expectation of return to the hospital or institution on a daily 32398
basis. 32399

(5) "Trial visit" means a patient privilege of a longer 32400
stated duration of unsupervised community contact with an 32401
expectation of return to the hospital or institution at designated 32402
times. 32403

(6) "Conditional release" means a commitment status under 32404
which the trial court at any time may revoke a person's 32405
conditional release and order the rehospitalization or 32406
reinstitutionalization of the person as described in division (A) 32407
of section 2945.402 of the Revised Code and pursuant to which a 32408
person who is found incompetent to stand trial or a person who is 32409
found not guilty by reason of insanity lives and receives 32410
treatment in the community for a period of time that does not 32411
exceed the maximum prison term or term of imprisonment that the 32412
person could have received for the offense in question had the 32413
person been convicted of the offense instead of being found 32414
incompetent to stand trial on the charge of the offense or being 32415
found not guilty by reason of insanity relative to the offense. 32416

(7) "Licensed clinical psychologist," "mentally ill person
subject to hospitalization by court order," and "psychiatrist"
have the same meanings as in section 5122.01 of the Revised Code.

(8) "Mentally retarded person subject to institutionalization
by court order" has the same meaning as in section 5123.01 of the
Revised Code.

(B) In a criminal action in a court of common pleas, a county
court, or a municipal court, the court, prosecutor, or defense may
raise the issue of the defendant's competence to stand trial. If
the issue is raised before the trial has commenced, the court
shall hold a hearing on the issue as provided in this section. If
the issue is raised after the trial has commenced, the court shall
hold a hearing on the issue only for good cause shown or on the
court's own motion.

(C) The court shall conduct the hearing required or
authorized under division (B) of this section within thirty days
after the issue is raised, unless the defendant has been referred
for evaluation in which case the court shall conduct the hearing
within ten days after the filing of the report of the evaluation
or, in the case of a defendant who is ordered by the court
pursuant to division (H) of section 2945.371 of the Revised Code
to undergo a separate mental retardation evaluation conducted by a
psychologist designated by the director of developmental
disabilities, within ten days after the filing of the report of
the separate mental retardation evaluation under that division. A
hearing may be continued for good cause.

(D) The defendant shall be represented by counsel at the
hearing conducted under division (C) of this section. If the
defendant is unable to obtain counsel, the court shall appoint
counsel under Chapter 120. of the Revised Code or under the
authority recognized in division (C) of section 120.06, division
(E) of section 120.16, division (E) of section 120.26, or section

2941.51 of the Revised Code before proceeding with the hearing. 32449

(E) The prosecutor and defense counsel may submit evidence on 32450
the issue of the defendant's competence to stand trial. A written 32451
report of the evaluation of the defendant may be admitted into 32452
evidence at the hearing by stipulation, but, if either the 32453
prosecution or defense objects to its admission, the report may be 32454
admitted under sections 2317.36 to 2317.38 of the Revised Code or 32455
any other applicable statute or rule. 32456

(F) The court shall not find a defendant incompetent to stand 32457
trial solely because the defendant is receiving or has received 32458
treatment as a voluntary or involuntary mentally ill patient under 32459
Chapter 5122. or a voluntary or involuntary mentally retarded 32460
resident under Chapter 5123. of the Revised Code or because the 32461
defendant is receiving or has received psychotropic drugs or other 32462
medication, even if the defendant might become incompetent to 32463
stand trial without the drugs or medication. 32464

(G) A defendant is presumed to be competent to stand trial. 32465
If, after a hearing, the court finds by a preponderance of the 32466
evidence that, because of the defendant's present mental 32467
condition, the defendant is incapable of understanding the nature 32468
and objective of the proceedings against the defendant or of 32469
assisting in the defendant's defense, the court shall find the 32470
defendant incompetent to stand trial and shall enter an order 32471
authorized by section 2945.38 of the Revised Code. 32472

(H) Municipal courts shall follow the procedures set forth in 32473
sections 2945.37 to 2945.402 of the Revised Code. Except as 32474
provided in section 2945.371 of the Revised Code, a municipal 32475
court shall not order an evaluation of the defendant's competence 32476
to stand trial or the defendant's mental condition at the time of 32477
the commission of the offense to be conducted at any hospital 32478
operated by the department of ~~mental health~~ mental health and 32479
addiction services. Those evaluations shall be performed through 32480

community resources including, but not limited to, certified 32481
forensic centers, court probation departments, and community 32482
mental health ~~agencies~~ services providers. All expenses of the 32483
evaluations shall be borne by the legislative authority of the 32484
municipal court, as defined in section 1901.03 of the Revised 32485
Code, and shall be taxed as costs in the case. If a defendant is 32486
found incompetent to stand trial or not guilty by reason of 32487
insanity, a municipal court may commit the defendant as provided 32488
in sections 2945.38 to 2945.402 of the Revised Code. 32489

Sec. 2945.371. (A) If the issue of a defendant's competence 32490
to stand trial is raised or if a defendant enters a plea of not 32491
guilty by reason of insanity, the court may order one or more 32492
evaluations of the defendant's present mental condition or, in the 32493
case of a plea of not guilty by reason of insanity, of the 32494
defendant's mental condition at the time of the offense charged. 32495
An examiner shall conduct the evaluation. 32496

(B) If the court orders more than one evaluation under 32497
division (A) of this section, the prosecutor and the defendant may 32498
recommend to the court an examiner whom each prefers to perform 32499
one of the evaluations. If a defendant enters a plea of not guilty 32500
by reason of insanity and if the court does not designate an 32501
examiner recommended by the defendant, the court shall inform the 32502
defendant that the defendant may have independent expert 32503
evaluation and that, if the defendant is unable to obtain 32504
independent expert evaluation, it will be obtained for the 32505
defendant at public expense if the defendant is indigent. 32506

(C) If the court orders an evaluation under division (A) of 32507
this section, the defendant shall be available at the times and 32508
places established by the examiners who are to conduct the 32509
evaluation. The court may order a defendant who has been released 32510
on bail or recognizance to submit to an evaluation under this 32511

section. If a defendant who has been released on bail or 32512
recognizance refuses to submit to a complete evaluation, the court 32513
may amend the conditions of bail or recognizance and order the 32514
sheriff to take the defendant into custody and deliver the 32515
defendant to a center, program, or facility operated or certified 32516
by the department of ~~mental health~~ mental health and addiction 32517
services or the department of developmental disabilities where the 32518
defendant may be held for evaluation for a reasonable period of 32519
time not to exceed twenty days. 32520

(D) A defendant who has not been released on bail or 32521
recognizance may be evaluated at the defendant's place of 32522
detention. Upon the request of the examiner, the court may order 32523
the sheriff to transport the defendant to a program or facility 32524
operated or certified by the department of ~~mental health~~ mental 32525
health and addiction services or the department of developmental 32526
disabilities, where the defendant may be held for evaluation for a 32527
reasonable period of time not to exceed twenty days, and to return 32528
the defendant to the place of detention after the evaluation. A 32529
municipal court may make an order under this division only upon 32530
the request of a certified forensic center examiner. 32531

(E) If a court orders the evaluation to determine a 32532
defendant's mental condition at the time of the offense charged, 32533
the court shall inform the examiner of the offense with which the 32534
defendant is charged. 32535

(F) In conducting an evaluation of a defendant's mental 32536
condition at the time of the offense charged, the examiner shall 32537
consider all relevant evidence. If the offense charged involves 32538
the use of force against another person, the relevant evidence to 32539
be considered includes, but is not limited to, any evidence that 32540
the defendant suffered, at the time of the commission of the 32541
offense, from the "battered woman syndrome." 32542

(G) The examiner shall file a written report with the court 32543

within thirty days after entry of a court order for evaluation, 32544
and the court shall provide copies of the report to the prosecutor 32545
and defense counsel. The report shall include all of the 32546
following: 32547

(1) The examiner's findings; 32548

(2) The facts in reasonable detail on which the findings are 32549
based; 32550

(3) If the evaluation was ordered to determine the 32551
defendant's competence to stand trial, all of the following 32552
findings or recommendations that are applicable: 32553

(a) Whether the defendant is capable of understanding the 32554
nature and objective of the proceedings against the defendant or 32555
of assisting in the defendant's defense; 32556

(b) If the examiner's opinion is that the defendant is 32557
incapable of understanding the nature and objective of the 32558
proceedings against the defendant or of assisting in the 32559
defendant's defense, whether the defendant presently is mentally 32560
ill or mentally retarded and, if the examiner's opinion is that 32561
the defendant presently is mentally retarded, whether the 32562
defendant appears to be a mentally retarded person subject to 32563
institutionalization by court order; 32564

(c) If the examiner's opinion is that the defendant is 32565
incapable of understanding the nature and objective of the 32566
proceedings against the defendant or of assisting in the 32567
defendant's defense, the examiner's opinion as to the likelihood 32568
of the defendant becoming capable of understanding the nature and 32569
objective of the proceedings against the defendant and of 32570
assisting in the defendant's defense within one year if the 32571
defendant is provided with a course of treatment; 32572

(d) If the examiner's opinion is that the defendant is 32573
incapable of understanding the nature and objective of the 32574

proceedings against the defendant or of assisting in the 32575
defendant's defense and that the defendant presently is mentally 32576
ill or mentally retarded, the examiner's recommendation as to the 32577
least restrictive placement or commitment alternative, consistent 32578
with the defendant's treatment needs for restoration to competency 32579
and with the safety of the community. 32580

(4) If the evaluation was ordered to determine the 32581
defendant's mental condition at the time of the offense charged, 32582
the examiner's findings as to whether the defendant, at the time 32583
of the offense charged, did not know, as a result of a severe 32584
mental disease or defect, the wrongfulness of the defendant's acts 32585
charged. 32586

(H) If the examiner's report filed under division (G) of this 32587
section indicates that in the examiner's opinion the defendant is 32588
incapable of understanding the nature and objective of the 32589
proceedings against the defendant or of assisting in the 32590
defendant's defense and that in the examiner's opinion the 32591
defendant appears to be a mentally retarded person subject to 32592
institutionalization by court order, the court shall order the 32593
defendant to undergo a separate mental retardation evaluation 32594
conducted by a psychologist designated by the director of 32595
developmental disabilities. Divisions (C) to (F) of this section 32596
apply in relation to a separate mental retardation evaluation 32597
conducted under this division. The psychologist appointed under 32598
this division to conduct the separate mental retardation 32599
evaluation shall file a written report with the court within 32600
thirty days after the entry of the court order requiring the 32601
separate mental retardation evaluation, and the court shall 32602
provide copies of the report to the prosecutor and defense 32603
counsel. The report shall include all of the information described 32604
in divisions (G)(1) to (4) of this section. If the court orders a 32605
separate mental retardation evaluation of a defendant under this 32606

division, the court shall not conduct a hearing under divisions 32607
(B) to (H) of section 2945.37 of the Revised Code regarding that 32608
defendant until a report of the separate mental retardation 32609
evaluation conducted under this division has been filed. Upon the 32610
filing of that report, the court shall conduct the hearing within 32611
the period of time specified in division (C) of section 2945.37 of 32612
the Revised Code. 32613

(I) An examiner appointed under divisions (A) and (B) of this 32614
section or under division (H) of this section to evaluate a 32615
defendant to determine the defendant's competence to stand trial 32616
also may be appointed to evaluate a defendant who has entered a 32617
plea of not guilty by reason of insanity, but an examiner of that 32618
nature shall prepare separate reports on the issue of competence 32619
to stand trial and the defense of not guilty by reason of 32620
insanity. 32621

(J) No statement that a defendant makes in an evaluation or 32622
hearing under divisions (A) to (H) of this section relating to the 32623
defendant's competence to stand trial or to the defendant's mental 32624
condition at the time of the offense charged shall be used against 32625
the defendant on the issue of guilt in any criminal action or 32626
proceeding, but, in a criminal action or proceeding, the 32627
prosecutor or defense counsel may call as a witness any person who 32628
evaluated the defendant or prepared a report pursuant to a 32629
referral under this section. Neither the appointment nor the 32630
testimony of an examiner appointed under this section precludes 32631
the prosecutor or defense counsel from calling other witnesses or 32632
presenting other evidence on competency or insanity issues. 32633

(K) Persons appointed as examiners under divisions (A) and 32634
(B) of this section or under division (H) of this section shall be 32635
paid a reasonable amount for their services and expenses, as 32636
certified by the court. The certified amount shall be paid by the 32637
county in the case of county courts and courts of common pleas and 32638

by the legislative authority, as defined in section 1901.03 of the Revised Code, in the case of municipal courts.

Sec. 2945.38. (A) If the issue of a defendant's competence to stand trial is raised and if the court, upon conducting the hearing provided for in section 2945.37 of the Revised Code, finds that the defendant is competent to stand trial, the defendant shall be proceeded against as provided by law. If the court finds the defendant competent to stand trial and the defendant is receiving psychotropic drugs or other medication, the court may authorize the continued administration of the drugs or medication or other appropriate treatment in order to maintain the defendant's competence to stand trial, unless the defendant's attending physician advises the court against continuation of the drugs, other medication, or treatment.

(B)(1)(a) If, after taking into consideration all relevant reports, information, and other evidence, the court finds that the defendant is incompetent to stand trial and that there is a substantial probability that the defendant will become competent to stand trial within one year if the defendant is provided with a course of treatment, the court shall order the defendant to undergo treatment. If the defendant has been charged with a felony offense and if, after taking into consideration all relevant reports, information, and other evidence, the court finds that the defendant is incompetent to stand trial, but the court is unable at that time to determine whether there is a substantial probability that the defendant will become competent to stand trial within one year if the defendant is provided with a course of treatment, the court shall order continuing evaluation and treatment of the defendant for a period not to exceed four months to determine whether there is a substantial probability that the defendant will become competent to stand trial within one year if the defendant is provided with a course of treatment.

(b) The court order for the defendant to undergo treatment or 32671
continuing evaluation and treatment under division (B)(1)(a) of 32672
this section shall specify that the defendant, if determined to 32673
require mental health treatment or continuing evaluation and 32674
treatment, either shall be committed to the department of ~~mental~~ 32675
~~health~~ mental health and addiction services for treatment or 32676
continuing evaluation and treatment at a hospital, facility, or 32677
agency, as determined to be clinically appropriate by the 32678
department of ~~mental health~~ mental health and addiction services 32679
or shall be committed to a facility certified by the department of 32680
~~mental health~~ mental health and addiction services as being 32681
qualified to treat mental illness, to a public or community mental 32682
health facility, or to a psychiatrist or another mental health 32683
professional for treatment or continuing evaluation and treatment. 32684
Prior to placing the defendant, the department of ~~mental health~~ 32685
mental health and addiction services shall obtain court approval 32686
for that placement following a hearing. The court order for the 32687
defendant to undergo treatment or continuing evaluation and 32688
treatment under division (B)(1)(a) of this section shall specify 32689
that the defendant, if determined to require treatment or 32690
continuing evaluation and treatment for mental retardation, shall 32691
receive treatment or continuing evaluation and treatment at an 32692
institution or facility operated by the department of 32693
developmental disabilities, at a facility certified by the 32694
department of developmental disabilities as being qualified to 32695
treat mental retardation, at a public or private mental 32696
retardation facility, or by a psychiatrist or another mental 32697
retardation professional. In any case, the order may restrict the 32698
defendant's freedom of movement as the court considers necessary. 32699
The prosecutor in the defendant's case shall send to the chief 32700
clinical officer of the hospital, facility, or agency where the 32701
defendant is placed by the department of ~~mental health~~ mental 32702
health and addiction services, or to the managing officer of the 32703

institution, the director of the program or facility, or the 32704
person to which the defendant is committed, copies of relevant 32705
police reports and other background information that pertains to 32706
the defendant and is available to the prosecutor unless the 32707
prosecutor determines that the release of any of the information 32708
in the police reports or any of the other background information 32709
to unauthorized persons would interfere with the effective 32710
prosecution of any person or would create a substantial risk of 32711
harm to any person. 32712

In determining the place of commitment, the court shall 32713
consider the extent to which the person is a danger to the person 32714
and to others, the need for security, and the type of crime 32715
involved and shall order the least restrictive alternative 32716
available that is consistent with public safety and treatment 32717
goals. In weighing these factors, the court shall give preference 32718
to protecting public safety. 32719

(c) If the defendant is found incompetent to stand trial, if 32720
the chief clinical officer of the hospital, facility, or agency 32721
where the defendant is placed, or the managing officer of the 32722
institution, the director of the program or facility, or the 32723
person to which the defendant is committed for treatment or 32724
continuing evaluation and treatment under division (B)(1)(b) of 32725
this section determines that medication is necessary to restore 32726
the defendant's competency to stand trial, and if the defendant 32727
lacks the capacity to give informed consent or refuses medication, 32728
the chief clinical officer of the hospital, facility, or agency 32729
where the defendant is placed, or the managing officer of the 32730
institution, the director of the program or facility, or the 32731
person to which the defendant is committed for treatment or 32732
continuing evaluation and treatment may petition the court for 32733
authorization for the involuntary administration of medication. 32734
The court shall hold a hearing on the petition within five days of 32735

the filing of the petition if the petition was filed in a 32736
municipal court or a county court regarding an incompetent 32737
defendant charged with a misdemeanor or within ten days of the 32738
filing of the petition if the petition was filed in a court of 32739
common pleas regarding an incompetent defendant charged with a 32740
felony offense. Following the hearing, the court may authorize the 32741
involuntary administration of medication or may dismiss the 32742
petition. 32743

(2) If the court finds that the defendant is incompetent to 32744
stand trial and that, even if the defendant is provided with a 32745
course of treatment, there is not a substantial probability that 32746
the defendant will become competent to stand trial within one 32747
year, the court shall order the discharge of the defendant, unless 32748
upon motion of the prosecutor or on its own motion, the court 32749
either seeks to retain jurisdiction over the defendant pursuant to 32750
section 2945.39 of the Revised Code or files an affidavit in the 32751
probate court for the civil commitment of the defendant pursuant 32752
to Chapter 5122. or 5123. of the Revised Code alleging that the 32753
defendant is a mentally ill person subject to hospitalization by 32754
court order or a mentally retarded person subject to 32755
institutionalization by court order. If an affidavit is filed in 32756
the probate court, the trial court shall send to the probate court 32757
copies of all written reports of the defendant's mental condition 32758
that were prepared pursuant to section 2945.371 of the Revised 32759
Code. 32760

The trial court may issue the temporary order of detention 32761
that a probate court may issue under section 5122.11 or 5123.71 of 32762
the Revised Code, to remain in effect until the probable cause or 32763
initial hearing in the probate court. Further proceedings in the 32764
probate court are civil proceedings governed by Chapter 5122. or 32765
5123. of the Revised Code. 32766

(C) No defendant shall be required to undergo treatment, 32767

including any continuing evaluation and treatment, under division 32768
(B)(1) of this section for longer than whichever of the following 32769
periods is applicable: 32770

(1) One year, if the most serious offense with which the 32771
defendant is charged is one of the following offenses: 32772

(a) Aggravated murder, murder, or an offense of violence for 32773
which a sentence of death or life imprisonment may be imposed; 32774

(b) An offense of violence that is a felony of the first or 32775
second degree; 32776

(c) A conspiracy to commit, an attempt to commit, or 32777
complicity in the commission of an offense described in division 32778
(C)(1)(a) or (b) of this section if the conspiracy, attempt, or 32779
complicity is a felony of the first or second degree. 32780

(2) Six months, if the most serious offense with which the 32781
defendant is charged is a felony other than a felony described in 32782
division (C)(1) of this section; 32783

(3) Sixty days, if the most serious offense with which the 32784
defendant is charged is a misdemeanor of the first or second 32785
degree; 32786

(4) Thirty days, if the most serious offense with which the 32787
defendant is charged is a misdemeanor of the third or fourth 32788
degree, a minor misdemeanor, or an unclassified misdemeanor. 32789

(D) Any defendant who is committed pursuant to this section 32790
shall not voluntarily admit the defendant or be voluntarily 32791
admitted to a hospital or institution pursuant to section 5122.02, 32792
5122.15, 5123.69, or 5123.76 of the Revised Code. 32793

(E) Except as otherwise provided in this division, a 32794
defendant who is charged with an offense and is committed by the 32795
court under this section to the department of ~~mental health~~ mental 32796
health and addiction services or is committed to an institution or 32797

facility for the treatment of mental retardation shall not be 32798
granted unsupervised on-grounds movement, supervised off-grounds 32799
movement, or nonsecured status except in accordance with the court 32800
order. The court may grant a defendant supervised off-grounds 32801
movement to obtain medical treatment or specialized habilitation 32802
treatment services if the person who supervises the treatment or 32803
the continuing evaluation and treatment of the defendant ordered 32804
under division (B)(1)(a) of this section informs the court that 32805
the treatment or continuing evaluation and treatment cannot be 32806
provided at the hospital or facility where the defendant is placed 32807
by the department of ~~mental health~~ mental health and addiction 32808
services or the institution or facility to which the defendant is 32809
committed. The chief clinical officer of the hospital or facility 32810
where the defendant is placed by the department of ~~mental health~~ 32811
mental health and addiction services or the managing officer of 32812
the institution or director of the facility to which the defendant 32813
is committed, or a designee of any of those persons, may grant a 32814
defendant movement to a medical facility for an emergency medical 32815
situation with appropriate supervision to ensure the safety of the 32816
defendant, staff, and community during that emergency medical 32817
situation. The chief clinical officer of the hospital or facility 32818
where the defendant is placed by the department of ~~mental health~~ 32819
mental health and addiction services or the managing officer of 32820
the institution or director of the facility to which the defendant 32821
is committed shall notify the court within twenty-four hours of 32822
the defendant's movement to the medical facility for an emergency 32823
medical situation under this division. 32824

(F) The person who supervises the treatment or continuing 32825
evaluation and treatment of a defendant ordered to undergo 32826
treatment or continuing evaluation and treatment under division 32827
(B)(1)(a) of this section shall file a written report with the 32828
court at the following times: 32829

(1) Whenever the person believes the defendant is capable of understanding the nature and objective of the proceedings against the defendant and of assisting in the defendant's defense;

(2) For a felony offense, fourteen days before expiration of the maximum time for treatment as specified in division (C) of this section and fourteen days before the expiration of the maximum time for continuing evaluation and treatment as specified in division (B)(1)(a) of this section, and, for a misdemeanor offense, ten days before the expiration of the maximum time for treatment, as specified in division (C) of this section;

(3) At a minimum, after each six months of treatment;

(4) Whenever the person who supervises the treatment or continuing evaluation and treatment of a defendant ordered under division (B)(1)(a) of this section believes that there is not a substantial probability that the defendant will become capable of understanding the nature and objective of the proceedings against the defendant or of assisting in the defendant's defense even if the defendant is provided with a course of treatment.

(G) A report under division (F) of this section shall contain the examiner's findings, the facts in reasonable detail on which the findings are based, and the examiner's opinion as to the defendant's capability of understanding the nature and objective of the proceedings against the defendant and of assisting in the defendant's defense. If, in the examiner's opinion, the defendant remains incapable of understanding the nature and objective of the proceedings against the defendant and of assisting in the defendant's defense and there is a substantial probability that the defendant will become capable of understanding the nature and objective of the proceedings against the defendant and of assisting in the defendant's defense if the defendant is provided with a course of treatment, if in the examiner's opinion the defendant remains mentally ill or mentally retarded, and if the

maximum time for treatment as specified in division (C) of this 32862
section has not expired, the report also shall contain the 32863
examiner's recommendation as to the least restrictive placement or 32864
commitment alternative that is consistent with the defendant's 32865
treatment needs for restoration to competency and with the safety 32866
of the community. The court shall provide copies of the report to 32867
the prosecutor and defense counsel. 32868

(H) If a defendant is committed pursuant to division (B)(1) 32869
of this section, within ten days after the treating physician of 32870
the defendant or the examiner of the defendant who is employed or 32871
retained by the treating facility advises that there is not a 32872
substantial probability that the defendant will become capable of 32873
understanding the nature and objective of the proceedings against 32874
the defendant or of assisting in the defendant's defense even if 32875
the defendant is provided with a course of treatment, within ten 32876
days after the expiration of the maximum time for treatment as 32877
specified in division (C) of this section, within ten days after 32878
the expiration of the maximum time for continuing evaluation and 32879
treatment as specified in division (B)(1)(a) of this section, 32880
within thirty days after a defendant's request for a hearing that 32881
is made after six months of treatment, or within thirty days after 32882
being advised by the treating physician or examiner that the 32883
defendant is competent to stand trial, whichever is the earliest, 32884
the court shall conduct another hearing to determine if the 32885
defendant is competent to stand trial and shall do whichever of 32886
the following is applicable: 32887

(1) If the court finds that the defendant is competent to 32888
stand trial, the defendant shall be proceeded against as provided 32889
by law. 32890

(2) If the court finds that the defendant is incompetent to 32891
stand trial, but that there is a substantial probability that the 32892
defendant will become competent to stand trial if the defendant is 32893

provided with a course of treatment, and the maximum time for 32894
treatment as specified in division (C) of this section has not 32895
expired, the court, after consideration of the examiner's 32896
recommendation, shall order that treatment be continued, may 32897
change the facility or program at which the treatment is to be 32898
continued, and shall specify whether the treatment is to be 32899
continued at the same or a different facility or program. 32900

(3) If the court finds that the defendant is incompetent to 32901
stand trial, if the defendant is charged with an offense listed in 32902
division (C)(1) of this section, and if the court finds that there 32903
is not a substantial probability that the defendant will become 32904
competent to stand trial even if the defendant is provided with a 32905
course of treatment, or if the maximum time for treatment relative 32906
to that offense as specified in division (C) of this section has 32907
expired, further proceedings shall be as provided in sections 32908
2945.39, 2945.401, and 2945.402 of the Revised Code. 32909

(4) If the court finds that the defendant is incompetent to 32910
stand trial, if the most serious offense with which the defendant 32911
is charged is a misdemeanor or a felony other than a felony listed 32912
in division (C)(1) of this section, and if the court finds that 32913
there is not a substantial probability that the defendant will 32914
become competent to stand trial even if the defendant is provided 32915
with a course of treatment, or if the maximum time for treatment 32916
relative to that offense as specified in division (C) of this 32917
section has expired, the court shall dismiss the indictment, 32918
information, or complaint against the defendant. A dismissal under 32919
this division is not a bar to further prosecution based on the 32920
same conduct. The court shall discharge the defendant unless the 32921
court or prosecutor files an affidavit in probate court for civil 32922
commitment pursuant to Chapter 5122. or 5123. of the Revised Code. 32923
If an affidavit for civil commitment is filed, the court may 32924
detain the defendant for ten days pending civil commitment. All of 32925

the following provisions apply to persons charged with a 32926
misdemeanor or a felony other than a felony listed in division 32927
(C)(1) of this section who are committed by the probate court 32928
subsequent to the court's or prosecutor's filing of an affidavit 32929
for civil commitment under authority of this division: 32930

(a) The chief clinical officer of the entity, hospital, or 32931
facility, the managing officer of the institution, the director of 32932
the program, or the person to which the defendant is committed or 32933
admitted shall do all of the following: 32934

(i) Notify the prosecutor, in writing, of the discharge of 32935
the defendant, send the notice at least ten days prior to the 32936
discharge unless the discharge is by the probate court, and state 32937
in the notice the date on which the defendant will be discharged; 32938

(ii) Notify the prosecutor, in writing, when the defendant is 32939
absent without leave or is granted unsupervised, off-grounds 32940
movement, and send this notice promptly after the discovery of the 32941
absence without leave or prior to the granting of the 32942
unsupervised, off-grounds movement, whichever is applicable; 32943

(iii) Notify the prosecutor, in writing, of the change of the 32944
defendant's commitment or admission to voluntary status, send the 32945
notice promptly upon learning of the change to voluntary status, 32946
and state in the notice the date on which the defendant was 32947
committed or admitted on a voluntary status. 32948

(b) Upon receiving notice that the defendant will be granted 32949
unsupervised, off-grounds movement, the prosecutor either shall 32950
re-indict the defendant or promptly notify the court that the 32951
prosecutor does not intend to prosecute the charges against the 32952
defendant. 32953

(I) If a defendant is convicted of a crime and sentenced to a 32954
jail or workhouse, the defendant's sentence shall be reduced by 32955
the total number of days the defendant is confined for evaluation 32956

to determine the defendant's competence to stand trial or 32957
treatment under this section and sections 2945.37 and 2945.371 of 32958
the Revised Code or by the total number of days the defendant is 32959
confined for evaluation to determine the defendant's mental 32960
condition at the time of the offense charged. 32961

Sec. 2945.39. (A) If a defendant who is charged with an 32962
offense described in division (C)(1) of section 2945.38 of the 32963
Revised Code is found incompetent to stand trial, after the 32964
expiration of the maximum time for treatment as specified in 32965
division (C) of that section or after the court finds that there 32966
is not a substantial probability that the defendant will become 32967
competent to stand trial even if the defendant is provided with a 32968
course of treatment, one of the following applies: 32969

(1) The court or the prosecutor may file an affidavit in 32970
probate court for civil commitment of the defendant in the manner 32971
provided in Chapter 5122. or 5123. of the Revised Code. If the 32972
court or prosecutor files an affidavit for civil commitment, the 32973
court may detain the defendant for ten days pending civil 32974
commitment. If the probate court commits the defendant subsequent 32975
to the court's or prosecutor's filing of an affidavit for civil 32976
commitment, the chief clinical officer of the entity, hospital, or 32977
facility, the managing officer of the institution, the director of 32978
the program, or the person to which the defendant is committed or 32979
admitted shall send to the prosecutor the notices described in 32980
divisions (H)(4)(a)(i) to (iii) of section 2945.38 of the Revised 32981
Code within the periods of time and under the circumstances 32982
specified in those divisions. 32983

(2) On the motion of the prosecutor or on its own motion, the 32984
court may retain jurisdiction over the defendant if, at a hearing, 32985
the court finds both of the following by clear and convincing 32986
evidence: 32987

(a) The defendant committed the offense with which the defendant is charged. 32988
32989

(b) The defendant is a mentally ill person subject to hospitalization by court order or a mentally retarded person subject to institutionalization by court order. 32990
32991
32992

(B) In making its determination under division (A)(2) of this section as to whether to retain jurisdiction over the defendant, the court may consider all relevant evidence, including, but not limited to, any relevant psychiatric, psychological, or medical testimony or reports, the acts constituting the offense charged, and any history of the defendant that is relevant to the defendant's ability to conform to the law. 32993

(C) If the court conducts a hearing as described in division (A)(2) of this section and if the court does not make both findings described in divisions (A)(2)(a) and (b) of this section by clear and convincing evidence, the court shall dismiss the indictment, information, or complaint against the defendant. Upon the dismissal, the court shall discharge the defendant unless the court or prosecutor files an affidavit in probate court for civil commitment of the defendant pursuant to Chapter 5122. or 5123. of the Revised Code. If the court or prosecutor files an affidavit for civil commitment, the court may order that the defendant be detained for up to ten days pending the civil commitment. If the probate court commits the defendant subsequent to the court's or prosecutor's filing of an affidavit for civil commitment, the chief clinical officer of the entity, hospital, or facility, the managing officer of the institution, the director of the program, or the person to which the defendant is committed or admitted shall send to the prosecutor the notices described in divisions (H)(4)(a)(i) to (iii) of section 2945.38 of the Revised Code within the periods of time and under the circumstances specified in those divisions. (D)(1) If the court conducts a hearing as described in 33022
division (A)(2) of this section and if the court makes the 33023
findings described in divisions (A)(2)(a) and (b) of this section 33024
by clear and convincing evidence, the court shall commit the 33025
defendant, if determined to require mental health treatment, 33026
either to the department of ~~mental health~~ mental health and 33027
addiction services for treatment at a hospital, facility, or 33028

If the court conducts such a hearing and if it makes those 33034

the defendant, if determined to require treatment for mental 33036
retardation, to a facility operated by the department of 33037
developmental disabilities, or another facility, as appropriate. 33038
In determining the place of commitment, the court shall consider 33039
the extent to which the person is a danger to the person and to 33040
others, the need for security, and the type of crime involved and 33041
shall order the least restrictive alternative available that is 33042
consistent with public safety and the welfare of the defendant. In 33043
weighing these factors, the court shall give preference to 33044
protecting public safety. 33045

(2) If a court makes a commitment of a defendant under 33046
division (D)(1) of this section, the prosecutor shall send to the 33047
hospital, facility, or agency where the defendant is placed by the 33048
department of ~~mental health~~ mental health and addiction services 33049
or to the defendant's place of commitment all reports of the 33050

including, but not limited to, a transcript of the hearing held 33053
pursuant to division (A)(2) of this section, copies of relevant 33054
police reports, and copies of any prior arrest and conviction 33055
records that pertain to the defendant and that the prosecutor 33056
possesses. The prosecutor shall send the reports of the 33057
defendant's current mental condition in every case of commitment, 33058
and, unless the prosecutor determines that the release of any of 33059
the other relevant information to unauthorized persons would 33060
interfere with the effective prosecution of any person or would 33061
create a substantial risk of harm to any person, the prosecutor 33062
also shall send the other relevant information. Upon admission of 33063
a defendant committed under division (D)(1) of this section, the 33064
place of commitment shall send to the board of alcohol, drug 33065
addiction, and mental health services or the community mental 33066
health board serving the county in which the charges against the 33067
defendant were filed a copy of all reports of the defendant's 33068
current mental condition and a copy of the other relevant 33069
information provided by the prosecutor under this division, 33070
including, if provided, a transcript of the hearing held pursuant 33071
to division (A)(2) of this section, the relevant police reports, 33072
and the prior arrest and conviction records that pertain to the 33073
defendant and that the prosecutor possesses. 33074

(3) If a court makes a commitment under division (D)(1) of 33075
this section, all further proceedings shall be in accordance with 33076
sections 2945.401 and 2945.402 of the Revised Code. 33077

Sec. 2945.40. (A) If a person is found not guilty by reason 33078

is a mentally ill person subject to hospitalization by court order 33081
or a mentally retarded person subject to institutionalization by 33082
court order. Prior to the hearing, if the trial judge believes 33083

that there is probable cause that the person found not guilty by 33084
reason of insanity is a mentally ill person subject to 33085
hospitalization by court order or mentally retarded person subject 33086
to institutionalization by court order, the trial judge may issue 33087
a temporary order of detention for that person to remain in effect 33088
for ten court days or until the hearing, whichever occurs first. 33089

Any person detained pursuant to a temporary order of 33090

facility, taking into consideration the place and type of 33092
confinement prior to and during trial. 33093

(B) The court shall hold the hearing under division (A) of 33094
this section to determine whether the person found not guilty by 33095
reason of insanity is a mentally ill person subject to 33096
hospitalization by court order or a mentally retarded person 33097
subject to institutionalization by court order within ten court 33098
days after the finding of not guilty by reason of insanity. 33099
Failure to conduct the hearing within the ten-day period shall 33100
cause the immediate discharge of the respondent, unless the judge 33101
grants a continuance for not longer than ten court days for good 33102
cause shown or for any period of time upon motion of the 33103
respondent. 33104

(C) If a person is found not guilty by reason of insanity, 33105
the person has the right to attend all hearings conducted pursuant 33106
to sections 2945.37 to 2945.402 of the Revised Code. At any 33107
hearing conducted pursuant to one of those sections, the court 33108
shall inform the person that the person has all of the following 33109
rights: 33110

(1) The right to be represented by counsel and to have that 33111
counsel provided at public expense if the person is indigent, with 33112
the counsel to be appointed by the court under Chapter 120. of the 33113
Revised Code or under the authority recognized in division (C) of 33114
section 120.06, division (E) of section 120.16, division (E) of 33115

section 120.26, or section 2941.51 of the Revised Code; 33116

(2) The right to have independent expert evaluation and to 33117
have that independent expert evaluation provided at public expense 33118
if the person is indigent; 33119

(3) The right to subpoena witnesses and documents, to present 33120
evidence on the person's behalf, and to cross-examine witnesses 33121
against the person; 33122

(4) The right to testify in the person's own behalf and to 33123
not be compelled to testify; 33124

(5) The right to have copies of any relevant medical or 33125
mental health document in the custody of the state or of any place 33126
of commitment other than a document for which the court finds that 33127
the release to the person of information contained in the document 33128
would create a substantial risk of harm to any person. 33129

(D) The hearing under division (A) of this section shall be 33130
open to the public, and the court shall conduct the hearing in 33131
accordance with the Rules of Civil Procedure. The court shall make 33132
and maintain a full transcript and record of the hearing 33133
proceedings. The court may consider all relevant evidence, 33134
including, but not limited to, any relevant psychiatric, 33135
psychological, or medical testimony or reports, the acts 33136
constituting the offense in relation to which the person was found 33137
not guilty by reason of insanity, and any history of the person 33138
that is relevant to the person's ability to conform to the law. 33139

(E) Upon completion of the hearing under division (A) of this 33140
section, if the court finds there is not clear and convincing 33141
evidence that the person is a mentally ill person subject to 33142
hospitalization by court order or a mentally retarded person 33143
subject to institutionalization by court order, the court shall 33144
discharge the person, unless a detainer has been placed upon the 33145
person by the department of rehabilitation and correction, in 33146

which case the person shall be returned to that department. 33147

(F) If, at the hearing under division (A) of this section, 33148
the court finds by clear and convincing evidence that the person 33149
is a mentally ill person subject to hospitalization by court 33150
order, the court shall commit the person either to the department 33151
of ~~mental health~~ mental health and addiction services for 33152
treatment in a hospital, facility, or agency as determined 33153
clinically appropriate by the department of ~~mental health~~ mental 33154
health and addiction services or to another medical or psychiatric 33155
facility, as appropriate. Prior to placing the defendant, the 33156
department of ~~mental health~~ mental health and addiction services 33157
shall obtain court approval for that placement. If, at the hearing 33158
under division (A) of this section, the court determines by clear 33159
and convincing evidence that the person requires treatment for 33160
mental retardation, it shall commit the person to a facility 33161
operated by the department of developmental disabilities or 33162
another facility, as appropriate. Further proceedings shall be in 33163
accordance with sections 2945.401 and 2945.402 of the Revised 33164
Code. In determining the place of commitment, the court shall 33165
consider the extent to which the person is a danger to the person 33166
and to others, the need for security, and the type of crime 33167
involved and shall order the least restrictive alternative 33168
available that is consistent with public safety and the welfare of 33169
the person. In weighing these factors, the court shall give 33170
preference to protecting public safety. 33171

(G) If a court makes a commitment of a person under division 33172
(F) of this section, the prosecutor shall send to the hospital, 33173
facility, or agency where the person is placed by the department 33174
of ~~mental health~~ mental health and addiction services or to the 33175
defendant's place of commitment all reports of the person's 33176
current mental condition, and, except as otherwise provided in 33177
this division, any other relevant information, including, but not 33178

limited to, a transcript of the hearing held pursuant to division 33179
(A) of this section, copies of relevant police reports, and copies 33180
of any prior arrest and conviction records that pertain to the 33181
person and that the prosecutor possesses. The prosecutor shall 33182
send the reports of the person's current mental condition in every 33183
case of commitment, and, unless the prosecutor determines that the 33184
release of any of the other relevant information to unauthorized 33185
persons would interfere with the effective prosecution of any 33186
person or would create a substantial risk of harm to any person, 33187
the prosecutor also shall send the other relevant information. 33188
Upon admission of a person committed under division (F) of this 33189
section, the place of commitment shall send to the board of 33190
alcohol, drug addiction, and mental health services or the 33191
community mental health board serving the county in which the 33192

person's current mental condition and a copy of the other relevant 33194

including, if provided, a transcript of the hearing held pursuant 33196
to division (A) of this section, the relevant police reports, and 33197
the prior arrest and conviction records that pertain to the person 33198
and that the prosecutor possesses. 33199

(H) A person who is committed pursuant to this section shall 33200
not voluntarily admit the person or be voluntarily admitted to a 33201
hospital or institution pursuant to section 5122.02, 5122.15, 33202

voluntarily admitted to a hospital or institution pursuant to 33223
section 5122.02, 5122.15, 5123.69, or 5123.76 of the Revised Code. 33224
All other provisions of Chapters 5122. and 5123. of the Revised 33225
Code regarding hospitalization or institutionalization shall apply 33226
to the extent they are not in conflict with this chapter. A 33227
commitment under section 2945.39 or 2945.40 of the Revised Code 33228
shall not be terminated and the conditions of the commitment shall 33229
not be changed except as otherwise provided in division (D)(2) of 33230
this section with respect to a mentally retarded person subject to 33231
institutionalization by court order or except by order of the 33232
trial court. 33233

(C) The department of ~~mental health~~ mental health and 33234

person subject to institutionalization by court order and, in the 33241
case of a defendant committed under section 2945.39 of the Revised 33242

Code, as to whether the defendant remains incompetent to stand 33243
trial. The department, institution, facility, or program shall 33244
make the reports after the initial six months of treatment and 33245
every two years after the initial report is made. The trial court 33246
shall provide copies of the reports to the prosecutor and to the 33247
counsel for the defendant or person. Within thirty days after its 33248
receipt pursuant to this division of a report from the department, 33249
institution, facility, or program, the trial court shall hold a 33250
hearing on the continued commitment of the defendant or person or 33251
on any changes in the conditions of the commitment of the 33252
defendant or person. The defendant or person may request a change 33253
in the conditions of confinement, and the trial court shall 33254
conduct a hearing on that request if six months or more have 33255
elapsed since the most recent hearing was conducted under this 33256
section. 33257

(D)(1) Except as otherwise provided in division (D)(2) of 33258
this section, when a defendant or person has been committed under 33259
section 2945.39 or 2945.40 of the Revised Code, at any time after 33260
evaluating the risks to public safety and the welfare of the 33261
defendant or person, the designee of the department of ~~mental~~ 33262
~~health~~ mental health and addiction services or the managing 33263
officer of the institution or director of the facility or program 33264
to which the defendant or person is committed may recommend a 33265
termination of the defendant's or person's commitment or a change 33266
in the conditions of the defendant's or person's commitment. 33267

Except as otherwise provided in division (D)(2) of this 33268
section, if the designee of the department of ~~mental health~~ mental 33269
health and addiction services recommends on-grounds unsupervised 33270
movement, off-grounds supervised movement, or nonsecured status 33271
for the defendant or person or termination of the defendant's or 33272
person's commitment, the following provisions apply: 33273

(a) If the department's designee recommends on-grounds 33274

unsupervised movement or off-grounds supervised movement, the 33275
department's designee shall file with the trial court an 33276
application for approval of the movement and shall send a copy of 33277
the application to the prosecutor. Within fifteen days after 33278
receiving the application, the prosecutor may request a hearing on 33279
the application and, if a hearing is requested, shall so inform 33280
the department's designee. If the prosecutor does not request a 33281
hearing within the fifteen-day period, the trial court shall 33282
approve the application by entering its order approving the 33283
requested movement or, within five days after the expiration of 33284
the fifteen-day period, shall set a date for a hearing on the 33285
application. If the prosecutor requests a hearing on the 33286
application within the fifteen-day period, the trial court shall 33287
hold a hearing on the application within thirty days after the 33288
hearing is requested. If the trial court, within five days after 33289
the expiration of the fifteen-day period, sets a date for a 33290
hearing on the application, the trial court shall hold the hearing 33291
within thirty days after setting the hearing date. At least 33292
fifteen days before any hearing is held under this division, the 33293
trial court shall give the prosecutor written notice of the date, 33294
time, and place of the hearing. At the conclusion of each hearing 33295
conducted under this division, the trial court either shall 33296
approve or disapprove the application and shall enter its order 33297
accordingly. 33298

(b) If the department's designee recommends termination of 33299
the defendant's or person's commitment at any time or if the 33300
department's designee recommends the first of any nonsecured 33301
status for the defendant or person, the department's designee 33302
shall send written notice of this recommendation to the trial 33303
court and to the local forensic center. The local forensic center 33304
shall evaluate the committed defendant or person and, within 33305
thirty days after its receipt of the written notice, shall submit 33306
to the trial court and the department's designee a written report 33307

of the evaluation. The trial court shall provide a copy of the department's designee's written notice and of the local forensic center's written report to the prosecutor and to the counsel for the defendant or person. Upon the local forensic center's submission of the report to the trial court and the department's designee, all of the following apply:

(i) If the forensic center disagrees with the recommendation of the department's designee, it shall inform the department's designee and the trial court of its decision and the reasons for the decision. The department's designee, after consideration of the forensic center's decision, shall either withdraw, proceed with, or modify and proceed with the recommendation. If the department's designee proceeds with, or modifies and proceeds with, the recommendation, the department's designee shall proceed in accordance with division (D)(1)(b)(iii) of this section.

(ii) If the forensic center agrees with the recommendation of the department's designee, it shall inform the department's designee and the trial court of its decision and the reasons for the decision, and the department's designee shall proceed in accordance with division (D)(1)(b)(iii) of this section.

(iii) If the forensic center disagrees with the recommendation of the department's designee and the department's designee proceeds with, or modifies and proceeds with, the recommendation or if the forensic center agrees with the recommendation of the department's designee, the department's designee shall work with community mental health ~~agencies~~ services providers, programs, facilities, or boards of alcohol, drug addiction, and mental health services or community mental health boards to develop a plan to implement the recommendation. If the defendant or person is on medication, the plan shall include, but shall not be limited to, a system to monitor the defendant's or person's compliance with the prescribed medication treatment plan.

