department under section 3701.046 of the Revised Code. 65540

(B) With respect to each period during which funds from a 65541
particular source are distributed for the purpose of providing 65542
family planning services, the department is subject to both of the 65543

against the diseases specified in section 3313.671 of the Revised 65570

3709.12, and 3709.14 of the Revised Code. In such cases, the 65590
necessary expense incurred shall be paid by the general health 65591
district or city for which the services are rendered. 65592

The department of health may require general or city health 65593
districts to enter into agreements for shared services under 65594
section 9.482 of the Revised Code. The department shall prepare 65595
and offer to boards of health a model contract and memorandum of 65596

1786, as amended. The director of health may adopt rules pursuant 65619
to Chapter 119. of the Revised Code as necessary for administering 65620
the program. The rules may include civil money penalties for 65621
violations of the rules. 65622

In determining eligibility for services provided under the 65623

under section ~~5111.013~~ 5163.40 of the Revised Code for the healthy 65625
start program. The department may require applicants to furnish 65626

or an AIDS-related condition. 65646

(B)(1) Except as provided in divisions (B)(2), (C), (D), and 65647
(F) of this section, the results of an HIV test or the identity of 65648

an individual on whom an HIV test is performed or who is diagnosed 65649

Revised Code, except that the identity of the individual tested 65675
shall not be revealed; 65676

(h) To law enforcement authorities pursuant to a search 65677

This division does not impose a standard of disclosure 65690
different from the standard for disclosure of all other specific 65691
information about a patient to health care providers and 65692
facilities. Disclosure may not be requested or made solely for the 65693
purpose of identifying an individual who has a positive HIV test 65694
result or has been diagnosed as having AIDS or an AIDS-related 65695
condition in order to refuse to treat the individual. Referral of 65696
an individual to another health care provider or facility based on 65697
reasonable professional judgment does not constitute refusal to 65698

this section. A person employed by or affiliated with a health 65704
care facility who determines in accordance with the protocol 65705
established by the facility that a disclosure is authorized by 65706
division (B)(2) of this section is immune from liability to any 65707
person in a civil action for damages for injury, death, or loss to 65708
person or property resulting from the disclosure. 65709

(C)(1) Any person or government agency may seek access to or 65710

authority to disclose the HIV test records of an individual in 65711
accordance with the following provisions: 65712

(a) The person or government agency shall bring an action in 65713
a court of common pleas requesting disclosure of or authority to 65714
disclose the results of an HIV test of a specific individual, who 65715
shall be identified in the complaint by a pseudonym but whose name 65716
shall be communicated to the court confidentially, pursuant to a 65717
court order restricting the use of the name. The court shall 65718
provide the individual with notice and an opportunity to 65719
participate in the proceedings if the individual is not named as a 65720
party. Proceedings shall be conducted in chambers unless the 65721
individual agrees to a hearing in open court. 65722

(b) The court may issue an order granting the plaintiff 65723
access to or authority to disclose the test results only if the 65724
court finds by clear and convincing evidence that the plaintiff 65725
has demonstrated a compelling need for disclosure of the 65726
information that cannot be accommodated by other means. In 65727
assessing compelling need, the court shall weigh the need for 65728
disclosure against the privacy right of the individual tested and 65729
against any disservice to the public interest that might result 65730
from the disclosure, such as discrimination against the individual 65731
or the deterrence of others from being tested. 65732

(c) If the court issues an order, it shall guard against 65733
unauthorized disclosure by specifying the persons who may have 65734
access to the information, the purposes for which the information 65735
shall be used, and prohibitions against future disclosure. 65736

(2) A person or government agency that considers it necessary 65737
to disclose the results of an HIV test of a specific individual in 65738
an action in which it is a party may seek authority for the 65739
disclosure by filing an in camera motion with the court in which 65740
the action is being heard. In hearing the motion, the court shall 65741
employ procedures for confidentiality similar to those specified 65742

in division (C)(1) of this section. The court shall grant the motion only if it finds by clear and convincing evidence that a compelling need for the disclosure has been demonstrated.

(b) A hospice care program or pediatric respite care program that employs an individual conditionally under authority of division (C)(2)(a) of this section shall terminate the individual's employment if the results of the criminal records check requested under division (B) of this section or described in division (I)(2) of this section, other than the results of any request for information from the federal bureau of investigation, are not obtained within the period ending thirty days after the date the request is made. Regardless of when the results of the criminal records check are obtained, if the results indicate that the individual has been convicted of or pleaded guilty to any of the offenses listed or described in division (C)(1) of this section, the program shall terminate the individual's employment unless the program chooses to employ the individual pursuant to division (F) of this section. Termination of employment under this division shall be considered just cause for discharge for purposes of division (D)(2) of section 4141.29 of the Revised Code if the individual makes any attempt to deceive the program about the individual's criminal record.

the superintendent to conduct a criminal records check regarding 68423
the applicant, that the requested criminal records check will 68424
include a determination of whether the applicant has been 68425
convicted of or pleaded guilty to any offense listed or described 68426
in division (C)(1) of this section, that, as of the date set forth 68427

service receives the results of the criminal records check, it 68430
promptly will send a copy of the results to the hospice care 68431
program or pediatric respite care program. If a hospice care 68432
program or pediatric respite care program employs an applicant 68433
conditionally in accordance with this division, the employment 68434
service, upon its receipt of the results of the criminal records 68435
check, promptly shall send a copy of the results to the hospice 68436

operator may request, in writing, an extension of not more than 68676
thirty days after the last day of the month to which the return 68677
applies. A request for extension may be denied. If the owner or 68678
operator submits the money late, the owner or operator shall pay a 68679
penalty of ten per cent of the amount of the money due for each 68680
month that it is late. 68681

(4) Of the money that is submitted by a construction and 68682
demolition debris facility or a solid waste facility on a per 68683
cubic yard or per ton basis under this section, a board of health 68684
shall transmit three cents per cubic yard or six cents per ton, as 68685
applicable, to the director not later than forty-five days after 68686

section to the treasurer of state to be credited to the 68697
construction and demolition debris facility oversight fund, which 68698
is hereby created in the state treasury. The fund shall be 68699
administered by the director, and money credited to the fund shall 68700
be used exclusively for the administration and enforcement of this 68701
chapter and rules adopted under it. 68702

facility for the quarterly payment of money generated from the 68706
disposal fee as calculated in division (A)(3) of this section. The 68707
board of health shall notify the director of any such agreement. 68708

of the money from a board of health, the director shall transmit 68714
the money to the treasurer of state to be credited to the 68715
construction and demolition debris facility oversight fund. 68716

solid waste facility is located within the territorial boundaries 68718
of a municipal corporation or the unincorporated area of a 68719
township, the municipal corporation or township may appropriate up 68720
to four cents per cubic yard or up to eight cents per ton of the 68721
disposal fee required to be paid by the facility under division 68722
(A)(1) of this section for the same purposes that a municipal 68723
corporation or township may levy a fee under division (C) of 68724
section 3734.57 of the Revised Code. 68725

The legislative authority of the municipal corporation or 68726
township may appropriate the money from the fee by enacting an 68727
ordinance or adopting a resolution establishing the amount of the 68728

fee to be appropriated. Upon doing so, the legislative authority 68729
shall mail a certified copy of the ordinance or resolution to the 68730
board of health of the health district in which the construction 68731
and demolition debris facility or the solid waste facility is 68732
located or, if the facility is located in a health district that 68733
is not on the approved list under section 3714.09 of the Revised 68734
Code, to the director. Upon receipt of the copy of the ordinance 68735
or resolution and not later than forty-five days after receipt of 68736

appropriate, shall maintain separate records of the money received 68749
under this division. 68750

The legislative authority of a municipal corporation or 68751
township may cease appropriating money under this division by 68752
repealing the ordinance or resolution that was enacted or adopted 68753
under this division. 68754

The director shall adopt rules in accordance with Chapter 68755
119. of the Revised Code establishing requirements for prorating 68756
the amount of the fee that may be appropriated under this division 68757
by a municipal corporation or township in which only a portion of 68758

and in consuming or applying the medication, upon request by or 69170
with the consent of the resident. If a resident is physically 69171
unable to place a dose of medicine to the resident's mouth without 69172
spilling it, a staff member may place the dose in a container and 69173
place the container to the mouth of the resident. 69174

(C) Except as provided in division (D) of this section, a 69175
residential care facility may admit or retain individuals who 69176
require skilled nursing care beyond the supervision of special 69177
diets, application of dressings, or administration of medication, 69178
only if the care will be provided on a part-time, intermittent 69179
basis for not more than a total of one hundred twenty days in any 69180
twelve-month period. In accordance with Chapter 119. of the 69181
Revised Code, the director of health shall adopt rules specifying 69182
what constitutes the need for skilled nursing care on a part-time, 69183
intermittent basis. The director shall adopt rules that are 69184
consistent with rules pertaining to home health care adopted by 69185
the medicaid director ~~of job and family services~~ for the medicaid 69186
program ~~established under Chapter 5111. of the Revised Code.~~ 69187
Skilled nursing care provided pursuant to this division may be 69188
provided by a home health agency certified ~~under Title XVIII of~~ 69189

~~the "Social Security Act for participation in the medicare~~ 69190
~~program,"~~ a hospice care program licensed under Chapter 3712. of 69191
the Revised Code, or a member of the staff of a residential care 69192
facility who is qualified to perform skilled nursing care. 69193

A residential care facility that provides skilled nursing 69194
care pursuant to this division shall do both of the following: 69195

(1) Evaluate each resident receiving the skilled nursing care 69196
at least once every seven days to determine whether the resident 69197
should be transferred to a nursing home; 69198

(2) Meet the skilled nursing care needs of each resident 69199
receiving the care. 69200

(D)(1) A residential care facility may admit or retain an 69201
individual who requires skilled nursing care for more than one 69202
hundred twenty days in any twelve-month period only if the 69203
facility has entered into a written agreement with each of the 69204
following: 69205

(a) The individual or individual's sponsor; 69206

(b) The individual's personal physician; 69207

(c) Unless the individual's personal physician oversees the 69208
skilled nursing care, the provider of the skilled nursing care; 69209

(d) If the individual is a hospice patient as defined in 69210
section 3712.01 of the Revised Code, a hospice care program 69211
licensed under Chapter 3712. of the Revised Code. 69212

(2) The agreement required by division (D)(1) of this section 69213
shall include all of the following provisions: 69214

(a) That the individual will be provided skilled nursing care 69215
in the facility only if a determination has been made that the 69216
individual's needs can be met at the facility; 69217

(b) That the individual will be retained in the facility only 69218
if periodic redeterminations are made that the individual's needs 69219

are being met at the facility; 69220

(c) That the redeterminations will be made according to a 69221
schedule specified in the agreement; 69222

(d) If the individual is a hospice patient, that the 69223
individual has been given an opportunity to choose the hospice 69224
care program that best meets the individual's needs; 69225

(e) Unless the individual is a hospice patient, that the 69226
individual's personal physician has determined that the skilled 69227
nursing care the individual needs is routine. 69228

(E) Notwithstanding any other provision of this chapter, a 69229
residential care facility in which residents receive skilled 69230
nursing care pursuant to this section is not a nursing home. 69231

Sec. 3721.02. (A) As used in this section, "residential 69232
facility" means a residential facility licensed under section 69233
~~5119.22~~ 5119.34 of the Revised Code that provides accommodations, 69234
supervision, and personal care services for three to sixteen 69235
unrelated adults. 69236

(B) The director of health shall license homes and establish 69237
procedures to be followed in inspecting and licensing homes. The 69238
director may inspect a home at any time. Each home shall be 69239
inspected by the director at least once prior to the issuance of a 69240
license and at least once every fifteen months thereafter. The 69241
state fire marshal or a township, municipal, or other legally 69242
constituted fire department approved by the marshal shall also 69243
inspect a home prior to issuance of a license, at least once every 69244
fifteen months thereafter, and at any other time requested by the 69245
director. A home does not have to be inspected prior to issuance 69246
of a license by the director, state fire marshal, or a fire 69247
department if ownership of the home is assigned or transferred to 69248
a different person and the home was licensed under this chapter 69249

immediately prior to the assignment or transfer. The director may 69250
enter at any time, for the purposes of investigation, any 69251
institution, residence, facility, or other structure that has been 69252
reported to the director or that the director has reasonable cause 69253
to believe is operating as a nursing home, residential care 69254
facility, or home for the aging without a valid license required 69255
by section 3721.05 of the Revised Code or, in the case of a county 69256
home or district home, is operating despite the revocation of its 69257
residential care facility license. The director may delegate the 69258
director's authority and duties under this chapter to any 69259
division, bureau, agency, or official of the department of health. 69260

(C) A single facility may be licensed both as a nursing home 69261
pursuant to this chapter and as a residential facility pursuant to 69262
section ~~5119.22~~ 5119.34 of the Revised Code if the director 69263
determines that the part or unit to be licensed as a nursing home 69264
can be maintained separate and discrete from the part or unit to 69265
be licensed as a residential facility. 69266

(D) In determining the number of residents in a home for the 69267
purpose of licensing, the director shall consider all the 69268
individuals for whom the home provides accommodations as one group 69269
unless one of the following is the case: 69270

(1) The home is a home for the aging, in which case all the 69271
individuals in the part or unit licensed as a nursing home shall 69272
be considered as one group, and all the individuals in the part or 69273
unit licensed as a rest home shall be considered as another group. 69274

(2) The home is both a nursing home and a residential 69275
facility. In that case, all the individuals in the part or unit 69276
licensed as a nursing home shall be considered as one group, and 69277
all the individuals in the part or unit licensed as an adult care 69278
facility shall be considered as another group. 69279

(3) The home maintains, in addition to a nursing home or 69280

residential care facility, a separate and discrete part or unit 69281
that provides accommodations to individuals who do not require or 69282
receive skilled nursing care and do not receive personal care 69283
services from the home, in which case the individuals in the 69284
separate and discrete part or unit shall not be considered in 69285
determining the number of residents in the home if the separate 69286
and discrete part or unit is in compliance with the Ohio basic 69287
building code established by the board of building standards under 69288
Chapters 3781. and 3791. of the Revised Code and the home permits 69289
the director, on request, to inspect the separate and discrete 69290
part or unit and speak with the individuals residing there, if 69291
they consent, to determine whether the separate and discrete part 69292
or unit meets the requirements of this division. 69293

(E)(1) The director of health shall charge the following 69294
application fee and annual renewal licensing and inspection fee 69295
for each fifty persons or part thereof of a home's licensed 69296
capacity: 69297

(a) For state fiscal year 2010, two hundred twenty dollars; 69298

(b) For state fiscal year 2011, two hundred seventy dollars; 69299

(c) For each state fiscal year thereafter, three hundred 69300
twenty dollars. 69301

(2) All fees collected by the director for the issuance or 69302
renewal of licenses shall be deposited into the state treasury to 69303
the credit of the general operations fund created in section 69304
3701.83 of the Revised Code for use only in administering and 69305
enforcing this chapter and rules adopted under it. 69306

(F)(1) Except as otherwise provided in this section, the 69307
results of an inspection or investigation of a home that is 69308
conducted under this section, including any statement of 69309
deficiencies and all findings and deficiencies cited in the 69310
statement on the basis of the inspection or investigation, shall 69311

be used solely to determine the home's compliance with this 69312
chapter or another chapter of the Revised Code in any action or 69313
proceeding other than an action commenced under division (I) of 69314
section 3721.17 of the Revised Code. Those results of an 69315
inspection or investigation, that statement of deficiencies, and 69316
the findings and deficiencies cited in that statement shall not be 69317
used in any court or in any action or proceeding that is pending 69318
in any court and are not admissible in evidence in any action or 69319
proceeding unless that action or proceeding is an appeal of an 69320
action by the department of health under this chapter or is an 69321
action by any department or agency of the state to enforce this 69322
chapter or another chapter of the Revised Code. 69323

(2) Nothing in division (E)(1) of this section prohibits the 69324
results of an inspection or investigation conducted under this 69325
section from being used in a criminal investigation or 69326
prosecution. 69327

Sec. 3721.022. (A) As used in this section: 69328

(1) "Nursing facility" has the same meaning as in section 69329
~~5111.20~~ 5165.01 of the Revised Code. 69330

(2) "Deficiency" and "survey" have the same meanings as in 69331
section ~~5111.35~~ 5165.60 of the Revised Code. 69332

(3) "Title XIX" and "Title XVIII" have the same meanings as 69333
in section 5165.01 of the Revised Code. 69334

(B) The department of health is hereby designated the state 69335
agency responsible for establishing and maintaining health 69336
standards and serving as the state survey agency for the purposes 69337
of ~~Titles~~ Title XVIII and Title XIX of the "~~Social Security Act,~~" 69338

XVIII and Title XIX by the United States secretary of health and human services and with sections ~~5111.35~~ 5165.60 to ~~5111.62~~ 5165.89 of the Revised Code. The director of health shall enter into agreements with regard to these functions with the department of ~~job and family services~~ medicaid and the United States department of health and human services. The director may also enter into agreements with the department of ~~job and family services~~ medicaid under which the department of health is designated to perform functions under sections ~~5111.35~~ 5165.60 to ~~5111.62~~ 5165.89 of the Revised Code.

The director, in accordance with Chapter 119. of the Revised Code, shall adopt rules necessary to implement the survey and certification requirements for skilled nursing facilities and nursing facilities established by the United States secretary of health and human services under ~~Titles~~ Title XVIII and Title XIX of the "~~Social Security Act,~~" and the survey requirements established under sections ~~5111.35~~ 5165.60 to ~~5111.62~~ 5165.89 of the Revised Code. The rules shall include an informal process by which a facility may obtain up to two reviews of any deficiencies that have been cited on a statement of deficiencies made by the department of health under 42 C.F.R. Part 488 and cause the facility to be in noncompliance as defined in 42 C.F.R. 488.301. The first review shall be conducted by an employee of the department who did not participate in and was not otherwise involved in any way with the survey. A facility that is not satisfied with the results of a first review may receive a second review on payment of a fee to the department. The amount of the fee shall be specified in rules adopted under this section. The fee shall be deposited into the state treasury to the credit of the general operations fund created in section 3701.83 of the Revised Code for use in the implementation of this section. The second review shall be conducted by either of the following as selected by the facility: a hearing officer employed by the

department or a hearing officer included on a list the department 69375
shall provide the facility. A final determination that any 69376
deficiency citation is unjustified shall be reflected clearly in 69377
all records relating to the survey. 69378

The director need not adopt as rules any of the regulations, 69379
guidelines, or procedures issued under ~~Titles~~ Title XVIII and 69380
Title XIX ~~of the "Social Security Act"~~ by the United States 69381
secretary of health and human services. 69382

care to residents who are medicaid recipients ~~of medical~~ 69388
~~assistance under Chapter 5111. of the Revised Code.~~ The program 69389
may be funded with public funds appropriated by the general 69390
assembly for the purpose of the program or any funds appropriated 69391
for nursing home licensure. 69392

Sec. 3721.027. (A) As used in this section, "survey" has the 69393

department of aging, any unresolved complaint that the office of 69398
the state long-term care ~~ombudsman~~ ombudsman has investigated 69399
and found to be valid and refers to the department of health. This 69400
requirement does not supersede federal requirements for survey 69401
agency complaint investigations. 69402

Sec. 3721.042. The director of health may not deny a nursing 69403

home license to a facility seeking a license under this chapter as 69404

requirement established in rules adopted under section 3721.04 of 69406
the Revised Code regarding the toilet rooms and dining and 69407
recreational areas of nursing homes if all of the following 69408

it is a county home or district home being sold under section 69411
5155.31 of the Revised Code to a person who may not operate the 69412
facility without a nursing home license under this chapter. 69413

(B) The requirement would not have applied to the facility 69414
had the facility been a nursing home first licensed under this 69415
chapter before October 20, 2001. 69416

(C) The facility was a nursing facility, as defined in 69417
section ~~5111.20~~ 5165.01 of the Revised Code, on the date 69418
immediately preceding the date the facility is sold to the person 69419
seeking the license. 69420

Sec. 3721.071. The buildings in which a home is housed shall 69421
be equipped with both an automatic fire extinguishing system and 69422
fire alarm system. Such systems shall conform to standards set 69423
forth in the regulations of the board of building standards and 69424
the state fire marshal. 69425

The time for compliance with the requirements imposed by this 69426
section shall be January 1, 1975, except that the date for 69427
compliance with the automatic fire extinguishing requirements is 69428

are otherwise in compliance with fire safety laws and regulations 69430
and: 69431

(A) The home within thirty days after August 4, 1975, files a 69432

carried out to reduce the possibility of a fire; 69435

(2) Provides evidence that the home has entered into an 69436

(4) Includes a statement regarding the expected date for the 69445
completion of the fire extinguishing system or fire alarm system, 69446
or both. 69447

(B) Inspections by a qualified independent safety engineer 69448
consultant or a township, municipal, or other legally constituted 69449
fire department, or by a township or municipal fire prevention 69450
officer are initiated no later than sixty days after August 4, 69451
1975, and are conducted no less than monthly thereafter, and 69452
reports of the consultant, fire department, or fire prevention 69453
officer identifying existing hazards and recommended corrective 69454
actions are submitted to the state fire marshal, the division of 69455
industrial compliance in the department of commerce, and the 69456
department of health. 69457

It is the express intent of the general assembly that the 69458
department of ~~job and family services~~ medicaid shall terminate 69459
~~payments under Title XIX of the "Social Security Act," 49 Stat.~~ 69460

Sec. 3721.08. (A) As used in this section, "real and present danger" means imminent danger of serious physical or life-threatening harm to one or more occupants of a home.

(B) The director of health may petition the court of common pleas of the county in which the home is located for an order enjoining any person from operating a home without a license or enjoining a county home or district home that has had its license revoked from continuing to operate. The court shall have jurisdiction to grant such injunctive relief upon a showing that the respondent named in the petition is operating a home without a license or that the county home or district home named in the petition is operating despite the revocation of its license. The court shall have jurisdiction to grant such injunctive relief against the operation of a home without a valid license regardless of whether the home meets essential licensing requirements.

(C) Unless the department of ~~job and family services~~ medicaid or contracting agency has taken action under section ~~5111.51~~ 5165.77 of the Revised Code to appoint a temporary manager or seek injunctive relief, if, in the judgment of the director of health, real and present danger exists at any home, the director may petition the court of common pleas of the county in which the home is located for such injunctive relief as is necessary to close the home, transfer one or more occupants to other homes or other appropriate care settings, or otherwise eliminate the real and present danger. The court shall have the jurisdiction to grant such injunctive relief upon a showing that there is real and present danger.

(D)(1) If the director determines that real and present danger exists at a home and elects not to immediately seek injunctive relief under division (C) of this section, the director may give written notice of proposed action to the home. The notice

shall specify all of the following: 69525

(a) The nature of the conditions giving rise to the real and present danger; 69526
69527

(b) The measures that the director determines the home must take to respond to the conditions; 69528
69529

(c) The date on which the director intends to seek injunctive relief under division (C) of this section if the director determines that real and present danger exists at the home. 69530
69531
69532

(2) If the home notifies the director, within the time specified pursuant to division (D)(1)(c) of this section, that it believes the conditions giving rise to the real and present danger have been substantially corrected, the director shall conduct an inspection to determine whether real and present danger exists. If the director determines on the basis of the inspection that real and present danger exists, the director may petition under division (C) of this section for injunctive relief. 69533
69534
69535
69536
69537
69538
69539
69540

(E)(1) If in the judgment of the director of health conditions exist at a home that will give rise to real and present danger if not corrected, the director shall give written notice of proposed action to the home. The notice shall specify all of the following: 69541
69542
69543
69544
69545

(a) The nature of the conditions giving rise to the director's judgment; 69546
69547

(b) The measures that the director determines the home must take to respond to the conditions; 69548
69549

(c) The date, which shall be no less than ten days after the notice is delivered, on which the director intends to seek injunctive relief under division (C) of this section if the conditions are not substantially corrected and the director determines that a real and present danger exists. 69550
69551
69552
69553
69554

(2) If the home notifies the director, within the period of 69555
time specified pursuant to division (E)(1)(c) of this section, 69556
that the conditions giving rise to the director's determination 69557
have been substantially corrected, the director shall conduct an 69558
inspection. If the director determines on the basis of the 69559
inspection that the conditions have not been corrected and a real 69560
and present danger exists, the director may petition under 69561
division (C) of this section for injunctive relief. 69562

(F)(1) A court that grants injunctive relief under division 69563
(C) of this section may also appoint a special master who, subject 69564
to division (F)(2) of this section, shall have such powers and 69565
authority over the home and length of appointment as the court 69566
considers necessary. Subject to division (F)(2) of this section, 69567
the salary of a special master and any costs incurred by a special 69568
master shall be the obligation of the home. 69569

(2) No special master shall enter into any employment 69570
contract on behalf of a home, or purchase with the home's funds 69571
any capital goods totaling more than ten thousand dollars, unless 69572
the special master has obtained approval for the contract or 69573
purchase from the home's operator or the court. 69574

(G) If the director takes action under division (C), (D), or 69575
(E) of this section, the director may also appoint employees of 69576
the department of health to conduct on-site monitoring of the 69577
home. Appointment of monitors is not subject to appeal under 69578
Chapter 119. or any other section of the Revised Code. No employee 69579
of a home for which monitors are appointed, no person employed by 69580
the home within the previous two years, and no person who 69581
currently has a consulting contract with the department or a home, 69582
shall be appointed under this division. Every monitor shall have 69583
the professional qualifications necessary to monitor correction of 69584
the conditions that give rise to or, in the director's judgment, 69585
will give rise to real and present danger. The number of monitors 69586

present at a home at any given time shall not exceed one for every 69587
fifty residents, or fraction thereof. 69588

(H) On finding that the real and present danger for which 69589
injunctive relief was granted under division (C) of this section 69590
has been eliminated and that the home's operator has demonstrated 69591
the capacity to prevent the real and present danger from 69592
recurring, the court shall terminate its jurisdiction over the 69593

A violation of sections 3721.10 to 3721.17 of the Revised 70462
Code is a separate offense for each day of the violation and for 70463
each resident who claims the violation. 70464

(G) No home or employee of a home shall retaliate against any 70465
person who: 70466

prosecuting attorney or the attorney general of a possible 70475
violation of sections 3721.10 to 3721.17 of the Revised Code. 70476

If, under the procedures outlined in this section, a home or 70477
its employee is found to have retaliated, the violator may be 70478
fined up to one thousand dollars. 70479

(H) When legal action is indicated, any evidence of criminal 70480
activity found in an investigation under division (C) of this 70481
section shall be given to the prosecuting attorney in the county 70482
in which the home is located for investigation. 70483

(I)(1)(a) Any resident whose rights under sections 3721.10 to 70484
3721.17 of the Revised Code are violated has a cause of action 70485
against any person or home committing the violation. 70486

(b) An action under division (I)(1)(a) of this section may be 70487
commenced by the resident or by the resident's legal guardian or 70488
other legally authorized representative on behalf of the resident 70489
or the resident's estate. If the resident or the resident's legal 70490
guardian or other legally authorized representative is unable to 70491
commence an action under that division on behalf of the resident, 70492
the following persons in the following order of priority have the 70493
right to and may commence an action under that division on behalf 70494

A court's determination under this division as to the person to commence an action on behalf of a resident or the resident's estate shall bar another person from commencing the action on behalf of the resident or the resident's estate.

(d) The result of an action commenced pursuant to division (I)(1)(a) of this section by a person authorized under division (I)(1)(b) of this section shall bind the resident or the resident's estate that is the subject of the action.

(e) A cause of action under division (I)(1)(a) of this section shall accrue, and the statute of limitations applicable to that cause of action shall begin to run, based upon the violation of a resident's rights under sections 3721.10 to 3721.17 of the Revised Code, regardless of the party commencing the action on behalf of the resident or the resident's estate as authorized under divisions (I)(1)(b) and (c) of this section.

(2)(a) The plaintiff in an action filed under division (I)(1) of this section may obtain injunctive relief against the violation of the resident's rights. The plaintiff also may recover compensatory damages based upon a showing, by a preponderance of the evidence, that the violation of the resident's rights resulted from a negligent act or omission of the person or home and that the violation was the proximate cause of the resident's injury, death, or loss to person or property.

(b) If compensatory damages are awarded for a violation of the resident's rights, section 2315.21 of the Revised Code shall apply to an award of punitive or exemplary damages for the violation.

(c) The court, in a case in which only injunctive relief is granted, may award to the prevailing party reasonable attorney's fees limited to the work reasonably performed.

(3) Division (I)(2) (b) of this section shall be considered to be purely remedial in operation and shall be applied in a remedial manner in any civil action in which this section is relevant, whether the action is pending in court or commenced on or after July 9, 1998.

information. The facility shall maintain on file the individual's 70598
signed statement. 70599

resident's sponsor or a residents' rights advocate, by the filing 70603
of a civil action in the court of common pleas of the county in 70604

discharging the resident from the home until arrangements 70609
satisfactory to the court are made for the orderly transfer of the 70610
resident to another mode of health care including, but not limited 70611

relative to the ~~medical assistance~~ medicaid program was not 70616
provided as required under this section, the court shall grant any 70617

In the case of solid wastes that are taken to a solid waste 70765
transfer facility located in this state prior to being transported 70766
for disposal at a solid waste disposal facility located in this 70767
state or outside of this state, the fees levied under this 70768
division shall be collected by the owner or operator of the 70769
transfer facility as a trustee for the state. The amount of fees 70770
required to be collected under this division at such a transfer 70771
facility shall equal the total tonnage of solid wastes received at 70772
the facility multiplied by the fees levied under this division. In 70773
the case of solid wastes that are not taken to a solid waste 70774
transfer facility located in this state prior to being transported 70775
to a solid waste disposal facility, the fees shall be collected by 70776
the owner or operator of the solid waste disposal facility as a 70777
trustee for the state. The amount of fees required to be collected 70778
under this division at such a disposal facility shall equal the 70779
total tonnage of solid wastes received at the facility that was 70780
not previously taken to a solid waste transfer facility located in 70781

this state multiplied by the fees levied under this division. Fees 70782
levied under this division do not apply to materials separated 70783
from a mixed waste stream for recycling by a generator or 70784
materials removed from the solid waste stream through recycling, 70785
as "recycling" is defined in rules adopted under section 3734.02 70786
of the Revised Code. 70787

The owner or operator of a solid waste transfer facility or 70788
disposal facility, as applicable, shall prepare and file with the 70789
director of environmental protection each month a return 70790
indicating the total tonnage of solid wastes received at the 70791
facility during that month and the total amount of the fees 70792
required to be collected under this division during that month. In 70793
addition, the owner or operator of a solid waste disposal facility 70794
shall indicate on the return the total tonnage of solid wastes 70795
received from transfer facilities located in this state during 70796
that month for which the fees were required to be collected by the 70797
transfer facilities. The monthly returns shall be filed on a form 70798
prescribed by the director. Not later than thirty days after the 70799
last day of the month to which a return applies, the owner or 70800
operator shall mail to the director the return for that month 70801
together with the fees required to be collected under this 70802
division during that month as indicated on the return or may 70803
submit the return and fees electronically in a manner approved by 70804
the director. If the return is filed and the amount of the fees 70805
due is paid in a timely manner as required in this division, the 70806
owner or operator may retain a discount of three-fourths of one 70807
per cent of the total amount of the fees that are required to be 70808
paid as indicated on the return. 70809

The owner or operator may request an extension of not more 70810
than thirty days for filing the return and remitting the fees, 70811
provided that the owner or operator has submitted such a request 70812
in writing to the director together with a detailed description of 70813

why the extension is requested, the director has received the 70814
request not later than the day on which the return is required to 70815
be filed, and the director has approved the request. If the fees 70816
are not remitted within thirty days after the last day of the 70817
month to which the return applies or are not remitted by the last 70818
day of an extension approved by the director, the owner or 70819
operator shall not retain the three-fourths of one per cent 70820
discount and shall pay an additional ten per cent of the amount of 70821
the fees for each month that they are late. For purposes of 70822
calculating the late fee, the first month in which fees are late 70823
begins on the first day after the deadline has passed for timely 70824
submitting the return and fees, and one additional month shall be 70825
counted every thirty days thereafter. 70826

The owner or operator of a solid waste facility may request a 70827
refund or credit of fees levied under this division and remitted 70828
to the director that have not been paid to the owner or operator. 70829
Such a request shall be made only if the fees have not been 70830
collected by the owner or operator, have become a debt that has 70831
become worthless or uncollectable for a period of six months or 70832
more, and may be claimed as a deduction, including a deduction 70833
claimed if the owner or operator keeps accounts on an accrual 70834
basis, under the "Internal Revenue Code of 1954," 68A Stat. 50, 26 70835
U.S.C. 166, as amended, and regulations adopted under it. Prior to 70836
making a request for a refund or credit, an owner or operator 70837
shall make reasonable efforts to collect the applicable fees. A 70838
request for a refund or credit shall not include any costs 70839
resulting from those efforts to collect unpaid fees. 70840

A request for a refund or credit of fees shall be made in 70841
writing, on a form prescribed by the director, and shall be 70842
supported by evidence that may be required in rules adopted by the 70843
director under this chapter. After reviewing the request, and if 70844
the request and evidence submitted with the request indicate that 70845

a refund or credit is warranted, the director shall grant a refund 70846
to the owner or operator or shall permit a credit to be taken by 70847
the owner or operator on a subsequent monthly return submitted by 70848
the owner or operator. The amount of a refund or credit shall not 70849
exceed an amount that is equal to ninety days' worth of fees owed 70850
to an owner or operator by a particular debtor of the owner or 70851
operator. A refund or credit shall not be granted by the director 70852
to an owner or operator more than once in any twelve-month period 70853
for fees owed to the owner or operator by a particular debtor. 70854

If, after receiving a refund or credit from the director, an 70855
owner or operator receives payment of all or part of the fees, the 70856
owner or operator shall remit the fees with the next monthly 70857
return submitted to the director together with a written 70858
explanation of the reason for the submittal. 70859

For purposes of computing the fees levied under this division 70860
or division (B) of this section, any solid waste transfer or 70861
disposal facility that does not use scales as a means of 70862
determining gate receipts shall use a conversion factor of three 70863
cubic yards per ton of solid waste or one cubic yard per ton for 70864
baled waste, as applicable. 70865

The fees levied under this division and divisions (B) and (C) 70866
of this section are in addition to all other applicable fees and 70867
taxes and shall be paid by the customer or a political subdivision 70868
to the owner or operator of a solid waste transfer or disposal 70869
facility. In the alternative, the fees shall be paid by a customer 70870
or political subdivision to a transporter of waste who 70871
subsequently transfers the fees to the owner or operator of such a 70872
facility. The fees shall be paid notwithstanding the existence of 70873
any provision in a contract that the customer or a political 70874
subdivision may have with the owner or operator or with a 70875
transporter of waste to the facility that would not require or 70876
allow such payment regardless of whether the contract was entered 70877

prior to or after October 16, 2009. For those purposes, "customer" 70878
means a person who contracts with, or utilizes the solid waste 70879
services of, the owner or operator of a solid waste transfer or 70880
disposal facility or a transporter of solid waste to such a 70881
facility. 70882

(B) For the purposes specified in division (G) of this 70883
section, the solid waste management policy committee of a county 70884
or joint solid waste management district may levy fees upon the 70885
following activities: 70886

(1) The disposal at a solid waste disposal facility located 70887
in the district of solid wastes generated within the district; 70888

(2) The disposal at a solid waste disposal facility within 70889
the district of solid wastes generated outside the boundaries of 70890
the district, but inside this state; 70891

(3) The disposal at a solid waste disposal facility within 70892
the district of solid wastes generated outside the boundaries of 70893
this state. 70894

The solid waste management plan of the county or joint 70895
district approved under section 3734.521 or 3734.55 of the Revised 70896
Code and any amendments to it, or the resolution adopted under 70897
this division, as appropriate, shall establish the rates of the 70898
fees levied under divisions (B)(1), (2), and (3) of this section, 70899
if any, and shall specify whether the fees are levied on the basis 70900
of tons or cubic yards as the unit of measurement. A solid waste 70901
management district that levies fees under this division on the 70902
basis of cubic yards shall do so in accordance with division (A) 70903
of this section. 70904

The fee levied under division (B)(1) of this section shall be 70905
not less than one dollar per ton nor more than two dollars per 70906
ton, the fee levied under division (B)(2) of this section shall be 70907
not less than two dollars per ton nor more than four dollars per 70908

ton, and the fee levied under division (B)(3) of this section 70909
shall be not more than the fee levied under division (B)(1) of 70910
this section. 70911

