board has failed or is failing to provide transportation as 64361

Revised Code or other provisions of law. The department shall use 64377
the moneys so deducted to make payments to the nonpublic or 64378
community school attended by the pupil. The department shall 64379
continue to make the deductions and payments required under this 64380

each request if all of the following conditions are met: 64854

(1) Approval of the request will enhance the marketability of 64855
the obligations for which the request is made; 64856

(2) The chancellor and the office of budget and management, 64857
and the issuing authority in the case of obligations to be issued 64858
by the issuing authority, have no reason to believe the requesting 64859
community or technical college district or the community or 64860
technical college it operates will be unable to pay when due the 64861
bond service charges on the obligations for which the request is 64862
made, and bond service charges on those obligations are therefore 64863
not anticipated to be paid pursuant to this section from the 64864
allocated state share of instruction for purposes of Section 17 of 64865
Article VIII, Ohio Constitution. 64866

(3) Any other pertinent conditions established in rules 64867

to this section, the chancellor shall enter into a written 64871
agreement with the district and the primary paying agent or fiscal 64872
agent for the obligations, which agreement shall provide for the 64873
withholding of funds pursuant to this section for the payment of 64874
bond service charges on those obligations. The agreement may also 64875
include both of the following: 64876

(1) Provisions for certification by the district to the 64877
chancellor, prior to the deadline for payment of the applicable 64878

bond service charges, whether the district and the community or 64879
technical college it operates are able to pay those bond service 64880
charges when due; 64881

(2) Requirements that the district or the community or 64882
technical college it operates deposits amounts for the payment of 64883
those bond service charges with the primary paying agent or fiscal 64884
agent for the obligations prior to the date on which the bond 64885
service charges are due to the owners or holders of the 64886
obligations. 64887

(D) Whenever a district or the community or technical college 64888
it operates notifies the chancellor that it will not be able to 64889
pay the bond service charges when they are due, subject to the 64890
withholding provisions of this section, or whenever the applicable 64891
paying agent or fiscal agent notifies the chancellor that it has 64892
not timely received from a district or from the college it 64893
operates the full amount needed for payment of the bond service 64894
charges when due to the holders or owners of such obligations, the 64895
chancellor shall immediately contact the district or college and 64896
the paying agent or fiscal agent to confirm that the district and 64897
the college are not able to make the required payment by the date 64898
on which it is due. 64899

If the chancellor confirms that the district and the college 64900
are not able to make the payment and the payment will not be made 64901
pursuant to a credit enhancement facility, the chancellor shall 64902
promptly pay to the applicable primary paying agent or fiscal 64903
agent the lesser of the amount due for bond service charges or the 64904
amount of the next periodic distribution scheduled to be made to 64905
the district or to the college in respect of its allocated state 64906
share of instruction. If this amount is insufficient to pay the 64907
total amount then due the agent for the payment of bond service 64908
charges, the chancellor shall continue to pay to the agent from 64909
each periodic distribution thereafter, and until the full amount 64910

due the agent for unpaid bond service charges is paid in full, the 64911
lesser of the remaining amount due the agent for bond service 64912
charges or the amount of the next periodic distribution scheduled 64913
to be made to the district or college in respect of its allocated 64914
state share of instruction. 64915

(E) The chancellor may make any payments under this section 64916
by direct deposit of funds by electronic transfer. 64917

Any amount received by a paying agent or fiscal agent under 64918
this section shall be applied only to the payment of bond service 64919
charges on the obligations of the community or technical college 64920
district or community or technical college subject to this section 64921
or to the reimbursement of the provider of a credit enhancement 64922
facility that has paid the bond service charges. 64923

(F) The chancellor may make payments under this section to 64924
paying agents or fiscal agents during any fiscal biennium of the 64925
state only from and to the extent that money is appropriated to 64926
the board of regents by the general assembly for distribution 64927
during such biennium for the state share of instruction and only 64928
to the extent that a portion of the state share of instruction has 64929
been allocated to the community or technical college district or 64930
community or technical college. Obligations of the issuing 64931
authority or of a community or technical college district to which 64932
this section is made applicable do not constitute an obligation or 64933
a debt or a pledge of the faith, credit, or taxing power of the 64934
state, and the holders or owners of those obligations have no 64935
right to have excises or taxes levied or appropriations made by 64936
the general assembly for the payment of bond service charges on 64937
the obligations, and the obligations shall contain a statement to 64938
that effect. The agreement for or the actual withholding and 64939
payment of money under this section does not constitute the 64940
assumption by the state of any debt of a community or technical 64941
college district or a community or technical college, and bond 64942

service charges on the related obligations are not anticipated to 64943
be paid from the state general revenue fund for purposes of 64944
Section 17 of Article VIII, Ohio Constitution. 64945

(G) In the case of obligations subject to the withholding 64946
provisions of this section, the issuing community or technical 64947
college district, or the issuing authority in the case of 64948
obligations issued by the issuing authority, shall appoint a 64949
paying agent or fiscal agent who is not an officer or employee of 64950
the district or college. 64951

(H) The chancellor, with the advice and consent of the office 64952
of budget and management, may adopt reasonable rules not 64953
inconsistent with this section for the implementation of this 64954
section to secure payment of bond service charges on obligations 64955
issued by a community or technical college district or by the 64956
issuing authority for the benefit of a community or technical 64957
college district or the community or technical college it 64958
operates. Those rules shall include criteria for the evaluation 64959
and approval or denial of community or technical college district 64960
requests for withholding under this section. 64961

(I) The authority granted by this section is in addition to 64962
and not a limitation on any other authorizations granted by or 64963
pursuant to law for the same or similar purposes. 64964

that process, shall make a recommendation to the controlling board 64985
asking for approval of each award selected by the chancellor. 64986

solely by the state institution of higher education or in 64991
collaboration with other state institutions of higher education or 64992

been handwritten in ink on a printed form. 67495

(2) The person filing the statement, under penalty of 67496
election falsification, shall include with it a list of each 67497

regarding the filing of campaign finance statements by electronic 67557
means of transmission and regarding associated technologies for 67558
candidates, campaign committees, political action committees, 67559

state shall arrange for the provision of voluntary training 67569
programs for candidates, campaign committees, political action 67570
committees, legislative campaign funds, political parties, or 67571
political contributing entities, for individuals, partnerships, 67572
and other entities, for persons making disbursements to pay the 67573
direct costs of producing or airing electioneering communications, 67574
or for treasurers of transition funds, as appropriate. 67575

appointment, including the full name and address of the treasurer 67586
and of the campaign committee, political action committee, 67587
legislative campaign fund, political party, or political 67588
contributing entity. That designation shall be filed with the 67589
official with whom the campaign committee, political action 67590

be vouched for by a receipted bill, stating the purpose of the 67645
expenditure, that shall be filed with the statement of 67646
expenditures. A canceled check with a notation of the purpose of 67647

case may be, shall issue a receipt for each statement filed under 67651
this section and shall preserve a copy of the receipt for a period 67652

3517.1012, 3517.1013, or 3517.1014 of the Revised Code; 67664

(b) The manner of preserving the contribution and 67665
expenditure, contribution and disbursement, deposit and 67666

this section. The secretary of state shall preserve the 67669
contribution and expenditure, contribution and disbursement, 67670
deposit and disbursement, gift and disbursement, or donation and 67671
disbursement information in those statements for at least ten 67672
years after the year in which they are filed by electronic means 67673
of transmission. 67674

(E)(1) Any person, political party, campaign committee, 67688
legislative campaign fund, political action committee, or 67689
political contributing entity that makes a contribution in 67690
connection with the nomination or election of any candidate or in 67691
connection with any ballot issue or question at any election held 67692
or to be held in this state shall provide its full name and 67693
address to the recipient of the contribution at the time the 67694
contribution is made. The political action committee also shall 67695

provide the registration number assigned to the committee under 67696
division (D)(1) of this section to the recipient of the 67697
contribution at the time the contribution is made. 67698

(2) Any individual who makes a contribution that exceeds one 67699
hundred dollars to a political action committee, political 67700
contributing entity, legislative campaign fund, or political party 67701

liability insurance covering the provision of services under the 69900
programs by physicians and other health care professionals, and to 69901
pay health insurance premiums on behalf of medically handicapped 69902
children participating in the program for medically handicapped 69903
children when the department determines, in accordance with 69904

criteria set forth in rules adopted under division (A)(9) of 69905
section 3701.021 of the Revised Code, that payment of the premiums 69906
is cost effective. 69907

In determining eligibility for services provided with funds 69908
received from the "Maternal and Child Health Block Grant," the 69909
department may use the application form established under section 69910
~~5111.013~~ 5163.40 of the Revised Code. The department may require 69911
applicants to furnish their social security numbers. Funds from 69912

Health Service Act," 84 Stat. 1504 (1970), 42 U.S.C. 300a, as 69924
amended. This section does not apply to grants awarded by the 69925
department under section 3701.046 of the Revised Code. 69926

(B) With respect to each period during which funds from a 69927
particular source are distributed for the purpose of providing 69928
family planning services, the department is subject to both of the 69929
following when distributing the funds to applicants seeking those 69930
funds: 69931

(1) Foremost priority shall be given to public entities that 69932
are operated by state or local government entities and that 69933
provide or are able to provide family planning services. 69934

(2) If any funds remain after the department distributes 69935

funds to public entities under division (B)(1) of this section, 69936
the department may distribute funds to nonpublic entities. If 69937
funds are distributed to nonpublic entities, the department shall 69938
distribute the funds in the following order of descending 69939
priority: 69940

(a) Nonpublic entities that are federally qualified health 69941
centers or federally qualified health center look-alikes, both as 69942
defined in section 3701.047 of the Revised Code, or community 69943
action agencies, as defined in section 122.66 of the Revised Code; 69944

(b) Nonpublic entities that provide comprehensive primary and 69945
preventive care services in addition to family planning services; 69946

Sec. 3701.13. The department of health shall have supervision 69950
of all matters relating to the preservation of the life and health 69951
of the people and have ultimate authority in matters of quarantine 69952
and isolation, which it may declare and enforce, when neither 69953
exists, and modify, relax, or abolish, when either has been 69954
established. The department may approve methods of immunization 69955
against the diseases specified in section 3313.671 of the Revised 69956
Code for the purpose of carrying out the provisions of that 69957
section and take such actions as are necessary to encourage 69958
vaccination against those diseases. 69959

The department may make special or standing orders or rules 69960
for preventing the use of fluoroscopes for nonmedical purposes 69961
~~which~~ that emit doses of radiation likely to be harmful to any 69962
person, for preventing the spread of contagious or infectious 69963
diseases, for governing the receipt and conveyance of remains of 69964
deceased persons, and for such other sanitary matters as are best 69965
controlled by a general rule. Whenever possible, the department 69966

shall work in cooperation with the health commissioner of a 69967
general or city health district. ~~The department~~ may make and 69968
enforce orders in local matters or reassign substantive authority 69969
for mandatory programs from a general or city health district to 69970
another general or city health district when an emergency exists, 69971
or when the board of health of a general or city health district 69972

efficiency, or when such board has not been established as 69974
provided by sections 3709.02, 3709.03, 3709.05, 3709.06, 3709.11, 69975
3709.12, and 3709.14 of the Revised Code. In such cases, the 69976
necessary expense incurred shall be paid by the general health 69977
district or city for which the services are rendered. 69978

The department of health may require general or city health 69979
districts to enter into agreements for shared services under 69980
section 9.482 of the Revised Code. The department shall prepare 69981
and offer to boards of health a model contract and memorandum of 69982
understanding that are easily adaptable for use by boards of 69983
health when entering into shared services agreements. The 69984
department also may offer financial and other technical assistance 69985
to boards of health to encourage the sharing of services. 69986

As a condition precedent to receiving funding from the 69987
department of health, the director of health may require general 69988
or city health districts to apply for accreditation by July 1, 69989
2018, and be accredited by July 1, 2020, by an accreditation body 69990
approved by the director. The director of health, by July 1, 2016, 69991

The department may make evaluative studies of the nutritional 69996
status of Ohio residents, and of the food and nutrition-related 69997
programs operating within the state. Every agency of the state, at 69998

the request of the department, shall provide information and 69999
otherwise assist in the execution of such studies. 70000

Sec. 3701.132. The department of health is hereby designated 70001
as the state agency to administer the "special supplemental 70002

under the "Child Nutrition Act of 1966," 80 Stat. 885, 42 U.S.C. 70004
1786, as amended. The director of health may adopt rules pursuant 70005
to Chapter 119. of the Revised Code as necessary for administering 70006
the program. The rules may include civil money penalties for 70007
violations of the rules. 70008

In determining eligibility for services provided under the 70009
program, the department may use the application form established 70010
under section ~~5111.013~~ 5163.40 of the Revised Code for the healthy 70011
start program. The department may require applicants to furnish 70012
their social security numbers. 70013

The department shall review and process an application for a 70014
new contract to act as a vendor under the program not later than 70015
forty-five days after the date it is received if on that date the 70016
applicant has a contract with the department to act as a vendor 70017
under the program. 70018

If the department determines that a vendor has committed an 70019
act with respect to the program that federal statutes or 70020

shall take action against the vendor in the manner required by 7 70022

(1) Apply pit and fissure sealants through a program operated 70032
by a school district board of education or the governing board of 70033
an educational service center; 70034

(2) If the director establishes a school-based fluoride mouth 70035
rinse program under section 3701.136 of the Revised Code, 70036
administer fluoride mouth rinse to a student who receives services 70037
from the program. 70038

(B) The director may determine that an expanded function 70039
dental auxiliary registered under Chapter 4715. of the Revised 70040
Code may do either or both of the following without a dentist 70041

Sec. 3701.243. (A) Except as provided in this section or 70051
section 3701.248 of the Revised Code, no person or agency of state 70052
or local government that acquires the information while providing 70053
any health care service or while in the employ of a health care 70054
facility or health care provider shall disclose or compel another 70055

(1) The identity of any individual on whom an HIV test is 70057
performed; 70058

(2) The results of an HIV test in a form that identifies the individual tested; 70059
70060

(3) The identity of any individual diagnosed as having AIDS or an AIDS-related condition. 70061
70062

(B)(1) Except as provided in divisions (B)(2), (C), (D), and (F) of this section, the results of an HIV test or the identity of an individual on whom an HIV test is performed or who is diagnosed as having AIDS or an AIDS-related condition may be disclosed only to the following: 70063

70077

(e) A health care facility or provider that procures, processes, distributes, or uses a human body part from a deceased individual, donated for a purpose specified in Chapter 2108. of the Revised Code, and that needs medical information about the deceased individual to ensure that the body part is medically acceptable for its intended purpose; 70078
70079
70080
70081
70082

Revised Code, except that the identity of the individual tested 70091
shall not be revealed; 70092

(h) To law enforcement authorities pursuant to a search 70093

(2) The results of an HIV test or a diagnosis of AIDS or an 70098
AIDS-related condition may be disclosed to a health care provider, 70099
or an authorized agent or employee of a health care facility or a 70100
health care provider, if the provider, agent, or employee has a 70101
medical need to know the information and is participating in the 70102
diagnosis, care, or treatment of the individual on whom the test 70103
was performed or who has been diagnosed as having AIDS or an 70104
AIDS-related condition. 70105

This division does not impose a standard of disclosure 70106
different from the standard for disclosure of all other specific 70107
information about a patient to health care providers and 70108
facilities. Disclosure may not be requested or made solely for the 70109
purpose of identifying an individual who has a positive HIV test 70110
result or has been diagnosed as having AIDS or an AIDS-related 70111
condition in order to refuse to treat the individual. Referral of 70112
an individual to another health care provider or facility based on 70113
reasonable professional judgment does not constitute refusal to 70114
treat the individual. 70115

(3) Not later than ninety days after November 1, 1989, each 70116
health care facility in this state shall establish a protocol to 70117
be followed by employees and individuals affiliated with the 70118
facility in making disclosures authorized by division (B)(2) of 70119
this section. A person employed by or affiliated with a health 70120

care facility who determines in accordance with the protocol 70121
established by the facility that a disclosure is authorized by 70122
division (B)(2) of this section is immune from liability to any 70123
person in a civil action for damages for injury, death, or loss to 70124
person or property resulting from the disclosure. 70125

(C)(1) Any person or government agency may seek access to or 70126
authority to disclose the HIV test records of an individual in 70127
accordance with the following provisions: 70128

(a) The person or government agency shall bring an action in 70129
a court of common pleas requesting disclosure of or authority to 70130
disclose the results of an HIV test of a specific individual, who 70131
shall be identified in the complaint by a pseudonym but whose name 70132
shall be communicated to the court confidentially, pursuant to a 70133
court order restricting the use of the name. The court shall 70134
provide the individual with notice and an opportunity to 70135
participate in the proceedings if the individual is not named as a 70136
party. Proceedings shall be conducted in chambers unless the 70137
individual agrees to a hearing in open court. 70138

(b) The court may issue an order granting the plaintiff 70139
access to or authority to disclose the test results only if the 70140
court finds by clear and convincing evidence that the plaintiff 70141
has demonstrated a compelling need for disclosure of the 70142
information that cannot be accommodated by other means. In 70143
assessing compelling need, the court shall weigh the need for 70144
disclosure against the privacy right of the individual tested and 70145
against any disservice to the public interest that might result 70146
from the disclosure, such as discrimination against the individual 70147
or the deterrence of others from being tested. 70148

(c) If the court issues an order, it shall guard against 70149
unauthorized disclosure by specifying the persons who may have 70150
access to the information, the purposes for which the information 70151
shall be used, and prohibitions against future disclosure. 70152

(2) A person or government agency that considers it necessary to disclose the results of an HIV test of a specific individual in an action in which it is a party may seek authority for the disclosure by filing an in camera motion with the court in which the action is being heard. In hearing the motion, the court shall employ procedures for confidentiality similar to those specified in division (C)(1) of this section. The court shall grant the motion only if it finds by clear and convincing evidence that a compelling need for the disclosure has been demonstrated.

(3) Except for an order issued in a criminal prosecution or an order under division (C)(1) or (2) of this section granting disclosure of the result of an HIV test of a specific individual, a court shall not compel a blood bank, hospital blood center, or blood collection facility to disclose the result of HIV tests performed on the blood of voluntary donors in a way that reveals the identity of any donor.

(4) In a civil action in which the plaintiff seeks to recover damages from an individual defendant based on an allegation that the plaintiff contracted the HIV virus as a result of actions of the defendant, the prohibitions against disclosure in this section do not bar discovery of the results of any HIV test given to the defendant or any diagnosis that the defendant suffers from AIDS or an AIDS-related condition.

(D) The results of an HIV test or the identity of an individual on whom an HIV test is performed or who is diagnosed as having AIDS or an AIDS-related condition may be disclosed to a federal, state, or local government agency, or the official representative of such an agency, for purposes of the ~~medical assistance~~ medicaid program established under section 5111.01 of the Revised Code, the medicare program established under Title XVIII of the "Social Security Act," 49 Stat. 620 (1935) 42 U.S.C.A. 301, as amended, or any other public assistance program.

(E) Any disclosure pursuant to this section shall be in writing and accompanied by a written statement that includes the following or substantially similar language: "This information has been disclosed to you from confidential records protected from disclosure by state law. You shall make no further disclosure of this information without the specific, written, and informed release of the individual to whom it pertains, or as otherwise permitted by state law. A general authorization for the release of medical or other information is not sufficient for the purpose of the release of HIV test results or diagnoses."

(F) An individual who knows that the individual has received a positive result on an HIV test or has been diagnosed as having AIDS or an AIDS-related condition shall disclose this information to any other person with whom the individual intends to make common use of a hypodermic needle or engage in sexual conduct as defined in section 2907.01 of the Revised Code. An individual's compliance with this division does not prohibit a prosecution of the individual for a violation of division (B) of section 2903.11 of the Revised Code.

(G) Nothing in this section prohibits the introduction of evidence concerning an HIV test of a specific individual in a criminal proceeding.

Sec. 3701.261. (A) As used in this section, "state university" has the same meaning as in section 3345.011 of the Revised Code.

eliminate any such conditions; 70217

(2) Advise, consult, cooperate with, and assist, by contract 70218

university as an agent to implement some or all of this section 70232
and section 3701.262 of the Revised Code and the rules adopted 70233
under those sections. 70234

(C) The department of health shall record in the registry all 70262
reports of cancer received by it. In the development and 70263
administration of the cancer registry the department may use 70264
information compiled by public or private cancer registries and 70265

Sec. 3714.07. (A)(1) For the purpose of assisting boards of 73039
health and the environmental protection agency in administering 73040
and enforcing this chapter and rules adopted under it, there is 73041
hereby levied a fee of thirty cents per cubic yard or sixty cents 73042
per ton, as applicable, on both of the following: 73043

Chapter 3734. of the Revised Code; 73047

(b) The disposal of asbestos or asbestos-containing materials 73048
or products at a construction and demolition debris facility that 73049
is licensed under this chapter or at a solid waste facility that 73050
is licensed under Chapter 3734. of the Revised Code. 73051

(2) The owner or operator of a construction and demolition 73052
debris facility or a solid waste facility shall determine if cubic 73053
yards or tons will be used as the unit of measurement. If basing 73054
the fee on cubic yards, the owner or operator shall utilize either 73055
the maximum cubic yard capacity of the container, or the hauling 73056
volume of the vehicle, that transports the construction and 73057
demolition debris to the facility or the cubic yards actually 73058
logged for disposal by the owner or operator in accordance with 73059
rules adopted under section 3714.02 of the Revised Code. If basing 73060
the fee on tonnage, the owner or operator shall use certified 73061
scales to determine the tonnage of construction and demolition 73062
debris that is disposed of. 73063

(3) The owner or operator of a construction and demolition 73064
debris facility or a solid waste facility shall calculate the 73065
amount of money generated from the fee levied under division 73066
(A)(1) of this section and shall hold that amount as a trustee for 73067
the health district having jurisdiction over the facility, if that 73068
district is on the approved list under section 3714.09 of the 73069
Revised Code, or for the state. The owner or operator shall 73070
prepare and file with the appropriate board of health or the 73071
director of environmental protection monthly returns indicating 73072
the total volume or weight, as applicable, of construction and 73073
demolition debris and asbestos or asbestos-containing materials or 73074
products disposed of at the facility and the total amount of money 73075
generated during that month from the fee levied under division 73076
(A)(1) of this section on the disposal of construction and 73077
demolition debris and asbestos or asbestos-containing materials or 73078
products. Not later than thirty days after the last day of the 73079

month to which the return applies, the owner or operator shall 73080
mail to the board of health or the director the return for that 73081
month together with the amount of money calculated under division 73082
(A)(3) of this section on the disposal of construction and 73083
demolition debris and asbestos or asbestos-containing materials or 73084
products during that month or may submit the return and money 73085
electronically in a manner approved by the director. The owner or 73086
operator may request, in writing, an extension of not more than 73087
thirty days after the last day of the month to which the return 73088
applies. A request for extension may be denied. If the owner or 73089
operator submits the money late, the owner or operator shall pay a 73090
penalty of ten per cent of the amount of the money due for each 73091
month that it is late. 73092

(4) Of the money that is submitted by a construction and 73093
demolition debris facility or a solid waste facility on a per 73094
cubic yard or per ton basis under this section, a board of health 73095
shall transmit three cents per cubic yard or six cents per ton, as 73096
applicable, to the director not later than forty-five days after 73097
the receipt of the money. The money retained by a board of health 73098
under this section shall be paid into a special fund, which is 73099
hereby created in each health district, and used solely ~~to~~ for the 73100
following purposes: 73101

(a) To administer and enforce this chapter and rules adopted 73102
under it; 73103

(b) To abate abandoned accumulations of construction and 73104
demolition debris as provided in section 3714.074 of the Revised 73105
Code. 73106

The director shall transmit all money received under this 73107
section to the treasurer of state to be credited to the 73108
construction and demolition debris facility oversight fund, which 73109
is hereby created in the state treasury. The fund shall be 73110
administered by the director, and money credited to the fund shall 73111

be used exclusively for the administration and enforcement of this 73112
chapter and rules adopted under it. 73113

(B) The board of health of a health district or the director 73114
may enter into an agreement with the owner or operator of a 73115
construction and demolition debris facility or a solid waste 73116
facility for the quarterly payment of money generated from the 73117
disposal fee as calculated in division (A)(3) of this section. The 73118
board of health shall notify the director of any such agreement. 73119
Not later than forty-five days after receipt of the quarterly 73120
payment, the board of health shall transmit the amount established 73121
in division (A)(4) of this section to the director. The money 73122
retained by the board of health shall be deposited in the special 73123
fund of the district as required under that division. Upon receipt 73124
of the money from a board of health, the director shall transmit 73125
the money to the treasurer of state to be credited to the 73126
construction and demolition debris facility oversight fund. 73127

(C) If a construction and demolition debris facility or a 73128
solid waste facility is located within the territorial boundaries 73129
of a municipal corporation or the unincorporated area of a 73130
township, the municipal corporation or township may appropriate up 73131
to four cents per cubic yard or up to eight cents per ton of the 73132
disposal fee required to be paid by the facility under division 73133
(A)(1) of this section for the same purposes that a municipal 73134
corporation or township may levy a fee under division (C) of 73135
section 3734.57 of the Revised Code. 73136

The legislative authority of the municipal corporation or 73137
township may appropriate the money from the fee by enacting an 73138
ordinance or adopting a resolution establishing the amount of the 73139
fee to be appropriated. Upon doing so, the legislative authority 73140
shall mail a certified copy of the ordinance or resolution to the 73141
board of health of the health district in which the construction 73142
and demolition debris facility or the solid waste facility is 73143

located or, if the facility is located in a health district that 73144
is not on the approved list under section 3714.09 of the Revised 73145
Code, to the director. Upon receipt of the copy of the ordinance 73146
or resolution and not later than forty-five days after receipt of 73147
money generated from the fee, the board or the director, as 73148
applicable, shall transmit to the treasurer or other appropriate 73149
officer of the municipal corporation or clerk of the township that 73150
portion of the money generated from the disposal fee by the owner 73151
or operator of the facility that is required by the ordinance or 73152
resolution to be paid to that municipal corporation or township. 73153

Money received by the treasurer or other appropriate officer 73154
of a municipal corporation under this division shall be paid into 73155
the general fund of the municipal corporation. Money received by 73156
the clerk of a township under this division shall be paid into the 73157
general fund of the township. The treasurer or other officer of 73158
the municipal corporation or the clerk of the township, as 73159
appropriate, shall maintain separate records of the money received 73160
under this division. 73161

The legislative authority of a municipal corporation or 73162
township may cease appropriating money under this division by 73163
repealing the ordinance or resolution that was enacted or adopted 73164
under this division. 73165

The director shall adopt rules in accordance with Chapter 73166
119. of the Revised Code establishing requirements for prorating 73167
the amount of the fee that may be appropriated under this division 73168
by a municipal corporation or township in which only a portion of 73169
a construction and demolition debris facility is located within 73170
the territorial boundaries of the municipal corporation or 73171
township. 73172

(D) The board of county commissioners of a county in which a 73173
construction and demolition debris facility or a solid waste 73174
facility is located may appropriate up to three cents per cubic 73175

yard or up to six cents per ton of the disposal fee required to be 73176
paid by the facility under division (A)(1) of this section for the 73177
same purposes that a solid waste management district may levy a 73178
fee under division (B) of section 3734.57 of the Revised Code. 73179

The board of county commissioners may appropriate the money 73180
from the fee by adopting a resolution establishing the amount of 73181
the fee to be appropriated. Upon doing so, the board of county 73182
commissioners shall mail a certified copy of the resolution to the 73183
board of health of the health district in which the construction 73184
and demolition debris facility or the solid waste facility is 73185
located or, if the facility is located in a health district that 73186
is not on the approved list under section 3714.09 of the Revised 73187
Code, to the director. Upon receipt of the copy of the resolution 73188
and not later than forty-five days after receipt of money 73189
generated from the fee, the board of health or the director, as 73190
applicable, shall transmit to the treasurer of the county that 73191
portion of the money generated from the disposal fee by the owner 73192
or operator of the facility that is required by the resolution to 73193
be paid to that county. 73194

Money received by a county treasurer under this division 73195
shall be paid into the general fund of the county. The county 73196
treasurer shall maintain separate records of the money received 73197
under this division. 73198

A board of county commissioners may cease appropriating money 73199
under this division by repealing the resolution that was adopted 73200
under this division. 73201

(E)(1) This section does not apply to the disposal of 73202
construction and demolition debris at a solid waste facility that 73203
is licensed under Chapter 3734. of the Revised Code if there is no 73204
construction and demolition debris facility licensed under this 73205
chapter within thirty-five miles of the solid waste facility as 73206
determined by a facility's property boundaries. 73207

(2) This section does not apply to the disposal of 73208
construction and demolition debris at a solid waste facility that 73209
is licensed under Chapter 3734. of the Revised Code if the owner 73210

disposal of the construction and demolition debris and asbestos or 73212
asbestos-containing materials or products that are identical to 73213
the fees that are collected under Chapters 343. and 3734. of the 73214
Revised Code on the disposal of solid wastes at that facility. 73215

(3) This section does not apply to the disposal of source 73216
separated materials that are exclusively composed of reinforced or 73217
nonreinforced concrete, asphalt, clay tile, building or paving 73218
brick, or building or paving stone at a construction and 73219
demolition debris facility that is licensed under this chapter 73220
when either of the following applies: 73221

(a) The materials are placed within the limits of 73222
construction and demolition debris placement at the facility as 73223
specified in the license issued to the facility under section 73224
3714.06 of the Revised Code, are not placed within the unloading 73225
zone of the facility, and are used as a fire prevention measure in 73226
accordance with rules adopted by the director under section 73227
3714.02 of the Revised Code. 73228

(b) The materials are not placed within the unloading zone of 73229
the facility or within the limits of construction and demolition 73230
debris placement at the facility as specified in the license 73231
issued to the facility under section 3714.06 of the Revised Code, 73232
but are used as fill material, either alone or in conjunction with 73233
clean soil, sand, gravel, or other clean aggregates, in legitimate 73234
fill operations for construction purposes at the facility or to 73235
bring the facility up to a consistent grade. 73236

construction and demolition debris at a location for which a 73247
license has not been issued pursuant to section 3714.05 of the 73248
Revised Code if the board has reason to believe that there is a 73249

accumulations are located: 73252

(1) The construction and demolition debris was placed on the 73253
property under either of the following circumstances: 73254

(a) After the owner of the property acquired title to it; 73255

(b) Before the owner of the property acquired title to it if 73256
the owner acquired title to the property by bequest or devise. 73257

(2) The owner of the property did not have knowledge that the 73258

the resident's rights, section 2315.21 of the Revised Code shall 74915

closure and post-closure care, in a sanitary manner so as not to 75405
create a nuisance, cause or contribute to water pollution, create 75406
a health hazard, or violate 40 C.F.R. 257.3-2 or 40 C.F.R. 75407
257.3-8, as amended. The rules may include, without limitation, 75408
financial assurance requirements for closure and post-closure care 75409
and corrective action and requirements for taking corrective 75410
action in the event of the surface or subsurface discharge or 75411
migration of explosive gases or leachate from a solid waste 75412
facility, or of ground water contamination resulting from the 75413
transfer or disposal of solid wastes at a facility, beyond the 75414
boundaries of any area within a facility that is operating or is 75415
undergoing closure or post-closure care where solid wastes were 75416
disposed of or are being disposed of. The rules shall not concern 75417
or relate to personnel policies, salaries, wages, fringe benefits, 75418
or other conditions of employment of employees of persons owning 75419
or operating solid waste facilities. The director, in accordance 75420
with Chapter 119. of the Revised Code, shall adopt and may amend, 75421
suspend, or rescind rules governing the issuance, modification, 75422
revocation, suspension, or denial of variances from the director's 75423
solid waste rules, including, without limitation, rules adopted 75424
under this chapter governing the management of scrap tires. 75425

Variances shall be issued, modified, revoked, suspended, or 75426
rescinded in accordance with this division, rules adopted under 75427
it, and Chapter 3745. of the Revised Code. The director may order 75428
the person to whom a variance is issued to take such action within 75429
such time as the director may determine to be appropriate and 75430
reasonable to prevent the creation of a nuisance or a hazard to 75431
the public health or safety or the environment. Applications for 75432
variances shall contain such detail plans, specifications, and 75433
information regarding objectives, procedures, controls, and other 75434
pertinent data as the director may require. The director shall 75435
grant a variance only if the applicant demonstrates to the 75436
director's satisfaction that construction and operation of the 75437
solid waste facility in the manner allowed by the variance and any 75438
terms or conditions imposed as part of the variance will not 75439
create a nuisance or a hazard to the public health or safety or 75440
the environment. In granting any variance, the director shall 75441
state the specific provision or provisions whose terms are to be 75442
varied and also shall state specific terms or conditions imposed 75443
upon the applicant in place of the provision or provisions. The 75444
director may hold a public hearing on an application for a 75445
variance or renewal of a variance at a location in the county 75446
where the operations that are the subject of the application for 75447
the variance are conducted. The director shall give not less than 75448
twenty days' notice of the hearing to the applicant by certified 75449
mail or by another type of mail accompanied by a receipt and shall 75450
publish at least one notice of the hearing in a newspaper with 75451
general circulation in the county where the hearing is to be held. 75452
The director shall make available for public inspection at the 75453
principal office of the environmental protection agency a current 75454
list of pending applications for variances and a current schedule 75455
of pending variance hearings. The director shall make a complete 75456
stenographic record of testimony and other evidence submitted at 75457
the hearing. Within ten days after the hearing, the director shall 75458

make a written determination to issue, renew, or deny the variance 75459
and shall enter the determination and the basis for it into the 75460
record of the hearing. The director shall issue, renew, or deny an 75461
application for a variance or renewal of a variance within six 75462
months of the date upon which the director receives a complete 75463
application with all pertinent information and data required. No 75464
variance shall be issued, revoked, modified, or denied until the 75465
director has considered the relative interests of the applicant, 75466
other persons and property affected by the variance, and the 75467
general public. Any variance granted under this division shall be 75468
for a period specified by the director and may be renewed from 75469
time to time on such terms and for such periods as the director 75470
determines to be appropriate. No application shall be denied and 75471
no variance shall be revoked or modified without a written order 75472
stating the findings upon which the denial, revocation, or 75473
modification is based. A copy of the order shall be sent to the 75474
applicant or variance holder by certified mail or by another type 75475
of mail accompanied by a receipt. 75476

(B) The director shall prescribe and furnish the forms 75477
necessary to administer and enforce this chapter. The director may 75478
cooperate with and enter into agreements with other state, local, 75479
or federal agencies to carry out the purposes of this chapter. The 75480
director may exercise all incidental powers necessary to carry out 75481
the purposes of this chapter. 75482

The director may use moneys in the infectious waste 75483
management fund created in section 3734.021 of the Revised Code 75484
exclusively for administering and enforcing the provisions of this 75485
chapter governing the management of infectious wastes. 75486

(C) Except as provided in this division and divisions (N)(2) 75487
and (3) of this section, no person shall establish a new solid 75488
waste facility or infectious waste treatment facility, or modify 75489
an existing solid waste facility or infectious waste treatment 75490

facility, without submitting an application for a permit with 75491
accompanying detail plans, specifications, and information 75492
regarding the facility and method of operation and receiving a 75493
permit issued by the director, except that no permit shall be 75494
required under this division to install or operate a solid waste 75495
facility for sewage sludge treatment or disposal when the 75496
treatment or disposal is authorized by a current permit issued 75497
under Chapter 3704. or 6111. of the Revised Code. 75498

No person shall continue to operate a solid waste facility 75499
for which the director has denied a permit for which an 75500
application was required under division (A)(3) of section 3734.05 75501
of the Revised Code, or for which the director has disapproved 75502
plans and specifications required to be filed by an order issued 75503
under division (A)(5) of that section, after the date prescribed 75504
for commencement of closure of the facility in the order issued 75505
under division (A)(6) of section 3734.05 of the Revised Code 75506
denying the permit application or approval. 75507

On and after the effective date of the rules adopted under 75508
division (A) of this section and division (D) of section 3734.12 75509
of the Revised Code governing solid waste transfer facilities, no 75510
person shall establish a new, or modify an existing, solid waste 75511
transfer facility without first submitting an application for a 75512
permit with accompanying engineering detail plans, specifications, 75513
and information regarding the facility and its method of operation 75514
to the director and receiving a permit issued by the director. 75515

No person shall establish a new compost facility or continue 75516
to operate an existing compost facility that accepts exclusively 75517
source separated yard wastes without submitting a completed 75518
registration for the facility to the director in accordance with 75519
rules adopted under divisions (A) and (N)(3) of this section. 75520

This division does not apply to a generator of infectious 75521
wastes that does any of the following: 75522

(1) Treats, by methods, techniques, and practices established 75523
by rules adopted under division (B)(2)(a) of section 3734.021 of 75524
the Revised Code, any of the following: 75525

(a) Infectious wastes that are generated on any premises that 75526
are owned or operated by the generator; 75527

(b) Infectious wastes that are generated by a generator who 75528
has staff privileges at a hospital as defined in section 3727.01 75529
of the Revised Code; 75530

(c) Infectious wastes that are generated in providing care to 75531
a patient by an emergency medical services organization as defined 75532
in section 4765.01 of the Revised Code. 75533

(2) Holds a license or renewal of a license to operate a 75534
crematory facility issued under Chapter 4717. and a permit issued 75535
under Chapter 3704. of the Revised Code; 75536

(3) Treats or disposes of dead animals or parts thereof, or 75537
the blood of animals, and is subject to any of the following: 75538

(a) Inspection under the "Federal Meat Inspection Act," 81 75539
Stat. 584 (1967), 21 U.S.C.A. 603, as amended; 75540

(b) Chapter 918. of the Revised Code; 75541

(c) Chapter 953. of the Revised Code. 75542

(D) Neither this chapter nor any rules adopted under it apply 75543
to single-family residential premises; to infectious wastes 75544
generated by individuals for purposes of their own care or 75545
treatment; to the temporary storage of solid wastes, other than 75546
scrap tires, prior to their collection for disposal; to the 75547
storage of one hundred or fewer scrap tires unless they are stored 75548
in such a manner that, in the judgment of the director or the 75549
board of health of the health district in which the scrap tires 75550
are stored, the storage causes a nuisance, a hazard to public 75551
health or safety, or a fire hazard; or to the collection of solid 75552

wastes, other than scrap tires, by a political subdivision or a person holding a franchise or license from a political subdivision of the state; to composting, as defined in section 1511.01 of the Revised Code, conducted in accordance with section 1511.022 of the Revised Code; or to any person who is licensed to transport raw rendering material to a compost facility pursuant to section 953.23 of the Revised Code.