The system shall include a schedule that clearly states when the defendant or person shall report for a medication compliance check. The medication compliance checks shall be based upon the effective duration of the prescribed medication, taking into account the route by which it is taken, and shall be scheduled at intervals sufficiently close together to detect a potential increase in mental illness symptoms that the medication is intended to prevent.

The department's designee, after consultation with the board of alcohol, drug addiction, and mental health services or the community mental health board serving the area, shall send the recommendation and plan developed under division (D)(1)(b)(iii) of this section, in writing, to the trial court, the prosecutor, and the counsel for the committed defendant or person. The trial court shall conduct a hearing on the recommendation and plan developed under division (D)(1)(b)(iii) of this section. Divisions (D)(1)(c) and (d) and (E) to (J) of this section apply regarding the hearing.

(c) If the department's designee's recommendation is for nonsecured status or termination of commitment, the prosecutor may obtain an independent expert evaluation of the defendant's or person's mental condition, and the trial court may continue the hearing on the recommendation for a period of not more than thirty days to permit time for the evaluation.

The prosecutor may introduce the evaluation report or present other evidence at the hearing in accordance with the Rules of Evidence.

(d) The trial court shall schedule the hearing on a department's designee's recommendation for nonsecured status or termination of commitment and shall give reasonable notice to the prosecutor and the counsel for the defendant or person. Unless continued for independent evaluation at the prosecutor's request

or for other good cause, the hearing shall be held within thirty 33372
days after the trial court's receipt of the recommendation and 33373
plan. 33374

(2)(a) Division (D)(1) of this section does not apply to 33375
on-grounds unsupervised movement of a defendant or person who has 33376
been committed under section 2945.39 or 2945.40 of the Revised 33377
Code, who is a mentally retarded person subject to 33378
institutionalization by court order, and who is being provided 33379
residential habilitation, care, and treatment in a facility 33380
operated by the department of developmental disabilities. 33381

(b) If, pursuant to section 2945.39 of the Revised Code, the 33382
trial court commits a defendant who is found incompetent to stand 33383
trial and who is a mentally retarded person subject to 33384
institutionalization by court order, if the defendant is being 33385
provided residential habilitation, care, and treatment in a 33386
facility operated by the department of developmental disabilities, 33387
if an individual who is conducting a survey for the department of 33388
health to determine the facility's compliance with the 33389
certification requirements of the medicaid program ~~under Chapter~~ 33390
~~5111. of the Revised Code and Title XIX of the "Social Security~~ 33391
~~Act," 49 Stat. 620 (1935), 42 U.S.C.A. 301, as amended,~~ cites the 33392
defendant's receipt of the residential habilitation, care, and 33393
treatment in the facility as being inappropriate under the 33394
certification requirements, if the defendant's receipt of the 33395
residential habilitation, care, and treatment in the facility 33396
potentially jeopardizes the facility's continued receipt of 33397
federal medicaid moneys, and if as a result of the citation the 33398
chief clinical officer of the facility determines that the 33399
conditions of the defendant's commitment should be changed, the 33400
department of developmental disabilities may cause the defendant 33401
to be removed from the particular facility and, after evaluating 33402
the risks to public safety and the welfare of the defendant and 33403

after determining whether another type of placement is consistent 33404
with the certification requirements, may place the defendant in 33405
another facility that the department selects as an appropriate 33406
facility for the defendant's continued receipt of residential 33407
habilitation, care, and treatment and that is a no less secure 33408
setting than the facility in which the defendant had been placed 33409
at the time of the citation. Within three days after the 33410
defendant's removal and alternative placement under the 33411
circumstances described in division (D)(2)(b) of this section, the 33412
department of developmental disabilities shall notify the trial 33413
court and the prosecutor in writing of the removal and alternative 33414
placement. 33415

The trial court shall set a date for a hearing on the removal 33416
and alternative placement, and the hearing shall be held within 33417
twenty-one days after the trial court's receipt of the notice from 33418
the department of developmental disabilities. At least ten days 33419
before the hearing is held, the trial court shall give the 33420
prosecutor, the department of developmental disabilities, and the 33421
counsel for the defendant written notice of the date, time, and 33422
place of the hearing. At the hearing, the trial court shall 33423
consider the citation issued by the individual who conducted the 33424
survey for the department of health to be prima-facie evidence of 33425
the fact that the defendant's commitment to the particular 33426
facility was inappropriate under the certification requirements of 33427
the medicaid program ~~under Chapter 5111. of the Revised Code and~~ 33428
~~Title XIX of the "Social Security Act," 49 Stat. 620 (1935), 42~~ 33429
~~U.S.C.A. 301, as amended,~~ and potentially jeopardizes the 33430
particular facility's continued receipt of federal medicaid 33431
moneys. At the conclusion of the hearing, the trial court may 33432
approve or disapprove the defendant's removal and alternative 33433
placement. If the trial court approves the defendant's removal and 33434
alternative placement, the department of developmental 33435
disabilities may continue the defendant's alternative placement. 33436

If the trial court disapproves the defendant's removal and 33437
alternative placement, it shall enter an order modifying the 33438
defendant's removal and alternative placement, but that order 33439
shall not require the department of developmental disabilities to 33440
replace the defendant for purposes of continued residential 33441
habilitation, care, and treatment in the facility associated with 33442
the citation issued by the individual who conducted the survey for 33443
the department of health. 33444

(E) In making a determination under this section regarding 33445
nonsecured status or termination of commitment, the trial court 33446
shall consider all relevant factors, including, but not limited 33447
to, all of the following: 33448

(1) Whether, in the trial court's view, the defendant or 33449
person currently represents a substantial risk of physical harm to 33450
the defendant or person or others; 33451

(2) Psychiatric and medical testimony as to the current 33452
mental and physical condition of the defendant or person; 33453

(3) Whether the defendant or person has insight into the 33454
defendant's or person's condition so that the defendant or person 33455
will continue treatment as prescribed or seek professional 33456
assistance as needed; 33457

(4) The grounds upon which the state relies for the proposed 33458
commitment; 33459

(5) Any past history that is relevant to establish the 33460
defendant's or person's degree of conformity to the laws, rules, 33461
regulations, and values of society; 33462

(6) If there is evidence that the defendant's or person's 33463
mental illness is in a state of remission, the medically suggested 33464
cause and degree of the remission and the probability that the 33465
defendant or person will continue treatment to maintain the 33466
remissive state of the defendant's or person's illness should the 33467

defendant's or person's commitment conditions be altered. 33468

(F) At any hearing held pursuant to division (C) or (D)(1) or 33469
(2) of this section, the defendant or the person shall have all 33470
the rights of a defendant or person at a commitment hearing as 33471
described in section 2945.40 of the Revised Code. 33472

(G) In a hearing held pursuant to division (C) or (D)(1) of 33473
this section, the prosecutor has the burden of proof as follows: 33474

(1) For a recommendation of termination of commitment, to 33475
show by clear and convincing evidence that the defendant or person 33476
remains a mentally ill person subject to hospitalization by court 33477
order or a mentally retarded person subject to 33478
institutionalization by court order; 33479

(2) For a recommendation for a change in the conditions of 33480
the commitment to a less restrictive status, to show by clear and 33481
convincing evidence that the proposed change represents a threat 33482
to public safety or a threat to the safety of any person. 33483

(H) In a hearing held pursuant to division (C) or (D)(1) or 33484
(2) of this section, the prosecutor shall represent the state or 33485
the public interest. 33486

(I) At the conclusion of a hearing conducted under division 33487
(D)(1) of this section regarding a recommendation from the 33488
designee of the department of ~~mental health~~ mental health and 33489
addiction services, managing officer of the institution, or 33490
director of a facility or program, the trial court may approve, 33491
disapprove, or modify the recommendation and shall enter an order 33492
accordingly. 33493

(J)(1) A defendant or person who has been committed pursuant 33494
to section 2945.39 or 2945.40 of the Revised Code continues to be 33495
under the jurisdiction of the trial court until the final 33496
termination of the commitment. For purposes of division (J) of 33497
this section, the final termination of a commitment occurs upon 33498

the earlier of one of the following: 33499

(a) The defendant or person no longer is a mentally ill 33500
person subject to hospitalization by court order or a mentally 33501
retarded person subject to institutionalization by court order, as 33502
determined by the trial court; 33503

(b) The expiration of the maximum prison term or term of 33504
imprisonment that the defendant or person could have received if 33505
the defendant or person had been convicted of the most serious 33506
offense with which the defendant or person is charged or in 33507
relation to which the defendant or person was found not guilty by 33508
reason of insanity; 33509

(c) The trial court enters an order terminating the 33510
commitment under the circumstances described in division 33511
(J)(2)(a)(ii) of this section. 33512

(2)(a) If a defendant is found incompetent to stand trial and 33513
committed pursuant to section 2945.39 of the Revised Code, if 33514
neither of the circumstances described in divisions (J)(1)(a) and 33515
(b) of this section applies to that defendant, and if a report 33516
filed with the trial court pursuant to division (C) of this 33517
section indicates that the defendant presently is competent to 33518
stand trial or if, at any other time during the period of the 33519
defendant's commitment, the prosecutor, the counsel for the 33520
defendant, or the designee of the department of ~~mental health~~ 33521
mental health and addiction services or the managing officer of 33522
the institution or director of the facility or program to which 33523
the defendant is committed files an application with the trial 33524
court alleging that the defendant presently is competent to stand 33525
trial and requesting a hearing on the competency issue or the 33526
trial court otherwise has reasonable cause to believe that the 33527
defendant presently is competent to stand trial and determines on 33528
its own motion to hold a hearing on the competency issue, the 33529
trial court shall schedule a hearing on the competency of the 33530

defendant to stand trial, shall give the prosecutor, the counsel 33531
for the defendant, and the department's designee or the managing 33532
officer of the institution or the director of the facility to 33533
which the defendant is committed notice of the date, time, and 33534
place of the hearing at least fifteen days before the hearing, and 33535
shall conduct the hearing within thirty days of the filing of the 33536
application or of its own motion. If, at the conclusion of the 33537
hearing, the trial court determines that the defendant presently 33538
is capable of understanding the nature and objective of the 33539
proceedings against the defendant and of assisting in the 33540
defendant's defense, the trial court shall order that the 33541
defendant is competent to stand trial and shall be proceeded 33542
against as provided by law with respect to the applicable offenses 33543
described in division (C)(1) of section 2945.38 of the Revised 33544
Code and shall enter whichever of the following additional orders 33545
is appropriate: 33546

(i) If the trial court determines that the defendant remains 33547
a mentally ill person subject to hospitalization by court order or 33548
a mentally retarded person subject to institutionalization by 33549
court order, the trial court shall order that the defendant's 33550
commitment to the department of ~~mental health~~ mental health and 33551
addiction services or to an institution, facility, or program for 33552
the treatment of mental retardation be continued during the 33553
pendency of the trial on the applicable offenses described in 33554
division (C)(1) of section 2945.38 of the Revised Code. 33555

(ii) If the trial court determines that the defendant no 33556
longer is a mentally ill person subject to hospitalization by 33557
court order or a mentally retarded person subject to 33558
institutionalization by court order, the trial court shall order 33559
that the defendant's commitment to the department of ~~mental health~~ 33560
mental health and addiction services or to an institution, 33561
facility, or program for the treatment of mental retardation shall 33562

not be continued during the pendency of the trial on the 33563
applicable offenses described in division (C)(1) of section 33564
2945.38 of the Revised Code. This order shall be a final 33565
termination of the commitment for purposes of division (J)(1)(c) 33566
of this section. 33567

(b) If, at the conclusion of the hearing described in 33568
division (J)(2)(a) of this section, the trial court determines 33569
that the defendant remains incapable of understanding the nature 33570
and objective of the proceedings against the defendant or of 33571
assisting in the defendant's defense, the trial court shall order 33572
that the defendant continues to be incompetent to stand trial, 33573
that the defendant's commitment to the department of ~~mental health~~ 33574
mental health and addiction services or to an institution, 33575
facility, or program for the treatment of mental retardation shall 33576
be continued, and that the defendant remains subject to the 33577
jurisdiction of the trial court pursuant to that commitment, and 33578
to the provisions of this section, until the final termination of 33579
the commitment as described in division (J)(1) of this section. 33580

criminal offense, including but not limited to a violation of 33582
section 2913.02, 2913.03, 2913.11, 2913.21, 2913.31, or 2919.21 of 33583
the Revised Code, and the court has reason to believe that drug or 33584
alcohol usage by the offender was a factor leading to the criminal 33585
offense with which the offender is charged or that, at the time of 33586
committing that offense, the offender had a mental illness or was 33587
a person with intellectual disability and that the mental illness 33588
or status as a person with intellectual disability was a factor 33589
leading to the offender's criminal behavior, the court may accept, 33590
prior to the entry of a guilty plea, the offender's request for 33591
intervention in lieu of conviction. The request shall include a 33592
statement from the offender as to whether the offender is alleging 33593

alleging that, at the time of committing that offense, the 33596
offender had a mental illness or was a person with intellectual 33597

hearing. If the court elects to consider an offender's request, 33606
the court shall conduct a hearing to determine whether the 33607
offender is eligible under this section for intervention in lieu 33608
of conviction and shall stay all criminal proceedings pending the 33609
outcome of the hearing. If the court schedules a hearing, the 33610
court shall order an assessment of the offender for the purpose of 33611
determining the offender's eligibility for intervention in lieu of 33612
conviction and recommending an appropriate intervention plan. 33613

If the offender alleges that drug or alcohol usage by the 33614
offender was a factor leading to the criminal offense with which 33615
the offender is charged, the court may order that the offender be 33616
assessed by ~~a program~~ an addiction services provider certified 33617
pursuant to section ~~3793.06~~ 5119.36 of the Revised Code or a 33618
properly credentialed professional for the purpose of determining 33619

and recommending an appropriate intervention plan. The ~~program~~ 33621
addiction services provider or the properly credentialed 33622
professional shall provide a written assessment of the offender to 33623
the court. 33624

(2) The victim notification provisions of division (C) of 33625
section 2930.08 of the Revised Code apply in relation to any 33626

pleaded guilty to a felony offense of violence or previously has 33631
been convicted of or pleaded guilty to any felony that is not an 33632

the offender be found eligible for participation in intervention 33634
in lieu of treatment under this section, previously has not been 33635
through intervention in lieu of conviction under this section or 33636
any similar regimen, and is charged with a felony for which the 33637
court, upon conviction, would impose a community control sanction 33638
on the offender under division (B)(2) of section 2929.13 of the 33639
Revised Code or with a misdemeanor. 33640

(2) The offense is not a felony of the first, second, or 33641

(4) If an offender alleges that drug or alcohol usage by the 33657

offender was a factor leading to the criminal offense with which 33658

provider or properly credentialed professional has filed the 33668
written assessment of the offender with the court. 33669

(5) If an offender alleges that, at the time of committing 33670
the criminal offense with which the offender is charged, the 33671
offender had a mental illness or was a person with intellectual 33672
disability and that the mental illness or status as a person with 33673
intellectual disability was a factor leading to that offense, the 33674
offender has been assessed by a psychiatrist, psychologist, 33675
independent social worker, or professional clinical counselor for 33676
the purpose of determining the offender's eligibility for 33677
intervention in lieu of conviction and recommending an appropriate 33678
intervention plan. 33679

(6) The offender's drug usage, alcohol usage, mental illness, 33680
or intellectual disability, whichever is applicable, was a factor 33681
leading to the criminal offense with which the offender is 33682
charged, intervention in lieu of conviction would not demean the 33683
seriousness of the offense, and intervention would substantially 33684
reduce the likelihood of any future criminal activity. 33685

(7) The alleged victim of the offense was not sixty-five 33686
years of age or older, permanently and totally disabled, under 33687
thirteen years of age, or a peace officer engaged in the officer's 33688
official duties at the time of the alleged offense. 33689

(8) If the offender is charged with a violation of section 2925.24 of the Revised Code, the alleged violation did not result in physical harm to any person, and the offender previously has not been treated for drug abuse.

(9) The offender is willing to comply with all terms and conditions imposed by the court pursuant to division (D) of this section.

(10) The offender is not charged with an offense that would result in the offender being disqualified under Chapter 4506. of the Revised Code from operating a commercial motor vehicle or would subject the offender to any other sanction under that chapter.

(C) At the conclusion of a hearing held pursuant to division (A) of this section, the court shall enter its determination as to whether the offender is eligible for intervention in lieu of conviction and as to whether to grant the offender's request. If the court finds under division (B) of this section that the offender is eligible for intervention in lieu of conviction and grants the offender's request, the court shall accept the offender's plea of guilty and waiver of the defendant's right to a speedy trial, the preliminary hearing, the time period within which the grand jury may consider an indictment against the offender, and arraignment, unless the hearing, indictment, or arraignment has already occurred. In addition, the court then may stay all criminal proceedings and order the offender to comply with all terms and conditions imposed by the court pursuant to division (D) of this section. If the court finds that the offender is not eligible or does not grant the offender's request, the criminal proceedings against the offender shall proceed as if the offender's request for intervention in lieu of conviction had not been made.

(D) If the court grants an offender's request for

intervention in lieu of conviction, the court shall place the 33722
offender under the general control and supervision of the county 33723
probation department, the adult parole authority, or another 33724
appropriate local probation or court services agency, if one 33725
exists, as if the offender was subject to a community control 33726
sanction imposed under section 2929.15, 2929.18, or 2929.25 of the 33727
Revised Code. The court shall establish an intervention plan for 33728
the offender. The terms and conditions of the intervention plan 33729
shall require the offender, for at least one year from the date on 33730
which the court grants the order of intervention in lieu of 33731
conviction, to abstain from the use of illegal drugs and alcohol, 33732
to participate in treatment and recovery support services, and to 33733
submit to regular random testing for drug and alcohol use and may 33734
include any other treatment terms and conditions, or terms and 33735
conditions similar to community control sanctions, which may 33736
include community service or restitution, that are ordered by the 33737
court. 33738

(E) If the court grants an offender's request for 33739
intervention in lieu of conviction and the court finds that the 33740
offender has successfully completed the intervention plan for the 33741
offender, including the requirement that the offender abstain from 33742
using illegal drugs and alcohol for a period of at least one year 33743
from the date on which the court granted the order of intervention 33744
in lieu of conviction, the requirement that the offender 33745
participate in treatment and recovery support services, and all 33746
other terms and conditions ordered by the court, the court shall 33747
dismiss the proceedings against the offender. Successful 33748
completion of the intervention plan and period of abstinence under 33749
this section shall be without adjudication of guilt and is not a 33750
criminal conviction for purposes of any disqualification or 33751
disability imposed by law and upon conviction of a crime, and the 33752
court may order the sealing of records related to the offense in 33753
question in the manner provided in sections 2953.31 to 2953.36 of 33754

the Revised Code. 33755

(F) If the court grants an offender's request for 33756
intervention in lieu of conviction and the offender fails to 33757
comply with any term or condition imposed as part of the 33758
intervention plan for the offender, the supervising authority for 33759
the offender promptly shall advise the court of this failure, and 33760
the court shall hold a hearing to determine whether the offender 33761
failed to comply with any term or condition imposed as part of the 33762
plan. If the court determines that the offender has failed to 33763
comply with any of those terms and conditions, it shall enter a 33764
finding of guilty and shall impose an appropriate sanction under 33765
Chapter 2929. of the Revised Code. If the court sentences the 33766
offender to a prison term, the court, after consulting with the 33767
department of rehabilitation and correction regarding the 33768
availability of services, may order continued court-supervised 33769
activity and treatment of the offender during the prison term and, 33770
upon consideration of reports received from the department 33771
concerning the offender's progress in the program of activity and 33772
treatment, may consider judicial release under section 2929.20 of 33773
the Revised Code. 33774

reference shall be deemed to include a "person with intellectual 33792
disability," as defined in this section. 33793

Sec. 2967.22. Whenever it is brought to the attention of the 33794
adult parole authority or a department of probation that a 33795
parolee, person under a community control sanction, person under 33796
transitional control, or releasee appears to be a mentally ill 33797

community control sanction, person under transitional control, or 33820
releasee is the same as that provided for the apprehension, 33821

the escape, the person under a community control sanction shall be 33837
discharged from the custody of the department of ~~mental health~~ 33838
mental health and addiction services or the department of 33839
developmental disabilities and returned to the custody of the 33840
court that sentenced that person. 33841

of the Revised Code. 34007

(G) Any property forfeited under this chapter shall not be 34008

but less than two standard errors of measure above the mean score 35697
shall be designated as a "B." 35698

determined using a method prescribed by the state board. The state 35771
board shall adopt rules to prescribe benchmarks and standards for 35772
assigning grades to districts and buildings for purposes of 35773
division (B)(1)(j) of this section. In adopting benchmarks for 35774
assigning letter grades under divisions (B)(1)(g) and (C)(1)(g) of 35775
this section, the state board shall determine progress made based 35776
on the reduction in the percentage of students scoring below grade 35777
level, or below proficient, compared from year to year on the 35778
English language arts diagnostic assessments administered under 35779
section 3301.0715 of the Revised Code and the third grade English 35780
language arts assessment under section 3301.0710 of the Revised 35781
Code, as applicable. The state board shall designate for a "C" 35782
grade a value that is not lower than the statewide average value 35783
for this measure. No grade shall be issued under divisions 35784
(B)(1)(g) and (C)(1)(j) of this section for a district or building 35785
in which less than five per cent of students have scored below 35786
grade level on the diagnostic assessment administered to students 35787
in kindergarten under division (B)(1) of section 3313.608 of the 35788
Revised Code. 35789

(2) In addition to the graded measures in division (B)(1) of 35790
this section, the department shall include on a school district's 35791
or building's report card all of the following without an assigned 35792
letter grade: 35793

(a) The percentage of students enrolled in a district or building participating in advanced placement classes and the percentage of those students who received a score of three or better on advanced placement examinations; 35794
35795
35796
35797

(b) The number of a district's or building's students who have earned at least three college credits through dual enrollment programs, such as the post-secondary enrollment options program under Chapter 3365. of the Revised Code and state-approved career-technical courses offered through dual enrollment or statewide articulation, that appear on a student's transcript or other official document, either of which is issued by the institution of higher education from which the student earned the college credit. The credits earned that are reported under divisions (B)(2)(b) and (C)(2)(c) of this section shall not include any that are remedial or developmental and shall include those that count toward the curriculum requirements established for completion of a degree. 35798
35799
35800
35801
35802
35803
35804

35807
35808
35809
35810

(c) The percentage of students enrolled in a district or building who have taken a national standardized test used for college admission determinations and the percentage of those students who are determined to be remediation-free in accordance with standards adopted under division (F) of section 3345.061 of the Revised Code; 35811
35812
35813
35814
35815

35818
35819

(e) The percentage of students enrolled in a district or building who are participating in an international baccalaureate program and the percentage of those students who receive a score of four or better on the international baccalaureate examinations. 35820
35821
35822
35823

(f) The percentage of the district's or building's students 35824

who receive an honors diploma under division (B) of section 3313.61 of the Revised Code. 35825
35826

(3) Not later than December 31, 2013, the state board shall 35827
adopt rules in accordance with Chapter 119. of the Revised Code 35828
that prescribe the methods by which the performance measures under 35829
divisions (B)(1)(f) and (B)(1)(g) of this section will be assessed 35830
and assigned a letter grade, including performance benchmarks for 35831
each grade. 35832

At least forty-five days prior to the state board's adoption 35833
of rules to prescribe the methods by which the performance 35834
measures under division (B)(1) of this section shall be assessed 35835
and assigned a letter grade, the department shall conduct a public 35836
presentation before the standing committees of the house of 35837
representatives and the senate that consider education legislation 35838
describing such methods, including performance benchmarks. 35839

(4) There shall not be an overall letter grade for a school 35840
district or building for the 2013-2014 school year. 35841

(C)(1) For the 2014-2015 school year and each school year 35842
thereafter, the department shall issue grades as described in 35843
division (E) of this section for each of the following performance 35844
measures and an overall letter grade based on an aggregate of 35845
those measures: 35846

(a) Annual measurable objectives; 35847

(b) Performance index score for a school district or 35848
building. Grades shall be awarded as a percentage of the total 35849
possible points on the performance index system as created by the 35850
department. In adopting benchmarks for assigning letter grades 35851
under division (C)(1)(b) of this section, the state board shall 35852
designate ninety per cent or higher for an "A," at least seventy 35853
per cent but not more than eighty per cent for a "C," and less 35854
than fifty per cent for an "F." 35855

(c) The extent to which the school district or building meets 35856
each of the applicable performance indicators established by the 35857
state board under section 3302.03 of the Revised Code and the 35858
percentage of applicable performance indicators that have been 35859
achieved. In adopting benchmarks for assigning letter grades under 35860
division (C)(1)(c) of this section, the state board shall 35861
designate ninety per cent or higher for an "A." 35862

(d) The four- and five-year adjusted cohort graduation rates; 35863

(e) The overall score under the value-added progress 35864
dimension, or another measure of student academic progress if 35865
adopted by the state board, of a school district or building, for 35866
which the department shall use up to three years of value-added 35867
data as available. 35868

In adopting benchmarks for assigning letter grades for 35869
overall score on value-added progress dimension under division 35870
(C)(1)(e) of this section, the state board shall prohibit the 35871
assigning of a grade of "A" for that measure unless the district's 35872
or building's grade assigned for value-added progress dimension 35873
for all subgroups under division (C)(1)(i) of this section is a 35874
"B" or higher. 35875

For the metric prescribed by division (C)(1)(e) of this 35876
section, the state board may adopt a student academic progress 35877
measure to be used instead of the value-added progress dimension. 35878
If the state board adopts such a measure, it also shall prescribe 35879
a method for assigning letter grades for the new measure that is 35880
comparable to the method prescribed in division (A)(1)(e) of this 35881
section. 35882

(f) The value-added progress dimension score of a school 35883
district or building disaggregated for each of the following 35884
subgroups: students identified as gifted in superior cognitive 35885
ability and specific academic ability fields under Chapter 3324. 35886

of the Revised Code, students with disabilities, and students 35887
whose performance places them in the lowest quintile for 35888
achievement on a statewide basis, as determined by a method 35889
prescribed by the state board. Each subgroup shall be a separate 35890
graded measure. 35891

The state board may adopt student academic progress measures 35892
to be used instead of the value-added progress dimension. If the 35893
state board adopts such measures, it also shall prescribe a method 35894
for assigning letter grades for the new measures that is 35895
comparable to the method prescribed in division (A)(1)(e) of this 35896
section. 35897

(g) Whether a school district or building is making progress 35898
in improving literacy in grades kindergarten through three, as 35899
determined using a method prescribed by the state board. The state 35900
board shall adopt rules to prescribe benchmarks and standards for 35901
assigning grades to a district or building for purposes of 35902
division (C)(1)(j) of this section. The state board shall 35903
designate for a "C" grade a value that is not lower than the 35904
statewide average value for this measure. No grade shall be issued 35905
under division (C)(1)(g) of this section for a district or 35906
building in which less than five per cent of students have scored 35907
below grade level on the kindergarten diagnostic assessment under 35908
division (B)(1) of section 3313.608 of the Revised Code. 35909

(2) In addition to the graded measures in division (C)(1) of 35910
this section, the department shall include on a school district's 35911
or building's report card all of the following without an assigned 35912
letter grade: 35913

(a) The percentage of students enrolled in a district or 35914
building who have taken a national standardized test used for 35915
college admission determinations and the percentage of those 35916
students who are determined to be remediation-free in accordance 35917
with the standards adopted under division (F) of section 3345.061 35918

of the Revised Code; 35919

(b) The percentage of students enrolled in a district or 35920
building participating in advanced placement classes and the 35921
percentage of those students who received a score of three or 35922
better on advanced placement examinations; 35923

(c) The number of a district's or building's students who 35924
have earned at least three college credits through dual enrollment 35925
programs, such as the post-secondary enrollment options program 35926
under Chapter 3365. of the Revised Code and state-approved 35927
career-technical courses offered through dual enrollment or 35928
statewide articulation, that appear on a student's transcript or 35929
other official document, either of which is issued by the 35930
institution of higher education from which the student earned the 35931
college credit. The credits earned that are reported under 35932
divisions (B)(2)(b) and (C)(2)(c) of this section shall not 35933
include any that are remedial or developmental and shall include 35934
those that count toward the curriculum requirements established 35935
for completion of a degree. 35936

(d) The percentage of the district's or building's students 35937
who receive an honor's diploma under division (B) of section 35938
3313.61 of the Revised Code; 35939

(e) The percentage of the district's or building's students 35940
who receive industry credentials; 35941

(f) The percentage of students enrolled in a district or 35942
building who are participating in an international baccalaureate 35943
program and the percentage of those students who receive a score 35944
of four or better on the international baccalaureate examinations; 35945

(g) The results of the college and career-ready assessments 35946
administered under division (B)(1) of section 3301.0712 of the 35947
Revised Code. 35948

(3) The state board shall adopt rules pursuant to Chapter 35949

119. of the Revised Code that establish a method to assign an 35950
overall grade for a school district or school building for the 35951
2014-2015 school year and each school year thereafter. The rules 35952
shall group the performance measures in divisions (C)(1) and (2) 35953
of this section into the following components: 35954

(a) Gap closing, which shall include the performance measure 35955
in division (C)(1)(a) of this section; 35956

(b) Achievement, which shall include the performance measures 35957
in divisions (C)(1)(b) and (c) of this section; 35958

(c) Progress, which shall include the performance measures in 35959
divisions (C)(1)(e) and (i) of this section; 35960

(d) Graduation, which shall include the performance measure 35961
in division (C)(1)(d) of this section; 35962

(e) Kindergarten through third-grade literacy, which shall 35963
include the performance measure in division (C)(1)(k) of this 35964
section; 35965

(f) Prepared for success, which shall include the performance 35966
measures in divisions (C)(2)(a), (b), (c), (d), (e), and (f) of 35967
this section. The state board shall develop a method to determine 35968
a grade for the component in division (C)(3)(f) of this section 35969
using the performance measures in divisions (C)(2)(a), (b), (c), 35970
(d), (e), and (f) of this section. When available, the state board 35971
may incorporate the performance measure under division (C)(2)(g) 35972
of this section into the component under division (C)(3)(f) of 35973
this section. When determining the overall grade for the prepared 35974
for success component prescribed by division (C)(3)(f) of this 35975
section, no individual student shall be counted in more than one 35976
performance measure. However, if a student qualifies for more than 35977
one performance measure in the component, the state board may, in 35978
its method to determine a grade for the component, specify an 35979
additional weight for such a student that is not greater than or 35980

equal to 1.0. In determining the overall score under division 35981
(C)(3)(f) of this section, the state board shall ensure that the 35982
pool of students included in the performance measures aggregated 35983
under that division are all of the students included in the four- 35984
and five-year adjusted graduation cohort. 35985

In the rules adopted under division (C)(3) of this section, 35986
the state board shall adopt a method for determining a grade for 35987
each component in divisions (C)(3)(a) to (f) of this section. The 35988
state board also shall establish a method to assign an overall 35989
grade of "A," "B," "C," "D," or "F" using the grades assigned for 35990
each component. The method the state board adopts for assigning an 35991
overall grade shall give equal weight to the components in 35992
divisions (C)(3)(b) and (c) of this section. 35993

At least forty-five days prior to the state board's adoption 35994
of rules to prescribe the methods for calculating the overall 35995
grade for the report card, as required by this division, the 35996
department shall conduct a public presentation before the standing 35997
committees of the house of representatives and the senate that 35998
consider education legislation describing the format for the 35999
report card, weights that will be assigned to the components of 36000
the overall grade, and the method for calculating the overall 36001
grade. 36002

(D) Not later than July 1, 2015, the state board shall 36003
develop a measure of student academic progress for high school 36004
students. Beginning with the report card for the 2015-2016 school 36005
year, each school district and applicable school building shall be 36006
assigned a separate letter grade for this measure and the 36007
district's or building's grade for that measure shall be included 36008
in determining the district's or building's overall letter grade. 36009
This measure shall be included within the measure prescribed in 36010
division (C)(2)(c) of this section in the calculation for the 36011
overall letter grade. 36012

(E) The letter grades assigned to a school district or building under this section shall be as follows:	36013 36014
(1) "A" for a district or school making excellent progress;	36015
(2) "B" for a district or school making above average progress;	36016 36017
(3) "C" for a district or school making average progress;	36018
(4) "D" for a district or school making below average progress;	36019 36020
(5) "F" for a district or school failing to meet minimum progress.	36021 36022
(F) When reporting data on student achievement and progress, the department shall disaggregate that data according to the following categories:	36023 36024 36025
(1) Performance of students by grade-level;	36026
(2) Performance of students by race and ethnic group;	36027
(3) Performance of students by gender;	36028
(4) Performance of students grouped by those who have been enrolled in a district or school for three or more years;	36029 36030
(5) Performance of students grouped by those who have been enrolled in a district or school for more than one year and less than three years;	36031 36032 36033
(6) Performance of students grouped by those who have been enrolled in a district or school for one year or less;	36034 36035
(7) Performance of students grouped by those who are economically disadvantaged;	36036 36037
(8) Performance of students grouped by those who are enrolled in a conversion community school established under Chapter 3314. of the Revised Code;	36038 36039 36040

(9) Performance of students grouped by those who are classified as limited English proficient; 36041
36042

(10) Performance of students grouped by those who have disabilities; 36043
36044

(11) Performance of students grouped by those who are classified as migrants; 36045
36046

(12) Performance of students grouped by those who are identified as gifted in superior cognitive ability and the specific academic ability fields of reading and math pursuant to Chapter 3324. of the Revised Code. In disaggregating specific academic ability fields for gifted students, the department shall use data for those students with specific academic ability in math and reading. If any other academic field is assessed, the department shall also include data for students with specific academic ability in that field as well. 36047
36048
36049
36050
36051
36052
36053
36054
36055

(13) Performance of students grouped by those who perform in the lowest quintile for achievement on a statewide basis, as determined by a method prescribed by the state board. 36056
36057
36058

The department may disaggregate data on student performance according to other categories that the department determines are appropriate. To the extent possible, the department shall disaggregate data on student performance according to any combinations of two or more of the categories listed in divisions (F)(1) to (13) of this section that it deems relevant. 36059
36060
36061
36062
36063
36064

In reporting data pursuant to division (F) of this section, the department shall not include in the report cards any data statistical in nature that is statistically unreliable or that could result in the identification of individual students. For this purpose, the department shall not report student performance data for any group identified in division (F) of this section that contains less than ten students. If the department does not report 36065
36066
36067
36068
36069
36070
36071

student performance data for a group because it contains less than 36072
ten students, the department shall indicate on the report card 36073
that is why data was not reported. 36074

(G) The department may include with the report cards any 36075
additional education and fiscal performance data it deems 36076
valuable. 36077

(H) The department shall include on each report card a list 36078
of additional information collected by the department that is 36079
available regarding the district or building for which the report 36080
card is issued. When available, such additional information shall 36081
include student mobility data disaggregated by race and 36082
socioeconomic status, college enrollment data, and the reports 36083
prepared under section 3302.031 of the Revised Code. 36084

The department shall maintain a site on the world wide web. 36085
The report card shall include the address of the site and shall 36086
specify that such additional information is available to the 36087
public at that site. The department shall also provide a copy of 36088
each item on the list to the superintendent of each school 36089
district. The district superintendent shall provide a copy of any 36090
item on the list to anyone who requests it. 36091

(I) Division (I) of this section does not apply to conversion 36092
community schools that primarily enroll students between sixteen 36093
and twenty-two years of age who dropped out of high school or are 36094
at risk of dropping out of high school due to poor attendance, 36095
disciplinary problems, or suspensions. 36096

(1) For any district that sponsors a conversion community 36097
school under Chapter 3314. of the Revised Code, the department 36098
shall combine data regarding the academic performance of students 36099
enrolled in the community school with comparable data from the 36100
schools of the district for the purpose of determining the 36101
performance of the district as a whole on the report card issued 36102

for the district under this section or section 3302.033 of the Revised Code. 36103
36104

(2) Any district that leases a building to a community school located in the district or that enters into an agreement with a community school located in the district whereby the district and the school endorse each other's programs may elect to have data regarding the academic performance of students enrolled in the community school combined with comparable data from the schools of the district for the purpose of determining the performance of the district as a whole on the district report card. Any district that so elects shall annually file a copy of the lease or agreement with the department. 36105
36106
36107
36108
36109
36110
36111
36112
36113
36114

(3) Any municipal school district, as defined in section 3311.71 of the Revised Code, that sponsors a community school located within the district's territory, or that enters into an agreement with a community school located within the district's territory whereby the district and the community school endorse each other's programs, may exercise either or both of the following elections: 36115
36116
36117
36118
36119
36120
36121

(a) To have data regarding the academic performance of students enrolled in that community school combined with comparable data from the schools of the district for the purpose of determining the performance of the district as a whole on the district's report card; 36122
36123
36124
36125
36126

(b) To have the number of students attending that community school noted separately on the district's report card. 36127
36128

The election authorized under division (I)(3)(a) of this section is subject to approval by the governing authority of the community school. 36129
36130
36131

Any municipal school district that exercises an election to combine or include data under division (I)(3) of this section, by 36132
36133

the first day of October of each year, shall file with the 36134
department documentation indicating eligibility for that election, 36135
as required by the department. 36136

(J) The department shall include on each report card the 36137
percentage of teachers in the district or building who are highly 36138
qualified, as defined by the "No Child Left Behind Act of 2001," 36139
and a comparison of that percentage with the percentages of such 36140
teachers in similar districts and buildings. 36141

(K)(1) In calculating English language arts, mathematics, 36142
social studies, or science assessment passage rates used to 36143
determine school district or building performance under this 36144
section, the department shall include all students taking an 36145
assessment with accommodation or to whom an alternate assessment 36146
is administered pursuant to division (C)(1) or (3) of section 36147
3301.0711 of the Revised Code. 36148

(2) In calculating performance index scores, rates of 36149
achievement on the performance indicators established by the state 36150
board under section 3302.02 of the Revised Code, and annual 36151
measurable objectives for determining adequate yearly progress for 36152
school districts and buildings under this section, the department 36153
shall do all of the following: 36154

(a) Include for each district or building only those students 36155
who are included in the ADM certified for the first full school 36156
week of October and are continuously enrolled in the district or 36157
building through the time of the spring administration of any 36158
assessment prescribed by division (A)(1) or (B)(1) of section 36159
3301.0710 of the Revised Code that is administered to the 36160

(L) Beginning with the 2015-2016 school year and at least once every three years thereafter, the state board of education shall review and may adjust the benchmarks for assigning letter grades to the performance measures and components prescribed under divisions (C)(3) and (D) of this section.

Sec. 3302.22. (A) The governor's effective and efficient schools recognition program is hereby created. Each year, the governor shall recognize, in a manner deemed appropriate by the governor, the top ten per cent of all public schools in this state, including ~~schools of~~ city, exempted village, and local school districts, ~~or~~ joint vocational school districts, community schools established under Chapter 3314. ~~of the Revised Code~~, and STEM schools established under Chapter 3326. of the Revised Code.

