independently caused the health insuring corporation's costs for 32641
claims and administrative expenses for the coverage of basic 32642
health care services to increase by more than one per cent per 32643
year. 32644

from an independent member of the American academy of actuaries to 32646
the superintendent of insurance opining that the increase in costs 32647

from official duties for a period of six consecutive months, as 33369
determined under this section, of the judge and also by reason of 33370
the expiration of the term of an incumbent when no successor has 33371
been elected or qualified. ~~The chief justice of the supreme court~~ 33372
~~may designate a judge of another municipal court to act until that~~ 33373
~~vacancy is filled in accordance with section 107.08 of the Revised~~ 33374
~~Code.~~ A vacancy resulting from the absence of a judge from 33375
official duties for a period of six consecutive months shall be 33376
determined and declared by the legislative authority. 33377

~~(b)~~(C)(1) If a vacancy occurs in the office of judge or clerk 33378
of ~~the~~ a municipal court after the one-hundredth day before the 33379

in number more than twice the minimum aggregate number of 33395
signatures required by this section. 33396

~~(2) If a judge of a municipal court that has only one judge 33397

a substitute. The appointee shall serve during the absence, 33404
incapacity, or unavailability of the incumbent, shall have the 33405
jurisdiction and powers conferred upon the judge of the municipal 33406

service, the acting judge shall sign all process and records and 33408
shall perform all acts pertaining to the office, except that of 33409
removal and appointment of officers of the court. All courts shall 33410
take judicial notice of the selection and powers of the acting 33411
judge. The incumbent judge shall establish the amount of 33412

~~(B) When the volume of cases pending in any municipal court 33416

court, upon the written request of the judge or presiding judge of 33418
that municipal court, may designate a judge of another municipal 33419
court or county court to serve for any period of time that the 33420
chief justice may prescribe. The compensation of a judge so 33421

~~(2) A part time judge shall receive for each day of the 33434

which the judge is assigned, less the per diem amount paid to 33436
those judges pursuant to section 141.04 of the Revised Code, 33437
calculated on the basis of two hundred fifty working days per 33438
year. 33439~~

~~If a request is made by a judge or the presiding judge of a 33440
municipal court to designate a judge of another municipal court 33441
because of the volume of cases in the court for which the request 33442
is made and the chief justice reports, in writing, that no 33443
municipal or county court judge is available to serve by 33444
designation, the judges of the court requesting the designation 33445
may appoint a substitute as provided in division (A)(2) of this 33446
section, who may serve for any period of time that is prescribed 33447
by the chief justice. The substitute judge shall be paid in the 33448

if necessary, moved to a storage facility of the sheriff's, police 33874
officer's, constable's, or bailiff's choice, or to be retained at 33875
their current location on the residential premises, until they are 33876

written notice to the auditor and the treasurer of the county in 33927
which the court issuing the writ is located. 33928

Unless the proceedings are governed by division (D) of 33929
section 1923.12 of the Revised Code, notwithstanding any statutory 33930
provision to the contrary, including, but not limited to, section 33931

first pay the costs for any moving of and any storage outside the 33944
manufactured home park of the home or vehicle and any personal 33945

the sale, including reimbursing the park operator for the deposit 33947
that the park operator paid to the clerk of court under division 33948
(C) of section 1923.12 of the Revised Code, and any unpaid court 33949
costs assessed against the defendant in the underlying action. 33950

(b) Following the payment required by division (B)(3)(a) of 33951

and any costs associated with retaining the home or vehicle prior 33963
to the sale at its location on the residential premises within the 33964
manufactured home park pursuant to division (B)(2) of this 33965

(e) After complying with divisions (B)(3)(a) to (d) of this 33967
section, the sheriff, police officer, constable, or bailiff shall 33968
report any remaining money as unclaimed funds pursuant to Chapter 33969

Upon the return of any writ of execution for the satisfaction 33971
of which an abandoned manufactured home, mobile home, or 33972
recreational vehicle has been sold under this division, on careful 33973
examination of the proceedings of the sheriff, police officer, 33974
constable, or bailiff conducting the sale, if the court that 33975
issued the writ finds that the sale was made, in all respects, in 33976
conformity with the relevant provisions of Chapter 2329. of the 33977

constable, or bailiff conducting the sale shall notify all 33993
prospective purchasers of this fact prior to the commencement of 33994
the sale. 33995

If, after it is offered for sale on two occasions under this 33996
division, the abandoned manufactured home, mobile home, or 33997
recreational vehicle cannot be sold due to a want of bidders, the 33998
sheriff, police officer, constable, or bailiff shall present the 33999

determined to be abandoned and to have a value of less than three 34022
thousand dollars, the sheriff, police officer, constable, or 34023
bailiff shall serve at their respective last known addresses a 34024

notice shall be in addition to all notices required to be given 34028

the home or vehicle, or if there is an outstanding right, title, 34041
or interest in the home or vehicle and the lienholder consents in 34042

of the Revised Code of a certificate of title transferring the 34046
title of the home or vehicle to the plaintiff, free and clear of 34047
all security interests, liens, and encumbrances. The clerk of the 34048
court of common pleas shall issue the new certificate of title 34049
transferring the title of the home or vehicle regardless of 34050
whether the writ was issued by the court of common pleas or 34051

owed on the home or vehicle at this time, the county auditor shall 34053
remove the delinquent taxes from the manufactured home tax list 34054
and the delinquent manufactured home tax list and remit any 34055
penalties for late payment of manufactured home taxes. Acceptance 34056

of the certificate of title by the plaintiff terminates all 34057

court of common pleas and subject to appropriation by the board of 35755
county commissioners, in an amount no greater than the actual cost 35756
to the court of procuring and maintaining technology and computer 35757
systems for the office of the clerk of the court of common pleas. 35758

(2) If the court of common pleas of a county makes the 35759
determination described in division (B)(1) of this section, the 35760
board of county commissioners of that county may issue one or more 35761

in those cases does not exceed the actual cost of providing the 35857
service or program. 35858

All moneys collected under division (E) of this section shall 35859
be paid to the county treasurer for deposit into either a general 35860

(B)(1) The attorney general, ~~a panel of commissioners, or a~~ 37632
~~judge of the court of claims shall not make or order an award of~~ 37633
reparations to a claimant if any of the following apply: 37634

(a) The claimant is the offender or an accomplice of the 37635
offender who committed the criminally injurious conduct, or the 37636
award would unjustly benefit the offender or accomplice. 37637

(b) Except as provided in division (B)(2) of this section, 37638
both of the following apply: 37639

(i) The victim was a passenger in a motor vehicle and knew or 37640
reasonably should have known that the driver was under the 37641
influence of alcohol, a drug of abuse, or both. 37642

(ii) The claimant is seeking compensation for injuries 37643
proximately caused by the driver described in division 37644
(B)(1)(b)(i) of this section being under the influence of alcohol, 37645
a drug of abuse, or both. 37646

(c) Both of the following apply: 37647

(i) The victim was under the influence of alcohol, a drug of 37648
abuse, or both and was a passenger in a motor vehicle and, if 37649
sober, should have reasonably known that the driver was under the 37650
influence of alcohol, a drug of abuse, or both. 37651

(ii) The claimant is seeking compensation for injuries 37652
proximately caused by the driver described in division 37653
(B)(1)(b)(i) of this section being under the influence of alcohol, 37654
a drug of abuse, or both. 37655

(2) Division (B)(1)(b) of this section does not apply if on 37656
the date of the occurrence of the criminally injurious conduct, 37657
the victim was under sixteen years of age or was at least sixteen 37658
years of age but less than eighteen years of age and was riding 37659
with a parent, guardian, or care-provider. 37660

(C) The attorney general, ~~a panel of commissioners,~~ or a 37661
~~judge of~~ the court of claims, upon a finding that the claimant or 37662
victim has not fully cooperated with appropriate law enforcement 37663

reparations. 37665

(D) The attorney general, ~~a panel of commissioners,~~ or a 37666
~~judge of~~ the court of claims shall reduce an award of reparations 37667

or deny a claim for an award of reparations that is otherwise 37668
payable to a claimant to the extent that the economic loss upon 37669
which the claim is based is recouped from other persons, including 37670
collateral sources. If an award is reduced or a claim is denied 37671
because of the expected recoupment of all or part of the economic 37672
loss of the claimant from a collateral source, the amount of the 37673
award or the denial of the claim shall be conditioned upon the 37674
claimant's economic loss being recouped by the collateral source. 37675
If the award or denial is conditioned upon the recoupment of the 37676
claimant's economic loss from a collateral source and it is 37677
determined that the claimant did not unreasonably fail to present 37678
a timely claim to the collateral source and will not receive all 37679
or part of the expected recoupment, the claim may be reopened and 37680
an award may be made in an amount equal to the amount of expected 37681
recoupment that it is determined the claimant will not receive 37682
from the collateral source. 37683

If the claimant recoups all or part of the economic loss upon 37684
which the claim is based from any other person or entity, 37685
including a collateral source, the attorney general may recover 37686
pursuant to section 2743.72 of the Revised Code the part of the 37687
award that represents the economic loss for which the claimant 37688
received the recoupment from the other person or entity. 37689

(E)(1) Except as otherwise provided in division (E)(2) of 37690
this section, the attorney general, ~~a panel of commissioners,~~ or a 37691
~~judge of~~ the court of claims shall not make an award to a claimant 37692
if any of the following applies: 37693

(a) The victim was convicted of a felony within ten years 37694
prior to the criminally injurious conduct that gave rise to the 37695
claim or is convicted of a felony during the pendency of the 37696
claim. 37697

(b) The claimant was convicted of a felony within ten years 37698
prior to the criminally injurious conduct that gave rise to the 37699

claim or is convicted of a felony during the pendency of the 37700
claim. 37701

(c) It is proved by a preponderance of the evidence that the 37702
victim or the claimant engaged, within ten years prior to the 37703
criminally injurious conduct that gave rise to the claim or during 37704
the pendency of the claim, in an offense of violence, a violation 37705
of section 2925.03 of the Revised Code, or any substantially 37706
similar offense that also would constitute a felony under the laws 37707
of this state, another state, or the United States. 37708

(d) The claimant was convicted of a violation of section 37709
2919.22 or 2919.25 of the Revised Code, or of any state law or 37710

within ten years prior to the criminally injurious conduct that 37712
gave rise to the claim or during the pendency of the claim. 37713

(e) It is proved by a preponderance of the evidence that the 37714
victim at the time of the criminally injurious conduct that gave 37715
rise to the claim engaged in conduct that was a felony violation 37716
of section 2925.11 of the Revised Code or engaged in any 37717
substantially similar conduct that would constitute a felony under 37718

(2) The attorney general, ~~a panel of commissioners,~~ or a 37720
~~judge of~~ the court of claims may make an award to a minor 37721
dependent of a deceased victim for dependent's economic loss or 37722

the Revised Code if the minor dependent is not ineligible under 37724
division (E)(1) of this section due to the minor dependent's 37725
criminal history and if the victim was not killed while engaging 37726

conduct that gave rise to the claim. For purposes of this section, 37728
the use of illegal drugs by the deceased victim shall not be 37729
deemed to have contributed to the criminally injurious conduct 37730
that gave rise to the claim. 37731

(F) In determining whether to make an award of reparations 37732
pursuant to this section, the attorney general or ~~panel of~~ 37733
~~commissioners~~ the court of claims shall consider whether there was 37734
contributory misconduct by the victim or the claimant. The 37735
attorney general, ~~a panel of commissioners,~~ or ~~a judge of~~ the 37736
court of claims shall reduce an award of reparations or deny a 37737
claim for an award of reparations to the extent it is determined 37738
to be reasonable because of the contributory misconduct of the 37739
claimant or the victim. 37740

When the attorney general decides whether a claim should be 37741
denied because of an allegation of contributory misconduct, the 37742
burden of proof on the issue of that alleged contributory 37743
misconduct shall be upon the claimant, if either of the following 37744
apply: 37745

(1) The victim was convicted of a felony more than ten years 37746
prior to the criminally injurious conduct that is the subject of 37747
the claim or has a record of felony arrests under the laws of this 37748
state, another state, or the United States. 37749

(2) There is good cause to believe that the victim engaged in 37750
an ongoing course of criminal conduct within five years or less of 37751
the criminally injurious conduct that is the subject of the claim. 37752

(G) The attorney general, ~~a panel of commissioners,~~ or a 37753
~~judge of~~ the court of claims shall not make an award of 37754
reparations to a claimant if the criminally injurious conduct that 37755
caused the injury or death that is the subject of the claim 37756
occurred to a victim who was an adult and while the victim, after 37757
being convicted of or pleading guilty to an offense, was serving a 37758
sentence of imprisonment in any detention facility, as defined in 37759
section 2921.01 of the Revised Code. 37760

(H) If a claimant unreasonably fails to present a claim 37761
timely to a source of benefits or advantages that would have been 37762

a collateral source and that would have reimbursed the claimant 37763
for all or a portion of a particular expense, the attorney 37764
general, ~~a panel of commissioners,~~ or ~~a judge of~~ the court of 37765
claims may reduce an award of reparations or deny a claim for an 37766
award of reparations to the extent that it is reasonable to do so. 37767

(I) Reparations payable to a victim and to all other 37768
claimants sustaining economic loss because of injury to or the 37769
death of that victim shall not exceed fifty thousand dollars in 37770
the aggregate. If the attorney general, ~~a panel of commissioners,~~ 37771
or ~~a judge of~~ the court of claims reduces an award under division 37772
(F) of this section, the maximum aggregate amount of reparations 37773
payable under this division shall be reduced proportionately to 37774
the reduction under division (F) of this section. 37775

(J) Nothing in this section shall be construed to prohibit an 37776
award to a claimant whose claim is based on the claimant's being a 37777
victim of a violation of section 2905.32 of the Revised Code if 37778
the claimant was less than eighteen years of age when the 37779
criminally injurious conduct occurred. 37780

Sec. 2743.601. Except as otherwise provided in this section, 37781

which an award or denial of the claim by the attorney general, ~~a~~ 37788
~~panel of commissioners,~~ or the court of claims has not yet become 37789
final. The amendments to section 2743.60 of the Revised Code made 37790
by the act in which this section was enacted, to the extent that 37791
they eliminate the statute of limitations and to the extent that 37792
they remove the seventy-two hour reporting requirement, and the 37793

reconsider a decision to make an award of reparations, the amount 37804
of an award of reparations, or a decision to deny a claim for an 37805
award of reparations. A claimant may file a request for 37806
reconsideration with the attorney general not later than thirty 37807
days after the attorney general renders an initial decision. A 37808
claimant may submit with the request any additional information 37809
that is relevant to the claimant's claim for an award of 37810

final decision within sixty days of receiving the request for 37814

time limit and shall record in writing specific reasons to justify 37816
the extension. The attorney general shall notify the claimant of 37817
the extension and of the reasons for the extension. 37818

If a claimant does not file a request for reconsideration of 37819
a decision of the attorney general to make an award or to deny a 37820
claim or of the amount of an award within thirty days after the 37821
decision is rendered, the award, the denial of the claim, or the 37822

interest of justice allows the reconsideration after the 37824

expiration of that period of time. 37825

(B) A claimant may appeal an award of reparations, the amount 37826
of an award of reparations, or the denial of a claim for an award 37827

the record and evidence, the court ~~of claims panel of~~ 37854
~~commissioners~~ decides that the decision of the attorney general 37855
appealed from is reasonable and lawful, it shall affirm the same. 37856
If the court ~~of claims panel of commissioners~~ decides that the 37857

decision of the attorney general is not supported by a 37858
preponderance of the evidence or is unreasonable or unlawful, ~~it~~ 37859
the court shall reverse and vacate the decision or modify it and 37860
enter judgment thereon. The 37861

of commissioners with respect to any claim for an award of 37866
reparations is appealed, a judge of the court of claims shall hear 37867
and determine the appeal on the basis of the record of the hearing 37868
before the commissioners, including the original award or denial 37869
made by the attorney general, any information or documents 37870
presented to the panel of commissioners, and any briefs or oral 37871

consideration of the record and evidence, the judge decides that 37873
the decision of the panel of commissioners is unreasonable or 37874
unlawful, the judge shall reverse and vacate the decision or 37875
modify it and enter judgment on the claim. The decision of the 37876
judge of the court of claims is final. 37877~~

~~(D)~~(C) Notices of an appeal concerning an award of 37878
reparations shall be filed within thirty days after the date on 37879
which the award or the denial of a claim is made by a final 37880
decision of the attorney general. If a notice of appeal is not 37881
filed within the thirty-day period, the award or denial of the 37882
claim is final unless a the court of claims panel of commissioners 37883

confidential or exempt from public disclosure under section 149.43 37909
of the Revised Code while in the possession of the court of claims 37910

~~judge, the panel~~ court of commissioners, claims or the attorney 37960

(2) A maximum of one thousand twenty dollars for claims in 38006
which an appeal to the ~~panel court~~ of ~~commissioners claims~~ is 38007

on the basis of a claimant's or victim's conviction of a felony 38024
offense prior to the filing of the claim. If the claimant or 38025
victim is convicted of a felony offense during the pendency of the 38026
claim, the two hundred dollars maximum does not apply. If the 38027
attorney had knowledge of the claimant's or victim's felony 38028
conviction prior to the filing of the application for the claim, 38029
the attorney general may determine that the filing of the claim 38030
was frivolous and may deny attorney's fees. 38031

(B) The attorney general may determine that an attorney be 38032
reimbursed for fees incurred in the creation of a guardianship if 38033
the guardianship is required in order for an individual to receive 38034
an award of reparations, and those fees shall be reimbursed at a 38035
rate of sixty dollars per hour. 38036

(C)(1) The attorney general shall forward an application form 38037
for attorney's fees to a claimant's attorney before or when the 38038

(b) Require a verification statement comporting with the law 38042
prohibiting falsification; 38043

(c) Require an itemized fee statement; 38044

(d) Require a verification statement that the claimant was served a copy of the completed application form; 38045
38046

(e) Include notice that the claimant may oppose the application by notifying the attorney general in writing within ten days. 38047
38048
38049

(2) The attorney general shall forward a copy of this section to the attorney with the application form for attorney's fees. The attorney shall file the application form with the attorney general. The attorney general's decision with respect to an award of attorney's fees is final ten days after the attorney general renders the decision and mails a copy of the decision to the attorney at the address provided by the attorney. The attorney may request reconsideration of the decision on grounds that it is insufficient or calculated incorrectly. The attorney general's decision on the request for reconsideration is final. 38050

38057
38058
38059

(D) The attorney general shall review all application forms for attorney's fees that are submitted by a claimant's attorney and shall issue an order approving the amount of fees to be paid to the attorney within sixty days after receipt of the application form. 38060
38061
38062
38063
38064

(4) Presenting or appealing an issue that has been repeatedly ruled upon by the highest appellate authority, unless a unique set of facts or unique issue of law exists that distinguishes it; 38072
38073
38074

(5) A fee request that is unreasonable, is not commensurate with services rendered, violates the Ohio code of professional responsibility, or is based upon services that are determined to be frivolous. 38075
38076
38077
38078

(F)(1) The attorney general may reduce or deny the payment of attorney's fees to an attorney who has filed a frivolous claim. 38079
38080
Subject to division (A)(5) of this section, the denial of a claim 38081
on the basis of a felony conviction, felony conduct, or 38082
contributory misconduct does not constitute a frivolous claim. 38083

(2) As used in this section, "frivolous claim" means a claim in which there is clearly no legal grounds under the existing laws of this state to support the filing of a claim on behalf of the claimant or victim. 38084
38085
38086
38087

(G) The attorney general may determine that a lesser number of hours should have been required in a given case. 38091
38092

(H) No attorney shall receive payment under this section for assisting a claimant with an application for an award of reparations under sections 2743.51 to 2743.72 of the Revised Code if that attorney's fees have been allowed as an expense in accordance with division (F)(4) of section 2743.51 of the Revised Code. 38093

38096
38097
38098

(I) A contract or other agreement between an attorney and any person that provides for the payment of attorney's fees or other payments in excess of the attorney's fees allowed under this section for representing a claimant under sections 2743.51 to 2743.72 of the Revised Code shall be void and unenforceable. 38099
38100
38101
38102
38103

(J) Each witness who appears in a hearing on a claim for an award of reparations shall receive compensation in an amount equal 38104
38105

38107

Sec. 2743.66. (A) A decision of the attorney general, or 38108
~~order of a court of claims panel of commissioners,~~ or judgment of 38109
~~a judge~~ of the court of claims granting an award of reparations 38110
may provide for the payment of the award in a lump sum or in 38111
installments. The part of an award equal to the amount of economic 38112
loss accrued to the date of the award shall be paid in a lump sum. 38113
An award for allowable expense that would accrue after the award 38114
is made shall not be paid in a lump sum. Except as provided in 38115
division (B) of this section, the part of an award not paid in a 38116
lump sum shall be paid in installments. 38117

(B) Upon the motion of the claimant, the attorney general may 38118
commute future economic loss, other than allowable expense, to a 38119
lump sum but only upon a finding that either of the following 38120
applies: 38121

(1) The award in a lump sum will promote the interests of the 38122
claimant. 38123

(2) The present value of all future economic loss, other than 38124
allowable expense, does not exceed one thousand dollars. 38125

(C) The attorney general may make an award for future 38126
economic loss payable in installments only for a period as to 38127
which future economic loss reasonably can be determined. An award 38128
for future economic loss payable in installments may be 38129
reconsidered and modified upon a finding that a material and 38130
substantial change of circumstances has occurred. 38131

(D) An award is not subject to execution, attachment, 38132
garnishment, or other process, except that, upon receipt of an 38133
award by a claimant: 38134

(1) The part of the award that is for allowable expense or 38135

funeral expense is not exempt from such action by a creditor to 38136
the extent that the creditor provided products, services, or 38137
accommodations the costs of which are included in the award. 38138

(2) The part of the award that is for work loss shall not be 38139
exempt from such action to secure payment of spousal support, 38140
other maintenance, or child support. 38141

(3) The attorney general may recover the award pursuant to 38142
section 2743.72 of the Revised Code if it is discovered that the 38143
claimant actually was not eligible for the award or that the award 38144
otherwise should not have been made under the standards and 38145
criteria set forth in sections 2743.51 to 2743.72 of the Revised 38146
Code. 38147

(4) If the claimant receives compensation from any other 38148
person or entity, including a collateral source, for an expense 38149
that is included within the award, the attorney general may 38150
recover pursuant to section 2743.72 of the Revised Code the part 38151
of the award that represents the expense for which the claimant 38152
received the compensation from the other person or entity. 38153

(E) If a person entitled to an award of reparations is under 38154
eighteen years of age and if the amount of the award exceeds one 38155
thousand dollars, the order providing for the payment of the award 38156
shall specify that the award be paid either to the guardian of the 38157
estate of the minor appointed pursuant to Chapter 2111. of the 38158
Revised Code or to the person or depository designated by the 38159
probate court under section 2111.05 of the Revised Code. If a 38160
person entitled to an award of reparations is under eighteen years 38161
of age and if the amount of the award is one thousand dollars or 38162
less, the order providing for the payment of the award may specify 38163
that the award be paid to an adult member of the family of the 38164
minor who is legally responsible for the minor's care or to any 38165
other person designated by the attorney general or ~~panel of~~ 38166
~~commissioners issuing the decision or order~~ court of claims. 38167

Sec. 2743.67. The attorney general may make an emergency award if, before acting on an application for an award of reparations under this section, it appears likely that a final award will be made, and the claimant or victim will suffer undue hardship if immediate economic relief is not obtained. An emergency award shall not exceed two thousand dollars. The attorney general or the court of claims ~~panel of commissioners~~ shall deduct an amount of the emergency award from the final award, or the claimant or victim shall repay the amount of the emergency award that exceeds the final award made to the claimant. If no final award is made, the claimant or victim shall repay the entire emergency award.

Sec. 2743.68. A claimant may file a supplemental reparations application in a claim if the attorney general, ~~a court of claims panel of commissioners,~~ or ~~judge of~~ the court of claims, within five years prior to the filing of the supplemental application, has made any of the following determinations:

(A) That an award, supplemental award, or installment award be granted;

(B) That an award, supplemental award, or installment award be conditioned or denied because of actual or potential recovery from a collateral source;

(C) That an award, supplemental award, or installment award be denied because the claimant had not incurred any economic loss at that time.

Sec. 2743.69. (A) The attorney general shall prepare and transmit annually to the governor, the president of the senate, the speaker of the house of representatives, and the minority leaders of both houses a report of the activities of the Ohio crime victims compensation program under sections 2743.51 to

2743.72 of the Revised Code. The report shall include all of the following: 38198

38202

(2) The balance in the reparations fund, with a listing by source and amount of the moneys that have been deposited in the fund; 38203

38207
38208
38209
38210
38211
38212

(B) The director of budget and management shall assist the attorney general in the preparation of the report required by this section. 38213
38214
38215

Sec. 2743.71. (A) Any law enforcement agency that investigates, and any prosecuting attorney, city director of law, village solicitor, or similar prosecuting authority who prosecutes, an offense committed in this state shall, upon first contact with the victim or the victim's family or dependents, give the victim or the victim's family or dependents a copy of an information card or other printed material provided by the attorney general pursuant to division (B) of this section and explain, upon request, the information on the card or material to the victim or the victim's family or dependents. 38216
38217
38218
38219
38220
38221
38222
38223
38224
38225

(B) The attorney general shall have printed, and shall provide to law enforcement agencies, prosecuting attorneys, city 38226
38227

directors of law, village solicitors, and similar prosecuting 38228
authorities, cards or other materials that contain information 38229
explaining awards of reparations. The information on the cards or 38230
other materials shall include, but shall not be limited to, the 38231
following statements: 38232

(1) Awards of reparations are limited to losses that are 38233
caused by physical injury resulting from criminally injurious 38234
conduct; 38235

(2) Reparations applications are required to be filed ~~within~~ 38236
~~two years after the date of the criminally injurious conduct if~~ 38237
~~the victim was an adult, or~~ within the period provided by division 38238
(C)(B)(1) of section 2743.56 of the Revised Code if the victim of 38239
the criminally injurious conduct was a minor; 38240

(3) An attorney who represents an applicant for an award of 38241
reparations cannot charge the applicant for the services rendered 38242
in relation to that representation but is required to apply to the 38243
attorney general for payment for the representation; 38244

(4) Applications for awards of reparations may be obtained 38245
from the attorney general, law enforcement agencies, and victim 38246
assistance agencies and are to be filed with the attorney general. 38247

(C) The attorney general may order that a reasonable amount 38248
of money be paid out of the reparations fund, subject to the 38249
limitation imposed by division (D) of this section, for use by the 38250
attorney general to publicize the availability of awards of 38251
reparations. 38252

(D) During any fiscal year, the total expenditure for the 38253
printing and providing of information cards or other materials 38254
pursuant to division (B) of this section and for the publicizing 38255
of the availability of awards of reparations pursuant to division 38256
(C) of this section shall not exceed two per cent of the total of 38257
all court costs deposited, in accordance with section 2743.70 of 38258

the Revised Code, in the reparations fund during the immediately preceding fiscal year.

Sec. 2744.05. Notwithstanding any other provisions of the Revised Code or rules of a court to the contrary, in an action against a political subdivision to recover damages for injury, death, or loss to person or property caused by an act or omission in connection with a governmental or proprietary function:

(A) Punitive or exemplary damages shall not be awarded.

(B)(1) If a claimant receives or is entitled to receive benefits for injuries or loss allegedly incurred from a policy or policies of insurance or any other source, the benefits shall be disclosed to the court, and the amount of the benefits shall be deducted from any award against a political subdivision recovered by that claimant. No insurer or other person is entitled to bring an action under a subrogation provision in an insurance or other contract against a political subdivision with respect to those benefits.

The amount of the benefits shall be deducted from an award against a political subdivision under division (B)(1) of this section regardless of whether the claimant may be under an obligation to pay back the benefits upon recovery, in whole or in part, for the claim. A claimant whose benefits have been deducted from an award under division (B)(1) of this section is not considered fully compensated and shall not be required to reimburse a subrogated claim for benefits deducted from an award pursuant to division (B)(1) of this section.

(2) Nothing in division (B)(1) of this section shall be construed to do either of the following:

(a) Limit the rights of a beneficiary under a life insurance policy or the rights of sureties under fidelity or surety bonds;

(b) Prohibit the department of ~~job and family services~~ 38289
medicaid from recovering from the political subdivision, pursuant 38290
to section ~~5101.58~~ 5160.37 of the Revised Code, the cost of 38291
medical assistance ~~benefits provided under Chapter 5107. or 5111.~~ 38292
~~of the Revised Code~~ provided under a medical assistance program. 38293

(C)(1) There shall not be any limitation on compensatory 38294
damages that represent the actual loss of the person who is 38295
awarded the damages. However, except in wrongful death actions 38296
brought pursuant to Chapter 2125. of the Revised Code, damages 38297
that arise from the same cause of action, transaction or 38298
occurrence, or series of transactions or occurrences and that do 38299
not represent the actual loss of the person who is awarded the 38300
damages shall not exceed two hundred fifty thousand dollars in 38301
favor of any one person. The limitation on damages that do not 38302
represent the actual loss of the person who is awarded the damages 38303
provided in this division does not apply to court costs that are 38304
awarded to a plaintiff, or to interest on a judgment rendered in 38305
favor of a plaintiff, in an action against a political 38306
subdivision. 38307

(2) As used in this division, "the actual loss of the person 38308
who is awarded the damages" includes all of the following: 38309

(a) All wages, salaries, or other compensation lost by the 38310
person injured as a result of the injury, including wages, 38311
salaries, or other compensation lost as of the date of a judgment 38312
and future expected lost earnings of the person injured; 38313

(b) All expenditures of the person injured or another person 38314
on behalf of the person injured for medical care or treatment, for 38315
rehabilitation services, or for other care, treatment, services, 38316
products, or accommodations that were necessary because of the 38317
injury; 38318

(c) All expenditures to be incurred in the future, as 38319

determined by the court, by the person injured or another person 38320
on behalf of the person injured for medical care or treatment, for 38321
rehabilitation services, or for other care, treatment, services, 38322
products, or accommodations that will be necessary because of the 38323
injury; 38324

(d) All expenditures of a person whose property was injured 38325
or destroyed or of another person on behalf of the person whose 38326
property was injured or destroyed in order to repair or replace 38327
the property that was injured or destroyed; 38328

(e) All expenditures of the person injured or of the person 38329
whose property was injured or destroyed or of another person on 38330
behalf of the person injured or of the person whose property was 38331
injured or destroyed in relation to the actual preparation or 38332
presentation of the claim involved; 38333

(f) Any other expenditures of the person injured or of the 38334
person whose property was injured or destroyed or of another 38335
person on behalf of the person injured or of the person whose 38336
property was injured or destroyed that the court determines 38337
represent an actual loss experienced because of the personal or 38338
property injury or property loss. 38339

"The actual loss of the person who is awarded the damages" 38340
does not include any fees paid or owed to an attorney for any 38341
services rendered in relation to a personal or property injury or 38342
property loss, and does not include any damages awarded for pain 38343
and suffering, for the loss of society, consortium, companionship, 38344
care, assistance, attention, protection, advice, guidance, 38345
counsel, instruction, training, or education of the person 38346
injured, for mental anguish, or for any other intangible loss. 38347

Sec. 2744.08. (A)(1) A political subdivision may use public 38348
funds to secure insurance with respect to its and its employees' 38349
potential liability in damages in civil actions for injury, death, 38350

or loss to persons or property allegedly caused by an act or 38351
omission of the political subdivision or any of its employees in 38352
connection with a governmental or proprietary function. The 38353
insurance may be at the limits, for the circumstances, and subject 38354
to the terms and conditions, that are determined by the political 38355
subdivision in its discretion. 38356

The insurance may be for the period of time that is set forth 38357
in specifications for competitive bids or, when competitive 38358
bidding is not required, for the period of time that is mutually 38359
agreed upon by the political subdivision and insurance company. 38360
The period of time does not have to be, but can be, limited to the 38361
fiscal cycle under which the political subdivision is funded and 38362
operates. 38363

(2)(a) Regardless of whether a political subdivision procures 38364
a policy or policies of liability insurance pursuant to division 38365
(A)(1) of this section or otherwise, the political subdivision may 38366
establish and maintain a self-insurance program relative to its 38367
and its employees' potential liability in damages in civil actions 38368
for injury, death, or loss to persons or property allegedly caused 38369
by an act or omission of the political subdivision or any of its 38370
employees in connection with a governmental or proprietary 38371
function. The political subdivision may reserve such funds as it 38372
deems appropriate in a special fund that may be established 38373
pursuant to an ordinance or resolution of the political 38374
subdivision and not subject to section 5705.12 of the Revised 38375
Code. The political subdivision may allocate ~~the~~ its costs of 38376
funding insurance or a self-insurance program, ~~or both,~~ among the 38377
funds or accounts in the subdivision's treasury on the basis of 38378
relative payroll, relative exposure and, relative loss experience, 38379
or any combination of these factors. The political subdivision may 38380
require any deductibles under an insurance or self-insurance 38381
program, or both, to be paid from funds or accounts in the 38382

subdivision's treasury from which a loss was directly 38383
attributable. If it so chooses, the political subdivision may 38384
contract with any person, other political subdivision, or regional 38385
council of governments for purposes of the administration of such 38386
a program. 38387

(b) Political subdivisions that have established 38388
self-insurance programs relative to their and their employees' 38389
potential liability as described in division (A)(2)(a) of this 38390
section may mutually agree that their self-insurance programs will 38391
be jointly administered in a specified manner. 38392

(B) The purchase of liability insurance, or the establishment 38393
and maintenance of a self-insurance program, by a political 38394
subdivision does not constitute a waiver of any immunity or 38395
defense of the political subdivision or its employees, except that 38396
the political subdivision may specifically waive any immunity or 38397
defense to which it or its employees may be entitled if a 38398
provision to that effect is specifically included in the policy of 38399
insurance or in a written plan of operation of the self-insurance 38400
program, or, if any, the legislative enactment of the political 38401
subdivision authorizing the purchase of the insurance or the 38402
establishment and maintenance of the self-insurance program. Such 38403
a specific waiver shall be only to the extent of the insurance or 38404
self-insurance program coverage. 38405

(C) The authorizations for political subdivisions to secure 38406
insurance and to establish and maintain self-insurance programs in 38407
this section are in addition to any other authority to secure 38408
insurance or to establish and maintain self-insurance programs 38409
that is granted pursuant to the Revised Code or the constitution 38410
of this state, and they are not in derogation of any other 38411
authorization. 38412

Sec. 2744.081. (A) Regardless of whether a political 38413

subdivision, under section 2744.08 of the Revised Code, secures a 38414
policy or policies of liability insurance, establishes and 38415
maintains a self-insurance program, or enters into an agreement 38416
for the joint administration of a self-insurance program, the 38417
political subdivision may, pursuant to a written agreement and to 38418
the extent that it considers necessary, join with other political 38419
subdivisions in establishing and maintaining a joint 38420
self-insurance pool to provide for the payment of judgments, 38421
settlement of claims, expense, loss, and damage that arises, or is 38422
claimed to have arisen, from an act or omission of the political 38423
subdivision or any of its employees in connection with a 38424
governmental or proprietary function and to indemnify or hold 38425
harmless the subdivision's employees against such loss or damage. 38426

All of the following apply to a joint self-insurance pool 38427
under this section: 38428

(1) Such funds shall be reserved as are necessary, in the 38429
exercise of sound and prudent actuarial judgment, to cover 38430
potential political subdivision and employee liability, expense, 38431
loss, and damage. A report of aggregate amounts so reserved and 38432
aggregate disbursements made from such funds, together with a 38433
written report of a member of the American academy of actuaries 38434
certifying whether the amounts reserved conform to the 38435
requirements of this division, are computed in accordance with 38436
accepted loss reserving standards, and are fairly stated in 38437
accordance with sound loss reserving principles, shall be prepared 38438
and maintained in the office of the pool administrator described 38439
in division (A)(2) of this section. The report shall be prepared 38440
and maintained on or before the last day of March for the 38441
preceding calendar year or, if the joint self-insurance pool's 38442
fiscal year is other than a calendar year, not later than ninety 38443
days after the close of the pool's fiscal year. 38444

The report required by this division shall include, but not 38445

be limited to, the aggregate of disbursements made for the 38446
administration of the pool, including claims paid, costs of the 38447
legal representation of political subdivisions and employees, and 38448
fees paid to consultants. 38449

The pool administrator described in division (A)(2) of this 38450
section shall make the report required by this division available 38451
for inspection by any person at all reasonable times during 38452
regular business hours, and, upon the request of such person, 38453
shall make copies of the report available at cost within a 38454
reasonable period of time. The report required by this division is 38455
in lieu of the records required by division (A) of section 149.431 38456
of the Revised Code. 38457

(2) A contract may be awarded, without the necessity of 38458
competitive bidding, to any person, political subdivision, 38459
nonprofit corporation organized under Chapter 1702. of the Revised 38460
Code, or regional council of governments created under Chapter 38461
167. of the Revised Code for purposes of administration of a joint 38462
self-insurance pool. No such contract shall be entered into 38463
without full, prior, public disclosure of all terms and 38464
conditions. Such disclosure shall include, at a minimum, a 38465
statement listing all representations made in connection with any 38466
possible savings and losses resulting from such contract, and 38467
potential liability of any political subdivision or employee. The 38468
proposed contract and statement shall be disclosed and presented 38469
at a meeting of the political subdivision not less than one week 38470
prior to the meeting at which the political subdivision authorizes 38471
the contract. 38472

(3) A joint self-insurance pool shall include a contract with 38473
a member of the American academy of actuaries for the preparation 38474
of the written evaluation of the reserve funds required under 38475
division (A)(1) of this section. 38476

(4) A political subdivision that has joined with other 38477

political subdivisions in establishing and maintaining a joint 38478
self-insurance pool may allocate the costs of funding the pool 38479
among the funds or accounts in the treasuries of the political 38480
subdivisions on the basis of their relative payroll, relative 38481
exposure and, and relative loss experience, or any combination of 38482
these factors. ~~A joint self-insurance program~~ such a political 38483
subdivision may require any deductible under the program to be 38484
paid from funds or accounts in the treasury of the political 38485
subdivision from which a loss was directly attributable. 38486

(B) Two or more political subdivisions may also authorize the 38487
establishment and maintenance of a joint risk-management program, 38488
including but not limited to the employment of risk managers and 38489
consultants, for the purpose of preventing and reducing the risks 38490
covered by insurance, self-insurance, or joint self-insurance 38491
programs. 38492

(C) A political subdivision is not liable under a joint 38493
self-insurance pool for any amount in excess of amounts payable 38494
pursuant to the written agreement for the participation of the 38495
political subdivision in the joint self-insurance pool. Under a 38496
joint self-insurance pool agreement a political subdivision may, 38497
to the extent permitted under the written agreement, assume the 38498
risks of any other political subdivision, including the 38499
indemnification of its employees. A joint self-insurance pool, 38500
established under this section, is deemed a separate legal entity 38501
for the public purpose of enabling the members of the joint 38502
self-insurance pool to obtain insurance or to provide for a 38503
formalized, jointly administered self-insurance fund for its 38504
members. An entity created pursuant to this section is exempt from 38505
all state and local taxes. 38506

(D) Any political subdivision may issue general obligation 38507
bonds, or special obligation bonds which are not payable from real 38508
or personal property taxes, and may also issue notes in 38509

anticipation of such bonds, pursuant to an ordinance or resolution 38510
of its legislative authority or other governing body for the 38511
purpose of providing funds to pay judgments, losses, damages, and 38512
the expenses of litigation or settlement of claims, whether by way 38513
of a reserve or otherwise, and to pay the political subdivision's 38514
portion of the cost of establishing and maintaining a joint 38515
self-insurance pool or to provide for the reserve in the special 38516
fund authorized by division (A)(2)(a) of section 2744.08 of the 38517
Revised Code. 38518

In its ordinance or resolution authorizing bonds or notes 38519
under this section, a political subdivision may elect to issue 38520
such bonds or notes under the procedures set forth in Chapter 133. 38521
of the Revised Code. In the event of such an election, 38522
notwithstanding Chapter 133. of the Revised Code, the maturity of 38523
the bonds may be for any period authorized in the ordinance or 38524
resolution not exceeding twenty years, which period shall be the 38525
maximum maturity of the bonds for purposes of section 133.22 of 38526
the Revised Code. 38527

Bonds and notes issued under this section shall not be 38528
considered in calculating the net indebtedness of the political 38529
subdivision under sections 133.04, 133.05, 133.06, and 133.07 of 38530
the Revised Code. Sections 9.98 to 9.983 of the Revised Code apply 38531
to bonds or notes authorized under this section. 38532

(E)(1) A joint self-insurance pool, in addition to its powers 38533
to provide self-insurance against any and all liabilities under 38534

forms of property or casualty self-insurance for the purpose of 38536

pool: 38538

employees liability; 38540

and loss associated with the ownership, maintenance, and use of	38545
aircraft;	38546
(d) Fidelity, surety, and guarantee;	38547
(e) Loss or damage to property and loss of use and occupancy	38548

political subdivisions are subject, which is not prohibited by	38555
statute or at common law from being the subject of casualty or	38556

Its operation does not constitute doing an insurance business and	38559
is not subject to the insurance laws of this state.	38560
(F) A public official or employee of a political subdivision	38561
who is or becomes a member of the governing body of a joint	38562
self-insurance pool in which the political subdivision	38563
participates is not in violation of division (D) or (E) of section	38564
102.03, division (C) of section 102.04, or section 2921.42 of the	38565
Revised Code as a result of the political subdivision's entering	38566
under this section into the written agreement to participate in	38567
the pool or into any contract with the pool.	38568
(G) This section shall not be construed to affect the ability	38569
of any political subdivision to self-insure under the authority	38570

conferred by any other section of the Revised Code. 38571

Sec. 2744.082. (A) If a political subdivision, pursuant to 38572

to an ordinance or resolution of the subdivision's legislative 38578
authority, shall transfer amounts equal to those costs or 38579
deductibles from the funds or accounts to the subdivision's 38580
general fund if both of the following occur: 38581

(1) The subdivision requests payment from the employee 38582
responsible for the funds or accounts for those costs or 38583

Code do not apply to transfers made pursuant to this section. 38588

Sec. 2901.13. (A)(1) Except as provided in division (A)(2) or 38589
(3) of this section or as otherwise provided in this section, a 38590
prosecution shall be barred unless it is commenced within the 38591
following periods after an offense is committed: 38592

(a) For a felony, six years; 38593

(b) For a misdemeanor other than a minor misdemeanor, two 38594
years; 38595

(c) For a minor misdemeanor, six months. 38596

(2) There is no period of limitation for the prosecution of a 38597
violation of section 2903.01 or 2903.02 of the Revised Code. 38598

(3) Except as otherwise provided in divisions (B) to (H) of 38599

this section, a prosecution of any of the following offenses shall 38600
be barred unless it is commenced within twenty years after the 38601
offense is committed: 38602

(a) A violation of section 2903.03, 2903.04, 2905.01, 38603
2905.32, 2907.02, 2907.03, 2907.04, 2907.05, 2907.21, 2909.02, 38604

Code, a violation of section 2903.11 or 2903.12 of the Revised 38607
Code if the victim is a peace officer, a violation of section 38608
2903.13 of the Revised Code that is a felony, or a violation of 38609
former section 2907.12 of the Revised Code; 38610

(b) A conspiracy to commit, attempt to commit, or complicity 38611
in committing a violation set forth in division (A)(3)(a) of this 38612
section. 38613

(B)(1) Except as otherwise provided in division (B)(2) of 38614
this section, if the period of limitation provided in division 38615
(A)(1) or (3) of this section has expired, prosecution shall be 38616
commenced for an offense of which an element is fraud or breach of 38617
a fiduciary duty, within one year after discovery of the offense 38618
either by an aggrieved person, or by the aggrieved person's legal 38619
representative who is not a party to the offense. 38620

(2) If the period of limitation provided in division (A)(1) 38621
or (3) of this section has expired, prosecution for a violation of 38622
section 2913.49 of the Revised Code shall be commenced within five 38623
years after discovery of the offense either by an aggrieved person 38624
or the aggrieved person's legal representative who is not a party 38625
to the offense. 38626

(C)(1) If the period of limitation provided in division 38627
(A)(1) or (3) of this section has expired, prosecution shall be 38628
commenced for the following offenses during the following 38629
specified periods of time: 38630

(a) For an offense involving misconduct in office by a public servant, at any time while the accused remains a public servant, or within two years thereafter;

(b) For an offense by a person who is not a public servant but whose offense is directly related to the misconduct in office of a public servant, at any time while that public servant remains a public servant, or within two years thereafter.

