123.01 of the 31108
Revised Code. 31109

(B) In a criminal action in a court of common pleas, a county 31110
court, or a municipal court, the court, prosecutor, or defense may 31111
raise the issue of the defendant's competence to stand trial. If 31112
the issue is raised before the trial has commenced, the court 31113
shall hold a hearing on the issue as provided in this section. If 31114
the issue is raised after the trial has commenced, the court shall 31115
hold a hearing on the issue only for good cause shown or on the 31116
court's own motion. 31117

(C) The court shall conduct the hearing required or 31118
authorized under division (B) of this section within thirty days 31119
after the issue is raised, unless the defendant has been referred 31120
for evaluation in which case the court shall conduct the hearing 31121
within ten days after the filing of the report of the evaluation 31122
or, in the case of a defendant who is ordered by the court 31123
pursuant to division (H) of section 2945.371 of the Revised Code 31124
to undergo a separate mental retardation evaluation conducted by a 31125
psychologist designated by the director of developmental 31126
disabilities, within ten days after the filing of the report of 31127
the separate mental retardation evaluation under that division. A 31128
hearing may be continued for good cause. 31129

(D) The defendant shall be represented by counsel at the 31130
hearing conducted under division (C) of this section. If the 31131
defendant is unable to obtain counsel, the court shall appoint 31132
counsel under Chapter 120. of the Revised Code or under the 31133
authority recognized in division (C) of section 120.06, division 31134
(E) of section 120.16, division (E) of section 120.26, or section 31135
2941.51 of the Revised Code before proceeding with the hearing. 31136

(E) The prosecutor and defense counsel may submit evidence on 31137
the issue of the defendant's competence to stand trial. A written 31138
report of the evaluation of the defendant may be admitted into 31139
evidence at the hearing by stipulation, but, if either the 31140
prosecution or defense objects to its admission, the report may be 31141
admitted under sections 2317.36 to 2317.38 of the Revised Code or 31142
any other applicable statute or rule. 31143

(F) The court shall not find a defendant incompetent to stand 31144
trial solely because the defendant is receiving or has received 31145
treatment as a voluntary or involuntary mentally ill patient under 31146
Chapter 5122. or a voluntary or involuntary mentally retarded 31147
resident under Chapter 5123. of the Revised Code or because the 31148
defendant is receiving or has received psychotropic drugs or other 31149
medication, even if the defendant might become incompetent to 31150
stand trial without the drugs or medication. 31151

(G) A defendant is presumed to be competent to stand trial. 31152
If, after a hearing, the court finds by a preponderance of the 31153
evidence that, because of the defendant's present mental 31154
condition, the defendant is incapable of understanding the nature 31155
and objective of the proceedings against the defendant or of 31156
assisting in the defendant's defense, the court shall find the 31157
defendant incompetent to stand trial and shall enter an order 31158
authorized by section 2945.38 of the Revised Code. 31159

(H) Municipal courts shall follow the procedures set forth in 31160
sections 2945.37 to 2945.402 of the Revised Code. Except as 31161

provided in section 2945.371 of the Revised Code, a municipal 31162
court shall not order an evaluation of the defendant's competence 31163
to stand trial or the defendant's mental condition at the time of 31164
the commission of the offense to be conducted at any hospital 31165
operated by the department of ~~mental health~~ mental health and 31166
addiction services. Those evaluations shall be performed through 31167
community resources including, but not limited to, certified 31168
forensic centers, court probation departments, and community 31169
mental health agencies. All expenses of the evaluations shall be 31170
borne by the legislative authority of the municipal court, as 31171
defined in section 1901.03 of the Revised Code, and shall be taxed 31172
as costs in the case. If a defendant is found incompetent to stand 31173
trial or not guilty by reason of insanity, a municipal court may 31174
commit the defendant as provided in sections 2945.38 to 2945.402 31175
of the Revised Code. 31176

