If a state lien is not identified as disputed, unless the state files an answer or other responsive pleading, the party seeking the judicial sale is not required to serve the state lienholder with any answer or subsequent pleadings in the action for judicial sale. 32106

county court or the office of the county recorder. 32123

(6) Any party asserting a dispute as to the amount, validity, 32124
or priority of the state lien or of any lien or other interest 32125
that has priority over the state lien shall serve the state 32126
lienholder and the attorney general with notice of the dispute, 32127
and the state lienholder shall be permitted to file a responsive 32128
pleading and participate in the proceedings as if the state 32129
lienholder had been served with a summons on the date the state 32130

(C) Upon the judicial sale of the real estate that is the 32132
subject of an action under division (B) of this section, the 32133
interest of any undisputed state lien shall transfer to the 32134
proceeds of the sale of the real estate, and the state lienholder 32135
shall be entitled to payment from the proceeds of the sale of the 32136
real estate in accordance with the state lienholder's priority as 32137
set forth in the final judicial report or commitment for an 32138
owner's fee policy of title insurance filed in accordance with 32139
section 2329.191 of the Revised Code. 32140

Sec. 2505.02. (A) As used in this section: 32141

(1) "Substantial right" means a right that the United States 32142
Constitution, the Ohio Constitution, a statute, the common law, or 32143
a rule of procedure entitles a person to enforce or protect. 32144

(2) "Special proceeding" means an action or proceeding that 32145
is specially created by statute and that prior to 1853 was not 32146
denoted as an action at law or a suit in equity. 32147

(3) "Provisional remedy" means a proceeding ancillary to an 32148
action, including, but not limited to, a proceeding for a 32149
preliminary injunction, attachment, discovery of privileged 32150
matter, suppression of evidence, a prima-facie showing pursuant to 32151
section 2307.85 or 2307.86 of the Revised Code, a prima-facie 32152

showing pursuant to section 2307.92 of the Revised Code, or a 32153
finding made pursuant to division (A)(3) of section 2307.93 of the 32154
Revised Code. 32155

(B) An order is a final order that may be reviewed, affirmed, 32156
modified, or reversed, with or without retrial, when it is one of 32157
the following: 32158

(1) An order that affects a substantial right in an action 32159
that in effect determines the action and prevents a judgment; 32160

(2) An order that affects a substantial right made in a 32161
special proceeding or upon a summary application in an action 32162
after judgment; 32163

(3) An order that vacates or sets aside a judgment or grants 32164
a new trial; 32165

(4) An order that grants or denies a provisional remedy and 32166
to which both of the following apply: 32167

(a) The order in effect determines the action with respect to 32168
the provisional remedy and prevents a judgment in the action in 32169
favor of the appealing party with respect to the provisional 32170
remedy. 32171

(b) The appealing party would not be afforded a meaningful or 32172
effective remedy by an appeal following final judgment as to all 32173
proceedings, issues, claims, and parties in the action. 32174

(5) An order that determines that an action may or may not be 32175
maintained as a class action; 32176

(6) An order determining the constitutionality of any changes 32177
to the Revised Code made by Am. Sub. S.B. 281 of the 124th general 32178
assembly, including the amendment of sections 1751.67, 2117.06, 32179
2305.11, 2305.15, 2305.234, 2317.02, 2317.54, 2323.56, 2711.21, 32180
2711.22, 2711.23, 2711.24, 2743.02, 2743.43, 2919.16, 3923.63, 32181
3923.64, 4705.15, and 5111.018 (renumbered as 5164.07 by H.B. 59 32182

of the 130th general assembly), and the enactment of sections 32183

changes made by Sub. S.B. 80 of the 125th general assembly, 32185
including the amendment of sections 2125.02, 2305.10, 2305.131, 32186
2315.18, 2315.19, and 2315.21 of the Revised Code; 32187

(7) An order in an appropriation proceeding that may be 32188
appealed pursuant to division (B)(3) of section 163.09 of the 32189
Revised Code. 32190

(C) When a court issues an order that vacates or sets aside a 32191
judgment or grants a new trial, the court, upon the request of 32192
either party, shall state in the order the grounds upon which the 32193
new trial is granted or the judgment vacated or set aside. 32194

(D) This section applies to and governs any action, including 32195
an appeal, that is pending in any court on July 22, 1998, and all 32196
claims filed or actions commenced on or after July 22, 1998, 32197
notwithstanding any provision of any prior statute or rule of law 32198
of this state. 32199

Sec. 2743.02. (A)(1) The state hereby waives its immunity 32200
from liability, except as provided for the office of the state 32201
fire marshal in division (G)(1) of section 9.60 and division (B) 32202
of section 3737.221 of the Revised Code and subject to division 32203
(H) of this section, and consents to be sued, and have its 32204
liability determined, in the court of claims created in this 32205
chapter in accordance with the same rules of law applicable to 32206
suits between private parties, except that the determination of 32207
liability is subject to the limitations set forth in this chapter 32208
and, in the case of state universities or colleges, in section 32209
3345.40 of the Revised Code, and except as provided in division 32210
(A)(2) or (3) of this section. To the extent that the state has 32211
previously consented to be sued, this chapter has no 32212
applicability. 32213

Except in the case of a civil action filed by the state, 32214
filing a civil action in the court of claims results in a complete 32215
waiver of any cause of action, based on the same act or omission, 32216
that the filing party has against any officer or employee, as 32217
defined in section 109.36 of the Revised Code. The waiver shall be 32218
void if the court determines that the act or omission was 32219
manifestly outside the scope of the officer's or employee's office 32220
or employment or that the officer or employee acted with malicious 32221
purpose, in bad faith, or in a wanton or reckless manner. 32222

(2) If a claimant proves in the court of claims that an 32223
officer or employee, as defined in section 109.36 of the Revised 32224
Code, would have personal liability for the officer's or 32225
employee's acts or omissions but for the fact that the officer or 32226
employee has personal immunity under section 9.86 of the Revised 32227
Code, the state shall be held liable in the court of claims in any 32228
action that is timely filed pursuant to section 2743.16 of the 32229
Revised Code and that is based upon the acts or omissions. 32230

(3)(a) Except as provided in division (A)(3)(b) of this 32231
section, the state is immune from liability in any civil action or 32232
proceeding involving the performance or nonperformance of a public 32233
duty, including the performance or nonperformance of a public duty 32234
that is owed by the state in relation to any action of an 32235
individual who is committed to the custody of the state. 32236

(b) The state immunity provided in division (A)(3)(a) of this 32237
section does not apply to any action of the state under 32238
circumstances in which a special relationship can be established 32239
between the state and an injured party. A special relationship 32240
under this division is demonstrated if all of the following 32241
elements exist: 32242

(i) An assumption by the state, by means of promises or 32243
actions, of an affirmative duty to act on behalf of the party who 32244
was allegedly injured; 32245

(ii) Knowledge on the part of the state's agents that	32246
inaction of the state could lead to harm;	32247
(iii) Some form of direct contact between the state's agents	32248
and the injured party;	32249
(iv) The injured party's justifiable reliance on the state's	32250
affirmative undertaking.	32251
(B) The state hereby waives the immunity from liability of	32252
all hospitals owned or operated by one or more political	32253
subdivisions and consents for them to be sued, and to have their	32254
liability determined, in the court of common pleas, in accordance	32255
with the same rules of law applicable to suits between private	32256
parties, subject to the limitations set forth in this chapter.	32257
This division is also applicable to hospitals owned or operated by	32258
political subdivisions that have been determined by the supreme	32259
court to be subject to suit prior to July 28, 1975.	32260
(C) Any hospital, as defined in section 2305.113 of the	32261
Revised Code, may purchase liability insurance covering its	32262
operations and activities and its agents, employees, nurses,	32263
interns, residents, staff, and members of the governing board and	32264
committees, and, whether or not such insurance is purchased, may,	32265
to the extent that its governing board considers appropriate,	32266
indemnify or agree to indemnify and hold harmless any such person	32267
against expense, including attorney's fees, damage, loss, or other	32268
liability arising out of, or claimed to have arisen out of, the	32269
death, disease, or injury of any person as a result of the	32270
negligence, malpractice, or other action or inaction of the	32271
indemnified person while acting within the scope of the	32272
indemnified person's duties or engaged in activities at the	32273
request or direction, or for the benefit, of the hospital. Any	32274
hospital electing to indemnify those persons, or to agree to so	32275
indemnify, shall reserve any funds that are necessary, in the	32276
exercise of sound and prudent actuarial judgment, to cover the	32277

potential expense, fees, damage, loss, or other liability. The 32278
superintendent of insurance may recommend, or, if the hospital 32279
requests the superintendent to do so, the superintendent shall 32280
recommend, a specific amount for any period that, in the 32281
superintendent's opinion, represents such a judgment. This 32282
authority is in addition to any authorization otherwise provided 32283
or permitted by law. 32284

(D)(1) Notwithstanding any other provision of the Revised 32285
Code or rules of a court to the contrary, in an action against the 32286
state to recover damages for injury, death, or loss to person or 32287
property caused by an act or omission of the state itself, by an 32288
act or omission of any officer or employee of the state while 32289
acting within the scope of employment or official 32290
responsibilities, or by an act or omission of any other person 32291
authorized to act on behalf of the state that occurred while 32292
engaged in activities at the request or direction, or for the 32293
benefit, of the state, the following apply: 32294

(a) Punitive or exemplary damages shall not be awarded. 32295

(b)(i) Recoveries against the state shall be reduced by the 32296
aggregate of insurance proceeds, disability award, benefits or 32297
other collateral recovery received by the claimant for the injury, 32298
death, or loss allegedly incurred. This division If a claimant 32299
receives or is entitled to receive benefits or other collateral 32300
recovery, the claimant or the claimant's attorney shall disclose 32301
the benefits or other collateral recovery to the court, and the 32302
court shall deduct the amount of the benefits or other collateral 32303
recovery from any award against the state recovered by the 32304
claimant. No insurer or other person is entitled to bring a civil 32305
action under a subrogation provision in an insurance or other 32306
contract against the state with respect to those benefits or other 32307
collateral recovery. Nothing in this division affects or shall be 32308
construed to limit the rights of a beneficiary under a life 32309

insurance policy or the rights of sureties under fidelity or 32310
surety bonds. 32311

(ii) Division (D)(1)(b)(i) of this section does not apply to 32312
civil actions in the court of claims against a state university or 32313
college under the circumstances described in section 3345.40 of 32314
the Revised Code. The collateral benefits provisions of division 32315
(B)(2) of that section apply under those circumstances. 32316

(c) There shall not be any limitation on compensatory damages 32317
that represent the actual loss of the person who is awarded the 32318
damages. However, except in wrongful death actions brought 32319
pursuant to Chapter 2125. of the Revised Code, damages that arise 32320
from the same cause of action, transaction or occurrence, or 32321
series of transactions or occurrences and that do not represent 32322
the actual loss of the person who is awarded the damages shall not 32323
exceed two hundred fifty thousand dollars in favor of any one 32324
person. The limitation on damages that do not represent the actual 32325
loss of the person who is awarded the damages provided in this 32326
division does not apply to court costs that are awarded to a 32327
claimant, or to interest on a judgment rendered in favor of a 32328
claimant, in an action against the state. 32329

(2) As used in division (D) of this section: 32330

(a) "Benefits" includes, but is not limited to, proceeds from 32331
a policy or policies of insurance, social security benefits, 32332
veterans' benefits, unemployment compensation, workers' 32333
compensation, medicaid benefits, medicare benefits, and disability 32334
awards. 32335

(b) "Collateral recovery" includes, but is not limited to, 32336
any settlements with and judgments against third parties that 32337
arise out of the same operative facts involved in, and the injury, 32338
death, or loss allegedly incurred, in the action against the 32339
state, or any other source of recovery for any injury, death, or 32340

<u>loss allegedly incurred in that action.</u>	32341
<u>(c) Except as provided in division (D)(2)(d) of this section,</u>	32342
<u>"the actual loss of the person who is awarded the damages"</u>	32343
<u>includes all of the following:</u>	32344
<u>(i) All wages, salaries, or other compensation lost by the</u>	32345
<u>person injured as a result of the injury, including wages,</u>	32346
<u>salaries, or other compensation lost as of the date of a judgment</u>	32347
<u>and future expected lost earnings of the injured person;</u>	32348
<u>(ii) All expenditures of the injured person or of another</u>	32349
<u>person on behalf of the injured person for medical care or</u>	32350
<u>treatment, rehabilitation services, or other care, treatment,</u>	32351
<u>services, products, or accommodations that were necessary because</u>	32352
<u>of the injury;</u>	32353
<u>(iii) All expenditures to be incurred in the future, as</u>	32354
<u>determined by the court, by the injured person or by another</u>	32355
<u>person on behalf of the injured person for medical care or</u>	32356
<u>treatment, rehabilitation services, or other care, treatment,</u>	32357
<u>services, products, or accommodations that will be necessary</u>	32358
<u>because of the injury;</u>	32359
<u>(iv) All expenditures of a person whose property was injured</u>	32360
<u>or destroyed or of another person on behalf of the person whose</u>	32361
<u>property was injured or destroyed in order to repair or replace</u>	32362
<u>the property that was injured or destroyed;</u>	32363
<u>(v) All expenditures of the injured person, of the person</u>	32364
<u>whose property was injured or destroyed, or of another person on</u>	32365
<u>behalf of the injured person or the person whose property was</u>	32366
<u>injured or destroyed in relation to the actual preparation or</u>	32367
<u>presentation of the claim involved;</u>	32368
<u>(vi) Any other expenditures of the injured person, of the</u>	32369
<u>person whose property was injured or destroyed, or of another</u>	32370
<u>person on behalf of the injured person or the person whose</u>	32371

property was injured or destroyed that the court determines 32372
represent an actual loss experienced because of the personal or 32373
property injury or property loss. 32374

(d) "The actual loss of the person who is awarded the 32375
damages" does not include either of the following: 32376

(i) Any fees paid or owed to an attorney for any services 32377
rendered in relation to the personal or property injury or 32378
property loss; 32379

(ii) Any damages awarded for pain and suffering, for the loss 32380
of society, consortium, companionship, care, assistance, 32381
attention, protection, advice, guidance, counsel, instruction, 32382
training, or education of the injured person, for mental anguish, 32383
or for any other intangible loss. 32384

(E) The only defendant in original actions in the court of 32385
claims is the state. The state may file a third-party complaint or 32386
counterclaim in any civil action, except a civil action for ten 32387
thousand dollars or less, that is filed in the court of claims. 32388

(F) A civil action against an officer or employee, as defined 32389
in section 109.36 of the Revised Code, that alleges that the 32390
officer's or employee's conduct was manifestly outside the scope 32391
of the officer's or employee's employment or official 32392
responsibilities, or that the officer or employee acted with 32393
malicious purpose, in bad faith, or in a wanton or reckless manner 32394
shall first be filed against the state in the court of claims that 32395
has exclusive, original jurisdiction to determine, initially, 32396
whether the officer or employee is entitled to personal immunity 32397
under section 9.86 of the Revised Code and whether the courts of 32398
common pleas have jurisdiction over the civil action. The officer 32399
or employee may participate in the immunity determination 32400
proceeding before the court of claims to determine whether the 32401
officer or employee is entitled to personal immunity under section 32402

9.86 of the Revised Code. 32403

The filing of a claim against an officer or employee under 32404
this division tolls the running of the applicable statute of 32405
limitations until the court of claims determines whether the 32406
officer or employee is entitled to personal immunity under section 32407
9.86 of the Revised Code. 32408

(G) If a claim lies against an officer or employee who is a 32409
member of the Ohio national guard, and the officer or employee 32410
was, at the time of the act or omission complained of, subject to 32411
the "Federal Tort Claims Act," 60 Stat. 842 (1946), 28 U.S.C. 32412
2671, et seq., the Federal Tort Claims Act is the exclusive remedy 32413
of the claimant and the state has no liability under this section. 32414

(H) If an inmate of a state correctional institution has a 32415
claim against the state for the loss of or damage to property and 32416
the amount claimed does not exceed three hundred dollars, before 32417
commencing an action against the state in the court of claims, the 32418
inmate shall file a claim for the loss or damage under the rules 32419
adopted by the director of rehabilitation and correction pursuant 32420
to this division. The inmate shall file the claim within the time 32421
allowed for commencement of a civil action under section 2743.16 32422
of the Revised Code. If the state admits or compromises the claim, 32423
the director shall make payment from a fund designated by the 32424
director for that purpose. If the state denies the claim or does 32425
not compromise the claim at least sixty days prior to expiration 32426
of the time allowed for commencement of a civil action based upon 32427
the loss or damage under section 2743.16 of the Revised Code, the 32428
inmate may commence an action in the court of claims under this 32429
chapter to recover damages for the loss or damage. 32430

The director of rehabilitation and correction shall adopt 32431
rules pursuant to Chapter 119. of the Revised Code to implement 32432
this division. 32433

Sec. 2744.05. Notwithstanding any other provisions of the 32434
Revised Code or rules of a court to the contrary, in an action 32435
against a political subdivision to recover damages for injury, 32436
death, or loss to person or property caused by an act or omission 32437
in connection with a governmental or proprietary function: 32438

(A) Punitive or exemplary damages shall not be awarded. 32439

(B)(1) If a claimant receives or is entitled to receive 32440
benefits for injuries or loss allegedly incurred from a policy or 32441
policies of insurance or any other source, the benefits shall be 32442
disclosed to the court, and the amount of the benefits shall be 32443
deducted from any award against a political subdivision recovered 32444
by that claimant. No insurer or other person is entitled to bring 32445
an action under a subrogation provision in an insurance or other 32446
contract against a political subdivision with respect to those 32447
benefits. 32448

The amount of the benefits shall be deducted from an award 32449
against a political subdivision under division (B)(1) of this 32450
section regardless of whether the claimant may be under an 32451
obligation to pay back the benefits upon recovery, in whole or in 32452
part, for the claim. A claimant whose benefits have been deducted 32453
from an award under division (B)(1) of this section is not 32454
considered fully compensated and shall not be required to 32455
reimburse a subrogated claim for benefits deducted from an award 32456
pursuant to division (B)(1) of this section. 32457

(2) Nothing in division (B)(1) of this section shall be 32458
construed to do either of the following: 32459

(a) Limit the rights of a beneficiary under a life insurance 32460
policy or the rights of sureties under fidelity or surety bonds; 32461

(b) Prohibit the department of ~~job and family services~~ 32462
medicaid from recovering from the political subdivision, pursuant 32463

to section ~~5101.58~~ 5160.37 of the Revised Code, the cost of 32464
medical assistance ~~benefits provided under Chapter 5107. or 5111.~~ 32465
~~of the Revised Code~~ provided under a medical assistance program. 32466

(C)(1) There shall not be any limitation on compensatory 32467
damages that represent the actual loss of the person who is 32468
awarded the damages. However, except in wrongful death actions 32469
brought pursuant to Chapter 2125. of the Revised Code, damages 32470
that arise from the same cause of action, transaction or 32471
occurrence, or series of transactions or occurrences and that do 32472
not represent the actual loss of the person who is awarded the 32473
damages shall not exceed two hundred fifty thousand dollars in 32474
favor of any one person. The limitation on damages that do not 32475
represent the actual loss of the person who is awarded the damages 32476
provided in this division does not apply to court costs that are 32477
awarded to a plaintiff, or to interest on a judgment rendered in 32478
favor of a plaintiff, in an action against a political 32479
subdivision. 32480

(2) As used in this division, "the actual loss of the person 32481
who is awarded the damages" includes all of the following: 32482

(a) All wages, salaries, or other compensation lost by the 32483
person injured as a result of the injury, including wages, 32484
salaries, or other compensation lost as of the date of a judgment 32485
and future expected lost earnings of the person injured; 32486

(b) All expenditures of the person injured or another person 32487
on behalf of the person injured for medical care or treatment, for 32488
rehabilitation services, or for other care, treatment, services, 32489
products, or accommodations that were necessary because of the 32490
injury; 32491

(c) All expenditures to be incurred in the future, as 32492
determined by the court, by the person injured or another person 32493
on behalf of the person injured for medical care or treatment, for 32494

(b) For an offense by a person who is not a public servant 32566
but whose offense is directly related to the misconduct in office 32567

(2) "Minor" means a person under eighteen years of age.

(3) "Missing children" or "missing child" means either of the following:

(b) A minor who is missing and about whom there is reason to 32647
believe the minor could be the victim of a violation of section 32648
2905.01, 2905.02, 2905.03, or 2919.23 of the Revised Code or of a 32649
violation of section 2905.04 of the Revised Code as it existed 32650
prior to July 1, 1996. 32651

(B) When a law enforcement agency in this state that has 32652
jurisdiction in the matter is informed that a minor is or may be a 32653
missing child and that the person providing the information wishes 32654
to file a missing child report, the law enforcement agency shall 32655
take that report. Upon taking the report, the law enforcement 32656
agency shall take prompt action upon it, including, but not 32657
limited to, concerted efforts to locate the missing child. No law 32658
enforcement agency in this state shall have a rule or policy that 32659
prohibits or discourages the filing of or the taking of action 32660
upon a missing child report, within a specified period following 32661
the discovery or formulation of a belief that a minor is or could 32662
be a missing child. 32663

(C) If a missing child report is made to a law enforcement 32664
agency in this state that has jurisdiction in the matter, the law 32665
enforcement agency shall gather readily available information 32666
about the missing child and integrate it into the national crime 32667
information center computer immediately following the making of 32668
the report. The law enforcement agency shall make reasonable 32669
efforts to acquire additional information about the missing child 32670
following the transmittal of the initially available information, 32671
and promptly integrate any additional information acquired into 32672
such computer systems. 32673

Whenever a law enforcement agency integrates information 32674
about a missing child into the national crime information center 32675
computer, the law enforcement agency promptly shall notify the 32676
missing child's parents, parent who is the residential parent and 32677

legal custodian, guardian, or legal custodian, or any other person 32678
responsible for the care of the missing child, that it has so 32679
integrated the information. 32680

The parents, parent who is the residential parent and legal 32681
custodian, guardian, legal custodian, or other person responsible 32682
for the care of the missing child shall provide available 32683
information upon request, and may provide information voluntarily, 32684
to the law enforcement agency during the information gathering 32685
process. The law enforcement agency also may obtain available 32686
information about the missing child from other persons, subject to 32687
constitutional and statutory limitations. 32688

(D) Upon the filing of a missing child report, the law 32689
enforcement agency involved may notify the public or nonpublic 32690
school in which the missing child is or was most recently 32691
enrolled, as ascertained by the agency, that the child is the 32692
subject of a missing child report and that the child's school 32693
records are to be marked in accordance with section 3313.672 of 32694
the Revised Code. 32695

(E) Upon the filing of a missing child report, the law 32696
enforcement agency involved promptly shall make a reasonable 32697
attempt to notify other law enforcement agencies within its county 32698
and, if the agency has jurisdiction in a municipal corporation or 32699
township that borders another county, to notify the law 32700
enforcement agency for the municipal corporation or township in 32701
the other county with which it shares the border, that it has 32702
taken a missing child report and may be requesting assistance or 32703
cooperation in the case, and provide relevant information to the 32704
other law enforcement agencies. The agency may notify additional 32705
law enforcement agencies, or appropriate public children services 32706
agencies, about the case, request their assistance or cooperation 32707
in the case, and provide them with relevant information. 32708

Upon request from a law enforcement agency, a public children 32709

services agency shall grant the law enforcement agency access to 32710
all information concerning a missing child that the agency 32711
possesses that may be relevant to the law enforcement agency in 32712
investigating a missing child report concerning that child. The 32713
information obtained by the law enforcement agency shall be used 32714
only to further the investigation to locate the missing child. 32715

(F) Upon request, law enforcement agencies in this state 32716
shall provide assistance to, and cooperate with, other law 32717
enforcement agencies in their investigation of missing child 32718
cases. The assistance and cooperation under this paragraph shall 32719
be pursuant to any terms agreed upon by the law enforcement 32720
agencies, which may include the provision of law enforcement 32721
services or the use of law enforcement equipment or the 32722
interchange of services and equipment among the cooperating law 32723
enforcement agencies. Chapter 2744. of the Revised Code, insofar 32724
as it applies to the operation of law enforcement agencies, shall 32725
apply to the cooperating political subdivisions and to the law 32726
enforcement agency employees when they are rendering services 32727
pursuant to this paragraph outside the territory of the political 32728
subdivision by which they are employed. Law enforcement agency 32729
employees rendering services outside the territory of the 32730
political subdivision in which they are employed, pursuant to this 32731
paragraph, shall be entitled to participate in any indemnity fund 32732
established by their employer to the same extent as if they were 32733
rendering service within the territory of their employing 32734
political subdivision. Those law enforcement agency employees also 32735
shall be entitled to all the rights and benefits of Chapter 4123. 32736
of the Revised Code to the same extent as if rendering services 32737
within the territory of their employing political subdivision. 32738

The information in any missing child report made to a law 32739
enforcement agency shall be made available, upon request, to law 32740
enforcement personnel of this state, other states, and the federal 32741

government when the law enforcement personnel indicate that the 32742
request is to aid in identifying or locating a missing child or 32743
the possible identification of a deceased minor who, upon 32744
discovery, cannot be identified. 32745

(G) When a missing child has not been located within thirty 32746
days after the date on which the missing child report pertaining 32747
to the child was filed with a law enforcement agency, that law 32748
enforcement agency shall request the missing child's parents, 32749
parent who is the residential parent and legal custodian, 32750
guardian, or legal custodian, or any other person responsible for 32751
the care of the missing child, to provide written consent for the 32752
law enforcement agency to contact the missing child's dentist and 32753
request the missing child's dental records. Upon receipt of such 32754
written consent, the dentist shall release a copy of the missing 32755
child's dental records to the law enforcement agency and shall 32756
provide and encode the records in such form as requested by the 32757
law enforcement agency. The law enforcement agency then shall 32758
integrate information in the records into the national crime 32759
information center computer in order to compare the records to 32760
those of unidentified deceased persons. This division does not 32761
prevent a law enforcement agency from seeking consent to obtain 32762
copies of a missing child's dental records, or prevent a missing 32763
child's parents, parent who is the residential parent and legal 32764
custodian, guardian, or legal custodian, or any other person 32765
responsible for the care of the missing child, from granting 32766
consent for the release of copies of the missing child's dental 32767
records to a law enforcement agency, at any time. 32768

(H) A missing child's parents, parent who is the residential 32769
parent and legal custodian, guardian, or legal custodian, or any 32770
other persons responsible for the care of a missing child, 32771
immediately shall notify the law enforcement agency with which 32772
they filed the missing child report whenever the child has 32773

returned to their home or to their care, custody, and control, has 32774
been released if the missing child was the victim of an offense 32775
listed in division (A)(3)(b) of this section, or otherwise has 32776
been located. Upon such notification or upon otherwise learning 32777
that a missing child has returned to the home of, or to the care, 32778
custody, and control of the missing child's parents, parent who is 32779
the residential parent and legal custodian, guardian, legal 32780
custodian, or other person responsible for the missing child's 32781
care, has been released if the missing child was the victim of an 32782
offense listed in division (A)(3)(b) of this section, or otherwise 32783
has been located, the law enforcement agency involved promptly 32784
shall integrate the fact that the minor no longer is a missing 32785
child into the national crime information center computer and 32786
shall inform any school that was notified under division (D) of 32787
this section that the minor is no longer a missing child. 32788

~~(I) Nothing contained in this section shall be construed to 32789

by court order, and is not an involuntary patient other than one 34180
who is a patient only for purposes of observation. As used in this 34181
division, "mentally ill person subject to hospitalization by court 34182
order" and "patient" have the same meanings as in section 5122.01 34183
of the Revised Code. 34184

(j) The applicant is not currently subject to a civil 34185
protection order, a temporary protection order, or a protection 34186

(k) The applicant certifies that the applicant desires a 34188
legal means to carry a concealed handgun for defense of the 34189
applicant or a member of the applicant's family while engaged in 34190
lawful activity. 34191

(l) The applicant submits a competency certification of the 34192
type described in division (B)(3) of this section and submits a 34193
certification of the type described in division (B)(4) of this 34194
section regarding the applicant's reading of the pamphlet prepared 34195
by the Ohio peace officer training commission pursuant to section 34196
109.731 of the Revised Code. 34197

(m) The applicant currently is not subject to a suspension 34198
imposed under division (A)(2) of section 2923.128 of the Revised 34199

Code of a concealed handgun license that previously was issued to 34200
the applicant under this section or section 2923.1213 of the 34201
Revised Code. 34202

(2)(a) A concealed handgun license that a sheriff issues 34203
under division (D)(1) of this section shall expire five years 34204
after the date of issuance. 34205

If a sheriff issues a license under this section, the sheriff 34206
shall place on the license a unique combination of letters and 34207
numbers identifying the license in accordance with the procedure 34208
prescribed by the Ohio peace officer training commission pursuant 34209
to section 109.731 of the Revised Code. 34210

(b) If a sheriff denies an application under this section 34211
because the applicant does not satisfy the criteria described in 34212
division (D)(1) of this section, the sheriff shall specify the 34213
grounds for the denial in a written notice to the applicant. The 34214
applicant may appeal the denial pursuant to section 119.12 of the 34215
Revised Code in the county served by the sheriff who denied the 34216
application. If the denial was as a result of the criminal records 34217
check conducted pursuant to section 311.41 of the Revised Code and 34218
if, pursuant to section 2923.127 of the Revised Code, the 34219
applicant challenges the criminal records check results using the 34220
appropriate challenge and review procedure specified in that 34221
section, the time for filing the appeal pursuant to section 119.12 34222
of the Revised Code and this division is tolled during the 34223
pendency of the request or the challenge and review. If the court 34224
in an appeal under section 119.12 of the Revised Code and this 34225
division enters a judgment sustaining the sheriff's refusal to 34226
grant to the applicant a concealed handgun license, the applicant 34227
may file a new application beginning one year after the judgment 34228
is entered. If the court enters a judgment in favor of the 34229
applicant, that judgment shall not restrict the authority of a 34230
sheriff to suspend or revoke the license pursuant to section 34231

2923.128 or 2923.1213 of the Revised Code or to refuse to renew 34232
the license for any proper cause that may occur after the date the 34233
judgment is entered. In the appeal, the court shall have full 34234
power to dispose of all costs. 34235

(3) If the sheriff with whom an application for a concealed 34236
handgun license was filed under this section becomes aware that 34237
the applicant has been arrested for or otherwise charged with an 34238
offense that would disqualify the applicant from holding the 34239
license, the sheriff shall suspend the processing of the 34240
application until the disposition of the case arising from the 34241
arrest or charge. 34242

(4) If the sheriff determines that the applicant is legally 34243
living in the United States and is a resident of the county in 34244
which the applicant seeks the license or of an adjacent county but 34245
does not yet meet the residency requirements described in division 34246
(D)(1)(a) of this section, the sheriff shall not deny the license 34247
because of the residency requirements but shall not issue the 34248
license until the applicant meets those residency requirements. 34249

(5) If an applicant has been convicted of or pleaded guilty 34250
to an offense identified in division (D)(1)(e), (f), or (h) of 34251
this section or has been adjudicated a delinquent child for 34252
committing an act or violation identified in any of those 34253
divisions, and if a court has ordered the sealing or expungement 34254
of the records of that conviction, guilty plea, or adjudication 34255
pursuant to sections 2151.355 to 2151.358, sections 2953.31 to 34256
2953.36, or section 2953.37 of the Revised Code or a court has 34257
granted the applicant relief pursuant to section 2923.14 of the 34258
Revised Code from the disability imposed pursuant to section 34259
2923.13 of the Revised Code relative to that conviction, guilty 34260
plea, or adjudication, the sheriff with whom the application was 34261
submitted shall not consider the conviction, guilty plea, or 34262
adjudication in making a determination under division (D)(1) or 34263

(F) of this section or, in relation to an application for a
concealed handgun license on a temporary emergency basis submitted
under section 2923.1213 of the Revised Code, in making a
determination under division (B)(2) of that section.

(E) If a concealed handgun license issued under this section
is lost or is destroyed, the licensee may obtain from the sheriff
who issued that license a duplicate license upon the payment of a
fee of fifteen dollars and the submission of an affidavit
attesting to the loss or destruction of the license. The sheriff,
in accordance with the procedures prescribed in section 109.731 of
the Revised Code, shall place on the replacement license a
combination of identifying numbers different from the combination
on the license that is being replaced.

(F)(1) A licensee who wishes to renew a concealed handgun
license issued under this section shall do so not earlier than
ninety days before the expiration date of the license or at any
time after the expiration date of the license by filing with the
sheriff of the county in which the applicant resides or with the
sheriff of an adjacent county an application for renewal of the
license obtained pursuant to division (D) of this section, a
certification by the applicant that, subsequent to the issuance of
the license, the applicant has reread the pamphlet prepared by the
Ohio peace officer training commission pursuant to section 109.731
of the Revised Code that reviews firearms, dispute resolution, and
use of deadly force matters, and a nonrefundable license renewal
fee in an amount determined pursuant to division (F)(4) of this
section unless the fee is waived.

(2) A sheriff shall accept a completed renewal application,
the license renewal fee, and the information specified in division
(F)(1) of this section at the times and in the manners described
in division (I) of this section. Upon receipt of a completed
renewal application, of certification that the applicant has

reread the specified pamphlet prepared by the Ohio peace officer 34296
training commission, and of a license renewal fee unless the fee 34297
is waived, a sheriff, in the manner specified in section 311.41 of 34298
the Revised Code shall conduct or cause to be conducted the 34299
criminal records check and the incompetency records check 34300
described in section 311.41 of the Revised Code. The sheriff shall 34301
renew the license if the sheriff determines that the applicant 34302
continues to satisfy the requirements described in division (D)(1) 34303
of this section, except that the applicant is not required to meet 34304
the requirements of division (D)(1)(1) of this section. A renewed 34305
license shall expire five years after the date of issuance. A 34306
renewed license is subject to division (E) of this section and 34307
sections 2923.126 and 2923.128 of the Revised Code. A sheriff 34308
shall comply with divisions (D)(2) to (4) of this section when the 34309
circumstances described in those divisions apply to a requested 34310
license renewal. If a sheriff denies the renewal of a concealed 34311
handgun license, the applicant may appeal the denial, or challenge 34312
the criminal record check results that were the basis of the 34313
denial if applicable, in the same manner as specified in division 34314
(D)(2)(b) of this section and in section 2923.127 of the Revised 34315
Code, regarding the denial of a license under this section. 34316

(3) A renewal application submitted pursuant to division (F) 34317
of this section shall only require the licensee to list on the 34318
application form information and matters occurring since the date 34319
of the licensee's last application for a license pursuant to 34320
division (B) or (F) of this section. A sheriff conducting the 34321
criminal records check and the incompetency records check 34322
described in section 311.41 of the Revised Code shall conduct the 34323
check only from the date of the licensee's last application for a 34324
license pursuant to division (B) or (F) of this section through 34325
the date of the renewal application submitted pursuant to division 34326
(F) of this section. 34327

(4) An applicant for a renewal concealed handgun license 34328
under this section shall submit to the sheriff of the county in 34329
which the applicant resides or to the sheriff of any county 34330
adjacent to the county in which the applicant resides a 34331
nonrefundable license fee as described in either of the following: 34332

(a) For an applicant who has been a resident of this state 34333
for five or more years, a fee of fifty dollars; 34334

(b) For an applicant who has been a resident of this state 34335
for less than five years, a fee of fifty dollars plus the actual 34336
cost of having a background check performed by the federal bureau 34337
of investigation. 34338

(G)(1) Each course, class, or program described in division 34339
(B)(3)(a), (b), (c), or (e) of this section shall provide to each 34340
person who takes the course, class, or program the web site 34341
address at which the pamphlet prepared by the Ohio peace officer 34342
training commission pursuant to section 109.731 of the Revised 34343
Code that reviews firearms, dispute resolution, and use of deadly 34344
force matters may be found. Each such course, class, or program 34345
described in one of those divisions shall include at least twelve 34346
hours of training in the safe handling and use of a firearm that 34347
shall include all of the following: 34348

(a) At least ten hours of training on the following matters: 34349

attitude necessary to shoot a handgun in a safe manner; 34356

(iv) Gun handling training. 34357

(b) At least two hours of training that consists of range 34358
time and live-fire training. 34359

(2) To satisfactorily complete the course, class, or program 34360
described in division (B)(3)(a), (b), (c), or (e) of this section, 34361
the applicant shall pass a competency examination that shall 34362
include both of the following: 34363

(a) A written section on the ability to name and explain the 34364
rules for the safe handling of a handgun and proper storage 34365
practices for handguns and ammunition; 34366

(b) A physical demonstration of competence in the use of a 34367
handgun and in the rules for safe handling and storage of a 34368
handgun and a physical demonstration of the attitude necessary to 34369
shoot a handgun in a safe manner. 34370

(3) The competency certification described in division 34371
(B)(3)(a), (b), (c), or (e) of this section shall be dated and 34372
shall attest that the course, class, or program the applicant 34373
successfully completed met the requirements described in division 34374
(G)(1) of this section and that the applicant passed the 34375
competency examination described in division (G)(2) of this 34376
section. 34377

(H) Upon deciding to issue a concealed handgun license, 34378
deciding to issue a replacement concealed handgun license, or 34379
deciding to renew a concealed handgun license pursuant to this 34380
section, and before actually issuing or renewing the license, the 34381
sheriff shall make available through the law enforcement automated 34382
data system all information contained on the license. If the 34383
license subsequently is suspended under division (A)(1) or (2) of 34384
section 2923.128 of the Revised Code, revoked pursuant to division 34385
(B)(1) of section 2923.128 of the Revised Code, or lost or 34386
destroyed, the sheriff also shall make available through the law 34387
enforcement automated data system a notation of that fact. The 34388

superintendent of the state highway patrol shall ensure that the 34389
law enforcement automated data system is so configured as to 34390
permit the transmission through the system of the information 34391
specified in this division. 34392

(I) A sheriff shall accept a completed application form or 34393
renewal application, and the fee, items, materials, and 34394
information specified in divisions (B)(1) to (5) or division (F) 34395
of this section, whichever is applicable, and shall provide an 34396
application form or renewal application to any person during at 34397
least fifteen hours a week and shall provide the web site address 34398

division. 34403

Sec. 2923.126. (A) A concealed handgun license that is issued 34404
under section 2923.125 of the Revised Code shall expire five years 34405
after the date of issuance. A licensee who has been issued a 34406
license under that section shall be granted a grace period of 34407

licensee's license remains valid. Except as provided in divisions 34409

concealed handgun license under section 2923.125 or 2923.1213 of 34411
the Revised Code may carry a concealed handgun anywhere in this 34412
state if the licensee also carries a valid license and valid 34413
identification when the licensee is in actual possession of a 34414
concealed handgun. The licensee shall give notice of any change in 34415
the licensee's residence address to the sheriff who issued the 34416
license within forty-five days after that change. 34417

If a licensee is the driver or an occupant of a motor vehicle 34418
that is stopped as the result of a traffic stop or a stop for 34419

another law enforcement purpose and if the licensee is 34420
transporting or has a loaded handgun in the motor vehicle at that 34421
time, the licensee shall promptly inform any law enforcement 34422

has been issued a concealed handgun license and that the licensee 34424
currently possesses or has a loaded handgun; the licensee shall 34425
not knowingly disregard or fail to comply with lawful orders of a 34426
law enforcement officer given while the motor vehicle is stopped, 34427
knowingly fail to remain in the motor vehicle while stopped, or 34428

by a law enforcement officer; and the licensee shall not knowingly 34432
have contact with the loaded handgun by touching it with the 34433
licensee's hands or fingers, in any manner in violation of 34434

the licensee is transporting or has a loaded handgun in the 34441
commercial motor vehicle at that time, the licensee shall promptly 34442
inform the employee of the unit who approaches the vehicle while 34443
stopped that the licensee has been issued a concealed handgun 34444
license and that the licensee currently possesses or has a loaded 34445
handgun. 34446

If a licensee is stopped for a law enforcement purpose and if 34447
the licensee is carrying a concealed handgun at the time the 34448
officer approaches, the licensee shall promptly inform any law 34449
enforcement officer who approaches the licensee while stopped that 34450
the licensee has been issued a concealed handgun license and that 34451
the licensee currently is carrying a concealed handgun; the 34452

licensee shall not knowingly disregard or fail to comply with 34453
lawful orders of a law enforcement officer given while the 34454
licensee is stopped or knowingly fail to keep the licensee's hands 34455
in plain sight after any law enforcement officer begins 34456
approaching the licensee while stopped and before the officer 34457
leaves, unless directed otherwise by a law enforcement officer; 34458
and the licensee shall not knowingly remove, attempt to remove, 34459
grasp, or hold the loaded handgun or knowingly have contact with 34460
the loaded handgun by touching it with the licensee's hands or 34461
fingers, in any manner in violation of division (B) of section 34462
2923.12 of the Revised Code, after any law enforcement officer 34463
begins approaching the licensee while stopped and before the 34464
officer leaves. 34465

(B) A valid concealed handgun license does not authorize the 34466
licensee to carry a concealed handgun in any manner prohibited 34467

person by name, contain a photograph of the person, identify the 34636
public agency of this state or of the political subdivision of 34637
this state from which the person retired as a peace officer and 34638

person retired in good standing from service as a peace officer 34640
with the issuing public agency and satisfies the criteria set 34641

a public agency of this state or of a political subdivision of 34664
this state and the person satisfies the criteria set forth in 34665
divisions (F)(2)(a)(i) to (iv) of this section, the public agency 34666

attend a firearms requalification program that is approved for 34668
purposes of firearms requalification required under section 34669
109.801 of the Revised Code. The retired peace officer may be 34670
required to pay the cost of the course. 34671

If a retired peace officer who satisfies the criteria set 34672
forth in divisions (F)(2)(a)(i) to (iv) of this section attends a 34673
firearms requalification program that is approved for purposes of 34674

firearms requalification required under section 109.801 of the Revised Code, the retired peace officer's successful completion of the firearms requalification program requalifies the retired peace officer for purposes of division (F) of this section for five years from the date on which the program was successfully completed, and the requalification is valid during that five-year period. the Revised Code, and in addition to any other sanction imposed 35296
for the offense under this section or sections 2929.11 to 2929.18 35297
of the Revised Code, the court that sentences an offender who is 35298
convicted of or pleads guilty to a violation of division (A) of 35299

regarding the offender: 35301

(1) If the violation of division (A) of this section is a 35302
felony of the first, second, or third degree, the court shall 35303
impose upon the offender the mandatory fine specified for the 35304
offense under division (B)(1) of section 2929.18 of the Revised 35305
Code unless, as specified in that division, the court determines 35306
that the offender is indigent. Except as otherwise provided in 35307
division (H)(1) of this section, a mandatory fine or any other 35308

fine imposed for a violation of this section is subject to 35309
division (F) of this section. If a person is charged with a 35310
violation of this section that is a felony of the first, second, 35311
or third degree, posts bail, and forfeits the bail, the clerk of 35312
the court shall pay the forfeited bail pursuant to divisions 35313
(D)(1) and (F) of this section, as if the forfeited bail was a 35314
fine imposed for a violation of this section. If any amount of the 35315
forfeited bail remains after that payment and if a fine is imposed 35316
under division (H)(1) of this section, the clerk of the court 35317
shall pay the remaining amount of the forfeited bail pursuant to 35318
divisions (H)(2) and (3) of this section, as if that remaining 35319
amount was a fine imposed under division (H)(1) of this section. 35320

(2) The court shall suspend the driver's or commercial 35321
driver's license or permit of the offender in accordance with 35322
division (G) of this section. 35323

(3) If the offender is a professionally licensed person, the 35324
court immediately shall comply with section 2925.38 of the Revised 35325
Code. 35326

(E) When a person is charged with the sale of or offer to 35327
sell a bulk amount or a multiple of a bulk amount of a controlled 35328
substance, the jury, or the court trying the accused, shall 35329
determine the amount of the controlled substance involved at the 35330
time of the offense and, if a guilty verdict is returned, shall 35331
return the findings as part of the verdict. In any such case, it 35332
is unnecessary to find and return the exact amount of the 35333
controlled substance involved, and it is sufficient if the finding 35334
and return is to the effect that the amount of the controlled 35335
substance involved is the requisite amount, or that the amount of 35336
the controlled substance involved is less than the requisite 35337
amount. 35338

(F)(1) Notwithstanding any contrary provision of section 35339
3719.21 of the Revised Code and except as provided in division (H) 35340

of this section, the clerk of the court shall pay any mandatory 35341
fine imposed pursuant to division (D)(1) of this section and any 35342
fine other than a mandatory fine that is imposed for a violation 35343
of this section pursuant to division (A) or (B)(5) of section 35344
2929.18 of the Revised Code to the county, township, municipal 35345
corporation, park district, as created pursuant to section 511.18 35346
or 1545.04 of the Revised Code, or state law enforcement agencies 35347
in this state that primarily were responsible for or involved in 35348
making the arrest of, and in prosecuting, the offender. However, 35349
the clerk shall not pay a mandatory fine so imposed to a law 35350
enforcement agency unless the agency has adopted a written 35351
internal control policy under division (F)(2) of this section that 35352
addresses the use of the fine moneys that it receives. Each agency 35353
shall use the mandatory fines so paid to subsidize the agency's 35354
law enforcement efforts that pertain to drug offenses, in 35355
accordance with the written internal control policy adopted by the 35356
recipient agency under division (F)(2) of this section. 35357

(2)~~(a)~~ Prior to receiving any fine moneys under division 35358
(F)(1) of this section or division (B) of section 2925.42 of the 35359
Revised Code, a law enforcement agency shall adopt a written 35360
internal control policy that addresses the agency's use and 35361
disposition of all fine moneys so received and that provides for 35362
the keeping of detailed financial records of the receipts of those 35363
fine moneys, the general types of expenditures made out of those 35364
fine moneys, and the specific amount of each general type of 35365
expenditure. The policy shall not provide for or permit the 35366
identification of any specific expenditure that is made in an 35367
ongoing investigation. All financial records of the receipts of 35368
those fine moneys, the general types of expenditures made out of 35369
those fine moneys, and the specific amount of each general type of 35370
expenditure by an agency are public records open for inspection 35371
under section 149.43 of the Revised Code. Additionally, a written 35372
internal control policy adopted under this division is such a 35373

public record, and the agency that adopted it shall comply with 35374
it. 35375

~~(b) Each law enforcement agency that receives in any calendar 35376
year any fine moneys under division (F)(1) of this section or 35377
division (B) of section 2925.42 of the Revised Code shall prepare 35378
a report covering the calendar year that cumulates all of the 35379
information contained in all of the public financial records kept 35380
by the agency pursuant to division (F)(2)(a) of this section for 35381
that calendar year, and shall send a copy of the cumulative 35382
report, no later than the first day of March in the calendar year 35383
following the calendar year covered by the report, to the attorney 35384
general. Each report received by the attorney general is a public 35385
record open for inspection under section 149.43 of the Revised 35386
Code. Not later than the fifteenth day of April in the calendar 35387
year in which the reports are received, the attorney general shall 35388
send to the president of the senate and the speaker of the house 35389
of representatives a written notification that does all of the 35390
following: 35391~~

~~(i) Indicates that the attorney general has received from law 35392
enforcement agencies reports of the type described in this 35393
division that cover the previous calendar year and indicates that 35394
the reports were received under this division: 35395~~

~~(ii) Indicates that the reports are open for inspection under 35396
section 149.43 of the Revised Code: 35397~~

~~(iii) Indicates that the attorney general will provide a copy 35398
of any or all of the reports to the president of the senate or the 35399
speaker of the house of representatives upon request. 35400~~

(3) As used in division (F) of this section: 35401

(a) "Law enforcement agencies" includes, but is not limited 35402
to, the state board of pharmacy and the office of a prosecutor. 35403

(b) "Prosecutor" has the same meaning as in section 2935.01 35404

of the Revised Code. 35405

(G) When required under division (D)(2) of this section or 35406
any other provision of this chapter, the court shall suspend for 35407
not less than six months or more than five years the driver's or 35408
commercial driver's license or permit of any person who is 35409
convicted of or pleads guilty to any violation of this section or 35410
any other specified provision of this chapter. If an offender's 35411
driver's or commercial driver's license or permit is suspended 35412
pursuant to this division, the offender, at any time after the 35413
expiration of two years from the day on which the offender's 35414
sentence was imposed or from the day on which the offender finally 35415
was released from a prison term under the sentence, whichever is 35416
later, may file a motion with the sentencing court requesting 35417
termination of the suspension; upon the filing of such a motion 35418
and the court's finding of good cause for the termination, the 35419
court may terminate the suspension. 35420

(H)(1) In addition to any prison term authorized or required 35421
by division (C) of this section and sections 2929.13 and 2929.14 35422
of the Revised Code, in addition to any other penalty or sanction 35423
imposed for the offense under this section or sections 2929.11 to 35424
2929.18 of the Revised Code, and in addition to the forfeiture of 35425
property in connection with the offense as prescribed in Chapter 35426
2981. of the Revised Code, the court that sentences an offender 35427
who is convicted of or pleads guilty to a violation of division 35428
(A) of this section may impose upon the offender an additional 35429
fine specified for the offense in division (B)(4) of section 35430
2929.18 of the Revised Code. A fine imposed under division (H)(1) 35431
of this section is not subject to division (F) of this section and 35432
shall be used solely for the support of one or more eligible 35433
~~alcohol and drug~~ community addiction programs services provider in 35434
accordance with divisions (H)(2) and (3) of this section. 35435