(2) As used in this division:

(a) An "offense is directly related to the misconduct in office of a public servant" includes, but is not limited to, a violation of section 101.71, 101.91, 121.61 or 2921.13, division (F) or (H) of section 102.03, division (A) of section 2921.02, division (A) or (B) of section 2921.43, or division (F) or (G) of section 3517.13 of the Revised Code, that is directly related to an offense involving misconduct in office of a public servant.

(b) "Public servant" has the same meaning as in section 2921.01 of the Revised Code.

(D) An offense is committed when every element of the offense occurs. In the case of an offense of which an element is a continuing course of conduct, the period of limitation does not begin to run until such course of conduct or the accused's accountability for it terminates, whichever occurs first.

(E) A prosecution is commenced on the date an indictment is returned or an information filed, or on the date a lawful arrest without a warrant is made, or on the date a warrant, summons, citation, or other process is issued, whichever occurs first. A prosecution is not commenced by the return of an indictment or the filing of an information unless reasonable diligence is exercised to issue and execute process on the same. A prosecution is not commenced upon issuance of a warrant, summons, citation, or other process, unless reasonable diligence is exercised to execute the

same. 38662

(F) The period of limitation shall not run during any time 38663
when the corpus delicti remains undiscovered. 38664

(G) The period of limitation shall not run during any time 38665
when the accused purposely avoids prosecution. Proof that the 38666
accused departed this state or concealed the accused's identity or 38667
whereabouts is prima-facie evidence of the accused's purpose to 38668
avoid prosecution. 38669

(H) The period of limitation shall not run during any time a 38670
prosecution against the accused based on the same conduct is 38671
pending in this state, even though the indictment, information, or 38672
process that commenced the prosecution is quashed or the 38673
proceedings on the indictment, information, or process are set 38674
aside or reversed on appeal. 38675

(I) The period of limitation for a violation of any provision 38676
of Title XXIX of the Revised Code that involves a physical or 38677
mental wound, injury, disability, or condition of a nature that 38678
reasonably indicates abuse or neglect of a child under eighteen 38679
years of age or of a mentally retarded, developmentally disabled, 38680
or physically impaired child under twenty-one years of age shall 38681
not begin to run until either of the following occurs: 38682

(1) The victim of the offense reaches the age of majority. 38683

(2) A public children services agency, or a municipal or 38684
county peace officer that is not the parent or guardian of the 38685
child, in the county in which the child resides or in which the 38686
abuse or neglect is occurring or has occurred has been notified 38687
that abuse or neglect is known, suspected, or believed to have 38688
occurred. 38689

(J) As used in this section, "peace officer" has the same 38690
meaning as in section 2935.01 of the Revised Code. 38691

Sec. 2901.30. (A) As used in sections 2901.30 to 2901.32 of 38692
the Revised Code: 38693

(1) "Information" means information that can be integrated 38694
into the computer system and that relates to the physical or 38695
mental description of a minor including, but not limited to, 38696
height, weight, color of hair and eyes, use of eyeglasses or 38697
contact lenses, skin coloring, physical or mental handicaps, 38698
special medical conditions or needs, abnormalities, problems, 38699
scars and marks, and distinguishing characteristics, and other 38700
information that could assist in identifying a minor including, 38701
but not limited to, full name and nickname, date and place of 38702
birth, age, names and addresses of parents and other relatives, 38703
fingerprints, dental records, photographs, social security number, 38704
driver's license number, credit card numbers, bank account 38705
numbers, and clothing. 38706

(2) "Minor" means a person under eighteen years of age. 38707

(3) "Missing children" or "missing child" means either of the 38708
following: 38709

(a) A minor who has run away from or who otherwise is missing 38710
from the home of, or the care, custody, and control of, the 38711
minor's parents, parent who is the residential parent and legal 38712
custodian, guardian, legal custodian, or other person having 38713
responsibility for the care of the minor; 38714

(b) A minor who is missing and about whom there is reason to 38715
believe the minor could be the victim of a violation of section 38716
2905.01, 2905.02, 2905.03, or 2919.23 of the Revised Code or of a 38717
violation of section 2905.04 of the Revised Code as it existed 38718
prior to July 1, 1996. 38719

(B) When a law enforcement agency in this state that has 38720
jurisdiction in the matter is informed that a minor is or may be a 38721

missing child and that the person providing the information wishes 38722
to file a missing child report, the law enforcement agency shall 38723
take that report. Upon taking the report, the law enforcement 38724
agency shall take prompt action upon it, including, but not 38725
limited to, concerted efforts to locate the missing child. No law 38726
enforcement agency in this state shall have a rule or policy that 38727
prohibits or discourages the filing of or the taking of action 38728
upon a missing child report, within a specified period following 38729
the discovery or formulation of a belief that a minor is or could 38730
be a missing child. 38731

(C) If a missing child report is made to a law enforcement 38732
agency in this state that has jurisdiction in the matter, the law 38733
enforcement agency shall gather readily available information 38734
about the missing child and integrate it into the national crime 38735
information center computer immediately following the making of 38736
the report. The law enforcement agency shall make reasonable 38737
efforts to acquire additional information about the missing child 38738
following the transmittal of the initially available information, 38739
and promptly integrate any additional information acquired into 38740
such computer systems. 38741

Whenever a law enforcement agency integrates information 38742
about a missing child into the national crime information center 38743
computer, the law enforcement agency promptly shall notify the 38744
missing child's parents, parent who is the residential parent and 38745
legal custodian, guardian, or legal custodian, or any other person 38746
responsible for the care of the missing child, that it has so 38747
integrated the information. 38748

The parents, parent who is the residential parent and legal 38749
custodian, guardian, legal custodian, or other person responsible 38750
for the care of the missing child shall provide available 38751
information upon request, and may provide information voluntarily, 38752
to the law enforcement agency during the information gathering 38753

process. The law enforcement agency also may obtain available 38754
information about the missing child from other persons, subject to 38755
constitutional and statutory limitations. 38756

(D) Upon the filing of a missing child report, the law 38757
enforcement agency involved may notify the public or nonpublic 38758
school in which the missing child is or was most recently 38759
enrolled, as ascertained by the agency, that the child is the 38760
subject of a missing child report and that the child's school 38761
records are to be marked in accordance with section 3313.672 of 38762
the Revised Code. 38763

(E) Upon the filing of a missing child report, the law 38764
enforcement agency involved promptly shall make a reasonable 38765
attempt to notify other law enforcement agencies within its county 38766
and, if the agency has jurisdiction in a municipal corporation or 38767
township that borders another county, to notify the law 38768
enforcement agency for the municipal corporation or township in 38769
the other county with which it shares the border, that it has 38770
taken a missing child report and may be requesting assistance or 38771
cooperation in the case, and provide relevant information to the 38772
other law enforcement agencies. The agency may notify additional 38773
law enforcement agencies, or appropriate public children services 38774
agencies, about the case, request their assistance or cooperation 38775
in the case, and provide them with relevant information. 38776

Upon request from a law enforcement agency, a public children 38777
services agency shall grant the law enforcement agency access to 38778
all information concerning a missing child that the agency 38779
possesses that may be relevant to the law enforcement agency in 38780
investigating a missing child report concerning that child. The 38781
information obtained by the law enforcement agency shall be used 38782
only to further the investigation to locate the missing child. 38783

(F) Upon request, law enforcement agencies in this state 38784
shall provide assistance to, and cooperate with, other law 38785

enforcement agencies in their investigation of missing child 38786
cases. The assistance and cooperation under this paragraph shall 38787
be pursuant to any terms agreed upon by the law enforcement 38788
agencies, which may include the provision of law enforcement 38789
services or the use of law enforcement equipment or the 38790
interchange of services and equipment among the cooperating law 38791
enforcement agencies. Chapter 2744. of the Revised Code, insofar 38792
as it applies to the operation of law enforcement agencies, shall 38793
apply to the cooperating political subdivisions and to the law 38794
enforcement agency employees when they are rendering services 38795
pursuant to this paragraph outside the territory of the political 38796
subdivision by which they are employed. Law enforcement agency 38797
employees rendering services outside the territory of the 38798
political subdivision in which they are employed, pursuant to this 38799
paragraph, shall be entitled to participate in any indemnity fund 38800
established by their employer to the same extent as if they were 38801
rendering service within the territory of their employing 38802
political subdivision. Those law enforcement agency employees also 38803
shall be entitled to all the rights and benefits of Chapter 4123. 38804
of the Revised Code to the same extent as if rendering services 38805
within the territory of their employing political subdivision. 38806

The information in any missing child report made to a law 38807
enforcement agency shall be made available, upon request, to law 38808
enforcement personnel of this state, other states, and the federal 38809
government when the law enforcement personnel indicate that the 38810
request is to aid in identifying or locating a missing child or 38811
the possible identification of a deceased minor who, upon 38812
discovery, cannot be identified. 38813

(G) When a missing child has not been located within thirty 38814
days after the date on which the missing child report pertaining 38815
to the child was filed with a law enforcement agency, that law 38816
enforcement agency shall request the missing child's parents, 38817

parent who is the residential parent and legal custodian, 38818
guardian, or legal custodian, or any other person responsible for 38819
the care of the missing child, to provide written consent for the 38820
law enforcement agency to contact the missing child's dentist and 38821
request the missing child's dental records. Upon receipt of such 38822
written consent, the dentist shall release a copy of the missing 38823
child's dental records to the law enforcement agency and shall 38824
provide and encode the records in such form as requested by the 38825
law enforcement agency. The law enforcement agency then shall 38826
integrate information in the records into the national crime 38827
information center computer in order to compare the records to 38828
those of unidentified deceased persons. This division does not 38829
prevent a law enforcement agency from seeking consent to obtain 38830
copies of a missing child's dental records, or prevent a missing 38831
child's parents, parent who is the residential parent and legal 38832
custodian, guardian, or legal custodian, or any other person 38833
responsible for the care of the missing child, from granting 38834
consent for the release of copies of the missing child's dental 38835
records to a law enforcement agency, at any time. 38836

(H) A missing child's parents, parent who is the residential 38837
parent and legal custodian, guardian, or legal custodian, or any 38838
other persons responsible for the care of a missing child, 38839
immediately shall notify the law enforcement agency with which 38840
they filed the missing child report whenever the child has 38841
returned to their home or to their care, custody, and control, has 38842
been released if the missing child was the victim of an offense 38843
listed in division (A)(3)(b) of this section, or otherwise has 38844
been located. Upon such notification or upon otherwise learning 38845
that a missing child has returned to the home of, or to the care, 38846
custody, and control of the missing child's parents, parent who is 38847
the residential parent and legal custodian, guardian, legal 38848
custodian, or other person responsible for the missing child's 38849
care, has been released if the missing child was the victim of an 38850

offense listed in division (A)(3)(b) of this section, or otherwise 38851
has been located, the law enforcement agency involved promptly 38852
shall integrate the fact that the minor no longer is a missing 38853
child into the national crime information center computer and 38854
shall inform any school that was notified under division (D) of 38855
this section that the minor is no longer a missing child. 38856

~~(I) Nothing contained in this section shall be construed to 38857
impair the confidentiality of services provided to runaway minors 38858
by shelters for runaway minors pursuant to sections 5119.64 to 38859
5119.68 of the Revised Code. 38860~~

the Revised Code, and in addition to any other sanction imposed 40772
for the offense under this section or sections 2929.11 to 2929.18 40773
of the Revised Code, the court that sentences an offender who is 40774
convicted of or pleads guilty to a violation of division (A) of 40775
this section shall do all of the following that are applicable 40776
regarding the offender: 40777

(1) If the violation of division (A) of this section is a 40778
felony of the first, second, or third degree, the court shall 40779
impose upon the offender the mandatory fine specified for the 40780
offense under division (B)(1) of section 2929.18 of the Revised 40781
Code unless, as specified in that division, the court determines 40782
that the offender is indigent. Except as otherwise provided in 40783
division (H)(1) of this section, a mandatory fine or any other 40784
fine imposed for a violation of this section is subject to 40785
division (F) of this section. If a person is charged with a 40786
violation of this section that is a felony of the first, second, 40787
or third degree, posts bail, and forfeits the bail, the clerk of 40788
the court shall pay the forfeited bail pursuant to divisions 40789
(D)(1) and (F) of this section, as if the forfeited bail was a 40790

fine imposed for a violation of this section. If any amount of the 40791
forfeited bail remains after that payment and if a fine is imposed 40792
under division (H)(1) of this section, the clerk of the court 40793
shall pay the remaining amount of the forfeited bail pursuant to 40794
divisions (H)(2) and (3) of this section, as if that remaining 40795
amount was a fine imposed under division (H)(1) of this section. 40796

(2) The court shall suspend the driver's or commercial 40797
driver's license or permit of the offender in accordance with 40798
division (G) of this section. 40799

(3) If the offender is a professionally licensed person, the 40800
court immediately shall comply with section 2925.38 of the Revised 40801
Code. 40802

(E) When a person is charged with the sale of or offer to 40803
sell a bulk amount or a multiple of a bulk amount of a controlled 40804
substance, the jury, or the court trying the accused, shall 40805
determine the amount of the controlled substance involved at the 40806
time of the offense and, if a guilty verdict is returned, shall 40807
return the findings as part of the verdict. In any such case, it 40808
is unnecessary to find and return the exact amount of the 40809
controlled substance involved, and it is sufficient if the finding 40810
and return is to the effect that the amount of the controlled 40811
substance involved is the requisite amount, or that the amount of 40812
the controlled substance involved is less than the requisite 40813
amount. 40814

(F)(1) Notwithstanding any contrary provision of section 40815
3719.21 of the Revised Code and except as provided in division (H) 40816
of this section, the clerk of the court shall pay any mandatory 40817
fine imposed pursuant to division (D)(1) of this section and any 40818
fine other than a mandatory fine that is imposed for a violation 40819
of this section pursuant to division (A) or (B)(5) of section 40820
2929.18 of the Revised Code to the county, township, municipal 40821
corporation, park district, as created pursuant to section 511.18 40822

or 1545.04 of the Revised Code, or state law enforcement agencies 40823
in this state that primarily were responsible for or involved in 40824
making the arrest of, and in prosecuting, the offender. However, 40825
the clerk shall not pay a mandatory fine so imposed to a law 40826
enforcement agency unless the agency has adopted a written 40827
internal control policy under division (F)(2) of this section that 40828
addresses the use of the fine moneys that it receives. Each agency 40829
shall use the mandatory fines so paid to subsidize the agency's 40830
law enforcement efforts that pertain to drug offenses, in 40831
accordance with the written internal control policy adopted by the 40832
recipient agency under division (F)(2) of this section. 40833

(2)~~(a)~~ Prior to receiving any fine moneys under division 40834
(F)(1) of this section or division (B) of section 2925.42 of the 40835
Revised Code, a law enforcement agency shall adopt a written 40836
internal control policy that addresses the agency's use and 40837
disposition of all fine moneys so received and that provides for 40838
the keeping of detailed financial records of the receipts of those 40839
fine moneys, the general types of expenditures made out of those 40840
fine moneys, and the specific amount of each general type of 40841
expenditure. The policy shall not provide for or permit the 40842
identification of any specific expenditure that is made in an 40843
ongoing investigation. All financial records of the receipts of 40844
those fine moneys, the general types of expenditures made out of 40845
those fine moneys, and the specific amount of each general type of 40846
expenditure by an agency are public records open for inspection 40847
under section 149.43 of the Revised Code. Additionally, a written 40848
internal control policy adopted under this division is such a 40849
public record, and the agency that adopted it shall comply with 40850
it. 40851

~~(b) Each law enforcement agency that receives in any calendar 40852
year any fine moneys under division (F)(1) of this section or 40853
division (B) of section 2925.42 of the Revised Code shall prepare 40854~~

~~a report covering the calendar year that cumulates all of the
information contained in all of the public financial records kept
by the agency pursuant to division (F)(2)(a) of this section for
that calendar year, and shall send a copy of the cumulative
report, no later than the first day of March in the calendar year
following the calendar year covered by the report, to the attorney
general. Each report received by the attorney general is a public
record open for inspection under section 149.43 of the Revised
Code. Not later than the fifteenth day of April in the calendar
year in which the reports are received, the attorney general shall
send to the president of the senate and the speaker of the house
of representatives a written notification that does all of the
following:~~

~~(i) Indicates that the attorney general has received from law
enforcement agencies reports of the type described in this
division that cover the previous calendar year and indicates that
the reports were received under this division;~~

~~(ii) Indicates that the reports are open for inspection under
section 149.43 of the Revised Code;~~

~~(iii) Indicates that the attorney general will provide a copy
of any or all of the reports to the president of the senate or the

not less than six months or more than five years the driver's or
commercial driver's license or permit of any person who is 40882
40883
40884
40885

convicted of or pleads guilty to any violation of this section or 40886
any other specified provision of this chapter. If an offender's 40887
driver's or commercial driver's license or permit is suspended 40888
pursuant to this division, the offender, at any time after the 40889
expiration of two years from the day on which the offender's 40890
sentence was imposed or from the day on which the offender finally 40891
was released from a prison term under the sentence, whichever is 40892
later, may file a motion with the sentencing court requesting 40893
termination of the suspension; upon the filing of such a motion 40894
and the court's finding of good cause for the termination, the 40895
court may terminate the suspension. 40896

(H)(1) In addition to any prison term authorized or required 40897
by division (C) of this section and sections 2929.13 and 2929.14 40898
of the Revised Code, in addition to any other penalty or sanction 40899
imposed for the offense under this section or sections 2929.11 to 40900

of this section is not subject to division (F) of this section and 40908
shall be used solely for the support of one or more eligible 40909
~~alcohol and drug~~ community addiction programs services provider in 40910
accordance with divisions (H)(2) and (3) of this section. 40911

this section shall specify in the judgment that imposes the fine 40913
one or more eligible ~~alcohol and drug~~ community addiction programs 40914

used. No ~~alcohol and drug~~ community addiction program services 40916
provider shall receive or use money paid or collected in 40917

satisfaction of a fine imposed under division (H)(1) of this 40918
section unless the ~~program services provider~~ is specified in the 40919
judgment that imposes the fine. No ~~alcohol and drug community~~ 40920
addiction ~~program services provider~~ shall be specified in the 40921
judgment unless the ~~program services provider~~ is an eligible 40922

county that is immediately contiguous to the county in which that 40927
court is located. If no eligible ~~alcohol and drug community~~ 40928
addiction ~~program services provider~~ is located in any of those 40929
counties, the judgment may specify an eligible ~~alcohol and drug~~ 40930
~~community~~ addiction ~~program services provider~~ that is located 40931
anywhere within this state. 40932

(3) Notwithstanding any contrary provision of section 3719.21 40933

shall serve all of the prison terms so imposed prior to serving 41012
the community control sanction. 41013

The duration of all community control sanctions imposed upon 41014

related to the addiction, the court may require that the offender 41104
be assessed by a properly credentialed professional within a 41105
specified period of time and shall require the professional to 41106
file a written assessment of the offender with the court. If a 41107
court imposes treatment and recovery support services as a 41108
community control sanction, the court shall direct the level and 41109
type of treatment and recovery support services after 41110
consideration of the written assessment, if available at the time 41111

of sentencing, and recommendations of the professional and other 41112

by the legislative authority, as defined in section 1901.03 of the 42168
Revised Code, in the case of municipal courts. 42169

Sec. 2945.38. (A) If the issue of a defendant's competence to 42170
stand trial is raised and if the court, upon conducting the 42171
hearing provided for in section 2945.37 of the Revised Code, finds 42172
that the defendant is competent to stand trial, the defendant 42173
shall be proceeded against as provided by law. If the court finds 42174
the defendant competent to stand trial and the defendant is 42175
receiving psychotropic drugs or other medication, the court may 42176
authorize the continued administration of the drugs or medication 42177
or other appropriate treatment in order to maintain the 42178
defendant's competence to stand trial, unless the defendant's 42179

attending physician advises the court against continuation of the 42180
drugs, other medication, or treatment. 42181

(B)(1)(a) If, after taking into consideration all relevant 42182
reports, information, and other evidence, the court finds that the 42183
defendant is incompetent to stand trial and that there is a 42184
substantial probability that the defendant will become competent 42185
to stand trial within one year if the defendant is provided with a 42186
course of treatment, the court shall order the defendant to 42187
undergo treatment. If the defendant has been charged with a felony 42188
offense and if, after taking into consideration all relevant 42189
reports, information, and other evidence, the court finds that the 42190
defendant is incompetent to stand trial, but the court is unable 42191
at that time to determine whether there is a substantial 42192
probability that the defendant will become competent to stand 42193
trial within one year if the defendant is provided with a course 42194
of treatment, the court shall order continuing evaluation and 42195
treatment of the defendant for a period not to exceed four months 42196
to determine whether there is a substantial probability that the 42197
defendant will become competent to stand trial within one year if 42198
the defendant is provided with a course of treatment. 42199

(b) The court order for the defendant to undergo treatment or 42200
continuing evaluation and treatment under division (B)(1)(a) of 42201
this section shall specify that the defendant, if determined to 42202
require mental health treatment or continuing evaluation and 42203
treatment, either shall be committed to the department of ~~mental~~ 42204
~~health~~ mental health and addiction services for treatment or 42205
continuing evaluation and treatment at a hospital, facility, or 42206
agency, as determined to be clinically appropriate by the 42207
department of ~~mental health~~ mental health and addiction services 42208
or shall be committed to a facility certified by the department of 42209
~~mental health~~ mental health and addiction services as being 42210
qualified to treat mental illness, to a public or community mental 42211

health facility, or to a psychiatrist or another mental health professional for treatment or continuing evaluation and treatment. Prior to placing the defendant, the department of ~~mental health~~ mental health and addiction services shall obtain court approval for that placement following a hearing. The court order for the defendant to undergo treatment or continuing evaluation and treatment under division (B)(1)(a) of this section shall specify that the defendant, if determined to require treatment or continuing evaluation and treatment for mental retardation, shall receive treatment or continuing evaluation and treatment at an institution or facility operated by the department of developmental disabilities, at a facility certified by the department of developmental disabilities as being qualified to treat mental retardation, at a public or private mental retardation facility, or by a psychiatrist or another mental retardation professional. In any case, the order may restrict the defendant's freedom of movement as the court considers necessary. The prosecutor in the defendant's case shall send to the chief clinical officer of the hospital, facility, or agency where the defendant is placed by the department of ~~mental health~~ mental health and addiction services, or to the managing officer of the institution, the director of the program or facility, or the person to which the defendant is committed, copies of relevant police reports and other background information that pertains to the defendant and is available to the prosecutor unless the prosecutor determines that the release of any of the information in the police reports or any of the other background information to unauthorized persons would interfere with the effective prosecution of any person or would create a substantial risk of harm to any person.

In determining the place of commitment, the court shall consider the extent to which the person is a danger to the person and to others, the need for security, and the type of crime

involved and shall order the least restrictive alternative 42245
available that is consistent with public safety and treatment 42246
goals. In weighing these factors, the court shall give preference 42247
to protecting public safety. 42248

(c) If the defendant is found incompetent to stand trial, if 42249
the chief clinical officer of the hospital, facility, or agency 42250
where the defendant is placed, or the managing officer of the 42251
institution, the director of the program or facility, or the 42252
person to which the defendant is committed for treatment or 42253
continuing evaluation and treatment under division (B)(1)(b) of 42254
this section determines that medication is necessary to restore 42255
the defendant's competency to stand trial, and if the defendant 42256
lacks the capacity to give informed consent or refuses medication, 42257
the chief clinical officer of the hospital, facility, or agency 42258
where the defendant is placed, or the managing officer of the 42259
institution, the director of the program or facility, or the 42260
person to which the defendant is committed for treatment or 42261
continuing evaluation and treatment may petition the court for 42262
authorization for the involuntary administration of medication. 42263
The court shall hold a hearing on the petition within five days of 42264
the filing of the petition if the petition was filed in a 42265
municipal court or a county court regarding an incompetent 42266
defendant charged with a misdemeanor or within ten days of the 42267
filing of the petition if the petition was filed in a court of 42268
common pleas regarding an incompetent defendant charged with a 42269
felony offense. Following the hearing, the court may authorize the 42270
involuntary administration of medication or may dismiss the 42271
petition. 42272

(2) If the court finds that the defendant is incompetent to 42273
stand trial and that, even if the defendant is provided with a 42274
course of treatment, there is not a substantial probability that 42275
the defendant will become competent to stand trial within one 42276

year, the court shall order the discharge of the defendant, unless 42277
upon motion of the prosecutor or on its own motion, the court 42278
either seeks to retain jurisdiction over the defendant pursuant to 42279
section 2945.39 of the Revised Code or files an affidavit in the 42280
probate court for the civil commitment of the defendant pursuant 42281
to Chapter 5122. or 5123. of the Revised Code alleging that the 42282
defendant is a mentally ill person subject to hospitalization by 42283
court order or a mentally retarded person subject to 42284
institutionalization by court order. If an affidavit is filed in 42285
the probate court, the trial court shall send to the probate court 42286
copies of all written reports of the defendant's mental condition 42287
that were prepared pursuant to section 2945.371 of the Revised 42288
Code. 42289

The trial court may issue the temporary order of detention 42290
that a probate court may issue under section 5122.11 or 5123.71 of 42291
the Revised Code, to remain in effect until the probable cause or 42292
initial hearing in the probate court. Further proceedings in the 42293
probate court are civil proceedings governed by Chapter 5122. or 42294
5123. of the Revised Code. 42295

(C) No defendant shall be required to undergo treatment, 42296
including any continuing evaluation and treatment, under division 42297
(B)(1) of this section for longer than whichever of the following 42298
periods is applicable: 42299

(1) One year, if the most serious offense with which the 42300
defendant is charged is one of the following offenses: 42301

(a) Aggravated murder, murder, or an offense of violence for 42302
which a sentence of death or life imprisonment may be imposed; 42303

(b) An offense of violence that is a felony of the first or 42304

(c) A conspiracy to commit, an attempt to commit, or 42306
complicity in the commission of an offense described in division 42307

(C)(1)(a) or (b) of this section if the conspiracy, attempt, or complicity is a felony of the first or second degree. 42308
42309

(2) Six months, if the most serious offense with which the defendant is charged is a felony other than a felony described in division (C)(1) of this section; 42310
42311

(3) Sixty days, if the most serious offense with which the defendant is charged is a misdemeanor of the first or second degree; 42313
42314

(4) Thirty days, if the most serious offense with which the defendant is charged is a misdemeanor of the third or fourth degree, a minor misdemeanor, or an unclassified misdemeanor. 42316
42317
42318

(D) Any defendant who is committed pursuant to this section shall not voluntarily admit the defendant or be voluntarily admitted to a hospital or institution pursuant to section 5122.02, 5122.15, 5123.69, or 5123.76 of the Revised Code. 42319
42320
42321
42322

(E) Except as otherwise provided in this division, a defendant who is charged with an offense and is committed by the court under this section to the department of ~~mental health~~ mental health and addiction services or is committed to an institution or facility for the treatment of mental retardation shall not be granted unsupervised on-grounds movement, supervised off-grounds movement, or nonsecured status except in accordance with the court order. The court may grant a defendant supervised off-grounds movement to obtain medical treatment or specialized habilitation treatment services if the person who supervises the treatment or the continuing evaluation and treatment of the defendant ordered under division (B)(1)(a) of this section informs the court that the treatment or continuing evaluation and treatment cannot be provided at the hospital or facility where the defendant is placed by the department of ~~mental health~~ mental health and addiction services or the institution or facility to which the defendant is 42323
42324
42325
42326

42338

committed. The chief clinical officer of the hospital or facility 42339
where the defendant is placed by the department of ~~mental health~~ 42340
mental health and addiction services or the managing officer of 42341
the institution or director of the facility to which the defendant 42342
is committed, or a designee of any of those persons, may grant a 42343
defendant movement to a medical facility for an emergency medical 42344
situation with appropriate supervision to ensure the safety of the 42345
defendant, staff, and community during that emergency medical 42346
situation. The chief clinical officer of the hospital or facility 42347
where the defendant is placed by the department of ~~mental health~~ 42348
mental health and addiction services or the managing officer of 42349
the institution or director of the facility to which the defendant 42350
is committed shall notify the court within twenty-four hours of 42351
the defendant's movement to the medical facility for an emergency 42352
medical situation under this division. 42353

(F) The person who supervises the treatment or continuing 42354
evaluation and treatment of a defendant ordered to undergo 42355
treatment or continuing evaluation and treatment under division 42356
(B)(1)(a) of this section shall file a written report with the 42357
court at the following times: 42358

(1) Whenever the person believes the defendant is capable of 42359
understanding the nature and objective of the proceedings against 42360
the defendant and of assisting in the defendant's defense; 42361

(2) For a felony offense, fourteen days before expiration of 42362
the maximum time for treatment as specified in division (C) of 42363
this section and fourteen days before the expiration of the 42364
maximum time for continuing evaluation and treatment as specified 42365
in division (B)(1)(a) of this section, and, for a misdemeanor 42366
offense, ten days before the expiration of the maximum time for 42367
treatment, as specified in division (C) of this section; 42368

(3) At a minimum, after each six months of treatment; 42369

(4) Whenever the person who supervises the treatment or 42370
continuing evaluation and treatment of a defendant ordered under 42371
division (B)(1)(a) of this section believes that there is not a 42372
substantial probability that the defendant will become capable of 42373
understanding the nature and objective of the proceedings against 42374
the defendant or of assisting in the defendant's defense even if 42375
the defendant is provided with a course of treatment. 42376

(G) A report under division (F) of this section shall contain 42377
the examiner's findings, the facts in reasonable detail on which 42378
the findings are based, and the examiner's opinion as to the 42379
defendant's capability of understanding the nature and objective 42380
of the proceedings against the defendant and of assisting in the 42381
defendant's defense. If, in the examiner's opinion, the defendant 42382
remains incapable of understanding the nature and objective of the 42383
proceedings against the defendant and of assisting in the 42384
defendant's defense and there is a substantial probability that 42385
the defendant will become capable of understanding the nature and 42386
objective of the proceedings against the defendant and of 42387
assisting in the defendant's defense if the defendant is provided 42388
with a course of treatment, if in the examiner's opinion the 42389
defendant remains mentally ill or mentally retarded, and if the 42390
maximum time for treatment as specified in division (C) of this 42391
section has not expired, the report also shall contain the 42392
examiner's recommendation as to the least restrictive placement or 42393
commitment alternative that is consistent with the defendant's 42394
treatment needs for restoration to competency and with the safety 42395
of the community. The court shall provide copies of the report to 42396
the prosecutor and defense counsel. 42397

(H) If a defendant is committed pursuant to division (B)(1) 42398
of this section, within ten days after the treating physician of 42399
the defendant or the examiner of the defendant who is employed or 42400
retained by the treating facility advises that there is not a 42401

substantial probability that the defendant will become capable of 42402
understanding the nature and objective of the proceedings against 42403
the defendant or of assisting in the defendant's defense even if 42404
the defendant is provided with a course of treatment, within ten 42405
days after the expiration of the maximum time for treatment as 42406
specified in division (C) of this section, within ten days after 42407
the expiration of the maximum time for continuing evaluation and 42408
treatment as specified in division (B)(1)(a) of this section, 42409
within thirty days after a defendant's request for a hearing that 42410
is made after six months of treatment, or within thirty days after 42411
being advised by the treating physician or examiner that the 42412
defendant is competent to stand trial, whichever is the earliest, 42413
the court shall conduct another hearing to determine if the 42414
defendant is competent to stand trial and shall do whichever of 42415
the following is applicable: 42416

(1) If the court finds that the defendant is competent to 42417
stand trial, the defendant shall be proceeded against as provided 42418
by law. 42419

(2) If the court finds that the defendant is incompetent to 42420
stand trial, but that there is a substantial probability that the 42421
defendant will become competent to stand trial if the defendant is 42422
provided with a course of treatment, and the maximum time for 42423
treatment as specified in division (C) of this section has not 42424
expired, the court, after consideration of the examiner's 42425
recommendation, shall order that treatment be continued, may 42426
change the facility or program at which the treatment is to be 42427
continued, and shall specify whether the treatment is to be 42428
continued at the same or a different facility or program. 42429

(3) If the court finds that the defendant is incompetent to 42430
stand trial, if the defendant is charged with an offense listed in 42431
division (C)(1) of this section, and if the court finds that there 42432
is not a substantial probability that the defendant will become 42433

competent to stand trial even if the defendant is provided with a 42434
course of treatment, or if the maximum time for treatment relative 42435
to that offense as specified in division (C) of this section has 42436
expired, further proceedings shall be as provided in sections 42437
2945.39, 2945.401, and 2945.402 of the Revised Code. 42438

(4) If the court finds that the defendant is incompetent to 42439
stand trial, if the most serious offense with which the defendant 42440
is charged is a misdemeanor or a felony other than a felony listed 42441
in division (C)(1) of this section, and if the court finds that 42442
there is not a substantial probability that the defendant will 42443
become competent to stand trial even if the defendant is provided 42444
with a course of treatment, or if the maximum time for treatment 42445
relative to that offense as specified in division (C) of this 42446
section has expired, the court shall dismiss the indictment, 42447
information, or complaint against the defendant. A dismissal under 42448
this division is not a bar to further prosecution based on the 42449
same conduct. The court shall discharge the defendant unless the 42450
court or prosecutor files an affidavit in probate court for civil 42451
commitment pursuant to Chapter 5122. or 5123. of the Revised Code. 42452
If an affidavit for civil commitment is filed, the court may 42453
detain the defendant for ten days pending civil commitment. All of 42454
the following provisions apply to persons charged with a 42455
misdemeanor or a felony other than a felony listed in division 42456
(C)(1) of this section who are committed by the probate court 42457
subsequent to the court's or prosecutor's filing of an affidavit 42458
for civil commitment under authority of this division: 42459

(a) The chief clinical officer of the entity, hospital, or 42460
facility, the managing officer of the institution, the director of 42461
the program, or the person to which the defendant is committed or 42462
admitted shall do all of the following: 42463

(i) Notify the prosecutor, in writing, of the discharge of 42464
the defendant, send the notice at least ten days prior to the 42465

discharge unless the discharge is by the probate court, and state 42466
in the notice the date on which the defendant will be discharged; 42467

(ii) Notify the prosecutor, in writing, when the defendant is 42468
absent without leave or is granted unsupervised, off-grounds 42469
movement, and send this notice promptly after the discovery of the 42470
absence without leave or prior to the granting of the 42471
unsupervised, off-grounds movement, whichever is applicable; 42472

(iii) Notify the prosecutor, in writing, of the change of the 42473
defendant's commitment or admission to voluntary status, send the 42474
notice promptly upon learning of the change to voluntary status, 42475
and state in the notice the date on which the defendant was 42476
committed or admitted on a voluntary status. 42477

(b) Upon receiving notice that the defendant will be granted 42478
unsupervised, off-grounds movement, the prosecutor either shall 42479
re-indict the defendant or promptly notify the court that the 42480
prosecutor does not intend to prosecute the charges against the 42481
defendant. 42482

(I) If a defendant is convicted of a crime and sentenced to a 42483
jail or workhouse, the defendant's sentence shall be reduced by 42484
the total number of days the defendant is confined for evaluation 42485
to determine the defendant's competence to stand trial or 42486
treatment under this section and sections 2945.37 and 2945.371 of 42487
the Revised Code or by the total number of days the defendant is 42488
confined for evaluation to determine the defendant's mental 42489
condition at the time of the offense charged. 42490

Sec. 2945.39. (A) If a defendant who is charged with an 42491
offense described in division (C)(1) of section 2945.38 of the 42492
Revised Code is found incompetent to stand trial, after the 42493
expiration of the maximum time for treatment as specified in 42494
division (C) of that section or after the court finds that there 42495
is not a substantial probability that the defendant will become 42496

competent to stand trial even if the defendant is provided with a course of treatment, one of the following applies:

(1) The court or the prosecutor may file an affidavit in probate court for civil commitment of the defendant in the manner provided in Chapter 5122. or 5123. of the Revised Code. If the court or prosecutor files an affidavit for civil commitment, the court may detain the defendant for ten days pending civil commitment. If the probate court commits the defendant subsequent to the court's or prosecutor's filing of an affidavit for civil commitment, the chief clinical officer of the entity, hospital, or facility, the managing officer of the institution, the director of the program, or the person to which the defendant is committed or admitted shall send to the prosecutor the notices described in divisions (H)(4)(a)(i) to (iii) of section 2945.38 of the Revised Code within the periods of time and under the circumstances specified in those divisions.

(2) On the motion of the prosecutor or on its own motion, the court may retain jurisdiction over the defendant if, at a hearing, the court finds both of the following by clear and convincing evidence:

(a) The defendant committed the offense with which the defendant is charged.

(b) The defendant is a mentally ill person subject to hospitalization by court order or a mentally retarded person subject to institutionalization by court order.