(E)(1) As used in this division:

(a) "On-site facility" means a facility that stores, treats, or disposes of hazardous waste that is generated on the premises of the facility.

(b) "Off-site facility" means a facility that stores, treats, or disposes of hazardous waste that is generated off the premises of the facility and includes such a facility that is also an on-site facility.

(c) "Satellite facility" means any of the following:

(i) An on-site facility that also receives hazardous waste from other premises owned by the same person who generates the waste on the facility premises;

(ii) An off-site facility operated so that all of the hazardous waste it receives is generated on one or more premises owned by the person who owns the facility;

(iii) An on-site facility that also receives hazardous waste that is transported uninterruptedly and directly to the facility through a pipeline from a generator who is not the owner of the facility.

(2) Except as provided in division (E)(3) of this section, no person shall establish or operate a hazardous waste facility, or use a solid waste facility for the storage, treatment, or disposal of any hazardous waste, without a hazardous waste facility

installation and operation permit issued in accordance with 75583
 section 3734.05 of the Revised Code and subject to the payment of 75584
 an application fee not to exceed one thousand five hundred 75585
 dollars, payable upon application for a hazardous waste facility 75586
 installation and operation permit and upon application for a 75587
 renewal permit issued under division (H) of section 3734.05 of the 75588
 Revised Code, to be credited to the hazardous waste facility 75589
 management fund created in section 3734.18 of the Revised Code. 75590
 The term of a hazardous waste facility installation and operation 75591
 permit shall not exceed ten years. 75592

In addition to the application fee, there is hereby levied an 75593
 annual permit fee to be paid by the permit holder upon the 75594
 anniversaries of the date of issuance of the hazardous waste 75595
 facility installation and operation permit and of any subsequent 75596
 renewal permits and to be credited to the hazardous waste facility 75597
 management fund. Annual permit fees totaling forty thousand 75598
 dollars or more for any one facility may be paid on a quarterly 75599
 basis with the first quarterly payment each year being due on the 75600
 anniversary of the date of issuance of the hazardous waste 75601
 facility installation and operation permit and of any subsequent 75602
 renewal permits. The annual permit fee shall be determined for 75603
 each permit holder by the director in accordance with the 75604
 following schedule: 75605

A hazardous waste disposal facility that disposes of 75636
hazardous waste by deep well injection and that pays the annual 75637
permit fee established in section 6111.046 of the Revised Code is 75638
not subject to the permit fee established in this division for 75639
disposal facilities using deep well injection unless the director 75640
determines that the facility is not in compliance with applicable 75641
requirements established under this chapter and rules adopted 75642
under it. 75643

In determining the annual permit fee required by this 75644
section, the director shall not require additional payments for 75645
multiple units of the same method of storage, treatment, or 75646
disposal or for individual units that are used for both storage 75647

and treatment. A facility using more than one method of storage, 75648
treatment, or disposal shall pay the permit fee indicated by the 75649
schedule for each such method. 75650

The director shall not require the payment of that portion of 75651
an annual permit fee of any permit holder that would apply to a 75652
hazardous waste management unit for which a permit has been 75653
issued, but for which construction has not yet commenced. Once 75654
construction has commenced, the director shall require the payment 75655
of a part of the appropriate fee indicated by the schedule that 75656
bears the same relationship to the total fee that the number of 75657
days remaining until the next anniversary date at which payment of 75658
the annual permit fee is due bears to three hundred sixty-five. 75659

The director, by rules adopted in accordance with Chapters 75660
119. and 3745. of the Revised Code, shall prescribe procedures for 75661
collecting the annual permit fee established by this division and 75662
may prescribe other requirements necessary to carry out this 75663
division. 75664

(3) The prohibition against establishing or operating a 75665
hazardous waste facility without a hazardous waste facility 75666
installation and operation permit does not apply to either of the 75667
following: 75668

(a) A facility that is operating in accordance with a permit 75669
renewal issued under division (H) of section 3734.05 of the 75670
Revised Code, a revision issued under division (I) of that section 75671
as it existed prior to August 20, 1996, or a modification issued 75672
by the director under division (I) of that section on and after 75673
August 20, 1996; 75674

(b) Except as provided in division (J) of section 3734.05 of 75675
the Revised Code, a facility that will operate or is operating in 75676
accordance with a permit by rule, or that is not subject to permit 75677
requirements, under rules adopted by the director. In accordance 75678

with Chapter 119. of the Revised Code, the director shall adopt, 75679
and subsequently may amend, suspend, or rescind, rules for the 75680
purposes of division (E)(3)(b) of this section. Any rules so 75681
adopted shall be consistent with and equivalent to regulations 75682
pertaining to interim status adopted under the "Resource 75683
Conservation and Recovery Act of 1976," 90 Stat. 2806, 42 U.S.C.A. 75684
6921, as amended, except as otherwise provided in this chapter. 75685

If a modification is requested or proposed for a facility 75686
described in division (E)(3)(a) or (b) of this section, division 75687
(I)(7) of section 3734.05 of the Revised Code applies. 75688

(F) No person shall store, treat, or dispose of hazardous 75689
waste identified or listed under this chapter and rules adopted 75690
under it, regardless of whether generated on or off the premises 75691
where the waste is stored, treated, or disposed of, or transport 75692
or cause to be transported any hazardous waste identified or 75693
listed under this chapter and rules adopted under it to any other 75694
premises, except at or to any of the following: 75695

(1) A hazardous waste facility operating under a permit 75696
issued in accordance with this chapter; 75697

(2) A facility in another state operating under a license or 75698
permit issued in accordance with the "Resource Conservation and 75699
Recovery Act of 1976," 90 Stat. 2806, 42 U.S.C.A. 6921, as 75700
amended; 75701

(3) A facility in another nation operating in accordance with 75702
the laws of that nation; 75703

(4) A facility holding a permit issued pursuant to Title I of 75704
the "Marine Protection, Research, and Sanctuaries Act of 1972," 86 75705
Stat. 1052, 33 U.S.C.A. 1401, as amended; 75706

(5) A hazardous waste facility as described in division 75707
(E)(3)(a) or (b) of this section. 75708

(G) The director, by order, may exempt any person generating, 75709
collecting, storing, treating, disposing of, or transporting solid 75710
wastes, infectious wastes, or hazardous waste, or processing solid 75711
wastes that consist of scrap tires, in such quantities or under 75712
such circumstances that, in the determination of the director, are 75713
unlikely to adversely affect the public health or safety or the 75714
environment from any requirement to obtain a registration 75715
certificate, permit, or license or comply with the manifest system 75716
or other requirements of this chapter. Such an exemption shall be 75717
consistent with and equivalent to any regulations adopted by the 75718
administrator of the United States environmental protection agency 75719
under the "Resource Conservation and Recovery Act of 1976," 90 75720
Stat. 2806, 42 U.S.C.A. 6921, as amended, except as otherwise 75721
provided in this chapter. 75722

(H) No person shall engage in filling, grading, excavating, 75723
building, drilling, or mining on land where a hazardous waste 75724
facility, or a solid waste facility, was operated without prior 75725
authorization from the director, who shall establish the procedure 75726
for granting such authorization by rules adopted in accordance 75727
with Chapter 119. of the Revised Code. 75728

A public utility that has main or distribution lines above or 75729
below the land surface located on an easement or right-of-way 75730
across land where a solid waste facility was operated may engage 75731
in any such activity within the easement or right-of-way without 75732
prior authorization from the director for purposes of performing 75733
emergency repair or emergency replacement of its lines; of the 75734
poles, towers, foundations, or other structures supporting or 75735
sustaining any such lines; or of the appurtenances to those 75736
structures, necessary to restore or maintain existing public 75737
utility service. A public utility may enter upon any such easement 75738
or right-of-way without prior authorization from the director for 75739
purposes of performing necessary or routine maintenance of those 75740

portions of its existing lines; of the existing poles, towers, 75741
foundations, or other structures sustaining or supporting its 75742
lines; or of the appurtenances to any such supporting or 75743
sustaining structure, located on or above the land surface on any 75744
such easement or right-of-way. Within twenty-four hours after 75745
commencing any such emergency repair, replacement, or maintenance 75746
work, the public utility shall notify the director or the 75747
director's authorized representative of those activities and shall 75748
provide such information regarding those activities as the 75749
director or the director's representative may request. Upon 75750
completion of the emergency repair, replacement, or maintenance 75751
activities, the public utility shall restore any land of the solid 75752
waste facility disturbed by those activities to the condition 75753
existing prior to the commencement of those activities. 75754

(I) No owner or operator of a hazardous waste facility, in 75755
the operation of the facility, shall cause, permit, or allow the 75756
emission therefrom of any particulate matter, dust, fumes, gas, 75757
mist, smoke, vapor, or odorous substance that, in the opinion of 75758
the director, unreasonably interferes with the comfortable 75759
enjoyment of life or property by persons living or working in the 75760
vicinity of the facility, or that is injurious to public health. 75761
Any such action is hereby declared to be a public nuisance. 75762

(J) Notwithstanding any other provision of this chapter, in 75763
the event the director finds an imminent and substantial danger to 75764
public health or safety or the environment that creates an 75765
emergency situation requiring the immediate treatment, storage, or 75766
disposal of hazardous waste, the director may issue a temporary 75767
emergency permit to allow the treatment, storage, or disposal of 75768
the hazardous waste at a facility that is not otherwise authorized 75769
by a hazardous waste facility installation and operation permit to 75770
treat, store, or dispose of the waste. The emergency permit shall 75771
not exceed ninety days in duration and shall not be renewed. The 75772

director shall adopt, and may amend, suspend, or rescind, rules in 75773
accordance with Chapter 119. of the Revised Code governing the 75774
issuance, modification, revocation, and denial of emergency 75775
permits. 75776

(K) Except for infectious wastes generated by a person who 75777
produces fewer than fifty pounds of infectious wastes at a 75778
premises during any one month, no owner or operator of a sanitary 75779
landfill shall knowingly accept for disposal, or dispose of, any 75780
infectious wastes that have not been treated to render them 75781
noninfectious. 75782

(L) The director, in accordance with Chapter 119. of the 75783
Revised Code, shall adopt, and may amend, suspend, or rescind, 75784
rules having uniform application throughout the state establishing 75785
a training and certification program that shall be required for 75786
employees of boards of health who are responsible for enforcing 75787
the solid waste and infectious waste provisions of this chapter 75788
and rules adopted under them and for persons who are responsible 75789
for the operation of solid waste facilities or infectious waste 75790
treatment facilities. The rules shall provide all of the 75791
following, without limitation: 75792

(1) The program shall be administered by the director and 75793
shall consist of a course on new solid waste and infectious waste 75794
technologies, enforcement procedures, and rules; 75795

(2) The course shall be offered on an annual basis; 75796

(3) Those persons who are required to take the course under 75797
division (L) of this section shall do so triennially; 75798

(4) Persons who successfully complete the course shall be 75799
certified by the director; 75800

(5) Certification shall be required for all employees of 75801
boards of health who are responsible for enforcing the solid waste 75802
or infectious waste provisions of this chapter and rules adopted 75803

under them and for all persons who are responsible for the 75804
operation of solid waste facilities or infectious waste treatment 75805
facilities; 75806

(6)(a) All employees of a board of health who, on the 75807
effective date of the rules adopted under this division, are 75808
responsible for enforcing the solid waste or infectious waste 75809
provisions of this chapter and the rules adopted under them shall 75810
complete the course and be certified by the director not later 75811
than January 1, 1995; 75812

(b) All employees of a board of health who, after the 75813
effective date of the rules adopted under division (L) of this 75814
section, become responsible for enforcing the solid waste or 75815
infectious waste provisions of this chapter and rules adopted 75816
under them and who do not hold a current and valid certification 75817
from the director at that time shall complete the course and be 75818
certified by the director within two years after becoming 75819
responsible for performing those activities. 75820

No person shall fail to obtain the certification required 75821
under this division. 75822

(M) The director shall not issue a permit under section 75823
3734.05 of the Revised Code to establish a solid waste facility, 75824
or to modify a solid waste facility operating on December 21, 75825
1988, in a manner that expands the disposal capacity or geographic 75826
area covered by the facility, that is or is to be located within 75827
the boundaries of a state park established or dedicated under 75828
Chapter 1541. of the Revised Code, a state park purchase area 75829
established under section 1541.02 of the Revised Code, any unit of 75830
the national park system, or any property that lies within the 75831
boundaries of a national park or recreation area, but that has not 75832
been acquired or is not administered by the secretary of the 75833
United States department of the interior, located in this state, 75834
or any candidate area located in this state and identified for 75835

potential inclusion in the national park system in the edition of 75836
the "national park system plan" submitted under paragraph (b) of 75837
section 8 of "The Act of August 18, 1970," 84 Stat. 825, 16 75838
U.S.C.A. 1a-5, as amended, current at the time of filing of the 75839
application for the permit, unless the facility or proposed 75840
facility is or is to be used exclusively for the disposal of solid 75841
wastes generated within the park or recreation area and the 75842
director determines that the facility or proposed facility will 75843
not degrade any of the natural or cultural resources of the park 75844
or recreation area. The director shall not issue a variance under 75845
division (A) of this section and rules adopted under it, or issue 75846
an exemption order under division (G) of this section, that would 75847
authorize any such establishment or expansion of a solid waste 75848
facility within the boundaries of any such park or recreation 75849
area, state park purchase area, or candidate area, other than a 75850
solid waste facility exclusively for the disposal of solid wastes 75851
generated within the park or recreation area when the director 75852
determines that the facility will not degrade any of the natural 75853
or cultural resources of the park or recreation area. 75854

(N)(1) The rules adopted under division (A) of this section, 75855
other than those governing variances, do not apply to scrap tire 75856
collection, storage, monocell, monofill, and recovery facilities. 75857
Those facilities are subject to and governed by rules adopted 75858
under sections 3734.70 to 3734.73 of the Revised Code, as 75859
applicable. 75860

(2) Division (C) of this section does not apply to scrap tire 75861
collection, storage, monocell, monofill, and recovery facilities. 75862
The establishment and modification of those facilities are subject 75863
to sections 3734.75 to 3734.78 and section 3734.81 of the Revised 75864
Code, as applicable. 75865

(3) The director may adopt, amend, suspend, or rescind rules 75866
under division (A) of this section creating an alternative system 75867

for authorizing the establishment, operation, or modification of a solid waste compost facility in lieu of the requirement that a person seeking to establish, operate, or modify a solid waste compost facility apply for and receive a permit under division (C) of this section and section 3734.05 of the Revised Code and a license under division (A)(1) of that section. The rules may include requirements governing, without limitation, the classification of solid waste compost facilities, the submittal of operating records for solid waste compost facilities, and the creation of a registration or notification system in lieu of the issuance of permits and licenses for solid waste compost facilities. The rules shall specify the applicability of divisions (A)(1), (2)(a), (3), and (4) of section 3734.05 of the Revised Code to a solid waste compost facility.

(O)(1) As used in this division, "secondary aluminum waste" means waste material or byproducts, when disposed of, containing aluminum generated from secondary aluminum smelting operations and consisting of dross, salt cake, baghouse dust associated with aluminum recycling furnace operations, or dry-milled wastes.

(2) The owner or operator of a sanitary landfill shall not dispose of municipal solid waste that has been commingled with secondary aluminum waste.

(3) The owner or operator of a sanitary landfill may dispose of secondary aluminum waste, but only in a monocell or monofill that has been permitted for that purpose in accordance with this chapter and rules adopted under it.

(P)(1) As used in divisions (P) and (Q) of this section:

(a) "Natural background" means two picocuries per gram or the actual number of picocuries per gram as measured at an individual solid waste facility, subject to verification by the director of health.

(b) "Drilling operation" includes a production operation as defined in section 1509.01 of the Revised Code. 75899
75900

(2) The owner or operator of a solid waste facility shall not accept for transfer or disposal technologically enhanced naturally occurring radioactive material if that material contains or is contaminated with radium-226, radium-228, or any combination of radium-226 and radium-228 at concentrations equal to or greater than five picocuries per gram above natural background. 75901
75902
75903
75904
75905
75906

(3) The owner or operator of a solid waste facility may receive and process for purposes other than transfer or disposal technologically enhanced naturally occurring radioactive material that contains or is contaminated with radium-226, radium-228, or any combination of radium-226 and radium-228 at concentrations equal to or greater than five picocuries per gram above natural background, provided that the owner or operator has obtained and maintains all other necessary authorizations, including any authorization required by rules adopted by the director of health under section 3748.04 of the Revised Code. 75907

Rules adopted by the director may include at a minimum both of the following: 75917

75919
75920
75921
75922
75923
75924
75925
75926
75927

(a) Requirements in accordance with which the owner or operator of a solid waste facility must monitor leachate and ground water for radium-226, radium-228, and other radionuclides; 75928
75929
75930

(b) Requirements in accordance with which the owner or operator of a solid waste facility must develop procedures to ensure that technologically enhanced naturally occurring radioactive material accepted at the facility neither contains nor is contaminated with radium-226, radium-228, or any combination of radium-226 and radium-228 at concentrations equal to or greater than five picocuries per gram above natural background.

(O) Notwithstanding any other provision of this section, the owner or operator of a solid waste facility shall not receive, accept, process, handle, manage, or dispose of technologically enhanced naturally occurring radioactive material associated with drilling operations without first obtaining representative analytical results to determine compliance with divisions (P)(2) and (3) of this section and rules adopted under it.

Sec. 3734.125. The director of environmental protection may adopt rules in accordance with Chapter 119. of the Revised Code establishing requirements governing the beneficial use of material from a horizontal well that has come in contact with a refined oil-based substance and that is not technologically enhanced naturally occurring radioactive material.

Sec. 3734.57. (A) The following fees are hereby levied on the 75995
transfer or disposal of solid wastes in this state: 75996

(1) One dollar per ton through June 30, ~~2014~~ 2016, ~~one-half~~ 75997
thirty per cent of the proceeds of which shall be deposited in the 75998
state treasury to the credit of the hazardous waste facility 75999
management fund created in section 3734.18 of the Revised Code and 76000
~~one-half~~ seventy per cent of the proceeds of which shall be 76001
deposited in the state treasury to the credit of the hazardous 76002
waste clean-up fund created in section 3734.28 of the Revised 76003
Code; 76004

(2) An additional one dollar per ton through June 30, ~~2014~~ 76005
2016, the proceeds of which shall be deposited in the state 76006
treasury to the credit of the solid waste fund, which is hereby 76007
created. The environmental protection agency shall use money in 76008
the solid waste fund to pay the costs of administering and 76009
enforcing the laws pertaining to solid wastes, infectious wastes, 76010
and construction and demolition debris, including, without 76011
limitation, ground water evaluations related to solid wastes, 76012
infectious wastes, and construction and demolition debris, under 76013
this chapter and Chapter 3714. of the Revised Code and any rules 76014

(4) An additional twenty-five cents per ton through June 30, 76023
~~2013~~ 2016, the proceeds of which shall be deposited in the state 76024
treasury to the credit of the soil and water conservation district 76025
assistance fund created in section 1515.14 of the Revised Code. 76026

In the case of solid wastes that are taken to a solid waste 76027
transfer facility located in this state prior to being transported 76028
for disposal at a solid waste disposal facility located in this 76029
state or outside of this state, the fees levied under this 76030
division shall be collected by the owner or operator of the 76031
transfer facility as a trustee for the state. The amount of fees 76032
required to be collected under this division at such a transfer 76033
facility shall equal the total tonnage of solid wastes received at 76034
the facility multiplied by the fees levied under this division. In 76035
the case of solid wastes that are not taken to a solid waste 76036
transfer facility located in this state prior to being transported 76037
to a solid waste disposal facility, the fees shall be collected by 76038
the owner or operator of the solid waste disposal facility as a 76039
trustee for the state. The amount of fees required to be collected 76040
under this division at such a disposal facility shall equal the 76041
total tonnage of solid wastes received at the facility that was 76042
not previously taken to a solid waste transfer facility located in 76043
this state multiplied by the fees levied under this division. Fees 76044
levied under this division do not apply to materials separated 76045
from a mixed waste stream for recycling by a generator or 76046
materials removed from the solid waste stream through recycling, 76047
as "recycling" is defined in rules adopted under section 3734.02 76048
of the Revised Code. 76049

The owner or operator of a solid waste transfer facility or 76050
disposal facility, as applicable, shall prepare and file with the 76051
director of environmental protection each month a return 76052
indicating the total tonnage of solid wastes received at the 76053
facility during that month and the total amount of the fees 76054

required to be collected under this division during that month. In 76055
addition, the owner or operator of a solid waste disposal facility 76056
shall indicate on the return the total tonnage of solid wastes 76057
received from transfer facilities located in this state during 76058
that month for which the fees were required to be collected by the 76059
transfer facilities. The monthly returns shall be filed on a form 76060
prescribed by the director. Not later than thirty days after the 76061
last day of the month to which a return applies, the owner or 76062
operator shall mail to the director the return for that month 76063
together with the fees required to be collected under this 76064
division during that month as indicated on the return or may 76065
submit the return and fees electronically in a manner approved by 76066
the director. If the return is filed and the amount of the fees 76067
due is paid in a timely manner as required in this division, the 76068
owner or operator may retain a discount of three-fourths of one 76069
per cent of the total amount of the fees that are required to be 76070
paid as indicated on the return. 76071

The owner or operator may request an extension of not more 76072
than thirty days for filing the return and remitting the fees, 76073
provided that the owner or operator has submitted such a request 76074
in writing to the director together with a detailed description of 76075
why the extension is requested, the director has received the 76076
request not later than the day on which the return is required to 76077
be filed, and the director has approved the request. If the fees 76078
are not remitted within thirty days after the last day of the 76079
month to which the return applies or are not remitted by the last 76080
day of an extension approved by the director, the owner or 76081
operator shall not retain the three-fourths of one per cent 76082
discount and shall pay an additional ten per cent of the amount of 76083
the fees for each month that they are late. For purposes of 76084
calculating the late fee, the first month in which fees are late 76085
begins on the first day after the deadline has passed for timely 76086
submitting the return and fees, and one additional month shall be 76087

counted every thirty days thereafter. 76088

The owner or operator of a solid waste facility may request a 76089
refund or credit of fees levied under this division and remitted 76090
to the director that have not been paid to the owner or operator. 76091
Such a request shall be made only if the fees have not been 76092
collected by the owner or operator, have become a debt that has 76093
become worthless or uncollectable for a period of six months or 76094
more, and may be claimed as a deduction, including a deduction 76095
claimed if the owner or operator keeps accounts on an accrual 76096
basis, under the "Internal Revenue Code of 1954," 68A Stat. 50, 26 76097
U.S.C. 166, as amended, and regulations adopted under it. Prior to 76098
making a request for a refund or credit, an owner or operator 76099
shall make reasonable efforts to collect the applicable fees. A 76100
request for a refund or credit shall not include any costs 76101
resulting from those efforts to collect unpaid fees. 76102

A request for a refund or credit of fees shall be made in 76103
writing, on a form prescribed by the director, and shall be 76104
supported by evidence that may be required in rules adopted by the 76105
director under this chapter. After reviewing the request, and if 76106
the request and evidence submitted with the request indicate that 76107
a refund or credit is warranted, the director shall grant a refund 76108
to the owner or operator or shall permit a credit to be taken by 76109
the owner or operator on a subsequent monthly return submitted by 76110
the owner or operator. The amount of a refund or credit shall not 76111
exceed an amount that is equal to ninety days' worth of fees owed 76112
to an owner or operator by a particular debtor of the owner or 76113
operator. A refund or credit shall not be granted by the director 76114
to an owner or operator more than once in any twelve-month period 76115
for fees owed to the owner or operator by a particular debtor. 76116

If, after receiving a refund or credit from the director, an 76117
owner or operator receives payment of all or part of the fees, the 76118
owner or operator shall remit the fees with the next monthly 76119

return submitted to the director together with a written 76120
explanation of the reason for the submittal. 76121

For purposes of computing the fees levied under this division 76122
or division (B) of this section, any solid waste transfer or 76123
disposal facility that does not use scales as a means of 76124
determining gate receipts shall use a conversion factor of three 76125
cubic yards per ton of solid waste or one cubic yard per ton for 76126
baled waste, as applicable. 76127

The fees levied under this division and divisions (B) and (C) 76128
of this section are in addition to all other applicable fees and 76129
taxes and shall be paid by the customer or a political subdivision 76130
to the owner or operator of a solid waste transfer or disposal 76131
facility. In the alternative, the fees shall be paid by a customer 76132
or political subdivision to a transporter of waste who 76133
subsequently transfers the fees to the owner or operator of such a 76134
facility. The fees shall be paid notwithstanding the existence of 76135
any provision in a contract that the customer or a political 76136
subdivision may have with the owner or operator or with a 76137
transporter of waste to the facility that would not require or 76138
allow such payment regardless of whether the contract was entered 76139
prior to or after October 16, 2009. For those purposes, "customer" 76140
means a person who contracts with, or utilizes the solid waste 76141
services of, the owner or operator of a solid waste transfer or 76142
disposal facility or a transporter of solid waste to such a 76143
facility. 76144

(B) For the purposes specified in division (G) of this 76145
section, the solid waste management policy committee of a county 76146
or joint solid waste management district may levy fees upon the 76147
following activities: 76148

(1) The disposal at a solid waste disposal facility located 76149
in the district of solid wastes generated within the district; 76150

(2) The disposal at a solid waste disposal facility within the district of solid wastes generated outside the boundaries of the district, but inside this state;

(3) The disposal at a solid waste disposal facility within the district of solid wastes generated outside the boundaries of this state.

The solid waste management plan of the county or joint district approved under section 3734.521 or 3734.55 of the Revised Code and any amendments to it, or the resolution adopted under this division, as appropriate, shall establish the rates of the fees levied under divisions (B)(1), (2), and (3) of this section, if any, and shall specify whether the fees are levied on the basis of tons or cubic yards as the unit of measurement. A solid waste management district that levies fees under this division on the basis of cubic yards shall do so in accordance with division (A) of this section.

The fee levied under division (B)(1) of this section shall be not less than one dollar per ton nor more than two dollars per ton, the fee levied under division (B)(2) of this section shall be not less than two dollars per ton nor more than four dollars per ton, and the fee levied under division (B)(3) of this section shall be not more than the fee levied under division (B)(1) of this section.

Prior to the approval of the solid waste management plan of a district under section 3734.55 of the Revised Code, the solid waste management policy committee of a district may levy fees under this division by adopting a resolution establishing the proposed amount of the fees. Upon adopting the resolution, the committee shall deliver a copy of the resolution to the board of county commissioners of each county forming the district and to the legislative authority of each municipal corporation and township under the jurisdiction of the district and shall prepare

and publish the resolution and a notice of the time and location 76183
where a public hearing on the fees will be held. Upon adopting the 76184
resolution, the committee shall deliver written notice of the 76185
adoption of the resolution; of the amount of the proposed fees; 76186
and of the date, time, and location of the public hearing to the 76187
director and to the fifty industrial, commercial, or institutional 76188
generators of solid wastes within the district that generate the 76189
largest quantities of solid wastes, as determined by the 76190
committee, and to their local trade associations. The committee 76191
shall make good faith efforts to identify those generators within 76192
the district and their local trade associations, but the 76193
nonprovision of notice under this division to a particular 76194
generator or local trade association does not invalidate the 76195
proceedings under this division. The publication shall occur at 76196
least thirty days before the hearing. After the hearing, the 76197
committee may make such revisions to the proposed fees as it 76198
considers appropriate and thereafter, by resolution, shall adopt 76199
the revised fee schedule. Upon adopting the revised fee schedule, 76200
the committee shall deliver a copy of the resolution doing so to 76201
the board of county commissioners of each county forming the 76202
district and to the legislative authority of each municipal 76203
corporation and township under the jurisdiction of the district. 76204
Within sixty days after the delivery of a copy of the resolution 76205
adopting the proposed revised fees by the policy committee, each 76206
such board and legislative authority, by ordinance or resolution, 76207
shall approve or disapprove the revised fees and deliver a copy of 76208
the ordinance or resolution to the committee. If any such board or 76209
legislative authority fails to adopt and deliver to the policy 76210
committee an ordinance or resolution approving or disapproving the 76211
revised fees within sixty days after the policy committee 76212
delivered its resolution adopting the proposed revised fees, it 76213
shall be conclusively presumed that the board or legislative 76214
authority has approved the proposed revised fees. The committee 76215

shall determine if the resolution has been ratified in the same 76216
manner in which it determines if a draft solid waste management 76217
plan has been ratified under division (B) of section 3734.55 of 76218
the Revised Code. 76219

The committee may amend the schedule of fees levied pursuant 76220
to a resolution adopted and ratified under this division by 76221
adopting a resolution establishing the proposed amount of the 76222
amended fees. The committee may repeal the fees levied pursuant to 76223
such a resolution by adopting a resolution proposing to repeal 76224
them. Upon adopting such a resolution, the committee shall proceed 76225
to obtain ratification of the resolution in accordance with this 76226
division. 76227

Not later than fourteen days after declaring the new fees to 76228
be ratified or the fees to be repealed under this division, the 76229
committee shall notify by certified mail the owner or operator of 76230
each solid waste disposal facility that is required to collect the 76231
fees of the ratification and the amount of the fees or of the 76232
repeal of the fees. Collection of any fees shall commence or 76233
collection of repealed fees shall cease on the first day of the 76234
second month following the month in which notification is sent to 76235
the owner or operator. 76236

Fees levied under this division also may be established, 76237
amended, or repealed by a solid waste management policy committee 76238
through the adoption of a new district solid waste management 76239
plan, the adoption of an amended plan, or the amendment of the 76240
plan or amended plan in accordance with sections 3734.55 and 76241
3734.56 of the Revised Code or the adoption or amendment of a 76242
district plan in connection with a change in district composition 76243
under section 3734.521 of the Revised Code. 76244

Not later than fourteen days after the director issues an 76245
order approving a district's solid waste management plan, amended 76246
plan, or amendment to a plan or amended plan that establishes, 76247

amends, or repeals a schedule of fees levied by the district, the 76248
committee shall notify by certified mail the owner or operator of 76249
each solid waste disposal facility that is required to collect the 76250
fees of the approval of the plan or amended plan, or the amendment 76251
to the plan, as appropriate, and the amount of the fees, if any. 76252
In the case of an initial or amended plan approved under section 76253
3734.521 of the Revised Code in connection with a change in 76254
district composition, other than one involving the withdrawal of a 76255
county from a joint district, the committee, within fourteen days 76256
after the change takes effect pursuant to division (G) of that 76257
section, shall notify by certified mail the owner or operator of 76258
each solid waste disposal facility that is required to collect the 76259
fees that the change has taken effect and of the amount of the 76260
fees, if any. Collection of any fees shall commence or collection 76261
of repealed fees shall cease on the first day of the second month 76262
following the month in which notification is sent to the owner or 76263
operator. 76264

If, in the case of a change in district composition involving 76265
the withdrawal of a county from a joint district, the director 76266
completes the actions required under division (G)(1) or (3) of 76267
section 3734.521 of the Revised Code, as appropriate, forty-five 76268
days or more before the beginning of a calendar year, the policy 76269
committee of each of the districts resulting from the change that 76270
obtained the director's approval of an initial or amended plan in 76271
connection with the change, within fourteen days after the 76272
director's completion of the required actions, shall notify by 76273
certified mail the owner or operator of each solid waste disposal 76274
facility that is required to collect the district's fees that the 76275
change is to take effect on the first day of January immediately 76276
following the issuance of the notice and of the amount of the fees 76277
or amended fees levied under divisions (B)(1) to (3) of this 76278
section pursuant to the district's initial or amended plan as so 76279
approved or, if appropriate, the repeal of the district's fees by 76280

that initial or amended plan. Collection of any fees set forth in 76281
such a plan or amended plan shall commence on the first day of 76282
January immediately following the issuance of the notice. If such 76283
an initial or amended plan repeals a schedule of fees, collection 76284
of the fees shall cease on that first day of January. 76285

If, in the case of a change in district composition involving 76286
the withdrawal of a county from a joint district, the director 76287
completes the actions required under division (G)(1) or (3) of 76288
section 3734.521 of the Revised Code, as appropriate, less than 76289
forty-five days before the beginning of a calendar year, the 76290
director, on behalf of each of the districts resulting from the 76291
change that obtained the director's approval of an initial or 76292
amended plan in connection with the change proceedings, shall 76293
notify by certified mail the owner or operator of each solid waste 76294
disposal facility that is required to collect the district's fees 76295
that the change is to take effect on the first day of January 76296
immediately following the mailing of the notice and of the amount 76297
of the fees or amended fees levied under divisions (B)(1) to (3) 76298
of this section pursuant to the district's initial or amended plan 76299
as so approved or, if appropriate, the repeal of the district's 76300
fees by that initial or amended plan. Collection of any fees set 76301
forth in such a plan or amended plan shall commence on the first 76302
day of the second month following the month in which notification 76303
is sent to the owner or operator. If such an initial or amended 76304
plan repeals a schedule of fees, collection of the fees shall 76305
cease on the first day of the second month following the month in 76306
which notification is sent to the owner or operator. 76307

If the schedule of fees that a solid waste management 76308
district is levying under divisions (B)(1) to (3) of this section 76309
is amended or repealed, the fees in effect immediately prior to 76310
the amendment or repeal shall continue to be collected until 76311
collection of the amended fees commences or collection of the 76312

repealed fees ceases, as applicable, as specified in this 76313
division. In the case of a change in district composition, money 76314
so received from the collection of the fees of the former 76315
districts shall be divided among the resulting districts in 76316
accordance with division (B) of section 343.012 of the Revised 76317
Code and the agreements entered into under division (B) of section 76318
343.01 of the Revised Code to establish the former and resulting 76319
districts and any amendments to those agreements. 76320

For the purposes of the provisions of division (B) of this 76321
section establishing the times when newly established or amended 76322
fees levied by a district are required to commence and the 76323
collection of fees that have been amended or repealed is required 76324
to cease, "fees" or "schedule of fees" includes, in addition to 76325
fees levied under divisions (B)(1) to (3) of this section, those 76326
levied under section 3734.573 or 3734.574 of the Revised Code. 76327

(C) For the purposes of defraying the added costs to a 76328
municipal corporation or township of maintaining roads and other 76329
public facilities and of providing emergency and other public 76330
services, and compensating a municipal corporation or township for 76331
reductions in real property tax revenues due to reductions in real 76332
property valuations resulting from the location and operation of a 76333
solid waste disposal facility within the municipal corporation or 76334
township, a municipal corporation or township in which such a 76335
solid waste disposal facility is located may levy a fee of not 76336
more than twenty-five cents per ton on the disposal of solid 76337
wastes at a solid waste disposal facility located within the 76338
boundaries of the municipal corporation or township regardless of 76339
where the wastes were generated. 76340