(2) The court that imposes a fine under division (H)(1) of 35436

this section shall specify in the judgment that imposes the fine 35437
one or more eligible ~~alcohol and drug~~ community addiction ~~programs~~ 35438
services provider for the support of which the fine money is to be 35439
used. No ~~alcohol and drug~~ community addiction ~~program~~ services 35440
provider shall receive or use money paid or collected in 35441
satisfaction of a fine imposed under division (H)(1) of this 35442
section unless the ~~program~~ services provider is specified in the 35443
judgment that imposes the fine. No ~~alcohol and drug~~ community 35444
addiction ~~program~~ services provider shall be specified in the 35445
judgment unless the ~~program~~ services provider is an eligible 35446
~~alcohol and drug~~ community addiction ~~program~~ services provider 35447
and, except as otherwise provided in division (H)(2) of this 35448
section, unless the ~~program~~ services provider is located in the 35449
county in which the court that imposes the fine is located or in a 35450
county that is immediately contiguous to the county in which that 35451
court is located. If no eligible ~~alcohol and drug~~ community 35452
addiction ~~program~~ services provider is located in any of those 35453
counties, the judgment may specify an eligible ~~alcohol and drug~~ 35454
community addiction ~~program~~ services provider that is located 35455
anywhere within this state. 35456

(3) Notwithstanding any contrary provision of section 3719.21 35457
of the Revised Code, the clerk of the court shall pay any fine 35458
imposed under division (H)(1) of this section to the eligible 35459
~~alcohol and drug~~ community addiction ~~program~~ services provider 35460
specified pursuant to division (H)(2) of this section in the 35461
judgment. The eligible ~~alcohol and drug~~ community addiction 35462
~~program~~ services provider that receives the fine moneys shall use 35463
the moneys only for the alcohol and drug addiction services 35464
identified in the application for certification under section 35465
~~3793.06~~ 5119.36 of the Revised Code or in the application for a 35466
license under section ~~3793.11~~ 5119.39 of the Revised Code filed 35467
with the department of ~~alcohol and drug addiction services~~ mental 35468
health and addiction services by the ~~alcohol and drug~~ community 35469

addiction ~~program~~ services provider specified in the judgment. 35470

(4) Each ~~alcohol and drug~~ community addiction ~~program~~ 35471
services provider that receives in a calendar year any fine moneys 35472
under division (H)(3) of this section shall file an annual report 35473
covering that calendar year with the court of common pleas and the 35474
board of county commissioners of the county in which the ~~program~~ 35475
services provider is located, with the court of common pleas and 35476
the board of county commissioners of each county from which the 35477
~~program~~ services provider received the moneys if that county is 35478
different from the county in which the ~~program~~ services provider 35479
is located, and with the attorney general. The ~~alcohol and drug~~ 35480
community addiction ~~program~~ services provider shall file the 35481
report no later than the first day of March in the calendar year 35482
following the calendar year in which the ~~program~~ services provider 35483
received the fine moneys. The report shall include statistics on 35484
the number of persons served by the ~~alcohol and drug~~ community 35485
addiction ~~program~~ services provider, identify the types of alcohol 35486
and drug addiction services provided to those persons, and include 35487
a specific accounting of the purposes for which the fine moneys 35488
received were used. No information contained in the report shall 35489
identify, or enable a person to determine the identity of, any 35490
person served by the ~~alcohol and drug~~ community addiction ~~program~~ 35491
services provider. Each report received by a court of common 35492
pleas, a board of county commissioners, or the attorney general is 35493
a public record open for inspection under section 149.43 of the 35494
Revised Code. 35495

(5) As used in divisions (H)(1) to (5) of this section: 35496

(a) "~~Alcohol and drug~~ Community addiction ~~program~~ services 35497
provider" and "alcohol and drug addiction services" have the same 35498
meanings as in section ~~3793.01~~ 5119.01 of the Revised Code. 35499

(b) "Eligible ~~alcohol and drug~~ community addiction ~~program~~ 35500
services provider" means ~~an alcohol and drug~~ a community addiction 35501

~~program services provider~~ that is certified under section ~~3793.06~~ 35502
~~5119.36~~ of the Revised Code or licensed under section ~~3793.11~~ 35503
~~5119.39~~ of the Revised Code by the department of ~~alcohol and drug~~ 35504
~~addiction services~~ mental health and addiction services. 35505

(I) As used in this section, "drug" includes any substance 35506
that is represented to be a drug. 35507

(J) It is an affirmative defense to a charge of trafficking 35508
in a controlled substance analog under division (C)(8) of this 35509
section that the person charged with violating that offense sold 35510
or offered to sell, or prepared for shipment, shipped, 35511
transported, delivered, prepared for distribution, or distributed 35512
an item described in division (HH)(2)(a), (b), or (c) of section 35513
3719.01 of the Revised Code. 35514

Sec. 2929.13. (A) Except as provided in division (E), (F), or 35515
(G) of this section and unless a specific sanction is required to 35516
be imposed or is precluded from being imposed pursuant to law, a 35517
court that imposes a sentence upon an offender for a felony may 35518
impose any sanction or combination of sanctions on the offender 35519
that are provided in sections 2929.14 to 2929.18 of the Revised 35520
Code. 35521

If the offender is eligible to be sentenced to community 35522
control sanctions, the court shall consider the appropriateness of 35523
imposing a financial sanction pursuant to section 2929.18 of the 35524
Revised Code or a sanction of community service pursuant to 35525
section 2929.17 of the Revised Code as the sole sanction for the 35526
offense. Except as otherwise provided in this division, if the 35527
court is required to impose a mandatory prison term for the 35528
offense for which sentence is being imposed, the court also shall 35529
impose any financial sanction pursuant to section 2929.18 of the 35530
Revised Code that is required for the offense and may impose any 35531
other financial sanction pursuant to that section but may not 35532

impose any additional sanction or combination of sanctions under 35533
section 2929.16 or 2929.17 of the Revised Code. 35534

If the offender is being sentenced for a fourth degree felony 35535
OVI offense or for a third degree felony OVI offense, in addition 35536
to the mandatory term of local incarceration or the mandatory 35537
prison term required for the offense by division (G)(1) or (2) of 35538
this section, the court shall impose upon the offender a mandatory 35539
fine in accordance with division (B)(3) of section 2929.18 of the 35540
Revised Code and may impose whichever of the following is 35541
applicable: 35542

(1) For a fourth degree felony OVI offense for which sentence 35543
is imposed under division (G)(1) of this section, an additional 35544
community control sanction or combination of community control 35545
sanctions under section 2929.16 or 2929.17 of the Revised Code. If 35546
the court imposes upon the offender a community control sanction 35547
and the offender violates any condition of the community control 35548
sanction, the court may take any action prescribed in division (B) 35549
of section 2929.15 of the Revised Code relative to the offender, 35550
including imposing a prison term on the offender pursuant to that 35551
division. 35552

(2) For a third or fourth degree felony OVI offense for which 35553
sentence is imposed under division (G)(2) of this section, an 35554
additional prison term as described in division (B)(4) of section 35555
2929.14 of the Revised Code or a community control sanction as 35556
described in division (G)(2) of this section. 35557

(B)(1)(a) Except as provided in division (B)(1)(b) of this 35558
section, if an offender is convicted of or pleads guilty to a 35559
felony of the fourth or fifth degree that is not an offense of 35560
violence or that is a qualifying assault offense, the court shall 35561
sentence the offender to a community control sanction of at least 35562
one year's duration if all of the following apply: 35563

- (i) The offender previously has not been convicted of or
pleaded guilty to a felony offense. 35564
35565
- (ii) The most serious charge against the offender at the time
of sentencing is a felony of the fourth or fifth degree. 35566
35567
- (iii) If the court made a request of the department of
rehabilitation and correction pursuant to division (B)(1)(c) of
this section, the department, within the forty-five-day period
specified in that division, provided the court with the names of,
contact information for, and program details of one or more
community control sanctions of at least one year's duration that
are available for persons sentenced by the court. 35568
35569
35570
35571
35572
35573
35574
- (iv) The offender previously has not been convicted of or
pleaded guilty to a misdemeanor offense of violence that the
offender committed within two years prior to the offense for which
sentence is being imposed. 35575
35576
35577
35578
- (b) The court has discretion to impose a prison term upon an
offender who is convicted of or pleads guilty to a felony of the
fourth or fifth degree that is not an offense of violence or that
is a qualifying assault offense if any of the following apply: 35579
35580
35581
35582
- (i) The offender committed the offense while having a firearm
on or about the offender's person or under the offender's control. 35583
35584
- (ii) If the offense is a qualifying assault offense, the
offender caused serious physical harm to another person while
committing the offense, and, if the offense is not a qualifying
assault offense, the offender caused physical harm to another
person while committing the offense. 35585
35586
35587
35588
35589
- (iii) The offender violated a term of the conditions of bond
as set by the court. 35590
35591
- (iv) The court made a request of the department of
rehabilitation and correction pursuant to division (B)(1)(c) of 35592
35593

this section, and the department, within the forty-five-day period 35594
specified in that division, did not provide the court with the 35595
name of, contact information for, and program details of any 35596
community control sanction of at least one year's duration that is 35597
available for persons sentenced by the court. 35598

(v) The offense is a sex offense that is a fourth or fifth 35599
degree felony violation of any provision of Chapter 2907. of the 35600
Revised Code. 35601

(vi) In committing the offense, the offender attempted to 35602
cause or made an actual threat of physical harm to a person with a 35603
deadly weapon. 35604

(vii) In committing the offense, the offender attempted to 35605
cause or made an actual threat of physical harm to a person, and 35606
the offender previously was convicted of an offense that caused 35607
physical harm to a person. 35608

(viii) The offender held a public office or position of 35609
trust, and the offense related to that office or position; the 35610
offender's position obliged the offender to prevent the offense or 35611
to bring those committing it to justice; or the offender's 35612
professional reputation or position facilitated the offense or was 35613
likely to influence the future conduct of others. 35614

(ix) The offender committed the offense for hire or as part 35615
of an organized criminal activity. 35616

(x) The offender at the time of the offense was serving, or 35617
the offender previously had served, a prison term. 35618

(xi) The offender committed the offense while under a 35619
community control sanction, while on probation, or while released 35620
from custody on a bond or personal recognizance. 35621

(c) If a court that is sentencing an offender who is 35622
convicted of or pleads guilty to a felony of the fourth or fifth 35623

degree that is not an offense of violence or that is a qualifying 35624
assault offense believes that no community control sanctions are 35625
available for its use that, if imposed on the offender, will 35626
adequately fulfill the overriding principles and purposes of 35627
sentencing, the court shall contact the department of 35628
rehabilitation and correction and ask the department to provide 35629
the court with the names of, contact information for, and program 35630
details of one or more community control sanctions of at least one 35631
year's duration that are available for persons sentenced by the 35632
court. Not later than forty-five days after receipt of a request 35633
from a court under this division, the department shall provide the 35634
court with the names of, contact information for, and program 35635
details of one or more community control sanctions of at least one 35636
year's duration that are available for persons sentenced by the 35637
court, if any. Upon making a request under this division that 35638
relates to a particular offender, a court shall defer sentencing 35639
of that offender until it receives from the department the names 35640
of, contact information for, and program details of one or more 35641
community control sanctions of at least one year's duration that 35642
are available for persons sentenced by the court or for forty-five 35643
days, whichever is the earlier. 35644

If the department provides the court with the names of, 35645
contact information for, and program details of one or more 35646
community control sanctions of at least one year's duration that 35647
are available for persons sentenced by the court within the 35648
forty-five-day period specified in this division, the court shall 35649
impose upon the offender a community control sanction under 35650
division (B)(1)(a) of this section, except that the court may 35651
impose a prison term under division (B)(1)(b) of this section if a 35652
factor described in division (B)(1)(b)(i) or (ii) of this section 35653
applies. If the department does not provide the court with the 35654
names of, contact information for, and program details of one or 35655
more community control sanctions of at least one year's duration 35656

that are available for persons sentenced by the court within the 35657
forty-five-day period specified in this division, the court may 35658
impose upon the offender a prison term under division 35659
(B)(1)(b)(iv) of this section. 35660

(d) A sentencing court may impose an additional penalty under 35661
division (B) of section 2929.15 of the Revised Code upon an 35662
offender sentenced to a community control sanction under division 35663
(B)(1)(a) of this section if the offender violates the conditions 35664
of the community control sanction, violates a law, or leaves the 35665
state without the permission of the court or the offender's 35666
probation officer. 35667

(2) If division (B)(1) of this section does not apply, except 35668
as provided in division (E), (F), or (G) of this section, in 35669
determining whether to impose a prison term as a sanction for a 35670
felony of the fourth or fifth degree, the sentencing court shall 35671
comply with the purposes and principles of sentencing under 35672
section 2929.11 of the Revised Code and with section 2929.12 of 35673
the Revised Code. 35674

(C) Except as provided in division (D), (E), (F), or (G) of 35675
this section, in determining whether to impose a prison term as a 35676
sanction for a felony of the third degree or a felony drug offense 35677
that is a violation of a provision of Chapter 2925. of the Revised 35678
Code and that is specified as being subject to this division for 35679
purposes of sentencing, the sentencing court shall comply with the 35680
purposes and principles of sentencing under section 2929.11 of the 35681
Revised Code and with section 2929.12 of the Revised Code. 35682

(D)(1) Except as provided in division (E) or (F) of this 35683
section, for a felony of the first or second degree, for a felony 35684
drug offense that is a violation of any provision of Chapter 35685
2925., 3719., or 4729. of the Revised Code for which a presumption 35686
in favor of a prison term is specified as being applicable, and 35687
for a violation of division (A)(4) or (B) of section 2907.05 of 35688

the Revised Code for which a presumption in favor of a prison term 35689
is specified as being applicable, it is presumed that a prison 35690
term is necessary in order to comply with the purposes and 35691
principles of sentencing under section 2929.11 of the Revised 35692
Code. Division (D)(2) of this section does not apply to a 35693
presumption established under this division for a violation of 35694
division (A)(4) of section 2907.05 of the Revised Code. 35695

(2) Notwithstanding the presumption established under 35696
division (D)(1) of this section for the offenses listed in that 35697
division other than a violation of division (A)(4) or (B) of 35698
section 2907.05 of the Revised Code, the sentencing court may 35699
impose a community control sanction or a combination of community 35700
control sanctions instead of a prison term on an offender for a 35701
felony of the first or second degree or for a felony drug offense 35702
that is a violation of any provision of Chapter 2925., 3719., or 35703
4729. of the Revised Code for which a presumption in favor of a 35704
prison term is specified as being applicable if it makes both of 35705
the following findings: 35706

(a) A community control sanction or a combination of 35707
community control sanctions would adequately punish the offender 35708
and protect the public from future crime, because the applicable 35709
factors under section 2929.12 of the Revised Code indicating a 35710
lesser likelihood of recidivism outweigh the applicable factors 35711
under that section indicating a greater likelihood of recidivism. 35712

(b) A community control sanction or a combination of 35713
community control sanctions would not demean the seriousness of 35714
the offense, because one or more factors under section 2929.12 of 35715
the Revised Code that indicate that the offender's conduct was 35716
less serious than conduct normally constituting the offense are 35717
applicable, and they outweigh the applicable factors under that 35718
section that indicate that the offender's conduct was more serious 35719
than conduct normally constituting the offense. 35720

(E)(1) Except as provided in division (F) of this section, 35721
for any drug offense that is a violation of any provision of 35722
Chapter 2925. of the Revised Code and that is a felony of the 35723
third, fourth, or fifth degree, the applicability of a presumption 35724
under division (D) of this section in favor of a prison term or of 35725
division (B) or (C) of this section in determining whether to 35726
impose a prison term for the offense shall be determined as 35727
specified in section 2925.02, 2925.03, 2925.04, 2925.05, 2925.06, 35728
2925.11, 2925.13, 2925.22, 2925.23, 2925.36, or 2925.37 of the 35729
Revised Code, whichever is applicable regarding the violation. 35730

(2) If an offender who was convicted of or pleaded guilty to 35731
a felony violates the conditions of a community control sanction 35732
imposed for the offense solely by reason of producing positive 35733
results on a drug test, the court, as punishment for the violation 35734
of the sanction, shall not order that the offender be imprisoned 35735
unless the court determines on the record either of the following: 35736

(a) The offender had been ordered as a sanction for the 35737
felony to participate in a drug treatment program, in a drug 35738
education program, or in narcotics anonymous or a similar program, 35739
and the offender continued to use illegal drugs after a reasonable 35740
period of participation in the program. 35741

(b) The imprisonment of the offender for the violation is 35742
consistent with the purposes and principles of sentencing set 35743

(17) A felony violation of division (A) or (B) of section 35883

violation, with respect to a portion of the sentence imposed 35890
pursuant to division (B)(8) of section 2929.14 of the Revised 35891

(G) Notwithstanding divisions (A) to (E) of this section, if 35893
an offender is being sentenced for a fourth degree felony OVI 35894
offense or for a third degree felony OVI offense, the court shall 35895
impose upon the offender a mandatory term of local incarceration 35896
or a mandatory prison term in accordance with the following: 35897

(1) If the offender is being sentenced for a fourth degree 35898
felony OVI offense and if the offender has not been convicted of 35899
and has not pleaded guilty to a specification of the type 35900
described in section 2941.1413 of the Revised Code, the court may 35901
impose upon the offender a mandatory term of local incarceration 35902
of sixty days or one hundred twenty days as specified in division 35903
(G)(1)(d) of section 4511.19 of the Revised Code. The court shall 35904
not reduce the term pursuant to section 2929.20, 2967.193, or any 35905
other provision of the Revised Code. The court that imposes a 35906
mandatory term of local incarceration under this division shall 35907

specify whether the term is to be served in a jail, a 35908
community-based correctional facility, a halfway house, or an 35909
alternative residential facility, and the offender shall serve the 35910
term in the type of facility specified by the court. A mandatory 35911
term of local incarceration imposed under division (G)(1) of this 35912
section is not subject to any other Revised Code provision that 35913
pertains to a prison term except as provided in division (A)(1) of 35914
this section. 35915

(2) If the offender is being sentenced for a third degree 35916
felony OVI offense, or if the offender is being sentenced for a 35917
fourth degree felony OVI offense and the court does not impose a 35918
mandatory term of local incarceration under division (G)(1) of 35919
this section, the court shall impose upon the offender a mandatory 35920
prison term of one, two, three, four, or five years if the 35921
offender also is convicted of or also pleads guilty to a 35922
specification of the type described in section 2941.1413 of the 35923
Revised Code or shall impose upon the offender a mandatory prison 35924
term of sixty days or one hundred twenty days as specified in 35925
division (G)(1)(d) or (e) of section 4511.19 of the Revised Code 35926
if the offender has not been convicted of and has not pleaded 35927
guilty to a specification of that type. Subject to divisions (C) 35928
to (I) of section 2967.19 of the Revised Code, the court shall not 35929
reduce the term pursuant to section 2929.20, 2967.19, 2967.193, or 35930
any other provision of the Revised Code. The offender shall serve 35931
the one-, two-, three-, four-, or five-year mandatory prison term 35932
consecutively to and prior to the prison term imposed for the 35933
underlying offense and consecutively to any other mandatory prison 35934
term imposed in relation to the offense. In no case shall an 35935
offender who once has been sentenced to a mandatory term of local 35936
incarceration pursuant to division (G)(1) of this section for a 35937
fourth degree felony OVI offense be sentenced to another mandatory 35938
term of local incarceration under that division for any violation 35939
of division (A) of section 4511.19 of the Revised Code. In 35940

addition to the mandatory prison term described in division (G)(2) 35941
of this section, the court may sentence the offender to a 35942
community control sanction under section 2929.16 or 2929.17 of the 35943
Revised Code, but the offender shall serve the prison term prior 35944
to serving the community control sanction. The department of 35945
rehabilitation and correction may place an offender sentenced to a 35946
mandatory prison term under this division in an intensive program 35947
prison established pursuant to section 5120.033 of the Revised 35948
Code if the department gave the sentencing judge prior notice of 35949
its intent to place the offender in an intensive program prison 35950
established under that section and if the judge did not notify the 35951
department that the judge disapproved the placement. Upon the 35952
establishment of the initial intensive program prison pursuant to 35953
section 5120.033 of the Revised Code that is privately operated 35954
and managed by a contractor pursuant to a contract entered into 35955
under section 9.06 of the Revised Code, both of the following 35956
apply: 35957

(a) The department of rehabilitation and correction shall 35958
make a reasonable effort to ensure that a sufficient number of 35959
offenders sentenced to a mandatory prison term under this division 35960
are placed in the privately operated and managed prison so that 35961
the privately operated and managed prison has full occupancy. 35962

(b) Unless the privately operated and managed prison has full 35963
occupancy, the department of rehabilitation and correction shall 35964
not place any offender sentenced to a mandatory prison term under 35965
this division in any intensive program prison established pursuant 35966
to section 5120.033 of the Revised Code other than the privately 35967
operated and managed prison. 35968

(H) If an offender is being sentenced for a sexually oriented 35969
offense or child-victim oriented offense that is a felony 35970
committed on or after January 1, 1997, the judge shall require the 35971
offender to submit to a DNA specimen collection procedure pursuant 35972

to section 2901.07 of the Revised Code. 35973

(I) If an offender is being sentenced for a sexually oriented 35974
offense or a child-victim oriented offense committed on or after 35975
January 1, 1997, the judge shall include in the sentence a summary 35976
of the offender's duties imposed under sections 2950.04, 2950.041, 35977
2950.05, and 2950.06 of the Revised Code and the duration of the 35978
duties. The judge shall inform the offender, at the time of 35979
sentencing, of those duties and of their duration. If required 35980
under division (A)(2) of section 2950.03 of the Revised Code, the 35981
judge shall perform the duties specified in that section, or, if 35982
required under division (A)(6) of section 2950.03 of the Revised 35983
Code, the judge shall perform the duties specified in that 35984
division. 35985

(J)(1) Except as provided in division (J)(2) of this section, 35986
when considering sentencing factors under this section in relation 35987
to an offender who is convicted of or pleads guilty to an attempt 35988
to commit an offense in violation of section 2923.02 of the 35989
Revised Code, the sentencing court shall consider the factors 35990
applicable to the felony category of the violation of section 35991
2923.02 of the Revised Code instead of the factors applicable to 35992
the felony category of the offense attempted. 35993

(2) When considering sentencing factors under this section in 35994
relation to an offender who is convicted of or pleads guilty to an 35995
attempt to commit a drug abuse offense for which the penalty is 35996
determined by the amount or number of unit doses of the controlled 35997
substance involved in the drug abuse offense, the sentencing court 35998
shall consider the factors applicable to the felony category that 35999
the drug abuse offense attempted would be if that drug abuse 36000
offense had been committed and had involved an amount or number of 36001
unit doses of the controlled substance that is within the next 36002
lower range of controlled substance amounts than was involved in 36003
the attempt. 36004

(K) As used in this section: 36005

(1) "Drug abuse offense" has the same meaning as in section 36006
2925.01 of the Revised Code. 36007

(2) "Qualifying assault offense" means a violation of section 36008
2903.13 of the Revised Code for which the penalty provision in 36009
division (C)~~(7)~~(8)(b) or (C)~~(8)~~(9)(b) of that section applies. 36010

(L) At the time of sentencing an offender for any sexually 36011
oriented offense, if the offender is a tier III sex 36012
offender/child-victim offender relative to that offense and the 36013
offender does not serve a prison term or jail term, the court may 36014
require that the offender be monitored by means of a global 36015
positioning device. If the court requires such monitoring, the 36016
cost of monitoring shall be borne by the offender. If the offender 36017
is indigent, the cost of compliance shall be paid by the crime 36018
victims reparations fund. 36019

Sec. 2929.15. (A)(1) If in sentencing an offender for a 36020
felony the court is not required to impose a prison term, a 36021
mandatory prison term, or a term of life imprisonment upon the 36022
offender, the court may directly impose a sentence that consists 36023
of one or more community control sanctions authorized pursuant to 36024
section 2929.16, 2929.17, or 2929.18 of the Revised Code. If the 36025
court is sentencing an offender for a fourth degree felony OVI 36026
offense under division (G)(1) of section 2929.13 of the Revised 36027
Code, in addition to the mandatory term of local incarceration 36028
imposed under that division and the mandatory fine required by 36029
division (B)(3) of section 2929.18 of the Revised Code, the court 36030
may impose upon the offender a community control sanction or 36031
combination of community control sanctions in accordance with 36032
sections 2929.16 and 2929.17 of the Revised Code. If the court is 36033
sentencing an offender for a third or fourth degree felony OVI 36034
offense under division (G)(2) of section 2929.13 of the Revised 36035

Code, in addition to the mandatory prison term or mandatory prison 36036
term and additional prison term imposed under that division, the 36037
court also may impose upon the offender a community control 36038
sanction or combination of community control sanctions under 36039
section 2929.16 or 2929.17 of the Revised Code, but the offender 36040
shall serve all of the prison terms so imposed prior to serving 36041
the community control sanction. 36042

The duration of all community control sanctions imposed upon 36043
an offender under this division shall not exceed five years. If 36044
the offender absconds or otherwise leaves the jurisdiction of the 36045
court in which the offender resides without obtaining permission 36046
from the court or the offender's probation officer to leave the 36047
jurisdiction of the court, or if the offender is confined in any 36048
institution for the commission of any offense while under a 36049
community control sanction, the period of the community control 36050
sanction ceases to run until the offender is brought before the 36051
court for its further action. If the court sentences the offender 36052
to one or more nonresidential sanctions under section 2929.17 of 36053
the Revised Code, the court shall impose as a condition of the 36054
nonresidential sanctions that, during the period of the sanctions, 36055
the offender must abide by the law and must not leave the state 36056
without the permission of the court or the offender's probation 36057
officer. The court may impose any other conditions of release 36058
under a community control sanction that the court considers 36059
appropriate, including, but not limited to, requiring that the 36060
offender not ingest or be injected with a drug of abuse and submit 36061
to random drug testing as provided in division (D) of this section 36062
to determine whether the offender ingested or was injected with a 36063
drug of abuse and requiring that the results of the drug test 36064
indicate that the offender did not ingest or was not injected with 36065
a drug of abuse. 36066

(2)(a) If a court sentences an offender to any community 36067

control sanction or combination of community control sanctions 36068
authorized pursuant to section 2929.16, 2929.17, or 2929.18 of the 36069
Revised Code, the court shall place the offender under the general 36070
control and supervision of a department of probation in the county 36071
that serves the court for purposes of reporting to the court a 36072
violation of any condition of the sanctions, any condition of 36073
release under a community control sanction imposed by the court, a 36074
violation of law, or the departure of the offender from this state 36075
without the permission of the court or the offender's probation 36076
officer. Alternatively, if the offender resides in another county 36077
and a county department of probation has been established in that 36078
county or that county is served by a multicounty probation 36079
department established under section 2301.27 of the Revised Code, 36080
the court may request the court of common pleas of that county to 36081
receive the offender into the general control and supervision of 36082
that county or multicounty department of probation for purposes of 36083
reporting to the court a violation of any condition of the 36084
sanctions, any condition of release under a community control 36085
sanction imposed by the court, a violation of law, or the 36086
departure of the offender from this state without the permission 36087
of the court or the offender's probation officer, subject to the 36088
jurisdiction of the trial judge over and with respect to the 36089
person of the offender, and to the rules governing that department 36090
of probation. 36091

If there is no department of probation in the county that 36092
serves the court, the court shall place the offender, regardless 36093
of the offender's county of residence, under the general control 36094
and supervision of the adult parole authority for purposes of 36095
reporting to the court a violation of any of the sanctions, any 36096
condition of release under a community control sanction imposed by 36097
the court, a violation of law, or the departure of the offender 36098
from this state without the permission of the court or the 36099
offender's probation officer. 36100

(b) If the court imposing sentence upon an offender sentences 36101
the offender to any community control sanction or combination of 36102
community control sanctions authorized pursuant to section 36103
2929.16, 2929.17, or 2929.18 of the Revised Code, and if the 36104
offender violates any condition of the sanctions, any condition of 36105
release under a community control sanction imposed by the court, 36106
violates any law, or departs the state without the permission of 36107
the court or the offender's probation officer, the public or 36108
private person or entity that operates or administers the sanction 36109
or the program or activity that comprises the sanction shall 36110
report the violation or departure directly to the sentencing 36111
court, or shall report the violation or departure to the county or 36112
multicounty department of probation with general control and 36113
supervision over the offender under division (A)(2)(a) of this 36114
section or the officer of that department who supervises the 36115
offender, or, if there is no such department with general control 36116
and supervision over the offender under that division, to the 36117
adult parole authority. If the public or private person or entity 36118
that operates or administers the sanction or the program or 36119
activity that comprises the sanction reports the violation or 36120
departure to the county or multicounty department of probation or 36121
the adult parole authority, the department's or authority's 36122
officers may treat the offender as if the offender were on 36123
probation and in violation of the probation, and shall report the 36124
violation of the condition of the sanction, any condition of 36125
release under a community control sanction imposed by the court, 36126
the violation of law, or the departure from the state without the 36127

2945.39 of the Revised Code or to a person who is found not guilty 36951
by reason of insanity and is committed pursuant to section 2945.40 36952
of the Revised Code. 36953

(4) "Unsupervised, off-grounds movement" includes only 36954

which the trial court at any time may revoke a person's 36963
conditional release and order the rehospitalization or 36964

exceed the maximum prison term or term of imprisonment that the 36970

(7) "Licensed clinical psychologist," "mentally ill person 36975

(B) In a criminal action in a court of common pleas, a county court, or a municipal court, the court, prosecutor, or defense may raise the issue of the defendant's competence to stand trial. If the issue is raised before the trial has commenced, the court shall hold a hearing on the issue as provided in this section. If the issue is raised after the trial has commenced, the court shall hold a hearing on the issue only for good cause shown or on the court's own motion.

(C) The court shall conduct the hearing required or authorized under division (B) of this section within thirty days after the issue is raised, unless the defendant has been referred for evaluation in which case the court shall conduct the hearing within ten days after the filing of the report of the evaluation or, in the case of a defendant who is ordered by the court pursuant to division (H) of section 2945.371 of the Revised Code to undergo a separate mental retardation evaluation conducted by a psychologist designated by the director of developmental disabilities, within ten days after the filing of the report of the separate mental retardation evaluation under that division. A hearing may be continued for good cause.

(D) The defendant shall be represented by counsel at the hearing conducted under division (C) of this section. (E) The prosecutor and defense counsel may submit evidence on the issue of the defendant's competence to stand trial. any other applicable statute or rule. 37014

(F) The court shall not find a defendant incompetent to stand 37015

treatment as a voluntary or involuntary mentally ill patient under 37017
Chapter 5122. or a voluntary or involuntary mentally retarded 37018
resident under Chapter 5123. of the Revised Code or because the 37019
defendant is receiving or has received psychotropic drugs or other 37020
medication, even if the defendant might become incompetent to 37021
stand trial without the drugs or medication. 37022

(G) A defendant is presumed to be competent to stand trial. 37023
If, after a hearing, the court finds by a preponderance of the 37024
evidence that, because of the defendant's present mental 37025
condition, the defendant is incapable of understanding the nature 37026
and objective of the proceedings against the defendant or of 37027
assisting in the defendant's defense, the court shall find the 37028
defendant incompetent to stand trial and shall enter an order 37029
authorized by section 2945.38 of the Revised Code. 37030

(H) Municipal courts shall follow the procedures set forth in 37031
sections 2945.37 to 2945.402 of the Revised Code. Except as 37032
provided in section 2945.371 of the Revised Code, a municipal 37033
court shall not order an evaluation of the defendant's competence 37034
to stand trial or the defendant's mental condition at the time of 37035
the commission of the offense to be conducted at any hospital 37036
operated by the department of ~~mental health~~ mental health and 37037
addiction services. Those evaluations shall be performed through 37038
community resources including, but not limited to, certified 37039
forensic centers, court probation departments, and community 37040
mental health ~~agencies~~ services providers. All expenses of the 37041
evaluations shall be borne by the legislative authority of the 37042
municipal court, as defined in section 1901.03 of the Revised 37043
Code, and shall be taxed as costs in the case. If a defendant is 37044

found incompetent to stand trial or not guilty by reason of 37045
insanity, a municipal court may commit the defendant as provided 37046
in sections 2945.38 to 2945.402 of the Revised Code. 37047

Sec. 2945.371. (A) If the issue of a defendant's competence 37048
to stand trial is raised or if a defendant enters a plea of not 37049
guilty by reason of insanity, the court may order one or more 37050
evaluations of the defendant's present mental condition or, in the 37051
case of a plea of not guilty by reason of insanity, of the 37052
defendant's mental condition at the time of the offense charged. 37053
An examiner shall conduct the evaluation. 37054

(B) If the court orders more than one evaluation under 37055
division (A) of this section, the prosecutor and the defendant may 37056
recommend to the court an examiner whom each prefers to perform 37057
one of the evaluations. If a defendant enters a plea of not guilty 37058
by reason of insanity and if the court does not designate an 37059
examiner recommended by the defendant, the court shall inform the 37060
defendant that the defendant may have independent expert 37061
evaluation and that, if the defendant is unable to obtain 37062
independent expert evaluation, it will be obtained for the 37063
defendant at public expense if the defendant is indigent. 37064

(C) If the court orders an evaluation under division (A) of 37065
this section, the defendant shall be available at the times and 37066
places established by the examiners who are to conduct the 37067
evaluation. The court may order a defendant who has been released 37068
on bail or recognizance to submit to an evaluation under this 37069
section. If a defendant who has been released on bail or 37070
recognizance refuses to submit to a complete evaluation, the court 37071
may amend the conditions of bail or recognizance and order the 37072
sheriff to take the defendant into custody and deliver the 37073
defendant to a center, program, or facility operated or certified 37074
by the department of ~~mental health~~ mental health and addiction 37075

services or the department of developmental disabilities where the 37076
defendant may be held for evaluation for a reasonable period of 37077
time not to exceed twenty days. 37078

(D) A defendant who has not been released on bail or 37079
recognizance may be evaluated at the defendant's place of 37080
detention. Upon the request of the examiner, the court may order 37081
the sheriff to transport the defendant to a program or facility 37082
operated or certified by the department of ~~mental health~~ mental 37083
health and addiction services or the department of developmental 37084
disabilities, where the defendant may be held for evaluation for a 37085
reasonable period of time not to exceed twenty days, and to return 37086
the defendant to the place of detention after the evaluation. A 37087
municipal court may make an order under this division only upon 37088
the request of a certified forensic center examiner. 37089

(E) If a court orders the evaluation to determine a 37090
defendant's mental condition at the time of the offense charged, 37091
the court shall inform the examiner of the offense with which the 37092
defendant is charged. 37093

(F) In conducting an evaluation of a defendant's mental 37094
condition at the time of the offense charged, the examiner shall 37095
consider all relevant evidence. If the offense charged involves 37096
the use of force against another person, the relevant evidence to 37097
be considered includes, but is not limited to, any evidence that 37098
the defendant suffered, at the time of the commission of the 37099
offense, from the "battered woman syndrome." 37100

(G) The examiner shall file a written report with the court 37101
within thirty days after entry of a court order for evaluation, 37102
and the court shall provide copies of the report to the prosecutor 37103
and defense counsel. The report shall include all of the 37104
following: 37105

(1) The examiner's findings; 37106

(2) The facts in reasonable detail on which the findings are based;	37107 37108
(3) If the evaluation was ordered to determine the defendant's competence to stand trial, all of the following findings or recommendations that are applicable:	37109 37110 37111
(a) Whether the defendant is capable of understanding the nature and objective of the proceedings against the defendant or of assisting in the defendant's defense;	37112 37113 37114
(b) If the examiner's opinion is that the defendant is incapable of understanding the nature and objective of the proceedings against the defendant or of assisting in the defendant's defense, whether the defendant presently is mentally ill or mentally retarded and, if the examiner's opinion is that the defendant presently is mentally retarded, whether the defendant appears to be a mentally retarded person subject to institutionalization by court order;	37115 37116 37117 37118 37119 37120 37121 37122
(c) If the examiner's opinion is that the defendant is incapable of understanding the nature and objective of the proceedings against the defendant or of assisting in the defendant's defense, the examiner's opinion as to the likelihood of the defendant becoming capable of understanding the nature and objective of the proceedings against the defendant and of assisting in the defendant's defense within one year if the defendant is provided with a course of treatment;	37123 37124 37125 37126 37127 37128 37129 37130
(d) If the examiner's opinion is that the defendant is incapable of understanding the nature and objective of the proceedings against the defendant or of assisting in the defendant's defense and that the defendant presently is mentally ill or mentally retarded, the examiner's recommendation as to the least restrictive placement or commitment alternative, consistent with the defendant's treatment needs for restoration to competency	37131 37132 37133 37134 37135 37136 37137

and with the safety of the community. 37138

(4) If the evaluation was ordered to determine the 37139
defendant's mental condition at the time of the offense charged, 37140
the examiner's findings as to whether the defendant, at the time 37141
of the offense charged, did not know, as a result of a severe 37142
mental disease or defect, the wrongfulness of the defendant's acts 37143
charged. 37144

(H) If the examiner's report filed under division (G) of this 37145
section indicates that in the examiner's opinion the defendant is 37146
incapable of understanding the nature and objective of the 37147
proceedings against the defendant or of assisting in the 37148
defendant's defense and that in the examiner's opinion the 37149
defendant appears to be a mentally retarded person subject to 37150
institutionalization by court order, the court shall order the 37151
defendant to undergo a separate mental retardation evaluation 37152
conducted by a psychologist designated by the director of 37153
developmental disabilities. Divisions (C) to (F) of this section 37154
apply in relation to a separate mental retardation evaluation 37155
conducted under this division. The psychologist appointed under 37156
this division to conduct the separate mental retardation 37157
evaluation shall file a written report with the court within 37158
thirty days after the entry of the court order requiring the 37159
separate mental retardation evaluation, and the court shall 37160
provide copies of the report to the prosecutor and defense 37161
counsel. The report shall include all of the information described 37162
in divisions (G)(1) to (4) of this section. If the court orders a 37163
separate mental retardation evaluation of a defendant under this 37164
division, the court shall not conduct a hearing under divisions 37165
(B) to (H) of section 2945.37 of the Revised Code regarding that 37166
defendant until a report of the separate mental retardation 37167
evaluation conducted under this division has been filed. Upon the 37168
filing of that report, the court shall conduct the hearing within 37169

the period of time specified in division (C) of section 2945.37 of 37170
the Revised Code. 37171

(I) An examiner appointed under divisions (A) and (B) of this 37172
section or under division (H) of this section to evaluate a 37173
defendant to determine the defendant's competence to stand trial 37174
also may be appointed to evaluate a defendant who has entered a 37175
plea of not guilty by reason of insanity, but an examiner of that 37176
nature shall prepare separate reports on the issue of competence 37177
to stand trial and the defense of not guilty by reason of 37178
insanity. 37179

(J) No statement that a defendant makes in an evaluation or 37180
hearing under divisions (A) to (H) of this section relating to the 37181
defendant's competence to stand trial or to the defendant's mental 37182
condition at the time of the offense charged shall be used against 37183
the defendant on the issue of guilt in any criminal action or 37184
proceeding, but, in a criminal action or proceeding, the 37185
prosecutor or defense counsel may call as a witness any person who 37186
evaluated the defendant or prepared a report pursuant to a 37187
referral under this section. Neither the appointment nor the 37188
testimony of an examiner appointed under this section precludes 37189
the prosecutor or defense counsel from calling other witnesses or 37190
presenting other evidence on competency or insanity issues. 37191

(K) Persons appointed as examiners under divisions (A) and 37192
(B) of this section or under division (H) of this section shall be 37193
paid a reasonable amount for their services and expenses, as 37194
certified by the court. The certified amount shall be paid by the 37195
county in the case of county courts and courts of common pleas and 37196
by the legislative authority, as defined in section 1901.03 of the 37197
Revised Code, in the case of municipal courts. 37198

Sec. 2945.38. (A) If the issue of a defendant's competence to 37199
stand trial is raised and if the court, upon conducting the 37200

hearing provided for in section 2945.37 of the Revised Code, finds 37201
that the defendant is competent to stand trial, the defendant 37202
shall be proceeded against as provided by law. If the court finds 37203
the defendant competent to stand trial and the defendant is 37204
receiving psychotropic drugs or other medication, the court may 37205
authorize the continued administration of the drugs or medication 37206
or other appropriate treatment in order to maintain the 37207
defendant's competence to stand trial, unless the defendant's 37208
attending physician advises the court against continuation of the 37209
drugs, other medication, or treatment. 37210

(B)(1)(a) If, after taking into consideration all relevant 37211
reports, information, and other evidence, the court finds that the 37212
defendant is incompetent to stand trial and that there is a 37213
substantial probability that the defendant will become competent 37214
to stand trial within one year if the defendant is provided with a 37215
course of treatment, the court shall order the defendant to 37216
undergo treatment. If the defendant has been charged with a felony 37217
offense and if, after taking into consideration all relevant 37218
reports, information, and other evidence, the court finds that the 37219
defendant is incompetent to stand trial, but the court is unable 37220
at that time to determine whether there is a substantial 37221
probability that the defendant will become competent to stand 37222
trial within one year if the defendant is provided with a course 37223
of treatment, the court shall order continuing evaluation and 37224
treatment of the defendant for a period not to exceed four months 37225
to determine whether there is a substantial probability that the 37226
defendant will become competent to stand trial within one year if 37227
the defendant is provided with a course of treatment. 37228

(b) The court order for the defendant to undergo treatment or 37229
continuing evaluation and treatment under division (B)(1)(a) of 37230
this section shall specify that the defendant, if determined to 37231
require mental health treatment or continuing evaluation and 37232

treatment, either shall be committed to the department of ~~mental~~ 37233
~~health~~ mental health and addiction services for treatment or 37234
continuing evaluation and treatment at a hospital, facility, or 37235
agency, as determined to be clinically appropriate by the 37236
department of ~~mental health~~ mental health and addiction services 37237
or shall be committed to a facility certified by the department of 37238
~~mental health~~ mental health and addiction services as being 37239
qualified to treat mental illness, to a public or community mental 37240
health facility, or to a psychiatrist or another mental health 37241
professional for treatment or continuing evaluation and treatment. 37242
Prior to placing the defendant, the department of ~~mental health~~ 37243
mental health and addiction services shall obtain court approval 37244
for that placement following a hearing. The court order for the 37245
defendant to undergo treatment or continuing evaluation and 37246
treatment under division (B)(1)(a) of this section shall specify 37247
that the defendant, if determined to require treatment or 37248
continuing evaluation and treatment for mental retardation, shall 37249
receive treatment or continuing evaluation and treatment at an 37250
institution or facility operated by the department of 37251
developmental disabilities, at a facility certified by the 37252
department of developmental disabilities as being qualified to 37253
treat mental retardation, at a public or private mental 37254
retardation facility, or by a psychiatrist or another mental 37255
retardation professional. In any case, the order may restrict the 37256
defendant's freedom of movement as the court considers necessary. 37257
The prosecutor in the defendant's case shall send to the chief 37258
clinical officer of the hospital, facility, or agency where the 37259
defendant is placed by the department of ~~mental health~~ mental 37260
health and addiction services, or to the managing officer of the 37261
institution, the director of the program or facility, or the 37262
person to which the defendant is committed, copies of relevant 37263
police reports and other background information that pertains to 37264
the defendant and is available to the prosecutor unless the 37265

prosecutor determines that the release of any of the information 37266
in the police reports or any of the other background information 37267
to unauthorized persons would interfere with the effective 37268
prosecution of any person or would create a substantial risk of 37269
harm to any person. 37270

In determining the place of commitment, the court shall 37271
consider the extent to which the person is a danger to the person 37272
and to others, the need for security, and the type of crime 37273
involved and shall order the least restrictive alternative 37274
available that is consistent with public safety and treatment 37275
goals. In weighing these factors, the court shall give preference 37276
to protecting public safety. 37277

(c) If the defendant is found incompetent to stand trial, if 37278
the chief clinical officer of the hospital, facility, or agency 37279
where the defendant is placed, or the managing officer of the 37280
institution, the director of the program or facility, or the 37281
person to which the defendant is committed for treatment or 37282
continuing evaluation and treatment under division (B)(1)(b) of 37283
this section determines that medication is necessary to restore 37284
the defendant's competency to stand trial, and if the defendant 37285
lacks the capacity to give informed consent or refuses medication, 37286
the chief clinical officer of the hospital, facility, or agency 37287
where the defendant is placed, or the managing officer of the 37288
institution, the director of the program or facility, or the 37289
person to which the defendant is committed for treatment or 37290
continuing evaluation and treatment may petition the court for 37291
authorization for the involuntary administration of medication. 37292
The court shall hold a hearing on the petition within five days of 37293
the filing of the petition if the petition was filed in a 37294
municipal court or a county court regarding an incompetent 37295
defendant charged with a misdemeanor or within ten days of the 37296
filing of the petition if the petition was filed in a court of 37297

common pleas regarding an incompetent defendant charged with a 37298
felony offense. Following the hearing, the court may authorize the 37299
involuntary administration of medication or may dismiss the 37300
petition. 37301

(2) If the court finds that the defendant is incompetent to 37302
stand trial and that, even if the defendant is provided with a 37303
course of treatment, there is not a substantial probability that 37304
the defendant will become competent to stand trial within one 37305
year, the court shall order the discharge of the defendant, unless 37306
upon motion of the prosecutor or on its own motion, the court 37307
either seeks to retain jurisdiction over the defendant pursuant to 37308
section 2945.39 of the Revised Code or files an affidavit in the 37309
probate court for the civil commitment of the defendant pursuant 37310
to Chapter 5122. or 5123. of the Revised Code alleging that the 37311
defendant is a mentally ill person subject to hospitalization by 37312
court order or a mentally retarded person subject to 37313
institutionalization by court order. If an affidavit is filed in 37314
the probate court, the trial court shall send to the probate court 37315
copies of all written reports of the defendant's mental condition 37316
that were prepared pursuant to section 2945.371 of the Revised 37317
Code. 37318

The trial court may issue the temporary order of detention 37319
that a probate court may issue under section 5122.11 or 5123.71 of 37320
the Revised Code, to remain in effect until the probable cause or 37321
initial hearing in the probate court. Further proceedings in the 37322
probate court are civil proceedings governed by Chapter 5122. or 37323
5123. of the Revised Code. 37324

(C) No defendant shall be required to undergo treatment, 37325
including any continuing evaluation and treatment, under division 37326
(B)(1) of this section for longer than whichever of the following 37327
periods is applicable: 37328

(1) One year, if the most serious offense with which the 37329

defendant is charged is one of the following offenses: 37330

(a) Aggravated murder, murder, or an offense of violence for 37331
which a sentence of death or life imprisonment may be imposed; 37332

(b) An offense of violence that is a felony of the first or 37333
second degree; 37334

(c) A conspiracy to commit, an attempt to commit, or 37335
complicity in the commission of an offense described in division 37336
(C)(1)(a) or (b) of this section if the conspiracy, attempt, or 37337
complicity is a felony of the first or second degree. 37338

(2) Six months, if the most serious offense with which the 37339
defendant is charged is a felony other than a felony described in 37340
division (C)(1) of this section; 37341

(3) Sixty days, if the most serious offense with which the 37342
defendant is charged is a misdemeanor of the first or second 37343
degree; 37344

(4) Thirty days, if the most serious offense with which the 37345
defendant is charged is a misdemeanor of the third or fourth 37346
degree, a minor misdemeanor, or an unclassified misdemeanor. 37347

(D) Any defendant who is committed pursuant to this section 37348
shall not voluntarily admit the defendant or be voluntarily 37349
admitted to a hospital or institution pursuant to section 5122.02, 37350
5122.15, 5123.69, or 5123.76 of the Revised Code. 37351

(E) Except as otherwise provided in this division, a 37352
defendant who is charged with an offense and is committed by the 37353
court under this section to the department of ~~mental health~~ mental 37354
health and addiction services or is committed to an institution or 37355
facility for the treatment of mental retardation shall not be 37356
granted unsupervised on-grounds movement, supervised off-grounds 37357
movement, or nonsecured status except in accordance with the court 37358
order. The court may grant a defendant supervised off-grounds 37359

movement to obtain medical treatment or specialized habilitation 37360
treatment services if the person who supervises the treatment or 37361
the continuing evaluation and treatment of the defendant ordered 37362
under division (B)(1)(a) of this section informs the court that 37363
the treatment or continuing evaluation and treatment cannot be 37364
provided at the hospital or facility where the defendant is placed 37365
by the department of ~~mental health~~ mental health and addiction 37366
services or the institution or facility to which the defendant is 37367
committed. The chief clinical officer of the hospital or facility 37368
where the defendant is placed by the department of ~~mental health~~ 37369
mental health and addiction services or the managing officer of 37370
the institution or director of the facility to which the defendant 37371
is committed, or a designee of any of those persons, may grant a 37372
defendant movement to a medical facility for an emergency medical 37373
situation with appropriate supervision to ensure the safety of the 37374
defendant, staff, and community during that emergency medical 37375
situation. The chief clinical officer of the hospital or facility 37376
where the defendant is placed by the department of ~~mental health~~ 37377
mental health and addiction services or the managing officer of 37378
the institution or director of the facility to which the defendant 37379
is committed shall notify the court within twenty-four hours of 37380
the defendant's movement to the medical facility for an emergency 37381
medical situation under this division. 37382

(F) The person who supervises the treatment or continuing 37383
evaluation and treatment of a defendant ordered to undergo 37384
treatment or continuing evaluation and treatment under division 37385
(B)(1)(a) of this section shall file a written report with the 37386
court at the following times: 37387

(1) Whenever the person believes the defendant is capable of 37388
understanding the nature and objective of the proceedings against 37389
the defendant and of assisting in the defendant's defense; 37390

(2) For a felony offense, fourteen days before expiration of 37391

the maximum time for treatment as specified in division (C) of 37392
this section and fourteen days before the expiration of the 37393
maximum time for continuing evaluation and treatment as specified 37394
in division (B)(1)(a) of this section, and, for a misdemeanor 37395
offense, ten days before the expiration of the maximum time for 37396
treatment, as specified in division (C) of this section; 37397

(3) At a minimum, after each six months of treatment; 37398

(4) Whenever the person who supervises the treatment or 37399
continuing evaluation and treatment of a defendant ordered under 37400
division (B)(1)(a) of this section believes that there is not a 37401
substantial probability that the defendant will become capable of 37402
understanding the nature and objective of the proceedings against 37403
the defendant or of assisting in the defendant's defense even if 37404
the defendant is provided with a course of treatment. 37405