(B) In making its determination under division (A)(2) of this section as to whether to retain jurisdiction over the defendant, the court may consider all relevant evidence, including, but not limited to, any relevant psychiatric, psychological, or medical testimony or reports, the acts constituting the offense charged, and any history of the defendant that is relevant to the

defendant's ability to conform to the law. 42528

(C) If the court conducts a hearing as described in division 42529
(A)(2) of this section and if the court does not make both 42530
findings described in divisions (A)(2)(a) and (b) of this section 42531
by clear and convincing evidence, the court shall dismiss the 42532
indictment, information, or complaint against the defendant. Upon 42533
the dismissal, the court shall discharge the defendant unless the 42534
court or prosecutor files an affidavit in probate court for civil 42535
commitment of the defendant pursuant to Chapter 5122. or 5123. of 42536
the Revised Code. If the court or prosecutor files an affidavit 42537
for civil commitment, the court may order that the defendant be 42538
detained for up to ten days pending the civil commitment. If the 42539
probate court commits the defendant subsequent to the court's or 42540
prosecutor's filing of an affidavit for civil commitment, the 42541
chief clinical officer of the entity, hospital, or facility, the 42542
managing officer of the institution, the director of the program, 42543
or the person to which the defendant is committed or admitted 42544
shall send to the prosecutor the notices described in divisions 42545
(H)(4)(a)(i) to (iii) of section 2945.38 of the Revised Code 42546
within the periods of time and under the circumstances specified 42547
in those divisions. A dismissal of charges under this division is 42548
not a bar to further criminal proceedings based on the same 42549
conduct. 42550

(D)(1) If the court conducts a hearing as described in 42551
division (A)(2) of this section and if the court makes the 42552
findings described in divisions (A)(2)(a) and (b) of this section 42553
by clear and convincing evidence, the court shall commit the 42554
defendant, if determined to require mental health treatment, 42555
either to the department of ~~mental health~~ mental health and 42556
addiction services for treatment at a hospital, facility, or 42557
agency as determined clinically appropriate by the department of 42558
~~mental health~~ mental health and addiction services or to another 42559

medical or psychiatric facility, as appropriate. Prior to placing 42560
the defendant, the department of ~~mental health~~ mental health and 42561
addiction services shall obtain court approval for that placement. 42562
If the court conducts such a hearing and if it makes those 42563
findings by clear and convincing evidence, the court shall commit 42564
the defendant, if determined to require treatment for mental 42565
retardation, to a facility operated by the department of 42566
developmental disabilities, or another facility, as appropriate. 42567
In determining the place of commitment, the court shall consider 42568
the extent to which the person is a danger to the person and to 42569
others, the need for security, and the type of crime involved and 42570
shall order the least restrictive alternative available that is 42571
consistent with public safety and the welfare of the defendant. In 42572
weighing these factors, the court shall give preference to 42573
protecting public safety. 42574

(2) If a court makes a commitment of a defendant under 42575
division (D)(1) of this section, the prosecutor shall send to the 42576
hospital, facility, or agency where the defendant is placed by the 42577
department of ~~mental health~~ mental health and addiction services 42578
or to the defendant's place of commitment all reports of the 42579
defendant's current mental condition and, except as otherwise 42580
provided in this division, any other relevant information, 42581
including, but not limited to, a transcript of the hearing held 42582
pursuant to division (A)(2) of this section, copies of relevant 42583
police reports, and copies of any prior arrest and conviction 42584
records that pertain to the defendant and that the prosecutor 42585
possesses. The prosecutor shall send the reports of the 42586
defendant's current mental condition in every case of commitment, 42587
and, unless the prosecutor determines that the release of any of 42588
the other relevant information to unauthorized persons would 42589
interfere with the effective prosecution of any person or would 42590
create a substantial risk of harm to any person, the prosecutor 42591
also shall send the other relevant information. Upon admission of 42592

a defendant committed under division (D)(1) of this section, the 42593
place of commitment shall send to the board of alcohol, drug 42594
addiction, and mental health services or the community mental 42595
health board serving the county in which the charges against the 42596
defendant were filed a copy of all reports of the defendant's 42597
current mental condition and a copy of the other relevant 42598
information provided by the prosecutor under this division, 42599
including, if provided, a transcript of the hearing held pursuant 42600
to division (A)(2) of this section, the relevant police reports, 42601
and the prior arrest and conviction records that pertain to the 42602
defendant and that the prosecutor possesses. 42603

(3) If a court makes a commitment under division (D)(1) of 42604
this section, all further proceedings shall be in accordance with 42605
sections 2945.401 and 2945.402 of the Revised Code. 42606

Sec. 2945.40. (A) If a person is found not guilty by reason 42607
of insanity, the verdict shall state that finding, and the trial 42608
court shall conduct a full hearing to determine whether the person 42609
is a mentally ill person subject to hospitalization by court order 42610
or a mentally retarded person subject to institutionalization by 42611
court order. Prior to the hearing, if the trial judge believes 42612
that there is probable cause that the person found not guilty by 42613
reason of insanity is a mentally ill person subject to 42614
hospitalization by court order or mentally retarded person subject 42615
to institutionalization by court order, the trial judge may issue 42616
a temporary order of detention for that person to remain in effect 42617
for ten court days or until the hearing, whichever occurs first. 42618

Any person detained pursuant to a temporary order of 42619

facility, taking into consideration the place and type of 42621
confinement prior to and during trial. 42622

(B) The court shall hold the hearing under division (A) of 42623

this section to determine whether the person found not guilty by 42624
reason of insanity is a mentally ill person subject to 42625
hospitalization by court order or a mentally retarded person 42626
subject to institutionalization by court order within ten court 42627
days after the finding of not guilty by reason of insanity. 42628
Failure to conduct the hearing within the ten-day period shall 42629
cause the immediate discharge of the respondent, unless the judge 42630
grants a continuance for not longer than ten court days for good 42631
cause shown or for any period of time upon motion of the 42632
respondent. 42633

(C) If a person is found not guilty by reason of insanity, 42634
the person has the right to attend all hearings conducted pursuant 42635
to sections 2945.37 to 2945.402 of the Revised Code. At any 42636
hearing conducted pursuant to one of those sections, the court 42637
shall inform the person that the person has all of the following 42638
rights: 42639

(1) The right to be represented by counsel and to have that 42640
counsel provided at public expense if the person is indigent, with 42641
the counsel to be appointed by the court under Chapter 120. of the 42642
Revised Code or under the authority recognized in division (C) of 42643
section 120.06, division (E) of section 120.16, division (E) of 42644
section 120.26, or section 2941.51 of the Revised Code; 42645

(2) The right to have independent expert evaluation and to 42646
have that independent expert evaluation provided at public expense 42647
if the person is indigent; 42648

(3) The right to subpoena witnesses and documents, to present 42649
evidence on the person's behalf, and to cross-examine witnesses 42650
against the person; 42651

(4) The right to testify in the person's own behalf and to 42652
not be compelled to testify; 42653

(5) The right to have copies of any relevant medical or 42654

mental health document in the custody of the state or of any place 42655
of commitment other than a document for which the court finds that 42656
the release to the person of information contained in the document 42657
would create a substantial risk of harm to any person. 42658

(D) The hearing under division (A) of this section shall be 42659
open to the public, and the court shall conduct the hearing in 42660
accordance with the Rules of Civil Procedure. The court shall make 42661
and maintain a full transcript and record of the hearing 42662
proceedings. The court may consider all relevant evidence, 42663
including, but not limited to, any relevant psychiatric, 42664
psychological, or medical testimony or reports, the acts 42665
constituting the offense in relation to which the person was found 42666
not guilty by reason of insanity, and any history of the person 42667
that is relevant to the person's ability to conform to the law. 42668

(E) Upon completion of the hearing under division (A) of this 42669
section, if the court finds there is not clear and convincing 42670
evidence that the person is a mentally ill person subject to 42671
hospitalization by court order or a mentally retarded person 42672
subject to institutionalization by court order, the court shall 42673
discharge the person, unless a detainer has been placed upon the 42674
person by the department of rehabilitation and correction, in 42675
which case the person shall be returned to that department. 42676

(F) If, at the hearing under division (A) of this section, 42677
the court finds by clear and convincing evidence that the person 42678
is a mentally ill person subject to hospitalization by court 42679
order, the court shall commit the person either to the department 42680
of ~~mental health~~ mental health and addiction services for 42681
treatment in a hospital, facility, or agency as determined 42682
clinically appropriate by the department of ~~mental health~~ mental 42683
health and addiction services or to another medical or psychiatric 42684
facility, as appropriate. Prior to placing the defendant, the 42685
department of ~~mental health~~ mental health and addiction services 42686

shall obtain court approval for that placement. If, at the hearing 42687
under division (A) of this section, the court determines by clear 42688
and convincing evidence that the person requires treatment for 42689
mental retardation, it shall commit the person to a facility 42690
operated by the department of developmental disabilities or 42691
another facility, as appropriate. Further proceedings shall be in 42692
accordance with sections 2945.401 and 2945.402 of the Revised 42693
Code. In determining the place of commitment, the court shall 42694
consider the extent to which the person is a danger to the person 42695
and to others, the need for security, and the type of crime 42696
involved and shall order the least restrictive alternative 42697
available that is consistent with public safety and the welfare of 42698
the person. In weighing these factors, the court shall give 42699
preference to protecting public safety. 42700

(G) If a court makes a commitment of a person under division 42701
(F) of this section, the prosecutor shall send to the hospital, 42702
facility, or agency where the person is placed by the department 42703
of ~~mental health~~ mental health and addiction services or to the 42704

current mental condition, and, except as otherwise provided in 42706
this division, any other relevant information, including, but not 42707
limited to, a transcript of the hearing held pursuant to division 42708
(A) of this section, copies of relevant police reports, and copies 42709
of any prior arrest and conviction records that pertain to the 42710
person and that the prosecutor possesses. The prosecutor shall 42711
send the reports of the person's current mental condition in every 42712
case of commitment, and, unless the prosecutor determines that the 42713
release of any of the other relevant information to unauthorized 42714
persons would interfere with the effective prosecution of any 42715
person or would create a substantial risk of harm to any person, 42716
the prosecutor also shall send the other relevant information. 42717
Upon admission of a person committed under division (F) of this 42718
section, the place of commitment shall send to the board of 42719

alcohol, drug addiction, and mental health services or the 42720
community mental health board serving the county in which the 42721
charges against the person were filed a copy of all reports of the 42722
person's current mental condition and a copy of the other relevant 42723

including, if provided, a transcript of the hearing held pursuant 42725
to division (A) of this section, the relevant police reports, and 42726

remain subject to the jurisdiction of the trial court pursuant to 42737
that commitment, and to the provisions of this section, until the 42738
final termination of the commitment as described in division 42739
(J)(1) of this section. If the jurisdiction is terminated under 42740
this division because of the final termination of the commitment 42741
resulting from the expiration of the maximum prison term or term 42742
of imprisonment described in division (J)(1)(b) of this section, 42743
the court or prosecutor may file an affidavit for the civil 42744
commitment of the defendant or person pursuant to Chapter 5122. or 42745

All other provisions of Chapters 5122. and 5123. of the Revised 42754
Code regarding hospitalization or institutionalization shall apply 42755
to the extent they are not in conflict with this chapter. A 42756
commitment under section 2945.39 or 2945.40 of the Revised Code 42757
shall not be terminated and the conditions of the commitment shall 42758
not be changed except as otherwise provided in division (D)(2) of 42759

in the conditions of confinement, and the trial court shall 42783

conduct a hearing on that request if six months or more have 42784
elapsed since the most recent hearing was conducted under this 42785
section. 42786

(D)(1) Except as otherwise provided in division (D)(2) of 42787
this section, when a defendant or person has been committed under 42788

termination of the defendant's or person's commitment or a change 42795
in the conditions of the defendant's or person's commitment. 42796

Except as otherwise provided in division (D)(2) of this 42797

unsupervised movement or off-grounds supervised movement, the 42804
department's designee shall file with the trial court an 42805

accordingly. 42827

(b) If the department's designee recommends termination of 42828
the defendant's or person's commitment at any time or if the 42829
department's designee recommends the first of any nonsecured 42830

shall send written notice of this recommendation to the trial 42832
court and to the local forensic center. The local forensic center 42833
shall evaluate the committed defendant or person and, within 42834
thirty days after its receipt of the written notice, shall submit 42835

department's designee proceeds with, or modifies and proceeds 42849
with, the recommendation, the department's designee shall proceed 42850

defendant or person shall report for a medication compliance 42870
check. The medication compliance checks shall be based upon the 42871
effective duration of the prescribed medication, taking into 42872
account the route by which it is taken, and shall be scheduled at 42873
intervals sufficiently close together to detect a potential 42874
increase in mental illness symptoms that the medication is 42875
intended to prevent. 42876

The department's designee, after consultation with the board 42877
of alcohol, drug addiction, and mental health services or the 42878
community mental health board serving the area, shall send the 42879

recommendation and plan developed under division (D)(1)(b)(iii) of 42880
this section, in writing, to the trial court, the prosecutor, and 42881
the counsel for the committed defendant or person. The trial court 42882

nonsecured status or termination of commitment, the prosecutor may 42888
obtain an independent expert evaluation of the defendant's or 42889
person's mental condition, and the trial court may continue the 42890
hearing on the recommendation for a period of not more than thirty 42891
days to permit time for the evaluation. 42892

The prosecutor may introduce the evaluation report or present 42893
other evidence at the hearing in accordance with the Rules of 42894
Evidence. 42895

(d) The trial court shall schedule the hearing on a 42896

termination of commitment and shall give reasonable notice to the 42898
prosecutor and the counsel for the defendant or person. Unless 42899
continued for independent evaluation at the prosecutor's request 42900
or for other good cause, the hearing shall be held within thirty 42901
days after the trial court's receipt of the recommendation and 42902

(2)(a) Division (D)(1) of this section does not apply to 42904
on-grounds unsupervised movement of a defendant or person who has 42905
been committed under section 2945.39 or 2945.40 of the Revised 42906
Code, who is a mentally retarded person subject to 42907
institutionalization by court order, and who is being provided 42908
residential habilitation, care, and treatment in a facility 42909
operated by the department of developmental disabilities. 42910

(b) If, pursuant to section 2945.39 of the Revised Code, the trial court commits a defendant who is found incompetent to stand trial and who is a mentally retarded person subject to institutionalization by court order, if the defendant is being provided residential habilitation, care, and treatment in a facility operated by the department of developmental disabilities, if an individual who is conducting a survey for the department of health to determine the facility's compliance with the certification requirements of the medicaid program ~~under Chapter 5111. of the Revised Code and Title XIX of the "Social Security Act," 49 Stat. 620 (1935), 42 U.S.C.A. 301, as amended,~~ cites the defendant's receipt of the residential habilitation, care, and treatment in the facility as being inappropriate under the certification requirements, if the defendant's receipt of the residential habilitation, care, and treatment in the facility potentially jeopardizes the facility's continued receipt of federal medicaid moneys, and if as a result of the citation the chief clinical officer of the facility determines that the conditions of the defendant's commitment should be changed, the department of developmental disabilities may cause the defendant to be removed from the particular facility and, after evaluating the risks to public safety and the welfare of the defendant and after determining whether another type of placement is consistent with the certification requirements, may place the defendant in another facility that the department selects as an appropriate facility for the defendant's continued receipt of residential habilitation, care, and treatment and that is a no less secure setting than the facility in which the defendant had been placed at the time of the citation. Within three days after the defendant's removal and alternative placement under the circumstances described in division (D)(2)(b) of this section, the department of developmental disabilities shall notify the trial court and the prosecutor in writing of the removal and alternative

placement. 42944

The trial court shall set a date for a hearing on the removal 42945
and alternative placement, and the hearing shall be held within 42946
twenty-one days after the trial court's receipt of the notice from 42947
the department of developmental disabilities. At least ten days 42948
before the hearing is held, the trial court shall give the 42949
prosecutor, the department of developmental disabilities, and the 42950
counsel for the defendant written notice of the date, time, and 42951
place of the hearing. At the hearing, the trial court shall 42952
consider the citation issued by the individual who conducted the 42953
survey for the department of health to be prima-facie evidence of 42954
the fact that the defendant's commitment to the particular 42955
facility was inappropriate under the certification requirements of 42956
the medicaid program ~~under Chapter 5111. of the Revised Code and~~ 42957
~~Title XIX of the "Social Security Act," 49 Stat. 620 (1935), 42~~ 42958

particular facility's continued receipt of federal medicaid 42960
moneys. At the conclusion of the hearing, the trial court may 42961
approve or disapprove the defendant's removal and alternative 42962
placement. If the trial court approves the defendant's removal and 42963
alternative placement, the department of developmental 42964
disabilities may continue the defendant's alternative placement. 42965
If the trial court disapproves the defendant's removal and 42966
alternative placement, it shall enter an order modifying the 42967
defendant's removal and alternative placement, but that order 42968
shall not require the department of developmental disabilities to 42969
replace the defendant for purposes of continued residential 42970
habilitation, care, and treatment in the facility associated with 42971
the citation issued by the individual who conducted the survey for 42972
the department of health. 42973

42980

(2) Psychiatric and medical testimony as to the current mental and physical condition of the defendant or person; 42981
42982

42984
42985

(4) The grounds upon which the state relies for the proposed commitment; 42987
42988

(5) Any past history that is relevant to establish the defendant's or person's degree of conformity to the laws, rules, regulations, and values of society; 42989
42990
42991

(6) If there is evidence that the defendant's or person's mental illness is in a state of remission, the medically suggested cause and degree of the remission and the probability that the defendant or person will continue treatment to maintain the remissive state of the defendant's or person's illness should the defendant's or person's commitment conditions be altered. 42992
42993
42994
42995
42996
42997

(F) At any hearing held pursuant to division (C) or (D)(1) or (2) of this section, the defendant or the person shall have all the rights of a defendant or person at a commitment hearing as described in section 2945.40 of the Revised Code. 42998

(J)(1) A defendant or person who has been committed pursuant to section 2945.39 or 2945.40 of the Revised Code continues to be under the jurisdiction of the trial court until the final termination of the commitment. For purposes of division (J) of this section, the final termination of a commitment occurs upon the earlier of one of the following:

(a) The defendant or person no longer is a mentally ill person subject to hospitalization by court order or a mentally retarded person subject to institutionalization by court order, as determined by the trial court;

(b) The expiration of the maximum prison term or term of imprisonment that the defendant or person could have received if the defendant or person had been convicted of the most serious offense with which the defendant or person is charged or in

relation to which the defendant or person was found not guilty by 43037
reason of insanity; 43038

(c) The trial court enters an order terminating the 43039
commitment under the circumstances described in division 43040
(J)(2)(a)(ii) of this section. 43041

(2)(a) If a defendant is found incompetent to stand trial and 43042
committed pursuant to section 2945.39 of the Revised Code, if 43043
neither of the circumstances described in divisions (J)(1)(a) and 43044
(b) of this section applies to that defendant, and if a report 43045
filed with the trial court pursuant to division (C) of this 43046
section indicates that the defendant presently is competent to 43047
stand trial or if, at any other time during the period of the 43048
defendant's commitment, the prosecutor, the counsel for the 43049
defendant, or the designee of the department of ~~mental health~~ 43050
mental health and addiction services or the managing officer of 43051
the institution or director of the facility or program to which 43052
the defendant is committed files an application with the trial 43053
court alleging that the defendant presently is competent to stand 43054
trial and requesting a hearing on the competency issue or the 43055
trial court otherwise has reasonable cause to believe that the 43056
defendant presently is competent to stand trial and determines on 43057
its own motion to hold a hearing on the competency issue, the 43058
trial court shall schedule a hearing on the competency of the 43059
defendant to stand trial, shall give the prosecutor, the counsel 43060
for the defendant, and the department's designee or the managing 43061
officer of the institution or the director of the facility to 43062
which the defendant is committed notice of the date, time, and 43063
place of the hearing at least fifteen days before the hearing, and 43064
shall conduct the hearing within thirty days of the filing of the 43065
application or of its own motion. If, at the conclusion of the 43066
hearing, the trial court determines that the defendant presently 43067
is capable of understanding the nature and objective of the 43068

proceedings against the defendant and of assisting in the 43069
defendant's defense, the trial court shall order that the 43070
defendant is competent to stand trial and shall be proceeded 43071
against as provided by law with respect to the applicable offenses 43072
described in division (C)(1) of section 2945.38 of the Revised 43073
Code and shall enter whichever of the following additional orders 43074
is appropriate: 43075

(i) If the trial court determines that the defendant remains 43076
a mentally ill person subject to hospitalization by court order or 43077
a mentally retarded person subject to institutionalization by 43078
court order, the trial court shall order that the defendant's 43079
commitment to the department of ~~mental health~~ mental health and 43080
addiction services or to an institution, facility, or program for 43081
the treatment of mental retardation be continued during the 43082
pendency of the trial on the applicable offenses described in 43083
division (C)(1) of section 2945.38 of the Revised Code. 43084

(ii) If the trial court determines that the defendant no 43085
longer is a mentally ill person subject to hospitalization by 43086
court order or a mentally retarded person subject to 43087
institutionalization by court order, the trial court shall order 43088
that the defendant's commitment to the department of ~~mental health~~ 43089
mental health and addiction services or to an institution, 43090
facility, or program for the treatment of mental retardation shall 43091
not be continued during the pendency of the trial on the 43092
applicable offenses described in division (C)(1) of section 43093
2945.38 of the Revised Code. This order shall be a final 43094
termination of the commitment for purposes of division (J)(1)(c) 43095
of this section. 43096

(b) If, at the conclusion of the hearing described in 43097
division (J)(2)(a) of this section, the trial court determines 43098
that the defendant remains incapable of understanding the nature 43099
and objective of the proceedings against the defendant or of 43100

assisting in the defendant's defense, the trial court shall order 43101
that the defendant continues to be incompetent to stand trial, 43102
that the defendant's commitment to the department of ~~mental health~~ 43103
mental health and addiction services or to an institution, 43104
facility, or program for the treatment of mental retardation shall 43105
be continued, and that the defendant remains subject to the 43106
jurisdiction of the trial court pursuant to that commitment, and 43107
to the provisions of this section, until the final termination of 43108
the commitment as described in division (J)(1) of this section. 43109

Sec. 2951.041. (A)(1) If an offender is charged with a 43110
criminal offense, including but not limited to a violation of 43111
section 2913.02, 2913.03, 2913.11, 2913.21, 2913.31, or 2919.21 of 43112
the Revised Code, and the court has reason to believe that drug or 43113
alcohol usage by the offender was a factor leading to the criminal 43114
offense with which the offender is charged or that, at the time of 43115
committing that offense, the offender had a mental illness or was 43116
a person with intellectual disability and that the mental illness 43117
or status as a person with intellectual disability was a factor 43118
leading to the offender's criminal behavior, the court may accept, 43119
prior to the entry of a guilty plea, the offender's request for 43120
intervention in lieu of conviction. The request shall include a 43121
statement from the offender as to whether the offender is alleging 43122
that drug or alcohol usage by the offender was a factor leading to 43123
the criminal offense with which the offender is charged or is 43124
alleging that, at the time of committing that offense, the 43125
offender had a mental illness or was a person with intellectual 43126
disability and that the mental illness or status as a person with 43127
intellectual disability was a factor leading to the criminal 43128
offense with which the offender is charged. The request also shall 43129
include a waiver of the defendant's right to a speedy trial, the 43130
preliminary hearing, the time period within which the grand jury 43131
may consider an indictment against the offender, and arraignment, 43132

unless the hearing, indictment, or arraignment has already 43133
occurred. The court may reject an offender's request without a 43134
hearing. If the court elects to consider an offender's request, 43135
the court shall conduct a hearing to determine whether the 43136
offender is eligible under this section for intervention in lieu 43137
of conviction and shall stay all criminal proceedings pending the 43138
outcome of the hearing. If the court schedules a hearing, the 43139
court shall order an assessment of the offender for the purpose of 43140
determining the offender's eligibility for intervention in lieu of 43141
conviction and recommending an appropriate intervention plan. 43142

If the offender alleges that drug or alcohol usage by the 43143
offender was a factor leading to the criminal offense with which 43144
the offender is charged, the court may order that the offender be 43145
assessed by ~~a program~~ an addiction services provider certified 43146
pursuant to section ~~3793.06~~ 5119.36 of the Revised Code or a 43147
properly credentialed professional for the purpose of determining 43148
the offender's eligibility for intervention in lieu of conviction 43149
and recommending an appropriate intervention plan. The ~~program~~ 43150
addiction services provider or the properly credentialed 43151
professional shall provide a written assessment of the offender to 43152
the court. 43153

(2) The victim notification provisions of division (C) of 43154
section 2930.08 of the Revised Code apply in relation to any 43155
hearing held under division (A)(1) of this section. 43156

(B) An offender is eligible for intervention in lieu of 43157
conviction if the court finds all of the following: 43158

(1) The offender previously has not been convicted of or 43159
pleaded guilty to a felony offense of violence or previously has 43160
been convicted of or pleaded guilty to any felony that is not an 43161
offense of violence and the prosecuting attorney recommends that 43162
the offender be found eligible for participation in intervention 43163
in lieu of treatment under this section, previously has not been 43164

through intervention in lieu of conviction under this section or 43165
any similar regimen, and is charged with a felony for which the 43166
court, upon conviction, would impose a community control sanction 43167
on the offender under division (B)(2) of section 2929.13 of the 43168
Revised Code or with a misdemeanor. 43169

(2) The offense is not a felony of the first, second, or 43170
third degree, is not an offense of violence, is not a violation of 43171
division (A)(1) or (2) of section 2903.06 of the Revised Code, is 43172
not a violation of division (A)(1) of section 2903.08 of the 43173
Revised Code, is not a violation of division (A) of section 43174
4511.19 of the Revised Code or a municipal ordinance that is 43175
substantially similar to that division, and is not an offense for 43176
which a sentencing court is required to impose a mandatory prison 43177
term, a mandatory term of local incarceration, or a mandatory term 43178
of imprisonment in a jail. 43179

(3) The offender is not charged with a violation of section 43180
2925.02, 2925.04, or 2925.06 of the Revised Code, is not charged 43181
with a violation of section 2925.03 of the Revised Code that is a 43182
felony of the first, second, third, or fourth degree, and is not 43183
charged with a violation of section 2925.11 of the Revised Code 43184
that is a felony of the first, second, or third degree. 43185

(4) If an offender alleges that drug or alcohol usage by the 43186
offender was a factor leading to the criminal offense with which 43187
the offender is charged, the court has ordered that the offender 43188
be assessed by ~~a program~~ an addiction services provider certified 43189
pursuant to section ~~3793.06~~ 5119.36 of the Revised Code or a 43190
properly credentialed professional for the purpose of determining 43191
the offender's eligibility for intervention in lieu of conviction 43192
and recommending an appropriate intervention plan, the offender 43193
has been assessed by ~~a program~~ an addiction services provider of 43194
that nature or a properly credentialed professional in accordance 43195
with the court's order, and the ~~program~~ addiction services 43196

provider or properly credentialed professional has filed the 43197
written assessment of the offender with the court. 43198

(5) If an offender alleges that, at the time of committing 43199
the criminal offense with which the offender is charged, the 43200
offender had a mental illness or was a person with intellectual 43201
disability and that the mental illness or status as a person with 43202
intellectual disability was a factor leading to that offense, the 43203
offender has been assessed by a psychiatrist, psychologist, 43204
independent social worker, or professional clinical counselor for 43205
the purpose of determining the offender's eligibility for 43206
intervention in lieu of conviction and recommending an appropriate 43207
intervention plan. 43208

(6) The offender's drug usage, alcohol usage, mental illness, 43209
or intellectual disability, whichever is applicable, was a factor 43210
leading to the criminal offense with which the offender is 43211
charged, intervention in lieu of conviction would not demean the 43212
seriousness of the offense, and intervention would substantially 43213
reduce the likelihood of any future criminal activity. 43214

(7) The alleged victim of the offense was not sixty-five 43215
years of age or older, permanently and totally disabled, under 43216
thirteen years of age, or a peace officer engaged in the officer's 43217
official duties at the time of the alleged offense. 43218

(8) If the offender is charged with a violation of section 43219
2925.24 of the Revised Code, the alleged violation did not result 43220
in physical harm to any person, and the offender previously has 43221
not been treated for drug abuse. 43222

(9) The offender is willing to comply with all terms and 43223
conditions imposed by the court pursuant to division (D) of this 43224
section. 43225

(10) The offender is not charged with an offense that would 43226
result in the offender being disqualified under Chapter 4506. of 43227

the Revised Code from operating a commercial motor vehicle or 43228
would subject the offender to any other sanction under that 43229
chapter. 43230

(C) At the conclusion of a hearing held pursuant to division 43231
(A) of this section, the court shall enter its determination as to 43232
whether the offender is eligible for intervention in lieu of 43233
conviction and as to whether to grant the offender's request. If 43234
the court finds under division (B) of this section that the 43235
offender is eligible for intervention in lieu of conviction and 43236
grants the offender's request, the court shall accept the 43237
offender's plea of guilty and waiver of the defendant's right to a 43238
speedy trial, the preliminary hearing, the time period within 43239
which the grand jury may consider an indictment against the 43240
offender, and arraignment, unless the hearing, indictment, or 43241
arraignment has already occurred. In addition, the court then may 43242
stay all criminal proceedings and order the offender to comply 43243
with all terms and conditions imposed by the court pursuant to 43244
division (D) of this section. If the court finds that the offender 43245
is not eligible or does not grant the offender's request, the 43246
criminal proceedings against the offender shall proceed as if the 43247
offender's request for intervention in lieu of conviction had not 43248
been made. 43249

(D) If the court grants an offender's request for 43250
intervention in lieu of conviction, the court shall place the 43251
offender under the general control and supervision of the county 43252
probation department, the adult parole authority, or another 43253
appropriate local probation or court services agency, if one 43254
exists, as if the offender was subject to a community control 43255
sanction imposed under section 2929.15, 2929.18, or 2929.25 of the 43256
Revised Code. The court shall establish an intervention plan for 43257
the offender. The terms and conditions of the intervention plan 43258
shall require the offender, for at least one year from the date on 43259

which the court grants the order of intervention in lieu of 43260
conviction, to abstain from the use of illegal drugs and alcohol, 43261
to participate in treatment and recovery support services, and to 43262
submit to regular random testing for drug and alcohol use and may 43263
include any other treatment terms and conditions, or terms and 43264
conditions similar to community control sanctions, which may 43265
include community service or restitution, that are ordered by the 43266
court. 43267

(E) If the court grants an offender's request for 43268
intervention in lieu of conviction and the court finds that the 43269
offender has successfully completed the intervention plan for the 43270
offender, including the requirement that the offender abstain from 43271
using illegal drugs and alcohol for a period of at least one year 43272
from the date on which the court granted the order of intervention 43273
in lieu of conviction, the requirement that the offender 43274
participate in treatment and recovery support services, and all 43275
other terms and conditions ordered by the court, the court shall 43276
dismiss the proceedings against the offender. Successful 43277
completion of the intervention plan and period of abstinence under 43278
this section shall be without adjudication of guilt and is not a 43279
criminal conviction for purposes of any disqualification or 43280
disability imposed by law and upon conviction of a crime, and the 43281
court may order the sealing of records related to the offense in 43282
question in the manner provided in sections 2953.31 to 2953.36 of 43283
the Revised Code. 43284

(F) If the court grants an offender's request for 43285
intervention in lieu of conviction and the offender fails to 43286
comply with any term or condition imposed as part of the 43287
intervention plan for the offender, the supervising authority for 43288
the offender promptly shall advise the court of this failure, and 43289
the court shall hold a hearing to determine whether the offender 43290
failed to comply with any term or condition imposed as part of the 43291

plan. If the court determines that the offender has failed to 43292
comply with any of those terms and conditions, it shall enter a 43293
finding of guilty and shall impose an appropriate sanction under 43294
Chapter 2929. of the Revised Code. If the court sentences the 43295
offender to a prison term, the court, after consulting with the 43296
department of rehabilitation and correction regarding the 43297
availability of services, may order continued court-supervised 43298
activity and treatment of the offender during the prison term and, 43299
upon consideration of reports received from the department 43300
concerning the offender's progress in the program of activity and 43301
treatment, may consider judicial release under section 2929.20 of 43302
the Revised Code. 43303

(G) As used in this section: 43304

(1) "Community control sanction" has the same meaning as in 43305
section 2929.01 of the Revised Code. 43306

(2) "Intervention in lieu of conviction" means any 43307
court-supervised activity that complies with this section. 43308

(3) "Peace officer" has the same meaning as in section 43309
2935.01 of the Revised Code. 43310

(4) "Mental illness" and "psychiatrist" have the same 43311
meanings as in section 5122.01 of the Revised Code. 43312

(5) "Person with intellectual disability" means a person 43313
having significantly subaverage general intellectual functioning 43314
existing concurrently with deficiencies in adaptive behavior, 43315
manifested during the developmental period. 43316

(6) "Psychologist" has the same meaning as in section 4732.01 43317
of the Revised Code. 43318

(H) Whenever the term "mentally retarded person" is used in 43319
any statute, rule, contract, grant, or other document, the 43320
reference shall be deemed to include a "person with intellectual 43321

disability," as defined in this section. 43322

Sec. 2953.32. (A)(1) Except as provided in section 2953.61 of 43323
the Revised Code, an eligible offender may apply to the sentencing 43324
court if convicted in this state, or to a court of common pleas if 43325
convicted in another state or in a federal court, for the sealing 43326
of the conviction record. Application may be made at the 43327
expiration of three years after the offender's final discharge if 43328
convicted of a felony, or at the expiration of one year after the 43329
offender's final discharge if convicted of a misdemeanor. 43330

43331

(2) Any person who has been arrested for any misdemeanor 43332
offense and who has effected a bail forfeiture may apply to the 43333
court in which the misdemeanor criminal case was pending when bail 43334
was forfeited for the sealing of the record of the case. Except as 43335
provided in section 2953.61 of the Revised Code, the application 43336
may be filed at any time after the expiration of one year from the 43337
date on which the bail forfeiture was entered upon the minutes of 43338
the court or the journal, whichever entry occurs first. 43339

(B) Upon the filing of an application under this section, the 43340
court shall set a date for a hearing and shall notify the 43341
prosecutor for the case of the hearing on the application. The 43342
prosecutor may object to the granting of the application by filing 43343
an objection with the court prior to the date set for the hearing. 43344
The prosecutor shall specify in the objection the reasons for 43345
believing a denial of the application is justified. The court 43346
shall direct its regular probation officer, a state probation 43347
officer, or the department of probation of the county in which the 43348
applicant resides to make inquiries and written reports as the 43349
court requires concerning the applicant. If the applicant was 43350
convicted of or pleaded guilty to a violation of division (A)(2) 43351
or (B) of section 2919.21 of the Revised Code, the probation 43352

officer or county department of probation that the court directed 43353
to make inquiries concerning the applicant shall contact the child 43354
support enforcement agency enforcing the applicant's obligations 43355
under the child support order to inquire about the offender's 43356
compliance with the child support order. 43357

(C)(1) The court shall do each of the following: 43358

(a) Determine whether the applicant is an eligible offender 43359
or whether the forfeiture of bail was agreed to by the applicant 43360
and the prosecutor in the case. If the applicant applies as an 43361
eligible offender pursuant to division (A)(1) of this section and 43362
has two or three convictions that result from the same indictment, 43363
information, or complaint, from the same plea of guilty, or from 43364
the same official proceeding, and result from related criminal 43365
acts that were committed within a three-month period but do not 43366
result from the same act or from offenses committed at the same 43367
time, in making its determination under this division, the court 43368
initially shall determine whether it is not in the public interest 43369
for the two or three convictions to be counted as one conviction. 43370
If the court determines that it is not in the public interest for 43371
the two or three convictions to be counted as one conviction, the 43372
court shall determine that the applicant is not an eligible 43373
offender; if the court does not make that determination, the court 43374
shall determine that the offender is an eligible offender. 43375

(b) Determine whether criminal proceedings are pending 43376
against the applicant; 43377

(c) If the applicant is an eligible offender who applies 43378
pursuant to division (A)(1) of this section, determine whether the 43379
applicant has been rehabilitated to the satisfaction of the court; 43380

(d) If the prosecutor has filed an objection in accordance 43381
with division (B) of this section, consider the reasons against 43382
granting the application specified by the prosecutor in the 43383

objection; 43384

(e) Weigh the interests of the applicant in having the 43385
records pertaining to the applicant's conviction sealed against 43386
the legitimate needs, if any, of the government to maintain those 43387
records. 43388

(2) If the court determines, after complying with division 43389
(C)(1) of this section, that the applicant is an eligible offender 43390
or the subject of a bail forfeiture, that no criminal proceeding 43391
is pending against the applicant, and that the interests of the 43392
applicant in having the records pertaining to the applicant's 43393
conviction or bail forfeiture sealed are not outweighed by any 43394
legitimate governmental needs to maintain those records, and that 43395
the rehabilitation of an applicant who is an eligible offender 43396
applying pursuant to division (A)(1) of this section has been 43397
attained to the satisfaction of the court, the court, except as 43398
provided in divisions (G) and (H) of this section, shall order all 43399
official records pertaining to the case sealed and, except as 43400
provided in division (F) of this section, all index references to 43401
the case deleted and, in the case of bail forfeitures, shall 43402
dismiss the charges in the case. The proceedings in the case shall 43403
be considered not to have occurred and the conviction or bail 43404
forfeiture of the person who is the subject of the proceedings 43405
shall be sealed, except that upon conviction of a subsequent 43406
offense, the sealed record of prior conviction or bail forfeiture 43407
may be considered by the court in determining the sentence or 43408
other appropriate disposition, including the relief provided for 43409
in sections 2953.31 to 2953.33 of the Revised Code. 43410

(3) Upon the filing of an application under this section, the 43411
applicant, unless indigent, shall pay a fee of fifty dollars. The 43412
court shall pay thirty dollars of the fee into the state treasury. 43413
It shall pay twenty dollars of the fee into the county general 43414
revenue fund if the sealed conviction or bail forfeiture was 43415

pursuant to a state statute, or into the general revenue fund of 43416
the municipal corporation involved if the sealed conviction or 43417
bail forfeiture was pursuant to a municipal ordinance. 43418

(D) Inspection of the sealed records included in the order 43419
may be made only by the following persons or for the following 43420
purposes: 43421

(1) By a law enforcement officer or prosecutor, or the 43422
assistants of either, to determine whether the nature and 43423
character of the offense with which a person is to be charged 43424
would be affected by virtue of the person's previously having been 43425
convicted of a crime; 43426

(2) By the parole or probation officer of the person who is 43427
the subject of the records, for the exclusive use of the officer 43428
in supervising the person while on parole or under a community 43429
control sanction or a post-release control sanction, and in making 43430
inquiries and written reports as requested by the court or adult 43431
parole authority; 43432

(3) Upon application by the person who is the subject of the 43433
records, by the persons named in the application; 43434

(4) By a law enforcement officer who was involved in the 43435

(10) By the bureau of criminal identification and 43459

When the nature and character of the offense with which a 43476
person is to be charged would be affected by the information, it 43477

may be used for the purpose of charging the person with an 43478
offense. 43479

(E) In any criminal proceeding, proof of any otherwise 43480
admissible prior conviction may be introduced and proved, 43481
notwithstanding the fact that for any such prior conviction an 43482
order of sealing previously was issued pursuant to sections 43483
2953.31 to 2953.36 of the Revised Code. 43484

(F) The person or governmental agency, office, or department 43485
that maintains sealed records pertaining to convictions or bail 43486

been permanently excluded under sections 3301.121 and 3313.662 of 43501
the Revised Code is permitted to maintain records regarding a 43502
conviction that was used as the basis for the individual's 43503
permanent exclusion, regardless of a court order to seal the 43504
record. An order issued under this section to seal the record of a 43505
conviction does not revoke the adjudication order of the 43506
superintendent of public instruction to permanently exclude the 43507
individual who is the subject of the sealing order. An order 43508
issued under this section to seal the record of a conviction of an 43509

recommend that the permanent exclusion of the individual who is 43512
the subject of the sealing order be revoked. Except as otherwise 43513
authorized by this division and sections 3301.121 and 3313.662 of 43514
the Revised Code, any school employee in possession of or having 43515

the basis of a permanent exclusion of the individual is subject to 43517
section 2953.35 of the Revised Code. 43518

(H) For purposes of sections 2953.31 to 2953.36 of the 43519
Revised Code, DNA records collected in the DNA database and 43520
fingerprints filed for record by the superintendent of the bureau 43521
of criminal identification and investigation shall not be sealed 43522
unless the superintendent receives a certified copy of a final 43523
court order establishing that the offender's conviction has been 43524
overturned. For purposes of this section, a court order is not 43525
"final" if time remains for an appeal or application for 43526
discretionary review with respect to the order. 43527

Sec. 2967.22. Whenever it is brought to the attention of the 43528
adult parole authority or a department of probation that a 43529
parolee, person under a community control sanction, person under 43530
transitional control, or releasee appears to be a mentally ill 43531
person subject to hospitalization by court order, as defined in 43532
section 5122.01 of the Revised Code, or a mentally retarded person 43533
subject to institutionalization by court order, as defined in 43534
section 5123.01 of the Revised Code, the parole or probation 43535
officer, subject to the approval of the chief of the adult parole 43536
authority, the designee of the chief of the adult parole 43537
authority, or the chief probation officer, may file an affidavit 43538
under section 5122.11 or 5123.71 of the Revised Code. A parolee, 43539

person under transitional control, or releasee escapes from an 43546
institution or facility within the department of ~~mental health~~ 43547
mental health and addiction services or the department of 43548
developmental disabilities, the superintendent of the institution 43549
immediately shall notify the chief of the adult parole authority 43550
or the chief probation officer. Notwithstanding the provisions of 43551
section 5122.26 of the Revised Code, the procedure for the 43552
apprehension, detention, and return of the parolee, person under a 43553
community control sanction, person under transitional control, or 43554
releasee is the same as that provided for the apprehension, 43555
detention, and return of persons who escape from institutions 43556
operated by the department of rehabilitation and correction. If 43557
the escaped parolee, person under transitional control, or 43558
releasee is not apprehended and returned to the custody of the 43559
department of ~~mental health~~ mental health and addiction services 43560
or the department of developmental disabilities within ninety days 43561
after the escape, the parolee, person under transitional control, 43562
or releasee shall be discharged from the custody of the department 43563
of ~~mental health~~ mental health and addiction services or the 43564
department of developmental disabilities and returned to the 43565
custody of the department of rehabilitation and correction. If the 43566
escaped person under a community control sanction is not 43567
apprehended and returned to the custody of the department of 43568
~~mental health~~ mental health and addiction services or the 43569
department of developmental disabilities within ninety days after 43570
the escape, the person under a community control sanction shall be 43571
discharged from the custody of the department of ~~mental health~~ 43572
mental health and addiction services or the department of 43573

developmental disabilities and returned to the custody of the 43574
court that sentenced that person. 43575

forfeited money. The program services provider shall file the 43762
report on or before the first day of March in the calendar year 43763
following the calendar year in which the program services provider 43764
received the money. The report shall include statistics on the 43765
number of persons the program services provider served, identify 43766
the types of treatment services it provided to them, and include a 43767
specific accounting of the purposes for which it used the money so 43768
received. No information contained in the report shall identify, 43769
or enable a person to determine the identity of, any person served 43770
by the program services provider. 43771

(E) Each certified ~~alcohol and drug~~ community addiction 43772
~~treatment program services provider~~ that receives in any calendar 43773
year money under this section or under section 2981.13 of the 43774
Revised Code as the result of a juvenile forfeiture order shall 43775
file an annual report for that calendar year with the attorney 43776
general and with the court of common pleas and board of county 43777
commissioners of the county in which the program services provider 43778

enable a person to determine the identity of anyone served by the 43787
program services provider. 43788

As used in this division, "juvenile-related forfeiture order" 43789
means any forfeiture order issued by a juvenile court under 43790

property ordered by a court under section 2981.11 of the Revised 43792
Code regarding property that was in the possession of a law 43793
enforcement agency in relation to a delinquent child proceeding in 43794
a juvenile court. 43795

(F) Each board of county commissioners that recognizes a 43796
citizens' reward program under section 9.92 of the Revised Code 43797

recognition with each of those agencies. When the board recognizes 43801
a citizens' reward program and the county includes a part, but not 43802
all, of the territory of a municipal corporation, the board shall 43803
so notify the law enforcement agency of that municipal corporation 43804

county contains the highest percentage of the municipal 43806
corporation's population. 43807

Upon being so notified, each law enforcement agency shall pay 43808
twenty-five per cent of any forfeited proceeds or cash derived 43809
from each sale of property disposed of pursuant to this section to 43810
the citizens' reward program for use exclusively to pay rewards. 43811
No part of the funds may be used to pay expenses associated with 43812
the program. If a citizens' reward program that operates in more 43813

receives funds under this section, the funds shall be used to pay 43815
rewards only for tips and information to law enforcement agencies 43816
concerning offenses committed in the county from which the funds 43817
were received. 43818