Sec. 2945.371. (A) If the issue of a defendant's competence 31177
to stand trial is raised or if a defendant enters a plea of not 31178
guilty by reason of insanity, the court may order one or more 31179
evaluations of the defendant's present mental condition or, in the 31180
case of a plea of not guilty by reason of insanity, of the 31181
defendant's mental condition at the time of the offense charged. 31182
An examiner shall conduct the evaluation. 31183

(B) If the court orders more than one evaluation under 31184
division (A) of this section, the prosecutor and the defendant may 31185
recommend to the court an examiner whom each prefers to perform 31186
one of the evaluations. If a defendant enters a plea of not guilty 31187
by reason of insanity and if the court does not designate an 31188
examiner recommended by the defendant, the court shall inform the 31189
defendant that the defendant may have independent expert 31190
evaluation and that, if the defendant is unable to obtain 31191
independent expert evaluation, it will be obtained for the 31192
defendant at public expense if the defendant is indigent. 31193

(C) If the court orders an evaluation under division (A) of 31194
this section, the defendant shall be available at the times and 31195
places established by the examiners who are to conduct the 31196
evaluation. The court may order a defendant who has been released 31197
on bail or recognizance to submit to an evaluation under this 31198
section. If a defendant who has been released on bail or 31199
recognizance refuses to submit to a complete evaluation, the court 31200
may amend the conditions of bail or recognizance and order the 31201
sheriff to take the defendant into custody and deliver the 31202
defendant to a center, program, or facility operated or certified 31203
by the department of ~~mental health~~ mental health and addiction 31204
services or the department of developmental disabilities where the 31205
defendant may be held for evaluation for a reasonable period of 31206
time not to exceed twenty days. 31207

(D) A defendant who has not been released on bail or 31208
recognizance may be evaluated at the defendant's place of 31209
detention. Upon the request of the examiner, the court may order 31210
the sheriff to transport the defendant to a program or facility 31211
operated or certified by the department of ~~mental health~~ mental 31212
health and addiction services or the department of developmental 31213
disabilities, where the defendant may be held for evaluation for a 31214
reasonable period of time not to exceed twenty days, and to return 31215
the defendant to the place of detention after the evaluation. A 31216
municipal court may make an order under this division only upon 31217
the request of a certified forensic center examiner. 31218

(E) If a court orders the evaluation to determine a 31219
defendant's mental condition at the time of the offense charged, 31220
the court shall inform the examiner of the offense with which the 31221
defendant is charged. 31222

(F) In conducting an evaluation of a defendant's mental 31223
condition at the time of the offense charged, the examiner shall 31224
consider all relevant evidence. If the offense charged involves 31225

the use of force against another person, the relevant evidence to 31226
be considered includes, but is not limited to, any evidence that 31227
the defendant suffered, at the time of the commission of the 31228
offense, from the "battered woman syndrome." 31229

(G) The examiner shall file a written report with the court 31230
within thirty days after entry of a court order for evaluation, 31231
and the court shall provide copies of the report to the prosecutor 31232
and defense counsel. The report shall include all of the 31233
following: 31234

(1) The examiner's findings; 31235

(2) The facts in reasonable detail on which the findings are 31236
based; 31237

(3) If the evaluation was ordered to determine the 31238
defendant's competence to stand trial, all of the following 31239
findings or recommendations that are applicable: 31240

(a) Whether the defendant is capable of understanding the 31241
nature and objective of the proceedings against the defendant or 31242
of assisting in the defendant's defense; 31243

(b) If the examiner's opinion is that the defendant is 31244
incapable of understanding the nature and objective of the 31245
proceedings against the defendant or of assisting in the 31246
defendant's defense, whether the defendant presently is mentally 31247
ill or mentally retarded and, if the examiner's opinion is that 31248
the defendant presently is mentally retarded, whether the 31249
defendant appears to be a mentally retarded person subject to 31250
institutionalization by court order; 31251