(G) A report under division (F) of this section shall contain 37406
the examiner's findings, the facts in reasonable detail on which 37407
the findings are based, and the examiner's opinion as to the 37408
defendant's capability of understanding the nature and objective 37409
of the proceedings against the defendant and of assisting in the 37410
defendant's defense. If, in the examiner's opinion, the defendant 37411
remains incapable of understanding the nature and objective of the 37412
proceedings against the defendant and of assisting in the 37413
defendant's defense and there is a substantial probability that 37414
the defendant will become capable of understanding the nature and 37415
objective of the proceedings against the defendant and of 37416
assisting in the defendant's defense if the defendant is provided 37417
with a course of treatment, if in the examiner's opinion the 37418
defendant remains mentally ill or mentally retarded, and if the 37419
maximum time for treatment as specified in division (C) of this 37420
section has not expired, the report also shall contain the 37421
examiner's recommendation as to the least restrictive placement or 37422
commitment alternative that is consistent with the defendant's 37423

treatment needs for restoration to competency and with the safety 37424
of the community. The court shall provide copies of the report to 37425
the prosecutor and defense counsel. 37426

(H) If a defendant is committed pursuant to division (B)(1) 37427
of this section, within ten days after the treating physician of 37428
the defendant or the examiner of the defendant who is employed or 37429
retained by the treating facility advises that there is not a 37430
substantial probability that the defendant will become capable of 37431
understanding the nature and objective of the proceedings against 37432
the defendant or of assisting in the defendant's defense even if 37433
the defendant is provided with a course of treatment, within ten 37434
days after the expiration of the maximum time for treatment as 37435
specified in division (C) of this section, within ten days after 37436
the expiration of the maximum time for continuing evaluation and 37437
treatment as specified in division (B)(1)(a) of this section, 37438
within thirty days after a defendant's request for a hearing that 37439
is made after six months of treatment, or within thirty days after 37440
being advised by the treating physician or examiner that the 37441
defendant is competent to stand trial, whichever is the earliest, 37442
the court shall conduct another hearing to determine if the 37443
defendant is competent to stand trial and shall do whichever of 37444
the following is applicable: 37445

(1) If the court finds that the defendant is competent to 37446
stand trial, the defendant shall be proceeded against as provided 37447
by law. 37448

(2) If the court finds that the defendant is incompetent to 37449
stand trial, but that there is a substantial probability that the 37450
defendant will become competent to stand trial if the defendant is 37451
provided with a course of treatment, and the maximum time for 37452
treatment as specified in division (C) of this section has not 37453
expired, the court, after consideration of the examiner's 37454
recommendation, shall order that treatment be continued, may 37455

change the facility or program at which the treatment is to be 37456
continued, and shall specify whether the treatment is to be 37457
continued at the same or a different facility or program. 37458

(3) If the court finds that the defendant is incompetent to 37459
stand trial, if the defendant is charged with an offense listed in 37460
division (C)(1) of this section, and if the court finds that there 37461
is not a substantial probability that the defendant will become 37462
competent to stand trial even if the defendant is provided with a 37463
course of treatment, or if the maximum time for treatment relative 37464
to that offense as specified in division (C) of this section has 37465
expired, further proceedings shall be as provided in sections 37466
2945.39, 2945.401, and 2945.402 of the Revised Code. 37467

(4) If the court finds that the defendant is incompetent to 37468
stand trial, if the most serious offense with which the defendant 37469
is charged is a misdemeanor or a felony other than a felony listed 37470
in division (C)(1) of this section, and if the court finds that 37471
there is not a substantial probability that the defendant will 37472
become competent to stand trial even if the defendant is provided 37473
with a course of treatment, or if the maximum time for treatment 37474
relative to that offense as specified in division (C) of this 37475
section has expired, the court shall dismiss the indictment, 37476
information, or complaint against the defendant. A dismissal under 37477
this division is not a bar to further prosecution based on the 37478
same conduct. The court shall discharge the defendant unless the 37479
court or prosecutor files an affidavit in probate court for civil 37480
commitment pursuant to Chapter 5122. or 5123. of the Revised Code. 37481
If an affidavit for civil commitment is filed, the court may 37482
detain the defendant for ten days pending civil commitment. All of 37483
the following provisions apply to persons charged with a 37484
misdemeanor or a felony other than a felony listed in division 37485
(C)(1) of this section who are committed by the probate court 37486
subsequent to the court's or prosecutor's filing of an affidavit 37487

for civil commitment under authority of this division: 37488

(a) The chief clinical officer of the entity, hospital, or 37489
facility, the managing officer of the institution, the director of 37490
the program, or the person to which the defendant is committed or 37491
admitted shall do all of the following: 37492

(i) Notify the prosecutor, in writing, of the discharge of 37493
the defendant, send the notice at least ten days prior to the 37494
discharge unless the discharge is by the probate court, and state 37495
in the notice the date on which the defendant will be discharged; 37496

(ii) Notify the prosecutor, in writing, when the defendant is 37497
absent without leave or is granted unsupervised, off-grounds 37498
movement, and send this notice promptly after the discovery of the 37499
absence without leave or prior to the granting of the 37500
unsupervised, off-grounds movement, whichever is applicable; 37501

(iii) Notify the prosecutor, in writing, of the change of the 37502
defendant's commitment or admission to voluntary status, send the 37503
notice promptly upon learning of the change to voluntary status, 37504
and state in the notice the date on which the defendant was 37505
committed or admitted on a voluntary status. 37506

(b) Upon receiving notice that the defendant will be granted 37507
unsupervised, off-grounds movement, the prosecutor either shall 37508
re-indict the defendant or promptly notify the court that the 37509
prosecutor does not intend to prosecute the charges against the 37510
defendant. 37511

(I) If a defendant is convicted of a crime and sentenced to a 37512
jail or workhouse, the defendant's sentence shall be reduced by 37513
the total number of days the defendant is confined for evaluation 37514
to determine the defendant's competence to stand trial or 37515
treatment under this section and sections 2945.37 and 2945.371 of 37516
the Revised Code or by the total number of days the defendant is 37517
confined for evaluation to determine the defendant's mental 37518

condition at the time of the offense charged. 37519

Sec. 2945.39. (A) If a defendant who is charged with an 37520
offense described in division (C)(1) of section 2945.38 of the 37521
Revised Code is found incompetent to stand trial, after the 37522
expiration of the maximum time for treatment as specified in 37523
division (C) of that section or after the court finds that there 37524
is not a substantial probability that the defendant will become 37525
competent to stand trial even if the defendant is provided with a 37526
course of treatment, one of the following applies: 37527

(1) The court or the prosecutor may file an affidavit in 37528
probate court for civil commitment of the defendant in the manner 37529
provided in Chapter 5122. or 5123. of the Revised Code. If the 37530
court or prosecutor files an affidavit for civil commitment, the 37531
court may detain the defendant for ten days pending civil 37532
commitment. If the probate court commits the defendant subsequent 37533
to the court's or prosecutor's filing of an affidavit for civil 37534
commitment, the chief clinical officer of the entity, hospital, or 37535
facility, the managing officer of the institution, the director of 37536
the program, or the person to which the defendant is committed or 37537
admitted shall send to the prosecutor the notices described in 37538
divisions (H)(4)(a)(i) to (iii) of section 2945.38 of the Revised 37539
Code within the periods of time and under the circumstances 37540
specified in those divisions. 37541

(2) On the motion of the prosecutor or on its own motion, the 37542
court may retain jurisdiction over the defendant if, at a hearing, 37543
the court finds both of the following by clear and convincing 37544
evidence: 37545

(a) The defendant committed the offense with which the 37546
defendant is charged. 37547

(b) The defendant is a mentally ill person subject to 37548
hospitalization by court order or a mentally retarded person 37549

subject to institutionalization by court order. 37550

(B) In making its determination under division (A)(2) of this 37551
section as to whether to retain jurisdiction over the defendant, 37552
the court may consider all relevant evidence, including, but not 37553
limited to, any relevant psychiatric, psychological, or medical 37554
testimony or reports, the acts constituting the offense charged, 37555
and any history of the defendant that is relevant to the 37556
defendant's ability to conform to the law. 37557

(C) If the court conducts a hearing as described in division 37558
(A)(2) of this section and if the court does not make both 37559
findings described in divisions (A)(2)(a) and (b) of this section 37560
by clear and convincing evidence, the court shall dismiss the 37561
indictment, information, or complaint against the defendant. Upon 37562
the dismissal, the court shall discharge the defendant unless the 37563
court or prosecutor files an affidavit in probate court for civil 37564
commitment of the defendant pursuant to Chapter 5122. or 5123. of 37565
the Revised Code. If the court or prosecutor files an affidavit 37566
for civil commitment, the court may order that the defendant be 37567
detained for up to ten days pending the civil commitment. If the 37568
probate court commits the defendant subsequent to the court's or 37569
prosecutor's filing of an affidavit for civil commitment, the 37570
chief clinical officer of the entity, hospital, or facility, the 37571
managing officer of the institution, the director of the program, 37572
or the person to which the defendant is committed or admitted 37573
shall send to the prosecutor the notices described in divisions 37574
(H)(4)(a)(i) to (iii) of section 2945.38 of the Revised Code 37575
within the periods of time and under the circumstances specified 37576
in those divisions. A dismissal of charges under this division is 37577
not a bar to further criminal proceedings based on the same 37578
conduct. 37579

(D)(1) If the court conducts a hearing as described in 37580
division (A)(2) of this section and if the court makes the 37581

findings described in divisions (A)(2)(a) and (b) of this section 37582
by clear and convincing evidence, the court shall commit the 37583
defendant, if determined to require mental health treatment, 37584
either to the department of ~~mental health~~ mental health and 37585
addiction services for treatment at a hospital, facility, or 37586
agency as determined clinically appropriate by the department of 37587
~~mental health~~ mental health and addiction services or to another 37588
medical or psychiatric facility, as appropriate. Prior to placing 37589
the defendant, the department of ~~mental health~~ mental health and 37590
addiction services shall obtain court approval for that placement. 37591
If the court conducts such a hearing and if it makes those 37592
findings by clear and convincing evidence, the court shall commit 37593
the defendant, if determined to require treatment for mental 37594
retardation, to a facility operated by the department of 37595
developmental disabilities, or another facility, as appropriate. 37596
In determining the place of commitment, the court shall consider 37597
the extent to which the person is a danger to the person and to 37598
others, the need for security, and the type of crime involved and 37599
shall order the least restrictive alternative available that is 37600
consistent with public safety and the welfare of the defendant. In 37601
weighing these factors, the court shall give preference to 37602
protecting public safety. 37603

(2) If a court makes a commitment of a defendant under 37604
division (D)(1) of this section, the prosecutor shall send to the 37605
hospital, facility, or agency where the defendant is placed by the 37606
department of ~~mental health~~ mental health and addiction services 37607
or to the defendant's place of commitment all reports of the 37608
defendant's current mental condition and, except as otherwise 37609
provided in this division, any other relevant information, 37610
including, but not limited to, a transcript of the hearing held 37611
pursuant to division (A)(2) of this section, copies of relevant 37612
police reports, and copies of any prior arrest and conviction 37613
records that pertain to the defendant and that the prosecutor 37614

possesses. The prosecutor shall send the reports of the 37615
defendant's current mental condition in every case of commitment, 37616
and, unless the prosecutor determines that the release of any of 37617
the other relevant information to unauthorized persons would 37618
interfere with the effective prosecution of any person or would 37619
create a substantial risk of harm to any person, the prosecutor 37620
also shall send the other relevant information. Upon admission of 37621
a defendant committed under division (D)(1) of this section, the 37622
place of commitment shall send to the board of alcohol, drug 37623
addiction, and mental health services or the community mental 37624
health board serving the county in which the charges against the 37625
defendant were filed a copy of all reports of the defendant's 37626
current mental condition and a copy of the other relevant 37627
information provided by the prosecutor under this division, 37628
including, if provided, a transcript of the hearing held pursuant 37629
to division (A)(2) of this section, the relevant police reports, 37630
and the prior arrest and conviction records that pertain to the 37631
defendant and that the prosecutor possesses. 37632

(3) If a court makes a commitment under division (D)(1) of 37633
this section, all further proceedings shall be in accordance with 37634
sections 2945.401 and 2945.402 of the Revised Code. 37635

Sec. 2945.40. (A) If a person is found not guilty by reason 37636
of insanity, the verdict shall state that finding, and the trial 37637
court shall conduct a full hearing to determine whether the person 37638
is a mentally ill person subject to hospitalization by court order 37639
or a mentally retarded person subject to institutionalization by 37640
court order. Prior to the hearing, if the trial judge believes 37641
that there is probable cause that the person found not guilty by 37642
reason of insanity is a mentally ill person subject to 37643
hospitalization by court order or mentally retarded person subject 37644
to institutionalization by court order, the trial judge may issue 37645
a temporary order of detention for that person to remain in effect 37646

for ten court days or until the hearing, whichever occurs first. 37647

Any person detained pursuant to a temporary order of 37648
detention issued under this division shall be held in a suitable 37649
facility, taking into consideration the place and type of 37650
confinement prior to and during trial. 37651

(B) The court shall hold the hearing under division (A) of 37652
this section to determine whether the person found not guilty by 37653
reason of insanity is a mentally ill person subject to 37654
hospitalization by court order or a mentally retarded person 37655
subject to institutionalization by court order within ten court 37656
days after the finding of not guilty by reason of insanity. 37657
Failure to conduct the hearing within the ten-day period shall 37658
cause the immediate discharge of the respondent, unless the judge 37659
grants a continuance for not longer than ten court days for good 37660
cause shown or for any period of time upon motion of the 37661
respondent. 37662

(C) If a person is found not guilty by reason of insanity, 37663
the person has the right to attend all hearings conducted pursuant 37664
to sections 2945.37 to 2945.402 of the Revised Code. At any 37665
hearing conducted pursuant to one of those sections, the court 37666
shall inform the person that the person has all of the following 37667
rights: 37668

(1) The right to be represented by counsel and to have that 37669
counsel provided at public expense if the person is indigent, with 37670
the counsel to be appointed by the court under Chapter 120. of the 37671
Revised Code or under the authority recognized in division (C) of 37672
section 120.06, division (E) of section 120.16, division (E) of 37673
section 120.26, or section 2941.51 of the Revised Code; 37674

(2) The right to have independent expert evaluation and to 37675
have that independent expert evaluation provided at public expense 37676
if the person is indigent; 37677

(3) The right to subpoena witnesses and documents, to present 37678
evidence on the person's behalf, and to cross-examine witnesses 37679
against the person; 37680

(4) The right to testify in the person's own behalf and to 37681
not be compelled to testify; 37682

(5) The right to have copies of any relevant medical or 37683
mental health document in the custody of the state or of any place 37684
of commitment other than a document for which the court finds that 37685
the release to the person of information contained in the document 37686
would create a substantial risk of harm to any person. 37687

(D) The hearing under division (A) of this section shall be 37688
open to the public, and the court shall conduct the hearing in 37689
accordance with the Rules of Civil Procedure. The court shall make 37690
and maintain a full transcript and record of the hearing 37691
proceedings. The court may consider all relevant evidence, 37692
including, but not limited to, any relevant psychiatric, 37693
psychological, or medical testimony or reports, the acts 37694
constituting the offense in relation to which the person was found 37695
not guilty by reason of insanity, and any history of the person 37696
that is relevant to the person's ability to conform to the law. 37697

(E) Upon completion of the hearing under division (A) of this 37698
section, if the court finds there is not clear and convincing 37699
evidence that the person is a mentally ill person subject to 37700
hospitalization by court order or a mentally retarded person 37701
subject to institutionalization by court order, the court shall 37702
discharge the person, unless a detainer has been placed upon the 37703
person by the department of rehabilitation and correction, in 37704
which case the person shall be returned to that department. 37705

(F) If, at the hearing under division (A) of this section, 37706
the court finds by clear and convincing evidence that the person 37707
is a mentally ill person subject to hospitalization by court 37708

order, the court shall commit the person either to the department 37709
of ~~mental health~~ mental health and addiction services for 37710
treatment in a hospital, facility, or agency as determined 37711
clinically appropriate by the department of ~~mental health~~ mental 37712
health and addiction services or to another medical or psychiatric 37713
facility, as appropriate. Prior to placing the defendant, the 37714
department of ~~mental health~~ mental health and addiction services 37715
shall obtain court approval for that placement. If, at the hearing 37716
under division (A) of this section, the court determines by clear 37717
and convincing evidence that the person requires treatment for 37718
mental retardation, it shall commit the person to a facility 37719
operated by the department of developmental disabilities or 37720
another facility, as appropriate. Further proceedings shall be in 37721
accordance with sections 2945.401 and 2945.402 of the Revised 37722
Code. In determining the place of commitment, the court shall 37723
consider the extent to which the person is a danger to the person 37724
and to others, the need for security, and the type of crime 37725
involved and shall order the least restrictive alternative 37726
available that is consistent with public safety and the welfare of 37727
the person. In weighing these factors, the court shall give 37728
preference to protecting public safety. 37729

(G) If a court makes a commitment of a person under division 37730
(F) of this section, the prosecutor shall send to the hospital, 37731
facility, or agency where the person is placed by the department 37732
of ~~mental health~~ mental health and addiction services or to the 37733
defendant's place of commitment all reports of the person's 37734
current mental condition, and, except as otherwise provided in 37735
this division, any other relevant information, including, but not 37736
limited to, a transcript of the hearing held pursuant to division 37737
(A) of this section, copies of relevant police reports, and copies 37738
of any prior arrest and conviction records that pertain to the 37739
person and that the prosecutor possesses. The prosecutor shall 37740
send the reports of the person's current mental condition in every 37741

case of commitment, and, unless the prosecutor determines that the 37742
release of any of the other relevant information to unauthorized 37743
persons would interfere with the effective prosecution of any 37744
person or would create a substantial risk of harm to any person, 37745
the prosecutor also shall send the other relevant information. 37746
Upon admission of a person committed under division (F) of this 37747
section, the place of commitment shall send to the board of 37748
alcohol, drug addiction, and mental health services or the 37749
community mental health board serving the county in which the 37750
charges against the person were filed a copy of all reports of the 37751
person's current mental condition and a copy of the other relevant 37752
information provided by the prosecutor under this division, 37753
including, if provided, a transcript of the hearing held pursuant 37754
to division (A) of this section, the relevant police reports, and 37755
the prior arrest and conviction records that pertain to the person 37756
and that the prosecutor possesses. 37757

(H) A person who is committed pursuant to this section shall 37758
not voluntarily admit the person or be voluntarily admitted to a 37759
hospital or institution pursuant to section 5122.02, 5122.15, 37760
5123.69, or 5123.76 of the Revised Code. 37761

Sec. 2945.401. (A) A defendant found incompetent to stand 37762
trial and committed pursuant to section 2945.39 of the Revised 37763
Code or a person found not guilty by reason of insanity and 37764
committed pursuant to section 2945.40 of the Revised Code shall 37765
remain subject to the jurisdiction of the trial court pursuant to 37766
that commitment, and to the provisions of this section, until the 37767
final termination of the commitment as described in division 37768
(J)(1) of this section. If the jurisdiction is terminated under 37769
this division because of the final termination of the commitment 37770
resulting from the expiration of the maximum prison term or term 37771
of imprisonment described in division (J)(1)(b) of this section, 37772
the court or prosecutor may file an affidavit for the civil 37773

commitment of the defendant or person pursuant to Chapter 5122. or 37774
5123. of the Revised Code. 37775

(B) A hearing conducted under any provision of sections 37776

All other provisions of Chapters 5122. and 5123. of the Revised 37783
Code regarding hospitalization or institutionalization shall apply 37784
to the extent they are not in conflict with this chapter. A 37785
commitment under section 2945.39 or 2945.40 of the Revised Code 37786
shall not be terminated and the conditions of the commitment shall 37787
not be changed except as otherwise provided in division (D)(2) of 37788
this section with respect to a mentally retarded person subject to 37789
institutionalization by court order or except by order of the 37790
trial court. 37791

(C) The department of ~~mental health~~ mental health and 37792

person subject to institutionalization by court order and, in the 37799

Within thirty days after its receipt pursuant to this division of a report from the department, institution, facility, or program, the trial court shall hold a hearing on the continued commitment of the defendant or person or on any changes in the conditions of the commitment of the defendant or person. The defendant or person may request a change in the conditions of confinement, and the trial court shall conduct a hearing on that request if six months or more have elapsed since the most recent hearing was conducted under this section.

(D)(1) Except as otherwise provided in division (D)(2) of this section, when a defendant or person has been committed under section 2945.39 or 2945.40 of the Revised Code, at any time after evaluating the risks to public safety and the welfare of the defendant or person, the designee of the department of ~~mental health~~ mental health and addiction services or the managing officer of the institution or director of the facility or program to which the defendant or person is committed may recommend a termination of the defendant's or person's commitment or a change in the conditions of the defendant's or person's commitment.

Except as otherwise provided in division (D)(2) of this section, if the designee of the department of ~~mental health~~ mental health and addiction services recommends on-grounds unsupervised movement, off-grounds supervised movement, or nonsecured status for the defendant or person or termination of the defendant's or person's commitment, the following provisions apply:

(a) If the department's designee recommends on-grounds unsupervised movement or off-grounds supervised movement, the department's designee shall file with the trial court an application for approval of the movement and shall send a copy of the application to the prosecutor. Within fifteen days after receiving the application, the prosecutor may request a hearing on

the application and, if a hearing is requested, shall so inform 37838
the department's designee. If the prosecutor does not request a 37839
hearing within the fifteen-day period, the trial court shall 37840
approve the application by entering its order approving the 37841
requested movement or, within five days after the expiration of 37842
the fifteen-day period, shall set a date for a hearing on the 37843
application. If the prosecutor requests a hearing on the 37844
application within the fifteen-day period, the trial court shall 37845
hold a hearing on the application within thirty days after the 37846

the expiration of the fifteen-day period, sets a date for a 37848
hearing on the application, the trial court shall hold the hearing 37849
within thirty days after setting the hearing date. At least 37850
fifteen days before any hearing is held under this division, the 37851
trial court shall give the prosecutor written notice of the date, 37852
time, and place of the hearing. At the conclusion of each hearing 37853
conducted under this division, the trial court either shall 37854
approve or disapprove the application and shall enter its order 37855
accordingly. 37856

(b) If the department's designee recommends termination of 37857
the defendant's or person's commitment at any time or if the 37858
department's designee recommends the first of any nonsecured 37859
status for the defendant or person, the department's designee 37860
shall send written notice of this recommendation to the trial 37861
court and to the local forensic center. The local forensic center 37862
shall evaluate the committed defendant or person and, within 37863
thirty days after its receipt of the written notice, shall submit 37864
to the trial court and the department's designee a written report 37865
of the evaluation. The trial court shall provide a copy of the 37866
department's designee's written notice and of the local forensic 37867
center's written report to the prosecutor and to the counsel for 37868
the defendant or person. Upon the local forensic center's 37869
submission of the report to the trial court and the department's 37870

designee, all of the following apply: 37871

(i) If the forensic center disagrees with the recommendation 37872
of the department's designee, it shall inform the department's 37873
designee and the trial court of its decision and the reasons for 37874
the decision. The department's designee, after consideration of 37875
the forensic center's decision, shall either withdraw, proceed 37876
with, or modify and proceed with the recommendation. If the 37877
department's designee proceeds with, or modifies and proceeds 37878
with, the recommendation, the department's designee shall proceed 37879
in accordance with division (D)(1)(b)(iii) of this section. 37880

(ii) If the forensic center agrees with the recommendation of 37881
the department's designee, it shall inform the department's 37882
designee and the trial court of its decision and the reasons for 37883
the decision, and the department's designee shall proceed in 37884
accordance with division (D)(1)(b)(iii) of this section. 37885

(iii) If the forensic center disagrees with the 37886
recommendation of the department's designee and the department's 37887
designee proceeds with, or modifies and proceeds with, the 37888
recommendation or if the forensic center agrees with the 37889
recommendation of the department's designee, the department's 37890
designee shall work with community mental health ~~agencies~~ services 37891
providers, programs, facilities, or boards of alcohol, drug 37892
addiction, and mental health services or community mental health 37893
boards to develop a plan to implement the recommendation. If the 37894
defendant or person is on medication, the plan shall include, but 37895
shall not be limited to, a system to monitor the defendant's or 37896
person's compliance with the prescribed medication treatment plan. 37897
The system shall include a schedule that clearly states when the 37898
defendant or person shall report for a medication compliance 37899
check. The medication compliance checks shall be based upon the 37900
effective duration of the prescribed medication, taking into 37901
account the route by which it is taken, and shall be scheduled at 37902

intervals sufficiently close together to detect a potential 37903
increase in mental illness symptoms that the medication is 37904
intended to prevent. 37905

The department's designee, after consultation with the board 37906
of alcohol, drug addiction, and mental health services or the 37907
community mental health board serving the area, shall send the 37908
recommendation and plan developed under division (D)(1)(b)(iii) of 37909
this section, in writing, to the trial court, the prosecutor, and 37910
the counsel for the committed defendant or person. The trial court 37911
shall conduct a hearing on the recommendation and plan developed 37912
under division (D)(1)(b)(iii) of this section. Divisions (D)(1)(c) 37913
and (d) and (E) to (J) of this section apply regarding the 37914
hearing. 37915

(c) If the department's designee's recommendation is for 37916
nonsecured status or termination of commitment, the prosecutor may 37917
obtain an independent expert evaluation of the defendant's or 37918
person's mental condition, and the trial court may continue the 37919
hearing on the recommendation for a period of not more than thirty 37920
days to permit time for the evaluation. 37921

The prosecutor may introduce the evaluation report or present 37922
other evidence at the hearing in accordance with the Rules of 37923
Evidence. 37924

(d) The trial court shall schedule the hearing on a 37925
department's designee's recommendation for nonsecured status or 37926
termination of commitment and shall give reasonable notice to the 37927
prosecutor and the counsel for the defendant or person. Unless 37928
continued for independent evaluation at the prosecutor's request 37929
or for other good cause, the hearing shall be held within thirty 37930
days after the trial court's receipt of the recommendation and 37931
plan. 37932

(2)(a) Division (D)(1) of this section does not apply to 37933

on-grounds unsupervised movement of a defendant or person who has 37934
been committed under section 2945.39 or 2945.40 of the Revised 37935
Code, who is a mentally retarded person subject to 37936
institutionalization by court order, and who is being provided 37937
residential habilitation, care, and treatment in a facility 37938
operated by the department of developmental disabilities. 37939

(b) If, pursuant to section 2945.39 of the Revised Code, the 37940
trial court commits a defendant who is found incompetent to stand 37941
trial and who is a mentally retarded person subject to 37942
institutionalization by court order, if the defendant is being 37943
provided residential habilitation, care, and treatment in a 37944
facility operated by the department of developmental disabilities, 37945
if an individual who is conducting a survey for the department of 37946
health to determine the facility's compliance with the 37947
certification requirements of the medicaid program ~~under Chapter~~ 37948
~~5111. of the Revised Code and Title XIX of the "Social Security~~ 37949
~~Act," 49 Stat. 620 (1935), 42 U.S.C.A. 301, as amended,~~ cites the 37950
defendant's receipt of the residential habilitation, care, and 37951
treatment in the facility as being inappropriate under the 37952
certification requirements, if the defendant's receipt of the 37953
residential habilitation, care, and treatment in the facility 37954
potentially jeopardizes the facility's continued receipt of 37955
federal medicaid moneys, and if as a result of the citation the 37956
chief clinical officer of the facility determines that the 37957
conditions of the defendant's commitment should be changed, the 37958
department of developmental disabilities may cause the defendant 37959
to be removed from the particular facility and, after evaluating 37960
the risks to public safety and the welfare of the defendant and 37961
after determining whether another type of placement is consistent 37962
with the certification requirements, may place the defendant in 37963
another facility that the department selects as an appropriate 37964
facility for the defendant's continued receipt of residential 37965
habilitation, care, and treatment and that is a no less secure 37966

setting than the facility in which the defendant had been placed 37967
at the time of the citation. Within three days after the 37968
defendant's removal and alternative placement under the 37969
circumstances described in division (D)(2)(b) of this section, the 37970
department of developmental disabilities shall notify the trial 37971
court and the prosecutor in writing of the removal and alternative 37972
placement. 37973

The trial court shall set a date for a hearing on the removal 37974
and alternative placement, and the hearing shall be held within 37975
twenty-one days after the trial court's receipt of the notice from 37976
the department of developmental disabilities. At least ten days 37977
before the hearing is held, the trial court shall give the 37978
prosecutor, the department of developmental disabilities, and the 37979
counsel for the defendant written notice of the date, time, and 37980
place of the hearing. At the hearing, the trial court shall 37981
consider the citation issued by the individual who conducted the 37982
survey for the department of health to be prima-facie evidence of 37983
the fact that the defendant's commitment to the particular 37984
facility was inappropriate under the certification requirements of 37985
the medicaid program ~~under Chapter 5111. of the Revised Code and~~ 37986
~~Title XIX of the "Social Security Act," 49 Stat. 620 (1935), 42~~ 37987
~~U.S.C.A. 301, as amended,~~ and potentially jeopardizes the 37988
particular facility's continued receipt of federal medicaid 37989
moneys. At the conclusion of the hearing, the trial court may 37990
approve or disapprove the defendant's removal and alternative 37991
placement. If the trial court approves the defendant's removal and 37992
alternative placement, the department of developmental 37993
disabilities may continue the defendant's alternative placement. 37994
If the trial court disapproves the defendant's removal and 37995
alternative placement, it shall enter an order modifying the 37996
defendant's removal and alternative placement, but that order 37997
shall not require the department of developmental disabilities to 37998
replace the defendant for purposes of continued residential 37999

habilitation, care, and treatment in the facility associated with 38000
the citation issued by the individual who conducted the survey for 38001
the department of health. 38002

(E) In making a determination under this section regarding 38003
nonsecured status or termination of commitment, the trial court 38004
shall consider all relevant factors, including, but not limited 38005
to, all of the following: 38006

(1) Whether, in the trial court's view, the defendant or 38007
person currently represents a substantial risk of physical harm to 38008
the defendant or person or others; 38009

(2) Psychiatric and medical testimony as to the current 38010
mental and physical condition of the defendant or person; 38011

(3) Whether the defendant or person has insight into the 38012
defendant's or person's condition so that the defendant or person 38013
will continue treatment as prescribed or seek professional 38014
assistance as needed; 38015

(4) The grounds upon which the state relies for the proposed 38016
commitment; 38017

(5) Any past history that is relevant to establish the 38018
defendant's or person's degree of conformity to the laws, rules, 38019
regulations, and values of society; 38020

(6) If there is evidence that the defendant's or person's 38021
mental illness is in a state of remission, the medically suggested 38022
cause and degree of the remission and the probability that the 38023
defendant or person will continue treatment to maintain the 38024
remissive state of the defendant's or person's illness should the 38025
defendant's or person's commitment conditions be altered. 38026

(F) At any hearing held pursuant to division (C) or (D)(1) or 38027
(2) of this section, the defendant or the person shall have all 38028
the rights of a defendant or person at a commitment hearing as 38029

described in section 2945.40 of the Revised Code. 38030

(G) In a hearing held pursuant to division (C) or (D)(1) of 38031
this section, the prosecutor has the burden of proof as follows: 38032

(1) For a recommendation of termination of commitment, to 38033
show by clear and convincing evidence that the defendant or person 38034
remains a mentally ill person subject to hospitalization by court 38035
order or a mentally retarded person subject to 38036
institutionalization by court order; 38037

(2) For a recommendation for a change in the conditions of 38038
the commitment to a less restrictive status, to show by clear and 38039
convincing evidence that the proposed change represents a threat 38040
to public safety or a threat to the safety of any person. 38041

(H) In a hearing held pursuant to division (C) or (D)(1) or 38042
(2) of this section, the prosecutor shall represent the state or 38043
the public interest. 38044

(I) At the conclusion of a hearing conducted under division 38045
(D)(1) of this section regarding a recommendation from the 38046
designee of the department of ~~mental health~~ mental health and 38047
addiction services, managing officer of the institution, or 38048
director of a facility or program, the trial court may approve, 38049
disapprove, or modify the recommendation and shall enter an order 38050
accordingly. 38051

(J)(1) A defendant or person who has been committed pursuant 38052
to section 2945.39 or 2945.40 of the Revised Code continues to be 38053
under the jurisdiction of the trial court until the final 38054
termination of the commitment. For purposes of division (J) of 38055
this section, the final termination of a commitment occurs upon 38056
the earlier of one of the following: 38057

(a) The defendant or person no longer is a mentally ill 38058
person subject to hospitalization by court order or a mentally 38059
retarded person subject to institutionalization by court order, as 38060

determined by the trial court; 38061

(b) The expiration of the maximum prison term or term of 38062
imprisonment that the defendant or person could have received if 38063
the defendant or person had been convicted of the most serious 38064
offense with which the defendant or person is charged or in 38065
relation to which the defendant or person was found not guilty by 38066
reason of insanity; 38067

(c) The trial court enters an order terminating the 38068
commitment under the circumstances described in division 38069
(J)(2)(a)(ii) of this section. 38070

(2)(a) If a defendant is found incompetent to stand trial and 38071
committed pursuant to section 2945.39 of the Revised Code, if 38072
neither of the circumstances described in divisions (J)(1)(a) and 38073
(b) of this section applies to that defendant, and if a report 38074
filed with the trial court pursuant to division (C) of this 38075
section indicates that the defendant presently is competent to 38076
stand trial or if, at any other time during the period of the 38077
defendant's commitment, the prosecutor, the counsel for the 38078
defendant, or the designee of the department of ~~mental health~~ 38079
mental health and addiction services or the managing officer of 38080
the institution or director of the facility or program to which 38081
the defendant is committed files an application with the trial 38082
court alleging that the defendant presently is competent to stand 38083
trial and requesting a hearing on the competency issue or the 38084
trial court otherwise has reasonable cause to believe that the 38085
defendant presently is competent to stand trial and determines on 38086
its own motion to hold a hearing on the competency issue, the 38087
trial court shall schedule a hearing on the competency of the 38088
defendant to stand trial, shall give the prosecutor, the counsel 38089
for the defendant, and the department's designee or the managing 38090
officer of the institution or the director of the facility to 38091
which the defendant is committed notice of the date, time, and 38092

place of the hearing at least fifteen days before the hearing, and 38093
shall conduct the hearing within thirty days of the filing of the 38094
application or of its own motion. If, at the conclusion of the 38095
hearing, the trial court determines that the defendant presently 38096
is capable of understanding the nature and objective of the 38097
proceedings against the defendant and of assisting in the 38098
defendant's defense, the trial court shall order that the 38099
defendant is competent to stand trial and shall be proceeded 38100
against as provided by law with respect to the applicable offenses 38101
described in division (C)(1) of section 2945.38 of the Revised 38102
Code and shall enter whichever of the following additional orders 38103
is appropriate: 38104

(i) If the trial court determines that the defendant remains 38105
a mentally ill person subject to hospitalization by court order or 38106
a mentally retarded person subject to institutionalization by 38107
court order, the trial court shall order that the defendant's 38108
commitment to the department of ~~mental health~~ mental health and 38109
addiction services or to an institution, facility, or program for 38110
the treatment of mental retardation be continued during the 38111
pendency of the trial on the applicable offenses described in 38112
division (C)(1) of section 2945.38 of the Revised Code. 38113

(ii) If the trial court determines that the defendant no 38114
longer is a mentally ill person subject to hospitalization by 38115
court order or a mentally retarded person subject to 38116
institutionalization by court order, the trial court shall order 38117
that the defendant's commitment to the department of ~~mental health~~ 38118
mental health and addiction services or to an institution, 38119
facility, or program for the treatment of mental retardation shall 38120
not be continued during the pendency of the trial on the 38121
applicable offenses described in division (C)(1) of section 38122
2945.38 of the Revised Code. This order shall be a final 38123
termination of the commitment for purposes of division (J)(1)(c) 38124

of this section. 38125

(b) If, at the conclusion of the hearing described in 38126
division (J)(2)(a) of this section, the trial court determines 38127
that the defendant remains incapable of understanding the nature 38128
and objective of the proceedings against the defendant or of 38129
assisting in the defendant's defense, the trial court shall order 38130
that the defendant continues to be incompetent to stand trial, 38131
that the defendant's commitment to the department of ~~mental health~~ 38132
mental health and addiction services or to an institution, 38133
facility, or program for the treatment of mental retardation shall 38134

to the provisions of this section, until the final termination of 38137
the commitment as described in division (J)(1) of this section. 38138

criminal offense, including but not limited to a violation of 38140
section 2913.02, 2913.03, 2913.11, 2913.21, 2913.31, or 2919.21 of 38141
the Revised Code, and the court has reason to believe that drug or 38142
alcohol usage by the offender was a factor leading to the criminal 38143
offense with which the offender is charged or that, at the time of 38144
committing that offense, the offender had a mental illness or was 38145
a person with intellectual disability and that the mental illness 38146
or status as a person with intellectual disability was a factor 38147
leading to the offender's criminal behavior, the court may accept, 38148
prior to the entry of a guilty plea, the offender's request for 38149
intervention in lieu of conviction. The request shall include a 38150
statement from the offender as to whether the offender is alleging 38151

the criminal offense with which the offender is charged or is 38153
alleging that, at the time of committing that offense, the 38154
offender had a mental illness or was a person with intellectual 38155

intellectual disability was a factor leading to the criminal 38157
offense with which the offender is charged. The request also shall 38158
include a waiver of the defendant's right to a speedy trial, the 38159
preliminary hearing, the time period within which the grand jury 38160

occurred. The court may reject an offender's request without a 38163
hearing. If the court elects to consider an offender's request, 38164
the court shall conduct a hearing to determine whether the 38165
offender is eligible under this section for intervention in lieu 38166
of conviction and shall stay all criminal proceedings pending the 38167
outcome of the hearing. If the court schedules a hearing, the 38168
court shall order an assessment of the offender for the purpose of 38169
determining the offender's eligibility for intervention in lieu of 38170
conviction and recommending an appropriate intervention plan. 38171

If the offender alleges that drug or alcohol usage by the 38172
offender was a factor leading to the criminal offense with which 38173
the offender is charged, the court may order that the offender be 38174
assessed by ~~a program~~ an addiction services provider certified 38175
pursuant to section ~~3793.06~~ 5119.36 of the Revised Code or a 38176
properly credentialed professional for the purpose of determining 38177
the offender's eligibility for intervention in lieu of conviction 38178
and recommending an appropriate intervention plan. The ~~program~~ 38179
addiction services provider or the properly credentialed 38180
professional shall provide a written assessment of the offender to 38181
the court. 38182

(2) The victim notification provisions of division (C) of 38183
section 2930.08 of the Revised Code apply in relation to any 38184
hearing held under division (A)(1) of this section. 38185

(B) An offender is eligible for intervention in lieu of 38186
conviction if the court finds all of the following: 38187

(1) The offender previously has not been convicted of or 38188

pleaded guilty to a felony offense of violence or previously has 38189
been convicted of or pleaded guilty to any felony that is not an 38190
offense of violence and the prosecuting attorney recommends that 38191
the offender be found eligible for participation in intervention 38192

court, upon conviction, would impose a community control sanction 38196
on the offender under division (B)(2) of section 2929.13 of the 38197
Revised Code or with a misdemeanor. 38198

(2) The offense is not a felony of the first, second, or 38199
third degree, is not an offense of violence, is not a violation of 38200
division (A)(1) or (2) of section 2903.06 of the Revised Code, is 38201

with a violation of section 2925.03 of the Revised Code that is a 38211
felony of the first, second, third, or fourth degree, and is not 38212
charged with a violation of section 2925.11 of the Revised Code 38213
that is a felony of the first, second, or third degree. 38214

(4) If an offender alleges that drug or alcohol usage by the 38215
offender was a factor leading to the criminal offense with which 38216
the offender is charged, the court has ordered that the offender 38217
be assessed by ~~a program~~ an addiction services provider certified 38218
pursuant to section ~~3793.06~~ 5119.36 of the Revised Code or a 38219
properly credentialed professional for the purpose of determining 38220

the offender's eligibility for intervention in lieu of conviction 38221
and recommending an appropriate intervention plan, the offender 38222

the criminal offense with which the offender is charged, the 38229
offender had a mental illness or was a person with intellectual 38230

or intellectual disability, whichever is applicable, was a factor 38239
leading to the criminal offense with which the offender is 38240

seriousness of the offense, and intervention would substantially 38242
reduce the likelihood of any future criminal activity. 38243

(7) The alleged victim of the offense was not sixty-five 38244
years of age or older, permanently and totally disabled, under 38245

(C) At the conclusion of a hearing held pursuant to division (A) of this section, the court shall enter its determination as to whether the offender is eligible for intervention in lieu of conviction and as to whether to grant the offender's request. If the court finds under division (B) of this section that the offender is eligible for intervention in lieu of conviction and grants the offender's request, the court shall accept the offender's plea of guilty and waiver of the defendant's right to a speedy trial, the preliminary hearing, the time period within which the grand jury may consider an indictment against the offender, and arraignment, unless the hearing, indictment, or arraignment has already occurred. In addition, the court then may stay all criminal proceedings and order the offender to comply with all terms and conditions imposed by the court pursuant to division (D) of this section. If the court finds that the offender is not eligible or does not grant the offender's request, the criminal proceedings against the offender shall proceed as if the offender's request for intervention in lieu of conviction had not been made. 38260

sanction imposed under section 2929.15, 2929.18, or 2929.25 of the 38285
Revised Code. The court shall establish an intervention plan for 38286
the offender. The terms and conditions of the intervention plan 38287
shall require the offender, for at least one year from the date on 38288
which the court grants the order of intervention in lieu of 38289
conviction, to abstain from the use of illegal drugs and alcohol, 38290
to participate in treatment and recovery support services, and to 38291
submit to regular random testing for drug and alcohol use and may 38292
include any other treatment terms and conditions, or terms and 38293
conditions similar to community control sanctions, which may 38294
include community service or restitution, that are ordered by the 38295
court. 38296

(E) If the court grants an offender's request for 38297
intervention in lieu of conviction and the court finds that the 38298
offender has successfully completed the intervention plan for the 38299
offender, including the requirement that the offender abstain from 38300
using illegal drugs and alcohol for a period of at least one year 38301
from the date on which the court granted the order of intervention 38302
in lieu of conviction, the requirement that the offender 38303
participate in treatment and recovery support services, and all 38304
other terms and conditions ordered by the court, the court shall 38305
dismiss the proceedings against the offender. Successful 38306
completion of the intervention plan and period of abstinence under 38307
this section shall be without adjudication of guilt and is not a 38308
criminal conviction for purposes of any disqualification or 38309
disability imposed by law and upon conviction of a crime, and the 38310
court may order the sealing of records related to the offense in 38311
question in the manner provided in sections 2953.31 to 2953.36 of 38312
the Revised Code. 38313

(F) If the court grants an offender's request for 38314
intervention in lieu of conviction and the offender fails to 38315

comply with any term or condition imposed as part of the 38316
intervention plan for the offender, the supervising authority for 38317
the offender promptly shall advise the court of this failure, and 38318
the court shall hold a hearing to determine whether the offender 38319
failed to comply with any term or condition imposed as part of the 38320
plan. If the court determines that the offender has failed to 38321
comply with any of those terms and conditions, it shall enter a 38322
finding of guilty and shall impose an appropriate sanction under 38323
Chapter 2929. of the Revised Code. If the court sentences the 38324
offender to a prison term, the court, after consulting with the 38325
department of rehabilitation and correction regarding the 38326
availability of services, may order continued court-supervised 38327
activity and treatment of the offender during the prison term and, 38328
upon consideration of reports received from the department 38329
concerning the offender's progress in the program of activity and 38330

the Revised Code. 38332

As used in this division, "juvenile-related forfeiture order" 38613
means any forfeiture order issued by a juvenile court under 38614
section 2981.04 or 2981.05 of the Revised Code and any disposal of 38615
property ordered by a court under section 2981.11 of the Revised 38616
Code regarding property that was in the possession of a law 38617
enforcement agency in relation to a delinquent child proceeding in 38618
a juvenile court. 38619

(F) Each board of county commissioners that recognizes a 38620
citizens' reward program under section 9.92 of the Revised Code 38621
shall notify each law enforcement agency of that county and of a 38622
township or municipal corporation wholly located in that county of 38623
the recognition by filing a copy of its resolution conferring that 38624
recognition with each of those agencies. When the board recognizes 38625

concerning offenses committed in the county from which the funds 38641
were received. 38642

Receiving funds under this section or section 2981.11 of the 38643
Revised Code does not make the citizens' reward program a 38644
governmental unit or public office for purposes of section 149.43 38645
of the Revised Code. 38646

(G) Any property forfeited under this chapter shall not be 38647

Sec. 2981.13. (A) Except as otherwise provided in this 38660
section, property ordered forfeited as contraband, proceeds, or an 38661

with law. 38666

(B) If the contraband or instrumentality forfeited under this 38667
chapter is sold, any moneys acquired from a sale and any proceeds 38668

amount shall be used by the attorney general to investigate and 38704
prosecute medicaid fraud offenses. 38705

If the prosecutor declines to accept any of the remaining 38706
amounts, the amounts shall be applied to the fund of the agency 38707
that substantially conducted the investigation. 38708

(c) If more than one law enforcement agency is substantially 38709
involved in the seizure of property forfeited under this chapter, 38710
the court ordering the forfeiture shall equitably divide the 38711
amounts, after calculating any distribution to the law enforcement 38712
trust fund of the prosecutor pursuant to division (B)(4) of this 38713
section, among the entities that the court determines were 38714
substantially involved in the seizure. 38715

(5) Notwithstanding anything in this section to the contrary, 40177  
the department may use its own staff or an outside entity to 40178  
conduct an audit of a school district's data reporting practices 40179  
any time the department has reason to believe the district has not 40180  
made a good faith effort to report data as required by this 40181  
section. If any audit conducted by an outside entity under 40182  
division (L)(2)(d)(i) or (5) of this section confirms that a 40183  
district has not made a good faith effort to report data as 40184  
required by this section, the district shall reimburse the 40185  
department for the full cost of the audit. The department may 40186

district under division (L)(2)(d)(viii) of this section, the 40189  
department may hold a hearing to provide the district with an 40190  
opportunity to demonstrate that it made a good faith effort to 40191  
report data as required by this section. The hearing shall be 40192  
conducted by a referee appointed by the department. Based on the 40193  
information provided in the hearing, the referee shall recommend 40194  
whether the department should issue a revised report card for the 40195  
district. If the referee affirms the department's contention that 40196  
the district did not make a good faith effort to report data as 40197  
required by this section, the district shall bear the full cost of 40198  
conducting the hearing and of issuing any revised report card. 40199

(7) If the department determines that any inaccurate data 40200  
reported under this section caused a school district to receive 40201  
excess state funds in any fiscal year, the district shall 40202  
reimburse the department an amount equal to the excess funds, in 40203  
accordance with a payment schedule determined by the department. 40204

The department may withhold state funds due to the district for 40205  
this purpose. 40206

(8) Any school district that has funds withheld under 40207  
division (L)(2) of this section may appeal the withholding in 40208  
accordance with Chapter 119. of the Revised Code. 40209

(9) In all cases of a disagreement between the department and 40210  
a school district regarding the appropriateness of an action taken 40211  
under division (L)(2) of this section, the burden of proof shall 40212  
be on the district to demonstrate that it made a good faith effort 40213  
to report data as required by this section. 40214

(10) The state board of education shall adopt rules under 40215  
Chapter 119. of the Revised Code to implement division (L) of this 40216  
section. 40217

(M) No information technology center or school district shall 40218  
acquire, change, or update its student administration software 40219  
package to manage and report data required to be reported to the 40220  
department unless it converts to a student software package that 40221  
is certified by the department. 40222

(N) The state board of education, in accordance with sections 40223  
3319.31 and 3319.311 of the Revised Code, may suspend or revoke a 40224  
license as defined under division (A) of section 3319.31 of the 40225  
Revised Code that has been issued to any school district employee 40226  
found to have willfully reported erroneous, inaccurate, or 40227  
incomplete data to the education management information system. 40228

(O) No person shall release or maintain any information about 40229  
any student in violation of this section. Whoever violates this 40230  
division is guilty of a misdemeanor of the fourth degree. 40231

(P) The department shall disaggregate the data collected 40232  
under division (B)(1)(n) of this section according to the race and 40233  
socioeconomic status of the students assessed. No data collected 40234  
under that division shall be included on the report cards required 40235

by section 3302.03 of the Revised Code. 40236

(Q) If the department cannot compile any of the information 40237  
required by division (H) of section 3302.03 of the Revised Code 40238  
based upon the data collected under this section, the department 40239  
shall develop a plan and a reasonable timeline for the collection 40240  
of any data necessary to comply with that division. 40241

**Sec. 3301.0715.** (A) Except as otherwise required under 40242

and that meet the following requirements: 40353

(1) The nonprofit corporation has at least two locations in 40354  
the state that provide after-school programming for youth eighteen 40355  
years of age or younger that holistically address areas affecting 40356  
student academic success; and 40357

(2) The nonprofit corporation provides evidence that the 40358

students who served in the corporation's after-school programs 40359  
have shown academic improvement. 40360

(B) A nonprofit corporation may apply for a grant under this 40361  
section on the form prescribed by the superintendent. 40362

(C) The superintendent may award grants to qualified 40363  
nonprofit corporations that submit an application that conveys a 40364  
credible plan to use grant money for the following purposes: 40365

(1) To establish new after-school programs that will serve a 40366  
high concentration of youth eighteen years of age or younger; and 40367

(2) To provide innovative, comprehensive after-school 40368  
programs that improve educational outcomes and simultaneously 40369  
reduce barriers to academic success through targeted programming 40370  
that provides literacy achievement, homework assistance, tutoring, 40371  
and high-yield learning activities, as well as character and 40372

graduation completion, and a comprehensive health and wellness 40374  
program. 40375

(D) The superintendent shall do anything necessary and proper 40376  
to administer the grant program, including the prescription of an 40377  
application form, the establishment of application deadlines, a 40378  
schedule for evaluating applications received, criteria for 40379  
selecting grantees, and a process to notify successful and 40380  
unsuccessful applicants. 40381

weighted proportion of untested students and students scoring at 40392  
each level of skill described in division (A)(2) of section 40393  
3301.0710 of the Revised Code on the assessments prescribed by 40394  
divisions (A) and (B)(1) of that section. The department of 40395  
education shall assign weights such that students who do not take 40396  
an assessment receive a weight of zero and students who take an 40397  
assessment receive progressively larger weights dependent upon the 40398  
level of skill attained on the assessment. The department shall 40399  
assign additional weights to students who have been permitted to 40400  
pass over a subject in accordance with a student acceleration 40401

department shall assign to the student an additional proportional 40409  
weight, as approved by the state board. For each school year that 40410  
such a student's score is included in the performance index score 40411  
and the student attains the proficient score on an assessment, 40412  
that additional weight shall be assigned to the student on a 40413  
subject-by-subject basis. 40414

Students shall be included in the "performance index score" 40415

methodology to individual student achievement data derived from 40453  
the achievement assessments prescribed by section 3301.0710 of the 40454  
Revised Code. The "value-added progress dimension" shall be 40455

school building in a district, in accordance with this section. 40477  
The state board shall adopt rules pursuant to Chapter 119. of the 40478  
Revised Code to establish performance criteria for each letter 40479  
grade and prescribe a method by which the department assigns each 40480  
letter grade. For a school building to which any of the 40481

performance measures do not apply, due to grade levels served by 40482  
the building, the state board shall designate the performance 40483  
measures that are applicable to the building and that must be 40484  
calculated separately and used to calculate the building's overall 40485  
grade. The department shall issue annual report cards reflecting 40486  
the performance of each school district, each building within each 40487  
district, and for the state as a whole using the performance 40488

issue grades as described in division (E) of this section for each 40494  
of the following performance measures: 40495

(a) Annual measurable objectives; 40496

(b) Performance index score for a school district or 40497  
building. Grades shall be awarded as a percentage of the total 40498  
possible points on the performance index system as adopted by the 40499  
state board. In adopting benchmarks for assigning letter grades 40500  
under division (A)(1)(b) of this section, the state board of 40501  
education shall designate ninety per cent or higher for an "A," at 40502  
least seventy per cent but not more than eighty per cent for a 40503  
"C," and less than fifty per cent for an "F." 40504

(c) The extent to which the school district or building meets 40505  
each of the applicable performance indicators established by the 40506  
state board under section 3302.02 of the Revised Code and the 40507  
percentage of applicable performance indicators that have been 40508

division (A)(1)(c) of this section, the state board shall 40510  
designate ninety per cent or higher for an "A." 40511

(d) The four- and five-year adjusted cohort graduation rates. 40512

division (A)(1)(d), (B)(1)(d), or (C)(1)(d) of this section, the 40514  
department shall designate a four-year adjusted cohort graduation 40515  
rate of ninety-three per cent or higher for an "A" and a five-year 40516  
cohort graduation rate of ninety-five per cent or higher for an 40517  
"A." 40518

(e) The overall score under the value-added progress 40519  
dimension of a school district or building, for which the 40520  
department shall use up to three years of value-added data as 40521  
available. The letter grade assigned for this growth measure shall 40522  
be as follows: 40523

(i) A score that is at least two standard errors of measure 40524  
above the mean score shall be designated as an "A." 40525

(ii) A score that is at least one standard error of measure 40526  
but less than two standard errors of measure above the mean score 40527  
shall be designated as a "B." 40528

(iii) A score that is less than one standard error of measure 40529  
above the mean score but greater than or equal to one standard 40530  
error of measure below the mean score shall be designated as a 40531  
"C." 40532

(iv) A score that is not greater than one standard error of 40533

Whenever the value-added progress dimension is used as a 40539  
graded performance measure, whether as an overall measure or as a 40540  
measure of separate subgroups, the grades for the measure shall be 40541  
calculated in the same manner as prescribed in division (A)(1)(e) 40542  
of this section. 40543

(f) The value-added progress dimension score for a school district or building disaggregated for each of the following subgroups: students identified as gifted, students with disabilities, and students whose performance places them in the lowest quintile for achievement on a statewide basis. Each subgroup shall be a separate graded measure.