Receiving funds under this section or section 2981.11 of the 43819
Revised Code does not make the citizens' reward program a 43820
governmental unit or public office for purposes of section 149.43 43821
of the Revised Code. 43822

(G) Any property forfeited under this chapter shall not be 43823
used to pay any fine imposed upon a person who is convicted of or 43824
pleads guilty to an underlying criminal offense or a different 43825
offense arising out of the same facts and circumstances. 43826

(H) Any moneys acquired from the sale of personal effects, 43827
tools, or other property seized because the personal effects, 43828
tools, or other property were used in the commission of a 43829
violation of section 2905.32, 2907.21, or 2907.22 of the Revised 43830
Code or derived from the proceeds of the commission of a violation 43831
of section 2905.32, 2907.21, or 2907.22 of the Revised Code and 43832
disposed of pursuant to this section shall be placed in the 43833
victims of human trafficking fund created by section 5101.87 of 43834
the Revised Code. 43835

Sec. 2981.13. (A) Except as otherwise provided in this 43836

(ix) Any other action designed to correct the district's data 45432

made a good faith effort to report data as required by this 45456
section. If any audit conducted by an outside entity under 45457

district has not made a good faith effort to report data as 45459
required by this section, the district shall reimburse the 45460

department for the full cost of the audit. The department may 45461
withhold state funds due to the district for this purpose. 45462

district under division (L)(2)(d)(viii) of this section, the 45464
department may hold a hearing to provide the district with an 45465
opportunity to demonstrate that it made a good faith effort to 45466
report data as required by this section. The hearing shall be 45467
conducted by a referee appointed by the department. Based on the 45468
information provided in the hearing, the referee shall recommend 45469
whether the department should issue a revised report card for the 45470
district. If the referee affirms the department's contention that 45471
the district did not make a good faith effort to report data as 45472
required by this section, the district shall bear the full cost of 45473
conducting the hearing and of issuing any revised report card. 45474

(7) If the department determines that any inaccurate data 45475
reported under this section caused a school district to receive 45476
excess state funds in any fiscal year, the district shall 45477
reimburse the department an amount equal to the excess funds, in 45478
accordance with a payment schedule determined by the department. 45479
The department may withhold state funds due to the district for 45480
this purpose. 45481

(8) Any school district that has funds withheld under 45482
division (L)(2) of this section may appeal the withholding in 45483

a school district regarding the appropriateness of an action taken 45486
under division (L)(2) of this section, the burden of proof shall 45487
be on the district to demonstrate that it made a good faith effort 45488
to report data as required by this section. 45489

license as defined under division (A) of section 3319.31 of the 45500
Revised Code that has been issued to any school district employee 45501
found to have willfully reported erroneous, inaccurate, or 45502
incomplete data to the education management information system. 45503

(O) No person shall release or maintain any information about 45504
any student in violation of this section. Whoever violates this 45505
division is guilty of a misdemeanor of the fourth degree. 45506

(P) The department shall disaggregate the data collected 45507
under division (B)(1)(n) of this section according to the race and 45508
socioeconomic status of the students assessed. No data collected 45509
under that division shall be included on the report cards required 45510
by section 3302.03 of the Revised Code. 45511

(Q) If the department cannot compile any of the information 45512
required by division (H) of section 3302.03 of the Revised Code 45513
based upon the data collected under this section, the department 45514
shall develop a plan and a reasonable timeline for the collection 45515
of any data necessary to comply with that division. 45516

Code. Each district shall submit to the department, in the manner 45574
the department prescribes, the results of the diagnostic 45575
assessments administered under this section, regardless of the 45576
type of assessment used under section 3313.608 of the Revised 45577
Code. The department may issue reports with respect to the data 45578
collected. 45579

(E) Each district board shall provide intervention services 45580
to students whose diagnostic assessments show that they are 45581
failing to make satisfactory progress toward attaining the 45582

department of education to create and maintain for school 45585
districts and community schools the student data verification 45586
codes required by division (D)(2) of section 3301.0714 of the 45587
Revised Code, upon request of the director of any state agency 45588

data verification code to a child who is receiving such services 45594
and shall provide that code to the director. The contractor also 45595
shall provide that code to the department of education. 45596

(B) The director of a state agency that receives a child's 45597
data verification code under division (A) of this section shall 45598
use that code to submit information for that child to the 45599
department of education in accordance with section 3301.0714 of 45600
the Revised Code. 45601

(C) A public school that receives from the independent 45602
contractor the data verification code for a child assigned under 45603
division (A) of this section shall not request or assign to that 45604
child another data verification code under division (D)(2) of 45605
section 3301.0714 of the Revised Code. That school and any other 45606
public school in which the child subsequently enrolls shall use 45607
the data verification code assigned under division (A) of this 45608
section to report data relative to that student required under 45609
section 3301.0714 of the Revised Code. 45610

Sec. 3301.0725. A school district may employ certificated 45611
instructional personnel for ~~more days during a school year than~~ 45612

3319.0812 of the Revised Code. Extended programming, as defined by 45616
rule of the state board of education, shall be based upon learner 45617
needs and, if applicable, business and industry validated 45618
standards and competencies and shall enhance student learning 45619
opportunities. Extended programming shall be subject to the 45620
requirements of sections 3313.6018 and 3313.6019 of the Revised 45621
Code. 45622

No rule of the state board shall require extended programming 45623
employment of certificated instructional personnel as a condition 45624
of eligibility for funding under any other section of the Revised 45625
Code. 45626

Sec. 3301.15. The state board of education or its authorized 45627
representatives may inspect all institutions under the control of 45628
the department of job and family services, the department of 45629
~~mental health~~ mental health and addiction services, the department 45630
of developmental disabilities, and the department of 45631
rehabilitation and correction which employ teachers, and may make 45632
a report on the teaching, discipline, and school equipment in 45633
these institutions to the director of job and family services, the 45634
director of ~~mental health~~ mental health and addiction services, 45635
the director of developmental disabilities, the director of 45636

Sec. 3302.01. As used in this chapter: 45638

(A) "Performance index score" means the average of the totals 45639
derived from calculations for each subject area of English 45640
language arts, mathematics, science, and social studies of the 45641
weighted proportion of untested students and students scoring at 45642
each level of skill described in division (A)(2) of section 45643
3301.0710 of the Revised Code on the assessments prescribed by 45644

divisions (A) and (B)(1) of that section. The department of 45645
education shall assign weights such that students who do not take 45646
an assessment receive a weight of zero and students who take an 45647
assessment receive progressively larger weights dependent upon the 45648
level of skill attained on the assessment. The department shall 45649
assign additional weights to students who have been permitted to 45650
pass over a subject in accordance with a student acceleration 45651
policy adopted under section 3324.10 of the Revised Code. If such 45652
a student attains the proficient score prescribed under division 45653
(A)(2)(c) of section 3301.0710 of the Revised Code or higher on an 45654
assessment, the department shall assign the student the weight 45655
prescribed for the next higher scoring level. If such a student 45656
attains the advanced score, prescribed under division (A)(2)(a) of 45657
section 3301.0710 of the Revised Code, on an assessment, the 45658
department shall assign to the student an additional proportional 45659
weight, as approved by the state board. For each school year that 45660
such a student's score is included in the performance index score 45661
and the student attains the proficient score on an assessment, 45662
that additional weight shall be assigned to the student on a 45663
subject-by-subject basis. 45664

Students shall be included in the "performance index score" 45665
in accordance with division (K)(2) of section 3302.03 of the 45666

(5) Students identified as gifted in superior cognitive 45675

ability and specific academic ability fields under Chapter 3324. 45676
of the Revised Code. For students who are gifted in specific 45677
academic ability fields, the department shall use data for those 45678
students with specific academic ability in math and reading. If 45679
any other academic field is assessed, the department shall also 45680
include data for students with specific academic ability in that 45681
field. 45682

(6) Students in the lowest quintile for achievement 45683
statewide, as determined by a method prescribed by the state board 45684
of education. 45685

both thereto, rules and regulations promulgated pursuant to those 45688
statutes, guidance documents, and any other policy directives 45689
regarding implementation of that act issued by the United States 45690
department of education. 45691

(D) "Adequate yearly progress" means a measure of annual 45692
academic performance as calculated in accordance with the "No 45693
Child Left Behind Act of 2001." 45694

period of time that is calculated by applying a statistical 45702
methodology to individual student achievement data derived from 45703
the achievement assessments prescribed by section 3301.0710 of the 45704
Revised Code. The "value-added progress dimension" shall be 45705
developed and implemented in accordance with section 3302.021 of 45706

the Revised Code. 45707

(G)(1) "Four-year adjusted cohort graduation rate" means the 45708
number of students who graduate in four years or less with a 45709
regular high school diploma divided by the number of students who 45710
form the adjusted cohort for the graduating class. 45711

(2) "Five-year adjusted cohort graduation rate" means the 45712
number of students who graduate in five years with a regular high 45713

progress determined in accordance with an agreement between the 45719
department of education and the United States department of 45720
education. 45721

Sec. 3302.03. Annually, not later than the fifteenth day of 45722
September or the preceding Friday when that day falls on a 45723
Saturday or Sunday, the department of education shall assign a 45724
letter grade for overall academic performance and for each 45725
separate performance measure for each school district, and each 45726
school building in a district, in accordance with this section. 45727
The state board shall adopt rules pursuant to Chapter 119. of the 45728
Revised Code to establish performance criteria for each letter 45729
grade and prescribe a method by which the department assigns each 45730
letter grade. For a school building to which any of the 45731
performance measures do not apply, due to grade levels served by 45732
the building, the state board shall designate the performance 45733
measures that are applicable to the building and that must be 45734
calculated separately and used to calculate the building's overall 45735
grade. The department shall issue annual report cards reflecting 45736
the performance of each school district, each building within each 45737

district, and for the state as a whole using the performance 45738
measures and letter grade system described in this section. The 45739
department shall include on the report card for each district and 45740
each building within each district the most recent two-year trend 45741
data in student achievement for each subject and each grade. 45742

(A)(1) For the 2012-2013 school year, the department shall 45743
issue grades as described in division (E) of this section for each 45744
of the following performance measures: 45745

(a) Annual measurable objectives; 45746

(b) Performance index score for a school district or 45747
building. Grades shall be awarded as a percentage of the total 45748
possible points on the performance index system as adopted by the 45749
state board. In adopting benchmarks for assigning letter grades 45750
under division (A)(1)(b) of this section, the state board of 45751
education shall designate ninety per cent or higher for an "A," at 45752
least seventy per cent but not more than eighty per cent for a 45753
"C," and less than fifty per cent for an "F." 45754

(c) The extent to which the school district or building meets 45755
each of the applicable performance indicators established by the 45756
state board under section 3302.02 of the Revised Code and the 45757
percentage of applicable performance indicators that have been 45758
achieved. In adopting benchmarks for assigning letter grades under 45759
division (A)(1)(c) of this section, the state board shall 45760
designate ninety per cent or higher for an "A." 45761

(d) The four- and five-year adjusted cohort graduation rates. 45762

In adopting benchmarks for assigning letter grades under 45763
division (A)(1)(d), (B)(1)(d), or (C)(1)(d) of this section, the 45764
department shall designate a four-year adjusted cohort graduation 45765

cohort graduation rate of ninety-five per cent or higher for an 45767
"A." 45768

(e) The overall score under the value-added progress dimension of a school district or building, for which the department shall use up to three years of value-added data as available. The letter grade assigned for this growth measure shall be as follows:

(i) A score that is at least two standard errors of measure above the mean score shall be designated as an "A."

(ii) A score that is at least one standard error of measure but less than two standard errors of measure above the mean score shall be designated as a "B."

(iii) A score that is less than one standard error of measure above the mean score but greater than or equal to one standard error of measure below the mean score shall be designated as a "C."

(iv) A score that is not greater than one standard error of measure below the mean score but is greater than or equal to two standard errors of measure below the mean score shall be designated as a "D."

(v) A score that is not greater than two standard errors of measure below the mean score shall be designated as an "F."

Whenever the value-added progress dimension is used as a graded performance measure, whether as an overall measure or as a measure of separate subgroups, the grades for the measure shall be calculated in the same manner as prescribed in division (A)(1)(e) of this section.

(f) The value-added progress dimension score for a school district or building disaggregated for each of the following subgroups: students identified as gifted, students with disabilities, and students whose performance places them in the lowest quintile for achievement on a statewide basis. Each subgroup shall be a separate graded measure.

(2) Not later than April 30, 2013, the state board of education shall adopt a resolution describing the performance measures, benchmarks, and grading system for the 2012-2013 school year and, not later than June 30, 2013, shall adopt rules in accordance with Chapter 119. of the Revised Code that prescribe the methods by which the performance measures under division (A)(1) of this section shall be assessed and assigned a letter grade, including performance benchmarks for each letter grade.

At least forty-five days prior to the state board's adoption of rules to prescribe the methods by which the performance measures under division (A)(1) of this section shall be assessed and assigned a letter grade, the department shall conduct a public presentation before the standing committees of the house of representatives and the senate that consider education legislation describing such methods, including performance benchmarks.

(3) There shall not be an overall letter grade for a school district or building for the 2012-2013 school year.

(B)(1) For the 2013-2014 school year, the department shall issue grades as described in division (E) of this section for each of the following performance measures:

(a) Annual measurable objectives;

(b) Performance index score for a school district or building. Grades shall be awarded as a percentage of the total possible points on the performance index system as created by the department. In adopting benchmarks for assigning letter grades under division (B)(1)(b) of this section, the state board shall designate ninety per cent or higher for an "A," at least seventy per cent but not more than eighty per cent for a "C," and less than fifty per cent for an "F."

(c) The extent to which the school district or building meets each of the applicable performance indicators established by the

state board under section 3302.03 of the Revised Code and the 45831
percentage of applicable performance indicators that have been 45832
achieved. In adopting benchmarks for assigning letter grades under 45833
division (B)(1)(c) of this section, the state board shall 45834
designate ninety per cent or higher for an "A." 45835

(d) The four- and five-year adjusted cohort graduation rates; 45836

(e) The overall score under the value-added progress 45837
dimension of a school district or building, for which the 45838
department shall use up to three years of value-added data as 45839
available. 45840

(f) The value-added progress dimension score for a school 45841
district or building disaggregated for each of the following 45842
subgroups: students identified as gifted in superior cognitive 45843
ability and specific academic ability fields under Chapter 3324. 45844
of the Revised Code, students with disabilities, and students 45845
whose performance places them in the lowest quintile for 45846
achievement on a statewide basis. Each subgroup shall be a 45847
separate graded measure. 45848

(g) Whether a school district or building is making progress 45849
in improving literacy in grades kindergarten through three, as 45850
determined using a method prescribed by the state board. The state 45851
board shall adopt rules to prescribe benchmarks and standards for 45852
assigning grades to districts and buildings for purposes of 45853
division (B)(1)(~~j~~)(g) of this section. In adopting benchmarks for 45854
assigning letter grades under divisions (B)(1)(g) and (C)(1)(g) of 45855
this section, the state board shall determine progress made based 45856
on the reduction in the percentage of students scoring below grade 45857
level, or below proficient, compared from year to year on the 45858
~~English language arts~~ reading and writing diagnostic assessments 45859
administered under section 3301.0715 of the Revised Code and the 45860
third grade English language arts assessment under section 45861
3301.0710 of the Revised Code, as applicable. The state board 45862

shall designate for a "C" grade a value that is not lower than the 45863
statewide average value for this measure. No grade shall be issued 45864
under divisions (B)(1)(g) and (C)(1)~~(j)~~(g) of this section for a 45865
district or building in which less than five per cent of students 45866
have scored below grade level on the diagnostic assessment 45867
administered to students in kindergarten under division (B)(1) of 45868
section 3313.608 of the Revised Code. 45869

(2) In addition to the graded measures in division (B)(1) of 45870
this section, the department shall include on a school district's 45871
or building's report card all of the following without an assigned 45872
letter grade: 45873

building participating in advanced placement classes and the 45875
percentage of those students who received a score of three or 45876
better on advanced placement examinations; 45877

(b) The number of a district's or building's students who 45878
have earned at least three college credits through dual enrollment 45879
programs, such as the post-secondary enrollment options program 45880
under Chapter 3365. of the Revised Code and state-approved 45881
career-technical courses offered through dual enrollment or 45882
statewide articulation, that appear on a student's transcript or 45883
other official document, either of which is issued by the 45884

college credit. The credits earned that are reported under 45886
divisions (B)(2)(b) and (C)(2)(c) of this section shall not 45887
include any that are remedial or developmental and shall include 45888
those that count toward the curriculum requirements established 45889
for completion of a degree. 45890

(c) The percentage of students enrolled in a district or 45891
building who have taken a national standardized test used for 45892
college admission determinations and the percentage of those 45893
students who are determined to be remediation-free in accordance 45894

with standards adopted under division (F) of section 3345.061 of
the Revised Code; 45895
45896

(d) The percentage of the district's or the building's 45897
students who receive industry credentials. The state board shall 45898
adopt criteria for acceptable industry credentials. 45899

(e) The percentage of students enrolled in a district or 45900
building who are participating in an international baccalaureate 45901
program and the percentage of those students who receive a score 45902
of four or better on the international baccalaureate examinations. 45903

(f) The percentage of the district's or building's students 45904
who receive an honors diploma under division (B) of section 45905

(3) Not later than December 31, 2013, the state board shall 45907
adopt rules in accordance with Chapter 119. of the Revised Code 45908
that prescribe the methods by which the performance measures under 45909
divisions (B)(1)(f) and (B)(1)(g) of this section will be assessed 45910
and assigned a letter grade, including performance benchmarks for 45911
each grade. 45912

At least forty-five days prior to the state board's adoption 45913
of rules to prescribe the methods by which the performance 45914
measures under division (B)(1) of this section shall be assessed 45915
and assigned a letter grade, the department shall conduct a public 45916
presentation before the standing committees of the house of 45917
representatives and the senate that consider education legislation 45918
describing such methods, including performance benchmarks. 45919

(4) There shall not be an overall letter grade for a school 45920
district or building for the 2013-2014 school year. 45921

(C)(1) For the 2014-2015 school year and each school year 45922
thereafter, the department shall issue grades as described in 45923
division (E) of this section for each of the following performance 45924
measures and an overall letter grade based on an aggregate of 45925

those measures: 45926

(a) Annual measurable objectives; 45927

(b) Performance index score for a school district or 45928
building. Grades shall be awarded as a percentage of the total 45929

department. In adopting benchmarks for assigning letter grades 45931
under division (C)(1)(b) of this section, the state board shall 45932
designate ninety per cent or higher for an "A," at least seventy 45933
per cent but not more than eighty per cent for a "C," and less 45934
than fifty per cent for an "F." 45935

(c) The extent to which the school district or building meets 45936
each of the applicable performance indicators established by the 45937
state board under section 3302.03 of the Revised Code and the 45938
percentage of applicable performance indicators that have been 45939
achieved. In adopting benchmarks for assigning letter grades under 45940
division (C)(1)(c) of this section, the state board shall 45941
designate ninety per cent or higher for an "A." 45942

(d) The four- and five-year adjusted cohort graduation rates; 45943

(e) The overall score under the value-added progress 45944
dimension, or another measure of student academic progress if 45945
adopted by the state board, of a school district or building, for 45946
which the department shall use up to three years of value-added 45947
data as available. 45948

In adopting benchmarks for assigning letter grades for 45949
overall score on value-added progress dimension under division 45950
(C)(1)(e) of this section, the state board shall prohibit the 45951
assigning of a grade of "A" for that measure unless the district's 45952
or building's grade assigned for value-added progress dimension 45953
for all subgroups under division (C)(1)(~~i~~)(f) of this section is a 45954
"B" or higher. 45955

For the metric prescribed by division (C)(1)(e) of this 45956

section, the state board may adopt a student academic progress 45957
measure to be used instead of the value-added progress dimension. 45958
If the state board adopts such a measure, it also shall prescribe 45959
a method for assigning letter grades for the new measure that is 45960
comparable to the method prescribed in division (A)(1)(e) of this 45961
section. 45962

(f) The value-added progress dimension score of a school 45963
district or building disaggregated for each of the following 45964
subgroups: students identified as gifted in superior cognitive 45965
ability and specific academic ability fields under Chapter 3324. 45966
of the Revised Code, students with disabilities, and students 45967
whose performance places them in the lowest quintile for 45968
achievement on a statewide basis, as determined by a method 45969
prescribed by the state board. Each subgroup shall be a separate 45970
graded measure. 45971

The state board may adopt student academic progress measures 45972
to be used instead of the value-added progress dimension. If the 45973
state board adopts such measures, it also shall prescribe a method 45974
for assigning letter grades for the new measures that is 45975
comparable to the method prescribed in division (A)(1)(e) of this 45976
section. 45977

(g) Whether a school district or building is making progress 45978
in improving literacy in grades kindergarten through three, as 45979
determined using a method prescribed by the state board. The state 45980
board shall adopt rules to prescribe benchmarks and standards for 45981
assigning grades to a district or building for purposes of 45982
division (C)(1)~~(j)~~(g) of this section. The state board shall 45983
designate for a "C" grade a value that is not lower than the 45984
statewide average value for this measure. No grade shall be issued 45985
under division (C)(1)(g) of this section for a district or 45986
building in which less than five per cent of students have scored 45987
below grade level on the kindergarten diagnostic assessment under 45988

division (B)(1) of section 3313.608 of the Revised Code. 45989

(2) In addition to the graded measures in division (C)(1) of 45990
this section, the department shall include on a school district's 45991
or building's report card all of the following without an assigned 45992
letter grade: 45993

(a) The percentage of students enrolled in a district or 45994
building who have taken a national standardized test used for 45995
college admission determinations and the percentage of those 45996
students who are determined to be remediation-free in accordance 45997
with the standards adopted under division (F) of section 3345.061 45998
of the Revised Code; 45999

(b) The percentage of students enrolled in a district or 46000
building participating in advanced placement classes and the 46001
percentage of those students who received a score of three or 46002
better on advanced placement examinations; 46003

(c) The number of a district's or building's students who 46004

under Chapter 3365. of the Revised Code and state-approved 46007
career-technical courses offered through dual enrollment or 46008
statewide articulation, that appear on a student's transcript or 46009
other official document, either of which is issued by the 46010
institution of higher education from which the student earned the 46011
college credit. The credits earned that are reported under 46012
divisions (B)(2)(b) and (C)(2)(c) of this section shall not 46013
include any that are remedial or developmental and shall include 46014
those that count toward the curriculum requirements established 46015
for completion of a degree. 46016

(g) The results of the college and career-ready assessments administered under division (B)(1) of section 3301.0712 of the Revised Code.	46026 46027 46028
(3) The state board shall adopt rules pursuant to Chapter 119. of the Revised Code that establish a method to assign an overall grade for a school district or school building for the 2014-2015 school year and each school year thereafter. The rules shall group the performance measures in divisions (C)(1) and (2) of this section into the following components:	46029 46030 46031 46032 46033 46034
(a) Gap closing, which shall include the performance measure in division (C)(1)(a) of this section;	46035 46036
(b) Achievement, which shall include the performance measures in divisions (C)(1)(b) and (c) of this section;	46037 46038
(c) Progress, which shall include the performance measures in divisions (C)(1)(e) and (i) <u>(f)</u> of this section;	46039 46040

(f) Prepared for success, which shall include the performance measures in divisions (C)(2)(a), (b), (c), (d), (e), and (f) of this section. The state board shall develop a method to determine a grade for the component in division (C)(3)(f) of this section	46046 46047 46048 46049

using the performance measures in divisions (C)(2)(a), (b), (c), 46050
(d), (e), and (f) of this section. When available, the state board 46051
may incorporate the performance measure under division (C)(2)(g) 46052
of this section into the component under division (C)(3)(f) of 46053
this section. When determining the overall grade for the prepared 46054
for success component prescribed by division (C)(3)(f) of this 46055
section, no individual student shall be counted in more than one 46056
performance measure. However, if a student qualifies for more than 46057
one performance measure in the component, the state board may, in 46058
its method to determine a grade for the component, specify an 46059
additional weight for such a student that is not greater than or 46060
equal to 1.0. In determining the overall score under division 46061
(C)(3)(f) of this section, the state board shall ensure that the 46062
pool of students included in the performance measures aggregated 46063
under that division are all of the students included in the four- 46064
and five-year adjusted graduation cohort. 46065

In the rules adopted under division (C)(3) of this section, 46066
the state board shall adopt a method for determining a grade for 46067
each component in divisions (C)(3)(a) to (f) of this section. The 46068
state board also shall establish a method to assign an overall 46069
grade of "A," "B," "C," "D," or "F" using the grades assigned for 46070
each component. The method the state board adopts for assigning an 46071
overall grade shall give equal weight to the components in 46072
divisions (C)(3)(b) and (c) of this section. 46073

At least forty-five days prior to the state board's adoption 46074
of rules to prescribe the methods for calculating the overall 46075
grade for the report card, as required by this division, the 46076
department shall conduct a public presentation before the standing 46077
committees of the house of representatives and the senate that 46078
consider education legislation describing the format for the 46079
report card, weights that will be assigned to the components of 46080
the overall grade, and the method for calculating the overall 46081

grade. 46082

(D) Not later than July 1, 2015, the state board shall 46083
develop a measure of student academic progress for high school 46084
students. Beginning with the report card for the 2015-2016 school 46085
year, each school district and applicable school building shall be 46086
assigned a separate letter grade for this measure and the 46087
district's or building's grade for that measure shall be included 46088
in determining the district's or building's overall letter grade. 46089
This measure shall be included within the measure prescribed in 46090
division (C)~~(2)~~(3)(c) of this section in the calculation for the 46091
overall letter grade. 46092

(E) The letter grades assigned to a school district or 46093
building under this section shall be as follows: 46094

(1) "A" for a district or school making excellent progress; 46095

(2) "B" for a district or school making above average 46096
progress; 46097

(3) "C" for a district or school making average progress; 46098

(4) "D" for a district or school making below average 46099
progress; 46100

(5) "F" for a district or school failing to meet minimum 46101
progress. 46102

(F) When reporting data on student achievement and progress, 46103
the department shall disaggregate that data according to the 46104
following categories: 46105

(1) Performance of students by grade-level; 46106

(2) Performance of students by race and ethnic group; 46107

(3) Performance of students by gender; 46108

(4) Performance of students grouped by those who have been 46109
enrolled in a district or school for three or more years; 46110

(5) Performance of students grouped by those who have been enrolled in a district or school for more than one year and less than three years;	46111 46112 46113
(6) Performance of students grouped by those who have been enrolled in a district or school for one year or less;	46114 46115
(7) Performance of students grouped by those who are economically disadvantaged;	46116 46117
(8) Performance of students grouped by those who are enrolled in a conversion community school established under Chapter 3314. of the Revised Code;	46118 46119 46120
(9) Performance of students grouped by those who are classified as limited English proficient;	46121 46122
(10) Performance of students grouped by those who have disabilities;	46123 46124
(11) Performance of students grouped by those who are classified as migrants;	46125 46126
(12) Performance of students grouped by those who are identified as gifted in superior cognitive ability and the specific academic ability fields of reading and math pursuant to Chapter 3324. of the Revised Code. In disaggregating specific academic ability fields for gifted students, the department shall use data for those students with specific academic ability in math and reading. If any other academic field is assessed, the department shall also include data for students with specific academic ability in that field as well.	46127 46128 46129 46130 46131 46132 46133 46134 46135
(13) Performance of students grouped by those who perform in the lowest quintile for achievement on a statewide basis, as determined by a method prescribed by the state board.	46136 46137 46138
The department may disaggregate data on student performance according to other categories that the department determines are	46139 46140

appropriate. To the extent possible, the department shall 46141
disaggregate data on student performance according to any 46142
combinations of two or more of the categories listed in divisions 46143
(F)(1) to (13) of this section that it deems relevant. 46144

In reporting data pursuant to division (F) of this section, 46145
the department shall not include in the report cards any data 46146
statistical in nature that is statistically unreliable or that 46147
could result in the identification of individual students. For 46148
this purpose, the department shall not report student performance 46149
data for any group identified in division (F) of this section that 46150
contains less than ten students. If the department does not report 46151
student performance data for a group because it contains less than 46152
ten students, the department shall indicate on the report card 46153
that is why data was not reported. 46154

(G) The department may include with the report cards any 46155
additional education and fiscal performance data it deems 46156
valuable. 46157

(H) The department shall include on each report card a list 46158
of additional information collected by the department that is 46159
available regarding the district or building for which the report 46160
card is issued. When available, such additional information shall 46161
include student mobility data disaggregated by race and 46162
socioeconomic status, college enrollment data, and the reports 46163
prepared under section 3302.031 of the Revised Code. 46164

The department shall maintain a site on the world wide web. 46165
The report card shall include the address of the site and shall 46166
specify that such additional information is available to the 46167
public at that site. The department shall also provide a copy of 46168
each item on the list to the superintendent of each school 46169
district. The district superintendent shall provide a copy of any 46170
item on the list to anyone who requests it. 46171

(I) Division (I) of this section does not apply to conversion 46172
community schools that primarily enroll students between sixteen 46173
and twenty-two years of age who dropped out of high school or are 46174
at risk of dropping out of high school due to poor attendance, 46175
disciplinary problems, or suspensions. 46176

(1) For any district that sponsors a conversion community 46177
school under Chapter 3314. of the Revised Code, the department 46178
shall combine data regarding the academic performance of students 46179
enrolled in the community school with comparable data from the 46180
schools of the district for the purpose of determining the 46181
performance of the district as a whole on the report card issued 46182
for the district under this section or section 3302.033 of the 46183
Revised Code. 46184

(2) Any district that leases a building to a community school 46185
located in the district or that enters into an agreement with a 46186
community school located in the district whereby the district and 46187
the school endorse each other's programs may elect to have data 46188
regarding the academic performance of students enrolled in the 46189
community school combined with comparable data from the schools of 46190
the district for the purpose of determining the performance of the 46191
district as a whole on the district report card. Any district that 46192
so elects shall annually file a copy of the lease or agreement 46193
with the department. 46194

(3) Any municipal school district, as defined in section 46195
3311.71 of the Revised Code, that sponsors a community school 46196
located within the district's territory, or that enters into an 46197
agreement with a community school located within the district's 46198
territory whereby the district and the community school endorse 46199
each other's programs, may exercise either or both of the 46200
following elections: 46201

(a) To have data regarding the academic performance of 46202
students enrolled in that community school combined with 46203

comparable data from the schools of the district for the purpose 46204
of determining the performance of the district as a whole on the 46205
district's report card; 46206

(b) To have the number of students attending that community 46207
school noted separately on the district's report card. 46208

The election authorized under division (I)(3)(a) of this 46209
section is subject to approval by the governing authority of the 46210
community school. 46211

Any municipal school district that exercises an election to 46212
combine or include data under division (I)(3) of this section, by 46213
the first day of October of each year, shall file with the 46214
department documentation indicating eligibility for that election, 46215
as required by the department. 46216

(J) The department shall include on each report card the 46217
percentage of teachers in the district or building who are highly 46218
qualified, as defined by the "No Child Left Behind Act of 2001," 46219
and a comparison of that percentage with the percentages of such 46220
teachers in similar districts and buildings. 46221

(K)(1) In calculating English language arts, mathematics, 46222
social studies, or science assessment passage rates used to 46223
determine school district or building performance under this 46224
section, the department shall include all students taking an 46225
assessment with accommodation or to whom an alternate assessment 46226
is administered pursuant to division (C)(1) or (3) of section 46227
3301.0711 of the Revised Code. 46228

(2) In calculating performance index scores, rates of 46229
achievement on the performance indicators established by the state 46230
board under section 3302.02 of the Revised Code, and annual 46231

shall do all of the following: 46234

(a) Include for each district or building only those students who are included in the ADM certified for the first full school week of October and are continuously enrolled in the district or building through the time of the spring administration of any assessment prescribed by division (A)(1) or (B)(1) of section 3301.0710 of the Revised Code that is administered to the student's grade level;

(b) Include cumulative totals from both the fall and spring administrations of the third grade English language arts achievement assessment;

(c) Except as required by the "No Child Left Behind Act of 2001," exclude for each district or building any limited English proficient student who has been enrolled in United States schools for less than one full school year.

(L) Beginning with the 2015-2016 school year and at least once every three years thereafter, the state board of education shall review and may adjust the benchmarks for assigning letter grades to the performance measures and components prescribed under divisions (C)(3) and (D) of this section.

Sec. 3302.032. (A) Not later than December 31, 2011, the state board of education shall establish a measure of the following:

3314.15, and 3326.26 of the Revised Code; 46265

(4) Whether a school district or building is participating in 46266
the physical activity pilot program administered under section 46267
3313.6016 of the Revised Code. 46268

(B) The measure shall be included on the school district and 46269
building report cards issued under section 3302.03 of the Revised 46270
Code, beginning with the report cards issued for the 2012-2013 46271
school year, but it shall not be a factor in the performance 46272
ratings issued under that section. 46273

(C) The department of education may accept, receive, and 46274
expend gifts, devises, or bequests of money for the purpose of 46275
establishing the measure required by this section. 46276

(D) The department shall not include students enrolled in an 46277
internet- or computer-based community school, as defined in 46278

measures required under division (A) of this section. 46280

Sec. 3302.20. (A) The department of education shall develop 46281
standards for determining, from the existing data reported in 46282
accordance with sections 3301.0714 and 3314.17 of the Revised 46283
Code, the amount of annual operating expenditures for classroom 46284
instructional purposes and for nonclassroom purposes for each 46285
city, exempted village, local, and joint vocational school 46286
district, each community school established under Chapter 3314. 46287
that is not an internet- or computer-based community school, each 46288
internet- or computer-based community school, and each STEM school 46289
established under Chapter 3326. of the Revised Code. The 46290
department shall present those standards to the state board of 46291
education for consideration. In developing the standards, the 46292
department shall adapt existing standards used by professional 46293
organizations, research organizations, and other state 46294
governments. The department also shall align the expenditure 46295

categories required for reporting under the standards with the 46296
categories that are required for reporting to the United States 46297
department of education under federal law. 46298

The state board shall consider the proposed standards and 46299
adopt a final set of standards not later than December 31, 2012. 46300
School districts, community schools, and STEM schools shall begin 46301
reporting data in accordance with the standards on June 30, 2013. 46302

(B)(1) The department shall categorize all city, exempted 46303
village, and local school districts into not less than three nor 46304
more than five groups based primarily on average daily student 46305
enrollment as reported on the most recent report card issued for 46306
each district under section 3302.03 of the Revised Code. 46307

(2) The department shall categorize all joint vocational 46308
school districts into not less than three nor more than five 46309
groups based primarily on average daily membership as reported 46310
under division (D) of section 3317.03 of the Revised Code rounded 46311
to the nearest whole number. 46312

(3) The department shall categorize all community schools 46313
that are not internet- or computer-based community schools into 46314
not less than three nor more than five groups based primarily on 46315
average daily student enrollment as reported on the most recent 46316
report card issued for each community school under sections 46317
3302.03 and 3314.012 of the Revised Code or, in the case of a 46318
school to which section 3314.017 of the Revised Code applies, on 46319

For purposes of divisions (D)(3)(b) and (4)(b) of this 46390
section, the display shall note that, in accordance with section 46391
3314.017 of the Revised Code, a performance index score is not 46392
reported for some community schools that serve primarily students 46393
enrolled in dropout prevention and recovery programs. 46394

(E) The department shall post in a prominent location on its 46395
web site the information prescribed by divisions (C) and (D) of 46396
this section. The department also shall include on each 46397
district's, community school's, and STEM school's annual report 46398
card issued under section 3302.03 or 3314.017 of the Revised Code 46399
the respective information computed for the district or school 46400
under divisions (C)(1) and (4) of this section, the statewide 46401
information computed under division (C)(2) of this section, and 46402
the information computed for the district's or school's category 46403
under division (C)(3) of this section. 46404

(F) As used in this section: 46405

(1) "Internet- or computer-based community school" has the 46406
same meaning as in section 3314.02 of the Revised Code. 46407

(2) A school district's, community school's, or STEM school's 46408
performance index score rank is its performance index score rank 46409

(3) "Operating expenditures per pupil" has the same meaning 46411
as "expenditure per equivalent pupils" as defined in section 46412
3302.26 of the Revised Code. 46413

Sec. 3302.21. (A) The department of education shall develop a 46414
system to rank order all city, exempted village, and local school 46415

districts, community schools established under Chapter 3314. of 46416
the Revised Code except those community schools to which section 46417
3314.017 of the Revised Code applies, and STEM schools established 46418
under Chapter 3326. of the Revised Code according to the following 46419
measures: 46420

(1) Performance index score for each school district, 46421
community school, and STEM school and for each separate building 46422
of a district, community school, or STEM school. For districts, 46423
schools, or buildings to which the performance index score does 46424
not apply, the superintendent of public instruction may develop 46425
another measure of student academic performance based on similar 46426
data and performance measures if appropriate and use that measure 46427
to include those buildings in the ranking so that districts, 46428
schools, and buildings may be reliably compared to each other. 46429

(2) Student performance growth from year to year, using the 46430
value-added progress dimension, if applicable, and other measures 46431
of student performance growth designated by the superintendent of 46432
public instruction for subjects and grades not covered by the 46433
value-added progress dimension or the alternative student academic 46434
progress measure if adopted under division (C)(1)(e) of section 46435
3302.03 of the Revised Code; 46436

(3) Current operating expenditures per pupil as determined 46437
under standards adopted by the state board of education under 46438
section 3302.20 of the Revised Code; 46439

(4) Of total current operating expenditures, percentage spent 46440
for classroom instruction as determined under standards adopted by 46441

all of one or more local school districts to another local school 48112
district or districts within the territory of the educational 48113
service center. Such transfers may be made only to local school 48114
districts adjoining the school district that is proposed to be 48115
transferred, unless the board of education of the district 48116
proposed to be transferred has entered into an agreement pursuant 48117
to section 3313.42 of the Revised Code, in which case such 48118
transfers may be made to any local school district within the 48119
territory of the educational service center. 48120

When a governing board of an educational service center 48121
adopts a resolution proposing a transfer of school territory it 48122
shall forthwith file a copy of such resolution, together with an 48123
accurate map of the territory described in the resolution, with 48124
the board of education of each school district whose boundaries 48125
would be altered by such proposal. A governing board of an 48126
educational service center proposing a transfer of territory under 48127
the provisions of this section shall at its next regular meeting 48128
that occurs not earlier than thirty days after the adoption by the 48129
governing board of a resolution proposing such transfer, adopt a 48130
resolution making the transfer effective at any time prior to the 48131
next succeeding first day of July, unless, prior to the expiration 48132
of such thirty-day period, qualified electors residing in the area 48133

proposed to be transferred, equal in number to a majority of the 48134
qualified electors voting at the last general election, file a 48135
petition of referendum against such transfer. 48136

Any petition of transfer or petition of referendum filed 48137
under the provisions of this section shall be filed at the office 48138
of the educational service center superintendent. The person 48139
presenting the petition shall be given a receipt containing 48140
thereon the time of day, the date, and the purpose of the 48141
petition. 48142

The educational service center superintendent shall cause the 48143
board of elections to check the sufficiency of signatures on any 48144
petition of transfer or petition of referendum filed under this 48145
section and, if found to be sufficient, the superintendent shall 48146
present the petition to the educational service center governing 48147
board at a meeting of the board which shall occur not later than 48148
thirty days following the filing of the petition. 48149

Upon presentation to the educational service center governing 48150
board of a proposal to transfer territory as requested by petition 48151
of fifty-five per cent of the qualified electors voting at the 48152
last general election or a petition of referendum against a 48153
proposal of the county board to transfer territory, the governing 48154
board shall promptly certify the proposal to the board of 48155
elections for the purpose of having the proposal placed on the 48156
ballot at the next general or primary election which occurs not 48157
less than ninety days after the date of such certification, or at 48158
a special election, the date of which shall be specified in the 48159
certification, which date shall not be less than ninety days after 48160
the date of such certification. Signatures on a petition of 48161
transfer or petition of referendum may be withdrawn up to and 48162
including the above mentioned meeting of the educational service 48163
center governing board only by order of the board upon testimony 48164
of the petitioner concerned under oath before the board that the 48165

petitioner's signature was obtained by fraud, duress, or 48166
misrepresentation. 48167

If a petition is filed with the educational service center 48168
governing board which proposes the transfer of a part or all of 48169
the territory included in a resolution of transfer previously 48170
adopted by the educational service center governing board, no 48171
action shall be taken on such petition if within the thirty-day 48172
period after the adoption of the resolution of transfer a 48173
referendum petition is filed. After the election, if the proposed 48174
transfer fails to receive a majority vote, action on such petition 48175
shall then be processed under this section as though originally 48176
filed under the provisions hereof. If no referendum petition is 48177
filed within the thirty-day period after the adoption of the 48178
resolution of transfer, no action shall be taken on such petition. 48179

If a petition is filed with the educational service center 48180
governing board which proposes the transfer of a part or all of 48181
the territory included in a petition previously filed by electors 48182
no action shall be taken on such new petition. 48183

Upon certification of a proposal to the board or boards of 48184
elections pursuant to this section, the board or boards of 48185
elections shall make the necessary arrangements for the submission 48186
of such question to the electors of the county or counties 48187
qualified to vote thereon, and the election shall be conducted and 48188
canvassed and the results shall be certified in the same manner as 48189
in regular elections for the election of members of a board of 48190
education. 48191

The persons qualified to vote upon a proposal are the 48192
electors residing in the district or districts containing 48193
territory that is proposed to be transferred. If the proposed 48194
transfer be approved by at least a majority of the electors voting 48195
on the proposal, the educational service center governing board 48196
shall make such transfer at any time prior to the next succeeding 48197

first day of July. If the proposed transfer is not approved by at least a majority of the electors voting on the proposal, the question of transferring any property included in the territory covered by the proposal shall not be submitted to electors at any election prior to the first general election the date of which is at least two years after the date of the original election, or the first primary election held in an even-numbered year the date of which is at least two years after the date of the original election. A transfer shall be subject to the approval of the receiving board or boards of education, unless the proposal was initiated by the educational service center governing board, in which case, if the transfer is opposed by the board of education offered the territory, the local board may, within thirty days, following the receipt of the notice of transfer, appeal to the state board of education which shall then either approve or disapprove the transfer.

