If the state public defender does not have a sufficient available balance in the state public defender's appropriations to pay the entire award of legal fees, court costs, or expenses, the director shall make application for a transfer of appropriations out of the emergency purposes account or any other appropriation for emergencies or contingencies in an amount equal to the portion of the award that exceeds the sufficient available balance in the state public defender's appropriations. A transfer of appropriations out of the emergency purposes account or any other appropriation for emergencies or contingencies shall be authorized if there are sufficient moneys greater than the sum total of then pending emergency purposes account requests, or requests for releases from the other appropriation. If a transfer of appropriations out of the emergency purposes account or other appropriation for emergencies or contingencies is made to pay an amount equal to the portion of the award that exceeds the sufficient available balance in the state public defender's appropriations, the director shall cause the payment to be made to the private legal counsel. If sufficient moneys do not exist in the emergency purposes account or other appropriation for emergencies or contingencies to pay an amount equal to the portion of the award that exceeds the sufficient available balance in the state public defender's appropriations, the private legal counsel shall request the general assembly to make an appropriation sufficient to pay an amount equal to the portion of the award that exceeds the sufficient available balance in the state public defender's appropriations, and no payment in that amount shall be made until

defender commission, the state public defender, an assistant state 5146
public defender, an employee, or an attorney in a specified civil 5147

(c) If, pursuant to division (E)(2)(a) of this section, the 5149
attorney general denies a request for an award of legal fees, 5150
court costs, or expenses to private legal counsel because of the 5151

The vote by the authority, council , or board to accept or	5421
reject the application, as well as all proceedings of the	5422
authority, council , or board not subject to this division, shall	5423

be open to the public and governed by this section. 5424

(F) Every public body, by rule, shall establish a reasonable 5425
method whereby any person may determine the time and place of all 5426
regularly scheduled meetings and the time, place, and purpose of 5427
all special meetings. A public body shall not hold a special 5428
meeting unless it gives at least twenty-four hours' advance notice 5429
to the news media that have requested notification, except in the 5430
event of an emergency requiring immediate official action. In the 5431
event of an emergency, the member or members calling the meeting 5432
shall notify the news media that have requested notification 5433
immediately of the time, place, and purpose of the meeting. 5434

The rule shall provide that any person, upon request and 5435
payment of a reasonable fee, may obtain reasonable advance 5436
notification of all meetings at which any specific type of public 5437
business is to be discussed. Provisions for advance notification 5438
may include, but are not limited to, mailing the agenda of 5439
meetings to all subscribers on a mailing list or mailing notices 5440
in self-addressed, stamped envelopes provided by the person. 5441

(G) Except as provided in division (J) of this section, the 5442
members of a public body may hold an executive session only after 5443
a majority of a quorum of the public body determines, by a roll 5444
call vote, to hold an executive session and only at a regular or 5445
special meeting for the sole purpose of the consideration of any 5446
of the following matters: 5447

(1) To consider the appointment, employment, dismissal, 5448
discipline, promotion, demotion, or compensation of a public 5449
employee or official, or the investigation of charges or 5450
complaints against a public employee, official, licensee, or 5451
regulated individual, unless the public employee, official, 5452
licensee, or regulated individual requests a public hearing. 5453
Except as otherwise provided by law, no public body shall hold an 5454
executive session for the discipline of an elected official for 5455

conduct related to the performance of the elected official's 5456
official duties or for the elected official's removal from office. 5457
If a public body holds an executive session pursuant to division 5458
(G)(1) of this section, the motion and vote to hold that executive 5459
session shall state which one or more of the approved purposes 5460
listed in division (G)(1) of this section are the purposes for 5461
which the executive session is to be held, but need not include 5462
the name of any person to be considered at the meeting. 5463

(2) To consider the purchase of property for public purposes, 5464
or for the sale of property at competitive bidding, if premature 5465
disclosure of information would give an unfair competitive or 5466
bargaining advantage to a person whose personal, private interest 5467
is adverse to the general public interest. No member of a public 5468
body shall use division (G)(2) of this section as a subterfuge for 5469
providing covert information to prospective buyers or sellers. A 5470
purchase or sale of public property is void if the seller or buyer 5471
of the public property has received covert information from a 5472
member of a public body that has not been disclosed to the general 5473
public in sufficient time for other prospective buyers and sellers 5474
to prepare and submit offers. 5475

If the minutes of the public body show that all meetings and 5476
deliberations of the public body have been conducted in compliance 5477
with this section, any instrument executed by the public body 5478
purporting to convey, lease, or otherwise dispose of any right, 5479
title, or interest in any public property shall be conclusively 5480
presumed to have been executed in compliance with this section 5481
insofar as title or other interest of any bona fide purchasers, 5482
lessees, or transferees of the property is concerned. 5483

(3) Conferences with an attorney for the public body 5484
concerning disputes involving the public body that are the subject 5485
of pending or imminent court action; 5486

(4) Preparing for, conducting, or reviewing negotiations or 5487

bargaining sessions with public employees concerning their 5488
compensation or other terms and conditions of their employment; 5489

(5) Matters required to be kept confidential by federal law 5490
or regulations or state statutes; 5491

(6) Details relative to the security arrangements and 5492
emergency response protocols for a public body or a public office, 5493
if disclosure of the matters discussed could reasonably be 5494
expected to jeopardize the security of the public body or public 5495
office; 5496

(7) In the case of a county hospital operated pursuant to 5497
Chapter 339. of the Revised Code, a joint township hospital 5498
operated pursuant to Chapter 513. of the Revised Code, or a 5499
municipal hospital operated pursuant to Chapter 749. of the 5500
Revised Code, to consider trade secrets, as defined in section 5501
1333.61 of the Revised Code; 5502

(8) Details and terms relative to any application for an 5503
economic development project, if the economic development 5504
assistance is to be provided or administered under any provision 5505
of Chapter 715., 725., or 1728., sections 701.07, 3735.67 to 5506
3735.70, 5709.40 to 5709.43, 5709.61 to 5709.69, 5709.73 to 5507
5709.75, or 5709.77 to 5709.81 of the Revised Code, or any other 5508
provision of law pursuant to which a political subdivision may 5509
provide economic development assistance. 5510

If a public body holds an executive session to consider any 5511
of the matters listed in divisions (G)(2) to ~~(7)~~(8) of this 5512
section, the motion and vote to hold that executive session shall 5513
state which one or more of the approved matters listed in those 5514
divisions are to be considered at the executive session. 5515

A public body specified in division (B)(1)(c) of this section 5516
shall not hold an executive session when meeting for the purposes 5517
specified in that division. 5518

(H) A resolution, rule, or formal action of any kind is 5519
invalid unless adopted in an open meeting of the public body. A 5520
resolution, rule, or formal action adopted in an open meeting that 5521
results from deliberations in a meeting not open to the public is 5522
invalid unless the deliberations were for a purpose specifically 5523
authorized in division (G) or (J) of this section and conducted at 5524
an executive session held in compliance with this section. A 5525
resolution, rule, or formal action adopted in an open meeting is 5526
invalid if the public body that adopted the resolution, rule, or 5527
formal action violated division (F) of this section. 5528

(I)(1) Any person may bring an action to enforce this 5529
section. An action under division (I)(1) of this section shall be 5530
brought within two years after the date of the alleged violation 5531
or threatened violation. Upon proof of a violation or threatened 5532
violation of this section in an action brought by any person, the 5533
court of common pleas shall issue an injunction to compel the 5534
members of the public body to comply with its provisions. 5535

(2)(a) If the court of common pleas issues an injunction 5536
pursuant to division (I)(1) of this section, the court shall order 5537
the public body that it enjoins to pay a civil forfeiture of five 5538
hundred dollars to the party that sought the injunction and shall 5539
award to that party all court costs and, subject to reduction as 5540
described in division (I)(2) of this section, reasonable 5541
attorney's fees. The court, in its discretion, may reduce an award 5542
of attorney's fees to the party that sought the injunction or not 5543
award attorney's fees to that party if the court determines both 5544
of the following: 5545

(i) That, based on the ordinary application of statutory law 5546
and case law as it existed at the time of violation or threatened 5547
violation that was the basis of the injunction, a well-informed 5548
public body reasonably would believe that the public body was not 5549
violating or threatening to violate this section; 5550

(ii) That a well-informed public body reasonably would believe that the conduct or threatened conduct that was the basis of the injunction would serve the public policy that underlies the authority that is asserted as permitting that conduct or threatened conduct.

(b) If the court of common pleas does not issue an injunction pursuant to division (I)(1) of this section and the court determines at that time that the bringing of the action was frivolous conduct, as defined in division (A) of section 2323.51 of the Revised Code, the court shall award to the public body all court costs and reasonable attorney's fees, as determined by the court.

(3) Irreparable harm and prejudice to the party that sought the injunction shall be conclusively and irrebuttably presumed upon proof of a violation or threatened violation of this section.

(4) A member of a public body who knowingly violates an injunction issued pursuant to division (I)(1) of this section may be removed from office by an action brought in the court of common pleas for that purpose by the prosecuting attorney or the attorney general.

(J)(1) Pursuant to division (C) of section 5901.09 of the Revised Code, a veterans service commission shall hold an executive session for one or more of the following purposes unless an applicant requests a public hearing:

(b) Discussing applications, statements, and other documents described in division (B) of section 5901.09 of the Revised Code;

(c) Reviewing matters relating to an applicant's request for financial assistance under sections 5901.01 to 5901.15 of the Revised Code.

(2) A veterans service commission shall not exclude an applicant for, recipient of, or former recipient of financial assistance under sections 5901.01 to 5901.15 of the Revised Code, and shall not exclude representatives selected by the applicant, recipient, or former recipient, from a meeting that the commission conducts as an executive session that pertains to the applicant's, recipient's, or former recipient's application for financial assistance.