Prior to the approval of the solid waste management plan of a 70912
district under section 3734.55 of the Revised Code, the solid 70913
waste management policy committee of a district may levy fees 70914
under this division by adopting a resolution establishing the 70915
proposed amount of the fees. Upon adopting the resolution, the 70916
committee shall deliver a copy of the resolution to the board of 70917
county commissioners of each county forming the district and to 70918
the legislative authority of each municipal corporation and 70919
township under the jurisdiction of the district and shall prepare 70920
and publish the resolution and a notice of the time and location 70921
where a public hearing on the fees will be held. Upon adopting the 70922
resolution, the committee shall deliver written notice of the 70923
adoption of the resolution; of the amount of the proposed fees; 70924
and of the date, time, and location of the public hearing to the 70925
director and to the fifty industrial, commercial, or institutional 70926
generators of solid wastes within the district that generate the 70927
largest quantities of solid wastes, as determined by the 70928
committee, and to their local trade associations. The committee 70929
shall make good faith efforts to identify those generators within 70930
the district and their local trade associations, but the 70931
nonprovision of notice under this division to a particular 70932
generator or local trade association does not invalidate the 70933
proceedings under this division. The publication shall occur at 70934
least thirty days before the hearing. After the hearing, the 70935
committee may make such revisions to the proposed fees as it 70936
considers appropriate and thereafter, by resolution, shall adopt 70937
the revised fee schedule. Upon adopting the revised fee schedule, 70938
the committee shall deliver a copy of the resolution doing so to 70939
the board of county commissioners of each county forming the 70940
district and to the legislative authority of each municipal 70941

corporation and township under the jurisdiction of the district. 70942
Within sixty days after the delivery of a copy of the resolution 70943
adopting the proposed revised fees by the policy committee, each 70944
such board and legislative authority, by ordinance or resolution, 70945
shall approve or disapprove the revised fees and deliver a copy of 70946
the ordinance or resolution to the committee. If any such board or 70947
legislative authority fails to adopt and deliver to the policy 70948
committee an ordinance or resolution approving or disapproving the 70949
revised fees within sixty days after the policy committee 70950
delivered its resolution adopting the proposed revised fees, it 70951
shall be conclusively presumed that the board or legislative 70952
authority has approved the proposed revised fees. The committee 70953
shall determine if the resolution has been ratified in the same 70954
manner in which it determines if a draft solid waste management 70955
plan has been ratified under division (B) of section 3734.55 of 70956
the Revised Code. 70957

The committee may amend the schedule of fees levied pursuant 70958
to a resolution adopted and ratified under this division by 70959
adopting a resolution establishing the proposed amount of the 70960
amended fees. The committee may repeal the fees levied pursuant to 70961
such a resolution by adopting a resolution proposing to repeal 70962
them. Upon adopting such a resolution, the committee shall proceed 70963
to obtain ratification of the resolution in accordance with this 70964
division. 70965

Not later than fourteen days after declaring the new fees to 70966
be ratified or the fees to be repealed under this division, the 70967
committee shall notify by certified mail the owner or operator of 70968
each solid waste disposal facility that is required to collect the 70969
fees of the ratification and the amount of the fees or of the 70970
repeal of the fees. Collection of any fees shall commence or 70971
collection of repealed fees shall cease on the first day of the 70972
second month following the month in which notification is sent to 70973

the owner or operator. 70974

Fees levied under this division also may be established, 70975
amended, or repealed by a solid waste management policy committee 70976
through the adoption of a new district solid waste management 70977
plan, the adoption of an amended plan, or the amendment of the 70978
plan or amended plan in accordance with sections 3734.55 and 70979
3734.56 of the Revised Code or the adoption or amendment of a 70980
district plan in connection with a change in district composition 70981
under section 3734.521 of the Revised Code. 70982

Not later than fourteen days after the director issues an 70983
order approving a district's solid waste management plan, amended 70984
plan, or amendment to a plan or amended plan that establishes, 70985
amends, or repeals a schedule of fees levied by the district, the 70986
committee shall notify by certified mail the owner or operator of 70987
each solid waste disposal facility that is required to collect the 70988
fees of the approval of the plan or amended plan, or the amendment 70989
to the plan, as appropriate, and the amount of the fees, if any. 70990
In the case of an initial or amended plan approved under section 70991
3734.521 of the Revised Code in connection with a change in 70992
district composition, other than one involving the withdrawal of a 70993
county from a joint district, the committee, within fourteen days 70994
after the change takes effect pursuant to division (G) of that 70995
section, shall notify by certified mail the owner or operator of 70996
each solid waste disposal facility that is required to collect the 70997
fees that the change has taken effect and of the amount of the 70998
fees, if any. Collection of any fees shall commence or collection 70999
of repealed fees shall cease on the first day of the second month 71000
following the month in which notification is sent to the owner or 71001
operator. 71002

If, in the case of a change in district composition involving 71003
the withdrawal of a county from a joint district, the director 71004
completes the actions required under division (G)(1) or (3) of 71005

section 3734.521 of the Revised Code, as appropriate, forty-five 71006
days or more before the beginning of a calendar year, the policy 71007
committee of each of the districts resulting from the change that 71008
obtained the director's approval of an initial or amended plan in 71009
connection with the change, within fourteen days after the 71010
director's completion of the required actions, shall notify by 71011
certified mail the owner or operator of each solid waste disposal 71012
facility that is required to collect the district's fees that the 71013
change is to take effect on the first day of January immediately 71014
following the issuance of the notice and of the amount of the fees 71015
or amended fees levied under divisions (B)(1) to (3) of this 71016
section pursuant to the district's initial or amended plan as so 71017
approved or, if appropriate, the repeal of the district's fees by 71018
that initial or amended plan. Collection of any fees set forth in 71019
such a plan or amended plan shall commence on the first day of 71020
January immediately following the issuance of the notice. If such 71021
an initial or amended plan repeals a schedule of fees, collection 71022
of the fees shall cease on that first day of January. 71023

If, in the case of a change in district composition involving 71024
the withdrawal of a county from a joint district, the director 71025
completes the actions required under division (G)(1) or (3) of 71026
section 3734.521 of the Revised Code, as appropriate, less than 71027
forty-five days before the beginning of a calendar year, the 71028
director, on behalf of each of the districts resulting from the 71029
change that obtained the director's approval of an initial or 71030
amended plan in connection with the change proceedings, shall 71031
notify by certified mail the owner or operator of each solid waste 71032
disposal facility that is required to collect the district's fees 71033
that the change is to take effect on the first day of January 71034
immediately following the mailing of the notice and of the amount 71035
of the fees or amended fees levied under divisions (B)(1) to (3) 71036
of this section pursuant to the district's initial or amended plan 71037
as so approved or, if appropriate, the repeal of the district's 71038

fees by that initial or amended plan. Collection of any fees set 71039
forth in such a plan or amended plan shall commence on the first 71040
day of the second month following the month in which notification 71041
is sent to the owner or operator. If such an initial or amended 71042
plan repeals a schedule of fees, collection of the fees shall 71043
cease on the first day of the second month following the month in 71044
which notification is sent to the owner or operator. 71045

If the schedule of fees that a solid waste management 71046
district is levying under divisions (B)(1) to (3) of this section 71047
is amended or repealed, the fees in effect immediately prior to 71048
the amendment or repeal shall continue to be collected until 71049
collection of the amended fees commences or collection of the 71050
repealed fees ceases, as applicable, as specified in this 71051
division. In the case of a change in district composition, money 71052
so received from the collection of the fees of the former 71053
districts shall be divided among the resulting districts in 71054
accordance with division (B) of section 343.012 of the Revised 71055
Code and the agreements entered into under division (B) of section 71056
343.01 of the Revised Code to establish the former and resulting 71057
districts and any amendments to those agreements. 71058

For the purposes of the provisions of division (B) of this 71059
section establishing the times when newly established or amended 71060
fees levied by a district are required to commence and the 71061
collection of fees that have been amended or repealed is required 71062
to cease, "fees" or "schedule of fees" includes, in addition to 71063
fees levied under divisions (B)(1) to (3) of this section, those 71064
levied under section 3734.573 or 3734.574 of the Revised Code. 71065

(C) For the purposes of defraying the added costs to a 71066
municipal corporation or township of maintaining roads and other 71067
public facilities and of providing emergency and other public 71068
services, and compensating a municipal corporation or township for 71069
reductions in real property tax revenues due to reductions in real 71070

property valuations resulting from the location and operation of a 71071
solid waste disposal facility within the municipal corporation or 71072
township, a municipal corporation or township in which such a 71073
solid waste disposal facility is located may levy a fee of not 71074
more than twenty-five cents per ton on the disposal of solid 71075
wastes at a solid waste disposal facility located within the 71076
boundaries of the municipal corporation or township regardless of 71077
where the wastes were generated. 71078

The legislative authority of a municipal corporation or 71079
township may levy fees under this division by enacting an 71080
ordinance or adopting a resolution establishing the amount of the 71081
fees. Upon so doing the legislative authority shall mail a 71082
certified copy of the ordinance or resolution to the board of 71083
county commissioners or directors of the county or joint solid 71084
waste management district in which the municipal corporation or 71085
township is located or, if a regional solid waste management 71086
authority has been formed under section 343.011 of the Revised 71087
Code, to the board of trustees of that regional authority, the 71088
owner or operator of each solid waste disposal facility in the 71089
municipal corporation or township that is required to collect the 71090
fee by the ordinance or resolution, and the director of 71091
environmental protection. Although the fees levied under this 71092
division are levied on the basis of tons as the unit of 71093
measurement, the legislative authority, in its ordinance or 71094
resolution levying the fees under this division, may direct that 71095
the fees be levied on the basis of cubic yards as the unit of 71096
measurement based upon a conversion factor of three cubic yards 71097
per ton generally or one cubic yard per ton for baled wastes. 71098

Not later than five days after enacting an ordinance or 71099
adopting a resolution under this division, the legislative 71100
authority shall so notify by certified mail the owner or operator 71101
of each solid waste disposal facility that is required to collect 71102

the fee. Collection of any fee levied on or after March 24, 1992, 71103
shall commence on the first day of the second month following the 71104
month in which notification is sent to the owner or operator. 71105

(D)(1) The fees levied under divisions (A), (B), and (C) of 71106
this section do not apply to the disposal of solid wastes that: 71107

(a) Are disposed of at a facility owned by the generator of 71108
the wastes when the solid waste facility exclusively disposes of 71109
solid wastes generated at one or more premises owned by the 71110
generator regardless of whether the facility is located on a 71111
premises where the wastes are generated; 71112

(b) Are generated from the combustion of coal, or from the 71113
combustion of primarily coal, regardless of whether the disposal 71114
facility is located on the premises where the wastes are 71115
generated; 71116

(c) Are asbestos or asbestos-containing materials or products 71117
disposed of at a construction and demolition debris facility that 71118
is licensed under Chapter 3714. of the Revised Code or at a solid 71119
waste facility that is licensed under this chapter. 71120

(2) Except as provided in section 3734.571 of the Revised 71121
Code, any fees levied under division (B)(1) of this section apply 71122
to solid wastes originating outside the boundaries of a county or 71123
joint district that are covered by an agreement for the joint use 71124
of solid waste facilities entered into under section 343.02 of the 71125
Revised Code by the board of county commissioners or board of 71126
directors of the county or joint district where the wastes are 71127
generated and disposed of. 71128

(3) When solid wastes, other than solid wastes that consist 71129
of scrap tires, are burned in a disposal facility that is an 71130
incinerator or energy recovery facility, the fees levied under 71131
divisions (A), (B), and (C) of this section shall be levied upon 71132
the disposal of the fly ash and bottom ash remaining after burning 71133

of the solid wastes and shall be collected by the owner or 71134
operator of the sanitary landfill where the ash is disposed of. 71135

(4) When solid wastes are delivered to a solid waste transfer 71136
facility, the fees levied under divisions (B) and (C) of this 71137
section shall be levied upon the disposal of solid wastes 71138
transported off the premises of the transfer facility for disposal 71139
and shall be collected by the owner or operator of the solid waste 71140
disposal facility where the wastes are disposed of. 71141

(5) The fees levied under divisions (A), (B), and (C) of this 71142
section do not apply to sewage sludge that is generated by a waste 71143
water treatment facility holding a national pollutant discharge 71144
elimination system permit and that is disposed of through 71145
incineration, land application, or composting or at another 71146
resource recovery or disposal facility that is not a landfill. 71147

(6) The fees levied under divisions (A), (B), and (C) of this 71148
section do not apply to solid wastes delivered to a solid waste 71149
composting facility for processing. When any unprocessed solid 71150
waste or compost product is transported off the premises of a 71151
composting facility and disposed of at a landfill, the fees levied 71152
under divisions (A), (B), and (C) of this section shall be 71153
collected by the owner or operator of the landfill where the 71154
unprocessed waste or compost product is disposed of. 71155

(7) When solid wastes that consist of scrap tires are 71156
processed at a scrap tire recovery facility, the fees levied under 71157
divisions (A), (B), and (C) of this section shall be levied upon 71158
the disposal of the fly ash and bottom ash or other solid wastes 71159
remaining after the processing of the scrap tires and shall be 71160
collected by the owner or operator of the solid waste disposal 71161
facility where the ash or other solid wastes are disposed of. 71162

(8) The director of environmental protection may issue an 71163
order exempting from the fees levied under this section solid 71164

wastes, including, but not limited to, scrap tires, that are 71165
generated, transferred, or disposed of as a result of a contract 71166
providing for the expenditure of public funds entered into by the 71167
administrator or regional administrator of the United States 71168
environmental protection agency, the director of environmental 71169
protection, or the director of administrative services on behalf 71170
of the director of environmental protection for the purpose of 71171
remediating conditions at a hazardous waste facility, solid waste 71172
facility, or other location at which the administrator or regional 71173
administrator or the director of environmental protection has 71174
reason to believe that there is a substantial threat to public 71175
health or safety or the environment or that the conditions are 71176
causing or contributing to air or water pollution or soil 71177
contamination. An order issued by the director of environmental 71178
protection under division (D)(8) of this section shall include a 71179
determination that the amount of the fees not received by a solid 71180
waste management district as a result of the order will not 71181
adversely impact the implementation and financing of the 71182
district's approved solid waste management plan and any approved 71183
amendments to the plan. Such an order is a final action of the 71184
director of environmental protection. 71185

(E) The fees levied under divisions (B) and (C) of this 71186
section shall be collected by the owner or operator of the solid 71187
waste disposal facility where the wastes are disposed of as a 71188
trustee for the county or joint district and municipal corporation 71189
or township where the wastes are disposed of. Moneys from the fees 71190
levied under division (B) of this section shall be forwarded to 71191
the board of county commissioners or board of directors of the 71192
district in accordance with rules adopted under division (H) of 71193
this section. Moneys from the fees levied under division (C) of 71194
this section shall be forwarded to the treasurer or such other 71195
officer of the municipal corporation as, by virtue of the charter, 71196
has the duties of the treasurer or to the fiscal officer of the 71197

township, as appropriate, in accordance with those rules. 71198

(F) Moneys received by the treasurer or other officer of the 71199
municipal corporation under division (E) of this section shall be 71200
paid into the general fund of the municipal corporation. Moneys 71201
received by the fiscal officer of the township under that division 71202
shall be paid into the general fund of the township. The treasurer 71203
or other officer of the municipal corporation or the township 71204
fiscal officer, as appropriate, shall maintain separate records of 71205
the moneys received from the fees levied under division (C) of 71206
this section. 71207

(G) Moneys received by the board of county commissioners or 71208
board of directors under division (E) of this section or section 71209
3734.571, 3734.572, 3734.573, or 3734.574 of the Revised Code 71210
shall be paid to the county treasurer, or other official acting in 71211
a similar capacity under a county charter, in a county district or 71212
to the county treasurer or other official designated by the board 71213
of directors in a joint district and kept in a separate and 71214
distinct fund to the credit of the district. If a regional solid 71215
waste management authority has been formed under section 343.011 71216
of the Revised Code, moneys received by the board of trustees of 71217
that regional authority under division (E) of this section shall 71218
be kept by the board in a separate and distinct fund to the credit 71219
of the district. Moneys in the special fund of the county or joint 71220
district arising from the fees levied under division (B) of this 71221
section and the fee levied under division (A) of section 3734.573 71222
of the Revised Code shall be expended by the board of county 71223
commissioners or directors of the district in accordance with the 71224
district's solid waste management plan or amended plan approved 71225
under section 3734.521, 3734.55, or 3734.56 of the Revised Code 71226
exclusively for the following purposes: 71227

(1) Preparation of the solid waste management plan of the 71228
district under section 3734.54 of the Revised Code, monitoring 71229

implementation of the plan, and conducting the periodic review and 71230
amendment of the plan required by section 3734.56 of the Revised 71231
Code by the solid waste management policy committee; 71232

(2) Implementation of the approved solid waste management 71233
plan or amended plan of the district, including, without 71234
limitation, the development and implementation of solid waste 71235
recycling or reduction programs; 71236

(3) Providing financial assistance to boards of health within 71237
the district, if solid waste facilities are located within the 71238
district, for enforcement of this chapter and rules, orders, and 71239
terms and conditions of permits, licenses, and variances adopted 71240
or issued under it, other than the hazardous waste provisions of 71241
this chapter and rules adopted and orders and terms and conditions 71242
of permits issued under those provisions; 71243

(4) Providing financial assistance to each county within the 71244
district to defray the added costs of maintaining roads and other 71245
public facilities and of providing emergency and other public 71246
services resulting from the location and operation of a solid 71247
waste facility within the county under the district's approved 71248
solid waste management plan or amended plan; 71249

(5) Pursuant to contracts entered into with boards of health 71250
within the district, if solid waste facilities contained in the 71251
district's approved plan or amended plan are located within the 71252
district, for paying the costs incurred by those boards of health 71253
for collecting and analyzing samples from public or private water 71254
wells on lands adjacent to those facilities; 71255

(6) Developing and implementing a program for the inspection 71256
of solid wastes generated outside the boundaries of this state 71257
that are disposed of at solid waste facilities included in the 71258
district's approved solid waste management plan or amended plan; 71259

(7) Providing financial assistance to boards of health within 71260

the district for the enforcement of section 3734.03 of the Revised Code or to local law enforcement agencies having jurisdiction within the district for enforcing anti-littering laws and ordinances;

(8) Providing financial assistance to boards of health of health districts within the district that are on the approved list under section 3734.08 of the Revised Code to defray the costs to the health districts for the participation of their employees responsible for enforcement of the solid waste provisions of this chapter and rules adopted and orders and terms and conditions of permits, licenses, and variances issued under those provisions in the training and certification program as required by rules adopted under division (L) of section 3734.02 of the Revised Code;

(9) Providing financial assistance to individual municipal corporations and townships within the district to defray their added costs of maintaining roads and other public facilities and of providing emergency and other public services resulting from the location and operation within their boundaries of a composting, energy or resource recovery, incineration, or recycling facility that either is owned by the district or is furnishing solid waste management facility or recycling services to the district pursuant to a contract or agreement with the board of county commissioners or directors of the district;

(10) Payment of any expenses that are agreed to, awarded, or ordered to be paid under section 3734.35 of the Revised Code and of any administrative costs incurred pursuant to that section. In the case of a joint solid waste management district, if the board of county commissioners of one of the counties in the district is negotiating on behalf of affected communities, as defined in that section, in that county, the board shall obtain the approval of the board of directors of the district in order to expend moneys for administrative costs incurred.

Prior to the approval of the district's solid waste management plan under section 3734.55 of the Revised Code, moneys in the special fund of the district arising from the fees shall be expended for those purposes in the manner prescribed by the solid waste management policy committee by resolution.

Notwithstanding division (G)(6) of this section as it existed prior to October 29, 1993, or any provision in a district's solid waste management plan prepared in accordance with division (B)(2)(e) of section 3734.53 of the Revised Code as it existed prior to that date, any moneys arising from the fees levied under division (B)(3) of this section prior to January 1, 1994, may be expended for any of the purposes authorized in divisions (G)(1) to (10) of this section.

The petition shall indicate the objections of the person assessed, but additional objections may be raised in writing if received by the commissioner prior to the date shown on the final determination. If the petition has been properly filed, the commissioner shall proceed under section 5703.60 of the Revised Code.

(E) After an assessment becomes final, if any portion of the assessment, including accrued interest, remains unpaid, a certified copy of the tax commissioner's entry making the assessment final may be filed in the office of the clerk of the court of common pleas in the county in which the person assessed resides or in which the person's business is conducted. the Revised Code from the date of certification until the date it 71404
is paid in its entirety. Interest shall be paid in the same manner 71405
as the fee and may be collected by the issuance of an assessment 71406
under this section. 71407

(F) If the tax commissioner believes that collection of the 71408
fee will be jeopardized unless proceedings to collect or secure 71409
collection of the fee are instituted without delay, the 71410
commissioner may issue a jeopardy assessment against the person 71411
liable for the fee. Immediately upon the issuance of the jeopardy 71412

division (D) of this section and provides security in a form 71421
satisfactory to the commissioner and in an amount sufficient to 71422

consideration of the petition for reassessment. 71425

(G) All money collected by the tax commissioner under this 71426
section shall be paid to the treasurer of state as revenue arising 71427

the purchase price is not paid within ninety days after notice to 71456
the authority of the approved appraisal value, the director shall 71457
withdraw approval of the appraisal value and no deed shall be 71458

the Revised Code may file an application for an exemption from 71472
real property taxation of a percentage of the assessed valuation 71473
of a new structure or remodeling, completed after the effective 71474
date of the resolution adopted pursuant to section 3735.66 of the 71475
Revised Code, with the housing officer designated pursuant to 71476
section 3735.66 of the Revised Code for the community reinvestment 71477
area in which the property is located. If any part of the new 71478

to be used for commercial or industrial purposes, the legislative 71480
authority and the owner of the property shall enter into a written 71481

agreement pursuant to section 3735.671 of the Revised Code prior 71482

has designated the structure or by any organization or person 71499

to the county auditor with a certification as to the division of 71505
this section under which the exemption is granted, and the period 71506

authority pursuant to that division. If the construction or 71508
remodeling is of commercial or industrial property and the 71509
legislative authority is not required to certify a copy of a 71510
resolution under section 3735.671 of the Revised Code, the housing 71511

section 5709.83 of the Revised Code, unless the board has adopted 71513

(D) Except as provided in division (F) of this section, the 71516
tax exemption shall first apply in the year the construction or 71517
remodeling would first be taxable but for this section. In the 71518
case of remodeling that qualifies for exemption, a percentage, not 71519
to exceed one hundred per cent, of the amount by which the 71520
remodeling increased the assessed value of the structure shall be 71521
exempted from real property taxation. In the case of construction 71522
of a structure that qualifies for exemption, a percentage, not to 71523
exceed one hundred per cent, of the assessed value of the 71524
structure shall be exempted from real property taxation. In either 71525
case, the percentage shall be the percentage set forth in the 71526
agreement if the structure or remodeling is to be used for 71527
commercial or industrial purposes, or the percentage set forth in 71528
the resolution describing the community reinvestment area if the 71529
structure or remodeling is to be used for residential purposes. 71530

exemption of any property granted an exemption under this section. 71571
A complaint against exemption shall be filed prior to the 71572

the property is requested. The housing officer shall determine 71574
whether the property continues to meet the requirements for 71575
exemption and shall certify the housing officer's findings to the 71576
complainant. If the housing officer determines that the property 71577

shall notify the county auditor, who shall correct the tax list 71579
and duplicate accordingly. 71580

(F) The owner of a dwelling constructed in a community 71581
reinvestment area may file an application for an exemption after 71582

application shall be processed in accordance with the procedures 71584
prescribed under this section and shall be granted if the 71585
construction that is the subject of the application otherwise 71586
meets the requirements for an exemption under this section. If 71587
approved, the exemption sought in the application first applies in 71588
the year the application is filed. An exemption approved pursuant 71589
to this division continues only for those years remaining in the 71590
period described in division (D)(4) of this section. No exemption 71591

Sec. 3737.882. (A) If, after an examination or inspection, 71825
the fire marshal or an assistant fire marshal finds that a release 71826
of petroleum is suspected, the fire marshal shall take such action 71827
as the fire marshal considers necessary to ensure that a suspected 71828
release is confirmed or disproved and, if the occurrence of a 71829
release is confirmed, to correct the release. These actions may 71830

the release occurred, to obtain the corrective action necessary to 71844
protect human health and the environment. In granting any such 71845
relief, the court shall ensure that the terms of the temporary 71846
restraining order or injunction are sufficient to provide 71847
comprehensive corrective action to protect human health and the 71848
environment. 71849

(3) Entry onto premises and undertaking corrective action 71850
with respect to a release of petroleum if, in the fire marshal's 71851

(B) The fire marshal shall adopt, and may amend and rescind, such rules as the fire marshal considers necessary to establish standards for corrective actions for suspected and confirmed releases of petroleum and standards for the recovery of costs incurred for undertaking corrective or enforcement actions with respect to such releases. The rules also shall include requirements for financial responsibility for the cost of corrective actions for and compensation of bodily injury and property damage incurred by third parties that are caused by releases of petroleum. Rules regarding financial responsibility shall, without limitation, require responsible persons to provide evidence that the parties guaranteeing payment of the deductible amount established under division (E) or (F) of section 3737.91 of the Revised Code are, at a minimum, secondarily liable for all corrective action and third-party liability costs incurred within the scope of the deductible amount. assess a civil penalty under this division, or the fire marshal 71890
may request the attorney general to bring a civil action for 71891
imposition of the civil penalty in the court of common pleas of 71892
the county in which the violation occurred. If the fire marshal 71893
determines that a responsible person is in violation of division 71894
(C)(1) of this section or division (F) of section 3737.881 of the 71895
Revised Code, the fire marshal may request the attorney general to 71896
bring a civil action for appropriate relief, including a temporary 71897
restraining order or preliminary or permanent injunction, in the 71898
court of common pleas of the county in which the underground 71899
storage tank or, in the case of a violation of division (F)(3) of 71900
section 3737.881 of the Revised Code, the training program that is 71901

division. 71913

(D) Orders issued under division (A) of section 3737.88 of 71914
the Revised Code and divisions (A)(1) and (C) of this section, and 71915
appeals thereof, are subject to and governed by Chapter 3745. of 71916
the Revised Code. Such orders shall be issued without the 71917
necessity for issuance of a proposed action under that chapter. 71918
For purposes of appeals of any such orders, the term "director" as 71919

(2) Twenty dollars per ton on the total actual emissions of 72155
each such regulated pollutant during calendar year 1994, to be 72156
collected no sooner than April 15, 1995; 72157

(3) Twenty-five dollars per ton on the total actual emissions 72158
of each such regulated pollutant in calendar year 1995, and each 72159

subsequent calendar year, to be collected no sooner than the 72160
fifteenth day of April of the year next succeeding the calendar 72161
year in which the emissions occurred. 72162

The fees levied under this division do not apply to that 72163
portion of the emissions of a regulated pollutant at a facility 72164
that exceed four thousand tons during a calendar year. 72165

(C)(1) The fees assessed under division (B) of this section 72166
are for the purpose of providing funding for the Title V permit 72167
program. 72168

(2) The fees assessed under division (B) of this section do 72169
not apply to emissions from any electric generating unit 72170
designated as a Phase I unit under Title IV of the federal Clean 72171
Air Act prior to calendar year 2000. Those fees shall be assessed 72172
on the emissions from such a generating unit commencing in 72173
calendar year 2001 based upon the total actual emissions from the 72174
generating unit during calendar year 2000 and shall continue to be 72175
assessed each subsequent calendar year based on the total actual 72176
emissions from the generating unit during the preceding calendar 72177
year. 72178

(3) The director shall issue invoices to owners or operators 72179
of air contaminant sources who are required to pay a fee assessed 72180
under division (B) or (D) of this section. Any such invoice shall 72181
be issued no sooner than the applicable date when the fee first 72182
may be collected in a year under the applicable division, shall 72183
identify the nature and amount of the fee assessed, and shall 72184
indicate that the fee is required to be paid within thirty days 72185
after the issuance of the invoice. 72186

(D)(1) Except as provided in division (D)(3) of this section, 72187
from January 1, 1994, through December 31, 2003, each person who 72188
owns or operates an air contaminant source; who is required to 72189
apply for a permit to operate pursuant to rules adopted under 72190

division (G), or a variance pursuant to division (H), of section 72191
3704.03 of the Revised Code; and who is not required to apply for 72192
and obtain a Title V permit under section 3704.036 of the Revised 72193
Code shall pay a single fee based upon the sum of the actual 72194

particulate matter, sulfur dioxide, nitrogen oxides, organic 72196
compounds, and lead in accordance with the following schedule: 72197

contaminant source; who is required to apply for a permit to 72206
operate pursuant to rules adopted under division (G), or a 72207
variance pursuant to division (H), of section 3704.03 of the 72208
Revised Code; and who is not required to apply for and obtain a 72209
Title V permit under section 3704.03 of the Revised Code shall pay 72210
a single fee based upon the sum of the actual annual emissions 72211
from the facility of the regulated pollutants particulate matter, 72212
sulfur dioxide, nitrogen oxides, organic compounds, and lead in 72213
accordance with the following schedule: 72214

(3)(a) As used in division (D) of this section, "synthetic 72222

minor facility" means a facility for which one or more permits to 72223
install or permits to operate have been issued for the air 72224
contaminant sources at the facility that include terms and 72225
conditions that lower the facility's potential to emit air 72226
contaminants below the major source thresholds established in 72227
rules adopted under section 3704.036 of the Revised Code. 72228

(b) Beginning January 1, 2000, through June 30, ~~2014~~ 2016, 72229
each person who owns or operates a synthetic minor facility shall 72230
pay an annual fee based on the sum of the actual annual emissions 72231
from the facility of particulate matter, sulfur dioxide, nitrogen 72232
dioxide, organic compounds, and lead in accordance with the 72233
following schedule: 72234

(4) The fees assessed under division (D)(1) of this section 72249
shall be collected annually no sooner than the fifteenth day of 72250
April, commencing in 1995. The fees assessed under division (D)(2) 72251
of this section shall be collected annually no sooner than the 72252
fifteenth day of April, commencing in 2005. The fees assessed 72253
under division (D)(3) of this section shall be collected no sooner 72254

than the fifteenth day of April, commencing in 2000. The fees 72255
assessed under division (D) of this section in a calendar year 72256
shall be based upon the sum of the actual emissions of those 72257
regulated pollutants during the preceding calendar year. For the 72258
purpose of division (D) of this section, emissions of air 72259
contaminants may be calculated using engineering calculations, 72260
emission factors, material balance calculations, or performance 72261
testing procedures, as authorized by the director. The director, 72262
by rule, may require persons who are required to pay the fees 72263
assessed under division (D) of this section to pay those fees 72264
biennially rather than annually. 72265

(E)(1) Consistent with the need to cover the reasonable costs 72266
of the Title V permit program, the director annually shall 72267
increase the fees prescribed in division (B) of this section by 72268
the percentage, if any, by which the consumer price index for the 72269
most recent calendar year ending before the beginning of a year 72270
exceeds the consumer price index for calendar year 1989. Upon 72271
calculating an increase in fees authorized by division (E)(1) of 72272
this section, the director shall compile revised fee schedules for 72273
the purposes of division (B) of this section and shall make the 72274
revised schedules available to persons required to pay the fees 72275
assessed under that division and to the public. 72276

(2) For the purposes of division (E)(1) of this section: 72277

(a) The consumer price index for any year is the average of 72278
the consumer price index for all urban consumers published by the 72279
United States department of labor as of the close of the 72280
twelve-month period ending on the thirty-first day of August of 72281
that year. 72282

(b) If the 1989 consumer price index is revised, the director 72283
shall use the revision of the consumer price index that is most 72284
consistent with that for calendar year 1989. 72285

(F) Each person who is issued a permit to install pursuant to 72286
rules adopted under division (F) of section 3704.03 of the Revised 72287
Code on or after July 1, 2003, shall pay the fees specified in the 72288
following schedules: 72289

the fee at that time shall pay an additional amount that equals 72502
ten per cent of the required annual discharge fee. 72503

(ii) The billing year for the annual discharge fee 72504
established in division (L)(5)(a)(i) of this section shall consist 72505
of a twelve-month period beginning on the first day of January of 72506
the year preceding the date when the annual discharge fee is due. 72507
In the case of an existing source that permanently ceases to 72508
discharge during a billing year, the director shall reduce the 72509
annual discharge fee, including the surcharge applicable to 72510
certain industrial facilities pursuant to division (L)(5)(c) of 72511
this section, by one-twelfth for each full month during the 72512
billing year that the source was not discharging, but only if the 72513
person holding the NPDES discharge permit for the source notifies 72514
the director in writing, not later than the first day of October 72515
of the billing year, of the circumstances causing the cessation of 72516
discharge. 72517

(iii) The annual discharge fee established in division 72518
(L)(5)(a)(i) of this section, except for the surcharge applicable 72519

in gallons per day calculated using first day of May through 72522
thirty-first day of October flow data for the period two years 72523
prior to the date on which the fee is due. In the case of NPDES 72524
discharge permits for new sources, the fee shall be calculated 72525
using the average daily design flow of the facility until actual 72526
average daily discharge flow values are available for the time 72527
period specified in division (L)(5)(a)(iii) of this section. The 72528
annual discharge fee may be prorated for a new source as described 72529

another sewage sludge facility in this state for further treatment 73114
prior to disposal in this state shall not be required to pay the 73115
annual sludge fee for the tons of sewage sludge that have been 73116
transferred. In such a case, the sewage sludge facility that 73117
disposes of the sewage sludge shall pay the annual sludge fee. 73118
However, the facility transferring the sewage sludge shall pay the 73119
one-hundred-dollar minimum fee required under division (Y)(2)(a) 73120
of this section. 73121

In the case of a sewage sludge facility that treats sewage 73122

(4)(a) In the case of an entity that generates sewage sludge 73144
or a sewage sludge facility that treats sewage sludge and 73145

disposal, the incineration facility, and not the entity generating 73147
the sewage sludge or the sewage sludge facility treating the 73148
sewage sludge, shall pay the annual sludge fee for the tons of 73149

the entity generating the sewage sludge, and not the landfill or 73157
sewage sludge facility, shall pay the annual sludge fee for the 73158

Not later than the first day of May following receipt of an 73168
invoice, a person required to pay the annual sludge fee may submit 73169
objections to the director concerning the accuracy of information 73170
regarding the number of dry tons of sewage sludge used to 73171
calculate the amount of the annual sludge fee or regarding whether 73172
the sewage sludge qualifies for the exceptional quality sludge 73173
discount established in division (Y)(2)(b) of this section. The 73174
director may consider the objections and adjust the amount of the 73175
fee to ensure that it is accurate. 73176

If the director does not adjust the amount of the annual 73177
sludge fee in response to a person's objections, the person may 73178
appeal the director's determination in accordance with Chapter 73179
119. of the Revised Code. 73180

Not later than the first day of June, the director shall 73181
notify the objecting person regarding whether the director has 73182
found the objections to be valid and the reasons for the finding. 73183
If the director finds the objections to be valid and adjusts the 73184
amount of the annual sludge fee accordingly, the director shall 73185
issue with the notification a new invoice to the person 73186
identifying the amount of the annual sludge fee assessed and 73187
stating the first day of July as the deadline for payment. 73188

Not later than the first day of July, any person who is 73189
required to do so shall pay the annual sludge fee. Any person who 73190
is required to pay the fee, but who fails to do so on or before 73191
that date shall pay an additional amount that equals ten per cent 73192

of the required annual sludge fee. 73193

division (Y) of this section to the treasurer of state for deposit 73195

of administering and enforcing provisions in Chapter 6111. of the 73198
Revised Code and rules adopted under it that govern the use, 73199
storage, treatment, or disposal of sewage sludge. 73200

(7) Beginning in fiscal year 2001, and every two years 73201
thereafter, the director shall review the total amount of moneys 73202
generated by the annual sludge fees to determine if that amount 73203
exceeded six hundred thousand dollars in either of the two 73204
preceding fiscal years. If the total amount of moneys in the fund 73205
exceeded six hundred thousand dollars in either fiscal year, the 73206
director, after review of the fee structure and consultation with 73207
affected persons, shall issue an order reducing the amount of the 73208
fees levied under division (Y) of this section so that the 73209
estimated amount of moneys resulting from the fees will not exceed 73210
six hundred thousand dollars in any fiscal year. 73211

If, upon review of the fees under division (Y)(7) of this 73212
section and after the fees have been reduced, the director 73213
determines that the total amount of moneys collected and 73214
accumulated is less than six hundred thousand dollars, the 73215
director, after review of the fee structure and consultation with 73216
affected persons, may issue an order increasing the amount of the 73217
fees levied under division (Y) of this section so that the 73218
estimated amount of moneys resulting from the fees will be 73219
approximately six hundred thousand dollars. Fees shall never be 73220
increased to an amount exceeding the amount specified in division 73221
(Y)(7) of this section. 73222

Notwithstanding section 119.06 of the Revised Code, the 73223
director may issue an order under division (Y)(7) of this section 73224

without the necessity to hold an adjudicatory hearing in 73225
connection with the order. The issuance of an order under this 73226
division is not an act or action for purposes of section 3745.04 73227
of the Revised Code. 73228

within such period as is reasonably ordered by the director of the 73339
state agency that has jurisdiction over the alleged violation. 73340

(4) The owner or operator cooperates with the director of the 73341
state agency that has jurisdiction over the alleged violation in 73342
investigating the cause, nature, extent, and effects of the 73343
noncompliance. 73344

(5) The disclosure is not required by law, prior litigation, 73345

or an order by a court or a government agency. 73346

(6) The owner or operator who makes the disclosure does not 73347
know or have reason to know that a government agency charged with 73348
enforcing environmental laws has commenced an investigation or 73349
enforcement action that concerns a violation of such laws 73350
involving the activity. 73351

(C) For the purposes of this section, a disclosure shall be 73352
in writing, dated, and hand delivered or sent by certified mail to 73353
the director of the state agency that has jurisdiction over the 73354
alleged violation, and shall contain all of the following in a 73355
printed letter attached to the front of the disclosure: 73356

(1) The name, address, and telephone number of the owner or 73357
operator making the disclosure; 73358

(2) The name, title, address, and telephone number of one or 73359
more persons associated with the owner or operator who may be 73360
contacted regarding the disclosure; 73361

(3) A brief summary of the alleged violation of environmental 73362
laws, including, without limitation, the nature, date, and 73363
location of the alleged violation to the extent that the 73364
information is known by the owner or operator; 73365

(4) A statement that the information is part of an 73366
environmental audit report and is being disclosed under section 73367
3745.72 of the Revised Code in order to obtain the immunity 73368
provided by that section. 73369

(D) This section does not provide immunity from the payment 73370
of damages for harm to persons, property, or the environment; the 73371
payment of reasonable costs incurred by a government agency in 73372
responding to a disclosure; or responsibility for the remediation 73373
or cleanup of environmental harm under environmental laws. 73374

(E) The immunity provided by this section does not apply 73375

under any of the following circumstances: 73376

(1) Within the three-year period prior to disclosure, the 73377
owner or operator of a facility or property has committed 73378
significant violations that constitute a pattern of continuous or 73379
repeated violations of environmental laws, environmental related 73380
settlement agreements, or environmental related judicial orders 73381
and that arose from separate and distinct events. For the purposes 73382
of division (E)(1) of this section, a pattern of continuous or 73383
repeated violations also may be demonstrated by multiple 73384
settlement agreements related to substantially the same alleged 73385
significant violations that occurred within the three-year period 73386
immediately prior to the voluntary disclosure. Determination of 73387
whether a person has a pattern of continuous or repeated 73388
violations under division (E)(1) of this section shall be based on 73389
the compliance history of the property or specific facility at 73390
issue. 73391

(2) With respect to a specific violation, the violation 73392
resulted in serious harm or in imminent and substantial 73393
endangerment to human health or the environment. 73394

(3) With respect to a specific violation, the violation is of 73395
a specific requirement of an administrative or judicial order. 73396

(F) The immunity provided by this section applies only to 73397
disclosures made concerning environmental audits initiated after 73398
March 13, 1997, ~~and completed before January 1, 2014,~~ in 73399
accordance with the time frames specified in division (A) of 73400
section 3745.70 of the Revised Code. 73401

(G) The immunity provided by this section applies to a person 73402
who makes a good faith disclosure to a state agency under this 73403
section even though another state agency is determined to have 73404
jurisdiction over an alleged violation of environmental laws 73405
indicated in the disclosure. 73406

(H) Each state agency that receives a disclosure under this section promptly shall record receipt of the disclosure, determine whether it has jurisdiction over the alleged violation of environmental laws indicated in the disclosure, and, if it does not have such jurisdiction, deliver the disclosure documents to the director of a state agency that has jurisdiction over the alleged violation. If a disclosure indicates alleged violations of environmental laws that are under the jurisdiction of more than one state agency, the state agency that first receives the disclosure and has jurisdiction over any of the alleged violations promptly shall notify the director of each state agency that has jurisdiction over any of such alleged violations. The director of each state agency that receives a disclosure under this section, or is notified by another state agency that the director's agency has jurisdiction over an alleged violation of environmental laws indicated in the disclosure, promptly shall deliver written notice of that fact by certified mail to the owner or operator who made the disclosure. The notice shall identify the state agency that sends the notice; state the name, title, address, and telephone number of a person in the agency whom the owner or operator may contact regarding the disclosure; and state the name, address, and telephone number of the director of any other state agency notified about the disclosure because that agency has jurisdiction over an alleged violation of environmental laws indicated in the disclosure.