Following an election upon a proposed transfer initiated by a petition the board of education that is offered territory shall, within thirty days following receipt of the proposal, either accept or reject the transfer.

When an entire school district is proposed to be transferred to two or more school districts and the offer is rejected by any one of the receiving boards of education, none of the territory included in the proposal shall be transferred.

Upon the acceptance of territory by the receiving board or boards of education the educational service center governing board offering the territory shall file with the county auditor and with the state board of education an accurate map showing the boundaries of the territory transferred.

Upon the making of such transfer, the net indebtedness of the former district from which territory was transferred shall be apportioned between the acquiring school district and that portion

of the former school district remaining after the transfer in the 48230
ratio which the assessed valuation of the territory transferred to 48231
the acquiring school district bears to the assessed valuation of 48232
the original school district as of the effective date of the 48233
transfer. As used in this section "net indebtedness" means the 48234
difference between the par value of the outstanding and unpaid 48235
bonds and notes of the school district and the amount held in the 48236
sinking fund and other indebtedness retirement funds for their 48237
redemption. 48238

~~If an entire district is transferred, any indebtedness of the 48239
former district incurred as a result of a loan made under section 48240
3317.64 of the Revised Code is hereby canceled and such 48241
indebtedness shall not be apportioned among any districts 48242
acquiring the territory. 48243~~

Upon the making of any transfer under this section, the funds 48244
of the district from which territory was transferred shall be 48245
divided equitably by the educational service center governing 48246
board between the acquiring district and any part of the original 48247
district remaining after the transfer. 48248

If an entire district is transferred the board of education 48249
of such district is thereby abolished or if a member of the board 48250
of education lives in that part of a school district transferred 48251
the member becomes a nonresident of the school district from which 48252
the territory was transferred and such member ceases to be a 48253
member of the board of education of such district. 48254

The legal title of all property of the board of education in 48255
the territory transferred shall become vested in the board of 48256
education of the school district to which such territory is 48257
transferred. 48258

Subsequent to June 30, 1959, if an entire district is 48259
transferred, foundation program moneys accruing to a district 48260

accepting school territory under the provisions of this section or 48261
former section 3311.22 of the Revised Code, shall not be less, in 48262
any year during the next succeeding three years following the 48263
transfer, than the sum of the amounts received by the districts 48264
separately in the year in which the transfer was consummated. 48265

Sec. 3311.231. A governing board of an educational service 48266
center may propose, by resolution adopted by majority vote of its 48267
full membership, or qualified electors of the area affected equal 48268
in number to not less than fifty-five per cent of the qualified 48269
electors voting at the last general election residing within that 48270
portion of a school district proposed to be transferred may 48271
propose, by petition, the transfer of a part or all of one or more 48272
local school districts within the territory of the center to an 48273
adjoining educational service center or to an adjoining city or 48274
exempted village school district. 48275

A governing board of an educational service center adopting a 48276
resolution proposing a transfer of school territory under this 48277
section shall file a copy of such resolution together with an 48278
accurate map of the territory described in the resolution, with 48279
the board of education of each school district whose boundaries 48280
would be altered by such proposal. Where a transfer of territory 48281
is proposed by a governing board of an educational service center 48282
under this section, the governing board shall, at its next regular 48283
meeting that occurs not earlier than the thirtieth day after the 48284
adoption by the governing board of the resolution proposing such 48285
transfer, adopt a resolution making the transfer as originally 48286
proposed, effective at any time prior to the next succeeding first 48287
day of July, unless, prior to the expiration of such thirty-day 48288
period, qualified electors residing in the area proposed to be 48289
transferred, equal in number to a majority of the qualified 48290
electors voting at the last general election, file a petition of 48291
referendum against such transfer. 48292

Any petition of transfer or petition of referendum under the 48293
provisions of this section shall be filed at the office of the 48294
educational service center superintendent. The person presenting 48295
the petition shall be given a receipt containing thereon the time 48296
of day, the date, and the purpose of the petition. 48297

The educational service center superintendent shall cause the 48298
board of elections to check the sufficiency of signatures on any 48299
such petition, and, if found to be sufficient, the superintendent 48300
shall present the petition to the educational service center 48301
governing board at a meeting of said governing board which shall 48302
occur not later than thirty days following the filing of said 48303
petition. 48304

The educational service center governing board shall promptly 48305
certify the proposal to the board of elections of such counties in 48306
which school districts whose boundaries would be altered by such 48307
proposal are located for the purpose of having the proposal placed 48308
on the ballot at the next general or primary election which occurs 48309
not less than ninety days after the date of such certification or 48310
at a special election, the date of which shall be specified in the 48311
certification, which date shall not be less than ninety days after 48312
the date of such certification. 48313

Signatures on a petition of transfer or petition of 48314
referendum may be withdrawn up to and including the above 48315
mentioned meeting of the educational service center governing 48316
board only by order of the governing board upon testimony of the 48317
petitioner concerned under oath before the board that the 48318
petitioner's signature was obtained by fraud, duress, or 48319
misrepresentation. 48320

If a petition is filed with the educational service center 48321
governing board which proposes the transfer of a part or all of 48322
the territory included either in a petition previously filed by 48323
electors or in a resolution of transfer previously adopted by the 48324

educational service center governing board, no action shall be 48325
taken on such new petition as long as the previously initiated 48326
proposal is pending before the governing board or is subject to an 48327
election. 48328

Upon certification of a proposal to the board or boards of 48329
elections pursuant to this section, the board or boards of 48330
elections shall make the necessary arrangements for the submission 48331
of such question to the electors of the county or counties 48332
qualified to vote thereon, and the election shall be conducted and 48333
canvassed and the results shall be certified in the same manner as 48334
in regular elections for the election of members of a board of 48335
education. 48336

The persons qualified to vote upon a proposal are the 48337
electors residing in the district or districts containing 48338
territory that is proposed to be transferred. If the proposed 48339
transfer is approved by at least a majority of the electors voting 48340
on the proposal, the educational service center governing board 48341
shall make such transfer at any time prior to the next succeeding 48342
first day of July, subject to the approval of the receiving board 48343
of education in case of a transfer to a city or exempted village 48344
school district, and subject to the approval of the educational 48345
service center governing board of the receiving center, in case of 48346
a transfer to an educational service center. If the proposed 48347
transfer is not approved by at least a majority of the electors 48348
voting on the proposal, the question of transferring any property 48349
included in the territory covered by the proposal shall not be 48350
submitted to electors at any election prior to the first general 48351
election the date of which is at least two years after the date of 48352
the original election, or the first primary election held in an 48353
even-numbered year the date of which is at least two years after 48354
the date of the original election. 48355

Where a territory is transferred under this section to a city 48356

or exempted village school district, the board of education of 48357
such district shall, and where territory is transferred to an 48358
educational service center the governing board of such educational 48359
service center shall, within thirty days following receipt of the 48360
proposal, either accept or reject the transfer. 48361

Where a governing board of an educational service center 48362
adopts a resolution accepting territory transferred to the 48363
educational service center under the provisions of sections 48364
3311.231 and 3311.24 of the Revised Code, the governing board 48365
shall, at the time of the adoption of the resolution accepting the 48366
territory, designate the school district to which the accepted 48367
territory shall be annexed. 48368

When an entire school district is proposed to be transferred 48369
to two or more adjoining school districts and the offer is 48370
rejected by any one of the receiving boards of education, none of 48371
the territory included in the proposal shall be transferred. 48372

Upon the acceptance of territory by the receiving board or 48373
boards of education the educational service center governing board 48374
offering the territory shall file with the county auditor of each 48375
county affected by the transfer and with the state board of 48376
education an accurate map showing the boundaries of the territory 48377
transferred. 48378

Upon the making of such transfer, the net indebtedness of the 48379
former district from which territory was transferred shall be 48380
apportioned between the acquiring school district and the portion 48381
of the former school district remaining after the transfer in the 48382
ratio which the assessed valuation of the territory transferred to 48383
the acquiring school district bears to the assessed valuation of 48384
the original school district as of the effective date of the 48385
transfer. As used in this section "net indebtedness" means the 48386
difference between the par value of the outstanding and unpaid 48387
bonds and notes of the school district and the amount held in the 48388

sinking fund and other indebtedness retirement funds for their 48389
redemption. 48390

~~If an entire district is transferred, any indebtedness of the 48391
former district incurred as a result of a loan made under section 48392
3317.64 of the Revised Code is hereby canceled and such 48393
indebtedness shall not be apportioned among any districts 48394
acquiring the territory. 48395~~

Upon the making of any transfer under this section, the funds 48396
of the district from which territory was transferred shall be 48397
divided equitably by the educational service center governing 48398
board, between the acquiring district and any part of the original 48399
district remaining after the transfer. 48400

If an entire district is transferred the board of education 48401
of such district is thereby abolished or if a member of the board 48402
of education lives in that part of a school district transferred 48403
the member becomes a nonresident of the school district from which 48404
the territory was transferred and such member ceases to be a 48405
member of the board of education of such district. 48406

The legal title of all property of the board of education in 48407
the territory transferred shall become vested in the board of 48408
education of the school district to which such territory is 48409
transferred. 48410

If an entire district is transferred, foundation program 48411
moneys accruing to a district receiving school territory under the 48412
provisions of this section shall not be less, in any year during 48413
the next succeeding three years following the transfer, than the 48414
sum of the amounts received by the districts separately in the 48415
year in which the transfer was consummated. 48416

Sec. 3311.38. The state board of education may conduct, or 48417
may direct the superintendent of public instruction to conduct, 48418

studies where there is evidence of need for transfer of local, 48419
exempted village, or city school districts, or parts of any such 48420
districts, to contiguous or noncontiguous local, exempted village, 48421
or city school districts. Such studies shall include a study of 48422
the effect of any proposal upon any portion of a school district 48423
remaining after such proposed transfer. The state board, in 48424
conducting such studies and in making recommendations as a result 48425
thereof, shall consider the possibility of improving school 48426
district organization as well as the desires of the residents of 48427
the school districts which would be affected. 48428

(A) After the adoption of recommendations growing out of any 48429
such study, or upon receipt of a resolution adopted by majority 48430
vote of the full membership of the board of any city, local, or 48431
exempted village school district requesting that the entire 48432
district be transferred to another city, local, or exempted 48433
village school district, the state board may propose by resolution 48434
the transfer of territory, which may consist of part or all of the 48435
territory of a local, exempted village, or city school district to 48436
a contiguous local, exempted village, or city school district. 48437

The state board shall thereupon file a copy of such proposal 48438
with the board of education of each school district whose 48439
boundaries would be altered by the proposal and with the governing 48440
board of any educational service center in which such school 48441
district is located. 48442

The state board may, not less than thirty days following the 48443
adoption of the resolution proposing the transfer of territory, 48444
certify the proposal to the board of elections of the county or 48445
counties in which any of the territory of the proposed district is 48446
located, for the purpose of having the proposal placed on the 48447
ballot at the next general election or at a primary election 48448
occurring not less than ninety days after the adoption of such 48449
resolution. 48450

If any proposal has been previously initiated pursuant to 48451
section 3311.22, 3311.231, or 3311.26 of the Revised Code which 48452
affects any of the territory affected by the proposal of the state 48453
board, the proposal of the state board shall not be placed on the 48454
ballot while the previously initiated proposal is subject to an 48455
election. 48456

Upon certification of a proposal to the board of elections of 48457
any county pursuant to this section, the board of elections of 48458
such county shall make the necessary arrangements for the 48459
submission of such question to the electors of the county 48460
qualified to vote thereon, and the election shall be counted and 48461
canvassed and the results shall be certified in the same manner as 48462
in regular elections for the election of members of a board of 48463
education. 48464

The electors qualified to vote upon a proposal are the 48465
electors residing in the local, exempted village, or city school 48466
districts, containing territory proposed to be transferred. 48467

If the proposed transfer be approved by a majority of the 48468
electors voting on the proposal, the state board, subject to the 48469
approval of the board of education of the district to which the 48470
territory would be transferred, shall make such transfer prior to 48471
the next succeeding July 1. 48472

(B) If a study conducted in accordance with this section 48473
involves a school district with less than four thousand dollars of 48474
assessed value for each pupil in the total student count 48475
determined under section 3317.03 of the Revised Code, the state 48476
board of education, with the approval of the educational service 48477
center governing board, and upon recommendation by the state 48478
superintendent of public instruction, may by resolution transfer 48479
all or any part of such a school district to any city, exempted 48480
village, or local school district which has more than twenty-five 48481
thousand pupils in average daily membership. Such resolution of 48482

transfer shall be adopted only after the board of education of the 48483
receiving school district has adopted a resolution approving the 48484
proposed transfer. For the purposes of this division, the assessed 48485
value shall be as certified in accordance with section 3317.021 of 48486
the Revised Code. 48487

(C) Upon the making of a transfer of an entire school 48488
district pursuant to this section, the indebtedness of the 48489
district transferred shall be assumed in full by the acquiring 48490
district and the funds of the district transferred shall be paid 48491
over in full to the acquiring district, ~~except that any~~ 48492
~~indebtedness of the transferred district incurred as a result of a~~ 48493
~~loan made under section 3317.64 of the Revised Code is hereby~~ 48494
~~anceled and shall not be assumed by the acquiring district.~~ 48495

(D) Upon the making of a transfer pursuant to this section, 48496
when only part of a district is transferred, the net indebtedness 48497
of each original district of which only a part is taken by the 48498
acquiring district shall be apportioned between the acquiring 48499
district and the original district in the ratio which the assessed 48500
valuation of the part taken by the acquiring district bears to the 48501
assessed valuation of the original district as of the effective 48502
date of the transfer. As used in this section "net indebtedness" 48503
means the difference between the par value of the outstanding and 48504
unpaid bonds and notes of the school district and the amount held 48505
in the sinking fund and other indebtedness retirement funds for 48506
their redemption. 48507

(E) Upon the making of a transfer pursuant to this section, 48508
when only part of a district is transferred, the funds of the 48509
district from which territory was transferred shall be divided 48510
equitably by the state board between the acquiring district and 48511
that part of the former district remaining after the transfer. 48512

(F) If an entire school district is transferred, the board of 48513
education of such district is thereby abolished. If part of a 48514

school district is transferred, any member of the board of 48515
education who is a legal resident of that part which is 48516
transferred shall thereby cease to be a member of that board. 48517

If an entire school district is transferred, foundation 48518
program moneys accruing to a district accepting school territory 48519
under the provisions of this section shall not be less, in any 48520
year during the next succeeding three years following the 48521
transfer, than the sum of the amounts received by the districts 48522
separately in the year in which the transfer became effective. 48523

Sec. 3311.86. (A) As used in this section: 48524

(1) "Alliance" means a municipal school district 48525
transformation alliance established as a nonprofit corporation. 48526

(2) "Alliance municipal school district" means a municipal 48527
school district for which an alliance has been created under this 48528
section. 48529

(3) "Partnering community school" means a community school 48530
established under Chapter 3314. of the Revised Code that is 48531
located within the territory of a municipal school district and 48532
that either is sponsored by the district or is a party to an 48533
agreement with the district whereby the district and the community 48534
school endorse each other's programs. 48535

(4) "Transformation alliance education plan" means a plan 48536
prepared by the mayor, and confirmed by the alliance, to transform 48537
public education in the alliance municipal school district to a 48538
system of municipal school district schools and partnering 48539
community schools that will be held to the highest standards of 48540
school performance and student achievement. 48541

(B) If one or more partnering community schools are located 48542
in a municipal school district, the mayor may initiate proceedings 48543
to establish a municipal school district transformation alliance 48544

as a nonprofit corporation under Chapter 1702. of the Revised Code. The mayor shall have sole authority to appoint the directors of any alliance created under this section. The directors of the alliance shall include representatives of all of the following:

(4) The business community, including business leaders and foundation leaders.

No one group listed in divisions (B)(1) to (4) of this section shall comprise a majority of the directors. The mayor shall be an ex officio director, and serve as the chairperson of the board of directors, of any alliance created under this section. If the proceedings are initiated, the mayor shall identify the directors in the articles of incorporation filed under section 1702.04 of the Revised Code.

(C)(1) A majority of the members of the board of directors of the alliance shall constitute a quorum of the board. Any formal action taken by the board of directors shall take place at a meeting of the board and shall require the concurrence of a majority of the members of the board. Meetings of the board of directors shall be public meetings open to the public at all times, except that the board may hold an executive session, as if it were a public body with public employees, for any of the purposes for which an executive session of a public body is permitted under division (G) of section 121.22 of the Revised Code, notwithstanding that the alliance is not a public body as defined in that section, and its employees are not public employees as provided in division (F) of this section. The board of directors shall establish reasonable methods whereby any person

may determine the time and place of all of the board's public meetings and by which any person, upon request, may obtain reasonable advance notification of the board's public meetings. Provisions for that advance notification may include, but are not limited to, mailing notices to all subscribers on a mailing list or mailing notices in self-addressed, stamped envelopes provided by the person.

(2) All records of the alliance shall be organized and maintained by the alliance and also filed with the department of education. The alliance and the department shall make those records available to the public as though those records were public records for purposes of Chapter 149. of the Revised Code. The department shall promptly notify the alliance upon the department's receipt of any requests for records relating to the alliance pursuant to section 149.43 of the Revised Code.

(3) The board of directors of the alliance shall establish a conflicts of interest policy and shall adopt that policy, and any amendments to the policy, at a meeting of the board held in accordance with this section.

(D) If an alliance is created under this section, the alliance shall do all of the following:

Divisions (E)(1) to (3) of this section do not apply to a sponsor that has been approved by the department prior to that date, until the sponsor's approval is renewed or granted anew on or after that date.

(1) Before a sponsor to which this section applies may sponsor new community schools in an alliance municipal school district, the sponsor shall request recommendation from the alliance to sponsor community schools in the district.

(2) The alliance shall review the sponsor's application and shall make a recommendation based on the standards for sponsors developed under division (A)(2) of section 3311.87 of the Revised Code.

(3) The department shall use the standards developed under division (A)(2) of section 3311.87 of the Revised Code, in addition to any other requirements of the Revised Code, to review a sponsor's request and make a final determination, on recommendation of the alliance, of whether the sponsor may sponsor new community schools in the alliance municipal school district.

No sponsor shall be required to receive authorization to sponsor new community schools under division (E)(3) of this section more than one time.

(F) Directors, officers, and employees of an alliance are not public employees or public officials, are not subject to Chapters 124., 145., and 4117. of the Revised Code, and are not "public officials" or "public servants" as defined in section 2921.01 of the Revised Code. Membership on the board of directors of an

alliance does not constitute the holding of an incompatible public office or employment in violation of any statutory or common law prohibition against the simultaneous holding of more than one public office or employment. Members of the board of directors of an alliance are not disqualified from holding any public office by reason of that membership, and do not forfeit by reason of that membership the public office or employment held when appointed to the board, notwithstanding any contrary disqualification or forfeiture requirement under the Revised Code or the common law of this state.

(G) The authority to establish an alliance under this section expires on January 1, 2018. Any alliance established under this section is terminated, and any related authority granted to the alliance under this section expires on that date.

advisory council for the region pursuant to section 3312.04 of the 48673
Revised Code or required by the terms of any performance contract, 48674
unless there are insufficient funds available to the region to pay 48675
for the expenditure or the expenditure violates a provision of the 48676
Revised Code, a rule of the state board of education regarding 48677
such expenditure, or the terms of a performance contract; 48678

(D) Exercise fiscal oversight of the implementation of state 48679

consumption. It includes: 48684

local building code for the proposed lighting system; 48700

(7) Energy recovery systems; 48701

(8) Cogeneration systems that produce steam or forms of 48702

(9) Any other modification, installation, or remodeling 48705

(B) A board of education of a city, exempted village, local, 48708
or joint vocational school district may enter into an installment 48709
payment contract for the purchase and installation of energy 48710
conservation measures. The provisions of such installment payment 48711
contracts dealing with interest charges and financing terms shall 48712
not be subject to the competitive bidding requirements of section 48713
3313.46 of the Revised Code, and shall be on the following terms: 48714

(1) Not less than one-fifteenth of the costs thereof shall be 48715

(2) The remaining balance of the costs thereof shall be paid 48717
within fifteen years from the date of purchase. 48718

The provisions of any installment payment contract entered 48719
into pursuant to this section shall provide that all payments, 48720

guarantee that the energy conservation measures shall realize 48728
guaranteed savings. In order to ensure payment of any savings 48729

shortfall, the contractor shall provide an energy guarantee bond 48730
for the full term of the contract, including any partial guarantee 48731
year. 48732

The commission may reduce the term of any installment payment 48733
contract entered into under this section on or after the effective 48734

education under this section shall require the board to contract 48737

and bearing interest at a rate not exceeding the rate determined 48747
as provided in section 9.95 of the Revised Code. The notes may 48748
contain an option for prepayment and shall not be subject to 48749
Chapter 133. of the Revised Code. In the resolution authorizing 48750
the notes, the board may provide, without the vote of the electors 48751
of the district, for annually levying and collecting taxes in 48752
amounts sufficient to pay the interest on and retire the notes, 48753
except that the total net indebtedness of the district without a 48754
vote of the electors incurred under this and all other sections of 48755
the Revised Code, except section 3318.052 of the Revised Code, 48756
shall not exceed one per cent of the district's tax valuation. 48757
Revenues derived from local taxes or otherwise, for the purpose of 48758
conserving energy or for defraying the current operating expenses 48759
of the district, may be applied to the payment of interest and the 48760

section 133.06 of the Revised Code. 48766

(E) No school district board shall enter into an installment 48767
payment contract under division (B) of this section unless it 48768
first obtains a report of the costs of the energy conservation 48769
measures and the savings thereof as described under division (G) 48770
of section 133.06 of the Revised Code as a requirement for issuing 48771
energy securities, makes a finding that the amount spent on such 48772
measures is not likely to exceed the amount of money it would save 48773
in energy costs and resultant operational and maintenance costs as 48774
described in that division, except that that finding shall cover 48775
the ensuing fifteen years, and the Ohio school facilities 48776
commission determines that the district board's findings are 48777
reasonable and approves the contract as described in that 48778
division. 48779

The district board shall monitor the savings and maintain a 48780
report of those savings, which shall be submitted to the 48781
commission in the same manner as required by division (G) of 48782
section 133.06 of the Revised Code in the case of energy 48783
securities. 48784

buses; and natural gas, electricity, and other utility services, 48793
the governing boards of two or more educational service centers 48794
may enter into agreements, including installment purchase and 48795

that a school is open for instruction pursuant to the schedule 48915
adopted by the board of education of the school district or the 48916
governing authority of the chartered nonpublic school in 48917

accordance with section 3313.48 of the Revised Code. 48918

Sec. 3313.483. (A) A board of education, upon the adoption of 48919
a resolution stating that it may be financially unable to open on 48920
the day or to remain open for instruction on all days set forth in 48921
its adopted school calendar and pay all obligated expenses, or the 48922
superintendent of public instruction upon the issuance of written 48923
notification under division (B) of section 3313.489 of the Revised 48924
Code, shall request the auditor of state to determine whether such 48925
situation exists. The auditor shall deliver a copy of each request 48926
from a board of education to the superintendent of public 48927
instruction. In the case of a school district not under a fiscal 48928
emergency pursuant to Chapter 3316. of the Revised Code the 48929
auditor shall not issue a finding under this section until written 48930
notification is received from the superintendent pursuant to 48931
section 3313.487 of the Revised Code. 48932

(B) If the auditor of state finds that the board of education 48933
has attempted to avail itself to the fullest extent authorized by 48934
law of all lawful revenue sources available to it except those 48935
authorized by section 5705.21 of the Revised Code, the auditor 48936
shall certify that finding to the superintendent of public 48937
instruction and the state board of education and shall certify the 48938
operating deficit the district will have at the end of the fiscal 48939
year if it commences or continues operating its instructional 48940
program in accordance with its adopted school calendar and pays 48941
all obligated expenses. 48942

(C) No board of education may delay the opening of its 48943
schools or close its schools for financial reasons. Upon the 48944
request of the superintendent of public instruction, the attorney 48945
general shall seek injunctive relief and any other relief required 48946
to enforce this prohibition in the court of common pleas of 48947
Franklin county. The court of common pleas of Franklin county has 48948

exclusive original jurisdiction over all such actions. 48949

(D) Upon the receipt of any certification of an operating 48950
deficit from the auditor of state, a board of education shall make 48951
application to a commercial bank, underwriter, or other 48952
prospective lender or purchaser of its obligations for a loan in 48953
an amount sufficient to enable the district to open or remain open 48954
for instruction on all days set forth in its adopted school 48955
calendar but not to exceed the amount of the deficit certified. 48956

(E)(1) Any board of education that has applied for and been 48957
denied a loan from a commercial bank, underwriter, or other 48958
prospective lender or purchaser of its obligations pursuant to 48959
division (D) of this section shall submit to the superintendent of 48960
public instruction a plan for implementing reductions in the 48961
school district's budget; apply for a loan from a commercial bank, 48962
underwriter, or other prospective lender or purchaser of its 48963
obligations in an amount not to exceed its certified deficit; and 48964
provide the superintendent such information as the superintendent 48965
requires concerning its application for such a loan. The board of 48966
education of a school district declared to be under a fiscal watch 48967
pursuant to division (A) of section 3316.03 of the Revised Code 48968
may, upon approval of the superintendent, utilize the financial 48969
plan required by section 3316.04 of the Revised Code, or 48970
applicable parts thereof, as the plan required under this 48971
division. The board of education of a school district declared to 48972
be under a fiscal emergency pursuant to division (B) of section 48973
3316.03 of the Revised Code may utilize the financial recovery 48974
plan for the district, or applicable parts thereof, as the plan 48975
required under this division. Except for the plan of a school 48976
district under a fiscal emergency, the superintendent shall 48977
evaluate, make recommendations concerning, and approve or 48978
disapprove each plan. When a plan is submitted, the superintendent 48979
shall immediately notify the members of the general assembly whose 48980

legislative districts include any or all of the territory of the 48981
school district submitting the plan. 48982

(2) The superintendent shall submit to the controlling board 48983
a copy of each plan the superintendent approves, or each plan 48984
submitted by a district under a fiscal emergency pursuant to 48985
division (B) of section 3316.03 of the Revised Code, and the 48986
general terms of each proposed loan, and shall make 48987
recommendations regarding the plan and whether a proposed loan to 48988
the board of education should be approved for payment as provided 48989
in division (E)(3) of this section. The controlling board shall 48990
approve or disapprove the plan and the proposed loan presented to 48991
it by the superintendent. In the case of a district not under a 48992
fiscal emergency pursuant to division (B) of section 3316.03 of 48993
the Revised Code, the controlling board may require a board of 48994
education to implement the superintendent's recommendations for 48995
expenditure reductions or impose other requirements. Loan 48996
repayments shall be in accordance with a schedule approved by the 48997
superintendent, except that the principal amount of the loan shall 48998
be payable in monthly, semiannual, or annual installments of 48999
principal and interest that are substantially equal principal and 49000
interest installments. Except as otherwise provided in division 49001
(E)(2) of this section, repayment shall be made no later than the 49002
fifteenth day of June of the second fiscal year following the 49003
approval of the loan. A school district with a certified deficit 49004
in excess of either twenty-five million dollars or fifteen per 49005
cent of the general fund expenditures of the district during the 49006
fiscal year shall repay the loan no later than the fifteenth day 49007
of June of the tenth fiscal year following the approval of the 49008
loan. In deciding whether to approve or disapprove a proposed 49009
loan, the controlling board shall consider the deficit certified 49010
by the auditor of state pursuant to this section. A board of 49011
education that has an outstanding loan approved pursuant to this 49012
section with a repayment date of more than two fiscal years after 49013

the date of approval of such loan may not apply for another loan 49014
with such a repayment date until the outstanding loan has been 49015
repaid. 49016

not incur any expenses that will further impair its ability to 49089
operate an instructional program that meets or exceeds the minimum 49090

Revised Code during the current and ensuing fiscal years with the 49092

statement are in balance for the fiscal year and the fiscal 49146
statement will enable the district to operate during such year 49147
without interrupting its school calendar, it shall certify its 49148
determination and finding to the district at least thirty days 49149
prior to the beginning of the fiscal year, and the district shall 49150

Thereafter, the coach or referee shall not allow the student to return to that practice or competition or to participate in any other practice or competition for which the coach or referee is responsible until both of the following conditions are satisfied:

(a) The student's condition is assessed by ~~either~~ any of the following:

(i) A physician;

(ii) A chiropractor;

(b) The student receives written clearance that it is safe
for the student to return to practice or competition from a
physician, chiropractor, or ~~from~~ another licensed health care
provider authorized pursuant to division (E)(2) of this section to
grant the clearance.

(2) A school district board of education or governing
authority of a chartered or nonchartered nonpublic school may
authorize a licensed health care provider who is not a physician

to the provider's authority to practice in this state:

(a) In consultation with a physician;

(b) Pursuant to the referral of a physician;

(c) In collaboration with a physician;

(d) Under the supervision of a physician.

(3) A physician, chiropractor, or other licensed health care

subject to the rules of an interscholastic conference or an
organization that regulates interscholastic conferences or events

and (E) of this section, as long as the requirements of those
rules are substantially similar to the requirements of divisions
(B), (D), and (E) of this section.

(G)(1) A school district, member of a school district board of education, or school district employee or volunteer, including a coach or referee, is not liable in damages in a civil action for injury, death, or loss to person or property allegedly arising from providing services or performing duties under this section, unless the act or omission constitutes willful or wanton misconduct.

(C) Beginning with students who enter ninth grade for the 49565
first time on or after July 1, 2010, except as provided in 49566

divisions (D) to (F) of this section, the requirements for 49567
graduation from every public and chartered nonpublic high school 49568

(7) Social studies, two units. 49596

Each school shall integrate the study of economics and 49597
financial literacy, as expressed in the social studies academic 49598
content standards adopted by the state board of education under 49599
division (A)(1) of section 3301.079 of the Revised Code and the 49600
academic content standards for financial literacy and 49601
entrepreneurship adopted under division (A)(2) of that section, 49602
into one or more existing social studies credits required under 49603
division (C)(7) of this section, or into the content of another 49604
class, so that every high school student receives instruction in 49605
those concepts. In developing the curriculum required by this 49606
paragraph, schools shall use available public-private partnerships 49607
and resources and materials that exist in business, industry, and 49608
through the centers for economics education at institutions of 49609
higher education in the state. 49610

(8) Five units consisting of one or any combination of 49611
foreign language, fine arts, business, career-technical education, 49612
family and consumer sciences, technology, agricultural education, 49613
a junior reserve officer training corps (JROTC) program approved 49614
by the congress of the United States under title 10 of the United 49615
States Code, or English language arts, mathematics, science, or 49616
social studies courses not otherwise required under division (C) 49617
of this section. 49618

Ohioans must be prepared to apply increased knowledge and 49619
skills in the workplace and to adapt their knowledge and skills 49620
quickly to meet the rapidly changing conditions of the 49621
twenty-first century. National studies indicate that all high 49622
school graduates need the same academic foundation, regardless of 49623
the opportunities they pursue after graduation. The goal of Ohio's 49624
system of elementary and secondary education is to prepare all 49625
students for and seamlessly connect all students to success in 49626
life beyond high school graduation, regardless of whether the next 49627

step is entering the workforce, beginning an apprenticeship, 49628
engaging in post-secondary training, serving in the military, or 49629
pursuing a college degree. 49630

The Ohio core curriculum is the standard expectation for all 49631
students entering ninth grade for the first time at a public or 49632
chartered nonpublic high school on or after July 1, 2010. A 49633
student may satisfy this expectation through a variety of methods, 49634
including, but not limited to, integrated, applied, 49635
career-technical, and traditional coursework. 49636

Whereas teacher quality is essential for student success in 49637
completing the Ohio core curriculum, the general assembly shall 49638
appropriate funds for strategic initiatives designed to strengthen 49639
schools' capacities to hire and retain highly qualified teachers 49640
in the subject areas required by the curriculum. Such initiatives 49641
are expected to require an investment of \$120,000,000 over five 49642
years. 49643

Stronger coordination between high schools and institutions 49644
of higher education is necessary to prepare students for more 49645
challenging academic endeavors and to lessen the need for academic 49646
remediation in college, thereby reducing the costs of higher 49647
education for Ohio's students, families, and the state. The state 49648
board and the chancellor of the Ohio board of regents shall 49649
develop policies to ensure that only in rare instances will 49650
students who complete the Ohio core curriculum require academic 49651
remediation after high school. 49652

School districts, community schools, and chartered nonpublic 49653
schools shall integrate technology into learning experiences 49654
across the curriculum in order to maximize efficiency, enhance 49655
learning, and prepare students for success in the 49656
technology-driven twenty-first century. Districts and schools 49657
shall use distance and web-based course delivery as a method of 49658
providing or augmenting all instruction required under this 49659

division, including laboratory experience in science. Districts 49660
and schools shall utilize technology access and electronic 49661
learning opportunities provided by the ~~eTech-Ohio~~ broadcast 49662
educational media commission, chancellor, the Ohio learning 49663
network, education technology centers, public television stations, 49664
and other public and private providers. 49665

(D) Except as provided in division (E) of this section, a 49666
student who enters ninth grade on or after July 1, 2010, and 49667
before July 1, 2014, may qualify for graduation from a public or 49668
chartered nonpublic high school even though the student has not 49669
completed the Ohio core curriculum prescribed in division (C) of 49670
this section if all of the following conditions are satisfied: 49671

(1) After the student has attended high school for two years, 49672
as determined by the school, the student and the student's parent, 49673
guardian, or custodian sign and file with the school a written 49674
statement asserting the parent's, guardian's, or custodian's 49675
consent to the student's graduating without completing the Ohio 49676
core curriculum and acknowledging that one consequence of not 49677
completing the Ohio core curriculum is ineligibility to enroll in 49678
most state universities in Ohio without further coursework. 49679

(2) The student and parent, guardian, or custodian fulfill 49680
any procedural requirements the school stipulates to ensure the 49681
student's and parent's, guardian's, or custodian's informed 49682
consent and to facilitate orderly filing of statements under 49683
division (D)(1) of this section. 49684

(3) The student and the student's parent, guardian, or 49685
custodian and a representative of the student's high school 49686
jointly develop an individual career plan for the student that 49687
specifies the student matriculating to a two-year degree program, 49688
acquiring a business and industry credential, or entering an 49689
apprenticeship. 49690

(4) The student's high school provides counseling and support 49691
for the student related to the plan developed under division 49692
(D)(3) of this section during the remainder of the student's high 49693
school experience. 49694

(5) The student successfully completes, at a minimum, the 49695
curriculum prescribed in division (B) of this section. 49696

The department of education, in collaboration with the 49697
chancellor, shall analyze student performance data to determine if 49698
there are mitigating factors that warrant extending the exception 49699
permitted by division (D) of this section to high school classes 49700
beyond those entering ninth grade before July 1, 2014. The 49701
department shall submit its findings and any recommendations not 49702
later than August 1, 2014, to the speaker and minority leader of 49703
the house of representatives, the president and minority leader of 49704
the senate, the chairpersons and ranking minority members of the 49705
standing committees of the house of representatives and the senate 49706
that consider education legislation, the state board of education, 49707
and the superintendent of public instruction. 49708

(E) Each school district and chartered nonpublic school 49709
retains the authority to require an even more rigorous minimum 49710
curriculum for high school graduation than specified in division 49711
(B) or (C) of this section. A school district board of education, 49712
through the adoption of a resolution, or the governing authority 49713
of a chartered nonpublic school may stipulate any of the 49714
following: 49715

(1) A minimum high school curriculum that requires more than 49716
twenty units of academic credit to graduate; 49717

(2) An exception to the district's or school's minimum high 49718
school curriculum that is comparable to the exception provided in 49719
division (D) of this section but with additional requirements, 49720
which may include a requirement that the student successfully 49721

complete more than the minimum curriculum prescribed in division 49722
(B) of this section; 49723

(3) That no exception comparable to that provided in division 49724
(D) of this section is available. 49725

(F) A student enrolled in a dropout prevention and recovery 49726
program, which program has received a waiver from the department, 49727
may qualify for graduation from high school by successfully 49728
completing a competency-based instructional program administered 49729
by the dropout prevention and recovery program in lieu of 49730
completing the Ohio core curriculum prescribed in division (C) of 49731
this section. The department shall grant a waiver to a dropout 49732
prevention and recovery program, within sixty days after the 49733
program applies for the waiver, if the program meets all of the 49734
following conditions: 49735

(1) The program serves only students not younger than sixteen 49736
years of age and not older than twenty-one years of age. 49737

(2) The program enrolls students who, at the time of their 49738
initial enrollment, either, or both, are at least one grade level 49739
behind their cohort age groups or experience crises that 49740
significantly interfere with their academic progress such that 49741
they are prevented from continuing their traditional programs. 49742

(3) The program requires students to attain at least the 49743
applicable score designated for each of the assessments prescribed 49744
under division (B)(1) of section 3301.0710 of the Revised Code or, 49745
to the extent prescribed by rule of the state board under division 49746
(D)(6) of section 3301.0712 of the Revised Code, division (B)(2) 49747
of that section. 49748

(4) The program develops an individual career plan for the 49749
student that specifies the student's matriculating to a two-year 49750
degree program, acquiring a business and industry credential, or 49751
entering an apprenticeship. 49752

(5) The program provides counseling and support for the student related to the plan developed under division (F)(4) of this section during the remainder of the student's high school experience.

(6) The program requires the student and the student's parent, guardian, or custodian to sign and file, in accordance with procedural requirements stipulated by the program, a written statement asserting the parent's, guardian's, or custodian's consent to the student's graduating without completing the Ohio core curriculum and acknowledging that one consequence of not completing the Ohio core curriculum is ineligibility to enroll in most state universities in Ohio without further coursework.

(7) Prior to receiving the waiver, the program has submitted to the department an instructional plan that demonstrates how the academic content standards adopted by the state board under section 3301.079 of the Revised Code will be taught and assessed.

If the department does not act either to grant the waiver or to reject the program application for the waiver within sixty days as required under this section, the waiver shall be considered to be granted.