(3) A veterans service commission shall vote on the grant or denial of financial assistance under sections 5901.01 to 5901.15 of the Revised Code only in an open meeting of the commission. The minutes of the meeting shall indicate the name, address, and occupation of the applicant, whether the assistance was granted or denied, the amount of the assistance if assistance is granted, and the votes for and against the granting of assistance.

moneys, lands, or other property according to the terms of the 5914
gift, grant, devise, or bequest. Any interest or earnings shall be 5915
treated in the same manner and are subject to the same terms as 5916
the gift, grant, devise, or bequest from which it accrues. 5917

(b)(i) If the county council designates the board of county commissioners as its administrative agent, the board may, by resolution, delegate any of its powers and duties as administrative agent to an executive committee the board establishes from the membership of the county council. The board shall name to the executive committee at least the individuals described in divisions (B)(1)(b) to (h) of this section and may appoint the president of the board or another individual as the chair of the executive committee. (6) Two or more county councils may enter into an agreement to administer their county councils jointly by creating a regional family and children first council. members of the regional council. 5950

(7) A board of county commissioners may approve a resolution 5951

council to submit a statement to the board each time the council 5953
proposes to enter into an agreement, adopt a plan, or make a 5954
decision, other than a decision pursuant to section 121.38 of the 5955
Revised Code, that requires the expenditure of funds for two or 5956
more families. The statement shall describe the proposed 5957
agreement, plan, or decision. 5958

Not later than fifteen days after the board receives the 5959
statement, it shall, by resolution approved by a majority of its 5960
members, approve or disapprove the agreement, plan, or decision. 5961
Failure of the board to pass a resolution during that time period 5962
shall be considered approval of the agreement, plan, or decision. 5963

An agreement, plan, or decision for which a statement is 5964
required to be submitted to the board shall be implemented only if 5965
it is approved by the board. 5966

(C) Each county shall develop a county service coordination 5967
mechanism. The county service coordination mechanism shall serve 5968
as the guiding document for coordination of services in the 5969
county. For children who also receive services under the help me 5970
grow program, the service coordination mechanism shall be 5971
consistent with rules adopted by the department of health under 5972
section 3701.61 of the Revised Code. All family service 5973
coordination plans shall be developed in accordance with the 5974
county service coordination mechanism. The mechanism shall be 5975

entities representing child welfare; mental retardation and 5977

family and children first council; and the county early 5980
intervention collaborative established pursuant to the federal 5981

early intervention program operated under the "Individuals with 5982

implementation schedule for the mechanism. The cabinet council may 5984
monitor the implementation and administration of each county's 5985
service coordination mechanism. 5986

Each mechanism shall include all of the following: 5987

staff from involved agencies, including a representative from the 5993
appropriate school district, are notified of and invited to 5994
participate in all family service coordination plan meetings; 5995

(3) A procedure that permits a family to initiate a meeting 5996
to develop or review the family's service coordination plan and 5997
allows the family to invite a family advocate, mentor, or support 5998
person of the family's choice to participate in any such meeting; 5999

(4) A procedure for ensuring that a family service 6000
coordination plan meeting is conducted for each child who receives 6001
service coordination under the mechanism and for whom an emergency 6002
out-of-home placement has been made or for whom a nonemergency 6003
out-of-home placement is being considered. The meeting shall be 6004
conducted within ten days of an emergency out-of-home placement. 6005
The meeting shall be conducted before a nonemergency out-of-home 6006
placement. The family service coordination plan shall outline how 6007
the county council members will jointly pay for services, where 6008

placement, and continuity of care after discharge from placement 6015
with appropriate arrangements for housing, treatment, and 6016
education.; 6017

personal family information disclosed during service coordination 6019
meetings or contained in the comprehensive family service 6020
coordination plan.; 6021

child or family that has been referred to the council for service 6023
coordination, including a child whose parent or custodian is 6024
voluntarily seeking services, and for ensuring that parents and 6025
custodians are afforded the opportunity to participate; 6026

(8) A procedure for development of a family service 6027
coordination plan described in division (D) of this section; 6028

agencies represented on the county council concerning the 6031
provision of services to children, including children who are 6032
abused, neglected, dependent, unruly, alleged unruly, or 6033
delinquent children and under the jurisdiction of the juvenile 6034

seeking services. The local dispute resolution process shall 6036
comply with sections 121.38, 121.381, and 121.382 of the Revised 6037
Code. The local dispute resolution process shall be used to 6038
resolve disputes between a child's parents or custodians and the 6039
county council regarding service coordination. The county council 6040
shall inform the parents or custodians of their right to use the 6041
dispute resolution process. Parents or custodians shall use 6042
existing local agency grievance procedures to address disputes not 6043
involving service coordination. The dispute resolution process is 6044

in addition to and does not replace other rights or procedures 6045
that parents or custodians may have under other sections of the 6046
Revised Code. 6047

The cabinet council shall adopt rules in accordance with 6048
Chapter 119. of the Revised Code establishing an administrative 6049
review process to address problems that arise concerning the 6050
operation of a local dispute resolution process. 6051

Nothing in division (C)(4) of this section shall be 6052

court regarding an out-of-home placement, long-term placement, or 6054
emergency out-of-home placement. 6055

(D) Each county shall develop a family service coordination 6056

(1) "Income tax revenue" means the total amount withheld under section 5747.06 of the Revised Code by the taxpayer during the taxable year, or during the calendar year that includes the tax period, from the compensation of each employee or each home-based employee employed in the project to the extent the employee's withholdings are not used to determine the credit under section 122.171 of the Revised Code. "Income tax revenue" excludes amounts withheld before the day the taxpayer becomes eligible for the credit.	6304 6305 6306 6307 6308 6309 6310 6311 6312
(2) "Baseline income tax revenue" means income tax revenue except that the applicable withholding period is the twelve months immediately preceding the date the tax credit authority approves the taxpayer's application or the date the tax credit authority receives the recommendation described in division (C)(2)(a) of this section, whichever occurs first, multiplied by the sum of one	6313 6314 6315 6316 6317 6318

credit authority. If the taxpayer becomes eligible for the credit 6320
after the first day of the taxpayer's taxable year or after the 6321
first day of the calendar year that includes the tax period, the 6322
taxpayer's baseline income tax revenue for the first such taxable 6323
or calendar year of credit eligibility shall be reduced in 6324
proportion to the number of days during the taxable or calendar 6325
year for which the taxpayer was not eligible for the credit. For 6326
subsequent taxable or calendar years, "baseline income tax 6327
revenue" equals the unreduced baseline income tax revenue for the 6328
preceding taxable or calendar year multiplied by the sum of one 6329

minimum wage under 29 U.S.C. 206. 6337

(B) The tax credit authority may make grants under this 6338
section to foster job creation in this state. Such a grant shall 6339
take the form of a refundable credit allowed against the tax 6340
imposed by section 5725.18, 5726.02, 5729.03, 5733.06, or 5747.02 6341
or levied under Chapter 5751. of the Revised Code. The credit 6342
shall be claimed for the taxable years or tax periods specified in 6343
the taxpayer's agreement with the tax credit authority under 6344
division (D) of this section. With respect to taxes imposed under 6345
section 5726.02, 5733.06, or 5747.02 or Chapter 5751. of the 6346
Revised Code, the credit shall be claimed in the order required 6347
under section 5726.98, 5733.98, 5747.98, or 5751.98 of the Revised 6348
Code. The amount of the credit available for a taxable year or for 6349
a calendar year that includes a tax period equals the excess 6350

income tax revenue for that year multiplied by the percentage 6351
specified in the agreement with the tax credit authority. Any 6352
credit granted under this section against the tax imposed by 6353
section 5733.06 or 5747.02 of the Revised Code, to the extent not 6354
fully utilized against such tax for taxable years ending prior to 6355

the tax credit authority to a credit against the tax levied under 6357
Chapter 5751. of the Revised Code for tax periods beginning on or 6358
after July 1, 2008, provided that the person to whom the credit 6359
was granted is subject to such tax. The converted credit shall 6360
apply to those calendar years in which the remaining taxable years 6361
specified in the agreement end. 6362

(C)(1) A taxpayer or potential taxpayer who proposes a 6363
project to create new jobs in this state may apply to the tax 6364
credit authority to enter into an agreement for a tax credit under 6365
this section. 6366

An application shall not propose to include both home-based 6367
employees and employees who are not home-based employees in the 6368
computation of income tax revenue for the purposes of the same tax 6369
credit agreement. If a taxpayer or potential taxpayer employs both 6370
home-based employees and employees who are not home-based 6371
employees in a project, the taxpayer shall submit separate 6372
applications for separate tax credit agreements for the project, 6373
one of which shall include home-based employees in the computation 6374
of income tax revenue and one of which shall include all other 6375
employees in the computation of income tax revenue. 6376

The director of development services shall prescribe the form 6377
of the application. After receipt of an application, the authority 6378
may enter into an agreement with the taxpayer for a credit under 6379
this section if it determines all of the following: 6380

(a) The taxpayer's project will increase payroll and income 6381
tax revenue; 6382

(b) The taxpayer's project is economically sound and will 6383
benefit the people of this state by increasing opportunities for 6384
employment and strengthening the economy of this state; 6385

(c) Receiving the tax credit is a major factor in the 6386
taxpayer's decision to go forward with the project. 6387

(2)(a) A taxpayer that chooses to begin the project prior to 6388
receiving the determination of the authority may, upon submitting 6389
the taxpayer's application to the authority, request that the 6390
chief investment officer of the nonprofit corporation formed under 6391
section 187.01 of the Revised Code and the director review the 6392
taxpayer's application and recommend to the authority that the 6393
taxpayer's application be considered. As soon as possible after 6394
receiving such a request, the chief investment officer and the 6395
director shall review the taxpayer's application and, if they 6396
determine that the application warrants consideration by the 6397
authority, make that recommendation to the authority not later 6398
than six months after the application is received by the 6399
authority. 6400

(b) The authority shall consider any taxpayer's application 6401
for which it receives a recommendation under division (C)(2)(a) of 6402
this section. If the authority determines that the taxpayer does 6403
not meet all of the criteria set forth in division (C)(1) of this 6404
section, the authority and the development services agency shall 6405
proceed in accordance with rules adopted by the director pursuant 6406
to division (I) of this section. 6407

(D) An agreement under this section shall include all of the 6408
following: 6409

(1) A detailed description of the project that is the subject 6410
of the agreement; 6411

(2)(a) The term of the tax credit, which, except as provided 6412
in division (D)(2)(b) of this section, shall not exceed fifteen 6413

years, and the first taxable year, or first calendar year that 6414
includes a tax period, for which the credit may be claimed; 6415

(b) If the tax credit is computed on the basis of home-based 6416
employees, the term of the credit shall expire on or before the 6417
last day of the taxable or calendar year ending before the 6418
beginning of the seventh year after September 6, 2012, the 6419
effective date of H.B. 327 of the 129th general assembly. 6420

(3) A requirement that the taxpayer shall maintain operations 6421
at the project location for at least the greater of seven years or 6422
the term of the credit plus three years; 6423

(4) The percentage, as determined by the tax credit 6424
authority, of excess income tax revenue that will be allowed as 6425
the amount of the credit for each taxable year or for each 6426
calendar year that includes a tax period; 6427

(5) The pay increase factor to be applied to the taxpayer's 6428
baseline income tax revenue; 6429

(6) A requirement that the taxpayer annually shall report to 6430
the director of development services employment, tax withholding, 6431
investment, the provision of health care benefits and tuition 6432
reimbursement if required in the agreement, and other information 6433
the director needs to perform the director's duties under this 6434
section; 6435