The legislative authority of a municipal corporation or 76341
township may levy fees under this division by enacting an 76342
ordinance or adopting a resolution establishing the amount of the 76343
fees. Upon so doing the legislative authority shall mail a 76344

certified copy of the ordinance or resolution to the board of 76345
county commissioners or directors of the county or joint solid 76346
waste management district in which the municipal corporation or 76347
township is located or, if a regional solid waste management 76348
authority has been formed under section 343.011 of the Revised 76349
Code, to the board of trustees of that regional authority, the 76350
owner or operator of each solid waste disposal facility in the 76351
municipal corporation or township that is required to collect the 76352
fee by the ordinance or resolution, and the director of 76353
environmental protection. Although the fees levied under this 76354
division are levied on the basis of tons as the unit of 76355
measurement, the legislative authority, in its ordinance or 76356
resolution levying the fees under this division, may direct that 76357
the fees be levied on the basis of cubic yards as the unit of 76358
measurement based upon a conversion factor of three cubic yards 76359
per ton generally or one cubic yard per ton for baled wastes. 76360

Not later than five days after enacting an ordinance or 76361
adopting a resolution under this division, the legislative 76362
authority shall so notify by certified mail the owner or operator 76363
of each solid waste disposal facility that is required to collect 76364
the fee. Collection of any fee levied on or after March 24, 1992, 76365
shall commence on the first day of the second month following the 76366
month in which notification is sent to the owner or operator. 76367

(2) Except as provided in section 3734.571 of the Revised 76383
Code, any fees levied under division (B)(1) of this section apply 76384

of solid waste facilities entered into under section 343.02 of the 76387
Revised Code by the board of county commissioners or board of 76388
directors of the county or joint district where the wastes are 76389
generated and disposed of. 76390

(3) When solid wastes, other than solid wastes that consist 76391
of scrap tires, are burned in a disposal facility that is an 76392
incinerator or energy recovery facility, the fees levied under 76393
divisions (A), (B), and (C) of this section shall be levied upon 76394

and shall be collected by the owner or operator of the solid waste 76402

(5) The fees levied under divisions (A), (B), and (C) of this 76404

elimination system permit and that is disposed of through 76407

incineration, land application, or composting or at another 76408
resource recovery or disposal facility that is not a landfill. 76409

(6) The fees levied under divisions (A), (B), and (C) of this 76410
section do not apply to solid wastes delivered to a solid waste 76411

order exempting from the fees levied under this section solid 76426
wastes, including, but not limited to, scrap tires, that are 76427
generated, transferred, or disposed of as a result of a contract 76428

reason to believe that there is a substantial threat to public 76437
health or safety or the environment or that the conditions are 76438
causing or contributing to air or water pollution or soil 76439

contamination. An order issued by the director of environmental 76440
protection under division (D)(8) of this section shall include a 76441
determination that the amount of the fees not received by a solid 76442
waste management district as a result of the order will not 76443

sewage sludge facility, shall pay the annual sludge fee for the 78348
tons of sewage sludge that are transferred. 78349

(5) Not later than the first day of April of the calendar 78350
year following March 17, 2000, and each first day of April 78351
thereafter, the director shall issue invoices to persons who are 78352
required to pay the annual sludge fee. The invoice shall identify 78353
the nature and amount of the annual sludge fee assessed and state 78354
the first day of May as the deadline for receipt by the director 78355
of objections regarding the amount of the fee and the first day of 78356
July as the deadline for payment of the fee. 78357

Not later than the first day of May following receipt of an 78358
invoice, a person required to pay the annual sludge fee may submit 78359
objections to the director concerning the accuracy of information 78360
regarding the number of dry tons of sewage sludge used to 78361
calculate the amount of the annual sludge fee or regarding whether 78362
the sewage sludge qualifies for the exceptional quality sludge 78363
discount established in division (Y)(2)(b) of this section. The 78364
director may consider the objections and adjust the amount of the 78365
fee to ensure that it is accurate. 78366

If the director does not adjust the amount of the annual 78367
sludge fee in response to a person's objections, the person may 78368
appeal the director's determination in accordance with Chapter 78369
119. of the Revised Code. 78370

Not later than the first day of June, the director shall 78371
notify the objecting person regarding whether the director has 78372
found the objections to be valid and the reasons for the finding. 78373
If the director finds the objections to be valid and adjusts the 78374
amount of the annual sludge fee accordingly, the director shall 78375
issue with the notification a new invoice to the person 78376
identifying the amount of the annual sludge fee assessed and 78377
stating the first day of July as the deadline for payment. 78378

Not later than the first day of July, any person who is 78379
required to do so shall pay the annual sludge fee. Any person who 78380
is required to pay the fee, but who fails to do so on or before 78381
that date shall pay an additional amount that equals ten per cent 78382
of the required annual sludge fee. 78383

(6) The director shall transmit all moneys collected under 78384
division (Y) of this section to the treasurer of state for deposit 78385
into the surface water protection fund created in section 6111.038 78386
of the Revised Code. The moneys shall be used to defray the costs 78387
of administering and enforcing provisions in Chapter 6111. of the 78388
Revised Code and rules adopted under it that govern the use, 78389
storage, treatment, or disposal of sewage sludge. 78390

(7) Beginning in fiscal year 2001, and every two years 78391
thereafter, the director shall review the total amount of moneys 78392
generated by the annual sludge fees to determine if that amount 78393
exceeded six hundred thousand dollars in either of the two 78394
preceding fiscal years. If the total amount of moneys in the fund 78395
exceeded six hundred thousand dollars in either fiscal year, the 78396
director, after review of the fee structure and consultation with 78397
affected persons, shall issue an order reducing the amount of the 78398
fees levied under division (Y) of this section so that the 78399
estimated amount of moneys resulting from the fees will not exceed 78400
six hundred thousand dollars in any fiscal year. 78401

If, upon review of the fees under division (Y)(7) of this 78402

section and after the fees have been reduced, the director 78403
determines that the total amount of moneys collected and 78404
accumulated is less than six hundred thousand dollars, the 78405
director, after review of the fee structure and consultation with 78406
affected persons, may issue an order increasing the amount of the 78407
fees levied under division (Y) of this section so that the 78408
estimated amount of moneys resulting from the fees will be 78409
approximately six hundred thousand dollars. Fees shall never be 78410
increased to an amount exceeding the amount specified in division 78411
(Y)(7) of this section. 78412

Notwithstanding section 119.06 of the Revised Code, the 78413
director may issue an order under division (Y)(7) of this section 78414
without the necessity to hold an adjudicatory hearing in 78415
connection with the order. The issuance of an order under this 78416
division is not an act or action for purposes of section 3745.04 78417
of the Revised Code. 78418

In addition, that person shall pay, at the time of 78482
application, a review fee of five hundred dollars per acre of the 78483
wetlands to be impacted. 78484

However, the review fee shall not exceed five thousand 78485
dollars per application. In addition, if an application is denied, 78486
the director of environmental protection shall refund to the 78487
applicant one-half of the amount of the review fee paid by the 78488
applicant under division (A) of this section. 78489

(B) If a person conducts any activities for which an 78490
individual state isolated wetland permit is required under Chapter 78491
6111. of the Revised Code and rules adopted under it without first 78492
obtaining such a permit, the person shall pay twice the amount of 78493

the application and review fees that the person otherwise would 78494
have been required to pay under division (A) of this section, not 78495
to exceed ten thousand dollars. 78496

(C) All moneys collected under this section shall be 78497

Sec. 3745.72. (A) The owner or operator of a facility or 78504
property who conducts an environmental audit of the facility or 78505
property and promptly and voluntarily discloses information 78506
contained in or derived from an audit report that is based on the 78507
audit and concerns an alleged violation of environmental laws to 78508
the director of the state agency that has jurisdiction over the 78509
alleged violation is immune from any administrative and civil 78510
penalties for the specific violation disclosed, except that where 78511
the disclosed violation has resulted in significant economic 78512
benefit to the owner or operator of the facility or property, 78513
there is no immunity for the economic benefit component of the 78514
administrative and civil penalties for that violation. An owner or 78515
operator asserting entitlement to such immunity has the burden of 78516
proving that entitlement by a preponderance of the evidence. 78517

(B) For the purposes of this section, a disclosure of 78518
information is voluntary with respect to an alleged violation of 78519
environmental laws only if all of the following apply: 78520

(1) The disclosure is made promptly after the information is 78521
obtained through the environmental audit by the owner or operator 78522
who conducts the environmental audit. 78523

compliance as quickly as practicable with environmental laws 78525
applicable to the information disclosed. 78526

(3) Compliance with environmental laws applicable to the 78527
information disclosed is achieved as quickly as practicable or 78528
within such period as is reasonably ordered by the director of the 78529
state agency that has jurisdiction over the alleged violation. 78530

(4) The owner or operator cooperates with the director of the 78531
state agency that has jurisdiction over the alleged violation in 78532
investigating the cause, nature, extent, and effects of the 78533
noncompliance. 78534

(5) The disclosure is not required by law, prior litigation, 78535
or an order by a court or a government agency. 78536

(6) The owner or operator who makes the disclosure does not 78537
know or have reason to know that a government agency charged with 78538
enforcing environmental laws has commenced an investigation or 78539
enforcement action that concerns a violation of such laws 78540
involving the activity. 78541

(C) For the purposes of this section, a disclosure shall be 78542
in writing, dated, and hand delivered or sent by certified mail to 78543
the director of the state agency that has jurisdiction over the 78544
alleged violation, and shall contain all of the following in a 78545
printed letter attached to the front of the disclosure: 78546

location of the alleged violation to the extent that the 78554
information is known by the owner or operator; 78555

(4) A statement that the information is part of an 78556
environmental audit report and is being disclosed under section 78557
3745.72 of the Revised Code in order to obtain the immunity 78558
provided by that section. 78559

(D) This section does not provide immunity from the payment 78560
of damages for harm to persons, property, or the environment; the 78561
payment of reasonable costs incurred by a government agency in 78562
responding to a disclosure; or responsibility for the remediation 78563
or cleanup of environmental harm under environmental laws. 78564

(E) The immunity provided by this section does not apply 78565
under any of the following circumstances: 78566

(1) Within the three-year period prior to disclosure, the 78567
owner or operator of a facility or property has committed 78568
significant violations that constitute a pattern of continuous or 78569
repeated violations of environmental laws, environmental related 78570
settlement agreements, or environmental related judicial orders 78571
and that arose from separate and distinct events. For the purposes 78572
of division (E)(1) of this section, a pattern of continuous or 78573
repeated violations also may be demonstrated by multiple 78574
settlement agreements related to substantially the same alleged 78575
significant violations that occurred within the three-year period 78576
immediately prior to the voluntary disclosure. Determination of 78577
whether a person has a pattern of continuous or repeated 78578
violations under division (E)(1) of this section shall be based on 78579
the compliance history of the property or specific facility at 78580
issue. 78581

(2) With respect to a specific violation, the violation 78582
resulted in serious harm or in imminent and substantial 78583
endangerment to human health or the environment. 78584

(3) With respect to a specific violation, the violation is of a specific requirement of an administrative or judicial order. 78585
78586

(F) The immunity provided by this section applies only to disclosures made concerning environmental audits initiated after March 13, 1997, ~~and completed before January 1, 2014,~~ in accordance with the time frames specified in division (A) of section 3745.70 of the Revised Code. 78587
78588
78589
78590
78591

(G) The immunity provided by this section applies to a person who makes a good faith disclosure to a state agency under this section even though another state agency is determined to have jurisdiction over an alleged violation of environmental laws indicated in the disclosure. 78592
78593
78594
78595
78596

(H) Each state agency that receives a disclosure under this section promptly shall record receipt of the disclosure, determine whether it has jurisdiction over the alleged violation of environmental laws indicated in the disclosure, and, if it does not have such jurisdiction, deliver the disclosure documents to the director of a state agency that has jurisdiction over the alleged violation. If a disclosure indicates alleged violations of environmental laws that are under the jurisdiction of more than one state agency, the state agency that first receives the disclosure and has jurisdiction over any of the alleged violations promptly shall notify the director of each state agency that has jurisdiction over any of such alleged violations. The director of each state agency that receives a disclosure under this section, or is notified by another state agency that the director's agency has jurisdiction over an alleged violation of environmental laws indicated in the disclosure, promptly shall deliver written notice of that fact by certified mail to the owner or operator who made the disclosure. The notice shall identify the state agency that sends the notice; state the name, title, address, and telephone number of a person in the agency whom the owner or operator may 78597

telephone number of the director of any other state agency 78618
notified about the disclosure because that agency has jurisdiction 78619
over an alleged violation of environmental laws indicated in the 78620
disclosure. 78621

Sec. 3748.04. The director of health, in accordance with 78771
Chapter 119. of the Revised Code, shall adopt and may amend or 78772
rescind rules doing all of the following: 78773

(A) Listing types of radioactive material for which licensure 78774
by its handler is required and types of radiation-generating 78775
equipment for which registration by its handler is required, and 78776
establishing requirements governing them. Rules adopted under 78777

extent practicable, shall be equivalent to or more stringent than 78786
applicable standards established by the United States nuclear 78787
regulatory commission. 78788

(b) The registration and inspection of handlers of 78789
radiation-generating equipment. Standards established in rules 78790
adopted under division (A)(1)(b) of this section, to the extent 78791

(2) Establishing requirements for the achievement and 78834
maintenance of compliance with standards for the receipt, 78835
possession, use, storage, installation, transfer, servicing, and 78836

of radiation-generating equipment. The rules adopted under 78844
division (B)(3) of this section shall not require maintenance of 78845
records regarding naturally occurring radioactive material. 78846

In adopting rules under divisions (A) and (B) of this 78847
section, the director shall use standards no less stringent than 78848
the "suggested state regulations for control of radiation" 78849
prepared by the conference of radiation control program directors, 78850
inc., and regulations adopted by the United States nuclear 78851
regulatory commission, the United States environmental protection 78852

Rules adopted under this division shall stipulate that fees so established do not apply to any functions dealing specifically with a facility for the disposal of low-level radioactive waste. Fees collected under this division shall be deposited into the state treasury to the credit of the general operations fund created in section 3701.83 of the Revised Code. The fees shall be used solely to administer and enforce this chapter and rules adopted under it.	78871 78872 78873 78874 78875 78876 78877 78878 78879 78880 78881 78882 78883

and rules adopted under it. Rules adopted under division (I) of 78899
this section shall include, without limitation, all of the 78900
following: 78901

(1) Standards and procedures to ensure that a licensee 78902
prepares a decommissioning funding plan that provides an adequate 78903
financial guaranty to permit the completion of all requirements 78904
governing the closure, decontamination, decommissioning, and 78905
reclamation of sites, structures, and equipment used in 78906
conjunction with a licensed activity; 78907

(2) For licensed activities where radioactive material that 78908
will require surveillance or care is likely to remain at the site 78909
after the licensed activities cease, as indicated in the 78910
application for the license submitted under section 3748.07 of the 78911
Revised Code, standards and procedures to ensure that the licensee 78912
prepares an additional decommissioning funding plan for long-term 78913

government securities, irrevocable letters or lines of credit, 78922
trust funds, escrow accounts, or other similar types of 78923
arrangements, but shall not include any arrangement that 78924
constitutes self-insurance; 78925

(4) A requirement that the decommissioning funding plans 78926
required in rules adopted under divisions (I)(1) and (2) of this 78927
section contain financial guaranties in amounts sufficient to 78928
ensure compliance with any standards established by the United 78929
States nuclear regulatory commission, or by the state if it has 78930
become an agreement state pursuant to section 3748.03 of the 78931
Revised Code, pertaining to closure, decontamination, 78932
decommissioning, reclamation, and long-term surveillance and care 78933
of licensed activities and sites of licensees. 78934

this section regarding any activity that resulted in the 78936
production of byproduct material, as defined in division (A)(2) of 78937
section 3748.01 of the Revised Code, to the extent practicable, 78938
shall be equivalent to or more stringent than standards 78939

sites at which ores were processed primarily for their source 78941
material content and at which byproduct material, as defined in 78942
division (A)(2) of section 3748.01 of the Revised Code, is 78943
deposited. 78944

(J) Establishing criteria governing inspections of a facility 78945
for the disposal of low-level radioactive waste, including, 78946
without limitation, the establishment of a resident inspector 78947
program at such a facility; 78948

(K) Establishing requirements and procedures governing the 78949
filing of complaints under section 3748.16 of the Revised Code, 78950
including, without limitation, those governing intervention in a 78951
hearing held under division (B)(3) of that section; 78952

(L) Establishing requirements governing technologically enhanced naturally occurring radioactive material. Rules adopted under this division shall not apply to naturally occurring radioactive material.

Sec. 3769.08. (A) Any person holding a permit to conduct a horse-racing meeting may provide a place in the race meeting grounds or enclosure at which the permit holder may conduct and supervise the pari-mutuel system of wagering by patrons of legal age on the live racing programs and simulcast racing programs conducted by the permit holder.

The pari-mutuel method of wagering upon the live racing programs and simulcast racing programs held at or conducted within such race track, and at the time of such horse-racing meeting, or at other times authorized by the state racing commission, shall not be unlawful. No other place, except that provided and designated by the permit holder and except as provided in section 3769.26 of the Revised Code, nor any other method or system of betting or wagering on live racing programs and simulcast racing programs, except the pari-mutuel system, shall be used or permitted by the permit holder; nor, except as provided in section 3769.089 or 3769.26 of the Revised Code, shall the pari-mutuel system of wagering be conducted by the permit holder on any races except the races at the race track, grounds, or enclosure for which the person holds a permit. Each permit holder may retain as a commission an amount not to exceed eighteen per cent of the total of all moneys wagered on live racing programs and simulcast racing programs.

The pari-mutuel wagering authorized by this section is subject to sections 3769.25 to 3769.28 of the Revised Code.

(B) At the close of each racing day, each permit holder authorized to conduct thoroughbred racing, out of the amount

retained on that day by the permit holder, shall pay by check, 78984
draft, or money order to the tax commissioner, as a tax, a sum 78985
equal to the following percentages of the total of all moneys 78986
wagered on live racing programs on that day and shall separately 78987
compute and pay by check, draft, or money order to the tax 78988
commissioner, as a tax, a sum equal to the following percentages 78989
of the total of all money wagered on simulcast racing programs on 78990
that day: 78991

(1) One per cent of the first two hundred thousand dollars 78992
wagered, or any part of that amount; 78993

(2) Two per cent of the next one hundred thousand dollars 78994
wagered, or any part of that amount; 78995

(3) Three per cent of the next one hundred thousand dollars 78996
wagered, or any part of that amount; 78997

(4) Four per cent of all sums over four hundred thousand 78998
dollars wagered. 78999

Except as otherwise provided in section 3769.089 of the 79000
Revised Code, each permit holder authorized to conduct 79001
thoroughbred racing shall use for purse money a sum equal to fifty 79002
per cent of the pari-mutuel revenues retained by the permit holder 79003
as a commission after payment of the state tax. This fifty per 79004
cent payment shall be in addition to the purse distribution from 79005
breakage specified in this section. 79006

Subject to division (M) of this section, from the moneys paid 79007
to the tax commissioner by thoroughbred racing permit holders, 79008
one-half of one per cent of the total of all moneys so wagered on 79009
a racing day shall be paid into the Ohio fairs fund created by 79010
section 3769.082 of the Revised Code, one and one-eighth per cent 79011
of the total of all moneys so wagered on a racing day shall be 79012
paid into the Ohio thoroughbred race fund created by section 79013
3769.083 of the Revised Code, and one-quarter of one per cent of 79014

the total of all moneys wagered on a racing day by each permit holder shall be paid into the state racing commission operating fund created by section 3769.03 of the Revised Code. The required payment to the state racing commission operating fund does not apply to county and independent fairs and agricultural societies. The remaining moneys may be retained by the permit holder, except as provided in this section with respect to the odd cents redistribution. Amounts paid into the nursing home franchise permit fee fund pursuant to this section and section 3769.26 of the Revised Code shall be used solely for the support of the PASSPORT program as determined in appropriations made by the general assembly. If the PASSPORT program is abolished, the amount that would have been paid to the nursing home franchise permit fee fund under this chapter shall be paid to the general revenue fund of the state. As used in this chapter, "PASSPORT program" ~~means~~ the PASSPORT program created under has the same meaning as in section ~~173.40~~ 173.51 of the Revised Code.

The total amount paid to the Ohio thoroughbred race fund under this section and division (A) of section 3769.087 of the Revised Code shall not exceed by more than six per cent the total amount paid to this fund under this section and division (A) of that section during the immediately preceding calendar year.

Each year, the total amount calculated for payment into the Ohio fairs fund under this division, division (C) of this section, and division (A) of section 3769.087 of the Revised Code shall be an amount calculated using the percentages specified in this division, division (C) of this section, and division (A) of section 3769.087 of the Revised Code.

A permit holder may contract with a thoroughbred horsemen's organization for the organization to act as a representative of all thoroughbred owners and trainers participating in a horse-racing meeting conducted by the permit holder. A

"thoroughbred horsemen's organization" is any corporation or 79047
association that represents, through membership or otherwise, more 79048
than one-half of the aggregate of all thoroughbred owners and 79049
trainers who were licensed and actively participated in racing 79050
within this state during the preceding calendar year. Except as 79051
otherwise provided in this paragraph, any moneys received by a 79052
thoroughbred horsemen's organization shall be used exclusively for 79053
the benefit of thoroughbred owners and trainers racing in this 79054
state through the administrative purposes of the organization, 79055
benevolent activities on behalf of the horsemen, promotion of the 79056
horsemen's rights and interests, and promotion of equine research. 79057
A thoroughbred horsemen's organization may expend not more than an 79058
aggregate of five per cent of its annual gross receipts, or a 79059
larger amount as approved by the organization, for dues, 79060
assessments, and other payments to all other local, national, or 79061
international organizations having as their primary purposes the 79062
promotion of thoroughbred horse racing, thoroughbred horsemen's 79063
rights, and equine research. 79064

(C) Except as otherwise provided in division (B) of this 79065
section, at the close of each racing day, each permit holder 79066
authorized to conduct harness or quarter horse racing, out of the 79067
amount retained that day by the permit holder, shall pay by check, 79068
draft, or money order to the tax commissioner, as a tax, a sum 79069
equal to the following percentages of the total of all moneys 79070
wagered on live racing programs and shall separately compute and 79071
pay by check, draft, or money order to the tax commissioner, as a 79072
tax, a sum equal to the following percentages of the total of all 79073
money wagered on simulcast racing programs on that day: 79074

(1) One per cent of the first two hundred thousand dollars 79075
wagered, or any part of that amount; 79076

(2) Two per cent of the next one hundred thousand dollars 79077
wagered, or any part of that amount; 79078

(3) Three per cent of the next one hundred thousand dollars 79079
wagered, or any part of that amount; 79080

(4) Four per cent of all sums over four hundred thousand 79081
dollars wagered. 79082

Except as otherwise provided in division (B) and subject to 79083
division (M) of this section, from the moneys paid to the tax 79084
commissioner by permit holders authorized to conduct harness or 79085
quarter horse racing, one-half of one per cent of all moneys 79086
wagered on that racing day shall be paid into the Ohio fairs fund; 79087
from the moneys paid to the tax commissioner by permit holders 79088
authorized to conduct harness racing, five-eighths of one per cent 79089
of all moneys wagered on that racing day shall be paid into the 79090
Ohio standardbred development fund; and from the moneys paid to 79091
the tax commissioner by permit holders authorized to conduct 79092
quarter horse racing, five-eighths of one per cent of all moneys 79093
wagered on that racing day shall be paid into the Ohio quarter 79094
horse development fund. 79095

(D) In addition, subject to division (M) of this section, 79096
beginning on January 1, 1996, from the money paid to the tax 79097
commissioner as a tax under this section and division (A) of 79098
section 3769.087 of the Revised Code by harness horse permit 79099
holders, one-half of one per cent of the amount wagered on a 79100
racing day shall be paid into the Ohio standardbred development 79101
fund. Beginning January 1, 1998, the payment to the Ohio 79102
standardbred development fund required under this division does 79103
not apply to county agricultural societies or independent 79104
agricultural societies. 79105

The total amount paid to the Ohio standardbred development 79106
fund under this division, division (C) of this section, and 79107
division (A) of section 3769.087 of the Revised Code and the total 79108
amount paid to the Ohio quarter horse development fund under this 79109
division and division (A) of that section shall not exceed by more 79110

than six per cent the total amount paid into the fund under this 79111
division, division (C) of this section, and division (A) of 79112
section 3769.087 of the Revised Code in the immediately preceding 79113
calendar year. 79114

(E) Subject to division (M) of this section, from the money 79115
paid as a tax under this chapter by harness and quarter horse 79116
permit holders, one-quarter of one per cent of the total of all 79117
moneys wagered on a racing day by each permit holder shall be paid 79118
into the state racing commission operating fund created by section 79119
3769.03 of the Revised Code. This division does not apply to 79120
county and independent fairs and agricultural societies. 79121

(F) Except as otherwise provided in section 3769.089 of the 79122
Revised Code, each permit holder authorized to conduct harness 79123
racing shall pay to the harness horsemen's purse pool a sum equal 79124
to fifty per cent of the pari-mutuel revenues retained by the 79125
permit holder as a commission after payment of the state tax. This 79126
fifty per cent payment is to be in addition to the purse 79127
distribution from breakage specified in this section. 79128

(G) In addition, each permit holder authorized to conduct 79129
harness racing shall be allowed to retain the odd cents of all 79130
redistribution to be made on all mutual contributions exceeding a 79131
sum equal to the next lowest multiple of ten. 79132

Forty per cent of that portion of that total sum of such odd 79133
cents shall be used by the permit holder for purse money for Ohio 79134
sired, bred, and owned colts, for purse money for Ohio bred 79135
horses, and for increased purse money for horse races. Upon the 79136
formation of the corporation described in section 3769.21 of the 79137
Revised Code to establish a harness horsemen's health and 79138
retirement fund, twenty-five per cent of that portion of that 79139
total sum of odd cents shall be paid at the close of each racing 79140
day by the permit holder to that corporation to establish and fund 79141
the health and retirement fund. Until that corporation is formed, 79142

that twenty-five per cent shall be paid at the close of each 79143
racing day by the permit holder to the tax commissioner or the tax 79144
commissioner's agent in the county seat of the county in which the 79145
permit holder operates race meetings. The remaining thirty-five 79146
per cent of that portion of that total sum of odd cents shall be 79147
retained by the permit holder. 79148

(H) In addition, each permit holder authorized to conduct 79149
thoroughbred racing shall be allowed to retain the odd cents of 79150
all redistribution to be made on all mutuel contributions 79151
exceeding a sum equal to the next lowest multiple of ten. Twenty 79152
per cent of that portion of that total sum of such odd cents shall 79153
be used by the permit holder for increased purse money for horse 79154
races. Upon the formation of the corporation described in section 79155
3769.21 of the Revised Code to establish a thoroughbred horsemen's 79156
health and retirement fund, forty-five per cent of that portion of 79157
that total sum of odd cents shall be paid at the close of each 79158
racing day by the permit holder to that corporation to establish 79159
and fund the health and retirement fund. Until that corporation is 79160
formed, that forty-five per cent shall be paid by the permit 79161
holder to the tax commissioner or the tax commissioner's agent in 79162
the county seat of the county in which the permit holder operates 79163
race meetings, at the close of each racing day. The remaining 79164
thirty-five per cent of that portion of that total sum of odd 79165
cents shall be retained by the permit holder. 79166

(I) In addition, each permit holder authorized to conduct 79167
quarter horse racing shall be allowed to retain the odd cents of 79168
all redistribution to be made on all mutuel contributions 79169
exceeding a sum equal to the next lowest multiple of ten, subject 79170
to a tax of twenty-five per cent on that portion of the total sum 79171
of such odd cents that is in excess of two thousand dollars during 79172
a calendar year, which tax shall be paid at the close of each 79173
racing day by the permit holder to the tax commissioner or the tax 79174

commissioner's agent in the county seat of the county within which 79175
the permit holder operates race meetings. Forty per cent of that 79176
portion of that total sum of such odd cents shall be used by the 79177
permit holder for increased purse money for horse races. The 79178
remaining thirty-five per cent of that portion of that total sum 79179
of odd cents shall be retained by the permit holder. 79180

(J)(1) To encourage the improvement of racing facilities for 79181
the benefit of the public, breeders, and horse owners, and to 79182
increase the revenue to the state from the increase in pari-mutuel 79183
wagering resulting from those improvements, the taxes paid by a 79184
permit holder to the state as provided for in this chapter shall 79185
be reduced by three-fourths of one per cent of the total amount 79186
wagered for those permit holders who make capital improvements to 79187
existing race tracks or construct new race tracks. The percentage 79188
of the reduction that may be taken each racing day shall equal 79189
seventy-five per cent of the taxes levied under divisions (B) and 79190
(C) of this section and section 3769.087 of the Revised Code, and 79191
division (F)(2) of section 3769.26 of the Revised Code, as 79192
applicable, divided by the calculated amount each fund should 79193
receive under divisions (B) and (C) of this section and section 79194
3769.087 of the Revised Code, and division (F)(2) of section 79195
3769.26 of the Revised Code and the reduction provided for in this 79196
division. If the resulting percentage is less than one, that 79197
percentage shall be multiplied by the amount of the reduction 79198
provided for in this division. Otherwise, the permit holder shall 79199
receive the full reduction provided for in this division. The 79200
amount of the allowable reduction not received shall be carried 79201
forward and applied against future tax liability. After any 79202
reductions expire, any reduction carried forward shall be treated 79203
as a reduction as provided for in this division. 79204

If more than one permit holder is authorized to conduct 79205
racing at the facility that is being built or improved, the cost 79206

of the new race track or capital improvement shall be allocated 79207
between or among all the permit holders in the ratio that the 79208
permit holders' number of racing days bears to the total number of 79209
racing days conducted at the facility. 79210

A reduction for a new race track or a capital improvement 79211
shall start from the day racing is first conducted following the 79212
date actual construction of the new race track or each capital 79213
improvement is completed and the construction cost has been 79214
approved by the racing commission, unless otherwise provided in 79215
this section. A reduction for a new race track or a capital 79216
improvement shall continue for a period of twenty-five years for 79217
new race tracks and for fifteen years for capital improvements if 79218
the construction of the capital improvement or new race track 79219
commenced prior to March 29, 1988, and for a period of ten years 79220
for new race tracks or capital improvements if the construction of 79221
the capital improvement or new race track commenced on or after 79222
March 29, 1988, but before June 6, 2001, or until the total tax 79223
reduction reaches seventy per cent of the approved cost of the new 79224
race track or capital improvement, as allocated to each permit 79225
holder, whichever occurs first. A reduction for a new race track 79226
or a capital improvement approved after June 6, 2001, shall 79227
continue until the total tax reduction reaches one hundred per 79228
cent of the approved cost of the new race track or capital 79229
improvement, as allocated to each permit holder. 79230

A reduction granted for a new race track or a capital 79231
improvement, the application for which was approved by the racing 79232
commission after March 29, 1988, but before June 6, 2001, shall 79233
not commence nor shall the ten-year period begin to run until all 79234
prior tax reductions with respect to the same race track have 79235
ended. The total tax reduction because of capital improvements 79236
shall not during any one year exceed for all permit holders using 79237
any one track three-fourths of one per cent of the total amount 79238

wagered, regardless of the number of capital improvements made. 79239
Several capital improvements to a race track may be consolidated 79240
in an application if the racing commission approved the 79241
application prior to March 29, 1988. No permit holder may receive 79242
a tax reduction for a capital improvement approved by the racing 79243
commission on or after March 29, 1988, at a race track until all 79244
tax reductions have ended for all prior capital improvements 79245
approved by the racing commission under this section or section 79246
3769.20 of the Revised Code at that race track. If there are two 79247
or more permit holders operating meetings at the same track, they 79248
may consolidate their applications. The racing commission shall 79249
notify the tax commissioner when the reduction of tax begins and 79250
when it ends. 79251

Each fiscal year the racing commission shall submit a report 79252
to the tax commissioner, the office of budget and management, and 79253
the legislative service commission. The report shall identify each 79254
capital improvement project undertaken under this division and in 79255
progress at each race track, indicate the total cost of each 79256
project, state the tax reduction that resulted from each project 79257
during the immediately preceding fiscal year, estimate the tax 79258
reduction that will result from each project during the current 79259
fiscal year, state the total tax reduction that resulted from all 79260
such projects at all race tracks during the immediately preceding 79261
fiscal year, and estimate the total tax reduction that will result 79262
from all such projects at all race tracks during the current 79263
fiscal year. 79264

(2) In order to qualify for the reduction in tax, a permit 79265
holder shall apply to the racing commission in such form as the 79266
commission may require and shall provide full details of the new 79267
race track or capital improvement, including a schedule for its 79268
construction and completion, and set forth the costs and expenses 79269
incurred in connection with it. The racing commission shall not 79270

approve an application unless the permit holder shows that a 79271
contract for the new race track or capital improvement has been 79272
let under an unrestricted competitive bidding procedure, unless 79273
the contract is exempted by the controlling board because of its 79274
unusual nature. In determining whether to approve an application, 79275
the racing commission shall consider whether the new race track or 79276
capital improvement will promote the safety, convenience, and 79277
comfort of the racing public and horse owners and generally tend 79278
towards the improvement of racing in this state. 79279

(3) If a new race track or capital improvement is approved by 79280
the racing commission and construction has started, the tax 79281
reduction may be authorized by the commission upon presentation of 79282
copies of paid bills in excess of one hundred thousand dollars or 79283
ten per cent of the approved cost, whichever is greater. After the 79284
initial authorization, the permit holder shall present copies of 79285
paid bills. If the permit holder is in substantial compliance with 79286
the schedule for construction and completion of the new race track 79287
or capital improvement, the racing commission may authorize the 79288
continuation of the tax reduction upon the presentation of the 79289
additional paid bills. The total amount of the tax reduction 79290
authorized shall not exceed the percentage of the approved cost of 79291
the new race track or capital improvement specified in division 79292
(J)(1) of this section. The racing commission may terminate any 79293
tax reduction immediately if a permit holder fails to complete the 79294
new race track or capital improvement, or to substantially comply 79295
with the schedule for construction and completion of the new race 79296
track or capital improvement. If a permit holder fails to complete 79297
a new race track or capital improvement, the racing commission 79298
shall order the permit holder to repay to the state the total 79299
amount of tax reduced. The normal tax paid by the permit holder 79300
shall be increased by three-fourths of one per cent of the total 79301
amount wagered until the total amount of the additional tax 79302
collected equals the total amount of tax reduced. 79303

(4) As used in this section: 79304

(a) "Capital improvement" means an addition, replacement, or 79305
remodeling of a structural unit of a race track facility costing 79306
at least one hundred thousand dollars, including, but not limited 79307
to, the construction of barns used exclusively for the race track 79308
facility, backstretch facilities for horsemen, paddock facilities, 79309
new pari-mutuel and totalizator equipment and appurtenances to 79310
that equipment purchased by the track, new access roads, new 79311
parking areas, the complete reconstruction, reshaping, and 79312
leveling of the racing surface and appurtenances, the installation 79313
of permanent new heating or air conditioning, roof replacement or 79314
restoration, installations of a permanent nature forming a part of 79315
the track structure, and construction of buildings that are 79316
located on a permit holder's premises. "Capital improvement" does 79317
not include the cost of replacement of equipment that is not 79318
permanently installed, ordinary repairs, painting, and maintenance 79319
required to keep a race track facility in ordinary operating 79320
condition. 79321

(b) "New race track" includes the reconstruction of a race 79322
track damaged by fire or other cause that has been declared by the 79323
racing commission, as a result of the damage, to be an inadequate 79324
facility for the safe operation of horse racing. 79325

(c) "Approved cost" includes all debt service and interest 79326
costs that are associated with a capital improvement or new race 79327
track and that the racing commission approves for a tax reduction 79328
under division (J) of this section. 79329

(5) The racing commission shall not approve an application 79330
for a tax reduction under this section if it has reasonable cause 79331
to believe that the actions or negligence of the permit holder 79332
substantially contributed to the damage suffered by the track due 79333
to fire or other cause. The racing commission shall obtain any 79334
data or information available from a fire marshal, law enforcement 79335

official, or insurance company concerning any fire or other damage 79336
suffered by a track, prior to approving an application for a tax 79337
reduction. 79338

(6) The approved cost to which a tax reduction applies shall 79339
be determined by generally accepted accounting principles and 79340
verified by an audit of the permit holder's records upon 79341
completion of the project by the racing commission, or by an 79342
independent certified public accountant selected by the permit 79343
holder and approved by the commission. 79344

(K) No other license or excise tax or fee, except as provided 79345
in sections 3769.01 to 3769.14 of the Revised Code, shall be 79346
assessed or collected from such licensee by any county, township, 79347
district, municipal corporation, or other body having power to 79348
assess or collect a tax or fee. That portion of the tax paid under 79349
this section by permit holders for racing conducted at and during 79350
the course of an agricultural exposition or fair, and that portion 79351
of the tax that would have been paid by eligible permit holders 79352
into the nursing home franchise permit fee fund as a result of 79353
racing conducted at and during the course of an agricultural 79354
exposition or fair, shall be deposited into the state treasury to 79355
the credit of the horse racing tax fund, which is hereby created 79356
for the use of the agricultural societies of the several counties 79357
in which the taxes originate. The state racing commission shall 79358
determine eligible permit holders for purposes of the preceding 79359
sentence, taking into account the breed of horse, the racing 79360
dates, the geographic proximity to the fair, and the best 79361
interests of Ohio racing. On the first day of any month on which 79362
there is money in the fund, the tax commissioner shall provide for 79363
payment to the treasurer of each agricultural society the amount 79364
of the taxes collected under this section upon racing conducted at 79365
and during the course of any exposition or fair conducted by the 79366
society. 79367

(L) From the tax paid under this section by harness track permit holders, the tax commissioner shall pay into the Ohio thoroughbred race fund a sum equal to a percentage of the amount wagered upon which the tax is paid. The percentage shall be determined by the tax commissioner and shall be rounded to the nearest one-hundredth. The percentage shall be such that, when multiplied by the amount wagered upon which tax was paid by the harness track permit holders in the most recent year for which final figures are available, it results in a sum that substantially equals the same amount of tax paid by the tax commissioner during that year into the Ohio fairs fund from taxes paid by thoroughbred permit holders. This division does not apply to county and independent fairs and agricultural societies.