(G) Every high school may permit students below the ninth grade to take advanced work. If a high school so permits, it shall award high school credit for successful completion of the advanced work and shall count such advanced work toward the graduation requirements of division (B) or (C) of this section if the advanced work was both:

(1) Taught by a person who possesses a license or certificate issued under section 3301.071, 3319.22, or 3319.222 of the Revised Code that is valid for teaching high school;

(2) Designated by the board of education of the city, local, or exempted village school district, the board of the cooperative

education school district, or the governing authority of the 49784
chartered nonpublic school as meeting the high school curriculum 49785
requirements. 49786

Each high school shall record on the student's high school 49787
transcript all high school credit awarded under division (G) of 49788
this section. In addition, if the student completed a seventh- or 49789
eighth-grade fine arts course described in division (K) of this 49790
section and the course qualified for high school credit under that 49791
division, the high school shall record that course on the 49792
student's high school transcript. 49793

(H) The department shall make its individual academic career 49794
plan available through its Ohio career information system web site 49795
for districts and schools to use as a tool for communicating with 49796
and providing guidance to students and families in selecting high 49797
school courses. 49798

(I) Units earned in English language arts, mathematics, 49799
science, and social studies that are delivered through integrated 49800
academic and career-technical instruction are eligible to meet the 49801
graduation requirements of division (B) or (C) of this section. 49802

(J) The state board, in consultation with the chancellor, 49803
shall adopt a statewide plan implementing methods for students to 49804
earn units of high school credit based on a demonstration of 49805
subject area competency, instead of or in combination with 49806
completing hours of classroom instruction. The state board shall 49807
adopt the plan not later than March 31, 2009, and commence phasing 49808
in the plan during the 2009-2010 school year. The plan shall 49809
include a standard method for recording demonstrated proficiency 49810
on high school transcripts. Each school district and community 49811
school shall comply with the state board's plan adopted under this 49812
division and award units of high school credit in accordance with 49813
the plan. The state board may adopt existing methods for earning 49814
high school credit based on a demonstration of subject area 49815

competency as necessary prior to the 2009-2010 school year. 49816

(K) This division does not apply to students who qualify for 49817
graduation from high school under division (D) or (F) of this 49818
section, or to students pursuing a career-technical instructional 49819
track as determined by the school district board of education or 49820
the chartered nonpublic school's governing authority. 49821
Nevertheless, the general assembly encourages such students to 49822
consider enrolling in a fine arts course as an elective. 49823

Beginning with students who enter ninth grade for the first 49824
time on or after July 1, 2010, each student enrolled in a public 49825
or chartered nonpublic high school shall complete two semesters or 49826
the equivalent of fine arts to graduate from high school. The 49827
coursework may be completed in any of grades seven to twelve. Each 49828
student who completes a fine arts course in grade seven or eight 49829
may elect to count that course toward the five units of electives 49830
required for graduation under division (C)(8) of this section, if 49831
the course satisfied the requirements of division (G) of this 49832
section. In that case, the high school shall award the student 49833
high school credit for the course and count the course toward the 49834
five units required under division (C)(8) of this section. If the 49835
course in grade seven or eight did not satisfy the requirements of 49836
division (G) of this section, the high school shall not award the 49837
student high school credit for the course but shall count the 49838
course toward the two semesters or the equivalent of fine arts 49839
required by this division. 49840

(L)(1) Notwithstanding anything to the contrary in this 49841
section, the board of education of each school district and the 49842
governing authority of each chartered nonpublic school may adopt a 49843
policy to excuse from the high school physical education 49844
requirement each student who, during high school, has participated 49845
in interscholastic athletics, marching band, or cheerleading for 49846
at least two full seasons or in the junior reserve officer 49847

training corps for at least two full school years. If the board or 49848
authority adopts such a policy, the board or authority shall not 49849
require the student to complete any physical education course as a 49850
condition to graduate. ~~However~~ 49851

(2) Notwithstanding anything to the contrary in this section, 49852
a student enrolled in an internet- or computer-based community 49853
school shall be excused from the high school physical education 49854
requirement prescribed by this section. 49855

(3) However, the any student excused from the physical 49856
education requirement under division (L) of this section shall be 49857
required to complete one-half unit, consisting of at least sixty 49858
hours of instruction, in another course of study. In the case of a 49859
student who has participated in the junior reserve officer 49860
training corps for at least two full school years, credit received 49861
for that participation may be used to satisfy the requirement to 49862
complete one-half unit in another course of study. 49863

(M) It is important that high school students learn and 49864
understand United States history and the governments of both the 49865
United States and the state of Ohio. Therefore, beginning with 49866
students who enter ninth grade for the first time on or after July 49867
1, 2012, the study of American history and American government 49868
required by divisions (B)(6) and (C)(6) of this section shall 49869
include the study of all of the following documents: 49870

(1) The Declaration of Independence; 49871

(2) The Northwest Ordinance; 49872

(3) The Constitution of the United States with emphasis on 49873
the Bill of Rights; 49874

(4) The Ohio Constitution. 49875

The study of each of the documents prescribed in divisions 49876
(M)(1) to (4) of this section shall include study of that document 49877

in its original context. 49878

The study of American history and government required by 49879
divisions (B)(6) and (C)(6) of this section shall include the 49880
historical evidence of the role of documents such as the 49881
Federalist Papers and the Anti-Federalist Papers to firmly 49882
establish the historical background leading to the establishment 49883
of the provisions of the Constitution and Bill of Rights. 49884

Sec. 3313.6013. (A) As used in this section, "dual enrollment 49885
program" means a program that enables a student to earn credit 49886
toward a degree from an institution of higher education while 49887
enrolled in high school or that enables a student to complete 49888
coursework while enrolled in high school that may earn credit 49889
toward a degree from an institution of higher education upon the 49890
student's attainment of a specified score on an examination 49891
covering the coursework. Dual enrollment programs may include any 49892
of the following: 49893

(1) The post-secondary enrollment options program established 49894
under Chapter 3365. of the Revised Code; 49895

(2) Advanced placement courses; 49896

(3) Any similar program established pursuant to an agreement 49897
between a school district or chartered nonpublic high school and 49898
an institution of higher education; 49899

(4) Early college high schools. 49900

(B) Each city, local, exempted village, and joint vocational 49901
school district and each chartered nonpublic high school shall 49902
provide students enrolled in grades nine through twelve with the 49903
opportunity to participate in a dual enrollment program. For this 49904
purpose, each school district and chartered nonpublic high school 49905
shall offer at least one dual enrollment program in accordance 49906
with division (B)(1) or (2) of this section, as applicable. 49907

(1) A city, local, or exempted village school district meets 49908
the requirements of this division through its mandatory 49909
participation in the post-secondary enrollment options program 49910
established under Chapter 3365. of the Revised Code. However, a 49911
city, local, or exempted village school district may offer any 49912
other dual enrollment program, in addition to the post-secondary 49913
enrollment options program, and each joint vocational school 49914
district shall offer at least one other dual enrollment program, 49915
to students in good standing, as defined by the partnership for 49916
continued learning under section 3301.42 of the Revised Code as it 49917
existed prior to October 16, 2009, or as subsequently defined by 49918
the department of education. 49919

(2) A chartered nonpublic high school that elects to 49920
participate in the post-secondary enrollment options program 49921
established under Chapter 3365. of the Revised Code meets the 49922
requirements of this division. Each chartered nonpublic high 49923

Any days of attendance and any credits earned by a child while 50469

in the district in which the child attended school at the time of 50478
the parental move for the remainder of the school year and for one 50479
additional semester or equivalent term. A district board may also 50480
adopt a policy specifying extenuating circumstances under which a 50481
student may continue to attend school under division (F)(10) of 50482
this section for an additional period of time in order to 50483
successfully complete the high school curriculum for the 50484

grandparent, and does not require special education is entitled to 50490
attend the schools of the district in which the child's 50491
grandparent resides, provided that, prior to such attendance in 50492

any school year, the board of education of the school district in 50493
which the child's grandparent resides and the board of education 50494
of the school district in which the child's parent resides enter 50495
into a written agreement specifying that good cause exists for 50496
such attendance, describing the nature of this good cause, and 50497
consenting to such attendance. 50498

In lieu of a consent form signed by a parent, a board of 50499
education may request the grandparent of a child attending school 50500
in the district in which the grandparent resides pursuant to 50501
division (F)(11) of this section to complete any consent form 50502
required by the district, including any authorization required by 50503
sections 3313.712, 3313.713, 3313.716, and 3313.718 of the Revised 50504
Code. Upon request, the grandparent shall complete any consent 50505
form required by the district. A school district shall not incur 50506
any liability solely because of its receipt of a consent form from 50507
a grandparent in lieu of a parent. 50508

Division (F)(11) of this section does not create, and shall 50509
not be construed as creating, a new cause of action or substantive 50510
legal right against a school district, a member of a board of 50511
education, or an employee of a school district. This section does 50512
not affect, and shall not be construed as affecting, any 50513
immunities from defenses to tort liability created or recognized 50514
by Chapter 2744. of the Revised Code for a school district, 50515
member, or employee. 50516

(12) A child under the age of twenty-two years is entitled to 50517

attendance in any school year, both of the following occur: 50521

(a) The superintendent of the district in which the child is 50522
entitled to attend school under division (B), (C), or (E) of this 50523
section contacts the superintendent of another district for 50524

purposes of this division; 50525

(b) The superintendents of both districts enter into a 50526
written agreement that consents to the attendance and specifies 50527
that the purpose of such attendance is to protect the student's 50528
physical or mental well-being or to deal with other extenuating 50529
circumstances deemed appropriate by the superintendents. 50530

While an agreement is in effect under this division for a 50531
student who is not receiving special education under Chapter 3323. 50532
of the Revised Code and notwithstanding Chapter 3327. of the 50533
Revised Code, the board of education of neither school district 50534
involved in the agreement is required to provide transportation 50535
for the student to and from the school where the student attends. 50536

A student attending a school of a district pursuant to this 50537
division shall be allowed to participate in all student 50538
activities, including interscholastic athletics, at the school 50539
where the student is attending on the same basis as any student 50540
who has always attended the schools of that district while of 50541
compulsory school age. 50542

(13) All school districts shall comply with the 50543
"McKinney-Vento Homeless Assistance Act," 42 U.S.C.A. 11431 et 50544
seq., for the education of homeless children. Each city, local, 50545
and exempted village school district shall comply with the 50546
requirements of that act governing the provision of a free, 50547
appropriate public education, including public preschool, to each 50548
homeless child. 50549

When a child loses permanent housing and becomes a homeless 50550
person, as defined in 42 U.S.C.A. 11481(5), or when a child who is 50551
such a homeless person changes temporary living arrangements, the 50552
child's parent or guardian shall have the option of enrolling the 50553
child in either of the following: 50554

(a) The child's school of origin, as defined in 42 U.S.C.A. 50555

11432(g)(3)(C); 50556

(b) The school that is operated by the school district in 50557
which the shelter where the child currently resides is located and 50558
that serves the geographic area in which the shelter is located. 50559

(14) A child under the age of twenty-two years who resides 50560
with a person other than the child's parent is entitled to attend 50561
school in the school district in which that person resides if both 50562
of the following apply: 50563

(a) That person has been appointed, through a military power 50564
of attorney executed under section 574(a) of the "National Defense 50565
Authorization Act for Fiscal Year 1994," 107 Stat. 1674 (1993), 10 50566
U.S.C. 1044b, or through a comparable document necessary to 50567
complete a family care plan, as the parent's agent for the care, 50568
custody, and control of the child while the parent is on active 50569
duty as a member of the national guard or a reserve unit of the 50570
armed forces of the United States or because the parent is a 50571
member of the armed forces of the United States and is on a duty 50572
assignment away from the parent's residence. 50573

(b) The military power of attorney or comparable document 50574
includes at least the authority to enroll the child in school. 50575

The entitlement to attend school in the district in which the 50576
parent's agent under the military power of attorney or comparable 50577
document resides applies until the end of the school year in which 50578
the military power of attorney or comparable document expires. 50579

(G) A board of education, after approving admission, may 50580
waive tuition for students who will temporarily reside in the 50581
district and who are either of the following: 50582

(1) Residents or domiciliaries of a foreign nation who 50583
request admission as foreign exchange students; 50584

(2) Residents or domiciliaries of the United States but not 50585

of Ohio who request admission as participants in an exchange 50586
program operated by a student exchange organization. 50587

3327.04, and 3327.06 of the Revised Code, a child may attend 50589
school or participate in a special education program in a school 50590
district other than in the district where the child is entitled to 50591
attend school under division (B) of this section. 50592

(I)(1) Notwithstanding anything to the contrary in this 50593
section or section 3313.65 of the Revised Code, a child under 50594
twenty-two years of age may attend school in the school district 50595
in which the child, at the end of the first full week of October 50596
of the school year, was entitled to attend school as otherwise 50597
provided under this section or section 3313.65 of the Revised 50598
Code, if at that time the child was enrolled in the schools of the 50599
district but since that time the child or the child's parent has 50600
relocated to a new address located outside of that school district 50601
and within the same county as the child's or parent's address 50602
immediately prior to the relocation. The child may continue to 50603
attend school in the district, and at the school to which the 50604
child was assigned at the end of the first full week of October of 50605
the current school year, for the balance of the school year. 50606
Division (I)(1) of this section applies only if both of the 50607
following conditions are satisfied: 50608

(a) The board of education of the school district in which 50609

attendance exceeds the rate deducted from the district required to 50654
pay tuition, the department of education shall pay the district of 50655
attendance the difference from amounts deducted from all 50656
districts' payments under division (C) of section 3317.023 of the 50657
Revised Code but not credited to other school districts under such 50658
division and from appropriations made for such purpose. The 50659

responsible for the oversight of any and all sponsors of the 52148
community schools established under this chapter and shall provide 52149

with applicable laws and the terms of the contracts entered into 52151
under section 3314.03 of the Revised Code and in the development 52152
and start-up activities of those schools. In carrying out its 52153
duties under this section, the department shall do all of the 52154
following: 52155

(1) In providing technical assistance to proposing parties, 52156
governing authorities, and sponsors, conduct training sessions and 52157
distribute informational materials; 52158

(2) Approve entities to be sponsors of community schools; 52159

(3) Monitor and evaluate, as required under section 3314.016 52160
of the Revised Code, the effectiveness of any and all sponsors in 52161
their oversight of the schools with which they have contracted; 52162

(4) By December thirty-first of each year, issue a report to 52163
the governor, the speaker of the house of representatives, the 52164

president of the senate, and the chairpersons of the house and 52165
senate committees principally responsible for education matters 52166
regarding the effectiveness of academic programs, operations, and 52167
legal compliance and of the financial condition of all community 52168
schools established under this chapter and on the performance of 52169
community school sponsors; 52170

(5) From time to time, make legislative recommendations to 52171
the general assembly designed to enhance the operation and 52172
performance of community schools. 52173

(B)(1) Except as provided in sections 3314.021 and 3314.027 52174
of the Revised Code, no entity listed in division (C)(1) of 52175
section 3314.02 of the Revised Code shall enter into a preliminary 52176
agreement under division (C)(2) of section 3314.02 of the Revised 52177
Code until it has received approval from the department of 52178
education to sponsor community schools under this chapter and has 52179
entered into a written agreement with the department regarding the 52180
manner in which the entity will conduct such sponsorship. ~~The~~ 52181

The initial term of a sponsor's agreement with the department 52182
shall be for up to seven years. For every year that the sponsor 52183
satisfies the conditions of division (B)(1)(a) or (b) of this 52184
section, as applicable, the department shall add one year to the 52185
agreement term, subject to divisions (C) and (F) of this section, 52186
unless the sponsor notifies the department that it does not wish 52187
to have the term of the agreement so extended. 52188

To qualify for the extension of the term of the sponsor's 52189
agreement, the sponsor shall satisfy one of the following, as 52190
applicable: 52191

(a) Prior to January 1, 2015, the sponsor is not in the 52192
lowest twenty per cent of sponsors statewide according to the 52193
composite performance index score as ranked under section 3314.016 52194
of the Revised Code, as that section exists prior to that date, 52195

and the sponsor continues to meet all the requirements of this 52196
chapter pertaining to community school sponsors. 52197

(b) On or after January 1, 2015, the sponsor is rated as 52198
"exemplary" or "effective" under section 3314.016 of the Revised 52199
Code, as that section exists on and after that date, and the 52200
sponsor continues to meet all the requirements of this chapter 52201
pertaining to community school sponsors. 52202

The department shall adopt in accordance with Chapter 119. of 52203
the Revised Code rules containing criteria, procedures, and 52204
deadlines for processing applications for ~~such~~ approval of 52205
sponsors, for oversight of sponsors, for notifying a sponsor of 52206
noncompliance with applicable laws and administrative rules under 52207
division (F) of this section, for revocation of the approval of 52208
sponsors under division (C) of this section, and for entering into 52209
written agreements with sponsors. The rules shall require an 52210
entity to submit evidence of the entity's ability and willingness 52211
to comply with the provisions of division (D) of section 3314.03 52212
of the Revised Code. The rules also shall require entities 52213
approved as sponsors on and after June 30, 2005, to demonstrate a 52214
record of financial responsibility and successful implementation 52215
of educational programs. If an entity seeking approval on or after 52216
June 30, 2005, to sponsor community schools in this state sponsors 52217
or operates schools in another state, at least one of the schools 52218
sponsored or operated by the entity must be comparable to or 52219
better than the performance of Ohio schools in need of continuous 52220
improvement under section 3302.03 of the Revised Code, as 52221
determined by the department. 52222

Subject to section 3314.016 of the Revised Code, an entity 52223
that sponsors community schools may enter into preliminary 52224
agreements and sponsor up to one hundred schools, provided each 52225
school and the contract for sponsorship meets the requirements of 52226
this chapter. 52227

(2) The state board of education shall determine, pursuant to 52228
criteria specified in rules adopted in accordance with Chapter 52229
119. of the Revised Code, whether the mission proposed to be 52230
specified in the contract of a community school to be sponsored by 52231
a state university board of trustees or the board's designee under 52232
division (C)(1)(e) of section 3314.02 of the Revised Code complies 52233
with the requirements of that division. Such determination of the 52234
state board is final. 52235

(3) The state board of education shall determine, pursuant to 52236
criteria specified in rules adopted in accordance with Chapter 52237
119. of the Revised Code, if any tax-exempt entity under section 52238
501(c)(3) of the Internal Revenue Code that is proposed to be a 52239
sponsor of a community school is an education-oriented entity for 52240
purpose of satisfying the condition prescribed in division 52241
(C)(1)(f)(iii) of section 3314.02 of the Revised Code. Such 52242
determination of the state board is final. 52243

(C) If at any time the state board of education finds that a 52244
sponsor is not in compliance or is no longer willing to comply 52245
with its contract with any community school or with the 52246
department's rules for sponsorship, the state board or designee 52247
shall conduct a hearing in accordance with Chapter 119. of the 52248
Revised Code on that matter. If after the hearing, the state board 52249
or designee has confirmed the original finding, the department of 52250
education may revoke the sponsor's approval to sponsor community 52251
schools. In that case, the department's office of Ohio school 52252
sponsorship, established under section 3314.029 of the Revised 52253
Code, may assume the sponsorship of any schools with which the 52254
sponsor has contracted until the earlier of the expiration of two 52255
school years or until a new sponsor as described in division 52256
(C)(1) of section 3314.02 of the Revised Code is secured by the 52257
school's governing authority. The office of Ohio school 52258
sponsorship may extend the term of the contract in the case of a 52259

school for which it has assumed sponsorship under this division as 52260
necessary to accommodate the term of the department's 52261
authorization to sponsor the school specified in this division. 52262
Community schools sponsored under this division shall not apply to 52263
the limit on directly authorized community schools under division 52264
(A)(3) of section 3314.029 of the Revised Code. However, nothing 52265
in this division shall preclude a community school affected by 52266
this division from applying for sponsorship under that section. 52267

(D) The decision of the department to disapprove an entity 52268
for sponsorship of a community school or to revoke approval for 52269
such sponsorship under division (C) of this section, may be 52270
appealed by the entity in accordance with section 119.12 of the 52271
Revised Code. 52272

(E) The department shall adopt procedures for use by a 52273
community school governing authority and sponsor when the school 52274
permanently closes and ceases operation, which shall include at 52275
least procedures for data reporting to the department, handling of 52276
student records, distribution of assets in accordance with section 52277
3314.074 of the Revised Code, and other matters related to ceasing 52278
operation of the school. 52279

(F)(1) In lieu of revoking a sponsor's authority to sponsor 52280
community schools under division (C) of this section, if the 52281
department finds that a sponsor is not in compliance with 52282
applicable laws and administrative rules, the department shall 52283
declare in a written notice to the sponsor the specific laws or 52284
rules, or both, for which the sponsor is noncompliant. A sponsor 52285
notified under division (F)(1) of this section shall respond to 52286
the department not later than fourteen days after the notification 52287
with a proposed plan to remedy the conditions for which the 52288
sponsor was found to be noncompliant. The department shall approve 52289
or disapprove the plan not later than fourteen days after 52290
receiving it. If the plan is disapproved, the sponsor may submit a 52291

revised plan to the department not later than fourteen days after 52292
receiving notification of disapproval from the department or not 52293
later than sixty days after the date the sponsor received 52294
notification of noncompliance from the department, whichever is 52295
earlier. The department shall approve or disapprove the revised 52296
plan not later than fourteen days after receiving it or not later 52297
than sixty days after the date the sponsor received notification 52298
of noncompliance from the department, whichever is earlier. A 52299
sponsor may continue to make revisions by the deadlines prescribed 52300
in division (F)(1) of this section to any revised plan that is 52301
disapproved by the department until the sixtieth day after the 52302
date the sponsor received notification of noncompliance from the 52303
department. 52304

If a plan or a revised plan is approved, the sponsor shall 52305
implement it not later than sixty days after the date the sponsor 52306
received notification of noncompliance from the department or not 52307
later than thirty days after the plan is approved, whichever is 52308
later. If a sponsor does not respond to the department or 52309
implement an approved compliance plan by the deadlines prescribed 52310
by division (F)(1) of this section, or if a sponsor does not 52311
receive approval of a compliance plan on or before the sixtieth 52312
day after the date the sponsor received notification of 52313
noncompliance from the department, the department shall declare in 52314
written notice to the sponsor that the sponsor is in probationary 52315
status, and may limit the sponsor's ability to sponsor additional 52316
schools. 52317

(2) A sponsor that has been placed on probationary status 52318
under division (F)(1) of this section may apply to the department 52319
for its probationary status to be lifted. The application for a 52320
sponsor's probationary status to be lifted shall include evidence, 52321
occurring after the initial notification of noncompliance, of the 52322
sponsor's compliance with applicable laws and administrative 52323

rules. Not later than fourteen days after receiving an application 52324
from the sponsor, the department shall decide whether or not to 52325
remove the sponsor's probationary status. 52326

(G) In carrying out its duties under this chapter, the 52327
department shall not impose requirements on community schools or 52328
their sponsors that are not permitted by law or duly adopted 52329
rules. 52330

(H) This section applies to entities that sponsor conversion 52331
community schools and new start-up schools. 52332

Sec. 3314.017. (A) The state board of education shall 52333
prescribe by rules, adopted in accordance with Chapter 119. of the 52334
Revised Code, an academic performance rating and report card 52335
system that satisfies the requirements of this section for 52336
community schools that primarily serve students enrolled in 52337
dropout prevention and recovery programs as described in division 52338
(A)(4)(a) of section 3314.35 of the Revised Code, to be used in 52339
lieu of the system prescribed under sections 3302.03 and 3314.012 52340
of the Revised Code beginning with the 2012-2013 school year. Each 52341
such school shall comply with the testing and reporting 52342
requirements of the system as prescribed by the state board. 52343

(B) Nothing in this section shall at any time relieve a 52344
school from its obligations under the "No Child Left Behind Act of 52345
2001" to make "adequate yearly progress," as both that act and 52346
that term are defined in section 3302.01 of the Revised Code, or a 52347
school's amenability to the provisions of section 3302.04 or 52348
3302.041 of the Revised Code. The department shall continue to 52349
report each school's performance as required by the act and to 52350
enforce applicable sanctions under section 3302.04 or 3302.041 of 52351
the Revised Code. 52352

(C) The rules adopted by the state board shall prescribe the 52353
following performance indicators for the rating and report card 52354

or both as measured by separate nationally norm-referenced 52385
assessments that have developed appropriate standards for students 52386
enrolled in dropout prevention and recovery programs, adopted or 52387
approved by the state board. 52388

(D)(1) The state board's rules shall prescribe the expected 52389
performance levels and benchmarks for each of the indicators 52390
prescribed by division (C) of this section based on the data 52391
gathered by the department under division (F) of this section. 52392
Based on a school's level of attainment or nonattainment of the 52393
expected performance levels and benchmarks for each of the 52394
indicators, the department shall rate each school in one of the 52395
following categories: 52396

(a) Exceeds standards; 52397

(b) Meets standards; 52398

(c) Does not meet standards. 52399

(2) The state board's rules shall establish all of the 52400
following: 52401

(i) Performance levels and benchmarks for the indicator 52406
described in division (C)(4) of this section; 52407

(ii) Standards for awarding a community school described in 52408

(I) Thirty per cent of the score shall be based on the 52411
indicators described in division (C)(1) of this section that are 52412
applicable to the school year for which the overall designation is 52413
granted. 52414

(II) Thirty per cent of the score shall be based on the indicators described in division (C)(4) of this section.

(III) Twenty per cent of the score shall be based on the indicators described in division (C)(2) of this section.

(IV) Twenty per cent of the score shall be based on the indicators described in division (C)(3) of this section.

(3) If both of the indicators described in divisions (C)(1) and (2) of this section improve by ten per cent for two consecutive years, a school shall be rated ~~as~~ not less than "meets standards."

The rating and the relevant performance data for each school shall be posted on the department's web site, and a copy of the rating and data shall be provided to the governing authority of the community school.

(E)(1) For the 2012-2013 school year, the department shall issue a report card including the following performance measures, but without a performance rating as described in divisions (D)(1)(a) to (c) of this section, for each community school described in division (A)(4)(a) of section 3314.35 of the Revised Code:

to section 3314.072 of the Revised Code, or terminate the contract 52937
of the school pursuant to section 3314.07 of the Revised Code as 52938
determined necessary by the sponsor; 52939

(6) Have in place a plan of action to be undertaken in the 52940
event the community school experiences financial difficulties or 52941
closes prior to the end of a school year. 52942

(E) Upon the expiration of a contract entered into under this 52943
section, the sponsor of a community school may, with the approval 52944
of the governing authority of the school, renew that contract for 52945
a period of time determined by the sponsor, but not ending earlier 52946
than the end of any school year, if the sponsor finds that the 52947
school's compliance with applicable laws and terms of the contract 52948
and the school's progress in meeting the academic goals prescribed 52949
in the contract have been satisfactory. Any contract that is 52950
renewed under this division remains subject to the provisions of 52951
sections 3314.07, 3314.072, and 3314.073 of the Revised Code. 52952

(F) If a community school fails to open for operation within 52953
one year after the contract entered into under this section is 52954
adopted pursuant to division (D) of section 3314.02 of the Revised 52955
Code or permanently closes prior to the expiration of the 52956
contract, the contract shall be void and the school shall not 52957
enter into a contract with any other sponsor. A school shall not 52958
be considered permanently closed because the operations of the 52959
school have been suspended pursuant to section 3314.072 of the 52960
Revised Code. 52961

Sec. 3314.042. The governing authority of each community 52962
school shall comply with the standards for financial reporting 52963
adopted under division (B)(2) of section 3301.07 of the Revised 52964
Code. 52965

Sec. 3314.05. (A) The contract between the community school 52966

and the sponsor shall specify the facilities to be used for the 52967
community school and the method of acquisition. Except as provided 52968
in divisions (B)(3) and (4) of this section, no community school 52969
shall be established in more than one school district under the 52970
same contract. 52971

(B) Division (B) of this section shall not apply to internet- 52972
or computer-based community schools. 52973

(1) A community school may be located in multiple facilities 52974
under the same contract only if the limitations on availability of 52975
space prohibit serving all the grade levels specified in the 52976
contract in a single facility or division (B)(2), (3), or (4) of 52977
this section applies to the school. The school shall not offer the 52978
same grade level classrooms in more than one facility. 52979

(2) A community school may be located in multiple facilities 52980
under the same contract and, notwithstanding division (B)(1) of 52981
this section, may assign students in the same grade level to 52982
multiple facilities, as long as all of the following apply: 52983

~~(a) The governing authority of the community school filed a 52984
copy of its contract with the school's sponsor under section 52985
3314.03 of the Revised Code with the superintendent of public 52986
instruction on or before May 15, 2008. 52987~~

~~(b) The school was not open for operation prior to July 1, 52988

~~(e)~~ The governing authority has entered into and maintains a 52990
contract with an operator of the type described in division 52991
(A)(8)(b) of section 3314.02 of the Revised Code. 52992

~~(d)~~(b) The contract with that operator qualified the school 52993
to be established pursuant to division (A) of former section 52994
3314.016 of the Revised Code. 52995

~~(e)~~(c) The school's rating under section 3302.03 of the 52996

Revised Code does not fall below a combination of any of the 52997
following for two or more consecutive years: 52998

(i) A rating of "in need of continuous improvement" under 52999
section 3302.03 of the Revised Code, as that section existed prior 53000
to ~~the effective date of this section~~ March 22, 2013; 53001

(ii) For the 2012-2013 and 2013-2014 school years, a rating 53002
of "C" for both the performance index score under division 53003
(A)(1)(b) or (B)(1)(b) and the value-added dimension under 53004
division (A)(1)(e) or (B)(1)(e) of section 3302.03 of the Revised 53005
Code; or if the building serves only grades ten through twelve, 53006
the building received a grade of "C" for the performance index 53007
score under division (A)(1)(b) or (B)(1)(b) of section 3302.03 of 53008
the Revised Code; 53009

designation of "meets standards" under division (E)(3)(e) of 53013
section 3314.017 of the Revised Code. 53014

(3) A new start-up community school may be established in two 53015
school districts under the same contract if all of the following 53016
apply: 53017

(a) At least one of the school districts in which the school 53018
is established is a challenged school district; 53019

(b) The school operates not more than one facility in each 53020
school district and, in accordance with division (B)(1) of this 53021
section, the school does not offer the same grade level classrooms 53022
in both facilities; and 53023

(c) Transportation between the two facilities does not 53024
require more than thirty minutes of direct travel time as measured 53025
by school bus. 53026

In the case of a community school to which division (B)(3) of 53027
this section applies, if only one of the school districts in which 53028
the school is established is a challenged school district, that 53029
district shall be considered the school's primary location and the 53030
district in which the school is located for the purposes of 53031
division (A)(19) of section 3314.03 and divisions (C) and (H) of 53032
section 3314.06 of the Revised Code and for all other purposes of 53033
this chapter. If both of the school districts in which the school 53034
is established are challenged school districts, the school's 53035
governing authority shall designate one of those districts to be 53036
considered the school's primary location and the district in which 53037
the school is located for the purposes of those divisions and all 53038
other purposes of this chapter and shall notify the department of 53039
education of that designation. 53040

(4) A community school may be located in multiple facilities 53041
under the same contract and, notwithstanding division (B)(1) of 53042
this section, may assign students in the same grade level to 53043
multiple facilities, as long as both of the following apply: 53044

(a) The facilities are all located in the same county. 53045

(b) Either of the following conditions are satisfied: 53046

(i) The community school is sponsored by a board of education 53047
of a city, local, or exempted village school district having 53048
territory in the same county where the facilities of the community 53049
school are located; 53050

(ii) The community school is managed by an operator. 53051

In the case of a community school to which division (B)(4) of 53052
this section applies and that maintains facilities in more than 53053
one school district, the school's governing authority shall 53054
designate one of those districts to be considered the school's 53055
primary location and the district in which the school is located 53056
for the purposes of division (A)(19) of section 3314.03 and 53057

divisions (C) and (H) of section 3314.06 of the Revised Code and 53058
for all other purposes of this chapter and shall notify the 53059
department of that designation. 53060

(5) Any facility used for a community school shall meet all 53061
health and safety standards established by law for school 53062
buildings. 53063

(C) In the case where a community school is proposed to be 53064
located in a facility owned by a school district or educational 53065
service center, the facility may not be used for such community 53066
school unless the district or service center board owning the 53067
facility enters into an agreement for the community school to 53068
utilize the facility. Use of the facility may be under any terms 53069
and conditions agreed to by the district or service center board 53070
and the school. 53071

(D) Two or more separate community schools may be located in 53072
the same facility. 53073

(E) In the case of a community school that is located in 53074
multiple facilities, beginning July 1, 2012, the department shall 53075
assign a unique identification number to the school and to each 53076
facility maintained by the school. Each number shall be used for 53077
identification purposes only. Nothing in this division shall be 53078
construed to require the department to calculate the amount of 53079
funds paid under this chapter, or to compute any data required for 53080
the report cards issued under section 3314.012 of the Revised 53081
Code, for each facility separately. The department shall make all 53082
such calculations or computations for the school as a whole. 53083

Sec. 3314.06. The governing authority of each community 53084
school established under this chapter shall adopt admission 53085
procedures that specify the following: 53086

(A) That, except as otherwise provided in this section, 53087

admission to the school shall be open to any individual age five 53088
to twenty-two entitled to attend school pursuant to section 53089
3313.64 or 3313.65 of the Revised Code in a school district in the 53090
state. 53091

Additionally, except as otherwise provided in this section, 53092
admission to the school may be open on a tuition basis to any 53093
individual age five to twenty-two who is not a resident of this 53094
state. The school shall not receive state funds under section 53095
3314.08 of the Revised Code for any student who is not a resident 53096
of this state. 53097

An individual younger than five years of age may be admitted 53098
to the school in accordance with division (A)(2) of section 53099
3321.01 of the Revised Code. 53100

(B)(1) That admission to the school may be limited to 53101
students who have attained a specific grade level or are within a 53102
specific age group; to students that meet a definition of 53103
"at-risk," as defined in the contract; to residents of a specific 53104
geographic area within the district, as defined in the contract; 53105
or to separate groups of autistic students and nondisabled 53106
students, as authorized in section 3314.061 of the Revised Code 53107
and as defined in the contract. 53108

(2) For purposes of division (B)(1) of this section, 53109
"at-risk" students may include those students identified as gifted 53110
students under section 3324.03 of the Revised Code. 53111

(C) Whether enrollment is limited to students who reside in 53112
the district in which the school is located or is open to 53113
residents of other districts, as provided in the policy adopted 53114
pursuant to the contract. 53115

(D)(1) That there will be no discrimination in the admission 53116
of students to the school on the basis of race, creed, color, 53117
disability, or sex except that: 53118

(a) The governing authority may do either of the following	53119
for the purpose described in division (G) of this section:	53120
(i) Establish a single-gender school for either sex;	53121
(ii) Establish single-gender schools for each sex under the	53122
same contract, provided substantially equal facilities and	53123
learning opportunities are offered for both boys and girls. Such	53124
facilities and opportunities may be offered for each sex at	53125
separate locations.	53126
(b) The governing authority may establish a school that	53127
simultaneously serves a group of students identified as autistic	53128
and a group of students who are not disabled, as authorized in	53129
section 3314.061 of the Revised Code. However, unless the total	53130
capacity established for the school has been filled, no student	53131
with any disability shall be denied admission on the basis of that	53132
disability.	53133
(2) That upon admission of any student with a disability, the	53134
community school will comply with all federal and state laws	53135
regarding the education of students with disabilities.	53136
(E) That the school may not limit admission to students on	53137
the basis of intellectual ability, measures of achievement or	53138
aptitude, or athletic ability, except that a school may limit its	53139
enrollment to students as described in division (B) of this	53140
section.	53141
(F) That the community school will admit the number of	53142
students that does not exceed the capacity of the school's	53143
programs, classes, grade levels, or facilities.	53144
(G) That the purpose of single-gender schools that are	53145
established shall be to take advantage of the academic benefits	53146
some students realize from single-gender instruction and	53147
facilities and to offer students and parents residing in the	53148
district the option of a single-gender education.	53149

(H) That, except as otherwise provided under division (B) of this section or section 3314.061 of the Revised Code, if the number of applicants exceeds the capacity restrictions of division (F) of this section, students shall be admitted by lot from all those submitting applications, except preference shall be given to students attending the school the previous year and to students who reside in the district in which the school is located. Preference may be given to siblings of students attending the school the previous year.

Notwithstanding divisions (A) to (H) of this section, in the event the racial composition of the enrollment of the community school is violative of a federal desegregation order, the community school shall take any and all corrective measures to comply with the desegregation order.

Sec. 3314.072. The provisions of this section are enacted to promote the public health, safety, and welfare by establishing procedures under which the governing authorities of community schools established under this chapter will be held accountable for their compliance with the terms of the contracts they enter into with their school's sponsors and the law relating to the school's operation. Suspension of the operation of a school imposed under this section is intended to encourage the governing authority's compliance with the terms of the school's contract and the law and is not intended to be an alteration of the terms of that contract.

(A) If a sponsor of a community school established under this chapter suspends the operation of that school pursuant to procedures set forth in this section, the governing authority shall not operate that school while the suspension is in effect. Any such suspension shall remain in effect until the sponsor notifies the governing authority that it is no longer in effect.

The contract of a school of which operation is suspended under 53181
this section also may be subject to termination or nonrenewal 53182
under section 3314.07 of the Revised Code. 53183

(B) If at any time conditions at the school do not comply 53184
with a health and safety standard established by law for school 53185
buildings, the sponsor shall immediately suspend the operation of 53186
the school pursuant to procedures set forth in division (D) of 53187
this section. If the sponsor fails to take action to suspend the 53188
operation of a school to which this division applies, the 53189
department of education may take such action. 53190

(C)(1) For any of the reasons prescribed in division 53191
(B)(1)(a) to (d) of section 3314.07 of the Revised Code, the 53192
sponsor of a community school established under this chapter may 53193
suspend the operation of the school only if it first issues to the 53194
governing authority notice of the sponsor's intent to suspend the 53195
operation of the contract. Such notice shall explain the reasons 53196
for the sponsor's intent to suspend operation of the contract and 53197
shall provide the school's governing authority with five business 53198
days to submit to the sponsor a proposal to remedy the conditions 53199
cited as reasons for the suspension. 53200

(2) The sponsor shall promptly review any proposed remedy 53201
timely submitted by the governing authority and either approve or 53202
disapprove the remedy. If the sponsor disapproves the remedy 53203
proposed by the governing authority, if the governing authority 53204
fails to submit a proposed remedy in the manner prescribed by the 53205
sponsor, or if the governing authority fails to implement the 53206
remedy as approved by the sponsor, the sponsor may suspend 53207
operation of the school pursuant to procedures set forth in 53208
division (D) of this section. 53209

(D)(1) If division (B) of this section applies or if the 53210
sponsor of a community school established under this chapter 53211
decides to suspend the operation of a school as permitted in 53212

division (C)(2) of this section, the sponsor shall promptly send 53213
written notice to the governing authority stating that the 53214
operation of the school is immediately suspended, and explaining 53215
the specific reasons for the suspension. The notice shall state 53216
that the governing authority has five business days to submit a 53217
proposed remedy to the conditions cited as reasons for the 53218
suspension or face potential contract termination. 53219

(2) Upon receipt of the notice of suspension prescribed under 53220
division (D)(1) of this section, the governing authority shall 53221
immediately notify the employees of the school and the parents of 53222
the students enrolled in the school of the suspension and the 53223
reasons therefore, and shall cease all school operations on the 53224
next business day. 53225

(E)(1) Beginning with the 2013-2014 school year, if the 53226
sponsor of a community school suspends the operation of that 53227
school pursuant to procedures set forth in this section, the 53228
school's contract with the sponsor under section 3314.03 of the 53229
Revised Code shall become void, if the governing authority of the 53230
school fails to provide a proposal to remedy the conditions cited 53231
by the sponsor as reasons for the suspension, to the satisfaction 53232
of the sponsor, by the thirtieth day of September of the school 53233
year immediately following the school year in which the operation 53234
of school was suspended. 53235

(2) If, prior to the effective date of this amendment, the 53236
sponsor of a community school has suspended the operation of the 53237
school, the contract with the sponsor under section 3314.03 of the 53238
Revised Code shall become void if the governing authority of the 53239
school fails to provide by September 30, 2014, a proposal to 53240
remedy the conditions cited by the sponsor as reasons for the 53241
suspension, to the satisfaction of the sponsor. 53242

Sec. 3314.074. Divisions (A) and (B) of this section apply 53243

only to the extent permitted under Chapter 1702. of the Revised Code. 53244
53245

(A) If any community school established under this chapter 53246
permanently closes and ceases its operation as a community school, 53247
the assets of that school shall be distributed first to the 53248
retirement funds of employees of the school, employees of the 53249
school, and private creditors who are owed compensation, and then 53250
any remaining funds shall be paid to the department of education 53251
for redistribution to the school districts in which the students 53252
who were enrolled in the school at the time it ceased operation 53253
were entitled to attend school under section 3313.64 or 3313.65 of 53254
the Revised Code. The amount distributed to each school district 53255
shall be proportional to the district's share of the total 53256
enrollment in the community school. 53257

(B) If a community school closes and ceases to operate as a 53258
community school and the school has received computer hardware or 53259
software from the former Ohio SchoolNet commission or the former 53260
eTech Ohio commission, such hardware or software shall be ~~returned~~ 53261
turned over to the ~~eTech Ohio commission~~ department of education, 53262
~~and the eTech Ohio commission~~ which shall redistribute the 53263
hardware and software, to the extent such redistribution is 53264
possible, to school districts in conformance with the provisions 53265
of the programs as they were operated and administered by the 53266
former eTech Ohio commission. 53267

(C) If the assets of the school are insufficient to pay all 53268
persons or entities to whom compensation is owed, the 53269
prioritization of the distribution of the assets to individual 53270
persons or entities within each class of payees may be determined 53271
by decree of a court in accordance with this section and Chapter 53272
1702. of the Revised Code. 53273

Sec. 3314.08. ~~The deductions under division (C) and the~~ 53274

~~payments under division (D) of this section for fiscal years 2012 53275
and 2013 shall be made in accordance with section 3314.088 of the 53276

(1) A student shall be considered enrolled in the community 53916
school for any portion of the school year the student is 53917
participating at a college under Chapter 3365. of the Revised 53918
Code. 53919

(2) A student shall be considered to be enrolled in a 53920
community school for the period of time beginning on the later of 53921
the date on which the school both has received documentation of 53922
the student's enrollment from a parent and the student has 53923

commenced participation in learning opportunities as defined in 53924
the contract with the sponsor, or thirty days prior to the date on 53925
which the student is entered into the education management 53926
information system established under section 3301.0714 of the 53927
Revised Code. For purposes of applying this division and divisions 53928
~~(L)~~(H)(3) and (4) of this section to a community school student, 53929
"learning opportunities" shall be defined in the contract, which 53930
shall describe both classroom-based and non-classroom-based 53931
learning opportunities and shall be in compliance with criteria 53932
and documentation requirements for student participation which 53933
shall be established by the department. Any student's instruction 53934

terminating enrollment of the student. 53940

(b) The community school is provided documentation of a 53941
student's enrollment in another public or private school. 53942

(c) The community school ceases to offer learning 53943
opportunities to the student pursuant to the terms of the contract 53944
with the sponsor or the operation of any provision of this 53945
chapter. 53946

Except as otherwise specified in this paragraph, beginning in 53947
the 2011-2012 school year, any student who completed the prior 53948
school year in an internet- or computer-based community school 53949
shall be considered to be enrolled in the same school in the 53950
subsequent school year until the student's enrollment has ceased 53951
as specified in division ~~(L)~~(H)(2) of this section. The department 53952
shall continue subtracting and paying amounts for the student 53953
under ~~divisions~~ division (C) and ~~(D)~~ of this section without 53954
interruption at the start of the subsequent school year. However, 53955

if the student without a legitimate excuse fails to participate in 53956
the first one hundred five consecutive hours of learning 53957
opportunities offered to the student in that subsequent school 53958
year, the student shall be considered not to have re-enrolled in 53959

number of days, is of the total learning opportunities offered by 53967

community school shall be credited for any time a student spends 53970
participating in learning opportunities beyond ten hours within 53971
any period of twenty-four consecutive hours. Whether it reports 53972
hours or days of learning opportunities, each community school 53973
shall offer not less than nine hundred twenty hours of learning 53974
opportunities during the school year. 53975

(4) With respect to the calculation of full-time equivalency 53976
under division ~~(L)~~(H)(3) of this section, the department shall 53977
waive the number of hours or days of learning opportunities not 53978
offered to a student because the community school was closed 53979
during the school year due to disease epidemic, hazardous weather 53980
conditions, law enforcement emergencies, inoperability of school 53981
buses or other equipment necessary to the school's operation, 53982
damage to a school building, or other temporary circumstances due 53983
to utility failure rendering the school building unfit for school 53984
use, so long as the school was actually open for instruction with 53985
students in attendance during that school year for not less than 53986
the minimum number of hours required by this chapter. The 53987

department shall treat the school as if it were open for 53988
instruction with students in attendance during the hours or days 53989
waived under this division. 53990

~~(M)~~(I) The department of education shall reduce the amounts 53991

to colleges under division (B) of section 3365.07 of the Revised 53993
Code or through alternative funding agreements entered into under 53994
rules adopted under section 3365.12 of the Revised Code. 53995

the student, in any community school that is required to provide 53998
the student with a computer pursuant to division (C) of section 53999
3314.22 of the Revised Code, unless both of the following 54000
conditions are satisfied: 54001

(a) The student possesses or has been provided with all 54002
required hardware and software materials and all such materials 54003
are operational so that the student is capable of fully 54004
participating in the learning opportunities specified in the 54005
contract between the school and the school's sponsor as required 54006
by division (A)(23) of section 3314.03 of the Revised Code; 54007