(7) A requirement that the director of development services 6436
annually review the information reported under division (D)(6) of 6437
this section and verify compliance with the agreement; if the 6438
taxpayer is in compliance, a requirement that the director issue a 6439
certificate to the taxpayer stating that the information has been 6440
verified and identifying the amount of the credit that may be 6441
claimed for the taxable or calendar year; 6442

(8) A provision providing that the taxpayer may not relocate 6443
a substantial number of employment positions from elsewhere in 6444

this state to the project location unless the director of 6445
development services determines that the legislative authority of 6446
the county, township, or municipal corporation from which the 6447
employment positions would be relocated has been notified by the 6448
taxpayer of the relocation. 6449

For purposes of this section, the movement of an employment 6450
position from one political subdivision to another political 6451
subdivision shall be considered a relocation of an employment 6452
position unless the employment position in the first political 6453
subdivision is replaced. 6454

(9) If the tax credit is computed on the basis of home-based 6455
employees, that the tax credit may not be claimed by the taxpayer 6456
until the taxable year or tax period in which the taxpayer employs 6457
at least two hundred employees more than the number of employees 6458
the taxpayer employed on June 30, 2011. 6459

(E) If a taxpayer fails to meet or comply with any condition 6460
or requirement set forth in a tax credit agreement, the tax credit 6461
authority may amend the agreement to reduce the percentage or term 6462
of the tax credit. The reduction of the percentage or term may 6463
take effect in the current taxable or calendar year. 6464

(F) Projects that consist solely of point-of-final-purchase 6465
retail facilities are not eligible for a tax credit under this 6466
section. If a project consists of both point-of-final-purchase 6467
retail facilities and nonretail facilities, only the portion of 6468
the project consisting of the nonretail facilities is eligible for 6469
a tax credit and only the excess income tax revenue from the 6470
nonretail facilities shall be considered when computing the amount 6471
of the tax credit. If a warehouse facility is part of a 6472
point-of-final-purchase retail facility and supplies only that 6473
facility, the warehouse facility is not eligible for a tax credit. 6474
Catalog distribution centers are not considered 6475
point-of-final-purchase retail facilities for the purposes of this 6476

division, and are eligible for tax credits under this section. 6477

(G) Financial statements and other information submitted to 6478
the development services agency or the tax credit authority by an 6479
applicant or recipient of a tax credit under this section, and any 6480
information taken for any purpose from such statements or 6481
information, are not public records subject to section 149.43 of 6482
the Revised Code. However, the chairperson of the authority may 6483
make use of the statements and other information for purposes of 6484
issuing public reports or in connection with court proceedings 6485
concerning tax credit agreements under this section. Upon the 6486
request of the tax commissioner or, if the applicant or recipient 6487
is an insurance company, upon the request of the superintendent of 6488
insurance, the chairperson of the authority shall provide to the 6489
commissioner or superintendent any statement or information 6490
submitted by an applicant or recipient of a tax credit in 6491
connection with the credit. The commissioner or superintendent 6492
shall preserve the confidentiality of the statement or 6493
information. 6494

(H) A taxpayer claiming a credit under this section shall 6495
submit to the tax commissioner or, if the taxpayer is an insurance 6496
company, to the superintendent of insurance, a copy of the 6497
director of development services' certificate of verification 6498
under division (D)(7) of this section with the taxpayer's tax 6499
report or return for the taxable year or for the calendar year 6500
that includes the tax period. Failure to submit a copy of the 6501
certificate with the report or return does not invalidate a claim 6502
for a credit if the taxpayer submits a copy of the certificate to 6503
the commissioner or superintendent within sixty days after the 6504
commissioner or superintendent requests it. 6505

(I) The director of development services, after consultation 6506
with the tax commissioner and the superintendent of insurance and 6507
in accordance with Chapter 119. of the Revised Code, shall adopt 6508

rules necessary to implement this section, including rules that 6509
establish a procedure to be followed by the tax credit authority 6510
and the development services agency in the event the authority 6511
considers a taxpayer's application for which it receives a 6512
recommendation under division (C)(2)(a) of this section but does 6513
not approve it. The rules may provide for recipients of tax 6514
credits under this section to be charged fees to cover 6515
administrative costs of the tax credit program. The fees collected 6516
shall be credited to the business assistance fund created in 6517
section 122.174 of the Revised Code. At the time the director 6518
gives public notice under division (A) of section 119.03 of the 6519
Revised Code of the adoption of the rules, the director shall 6520
submit copies of the proposed rules to the chairpersons of the 6521
standing committees on economic development in the senate and the 6522
house of representatives. 6523

(J) For the purposes of this section, a taxpayer may include 6524
a partnership, a corporation that has made an election under 6525
subchapter S of chapter one of subtitle A of the Internal Revenue 6526
Code, or any other business entity through which income flows as a 6527
distributive share to its owners. A partnership, S-corporation, or 6528
other such business entity may elect to pass the credit received 6529
under this section through to the persons to whom the income or 6530
profit of the partnership, S-corporation, or other entity is 6531
distributed. The election shall be made on the annual report 6532
required under division (D)(6) of this section. The election 6533
applies to and is irrevocable for the credit for which the report 6534
is submitted. If the election is made, the credit shall be 6535
apportioned among those persons in the same proportions as those 6536
in which the income or profit is distributed. 6537

(K) If the director of development services determines that a 6538
taxpayer who has received a credit under this section is not 6539
complying with the requirement under division (D)(3) of this 6540

section, the director shall notify the tax credit authority of the 6541
noncompliance. After receiving such a notice, and after giving the 6542
taxpayer an opportunity to explain the noncompliance, the tax 6543
credit authority may require the taxpayer to refund to this state 6544
a portion of the credit in accordance with the following: 6545

(1) If the taxpayer maintained operations at the project 6546
location for a period less than or equal to the term of the 6547
credit, an amount not exceeding one hundred per cent of the sum of 6548
any credits allowed and received under this section; 6549

(2) If the taxpayer maintained operations at the project 6550
location for a period longer than the term of the credit, but less 6551
than the greater of seven years or the term of the credit plus 6552
three years, an amount not exceeding seventy-five per cent of the 6553
sum of any credits allowed and received under this section. 6554

In determining the portion of the tax credit to be refunded 6555
to this state, the tax credit authority shall consider the effect 6556
of market conditions on the taxpayer's project and whether the 6557
taxpayer continues to maintain other operations in this state. 6558
After making the determination, the authority shall certify the 6559
amount to be refunded to the tax commissioner or superintendent of 6560
insurance, as appropriate. If the amount is certified to the 6561
commissioner, the commissioner shall make an assessment for that 6562
amount against the taxpayer under Chapter 5726., 5733., 5747., or 6563
5751. of the Revised Code. If the amount is certified to the 6564
superintendent, the superintendent shall make an assessment for 6565
that amount against the taxpayer under Chapter 5725. or 5729. of 6566
the Revised Code. The time limitations on assessments under those 6567
chapters do not apply to an assessment under this division, but 6568
the commissioner or superintendent, as appropriate, shall make the 6569
assessment within one year after the date the authority certifies 6570
to the commissioner or superintendent the amount to be refunded. 6571

(L) On or before the first day of August each year, the 6572

director of development services shall submit a report to the 6573
governor, the president of the senate, and the speaker of the 6574
house of representatives on the tax credit program under this 6575
section. The report shall include information on the number of 6576
agreements that were entered into under this section during the 6577
preceding calendar year, a description of the project that is the 6578
subject of each such agreement, and an update on the status of 6579
projects under agreements entered into before the preceding 6580
calendar year. 6581

(M) There is hereby created the tax credit authority, which 6582
consists of the director of development services and four other 6583
members appointed as follows: the governor, the president of the 6584
senate, and the speaker of the house of representatives each shall 6585
appoint one member who shall be a specialist in economic 6586
development; the governor also shall appoint a member who is a 6587
specialist in taxation. Of the initial appointees, the members 6588
appointed by the governor shall serve a term of two years; the 6589
members appointed by the president of the senate and the speaker 6590
of the house of representatives shall serve a term of four years. 6591
Thereafter, terms of office shall be for four years. Initial 6592
appointments to the authority shall be made within thirty days 6593
after January 13, 1993. Each member shall serve on the authority 6594
until the end of the term for which the member was appointed. 6595
Vacancies shall be filled in the same manner provided for original 6596
appointments. Any member appointed to fill a vacancy occurring 6597
prior to the expiration of the term for which the member's 6598
predecessor was appointed shall hold office for the remainder of 6599
that term. Members may be reappointed to the authority. Members of 6600
the authority shall receive their necessary and actual expenses 6601
while engaged in the business of the authority. The director of 6602
development services shall serve as chairperson of the authority, 6603
and the members annually shall elect a vice-chairperson from among 6604
themselves. Three members of the authority constitute a quorum to 6605

transact and vote on the business of the authority. The majority 6606
vote of the membership of the authority is necessary to approve 6607
any such business, including the election of the vice-chairperson. 6608

The director of development services may appoint a 6609
professional employee of the development services agency to serve 6610
as the director's substitute at a meeting of the authority. The 6611
director shall make the appointment in writing. In the absence of 6612
the director from a meeting of the authority, the appointed 6613
substitute shall serve as chairperson. In the absence of both the 6614
director and the director's substitute from a meeting, the 6615
vice-chairperson shall serve as chairperson. 6616

(N) For purposes of the credits granted by this section 6617
against the taxes imposed under sections 5725.18 and 5729.03 of 6618
the Revised Code, "taxable year" means the period covered by the 6619
taxpayer's annual statement to the superintendent of insurance. 6620

(O) On or before the first day of ~~January~~ March of each of 6621
the ~~six~~ five calendar years ~~following the year in which H.B. 327~~ 6622
~~of the 129th general assembly becomes effective~~ beginning with 6623

authority under this section on the basis of home-based employees 6625
shall report the number of home-based employees and other 6626
employees employed by the taxpayer in this state to the ~~department~~ 6627
of development services agency. 6628

~~calendar year following the year in which H.B. 327 of the 129th~~ 6630
~~general assembly became effective~~ 2019, the director of 6631
development services shall submit a report to the governor, the 6632
president of the senate, and the speaker of the house of 6633
representatives on the effect of agreements entered into under 6634
this section in which the taxpayer included home-based employees 6635
in the computation of income tax revenue. The report shall include 6636
information on the number of such agreements that were entered 6637

into in the preceding six years, a description of the projects 6638
that were the subjects of such agreements, and an analysis of 6639
nationwide home-based employment trends, including the number of 6640
home-based jobs created from July 1, 2011, through June 30, 2017, 6641
and a description of any home-based employment tax incentives 6642
provided by other states during that time. 6643

(Q) The director of development services may require any 6644
agreement entered into under this section for a tax credit 6645

provision that the taxpayer makes available health care benefits 6647
and tuition reimbursement to all employees. 6648