(2) Not later than April 30, 2013, the state board of education shall adopt a resolution describing the performance measures, benchmarks, and grading system for the 2012-2013 school year and, not later than June 30, 2013, shall adopt rules in accordance with Chapter 119. of the Revised Code that prescribe the methods by which the performance measures under division (A)(1) of this section shall be assessed and assigned a letter grade, including performance benchmarks for each letter grade.

At least forty-five days prior to the state board's adoption of rules to prescribe the methods by which the performance measures under division (A)(1) of this section shall be assessed and assigned a letter grade, the department shall conduct a public presentation before the standing committees of the house of representatives and the senate that consider education legislation describing such methods, including performance benchmarks.

(B)(1) For the 2013-2014 school year, the department shall issue grades as described in division (E) of this section for each of the following performance measures:

(a) Annual measurable objectives;

(b) Performance index score for a school district or building. Grades shall be awarded as a percentage of the total possible points on the performance index system as created by the department. In adopting benchmarks for assigning letter grades

under division (B)(1)(b) of this section, the state board shall 40575  
designate ninety per cent or higher for an "A," at least seventy 40576  
per cent but not more than eighty per cent for a "C," and less 40577  
than fifty per cent for an "F." 40578

(c) The extent to which the school district or building meets 40579  
each of the applicable performance indicators established by the 40580  
state board under section 3302.03 of the Revised Code and the 40581  
percentage of applicable performance indicators that have been 40582  
achieved. In adopting benchmarks for assigning letter grades under 40583  
division (B)(1)(c) of this section, the state board shall 40584  
designate ninety per cent or higher for an "A." 40585

(d) The four- and five-year adjusted cohort graduation rates; 40586

(e) The overall score under the value-added progress 40587  
dimension of a school district or building, for which the 40588  
department shall use up to three years of value-added data as 40589  
available. 40590

(f) The value-added progress dimension score for a school 40591  
district or building disaggregated for each of the following 40592  
subgroups: students identified as gifted in superior cognitive 40593  
ability and specific academic ability fields under Chapter 3324. 40594  
of the Revised Code, students with disabilities, and students 40595  
whose performance places them in the lowest quintile for 40596  
achievement on a statewide basis. Each subgroup shall be a 40597  
separate graded measure. 40598

(g) Whether a school district or building is making progress 40599  
in improving literacy in grades kindergarten through three, as 40600  
determined using a method prescribed by the state board. The state 40601  
board shall adopt rules to prescribe benchmarks and standards for 40602  
assigning grades to districts and buildings for purposes of 40603  
division (B)(1)(j) of this section. In adopting benchmarks for 40604  
assigning letter grades under divisions (B)(1)(g) and (C)(1)(g) of 40605

this section, the state board shall determine progress made based 40606  
on the reduction in the percentage of students scoring below grade 40607  
level, or below proficient, compared from year to year on the 40608  
English language arts diagnostic assessments administered under 40609  
section 3301.0715 of the Revised Code and the third grade English 40610  
language arts assessment under section 3301.0710 of the Revised 40611  
Code, as applicable. The state board shall designate for a "C" 40612

for this measure. No grade shall be issued under divisions 40614  
(B)(1)(g) and (C)(1)(j) of this section for a district or building 40615

Revised Code. 40619

(2) In addition to the graded measures in division (B)(1) of 40620  
this section, the department shall include on a school district's 40621

building participating in advanced placement classes and the 40625  
percentage of those students who received a score of three or 40626  
better on advanced placement examinations; 40627

(b) The number of a district's or building's students who 40628  
have earned at least three college credits through dual enrollment 40629  
programs, such as the post-secondary enrollment options program 40630  
under Chapter 3365. of the Revised Code and state-approved 40631  
career-technical courses offered through dual enrollment or 40632  
statewide articulation, that appear on a student's transcript or 40633  
other official document, either of which is issued by the 40634  
institution of higher education from which the student earned the 40635  
college credit. The credits earned that are reported under 40636  
divisions (B)(2)(b) and (C)(2)(c) of this section shall not 40637

with standards adopted under division (F) of section 3345.061 of 40645  
the Revised Code; 40646

(d) The percentage of the district's or the building's 40647

and assigned a letter grade, including performance benchmarks for 40661  
each grade. 40662

At least forty-five days prior to the state board's adoption 40663  
of rules to prescribe the methods by which the performance 40664

(C)(1) For the 2014-2015 school year and each school year 40672  
thereafter, the department shall issue grades as described in 40673  
division (E) of this section for each of the following performance 40674  
measures and an overall letter grade based on an aggregate of 40675  
those measures: 40676

(a) Annual measurable objectives; 40677

(b) Performance index score for a school district or 40678  
building. Grades shall be awarded as a percentage of the total 40679  
possible points on the performance index system as created by the 40680  
department. In adopting benchmarks for assigning letter grades 40681  
under division (C)(1)(b) of this section, the state board shall 40682  
designate ninety per cent or higher for an "A," at least seventy 40683  
per cent but not more than eighty per cent for a "C," and less 40684  
than fifty per cent for an "F." 40685

(c) The extent to which the school district or building meets 40686  
each of the applicable performance indicators established by the 40687  
state board under section 3302.03 of the Revised Code and the 40688  
percentage of applicable performance indicators that have been 40689  
achieved. In adopting benchmarks for assigning letter grades under 40690  
division (C)(1)(c) of this section, the state board shall 40691  
designate ninety per cent or higher for an "A." 40692

(d) The four- and five-year adjusted cohort graduation rates; 40693

(e) The overall score under the value-added progress 40694  
dimension, or another measure of student academic progress if 40695  
adopted by the state board, of a school district or building, for 40696  
which the department shall use up to three years of value-added 40697  
data as available. 40698

In adopting benchmarks for assigning letter grades for overall score on value-added progress dimension under division (C)(1)(e) of this section, the state board shall prohibit the assigning of a grade of "A" for that measure unless the district's or building's grade assigned for value-added progress dimension for all subgroups under division (C)(1)(i) of this section is a "B" or higher.

For the metric prescribed by division (C)(1)(e) of this section, the state board may adopt a student academic progress measure to be used instead of the value-added progress dimension. If the state board adopts such a measure, it also shall prescribe a method for assigning letter grades for the new measure that is comparable to the method prescribed in division (A)(1)(e) of this section.

(f) The value-added progress dimension score of a school district or building disaggregated for each of the following subgroups: students identified as gifted in superior cognitive ability and specific academic ability fields under Chapter 3324. of the Revised Code, students with disabilities, and students whose performance places them in the lowest quintile for achievement on a statewide basis, as determined by a method prescribed by the state board. Each subgroup shall be a separate graded measure.

The state board may adopt student academic progress measures to be used instead of the value-added progress dimension. If the state board adopts such measures, it also shall prescribe a method for assigning letter grades for the new measures that is comparable to the method prescribed in division (A)(1)(e) of this section.

(g) Whether a school district or building is making progress in improving literacy in grades kindergarten through three, as determined using a method prescribed by the state board. The state

board shall adopt rules to prescribe benchmarks and standards for 40731  
assigning grades to a district or building for purposes of 40732  
division (C)(1)(j) of this section. The state board shall 40733  
designate for a "C" grade a value that is not lower than the 40734  
statewide average value for this measure. No grade shall be issued 40735  
under division (C)(1)(g) of this section for a district or 40736  
building in which less than five per cent of students have scored 40737  
below grade level on the kindergarten diagnostic assessment under 40738  
division (B)(1) of section 3313.608 of the Revised Code. 40739

(2) In addition to the graded measures in division (C)(1) of 40740  
this section, the department shall include on a school district's 40741  
or building's report card all of the following without an assigned 40742  
letter grade: 40743

(a) The percentage of students enrolled in a district or 40744  
building who have taken a national standardized test used for 40745  
college admission determinations and the percentage of those 40746  
students who are determined to be remediation-free in accordance 40747  
with the standards adopted under division (F) of section 3345.061 40748  
of the Revised Code; 40749

(b) The percentage of students enrolled in a district or 40750  
building participating in advanced placement classes and the 40751  
percentage of those students who received a score of three or 40752  
better on advanced placement examinations; 40753

(c) The number of a district's or building's students who 40754  
have earned at least three college credits through dual enrollment 40755  
programs, such as the post-secondary enrollment options program 40756  
under Chapter 3365. of the Revised Code and state-approved 40757  
career-technical courses offered through dual enrollment or 40758  
statewide articulation, that appear on a student's transcript or 40759  
other official document, either of which is issued by the 40760  
institution of higher education from which the student earned the 40761  
college credit. The credits earned that are reported under 40762

divisions (B)(2)(b) and (C)(2)(c) of this section shall not 40763  
include any that are remedial or developmental and shall include 40764  
those that count toward the curriculum requirements established 40765  
for completion of a degree. 40766

(d) The percentage of the district's or building's students 40767  
who receive an honor's diploma under division (B) of section 40768  
3313.61 of the Revised Code; 40769

(e) The percentage of the district's or building's students 40770  
who receive industry credentials; 40771

(f) The percentage of students enrolled in a district or 40772  
building who are participating in an international baccalaureate 40773  
program and the percentage of those students who receive a score 40774  
of four or better on the international baccalaureate examinations; 40775

(g) The results of the college and career-ready assessments 40776  
administered under division (B)(1) of section 3301.0712 of the 40777  
Revised Code. 40778

(3) The state board shall adopt rules pursuant to Chapter 40779  
119. of the Revised Code that establish a method to assign an 40780  
overall grade for a school district or school building for the 40781  
2014-2015 school year and each school year thereafter. The rules 40782  
shall group the performance measures in divisions (C)(1) and (2) 40783  
of this section into the following components: 40784

(a) Gap closing, which shall include the performance measure 40785  
in division (C)(1)(a) of this section; 40786

(b) Achievement, which shall include the performance measures 40787  
in divisions (C)(1)(b) and (c) of this section; 40788

(c) Progress, which shall include the performance measures in 40789  
divisions (C)(1)(e) and (i) of this section; 40790

(d) Graduation, which shall include the performance measure 40791  
in division (C)(1)(d) of this section; 40792

(e) Kindergarten through third-grade literacy, which shall 40793  
include the performance measure in division (C)(1)(k) of this 40794  
section; 40795

(f) Prepared for success, which shall include the performance 40796  
measures in divisions (C)(2)(a), (b), (c), (d), (e), and (f) of 40797  
this section. The state board shall develop a method to determine 40798  
a grade for the component in division (C)(3)(f) of this section 40799  
using the performance measures in divisions (C)(2)(a), (b), (c), 40800  
(d), (e), and (f) of this section. When available, the state board 40801  
may incorporate the performance measure under division (C)(2)(g) 40802  
of this section into the component under division (C)(3)(f) of 40803  
this section. When determining the overall grade for the prepared 40804  
for success component prescribed by division (C)(3)(f) of this 40805  
section, no individual student shall be counted in more than one 40806  
performance measure. However, if a student qualifies for more than 40807  
one performance measure in the component, the state board may, in 40808  
its method to determine a grade for the component, specify an 40809  
additional weight for such a student that is not greater than or 40810  
equal to 1.0. In determining the overall score under division 40811  
(C)(3)(f) of this section, the state board shall ensure that the 40812  
pool of students included in the performance measures aggregated 40813  
under that division are all of the students included in the four- 40814  
and five-year adjusted graduation cohort. 40815

In the rules adopted under division (C)(3) of this section, 40816  
the state board shall adopt a method for determining a grade for 40817  
each component in divisions (C)(3)(a) to (f) of this section. The 40818  
state board also shall establish a method to assign an overall 40819  
grade of "A," "B," "C," "D," or "F" using the grades assigned for 40820  
each component. The method the state board adopts for assigning an 40821  
overall grade shall give equal weight to the components in 40822  
divisions (C)(3)(b) and (c) of this section. 40823

At least forty-five days prior to the state board's adoption 40824

of rules to prescribe the methods for calculating the overall 40825  
grade for the report card, as required by this division, the 40826  
department shall conduct a public presentation before the standing 40827  
committees of the house of representatives and the senate that 40828  
consider education legislation describing the format for the 40829  
report card, weights that will be assigned to the components of 40830  
the overall grade, and the method for calculating the overall 40831  
grade. 40832

(D) Not later than July 1, 2015, the state board shall 40833  
develop a measure of student academic progress for high school 40834  
students. Beginning with the report card for the 2015-2016 school 40835  
year, each school district and applicable school building shall be 40836  
assigned a separate letter grade for this measure and the 40837  
district's or building's grade for that measure shall be included 40838  
in determining the district's or building's overall letter grade. 40839  
This measure shall be included within the measure prescribed in 40840  
division (C)(2)(c) of this section in the calculation for the 40841  
overall letter grade. 40842

(E) The letter grades assigned to a school district or 40843  
building under this section shall be as follows: 40844

(1) "A" for a district or school making excellent progress; 40845

(2) "B" for a district or school making above average 40846  
progress; 40847

(3) "C" for a district or school making average progress; 40848

(4) "D" for a district or school making below average 40849  
progress; 40850

(5) "F" for a district or school failing to meet minimum 40851  
progress. 40852

(F) When reporting data on student achievement and progress, 40853  
the department shall disaggregate that data according to the 40854

|                                                                                                                                                                                                                                                                                                                                                                                                                                                                  |                                                             |

**Sec. 3311.0510.** (A) If all of the client school districts of 41941  
an educational service center have terminated their agreements 41942  
with the service center under division (D) of section 3313.843 of 41943  
the Revised Code, upon the latest effective date of the 41944  
terminations, the governing board of that service center shall be 41945

order shall provide for the equitable division and disposition of 41948  
the assets, property, debts, and obligations of the service center 41949  
among the school districts that were client school districts of 41950  
the service center for the service center's last fiscal year of 41951

Prior to distributing assets to any school district under 41962  
this section, but after paying in full other debts and obligations 41963  
of the service center under this section, the superintendent of 41964  
public instruction may assess against the remaining assets of the 41965  
service center the amount of the costs incurred by the department 41966  
of education in performing the superintendent's duties under this 41967  
division, including the fees, if any, owed to the individual 41968  
appointed to administer the superintendent's dissolution order. 41969  
Any excess cost incurred by the department under this division 41970  
shall be divided equitably among the school districts that were 41971  
client school districts of the service center for the service 41972  
center's last fiscal year of operation. Each district's share of 41973  
that excess cost shall be bound against the tax duplicate of that 41974  
district. 41975

(B) A final audit of the former service center shall be 41976  
performed in accordance with procedures established by the auditor 41977  
of state. 41978

(C) The public records of an educational service center that 41979  
is dissolved under this section shall be transferred in accordance 41980  
with this division. Public records maintained by the service 41981  
center in connection with services provided by the service center 41982  
to local school districts of which the territory of the service 41983

center is or previously was made up shall be transferred to each 41984  
of the respective local school districts. Public records 41985  
maintained by the service center in connection with services 41986  
provided to client school districts shall be transferred to each 41987  
of the respective client school districts. All other public 41988  
records maintained by the service center at the time the service 41989  
center ceases operations shall be transferred to the Ohio 41990  
historical society for analysis and disposition by the society in 41991  
its capacity as archives administrator for the state and its 41992

(D) As used in this section, "client school district" ~~has the~~ 41995  
~~same meaning as in section 3317.11 of the Revised Code~~ means a 41996  
city, exempted village, or local school district that has entered 41997

Revised Code to receive any services from an educational service 41999  
center. 42000

**Sec. 3311.22.** A governing board of an educational service 42001  
center may propose, by resolution adopted by majority vote of its 42002  
full membership, or qualified electors of the area affected equal 42003  
in number to at least fifty-five per cent of the qualified 42004  
electors voting at the last general election residing within that 42005  
portion of a school district, or districts proposed to be 42006  
transferred may propose, by petition, the transfer of a part or 42007  
all of one or more local school districts to another local school 42008  
district or districts within the territory of the educational 42009  
service center. Such transfers may be made only to local school 42010  
districts adjoining the school district that is proposed to be 42011  
transferred, unless the board of education of the district 42012  
proposed to be transferred has entered into an agreement pursuant 42013  
to section 3313.42 of the Revised Code, in which case such 42014  
transfers may be made to any local school district within the 42015

territory of the educational service center. 42016

When a governing board of an educational service center 42017  
adopts a resolution proposing a transfer of school territory it 42018  
shall forthwith file a copy of such resolution, together with an 42019  
accurate map of the territory described in the resolution, with 42020  
the board of education of each school district whose boundaries 42021  
would be altered by such proposal. A governing board of an 42022  
educational service center proposing a transfer of territory under 42023  
the provisions of this section shall at its next regular meeting 42024  
that occurs not earlier than thirty days after the adoption by the 42025  
governing board of a resolution proposing such transfer, adopt a 42026  
resolution making the transfer effective at any time prior to the 42027  
next succeeding first day of July, unless, prior to the expiration 42028  
of such thirty-day period, qualified electors residing in the area 42029  
proposed to be transferred, equal in number to a majority of the 42030  
qualified electors voting at the last general election, file a 42031  
petition of referendum against such transfer. 42032

Any petition of transfer or petition of referendum filed 42033  
under the provisions of this section shall be filed at the office 42034  
of the educational service center superintendent. The person 42035  
presenting the petition shall be given a receipt containing 42036  
thereon the time of day, the date, and the purpose of the 42037  
petition. 42038

The educational service center superintendent shall cause the 42039  
board of elections to check the sufficiency of signatures on any 42040  
petition of transfer or petition of referendum filed under this 42041  
section and, if found to be sufficient, the superintendent shall 42042  
present the petition to the educational service center governing 42043  
board at a meeting of the board which shall occur not later than 42044  
thirty days following the filing of the petition. 42045

Upon presentation to the educational service center governing 42046  
board of a proposal to transfer territory as requested by petition 42047

of fifty-five per cent of the qualified electors voting at the 42048  
last general election or a petition of referendum against a 42049  
proposal of the county board to transfer territory, the governing 42050  
board shall promptly certify the proposal to the board of 42051  
elections for the purpose of having the proposal placed on the 42052  
ballot at the next general or primary election which occurs not 42053  
less than ninety days after the date of such certification, or at 42054  
a special election, the date of which shall be specified in the 42055  
certification, which date shall not be less than ninety days after 42056  
the date of such certification. Signatures on a petition of 42057  
transfer or petition of referendum may be withdrawn up to and 42058  
including the above mentioned meeting of the educational service 42059  
center governing board only by order of the board upon testimony 42060  
of the petitioner concerned under oath before the board that the 42061  
petitioner's signature was obtained by fraud, duress, or 42062  
misrepresentation. 42063

If a petition is filed with the educational service center 42064  
governing board which proposes the transfer of a part or all of 42065  
the territory included in a resolution of transfer previously 42066  
adopted by the educational service center governing board, no 42067  
action shall be taken on such petition if within the thirty-day 42068  
period after the adoption of the resolution of transfer a 42069  
referendum petition is filed. After the election, if the proposed 42070  
transfer fails to receive a majority vote, action on such petition 42071  
shall then be processed under this section as though originally 42072  
filed under the provisions hereof. If no referendum petition is 42073  
filed within the thirty-day period after the adoption of the 42074  
resolution of transfer, no action shall be taken on such petition. 42075

If a petition is filed with the educational service center 42076  
governing board which proposes the transfer of a part or all of 42077  
the territory included in a petition previously filed by electors 42078  
no action shall be taken on such new petition. 42079

Upon certification of a proposal to the board or boards of 42080  
elections pursuant to this section, the board or boards of 42081  
elections shall make the necessary arrangements for the submission 42082  
of such question to the electors of the county or counties 42083  
qualified to vote thereon, and the election shall be conducted and 42084  
canvassed and the results shall be certified in the same manner as 42085  
in regular elections for the election of members of a board of 42086  
education. 42087

The persons qualified to vote upon a proposal are the 42088  
electors residing in the district or districts containing 42089  
territory that is proposed to be transferred. If the proposed 42090  
transfer be approved by at least a majority of the electors voting 42091  
on the proposal, the educational service center governing board 42092  
shall make such transfer at any time prior to the next succeeding 42093  
first day of July. If the proposed transfer is not approved by at 42094  
least a majority of the electors voting on the proposal, the 42095  
question of transferring any property included in the territory 42096  
covered by the proposal shall not be submitted to electors at any 42097  
election prior to the first general election the date of which is 42098  
at least two years after the date of the original election, or the 42099  
first primary election held in an even-numbered year the date of 42100  
which is at least two years after the date of the original 42101  
election. A transfer shall be subject to the approval of the 42102  
receiving board or boards of education, unless the proposal was 42103  
initiated by the educational service center governing board, in 42104  
which case, if the transfer is opposed by the board of education 42105  
offered the territory, the local board may, within thirty days, 42106  
following the receipt of the notice of transfer, appeal to the 42107  
state board of education which shall then either approve or 42108  
disapprove the transfer. 42109

Following an election upon a proposed transfer initiated by a 42110  
petition the board of education that is offered territory shall, 42111

within thirty days following receipt of the proposal, either 42112  
accept or reject the transfer. 42113

When an entire school district is proposed to be transferred 42114  
to two or more school districts and the offer is rejected by any 42115  
one of the receiving boards of education, none of the territory 42116  
included in the proposal shall be transferred. 42117

Upon the acceptance of territory by the receiving board or 42118  
boards of education the educational service center governing board 42119  
offering the territory shall file with the county auditor and with 42120  
the state board of education an accurate map showing the 42121  
boundaries of the territory transferred. 42122

Upon the making of such transfer, the net indebtedness of the 42123  
former district from which territory was transferred shall be 42124  
apportioned between the acquiring school district and that portion 42125  
of the former school district remaining after the transfer in the 42126  
ratio which the assessed valuation of the territory transferred to 42127  
the acquiring school district bears to the assessed valuation of 42128  
the original school district as of the effective date of the 42129  
transfer. As used in this section "net indebtedness" means the 42130  
difference between the par value of the outstanding and unpaid 42131  
bonds and notes of the school district and the amount held in the 42132  
sinking fund and other indebtedness retirement funds for their 42133  
redemption. 42134

~~If an entire district is transferred, any indebtedness of the 42135  
former district incurred as a result of a loan made under section 42136  
3317.64 of the Revised Code is hereby canceled and such 42137  
indebtedness shall not be apportioned among any districts 42138  
acquiring the territory. 42139~~

Upon the making of any transfer under this section, the funds 42140  
of the district from which territory was transferred shall be 42141  
divided equitably by the educational service center governing 42142

board between the acquiring district and any part of the original 42143  
district remaining after the transfer. 42144

If an entire district is transferred the board of education 42145  
of such district is thereby abolished or if a member of the board 42146  
of education lives in that part of a school district transferred 42147  
the member becomes a nonresident of the school district from which 42148  
the territory was transferred and such member ceases to be a 42149  
member of the board of education of such district. 42150

The legal title of all property of the board of education in 42151  
the territory transferred shall become vested in the board of 42152  
education of the school district to which such territory is 42153  
transferred. 42154

Subsequent to June 30, 1959, if an entire district is 42155  
transferred, foundation program moneys accruing to a district 42156  
accepting school territory under the provisions of this section or 42157  
former section 3311.22 of the Revised Code, shall not be less, in 42158  
any year during the next succeeding three years following the 42159  
transfer, than the sum of the amounts received by the districts 42160  
separately in the year in which the transfer was consummated. 42161

**Sec. 3311.231.** A governing board of an educational service 42162  
center may propose, by resolution adopted by majority vote of its 42163  
full membership, or qualified electors of the area affected equal 42164  
in number to not less than fifty-five per cent of the qualified 42165  
electors voting at the last general election residing within that 42166  
portion of a school district proposed to be transferred may 42167  
propose, by petition, the transfer of a part or all of one or more 42168  
local school districts within the territory of the center to an 42169  
adjoining educational service center or to an adjoining city or 42170  
exempted village school district. 42171

A governing board of an educational service center adopting a 42172  
resolution proposing a transfer of school territory under this 42173

section shall file a copy of such resolution together with an 42174  
accurate map of the territory described in the resolution, with 42175  
the board of education of each school district whose boundaries 42176  
would be altered by such proposal. Where a transfer of territory 42177  
is proposed by a governing board of an educational service center 42178  
under this section, the governing board shall, at its next regular 42179  
meeting that occurs not earlier than the thirtieth day after the 42180  
adoption by the governing board of the resolution proposing such 42181  
transfer, adopt a resolution making the transfer as originally 42182  
proposed, effective at any time prior to the next succeeding first 42183  
day of July, unless, prior to the expiration of such thirty-day 42184  
period, qualified electors residing in the area proposed to be 42185  
transferred, equal in number to a majority of the qualified 42186  
electors voting at the last general election, file a petition of 42187  
referendum against such transfer. 42188

Any petition of transfer or petition of referendum under the 42189  
provisions of this section shall be filed at the office of the 42190  
educational service center superintendent. The person presenting 42191  
the petition shall be given a receipt containing thereon the time 42192  
of day, the date, and the purpose of the petition. 42193

The educational service center superintendent shall cause the 42194  
board of elections to check the sufficiency of signatures on any 42195  
such petition, and, if found to be sufficient, the superintendent 42196  
shall present the petition to the educational service center 42197  
governing board at a meeting of said governing board which shall 42198  
occur not later than thirty days following the filing of said 42199  
petition. 42200

The educational service center governing board shall promptly 42201  
certify the proposal to the board of elections of such counties in 42202  
which school districts whose boundaries would be altered by such 42203  
proposal are located for the purpose of having the proposal placed 42204  
on the ballot at the next general or primary election which occurs 42205

not less than ninety days after the date of such certification or 42206  
at a special election, the date of which shall be specified in the 42207  
certification, which date shall not be less than ninety days after 42208  
the date of such certification. 42209

Signatures on a petition of transfer or petition of 42210  
referendum may be withdrawn up to and including the above 42211  
mentioned meeting of the educational service center governing 42212  
board only by order of the governing board upon testimony of the 42213  
petitioner concerned under oath before the board that the 42214  
petitioner's signature was obtained by fraud, duress, or 42215  
misrepresentation. 42216

If a petition is filed with the educational service center 42217  
governing board which proposes the transfer of a part or all of 42218  
the territory included either in a petition previously filed by 42219  
electors or in a resolution of transfer previously adopted by the 42220  
educational service center governing board, no action shall be 42221  
taken on such new petition as long as the previously initiated 42222  
proposal is pending before the governing board or is subject to an 42223  
election. 42224

Upon certification of a proposal to the board or boards of 42225  
elections pursuant to this section, the board or boards of 42226  
elections shall make the necessary arrangements for the submission 42227  
of such question to the electors of the county or counties 42228  
qualified to vote thereon, and the election shall be conducted and 42229  
canvassed and the results shall be certified in the same manner as 42230  
in regular elections for the election of members of a board of 42231  
education. 42232

The persons qualified to vote upon a proposal are the 42233  
electors residing in the district or districts containing 42234  
territory that is proposed to be transferred. If the proposed 42235  
transfer is approved by at least a majority of the electors voting 42236  
on the proposal, the educational service center governing board 42237

shall make such transfer at any time prior to the next succeeding 42238  
first day of July, subject to the approval of the receiving board 42239  
of education in case of a transfer to a city or exempted village 42240  
school district, and subject to the approval of the educational 42241  
service center governing board of the receiving center, in case of 42242  
a transfer to an educational service center. If the proposed 42243  
transfer is not approved by at least a majority of the electors 42244  
voting on the proposal, the question of transferring any property 42245  
included in the territory covered by the proposal shall not be 42246  
submitted to electors at any election prior to the first general 42247  
election the date of which is at least two years after the date of 42248  
the original election, or the first primary election held in an 42249  
even-numbered year the date of which is at least two years after 42250  
the date of the original election. 42251

Where a territory is transferred under this section to a city 42252  
or exempted village school district, the board of education of 42253  
such district shall, and where territory is transferred to an 42254  
educational service center the governing board of such educational 42255  
service center shall, within thirty days following receipt of the 42256  
proposal, either accept or reject the transfer. 42257

Where a governing board of an educational service center 42258  
adopts a resolution accepting territory transferred to the 42259  
educational service center under the provisions of sections 42260  
3311.231 and 3311.24 of the Revised Code, the governing board 42261  
shall, at the time of the adoption of the resolution accepting the 42262  
territory, designate the school district to which the accepted 42263  
territory shall be annexed. 42264

When an entire school district is proposed to be transferred 42265  
to two or more adjoining school districts and the offer is 42266  
rejected by any one of the receiving boards of education, none of 42267  
the territory included in the proposal shall be transferred. 42268

Upon the acceptance of territory by the receiving board or 42269

boards of education the educational service center governing board 42270  
offering the territory shall file with the county auditor of each 42271  
county affected by the transfer and with the state board of 42272  
education an accurate map showing the boundaries of the territory 42273  
transferred. 42274

Upon the making of such transfer, the net indebtedness of the 42275  
former district from which territory was transferred shall be 42276  
apportioned between the acquiring school district and the portion 42277  
of the former school district remaining after the transfer in the 42278  
ratio which the assessed valuation of the territory transferred to 42279  
the acquiring school district bears to the assessed valuation of 42280  
the original school district as of the effective date of the 42281  
transfer. As used in this section "net indebtedness" means the 42282  
difference between the par value of the outstanding and unpaid 42283  
bonds and notes of the school district and the amount held in the 42284  
sinking fund and other indebtedness retirement funds for their 42285  
redemption. 42286

~~If an entire district is transferred, any indebtedness of the 42287  
former district incurred as a result of a loan made under section 42288  
3317.64 of the Revised Code is hereby canceled and such 42289  
indebtedness shall not be apportioned among any districts 42290  
acquiring the territory. 42291~~

Upon the making of any transfer under this section, the funds 42292  
of the district from which territory was transferred shall be 42293  
divided equitably by the educational service center governing 42294  
board, between the acquiring district and any part of the original 42295  
district remaining after the transfer. 42296

If an entire district is transferred the board of education 42297  
of such district is thereby abolished or if a member of the board 42298  
of education lives in that part of a school district transferred 42299  
the member becomes a nonresident of the school district from which 42300  
the territory was transferred and such member ceases to be a 42301

member of the board of education of such district. 42302

The legal title of all property of the board of education in 42303  
the territory transferred shall become vested in the board of 42304  
education of the school district to which such territory is 42305  
transferred. 42306

If an entire district is transferred, foundation program 42307  
moneys accruing to a district receiving school territory under the 42308  
provisions of this section shall not be less, in any year during 42309  
the next succeeding three years following the transfer, than the 42310  
sum of the amounts received by the districts separately in the 42311  
year in which the transfer was consummated. 42312

**Sec. 3311.38.** The state board of education may conduct, or 42313  
may direct the superintendent of public instruction to conduct, 42314  
studies where there is evidence of need for transfer of local, 42315  
exempted village, or city school districts, or parts of any such 42316  
districts, to contiguous or noncontiguous local, exempted village, 42317  
or city school districts. Such studies shall include a study of 42318  
the effect of any proposal upon any portion of a school district 42319  
remaining after such proposed transfer. The state board, in 42320  
conducting such studies and in making recommendations as a result 42321  
thereof, shall consider the possibility of improving school 42322  
district organization as well as the desires of the residents of 42323  
the school districts which would be affected. 42324

(A) After the adoption of recommendations growing out of any 42325  
such study, or upon receipt of a resolution adopted by majority 42326  
vote of the full membership of the board of any city, local, or 42327  
exempted village school district requesting that the entire 42328  
district be transferred to another city, local, or exempted 42329  
village school district, the state board may propose by resolution 42330  
the transfer of territory, which may consist of part or all of the 42331  
territory of a local, exempted village, or city school district to 42332

a contiguous local, exempted village, or city school district. 42333

The state board shall thereupon file a copy of such proposal 42334  
with the board of education of each school district whose 42335  
boundaries would be altered by the proposal and with the governing 42336  
board of any educational service center in which such school 42337  
district is located. 42338

The state board may, not less than thirty days following the 42339  
adoption of the resolution proposing the transfer of territory, 42340  
certify the proposal to the board of elections of the county or 42341  
counties in which any of the territory of the proposed district is 42342  
located, for the purpose of having the proposal placed on the 42343  
ballot at the next general election or at a primary election 42344  
occurring not less than ninety days after the adoption of such 42345  
resolution. 42346

If any proposal has been previously initiated pursuant to 42347  
section 3311.22, 3311.231, or 3311.26 of the Revised Code which 42348  
affects any of the territory affected by the proposal of the state 42349  
board, the proposal of the state board shall not be placed on the 42350  
ballot while the previously initiated proposal is subject to an 42351  
election. 42352

Upon certification of a proposal to the board of elections of 42353  
any county pursuant to this section, the board of elections of 42354  
such county shall make the necessary arrangements for the 42355  
submission of such question to the electors of the county 42356  
qualified to vote thereon, and the election shall be counted and 42357  
canvassed and the results shall be certified in the same manner as 42358  
in regular elections for the election of members of a board of 42359  
education. 42360

The electors qualified to vote upon a proposal are the 42361  
electors residing in the local, exempted village, or city school 42362  
districts, containing territory proposed to be transferred. 42363

If the proposed transfer be approved by a majority of the electors voting on the proposal, the state board, subject to the approval of the board of education of the district to which the territory would be transferred, shall make such transfer prior to the next succeeding July 1.

(B) If a study conducted in accordance with this section involves a school district with less than four thousand dollars of assessed value for each pupil in the total student count determined under section 3317.03 of the Revised Code, the state board of education, with the approval of the educational service center governing board, and upon recommendation by the state superintendent of public instruction, may by resolution transfer all or any part of such a school district to any city, exempted village, or local school district which has more than twenty-five thousand pupils in average daily membership. Such resolution of transfer shall be adopted only after the board of education of the receiving school district has adopted a resolution approving the proposed transfer. For the purposes of this division, the assessed value shall be as certified in accordance with section 3317.021 of the Revised Code.

(C) Upon the making of a transfer of an entire school district pursuant to this section, the indebtedness of the district transferred shall be assumed in full by the acquiring district and the funds of the district transferred shall be paid over in full to the acquiring district, ~~except that any indebtedness of the transferred district incurred as a result of a loan made under section 3317.64 of the Revised Code is hereby canceled and shall not be assumed by the acquiring district.~~

(D) Upon the making of a transfer pursuant to this section, when only part of a district is transferred, the net indebtedness of each original district of which only a part is taken by the acquiring district shall be apportioned between the acquiring

district and the original district in the ratio which the assessed 42396  
valuation of the part taken by the acquiring district bears to the 42397  
assessed valuation of the original district as of the effective 42398  
date of the transfer. As used in this section "net indebtedness" 42399  
means the difference between the par value of the outstanding and 42400  
unpaid bonds and notes of the school district and the amount held 42401  
in the sinking fund and other indebtedness retirement funds for 42402  
their redemption. 42403

(E) Upon the making of a transfer pursuant to this section, 42404  
when only part of a district is transferred, the funds of the 42405  
district from which territory was transferred shall be divided 42406  
equitably by the state board between the acquiring district and 42407  
that part of the former district remaining after the transfer. 42408

(F) If an entire school district is transferred, the board of 42409  
education of such district is thereby abolished. If part of a 42410  
school district is transferred, any member of the board of 42411  
education who is a legal resident of that part which is 42412  
transferred shall thereby cease to be a member of that board. 42413

If an entire school district is transferred, foundation 42414  
program moneys accruing to a district accepting school territory 42415  
under the provisions of this section shall not be less, in any 42416  
year during the next succeeding three years following the 42417  
transfer, than the sum of the amounts received by the districts 42418  
separately in the year in which the transfer became effective. 42419

**Sec. 3311.78.** Notwithstanding any provision of the Revised 42420  
Code to the contrary, a municipal school district shall be subject 42421  
to this section instead of sections ~~3317.13~~, 3317.14, and 3317.141 42422  
of the Revised Code. 42423

(A) As used in this section, "principal" includes an 42424  
assistant principal. 42425

(B) The board of education of each municipal school district 42426  
annually shall adopt a differentiated salary schedule for teachers 42427  
based upon performance as described in division (D) of this 42428  
section. The board also annually shall adopt a differentiated 42429  
salary schedule for principals based upon performance as described 42430  
in division (D) of this section. 42431

For each teacher or principal hired on or after ~~the effective~~ 42432  
~~date of this section~~ October 1, 2012, the board shall determine 42433  
the teacher's or principal's initial placement on the applicable 42434  
salary schedule based on years of experience and area of licensure 42435  
and any other factors the board considers appropriate. For each 42436  
teacher hired prior to ~~the effective date of this section~~ October 42437  
1, 2012, the board shall initially place the teacher on the 42438  
applicable salary schedule so that the teacher's annual salary on 42439  
the schedule is comparable to the teacher's annual salary for the 42440  
school year immediately prior to the school year covered by the 42441  
schedule. For each principal hired prior to ~~the effective date of~~ 42442  
~~this section~~ October 1, 2012, the board shall initially place the 42443  
principal on the applicable salary schedule consistent with the 42444  
principal's employment contract. 42445

(C) The salary of a teacher shall not be reduced unless such 42446  
reduction is accomplished as part of a negotiated collective 42447  
bargaining agreement. The salary of a principal shall not be 42448  
reduced during the term of the principal's employment contract 42449  
unless such reduction is by mutual agreement of the board and the 42450  
principal or is part of a uniform plan affecting the entire 42451  
district. 42452

(D) For purposes of the schedules, the board shall measure a 42453  
teacher's or principal's performance by considering all of the 42454  
following: 42455

(1) The level of license issued under section 3319.22 of the 42456  
Revised Code that the teacher or principal holds; 42457

(2) Whether the teacher or principal is a highly qualified teacher, as defined in section 3319.074 of the Revised Code; 42458  
42459

(3) Ratings received by the teacher or principal on performance evaluations conducted under section 3311.80 or 3311.84 of the Revised Code; 42460  
42461  
42462

(4) Any specialized training and experience in the assigned position. 42463  
42464

(E) The salary schedules adopted under this section may provide for additional compensation for teachers or principals who perform duties, not contracted for under a supplemental contract, that the board determines warrant additional compensation. Those duties may include, but are not limited to, assignment to a school building eligible for funding under Title I of the "Elementary and Secondary Education Act of 1965," 20 U.S.C. 6301 et seq.; assignment to a building in "school improvement" status under the "No Child Left Behind Act of 2001," as defined in section 3302.01 of the Revised Code; teaching in a grade level or subject area in which the board has determined there is a shortage within the district; assignment to a hard-to-staff school, as determined by the board; or teaching in a school with an extended school day or school year. 42465

42476  
42477  
42478

(F) The chief executive officer of the district, or the chief executive officer's designee, annually shall review the salary of each teacher and principal and make a recommendation to the board. Based on the recommendation, the board may increase a teacher's or principal's salary based on the teacher's or principal's performance and duties as provided for in divisions (D) and (E) of this section. The performance-based increase for a teacher or principal rated as accomplished shall be greater than the performance-based increase for a teacher or principal rated as proficient. Notwithstanding division (C) of this section, division (C) of section 3319.02, and section 3319.12 of the Revised Code, 42479

the board may decrease the teacher's or principal's salary if the 42490  
teacher or principal will perform fewer or different duties 42491  
described in division (E) of this section in the school year for 42492  
which the salary is decreased. 42493

(G) Notwithstanding any provision to the contrary in Chapter 42494  
4117. of the Revised Code, the requirements of this section 42495  
prevail over any conflicting provisions of a collective bargaining 42496  
agreement entered into on or after ~~the effective date of this~~ 42497  
~~section~~ October 1, 2012. However, the board and the teachers' 42498  
labor organization shall negotiate the implementation of the 42499  
differentiated salary schedule for teachers and may negotiate 42500  
additional factors regarding teacher salaries, provided those 42501  
factors are consistent with this section. 42502

(C) Implement any expenditure of funds recommended by the 42523  
advisory council for the region pursuant to section 3312.04 of the 42524  
Revised Code or required by the terms of any performance contract, 42525  
unless there are insufficient funds available to the region to pay 42526  
for the expenditure or the expenditure violates a provision of the 42527  
Revised Code, a rule of the state board of education regarding 42528  
such expenditure, or the terms of a performance contract; 42529

(D) Exercise fiscal oversight of the implementation of state 42530

The commission may reduce the term of any installment payment 42584  
contract entered into under this section on or after the effective 42585  
date of this amendment to three years. 42586

An installment payment contract entered into by a board of 42587  
education under this section shall require the board to contract 42588  
in accordance with division (A) of section 3313.46 of the Revised 42589  
Code for the installation, modification, or remodeling of energy 42590  
conservation measures unless division (A) of section 3313.46 of 42591  
the Revised Code does not apply pursuant to division (B)(3) of 42592  
that section. 42593

(C) The board may issue the notes of the school district 42594  
signed by the president and the treasurer of the board and 42595

and bearing interest at a rate not exceeding the rate determined 42598  
as provided in section 9.95 of the Revised Code. The notes may 42599  
contain an option for prepayment and shall not be subject to 42600  
Chapter 133. of the Revised Code. In the resolution authorizing 42601  
the notes, the board may provide, without the vote of the electors 42602  
of the district, for annually levying and collecting taxes in 42603  
amounts sufficient to pay the interest on and retire the notes, 42604  
except that the total net indebtedness of the district without a 42605  
vote of the electors incurred under this and all other sections of 42606  
the Revised Code, except section 3318.052 of the Revised Code, 42607

Revenues derived from local taxes or otherwise, for the purpose of 42609  
conserving energy or for defraying the current operating expenses 42610

retirement of such notes. The notes may be sold at private sale or 42612  
given to the contractor under the installment payment contract 42613

authorized by division (B) of this section. 42614

(D) Debt incurred under this section shall not be included in 42615  
the calculation of the net indebtedness of a school district under 42616  
section 133.06 of the Revised Code. 42617

(E) No school district board shall enter into an installment 42618  
payment contract under division (B) of this section unless it 42619  
first obtains a report of the costs of the energy conservation 42620  
measures and the savings thereof as described under division (G) 42621  
of section 133.06 of the Revised Code as a requirement for issuing 42622  
energy securities, makes a finding that the amount spent on such 42623  
measures is not likely to exceed the amount of money it would save 42624  
in energy costs and resultant operational and maintenance costs as 42625  
described in that division, except that that finding shall cover 42626  
the ensuing fifteen years, and the Ohio school facilities 42627  
commission determines that the district board's findings are 42628  
reasonable and approves the contract as described in that 42629  
division. 42630

The district board shall monitor the savings and maintain a 42631  
report of those savings, which shall be submitted to the 42632  
commission in the same manner as required by division (G) of 42633  
section 133.06 of the Revised Code in the case of energy 42634  
securities. 42635

limited to, the total number of hours in a school year, length of 42741  
school day, and beginning and end dates of instruction. Each board 42742  
shall publish notice of the hearing in a newspaper of general 42743  
circulation in the district not later than thirty days prior to 42744  
the hearing. 42745

(C) No school operated by a city, exempted village, local, or 42746  
joint vocational school district shall reduce the number of hours 42747  
in each school year that the school is scheduled to be open for 42748  
instruction from the number of hours per year the school was open 42749  
for instruction during the previous school year unless the 42750  
reduction is approved by a resolution adopted by the district 42751  
board of education. Any reduction so approved shall not result in 42752  
fewer hours of instruction per school year than the applicable 42753  
number of hours required under division (A) of this section. 42754

(D) Prior to making any change in the hours or days in which 42755  
a high school under its jurisdiction is open for instruction, the 42756  
board of education of each city, exempted village, and local 42757  
school district shall consider the compatibility of the proposed 42758  
change with the scheduling needs of any joint vocational school 42759  
district in which any of the high school's students are also 42760  
enrolled. The board shall consider the impact of the proposed 42761  
change on student access to the instructional programs offered by 42762  
the joint vocational school district, incentives for students to 42763  
participate in career-technical education, transportation, and the 42764  
timing of graduation. The board shall provide the joint vocational 42765  
school district board with advance notice of the proposed change 42766  
and the two boards shall enter into a written agreement 42767  
prescribing reasonable accommodations to meet the scheduling needs 42768  
of the joint vocational school district prior to implementation of 42769  
the change. 42770

(E) Prior to making any change in the hours or days in which a school under its jurisdiction is open for instruction, the board of education of each city, exempted village, and local school district shall consider the compatibility of the proposed change with the scheduling needs of any community school established under Chapter 3314. of the Revised Code to which the district is required to transport students under sections 3314.09 and 3327.01 of the Revised Code. The board shall consider the impact of the proposed change on student access to the instructional programs offered by the community school, transportation, and the timing of graduation. The board shall provide the sponsor, governing authority, and operator of the community school with advance notice of the proposed change, and the board and the governing authority, or operator if such authority is delegated to the operator, shall enter into a written agreement prescribing reasonable accommodations to meet the scheduling needs of the community school prior to implementation of the change.

(F) Prior to making any change in the hours or days in which the schools under its jurisdiction are open for instruction, the board of education of each city, exempted village, and local school district shall consult with the chartered nonpublic schools to which the district is required to transport students under section 3327.01 of the Revised Code and shall consider the effect of the proposed change on the schedule for transportation of those students to their nonpublic schools. The governing authority of a chartered nonpublic school shall consult with each school district board of education that transports students to the chartered nonpublic school under section 3327.01 of the Revised Code prior to making any change in the hours or days in which the nonpublic school is open for instruction.