(b) The school is in compliance with division (A) of section 54008

(2) In accordance with policies adopted jointly by the 54010
superintendent of public instruction and the auditor of state, the 54011
department shall reduce the amounts otherwise payable under 54012
division ~~(D)~~(C) of this section to any community school that 54013
includes in its program the provision of computer hardware and 54014

materials have not been delivered, installed, and activated for 54016
each such student in a timely manner or other educational 54017
materials or services have not been provided according to the 54018

contract between the individual community school and its sponsor. 54019

The superintendent of public instruction and the auditor of 54020
state shall jointly establish a method for auditing any community 54021
school to which this division pertains to ensure compliance with 54022
this section. 54023

The superintendent, auditor of state, and the governor shall 54024
jointly make recommendations to the general assembly for 54025
legislative changes that may be required to assure fiscal and 54026
academic accountability for such schools. 54027

~~(O)~~(K)(1) If the department determines that a review of a 54028
community school's enrollment is necessary, such review shall be 54029
completed and written notice of the findings shall be provided to 54030
the governing authority of the community school and its sponsor 54031
within ninety days of the end of the community school's fiscal 54032
year, unless extended for a period not to exceed thirty additional 54033
days for one of the following reasons: 54034

(a) The department and the community school mutually agree to 54035
the extension. 54036

(b) Delays in data submission caused by either a community 54037
school or its sponsor. 54038

(2) If the review results in a finding that additional 54039
funding is owed to the school, such payment shall be made within 54040
thirty days of the written notice. If the review results in a 54041
finding that the community school owes moneys to the state, the 54042
following procedure shall apply: 54043

(a) Within ten business days of the receipt of the notice of 54044
findings, the community school may appeal the department's 54045
determination to the state board of education or its designee. 54046

(b) The board or its designee shall conduct an informal 54047
hearing on the matter within thirty days of receipt of such an 54048

appeal and shall issue a decision within fifteen days of the 54049
conclusion of the hearing. 54050

(c) If the board has enlisted a designee to conduct the 54051
hearing, the designee shall certify its decision to the board. The 54052
board may accept the decision of the designee or may reject the 54053
decision of the designee and issue its own decision on the matter. 54054

(d) Any decision made by the board under this division is 54055
final. 54056

(3) If it is decided that the community school owes moneys to 54057
the state, the department shall deduct such amount from the 54058
school's future payments in accordance with guidelines issued by 54059
the superintendent of public instruction. 54060

(3) Any student who was enrolled in the community school 54068

excused pursuant to division (C)(1) or (3) of that section, unless 54072
the superintendent of public instruction grants the student a 54073
waiver from the requirement to take the assessment and a parent is 54074
not paying tuition for the student pursuant to section 3314.26 of 54075
the Revised Code. The superintendent may grant a waiver only for 54076
good cause in accordance with rules adopted by the state board of 54077
education. 54078

(4) Any student who has attained the age of twenty-two years, 54079
except for veterans of the armed services whose attendance was 54080
interrupted before completing the recognized twelve-year course of 54081
the public schools by reason of induction or enlistment in the 54082
armed forces and who apply for enrollment in a community school 54083

54131

(4) The school district in which the home that the child is living in is located shall not count the child in that district's formula ADM. 54132
54133
54134

(5) The ~~Department~~ department of ~~Education~~ education shall deduct the applicable amounts prescribed under division (C) of section 3314.08 ~~and division (D) of section 3314.13~~ of the Revised Code from the child's school district of residence and shall not deduct those amounts from the school district in which the home 54135
54136
54137
54138
54139

that the child is living in is located. 54140

(6) The ~~Department~~ department shall make the payments 54141
prescribed in ~~divisions (D) and (E)~~ division (C) of section 54142
3314.08 ~~and section 3314.13~~ of the Revised Code, as applicable, to 54143
the community school. 54144

Sec. 3314.086. A community school established under this 54145
chapter, including an internet- or computer-based community 54146
school, may provide career-technical education in the manner 54147
prescribed by section 3313.90 of the Revised Code. The community 54148
school may contract with any public agency, board, or bureau or 54149
with any private individual or firm for the purchase of any 54150
career-technical education or vocational rehabilitation service 54151
for any student enrolled in the community school and may pay for 54152
such services with funds received under section 3314.08 of the 54153
Revised Code. 54154

Sec. 3314.087. (A) As used in this section: 54155

(1) "Career-technical program" means ~~vocational~~ 54156
career-technical programs or classes described in division (A) ~~or,~~ 54157
(B), (C), (D), or (E) of section 3317.014 of the Revised Code in 54158
which a student is enrolled. 54159

(2) "Formula ADM," "category one ~~or two vocational~~ through 54160
five career-technical education ADM," and "FTE basis" have the 54161
same meanings as in section 3317.02 of the Revised Code. 54162

(3) "Resident school district" means the city, exempted 54163
village, or local school district in which a student is entitled 54164
to attend school under section 3313.64 or 3313.65 of the Revised 54165
Code. 54166

(B) Notwithstanding anything to the contrary in this chapter 54167
or Chapter 3317. of the Revised Code, a student enrolled in a 54168
community school may simultaneously enroll in the career-technical 54169

program operated by the ~~student's resident school district~~ 54170
career-technical planning district to which the student's resident 54171
district belongs. On an FTE basis, the student's resident school 54172
district shall count the student in the category one ~~or two~~ 54173
vocational through five career-technical education ADM for the 54174
proportion of the time the student is enrolled in ~~the district's a~~ 54175
career-technical program of the career-technical planning district 54176
to which the student's resident district belongs and, accordingly, 54177
the department of education shall calculate funds under Chapter 54178
3317. for the resident district attributable to the student for 54179
the proportion of time the student attends the career-technical 54180
program. The community school shall count the student in its 54181
enrollment report under section 3314.08 of the Revised Code and 54182
shall report to the department the proportion of time that the 54183
student attends classes at the community school. The department 54184
shall pay the community school and deduct from the student's 54185
resident school district the amount computed for the student under 54186
section 3314.08 of the Revised Code in proportion to the fraction 54187
of the time on an FTE basis that the student attends classes at 54188
the community school. "Full-time equivalency" for a community 54189
school student, as defined in division ~~(L)~~(H) of section 3314.08 54190
of the Revised Code, does not apply to the student. 54191

Sec. 3314.09. (A) As used in this section and section 54192
3314.091 of the Revised Code, "native student" means a student 54193
entitled to attend school in the school district under section 54194
3313.64 or 3313.65 of the Revised Code. 54195

(B) Except as provided in section 3314.091 or 3327.02 of the 54196
Revised Code, the board of education of each city, local, and 54197
exempted village school district shall provide transportation to 54198
and from school for its ~~district's~~ native students in accordance 54199
with section 3327.01 of the Revised Code. 54200

Sec. 3314.091. (A) A student who attends a community school that provides or arranges for transporting students pursuant to this section, or the student's parent or guardian, is not eligible for the subsidy prescribed by section 3327.02 of the Revised Code.

(A) A school district is not required to provide transportation for any native student enrolled in a community school if the district board of education has entered into an agreement with the community school's governing authority that designates the community school as responsible for providing or arranging for the transportation of the district's native students to and from the community school. For any such agreement to be effective, it must be certified by the superintendent of public instruction as having met all of the following requirements:

(1) It is submitted to the department of education by a deadline which shall be established by the department.

(2) In accordance with divisions (C)(1) and (2) of this section, it specifies qualifications, such as residing a minimum distance from the school, for students to have their transportation provided or arranged.

(3) The transportation provided by the community school is subject to all provisions of the Revised Code and all rules adopted under the Revised Code pertaining to pupil transportation.

(4) The sponsor of the community school also has signed the agreement.

(B)(1) For the school year that begins on July 1, 2007, a school district is not required to provide transportation for any native student enrolled in a community school, if the community school during the previous school year transported the students enrolled in the school or arranged for the students' transportation, even if that arrangement consisted of having

parents transport their children to and from the school, but did 54231
not enter into an agreement to transport or arrange for 54232
transportation for those students under division (A) of this 54233
section, and if the governing authority of the community school by 54234
July 15, 2007, submits written notification to the district board 54235
of education stating that the governing authority is accepting 54236
responsibility for providing or arranging for the transportation 54237
of the district's native students to and from the community 54238
school. 54239

(2) ~~For~~ Except as provided in division (B)(4) of this 54240
section, for any school year subsequent to the school year that 54241
begins on July 1, 2007, a school district is not required to 54242
provide transportation for any native student enrolled in a 54243
community school if the governing authority of the community 54244
school, by the thirty-first day of January of the previous school 54245
year, submits written notification to the district board of 54246
education stating that the governing authority is accepting 54247
responsibility for providing or arranging for the transportation 54248
of the district's native students to and from the community 54249
school. If the governing authority of the community school has 54250
previously accepted responsibility for providing or arranging for 54251
the transportation of a district's native students to and from the 54252
community school, under division (B)(1) or (2) of this section, 54253
and has since relinquished that responsibility under division 54254
(B)(3) of this section, the governing authority shall not accept 54255
that responsibility again unless the district board consents to 54256
the governing authority's acceptance of that responsibility. 54257

(3) A governing authority's acceptance of responsibility 54258
under division (B)(1) or (2) of this section shall cover an entire 54259
school year, and shall remain in effect for subsequent school 54260
years unless the governing authority submits written notification 54261
to the district board that the governing authority is 54262

relinquishing the responsibility. However, a governing authority 54263
shall not relinquish responsibility for transportation before the 54264
end of a school year, and shall submit the notice relinquishing 54265
responsibility by the thirty-first day of January, in order to 54266
allow the school district reasonable time to prepare 54267
transportation for its native students enrolled in the school. 54268

(4)(a) For any school year that begins on or after July 1, 54269
2014, a school district is not required to provide transportation 54270
for any native student enrolled in a community school scheduled to 54271
open for operation in the current school year, if the governing 54272
authority of the community school, by the fifteenth day of April 54273
of the previous school year, submits written notification to the 54274
district board of education stating that the governing authority 54275
is accepting responsibility for providing or arranging for the 54276
transportation of the district's native students to and from the 54277
community school. 54278

(b) The governing authority of a community school that 54279
accepts responsibility for transporting its students under 54280
division (4)(a) of this section shall comply with divisions (B)(2) 54281
and (3) of this section to renew or relinquish that authority for 54282
subsequent school years. 54283

(C)(1) A community school governing authority that enters 54284
into an agreement under division (A) of this section, or that 54285
accepts responsibility under division (B) of this section, shall 54286
provide or arrange transportation free of any charge for each of 54287
its enrolled students who is required to be transported under 54288
section 3327.01 of the Revised Code or who would otherwise be 54289
transported by the school district under the district's 54290
transportation policy. The governing authority shall report to the 54291
department of education the number of students transported or for 54292
whom transportation is arranged under this section in accordance 54293
with rules adopted by the state board of education. 54294

(2) The governing authority may provide or arrange transportation for any other enrolled student who is not eligible for transportation in accordance with division (C)(1) of this section and may charge a fee for such service up to the actual cost of the service.

(3) Notwithstanding anything to the contrary in division (C)(1) or (2) of this section, a community school governing authority shall provide or arrange transportation free of any charge for any disabled student enrolled in the school for whom the student's individualized education program developed under Chapter 3323. of the Revised Code specifies transportation.

(D)(1) If a school district board and a community school governing authority elect to enter into an agreement under division (A) of this section, the department of education shall make payments to the community school according to the terms of the agreement for each student actually transported under division (C)(1) of this section.

If a community school governing authority accepts transportation responsibility under division (B) of this section, the department shall make payments to the community school for each student actually transported or for whom transportation is arranged by the community school under division (C)(1) of this section, calculated as follows:

(a) For any fiscal year which the general assembly has specified that transportation payments to school districts be based on an across-the-board percentage of the district's payment for the previous school year, the per pupil payment to the community school shall be the following quotient:

(i) The total amount calculated for the school district in which the child is entitled to attend school for student transportation other than transportation of children with

disabilities; divided by 54326

(ii) The number of students included in the district's 54327
transportation ADM for the current fiscal year, as reported under 54328
division (B)~~(13)~~(19) of section 3317.03 of the Revised Code, plus 54329
the number of students enrolled in the community school not 54330
counted in the district's transportation ADM who are transported 54331
under division (B)(1) or (2) of this section. 54332

(b) For any fiscal year which the general assembly has 54333
specified that the transportation payments to school districts be 54334
calculated in accordance with section 3317.0212 of the Revised 54335
Code and any rules of the state board of education implementing 54336
that section, the payment to the community school shall be the 54337
amount so calculated that otherwise would be paid to the school 54338
district in which the student is entitled to attend school by the 54339
method of transportation the district would have used. The 54340
community school, however, is not required to use the same method 54341
to transport that student. 54342

(c) Divisions (D)(1)(a) and (b) of this section do not apply 54343
to fiscal years 2012 and 2013. Rather, for each of those fiscal 54344
years, the per pupil payment to a community school for 54345
transporting a student shall be the total amount paid under former 54346
section 3306.12 of the Revised Code for fiscal year 2011 to the 54347
school district in which the child is entitled to attend school 54348
divided by that district's "qualifying ridership," as defined in 54349
that section for fiscal year 2011. 54350

As used in this division "entitled to attend school" means 54351
entitled to attend school under section 3313.64 or 3313.65 of the 54352
Revised Code. 54353

(2) The department shall deduct the payment under division 54354
(D)(1) of this section from the state education aid, as defined in 54355
section 3314.08 of the Revised Code, and, if necessary, the 54356

payment under sections 321.14 and 323.156 of the Revised Code, 54357
that is otherwise paid to the school district in which the student 54358
enrolled in the community school is entitled to attend school. The 54359
department shall include the number of the district's native 54360
students for whom payment is made to a community school under 54361
division (D)(1) of this section in the calculation of the 54362
district's transportation payment under section 3317.0212 of the 54363
Revised Code and the operating appropriations act. 54364

(3) A community school shall be paid under division (D)(1) of 54365
this section only for students who are eligible as specified in 54366
section 3327.01 of the Revised Code and division (C)(1) of this 54367
section, and whose transportation to and from school is actually 54368
provided, who actually utilized transportation arranged, or for 54369
whom a payment in lieu of transportation is made by the community 54370
school's governing authority. To qualify for the payments, the 54371
community school shall report to the department, in the form and 54372
manner required by the department, data on the number of students 54373
transported or whose transportation is arranged, the number of 54374
miles traveled, cost to transport, and any other information 54375
requested by the department. 54376

(4) A community school shall use payments received under this 54377
section solely to pay the costs of providing or arranging for the 54378
transportation of students who are eligible as specified in 54379
section 3327.01 of the Revised Code and division (C)(1) of this 54380
section, which may include payments to a parent, guardian, or 54381
other person in charge of a child in lieu of transportation. 54382

(E) Except when arranged through payment to a parent, 54383
guardian, or person in charge of a child, transportation provided 54384
or arranged for by a community school pursuant to an agreement 54385
under this section is subject to all provisions of the Revised 54386
Code, and all rules adopted under the Revised Code, pertaining to 54387
the construction, design, equipment, and operation of school buses 54388

and other vehicles transporting students to and from school. The 54389
drivers and mechanics of the vehicles are subject to all 54390
provisions of the Revised Code, and all rules adopted under the 54391
Revised Code, pertaining to drivers and mechanics of such 54392
vehicles. The community school also shall comply with sections 54393
3313.201, 3327.09, and 3327.10 of the Revised Code, division (B) 54394
of section 3327.16 of the Revised Code and, subject to division 54395
(C)(1) of this section, ~~sections~~ and section 3327.01 ~~and 3327.02~~ 54396
of the Revised Code, as if it were a school district. 54397

Sec. 3314.092. The governing authority or operator of a 54398
community school established under this chapter shall consult with 54399
each school district board of education that transports students 54400
to the community school under sections 3314.09 and 3327.01 of the 54401
Revised Code prior to making any change in the hours or days in 54402
which the community school is open for instruction. 54403

Sec. 3314.11. (A) The board of education of each city, 54404
exempted village, and local school district monthly shall review 54405
enrollment for students enrolled in community schools established 54406
under this chapter and entitled to attend school in the district 54407
under section 3313.64 or 3313.65 of the Revised Code. For each 54408
student, the district shall verify to the department of education 54409
both of the following: 54410

(1) The community school in which the student is enrolled; 54411

(2) That the student is entitled to attend school in the 54412
district under section 3313.64 or 3313.65 of the Revised Code. 54413

(B) For purposes of its initial reporting of the school 54414
districts its students are entitled to attend, the governing 54415
authority of a community school may adopt a policy that prescribes 54416
the number of documents listed in division (E) of this section 54417
required to verify a student's residency. This policy, if adopted, 54418

shall supersede any policy concerning the number of documents for 54419
initial residency verification adopted by the district the student 54420
is entitled to attend. If a community school does not adopt a 54421
policy under this division, the policy of the school district in 54422
which the student is entitled to attend shall prevail. 54423

(C) In making the determinations under this section, the 54424
school district in which a parent or child resides is the location 54425
the parent or student has established as the primary residence and 54426
where substantial family activity takes place. 54427

(D) If a district's determination under division (A) of this 54428
section of the school district a student is entitled to attend 54429
under section 3313.64 or 3313.65 of the Revised Code differs from 54430
a community school's determination under division (B) of this 54431
section, the community school shall provide the school district 54432
that made the determination under division (A) of this section 54433
with documentation of the student's residency and shall make a 54434
good faith effort to accurately identify the correct residence of 54435
the student. 54436

(E) For purposes of this section, the following documents may 54437
serve as evidence of primary residence: 54438

(1) A deed, mortgage, lease, current home owner's or renter's 54439
insurance declaration page, or current real property tax bill; 54440

(2) A utility bill or receipt of utility installation issued 54441
within ninety days of enrollment; 54442

(3) A paycheck or paystub issued to the parent or student 54443
within ninety days of the date of enrollment that includes the 54444
address of the parent's or student's primary residence; 54445

(4) The most current available bank statement issued to the 54446
parent or student that includes the address of the parent's or 54447
student's primary residence; 54448

(5) Any other official document issued to the parent or student that includes the address of the parent's or student's primary residence. The superintendent of public instruction shall develop guidelines for determining what qualifies as an "official document" under this division.

(F) When a student loses permanent housing and becomes a homeless child or youth, as defined in 42 U.S.C. 11434a, or when a child who is such a homeless child or youth changes temporary living arrangements, the district in which the student is entitled to attend school shall be determined in accordance with division (F)(13) of section 3313.64 of the Revised Code and the "McKinney-Vento Homeless Assistance Act," 42 U.S.C. 11431 et seq.

(G) In the event of a disagreement as to which school district a student is entitled to attend, the community school, after complying with division (D) of this section, but not more than sixty days after the monthly deadline established by the department of education for reporting of community school enrollment, may present the matter to the superintendent of public instruction. Not later than thirty days after the community school presents the matter, the state superintendent, or the state superintendent's designee, shall determine which district the student is entitled to attend and shall direct any necessary adjustments to payments and deductions under ~~sections~~ section 3314.08 ~~and 3314.13~~ of the Revised Code based on that determination.

Sec. 3314.26. (A) Each internet- or computer-based community school shall withdraw from the school any student who, for two consecutive school years, has failed to participate in the spring administration of any assessment prescribed under section 3301.0710 or 3301.0712 of the Revised Code for the student's grade level and was not excused from the assessment pursuant to division

(C)(1) or (3) of section 3301.0711 of the Revised Code, regardless 54480
of whether a waiver was granted for the student under division 54481
~~(P)~~(L)(3) of section 3314.08 of the Revised Code. The school shall 54482
report any such student's data verification code, as assigned 54483
pursuant to section 3301.0714 of the Revised Code, to the 54484
department of education. The department shall maintain a list of 54485
all data verification codes reported under this division and 54486
section 3313.6410 of the Revised Code and provide that list to 54487
each internet- or computer-based community school and to each 54488
school to which section 3313.6410 of the Revised Code applies. 54489

(B) No internet- or computer-based community school shall 54490
receive any state funds under this chapter for any enrolled 54491
student whose data verification code appears on the list 54492
maintained by the department under division (A) of this section. 54493

Notwithstanding any provision of the Revised Code to the 54494
contrary, the parent of any such student shall pay tuition to the 54495
internet- or computer-based community school in an amount equal to 54496
the state funds the school otherwise would receive for that 54497
student, as determined by the department. An internet- or 54498
computer-based community school may withdraw any student for whom 54499
the parent does not pay tuition as required by this division. 54500

Sec. 3314.29. (A) Notwithstanding anything in this chapter to 54501
the contrary, an internet- or computer-based community school may 54502
divide into two separate internet- or computer-based community 54503
schools by grade level, if all of the following apply: 54504

(1) The school was in operation on or before the effective 54505
date of this section. 54506

(2) The school offers at least grades one through eight. 54507

(3) The sponsor of the school approves dividing the school 54508
into two separate schools under this section. 54509

54510
54511
54512

(5) Either of the following applies:

54513

54514
54515
54516
54517
54518
54519
54520
54521

(b) For a school that divides into separate schools in the 2013-2014 school year, the school receives a grade of "C" or higher on its performance index score under divisions (A)(1)(b) and (B)(1)(b) of section 3302.03 of the Revised Code on the report cards issued for both the 2012-2013 and 2013-2014 school years.

54522
54523
54524
54525
54526

district, the plan may include a proposal to restructure or 54826
refinance outstanding debt obligations incurred by the board under 54827

alter the frequency and amount of repayments, interest or other 54840
financing charges, and other terms of agreements under which the 54841
debt originally was contracted, at the discretion of the 54842
commission, provided that any loans received pursuant to section 54843
3313.483 of the Revised Code shall be paid from funds the district 54844
would otherwise receive under Chapter 3317. of the Revised Code, 54845
as required under division (E)(3) of section 3313.483 of the 54846
Revised Code. The securities issued for the purpose of 54847
restructuring or refinancing the debt shall be repaid in equal 54848
payments and at equal intervals over the term of the debt and are 54849

either approve or disapprove it within thirty calendar days from 54864
the date of its submission. If the plan is disapproved, the state 54865
superintendent shall recommend modifications that will render it 54866
acceptable. No financial planning and supervision commission shall 54867
implement a financial recovery plan that is adopted or updated on 54868
or after April 10, 2001, unless the state superintendent has 54869
approved it. 54870

July and extending through the thirtieth day of June. The moneys 54898

students were excused from attendance for up to the equivalent of 54949
three school days or only a portion of the kindergarten students 54950

students. 54953

~~The superintendent of public instruction shall waive the 54954
requirements of this section with reference to the minimum number 54955

55089
55090
55091

in those districts in the previous fiscal year. 55917

(E) The department shall calculate each city, local, and 55918

adjustment according to the following formula: 55932
 ~~(nontraditional ridership for the current fiscal year / 55933
 qualifying ridership for the current fiscal year) X 0.1 X 55934
 transportation base payment 55935~~~~

~~(G) If a city, local, or exempted village school district 55936
offers school bus service to all resident students who are 55937
enrolled in regular education in district schools in grades nine 55938

The target number shall be based on the statewide median number of 55954
qualifying riders per assigned bus as adjusted to reflect the 55955
district's rider density in comparison to the rider density of all 55956
other districts. The department shall post on the department's web 55957
site each district's target number of qualifying riders per 55958

~~prior fiscal year.~~ 55983

~~(K) In addition to funds paid under division (J)(E) of this~~ 55984

the district may submit to the superintendent of public instruction documentation, as prescribed by the superintendent, of all its costs for that student. Upon submission of documentation for a student of the type and in the manner prescribed, the department shall pay to the district an amount equal to the sum of the following:

(1) One-half of the district's costs for the student in excess of the threshold catastrophic cost;

(2) The product of one-half of the district's costs for the student in excess of the threshold catastrophic cost multiplied by the district's state share index.

(B) For purposes of division (A) of this section, the threshold catastrophic cost for serving a student equals:

(1) For a student in the school district's category two, three, four, or five special education ADM, twenty-seven thousand three hundred seventy-five dollars;

(2) For a student in the district's category six special education ADM, thirty-two thousand eight hundred fifty dollars.

(C) The district shall report under division (A) of this section, and the department shall pay for, only the costs of educational expenses and the related services provided to the student in accordance with the student's individualized education program. Any legal fees, court costs, or other costs associated with any cause of action relating to the student may not be included in the amount.

Sec. 3317.0217. Payment of the amount calculated for a school district under this section shall be made under division (A) of section 3317.022 of the Revised Code.

(A) The department of education shall annually compute

targeted assistance funds to school districts, as follows: 56113

(1) Calculate the local wealth per pupil of each school district, which equals the following sum: 56114

(a) One-half times the quotient of (i) the district's three-year average valuation divided by (ii) its formula ADM; plus 56116

(b) One-half times the quotient of (i) the average of the total federal adjusted gross income of the school district's residents for the three years most recently reported under section 3317.021 of the Revised Code divided by (ii) its formula ADM. 56118

(2) Rank all school districts in order of local wealth per pupil, from the district with the lowest local wealth per pupil to the district with the highest local wealth per pupil. 56122

(3) Compute the statewide wealth per pupil, which equals the following sum: 56125

(a) One-half times the quotient of (i) the sum of the three-year average valuations for all school districts divided by (ii) the sum of formula ADM counts for all schools districts; plus 56127

(b) One-half times the quotient of (i) the sum of the three-year average total federal adjusted gross incomes for all school districts divided by (ii) the sum of formula ADM counts for all school districts. 56130

(4) Compute each district's wealth index by dividing the statewide wealth per pupil by the district's local wealth per pupil. 56134

(5) Compute the per pupil targeted assistance for each eligible school district in accordance with the following formula: 56137

(Threshold local wealth per pupil - the district's local wealth per pupil) 56139

X target millage X the district's wealth index 56141

Where: 56142

(a) An "eligible school district" means a school district with a local wealth per pupil less than that of the school district with the 490th lowest local wealth per pupil. 56143
56144
56145

(b) "Threshold local wealth per pupil" means the local wealth per pupil of the school district with the 490th lowest local wealth per pupil. 56146
56147
56148

(c) "Target millage" means 0.006. 56149

If the result of the calculation for a school district under division (A)(5) of this section is less than zero, the district's targeted assistance shall be zero. 56150
56151
56152

(6) Calculate the aggregate amount to be paid as targeted assistance funds to each school district under division (A) of section 3317.022 of the Revised Code by multiplying the per pupil targeted assistance computed under division (A)(5) of this section by the district's net formula ADM. 56153
56154
56155
56156
56157

As used in this division, a district's "net formula ADM" means its formula ADM minus both the number of internet- and computer-based community school students reported under division (B)(3)(e) of section 3317.03 of the Revised Code and scholarship students reported under divisions (B)(3)(f), (g), and (l) of that section. 56158
56159
56160
56161
56162
56163

(B) The department shall annually compute supplemental targeted assistance funds to school districts, as follows: 56164
56165

(1) Compute each district's agricultural percentage as the quotient of (a) the three-year average tax valuation of real property in the district that is classified as agricultural property divided by (b) the three-year average tax valuation of all of the real property in the district. For purposes of this computation, a district's "three-year average tax valuation" means the average of a district's tax valuation for fiscal years 2012, 2013, and 2014. 56166
56167
56168
56169
56170
56171
56172
56173

(2) Determine each district's agricultural targeted 56174
percentage as follows: 56175

(a) If a district's agricultural percentage is greater than 56176
or equal to 0.10, then the district's agricultural targeted 56177
percentage shall be equal to 0.40. 56178

(b) If a district's agricultural percentage is less than 56179
0.10, then the district's agricultural targeted percentage shall 56180
be equal to 4 X the district's agricultural percentage. 56181

(3) Calculate the aggregate amount to be paid as supplemental 56182

such securities providing for, the withholding and deposit of 57690
funds, otherwise due the district under Chapter 3317. of the 57691
Revised Code, for the payment of debt service charges on such 57692
securities. 57693

The board of education shall deliver to the state department 57694
a copy of such resolution and any additional pertinent information 57695
the state department may require. 57696

The department of education and the office of budget and 57697
management shall evaluate each request received from a school 57698
district under this section and the department, with the advice 57699
and consent of the director of budget and management, shall 57700

(1) Whether approval of the request will enhance the 57702

(2) Requirements that the district deposit amounts for the payment of debt charges on the securities with the primary paying agent or fiscal agent for the securities prior to the date on which those debt charge payments are due to the owners or holders

of the securities. 57735

(D) Whenever a district notifies the department of education 57736
that it will be unable to pay debt charges when they are due, 57737
subject to the withholding provisions of this section, or whenever 57738
the applicable paying agent or fiscal agent notifies the 57739
department that it has not timely received from a school district 57740
the full amount needed for the payment when due of those debt 57741
charges to the holders or owners of such securities, the 57742
department shall immediately contact the school district and the 57743
paying agent or fiscal agent to confirm or determine whether the 57744
district is unable to make the required payment by the date on 57745
which it is due. 57746

Upon demand of the treasurer of state while holding a school 57747
district obligation purchased under division (G)(1) of section 57748

pursuant to a credit enhancement facility, the department shall 57755
promptly pay to the applicable primary paying agent or fiscal 57756
agent the lesser of the amount due for debt charges or the amount 57757
due the district for the remainder of the fiscal year under 57758
Chapter 3317. of the Revised Code. If this amount is insufficient 57759
to pay the total amount then due the agent for the payment of debt 57760
charges, the department shall pay to the agent each fiscal year 57761
thereafter, and until the full amount due the agent for unpaid 57762
debt charges is paid in full, the lesser of the remaining amount 57763
due the agent for debt charges or the amount due the district for 57764
the fiscal year under Chapter 3317. of the Revised Code. 57765

(E) The state department may make any payments under this 57766

division by direct deposit of funds by electronic transfer. 57767

on the securities of the school district subject to this section 57770
or to the reimbursement to the provider of a credit enhancement 57771
facility that has paid such debt charges. 57772

(F) To the extent a school district whose securities are 57773
subject to this section is unable to pay applicable debt charges 57774
because of the failure to collect property taxes levied for the 57775
payment of those debt charges, the district may transfer to or 57776
deposit into any fund that would have received payments under 57777
Chapter 3317. of the Revised Code that were withheld under this 57778
section any such delinquent property taxes when later collected, 57779
provided that transfer or deposit shall be limited to the amounts 57780
withheld from that fund under this section. 57781

(G) The department may make payments under this section to 57782
paying agents or fiscal agents only from and to the extent that 57783
money is appropriated by the general assembly for Chapter 3317. of 57784
the Revised Code or for the purposes of this section. No 57785
securities of a school district to which this section is made 57786
applicable constitute an obligation or a debt or a pledge of the 57787
faith, credit, or taxing power of the state, and the holders or 57788
owners of such securities have no right to have taxes levied or 57789
appropriations made by the general assembly for the payment of 57790
debt charges on those securities, and those securities, if the 57791
department requires, shall contain a statement to that effect. The 57792
agreement for or the actual withholding and payment of moneys 57793
under this section does not constitute the assumption by the state 57794
of any debt of a school district. 57795

(H) In the case of securities subject to the withholding 57796
provisions of this section, the issuing board of education shall 57797
appoint a paying agent or fiscal agent who is not an officer or 57798

employee of the school district. 57799

(I) The department of education, with the advice of the 57800
office of budget and management, may adopt reasonable rules not 57801
inconsistent with this section for the implementation of this 57802
section and division (B) of section 133.25 of the Revised Code as 57803
it relates to the withholding and depositing of payments under 57804
Chapter 3317. of the Revised Code to secure payment of debt 57805
charges on school district securities. Those rules shall include 57806
criteria for the evaluation and approval or denial of school 57807
district requests for withholding under this section and limits on 57808
the obligation for the purpose of paying debt charges or 57809
reimbursing credit enhancement facilities of funds otherwise to be 57810
paid to school districts under Chapter 3317. of the Revised Code. 57811

(J) The authority granted by this section is in addition to 57812
and not a limitation on any other authorizations granted by or 57813
pursuant to law for the same or similar purposes. 57814

adjusted valuations per pupil calculated for the district for the 58096
current and two preceding fiscal years; 58097

(C) Rank all such districts in order of adjusted valuation 58098
per pupil from the district with the lowest three-year average 58099
adjusted valuation per pupil to the district with the highest 58100
three-year average adjusted valuation per pupil; 58101

(D) Divide such ranking into percentiles with the first 58102

Sec. 3318.031. (A) The Ohio school facilities commission 58115
shall consider student and staff safety and health when reviewing 58116
design plans for classroom facility construction projects proposed 58117

changes in the design plans as the commission believes will 58122

proposed classroom facility. 58124

To carry out its duties under this division, the commission 58125
shall review and, if necessary, amend any construction and design 58126

services are provided to children under six years of age, and 58130

safety and health. 58132

(B) When reviewing design standards for classroom facility 58133

district that receives assistance under sections 3318.40 to	58150
3318.45 of the Revised Code, if the requisite favorable vote on	58151
the election is obtained, or if the school district board has	58152
resolved to apply the proceeds of a property tax levy or the	58153
proceeds of an income tax, or a combination of proceeds from such	58154
taxes, as authorized in section 3318.052 of the Revised Code, the	58155
Ohio school facilities commission, upon certification to it of	58156
either the results of the election or the resolution under section	58157
3318.052 of the Revised Code, shall enter into a written agreement	58158
with the school district board for the construction and sale of	58159
the project. In the case of a joint vocational school district	58160

Revised Code, if the school district board of education and the	58162
school district electors have satisfied the conditions prescribed	58163
in division (D)(1) of section 3318.41 of the Revised Code, the	58164

case, the agreement shall include, but need not be limited to, the 58167
following provisions: 58168

(A) The sale and issuance of bonds or notes in anticipation 58169

agreement, in an amount equal to the school district's portion of 58171
the basic project cost, including any securities authorized under 58172
division (J) of section 133.06 of the Revised Code and dedicated 58173
by the school district board to payment of the district's portion 58174
of the basic project cost of the project; provided, that if at 58175
that time the county treasurer of each county in which the school 58176
district is located has not commenced the collection of taxes on 58177
the general duplicate of real and public utility property for the 58178
year in which the controlling board approved the project, the 58179
school district board shall authorize the issuance of a first 58180
installment of bond anticipation notes in an amount specified by 58181
the agreement, which amount shall not exceed an amount necessary 58182
to raise the net bonded indebtedness of the school district as of 58183
the date of the controlling board's approval to within five 58184
thousand dollars of the required level of indebtedness for the 58185
preceding year. In the event that a first installment of bond 58186
anticipation notes is issued, the school district board shall, as 58187
soon as practicable after the county treasurer of each county in 58188
which the school district is located has commenced the collection 58189

The combined value of the first and second installment of 58194
bond anticipation notes or the value of the first and final issue 58195
of bonds shall be equal to the school district's portion of the 58196

basic project cost. The proceeds of any such bonds shall be used 58197
first to retire any bond anticipation notes. Otherwise, the 58198
proceeds of such bonds and of any bond anticipation notes, except 58199
the premium and accrued interest thereon, shall be deposited in 58200
the school district's project construction fund. In determining 58201
the amount of net bonded indebtedness for the purpose of fixing 58202
the amount of an issue of either bonds or bond anticipation notes, 58203
gross indebtedness shall be reduced by moneys in the bond 58204
retirement fund only to the extent of the moneys therein on the 58205
first day of the year preceding the year in which the controlling 58206
board approved the project. Should there be a decrease in the tax 58207
valuation of the school district so that the amount of 58208
indebtedness that can be incurred on the tax duplicates for the 58209
year in which the controlling board approved the project is less 58210
than the amount of the first installment of bond anticipation 58211
notes, there shall be paid from the school district's project 58212
construction fund to the school district's bond retirement fund to 58213
be applied against such notes an amount sufficient to cause the 58214
net bonded indebtedness of the school district, as of the first 58215
day of the year following the year in which the controlling board 58216
approved the project, to be within five thousand dollars of the 58217
required level of indebtedness for the year in which the 58218
controlling board approved the project. The maximum amount of 58219
indebtedness to be incurred by any school district board as its 58220
share of the cost of the project is either an amount that will 58221
cause its net bonded indebtedness, as of the first day of the year 58222
following the year in which the controlling board approved the 58223
project, to be within five thousand dollars of the required level 58224
of indebtedness, or an amount equal to the required percentage of 58225
the basic project costs, whichever is greater. All bonds and bond 58226
anticipation notes shall be issued in accordance with Chapter 133. 58227
of the Revised Code, and notes may be renewed as provided in 58228
section 133.22 of the Revised Code. 58229

(B) The transfer of such funds of the school district board 58230
available for the project, together with the proceeds of the sale 58231
of the bonds or notes, except premium, accrued interest, and 58232
interest included in the amount of the issue, to the school 58233
district's project construction fund; 58234

(C) For all school districts except joint vocational school 58235
districts that receive assistance under sections 3318.40 to 58236
3318.45 of the Revised Code, the following provisions as 58237
applicable: 58238

(1) If section 3318.052 of the Revised Code applies, the 58239

improvements, or the proceeds of a school district income tax 58243
levied under Chapter 5748. of the Revised Code, or the proceeds 58244
from a combination of those two taxes, in an amount to pay all or 58245
part of the service charges on bonds issued to pay the school 58246
district portion of the project and an amount equivalent to all or 58247
part of the tax required under division (B) of section 3318.05 of 58248
the Revised Code; 58249

(2) If section 3318.052 of the Revised Code does not apply, 58250
one of the following: 58251

(a) The levy of the tax authorized at the election for the 58252
payment of maintenance costs, as specified in division (B) of 58253
section 3318.05 of the Revised Code; 58254

(b) If the school district electors have approved a 58255
continuing tax for general permanent improvements under section 58256
5705.21 of the Revised Code and that tax can be used for 58257
maintenance, the earmarking of an amount of the proceeds from such 58258
tax for maintenance of classroom facilities as specified in 58259

(c) If, in lieu of the tax otherwise required under division 58261
(B) of section 3318.05 of the Revised Code, the commission has 58262
approved the transfer of money to the maintenance fund in 58263
accordance with section 3318.051 of the Revised Code, a 58264
requirement that the district board comply with the provisions of 58265
that section. The district board may rescind the provision 58266
prescribed under division (C)(2)(c) of this section only so long 58267
as the electors of the district have approved, in accordance with 58268
section 3318.063 of the Revised Code, the levy of a tax for the 58269
maintenance of the classroom facilities acquired under the 58270
district's project and that levy continues to be collected as 58271

to pay for its share of the project cost or to comply with 58346

Sec. 3318.36. (A)(1) As used in this section: 58432

(a) "Ohio school facilities commission," "classroom 58433
facilities," "school district," "school district board," "net 58434
bonded indebtedness," "required percentage of the basic project 58435
costs," "basic project cost," "valuation," and "percentile" have 58436
the same meanings as in section 3318.01 of the Revised Code. 58437

(b) "Required level of indebtedness" means five per cent of 58438
the school district's valuation for the year preceding the year in 58439
which the commission and school district enter into an agreement 58440
under division (B) of this section, plus [two one-hundredths of 58441
one per cent multiplied by (the percentile in which the district 58442
ranks minus one)]. 58443

(c) "Local resources" means any moneys generated in any 58444
manner permitted for a school district board to raise the school 58445
district portion of a project undertaken with assistance under 58446
sections 3318.01 to 3318.20 of the Revised Code. 58447

(d) "Tangible personal property phase-out impacted district" 58448
means a school district for which the taxable value of its 58449
tangible personal property certified under division (A)(2) of 58450
section 3317.021 of the Revised Code for tax year 2005, excluding 58451
the taxable value of public utility personal property, made up 58452
eighteen per cent or more of its total taxable value for tax year 58453
2005 as certified under that section. 58454

(2) For purposes of determining the required level of 58455
indebtedness, the required percentage of the basic project costs 58456
under division (C)(1) of this section, and priority for assistance 58457
under sections 3318.01 to 3318.20 of the Revised Code, the 58458
percentile ranking of a school district with which the commission 58459
has entered into an agreement under this section between the first 58460
day of July and the thirty-first day of August in each fiscal year 58461
is the percentile ranking calculated for that district for the 58462
immediately preceding fiscal year, and the percentile ranking of a 58463
school district with which the commission has entered into such 58464
agreement between the first day of September and the thirtieth day 58465
of June in each fiscal year is the percentile ranking calculated 58466
for that district for the current fiscal year. However, in the 58467
case of a tangible personal property phase-out impacted district, 58468
the district's priority for assistance under sections 3318.01 to 58469
3318.20 of the Revised Code and its portion of the basic project 58470
cost under those sections shall be determined in the manner 58471
prescribed, respectively, in divisions (B)(3)(b) and (E)(1)(b) of 58472
this section. 58473

(B)(1) There is hereby established the school building 58474
assistance expedited local partnership program. Under the program, 58475
the Ohio school facilities commission may enter into an agreement 58476
with the board of any school district under which the board may 58477
proceed with the new construction or major repairs of a part of 58478
the district's classroom facilities needs, as determined under 58479

sections 3318.01 to 3318.20 of the Revised Code, through the 58480
expenditure of local resources prior to the school district's 58481
eligibility for state assistance under those sections, and may 58482
apply that expenditure toward meeting the school district's 58483
portion of the basic project cost of the total of the district's 58484
classroom facilities needs, as recalculated under division (E) of 58485
this section, when the district becomes eligible for state 58486
assistance under sections 3318.01 to 3318.20 or section 3318.364 58487
of the Revised Code. Any school district that is reasonably 58488
expected to receive assistance under sections 3318.01 to 3318.20 58489
of the Revised Code within two fiscal years from the date the 58490
school district adopts its resolution under division (B) of this 58491
section shall not be eligible to participate in the program 58492
established under this section. 58493

(2) To participate in the program, a school district board 58494
shall first adopt a resolution certifying to the commission the 58495
board's intent to participate in the program. 58496

The resolution shall specify the approximate date that the 58497
board intends to seek elector approval of any bond or tax measures 58498
or to apply other local resources to use to pay the cost of 58499
classroom facilities to be constructed under this section. The 58500
resolution may specify the application of local resources or 58501
elector-approved bond or tax measures after the resolution is 58502
adopted by the board, and in such case the board may proceed with 58503
a discrete portion of its project under this section as soon as 58504
the commission and the controlling board have approved the basic 58505
project cost of the district's classroom facilities needs as 58506
specified in division (D) of this section. The board shall submit 58507
its resolution to the commission not later than ten days after the 58508
date the resolution is adopted by the board. 58509