Code:	6730
(1) A nonrefundable credit to an eligible business;	6731
(2) A refundable credit to an eligible business meeting the following conditions, provided that the director of budget and management, tax commissioner, superintendent of insurance in the case of an insurance company, and director of development services have recommended the granting of the credit to the tax credit authority before July 1, 2011:	6732 6733 6734 6735 6736 6737

The credit amount for a taxable year or a calendar year that includes the tax period for which a credit may be claimed equals the income	6755 6756 6757 6758 6759 6760

tax revenue for that year multiplied by the percentage specified 6761
in the agreement with the tax credit authority. The percentage may 6762
not exceed seventy-five per cent. The credit shall be claimed in 6763
the order required under section 5725.98, 5726.98, 5729.98, 6764
5733.98, 5747.98, or 5751.98 of the Revised Code. In determining 6765
the percentage and term of the credit, the tax credit authority 6766
shall consider both the number of full-time equivalent employees 6767
and the value of the capital investment project. The credit amount 6768
may not be based on the income tax revenue for a calendar year 6769
before the calendar year in which the tax credit authority 6770
specifies the tax credit is to begin, and the credit shall be 6771
claimed only for the taxable years or tax periods specified in the 6772
eligible business' agreement with the tax credit authority. In no 6773
event shall the credit be claimed for a taxable year or tax period 6774
terminating before the date specified in the agreement. Any credit 6775
granted under this section against the tax imposed by section 6776
5733.06 or 5747.02 of the Revised Code, to the extent not fully 6777
utilized against such tax for taxable years ending prior to 2008, 6778
shall automatically be converted without any action taken by the 6779
tax credit authority to a credit against the tax levied under 6780
Chapter 5751. of the Revised Code for tax periods beginning on or 6781
after July 1, 2008, provided that the person to whom the credit 6782
was granted is subject to such tax. The converted credit shall 6783
apply to those calendar years in which the remaining taxable years 6784
specified in the agreement end. 6785

If a nonrefundable credit allowed under division (B)(1) of 6786
this section for a taxable year or tax period exceeds the 6787
taxpayer's tax liability for that year or period, the excess may 6788
be carried forward for the three succeeding taxable or calendar 6789
years, but the amount of any excess credit allowed in any taxable 6790
year or tax period shall be deducted from the balance carried 6791
forward to the succeeding year or period. 6792

(C) A taxpayer that proposes a capital investment project to retain jobs in this state may apply to the tax credit authority to enter into an agreement for a tax credit under this section. The director of development services shall prescribe the form of the application. After receipt of an application, the authority shall forward copies of the application to the director of budget and management, the tax commissioner, the superintendent of insurance in the case of an insurance company, and the director of development services, each of whom shall review the application to determine the economic impact the proposed project would have on the state and the affected political subdivisions and shall submit a summary of their determinations and recommendations to the authority.

shall issue a certificate to the taxpayer stating that the 6868
information has been verified and identifying the amount of the 6869
credit for the taxable year or calendar year that includes the tax 6870
period. In determining the number of full-time equivalent 6871
employees, no position shall be counted that is filled by an 6872
employee who is included in the calculation of a tax credit under 6873
section 122.17 of the Revised Code. 6874

(7) A provision providing that the taxpayer may not relocate 6875

which the employment positions would be relocated. 6880

For purposes of this section, the movement of an employment 6881
position from one political subdivision to another political 6882
subdivision shall be considered a relocation of an employment 6883
position unless the movement is confined to the project site. The 6884

transfer of an employment position from one political subdivision 6885
to another political subdivision shall not be considered a 6886
relocation of an employment position if the employment position in 6887
the first political subdivision is replaced by another employment 6888
position. 6889

(8) A waiver by the taxpayer of any limitations periods 6890
relating to assessments or adjustments resulting from the 6891
taxpayer's failure to comply with the agreement. 6892

(F) If a taxpayer fails to meet or comply with any condition 6893
or requirement set forth in a tax credit agreement, the tax credit 6894
authority may amend the agreement to reduce the percentage or term 6895
of the credit. The reduction of the percentage or term may take 6896
effect in the current taxable or calendar year. 6897

(G) Financial statements and other information submitted to 6898
the department of development services or the tax credit authority 6899

section, and any information taken for any purpose from such 6901
statements or information, are not public records subject to 6902
section 149.43 of the Revised Code. However, the chairperson of 6903
the authority may make use of the statements and other information 6904
for purposes of issuing public reports or in connection with court 6905
proceedings concerning tax credit agreements under this section. 6906
Upon the request of the tax commissioner, or the superintendent of 6907
insurance in the case of an insurance company, the chairperson of 6908
the authority shall provide to the commissioner or superintendent 6909
any statement or other information submitted by an applicant for 6910
or recipient of a tax credit in connection with the credit. The 6911
commissioner or superintendent shall preserve the confidentiality 6912
of the statement or other information. 6913

(H) A taxpayer claiming a tax credit under this section shall 6914
submit to the tax commissioner or, in the case of an insurance 6915
company, to the superintendent of insurance, a copy of the 6916

director of development services' certificate of verification 6917
under division (E)(6) of this section with the taxpayer's tax 6918
report or return for the taxable year or for the calendar year 6919
that includes the tax period. Failure to submit a copy of the 6920
certificate with the report or return does not invalidate a claim 6921
for a credit if the taxpayer submits a copy of the certificate to 6922
the commissioner or superintendent within sixty days after the 6923
commissioner or superintendent requests it. 6924

(I) For the purposes of this section, a taxpayer may include 6925

distributed. The election shall be made on the annual report 6933
required under division (E)(5) of this section. The election 6934
applies to and is irrevocable for the credit for which the report 6935
is submitted. If the election is made, the credit shall be 6936

in which the income or profit is distributed. 6938

(J) If the director of development services determines that a 6939
taxpayer that received a certificate under division (E)(6) of this 6940
section is not complying with the requirement under division 6941
(E)(3) of this section, the director shall notify the tax credit 6942
authority of the noncompliance. After receiving such a notice, and 6943
after giving the taxpayer an opportunity to explain the 6944
noncompliance, the authority may terminate the agreement and 6945
require the taxpayer, or any related member or members that 6946
claimed the tax credit under division (N) of this section, to 6947
refund to the state all or a portion of the credit claimed in 6948

previous years, as follows: 6949

(1) If the taxpayer maintained operations at the project site 6950
for less than or equal to the term of the credit, an amount not to 6951
exceed one hundred per cent of the sum of any tax credits allowed 6952
and received under this section. 6953

(2) If the taxpayer maintained operations at the project site 6954
longer than the term of the credit, but less than the greater of 6955
(a) the term of the credit plus three years, or (b) seven years, 6956
the amount required to be refunded shall not exceed seventy-five 6957
per cent of the sum of any tax credits allowed and received under 6958
this section. 6959

In determining the portion of the credit to be refunded to 6960
this state, the authority shall consider the effect of market 6961
conditions on the taxpayer's project and whether the taxpayer 6962
continues to maintain other operations in this state. After making 6963
the determination, the authority shall certify the amount to be 6964
refunded to the tax commissioner or the superintendent of 6965
insurance. If the taxpayer, or any related member or members who 6966
claimed the tax credit under division (N) of this section, is not 6967
an insurance company, the commissioner shall make an assessment 6968
for that amount against the taxpayer under Chapter 5726., 5733., 6969
5747., or 5751. of the Revised Code. If the taxpayer, or any 6970
related member or members that claimed the tax credit under 6971
division (N) of this section, is an insurance company, the 6972
superintendent of insurance shall make an assessment under section 6973
5725.222 or 5729.102 of the Revised Code. The time limitations on 6974
assessments under those chapters and sections do not apply to an 6975
assessment under this division, but the commissioner or 6976
superintendent shall make the assessment within one year after the 6977
date the authority certifies to the commissioner or superintendent 6978
the amount to be refunded. 6979

(K) The director of development services, after consultation 6980

with the tax commissioner and the superintendent of insurance and 6981
in accordance with Chapter 119. of the Revised Code, shall adopt 6982
rules necessary to implement this section. The rules may provide 6983
for recipients of tax credits under this section to be charged 6984
fees to cover administrative costs of the tax credit program. The 6985
fees collected shall be credited to the business assistance fund 6986
created in section 122.174 of the Revised Code. At the time the 6987
director gives public notice under division (A) of section 119.03 6988
of the Revised Code of the adoption of the rules, the director 6989
shall submit copies of the proposed rules to the chairpersons of 6990
the standing committees on economic development in the senate and 6991
the house of representatives. 6992

section. The report shall include information on the number of 6997

by taxpayers in any calendar year for capital improvement projects 7014
reviewed and approved by the tax credit authority in 2011, 2012, 7015
and 2013 combined shall not exceed twenty-five million dollars. An 7016
amount equal to the aggregate amount of credits first authorized 7017
in calendar year 2011, 2012, and 2013 may be claimed over the 7018
ensuing period up to fifteen years, subject to the terms of 7019
individual tax credit agreements. 7020

The limitations in division (M) of this section do not apply 7021
to credits for capital investment projects approved by the tax 7022

(N) This division applies only to an eligible business that 7024
is part of an affiliated group that includes a diversified savings 7025
and loan holding company or a grandfathered unitary savings and 7026

discourteous treatment of the public, neglect of duty, violation 9512
of this chapter or the rules of the director of administrative 9513
services, any other failure of good behavior, any other acts of 9514
misfeasance, malfeasance, or nonfeasance in office, or conviction 9515
of a felony; or 9516

(b) Upon transfer to a different agency. 9517

(4) Reinstatement to a position in the classified service 9518
shall be to a position substantially equal to that position in the 9519
classified service held previously, as certified by the director 9520
of administrative services. If the position the person previously 9521
held in the classified service has been placed in the unclassified 9522
service or is otherwise unavailable, the person shall be appointed 9523
to a position in the classified service within the appointing 9524
authority's agency that the director of administrative services 9525
certifies is comparable in compensation to the position the person 9526
previously held in the classified service. Service in the position 9527
in the unclassified service shall be counted as service in the 9528
position in the classified service held by the person immediately 9529
prior to the person's appointment to the position in the 9530
unclassified service. When a person is reinstated to a position in 9531
the classified service as provided in this division, the person is 9532
entitled to all rights, status, and benefits accruing to the 9533
position in the classified service during the person's time of 9534
service in the position in the unclassified service. 9535