(c) If the examiner's opinion is that the defendant is 31252
incapable of understanding the nature and objective of the 31253
proceedings against the defendant or of assisting in the 31254
defendant's defense, the examiner's opinion as to the likelihood 31255
of the defendant becoming capable of understanding the nature and 31256

objective of the proceedings against the defendant and of 31257
assisting in the defendant's defense within one year if the 31258
defendant is provided with a course of treatment; 31259

(d) If the examiner's opinion is that the defendant is 31260
incapable of understanding the nature and objective of the 31261
proceedings against the defendant or of assisting in the 31262
defendant's defense and that the defendant presently is mentally 31263
ill or mentally retarded, the examiner's recommendation as to the 31264
least restrictive placement or commitment alternative, consistent 31265
with the defendant's treatment needs for restoration to competency 31266
and with the safety of the community. 31267

(4) If the evaluation was ordered to determine the 31268
defendant's mental condition at the time of the offense charged, 31269
the examiner's findings as to whether the defendant, at the time 31270
of the offense charged, did not know, as a result of a severe 31271
mental disease or defect, the wrongfulness of the defendant's acts 31272
charged. 31273

(H) If the examiner's report filed under division (G) of this 31274
section indicates that in the examiner's opinion the defendant is 31275
incapable of understanding the nature and objective of the 31276
proceedings against the defendant or of assisting in the 31277
defendant's defense and that in the examiner's opinion the 31278
defendant appears to be a mentally retarded person subject to 31279
institutionalization by court order, the court shall order the 31280
defendant to undergo a separate mental retardation evaluation 31281
conducted by a psychologist designated by the director of 31282
developmental disabilities. Divisions (C) to (F) of this section 31283
apply in relation to a separate mental retardation evaluation 31284
conducted under this division. The psychologist appointed under 31285
this division to conduct the separate mental retardation 31286
evaluation shall file a written report with the court within 31287
thirty days after the entry of the court order requiring the 31288

separate mental retardation evaluation, and the court shall 31289
provide copies of the report to the prosecutor and defense 31290
counsel. The report shall include all of the information described 31291
in divisions (G)(1) to (4) of this section. If the court orders a 31292
separate mental retardation evaluation of a defendant under this 31293
division, the court shall not conduct a hearing under divisions 31294
(B) to (H) of section 2945.37 of the Revised Code regarding that 31295
defendant until a report of the separate mental retardation 31296
evaluation conducted under this division has been filed. Upon the 31297
filing of that report, the court shall conduct the hearing within 31298
the period of time specified in division (C) of section 2945.37 of 31299
the Revised Code. 31300

(I) An examiner appointed under divisions (A) and (B) of this 31301
section or under division (H) of this section to evaluate a 31302
defendant to determine the defendant's competence to stand trial 31303
also may be appointed to evaluate a defendant who has entered a 31304
plea of not guilty by reason of insanity, but an examiner of that 31305
nature shall prepare separate reports on the issue of competence 31306
to stand trial and the defense of not guilty by reason of 31307
insanity. 31308

(J) No statement that a defendant makes in an evaluation or 31309
hearing under divisions (A) to (H) of this section relating to the 31310
defendant's competence to stand trial or to the defendant's mental 31311
condition at the time of the offense charged shall be used against 31312
the defendant on the issue of guilt in any criminal action or 31313
proceeding, but, in a criminal action or proceeding, the 31314
prosecutor or defense counsel may call as a witness any person who 31315
evaluated the defendant or prepared a report pursuant to a 31316
referral under this section. Neither the appointment nor the 31317
testimony of an examiner appointed under this section precludes 31318
the prosecutor or defense counsel from calling other witnesses or 31319
presenting other evidence on competency or insanity issues. 31320

(K) Persons appointed as examiners under divisions (A) and 31321
(B) of this section or under division (H) of this section shall be 31322
paid a reasonable amount for their services and expenses, as 31323
certified by the court. The certified amount shall be paid by the 31324
county in the case of county courts and courts of common pleas and 31325
by the legislative authority, as defined in section 1901.03 of the 31326
Revised Code, in the case of municipal courts. 31327