(B) The top ten per cent of schools shall be determined by the department of education according to standards established by the department, in consultation with the governor's office of 21st century education. The standards for recognition for each type of school may vary depending upon the unique characteristics of that type of school. The standards shall include, but need not be limited to, both of the following, provided that sufficient data is available for each school:

(1) Student performance, as determined by factors ~~including that may include~~, but not be limited to, performance indicators under section 3302.02 of the Revised Code, report cards issued under section 3302.03 of the Revised Code, performance index score rankings under section 3302.21 of the Revised Code, and any other statewide or national assessment or student performance

recognition program the department selects; 36196

(2) Fiscal performance, including which may include 36197
cost-effective measures taken by the school. 36198

3313.979 of the Revised Code is a district-wide program that may 36918
award scholarships to students who do not attend district schools 36919

open enrollment policy adopted under section 3313.98 of the 36933
Revised Code, in a chartered nonpublic school with or without a 36934
scholarship under the educational choice scholarship pilot 36935
program, or in other schools as the law may provide. 36936

Sec. 3310.08. (A) The amount paid for an eligible student 36937
under the educational choice scholarship pilot program shall be 36938
the lesser of the tuition of the chartered nonpublic school in 36939
which the student is enrolled or the maximum amount prescribed in 36940
section 3310.09 of the Revised Code. 36941

each eligible student for whom a scholarship is awarded under the 36943
program, or to the student if at least eighteen years of age, 36944
periodic partial payments of the scholarship. 36945

(2) The department shall proportionately reduce or terminate 36946
the payments for any student who withdraws from a chartered 36947
nonpublic school prior to the end of the school year. 36948

(C)(1) The department shall deduct from the payments made to 36949

district. In the case of a student entitled to attend school in a 36956
school district under division (B)(2)(a) of section 3313.64 or 36957
division (C) of section 3313.65 of the Revised Code, the 36958
department shall deduct the payments from the school district that 36959

includes the student in its average daily membership as reported 36960
to the department under section 3317.03 of the Revised Code, as 36961
determined by the department. 36962

(2) If the department reduces or terminates payments to a 36963
parent or a student, as prescribed in division (B)(2) of this 36964
section, and the student enrolls in the schools of the student's 36965
resident district or in a community school, established under 36966
Chapter 3314. of the Revised Code, before the end of the school 36967
year, the department shall proportionally restore to the resident 36968
district the amount deducted for that student under division 36969
(C)(1) of this section. 36970

Sec. 3310.56. (A) The amount of the scholarship awarded and 36971

Sec. 3311.0510. (A) If all of the client school districts of 37035
an educational service center have terminated their agreements 37036
with the service center under division (D) of section 3313.843 of 37037
the Revised Code, upon the latest effective date of the 37038

abolished and such service center shall be dissolved by order of 37040
the superintendent of public instruction. The superintendent's 37041
order shall provide for the equitable division and disposition of 37042
the assets, property, debts, and obligations of the service center 37043
among the school districts that were client school districts of 37044
the service center for the service center's last fiscal year of 37045
operation. The superintendent's order shall provide that the tax 37046
duplicate of each of those school districts shall be bound for and 37047
assume the district's equitable share of the outstanding 37048
indebtedness of the service center. The superintendent's order is 37049
final and is not appealable. 37050

Immediately upon the abolishment of the service center 37051
governing board pursuant to this section, the superintendent of 37052
public instruction shall appoint a qualified individual to 37053
administer the dissolution of the service center and to implement 37054
the terms of the superintendent's dissolution order. 37055

Prior to distributing assets to any school district under 37056
this section, but after paying in full other debts and obligations 37057
of the service center under this section, the superintendent of 37058
public instruction may assess against the remaining assets of the 37059
service center the amount of the costs incurred by the department 37060
of education in performing the superintendent's duties under this 37061
division, including the fees, if any, owed to the individual 37062
appointed to administer the superintendent's dissolution order. 37063
Any excess cost incurred by the department under this division 37064
shall be divided equitably among the school districts that were 37065
client school districts of the service center for the service 37066
center's last fiscal year of operation. Each district's share of 37067
that excess cost shall be bound against the tax duplicate of that 37068
district. 37069

(B) A final audit of the former service center shall be 37070
performed in accordance with procedures established by the auditor 37071
of state. 37072

(C) The public records of an educational service center that 37073
is dissolved under this section shall be transferred in accordance 37074
with this division. Public records maintained by the service 37075
center in connection with services provided by the service center 37076
to local school districts of which the territory of the service 37077
center is or previously was made up shall be transferred to each 37078
of the respective local school districts. Public records 37079
maintained by the service center in connection with services 37080
provided to client school districts shall be transferred to each 37081
of the respective client school districts. All other public 37082

records maintained by the service center at the time the service 37083
center ceases operations shall be transferred to the Ohio 37084
historical society for analysis and disposition by the society in 37085
its capacity as archives administrator for the state and its 37086
political subdivisions pursuant to division (C) of section 149.30 37087
and section 149.31 of the Revised Code. 37088

(D) As used in this section, "client school district" ~~has the~~ 37089
~~same meaning as in section 3317.11 of the Revised Code~~ means a 37090
city, exempted village, or local school district that has entered 37091
into an agreement under section 3313.843 or 3313.845 of the 37092
Revised Code to receive any services from an educational service 37093
center. 37094

Sec. 3311.22. A governing board of an educational service 37095
center may propose, by resolution adopted by majority vote of its 37096
full membership, or qualified electors of the area affected equal 37097
in number to at least fifty-five per cent of the qualified 37098
electors voting at the last general election residing within that 37099
portion of a school district, or districts proposed to be 37100
transferred may propose, by petition, the transfer of a part or 37101
all of one or more local school districts to another local school 37102
district or districts within the territory of the educational 37103
service center. Such transfers may be made only to local school 37104
districts adjoining the school district that is proposed to be 37105
transferred, unless the board of education of the district 37106
proposed to be transferred has entered into an agreement pursuant 37107
to section 3313.42 of the Revised Code, in which case such 37108
transfers may be made to any local school district within the 37109
territory of the educational service center. 37110

When a governing board of an educational service center 37111
adopts a resolution proposing a transfer of school territory it 37112
shall forthwith file a copy of such resolution, together with an 37113

accurate map of the territory described in the resolution, with 37114
the board of education of each school district whose boundaries 37115
would be altered by such proposal. A governing board of an 37116
educational service center proposing a transfer of territory under 37117
the provisions of this section shall at its next regular meeting 37118
that occurs not earlier than thirty days after the adoption by the 37119
governing board of a resolution proposing such transfer, adopt a 37120
resolution making the transfer effective at any time prior to the 37121
next succeeding first day of July, unless, prior to the expiration 37122
of such thirty-day period, qualified electors residing in the area 37123
proposed to be transferred, equal in number to a majority of the 37124
qualified electors voting at the last general election, file a 37125
petition of referendum against such transfer. 37126

Any petition of transfer or petition of referendum filed 37127
under the provisions of this section shall be filed at the office 37128
of the educational service center superintendent. The person 37129
presenting the petition shall be given a receipt containing 37130
thereon the time of day, the date, and the purpose of the 37131
petition. 37132

The educational service center superintendent shall cause the 37133
board of elections to check the sufficiency of signatures on any 37134
petition of transfer or petition of referendum filed under this 37135
section and, if found to be sufficient, the superintendent shall 37136
present the petition to the educational service center governing 37137
board at a meeting of the board which shall occur not later than 37138
thirty days following the filing of the petition. 37139

Upon presentation to the educational service center governing 37140
board of a proposal to transfer territory as requested by petition 37141
of fifty-five per cent of the qualified electors voting at the 37142
last general election or a petition of referendum against a 37143
proposal of the county board to transfer territory, the governing 37144
board shall promptly certify the proposal to the board of 37145

elections for the purpose of having the proposal placed on the 37146
ballot at the next general or primary election which occurs not 37147
less than ninety days after the date of such certification, or at 37148
a special election, the date of which shall be specified in the 37149
certification, which date shall not be less than ninety days after 37150
the date of such certification. Signatures on a petition of 37151
transfer or petition of referendum may be withdrawn up to and 37152
including the above mentioned meeting of the educational service 37153
center governing board only by order of the board upon testimony 37154
of the petitioner concerned under oath before the board that the 37155
petitioner's signature was obtained by fraud, duress, or 37156
misrepresentation. 37157

If a petition is filed with the educational service center 37158
governing board which proposes the transfer of a part or all of 37159
the territory included in a resolution of transfer previously 37160
adopted by the educational service center governing board, no 37161
action shall be taken on such petition if within the thirty-day 37162
period after the adoption of the resolution of transfer a 37163
referendum petition is filed. After the election, if the proposed 37164
transfer fails to receive a majority vote, action on such petition 37165
shall then be processed under this section as though originally 37166
filed under the provisions hereof. If no referendum petition is 37167
filed within the thirty-day period after the adoption of the 37168
resolution of transfer, no action shall be taken on such petition. 37169

If a petition is filed with the educational service center 37170
governing board which proposes the transfer of a part or all of 37171
the territory included in a petition previously filed by electors 37172
no action shall be taken on such new petition. 37173

Upon certification of a proposal to the board or boards of 37174
elections pursuant to this section, the board or boards of 37175
elections shall make the necessary arrangements for the submission 37176
of such question to the electors of the county or counties 37177

qualified to vote thereon, and the election shall be conducted and 37178
canvassed and the results shall be certified in the same manner as 37179
in regular elections for the election of members of a board of 37180
education. 37181

The persons qualified to vote upon a proposal are the 37182
electors residing in the district or districts containing 37183
territory that is proposed to be transferred. If the proposed 37184
transfer be approved by at least a majority of the electors voting 37185
on the proposal, the educational service center governing board 37186
shall make such transfer at any time prior to the next succeeding 37187
first day of July. If the proposed transfer is not approved by at 37188
least a majority of the electors voting on the proposal, the 37189
question of transferring any property included in the territory 37190
covered by the proposal shall not be submitted to electors at any 37191
election prior to the first general election the date of which is 37192
at least two years after the date of the original election, or the 37193
first primary election held in an even-numbered year the date of 37194
which is at least two years after the date of the original 37195
election. A transfer shall be subject to the approval of the 37196
receiving board or boards of education, unless the proposal was 37197
initiated by the educational service center governing board, in 37198
which case, if the transfer is opposed by the board of education 37199
offered the territory, the local board may, within thirty days, 37200
following the receipt of the notice of transfer, appeal to the 37201
state board of education which shall then either approve or 37202
disapprove the transfer. 37203

Following an election upon a proposed transfer initiated by a 37204
petition the board of education that is offered territory shall, 37205
within thirty days following receipt of the proposal, either 37206
accept or reject the transfer. 37207

When an entire school district is proposed to be transferred 37208
to two or more school districts and the offer is rejected by any 37209

one of the receiving boards of education, none of the territory 37210
included in the proposal shall be transferred. 37211

Upon the acceptance of territory by the receiving board or 37212
boards of education the educational service center governing board 37213
offering the territory shall file with the county auditor and with 37214
the state board of education an accurate map showing the 37215
boundaries of the territory transferred. 37216

Upon the making of such transfer, the net indebtedness of the 37217
former district from which territory was transferred shall be 37218
apportioned between the acquiring school district and that portion 37219
of the former school district remaining after the transfer in the 37220
ratio which the assessed valuation of the territory transferred to 37221
the acquiring school district bears to the assessed valuation of 37222
the original school district as of the effective date of the 37223
transfer. As used in this section "net indebtedness" means the 37224
difference between the par value of the outstanding and unpaid 37225
bonds and notes of the school district and the amount held in the 37226
sinking fund and other indebtedness retirement funds for their 37227
redemption. 37228

~~If an entire district is transferred, any indebtedness of the 37229
former district incurred as a result of a loan made under section 37230
3317.64 of the Revised Code is hereby canceled and such 37231
indebtedness shall not be apportioned among any districts 37232
acquiring the territory. 37233~~

Upon the making of any transfer under this section, the funds 37234
of the district from which territory was transferred shall be 37235
divided equitably by the educational service center governing 37236
board between the acquiring district and any part of the original 37237
district remaining after the transfer. 37238

If an entire district is transferred the board of education 37239
of such district is thereby abolished or if a member of the board 37240

of education lives in that part of a school district transferred 37241
the member becomes a nonresident of the school district from which 37242
the territory was transferred and such member ceases to be a 37243
member of the board of education of such district. 37244

The legal title of all property of the board of education in 37245
the territory transferred shall become vested in the board of 37246
education of the school district to which such territory is 37247
transferred. 37248

Subsequent to June 30, 1959, if an entire district is 37249
transferred, foundation program moneys accruing to a district 37250
accepting school territory under the provisions of this section or 37251
former section 3311.22 of the Revised Code, shall not be less, in 37252
any year during the next succeeding three years following the 37253
transfer, than the sum of the amounts received by the districts 37254
separately in the year in which the transfer was consummated. 37255

Sec. 3311.231. A governing board of an educational service 37256
center may propose, by resolution adopted by majority vote of its 37257
full membership, or qualified electors of the area affected equal 37258
in number to not less than fifty-five per cent of the qualified 37259
electors voting at the last general election residing within that 37260
portion of a school district proposed to be transferred may 37261
propose, by petition, the transfer of a part or all of one or more 37262
local school districts within the territory of the center to an 37263
adjoining educational service center or to an adjoining city or 37264
exempted village school district. 37265

A governing board of an educational service center adopting a 37266
resolution proposing a transfer of school territory under this 37267
section shall file a copy of such resolution together with an 37268
accurate map of the territory described in the resolution, with 37269
the board of education of each school district whose boundaries 37270
would be altered by such proposal. Where a transfer of territory 37271

is proposed by a governing board of an educational service center 37272
under this section, the governing board shall, at its next regular 37273
meeting that occurs not earlier than the thirtieth day after the 37274
adoption by the governing board of the resolution proposing such 37275
transfer, adopt a resolution making the transfer as originally 37276
proposed, effective at any time prior to the next succeeding first 37277
day of July, unless, prior to the expiration of such thirty-day 37278
period, qualified electors residing in the area proposed to be 37279
transferred, equal in number to a majority of the qualified 37280
electors voting at the last general election, file a petition of 37281
referendum against such transfer. 37282

Any petition of transfer or petition of referendum under the 37283
provisions of this section shall be filed at the office of the 37284
educational service center superintendent. The person presenting 37285
the petition shall be given a receipt containing thereon the time 37286
of day, the date, and the purpose of the petition. 37287

The educational service center superintendent shall cause the 37288
board of elections to check the sufficiency of signatures on any 37289
such petition, and, if found to be sufficient, the superintendent 37290
shall present the petition to the educational service center 37291
governing board at a meeting of said governing board which shall 37292
occur not later than thirty days following the filing of said 37293
petition. 37294

The educational service center governing board shall promptly 37295
certify the proposal to the board of elections of such counties in 37296
which school districts whose boundaries would be altered by such 37297
proposal are located for the purpose of having the proposal placed 37298
on the ballot at the next general or primary election which occurs 37299
not less than ninety days after the date of such certification or 37300
at a special election, the date of which shall be specified in the 37301
certification, which date shall not be less than ninety days after 37302
the date of such certification. 37303

Signatures on a petition of transfer or petition of 37304
referendum may be withdrawn up to and including the above 37305
mentioned meeting of the educational service center governing 37306
board only by order of the governing board upon testimony of the 37307
petitioner concerned under oath before the board that the 37308
petitioner's signature was obtained by fraud, duress, or 37309
misrepresentation. 37310

If a petition is filed with the educational service center 37311
governing board which proposes the transfer of a part or all of 37312
the territory included either in a petition previously filed by 37313
electors or in a resolution of transfer previously adopted by the 37314
educational service center governing board, no action shall be 37315
taken on such new petition as long as the previously initiated 37316
proposal is pending before the governing board or is subject to an 37317
election. 37318

Upon certification of a proposal to the board or boards of 37319
elections pursuant to this section, the board or boards of 37320
elections shall make the necessary arrangements for the submission 37321
of such question to the electors of the county or counties 37322
qualified to vote thereon, and the election shall be conducted and 37323
canvassed and the results shall be certified in the same manner as 37324
in regular elections for the election of members of a board of 37325
education. 37326

The persons qualified to vote upon a proposal are the 37327
electors residing in the district or districts containing 37328
territory that is proposed to be transferred. If the proposed 37329
transfer is approved by at least a majority of the electors voting 37330
on the proposal, the educational service center governing board 37331
shall make such transfer at any time prior to the next succeeding 37332
first day of July, subject to the approval of the receiving board 37333
of education in case of a transfer to a city or exempted village 37334
school district, and subject to the approval of the educational 37335

service center governing board of the receiving center, in case of 37336
a transfer to an educational service center. If the proposed 37337
transfer is not approved by at least a majority of the electors 37338
voting on the proposal, the question of transferring any property 37339
included in the territory covered by the proposal shall not be 37340
submitted to electors at any election prior to the first general 37341
election the date of which is at least two years after the date of 37342
the original election, or the first primary election held in an 37343
even-numbered year the date of which is at least two years after 37344
the date of the original election. 37345

Where a territory is transferred under this section to a city 37346
or exempted village school district, the board of education of 37347
such district shall, and where territory is transferred to an 37348
educational service center the governing board of such educational 37349
service center shall, within thirty days following receipt of the 37350
proposal, either accept or reject the transfer. 37351

Where a governing board of an educational service center 37352
adopts a resolution accepting territory transferred to the 37353
educational service center under the provisions of sections 37354
3311.231 and 3311.24 of the Revised Code, the governing board 37355
shall, at the time of the adoption of the resolution accepting the 37356
territory, designate the school district to which the accepted 37357
territory shall be annexed. 37358

When an entire school district is proposed to be transferred 37359
to two or more adjoining school districts and the offer is 37360
rejected by any one of the receiving boards of education, none of 37361
the territory included in the proposal shall be transferred. 37362

Upon the acceptance of territory by the receiving board or 37363
boards of education the educational service center governing board 37364
offering the territory shall file with the county auditor of each 37365
county affected by the transfer and with the state board of 37366
education an accurate map showing the boundaries of the territory 37367

transferred. 37368

Upon the making of such transfer, the net indebtedness of the 37369
former district from which territory was transferred shall be 37370
apportioned between the acquiring school district and the portion 37371
of the former school district remaining after the transfer in the 37372
ratio which the assessed valuation of the territory transferred to 37373
the acquiring school district bears to the assessed valuation of 37374
the original school district as of the effective date of the 37375
transfer. As used in this section "net indebtedness" means the 37376
difference between the par value of the outstanding and unpaid 37377
bonds and notes of the school district and the amount held in the 37378
sinking fund and other indebtedness retirement funds for their 37379
redemption. 37380

~~If an entire district is transferred, any indebtedness of the 37381
former district incurred as a result of a loan made under section 37382
3317.64 of the Revised Code is hereby canceled and such 37383
indebtedness shall not be apportioned among any districts 37384
acquiring the territory. 37385~~

Upon the making of any transfer under this section, the funds 37386
of the district from which territory was transferred shall be 37387
divided equitably by the educational service center governing 37388
board, between the acquiring district and any part of the original 37389
district remaining after the transfer. 37390

If an entire district is transferred the board of education 37391
of such district is thereby abolished or if a member of the board 37392
of education lives in that part of a school district transferred 37393
the member becomes a nonresident of the school district from which 37394
the territory was transferred and such member ceases to be a 37395
member of the board of education of such district. 37396

The legal title of all property of the board of education in 37397
the territory transferred shall become vested in the board of 37398

education of the school district to which such territory is 37399
transferred. 37400

If an entire district is transferred, foundation program 37401
moneys accruing to a district receiving school territory under the 37402
provisions of this section shall not be less, in any year during 37403
the next succeeding three years following the transfer, than the 37404
sum of the amounts received by the districts separately in the 37405
year in which the transfer was consummated. 37406

Sec. 3311.38. The state board of education may conduct, or 37407
may direct the superintendent of public instruction to conduct, 37408
studies where there is evidence of need for transfer of local, 37409
exempted village, or city school districts, or parts of any such 37410
districts, to contiguous or noncontiguous local, exempted village, 37411
or city school districts. Such studies shall include a study of 37412
the effect of any proposal upon any portion of a school district 37413
remaining after such proposed transfer. The state board, in 37414
conducting such studies and in making recommendations as a result 37415
thereof, shall consider the possibility of improving school 37416
district organization as well as the desires of the residents of 37417
the school districts which would be affected. 37418

(A) After the adoption of recommendations growing out of any 37419
such study, or upon receipt of a resolution adopted by majority 37420
vote of the full membership of the board of any city, local, or 37421
exempted village school district requesting that the entire 37422
district be transferred to another city, local, or exempted 37423
village school district, the state board may propose by resolution 37424
the transfer of territory, which may consist of part or all of the 37425
territory of a local, exempted village, or city school district to 37426
a contiguous local, exempted village, or city school district. 37427

The state board shall thereupon file a copy of such proposal 37428
with the board of education of each school district whose 37429

boundaries would be altered by the proposal and with the governing 37430
board of any educational service center in which such school 37431
district is located. 37432

The state board may, not less than thirty days following the 37433
adoption of the resolution proposing the transfer of territory, 37434
certify the proposal to the board of elections of the county or 37435
counties in which any of the territory of the proposed district is 37436
located, for the purpose of having the proposal placed on the 37437
ballot at the next general election or at a primary election 37438
occurring not less than ninety days after the adoption of such 37439
resolution. 37440

If any proposal has been previously initiated pursuant to 37441
section 3311.22, 3311.231, or 3311.26 of the Revised Code which 37442
affects any of the territory affected by the proposal of the state 37443
board, the proposal of the state board shall not be placed on the 37444
ballot while the previously initiated proposal is subject to an 37445
election. 37446

Upon certification of a proposal to the board of elections of 37447
any county pursuant to this section, the board of elections of 37448
such county shall make the necessary arrangements for the 37449
submission of such question to the electors of the county 37450
qualified to vote thereon, and the election shall be counted and 37451
canvassed and the results shall be certified in the same manner as 37452
in regular elections for the election of members of a board of 37453
education. 37454

The electors qualified to vote upon a proposal are the 37455
electors residing in the local, exempted village, or city school 37456
districts, containing territory proposed to be transferred. 37457

If the proposed transfer be approved by a majority of the 37458
electors voting on the proposal, the state board, subject to the 37459
approval of the board of education of the district to which the 37460

territory would be transferred, shall make such transfer prior to 37461
the next succeeding July 1. 37462

(B) If a study conducted in accordance with this section 37463
involves a school district with less than four thousand dollars of 37464
assessed value for each pupil in the total student count 37465
determined under section 3317.03 of the Revised Code, the state 37466
board of education, with the approval of the educational service 37467
center governing board, and upon recommendation by the state 37468
superintendent of public instruction, may by resolution transfer 37469
all or any part of such a school district to any city, exempted 37470
village, or local school district which has more than twenty-five 37471
thousand pupils in average daily membership. Such resolution of 37472
transfer shall be adopted only after the board of education of the 37473
receiving school district has adopted a resolution approving the 37474
proposed transfer. For the purposes of this division, the assessed 37475
value shall be as certified in accordance with section 3317.021 of 37476
the Revised Code. 37477

(C) Upon the making of a transfer of an entire school 37478
district pursuant to this section, the indebtedness of the 37479
district transferred shall be assumed in full by the acquiring 37480
district and the funds of the district transferred shall be paid 37481
over in full to the acquiring district, ~~except that any~~ 37482
~~indebtedness of the transferred district incurred as a result of a~~ 37483
~~loan made under section 3317.64 of the Revised Code is hereby~~ 37484
~~anceled and shall not be assumed by the acquiring district.~~ 37485

(D) Upon the making of a transfer pursuant to this section, 37486
when only part of a district is transferred, the net indebtedness 37487
of each original district of which only a part is taken by the 37488
acquiring district shall be apportioned between the acquiring 37489
district and the original district in the ratio which the assessed 37490
valuation of the part taken by the acquiring district bears to the 37491
assessed valuation of the original district as of the effective 37492

date of the transfer. As used in this section "net indebtedness" 37493
means the difference between the par value of the outstanding and 37494
unpaid bonds and notes of the school district and the amount held 37495
in the sinking fund and other indebtedness retirement funds for 37496
their redemption. 37497

(E) Upon the making of a transfer pursuant to this section, 37498
when only part of a district is transferred, the funds of the 37499
district from which territory was transferred shall be divided 37500
equitably by the state board between the acquiring district and 37501
that part of the former district remaining after the transfer. 37502

(F) If an entire school district is transferred, the board of 37503
education of such district is thereby abolished. If part of a 37504
school district is transferred, any member of the board of 37505
education who is a legal resident of that part which is 37506
transferred shall thereby cease to be a member of that board. 37507

If an entire school district is transferred, foundation 37508
program moneys accruing to a district accepting school territory 37509
under the provisions of this section shall not be less, in any 37510
year during the next succeeding three years following the 37511
transfer, than the sum of the amounts received by the districts 37512
separately in the year in which the transfer became effective. 37513

Sec. 3311.78. Notwithstanding any provision of the Revised 37514
Code to the contrary, a municipal school district shall be subject 37515
to this section instead of sections ~~3317.13~~, 3317.14~~7~~ and 3317.141 37516
of the Revised Code. 37517

(A) As used in this section, "principal" includes an 37518
assistant principal. 37519

(B) The board of education of each municipal school district 37520
annually shall adopt a differentiated salary schedule for teachers 37521
based upon performance as described in division (D) of this 37522

section. The board also annually shall adopt a differentiated 37523
salary schedule for principals based upon performance as described 37524
in division (D) of this section. 37525

For each teacher or principal hired on or after ~~the effective~~ 37526
~~date of this section~~ October 1, 2012, the board shall determine 37527
the teacher's or principal's initial placement on the applicable 37528
salary schedule based on years of experience and area of licensure 37529
and any other factors the board considers appropriate. For each 37530
teacher hired prior to ~~the effective date of this section~~ October 37531
1, 2012, the board shall initially place the teacher on the 37532
applicable salary schedule so that the teacher's annual salary on 37533
the schedule is comparable to the teacher's annual salary for the 37534
school year immediately prior to the school year covered by the 37535
schedule. For each principal hired prior to ~~the effective date of~~ 37536
~~this section~~ October 1, 2012, the board shall initially place the 37537
principal on the applicable salary schedule consistent with the 37538
principal's employment contract. 37539

(C) The salary of a teacher shall not be reduced unless such 37540
reduction is accomplished as part of a negotiated collective 37541
bargaining agreement. The salary of a principal shall not be 37542
reduced during the term of the principal's employment contract 37543
unless such reduction is by mutual agreement of the board and the 37544
principal or is part of a uniform plan affecting the entire 37545
district. 37546

(D) For purposes of the schedules, the board shall measure a 37547
teacher's or principal's performance by considering all of the 37548
following: 37549

(1) The level of license issued under section 3319.22 of the 37550
Revised Code that the teacher or principal holds; 37551

37555
37556

(4) Any specialized training and experience in the assigned position. 37557
37558

(E) The salary schedules adopted under this section may provide for additional compensation for teachers or principals who perform duties, not contracted for under a supplemental contract, that the board determines warrant additional compensation. Those duties may include, but are not limited to, assignment to a school building eligible for funding under Title I of the "Elementary and Secondary Education Act of 1965," 20 U.S.C. 6301 et seq.; assignment to a building in "school improvement" status under the "No Child Left Behind Act of 2001," as defined in section 3302.01 of the Revised Code; teaching in a grade level or subject area in which the board has determined there is a shortage within the district; assignment to a hard-to-staff school, as determined by the board; or teaching in a school with an extended school day or school year. 37559

Based on the recommendation, the board may increase a teacher's or principal's salary based on the teacher's or principal's performance and duties as provided for in divisions (D) and (E) of this section. The performance-based increase for a teacher or principal rated as accomplished shall be greater than the performance-based increase for a teacher or principal rated as proficient. Notwithstanding division (C) of this section, division (C) of section 3319.02, and section 3319.12 of the Revised Code, the board may decrease the teacher's or principal's salary if the teacher or principal will perform fewer or different duties 37573

(G) Notwithstanding any provision to the contrary in Chapter 37588

prevail over any conflicting provisions of a collective bargaining 37590
agreement entered into on or after ~~the effective date of this~~ 37591
~~section~~ October 1, 2012. However, the board and the teachers' 37592
labor organization shall negotiate the implementation of the 37593
differentiated salary schedule for teachers and may negotiate 37594
additional factors regarding teacher salaries, provided those 37595
factors are consistent with this section. 37596

Sec. 3312.08. Each fiscal agent selected by the department of 37597
education pursuant to section 3312.07 of the Revised Code shall do 37598

(C) Implement any expenditure of funds recommended by the 37617
advisory council for the region pursuant to section 3312.04 of the 37618
Revised Code or required by the terms of any performance contract, 37619

school calendar, addressing topics that include, but are not 37834

limited to, the total number of hours in a school year, length of 37835
school day, and beginning and end dates of instruction. Each board 37836
shall publish notice of the hearing in a newspaper of general 37837
circulation in the district not later than thirty days prior to 37838
the hearing. 37839

(C) No school operated by a city, exempted village, local, or 37840
joint vocational school district shall reduce the number of hours 37841
in each school year that the school is scheduled to be open for 37842
instruction from the number of hours per year the school was open 37843
for instruction during the previous school year unless the 37844
reduction is approved by a resolution adopted by the district 37845
board of education. Any reduction so approved shall not result in 37846
fewer hours of instruction per school year than the applicable 37847
number of hours required under division (A) of this section. 37848

(D) Prior to making any change in the hours or days in which 37849
a high school under its jurisdiction is open for instruction, the 37850
board of education of each city, exempted village, and local 37851
school district shall consider the compatibility of the proposed 37852
change with the scheduling needs of any joint vocational school 37853
district in which any of the high school's students are also 37854
enrolled. The board shall consider the impact of the proposed 37855
change on student access to the instructional programs offered by 37856
the joint vocational school district, incentives for students to 37857
participate in career-technical education, transportation, and the 37858
timing of graduation. The board shall provide the joint vocational 37859
school district board with advance notice of the proposed change 37860
and the two boards shall enter into a written agreement 37861
prescribing reasonable accommodations to meet the scheduling needs 37862
of the joint vocational school district prior to implementation of 37863
the change. 37864

(E) Prior to making any change in the hours or days in which 37865
a school under its jurisdiction is open for instruction, the board 37866

of education of each city, exempted village, and local school 37867
district shall consider the compatibility of the proposed change 37868
with the scheduling needs of any community school established 37869
under Chapter 3314. of the Revised Code to which the district is 37870
required to transport students under sections 3314.09 and 3327.01 37871
of the Revised Code. The board shall consider the impact of the 37872
proposed change on student access to the instructional programs 37873
offered by the community school, transportation, and the timing of 37874
graduation. The board shall provide the sponsor, governing 37875
authority, and operator of the community school with advance 37876
notice of the proposed change, and the board and the governing 37877
authority, or operator if such authority is delegated to the 37878
operator, shall enter into a written agreement prescribing 37879
reasonable accommodations to meet the scheduling needs of the 37880
community school prior to implementation of the change. 37881

(F) Prior to making any change in the hours or days in which 37882
the schools under its jurisdiction are open for instruction, the 37883
board of education of each city, exempted village, and local 37884
school district shall consult with the chartered nonpublic schools 37885
to which the district is required to transport students under 37886
section 3327.01 of the Revised Code and shall consider the effect 37887
of the proposed change on the schedule for transportation of those 37888
students to their nonpublic schools. The governing authority of a 37889
chartered nonpublic school shall consult with each school district 37890
board of education that transports students to the chartered 37891
nonpublic school under section 3327.01 of the Revised Code prior 37892
to making any change in the hours or days in which the nonpublic 37893
school is open for instruction. 37894

(G) The state board of education shall not adopt or enforce 37895
any rule or standard that imposes on chartered nonpublic schools 37896
the procedural requirements imposed on school districts by 37897
divisions (B), (C), (D), and (E) of this section. 37898

Sec. 3313.481. Wherever in Title XXXIII of the Revised Code 37899
the term "school day" is used, unless otherwise specified, that 37900
term shall be construed to mean the time during a calendar day 37901
that a school is open for instruction pursuant to the schedule 37902
adopted by the board of education of the school district or the 37903
governing authority of the chartered nonpublic school in 37904
accordance with section 3313.48 of the Revised Code. 37905

Sec. 3313.483. (A) A board of education, upon the adoption of 37906
a resolution stating that it may be financially unable to open on 37907
the day or to remain open for instruction on all days set forth in 37908
its adopted school calendar and pay all obligated expenses, or the 37909
superintendent of public instruction upon the issuance of written 37910
notification under division (B) of section 3313.489 of the Revised 37911
Code, shall request the auditor of state to determine whether such 37912
situation exists. The auditor shall deliver a copy of each request 37913
from a board of education to the superintendent of public 37914
instruction. In the case of a school district not under a fiscal 37915
emergency pursuant to Chapter 3316. of the Revised Code the 37916
auditor shall not issue a finding under this section until written 37917
notification is received from the superintendent pursuant to 37918
section 3313.487 of the Revised Code. 37919

(B) If the auditor of state finds that the board of education 37920
has attempted to avail itself to the fullest extent authorized by 37921
law of all lawful revenue sources available to it except those 37922
authorized by section 5705.21 of the Revised Code, the auditor 37923
shall certify that finding to the superintendent of public 37924
instruction and the state board of education and shall certify the 37925
operating deficit the district will have at the end of the fiscal 37926
year if it commences or continues operating its instructional 37927
program in accordance with its adopted school calendar and pays 37928
all obligated expenses. 37929

(C) No board of education may delay the opening of its schools or close its schools for financial reasons. Upon the request of the superintendent of public instruction, the attorney general shall seek injunctive relief and any other relief required to enforce this prohibition in the court of common pleas of Franklin county. The court of common pleas of Franklin county has exclusive original jurisdiction over all such actions.

(D) Upon the receipt of any certification of an operating deficit from the auditor of state, a board of education shall make application to a commercial bank, underwriter, or other prospective lender or purchaser of its obligations for a loan in an amount sufficient to enable the district to open or remain open for instruction on all days set forth in its adopted school calendar but not to exceed the amount of the deficit certified.

(E)(1) Any board of education that has applied for and been denied a loan from a commercial bank, underwriter, or other prospective lender or purchaser of its obligations pursuant to division (D) of this section shall submit to the superintendent of public instruction a plan for implementing reductions in the school district's budget; apply for a loan from a commercial bank, underwriter, or other prospective lender or purchaser of its obligations in an amount not to exceed its certified deficit; and provide the superintendent such information as the superintendent requires concerning its application for such a loan. The board of education of a school district declared to be under a fiscal watch pursuant to division (A) of section 3316.03 of the Revised Code may, upon approval of the superintendent, utilize the financial plan required by section 3316.04 of the Revised Code, or applicable parts thereof, as the plan required under this division. The board of education of a school district declared to be under a fiscal emergency pursuant to division (B) of section 3316.03 of the Revised Code may utilize the financial recovery

plan for the district, or applicable parts thereof, as the plan 37962
required under this division. Except for the plan of a school 37963
district under a fiscal emergency, the superintendent shall 37964
evaluate, make recommendations concerning, and approve or 37965
disapprove each plan. When a plan is submitted, the superintendent 37966
shall immediately notify the members of the general assembly whose 37967
legislative districts include any or all of the territory of the 37968
school district submitting the plan. 37969

(2) The superintendent shall submit to the controlling board 37970
a copy of each plan the superintendent approves, or each plan 37971
submitted by a district under a fiscal emergency pursuant to 37972
division (B) of section 3316.03 of the Revised Code, and the 37973
general terms of each proposed loan, and shall make 37974
recommendations regarding the plan and whether a proposed loan to 37975
the board of education should be approved for payment as provided 37976
in division (E)(3) of this section. The controlling board shall 37977
approve or disapprove the plan and the proposed loan presented to 37978
it by the superintendent. In the case of a district not under a 37979
fiscal emergency pursuant to division (B) of section 3316.03 of 37980
the Revised Code, the controlling board may require a board of 37981
education to implement the superintendent's recommendations for 37982
expenditure reductions or impose other requirements. Loan 37983
repayments shall be in accordance with a schedule approved by the 37984
superintendent, except that the principal amount of the loan shall 37985
be payable in monthly, semiannual, or annual installments of 37986
principal and interest that are substantially equal principal and 37987
interest installments. Except as otherwise provided in division 37988
(E)(2) of this section, repayment shall be made no later than the 37989
fifteenth day of June of the second fiscal year following the 37990
approval of the loan. A school district with a certified deficit 37991
in excess of either twenty-five million dollars or fifteen per 37992
cent of the general fund expenditures of the district during the 37993
fiscal year shall repay the loan no later than the fifteenth day 37994

of June of the tenth fiscal year following the approval of the 37995
loan. In deciding whether to approve or disapprove a proposed 37996
loan, the controlling board shall consider the deficit certified 37997
by the auditor of state pursuant to this section. A board of 37998
education that has an outstanding loan approved pursuant to this 37999
section with a repayment date of more than two fiscal years after 38000
the date of approval of such loan may not apply for another loan 38001
with such a repayment date until the outstanding loan has been 38002
repaid. 38003

(3) If a board of education has submitted and received 38004
controlling board approval of a plan and proposed loan in 38005
accordance with this section, the superintendent of public 38006
instruction shall report to the controlling board the actual 38007
amounts loaned to the board of education. Such board of education 38008
shall request the superintendent to pay any funds the board of 38009
education would otherwise receive pursuant to Chapter 3306. of the 38010
Revised Code first directly to the holders of the board of 38011
education's notes, or an agent thereof, such amounts as are 38012
specified under the terms of the loan. Such payments shall be made 38013
only from and to the extent of money appropriated by the general 38014
assembly for purposes of such sections. No note or other 38015
obligation of the board of education under the loan constitutes an 38016
obligation nor a debt or a pledge of the faith, credit, or taxing 38017
power of the state, and the holder or owner of such note or 38018
obligation has no right to have taxes levied by the general 38019
assembly for the payment of such note or obligation, and such note 38020
or obligation shall contain a statement to that effect. 38021

(4) Pursuant to the terms of such a loan, a board of 38022
education may issue its notes in anticipation of the collection of 38023
its voted levies for current expenses or its receipt of such state 38024
funds or both. Such notes shall be issued in accordance with 38025
division (E) of section 133.10 of the Revised Code and constitute 38026

Chapter 133. securities to the extent such division and the 38027
otherwise applicable provisions of Chapter 133. of the Revised 38028
Code are not inconsistent with this section, provided that in any 38029
event sections 133.24 and 5705.21 and divisions (A), (B), (C), and 38030
(E)(2) of section 133.10 of the Revised Code do not apply to such 38031
notes. 38032

(5) Notwithstanding section 133.36 or 3313.17, any other 38033
section of the Revised Code, or any other provision of law, a 38034
board of education that has received a loan under this section may 38035
not declare bankruptcy, so long as any portion of such loan 38036
remains unpaid. 38037

(F) Under this section and ~~sections~~ section 3313.4810 and 38038
~~3313.4811~~, "board of education" or "district board" includes the 38039
financial planning and supervision commission of a school district 38040
under a fiscal emergency pursuant to Chapter 3316. of the Revised 38041
Code where such commission chooses to exercise the powers and 38042
duties otherwise required of the district board of education under 38043
this section and ~~sections~~ section 3313.4810 and ~~3313.4811~~ of the 38044
Revised Code. 38045

Sec. 3313.484. No loan shall be approved under sections 38046
3313.483 to ~~3313.4811~~ 3313.4810 of the Revised Code after March 1, 38047
1998. 38048

By the last day of June each year, the department of 38049
education shall calculate and pay a subsidy to every school 38050
district that during the current fiscal year paid and was 38051
obligated to pay interest on a loan under sections 3313.483 to 38052
~~3313.4811~~ 3313.4810 of the Revised Code in excess of two per cent 38053
simple interest. The amount of the subsidy shall equal the 38054
difference between the amount of interest the district paid and 38055
was obligated to pay during the year and the interest that the 38056
district would have been obligated to pay if the interest rate on 38057

the loan had been two per cent per year. 38058

Sec. 3313.488. (A) Within fifteen days ~~of~~ after the date a 38059
~~board of education requests that its school district be made~~ 38060
~~subject to this section as authorized by section 3317.62 of the~~ 38061
~~Revised Code, or~~ the state board of education ~~has issued~~ issues an 38062
order under section 3313.487 of the Revised Code making a school 38063
district subject to this section, the district's board of 38064
education shall prepare a fiscal statement of expenses and 38065
expenditures for the remainder of the current fiscal year. The 38066
fiscal statement shall be submitted to the superintendent of 38067
public instruction and shall set forth all revenues to be received 38068
by the district during the remainder of the fiscal year and their 38069
sources, the expenses to be incurred by the district during the 38070
remainder of the fiscal year, the outstanding and unpaid expenses 38071
at the time the fiscal statement is prepared and the date or dates 38072
by which such expenses must be paid, and such other information as 38073
the superintendent requires to enable the superintendent to ensure 38074
that during the remainder of the fiscal year, the district will 38075
not incur any expenses that will further impair its ability to 38076
operate an instructional program that meets or exceeds the minimum 38077
standards of the state board of education and requirements of the 38078
Revised Code during the current and ensuing fiscal years with the 38079
revenue available to it from existing revenue sources. The fiscal 38080
statement shall be presented in such detail and form as the 38081
superintendent prescribes. Beginning the tenth day after the 38082
fiscal statement is submitted and for the remainder of the fiscal 38083
year, the board shall not make any expenditure of money, make any 38084
employment, purchase, or rental contract, give any order involving 38085
the expenditure of money, or increase any wage or salary schedule 38086
unless the superintendent of public instruction has approved the 38087
fiscal statement in writing and the expenditure, contract, order, 38088
or schedule has been approved in writing by the superintendent as 38089

being in conformity with the fiscal statement. 38090

Any contract or expenditure made, order given, or schedule 38091
adopted or put into effect without the written approval of the 38092
superintendent of public instruction is void, and no warrant shall 38093
be issued in payment of any amount due thereon. 38094

(B) A board of education subject to division (A) of this 38095
section shall prepare a fiscal statement of expenses and 38096
expenditures for the ensuing fiscal year. The fiscal statement 38097
shall be submitted to the superintendent of public instruction and 38098
shall set forth all revenues to be received by the district during 38099
such year and their source, the expenses to be incurred by the 38100
district during such year, the outstanding and unpaid expenses on 38101
the first day of such fiscal year, the date or dates by which such 38102
expenses must be paid, and such other information as the 38103
superintendent requires to enable the superintendent to ensure 38104
that during such year, the district will not incur any expenses 38105
that will further impair its ability to operate an instructional 38106
program that meets or exceeds the minimum standards of the state 38107
board of education and requirements of the Revised Code during 38108
such year with the revenue available to it from existing revenue 38109
sources. The fiscal statement shall be presented at the time and 38110
in such detail and form as the superintendent prescribes. During 38111
the fiscal year following the year in which a board of education 38112
first becomes subject to division (A) of this section it shall not 38113
make any expenditure of money, make any employment, purchase, or 38114
rental contract, give any order involving the expenditure of 38115
money, or increase any wage or salary schedule unless the 38116
superintendent of public instruction has approved the fiscal 38117
statement submitted under this division in writing and has 38118
approved the expenditure, contract, order, or schedule in writing 38119
as being in conformity with the fiscal statement. 38120

Any contract or expenditure made, order given, or schedule 38121

adopted or put into effect without the written approval of the 38122
superintendent of public instruction is void, and no warrant shall 38123
be issued in payment of any amount due thereon. 38124

(C) The state board of education shall examine any fiscal 38125
statement presented to and approved by the superintendent of 38126
public instruction under division (B) of this section and shall 38127
determine whether the data set forth in the fiscal statement are 38128
factual and based upon assumptions that in its judgment are 38129
reasonable expectations consistent with acceptable governmental 38130
budget and accounting practices. If the state board so determines 38131
and finds that the revenues and expenditures in the fiscal 38132
statement are in balance for the fiscal year and the fiscal 38133
statement will enable the district to operate during such year 38134
without interrupting its school calendar, it shall certify its 38135
determination and finding to the district at least thirty days 38136
prior to the beginning of the fiscal year, and the district shall 38137
thereupon cease to be subject to this section. If the state board 38138
does not make such a determination and finding, the board of 38139
education and school district are subject to this division and 38140
division (B) of this section in the ensuing fiscal year and each 38141
fiscal year thereafter until the state board makes a 38142
determination, finding, and certification under this division. 38143

(D) Any officer, employee, or other person who knowingly 38144
expends or authorizes the expenditure of any public funds or 38145
knowingly authorizes or executes any contract, order, or schedule 38146
contrary to division (A) or (B) of this section or who knowingly 38147
expends or authorizes the expenditure of any public funds on any 38148
such void contract, order, or schedule is jointly and severally 38149
liable in person and upon any official bond that the officer, 38150
employee, or other person has given to such school district to the 38151
extent of any payments on the void claim, not to exceed twenty 38152
thousand dollars. The attorney general at the written request of 38153

the superintendent of public instruction shall enforce this 38154
liability by civil action brought in any court of appropriate 38155
jurisdiction in the name of and on behalf of the school district. 38156

(E) During each month that a board of education is subject to 38157
division (A), (B), or (C) of this section, the superintendent of 38158
public instruction shall submit a report to the speaker of the 38159
house of representatives and the president of the senate on the 38160
financial condition of the school district. The report shall 38161
contain the date by which the superintendent anticipates the 38162
district will cease to be subject to such divisions, the 38163
district's plans for becoming exempt from such section, and such 38164
other information the superintendent determines appropriate or the 38165
speaker of the house of representatives or president of the senate 38166
requests. 38167

In addition to the other reports required under this 38168
division, on the thirty-first day of each school district fiscal 38169
year following a fiscal year in which a school district first 38170
becomes subject to this section, the superintendent shall submit a 38171
written report to the speaker of the house of representatives and 38172
the president of the senate. The report shall include 38173
recommendations to the general assembly for strengthening the 38174
financial condition of school districts based upon the experiences 38175
of the superintendent and the state board in exercising their 38176
powers under this section and sections 3313.483 and 3313.487 of 38177
the Revised Code. 38178

(F) This section does not apply to a school district declared 38179
to be under a fiscal emergency pursuant to division (B) of section 38180
3316.03 of the Revised Code. 38181

Sec. 3313.4810. Any school district receiving a loan under 38182
section 3313.483 ~~or 3317.64~~ of the Revised Code in excess of seven 38183

the fiscal year in which the loan is received and that has 38185

subject to section 3313.488 of the Revised Code for the duration 38187
of the fiscal year in which the district receives the loan and 38188

relieve a school district to which this section applies from any 38190

Revised Code to implement recommendations of the superintendent of 38192
public instruction for expenditure reduction and may not modify 38193
any other requirements imposed under such section upon such a 38194
district as a condition for receiving the loan unless expressly 38195
authorized to do so by law. The superintendent of public 38196
instruction shall, among any recommendations ~~he~~ the superintendent 38197
makes for expenditure reduction under section 3313.483 ~~or 3317.63~~ 38198

district to which this section applies, provide wherever possible 38200
for the retention of teachers who are actually involved in the 38201
daily teaching of students in the classroom. 38202

(iii) Astronomy, physical geology, or other earth or space science.	38691 38692
(6) History and government, one unit, which shall comply with division (M) of this section and shall include both of the following:	38693 38694 38695
(a) American history, one-half unit;	38696
(b) American government, one-half unit.	38697
(7) Social studies, two units.	38698
Each school shall integrate the study of economics and financial literacy, as expressed in the social studies academic content standards adopted by the state board of education under	38699 38700 38701

division (A)(1) of section 3301.079 of the Revised Code and the 38702
academic content standards for financial literacy and 38703
entrepreneurship adopted under division (A)(2) of that section, 38704
into one or more existing social studies credits required under 38705
division (C)(7) of this section, or into the content of another 38706
class, so that every high school student receives instruction in 38707
those concepts. In developing the curriculum required by this 38708
paragraph, schools shall use available public-private partnerships 38709
and resources and materials that exist in business, industry, and 38710
through the centers for economics education at institutions of 38711
higher education in the state. 38712

(8) Five units consisting of one or any combination of 38713
foreign language, fine arts, business, career-technical education, 38714
family and consumer sciences, technology, agricultural education, 38715
a junior reserve officer training corps (JROTC) program approved 38716
by the congress of the United States under title 10 of the United 38717
States Code, or English language arts, mathematics, science, or 38718
social studies courses not otherwise required under division (C) 38719
of this section. 38720

Ohioans must be prepared to apply increased knowledge and 38721
skills in the workplace and to adapt their knowledge and skills 38722
quickly to meet the rapidly changing conditions of the 38723
twenty-first century. National studies indicate that all high 38724
school graduates need the same academic foundation, regardless of 38725
the opportunities they pursue after graduation. The goal of Ohio's 38726
system of elementary and secondary education is to prepare all 38727
students for and seamlessly connect all students to success in 38728
life beyond high school graduation, regardless of whether the next 38729
step is entering the workforce, beginning an apprenticeship, 38730
engaging in post-secondary training, serving in the military, or 38731
pursuing a college degree. 38732

The Ohio core curriculum is the standard expectation for all 38733

students entering ninth grade for the first time at a public or 38734
chartered nonpublic high school on or after July 1, 2010. A 38735
student may satisfy this expectation through a variety of methods, 38736
including, but not limited to, integrated, applied, 38737
career-technical, and traditional coursework. 38738

Whereas teacher quality is essential for student success in 38739
completing the Ohio core curriculum, the general assembly shall 38740
appropriate funds for strategic initiatives designed to strengthen 38741
schools' capacities to hire and retain highly qualified teachers 38742
in the subject areas required by the curriculum. Such initiatives 38743
are expected to require an investment of \$120,000,000 over five 38744
years. 38745

Stronger coordination between high schools and institutions 38746
of higher education is necessary to prepare students for more 38747
challenging academic endeavors and to lessen the need for academic 38748
remediation in college, thereby reducing the costs of higher 38749
education for Ohio's students, families, and the state. The state 38750
board and the chancellor of the Ohio board of regents shall 38751
develop policies to ensure that only in rare instances will 38752
students who complete the Ohio core curriculum require academic 38753
remediation after high school. 38754

School districts, community schools, and chartered nonpublic 38755
schools shall integrate technology into learning experiences 38756
across the curriculum in order to maximize efficiency, enhance 38757
learning, and prepare students for success in the 38758
technology-driven twenty-first century. Districts and schools 38759
shall use distance and web-based course delivery as a method of 38760
providing or augmenting all instruction required under this 38761
division, including laboratory experience in science. Districts 38762
and schools shall utilize technology access and electronic 38763
learning opportunities provided by the ~~eTech Ohio commission~~ 38764
chancellor, the Ohio learning network, education technology 38765

centers, public television stations, and other public and private 38766
providers. 38767

(D) Except as provided in division (E) of this section, a 38768
student who enters ninth grade on or after July 1, 2010, and 38769
before July 1, 2014, may qualify for graduation from a public or 38770
chartered nonpublic high school even though the student has not 38771
completed the Ohio core curriculum prescribed in division (C) of 38772
this section if all of the following conditions are satisfied: 38773

(1) After the student has attended high school for two years, 38774
as determined by the school, the student and the student's parent, 38775
guardian, or custodian sign and file with the school a written 38776
statement asserting the parent's, guardian's, or custodian's 38777
consent to the student's graduating without completing the Ohio 38778
core curriculum and acknowledging that one consequence of not 38779
completing the Ohio core curriculum is ineligibility to enroll in 38780
most state universities in Ohio without further coursework. 38781

(2) The student and parent, guardian, or custodian fulfill 38782
any procedural requirements the school stipulates to ensure the 38783
student's and parent's, guardian's, or custodian's informed 38784
consent and to facilitate orderly filing of statements under 38785
division (D)(1) of this section. 38786

(3) The student and the student's parent, guardian, or 38787
custodian and a representative of the student's high school 38788
jointly develop an individual career plan for the student that 38789
specifies the student matriculating to a two-year degree program, 38790
acquiring a business and industry credential, or entering an 38791
apprenticeship. 38792

(4) The student's high school provides counseling and support 38793
for the student related to the plan developed under division 38794
(D)(3) of this section during the remainder of the student's high 38795
school experience. 38796

(5) The student successfully completes, at a minimum, the curriculum prescribed in division (B) of this section. 38797
38798

The department of education, in collaboration with the chancellor, shall analyze student performance data to determine if there are mitigating factors that warrant extending the exception permitted by division (D) of this section to high school classes beyond those entering ninth grade before July 1, 2014. The department shall submit its findings and any recommendations not later than August 1, 2014, to the speaker and minority leader of the house of representatives, the president and minority leader of the senate, the chairpersons and ranking minority members of the standing committees of the house of representatives and the senate that consider education legislation, the state board of education, and the superintendent of public instruction. 38799

38802
38803
38804
38805
38806
38807
38808
38809
38810

(E) Each school district and chartered nonpublic school retains the authority to require an even more rigorous minimum curriculum for high school graduation than specified in division (B) or (C) of this section. A school district board of education, through the adoption of a resolution, or the governing authority of a chartered nonpublic school may stipulate any of the following: 38811
38812
38813
38814
38815
38816
38817

(1) A minimum high school curriculum that requires more than twenty units of academic credit to graduate; 38818
38819

(2) An exception to the district's or school's minimum high school curriculum that is comparable to the exception provided in division (D) of this section but with additional requirements, which may include a requirement that the student successfully complete more than the minimum curriculum prescribed in division (B) of this section; 38820
38821
38822
38823
38824
38825

(3) That no exception comparable to that provided in division (D) of this section is available. 38826
38827

(F) A student enrolled in a dropout prevention and recovery program, which program has received a waiver from the department, may qualify for graduation from high school by successfully completing a competency-based instructional program administered by the dropout prevention and recovery program in lieu of completing the Ohio core curriculum prescribed in division (C) of this section. The department shall grant a waiver to a dropout prevention and recovery program, within sixty days after the program applies for the waiver, if the program meets all of the following conditions:

(1) The program serves only students not younger than sixteen years of age and not older than twenty-one years of age.