(G) The state board of education shall not adopt or enforce any rule or standard that imposes on chartered nonpublic schools

the procedural requirements imposed on school districts by 42803  
divisions (B), (C), (D), and (E) of this section. 42804

Sec. 3313.481. Wherever in Title XXXIII of the Revised Code 42805  
the term "school day" is used, unless otherwise specified, that 42806  
term shall be construed to mean the time during a calendar day 42807  
that a school is open for instruction pursuant to the schedule 42808  
adopted by the board of education of the school district or the 42809  
governing authority of the chartered nonpublic school in 42810  
accordance with section 3313.48 of the Revised Code. 42811

**Sec. 3313.483.** (A) A board of education, upon the adoption of 42812  
a resolution stating that it may be financially unable to open on 42813  
the day or to remain open for instruction on all days set forth in 42814  
its adopted school calendar and pay all obligated expenses, or the 42815  
superintendent of public instruction upon the issuance of written 42816  
notification under division (B) of section 3313.489 of the Revised 42817  
Code, shall request the auditor of state to determine whether such 42818  
situation exists. The auditor shall deliver a copy of each request 42819  
from a board of education to the superintendent of public 42820  
instruction. In the case of a school district not under a fiscal 42821  
emergency pursuant to Chapter 3316. of the Revised Code the 42822  
auditor shall not issue a finding under this section until written 42823  
notification is received from the superintendent pursuant to 42824  
section 3313.487 of the Revised Code. 42825

(B) If the auditor of state finds that the board of education 42826  
has attempted to avail itself to the fullest extent authorized by 42827  
law of all lawful revenue sources available to it except those 42828  
authorized by section 5705.21 of the Revised Code, the auditor 42829  
shall certify that finding to the superintendent of public 42830  
instruction and the state board of education and shall certify the 42831  
operating deficit the district will have at the end of the fiscal 42832  
year if it commences or continues operating its instructional 42833

program in accordance with its adopted school calendar and pays 42834  
all obligated expenses. 42835

(C) No board of education may delay the opening of its 42836  
schools or close its schools for financial reasons. Upon the 42837  
request of the superintendent of public instruction, the attorney 42838  
general shall seek injunctive relief and any other relief required 42839  
to enforce this prohibition in the court of common pleas of 42840  
Franklin county. The court of common pleas of Franklin county has 42841  
exclusive original jurisdiction over all such actions. 42842

(D) Upon the receipt of any certification of an operating 42843  
deficit from the auditor of state, a board of education shall make 42844  
application to a commercial bank, underwriter, or other 42845  
prospective lender or purchaser of its obligations for a loan in 42846  
an amount sufficient to enable the district to open or remain open 42847  
for instruction on all days set forth in its adopted school 42848  
calendar but not to exceed the amount of the deficit certified. 42849

(E)(1) Any board of education that has applied for and been 42850  
denied a loan from a commercial bank, underwriter, or other 42851  
prospective lender or purchaser of its obligations pursuant to 42852  
division (D) of this section shall submit to the superintendent of 42853  
public instruction a plan for implementing reductions in the 42854  
school district's budget; apply for a loan from a commercial bank, 42855  
underwriter, or other prospective lender or purchaser of its 42856  
obligations in an amount not to exceed its certified deficit; and 42857  
provide the superintendent such information as the superintendent 42858  
requires concerning its application for such a loan. The board of 42859  
education of a school district declared to be under a fiscal watch 42860  
pursuant to division (A) of section 3316.03 of the Revised Code 42861  
may, upon approval of the superintendent, utilize the financial 42862  
plan required by section 3316.04 of the Revised Code, or 42863  
applicable parts thereof, as the plan required under this 42864  
division. The board of education of a school district declared to 42865

be under a fiscal emergency pursuant to division (B) of section 42866  
3316.03 of the Revised Code may utilize the financial recovery 42867  
plan for the district, or applicable parts thereof, as the plan 42868  
required under this division. Except for the plan of a school 42869  
district under a fiscal emergency, the superintendent shall 42870  
evaluate, make recommendations concerning, and approve or 42871  
disapprove each plan. When a plan is submitted, the superintendent 42872  
shall immediately notify the members of the general assembly whose 42873  
legislative districts include any or all of the territory of the 42874  
school district submitting the plan. 42875

(2) The superintendent shall submit to the controlling board 42876  
a copy of each plan the superintendent approves, or each plan 42877  
submitted by a district under a fiscal emergency pursuant to 42878  
division (B) of section 3316.03 of the Revised Code, and the 42879  
general terms of each proposed loan, and shall make 42880  
recommendations regarding the plan and whether a proposed loan to 42881  
the board of education should be approved for payment as provided 42882  
in division (E)(3) of this section. The controlling board shall 42883  
approve or disapprove the plan and the proposed loan presented to 42884  
it by the superintendent. In the case of a district not under a 42885  
fiscal emergency pursuant to division (B) of section 3316.03 of 42886  
the Revised Code, the controlling board may require a board of 42887  
education to implement the superintendent's recommendations for 42888  
expenditure reductions or impose other requirements. Loan 42889  
repayments shall be in accordance with a schedule approved by the 42890  
superintendent, except that the principal amount of the loan shall 42891  
be payable in monthly, semiannual, or annual installments of 42892  
principal and interest that are substantially equal principal and 42893  
interest installments. Except as otherwise provided in division 42894  
(E)(2) of this section, repayment shall be made no later than the 42895  
fifteenth day of June of the second fiscal year following the 42896  
approval of the loan. A school district with a certified deficit 42897  
in excess of either twenty-five million dollars or fifteen per 42898

cent of the general fund expenditures of the district during the 42899  
fiscal year shall repay the loan no later than the fifteenth day 42900  
of June of the tenth fiscal year following the approval of the 42901  
loan. In deciding whether to approve or disapprove a proposed 42902  
loan, the controlling board shall consider the deficit certified 42903  
by the auditor of state pursuant to this section. A board of 42904  
education that has an outstanding loan approved pursuant to this 42905  
section with a repayment date of more than two fiscal years after 42906  
the date of approval of such loan may not apply for another loan 42907  
with such a repayment date until the outstanding loan has been 42908  
repaid. 42909

(3) If a board of education has submitted and received 42910  
controlling board approval of a plan and proposed loan in 42911  
accordance with this section, the superintendent of public 42912  
instruction shall report to the controlling board the actual 42913  
amounts loaned to the board of education. Such board of education 42914  
shall request the superintendent to pay any funds the board of 42915  
education would otherwise receive pursuant to Chapter 3306. of the 42916  
Revised Code first directly to the holders of the board of 42917  
education's notes, or an agent thereof, such amounts as are 42918  
specified under the terms of the loan. Such payments shall be made 42919  
only from and to the extent of money appropriated by the general 42920  
assembly for purposes of such sections. No note or other 42921  
obligation of the board of education under the loan constitutes an 42922  
obligation nor a debt or a pledge of the faith, credit, or taxing 42923  
power of the state, and the holder or owner of such note or 42924  
obligation has no right to have taxes levied by the general 42925  
assembly for the payment of such note or obligation, and such note 42926  
or obligation shall contain a statement to that effect. 42927

(4) Pursuant to the terms of such a loan, a board of 42928  
education may issue its notes in anticipation of the collection of 42929  
its voted levies for current expenses or its receipt of such state 42930

funds or both. Such notes shall be issued in accordance with 42931  
division (E) of section 133.10 of the Revised Code and constitute 42932  
Chapter 133. securities to the extent such division and the 42933  
otherwise applicable provisions of Chapter 133. of the Revised 42934  
Code are not inconsistent with this section, provided that in any 42935  
event sections 133.24 and 5705.21 and divisions (A), (B), (C), and 42936  
(E)(2) of section 133.10 of the Revised Code do not apply to such 42937  
notes. 42938

(5) Notwithstanding section 133.36 or 3313.17, any other 42939  
section of the Revised Code, or any other provision of law, a 42940  
board of education that has received a loan under this section may 42941  
not declare bankruptcy, so long as any portion of such loan 42942  
remains unpaid. 42943

(F) Under this section and ~~sections~~ section 3313.4810 ~~and~~ 42944  
~~3313.4811~~, "board of education" or "district board" includes the 42945

Code where such commission chooses to exercise the powers and 42948

~~3313.4811~~ 3313.4810 of the Revised Code in excess of two per cent 42959  
simple interest. The amount of the subsidy shall equal the 42960  
difference between the amount of interest the district paid and 42961

was obligated to pay during the year and the interest that the 42962  
district would have been obligated to pay if the interest rate on 42963  
the loan had been two per cent per year. 42964

**Sec. 3313.488.** (A) Within fifteen days ~~of~~ after the date a 42965

operate an instructional program that meets or exceeds the minimum 42983  
standards of the state board of education and requirements of the 42984  
Revised Code during the current and ensuing fiscal years with the 42985

employment, purchase, or rental contract, give any order involving 42991  
the expenditure of money, or increase any wage or salary schedule 42992  
unless the superintendent of public instruction has approved the 42993

adopted or put into effect without the written approval of the 42998  
superintendent of public instruction is void, and no warrant shall 42999  
be issued in payment of any amount due thereon. 43000

(B) A board of education subject to division (A) of this 43001

the first day of such fiscal year, the date or dates by which such 43008  
expenses must be paid, and such other information as the 43009

budget and accounting practices. If the state board so determines 43037  
and finds that the revenues and expenditures in the fiscal 43038

(D) Any officer, employee, or other person who knowingly 43050  
expends or authorizes the expenditure of any public funds or 43051  
knowingly authorizes or executes any contract, order, or schedule 43052

the superintendent of public instruction shall enforce this 43060  
liability by civil action brought in any court of appropriate 43061  
jurisdiction in the name of and on behalf of the school district. 43062

(E) During each month that a board of education is subject to 43063  
division (A), (B), or (C) of this section, the superintendent of 43064  
public instruction shall submit a report to the speaker of the 43065

the president of the senate. The report shall include 43079  
recommendations to the general assembly for strengthening the 43080  
financial condition of school districts based upon the experiences 43081  
of the superintendent and the state board in exercising their 43082  
powers under this section and sections 3313.483 and 3313.487 of 43083  
the Revised Code. 43084

(F) This section does not apply to a school district declared 43085

of the Revised Code shall be afforded, by the superintendent of 43470  
the school district in which the student is entitled to attend 43471  
school under section 3313.64 or 3313.65 of the Revised Code, the 43472  
opportunity to participate in any extracurricular activity offered 43473  
at the district school to which the student otherwise would be 43474  
assigned during that school year. If more than one school operated 43475  
by the school district serves the student's grade level, as 43476  
determined by the district superintendent based on the student's 43477  
age and academic performance, the student shall be afforded the 43478  
opportunity to participate in extracurricular activities at the 43479  
school to which the student would be assigned by the 43480  
superintendent under section 3319.01 of the Revised Code. If a 43481  
student who is afforded the opportunity to participate in 43482  
extracurricular activities under division (A) of this section 43483  
wishes to participate in an activity that is offered by the 43484  
district, the student shall not participate in that activity at 43485  
another school or school district to which the student is not 43486  
entitled to attend. 43487

(B) The superintendent of any school district may afford any 43488  
student who receives home instruction under division (A)(2) of 43489

section 3321.04 of the Revised Code, and who is not entitled to 43490  
attend school in the district under section 3313.64 or 3313.65 of 43491  
the Revised Code, the opportunity to participate in any 43492  
extracurricular activity offered by a school of the district, if 43493  
the district to which the student is entitled to attend does not 43494  
offer that extracurricular activity. 43495

(C) In order to participate in an extracurricular activity 43496  
under this section, the student shall be of the appropriate age 43497  
and grade level, as determined by the superintendent of the 43498  
district, for the school that offers the extracurricular activity, 43499  
shall fulfill the same nonacademic and financial requirements as 43500  
any other participant, and shall fulfill either of the following 43501  
academic requirements: 43502

(1) If the student received home instruction in the preceding 43503  
grading period, the student shall meet any academic requirements 43504  
established by the state board of education for the continuation 43505  
of home instruction. 43506

(2) If the student did not receive home instruction in the 43507  
preceding grading period, the student's academic performance 43508  
during the preceding grading period shall have met any academic 43509  
standards for eligibility to participate in the program 43510  
established by the school district. 43511

(D) Eligibility for a student who leaves a school district 43512  
mid-year for home instruction shall be determined based on an 43513  
interim academic assessment issued by the district in which the 43514  
student was enrolled based on the student's work while enrolled in 43515  
that district. 43516

(E) Any student who commences home instruction after the 43517  
beginning of a school year and who is, at the time home 43518  
instruction commences, ineligible to participate in an 43519  
extracurricular activity due to failure to meet academic standards 43520

or any other requirements of the district shall not participate in 43521  
the extracurricular activity under this section until the student 43522  
meets the academic requirements established by the state board of 43523  
education for continuation of home instruction as verified by the 43524  
superintendent of the district. No student under this section 43525  
shall be eligible to participate in the same semester in which the 43526  
student was determined ineligible. 43527

(F) No school district shall impose additional rules on a 43528  
student to participate under this section that do not apply to 43529  
other students participating in the same extracurricular activity. 43530  
No district shall impose fees for a student to participate under 43531  
this section that exceed any fees charged to other students 43532  
participating in the same extracurricular activity. 43533

(G) No school district, interscholastic conference, or 43534  
organization that regulates interscholastic conferences or events 43535  
shall require a student who is eligible to participate in 43536  
interscholastic extracurricular activities under this section to 43537  
meet eligibility requirements that conflict with this section. 43538

| Each school shall integrate the study of economics and financial literacy, as expressed in the social studies academic content standards adopted by the state board of education under                                        | 43605<br>43606<br>43607          |

division (A)(1) of section 3301.079 of the Revised Code and the 43608  
academic content standards for financial literacy and 43609  
entrepreneurship adopted under division (A)(2) of that section, 43610  
into one or more existing social studies credits required under 43611  
division (C)(7) of this section, or into the content of another 43612  
class, so that every high school student receives instruction in 43613  
those concepts. In developing the curriculum required by this 43614  
paragraph, schools shall use available public-private partnerships 43615  
and resources and materials that exist in business, industry, and 43616  
through the centers for economics education at institutions of 43617  
higher education in the state. 43618

(8) Five units consisting of one or any combination of 43619  
foreign language, fine arts, business, career-technical education, 43620  
family and consumer sciences, technology, agricultural education, 43621  
a junior reserve officer training corps (JROTC) program approved 43622  
by the congress of the United States under title 10 of the United 43623  
States Code, or English language arts, mathematics, science, or 43624  
social studies courses not otherwise required under division (C) 43625  
of this section. 43626

Ohioans must be prepared to apply increased knowledge and 43627  
skills in the workplace and to adapt their knowledge and skills 43628  
quickly to meet the rapidly changing conditions of the 43629  
twenty-first century. National studies indicate that all high 43630  
school graduates need the same academic foundation, regardless of 43631  
the opportunities they pursue after graduation. The goal of Ohio's 43632  
system of elementary and secondary education is to prepare all 43633  
students for and seamlessly connect all students to success in 43634  
life beyond high school graduation, regardless of whether the next 43635  
step is entering the workforce, beginning an apprenticeship, 43636  
engaging in post-secondary training, serving in the military, or 43637  
pursuing a college degree. 43638

The Ohio core curriculum is the standard expectation for all 43639

students entering ninth grade for the first time at a public or 43640  
chartered nonpublic high school on or after July 1, 2010. A 43641  
student may satisfy this expectation through a variety of methods, 43642  
including, but not limited to, integrated, applied, 43643  
career-technical, and traditional coursework. 43644

Whereas teacher quality is essential for student success in 43645  
completing the Ohio core curriculum, the general assembly shall 43646  
appropriate funds for strategic initiatives designed to strengthen 43647  
schools' capacities to hire and retain highly qualified teachers 43648  
in the subject areas required by the curriculum. Such initiatives 43649  
are expected to require an investment of \$120,000,000 over five 43650  
years. 43651

Stronger coordination between high schools and institutions 43652  
of higher education is necessary to prepare students for more 43653  
challenging academic endeavors and to lessen the need for academic 43654  
remediation in college, thereby reducing the costs of higher 43655  
education for Ohio's students, families, and the state. The state 43656  
board and the chancellor of the Ohio board of regents shall 43657  
develop policies to ensure that only in rare instances will 43658  
students who complete the Ohio core curriculum require academic 43659  
remediation after high school. 43660

School districts, community schools, and chartered nonpublic 43661  
schools shall integrate technology into learning experiences 43662  
across the curriculum in order to maximize efficiency, enhance 43663  
learning, and prepare students for success in the 43664  
technology-driven twenty-first century. Districts and schools 43665  
shall use distance and web-based course delivery as a method of 43666  
providing or augmenting all instruction required under this 43667  
division, including laboratory experience in science. Districts 43668  
and schools shall utilize technology access and electronic 43669  
learning opportunities provided by the ~~eTech-Ohio~~ broadcast 43670  
educational media commission, chancellor, the Ohio learning 43671

network, education technology centers, public television stations, 43672  
and other public and private providers. 43673

(D) Except as provided in division (E) of this section, a 43674  
student who enters ninth grade on or after July 1, 2010, and 43675  
before July 1, 2014, may qualify for graduation from a public or 43676  
chartered nonpublic high school even though the student has not 43677  
completed the Ohio core curriculum prescribed in division (C) of 43678  
this section if all of the following conditions are satisfied: 43679

(1) After the student has attended high school for two years, 43680  
as determined by the school, the student and the student's parent, 43681  
guardian, or custodian sign and file with the school a written 43682  
statement asserting the parent's, guardian's, or custodian's 43683  
consent to the student's graduating without completing the Ohio 43684  
core curriculum and acknowledging that one consequence of not 43685  
completing the Ohio core curriculum is ineligibility to enroll in 43686  
most state universities in Ohio without further coursework. 43687

(2) The student and parent, guardian, or custodian fulfill 43688  
any procedural requirements the school stipulates to ensure the 43689  
student's and parent's, guardian's, or custodian's informed 43690  
consent and to facilitate orderly filing of statements under 43691  
division (D)(1) of this section. 43692

(3) The student and the student's parent, guardian, or 43693  
custodian and a representative of the student's high school 43694  
jointly develop an individual career plan for the student that 43695  
specifies the student matriculating to a two-year degree program, 43696  
acquiring a business and industry credential, or entering an 43697  
apprenticeship. 43698

(4) The student's high school provides counseling and support 43699  
for the student related to the plan developed under division 43700  
(D)(3) of this section during the remainder of the student's high 43701  
school experience. 43702

(5) The student successfully completes, at a minimum, the curriculum prescribed in division (B) of this section.

The department of education, in collaboration with the chancellor, shall analyze student performance data to determine if there are mitigating factors that warrant extending the exception permitted by division (D) of this section to high school classes beyond those entering ninth grade before July 1, 2014. The department shall submit its findings and any recommendations not later than August 1, 2014, to the speaker and minority leader of the house of representatives, the president and minority leader of the senate, the chairpersons and ranking minority members of the standing committees of the house of representatives and the senate that consider education legislation, the state board of education, and the superintendent of public instruction.

(E) Each school district and chartered nonpublic school retains the authority to require an even more rigorous minimum curriculum for high school graduation than specified in division (B) or (C) of this section. A school district board of education, through the adoption of a resolution, or the governing authority of a chartered nonpublic school may stipulate any of the following:

(1) A minimum high school curriculum that requires more than twenty units of academic credit to graduate;

(2) An exception to the district's or school's minimum high school curriculum that is comparable to the exception provided in division (D) of this section but with additional requirements, which may include a requirement that the student successfully complete more than the minimum curriculum prescribed in division (B) of this section;

(3) That no exception comparable to that provided in division (D) of this section is available.

(F) A student enrolled in a dropout prevention and recovery program, which program has received a waiver from the department, may qualify for graduation from high school by successfully completing a competency-based instructional program administered by the dropout prevention and recovery program in lieu of completing the Ohio core curriculum prescribed in division (C) of this section. The department shall grant a waiver to a dropout prevention and recovery program, within sixty days after the program applies for the waiver, if the program meets all of the following conditions:

(1) The program serves only students not younger than sixteen years of age and not older than twenty-one years of age.

(2) The program enrolls students who, at the time of their initial enrollment, either, or both, are at least one grade level behind their cohort age groups or experience crises that significantly interfere with their academic progress such that they are prevented from continuing their traditional programs.

(3) The program requires students to attain at least the applicable score designated for each of the assessments prescribed under division (B)(1) of section 3301.0710 of the Revised Code or, to the extent prescribed by rule of the state board under division (D)(6) of section 3301.0712 of the Revised Code, division (B)(2) of that section.

(4) The program develops an individual career plan for the student that specifies the student's matriculating to a two-year degree program, acquiring a business and industry credential, or entering an apprenticeship.

(5) The program provides counseling and support for the student related to the plan developed under division (F)(4) of this section during the remainder of the student's high school experience.

(6) The program requires the student and the student's parent, guardian, or custodian to sign and file, in accordance with procedural requirements stipulated by the program, a written statement asserting the parent's, guardian's, or custodian's consent to the student's graduating without completing the Ohio core curriculum and acknowledging that one consequence of not completing the Ohio core curriculum is ineligibility to enroll in most state universities in Ohio without further coursework.

(7) Prior to receiving the waiver, the program has submitted to the department an instructional plan that demonstrates how the academic content standards adopted by the state board under section 3301.079 of the Revised Code will be taught and assessed.

If the department does not act either to grant the waiver or to reject the program application for the waiver within sixty days as required under this section, the waiver shall be considered to be granted.

(G) Every high school may permit students below the ninth grade to take advanced work. If a high school so permits, it shall award high school credit for successful completion of the advanced work and shall count such advanced work toward the graduation requirements of division (B) or (C) of this section if the advanced work was both:

(1) Taught by a person who possesses a license or certificate issued under section 3301.071, 3319.22, or 3319.222 of the Revised Code that is valid for teaching high school;

(2) Designated by the board of education of the city, local, or exempted village school district, the board of the cooperative education school district, or the governing authority of the chartered nonpublic school as meeting the high school curriculum requirements.

Each high school shall record on the student's high school

transcript all high school credit awarded under division (G) of 43796  
this section. In addition, if the student completed a seventh- or 43797  
eighth-grade fine arts course described in division (K) of this 43798  
section and the course qualified for high school credit under that 43799  
division, the high school shall record that course on the 43800  
student's high school transcript. 43801

(H) The department shall make its individual academic career 43802  
plan available through its Ohio career information system web site 43803  
for districts and schools to use as a tool for communicating with 43804  
and providing guidance to students and families in selecting high 43805  
school courses. 43806

(I) Units earned in English language arts, mathematics, 43807  
science, and social studies that are delivered through integrated 43808  
academic and career-technical instruction are eligible to meet the 43809  
graduation requirements of division (B) or (C) of this section. 43810

(J) The state board, in consultation with the chancellor, 43811  
shall adopt a statewide plan implementing methods for students to 43812  
earn units of high school credit based on a demonstration of 43813  
subject area competency, instead of or in combination with 43814  
completing hours of classroom instruction. The state board shall 43815  
adopt the plan not later than March 31, 2009, and commence phasing 43816  
in the plan during the 2009-2010 school year. The plan shall 43817  
include a standard method for recording demonstrated proficiency 43818  
on high school transcripts. Each school district and community 43819  
school shall comply with the state board's plan adopted under this 43820  
division and award units of high school credit in accordance with 43821  
the plan. The state board may adopt existing methods for earning 43822  
high school credit based on a demonstration of subject area 43823  
competency as necessary prior to the 2009-2010 school year. 43824

(K) This division does not apply to students who qualify for 43825  
graduation from high school under division (D) or (F) of this 43826  
section, or to students pursuing a career-technical instructional 43827

track as determined by the school district board of education or 43828  
the chartered nonpublic school's governing authority. 43829  
Nevertheless, the general assembly encourages such students to 43830  
consider enrolling in a fine arts course as an elective. 43831

Beginning with students who enter ninth grade for the first 43832  
time on or after July 1, 2010, each student enrolled in a public 43833  
or chartered nonpublic high school shall complete two semesters or 43834  
the equivalent of fine arts to graduate from high school. The 43835  
coursework may be completed in any of grades seven to twelve. Each 43836  
student who completes a fine arts course in grade seven or eight 43837  
may elect to count that course toward the five units of electives 43838  
required for graduation under division (C)(8) of this section, if 43839  
the course satisfied the requirements of division (G) of this 43840  
section. In that case, the high school shall award the student 43841  
high school credit for the course and count the course toward the 43842  
five units required under division (C)(8) of this section. If the 43843  
course in grade seven or eight did not satisfy the requirements of 43844  
division (G) of this section, the high school shall not award the 43845  
student high school credit for the course but shall count the 43846  
course toward the two semesters or the equivalent of fine arts 43847  
required by this division. 43848

(L) Notwithstanding anything to the contrary in this section, 43849  
the board of education of each school district and the governing 43850  
authority of each chartered nonpublic school may adopt a policy to 43851  
excuse from the high school physical education requirement each 43852  
student who, during high school, has participated in 43853  
interscholastic athletics, marching band, or cheerleading for at 43854  
least two full seasons or in the junior reserve officer training 43855  
corps for at least two full school years. If the board or 43856  
authority adopts such a policy, the board or authority shall not 43857  
require the student to complete any physical education course as a 43858  
condition to graduate. However, the student shall be required to 43859

complete one-half unit, consisting of at least sixty hours of 43860  
instruction, in another course of study. In the case of a student 43861  
who has participated in the junior reserve officer training corps 43862  
for at least two full school years, credit received for that 43863  
participation may be used to satisfy the requirement to complete 43864  
one-half unit in another course of study. 43865

(M) It is important that high school students learn and 43866  
understand United States history and the governments of both the 43867  
United States and the state of Ohio. Therefore, beginning with 43868  
students who enter ninth grade for the first time on or after July 43869  
1, 2012, the study of American history and American government 43870  
required by divisions (B)(6) and (C)(6) of this section shall 43871  
include the study of all of the following documents: 43872

(1) The Declaration of Independence; 43873

(2) The Northwest Ordinance; 43874

(3) The Constitution of the United States with emphasis on 43875  
the Bill of Rights; 43876

(4) The Ohio Constitution. 43877

The study of each of the documents prescribed in divisions 43878  
(M)(1) to (4) of this section shall include study of that document 43879  
in its original context. 43880

The study of American history and government required by 43881  
divisions (B)(6) and (C)(6) of this section shall include the 43882  
historical evidence of the role of documents such as the 43883  
Federalist Papers and the Anti-Federalist Papers to firmly 43884  
establish the historical background leading to the establishment 43885  
of the provisions of the Constitution and Bill of Rights. 43886

of this section. 43923

(E) Instruction under this section shall not utilize the 43924  
services of any individual or organization to assist in teaching 43925  
the coursework if that individual or organization endorses student 43926  
nonabstinence from sexual activity as an appropriate or acceptable 43927

(F) Instruction under this section shall not do any of the 43930

abstinence removes all risk. 43946

(G)(1) If a student receives instruction by an individual or 43947

whose parent is employed by an educational service center, in the 44385  
district that serves the location where the parent's job is 44386

first day of the school year and the effective date of any 44390

other school district shall be required to pay tuition for the 44400  
child's attendance in that school district. 44401

The enrollment of a child in a school district under this 44402  
division shall not be denied due to a delay in the school 44403  
district's receipt of any records required under section 3313.672 44404  
of the Revised Code or any other records required for enrollment. 44405

in the district in which the child attended school at the time of 44415  
the parental move for the remainder of the school year and for one 44416  
additional semester or equivalent term. A district board may also 44417  
adopt a policy specifying extenuating circumstances under which a 44418  
student may continue to attend school under division (F)(10) of 44419  
this section for an additional period of time in order to 44420  
successfully complete the high school curriculum for the 44421

grandparent, and does not require special education is entitled to 44427  
attend the schools of the district in which the child's 44428  
grandparent resides, provided that, prior to such attendance in 44429  
any school year, the board of education of the school district in 44430  
which the child's grandparent resides and the board of education 44431  
of the school district in which the child's parent resides enter 44432  
into a written agreement specifying that good cause exists for 44433  
such attendance, describing the nature of this good cause, and 44434  
consenting to such attendance. 44435

In lieu of a consent form signed by a parent, a board of 44436  
education may request the grandparent of a child attending school 44437  
in the district in which the grandparent resides pursuant to 44438  
division (F)(11) of this section to complete any consent form 44439  
required by the district, including any authorization required by 44440  
sections 3313.712, 3313.713, 3313.716, and 3313.718 of the Revised 44441  
Code. Upon request, the grandparent shall complete any consent 44442  
form required by the district. A school district shall not incur 44443  
any liability solely because of its receipt of a consent form from 44444

a grandparent in lieu of a parent. 44445

Division (F)(11) of this section does not create, and shall 44446  
not be construed as creating, a new cause of action or substantive 44447  
legal right against a school district, a member of a board of 44448  
education, or an employee of a school district. This section does 44449  
not affect, and shall not be construed as affecting, any 44450  
immunities from defenses to tort liability created or recognized 44451  
by Chapter 2744. of the Revised Code for a school district, 44452  
member, or employee. 44453

(12) A child under the age of twenty-two years is entitled to 44454  
attend school in a school district other than the district in 44455  
which the child is entitled to attend school under division (B), 44456  
(C), or (E) of this section provided that, prior to such 44457  
attendance in any school year, both of the following occur: 44458

(a) The superintendent of the district in which the child is 44459  
entitled to attend school under division (B), (C), or (E) of this 44460  
section contacts the superintendent of another district for 44461  
purposes of this division; 44462

(b) The superintendents of both districts enter into a 44463  
written agreement that consents to the attendance and specifies 44464  
that the purpose of such attendance is to protect the student's 44465  
physical or mental well-being or to deal with other extenuating 44466  
circumstances deemed appropriate by the superintendents. 44467

While an agreement is in effect under this division for a 44468  
student who is not receiving special education under Chapter 3323. 44469  
of the Revised Code and notwithstanding Chapter 3327. of the 44470  
Revised Code, the board of education of neither school district 44471  
involved in the agreement is required to provide transportation 44472  
for the student to and from the school where the student attends. 44473

A student attending a school of a district pursuant to this 44474  
division shall be allowed to participate in all student 44475

activities, including interscholastic athletics, at the school 44476  
where the student is attending on the same basis as any student 44477  
who has always attended the schools of that district while of 44478  
compulsory school age. 44479

(13) All school districts shall comply with the 44480  
"McKinney-Vento Homeless Assistance Act," 42 U.S.C.A. 11431 et 44481  
seq., for the education of homeless children. Each city, local, 44482  
and exempted village school district shall comply with the 44483  
requirements of that act governing the provision of a free, 44484  
appropriate public education, including public preschool, to each 44485  
homeless child. 44486

When a child loses permanent housing and becomes a homeless 44487  
person, as defined in 42 U.S.C.A. 11481(5), or when a child who is 44488  
such a homeless person changes temporary living arrangements, the 44489  
child's parent or guardian shall have the option of enrolling the 44490  
child in either of the following: 44491

11432(g)(3)(C); 44493

(b) The school that is operated by the school district in 44494  
which the shelter where the child currently resides is located and 44495  
that serves the geographic area in which the shelter is located. 44496

(14) A child under the age of twenty-two years who resides 44497  
with a person other than the child's parent is entitled to attend 44498  
school in the school district in which that person resides if both 44499  
of the following apply: 44500

(a) That person has been appointed, through a military power 44501

Authorization Act for Fiscal Year 1994," 107 Stat. 1674 (1993), 10 44503  
U.S.C. 1044b, or through a comparable document necessary to 44504  
complete a family care plan, as the parent's agent for the care, 44505  
custody, and control of the child while the parent is on active 44506

duty as a member of the national guard or a reserve unit of the 44507  
armed forces of the United States or because the parent is a 44508  
member of the armed forces of the United States and is on a duty 44509  
assignment away from the parent's residence. 44510

(b) The military power of attorney or comparable document 44511  
includes at least the authority to enroll the child in school. 44512

The entitlement to attend school in the district in which the 44513  
parent's agent under the military power of attorney or comparable 44514  
document resides applies until the end of the school year in which 44515  
the military power of attorney or comparable document expires. 44516

(G) A board of education, after approving admission, may 44517  
waive tuition for students who will temporarily reside in the 44518  
district and who are either of the following: 44519

(1) Residents or domiciliaries of a foreign nation who 44520  
request admission as foreign exchange students; 44521

3327.04, and 3327.06 of the Revised Code, a child may attend 44526  
school or participate in a special education program in a school 44527

school in the district under interdistrict open enrollment as 44574

districts and service centers, the superintendent of schools of 45171  
each participating board of education and governing board shall 45172

**Sec. 3314.015.** (A) The department of education shall be 45964  
responsible for the oversight of any and all sponsors of the 45965  
community schools established under this chapter and shall provide 45966  
technical assistance to schools and sponsors in their compliance 45967  
with applicable laws and the terms of the contracts entered into 45968  
under section 3314.03 of the Revised Code and in the development 45969  
and start-up activities of those schools. In carrying out its 45970  
duties under this section, the department shall do all of the 45971  
following: 45972

(1) In providing technical assistance to proposing parties, 45973  
governing authorities, and sponsors, conduct training sessions and 45974  
distribute informational materials; 45975

(2) Approve entities to be sponsors of community schools; 45976

(3) Monitor and evaluate, as required under section 3314.016 45977  
of the Revised Code, the effectiveness of any and all sponsors in 45978  
their oversight of the schools with which they have contracted; 45979

(4) By December thirty-first of each year, issue a report to 45980  
the governor, the speaker of the house of representatives, the 45981  
president of the senate, and the chairpersons of the house and 45982  
senate committees principally responsible for education matters 45983  
regarding the effectiveness of academic programs, operations, and 45984  
legal compliance and of the financial condition of all community 45985  
schools established under this chapter and on the performance of 45986  
community school sponsors; 45987

(5) From time to time, make legislative recommendations to 45988  
the general assembly designed to enhance the operation and 45989  
performance of community schools. 45990

(B)(1) Except as provided in sections 3314.021 and 3314.027 45991  
of the Revised Code, no entity listed in division (C)(1) of 45992

section 3314.02 of the Revised Code shall enter into a preliminary 45993  
agreement under division (C)(2) of section 3314.02 of the Revised 45994  
Code until it has received approval from the department of 45995  
education to sponsor community schools under this chapter and has 45996  
entered into a written agreement with the department regarding the 45997  
manner in which the entity will conduct such sponsorship. The 45998  
department shall adopt in accordance with Chapter 119. of the 45999  
Revised Code rules containing criteria, procedures, and deadlines 46000  
for processing applications for such approval, for oversight of 46001  
sponsors, for notifying a sponsor of noncompliance with applicable 46002  
laws and administrative rules under division (F) of this section, 46003  
for revocation of the approval of sponsors under division (C) of 46004  
this section, and for entering into written agreements with 46005  
sponsors. The rules shall require an entity to submit evidence of 46006  
the entity's ability and willingness to comply with the provisions 46007  
of division (D) of section 3314.03 of the Revised Code. The rules 46008  
also shall require entities approved as sponsors on and after June 46009  
30, 2005, to demonstrate a record of financial responsibility and 46010  
successful implementation of educational programs. If an entity 46011  
seeking approval on or after June 30, 2005, to sponsor community 46012  
schools in this state sponsors or operates schools in another 46013  
state, at least one of the schools sponsored or operated by the 46014  
entity must be comparable to or better than the performance of 46015  
Ohio schools in need of continuous improvement under section 46016  
3302.03 of the Revised Code, as determined by the department. 46017

Subject to section 3314.016 of the Revised Code, an entity 46018  
that sponsors community schools may enter into preliminary 46019  
agreements and sponsor up to one hundred schools, provided each 46020  
school and the contract for sponsorship meets the requirements of 46021  
this chapter. 46022

(2) The state board of education shall determine, pursuant to 46023  
criteria specified in rules adopted in accordance with Chapter 46024

119. of the Revised Code, whether the mission proposed to be 46025  
specified in the contract of a community school to be sponsored by 46026  
a state university board of trustees or the board's designee under 46027  
division (C)(1)(e) of section 3314.02 of the Revised Code complies 46028  
with the requirements of that division. Such determination of the 46029  
state board is final. 46030

(3) The state board of education shall determine, pursuant to 46031  
criteria specified in rules adopted in accordance with Chapter 46032  
119. of the Revised Code, if any tax-exempt entity under section 46033  
501(c)(3) of the Internal Revenue Code that is proposed to be a 46034  
sponsor of a community school is an education-oriented entity for 46035  
purpose of satisfying the condition prescribed in division 46036  
(C)(1)(f)(iii) of section 3314.02 of the Revised Code. Such 46037  
determination of the state board is final. 46038

(C) If at any time the state board of education finds that a 46039  
sponsor is not in compliance or is no longer willing to comply 46040  
with its contract with any community school or with the 46041  
department's rules for sponsorship, the state board or designee 46042  
shall conduct a hearing in accordance with Chapter 119. of the 46043  
Revised Code on that matter. If after the hearing, the state board 46044  
or designee has confirmed the original finding, the department of 46045  
education may revoke the sponsor's approval to sponsor community 46046  
schools. In that case, the department's office of Ohio school 46047  
sponsorship, established under section 3314.029 of the Revised 46048  
Code, may assume the sponsorship of any schools with which the 46049  
sponsor has contracted until the earlier of the expiration of two 46050  
school years or until a new sponsor as described in division 46051  
(C)(1) of section 3314.02 of the Revised Code is secured by the 46052  
school's governing authority. The office of Ohio school 46053  
sponsorship may extend the term of the contract in the case of a 46054  
school for which it has assumed sponsorship under this division as 46055  
necessary to accommodate the term of the department's 46056

authorization to sponsor the school specified in this division. 46057  
Community schools sponsored under this division shall not apply to 46058  
the limit on directly authorized community schools under division 46059  
(A)(3) of section 3314.029 of the Revised Code. However, nothing 46060  
in this division shall preclude a community school affected by 46061  
this division from applying for sponsorship under that section. 46062

(D) The decision of the department to disapprove an entity 46063  
for sponsorship of a community school or to revoke approval for 46064  
such sponsorship under division (C) of this section, may be 46065  
appealed by the entity in accordance with section 119.12 of the 46066  
Revised Code. 46067

(E) The department shall adopt procedures for use by a 46068  
community school governing authority and sponsor when the school 46069  
permanently closes and ceases operation, which shall include at 46070  
least procedures for data reporting to the department, handling of 46071  
student records, distribution of assets in accordance with section 46072  
3314.074 of the Revised Code, and other matters related to ceasing 46073  
operation of the school. 46074

(F)(1) In lieu of revoking a sponsor's authority to sponsor 46075  
community schools under division (C) of this section, if the 46076  
department finds that a sponsor is not in compliance with 46077  
applicable laws and administrative rules, the department shall 46078  
declare in a written notice to the sponsor the specific laws or 46079  
rules, or both, for which the sponsor is noncompliant. A sponsor 46080  
notified under division (F)(1) of this section shall respond to 46081  
the department not later than fourteen days after the notification 46082  
with a plan to remedy the conditions for which the sponsor was 46083  
found to be noncompliant. Not later than sixty days after 46084  
receiving a notification of noncompliance from the department, the 46085  
sponsor shall implement the compliance plan. If a sponsor does not 46086  
respond to the department or implement a compliance plan by the 46087  
deadlines prescribed by division (F)(1) of this section, the 46088

department shall declare in written notice to the school that the sponsor is in probationary status, and may limit the sponsor's ability to sponsor additional schools. 46089  
46090  
46091

(2) A sponsor that has been placed on probationary status under division (F)(1) of this section may apply to the department for its probationary status to be lifted. The application for a sponsor's probationary status to be lifted shall include evidence, occurring after the initial notification of noncompliance, of the sponsor's compliance with applicable laws and administrative rules. Not later than fourteen days after receiving an application from the sponsor, the department shall decide whether or not to remove the sponsor's probationary status. 46092  
46093  
46094  
46095  
46096  
46097  
46098  
46099  
46100

(G) In carrying out its duties under this chapter, the department shall not impose requirements on community schools or their sponsors that are not permitted by law or duly adopted rules. 46101  
46102  
46103  
46104

(H) This section applies to entities that sponsor conversion community schools and new start-up schools. 46105  
46106

**Sec. 3314.017.** (A) The state board of education shall 46107  
prescribe by rules, adopted in accordance with Chapter 119. of the 46108  
Revised Code, an academic performance rating and report card 46109  
system that satisfies the requirements of this section for 46110  
community schools that primarily serve students enrolled in 46111  
dropout prevention and recovery programs as described in division 46112  
(A)(4)(a) of section 3314.35 of the Revised Code, to be used in 46113  
lieu of the system prescribed under sections 3302.03 and 3314.012 46114  
of the Revised Code beginning with the 2012-2013 school year. Each 46115  
such school shall comply with the testing and reporting 46116  
requirements of the system as prescribed by the state board. 46117

(B) Nothing in this section shall at any time relieve a 46118  
school from its obligations under the "No Child Left Behind Act of 46119

2001" to make "adequate yearly progress," as both that act and 46120  
that term are defined in section 3302.01 of the Revised Code, or a 46121  
school's amenability to the provisions of section 3302.04 or 46122  
3302.041 of the Revised Code. The department shall continue to 46123  
report each school's performance as required by the act and to 46124  
enforce applicable sanctions under section 3302.04 or 3302.041 of 46125  
the Revised Code. 46126

(C) The rules adopted by the state board shall prescribe the 46127  
following performance indicators for the rating and report card 46128  
system required by this section: 46129

(1) Graduation rate for each of the following student 46130  
cohorts: 46131

students who form the adjusted cohort for the graduating class; 46134

(b) The number of students who graduate in five years with a 46135  
regular high school diploma divided by the number of students who 46136  
form the adjusted cohort for the four-year graduation rate; 46137

(c) The number of students who graduate in six years with a 46138  
regular high school diploma divided by the number of students who 46139  
form the adjusted cohort for the four-year graduation rate; 46140

(d) The number of students who graduate in seven years with a 46141  
regular high school diploma divided by the number of students who 46142  
form the adjusted cohort for the four-year graduation rate; 46143

(e) The number of students who graduate in eight years with a 46144  
regular high school diploma divided by the number of students who 46145  
form the adjusted cohort for the four-year graduation rate. 46146

(2) The percentage of twelfth-grade students currently 46147  
enrolled in the school who have attained the designated passing 46148  
score on all of the applicable state high school achievement 46149

assessments required under division (B)(1) or (2) of section 46150  
3301.0710 of the Revised Code and other students enrolled in the 46151

approved by the state board. 46162

(D)(1) The state board's rules shall prescribe the expected 46163  
performance levels and benchmarks for each of the indicators 46164  
prescribed by division (C) of this section based on the data 46165  
gathered by the department under division (F) of this section. 46166  
Based on a school's level of attainment or nonattainment of the 46167  
expected performance levels and benchmarks for each of the 46168  
indicators, the department shall rate each school in one of the 46169  
following categories: 46170

of "C" for both the performance index score under division 46757  
(A)(1)(b) or (B)(1)(b) and the value-added dimension under 46758  
division (A)(1)(e) or (B)(1)(e) of section 3302.03 of the Revised 46759  
Code; or if the building serves only grades ten through twelve, 46760

score under division (A)(1)(b) or (B)(1)(b) of section 3302.03 of 46762

the Revised Code; 46763

section, the school does not offer the same grade level classrooms 46776  
in both facilities; and 46777

(c) Transportation between the two facilities does not 46778  
require more than thirty minutes of direct travel time as measured 46779  
by school bus. 46780

In the case of a community school to which division (B)(3) of 46781  
this section applies, if only one of the school districts in which 46782  
the school is established is a challenged school district, that 46783  
district shall be considered the school's primary location and the 46784  
district in which the school is located for the purposes of 46785  
division (A)(19) of section 3314.03 and divisions (C) and (H) of 46786  
section 3314.06 of the Revised Code and for all other purposes of 46787  
this chapter. If both of the school districts in which the school 46788  
is established are challenged school districts, the school's 46789  
governing authority shall designate one of those districts to be 46790  
considered the school's primary location and the district in which 46791  
the school is located for the purposes of those divisions and all 46792  
other purposes of this chapter and shall notify the department of 46793

education of that designation. 46794

(4) A community school may be located in multiple facilities 46795  
under the same contract and, notwithstanding division (B)(1) of 46796  
this section, may assign students in the same grade level to 46797  
multiple facilities, as long as both of the following apply: 46798

(i) The community school is sponsored by a board of education 46801  
of a city, local, or exempted village school district having 46802  
territory in the same county where the facilities of the community 46803  
school are located; 46804

(ii) The community school is managed by an operator. 46805

In the case of a community school to which division (B)(4) of 46806  
this section applies and that maintains facilities in more than 46807

designate one of those districts to be considered the school's 46809  
primary location and the district in which the school is located 46810  
for the purposes of division (A)(19) of section 3314.03 and 46811  
divisions (C) and (H) of section 3314.06 of the Revised Code and 46812  
for all other purposes of this chapter and shall notify the 46813  
department of that designation. 46814

(5) Any facility used for a community school shall meet all 46815  
health and safety standards established by law for school 46816

located in a facility owned by a school district or educational 46819  
service center, the facility may not be used for such community 46820  
school unless the district or service center board owning the 46821  
facility enters into an agreement for the community school to 46822  
utilize the facility. Use of the facility may be under any terms 46823

and conditions agreed to by the district or service center board 46824  
and the school. 46825

(D) Two or more separate community schools may be located in 46826  
the same facility. 46827

(E) In the case of a community school that is located in 46828  
multiple facilities, beginning July 1, 2012, the department shall 46829  
assign a unique identification number to the school and to each 46830  
facility maintained by the school. Each number shall be used for 46831  
identification purposes only. Nothing in this division shall be 46832  
construed to require the department to calculate the amount of 46833  
funds paid under this chapter, or to compute any data required for 46834  
the report cards issued under section 3314.012 of the Revised 46835  
Code, for each facility separately. The department shall make all 46836  
such calculations or computations for the school as a whole. 46837

**Sec. 3314.06.** The governing authority of each community 46838  
school established under this chapter shall adopt admission 46839  
procedures that specify the following: 46840

(A) That, except as otherwise provided in this section, 46841  
admission to the school shall be open to any individual age five 46842  
to twenty-two entitled to attend school pursuant to section 46843  
3313.64 or 3313.65 of the Revised Code in a school district in the 46844  
state. 46845

Additionally, except as otherwise provided in this section, 46846  
admission to the school may be open on a tuition basis to any 46847  
individual age five to twenty-two who is not a resident of this 46848  
state. The school shall not receive state funds under section 46849  
3314.08 of the Revised Code for any student who is not a resident 46850  
of this state. 46851

An individual younger than five years of age may be admitted 46852  
to the school in accordance with division (A)(2) of section 46853

3321.01 of the Revised Code. 46854

(B)(1) That admission to the school may be limited to 46855  
students who have attained a specific grade level or are within a 46856  
specific age group; to students that meet a definition of 46857  
"at-risk," as defined in the contract; to residents of a specific 46858  
geographic area within the district, as defined in the contract; 46859  
or to separate groups of autistic students and nondisabled 46860  
students, as authorized in section 3314.061 of the Revised Code 46861  
and as defined in the contract. 46862

(2) For purposes of division (B)(1) of this section, 46863  
"at-risk" students may include those students identified as gifted 46864  
students under section 3324.03 of the Revised Code. 46865

(C) Whether enrollment is limited to students who reside in 46866  
the district in which the school is located or is open to 46867  
residents of other districts, as provided in the policy adopted 46868  
pursuant to the contract. 46869

(D)(1) That there will be no discrimination in the admission 46870  
of students to the school on the basis of race, creed, color, 46871  
disability, or sex except that: 46872

(a) The governing authority may do either of the following 46873  
for the purpose described in division (G) of this section: 46874

(i) Establish a single-gender school for either sex; 46875

(ii) Establish single-gender schools for each sex under the 46876  
same contract, provided substantially equal facilities and 46877  
learning opportunities are offered for both boys and girls. Such 46878  
facilities and opportunities may be offered for each sex at 46879  
separate locations. 46880

(b) The governing authority may establish a school that 46881  
simultaneously serves a group of students identified as autistic 46882  
and a group of students who are not disabled, as authorized in 46883

section 3314.061 of the Revised Code. However, unless the total 46884  
capacity established for the school has been filled, no student 46885  
with any disability shall be denied admission on the basis of that 46886  
disability. 46887

(2) That upon admission of any student with a disability, the 46888  
community school will comply with all federal and state laws 46889  
regarding the education of students with disabilities. 46890

(E) That the school may not limit admission to students on 46891  
the basis of intellectual ability, measures of achievement or 46892  
aptitude, or athletic ability, except that a school may limit its 46893  
enrollment to students as described in division (B) of this 46894  
section. 46895

(F) That the community school will admit the number of 46896  
students that does not exceed the capacity of the school's 46897  
programs, classes, grade levels, or facilities. 46898

(G) That the purpose of single-gender schools that are 46899  
established shall be to take advantage of the academic benefits 46900  
some students realize from single-gender instruction and 46901  
facilities and to offer students and parents residing in the 46902  
district the option of a single-gender education. 46903

(H) That, except as otherwise provided under division (B) of 46904  
this section or section 3314.061 of the Revised Code, if the 46905  
number of applicants exceeds the capacity restrictions of division 46906  
(F) of this section, students shall be admitted by lot from all 46907  
those submitting applications, except preference shall be given to 46908  
students attending the school the previous year and to students 46909  
who reside in the district in which the school is located. 46910  
Preference may be given to siblings of students attending the 46911  
school the previous year. 46912

Notwithstanding divisions (A) to (H) of this section, in the 46913  
event the racial composition of the enrollment of the community 46914

school is violative of a federal desegregation order, the 46915  
community school shall take any and all corrective measures to 46916  
comply with the desegregation order. 46917

**Sec. 3314.072.** The provisions of this section are enacted to 46918  
promote the public health, safety, and welfare by establishing 46919  
procedures under which the governing authorities of community 46920  
schools established under this chapter will be held accountable 46921  
for their compliance with the terms of the contracts they enter 46922  
into with their school's sponsors and the law relating to the 46923  
school's operation. Suspension of the operation of a school 46924  
imposed under this section is intended to encourage the governing 46925  
authority's compliance with the terms of the school's contract and 46926  
the law and is not intended to be an alteration of the terms of 46927  
that contract. 46928

(A) If a sponsor of a community school established under this 46929  
chapter suspends the operation of that school pursuant to 46930  
procedures set forth in this section, the governing authority 46931  
shall not operate that school while the suspension is in effect. 46932  
Any such suspension shall remain in effect until the sponsor 46933  
notifies the governing authority that it is no longer in effect. 46934  
The contract of a school of which operation is suspended under 46935  
this section also may be subject to termination or nonrenewal 46936  
under section 3314.07 of the Revised Code. 46937