Sec. 2945.38. (A) If the issue of a defendant's competence to 31328
stand trial is raised and if the court, upon conducting the 31329
hearing provided for in section 2945.37 of the Revised Code, finds 31330
that the defendant is competent to stand trial, the defendant 31331
shall be proceeded against as provided by law. If the court finds 31332
the defendant competent to stand trial and the defendant is 31333
receiving psychotropic drugs or other medication, the court may 31334
authorize the continued administration of the drugs or medication 31335
or other appropriate treatment in order to maintain the 31336
defendant's competence to stand trial, unless the defendant's 31337
attending physician advises the court against continuation of the 31338
drugs, other medication, or treatment. 31339

(B)(1)(a) If, after taking into consideration all relevant 31340
reports, information, and other evidence, the court finds that the 31341
defendant is incompetent to stand trial and that there is a 31342
substantial probability that the defendant will become competent 31343
to stand trial within one year if the defendant is provided with a 31344
course of treatment, the court shall order the defendant to 31345
undergo treatment. If the defendant has been charged with a felony 31346
offense and if, after taking into consideration all relevant 31347
reports, information, and other evidence, the court finds that the 31348
defendant is incompetent to stand trial, but the court is unable 31349
at that time to determine whether there is a substantial 31350
probability that the defendant will become competent to stand 31351
trial within one year if the defendant is provided with a course 31352

of treatment, the court shall order continuing evaluation and 31353
treatment of the defendant for a period not to exceed four months 31354
to determine whether there is a substantial probability that the 31355
defendant will become competent to stand trial within one year if 31356
the defendant is provided with a course of treatment. 31357

(b) The court order for the defendant to undergo treatment or 31358
continuing evaluation and treatment under division (B)(1)(a) of 31359
this section shall specify that the defendant, if determined to 31360
require mental health treatment or continuing evaluation and 31361
treatment, either shall be committed to the department of ~~mental~~ 31362
~~health~~ mental health and addiction services for treatment or 31363
continuing evaluation and treatment at a hospital, facility, or 31364
agency, as determined to be clinically appropriate by the 31365
department of ~~mental health~~ mental health and addiction services 31366
or shall be committed to a facility certified by the department of 31367
~~mental health~~ mental health and addiction services as being 31368
qualified to treat mental illness, to a public or community mental 31369
health facility, or to a psychiatrist or another mental health 31370
professional for treatment or continuing evaluation and treatment. 31371
Prior to placing the defendant, the department of ~~mental health~~ 31372
mental health and addiction services shall obtain court approval 31373
for that placement following a hearing. The court order for the 31374
defendant to undergo treatment or continuing evaluation and 31375
treatment under division (B)(1)(a) of this section shall specify 31376
that the defendant, if determined to require treatment or 31377
continuing evaluation and treatment for mental retardation, shall 31378
receive treatment or continuing evaluation and treatment at an 31379
institution or facility operated by the department of 31380
developmental disabilities, at a facility certified by the 31381
department of developmental disabilities as being qualified to 31382
treat mental retardation, at a public or private mental 31383
retardation facility, or by a psychiatrist or another mental 31384
retardation professional. In any case, the order may restrict the 31385

defendant's freedom of movement as the court considers necessary. 31386
The prosecutor in the defendant's case shall send to the chief 31387
clinical officer of the hospital, facility, or agency where the 31388
defendant is placed by the department of ~~mental health~~ mental 31389
health and addiction services, or to the managing officer of the 31390
institution, the director of the program or facility, or the 31391
person to which the defendant is committed, copies of relevant 31392
police reports and other background information that pertains to 31393
the defendant and is available to the prosecutor unless the 31394
prosecutor determines that the release of any of the information 31395
in the police reports or any of the other background information 31396
to unauthorized persons would interfere with the effective 31397
prosecution of any person or would create a substantial risk of 31398
harm to any person. 31399