(2) The program enrolls students who, at the time of their initial enrollment, either, or both, are at least one grade level behind their cohort age groups or experience crises that significantly interfere with their academic progress such that they are prevented from continuing their traditional programs.

(3) The program requires students to attain at least the applicable score designated for each of the assessments prescribed under division (B)(1) of section 3301.0710 of the Revised Code or, to the extent prescribed by rule of the state board under division (D)(6) of section 3301.0712 of the Revised Code, division (B)(2) of that section.

(4) The program develops an individual career plan for the student that specifies the student's matriculating to a two-year degree program, acquiring a business and industry credential, or entering an apprenticeship.

(5) The program provides counseling and support for the student related to the plan developed under division (F)(4) of this section during the remainder of the student's high school experience.

(6) The program requires the student and the student's parent, guardian, or custodian to sign and file, in accordance with procedural requirements stipulated by the program, a written statement asserting the parent's, guardian's, or custodian's consent to the student's graduating without completing the Ohio core curriculum and acknowledging that one consequence of not completing the Ohio core curriculum is ineligibility to enroll in most state universities in Ohio without further coursework.

(7) Prior to receiving the waiver, the program has submitted to the department an instructional plan that demonstrates how the academic content standards adopted by the state board under section 3301.079 of the Revised Code will be taught and assessed.

If the department does not act either to grant the waiver or to reject the program application for the waiver within sixty days as required under this section, the waiver shall be considered to be granted.

(G) Every high school may permit students below the ninth grade to take advanced work. If a high school so permits, it shall award high school credit for successful completion of the advanced work and shall count such advanced work toward the graduation requirements of division (B) or (C) of this section if the advanced work was both:

(1) Taught by a person who possesses a license or certificate issued under section 3301.071, 3319.22, or 3319.222 of the Revised Code that is valid for teaching high school;

(2) Designated by the board of education of the city, local, or exempted village school district, the board of the cooperative education school district, or the governing authority of the chartered nonpublic school as meeting the high school curriculum requirements.

Each high school shall record on the student's high school

transcript all high school credit awarded under division (G) of 38890
this section. In addition, if the student completed a seventh- or 38891
eighth-grade fine arts course described in division (K) of this 38892
section and the course qualified for high school credit under that 38893
division, the high school shall record that course on the 38894
student's high school transcript. 38895

(H) The department shall make its individual academic career 38896
plan available through its Ohio career information system web site 38897
for districts and schools to use as a tool for communicating with 38898
and providing guidance to students and families in selecting high 38899
school courses. 38900

(I) Units earned in English language arts, mathematics, 38901
science, and social studies that are delivered through integrated 38902
academic and career-technical instruction are eligible to meet the 38903
graduation requirements of division (B) or (C) of this section. 38904

(J) The state board, in consultation with the chancellor, 38905
shall adopt a statewide plan implementing methods for students to 38906
earn units of high school credit based on a demonstration of 38907
subject area competency, instead of or in combination with 38908
completing hours of classroom instruction. The state board shall 38909
adopt the plan not later than March 31, 2009, and commence phasing 38910
in the plan during the 2009-2010 school year. The plan shall 38911
include a standard method for recording demonstrated proficiency 38912
on high school transcripts. Each school district and community 38913
school shall comply with the state board's plan adopted under this 38914
division and award units of high school credit in accordance with 38915
the plan. The state board may adopt existing methods for earning 38916
high school credit based on a demonstration of subject area 38917
competency as necessary prior to the 2009-2010 school year. 38918

(K) This division does not apply to students who qualify for 38919
graduation from high school under division (D) or (F) of this 38920
section, or to students pursuing a career-technical instructional 38921

track as determined by the school district board of education or 38922
the chartered nonpublic school's governing authority. 38923
Nevertheless, the general assembly encourages such students to 38924
consider enrolling in a fine arts course as an elective. 38925

Beginning with students who enter ninth grade for the first 38926
time on or after July 1, 2010, each student enrolled in a public 38927
or chartered nonpublic high school shall complete two semesters or 38928
the equivalent of fine arts to graduate from high school. The 38929
coursework may be completed in any of grades seven to twelve. Each 38930
student who completes a fine arts course in grade seven or eight 38931
may elect to count that course toward the five units of electives 38932
required for graduation under division (C)(8) of this section, if 38933
the course satisfied the requirements of division (G) of this 38934
section. In that case, the high school shall award the student 38935
high school credit for the course and count the course toward the 38936
five units required under division (C)(8) of this section. If the 38937
course in grade seven or eight did not satisfy the requirements of 38938
division (G) of this section, the high school shall not award the 38939
student high school credit for the course but shall count the 38940
course toward the two semesters or the equivalent of fine arts 38941
required by this division. 38942

(L) Notwithstanding anything to the contrary in this section, 38943
the board of education of each school district and the governing 38944
authority of each chartered nonpublic school may adopt a policy to 38945
excuse from the high school physical education requirement each 38946
student who, during high school, has participated in 38947
interscholastic athletics, marching band, or cheerleading for at 38948
least two full seasons or in the junior reserve officer training 38949
corps for at least two full school years. If the board or 38950
authority adopts such a policy, the board or authority shall not 38951
require the student to complete any physical education course as a 38952
condition to graduate. However, the student shall be required to 38953

complete one-half unit, consisting of at least sixty hours of 38954
instruction, in another course of study. In the case of a student 38955
who has participated in the junior reserve officer training corps 38956
for at least two full school years, credit received for that 38957
participation may be used to satisfy the requirement to complete 38958
one-half unit in another course of study. 38959

(M) It is important that high school students learn and 38960
understand United States history and the governments of both the 38961
United States and the state of Ohio. Therefore, beginning with 38962
students who enter ninth grade for the first time on or after July 38963
1, 2012, the study of American history and American government 38964
required by divisions (B)(6) and (C)(6) of this section shall 38965
include the study of all of the following documents: 38966

(1) The Declaration of Independence; 38967

(2) The Northwest Ordinance; 38968

(3) The Constitution of the United States with emphasis on 38969
the Bill of Rights; 38970

(4) The Ohio Constitution. 38971

The study of each of the documents prescribed in divisions 38972
(M)(1) to (4) of this section shall include study of that document 38973
in its original context. 38974

The study of American history and government required by 38975
divisions (B)(6) and (C)(6) of this section shall include the 38976
historical evidence of the role of documents such as the 38977
Federalist Papers and the Anti-Federalist Papers to firmly 38978
establish the historical background leading to the establishment 38979
of the provisions of the Constitution and Bill of Rights. 38980

Sec. 3313.6013. (A) As used in this section, "dual enrollment 38981
program" means a program that enables a student to earn credit 38982
toward a degree from an institution of higher education while 38983

enrolled in high school or that enables a student to complete 38984
coursework while enrolled in high school that may earn credit 38985
toward a degree from an institution of higher education upon the 38986
student's attainment of a specified score on an examination 38987
covering the coursework. Dual enrollment programs may include any 38988

an institution of higher education; 38995

(4) Early college high schools. 38996

(B) Each city, local, exempted village, and joint vocational 38997
school district and each chartered nonpublic high school shall 38998
provide students enrolled in grades nine through twelve with the 38999
opportunity to participate in a dual enrollment program. For this 39000
purpose, each school district and chartered nonpublic high school 39001
shall offer at least one dual enrollment program in accordance 39002
with division (B)(1) or (2) of this section, as applicable. 39003

(1) A city, local, or exempted village school district meets 39004
the requirements of this division through its mandatory 39005
participation in the post-secondary enrollment options program 39006
established under Chapter 3365. of the Revised Code. However, a 39007
city, local, or exempted village school district may offer any 39008
other dual enrollment program, in addition to the post-secondary 39009
enrollment options program, and each joint vocational school 39010
district shall offer at least one other dual enrollment program, 39011
to students in good standing, as defined by the partnership for 39012
continued learning under section 3301.42 of the Revised Code as it 39013
existed prior to October 16, 2009, or as subsequently defined by 39014

the department of education. 39015

(2) A chartered nonpublic high school that elects to 39016
participate in the post-secondary enrollment options program 39017
established under Chapter 3365. of the Revised Code meets the 39018

enrollment options program instead shall offer at least one other 39021
dual enrollment program to students in good standing, as defined 39022
by the partnership for continued learning under section 3301.42 of 39023
the Revised Code as it existed prior to October 16, 2009, or as 39024
subsequently defined by the department of education. 39025

(C) Each school district and each chartered nonpublic high 39026
school shall provide information about the dual enrollment 39027
programs offered by the district or school to all students 39028
enrolled in grades eight through eleven. 39029

Sec. 3313.6016. (A) Beginning in the 2011-2012 school year, 39030
the department of education shall administer a pilot program 39031
requiring daily physical activity for students. Any school 39032
district; community school established under Chapter 3314. of the 39033
Revised Code; science, technology, engineering, and mathematics 39034

chartered nonpublic school annually may elect to participate in 39036
the pilot program by notifying the department of its interest by a 39037

suburban, and rural areas distributed geographically throughout 39044
the state. The department shall administer the pilot program in 39045

accordance with this section. 39046

engage in at least thirty minutes of moderate to rigorous physical 39051
activity each school day or at least one hundred fifty minutes of 39052
moderate to rigorous physical activity each week, exclusive of 39053
recess. Physical activity engaged in during the following may 39054
count toward the daily requirement: 39055

(1) A physical education course; 39056

(2) A program or activity occurring before or after the 39057
regular school day, as defined in section 3313.814 of the Revised 39058
Code, that is sponsored or approved by the school of attendance, 39059
provided school officials are able to monitor students' 39060

not be construed as creating, a new cause of action or substantive 39447

circumstances deemed appropriate by the superintendents. 39467

While an agreement is in effect under this division for a 39468
student who is not receiving special education under Chapter 3323. 39469
of the Revised Code and notwithstanding Chapter 3327. of the 39470

U.S.C. 1044b, or through a comparable document necessary to 39504
complete a family care plan, as the parent's agent for the care, 39505
custody, and control of the child while the parent is on active 39506
duty as a member of the national guard or a reserve unit of the 39507
armed forces of the United States or because the parent is a 39508
member of the armed forces of the United States and is on a duty 39509

assignment away from the parent's residence. 39510

(b) The military power of attorney or comparable document 39511
includes at least the authority to enroll the child in school. 39512

The entitlement to attend school in the district in which the 39513
parent's agent under the military power of attorney or comparable 39514
document resides applies until the end of the school year in which 39515
the military power of attorney or comparable document expires. 39516

section or section 3313.65 of the Revised Code, a child under 39531

provided under this section or section 3313.65 of the Revised 39535
Code, if at that time the child was enrolled in the schools of the 39536
district but since that time the child or the child's parent has 39537

(G) No city, exempted village, or local school district shall 40903
receive a payment under division (C) of this section for a 40904
student, and no joint vocational school district shall receive a 40905
payment under division (D) of this section for a student, if for 40906
the same school year that student is counted in the district's 40907
formula ADM certified under section 3317.03 of the Revised Code. 40908

(H) Upon request of a parent, and provided the board offers 40909
transportation to native students of the same grade level and 40910
distance from school under section 3327.01 of the Revised Code, a 40911
city, exempted village, or local school board enrolling an 40912
adjacent or other district student shall provide transportation 40913
for the student within the boundaries of the board's district, 40914
except that the board shall be required to pick up and drop off a 40915
nonhandicapped student only at a regular school bus stop 40916
designated in accordance with the board's transportation policy. 40917
Pursuant to rules of the state board of education, such board may 40918
reimburse the parent from funds received for pupil transportation 40919
under section 3317.0212 of the Revised Code, or other provisions 40920
of law, for the reasonable cost of transportation from the 40921
student's home to the designated school bus stop if the student's 40922
family has an income below the federal poverty line. 40923

Sec. 3314.015. (A) The department of education shall be 40924
responsible for the oversight of any and all sponsors of the 40925
community schools established under this chapter and shall provide 40926
technical assistance to schools and sponsors in their compliance 40927
with applicable laws and the terms of the contracts entered into 40928
under section 3314.03 of the Revised Code and in the development 40929

and start-up activities of those schools. In carrying out its 40930
duties under this section, the department shall do all of the 40931
following: 40932

(1) In providing technical assistance to proposing parties, 40933
governing authorities, and sponsors, conduct training sessions and 40934
distribute informational materials; 40935

(2) Approve entities to be sponsors of community schools; 40936

(3) Monitor and evaluate, as required under section 3314.016 40937
of the Revised Code, the effectiveness of any and all sponsors in 40938
their oversight of the schools with which they have contracted; 40939

(4) By December thirty-first of each year, issue a report to 40940
the governor, the speaker of the house of representatives, the 40941
president of the senate, and the chairpersons of the house and 40942
senate committees principally responsible for education matters 40943
regarding the effectiveness of academic programs, operations, and 40944
legal compliance and of the financial condition of all community 40945
schools established under this chapter and on the performance of 40946
community school sponsors; 40947

(5) From time to time, make legislative recommendations to 40948
the general assembly designed to enhance the operation and 40949
performance of community schools. 40950

(B)(1) Except as provided in sections 3314.021 and 3314.027 40951
of the Revised Code, no entity listed in division (C)(1) of 40952
section 3314.02 of the Revised Code shall enter into a preliminary 40953
agreement under division (C)(2) of section 3314.02 of the Revised 40954
Code until it has received approval from the department of 40955
education to sponsor community schools under this chapter and has 40956
entered into a written agreement with the department regarding the 40957
manner in which the entity will conduct such sponsorship. The 40958
department shall adopt in accordance with Chapter 119. of the 40959
Revised Code rules containing criteria, procedures, and deadlines 40960

for processing applications for such approval, for oversight of 40961
sponsors, for notifying a sponsor of noncompliance with applicable 40962
laws and administrative rules under division (F) of this section, 40963
for revocation of the approval of sponsors under division (C) of 40964
this section, and for entering into written agreements with 40965
sponsors. The rules shall require an entity to submit evidence of 40966
the entity's ability and willingness to comply with the provisions 40967
of division (D) of section 3314.03 of the Revised Code. The rules 40968
also shall require entities approved as sponsors on and after June 40969
30, 2005, to demonstrate a record of financial responsibility and 40970
successful implementation of educational programs. If an entity 40971
seeking approval on or after June 30, 2005, to sponsor community 40972
schools in this state sponsors or operates schools in another 40973
state, at least one of the schools sponsored or operated by the 40974
entity must be comparable to or better than the performance of 40975
Ohio schools in need of continuous improvement under section 40976
3302.03 of the Revised Code, as determined by the department. 40977

Subject to section 3314.016 of the Revised Code, an entity 40978
that sponsors community schools may enter into preliminary 40979
agreements and sponsor up to one hundred schools, provided each 40980
school and the contract for sponsorship meets the requirements of 40981
this chapter. 40982

(2) The state board of education shall determine, pursuant to 40983
criteria specified in rules adopted in accordance with Chapter 40984
119. of the Revised Code, whether the mission proposed to be 40985
specified in the contract of a community school to be sponsored by 40986
a state university board of trustees or the board's designee under 40987
division (C)(1)(e) of section 3314.02 of the Revised Code complies 40988
with the requirements of that division. Such determination of the 40989
state board is final. 40990

(3) The state board of education shall determine, pursuant to 40991
criteria specified in rules adopted in accordance with Chapter 40992

119. of the Revised Code, if any tax-exempt entity under section 40993
501(c)(3) of the Internal Revenue Code that is proposed to be a 40994
sponsor of a community school is an education-oriented entity for 40995
purpose of satisfying the condition prescribed in division 40996
(C)(1)(f)(iii) of section 3314.02 of the Revised Code. Such 40997
determination of the state board is final. 40998

(C) If at any time the state board of education finds that a 40999
sponsor is not in compliance or is no longer willing to comply 41000
with its contract with any community school or with the 41001
department's rules for sponsorship, the state board or designee 41002
shall conduct a hearing in accordance with Chapter 119. of the 41003
Revised Code on that matter. If after the hearing, the state board 41004
or designee has confirmed the original finding, the department of 41005
education may revoke the sponsor's approval to sponsor community 41006
schools. In that case, the department's office of Ohio school 41007
sponsorship, established under section 3314.029 of the Revised 41008
Code, may assume the sponsorship of any schools with which the 41009
sponsor has contracted until the earlier of the expiration of two 41010
school years or until a new sponsor as described in division 41011
(C)(1) of section 3314.02 of the Revised Code is secured by the 41012
school's governing authority. The office of Ohio school 41013
sponsorship may extend the term of the contract in the case of a 41014
school for which it has assumed sponsorship under this division as 41015
necessary to accommodate the term of the department's 41016
authorization to sponsor the school specified in this division. 41017
Community schools sponsored under this division shall not apply to 41018
the limit on directly authorized community schools under division 41019
(A)(3) of section 3314.029 of the Revised Code. However, nothing 41020
in this division shall preclude a community school affected by 41021
this division from applying for sponsorship under that section. 41022

(D) The decision of the department to disapprove an entity 41023
for sponsorship of a community school or to revoke approval for 41024

such sponsorship under division (C) of this section, may be 41025
appealed by the entity in accordance with section 119.12 of the 41026
Revised Code. 41027

(E) The department shall adopt procedures for use by a 41028
community school governing authority and sponsor when the school 41029
permanently closes and ceases operation, which shall include at 41030
least procedures for data reporting to the department, handling of 41031
student records, distribution of assets in accordance with section 41032
3314.074 of the Revised Code, and other matters related to ceasing 41033
operation of the school. 41034

(F)(1) In lieu of revoking a sponsor's authority to sponsor 41035
community schools under division (C) of this section, if the 41036
department finds that a sponsor is not in compliance with 41037
applicable laws and administrative rules, the department shall 41038
declare in a written notice to the sponsor the specific laws or 41039
rules, or both, for which the sponsor is noncompliant. A sponsor 41040
notified under division (F)(1) of this section shall respond to 41041
the department not later than fourteen days after the notification 41042
with a plan to remedy the conditions for which the sponsor was 41043
found to be noncompliant. Not later than sixty days after 41044
receiving a notification of noncompliance from the department, the 41045
sponsor shall implement the compliance plan. If a sponsor does not 41046
respond to the department or implement a compliance plan by the 41047
deadlines prescribed by division (F)(1) of this section, the 41048
department shall declare in written notice to the school that the 41049
school is in probationary status, and may limit the sponsor's 41050
ability to sponsor additional schools. 41051

(2) A sponsor that has been placed on probationary status 41052
under division (F)(1) of this section may apply to the department 41053
for its probationary status to be lifted. The application for a 41054
sponsor's probationary status to be lifted shall include evidence, 41055
occurring after the initial notification of noncompliance, of the 41056

sponsor's compliance with applicable laws and administrative 41057
rules. Not later than fourteen days after receiving an application 41058
from the sponsor, the department shall decide whether or not to 41059
remove the sponsor's probationary status. 41060

(G) In carrying out its duties under this chapter, the 41061
department shall not impose requirements on community schools or 41062
their sponsors that are not permitted by law or duly adopted 41063
rules. 41064

(H) This section applies to entities that sponsor conversion 41065
community schools and new start-up schools. 41066

Sec. 3314.017. (A) The state board of education shall 41067
prescribe by rules, adopted in accordance with Chapter 119. of the 41068
Revised Code, an academic performance rating and report card 41069
system that satisfies the requirements of this section for 41070
community schools that primarily serve students enrolled in 41071
dropout prevention and recovery programs as described in division 41072
(A)(4)(a) of section 3314.35 of the Revised Code, to be used in 41073
lieu of the system prescribed under sections 3302.03 and 3314.012 41074
of the Revised Code beginning with the 2012-2013 school year. Each 41075
such school shall comply with the testing and reporting 41076
requirements of the system as prescribed by the state board. 41077

(B) Nothing in this section shall at any time relieve a 41078
school from its obligations under the "No Child Left Behind Act of 41079
2001" to make "adequate yearly progress," as both that act and 41080
that term are defined in section 3302.01 of the Revised Code, or a 41081
school's amenability to the provisions of section 3302.04 or 41082
3302.041 of the Revised Code. The department shall continue to 41083
report each school's performance as required by the act and to 41084
enforce applicable sanctions under section 3302.04 or 3302.041 of 41085
the Revised Code. 41086

In the case of a community school to which division (B)(3) of 41735
this section applies, if only one of the school districts in which 41736
the school is established is a challenged school district, that 41737
district shall be considered the school's primary location and the 41738

education of that designation. 41748

(4) A community school may be located in multiple facilities 41749
under the same contract and, notwithstanding division (B)(1) of 41750

(a) The facilities are all located in the same county. 41753

(b) Either of the following conditions are satisfied: 41754

(i) The community school is sponsored by a board of education 41755

In the case of a community school to which division (B)(4) of 41760
this section applies and that maintains facilities in more than 41761
one school district, the school's governing authority shall 41762
designate one of those districts to be considered the school's 41763
primary location and the district in which the school is located 41764

(C) In the case where a community school is proposed to be 41772

service center, the facility may not be used for such community 41774
school unless the district or service center board owning the 41775
facility enters into an agreement for the community school to 41776
utilize the facility. Use of the facility may be under any terms 41777
and conditions agreed to by the district or service center board 41778
and the school. 41779

(D) Two or more separate community schools may be located in 41780
the same facility. 41781

(E) In the case of a community school that is located in 41782
multiple facilities, beginning July 1, 2012, the department shall 41783
assign a unique identification number to the school and to each 41784
facility maintained by the school. Each number shall be used for 41785
identification purposes only. Nothing in this division shall be 41786
construed to require the department to calculate the amount of 41787
funds paid under this chapter, or to compute any data required for 41788
the report cards issued under section 3314.012 of the Revised 41789
Code, for each facility separately. The department shall make all 41790
such calculations or computations for the school as a whole. 41791

Sec. 3314.072. The provisions of this section are enacted to 41792
promote the public health, safety, and welfare by establishing 41793
procedures under which the governing authorities of community 41794
schools established under this chapter will be held accountable 41795
for their compliance with the terms of the contracts they enter 41796
into with their school's sponsors and the law relating to the 41797
school's operation. Suspension of the operation of a school 41798
imposed under this section is intended to encourage the governing 41799
authority's compliance with the terms of the school's contract and 41800
the law and is not intended to be an alteration of the terms of 41801
that contract. 41802

(A) If a sponsor of a community school established under this 41803
chapter suspends the operation of that school pursuant to 41804
procedures set forth in this section, the governing authority 41805
shall not operate that school while the suspension is in effect. 41806
Any such suspension shall remain in effect until the sponsor 41807
notifies the governing authority that it is no longer in effect. 41808
The contract of a school of which operation is suspended under 41809
this section also may be subject to termination or nonrenewal 41810
under section 3314.07 of the Revised Code. 41811

(B) If at any time conditions at the school do not comply 41812
with a health and safety standard established by law for school 41813
buildings, the sponsor shall immediately suspend the operation of 41814
the school pursuant to procedures set forth in division (D) of 41815
this section. If the sponsor fails to take action to suspend the 41816
operation of a school to which this division applies, the 41817
department of education may take such action. 41818

(C)(1) For any of the reasons prescribed in division 41819
(B)(1)(a) to (d) of section 3314.07 of the Revised Code, the 41820
sponsor of a community school established under this chapter may 41821
suspend the operation of the school only if it first issues to the 41822

governing authority notice of the sponsor's intent to suspend the 41823
operation of the contract. Such notice shall explain the reasons 41824
for the sponsor's intent to suspend operation of the contract and 41825
shall provide the school's governing authority with five business 41826
days to submit to the sponsor a proposal to remedy the conditions 41827
cited as reasons for the suspension. 41828

(2) The sponsor shall promptly review any proposed remedy 41829
timely submitted by the governing authority and either approve or 41830
disapprove the remedy. If the sponsor disapproves the remedy 41831
proposed by the governing authority, if the governing authority 41832
fails to submit a proposed remedy in the manner prescribed by the 41833
sponsor, or if the governing authority fails to implement the 41834
remedy as approved by the sponsor, the sponsor may suspend 41835
operation of the school pursuant to procedures set forth in 41836
division (D) of this section. 41837

(D)(1) If division (B) of this section applies or if the 41838
sponsor of a community school established under this chapter 41839
decides to suspend the operation of a school as permitted in 41840
division (C)(2) of this section, the sponsor shall promptly send 41841
written notice to the governing authority stating that the 41842
operation of the school is immediately suspended, and explaining 41843
the specific reasons for the suspension. The notice shall state 41844
that the governing authority has five business days to submit a 41845
proposed remedy to the conditions cited as reasons for the 41846
suspension or face potential contract termination. 41847

(2) Upon receipt of the notice of suspension prescribed under 41848
division (D)(1) of this section, the governing authority shall 41849
immediately notify the employees of the school and the parents of 41850
the students enrolled in the school of the suspension and the 41851
reasons therefore, and shall cease all school operations on the 41852
next business day. 41853

(E) If the sponsor of a community school suspends the 41854

operation of that school pursuant to procedures set forth in this 41855
section, the school's contract with the sponsor under section 41856
3314.03 of the Revised Code shall become void, if the governing 41857
authority of the school fails to provide a proposal to remedy the 41858
conditions cited by the sponsor as reasons for the suspension, to 41859
the satisfaction of the sponsor, by the thirtieth day of September 41860
of the school year immediately following the school year in which 41861
the operation of school was suspended. 41862

retirement funds of employees of the school, employees of the 41869
school, and private creditors who are owed compensation, and then 41870
any remaining funds shall be paid to the department of education 41871
for redistribution to the school districts in which the students 41872
who were enrolled in the school at the time it ceased operation 41873
were entitled to attend school under section 3313.64 or 3313.65 of 41874
the Revised Code. The amount distributed to each school district 41875
shall be proportional to the district's share of the total 41876
enrollment in the community school. 41877

(B) If a community school closes and ceases to operate as a 41878
community school and the school has received computer hardware or 41879
software from the former Ohio SchoolNet commission or the former 41880
eTech Ohio commission, such hardware or software shall be ~~returned~~ 41881
turned over to the ~~eTech Ohio commission~~ department of education, 41882
~~and the eTech Ohio commission~~ which shall redistribute the 41883
hardware and software, to the extent such redistribution is 41884
possible, to school districts in conformance with the provisions 41885

of the programs as they were operated and administered by the 41886
former eTech Ohio commission. 41887

(C) If the assets of the school are insufficient to pay all 41888
persons or entities to whom compensation is owed, the 41889
prioritization of the distribution of the assets to individual 41890
persons or entities within each class of payees may be determined 41891
by decree of a court in accordance with this section and Chapter 41892
1702. of the Revised Code. 41893

~~(L)(H)~~ The department of education shall adjust the amounts 42491
subtracted and paid under ~~divisions~~ division (C) and ~~(D)~~ of this 42492
section to reflect any enrollment of students in community schools 42493
for less than the equivalent of a full school year. The state 42494
board of education within ninety days after April 8, 2003, shall 42495
adopt in accordance with Chapter 119. of the Revised Code rules 42496
governing the payments to community schools under this section ~~and~~ 42497
~~section 3314.13 of the Revised Code~~ including initial payments in 42498
a school year and adjustments and reductions made in subsequent 42499
periodic payments to community schools and corresponding 42500
deductions from school district accounts as provided under 42501

~~divisions~~ division (C) and ~~(D)~~ of this section and ~~section 3314.13~~ 42502
of the Revised Code. For purposes of this section and ~~section~~ 42503
~~3314.13 of the Revised Code:~~ 42504

(1) A student shall be considered enrolled in the community 42505
school for any portion of the school year the student is 42506
participating at a college under Chapter 3365. of the Revised 42507
Code. 42508

(2) A student shall be considered to be enrolled in a 42509
community school for the period of time beginning on the later of 42510
the date on which the school both has received documentation of 42511
the student's enrollment from a parent and the student has 42512
commenced participation in learning opportunities as defined in 42513
the contract with the sponsor, or thirty days prior to the date on 42514
which the student is entered into the education management 42515
information system established under section 3301.0714 of the 42516
Revised Code. For purposes of applying this division and divisions 42517
~~(L)~~(H)(3) and (4) of this section to a community school student, 42518
"learning opportunities" shall be defined in the contract, which 42519
shall describe both classroom-based and non-classroom-based 42520
learning opportunities and shall be in compliance with criteria 42521
and documentation requirements for student participation which 42522
shall be established by the department. Any student's instruction 42523
time in non-classroom-based learning opportunities shall be 42524
certified by an employee of the community school. A student's 42525
enrollment shall be considered to cease on the date on which any 42526
of the following occur: 42527

(a) The community school receives documentation from a parent 42528
terminating enrollment of the student. 42529

(b) The community school is provided documentation of a 42530
student's enrollment in another public or private school. 42531

(c) The community school ceases to offer learning 42532

opportunities to the student pursuant to the terms of the contract 42533
with the sponsor or the operation of any provision of this 42534
chapter. 42535

Except as otherwise specified in this paragraph, beginning in 42536
the 2011-2012 school year, any student who completed the prior 42537
school year in an internet- or computer-based community school 42538
shall be considered to be enrolled in the same school in the 42539
subsequent school year until the student's enrollment has ceased 42540
as specified in division ~~(L)~~(H)(2) of this section. The department 42541
shall continue subtracting and paying amounts for the student 42542
under ~~divisions~~ division (C) and ~~(D)~~ of this section without 42543
interruption at the start of the subsequent school year. However, 42544
if the student without a legitimate excuse fails to participate in 42545
the first one hundred five consecutive hours of learning 42546
opportunities offered to the student in that subsequent school 42547
year, the student shall be considered not to have re-enrolled in 42548
the school for that school year and the department shall 42549
recalculate the payments to the school for that school year to 42550
account for the fact that the student is not enrolled. 42551

(3) The department shall determine each community school 42552
student's percentage of full-time equivalency based on the 42553
percentage of learning opportunities offered by the community 42554
school to that student, reported either as number of hours or 42555
number of days, is of the total learning opportunities offered by 42556
the community school to a student who attends for the school's 42557
entire school year. However, no internet- or computer-based 42558
community school shall be credited for any time a student spends 42559
participating in learning opportunities beyond ten hours within 42560
any period of twenty-four consecutive hours. Whether it reports 42561
hours or days of learning opportunities, each community school 42562
shall offer not less than nine hundred twenty hours of learning 42563
opportunities during the school year. 42564

(4) With respect to the calculation of full-time equivalency 42565
under division ~~(I)~~(H)(3) of this section, the department shall 42566
waive the number of hours or days of learning opportunities not 42567
offered to a student because the community school was closed 42568
during the school year due to disease epidemic, hazardous weather 42569
conditions, law enforcement emergencies, inoperability of school 42570
buses or other equipment necessary to the school's operation, 42571
damage to a school building, or other temporary circumstances due 42572
to utility failure rendering the school building unfit for school 42573
use, so long as the school was actually open for instruction with 42574
students in attendance during that school year for not less than 42575
the minimum number of hours required by this chapter. The 42576
department shall treat the school as if it were open for 42577
instruction with students in attendance during the hours or days 42578
waived under this division. 42579

~~(M)~~(I) The department of education shall reduce the amounts 42580
paid under ~~division (D)~~ of this section to reflect payments made 42581
to colleges under division (B) of section 3365.07 of the Revised 42582
Code or through alternative funding agreements entered into under 42583
rules adopted under section 3365.12 of the Revised Code. 42584

~~(N)~~(J)(1) No student shall be considered enrolled in any 42585
internet- or computer-based community school or, if applicable to 42586
the student, in any community school that is required to provide 42587
the student with a computer pursuant to division (C) of section 42588
3314.22 of the Revised Code, unless both of the following 42589
conditions are satisfied: 42590

(a) The student possesses or has been provided with all 42591
required hardware and software materials and all such materials 42592
are operational so that the student is capable of fully 42593
participating in the learning opportunities specified in the 42594
contract between the school and the school's sponsor as required 42595
by division (A)(23) of section 3314.03 of the Revised Code; 42596

(b) The school is in compliance with division (A) of section 42597
3314.22 of the Revised Code, relative to such student. 42598

(2) In accordance with policies adopted jointly by the 42599
superintendent of public instruction and the auditor of state, the 42600
department shall reduce the amounts otherwise payable under 42601
division ~~(D)~~(C) of this section to any community school that 42602
includes in its program the provision of computer hardware and 42603
software materials to any student, if such hardware and software 42604
materials have not been delivered, installed, and activated for 42605
each such student in a timely manner or other educational 42606
materials or services have not been provided according to the 42607
contract between the individual community school and its sponsor. 42608

The superintendent of public instruction and the auditor of 42609
state shall jointly establish a method for auditing any community 42610
school to which this division pertains to ensure compliance with 42611
this section. 42612

The superintendent, auditor of state, and the governor shall 42613
jointly make recommendations to the general assembly for 42614
legislative changes that may be required to assure fiscal and 42615
academic accountability for such schools. 42616

~~(O)~~(K)(1) If the department determines that a review of a 42617
community school's enrollment is necessary, such review shall be 42618
completed and written notice of the findings shall be provided to 42619
the governing authority of the community school and its sponsor 42620
within ninety days of the end of the community school's fiscal 42621
year, unless extended for a period not to exceed thirty additional 42622
days for one of the following reasons: 42623

(a) The department and the community school mutually agree to 42624
the extension. 42625

(b) Delays in data submission caused by either a community 42626
school or its sponsor. 42627

(2) If the review results in a finding that additional funding is owed to the school, such payment shall be made within thirty days of the written notice. If the review results in a finding that the community school owes moneys to the state, the following procedure shall apply:

(a) Within ten business days of the receipt of the notice of findings, the community school may appeal the department's determination to the state board of education or its designee.

(b) The board or its designee shall conduct an informal hearing on the matter within thirty days of receipt of such an appeal and shall issue a decision within fifteen days of the conclusion of the hearing.

(c) If the board has enlisted a designee to conduct the hearing, the designee shall certify its decision to the board. The board may accept the decision of the designee or may reject the decision of the designee and issue its own decision on the matter.

(d) Any decision made by the board under this division is final.

(3) If it is decided that the community school owes moneys to the state, the department shall deduct such amount from the school's future payments in accordance with guidelines issued by the superintendent of public instruction.

~~(P)~~(L) The department shall not subtract from a school district's state aid account ~~under division (C) of this section~~ and shall not pay to a community school under division ~~(D)~~(C) of this section any amount for any of the following:

(1) Any student who has graduated from the twelfth grade of a public or nonpublic high school;

(2) Any student who is not a resident of the state;

(3) Any student who was enrolled in the community school

during the previous school year when assessments were administered 42658
under section 3301.0711 of the Revised Code but did not take one 42659
or more of the assessments required by that section and was not 42660
excused pursuant to division (C)(1) or (3) of that section, unless 42661
the superintendent of public instruction grants the student a 42662
waiver from the requirement to take the assessment and a parent is 42663
not paying tuition for the student pursuant to section 3314.26 of 42664
the Revised Code. The superintendent may grant a waiver only for 42665
good cause in accordance with rules adopted by the state board of 42666
education. 42667

(4) Any student who has attained the age of twenty-two years, 42668
except for veterans of the armed services whose attendance was 42669
interrupted before completing the recognized twelve-year course of 42670
the public schools by reason of induction or enlistment in the 42671
armed forces and who apply for enrollment in a community school 42672
not later than four years after termination of war or their 42673
honorable discharge. If, however, any such veteran elects to 42674
enroll in special courses organized for veterans for whom tuition 42675
is paid under federal law, or otherwise, the department shall not 42676
subtract from a school district's state aid account ~~under division~~ 42677
~~(C) of this section~~ and shall not pay to a community school under 42678
division ~~(D)~~(C) of this section any amount for that veteran. 42679

Sec. 3314.082. A community school shall be considered a 42680
school district and its governing authority shall be considered a 42681
board of education for the purpose of applying to any state or 42682
federal agency for grants that a school district may receive under 42683
federal or state law or any appropriations act of the general 42684
assembly. The governing authority of a community school may apply 42685
to any private entity for additional funds. 42686

Sec. 3314.083. If the department of education pays a joint 42687
vocational school district under division ~~(G)~~(4)(C)(3) of section 42688

3317.16 of the Revised Code for excess costs of providing special 42689
education and related services to a student with a disability who 42690
is enrolled in a community school, as calculated under division 42691
~~(C)(2)~~(C)(1) of that section, the department shall deduct the 42692
amount of that payment from the amount calculated for payment to 42693
the community school under section 3314.08 of the Revised Code. 42694

Sec. 3314.084. (A) As used in this section: 42695

(1) "Formula ADM" has the same meaning as in section 3317.03 42696
of the Revised Code. 42697

(2) "Home" has the same meaning as in section 3313.64 of the 42698
Revised Code. 42699

(3) "School district of residence" has the same meaning as in 42700
section 3323.01 of the Revised Code; however, a community school 42701
established under this chapter is not a "school district of 42702
residence" for purposes of this section. 42703

(B) Notwithstanding anything to the contrary in section 42704
3314.08 or 3317.03 of the Revised Code, all of the following apply 42705
in the case of a child who is enrolled in a community school and 42706
is also living in a home: 42707

(1) For purposes of the report required under division (B)(1) 42708
of section 3314.08 of the Revised Code, the child's school 42709
district of residence, and not the school district in which the 42710
home that the child is living in is located, shall be considered 42711
to be the school district in which the child is entitled to attend 42712
school. That school district of residence, therefore, shall make 42713
the report required under division (B)(1) of section 3314.08 of 42714
the Revised Code with respect to the child. 42715

(2) For purposes of the report required under division (B)(2) 42716
of section 3314.08 of the Revised Code, the community school shall 42717
report the name of the child's school district of residence. 42718

(3) The child's school district of residence shall count the child in that district's formula ADM.

(4) The school district in which the home that the child is living in is located shall not count the child in that district's formula ADM.

(5) The ~~Department~~ department of ~~Education~~ education shall deduct the applicable amounts prescribed under division (C) of section 3314.08 ~~and division (D) of section 3314.13~~ of the Revised Code from the child's school district of residence and shall not deduct those amounts from the school district in which the home that the child is living in is located.

(6) The ~~Department~~ department shall make the payments prescribed in ~~divisions (D) and (E)~~ division (C) of section 3314.08 ~~and section 3314.13~~ of the Revised Code, as applicable, to the community school.

Sec. 3314.086. A community school established under this chapter, including an internet- or computer-based community school, may provide career-technical education in the manner prescribed by section 3313.90 of the Revised Code. The community school may contract with any public agency, board, or bureau or with any private individual or firm for the purchase of any career-technical education or vocational rehabilitation service for any student enrolled in the community school and may pay for such services with funds received under section 3314.08 of the Revised Code.

Sec. 3314.087. (A) As used in this section:

(1) "Career-technical program" means ~~vocational~~ career-technical programs or classes described in division (A) ~~or~~, (B), (C), (D), or (E) of section 3317.014 of the Revised Code in which a student is enrolled.

(2) "Formula ADM," "category one ~~or two vocational~~ through
five career-technical education ADM," and "FTE basis" have the
same meanings as in section 3317.02 of the Revised Code.

(3) "Resident school district" means the city, exempted
village, or local school district in which a student is entitled
to attend school under section 3313.64 or 3313.65 of the Revised
Code.

(B) Notwithstanding anything to the contrary in this chapter
or Chapter 3317. of the Revised Code, a student enrolled in a
community school may simultaneously enroll in the career-technical
program operated by the student's resident school district. On an
FTE basis, the student's resident school district shall count the
student in the category one ~~or two vocational~~ through five
career-technical education ADM for the proportion of the time the
student is enrolled in the district's career-technical program
and, accordingly, the department of education shall calculate
funds under Chapter 3317. for the district attributable to the
student for the proportion of time the student attends the
career-technical program. The community school shall count the
student in its enrollment report under section 3314.08 of the
Revised Code and shall report to the department the proportion of
time that the student attends classes at the community school. The
department shall pay the community school and deduct from the
student's resident school district the amount computed for the
student under section 3314.08 of the Revised Code in proportion to
the fraction of the time on an FTE basis that the student attends
classes at the community school. "Full-time equivalency" for a
community school student, as defined in division ~~(L)~~(H) of section
3314.08 of the Revised Code, does not apply to the student.