Sec. 124.14. (A)(1) The director of administrative services 9536
shall establish, and may modify or rescind, by rule, a job 9537
classification plan for all positions, offices, and employments 9538
~~the salaries of which are paid in whole or in part by in the~~ 9539
service of the state. The director shall group jobs within a 9540
classification so that the positions are similar enough in duties 9541
and responsibilities to be described by the same title, to have 9542

the same pay assigned with equity, and to have the same 9543
qualifications for selection applied. The director shall, by rule, 9544
assign a classification title to each classification within the 9545
classification plan. However, the director shall consider in 9546
establishing classifications, including classifications with 9547
parenthetical titles, and assigning pay ranges such factors as 9548
duties performed only on one shift, special skills in short supply 9549
in the labor market, recruitment problems, separation rates, 9550
comparative salary rates, the amount of training required, and 9551
other conditions affecting employment. The director shall describe 9552
the duties and responsibilities of the class, establish the 9553
qualifications for being employed in each position in the class, 9554
and file with the secretary of state a copy of specifications for 9555
all of the classifications. The director shall file new, 9556
additional, or revised specifications with the secretary of state 9557
before they are used. 9558

The director shall, by rule, assign each classification, 9559
either on a statewide basis or in particular counties or state 9560
institutions, to a pay range established under section 124.15 or 9561
section 124.152 of the Revised Code. The director may assign a 9562
classification to a pay range on a temporary basis for a period of 9563
six months. The director may establish, by rule adopted under 9564
Chapter 119. of the Revised Code, experimental classification 9565
plans for some or all employees paid directly by warrant of the 9566
director of budget and management. The rule shall include 9567
specifications for each classification within the plan and shall 9568
specifically address compensation ranges, and methods for 9569
advancing within the ranges, for the classifications, which may be 9570
assigned to pay ranges other than the pay ranges established under 9571
section 124.15 or 124.152 of the Revised Code. 9572

(2) The director of administrative services may reassign to a 9573
proper classification those positions that have been assigned to 9574

an improper classification. If the compensation of an employee in 9575
such a reassigned position exceeds the maximum rate of pay for the 9576
employee's new classification, the employee shall be placed in pay 9577
step X and shall not receive an increase in compensation until the 9578
maximum rate of pay for that classification exceeds the employee's 9579
compensation. 9580

(3) The director may reassign an exempt employee, as defined 9581
in section 124.152 of the Revised Code, to a bargaining unit 9582
classification if the director determines that the bargaining unit 9583
classification is the proper classification for that employee. 9584
Notwithstanding Chapter 4117. of the Revised Code or instruments 9585
and contracts negotiated under it, these placements are at the 9586
director's discretion. 9587

(4) The director shall, by rule, assign related 9588
classifications, which form a career progression, to a 9589
classification series. The director shall, by rule, assign each 9590
classification in the classification plan a five-digit number, the 9591
first four digits of which shall denote the classification series 9592
to which the classification is assigned. When a career progression 9593
encompasses more than ten classifications, the director shall, by 9594
rule, identify the additional classifications belonging to a 9595
classification series. The additional classifications shall be 9596
part of the classification series, notwithstanding the fact that 9597
the first four digits of the number assigned to the additional 9598
classifications do not correspond to the first four digits of the 9599
numbers assigned to other classifications in the classification 9600
series. 9601

(B) Division (A) of this section and sections 124.15 and 9602
124.152 of the Revised Code do not apply to the following persons, 9603
positions, offices, and employments: 9604

(1) Elected officials; 9605

(2) Legislative employees, employees of the legislative service commission, employees in the office of the governor, employees who are in the unclassified civil service and exempt from collective bargaining coverage in the office of the secretary of state, auditor of state, treasurer of state, and attorney general, and employees of the supreme court;

(3) Any position for which the authority to determine compensation is given by law to another individual or entity;

(4) Employees of the bureau of workers' compensation whose compensation the administrator of workers' compensation establishes under division (B) of section 4121.121 of the Revised Code.

(C) The director may employ a consulting agency to aid and assist the director in carrying out this section.

(D)(1) When the director proposes to modify a classification or the assignment of classes to appropriate pay ranges, the director shall send written notice of the proposed rule to the appointing authorities of the affected employees thirty days before a hearing on the proposed rule. The appointing authorities shall notify the affected employees regarding the proposed rule. The director also shall send those appointing authorities notice of any final rule that is adopted within ten days after adoption.

(2) When the director proposes to reclassify any employee in the service of the state so that the employee is adversely affected, the director shall give to the employee affected and to the employee's appointing authority a written notice setting forth the proposed new classification, pay range, and salary. Upon the request of any classified employee in the service of the state who is not serving in a probationary period, the director shall perform a job audit to review the classification of the employee's position to determine whether the position is properly classified.

The director shall give to the employee affected and to the 9637
employee's appointing authority a written notice of the director's 9638
determination whether or not to reclassify the position or to 9639
reassign the employee to another classification. An employee or 9640
appointing authority desiring a hearing shall file a written 9641
request for the hearing with the state personnel board of review 9642
within thirty days after receiving the notice. The board shall set 9643
the matter for a hearing and notify the employee and appointing 9644
authority of the time and place of the hearing. The employee, the 9645
appointing authority, or any authorized representative of the 9646
employee who wishes to submit facts for the consideration of the 9647
board shall be afforded reasonable opportunity to do so. After the 9648
hearing, the board shall consider anew the reclassification and 9649
may order the reclassification of the employee and require the 9650
director to assign the employee to such appropriate classification 9651
as the facts and evidence warrant. As provided in division (A)(1) 9652
of section 124.03 of the Revised Code, the board may determine the 9653
most appropriate classification for the position of any employee 9654
coming before the board, with or without a job audit. The board 9655
shall disallow any reclassification or reassignment classification 9656
of any employee when it finds that changes have been made in the 9657
duties and responsibilities of any particular employee for 9658
political, religious, or other unjust reasons. 9659

(E)(1) Employees of each county department of job and family 9660
services shall be paid a salary or wage established by the board 9661
of county commissioners. The provisions of section 124.18 of the 9662
Revised Code concerning the standard work week apply to employees 9663
of county departments of job and family services. A board of 9664
county commissioners may do either of the following: 9665

(a) Notwithstanding any other section of the Revised Code, 9666
supplement the sick leave, vacation leave, personal leave, and 9667
other benefits of any employee of the county department of job and 9668

family services of that county, if the employee is eligible for 9669
the supplement under a written policy providing for the 9670
supplement; 9671

(b) Notwithstanding any other section of the Revised Code, 9672
establish alternative schedules of sick leave, vacation leave, 9673
personal leave, or other benefits for employees not inconsistent 9674
with the provisions of a collective bargaining agreement covering 9675
the affected employees. 9676

(2) Division (E)(1) of this section does not apply to 9677
employees for whom the state employment relations board 9678
establishes appropriate bargaining units pursuant to section 9679
4117.06 of the Revised Code, except in either of the following 9680
situations: 9681

(a) The employees for whom the state employment relations 9682
board establishes appropriate bargaining units elect no 9683
representative in a board-conducted representation election. 9684

(b) After the state employment relations board establishes 9685
appropriate bargaining units for such employees, all employee 9686
organizations withdraw from a representation election. 9687

(F)(1) Notwithstanding any contrary provision of sections 9688
124.01 to 124.64 of the Revised Code, the board of trustees of 9689
each state university or college, as defined in section 3345.12 of 9690
the Revised Code, shall carry out all matters of governance 9691
involving the officers and employees of the university or college, 9692
including, but not limited to, the powers, duties, and functions 9693
of the department of administrative services and the director of 9694
administrative services specified in this chapter. Officers and 9695
employees of a state university or college shall have the right of 9696
appeal to the state personnel board of review as provided in this 9697
chapter. 9698

(2) Each board of trustees shall adopt rules under section 9699

111.15 of the Revised Code to carry out the matters of governance 9700
described in division (F)(1) of this section. Until the board of 9701
trustees adopts those rules, a state university or college shall 9702
continue to operate pursuant to the applicable rules adopted by 9703
the director of administrative services under this chapter. 9704

(G)(1) Each board of county commissioners may, by a 9705
resolution adopted by a majority of its members, establish a 9706
county personnel department to exercise the powers, duties, and 9707
functions specified in division (G) of this section. As used in 9708
division (G) of this section, "county personnel department" means 9709
a county personnel department established by a board of county 9710
commissioners under division (G)(1) of this section. 9711

(2)(a) Each board of county commissioners, by a resolution 9712
adopted by a majority of its members, may designate the county 9713
personnel department of the county to exercise the powers, duties, 9714
and functions specified in sections 124.01 to 124.64 and Chapter 9715
325. of the Revised Code with regard to employees in the service 9716
of the county, except for the powers and duties of the state 9717
personnel board of review, which powers and duties shall not be 9718
construed as having been modified or diminished in any manner by 9719
division (G)(2) of this section, with respect to the employees for 9720
whom the board of county commissioners is the appointing authority 9721
or co-appointing authority. 9722

(b) Nothing in division (G)(2) of this section shall be 9723
construed to limit the right of any employee who possesses the 9724
right of appeal to the state personnel board of review to continue 9725
to possess that right of appeal. 9726

(c) Any board of county commissioners that has established a 9727
county personnel department may contract with the department of 9728
administrative services, in accordance with division (H) of this 9729
section, another political subdivision, or an appropriate public 9730
or private entity to provide competitive testing services or other 9731

appropriate services. 9732

(3) After the county personnel department of a county has 9733
been established as described in division (G)(2) of this section, 9734
any elected official, board, agency, or other appointing authority 9735
of that county, upon written notification to the county personnel 9736
department, may elect to use the services and facilities of the 9737
county personnel department. Upon receipt of the notification by 9738
the county personnel department, the county personnel department 9739
shall exercise the powers, duties, and functions as described in 9740
division (G)(2) of this section with respect to the employees of 9741
that elected official, board, agency, or other appointing 9742
authority. 9743

(4) Each board of county commissioners, by a resolution 9744
adopted by a majority of its members, may disband the county 9745
personnel department. 9746

(5) Any elected official, board, agency, or appointing 9747
authority of a county may end its involvement with a county 9748
personnel department upon actual receipt by the department of a 9749
certified copy of the notification that contains the decision to 9750
no longer participate. 9751

(6) A county personnel department, in carrying out its 9752
duties, shall adhere to merit system principles with regard to 9753
employees of county departments of job and family services, child 9754
support enforcement agencies, and public child welfare agencies so 9755
that there is no threatened loss of federal funding for these 9756
agencies, and the county is financially liable to the state for 9757
any loss of federal funds due to the action or inaction of the 9758
county personnel department. 9759

(H) County agencies may contract with the department of 9760
administrative services for any human resources services, 9761
including, but not limited to, establishment and modification of 9762

job classification plans, competitive testing services, and 9763
periodic audits and reviews of the county's uniform application of 9764
the powers, duties, and functions specified in sections 124.01 to 9765
124.64 and Chapter 325. of the Revised Code with regard to 9766
employees in the service of the county. Nothing in this division 9767
modifies the powers and duties of the state personnel board of 9768
review with respect to employees in the service of the county. 9769
Nothing in this division limits the right of any employee who 9770
possesses the right of appeal to the state personnel board of 9771
review to continue to possess that right of appeal. 9772