(M) Twenty-five per cent of the taxes levied on thoroughbred racing permit holders, harness racing permit holders, and quarter horse racing permit holders under this section, division (A) of section 3769.087 of the Revised Code, and division (F)(2) of section 3769.26 of the Revised Code shall be paid into the nursing home franchise permit fee fund. The tax commissioner shall pay any money remaining, after the payment into the nursing home franchise permit fee fund and the reductions provided for in division (J) of this section and in section 3769.20 of the Revised Code, into the Ohio fairs fund, Ohio thoroughbred race fund, Ohio standardbred development fund, Ohio quarter horse fund, and state racing commission operating fund as prescribed in this section and division (A) of section 3769.087 of the Revised Code. The tax commissioner shall thereafter use and apply the balance of the money paid as a tax by any permit holder to cover any shortage in the accounts of such funds resulting from an insufficient payment as a tax by any other permit holder. The moneys received by the tax commissioner shall be deposited weekly and paid by the tax commissioner into the funds to cover the total aggregate amount due from all permit holders to the funds, as calculated under this

section and division (A) of section 3769.087 of the Revised Code, 79401
as applicable. If, after the payment into the nursing home 79402
franchise permit fee fund, sufficient funds are not available from 79403
the tax deposited by the tax commissioner to pay the required 79404
amounts into the Ohio fairs fund, Ohio standardbred development 79405
fund, Ohio thoroughbred race fund, Ohio quarter horse fund, and 79406
the state racing commission operating fund, the tax commissioner 79407
shall prorate on a proportional basis the amount paid to each of 79408
the funds. Any shortage to the funds as a result of a proration 79409
shall be applied against future deposits for the same calendar 79410
year when funds are available. After this application, the tax 79411
commissioner shall pay any remaining money paid as a tax by all 79412
permit holders into the nursing home franchise permit fee fund. 79413
This division does not apply to permit holders conducting racing 79414
at the course of an agricultural exposition or fair as described 79415
in division (K) of this section. 79416

Sec. 3769.087. (A) In addition to the commission of eighteen 79417
per cent retained by each permit holder as provided in section 79418
3769.08 of the Revised Code, each permit holder shall retain an 79419
additional amount equal to four per cent of the total of all 79420
moneys wagered on each racing day on all wagering pools other than 79421
win, place, and show, of which amount retained an amount equal to 79422
three per cent of the total of all moneys wagered on each racing 79423
day on those pools shall be paid by check, draft, or money order 79424
to the tax commissioner, as a tax. Subject to the restrictions 79425
contained in divisions (B), (C), and (M) of section 3769.08 of the 79426
Revised Code, from such additional moneys paid to the tax 79427
commissioner: 79428

(1) Four-sixths shall be allocated to fund distribution as 79429
provided in division (M) of section 3769.08 of the Revised Code. 79430

(2) One-twelfth shall be paid into the Ohio fairs fund 79431

created by section 3769.082 of the Revised Code. 79432

(3) One-twelfth of the additional moneys paid to the tax 79433
commissioner by thoroughbred racing permit holders shall be paid 79434
into the Ohio thoroughbred race fund created by section 3769.083 79435
of the Revised Code. 79436

(4) One-twelfth of the additional moneys paid to the tax 79437
commissioner by harness horse racing permit holders shall be paid 79438
to the Ohio standardbred development fund created by section 79439
3769.085 of the Revised Code. 79440

(5) One-twelfth of the additional moneys paid to the tax 79441
commissioner by quarter horse racing permit holders shall be paid 79442
to the Ohio quarter horse development fund created by section 79443
3769.086 of the Revised Code. 79444

(6) One-sixth shall be paid into the state racing commission 79445
operating fund created by section 3769.03 of the Revised Code. 79446

The remaining one per cent that is retained of the total of 79447
all moneys wagered on each racing day on all pools other than win, 79448
place, and show, shall be retained by racing permit holders, and, 79449
except as otherwise provided in section 3769.089 of the Revised 79450
Code, racing permit holders shall use one-half for purse money and 79451
retain one-half. 79452

(B) In addition to the commission of eighteen per cent 79453
retained by each permit holder as provided in section 3769.08 of 79454
the Revised Code and the additional amount retained by each permit 79455
holder as provided in division (A) of this section, each permit 79456
holder shall retain an additional amount equal to one-half of one 79457
per cent of the total of all moneys wagered on each racing day on 79458
all wagering pools other than win, place, and show. The additional 79459
amount retained under this division shall be paid by check, draft, 79460
or money order to the tax commissioner, as a tax. The tax 79461
commissioner shall pay the amount of the tax received under this 79462

division to the state racing commission operating fund created by 79463
section 3769.03 of the Revised Code. 79464

(C) Unless otherwise agreed to by the video lottery sales 79465
agent and the applicable horsemen's association recognized by the 79466
state racing commission to represent such persons, the state 79467
racing commission ~~may~~ shall direct through rule that a percentage 79468
of the lottery sales agent's commission as determined by the state 79469
lottery commission for conducting video lottery terminal gaming on 79470
behalf of the state be paid to the state racing commission for the 79471
benefit of breeding and racing in this state. The percentage so 79472
determined shall not be less than nine per cent or more than 79473
eleven per cent of the video lottery terminal income, and shall be 79474
a sliding scale based upon capital expenditures necessary to build 79475
the video lottery sales agent's facility. The aggregate of one 79476
hundred per cent of video lottery terminal income minus the 79477
lottery sales agent's commission percentage as determined by the 79478
state lottery commission plus the percentage of the lottery sale 79479
agent's commission, as determined by the state racing commission 79480
or otherwise agreed to by the video lottery sales agent and the 79481
applicable horsemen's association recognized by the state racing 79482
commission to represent such persons, for the benefit of breeding 79483
and racing in this state shall not exceed forty-five per cent of 79484
the video lottery terminal income. In addition, beginning July 1, 79485
2013, the state lottery commission shall adopt a rule to require 79486
the lottery sales agent conducting video lottery terminal gaming 79487
on behalf of the state to disperse to the state lottery commission 79488
one-half of one per cent of such a lottery sales agent's 79489
commission for the purpose of providing funding support to 79490
appropriate state agencies for programs that provide for gambling 79491
addiction and other related addiction services. The state lottery 79492
commission's rule also may require the lottery sales agent 79493
conducting video lottery terminal gaming on behalf of the state to 79494
disperse to the state lottery commission an additional amount up 79495

to one-half of one per cent of such a lottery sales agent's 79496
commission for that purpose. 79497

Sec. 3769.088. (A) If any permit holder required by this 79498
chapter to pay the taxes levied by sections 3769.08, 3769.087, 79499
3769.26, and 3769.28 of the Revised Code fails to pay the taxes, 79500
the tax commissioner may make an assessment against the permit 79501
holder based upon any information in the commissioner's 79502
possession. 79503

A penalty of up to fifteen per cent may be added to the 79504
amount of every assessment made under this section. The 79505
commissioner may adopt rules providing for the imposition and 79506
remission of penalties added to assessments made under this 79507
section. 79508

The commissioner shall give the party assessed written notice 79509
of the assessment in the manner provided in section 5703.37 of the 79510
Revised Code. With the notice, the commissioner shall provide 79511
instructions on how to petition for reassessment and request a 79512
hearing on the petition. 79513

(B) Unless the party assessed files with the tax commissioner 79514
within sixty days after service of the notice of assessment, 79515
either personally or by certified mail, a written petition for 79516
reassessment signed by the party assessed or that party's 79517
authorized agent having knowledge of the facts, the assessment 79518
becomes final and the amount of the assessment is due and payable 79519
from the party assessed to the commissioner. The petition shall 79520
indicate the objections of the party assessed, but additional 79521
objections may be raised in writing if received by the 79522
commissioner prior to the date shown on the final determination. 79523
If the petition has been properly filed, the commissioner shall 79524
proceed under section 5703.60 of the Revised Code. 79525

(C) After an assessment becomes final, if any portion of the 79526

assessment remains unpaid, including accrued interest, a certified 79527
copy of the tax commissioner's entry making the assessment final 79528
may be filed in the office of the clerk of the court of common 79529
pleas in the county in which the place, track, or enclosure for 79530
which the permit was issued is located or the county in which the 79531
party assessed resides or has its principal place of business. If 79532
the party assessed maintains no place of business in this state 79533
and is not a resident of this state, the certified copy of the 79534
entry may be filed in the office of the clerk of the court of 79535
common pleas of Franklin county. 79536

Immediately upon the filing of the entry, the clerk shall 79537
enter a judgment for the state against the party assessed in the 79538
amount shown on the entry. The judgment may be filed by the clerk 79539
in a loose-leaf book entitled "special judgments for state horse 79540
racing tax," and shall have the same effect as other judgments. 79541
Execution shall issue upon the judgment upon the request of the 79542
tax commissioner, and all laws applicable to sales on execution 79543
shall apply to sales made under the judgment. 79544

~~The portion of~~ If the assessment is not paid in its entirety 79545
within sixty days after the day the assessment was issued, the 79546
portion of the assessment consisting of tax due shall bear 79547
interest at the rate per annum prescribed by section 5703.47 of 79548
the Revised Code from the day the tax commissioner issues the 79549
assessment until the day the assessment is paid or until it is 79550
certified to the attorney general for collection under section 79551
131.02 of the Revised Code, whichever comes first. If the unpaid 79552
portion of the assessment is certified to the attorney general for 79553
collection, the entire unpaid portion of the assessment shall bear 79554
interest at the rate per annum prescribed by section 5703.47 of 79555
the Revised Code from the date of certification until the date it 79556
is paid in its entirety. Interest shall be paid in the same manner 79557
as the tax and may be collected by the issuance of an assessment 79558

under this section. 79559

(D) All money collected by the tax commissioner under this 79560
section shall be treated as revenue arising from the taxes imposed 79561
by sections 3769.08, 3769.087, 3769.26, and 3769.28 of the Revised 79562
Code. 79563

Sec. 3770.02. (A) Subject to the advice and consent of the 79564
senate, the governor shall appoint a director of the state lottery 79565
commission who shall serve at the pleasure of the governor. The 79566
director shall devote full time to the duties of the office and 79567
shall hold no other office or employment. The director shall meet 79568
all requirements for appointment as a member of the commission and 79569
shall, by experience and training, possess management skills that 79570
equip the director to administer an enterprise of the nature of a 79571
state lottery. The director shall receive an annual salary in 79572
accordance with pay range 48 of section 124.152 of the Revised 79573
Code. 79574

(B)(1) The director shall attend all meetings of the 79575
commission and shall act as its secretary. The director shall keep 79576
a record of all commission proceedings and shall keep the 79577
commission's records, files, and documents at the commission's 79578
principal office. All records of the commission's meetings shall 79579
be available for inspection by any member of the public, upon a 79580
showing of good cause and prior notification to the director. 79581

(2) The director shall be the commission's executive officer 79582
and shall be responsible for keeping all commission records and 79583
supervising and administering the state lottery in accordance with 79584
this chapter, and carrying out all commission rules adopted under 79585
section 3770.03 of the Revised Code. 79586

(C)(1) The director shall appoint an assistant director, 79587
deputy directors of marketing, operations, sales, finance, public 79588
relations, security, and administration, and as many regional 79589

managers as are required. The director may also appoint necessary 79590
professional, technical, and clerical assistants. All such 79591
officers and employees shall be appointed and compensated pursuant 79592
to Chapter 124. of the Revised Code. Regional and assistant 79593
regional managers, sales representatives, and any lottery 79594
executive account representatives shall remain in the unclassified 79595
service. 79596

(2) The director, in consultation with the director of 79597
administrative services, may establish standards of proficiency 79598
and productivity for commission field representatives. 79599

(D) The director shall request the bureau of criminal 79600
identification and investigation, the department of public safety, 79601
or any other state, local, or federal agency to supply the 79602
director with the criminal records of any job applicant and may 79603
periodically request the criminal records of commission employees. 79604
At or prior to the time of making such a request, the director 79605
shall require a job applicant or commission employee to obtain 79606
fingerprint cards prescribed by the superintendent of the bureau 79607
of criminal identification and investigation at a qualified law 79608
enforcement agency, and the director shall cause these fingerprint 79609
cards to be forwarded to the bureau of criminal identification and 79610
investigation and the federal bureau of investigation. The 79611
commission shall assume the cost of obtaining the fingerprint 79612
cards and shall pay to each agency supplying criminal records for 79613
each investigation under this division a reasonable fee, as 79614
determined by the agency. 79615

(E) The director shall license lottery sales agents pursuant 79616
to section 3770.05 of the Revised Code and, when it is considered 79617
necessary, may revoke or suspend the license of any lottery sales 79618
agent. The director may license video lottery technology 79619
providers, independent testing laboratories, and gaming employees, 79620
and promulgate rules relating thereto. When the director considers 79621

it necessary, the director may suspend or revoke the license of a 79622
video lottery technology provider, independent testing laboratory, 79623
or gaming employee, including suspension or revocation without 79624
affording an opportunity for a prior hearing under section 119.07 79625
of the Revised Code when the public safety, convenience, or trust 79626
requires immediate action. 79627

housing accommodations that are rented or to be rented to a 81958
disabled tenant from conditioning permission for a proposed 81959
modification upon the disabled tenant's doing one or more of the 81960

for the landlord to condition permission for the proposed 81971
modification upon the agreement; 81972

housing accommodations to the condition they were in prior to the 81977
proposed modification, but subject to reasonable wear and tear 81978

during the period of occupancy, if the landlord finds the account 81979
reasonably necessary to ensure the availability of funds for the 81980

the disabled tenant who makes payments into the account. 81983

(a) The dwellings shall have at least one building entrance 82001
on an accessible route, unless it is impractical to do so because 82002
of the terrain or unusual characteristics of the site. 82003

(b) With respect to dwellings that have a building entrance 82004
on an accessible route, all of the following apply: 82005

(i) The public use areas and common use areas of the 82006
dwellings shall be readily accessible to and usable by persons 82007
with a disability. 82008

(ii) All the doors designed to allow passage into and within all premises shall be sufficiently wide to allow passage by persons with a disability who are in wheelchairs.

(iii) All premises within covered multifamily dwelling units shall contain an accessible route into and through the dwelling; all light switches, electrical outlets, thermostats, and other environmental controls within such units shall be in accessible locations; the bathroom walls within such units shall contain reinforcements to allow later installation of grab bars; and the kitchens and bathrooms within such units shall be designed and constructed in a manner that enables an individual in a wheelchair to maneuver about such rooms.

(I) For any person to discriminate in any manner against any other person because that person has opposed any unlawful discriminatory practice defined in this section or because that person has made a charge, testified, assisted, or participated in any manner in any investigation, proceeding, or hearing under sections 4112.01 to 4112.07 of the Revised Code.

(K)(1) Nothing in division (H) of this section shall bar any religious or denominational institution or organization, or any nonprofit charitable or educational organization that is operated,

supervised, or controlled by or in connection with a religious 82040
organization, from limiting the sale, rental, or occupancy of 82041
housing accommodations that it owns or operates for other than a 82042
commercial purpose to persons of the same religion, or from giving 82043
preference in the sale, rental, or occupancy of such housing 82044
accommodations to persons of the same religion, unless membership 82045
in the religion is restricted on account of race, color, or 82046
national origin. 82047

(2) Nothing in division (H) of this section shall bar any 82048
bona fide private or fraternal organization that, incidental to 82049
its primary purpose, owns or operates lodgings for other than a 82050

(3) Nothing in division (H) of this section limits the 82053
applicability of any reasonable local, state, or federal 82054
restrictions regarding the maximum number of occupants permitted 82055
to occupy housing accommodations. Nothing in that division 82056
prohibits the owners or managers of housing accommodations from 82057
implementing reasonable occupancy standards based on the number 82058
and size of sleeping areas or bedrooms and the overall size of a 82059
dwelling unit, provided that the standards are not implemented to 82060
circumvent the purposes of this chapter and are formulated, 82061
implemented, and interpreted in a manner consistent with this 82062
chapter and any applicable local, state, or federal restrictions 82063
regarding the maximum number of occupants permitted to occupy 82064
housing accommodations. 82065

(4) Nothing in division (H) of this section requires that 82066
housing accommodations be made available to an individual whose 82067
tenancy would constitute a direct threat to the health or safety 82068
of other individuals or whose tenancy would result in substantial 82069
physical damage to the property of others. 82070

(5) Nothing in division (H) of this section pertaining to 82071

discrimination on the basis of familial status shall be construed 82072
to apply to any of the following: 82073

(a) Housing accommodations provided under any state or 82074
federal program that have been determined under the "Fair Housing 82075
Amendments Act of 1988," 102 Stat. 1623, 42 U.S.C.A. 3607, as 82076

older per unit, as determined under the "Fair Housing Amendments 82083
Act of 1988," 102 Stat. 1623, 42 U.S.C.A. 3607, as amended. 82084

(L) Nothing in divisions (A) to (E) of this section shall be 82085
construed to require a person with a disability to be employed or 82086
trained under circumstances that would significantly increase the 82087
occupational hazards affecting either the person with a 82088
disability, other employees, the general public, or the facilities 82089
in which the work is to be performed, or to require the employment 82090
or training of a person with a disability in a job that requires 82091
the person with a disability routinely to undertake any task, the 82092
performance of which is substantially and inherently impaired by 82093
the person's disability. 82094

(M) Nothing in divisions (H)(1) to (18) of this section shall 82095
be construed to require any person selling or renting property to 82096
modify the property in any way or to exercise a higher degree of 82097
care for a person with a disability, to relieve any person with a 82098
disability of any obligation generally imposed on all persons 82099
regardless of disability in a written lease, rental agreement, or 82100
contract of purchase or sale, or to forbid distinctions based on 82101
the inability to fulfill the terms and conditions, including 82102

financial obligations, of the lease, agreement, or contract. 82103

(N) An aggrieved individual may enforce the individual's 82104
rights relative to discrimination on the basis of age as provided 82105
for in this section by instituting a civil action, within one 82106
hundred eighty days after the alleged unlawful discriminatory 82107
practice occurred, in any court with jurisdiction for any legal or 82108
equitable relief that will effectuate the individual's rights. 82109

A person who files a civil action under this division is 82110
barred, with respect to the practices complained of, from 82111
instituting a civil action under section 4112.14 of the Revised 82112
Code and from filing a charge with the commission under section 82113
4112.05 of the Revised Code. 82114

(O) With regard to age, it shall not be an unlawful 82115
discriminatory practice and it shall not constitute a violation of 82116
division (A) of section 4112.14 of the Revised Code for any 82117
employer, employment agency, joint labor-management committee 82118
controlling apprenticeship training programs, or labor 82119

(2) Observe the terms of a bona fide seniority system or any 82125
bona fide employee benefit plan, including, but not limited to, a 82126
retirement, pension, or insurance plan, that is not a subterfuge 82127
to evade the purposes of this section. However, no such employee 82128
benefit plan shall excuse the failure to hire any individual, and 82129
no such seniority system or employee benefit plan shall require or 82130
permit the involuntary retirement of any individual, because of 82131
the individual's age except as provided for in the "Age 82132
Discrimination in Employment Act Amendment of 1978," 92 Stat. 189, 82133

29 U.S.C.A. 623, as amended by the "Age Discrimination in
Employment Act Amendments of 1986," 100 Stat. 3342, 29 U.S.C.A.
623, as amended.

82135
82136

(3) Retire an employee who has attained sixty-five years of
age who, for the two-year period immediately before retirement, is
employed in a bona fide executive or a high policymaking position,
if the employee is entitled to an immediate nonforfeitable annual
retirement benefit from a pension, profit-sharing, savings, or
deferred compensation plan, or any combination of those plans, of
the employer of the employee, which equals, in the aggregate, at
least forty-four thousand dollars, in accordance with the
conditions of the "Age Discrimination in Employment Act Amendment
of 1978," 92 Stat. 189, 29 U.S.C.A. 631, as amended by the "Age

82148

(4) Observe the terms of any bona fide apprenticeship program
if the program is registered with the Ohio apprenticeship council
pursuant to sections 4139.01 to 4139.06 of the Revised Code and is
approved by the federal committee on apprenticeship of the United
States department of labor.

82151
82152
82153

(Q)(1)(a) Except as provided in division (Q)(1)(b) of this 82184
section, for purposes of divisions (A) to (E) of this section, a 82185
disability does not include any physiological disorder or 82186
condition, mental or psychological disorder, or disease or 82187
condition caused by an illegal use of any controlled substance by 82188
an employee, applicant, or other person, if an employer, 82189
employment agency, personnel placement service, labor 82190
organization, or joint labor-management committee acts on the 82191
basis of that illegal use. 82192

(b) Division (Q)(1)(a) of this section does not apply to an 82193
employee, applicant, or other person who satisfies any of the 82194
following: 82195

(i) The employee, applicant, or other person has successfully completed a supervised drug rehabilitation program and no longer is engaging in the illegal use of any controlled substance, or the employee, applicant, or other person otherwise successfully has been rehabilitated and no longer is engaging in that illegal use.

(ii) The employee, applicant, or other person is participating in a supervised drug rehabilitation program and no longer is engaging in the illegal use of any controlled substance.

(iii) The employee, applicant, or other person is erroneously regarded as engaging in the illegal use of any controlled substance, but the employee, applicant, or other person is not engaging in that illegal use.

(2) Divisions (A) to (E) of this section do not prohibit an employer, employment agency, personnel placement service, labor organization, or joint labor-management committee from doing any of the following:

(a) Adopting or administering reasonable policies or procedures, including, but not limited to, testing for the illegal use of any controlled substance, that are designed to ensure that an individual described in division (Q)(1)(b)(i) or (ii) of this section no longer is engaging in the illegal use of any controlled substance;

the parties; 82834

(b) Comparison of the issues submitted to final offer 82835
settlement relative to the employees in the bargaining unit 82836
involved with those issues related to other public and private 82837
employees doing comparable work, giving consideration to factors 82838
peculiar to the area and classification involved; 82839

(d) The lawful authority of the public employer; 82844

(e) The stipulations of the parties; 82845

(f) Such other factors, not confined to those listed in this 82846
section, which are normally or traditionally taken into 82847

promulgate a written opinion and order upon the issues presented 82857
to the conciliator, and upon the record made before the 82858
conciliator and shall mail or otherwise deliver a true copy 82859
thereof to the parties and the board. 82860

(11) Increases in rates of compensation and other matters 82861
with cost implications awarded by the conciliator may be effective 82862
only at the start of the fiscal year next commencing after the 82863
date of the final offer settlement award; provided that if a new 82864
fiscal year has commenced since the issuance of the board order to 82865
submit to a final offer settlement procedure, the awarded 82866
increases may be retroactive to the commencement of the new fiscal 82867
year. The parties may, at any time, amend or modify a 82868
conciliator's award or order by mutual agreement. 82869

(12) The parties shall bear equally the cost of the final 82870

offer settlement procedure. 82871

subject to review by the court of common pleas having jurisdiction 82876
over the public employer as provided in Chapter 2711. of the 82877

collected from any employer entitles the employer to the benefits 83248
of this chapter for the remainder of the six months and also for 83249
an additional adjustment period of two months, and, thereafter, if 83250
the employer pays the premium due at the close of any six-month 83251
period, coverage shall be extended for an additional eight-month 83252
period beginning from the end of the six-month period for which 83253
the employer pays the premium due; 83254

(B) A rule providing for ascertaining the correctness of any 83255
employer's report of estimated or actual expenditure of wages and 83256
the determination and adjustment of proper premiums and the 83257
payment of those premiums by the employer for or during any period 83258
less than eight months and notwithstanding any payment or 83259
determination of premium made when exceptional conditions or 83260
circumstances in the judgment of the administrator justify the 83261
action; 83262

(C) Such special rules as the administrator considers 83263
necessary to safeguard the fund and that are just in the 83264
circumstances, covering the rates to be applied where one employer 83265
takes over the occupation or industry of another or where an 83266
employer first makes application for state insurance, and the 83267
administrator may require that if any employer transfers a 83268
business in whole or in part or otherwise reorganizes the 83269
business, the successor in interest shall assume, in proportion to 83270

services for which the employee is not eligible to receive 83280
compensation and benefits under that federal act. 83281
83282

(E) A rule providing for all of the following: 83283

(1) If, within two months immediately after the expiration of 83284
the six-month period, an employer fails to file a report of the 83285
employer's actual payroll expenditures for the period, the premium 83286
found to be due from the employer for the period shall be 83287
increased in an amount equal to one per cent of the premium, but 83288
the increase shall not be less than three nor more than fifteen 83289
dollars; 83290

(2) The premium determined by the administrator to be due 83291
from an employer shall be payable on or before the end of the 83292
coverage period established by the premium security deposit, or 83293
within the time specified by the administrator if the period for 83294
which the advance premium has been paid is less than eight months. 83295
If an employer fails to pay the premium when due, the 83296
administrator may add a late fee penalty of not more than thirty 83297
dollars to the premium plus an additional penalty amount as 83298

past due, the prime interest rate plus two per cent, multiplied by 83303
the premium due; 83304

(c) For a premium from one hundred twenty-one to one hundred 83305
fifty days past due, the prime interest rate plus four per cent, 83306
multiplied by the premium due; 83307

(d) For a premium from one hundred fifty-one to one hundred 83308
eighty days past due, the prime interest rate plus six per cent, 83309
multiplied by the premium due; 83310

(e) For a premium from one hundred eighty-one to two hundred 83311
ten days past due, the prime interest rate plus eight per cent, 83312
multiplied by the premium due; 83313

(f) For each additional thirty-day period or portion thereof 83314
that a premium remains past due after it has remained past due for 83315
more than two hundred ten days, the prime interest rate plus eight 83316
per cent, multiplied by the premium due. 83317

(3) Notwithstanding the interest rates specified in division 83318
(E)(2) of this section, at no time shall the additional penalty 83319
amount assessed under division (E)(2) of this section exceed 83320
fifteen per cent of the premium due. 83321

(4) An employer may appeal a late fee penalty or additional 83322
penalty to an adjudicating committee pursuant to section 4123.291 83323
of the Revised Code. 83324

For purposes of division (E) of this section, "prime interest 83325
rate" means the average bank prime rate, and the administrator 83326
shall determine the prime interest rate in the same manner as a 83327
county auditor determines the average bank prime rate under 83328
section 929.02 of the Revised Code. 83329

(5) If the employer files an appropriate payroll report, 83330

the administrator if the period for which the employer paid an 83332

estimated premium is less than eight months, the employer shall 83333
not be in default and division (E)(2) of this section shall not 83334
apply if the employer pays the premiums within fifteen days after 83335
being first notified by the administrator of the amount due. 83336

(6) Any deficiencies in the amounts of the premium security 83337
deposit paid by an employer for any period shall be subject to an 83338
interest charge of six per cent per annum from the date the 83339
premium obligation is incurred. In determining the interest due on 83340
deficiencies in premium security deposit payments, a charge in 83341
each case shall be made against the employer in an amount equal to 83342
interest at the rate of six per cent per annum on the premium 83343
security deposit due but remaining unpaid sixty days after notice 83344
by the administrator. 83345

(7) Any interest charges or penalties provided for in 83346
divisions (E)(2) and (6) of this section shall be credited to the 83347
employer's account for rating purposes in the same manner as 83348
premiums. 83349

(F) A rule providing that each employer, on the occasion of 83350
instituting coverage under this chapter, shall submit a premium 83351
security deposit. The deposit shall be calculated equivalent to 83352
thirty per cent of the semiannual premium obligation of the 83353
employer based upon the employer's estimated expenditure for wages 83354
for the ensuing six-month period plus thirty per cent of an 83355
additional adjustment period of two months but only up to a 83356
maximum of one thousand dollars and not less than ten dollars. The 83357
administrator shall review the security deposit of every employer 83358
who has submitted a deposit which is less than the 83359
one-thousand-dollar maximum. The administrator may require any 83360
such employer to submit additional money up to the maximum of one 83361
thousand dollars that, in the administrator's opinion, reflects 83362
the employer's current payroll expenditure for an eight-month 83363
period. 83364

(G) A rule providing that each employer, on the occasion of instituting coverage under this chapter, shall submit an application for coverage that completely provides all of the information required for the administrator to establish coverage for that employer, and that the employer's failure to provide all of the information completely may be grounds for the administrator to deny coverage for that employer.

(H) A rule providing that, in addition to any other remedies permitted in this chapter, the administrator may discontinue an employer's coverage if the employer fails to pay the premium due on or before the premium's due date.

(I) A rule providing that if after a final adjudication it is determined that an employer has failed to pay an obligation, billing, account, or assessment that is greater than one thousand dollars on or before its due date, the administrator may discontinue the employer's coverage in addition to any other remedies permitted in this chapter, and that the administrator shall not discontinue an employer's coverage pursuant to this division prior to a final adjudication regarding the employer's failure to pay such obligation, billing, account, or assessment on or before its due date.

(J) As used in divisions (H) and (I) of this section:

Sec. 4123.322. (A) Notwithstanding any provision to the 83398
contrary in section 4123.32 or 4123.41 of the Revised Code, the 83399
administrator of workers' compensation, with the advice and 83400
consent of the bureau of workers' compensation board of directors, 83401
may adopt rules with respect to the collection, maintenance, and 83402
disbursements of the state insurance fund to provide for a system 83403
of prospective payment of workers' compensation premiums. If the 83404
administrator elects to adopt rules establishing a prospective 83405
payment system, those rules shall include all of the following: 83406

the Revised Code, except for a state agency or a state university 83429

coverage, an employer mentioned in division (B)(1) of section 83434
4123.01 of the Revised Code, except for a state agency or state 83435
university or college, shall file with the application an estimate 83436
of the employer's payroll for the unexpired period from the date 83437
of application to the period ending on the following thirty-first 83438
day of December or other date as established by the administrator 83439
pursuant to division (A)(3) of this section, and shall pay the 83440
amount the administrator determines by rule in order to establish 83441
coverage for the employer as described in division (B)(12) of 83442
section 4121.121 of the Revised Code; 83443

(5) The assessment of a penalty if an employer fails to 83444
timely file the estimates of payroll required by the rules adopted 83445
pursuant to this section; 83446

(6) A requirement that an employer complete periodic payroll 83447

security deposits of employers, the establishment of provisions 83455
for additional premium payments during that transition, the 83456
provision of a credit of those deposits toward the first premium 83457

due from an employer under the rules adopted under divisions 83458
(A)(1) to (7) of this section, and the establishment of penalties 83459
for late payment or failure to comply with the rules. 83460

(B) For purposes of division (A)(6) of this section, an 83461
employer shall make timely payment of any premium owed when actual 83462
payroll expenditures exceeded estimated payroll, and the employer 83463
shall receive premium credit when the estimated payroll exceeded 83464
the actual payroll. 83465

(C) For purposes of division (A)(7) of this section, if the 83466
employer's actual payroll substantially exceeds the estimated 83467
payroll, the administrator may assess additional penalties 83468
specified in rules the administrator adopts on the reconciliation 83469
premium. 83470

(D) As used in this section, "state university or college" 83471
has the same meaning as in section 4123.32 of the Revised Code. 83472

Sec. 4123.35. (A) Except as provided in this section, every 83473
employer mentioned in division (B)(2) of section 4123.01 of the 83474

made and published by the administrator. The employer shall pay 83481
semiannually a further sum of money into the state insurance fund 83482
as may be ascertained to be due from the employer by applying the 83483
rules of the administrator, and a receipt or certificate 83484
certifying that payment has been made, along with a written notice 83485
as is required in section 4123.54 of the Revised Code, shall be 83486
mailed immediately to the employer by the bureau of workers' 83487
compensation. The receipt or certificate is prima-facie evidence 83488

notice constitutes the employer's compliance with the notice 83490
requirement mandated in section 4123.54 of the Revised Code. 83491

If the administrator adopts rules to establish a prospective 83492
payment of premium under section 4123.322 of the Revised Code, 83493
every employer mentioned in division (B)(2) of section 4123.01 of 83494
the Revised Code and every publicly owned utility shall pay into 83495
the state insurance fund the amount of premium the administrator 83496

of which premium to be paid by each employer to be determined by 83498
the classifications, rules, and rates made and published by the 83499
administrator and based upon the estimates and reconciliations 83500
required by the rules the administrator adopts under section 83501
4123.322 of the Revised Code. 83502

The bureau of workers' compensation shall verify with the 83503
secretary of state the existence of all corporations and 83504

employer's federal identification number. 83507

An employer as defined in division (B)(2) of section 4123.01 83508

Division (A) of this section providing for the payment of 83513
premiums semiannually does not apply to any employer who was a 83514
subscriber to the state insurance fund prior to January 1, 1914, 83515
or who may first become a subscriber to the fund in any month 83516
other than January or July. Instead, the semiannual premiums shall 83517
be paid by those employers from time to time upon the expiration 83518
of the respective periods for which payments into the fund have 83519
been made by them. 83520

The administrator shall adopt rules to permit employers to 83521
make periodic payments of the semiannual premium due under this 83522
division. The rules shall include provisions for the assessment of 83523
interest charges, where appropriate, and for the assessment of 83524
penalties when an employer fails to make timely premium payments. 83525

entitled to all of the benefits and protections of this chapter. 83527

receipt or certificate to the employer certifying that payment has 83529
been made, which receipt is prima-facie evidence of payment. 83530
Workers' compensation coverage under this chapter continues 83531
uninterrupted upon timely receipt of payment under this division. 83532

Every public employer, except public employers that are 83533
self-insuring employers under this section, shall comply with 83534
sections 4123.38 to 4123.41, and 4123.48 of the Revised Code in 83535
regard to the contribution of moneys to the public insurance fund. 83536

(B) Employers who will abide by the rules of the 83537
administrator and who may be of sufficient financial ability to 83538
render certain the payment of compensation to injured employees or 83539
the dependents of killed employees, and the furnishing of medical, 83540
surgical, nursing, and hospital attention and services and 83541
medicines, and funeral expenses, equal to or greater than is 83542
provided for in sections 4123.52, 4123.55 to 4123.62, and 4123.64 83543
to 4123.67 of the Revised Code, and who do not desire to insure 83544
the payment thereof or indemnify themselves against loss sustained 83545
by the direct payment thereof, upon a finding of such facts by the 83546
administrator, may be granted the privilege to pay individually 83547
compensation, and furnish medical, surgical, nursing, and hospital 83548
services and attention and funeral expenses directly to injured 83549
employees or the dependents of killed employees, thereby being 83550
granted status as a self-insuring employer. The administrator may 83551
charge employers who apply for the status as a self-insuring 83552

employer a reasonable application fee to cover the bureau's costs 83553
in connection with processing and making a determination with 83554
respect to an application. 83555

All employers granted status as self-insuring employers shall 83556
demonstrate sufficient financial and administrative ability to 83557
assure that all obligations under this section are promptly met. 83558
The administrator shall deny the privilege where the employer is 83559
unable to demonstrate the employer's ability to promptly meet all 83560
the obligations imposed on the employer by this section. 83561

(1) The administrator shall consider, but is not limited to, 83562

employer's ability to meet all of the obligations imposed on the 83564
employer by this section: 83565

(a) The employer employs a minimum of five hundred employees 83566
in this state; 83567

(b) The employer has operated in this state for a minimum of 83568

(e) The financial records, documents, and data, certified by 83579
a certified public accountant, necessary to provide the employer's 83580