Sec. 3314.09. (A) As used in this section and section
3314.091 of the Revised Code, "native student" means a student

entitled to attend school in the school district under section 42780
3313.64 or 3313.65 of the Revised Code. 42781

(B) Except as provided in section 3314.091 or 3327.02 of the 42782
Revised Code, the board of education of each city, local, and 42783
exempted village school district shall provide transportation to 42784
and from school for its ~~district's~~ native students in accordance 42785
with section 3327.01 of the Revised Code. 42786

Sec. 3314.091. ~~(A)~~ A student who attends a community school 42787
that provides or arranges for transporting students pursuant to 42788
this section, or the student's parent or guardian, is not eligible 42789
for the subsidy prescribed by section 3327.02 of the Revised Code. 42790

(A) A school district is not required to provide 42791
transportation for any native student enrolled in a community 42792
school if the district board of education has entered into an 42793
agreement with the community school's governing authority that 42794
designates the community school as responsible for providing or 42795
arranging for the transportation of the district's native students 42796
to and from the community school. For any such agreement to be 42797
effective, it must be certified by the superintendent of public 42798
instruction as having met all of the following requirements: 42799

(1) It is submitted to the department of education by a 42800
deadline which shall be established by the department. 42801

(2) In accordance with divisions (C)(1) and (2) of this 42802
section, it specifies qualifications, such as residing a minimum 42803
distance from the school, for students to have their 42804
transportation provided or arranged. 42805

(3) The transportation provided by the community school is 42806
subject to all provisions of the Revised Code and all rules 42807
adopted under the Revised Code pertaining to pupil transportation. 42808

(4) The sponsor of the community school also has signed the 42809

agreement. 42810

(B)(1) For the school year that begins on July 1, 2007, a 42811
school district is not required to provide transportation for any 42812
native student enrolled in a community school, if the community 42813
school during the previous school year transported the students 42814
enrolled in the school or arranged for the students' 42815
transportation, even if that arrangement consisted of having 42816
parents transport their children to and from the school, but did 42817
not enter into an agreement to transport or arrange for 42818
transportation for those students under division (A) of this 42819
section, and if the governing authority of the community school by 42820
July 15, 2007, submits written notification to the district board 42821
of education stating that the governing authority is accepting 42822
responsibility for providing or arranging for the transportation 42823
of the district's native students to and from the community 42824
school. 42825

(2) ~~For~~ Except as provided in division (B)(4) of this 42826
section, for any school year subsequent to the school year that 42827
begins on July 1, 2007, a school district is not required to 42828
provide transportation for any native student enrolled in a 42829
community school if the governing authority of the community 42830
school, by the thirty-first day of January of the previous school 42831
year, submits written notification to the district board of 42832
education stating that the governing authority is accepting 42833
responsibility for providing or arranging for the transportation 42834
of the district's native students to and from the community 42835
school. If the governing authority of the community school has 42836
previously accepted responsibility for providing or arranging for 42837
the transportation of a district's native students to and from the 42838
community school, under division (B)(1) or (2) of this section, 42839
and has since relinquished that responsibility under division 42840
(B)(3) of this section, the governing authority shall not accept 42841

that responsibility again unless the district board consents to 42842
the governing authority's acceptance of that responsibility. 42843

(3) A governing authority's acceptance of responsibility 42844
under division (B)(1) or (2) of this section shall cover an entire 42845
school year, and shall remain in effect for subsequent school 42846
years unless the governing authority submits written notification 42847
to the district board that the governing authority is 42848
relinquishing the responsibility. However, a governing authority 42849
shall not relinquish responsibility for transportation before the 42850
end of a school year, and shall submit the notice relinquishing 42851
responsibility by the thirty-first day of January, in order to 42852
allow the school district reasonable time to prepare 42853
transportation for its native students enrolled in the school. 42854

(4)(a) For any school year that begins on or after July 1, 42855
2014, a school district is not required to provide transportation 42856
for any native student enrolled in a community school scheduled to 42857
open for operation in the current school year, if the governing 42858
authority of the community school, by the fifteenth day of April 42859
of the previous school year, submits written notification to the 42860
district board of education stating that the governing authority 42861
is accepting responsibility for providing or arranging for the 42862
transportation of the district's native students to and from the 42863
community school. 42864

(b) The governing authority of a community school that 42865
accepts responsibility for transporting its students under 42866
division (4)(a) of this section shall comply with divisions (B)(2) 42867
and (3) of this section to renew or relinquish that authority for 42868
subsequent school years. 42869

(C)(1) A community school governing authority that enters 42870
into an agreement under division (A) of this section, or that 42871
accepts responsibility under division (B) of this section, shall 42872
provide or arrange transportation free of any charge for each of 42873

its enrolled students who is required to be transported under 42874
section 3327.01 of the Revised Code or who would otherwise be 42875
transported by the school district under the district's 42876
transportation policy. The governing authority shall report to the 42877
department of education the number of students transported or for 42878
whom transportation is arranged under this section in accordance 42879
with rules adopted by the state board of education. 42880

(2) The governing authority may provide or arrange 42881
transportation for any other enrolled student who is not eligible 42882
for transportation in accordance with division (C)(1) of this 42883
section and may charge a fee for such service up to the actual 42884
cost of the service. 42885

(3) Notwithstanding anything to the contrary in division 42886
(C)(1) or (2) of this section, a community school governing 42887
authority shall provide or arrange transportation free of any 42888
charge for any disabled student enrolled in the school for whom 42889
the student's individualized education program developed under 42890
Chapter 3323. of the Revised Code specifies transportation. 42891

(D)(1) If a school district board and a community school 42892
governing authority elect to enter into an agreement under 42893
division (A) of this section, the department of education shall 42894
make payments to the community school according to the terms of 42895
the agreement for each student actually transported under division 42896
(C)(1) of this section. 42897

If a community school governing authority accepts 42898
transportation responsibility under division (B) of this section, 42899
the department shall make payments to the community school for 42900
each student actually transported or for whom transportation is 42901
arranged by the community school under division (C)(1) of this 42902
section, calculated as follows: 42903

(a) For any fiscal year which the general assembly has 42904

specified that transportation payments to school districts be 42905
based on an across-the-board percentage of the district's payment 42906
for the previous school year, the per pupil payment to the 42907
community school shall be the following quotient: 42908

(i) The total amount calculated for the school district in 42909
which the child is entitled to attend school for student 42910
transportation other than transportation of children with 42911
disabilities; divided by 42912

(ii) The number of students included in the district's 42913
transportation ADM for the current fiscal year, as reported under 42914
division (B)~~(13)~~(19) of section 3317.03 of the Revised Code, plus 42915
the number of students enrolled in the community school not 42916
counted in the district's transportation ADM who are transported 42917
under division (B)(1) or (2) of this section. 42918

(b) For any fiscal year which the general assembly has 42919
specified that the transportation payments to school districts be 42920
calculated in accordance with section 3317.0212 of the Revised 42921
Code and any rules of the state board of education implementing 42922
that section, the payment to the community school shall be the 42923
amount so calculated that otherwise would be paid to the school 42924
district in which the student is entitled to attend school by the 42925
method of transportation the district would have used. The 42926
community school, however, is not required to use the same method 42927
to transport that student. 42928

(c) Divisions (D)(1)(a) and (b) of this section do not apply 42929
to fiscal years 2012 and 2013. Rather, for each of those fiscal 42930
years, the per pupil payment to a community school for 42931
transporting a student shall be the total amount paid under former 42932
section 3306.12 of the Revised Code for fiscal year 2011 to the 42933
school district in which the child is entitled to attend school 42934
divided by that district's "qualifying ridership," as defined in 42935
that section for fiscal year 2011. 42936

As used in this division "entitled to attend school" means 42937
entitled to attend school under section 3313.64 or 3313.65 of the 42938
Revised Code. 42939

(2) The department shall deduct the payment under division 42940
(D)(1) of this section from the state education aid, as defined in 42941
section 3314.08 of the Revised Code, and, if necessary, the 42942
payment under sections 321.14 and 323.156 of the Revised Code, 42943
that is otherwise paid to the school district in which the student 42944
enrolled in the community school is entitled to attend school. The 42945
department shall include the number of the district's native 42946
students for whom payment is made to a community school under 42947
division (D)(1) of this section in the calculation of the 42948
district's transportation payment under section 3317.0212 of the 42949
Revised Code and the operating appropriations act. 42950

(3) A community school shall be paid under division (D)(1) of 42951
this section only for students who are eligible as specified in 42952
section 3327.01 of the Revised Code and division (C)(1) of this 42953
section, and whose transportation to and from school is actually 42954
provided, who actually utilized transportation arranged, or for 42955
whom a payment in lieu of transportation is made by the community 42956
school's governing authority. To qualify for the payments, the 42957
community school shall report to the department, in the form and 42958
manner required by the department, data on the number of students 42959
transported or whose transportation is arranged, the number of 42960
miles traveled, cost to transport, and any other information 42961
requested by the department. 42962

(4) A community school shall use payments received under this 42963
section solely to pay the costs of providing or arranging for the 42964
transportation of students who are eligible as specified in 42965
section 3327.01 of the Revised Code and division (C)(1) of this 42966
section, which may include payments to a parent, guardian, or 42967
other person in charge of a child in lieu of transportation. 42968

(E) Except when arranged through payment to a parent, guardian, or person in charge of a child, transportation provided or arranged for by a community school pursuant to an agreement under this section is subject to all provisions of the Revised Code, and all rules adopted under the Revised Code, pertaining to the construction, design, equipment, and operation of school buses and other vehicles transporting students to and from school. The drivers and mechanics of the vehicles are subject to all provisions of the Revised Code, and all rules adopted under the Revised Code, pertaining to drivers and mechanics of such vehicles. The community school also shall comply with sections 3313.201, 3327.09, and 3327.10 of the Revised Code, division (B) of section 3327.16 of the Revised Code and, subject to division (C)(1) of this section, ~~sections~~ and section 3327.01 ~~and 3327.02~~ of the Revised Code, as if it were a school district.

Sec. 3314.092. The governing authority or operator of a community school established under this chapter shall consult with each school district board of education that transports students to the community school under sections 3314.09 and 3327.01 of the Revised Code prior to making any change in the hours or days in which the community school is open for instruction.

Sec. 3314.11. (A) The board of education of each city, exempted village, and local school district monthly shall review enrollment for students enrolled in community schools established under this chapter and entitled to attend school in the district under section 3313.64 or 3313.65 of the Revised Code. For each student, the district shall verify to the department of education both of the following:

- (1) The community school in which the student is enrolled;
- (2) That the student is entitled to attend school in the

district under section 3313.64 or 3313.65 of the Revised Code. 42999

(B) For purposes of its initial reporting of the school 43000
districts its students are entitled to attend, the governing 43001
authority of a community school may adopt a policy that prescribes 43002
the number of documents listed in division (E) of this section 43003
required to verify a student's residency. This policy, if adopted, 43004
shall supersede any policy concerning the number of documents for 43005
initial residency verification adopted by the district the student 43006
is entitled to attend. If a community school does not adopt a 43007
policy under this division, the policy of the school district in 43008
which the student is entitled to attend shall prevail. 43009

(C) In making the determinations under this section, the 43010
school district in which a parent or child resides is the location 43011
the parent or student has established as the primary residence and 43012
where substantial family activity takes place. 43013

(D) If a district's determination under division (A) of this 43014
section of the school district a student is entitled to attend 43015
under section 3313.64 or 3313.65 of the Revised Code differs from 43016
a community school's determination under division (B) of this 43017
section, the community school shall provide the school district 43018
that made the determination under division (A) of this section 43019
with documentation of the student's residency and shall make a 43020
good faith effort to accurately identify the correct residence of 43021
the student. 43022

(E) For purposes of this section, the following documents may 43023
serve as evidence of primary residence: 43024

(1) A deed, mortgage, lease, current home owner's or renter's 43025
insurance declaration page, or current real property tax bill; 43026

(2) A utility bill or receipt of utility installation issued 43027
within ninety days of enrollment; 43028

(3) A paycheck or paystub issued to the parent or student 43029

within ninety days of the date of enrollment that includes the 43030
address of the parent's or student's primary residence; 43031

(4) The most current available bank statement issued to the 43032
parent or student that includes the address of the parent's or 43033
student's primary residence; 43034

(5) Any other official document issued to the parent or 43035
student that includes the address of the parent's or student's 43036
primary residence. The superintendent of public instruction shall 43037
develop guidelines for determining what qualifies as an "official 43038
document" under this division. 43039

(F) When a student loses permanent housing and becomes a 43040
homeless child or youth, as defined in 42 U.S.C. 11434a, or when a 43041
child who is such a homeless child or youth changes temporary 43042
living arrangements, the district in which the student is entitled 43043
to attend school shall be determined in accordance with division 43044
(F)(13) of section 3313.64 of the Revised Code and the 43045
"McKinney-Vento Homeless Assistance Act," 42 U.S.C. 11431 et seq. 43046

(G) In the event of a disagreement as to which school 43047
district a student is entitled to attend, the community school, 43048
after complying with division (D) of this section, but not more 43049
than sixty days after the monthly deadline established by the 43050
department of education for reporting of community school 43051
enrollment, may present the matter to the superintendent of public 43052
instruction. Not later than thirty days after the community school 43053
presents the matter, the state superintendent, or the state 43054
superintendent's designee, shall determine which district the 43055
student is entitled to attend and shall direct any necessary 43056
adjustments to payments and deductions under ~~sections~~ section 43057
3314.08 ~~and 3314.13~~ of the Revised Code based on that 43058
determination. 43059

Sec. 3314.26. (A) Each internet- or computer-based community 43060

school shall withdraw from the school any student who, for two 43061
consecutive school years, has failed to participate in the spring 43062
administration of any assessment prescribed under section 43063
3301.0710 or 3301.0712 of the Revised Code for the student's grade 43064
level and was not excused from the assessment pursuant to division 43065
(C)(1) or (3) of section 3301.0711 of the Revised Code, regardless 43066
of whether a waiver was granted for the student under division 43067
~~(P)~~(L)(3) of section 3314.08 of the Revised Code. The school shall 43068
report any such student's data verification code, as assigned 43069
pursuant to section 3301.0714 of the Revised Code, to the 43070
department of education. The department shall maintain a list of 43071
all data verification codes reported under this division and 43072
section 3313.6410 of the Revised Code and provide that list to 43073
each internet- or computer-based community school and to each 43074
school to which section 3313.6410 of the Revised Code applies. 43075

(B) No internet- or computer-based community school shall 43076
receive any state funds under this chapter for any enrolled 43077
student whose data verification code appears on the list 43078
maintained by the department under division (A) of this section. 43079

Notwithstanding any provision of the Revised Code to the 43080
contrary, the parent of any such student shall pay tuition to the 43081
internet- or computer-based community school in an amount equal to 43082
the state funds the school otherwise would receive for that 43083
student, as determined by the department. An internet- or 43084
computer-based community school may withdraw any student for whom 43085
the parent does not pay tuition as required by this division. 43086

Sec. 3315.40. The board of education of a city, local, 43087
exempted village, or joint vocational school district or the 43088
governing board of any educational service center may establish an 43089
education foundation fund. Moneys in the fund shall consist of 43090
proceeds paid into the fund under division (B) of section 3313.36 43091

of the Revised Code. In addition, by resolution adopted by a 43092
majority of its members, a city, local, exempted village, or joint 43093
vocational board may annually direct the school district treasurer 43094
to pay into the education foundation fund an amount from the 43095
school district general fund not to exceed one-half of one per 43096
cent of the total appropriations of the school district as 43097
estimated by the board at the time the resolution is adopted or as 43098
set forth in the annual appropriation measure as most recently 43099
amended or supplemented; and any governing board, by resolution 43100
adopted by a majority of its members, may annually direct the 43101
service center treasurer to pay into the education foundation fund 43102
an amount not to exceed one-half of one per cent of the funds 43103
received by the governing board pursuant to an agreement entered 43104
into under section ~~3317.11~~ 3313.843 or 3313.845 of the Revised 43105
Code. 43106

Income from the investment of moneys in the fund shall be 43107
paid into the fund. A board, by resolution adopted by a majority 43108
of its members, may accept a trust created under section 3315.41 43109
of the Revised Code for the investment of money in the educational 43110
foundation fund and direct the school district or service center 43111
treasurer to pay to the trustee, the initial trust principal 43112
contemplated by the instrument creating the trust. A board that 43113
has accepted a trust created under section 3315.41 of the Revised 43114
Code may do any of the following by resolution adopted by a 43115
majority of its members: direct the school district or service 43116
center treasurer to pay additional amounts to the trust principal, 43117
amend the trust, revoke the trust, or provide for payment of 43118
compensation to the trustee. 43119

Moneys in the fund shall be expended only by resolution 43120
adopted by a majority of the members of the board for operating or 43121
capital costs of any existing or new and innovative program 43122
designed to enhance or promote education within the district or 43123

service center, such as scholarships for students or teachers. 43124

A board of education or governing board may appoint a 43125
committee of administrators to administer the education foundation 43126
fund and to make recommendations for the use of the fund. Members 43127
of the committee shall serve at the discretion of the appointing 43128
board. Members shall receive no compensation, but may be 43129
reimbursed for actual and necessary expenses incurred in the 43130
performance of their official duties. 43131

Sec. 3315.42. Sections 3315.40 and 3315.41 of the Revised 43132
Code do not apply to either of the following: 43133

(A) A school district that has received funds for a project 43134
under Chapter 3318. of the Revised Code, so long as the purchase 43135
price to be paid by the board for the state's interest in the 43136
project has not been paid; 43137

(B) A school district that has an outstanding loan under 43138
section 3313.483 ~~or sections 3317.62 to 3317.64~~ of the Revised 43139
Code. 43140

Sec. 3316.041. (A) Notwithstanding any provision of Chapter 43141
133. or sections 3313.483 to ~~3313.4811~~ 3313.4810 of the Revised 43142
Code, and subject to the approval of the superintendent of public 43143
instruction, a school district that is in a state of fiscal watch 43144
declared under section 3316.03 of the Revised Code may restructure 43145
or refinance loans obtained or in the process of being obtained 43146
under section 3313.483 of the Revised Code if all of the following 43147
requirements are met: 43148

(1) The operating deficit certified for the school district 43149
for the current or preceding fiscal year under section 3313.483 of 43150
the Revised Code exceeds fifteen per cent of the district's 43151
general revenue fund for the fiscal year preceding the year for 43152
which the certification of the operating deficit is made. 43153

(2) The school district voters have, during the period of the fiscal watch, approved the levy of a tax under section 718.09, 718.10, 5705.194, 5705.21, 5748.02, or 5748.09 of the Revised Code that is not a renewal or replacement levy, or a levy under section 5705.199 of the Revised Code, and that will provide new operating revenue.

(3) The board of education of the school district has adopted or amended the financial plan required by section 3316.04 of the Revised Code to reflect the restructured or refinanced loans, and sets forth the means by which the district will bring projected operating revenues and expenditures, and projected debt service obligations, into balance for the life of any such loan.

(B) Subject to the approval of the superintendent of public instruction, the school district may issue securities to evidence the restructuring or refinancing authorized by this section. Such securities may extend the original period for repayment not to exceed ten years, and may alter the frequency and amount of repayments, interest or other financing charges, and other terms or agreements under which the loans were originally contracted, provided the loans received under sections 3313.483 of the Revised Code are repaid from funds the district would otherwise receive under Chapter 3317. of the Revised Code, as required under division (E)(3) of section 3313.483 of the Revised Code. Securities issued for the purpose of restructuring or refinancing under this section shall be repaid in equal payments and at equal intervals over the term of the debt and are not eligible to be included in any subsequent proposal to restructure or refinance.

(C) Unless the district is declared to be in a state of fiscal emergency under division (D) of section 3316.04 of the Revised Code, a school district shall remain in a state of fiscal watch for the duration of the repayment period of any loan restructured or refinanced under this section.

Sec. 3316.06. (A) Within one hundred twenty days after the 43186
first meeting of a school district financial planning and 43187
supervision commission, the commission shall adopt a financial 43188
recovery plan regarding the school district for which the 43189
commission was created. During the formulation of the plan, the 43190
commission shall seek appropriate input from the school district 43191
board and from the community. This plan shall contain the 43192
following: 43193

(1) Actions to be taken to: 43194

(a) Eliminate all fiscal emergency conditions declared to 43195
exist pursuant to division (B) of section 3316.03 of the Revised 43196
Code; 43197

(b) Satisfy any judgments, past-due accounts payable, and all 43198
past-due and payable payroll and fringe benefits; 43199

(c) Eliminate the deficits in all deficit funds, except that 43200
any prior year deficits in the capital and maintenance fund 43201
established pursuant to section 3315.18 of the Revised Code shall 43202
be forgiven; 43203

(d) Restore to special funds any moneys from such funds that 43204
were used for purposes not within the purposes of such funds, or 43205
borrowed from such funds by the purchase of debt obligations of 43206
the school district with the moneys of such funds, or missing from 43207
the special funds and not accounted for, if any; 43208

(e) Balance the budget, avoid future deficits in any funds, 43209
and maintain on a current basis payments of payroll, fringe 43210
benefits, and all accounts; 43211

(f) Avoid any fiscal emergency condition in the future; 43212

(g) Restore the ability of the school district to market 43213
long-term general obligation bonds under provisions of law 43214
applicable to school districts generally. 43215

(2) The management structure that will enable the school district to take the actions enumerated in division (A)(1) of this section. The plan shall specify the level of fiscal and management control that the commission will exercise within the school district during the period of fiscal emergency, and shall enumerate respectively, the powers and duties of the commission and the powers and duties of the school board during that period. The commission may elect to assume any of the powers and duties of the school board it considers necessary, including all powers related to personnel, curriculum, and legal issues in order to successfully implement the actions described in division (A)(1) of this section.

(3) The target dates for the commencement, progress upon, and completion of the actions enumerated in division (A)(1) of this section and a reasonable period of time expected to be required to implement the plan. The commission shall prepare a reasonable time schedule for progress toward and achievement of the requirements for the plan, and the plan shall be consistent with that time schedule.

(4) The amount and purpose of any issue of debt obligations that will be issued, together with assurances that any such debt obligations that will be issued will not exceed debt limits supported by appropriate certifications by the fiscal officer of the school district and the county auditor. Debt obligations issued pursuant to section 133.301 of the Revised Code shall include assurances that such debt shall be in an amount not to exceed the amount certified under division (B) of such section. If the commission considers it necessary in order to maintain or improve educational opportunities of pupils in the school district, the plan may include a proposal to restructure or refinance outstanding debt obligations incurred by the board under section 3313.483 of the Revised Code contingent upon the approval,

during the period of the fiscal emergency, by district voters of a 43248
tax levied under section 718.09, 718.10, 5705.194, 5705.21, 43249
5748.02, 5748.08, or 5748.09 of the Revised Code that is not a 43250
renewal or replacement levy, or a levy under section 5705.199 of 43251
the Revised Code, and that will provide new operating revenue. 43252
Notwithstanding any provision of Chapter 133. or sections 3313.483 43253
to ~~3313.4811~~ 3313.4810 of the Revised Code, following the required 43254
approval of the district voters and with the approval of the 43255
commission, the school district may issue securities to evidence 43256
the restructuring or refinancing. Those securities may extend the 43257
original period for repayment, not to exceed ten years, and may 43258
alter the frequency and amount of repayments, interest or other 43259
financing charges, and other terms of agreements under which the 43260
debt originally was contracted, at the discretion of the 43261
commission, provided that any loans received pursuant to section 43262
3313.483 of the Revised Code shall be paid from funds the district 43263
would otherwise receive under Chapter 3317. of the Revised Code, 43264
as required under division (E)(3) of section 3313.483 of the 43265
Revised Code. The securities issued for the purpose of 43266
restructuring or refinancing the debt shall be repaid in equal 43267
payments and at equal intervals over the term of the debt and are 43268
not eligible to be included in any subsequent proposal for the 43269
purpose of restructuring or refinancing debt under this section. 43270

(5) An evaluation of the feasibility of entering into shared 43271
services agreements with other political subdivisions for the 43272
joint exercise of any power, performance of any function, or 43273
rendering of any service, if so authorized by statute. 43274

(B) Any financial recovery plan may be amended subsequent to 43275
its adoption. Each financial recovery plan shall be updated 43276
annually. 43277

(C) Each school district financial planning and supervision 43278
commission shall submit the financial recovery plan it adopts or 43279

updates under this section to the state superintendent of public 43280
instruction for approval immediately following its adoption or 43281
updating. The state superintendent shall evaluate the plan and 43282
either approve or disapprove it within thirty calendar days from 43283
the date of its submission. If the plan is disapproved, the state 43284
superintendent shall recommend modifications that will render it 43285
acceptable. No financial planning and supervision commission shall 43286
implement a financial recovery plan that is adopted or updated on 43287
or after April 10, 2001, unless the state superintendent has 43288
approved it. 43289

Sec. 3317.01. As used in this section, "school district," 43290
unless otherwise specified, means any city, local, exempted 43291
village, joint vocational, or cooperative education school 43292
district and any educational service center. 43293

This chapter shall be administered by the state board of 43294
education. The superintendent of public instruction shall 43295
calculate the amounts payable to each school district and shall 43296
certify the amounts payable to each eligible district to the 43297
treasurer of the district as provided by this chapter. As soon as 43298
possible after such amounts are calculated, the superintendent 43299
shall certify to the treasurer of each school district the 43300
district's adjusted charge-off increase, as defined in section 43301
5705.211 of the Revised Code. Certification of moneys pursuant to 43302
this section shall include the amounts payable to each school 43303
building, at a frequency determined by the superintendent, for 43304
each subgroup of students, as defined in section 3317.40 of the 43305
Revised Code, receiving services, provided for by state funding, 43306
from the district or school. No moneys shall be distributed 43307
pursuant to this chapter without the approval of the controlling 43308
board. 43309

The state board of education shall, in accordance with 43310

appropriations made by the general assembly, meet the financial 43311
obligations of this chapter. 43312

Moneys distributed pursuant to this chapter shall be 43313
calculated based on the annualized average of the monthly 43314
certifications required under section 3317.03 of the Revised Code 43315
and paid on a fiscal year basis, beginning with the first day of 43316
July and extending through the thirtieth day of June. The moneys 43317
appropriated for each fiscal year shall be distributed 43318
periodically to each school district unless otherwise provided 43319
for. The state board, in June of each year, shall submit to the 43320
controlling board the state board's year-end distributions 43321
pursuant to this chapter. 43322

Except as otherwise provided, payments under this chapter 43323
shall be made only to those school districts in which: 43324

(A) The school district, except for any educational service 43325
center and any joint vocational or cooperative education school 43326
district, levies for current operating expenses at least twenty 43327
mills. Levies for joint vocational or cooperative education school 43328
districts or county school financing districts, limited to or to 43329
the extent apportioned to current expenses, shall be included in 43330
this qualification requirement. School district income tax levies 43331
under Chapter 5748. of the Revised Code, limited to or to the 43332
extent apportioned to current operating expenses, shall be 43333
included in this qualification requirement to the extent 43334
determined by the tax commissioner under division (D) of section 43335
3317.021 of the Revised Code. 43336

(B) The school year next preceding the fiscal year for which 43337
such payments are authorized meets the requirement of section 43338
3313.48 ~~or 3313.481~~ of the Revised Code, with regard to the 43339
minimum number of ~~days~~ or hours school must be open for 43340
instruction with pupils in attendance, for individualized 43341
parent-teacher conference and reporting periods, and for 43342

~~professional meetings of teachers. This requirement shall be 43343
waived by the superintendent of public instruction if it had been 43344
necessary for a school to be closed because of disease epidemic, 43345
hazardous weather conditions, law enforcement emergencies, 43346
inoperability of school buses or other equipment necessary to the 43347
school's operation, damage to a school building, or other 43348
temporary circumstances due to utility failure rendering the 43349
school building unfit for school use, provided that for those 43350
school districts operating pursuant to section 3313.48 of the 43351
Revised Code the number of days the school was actually open for 43352
instruction with pupils in attendance and for individualized 43353

~~district's rider density in comparison to the rider density of all~~ 44346
~~other districts. The department shall post on the department's web~~ 44347

(3) Compute the statewide wealth per pupil, which equals the 44522
following sum: 44523

(a) One-half times the quotient of (i) the sum of the 44524
three-year average valuations for all school districts divided by 44525
(ii) the sum of formula ADM counts for all schools districts; plus 44526

(b) One-half times the quotient of (i) the sum of the 44527
three-year average total federal adjusted gross incomes for all 44528
school districts divided by (ii) the sum of formula ADM counts for 44529
all school districts. 44530

(4) Compute each district's wealth index by dividing the 44531
statewide wealth per pupil by the district's local wealth per 44532
pupil. 44533

(5) Compute the per pupil targeted assistance for each 44534
eligible school district in accordance with the following formula: 44535

(Threshold local wealth per pupil - the district's local wealth 44536
per pupil) 44537

X target millage X the district's wealth index 44538

Where: 44539

(a) An "eligible school district" means a school district 44540
with a local wealth per pupil less than that of the school 44541
district with the 490th lowest local wealth per pupil. 44542

(b) "Threshold local wealth per pupil" means the local wealth 44543

per pupil of the school district with the 490th lowest local 44544
wealth per pupil. 44545

(c) "Target millage" means 0.006. 44546

If the result of the calculation for a school district under 44547
division (A)(5) of this section is less than zero, the district's 44548
targeted assistance shall be zero. 44549

(6) Calculate the aggregate amount to be paid as targeted 44550
assistance funds to each school district under division (A) of 44551
section 3317.022 of the Revised Code by multiplying the per pupil 44552
targeted assistance computed under division (A)(5) of this section 44553
by the district's net formula ADM. 44554

As used in this division, a district's "net formula ADM" 44555
means its formula ADM minus both the number of internet- and 44556
computer-based community school students reported under division 44557
(B)(3)(e) of section 3317.03 of the Revised Code and scholarship 44558
students reported under divisions (B)(3)(f) and (g) of that 44559
section. 44560

(B) The department shall annually compute supplemental 44561

quotient of (a) the three-year average tax valuation of real 44564
property in the district that is classified as agricultural 44565
property divided by (b) the three-year average tax valuation of 44566
all of the real property in the district. For purposes of this 44567
computation, a district's "three-year average tax valuation" means 44568
the average of a district's tax valuation for fiscal years 2012, 44569
2013, and 2014. 44570

(2) Determine each district's agricultural targeted 44571
percentage as follows: 44572

(a) If a district's agricultural percentage is greater than 44573

or equal to 0.10, then the district's agricultural targeted 44574
percentage shall be equal to 0.40. 44575

(b) If a district's agricultural percentage is less than 44576
0.10, then the district's agricultural targeted percentage shall 44577
be equal to 4 X the district's agricultural percentage. 44578

(3) Calculate the aggregate amount to be paid as supplemental 44579
targeted assistance funds to each school district under division 44580
(A) of section 3317.022 of the Revised Code by multiplying the 44581
district's agricultural targeted percentage by the amount 44582
calculated for the district under division (A)(6) of this section. 44583

If, however, any veteran described by division (E)(4) of this 45083
section elects to enroll in special courses organized for veterans 45084
for whom tuition is paid under the provisions of federal laws, or 45085
otherwise, that veteran shall not be included in average daily 45086
membership. 45087

Notwithstanding division (E)(3) of this section, the 45088
membership of any school may include a pupil who did not take an 45089

is actually open for instruction during the week for which the 45102
average daily membership is being certified by the total number of 45103

days the school was actually open for instruction during that 45104
week. For purposes of state funding, "enrolled" persons are only 45105
those pupils who are attending school, those who have attended 45106
school during the current school year and are absent for 45107

The average daily membership figure of any cooperative 45110

rules adopted by the state board of education. 45112

~~(F)(1) If the formula ADM for the first full school week in 45113

vocational school district or educational service center shall 45117
certify such increase to the superintendent of public instruction. 45118
Such certification shall be submitted no later than the fifteenth 45119

instruction shall use the increased formula ADM in calculating or 45122
recalculating the amounts to be allocated in accordance with 45123
section 3317.022 or 3317.16 of the Revised Code. In no event shall 45124
the superintendent use an increased membership certified to the 45125

Revised Code exceeds the number of units that have been approved 45131
for the year under that division, the superintendent of schools of 45132
any city, exempted village, or cooperative education school 45133
district or educational service center shall make the 45134
certifications required by this section for that day. If the 45135~~

~~department determines additional units can be approved for the 45136
fiscal year within any limitations set forth in the acts 45137
appropriating moneys for the funding of such units, the department 45138
shall approve additional units for the fiscal year on the basis of 45139

section, and shall recalculate the school district's payments 45153
under this chapter for the entire fiscal year on the basis of that 45154
adjusted formula ADM. This requirement applies regardless of 45155
whether the student was enrolled, as defined in division (E) of 45156
this section, in the community school, the science, technology, 45157
engineering, and mathematics school, or the college-preparatory 45158

the formula ADM of that school district to include the student to 45165
the extent necessary to account for the deduction, and shall 45166
recalculate the school district's payments under this chapter for 45167~~

the entire fiscal year on the basis of that adjusted formula ADM. 45168

Revised Code, the department shall adjust the formula ADM of that 45178
school district to include the student to the extent necessary to 45179
account for the deduction, and shall recalculate the school 45180
district's payments under this chapter for the entire fiscal year 45181

applies regardless of whether the student was enrolled, as defined 45183
in division (E) of this section, in an alternative public 45184
provider, a registered private provider, or the school district 45185
during the ~~week~~ weeks for which the formula ADM is being 45186

subsequently determines that the remittal of moneys leaves the 45621
board with insufficient money to pay all valid expenses incurred 45622
under this section during the biennium for which the remitted 45623
money was appropriated, the board may apply to the department of 45624
education for a refund of money, not to exceed the amount of the 45625
insufficiency. If the department determines the expenses were 45626

state funds under this section. However, a district need not label 45636
materials, equipment, computer hardware or software, textbooks, or 45637

5748.03, 5748.08, or 5748.09 of the Revised Code that are 45656
disbursed to the district during the fiscal year, excluding any 45657
income tax receipts allocated for the project cost, debt service, 45658
or maintenance set-aside associated with a state-assisted 45659
classroom facilities project as authorized by section 3318.052 of 45660
the Revised Code. On or before the first day of June of each year, 45661
the tax commissioner shall certify the amount to be used in the 45662
calculation under this division for the next fiscal year to the 45663
department of education and the office of budget and management 45664
for each city, local, and exempted village school district that 45665
levies a school district income tax. 45666

(B) For any preschool child with a disability ~~not included in~~ 45667
~~a unit approved under division (B) of section 3317.05 of the~~ 45668

~~Revised Code~~, an amount computed for the school year as follows: 45669

of service to all preschool children with disabilities ~~not~~ 45673
~~included in units approved under division (B) of section 3317.05~~ 45674

(3) For each type of special education service for which 45680
operating expenses are determined under division (B)(1) of this 45681
section, divide the difference between the amount determined under 45682
division (B)(1) of this section and the amount determined under 45683
division (B)(2) of this section by the total number of preschool 45684
children with disabilities ~~not included in units approved under~~ 45685
~~division (B) of section 3317.05 of the Revised Code~~ who received 45686
that type of service; 45687

(4) Determine the sum of the quotients obtained under 45688
division (B)(3) of this section for all types of special education 45689
services provided to the child for whom tuition is being 45690
calculated. 45691

The state board of education shall adopt rules defining the 45692
types of special education services and specifying the operating 45693
expenses to be used in the computation under this section. 45694

If any child for whom a tuition charge is computed under this 45695
section for any school year is enrolled in a district for only 45696
part of that school year, the amount of the district's tuition 45697
charge for the child for the school year shall be computed in 45698
proportion to the number of school days the child is enrolled in 45699

the district during the school year. 45700

Except as otherwise provided in division (J) of section 45701
3313.64 of the Revised Code, whenever a district admits a child to 45702
its schools for whom tuition computed in accordance with this 45703
section is an obligation of another school district, the amount of 45704
the tuition shall be certified by the treasurer of the board of 45705
education of the district of attendance, to the board of education 45706
of the district required to pay tuition for its approval and 45707
payment. If agreement as to the amount payable or the district 45708
required to pay the tuition cannot be reached, or the board of 45709
education of the district required to pay the tuition refuses to 45710
pay that amount, the board of education of the district of 45711
attendance shall notify the superintendent of public instruction. 45712
The superintendent shall determine the correct amount and the 45713
district required to pay the tuition and shall deduct that amount, 45714
if any, under division (D) of section 3317.023 of the Revised 45715
Code, from the district required to pay the tuition and add that 45716
amount to the amount allocated to the district attended under such 45717
division. The superintendent of public instruction shall send to 45718
the district required to pay the tuition an itemized statement 45719
showing such deductions at the time of such deduction. 45720

When a political subdivision owns and operates an airport, 45721
welfare, or correctional institution or other project or facility 45722
outside its corporate limits, the territory within which the 45723
facility is located is exempt from taxation by the school district 45724
within which such territory is located, and there are school age 45725
children residing within such territory, the political subdivision 45726
owning such tax exempt territory shall pay tuition to the district 45727
in which such children attend school. The tuition for these 45728

it relates to the withholding and depositing of payments under 46185
Chapter 3317. of the Revised Code to secure payment of debt 46186

the amount of net bonded indebtedness for the purpose of fixing 46583
the amount of an issue of either bonds or bond anticipation notes, 46584
gross indebtedness shall be reduced by moneys in the bond 46585
retirement fund only to the extent of the moneys therein on the 46586
first day of the year preceding the year in which the controlling 46587
board approved the project. Should there be a decrease in the tax 46588
valuation of the school district so that the amount of 46589
indebtedness that can be incurred on the tax duplicates for the 46590
year in which the controlling board approved the project is less 46591
than the amount of the first installment of bond anticipation 46592
notes, there shall be paid from the school district's project 46593
construction fund to the school district's bond retirement fund to 46594

be applied against such notes an amount sufficient to cause the net bonded indebtedness of the school district, as of the first day of the year following the year in which the controlling board approved the project, to be within five thousand dollars of the required level of indebtedness for the year in which the controlling board approved the project. The maximum amount of indebtedness to be incurred by any school district board as its share of the cost of the project is either an amount that will cause its net bonded indebtedness, as of the first day of the year following the year in which the controlling board approved the project, to be within five thousand dollars of the required level of indebtedness, or an amount equal to the required percentage of the basic project costs, whichever is greater. All bonds and bond anticipation notes shall be issued in accordance with Chapter 133. of the Revised Code, and notes may be renewed as provided in section 133.22 of the Revised Code.

(B) The transfer of such funds of the school district board available for the project, together with the proceeds of the sale of the bonds or notes, except premium, accrued interest, and interest included in the amount of the issue, to the school district's project construction fund;

(C) For all school districts except joint vocational school districts that receive assistance under sections 3318.40 to 3318.45 of the Revised Code, the following provisions as applicable:

part of the service charges on bonds issued to pay the school 46627
district portion of the project and an amount equivalent to all or 46628
part of the tax required under division (B) of section 3318.05 of 46629

payment of maintenance costs, as specified in division (B) of 46634
section 3318.05 of the Revised Code; 46635

continuing tax for general permanent improvements under section 46637
5705.21 of the Revised Code and that tax can be used for 46638

tax for maintenance of classroom facilities as specified in 46640
division (B) of section 3318.05 of the Revised Code; 46641

(c) If, in lieu of the tax otherwise required under division 46642
(B) of section 3318.05 of the Revised Code, the commission has 46643
approved the transfer of money to the maintenance fund in 46644
accordance with section 3318.051 of the Revised Code, a 46645
requirement that the district board comply with the provisions of 46646
that section. The district board may rescind the provision 46647
prescribed under division (C)(2)(c) of this section only so long 46648
as the electors of the district have approved, in accordance with 46649
section 3318.063 of the Revised Code, the levy of a tax for the 46650
maintenance of the classroom facilities acquired under the 46651
district's project and that levy continues to be collected as 46652
approved by the electors. 46653

(D) For joint vocational school districts that receive 46654
assistance under sections 3318.40 to 3318.45 of the Revised Code, 46655

for under section 3318.084 of the Revised Code, including a 46660
schedule for depositing such moneys applied as an offset of the 46661
district's obligation to levy the tax described in division (B) of 46662
section 3318.05 of the Revised Code as required under division 46663
(D)(2) of section 3318.084 of the Revised Code; 46664

(F) Ownership of or interest in the project during the period 46665
of construction, which shall be divided between the commission and 46666
the school district board in proportion to their respective 46667
contributions to the school district's project construction fund; 46668

(G) Maintenance of the state's interest in the project until 46669
any obligations issued for the project under section 3318.26 of 46670
the Revised Code are no longer outstanding; 46671

(H) The insurance of the project by the school district from 46672
the time there is an insurable interest therein and so long as the 46673
state retains any ownership or interest in the project pursuant to 46674
division (F) of this section, in such amounts and against such 46675
risks as the commission shall require; provided, that the cost of 46676
any required insurance until the project is completed shall be a 46677
part of the basic project cost; 46678

(I) The certification by the director of budget and 46679
management that funds are available and have been set aside to 46680
meet the state's share of the basic project cost as approved by 46681
the controlling board pursuant to either section 3318.04 or 46682

(K) Provisions for the disbursement of moneys from the school 46688

district's project account upon issuance by the commission or the 46689
commission's designated representative of vouchers for work done 46690
to be certified to the commission by the treasurer of the school 46691
district board; 46692

(L) Disposal of any balance left in the school district's 46693
project construction fund upon completion of the project; 46694

(M) Limitations upon use of the project or any part of it so 46695
long as any obligations issued to finance the project under 46696
section 3318.26 of the Revised Code are outstanding; 46697

(N) Provision for vesting the state's interest in the project 46698
to the school district board when the obligations issued to 46699

project cost, including the respective shares of the cost of a 46716
segment if the project is divided into segments, be spent on the 46717
construction and acquisition of the project or segment 46718
simultaneously in proportion to the state's and the school 46719

district's respective shares of that basic project cost as 46720
determined under section 3318.032 of the Revised Code or, if the 46721
district is a joint vocational school district, under section 46722
3318.42 of the Revised Code. However, if the school district 46723
certifies to the commission that expenditure by the school 46724
district is necessary to maintain the federal tax status or 46725
tax-exempt status of notes or bonds issued by the school district 46726
to pay for its share of the project cost or to comply with 46727
applicable temporary investment periods or spending exceptions to 46728
rebate as provided for under federal law in regard to those notes 46729
or bonds, the school district may commit to spend, or spend, a 46730

(S) A provision stipulating that the commission may prohibit 46733
the district from proceeding with any project if the commission 46734
determines that the site is not suitable for construction 46735
purposes. The commission may perform soil tests in its 46736
determination of whether a site is appropriate for construction 46737
purposes. 46738

(T) A provision stipulating that, unless otherwise authorized 46739
by the commission, any contingency reserve portion of the 46740
construction budget prescribed by the commission shall be used 46741
only to pay costs resulting from unforeseen job conditions, to 46742
comply with rulings regarding building and other codes, to pay 46743
costs related to design clarifications or corrections to contract 46744
documents, and to pay the costs of settlements or judgments 46745
related to the project as provided under section 3318.086 of the 46746
Revised Code; 46747

district's project; 46760

(W) A requirement for the school district to adhere to a 46761
facilities maintenance plan approved by the commission. 46762

Sec. 3318.31. (A) The Ohio school facilities commission may 46763

agreements, and execute all instruments, necessary or incidental 46781

the executive director or the Ohio facilities construction 46784
commission to perform such powers and duties. 46785

(5) Request the Ohio facilities construction commission to 46786
debar a contractor as provided in section 153.02 of the Revised 46787
Code. 46788

(B) ~~The Ohio school facilities commission shall appoint and~~ 46789
~~fix the compensation of an~~ executive director who of the Ohio 46790

(C) The attorney general shall serve as the legal 46809
representative for the Ohio school facilities commission and may 46810
appoint other counsel as necessary for that purpose in accordance 46811
with section 109.07 of the Revised Code. 46812

Sec. 3318.36. (A)(1) As used in this section: 46813

(a) "Ohio school facilities commission," "classroom 46814
facilities," "school district," "school district board," "net 46815
bonded indebtedness," "required percentage of the basic project 46816
costs," "basic project cost," "valuation," and "percentile" have 46817
the same meanings as in section 3318.01 of the Revised Code. 46818

(b) "Required level of indebtedness" means five per cent of 46819
the school district's valuation for the year preceding the year in 46820
which the commission and school district enter into an agreement 46821
under division (B) of this section, plus [two one-hundredths of 46822
one per cent multiplied by (the percentile in which the district 46823
ranks minus one)]. 46824

(c) "Local resources" means any moneys generated in any 46825
manner permitted for a school district board to raise the school 46826
district portion of a project undertaken with assistance under 46827
sections 3318.01 to 3318.20 of the Revised Code. 46828

(d) "Tangible personal property phase-out impacted district" 46829
means a school district for which the taxable value of its 46830
tangible personal property certified under division (A)(2) of 46831
section 3317.021 of the Revised Code for tax year 2005, excluding 46832
the taxable value of public utility personal property, made up 46833
eighteen per cent or more of its total taxable value for tax year 46834
2005 as certified under that section. 46835

(2) For purposes of determining the required level of 46836
indebtedness, the required percentage of the basic project costs 46837
under division (C)(1) of this section, and priority for assistance 46838
under sections 3318.01 to 3318.20 of the Revised Code, the 46839
percentile ranking of a school district with which the commission 46840
has entered into an agreement under this section between the first 46841
day of July and the thirty-first day of August in each fiscal year 46842
is the percentile ranking calculated for that district for the 46843

immediately preceding fiscal year, and the percentile ranking of a 46844
school district with which the commission has entered into such 46845
agreement between the first day of September and the thirtieth day 46846
of June in each fiscal year is the percentile ranking calculated 46847
for that district for the current fiscal year. However, in the 46848
case of a tangible personal property phase-out impacted district, 46849
the district's priority for assistance under sections 3318.01 to 46850
3318.20 of the Revised Code and its portion of the basic project 46851
cost under those sections shall be determined in the manner 46852
prescribed, respectively, in divisions (B)(3)(b) and (E)(1)(b) of 46853
this section. 46854

(B)(1) There is hereby established the school building 46855
assistance expedited local partnership program. Under the program, 46856
the Ohio school facilities commission may enter into an agreement 46857
with the board of any school district under which the board may 46858
proceed with the new construction or major repairs of a part of 46859
the district's classroom facilities needs, as determined under 46860
sections 3318.01 to 3318.20 of the Revised Code, through the 46861
expenditure of local resources prior to the school district's 46862
eligibility for state assistance under those sections, and may 46863
apply that expenditure toward meeting the school district's 46864
portion of the basic project cost of the total of the district's 46865
classroom facilities needs, as recalculated under division (E) of 46866
this section, when the district becomes eligible for state 46867
assistance under sections 3318.01 to 3318.20 or section 3318.364 46868
of the Revised Code. Any school district that is reasonably 46869
expected to receive assistance under sections 3318.01 to 3318.20 46870
of the Revised Code within two fiscal years from the date the 46871
school district adopts its resolution under division (B) of this 46872
section shall not be eligible to participate in the program 46873
established under this section. 46874

(2) To participate in the program, a school district board 46875

shall first adopt a resolution certifying to the commission the board's intent to participate in the program.