In determining the place of commitment, the court shall 31400
consider the extent to which the person is a danger to the person 31401
and to others, the need for security, and the type of crime 31402
involved and shall order the least restrictive alternative 31403
available that is consistent with public safety and treatment 31404
goals. In weighing these factors, the court shall give preference 31405
to protecting public safety. 31406

(c) If the defendant is found incompetent to stand trial, if 31407
the chief clinical officer of the hospital, facility, or agency 31408
where the defendant is placed, or the managing officer of the 31409
institution, the director of the program or facility, or the 31410
person to which the defendant is committed for treatment or 31411
continuing evaluation and treatment under division (B)(1)(b) of 31412
this section determines that medication is necessary to restore 31413
the defendant's competency to stand trial, and if the defendant 31414
lacks the capacity to give informed consent or refuses medication, 31415
the chief clinical officer of the hospital, facility, or agency 31416
where the defendant is placed, or the managing officer of the 31417

institution, the director of the program or facility, or the 31418
person to which the defendant is committed for treatment or 31419
continuing evaluation and treatment may petition the court for 31420
authorization for the involuntary administration of medication. 31421
The court shall hold a hearing on the petition within five days of 31422
the filing of the petition if the petition was filed in a 31423
municipal court or a county court regarding an incompetent 31424
defendant charged with a misdemeanor or within ten days of the 31425
filing of the petition if the petition was filed in a court of 31426
common pleas regarding an incompetent defendant charged with a 31427
felony offense. Following the hearing, the court may authorize the 31428
involuntary administration of medication or may dismiss the 31429
petition. 31430

(2) If the court finds that the defendant is incompetent to 31431
stand trial and that, even if the defendant is provided with a 31432
course of treatment, there is not a substantial probability that 31433
the defendant will become competent to stand trial within one 31434
year, the court shall order the discharge of the defendant, unless 31435
upon motion of the prosecutor or on its own motion, the court 31436
either seeks to retain jurisdiction over the defendant pursuant to 31437
section 2945.39 of the Revised Code or files an affidavit in the 31438
probate court for the civil commitment of the defendant pursuant 31439
to Chapter 5122. or 5123. of the Revised Code alleging that the 31440
defendant is a mentally ill person subject to hospitalization by 31441
court order or a mentally retarded person subject to 31442
institutionalization by court order. If an affidavit is filed in 31443
the probate court, the trial court shall send to the probate court 31444
copies of all written reports of the defendant's mental condition 31445
that were prepared pursuant to section 2945.371 of the Revised 31446
Code. 31447

The trial court may issue the temporary order of detention 31448
that a probate court may issue under section 5122.11 or 5123.71 of 31449

the Revised Code, to remain in effect until the probable cause or 31450
initial hearing in the probate court. Further proceedings in the 31451
probate court are civil proceedings governed by Chapter 5122. or 31452
5123. of the Revised Code. 31453

(C) No defendant shall be required to undergo treatment, 31454
including any continuing evaluation and treatment, under division 31455
(B)(1) of this section for longer than whichever of the following 31456
periods is applicable: 31457

(1) One year, if the most serious offense with which the 31458
defendant is charged is one of the following offenses: 31459

(a) Aggravated murder, murder, or an offense of violence for 31460
which a sentence of death or life imprisonment may be imposed; 31461

(b) An offense of violence that is a felony of the first or 31462
second degree; 31463

(c) A conspiracy to commit, an attempt to commit, or 31464
complicity in the commission of an offense described in division 31465
(C)(1)(a) or (b) of this section if the conspiracy, attempt, or 31466
complicity is a felony of the first or second degree. 31467

(2) Six months, if the most serious offense with which the 31468
defendant is charged is a felony other than a felony described in 31469
division (C)(1) of this section; 31470

(3) Sixty days, if the most serious offense with which the 31471
defendant is charged is a misdemeanor of the first or second 31472
degree; 31473

(4) Thirty days, if the most serious offense with which the 31474
defendant is charged is a misdemeanor of the third or fourth 31475
degree, a minor misdemeanor, or an unclassified misdemeanor. 31476