(I) The director of administrative services shall establish 9773
the rate and method of compensation for all employees who are paid 9774
directly by warrant of the director of budget and management and 9775
who are serving in positions that the director of administrative 9776
services has determined impracticable to include in the state job 9777
classification plan. This division does not apply to elected 9778
officials, legislative employees, employees of the legislative 9779
service commission, employees who are in the unclassified civil 9780
service and exempt from collective bargaining coverage in the 9781
office of the secretary of state, auditor of state, treasurer of 9782
state, and attorney general, employees of the courts, employees of 9783
the bureau of workers' compensation whose compensation the 9784
administrator of workers' compensation establishes under division 9785
(B) of section 4121.121 of the Revised Code, or employees of an 9786
appointing authority authorized by law to fix the compensation of 9787
those employees. 9788

(J) The director of administrative services shall set the 9789
rate of compensation for all intermittent, seasonal, temporary, 9790
emergency, and casual employees in the service of the state who 9791
are not considered public employees under section 4117.01 of the 9792
Revised Code. Those employees are not entitled to receive employee 9793
benefits. This rate of compensation shall be equitable in terms of 9794

the rate of employees serving in the same or similar 9795
classifications. This division does not apply to elected 9796
officials, legislative employees, employees of the legislative 9797
service commission, employees who are in the unclassified civil 9798
service and exempt from collective bargaining coverage in the 9799
office of the secretary of state, auditor of state, treasurer of 9800
state, and attorney general, employees of the courts, employees of 9801
the bureau of workers' compensation whose compensation the 9802
administrator establishes under division (B) of section 4121.121 9803
of the Revised Code, or employees of an appointing authority 9804
authorized by law to fix the compensation of those employees. 9805

Sec. 124.18. (A) Forty hours shall be the standard work week 9806
for all employees whose salary or wage is paid in whole or in part 9807
by the state or by any state-supported college or university. When 9808
any employee whose salary or wage is paid in whole or in part by 9809
the state or by any state-supported college or university is 9810
required by an authorized administrative authority to be in an 9811
active pay status more than forty hours in any calendar week, the 9812
employee shall be compensated for such time over forty hours, 9813
except as otherwise provided in this section, at one and one-half 9814
times the employee's regular rate of pay. The use of sick leave or 9815
any leave used in lieu of sick leave shall not be considered to be 9816
active pay status for the purposes of earning overtime or 9817
compensatory time by employees whose wages are paid directly by 9818
warrant of the director of budget and management. A flexible-hours 9819
employee is not entitled to compensation for overtime work unless 9820
the employee's authorized administrative authority required the 9821
employee to be in active pay status for more than forty hours in a 9822
calendar week, regardless of the number of hours the employee 9823
works on any day in the same calendar week. 9824

Such compensation for overtime work shall be paid no later 9825
than at the conclusion of the next succeeding pay period. 9826

If the employee elects to take compensatory time off in lieu 9827
of overtime pay for any overtime worked, such compensatory time 9828
shall be granted by the employee's administrative superior, on a 9829
time and one-half basis, at a time mutually convenient to the 9830
employee and the administrative superior. Compensatory time is not 9831
available for use until it appears on the employee's earning 9832
statement and the compensation described in the earning statement 9833
is available to the employee. 9834

An employee may accrue compensatory time to a maximum of two 9835
hundred forty hours, except that public safety employees and other 9836
employees who meet the criteria established in the "Federal Fair 9837
Labor Standards Act of 1938," 52 Stat. 1060, 29 U.S.C.A. 207, 213, 9838
as amended, may accrue a maximum of four hundred eighty hours of 9839
compensatory time. An employee shall be paid at the employee's 9840
regular rate of pay for any hours of compensatory time accrued in 9841
excess of these maximum amounts if the employee has not used the 9842
compensatory time within three hundred sixty-five days after it is 9843
granted, if the employee transfers to another agency of the state, 9844
or if a change in the employee's status exempts the employee from 9845
the payment of overtime compensation. Upon the termination of 9846
employment, any employee with accrued but unused compensatory time 9847
shall be paid for that time at a rate that is the greater of the 9848
employee's final regular rate of pay or the employee's average 9849
regular rate of pay during the employee's last three years of 9850
employment with the state. 9851

No overtime, as described in this section, can be paid unless 9852
it has been authorized by the authorized administrative authority. 9853
Employees may be exempted from the payment of compensation as 9854
required by this section only under the criteria for exemption 9855
from the payment of overtime compensation established in the 9856
"Federal Fair Labor Standards Act of 1938," 52 Stat. 1060, 29 9857
U.S.C.A. 207, 213, as amended. With the approval of the director 9858

of administrative services, the appointing authority may establish 9859
a policy to grant compensatory time or to pay compensation to 9860
~~state~~ employees in the service of the state who are exempt from 9861
overtime compensation. With the approval of the board of county 9862
commissioners, a county human services department may establish a 9863
policy to grant compensatory time or to pay compensation to 9864
employees of the department who are exempt from overtime 9865
compensation. 9866

(B)(1) An employee, whose salary or wage is paid in whole or 9867
in part by the state, shall be paid for the holidays declared in 9868
section 124.19 of the Revised Code and shall not be required to 9869
work on those holidays, unless, in the opinion of the employee's 9870
responsible administrative authority, failure to work on those 9871
holidays would impair the public service. 9872

(2) An employee paid directly by warrant of the director of 9873
budget and management who is scheduled to work on the first day of 9874
January, the commemoration of memorial day, the fourth day of 9875
July, the fourth Thursday in November, or the twenty-fifth day of 9876
December and who does not report to work the day before, the day 9877
of, or the day after the holiday due to an illness of the employee 9878
or of a member of the employee's immediate family shall not 9879
receive holiday pay as provided by this division, unless the 9880
employee can provide documentation of extenuating circumstances 9881
that prohibited the employee from so reporting to work. If the 9882
employee works a shift between the employee's scheduled shift and 9883
the holiday, the employee shall be paid for the holiday. 9884

(3) An employee also shall not be paid for a holiday unless 9885
the employee was in active pay status on the scheduled work day 9886
immediately preceding the holiday, except that an employee need 9887
not be in active pay status on that work day in order to be paid 9888
for the holiday if the employee is participating in a mandatory or 9889
voluntary cost savings day under section 124.392 of the Revised 9890

Code. 9891

(4) If any of the holidays declared in section 124.19 of the Revised Code falls on Saturday, the Friday immediately preceding shall be observed as the holiday. If any of the holidays declared in section 124.19 of the Revised Code falls on Sunday, the Monday immediately succeeding shall be observed as the holiday. Employees whose work schedules are based on the requirements of a seven-days-a-week work operation shall observe holidays on the actual days specified in section 124.19 of the Revised Code.

(5) If an employee's work schedule is other than Monday through Friday, the employee shall be entitled to eight hours of holiday pay for holidays observed on the employee's day off regardless of the day of the week on which they are observed.

(6) A full-time permanent employee is entitled to a minimum of eight hours of pay for each holiday regardless of the employee's work shift and work schedule. A flexible-hours employee, who is normally scheduled to work in excess of eight hours on a day on which a holiday falls, either shall be required to work an alternate schedule for that week or shall receive additional holiday pay for the hours the employee is normally scheduled to work. Such an alternate schedule may require a flexible-hours employee to work five shifts consisting of eight hours each during the week including the holiday, and, in that case, the employee shall receive eight hours of holiday pay for the day the holiday is observed.

(7) Except as provided under section 124.392 of the Revised Code, part-time permanent employees shall receive four hours of holiday pay regardless of the employee's work shift and work schedule.

(8) When an employee who is eligible for overtime pay under this section is required by the employee's responsible

administrative authority to work on the day observed as a holiday, 9922
the employee shall be entitled to pay for such time worked at one 9923
and one-half times the employee's regular rate of pay in addition 9924
to the employee's regular pay, or to be granted compensatory time 9925
off at time and one-half thereafter, at the employee's option. 9926
Payment at such rate shall be excluded in the calculation of hours 9927
in active pay status. 9928

(C) Each appointing authority may designate the number of 9929
employees in an agency who are flexible-hours employees. The 9930
appointing authority may establish for each flexible-hours 9931
employee a specified minimum number of hours to be worked each day 9932
that is consistent with the "Federal Fair Labor Standards Act of 9933
1938," 52 Stat. 1060, 29 U.S.C.A. 207, 213, as amended. 9934

(D) This section shall be uniformly administered for 9935
employees as defined in section 124.01 of the Revised Code and by 9936
the personnel departments of state-supported colleges and 9937
universities for employees of state-supported colleges and 9938
universities. If employees are not paid directly by warrant of the 9939
director of budget and management, the political subdivision shall 9940
determine whether the use of sick leave shall be considered to be 9941
active pay status for purposes of those employees earning overtime 9942
or compensatory time. 9943

(E) Policies relating to the payment of overtime pay or the 9944
granting of compensatory time off shall be adopted by the chief 9945
administrative officer of the house of representatives for 9946
employees of the house of representatives, by the clerk of the 9947
senate for employees of the senate, and by the director of the 9948
legislative service commission for all other legislative 9949
employees. 9950

(F) As used in this section, "regular rate of pay" means the 9951
base rate of pay an employee receives plus any pay supplements 9952
received pursuant to section 124.181 of the Revised Code. 9953

Sec. 124.30. (A) Classified positions in the civil service 9954
may be filled without competition as follows: 9955

(1) Whenever there are urgent reasons for filling a vacancy 9956
in any position in the classified civil service and the director 9957
of administrative services is unable to certify to the appointing 9958
authority, upon its request, a list of persons eligible for 9959
appointment to the position after a competitive examination, the 9960
appointing authority may fill the position by noncompetitive 9961
examination. 9962