(f) The employer's organizational plan for the administration of the workers' compensation law; 83584
83585

(g) The employer's proposed plan to inform employees of the change from a state fund insurer to a self-insuring employer, the procedures the employer will follow as a self-insuring employer, and the employees' rights to compensation and benefits; and 83586
83587
83588
83589

(h) The employer has either an account in a financial institution in this state, or if the employer maintains an account with a financial institution outside this state, ensures that workers' compensation checks are drawn from the same account as payroll checks or the employer clearly indicates that payment will be honored by a financial institution in this state. 83590
83591
83592
83593
83594
83595

The administrator may waive the requirements of divisions (B)(1)(a) and (b) of this section and the requirement of division (B)(1)(e) of this section that the financial records, documents, and data be certified by a certified public accountant. The administrator shall adopt rules establishing the criteria that an employer shall meet in order for the administrator to waive the ~~requirement~~ requirements of division divisions (B)(1)(a), (b), and (e) of this section. 83609
83610

(2) When considering the application of a public employer, except for a board of county commissioners described in division (G) of section 4123.01 of the Revised Code, a board of a county hospital, or a publicly owned utility, the administrator shall 83611
83612
83613
83614

verify that the public employer satisfies all of the following 83615
requirements as the requirements apply to that public employer: 83616

(a) For the two-year period preceding application under this 83617
section, the public employer has maintained an unvoted debt 83618
capacity equal to at least two times the amount of the current 83619
annual premium established by the administrator under this chapter 83620
for that public employer for the year immediately preceding the 83621
year in which the public employer makes application under this 83622
section. 83623

(b) For each of the two fiscal years preceding application 83624
under this section, the unreserved and undesignated year-end fund 83625
balance in the public employer's general fund is equal to at least 83626
five per cent of the public employer's general fund revenues for 83627
the fiscal year computed in accordance with generally accepted 83628
accounting principles. 83629

(c) For the five-year period preceding application under this 83630
section, the public employer, to the extent applicable, has 83631
complied fully with the continuing disclosure requirements 83632
established in rules adopted by the United States securities and 83633
exchange commission under 17 C.F.R. 240.15c 2-12. 83634

(d) For the five-year period preceding application under this 83635
section, the public employer has not had its local government fund 83636
distribution withheld on account of the public employer being 83637
indebted or otherwise obligated to the state. 83638

(e) For the five-year period preceding application under this 83639
section, the public employer has not been under a fiscal watch or 83640
fiscal emergency pursuant to section 118.023, 118.04, or 3316.03 83641
of the Revised Code. 83642

(f) For the public employer's fiscal year preceding 83643
application under this section, the public employer has obtained 83644
an annual financial audit as required under section 117.10 of the 83645

Revised Code, which has been released by the auditor of state 83646
within seven months after the end of the public employer's fiscal 83647
year. 83648

(g) On the date of application, the public employer holds a 83649
debt rating of Aa3 or higher according to Moody's investors 83650
service, inc., or a comparable rating by an independent rating 83651
agency similar to Moody's investors service, inc. 83652

(h) The public employer agrees to generate an annual 83653
accumulating book reserve in its financial statements reflecting 83654
an actuarially generated reserve adequate to pay projected claims 83655
under this chapter for the applicable period of time, as 83656
determined by the administrator. 83657

(i) For a public employer that is a hospital, the public 83658
employer shall submit audited financial statements showing the 83659
hospital's overall liquidity characteristics, and the 83660
administrator shall determine, on an individual basis, whether the 83661
public employer satisfies liquidity standards equivalent to the 83662
liquidity standards of other public employers. 83663

(j) Any additional criteria that the administrator adopts by 83664
rule pursuant to division (E) of this section. 83665

The administrator may adopt rules establishing the criteria 83666
that a public employer shall satisfy in order for the 83667
administrator to waive any of the requirements listed in divisions 83668
(B)(2)(a) to (j) of this section. The rules may require additional 83669
security from that employer pursuant to division (E) of section 83670
4123.351 of the Revised Code. The administrator shall not waive 83671
any of the requirements listed in divisions (B)(2)(a) to (j) of 83672
this section for a public employer who does not satisfy the 83673
criteria established in the rules the administrator adopts. 83674

(C) A board of county commissioners described in division (G) 83675
of section 4123.01 of the Revised Code, as an employer, that will 83676

abide by the rules of the administrator and that may be of 83677
sufficient financial ability to render certain the payment of 83678
compensation to injured employees or the dependents of killed 83679
employees, and the furnishing of medical, surgical, nursing, and 83680
hospital attention and services and medicines, and funeral 83681
expenses, equal to or greater than is provided for in sections 83682
4123.52, 4123.55 to 4123.62, and 4123.64 to 4123.67 of the Revised 83683
Code, and that does not desire to insure the payment thereof or 83684
indemnify itself against loss sustained by the direct payment 83685
thereof, upon a finding of such facts by the administrator, may be 83686
granted the privilege to pay individually compensation, and 83687
furnish medical, surgical, nursing, and hospital services and 83688
attention and funeral expenses directly to injured employees or 83689
the dependents of killed employees, thereby being granted status 83690
as a self-insuring employer. The administrator may charge a board 83691
of county commissioners described in division (G) of section 83692
4123.01 of the Revised Code that applies for the status as a 83693
self-insuring employer a reasonable application fee to cover the 83694
bureau's costs in connection with processing and making a 83695
determination with respect to an application. All employers 83696
granted such status shall demonstrate sufficient financial and 83697
administrative ability to assure that all obligations under this 83698
section are promptly met. The administrator shall deny the 83699
privilege where the employer is unable to demonstrate the 83700
employer's ability to promptly meet all the obligations imposed on 83701
the employer by this section. The administrator shall consider, 83702
but is not limited to, the following factors, where applicable, in 83703
determining the employer's ability to meet all of the obligations 83704
imposed on the board as an employer by this section: 83705

(1) The board as an employer employs a minimum of five 83706
hundred employees in this state; 83707

(2) The board has operated in this state for a minimum of two 83708

years;	83709
(3) Where the board previously contributed to the state insurance fund or is a successor employer as defined by bureau rules, the amount of the buyout, as defined by bureau rules;	83710 83711 83712
(4) The sufficiency of the board's assets located in this state to insure the board's solvency in paying compensation directly;	83713 83714 83715
(5) The financial records, documents, and data, certified by a certified public accountant, necessary to provide the board's full financial disclosure. The records, documents, and data include, but are not limited to, balance sheets and profit and loss history for the current year and previous four years.	83716 83717 83718 83719 83720
(6) The board's organizational plan for the administration of the workers' compensation law;	83721 83722
(7) The board's proposed plan to inform employees of the proposed self-insurance, the procedures the board will follow as a self-insuring employer, and the employees' rights to compensation and benefits;	83723 83724 83725 83726
(8) The board has either an account in a financial institution in this state, or if the board maintains an account with a financial institution outside this state, ensures that workers' compensation checks are drawn from the same account as payroll checks or the board clearly indicates that payment will be honored by a financial institution in this state;	83727 83728 83729 83730 83731 83732
(9) The board shall provide the administrator a surety bond in an amount equal to one hundred twenty-five per cent of the projected losses as determined by the administrator.	83733 83734 83735
(D) The administrator shall require a surety bond from all self-insuring employers, issued pursuant to section 4123.351 of the Revised Code, that is sufficient to compel, or secure to	83736 83737 83738

injured employees, or to the dependents of employees killed, the 83739
payment of compensation and expenses, which shall in no event be 83740
less than that paid or furnished out of the state insurance fund 83741
in similar cases to injured employees or to dependents of killed 83742
employees whose employers contribute to the fund, except when an 83743
employee of the employer, who has suffered the loss of a hand, 83744
arm, foot, leg, or eye prior to the injury for which compensation 83745
is to be paid, and thereafter suffers the loss of any other of the 83746
members as the result of any injury sustained in the course of and 83747
arising out of the employee's employment, the compensation to be 83748
paid by the self-insuring employer is limited to the disability 83749
suffered in the subsequent injury, additional compensation, if 83750
any, to be paid by the bureau out of the surplus created by 83751
section 4123.34 of the Revised Code. 83752

(E) In addition to the requirements of this section, the 83753
administrator shall make and publish rules governing the manner of 83754
making application and the nature and extent of the proof required 83755
to justify a finding of fact by the administrator as to granting 83756
the status of a self-insuring employer, which rules shall be 83757
general in their application, one of which rules shall provide 83758
that all self-insuring employers shall pay into the state 83759
insurance fund such amounts as are required to be credited to the 83760
surplus fund in division (B) of section 4123.34 of the Revised 83761
Code. The administrator may adopt rules establishing requirements 83762
in addition to the requirements described in division (B)(2) of 83763
this section that a public employer shall meet in order to qualify 83764
for self-insuring status. 83765

Employers shall secure directly from the bureau central 83766
offices application forms upon which the bureau shall stamp a 83767
designating number. Prior to submission of an application, an 83768
employer shall make available to the bureau, and the bureau shall 83769
review, the information described in division (B)(1) of this 83770

section, and public employers shall make available, and the bureau 83771
shall review, the information necessary to verify whether the 83772
public employer meets the requirements listed in division (B)(2) 83773
of this section. An employer shall file the completed application 83774
forms with an application fee, which shall cover the costs of 83775
processing the application, as established by the administrator, 83776
by rule, with the bureau at least ninety days prior to the 83777
effective date of the employer's new status as a self-insuring 83778
employer. The application form is not deemed complete until all 83779
the required information is attached thereto. The bureau shall 83780
only accept applications that contain the required information. 83781

(F) The bureau shall review completed applications within a 83782
reasonable time. If the bureau determines to grant an employer the 83783
status as a self-insuring employer, the bureau shall issue a 83784
statement, containing its findings of fact, that is prepared by 83785
the bureau and signed by the administrator. If the bureau 83786
determines not to grant the status as a self-insuring employer, 83787
the bureau shall notify the employer of the determination and 83788
require the employer to continue to pay its full premium into the 83789
state insurance fund. The administrator also shall adopt rules 83790
establishing a minimum level of performance as a criterion for 83791
granting and maintaining the status as a self-insuring employer 83792
and fixing time limits beyond which failure of the self-insuring 83793
employer to provide for the necessary medical examinations and 83794
evaluations may not delay a decision on a claim. 83795

(G) The administrator shall adopt rules setting forth 83796
procedures for auditing the program of self-insuring employers. 83797
The bureau shall conduct the audit upon a random basis or whenever 83798
the bureau has grounds for believing that a self-insuring employer 83799
is not in full compliance with bureau rules or this chapter. 83800

The administrator shall monitor the programs conducted by 83801
self-insuring employers, to ensure compliance with bureau 83802

requirements and for that purpose, shall develop and issue to 83803
self-insuring employers standardized forms for use by the 83804
self-insuring employer in all aspects of the self-insuring 83805
employers' direct compensation program and for reporting of 83806
information to the bureau. 83807

The bureau shall receive and transmit to the self-insuring 83808
employer all complaints concerning any self-insuring employer. In 83809
the case of a complaint against a self-insuring employer, the 83810
administrator shall handle the complaint through the 83811
self-insurance division of the bureau. The bureau shall maintain a 83812
file by employer of all complaints received that relate to the 83813
employer. The bureau shall evaluate each complaint and take 83814
appropriate action. 83815

The administrator shall adopt as a rule a prohibition against 83816
any self-insuring employer from harassing, dismissing, or 83817
otherwise disciplining any employee making a complaint, which rule 83818
shall provide for a financial penalty to be levied by the 83819
administrator payable by the offending self-insuring employer. 83820

(H) For the purpose of making determinations as to whether to 83821
grant status as a self-insuring employer, the administrator may 83822
subscribe to and pay for a credit reporting service that offers 83823
financial and other business information about individual 83824
employers. The costs in connection with the bureau's subscription 83825
or individual reports from the service about an applicant may be 83826
included in the application fee charged employers under this 83827
section. 83828

(I) The administrator, notwithstanding other provisions of 83829
this chapter, may permit a self-insuring employer to resume 83830
payment of premiums to the state insurance fund with appropriate 83831
credit modifications to the employer's basic premium rate as such 83832
rate is determined pursuant to section 4123.29 of the Revised 83833
Code. 83834

(J) On the first day of July of each year, the administrator shall calculate separately each self-insuring employer's assessments for the safety and hygiene fund, administrative costs pursuant to section 4123.342 of the Revised Code, and for the portion of the surplus fund under division (B) of section 4123.34 of the Revised Code that is not used for handicapped reimbursement, on the basis of the paid compensation attributable to the individual self-insuring employer according to the following calculation:

(1) The total assessment against all self-insuring employers as a class for each fund and for the administrative costs for the year that the assessment is being made, as determined by the administrator, divided by the total amount of paid compensation for the previous calendar year attributable to all amenable self-insuring employers;

(2) Multiply the quotient in division (J)(1) of this section by the total amount of paid compensation for the previous calendar year that is attributable to the individual self-insuring employer for whom the assessment is being determined. Each self-insuring employer shall pay the assessment that results from this calculation, unless the assessment resulting from this calculation falls below a minimum assessment, which minimum assessment the administrator shall determine on the first day of July of each year with the advice and consent of the bureau of workers' compensation board of directors, in which event, the self-insuring employer shall pay the minimum assessment.

In determining the total amount due for the total assessment against all self-insuring employers as a class for each fund and the administrative assessment, the administrator shall reduce proportionately the total for each fund and assessment by the amount of money in the self-insurance assessment fund as of the date of the computation of the assessment.

The administrator shall calculate the assessment for the 83867
portion of the surplus fund under division (B) of section 4123.34 83868
of the Revised Code that is used for handicapped reimbursement in 83869
the same manner as set forth in divisions (J)(1) and (2) of this 83870
section except that the administrator shall calculate the total 83871
assessment for this portion of the surplus fund only on the basis 83872
of those self-insuring employers that retain participation in the 83873
handicapped reimbursement program and the individual self-insuring 83874
employer's proportion of paid compensation shall be calculated 83875
only for those self-insuring employers who retain participation in 83876
the handicapped reimbursement program. The administrator, as the 83877
administrator determines appropriate, may determine the total 83878
assessment for the handicapped portion of the surplus fund in 83879
accordance with sound actuarial principles. 83880

The administrator shall calculate the assessment for the 83881
portion of the surplus fund under division (B) of section 4123.34 83882
of the Revised Code that under division (D) of section 4121.66 of 83883
the Revised Code is used for rehabilitation costs in the same 83884
manner as set forth in divisions (J)(1) and (2) of this section, 83885
except that the administrator shall calculate the total assessment 83886
for this portion of the surplus fund only on the basis of those 83887
self-insuring employers who have not made the election to make 83888
payments directly under division (D) of section 4121.66 of the 83889
Revised Code and an individual self-insuring employer's proportion 83890
of paid compensation only for those self-insuring employers who 83891
have not made that election. 83892

The administrator shall calculate the assessment for the 83893
portion of the surplus fund under division (B) of section 4123.34 83894
of the Revised Code that is used for reimbursement to a 83895
self-insuring employer under division (H) of section 4123.512 of 83896
the Revised Code in the same manner as set forth in divisions 83897
(J)(1) and (2) of this section except that the administrator shall 83898

calculate the total assessment for this portion of the surplus 83899
fund only on the basis of those self-insuring employers that 83900
retain participation in reimbursement to the self-insuring 83901
employer under division (H) of section 4123.512 of the Revised 83902
Code and the individual self-insuring employer's proportion of 83903
paid compensation shall be calculated only for those self-insuring 83904
employers who retain participation in reimbursement to the 83905
self-insuring employer under division (H) of section 4123.512 of 83906
the Revised Code. 83907

An employer who no longer is a self-insuring employer in this 83908
state or who no longer is operating in this state, shall continue 83909
to pay assessments for administrative costs and for the portion of 83910
the surplus fund under division (B) of section 4123.34 of the 83911
Revised Code that is not used for handicapped reimbursement, based 83912
upon paid compensation attributable to claims that occurred while 83913
the employer was a self-insuring employer within this state. 83914

(K) There is hereby created in the state treasury the 83915
self-insurance assessment fund. All investment earnings of the 83916
fund shall be deposited in the fund. The administrator shall use 83917
the money in the self-insurance assessment fund only for 83918
administrative costs as specified in section 4123.341 of the 83919
Revised Code. 83920

(L) Every self-insuring employer shall certify, in affidavit 83921
form subject to the penalty for perjury, to the bureau the amount 83922
of the self-insuring employer's paid compensation for the previous 83923
calendar year. In reporting paid compensation paid for the 83924
previous year, a self-insuring employer shall exclude from the 83925
total amount of paid compensation any reimbursement the 83926
self-insuring employer receives in the previous calendar year from 83927
the surplus fund pursuant to section 4123.512 of the Revised Code 83928
for any paid compensation. The self-insuring employer also shall 83929
exclude from the paid compensation reported any amount recovered 83930

under section 4123.931 of the Revised Code and any amount that is 83931
determined not to have been payable to or on behalf of a claimant 83932
in any final administrative or judicial proceeding. The 83933
self-insuring employer shall exclude such amounts from the paid 83934
compensation reported in the reporting period subsequent to the 83935
date the determination is made. The administrator shall adopt 83936
rules, in accordance with Chapter 119. of the Revised Code, that 83937
provide for all of the following: 83938

(1) Establishing the date by which self-insuring employers 83939
must submit such information and the amount of the assessments 83940
provided for in division (J) of this section for employers who 83941
have been granted self-insuring status within the last calendar 83942
year; 83943

(2) If an employer fails to pay the assessment when due, the 83944
administrator may add a late fee penalty of not more than five 83945
hundred dollars to the assessment plus an additional penalty 83946
amount as follows: 83947

(a) For an assessment from sixty-one to ninety days past due, 83948
the prime interest rate, multiplied by the assessment due; 83949

(b) For an assessment from ninety-one to one hundred twenty 83950
days past due, the prime interest rate plus two per cent, 83951
multiplied by the assessment due; 83952

(c) For an assessment from one hundred twenty-one to one 83953
hundred fifty days past due, the prime interest rate plus four per 83954
cent, multiplied by the assessment due; 83955

(d) For an assessment from one hundred fifty-one to one 83956
hundred eighty days past due, the prime interest rate plus six per 83957
cent, multiplied by the assessment due; 83958

(e) For an assessment from one hundred eighty-one to two 83959
hundred ten days past due, the prime interest rate plus eight per 83960
cent, multiplied by the assessment due; 83961

(f) For each additional thirty-day period or portion thereof 83962
that an assessment remains past due after it has remained past due 83963
for more than two hundred ten days, the prime interest rate plus 83964
eight per cent, multiplied by the assessment due. 83965

(3) An employer may appeal a late fee penalty and penalty 83966
assessment to the administrator. 83967

For purposes of division (L)(2) of this section, "prime 83968
interest rate" means the average bank prime rate, and the 83969
administrator shall determine the prime interest rate in the same 83970
manner as a county auditor determines the average bank prime rate 83971
under section 929.02 of the Revised Code. 83972

The administrator shall include any assessment and penalties 83973
that remain unpaid for previous assessment periods in the 83974
calculation and collection of any assessments due under this 83975
division or division (J) of this section. 83976

(M) As used in this section, "paid compensation" means all 83977
amounts paid by a self-insuring employer for living maintenance 83978
benefits, all amounts for compensation paid pursuant to sections 83979
4121.63, 4121.67, 4123.56, 4123.57, 4123.58, 4123.59, 4123.60, and 83980
4123.64 of the Revised Code, all amounts paid as wages in lieu of 83981
such compensation, all amounts paid in lieu of such compensation 83982
under a nonoccupational accident and sickness program fully funded 83983
by the self-insuring employer, and all amounts paid by a 83984
self-insuring employer for a violation of a specific safety 83985
standard pursuant to Section 35 of Article II, Ohio Constitution 83986
and section 4121.47 of the Revised Code. 83987

(N) Should any section of this chapter or Chapter 4121. of 83988
the Revised Code providing for self-insuring employers' 83989
assessments based upon compensation paid be declared 83990
unconstitutional by a final decision of any court, then that 83991
section of the Revised Code declared unconstitutional shall revert 83992

back to the section in existence prior to November 3, 1989, 83993
providing for assessments based upon payroll. 83994

(O) The administrator may grant a self-insuring employer the 83995
privilege to self-insure a construction project entered into by 83996
the self-insuring employer that is scheduled for completion within 83997
six years after the date the project begins, and the total cost of 83998
which is estimated to exceed one hundred million dollars or, for 83999
employers described in division (R) of this section, if the 84000
construction project is estimated to exceed twenty-five million 84001
dollars. The administrator may waive such cost and time criteria 84002
and grant a self-insuring employer the privilege to self-insure a 84003
construction project regardless of the time needed to complete the 84004
construction project and provided that the cost of the 84005
construction project is estimated to exceed fifty million dollars. 84006
A self-insuring employer who desires to self-insure a construction 84007
project shall submit to the administrator an application listing 84008
the dates the construction project is scheduled to begin and end, 84009
the estimated cost of the construction project, the contractors 84010
and subcontractors whose employees are to be self-insured by the 84011
self-insuring employer, the provisions of a safety program that is 84012
specifically designed for the construction project, and a 84013
statement as to whether a collective bargaining agreement 84014
governing the rights, duties, and obligations of each of the 84015
parties to the agreement with respect to the construction project 84016
exists between the self-insuring employer and a labor 84017
organization. 84018

A self-insuring employer may apply to self-insure the 84019
employees of either of the following: 84020

(1) All contractors and subcontractors who perform labor or 84021
work or provide materials for the construction project; 84022

(2) All contractors and, at the administrator's discretion, a 84023
substantial number of all the subcontractors who perform labor or 84024

work or provide materials for the construction project. 84025

Upon approval of the application, the administrator shall 84026
mail a certificate granting the privilege to self-insure the 84027
construction project to the self-insuring employer. The 84028
certificate shall contain the name of the self-insuring employer 84029
and the name, address, and telephone number of the self-insuring 84030
employer's representatives who are responsible for administering 84031
workers' compensation claims for the construction project. The 84032
self-insuring employer shall post the certificate in a conspicuous 84033
place at the site of the construction project. 84034

The administrator shall maintain a record of the contractors 84035
and subcontractors whose employees are covered under the 84036
certificate issued to the self-insured employer. A self-insuring 84037
employer immediately shall notify the administrator when any 84038
contractor or subcontractor is added or eliminated from inclusion 84039
under the certificate. 84040

Upon approval of the application, the self-insuring employer 84041
is responsible for the administration and payment of all claims 84042
under this chapter and Chapter 4121. of the Revised Code for the 84043
employees of the contractor and subcontractors covered under the 84044
certificate who receive injuries or are killed in the course of 84045
and arising out of employment on the construction project, or who 84046
contract an occupational disease in the course of employment on 84047
the construction project. For purposes of this chapter and Chapter 84048
4121. of the Revised Code, a claim that is administered and paid 84049
in accordance with this division is considered a claim against the 84050
self-insuring employer listed in the certificate. A contractor or 84051
subcontractor included under the certificate shall report to the 84052
self-insuring employer listed in the certificate, all claims that 84053
arise under this chapter and Chapter 4121. of the Revised Code in 84054
connection with the construction project for which the certificate 84055
is issued. 84056

A self-insuring employer who complies with this division is 84057
entitled to the protections provided under this chapter and 84058
Chapter 4121. of the Revised Code with respect to the employees of 84059
the contractors and subcontractors covered under a certificate 84060
issued under this division for death or injuries that arise out 84061
of, or death, injuries, or occupational diseases that arise in the 84062
course of, those employees' employment on that construction 84063
project, as if the employees were employees of the self-insuring 84064
employer, provided that the self-insuring employer also complies 84065
with this section. No employee of the contractors and 84066
subcontractors covered under a certificate issued under this 84067
division shall be considered the employee of the self-insuring 84068
employer listed in that certificate for any purposes other than 84069
this chapter and Chapter 4121. of the Revised Code. Nothing in 84070
this division gives a self-insuring employer authority to control 84071
the means, manner, or method of employment of the employees of the 84072
contractors and subcontractors covered under a certificate issued 84073
under this division. 84074

The contractors and subcontractors included under a 84075
certificate issued under this division are entitled to the 84076
protections provided under this chapter and Chapter 4121. of the 84077
Revised Code with respect to the contractor's or subcontractor's 84078
employees who are employed on the construction project which is 84079
the subject of the certificate, for death or injuries that arise 84080
out of, or death, injuries, or occupational diseases that arise in 84081
the course of, those employees' employment on that construction 84082
project. 84083

The contractors and subcontractors included under a 84084
certificate issued under this division shall identify in their 84085
payroll records the employees who are considered the employees of 84086
the self-insuring employer listed in that certificate for purposes 84087
of this chapter and Chapter 4121. of the Revised Code, and the 84088

amount that those employees earned for employment on the 84089
construction project that is the subject of that certificate. 84090
Notwithstanding any provision to the contrary under this chapter 84091
and Chapter 4121. of the Revised Code, the administrator shall 84092
exclude the payroll that is reported for employees who are 84093
considered the employees of the self-insuring employer listed in 84094
that certificate, and that the employees earned for employment on 84095
the construction project that is the subject of that certificate, 84096
when determining those contractors' or subcontractors' premiums or 84097
assessments required under this chapter and Chapter 4121. of the 84098
Revised Code. A self-insuring employer issued a certificate under 84099
this division shall include in the amount of paid compensation it 84100
reports pursuant to division (L) of this section, the amount of 84101
paid compensation the self-insuring employer paid pursuant to this 84102
division for the previous calendar year. 84103

Nothing in this division shall be construed as altering the 84104
rights of employees under this chapter and Chapter 4121. of the 84105
Revised Code as those rights existed prior to September 17, 1996. 84106
Nothing in this division shall be construed as altering the rights 84107
devolved under sections 2305.31 and 4123.82 of the Revised Code as 84108
those rights existed prior to September 17, 1996. 84109

As used in this division, "privilege to self-insure a 84110
construction project" means privilege to pay individually 84111
compensation, and to furnish medical, surgical, nursing, and 84112
hospital services and attention and funeral expenses directly to 84113
injured employees or the dependents of killed employees. 84114

(P) A self-insuring employer whose application is granted 84115
under division (O) of this section shall designate a safety 84116
professional to be responsible for the administration and 84117
enforcement of the safety program that is specifically designed 84118
for the construction project that is the subject of the 84119
application. 84120

A self-insuring employer whose application is granted under 84121
division (O) of this section shall employ an ombudsperson for the 84122
construction project that is the subject of the application. The 84123
ombudsperson shall have experience in workers' compensation or the 84124
construction industry, or both. The ombudsperson shall perform all 84125
of the following duties: 84126

(1) Communicate with and provide information to employees who 84127
are injured in the course of, or whose injury arises out of 84128
employment on the construction project, or who contract an 84129
occupational disease in the course of employment on the 84130
construction project; 84131

(2) Investigate the status of a claim upon the request of an 84132
employee to do so; 84133

(3) Provide information to claimants, third party 84134
administrators, employers, and other persons to assist those 84135
persons in protecting their rights under this chapter and Chapter 84136
4121. of the Revised Code. 84137

A self-insuring employer whose application is granted under 84138
division (O) of this section shall post the name of the safety 84139
professional and the ombudsperson and instructions for contacting 84140
the safety professional and the ombudsperson in a conspicuous 84141
place at the site of the construction project. 84142

(Q) The administrator may consider all of the following when 84143
deciding whether to grant a self-insuring employer the privilege 84144
to self-insure a construction project as provided under division 84145
(O) of this section: 84146

(1) Whether the self-insuring employer has an organizational 84147
plan for the administration of the workers' compensation law; 84148

(2) Whether the safety program that is specifically designed 84149
for the construction project provides for the safety of employees 84150
employed on the construction project, is applicable to all 84151

contractors and subcontractors who perform labor or work or 84152
provide materials for the construction project, and has as a 84153
component, a safety training program that complies with standards 84154
adopted pursuant to the "Occupational Safety and Health Act of 84155
1970," 84 Stat. 1590, 29 U.S.C.A. 651, and provides for continuing 84156
management and employee involvement; 84157

(3) Whether granting the privilege to self-insure the 84158
construction project will reduce the costs of the construction 84159
project; 84160

(4) Whether the self-insuring employer has employed an 84161
ombudsperson as required under division (P) of this section; 84162

(5) Whether the self-insuring employer has sufficient surety 84163
to secure the payment of claims for which the self-insuring 84164
employer would be responsible pursuant to the granting of the 84165
privilege to self-insure a construction project under division (O) 84166
of this section. 84167

(R) As used in divisions (O), (P), and (Q), "self-insuring 84168
employer" includes the following employers, whether or not they 84169
have been granted the status of being a self-insuring employer 84170
under division (B) of this section: 84171

(1) A state institution of higher education; 84172

(2) A school district; 84173

(3) A county school financing district; 84174

(4) An educational service center; 84175

(5) A community school established under Chapter 3314. of the 84176
Revised Code; 84177

(6) A municipal power agency as defined in section 3734.058 84178
of the Revised Code. 84179

(S) As used in this section: 84180

(1) "Unvoted debt capacity" means the amount of money that a public employer may borrow without voter approval of a tax levy;

(2) "State institution of higher education" means the state universities listed in section 3345.011 of the Revised Code, community colleges created pursuant to Chapter 3354. of the Revised Code, university branches created pursuant to Chapter 3355. of the Revised Code, technical colleges created pursuant to Chapter 3357. of the Revised Code, and state community colleges created pursuant to Chapter 3358. of the Revised Code.

Sec. 4123.41. (A) By the first day of January of each year, the bureau of workers' compensation shall furnish to the county auditor of each county and the chief fiscal officer of each taxing district in a county and of each district activity and institution mentioned in section 4123.39 of the Revised Code forms containing the premium rates applicable to the county, district, district activity, or institution as an employer, on which to report the amount of money expended by the county, district, district activity, or institution during the previous twelve calendar months for the services of employees under this chapter.

(B) Each county auditor and each fiscal officer of a district, district activity, and institution shall calculate on the form it receives from the bureau under division (A) of this section the premium due as its proper contribution to the public insurance fund and issue a warrant in favor of the bureau for the amount due from the county, district, district activity, or institution to the public insurance fund according to the following schedule:

(1) On or before the fifteenth day of May of each year, no less than forty-five per cent of the amount due;

(2) On or before the first day of September of each year, no less than the total amount due.

(C) The legislative body of any county, district, district activity, or institution may reimburse the fund from which the workers' compensation payments are made by transferring to the fund from any other fund of the county, district, district activity, or institution, the proportionate amount of the payments that should be chargeable to the fund, whether the fund is derived from taxation or otherwise. The proportionate amount of the payments chargeable to the fund may be based on payroll, relative exposure, relative loss experience, or any combination of these factors, as determined by the legislative body.

(1) The workers' compensation program payments of any county, district, district activity, or institution may include all payments required by any bureau of workers' compensation rating plan.

(2) The workers' compensation program payments of any county, district, district activity, or institution, except for a county board of developmental disabilities, a board of alcohol, drug addiction, and mental health services, a board of mental health services, and a board of alcohol and drug addiction services, also may include any of the following:

(a) Direct administrative costs incurred in the management of the county, district, district activity, or institution's workers' compensation program;

(b) Indirect costs that are necessary and reasonable for the proper and efficient administration of the workers' compensation program as documented in a cost allocation plan. The indirect cost plan shall conform to the United States office of management and budget circular A-87 "cost principles for state and local governments," 2 C.F.R. 225, as most recently amended on May 10, 2004. The plan shall not authorize payment from the fund of any general government expense required to carry out the overall governmental responsibilities.

(3) Within sixty days before a legislative body changes the method used for calculating the proportionate amount of the payments chargeable to the fund, it shall notify, consult with, and give information supporting the change to any elected official affected by the change. A transfer made pursuant to division (B)(2) of this section is not subject to section 5705.16 of the Revised Code.

(D) Any county board of developmental disabilities, board of alcohol, drug addiction, and mental health services, board of mental health services, or board of alcohol and drug addiction services whose workers' compensation payments, on or before ~~the effective date of this section~~ September 28, 2012, includes costs referred to in division (C)(2) of this section may continue to do so on and after ~~the effective date of this amendment~~ September 28, 2012.

(E) The bureau may investigate the correctness of the information provided by the county auditor and chief fiscal officer under division (B) of this section, and if the bureau determines at any time that the county, district, district activity, or institution has not reported the correct information, the administrator of workers' compensation may make deductions or additions as the facts warrant and take those facts into consideration in determining the current or future contributions to be made by the county, district, district activity, or institution. If the county, district, district activity, or institution does not furnish the report in the time required by this section, the administrator may fix the amount of contribution the county, district, district activity, or institution must make and certify that amount for payment.

(F) The administrator shall provide a discount to any county, district, district activity, or institution that pays its total amount due to the public insurance fund on or before the fifteenth

day of May of each year as its proper contribution for premiums. 84276
The administrator shall base the discount provided under this 84277
division on the savings generated by the early payment to the 84278
public insurance fund. The administrator may provide the discount 84279
through a refund to the county, district, district activity, or 84280
institution or an offset against the future contributions due to 84281
the public insurance fund from the county, district, district 84282
activity, or institution. 84283

(G) The administrator may impose an interest penalty for late 84284
payment of any amount due from a county, district, district 84285
activity, and institution at the interest rate established by the 84286
state tax commissioner pursuant to section 5703.47 of the Revised 84287
Code. 84288

(H) If the administrator adopts rules for the prospective 84289
payment of premium as permitted under section 4123.322 of the 84290
Revised Code, every employer mentioned in division (B)(1) of 84291
section 4123.01 of the Revised Code, except for a state agency or 84292
a state university or college as defined in section 4123.32 of the 84293
Revised Code, shall pay into the state insurance fund the amount 84294
of premium the administrator fixes for the employment or 84295
occupation of the employer, the amount of which premium to be paid 84296
by each employer to be determined by the classifications, rules, 84297
and rates made and published by the administrator and based upon 84298
the estimates and reconciliations required by the rules the 84299
administrator adopts under section 4123.322 of the Revised Code. 84300

Sec. 4123.57. Partial disability compensation shall be paid 84301
as follows. 84302

Except as provided in this section, not earlier than 84303
twenty-six weeks after the date of termination of the latest 84304
period of payments under section 4123.56 of the Revised Code, or 84305
not earlier than twenty-six weeks after the date of the injury or 84306

contraction of an occupational disease in the absence of payments 84307
under section 4123.56 of the Revised Code, the employee may file 84308
an application with the bureau of workers' compensation for the 84309
determination of the percentage of the employee's permanent 84310
partial disability resulting from an injury or occupational 84311
disease. 84312

Whenever the application is filed, the bureau shall send a 84313
copy of the application to the employee's employer or the 84314
employer's representative and shall schedule the employee for a 84315
medical examination by the bureau medical section. The bureau 84316
shall send a copy of the report of the medical examination to the 84317
employee, the employer, and their representatives. Thereafter, the 84318
administrator of workers' compensation shall review the employee's 84319
claim file and make a tentative order as the evidence before the 84320
administrator at the time of the making of the order warrants. If 84321
the administrator determines that there is a conflict of evidence, 84322
the administrator shall send the application, along with the 84323
claimant's file, to the district hearing officer who shall set the 84324
application for a hearing. 84325

The administrator shall notify the employee, the employer, 84326
and their representatives, in writing, of the tentative order and 84327
of the parties' right to request a hearing. Unless the employee, 84328
the employer, or their representative notifies the administrator, 84329
in writing, of an objection to the tentative order within twenty 84330
days after receipt of the notice thereof, the tentative order 84331
shall go into effect and the employee shall receive the 84332
compensation provided in the order. In no event shall there be a 84333
reconsideration of a tentative order issued under this division. 84334

If the employee, the employer, or their representatives 84335
timely notify the administrator of an objection to the tentative 84336
order, the matter shall be referred to a district hearing officer 84337
who shall set the application for hearing with written notices to 84338

all interested persons. Upon referral to a district hearing officer, the employer may obtain a medical examination of the employee, pursuant to rules of the industrial commission.