(D) Any defendant who is committed pursuant to this section 31477
shall not voluntarily admit the defendant or be voluntarily 31478
admitted to a hospital or institution pursuant to section 5122.02, 31479

5122.15, 5123.69, or 5123.76 of the Revised Code. 31480

(E) Except as otherwise provided in this division, a 31481
defendant who is charged with an offense and is committed by the 31482
court under this section to the department of ~~mental health~~ mental 31483
health and addiction services or is committed to an institution or 31484
facility for the treatment of mental retardation shall not be 31485
granted unsupervised on-grounds movement, supervised off-grounds 31486
movement, or nonsecured status except in accordance with the court 31487
order. The court may grant a defendant supervised off-grounds 31488
movement to obtain medical treatment or specialized habilitation 31489
treatment services if the person who supervises the treatment or 31490
the continuing evaluation and treatment of the defendant ordered 31491
under division (B)(1)(a) of this section informs the court that 31492
the treatment or continuing evaluation and treatment cannot be 31493
provided at the hospital or facility where the defendant is placed 31494
by the department of ~~mental health~~ mental health and addiction 31495
services or the institution or facility to which the defendant is 31496
committed. The chief clinical officer of the hospital or facility 31497
where the defendant is placed by the department of ~~mental health~~ 31498
mental health and addiction services or the managing officer of 31499
the institution or director of the facility to which the defendant 31500
is committed, or a designee of any of those persons, may grant a 31501
defendant movement to a medical facility for an emergency medical 31502
situation with appropriate supervision to ensure the safety of the 31503
defendant, staff, and community during that emergency medical 31504
situation. The chief clinical officer of the hospital or facility 31505
where the defendant is placed by the department of ~~mental health~~ 31506
mental health and addiction services or the managing officer of 31507
the institution or director of the facility to which the defendant 31508
is committed shall notify the court within twenty-four hours of 31509
the defendant's movement to the medical facility for an emergency 31510
medical situation under this division. 31511

(F) The person who supervises the treatment or continuing evaluation and treatment of a defendant ordered to undergo treatment or continuing evaluation and treatment under division (B)(1)(a) of this section shall file a written report with the court at the following times:

(1) Whenever the person believes the defendant is capable of understanding the nature and objective of the proceedings against the defendant and of assisting in the defendant's defense;

(2) For a felony offense, fourteen days before expiration of the maximum time for treatment as specified in division (C) of this section and fourteen days before the expiration of the maximum time for continuing evaluation and treatment as specified in division (B)(1)(a) of this section, and, for a misdemeanor offense, ten days before the expiration of the maximum time for treatment, as specified in division (C) of this section;

(3) At a minimum, after each six months of treatment;

(4) Whenever the person who supervises the treatment or continuing evaluation and treatment of a defendant ordered under division (B)(1)(a) of this section believes that there is not a substantial probability that the defendant will become capable of understanding the nature and objective of the proceedings against the defendant or of assisting in the defendant's defense even if the defendant is provided with a course of treatment.

(G) A report under division (F) of this section shall contain the examiner's findings, the facts in reasonable detail on which the findings are based, and the examiner's opinion as to the defendant's capability of understanding the nature and objective of the proceedings against the defendant and of assisting in the defendant's defense. If, in the examiner's opinion, the defendant remains incapable of understanding the nature and objective of the proceedings against the defendant and of assisting in the

defendant's defense and there is a substantial probability that 31543
the defendant will become capable of understanding the nature and 31544
objective of the proceedings against the defendant and of 31545
assisting in the defendant's defense if the defendant is provided 31546
with a course of treatment, if in the examiner's opinion the 31547