The resolution shall specify the approximate date that the board intends to seek elector approval of any bond or tax measures or to apply other local resources to use to pay the cost of classroom facilities to be constructed under this section. The resolution may specify the application of local resources or elector-approved bond or tax measures after the resolution is adopted by the board, and in such case the board may proceed with a discrete portion of its project under this section as soon as the commission and the controlling board have approved the basic project cost of the district's classroom facilities needs as specified in division (D) of this section. The board shall submit its resolution to the commission not later than ten days after the date the resolution is adopted by the board.

The commission shall not consider any resolution that is submitted pursuant to division (B)(2) of this section, as amended by this amendment, sooner than September 14, 2000.

(3) For purposes of determining when a district that enters into an agreement under this section becomes eligible for assistance under sections 3318.01 to 3318.20 of the Revised Code or priority for assistance under section 3318.364 of the Revised Code, the commission shall use one of the following as applicable:

(a) Except for a tangible personal property phase-out impacted district, the district's percentile ranking determined at the time the district entered into the agreement under this section, as prescribed by division (A)(2) of this section;

(b) For a tangible personal property phase-out impacted district, the lesser of (i) the district's percentile ranking determined at the time the district entered into the agreement under this section, as prescribed by division (A)(2) of this

section, or (ii) the district's current percentile ranking under 46907
section 3318.011 of the Revised Code. 46908

(4) Any project under this section shall comply with section 46909
3318.03 of the Revised Code and with any specifications for plans 46910
and materials for classroom facilities adopted by the commission 46911
under section 3318.04 of the Revised Code. 46912

(5) If a school district that enters into an agreement under 46913
this section has not begun a project applying local resources as 46914
provided for under that agreement at the time the district is 46915
notified by the commission that it is eligible to receive state 46916
assistance under sections 3318.01 to 3318.20 of the Revised Code, 46917
all assessment and agreement documents entered into under this 46918
section are void. 46919

(6) Only construction of or repairs to classroom facilities 46920
that have been approved by the commission and have been therefore 46921
included as part of a district's basic project cost qualify for 46922
application of local resources under this section. 46923

(C) Based on the results of on-site visits and assessment, 46924
the commission shall determine the basic project cost of the 46925
school district's classroom facilities needs. The commission shall 46926
determine the school district's portion of such basic project 46927
cost, which shall be the greater of: 46928

(1) The required percentage of the basic project costs, 46929
determined based on the school district's percentile ranking; 46930

(2) An amount necessary to raise the school district's net 46931
bonded indebtedness, as of the fiscal year the commission and the 46932
school district enter into the agreement under division (B) of 46933
this section, to within five thousand dollars of the required 46934
level of indebtedness. 46935

(D)(1) When the commission determines the basic project cost 46936
of the classroom facilities needs of a school district and the 46937

school district's portion of that basic project cost under 46938
division (C) of this section, the project shall be conditionally 46939
approved. Such conditional approval shall be submitted to the 46940
controlling board for approval thereof. The controlling board 46941
shall forthwith approve or reject the commission's determination, 46942
conditional approval, and the amount of the state's portion of the 46943
basic project cost; however, no state funds shall be encumbered 46944
under this section. Upon approval by the controlling board, the 46945
school district board may identify a discrete part of its 46946
classroom facilities needs, which shall include only new 46947
construction of or additions or major repairs to a particular 46948
building, to address with local resources. Upon identifying a part 46949
of the school district's basic project cost to address with local 46950
resources, the school district board may allocate any available 46951
school district moneys to pay the cost of that identified part, 46952
including the proceeds of an issuance of bonds if approved by the 46953
electors of the school district. 46954

All local resources utilized under this division shall first 46955
be deposited in the project construction account required under 46956
section 3318.08 of the Revised Code. 46957

(2) Unless the school district board exercises its option 46958
under division (D)(3) of this section, for a school district to 46959
qualify for participation in the program authorized under this 46960
section, one of the following conditions shall be satisfied: 46961

(a) The electors of the school district by a majority vote 46962
shall approve the levy of taxes outside the ten-mill limitation 46963
for a period of twenty-three years at the rate of not less than 46964
one-half mill for each dollar of valuation to be used to pay the 46965
cost of maintaining the classroom facilities included in the basic 46966
project cost as determined by the commission. The form of the 46967
ballot to be used to submit the question whether to approve the 46968
tax required under this division to the electors of the school 46969

district shall be the form for an additional levy of taxes 46970
prescribed in section 3318.361 of the Revised Code, which may be 46971
combined in a single ballot question with the questions prescribed 46972
under section 5705.218 of the Revised Code. 46973

(b) As authorized under division (C) of section 3318.05 of 46974
the Revised Code, the school district board shall earmark from the 46975
proceeds of a permanent improvement tax levied under section 46976
5705.21 of the Revised Code, an amount equivalent to the 46977
additional tax otherwise required under division (D)(2)(a) of this 46978
section for the maintenance of the classroom facilities included 46979
in the basic project cost as determined by the commission. 46980

(c) As authorized under section 3318.051 of the Revised Code, 46981
the school district board shall, if approved by the commission, 46982
annually transfer into the maintenance fund required under section 46983
3318.05 of the Revised Code the amount prescribed in section 46984
3318.051 of the Revised Code in lieu of the tax otherwise required 46985
under division (D)(2)(a) of this section for the maintenance of 46986
the classroom facilities included in the basic project cost as 46987
determined by the commission. 46988

(d) If the school district board has rescinded the agreement 46989
to make transfers under section 3318.051 of the Revised Code, as 46990
provided under division (F) of that section, the electors of the 46991
school district, in accordance with section 3318.063 of the 46992
Revised Code, first shall approve the levy of taxes outside the 46993
ten-mill limitation for the period specified in that section at a 46994
rate of not less than one-half mill for each dollar of valuation. 46995

(e) The school district board shall apply the proceeds of a 46996
tax to leverage bonds as authorized under section 3318.052 of the 46997
Revised Code or dedicate a local donated contribution in the 46998
manner described in division (B) of section 3318.084 of the 46999
Revised Code in an amount equivalent to the additional tax 47000
otherwise required under division (D)(2)(a) of this section for 47001

the maintenance of the classroom facilities included in the basic 47002
project cost as determined by the commission. 47003

(3) A school district board may opt to delay taking any of 47004
the actions described in division (D)(2) of this section until the 47005
school district becomes eligible for state assistance under 47006
sections 3318.01 to 3318.20 of the Revised Code. In order to 47007
exercise this option, the board shall certify to the commission a 47008
resolution indicating the board's intent to do so prior to 47009
entering into an agreement under division (B) of this section. 47010

(4) If pursuant to division (D)(3) of this section a district 47011
board opts to delay levying an additional tax until the district 47012
becomes eligible for state assistance, it shall submit the 47013
question of levying that tax to the district electors as follows: 47014

(a) In accordance with section 3318.06 of the Revised Code if 47015
it will also be necessary pursuant to division (E) of this section 47016
to submit a proposal for approval of a bond issue; 47017

(b) In accordance with section 3318.361 of the Revised Code 47018
if it is not necessary to also submit a proposal for approval of a 47019
bond issue pursuant to division (E) of this section. 47020

(5) No state assistance under sections 3318.01 to 3318.20 of 47021
the Revised Code shall be released until a school district board 47022
that adopts and certifies a resolution under division (D) of this 47023
section also demonstrates to the satisfaction of the commission 47024
compliance with the provisions of division (D)(2) of this section. 47025

Any amount required for maintenance under division (D)(2) of 47026
this section shall be deposited into a separate fund as specified 47027
in division (B) of section 3318.05 of the Revised Code. 47028

(E)(1) If the school district becomes eligible for state 47029
assistance under sections 3318.01 to 3318.20 of the Revised Code 47030
based on its percentile ranking under division (B)(3) of this 47031
section or is offered assistance under section 3318.364 of the 47032

Revised Code, the commission shall conduct a new assessment of the school district's classroom facilities needs and shall recalculate the basic project cost based on this new assessment. The basic project cost recalculated under this division shall include the amount of expenditures made by the school district board under division (D)(1) of this section. The commission shall then recalculate the school district's portion of the new basic project cost, which shall be one of the following as applicable:

(a) Except for a tangible personal property phase-out impacted district, the percentage of the original basic project cost assigned to the school district as its portion under division (C) of this section;

(b) For a tangible personal property phase-out impacted district, the lesser of (i) the percentage of the original basic project cost assigned to the school district as its portion under division (C) of this section, or (ii) the percentage of the new basic project cost determined under section 3318.032 of the Revised Code using the district's current percentile ranking under section 3318.011 of the Revised Code. The

The commission shall deduct the expenditure of school district moneys made under division (D)(1) of this section from the school district's portion of the basic project cost as recalculated under this division. If the amount of school district resources applied by the school district board to the school district's portion of the basic project cost under this section is less than the total amount of such portion as recalculated under this division, the school district board by a majority vote of all of its members shall, if it desires to seek state assistance under sections 3318.01 to 3318.20 of the Revised Code, adopt a resolution as specified in section 3318.06 of the Revised Code to submit to the electors of the school district the question of approval of a bond issue in order to pay any additional amount of

school district portion required for state assistance. Any tax 47065
levy approved under division (D) of this section satisfies the 47066
requirements to levy the additional tax under section 3318.06 of 47067
the Revised Code. 47068

(2) If the amount of school district resources applied by the 47069
school district board to the school district's portion of the 47070
basic project cost under this section is more than the total 47071
amount of such portion as recalculated under ~~this~~ division (E)(1) 47072
of this section, within one year after the school district's 47073
portion is so recalculated ~~under division (E)(1) of this section~~ 47074
the commission may grant to the school district the difference 47075
between the two calculated portions, but at no time shall the 47076
commission expend any state funds on a project in an amount 47077
greater than the state's portion of the basic project cost as 47078
recalculated under ~~this~~ division (E)(1) of this section. 47079

Any reimbursement under this division shall be only for local 47080
resources the school district has applied toward construction cost 47081
expenditures for the classroom facilities approved by the 47082
commission, which shall not include any financing costs associated 47083
with that construction. 47084

The school district board shall use any moneys reimbursed to 47085
the district under this division to pay off any debt service the 47086
district owes for classroom facilities constructed under its 47087
project under this section before such moneys are applied to any 47088
other purpose. However, the district board first may deposit 47089
moneys reimbursed under this division into the district's general 47090
fund or a permanent improvement fund to replace local resources 47091
the district withdrew from those funds, as long as, and to the 47092
extent that, those local resources were used by the district for 47093
constructing classroom facilities included in the district's basic 47094
project cost. 47095

(3) A tangible personal property phase-out impacted district 47096

shall receive credit under division (E) of this section for the 47097
expenditure of local resources pursuant to any prior agreement 47098
authorized by this section, notwithstanding any recalculation of 47099
its average taxable value. 47100

Sec. 3318.363. (A) This section applies beginning in fiscal 47101
year 2003 and only to a school district participating in the 47102
school building assistance expedited local partnership program 47103
under section 3318.36 of the Revised Code. 47104

(B) If there is a decrease in the tax valuation of a school 47105
district to which this section applies by ten per cent or greater 47106
from one tax year to the next due to a decrease in the assessment 47107
rate of the taxable property of an electric company that owns 47108
property in the district, as provided for in section 5727.111 of 47109
the Revised Code as amended by Am. Sub. S.B. 3 of the 123rd 47110
General Assembly, the Ohio school facilities commission shall 47111
calculate or recalculate the state and school district portions of 47112
the basic project cost of the school district's project by 47113
determining the percentile rank in which the district would be 47114
located if such ranking were made using the adjusted valuation per 47115
pupil calculated under division (C) of this section rather than 47116
the three-year average adjusted valuation per pupil, calculated 47117
under division (B) of section 3318.011 of the Revised Code. For 47118
such district, the required percentage of the basic project cost 47119
used to determine the state and school district shares of that 47120
cost under division (C) of section 3318.36 of the Revised Code 47121
shall be based on the percentile rank as calculated under this 47122
section rather than as otherwise provided in division (C)(1) of 47123
section 3318.36 of the Revised Code. If the commission has 47124
determined the state and school district portion of the basic 47125
project cost of such a district's project under section 3318.36 of 47126
the Revised Code prior to that decrease in tax valuation, the 47127
commission shall adjust the state and school district shares of 47128

the basic project cost of such project in accordance with this 47129
section. 47130

(C)(1) As used in divisions (C) and (D) of this section, 47131
"total taxable value₇" and "formula ADM₇" ~~and "income factor"~~ have 47132
the same meanings as in section 3317.02 of the Revised Code, and 47133
"income factor" has the same meaning as in section 3318.011 of the 47134
Revised Code. 47135

(2) The adjusted valuation per pupil for a school district to 47136
which this section applies shall be calculated using the following 47137
formula: 47138

(The district's total taxable value for the tax year 47139
preceding the calendar year in which the current fiscal year 47140
begins / the district's formula ADM for the previous fiscal year) 47141
- [\$30,000 x (1 - the district's income factor)]. 47142

(D) At the request of the Ohio school facilities commission, 47143
the department of education shall report a district's total 47144
taxable value for the tax year preceding the calendar year in 47145
which the current fiscal year begins for any district to which 47146
this section applies as that information has been certified to the 47147
department by the tax commissioner pursuant to section 3317.021 of 47148
the Revised Code. 47149

Sec. 3319.031. Notwithstanding any provision of the Revised 47150
Code to the contrary, if the board of education of a city, local, 47151
or exempted village school district does not appoint a business 47152
manager under section 3319.03 of the Revised Code, the board may 47153
assign powers and duties specified in section 3319.04 of the 47154
Revised Code to one or more employees or officers of the board, 47155
including the treasurer, and may give the employees or officers 47156
any title recognizing the assignment of the powers and duties. The 47157
prohibition, in section 3319.04 of the Revised Code, against a 47158
business manager having possession of moneys does not prevent a 47159

board from assigning powers and duties specified in that section 47160
to the treasurer and does not prevent a treasurer who is assigned 47161
those powers and duties from exercising the powers and duties of 47162
treasurer. If the board assigns the duties of a business manager 47163
under section 3319.04 of the Revised Code to the treasurer, the 47164
treasurer shall not have the authority to make recommendations to 47165
appoint or discharge noneducational employees, except as provided 47166
under section 3313.31 of the Revised Code. Instead, the district 47167
superintendent shall be responsible for making recommendations, 47168
subject to confirmation by the board, for the appointment or 47169
discharge of noneducational employees. 47170

Sec. 3319.07. (A) The board of education of each city, 47171
exempted village, local, and joint vocational school district 47172
shall employ the teachers of the public schools of their 47173
respective districts. 47174

The governing board of each educational service center may 47175
employ special instruction teachers, special education teachers, 47176
and teachers of academic courses in which there are too few 47177
students in each of the school districts entering into agreements 47178
pursuant to section 3313.843 of the Revised Code to warrant each 47179
district's employing teachers for those courses. 47180

When any board makes appointments of teachers, the teachers 47181
in the employ of the board shall be considered before new teachers 47182
are chosen in their stead. In all school districts and in service 47183
centers, no teacher shall be employed unless such person is 47184
nominated by the superintendent of such district or center, or by 47185
another individual designated by the board in the event that the 47186
superintendent's nomination would be a violation of section 47187
2921.42 of the Revised Code. Such board, by a three-fourths vote 47188
of its full membership, may re-employ any teacher whom the 47189
superintendent refuses to appoint. 47190

(B) The board of education of any school district may 47191
contract with the governing board of the educational service 47192
center from which it otherwise receives services to conduct 47193
searches and recruitment of candidates for teacher positions. 47194

Sec. 3319.073. (A) The board of education of each city and 47195
exempted village school district and the governing board of each 47196
educational service center shall adopt or adapt the curriculum 47197
developed by the department of education for, or shall develop in 47198
consultation with public or private agencies or persons involved 47199
in child abuse prevention or intervention programs, a program of 47200
in-service training in the prevention of child abuse, violence, 47201
and substance abuse and the promotion of positive youth 47202
development. Each person employed by any school district or 47203
service center to work in a school as a nurse, teacher, counselor, 47204
school psychologist, or administrator shall complete at least four 47205
hours of the in-service training within two years of commencing 47206
employment with the district or center, and every five years 47207
thereafter. A person who is employed by any school district or 47208
service center to work in an elementary school as a nurse, 47209
teacher, counselor, school psychologist, or administrator on March 47210
30, 2007, shall complete at least four hours of the in-service 47211
training not later than March 30, 2009, and every five years 47212
thereafter. A person who is employed by any school district or 47213
service center to work in a middle or high school as a nurse, 47214
teacher, counselor, school psychologist, or administrator on 47215
October 16, 2009, shall complete at least four hours of the 47216
in-service training not later than October 16, 2011, and every 47217
five years thereafter. 47218

(B) Each board shall incorporate training in school safety 47219
and violence prevention, including human trafficking content, into 47220
the in-service training required by division (A) of this section. 47221
For this purpose, the board shall adopt or adapt the curriculum 47222

developed by the department or shall develop its own curriculum in 47223
consultation with public or private agencies or persons involved 47224
in school safety and violence prevention programs. 47225

(C) Each board shall incorporate training on the board's 47226
harassment, intimidation, or bullying policy adopted under section 47227
3313.666 of the Revised Code into the in-service training required 47228
by division (A) of this section. Each board also shall incorporate 47229
training in the prevention of dating violence into the in-service 47230
training required by that division for middle and high school 47231
employees. The board shall develop its own curricula for these 47232
purposes. 47233

(D) Each board shall incorporate training in youth suicide 47234
awareness and prevention into the in-service training required by 47235
division (A) of this section for each person employed by a school 47236
district or service center to work in a school as a nurse, 47237
teacher, counselor, school psychologist, or administrator, and any 47238
other personnel that the board determines appropriate. For this 47239
purpose, the board shall adopt or adapt the curriculum developed 47240
by the department or shall develop its own curriculum in 47241
consultation with public or private agencies or persons involved 47242
in youth suicide awareness and prevention programs. 47243

The training completed under this division shall count toward 47244
the satisfaction of requirements for professional development 47245
required by the school district or service center board, and the 47246
training may be accomplished through self-review of suitable 47247
suicide prevention materials approved by the board. 47248

Sec. 3319.17. (A) As used in this section, "interdistrict 47249
contract" means any contract or agreement entered into by an 47250
educational service center governing board and another board or 47251
other public entity pursuant to section 3313.17, 3313.841, 47252
3313.842, 3313.843, 3313.844, 3313.845, 3313.91, or 3323.08 of the 47253

Revised Code, including any such contract or agreement for the 47254
provision of services funded under division (E) of section 47255
3317.024 of the Revised Code ~~or provided in any unit approved~~ 47256
~~under section 3317.05 of the Revised Code.~~ 47257

(B) When, for any of the following reasons that apply to any 47258
city, exempted village, local, or joint vocational school district 47259
or any educational service center, the board decides that it will 47260
be necessary to reduce the number of teachers it employs, it may 47261
make a reasonable reduction: 47262

(1) In the case of any district or service center, return to 47263
duty of regular teachers after leaves of absence including 47264
suspension of schools, territorial changes affecting the district 47265
or center, or financial reasons; 47266

(2) In the case of any city, exempted village, local, or 47267
joint vocational school district, decreased enrollment of pupils 47268
in the district; 47269

(3) In the case of any governing board of a service center 47270
providing any particular service directly to pupils pursuant to 47271
one or more interdistrict contracts requiring such service, 47272
reduction in the total number of pupils the governing board is 47273
required to provide with the service under all interdistrict 47274
contracts as a result of the termination or nonrenewal of one or 47275
more of these interdistrict contracts; 47276

(4) In the case of any governing board providing any 47277
particular service that it does not provide directly to pupils 47278
pursuant to one or more interdistrict contracts requiring such 47279
service, reduction in the total level of the service the governing 47280
board is required to provide under all interdistrict contracts as 47281
a result of the termination or nonrenewal of one or more of these 47282
interdistrict contracts. 47283

(C) In making any such reduction, any city, exempted village, 47284

local, or joint vocational school board shall proceed to suspend 47285
contracts in accordance with the recommendation of the 47286
superintendent of schools who shall, within each teaching field 47287
affected, give preference to teachers on continuing contracts. The 47288
board shall not give preference to any teacher based on seniority, 47289
except when making a decision between teachers who have comparable 47290
evaluations. 47291

On a case-by-case basis, in lieu of suspending a contract in 47292
whole, a board may suspend a contract in part, so that an 47293
individual is required to work a percentage of the time the 47294
employee otherwise is required to work under the contract and 47295
receives a commensurate percentage of the full compensation the 47296
employee otherwise would receive under the contract. 47297

The teachers whose continuing contracts are suspended by any 47298
board pursuant to this section shall have the right of restoration 47299
to continuing service status by that board if and when teaching 47300
positions become vacant or are created for which any of such 47301
teachers are or become qualified. No teacher whose continuing 47302
contract has been suspended pursuant to this section shall lose 47303
that right of restoration to continuing service status by reason 47304
of having declined recall to a position that is less than 47305
full-time or, if the teacher was not employed full-time just prior 47306
to suspension of the teacher's continuing contract, to a position 47307
requiring a lesser percentage of full-time employment than the 47308
position the teacher last held while employed in the district or 47309
service center. Seniority shall not be the basis for rehiring a 47310
teacher, except when making a decision between teachers who have 47311
comparable evaluations. 47312

(D) Notwithstanding any provision to the contrary in Chapter 47313
4117. of the Revised Code: 47314

(1) The requirements of this section, as it existed prior to 47315
~~the effective date of this amendment~~ September 29, 2011, prevail 47316

over any conflicting provisions of agreements between employee 47317
organizations and public employers entered into between September 47318
29, 2005, and ~~that effective date~~ September 29, 2011; 47319

(2) The requirements of this section, as it exists on and 47320
after ~~the effective date of this amendment~~ September 29, 2011, 47321
prevail over any conflicting provisions of agreements between 47322
employee organizations and public employers entered into on or 47323
after ~~that effective date~~ September 29, 2011. 47324

Sec. 3319.22. (A)(1) The state board of education shall issue 47325
the following educator licenses: 47326

(a) A resident educator license, which shall be valid for 47327
four years, except that the state board, on a case-by-case basis, 47328
may extend the license's duration as necessary to enable the 47329
license holder to complete the Ohio teacher residency program 47330
established under section 3319.223 of the Revised Code; 47331

(b) A professional educator license, which shall be valid for 47332
five years and shall be renewable; 47333

(2) The state board may issue any additional educator 47338
licenses of categories, types, and levels the board elects to 47339
provide. 47340

(3) The state board shall adopt rules establishing the 47341
standards and requirements for obtaining each educator license 47342
issued under this section. 47343

least the following standards and qualifications for the educator 47345

47396
47397
47398
47399

(E) Any rules the state board of education adopts, amends, or rescinds for educator licenses under this section, division (D) of section 3301.07 of the Revised Code, or any other law shall be adopted, amended, or rescinded under Chapter 119. of the Revised Code except as follows: 47400
47401
47402
47403
47404

(1) Notwithstanding division (D) of section 119.03 and division (A)(1) of section 119.04 of the Revised Code, in the case of the adoption of any rule or the amendment or rescission of any 47405
47406
47407

rule that necessitates institutions' offering preparation programs 47408
for educators and other school personnel that are approved by the 47409
chancellor of the Ohio board of regents under section 3333.048 of 47410
the Revised Code to revise the curriculum of those programs, the 47411
effective date shall not be as prescribed in division (D) of 47412
section 119.03 and division (A)(1) of section 119.04 of the 47413
Revised Code. Instead, the effective date of such rules, or the 47414
amendment or rescission of such rules, shall be the date 47415
prescribed by section 3333.048 of the Revised Code. 47416

(2) Notwithstanding the authority to adopt, amend, or rescind 47417

such officer. The committees established under this division shall 47427
determine whether coursework that a district or chartered 47428
nonpublic school teacher proposes to complete meets the 47429
requirement of the rules. The department of education shall 47430

county DD board for special education, but another district is 48307
responsible for tuition under section 3313.64 or 3313.65 of the 48308

Revised Code and the child is not a resident of the territory 48309
served by the county DD board, the board may charge the district 48310

after the time of placement, for payments by the board of 48320
education to the county DD board for additional services provided 48321
to a child placed with the county DD board and whose 48322
individualized education program established pursuant to section 48323

(B) The board of trustees of any community or technical 49068

section 3354.12, 3354.121, 3357.11, 3357.112, or 3358.10 of the 49070

the issuing authority, shall evaluate each request received from a 49086
community or technical college district under this section. The 49087
chancellor, with the advice and consent of the director of budget 49088
and management and the issuing authority in the case of 49089
obligations to be issued by the issuing authority, shall approve 49090
each request if all of the following conditions are met: 49091

(1) Approval of the request will enhance the marketability of 49092
the obligations for which the request is made; 49093

(2) The chancellor and the office of budget and management, 49094
and the issuing authority in the case of obligations to be issued 49095
by the issuing authority, have no reason to believe the requesting 49096
community or technical college district or the community or 49097

technical college it operates will be unable to pay when due the 49098
bond service charges on the obligations for which the request is 49099
made, and bond service charges on those obligations are therefore 49100
not anticipated to be paid pursuant to this section from the 49101
allocated state share of instruction for purposes of Section 17 of 49102
Article VIII, Ohio Constitution. 49103

(3) Any other pertinent conditions established in rules 49104
adopted under division (H) of this section. 49105

(C) If the chancellor approves the request of a community or 49106
technical college district to withhold and deposit funds pursuant 49107
to this section, the chancellor shall enter into a written 49108
agreement with the district and the primary paying agent or fiscal 49109
agent for the obligations, which agreement shall provide for the 49110
withholding of funds pursuant to this section for the payment of 49111
bond service charges on those obligations. The agreement may also 49112
include both of the following: 49113

(1) Provisions for certification by the district to the 49114
chancellor, prior to the deadline for payment of the applicable 49115
bond service charges, whether the district and the community or 49116
technical college it operates are able to pay those bond service 49117
charges when due; 49118

(2) Requirements that the district or the community or 49119
technical college it operates deposits amounts for the payment of 49120
those bond service charges with the primary paying agent or fiscal 49121
agent for the obligations prior to the date on which the bond 49122
service charges are due to the owners or holders of the 49123
obligations. 49124

(D) Whenever a district or the community or technical college 49125
it operates notifies the chancellor that it will not be able to 49126
pay the bond service charges when they are due, subject to the 49127
withholding provisions of this section, or whenever the applicable 49128

paying agent or fiscal agent notifies the chancellor that it has 49129
not timely received from a district or from the college it 49130
operates the full amount needed for payment of the bond service 49131
charges when due to the holders or owners of such obligations, the 49132
chancellor shall immediately contact the district or college and 49133
the paying agent or fiscal agent to confirm that the district and 49134
the college are not able to make the required payment by the date 49135
on which it is due. 49136

If the chancellor confirms that the district and the college 49137
are not able to make the payment and the payment will not be made 49138
pursuant to a credit enhancement facility, the chancellor shall 49139
promptly pay to the applicable primary paying agent or fiscal 49140
agent the lesser of the amount due for bond service charges or the 49141
amount of the next periodic distribution scheduled to be made to 49142
the district or to the college in respect of its allocated state 49143
share of instruction. If this amount is insufficient to pay the 49144
total amount then due the agent for the payment of bond service 49145
charges, the chancellor shall continue to pay to the agent from 49146
each periodic distribution thereafter, and until the full amount 49147
due the agent for unpaid bond service charges is paid in full, the 49148
lesser of the remaining amount due the agent for bond service 49149
charges or the amount of the next periodic distribution scheduled 49150
to be made to the district or college in respect of its allocated 49151
state share of instruction. 49152

(E) The chancellor may make any payments under this section 49153
by direct deposit of funds by electronic transfer. 49154

Any amount received by a paying agent or fiscal agent under 49155
this section shall be applied only to the payment of bond service 49156
charges on the obligations of the community or technical college 49157
district or community or technical college subject to this section 49158
or to the reimbursement of the provider of a credit enhancement 49159
facility that has paid the bond service charges. 49160

(F) The chancellor may make payments under this section to 49161
paying agents or fiscal agents during any fiscal biennium of the 49162
state only from and to the extent that money is appropriated to 49163
the board of regents by the general assembly for distribution 49164
during such biennium for the state share of instruction and only 49165
to the extent that a portion of the state share of instruction has 49166
been allocated to the community or technical college district or 49167
community or technical college. Obligations of the issuing 49168
authority or of a community or technical college district to which 49169
this section is made applicable do not constitute an obligation or 49170
a debt or a pledge of the faith, credit, or taxing power of the 49171
state, and the holders or owners of those obligations have no 49172
right to have excises or taxes levied or appropriations made by 49173
the general assembly for the payment of bond service charges on 49174
the obligations, and the obligations shall contain a statement to 49175
that effect. The agreement for or the actual withholding and 49176
payment of money under this section does not constitute the 49177
assumption by the state of any debt of a community or technical 49178
college district or a community or technical college, and bond 49179
service charges on the related obligations are not anticipated to 49180
be paid from the state general revenue fund for purposes of 49181
Section 17 of Article VIII, Ohio Constitution. 49182

(G) In the case of obligations subject to the withholding 49183
provisions of this section, the issuing community or technical 49184
college district, or the issuing authority in the case of 49185
obligations issued by the issuing authority, shall appoint a 49186
paying agent or fiscal agent who is not an officer or employee of 49187
the district or college. 49188

(H) The chancellor, with the advice and consent of the office 49189
of budget and management, may adopt reasonable rules not 49190
inconsistent with this section for the implementation of this 49191
section to secure payment of bond service charges on obligations 49192

issued by a community or technical college district or by the 49193
issuing authority for the benefit of a community or technical 49194
college district or the community or technical college it 49195
operates. Those rules shall include criteria for the evaluation 49196
and approval or denial of community or technical college district 49197
requests for withholding under this section. 49198

(I) The authority granted by this section is in addition to 49199
and not a limitation on any other authorizations granted by or 49200
pursuant to law for the same or similar purposes. 49201

fund. 49218

In determining eligibility for services provided with funds 50966
received from the "Maternal and Child Health Block Grant," the 50967
department may use the application form established under section 50968
~~5111.013~~ 5163.40 of the Revised Code. The department may require 50969

(2) If any funds remain after the department distributes 50993
funds to public entities under division (B)(1) of this section, 50994
the department may distribute funds to nonpublic entities. If 50995

established. The department may approve methods of immunization 51013
against the diseases specified in section 3313.671 of the Revised 51014

~~which~~ that emit doses of radiation likely to be harmful to any 51020
person, for preventing the spread of contagious or infectious 51021
diseases, for governing the receipt and conveyance of remains of 51022
deceased persons, and for such other sanitary matters as are best 51023
controlled by a general rule. Whenever possible, the department 51024
shall work in cooperation with the health commissioner of a 51025

programs operating within the state. Every agency of the state, at 51046

otherwise assist in the execution of such studies. 51048

Sec. 3701.132. The department of health is hereby designated 51049
as the state agency to administer the "special supplemental 51050
nutrition program for women, infants, and children" established 51051
under the "Child Nutrition Act of 1966," 80 Stat. 885, 42 U.S.C. 51052

to Chapter 119. of the Revised Code as necessary for administering 51054
the program. The rules may include civil money penalties for 51055
violations of the rules. 51056

section 3701.248 of the Revised Code, no person or agency of state 51070
or local government that acquires the information while providing 51071
any health care service or while in the employ of a health care 51072
facility or health care provider shall disclose or compel another 51073

individual tested; 51078

or an AIDS-related condition. 51080

(B)(1) Except as provided in divisions (B)(2), (C), (D), and 51081
(F) of this section, the results of an HIV test or the identity of 51082
an individual on whom an HIV test is performed or who is diagnosed 51083
as having AIDS or an AIDS-related condition may be disclosed only 51084
to the following: 51085

(a) The individual who was tested or the individual's legal 51086
guardian, and the individual's spouse or any sexual partner; 51087

(b) A person to whom disclosure is authorized by a written 51088
release, executed by the individual tested or by the individual's 51089
legal guardian and specifying to whom disclosure of the test 51090

which the release is to be effective; 51092

(c) The individual's physician; 51093

(d) The department of health or a health commissioner to 51094

processes, distributes, or uses a human body part from a deceased 51097
individual, donated for a purpose specified in Chapter 2108. of 51098

deceased individual to ensure that the body part is medically 51100
acceptable for its intended purpose; 51101

(f) Health care facility staff committees or accreditation or 51102
oversight review organizations conducting program monitoring, 51103
program evaluation, or service reviews; 51104

(g) A health care provider, emergency medical services 51105
worker, or peace officer who sustained a significant exposure to 51106
the body fluids of another individual, if that individual was 51107

tested pursuant to division (E)(6) of section 3701.242 of the Revised Code, except that the identity of the individual tested shall not be revealed;

(h) To law enforcement authorities pursuant to a search warrant or a subpoena issued by or at the request of a grand jury, a prosecuting attorney, a city director of law or similar chief legal officer of a municipal corporation, or a village solicitor, in connection with a criminal investigation or prosecution.

(2) The results of an HIV test or a diagnosis of AIDS or an AIDS-related condition may be disclosed to a health care provider, or an authorized agent or employee of a health care facility or a health care provider, if the provider, agent, or employee has a medical need to know the information and is participating in the diagnosis, care, or treatment of the individual on whom the test was performed or who has been diagnosed as having AIDS or an AIDS-related condition.

This division does not impose a standard of disclosure different from the standard for disclosure of all other specific information about a patient to health care providers and facilities. Disclosure may not be requested or made solely for the purpose of identifying an individual who has a positive HIV test result or has been diagnosed as having AIDS or an AIDS-related condition in order to refuse to treat the individual. Referral of an individual to another health care provider or facility based on reasonable professional judgment does not constitute refusal to treat the individual.

(3) Not later than ninety days after November 1, 1989, each health care facility in this state shall establish a protocol to be followed by employees and individuals affiliated with the facility in making disclosures authorized by division (B)(2) of this section. A person employed by or affiliated with a health care facility who determines in accordance with the protocol

established by the facility that a disclosure is authorized by 51140
division (B)(2) of this section is immune from liability to any 51141
person in a civil action for damages for injury, death, or loss to 51142
person or property resulting from the disclosure. 51143

(C)(1) Any person or government agency may seek access to or 51144
authority to disclose the HIV test records of an individual in 51145

(a) The person or government agency shall bring an action in 51147
a court of common pleas requesting disclosure of or authority to 51148
disclose the results of an HIV test of a specific individual, who 51149
shall be identified in the complaint by a pseudonym but whose name 51150
shall be communicated to the court confidentially, pursuant to a 51151
court order restricting the use of the name. The court shall 51152
provide the individual with notice and an opportunity to 51153
participate in the proceedings if the individual is not named as a 51154
party. Proceedings shall be conducted in chambers unless the 51155
individual agrees to a hearing in open court. 51156

(b) The court may issue an order granting the plaintiff 51157
access to or authority to disclose the test results only if the 51158
court finds by clear and convincing evidence that the plaintiff 51159
has demonstrated a compelling need for disclosure of the 51160
information that cannot be accommodated by other means. In 51161
assessing compelling need, the court shall weigh the need for 51162
disclosure against the privacy right of the individual tested and 51163
against any disservice to the public interest that might result 51164
from the disclosure, such as discrimination against the individual 51165
or the deterrence of others from being tested. 51166

(c) If the court issues an order, it shall guard against 51167
unauthorized disclosure by specifying the persons who may have 51168
access to the information, the purposes for which the information 51169
shall be used, and prohibitions against future disclosure. 51170

(2) A person or government agency that considers it necessary to disclose the results of an HIV test of a specific individual in an action in which it is a party may seek authority for the disclosure by filing an in camera motion with the court in which the action is being heard. In hearing the motion, the court shall employ procedures for confidentiality similar to those specified in division (C)(1) of this section. The court shall grant the motion only if it finds by clear and convincing evidence that a compelling need for the disclosure has been demonstrated.

(C) Except as provided in division (D) of this section, a 54186
residential care facility may admit or retain individuals who 54187

in the facility only if a determination has been made that the 54227
individual's needs can be met at the facility; 54228

(B) The director of health shall license homes and establish 54248
procedures to be followed in inspecting and licensing homes. The 54249
director may inspect a home at any time. Each home shall be 54250
inspected by the director at least once prior to the issuance of a 54251
license and at least once every fifteen months thereafter. The 54252

state fire marshal or a township, municipal, or other legally 54253
constituted fire department approved by the marshal shall also 54254
inspect a home prior to issuance of a license, at least once every 54255
fifteen months thereafter, and at any other time requested by the 54256
director. A home does not have to be inspected prior to issuance 54257
of a license by the director, state fire marshal, or a fire 54258
department if ownership of the home is assigned or transferred to 54259
a different person and the home was licensed under this chapter 54260
immediately prior to the assignment or transfer. The director may 54261
enter at any time, for the purposes of investigation, any 54262
institution, residence, facility, or other structure that has been 54263
reported to the director or that the director has reasonable cause 54264
to believe is operating as a nursing home, residential care 54265
facility, or home for the aging without a valid license required 54266
by section 3721.05 of the Revised Code or, in the case of a county 54267
home or district home, is operating despite the revocation of its 54268
residential care facility license. The director may delegate the 54269
director's authority and duties under this chapter to any 54270
division, bureau, agency, or official of the department of health. 54271

(C) A single facility may be licensed both as a nursing home 54272
pursuant to this chapter and as a residential facility pursuant to 54273
section ~~5119.22~~ 5119.34 of the Revised Code if the director 54274
determines that the part or unit to be licensed as a nursing home 54275
can be maintained separate and discrete from the part or unit to 54276
be licensed as a residential facility. 54277

(D) In determining the number of residents in a home for the 54278
purpose of licensing, the director shall consider all the 54279
individuals for whom the home provides accommodations as one group 54280
unless one of the following is the case: 54281

(1) The home is a home for the aging, in which case all the 54282
individuals in the part or unit licensed as a nursing home shall 54283
be considered as one group, and all the individuals in the part or 54284

unit licensed as a rest home shall be considered as another group. 54285

(2) The home is both a nursing home and a residential 54286
facility. In that case, all the individuals in the part or unit 54287
licensed as a nursing home shall be considered as one group, and 54288
all the individuals in the part or unit licensed as an adult care 54289
facility shall be considered as another group. 54290

(3) The home maintains, in addition to a nursing home or 54291
residential care facility, a separate and discrete part or unit 54292
that provides accommodations to individuals who do not require or 54293
receive skilled nursing care and do not receive personal care 54294
services from the home, in which case the individuals in the 54295
separate and discrete part or unit shall not be considered in 54296
determining the number of residents in the home if the separate 54297
and discrete part or unit is in compliance with the Ohio basic 54298
building code established by the board of building standards under 54299
Chapters 3781. and 3791. of the Revised Code and the home permits 54300
the director, on request, to inspect the separate and discrete 54301
part or unit and speak with the individuals residing there, if 54302
they consent, to determine whether the separate and discrete part 54303
or unit meets the requirements of this division. 54304

(E)(1) The director of health shall charge the following 54305
application fee and annual renewal licensing and inspection fee 54306
for each fifty persons or part thereof of a home's licensed 54307
capacity: 54308

(a) For state fiscal year 2010, two hundred twenty dollars; 54309

(b) For state fiscal year 2011, two hundred seventy dollars; 54310

(c) For each state fiscal year thereafter, three hundred 54311
twenty dollars. 54312

(2) All fees collected by the director for the issuance or 54313
renewal of licenses shall be deposited into the state treasury to 54314
the credit of the general operations fund created in section 54315

3701.83 of the Revised Code for use only in administering and 54316
enforcing this chapter and rules adopted under it. 54317

(F)(1) Except as otherwise provided in this section, the 54318
results of an inspection or investigation of a home that is 54319
conducted under this section, including any statement of 54320
deficiencies and all findings and deficiencies cited in the 54321
statement on the basis of the inspection or investigation, shall 54322
be used solely to determine the home's compliance with this 54323
chapter or another chapter of the Revised Code in any action or 54324
proceeding other than an action commenced under division (I) of 54325
section 3721.17 of the Revised Code. Those results of an 54326
inspection or investigation, that statement of deficiencies, and 54327
the findings and deficiencies cited in that statement shall not be 54328
used in any court or in any action or proceeding that is pending 54329
in any court and are not admissible in evidence in any action or 54330
proceeding unless that action or proceeding is an appeal of an 54331
action by the department of health under this chapter or is an 54332
action by any department or agency of the state to enforce this 54333
chapter or another chapter of the Revised Code. 54334

(2) Nothing in division (E)(1) of this section prohibits the 54335
results of an inspection or investigation conducted under this 54336
section from being used in a criminal investigation or 54337
prosecution. 54338

Sec. 3721.022. (A) As used in this section: 54339

The director may also enter into agreements with the department of ~~job and family services~~ medicaid under which the department of health is designated to perform functions under sections ~~5111.35~~ 5165.60 to ~~5111.62~~ 5165.89 of the Revised Code.

fee shall be deposited into the state treasury to the credit of 54381
the general operations fund created in section 3701.83 of the 54382

Sec. 3721.042. The director of health may not deny a nursing 54414
home license to a facility seeking a license under this chapter as 54415

chapter before October 20, 2001. 54427

(C) The facility was a nursing facility, as defined in 54428
section ~~5111.20~~ 5165.01 of the Revised Code, on the date 54429

1975, and are conducted no less than monthly thereafter, and 54463
reports of the consultant, fire department, or fire prevention 54464
officer identifying existing hazards and recommended corrective 54465
actions are submitted to the state fire marshal, the division of 54466

(2) "Overhead paging" means sending audible announcements via 54483

the department of aging under the nursing home quality initiative 54488
established under section 173.60 of the Revised Code. 54489

revoked from continuing to operate. The court shall have 54513
jurisdiction to grant such injunctive relief upon a showing that 54514
the respondent named in the petition is operating a home without a 54515
license or that the county home or district home named in the 54516
petition is operating despite the revocation of its license. The 54517
court shall have jurisdiction to grant such injunctive relief 54518
against the operation of a home without a valid license regardless 54519
of whether the home meets essential licensing requirements. 54520

(C) Unless the department of ~~job and family services~~ medicaid 54521
or contracting agency has taken action under section ~~5111.51~~ 54522

appropriate care settings, or otherwise eliminate the real and 54529
present danger. The court shall have the jurisdiction to grant 54530

such injunctive relief upon a showing that there is real and present danger. 54531

(a) The nature of the conditions giving rise to the real and present danger; 54538
54539

(b) The measures that the director determines the home must take to respond to the conditions; 54540

(c) The date on which the director intends to seek injunctive relief under division (C) of this section if the director determines that real and present danger exists at the home. 54542
54543
54544

(2) If the home notifies the director, within the time specified pursuant to division (D)(1)(c) of this section, that it believes the conditions giving rise to the real and present danger have been substantially corrected, the director shall conduct an inspection to determine whether real and present danger exists. If the director determines on the basis of the inspection that real and present danger exists, the director may petition under division (C) of this section for injunctive relief. 54545
54546

the violation was the proximate cause of the resident's injury, 55541
death, or loss to person or property. 55542

(b) If compensatory damages are awarded for a violation of 55543
the resident's rights, section 2315.21 of the Revised Code shall 55544
apply to an award of punitive or exemplary damages for the 55545

the facility multiplied by the fees levied under this division. In 55785
the case of solid wastes that are not taken to a solid waste 55786
transfer facility located in this state prior to being transported 55787
to a solid waste disposal facility, the fees shall be collected by 55788

the owner or operator of the solid waste disposal facility as a trustee for the state. The amount of fees required to be collected under this division at such a disposal facility shall equal the total tonnage of solid wastes received at the facility that was not previously taken to a solid waste transfer facility located in this state multiplied by the fees levied under this division. Fees levied under this division do not apply to materials separated from a mixed waste stream for recycling by a generator or materials removed from the solid waste stream through recycling, as "recycling" is defined in rules adopted under section 3734.02 of the Revised Code.

The owner or operator of a solid waste transfer facility or disposal facility, as applicable, shall prepare and file with the director of environmental protection each month a return indicating the total tonnage of solid wastes received at the facility during that month and the total amount of the fees required to be collected under this division during that month. In addition, the owner or operator of a solid waste disposal facility shall indicate on the return the total tonnage of solid wastes received from transfer facilities located in this state during that month for which the fees were required to be collected by the transfer facilities. The monthly returns shall be filed on a form prescribed by the director. Not later than thirty days after the last day of the month to which a return applies, the owner or operator shall mail to the director the return for that month together with the fees required to be collected under this division during that month as indicated on the return or may submit the return and fees electronically in a manner approved by the director. If the return is filed and the amount of the fees due is paid in a timely manner as required in this division, the owner or operator may retain a discount of three-fourths of one per cent of the total amount of the fees that are required to be paid as indicated on the return.

The owner or operator may request an extension of not more than thirty days for filing the return and remitting the fees, provided that the owner or operator has submitted such a request in writing to the director together with a detailed description of why the extension is requested, the director has received the request not later than the day on which the return is required to be filed, and the director has approved the request. If the fees are not remitted within thirty days after the last day of the month to which the return applies or are not remitted by the last day of an extension approved by the director, the owner or operator shall not retain the three-fourths of one per cent discount and shall pay an additional ten per cent of the amount of the fees for each month that they are late. For purposes of calculating the late fee, the first month in which fees are late begins on the first day after the deadline has passed for timely submitting the return and fees, and one additional month shall be counted every thirty days thereafter.