Sec. 3769.08. (A) Any person holding a permit to conduct a horse-racing meeting may provide a place in the race meeting grounds or enclosure at which the permit holder may conduct and supervise the pari-mutuel system of wagering by patrons of legal age on the live racing programs and simulcast racing programs conducted by the permit holder.

The pari-mutuel method of wagering upon the live racing

programs and simulcast racing programs held at or conducted within 73439
such race track, and at the time of such horse-racing meeting, or 73440
at other times authorized by the state racing commission, shall 73441
not be unlawful. No other place, except that provided and 73442
designated by the permit holder and except as provided in section 73443
3769.26 of the Revised Code, nor any other method or system of 73444
betting or wagering on live racing programs and simulcast racing 73445
programs, except the pari-mutuel system, shall be used or 73446
permitted by the permit holder; nor, except as provided in section 73447
3769.089 or 3769.26 of the Revised Code, shall the pari-mutuel 73448
system of wagering be conducted by the permit holder on any races 73449
except the races at the race track, grounds, or enclosure for 73450
which the person holds a permit. Each permit holder may retain as 73451
a commission an amount not to exceed eighteen per cent of the 73452
total of all moneys wagered on live racing programs and simulcast 73453
racing programs. 73454

The pari-mutuel wagering authorized by this section is 73455
subject to sections 3769.25 to 3769.28 of the Revised Code. 73456

(B) At the close of each racing day, each permit holder 73457
authorized to conduct thoroughbred racing, out of the amount 73458
retained on that day by the permit holder, shall pay by check, 73459
draft, or money order to the tax commissioner, as a tax, a sum 73460
equal to the following percentages of the total of all moneys 73461
wagered on live racing programs on that day and shall separately 73462
compute and pay by check, draft, or money order to the tax 73463
commissioner, as a tax, a sum equal to the following percentages 73464
of the total of all money wagered on simulcast racing programs on 73465
that day: 73466

(1) One per cent of the first two hundred thousand dollars 73467
wagered, or any part of that amount; 73468

(2) Two per cent of the next one hundred thousand dollars 73469
wagered, or any part of that amount; 73470

(3) Three per cent of the next one hundred thousand dollars 73471
wagered, or any part of that amount; 73472

(4) Four per cent of all sums over four hundred thousand 73473
dollars wagered. 73474

Except as otherwise provided in section 3769.089 of the 73475
Revised Code, each permit holder authorized to conduct 73476
thoroughbred racing shall use for purse money a sum equal to fifty 73477
per cent of the pari-mutuel revenues retained by the permit holder 73478
as a commission after payment of the state tax. This fifty per 73479
cent payment shall be in addition to the purse distribution from 73480
breakage specified in this section. 73481

Subject to division (M) of this section, from the moneys paid 73482
to the tax commissioner by thoroughbred racing permit holders, 73483
one-half of one per cent of the total of all moneys so wagered on 73484
a racing day shall be paid into the Ohio fairs fund created by 73485
section 3769.082 of the Revised Code, one and one-eighth per cent 73486
of the total of all moneys so wagered on a racing day shall be 73487
paid into the Ohio thoroughbred race fund created by section 73488
3769.083 of the Revised Code, and one-quarter of one per cent of 73489
the total of all moneys wagered on a racing day by each permit 73490
holder shall be paid into the state racing commission operating 73491
fund created by section 3769.03 of the Revised Code. The required 73492
payment to the state racing commission operating fund does not 73493
apply to county and independent fairs and agricultural societies. 73494
The remaining moneys may be retained by the permit holder, except 73495
as provided in this section with respect to the odd cents 73496
redistribution. Amounts paid into the nursing home franchise 73497
permit fee fund pursuant to this section and section 3769.26 of 73498
the Revised Code shall be used solely for the support of the 73499
PASSPORT program as determined in appropriations made by the 73500
general assembly. If the PASSPORT program is abolished, the amount 73501
that would have been paid to the nursing home franchise permit fee 73502

fund under this chapter shall be paid to the general revenue fund 73503
of the state. As used in this chapter, "PASSPORT program" ~~means~~ 73504
~~the PASSPORT program created under~~ has the same meaning as in 73505
section ~~173.40~~ 173.51 of the Revised Code. 73506

The total amount paid to the Ohio thoroughbred race fund 73507
under this section and division (A) of section 3769.087 of the 73508
Revised Code shall not exceed by more than six per cent the total 73509
amount paid to this fund under this section and division (A) of 73510
that section during the immediately preceding calendar year. 73511

Each year, the total amount calculated for payment into the 73512
Ohio fairs fund under this division, division (C) of this section, 73513
and division (A) of section 3769.087 of the Revised Code shall be 73514
an amount calculated using the percentages specified in this 73515
division, division (C) of this section, and division (A) of 73516
section 3769.087 of the Revised Code. 73517

A permit holder may contract with a thoroughbred horsemen's 73518
organization for the organization to act as a representative of 73519
all thoroughbred owners and trainers participating in a 73520
horse-racing meeting conducted by the permit holder. A 73521
"thoroughbred horsemen's organization" is any corporation or 73522
association that represents, through membership or otherwise, more 73523
than one-half of the aggregate of all thoroughbred owners and 73524
trainers who were licensed and actively participated in racing 73525
within this state during the preceding calendar year. Except as 73526
otherwise provided in this paragraph, any moneys received by a 73527
thoroughbred horsemen's organization shall be used exclusively for 73528
the benefit of thoroughbred owners and trainers racing in this 73529
state through the administrative purposes of the organization, 73530
benevolent activities on behalf of the horsemen, promotion of the 73531
horsemen's rights and interests, and promotion of equine research. 73532
A thoroughbred horsemen's organization may expend not more than an 73533
aggregate of five per cent of its annual gross receipts, or a 73534

larger amount as approved by the organization, for dues, 73535
assessments, and other payments to all other local, national, or 73536
international organizations having as their primary purposes the 73537
promotion of thoroughbred horse racing, thoroughbred horsemen's 73538
rights, and equine research. 73539

(C) Except as otherwise provided in division (B) of this 73540
section, at the close of each racing day, each permit holder 73541
authorized to conduct harness or quarter horse racing, out of the 73542
amount retained that day by the permit holder, shall pay by check, 73543
draft, or money order to the tax commissioner, as a tax, a sum 73544
equal to the following percentages of the total of all moneys 73545
wagered on live racing programs and shall separately compute and 73546
pay by check, draft, or money order to the tax commissioner, as a 73547
tax, a sum equal to the following percentages of the total of all 73548
money wagered on simulcast racing programs on that day: 73549

(1) One per cent of the first two hundred thousand dollars 73550
wagered, or any part of that amount; 73551

(2) Two per cent of the next one hundred thousand dollars 73552
wagered, or any part of that amount; 73553

(3) Three per cent of the next one hundred thousand dollars 73554
wagered, or any part of that amount; 73555

(4) Four per cent of all sums over four hundred thousand 73556
dollars wagered. 73557

Except as otherwise provided in division (B) and subject to 73558
division (M) of this section, from the moneys paid to the tax 73559
commissioner by permit holders authorized to conduct harness or 73560
quarter horse racing, one-half of one per cent of all moneys 73561
wagered on that racing day shall be paid into the Ohio fairs fund; 73562
from the moneys paid to the tax commissioner by permit holders 73563
authorized to conduct harness racing, five-eighths of one per cent 73564
of all moneys wagered on that racing day shall be paid into the 73565

Ohio standardbred development fund; and from the moneys paid to 73566
the tax commissioner by permit holders authorized to conduct 73567
quarter horse racing, five-eighths of one per cent of all moneys 73568
wagered on that racing day shall be paid into the Ohio quarter 73569
horse development fund. 73570

(D) In addition, subject to division (M) of this section, 73571
beginning on January 1, 1996, from the money paid to the tax 73572
commissioner as a tax under this section and division (A) of 73573
section 3769.087 of the Revised Code by harness horse permit 73574
holders, one-half of one per cent of the amount wagered on a 73575
racing day shall be paid into the Ohio standardbred development 73576
fund. Beginning January 1, 1998, the payment to the Ohio 73577
standardbred development fund required under this division does 73578
not apply to county agricultural societies or independent 73579
agricultural societies. 73580

The total amount paid to the Ohio standardbred development 73581
fund under this division, division (C) of this section, and 73582
division (A) of section 3769.087 of the Revised Code and the total 73583
amount paid to the Ohio quarter horse development fund under this 73584
division and division (A) of that section shall not exceed by more 73585
than six per cent the total amount paid into the fund under this 73586
division, division (C) of this section, and division (A) of 73587
section 3769.087 of the Revised Code in the immediately preceding 73588
calendar year. 73589

(E) Subject to division (M) of this section, from the money 73590
paid as a tax under this chapter by harness and quarter horse 73591
permit holders, one-quarter of one per cent of the total of all 73592
moneys wagered on a racing day by each permit holder shall be paid 73593
into the state racing commission operating fund created by section 73594
3769.03 of the Revised Code. This division does not apply to 73595
county and independent fairs and agricultural societies. 73596

(F) Except as otherwise provided in section 3769.089 of the 73597

Revised Code, each permit holder authorized to conduct harness racing shall pay to the harness horsemen's purse pool a sum equal to fifty per cent of the pari-mutuel revenues retained by the permit holder as a commission after payment of the state tax. This fifty per cent payment is to be in addition to the purse distribution from breakage specified in this section.

(G) In addition, each permit holder authorized to conduct harness racing shall be allowed to retain the odd cents of all redistribution to be made on all mutual contributions exceeding a sum equal to the next lowest multiple of ten.

Forty per cent of that portion of that total sum of such odd cents shall be used by the permit holder for purse money for Ohio sired, bred, and owned colts, for purse money for Ohio bred horses, and for increased purse money for horse races. Upon the formation of the corporation described in section 3769.21 of the Revised Code to establish a harness horsemen's health and retirement fund, twenty-five per cent of that portion of that total sum of odd cents shall be paid at the close of each racing day by the permit holder to that corporation to establish and fund the health and retirement fund. Until that corporation is formed, that twenty-five per cent shall be paid at the close of each racing day by the permit holder to the tax commissioner or the tax commissioner's agent in the county seat of the county in which the permit holder operates race meetings. The remaining thirty-five per cent of that portion of that total sum of odd cents shall be retained by the permit holder.

(H) In addition, each permit holder authorized to conduct thoroughbred racing shall be allowed to retain the odd cents of all redistribution to be made on all mutuel contributions exceeding a sum equal to the next lowest multiple of ten. Twenty per cent of that portion of that total sum of such odd cents shall be used by the permit holder for increased purse money for horse

73633 that total sum of odd cents shall be paid at the close of each
73634 racing day by the permit holder to that corporation to establish

73637 holder to the tax commissioner or the tax commissioner's agent in
73638 the county seat of the county in which the permit holder operates

to a tax of twenty-five per cent on that portion of the total sum
of such odd cents that is in excess of two thousand dollars during

(J)(1) To encourage the improvement of racing facilities for
the benefit of the public, breeders, and horse owners, and to
increase the revenue to the state from the increase in pari-mutuel
wagering resulting from those improvements, the taxes paid by a
permit holder to the state as provided for in this chapter shall
be reduced by three-fourths of one per cent of the total amount

wagered for those permit holders who make capital improvements to 73662
existing race tracks or construct new race tracks. The percentage 73663
of the reduction that may be taken each racing day shall equal 73664
seventy-five per cent of the taxes levied under divisions (B) and 73665
(C) of this section and section 3769.087 of the Revised Code, and 73666
division (F)(2) of section 3769.26 of the Revised Code, as 73667
applicable, divided by the calculated amount each fund should 73668
receive under divisions (B) and (C) of this section and section 73669
3769.087 of the Revised Code, and division (F)(2) of section 73670
3769.26 of the Revised Code and the reduction provided for in this 73671
division. If the resulting percentage is less than one, that 73672
percentage shall be multiplied by the amount of the reduction 73673
provided for in this division. Otherwise, the permit holder shall 73674
receive the full reduction provided for in this division. The 73675
amount of the allowable reduction not received shall be carried 73676
forward and applied against future tax liability. After any 73677
reductions expire, any reduction carried forward shall be treated 73678
as a reduction as provided for in this division. 73679

If more than one permit holder is authorized to conduct 73680
racing at the facility that is being built or improved, the cost 73681
of the new race track or capital improvement shall be allocated 73682
between or among all the permit holders in the ratio that the 73683
permit holders' number of racing days bears to the total number of 73684
racing days conducted at the facility. 73685

A reduction for a new race track or a capital improvement 73686
shall start from the day racing is first conducted following the 73687
date actual construction of the new race track or each capital 73688
improvement is completed and the construction cost has been 73689
approved by the racing commission, unless otherwise provided in 73690
this section. A reduction for a new race track or a capital 73691
improvement shall continue for a period of twenty-five years for 73692
new race tracks and for fifteen years for capital improvements if 73693

the construction of the capital improvement or new race track 73694
commenced prior to March 29, 1988, and for a period of ten years 73695
for new race tracks or capital improvements if the construction of 73696
the capital improvement or new race track commenced on or after 73697
March 29, 1988, but before June 6, 2001, or until the total tax 73698
reduction reaches seventy per cent of the approved cost of the new 73699
race track or capital improvement, as allocated to each permit 73700
holder, whichever occurs first. A reduction for a new race track 73701
or a capital improvement approved after June 6, 2001, shall 73702
continue until the total tax reduction reaches one hundred per 73703
cent of the approved cost of the new race track or capital 73704
improvement, as allocated to each permit holder. 73705

A reduction granted for a new race track or a capital 73706
improvement, the application for which was approved by the racing 73707
commission after March 29, 1988, but before June 6, 2001, shall 73708
not commence nor shall the ten-year period begin to run until all 73709
prior tax reductions with respect to the same race track have 73710
ended. The total tax reduction because of capital improvements 73711
shall not during any one year exceed for all permit holders using 73712
any one track three-fourths of one per cent of the total amount 73713
wagered, regardless of the number of capital improvements made. 73714
Several capital improvements to a race track may be consolidated 73715
in an application if the racing commission approved the 73716
application prior to March 29, 1988. No permit holder may receive 73717
a tax reduction for a capital improvement approved by the racing 73718
commission on or after March 29, 1988, at a race track until all 73719
tax reductions have ended for all prior capital improvements 73720
approved by the racing commission under this section or section 73721
3769.20 of the Revised Code at that race track. If there are two 73722
or more permit holders operating meetings at the same track, they 73723
may consolidate their applications. The racing commission shall 73724
notify the tax commissioner when the reduction of tax begins and 73725
when it ends. 73726

Each fiscal year the racing commission shall submit a report 73727
to the tax commissioner, the office of budget and management, and 73728
the legislative service commission. The report shall identify each 73729
capital improvement project undertaken under this division and in 73730
progress at each race track, indicate the total cost of each 73731
project, state the tax reduction that resulted from each project 73732
during the immediately preceding fiscal year, estimate the tax 73733
reduction that will result from each project during the current 73734
fiscal year, state the total tax reduction that resulted from all 73735
such projects at all race tracks during the immediately preceding 73736
fiscal year, and estimate the total tax reduction that will result 73737
from all such projects at all race tracks during the current 73738
fiscal year. 73739

(2) In order to qualify for the reduction in tax, a permit 73740
holder shall apply to the racing commission in such form as the 73741
commission may require and shall provide full details of the new 73742
race track or capital improvement, including a schedule for its 73743
construction and completion, and set forth the costs and expenses 73744
incurred in connection with it. The racing commission shall not 73745
approve an application unless the permit holder shows that a 73746
contract for the new race track or capital improvement has been 73747
let under an unrestricted competitive bidding procedure, unless 73748
the contract is exempted by the controlling board because of its 73749
unusual nature. In determining whether to approve an application, 73750
the racing commission shall consider whether the new race track or 73751
capital improvement will promote the safety, convenience, and 73752
comfort of the racing public and horse owners and generally tend 73753
towards the improvement of racing in this state. 73754

(3) If a new race track or capital improvement is approved by 73755
the racing commission and construction has started, the tax 73756
reduction may be authorized by the commission upon presentation of 73757
copies of paid bills in excess of one hundred thousand dollars or 73758

ten per cent of the approved cost, whichever is greater. After the 73759
initial authorization, the permit holder shall present copies of 73760
paid bills. If the permit holder is in substantial compliance with 73761
the schedule for construction and completion of the new race track 73762
or capital improvement, the racing commission may authorize the 73763
continuation of the tax reduction upon the presentation of the 73764
additional paid bills. The total amount of the tax reduction 73765
authorized shall not exceed the percentage of the approved cost of 73766
the new race track or capital improvement specified in division 73767
(J)(1) of this section. The racing commission may terminate any 73768
tax reduction immediately if a permit holder fails to complete the 73769
new race track or capital improvement, or to substantially comply 73770
with the schedule for construction and completion of the new race 73771
track or capital improvement. If a permit holder fails to complete 73772
a new race track or capital improvement, the racing commission 73773
shall order the permit holder to repay to the state the total 73774
amount of tax reduced. The normal tax paid by the permit holder 73775
shall be increased by three-fourths of one per cent of the total 73776
amount wagered until the total amount of the additional tax 73777
collected equals the total amount of tax reduced. 73778

(4) As used in this section: 73779

(a) "Capital improvement" means an addition, replacement, or 73780
remodeling of a structural unit of a race track facility costing 73781
at least one hundred thousand dollars, including, but not limited 73782
to, the construction of barns used exclusively for the race track 73783
facility, backstretch facilities for horsemen, paddock facilities, 73784
new pari-mutuel and totalizator equipment and appurtenances to 73785
that equipment purchased by the track, new access roads, new 73786
parking areas, the complete reconstruction, reshaping, and 73787
leveling of the racing surface and appurtenances, the installation 73788
of permanent new heating or air conditioning, roof replacement or 73789
restoration, installations of a permanent nature forming a part of 73790

the track structure, and construction of buildings that are 73791
located on a permit holder's premises. "Capital improvement" does 73792
not include the cost of replacement of equipment that is not 73793
permanently installed, ordinary repairs, painting, and maintenance 73794
required to keep a race track facility in ordinary operating 73795
condition. 73796

(b) "New race track" includes the reconstruction of a race 73797
track damaged by fire or other cause that has been declared by the 73798
racing commission, as a result of the damage, to be an inadequate 73799
facility for the safe operation of horse racing. 73800

(c) "Approved cost" includes all debt service and interest 73801
costs that are associated with a capital improvement or new race 73802
track and that the racing commission approves for a tax reduction 73803
under division (J) of this section. 73804

(5) The racing commission shall not approve an application 73805
for a tax reduction under this section if it has reasonable cause 73806
to believe that the actions or negligence of the permit holder 73807
substantially contributed to the damage suffered by the track due 73808
to fire or other cause. The racing commission shall obtain any 73809
data or information available from a fire marshal, law enforcement 73810
official, or insurance company concerning any fire or other damage 73811
suffered by a track, prior to approving an application for a tax 73812
reduction. 73813

(6) The approved cost to which a tax reduction applies shall 73814
be determined by generally accepted accounting principles and 73815
verified by an audit of the permit holder's records upon 73816
completion of the project by the racing commission, or by an 73817
independent certified public accountant selected by the permit 73818
holder and approved by the commission. 73819

(K) No other license or excise tax or fee, except as provided 73820
in sections 3769.01 to 3769.14 of the Revised Code, shall be 73821

assessed or collected from such licensee by any county, township, 73822
district, municipal corporation, or other body having power to 73823
assess or collect a tax or fee. That portion of the tax paid under 73824
this section by permit holders for racing conducted at and during 73825
the course of an agricultural exposition or fair, and that portion 73826
of the tax that would have been paid by eligible permit holders 73827
into the nursing home franchise permit fee fund as a result of 73828
racing conducted at and during the course of an agricultural 73829
exposition or fair, shall be deposited into the state treasury to 73830
the credit of the horse racing tax fund, which is hereby created 73831
for the use of the agricultural societies of the several counties 73832
in which the taxes originate. The state racing commission shall 73833
determine eligible permit holders for purposes of the preceding 73834
sentence, taking into account the breed of horse, the racing 73835
dates, the geographic proximity to the fair, and the best 73836
interests of Ohio racing. On the first day of any month on which 73837
there is money in the fund, the tax commissioner shall provide for 73838
payment to the treasurer of each agricultural society the amount 73839
of the taxes collected under this section upon racing conducted at 73840
and during the course of any exposition or fair conducted by the 73841
society. 73842

(L) From the tax paid under this section by harness track 73843
permit holders, the tax commissioner shall pay into the Ohio 73844
thoroughbred race fund a sum equal to a percentage of the amount 73845
wagered upon which the tax is paid. The percentage shall be 73846
determined by the tax commissioner and shall be rounded to the 73847
nearest one-hundredth. The percentage shall be such that, when 73848
multiplied by the amount wagered upon which tax was paid by the 73849
harness track permit holders in the most recent year for which 73850
final figures are available, it results in a sum that 73851
substantially equals the same amount of tax paid by the tax 73852
commissioner during that year into the Ohio fairs fund from taxes 73853
paid by thoroughbred permit holders. This division does not apply 73854

to county and independent fairs and agricultural societies. 73855

(M) Twenty-five per cent of the taxes levied on thoroughbred 73856
racing permit holders, harness racing permit holders, and quarter 73857
horse racing permit holders under this section, division (A) of 73858
section 3769.087 of the Revised Code, and division (F)(2) of 73859
section 3769.26 of the Revised Code shall be paid into the nursing 73860
home franchise permit fee fund. The tax commissioner shall pay any 73861
money remaining, after the payment into the nursing home franchise 73862
permit fee fund and the reductions provided for in division (J) of 73863
this section and in section 3769.20 of the Revised Code, into the 73864
Ohio fairs fund, Ohio thoroughbred race fund, Ohio standardbred 73865
development fund, Ohio quarter horse fund, and state racing 73866
commission operating fund as prescribed in this section and 73867
division (A) of section 3769.087 of the Revised Code. The tax 73868
commissioner shall thereafter use and apply the balance of the 73869
money paid as a tax by any permit holder to cover any shortage in 73870
the accounts of such funds resulting from an insufficient payment 73871
as a tax by any other permit holder. The moneys received by the 73872
tax commissioner shall be deposited weekly and paid by the tax 73873
commissioner into the funds to cover the total aggregate amount 73874
due from all permit holders to the funds, as calculated under this 73875
section and division (A) of section 3769.087 of the Revised Code, 73876
as applicable. If, after the payment into the nursing home 73877
franchise permit fee fund, sufficient funds are not available from 73878
the tax deposited by the tax commissioner to pay the required 73879
amounts into the Ohio fairs fund, Ohio standardbred development 73880
fund, Ohio thoroughbred race fund, Ohio quarter horse fund, and 73881
the state racing commission operating fund, the tax commissioner 73882
shall prorate on a proportional basis the amount paid to each of 73883
the funds. Any shortage to the funds as a result of a proration 73884
shall be applied against future deposits for the same calendar 73885
year when funds are available. After this application, the tax 73886
commissioner shall pay any remaining money paid as a tax by all 73887

permit holders into the nursing home franchise permit fee fund. 73888
This division does not apply to permit holders conducting racing 73889
at the course of an agricultural exposition or fair as described 73890
in division (K) of this section. 73891

Sec. 3769.087. (A) In addition to the commission of eighteen 73892
per cent retained by each permit holder as provided in section 73893
3769.08 of the Revised Code, each permit holder shall retain an 73894
additional amount equal to four per cent of the total of all 73895
moneys wagered on each racing day on all wagering pools other than 73896
win, place, and show, of which amount retained an amount equal to 73897
three per cent of the total of all moneys wagered on each racing 73898
day on those pools shall be paid by check, draft, or money order 73899
to the tax commissioner, as a tax. Subject to the restrictions 73900
contained in divisions (B), (C), and (M) of section 3769.08 of the 73901
Revised Code, from such additional moneys paid to the tax 73902
commissioner: 73903

(1) Four-sixths shall be allocated to fund distribution as 73904
provided in division (M) of section 3769.08 of the Revised Code. 73905

(2) One-twelfth shall be paid into the Ohio fairs fund 73906
created by section 3769.082 of the Revised Code. 73907

(3) One-twelfth of the additional moneys paid to the tax 73908
commissioner by thoroughbred racing permit holders shall be paid 73909
into the Ohio thoroughbred race fund created by section 3769.083 73910
of the Revised Code. 73911

(4) One-twelfth of the additional moneys paid to the tax 73912
commissioner by harness horse racing permit holders shall be paid 73913
to the Ohio standardbred development fund created by section 73914
3769.085 of the Revised Code. 73915

(5) One-twelfth of the additional moneys paid to the tax 73916
commissioner by quarter horse racing permit holders shall be paid 73917

to the Ohio quarter horse development fund created by section 73918
3769.086 of the Revised Code. 73919

(6) One-sixth shall be paid into the state racing commission 73920
operating fund created by section 3769.03 of the Revised Code. 73921

The remaining one per cent that is retained of the total of 73922
all moneys wagered on each racing day on all pools other than win, 73923
place, and show, shall be retained by racing permit holders, and, 73924
except as otherwise provided in section 3769.089 of the Revised 73925
Code, racing permit holders shall use one-half for purse money and 73926
retain one-half. 73927

(B) In addition to the commission of eighteen per cent 73928
retained by each permit holder as provided in section 3769.08 of 73929
the Revised Code and the additional amount retained by each permit 73930
holder as provided in division (A) of this section, each permit 73931
holder shall retain an additional amount equal to one-half of one 73932
per cent of the total of all moneys wagered on each racing day on 73933
all wagering pools other than win, place, and show. The additional 73934
amount retained under this division shall be paid by check, draft, 73935
or money order to the tax commissioner, as a tax. The tax 73936
commissioner shall pay the amount of the tax received under this 73937
division to the state racing commission operating fund created by 73938
section 3769.03 of the Revised Code. 73939

(C) Unless otherwise agreed to by the video lottery sales 73940
agent and the applicable horsemen's association recognized by the 73941
state racing commission to represent such persons, the state 73942
racing commission ~~may~~ shall direct through rule that a percentage 73943
of the lottery sales agent's commission as determined by the state 73944
lottery commission for conducting video lottery terminal gaming on 73945
behalf of the state be paid to the state racing commission for the 73946
benefit of breeding and racing in this state. The percentage so 73947
determined shall not be less than nine per cent or more than 73948
eleven per cent of the video lottery terminal income, and shall be 73949

a sliding scale based upon capital expenditures necessary to build 73950
the video lottery sales agent's facility. The aggregate of one 73951
hundred per cent of video lottery terminal income minus the 73952
lottery sales agent's commission percentage as determined by the 73953
state lottery commission plus the percentage of the lottery sale 73954
agent's commission, as determined by the state racing commission 73955
or otherwise agreed to by the video lottery sales agent and the 73956
applicable horsemen's association recognized by the state racing 73957
commission to represent such persons, for the benefit of breeding 73958
and racing in this state shall not exceed forty-five per cent of 73959
the video lottery terminal income. In addition, beginning July 1, 73960
2013, the state lottery commission shall adopt a rule to require 73961
the lottery sales agent conducting video lottery terminal gaming 73962
on behalf of the state to disperse to the state lottery commission 73963
one-half of one per cent of such a lottery sales agent's 73964
commission for the purpose of providing funding support to 73965
appropriate state agencies for programs that provide for gambling 73966
addiction and other related addiction services. The state lottery 73967
commission's rule also may require the lottery sales agent 73968
conducting video lottery terminal gaming on behalf of the state to 73969
disperse to the state lottery commission an additional amount up 73970
to one-half of one per cent of such a lottery sales agent's 73971
commission for that purpose. 73972

Sec. 3769.088. (A) If any permit holder required by this 73973
chapter to pay the taxes levied by sections 3769.08, 3769.087, 73974
3769.26, and 3769.28 of the Revised Code fails to pay the taxes, 73975
the tax commissioner may make an assessment against the permit 73976
holder based upon any information in the commissioner's 73977
possession. 73978

A penalty of up to fifteen per cent may be added to the 73979
amount of every assessment made under this section. The 73980
commissioner may adopt rules providing for the imposition and 73981

remission of penalties added to assessments made under this 73982
section. 73983

The commissioner shall give the party assessed written notice 73984
of the assessment in the manner provided in section 5703.37 of the 73985
Revised Code. With the notice, the commissioner shall provide 73986
instructions on how to petition for reassessment and request a 73987
hearing on the petition. 73988

(B) Unless the party assessed files with the tax commissioner 73989

either personally or by certified mail, a written petition for 73991
reassessment signed by the party assessed or that party's 73992
authorized agent having knowledge of the facts, the assessment 73993
becomes final and the amount of the assessment is due and payable 73994
from the party assessed to the commissioner. The petition shall 73995
indicate the objections of the party assessed, but additional 73996
objections may be raised in writing if received by the 73997
commissioner prior to the date shown on the final determination. 73998
If the petition has been properly filed, the commissioner shall 73999
proceed under section 5703.60 of the Revised Code. 74000

pleas in the county in which the place, track, or enclosure for 74005
which the permit was issued is located or the county in which the 74006
party assessed resides or has its principal place of business. If 74007
the party assessed maintains no place of business in this state 74008
and is not a resident of this state, the certified copy of the 74009
entry may be filed in the office of the clerk of the court of 74010
common pleas of Franklin county. 74011

Immediately upon the filing of the entry, the clerk shall 74012
enter a judgment for the state against the party assessed in the 74013

amount shown on the entry. The judgment may be filed by the clerk 74014
in a loose-leaf book entitled "special judgments for state horse 74015
racing tax," and shall have the same effect as other judgments. 74016
Execution shall issue upon the judgment upon the request of the 74017
tax commissioner, and all laws applicable to sales on execution 74018
shall apply to sales made under the judgment. 74019

~~The portion of~~ If the assessment is not paid in its entirety 74020
within sixty days after the day the assessment was issued, the 74021
portion of the assessment consisting of tax due shall bear 74022
interest at the rate per annum prescribed by section 5703.47 of 74023
the Revised Code from the day the tax commissioner issues the 74024
assessment until the day the assessment is paid or until it is 74025
certified to the attorney general for collection under section 74026
131.02 of the Revised Code, whichever comes first. If the unpaid 74027
portion of the assessment is certified to the attorney general for 74028
collection, the entire unpaid portion of the assessment shall bear 74029
interest at the rate per annum prescribed by section 5703.47 of 74030
the Revised Code from the date of certification until the date it 74031
is paid in its entirety. Interest shall be paid in the same manner 74032
as the tax and may be collected by the issuance of an assessment 74033
under this section. 74034

(D) All money collected by the tax commissioner under this 74035
section shall be treated as revenue arising from the taxes imposed 74036
by sections 3769.08, 3769.087, 3769.26, and 3769.28 of the Revised 74037
Code. 74038

each investigation under this division a reasonable fee, as 74089
determined by the agency. 74090

(E) The director shall license lottery sales agents pursuant 74091
to section 3770.05 of the Revised Code and, when it is considered 74092
necessary, may revoke or suspend the license of any lottery sales 74093
agent. The director may license video lottery technology 74094
providers, independent testing laboratories, and gaming employees, 74095
and promulgate rules relating thereto. When the director considers 74096

expenses, and all other relevant financial information, including 74112
an accounting of all transfers made from any lottery funds in the 74113
custody of the treasurer of state to benefit education. 74114

(G) The director may enter into contracts for the operation 74115
or promotion of the lottery pursuant to Chapter 125. of the 74116

the failure of a sales agent to transfer funds to the commission 74129
in a timely manner. Penalties may include monetary penalties, 74130

jurisdictions to conduct statewide joint lottery games. If the 74144
governor signs the agreement personally or by means of an 74145
authenticating officer pursuant to section 107.15 of the Revised 74146
Code, the director then may conduct statewide joint lottery games 74147
under the agreement. 74148

accommodations to persons of the same religion, unless membership 76198
in the religion is restricted on account of race, color, or 76199
national origin. 76200

(2) Nothing in division (H) of this section shall bar any 76201
bona fide private or fraternal organization that, incidental to 76202
its primary purpose, owns or operates lodgings for other than a 76203
commercial purpose, from limiting the rental or occupancy of the 76204
lodgings to its members or from giving preference to its members. 76205