The commission shall not consider any resolution that is 58510
submitted pursuant to division (B)(2) of this section, as amended 58511

by this amendment, sooner than September 14, 2000. 58512

(3) For purposes of determining when a district that enters 58513
into an agreement under this section becomes eligible for 58514
assistance under sections 3318.01 to 3318.20 of the Revised Code 58515
or priority for assistance under section 3318.364 of the Revised 58516
Code, the commission shall use one of the following as applicable: 58517

(a) Except for a tangible personal property phase-out 58518
impacted district, the district's percentile ranking determined at 58519
the time the district entered into the agreement under this 58520
section, as prescribed by division (A)(2) of this section; 58521

(b) For a tangible personal property phase-out impacted 58522
district, the lesser of (i) the district's percentile ranking 58523
determined at the time the district entered into the agreement 58524
under this section, as prescribed by division (A)(2) of this 58525
section, or (ii) the district's current percentile ranking under 58526
section 3318.011 of the Revised Code. 58527

(4) Any project under this section shall comply with section 58528
3318.03 of the Revised Code and with any specifications for plans 58529
and materials for classroom facilities adopted by the commission 58530
under section 3318.04 of the Revised Code. 58531

(5) If a school district that enters into an agreement under 58532
this section has not begun a project applying local resources as 58533
provided for under that agreement at the time the district is 58534
notified by the commission that it is eligible to receive state 58535
assistance under sections 3318.01 to 3318.20 of the Revised Code, 58536
all assessment and agreement documents entered into under this 58537
section are void. 58538

(6) Only construction of or repairs to classroom facilities 58539
that have been approved by the commission and have been therefore 58540
included as part of a district's basic project cost qualify for 58541
application of local resources under this section. 58542

(C) Based on the results of on-site visits and assessment, 58543
the commission shall determine the basic project cost of the 58544
school district's classroom facilities needs. The commission shall 58545
determine the school district's portion of such basic project 58546
cost, which shall be the greater of: 58547

(1) The required percentage of the basic project costs, 58548
determined based on the school district's percentile ranking; 58549

(2) An amount necessary to raise the school district's net 58550
bonded indebtedness, as of the fiscal year the commission and the 58551
school district enter into the agreement under division (B) of 58552
this section, to within five thousand dollars of the required 58553
level of indebtedness. 58554

(D)(1) When the commission determines the basic project cost 58555
of the classroom facilities needs of a school district and the 58556
school district's portion of that basic project cost under 58557
division (C) of this section, the project shall be conditionally 58558
approved. Such conditional approval shall be submitted to the 58559
controlling board for approval thereof. The controlling board 58560
shall forthwith approve or reject the commission's determination, 58561
conditional approval, and the amount of the state's portion of the 58562
basic project cost; however, no state funds shall be encumbered 58563
under this section. Upon approval by the controlling board, the 58564
school district board may identify a discrete part of its 58565
classroom facilities needs, which shall include only new 58566
construction of or additions or major repairs to a particular 58567
building, to address with local resources. Upon identifying a part 58568
of the school district's basic project cost to address with local 58569
resources, the school district board may allocate any available 58570
school district moneys to pay the cost of that identified part, 58571
including the proceeds of an issuance of bonds if approved by the 58572
electors of the school district. 58573

All local resources utilized under this division shall first 58574

be deposited in the project construction account required under 58575
section 3318.08 of the Revised Code. 58576

(2) Unless the school district board exercises its option 58577
under division (D)(3) of this section, for a school district to 58578
qualify for participation in the program authorized under this 58579
section, one of the following conditions shall be satisfied: 58580

(a) The electors of the school district by a majority vote 58581
shall approve the levy of taxes outside the ten-mill limitation 58582
for a period of twenty-three years at the rate of not less than 58583
one-half mill for each dollar of valuation to be used to pay the 58584
cost of maintaining the classroom facilities included in the basic 58585
project cost as determined by the commission. The form of the 58586
ballot to be used to submit the question whether to approve the 58587
tax required under this division to the electors of the school 58588
district shall be the form for an additional levy of taxes 58589
prescribed in section 3318.361 of the Revised Code, which may be 58590
combined in a single ballot question with the questions prescribed 58591
under section 5705.218 of the Revised Code. 58592

(b) As authorized under division (C) of section 3318.05 of 58593
the Revised Code, the school district board shall earmark from the 58594
proceeds of a permanent improvement tax levied under section 58595
5705.21 of the Revised Code, an amount equivalent to the 58596
additional tax otherwise required under division (D)(2)(a) of this 58597
section for the maintenance of the classroom facilities included 58598
in the basic project cost as determined by the commission. 58599

(c) As authorized under section 3318.051 of the Revised Code, 58600
the school district board shall, if approved by the commission, 58601
annually transfer into the maintenance fund required under section 58602
3318.05 of the Revised Code the amount prescribed in section 58603
3318.051 of the Revised Code in lieu of the tax otherwise required 58604
under division (D)(2)(a) of this section for the maintenance of 58605
the classroom facilities included in the basic project cost as 58606

determined by the commission. 58607

(d) If the school district board has rescinded the agreement 58608
to make transfers under section 3318.051 of the Revised Code, as 58609
provided under division (F) of that section, the electors of the 58610
school district, in accordance with section 3318.063 of the 58611
Revised Code, first shall approve the levy of taxes outside the 58612
ten-mill limitation for the period specified in that section at a 58613
rate of not less than one-half mill for each dollar of valuation. 58614

(e) The school district board shall apply the proceeds of a 58615
tax to leverage bonds as authorized under section 3318.052 of the 58616
Revised Code or dedicate a local donated contribution in the 58617
manner described in division (B) of section 3318.084 of the 58618
Revised Code in an amount equivalent to the additional tax 58619
otherwise required under division (D)(2)(a) of this section for 58620
the maintenance of the classroom facilities included in the basic 58621
project cost as determined by the commission. 58622

(3) A school district board may opt to delay taking any of 58623
the actions described in division (D)(2) of this section until the 58624
school district becomes eligible for state assistance under 58625
sections 3318.01 to 3318.20 of the Revised Code. In order to 58626
exercise this option, the board shall certify to the commission a 58627
resolution indicating the board's intent to do so prior to 58628
entering into an agreement under division (B) of this section. 58629

(4) If pursuant to division (D)(3) of this section a district 58630
board opts to delay levying an additional tax until the district 58631
becomes eligible for state assistance, it shall submit the 58632
question of levying that tax to the district electors as follows: 58633

(a) In accordance with section 3318.06 of the Revised Code if 58634
it will also be necessary pursuant to division (E) of this section 58635
to submit a proposal for approval of a bond issue; 58636

(b) In accordance with section 3318.361 of the Revised Code 58637

if it is not necessary to also submit a proposal for approval of a 58638
bond issue pursuant to division (E) of this section. 58639

(5) No state assistance under sections 3318.01 to 3318.20 of 58640
the Revised Code shall be released until a school district board 58641
that adopts and certifies a resolution under division (D) of this 58642
section also demonstrates to the satisfaction of the commission 58643
compliance with the provisions of division (D)(2) of this section. 58644

Any amount required for maintenance under division (D)(2) of 58645
this section shall be deposited into a separate fund as specified 58646
in division (B) of section 3318.05 of the Revised Code. 58647

(E)(1) If the school district becomes eligible for state 58648
assistance under sections 3318.01 to 3318.20 of the Revised Code 58649
based on its percentile ranking under division (B)(3) of this 58650
section or is offered assistance under section 3318.364 of the 58651
Revised Code, the commission shall conduct a new assessment of the 58652
school district's classroom facilities needs and shall recalculate 58653
the basic project cost based on this new assessment. The basic 58654
project cost recalculated under this division shall include the 58655
amount of expenditures made by the school district board under 58656
division (D)(1) of this section. The commission shall then 58657
recalculate the school district's portion of the new basic project 58658
cost, which shall be one of the following as applicable: 58659

(a) Except for a tangible personal property phase-out 58660
impacted district, the percentage of the original basic project 58661
cost assigned to the school district as its portion under division 58662
(C) of this section; 58663

(b) For a tangible personal property phase-out impacted 58664
district, the lesser of (i) the percentage of the original basic 58665
project cost assigned to the school district as its portion under 58666
division (C) of this section, or (ii) the percentage of the new 58667
basic project cost determined under section 3318.032 of the 58668

Revised Code using the district's current percentile ranking under 58669
section 3318.011 of the Revised Code. The 58670

The commission shall deduct the expenditure of school 58671
district moneys made under division (D)(1) of this section from 58672
the school district's portion of the basic project cost as 58673
recalculated under this division. If the amount of school district 58674
resources applied by the school district board to the school 58675
district's portion of the basic project cost under this section is 58676
less than the total amount of such portion as recalculated under 58677
this division, the school district board by a majority vote of all 58678
of its members shall, if it desires to seek state assistance under 58679
sections 3318.01 to 3318.20 of the Revised Code, adopt a 58680
resolution as specified in section 3318.06 of the Revised Code to 58681
submit to the electors of the school district the question of 58682
approval of a bond issue in order to pay any additional amount of 58683
school district portion required for state assistance. Any tax 58684
levy approved under division (D) of this section satisfies the 58685
requirements to levy the additional tax under section 3318.06 of 58686
the Revised Code. 58687

(2) If the amount of school district resources applied by the 58688
school district board to the school district's portion of the 58689
basic project cost under this section is more than the total 58690
amount of such portion as recalculated under ~~this~~ (E)(1) 58691
of this section, within one year after the school district's 58692
portion is so recalculated ~~under division (E)(1) of this section~~ 58693
the commission may grant to the school district the difference 58694
between the two calculated portions, but at no time shall the 58695
commission expend any state funds on a project in an amount 58696
greater than the state's portion of the basic project cost as 58697
recalculated under ~~this~~ (E)(1) of this section. 58698

Any reimbursement under this division shall be only for local 58699
resources the school district has applied toward construction cost 58700

expenditures for the classroom facilities approved by the 58701
commission, which shall not include any financing costs associated 58702
with that construction. 58703

The school district board shall use any moneys reimbursed to 58704
the district under this division to pay off any debt service the 58705
district owes for classroom facilities constructed under its 58706
project under this section before such moneys are applied to any 58707
other purpose. However, the district board first may deposit 58708
moneys reimbursed under this division into the district's general 58709
fund or a permanent improvement fund to replace local resources 58710
the district withdrew from those funds, as long as, and to the 58711
extent that, those local resources were used by the district for 58712
constructing classroom facilities included in the district's basic 58713
project cost. 58714

(3) A tangible personal property phase-out impacted district 58715
shall receive credit under division (E) of this section for the 58716
expenditure of local resources pursuant to any prior agreement 58717
authorized by this section, notwithstanding any recalculation of 58718
its average taxable value. 58719

Sec. 3318.363. (A) This section applies beginning in fiscal 58720
year 2003 and only to a school district participating in the 58721
school building assistance expedited local partnership program 58722
under section 3318.36 of the Revised Code. 58723

(B) If there is a decrease in the tax valuation of a school 58724
district to which this section applies by ten per cent or greater 58725
from one tax year to the next due to a decrease in the assessment 58726
rate of the taxable property of an electric company that owns 58727
property in the district, as provided for in section 5727.111 of 58728
the Revised Code as amended by Am. Sub. S.B. 3 of the 123rd 58729
General Assembly, the Ohio school facilities commission shall 58730
calculate or recalculate the state and school district portions of 58731

the basic project cost of the school district's project by 58732
determining the percentile rank in which the district would be 58733
located if such ranking were made using the adjusted valuation per 58734
pupil calculated under division (C) of this section rather than 58735
the three-year average adjusted valuation per pupil, calculated 58736
under division (B) of section 3318.011 of the Revised Code. For 58737
such district, the required percentage of the basic project cost 58738
used to determine the state and school district shares of that 58739
cost under division (C) of section 3318.36 of the Revised Code 58740
shall be based on the percentile rank as calculated under this 58741
section rather than as otherwise provided in division (C)(1) of 58742
section 3318.36 of the Revised Code. If the commission has 58743
determined the state and school district portion of the basic 58744
project cost of such a district's project under section 3318.36 of 58745
the Revised Code prior to that decrease in tax valuation, the 58746
commission shall adjust the state and school district shares of 58747
the basic project cost of such project in accordance with this 58748
section. 58749

(C)(1) As used in divisions (C) and (D) of this section, 58750
"total taxable value," and "formula ADM," ~~and "income factor"~~ have 58751
the same meanings as in section 3317.02 of the Revised Code, and 58752
"income factor" has the same meaning as in section 3318.011 of the 58753
Revised Code. 58754

(2) The adjusted valuation per pupil for a school district to 58755
which this section applies shall be calculated using the following 58756
formula: 58757

(The district's total taxable value for the tax year 58758
preceding the calendar year in which the current fiscal year 58759
begins / the district's formula ADM for the previous fiscal year) 58760
- [\$30,000 x (1 - the district's income factor)]. 58761

(D) At the request of the Ohio school facilities commission, 58762
the department of education shall report a district's total 58763

taxable value for the tax year preceding the calendar year in 58764
which the current fiscal year begins for any district to which 58765
this section applies as that information has been certified to the 58766
department by the tax commissioner pursuant to section 3317.021 of 58767
the Revised Code. 58768

Sec. 3319.031. Notwithstanding any provision of the Revised 58769
Code to the contrary, if the board of education of a city, local, 58770
or exempted village school district does not appoint a business 58771
manager under section 3319.03 of the Revised Code, the board may 58772
assign powers and duties specified in section 3319.04 of the 58773
Revised Code to one or more employees or officers of the board, 58774
including the treasurer, and may give the employees or officers 58775
any title recognizing the assignment of the powers and duties. The 58776
prohibition, in section 3319.04 of the Revised Code, against a 58777
business manager having possession of moneys does not prevent a 58778
board from assigning powers and duties specified in that section 58779
to the treasurer and does not prevent a treasurer who is assigned 58780
those powers and duties from exercising the powers and duties of 58781
treasurer. If the board assigns the duties of a business manager 58782
under section 3319.04 of the Revised Code to the treasurer, the 58783
treasurer shall not have the authority to make recommendations to 58784
appoint or discharge noneducational employees, except as provided 58785
under section 3313.31 of the Revised Code. Instead, the district 58786
superintendent shall be responsible for making recommendations, 58787
subject to confirmation by the board, for the appointment or 58788
discharge of noneducational employees. 58789

Sec. 3319.07. (A) The board of education of each city, 58790
exempted village, local, and joint vocational school district 58791
shall employ the teachers of the public schools of their 58792
respective districts. 58793

The governing board of each educational service center may 58794

employ special instruction teachers, special education teachers, 58795
and teachers of academic courses in which there are too few 58796
students in each of the school districts entering into agreements 58797
pursuant to section 3313.843 of the Revised Code to warrant each 58798
district's employing teachers for those courses. 58799

When any board makes appointments of teachers, the teachers 58800
in the employ of the board shall be considered before new teachers 58801
are chosen in their stead. In all school districts and in service 58802
centers, no teacher shall be employed unless such person is 58803
nominated by the superintendent of such district or center, or by 58804
another individual designated by the board in the event that the 58805
superintendent's nomination would be a violation of section 58806
2921.42 of the Revised Code. Such board, by a three-fourths vote 58807
of its full membership, may re-employ any teacher whom the 58808
superintendent refuses to appoint. 58809

(B) The board of education of any school district may 58810
contract with the governing board of the educational service 58811
center from which it otherwise receives services to conduct 58812
searches and recruitment of candidates for teacher positions. 58813

Sec. 3319.073. (A) The board of education of each city and 58814
exempted village school district and the governing board of each 58815
educational service center shall adopt or adapt the curriculum 58816
developed by the department of education for, or shall develop in 58817
consultation with public or private agencies or persons involved 58818
in child abuse prevention or intervention programs, a program of 58819
in-service training in the prevention of child abuse, violence, 58820
and substance abuse and the promotion of positive youth 58821
development. Each person employed by any school district or 58822
service center to work in a school as a nurse, teacher, counselor, 58823
school psychologist, or administrator shall complete at least four 58824
hours of the in-service training within two years of commencing 58825

employment with the district or center, and every five years 58826
thereafter. A person who is employed by any school district or 58827
service center to work in an elementary school as a nurse, 58828
teacher, counselor, school psychologist, or administrator on March 58829
30, 2007, shall complete at least four hours of the in-service 58830
training not later than March 30, 2009, and every five years 58831
thereafter. A person who is employed by any school district or 58832
service center to work in a middle or high school as a nurse, 58833
teacher, counselor, school psychologist, or administrator on 58834
October 16, 2009, shall complete at least four hours of the 58835
in-service training not later than October 16, 2011, and every 58836
five years thereafter. 58837

(B) Each board shall incorporate training in school safety 58838
and violence prevention, including human trafficking content, into 58839
the in-service training required by division (A) of this section. 58840
For this purpose, the board shall adopt or adapt the curriculum 58841
developed by the department or shall develop its own curriculum in 58842
consultation with public or private agencies or persons involved 58843
in school safety and violence prevention programs. 58844

(C) Each board shall incorporate training on the board's 58845
harassment, intimidation, or bullying policy adopted under section 58846
3313.666 of the Revised Code into the in-service training required 58847
by division (A) of this section. Each board also shall incorporate 58848
training in the prevention of dating violence into the in-service 58849
training required by that division for middle and high school 58850
employees. The board shall develop its own curricula for these 58851
purposes. 58852

(D) Each board shall incorporate training in youth suicide 58853
awareness and prevention into the in-service training required by 58854
division (A) of this section for each person employed by a school 58855
district or service center to work in a school as a nurse, 58856
teacher, counselor, school psychologist, or administrator, and any 58857

other personnel that the board determines appropriate. For this 58858
purpose, the board shall adopt or adapt the curriculum developed 58859
by the department or shall develop its own curriculum in 58860
consultation with public or private agencies or persons involved 58861
in youth suicide awareness and prevention programs. 58862

The training completed under this division shall count toward 58863
the satisfaction of requirements for professional development 58864
required by the school district or service center board, and the 58865
training may be accomplished through self-review of suitable 58866
suicide prevention materials approved by the board. 58867

Sec. 3319.0811. ~~If~~ Except as provided in section 3319.0812 of 58868
the Revised Code, if the board of education of a school district 58869
offers to students of compulsory school age courses for high 58870
school credit that are taught at times outside the district's 58871
normal school day, the board shall enter into supplemental 58872
contracts under section 3319.08 of the Revised Code with the 58873
teachers assigned to teach those courses and shall not include 58874
such assignment of duties within the teachers' regular employment 58875
contracts under that section. 58876

Sec. 3319.0812. (A) As used in this section, "extended 58877
programming" means extended programming as described in section 58878
3301.0725 of the Revised Code. 58879

(B) The board of education of a school district shall pay a 58880
licensed educator who is providing extended programming on an 58881
hourly basis at the regular per diem rate determined under the 58882
licensed educator's employment contract or collective bargaining 58883
agreement. 58884

(C) A licensed educator shall not provide more than eight 58885
hours of extended programming in a twenty-four-hour day. 58886

Sec. 3319.112. (A) Not later than December 31, 2011, the state board of education shall develop a standards-based state framework for the evaluation of teachers. The state board may update the framework periodically by adoption of a resolution. The framework shall establish an evaluation system that does the following:

(1) Provides for multiple evaluation factors. One factor shall be student academic growth which shall account for ~~fifty~~ thirty-five per cent of each evaluation. A school district may attribute an additional percentage to the academic growth factor, not to exceed fifteen per cent of each evaluation. When applicable to the grade level or subject area taught by a teacher, the value-added progress dimension established under section 3302.021 of the Revised Code or an alternative student academic progress measure if adopted under division (C)(1)(e) of section 3302.03 of the Revised Code shall be used in the student academic growth portion of an evaluation in proportion to the part of a teacher's schedule of courses or subjects for which the value-added progress dimension is applicable.

If a teacher's schedule is comprised only of courses or subjects for which the value-added progress dimension is applicable, one of the following applies:

(a) Beginning with ~~the effective date of this amendment~~ March 22, 2013, until June 30, 2014, the majority of the student academic growth factor of the evaluation shall be based on the value-added progress dimension.

(b) On or after July 1, 2014, the entire student academic growth factor of the evaluation shall be based on the value-added progress dimension. In calculating student academic growth for an evaluation, a student shall not be included if the student has ~~sixty~~ thirty or more excused or unexcused absences for the school

year.	58918
(2) Is aligned with the standards for teachers adopted under section 3319.61 of the Revised Code;	58919 58920
(3) Requires observation of the teacher being evaluated, including at least two formal observations by the evaluator of at least thirty minutes each and classroom walkthroughs;	58921 58922 58923
(4) Assigns a rating on each evaluation in accordance with division (B) of this section;	58924 58925
(5) Requires each teacher to be provided with a written report of the results of the teacher's evaluation;	58926 58927
(6) Identifies measures of student academic growth for grade levels and subjects for which the value-added progress dimension prescribed by section 3302.021 of the Revised Code or an alternative student academic progress measure if adopted under division (C)(1)(e) of section 3302.03 of the Revised Code does not apply;	58928 58929 58930 58931 58932 58933
(7) Implements a classroom-level, value-added program developed by a nonprofit organization described in division (B) of section 3302.021 of the Revised Code or an alternative student academic progress measure if adopted under division (C)(1)(e) of section 3302.03 of the Revised Code;	58934 58935 58936 58937 58938
(8) Provides for professional development to accelerate and continue teacher growth and provide support to poorly performing teachers;	58939 58940 58941
(9) Provides for the allocation of financial resources to support professional development.	58942 58943
(B) For purposes of the framework developed under this section, the state board also shall do the following:	58944 58945
(1) Develop specific standards and criteria that distinguish between the following levels of performance for teachers and	58946 58947

principals for the purpose of assigning ratings on the evaluations	58948
conducted under sections 3311.80, 3311.84, 3319.02, and 3319.111	58949
of the Revised Code:	58950
(a) Accomplished;	58951
(b) Proficient;	58952
(c) Developing;	58953
(d) Ineffective.	58954
(2) For grade levels and subjects for which the assessments	58955
prescribed under sections 3301.0710 and 3301.0712 of the Revised	58956
Code and the value-added progress dimension prescribed by section	58957
3302.021 of the Revised Code, or alternative student academic	58958
progress measure, do not apply, develop a list of student	58959
assessments that measure mastery of the course content for the	58960
appropriate grade level, which may include nationally normed	58961
standardized assessments, industry certification examinations, or	58962
end-of-course examinations.	58963
(C) The state board shall consult with experts, teachers and	58964
principals employed in public schools, and representatives of	58965
stakeholder groups in developing the standards and criteria	58966
required by division (B)(1) of this section.	58967
(D) To assist school districts in developing evaluation	58968
policies under sections 3311.80, 3311.84, 3319.02, and 3319.111 of	58969
the Revised Code, the department shall do both of the following:	58970
(1) Serve as a clearinghouse of promising evaluation	58971
procedures and evaluation models that districts may use;	58972
(2) Provide technical assistance to districts in creating	58973
evaluation policies.	58974
(E) Not later than June 30, 2013, the state board, in	58975
consultation with state agencies that employ teachers, shall	58976
develop a standards-based framework for the evaluation of teachers	58977

employed by those agencies. Each state agency that employs 58978
teachers shall adopt a standards-based teacher evaluation policy 58979
that conforms with the framework developed under this division. 58980
The policy shall become operative at the expiration of any 58981
collective bargaining agreement covering teachers employed by the 58982
agency that is in effect on September 24, 2012, and shall be 58983
included in any renewal or extension of such an agreement. 58984
However, this division does not apply to any person who is 58985
employed as a substitute teacher or as an instructor of adult 58986
education. 58987

Sec. 3319.17. (A) As used in this section, "interdistrict 58988
contract" means any contract or agreement entered into by an 58989
educational service center governing board and another board or 58990
other public entity pursuant to section 3313.17, 3313.841, 58991
3313.842, 3313.843, 3313.844, 3313.845, 3313.91, or 3323.08 of the 58992
Revised Code, including any such contract or agreement for the 58993
provision of services funded under division (E) of section 58994
3317.024 of the Revised Code ~~or provided in any unit approved~~ 58995
~~under section 3317.05 of the Revised Code.~~ 58996

(B) When, for any of the following reasons that apply to any 58997
city, exempted village, local, or joint vocational school district 58998
or any educational service center, the board decides that it will 58999
be necessary to reduce the number of teachers it employs, it may 59000
make a reasonable reduction: 59001

(1) In the case of any district or service center, return to 59002
duty of regular teachers after leaves of absence including 59003
suspension of schools, territorial changes affecting the district 59004
or center, or financial reasons; 59005

(2) In the case of any city, exempted village, local, or 59006
joint vocational school district, decreased enrollment of pupils 59007
in the district; 59008

(3) In the case of any governing board of a service center 59009
providing any particular service directly to pupils pursuant to 59010
one or more interdistrict contracts requiring such service, 59011
reduction in the total number of pupils the governing board is 59012
required to provide with the service under all interdistrict 59013
contracts as a result of the termination or nonrenewal of one or 59014
more of these interdistrict contracts; 59015

(4) In the case of any governing board providing any 59016
particular service that it does not provide directly to pupils 59017
pursuant to one or more interdistrict contracts requiring such 59018
service, reduction in the total level of the service the governing 59019
board is required to provide under all interdistrict contracts as 59020
a result of the termination or nonrenewal of one or more of these 59021
interdistrict contracts. 59022

(C) In making any such reduction, any city, exempted village, 59023
local, or joint vocational school board shall proceed to suspend 59024
contracts in accordance with the recommendation of the 59025
superintendent of schools who shall, within each teaching field 59026
affected, give preference to teachers on continuing contracts. The 59027
board shall not give preference to any teacher based on seniority, 59028
except when making a decision between teachers who have comparable 59029
evaluations. 59030

On a case-by-case basis, in lieu of suspending a contract in 59031
whole, a board may suspend a contract in part, so that an 59032
individual is required to work a percentage of the time the 59033
employee otherwise is required to work under the contract and 59034
receives a commensurate percentage of the full compensation the 59035
employee otherwise would receive under the contract. 59036

The teachers whose continuing contracts are suspended by any 59037
board pursuant to this section shall have the right of restoration 59038
to continuing service status by that board if and when teaching 59039
positions become vacant or are created for which any of such 59040

teachers are or become qualified. No teacher whose continuing 59041
contract has been suspended pursuant to this section shall lose 59042
that right of restoration to continuing service status by reason 59043
of having declined recall to a position that is less than 59044
full-time or, if the teacher was not employed full-time just prior 59045
to suspension of the teacher's continuing contract, to a position 59046
requiring a lesser percentage of full-time employment than the 59047
position the teacher last held while employed in the district or 59048
service center. Seniority shall not be the basis for rehiring a 59049
teacher, except when making a decision between teachers who have 59050
comparable evaluations. 59051

(D) Notwithstanding any provision to the contrary in Chapter 59052
4117. of the Revised Code: 59053

(1) The requirements of this section, as it existed prior to 59054
~~the effective date of this amendment~~ September 29, 2011, prevail 59055
over any conflicting provisions of agreements between employee 59056
organizations and public employers entered into between September 59057
29, 2005, and ~~that effective date~~ September 29, 2011; 59058

(2) The requirements of this section, as it exists on and 59059
~~after the effective date of this amendment~~ September 29, 2011, 59060
prevail over any conflicting provisions of agreements between 59061
employee organizations and public employers entered into on or 59062
after ~~that effective date~~ September 29, 2011. 59063

Sec. 3319.22. (A)(1) The state board of education shall issue 59064
the following educator licenses: 59065

(a) A resident educator license, which shall be valid for 59066
four years, except that the state board, on a case-by-case basis, 59067
may extend the license's duration as necessary to enable the 59068
license holder to complete the Ohio teacher residency program 59069
established under section 3319.223 of the Revised Code; 59070

(b) A professional educator license, which shall be valid for five years and shall be renewable; 59071
59072

(c) A senior professional educator license, which shall be valid for five years and shall be renewable; 59073
59074

(d) A lead professional educator license, which shall be valid for five years and shall be renewable. 59075
59076

(2) The state board may issue any additional educator licenses of categories, types, and levels the board elects to provide. 59077
59078
59079

(3) The state board shall adopt rules establishing the standards and requirements for obtaining each educator license issued under this section. 59080
59081
59082

(B) The rules adopted under this section shall require at least the following standards and qualifications for the educator licenses described in division (A)(1) of this section: 59083
59084
59085

Not later than the effective date of the rules adopted under 59181
this section, the board of education of each school district shall 59182
establish the structure for one or more local professional 59183
development committees to be operated by such school district. The 59184
committee structure so established by a district board shall 59185
remain in effect unless within thirty days prior to an anniversary 59186
of the date upon which the current committee structure was 59187
established, the board provides notice to all affected district 59188
employees that the committee structure is to be modified. 59189
Professional development committees may have a district-level or 59190
building-level scope of operations, and may be established with 59191
regard to particular grade or age levels for which an educator 59192
license is designated. 59193

Each professional development committee shall consist of at least three classroom teachers employed by the district, one principal employed by the district, and one other employee of the district appointed by the district superintendent. For committees with a building-level scope, the teacher and principal members shall be assigned to that building, and the teacher members shall be elected by majority vote of the classroom teachers assigned to that building. For committees with a district-level scope, the teacher members shall be elected by majority vote of the classroom teachers of the district, and the principal member shall be elected by a majority vote of the principals of the district, unless there are two or fewer principals employed by the district, in which case the one or two principals employed shall serve on the committee. The district superintendent shall appoint a replacement to fill any vacancy that occurs on a professional development committee, except in the case of vacancies among the elected classroom teacher members, which shall be filled by vote of the remaining members of the committee so selected.

The conduct of elections for members of professional development committees shall be prescribed by the district board establishing the committees. A professional development committee may include additional members, except that the majority of members on each such committee shall be classroom teachers employed by the district. Any member appointed to fill a vacancy occurring prior to the expiration date of the term for which a predecessor was appointed shall hold office as a member for the remainder of that

term. 59227

The initial meeting of any professional development 59228
committee, upon election and appointment of all committee members, 59229

superintendent. At this initial meeting, the committee shall 59231
select a chairperson and such other officers the committee deems 59232
necessary, and shall adopt rules for the conduct of its meetings. 59233
Thereafter, the committee shall meet at the call of the 59234
chairperson or upon the filing of a petition with the district 59235
superintendent signed by a majority of the committee members 59236
calling for the committee to meet. 59237

(3) In the case of a school district in which an exclusive 59238
representative has been established pursuant to Chapter 4117. of 59239
the Revised Code, professional development committees shall be 59240
established in accordance with any collective bargaining agreement 59241
in effect in the district that includes provisions for such 59242
committees. 59243

If the collective bargaining agreement does not specify a 59244
different method for the selection of teacher members of the 59245
committees, the exclusive representative of the district's 59246
teachers shall select the teacher members. 59247

If the collective bargaining agreement does not specify a 59248
different structure for the committees, the board of education of 59249
the school district shall establish the structure, including the 59250
number of committees and the number of teacher and administrative 59251
members on each committee; the specific administrative members to 59252
be part of each committee; whether the scope of the committees 59253
will be district levels, building levels, or by type of grade or 59254
age levels for which educator licenses are designated; the lengths 59255
of terms for members; the manner of filling vacancies on the 59256
committees; and the frequency and time and place of meetings. 59257
However, in all cases, except as provided in division (F)(4) of 59258

this section, there shall be a majority of teacher members of any 59259
professional development committee, there shall be at least five 59260
total members of any professional development committee, and the 59261
exclusive representative shall designate replacement members in 59262
the case of vacancies among teacher members, unless the collective 59263
bargaining agreement specifies a different method of selecting 59264
such replacements. 59265

(4) Whenever an administrator's coursework plan is being 59266
discussed or voted upon, the local professional development 59267
committee shall, at the request of one of its administrative 59268
members, cause a majority of the committee to consist of 59269
administrative members by reducing the number of teacher members 59270
voting on the plan. 59271

(G)(1) The department of education, educational service 59272
centers, county boards of developmental disabilities, regional 59273
professional development centers, special education regional 59274
resource centers, college and university departments of education, 59275
head start programs, ~~the eTech Ohio commission~~, and the Ohio 59276
education computer network may establish local professional 59277
development committees to determine whether the coursework 59278
proposed by their employees who are licensed or certificated under 59279
this section or section 3319.222 of the Revised Code, or under the 59280
former version of either section as it existed prior to October 59281
16, 2009, meet the requirements of the rules adopted under this 59282
section. They may establish local professional development 59283
committees on their own or in collaboration with a school district 59284
or other agency having authority to establish them. 59285

Local professional development committees established by 59286
county boards of developmental disabilities shall be structured in 59287
a manner comparable to the structures prescribed for school 59288
districts in divisions (F)(2) and (3) of this section, as shall 59289

the Revised Code, or under the former version of either section as 59294
it existed prior to October 16, 2009. All other entities specified 59295
in division (G)(1) of this section shall structure their 59296
committees in accordance with guidelines which shall be issued by 59297
the state board. 59298

(2) Any public agency that is not specified in division 59299
(G)(1) of this section but provides educational services and 59300
employs or contracts for services of classroom teachers licensed 59301

Revised Code, or under the former version of either section as it 59303
existed prior to October 16, 2009, may establish a local 59304
professional development committee, subject to the approval of the 59305

study are skilled at integrating educational technology in the 59312
instruction of children, as evidenced by the graduate having 59313
either demonstrated proficiency in such skills in a manner 59314
prescribed by the department of education or completed a course 59315

regents, in consultation with the department of education, shall 59318
establish model professional development programs to assist 59319
teachers who completed their teacher preparation prior to the 59320

(3) Notwithstanding division (A)(2) of this section, 59482
beginning with the school year that starts in 2001 and continuing 59483
thereafter the board of education of any district may adopt a 59484
resolution establishing the first day of August in lieu of the 59485
thirtieth day of September as the required date by which students 59486
must have attained the age specified in that division. 59487

(4) After a student has been admitted to kindergarten in a 59488
school district or chartered nonpublic school, no board of 59489
education of a school district to which the student transfers 59490

school district shall admit to the first grade any child who has 59512
not successfully completed kindergarten. 59513

(D) The scheduling of times for kindergarten classes and 59514
length of the school day for kindergarten shall be determined by 59515
the board of education of a city, exempted village, or local 59516
school district. 59517

(E) Any kindergarten class offered by a day-care provider or 59518
school described by division (B)(1) or (B)(2)(a) of this section 59519

that computation under division (B)(3) of section 3317.08 of the 60058

section 3354.12, 3354.121, 3357.11, 3357.112, or 3358.10 of the 60946

the issuing authority, shall evaluate each request received from a 60962
community or technical college district under this section. The 60963

each request if all of the following conditions are met: 60967

(1) Approval of the request will enhance the marketability of 60968
the obligations for which the request is made; 60969

(2) The chancellor and the office of budget and management, 60970
and the issuing authority in the case of obligations to be issued 60971
by the issuing authority, have no reason to believe the requesting 60972
community or technical college district or the community or 60973
technical college it operates will be unable to pay when due the 60974
bond service charges on the obligations for which the request is 60975
made, and bond service charges on those obligations are therefore 60976
not anticipated to be paid pursuant to this section from the 60977
allocated state share of instruction for purposes of Section 17 of 60978
Article VIII, Ohio Constitution. 60979

(3) Any other pertinent conditions established in rules 60980
adopted under division (H) of this section. 60981

(C) If the chancellor approves the request of a community or 60982
technical college district to withhold and deposit funds pursuant 60983
to this section, the chancellor shall enter into a written 60984
agreement with the district and the primary paying agent or fiscal 60985
agent for the obligations, which agreement shall provide for the 60986
withholding of funds pursuant to this section for the payment of 60987
bond service charges on those obligations. The agreement may also 60988
include both of the following: 60989

(1) Provisions for certification by the district to the 60990
chancellor, prior to the deadline for payment of the applicable 60991
bond service charges, whether the district and the community or 60992
technical college it operates are able to pay those bond service 60993

(2) Requirements that the district or the community or 60995
technical college it operates deposits amounts for the payment of 60996
those bond service charges with the primary paying agent or fiscal 60997
agent for the obligations prior to the date on which the bond 60998
service charges are due to the owners or holders of the 60999
obligations. 61000

(D) Whenever a district or the community or technical college
it operates notifies the chancellor that it will not be able to
pay the bond service charges when they are due, subject to the
withholding provisions of this section, or whenever the applicable
paying agent or fiscal agent notifies the chancellor that it has
not timely received from a district or from the college it
operates the full amount needed for payment of the bond service
charges when due to the holders or owners of such obligations, the
chancellor shall immediately contact the district or college and
the paying agent or fiscal agent to confirm that the district and
the college are not able to make the required payment by the date
on which it is due.

If the chancellor confirms that the district and the college
are not able to make the payment and the payment will not be made
pursuant to a credit enhancement facility, the chancellor shall
promptly pay to the applicable primary paying agent or fiscal
agent the lesser of the amount due for bond service charges or the
amount of the next periodic distribution scheduled to be made to
the district or to the college in respect of its allocated state
share of instruction. If this amount is insufficient to pay the
total amount then due the agent for the payment of bond service
charges, the chancellor shall continue to pay to the agent from
each periodic distribution thereafter, and until the full amount
due the agent for unpaid bond service charges is paid in full, the
lesser of the remaining amount due the agent for bond service
charges or the amount of the next periodic distribution scheduled
to be made to the district or college in respect of its allocated
state share of instruction.

(E) The chancellor may make any payments under this section
by direct deposit of funds by electronic transfer.

Any amount received by a paying agent or fiscal agent under
this section shall be applied only to the payment of bond service

charges on the obligations of the community or technical college 61033
district or community or technical college subject to this section 61034
or to the reimbursement of the provider of a credit enhancement 61035
facility that has paid the bond service charges. 61036

(F) The chancellor may make payments under this section to 61037
paying agents or fiscal agents during any fiscal biennium of the 61038
state only from and to the extent that money is appropriated to 61039
the board of regents by the general assembly for distribution 61040
during such biennium for the state share of instruction and only 61041
to the extent that a portion of the state share of instruction has 61042
been allocated to the community or technical college district or 61043
community or technical college. Obligations of the issuing 61044
authority or of a community or technical college district to which 61045
this section is made applicable do not constitute an obligation or 61046
a debt or a pledge of the faith, credit, or taxing power of the 61047
state, and the holders or owners of those obligations have no 61048
right to have excises or taxes levied or appropriations made by 61049
the general assembly for the payment of bond service charges on 61050
the obligations, and the obligations shall contain a statement to 61051
that effect. The agreement for or the actual withholding and 61052
payment of money under this section does not constitute the 61053
assumption by the state of any debt of a community or technical 61054
college district or a community or technical college, and bond 61055
service charges on the related obligations are not anticipated to 61056
be paid from the state general revenue fund for purposes of 61057
Section 17 of Article VIII, Ohio Constitution. 61058

(G) In the case of obligations subject to the withholding 61059
provisions of this section, the issuing community or technical 61060
college district, or the issuing authority in the case of 61061
obligations issued by the issuing authority, shall appoint a 61062
paying agent or fiscal agent who is not an officer or employee of 61063
the district or college. 61064

(H) The chancellor, with the advice and consent of the office of budget and management, may adopt reasonable rules not inconsistent with this section for the implementation of this section to secure payment of bond service charges on obligations issued by a community or technical college district or by the issuing authority for the benefit of a community or technical college district or the community or technical college it operates. Those rules shall include criteria for the evaluation and approval or denial of community or technical college district requests for withholding under this section.

(I) The authority granted by this section is in addition to and not a limitation on any other authorizations granted by or pursuant to law for the same or similar purposes.

Sec. 3333.613. There is hereby created in the state treasury the choose Ohio first scholarship reserve fund. Not later than the first day of July of each fiscal year, the chancellor of the Ohio board of regents shall certify to the director of budget and management the unencumbered balance of the general revenue fund appropriations made in the immediately preceding fiscal year for purposes of the choose Ohio first scholarship program created in section 3333.61 of the Revised Code. Upon receipt of the certification, the director may transfer an amount not exceeding the certified amount from the general revenue fund to the choose Ohio first scholarship reserve fund. Moneys in the choose Ohio first scholarship reserve fund shall be used to pay scholarship obligations in excess of the general revenue fund appropriations made for that purpose.

The director may transfer any unencumbered balance from the choose Ohio first scholarship reserve fund to the general revenue fund.

Ohio co-op/internship program. The chancellor, on completion of 61097
that process, shall make a recommendation to the controlling board 61098
asking for approval of each award selected by the chancellor. 61099

The state institution of higher education shall submit a 61100
proposal and other documentation required by the chancellor, in 61101
the form and manner prescribed by the chancellor, for each award 61102
it seeks. A proposal may propose an initiative to be implemented 61103
solely by the state institution of higher education or in 61104
collaboration with other state institutions of higher education or 61105
nonpublic Ohio universities or colleges. 61106

The chancellor shall determine which proposals will receive 61107
awards each fiscal year, and the amount of each award, on the 61108
basis of the merit of each proposal, which the chancellor, subject 61109
to approval by the controlling board, shall determine based on one 61110
or more of the following criteria: 61111

(A) The extent to which the proposal will keep Ohio students 61112
in Ohio institutions of higher education; 61113

(B) The extent to which the proposal will attract Ohio 61114
residents who left Ohio to attend out-of-state institutions of 61115
higher education to return to Ohio institutions of higher 61116
education; 61117

(C) The extent to which the proposal will increase the number 61118
of Ohio graduates who remain in Ohio and enter Ohio's workforce; 61119

(D) The quality of the program that is the subject of the 61120
proposal and the extent to which additional resources will enhance 61121
its quality; 61122

(E) The extent to which the proposal is integrated with the 61123
strengths of the regional economy; 61124

(F) The extent to which the proposal ~~is aligned with the~~ 61125