A temporary appointment may be made without regard to the 9963
rules of sections 124.01 to 124.64 of the Revised Code. Except as 9964
otherwise provided in this division, the temporary appointment may 9965
not continue longer than one hundred twenty days, and in no case 9966
shall successive temporary appointments be made. A temporary 9967
appointment longer than one hundred twenty days may be made if 9968
necessary by reason of sickness, disability, or other approved 9969
leave of absence of regular officers or employees, in which case 9970
it may continue during the period of sickness, disability, or 9971

service in case of subsequent appointment to a permanent position. 9999

(B) Persons who receive temporary or intermittent 10000

supervisor or appointing authority has authority to correct the 10007
violation or misuse, the employee may file a written report 10008
identifying the violation or misuse with the supervisor or 10009
appointing authority. In addition to or instead of filing a 10010

as a result of the employee's having filed a report or complaint 10055
under division (A) of this section, the employee's sole and 10056
exclusive remedy, notwithstanding any other provision of law, is 10057
to file an appeal with the state personnel board of review within 10058
thirty days after receiving actual notice of the appointing 10059
authority's action. If the employee files such an appeal, the 10060
board shall immediately notify the employee's appointing authority 10061
and shall hear the appeal. The board may affirm or disaffirm the 10062

with Chapter 119. of the Revised Code. 10065

eighty hours, the employee immediately becomes subject to sections 10079
124.382 and 124.385 of the Revised Code regarding sick leave and 10080

credit ceases to accrue to the employee under section 124.134 of 10122
the Revised Code, but sick leave credit and personal leave credit 10123

Sec. 125.832. (A) The department of administrative services 10482

department may approve the purchase, rather than the lease, of a 10496
passenger motor vehicle for the acquiring state agency. 10497

(2) Direct and approve all funds that are expended for the 10498

replacements, motor vehicle fueling, and motor vehicle repairs. 10511

(C) The director shall establish and maintain a fleet 10512
reporting system and shall require state agencies to submit to the 10513
department information relative to state motor vehicles, including 10514
motor vehicles described in division (G)(2) of section 125.831 of 10515

delegated authority as described in division (G) of this section. 10531

vehicles, on July 1, 2005, also shall be managed by the 10534
department's fleet management program on a time schedule 10535
determined by the department, unless the state agency has received 10536
delegated authority as described in division (G) of this section. 10537

(G)(1) The department may delegate any or all of its duties 10538
regarding fleet management to a state agency, if the state agency 10539
demonstrates to the satisfaction of the department both of the 10540

following: 10541

(a) Capabilities to institute and manage a fleet management 10542
program, including, but not limited to, the presence of a 10543
certified fleet manager; 10544

(b) Fleet management performance, as demonstrated by fleet 10545
data and other information submitted pursuant to annual reporting 10546
requirements and any other criteria the department considers 10547

following applies: 10554

(1) The fund that originally provided moneys for the purchase 10555

moneys derived from the general revenue fund, the proceeds shall 10558
be deposited, in the director's discretion, into the state 10559
treasury to the credit of either the fleet management fund created 10560
by section 125.83 of the Revised Code or the investment recovery 10561
fund created by section 125.14 of the Revised Code. 10562

(I)(1) The department shall create and maintain a certified 10563
fleet manager program. 10564

(2) State agencies that have received delegated authority as 10565
described in division (G) of this section shall have a certified 10566
fleet manager. 10567

(J) The department annually shall prepare and submit a 10568
statewide fleet report to the governor, the speaker of the house 10569
of representatives, and the president of the senate. The report 10570

shall be submitted not later than the thirty-first day of January 10571
following the end of each fiscal year. It may include, but is not 10572
limited to, the numbers and types of motor vehicles, their 10573

under division (G) of this section with applicable fleet 10577
management requirements. 10578

(K) The director shall adopt rules for implementing the fleet 10579
management program that are consistent with recognized best 10580

these fees and deposit them into the state treasury to the credit 10583
for the fleet management fund created by section 125.83 of the 10584
Revised Code. The setting and collection of fees under this 10585
division is not subject to any restriction imposed by law upon the 10586
director's or the department's authority to set or collect fees. 10587

(L) The director also shall adopt rules that prohibit, except 10588
in very limited circumstances, the exclusive assignment of 10589
state-owned, leased, or pooled motor vehicles to state employees 10590
and that prohibit the reimbursement under section 126.31 of the 10591
Revised Code of state employees who use their own motor vehicles 10592
for any mileage they incur above an amount that the department 10593
shall determine annually unless reimbursement for the excess 10594
mileage is approved by the department in accordance with standards 10595
for that approval the director shall establish in those rules. 10596
Beginning on September 26, 2003, no state-owned, leased, or pooled 10597
motor vehicle shall be personally assigned as any form of 10598
compensation or benefit of state employment, and no state-owned, 10599

per year an employee of a state agency must drive in order to
qualify for approval by the department to receive a motor vehicle

(3) Establish the minimum number of business miles per year
at an amount that results when the annual motor vehicle cost is
divided by the amount that is the reimbursement rate per mile
minus the amount that is the sum of the fuel cost, the operating
cost, and the insurance cost. As used in this division:

(a) "Annual motor vehicle cost" means the price of a motor
vehicle divided by the number of years an average motor vehicle is
used.

(b) "Fuel cost" means the average price per gallon of motor
fuel divided by the miles per gallon fuel efficiency of a motor

10654
10655
10656
10657

involving the expenditure of money chargeable to an appropriation, 10747
nor any resolution or order for the expenditure of money 10748
chargeable to an appropriation, shall be valid and enforceable 10749
unless the director of budget and management first certifies that 10750
there is a balance in the appropriation not already obligated to 10751

contract or agreement entered into by the state shall contain a 10755
clause stating that the obligations of the state are subject to 10756

of budget and management for making the payment. If they do meet 10768
those requirements, the chief administrative officer shall certify 10769
to the director the approval of the chief administrative officer 10770

Prior to drawing a warrant or processing an electronic funds 10772

director may review and audit the voucher, any documentation 10774
accompanying the voucher, and any other documentation related to 10775
the transaction that the director may require to determine if the 10776
transaction is in accordance with law. The director shall not 10777
approve payment to be made if the director finds that there is not 10778
an unobligated balance in the appropriation for the payment, that 10779
the payment is not for a valid claim against the state that is 10780
legally due, or that insufficient documentation has been 10781
submitted. If the director does not approve payment, the director 10782
shall notify the agency of the reasons the director has not given 10783
approval. 10784

Within sixty days after the effective date of any act appropriating money for capital projects, the director shall determine which appropriations are for general projects and which

are for specific projects. Specific projects may include specific 10818
higher education projects that are to be funded from general 10819
purpose appropriations from the higher education improvement fund 10820
or the higher education improvement taxable fund created in 10821
section 154.21 of the Revised Code. Upon determining which 10822
projects are general and which are specific, the director shall 10823
submit to the controlling board a list that includes a brief 10824
description of and the estimated expenditures for each specific 10825
project. The release of money for any specific higher education 10826
projects that are to be funded from general purpose appropriations 10827
from the higher education improvement fund or the higher education 10828
improvement taxable fund but that are not included on the list, 10829
and the release of money for any specific higher education 10830
projects included on the list that will exceed the estimated 10831

transfers of appropriations to them for specific higher education 10835
projects included on the list that are to be funded from general 10836
purpose appropriations for basic renovations that are made from 10837
the higher education improvement fund or the higher education 10838
improvement taxable fund. 10839

release funds to a veterans organization until the director has 10841
been advised by the director of veterans services under division 10842
(Y) of section 5902.02 of the Revised Code that the organization 10843
has submitted a satisfactory report as required by division (W) of 10844
that section. 10845

Sec. 126.32. (A) Any officer of any state agency may 10846

The rules shall incorporate industry standards and best practices 11777
for wireless 9-1-1 services. Public safety answering points shall 11778
comply with the standards not later than two years after the 11779
effective date of the rules adopting the standards. 11780

Sec. ~~5507.022~~ 128.022. The ~~statewide emergency services~~ 11781
~~internet protocol network~~ steering committee shall establish 11782
guidelines for the tax commissioner to use when disbursing money 11783

that territory. The system shall exclude from enhanced 9-1-1 any territory served by a wireline service provider that is not capable of reasonably meeting the technical and economic requirements of providing the wireline telephone network portion of enhanced 9-1-1 for that territory. If a 9-1-1 planning committee and a wireline service provider do not agree on whether the provider is so capable, the planning committee shall notify the ~~department of public safety steering committee~~, and the ~~department steering committee~~ shall determine whether the wireline service provider is so capable. The planning committee shall ascertain whether such disagreement exists before making its implementation proposal under division (A) of section ~~5507.07~~ 128.07 of the Revised Code. The ~~department's steering committee's~~ determination shall be in the form of an order. No final plan shall require a wireline service provider to provide the wireline telephone network portion of a 9-1-1 system that the ~~department steering committee~~ has determined the provider is not reasonably capable of providing.

(B) A countywide 9-1-1 system may be a basic or enhanced 9-1-1 system, or a combination of the two, and shall be for the purpose of providing both wireline 9-1-1 and wireless 9-1-1.

governments operating a public safety answering point may enter 11837
into a service agreement for providing wireless enhanced 9-1-1 11838
pursuant to a final plan adopted under this chapter. 11839

(E) Except to the extent provided in a final plan that 11840
provides for funding of a 9-1-1 system in part through charges 11841
imposed under section ~~5507.22~~ 128.22 of the Revised Code, each 11842
subdivision served by a public safety answering point shall pay 11843
the subdivision or regional council of governments that operates 11844
the answering point the amount computed in accordance with the 11845
allocation formula set forth in the final plan. 11846

(F) Notwithstanding any other provision of law, the purchase 11847
or other acquisition, installation, and maintenance of the 11848

requirement of competitive bidding. 11855

(G) Each emergency service provider participating in a 11856
countywide 9-1-1 system shall maintain a telephone number in 11857
addition to 9-1-1. 11858

(H) Whenever a final plan provides for the implementation of 11859
basic 9-1-1, the planning committee shall so notify the ~~department~~ 11860
~~of public safety steering committee~~, which shall determine whether 11861
the wireline service providers serving the territory covered by 11862

the plan are capable of reasonably meeting the technical and 11863
economic requirements of providing the wireline telephone network 11864
portion of an enhanced 9-1-1 system. The determination shall be 11865
made solely for purposes of division (C)(2) of section ~~5507.18~~ 11866
128.18 of the Revised Code. 11867

(I) If the public safety answering point personnel reasonably 11868
determine that a 9-1-1 call is not an emergency, the personnel 11869
shall provide the caller with the telephone number of an 11870
appropriate subdivision agency as applicable. 11871

state highway patrol or one or more public safety answering points 11875
of another 9-1-1 system is the public safety answering point or 11876
points for the provision of wireline or wireless 9-1-1 for all or 11877
part of the territory of the 9-1-1 system established under the 11878
plan or agreement. In that event, the subdivision for which the 11879
wireline or wireless 9-1-1 is provided as named in the agreement 11880
shall be deemed the subdivision operating the public safety 11881
answering point or points for purposes of this chapter, except 11882
that, for the purpose of division (D)(2) of this section, that 11883
subdivision shall pay only so much of the costs of establishing, 11884
equipping, furnishing, operating, or maintaining any such public 11885
safety answering point as are specified in the agreement with the 11886
patrol or other system. 11887

(K) A final plan for the provision of wireless enhanced 9-1-1 11888
shall provide that any wireless 9-1-1 calls routed to a state 11889
highway patrol-operated public safety answering point by default, 11890
due to a wireless service provider so routing all such calls of 11891
its subscribers without prior permission, are instead to be routed 11892
as provided under the plan. Upon the implementation of countywide 11893
wireless enhanced 9-1-1 pursuant to a final plan, the state 11894

highway patrol shall cease any functioning as a public safety
answering point providing wireless 9-1-1 within the territory
covered by the countywide 9-1-1 system so established, unless the
patrol functions as a public safety answering point providing
wireless enhanced 9-1-1 pursuant to an agreement included in the
plan as authorized under division (J) of this section.