(3) Nothing in division (H) of this section limits the 76206
applicability of any reasonable local, state, or federal 76207
restrictions regarding the maximum number of occupants permitted 76208
to occupy housing accommodations. Nothing in that division 76209
prohibits the owners or managers of housing accommodations from 76210
implementing reasonable occupancy standards based on the number 76211
and size of sleeping areas or bedrooms and the overall size of a 76212
dwelling unit, provided that the standards are not implemented to 76213
circumvent the purposes of this chapter and are formulated, 76214
implemented, and interpreted in a manner consistent with this 76215
chapter and any applicable local, state, or federal restrictions 76216
regarding the maximum number of occupants permitted to occupy 76217

housing accommodations. 76218

(4) Nothing in division (H) of this section requires that 76219
housing accommodations be made available to an individual whose 76220
tenancy would constitute a direct threat to the health or safety 76221
of other individuals or whose tenancy would result in substantial 76222
physical damage to the property of others. 76223

occupancy by at least one person who is fifty-five years of age or 76235
older per unit, as determined under the "Fair Housing Amendments 76236
Act of 1988," 102 Stat. 1623, 42 U.S.C.A. 3607, as amended. 76237

(L) Nothing in divisions (A) to (E) of this section shall be 76238
construed to require a person with a disability to be employed or 76239
trained under circumstances that would significantly increase the 76240
occupational hazards affecting either the person with a 76241
disability, other employees, the general public, or the facilities 76242
in which the work is to be performed, or to require the employment 76243
or training of a person with a disability in a job that requires 76244
the person with a disability routinely to undertake any task, the 76245
performance of which is substantially and inherently impaired by 76246
the person's disability. 76247

(M) Nothing in divisions (H)(1) to (18) of this section shall 76248

be construed to require any person selling or renting property to 76249
modify the property in any way or to exercise a higher degree of 76250
care for a person with a disability, to relieve any person with a 76251
disability of any obligation generally imposed on all persons 76252
regardless of disability in a written lease, rental agreement, or 76253
contract of purchase or sale, or to forbid distinctions based on 76254
the inability to fulfill the terms and conditions, including 76255
financial obligations, of the lease, agreement, or contract. 76256

(N) An aggrieved individual may enforce the individual's 76257
rights relative to discrimination on the basis of age as provided 76258
for in this section by instituting a civil action, within one 76259
hundred eighty days after the alleged unlawful discriminatory 76260
practice occurred, in any court with jurisdiction for any legal or 76261
equitable relief that will effectuate the individual's rights. 76262

A person who files a civil action under this division is 76263
barred, with respect to the practices complained of, from 76264
instituting a civil action under section 4112.14 of the Revised 76265
Code and from filing a charge with the commission under section 76266
4112.05 of the Revised Code. 76267

(O) With regard to age, it shall not be an unlawful 76268
discriminatory practice and it shall not constitute a violation of 76269
division (A) of section 4112.14 of the Revised Code for any 76270
employer, employment agency, joint labor-management committee 76271
controlling apprenticeship training programs, or labor 76272
organization to do any of the following: 76273

(1) Establish bona fide employment qualifications reasonably 76274
related to the particular business or occupation that may include 76275
standards for skill, aptitude, physical capability, intelligence, 76276

(2) Observe the terms of a bona fide seniority system or any 76278
bona fide employee benefit plan, including, but not limited to, a 76279

retirement, pension, or insurance plan, that is not a subterfuge 76280
to evade the purposes of this section. However, no such employee 76281
benefit plan shall excuse the failure to hire any individual, and 76282
no such seniority system or employee benefit plan shall require or 76283
permit the involuntary retirement of any individual, because of 76284
the individual's age except as provided for in the "Age 76285
Discrimination in Employment Act Amendment of 1978," 92 Stat. 189, 76286
29 U.S.C.A. 623, as amended by the "Age Discrimination in 76287

623, as amended. 76289

age who, for the two-year period immediately before retirement, is 76291
employed in a bona fide executive or a high policymaking position, 76292
if the employee is entitled to an immediate nonforfeitable annual 76293
retirement benefit from a pension, profit-sharing, savings, or 76294
deferred compensation plan, or any combination of those plans, of 76295
the employer of the employee, which equals, in the aggregate, at 76296
least forty-four thousand dollars, in accordance with the 76297
conditions of the "Age Discrimination in Employment Act Amendment 76298
of 1978," 92 Stat. 189, 29 U.S.C.A. 631, as amended by the "Age 76299
Discrimination in Employment Act Amendments of 1986," 100 Stat. 76300
3342, 29 U.S.C.A. 631, as amended; 76301

(4) Observe the terms of any bona fide apprenticeship program 76302
if the program is registered with the Ohio apprenticeship council 76303
pursuant to sections 4139.01 to 4139.06 of the Revised Code and is 76304
approved by the federal committee on apprenticeship of the United 76305
States department of labor. 76306

(P) Nothing in this chapter prohibiting age discrimination 76307
and nothing in division (A) of section 4112.14 of the Revised Code 76308
shall be construed to prohibit the following: 76309

(1) The designation of uniform age the attainment of which is 76310
necessary for public employees to receive pension or other 76311

resolution of a board of township trustees for original 76325
appointment as a police officer or firefighter; 76326

(6) Any mandatory retirement provision not in conflict with 76327

officers and firefighters; 76330

(7) Until January 1, 1994, the mandatory retirement of any 76331
employee who has attained seventy years of age and who is serving 76332

agreement, they may submit, at any time prior to forty-five days 76795
before the expiration date of the collective bargaining agreement, 76796
the issues in dispute to any mutually agreed upon dispute 76797

addresses of the parties, the issues involved, and, if applicable, 76827
the expiration date of any agreement. 76828

The board shall intervene and investigate the dispute to 76829
determine whether the parties have engaged in collective 76830

If an impasse exists or forty-five days before the expiration 76832
date of the collective bargaining agreement if one exists, the 76833
board shall appoint a mediator to assist the parties in the 76834

collective bargaining process. 76835

(3) Any time after the appointment of a mediator, either 76836
party may request the appointment of a fact-finding panel. Within 76837
fifteen days after receipt of a request for a fact-finding panel, 76838
the board shall appoint a fact-finding panel of not more than 76839

and procedures established by the board that include the 76844
regulation of costs and expenses of fact-finding, gather facts and 76845

hearings which shall be, where feasible, in the jurisdiction of 76856
the state. 76857

(b) The fact-finding panel shall conduct the hearing pursuant 76858
to rules established by the board. 76859

(c) Upon request of the fact-finding panel, the board shall 76860
issue subpoenas for hearings conducted by the panel. 76861

(d) The fact-finding panel may administer oaths. 76862

(e) The board shall prescribe guidelines for the fact-finding 76863
panel to follow in making findings. In making its recommendations, 76864

the fact-finding panel shall take into consideration the factors 76865
listed in divisions (G)(7)(a) to (f) of this section. 76866

(f) The fact-finding panel may attempt mediation at any time 76867
during the fact-finding process. From the time of appointment 76868

parties. 76879

(6)(a) Not later than seven days after the findings and 76880

vote of its total membership, and in the case of the public 76882
employee organization, the membership, by a three-fifths vote of 76883
the total membership, may reject the recommendations; if neither 76884
rejects the recommendations, the recommendations shall be deemed 76885
agreed upon as the final resolution of the issues submitted and a 76886
collective bargaining agreement shall be executed between the 76887
parties, including the fact-finding panel's recommendations, 76888
except as otherwise modified by the parties by mutual agreement. 76889
If either the legislative body or the public employee organization 76890
rejects the recommendations, the board shall publicize the 76891
findings of fact and recommendations of the fact-finding panel. 76892
The board shall adopt rules governing the procedures and methods 76893
for public employees to vote on the recommendations of the 76894
fact-finding panel. 76895

(b) As used in division (C)(6)(a) of this section, 76896

"legislative body" means the controlling board when the state or any of its agencies, authorities, commissions, boards, or other branch of public employment is party to the fact-finding process.

The parties shall request from the board a list of five qualified conciliators and the parties shall select a single conciliator from the list by alternate striking of names. If the parties cannot agree upon a conciliator within five days after the board order, the board shall on the sixth day after its order appoint a conciliator from a list of qualified persons

(8) Final offer settlement awards made under Chapter 4117. of the Revised Code are subject to Chapter 2711. of the Revised Code.

an additional adjustment period of two months, and, thereafter, if 77403
the employer pays the premium due at the close of any six-month 77404
period, coverage shall be extended for an additional eight-month 77405
period beginning from the end of the six-month period for which 77406
the employer pays the premium due; 77407

(B) A rule providing for ascertaining the correctness of any 77408
employer's report of estimated or actual expenditure of wages and 77409
the determination and adjustment of proper premiums and the 77410
payment of those premiums by the employer for or during any period 77411
less than eight months and notwithstanding any payment or 77412
determination of premium made when exceptional conditions or 77413
circumstances in the judgment of the administrator justify the 77414
action; 77415

(C) Such special rules as the administrator considers 77416
necessary to safeguard the fund and that are just in the 77417
circumstances, covering the rates to be applied where one employer 77418

services for which the employee is not eligible to receive 77433
compensation and benefits under that federal act. 77434
77435

(E) A rule providing for all of the following: 77436

(1) If, within two months immediately after the expiration of 77437
the six-month period, an employer fails to file a report of the 77438

77459
77460

(d) For a premium from one hundred fifty-one to one hundred eighty days past due, the prime interest rate plus six per cent, multiplied by the premium due; 77461
77462
77463

(e) For a premium from one hundred eighty-one to two hundred ten days past due, the prime interest rate plus eight per cent, multiplied by the premium due; 77464
77465
77466

(f) For each additional thirty-day period or portion thereof that a premium remains past due after it has remained past due for more than two hundred ten days, the prime interest rate plus eight per cent, multiplied by the premium due. 77467
77468
77469
77470

(3) Notwithstanding the interest rates specified in division (E)(2) of this section, at no time shall the additional penalty amount assessed under division (E)(2) of this section exceed fifteen per cent of the premium due. 77471
77472
77473
77474

(4) An employer may appeal a late fee penalty or additional penalty to an adjudicating committee pursuant to section 4123.291 of the Revised Code. 77475
77476
77477

For purposes of division (E) of this section, "prime interest rate" means the average bank prime rate, and the administrator shall determine the prime interest rate in the same manner as a county auditor determines the average bank prime rate under 77478
77479
77480
77481

section 929.02 of the Revised Code. 77482

(5) If the employer files an appropriate payroll report, 77483
within the time provided by law or within the time specified by 77484
the administrator if the period for which the employer paid an 77485
estimated premium is less than eight months, the employer shall 77486
not be in default and division (E)(2) of this section shall not 77487
apply if the employer pays the premiums within fifteen days after 77488
being first notified by the administrator of the amount due. 77489

(6) Any deficiencies in the amounts of the premium security 77490
deposit paid by an employer for any period shall be subject to an 77491
interest charge of six per cent per annum from the date the 77492
premium obligation is incurred. In determining the interest due on 77493
deficiencies in premium security deposit payments, a charge in 77494
each case shall be made against the employer in an amount equal to 77495
interest at the rate of six per cent per annum on the premium 77496

(F) A rule providing that each employer, on the occasion of 77503
instituting coverage under this chapter, shall submit a premium 77504
security deposit. The deposit shall be calculated equivalent to 77505
thirty per cent of the semiannual premium obligation of the 77506
employer based upon the employer's estimated expenditure for wages 77507
for the ensuing six-month period plus thirty per cent of an 77508
additional adjustment period of two months but only up to a 77509
maximum of one thousand dollars and not less than ten dollars. The 77510
administrator shall review the security deposit of every employer 77511
who has submitted a deposit which is less than the 77512
one-thousand-dollar maximum. The administrator may require any 77513

such employer to submit additional money up to the maximum of one 77514
thousand dollars that, in the administrator's opinion, reflects 77515
the employer's current payroll expenditure for an eight-month 77516
period. 77517

(G) A rule providing that each employer, on the occasion of 77518
instituting coverage under this chapter, shall submit an 77519
application for coverage that completely provides all of the 77520
information required for the administrator to establish coverage 77521
for that employer, and that the employer's failure to provide all 77522
of the information completely may be grounds for the administrator 77523
to deny coverage for that employer. 77524

(H) A rule providing that, in addition to any other remedies 77525
permitted in this chapter, the administrator may discontinue an 77526
employer's coverage if the employer fails to pay the premium due 77527
on or before the premium's due date. 77528

(I) A rule providing that if after a final adjudication it is 77529
determined that an employer has failed to pay an obligation, 77530
billing, account, or assessment that is greater than one thousand 77531
dollars on or before its due date, the administrator may 77532
discontinue the employer's coverage in addition to any other 77533
remedies permitted in this chapter, and that the administrator 77534
shall not discontinue an employer's coverage pursuant to this 77535
division prior to a final adjudication regarding the employer's 77536
failure to pay such obligation, billing, account, or assessment on 77537
or before its due date. 77538

employer's federal identification number. 77660

An employer as defined in division (B)(2) of section 4123.01 77661
of the Revised Code who has contracted with a subcontractor is 77662
liable for the unpaid premium due from any subcontractor with 77663
respect to that part of the payroll of the subcontractor that is 77664
for work performed pursuant to the contract with the employer. 77665

Division (A) of this section providing for the payment of 77666
premiums semiannually does not apply to any employer who was a 77667
subscriber to the state insurance fund prior to January 1, 1914, 77668
or who may first become a subscriber to the fund in any month 77669

other than January or July. Instead, the semiannual premiums shall 77670
be paid by those employers from time to time upon the expiration 77671
of the respective periods for which payments into the fund have 77672
been made by them. 77673

The administrator shall adopt rules to permit employers to 77674
make periodic payments of the semiannual premium due under this 77675
division. The rules shall include provisions for the assessment of 77676
interest charges, where appropriate, and for the assessment of 77677
penalties when an employer fails to make timely premium payments. 77678
An employer who timely pays the amounts due under this division is 77679
entitled to all of the benefits and protections of this chapter. 77680
Upon receipt of payment, the bureau immediately shall mail a 77681
receipt or certificate to the employer certifying that payment has 77682
been made, which receipt is prima-facie evidence of payment. 77683
Workers' compensation coverage under this chapter continues 77684
uninterrupted upon timely receipt of payment under this division. 77685

Every public employer, except public employers that are 77686
self-insuring employers under this section, shall comply with 77687
sections 4123.38 to 4123.41, and 4123.48 of the Revised Code in 77688
regard to the contribution of moneys to the public insurance fund. 77689

(B) Employers who will abide by the rules of the 77690
administrator and who may be of sufficient financial ability to 77691
render certain the payment of compensation to injured employees or 77692
the dependents of killed employees, and the furnishing of medical, 77693
surgical, nursing, and hospital attention and services and 77694
medicines, and funeral expenses, equal to or greater than is 77695
provided for in sections 4123.52, 4123.55 to 4123.62, and 4123.64 77696
to 4123.67 of the Revised Code, and who do not desire to insure 77697
the payment thereof or indemnify themselves against loss sustained 77698
by the direct payment thereof, upon a finding of such facts by the 77699
administrator, may be granted the privilege to pay individually 77700
compensation, and furnish medical, surgical, nursing, and hospital 77701

services and attention and funeral expenses directly to injured 77702
employees or the dependents of killed employees, thereby being 77703
granted status as a self-insuring employer. The administrator may 77704
charge employers who apply for the status as a self-insuring 77705
employer a reasonable application fee to cover the bureau's costs 77706
in connection with processing and making a determination with 77707
respect to an application. 77708

All employers granted status as self-insuring employers shall 77709
demonstrate sufficient financial and administrative ability to 77710
assure that all obligations under this section are promptly met. 77711
The administrator shall deny the privilege where the employer is 77712
unable to demonstrate the employer's ability to promptly meet all 77713
the obligations imposed on the employer by this section. 77714

(1) The administrator shall consider, but is not limited to, 77715
the following factors, where applicable, in determining the 77716
employer's ability to meet all of the obligations imposed on the 77717
employer by this section: 77718

(a) The employer employs a minimum of five hundred employees 77719
in this state; 77720

(b) The employer has operated in this state for a minimum of 77721
two years, provided that an employer who has purchased, acquired, 77722
or otherwise succeeded to the operation of a business, or any part 77723
thereof, situated in this state that has operated for at least two 77724
years in this state, also shall qualify; 77725

(c) Where the employer previously contributed to the state 77726
insurance fund or is a successor employer as defined by bureau 77727
rules, the amount of the buyout, as defined by bureau rules; 77728

(d) The sufficiency of the employer's assets located in this 77729
state to insure the employer's solvency in paying compensation 77730
directly; 77731

(e) The financial records, documents, and data, certified by 77732

a certified public accountant, necessary to provide the employer's 77733
full financial disclosure. The records, documents, and data 77734
include, but are not limited to, balance sheets and profit and 77735
loss history for the current year and previous four years. 77736

(f) The employer's organizational plan for the administration 77737
of the workers' compensation law; 77738

(g) The employer's proposed plan to inform employees of the 77739
change from a state fund insurer to a self-insuring employer, the 77740
procedures the employer will follow as a self-insuring employer, 77741
and the employees' rights to compensation and benefits; and 77742

(h) The employer has either an account in a financial 77743
institution in this state, or if the employer maintains an account 77744
with a financial institution outside this state, ensures that 77745
workers' compensation checks are drawn from the same account as 77746
payroll checks or the employer clearly indicates that payment will 77747
be honored by a financial institution in this state. 77748

The administrator may waive the requirements of divisions 77749
(B)(1)(a) and (b) of this section and the requirement of division 77750
(B)(1)(e) of this section that the financial records, documents, 77751
and data be certified by a certified public accountant. The 77752
administrator shall adopt rules establishing the criteria that an 77753
employer shall meet in order for the administrator to waive the 77754
~~requirement~~ requirements of division divisions (B)(1)(a), (b), and 77755
(e) of this section. Such rules may require additional security of 77756
that employer pursuant to division (E) of section 4123.351 of the 77757
Revised Code. 77758

The administrator shall not grant the status of self-insuring 77759
employer to the state, except that the administrator may grant the 77760
status of self-insuring employer to a state institution of higher 77761
education, including its hospitals, that meets the requirements of 77762
division (B)(2) of this section. 77763

(2) When considering the application of a public employer, 77764
except for a board of county commissioners described in division 77765
(G) of section 4123.01 of the Revised Code, a board of a county 77766
hospital, or a publicly owned utility, the administrator shall 77767
verify that the public employer satisfies all of the following 77768
requirements as the requirements apply to that public employer: 77769

(a) For the two-year period preceding application under this 77770
section, the public employer has maintained an unvoted debt 77771
capacity equal to at least two times the amount of the current 77772
annual premium established by the administrator under this chapter 77773
for that public employer for the year immediately preceding the 77774
year in which the public employer makes application under this 77775
section. 77776

(b) For each of the two fiscal years preceding application 77777
under this section, the unreserved and undesignated year-end fund 77778
balance in the public employer's general fund is equal to at least 77779
five per cent of the public employer's general fund revenues for 77780
the fiscal year computed in accordance with generally accepted 77781
accounting principles. 77782

(c) For the five-year period preceding application under this 77783
section, the public employer, to the extent applicable, has 77784
complied fully with the continuing disclosure requirements 77785
established in rules adopted by the United States securities and 77786
exchange commission under 17 C.F.R. 240.15c 2-12. 77787

(d) For the five-year period preceding application under this 77788
section, the public employer has not had its local government fund 77789
distribution withheld on account of the public employer being 77790
indebted or otherwise obligated to the state. 77791

(e) For the five-year period preceding application under this 77792
section, the public employer has not been under a fiscal watch or 77793
fiscal emergency pursuant to section 118.023, 118.04, or 3316.03 77794

of the Revised Code. 77795

(f) For the public employer's fiscal year preceding 77796
application under this section, the public employer has obtained 77797
an annual financial audit as required under section 117.10 of the 77798
Revised Code, which has been released by the auditor of state 77799
within seven months after the end of the public employer's fiscal 77800
year. 77801

(g) On the date of application, the public employer holds a 77802
debt rating of Aa3 or higher according to Moody's investors 77803
service, inc., or a comparable rating by an independent rating 77804
agency similar to Moody's investors service, inc. 77805

(h) The public employer agrees to generate an annual 77806
accumulating book reserve in its financial statements reflecting 77807
an actuarially generated reserve adequate to pay projected claims 77808
under this chapter for the applicable period of time, as 77809
determined by the administrator. 77810

(i) For a public employer that is a hospital, the public 77811
employer shall submit audited financial statements showing the 77812
hospital's overall liquidity characteristics, and the 77813
administrator shall determine, on an individual basis, whether the 77814
public employer satisfies liquidity standards equivalent to the 77815
liquidity standards of other public employers. 77816

(j) Any additional criteria that the administrator adopts by 77817
rule pursuant to division (E) of this section. 77818

The administrator may adopt rules establishing the criteria 77819
that a public employer shall satisfy in order for the 77820
administrator to waive any of the requirements listed in divisions 77821
(B)(2)(a) to (j) of this section. The rules may require additional 77822
security from that employer pursuant to division (E) of section 77823
4123.351 of the Revised Code. The administrator shall not waive 77824
any of the requirements listed in divisions (B)(2)(a) to (j) of 77825

this section for a public employer who does not satisfy the 77826
criteria established in the rules the administrator adopts. 77827

(C) A board of county commissioners described in division (G) 77828
of section 4123.01 of the Revised Code, as an employer, that will 77829
abide by the rules of the administrator and that may be of 77830
sufficient financial ability to render certain the payment of 77831
compensation to injured employees or the dependents of killed 77832
employees, and the furnishing of medical, surgical, nursing, and 77833
hospital attention and services and medicines, and funeral 77834
expenses, equal to or greater than is provided for in sections 77835
4123.52, 4123.55 to 4123.62, and 4123.64 to 4123.67 of the Revised 77836
Code, and that does not desire to insure the payment thereof or 77837
indemnify itself against loss sustained by the direct payment 77838
thereof, upon a finding of such facts by the administrator, may be 77839
granted the privilege to pay individually compensation, and 77840
furnish medical, surgical, nursing, and hospital services and 77841
attention and funeral expenses directly to injured employees or 77842
the dependents of killed employees, thereby being granted status 77843
as a self-insuring employer. The administrator may charge a board 77844
of county commissioners described in division (G) of section 77845
4123.01 of the Revised Code that applies for the status as a 77846
self-insuring employer a reasonable application fee to cover the 77847
bureau's costs in connection with processing and making a 77848
determination with respect to an application. All employers 77849
granted such status shall demonstrate sufficient financial and 77850
administrative ability to assure that all obligations under this 77851
section are promptly met. The administrator shall deny the 77852
privilege where the employer is unable to demonstrate the 77853
employer's ability to promptly meet all the obligations imposed on 77854
the employer by this section. The administrator shall consider, 77855
but is not limited to, the following factors, where applicable, in 77856
determining the employer's ability to meet all of the obligations 77857
imposed on the board as an employer by this section: 77858

- (1) The board as an employer employs a minimum of five hundred employees in this state; 77859
77860
- (2) The board has operated in this state for a minimum of two years; 77861
77862
- (3) Where the board previously contributed to the state insurance fund or is a successor employer as defined by bureau rules, the amount of the buyout, as defined by bureau rules; 77863
77864
77865
- (4) The sufficiency of the board's assets located in this state to insure the board's solvency in paying compensation directly; 77866
77867
77868
- (5) The financial records, documents, and data, certified by a certified public accountant, necessary to provide the board's full financial disclosure. The records, documents, and data include, but are not limited to, balance sheets and profit and loss history for the current year and previous four years. 77869
77870
77871
77872
77873
- (6) The board's organizational plan for the administration of the workers' compensation law; 77874
77875
- (7) The board's proposed plan to inform employees of the proposed self-insurance, the procedures the board will follow as a self-insuring employer, and the employees' rights to compensation and benefits; 77876
77877
77878
77879
- (8) The board has either an account in a financial institution in this state, or if the board maintains an account with a financial institution outside this state, ensures that workers' compensation checks are drawn from the same account as payroll checks or the board clearly indicates that payment will be honored by a financial institution in this state; 77880
77881
77882
77883
77884
77885
- (9) The board shall provide the administrator a surety bond in an amount equal to one hundred twenty-five per cent of the projected losses as determined by the administrator. 77886
77887
77888

(D) The administrator shall require a surety bond from all self-insuring employers, issued pursuant to section 4123.351 of the Revised Code, that is sufficient to compel, or secure to injured employees, or to the dependents of employees killed, the payment of compensation and expenses, which shall in no event be less than that paid or furnished out of the state insurance fund in similar cases to injured employees or to dependents of killed employees whose employers contribute to the fund, except when an employee of the employer, who has suffered the loss of a hand, arm, foot, leg, or eye prior to the injury for which compensation is to be paid, and thereafter suffers the loss of any other of the members as the result of any injury sustained in the course of and arising out of the employee's employment, the compensation to be paid by the self-insuring employer is limited to the disability suffered in the subsequent injury, additional compensation, if any, to be paid by the bureau out of the surplus created by section 4123.34 of the Revised Code.

(E) In addition to the requirements of this section, the administrator shall make and publish rules governing the manner of making application and the nature and extent of the proof required to justify a finding of fact by the administrator as to granting the status of a self-insuring employer, which rules shall be general in their application, one of which rules shall provide that all self-insuring employers shall pay into the state insurance fund such amounts as are required to be credited to the surplus fund in division (B) of section 4123.34 of the Revised Code. The administrator may adopt rules establishing requirements in addition to the requirements described in division (B)(2) of this section that a public employer shall meet in order to qualify for self-insuring status.

Employers shall secure directly from the bureau central offices application forms upon which the bureau shall stamp a

designating number. Prior to submission of an application, an 77921
employer shall make available to the bureau, and the bureau shall 77922
review, the information described in division (B)(1) of this 77923
section, and public employers shall make available, and the bureau 77924
shall review, the information necessary to verify whether the 77925
public employer meets the requirements listed in division (B)(2) 77926
of this section. An employer shall file the completed application 77927
forms with an application fee, which shall cover the costs of 77928
processing the application, as established by the administrator, 77929
by rule, with the bureau at least ninety days prior to the 77930
effective date of the employer's new status as a self-insuring 77931
employer. The application form is not deemed complete until all 77932
the required information is attached thereto. The bureau shall 77933
only accept applications that contain the required information. 77934

(F) The bureau shall review completed applications within a 77935
reasonable time. If the bureau determines to grant an employer the 77936
status as a self-insuring employer, the bureau shall issue a 77937
statement, containing its findings of fact, that is prepared by 77938
the bureau and signed by the administrator. If the bureau 77939
determines not to grant the status as a self-insuring employer, 77940
the bureau shall notify the employer of the determination and 77941
require the employer to continue to pay its full premium into the 77942
state insurance fund. The administrator also shall adopt rules 77943
establishing a minimum level of performance as a criterion for 77944
granting and maintaining the status as a self-insuring employer 77945
and fixing time limits beyond which failure of the self-insuring 77946
employer to provide for the necessary medical examinations and 77947
evaluations may not delay a decision on a claim. 77948

(G) The administrator shall adopt rules setting forth 77949
procedures for auditing the program of self-insuring employers. 77950
The bureau shall conduct the audit upon a random basis or whenever 77951
the bureau has grounds for believing that a self-insuring employer 77952

is not in full compliance with bureau rules or this chapter. 77953

The administrator shall monitor the programs conducted by 77954
self-insuring employers, to ensure compliance with bureau 77955
requirements and for that purpose, shall develop and issue to 77956
self-insuring employers standardized forms for use by the 77957
self-insuring employer in all aspects of the self-insuring 77958
employers' direct compensation program and for reporting of 77959
information to the bureau. 77960

The bureau shall receive and transmit to the self-insuring 77961
employer all complaints concerning any self-insuring employer. In 77962
the case of a complaint against a self-insuring employer, the 77963
administrator shall handle the complaint through the 77964
self-insurance division of the bureau. The bureau shall maintain a 77965
file by employer of all complaints received that relate to the 77966
employer. The bureau shall evaluate each complaint and take 77967
appropriate action. 77968

The administrator shall adopt as a rule a prohibition against 77969
any self-insuring employer from harassing, dismissing, or 77970
otherwise disciplining any employee making a complaint, which rule 77971
shall provide for a financial penalty to be levied by the 77972
administrator payable by the offending self-insuring employer. 77973

(H) For the purpose of making determinations as to whether to 77974
grant status as a self-insuring employer, the administrator may 77975
subscribe to and pay for a credit reporting service that offers 77976
financial and other business information about individual 77977
employers. The costs in connection with the bureau's subscription 77978
or individual reports from the service about an applicant may be 77979
included in the application fee charged employers under this 77980
section. 77981

(I) The administrator, notwithstanding other provisions of 77982
this chapter, may permit a self-insuring employer to resume 77983

payment of premiums to the state insurance fund with appropriate 77984
credit modifications to the employer's basic premium rate as such 77985
rate is determined pursuant to section 4123.29 of the Revised 77986
Code. 77987

(J) On the first day of July of each year, the administrator 77988
shall calculate separately each self-insuring employer's 77989
assessments for the safety and hygiene fund, administrative costs 77990
pursuant to section 4123.342 of the Revised Code, and for the 77991
portion of the surplus fund under division (B) of section 4123.34 77992
of the Revised Code that is not used for handicapped 77993
reimbursement, on the basis of the paid compensation attributable 77994
to the individual self-insuring employer according to the 77995
following calculation: 77996

(1) The total assessment against all self-insuring employers 77997
as a class for each fund and for the administrative costs for the 77998
year that the assessment is being made, as determined by the 77999
administrator, divided by the total amount of paid compensation 78000
for the previous calendar year attributable to all amenable 78001
self-insuring employers; 78002

(2) Multiply the quotient in division (J)(1) of this section 78003
by the total amount of paid compensation for the previous calendar 78004
year that is attributable to the individual self-insuring employer 78005
for whom the assessment is being determined. Each self-insuring 78006
employer shall pay the assessment that results from this 78007
calculation, unless the assessment resulting from this calculation 78008
falls below a minimum assessment, which minimum assessment the 78009
administrator shall determine on the first day of July of each 78010
year with the advice and consent of the bureau of workers' 78011
compensation board of directors, in which event, the self-insuring 78012
employer shall pay the minimum assessment. 78013

In determining the total amount due for the total assessment 78014
against all self-insuring employers as a class for each fund and 78015

the administrative assessment, the administrator shall reduce 78016
proportionately the total for each fund and assessment by the 78017
amount of money in the self-insurance assessment fund as of the 78018
date of the computation of the assessment. 78019

The administrator shall calculate the assessment for the 78020
portion of the surplus fund under division (B) of section 4123.34 78021
of the Revised Code that is used for handicapped reimbursement in 78022
the same manner as set forth in divisions (J)(1) and (2) of this 78023
section except that the administrator shall calculate the total 78024
assessment for this portion of the surplus fund only on the basis 78025
of those self-insuring employers that retain participation in the 78026
handicapped reimbursement program and the individual self-insuring 78027
employer's proportion of paid compensation shall be calculated 78028
only for those self-insuring employers who retain participation in 78029
the handicapped reimbursement program. The administrator, as the 78030
administrator determines appropriate, may determine the total 78031
assessment for the handicapped portion of the surplus fund in 78032
accordance with sound actuarial principles. 78033

The administrator shall calculate the assessment for the 78034
portion of the surplus fund under division (B) of section 4123.34 78035
of the Revised Code that under division (D) of section 4121.66 of 78036
the Revised Code is used for rehabilitation costs in the same 78037
manner as set forth in divisions (J)(1) and (2) of this section, 78038
except that the administrator shall calculate the total assessment 78039
for this portion of the surplus fund only on the basis of those 78040
self-insuring employers who have not made the election to make 78041
payments directly under division (D) of section 4121.66 of the 78042
Revised Code and an individual self-insuring employer's proportion 78043
of paid compensation only for those self-insuring employers who 78044
have not made that election. 78045

The administrator shall calculate the assessment for the 78046
portion of the surplus fund under division (B) of section 4123.34 78047

of the Revised Code that is used for reimbursement to a 78048
self-insuring employer under division (H) of section 4123.512 of 78049
the Revised Code in the same manner as set forth in divisions 78050
(J)(1) and (2) of this section except that the administrator shall 78051
calculate the total assessment for this portion of the surplus 78052
fund only on the basis of those self-insuring employers that 78053
retain participation in reimbursement to the self-insuring 78054
employer under division (H) of section 4123.512 of the Revised 78055
Code and the individual self-insuring employer's proportion of 78056
paid compensation shall be calculated only for those self-insuring 78057
employers who retain participation in reimbursement to the 78058
self-insuring employer under division (H) of section 4123.512 of 78059
the Revised Code. 78060

An employer who no longer is a self-insuring employer in this 78061
state or who no longer is operating in this state, shall continue 78062
to pay assessments for administrative costs and for the portion of 78063
the surplus fund under division (B) of section 4123.34 of the 78064
Revised Code that is not used for handicapped reimbursement, based 78065
upon paid compensation attributable to claims that occurred while 78066
the employer was a self-insuring employer within this state. 78067

(K) There is hereby created in the state treasury the 78068
self-insurance assessment fund. All investment earnings of the 78069
fund shall be deposited in the fund. The administrator shall use 78070
the money in the self-insurance assessment fund only for 78071
administrative costs as specified in section 4123.341 of the 78072
Revised Code. 78073

(L) Every self-insuring employer shall certify, in affidavit 78074
form subject to the penalty for perjury, to the bureau the amount 78075
of the self-insuring employer's paid compensation for the previous 78076
calendar year. In reporting paid compensation paid for the 78077
previous year, a self-insuring employer shall exclude from the 78078
total amount of paid compensation any reimbursement the 78079

self-insuring employer receives in the previous calendar year from 78080
the surplus fund pursuant to section 4123.512 of the Revised Code 78081
for any paid compensation. The self-insuring employer also shall 78082
exclude from the paid compensation reported any amount recovered 78083
under section 4123.931 of the Revised Code and any amount that is 78084
determined not to have been payable to or on behalf of a claimant 78085
in any final administrative or judicial proceeding. The 78086
self-insuring employer shall exclude such amounts from the paid 78087
compensation reported in the reporting period subsequent to the 78088
date the determination is made. The administrator shall adopt 78089
rules, in accordance with Chapter 119. of the Revised Code, that 78090
provide for all of the following: 78091

(1) Establishing the date by which self-insuring employers 78092
must submit such information and the amount of the assessments 78093
provided for in division (J) of this section for employers who 78094
have been granted self-insuring status within the last calendar 78095
year; 78096

(2) If an employer fails to pay the assessment when due, the 78097
administrator may add a late fee penalty of not more than five 78098
hundred dollars to the assessment plus an additional penalty 78099

multiplied by the assessment due; 78105

(c) For an assessment from one hundred twenty-one to one 78106
hundred fifty days past due, the prime interest rate plus four per 78107
cent, multiplied by the assessment due; 78108

(e) For an assessment from one hundred eighty-one to two 78112
hundred ten days past due, the prime interest rate plus eight per 78113
cent, multiplied by the assessment due; 78114

(f) For each additional thirty-day period or portion thereof 78115
that an assessment remains past due after it has remained past due 78116
for more than two hundred ten days, the prime interest rate plus 78117
eight per cent, multiplied by the assessment due. 78118

(3) An employer may appeal a late fee penalty and penalty 78119
assessment to the administrator. 78120

For purposes of division (L)(2) of this section, "prime 78121
interest rate" means the average bank prime rate, and the 78122
administrator shall determine the prime interest rate in the same 78123
manner as a county auditor determines the average bank prime rate 78124
under section 929.02 of the Revised Code. 78125

The administrator shall include any assessment and penalties 78126
that remain unpaid for previous assessment periods in the 78127
calculation and collection of any assessments due under this 78128
division or division (J) of this section. 78129

(M) As used in this section, "paid compensation" means all 78130
amounts paid by a self-insuring employer for living maintenance 78131
benefits, all amounts for compensation paid pursuant to sections 78132
4121.63, 4121.67, 4123.56, 4123.57, 4123.58, 4123.59, 4123.60, and 78133
4123.64 of the Revised Code, all amounts paid as wages in lieu of 78134
such compensation, all amounts paid in lieu of such compensation 78135
under a nonoccupational accident and sickness program fully funded 78136
by the self-insuring employer, and all amounts paid by a 78137
self-insuring employer for a violation of a specific safety 78138
standard pursuant to Section 35 of Article II, Ohio Constitution 78139
and section 4121.47 of the Revised Code. 78140

(N) Should any section of this chapter or Chapter 4121. of 78141

the Revised Code providing for self-insuring employers' 78142
assessments based upon compensation paid be declared 78143
unconstitutional by a final decision of any court, then that 78144
section of the Revised Code declared unconstitutional shall revert 78145
back to the section in existence prior to November 3, 1989, 78146
providing for assessments based upon payroll. 78147