the prosecutor and defense counsel. 31555

the defendant or the examiner of the defendant who is employed or 31558
retained by the treating facility advises that there is not a 31559
substantial probability that the defendant will become capable of 31560
understanding the nature and objective of the proceedings against 31561
the defendant or of assisting in the defendant's defense even if 31562
the defendant is provided with a course of treatment, within ten 31563
days after the expiration of the maximum time for treatment as 31564
specified in division (C) of this section, within ten days after 31565
the expiration of the maximum time for continuing evaluation and 31566
treatment as specified in division (B)(1)(a) of this section, 31567
within thirty days after a defendant's request for a hearing that 31568
is made after six months of treatment, or within thirty days after 31569
being advised by the treating physician or examiner that the 31570
defendant is competent to stand trial, whichever is the earliest, 31571
the court shall conduct another hearing to determine if the 31572
defendant is competent to stand trial and shall do whichever of 31573

31577

(2) If the court finds that the defendant is incompetent to stand trial, but that there is a substantial probability that the defendant will become competent to stand trial if the defendant is provided with a course of treatment, and the maximum time for treatment as specified in division (C) of this section has not expired, the court, after consideration of the examiner's recommendation, shall order that treatment be continued, may change the facility or program at which the treatment is to be continued, and shall specify whether the treatment is to be continued at the same or a different facility or program. 31578

commitment pursuant to Chapter 5122. or 5123. of the Revised Code. 31610
If an affidavit for civil commitment is filed, the court may 31611
detain the defendant for ten days pending civil commitment. All of 31612

(ii) Notify the prosecutor, in writing, when the defendant is 31626
absent without leave or is granted unsupervised, off-grounds 31627
movement, and send this notice promptly after the discovery of the 31628
absence without leave or prior to the granting of the 31629
unsupervised, off-grounds movement, whichever is applicable; 31630

(iii) Notify the prosecutor, in writing, of the change of the 31631
defendant's commitment or admission to voluntary status, send the 31632
notice promptly upon learning of the change to voluntary status, 31633
and state in the notice the date on which the defendant was 31634
committed or admitted on a voluntary status. 31635

(b) Upon receiving notice that the defendant will be granted 31636
unsupervised, off-grounds movement, the prosecutor either shall 31637

re-indict the defendant or promptly notify the court that the 31638
prosecutor does not intend to prosecute the charges against the 31639
defendant. 31640

(I) If a defendant is convicted of a crime and sentenced to a 31641
jail or workhouse, the defendant's sentence shall be reduced by 31642
the total number of days the defendant is confined for evaluation 31643
to determine the defendant's competence to stand trial or 31644
treatment under this section and sections 2945.37 and 2945.371 of 31645
the Revised Code or by the total number of days the defendant is 31646
confined for evaluation to determine the defendant's mental 31647
condition at the time of the offense charged. 31648

Sec. 2945.39. (A) If a defendant who is charged with an 31649
offense described in division (C)(1) of section 2945.38 of the 31650
Revised Code is found incompetent to stand trial, after the 31651
expiration of the maximum time for treatment as specified in 31652
division (C) of that section or after the court finds that there 31653
is not a substantial probability that the defendant will become 31654
competent to stand trial even if the defendant is provided with a 31655
course of treatment, one of the following applies: 31656

(1) The court or the prosecutor may file an affidavit in 31657
probate court for civil commitment of the defendant in the manner 31658
provided in Chapter 5122. or 5123. of the Revised Code. If the 31659
court or prosecutor files an affidavit for civil commitment, the 31660
court may detain the defendant for ten days pending civil 31661
commitment. If the probate court commits the defendant subsequent 31662
to the court's or prosecutor's filing of an affidavit for civil 31663
commitment, the chief clinical officer of the entity, hospital, or 31664

the program, or the person to which the defendant is committed or 31666
admitted shall send to the prosecutor the notices described in 31667
divisions (H)(4)(a)(i) to (iii) of section 2945.38 of the Revised 31668

Code within the periods of time and under the circumstances 31669
specified in those divisions. 31670

(2) On the motion of the prosecutor or on its own motion, the 31671
court may retain jurisdiction over the defendant if, at a hearing, 31672

defendant is charged. 31676

(b) The defendant is a mentally ill person subject to 31677
hospitalization by court order or a mentally retarded person 31678
subject to institutionalization by court order. 31679