(B) If at any time conditions at the school do not comply 46938  
with a health and safety standard established by law for school 46939  
buildings, the sponsor shall immediately suspend the operation of 46940  
the school pursuant to procedures set forth in division (D) of 46941  
this section. If the sponsor fails to take action to suspend the 46942  
operation of a school to which this division applies, the 46943  
department of education may take such action. 46944

(C)(1) For any of the reasons prescribed in division 46945

(B)(1)(a) to (d) of section 3314.07 of the Revised Code, the 46946  
sponsor of a community school established under this chapter may 46947  
suspend the operation of the school only if it first issues to the 46948  
governing authority notice of the sponsor's intent to suspend the 46949  
operation of the contract. Such notice shall explain the reasons 46950  
for the sponsor's intent to suspend operation of the contract and 46951  
shall provide the school's governing authority with five business 46952  
days to submit to the sponsor a proposal to remedy the conditions 46953  
cited as reasons for the suspension. 46954

(2) The sponsor shall promptly review any proposed remedy 46955  
timely submitted by the governing authority and either approve or 46956  
disapprove the remedy. If the sponsor disapproves the remedy 46957  
proposed by the governing authority, if the governing authority 46958  
fails to submit a proposed remedy in the manner prescribed by the 46959  
sponsor, or if the governing authority fails to implement the 46960  
remedy as approved by the sponsor, the sponsor may suspend 46961  
operation of the school pursuant to procedures set forth in 46962  
division (D) of this section. 46963

(D)(1) If division (B) of this section applies or if the 46964  
sponsor of a community school established under this chapter 46965  
decides to suspend the operation of a school as permitted in 46966  
division (C)(2) of this section, the sponsor shall promptly send 46967  
written notice to the governing authority stating that the 46968  
operation of the school is immediately suspended, and explaining 46969  
the specific reasons for the suspension. The notice shall state 46970  
that the governing authority has five business days to submit a 46971  
proposed remedy to the conditions cited as reasons for the 46972  
suspension or face potential contract termination. 46973

(2) Upon receipt of the notice of suspension prescribed under 46974  
division (D)(1) of this section, the governing authority shall 46975  
immediately notify the employees of the school and the parents of 46976  
the students enrolled in the school of the suspension and the 46977

reasons therefore, and shall cease all school operations on the 46978  
next business day. 46979

(E) If the sponsor of a community school suspends the 46980  
operation of that school pursuant to procedures set forth in this 46981  
section, the school's contract with the sponsor under section 46982  
3314.03 of the Revised Code shall become void, if the governing 46983  
authority of the school fails to provide a proposal to remedy the 46984  
conditions cited by the sponsor as reasons for the suspension, to 46985  
the satisfaction of the sponsor, by the thirtieth day of September 46986  
of the school year immediately following the school year in which 46987  
the operation of school was suspended. 46988

**Sec. 3314.074.** Divisions (A) and (B) of this section apply 46989  
only to the extent permitted under Chapter 1702. of the Revised 46990  
Code. 46991

(A) If any community school established under this chapter 46992  
permanently closes and ceases its operation as a community school, 46993  
the assets of that school shall be distributed first to the 46994  
retirement funds of employees of the school, employees of the 46995  
school, and private creditors who are owed compensation, and then 46996  
any remaining funds shall be paid to the department of education 46997  
for redistribution to the school districts in which the students 46998  
who were enrolled in the school at the time it ceased operation 46999  
were entitled to attend school under section 3313.64 or 3313.65 of 47000  
the Revised Code. The amount distributed to each school district 47001  
shall be proportional to the district's share of the total 47002  
enrollment in the community school. 47003

(B) If a community school closes and ceases to operate as a 47004  
community school and the school has received computer hardware or 47005  
software from the former Ohio SchoolNet commission or the former 47006  
eTech Ohio commission, such hardware or software shall be ~~returned~~ 47007  
turned over to the ~~eTech Ohio commission~~ department of education, 47008

possible, to school districts in conformance with the provisions 47011  
of the programs as they were operated and administered by the 47012  
former eTech Ohio commission. 47013

(C) If the assets of the school are insufficient to pay all 47014  
persons or entities to whom compensation is owed, the 47015  
prioritization of the distribution of the assets to individual 47016  
persons or entities within each class of payees may be determined 47017  
by decree of a court in accordance with this section and Chapter 47018  
1702. of the Revised Code. 47019

determination and no later than ninety days after submission of 47614  
the list by the community school, the department shall report to 47615

~~of the Revised Code~~. For purposes of this section ~~and section~~ 47634  
~~3314.13 of the Revised Code~~: 47635

(1) A student shall be considered enrolled in the community 47636  
school for any portion of the school year the student is 47637  
participating at a college under Chapter 3365. of the Revised 47638  
Code. 47639

(2) A student shall be considered to be enrolled in a 47640  
community school for the period of time beginning on the later of 47641  
the date on which the school both has received documentation of 47642  
the student's enrollment from a parent and the student has 47643  
commenced participation in learning opportunities as defined in 47644  
the contract with the sponsor, or thirty days prior to the date on 47645  
which the student is entered into the education management 47646  
information system established under section 3301.0714 of the 47647  
Revised Code. For purposes of applying this division and divisions 47648  
~~(L)~~(H)(3) and (4) of this section to a community school student, 47649  
"learning opportunities" shall be defined in the contract, which 47650  
shall describe both classroom-based and non-classroom-based 47651  
learning opportunities and shall be in compliance with criteria 47652  
and documentation requirements for student participation which 47653  
shall be established by the department. Any student's instruction 47654  
time in non-classroom-based learning opportunities shall be 47655  
certified by an employee of the community school. A student's 47656  
enrollment shall be considered to cease on the date on which any 47657  
of the following occur: 47658

(a) The community school receives documentation from a parent 47659  
terminating enrollment of the student. 47660

(b) The community school is provided documentation of a 47661  
student's enrollment in another public or private school. 47662

(c) The community school ceases to offer learning 47663  
opportunities to the student pursuant to the terms of the contract 47664  
with the sponsor or the operation of any provision of this 47665  
chapter. 47666

Except as otherwise specified in this paragraph, beginning in 47667  
the 2011-2012 school year, any student who completed the prior 47668  
school year in an internet- or computer-based community school 47669  
shall be considered to be enrolled in the same school in the 47670  
subsequent school year until the student's enrollment has ceased 47671  
as specified in division ~~(L)~~(H)(2) of this section. The department 47672  
shall continue subtracting and paying amounts for the student 47673  
under ~~divisions~~ division (C) and ~~(D)~~ of this section without 47674  
interruption at the start of the subsequent school year. However, 47675  
if the student without a legitimate excuse fails to participate in 47676  
the first one hundred five consecutive hours of learning 47677  
opportunities offered to the student in that subsequent school 47678  
year, the student shall be considered not to have re-enrolled in 47679  
the school for that school year and the department shall 47680  
recalculate the payments to the school for that school year to 47681  
account for the fact that the student is not enrolled. 47682

(3) The department shall determine each community school 47683  
student's percentage of full-time equivalency based on the 47684  
percentage of learning opportunities offered by the community 47685  
school to that student, reported either as number of hours or 47686  
number of days, is of the total learning opportunities offered by 47687  
the community school to a student who attends for the school's 47688  
entire school year. However, no internet- or computer-based 47689  
community school shall be credited for any time a student spends 47690

participating in learning opportunities beyond ten hours within 47691  
any period of twenty-four consecutive hours. Whether it reports 47692  
hours or days of learning opportunities, each community school 47693  
shall offer not less than nine hundred twenty hours of learning 47694  
opportunities during the school year. 47695

(4) With respect to the calculation of full-time equivalency 47696  
under division ~~(L)~~(H)(3) of this section, the department shall 47697  
waive the number of hours or days of learning opportunities not 47698  
offered to a student because the community school was closed 47699  
during the school year due to disease epidemic, hazardous weather 47700  
conditions, law enforcement emergencies, inoperability of school 47701  
buses or other equipment necessary to the school's operation, 47702  
damage to a school building, or other temporary circumstances due 47703  
to utility failure rendering the school building unfit for school 47704  
use, so long as the school was actually open for instruction with 47705  
students in attendance during that school year for not less than 47706  
the minimum number of hours required by this chapter. The 47707  
department shall treat the school as if it were open for 47708  
instruction with students in attendance during the hours or days 47709  
waived under this division. 47710

~~(M)~~(I) The department of education shall reduce the amounts 47711  
paid under ~~division (D)~~ of this section to reflect payments made 47712  
to colleges under division (B) of section 3365.07 of the Revised 47713  
Code or through alternative funding agreements entered into under 47714  
rules adopted under section 3365.12 of the Revised Code. 47715

~~(N)~~(J)(1) No student shall be considered enrolled in any 47716  
internet- or computer-based community school or, if applicable to 47717  
the student, in any community school that is required to provide 47718  
the student with a computer pursuant to division (C) of section 47719  
3314.22 of the Revised Code, unless both of the following 47720  
conditions are satisfied: 47721

(a) The student possesses or has been provided with all 47722

required hardware and software materials and all such materials 47723  
are operational so that the student is capable of fully 47724  
participating in the learning opportunities specified in the 47725  
contract between the school and the school's sponsor as required 47726  
by division (A)(23) of section 3314.03 of the Revised Code; 47727

(b) The school is in compliance with division (A) of section 47728  
3314.22 of the Revised Code, relative to such student. 47729

(2) In accordance with policies adopted jointly by the 47730  
superintendent of public instruction and the auditor of state, the 47731  
department shall reduce the amounts otherwise payable under 47732  
division ~~(D)~~(C) of this section to any community school that 47733  
includes in its program the provision of computer hardware and 47734  
software materials to any student, if such hardware and software 47735  
materials have not been delivered, installed, and activated for 47736  
each such student in a timely manner or other educational 47737  
materials or services have not been provided according to the 47738  
contract between the individual community school and its sponsor. 47739

The superintendent of public instruction and the auditor of 47740  
state shall jointly establish a method for auditing any community 47741  
school to which this division pertains to ensure compliance with 47742  
this section. 47743

The superintendent, auditor of state, and the governor shall 47744  
jointly make recommendations to the general assembly for 47745  
legislative changes that may be required to assure fiscal and 47746  
academic accountability for such schools. 47747

~~(O)~~(K)(1) If the department determines that a review of a 47748  
community school's enrollment is necessary, such review shall be 47749  
completed and written notice of the findings shall be provided to 47750  
the governing authority of the community school and its sponsor 47751  
within ninety days of the end of the community school's fiscal 47752  
year, unless extended for a period not to exceed thirty additional 47753

days for one of the following reasons: 47754

(a) The department and the community school mutually agree to 47755  
the extension. 47756

(b) Delays in data submission caused by either a community 47757  
school or its sponsor. 47758

(2) If the review results in a finding that additional 47759  
funding is owed to the school, such payment shall be made within 47760  
thirty days of the written notice. If the review results in a 47761  
finding that the community school owes moneys to the state, the 47762  
following procedure shall apply: 47763

(a) Within ten business days of the receipt of the notice of 47764  
findings, the community school may appeal the department's 47765  
determination to the state board of education or its designee. 47766

(b) The board or its designee shall conduct an informal 47767  
hearing on the matter within thirty days of receipt of such an 47768  
appeal and shall issue a decision within fifteen days of the 47769  
conclusion of the hearing. 47770

(c) If the board has enlisted a designee to conduct the 47771  
hearing, the designee shall certify its decision to the board. The 47772  
board may accept the decision of the designee or may reject the 47773  
decision of the designee and issue its own decision on the matter. 47774

(d) Any decision made by the board under this division is 47775  
final. 47776

(3) If it is decided that the community school owes moneys to 47777  
the state, the department shall deduct such amount from the 47778  
school's future payments in accordance with guidelines issued by 47779  
the superintendent of public instruction. 47780

~~(P)~~(L) The department shall not subtract from a school 47781

education and related services to a student with a disability who 47821  
is enrolled in a community school, as calculated under division 47822  
~~(G)(2)(C)(1)~~ of that section, the department shall deduct the 47823

the community school under section 3314.08 of the Revised Code. 47825

**Sec. 3314.084.** (A) As used in this section: 47826

Revised Code. 47830

(3) "School district of residence" has the same meaning as in 47831  
section 3323.01 of the Revised Code; however, a community school 47832  
established under this chapter is not a "school district of 47833  
residence" for purposes of this section. 47834

(B) Notwithstanding anything to the contrary in section 47835  
3314.08 or 3317.03 of the Revised Code, all of the following apply 47836  
in the case of a child who is enrolled in a community school and 47837  
is also living in a home: 47838

(1) For purposes of the report required under division (B)(1) 47839  
of section 3314.08 of the Revised Code, the child's school 47840  
district of residence, and not the school district in which the 47841  
home that the child is living in is located, shall be considered 47842  
to be the school district in which the child is entitled to attend 47843

school. That school district of residence, therefore, shall make 47844  
the report required under division (B)(1) of section 3314.08 of 47845  
the Revised Code with respect to the child. 47846

(2) For purposes of the report required under division (B)(2) 47847

section 3314.08 ~~and division (D) of section 3314.13~~ of the Revised 47857  
Code from the child's school district of residence and shall not 47858  
deduct those amounts from the school district in which the home 47859  
that the child is living in is located. 47860

(6) The ~~Department~~ department shall make the payments 47861  
prescribed in ~~divisions (D) and (E)~~ division (C) of section 47862  
3314.08 ~~and section 3314.13~~ of the Revised Code, as applicable, to 47863  
the community school. 47864

Sec. 3314.086. A community school established under this 47865  
chapter, including an internet- or computer-based community 47866  
school, may provide career-technical education in the manner 47867  
prescribed by section 3313.90 of the Revised Code. The community 47868  
school may contract with any public agency, board, or bureau or 47869  
with any private individual or firm for the purchase of any 47870  
career-technical education or vocational rehabilitation service 47871  
for any student enrolled in the community school and may pay for 47872  
such services with funds received under section 3314.08 of the 47873

Revised Code. 47874

**Sec. 3314.087.** (A) As used in this section: 47875

(1) "Career-technical program" means ~~vocational~~ 47876  
career-technical programs or classes described in division (A) ~~or,~~ 47877

which a student is enrolled. 47879

(2) "Formula ADM," "category one ~~or two vocational~~ through 47880  
five career-technical education ADM," and "FTE basis" have the 47881  
same meanings as in section 3317.02 of the Revised Code. 47882

(3) "Resident school district" means the city, exempted 47883  
village, or local school district in which a student is entitled 47884  
to attend school under section 3313.64 or 3313.65 of the Revised 47885  
Code. 47886

(B) Notwithstanding anything to the contrary in this chapter 47887  
or Chapter 3317. of the Revised Code, a student enrolled in a 47888  
community school may simultaneously enroll in the career-technical 47889  
program operated by the student's resident school district. On an 47890  
FTE basis, the student's resident school district shall count the 47891  
student in the category one ~~or two vocational~~ through five 47892  
career-technical education ADM for the proportion of the time the 47893  
student is enrolled in the district's career-technical program 47894  
and, accordingly, the department of education shall calculate 47895  
funds under Chapter 3317. for the district attributable to the 47896  
student for the proportion of time the student attends the 47897  
career-technical program. The community school shall count the 47898  
student in its enrollment report under section 3314.08 of the 47899  
Revised Code and shall report to the department the proportion of 47900  
time that the student attends classes at the community school. The 47901  
department shall pay the community school and deduct from the 47902  
student's resident school district the amount computed for the 47903

student under section 3314.08 of the Revised Code in proportion to 47904  
the fraction of the time on an FTE basis that the student attends 47905  
classes at the community school. "Full-time equivalency" for a 47906  
community school student, as defined in division ~~(L)~~(H) of section 47907  
3314.08 of the Revised Code, does not apply to the student. 47908

**Sec. 3314.09.** (A) As used in this section and section 47909  
3314.091 of the Revised Code, "native student" means a student 47910

3313.64 or 3313.65 of the Revised Code. 47912

(B) Except as provided in section 3314.091 or 3327.02 of the 47913  
Revised Code, the board of education of each city, local, and 47914  
exempted village school district shall provide transportation to 47915  
and from school for its ~~district's~~ native students in accordance 47916  
with section 3327.01 of the Revised Code. 47917

**Sec. 3314.091.** ~~(A)~~ A student who attends a community school 47918  
that provides or arranges for transporting students pursuant to 47919  
this section, or the student's parent or guardian, is not eligible 47920  
for the subsidy prescribed by section 3327.02 of the Revised Code. 47921

(A) A school district is not required to provide 47922  
transportation for any native student enrolled in a community 47923  
school if the district board of education has entered into an 47924  
agreement with the community school's governing authority that 47925  
designates the community school as responsible for providing or 47926  
arranging for the transportation of the district's native students 47927  
to and from the community school. For any such agreement to be 47928  
effective, it must be certified by the superintendent of public 47929  
instruction as having met all of the following requirements: 47930

(1) It is submitted to the department of education by a 47931  
deadline which shall be established by the department. 47932

(2) In accordance with divisions (C)(1) and (2) of this 47933

section, it specifies qualifications, such as residing a minimum 47934  
distance from the school, for students to have their 47935  
transportation provided or arranged. 47936

(3) The transportation provided by the community school is 47937  
subject to all provisions of the Revised Code and all rules 47938  
adopted under the Revised Code pertaining to pupil transportation. 47939

(4) The sponsor of the community school also has signed the 47940  
agreement. 47941

(B)(1) For the school year that begins on July 1, 2007, a 47942  
school district is not required to provide transportation for any 47943  
native student enrolled in a community school, if the community 47944  
school during the previous school year transported the students 47945  
enrolled in the school or arranged for the students' 47946  
transportation, even if that arrangement consisted of having 47947  
parents transport their children to and from the school, but did 47948  
not enter into an agreement to transport or arrange for 47949  
transportation for those students under division (A) of this 47950  
section, and if the governing authority of the community school by 47951  
July 15, 2007, submits written notification to the district board 47952  
of education stating that the governing authority is accepting 47953  
responsibility for providing or arranging for the transportation 47954  
of the district's native students to and from the community 47955  
school. 47956

(2) ~~For~~ Except as provided in division (B)(4) of this 47957  
section, for any school year subsequent to the school year that 47958  
begins on July 1, 2007, a school district is not required to 47959  
provide transportation for any native student enrolled in a 47960  
community school if the governing authority of the community 47961  
school, by the thirty-first day of January of the previous school 47962  
year, submits written notification to the district board of 47963  
education stating that the governing authority is accepting 47964  
responsibility for providing or arranging for the transportation 47965

of the district's native students to and from the community 47966  
school. If the governing authority of the community school has 47967  
previously accepted responsibility for providing or arranging for 47968  
the transportation of a district's native students to and from the 47969  
community school, under division (B)(1) or (2) of this section, 47970  
and has since relinquished that responsibility under division 47971  
(B)(3) of this section, the governing authority shall not accept 47972  
that responsibility again unless the district board consents to 47973  
the governing authority's acceptance of that responsibility. 47974

(3) A governing authority's acceptance of responsibility 47975  
under division (B)(1) or (2) of this section shall cover an entire 47976  
school year, and shall remain in effect for subsequent school 47977  
years unless the governing authority submits written notification 47978  
to the district board that the governing authority is 47979  
relinquishing the responsibility. However, a governing authority 47980  
shall not relinquish responsibility for transportation before the 47981  
end of a school year, and shall submit the notice relinquishing 47982  
responsibility by the thirty-first day of January, in order to 47983  
allow the school district reasonable time to prepare 47984  
transportation for its native students enrolled in the school. 47985

(4)(a) For any school year that begins on or after July 1, 47986  
2014, a school district is not required to provide transportation 47987  
for any native student enrolled in a community school scheduled to 47988  
open for operation in the current school year, if the governing 47989  
authority of the community school, by the fifteenth day of April 47990  
of the previous school year, submits written notification to the 47991  
district board of education stating that the governing authority 47992  
is accepting responsibility for providing or arranging for the 47993  
transportation of the district's native students to and from the 47994  
community school. 47995

(b) The governing authority of a community school that 47996  
accepts responsibility for transporting its students under 47997

division (4)(a) of this section shall comply with divisions (B)(2) 47998  
and (3) of this section to renew or relinquish that authority for 47999  
subsequent school years. 48000

(C)(1) A community school governing authority that enters 48001  
into an agreement under division (A) of this section, or that 48002  
accepts responsibility under division (B) of this section, shall 48003  
provide or arrange transportation free of any charge for each of 48004  
its enrolled students who is required to be transported under 48005  
section 3327.01 of the Revised Code or who would otherwise be 48006  
transported by the school district under the district's 48007  
transportation policy. The governing authority shall report to the 48008  
department of education the number of students transported or for 48009  
whom transportation is arranged under this section in accordance 48010  
with rules adopted by the state board of education. 48011

(2) The governing authority may provide or arrange 48012  
transportation for any other enrolled student who is not eligible 48013  
for transportation in accordance with division (C)(1) of this 48014  
section and may charge a fee for such service up to the actual 48015  
cost of the service. 48016

(3) Notwithstanding anything to the contrary in division 48017  
(C)(1) or (2) of this section, a community school governing 48018  
authority shall provide or arrange transportation free of any 48019  
charge for any disabled student enrolled in the school for whom 48020  
the student's individualized education program developed under 48021  
Chapter 3323. of the Revised Code specifies transportation. 48022

(D)(1) If a school district board and a community school 48023  
governing authority elect to enter into an agreement under 48024  
division (A) of this section, the department of education shall 48025  
make payments to the community school according to the terms of 48026  
the agreement for each student actually transported under division 48027  
(C)(1) of this section. 48028

If a community school governing authority accepts 48029  
transportation responsibility under division (B) of this section, 48030  
the department shall make payments to the community school for 48031  
each student actually transported or for whom transportation is 48032  
arranged by the community school under division (C)(1) of this 48033  
section, calculated as follows: 48034

(a) For any fiscal year which the general assembly has 48035  
specified that transportation payments to school districts be 48036  
based on an across-the-board percentage of the district's payment 48037  
for the previous school year, the per pupil payment to the 48038  
community school shall be the following quotient: 48039

(i) The total amount calculated for the school district in 48040  
which the child is entitled to attend school for student 48041  
transportation other than transportation of children with 48042  
disabilities; divided by 48043

(ii) The number of students included in the district's 48044  
transportation ADM for the current fiscal year, as reported under 48045  
division (B)~~(13)~~(19) of section 3317.03 of the Revised Code, plus 48046  
the number of students enrolled in the community school not 48047  
counted in the district's transportation ADM who are transported 48048  
under division (B)(1) or (2) of this section. 48049

(b) For any fiscal year which the general assembly has 48050  
specified that the transportation payments to school districts be 48051  
calculated in accordance with section 3317.0212 of the Revised 48052  
Code and any rules of the state board of education implementing 48053  
that section, the payment to the community school shall be the 48054  
amount so calculated that otherwise would be paid to the school 48055  
district in which the student is entitled to attend school by the 48056  
method of transportation the district would have used. The 48057  
community school, however, is not required to use the same method 48058  
to transport that student. 48059

(c) Divisions (D)(1)(a) and (b) of this section do not apply 48060  
to fiscal years 2012 and 2013. Rather, for each of those fiscal 48061  
years, the per pupil payment to a community school for 48062  
transporting a student shall be the total amount paid under former 48063  
section 3306.12 of the Revised Code for fiscal year 2011 to the 48064  
school district in which the child is entitled to attend school 48065  
divided by that district's "qualifying ridership," as defined in 48066  
that section for fiscal year 2011. 48067

As used in this division "entitled to attend school" means 48068  
entitled to attend school under section 3313.64 or 3313.65 of the 48069  
Revised Code. 48070

(2) The department shall deduct the payment under division 48071  
(D)(1) of this section from the state education aid, as defined in 48072  
section 3314.08 of the Revised Code, and, if necessary, the 48073  
payment under sections 321.14 and 323.156 of the Revised Code, 48074  
that is otherwise paid to the school district in which the student 48075  
enrolled in the community school is entitled to attend school. The 48076  
department shall include the number of the district's native 48077  
students for whom payment is made to a community school under 48078  
division (D)(1) of this section in the calculation of the 48079  
district's transportation payment under section 3317.0212 of the 48080  
Revised Code and the operating appropriations act. 48081

(3) A community school shall be paid under division (D)(1) of 48082  
this section only for students who are eligible as specified in 48083  
section 3327.01 of the Revised Code and division (C)(1) of this 48084  
section, and whose transportation to and from school is actually 48085  
provided, who actually utilized transportation arranged, or for 48086  
whom a payment in lieu of transportation is made by the community 48087  
school's governing authority. To qualify for the payments, the 48088  
community school shall report to the department, in the form and 48089  
manner required by the department, data on the number of students 48090  
transported or whose transportation is arranged, the number of 48091

miles traveled, cost to transport, and any other information 48092  
requested by the department. 48093

(4) A community school shall use payments received under this 48094  
section solely to pay the costs of providing or arranging for the 48095  
transportation of students who are eligible as specified in 48096  
section 3327.01 of the Revised Code and division (C)(1) of this 48097  
section, which may include payments to a parent, guardian, or 48098  
other person in charge of a child in lieu of transportation. 48099

(E) Except when arranged through payment to a parent, 48100  
guardian, or person in charge of a child, transportation provided 48101  
or arranged for by a community school pursuant to an agreement 48102  
under this section is subject to all provisions of the Revised 48103  
Code, and all rules adopted under the Revised Code, pertaining to 48104  
the construction, design, equipment, and operation of school buses 48105  
and other vehicles transporting students to and from school. The 48106  
drivers and mechanics of the vehicles are subject to all 48107  
provisions of the Revised Code, and all rules adopted under the 48108  
Revised Code, pertaining to drivers and mechanics of such 48109  
vehicles. The community school also shall comply with sections 48110  
3313.201, 3327.09, and 3327.10 of the Revised Code, division (B) 48111  
of section 3327.16 of the Revised Code and, subject to division 48112  
(C)(1) of this section, ~~sections~~ and section 3327.01 ~~and 3327.02~~ 48113  
of the Revised Code, as if it were a school district. 48114

Sec. 3314.092. The governing authority or operator of a 48115  
community school established under this chapter shall consult with 48116  
each school district board of education that transports students 48117  
to the community school under sections 3314.09 and 3327.01 of the 48118  
Revised Code prior to making any change in the hours or days in 48119  
which the community school is open for instruction. 48120

**Sec. 3314.11.** (A) The board of education of each city, 48121

exempted village, and local school district monthly shall review 48122  
enrollment for students enrolled in community schools established 48123  
under this chapter and entitled to attend school in the district 48124  
under section 3313.64 or 3313.65 of the Revised Code. For each 48125  
student, the district shall verify to the department of education 48126  
both of the following: 48127

(1) The community school in which the student is enrolled; 48128

(2) That the student is entitled to attend school in the 48129  
district under section 3313.64 or 3313.65 of the Revised Code. 48130

(B) For purposes of its initial reporting of the school 48131  
districts its students are entitled to attend, the governing 48132  
authority of a community school may adopt a policy that prescribes 48133  
the number of documents listed in division (E) of this section 48134  
required to verify a student's residency. This policy, if adopted, 48135  
shall supersede any policy concerning the number of documents for 48136  
initial residency verification adopted by the district the student 48137  
is entitled to attend. If a community school does not adopt a 48138  
policy under this division, the policy of the school district in 48139  
which the student is entitled to attend shall prevail. 48140

(C) In making the determinations under this section, the 48141  
school district in which a parent or child resides is the location 48142  
the parent or student has established as the primary residence and 48143  
where substantial family activity takes place. 48144

(D) If a district's determination under division (A) of this 48145  
section of the school district a student is entitled to attend 48146  
under section 3313.64 or 3313.65 of the Revised Code differs from 48147  
a community school's determination under division (B) of this 48148  
section, the community school shall provide the school district 48149  
that made the determination under division (A) of this section 48150  
with documentation of the student's residency and shall make a 48151  
good faith effort to accurately identify the correct residence of 48152

718.10, 5705.194, 5705.21, 5748.02, or 5748.09 of the Revised Code 48308  
that is not a renewal or replacement levy, or a levy under section 48309  
5705.199 of the Revised Code, and that will provide new operating 48310  
revenue. 48311

(3) The board of education of the school district has adopted 48312  
or amended the financial plan required by section 3316.04 of the 48313  
Revised Code to reflect the restructured or refinanced loans, and 48314  
sets forth the means by which the district will bring projected 48315  
operating revenues and expenditures, and projected debt service 48316  
obligations, into balance for the life of any such loan. 48317

(B) Subject to the approval of the superintendent of public 48318  
instruction, the school district may issue securities to evidence 48319  
the restructuring or refinancing authorized by this section. Such 48320  
securities may extend the original period for repayment not to 48321  
exceed ten years, and may alter the frequency and amount of 48322  
repayments, interest or other financing charges, and other terms 48323  
or agreements under which the loans were originally contracted, 48324  
provided the loans received under sections 3313.483 of the Revised 48325  
Code are repaid from funds the district would otherwise receive 48326  
under Chapter 3317. of the Revised Code, as required under 48327  
division (E)(3) of section 3313.483 of the Revised Code. 48328  
Securities issued for the purpose of restructuring or refinancing 48329  
under this section shall be repaid in equal payments and at equal 48330  
intervals over the term of the debt and are not eligible to be 48331  
included in any subsequent proposal to restructure or refinance. 48332

(C) Unless the district is declared to be in a state of 48333  
fiscal emergency under division (D) of section 3316.04 of the 48334  
Revised Code, a school district shall remain in a state of fiscal 48335  
watch for the duration of the repayment period of any loan 48336

restructured or refinanced under this section. 48337

**Sec. 3316.06.** (A) Within one hundred twenty days after the 48338  
first meeting of a school district financial planning and 48339  
supervision commission, the commission shall adopt a financial 48340  
recovery plan regarding the school district for which the 48341  
commission was created. During the formulation of the plan, the 48342  
commission shall seek appropriate input from the school district 48343  
board and from the community. This plan shall contain the 48344  
following: 48345

(1) Actions to be taken to: 48346

(a) Eliminate all fiscal emergency conditions declared to 48347  
exist pursuant to division (B) of section 3316.03 of the Revised 48348  
Code; 48349

(b) Satisfy any judgments, past-due accounts payable, and all 48350  
past-due and payable payroll and fringe benefits; 48351

(c) Eliminate the deficits in all deficit funds, except that 48352  
any prior year deficits in the capital and maintenance fund 48353  
established pursuant to section 3315.18 of the Revised Code shall 48354  
be forgiven; 48355

(d) Restore to special funds any moneys from such funds that 48356  
were used for purposes not within the purposes of such funds, or 48357  
borrowed from such funds by the purchase of debt obligations of 48358  
the school district with the moneys of such funds, or missing from 48359  
the special funds and not accounted for, if any; 48360

(e) Balance the budget, avoid future deficits in any funds, 48361  
and maintain on a current basis payments of payroll, fringe 48362  
benefits, and all accounts; 48363

(f) Avoid any fiscal emergency condition in the future; 48364

(g) Restore the ability of the school district to market 48365  
long-term general obligation bonds under provisions of law 48366

applicable to school districts generally. 48367

(2) The management structure that will enable the school 48368  
district to take the actions enumerated in division (A)(1) of this 48369  
section. The plan shall specify the level of fiscal and management 48370  
control that the commission will exercise within the school 48371  
district during the period of fiscal emergency, and shall 48372  
enumerate respectively, the powers and duties of the commission 48373  
and the powers and duties of the school board during that period. 48374  
The commission may elect to assume any of the powers and duties of 48375  
the school board it considers necessary, including all powers 48376  
related to personnel, curriculum, and legal issues in order to 48377  
successfully implement the actions described in division (A)(1) of 48378  
this section. 48379

(3) The target dates for the commencement, progress upon, and 48380  
completion of the actions enumerated in division (A)(1) of this 48381  
section and a reasonable period of time expected to be required to 48382  
implement the plan. The commission shall prepare a reasonable time 48383  
schedule for progress toward and achievement of the requirements 48384  
for the plan, and the plan shall be consistent with that time 48385  
schedule. 48386

(4) The amount and purpose of any issue of debt obligations 48387  
that will be issued, together with assurances that any such debt 48388  
obligations that will be issued will not exceed debt limits 48389  
supported by appropriate certifications by the fiscal officer of 48390  
the school district and the county auditor. Debt obligations 48391  
issued pursuant to section 133.301 of the Revised Code shall 48392  
include assurances that such debt shall be in an amount not to 48393  
exceed the amount certified under division (B) of such section. If 48394  
the commission considers it necessary in order to maintain or 48395  
improve educational opportunities of pupils in the school 48396  
district, the plan may include a proposal to restructure or 48397  
refinance outstanding debt obligations incurred by the board under 48398

section 3313.483 of the Revised Code contingent upon the approval, 48399  
during the period of the fiscal emergency, by district voters of a 48400  
tax levied under section 718.09, 718.10, 5705.194, 5705.21, 48401  
5748.02, 5748.08, or 5748.09 of the Revised Code that is not a 48402  
renewal or replacement levy, or a levy under section 5705.199 of 48403  
the Revised Code, and that will provide new operating revenue. 48404  
Notwithstanding any provision of Chapter 133. or sections 3313.483 48405  
to ~~3313.4811~~ 3313.4810 of the Revised Code, following the required 48406  
approval of the district voters and with the approval of the 48407  
commission, the school district may issue securities to evidence 48408  
the restructuring or refinancing. Those securities may extend the 48409  
original period for repayment, not to exceed ten years, and may 48410  
alter the frequency and amount of repayments, interest or other 48411  
financing charges, and other terms of agreements under which the 48412  
debt originally was contracted, at the discretion of the 48413  
commission, provided that any loans received pursuant to section 48414  
3313.483 of the Revised Code shall be paid from funds the district 48415  
would otherwise receive under Chapter 3317. of the Revised Code, 48416  
as required under division (E)(3) of section 3313.483 of the 48417  
Revised Code. The securities issued for the purpose of 48418  
restructuring or refinancing the debt shall be repaid in equal 48419  
payments and at equal intervals over the term of the debt and are 48420  
not eligible to be included in any subsequent proposal for the 48421  
purpose of restructuring or refinancing debt under this section. 48422

(5) An evaluation of the feasibility of entering into shared 48423  
services agreements with other political subdivisions for the 48424  
joint exercise of any power, performance of any function, or 48425  
rendering of any service, if so authorized by statute. 48426

(B) Any financial recovery plan may be amended subsequent to 48427  
its adoption. Each financial recovery plan shall be updated 48428  
annually. 48429

(C) Each school district financial planning and supervision 48430

commission shall submit the financial recovery plan it adopts or 48431  
updates under this section to the state superintendent of public 48432  
instruction for approval immediately following its adoption or 48433  
updating. The state superintendent shall evaluate the plan and 48434  
either approve or disapprove it within thirty calendar days from 48435  
the date of its submission. If the plan is disapproved, the state 48436  
superintendent shall recommend modifications that will render it 48437  
acceptable. No financial planning and supervision commission shall 48438  
implement a financial recovery plan that is adopted or updated on 48439  
or after April 10, 2001, unless the state superintendent has 48440  
approved it. 48441

**Sec. 3317.01.** As used in this section, "school district," 48442  
unless otherwise specified, means any city, local, exempted 48443  
village, joint vocational, or cooperative education school 48444

calculate the amounts payable to each school district and shall 48448  
certify the amounts payable to each eligible district to the 48449  
treasurer of the district as provided by this chapter. As soon as 48450  
possible after such amounts are calculated, the superintendent 48451  
shall certify to the treasurer of each school district the 48452  
district's adjusted charge-off increase, as defined in section 48453  
5705.211 of the Revised Code. Certification of moneys pursuant to 48454  
this section shall include the amounts payable to each school 48455  
building, at a frequency determined by the superintendent, for 48456  
each subgroup of students, as defined in section 3317.40 of the 48457  
Revised Code, receiving services, provided for by state funding, 48458  
from the district or school. No moneys shall be distributed 48459  
pursuant to this chapter without the approval of the controlling 48460  
board. 48461

The state board of education shall, in accordance with 48462  
appropriations made by the general assembly, meet the financial 48463  
obligations of this chapter. 48464

Moneys distributed pursuant to this chapter shall be 48465  
calculated based on the annualized average of the monthly 48466  
certifications required under section 3317.03 of the Revised Code 48467  
and paid on a fiscal year basis, beginning with the first day of 48468  
July and extending through the thirtieth day of June. The moneys 48469

periodically to each school district unless otherwise provided 48471  
for. The state board, in June of each year, shall submit to the 48472  
controlling board the state board's year-end distributions 48473  
pursuant to this chapter. 48474

Except as otherwise provided, payments under this chapter 48475  
shall be made only to those school districts in which: 48476

(A) The school district, except for any educational service 48477  
center and any joint vocational or cooperative education school 48478  
district, levies for current operating expenses at least twenty 48479  
mills. Levies for joint vocational or cooperative education school 48480  
districts or county school financing districts, limited to or to 48481  
the extent apportioned to current expenses, shall be included in 48482  
this qualification requirement. School district income tax levies 48483  
under Chapter 5748. of the Revised Code, limited to or to the 48484  
extent apportioned to current operating expenses, shall be 48485  
included in this qualification requirement to the extent 48486  
determined by the tax commissioner under division (D) of section 48487  
3317.021 of the Revised Code. 48488

minimum number of ~~days~~ ~~or~~ hours school must be open for 48492  
instruction with pupils in attendance, for individualized 48493

parent-teacher conference and reporting periods, and for 48494  
professional meetings of teachers. This requirement shall be 48495  
~~waived by the superintendent of public instruction if it had been~~ 48496  
~~necessary for a school to be closed because of disease epidemic,~~ 48497  
~~hazardous weather conditions, law enforcement emergencies,~~ 48498  
~~inoperability of school buses or other equipment necessary to the~~ 48499  
~~school's operation, damage to a school building, or other~~ 48500  
~~temporary circumstances due to utility failure rendering the~~ 48501  
~~school building unfit for school use, provided that for those~~ 48502  
~~school districts operating pursuant to section 3313.48 of the~~ 48503  
~~Revised Code the number of days the school was actually open for~~ 48504

A school district shall not be considered to have failed to 48517  
comply with this division ~~or section 3313.481 of the Revised Code~~ 48518  
because schools were open for instruction but either twelfth grade 48519  
students were excused from attendance for up to the equivalent of 48520  
three school days or only a portion of the kindergarten students 48521  
were in attendance for up to the equivalent of three school days 48522  
in order to allow for the gradual orientation to school of such 48523  
students. 48524

~~The superintendent of public instruction shall waive the~~ 48525

~~requirements of this section with reference to the minimum number 48526

attendance for the school year succeeding the school year in which 48528  
a board of education initiates a plan of operation pursuant to 48529  
section 3313.481 of the Revised Code. The minimum requirements of 48530  
this section shall again be applicable to such a district 48531  
beginning with the school year commencing the second July 48532  
succeeding the initiation of one such plan, and for each school 48533  
year thereafter. 48534~~

~~A school district shall not be considered to have failed to 48535  
comply with this division or section 3313.48 or 3313.481 of the 48536  
Revised Code because schools were open for instruction but the 48537  
length of the regularly scheduled school day, for any number of 48538  
days during the school year, was reduced by not more than two 48539  
hours due to hazardous weather conditions. 48540~~

A board of education or governing board of an educational 48541  
service center which has not conformed with other law and the 48542  
rules pursuant thereto, shall not participate in the distribution 48543  
of funds authorized by this chapter, except for good and 48544  
sufficient reason established to the satisfaction of the state 48545  
board of education and the state controlling board. 48546

All funds allocated to school districts under this chapter, 48547  
except those specifically allocated for other purposes, shall be 48548  
used to pay current operating expenses only. 48549

**Sec. 3317.013.** ~~Except for a preschool child with a disability 48550

children with disabilities. 48553~~

~~Analysis of special education cost data has resulted in a 48554  
finding that the average special education additional cost per 48555  
pupil, including the costs of related services, can be expressed 48556~~

**Sec. 3317.017.** The department of education shall compute a 48630  
school district's state share index as follows: 48631

(A) Calculate the district's valuation index, which equals 48632  
the following quotient: 48633

school districts with a total ADM greater than zero / the 48636  
statewide total ADM) 48637

(B) Calculate the district's median income index, which 48638  
equals the following quotient: 48639

(The district's median Ohio adjusted gross income / the 48640  
median of the median Ohio adjusted gross income of all districts 48641  
statewide) 48642

(C) Determine the district's wealth index as follows: 48643

(1) If the district's median income index is less than the 48644  
district's valuation index, then the district's wealth index shall 48645

be equal to [(1/3 X the district's median income index) + (2/3 X the district's valuation index)]. 48646

48653  
48654

(2) If the district's wealth index is greater than 0.35 but less than or equal to 0.90, then the district's state share index shall be equal to {0.40 X [(0.90 - the district's wealth index) / 0.55]} + 0.50. 48655  
48656  
48657  
48658

(3) If the district's wealth index is greater than 0.90 but less than 1.8, then the district's state share index shall be equal to {0.45 X [(1.8 - the district's wealth index) / 0.9]} + 0.05. 48659  
48660  
48661  
48662

(4) If the district's wealth index is greater than or equal to 1.8, then the district's state share index shall be equal to 0.05. 48663  
48664  
48665

(E)(1) For each school district for which the tax-exempt value of the district, as certified under division (A)(4) of section 3317.021 of the Revised Code, equals or exceeds thirty per cent of the potential value of the district, the department shall calculate the difference between the district's tax-exempt value and thirty per cent of the district's potential value. For this purpose, the "potential value" of a school district is the three-year average valuation of the district plus the tax-exempt value of the district. 48666

index of the school district in which the student is entitled to 49632  
attend school under section 3313.64 or 3313.65 of the Revised 49633  
Code. 49634

(B) If an educational service center is providing services to 49635  
preschool special education students under agreement with the 49636  
city, local, or exempted village school district in which the 49637  
students are entitled to attend school, that district may 49638  
authorize the department to transfer funds computed under this 49639  
section to the service center providing those services. 49640

(C)(1) If a county DD board is providing services to 49641  
preschool special education students under agreement with the 49642  
city, local, or exempted village school district in which the 49643  
students are entitled to attend school, the department shall 49644  
deduct from the district's payment computed under division (A) of 49645  
this section the total amount of those funds that are attributable 49646  
to the students served by the county DD board and pay that amount 49647  
to that board. 49648

(2) In addition, for any fiscal year, no county DD board 49649  
shall receive in total funding for preschool special education 49650  
services an amount that is less than what it received for the 49651  
previous fiscal year, as determined by the department. If 49652  
necessary, the department shall increase the state payment to a 49653  
county DD board to comply with division (C)(2) of this section. 49654

**Sec. 3317.0214.** (A) The department shall compute and pay in 49655  
accordance with this section additional state aid to school 49656  
districts for students in categories two through six special 49657  
education ADM. If a district's costs for the fiscal year for a 49658  
student in its categories two through six special education ADM 49659  
exceed the threshold catastrophic cost for serving the student, 49660  
the district may submit to the superintendent of public 49661  
instruction documentation, as prescribed by the superintendent, of 49662

all its costs for that student. Upon submission of documentation 49663  
for a student of the type and in the manner prescribed, the 49664  
department shall pay to the district an amount equal to the sum of 49665  
the following: 49666

(1) One-half of the district's costs for the student in 49667  
excess of the threshold catastrophic cost; 49668

(2) The product of one-half of the district's costs for the 49669  
student in excess of the threshold catastrophic cost multiplied by 49670  
the district's state share index. 49671

(B) For purposes of division (A) of this section, the 49672  
threshold catastrophic cost for serving a student equals: 49673

(1) For a student in the school district's category two, 49674  
three, four, or five special education ADM, twenty-seven thousand 49675  
three hundred seventy-five dollars; 49676

(2) For a student in the district's category six special 49677  
education ADM, thirty-two thousand eight hundred fifty dollars. 49678

(C) The district shall report under division (A) of this 49679  
section, and the department shall pay for, only the costs of 49680  
educational expenses and the related services provided to the 49681  
student in accordance with the student's individualized education 49682  
program. Any legal fees, court costs, or other costs associated 49683  
with any cause of action relating to the student may not be 49684  
included in the amount. 49685

Sec. 3317.0217. Payment of the amount calculated for a school 49686  
district under this section shall be made under division (A) of 49687  
section 3317.022 of the Revised Code. 49688

(A) The department of education shall annually compute 49689  
targeted assistance funds to school districts, as follows: 49690

(1) Calculate the local wealth per pupil of each school 49691

district with the 490th lowest local wealth per pupil. 49722

(b) "Threshold local wealth per pupil" means the local wealth 49723  
per pupil of the school district with the 490th lowest local 49724  
wealth per pupil. 49725

(c) "Target millage" means 0.006. 49726

If the result of the calculation for a school district under 49727  
division (A)(5) of this section is less than zero, the district's 49728  
targeted assistance shall be zero. 49729

(6) Calculate the aggregate amount to be paid as targeted 49730  
assistance funds to each school district under division (A) of 49731  
section 3317.022 of the Revised Code by multiplying the per pupil 49732  
targeted assistance computed under division (A)(5) of this section 49733  
by the district's net formula ADM. 49734

As used in this division, a district's "net formula ADM" 49735  
means its formula ADM minus both the number of internet- and 49736  
computer-based community school students reported under division 49737  
(B)(3)(e) of section 3317.03 of the Revised Code and scholarship 49738  
students reported under divisions (B)(3)(f) and (g) of that 49739  
section. 49740

(B) The department shall annually compute supplemental 49741  
targeted assistance funds to school districts, as follows: 49742

(1) Compute each district's agricultural percentage as the 49743  
quotient of (a) the three-year average tax valuation of real 49744  
property in the district that is classified as agricultural 49745  
property divided by (b) the three-year average tax valuation of 49746  
all of the real property in the district. For purposes of this 49747  
computation, a district's "three-year average tax valuation" means 49748  
the average of a district's tax valuation for fiscal years 2012, 49749  
2013, and 2014. 49750

(2) Determine each district's agricultural targeted 49751

percentage as follows: 49752

(a) If a district's agricultural percentage is greater than 49753  
or equal to 0.10, then the district's agricultural targeted 49754  
percentage shall be equal to 0.40. 49755

(b) If a district's agricultural percentage is less than 49756  
0.10, then the district's agricultural targeted percentage shall 49757  
be equal to 4 X the district's agricultural percentage. 49758

(3) Calculate the aggregate amount to be paid as supplemental 49759  
targeted assistance funds to each school district under division 49760  
(A) of section 3317.022 of the Revised Code by multiplying the 49761  
district's agricultural targeted percentage by the amount 49762  
calculated for the district under division (A)(6) of this section. 49763

**Sec. 3317.03.** (A) The superintendent of each city, local, and 49764  
exempted village school district and of each educational service 49765  
center shall, for the schools under the superintendent's 49766  
supervision, certify to the state board of education on or before 49767  
the fifteenth day of ~~October~~ in each year month for the first full 49768  
school week ~~in October~~ of that month the average daily membership 49769  
of students receiving services from schools under the 49770  
superintendent's supervision, and the numbers of other students 49771  
entitled to attend school in the district under section 3313.64 or 49772  
3313.65 of the Revised Code the superintendent is required to 49773  
report under this section, so that the department of education can 49774  
calculate the district's formula ADM. If a school under the 49775  
superintendent's supervision is closed for one or more days during 49776  
~~that~~ a week for which the average daily membership must be 49777  
certified due to hazardous weather conditions or other 49778  
circumstances described in ~~the first paragraph of~~ division 49779  
~~(B)~~(A)(1) of section ~~3317.01~~ 3313.482 of the Revised Code, the 49780  
superintendent may apply to the superintendent of public 49781  
instruction for a waiver, under which the superintendent of public 49782

instruction may exempt the district superintendent from certifying 49783  
the average daily membership for that school for that week and 49784  
specify an alternate week in the same month for certifying the 49785  
average daily membership of that school. 49786

The average daily membership during ~~such a~~ week shall consist 49787  
of the sum of the following: 49788

(1) On an FTE basis, the number of students in grades 49789  
kindergarten through twelve receiving any educational services 49790  
from the district, except that the following categories of 49791  
students shall not be included in the determination: 49792

(a) Students enrolled in adult education classes; 49793

(b) Adjacent or other district students enrolled in the 49794  
district under an open enrollment policy pursuant to section 49795  
3313.98 of the Revised Code; 49796

(c) Students receiving services in the district pursuant to a 49797  
compact, cooperative education agreement, or a contract, but who 49798  
are entitled to attend school in another district pursuant to 49799  
section 3313.64 or 3313.65 of the Revised Code; 49800

(d) Students for whom tuition is payable pursuant to sections 49801  
3317.081 and 3323.141 of the Revised Code; 49802

(e) Students receiving services in the district through a 49803  
scholarship awarded under either section 3310.41 or sections 49804  
3310.51 to 3310.64 of the Revised Code. 49805

(2) On an FTE basis, the number of students entitled to 49806  
attend school in the district pursuant to section 3313.64 or 49807  
3313.65 of the Revised Code, but receiving educational services in 49808  
grades kindergarten through twelve from one or more of the 49809  
following entities: 49810

(a) A community school pursuant to Chapter 3314. of the 49811  
Revised Code, including any participation in a college pursuant to 49812

of a request for information from the department of education, the 50973  
department of job and family services shall provide any 50974

The board of education shall deliver to the state department 51298  
a copy of such resolution and any additional pertinent information 51299  
the state department may require. 51300

rules made under division (I) of this section, including: 51309

budget and management has any reason to believe the requesting 51317  
school district will be unable to pay when due the debt charges on 51318  
the securities for which the request is made. 51319

The department may require a school district to establish 51320  
schedules for the payment of all debt charges that take into 51321  
account the amount and timing of anticipated distributions of 51322  
funds to the district under Chapter 3317. of the Revised Code. 51323