(A) The district hearing officer, upon the application, shall determine the percentage of the employee's permanent disability, except as is subject to division (B) of this section, based upon that condition of the employee resulting from the injury or occupational disease and causing permanent impairment evidenced by medical or clinical findings reasonably demonstrable. The employee shall receive sixty-six and two-thirds per cent of the employee's average weekly wage, but not more than a maximum of thirty-three and one-third per cent of the statewide average weekly wage as defined in division (C) of section 4123.62 of the Revised Code, per week regardless of the average weekly wage, for the number of weeks which equals the percentage of two hundred weeks. Except on application for reconsideration, review, or modification, which is filed within ten days after the date of receipt of the decision of the district hearing officer, in no instance shall the former award be modified unless it is found from medical or clinical findings that the condition of the claimant resulting from the injury has so progressed as to have increased the percentage of permanent partial disability. A staff hearing officer shall hear an application for reconsideration filed and the staff hearing officer's decision is final. An employee may file an application for a subsequent determination of the percentage of the employee's permanent disability. If such an application is filed, the bureau shall send a copy of the application to the employer or the employer's representative. No sooner than sixty days from the date of the mailing of the application to the employer or the employer's representative, the administrator shall review the application. The administrator may require a medical examination or medical review of the employee. The administrator shall issue a tentative order based upon the evidence before the administrator,

provided that if the administrator requires a medical examination 84372
or medical review, the administrator shall not issue the tentative 84373
order until the completion of the examination or review. 84374

The employer may obtain a medical examination of the employee 84375
and may submit medical evidence at any stage of the process up to 84376
a hearing before the district hearing officer, pursuant to rules 84377
of the commission. The administrator shall notify the employee, 84378
the employer, and their representatives, in writing, of the nature 84379
and amount of any tentative order issued on an application 84380
requesting a subsequent determination of the percentage of an 84381
employee's permanent disability. An employee, employer, or their 84382
representatives may object to the tentative order within twenty 84383
days after the receipt of the notice thereof. If no timely 84384
objection is made, the tentative order shall go into effect. In no 84385
event shall there be a reconsideration of a tentative order issued 84386
under this division. If an objection is timely made, the 84387
application for a subsequent determination shall be referred to a 84388
district hearing officer who shall set the application for a 84389
hearing with written notice to all interested persons. No 84390
application for subsequent percentage determinations on the same 84391
claim for injury or occupational disease shall be accepted for 84392
review by the district hearing officer unless supported by 84393
substantial evidence of new and changed circumstances developing 84394
since the time of the hearing on the original or last 84395
determination. 84396

No award shall be made under this division based upon a 84397
percentage of disability which, when taken with all other 84398
percentages of permanent disability, exceeds one hundred per cent. 84399
If the percentage of the permanent disability of the employee 84400
equals or exceeds ninety per cent, compensation for permanent 84401
partial disability shall be paid for two hundred weeks. 84402

Compensation payable under this division accrues and is 84403

payable to the employee from the date of last payment of 84404
compensation, or, in cases where no previous compensation has been 84405
paid, from the date of the injury or the date of the diagnosis of 84406
the occupational disease. 84407

When an award under this division has been made prior to the 84408
death of an employee, all unpaid installments accrued or to accrue 84409
under the provisions of the award are payable to the surviving 84410
spouse, or if there is no surviving spouse, to the dependent 84411
children of the employee, and if there are no children surviving, 84412
then to other dependents as the administrator determines. 84413

(B) For purposes of this division, "payable per week" means 84414
the seven-consecutive-day period in which compensation is paid in 84415
installments according to the schedule associated with the 84416
applicable injury as set forth in this division. 84417

Compensation paid in weekly installments according to the 84418
schedule described in this division may only be commuted to one or 84419
more ~~lump sum~~ lump sum payments pursuant to the procedure set 84420
forth in section 4123.64 of the Revised Code. 84421

In cases included in the following schedule the compensation 84422
payable per week to the employee is the statewide average weekly 84423
wage as defined in division (C) of section 4123.62 of the Revised 84424
Code per week and shall be paid in installments according to the 84425
following schedule: 84426

For the loss of a first finger, commonly known as a thumb, 84427
sixty weeks. 84428

For the loss of a second finger, commonly called index 84429
finger, thirty-five weeks. 84430

For the loss of a third finger, thirty weeks. 84431

For the loss of a fourth finger, twenty weeks. 84432

For the loss of a fifth finger, commonly known as the little 84433

finger, fifteen weeks. 84434

The loss of a second, or distal, phalange of the thumb is 84435
considered equal to the loss of one half of such thumb; the loss 84436
of more than one half of such thumb is considered equal to the 84437
loss of the whole thumb. 84438

The loss of the third, or distal, phalange of any finger is 84439
considered equal to the loss of one-third of the finger. 84440

The loss of the middle, or second, phalange of any finger is 84441
considered equal to the loss of two-thirds of the finger. 84442

The loss of more than the middle and distal phalanges of any 84443
finger is considered equal to the loss of the whole finger. In no 84444
case shall the amount received for more than one finger exceed the 84445
amount provided in this schedule for the loss of a hand. 84446

For the loss of the metacarpal bone (bones of the palm) for 84447
the corresponding thumb, or fingers, add ten weeks to the number 84448
of weeks under this division. 84449

For ankylosis (total stiffness of) or contractures (due to 84450
scars or injuries) which makes any of the fingers, thumbs, or 84451
parts of either useless, the same number of weeks apply to the 84452
members or parts thereof as given for the loss thereof. 84453

If the claimant has suffered the loss of two or more fingers 84454
by amputation or ankylosis and the nature of the claimant's 84455
employment in the course of which the claimant was working at the 84456
time of the injury or occupational disease is such that the 84457
handicap or disability resulting from the loss of fingers, or loss 84458
of use of fingers, exceeds the normal handicap or disability 84459
resulting from the loss of fingers, or loss of use of fingers, the 84460
administrator may take that fact into consideration and increase 84461
the award of compensation accordingly, but the award made shall 84462
not exceed the amount of compensation for loss of a hand. 84463

For the loss of a hand, one hundred seventy-five weeks.	84464
For the loss of an arm, two hundred twenty-five weeks.	84465
For the loss of a great toe, thirty weeks.	84466
For the loss of one of the toes other than the great toe, ten weeks.	84467 84468
The loss of more than two-thirds of any toe is considered equal to the loss of the whole toe.	84469 84470
The loss of less than two-thirds of any toe is considered no loss, except as to the great toe; the loss of the great toe up to the interphalangeal joint is co-equal to the loss of one-half of the great toe; the loss of the great toe beyond the interphalangeal joint is considered equal to the loss of the whole great toe.	84471 84472 84473 84474 84475 84476
For the loss of a foot, one hundred fifty weeks.	84477
For the loss of a leg, two hundred weeks.	84478
For the loss of the sight of an eye, one hundred twenty-five weeks.	84479 84480
For the permanent partial loss of sight of an eye, the portion of one hundred twenty-five weeks as the administrator in each case determines, based upon the percentage of vision actually lost as a result of the injury or occupational disease, but, in no case shall an award of compensation be made for less than twenty-five per cent loss of uncorrected vision. "Loss of uncorrected vision" means the percentage of vision actually lost as the result of the injury or occupational disease.	84481 84482 84483 84484 84485 84486 84487 84488
For the permanent and total loss of hearing of one ear, twenty-five weeks; but in no case shall an award of compensation be made for less than permanent and total loss of hearing of one ear.	84489 84490 84491 84492
For the permanent and total loss of hearing, one hundred	84493

twenty-five weeks; but, except pursuant to the next preceding 84494
paragraph, in no case shall an award of compensation be made for 84495
less than permanent and total loss of hearing. 84496

In case an injury or occupational disease results in serious 84497
facial or head disfigurement which either impairs or may in the 84498
future impair the opportunities to secure or retain employment, 84499
the administrator shall make an award of compensation as it deems 84500
proper and equitable, in view of the nature of the disfigurement, 84501

administrator's determination. 84505

When an award under this division has been made prior to the 84506

which the exposure to smoke, toxic gases, chemical fumes, and 84609
other toxic vapors is not substantially less than the exposure in 84610
the occupation in which the firefighter or police officer was 84611
formerly employed or for any period during which the firefighter 84612
or police officer may be entitled to receive compensation or 84613
benefits under section 4123.68 of the Revised Code on account of 84614

factory, establishment, or premises located in this state, owned 84924
or operated by such employer, other than the factory, 84925
establishment, or premises at which the labor dispute exists, if 84926
it is shown that the individual is not financing, participating 84927
in, or directly interested in such labor dispute; 84928

(ii) The individual's employment was with an employer not 84929
involved in the labor dispute but whose place of business was 84930

located within the same premises as the employer engaged in the 84931
dispute, unless the individual's employer is a wholly owned 84932
subsidiary of the employer engaged in the dispute, or unless the 84933
individual actively participates in or voluntarily stops work 84934
because of such dispute. If it is established that the claimant 84935
was laid off for an indefinite period and not recalled to work 84936
prior to the dispute, or was separated by the employer prior to 84937
the dispute for reasons other than the labor dispute, or that the 84938
individual obtained a bona fide job with another employer while 84939
the dispute was still in progress, such labor dispute shall not 84940
render the employee ineligible for benefits. 84941

(b) The individual has been given a disciplinary layoff for 84942
misconduct in connection with the individual's work. 84943

(2) For the duration of the individual's unemployment if the 84944
director finds that: 84945

(a) The individual quit work without just cause or has been 84946
discharged for just cause in connection with the individual's 84947
work, provided division (D)(2) of this section does not apply to 84948
the separation of a person under any of the following 84949
circumstances: 84950

(i) Separation from employment for the purpose of entering 84951
the armed forces of the United States if the individual is 84952
inducted into the armed forces within one of the following 84953
periods: 84954

(I) Thirty days after separation; 84955

(II) One hundred eighty days after separation if the 84956
individual's date of induction is delayed solely at the discretion 84957
of the armed forces. 84958

(ii) Separation from employment pursuant to a 84959
labor-management contract or agreement, or pursuant to an 84960
established employer plan, program, or policy, which permits the 84961

employee, because of lack of work, to accept a separation from 84962
employment; 84963

(iii) The individual has left employment to accept a recall 84964
from a prior employer or, except as provided in division 84965
(D)(2)(a)(iv) of this section, to accept other employment as 84966
provided under section 4141.291 of the Revised Code, or left or 84967
was separated from employment that was concurrent employment at 84968
the time of the most recent separation or within six weeks prior 84969
to the most recent separation where the remuneration, hours, or 84970
other conditions of such concurrent employment were substantially 84971
less favorable than the individual's most recent employment and 84972
where such employment, if offered as new work, would be considered 84973
not suitable under the provisions of divisions (E) and (F) of this 84974
section. Any benefits that would otherwise be chargeable to the 84975
account of the employer from whom an individual has left 84976
employment or was separated from employment that was concurrent 84977
employment under conditions described in division (D)(2)(a)(iii) 84978
of this section, shall instead be charged to the mutualized 84979
account created by division (B) of section 4141.25 of the Revised 84980
Code, except that any benefits chargeable to the account of a 84981
reimbursing employer under division (D)(2)(a)(iii) of this section 84982
shall be charged to the account of the reimbursing employer and 84983
not to the mutualized account, except as provided in division 84984
(D)(2) of section 4141.24 of the Revised Code. 84985

(iv) When an individual has been issued a definite layoff 84986
date by the individual's employer and before the layoff date, the 84987
individual quits to accept other employment, the provisions of 84988
division (D)(2)(a)(iii) of this section apply and no 84989
disqualification shall be imposed under division (D) of this 84990
section. However, if the individual fails to meet the employment 84991
and earnings requirements of division (A)(2) of section 4141.291 84992
of the Revised Code, then the individual, pursuant to division 84993

(A)(5) of this section, shall be ineligible for benefits for any 84994
week of unemployment that occurs prior to the layoff date. 84995

(v) The individual's spouse is a member of the armed forces 84996
of the United States who is on active duty as defined in 10 U.S.C. 84997
101(d)(1), the spouse is the subject of a military transfer, the 84998
individual left employment to accompany the individual's spouse to 84999
a location from which it is impractical to commute to the 85000
individual's place of employment, and upon arrival at the new 85001
place of residence, the individual is in all respects able and 85002
available for suitable work. 85003

(b) The individual has refused without good cause to accept 85004
an offer of suitable work when made by an employer either in 85005
person or to the individual's last known address, or has refused 85006
or failed to investigate a referral to suitable work when directed 85007
to do so by a local employment office of this state or another 85008
state, provided that this division shall not cause a 85009
disqualification for a waiting week or benefits under the 85010
following circumstances: 85011

(i) When work is offered by the individual's employer and the 85012
individual is not required to accept the offer pursuant to the 85013
terms of the labor-management contract or agreement; or 85014

(ii) When the individual is attending a training course 85015
pursuant to division (A)(4) of this section except, in the event 85016
of a refusal to accept an offer of suitable work or a refusal or 85017
failure to investigate a referral, benefits thereafter paid to 85018
such individual shall not be charged to the account of any 85019
employer and, except as provided in division (B)(1)(b) of section 85020
4141.241 of the Revised Code, shall be charged to the mutualized 85021
account as provided in division (B) of section 4141.25 of the 85022
Revised Code. 85023

(c) Such individual quit work to marry or because of marital, 85024

parental, filial, or other domestic obligations. 85025

(d) The individual became unemployed by reason of commitment 85026
to any correctional institution. 85027

(e) The individual became unemployed because of dishonesty in 85028
connection with the individual's most recent or any base period 85029
work. Remuneration earned in such work shall be excluded from the 85030
individual's total base period remuneration and qualifying weeks 85031
that otherwise would be credited to the individual for such work 85032
in the individual's base period shall not be credited for the 85033
purpose of determining the total benefits to which the individual 85034
is eligible and the weekly benefit amount to be paid under section 85035
4141.30 of the Revised Code. Such excluded remuneration and 85036
noncredited qualifying weeks shall be excluded from the 85037
calculation of the maximum amount to be charged, under division 85038
(D) of section 4141.24 and section 4141.33 of the Revised Code, 85039
against the accounts of the individual's base period employers. In 85040
addition, no benefits shall thereafter be paid to the individual 85041
based upon such excluded remuneration or noncredited qualifying 85042
weeks. 85043

For purposes of division (D)(2)(e) of this section, 85044
"dishonesty" means the commission of substantive theft, fraud, or 85045
deceitful acts. 85046

(E) No individual otherwise qualified to receive benefits 85047
shall lose the right to benefits by reason of a refusal to accept 85048
new work if: 85049

(1) As a condition of being so employed the individual would 85050
be required to join a company union, or to resign from or refrain 85051
from joining any bona fide labor organization, or would be denied 85052
the right to retain membership in and observe the lawful rules of 85053
any such organization. 85054

(2) The position offered is vacant due directly to a strike, 85055

lockout, or other labor dispute. 85056

(3) The work is at an unreasonable distance from the 85057
individual's residence, having regard to the character of the work 85058
the individual has been accustomed to do, and travel to the place 85059
of work involves expenses substantially greater than that required 85060
for the individual's former work, unless the expense is provided 85061
for. 85062

(4) The remuneration, hours, or other conditions of the work 85063
offered are substantially less favorable to the individual than 85064
those prevailing for similar work in the locality. 85065

(F) Subject to the special exceptions contained in division 85066
(A)(4)(f) of this section and section 4141.301 of the Revised 85067
Code, in determining whether any work is suitable for a claimant 85068
in the administration of this chapter, the director, in addition 85069
to the determination required under division (E) of this section, 85070
shall consider the degree of risk to the claimant's health, 85071
safety, and morals, the individual's physical fitness for the 85072
work, the individual's prior training and experience, the length 85073
of the individual's unemployment, the distance of the available 85074
work from the individual's residence, and the individual's 85075
prospects for obtaining local work. 85076

(G) The "duration of unemployment" as used in this section 85077
means the full period of unemployment next ensuing after a 85078
separation from any base period or subsequent work and until an 85079
individual has become reemployed in employment subject to this 85080
chapter, or the unemployment compensation act of another state, or 85081
of the United States, and until such individual has worked six 85082
weeks and for those weeks has earned or been paid remuneration 85083
equal to six times an average weekly wage of not less than: 85084
eighty-five dollars and ten cents per week beginning on June 26, 85085
1990; and beginning on and after January 1, 1992, twenty-seven and 85086
one-half per cent of the statewide average weekly wage as computed 85087

each first day of January under division (B)(3) of section 4141.30 85088
of the Revised Code, rounded down to the nearest dollar, except 85089
for purposes of division (D)(2)(c) of this section, such term 85090
means the full period of unemployment next ensuing after a 85091
separation from such work and until such individual has become 85092
reemployed subject to the terms set forth above, and has earned 85093
wages equal to one-half of the individual's average weekly wage or 85094
sixty dollars, whichever is less. 85095

(H) If a claimant is disqualified under division (D)(2)(a), 85096
(c), or (d) of this section or found to be qualified under the 85097
exceptions provided in division (D)(2)(a)(i), (iii), ~~or~~ (iv), or 85098
(v) of this section or division (A)(2) of section 4141.291 of the 85099
Revised Code, then benefits that may become payable to such 85100
claimant, which are chargeable to the account of the employer from 85101
whom the individual was separated under such conditions, shall be 85102
charged to the mutualized account provided in section 4141.25 of 85103
the Revised Code, provided that no charge shall be made to the 85104
mutualized account for benefits chargeable to a reimbursing 85105
employer, except as provided in division (D)(2) of section 4141.24 85106
of the Revised Code. In the case of a reimbursing employer, the 85107
director shall refund or credit to the account of the reimbursing 85108
employer any over-paid benefits that are recovered under division 85109
(B) of section 4141.35 of the Revised Code. Amounts chargeable to 85110
other states, the United States, or Canada that are subject to 85111
agreements and arrangements that are established pursuant to 85112
section 4141.43 of the Revised Code shall be credited or 85113
reimbursed according to the agreements and arrangements to which 85114
the chargeable amounts are subject. 85115

(I)(1) Benefits based on service in employment as provided in 85116
divisions (B)(2)(a) and (b) of section 4141.01 of the Revised Code 85117
shall be payable in the same amount, on the same terms, and 85118
subject to the same conditions as benefits payable on the basis of 85119

other service subject to this chapter; except that after December 31, 1977: 85120
85121

(a) Benefits based on service in an instructional, research, or principal administrative capacity in an institution of higher education, as defined in division (Y) of section 4141.01 of the Revised Code; or for an educational institution as defined in division (CC) of section 4141.01 of the Revised Code, shall not be paid to any individual for any week of unemployment that begins during the period between two successive academic years or terms, or during a similar period between two regular but not successive terms or during a period of paid sabbatical leave provided for in the individual's contract, if the individual performs such services in the first of those academic years or terms and has a contract or a reasonable assurance that the individual will perform services in any such capacity for any such institution in the second of those academic years or terms. 85122
85123
85124
85125
85126
85127
85128
85129
85130
85131
85132
85133
85134
85135

(b) Benefits based on service for an educational institution or an institution of higher education in other than an instructional, research, or principal administrative capacity, shall not be paid to any individual for any week of unemployment which begins during the period between two successive academic years or terms of the employing educational institution or institution of higher education, provided the individual performed those services for the educational institution or institution of higher education during the first such academic year or term and, there is a reasonable assurance that such individual will perform those services for any educational institution or institution of higher education in the second of such academic years or terms. 85136
85137

85141
85142
85143
85144
85145
85146
85147

If compensation is denied to any individual for any week under division (I)(1)(b) of this section and the individual was not offered an opportunity to perform those services for an institution of higher education or for an educational institution 85148
85149
85150
85151

for the second of such academic years or terms, the individual is 85152
entitled to a retroactive payment of compensation for each week 85153
for which the individual timely filed a claim for compensation and 85154
for which compensation was denied solely by reason of division 85155
(I)(1)(b) of this section. An application for retroactive benefits 85156
shall be timely filed if received by the director or the 85157
director's deputy within or prior to the end of the fourth full 85158
calendar week after the end of the period for which benefits were 85159
denied because of reasonable assurance of employment. The 85160
provision for the payment of retroactive benefits under division 85161
(I)(1)(b) of this section is applicable to weeks of unemployment 85162
beginning on and after November 18, 1983. The provisions under 85163
division (I)(1)(b) of this section shall be retroactive to 85164
September 5, 1982, only if, as a condition for full tax credit 85165
against the tax imposed by the "Federal Unemployment Tax Act," 53 85166
Stat. 183 (1939), 26 U.S.C.A. 3301 to 3311, the United States 85167
secretary of labor determines that retroactivity is required by 85168
federal law. 85169

(c) With respect to weeks of unemployment beginning after 85170
December 31, 1977, benefits shall be denied to any individual for 85171
any week which commences during an established and customary 85172
vacation period or holiday recess, if the individual performs any 85173
services described in divisions (I)(1)(a) and (b) of this section 85174
in the period immediately before the vacation period or holiday 85175
recess, and there is a reasonable assurance that the individual 85176
will perform any such services in the period immediately following 85177
the vacation period or holiday recess. 85178

(d) With respect to any services described in division 85179
(I)(1)(a), (b), or (c) of this section, benefits payable on the 85180
basis of services in any such capacity shall be denied as 85181
specified in division (I)(1)(a), (b), or (c) of this section to 85182
any individual who performs such services in an educational 85183

institution or institution of higher education while in the employ 85184
of an educational service agency. For this purpose, the term 85185
"educational service agency" means a governmental agency or 85186
governmental entity that is established and operated exclusively 85187
for the purpose of providing services to one or more educational 85188
institutions or one or more institutions of higher education. 85189

(e) Any individual employed by a county board of 85190
developmental disabilities shall be notified by the thirtieth day 85191

following academic year. 85193

(f) Any individual employed by a school district, other than 85194
a municipal school district as defined in section 3311.71 of the 85195
Revised Code, shall be notified by the first day of June each year 85196
if the individual is not to be reemployed the following academic 85197
year. 85198

(2) No disqualification will be imposed, between academic 85199
years or terms or during a vacation period or holiday recess under 85200
this division, unless the director or the director's deputy has 85201
received a statement in writing from the educational institution 85202
or institution of higher education that the claimant has a 85203
contract for, or a reasonable assurance of, reemployment for the 85204
ensuing academic year or term. 85205

(3) If an individual has employment with an educational 85206
institution or an institution of higher education and employment 85207
with a noneducational employer, during the base period of the 85208
individual's benefit year, then the individual may become eligible 85209
for benefits during the between-term, or vacation or holiday 85210
recess, disqualification period, based on employment performed for 85211
the noneducational employer, provided that the employment is 85212
sufficient to qualify the individual for benefit rights separately 85213
from the benefit rights based on school employment. The weekly 85214
benefit amount and maximum benefits payable during a 85215

disqualification period shall be computed based solely on the 85216
nonschool employment. 85217

(J) Benefits shall not be paid on the basis of employment 85218
performed by an alien, unless the alien had been lawfully admitted 85219
to the United States for permanent residence at the time the 85220
services were performed, was lawfully present for purposes of 85221
performing the services, or was otherwise permanently residing in 85222
the United States under color of law at the time the services were 85223

Nationality Act," 66 Stat. 163, 8 U.S.C.A. 1101: 85225

(1) Any data or information required of individuals applying 85226
for benefits to determine whether benefits are not payable to them 85227
because of their alien status shall be uniformly required from all 85228
applicants for benefits. 85229

(2) In the case of an individual whose application for 85230
benefits would otherwise be approved, no determination that 85231
benefits to the individual are not payable because of the 85232
individual's alien status shall be made except upon a 85233
preponderance of the evidence that the individual had not, in 85234
fact, been lawfully admitted to the United States. 85235

(K) The director shall establish and utilize a system of 85236
profiling all new claimants under this chapter that: 85237

(1) Identifies which claimants will be likely to exhaust 85238
regular compensation and will need job search assistance services 85239
to make a successful transition to new employment; 85240

(2) Refers claimants identified pursuant to division (K)(1) 85241
of this section to reemployment services, such as job search 85242
assistance services, available under any state or federal law; 85243

(3) Collects follow-up information relating to the services 85244
received by such claimants and the employment outcomes for such 85245
claimant's subsequent to receiving such services and utilizes such 85246

information in making identifications pursuant to division (K)(1) 85247
of this section; and 85248

(4) Meets such other requirements as the United States 85249
secretary of labor determines are appropriate. 85250

The registrar also may remove a deputy who, in the opinion of the registrar, has engaged in any conduct that is either unbecoming to one representing this state or is inconsistent with the efficient operation of the deputy's office.

(b) If the registrar, with the approval of the director, determines that there is good cause to believe that a deputy registrar or a person proposing for a deputy registrar contract has engaged in any conduct that would require the denial or termination of the deputy registrar contract, the registrar may require the production of books, records, and papers as the registrar determines are necessary, and may take the depositions of witnesses residing within or outside the state in the same manner as is prescribed by law for the taking of depositions in civil actions in the court of common pleas, and for that purpose the registrar may issue a subpoena for any witness or a subpoena duces tecum to compel the production of any books, records, or papers, directed to the sheriff of the county where the witness resides or is found. Such a subpoena shall be served and returned in the same manner as a subpoena in a criminal case is served and returned. The fees of the sheriff shall be the same as that

shall be paid the fees and mileage provided for under section 87484
119.094 of the Revised Code. The fees and mileage shall be paid 87485
from the fund in the state treasury for the use of the agency in 87486
the same manner as other expenses of the agency are paid. 87487

on any person or the refusal of any witness to testify to any 87489
matter regarding which the witness lawfully may be interrogated, 87490
the court of common pleas of any county where the disobedience, 87491
neglect, or refusal occurs or any judge of that court, on 87492
application by the registrar, shall compel obedience by attachment 87493

requirements of a subpoena issued from that court, or a refusal to 87495
testify in that court. 87496

(4) Nothing in ~~this~~ division (E) of this section shall be 87497
construed to require a hearing of any nature prior to the 87498
termination of any deputy registrar contract by the registrar, 87499
with the approval of the director, for cause. 87500

(F) Except as provided in section 2743.03 of the Revised 87501

county, has jurisdiction of any action against the department of 87503
public safety, the director, the bureau, or the registrar to 87504
restrain the exercise of any power or authority, or to entertain 87505
any action for declaratory judgment, in the selection and 87506
appointment of, or contracting with, deputy registrars. Neither 87507
the department, the director, the bureau, nor the registrar is 87508
liable in any action at law for damages sustained by any person 87509
because of any acts of the department, the director, the bureau, 87510
or the registrar, or of any employee of the department or bureau, 87511
in the performance of official duties in the selection and 87512
appointment of, and contracting with, deputy registrars. 87513

series of numbers sufficient to supply the demand at all times in 87515
the area the deputy registrar serves, and the registrar shall keep 87516
a record in the registrar's office of the numbers within the 87517
series assigned. Each deputy shall be required to give bond in the 87518
amount of at least twenty-five thousand dollars, or in such higher 87519
amount as the registrar determines necessary, based on a uniform 87520
schedule of bond amounts established by the registrar and 87521
determined by the volume of registrations handled by the deputy. 87522
The form of the bond shall be prescribed by the registrar. The 87523
bonds required of deputy registrars, in the discretion of the 87524
registrar, may be individual or schedule bonds or may be included 87525
in any blanket bond coverage carried by the department. 87526

(H) Each deputy registrar shall keep a file of each 87527
application received by the deputy and shall register that motor 87528
vehicle with the name and address of its owner. 87529

(I) Upon request, a deputy registrar shall make the physical 87530
inspection of a motor vehicle and issue the physical inspection 87531
certificate required in section 4505.061 of the Revised Code. 87532

(J) Each deputy registrar shall file a report semiannually 87533
with the registrar of motor vehicles listing the number of 87534
applicants for licenses the deputy has served, the number of voter 87535
registration applications the deputy has completed and transmitted 87536
to the board of elections, and the number of voter registration 87537

foreclosure or other proceedings to take possession of the 87545

(B) If a board of county commissioners adopts a resolution 87556
granting a partial real property tax exemption under section 87557
323.158 of the Revised Code, it also shall adopt a resolution 87558
under this section granting a partial manufactured home tax 87559
exemption. The partial exemption shall take the form of a 87560
reduction each year in the manufactured home tax charged against 87561
each eligible manufactured home in the county under section 87562
4503.06 of the Revised Code, by the same percentage by which real 87563

resolution adopted under section 323.158 of the Revised Code. Upon 87565
adopting the resolution under this section, the board shall 87566

Upon receipt of the payment, the auditor shall distribute it among the various taxing districts in the county as though it had been levied and collected as manufactured home taxes. The board shall make the payment from the county general fund or from any other county revenue that may be used for that purpose.

ability to walk on a regular basis in a motor vehicle that has not 87617
been altered for the purpose of providing it with special 87618
equipment for use by ~~handicapped~~ persons with disabilities. This 87619
definition does not apply to division (J) of this section. 87620

walk is entitled to one additional placard, but only if the person 87644
applies separately for the additional placard, states the reasons 87645
why the additional placard is needed, and the registrar, in the 87646
registrar's discretion, determines that good and justifiable cause 87647
exists to approve the request for the additional placard. When a 87648
motor vehicle has been altered for the purpose of providing it 87649
with special equipment for a person with a disability that limits 87650

meets at least one of the criteria contained in division (A)(1) of 87665
this section. The health care provider shall state on the 87666
prescription the length of time the health care provider expects 87667
the applicant to have the disability that limits or impairs the 87668
applicant's ability to walk. The application for a removable 87669

windshield placard made by an organization shall be accompanied by 87670
such documentary evidence of regular transport of persons with 87671
disabilities that limit or impair the ability to walk by the 87672
organization as the registrar may require by rule and shall be 87673
completed in accordance with procedures that the registrar may 87674
require by rule. The application for registration of a motor 87675
vehicle that has been altered for the purpose of providing it with 87676
special equipment for a person with a disability that limits or 87677
impairs the ability to walk but is owned by someone other than 87678
such a person shall be accompanied by such documentary evidence of 87679
vehicle alterations as the registrar may require by rule. 87680

(C) When an organization, a person with a disability that 87681
limits or impairs the ability to walk, or a person who does not 87682
have a disability that limits or impairs the ability to walk but 87683

providing it with special equipment for a person with a disability 87685
that limits or impairs the ability to walk first submits an 87686
application for registration of a motor vehicle under this section 87687
and every fifth year thereafter, the organization or person shall 87688
submit a signed statement from the applicant's health care 87689
provider, a completed application, and any required documentary 87690
evidence of vehicle alterations as provided in division (B) of 87691
this section, and also a power of attorney from the owner of the 87692
motor vehicle if the applicant leases the vehicle. Upon submission 87693
of these items, the registrar or deputy registrar shall issue to 87694
the applicant appropriate vehicle registration and a set of 87695
license plates and validation stickers, or validation stickers 87696
alone when required by section 4503.191 of the Revised Code. In 87697
addition to the letters and numbers ordinarily inscribed thereon, 87698
the license plates shall be imprinted with the international 87699
symbol of access. The license plates and validation stickers shall 87700
be issued upon payment of the regular license fee as prescribed 87701
under section 4503.04 of the Revised Code and any motor vehicle 87702

tax levied under Chapter 4504. of the Revised Code, and the 87703
payment of a service fee equal to the amount specified in division 87704
(D) or (G) of section 4503.10 of the Revised Code. 87705

(D)(1) Upon receipt of a completed and signed application for 87706
a removable windshield placard, a prescription as described in 87707
division (B) of this section, documentary evidence of regular 87708
transport of persons with disabilities that limit or impair the 87709
ability to walk, if required, and payment of a service fee equal 87710
to the amount specified in division (D) or (G) of section 4503.10 87711
of the Revised Code, the registrar or deputy registrar shall issue 87712
to the applicant a removable windshield placard, which shall bear 87713
the date of expiration on both sides of the placard and shall be 87714
valid until expired, revoked, or surrendered. Every removable 87715
windshield placard expires as described in division (D)(2) of this 87716
section, but in no case shall a removable windshield placard be 87717
valid for a period of less than sixty days. Removable windshield 87718
placards shall be renewable upon application as provided in 87719
division (B) of this section, and a service fee equal to the 87720
amount specified in division (D) or (G) of section 4503.10 of the 87721
Revised Code shall be charged for the renewal of a removable 87722
windshield placard. The registrar shall provide the application 87723
form and shall determine the information to be included thereon. 87724
The registrar also shall determine the form and size of the 87725
removable windshield placard, the material of which it is to be 87726
made, and any other information to be included thereon, and shall 87727
adopt rules relating to the issuance, expiration, revocation, 87728
surrender, and proper display of such placards. Any placard issued 87729
after October 14, 1999, shall be manufactured in a manner that 87730
allows the expiration date of the placard to be indicated on it 87731
through the punching, drilling, boring, or creation by any other 87732
means of holes in the placard. 87733

(2) At the time a removable windshield placard is issued to a 87734

person with a disability that limits or impairs the ability to 87735
walk, the registrar or deputy registrar shall enter into the 87736
records of the bureau of motor vehicles the last date on which the 87737
person will have that disability, as indicated on the accompanying 87738
prescription. Not less than thirty days prior to that date and all 87739
removable windshield placard renewal dates, the bureau shall send 87740
a renewal notice to that person at the person's last known address 87741
as shown in the records of the bureau, informing the person that 87742
the person's removable windshield placard will expire on the 87743
indicated date not to exceed five years from the date of issuance, 87744
and that the person is required to renew the placard by submitting 87745
to the registrar or a deputy registrar another prescription, as 87746
described in division (B) of this section, and by complying with 87747
the renewal provisions prescribed in division (D)(1) of this 87748
section. If such a prescription is not received by the registrar 87749
or a deputy registrar by that date, the placard issued to that 87750
person expires and no longer is valid, and this fact shall be 87751
recorded in the records of the bureau. 87752

(3) At least once every year, on a date determined by the 87753
registrar, the bureau shall examine the records of the office of 87754
vital statistics, located within the department of health, that 87755
pertain to deceased persons, and also the bureau's records of all 87756
persons who have been issued removable windshield placards and 87757
temporary removable windshield placards. If the records of the 87758
office of vital statistics indicate that a person to whom a 87759
removable windshield placard or temporary removable windshield 87760
placard has been issued is deceased, the bureau shall cancel that 87761
placard, and note the cancellation in its records. 87762

The office of vital statistics shall make available to the 87763
bureau all information necessary to enable the bureau to comply 87764
with division (D)(3) of this section. 87765

(4) Nothing in this section shall be construed to require a 87766

person or organization to apply for a removable windshield placard 87767
or special license plates if the parking card or special license 87768
plates issued to the person or organization under prior law have 87769
not expired or been surrendered or revoked. 87770

(E)(1)(a) Any person with a disability that limits or impairs 87771
the ability to walk may apply to the registrar or a deputy 87772
registrar for a temporary removable windshield placard. The 87773
application for a temporary removable windshield placard shall be 87774
accompanied by a prescription from the applicant's health care 87775
provider prescribing such a placard for the applicant, provided 87776
that the applicant meets at least one of the criteria contained in 87777
division (A)(1) of this section and that the disability is 87778
expected to continue for six consecutive months or less. The 87779
health care provider shall state on the prescription the length of 87780
time the health care provider expects the applicant to have the 87781
disability that limits or impairs the applicant's ability to walk, 87782
which cannot exceed six months from the date of the prescription. 87783
Upon receipt of an application for a temporary removable 87784
windshield placard, presentation of the prescription from the 87785
applicant's health care provider, and payment of a service fee 87786
equal to the amount specified in division (D) or (G) of section 87787
4503.10 of the Revised Code, the registrar or deputy registrar 87788
shall issue to the applicant a temporary removable windshield 87789
placard. 87790

(b) Any active-duty member of the armed forces of the United 87791
States, including the reserve components of the armed forces and 87792
the national guard, who has an illness or injury that limits or 87793
impairs the ability to walk may apply to the registrar or a deputy 87794
registrar for a temporary removable windshield placard. With the 87795
application, the person shall present evidence of the person's 87796
active-duty status and the illness or injury. Evidence of the 87797
illness or injury may include a current department of defense 87798

convalescent leave statement, any department of defense document 87799
indicating that the person currently has an ill or injured 87800
casualty status or has limited duties, or a prescription from any 87801
health care provider prescribing the placard for the applicant. 87802
Upon receipt of the application and the necessary evidence, the 87803
registrar or deputy registrar shall issue the applicant the 87804
temporary removable windshield placard without the payment of any 87805
service fee. 87806

(2) The temporary removable windshield placard shall be of 87807
the same size and form as the removable windshield placard, shall 87808
be printed in white on a red-colored background, and shall bear 87809
the word "temporary" in letters of such size as the registrar 87810
shall prescribe. A temporary removable windshield placard also 87811
shall bear the date of expiration on the front and back of the 87812
placard, and shall be valid until expired, surrendered, or 87813
revoked, but in no case shall such a placard be valid for a period 87814
of less than sixty days. The registrar shall provide the 87815
application form and shall determine the information to be 87816
included on it, provided that the registrar shall not require a 87817
health care provider's prescription or certification for a person 87818
applying under division (E)(1)(b) of this section. The registrar 87819
also shall determine the material of which the temporary removable 87820
windshield placard is to be made and any other information to be 87821
included on the placard and shall adopt rules relating to the 87822
issuance, expiration, surrender, revocation, and proper display of 87823
those placards. Any temporary removable windshield placard issued 87824
after October 14, 1999, shall be manufactured in a manner that 87825
allows for the expiration date of the placard to be indicated on 87826
it through the punching, drilling, boring, or creation by any 87827
other means of holes in the placard. 87828