(O) The administrator may grant a self-insuring employer the 78148
privilege to self-insure a construction project entered into by 78149
the self-insuring employer that is scheduled for completion within 78150
six years after the date the project begins, and the total cost of 78151
which is estimated to exceed one hundred million dollars or, for 78152
employers described in division (R) of this section, if the 78153
construction project is estimated to exceed twenty-five million 78154
dollars. The administrator may waive such cost and time criteria 78155
and grant a self-insuring employer the privilege to self-insure a 78156
construction project regardless of the time needed to complete the 78157
construction project and provided that the cost of the 78158
construction project is estimated to exceed fifty million dollars. 78159
A self-insuring employer who desires to self-insure a construction 78160
project shall submit to the administrator an application listing 78161
the dates the construction project is scheduled to begin and end, 78162
the estimated cost of the construction project, the contractors 78163
and subcontractors whose employees are to be self-insured by the 78164
self-insuring employer, the provisions of a safety program that is 78165
specifically designed for the construction project, and a 78166
statement as to whether a collective bargaining agreement 78167
governing the rights, duties, and obligations of each of the 78168
parties to the agreement with respect to the construction project 78169
exists between the self-insuring employer and a labor 78170
organization. 78171

A self-insuring employer may apply to self-insure the 78172
employees of either of the following: 78173

(1) All contractors and subcontractors who perform labor or work or provide materials for the construction project; 78174
78175

(2) All contractors and, at the administrator's discretion, a substantial number of all the subcontractors who perform labor or work or provide materials for the construction project. 78176
78177
78178

Upon approval of the application, the administrator shall mail a certificate granting the privilege to self-insure the construction project to the self-insuring employer. The certificate shall contain the name of the self-insuring employer and the name, address, and telephone number of the self-insuring employer's representatives who are responsible for administering workers' compensation claims for the construction project. The self-insuring employer shall post the certificate in a conspicuous place at the site of the construction project. 78179
78180
78181
78182
78183
78184
78185
78186
78187

The administrator shall maintain a record of the contractors and subcontractors whose employees are covered under the certificate issued to the self-insured employer. A self-insuring employer immediately shall notify the administrator when any contractor or subcontractor is added or eliminated from inclusion under the certificate. 78188
78189
78190
78191
78192
78193

Upon approval of the application, the self-insuring employer is responsible for the administration and payment of all claims under this chapter and Chapter 4121. of the Revised Code for the employees of the contractor and subcontractors covered under the certificate who receive injuries or are killed in the course of and arising out of employment on the construction project, or who contract an occupational disease in the course of employment on the construction project. For purposes of this chapter and Chapter 4121. of the Revised Code, a claim that is administered and paid in accordance with this division is considered a claim against the self-insuring employer listed in the certificate. A contractor or subcontractor included under the certificate shall report to the 78194
78195
78196
78197
78198
78199
78200
78201
78202
78203
78204
78205

self-insuring employer listed in the certificate, all claims that 78206
arise under this chapter and Chapter 4121. of the Revised Code in 78207
connection with the construction project for which the certificate 78208
is issued. 78209

A self-insuring employer who complies with this division is 78210
entitled to the protections provided under this chapter and 78211
Chapter 4121. of the Revised Code with respect to the employees of 78212
the contractors and subcontractors covered under a certificate 78213
issued under this division for death or injuries that arise out 78214
of, or death, injuries, or occupational diseases that arise in the 78215
course of, those employees' employment on that construction 78216
project, as if the employees were employees of the self-insuring 78217
employer, provided that the self-insuring employer also complies 78218
with this section. No employee of the contractors and 78219
subcontractors covered under a certificate issued under this 78220
division shall be considered the employee of the self-insuring 78221
employer listed in that certificate for any purposes other than 78222
this chapter and Chapter 4121. of the Revised Code. Nothing in 78223
this division gives a self-insuring employer authority to control 78224
the means, manner, or method of employment of the employees of the 78225
contractors and subcontractors covered under a certificate issued 78226
under this division. 78227

The contractors and subcontractors included under a 78228
certificate issued under this division are entitled to the 78229
protections provided under this chapter and Chapter 4121. of the 78230
Revised Code with respect to the contractor's or subcontractor's 78231
employees who are employed on the construction project which is 78232
the subject of the certificate, for death or injuries that arise 78233
out of, or death, injuries, or occupational diseases that arise in 78234
the course of, those employees' employment on that construction 78235
project. 78236

The contractors and subcontractors included under a 78237

certificate issued under this division shall identify in their 78238
payroll records the employees who are considered the employees of 78239
the self-insuring employer listed in that certificate for purposes 78240
of this chapter and Chapter 4121. of the Revised Code, and the 78241
amount that those employees earned for employment on the 78242
construction project that is the subject of that certificate. 78243
Notwithstanding any provision to the contrary under this chapter 78244
and Chapter 4121. of the Revised Code, the administrator shall 78245
exclude the payroll that is reported for employees who are 78246
considered the employees of the self-insuring employer listed in 78247
that certificate, and that the employees earned for employment on 78248
the construction project that is the subject of that certificate, 78249
when determining those contractors' or subcontractors' premiums or 78250
assessments required under this chapter and Chapter 4121. of the 78251
Revised Code. A self-insuring employer issued a certificate under 78252
this division shall include in the amount of paid compensation it 78253
reports pursuant to division (L) of this section, the amount of 78254
paid compensation the self-insuring employer paid pursuant to this 78255
division for the previous calendar year. 78256

Nothing in this division shall be construed as altering the 78257
rights of employees under this chapter and Chapter 4121. of the 78258
Revised Code as those rights existed prior to September 17, 1996. 78259
Nothing in this division shall be construed as altering the rights 78260
devolved under sections 2305.31 and 4123.82 of the Revised Code as 78261
those rights existed prior to September 17, 1996. 78262

As used in this division, "privilege to self-insure a 78263
construction project" means privilege to pay individually 78264
compensation, and to furnish medical, surgical, nursing, and 78265
hospital services and attention and funeral expenses directly to 78266
injured employees or the dependents of killed employees. 78267

(P) A self-insuring employer whose application is granted 78268
under division (O) of this section shall designate a safety 78269

professional to be responsible for the administration and 78270
enforcement of the safety program that is specifically designed 78271
for the construction project that is the subject of the 78272
application. 78273

A self-insuring employer whose application is granted under 78274
division (O) of this section shall employ an ombudsperson for the 78275
construction project that is the subject of the application. The 78276
ombudsperson shall have experience in workers' compensation or the 78277
construction industry, or both. The ombudsperson shall perform all 78278
of the following duties: 78279

(1) Communicate with and provide information to employees who 78280
are injured in the course of, or whose injury arises out of 78281
employment on the construction project, or who contract an 78282
occupational disease in the course of employment on the 78283
construction project; 78284

(2) Investigate the status of a claim upon the request of an 78285
employee to do so; 78286

(3) Provide information to claimants, third party 78287
administrators, employers, and other persons to assist those 78288
persons in protecting their rights under this chapter and Chapter 78289
4121. of the Revised Code. 78290

A self-insuring employer whose application is granted under 78291
division (O) of this section shall post the name of the safety 78292
professional and the ombudsperson and instructions for contacting 78293
the safety professional and the ombudsperson in a conspicuous 78294
place at the site of the construction project. 78295

(Q) The administrator may consider all of the following when 78296
deciding whether to grant a self-insuring employer the privilege 78297
to self-insure a construction project as provided under division 78298
(O) of this section: 78299

(1) Whether the self-insuring employer has an organizational 78300

plan for the administration of the workers' compensation law; 78301

(2) Whether the safety program that is specifically designed 78302
for the construction project provides for the safety of employees 78303
employed on the construction project, is applicable to all 78304
contractors and subcontractors who perform labor or work or 78305
provide materials for the construction project, and has as a 78306
component, a safety training program that complies with standards 78307
adopted pursuant to the "Occupational Safety and Health Act of 78308
1970," 84 Stat. 1590, 29 U.S.C.A. 651, and provides for continuing 78309
management and employee involvement; 78310

(3) Whether granting the privilege to self-insure the 78311
construction project will reduce the costs of the construction 78312
project; 78313

(4) Whether the self-insuring employer has employed an 78314
ombudsperson as required under division (P) of this section; 78315

(5) Whether the self-insuring employer has sufficient surety 78316
to secure the payment of claims for which the self-insuring 78317
employer would be responsible pursuant to the granting of the 78318
privilege to self-insure a construction project under division (O) 78319
of this section. 78320

(R) As used in divisions (O), (P), and (Q), "self-insuring 78321
employer" includes the following employers, whether or not they 78322
have been granted the status of being a self-insuring employer 78323

fund from any other fund of the county, district, district 78368
activity, or institution, the proportionate amount of the payments 78369
that should be chargeable to the fund, whether the fund is derived 78370
from taxation or otherwise. The proportionate amount of the 78371

(E) The bureau may investigate the correctness of the 78412

determines at any time that the county, district, district 78415
activity, or institution has not reported the correct information, 78416
the administrator of workers' compensation may make deductions or 78417
additions as the facts warrant and take those facts into 78418
consideration in determining the current or future contributions 78419
to be made by the county, district, district activity, or 78420
institution. If the county, district, district activity, or 78421
institution does not furnish the report in the time required by 78422
this section, the administrator may fix the amount of contribution 78423

the county, district, district activity, or institution must make 78424

The administrator shall base the discount provided under this 78430
division on the savings generated by the early payment to the 78431
public insurance fund. The administrator may provide the discount 78432
through a refund to the county, district, district activity, or 78433

the public insurance fund from the county, district, district 78435
activity, or institution. 78436

activity, and institution at the interest rate established by the 78439
state tax commissioner pursuant to section 5703.47 of the Revised 78440
Code. 78441

(H) If the administrator adopts rules for the prospective 78442
payment of premium as permitted under section 4123.322 of the 78443
Revised Code, every employer mentioned in division (B)(1) of 78444
section 4123.01 of the Revised Code, except for a state agency or 78445
a state university or college as defined in section 4123.32 of the 78446
Revised Code, shall pay into the state insurance fund the amount 78447
of premium the administrator fixes for the employment or 78448
occupation of the employer, the amount of which premium to be paid 78449
by each employer to be determined by the classifications, rules, 78450
and rates made and published by the administrator and based upon 78451
the estimates and reconciliations required by the rules the 78452
administrator adopts under section 4123.322 of the Revised Code. 78453

urine; 78506

(v) For phencyclidine, twenty-five nanograms per milliliter 78507
of urine. 78508

(c) The employee, through a qualifying chemical test 78509
administered within thirty-two hours of an injury, is determined 78510
to have one of the following controlled substances not prescribed 78511
by the employee's physician in the employee's system that tests 78512
above the following levels by a gas chromatography mass 78513
spectrometry test: 78514

(i) For amphetamines, five hundred nanograms per milliliter 78515

of urine;	78516
(ii) For cannabinoids, fifteen nanograms per milliliter of urine;	78517 78518
(iii) For cocaine, including crack cocaine, one hundred fifty nanograms per milliliter of urine;	78519 78520
(iv) For opiates, two thousand nanograms per milliliter of urine;	78521 78522
(v) For phencyclidine, twenty-five nanograms per milliliter of urine.	78523 78524
(d) The employee, through a qualifying chemical test administered within thirty-two hours of an injury, is determined to have barbiturates, benzodiazepines, methadone, or propoxyphene in the employee's system that tests above levels established by laboratories certified by the United States department of health and human services.	78525 78526 78527 78528 78529 78530
(2) When the employee refuses to submit to a requested chemical test, on the condition that that employee is or was given notice that the refusal to submit to any chemical test described in division (B)(1) of this section may affect the employee's eligibility for compensation and benefits under this chapter and Chapter 4121. of the Revised Code.	78531 78532 78533 78534 78535 78536
(C)(1) For purposes of division (B) of this section, a chemical test is a qualifying chemical test if it is administered to an employee after an injury under at least one of the following conditions:	78537 78538 78539 78540
(a) When the employee's employer had reasonable cause to suspect that the employee may be intoxicated or under the influence of a controlled substance not prescribed by the employee's physician;	78541 78542 78543 78544
(b) At the request of a police officer pursuant to section	78545

4511.191 of the Revised Code, and not at the request of the 78546
employee's employer; 78547

(c) At the request of a licensed physician who is not 78548
employed by the employee's employer, and not at the request of the 78549
employee's employer. 78550

(2) As used in division (C)(1)(a) of this section, 78551
"reasonable cause" means, but is not limited to, evidence that an 78552
employee is or was using alcohol or a controlled substance drawn 78553
from specific, objective facts and reasonable inferences drawn 78554
from these facts in light of experience and training. These facts 78555
and inferences may be based on, but are not limited to, any of the 78556
following: 78557

(a) Observable phenomena, such as direct observation of use, 78558
possession, or distribution of alcohol or a controlled substance, 78559
or of the physical symptoms of being under the influence of 78560
alcohol or a controlled substance, such as but not limited to 78561
slurred speech, dilated pupils, odor of alcohol or a controlled 78562
substance, changes in affect, or dynamic mood swings; 78563

(b) A pattern of abnormal conduct, erratic or aberrant 78564
behavior, or deteriorating work performance such as frequent 78565
absenteeism, excessive tardiness, or recurrent accidents, that 78566
appears to be related to the use of alcohol or a controlled 78567
substance, and does not appear to be attributable to other 78568
factors; 78569

(c) The identification of an employee as the focus of a 78570
criminal investigation into unauthorized possession, use, or 78571
trafficking of a controlled substance; 78572

(d) A report of use of alcohol or a controlled substance 78573
provided by a reliable and credible source; 78574

(e) Repeated or flagrant violations of the safety or work 78575
rules of the employee's employer, that are determined by the 78576

employee's supervisor to pose a substantial risk of physical 78577
injury or property damage and that appear to be related to the use 78578
of alcohol or a controlled substance and that do not appear 78579
attributable to other factors. 78580

(D) Nothing in this section shall be construed to affect the 78581
rights of an employer to test employees for alcohol or controlled 78582
substance abuse. 78583

(E) For the purpose of this section, laboratories certified 78584
by the United States department of health and human services or 78585
laboratories that meet or exceed the standards of that department 78586
for laboratory certification shall be used for processing the test 78587
results of a qualifying chemical test. 78588

(F) The written notice required by division (B) of this 78589
section shall be the same size or larger than the certificate of 78590
premium payment notice furnished by the bureau of workers' 78591
compensation and shall be posted by the employer in the same 78592
location as the certificate of premium payment notice or the 78593
certificate of self-insurance. 78594

(G) If a condition that pre-existed an injury is 78595
substantially aggravated by the injury, and that substantial 78596
aggravation is documented by objective diagnostic findings, 78597
objective clinical findings, or objective test results, no 78598
compensation or benefits are payable because of the pre-existing 78599
condition once that condition has returned to a level that would 78600
have existed without the injury. 78601

(H)(1) Whenever, with respect to an employee of an employer 78602
who is subject to and has complied with this chapter, there is 78603
possibility of conflict with respect to the application of 78604
workers' compensation laws because the contract of employment is 78605
entered into and all or some portion of the work is or is to be 78606
performed in a state or states other than Ohio, the employer and 78607

the employee may agree to be bound by the laws of this state or by 78608
the laws of some other state in which all or some portion of the 78609
work of the employee is to be performed. The agreement shall be in 78610
writing and shall be filed with the bureau of workers' 78611
compensation within ten days after it is executed and shall remain 78612
in force until terminated or modified by agreement of the parties 78613
similarly filed. If the agreement is to be bound by the laws of 78614
this state and the employer has complied with this chapter, then 78615
the employee is entitled to compensation and benefits regardless 78616
of where the injury occurs or the disease is contracted and the 78617
rights of the employee and the employee's dependents under the 78618
laws of this state are the exclusive remedy against the employer 78619
on account of injury, disease, or death in the course of and 78620
arising out of the employee's employment. If the agreement is to 78621
be bound by the laws of another state and the employer has 78622
complied with the laws of that state, the rights of the employee 78623
and the employee's dependents under the laws of that state are the 78624
exclusive remedy against the employer on account of injury, 78625
disease, or death in the course of and arising out of the 78626
employee's employment without regard to the place where the injury 78627
was sustained or the disease contracted. If an employer and an 78628
employee enter into an agreement under this division, the fact 78629
that the employer and the employee entered into that agreement 78630
shall not be construed to change the status of an employee whose 78631
continued employment is subject to the will of the employer or the 78632
employee, unless the agreement contains a provision that expressly 78633
changes that status. 78634

(2) If any employee or the employee's dependents pursue 78635
workers' compensation benefits or recover damages from the 78636
employer under the laws of another state, the amount awarded or 78637
recovered, whether paid or to be paid in future installments, 78638
shall be credited on the amount of any award of compensation or 78639
benefits made to the employee or the employee's dependents by the 78640

bureau. If an employee or the employee's dependents pursue or 78641
receive an award of compensation or benefits under this chapter or 78642
Chapter 4121., 4127., or 4131. of the Revised Code for the same 78643
injury, occupational disease, or death for which the employee or 78644
the employee's dependents pursued workers' compensation benefits 78645
and received a decision on the merits as defined in section 78646
4123.542 of the Revised Code under the laws of another state or 78647
recovered damages under the laws of another state, the 78648
administrator or any employer, by any lawful means, may collect 78649
the amount of compensation or benefits paid to or on behalf of the 78650
employee or the employee's dependents by the administrator or a 78651
self-insuring employer pursuant to this chapter or Chapter 4121., 78652
4127., or 4131. of the Revised Code for that award. The 78653
administrator or any employer also may collect from the employee 78654
or the employee's dependents any costs and attorney's fees the 78655
administrator or the employer incurs in collecting that payment 78656
and any attorney's fees, penalties, interest, awards, and costs 78657
incurred by an employer in contesting or responding to any claim 78658
filed by the employee or the employee's dependents for the same 78659
injury, occupational disease, or death that was filed after the 78660
original claim for which the employee or the employee's dependents 78661
received a decision on the merits as described in section 4123.542 78662
of the Revised Code. If the employee's employer pays premiums into 78663
the state insurance fund, the administrator shall not charge the 78664
amount of compensation or benefits the administrator collects 78665
pursuant to this division to the employer's experience. If the 78666
administrator collects any costs, penalties, interest, awards, or 78667
attorney's fees incurred by a state fund employer, the 78668
administrator shall forward the amount of such costs, penalties, 78669
interest, awards, and attorney's fees the administrator collects 78670
to that employer. If the employee's employer is a self-insuring 78671
employer, the self-insuring employer shall deduct the amount of 78672
compensation or benefits the self-insuring employer collects 78673

pursuant to this division from the paid compensation the 78674
self-insuring employer reports to the administrator under division 78675
(L) of section 4123.35 of the Revised Code. 78676

(3) Except as otherwise stipulated in division (H)(4) of this 78677
section, if an employee is a resident of a state other than this 78678
state and is insured under the workers' compensation law or 78679
similar laws of a state other than this state, the employee and 78680
the employee's dependents are not entitled to receive compensation 78681
or benefits under this chapter, on account of injury, disease, or 78682
death arising out of or in the course of employment while 78683
temporarily within this state, and the rights of the employee and 78684
the employee's dependents under the laws of the other state are 78685
the exclusive remedy against the employer on account of the 78686
injury, disease, or death. 78687

(4) Division (H)(3) of this section does not apply to an 78688
employee described in that division, or the employee's dependents, 78689
unless both of the following apply: 78690

(a) The laws of the other state limit the ability of an 78691
employee who is a resident of this state and is covered by this 78692
chapter and Chapter 4123. of the Revised Code, or the employee's 78693
dependents, to receive compensation or benefits under the other 78694
state's workers' compensation law on account of injury, disease, 78695
or death incurred by the employee that arises out of or in the 78696
course of the employee's employment while temporarily within that 78697
state in the same manner as specified in division (H)(3) of this 78698
section for an employee who is a resident of a state other than 78699
this state, or the employee's dependents; 78700

(b) The laws of the other state limit the liability of the 78701
employer of the employee who is a resident of this state and who 78702
is described in division (H)(4)(a) of this section for that 78703
injury, disease, or death, in the same manner specified in 78704
division (H)(3) of this section for the employer of an employee 78705

who is a resident of the other state. 78706

(5) An employee, or the dependent of an employee, who elects 78707
to receive compensation and benefits under this chapter or Chapter 78708
4121., 4127., or 4131. of the Revised Code for a claim may not 78709
receive compensation and benefits under the workers' compensation 78710
laws of any state other than this state for that same claim. For 78711
each claim submitted by or on behalf of an employee, the 78712
administrator or, if the employee is employed by a self-insuring 78713
employer, the self-insuring employer shall request the employee or 78714
the employee's dependent to sign an election that affirms the 78715
employee's or employee's dependent's acceptance of electing to 78716
receive compensation and benefits under this chapter or Chapter 78717
4121., 4127., or 4131. of the Revised Code for that claim that 78718
also affirmatively waives and releases the employee's or the 78719
employee's dependent's right to file for and receive compensation 78720
and benefits under the laws of any state other than this state for 78721
that claim. The employee or employee's dependent shall sign the 78722
election form within twenty-eight days after the administrator or 78723
self-insuring employer submits the request or the administrator or 78724
self-insuring employer shall suspend that claim until the 78725
administrator or self-insuring employer receives the signed 78726
election form. 78727

(I) If an employee who is covered under the federal 78728
"Longshore and Harbor Workers' Compensation Act," 98 Stat. 1639, 78729
33 U.S.C. 901 et seq., is injured or contracts an occupational 78730
disease or dies as a result of an injury or occupational disease, 78731
and if that employee's or that employee's dependents' claim for 78732
compensation or benefits for that injury, occupational disease, or 78733
death is subject to the jurisdiction of that act, the employee or 78734
the employee's dependents are not entitled to apply for and shall 78735
not receive compensation or benefits under this chapter and 78736
Chapter 4121. of the Revised Code. The rights of such an employee 78737

and the employee's dependents under the federal "Longshore and Harbor Workers' Compensation Act," 98 Stat. 1639, 33 U.S.C. 901 et seq., are the exclusive remedy against the employer for that injury, occupational disease, or death.

(J) Compensation or benefits are not payable to a claimant during the period of confinement of the claimant in any state or federal correctional institution, or in any county jail in lieu of incarceration in a state or federal correctional institution, whether in this or any other state for conviction of violation of any state or federal criminal law.

(K)(1) An employer, upon the approval of the administrator, may provide for workers' compensation coverage for the employer's employees who are professional athletes and coaches by submitting to the administrator proof of coverage under a league policy issued under the laws of another state under either of the following circumstances:

~~(1)~~(a) The employer administers the payroll and workers' compensation insurance for a professional sports team subject to a collective bargaining agreement, and the collective bargaining agreement provides for the uniform administration of workers' compensation benefits and compensation for professional athletes.

~~(2)~~(b) The employer is a professional sports league, or is a member team of a professional sports league, and all of the following apply:

~~(a)~~(i) The professional sports league operates as a single entity, whereby all of the players and coaches of the sports league are employees of the sports league and not of the individual member teams.

~~(b)~~(ii) The professional sports league at all times maintains workers' compensation insurance that provides coverage for the players and coaches of the sports league.

~~(e)(iii)~~ Each individual member team of the professional sports league, pursuant to the organizational or operating documents of the sports league, is obligated to the sports league to pay to the sports league any workers' compensation claims that are not covered by the workers' compensation insurance maintained by the sports league.

(2) If the administrator approves the employer's proof of coverage submitted under division (K)(1) of this section, a professional athlete or coach who is an employee of the employer and the dependents of the professional athlete or coach are not entitled to apply for and shall not receive compensation or benefits under this chapter and Chapter 4121. of the Revised Code. The rights of such an athlete or coach and the dependents of such an athlete or coach under the laws of the state where the policy was issued are the exclusive remedy against the employer for the athlete or coach if the athlete or coach suffers an injury or contracts an occupational disease in the course of employment, or for the dependents of the athlete or the coach if the athlete or coach is killed as a result of an injury or dies as a result of an occupational disease, regardless of the location where the injury was suffered or the occupational disease was contracted.

(3) If an actuary employed by the administrator determines that, with respect to an employer whose proof of coverage submitted pursuant to division (K)(1) of this section is approved by the administrator, the amount of the liability of the employer for the employer's proportionate share of any deficit in the state insurance fund is greater than two hundred thousand dollars as of the date the administrator approves the proof of coverage, the administrator shall establish a payment schedule not to exceed seven years after the date the administrator approves the coverage to allow the employer to buy out of the state insurance fund.

Sec. 4123.57. Partial disability compensation shall be paid 78800
as follows. 78801

Except as provided in this section, not earlier than 78802
twenty-six weeks after the date of termination of the latest 78803
period of payments under section 4123.56 of the Revised Code, or 78804
not earlier than twenty-six weeks after the date of the injury or 78805
contraction of an occupational disease in the absence of payments 78806
under section 4123.56 of the Revised Code, the employee may file 78807
an application with the bureau of workers' compensation for the 78808
determination of the percentage of the employee's permanent 78809
partial disability resulting from an injury or occupational 78810
disease. 78811

Whenever the application is filed, the bureau shall send a 78812
copy of the application to the employee's employer or the 78813
employer's representative and shall schedule the employee for a 78814
medical examination by the bureau medical section. The bureau 78815
shall send a copy of the report of the medical examination to the 78816
employee, the employer, and their representatives. Thereafter, the 78817
administrator of workers' compensation shall review the employee's 78818
claim file and make a tentative order as the evidence before the 78819
administrator at the time of the making of the order warrants. If 78820
the administrator determines that there is a conflict of evidence, 78821
the administrator shall send the application, along with the 78822
claimant's file, to the district hearing officer who shall set the 78823
application for a hearing. 78824

The administrator shall notify the employee, the employer, 78825
and their representatives, in writing, of the tentative order and 78826
of the parties' right to request a hearing. Unless the employee, 78827
the employer, or their representative notifies the administrator, 78828
in writing, of an objection to the tentative order within twenty 78829
days after receipt of the notice thereof, the tentative order 78830

shall go into effect and the employee shall receive the 78831
compensation provided in the order. In no event shall there be a 78832
reconsideration of a tentative order issued under this division. 78833

If the employee, the employer, or their representatives 78834
timely notify the administrator of an objection to the tentative 78835
order, the matter shall be referred to a district hearing officer 78836
who shall set the application for hearing with written notices to 78837
all interested persons. Upon referral to a district hearing 78838
officer, the employer may obtain a medical examination of the 78839
employee, pursuant to rules of the industrial commission. 78840

(A) The district hearing officer, upon the application, shall 78841
determine the percentage of the employee's permanent disability, 78842
except as is subject to division (B) of this section, based upon 78843
that condition of the employee resulting from the injury or 78844
occupational disease and causing permanent impairment evidenced by 78845
medical or clinical findings reasonably demonstrable. The employee 78846
shall receive sixty-six and two-thirds per cent of the employee's 78847
average weekly wage, but not more than a maximum of thirty-three 78848
and one-third per cent of the statewide average weekly wage as 78849
defined in division (C) of section 4123.62 of the Revised Code, 78850
per week regardless of the average weekly wage, for the number of 78851
weeks which equals the percentage of two hundred weeks. Except on 78852
application for reconsideration, review, or modification, which is 78853
filed within ten days after the date of receipt of the decision of 78854
the district hearing officer, in no instance shall the former 78855
award be modified unless it is found from medical or clinical 78856
findings that the condition of the claimant resulting from the 78857
injury has so progressed as to have increased the percentage of 78858
permanent partial disability. A staff hearing officer shall hear 78859
an application for reconsideration filed and the staff hearing 78860
officer's decision is final. An employee may file an application 78861
for a subsequent determination of the percentage of the employee's 78862

permanent disability. If such an application is filed, the bureau 78863
shall send a copy of the application to the employer or the 78864
employer's representative. No sooner than sixty days from the date 78865
of the mailing of the application to the employer or the 78866
employer's representative, the administrator shall review the 78867
application. The administrator may require a medical examination 78868
or medical review of the employee. The administrator shall issue a 78869
tentative order based upon the evidence before the administrator, 78870
provided that if the administrator requires a medical examination 78871
or medical review, the administrator shall not issue the tentative 78872
order until the completion of the examination or review. 78873

The employer may obtain a medical examination of the employee 78874
and may submit medical evidence at any stage of the process up to 78875
a hearing before the district hearing officer, pursuant to rules 78876
of the commission. The administrator shall notify the employee, 78877
the employer, and their representatives, in writing, of the nature 78878
and amount of any tentative order issued on an application 78879
requesting a subsequent determination of the percentage of an 78880
employee's permanent disability. An employee, employer, or their 78881
representatives may object to the tentative order within twenty 78882
days after the receipt of the notice thereof. If no timely 78883
objection is made, the tentative order shall go into effect. In no 78884
event shall there be a reconsideration of a tentative order issued 78885
under this division. If an objection is timely made, the 78886
application for a subsequent determination shall be referred to a 78887
district hearing officer who shall set the application for a 78888
hearing with written notice to all interested persons. No 78889
application for subsequent percentage determinations on the same 78890
claim for injury or occupational disease shall be accepted for 78891
review by the district hearing officer unless supported by 78892
substantial evidence of new and changed circumstances developing 78893
since the time of the hearing on the original or last 78894
determination. 78895

No award shall be made under this division based upon a 78896
percentage of disability which, when taken with all other 78897
percentages of permanent disability, exceeds one hundred per cent. 78898
If the percentage of the permanent disability of the employee 78899
equals or exceeds ninety per cent, compensation for permanent 78900
partial disability shall be paid for two hundred weeks. 78901

Compensation payable under this division accrues and is 78902
payable to the employee from the date of last payment of 78903
compensation, or, in cases where no previous compensation has been 78904
paid, from the date of the injury or the date of the diagnosis of 78905
the occupational disease. 78906

When an award under this division has been made prior to the 78907
death of an employee, all unpaid installments accrued or to accrue 78908
under the provisions of the award are payable to the surviving 78909
spouse, or if there is no surviving spouse, to the dependent 78910
children of the employee, and if there are no children surviving, 78911
then to other dependents as the administrator determines. 78912

(B) For purposes of this division, "payable per week" means 78913
the seven_consecutive_day period in which compensation is paid in 78914
installments according to the schedule associated with the 78915
applicable injury as set forth in this division. 78916

Compensation paid in weekly installments according to the 78917
schedule described in this division may only be commuted to one or 78918
more ~~lump sum~~ lump sum payments pursuant to the procedure set 78919
forth in section 4123.64 of the Revised Code. 78920

In cases included in the following schedule the compensation 78921
payable per week to the employee is the statewide average weekly 78922
wage as defined in division (C) of section 4123.62 of the Revised 78923
Code per week and shall be paid in installments according to the 78924
following schedule: 78925

For the loss of a first finger, commonly known as a thumb, 78926

sixty weeks.	78927
For the loss of a second finger, commonly called index finger, thirty-five weeks.	78928 78929
For the loss of a third finger, thirty weeks.	78930
For the loss of a fourth finger, twenty weeks.	78931
For the loss of a fifth finger, commonly known as the little finger, fifteen weeks.	78932 78933
The loss of a second, or distal, phalange of the thumb is considered equal to the loss of one half of such thumb; the loss of more than one half of such thumb is considered equal to the loss of the whole thumb.	78934 78935 78936 78937
The loss of the third, or distal, phalange of any finger is considered equal to the loss of one-third of the finger.	78938 78939
The loss of the middle, or second, phalange of any finger is considered equal to the loss of two-thirds of the finger.	78940 78941
The loss of more than the middle and distal phalanges of any finger is considered equal to the loss of the whole finger. In no case shall the amount received for more than one finger exceed the amount provided in this schedule for the loss of a hand.	78942 78943 78944 78945
For the loss of the metacarpal bone (bones of the palm) for the corresponding thumb, or fingers, add ten weeks to the number of weeks under this division.	78946 78947 78948
For ankylosis (total stiffness of) or contractures (due to scars or injuries) which makes any of the fingers, thumbs, or parts of either useless, the same number of weeks apply to the members or parts thereof as given for the loss thereof.	78949 78950 78951 78952

that federal act. 79374

(5) Is unable to obtain suitable work. An individual who is 79375
provided temporary work assignments by the individual's employer 79376
under agreed terms and conditions of employment, and who is 79377
required pursuant to those terms and conditions to inquire with 79378
the individual's employer for available work assignments upon the 79379
conclusion of each work assignment, is not considered unable to 79380
obtain suitable employment if suitable work assignments are 79381
available with the employer but the individual fails to contact 79382
the employer to inquire about work assignments. 79383

(6) Participates in reemployment services, such as job search 79384
assistance services, if the individual has been determined to be 79385
likely to exhaust benefits under this chapter, including 79386
compensation payable pursuant to 5 U.S.C.A. Chapter 85, other than 79387
extended compensation, and needs reemployment services pursuant to 79388
the profiling system established by the director under division 79389
(K) of this section, unless the director determines that: 79390

(a) The individual has completed such services; or 79391

(b) There is justifiable cause for the claimant's failure to 79392

participate in such services. 79393

(B) An individual suffering total or partial unemployment is 79394
eligible for benefits for unemployment occurring subsequent to a 79395
waiting period of one week and no benefits shall be payable during 79396
this required waiting period. Not more than one week of waiting 79397
period shall be required of any individual in any benefit year in 79398
order to establish the individual's eligibility for total or 79399
partial unemployment benefits. 79400

(C) The waiting period for total or partial unemployment 79401
shall commence on the first day of the first week with respect to 79402
which the individual first files a claim for benefits at an 79403
employment office or other place of registration maintained or 79404
designated by the director or on the first day of the first week 79405
with respect to which the individual has otherwise filed a claim 79406
for benefits in accordance with the rules of the department of job 79407
and family services, provided such claim is allowed by the 79408
director. 79409

(D) Notwithstanding division (A) of this section, no 79410
individual may serve a waiting period or be paid benefits under 79411
the following conditions: 79412

(1) For any week with respect to which the director finds 79413
that: 79414

(a) The individual's unemployment was due to a labor dispute 79415
other than a lockout at any factory, establishment, or other 79416
premises located in this or any other state and owned or operated 79417
by the employer by which the individual is or was last employed; 79418
and for so long as the individual's unemployment is due to such 79419
labor dispute. No individual shall be disqualified under this 79420
provision if either of the following applies: 79421

(i) The individual's employment was with such employer at any 79422
factory, establishment, or premises located in this state, owned 79423

or operated by such employer, other than the factory, 79424
establishment, or premises at which the labor dispute exists, if 79425
it is shown that the individual is not financing, participating 79426
in, or directly interested in such labor dispute; 79427

(ii) The individual's employment was with an employer not 79428
involved in the labor dispute but whose place of business was 79429
located within the same premises as the employer engaged in the 79430
dispute, unless the individual's employer is a wholly owned 79431
subsidiary of the employer engaged in the dispute, or unless the 79432
individual actively participates in or voluntarily stops work 79433
because of such dispute. If it is established that the claimant 79434
was laid off for an indefinite period and not recalled to work 79435
prior to the dispute, or was separated by the employer prior to 79436
the dispute for reasons other than the labor dispute, or that the 79437
individual obtained a bona fide job with another employer while 79438
the dispute was still in progress, such labor dispute shall not 79439
render the employee ineligible for benefits. 79440

(b) The individual has been given a disciplinary layoff for 79441
misconduct in connection with the individual's work. 79442

(2) For the duration of the individual's unemployment if the 79443
director finds that: 79444

(a) The individual quit work without just cause or has been 79445
discharged for just cause in connection with the individual's 79446
work, provided division (D)(2) of this section does not apply to 79447
the separation of a person under any of the following 79448
circumstances: 79449

(i) Separation from employment for the purpose of entering 79450
the armed forces of the United States if the individual is 79451
inducted into the armed forces within one of the following 79452
periods: 79453

(I) Thirty days after separation; 79454

(II) One hundred eighty days after separation if the individual's date of induction is delayed solely at the discretion of the armed forces.

(ii) Separation from employment pursuant to a labor-management contract or agreement, or pursuant to an established employer plan, program, or policy, which permits the employee, because of lack of work, to accept a separation from employment;

(iii) The individual has left employment to accept a recall from a prior employer or, except as provided in division (D)(2)(a)(iv) of this section, to accept other employment as provided under section 4141.291 of the Revised Code, or left or was separated from employment that was concurrent employment at the time of the most recent separation or within six weeks prior to the most recent separation where the remuneration, hours, or other conditions of such concurrent employment were substantially less favorable than the individual's most recent employment and where such employment, if offered as new work, would be considered not suitable under the provisions of divisions (E) and (F) of this section. Any benefits that would otherwise be chargeable to the account of the employer from whom an individual has left employment or was separated from employment that was concurrent employment under conditions described in division (D)(2)(a)(iii) of this section, shall instead be charged to the mutualized account created by division (B) of section 4141.25 of the Revised Code, except that any benefits chargeable to the account of a reimbursing employer under division (D)(2)(a)(iii) of this section shall be charged to the account of the reimbursing employer and not to the mutualized account, except as provided in division (D)(2) of section 4141.24 of the Revised Code.