(C) If the department approves the request of a school 51324  
district to withhold and deposit funds pursuant to this section, 51325  
the department shall enter into a written agreement with the 51326  
district and the primary paying agent or fiscal agent for the 51327

securities, and may include both of the following: 51330

(1) Provisions for certification by the district to the 51331

payment of debt charges on the securities with the primary paying 51336  
agent or fiscal agent for the securities prior to the date on 51337  
which those debt charge payments are due to the owners or holders 51338

of the securities. 51339

(D) Whenever a district notifies the department of education 51340  
that it will be unable to pay debt charges when they are due, 51341  
subject to the withholding provisions of this section, or whenever 51342  
the applicable paying agent or fiscal agent notifies the 51343  
department that it has not timely received from a school district 51344  
the full amount needed for the payment when due of those debt 51345  
charges to the holders or owners of such securities, the 51346  
department shall immediately contact the school district and the 51347  
paying agent or fiscal agent to confirm or determine whether the 51348  
district is unable to make the required payment by the date on 51349  
which it is due. 51350

Upon demand of the treasurer of state while holding a school 51351

without a request of the school district, shall withhold and 51354  
deposit funds pursuant to this section for payment of debt service 51355  
charges on that obligation. 51356

If the department confirms or determines that the district 51357  
will be unable to make such payment and payment will not be made 51358  
pursuant to a credit enhancement facility, the department shall 51359  
promptly pay to the applicable primary paying agent or fiscal 51360  
agent the lesser of the amount due for debt charges or the amount 51361  
due the district for the remainder of the fiscal year under 51362  
Chapter 3317. of the Revised Code. If this amount is insufficient 51363  
to pay the total amount then due the agent for the payment of debt 51364  
charges, the department shall pay to the agent each fiscal year 51365  
thereafter, and until the full amount due the agent for unpaid 51366  
debt charges is paid in full, the lesser of the remaining amount 51367  
due the agent for debt charges or the amount due the district for 51368  
the fiscal year under Chapter 3317. of the Revised Code. 51369

(E) The state department may make any payments under this 51370

division by direct deposit of funds by electronic transfer. 51371

Any amount received by a paying agent or fiscal agent under 51372  
this section shall be applied only to the payment of debt charges 51373  
on the securities of the school district subject to this section 51374  
or to the reimbursement to the provider of a credit enhancement 51375  
facility that has paid such debt charges. 51376

(F) To the extent a school district whose securities are 51377  
subject to this section is unable to pay applicable debt charges 51378  
because of the failure to collect property taxes levied for the 51379  
payment of those debt charges, the district may transfer to or 51380  
deposit into any fund that would have received payments under 51381  
Chapter 3317. of the Revised Code that were withheld under this 51382  
section any such delinquent property taxes when later collected, 51383  
provided that transfer or deposit shall be limited to the amounts 51384  
withheld from that fund under this section. 51385

(G) The department may make payments under this section to 51386  
paying agents or fiscal agents only from and to the extent that 51387  
money is appropriated by the general assembly for Chapter 3317. of 51388  
the Revised Code or for the purposes of this section. No 51389  
securities of a school district to which this section is made 51390  
applicable constitute an obligation or a debt or a pledge of the 51391  
faith, credit, or taxing power of the state, and the holders or 51392  
owners of such securities have no right to have taxes levied or 51393  
appropriations made by the general assembly for the payment of 51394  
debt charges on those securities, and those securities, if the 51395  
department requires, shall contain a statement to that effect. The 51396

numbers as certified to the department under section 3313.981 of 51678

current and two preceding fiscal years; 51701

(C) Rank all such districts in order of adjusted valuation 51702  
per pupil from the district with the lowest three-year average 51703  
adjusted valuation per pupil to the district with the highest 51704  
three-year average adjusted valuation per pupil; 51705

(D) Divide such ranking into percentiles with the first 51706  
percentile containing the one per cent of school districts having 51707

the lowest three-year average adjusted valuations per pupil and 51708  
the one-hundredth percentile containing the one per cent of school 51709

the amount of an issue of either bonds or bond anticipation notes, 51807  
gross indebtedness shall be reduced by moneys in the bond 51808  
retirement fund only to the extent of the moneys therein on the 51809  
first day of the year preceding the year in which the controlling 51810  
board approved the project. Should there be a decrease in the tax 51811  
valuation of the school district so that the amount of 51812  
indebtedness that can be incurred on the tax duplicates for the 51813  
year in which the controlling board approved the project is less 51814  
than the amount of the first installment of bond anticipation 51815  
notes, there shall be paid from the school district's project 51816  
construction fund to the school district's bond retirement fund to 51817  
be applied against such notes an amount sufficient to cause the 51818  
net bonded indebtedness of the school district, as of the first 51819  
day of the year following the year in which the controlling board 51820  
approved the project, to be within five thousand dollars of the 51821  
required level of indebtedness for the year in which the 51822  
controlling board approved the project. The maximum amount of 51823  
indebtedness to be incurred by any school district board as its 51824  
share of the cost of the project is either an amount that will 51825  
cause its net bonded indebtedness, as of the first day of the year 51826  
following the year in which the controlling board approved the 51827  
project, to be within five thousand dollars of the required level 51828  
of indebtedness, or an amount equal to the required percentage of 51829  
the basic project costs, whichever is greater. All bonds and bond 51830  
anticipation notes shall be issued in accordance with Chapter 133. 51831  
of the Revised Code, and notes may be renewed as provided in 51832  
section 133.22 of the Revised Code. 51833

interest included in the amount of the issue, to the school 51837  
district's project construction fund; 51838

districts that receive assistance under sections 3318.40 to 51840

section 5705.218 of the Revised Code for the purpose of permanent 51846  
improvements, or the proceeds of a school district income tax 51847  
levied under Chapter 5748. of the Revised Code, or the proceeds 51848  
from a combination of those two taxes, in an amount to pay all or 51849  
part of the service charges on bonds issued to pay the school 51850  
district portion of the project and an amount equivalent to all or 51851  
part of the tax required under division (B) of section 3318.05 of 51852  
the Revised Code; 51853

(2) If section 3318.052 of the Revised Code does not apply, 51854  
one of the following: 51855

maintenance, the earmarking of an amount of the proceeds from such 51862  
tax for maintenance of classroom facilities as specified in 51863  
division (B) of section 3318.05 of the Revised Code; 51864

(c) If, in lieu of the tax otherwise required under division 51865  
(B) of section 3318.05 of the Revised Code, the commission has 51866  
approved the transfer of money to the maintenance fund in 51867  
accordance with section 3318.051 of the Revised Code, a 51868  
requirement that the district board comply with the provisions of 51869  
that section. The district board may rescind the provision 51870  
prescribed under division (C)(2)(c) of this section only so long 51871  
as the electors of the district have approved, in accordance with 51872  
section 3318.063 of the Revised Code, the levy of a tax for the 51873  
maintenance of the classroom facilities acquired under the 51874  
district's project and that levy continues to be collected as 51875  
approved by the electors. 51876

(D) For joint vocational school districts that receive 51877  
assistance under sections 3318.40 to 3318.45 of the Revised Code, 51878

district's obligation to levy the tax described in division (B) of 51885  
section 3318.05 of the Revised Code as required under division 51886  
(D)(2) of section 3318.084 of the Revised Code; 51887

(F) Ownership of or interest in the project during the period 51888  
of construction, which shall be divided between the commission and 51889

contributions to the school district's project construction fund; 51891

(G) Maintenance of the state's interest in the project until 51892  
any obligations issued for the project under section 3318.26 of 51893  
the Revised Code are no longer outstanding; 51894

(H) The insurance of the project by the school district from 51895

the time there is an insurable interest therein and so long as the 51896  
state retains any ownership or interest in the project pursuant to 51897  
division (F) of this section, in such amounts and against such 51898  
risks as the commission shall require; provided, that the cost of 51899  
any required insurance until the project is completed shall be a 51900  
part of the basic project cost; 51901

(I) The certification by the director of budget and 51902

for and receive construction bids for the project, for and on 51908  
behalf of the commission, and to award contracts in the name of 51909  
the state subject to approval by the commission; 51910

(K) Provisions for the disbursement of moneys from the school 51911  
district's project account upon issuance by the commission or the 51912

(Q) Provision for the school district to maintain the project 51934  
in accordance with a plan approved by the commission; 51935

(R) Provision that all state funds reserved and encumbered to 51936  
pay the state share of the cost of the project and the funds 51937  
provided by the school district to pay for its share of the 51938  
project cost, including the respective shares of the cost of a 51939  
segment if the project is divided into segments, be spent on the 51940

determined under section 3318.032 of the Revised Code or, if the 51944  
district is a joint vocational school district, under section 51945  
3318.42 of the Revised Code. However, if the school district 51946  
certifies to the commission that expenditure by the school 51947  
district is necessary to maintain the federal tax status or 51948

to pay for its share of the project cost or to comply with 51950  
applicable temporary investment periods or spending exceptions to 51951  
rebate as provided for under federal law in regard to those notes 51952  
or bonds, the school district may commit to spend, or spend, a 51953  
greater portion of the funds it provides during any specific 51954  
period than would otherwise be required under this division. 51955

(S) A provision stipulating that the commission may prohibit 51956  
the district from proceeding with any project if the commission 51957  
determines that the site is not suitable for construction 51958

purposes. The commission may perform soil tests in its 51959  
determination of whether a site is appropriate for construction 51960  
purposes. 51961

(T) A provision stipulating that, unless otherwise authorized 51962  
by the commission, any contingency reserve portion of the 51963  
construction budget prescribed by the commission shall be used 51964  
only to pay costs resulting from unforeseen job conditions, to 51965  
comply with rulings regarding building and other codes, to pay 51966

for construction of a replacement facility included in the 51982  
district's project; 51983

(W) A requirement for the school district to adhere to a 51984

**Sec. 3318.36.** (A)(1) As used in this section: 52036

(a) "Ohio school facilities commission," "classroom 52037  
facilities," "school district," "school district board," "net 52038  
bonded indebtedness," "required percentage of the basic project 52039  
costs," "basic project cost," "valuation," and "percentile" have 52040  
the same meanings as in section 3318.01 of the Revised Code. 52041

(b) "Required level of indebtedness" means five per cent of 52042  
the school district's valuation for the year preceding the year in 52043  
which the commission and school district enter into an agreement 52044  
under division (B) of this section, plus [two one-hundredths of 52045  
one per cent multiplied by (the percentile in which the district 52046  
ranks minus one)]. 52047

(c) "Local resources" means any moneys generated in any 52048  
manner permitted for a school district board to raise the school 52049  
district portion of a project undertaken with assistance under 52050  
sections 3318.01 to 3318.20 of the Revised Code. 52051

(d) "Tangible personal property phase-out impacted district" 52052  
means a school district for which the taxable value of its 52053  
tangible personal property certified under division (A)(2) of 52054  
section 3317.021 of the Revised Code for tax year 2005, excluding 52055  
the taxable value of public utility personal property, made up 52056  
eighteen per cent or more of its total taxable value for tax year 52057  
2005 as certified under that section. 52058

(2) For purposes of determining the required level of 52059  
indebtedness, the required percentage of the basic project costs 52060  
under division (C)(1) of this section, and priority for assistance 52061  
under sections 3318.01 to 3318.20 of the Revised Code, the 52062  
percentile ranking of a school district with which the commission 52063  
has entered into an agreement under this section between the first 52064  
day of July and the thirty-first day of August in each fiscal year 52065  
is the percentile ranking calculated for that district for the 52066  
immediately preceding fiscal year, and the percentile ranking of a 52067  
school district with which the commission has entered into such 52068  
agreement between the first day of September and the thirtieth day 52069  
of June in each fiscal year is the percentile ranking calculated 52070  
for that district for the current fiscal year. However, in the 52071  
case of a tangible personal property phase-out impacted district, 52072  
the district's priority for assistance under sections 3318.01 to 52073  
3318.20 of the Revised Code and its portion of the basic project 52074  
cost under those sections shall be determined in the manner 52075  
prescribed, respectively, in divisions (B)(3)(b) and (E)(1)(b) of 52076  
this section. 52077

(B)(1) There is hereby established the school building 52078  
assistance expedited local partnership program. Under the program, 52079  
the Ohio school facilities commission may enter into an agreement 52080  
with the board of any school district under which the board may 52081  
proceed with the new construction or major repairs of a part of 52082  
the district's classroom facilities needs, as determined under 52083

sections 3318.01 to 3318.20 of the Revised Code, through the 52084  
expenditure of local resources prior to the school district's 52085  
eligibility for state assistance under those sections, and may 52086  
apply that expenditure toward meeting the school district's 52087  
portion of the basic project cost of the total of the district's 52088  
classroom facilities needs, as recalculated under division (E) of 52089  
this section, when the district becomes eligible for state 52090  
assistance under sections 3318.01 to 3318.20 or section 3318.364 52091  
of the Revised Code. Any school district that is reasonably 52092  
expected to receive assistance under sections 3318.01 to 3318.20 52093  
of the Revised Code within two fiscal years from the date the 52094  
school district adopts its resolution under division (B) of this 52095  
section shall not be eligible to participate in the program 52096  
established under this section. 52097

(2) To participate in the program, a school district board 52098  
shall first adopt a resolution certifying to the commission the 52099  
board's intent to participate in the program. 52100

The resolution shall specify the approximate date that the 52101  
board intends to seek elector approval of any bond or tax measures 52102  
or to apply other local resources to use to pay the cost of 52103  
classroom facilities to be constructed under this section. The 52104  
resolution may specify the application of local resources or 52105  
elector-approved bond or tax measures after the resolution is 52106  
adopted by the board, and in such case the board may proceed with 52107  
a discrete portion of its project under this section as soon as 52108  
the commission and the controlling board have approved the basic 52109  
project cost of the district's classroom facilities needs as 52110  
specified in division (D) of this section. The board shall submit 52111  
its resolution to the commission not later than ten days after the 52112  
date the resolution is adopted by the board. 52113

The commission shall not consider any resolution that is 52114  
submitted pursuant to division (B)(2) of this section, as amended 52115

by this amendment, sooner than September 14, 2000. 52116

(3) For purposes of determining when a district that enters 52117  
into an agreement under this section becomes eligible for 52118  
assistance under sections 3318.01 to 3318.20 of the Revised Code 52119  
or priority for assistance under section 3318.364 of the Revised 52120  
Code, the commission shall use one of the following as applicable: 52121

(a) Except for a tangible personal property phase-out 52122  
impacted district, the district's percentile ranking determined at 52123  
the time the district entered into the agreement under this 52124  
section, as prescribed by division (A)(2) of this section; 52125

(b) For a tangible personal property phase-out impacted 52126  
district, the lesser of (i) the district's percentile ranking 52127  
determined at the time the district entered into the agreement 52128  
under this section, as prescribed by division (A)(2) of this 52129  
section, or (ii) the district's current percentile ranking under 52130  
section 3318.011 of the Revised Code. 52131

(4) Any project under this section shall comply with section 52132  
3318.03 of the Revised Code and with any specifications for plans 52133  
and materials for classroom facilities adopted by the commission 52134  
under section 3318.04 of the Revised Code. 52135

(5) If a school district that enters into an agreement under 52136  
this section has not begun a project applying local resources as 52137  
provided for under that agreement at the time the district is 52138  
notified by the commission that it is eligible to receive state 52139  
assistance under sections 3318.01 to 3318.20 of the Revised Code, 52140  
all assessment and agreement documents entered into under this 52141  
section are void. 52142

(6) Only construction of or repairs to classroom facilities 52143  
that have been approved by the commission and have been therefore 52144  
included as part of a district's basic project cost qualify for 52145  
application of local resources under this section. 52146

(C) Based on the results of on-site visits and assessment, 52147  
the commission shall determine the basic project cost of the 52148  
school district's classroom facilities needs. The commission shall 52149  
determine the school district's portion of such basic project 52150  
cost, which shall be the greater of: 52151

(1) The required percentage of the basic project costs, 52152  
determined based on the school district's percentile ranking; 52153

(2) An amount necessary to raise the school district's net 52154  
bonded indebtedness, as of the fiscal year the commission and the 52155  
school district enter into the agreement under division (B) of 52156  
this section, to within five thousand dollars of the required 52157  
level of indebtedness. 52158

(D)(1) When the commission determines the basic project cost 52159  
of the classroom facilities needs of a school district and the 52160  
school district's portion of that basic project cost under 52161  
division (C) of this section, the project shall be conditionally 52162  
approved. Such conditional approval shall be submitted to the 52163  
controlling board for approval thereof. The controlling board 52164  
shall forthwith approve or reject the commission's determination, 52165  
conditional approval, and the amount of the state's portion of the 52166  
basic project cost; however, no state funds shall be encumbered 52167  
under this section. Upon approval by the controlling board, the 52168  
school district board may identify a discrete part of its 52169  
classroom facilities needs, which shall include only new 52170  
construction of or additions or major repairs to a particular 52171  
building, to address with local resources. Upon identifying a part 52172  
of the school district's basic project cost to address with local 52173  
resources, the school district board may allocate any available 52174  
school district moneys to pay the cost of that identified part, 52175  
including the proceeds of an issuance of bonds if approved by the 52176  
electors of the school district. 52177

All local resources utilized under this division shall first 52178

be deposited in the project construction account required under 52179  
section 3318.08 of the Revised Code. 52180

(2) Unless the school district board exercises its option 52181  
under division (D)(3) of this section, for a school district to 52182  
qualify for participation in the program authorized under this 52183  
section, one of the following conditions shall be satisfied: 52184

(a) The electors of the school district by a majority vote 52185  
shall approve the levy of taxes outside the ten-mill limitation 52186  
for a period of twenty-three years at the rate of not less than 52187  
one-half mill for each dollar of valuation to be used to pay the 52188  
cost of maintaining the classroom facilities included in the basic 52189  
project cost as determined by the commission. The form of the 52190  
ballot to be used to submit the question whether to approve the 52191  
tax required under this division to the electors of the school 52192  
district shall be the form for an additional levy of taxes 52193  
prescribed in section 3318.361 of the Revised Code, which may be 52194  
combined in a single ballot question with the questions prescribed 52195  
under section 5705.218 of the Revised Code. 52196

(b) As authorized under division (C) of section 3318.05 of 52197  
the Revised Code, the school district board shall earmark from the 52198  
proceeds of a permanent improvement tax levied under section 52199  
5705.21 of the Revised Code, an amount equivalent to the 52200  
additional tax otherwise required under division (D)(2)(a) of this 52201  
section for the maintenance of the classroom facilities included 52202  
in the basic project cost as determined by the commission. 52203

(c) As authorized under section 3318.051 of the Revised Code, 52204  
the school district board shall, if approved by the commission, 52205  
annually transfer into the maintenance fund required under section 52206  
3318.05 of the Revised Code the amount prescribed in section 52207  
3318.051 of the Revised Code in lieu of the tax otherwise required 52208  
under division (D)(2)(a) of this section for the maintenance of 52209  
the classroom facilities included in the basic project cost as 52210

determined by the commission. 52211

(d) If the school district board has rescinded the agreement 52212  
to make transfers under section 3318.051 of the Revised Code, as 52213  
provided under division (F) of that section, the electors of the 52214  
school district, in accordance with section 3318.063 of the 52215  
Revised Code, first shall approve the levy of taxes outside the 52216  
ten-mill limitation for the period specified in that section at a 52217  
rate of not less than one-half mill for each dollar of valuation. 52218

(e) The school district board shall apply the proceeds of a 52219  
tax to leverage bonds as authorized under section 3318.052 of the 52220  
Revised Code or dedicate a local donated contribution in the 52221  
manner described in division (B) of section 3318.084 of the 52222  
Revised Code in an amount equivalent to the additional tax 52223  
otherwise required under division (D)(2)(a) of this section for 52224  
the maintenance of the classroom facilities included in the basic 52225  
project cost as determined by the commission. 52226

(3) A school district board may opt to delay taking any of 52227  
the actions described in division (D)(2) of this section until the 52228  
school district becomes eligible for state assistance under 52229  
sections 3318.01 to 3318.20 of the Revised Code. In order to 52230  
exercise this option, the board shall certify to the commission a 52231  
resolution indicating the board's intent to do so prior to 52232  
entering into an agreement under division (B) of this section. 52233

(4) If pursuant to division (D)(3) of this section a district 52234  
board opts to delay levying an additional tax until the district 52235  
becomes eligible for state assistance, it shall submit the 52236  
question of levying that tax to the district electors as follows: 52237

(a) In accordance with section 3318.06 of the Revised Code if 52238  
it will also be necessary pursuant to division (E) of this section 52239  
to submit a proposal for approval of a bond issue; 52240

(b) In accordance with section 3318.361 of the Revised Code 52241

if it is not necessary to also submit a proposal for approval of a 52242  
bond issue pursuant to division (E) of this section. 52243

(5) No state assistance under sections 3318.01 to 3318.20 of 52244  
the Revised Code shall be released until a school district board 52245  
that adopts and certifies a resolution under division (D) of this 52246  
section also demonstrates to the satisfaction of the commission 52247  
compliance with the provisions of division (D)(2) of this section. 52248

Any amount required for maintenance under division (D)(2) of 52249  
this section shall be deposited into a separate fund as specified 52250  
in division (B) of section 3318.05 of the Revised Code. 52251

(E)(1) If the school district becomes eligible for state 52252  
assistance under sections 3318.01 to 3318.20 of the Revised Code 52253  
based on its percentile ranking under division (B)(3) of this 52254  
section or is offered assistance under section 3318.364 of the 52255  
Revised Code, the commission shall conduct a new assessment of the 52256  
school district's classroom facilities needs and shall recalculate 52257  
the basic project cost based on this new assessment. The basic 52258  
project cost recalculated under this division shall include the 52259  
amount of expenditures made by the school district board under 52260  
division (D)(1) of this section. The commission shall then 52261  
recalculate the school district's portion of the new basic project 52262  
cost, which shall be one of the following as applicable: 52263

(a) Except for a tangible personal property phase-out 52264  
impacted district, the percentage of the original basic project 52265  
cost assigned to the school district as its portion under division 52266  
(C) of this section; 52267

(b) For a tangible personal property phase-out impacted 52268  
district, the lesser of (i) the percentage of the original basic 52269  
project cost assigned to the school district as its portion under 52270  
division (C) of this section, or (ii) the percentage of the new 52271  
basic project cost determined under section 3318.032 of the 52272

Revised Code using the district's current percentile ranking under 52273  
section 3318.011 of the Revised Code. The 52274

The commission shall deduct the expenditure of school 52275  
district moneys made under division (D)(1) of this section from 52276  
the school district's portion of the basic project cost as 52277  
recalculated under this division. If the amount of school district 52278  
resources applied by the school district board to the school 52279  
district's portion of the basic project cost under this section is 52280  
less than the total amount of such portion as recalculated under 52281  
this division, the school district board by a majority vote of all 52282  
of its members shall, if it desires to seek state assistance under 52283  
sections 3318.01 to 3318.20 of the Revised Code, adopt a 52284  
resolution as specified in section 3318.06 of the Revised Code to 52285  
submit to the electors of the school district the question of 52286  
approval of a bond issue in order to pay any additional amount of 52287  
school district portion required for state assistance. Any tax 52288  
levy approved under division (D) of this section satisfies the 52289  
requirements to levy the additional tax under section 3318.06 of 52290  
the Revised Code. 52291

(2) If the amount of school district resources applied by the 52292  
school district board to the school district's portion of the 52293  
basic project cost under this section is more than the total 52294  
amount of such portion as recalculated under ~~this~~ (E)(1) 52295  
of this section, within one year after the school district's 52296  
portion is so recalculated ~~under division (E)(1) of this section~~ 52297  
the commission may grant to the school district the difference 52298  
between the two calculated portions, but at no time shall the 52299  
commission expend any state funds on a project in an amount 52300  
greater than the state's portion of the basic project cost as 52301  
recalculated under ~~this~~ (E)(1) of this section. 52302

Any reimbursement under this division shall be only for local 52303  
resources the school district has applied toward construction cost 52304

expenditures for the classroom facilities approved by the 52305  
commission, which shall not include any financing costs associated 52306  
with that construction. 52307

The school district board shall use any moneys reimbursed to 52308  
the district under this division to pay off any debt service the 52309  
district owes for classroom facilities constructed under its 52310  
project under this section before such moneys are applied to any 52311  
other purpose. However, the district board first may deposit 52312  
moneys reimbursed under this division into the district's general 52313  
fund or a permanent improvement fund to replace local resources 52314  
the district withdrew from those funds, as long as, and to the 52315  
extent that, those local resources were used by the district for 52316  
constructing classroom facilities included in the district's basic 52317  
project cost. 52318

(3) A tangible personal property phase-out impacted district 52319  
shall receive credit under division (E) of this section for the 52320  
expenditure of local resources pursuant to any prior agreement 52321  
authorized by this section, notwithstanding any recalculation of 52322  
its average taxable value. 52323

**Sec. 3318.363.** (A) This section applies beginning in fiscal 52324  
year 2003 and only to a school district participating in the 52325  
school building assistance expedited local partnership program 52326  
under section 3318.36 of the Revised Code. 52327

(B) If there is a decrease in the tax valuation of a school 52328  
district to which this section applies by ten per cent or greater 52329  
from one tax year to the next due to a decrease in the assessment 52330  
rate of the taxable property of an electric company that owns 52331  
property in the district, as provided for in section 5727.111 of 52332  
the Revised Code as amended by Am. Sub. S.B. 3 of the 123rd 52333  
General Assembly, the Ohio school facilities commission shall 52334  
calculate or recalculate the state and school district portions of 52335

the basic project cost of the school district's project by 52336  
determining the percentile rank in which the district would be 52337  
located if such ranking were made using the adjusted valuation per 52338  
pupil calculated under division (C) of this section rather than 52339  
the three-year average adjusted valuation per pupil, calculated 52340  
under division (B) of section 3318.011 of the Revised Code. For 52341  
such district, the required percentage of the basic project cost 52342  
used to determine the state and school district shares of that 52343  
cost under division (C) of section 3318.36 of the Revised Code 52344  
shall be based on the percentile rank as calculated under this 52345  
section rather than as otherwise provided in division (C)(1) of 52346  
section 3318.36 of the Revised Code. If the commission has 52347  
determined the state and school district portion of the basic 52348  
project cost of such a district's project under section 3318.36 of 52349  
the Revised Code prior to that decrease in tax valuation, the 52350  
commission shall adjust the state and school district shares of 52351  
the basic project cost of such project in accordance with this 52352  
section. 52353

(C)(1) As used in divisions (C) and (D) of this section, 52354  
"total taxable value," and "formula ADM," ~~and "income factor"~~ have 52355  
the same meanings as in section 3317.02 of the Revised Code, and 52356  
"income factor" has the same meaning as in section 3318.011 of the 52357  
Revised Code. 52358

(2) The adjusted valuation per pupil for a school district to 52359  
which this section applies shall be calculated using the following 52360  
formula: 52361

(The district's total taxable value for the tax year 52362  
preceding the calendar year in which the current fiscal year 52363  
begins / the district's formula ADM for the previous fiscal year) 52364  
- [\$30,000 x (1 - the district's income factor)]. 52365

(D) At the request of the Ohio school facilities commission, 52366  
the department of education shall report a district's total 52367

taxable value for the tax year preceding the calendar year in 52368  
which the current fiscal year begins for any district to which 52369  
this section applies as that information has been certified to the 52370  
department by the tax commissioner pursuant to section 3317.021 of 52371  
the Revised Code. 52372

Sec. 3319.031. Notwithstanding any provision of the Revised 52373  
Code to the contrary, if the board of education of a city, local, 52374  
or exempted village school district does not appoint a business 52375  
manager under section 3319.03 of the Revised Code, the board may 52376  
assign powers and duties specified in section 3319.04 of the 52377  
Revised Code to one or more employees or officers of the board, 52378  
including the treasurer, and may give the employees or officers 52379  
any title recognizing the assignment of the powers and duties. The 52380  
prohibition, in section 3319.04 of the Revised Code, against a 52381  
business manager having possession of moneys does not prevent a 52382  
board from assigning powers and duties specified in that section 52383  
to the treasurer and does not prevent a treasurer who is assigned 52384  
those powers and duties from exercising the powers and duties of 52385  
treasurer. If the board assigns the duties of a business manager 52386  
under section 3319.04 of the Revised Code to the treasurer, the 52387  
treasurer shall not have the authority to make recommendations to 52388  
appoint or discharge noneducational employees, except as provided 52389  
under section 3313.31 of the Revised Code. Instead, the district 52390  
superintendent shall be responsible for making recommendations, 52391  
subject to confirmation by the board, for the appointment or 52392  
discharge of noneducational employees. 52393

**Sec. 3319.07.** (A) The board of education of each city, 52394  
exempted village, local, and joint vocational school district 52395  
shall employ the teachers of the public schools of their 52396  
respective districts. 52397

The governing board of each educational service center may 52398

employ special instruction teachers, special education teachers, 52399  
and teachers of academic courses in which there are too few 52400  
students in each of the school districts entering into agreements 52401  
pursuant to section 3313.843 of the Revised Code to warrant each 52402  
district's employing teachers for those courses. 52403

When any board makes appointments of teachers, the teachers 52404  
in the employ of the board shall be considered before new teachers 52405  
are chosen in their stead. In all school districts and in service 52406  
centers, no teacher shall be employed unless such person is 52407  
nominated by the superintendent of such district or center, or by 52408  
another individual designated by the board in the event that the 52409  
superintendent's nomination would be a violation of section 52410  
2921.42 of the Revised Code. Such board, by a three-fourths vote 52411  
of its full membership, may re-employ any teacher whom the 52412  
superintendent refuses to appoint. 52413

(B) The board of education of any school district may 52414  
contract with the governing board of the educational service 52415  
center from which it otherwise receives services to conduct 52416  
searches and recruitment of candidates for teacher positions. 52417

**Sec. 3319.073.** (A) The board of education of each city and 52418  
exempted village school district and the governing board of each 52419  
educational service center shall adopt or adapt the curriculum 52420  
developed by the department of education for, or shall develop in 52421  
consultation with public or private agencies or persons involved 52422  
in child abuse prevention or intervention programs, a program of 52423  
in-service training in the prevention of child abuse, violence, 52424  
and substance abuse and the promotion of positive youth 52425  
development. Each person employed by any school district or 52426  
service center to work in a school as a nurse, teacher, counselor, 52427  
school psychologist, or administrator shall complete at least four 52428  
hours of the in-service training within two years of commencing 52429

employment with the district or center, and every five years 52430  
thereafter. A person who is employed by any school district or 52431  
service center to work in an elementary school as a nurse, 52432  
teacher, counselor, school psychologist, or administrator on March 52433  
30, 2007, shall complete at least four hours of the in-service 52434  
training not later than March 30, 2009, and every five years 52435  
thereafter. A person who is employed by any school district or 52436  
service center to work in a middle or high school as a nurse, 52437  
teacher, counselor, school psychologist, or administrator on 52438  
October 16, 2009, shall complete at least four hours of the 52439  
in-service training not later than October 16, 2011, and every 52440  
five years thereafter. 52441

(B) Each board shall incorporate training in school safety 52442  
and violence prevention, including human trafficking content, into 52443  
the in-service training required by division (A) of this section. 52444  
For this purpose, the board shall adopt or adapt the curriculum 52445  
developed by the department or shall develop its own curriculum in 52446  
consultation with public or private agencies or persons involved 52447  
in school safety and violence prevention programs. 52448

(C) Each board shall incorporate training on the board's 52449  
harassment, intimidation, or bullying policy adopted under section 52450  
3313.666 of the Revised Code into the in-service training required 52451  
by division (A) of this section. Each board also shall incorporate 52452  
training in the prevention of dating violence into the in-service 52453  
training required by that division for middle and high school 52454  
employees. The board shall develop its own curricula for these 52455  
purposes. 52456

(D) Each board shall incorporate training in youth suicide 52457  
awareness and prevention into the in-service training required by 52458  
division (A) of this section for each person employed by a school 52459  
district or service center to work in a school as a nurse, 52460  
teacher, counselor, school psychologist, or administrator, and any 52461

other personnel that the board determines appropriate. For this 52462  
purpose, the board shall adopt or adapt the curriculum developed 52463  
by the department or shall develop its own curriculum in 52464  
consultation with public or private agencies or persons involved 52465  
in youth suicide awareness and prevention programs. 52466

The training completed under this division shall count toward 52467  
the satisfaction of requirements for professional development 52468  
required by the school district or service center board, and the 52469  
training may be accomplished through self-review of suitable 52470  
suicide prevention materials approved by the board. 52471

**Sec. 3319.17.** (A) As used in this section, "interdistrict 52472  
contract" means any contract or agreement entered into by an 52473  
educational service center governing board and another board or 52474  
other public entity pursuant to section 3313.17, 3313.841, 52475  
3313.842, 3313.843, 3313.844, 3313.845, 3313.91, or 3323.08 of the 52476  
Revised Code, including any such contract or agreement for the 52477  
provision of services funded under division (E) of section 52478  
3317.024 of the Revised Code ~~or provided in any unit approved~~ 52479  
~~under section 3317.05 of the Revised Code.~~ 52480

(B) When, for any of the following reasons that apply to any 52481  
city, exempted village, local, or joint vocational school district 52482  
or any educational service center, the board decides that it will 52483  
be necessary to reduce the number of teachers it employs, it may 52484  
make a reasonable reduction: 52485

(1) In the case of any district or service center, return to 52486  
duty of regular teachers after leaves of absence including 52487  
suspension of schools, territorial changes affecting the district 52488  
or center, or financial reasons; 52489

(2) In the case of any city, exempted village, local, or 52490  
joint vocational school district, decreased enrollment of pupils 52491  
in the district; 52492

(3) In the case of any governing board of a service center 52493  
providing any particular service directly to pupils pursuant to 52494  
one or more interdistrict contracts requiring such service, 52495  
reduction in the total number of pupils the governing board is 52496  
required to provide with the service under all interdistrict 52497  
contracts as a result of the termination or nonrenewal of one or 52498  
more of these interdistrict contracts; 52499

(4) In the case of any governing board providing any 52500  
particular service that it does not provide directly to pupils 52501  
pursuant to one or more interdistrict contracts requiring such 52502  
service, reduction in the total level of the service the governing 52503  
board is required to provide under all interdistrict contracts as 52504  
a result of the termination or nonrenewal of one or more of these 52505  
interdistrict contracts. 52506

(C) In making any such reduction, any city, exempted village, 52507  
local, or joint vocational school board shall proceed to suspend 52508  
contracts in accordance with the recommendation of the 52509  
superintendent of schools who shall, within each teaching field 52510  
affected, give preference to teachers on continuing contracts. The 52511  
board shall not give preference to any teacher based on seniority, 52512  
except when making a decision between teachers who have comparable 52513  
evaluations. 52514

On a case-by-case basis, in lieu of suspending a contract in 52515  
whole, a board may suspend a contract in part, so that an 52516  
individual is required to work a percentage of the time the 52517  
employee otherwise is required to work under the contract and 52518  
receives a commensurate percentage of the full compensation the 52519  
employee otherwise would receive under the contract. 52520

The teachers whose continuing contracts are suspended by any 52521  
board pursuant to this section shall have the right of restoration 52522  
to continuing service status by that board if and when teaching 52523  
positions become vacant or are created for which any of such 52524

teachers are or become qualified. No teacher whose continuing 52525  
contract has been suspended pursuant to this section shall lose 52526  
that right of restoration to continuing service status by reason 52527  
of having declined recall to a position that is less than 52528  
full-time or, if the teacher was not employed full-time just prior 52529  
to suspension of the teacher's continuing contract, to a position 52530  
requiring a lesser percentage of full-time employment than the 52531  
position the teacher last held while employed in the district or 52532  
service center. Seniority shall not be the basis for rehiring a 52533  
teacher, except when making a decision between teachers who have 52534  
comparable evaluations. 52535

(D) Notwithstanding any provision to the contrary in Chapter 52536  
4117. of the Revised Code: 52537

(1) The requirements of this section, as it existed prior to 52538  
~~the effective date of this amendment~~ September 29, 2011, prevail 52539  
over any conflicting provisions of agreements between employee 52540  
organizations and public employers entered into between September 52541  
29, 2005, and ~~that effective date~~ September 29, 2011; 52542

(2) The requirements of this section, as it exists on and 52543  
~~after the effective date of this amendment~~ September 29, 2011, 52544  
prevail over any conflicting provisions of agreements between 52545  
employee organizations and public employers entered into on or 52546  
after ~~that effective date~~ September 29, 2011. 52547

(E) Any rules the state board of education adopts, amends, or 52623

section 3301.07 of the Revised Code, or any other law shall be 52625

Code except as follows: 52627

(1) Notwithstanding division (D) of section 119.03 and 52628  
division (A)(1) of section 119.04 of the Revised Code, in the case 52629  
of the adoption of any rule or the amendment or rescission of any 52630  
rule that necessitates institutions' offering preparation programs 52631  
for educators and other school personnel that are approved by the 52632  
chancellor of the Ohio board of regents under section 3333.048 of 52633

section 119.03 and division (A)(1) of section 119.04 of the 52636  
Revised Code. Instead, the effective date of such rules, or the 52637

standards requiring additional coursework for the renewal of any 52645

nonpublic school to establish local professional development 52647  
committees. In a nonpublic school, the chief administrative 52648  
officer shall establish the committees in any manner acceptable to 52649  
such officer. The committees established under this division shall 52650  
determine whether coursework that a district or chartered 52651  
nonpublic school teacher proposes to complete meets the 52652  
requirement of the rules. The department of education shall 52653  
provide technical assistance and support to committees as the 52654  
committees incorporate the professional development standards 52655

3319.61 of the Revised Code into their review of coursework that 52657  
is appropriate for license renewal. The rules shall establish a 52658  
procedure by which a teacher may appeal the decision of a local 52659  
professional development committee. 52660

(2) In any school district in which there is no exclusive 52661  
representative established under Chapter 4117. of the Revised 52662  
Code, the professional development committees shall be established 52663  
as described in division (F)(2) of this section. 52664

Not later than the effective date of the rules adopted under 52665  
this section, the board of education of each school district shall 52666  
establish the structure for one or more local professional 52667  
development committees to be operated by such school district. The 52668  
committee structure so established by a district board shall 52669  
remain in effect unless within thirty days prior to an anniversary 52670  
of the date upon which the current committee structure was 52671  
established, the board provides notice to all affected district 52672  
employees that the committee structure is to be modified. 52673  
Professional development committees may have a district-level or 52674  
building-level scope of operations, and may be established with 52675  
regard to particular grade or age levels for which an educator 52676  
license is designated. 52677

Each professional development committee shall consist of at least three classroom teachers employed by the district, one principal employed by the district, and one other employee of the district appointed by the district superintendent. For committees with a building-level scope, the teacher and principal members shall be assigned to that building, and the teacher members shall be elected by majority vote of the classroom teachers assigned to that building. For committees with a district-level scope, the teacher members shall be elected by majority vote of the classroom teachers of the district, and the principal member shall be elected by a majority vote of the principals of the district, unless there are two or fewer principals employed by the district, in which case the one or two principals employed shall serve on the committee. If a committee has a particular grade or age level scope, the teacher members shall be licensed to teach such grade or age levels, and shall be elected by majority vote of the classroom teachers holding such a license and the principal shall be elected by all principals serving in buildings where any such teachers serve. The district superintendent shall appoint a replacement to fill any vacancy that occurs on a professional development committee, except in the case of vacancies among the elected classroom teacher members, which shall be filled by vote of the remaining members of the committee so selected.

Terms of office on professional development committees shall be prescribed by the district board establishing the committees. The conduct of elections for members of professional development committees shall be prescribed by the district board establishing the committees. A professional development committee may include additional members, except that the majority of members on each such committee shall be classroom teachers employed by the district. Any member appointed to fill a vacancy occurring prior to the expiration date of the term for which a predecessor was appointed shall hold office as a member for the remainder of that

term. 52711

The initial meeting of any professional development 52712  
committee, upon election and appointment of all committee members, 52713  
shall be called by a member designated by the district 52714  
superintendent. At this initial meeting, the committee shall 52715  
select a chairperson and such other officers the committee deems 52716  
necessary, and shall adopt rules for the conduct of its meetings. 52717  
Thereafter, the committee shall meet at the call of the 52718  
chairperson or upon the filing of a petition with the district 52719  
superintendent signed by a majority of the committee members 52720  
calling for the committee to meet. 52721

(3) In the case of a school district in which an exclusive 52722  
representative has been established pursuant to Chapter 4117. of 52723  
the Revised Code, professional development committees shall be 52724  
established in accordance with any collective bargaining agreement 52725  
in effect in the district that includes provisions for such 52726  
committees. 52727

If the collective bargaining agreement does not specify a 52728  
different method for the selection of teacher members of the 52729  
committees, the exclusive representative of the district's 52730  
teachers shall select the teacher members. 52731

If the collective bargaining agreement does not specify a 52732  
different structure for the committees, the board of education of 52733  
the school district shall establish the structure, including the 52734  
number of committees and the number of teacher and administrative 52735  
members on each committee; the specific administrative members to 52736  
be part of each committee; whether the scope of the committees 52737  
will be district levels, building levels, or by type of grade or 52738  
age levels for which educator licenses are designated; the lengths 52739  
of terms for members; the manner of filling vacancies on the 52740  
committees; and the frequency and time and place of meetings. 52741  
However, in all cases, except as provided in division (F)(4) of 52742

this section, there shall be a majority of teacher members of any 52743  
professional development committee, there shall be at least five 52744  
total members of any professional development committee, and the 52745  
exclusive representative shall designate replacement members in 52746  
the case of vacancies among teacher members, unless the collective 52747  
bargaining agreement specifies a different method of selecting 52748  
such replacements. 52749

(4) Whenever an administrator's coursework plan is being 52750  
discussed or voted upon, the local professional development 52751  
committee shall, at the request of one of its administrative 52752  
members, cause a majority of the committee to consist of 52753  
administrative members by reducing the number of teacher members 52754  
voting on the plan. 52755

(C) The board of education of a district providing the 53391

child under division (A) of section 3317.08 of the Revised Code 53416  
and the amount received by the district from the state board of 53417

district providing the child with special education and related 53432  
services may charge to the child's district of residence the 53433  
excess cost determined by formula approved by the department, 53434  
regardless of whether the district of residence has entered into a 53435  
contract with the district providing the services. If the district 53436  
providing the services chooses to charge excess costs, the 53437  
district may report the amount calculated under this division to 53438  
the department. 53439

(C) If a district providing special education for a child 53440  
reports an amount for the excess cost of those services, as 53441  
authorized and calculated under division (A) or (B) of this 53442  
section, the department shall pay that amount of excess cost to 53443  
the district providing the services and shall deduct that amount 53444  
from the child's district of residence in accordance with division 53445

(1) For a child other than a child described in division 53459  
(B)(2) of this section the tuition shall be an amount equal to the 53460

division (B) of section 3317.081 of the Revised Code for the 53463  
district that provides the special education; 53464

(b) Such excess cost as is determined by using a formula 53465  
established by rule of the department of education. The excess 53466  
cost computed in this section shall not be used as excess cost 53467  
computed under section 3323.14 of the Revised Code. 53468

(B) of section 3317.08 of the Revised Code; 53475

(b) For each type of special education service included in 53476  
the computation of the amount of tuition under division (B)(2)(a) 53477  
of this section, divide the amount determined for that computation 53478  
under division (B)(2) of section 3317.08 of the Revised Code by 53479  
the total number of preschool children with disabilities used for 53480  
that computation under division (B)(3) of section 3317.08 of the 53481  
Revised Code; 53482

(c) Determine the sum of the quotients obtained under 53483  
division (B)(2)(b) of this section; 53484

(d) Determine the sum of the amounts determined under 53485  
divisions (B)(2)(a) and (c) of this section. 53486

section who receives special education and related services from a 53488  
county ~~MR/DD~~ DD board, tuition shall be the amount determined 53489  
under division (C)(1) or (2) of this section. 53490

(1) For a child other than a child described in division 53491

~~not included in a unit approved under division (B) of section~~ 53499

the amounts of each such board's per capita cost of providing each 53501  
of the special education or related service that the child 53502  
receives. The calculation of tuition shall be made by using a 53503  
formula established by rule of the department of developmental 53504  
disabilities. The formula for the calculation of per capita costs 53505  
under division (C)(2) of this section shall be based only on each 53506  
such ~~MR/DD~~ DD board's cost of providing each type of special 53507  
education or related service to preschool children with 53508

child with a disability included in such an approved unit means 53525  
the amount determined by dividing the amount received for the 53526  
classroom unit in which the child has been placed by the number of 53527  
children in the unit. For any other child, "per pupil amount" 53528  
means the amount paid for the child under section 3317.20 of the 53529  
Revised Code. 53530

When a school district places or has placed a child with a 53531  
county DD board for special education, but another district is 53532

responsible for tuition with the educational costs in excess of 53536  
the per pupil amount received by the board under Chapter 3317. of 53537  
the Revised Code. The amount of the excess cost shall be 53538  
determined by the formula established by rule of the department of 53539  
education under section 3323.14 of the Revised Code, and the 53540  
payment for such excess cost shall be made by the school district 53541  
directly to the county DD board. 53542

A school district board of education and the county DD board 53543  
that serves the school district may negotiate and contract, at or 53544

after the time of placement, for payments by the board of 53545  
education to the county DD board for additional services provided 53546  
to a child placed with the county DD board and whose 53547  
individualized education program established pursuant to section 53548  
3323.08 of the Revised Code requires additional services that are 53549

The cost of any transportation service authorized by this 53939  
section shall be paid first out of federal funds, if any, 53940  
available for the purpose of pupil transportation, and secondly 53941  
out of state appropriations, in accordance with regulations 53942  
adopted by the state board of education. 53943

(G) No transportation of any pupils shall be provided by any 53944  
board of education to or from any school which in the selection of 53945  
pupils, faculty members, or employees, practices discrimination 53946  
against any person on the grounds of race, color, religion, or 53947  
national origin. 53948

(H) No transportation to or from school of pupils in grades 53949  
kindergarten through five shall be provided by way of transit 53950  
buses as defined in section 5735.01 of the Revised Code. 53951

**Sec. 3327.02. (A) As used in this section:** 53952

(1) "Community school" means a community school established 53953  
under Chapter 3314. of the Revised Code. 53954

(2) "Parent" has the same meaning as in section 3313.98 of 53955  
the Revised Code. 53956

(3) "Resident school district" means the city, exempted 53957  
village, or local school district in which a student is entitled 53958  
to attend school under section 3313.64 or 3313.65 of the Revised 53959  
Code. 53960

(4) "School year" has the same meaning as in section 3313.62 53961  
of the Revised Code. 53962

(5) "State education aid" has the same meaning as in section 53963  
5751.20 of the Revised Code. 53964

(6) "STEM school" means a science, technology, engineering, 53965  
and mathematics school established under Chapter 3326. of the 53966  
Revised Code. 53967

(B) Beginning July 1, 2014, the board of education of a city, 53968  
exempted village, or local school district is not required to 53969  
provide transportation to and from school for a student attending 53970  
one of the district's schools or a community school, STEM school, 53971  
or nonpublic school under division (A) or (C) of section 3327.01 53972  
of the Revised Code, if the student's parent or the student, if at 53973  
least eighteen years old and no guardian or custodian is currently 53974  
appointed for the student, opts instead to receive the subsidy 53975  
prescribed by division (D) of this section. The parent or student 53976  
may exercise that option on an annual basis by submitting an 53977  
application to the department of education and by notifying the 53978  
district board in accordance with procedures and deadlines 53979  
prescribed by the department. The department shall prescribe 53980  
deadlines for that application and notice so that the district 53981  
board has sufficient time to take the exercise of the parent's or 53982  
student's option into account when planning its transportation 53983  
routes and schedules for the succeeding school year. The 53984  
department shall not accept an application that is submitted after 53985  
the deadline. The department shall award a subsidy as long as the 53986  
parent or student complies with the application and notice 53987  
procedures. The award shall be for one school year at a time and 53988  
may be renewed if the parent or student again submits an 53989  
application to the department and notice to the district board in 53990  
accordance with the prescribed procedures and deadlines. The 53991  
parent or student shall use the subsidy to pay the cost of the 53992  
student's transportation to and from school for the entire school 53993  
year. 53994

(C) The subsidy prescribed by this section is not available 53995  
for any of the following: 53996

(1) A student attending a community school or nonpublic 53997  
school that is more than thirty minutes of direct travel time, as 53998  
measured by school bus, from the building of the student's 53999

resident school district to which the student would be assigned if attending school in the district, as provided in division (D) of section 3327.01 of the Revised Code; 54000  
54001  
54002

(2) A student attending a community school that either: 54003

(a) Has an agreement with the student's resident school district for the community school to transport students to that school under division (A) of section 3314.091 of the Revised Code; 54004  
54005  
54006

(b) Accepts responsibility to transport students to the school under division (B) of that section. 54007  
54008

(3) A student who attends a school district other than the student's resident school district under an open enrollment policy adopted in accordance with section 3313.98 of the Revised Code; 54009  
54010  
54011

(4) A student who attends school in a school district under division (I) of section 3313.64 of the Revised Code. 54012  
54013

(D) The amount of the subsidy awarded for each student under this section shall equal the lesser of the following: 54014  
54015

(1) The statewide average cost of pupil transportation for the previous school year; 54016  
54017

(2) The average cost of pupil transportation for the previous school year for the student's resident school district. 54018  
54019

The department shall pay that amount to the student's parent or the student, if at least eighteen years old and no guardian or custodian is currently appointed for the student, in quarterly periodic payments. 54020  
54021  
54022  
54023

(E) The department shall deduct the amount of each subsidy awarded for a student under this section from the state education aid of the student's resident school district and, if necessary, from that district's payments under sections 321.24 and 323.156 of the Revised Code. 54024  
54025  
54026  
54027  
54028

The department shall include the student in the calculation 54029

of the district's transportation payment under section 3317.0212 54030  
of the Revised Code and the operating appropriations act. 54031

(F) This section has no effect on a school district's 54032  
responsibility to transport a student to and from a 54033  
college-preparatory boarding school established under Chapter 54034  
3328. of the Revised Code. 54035

(G) The state board of education shall adopt rules under 54036  
Chapter 119. of the Revised Code prescribing procedures necessary 54037  
to implement this section. 54038

**Sec. 3327.07.** (A) The governing authority of a chartered 54039  
nonpublic school that transports a student enrolled in the school 54040  
to and from school may charge the parent or guardian of the 54041  
student a fee for the transportation, if the governing authority 54042  
purchased the vehicle that transports the student using no state 54043  
or federal funds. The fee shall not exceed the per student cost of 54044  
the transportation, as determined by the governing authority. 54045

(B) If the parent or guardian of a student who is enrolled in 54046  
a chartered nonpublic school opts to receive the subsidy 54047  
prescribed by section 3327.02 of the Revised Code, instead of 54048  
transportation by a school district under section 3327.01 of the 54049  
Revised Code, and the governing authority of the chartered 54050  
nonpublic school transports the student to and from school in a 54051  
vehicle that the governing authority purchased using no state or 54052  
federal funds, the governing authority may charge the parent or 54053  
guardian a fee for transportation. 54054

(C) The parent or guardian of a student who is enrolled in a 54055  
chartered nonpublic school and is eligible for transportation by a 54056  
school district under section 3327.01 of the Revised Code may 54057  
decline that transportation and accept transportation from the 54058  
chartered nonpublic school. The governing authority of a chartered 54059  
nonpublic school may charge a fee under division (A) of this 54060

section regardless of whether a student is eligible for 54061  
transportation under section 3327.01 of the Revised Code. 54062

(D) The offering by the governing authority of a chartered 54063  
nonpublic school of transportation to and from the school does not 54064  
relieve any school district board of education from any duty 54065  
imposed by section 3327.01 of the Revised Code with respect to the 54066  
chartered nonpublic school's students. 54067

Sec. 3328.27. The board of trustees of each 54068  
college-preparatory boarding school shall comply with the 54069  
standards for financial reporting adopted under division (B)(2) of 54070  
section 3301.07 of the Revised Code. 54071

**Sec. 3333.041.** (A) On or before the last day of December of 54072

the Revised Code, the general assembly a report or reports 54075

year. The report shall list, by school district, the number of 54080  
graduates of each school district who attended a state institution 54081  
of higher education and the percentage of each district's 54082

adopted under division (C)(1)(e) of section 3302.03 of the Revised 54104  
Code. The chancellor shall aggregate the data by graduating class 54105  
for each approved teacher preparation program, except that if a 54106  
particular class has ten or fewer graduates to which this section 54107  
applies, the chancellor shall report the data for a group of 54108  
classes over a three-year period. In no case shall the report 54109  
identify any individual graduate. The department of education 54110  
shall share any data necessary for the report with the chancellor. 54111

purpose of each professional leave; and a statement of the cost to 54128

Revised Code shall be liable for a breach of confidentiality 54183  
arising from the institution's submission of student data or 54184  
records to the board of regents or any other state agency in 54185  
compliance with any law, rule, or regulation, provided that the 54186  
breach occurs as a result of one of the following: 54187

(A) An action by a third party during and after the 54188

**Sec. 3333.124.** There is hereby created in the state treasury 54198

the Ohio board of regents shall certify to the director of budget 54201

fund appropriations made in the immediately preceding fiscal year 54203  
for purposes of the Ohio college opportunity grant program created 54204  
in section 3333.122 of the Revised Code. Upon receipt of the 54205  
certification, the director may transfer an amount not exceeding 54206  
the certified amount from the general revenue fund to the Ohio 54207  
college opportunity grant program reserve fund. Moneys in the Ohio 54208  
college opportunity grant program reserve fund shall be used to 54209  
pay grant obligations in excess of the general revenue fund 54210  
appropriations made for that purpose. 54211

The director may transfer any unencumbered balance from the 54212

**Sec. 3333.31.** (A) For state subsidy and tuition surcharge 54215  
purposes, status as a resident of Ohio shall be defined by the 54216  
chancellor of the Ohio board of regents by rule promulgated 54217  
pursuant to Chapter 119. of the Revised Code. No adjudication as 54218  
to the status of any person under such rule, however, shall be 54219  
required to be made pursuant to Chapter 119. of the Revised Code. 54220  
The term "resident" for these purposes shall not be equated with 54221  
the definition of that term as it is employed elsewhere under the 54222  
laws of this state and other states, and shall not carry with it 54223  
any of the legal connotations appurtenant thereto. Rather, except 54224  
as provided in divisions (B) and (D) of this section, for such 54225  
purposes, the rule promulgated under this section shall have the 54226  
objective of excluding from treatment as residents those who are 54227  
present in the state primarily for the purpose of attending a 54228  
state-supported or state-assisted institution of higher education, 54229  
and may prescribe presumptive rules, rebuttable or conclusive, as 54230  
to such purpose based upon the source or sources of support of the 54231  
student, residence prior to first enrollment, evidence of 54232  
intention to remain in the state after completion of studies, or 54233  
such other factors as the chancellor deems relevant. 54234

(B) The rules of the chancellor for determining student 54235  
residency shall grant residency status to a veteran and to the 54236  
veteran's spouse and any dependent of the veteran, if both of the 54237  
following conditions are met: 54238

(1) The veteran either: 54239

(a) Served one or more years on active military duty and was 54240  
honorably discharged or received a medical discharge that was 54241  
related to the military service; 54242

(b) Was killed while serving on active military duty or has  
been declared to be missing in action or a prisoner of war.