The owner or operator of a solid waste facility may request a refund or credit of fees levied under this division and remitted to the director that have not been paid to the owner or operator. Such a request shall be made only if the fees have not been collected by the owner or operator, have become a debt that has become worthless or uncollectable for a period of six months or more, and may be claimed as a deduction, including a deduction claimed if the owner or operator keeps accounts on an accrual basis, under the "Internal Revenue Code of 1954," 68A Stat. 50, 26 U.S.C. 166, as amended, and regulations adopted under it. Prior to making a request for a refund or credit, an owner or operator shall make reasonable efforts to collect the applicable fees. A request for a refund or credit shall not include any costs resulting from those efforts to collect unpaid fees.

A request for a refund or credit of fees shall be made in

writing, on a form prescribed by the director, and shall be 55854
supported by evidence that may be required in rules adopted by the 55855
director under this chapter. After reviewing the request, and if 55856
the request and evidence submitted with the request indicate that 55857
a refund or credit is warranted, the director shall grant a refund 55858
to the owner or operator or shall permit a credit to be taken by 55859
the owner or operator on a subsequent monthly return submitted by 55860
the owner or operator. The amount of a refund or credit shall not 55861
exceed an amount that is equal to ninety days' worth of fees owed 55862
to an owner or operator by a particular debtor of the owner or 55863
operator. A refund or credit shall not be granted by the director 55864
to an owner or operator more than once in any twelve-month period 55865
for fees owed to the owner or operator by a particular debtor. 55866

If, after receiving a refund or credit from the director, an 55867
owner or operator receives payment of all or part of the fees, the 55868
owner or operator shall remit the fees with the next monthly 55869
return submitted to the director together with a written 55870
explanation of the reason for the submittal. 55871

For purposes of computing the fees levied under this division 55872
or division (B) of this section, any solid waste transfer or 55873
disposal facility that does not use scales as a means of 55874
determining gate receipts shall use a conversion factor of three 55875
cubic yards per ton of solid waste or one cubic yard per ton for 55876
baled waste, as applicable. 55877

The fees levied under this division and divisions (B) and (C) 55878
of this section are in addition to all other applicable fees and 55879
taxes and shall be paid by the customer or a political subdivision 55880
to the owner or operator of a solid waste transfer or disposal 55881
facility. In the alternative, the fees shall be paid by a customer 55882
or political subdivision to a transporter of waste who 55883
subsequently transfers the fees to the owner or operator of such a 55884
facility. The fees shall be paid notwithstanding the existence of 55885

any provision in a contract that the customer or a political 55886
subdivision may have with the owner or operator or with a 55887
transporter of waste to the facility that would not require or 55888
allow such payment regardless of whether the contract was entered 55889
prior to or after October 16, 2009. For those purposes, "customer" 55890
means a person who contracts with, or utilizes the solid waste 55891
services of, the owner or operator of a solid waste transfer or 55892
disposal facility or a transporter of solid waste to such a 55893
facility. 55894

(B) For the purposes specified in division (G) of this 55895
section, the solid waste management policy committee of a county 55896
or joint solid waste management district may levy fees upon the 55897
following activities: 55898

(1) The disposal at a solid waste disposal facility located 55899
in the district of solid wastes generated within the district; 55900

(2) The disposal at a solid waste disposal facility within 55901
the district of solid wastes generated outside the boundaries of 55902
the district, but inside this state; 55903

(3) The disposal at a solid waste disposal facility within 55904
the district of solid wastes generated outside the boundaries of 55905
this state. 55906

The solid waste management plan of the county or joint 55907
district approved under section 3734.521 or 3734.55 of the Revised 55908
Code and any amendments to it, or the resolution adopted under 55909
this division, as appropriate, shall establish the rates of the 55910
fees levied under divisions (B)(1), (2), and (3) of this section, 55911
if any, and shall specify whether the fees are levied on the basis 55912
of tons or cubic yards as the unit of measurement. A solid waste 55913
management district that levies fees under this division on the 55914
basis of cubic yards shall do so in accordance with division (A) 55915
of this section. 55916

The fee levied under division (B)(1) of this section shall be 55917
not less than one dollar per ton nor more than two dollars per 55918
ton, the fee levied under division (B)(2) of this section shall be 55919
not less than two dollars per ton nor more than four dollars per 55920
ton, and the fee levied under division (B)(3) of this section 55921
shall be not more than the fee levied under division (B)(1) of 55922
this section. 55923

Prior to the approval of the solid waste management plan of a 55924
district under section 3734.55 of the Revised Code, the solid 55925
waste management policy committee of a district may levy fees 55926
under this division by adopting a resolution establishing the 55927
proposed amount of the fees. Upon adopting the resolution, the 55928
committee shall deliver a copy of the resolution to the board of 55929
county commissioners of each county forming the district and to 55930
the legislative authority of each municipal corporation and 55931
township under the jurisdiction of the district and shall prepare 55932
and publish the resolution and a notice of the time and location 55933
where a public hearing on the fees will be held. Upon adopting the 55934
resolution, the committee shall deliver written notice of the 55935
adoption of the resolution; of the amount of the proposed fees; 55936
and of the date, time, and location of the public hearing to the 55937
director and to the fifty industrial, commercial, or institutional 55938
generators of solid wastes within the district that generate the 55939
largest quantities of solid wastes, as determined by the 55940
committee, and to their local trade associations. The committee 55941
shall make good faith efforts to identify those generators within 55942
the district and their local trade associations, but the 55943
nonprovision of notice under this division to a particular 55944
generator or local trade association does not invalidate the 55945
proceedings under this division. The publication shall occur at 55946
least thirty days before the hearing. After the hearing, the 55947
committee may make such revisions to the proposed fees as it 55948
considers appropriate and thereafter, by resolution, shall adopt 55949

the revised fee schedule. Upon adopting the revised fee schedule, 55950
the committee shall deliver a copy of the resolution doing so to 55951
the board of county commissioners of each county forming the 55952
district and to the legislative authority of each municipal 55953
corporation and township under the jurisdiction of the district. 55954
Within sixty days after the delivery of a copy of the resolution 55955
adopting the proposed revised fees by the policy committee, each 55956
such board and legislative authority, by ordinance or resolution, 55957
shall approve or disapprove the revised fees and deliver a copy of 55958
the ordinance or resolution to the committee. If any such board or 55959
legislative authority fails to adopt and deliver to the policy 55960
committee an ordinance or resolution approving or disapproving the 55961
revised fees within sixty days after the policy committee 55962
delivered its resolution adopting the proposed revised fees, it 55963
shall be conclusively presumed that the board or legislative 55964
authority has approved the proposed revised fees. The committee 55965
shall determine if the resolution has been ratified in the same 55966
manner in which it determines if a draft solid waste management 55967
plan has been ratified under division (B) of section 3734.55 of 55968
the Revised Code. 55969

The committee may amend the schedule of fees levied pursuant 55970
to a resolution adopted and ratified under this division by 55971
adopting a resolution establishing the proposed amount of the 55972
amended fees. The committee may repeal the fees levied pursuant to 55973
such a resolution by adopting a resolution proposing to repeal 55974
them. Upon adopting such a resolution, the committee shall proceed 55975
to obtain ratification of the resolution in accordance with this 55976
division. 55977

Not later than fourteen days after declaring the new fees to 55978
be ratified or the fees to be repealed under this division, the 55979
committee shall notify by certified mail the owner or operator of 55980
each solid waste disposal facility that is required to collect the 55981

fees of the ratification and the amount of the fees or of the 55982
repeal of the fees. Collection of any fees shall commence or 55983
collection of repealed fees shall cease on the first day of the 55984
second month following the month in which notification is sent to 55985
the owner or operator. 55986

Fees levied under this division also may be established, 55987
amended, or repealed by a solid waste management policy committee 55988
through the adoption of a new district solid waste management 55989
plan, the adoption of an amended plan, or the amendment of the 55990
plan or amended plan in accordance with sections 3734.55 and 55991
3734.56 of the Revised Code or the adoption or amendment of a 55992
district plan in connection with a change in district composition 55993
under section 3734.521 of the Revised Code. 55994

Not later than fourteen days after the director issues an 55995
order approving a district's solid waste management plan, amended 55996
plan, or amendment to a plan or amended plan that establishes, 55997
amends, or repeals a schedule of fees levied by the district, the 55998
committee shall notify by certified mail the owner or operator of 55999
each solid waste disposal facility that is required to collect the 56000
fees of the approval of the plan or amended plan, or the amendment 56001
to the plan, as appropriate, and the amount of the fees, if any. 56002
In the case of an initial or amended plan approved under section 56003
3734.521 of the Revised Code in connection with a change in 56004
district composition, other than one involving the withdrawal of a 56005
county from a joint district, the committee, within fourteen days 56006
after the change takes effect pursuant to division (G) of that 56007
section, shall notify by certified mail the owner or operator of 56008
each solid waste disposal facility that is required to collect the 56009
fees that the change has taken effect and of the amount of the 56010
fees, if any. Collection of any fees shall commence or collection 56011
of repealed fees shall cease on the first day of the second month 56012
following the month in which notification is sent to the owner or 56013

operator. 56014

If, in the case of a change in district composition involving 56015
the withdrawal of a county from a joint district, the director 56016
completes the actions required under division (G)(1) or (3) of 56017
section 3734.521 of the Revised Code, as appropriate, forty-five 56018
days or more before the beginning of a calendar year, the policy 56019
committee of each of the districts resulting from the change that 56020
obtained the director's approval of an initial or amended plan in 56021
connection with the change, within fourteen days after the 56022
director's completion of the required actions, shall notify by 56023
certified mail the owner or operator of each solid waste disposal 56024
facility that is required to collect the district's fees that the 56025
change is to take effect on the first day of January immediately 56026
following the issuance of the notice and of the amount of the fees 56027
or amended fees levied under divisions (B)(1) to (3) of this 56028
section pursuant to the district's initial or amended plan as so 56029
approved or, if appropriate, the repeal of the district's fees by 56030
that initial or amended plan. Collection of any fees set forth in 56031
such a plan or amended plan shall commence on the first day of 56032
January immediately following the issuance of the notice. If such 56033
an initial or amended plan repeals a schedule of fees, collection 56034
of the fees shall cease on that first day of January. 56035

If, in the case of a change in district composition involving 56036
the withdrawal of a county from a joint district, the director 56037
completes the actions required under division (G)(1) or (3) of 56038
section 3734.521 of the Revised Code, as appropriate, less than 56039
forty-five days before the beginning of a calendar year, the 56040
director, on behalf of each of the districts resulting from the 56041
change that obtained the director's approval of an initial or 56042
amended plan in connection with the change proceedings, shall 56043
notify by certified mail the owner or operator of each solid waste 56044
disposal facility that is required to collect the district's fees 56045

that the change is to take effect on the first day of January 56046
immediately following the mailing of the notice and of the amount 56047
of the fees or amended fees levied under divisions (B)(1) to (3) 56048
of this section pursuant to the district's initial or amended plan 56049
as so approved or, if appropriate, the repeal of the district's 56050
fees by that initial or amended plan. Collection of any fees set 56051
forth in such a plan or amended plan shall commence on the first 56052
day of the second month following the month in which notification 56053
is sent to the owner or operator. If such an initial or amended 56054
plan repeals a schedule of fees, collection of the fees shall 56055
cease on the first day of the second month following the month in 56056
which notification is sent to the owner or operator. 56057

If the schedule of fees that a solid waste management 56058
district is levying under divisions (B)(1) to (3) of this section 56059
is amended or repealed, the fees in effect immediately prior to 56060
the amendment or repeal shall continue to be collected until 56061
collection of the amended fees commences or collection of the 56062
repealed fees ceases, as applicable, as specified in this 56063
division. In the case of a change in district composition, money 56064
so received from the collection of the fees of the former 56065
districts shall be divided among the resulting districts in 56066
accordance with division (B) of section 343.012 of the Revised 56067
Code and the agreements entered into under division (B) of section 56068
343.01 of the Revised Code to establish the former and resulting 56069
districts and any amendments to those agreements. 56070

For the purposes of the provisions of division (B) of this 56071
section establishing the times when newly established or amended 56072
fees levied by a district are required to commence and the 56073
collection of fees that have been amended or repealed is required 56074
to cease, "fees" or "schedule of fees" includes, in addition to 56075
fees levied under divisions (B)(1) to (3) of this section, those 56076
levied under section 3734.573 or 3734.574 of the Revised Code. 56077

(C) For the purposes of defraying the added costs to a 56078
municipal corporation or township of maintaining roads and other 56079
public facilities and of providing emergency and other public 56080
services, and compensating a municipal corporation or township for 56081
reductions in real property tax revenues due to reductions in real 56082
property valuations resulting from the location and operation of a 56083
solid waste disposal facility within the municipal corporation or 56084
township, a municipal corporation or township in which such a 56085
solid waste disposal facility is located may levy a fee of not 56086
more than twenty-five cents per ton on the disposal of solid 56087
wastes at a solid waste disposal facility located within the 56088
boundaries of the municipal corporation or township regardless of 56089
where the wastes were generated. 56090

The legislative authority of a municipal corporation or 56091
township may levy fees under this division by enacting an 56092
ordinance or adopting a resolution establishing the amount of the 56093
fees. Upon so doing the legislative authority shall mail a 56094
certified copy of the ordinance or resolution to the board of 56095
county commissioners or directors of the county or joint solid 56096
waste management district in which the municipal corporation or 56097
township is located or, if a regional solid waste management 56098
authority has been formed under section 343.011 of the Revised 56099
Code, to the board of trustees of that regional authority, the 56100
owner or operator of each solid waste disposal facility in the 56101
municipal corporation or township that is required to collect the 56102
fee by the ordinance or resolution, and the director of 56103
environmental protection. Although the fees levied under this 56104
division are levied on the basis of tons as the unit of 56105
measurement, the legislative authority, in its ordinance or 56106
resolution levying the fees under this division, may direct that 56107
the fees be levied on the basis of cubic yards as the unit of 56108
measurement based upon a conversion factor of three cubic yards 56109
per ton generally or one cubic yard per ton for baled wastes. 56110

Not later than five days after enacting an ordinance or 56111
adopting a resolution under this division, the legislative 56112
authority shall so notify by certified mail the owner or operator 56113
of each solid waste disposal facility that is required to collect 56114
the fee. Collection of any fee levied on or after March 24, 1992, 56115
shall commence on the first day of the second month following the 56116
month in which notification is sent to the owner or operator. 56117

(D)(1) The fees levied under divisions (A), (B), and (C) of 56118
this section do not apply to the disposal of solid wastes that: 56119

(a) Are disposed of at a facility owned by the generator of 56120
the wastes when the solid waste facility exclusively disposes of 56121
solid wastes generated at one or more premises owned by the 56122
generator regardless of whether the facility is located on a 56123
premises where the wastes are generated; 56124

(b) Are generated from the combustion of coal, or from the 56125
combustion of primarily coal, regardless of whether the disposal 56126
facility is located on the premises where the wastes are 56127
generated; 56128

(c) Are asbestos or asbestos-containing materials or products 56129
disposed of at a construction and demolition debris facility that 56130
is licensed under Chapter 3714. of the Revised Code or at a solid 56131
waste facility that is licensed under this chapter. 56132

(2) Except as provided in section 3734.571 of the Revised 56133
Code, any fees levied under division (B)(1) of this section apply 56134
to solid wastes originating outside the boundaries of a county or 56135
joint district that are covered by an agreement for the joint use 56136
of solid waste facilities entered into under section 343.02 of the 56137
Revised Code by the board of county commissioners or board of 56138
directors of the county or joint district where the wastes are 56139
generated and disposed of. 56140

(3) When solid wastes, other than solid wastes that consist 56141

of scrap tires, are burned in a disposal facility that is an 56142
incinerator or energy recovery facility, the fees levied under 56143
divisions (A), (B), and (C) of this section shall be levied upon 56144
the disposal of the fly ash and bottom ash remaining after burning 56145
of the solid wastes and shall be collected by the owner or 56146
operator of the sanitary landfill where the ash is disposed of. 56147

(4) When solid wastes are delivered to a solid waste transfer 56148
facility, the fees levied under divisions (B) and (C) of this 56149
section shall be levied upon the disposal of solid wastes 56150
transported off the premises of the transfer facility for disposal 56151
and shall be collected by the owner or operator of the solid waste 56152
disposal facility where the wastes are disposed of. 56153

(5) The fees levied under divisions (A), (B), and (C) of this 56154
section do not apply to sewage sludge that is generated by a waste 56155
water treatment facility holding a national pollutant discharge 56156
elimination system permit and that is disposed of through 56157
incineration, land application, or composting or at another 56158
resource recovery or disposal facility that is not a landfill. 56159

(6) The fees levied under divisions (A), (B), and (C) of this 56160
section do not apply to solid wastes delivered to a solid waste 56161
composting facility for processing. When any unprocessed solid 56162
waste or compost product is transported off the premises of a 56163
composting facility and disposed of at a landfill, the fees levied 56164
under divisions (A), (B), and (C) of this section shall be 56165
collected by the owner or operator of the landfill where the 56166
unprocessed waste or compost product is disposed of. 56167

(7) When solid wastes that consist of scrap tires are 56168
processed at a scrap tire recovery facility, the fees levied under 56169
divisions (A), (B), and (C) of this section shall be levied upon 56170
the disposal of the fly ash and bottom ash or other solid wastes 56171
remaining after the processing of the scrap tires and shall be 56172
collected by the owner or operator of the solid waste disposal 56173

facility where the ash or other solid wastes are disposed of. 56174

(8) The director of environmental protection may issue an 56175
order exempting from the fees levied under this section solid 56176
wastes, including, but not limited to, scrap tires, that are 56177
generated, transferred, or disposed of as a result of a contract 56178
providing for the expenditure of public funds entered into by the 56179
administrator or regional administrator of the United States 56180
environmental protection agency, the director of environmental 56181
protection, or the director of administrative services on behalf 56182
of the director of environmental protection for the purpose of 56183
remediating conditions at a hazardous waste facility, solid waste 56184
facility, or other location at which the administrator or regional 56185
administrator or the director of environmental protection has 56186
reason to believe that there is a substantial threat to public 56187
health or safety or the environment or that the conditions are 56188
causing or contributing to air or water pollution or soil 56189
contamination. An order issued by the director of environmental 56190
protection under division (D)(8) of this section shall include a 56191
determination that the amount of the fees not received by a solid 56192
waste management district as a result of the order will not 56193
adversely impact the implementation and financing of the 56194
district's approved solid waste management plan and any approved 56195
amendments to the plan. Such an order is a final action of the 56196
director of environmental protection. 56197

(E) The fees levied under divisions (B) and (C) of this 56198
section shall be collected by the owner or operator of the solid 56199
waste disposal facility where the wastes are disposed of as a 56200
trustee for the county or joint district and municipal corporation 56201
or township where the wastes are disposed of. Moneys from the fees 56202
levied under division (B) of this section shall be forwarded to 56203
the board of county commissioners or board of directors of the 56204
district in accordance with rules adopted under division (H) of 56205

this section. Moneys from the fees levied under division (C) of 56206
this section shall be forwarded to the treasurer or such other 56207
officer of the municipal corporation as, by virtue of the charter, 56208
has the duties of the treasurer or to the fiscal officer of the 56209
township, as appropriate, in accordance with those rules. 56210

(F) Moneys received by the treasurer or other officer of the 56211
municipal corporation under division (E) of this section shall be 56212
paid into the general fund of the municipal corporation. Moneys 56213
received by the fiscal officer of the township under that division 56214
shall be paid into the general fund of the township. The treasurer 56215
or other officer of the municipal corporation or the township 56216
fiscal officer, as appropriate, shall maintain separate records of 56217
the moneys received from the fees levied under division (C) of 56218
this section. 56219

To implement the programs, the fire marshal may adopt, amend, and rescind such rules, conduct such inspections, require annual registration of underground storage tanks, issue such citations and orders to enforce those rules, enter into environmental covenants in accordance with sections 5301.80 to 5301.92 of the Revised Code, and perform such other duties, as are consistent with those programs. The fire marshal, by rule, may delegate the authority to conduct inspections of underground storage tanks to certified fire safety inspectors.

(2) In the place of any rules regarding release containment and release detection for underground storage tanks adopted under division (A)(1) of this section, the fire marshal, by rule, shall designate areas as being sensitive for the protection of human health and the environment and adopt alternative rules regarding release containment and release detection methods for new and

upgraded underground storage tank systems located in those areas. 56640
In designating such areas, the fire marshal shall take into 56641
consideration such factors as soil conditions, hydrogeology, water 56642
use, and the location of public and private water supplies. Not 56643
later than July 11, 1990, the fire marshal shall file the rules 56644
required under this division with the secretary of state, director 56645
of the legislative service commission, and joint committee on 56646
agency rule review in accordance with divisions (B) and (H) of 56647
section 119.03 of the Revised Code. 56648

(3) Notwithstanding sections 3737.87 to 3737.89 of the 56649
Revised Code, a person who is not a responsible person, as 56650

(b) A release, other than a class C release, that is subject 56656
to the rules adopted by the fire marshal under division (B) of 56657
section 3737.882 of the Revised Code pertaining to a corrective 56658
action, provided that both of the following apply: 56659

(i) The voluntary action also addresses hazardous substances 56660
or petroleum that is not subject to the rules adopted under 56661
division (B) of section 3737.882 of the Revised Code pertaining to 56662
a corrective action. 56663

(ii) The fire marshal has not issued an administrative order 56664

3746.12 of the Revised Code, may issue a covenant not to sue to 56668
any person who properly completes a voluntary action with respect 56669
to any such release in accordance with Chapter 3746. of the 56670

Revised Code and rules adopted under it. 56671

(B) Before adopting any rule under this section or section 56672
3737.881 or 3737.882 of the Revised Code, the fire marshal shall 56673

Revised Code, the fire marshal shall adopt, and may amend and 56690
rescind, rules identifying or listing hazardous substances. The 56691
rules shall be consistent with and equivalent in scope, coverage, 56692
and content to regulations identifying or listing hazardous 56693
substances adopted under the "Comprehensive Environmental 56694
Response, Compensation, and Liability Act of 1980," 94 Stat. 2779, 56695
42 U.S.C.A. 9602, as amended, except that the fire marshal shall 56696
not identify or list as a hazardous substance any hazardous waste 56697
identified or listed in rules adopted under division (A) of 56698
section 3734.12 of the Revised Code. 56699

(E) Except as provided in division (A)(3) of this section, 56700
the fire marshal shall have exclusive jurisdiction to regulate the 56701
storage, treatment, and disposal of petroleum contaminated soil 56702

generated from corrective actions undertaken in response to 56703
releases of petroleum from underground storage tank systems. The 56704
fire marshal may adopt, amend, or rescind such rules as the fire 56705
marshal considers to be necessary or appropriate to regulate the 56706
storage, treatment, or disposal of petroleum contaminated soil so 56707

(B) A political subdivision may do any of the following for 56716
an underground storage tank located within its territorial 56717

political subdivision under this section, the state fire marshal 56757
or any law enforcement agency identifies the responsible person or 56758
determines, for any reason, that the previously identified 56759
responsible person was or is able to pay the costs of the action 56760
for which the loan was issued, the political subdivision may bring 56761
any appropriate proceedings against the responsible person to 56762

recover the costs incurred by the political subdivision. The 56763
proceedings may be brought in either the court of common pleas 56764
having jurisdiction where the underground storage tank is located 56765
or the court of common pleas of Franklin county. 56766

(H)(1) The state fire marshal shall adopt and may amend and 56767

Sec. 3742.30. Each child at risk of lead poisoning shall 56789
undergo a blood lead screening test to determine whether the child 56790
has lead poisoning. The at-risk children shall undergo the test at 56791
times determined by rules the director of health shall adopt in 56792

accordance with Chapter 119. of the Revised Code that are 56793
consistent with the guidelines established by the centers for 56794

child lead poisoning and controlling lead hazards. 56818

(B) The director of health shall operate the child lead 56819
poisoning prevention program in accordance with rules adopted 56820
under section 3742.50 of the Revised Code. The director may enter 56821
into an interagency agreement with one or more other state 56822

this division, total emissions of air contaminants may be 56893
calculated using engineering calculations, emissions factors, 56894
material balance calculations, or performance testing procedures, 56895
as authorized by the director. 56896

The following fees shall be assessed on the total actual 56897
emissions from a source in tons per year of the regulated 56898
pollutants particulate matter, sulfur dioxide, nitrogen oxides, 56899
organic compounds, and lead: 56900

(1) Fifteen dollars per ton on the total actual emissions of 56901
each such regulated pollutant during the period July through 56902
December 1993, to be collected no sooner than July 1, 1994; 56903

subsequent calendar year, to be collected no sooner than the 56909
fifteenth day of April of the year next succeeding the calendar 56910
year in which the emissions occurred. 56911

The fees levied under this division do not apply to that 56912

portion of the emissions of a regulated pollutant at a facility 56913
that exceed four thousand tons during a calendar year. 56914

(C)(1) The fees assessed under division (B) of this section 56915
are for the purpose of providing funding for the Title V permit 56916

not apply to emissions from any electric generating unit 56919
designated as a Phase I unit under Title IV of the federal Clean 56920
Air Act prior to calendar year 2000. Those fees shall be assessed 56921
on the emissions from such a generating unit commencing in 56922
calendar year 2001 based upon the total actual emissions from the 56923
generating unit during calendar year 2000 and shall continue to be 56924
assessed each subsequent calendar year based on the total actual 56925
emissions from the generating unit during the preceding calendar 56926
year. 56927

of air contaminant sources who are required to pay a fee assessed 56929
under division (B) or (D) of this section. Any such invoice shall 56930

from January 1, 1994, through December 31, 2003, each person who 56937
owns or operates an air contaminant source; who is required to 56938
apply for a permit to operate pursuant to rules adopted under 56939
division (G), or a variance pursuant to division (H), of section 56940
3704.03 of the Revised Code; and who is not required to apply for 56941
and obtain a Title V permit under section 3704.036 of the Revised 56942
Code shall pay a single fee based upon the sum of the actual 56943

install or permits to operate have been issued for the air		56973
contaminant sources at the facility that include terms and		56974
conditions that lower the facility's potential to emit air		56975
contaminants below the major source thresholds established in		56976

rules adopted under section 3704.036 of the Revised Code. 56977

of this section shall be collected annually no sooner than the 57001
fifteenth day of April, commencing in 2005. The fees assessed 57002
under division (D)(3) of this section shall be collected no sooner 57003
than the fifteenth day of April, commencing in 2000. The fees 57004
assessed under division (D) of this section in a calendar year 57005
shall be based upon the sum of the actual emissions of those 57006
regulated pollutants during the preceding calendar year. For the 57007
purpose of division (D) of this section, emissions of air 57008

contaminants may be calculated using engineering calculations, 57009
emission factors, material balance calculations, or performance 57010
testing procedures, as authorized by the director. The director, 57011
by rule, may require persons who are required to pay the fees 57012
assessed under division (D) of this section to pay those fees 57013
biennially rather than annually. 57014

(E)(1) Consistent with the need to cover the reasonable costs 57015
of the Title V permit program, the director annually shall 57016
increase the fees prescribed in division (B) of this section by 57017
the percentage, if any, by which the consumer price index for the 57018
most recent calendar year ending before the beginning of a year 57019
exceeds the consumer price index for calendar year 1989. Upon 57020
calculating an increase in fees authorized by division (E)(1) of 57021
this section, the director shall compile revised fee schedules for 57022
the purposes of division (B) of this section and shall make the 57023
revised schedules available to persons required to pay the fees 57024
assessed under that division and to the public. 57025

(2) For the purposes of division (E)(1) of this section: 57026

quality sludge generated outside of this state and contained in 57853
bags or other containers not greater than one hundred pounds in 57854
capacity. 57855

A thirty-five per cent reduction for exceptional quality 57856
sludge applies to the maximum annual fees established under 57857
division (Y)(3) of this section. 57858

(c) A sewage sludge facility that transfers sewage sludge to 57859
another sewage sludge facility in this state for further treatment 57860
prior to disposal in this state shall not be required to pay the 57861
annual sludge fee for the tons of sewage sludge that have been 57862
transferred. In such a case, the sewage sludge facility that 57863
disposes of the sewage sludge shall pay the annual sludge fee. 57864
However, the facility transferring the sewage sludge shall pay the 57865
one-hundred-dollar minimum fee required under division (Y)(2)(a) 57866
of this section. 57867

In the case of a sewage sludge facility that treats sewage 57868
sludge in this state and transfers it out of this state to another 57869
entity for disposal, the sewage sludge facility in this state 57870
shall be required to pay the annual sludge fee for the tons of 57871
sewage sludge that have been transferred. 57872

(d) A sewage sludge facility that generates sewage sludge 57873
resulting from an average daily discharge flow of less than five 57874
thousand gallons per day is not subject to the fees assessed under 57875
division (Y) of this section. 57876

(3) No sewage sludge facility required to pay the annual 57877
sludge fee shall be required to pay more than the maximum annual 57878
fee for each disposal method that the sewage sludge facility uses. 57879
The maximum annual fee does not include the additional amount that 57880
may be charged under division (Y)(5) of this section for late 57881
payment of the annual sludge fee. The maximum annual fee for the 57882
following methods of disposal of sewage sludge is as follows: 57883

(a) Incineration: five thousand dollars; 57884

(b) Preexisting land reclamation project or disposal in a 57885
landfill: five thousand dollars; 57886

(c) Land application, land reclamation, surface disposal, or 57887
any other disposal method not specified in division (Y)(3)(a) or 57888
(b) of this section: twenty thousand dollars. 57889

(4)(a) In the case of an entity that generates sewage sludge 57890
or a sewage sludge facility that treats sewage sludge and 57891
transfers the sewage sludge to an incineration facility for 57892
disposal, the incineration facility, and not the entity generating 57893
the sewage sludge or the sewage sludge facility treating the 57894
sewage sludge, shall pay the annual sludge fee for the tons of 57895
sewage sludge that are transferred. However, the entity or 57896
facility generating or treating the sewage sludge shall pay the 57897
one-hundred-dollar minimum fee required under division (Y)(2)(a) 57898
of this section. 57899

(b) In the case of an entity that generates sewage sludge and 57900
transfers the sewage sludge to a landfill for disposal or to a 57901
sewage sludge facility for land reclamation or surface disposal, 57902
the entity generating the sewage sludge, and not the landfill or 57903
sewage sludge facility, shall pay the annual sludge fee for the 57904
tons of sewage sludge that are transferred. 57905

(5) Not later than the first day of April of the calendar 57906
year following March 17, 2000, and each first day of April 57907
thereafter, the director shall issue invoices to persons who are 57908
required to pay the annual sludge fee. The invoice shall identify 57909
the nature and amount of the annual sludge fee assessed and state 57910
the first day of May as the deadline for receipt by the director 57911
of objections regarding the amount of the fee and the first day of 57912
July as the deadline for payment of the fee. 57913

Not later than the first day of May following receipt of an 57914

invoice, a person required to pay the annual sludge fee may submit 57915
objections to the director concerning the accuracy of information 57916
regarding the number of dry tons of sewage sludge used to 57917
calculate the amount of the annual sludge fee or regarding whether 57918
the sewage sludge qualifies for the exceptional quality sludge 57919
discount established in division (Y)(2)(b) of this section. The 57920
director may consider the objections and adjust the amount of the 57921
fee to ensure that it is accurate. 57922

If the director does not adjust the amount of the annual 57923
sludge fee in response to a person's objections, the person may 57924
appeal the director's determination in accordance with Chapter 57925
119. of the Revised Code. 57926

Not later than the first day of June, the director shall 57927
notify the objecting person regarding whether the director has 57928
found the objections to be valid and the reasons for the finding. 57929
If the director finds the objections to be valid and adjusts the 57930
amount of the annual sludge fee accordingly, the director shall 57931
issue with the notification a new invoice to the person 57932
identifying the amount of the annual sludge fee assessed and 57933
stating the first day of July as the deadline for payment. 57934

Not later than the first day of July, any person who is 57935
required to do so shall pay the annual sludge fee. Any person who 57936
is required to pay the fee, but who fails to do so on or before 57937
that date shall pay an additional amount that equals ten per cent 57938
of the required annual sludge fee. 57939

(6) The director shall transmit all moneys collected under 57940
division (Y) of this section to the treasurer of state for deposit 57941
into the surface water protection fund created in section 6111.038 57942
of the Revised Code. The moneys shall be used to defray the costs 57943
of administering and enforcing provisions in Chapter 6111. of the 57944
Revised Code and rules adopted under it that govern the use, 57945
storage, treatment, or disposal of sewage sludge. 57946

(7) Beginning in fiscal year 2001, and every two years 57947
thereafter, the director shall review the total amount of moneys 57948
generated by the annual sludge fees to determine if that amount 57949
exceeded six hundred thousand dollars in either of the two 57950
preceding fiscal years. If the total amount of moneys in the fund 57951
exceeded six hundred thousand dollars in either fiscal year, the 57952
director, after review of the fee structure and consultation with 57953
affected persons, shall issue an order reducing the amount of the 57954
fees levied under division (Y) of this section so that the 57955
estimated amount of moneys resulting from the fees will not exceed 57956
six hundred thousand dollars in any fiscal year. 57957

If, upon review of the fees under division (Y)(7) of this 57958
section and after the fees have been reduced, the director 57959
determines that the total amount of moneys collected and 57960
accumulated is less than six hundred thousand dollars, the 57961
director, after review of the fee structure and consultation with 57962
affected persons, may issue an order increasing the amount of the 57963
fees levied under division (Y) of this section so that the 57964
estimated amount of moneys resulting from the fees will be 57965
approximately six hundred thousand dollars. Fees shall never be 57966
increased to an amount exceeding the amount specified in division 57967
(Y)(7) of this section. 57968

Notwithstanding section 119.06 of the Revised Code, the 57969
director may issue an order under division (Y)(7) of this section 57970
without the necessity to hold an adjudicatory hearing in 57971
connection with the order. The issuance of an order under this 57972
division is not an act or action for purposes of section 3745.04 57973
of the Revised Code. 57974

except the races at the race track, grounds, or enclosure for 58078
which the person holds a permit. Each permit holder may retain as 58079
a commission an amount not to exceed eighteen per cent of the 58080

subject to sections 3769.25 to 3769.28 of the Revised Code. 58084

(B) At the close of each racing day, each permit holder 58085

breakage specified in this section. 58109

Subject to division (M) of this section, from the moneys paid 58110

of the state. As used in this chapter, "PASSPORT program" ~~means~~ 58132
~~the PASSPORT program created under~~ has the same meaning as in 58133
section ~~173.40~~ 173.51 of the Revised Code. 58134

Ohio fairs fund under this division, division (C) of this section, 58141
and division (A) of section 3769.087 of the Revised Code shall be 58142

division, division (C) of this section, and division (A) of 58144
section 3769.087 of the Revised Code. 58145

all thoroughbred owners and trainers participating in a 58148
horse-racing meeting conducted by the permit holder. A 58149
"thoroughbred horsemen's organization" is any corporation or 58150
association that represents, through membership or otherwise, more 58151
than one-half of the aggregate of all thoroughbred owners and 58152
trainers who were licensed and actively participated in racing 58153
within this state during the preceding calendar year. Except as 58154
otherwise provided in this paragraph, any moneys received by a 58155
thoroughbred horsemen's organization shall be used exclusively for 58156
the benefit of thoroughbred owners and trainers racing in this 58157
state through the administrative purposes of the organization, 58158
benevolent activities on behalf of the horsemen, promotion of the 58159
horsemen's rights and interests, and promotion of equine research. 58160
A thoroughbred horsemen's organization may expend not more than an 58161
aggregate of five per cent of its annual gross receipts, or a 58162

larger amount as approved by the organization, for dues, 58163
assessments, and other payments to all other local, national, or 58164
international organizations having as their primary purposes the 58165
promotion of thoroughbred horse racing, thoroughbred horsemen's 58166
rights, and equine research. 58167

(C) Except as otherwise provided in division (B) of this 58168
section, at the close of each racing day, each permit holder 58169
authorized to conduct harness or quarter horse racing, out of the 58170
amount retained that day by the permit holder, shall pay by check, 58171
draft, or money order to the tax commissioner, as a tax, a sum 58172
equal to the following percentages of the total of all moneys 58173
wagered on live racing programs and shall separately compute and 58174
pay by check, draft, or money order to the tax commissioner, as a 58175
tax, a sum equal to the following percentages of the total of all 58176
money wagered on simulcast racing programs on that day: 58177

(1) One per cent of the first two hundred thousand dollars 58178
wagered, or any part of that amount; 58179

(2) Two per cent of the next one hundred thousand dollars 58180
wagered, or any part of that amount; 58181

(3) Three per cent of the next one hundred thousand dollars 58182
wagered, or any part of that amount; 58183

(4) Four per cent of all sums over four hundred thousand 58184
dollars wagered. 58185

Except as otherwise provided in division (B) and subject to 58186
division (M) of this section, from the moneys paid to the tax 58187
commissioner by permit holders authorized to conduct harness or 58188
quarter horse racing, one-half of one per cent of all moneys 58189
wagered on that racing day shall be paid into the Ohio fairs fund; 58190
from the moneys paid to the tax commissioner by permit holders 58191
authorized to conduct harness racing, five-eighths of one per cent 58192
of all moneys wagered on that racing day shall be paid into the 58193

Ohio standardbred development fund; and from the moneys paid to 58194
the tax commissioner by permit holders authorized to conduct 58195
quarter horse racing, five-eighths of one per cent of all moneys 58196
wagered on that racing day shall be paid into the Ohio quarter 58197
horse development fund. 58198

(D) In addition, subject to division (M) of this section, 58199
beginning on January 1, 1996, from the money paid to the tax 58200
commissioner as a tax under this section and division (A) of 58201
section 3769.087 of the Revised Code by harness horse permit 58202
holders, one-half of one per cent of the amount wagered on a 58203
racing day shall be paid into the Ohio standardbred development 58204
fund. Beginning January 1, 1998, the payment to the Ohio 58205
standardbred development fund required under this division does 58206
not apply to county agricultural societies or independent 58207
agricultural societies. 58208

The total amount paid to the Ohio standardbred development 58209
fund under this division, division (C) of this section, and 58210
division (A) of section 3769.087 of the Revised Code and the total 58211
amount paid to the Ohio quarter horse development fund under this 58212
division and division (A) of that section shall not exceed by more 58213
than six per cent the total amount paid into the fund under this 58214
division, division (C) of this section, and division (A) of 58215
section 3769.087 of the Revised Code in the immediately preceding 58216
calendar year. 58217

(E) Subject to division (M) of this section, from the money 58218
paid as a tax under this chapter by harness and quarter horse 58219
permit holders, one-quarter of one per cent of the total of all 58220
moneys wagered on a racing day by each permit holder shall be paid 58221
into the state racing commission operating fund created by section 58222
3769.03 of the Revised Code. This division does not apply to 58223
county and independent fairs and agricultural societies. 58224

(F) Except as otherwise provided in section 3769.089 of the 58225

Revised Code, each permit holder authorized to conduct harness racing shall pay to the harness horsemen's purse pool a sum equal to fifty per cent of the pari-mutuel revenues retained by the permit holder as a commission after payment of the state tax. This fifty per cent payment is to be in addition to the purse distribution from breakage specified in this section.

(G) In addition, each permit holder authorized to conduct harness racing shall be allowed to retain the odd cents of all redistribution to be made on all mutual contributions exceeding a sum equal to the next lowest multiple of ten.

Forty per cent of that portion of that total sum of such odd cents shall be used by the permit holder for purse money for Ohio sired, bred, and owned colts, for purse money for Ohio bred horses, and for increased purse money for horse races. Upon the formation of the corporation described in section 3769.21 of the Revised Code to establish a harness horsemen's health and retirement fund, twenty-five per cent of that portion of that total sum of odd cents shall be paid at the close of each racing day by the permit holder to that corporation to establish and fund the health and retirement fund. Until that corporation is formed, that twenty-five per cent shall be paid at the close of each racing day by the permit holder to the tax commissioner or the tax commissioner's agent in the county seat of the county in which the permit holder operates race meetings. The remaining thirty-five per cent of that portion of that total sum of odd cents shall be retained by the permit holder.

(H) In addition, each permit holder authorized to conduct thoroughbred racing shall be allowed to retain the odd cents of all redistribution to be made on all mutuel contributions exceeding a sum equal to the next lowest multiple of ten. Twenty per cent of that portion of that total sum of such odd cents shall be used by the permit holder for increased purse money for horse

58275 of such odd cents that is in excess of two thousand dollars during
58276 a calendar year, which tax shall be paid at the close of each
58277 racing day by the permit holder to the tax commissioner or the tax
58278 commissioner's agent in the county seat of the county within which
58279 the permit holder operates race meetings. Forty per cent of that
58280 portion of that total sum of such odd cents shall be used by the
58281 permit holder for increased purse money for horse races. The
58282 remaining thirty-five per cent of that portion of that total sum
58283 of odd cents shall be retained by the permit holder.