(iv) When an individual has been issued a definite layoff date by the individual's employer and before the layoff date, the

individual quits to accept other employment, the provisions of 79487
division (D)(2)(a)(iii) of this section apply and no 79488
disqualification shall be imposed under division (D) of this 79489
section. However, if the individual fails to meet the employment 79490
and earnings requirements of division (A)(2) of section 4141.291 79491
of the Revised Code, then the individual, pursuant to division 79492
(A)(5) of this section, shall be ineligible for benefits for any 79493
week of unemployment that occurs prior to the layoff date. 79494

(v) The individual's spouse is a member of the armed forces 79495
of the United States who is on active duty as defined in 10 U.S.C. 79496
101(d)(1), the spouse is the subject of a military transfer, the 79497
individual left employment to accompany the individual's spouse to 79498
a location from which it is impractical to commute to the 79499
individual's place of employment, and upon arrival at the new 79500
place of residence, the individual is in all respects able and 79501
available for suitable work. 79502

(b) The individual has refused without good cause to accept 79503
an offer of suitable work when made by an employer either in 79504
person or to the individual's last known address, or has refused 79505
or failed to investigate a referral to suitable work when directed 79506
to do so by a local employment office of this state or another 79507
state, provided that this division shall not cause a 79508
disqualification for a waiting week or benefits under the 79509
following circumstances: 79510

(i) When work is offered by the individual's employer and the 79511
individual is not required to accept the offer pursuant to the 79512
terms of the labor-management contract or agreement; or 79513

(ii) When the individual is attending a training course 79514
pursuant to division (A)(4) of this section except, in the event 79515
of a refusal to accept an offer of suitable work or a refusal or 79516
failure to investigate a referral, benefits thereafter paid to 79517
such individual shall not be charged to the account of any 79518

employer and, except as provided in division (B)(1)(b) of section 79519
4141.241 of the Revised Code, shall be charged to the mutualized 79520
account as provided in division (B) of section 4141.25 of the 79521
Revised Code. 79522

(c) Such individual quit work to marry or because of marital, 79523
parental, filial, or other domestic obligations. 79524

(d) The individual became unemployed by reason of commitment 79525
to any correctional institution. 79526

(e) The individual became unemployed because of dishonesty in 79527
connection with the individual's most recent or any base period 79528
work. Remuneration earned in such work shall be excluded from the 79529
individual's total base period remuneration and qualifying weeks 79530
that otherwise would be credited to the individual for such work 79531
in the individual's base period shall not be credited for the 79532
purpose of determining the total benefits to which the individual 79533
is eligible and the weekly benefit amount to be paid under section 79534
4141.30 of the Revised Code. Such excluded remuneration and 79535
noncredited qualifying weeks shall be excluded from the 79536
calculation of the maximum amount to be charged, under division 79537
(D) of section 4141.24 and section 4141.33 of the Revised Code, 79538
against the accounts of the individual's base period employers. In 79539
addition, no benefits shall thereafter be paid to the individual 79540
based upon such excluded remuneration or noncredited qualifying 79541
weeks. 79542

For purposes of division (D)(2)(e) of this section, 79543
"dishonesty" means the commission of substantive theft, fraud, or 79544
deceitful acts. 79545

(E) No individual otherwise qualified to receive benefits 79546
shall lose the right to benefits by reason of a refusal to accept 79547
new work if: 79548

(1) As a condition of being so employed the individual would 79549

be required to join a company union, or to resign from or refrain 79550
from joining any bona fide labor organization, or would be denied 79551
the right to retain membership in and observe the lawful rules of 79552
any such organization. 79553

(2) The position offered is vacant due directly to a strike, 79554
lockout, or other labor dispute. 79555

(3) The work is at an unreasonable distance from the 79556
individual's residence, having regard to the character of the work 79557
the individual has been accustomed to do, and travel to the place 79558
of work involves expenses substantially greater than that required 79559
for the individual's former work, unless the expense is provided 79560
for. 79561

(4) The remuneration, hours, or other conditions of the work 79562
offered are substantially less favorable to the individual than 79563
those prevailing for similar work in the locality. 79564

(F) Subject to the special exceptions contained in division 79565
(A)(4)(f) of this section and section 4141.301 of the Revised 79566
Code, in determining whether any work is suitable for a claimant 79567
in the administration of this chapter, the director, in addition 79568
to the determination required under division (E) of this section, 79569
shall consider the degree of risk to the claimant's health, 79570
safety, and morals, the individual's physical fitness for the 79571
work, the individual's prior training and experience, the length 79572
of the individual's unemployment, the distance of the available 79573
work from the individual's residence, and the individual's 79574
prospects for obtaining local work. 79575

(G) The "duration of unemployment" as used in this section 79576
means the full period of unemployment next ensuing after a 79577
separation from any base period or subsequent work and until an 79578
individual has become reemployed in employment subject to this 79579
chapter, or the unemployment compensation act of another state, or 79580

of the United States, and until such individual has worked six 79581
weeks and for those weeks has earned or been paid remuneration 79582
equal to six times an average weekly wage of not less than: 79583
eighty-five dollars and ten cents per week beginning on June 26, 79584
1990; and beginning on and after January 1, 1992, twenty-seven and 79585
one-half per cent of the statewide average weekly wage as computed 79586
each first day of January under division (B)(3) of section 4141.30 79587
of the Revised Code, rounded down to the nearest dollar, except 79588
for purposes of division (D)(2)(c) of this section, such term 79589
means the full period of unemployment next ensuing after a 79590
separation from such work and until such individual has become 79591
reemployed subject to the terms set forth above, and has earned 79592
wages equal to one-half of the individual's average weekly wage or 79593
sixty dollars, whichever is less. 79594

(H) If a claimant is disqualified under division (D)(2)(a), 79595
(c), or (d) of this section or found to be qualified under the 79596
exceptions provided in division (D)(2)(a)(i), (iii), ~~or~~ (iv), or 79597
(v) of this section or division (A)(2) of section 4141.291 of the 79598
Revised Code, then benefits that may become payable to such 79599
claimant, which are chargeable to the account of the employer from 79600
whom the individual was separated under such conditions, shall be 79601
charged to the mutualized account provided in section 4141.25 of 79602
the Revised Code, provided that no charge shall be made to the 79603
mutualized account for benefits chargeable to a reimbursing 79604
employer, except as provided in division (D)(2) of section 4141.24 79605
of the Revised Code. In the case of a reimbursing employer, the 79606
director shall refund or credit to the account of the reimbursing 79607
employer any over-paid benefits that are recovered under division 79608
(B) of section 4141.35 of the Revised Code. Amounts chargeable to 79609
other states, the United States, or Canada that are subject to 79610
agreements and arrangements that are established pursuant to 79611
section 4141.43 of the Revised Code shall be credited or 79612
reimbursed according to the agreements and arrangements to which 79613

the chargeable amounts are subject. 79614

(I)(1) Benefits based on service in employment as provided in 79615
divisions (B)(2)(a) and (b) of section 4141.01 of the Revised Code 79616
shall be payable in the same amount, on the same terms, and 79617
subject to the same conditions as benefits payable on the basis of 79618
other service subject to this chapter; except that after December 79619
31, 1977: 79620

(a) Benefits based on service in an instructional, research, 79621
or principal administrative capacity in an institution of higher 79622
education, as defined in division (Y) of section 4141.01 of the 79623
Revised Code; or for an educational institution as defined in 79624
division (CC) of section 4141.01 of the Revised Code, shall not be 79625
paid to any individual for any week of unemployment that begins 79626
during the period between two successive academic years or terms, 79627
or during a similar period between two regular but not successive 79628
terms or during a period of paid sabbatical leave provided for in 79629
the individual's contract, if the individual performs such 79630
services in the first of those academic years or terms and has a 79631
contract or a reasonable assurance that the individual will 79632
perform services in any such capacity for any such institution in 79633
the second of those academic years or terms. 79634

(b) Benefits based on service for an educational institution 79635
or an institution of higher education in other than an 79636
instructional, research, or principal administrative capacity, 79637
shall not be paid to any individual for any week of unemployment 79638
which begins during the period between two successive academic 79639
years or terms of the employing educational institution or 79640
institution of higher education, provided the individual performed 79641
those services for the educational institution or institution of 79642
higher education during the first such academic year or term and, 79643
there is a reasonable assurance that such individual will perform 79644
those services for any educational institution or institution of 79645

higher education in the second of such academic years or terms. 79646

If compensation is denied to any individual for any week 79647
under division (I)(1)(b) of this section and the individual was 79648
not offered an opportunity to perform those services for an 79649
institution of higher education or for an educational institution 79650
for the second of such academic years or terms, the individual is 79651
entitled to a retroactive payment of compensation for each week 79652
for which the individual timely filed a claim for compensation and 79653
for which compensation was denied solely by reason of division 79654
(I)(1)(b) of this section. An application for retroactive benefits 79655
shall be timely filed if received by the director or the 79656
director's deputy within or prior to the end of the fourth full 79657
calendar week after the end of the period for which benefits were 79658
denied because of reasonable assurance of employment. The 79659
provision for the payment of retroactive benefits under division 79660
(I)(1)(b) of this section is applicable to weeks of unemployment 79661
beginning on and after November 18, 1983. The provisions under 79662
division (I)(1)(b) of this section shall be retroactive to 79663
September 5, 1982, only if, as a condition for full tax credit 79664
against the tax imposed by the "Federal Unemployment Tax Act," 53 79665
Stat. 183 (1939), 26 U.S.C.A. 3301 to 3311, the United States 79666
secretary of labor determines that retroactivity is required by 79667
federal law. 79668

(c) With respect to weeks of unemployment beginning after 79669
December 31, 1977, benefits shall be denied to any individual for 79670
any week which commences during an established and customary 79671
vacation period or holiday recess, if the individual performs any 79672
services described in divisions (I)(1)(a) and (b) of this section 79673
in the period immediately before the vacation period or holiday 79674
recess, and there is a reasonable assurance that the individual 79675
will perform any such services in the period immediately following 79676
the vacation period or holiday recess. 79677

(d) With respect to any services described in division 79678
(I)(1)(a), (b), or (c) of this section, benefits payable on the 79679
basis of services in any such capacity shall be denied as 79680
specified in division (I)(1)(a), (b), or (c) of this section to 79681
any individual who performs such services in an educational 79682
institution or institution of higher education while in the employ 79683
of an educational service agency. For this purpose, the term 79684
"educational service agency" means a governmental agency or 79685
governmental entity that is established and operated exclusively 79686
for the purpose of providing services to one or more educational 79687
institutions or one or more institutions of higher education. 79688

(e) Any individual employed by a county board of 79689
developmental disabilities shall be notified by the thirtieth day 79690
of April each year if the individual is not to be reemployed the 79691
following academic year. 79692

(f) Any individual employed by a school district, other than 79693
a municipal school district as defined in section 3311.71 of the 79694
Revised Code, shall be notified by the first day of June each year 79695
if the individual is not to be reemployed the following academic 79696
year. 79697

(2) No disqualification will be imposed, between academic 79698
years or terms or during a vacation period or holiday recess under 79699
this division, unless the director or the director's deputy has 79700
received a statement in writing from the educational institution 79701
or institution of higher education that the claimant has a 79702
contract for, or a reasonable assurance of, reemployment for the 79703
ensuing academic year or term. 79704

(3) If an individual has employment with an educational 79705
institution or an institution of higher education and employment 79706
with a noneducational employer, during the base period of the 79707
individual's benefit year, then the individual may become eligible 79708
for benefits during the between-term, or vacation or holiday 79709

recess, disqualification period, based on employment performed for 79710
the noneducational employer, provided that the employment is 79711
sufficient to qualify the individual for benefit rights separately 79712
from the benefit rights based on school employment. The weekly 79713
benefit amount and maximum benefits payable during a 79714
disqualification period shall be computed based solely on the 79715
nonschool employment. 79716

(J) Benefits shall not be paid on the basis of employment 79717
performed by an alien, unless the alien had been lawfully admitted 79718
to the United States for permanent residence at the time the 79719
services were performed, was lawfully present for purposes of 79720
performing the services, or was otherwise permanently residing in 79721
the United States under color of law at the time the services were 79722
performed, under section 212(d)(5) of the "Immigration and 79723
Nationality Act," 66 Stat. 163, 8 U.S.C.A. 1101: 79724

(1) Any data or information required of individuals applying 79725
for benefits to determine whether benefits are not payable to them 79726
because of their alien status shall be uniformly required from all 79727
applicants for benefits. 79728

(2) In the case of an individual whose application for 79729
benefits would otherwise be approved, no determination that 79730
benefits to the individual are not payable because of the 79731
individual's alien status shall be made except upon a 79732
preponderance of the evidence that the individual had not, in 79733
fact, been lawfully admitted to the United States. 79734

(K) The director shall establish and utilize a system of 79735
profiling all new claimants under this chapter that: 79736

(1) Identifies which claimants will be likely to exhaust 79737
regular compensation and will need job search assistance services 79738
to make a successful transition to new employment; 79739

(2) Refers claimants identified pursuant to division (K)(1) 79740

of this section to reemployment services, such as job search 79741
assistance services, available under any state or federal law; 79742

(3) Collects follow-up information relating to the services 79743
received by such claimants and the employment outcomes for such 79744
claimant's subsequent to receiving such services and utilizes such 79745
information in making identifications pursuant to division (K)(1) 79746
of this section; and 79747

(4) Meets such other requirements as the United States 79748
secretary of labor determines are appropriate. 79749

service based upon objective performance evaluations. 81850

(3)(a) The auditor of state may examine the accounts, 81851
reports, systems, and other data of each deputy registrar at least 81852
every two years. The registrar, with the approval of the director, 81853

shall immediately remove a deputy who violates any provision of 81854
the Revised Code related to the duties as a deputy, any rule 81855
adopted by the registrar, or a term of the deputy's contract with 81856
the registrar. The registrar also may remove a deputy who, in the 81857
opinion of the registrar, has engaged in any conduct that is 81858
either unbecoming to one representing this state or is 81859
inconsistent with the efficient operation of the deputy's office. 81860

has engaged in any conduct that would require the denial or 81864
termination of the deputy registrar contract, the registrar may 81865
require the production of books, records, and papers as the 81866
registrar determines are necessary, and may take the depositions 81867
of witnesses residing within or outside the state in the same 81868
manner as is prescribed by law for the taking of depositions in 81869
civil actions in the court of common pleas, and for that purpose 81870
the registrar may issue a subpoena for any witness or a subpoena 81871
duces tecum to compel the production of any books, records, or 81872
papers, directed to the sheriff of the county where the witness 81873
resides or is found. Such a subpoena shall be served and returned 81874
in the same manner as a subpoena in a criminal case is served and 81875

119.094 of the Revised Code. The fees and mileage shall be paid 81879

on any person or the refusal of any witness to testify to any 81883
matter regarding which the witness lawfully may be interrogated, 81884
the court of common pleas of any county where the disobedience, 81885

neglect, or refusal occurs or any judge of that court, on 81886
application by the registrar, shall compel obedience by attachment 81887

construed to require a hearing of any nature prior to the 81892
termination of any deputy registrar contract by the registrar, 81893

(F) Except as provided in section 2743.03 of the Revised 81895
Code, no court, other than the court of common pleas of Franklin 81896
county, has jurisdiction of any action against the department of 81897
public safety, the director, the bureau, or the registrar to 81898
restrain the exercise of any power or authority, or to entertain 81899
any action for declaratory judgment, in the selection and 81900
appointment of, or contracting with, deputy registrars. Neither 81901
the department, the director, the bureau, nor the registrar is 81902
liable in any action at law for damages sustained by any person 81903
because of any acts of the department, the director, the bureau, 81904
or the registrar, or of any employee of the department or bureau, 81905
in the performance of official duties in the selection and 81906
appointment of, and contracting with, deputy registrars. 81907

(G) The registrar shall assign to each deputy registrar a 81908
series of numbers sufficient to supply the demand at all times in 81909
the area the deputy registrar serves, and the registrar shall keep 81910
a record in the registrar's office of the numbers within the 81911
series assigned. Each deputy shall be required to give bond in the 81912
amount of at least twenty-five thousand dollars, or in such higher 81913
amount as the registrar determines necessary, based on a uniform 81914
schedule of bond amounts established by the registrar and 81915
determined by the volume of registrations handled by the deputy. 81916
The form of the bond shall be prescribed by the registrar. The 81917

bonds required of deputy registrars, in the discretion of the registrar, may be individual or schedule bonds or may be included in any blanket bond coverage carried by the department.

(H) Each deputy registrar shall keep a file of each application received by the deputy and shall register that motor vehicle with the name and address of its owner.

(I) Upon request, a deputy registrar shall make the physical inspection of a motor vehicle and issue the physical inspection certificate required in section 4505.061 of the Revised Code.

(J) Each deputy registrar shall file a report semiannually with the registrar of motor vehicles listing the number of applicants for licenses the deputy has served, the number of voter registration applications the deputy has completed and transmitted to the board of elections, and the number of voter registration applications declined.

(A) The owner of every snowmobile, off-highway motorcycle, and all-purpose vehicle required to be registered under section 4519.02 of the Revised Code shall file an application for registration under section 4519.03 of the Revised Code. The owner of a motor vehicle, other than a snowmobile, off-highway motorcycle, or all-purpose vehicle, that is not designed and constructed by the manufacturer for operation on a street or highway may not register it under this chapter except upon certification of inspection pursuant to section 4513.02 of the Revised Code by the sheriff, or the chief of police of the municipal corporation or township, with jurisdiction over the political subdivision in which the owner of the motor vehicle resides. day of January of every calendar year and end on the thirty-first 81956
day of December in the same year. Applications for registration 81957
and registration renewal notices shall be filed at the times 81958
established by the registrar pursuant to section 4503.101 of the 81959
Revised Code. A motor vehicle owner also may elect to apply for or 81960
renew a motor vehicle registration by electronic means using 81961
electronic signature in accordance with rules adopted by the 81962
registrar. Except as provided in division (J) of this section, 81963

the motor vehicle to be registered in the name of the applicant if 82009

applicant's motor vehicle, that certificate may be presented for 82014
inspection at the time of first registration in a manner 82015
prescribed by rules adopted by the registrar. An applicant is not 82016
required to present a certificate of title to an electronic motor 82017

(4) All registration and transfer fees for the motor vehicle, 82036

(5) The owner or lessee does not have an inspection 82039
certificate for the motor vehicle as provided in section 3704.14 82040
of the Revised Code, and rules adopted under it, if that section 82041

the first registration of a motor vehicle by or on behalf of the 82049
owner, the official issuing the certificate shall indicate the 82050
issuance with a stamp on the certificate of title or memorandum 82051
certificate or, in the case of an electronic certificate of title, 82052

adopted by the registrar, and with a stamp on the inspection 82054

of a motor vehicle by or on behalf of the owner the odometer 82058
reading of the motor vehicle as shown in the odometer statement 82059
included in or attached to the certificate of title. Upon each 82060
subsequent registration of the motor vehicle by or on behalf of 82061

reading of the motor vehicle as shown on the immediately preceding 82063
certificate of registration. 82064

The registrar shall include in the permanent registration 82065
record of any vehicle required to be inspected under section 82066

registration of the vehicle as required under this division. 82069

(A)(1) to (21) of section 4503.042 of the Revised Code, commencing 82077
with each registration renewal with an expiration date on or after 82078
October 1, 2009, and for each initial application received on or 82079
after that date, the registrar and deputy registrar shall collect 82080
an additional fee of thirty dollars for each application for 82081
registration and registration renewal received. The additional fee 82082
is for the purpose of defraying the department of public safety's 82083
costs associated with the administration and enforcement of the 82084
motor vehicle and traffic laws of Ohio. Each deputy registrar 82085
shall transmit the fees collected under division (C)(1) of this 82086
section in the time and manner provided in this section. The 82087
registrar shall deposit all moneys received under division (C)(1) 82088
of this section into the state highway safety fund established in 82089
section 4501.06 of the Revised Code. 82090

identification sticker or each set of county identification 82094
stickers issued, as the case may be, to cover the cost of 82095
producing the license plates and stickers, including material, 82096
manufacturing, and administrative costs. Those fees shall be in 82097
addition to the license tax. If the total cost of producing the 82098
plates is less than twenty-five cents per plate, or if the total 82099
cost of producing the stickers is less than twenty-five cents per 82100
sticker or per set issued, any excess moneys accruing from the 82101
fees shall be distributed in the same manner as provided by 82102
section 4501.04 of the Revised Code for the distribution of 82103
license tax moneys. If the total cost of producing the plates 82104
exceeds twenty-five cents per plate, or if the total cost of 82105
producing the stickers exceeds twenty-five cents per sticker or 82106
per set issued, the difference shall be paid from the license tax 82107

been altered for the purpose of providing it with special 82266

prescription the length of time the health care provider expects 82315
the applicant to have the disability that limits or impairs the 82316
applicant's ability to walk. The application for a removable 82317

require by rule. The application for registration of a motor 82323
vehicle that has been altered for the purpose of providing it with 82324
special equipment for a person with a disability that limits or 82325
impairs the ability to walk but is owned by someone other than 82326

such a person shall be accompanied by such documentary evidence of 82327
vehicle alterations as the registrar may require by rule. 82328

(C) When an organization, a person with a disability that 82329
limits or impairs the ability to walk, or a person who does not 82330

providing it with special equipment for a person with a disability 82333
that limits or impairs the ability to walk first submits an 82334
application for registration of a motor vehicle under this section 82335
and every fifth year thereafter, the organization or person shall 82336
submit a signed statement from the applicant's health care 82337
provider, a completed application, and any required documentary 82338
evidence of vehicle alterations as provided in division (B) of 82339
this section, and also a power of attorney from the owner of the 82340
motor vehicle if the applicant leases the vehicle. Upon submission 82341
of these items, the registrar or deputy registrar shall issue to 82342
the applicant appropriate vehicle registration and a set of 82343
license plates and validation stickers, or validation stickers 82344
alone when required by section 4503.191 of the Revised Code. In 82345
addition to the letters and numbers ordinarily inscribed thereon, 82346
the license plates shall be imprinted with the international 82347
symbol of access. The license plates and validation stickers shall 82348
be issued upon payment of the regular license fee as prescribed 82349
under section 4503.04 of the Revised Code and any motor vehicle 82350
tax levied under Chapter 4504. of the Revised Code, and the 82351
payment of a service fee equal to the amount specified in division 82352
(D) or (G) of section 4503.10 of the Revised Code. 82353

(D)(1) Upon receipt of a completed and signed application for 82354
a removable windshield placard, a prescription as described in 82355
division (B) of this section, documentary evidence of regular 82356
transport of persons with disabilities that limit or impair the 82357
ability to walk, if required, and payment of a service fee equal 82358

to the amount specified in division (D) or (G) of section 4503.10 82359
of the Revised Code, the registrar or deputy registrar shall issue 82360
to the applicant a removable windshield placard, which shall bear 82361
the date of expiration on both sides of the placard and shall be 82362
valid until expired, revoked, or surrendered. Every removable 82363
windshield placard expires as described in division (D)(2) of this 82364
section, but in no case shall a removable windshield placard be 82365
valid for a period of less than sixty days. Removable windshield 82366
placards shall be renewable upon application as provided in 82367
division (B) of this section, and a service fee equal to the 82368
amount specified in division (D) or (G) of section 4503.10 of the 82369
Revised Code shall be charged for the renewal of a removable 82370
windshield placard. The registrar shall provide the application 82371
form and shall determine the information to be included thereon. 82372
The registrar also shall determine the form and size of the 82373
removable windshield placard, the material of which it is to be 82374
made, and any other information to be included thereon, and shall 82375
adopt rules relating to the issuance, expiration, revocation, 82376
surrender, and proper display of such placards. Any placard issued 82377
after October 14, 1999, shall be manufactured in a manner that 82378
allows the expiration date of the placard to be indicated on it 82379
through the punching, drilling, boring, or creation by any other 82380
means of holes in the placard. 82381

(2) At the time a removable windshield placard is issued to a 82382
person with a disability that limits or impairs the ability to 82383
walk, the registrar or deputy registrar shall enter into the 82384
records of the bureau of motor vehicles the last date on which the 82385
person will have that disability, as indicated on the accompanying 82386
prescription. Not less than thirty days prior to that date and all 82387
removable windshield placard renewal dates, the bureau shall send 82388
a renewal notice to that person at the person's last known address 82389
as shown in the records of the bureau, informing the person that 82390
the person's removable windshield placard will expire on the 82391

indicated date not to exceed five years from the date of issuance, 82392
and that the person is required to renew the placard by submitting 82393
to the registrar or a deputy registrar another prescription, as 82394
described in division (B) of this section, and by complying with 82395
the renewal provisions prescribed in division (D)(1) of this 82396
section. If such a prescription is not received by the registrar 82397
or a deputy registrar by that date, the placard issued to that 82398
person expires and no longer is valid, and this fact shall be 82399
recorded in the records of the bureau. 82400

(3) At least once every year, on a date determined by the 82401
registrar, the bureau shall examine the records of the office of 82402
vital statistics, located within the department of health, that 82403
pertain to deceased persons, and also the bureau's records of all 82404
persons who have been issued removable windshield placards and 82405
temporary removable windshield placards. If the records of the 82406
office of vital statistics indicate that a person to whom a 82407
removable windshield placard or temporary removable windshield 82408
placard has been issued is deceased, the bureau shall cancel that 82409
placard, and note the cancellation in its records. 82410

The office of vital statistics shall make available to the 82411
bureau all information necessary to enable the bureau to comply 82412
with division (D)(3) of this section. 82413

(4) Nothing in this section shall be construed to require a 82414
person or organization to apply for a removable windshield placard 82415
or special license plates if the parking card or special license 82416
plates issued to the person or organization under prior law have 82417
not expired or been surrendered or revoked. 82418

(E)(1)(a) Any person with a disability that limits or impairs 82419
the ability to walk may apply to the registrar or a deputy 82420
registrar for a temporary removable windshield placard. The 82421
application for a temporary removable windshield placard shall be 82422
accompanied by a prescription from the applicant's health care 82423

provider prescribing such a placard for the applicant, provided 82424
that the applicant meets at least one of the criteria contained in 82425
division (A)(1) of this section and that the disability is 82426
expected to continue for six consecutive months or less. The 82427
health care provider shall state on the prescription the length of 82428
time the health care provider expects the applicant to have the 82429
disability that limits or impairs the applicant's ability to walk, 82430
which cannot exceed six months from the date of the prescription. 82431
Upon receipt of an application for a temporary removable 82432
windshield placard, presentation of the prescription from the 82433
applicant's health care provider, and payment of a service fee 82434
equal to the amount specified in division (D) or (G) of section 82435
4503.10 of the Revised Code, the registrar or deputy registrar 82436
shall issue to the applicant a temporary removable windshield 82437
placard. 82438

(b) Any active-duty member of the armed forces of the United 82439
States, including the reserve components of the armed forces and 82440
the national guard, who has an illness or injury that limits or 82441
impairs the ability to walk may apply to the registrar or a deputy 82442
registrar for a temporary removable windshield placard. With the 82443
application, the person shall present evidence of the person's 82444
active-duty status and the illness or injury. Evidence of the 82445
illness or injury may include a current department of defense 82446
convalescent leave statement, any department of defense document 82447
indicating that the person currently has an ill or injured 82448
casualty status or has limited duties, or a prescription from any 82449
health care provider prescribing the placard for the applicant. 82450
Upon receipt of the application and the necessary evidence, the 82451
registrar or deputy registrar shall issue the applicant the 82452
temporary removable windshield placard without the payment of any 82453
service fee. 82454

(2) The temporary removable windshield placard shall be of 82455

the same size and form as the removable windshield placard, shall 82456
be printed in white on a red-colored background, and shall bear 82457
the word "temporary" in letters of such size as the registrar 82458
shall prescribe. A temporary removable windshield placard also 82459
shall bear the date of expiration on the front and back of the 82460
placard, and shall be valid until expired, surrendered, or 82461
revoked, but in no case shall such a placard be valid for a period 82462
of less than sixty days. The registrar shall provide the 82463
application form and shall determine the information to be 82464
included on it, provided that the registrar shall not require a 82465
health care provider's prescription or certification for a person 82466
applying under division (E)(1)(b) of this section. The registrar 82467
also shall determine the material of which the temporary removable 82468
windshield placard is to be made and any other information to be 82469
included on the placard and shall adopt rules relating to the 82470
issuance, expiration, surrender, revocation, and proper display of 82471
those placards. Any temporary removable windshield placard issued 82472
after October 14, 1999, shall be manufactured in a manner that 82473
allows for the expiration date of the placard to be indicated on 82474
it through the punching, drilling, boring, or creation by any 82475
other means of holes in the placard. 82476

(F) If an applicant for a removable windshield placard is a 82477
veteran of the armed forces of the United States whose disability, 82478
as defined in division (A)(1) of this section, is 82479
service-connected, the registrar or deputy registrar, upon receipt 82480
of the application, presentation of a signed statement from the 82481

registrar may require by rule, but without the payment of any 82487

(G) Upon a conviction of a violation of division (I), (J), or 82490
(K) of this section, the court shall report the conviction, and 82491
send the placard or parking card, if available, to the registrar, 82492
who thereupon shall revoke the privilege of using the placard or 82493
parking card and send notice in writing to the placardholder or 82494
cardholder at that holder's last known address as shown in the 82495

return the placard or card if not previously surrendered to the 82497
court, to the registrar within ten days following mailing of the 82498
notice. 82499

Whenever a person to whom a removable windshield placard or 82500
parking card has been issued moves to another state, the person 82501

an organization to which a placard or card has been issued changes 82503
its place of operation to another state, the organization shall 82504
surrender the placard or card to the registrar. 82505

(b) In any criminal prosecution or juvenile court proceeding

for a violation of division (A) or (B) of this section or for an 83735
equivalent offense that is vehicle-related, the court may admit 83736

controlled substances, metabolites of a controlled substance, or a 83738
combination of them in the defendant's whole blood, blood serum or 83739
plasma, breath, urine, or other bodily substance at the time of 83740
the alleged violation as shown by chemical analysis of the 83741
substance withdrawn within three hours of the time of the alleged 83742
violation. The three-hour time limit specified in this division 83743
regarding the admission of evidence does not extend or affect the 83744
two-hour time limit specified in division (A) of section 4511.192 83745
of the Revised Code as the maximum period of time during which a 83746
person may consent to a chemical test or tests as described in 83747
that section. The court may admit evidence on the concentration of 83748
alcohol, drugs of abuse, or a combination of them as described in 83749
this division when a person submits to a blood, breath, urine, or 83750
other bodily substance test at the request of a law enforcement 83751
officer under section 4511.191 of the Revised Code or a blood or 83752
urine sample is obtained pursuant to a search warrant. Only a 83753
physician, a registered nurse, an emergency medical 83754
technician-intermediate, an emergency medical 83755
technician-paramedic, or a qualified technician, chemist, or 83756
phlebotomist shall withdraw a blood sample for the purpose of 83757
determining the alcohol, drug, controlled substance, metabolite of 83758
a controlled substance, or combination content of the whole blood, 83759
blood serum, or blood plasma. This limitation does not apply to 83760
the taking of breath or urine specimens. A person authorized to 83761
withdraw blood under this division may refuse to withdraw blood 83762
under this division, if in that person's opinion, the physical 83763
welfare of the person would be endangered by the withdrawing of 83764
blood. 83765

The bodily substance withdrawn under division (D)(1)(b) of 83766
this section shall be analyzed in accordance with methods approved 83767

by the director of health by an individual possessing a valid 83768
permit issued by the director pursuant to section 3701.143 of the 83769
Revised Code. 83770

(c) As used in division (D)(1)(b) of this section, "emergency 83771
medical technician-intermediate" and "emergency medical 83772
technician-paramedic" have the same meanings as in section 4765.01 83773
of the Revised Code. 83774

(2) In a criminal prosecution or juvenile court proceeding 83775
for a violation of division (A) of this section or for an 83776
equivalent offense that is vehicle-related, if there was at the 83777
time the bodily substance was withdrawn a concentration of less 83778
than the applicable concentration of alcohol specified in 83779
divisions (A)(1)(b), (c), (d), and (e) of this section or less 83780
than the applicable concentration of a listed controlled substance 83781
or a listed metabolite of a controlled substance specified for a 83782
violation of division (A)(1)(j) of this section, that fact may be 83783
considered with other competent evidence in determining the guilt 83784
or innocence of the defendant. This division does not limit or 83785
affect a criminal prosecution or juvenile court proceeding for a 83786
violation of division (B) of this section or for an equivalent 83787
offense that is substantially equivalent to that division. 83788

(3) Upon the request of the person who was tested, the 83789
results of the chemical test shall be made available to the person 83790
or the person's attorney, immediately upon the completion of the 83791
chemical test analysis. 83792

If the chemical test was obtained pursuant to division 83793
(D)(1)(b) of this section, the person tested may have a physician, 83794
a registered nurse, or a qualified technician, chemist, or 83795
phlebotomist of the person's own choosing administer a chemical 83796
test or tests, at the person's expense, in addition to any 83797
administered at the request of a law enforcement officer. If the 83798
person was under arrest as described in division (A)(5) of section 83799

4511.191 of the Revised Code, the arresting officer shall advise 83800
the person at the time of the arrest that the person may have an 83801
independent chemical test taken at the person's own expense. If 83802
the person was under arrest other than described in division 83803
(A)(5) of section 4511.191 of the Revised Code, the form to be 83804
read to the person to be tested, as required under section 83805
4511.192 of the Revised Code, shall state that the person may have 83806
an independent test performed at the person's expense. The failure 83807
or inability to obtain an additional chemical test by a person 83808
shall not preclude the admission of evidence relating to the 83809
chemical test or tests taken at the request of a law enforcement 83810
officer. 83811

(4)(a) As used in divisions (D)(4)(b) and (c) of this 83812
section, "national highway traffic safety administration" means 83813
the national highway traffic safety administration established as 83814
an administration of the United States department of 83815
transportation under 96 Stat. 2415 (1983), 49 U.S.C.A. 105. 83816

(b) In any criminal prosecution or juvenile court proceeding 83817
for a violation of division (A) or (B) of this section, of a 83818
municipal ordinance relating to operating a vehicle while under 83819
the influence of alcohol, a drug of abuse, or alcohol and a drug 83820
of abuse, or of a municipal ordinance relating to operating a 83821
vehicle with a prohibited concentration of alcohol, a controlled 83822
substance, or a metabolite of a controlled substance in the whole 83823
blood, blood serum or plasma, breath, or urine, if a law 83824
enforcement officer has administered a field sobriety test to the 83825
operator of the vehicle involved in the violation and if it is 83826
shown by clear and convincing evidence that the officer 83827
administered the test in substantial compliance with the testing 83828
standards for any reliable, credible, and generally accepted field 83829
sobriety tests that were in effect at the time the tests were 83830
administered, including, but not limited to, any testing standards 83831

then in effect that were set by the national highway traffic 83832
safety administration, all of the following apply: 83833

(i) The officer may testify concerning the results of the 83834
field sobriety test so administered. 83835

(ii) The prosecution may introduce the results of the field 83836
sobriety test so administered as evidence in any proceedings in 83837
the criminal prosecution or juvenile court proceeding. 83838

(iii) If testimony is presented or evidence is introduced 83839
under division (D)(4)(b)(i) or (ii) of this section and if the 83840
testimony or evidence is admissible under the Rules of Evidence, 83841
the court shall admit the testimony or evidence and the trier of 83842
fact shall give it whatever weight the trier of fact considers to 83843
be appropriate. 83844

(c) Division (D)(4)(b) of this section does not limit or 83845
preclude a court, in its determination of whether the arrest of a 83846
person was supported by probable cause or its determination of any 83847
other matter in a criminal prosecution or juvenile court 83848
proceeding of a type described in that division, from considering 83849
evidence or testimony that is not otherwise disallowed by division 83850
(D)(4)(b) of this section. 83851

(E)(1) Subject to division (E)(3) of this section, in any 83852
criminal prosecution or juvenile court proceeding for a violation 83853
of division (A)(1)(b), (c), (d), (e), (f), (g), (h), (i), or (j) 83854
or (B)(1), (2), (3), or (4) of this section or for an equivalent 83855
offense that is substantially equivalent to any of those 83856
divisions, a laboratory report from any laboratory personnel 83857
issued a permit by the department of health authorizing an 83858
analysis as described in this division that contains an analysis 83859
of the whole blood, blood serum or plasma, breath, urine, or other 83860
bodily substance tested and that contains all of the information 83861
specified in this division shall be admitted as prima-facie 83862

evidence of the information and statements that the report 83863
contains. The laboratory report shall contain all of the 83864
following: 83865

(a) The signature, under oath, of any person who performed 83866
the analysis; 83867

(b) Any findings as to the identity and quantity of alcohol, 83868
a drug of abuse, a controlled substance, a metabolite of a 83869
controlled substance, or a combination of them that was found; 83870

(c) A copy of a notarized statement by the laboratory 83871
director or a designee of the director that contains the name of 83872
each certified analyst or test performer involved with the report, 83873
the analyst's or test performer's employment relationship with the 83874
laboratory that issued the report, and a notation that performing 83875
an analysis of the type involved is part of the analyst's or test 83876
performer's regular duties; 83877