(F) If an applicant for a removable windshield placard is a 87829
veteran of the armed forces of the United States whose disability, 87830

as defined in division (A)(1) of this section, is 87831
service-connected, the registrar or deputy registrar, upon receipt 87832
of the application, presentation of a signed statement from the 87833
applicant's health care provider certifying the applicant's 87834
disability, and presentation of such documentary evidence from the 87835
department of veterans affairs that the disability of the 87836
applicant meets at least one of the criteria identified in 87837
division (A)(1) of this section and is service-connected as the 87838
registrar may require by rule, but without the payment of any 87839
service fee, shall issue the applicant a removable windshield 87840
placard that is valid until expired, surrendered, or revoked. 87841

(G) Upon a conviction of a violation of division (I), (J), or 87842
(K) of this section, the court shall report the conviction, and 87843
send the placard or parking card, if available, to the registrar, 87844
who thereupon shall revoke the privilege of using the placard or 87845
parking card and send notice in writing to the placardholder or 87846
cardholder at that holder's last known address as shown in the 87847
records of the bureau, and the placardholder or cardholder shall 87848
return the placard or card if not previously surrendered to the 87849
court, to the registrar within ten days following mailing of the 87850
notice. 87851

Whenever a person to whom a removable windshield placard or 87852
parking card has been issued moves to another state, the person 87853
shall surrender the placard or card to the registrar; and whenever 87854
an organization to which a placard or card has been issued changes 87855
its place of operation to another state, the organization shall 87856
surrender the placard or card to the registrar. 87857

windshield placard, temporary removable windshield placard, 87860

section is entitled to park the motor vehicle in any special 87862

parking location reserved for persons with disabilities that limit 87863
or impair the ability to walk, also known as handicapped parking 87864
spaces or disability parking spaces. 87865

(I) No person or organization that is not eligible under 87866
division (B) or (E) of this section shall willfully and falsely 87867
represent that the person or organization is so eligible. 87868

No person or organization shall display license plates issued 87869
under this section unless the license plates have been issued for 87870
the vehicle on which they are displayed and are valid. 87871

(J) No person or organization to which a removable windshield 87872
placard or temporary removable windshield placard is issued shall 87873
do either of the following: 87874

(1) Display or permit the display of the placard on any motor 87875
vehicle when having reasonable cause to believe the motor vehicle 87876
is being used in connection with an activity that does not include 87877
providing transportation for persons with disabilities that limit 87878
or impair the ability to walk; 87879

this section shall be analyzed in accordance with methods approved 89119
by the director of health by an individual possessing a valid 89120
permit issued by the director pursuant to section 3701.143 of the 89121
Revised Code. 89122

(c) As used in division (D)(1)(b) of this section, "emergency 89123
medical technician-intermediate" and "emergency medical 89124
technician-paramedic" have the same meanings as in section 4765.01 89125
of the Revised Code. 89126

(2) In a criminal prosecution or juvenile court proceeding 89127
for a violation of division (A) of this section or for an 89128
equivalent offense that is vehicle-related, if there was at the 89129
time the bodily substance was withdrawn a concentration of less 89130
than the applicable concentration of alcohol specified in 89131
divisions (A)(1)(b), (c), (d), and (e) of this section or less 89132
than the applicable concentration of a listed controlled substance 89133
or a listed metabolite of a controlled substance specified for a 89134
violation of division (A)(1)(j) of this section, that fact may be 89135
considered with other competent evidence in determining the guilt 89136
or innocence of the defendant. This division does not limit or 89137
affect a criminal prosecution or juvenile court proceeding for a 89138
violation of division (B) of this section or for an equivalent 89139
offense that is substantially equivalent to that division. 89140

(3) Upon the request of the person who was tested, the 89141
results of the chemical test shall be made available to the person 89142
or the person's attorney, immediately upon the completion of the 89143
chemical test analysis. 89144

If the chemical test was obtained pursuant to division 89145
(D)(1)(b) of this section, the person tested may have a physician, 89146
a registered nurse, or a qualified technician, chemist, or 89147
phlebotomist of the person's own choosing administer a chemical 89148
test or tests, at the person's expense, in addition to any 89149

person was under arrest as described in division (A)(5) of section 89151
4511.191 of the Revised Code, the arresting officer shall advise 89152
the person at the time of the arrest that the person may have an 89153
independent chemical test taken at the person's own expense. If 89154
the person was under arrest other than described in division 89155
(A)(5) of section 4511.191 of the Revised Code, the form to be 89156
read to the person to be tested, as required under section 89157
4511.192 of the Revised Code, shall state that the person may have 89158
an independent test performed at the person's expense. The failure 89159
or inability to obtain an additional chemical test by a person 89160
shall not preclude the admission of evidence relating to the 89161
chemical test or tests taken at the request of a law enforcement 89162
officer. 89163

(4)(a) As used in divisions (D)(4)(b) and (c) of this 89164
section, "national highway traffic safety administration" means 89165
the national highway traffic safety administration established as 89166

municipal ordinance relating to operating a vehicle while under 89171
the influence of alcohol, a drug of abuse, or alcohol and a drug 89172
of abuse, or of a municipal ordinance relating to operating a 89173
vehicle with a prohibited concentration of alcohol, a controlled 89174
substance, or a metabolite of a controlled substance in the whole 89175
blood, blood serum or plasma, breath, or urine, if a law 89176

enforcement officer has administered a field sobriety test to the operator of the vehicle involved in the violation and if it is shown by clear and convincing evidence that the officer administered the test in substantial compliance with the testing standards for any reliable, credible, and generally accepted field sobriety tests that were in effect at the time the tests were administered, including, but not limited to, any testing standards then in effect that were set by the national highway traffic safety administration, all of the following apply:

(i) The officer may testify concerning the results of the field sobriety test so administered.

(ii) The prosecution may introduce the results of the field sobriety test so administered as evidence in any proceedings in the criminal prosecution or juvenile court proceeding.

(iii) If testimony is presented or evidence is introduced under division (D)(4)(b)(i) or (ii) of this section and if the testimony or evidence is admissible under the Rules of Evidence, the court shall admit the testimony or evidence and the trier of fact shall give it whatever weight the trier of fact considers to be appropriate.

(c) Division (D)(4)(b) of this section does not limit or preclude a court, in its determination of whether the arrest of a person was supported by probable cause or its determination of any other matter in a criminal prosecution or juvenile court proceeding of a type described in that division, from considering evidence or testimony that is not otherwise disallowed by division (D)(4)(b) of this section.

(E)(1) Subject to division (E)(3) of this section, in any criminal prosecution or juvenile court proceeding for a violation of division (A)(1)(b), (c), (d), (e), (f), (g), (h), (i), or (j) or (B)(1), (2), (3), or (4) of this section or for an equivalent

divisions, a laboratory report from any laboratory personnel 89209

analysis as described in this division that contains an analysis 89211
of the whole blood, blood serum or plasma, breath, urine, or other 89212
bodily substance tested and that contains all of the information 89213
specified in this division shall be admitted as prima-facie 89214
evidence of the information and statements that the report 89215
contains. The laboratory report shall contain all of the 89216
following: 89217

(a) The signature, under oath, of any person who performed 89218
the analysis; 89219

(b) Any findings as to the identity and quantity of alcohol, 89220
a drug of abuse, a controlled substance, a metabolite of a 89221
controlled substance, or a combination of them that was found; 89222

(c) A copy of a notarized statement by the laboratory 89223
director or a designee of the director that contains the name of 89224

performer's regular duties; 89229

(d) An outline of the analyst's or test performer's 89230
education, training, and experience in performing the type of 89231
analysis involved and a certification that the laboratory 89232
satisfies appropriate quality control standards in general and, in 89233
this particular analysis, under rules of the department of health. 89234

(2) Notwithstanding any other provision of law regarding the 89235
admission of evidence, a report of the type described in division 89236
(E)(1) of this section is not admissible against the defendant to 89237
whom it pertains in any proceeding, other than a preliminary 89238

hearing or a grand jury proceeding, unless the prosecutor has 89239
served a copy of the report on the defendant's attorney or, if the 89240
defendant has no attorney, on the defendant. 89241

(3) A report of the type described in division (E)(1) of this 89242
section shall not be prima-facie evidence of the contents, 89243
identity, or amount of any substance if, within seven days after 89244
the defendant to whom the report pertains or the defendant's 89245
attorney receives a copy of the report, the defendant or the 89246
defendant's attorney demands the testimony of the person who 89247
signed the report. The judge in the case may extend the seven-day 89248
time limit in the interest of justice. 89249

(F) Except as otherwise provided in this division, any 89250

blood from a person pursuant to this section or section 4511.191 89254
or 4511.192 of the Revised Code, and any hospital, first-aid 89255

Revised Code, is immune from criminal liability and civil 89258
liability based upon a claim of assault and battery or any other 89259
claim that is not a claim of malpractice, for any act performed in 89260
withdrawing blood from the person. The immunity provided in this 89261
division also extends to an emergency medical service organization 89262
that employs an emergency medical technician-intermediate or 89263
emergency medical technician-paramedic who withdraws blood under 89264
this section. The immunity provided in this division is not 89265
available to a person who withdraws blood if the person engages in 89266
willful or wanton misconduct. 89267

As used in this division, "emergency medical 89268
technician-intermediate" and "emergency medical 89269
technician-paramedic" have the same meanings as in section 4765.01 89270

of the Revised Code. 89271

(G)(1) Whoever violates any provision of divisions (A)(1)(a) 89272
to (i) or (A)(2) of this section is guilty of operating a vehicle 89273

of them. Whoever violates division (A)(1)(j) of this section is 89275
guilty of operating a vehicle while under the influence of a 89276

otherwise authorized or required by divisions (G)(1)(a) to (e) of 89280
this section: 89281

(a) Except as otherwise provided in division (G)(1)(b), (c), 89282
(d), or (e) of this section, the offender is guilty of a 89283
misdemeanor of the first degree, and the court shall sentence the 89284
offender to all of the following: 89285

(i) If the sentence is being imposed for a violation of 89286
division (A)(1)(a), (b), (c), (d), (e), or (j) of this section, a 89287
mandatory jail term of three consecutive days. As used in this 89288
division, three consecutive days means seventy-two consecutive 89289
hours. The court may sentence an offender to both an intervention 89290
program and a jail term. The court may impose a jail term in 89291
addition to the three-day mandatory jail term or intervention 89292
program. However, in no case shall the cumulative jail term 89293
imposed for the offense exceed six months. 89294

The court may suspend the execution of the three-day jail 89295
term under this division if the court, in lieu of that suspended 89296
term, places the offender under a community control sanction 89297
pursuant to section 2929.25 of the Revised Code and requires the 89298
offender to attend, for three consecutive days, a drivers' 89299
intervention program certified under section ~~3793.10~~ 5119.38 of 89300
the Revised Code. The court also may suspend the execution of any 89301
part of the three-day jail term under this division if it places 89302

the offender under a community control sanction pursuant to 89303
section 2929.25 of the Revised Code for part of the three days, 89304
requires the offender to attend for the suspended part of the term 89305
a drivers' intervention program so certified, and sentences the 89306
offender to a jail term equal to the remainder of the three 89307
consecutive days that the offender does not spend attending the 89308
program. The court may require the offender, as a condition of 89309
community control and in addition to the required attendance at a 89310
drivers' intervention program, to attend and satisfactorily 89311
complete any treatment or education programs that comply with the 89312
minimum standards adopted pursuant to Chapter ~~3793.~~ 5119. of the 89313
Revised Code by the director of ~~alcohol and drug addiction~~ 89314
~~services~~ mental health and addiction services that the operators 89315

offender's progress in the programs. The court also may impose on 89318
the offender any other conditions of community control that it 89319
considers necessary. 89320

(ii) If the sentence is being imposed for a violation of 89321
division (A)(1)(f), (g), (h), or (i) or division (A)(2) of this 89322
section, except as otherwise provided in this division, a 89323
mandatory jail term of at least three consecutive days and a 89324
requirement that the offender attend, for three consecutive days, 89325
a drivers' intervention program that is certified pursuant to 89326
section ~~3793.10~~ 5119.38 of the Revised Code. As used in this 89327
division, three consecutive days means seventy-two consecutive 89328
hours. If the court determines that the offender is not conducive 89329
to treatment in a drivers' intervention program, if the offender 89330
refuses to attend a drivers' intervention program, or if the jail 89331
at which the offender is to serve the jail term imposed can 89332
provide a driver's intervention program, the court shall sentence 89333
the offender to a mandatory jail term of at least six consecutive 89334
days. 89335

The court may require the offender, under a community control 89336
sanction imposed under section 2929.25 of the Revised Code, to 89337
attend and satisfactorily complete any treatment or education 89338
programs that comply with the minimum standards adopted pursuant 89339
to Chapter ~~3793~~. 5119. of the Revised Code by the director of 89340
~~alcohol and drug addiction services~~ mental health and addiction

intervention program, that the operators of the drivers' 89342
intervention program determine that the offender should attend and 89343
to report periodically to the court on the offender's progress in 89344
the programs. The court also may impose any other conditions of 89345
community control on the offender that it considers necessary. 89346
89347

(iii) In all cases, a fine of not less than three hundred 89348
seventy-five and not more than one thousand seventy-five dollars; 89349

(iv) In all cases, a class five license suspension of the 89350
offender's driver's or commercial driver's license or permit or 89351
nonresident operating privilege from the range specified in 89352
division (A)(5) of section 4510.02 of the Revised Code. The court 89353
may grant limited driving privileges relative to the suspension 89354
under sections 4510.021 and 4510.13 of the Revised Code. 89355

(b) Except as otherwise provided in division (G)(1)(e) of 89356
this section, an offender who, within six years of the offense, 89357
previously has been convicted of or pleaded guilty to one 89358
violation of division (A) or (B) of this section or one other 89359
equivalent offense is guilty of a misdemeanor of the first degree. 89360
The court shall sentence the offender to all of the following: 89361

(i) If the sentence is being imposed for a violation of 89362
division (A)(1)(a), (b), (c), (d), (e), or (j) of this section, a 89363
mandatory jail term of ten consecutive days. The court shall 89364

alcohol monitoring, or with both electronic monitoring and 89369
continuous alcohol monitoring. The court may impose a jail term in 89370
addition to the ten-day mandatory jail term. The cumulative jail 89371
term imposed for the offense shall not exceed six months. 89372

In addition to the jail term or the term of house arrest with 89373
electronic monitoring or continuous alcohol monitoring or both 89374

section ~~3793.02~~ 5119.21 of the Revised Code, subject to division 89378
(I) of this section, and shall order the offender to follow the 89379
treatment recommendations of the ~~program~~ services provider. The 89380
purpose of the assessment is to determine the degree of the 89381
offender's alcohol usage and to determine whether or not treatment 89382
is warranted. Upon the request of the court, the ~~program~~ services 89383
provider shall submit the results of the assessment to the court, 89384
including all treatment recommendations and clinical diagnoses 89385
related to alcohol use. 89386

(ii) If the sentence is being imposed for a violation of 89387
division (A)(1)(f), (g), (h), or (i) or division (A)(2) of this 89388
section, except as otherwise provided in this division, a 89389
mandatory jail term of twenty consecutive days. The court shall 89390
impose the twenty-day mandatory jail term under this division 89391
unless, subject to division (G)(3) of this section, it instead 89392

continuous alcohol monitoring, or with both electronic monitoring 89395
and continuous alcohol monitoring. The court may impose a jail 89396
term in addition to the twenty-day mandatory jail term. The 89397
cumulative jail term imposed for the offense shall not exceed six 89398
months. 89399

In addition to the jail term or the term of house arrest with 89400
electronic monitoring or continuous alcohol monitoring or both 89401
types of monitoring and jail term, the court shall require the 89402
offender to be assessed by ~~an alcohol and drug treatment program~~ a 89403
community addiction service provider that is authorized by section 89404
~~3793.02~~ 5119.21 of the Revised Code, subject to division (I) of 89405
this section, and shall order the offender to follow the treatment 89406
recommendations of the ~~program~~ services provider. The purpose of 89407
the assessment is to determine the degree of the offender's 89408
alcohol usage and to determine whether or not treatment is 89409
warranted. Upon the request of the court, the ~~program~~ services 89410
provider shall submit the results of the assessment to the court, 89411
including all treatment recommendations and clinical diagnoses 89412
related to alcohol use. 89413

(iii) In all cases, notwithstanding the fines set forth in 89414
Chapter 2929. of the Revised Code, a fine of not less than five 89415
hundred twenty-five and not more than one thousand six hundred 89416

section 4510.02 of the Revised Code. The court may grant limited 89422
driving privileges relative to the suspension under sections 89423
4510.021 and 4510.13 of the Revised Code. 89424

(v) In all cases, if the vehicle is registered in the 89425
offender's name, immobilization of the vehicle involved in the 89426
offense for ninety days in accordance with section 4503.233 of the 89427

Notwithstanding the jail terms set forth in sections 2929.21 to 89446
2929.28 of the Revised Code, the additional jail term shall not 89447
exceed one year, and the cumulative jail term imposed for the 89448
offense shall not exceed one year. 89449

standards and specifications that are applicable to freeways that 90773
are part of the interstate system and that had ~~such~~ a speed limit 90774
established of fifty-five miles per hour immediately prior to 90775
~~October 1, 1995, unless a higher speed limit is established under~~ 90776
~~division (L) the effective date of this section amendment;~~ 90777

(14) ~~Sixty-five~~ Seventy miles per hour for operators of any 90778
motor vehicle weighing ~~eight thousand pounds or less empty weight~~ 90779
~~and any commercial bus~~ at all times on all portions of both of the 90780
following: 90781

(a) Freeways that are not part of the interstate system, but 90782
are built to the standards and specifications that are applicable 90783
to freeways that are part of the interstate system and that had 90784
~~such~~ a speed limit established of sixty-five miles per hour 90785
immediately prior to October 1, 1995 the effective date of this 90786
amendment; 90787

(b) ~~Freeways that are not part of the interstate system but~~ 90788
~~are built to the standards and specifications that are applicable~~ 90789

~~(c)~~ Rural, divided, multi-lane highways that are designated 90792
as part of the national highway system under the "National Highway 90793
System Designation Act of 1995," 109 Stat. 568, 23 U.S.C.A. 103, 90794
and that had ~~such~~ a speed limit established under division (M) of 90795
sixty-five miles per hour immediately prior to the effective date 90796
of this ~~section~~ amendment. 90797

(15) Fifty-five miles per hour for operators of any motor vehicle at all times on all portions of freeways in congested areas as determined by the director and that are part of the interstate system and are located within a municipal corporation or within an interstate freeway outerbelt;

(16) Sixty-five miles per hour for operators of any motor vehicle at all times on all portions of freeways in urban areas as determined by the director and that are part of the interstate system and are part of an interstate freeway outerbelt;

(17) Seventy miles per hour at all times on all portions of freeways that are part of the interstate system and are outside urbanized areas, as designated in accordance with 23 U.S.C. 101, for operators of all motor vehicles.

(C) It is prima-facie unlawful for any person to exceed any of the speed limitations in divisions (B)(1)(a), (2), (3), (4), (6), (7), and (8) of this section, or any declared or established pursuant to this section by the director or local authorities and it is unlawful for any person to exceed any of the speed limitations in division (D) of this section. No person shall be convicted of more than one violation of this section for the same conduct, although violations of more than one provision of this section may be charged in the alternative in a single affidavit.

(D) No person shall operate a motor vehicle, trackless trolley, or streetcar upon a street or highway as follows:

(1) At a speed exceeding fifty-five miles per hour, except upon a two-lane state route as provided in division (B)(9) of this section and upon a freeway as provided in divisions (B)~~(12)~~, (13), ~~(14)~~, (16), and (17) of this section;

(2) At a speed exceeding sixty miles per hour upon a two-lane state route as provided in division (B)(9) of this section ~~and upon a freeway as provided in divisions (B)(12) and (13) of this~~

section; 90829

(3) At a speed exceeding sixty-five miles per hour upon a 90830
freeway as provided in division (B)(16) of this section, except 90831
upon a freeway as provided in ~~division~~ divisions (B)(14) and (17) 90832
of this section; 90833

(4) At a speed exceeding seventy miles per hour upon a 90834
freeway as provided in ~~division~~ divisions (B)(14) and (17) of this 90835
section; 90836

(5) If a motor vehicle weighing in excess of eight thousand 90837
pounds empty weight or a noncommercial bus as prescribed in 90838
division (B)(~~11~~)(12) of this section, at a speed exceeding 90839
~~fifty-five~~ sixty miles per hour, except upon a freeway as provided 90840
in divisions (B)(14), (16), and (17) of this section; 90841

(6) At a speed exceeding the posted speed limit upon a 90842
freeway for which the director has determined and declared a speed 90843
limit of not more than sixty-five miles per hour pursuant to 90844
division (L)(2) or (M) of this section; 90845

(7) At a speed exceeding sixty-five miles per hour upon a 90846
freeway for which such a speed limit has been established through 90847
the operation of division (L)(3) of this section; 90848

(8) At a speed exceeding the posted speed limit upon a 90849
freeway for which the director has determined and declared a speed 90850
limit pursuant to division (I)(2) of this section. 90851

(E) In every charge of violation of this section the 90852
affidavit and warrant shall specify the time, place, and speed at 90853
which the defendant is alleged to have driven, and in charges made 90854
in reliance upon division (C) of this section also the speed which 90855
division (B)(1)(a), (2), (3), (4), (6), (7), or (8) of, or a limit 90856
declared or established pursuant to, this section declares is 90857
prima-facie lawful at the time and place of such alleged 90858
violation, except that in affidavits where a person is alleged to 90859

have driven at a greater speed than will permit the person to 90860
bring the vehicle to a stop within the assured clear distance 90861
ahead the affidavit and warrant need not specify the speed at 90862
which the defendant is alleged to have driven. 90863

(F) When a speed in excess of both a prima-facie limitation 90864
and a limitation in division (D) of this section is alleged, the 90865
defendant shall be charged in a single affidavit, alleging a 90866
single act, with a violation indicated of both division (B)(1)(a), 90867
(2), (3), (4), (6), (7), or (8) of this section, or of a limit 90868
declared or established pursuant to this section by the director 90869
or local authorities, and of the limitation in division (D) of 90870
this section. If the court finds a violation of division 90871
(B)(1)(a), (2), (3), (4), (6), (7), or (8) of, or a limit declared 90872
or established pursuant to, this section has occurred, it shall 90873
enter a judgment of conviction under such division and dismiss the 90874
charge under division (D) of this section. If it finds no 90875
violation of division (B)(1)(a), (2), (3), (4), (6), (7), or (8) 90876
of, or a limit declared or established pursuant to, this section, 90877
it shall then consider whether the evidence supports a conviction 90878
under division (D) of this section. 90879

(G) Points shall be assessed for violation of a limitation 90880
under division (D) of this section in accordance with section 90881
4510.036 of the Revised Code. 90882

(H)(1) Whenever the director determines upon the basis of a 90883
geometric and traffic characteristic study that any speed limit 90884
set forth in divisions (B)(1)(a) to (D) of this section is greater 90885
or less than is reasonable or safe under the conditions found to 90886
exist at any portion of a street or highway under the jurisdiction 90887
of the director, the director shall determine and declare a 90888
reasonable and safe prima-facie speed limit, which shall be 90889
effective when appropriate signs giving notice of it are erected 90890
at the location. 90891

(2) Whenever the director determines upon the basis of a geometric and traffic characteristic study that the speed limit of fifty-five miles per hour on a two-lane state route outside a municipal corporation is less than is reasonable or safe under the conditions found to exist at that portion of the state route, the director may determine and declare a speed limit of sixty miles per hour for that portion of the state route, which shall be effective when appropriate signs giving notice of it are erected at the location.

(I)(1) Except as provided in divisions (I)(2) and (K) of this section, whenever local authorities determine upon the basis of an engineering and traffic investigation that the speed permitted by divisions (B)(1)(a) to (D) of this section, on any part of a highway under their jurisdiction, is greater than is reasonable and safe under the conditions found to exist at such location, the local authorities may by resolution request the director to determine and declare a reasonable and safe prima-facie speed limit. Upon receipt of such request the director may determine and declare a reasonable and safe prima-facie speed limit at such location, and if the director does so, then such declared speed limit shall become effective only when appropriate signs giving notice thereof are erected at such location by the local authorities. The director may withdraw the declaration of a prima-facie speed limit whenever in the director's opinion the altered prima-facie speed becomes unreasonable. Upon such withdrawal, the declared prima-facie speed shall become ineffective and the signs relating thereto shall be immediately removed by the local authorities.

(2) A local authority may determine on the basis of a geometric and traffic characteristic study that the speed limit of sixty-five miles per hour on a portion of a freeway under its jurisdiction that was established through the operation of

division (L)(3) of this section is greater than is reasonable or 90924
safe under the conditions found to exist at that portion of the 90925
freeway. If the local authority makes such a determination, the 90926
local authority by resolution may request the director to 90927
determine and declare a reasonable and safe speed limit of not 90928
less than fifty-five miles per hour for that portion of the 90929
freeway. If the director takes such action, the declared speed 90930
limit becomes effective only when appropriate signs giving notice 90931
of it are erected at such location by the local authority. 90932

(J) Local authorities in their respective jurisdictions may 90933
authorize by ordinance higher prima-facie speeds than those stated 90934
in this section upon through highways, or upon highways or 90935
portions thereof where there are no intersections, or between 90936
widely spaced intersections, provided signs are erected giving 90937
notice of the authorized speed, but local authorities shall not 90938
modify or alter the basic rule set forth in division (A) of this 90939
section or in any event authorize by ordinance a speed in excess 90940
of fifty miles per hour. 90941

Alteration of prima-facie limits on state routes by local 90942
authorities shall not be effective until the alteration has been 90943
approved by the director. The director may withdraw approval of 90944
any altered prima-facie speed limits whenever in the director's 90945
opinion any altered prima-facie speed becomes unreasonable, and 90946
upon such withdrawal, the altered prima-facie speed shall become 90947
ineffective and the signs relating thereto shall be immediately 90948
removed by the local authorities. 90949

(K)(1) As used in divisions (K)(1), (2), (3), and (4) of this 90950
section, "unimproved highway" means a highway consisting of any of 90951
the following: 90952

(a) Unimproved earth; 90953

(b) Unimproved graded and drained earth; 90954

(c) Gravel. 90955

(2) Except as otherwise provided in divisions (K)(4) and (5) 90956
of this section, whenever a board of township trustees determines 90957
upon the basis of an engineering and traffic investigation that 90958
the speed permitted by division (B)(5) of this section on any part 90959
of an unimproved highway under its jurisdiction and in the 90960
unincorporated territory of the township is greater than is 90961
reasonable or safe under the conditions found to exist at the 90962
location, the board may by resolution declare a reasonable and 90963
safe prima-facie speed limit of fifty-five but not less than 90964
twenty-five miles per hour. An altered speed limit adopted by a 90965
board of township trustees under this division becomes effective 90966
when appropriate traffic control devices, as prescribed in section 90967
4511.11 of the Revised Code, giving notice thereof are erected at 90968
the location, which shall be no sooner than sixty days after 90969
adoption of the resolution. 90970

(3)(a) Whenever, in the opinion of a board of township 90971
trustees, any altered prima-facie speed limit established by the 90972
board under this division becomes unreasonable, the board may 90973
adopt a resolution withdrawing the altered prima-facie speed 90974
limit. Upon the adoption of such a resolution, the altered 90975
prima-facie speed limit becomes ineffective and the traffic 90976
control devices relating thereto shall be immediately removed. 90977

(b) Whenever a highway ceases to be an unimproved highway and 90978
the board has adopted an altered prima-facie speed limit pursuant 90979
to division (K)(2) of this section, the board shall, by 90980
resolution, withdraw the altered prima-facie speed limit as soon 90981
as the highway ceases to be unimproved. Upon the adoption of such 90982
a resolution, the altered prima-facie speed limit becomes 90983
ineffective and the traffic control devices relating thereto shall 90984
be immediately removed. 90985

(4)(a) If the boundary of two townships rests on the 90986

centerline of an unimproved highway in unincorporated territory 90987
and both townships have jurisdiction over the highway, neither of 90988
the boards of township trustees of such townships may declare an 90989
altered prima-facie speed limit pursuant to division (K)(2) of 90990
this section on the part of the highway under their joint 90991
jurisdiction unless the boards of township trustees of both of the 90992
townships determine, upon the basis of an engineering and traffic 90993
investigation, that the speed permitted by division (B)(5) of this 90994
section is greater than is reasonable or safe under the conditions 90995
found to exist at the location and both boards agree upon a 90996
reasonable and safe prima-facie speed limit of less than 90997
fifty-five but not less than twenty-five miles per hour for that 90998
location. If both boards so agree, each shall follow the procedure 90999
specified in division (K)(2) of this section for altering the 91000
prima-facie speed limit on the highway. Except as otherwise 91001
provided in division (K)(4)(b) of this section, no speed limit 91002
altered pursuant to division (K)(4)(a) of this section may be 91003
withdrawn unless the boards of township trustees of both townships 91004
determine that the altered prima-facie speed limit previously 91005
adopted becomes unreasonable and each board adopts a resolution 91006
withdrawing the altered prima-facie speed limit pursuant to the 91007
procedure specified in division (K)(3)(a) of this section. 91008

(b) Whenever a highway described in division (K)(4)(a) of 91009
this section ceases to be an unimproved highway and two boards of 91010
township trustees have adopted an altered prima-facie speed limit 91011
pursuant to division (K)(4)(a) of this section, both boards shall, 91012
by resolution, withdraw the altered prima-facie speed limit as 91013
soon as the highway ceases to be unimproved. Upon the adoption of 91014
the resolution, the altered prima-facie speed limit becomes 91015
ineffective and the traffic control devices relating thereto shall 91016
be immediately removed. 91017

(5) As used in division (K)(5) of this section: 91018

(a) "Commercial subdivision" means any platted territory 91019
outside the limits of a municipal corporation and fronting a 91020
highway where, for a distance of three hundred feet or more, the 91021
frontage is improved with buildings in use for commercial 91022
purposes, or where the entire length of the highway is less than 91023
three hundred feet long and the frontage is improved with 91024
buildings in use for commercial purposes. 91025

(b) "Residential subdivision" means any platted territory 91026
outside the limits of a municipal corporation and fronting a 91027
highway, where, for a distance of three hundred feet or more, the 91028
frontage is improved with residences or residences and buildings 91029
in use for business, or where the entire length of the highway is 91030
less than three hundred feet long and the frontage is improved 91031
with residences or residences and buildings in use for business. 91032

Whenever a board of township trustees finds upon the basis of 91033
an engineering and traffic investigation that the prima-facie 91034
speed permitted by division (B)(5) of this section on any part of 91035
a highway under its jurisdiction that is located in a commercial 91036
or residential subdivision, except on highways or portions thereof 91037
at the entrances to which vehicular traffic from the majority of 91038
intersecting highways is required to yield the right-of-way to 91039
vehicles on such highways in obedience to stop or yield signs or 91040
traffic control signals, is greater than is reasonable and safe 91041
under the conditions found to exist at the location, the board may 91042
by resolution declare a reasonable and safe prima-facie speed 91043
limit of less than fifty-five but not less than twenty-five miles 91044
per hour at the location. An altered speed limit adopted by a 91045
board of township trustees under this division shall become 91046
effective when appropriate signs giving notice thereof are erected 91047
at the location by the township. Whenever, in the opinion of a 91048
board of township trustees, any altered prima-facie speed limit 91049
established by it under this division becomes unreasonable, it may 91050

adopt a resolution withdrawing the altered prima-facie speed, and 91051
upon such withdrawal, the altered prima-facie speed shall become 91052
ineffective, and the signs relating thereto shall be immediately 91053
removed by the township. 91054

(L)(1) Within one hundred twenty days of February 29, 1996, 91055
the director of transportation, based upon a geometric and traffic 91056
characteristic study of a freeway that is part of the interstate 91057
system or that is not part of the interstate system, but is built 91058
to the standards and specifications that are applicable to 91059
freeways that are part of the interstate system, in consultation 91060
with the director of public safety and, if applicable, the local 91061
authority having jurisdiction over a portion of such freeway, may 91062
determine and declare that the speed limit of less than sixty-five 91063
miles per hour established on such freeway or portion of freeway 91064
either is reasonable and safe or is less than that which is 91065
reasonable and safe. 91066

(2) If the established speed limit for such a freeway or 91067
portion of freeway is determined to be less than that which is 91068
reasonable and safe, the director of transportation, in 91069
consultation with the director of public safety and, if 91070
applicable, the local authority having jurisdiction over the 91071
portion of freeway, shall determine and declare a reasonable and 91072
safe speed limit of not more than sixty-five miles per hour for 91073
that freeway or portion of freeway. 91074

The director of transportation or local authority having 91075
jurisdiction over the freeway or portion of freeway shall erect 91076
appropriate signs giving notice of the speed limit at such 91077
location within one hundred fifty days of February 29, 1996. Such 91078
speed limit becomes effective only when such signs are erected at 91079
the location. 91080

(3) If, within one hundred twenty days of February 29, 1996, 91081
the director of transportation does not make a determination and 91082

declaration of a reasonable and safe speed limit for a freeway or 91083
portion of freeway that is part of the interstate system or that 91084
is not part of the interstate system, but is built to the 91085
standards and specifications that are applicable to freeways that 91086
are part of the interstate system and that has a speed limit of 91087
less than sixty-five miles per hour, the speed limit on that 91088
freeway or portion of a freeway shall be sixty-five miles per 91089
hour. The director of transportation or local authority having 91090
jurisdiction over the freeway or portion of the freeway shall 91091
erect appropriate signs giving notice of the speed limit of 91092
sixty-five miles per hour at such location within one hundred 91093
fifty days of February 29, 1996. Such speed limit becomes 91094
effective only when such signs are erected at the location. A 91095
speed limit established through the operation of division (L)(3) 91096
of this section is subject to reduction under division (I)(2) of 91097
this section. 91098

(M) Within three hundred sixty days after February 29, 1996, 91099
the director of transportation, based upon a geometric and traffic 91100
characteristic study of a rural, divided, multi-lane highway that 91101
has been designated as part of the national highway system under 91102
the "National Highway System Designation Act of 1995," 109 Stat. 91103
568, 23 U.S.C.A. 103, in consultation with the director of public 91104
safety and, if applicable, the local authority having jurisdiction 91105
over a portion of the highway, may determine and declare that the 91106
speed limit of less than sixty-five miles per hour established on 91107
the highway or portion of highway either is reasonable and safe or 91108
is less than that which is reasonable and safe. 91109

If the established speed limit for the highway or portion of 91110
highway is determined to be less than that which is reasonable and 91111
safe, the director of transportation, in consultation with the 91112
director of public safety and, if applicable, the local authority 91113
having jurisdiction over the portion of highway, shall determine 91114

and declare a reasonable and safe speed limit of not more than 91115
sixty-five miles per hour for that highway or portion of highway. 91116
The director of transportation or local authority having 91117
jurisdiction over the highway or portion of highway shall erect 91118
appropriate signs giving notice of the speed limit at such 91119
location within three hundred ninety days after February 29, 1996. 91120
The speed limit becomes effective only when such signs are erected 91121
at the location. 91122

(N)(1)(a) If the boundary of two local authorities rests on 91123
the centerline of a highway and both authorities have jurisdiction 91124
over the highway, the speed limit for the part of the highway 91125
within their joint jurisdiction shall be either one of the 91126
following as agreed to by both authorities: 91127

(i) Either prima-facie speed limit permitted by division (B) 91128
of this section; 91129

(ii) An altered speed limit determined and posted in 91130
accordance with this section. 91131

(b) If the local authorities are unable to reach an 91132
agreement, the speed limit shall remain as established and posted 91133
under this section. 91134

(2) Neither local authority may declare an altered 91135
prima-facie speed limit pursuant to this section on the part of 91136
the highway under their joint jurisdiction unless both of the 91137
local authorities determine, upon the basis of an engineering and 91138
traffic investigation, that the speed permitted by this section is 91139
greater than is reasonable or safe under the conditions found to 91140
exist at the location and both authorities agree upon a uniform 91141
reasonable and safe prima-facie speed limit of less than 91142
fifty-five but not less than twenty-five miles per hour for that 91143
location. If both authorities so agree, each shall follow the 91144
procedure specified in this section for altering the prima-facie 91145

speed limit on the highway, and the speed limit for the part of 91146
the highway within their joint jurisdiction shall be uniformly 91147
altered. No altered speed limit may be withdrawn unless both local 91148
authorities determine that the altered prima-facie speed limit 91149
previously adopted becomes unreasonable and each adopts a 91150
resolution withdrawing the altered prima-facie speed limit 91151
pursuant to the procedure specified in this section. 91152