58284

58288
58289

58284 (J)(1) To encourage the improvement of racing facilities for
58285 the benefit of the public, breeders, and horse owners, and to
58286 increase the revenue to the state from the increase in pari-mutuel
58287 wagering resulting from those improvements, the taxes paid by a
58288 permit holder to the state as provided for in this chapter shall
58289 be reduced by three-fourths of one per cent of the total amount

wagered for those permit holders who make capital improvements to 58290
existing race tracks or construct new race tracks. The percentage 58291
of the reduction that may be taken each racing day shall equal 58292
seventy-five per cent of the taxes levied under divisions (B) and 58293
(C) of this section and section 3769.087 of the Revised Code, and 58294
division (F)(2) of section 3769.26 of the Revised Code, as 58295
applicable, divided by the calculated amount each fund should 58296
receive under divisions (B) and (C) of this section and section 58297
3769.087 of the Revised Code, and division (F)(2) of section 58298
3769.26 of the Revised Code and the reduction provided for in this 58299
division. If the resulting percentage is less than one, that 58300
percentage shall be multiplied by the amount of the reduction 58301
provided for in this division. Otherwise, the permit holder shall 58302
receive the full reduction provided for in this division. The 58303
amount of the allowable reduction not received shall be carried 58304
forward and applied against future tax liability. After any 58305
reductions expire, any reduction carried forward shall be treated 58306
as a reduction as provided for in this division. 58307

If more than one permit holder is authorized to conduct 58308
racing at the facility that is being built or improved, the cost 58309
of the new race track or capital improvement shall be allocated 58310
between or among all the permit holders in the ratio that the 58311
permit holders' number of racing days bears to the total number of 58312
racing days conducted at the facility. 58313

A reduction for a new race track or a capital improvement 58314
shall start from the day racing is first conducted following the 58315
date actual construction of the new race track or each capital 58316
improvement is completed and the construction cost has been 58317
approved by the racing commission, unless otherwise provided in 58318
this section. A reduction for a new race track or a capital 58319
improvement shall continue for a period of twenty-five years for 58320
new race tracks and for fifteen years for capital improvements if 58321

the construction of the capital improvement or new race track 58322
commenced prior to March 29, 1988, and for a period of ten years 58323
for new race tracks or capital improvements if the construction of 58324
the capital improvement or new race track commenced on or after 58325
March 29, 1988, but before June 6, 2001, or until the total tax 58326
reduction reaches seventy per cent of the approved cost of the new 58327
race track or capital improvement, as allocated to each permit 58328
holder, whichever occurs first. A reduction for a new race track 58329
or a capital improvement approved after June 6, 2001, shall 58330
continue until the total tax reduction reaches one hundred per 58331
cent of the approved cost of the new race track or capital 58332
improvement, as allocated to each permit holder. 58333

A reduction granted for a new race track or a capital 58334
improvement, the application for which was approved by the racing 58335
commission after March 29, 1988, but before June 6, 2001, shall 58336
not commence nor shall the ten-year period begin to run until all 58337
prior tax reductions with respect to the same race track have 58338
ended. The total tax reduction because of capital improvements 58339
shall not during any one year exceed for all permit holders using 58340
any one track three-fourths of one per cent of the total amount 58341
wagered, regardless of the number of capital improvements made. 58342
Several capital improvements to a race track may be consolidated 58343
in an application if the racing commission approved the 58344
application prior to March 29, 1988. No permit holder may receive 58345
a tax reduction for a capital improvement approved by the racing 58346
commission on or after March 29, 1988, at a race track until all 58347
tax reductions have ended for all prior capital improvements 58348
approved by the racing commission under this section or section 58349
3769.20 of the Revised Code at that race track. If there are two 58350
or more permit holders operating meetings at the same track, they 58351
may consolidate their applications. The racing commission shall 58352
notify the tax commissioner when the reduction of tax begins and 58353
when it ends. 58354

Each fiscal year the racing commission shall submit a report 58355
to the tax commissioner, the office of budget and management, and 58356
the legislative service commission. The report shall identify each 58357
capital improvement project undertaken under this division and in 58358
progress at each race track, indicate the total cost of each 58359
project, state the tax reduction that resulted from each project 58360
during the immediately preceding fiscal year, estimate the tax 58361
reduction that will result from each project during the current 58362
fiscal year, state the total tax reduction that resulted from all 58363
such projects at all race tracks during the immediately preceding 58364
fiscal year, and estimate the total tax reduction that will result 58365
from all such projects at all race tracks during the current 58366
fiscal year. 58367

(2) In order to qualify for the reduction in tax, a permit 58368
holder shall apply to the racing commission in such form as the 58369
commission may require and shall provide full details of the new 58370
race track or capital improvement, including a schedule for its 58371
construction and completion, and set forth the costs and expenses 58372
incurred in connection with it. The racing commission shall not 58373
approve an application unless the permit holder shows that a 58374
contract for the new race track or capital improvement has been 58375
let under an unrestricted competitive bidding procedure, unless 58376
the contract is exempted by the controlling board because of its 58377
unusual nature. In determining whether to approve an application, 58378
the racing commission shall consider whether the new race track or 58379
capital improvement will promote the safety, convenience, and 58380
comfort of the racing public and horse owners and generally tend 58381
towards the improvement of racing in this state. 58382

(3) If a new race track or capital improvement is approved by 58383
the racing commission and construction has started, the tax 58384
reduction may be authorized by the commission upon presentation of 58385
copies of paid bills in excess of one hundred thousand dollars or 58386

ten per cent of the approved cost, whichever is greater. After the 58387
initial authorization, the permit holder shall present copies of 58388
paid bills. If the permit holder is in substantial compliance with 58389
the schedule for construction and completion of the new race track 58390
or capital improvement, the racing commission may authorize the 58391
continuation of the tax reduction upon the presentation of the 58392
additional paid bills. The total amount of the tax reduction 58393
authorized shall not exceed the percentage of the approved cost of 58394
the new race track or capital improvement specified in division 58395
(J)(1) of this section. The racing commission may terminate any 58396
tax reduction immediately if a permit holder fails to complete the 58397
new race track or capital improvement, or to substantially comply 58398
with the schedule for construction and completion of the new race 58399
track or capital improvement. If a permit holder fails to complete 58400
a new race track or capital improvement, the racing commission 58401
shall order the permit holder to repay to the state the total 58402
amount of tax reduced. The normal tax paid by the permit holder 58403
shall be increased by three-fourths of one per cent of the total 58404
amount wagered until the total amount of the additional tax 58405
collected equals the total amount of tax reduced. 58406

(4) As used in this section: 58407

(a) "Capital improvement" means an addition, replacement, or 58408
remodeling of a structural unit of a race track facility costing 58409
at least one hundred thousand dollars, including, but not limited 58410
to, the construction of barns used exclusively for the race track 58411
facility, backstretch facilities for horsemen, paddock facilities, 58412
new pari-mutuel and totalizator equipment and appurtenances to 58413
that equipment purchased by the track, new access roads, new 58414
parking areas, the complete reconstruction, reshaping, and 58415
leveling of the racing surface and appurtenances, the installation 58416
of permanent new heating or air conditioning, roof replacement or 58417
restoration, installations of a permanent nature forming a part of 58418

the track structure, and construction of buildings that are 58419
located on a permit holder's premises. "Capital improvement" does 58420
not include the cost of replacement of equipment that is not 58421
permanently installed, ordinary repairs, painting, and maintenance 58422
required to keep a race track facility in ordinary operating 58423
condition. 58424

(b) "New race track" includes the reconstruction of a race 58425
track damaged by fire or other cause that has been declared by the 58426
racing commission, as a result of the damage, to be an inadequate 58427
facility for the safe operation of horse racing. 58428

(c) "Approved cost" includes all debt service and interest 58429
costs that are associated with a capital improvement or new race 58430
track and that the racing commission approves for a tax reduction 58431
under division (J) of this section. 58432

(5) The racing commission shall not approve an application 58433
for a tax reduction under this section if it has reasonable cause 58434
to believe that the actions or negligence of the permit holder 58435
substantially contributed to the damage suffered by the track due 58436
to fire or other cause. The racing commission shall obtain any 58437
data or information available from a fire marshal, law enforcement 58438
official, or insurance company concerning any fire or other damage 58439
suffered by a track, prior to approving an application for a tax 58440
reduction. 58441

(6) The approved cost to which a tax reduction applies shall 58442
be determined by generally accepted accounting principles and 58443
verified by an audit of the permit holder's records upon 58444
completion of the project by the racing commission, or by an 58445
independent certified public accountant selected by the permit 58446
holder and approved by the commission. 58447

(K) No other license or excise tax or fee, except as provided 58448
in sections 3769.01 to 3769.14 of the Revised Code, shall be 58449

assessed or collected from such licensee by any county, township, 58450
district, municipal corporation, or other body having power to 58451
assess or collect a tax or fee. That portion of the tax paid under 58452
this section by permit holders for racing conducted at and during 58453
the course of an agricultural exposition or fair, and that portion 58454
of the tax that would have been paid by eligible permit holders 58455
into the nursing home franchise permit fee fund as a result of 58456
racing conducted at and during the course of an agricultural 58457
exposition or fair, shall be deposited into the state treasury to 58458
the credit of the horse racing tax fund, which is hereby created 58459
for the use of the agricultural societies of the several counties 58460
in which the taxes originate. The state racing commission shall 58461
determine eligible permit holders for purposes of the preceding 58462
sentence, taking into account the breed of horse, the racing 58463
dates, the geographic proximity to the fair, and the best 58464
interests of Ohio racing. On the first day of any month on which 58465
there is money in the fund, the tax commissioner shall provide for 58466
payment to the treasurer of each agricultural society the amount 58467
of the taxes collected under this section upon racing conducted at 58468
and during the course of any exposition or fair conducted by the 58469
society. 58470

(L) From the tax paid under this section by harness track 58471
permit holders, the tax commissioner shall pay into the Ohio 58472
thoroughbred race fund a sum equal to a percentage of the amount 58473
wagered upon which the tax is paid. The percentage shall be 58474
determined by the tax commissioner and shall be rounded to the 58475
nearest one-hundredth. The percentage shall be such that, when 58476
multiplied by the amount wagered upon which tax was paid by the 58477
harness track permit holders in the most recent year for which 58478
final figures are available, it results in a sum that 58479
substantially equals the same amount of tax paid by the tax 58480
commissioner during that year into the Ohio fairs fund from taxes 58481
paid by thoroughbred permit holders. This division does not apply 58482

to county and independent fairs and agricultural societies. 58483

(M) Twenty-five per cent of the taxes levied on thoroughbred 58484
racing permit holders, harness racing permit holders, and quarter 58485
horse racing permit holders under this section, division (A) of 58486
section 3769.087 of the Revised Code, and division (F)(2) of 58487
section 3769.26 of the Revised Code shall be paid into the nursing 58488
home franchise permit fee fund. The tax commissioner shall pay any 58489
money remaining, after the payment into the nursing home franchise 58490
permit fee fund and the reductions provided for in division (J) of 58491
this section and in section 3769.20 of the Revised Code, into the 58492
Ohio fairs fund, Ohio thoroughbred race fund, Ohio standardbred 58493
development fund, Ohio quarter horse fund, and state racing 58494
commission operating fund as prescribed in this section and 58495
division (A) of section 3769.087 of the Revised Code. The tax 58496
commissioner shall thereafter use and apply the balance of the 58497
money paid as a tax by any permit holder to cover any shortage in 58498
the accounts of such funds resulting from an insufficient payment 58499
as a tax by any other permit holder. The moneys received by the 58500
tax commissioner shall be deposited weekly and paid by the tax 58501
commissioner into the funds to cover the total aggregate amount 58502
due from all permit holders to the funds, as calculated under this 58503
section and division (A) of section 3769.087 of the Revised Code, 58504
as applicable. If, after the payment into the nursing home 58505
franchise permit fee fund, sufficient funds are not available from 58506
the tax deposited by the tax commissioner to pay the required 58507
amounts into the Ohio fairs fund, Ohio standardbred development 58508
fund, Ohio thoroughbred race fund, Ohio quarter horse fund, and 58509
the state racing commission operating fund, the tax commissioner 58510
shall prorate on a proportional basis the amount paid to each of 58511
the funds. Any shortage to the funds as a result of a proration 58512
shall be applied against future deposits for the same calendar 58513
year when funds are available. After this application, the tax 58514
commissioner shall pay any remaining money paid as a tax by all 58515

permit holders into the nursing home franchise permit fee fund. 58516
This division does not apply to permit holders conducting racing 58517
at the course of an agricultural exposition or fair as described 58518
in division (K) of this section. 58519

Sec. 3769.088. (A) If any permit holder required by this 58520
chapter to pay the taxes levied by sections 3769.08, 3769.087, 58521
3769.26, and 3769.28 of the Revised Code fails to pay the taxes, 58522
the tax commissioner may make an assessment against the permit 58523
holder based upon any information in the commissioner's 58524
possession. 58525

A penalty of up to fifteen per cent may be added to the 58526
amount of every assessment made under this section. The 58527
commissioner may adopt rules providing for the imposition and 58528
remission of penalties added to assessments made under this 58529
section. 58530

The commissioner shall give the party assessed written notice 58531
of the assessment in the manner provided in section 5703.37 of the 58532
Revised Code. With the notice, the commissioner shall provide 58533
instructions on how to petition for reassessment and request a 58534
hearing on the petition. 58535

(B) Unless the party assessed files with the tax commissioner 58536
within sixty days after service of the notice of assessment, 58537
either personally or by certified mail, a written petition for 58538
reassessment signed by the party assessed or that party's 58539
authorized agent having knowledge of the facts, the assessment 58540
becomes final and the amount of the assessment is due and payable 58541
from the party assessed to the commissioner. The petition shall 58542
indicate the objections of the party assessed, but additional 58543
objections may be raised in writing if received by the 58544
commissioner prior to the date shown on the final determination. 58545
If the petition has been properly filed, the commissioner shall 58546

proceed under section 5703.60 of the Revised Code. 58547

(C) After an assessment becomes final, if any portion of the 58548
assessment remains unpaid, including accrued interest, a certified 58549
copy of the tax commissioner's entry making the assessment final 58550
may be filed in the office of the clerk of the court of common 58551
pleas in the county in which the place, track, or enclosure for 58552
which the permit was issued is located or the county in which the 58553
party assessed resides or has its principal place of business. If 58554
the party assessed maintains no place of business in this state 58555
and is not a resident of this state, the certified copy of the 58556
entry may be filed in the office of the clerk of the court of 58557
common pleas of Franklin county. 58558

Immediately upon the filing of the entry, the clerk shall 58559
enter a judgment for the state against the party assessed in the 58560
amount shown on the entry. The judgment may be filed by the clerk 58561
in a loose-leaf book entitled "special judgments for state horse 58562
racing tax," and shall have the same effect as other judgments. 58563
Execution shall issue upon the judgment upon the request of the 58564
tax commissioner, and all laws applicable to sales on execution 58565
shall apply to sales made under the judgment. 58566

~~The portion of~~ If the assessment is not paid in its entirety 58567
within sixty days after the day the assessment was issued, the 58568
portion of the assessment consisting of tax due shall bear 58569
interest at the rate per annum prescribed by section 5703.47 of 58570
the Revised Code from the day the tax commissioner issues the 58571
assessment until the day the assessment is paid or until it is 58572
certified to the attorney general for collection under section 58573
131.02 of the Revised Code, whichever comes first. If the unpaid 58574
portion of the assessment is certified to the attorney general for 58575
collection, the entire unpaid portion of the assessment shall bear 58576
interest at the rate per annum prescribed by section 5703.47 of 58577
the Revised Code from the date of certification until the date it 58578

is paid in its entirety. Interest shall be paid in the same manner 58579
as the tax and may be collected by the issuance of an assessment 58580
under this section. 58581

(D) All money collected by the tax commissioner under this 58582
section shall be treated as revenue arising from the taxes imposed 58583
by sections 3769.08, 3769.087, 3769.26, and 3769.28 of the Revised 58584
Code. 58585

Sec. 3770.02. (A) Subject to the advice and consent of the 58586
senate, the governor shall appoint a director of the state lottery 58587
commission who shall serve at the pleasure of the governor. The 58588
director shall devote full time to the duties of the office and 58589
shall hold no other office or employment. The director shall meet 58590
all requirements for appointment as a member of the commission and 58591
shall, by experience and training, possess management skills that 58592
equip the director to administer an enterprise of the nature of a 58593
state lottery. The director shall receive an annual salary in 58594
accordance with pay range 48 of section 124.152 of the Revised 58595
Code. 58596

(B)(1) The director shall attend all meetings of the 58597
commission and shall act as its secretary. The director shall keep 58598
a record of all commission proceedings and shall keep the 58599
commission's records, files, and documents at the commission's 58600
principal office. All records of the commission's meetings shall 58601
be available for inspection by any member of the public, upon a 58602
showing of good cause and prior notification to the director. 58603

(2) The director shall be the commission's executive officer 58604
and shall be responsible for keeping all commission records and 58605
supervising and administering the state lottery in accordance with 58606
this chapter, and carrying out all commission rules adopted under 58607
section 3770.03 of the Revised Code. 58608

(C)(1) The director shall appoint an assistant director, 58609

deputy directors of marketing, operations, sales, finance, public 58610
relations, security, and administration, and as many regional 58611
managers as are required. The director may also appoint necessary 58612
professional, technical, and clerical assistants. All such 58613
officers and employees shall be appointed and compensated pursuant 58614
to Chapter 124. of the Revised Code. Regional and assistant 58615
regional managers, sales representatives, and any lottery 58616
executive account representatives shall remain in the unclassified 58617
service. 58618

(2) The director, in consultation with the director of 58619
administrative services, may establish standards of proficiency 58620
and productivity for commission field representatives. 58621

(D) The director shall request the bureau of criminal 58622
identification and investigation, the department of public safety, 58623
or any other state, local, or federal agency to supply the 58624
director with the criminal records of any job applicant and may 58625
periodically request the criminal records of commission employees. 58626
At or prior to the time of making such a request, the director 58627
shall require a job applicant or commission employee to obtain 58628
fingerprint cards prescribed by the superintendent of the bureau 58629
of criminal identification and investigation at a qualified law 58630
enforcement agency, and the director shall cause these fingerprint 58631
cards to be forwarded to the bureau of criminal identification and 58632
investigation and the federal bureau of investigation. The 58633
commission shall assume the cost of obtaining the fingerprint 58634
cards and shall pay to each agency supplying criminal records for 58635
each investigation under this division a reasonable fee, as 58636
determined by the agency. 58637

(E) The director shall license lottery sales agents pursuant 58638
to section 3770.05 of the Revised Code and, when it is considered 58639
necessary, may revoke or suspend the license of any lottery sales 58640
agent. The director may license video lottery technology 58641

providers, independent testing laboratories, and gaming employees, 58642
and promulgate rules relating thereto. When the director considers 58643
it necessary, the director may suspend or revoke the license of a 58644
video lottery technology provider, independent testing laboratory, 58645
or gaming employee, including suspension or revocation without 58646
affording an opportunity for a prior hearing under section 119.07 58647
of the Revised Code when the public safety, convenience, or trust 58648
requires immediate action. 58649

(F) The director shall confer at least once each month with 58650
the commission, at which time the director shall advise it 58651
regarding the operation and administration of the lottery. The 58652
director shall make available at the request of the commission all 58653
documents, files, and other records pertaining to the operation 58654
and administration of the lottery. The director shall prepare and 58655
make available to the commission each month a complete and 58656
accurate accounting of lottery revenues, prize money disbursements 58657
and the cost of goods and services awarded as prizes, operating 58658
expenses, and all other relevant financial information, including 58659
an accounting of all transfers made from any lottery funds in the 58660
custody of the treasurer of state to benefit education. 58661

(G) The director may enter into contracts for the operation 58662
or promotion of the lottery pursuant to Chapter 125. of the 58663
Revised Code. 58664

(H)(1) Pursuant to rules adopted by the commission under 58665
section 3770.03 of the Revised Code, the director shall require 58666
any lottery sales agents to ~~either mail directly to the commission~~ 58667
~~or~~ deposit to the credit of the state lottery fund, in banking 58668
institutions designated by the treasurer of state, net proceeds 58669
due the commission as determined by the director, ~~and to file with~~ 58670
~~the director or the director's designee reports of their receipts~~ 58671
~~and transactions in the sale of lottery tickets in the form~~ 58672
~~required by the director.~~ 58673

(2) Pursuant to rules adopted by the commission under Chapter 58674
119. of the Revised Code, the director may impose penalties for 58675
the failure of a sales agent to transfer funds to the commission 58676
in a timely manner. Penalties may include monetary penalties, 58677
immediate suspension or revocation of a license, or any other 58678
penalty the commission adopts by rule. 58679

(I) The director may arrange for any person, or any banking 58680
institution, to perform functions and services in connection with 58681
the operation of the lottery as the director may consider 58682
necessary to carry out this chapter. 58683

the committee, the agency, subdivision, or instrumentality shall 60920
furnish the information to the chairperson of the committee. 60921

(E) The committee shall not later than one hundred eighty 60922
days following the close of each fiscal year transmit to the 60923
governor, the general assembly, and each qualified nonprofit 60924
agency for persons with severe disabilities a report that includes 60925
the names of the committee members serving during the preceding 60926
fiscal year, the dates of committee meetings in that year, and any 60927

Revised Code that the committee determines are necessary. 60929

(F) The director of administrative services shall designate a 60930
subordinate to act as executive director of the committee and 60931
shall furnish other staff and clerical assistance, office space, 60932
and supplies required by the committee. 60933

Sec. 4117.06. (A) The state employment relations board shall 60934
decide in each case the unit appropriate for the purposes of 60935

collective bargaining. The determination is final and conclusive 60936
and not appealable to the court. 60937

(B) The board shall determine the appropriateness of each 60938
bargaining unit and shall consider among other relevant factors: 60939
the desires of the employees; the community of interest; wages, 60940
hours, and other working conditions of the public employees; the 60941
effect of over-fragmentation; the efficiency of operations of the 60942
public employer; the administrative structure of the public 60943
employer; and the history of collective bargaining. 60944

(C) The board may determine a unit to be the appropriate unit 60945
in a particular case, even though some other unit might also be 60946
appropriate. 60947

(D) In addition, in determining the appropriate unit, the 60948
board shall not: 60949

(1) Decide that any unit is appropriate if the unit includes 60950
both professional and nonprofessional employees, unless a majority 60951
of the professional employees and a majority of the 60952
nonprofessional employees first vote for inclusion in the unit; 60953

(2) Include guards or correction officers at correctional or 60954

a unit with other employees; 60962

(3) Include members of a police or fire department or members 60963
of the state highway patrol in a unit with other classifications 60964
of public employees of the department; 60965

(4) Designate as appropriate a bargaining unit that contains 60966

more than one institution of higher education; nor shall it within 60967
any such institution of higher education designate as appropriate 60968
a unit where such designation would be inconsistent with the 60969
accreditation standards or interpretations of such standards, 60970
governing such institution of higher education or any department, 60971
school, or college thereof. For the purposes of this division, any 60972
branch or regional campus of a public institution of higher 60973
education is part of that institution of higher education. 60974

(5) Designate as appropriate a bargaining unit that contains 60975
employees within the jurisdiction of more than one elected county 60976
office holder, unless the county-elected office holder and the 60977
board of county commissioners agree to such other designation; 60978

(6) With respect to members of a police department, designate 60979
as appropriate a unit that includes rank and file members of the 60980
department with members who are of the rank of sergeant or above; 60981

section 3314.10 or division (B) of section 3326.18 of the Revised 60983
Code, designate as appropriate a bargaining unit that contains 60984
employees from multiple community schools established under 60985
Chapter 3314. or multiple science, technology, engineering, and 60986

Code. For purposes of this division, more than one unit may be 60988
designated within a single community school or science, 60989
technology, engineering, and mathematics school. 60990

This section shall not be deemed to prohibit multiunit 60991
bargaining. 60992

Sec. 4117.14. (A) The procedures contained in this section 60993
govern the settlement of disputes between an exclusive 60994
representative and a public employer concerning the termination or 60995
modification of an existing collective bargaining agreement or 60996
negotiation of a successor agreement, or the negotiation of an 60997

initial collective bargaining agreement. 60998

(B)(1) In those cases where there exists a collective 60999
bargaining agreement, any public employer or exclusive 61000
representative desiring to terminate, modify, or negotiate a 61001
successor collective bargaining agreement shall: 61002

(a) Serve written notice upon the other party of the proposed 61003
termination, modification, or successor agreement. The party must 61004
serve the notice not less than sixty days prior to the expiration 61005
date of the existing agreement or, in the event the existing 61006
collective bargaining agreement does not contain an expiration 61007
date, not less than sixty days prior to the time it is proposed to 61008
make the termination or modifications or to make effective a 61009
successor agreement. 61010

the purpose of modifying or terminating any existing agreement or 61012
negotiating a successor agreement; 61013

by serving upon the board a copy of the written notice to the 61015
other party and a copy of the existing collective bargaining 61016
agreement. 61017

(2) In the case of initial negotiations between a public 61018
employer and an exclusive representative, where a collective 61019
bargaining agreement has not been in effect between the parties, 61020
any party may serve notice upon the board and the other party 61021
setting forth the names and addresses of the parties and offering 61022
to meet, for a period of ninety days, with the other party for the 61023
purpose of negotiating a collective bargaining agreement. 61024

If the settlement procedures specified in divisions (B), (C), 61025
and (D) of this section govern the parties, where those procedures 61026
refer to the expiration of a collective bargaining agreement, it 61027
means the expiration of the sixty-day period to negotiate a 61028

collective bargaining agreement referred to in this subdivision, 61029
or in the case of initial negotiations, it means the ninety-day 61030
period referred to in this subdivision. 61031

(3) The parties shall continue in full force and effect all 61032
the terms and conditions of any existing collective bargaining 61033
agreement, without resort to strike or lock-out, for a period of 61034
sixty days after the party gives notice or until the expiration 61035
date of the collective bargaining agreement, whichever occurs 61036
later, or for a period of ninety days where applicable. 61037

(4) Upon receipt of the notice, the parties shall enter into 61038
collective bargaining. 61039

(C) In the event the parties are unable to reach an 61040
agreement, they may submit, at any time prior to forty-five days 61041
before the expiration date of the collective bargaining agreement, 61042
the issues in dispute to any mutually agreed upon dispute 61043
settlement procedure which supersedes the procedures contained in 61044
this section. 61045

(1) The procedures may include: 61046

(a) Conventional arbitration of all unsettled issues; 61047

(b) Arbitration confined to a choice between the last offer 61048
of each party to the agreement as a single package; 61049

(c) Arbitration confined to a choice of the last offer of 61050
each party to the agreement on each issue submitted; 61051

(d) The procedures described in division (C)(1)(a), (b), or 61052
(c) of this section and including among the choices for the 61053
arbitrator, the recommendations of the fact finder, if there are 61054
recommendations, either as a single package or on each issue 61055
submitted; 61056

(e) Settlement by a citizens' conciliation council composed 61057
of three residents within the jurisdiction of the public employer. 61058

The public employer shall select one member and the exclusive
representative shall select one member. The two members selected
shall select the third member who shall chair the council. If the
two members cannot agree upon a third member within five days
after their appointments, the board shall appoint the third
member. Once appointed, the council shall make a final settlement
of the issues submitted to it pursuant to division (G) of this
section.

(f) Any other dispute settlement procedure mutually agreed to
by the parties.

(2) If, fifty days before the expiration date of the
collective bargaining agreement, the parties are unable to reach
an agreement, any party may request the state employment relations
board to intervene. The request shall set forth the names and
addresses of the parties, the issues involved, and, if applicable,
the expiration date of any agreement.

The board shall intervene and investigate the dispute to
determine whether the parties have engaged in collective
bargaining.

If an impasse exists or forty-five days before the expiration
date of the collective bargaining agreement if one exists, the
board shall appoint a mediator to assist the parties in the
collective bargaining process.

(3) Any time after the appointment of a mediator, either
party may request the appointment of a fact-finding panel. Within
fifteen days after receipt of a request for a fact-finding panel,
the board shall appoint a fact-finding panel of not more than
three members who have been selected by the parties in accordance
with rules established by the board, from a list of qualified
persons maintained by the board.

(a) The fact-finding panel shall, in accordance with rules

and procedures established by the board that include the 61090
regulation of costs and expenses of fact-finding, gather facts and 61091
make recommendations for the resolution of the matter. The board 61092
shall by its rules require each party to specify in writing the 61093
unresolved issues and its position on each issue to the 61094
fact-finding panel. The fact-finding panel shall make final 61095
recommendations as to all the unresolved issues. 61096

(b) The board may continue mediation, order the parties to 61097
engage in collective bargaining until the expiration date of the 61098
agreement, or both. 61099

(4) The following guidelines apply to fact-finding: 61100

(a) The fact-finding panel may establish times and place of 61101
hearings which shall be, where feasible, in the jurisdiction of 61102
the state. 61103

(b) The fact-finding panel shall conduct the hearing pursuant 61104
to rules established by the board. 61105

(c) Upon request of the fact-finding panel, the board shall 61106
issue subpoenas for hearings conducted by the panel. 61107

(d) The fact-finding panel may administer oaths. 61108

(e) The board shall prescribe guidelines for the fact-finding 61109
panel to follow in making findings. In making its recommendations, 61110
the fact-finding panel shall take into consideration the factors 61111
listed in divisions (G)(7)(a) to (f) of this section. 61112

(f) The fact-finding panel may attempt mediation at any time 61113
during the fact-finding process. From the time of appointment 61114
until the fact-finding panel makes a final recommendation, it 61115
shall not discuss the recommendations for settlement of the 61116
dispute with parties other than the direct parties to the dispute. 61117

(5) The fact-finding panel, acting by a majority of its 61118
members, shall transmit its findings of fact and recommendations 61119

on the unresolved issues to the public employer and employee 61120
organization involved and to the board no later than fourteen days 61121
after the appointment of the fact-finding panel, unless the 61122
parties mutually agree to an extension. The parties shall share 61123
the cost of the fact-finding panel in a manner agreed to by the 61124
parties. 61125

(6)(a) Not later than seven days after the findings and 61126
recommendations are sent, the legislative body, by a three-fifths 61127
vote of its total membership, and in the case of the public 61128
employee organization, the membership, by a three-fifths vote of 61129
the total membership, may reject the recommendations; if neither 61130
rejects the recommendations, the recommendations shall be deemed 61131
agreed upon as the final resolution of the issues submitted and a 61132
collective bargaining agreement shall be executed between the 61133
parties, including the fact-finding panel's recommendations, 61134
except as otherwise modified by the parties by mutual agreement. 61135
If either the legislative body or the public employee organization 61136
rejects the recommendations, the board shall publicize the 61137
findings of fact and recommendations of the fact-finding panel. 61138
The board shall adopt rules governing the procedures and methods 61139
for public employees to vote on the recommendations of the 61140
fact-finding panel. 61141

(b) As used in division (C)(6)(a) of this section, 61142
"legislative body" means the controlling board when the state or 61143
any of its agencies, authorities, commissions, boards, or other 61144
branch of public employment is party to the fact-finding process. 61145

(D) If the parties are unable to reach agreement within seven 61146
days after the publication of findings and recommendations from 61147
the fact-finding panel or the collective bargaining agreement, if 61148
one exists, has expired, then the: 61149

(1) Public employees, who are members of a police or fire 61150
department, members of the state highway patrol, deputy sheriffs, 61151

dispatchers employed by a police, fire, or sheriff's department or 61152
the state highway patrol or civilian dispatchers employed by a 61153
public employer other than a police, fire, or sheriff's department 61154
to dispatch police, fire, sheriff's department, or emergency 61155
medical or rescue personnel and units, an exclusive nurse's unit, 61156
employees of the state school for the deaf or the state school for 61157
the blind, employees of any public employee retirement system, 61158
corrections officers, guards at penal or mental institutions, 61159
special police officers appointed in accordance with sections 61160
~~5119.14~~ 5119.08 and 5123.13 of the Revised Code, psychiatric 61161
attendants employed at mental health forensic facilities, youth 61162
leaders employed at juvenile correctional facilities, or members 61163
of a law enforcement security force that is established and 61164
maintained exclusively by a board of county commissioners and 61165
whose members are employed by that board, shall submit the matter 61166
to a final offer settlement procedure pursuant to a board order 61167
issued forthwith to the parties to settle by a conciliator 61168
selected by the parties. The parties shall request from the board 61169
a list of five qualified conciliators and the parties shall select 61170
a single conciliator from the list by alternate striking of names. 61171
If the parties cannot agree upon a conciliator within five days 61172
after the board order, the board shall on the sixth day after its 61173
order appoint a conciliator from a list of qualified persons 61174
maintained by the board or shall request a list of qualified 61175
conciliators from the American arbitration association and appoint 61176
therefrom. 61177

(2) Public employees other than those listed in division 61178
(D)(1) of this section have the right to strike under Chapter 61179
4117. of the Revised Code provided that the employee organization 61180
representing the employees has given a ten-day prior written 61181
notice of an intent to strike to the public employer and to the 61182
board, and further provided that the strike is for full, 61183
consecutive work days and the beginning date of the strike is at 61184

least ten work days after the ending date of the most recent prior 61185
strike involving the same bargaining unit; however, the board, at 61186
its discretion, may attempt mediation at any time. 61187

(E) Nothing in this section shall be construed to prohibit 61188
the parties, at any time, from voluntarily agreeing to submit any 61189
or all of the issues in dispute to any other alternative dispute 61190
settlement procedure. An agreement or statutory requirement to 61191
arbitrate or to settle a dispute pursuant to a final offer 61192
settlement procedure and the award issued in accordance with the 61193
agreement or statutory requirement is enforceable in the same 61194
manner as specified in division (B) of section 4117.09 of the 61195
Revised Code. 61196

(F) Nothing in this section shall be construed to prohibit a 61197
party from seeking enforcement of a collective bargaining 61198
agreement or a conciliator's award as specified in division (B) of 61199
section 4117.09 of the Revised Code. 61200

(G) The following guidelines apply to final offer settlement 61201
proceedings under division (D)(1) of this section: 61202

(1) The parties shall submit to final offer settlement those 61203
issues that are subject to collective bargaining as provided by 61204
section 4117.08 of the Revised Code and upon which the parties 61205
have not reached agreement and other matters mutually agreed to by 61206
the public employer and the exclusive representative; except that 61207
the conciliator may attempt mediation at any time. 61208

(2) The conciliator shall hold a hearing within thirty days 61209
of the board's order to submit to a final offer settlement 61210
procedure, or as soon thereafter as is practicable. 61211

(3) The conciliator shall conduct the hearing pursuant to 61212
rules developed by the board. The conciliator shall establish the 61213
hearing time and place, but it shall be, where feasible, within 61214
the jurisdiction of the state. Not later than five calendar days 61215

before the hearing, each of the parties shall submit to the 61216
conciliator, to the opposing party, and to the board, a written 61217
report summarizing the unresolved issues, the party's final offer 61218
as to the issues, and the rationale for that position. 61219

(4) Upon the request by the conciliator, the board shall 61220
issue subpoenas for the hearing. 61221

(5) The conciliator may administer oaths. 61222

(6) The conciliator shall hear testimony from the parties and 61223
provide for a written record to be made of all statements at the 61224
hearing. The board shall submit for inclusion in the record and 61225
for consideration by the conciliator the written report and 61226
recommendation of the fact-finders. 61227

(7) After hearing, the conciliator shall resolve the dispute 61228
between the parties by selecting, on an issue-by-issue basis, from 61229
between each of the party's final settlement offers, taking into 61230
consideration the following: 61231

(a) Past collectively bargained agreements, if any, between 61232
the parties; 61233

(b) Comparison of the issues submitted to final offer 61234
settlement relative to the employees in the bargaining unit 61235
involved with those issues related to other public and private 61236
employees doing comparable work, giving consideration to factors 61237
peculiar to the area and classification involved; 61238

(c) The interests and welfare of the public, the ability of 61239
the public employer to finance and administer the issues proposed, 61240
and the effect of the adjustments on the normal standard of public 61241
service; 61242

(d) The lawful authority of the public employer; 61243

(e) The stipulations of the parties; 61244

(f) Such other factors, not confined to those listed in this 61245

section, which are normally or traditionally taken into 61246
consideration in the determination of the issues submitted to 61247
final offer settlement through voluntary collective bargaining, 61248
mediation, fact-finding, or other impasse resolution procedures in 61249
the public service or in private employment. 61250

(8) Final offer settlement awards made under Chapter 4117. of 61251
the Revised Code are subject to Chapter 2711. of the Revised Code. 61252

(9) If more than one conciliator is used, the determination 61253
must be by majority vote. 61254

(10) The conciliator shall make written findings of fact and 61255
promulgate a written opinion and order upon the issues presented 61256
to the conciliator, and upon the record made before the 61257
conciliator and shall mail or otherwise deliver a true copy 61258
thereof to the parties and the board. 61259

(11) Increases in rates of compensation and other matters 61260
with cost implications awarded by the conciliator may be effective 61261
only at the start of the fiscal year next commencing after the 61262
date of the final offer settlement award; provided that if a new 61263
fiscal year has commenced since the issuance of the board order to 61264
submit to a final offer settlement procedure, the awarded 61265
increases may be retroactive to the commencement of the new fiscal 61266
year. The parties may, at any time, amend or modify a 61267
conciliator's award or order by mutual agreement. 61268

(12) The parties shall bear equally the cost of the final 61269
offer settlement procedure. 61270

(13) Conciliators appointed pursuant to this section shall be 61271
residents of the state. 61272

(H) All final offer settlement awards and orders of the 61273
conciliator made pursuant to Chapter 4117. of the Revised Code are 61274
subject to review by the court of common pleas having jurisdiction 61275
over the public employer as provided in Chapter 2711. of the 61276

Revised Code. If the public employer is located in more than one 61277
court of common pleas district, the court of common pleas in which 61278
the principal office of the chief executive is located has 61279
jurisdiction. 61280

(I) The issuance of a final offer settlement award 61281
constitutes a binding mandate to the public employer and the 61282
exclusive representative to take whatever actions are necessary to 61283
implement the award. 61284

Sec. 4117.15. (A) Whenever a strike by members of a police or 61285
fire department, members of the state highway patrol, deputy 61286
sheriffs, dispatchers employed by a police, fire, or sheriff's 61287

sheriff's department to dispatch police, fire, sheriff's 61290
department, or emergency medical or rescue personnel and units, an 61291
exclusive nurse's unit, employees of the state school for the deaf 61292
or the state school for the blind, employees of any public 61293
employee retirement system, correction officers, guards at penal 61294
or mental institutions, or special police officers appointed in 61295
accordance with sections ~~5119.14~~ 5119.08 and 5123.13 of the 61296
Revised Code, psychiatric attendants employed at mental health 61297

settlement procedures set forth in section 4117.14 of the Revised 61303

bargaining agreement occurs, the public employer may seek an 61305
injunction against the strike in the court of common pleas of the 61306
county in which the strike is located. 61307

(B) An unfair labor practice by a public employer is not a defense to the injunction proceeding noted in division (A) of this section. Allegations of unfair labor practices during the settlement procedures set forth in section 4117.14 of the Revised Code shall receive priority by the state employment relations board.

(C) No public employee is entitled to pay or compensation from the public employer for the period engaged in any strike.

Not later than July 1, 2012, the administrator of workers' compensation shall adopt rules in accordance with Chapter 119. of the Revised Code to implement a coordinated services program for claimants under this chapter or Chapter 4123., 4127., or 4131. of the Revised Code who are found to have obtained prescription drugs that were reimbursed pursuant to an order of the administrator or of the industrial commission or by a self-insuring employer but were obtained at a frequency or in an amount that is not medically necessary. The program shall be implemented in a manner that is substantially similar to the coordinated services programs established for the medicaid program under ~~section 5111.085~~ sections 5164.758 and ~~5111.179~~ 5167.13 of the Revised Code.

the employer pays the premium due; 61341

(B) A rule providing for ascertaining the correctness of any 61342
employer's report of estimated or actual expenditure of wages and 61343
the determination and adjustment of proper premiums and the 61344
payment of those premiums by the employer for or during any period 61345
less than eight months and notwithstanding any payment or 61346
determination of premium made when exceptional conditions or 61347
circumstances in the judgment of the administrator justify the 61348
action; 61349

(C) Such special rules as the administrator considers 61350
necessary to safeguard the fund and that are just in the 61351
circumstances, covering the rates to be applied where one employer 61352

chapter and Chapter 4121. of the Revised Code shall be assessed a 61363
premium in accordance with the expenditure of wages, payroll, or 61364
both attributable to only labor performed and services provided by 61365
such an employee when the employee performs labor and provides 61366
services for which the employee is not eligible to receive 61367
compensation and benefits under that federal act. 61368
61369

- (E) A rule providing for all of the following: 61370
- (1) If, within two months immediately after the expiration of 61371
the six-month period, an employer fails to file a report of the 61372
employer's actual payroll expenditures for the period, the premium 61373
found to be due from the employer for the period shall be 61374
increased in an amount equal to one per cent of the premium, but 61375
the increase shall not be less than three nor more than fifteen 61376
dollars; 61377
- (2) The premium determined by the administrator to be due 61378
from an employer shall be payable on or before the end of the 61379
coverage period established by the premium security deposit, or 61380
within the time specified by the administrator if the period for 61381
which the advance premium has been paid is less than eight months. 61382
If an employer fails to pay the premium when due, the 61383
administrator may add a late fee penalty of not more than thirty 61384
dollars to the premium plus an additional penalty amount as 61385

the premium due; 61391

fifty days past due, the prime interest rate plus four per cent, 61393

eighty days past due, the prime interest rate plus six per cent, 61396
multiplied by the premium due; 61397
- (e) For a premium from one hundred eighty-one to two hundred 61398
ten days past due, the prime interest rate plus eight per cent, 61399
multiplied by the premium due; 61400

(f) For each additional thirty-day period or portion thereof 61401
that a premium remains past due after it has remained past due for 61402
more than two hundred ten days, the prime interest rate plus eight 61403
per cent, multiplied by the premium due. 61404

(3) Notwithstanding the interest rates specified in division 61405
(E)(2) of this section, at no time shall the additional penalty 61406
amount assessed under division (E)(2) of this section exceed 61407
fifteen per cent of the premium due. 61408

(4) An employer may appeal a late fee penalty or additional 61409
penalty to an adjudicating committee pursuant to section 4123.291 61410
of the Revised Code. 61411

For purposes of division (E) of this section, "prime interest 61412
rate" means the average bank prime rate, and the administrator 61413
shall determine the prime interest rate in the same manner as a 61414
county auditor determines the average bank prime rate under 61415
section 929.02 of the Revised Code. 61416

(5) If the employer files an appropriate payroll report, 61417

the administrator if the period for which the employer paid an 61419
estimated premium is less than eight months, the employer shall 61420
not be in default and division (E)(2) of this section shall not 61421
apply if the employer pays the premiums within fifteen days after 61422
being first notified by the administrator of the amount due. 61423

(6) Any deficiencies in the amounts of the premium security 61424
deposit paid by an employer for any period shall be subject to an 61425
interest charge of six per cent per annum from the date the 61426
premium obligation is incurred. In determining the interest due on 61427
deficiencies in premium security deposit payments, a charge in 61428
each case shall be made against the employer in an amount equal to 61429
interest at the rate of six per cent per annum on the premium 61430
security deposit due but remaining unpaid sixty days after notice 61431

by the administrator. 61432

(7) Any interest charges or penalties provided for in 61433

employer based upon the employer's estimated expenditure for wages 61441
for the ensuing six-month period plus thirty per cent of an 61442
additional adjustment period of two months but only up to a 61443
maximum of one thousand dollars and not less than ten dollars. The 61444
administrator shall review the security deposit of every employer 61445
who has submitted a deposit which is less than the 61446
one-thousand-dollar maximum. The administrator may require any 61447
such employer to submit additional money up to the maximum of one 61448
thousand dollars that, in the administrator's opinion, reflects 61449
the employer's current payroll expenditure for an eight-month 61450
period. 61451

(G) A rule providing that each employer, on the occasion of 61452
instituting coverage under this chapter, shall submit an 61453
application for coverage that completely provides all of the 61454
information required for the administrator to establish coverage 61455
for that employer, and that the employer's failure to provide all 61456
of the information completely may be grounds for the administrator 61457
to deny coverage for that employer. 61458

(H) A rule providing that, in addition to any other remedies 61459
permitted in this chapter, the administrator may discontinue an 61460
employer's coverage if the employer fails to pay the premium due 61461
on or before the premium's due date. 61462

(I) A rule providing that if after a final adjudication it is determined that an employer has failed to pay an obligation, billing, account, or assessment that is greater than one thousand dollars on or before its due date, the administrator may discontinue the employer's coverage in addition to any other remedies permitted in this chapter, and that the administrator shall not discontinue an employer's coverage pursuant to this division prior to a final adjudication regarding the employer's failure to pay such obligation, billing, account, or assessment on or before its due date.

by the director of job and family services in accordance with the 61803
rules the director adopts under section 4143.03 of the Revised 61804

right to a grant under this chapter is valid, nor shall a grant be 61812

director, for which no penalty has been specifically provided, or 61831
fail to obey any lawful order given or made by the director or any 61832
judgment or decree made by any court in connection with this 61833

any order of the director or to perform any duty enjoined by this 61835
chapter constitutes a separate violation of the order or of this 61836
chapter. 61837

Sec. 4143.08. The director of job and family services shall 61838
enforce this chapter in accordance with the rules the director 61839

and enforcing this chapter, the director shall give great weight 61841
and deference to decisions made under Chapter 4141. of the Revised 61842
Code with respect to unemployment compensation. 61843

The director may administer oaths, certify to official acts, 61844

affixed the official seal of the division, stating that it appears 61876
from the records of the division that no permit has been issued to 61877
the person specified in the certificate, or that a permit, if 61878
issued, has been revoked, canceled, or suspended, shall be 61879
received as prima-facie evidence of the facts recited in the 61880
certificate in any court or before any officer of this state. 61881

(3) Put into operation, manage, and control a system of state 61882
liquor stores for the sale of spirituous liquor at retail and to 61883

holders of permits authorizing the sale of spirituous liquor; 61884
however, the division shall not establish any drive-in state 61885

establish and maintain a state monopoly of the distribution of 61889
spirituous liquor and its sale in packages or containers; and for 61890
that purpose, manufacture, buy, import, possess, and sell 61891
spirituous liquors as provided in this chapter and Chapter 4303. 61892
of the Revised Code, and in the rules promulgated by the 61893

(4) Enforce the administrative provisions of this chapter and 61904
Chapter 4303. of the Revised Code, and the rules and orders of the 61905
liquor control commission and the superintendent relating to the 61906

(6) Conduct inspections of liquor permit premises to determine compliance with the administrative provisions of this chapter and Chapter 4303. of the Revised Code and the rules adopted under those provisions by the liquor control commission.

Except as otherwise provided in division (A)(6) of this section, those inspections may be conducted only during those hours in which the permit holder is open for business and only by authorized agents or employees of the division or by any peace officer, as defined in section 2935.01 of the Revised Code. Inspections may be conducted at other hours only to determine compliance with laws or commission rules that regulate the hours of sale of beer or intoxicating liquor and only if the investigator has reasonable cause to believe that those laws or rules are being violated. Any inspection conducted pursuant to division (A)(6) of this section is subject to all of the following requirements:

(a) The only property that may be confiscated is contraband, as defined in section 2901.01 of the Revised Code, or property that is otherwise necessary for evidentiary purposes.

(b) A complete inventory of all property confiscated from the premises shall be given to the permit holder or the permit holder's agent or employee by the confiscating agent or officer at the conclusion of the inspection. (c) Inspections conducted pursuant to division (A)(6) of this

section shall be conducted in a reasonable manner. A finding by 61947
any court of competent jurisdiction that an inspection was not 61948
conducted in a reasonable manner in accordance with this section 61949
or any rules adopted by the commission may be considered grounds 61950
for suppression of evidence. A finding by the commission that an 61951
inspection was not conducted in a reasonable manner in accordance 61952
with this section or any rules adopted by it may be considered 61953
grounds for dismissal of the commission case. 61954

If any court of competent jurisdiction finds that property 61955
confiscated as the result of an administrative inspection is not 61956
necessary for evidentiary purposes and is not contraband, as 61957
defined in section 2901.01 of the Revised Code, the court shall 61958
order the immediate return of the confiscated property, provided 61959
that property is not otherwise subject to forfeiture, to the 61960
permit holder. However, the return of this property is not grounds 61961
for dismissal of the case. The commission likewise may order the 61962
return of confiscated property if no criminal prosecution is 61963
pending or anticipated. 61964

(7) Delegate to any of its agents or employees any power of 61965
investigation that the division possesses with respect to the 61966
enforcement of any of the administrative laws relating to beer or 61967

state and that holds only an S permit is exempt from the supplier 61992
registration fee. A manufacturer that produces and ships wine into 61993
this state and that holds a B-2a permit shall pay an annual 61994
seventy-six-dollar supplier registration fee. A manufacturer that 61995

period. Each supplier registration is valid for one year or for 62012
the unexpired portion of a one-year registration period. 62013
Registrations shall end on their respective uniform expiration 62014
date, which shall be designated by the division, and are subject 62015
to suspension, revocation, cancellation, or fine as authorized by 62016
this chapter and Chapter 4303. of the Revised Code. 62017

As used in this division, "trade marketing company" and 62018
"trade marketing professional" have the same meanings as in 62019