(d) An outline of the analyst's or test performer's 83878
education, training, and experience in performing the type of 83879
analysis involved and a certification that the laboratory 83880
satisfies appropriate quality control standards in general and, in 83881
this particular analysis, under rules of the department of health. 83882

(2) Notwithstanding any other provision of law regarding the 83883
admission of evidence, a report of the type described in division 83884
(E)(1) of this section is not admissible against the defendant to 83885
whom it pertains in any proceeding, other than a preliminary 83886
hearing or a grand jury proceeding, unless the prosecutor has 83887
served a copy of the report on the defendant's attorney or, if the 83888
defendant has no attorney, on the defendant. 83889

(3) A report of the type described in division (E)(1) of this 83890
section shall not be prima-facie evidence of the contents, 83891
identity, or amount of any substance if, within seven days after 83892
the defendant to whom the report pertains or the defendant's 83893

attorney receives a copy of the report, the defendant or the 83894
defendant's attorney demands the testimony of the person who 83895
signed the report. The judge in the case may extend the seven-day 83896
time limit in the interest of justice. 83897

(F) Except as otherwise provided in this division, any 83898
physician, registered nurse, emergency medical 83899
technician-intermediate, emergency medical technician-paramedic, 83900
or qualified technician, chemist, or phlebotomist who withdraws 83901
blood from a person pursuant to this section or section 4511.191 83902
or 4511.192 of the Revised Code, and any hospital, first-aid 83903
station, or clinic at which blood is withdrawn from a person 83904
pursuant to this section or section 4511.191 or 4511.192 of the 83905
Revised Code, is immune from criminal liability and civil 83906
liability based upon a claim of assault and battery or any other 83907
claim that is not a claim of malpractice, for any act performed in 83908
withdrawing blood from the person. The immunity provided in this 83909
division also extends to an emergency medical service organization 83910
that employs an emergency medical technician-intermediate or 83911
emergency medical technician-paramedic who withdraws blood under 83912
this section. The immunity provided in this division is not 83913
available to a person who withdraws blood if the person engages in 83914
willful or wanton misconduct. 83915

As used in this division, "emergency medical 83916
technician-intermediate" and "emergency medical 83917
technician-paramedic" have the same meanings as in section 4765.01 83918
of the Revised Code. 83919

(G)(1) Whoever violates any provision of divisions (A)(1)(a) 83920
to (i) or (A)(2) of this section is guilty of operating a vehicle 83921
under the influence of alcohol, a drug of abuse, or a combination 83922
of them. Whoever violates division (A)(1)(j) of this section is 83923
guilty of operating a vehicle while under the influence of a 83924
listed controlled substance or a listed metabolite of a controlled 83925

substance. The court shall sentence the offender for either 83926
offense under Chapter 2929. of the Revised Code, except as 83927
otherwise authorized or required by divisions (G)(1)(a) to (e) of 83928
this section: 83929

(a) Except as otherwise provided in division (G)(1)(b), (c), 83930
(d), or (e) of this section, the offender is guilty of a 83931

mandatory jail term of three consecutive days. As used in this 83936
division, three consecutive days means seventy-two consecutive 83937
hours. The court may sentence an offender to both an intervention 83938
program and a jail term. The court may impose a jail term in 83939
addition to the three-day mandatory jail term or intervention 83940
program. However, in no case shall the cumulative jail term 83941
imposed for the offense exceed six months. 83942

The court may suspend the execution of the three-day jail 83943
term under this division if the court, in lieu of that suspended 83944
term, places the offender under a community control sanction 83945
pursuant to section 2929.25 of the Revised Code and requires the 83946
offender to attend, for three consecutive days, a drivers' 83947
intervention program certified under section ~~3793.10~~ 5119.38 of 83948
the Revised Code. The court also may suspend the execution of any 83949

and continuous alcohol monitoring. The cumulative total of the 84365
fifteen consecutive days in jail and the period of house arrest 84366
with electronic monitoring, continuous alcohol monitoring, or both 84367
types of monitoring shall not exceed one year. The fifteen 84368
consecutive days in jail do not have to be served prior to or 84369
consecutively to the period of house arrest. 84370

(4) If an offender's driver's or occupational driver's 84383
license or permit or nonresident operating privilege is suspended 84384
under division (G) of this section and if section 4510.13 of the 84385
Revised Code permits the court to grant limited driving 84386

that the offender must display on the vehicle that is driven 84390
subject to the privileges restricted license plates that are 84391
issued under section 4503.231 of the Revised Code, except as 84392
provided in division (B) of that section, the court shall impose 84393
that condition as one of the conditions of the limited driving 84394
privileges granted to the offender, except as provided in division 84395
(B) of section 4503.231 of the Revised Code. 84396

(5) Fines imposed under this section for a violation of 84397
division (A) of this section shall be distributed as follows: 84398

(e)(iii) of this section shall be paid to an enforcement and 84404

education fund established by the legislative authority of the law 84405

offense prior to being sentenced for the offense but is not 84422
sentenced to a term of incarceration, the fifty dollars shall be 84423
paid to the political subdivision that paid the cost of housing 84424
the offender during that period of confinement. The political 84425
subdivision shall use the share under this division to pay or 84426
reimburse incarceration or treatment costs it incurs in housing or 84427
providing drug and alcohol treatment to persons who violate this 84428
section or a municipal OVI ordinance, costs of any immobilizing or 84429
disabling device used on the offender's vehicle, and costs of 84430

this section. 84432

(c) Twenty-five dollars of the fine imposed under division 84433
(G)(1)(a)(iii) and fifty dollars of the fine imposed under 84434
division (G)(1)(b)(iii) of this section shall be deposited into 84435
the county or municipal indigent drivers' alcohol treatment fund 84436

under the control of that court, as created by the county or 84437
municipal corporation under division (F) of section 4511.191 of 84438

subdivision that pays the cost of housing the offender during the 84445
offender's term of incarceration. The political subdivision shall 84446

costs for any immobilizing or disabling device used on the 84450
offender's vehicle, and costs of electronic house arrest equipment 84451
needed for persons who violate this section. 84452

(e) Fifty dollars of the fine imposed under divisions 84453
(G)(1)(a)(iii), (G)(1)(b)(iii), (G)(1)(c)(iii), (G)(1)(d)(iii), 84454
and (G)(1)(e)(iii) of this section shall be deposited into the 84455
special projects fund of the court in which the offender was 84456
convicted and that is established under division (E)(1) of section 84457
2303.201, division (B)(1) of section 1901.26, or division (B)(1) 84458

cover the cost of immobilizing or disabling devices, including 84460
certified ignition interlock devices, and remote alcohol 84461
monitoring devices for indigent offenders who are required by a 84462
judge to use either of these devices. If the court in which the 84463
offender was convicted does not have a special projects fund that 84464
is established under division (E)(1) of section 2303.201, division 84465
(B)(1) of section 1901.26, or division (B)(1) of section 1907.24 84466
of the Revised Code, the fifty dollars shall be deposited into the 84467
indigent drivers interlock and alcohol monitoring fund under 84468

of the fine imposed under division (G)(1)(c)(iii), and five 84473
hundred dollars of the fine imposed under division (G)(1)(d)(iii) 84474
or (e)(iii) of this section shall be transmitted to the treasurer 84475
of state for deposit into the indigent defense support fund 84476
established under section 120.08 of the Revised Code. 84477

(g) The balance of the fine imposed under division 84478
(G)(1)(a)(iii), (b)(iii), (c)(iii), (d)(iii), or (e)(iii) of this 84479
section shall be disbursed as otherwise provided by law. 84480

(6) If title to a motor vehicle that is subject to an order 84481
of criminal forfeiture under division (G)(1)(c), (d), or (e) of 84482
this section is assigned or transferred and division (B)(2) or (3) 84483
of section 4503.234 of the Revised Code applies, in addition to or 84484
independent of any other penalty established by law, the court may 84485
fine the offender the value of the vehicle as determined by 84486
publications of the national automobile dealers association. The 84487

with division (C)(2) of that section. 84489

(7) In all cases in which an offender is sentenced under 84490
division (G) of this section, the offender shall provide the court 84491
with proof of financial responsibility as defined in section 84492
4509.01 of the Revised Code. If the offender fails to provide that 84493
proof of financial responsibility, the court, in addition to any 84494
other penalties provided by law, may order restitution pursuant to 84495
section 2929.18 or 2929.28 of the Revised Code in an amount not 84496
exceeding five thousand dollars for any economic loss arising from 84497
an accident or collision that was the direct and proximate result 84498
of the offender's operation of the vehicle before, during, or 84499
after committing the offense for which the offender is sentenced 84500

under division (G) of this section. 84501

(8) As used in division (G) of this section, "electronic 84502
monitoring," "mandatory prison term," and "mandatory term of local 84503
incarceration" have the same meanings as in section 2929.01 of the 84504
Revised Code. 84505

(H) Whoever violates division (B) of this section is guilty 84506
of operating a vehicle after underage alcohol consumption and 84507
shall be punished as follows: 84508

(1) Except as otherwise provided in division (H)(2) of this 84509
section, the offender is guilty of a misdemeanor of the fourth 84510

the court shall impose a class six suspension of the offender's 84512
driver's license, commercial driver's license, temporary 84513
instruction permit, probationary license, or nonresident operating 84514
privilege from the range specified in division (A)(6) of section 84515
4510.02 of the Revised Code. 84516

(2) If, within one year of the offense, the offender 84517
previously has been convicted of or pleaded guilty to one or more 84518
violations of division (A) or (B) of this section or other 84519
equivalent offenses, the offender is guilty of a misdemeanor of 84520
the third degree. In addition to any other sanction imposed for 84521
the offense, the court shall impose a class four suspension of the 84522
offender's driver's license, commercial driver's license, 84523

(3) If the offender also is convicted of or also pleads 84527
guilty to a specification of the type described in section 84528
2941.1416 of the Revised Code and if the court imposes a jail term 84529
for the violation of division (B) of this section, the court shall 84530
impose upon the offender an additional definite jail term pursuant 84531

provided by law, the court may order restitution pursuant to 84537
section 2929.28 of the Revised Code in an amount not exceeding 84538
five thousand dollars for any economic loss arising from an 84539
accident or collision that was the direct and proximate result of 84540
the offender's operation of the vehicle before, during, or after 84541
committing the violation of division (B) of this section. 84542

(I)(1) No court shall sentence an offender to an alcohol 84543

However, if the court determines that an offender who stays in an 84552
alcohol treatment program under an order issued under this section 84553
is unable to pay the cost of the stay in the program, the court 84554
may order that the cost be paid from the court's indigent drivers' 84555
alcohol treatment fund. 84556

(J) If a person whose driver's or commercial driver's license 84557
or permit or nonresident operating privilege is suspended under 84558
this section files an appeal regarding any aspect of the person's 84559
trial or sentence, the appeal itself does not stay the operation 84560
of the suspension. 84561

(K) Division (A)(1)(j) of this section does not apply to a 84562

person who operates a vehicle, streetcar, or trackless trolley 84563

in the same manner as if the offender is being prosecuted for a 84578
prohibited concentration of alcohol. 84579

(M) All terms defined in section 4510.01 of the Revised Code 84580
apply to this section. If the meaning of a term defined in section 84581
4510.01 of the Revised Code conflicts with the meaning of the same 84582
term as defined in section 4501.01 or 4511.01 of the Revised Code, 84583
the term as defined in section 4510.01 of the Revised Code applies 84584

reporting of alcohol consumption by a person and that a court 84604
orders a person to use as a sanction imposed as a result of the 84605
person's conviction of or plea of guilty to an offense. 84606

battery or any other claim for the acts, unless the officer so 84669
acted with malicious purpose, in bad faith, or in a wanton or 84670
reckless manner. 84671

(B)(1) Upon receipt of the sworn report of a law enforcement 84672
officer who arrested a person for a violation of division (A) or 84673

which the person refused the request to consent to the chemical 84694
test, had refused one previous request to consent to a chemical 84695

violation or offense arose from an incident other than the 84710
incident that led to the refusal, the suspension shall be a class 84711
A suspension imposed for the period of time specified in division 84712
(B)(1) of section 4510.02 of the Revised Code. 84713

(d) If the arrested person, within six years of the date on 84714
which the person refused the request to consent to the chemical 84715

technical assistance to the applicant. If the interested ~~program~~ 85192
services provider withdraws the certification application, the 85193
department must notify the court, and the court shall not provide 85194
the interested ~~program services provider~~ with any further surplus 85195
funds. 85196

(7)(a) Each alcohol and drug addiction services board and 85197
board of alcohol, drug addiction, and mental health services 85198

no person shall drive any motor vehicle, trackless trolley, or 85271
streetcar in and upon any street or highway at a greater speed 85272
than will permit the person to bring it to a stop within the 85273
assured clear distance ahead. 85274

(B) It is prima-facie lawful, in the absence of a lower limit 85275
declared or established pursuant to this section by the director 85276
of transportation or local authorities, for the operator of a 85277
motor vehicle, trackless trolley, or streetcar to operate the same 85278
at a speed not exceeding the following: 85279

(1)(a) Twenty miles per hour in school zones during school 85280

controlled-access highways and expressways, if the right-of-way 85284
line fence has been erected without pedestrian opening, the speed 85285
shall be governed by division (B)(4) of this section and on 85286
freeways, if the right-of-way line fence has been erected without 85287
pedestrian opening, the speed shall be governed by divisions 85288
(B)(9) and (10) of this section. The end of every school zone may 85289
be marked by a sign indicating the end of the zone. Nothing in 85290
this section or in the manual and specifications for a uniform 85291

Code, a copy of the school's report for the parents of the 85301
school's pupils certifying that the school meets Ohio minimum 85302
standards for nonchartered, nontax-supported schools and presents 85303
evidence of this filing to the jurisdiction from which it is 85304
requesting the establishment of a school zone. "School" also 85305
includes a special elementary school that in writing requests the 85306
county engineer of the county in which the special elementary 85307
school is located to create a school zone at the location of that 85308

fifty-five miles per hour on a two-lane state route outside a 85542
municipal corporation is less than is reasonable or safe under the 85543
conditions found to exist at that portion of the state route, the 85544
director may determine and declare a speed limit of sixty miles 85545
per hour for that portion of the state route, which shall be 85546
effective when appropriate signs giving notice of it are erected 85547
at the location. 85548

(I)(1) Except as provided in divisions (I)(2) and (K) of this 85549
section, whenever local authorities determine upon the basis of an 85550
engineering and traffic investigation that the speed permitted by 85551
divisions (B)(1)(a) to (D) of this section, on any part of a 85552
highway under their jurisdiction, is greater than is reasonable 85553
and safe under the conditions found to exist at such location, the 85554
local authorities may by resolution request the director to 85555
determine and declare a reasonable and safe prima-facie speed 85556
limit. Upon receipt of such request the director may determine and 85557
declare a reasonable and safe prima-facie speed limit at such 85558
location, and if the director does so, then such declared speed 85559
limit shall become effective only when appropriate signs giving 85560
notice thereof are erected at such location by the local 85561
authorities. The director may withdraw the declaration of a 85562
prima-facie speed limit whenever in the director's opinion the 85563
altered prima-facie speed becomes unreasonable. Upon such 85564
withdrawal, the declared prima-facie speed shall become 85565
ineffective and the signs relating thereto shall be immediately 85566
removed by the local authorities. 85567

(2) A local authority may determine on the basis of a 85568
geometric and traffic characteristic study that the speed limit of 85569
sixty-five miles per hour on a portion of a freeway under its 85570
jurisdiction that was established through the operation of 85571
division (L)(3) of this section is greater than is reasonable or 85572
safe under the conditions found to exist at that portion of the 85573

freeway. If the local authority makes such a determination, the 85574
local authority by resolution may request the director to 85575
determine and declare a reasonable and safe speed limit of not 85576
less than fifty-five miles per hour for that portion of the 85577
freeway. If the director takes such action, the declared speed 85578
limit becomes effective only when appropriate signs giving notice 85579
of it are erected at such location by the local authority. 85580

(J) Local authorities in their respective jurisdictions may 85581
authorize by ordinance higher prima-facie speeds than those stated 85582
in this section upon through highways, or upon highways or 85583
portions thereof where there are no intersections, or between 85584
widely spaced intersections, provided signs are erected giving 85585
notice of the authorized speed, but local authorities shall not 85586
modify or alter the basic rule set forth in division (A) of this 85587
section or in any event authorize by ordinance a speed in excess 85588
of fifty miles per hour. 85589

Alteration of prima-facie limits on state routes by local 85590
authorities shall not be effective until the alteration has been 85591
approved by the director. The director may withdraw approval of 85592
any altered prima-facie speed limits whenever in the director's 85593
opinion any altered prima-facie speed becomes unreasonable, and 85594
upon such withdrawal, the altered prima-facie speed shall become 85595
ineffective and the signs relating thereto shall be immediately 85596
removed by the local authorities. 85597

(K)(1) As used in divisions (K)(1), (2), (3), and (4) of this 85598
section, "unimproved highway" means a highway consisting of any of 85599
the following: 85600

(a) Unimproved earth; 85601

(b) Unimproved graded and drained earth; 85602

(c) Gravel. 85603

(2) Except as otherwise provided in divisions (K)(4) and (5) 85604

of this section, whenever a board of township trustees determines 85605
upon the basis of an engineering and traffic investigation that 85606
the speed permitted by division (B)(5) of this section on any part 85607
of an unimproved highway under its jurisdiction and in the 85608
unincorporated territory of the township is greater than is 85609
reasonable or safe under the conditions found to exist at the 85610
location, the board may by resolution declare a reasonable and 85611
safe prima-facie speed limit of fifty-five but not less than 85612
twenty-five miles per hour. An altered speed limit adopted by a 85613
board of township trustees under this division becomes effective 85614
when appropriate traffic control devices, as prescribed in section 85615
4511.11 of the Revised Code, giving notice thereof are erected at 85616
the location, which shall be no sooner than sixty days after 85617
adoption of the resolution. 85618

(3)(a) Whenever, in the opinion of a board of township 85619
trustees, any altered prima-facie speed limit established by the 85620
board under this division becomes unreasonable, the board may 85621
adopt a resolution withdrawing the altered prima-facie speed 85622
limit. Upon the adoption of such a resolution, the altered 85623
prima-facie speed limit becomes ineffective and the traffic 85624
control devices relating thereto shall be immediately removed. 85625

(b) Whenever a highway ceases to be an unimproved highway and 85626
the board has adopted an altered prima-facie speed limit pursuant 85627
to division (K)(2) of this section, the board shall, by 85628
resolution, withdraw the altered prima-facie speed limit as soon 85629
as the highway ceases to be unimproved. Upon the adoption of such 85630
a resolution, the altered prima-facie speed limit becomes 85631
ineffective and the traffic control devices relating thereto shall 85632
be immediately removed. 85633

(4)(a) If the boundary of two townships rests on the 85634
centerline of an unimproved highway in unincorporated territory 85635
and both townships have jurisdiction over the highway, neither of 85636

the boards of township trustees of such townships may declare an altered prima-facie speed limit pursuant to division (K)(2) of this section on the part of the highway under their joint jurisdiction unless the boards of township trustees of both of the townships determine, upon the basis of an engineering and traffic investigation, that the speed permitted by division (B)(5) of this section is greater than is reasonable or safe under the conditions found to exist at the location and both boards agree upon a reasonable and safe prima-facie speed limit of less than fifty-five but not less than twenty-five miles per hour for that location. If both boards so agree, each shall follow the procedure specified in division (K)(2) of this section for altering the prima-facie speed limit on the highway. Except as otherwise provided in division (K)(4)(b) of this section, no speed limit altered pursuant to division (K)(4)(a) of this section may be withdrawn unless the boards of township trustees of both townships determine that the altered prima-facie speed limit previously adopted becomes unreasonable and each board adopts a resolution withdrawing the altered prima-facie speed limit pursuant to the procedure specified in division (K)(3)(a) of this section.

(b) Whenever a highway described in division (K)(4)(a) of this section ceases to be an unimproved highway and two boards of township trustees have adopted an altered prima-facie speed limit pursuant to division (K)(4)(a) of this section, both boards shall, by resolution, withdraw the altered prima-facie speed limit as soon as the highway ceases to be unimproved. Upon the adoption of the resolution, the altered prima-facie speed limit becomes ineffective and the traffic control devices relating thereto shall be immediately removed.

(5) As used in division (K)(5) of this section:

(a) "Commercial subdivision" means any platted territory outside the limits of a municipal corporation and fronting a

highway where, for a distance of three hundred feet or more, the frontage is improved with buildings in use for commercial purposes, or where the entire length of the highway is less than three hundred feet long and the frontage is improved with buildings in use for commercial purposes.

(b) "Residential subdivision" means any platted territory outside the limits of a municipal corporation and fronting a highway, where, for a distance of three hundred feet or more, the frontage is improved with residences or residences and buildings in use for business, or where the entire length of the highway is less than three hundred feet long and the frontage is improved with residences or residences and buildings in use for business.

Whenever a board of township trustees finds upon the basis of an engineering and traffic investigation that the prima-facie speed permitted by division (B)(5) of this section on any part of a highway under its jurisdiction that is located in a commercial or residential subdivision, except on highways or portions thereof at the entrances to which vehicular traffic from the majority of intersecting highways is required to yield the right-of-way to vehicles on such highways in obedience to stop or yield signs or traffic control signals, is greater than is reasonable and safe under the conditions found to exist at the location, the board may by resolution declare a reasonable and safe prima-facie speed limit of less than fifty-five but not less than twenty-five miles per hour at the location. An altered speed limit adopted by a board of township trustees under this division shall become effective when appropriate signs giving notice thereof are erected at the location by the township. Whenever, in the opinion of a board of township trustees, any altered prima-facie speed limit established by it under this division becomes unreasonable, it may adopt a resolution withdrawing the altered prima-facie speed, and upon such withdrawal, the altered prima-facie speed shall become

ineffective, and the signs relating thereto shall be immediately removed by the township.

(L)(1) Within one hundred twenty days of February 29, 1996, the director of transportation, based upon a geometric and traffic characteristic study of a freeway that is part of the interstate system or that is not part of the interstate system, but is built to the standards and specifications that are applicable to freeways that are part of the interstate system, in consultation with the director of public safety and, if applicable, the local authority having jurisdiction over a portion of such freeway, may determine and declare that the speed limit of less than sixty-five miles per hour established on such freeway or portion of freeway either is reasonable and safe or is less than that which is reasonable and safe.

(2) If the established speed limit for such a freeway or portion of freeway is determined to be less than that which is reasonable and safe, the director of transportation, in consultation with the director of public safety and, if applicable, the local authority having jurisdiction over the portion of freeway, shall determine and declare a reasonable and safe speed limit of not more than sixty-five miles per hour for that freeway or portion of freeway.

The director of transportation or local authority having jurisdiction over the freeway or portion of freeway shall erect appropriate signs giving notice of the speed limit at such location within one hundred fifty days of February 29, 1996. Such speed limit becomes effective only when such signs are erected at the location.

(3) If, within one hundred twenty days of February 29, 1996, the director of transportation does not make a determination and declaration of a reasonable and safe speed limit for a freeway or portion of freeway that is part of the interstate system or that

is not part of the interstate system, but is built to the 85733
standards and specifications that are applicable to freeways that 85734
are part of the interstate system and that has a speed limit of 85735
less than sixty-five miles per hour, the speed limit on that 85736
freeway or portion of a freeway shall be sixty-five miles per 85737
hour. The director of transportation or local authority having 85738
jurisdiction over the freeway or portion of the freeway shall 85739
erect appropriate signs giving notice of the speed limit of 85740
sixty-five miles per hour at such location within one hundred 85741
fifty days of February 29, 1996. Such speed limit becomes 85742
effective only when such signs are erected at the location. A 85743
speed limit established through the operation of division (L)(3) 85744
of this section is subject to reduction under division (I)(2) of 85745
this section. 85746

(M) Within three hundred sixty days after February 29, 1996, 85747
the director of transportation, based upon a geometric and traffic 85748
characteristic study of a rural, divided, multi-lane highway that 85749
has been designated as part of the national highway system under 85750
the "National Highway System Designation Act of 1995," 109 Stat. 85751
568, 23 U.S.C.A. 103, in consultation with the director of public 85752
safety and, if applicable, the local authority having jurisdiction 85753
over a portion of the highway, may determine and declare that the 85754
speed limit of less than sixty-five miles per hour established on 85755
the highway or portion of highway either is reasonable and safe or 85756
is less than that which is reasonable and safe. 85757

If the established speed limit for the highway or portion of 85758
highway is determined to be less than that which is reasonable and 85759
safe, the director of transportation, in consultation with the 85760
director of public safety and, if applicable, the local authority 85761
having jurisdiction over the portion of highway, shall determine 85762
and declare a reasonable and safe speed limit of not more than 85763
sixty-five miles per hour for that highway or portion of highway. 85764

The director of transportation or local authority having 85765
jurisdiction over the highway or portion of highway shall erect 85766
appropriate signs giving notice of the speed limit at such 85767
location within three hundred ninety days after February 29, 1996. 85768
The speed limit becomes effective only when such signs are erected 85769
at the location. 85770

(N)(1)(a) If the boundary of two local authorities rests on 85771
the centerline of a highway and both authorities have jurisdiction 85772
over the highway, the speed limit for the part of the highway 85773
within their joint jurisdiction shall be either one of the 85774
following as agreed to by both authorities: 85775

(i) Either prima-facie speed limit permitted by division (B) 85776
of this section; 85777

(ii) An altered speed limit determined and posted in 85778
accordance with this section. 85779

(b) If the local authorities are unable to reach an 85780
agreement, the speed limit shall remain as established and posted 85781
under this section. 85782

(2) Neither local authority may declare an altered 85783
prima-facie speed limit pursuant to this section on the part of 85784
the highway under their joint jurisdiction unless both of the 85785
local authorities determine, upon the basis of an engineering and 85786
traffic investigation, that the speed permitted by this section is 85787
greater than is reasonable or safe under the conditions found to 85788
exist at the location and both authorities agree upon a uniform 85789
reasonable and safe prima-facie speed limit of less than 85790
fifty-five but not less than twenty-five miles per hour for that 85791
location. If both authorities so agree, each shall follow the 85792
procedure specified in this section for altering the prima-facie 85793
speed limit on the highway, and the speed limit for the part of 85794
the highway within their joint jurisdiction shall be uniformly 85795

altered. No altered speed limit may be withdrawn unless both local 85796
authorities determine that the altered prima-facie speed limit 85797
previously adopted becomes unreasonable and each adopts a 85798
resolution withdrawing the altered prima-facie speed limit 85799
pursuant to the procedure specified in this section. 85800

(O) As used in this section: 85801

(1) "Interstate system" has the same meaning as in 23 85802
U.S.C.A. 101. 85803

(2) "Commercial bus" means a motor vehicle designed for 85804
carrying more than nine passengers and used for the transportation 85805
of persons for compensation. 85806

(3) "Noncommercial bus" includes but is not limited to a 85807
school bus or a motor vehicle operated solely for the 85808
transportation of persons associated with a charitable or 85809
nonprofit organization. 85810

(4) "Outerbelt" means a portion of a freeway that is part of 85811
the interstate system and is located in the outer vicinity of a 85812
major municipal corporation or group of municipal corporations, as 85813
designated by the director. 85814

(P)(1) A violation of any provision of this section is one of 85815
the following: 85816

(a) Except as otherwise provided in divisions (P)(1)(b), 85817
(1)(c), (2), and (3) of this section, a minor misdemeanor; 85818

(b) If, within one year of the offense, the offender 85819
previously has been convicted of or pleaded guilty to two 85820
violations of any provision of this section or of any provision of 85821
a municipal ordinance that is substantially similar to any 85822
provision of this section, a misdemeanor of the fourth degree; 85823

(c) If, within one year of the offense, the offender 85824
previously has been convicted of or pleaded guilty to three or 85825

more violations of any provision of this section or of any 85826
provision of a municipal ordinance that is substantially similar 85827
to any provision of this section, a misdemeanor of the third 85828
degree. 85829

(2) If the offender has not previously been convicted of or 85830
pleaded guilty to a violation of any provision of this section or 85831
of any provision of a municipal ordinance that is substantially 85832
similar to this section and operated a motor vehicle faster than 85833
thirty-five miles an hour in a business district of a municipal 85834
corporation, faster than fifty miles an hour in other portions of 85835
a municipal corporation, or faster than thirty-five miles an hour 85836
in a school zone during recess or while children are going to or 85837
leaving school during the school's opening or closing hours, a 85838
misdemeanor of the fourth degree. 85839

(3) Notwithstanding division (P)(1) of this section, if the 85840
offender operated a motor vehicle in a construction zone where a 85841
sign was then posted in accordance with section 4511.98 of the 85842
Revised Code, the court, in addition to all other penalties 85843
provided by law, shall impose upon the offender a fine of two 85844
times the usual amount imposed for the violation. No court shall 85845
impose a fine of two times the usual amount imposed for the 85846
violation upon an offender if the offender alleges, in an 85847
affidavit filed with the court prior to the offender's sentencing, 85848
that the offender is indigent and is unable to pay the fine 85849
imposed pursuant to this division and if the court determines that 85850
the offender is an indigent person and unable to pay the fine. 85851

Sec. 4511.69. (A) Every vehicle stopped or parked upon a 85852
roadway where there is an adjacent curb shall be stopped or parked 85853
with the right-hand wheels of the vehicle parallel with and not 85854
more than twelve inches from the right-hand curb, unless it is 85855
impossible to approach so close to the curb; in such case the stop 85856

shall be made as close to the curb as possible and only for the 85857
time necessary to discharge and receive passengers or to load or 85858
unload merchandise. Local authorities by ordinance may permit 85859
angle parking on any roadway under their jurisdiction, except that 85860
angle parking shall not be permitted on a state route within a 85861
municipal corporation unless an unoccupied roadway width of not 85862
less than twenty-five feet is available for free-moving traffic. 85863

(B) Local authorities by ordinance may permit parking of 85864
vehicles with the left-hand wheels adjacent to and within twelve 85865
inches of the left-hand curb of a one-way roadway. 85866

(C)(1)~~(a)~~ Except as provided in division (C)~~(2)~~(1)~~(b)~~ of this 85867
section, no vehicle or trackless trolley shall be stopped or 85868
parked on a road or highway with the vehicle or trackless trolley 85869
facing in a direction other than the direction of travel on that 85870
side of the road or highway. 85871

~~(2)~~(b) The operator of a motorcycle may back the motorcycle 85872
into an angled parking space so that when the motorcycle is parked 85873
it is facing in a direction other than the direction of travel on 85874
the side of the road or highway. 85875

(2) The operator of a motorcycle may back the motorcycle into 85876
a parking space that is located on the side of, and parallel to, a 85877
road or highway. The motorcycle may face any direction when so 85878
parked. Not more than two motorcycles at a time shall be parked in 85879
a parking space as described in division (C)(2) of this section 85880
irrespective of whether or not the space is metered. 85881

(D) Notwithstanding any statute or any rule, resolution, or 85882
ordinance adopted by any local authority, air compressors, 85883
tractors, trucks, and other equipment, while being used in the 85884
construction, reconstruction, installation, repair, or removal of 85885
facilities near, on, over, or under a street or highway, may stop, 85886
stand, or park where necessary in order to perform such work, 85887

provided a flagperson is on duty or warning signs or lights are 85888
displayed as may be prescribed by the director of transportation. 85889

(E) Special parking locations and privileges for persons with 85890
disabilities that limit or impair the ability to walk, also known 85891
as handicapped parking spaces or disability parking spaces, shall 85892
be provided and designated by all political subdivisions and by 85893
the state and all agencies and instrumentalities thereof at all 85894
offices and facilities, where parking is provided, whether owned, 85895
rented, or leased, and at all publicly owned parking garages. The 85896
locations shall be designated through the posting of an elevated 85897
sign, whether permanently affixed or movable, imprinted with the 85898
international symbol of access and shall be reasonably close to 85899
exits, entrances, elevators, and ramps. All elevated signs posted 85900
in accordance with this division and division (C) of section 85901
3781.111 of the Revised Code shall be mounted on a fixed or 85902
movable post, and the distance from the ground to the bottom edge 85903
of the sign shall measure not less than five feet. If a new sign 85904
or a replacement sign designating a special parking location is 85905
posted on or after October 14, 1999, there also shall be affixed 85906
upon the surface of that sign or affixed next to the designating 85907
sign a notice that states the fine applicable for the offense of 85908
parking a motor vehicle in the special designated parking location 85909
if the motor vehicle is not legally entitled to be parked in that 85910
location. 85911

(F)(1) No person shall stop, stand, or park any motor vehicle 85912
at special parking locations provided under division (E) of this 85913
section or at special clearly marked parking locations provided in 85914
or on privately owned parking lots, parking garages, or other 85915
parking areas and designated in accordance with that division, 85916
unless one of the following applies: 85917

(a) The motor vehicle is being operated by or for the 85918
transport of a person with a disability that limits or impairs the 85919

ability to walk and is displaying a valid removable windshield placard or special license plates; 85920
85921

(b) The motor vehicle is being operated by or for the transport of a handicapped person and is displaying a parking card or special handicapped license plates. 85922
85923
85924

(2) Any motor vehicle that is parked in a special marked parking location in violation of division (F)(1)(a) or (b) of this section may be towed or otherwise removed from the parking location by the law enforcement agency of the political subdivision in which the parking location is located. A motor vehicle that is so towed or removed shall not be released to its owner until the owner presents proof of ownership of the motor vehicle and pays all towing and storage fees normally imposed by that political subdivision for towing and storing motor vehicles. If the motor vehicle is a leased vehicle, it shall not be released to the lessee until the lessee presents proof that that person is the lessee of the motor vehicle and pays all towing and storage fees normally imposed by that political subdivision for towing and storing motor vehicles. 85925
85926
85927
85928
85929
85930
85931
85932
85933
85934
85935
85936
85937
85938

(3) If a person is charged with a violation of division (F)(1)(a) or (b) of this section, it is an affirmative defense to the charge that the person suffered an injury not more than seventy-two hours prior to the time the person was issued the ticket or citation and that, because of the injury, the person meets at least one of the criteria contained in division (A)(1) of section 4503.44 of the Revised Code. 85939
85940
85941
85942
85943
85944
85945

(G) When a motor vehicle is being operated by or for the transport of a person with a disability that limits or impairs the ability to walk and is displaying a removable windshield placard or a temporary removable windshield placard or special license plates, or when a motor vehicle is being operated by or for the transport of a handicapped person and is displaying a parking card 85946
85947
85948
85949
85950
85951

or special handicapped license plates, the motor vehicle is 85952
permitted to park for a period of two hours in excess of the legal 85953
parking period permitted by local authorities, except where local 85954
ordinances or police rules provide otherwise or where the vehicle 85955
is parked in such a manner as to be clearly a traffic hazard. 85956

(H) No owner of an office, facility, or parking garage where 85957
special parking locations are required to be designated in 85958
accordance with division (E) of this section shall fail to 85959
properly mark the special parking locations in accordance with 85960
that division or fail to maintain the markings of the special 85961
locations, including the erection and maintenance of the fixed or 85962
movable signs. 85963

(I) Nothing in this section shall be construed to require a 85964
person or organization to apply for a removable windshield placard 85965
or special license plates if the parking card or special license 85966
plates issued to the person or organization under prior law have 85967
not expired or been surrendered or revoked. 85968

(J)(1) Whoever violates division (A) or (C) of this section 85969
is guilty of a minor misdemeanor. 85970

(2)(a) Whoever violates division (F)(1)(a) or (b) of this 85971
section is guilty of a misdemeanor and shall be punished as 85972
provided in division (J)(2)(a) and (b) of this section. Except as 85973
otherwise provided in division (J)(2)(a) of this section, an 85974
offender who violates division (F)(1)(a) or (b) of this section 85975
shall be fined not less than two hundred fifty nor more than five 85976
hundred dollars. An offender who violates division (F)(1)(a) or 85977
(b) of this section shall be fined not more than one hundred 85978
dollars if the offender, prior to sentencing, proves either of the 85979
following to the satisfaction of the court: 85980

(i) At the time of the violation of division (F)(1)(a) of 85981
this section, the offender or the person for whose transport the 85982

motor vehicle was being operated had been issued a removable 85983
windshield placard that then was valid or special license plates 85984
that then were valid but the offender or the person neglected to 85985
display the placard or license plates as described in division 85986
(F)(1)(a) of this section. 85987

(ii) At the time of the violation of division (F)(1)(b) of 85988
this section, the offender or the person for whose transport the 85989

Sec. 4513.34. (A)(1) The director of transportation with 86069
respect to all highways that are a part of the state highway 86070
system and local authorities with respect to highways under their 86071
jurisdiction, upon application in writing, shall issue a special 86072
regional heavy hauling permit authorizing the applicant to operate 86073
or move a vehicle or combination of vehicles as follows: 86074

(a) At a size or weight of vehicle or load exceeding the 86075

maximum specified in sections 5577.01 to 5577.09 of the Revised Code, or otherwise not in conformity with sections 4513.01 to 4513.37 of the Revised Code;

(b) Upon any highway under the jurisdiction of the authority granting the permit except those highways with a condition insufficient to bear the weight of the vehicle or combination of vehicles as stated in the application;

(c) For regional trips at distances of one hundred fifty miles or less from a facility stated on the application as the applicant's point of origin.