(B) In making its determination under division (A)(2) of this 31680
section as to whether to retain jurisdiction over the defendant, 31681
the court may consider all relevant evidence, including, but not 31682
limited to, any relevant psychiatric, psychological, or medical 31683
testimony or reports, the acts constituting the offense charged, 31684
and any history of the defendant that is relevant to the 31685
defendant's ability to conform to the law. 31686

(C) If the court conducts a hearing as described in division 31687
(A)(2) of this section and if the court does not make both 31688
findings described in divisions (A)(2)(a) and (b) of this section 31689
by clear and convincing evidence, the court shall dismiss the 31690
indictment, information, or complaint against the defendant. Upon 31691
the dismissal, the court shall discharge the defendant unless the 31692
court or prosecutor files an affidavit in probate court for civil 31693
commitment of the defendant pursuant to Chapter 5122. or 5123. of 31694
the Revised Code. If the court or prosecutor files an affidavit 31695
for civil commitment, the court may order that the defendant be 31696
detained for up to ten days pending the civil commitment. If the 31697
probate court commits the defendant subsequent to the court's or 31698
prosecutor's filing of an affidavit for civil commitment, the 31699

chief clinical officer of the entity, hospital, or facility, the 31700
managing officer of the institution, the director of the program, 31701
or the person to which the defendant is committed or admitted 31702
shall send to the prosecutor the notices described in divisions 31703
(H)(4)(a)(i) to (iii) of section 2945.38 of the Revised Code 31704
within the periods of time and under the circumstances specified 31705
in those divisions. A dismissal of charges under this division is 31706
not a bar to further criminal proceedings based on the same 31707
conduct. 31708

(D)(1) If the court conducts a hearing as described in 31709
division (A)(2) of this section and if the court makes the 31710
findings described in divisions (A)(2)(a) and (b) of this section 31711
by clear and convincing evidence, the court shall commit the 31712
defendant, if determined to require mental health treatment, 31713
either to the department of ~~mental health~~ mental health and 31714
addiction services for treatment at a hospital, facility, or 31715
agency as determined clinically appropriate by the department of 31716
~~mental health~~ mental health and addiction services or to another 31717
medical or psychiatric facility, as appropriate. Prior to placing 31718
the defendant, the department of ~~mental health~~ mental health and 31719
addiction services shall obtain court approval for that placement. 31720
If the court conducts such a hearing and if it makes those 31721
findings by clear and convincing evidence, the court shall commit 31722
the defendant, if determined to require treatment for mental 31723
retardation, to a facility operated by the department of 31724
developmental disabilities, or another facility, as appropriate. 31725
In determining the place of commitment, the court shall consider 31726
the extent to which the person is a danger to the person and to 31727
others, the need for security, and the type of crime involved and 31728
shall order the least restrictive alternative available that is 31729
consistent with public safety and the welfare of the defendant. In 31730
weighing these factors, the court shall give preference to 31731
protecting public safety. 31732

(2) If a court makes a commitment of a defendant under 31733
division (D)(1) of this section, the prosecutor shall send to the 31734
hospital, facility, or agency where the defendant is placed by the 31735
department of ~~mental health~~ mental health and addiction services 31736

provided in this division, any other relevant information, 31739
including, but not limited to, a transcript of the hearing held 31740
pursuant to division (A)(2) of this section, copies of relevant 31741
police reports, and copies of any prior arrest and conviction 31742
records that pertain to the defendant and that the prosecutor 31743
possesses. The prosecutor shall send the reports of the 31744
defendant's current mental condition in every case of commitment, 31745
and, unless the prosecutor determines that the release of any of 31746
the other relevant information to unauthorized persons would 31747
interfere with the effective prosecution of any person or would 31748
create a substantial risk of harm to any person, the prosecutor 31749
also shall send the other relevant information. Upon admission of 31750
a defendant committed under division (D)(1) of this section, the 31751