(2) If the veteran seeks residency status for tuition  
surcharge purposes, the veteran has established domicile in this  
state as of the first day of a term of enrollment in an  
institution of higher education. If the spouse or a dependent of  
the veteran seeks residency status for tuition surcharge purposes,  
the veteran and the spouse or dependent seeking residency status  
have established domicile in this state as of the first day of a  
term of enrollment in an institution of higher education, except  
that if the veteran was killed while serving on active military  
duty, has been declared to be missing in action or a prisoner of  
war, or is deceased after discharge, only the spouse or dependent  
seeking residency status shall be required to have established  
domicile in accordance with this division.

(C) The rules of the chancellor for determining student  
residency shall not deny residency status to a student who is  
either a dependent child of a parent, or the spouse of a person  
who, as of the first day of a term of enrollment in an institution  
of higher education, has accepted full-time employment and  
established domicile in this state for reasons other than gaining  
the benefit of favorable tuition rates.

Documentation of full-time employment and domicile shall  
include both of the following documents:

(1) A sworn statement from the employer or the employer's  
representative on the letterhead of the employer or the employer's  
representative certifying that the parent or spouse of the student  
is employed full-time in Ohio;

(2) A copy of the lease under which the parent or spouse is  
the lessee and occupant of rented residential property in the  
state, a copy of the closing statement on residential real

property of which the parent or spouse is the owner and occupant 54274  
in this state or, if the parent or spouse is not the lessee or 54275  
owner of the residence in which the parent or spouse has 54276  
established domicile, a letter from the owner of the residence 54277  
certifying that the parent or spouse resides at that residence. 54278

Residency officers may also evaluate, in accordance with the 54279  
chancellor's rule, requests for immediate residency status from 54280  
dependent students whose parents are not living and whose domicile 54281  
follows that of a legal guardian who has accepted full-time 54282  
employment and established domicile in the state for reasons other 54283  
than gaining the benefit of favorable tuition rates. 54284

(D)(1) The rules of the chancellor for determining student 54285  
residency shall grant residency status to a person who, while a 54286  
resident of this state for state subsidy and tuition surcharge 54287  
purposes, graduated from a high school in this state or completed 54288  
the final year of instruction at home as authorized under section 54289  
3321.04 of the Revised Code, if the person enrolls in an 54290  
institution of higher education and establishes domicile in this 54291  
state, regardless of the student's residence prior to that 54292  
enrollment. 54293

(2) The rules of the chancellor for determining student 54294  
residency shall not grant residency status to an alien if the 54295  
alien is not also an immigrant or a nonimmigrant. 54296

(E) The rules of the chancellor for determining student 54297  
residency shall grant residency status to a student to whom a 54298  
state institution of higher education issues a letter or utility 54299  
bill for use as proof that the student is a qualified elector in 54300  
this state. 54301

Nothing in division (E) of this section shall be used to 54302  
grant residency to a student for any purpose other than for state 54303  
subsidy and tuition surcharge purposes. 54304

| The chancellor and the office of budget and management, and the issuing authority in the case of obligations to be issued by the issuing authority, shall evaluate each request received from a community or technical college district under this section. The chancellor, with the advice and consent of the director of budget and management and the issuing authority in the case of obligations to be issued by the issuing authority, shall approve each request if all of the following conditions are met:                                                                                                                                                                                                                                                                              | 54414<br>54415<br>54416<br>54417<br>54418<br>54419<br>54420<br>54421                                              |
| (1) Approval of the request will enhance the marketability of the obligations for which the request is made;                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                     | 54422<br>54423                                                                                                    |

(2) The chancellor and the office of budget and management, 54424  
and the issuing authority in the case of obligations to be issued 54425  
by the issuing authority, have no reason to believe the requesting 54426  
community or technical college district or the community or 54427  
technical college it operates will be unable to pay when due the 54428  
bond service charges on the obligations for which the request is 54429  
made, and bond service charges on those obligations are therefore 54430  
not anticipated to be paid pursuant to this section from the 54431  
allocated state share of instruction for purposes of Section 17 of 54432  
Article VIII, Ohio Constitution. 54433

(3) Any other pertinent conditions established in rules 54434  
adopted under division (H) of this section. 54435

(C) If the chancellor approves the request of a community or 54436  
technical college district to withhold and deposit funds pursuant 54437  
to this section, the chancellor shall enter into a written 54438  
agreement with the district and the primary paying agent or fiscal 54439  
agent for the obligations, which agreement shall provide for the 54440  
withholding of funds pursuant to this section for the payment of 54441  
bond service charges on those obligations. The agreement may also 54442  
include both of the following: 54443

(1) Provisions for certification by the district to the 54444  
chancellor, prior to the deadline for payment of the applicable 54445  
bond service charges, whether the district and the community or 54446  
technical college it operates are able to pay those bond service 54447  
charges when due; 54448

(2) Requirements that the district or the community or 54449  
technical college it operates deposits amounts for the payment of 54450  
those bond service charges with the primary paying agent or fiscal 54451  
agent for the obligations prior to the date on which the bond 54452  
service charges are due to the owners or holders of the 54453  
obligations. 54454

(D) Whenever a district or the community or technical college it operates notifies the chancellor that it will not be able to pay the bond service charges when they are due, subject to the withholding provisions of this section, or whenever the applicable paying agent or fiscal agent notifies the chancellor that it has not timely received from a district or from the college it operates the full amount needed for payment of the bond service charges when due to the holders or owners of such obligations, the chancellor shall immediately contact the district or college and the paying agent or fiscal agent to confirm that the district and the college are not able to make the required payment by the date on which it is due.

If the chancellor confirms that the district and the college are not able to make the payment and the payment will not be made pursuant to a credit enhancement facility, the chancellor shall promptly pay to the applicable primary paying agent or fiscal agent the lesser of the amount due for bond service charges or the amount of the next periodic distribution scheduled to be made to the district or to the college in respect of its allocated state share of instruction. If this amount is insufficient to pay the total amount then due the agent for the payment of bond service charges, the chancellor shall continue to pay to the agent from each periodic distribution thereafter, and until the full amount due the agent for unpaid bond service charges is paid in full, the lesser of the remaining amount due the agent for bond service charges or the amount of the next periodic distribution scheduled to be made to the district or college in respect of its allocated state share of instruction.

(E) The chancellor may make any payments under this section by direct deposit of funds by electronic transfer.

Any amount received by a paying agent or fiscal agent under this section shall be applied only to the payment of bond service

charges on the obligations of the community or technical college 54487  
district or community or technical college subject to this section 54488  
or to the reimbursement of the provider of a credit enhancement 54489  
facility that has paid the bond service charges. 54490

(F) The chancellor may make payments under this section to 54491  
paying agents or fiscal agents during any fiscal biennium of the 54492  
state only from and to the extent that money is appropriated to 54493  
the board of regents by the general assembly for distribution 54494  
during such biennium for the state share of instruction and only 54495  
to the extent that a portion of the state share of instruction has 54496  
been allocated to the community or technical college district or 54497  
community or technical college. Obligations of the issuing 54498  
authority or of a community or technical college district to which 54499  
this section is made applicable do not constitute an obligation or 54500  
a debt or a pledge of the faith, credit, or taxing power of the 54501  
state, and the holders or owners of those obligations have no 54502  
right to have excises or taxes levied or appropriations made by 54503  
the general assembly for the payment of bond service charges on 54504  
the obligations, and the obligations shall contain a statement to 54505  
that effect. The agreement for or the actual withholding and 54506  
payment of money under this section does not constitute the 54507  
assumption by the state of any debt of a community or technical 54508  
college district or a community or technical college, and bond 54509  
service charges on the related obligations are not anticipated to 54510  
be paid from the state general revenue fund for purposes of 54511  
Section 17 of Article VIII, Ohio Constitution. 54512

(G) In the case of obligations subject to the withholding 54513  
provisions of this section, the issuing community or technical 54514  
college district, or the issuing authority in the case of 54515  
obligations issued by the issuing authority, shall appoint a 54516  
paying agent or fiscal agent who is not an officer or employee of 54517  
the district or college. 54518

(H) The chancellor, with the advice and consent of the office of budget and management, may adopt reasonable rules not inconsistent with this section for the implementation of this section to secure payment of bond service charges on obligations issued by a community or technical college district or by the issuing authority for the benefit of a community or technical college district or the community or technical college it operates. Those rules shall include criteria for the evaluation and approval or denial of community or technical college district requests for withholding under this section.

(I) The authority granted by this section is in addition to and not a limitation on any other authorizations granted by or pursuant to law for the same or similar purposes.

Sec. 3333.613. There is hereby created in the state treasury the choose Ohio first scholarship reserve fund. given in division (R) of section 133.01 of the Revised Code. 54953

(15) "Assurances" means bonds, notes, or other evidence of 54954

indebtedness, including interest coupons pertaining thereto, 54955

(B) Obligations issued under section 3345.07 or 3345.11 of 54963  
the Revised Code by a state university or college shall be 54964  
authorized by resolution of its board of trustees. Obligations 54965  
issued by any other institution of higher education shall be 54966  
authorized by resolution of its board of trustees, or managing 54967  
directors in the case of certain university branch districts, as 54968

apply to obligations and assurances. Obligations and assurances 54970  
may be issued to pay costs of facilities or entrepreneurial 54971  
projects even if the institution anticipates the possibility of a 54972  
future state appropriation to pay all or a portion of such costs. 54973

(C) Obligations and assurances shall be secured by a pledge 54974  
of and lien on all or such part of the available receipts of the 54975  
institution of higher education as it provides for in the bond 54976  
proceedings, excluding moneys raised by taxation and state 54977  
appropriations except as permitted by section ~~3333.90~~ 3333.59 of 54978  
the Revised Code. Such pledge and lien may be made prior to all 54979  
other expenses, claims, or payments, excepting any pledge of such 54980  
available receipts previously made to the contrary and except as 54981  
provided by any existing restrictions on the use thereof, or such 54982  
pledge and lien may be made subordinate to such other expenses, 54983

Obligations or assurances may be additionally secured by covenants 54985  
of the institution to make, fix, adjust, collect, and apply such 54986

charges, rates, fees, rentals, and other items of available 54987  
receipts as will produce pledged available receipts sufficient to 54988  
meet bond service charges, reserve, and other requirements 54989  
provided for in the bond proceedings. Notwithstanding this and any 54990  
other sections of the Revised Code, the holders or owners of the 54991  
obligations or assurances shall not be given the right and shall 54992  
have no right to have excises or taxes levied by the general 54993  
assembly for the payment of bond service charges thereon, and each 54994  
such obligation or assurance shall bear on its face a statement to 54995  
that effect and to the effect that the right to such payment is 54996  
limited to the available receipts and special funds pledged to 54997  
such purpose under the bond proceedings. 54998

All pledged available receipts and funds and the proceeds of 54999  
obligations or assurances are trust funds and, subject to the 55000  
provisions of this section and the applicable bond proceedings, 55001  
shall be held, deposited, invested, reinvested, disbursed, 55002  
applied, and used to such extent, in such manner, at such times, 55003  
and for such purposes, as are provided in the bond proceedings. 55004

(D) The bond proceedings for obligations or assurances shall 55005  
provide for the purpose thereof and the principal amount or 55006  
maximum principal amount, and provide for or authorize the manner 55007  
of determining the principal maturity or maturities, the sale 55008  
price including any permitted discount, the interest rate or 55009  
rates, which may be a variable rate or rates, or the maximum 55010  
interest rate, the date of the obligations or assurances and the 55011  
date or dates of payment of interest thereon, their denominations, 55012  
the manner of sale thereof, and the establishment within or 55013  
without the state of a place or places of payment of bond service 55014  
charges. The bond proceedings also shall provide for a pledge of 55015  
and lien on available receipts of the institution of higher 55016  
education as provided in division (C) of this section, and a 55017  
pledge of and lien on such fund or funds provided in the bond 55018

proceedings arising from available receipts, which pledges and 55019  
liens may provide for parity with obligations or assurances 55020  
theretofore or thereafter issued by the institution. The available 55021  
receipts so pledged and thereafter received by the institution and 55022  
the funds so pledged are immediately subject to the lien of such 55023  
pledge without any physical delivery thereof or further act, and 55024  
the lien of any such pledge is valid and binding against all 55025  
parties having claims of any kind against the institution, 55026  
irrespective of whether such parties have notice thereof, and 55027  
shall create a perfected security interest for all purposes of 55028  
Chapter 1309. of the Revised Code, without the necessity for 55029  
separation or delivery of funds or for the filing or recording of 55030  
the bond proceedings by which such pledge is created or any 55031  
certificate, statement, or other document with respect thereto; 55032  
and the pledge of such available receipts and funds shall be 55033  
effective and the money therefrom and thereof may be applied to 55034  
the purposes for which pledged without necessity for any act of 55035  
appropriation. 55036

(E) The bond proceedings may contain additional provisions 55037  
customary or appropriate to the financing or to the obligations or 55038  
assurances or to particular obligations and assurances, including: 55039

(1) The acquisition, construction, reconstruction, equipment, 55040  
furnishing, improvement, operation, alteration, enlargement, 55041

entrepreneurial projects, and the duties of the institution of 55043  
higher education with reference thereto; 55044

(2) The terms of the obligations or assurances, including 55045  
provisions for their redemption prior to maturity at the option of 55046  
the institution of higher education at such price or prices and 55047  
under such terms and conditions as are provided in the bond 55048  
proceedings; 55049

(3) Limitations on the purposes to which the proceeds of the 55050

obligations or assurances may be applied; 55051

(4) The rates or rentals or other charges for the use of or 55052  
right to use the facilities or entrepreneurial projects financed 55053  
by the obligations or assurances, or other properties the revenues 55054  
or receipts from which are pledged to the obligations or 55055  
assurances, and rules for assuring any applicable use and 55056  
occupancy thereof, including limitations upon the right to modify 55057  
such rates, rentals, other charges, or regulations; 55058

(5) The use and expenditure of the pledged available receipts 55059  
in such manner and to such extent as shall be determined, which 55060  
may include provision for the payment of the expenses of 55061  
operation, maintenance, and repair of facilities or 55062  
entrepreneurial projects so that such expenses, or part thereof, 55063  
shall be paid or provided as a charge prior or subsequent to the 55064  
payment of bond service charges and any other payments required to 55065  
be made by the bond proceedings; 55066

(6) Limitations on the issuance of additional obligations or 55067  
assurances; 55068

(7) The terms of any trust agreement or indenture securing 55069  
the obligations or assurances or under which the same may be 55070  
issued; 55071

(8) The deposit, investment, and application of funds, and 55072  
the safeguarding of funds on hand or on deposit without regard to 55073  
Chapter 131. or 135. of the Revised Code, and any bank or trust 55074  
company or other financial institution that acts as depository of 55075  
any moneys under the bond proceedings shall furnish such 55076  
indemnifying bonds or pledge such securities as required by the 55077  
bond proceedings or otherwise by the institution of higher 55078  
education; 55079

(9) The binding effect of any or every provision of the bond 55080  
proceedings upon such officer, board, commission, authority, 55081

agency, department, or other person or body as may from time to 55082  
time have the authority under law to take such actions as may be 55083  
necessary to perform all or any part of the duty required by such 55084  
provision; 55085

(10) Any provision that may be made in a trust agreement or 55086  
indenture; 55087

(11) Any other or additional agreements with respect to the 55088  
facilities of the institution of higher education or its 55089  
entrepreneurial projects, their operation, the available receipts 55090  
and funds pledged, and insurance of facilities or entrepreneurial 55091  
projects and of the institution, its officers and employees. 55092

(F) Such obligations or assurances may have the seal of the 55093  
institution of higher education or a facsimile thereof affixed 55094  
thereto or printed thereon and shall be executed by such officers 55095  
as are designated in the bond proceedings, which execution may be 55096  
by facsimile signatures. Any obligations or assurances may be 55097  
executed by an officer who, on the date of execution, is the 55098  
proper officer although on the date of such obligations or 55099  
assurances such person was not the proper officer. In case any 55100  
officer whose signature or a facsimile of whose signature appears 55101  
on any such obligation or assurance ceases to be such officer 55102  
before delivery thereof, such signature or facsimile is 55103  
nevertheless valid and sufficient for all purposes as if the 55104  
person had remained such officer until such delivery; and in case 55105  
the seal of the institution has been changed after a facsimile of 55106  
the seal has been imprinted on such obligations or assurances, 55107  
such facsimile seal continues to be sufficient as to such 55108  
obligations or assurances and obligations or assurances issued in 55109  
substitution or exchange therefor. 55110

(G) All such obligations or assurances are negotiable 55111  
instruments and securities under Chapter 1308. of the Revised 55112  
Code, subject to the provisions of the bond proceedings as to 55113

registration. The obligations or assurances may be issued in 55114  
coupon or in registered form, or both. Provision may be made for 55115  
the registration of any obligations or assurances with coupons 55116  
attached thereto as to principal alone or as to both principal and 55117  
interest, their exchange for obligations or assurances so 55118  
registered, and for the conversion or reconversion into 55119  
obligations or assurances with coupons attached thereto of any 55120  
obligations or assurances registered as to both principal and 55121  
interest, and for reasonable charges for such registration, 55122  
exchange, conversion, and reconversion. 55123

(H) Pending preparation of definitive obligations or 55124  
assurances, the institution of higher education may issue interim 55125  
receipts or certificates which shall be exchanged for such 55126  
definitive obligations or assurances. 55127

(I) Such obligations or assurances may be secured 55128  
additionally by a trust agreement or indenture between the 55129  
institution of higher education and a corporate trustee, which may 55130  
be any trust company or bank having the powers of a trust company 55131  
within or without this state but authorized to exercise trust 55132  
powers within this state. Any such agreement or indenture may 55133  
contain the resolution authorizing the issuance of the obligations 55134  
or assurances, any provisions that may be contained in the bond 55135  
proceedings as authorized by this section, and other provisions 55136  
which are customary or appropriate in an agreement or indenture of 55137  
such type, including: 55138

(1) Maintenance of each pledge, trust agreement, and 55139  
indenture, or other instrument comprising part of the bond 55140  
proceedings until the institution of higher education has fully 55141  
paid the bond service charges on the obligations or assurances 55142  
secured thereby, or provision therefor has been made; 55143

(2) In the event of default in any payments required to be 55144  
made by the bond proceedings, or any other agreement of the 55145

institution of higher education made as a part of the contract 55146  
under which the obligations or assurances were issued, enforcement 55147  
of such payments or agreement by mandamus, the appointment of a 55148  
receiver, suit in equity, action at law, or any combination of the 55149  
foregoing; 55150

(3) The rights and remedies of the holders of obligations or 55151  
assurances and of the trustee, and provisions for protecting and 55152  
enforcing them, including limitations on rights of individual 55153  
holders of obligations or assurances; 55154

(4) The replacement of any obligations or assurances that 55155  
become mutilated or are destroyed, lost, or stolen; 55156

(5) Such other provisions as the trustee and the institution 55157  
of higher education agree upon, including limitations, conditions, 55158  
or qualifications relating to any of the foregoing. 55159

(J) Each duty of the institution of higher education and its 55160  
officers or employees, undertaken pursuant to the bond proceedings 55161  
or any related agreement or lease made under authority of law, is 55162  
hereby established as a duty of such institution, and of each such 55163  
officer or employee having authority to perform such duty, 55164  
specially enjoined by law resulting from an office, trust, or 55165  
station within the meaning of section 2731.01 of the Revised Code. 55166  
The persons who are at the time the members of the board of 55167  
trustees or the managing directors of the institution or its 55168  
officers or employees are not liable in their personal capacities 55169  
on such obligations or assurances, or lease, or other agreement of 55170  
the institution. 55171

(K) The authority to issue obligations or assurances includes 55172  
authority to: 55173

(1) Issue obligations or assurances in the form of bond 55174  
anticipation notes and to renew them from time to time by the 55175  
issuance of new notes. Such notes are payable solely from the 55176

available receipts and funds that may be pledged to the payment of 55177  
such bonds, or from the proceeds of such bonds or renewal notes, 55178  
or both, as the institution of higher education provides in its 55179  
resolution authorizing such notes. Such notes may be additionally 55180  
secured by covenants of the institution to the effect that it will 55181  
do such or all things necessary for the issuance of such bonds or 55182  
renewal notes in appropriate amount, and either exchange such 55183  
bonds or renewal notes therefor or apply the proceeds thereof to 55184  
the extent necessary, to make full payment of the bond service 55185  
charges on such notes at the time or times contemplated, as 55186  
provided in such resolution. Subject to the provisions of this 55187  
division, all references to obligations or assurances in this 55188  
section apply to such anticipation notes. 55189

(2) Issue obligations or assurances to refund, including 55190  
funding and retirement of, obligations or assurances previously 55191  
issued to pay costs of facilities or entrepreneurial projects. 55192  
Such obligations or assurances may be issued in amounts sufficient 55193  
for payment of the principal amount of the obligations or 55194  
assurances to be so refunded, any redemption premiums thereon, 55195  
principal maturities of any obligations or assurances maturing 55196  
prior to the redemption of any other obligations or assurances on 55197  
a parity therewith to be so refunded, interest accrued or to 55198  
accrue to the maturity date or dates of redemption of such 55199  
obligations or assurances, and any expenses incurred or to be 55200  
incurred in connection with such refunding or the issuance of the 55201  
obligations or assurances. 55202

(L) Obligations and assurances are lawful investments for 55203  
banks, societies for savings, savings and loan associations, 55204  
deposit guarantee associations, trust companies, trustees, 55205  
fiduciaries, insurance companies, including domestic for life and 55206

the public employees retirement system, the school employees 55214  
retirement system, and the Ohio police and fire pension fund, 55215

adopted pursuant thereto by any state agency with respect to 55217  
investments by them, and are also acceptable as security for the 55218  
deposit of public moneys. 55219

(M) All facilities or entrepreneurial projects purchased, 55220  
acquired, constructed, or owned by an institution of higher 55221  
education, or financed in whole or in part by obligations or 55222  
assurances issued by an institution, and used for the purposes of 55223  
the institution or other publicly owned and controlled college or 55224  
university, is public property used exclusively for a public 55225  
purpose, and such property and the income therefrom is exempt from 55226  
all taxation and assessment within this state, including ad 55227  
valorem and excise taxes. The obligations or assurances, the 55228  
transfer thereof, and the income therefrom, including any profit 55229  
made on the sale thereof, are at all times free from taxation 55230  
within the state. The transfer of tangible personal property by 55231  
lease under authority of this section or section 3345.07, 3345.11, 55232

(N) The authority granted by this section is cumulative with 55235  
the authority granted to institutions of higher education under 55236  
Chapter 154. of the Revised Code, and nothing in this section 55237  
impairs or limits the authority granted by Chapter 154. of the 55238  
Revised Code. In any lease, agreement, or commitment made by an 55239  
institution of higher education under Chapter 154. of the Revised 55240

Code, it may agree to restrict or subordinate any pledge it may 55241  
thereafter make under authority of this section. 55242

(O) Title to lands acquired under this section and sections 55243  
3345.07 and 3345.11 of the Revised Code by a state university or 55244  
college shall be taken in the name of the state. 55245

(P) Except where costs of facilities or entrepreneurial 55246  
projects are to be paid in whole or in part from funds 55247

such facilities or entrepreneurial projects. 55251

(Q) A state university or college may sell or lease lands or 55252  
interests in land owned by it or by the state for its use, or 55253  
facilities authorized to be acquired or constructed by it under 55254  
section 3345.07 or 3345.11 of the Revised Code, to permit the 55255  
purchasers or lessees thereof to acquire, construct, equip, 55256  
furnish, reconstruct, alter, enlarge, remodel, renovate, 55257  
rehabilitate, improve, maintain, repair, or maintain and operate 55258  
thereon and to provide by lease or otherwise to such institution, 55259  
facilities authorized in section 3345.07 or 3345.11 of the Revised 55260  
Code or entrepreneurial projects authorized under section 3345.36 55261  
of the Revised Code. Such land or interests therein shall be sold 55262  
for such appraised value, or leased, and on such terms as the 55263  
board of trustees determines. All deeds or other instruments 55264  
relating to such sales or leases shall be executed by such officer 55265  
of the state university or college as the board of trustees 55266  
designates. The state university or college shall hold, invest, or 55267  
use the proceeds of such sales or leases for the same purposes for 55268  
which proceeds of borrowings may be used under sections 3345.07 55269  
and 3345.11 of the Revised Code or, if the proceeds relate to the 55270  
sale or lease of entrepreneurial projects, for purposes of section 55271  
3345.36 of the Revised Code. 55272

(R) An institution of higher education may pledge available receipts, to the extent permitted by division (C) of this section with respect to obligations, to secure the payments to be made by it under any lease, lease with option to purchase, or lease-purchase agreement authorized under this section or section 3345.07, 3345.11, 3345.36, 3354.121, 3355.091, 3357.112, or 3358.10 of the Revised Code.

**Sec. 3345.48.** (A) As used in this section:

(1) "Cohort" means a group of students who will complete their bachelor's degree requirements and graduate from a state university at the same time. A cohort may include transfer students and other selected undergraduate student academic programs as determined by the board of trustees of a state university.

(2) "Eligible student" means an undergraduate student who:

(a) Is enrolled full-time in a bachelor's degree program at a state university;

(b) Is a resident of this state, as defined by the chancellor of the Ohio board of regents under section 3333.31 of the Revised Code.

(3) "State university" has the same meaning as in section 3345.011 of the Revised Code.

(B) The board of trustees of a state university may establish an undergraduate tuition guarantee program that allows eligible students in the same cohort to pay a fixed rate for general and instructional fees for four years. A board of trustees may include room and board and any additional fees in the program.

If the board of trustees chooses to establish such a program, the board shall adopt rules for the program that include, but are not limited to, all of the following:

(1) The number of credit hours required to earn an 55303  
undergraduate degree in each major; 55304

(2) A guarantee that the general and instructional fees for 55305  
each student in the cohort shall remain constant for four years so 55306  
long as the student complies with the requirements of the program, 55307  
except that, notwithstanding any law to the contrary, the board 55308  
may increase the guaranteed amount by up to six per cent above 55309  
what has been charged in the previous academic year one time for 55310  
the first cohort enrolled under the tuition guarantee program. If 55311  
the board of trustees determines that economic conditions or other 55312  
circumstances require an increase for the first cohort of above 55313  
six per cent, the board shall submit a request to increase the 55314  
amount by a specified percentage to the chancellor. The 55315  
chancellor, based on information the chancellor requires from the 55316  
board of trustees, shall approve or disapprove such a request. 55317  
There shall be no other increase of general and instructional fees 55318  
for that cohort or for subsequent cohorts under the program unless 55319  
the general assembly approves such an increase for all tuition 55320  
guarantee programs established under this section. 55321

(3) A benchmark by which the board sets annual increases in 55322  
general and instructional fees. This benchmark and any subsequent 55323  
change to the benchmark shall be subject to approval of the 55324  
chancellor. 55325

(4) Eligibility requirements for students to participate in 55326  
the program; 55327

(5) Student rights and privileges under the program; 55328

(6) Consequences to the university for students unable to 55329  
complete a degree program within four years, as follows: 55330

(a) For a student who could not complete the program in four 55331  
years due to a lack of available classes or space in classes 55332  
provided by the university, the university shall provide the 55333

necessary course or courses for completion to the student free of charge. 55334  
55335

(b) For a student who could not complete the program in four years due to military service or other circumstances beyond a student's control, as determined by the board of trustees, the university shall provide the necessary course or courses for completion to the student at the student's initial cohort rate. 55336  
55337  
55338  
55339  
55340

(c) For a student who did not complete the program in four years for any other reason, as determined by the board of trustees, the university shall provide the necessary course or courses for completion to the student at a rate determined through a method established by the board under division (B)(7) of this section. 55341  
55342

(B) Each board of county commissioners shall establish a 56399  
medically handicapped children's fund and shall appropriate 56400

of this section, for the county's share in providing medical, 56402  
surgical, and other aid to medically handicapped children residing 56403  
in such county and for the purposes specified in divisions (A)(2) 56404  
and (3) of this section. Each county shall use money retained 56405

U.S.C.A. 701, as amended, for programs including the program for 56411  
medically handicapped children, and to provide technical 56412  
assistance and consultation to city and general health districts 56413  
and local health planning organizations in implementing local, 56414

medically handicapped children. The department may make grants to 56416  
persons and other entities for the provision of services with the 56417  
funds. In addition, the department may use the funds to purchase 56418  
liability insurance covering the provision of services under the 56419  
programs by physicians and other health care professionals, and to 56420  
pay health insurance premiums on behalf of medically handicapped 56421  
children participating in the program for medically handicapped 56422  
children when the department determines, in accordance with 56423  
criteria set forth in rules adopted under division (A)(9) of 56424  
section 3701.021 of the Revised Code, that payment of the premiums 56425  
is cost effective. 56426

In determining eligibility for services provided with funds 56427  
received from the "Maternal and Child Health Block Grant," the 56428  
department may use the application form established under section 56429  
~~5111.013~~ 5163.40 of the Revised Code. The department may require 56430

funds the department receives through Title X of the "Public 56442  
Health Service Act," 84 Stat. 1504 (1970), 42 U.S.C. 300a, as 56443  
amended. This section does not apply to grants awarded by the 56444  
department under section 3701.046 of the Revised Code. 56445

(B) With respect to each period during which funds from a 56446  
particular source are distributed for the purpose of providing 56447  
family planning services, the department is subject to both of the 56448  
following when distributing the funds to applicants seeking those 56449  
funds: 56450

(1) Foremost priority shall be given to public entities that 56451  
are operated by state or local government entities and that 56452  
provide or are able to provide family planning services. 56453

(2) If any funds remain after the department distributes 56454  
funds to public entities under division (B)(1) of this section, 56455  
the department may distribute funds to nonpublic entities. If 56456  
funds are distributed to nonpublic entities, the department shall 56457  
distribute the funds in the following order of descending 56458  
priority: 56459

(a) Nonpublic entities that are federally qualified health 56460  
centers or federally qualified health center look-alikes, both as 56461  
defined in section 3701.047 of the Revised Code, or community 56462

(b) Nonpublic entities that provide comprehensive primary and 56464

but do not provide comprehensive primary and preventive care 56467  
services. 56468

Sec. 3701.13. The department of health shall have supervision 56469  
of all matters relating to the preservation of the life and health 56470  
of the people and have ultimate authority in matters of quarantine 56471  
and isolation, which it may declare and enforce, when neither 56472  
exists, and modify, relax, or abolish, when either has been 56473  
established. The department may approve methods of immunization 56474  
against the diseases specified in section 3313.671 of the Revised 56475  
Code for the purpose of carrying out the provisions of that 56476  
section and take such actions as are necessary to encourage 56477  
vaccination against those diseases. 56478

The department may make special or standing orders or rules 56479  
for preventing the use of fluoroscopes for nonmedical purposes 56480  
~~which~~ that emit doses of radiation likely to be harmful to any 56481  
person, for preventing the spread of contagious or infectious 56482  
diseases, for governing the receipt and conveyance of remains of 56483  
deceased persons, and for such other sanitary matters as are best 56484  
controlled by a general rule. Whenever possible, the department 56485  
shall work in cooperation with the health commissioner of a 56486  
general or city health district. ~~It~~ The department may make and 56487  
enforce orders in local matters or reassign substantive authority 56488  
for mandatory programs from a general or city health district to 56489  
another general or city health district when an emergency exists, 56490  
or when the board of health of a general or city health district 56491  
has neglected or refused to act with sufficient promptness or 56492  
efficiency, or when such board has not been established as 56493  
provided by sections 3709.02, 3709.03, 3709.05, 3709.06, 3709.11, 56494  
3709.12, and 3709.14 of the Revised Code. In such cases, the 56495  
necessary expense incurred shall be paid by the general health 56496  
district or city for which the services are rendered. 56497

The department of health may require general or city health 56498  
districts to enter into agreements for shared services under 56499  
section 9.482 of the Revised Code. 56500

As a condition precedent to receiving funding from the 56501  
department of health, the director of health may require general 56502  
or city health districts to be accredited not later than July 1, 56503  
2018, by an accreditation body approved by the director. 56504

The department may make evaluative studies of the nutritional 56505  
status of Ohio residents, and of the food and nutrition-related 56506  
programs operating within the state. Every agency of the state, at 56507  
the request of the department, shall provide information and 56508  
otherwise assist in the execution of such studies. 56509

**Sec. 3701.132.** The department of health is hereby designated 56510  
as the state agency to administer the "special supplemental 56511  
nutrition program for women, infants, and children" established 56512  
under the "Child Nutrition Act of 1966," 80 Stat. 885, 42 U.S.C. 56513  
1786, as amended. The director of health may adopt rules pursuant 56514  
to Chapter 119. of the Revised Code as necessary for administering 56515  
the program. The rules may include civil money penalties for 56516  
violations of the rules. 56517

In determining eligibility for services provided under the 56518  
program, the department may use the application form established 56519  
under section ~~5111.013~~ 5163.40 of the Revised Code for the healthy 56520  
start program. The department may require applicants to furnish 56521  
their social security numbers. 56522

If the department determines that a vendor has committed an 56523  
act with respect to the program that federal statutes or 56524  
regulations or state statutes or rules prohibit, the department 56525  
shall take action against the vendor in the manner required by 7 56526  
C.F.R. part 246, including imposition of a civil money penalty in 56527  
accordance with 7 C.F.R. 246.12, or rules adopted under this 56528  
section. 56529

**Sec. 3701.243.** (A) Except as provided in this section or 56530

section 3701.248 of the Revised Code, no person or agency of state 56531  
or local government that acquires the information while providing 56532  
any health care service or while in the employ of a health care 56533  
facility or health care provider shall disclose or compel another 56534

(1) The identity of any individual on whom an HIV test is 56536  
performed; 56537

(2) The results of an HIV test in a form that identifies the 56538  
individual tested; 56539

(3) The identity of any individual diagnosed as having AIDS 56540  
or an AIDS-related condition. 56541

(B)(1) Except as provided in divisions (B)(2), (C), (D), and 56542  
(F) of this section, the results of an HIV test or the identity of 56543  
an individual on whom an HIV test is performed or who is diagnosed 56544  
as having AIDS or an AIDS-related condition may be disclosed only 56545  
to the following: 56546

(a) The individual who was tested or the individual's legal 56547  
guardian, and the individual's spouse or any sexual partner; 56548

(b) A person to whom disclosure is authorized by a written 56549  
release, executed by the individual tested or by the individual's 56550  
legal guardian and specifying to whom disclosure of the test 56551  
results or diagnosis is authorized and the time period during 56552  
which the release is to be effective; 56553

(c) The individual's physician; 56554

(d) The department of health or a health commissioner to 56555  
which reports are made under section 3701.24 of the Revised Code; 56556

(e) A health care facility or provider that procures, 56557  
processes, distributes, or uses a human body part from a deceased 56558  
individual, donated for a purpose specified in Chapter 2108. of 56559  
the Revised Code, and that needs medical information about the 56560

deceased individual to ensure that the body part is medically 56561  
acceptable for its intended purpose; 56562

(f) Health care facility staff committees or accreditation or 56563  
oversight review organizations conducting program monitoring, 56564  
program evaluation, or service reviews; 56565

(g) A health care provider, emergency medical services 56566  
worker, or peace officer who sustained a significant exposure to 56567  
the body fluids of another individual, if that individual was 56568  
tested pursuant to division (E)(6) of section 3701.242 of the 56569  
Revised Code, except that the identity of the individual tested 56570  
shall not be revealed; 56571

(h) To law enforcement authorities pursuant to a search 56572  
warrant or a subpoena issued by or at the request of a grand jury, 56573  
a prosecuting attorney, a city director of law or similar chief 56574  
legal officer of a municipal corporation, or a village solicitor, 56575  
in connection with a criminal investigation or prosecution. 56576

(2) The results of an HIV test or a diagnosis of AIDS or an 56577  
AIDS-related condition may be disclosed to a health care provider, 56578  
or an authorized agent or employee of a health care facility or a 56579  
health care provider, if the provider, agent, or employee has a 56580  
medical need to know the information and is participating in the 56581  
diagnosis, care, or treatment of the individual on whom the test 56582  
was performed or who has been diagnosed as having AIDS or an 56583  
AIDS-related condition. 56584

This division does not impose a standard of disclosure 56585  
different from the standard for disclosure of all other specific 56586  
information about a patient to health care providers and 56587  
facilities. Disclosure may not be requested or made solely for the 56588  
purpose of identifying an individual who has a positive HIV test 56589  
result or has been diagnosed as having AIDS or an AIDS-related 56590  
condition in order to refuse to treat the individual. Referral of 56591

an individual to another health care provider or facility based on 56592  
reasonable professional judgment does not constitute refusal to 56593  
treat the individual. 56594

(3) Not later than ninety days after November 1, 1989, each 56595  
health care facility in this state shall establish a protocol to 56596  
be followed by employees and individuals affiliated with the 56597  
facility in making disclosures authorized by division (B)(2) of 56598  
this section. A person employed by or affiliated with a health 56599  
care facility who determines in accordance with the protocol 56600  
established by the facility that a disclosure is authorized by 56601  
division (B)(2) of this section is immune from liability to any 56602  
person in a civil action for damages for injury, death, or loss to 56603  
person or property resulting from the disclosure. 56604

(C)(1) Any person or government agency may seek access to or 56605  
authority to disclose the HIV test records of an individual in 56606  
accordance with the following provisions: 56607

(a) The person or government agency shall bring an action in 56608  
a court of common pleas requesting disclosure of or authority to 56609  
disclose the results of an HIV test of a specific individual, who 56610  
shall be identified in the complaint by a pseudonym but whose name 56611  
shall be communicated to the court confidentially, pursuant to a 56612  
court order restricting the use of the name. The court shall 56613  
provide the individual with notice and an opportunity to 56614  
participate in the proceedings if the individual is not named as a 56615  
party. Proceedings shall be conducted in chambers unless the 56616  
individual agrees to a hearing in open court. 56617

(b) The court may issue an order granting the plaintiff 56618  
access to or authority to disclose the test results only if the 56619  
court finds by clear and convincing evidence that the plaintiff 56620  
has demonstrated a compelling need for disclosure of the 56621  
information that cannot be accommodated by other means. In 56622  
assessing compelling need, the court shall weigh the need for 56623

disclosure against the privacy right of the individual tested and 56624  
against any disservice to the public interest that might result 56625  
from the disclosure, such as discrimination against the individual 56626  
or the deterrence of others from being tested. 56627

(c) If the court issues an order, it shall guard against 56628  
unauthorized disclosure by specifying the persons who may have 56629  
access to the information, the purposes for which the information 56630  
shall be used, and prohibitions against future disclosure. 56631

(2) A person or government agency that considers it necessary 56632  
to disclose the results of an HIV test of a specific individual in 56633  
an action in which it is a party may seek authority for the 56634  
disclosure by filing an in camera motion with the court in which 56635  
the action is being heard. In hearing the motion, the court shall 56636  
employ procedures for confidentiality similar to those specified 56637  
in division (C)(1) of this section. The court shall grant the 56638  
motion only if it finds by clear and convincing evidence that a 56639  
compelling need for the disclosure has been demonstrated. 56640

(3) Except for an order issued in a criminal prosecution or 56641  
an order under division (C)(1) or (2) of this section granting 56642  
disclosure of the result of an HIV test of a specific individual, 56643  
a court shall not compel a blood bank, hospital blood center, or 56644  
blood collection facility to disclose the result of HIV tests 56645  
performed on the blood of voluntary donors in a way that reveals 56646  
the identity of any donor. 56647

(4) In a civil action in which the plaintiff seeks to recover 56648  
damages from an individual defendant based on an allegation that 56649  
the plaintiff contracted the HIV virus as a result of actions of 56650  
the defendant, the prohibitions against disclosure in this section 56651  
do not bar discovery of the results of any HIV test given to the 56652  
defendant or any diagnosis that the defendant suffers from AIDS or 56653  
an AIDS-related condition. 56654

(D) The results of an HIV test or the identity of an 56655  
individual on whom an HIV test is performed or who is diagnosed as 56656  
having AIDS or an AIDS-related condition may be disclosed to a 56657  
federal, state, or local government agency, or the official 56658  
representative of such an agency, for purposes of the ~~medical~~ 56659  
~~assistance~~ medicaid program established under ~~section 5111.01 of~~ 56660  
~~the Revised Code~~, the medicare program established under ~~Title~~ 56661  
~~XVIII of the "Social Security Act," 49 Stat. 620 (1935) 42~~ 56662  
~~U.S.C.A. 301, as amended~~, or any other public assistance program. 56663

(E) Any disclosure pursuant to this section shall be in 56664  
writing and accompanied by a written statement that includes the 56665  
following or substantially similar language: "This information has 56666  
been disclosed to you from confidential records protected from 56667  
disclosure by state law. You shall make no further disclosure of 56668  
this information without the specific, written, and informed 56669  
release of the individual to whom it pertains, or as otherwise 56670  
permitted by state law. A general authorization for the release of 56671  
medical or other information is not sufficient for the purpose of 56672  
the release of HIV test results or diagnoses." 56673

(F) An individual who knows that the individual has received 56674  
a positive result on an HIV test or has been diagnosed as having 56675  
AIDS or an AIDS-related condition shall disclose this information 56676  
to any other person with whom the individual intends to make 56677  
common use of a hypodermic needle or engage in sexual conduct as 56678  
defined in section 2907.01 of the Revised Code. An individual's 56679  
compliance with this division does not prohibit a prosecution of 56680  
the individual for a violation of division (B) of section 2903.11 56681  
of the Revised Code. 56682

(G) Nothing in this section prohibits the introduction of 56683  
evidence concerning an HIV test of a specific individual in a 56684  
criminal proceeding. 56685

**Sec. 3701.261.** (A) As used in this section, "state university" has the same meaning as in section 3345.011 of the Revised Code. 56686  
56687  
56688

(B) The director of health shall: 56689

(1) Establish a population-based cancer registry, which shall 56690  
be known as the Ohio cancer incidence surveillance system, to 56691  
monitor the incidence of various types of malignant diseases in 56692  
Ohio, make appropriate epidemiologic studies to determine any 56693  
causal relations of such diseases with occupational, nutritional, 56694  
environmental, or infectious conditions, and alleviate or 56695  
eliminate any such conditions; 56696

(2) Advise, consult, cooperate with, and assist, by contract 56697

(3) Accept and administer grants from the federal government 56703  
or other sources, public or private, for carrying out any of the 56704  
functions enumerated in divisions ~~(A)~~(B)(1) and (2) of this 56705  
section. 56706

~~(B)~~(C) The Ohio cancer incidence surveillance system shall 56707  
follow a model of cancer data collection as set forth by the 56708  
survey epidemiology and end results system (SEERS). 56709

(D) The department may, by contract, designate a state 56710  
university as an agent to implement some or all of this section 56711  
and section 3701.262 of the Revised Code and the rules adopted 56712  
under those sections. 56713

**Sec. 3701.262.** (A) As used in this section ~~and section 56714

(D)(1) Each physician, dentist, hospital, or person providing 56747  
diagnostic or treatment services to patients with cancer shall 56748  
report each case of cancer to the department. Any person required 56749

department through an existing cancer registry if the registry 56751  
meets the reporting standards established by the director and 56752

effective beyond the date the ambulatory surgical facility's 58213  
license expires. If a variance is to expire on the date the 58214  
facility's license expires, the facility may submit to the 58215  
director an application for a new variance with its next license 58216

If at least three per cent of the qualified electors residing 58967  
within each of two or more ~~contiguous~~ city health districts sign a 58968  
petition proposing a union into a single city health district, an 58969

the information in the report is determined later to have been 59285  
incomplete or inaccurate; 59286

(2) If the program employed the individual in good faith on a 59287

the report demonstrates that the person has been convicted of or 59314

applicant a letter from the employment service that is on the 59328  
letterhead of the employment service, dated, and signed by a 59329  
supervisor or another designated official of the employment 59330  
service and that states that the employment service has requested 59331

operator may request, in writing, an extension of not more than 59422  
thirty days after the last day of the month to which the return 59423  
applies. A request for extension may be denied. If the owner or 59424  
operator submits the money late, the owner or operator shall pay a 59425  
penalty of ten per cent of the amount of the money due for each 59426

retained by the board of health shall be deposited in the special 59457  
fund of the district as required under that division. Upon receipt 59458  
of the money from a board of health, the director shall transmit 59459  
the money to the treasurer of state to be credited to the 59460

same purposes that a solid waste management district may levy a 59512  
fee under division (B) of section 3734.57 of the Revised Code. 59513

The board of county commissioners may appropriate the money 59514

applicable, shall transmit to the treasurer of the county that 59525

portion of the money generated from the disposal fee by the owner 59526  
or operator of the facility that is required by the resolution to 59527  
be paid to that county. 59528

Money received by a county treasurer under this division 59529  
shall be paid into the general fund of the county. The county 59530