Issuance of a special regional heavy hauling permit is subject to the payment of a fee established by the director or local authority in accordance with this section.

(2) In circumstances where a person is not eligible to receive a permit under division (A)(1) of this section, the director of transportation with respect to all highways that are a part of the state highway system and local authorities with respect to highways under their jurisdiction, upon application in writing and for good cause shown, may issue a special permit in writing authorizing the applicant to operate or move a vehicle or combination of vehicles of a size or weight of vehicle or load exceeding the maximum specified in sections 5577.01 to 5577.09 of the Revised Code, or otherwise not in conformity with sections 4513.01 to 4513.37 of the Revised Code, upon any highway under the jurisdiction of the authority granting the permit.

(3) For purposes of this section, the director may designate certain state highways or portions of state highways as special economic development highways. If an application submitted to the director under this section involves travel of a nonconforming vehicle or combination of vehicles upon a special economic development highway, the director, in determining whether good

cause has been shown that issuance of a permit is justified, shall 86107
consider the effect the travel of the vehicle or combination of 86108
vehicles will have on the economic development in the area in 86109
which the designated highway or portion of highway is located. 86110

(B) Notwithstanding sections 715.22 and 723.01 of the Revised 86111
Code, the holder of a permit issued by the director under this 86112
section may move the vehicle or combination of vehicles described 86113
in the permit on any highway that is a part of the state highway 86114
system when the movement is partly within and partly without the 86115
corporate limits of a municipal corporation. No local authority 86116
shall require any other permit or license or charge any license 86117
fee or other charge against the holder of a permit for the 86118
movement of a vehicle or combination of vehicles on any highway 86119
that is a part of the state highway system. The director shall not 86120
require the holder of a permit issued by a local authority to 86121
obtain a special permit for the movement of vehicles or 86122
combination of vehicles on highways within the jurisdiction of the 86123
local authority. Permits may be issued for any period of time not 86124
to exceed one year, as the director in the director's discretion 86125
or a local authority in its discretion determines advisable, or 86126
for the duration of any public construction project. 86127

(C)(1) The application for a permit issued under this section 86128
shall be in the form that the director or local authority 86129
prescribes. The director or local authority may prescribe a permit 86130
fee to be imposed and collected when any permit described in this 86131
section is issued. The permit fee may be in an amount sufficient 86132
to reimburse the director or local authority for the 86133
administrative costs incurred in issuing the permit, and also to 86134
cover the cost of the normal and expected damage caused to the 86135
roadway or a street or highway structure as the result of the 86136
operation of the nonconforming vehicle or combination of vehicles. 86137
The director, in accordance with Chapter 119. of the Revised Code, 86138

shall establish a schedule of fees for permits issued by the 86139
director under this section; however, the fee to operate a triple 86140
trailer unit, at locations authorized under federal law, shall be 86141
one hundred dollars. 86142

(2) For the purposes of this section and of rules adopted by 86143
the director under this section, milk transported in bulk by 86144
vehicle is deemed a nondivisible load. 86145

(3) For purposes of this section and of rules adopted by the 86146
director under this section, three or fewer aluminum coils, 86147
transported by a vehicle, are deemed a nondivisible load. The 86148
director shall adopt rules establishing requirements for an 86149
aluminum coil permit that are substantially similar to the 86150
requirements for a steel coil permit under Chapter 5501:2-1 of the 86151
Administrative Code. 86152

(D) The director or a local authority shall issue a special 86153
regional heavy hauling permit under division (A)(1) of this 86154
section upon application and payment of the applicable fee. 86155
However, the director or local authority may issue or withhold a 86156
special permit specified in division (A)(2) of this section. If a 86157
permit is to be issued, the director or local authority may limit 86158
or prescribe conditions of operation for the vehicle and may 86159
require the posting of a bond or other security conditioned upon 86160
the sufficiency of the permit fee to compensate for damage caused 86161
to the roadway or a street or highway structure. In addition, a 86162
local authority, as a condition of issuance of an overweight 86163
permit, may require the applicant to develop and enter into a 86164
mutual agreement with the local authority to compensate for or to 86165
repair excess damage caused to the roadway by travel under the 86166
permit. 86167

For a permit that will allow travel of a nonconforming 86168
vehicle or combination of vehicles on a special economic 86169
development highway, the director, as a condition of issuance, may 86170

require the applicant to agree to make periodic payments to the department to compensate for damage caused to the roadway by travel under the permit.

(E) Every permit issued under this section shall be carried in the vehicle or combination of vehicles to which it refers and shall be open to inspection by any police officer or authorized agent of any authority granting the permit. No person shall violate any of the terms of a permit.

(F) The director may debar an applicant from applying for a permit under this section upon a finding based on a reasonable belief that the applicant has done any of the following:

(1) Abused the process by repeatedly submitting false information or false travel plans or by using another company or individual's name, insurance, or escrow account without proper authorization;

(2) Failed to comply with or substantially perform under a previously issued permit according to its terms, conditions, and specifications within specified time limits;

(3) Failed to cooperate in the application process for the permit or in any other procedures that are related to the issuance of the permit by refusing to provide information or documents required in a permit or by failing to respond to and correct matters related to the permit;

(4) Accumulated repeated justified complaints regarding performance under a permit that was previously issued to the applicant or previously failed to obtain a permit when such a permit was required;

(5) Attempted to influence a public employee to breach ethical conduct standards;

(6) Been convicted of a criminal offense related to the

application for, or performance under, a permit, including, but 86201
not limited to, bribery, falsification, fraud or destruction of 86202
records, receiving stolen property, and any other offense that 86203
directly reflects on the applicant's integrity or commercial 86204
driver's license; 86205

(7) Accumulated repeated convictions under a state or federal 86206
safety law governing commercial motor vehicles or a rule or 86207
regulation adopted under such a law; 86208

(8) Accumulated repeated convictions under a law, rule, or 86209
regulation governing the movement of traffic over the public 86210
streets and highways; 86211

(9) Failed to pay any fees associated with any permitted 86212
operation or move; 86213

(10) Deliberately or willfully submitted false or misleading 86214
information in connection with the application for, or performance 86215
under, a permit issued under this section. 86216

If the applicant is a partnership, association, or 86217
corporation, the director also may debar from consideration for 86218
permits any partner of the partnership, or the officers, 86219
directors, or employees of the association or corporation being 86220
debarred. 86221

The director may adopt rules in accordance with Chapter 119. 86222
of the Revised Code governing the debarment of an applicant. 86223

(G) When the director reasonably believes that grounds for 86224
debarment exist, the director shall send the person that is 86225
subject to debarment a notice of the proposed debarment. A notice 86226
of proposed debarment shall indicate the grounds for the debarment 86227
of the person and the procedure for requesting a hearing. The 86228
notice and hearing shall be in accordance with Chapter 119. of the 86229
Revised Code. If the person does not respond with a request for a 86230
hearing in the manner specified in that chapter, the director 86231

shall issue the debarment decision without a hearing and shall 86232
notify the person of the decision by certified mail, return 86233
receipt requested. The debarment period may be of any length 86234
determined by the director, and the director may modify or rescind 86235
the debarment at any time. During the period of debarment, the 86236
director shall not issue, or consider issuing, a permit under this 86237
section to any partnership, association, or corporation that is 86238
affiliated with a debarred person. After the debarment period 86239
expires, the person, and any partnership, association, or 86240
corporation affiliated with the person, may reapply for a permit. 86241

(H)(1) No person shall violate the terms of a permit issued 86242
under this section that relate to gross load limits. 86243

(2) No person shall violate the terms of a permit issued 86244
under this section that relate to axle load by more than two 86245
thousand pounds per axle or group of axles. 86246

(3) No person shall violate the terms of a permit issued 86247
under this section that relate to an approved route except upon 86248
order of a law enforcement officer or authorized agent of the 86249
issuing authority. 86250

(I) Whoever violates division (H) of this section shall be 86251
punished as provided in section 4513.99 of the Revised Code. 86252

(J) A permit issued by the department of transportation or a 86253
local authority under this section for the operation of a vehicle 86254
or combination of vehicles is valid for the purposes of the 86255
vehicle operation in accordance with the conditions and 86256
limitations specified on the permit. Such a permit is voidable by 86257
law enforcement only for operation of a vehicle or combination of 86258
vehicles in violation of the weight, dimension, or route 86259
provisions of the permit. However, a permit is not voidable for 86260
operation in violation of a route provision of a permit if the 86261
operation is upon the order of a law enforcement officer. 86262

the last day of June of each year and shall be renewed according 86448

do so before the first day of July shall reapply for licensure in 86452
the same manner and pursuant to the same requirements as for 86453
initial licensure, unless before the first day of September of the 86454
year of expiration, the former licensee pays to the department, in 86455
addition to the regular renewal fee, a late renewal penalty of one 86456
hundred dollars. 86457

(B)(1) Each person to whom the department issues an 86458

under section 4707.07 of the Revised Code or to a corporation, 86468
limited liability company, partnership, or association under 86469
section 4707.073 of the Revised Code. 86470

day of July following the license's expiration, shall reapply for 86478

specified or comprehended in section 4707.01 of the Revised Code 86496
until such time as the person's license is renewed or a new 86497

renew the license of or issue a new license to any person who 86501
violates this division. 86502

(D) The department shall prepare and deliver to each licensee 86503

or names under which business is conducted, whereupon the 86513
department shall issue a new license for the unexpired period. Any 86514

department may collect a fee of ten dollars for each change in 86521
location, or name or each added name unless the notification of 86522
the change occurs concurrently with the renewal application or 86523
unless otherwise provided in section 4707.07 of the Revised Code. 86524

those established in section 4717.05 of the Revised Code. 87365

Sec. 4717.14. (A) The board of embalmers and funeral directors may refuse to grant or renew, or may suspend or revoke, any license issued under this chapter or may require the holder of a license to take corrective action courses for any of the following reasons:

(1) The license was obtained by fraud or misrepresentation either in the application or in passing the examination.

(2) The applicant or licensee has been convicted of or has pleaded guilty to a felony or of any crime involving moral turpitude.

(3) The applicant or licensee has purposely violated any provision of sections 4717.01 to 4717.15 or a rule adopted under any of those sections; division (A) or (B) of section 4717.23; division (B)(1) or (2), (C)(1) or (2), (D), (E), or (F)(1) or (2), or divisions (H) to (K) of section 4717.26; division (D)(1) of section 4717.27; or divisions (A) to (C) of section 4717.28 of the Revised Code; any rule or order of the department of health or a board of health of a health district governing the disposition of dead human bodies; or any other rule or order applicable to the applicant or licensee.

(4) The applicant or licensee has committed immoral or unprofessional conduct.

(5) The applicant or licensee knowingly permitted an unlicensed person, other than a person serving an apprenticeship, to engage in the profession or business of embalming or funeral directing under the applicant's or licensee's supervision.

(6) The applicant or licensee has been habitually 87426
intoxicated, or is addicted to the use of morphine, cocaine, or 87427
other habit-forming or illegal drugs. 87428

(7) The applicant or licensee has refused to promptly submit 87429
the custody of a dead human body upon the express order of the 87430
person legally entitled to the body. 87431

(8) The licensee loaned the licensee's own license, or the 87432
applicant or licensee borrowed or used the license of another 87433
person, or knowingly aided or abetted the granting of an improper 87434
license. 87435

(9) The applicant or licensee transferred a license to 87436
operate a funeral home, embalming facility, or crematory from one 87437
owner or operator to another, or from one location to another, 87438
without notifying the board. 87439

(10) The applicant or licensee misled the public by using 87440
false or deceptive advertising. 87441

(B)(1) The board of embalmers and funeral directors shall 87442
refuse to grant or renew, or shall suspend or revoke, an 87443
embalmer's, funeral director's, funeral home, or embalming 87444
facility license only in accordance with Chapter 119. of the 87445
Revised Code. 87446

(2) The board shall send to the crematory review board 87447
written notice that it proposes to refuse to issue or renew, or 87448
proposes to suspend or revoke, a license to operate a crematory 87449
facility. If, after the conclusion of the adjudicatory hearing on 87450
the matter conducted under division ~~(E)~~(F) of section 4717.03 of 87451
the Revised Code, the board of embalmers and funeral directors 87452
finds that any of the circumstances described in divisions (A)(1) 87453
to (10) of this section apply to the person named in its proposed 87454
action, the board may issue a final order under division ~~(E)~~(F) of 87455
section 4717.03 of the Revised Code refusing to issue or renew, or 87456

suspending or revoking, the person's license to operate a crematory facility. 87457
87458

(C) If the board of embalmers and funeral directors 87459
determines that there is clear and convincing evidence that any of 87460
the circumstances described in divisions (A)(1) to (10) of this 87461
section apply to the holder of a license issued under this chapter 87462
and that the licensee's continued practice presents a danger of 87463
immediate and serious harm to the public, the board may suspend 87464
the licensee's license without a prior adjudicatory hearing. The 87465
executive director of the board shall prepare written allegations 87466
for consideration by the board. 87467

The board, after reviewing the written allegations, may 87468
suspend a license without a prior hearing. 87469

The board shall issue a written order of suspension by a 87470
delivery system or in person in accordance with section 119.07 of 87471
the Revised Code. Such an order is not subject to suspension by 87472
the court during the pendency of any appeal filed under section 87473
119.12 of the Revised Code. If the holder of an embalmer's, 87474
funeral director's, funeral home, or embalming facility license 87475
requests an adjudicatory hearing by the board, the date set for 87476
the hearing shall be within fifteen days, but not earlier than 87477
seven days, after the licensee has requested a hearing, unless the 87478
board and the licensee agree to a different time for holding the 87479
hearing. 87480

Upon issuing a written order of suspension to the holder of a 87481
license to operate a crematory facility, the board of embalmers 87482
and funeral directors shall send written notice of the issuance of 87483
the order to the crematory review board. The crematory review 87484
board shall hold an adjudicatory hearing on the order under 87485
division ~~(E)~~(F) of section 4717.03 of the Revised Code within 87486
fifteen days, but not earlier than seven days, after the issuance 87487
of the order, unless the crematory review board and the licensee 87488

agree to a different time for holding the adjudicatory hearing. 87489

Any summary suspension imposed under this division shall 87490
remain in effect, unless reversed on appeal, until a final 87491
adjudicatory order issued by the board of embalmers and funeral 87492
directors pursuant to this division and Chapter 119. of the 87493
Revised Code, or division ~~(E)~~(F) of section 4717.03 of the Revised 87494
Code, as applicable, becomes effective. The board of embalmers and 87495
funeral directors shall issue its final adjudicatory order within 87496
sixty days after the completion of its hearing or, in the case of 87497
the summary suspension of a license to operate a crematory 87498
facility, within sixty days after completion of the adjudicatory 87499
hearing by the crematory review board. A failure to issue the 87500
order within that time results in the dissolution of the summary 87501
suspension order, but does not invalidate any subsequent final 87502
adjudicatory order. 87503

(D) If the board of embalmers and funeral directors suspends 87504
or revokes a license held by a funeral director or a funeral home 87505
for any reason identified in division (A) of this section, the 87506
board may file a complaint with the court of common pleas in the 87507
county where the violation occurred requesting appointment of a 87508
receiver and the sequestration of the assets of the funeral home 87509
that held the suspended or revoked license or the licensed funeral 87510
home that employs the funeral director that held the suspended or 87511
revoked license. If the court of common pleas is satisfied with 87512
the application for a receivership, the court may appoint a 87513
receiver. 87514

The board or a receiver may employ and procure whatever 87515
assistance or advice is necessary in the receivership or 87516
liquidation and distribution of the assets of the funeral home, 87517
and, for that purpose, may retain officers or employees of the 87518
funeral home as needed. All expenses of the receivership or 87519
liquidation shall be paid from the assets of the funeral home and 87520

shall be a lien on those assets, and that lien shall be a priority 87521
to any other lien. 87522

(E) Any holder of a license issued under this chapter who has 87523
pleaded guilty to, has been found by a judge or jury to be guilty 87524
of, or has had a judicial finding of eligibility for treatment in 87525
lieu of conviction entered against the individual in this state 87526
for aggravated murder, murder, voluntary manslaughter, felonious 87527
assault, kidnapping, rape, sexual battery, gross sexual 87528
imposition, aggravated arson, aggravated robbery, or aggravated 87529
burglary, or who has pleaded guilty to, has been found by a judge 87530
or jury to be guilty of, or has had a judicial finding of 87531
eligibility for treatment in lieu of conviction entered against 87532
the individual in another jurisdiction for any substantially 87533
equivalent criminal offense, is hereby suspended from practice 87534
under this chapter by operation of law, and any license issued to 87535
the individual under this chapter is hereby suspended by operation 87536
of law as of the date of the guilty plea, verdict or finding of 87537
guilt, or judicial finding of eligibility for treatment in lieu of 87538
conviction, regardless of whether the proceedings are brought in 87539
this state or another jurisdiction. The board shall notify the 87540
suspended individual of the suspension of the individual's license 87541
by the operation of this division by a delivery system or in 87542
person in accordance with section 119.07 of the Revised Code. If 87543
an individual whose license is suspended under this division fails 87544
to make a timely request for an adjudicatory hearing, the board 87545
shall enter a final order revoking the license. 87546

(F) No person whose license has been suspended or revoked 87547
under or by the operation of this section shall practice embalming 87548
or funeral directing or operate a funeral home, embalming 87549
facility, or crematory facility until the board has reinstated the 87550
person's license. 87551

Sec. 4717.15. (A) The board of embalmers and funeral directors, without the necessity for conducting a prior adjudication hearing, may issue a notice of violation to the holder of an embalmer's, funeral director's, funeral home, or embalming facility license issued under this chapter who the board finds has committed any of the violations described in divisions (A)(9)(a) to (g) of section 4717.04 of the Revised Code. The notice shall set forth the specific violation committed by the licensee and shall be sent by certified mail. The notice shall be accompanied by an order requiring the payment of the appropriate forfeiture prescribed in rules adopted under division (A)(9) of section 4717.04 of the Revised Code and by a notice informing the licensee that the licensee is entitled to an adjudicatory hearing on the notice of violation and order if the licensee requests a hearing and if the board receives the request within thirty days after the mailing of the notice of violation and order. The board shall conduct any such adjudicatory hearing in accordance with Chapter 119. of the Revised Code, except as otherwise provided in this division.

A licensee who receives a notice of violation and order under this division shall pay to the executive director of the board the full amount of the forfeiture by certified check within thirty days after the notice of violation and order were mailed to the licensee unless, within that time, the licensee submits a request for an adjudicatory hearing on the notice of violation and order. If such a request for an adjudicatory hearing is timely filed, the licensee need not pay the forfeiture to the executive director until after a final, nonappealable administrative or judicial decision is rendered on the order requiring payment of the forfeiture. If a final nonappealable administrative or judicial decision is rendered affirming the board's order, the licensee shall pay to the executive director of the board the full amount

of the forfeiture by certified check within thirty days after 87584
notice of the decision was sent to the licensee. A forfeiture is 87585
considered to be paid when the licensee's certified check is 87586
received by the executive director in Columbus. If the licensee 87587
fails to so pay the full amount of the forfeiture to the executive 87588
director within that time, the board shall issue an order 87589
suspending or revoking the individual's license, as the board 87590
considers appropriate. 87591

(B) The board shall send to the crematory review board 87592
written notice that it proposes to issue to the holder of a 87593
license to operate a crematory facility issued under this chapter 87594
a notice of violation and order requiring payment of a forfeiture 87595
specified in rules adopted under division (A)(9) of section 87596
4717.04 of the Revised Code. If, after the conclusion of the 87597
adjudicatory hearing on the matter conducted under division ~~(E)~~(F) 87598
of section 4717.03 of the Revised Code, the board of embalmers and 87599
funeral directors finds that the licensee has committed any of the 87600
violations described in divisions (A)(9)(a) to (g) of section 87601
4717.04 of the Revised Code in connection with the operation of a 87602
crematory facility or cremation, the board of embalmers and 87603
funeral directors may issue a final order under division ~~(E)~~(F) of 87604
section 4717.03 of the Revised Code requiring payment of the 87605
appropriate forfeiture specified in rules adopted under division 87606
(A)(9) of section 4717.04 of the Revised Code. A licensee who 87607
receives such an order shall pay the full amount of the forfeiture 87608
to the executive director by certified check within thirty days 87609
after the order was sent to the licensee unless, within that time, 87610
the licensee files a notice of appeal in accordance with division 87611
~~(E)~~(F) of section 4717.03 and section 119.12 of the Revised Code. 87612
If such a notice of appeal is timely filed, the licensee need not 87613
pay the forfeiture to the executive director until after a final, 87614
nonappealable judicial decision is rendered in the appeal. If a 87615
final, nonappealable judicial decision is rendered affirming the 87616

board's order, the licensee shall pay to the executive director 87617
the full amount of the forfeiture by certified check within thirty 87618
days after notice of the decision was sent to the licensee. A 87619
forfeiture is considered paid when the licensee's certified check 87620
is received by the executive director in Columbus. If the licensee 87621
fails to so pay the full amount of the forfeiture to the executive 87622
director within that time, the board shall issue an order 87623
suspending or revoking the individual's license, as the board 87624
considers appropriate. 87625

The application shall be accompanied by the recommendation of the 90020
real estate broker with whom the applicant is associated or with 90021
whom the applicant intends to be associated, certifying that the 90022
applicant is honest, truthful, and of good reputation, has not 90023

applicant's first birthday thereafter. The application fee shall 90035
be nonrefundable. A fee of sixty dollars shall be charged by the 90036

applicant. One dollar of each application fee shall be credited to 90038
the real estate education and research fund. 90039

(C) There shall be no limit placed on the number of times an 90040
applicant may retake the examination. 90041

(D) The superintendent, with the consent of the commission, 90042

with the requirements of this chapter as to the contents of the 90046
examination. 90047

If the superintendent, with the consent of the commission, 90048
enters into an agreement with a national testing service to 90049
administer the real estate salesperson's examination, the 90050
superintendent may require an applicant to pay the testing 90051
service's examination fee directly to the testing service. If the 90052
superintendent requires the payment of the examination fee 90053
directly to the testing service, each applicant shall submit to 90054
the superintendent a processing fee in an amount determined by the 90055
Ohio real estate commission pursuant to division (A)(1) of section 90056
4735.10 of the Revised Code. 90057

except that the superintendent may waive one or more of the 90062
requirements of this section in the case of an applicant who is a 90063
licensed real estate salesperson in another state pursuant to a 90064
reciprocity agreement with the licensing authority of the state 90065
from which the applicant holds a valid real estate salesperson's 90066
license. 90067

(F) No applicant for a salesperson's license shall take the 90068

the evidence, that the applicant's activities and employment 90076
record since the conviction show that the applicant is honest, 90077
truthful, and of good reputation, and there is no basis in fact 90078
for believing that the applicant again will violate the laws 90079
involved; 90080

(b) Has not been finally adjudged by a court to have violated 90081
any municipal, state, or federal civil rights laws relevant to the 90082
protection of purchasers or sellers of real estate or, if the 90083
applicant has been so adjudged, at least two years have passed 90084
since the court decision and the superintendent has disregarded 90085
the adjudication because the applicant has proven, by a 90086
preponderance of the evidence, that the applicant is honest, 90087
truthful, and of good reputation, and there is no basis in fact 90088
for believing that the applicant again will violate the laws 90089
involved. 90090

(1) The rules shall provide for an application process for 91581
certificating economically significant wind farms that is 91582
identical to the extent practicable to the process applicable to 91583
certificating major utility facilities under sections 4906.06, 91584
4906.07, 4906.08, 4906.09, 4906.10, 4906.11, and 4906.12 of the 91585
Revised Code and shall prescribe a reasonable schedule of 91586
application filing fees structured in the manner of the schedule 91587
of filing fees required for major utility facilities. 91588

(2) Additionally, the rules shall prescribe reasonable 91589
regulations regarding any wind turbines and associated facilities 91590
of an economically significant wind farm, including, but not 91591
limited to, their location, erection, construction, 91592
reconstruction, change, alteration, maintenance, removal, use, or 91593

distance, from the turbine's base to the property line of the wind 91603
farm property, equal to one and one-tenth times the total height 91604
of the turbine structure as measured from its base to the tip of 91605
its highest blade and be at least ~~seven~~ one thousand two hundred 91606
fifty feet in horizontal distance from the tip of the turbine's 91607
nearest blade at ninety degrees to the exterior of the nearest, 91608

habitable, residential structure, if any, located on adjacent 91609
property at the time of the certification application. For a 91610
certification application filed before the effective date of the 91611
amendment of this section, including any amendment of that 91612
application filed on or after that effective date, the distance 91613
shall be seven hundred fifty feet instead of one thousand two 91614
hundred fifty feet. The setback shall apply in all cases except 91615
those in which all owners of property adjacent to the wind farm 91616
property waive application of the setback to that property 91617
pursuant to a procedure the board shall establish by rule and 91618
except in which, in a particular case, the board determines that a 91619

(2) The amount that is ten per cent, or other percentage determined under division (D) of this section, of the county's total expenditures for county administration of the supplemental nutrition assistance program and medicaid (<u>excluding</u> <u>administrative expenditures for transportation services covered by</u>	91875 91876 91877 91878 91879

under Titles IV-A and IV-F of the "Social Security Act," 49 Stat. 91888
620 (1935), 42 U.S.C. 301, as those titles existed prior to the 91889
enactment of the "Personal Responsibility and Work Opportunity 91890
Reconciliation Act of 1996," 110 Stat. 2105. The department of job 91891
and family services shall determine the actual amount of the 91892
county share from expenditure reports submitted to the United 91893
States department of health and human services. The percentage 91894
shall be the percentage established in rules adopted under 91895
division (F) of this section. 91896

(C)(1) If a county's share of public assistance expenditures 91897
determined under division (B) of this section for a state fiscal 91898
year exceeds one hundred five per cent of the county's share for 91899
those expenditures for the immediately preceding state fiscal 91900
year, the department of job and family services shall reduce the 91901
county's share for expenditures under divisions (B)(1) and (2) of 91902
this section so that the total of the county's share for 91903
expenditures under division (B) of this section equals one hundred 91904
five per cent of the county's share of those expenditures for the 91905
immediately preceding state fiscal year. 91906

(2) A county's share of public assistance expenditures 91907
determined under division (B) of this section may be increased 91908
pursuant to section 5101.163 of the Revised Code and a sanction 91909
under section 5101.24 of the Revised Code. An increase made 91910
pursuant to section 5101.163 of the Revised Code may cause the 91911

county's share to exceed the limit established by division (C)(1) 91912
of this section. 91913

(D)(1) If the per capita tax duplicate of a county is less 91914
than the per capita tax duplicate of the state as a whole and 91915
division (D)(2) of this section does not apply to the county, the 91916
percentage to be used for the purpose of division (B)(2) of this 91917
section is the product of ten multiplied by a fraction of which 91918
the numerator is the per capita tax duplicate of the county and 91919
the denominator is the per capita tax duplicate of the state as a 91920
whole. The department of job and family services shall compute the 91921
per capita tax duplicate for the state and for each county by 91922
dividing the tax duplicate for the most recent available year by 91923
the current estimate of population prepared by the ~~department of~~ 91924
development services agency. 91925

(2) If the percentage of families in a county with an annual 91926
income of less than three thousand dollars is greater than the 91927
percentage of such families in the state and division (D)(1) of 91928
this section does not apply to the county, the percentage to be 91929
used for the purpose of division (B)(2) of this section is the 91930
product of ten multiplied by a fraction of which the numerator is 91931
the percentage of families in the state with an annual income of 91932
less than three thousand dollars a year and the denominator is the 91933
percentage of such families in the county. The department of job 91934
and family services shall compute the percentage of families with 91935
an annual income of less than three thousand dollars for the state 91936
and for each county by multiplying the most recent estimate of 91937
such families published by the ~~department of~~ development services 91938
agency, by a fraction, the numerator of which is the estimate of 91939
average annual personal income published by the bureau of economic 91940
analysis of the United States department of commerce for the year 91941
on which the census estimate is based and the denominator of which 91942
is the most recent such estimate published by the bureau. 91943

(3) If the per capita tax duplicate of a county is less than 91944
the per capita tax duplicate of the state as a whole and the 91945
percentage of families in the county with an annual income of less 91946
than three thousand dollars is greater than the percentage of such 91947
families in the state, the percentage to be used for the purpose 91948
of division (B)(2) of this section shall be determined as follows: 91949

(a) Multiply ten by the fraction determined under division 91950
(D)(1) of this section; 91951

(b) Multiply the product determined under division (D)(3)(a) 91952
of this section by the fraction determined under division (D)(2) 91953
of this section. 91954

(4) The department of job and family services shall 91955
determine, for each county, the percentage to be used for the 91956
purpose of division (B)(2) of this section not later than the 91957
first day of July of the year preceding the state fiscal year for 91958
which the percentage is used. 91959

(E) The department of job and family services shall credit to 91960
a county the amount of federal reimbursement the department 91961
receives from the United States departments of agriculture and 91962
health and human services for the county's expenditures for 91963
administration of the supplemental nutrition assistance program 91964
and medicaid (excluding administrative expenditures for 91965
transportation services covered by the medicaid program) that the 91966
department determines are allowable administrative expenditures. 91967

(F)(1) The director of job and family services shall adopt 91968
rules in accordance with section 111.15 of the Revised Code to 91969
establish all of the following: 91970

(a) The method the department is to use to change a county's 91971
share of public assistance expenditures determined under division 91972
(B) of this section as provided in division (C) of this section; 91973

(b) The allocation methodology and formula the department 91974

will use to determine the amount of funds to credit to a county 91975
under this section; 91976

(c) The method the department will use to change the payment 91977
of the county share of public assistance expenditures from a 91978
calendar-year basis to a state fiscal year basis; 91979

(d) The percentage to be used for the purpose of division 91980
(B)(3) of this section, which shall, except as provided in section 91981
5101.163 of the Revised Code, meet both of the following 91982
requirements: 91983

(i) The percentage shall not be less than seventy-five per 91984
cent nor more than eighty-two per cent; 91985

(ii) The percentage shall not exceed the percentage that the 91986
state's qualified state expenditures is of the state's historic 91987
state expenditures as those terms are defined in 42 U.S.C. 91988
609(a)(7). 91989

(e) Other procedures and requirements necessary to implement 91990
this section. 91991

(2) The director of job and family services may amend the 91992
rule adopted under division (F)(1)(d) of this section to modify 91993
the percentage on determination that the amount the general 91994
assembly appropriates for Title IV-A programs makes the 91995
modification necessary. The rule shall be adopted and amended as 91996
if an internal management rule and in consultation with the 91997
director of budget and management. 91998

revoke the certification of an authorized provider.

(c) As used in division (A)(3) of this section, "public

day-care home or that the noncompliance with law or act alleged in 94247
the complaint involved, resulted in, or poses a substantial risk 94248
of physical harm to a child receiving child care at the home, the 94249
county director shall inspect the home. 94250

(b) If division (C)(2)(a) of this section does not apply 94251
regarding the complaint, the county director may inspect the 94252

under Chapter 119. of the Revised Code, that revocation is 94302
necessary; 94303

(b) The in-home aide does not comply with division (D)(2) of section 5104.32 of the Revised Code. 94304
94305

(D)(1) The county director of job and family services shall 94306
inspect every home of a child who is receiving publicly funded 94307
child care in the child's own home while the in-home aide is 94308

receipt of a complaint, the county director shall investigate the 94310
in-home aide, shall investigate the home of a child who is 94311

(D)(1) of this section, in addition to the investigations that are 94320
required under that division, both of the following apply: 94321

(a) If the complaint alleges that a child suffered physical 94322
harm while receiving publicly funded child care in the child's own 94323
home from an in-home aide or that the noncompliance with law or 94324
act alleged in the complaint involved, resulted in, or poses a 94325
substantial risk of physical harm to a child receiving publicly 94326
funded child care in the child's own home from an in-home aide, 94327
the county director shall inspect the home of the child. 94328

child who is receiving publicly funded child care from an in-home 94334

aide that otherwise is imposed under this section, or any 94335
authority of the county director to inspect such a home that 94336
otherwise is granted under this section when the county director 94337
believes the inspection is necessary and it is permitted under the 94338
grant. 94339

shall be contingent upon the availability of state and federal 94348
funds. The department shall prescribe a standard form to be used 94349
for all contracts for the purchase of publicly funded child care, 94350
regardless of the source of public funds used to purchase the 94351
child care. To the extent permitted by federal law and 94352
notwithstanding any other provision of the Revised Code that 94353
regulates state contracts or contracts involving the expenditure 94354
of state or federal funds, all contracts for publicly funded child 94355
care shall be entered into in accordance with the provisions of 94356
this chapter and are exempt from any other provision of the 94357
Revised Code that regulates state contracts or contracts involving 94358
the expenditure of state or federal funds. 94359

(B) Each contract for publicly funded child care shall 94360
specify at least the following: 94361

(1) That the provider of publicly funded child care agrees to 94362
be paid for rendering services at the lower of the rate 94363
customarily charged by the provider for children enrolled for 94364
child care or the reimbursement ceiling or rate of payment 94365

established pursuant to section 5104.30 of the Revised Code; 94366

(2) That, if a provider provides child care to an individual 94367
potentially eligible for publicly funded child care who is 94368
subsequently determined to be eligible, the department agrees to 94369
pay for all child care provided between the date the county 94370
department of job and family services receives the individual's 94371
completed application and the date the individual's eligibility is 94372
determined; 94373

(3) Whether the county department of job and family services, 94374
the provider, or a child care resource and referral service 94375
organization will make eligibility determinations, whether the 94376
provider or a child care resource and referral service 94377
organization will be required to collect information to be used by 94378
the county department to make eligibility determinations, and the 94379
time period within which the provider or child care resource and 94380
referral service organization is required to complete required 94381
eligibility determinations or to transmit to the county department 94382
any information collected for the purpose of making eligibility 94383
determinations; 94384

(4) That the provider, other than a border state child care 94385
provider, shall continue to be licensed, approved, or certified 94386
pursuant to this chapter and shall comply with all standards and 94387
other requirements in this chapter and in rules adopted pursuant 94388
to this chapter for maintaining the provider's license, approval, 94389
or certification; 94390

(5) That, in the case of a border state child care provider, 94391
the provider shall continue to be licensed, certified, or 94392
otherwise approved by the state in which the provider is located 94393
and shall comply with all standards and other requirements 94394
established by that state for maintaining the provider's license, 94395
certificate, or other approval; 94396

(6) Whether the provider will be paid by the state department 94397
of job and family services or in some other manner as prescribed 94398
by rules adopted under section 5104.42 of the Revised Code; 94399

(7) That the contract is subject to the availability of state 94400
and federal funds. 94401

(C) Unless specifically prohibited by federal law or by rules 94402
adopted under section 5104.42 of the Revised Code, the county 94403
department of job and family services shall give individuals 94404
eligible for publicly funded child care the option of obtaining 94405
certificates that the individual may use to purchase services from 94406
any provider qualified to provide publicly funded child care under 94407
section 5104.31 of the Revised Code. Providers of publicly funded 94408
child care may present these certificates for payment in 94409
accordance with rules that the director of job and family services 94410
shall adopt. Only providers may receive payment for certificates. 94411
The value of the certificate shall be based on the lower of the 94412
rate customarily charged by the provider or the rate of payment 94413
established pursuant to section 5104.30 of the Revised Code. The 94414
county department may provide the certificates to the individuals 94415
or may contract with child care providers or child care resource 94416
and referral service organizations that make determinations of 94417
eligibility for publicly funded child care pursuant to contracts 94418
entered into under section 5104.34 of the Revised Code for the 94419
providers or resource and referral service organizations to 94420
provide the certificates to individuals whom they determine are 94421
eligible for publicly funded child care. 94422

For each six-month period a provider of publicly funded child 94423
care provides publicly funded child care to the child of an 94424
individual given certificates, the individual shall provide the 94425
provider certificates for days the provider would have provided 94426
publicly funded child care to the child had the child been 94427
present. The maximum number of days providers shall be provided 94428

certificates shall not exceed ten days in a six-month period 94429
during which publicly funded child care is provided to the child 94430
regardless of the number of providers that provide publicly funded 94431
child care to the child during that period. 94432

child care system to track attendance and calculate payments for 94434
publicly funded child care. The system shall include issuing an 94435
electronic child care card to each caretaker parent to swipe 94436
through a point-of-service device issued to an eligible provider, 94437
as described in section 5104.31 of the Revised Code. 94438

(2) Each eligible provider that provides publicly funded 94439
child care shall participate in the Ohio electronic child care 94440
system. A provider participating in the system shall not do any of 94441
the following: 94442