(0) As used in this section: 91153

(1) "Interstate system" has the same meaning as in 23 91154
U.S.C.A. 101. 91155

(2) "Commercial bus" means a motor vehicle designed for 91156
carrying more than nine passengers and used for the transportation 91157
of persons for compensation. 91158

(3) "Noncommercial bus" includes but is not limited to a 91159
school bus or a motor vehicle operated solely for the 91160
transportation of persons associated with a charitable or 91161
nonprofit organization. 91162

(4) "Outerbelt" means a portion of a freeway that is part of 91163
the interstate system and is located in the outer vicinity of a 91164
major municipal corporation or group of municipal corporations, as 91165
designated by the director. 91166

(P)(1) A violation of any provision of this section is one of 91167
the following: 91168

(a) Except as otherwise provided in divisions (P)(1)(b), 91169
(1)(c), (2), and (3) of this section, a minor misdemeanor; 91170

(b) If, within one year of the offense, the offender 91171
previously has been convicted of or pleaded guilty to two 91172
violations of any provision of this section or of any provision of 91173
a municipal ordinance that is substantially similar to any 91174
provision of this section, a misdemeanor of the fourth degree; 91175

(c) If, within one year of the offense, the offender 91176
previously has been convicted of or pleaded guilty to three or 91177
more violations of any provision of this section or of any 91178
provision of a municipal ordinance that is substantially similar 91179
to any provision of this section, a misdemeanor of the third 91180
degree. 91181

(2) If the offender has not previously been convicted of or 91182
pleaded guilty to a violation of any provision of this section or 91183
of any provision of a municipal ordinance that is substantially 91184
similar to this section and operated a motor vehicle faster than 91185
thirty-five miles an hour in a business district of a municipal 91186
corporation, faster than fifty miles an hour in other portions of 91187
a municipal corporation, or faster than thirty-five miles an hour 91188
in a school zone during recess or while children are going to or 91189
leaving school during the school's opening or closing hours, a 91190
misdemeanor of the fourth degree. 91191

(3) Notwithstanding division (P)(1) of this section, if the 91192
offender operated a motor vehicle in a construction zone where a 91193
sign was then posted in accordance with section 4511.98 of the 91194
Revised Code, the court, in addition to all other penalties 91195
provided by law, shall impose upon the offender a fine of two 91196
times the usual amount imposed for the violation. No court shall 91197
impose a fine of two times the usual amount imposed for the 91198
violation upon an offender if the offender alleges, in an 91199
affidavit filed with the court prior to the offender's sentencing, 91200
that the offender is indigent and is unable to pay the fine 91201
imposed pursuant to this division and if the court determines that 91202
the offender is an indigent person and unable to pay the fine. 91203

Sec. 4511.69. (A) Every vehicle stopped or parked upon a 91204
roadway where there is an adjacent curb shall be stopped or parked 91205
with the right-hand wheels of the vehicle parallel with and not 91206

more than twelve inches from the right-hand curb, unless it is 91207
impossible to approach so close to the curb; in such case the stop 91208
shall be made as close to the curb as possible and only for the 91209
time necessary to discharge and receive passengers or to load or 91210
unload merchandise. Local authorities by ordinance may permit 91211
angle parking on any roadway under their jurisdiction, except that 91212
angle parking shall not be permitted on a state route within a 91213
municipal corporation unless an unoccupied roadway width of not 91214
less than twenty-five feet is available for free-moving traffic. 91215

(B) Local authorities by ordinance may permit parking of 91216
vehicles with the left-hand wheels adjacent to and within twelve 91217
inches of the left-hand curb of a one-way roadway. 91218

(C)(1)~~(a)~~ Except as provided in division (C)~~(2)~~~~(1)~~(b) of this 91219
section, no vehicle or trackless trolley shall be stopped or 91220
parked on a road or highway with the vehicle or trackless trolley 91221
facing in a direction other than the direction of travel on that 91222
side of the road or highway. 91223

~~(2)~~(b) The operator of a motorcycle may back the motorcycle 91224
into an angled parking space so that when the motorcycle is parked 91225
it is facing in a direction other than the direction of travel on 91226
the side of the road or highway. 91227

(2) The operator of a motorcycle may back the motorcycle into 91228
a parking space that is located on the side of, and parallel to, a 91229
road or highway. The motorcycle may face any direction when so 91230
parked. Not more than two motorcycles at a time shall be parked in 91231
a parking space as described in division (C)(2) of this section 91232
irrespective of whether or not the space is metered. 91233

(D) Notwithstanding any statute or any rule, resolution, or 91234
ordinance adopted by any local authority, air compressors, 91235
tractors, trucks, and other equipment, while being used in the 91236
construction, reconstruction, installation, repair, or removal of 91237

facilities near, on, over, or under a street or highway, may stop, 91238
stand, or park where necessary in order to perform such work, 91239
provided a flagperson is on duty or warning signs or lights are 91240
displayed as may be prescribed by the director of transportation. 91241

(E) Special parking locations and privileges for persons with 91242
disabilities that limit or impair the ability to walk, also known 91243
as handicapped parking spaces or disability parking spaces, shall 91244
be provided and designated by all political subdivisions and by 91245
the state and all agencies and instrumentalities thereof at all 91246
offices and facilities, where parking is provided, whether owned, 91247
rented, or leased, and at all publicly owned parking garages. The 91248
locations shall be designated through the posting of an elevated 91249
sign, whether permanently affixed or movable, imprinted with the 91250
international symbol of access and shall be reasonably close to 91251
exits, entrances, elevators, and ramps. All elevated signs posted 91252
in accordance with this division and division (C) of section 91253
3781.111 of the Revised Code shall be mounted on a fixed or 91254
movable post, and the distance from the ground to the bottom edge 91255
of the sign shall measure not less than five feet. If a new sign 91256
or a replacement sign designating a special parking location is 91257
posted on or after October 14, 1999, there also shall be affixed 91258
upon the surface of that sign or affixed next to the designating 91259
sign a notice that states the fine applicable for the offense of 91260
parking a motor vehicle in the special designated parking location 91261
if the motor vehicle is not legally entitled to be parked in that 91262
location. 91263

(F)(1) No person shall stop, stand, or park any motor vehicle 91264
at special parking locations provided under division (E) of this 91265
section or at special clearly marked parking locations provided in 91266
or on privately owned parking lots, parking garages, or other 91267
parking areas and designated in accordance with that division, 91268
unless one of the following applies: 91269

(a) The motor vehicle is being operated by or for the 91270

ability to walk and is displaying a valid removable windshield 91272
placard or special license plates; 91273

(b) The motor vehicle is being operated by or for the 91274
transport of a handicapped person and is displaying a parking card 91275
or special handicapped license plates. 91276

(2) Any motor vehicle that is parked in a special marked 91277
parking location in violation of division (F)(1)(a) or (b) of this 91278
section may be towed or otherwise removed from the parking 91279
location by the law enforcement agency of the political 91280
subdivision in which the parking location is located. A motor 91281
vehicle that is so towed or removed shall not be released to its 91282
owner until the owner presents proof of ownership of the motor 91283
vehicle and pays all towing and storage fees normally imposed by 91284
that political subdivision for towing and storing motor vehicles. 91285
If the motor vehicle is a leased vehicle, it shall not be released 91286
to the lessee until the lessee presents proof that that person is 91287
the lessee of the motor vehicle and pays all towing and storage 91288
fees normally imposed by that political subdivision for towing and 91289
storing motor vehicles. 91290

(3) If a person is charged with a violation of division 91291
(F)(1)(a) or (b) of this section, it is an affirmative defense to 91292
the charge that the person suffered an injury not more than 91293
seventy-two hours prior to the time the person was issued the 91294
ticket or citation and that, because of the injury, the person 91295
meets at least one of the criteria contained in division (A)(1) of 91296
section 4503.44 of the Revised Code. 91297

(G) When a motor vehicle is being operated by or for the 91298
transport of a person with a disability that limits or impairs the 91299
ability to walk and is displaying a removable windshield placard 91300
or a temporary removable windshield placard or special license 91301

plates, or when a motor vehicle is being operated by or for the 91302
transport of a handicapped person and is displaying a parking card 91303
or special handicapped license plates, the motor vehicle is 91304
permitted to park for a period of two hours in excess of the legal 91305
parking period permitted by local authorities, except where local 91306
ordinances or police rules provide otherwise or where the vehicle 91307
is parked in such a manner as to be clearly a traffic hazard. 91308

(H) No owner of an office, facility, or parking garage where 91309
special parking locations are required to be designated in 91310
accordance with division (E) of this section shall fail to 91311
properly mark the special parking locations in accordance with 91312
that division or fail to maintain the markings of the special 91313
locations, including the erection and maintenance of the fixed or 91314
movable signs. 91315

(I) Nothing in this section shall be construed to require a 91316
person or organization to apply for a removable windshield placard 91317
or special license plates if the parking card or special license 91318
plates issued to the person or organization under prior law have 91319
not expired or been surrendered or revoked. 91320

(J)(1) Whoever violates division (A) or (C) of this section 91321
is guilty of a minor misdemeanor. 91322

(2)(a) Whoever violates division (F)(1)(a) or (b) of this 91323
section is guilty of a misdemeanor and shall be punished as 91324
provided in division (J)(2)(a) and (b) of this section. Except as 91325
otherwise provided in division (J)(2)(a) of this section, an 91326
offender who violates division (F)(1)(a) or (b) of this section 91327
shall be fined not less than two hundred fifty nor more than five 91328
hundred dollars. An offender who violates division (F)(1)(a) or 91329
(b) of this section shall be fined not more than one hundred 91330
dollars if the offender, prior to sentencing, proves either of the 91331
following to the satisfaction of the court: 91332

(i) At the time of the violation of division (F)(1)(a) of 91333
this section, the offender or the person for whose transport the 91334
motor vehicle was being operated had been issued a removable 91335
windshield placard that then was valid or special license plates 91336
that then were valid but the offender or the person neglected to 91337
display the placard or license plates as described in division 91338
(F)(1)(a) of this section. 91339

(ii) At the time of the violation of division (F)(1)(b) of 91340
this section, the offender or the person for whose transport the 91341
motor vehicle was being operated had been issued a parking card 91342
that then was valid or special handicapped license plates that 91343
then were valid but the offender or the person neglected to 91344
display the card or license plates as described in division 91345
(F)(1)(b) of this section. 91346

(b) In no case shall an offender who violates division 91347
(F)(1)(a) or (b) of this section be sentenced to any term of 91348
imprisonment. 91349

An arrest or conviction for a violation of division (F)(1)(a) 91350
or (b) of this section does not constitute a criminal record and 91351
need not be reported by the person so arrested or convicted in 91352
response to any inquiries contained in any application for 91353
employment, license, or other right or privilege, or made in 91354
connection with the person's appearance as a witness. 91355

The clerk of the court shall pay every fine collected under 91356
division (J)(2) of this section to the political subdivision in 91357
which the violation occurred. Except as provided in division 91358
(J)(2) of this section, the political subdivision shall use the 91359
fine moneys it receives under division (J)(2) of this section to 91360
pay the expenses it incurs in complying with the signage and 91361
notice requirements contained in division (E) of this section. The 91362
political subdivision may use up to fifty per cent of each fine it 91363
receives under division (J)(2) of this section to pay the costs of 91364

educational, advocacy, support, and assistive technology programs 91365
for persons with disabilities, and for public improvements within 91366
the political subdivision that benefit or assist persons with 91367
disabilities, if governmental agencies or nonprofit organizations 91368
offer the programs. 91369

(3) Whoever violates division (H) of this section shall be 91370
punished as follows: 91371

(a) Except as otherwise provided in division (J)(3) of this 91372
section, the offender shall be issued a warning. 91373

(b) If the offender previously has been convicted of or 91374
pleaded guilty to a violation of division (H) of this section or 91375
of a municipal ordinance that is substantially similar to that 91376
division, the offender shall not be issued a warning but shall be 91377
fined not more than twenty-five dollars for each parking location 91378
that is not properly marked or whose markings are not properly 91379
maintained. 91380

(K) As used in this section: 91381

(1) "Handicapped person" means any person who has lost the 91382
use of one or both legs or one or both arms, who is blind, deaf, 91383
or so severely handicapped as to be unable to move without the aid 91384
of crutches or a wheelchair, or whose mobility is restricted by a 91385
permanent cardiovascular, pulmonary, or other handicapping 91386
condition. 91387

(2) "Person with a disability that limits or impairs the 91388
ability to walk" has the same meaning as in section 4503.44 of the 91389
Revised Code. 91390

(3) "Special license plates" and "removable windshield 91391
placard" mean any license plates or removable windshield placard 91392
or temporary removable windshield placard issued under section 91393
4503.41 or 4503.44 of the Revised Code, and also mean any 91394
substantially similar license plates or removable windshield 91395

placard or temporary removable windshield placard issued by a 91396
state, district, country, or sovereignty. 91397

Sec. 4511.85. (A) The operator of a chauffeured limousine 91398
shall accept passengers only on the basis of prearranged 91399
contracts, as defined in division (LL) of section 4501.01 of the 91400
Revised Code, and shall not cruise in search of patronage unless 91401
the limousine is in compliance with any statute or ordinance 91402
governing the operation of taxicabs or other similar vehicles for 91403
hire. 91404

(B) The operator of a chauffeured limousine may provide 91405
transportation to passengers who arrange for the transportation 91406
through an intermediary, including a digital dispatching service. 91407
Notwithstanding any law to the contrary, when providing 91408
transportation arranged through an intermediary, the operator of a 91409
chauffeured limousine may establish the fare and method of fare 91410
calculation, so long as the method of fare calculation is provided 91411
to the passenger upon request. 91412

(C) No person shall advertise or hold self out as doing 91413
business as a limousine service or livery service or other similar 91414
designation unless each vehicle used by the person to provide the 91415
service is registered in accordance with section 4503.24 of the 91416
Revised Code and is in compliance with section 4509.80 of the 91417
Revised Code. 91418

~~(C)~~(D) Whoever violates this section is guilty of a 91419
misdemeanor of the first degree. 91420

Sec. 4513.34. (A)(1) The director of transportation with 91421
respect to all highways that are a part of the state highway 91422
system and local authorities with respect to highways under their 91423
jurisdiction, upon application in writing, shall issue a special 91424
regional heavy hauling permit authorizing the applicant to operate 91425

or move a vehicle or combination of vehicles as follows: 91426

(a) At a size or weight of vehicle or load exceeding the 91427
maximum specified in sections 5577.01 to 5577.09 of the Revised 91428
Code, or otherwise not in conformity with sections 4513.01 to 91429
4513.37 of the Revised Code; 91430

(b) Upon any highway under the jurisdiction of the authority 91431
granting the permit except those highways with a condition 91432
insufficient to bear the weight of the vehicle or combination of 91433
vehicles as stated in the application; 91434

(c) For regional trips at distances of one hundred fifty 91435
miles or less from a facility stated on the application as the 91436
applicant's point of origin. 91437

Issuance of a special regional heavy hauling permit is 91438
subject to the payment of a fee established by the director or 91439
local authority in accordance with this section. 91440

(2) In circumstances where a person is not eligible to 91441
receive a permit under division (A)(1) of this section, the 91442
director of transportation with respect to all highways that are a 91443
part of the state highway system and local authorities with 91444
respect to highways under their jurisdiction, upon application in 91445
writing and for good cause shown, may issue a special permit in 91446
writing authorizing the applicant to operate or move a vehicle or 91447
combination of vehicles of a size or weight of vehicle or load 91448
exceeding the maximum specified in sections 5577.01 to 5577.09 of 91449
the Revised Code, or otherwise not in conformity with sections 91450
4513.01 to 4513.37 of the Revised Code, upon any highway under the 91451
jurisdiction of the authority granting the permit. 91452

(3) For purposes of this section, the director may designate 91453
certain state highways or portions of state highways as special 91454
economic development highways. If an application submitted to the 91455

director under this section involves travel of a nonconforming 91456
vehicle or combination of vehicles upon a special economic 91457
development highway, the director, in determining whether good 91458
cause has been shown that issuance of a permit is justified, shall 91459
consider the effect the travel of the vehicle or combination of 91460
vehicles will have on the economic development in the area in 91461
which the designated highway or portion of highway is located. 91462

(B) Notwithstanding sections 715.22 and 723.01 of the Revised 91463
Code, the holder of a permit issued by the director under this 91464
section may move the vehicle or combination of vehicles described 91465
in the permit on any highway that is a part of the state highway 91466
system when the movement is partly within and partly without the 91467
corporate limits of a municipal corporation. No local authority 91468
shall require any other permit or license or charge any license 91469
fee or other charge against the holder of a permit for the 91470
movement of a vehicle or combination of vehicles on any highway 91471
that is a part of the state highway system. The director shall not 91472
require the holder of a permit issued by a local authority to 91473
obtain a special permit for the movement of vehicles or 91474
combination of vehicles on highways within the jurisdiction of the 91475
local authority. Permits may be issued for any period of time not 91476
to exceed one year, as the director in the director's discretion 91477
or a local authority in its discretion determines advisable, or 91478
for the duration of any public construction project. 91479

(C)(1) The application for a permit issued under this section 91480
shall be in the form that the director or local authority 91481
prescribes. The director or local authority may prescribe a permit 91482
fee to be imposed and collected when any permit described in this 91483
section is issued. The permit fee may be in an amount sufficient 91484
to reimburse the director or local authority for the 91485
administrative costs incurred in issuing the permit, and also to 91486
cover the cost of the normal and expected damage caused to the 91487

roadway or a street or highway structure as the result of the 91488
operation of the nonconforming vehicle or combination of vehicles. 91489
The director, in accordance with Chapter 119. of the Revised Code, 91490
shall establish a schedule of fees for permits issued by the 91491
director under this section; however, the fee to operate a triple 91492
trailer unit, at locations authorized under federal law, shall be 91493
one hundred dollars. 91494

(2) For the purposes of this section and of rules adopted by 91495
the director under this section, milk transported in bulk by 91496
vehicle is deemed a nondivisible load. 91497

(3) For purposes of this section and of rules adopted by the 91498
director under this section, three or fewer aluminum coils, 91499
transported by a vehicle, are deemed a nondivisible load. The 91500
director shall adopt rules establishing requirements for an 91501
aluminum coil permit that are substantially similar to the 91502
requirements for a steel coil permit under Chapter 5501:2-1 of the 91503
Administrative Code. 91504

(D) The director or a local authority shall issue a special 91505
regional heavy hauling permit under division (A)(1) of this 91506
section upon application and payment of the applicable fee. 91507
However, the director or local authority may issue or withhold a 91508
special permit specified in division (A)(2) of this section. If a 91509
permit is to be issued, the director or local authority may limit 91510
or prescribe conditions of operation for the vehicle and may 91511
require the posting of a bond or other security conditioned upon 91512
the sufficiency of the permit fee to compensate for damage caused 91513
to the roadway or a street or highway structure. In addition, a 91514
local authority, as a condition of issuance of an overweight 91515
permit, may require the applicant to develop and enter into a 91516
mutual agreement with the local authority to compensate for or to 91517
repair excess damage caused to the roadway by travel under the 91518
permit. 91519

For a permit that will allow travel of a nonconforming vehicle or combination of vehicles on a special economic development highway, the director, as a condition of issuance, may require the applicant to agree to make periodic payments to the department to compensate for damage caused to the roadway by travel under the permit.

(E) Every permit issued under this section shall be carried in the vehicle or combination of vehicles to which it refers and shall be open to inspection by any police officer or authorized agent of any authority granting the permit. No person shall violate any of the terms of a permit.

(F) The director may debar an applicant from applying for a permit under this section upon a finding based on a reasonable belief that the applicant has done any of the following:

(1) Abused the process by repeatedly submitting false information or false travel plans or by using another company or individual's name, insurance, or escrow account without proper authorization;

(2) Failed to comply with or substantially perform under a previously issued permit according to its terms, conditions, and specifications within specified time limits;

(3) Failed to cooperate in the application process for the permit or in any other procedures that are related to the issuance of the permit by refusing to provide information or documents required in a permit or by failing to respond to and correct matters related to the permit;

(4) Accumulated repeated justified complaints regarding performance under a permit that was previously issued to the applicant or previously failed to obtain a permit when such a permit was required;

(5) Attempted to influence a public employee to breach

ethical conduct standards; 91551

(6) Been convicted of a criminal offense related to the 91552
application for, or performance under, a permit, including, but 91553
not limited to, bribery, falsification, fraud or destruction of 91554
records, receiving stolen property, and any other offense that 91555
directly reflects on the applicant's integrity or commercial 91556
driver's license; 91557

(7) Accumulated repeated convictions under a state or federal 91558
safety law governing commercial motor vehicles or a rule or 91559
regulation adopted under such a law; 91560

(8) Accumulated repeated convictions under a law, rule, or 91561
regulation governing the movement of traffic over the public 91562
streets and highways; 91563

(9) Failed to pay any fees associated with any permitted 91564
operation or move; 91565

(10) Deliberately or willfully submitted false or misleading 91566
information in connection with the application for, or performance 91567
under, a permit issued under this section. 91568

If the applicant is a partnership, association, or 91569
corporation, the director also may debar from consideration for 91570
permits any partner of the partnership, or the officers, 91571
directors, or employees of the association or corporation being 91572
debarred. 91573

The director may adopt rules in accordance with Chapter 119. 91574
of the Revised Code governing the debarment of an applicant. 91575

(G) When the director reasonably believes that grounds for 91576
debarment exist, the director shall send the person that is 91577
subject to debarment a notice of the proposed debarment. A notice 91578
of proposed debarment shall indicate the grounds for the debarment 91579
of the person and the procedure for requesting a hearing. The 91580

notice and hearing shall be in accordance with Chapter 119. of the 91581
Revised Code. If the person does not respond with a request for a 91582
hearing in the manner specified in that chapter, the director 91583
shall issue the debarment decision without a hearing and shall 91584
notify the person of the decision by certified mail, return 91585
receipt requested. The debarment period may be of any length 91586
determined by the director, and the director may modify or rescind 91587
the debarment at any time. During the period of debarment, the 91588
director shall not issue, or consider issuing, a permit under this 91589
section to any partnership, association, or corporation that is 91590
affiliated with a debarred person. After the debarment period 91591
expires, the person, and any partnership, association, or 91592
corporation affiliated with the person, may reapply for a permit. 91593

(H)(1) No person shall violate the terms of a permit issued 91594
under this section that relate to gross load limits. 91595

(2) No person shall violate the terms of a permit issued 91596
under this section that relate to axle load by more than two 91597
thousand pounds per axle or group of axles. 91598

(3) No person shall violate the terms of a permit issued 91599
under this section that relate to an approved route except upon 91600
order of a law enforcement officer or authorized agent of the 91601
issuing authority. 91602

(I) Whoever violates division (H) of this section shall be 91603
punished as provided in section 4513.99 of the Revised Code. 91604

(J) A permit issued by the department of transportation or a 91605
local authority under this section for the operation of a vehicle 91606
or combination of vehicles is valid for the purposes of the 91607
vehicle operation in accordance with the conditions and 91608
limitations specified on the permit. Such a permit is voidable by 91609
law enforcement only for operation of a vehicle or combination of 91610
vehicles in violation of the weight, dimension, or route 91611

provisions of the permit. However, a permit is not voidable for 91612
operation in violation of a route provision of a permit if the 91613
operation is upon the order of a law enforcement officer. 91614

Sec. 4519.11. One dollar and twenty-five cents of each fee 91615
collected under sections 4519.04 and 4519.09 of the Revised Code 91616
shall be paid into the state bureau of motor vehicles fund created 91617
by section 4501.25 of the Revised Code. All other fees, and all 91618
taxes and fines levied, charged, or referred to in this chapter, 91619

the last day of June of each year and shall be renewed according 91825

to the standard renewal procedures of Chapter 4745. of the Revised Code, or the procedures of this section. Any licensee under this chapter who wishes to renew the licensee's license, but fails to do so before the first day of July shall reapply for licensure in the same manner and pursuant to the same requirements as for initial licensure, unless before the first day of September of the year of expiration, the former licensee pays to the department, in addition to the regular renewal fee, a late renewal penalty of one hundred dollars.

(B)(1) Each person to whom the department issues an auctioneer's license or special auctioneer's license shall pay a licensure fee. If such a license is issued during the first year of a biennium, the licensee shall pay a fee in the amount of two hundred dollars. If the license is issued during the second year of a biennium, the licensee shall pay a fee in the amount of one hundred dollars. A licensee who wishes to renew the licensee's license, but who fails to do so before the first day of July following the license's expiration, shall reapply for licensure in the same manner and pursuant to the same requirements as for the initial licensure unless before the first day of

September following the expiration, the former licensee pays to 91858

the first day of July is prohibited from engaging in any activity 91872
specified or comprehended in section 4707.01 of the Revised Code 91873
until such time as the person's license is renewed or a new 91874
license is issued. Renewal of a license between the first day of 91875
July and the first day of September does not relieve any person 91876
from complying with this division. The department may refuse to 91877
renew the license of or issue a new license to any person who 91878
violates this division. 91879

(D) The department shall prepare and deliver to each licensee 91880
a permanent license certificate and an identification card, the 91881
appropriate portion of which shall be carried on the person of the 91882
licensee at all times when engaged in any type of auction 91883
activity, and part of which shall be posted with the permanent 91884
certificate in a conspicuous location at the licensee's place of 91885
business. 91886

(E) Notice in writing shall be given to the department by 91887
each auctioneer or apprentice auctioneer licensee of any change of 91888

principal business location or any change or addition to the name 91889
or names under which business is conducted, whereupon the 91890
department shall issue a new license for the unexpired period. Any 91891
change of business location or change or addition of names without 91892
notification to the department shall automatically cancel any 91893
license previously issued. For each new ~~auctioneer~~ auctioneer's or 91894
apprentice ~~auctioneer~~ auctioneer's license issued upon the 91895
occasion of a change in business location or a change in or an 91896
addition of names under which business is conducted, the 91897
department may collect a fee of ten dollars for each change in 91898
location, or name or each added name unless the notification of 91899
the change occurs concurrently with the renewal application or 91900
unless otherwise provided in section 4707.07 of the Revised Code. 91901

Sec. 4709.11. Every license issued pursuant to this chapter 91902
expires on the thirty-first day of August of each even-numbered 91903

first day of September of each even-numbered year, renew ~~his~~ the 91905
licensee's license pursuant to the standard renewal procedure of 91906
Chapter 4745. of the Revised Code. Any holder of an expired 91907
license shall restore ~~his~~ the holder's license before continuing 91908
the practice of barbering or the activity for which ~~he~~ the holder 91909
is licensed under this chapter and pay the appropriate restoration 91910
fee. If the person fails to restore ~~his~~ the person's license 91911
within ~~three~~ six years, ~~he~~ the person shall pay any required 91912

(6) The applicant or licensee has been habitually 92964

other habit-forming or illegal drugs. 92966

(7) The applicant or licensee has refused to promptly submit 92967
the custody of a dead human body upon the express order of the 92968
person legally entitled to the body. 92969

(8) The licensee loaned the licensee's own license, or the 92970
applicant or licensee borrowed or used the license of another 92971

(9) The applicant or licensee transferred a license to 92974

embalmer's, funeral director's, funeral home, or embalming 92982
facility license only in accordance with Chapter 119. of the 92983
Revised Code. 92984

(2) The board shall send to the crematory review board 92985
written notice that it proposes to refuse to issue or renew, or 92986
proposes to suspend or revoke, a license to operate a crematory 92987
facility. If, after the conclusion of the adjudicatory hearing on 92988
the matter conducted under division ~~(E)~~(F) of section 4717.03 of 92989
the Revised Code, the board of embalmers and funeral directors 92990
finds that any of the circumstances described in divisions (A)(1) 92991

to (10) of this section apply to the person named in its proposed 92992
action, the board may issue a final order under division ~~(E)~~(F) of 92993
section 4717.03 of the Revised Code refusing to issue or renew, or 92994
suspending or revoking, the person's license to operate a 92995
crematory facility. 92996

(C) If the board of embalmers and funeral directors 92997
determines that there is clear and convincing evidence that any of 92998
the circumstances described in divisions (A)(1) to (10) of this 92999
section apply to the holder of a license issued under this chapter 93000
and that the licensee's continued practice presents a danger of 93001
immediate and serious harm to the public, the board may suspend 93002
the licensee's license without a prior adjudicatory hearing. The 93003
executive director of the board shall prepare written allegations 93004
for consideration by the board. 93005

The board, after reviewing the written allegations, may 93006
suspend a license without a prior hearing. 93007

The board shall issue a written order of suspension by a 93008
delivery system or in person in accordance with section 119.07 of 93009
the Revised Code. Such an order is not subject to suspension by 93010
the court during the pendency of any appeal filed under section 93011
119.12 of the Revised Code. If the holder of an embalmer's, 93012
funeral director's, funeral home, or embalming facility license 93013
requests an adjudicatory hearing by the board, the date set for 93014
the hearing shall be within fifteen days, but not earlier than 93015
seven days, after the licensee has requested a hearing, unless the 93016
board and the licensee agree to a different time for holding the 93017
hearing. 93018

Upon issuing a written order of suspension to the holder of a 93019
license to operate a crematory facility, the board of embalmers 93020
and funeral directors shall send written notice of the issuance of 93021
the order to the crematory review board. The crematory review 93022
board shall hold an adjudicatory hearing on the order under 93023

division ~~(E)~~(F) of section 4717.03 of the Revised Code within 93024
fifteen days, but not earlier than seven days, after the issuance 93025
of the order, unless the crematory review board and the licensee 93026
agree to a different time for holding the adjudicatory hearing. 93027

Any summary suspension imposed under this division shall 93028
remain in effect, unless reversed on appeal, until a final 93029
adjudicatory order issued by the board of embalmers and funeral 93030
directors pursuant to this division and Chapter 119. of the 93031
Revised Code, or division ~~(E)~~(F) of section 4717.03 of the Revised 93032
Code, as applicable, becomes effective. The board of embalmers and 93033
funeral directors shall issue its final adjudicatory order within 93034
sixty days after the completion of its hearing or, in the case of 93035
the summary suspension of a license to operate a crematory 93036
facility, within sixty days after completion of the adjudicatory 93037
hearing by the crematory review board. A failure to issue the 93038
order within that time results in the dissolution of the summary 93039
suspension order, but does not invalidate any subsequent final 93040
adjudicatory order. 93041

(D) If the board of embalmers and funeral directors suspends 93042
or revokes a license held by a funeral director or a funeral home 93043
for any reason identified in division (A) of this section, the 93044
board may file a complaint with the court of common pleas in the 93045
county where the violation occurred requesting appointment of a 93046
receiver and the sequestration of the assets of the funeral home 93047
that held the suspended or revoked license or the licensed funeral 93048
home that employs the funeral director that held the suspended or 93049
revoked license. If the court of common pleas is satisfied with 93050
the application for a receivership, the court may appoint a 93051
receiver. 93052

The board or a receiver may employ and procure whatever 93053
assistance or advice is necessary in the receivership or 93054
liquidation and distribution of the assets of the funeral home, 93055

and, for that purpose, may retain officers or employees of the funeral home as needed. All expenses of the receivership or liquidation shall be paid from the assets of the funeral home and shall be a lien on those assets, and that lien shall be a priority to any other lien.

(E) Any holder of a license issued under this chapter who has pleaded guilty to, has been found by a judge or jury to be guilty of, or has had a judicial finding of eligibility for treatment in lieu of conviction entered against the individual in this state for aggravated murder, murder, voluntary manslaughter, felonious assault, kidnapping, rape, sexual battery, gross sexual imposition, aggravated arson, aggravated robbery, or aggravated burglary, or who has pleaded guilty to, has been found by a judge or jury to be guilty of, or has had a judicial finding of eligibility for treatment in lieu of conviction entered against the individual in another jurisdiction for any substantially equivalent criminal offense, is hereby suspended from practice under this chapter by operation of law, and any license issued to the individual under this chapter is hereby suspended by operation of law as of the date of the guilty plea, verdict or finding of guilt, or judicial finding of eligibility for treatment in lieu of conviction, regardless of whether the proceedings are brought in this state or another jurisdiction. The board shall notify the suspended individual of the suspension of the individual's license by the operation of this division by a delivery system or in person in accordance with section 119.07 of the Revised Code. If an individual whose license is suspended under this division fails to make a timely request for an adjudicatory hearing, the board shall enter a final order revoking the license.

(F) No person whose license has been suspended or revoked under or by the operation of this section shall practice embalming or funeral directing or operate a funeral home, embalming

facility, or crematory facility until the board has reinstated the 93088
person's license. 93089

Sec. 4717.15. (A) The board of embalmers and funeral 93090
directors, without the necessity for conducting a prior 93091
adjudication hearing, may issue a notice of violation to the 93092
holder of an embalmer's, funeral director's, funeral home, or 93093
embalming facility license issued under this chapter who the board 93094
finds has committed any of the violations described in divisions 93095
(A)(9)(a) to (g) of section 4717.04 of the Revised Code. The 93096
notice shall set forth the specific violation committed by the 93097
licensee and shall be sent by certified mail. The notice shall be 93098
accompanied by an order requiring the payment of the appropriate 93099
forfeiture prescribed in rules adopted under division (A)(9) of 93100
section 4717.04 of the Revised Code and by a notice informing the 93101
licensee that the licensee is entitled to an adjudicatory hearing 93102
on the notice of violation and order if the licensee requests a 93103
hearing and if the board receives the request within thirty days 93104
after the mailing of the notice of violation and order. The board 93105
shall conduct any such adjudicatory hearing in accordance with 93106
Chapter 119. of the Revised Code, except as otherwise provided in 93107
this division. 93108

A licensee who receives a notice of violation and order under 93109
this division shall pay to the executive director of the board the 93110
full amount of the forfeiture by certified check within thirty 93111
days after the notice of violation and order were mailed to the 93112
licensee unless, within that time, the licensee submits a request 93113
for an adjudicatory hearing on the notice of violation and order. 93114
If such a request for an adjudicatory hearing is timely filed, the 93115
licensee need not pay the forfeiture to the executive director 93116
until after a final, nonappealable administrative or judicial 93117
decision is rendered on the order requiring payment of the 93118
forfeiture. If a final nonappealable administrative or judicial 93119

decision is rendered affirming the board's order, the licensee 93120
shall pay to the executive director of the board the full amount 93121
of the forfeiture by certified check within thirty days after 93122
notice of the decision was sent to the licensee. A forfeiture is 93123
considered to be paid when the licensee's certified check is 93124
received by the executive director in Columbus. If the licensee 93125
fails to so pay the full amount of the forfeiture to the executive 93126
director within that time, the board shall issue an order 93127
suspending or revoking the individual's license, as the board 93128
considers appropriate. 93129

(B) The board shall send to the crematory review board 93130
written notice that it proposes to issue to the holder of a 93131
license to operate a crematory facility issued under this chapter 93132
a notice of violation and order requiring payment of a forfeiture 93133
specified in rules adopted under division (A)(9) of section 93134
4717.04 of the Revised Code. If, after the conclusion of the 93135
adjudicatory hearing on the matter conducted under division ~~(E)~~(F) 93136
of section 4717.03 of the Revised Code, the board of embalmers and 93137
funeral directors finds that the licensee has committed any of the 93138
violations described in divisions (A)(9)(a) to (g) of section 93139
4717.04 of the Revised Code in connection with the operation of a 93140
crematory facility or cremation, the board of embalmers and 93141
funeral directors may issue a final order under division ~~(E)~~(F) of 93142
section 4717.03 of the Revised Code requiring payment of the 93143
appropriate forfeiture specified in rules adopted under division 93144
(A)(9) of section 4717.04 of the Revised Code. A licensee who 93145
receives such an order shall pay the full amount of the forfeiture 93146
to the executive director by certified check within thirty days 93147
after the order was sent to the licensee unless, within that time, 93148
the licensee files a notice of appeal in accordance with division 93149
~~(E)~~(F) of section 4717.03 and section 119.12 of the Revised Code. 93150
If such a notice of appeal is timely filed, the licensee need not 93151
pay the forfeiture to the executive director until after a final, 93152

nonappealable judicial decision is rendered in the appeal. If a 93153
final, nonappealable judicial decision is rendered affirming the 93154
board's order, the licensee shall pay to the executive director 93155
the full amount of the forfeiture by certified check within thirty 93156
days after notice of the decision was sent to the licensee. A 93157
forfeiture is considered paid when the licensee's certified check 93158
is received by the executive director in Columbus. If the licensee 93159
fails to so pay the full amount of the forfeiture to the executive 93160
director within that time, the board shall issue an order 93161
suspending or revoking the individual's license, as the board 93162
considers appropriate. 93163