Sec. ~~5507.06~~ 128.06. (A) A board of county commissioners or

of the Revised Code. 11937

(C) The 9-1-1 planning committee shall appoint a 9-1-1 11938

safety answering point under the plan. 11964

(B) The proposal and the final plan adopted by the committee 11965
shall specify: 11966

the Revised Code, in an adjacent county will participate in the 11969
9-1-1 system; 11970

(2) The location and number of public safety answering 11971
points; how they will be connected to a company's telephone 11972

within such territory; what subdivisions will be served by the 11975

system. If a planning committee and wireline service provider do 12000
not agree on whether the wireline service provider is capable of 12001
providing the wireline telephone network as described under 12002
division (A) of section ~~5507.03~~ 128.03 of the Revised Code and the 12003
planning committee refers that question to the ~~department of~~ 12004
~~public safety steering committee~~, the ~~department steering~~ 12005

~~(D) If the committee has not adopted a final plan on or 12016
before the deadline in division (C) of this section, the committee 12017~~

~~shall cease to exist. A new 9-1-1 planning committee may be 12018
convened in the manner established in section 5507.06 of the 12019
Revised Code to develop an implementation proposal and final plan 12020
in accordance with the requirements of sections 5507.06 to 5507.08 12021
of the Revised Code. 12022~~

Sec. ~~5507.08~~ 128.08. (A) Within sixty days after receipt of 12023
the final plan pursuant to division (C) of section ~~5507.07~~ 128.07 12024
of the Revised Code, the board of county commissioners of the 12025
county and the legislative authority of each municipal corporation 12026
in the county and of each township whose territory is proposed to 12027
be included in a countywide 9-1-1 system shall act by resolution 12028
to approve or disapprove the plan, except that, with respect to a 12029
final plan that provides for funding of the 9-1-1 system in part 12030
through charges imposed under section ~~5507.22~~ 128.22 of the 12031
Revised Code, the board of county commissioners shall not act by 12032
resolution to approve or disapprove the plan until after a 12033
resolution adopted under section ~~5507.22~~ 128.22 of the Revised 12034
Code has become effective as provided in division (D) of that 12035
section. A municipal corporation or township whose territory is 12036
proposed to be included in the system includes any municipal 12037
corporation or township in which a part of its territory is 12038
excluded pursuant to division (A)(2) of section ~~5507.03~~ 128.03 of 12039
the Revised Code. Each such authority immediately shall notify the 12040
board of county commissioners in writing of its approval or 12041
disapproval of the final plan. Failure by a board or legislative 12042
authority to notify the board of county commissioners of approval 12043
or disapproval within such sixty-day period shall be deemed 12044
disapproval by the board or authority. 12045

(B) As used in this division, "county's population" excludes 12046
the population of any municipal corporation or township that, 12047
under the plan, is completely excluded from 9-1-1 service in the 12048
county's final plan. A countywide plan is effective if all of the 12049

following entities approve the plan in accordance with this 12050
section: 12051

(1) The board of county commissioners; 12052

(2) The legislative authority of a municipal corporation that 12053
contains at least thirty per cent of the county's population, if 12054
any; 12055

(3) The legislative authorities of municipal corporations and 12056
townships that contain at least sixty per cent of the county's 12057
population or, if the plan has been approved by a municipal 12058
corporation that contains at least sixty per cent of the county's 12059
population, by the legislative authorities of municipal 12060
corporations and townships that contain at least seventy-five per 12061
cent of the county's population. 12062

(C) After a countywide plan approved in accordance with this 12063
section is adopted, all of the telephone companies, subdivisions, 12064
and regional councils of governments included in the plan are 12065
subject to the specific requirements of the plan and to this 12066
chapter. 12067

Sec. ~~5507-09~~ 128.09. (A) If a final plan is disapproved under 12068
division (B) of section ~~5507-08~~ 128.08 of the Revised Code, by 12069
resolution, the legislative authority of a municipal corporation 12070
or township that contains at least thirty per cent of the county's 12071
population may establish within its boundaries, or the legislative 12072
authorities of a group of municipal corporations or townships each 12073
of which is contiguous with at least one other such municipal 12074
corporation or township in the group, together containing at least 12075
thirty per cent of the county's population, may jointly establish 12076
within their boundaries a 9-1-1 system. For that purpose, the 12077
municipal corporation or township may enter into an agreement, and 12078
the contiguous municipal corporations or townships may jointly 12079
enter into an agreement with one or more telephone companies. 12080

12081
(B) If no resolution has been adopted to convene a 9-1-1 12082
planning committee under section ~~5507.06~~ 128.06 of the Revised 12083
Code, by resolution, the legislative authority of any municipal 12084
corporation in the county may establish within its boundaries, or 12085
the legislative authorities of a group of municipal corporations 12086
and townships each of which is contiguous to at least one of the 12087
other such municipal corporations or townships in the group may 12088
jointly establish within their boundaries, a 9-1-1 system. For 12089
that purpose, the municipal corporation, or contiguous municipal 12090
corporations and townships, may enter into an agreement with one 12091
or more telephone companies. 12092

(C) Whenever a telephone company that is a wireline service 12093
provider and one or more municipal corporations and townships 12094
enter into an agreement under division (A) or (B) of this section 12095
to provide for the wireline telephone network portion of a basic 12096
9-1-1 system, the telephone company shall so notify the ~~department~~ 12097
~~of public safety steering committee~~, which shall determine whether 12098
the telephone company is capable of reasonably meeting the 12099
technical and economic requirements of providing the wireline 12100
telephone network for an enhanced system within the territory 12101
served by the company and covered by the agreement. The 12102
determination shall be made solely for the purposes of division 12103
(C)(2) of section ~~5507.18~~ 128.18 of the Revised Code. 12104

(D) Within three years from the date of entering into an 12105
initial agreement described under division (C) of this section, 12106
the telephone company shall have installed the wireline telephone 12107
network portion of the 9-1-1 system according to the terms, 12108
conditions, requirements, and specifications set forth in the 12109
agreement. 12110

(E) A telephone company that is a wireline service provider 12111
shall recover the cost of installing the wireline telephone 12112

network system pursuant to agreements made under this section as 12113
provided in sections ~~5507.18~~ 128.18 and 5733.55 of the Revised 12114
Code. 12115

Sec. ~~5507.12~~ 128.12. (A) An amended final plan is required 12116
for any of the following purposes: 12117

~~5507.42~~ 128.42 of the Revised Code for the second preceding 12740

If the wireless service provider or reseller receives a partial 12749
payment for a bill from a wireless service subscriber, the 12750
wireless service provider or reseller shall apply the payment 12751
first against the amount the subscriber owes the wireless service 12752
provider or reseller and shall remit to the ~~coordinator~~ 12753
administrator such lesser amount, if any, as results from that 12754

authorization is warranted upon the basis of administrative costs 12784
to the state. 12785

(4) A wireless service provider, reseller, and seller may 12786
each retain as a collection fee three per cent of the total 12787

service provider or reseller fails to bill or collect the charge, 12820
or if a seller fails to collect the charge, the provider, 12821
reseller, or seller is liable to the state for the amount not 12822
billed or collected. If a provider, reseller, or seller fails to 12823
remit money to the tax commissioner as required under this 12824

(D) Prior to January 1, 2014: 12832

(1) If the ~~public utilities commission~~ steering committee has 12833

failed to bill, collect, or remit the wireless 9-1-1 charge as 12835
required by divisions (A)(1) and (C)(1) of this section or has 12836
retained more than the amount authorized under division (A)(2) of 12837
this section, and after written notice to the provider or 12838
reseller, the ~~commission~~ steering committee may audit the provider 12839
or reseller for the sole purpose of making such a determination. 12840
The audit may include, but is not limited to, a sample of the 12841
provider's or reseller's billings, collections, remittances, or 12842
retentions for a representative period, and the ~~commission~~ 12843
steering committee shall make a good faith effort to reach 12844
agreement with the provider or reseller in selecting that sample. 12845

(2) Upon written notice to the wireless service provider or 12847
reseller, the ~~commission~~ steering committee, by order after 12848
completion of the audit, may make an assessment against the 12849
provider or reseller if, pursuant to the audit, the ~~commission~~ 12850
steering committee determines that the provider or reseller has 12851
failed to bill, collect, or remit the wireless 9-1-1 charge as 12852
required by divisions (A)(1) and (C)(1) of this section or has 12853
retained more than the amount authorized under division (A)(2) of 12854
this section. The assessment shall be in the amount of any 12855
remittance that was due and unpaid on the date notice of the audit 12856
was sent by the ~~commission~~ steering committee to the provider or 12857
reseller or, as applicable, in the amount of the excess amount 12858
under division (A)(2) of this section retained by the provider or 12859

(3) The portion of any assessment not paid within sixty days 12861

after the date of service by the ~~commission steering committee~~ of 12862
the assessment notice under division (D)(2) of this section shall 12863
bear interest from that date until paid at the rate per annum 12864
prescribed by section 5703.47 of the Revised Code. That interest 12865
may be collected by making an assessment under division (D)(2) of 12866
this section. An assessment under this division and any interest 12867
due shall be remitted in the same manner as the wireless 9-1-1 12868
charge imposed under division (A) of section ~~5507.42~~ 128.42 of the 12869
Revised Code. 12870

~~(4) An assessment is final and due and payable and shall be 12871
remitted to the commission unless the assessed party petitions for 12872
rehearing under section 4903.10 of the Revised Code. The 12873
proceedings of the commission specified in division (D)(4) of this 12874
section are subject to and governed by Chapter 4903. of the 12875
Revised Code, except that the court of appeals of Franklin county 12876
has exclusive, original jurisdiction to review, modify, or vacate 12877
an order of the commission under division (D)(2) of this section. 12878
The court shall hear and determine such appeal in the same manner 12879
and under the same standards as the Ohio supreme court hears and 12880
determines appeals under Chapter 4903. of the Revised Code. 12881~~

~~The judgment of the court of appeals is final and conclusive 12882
unless reversed, vacated, or modified on appeal. Such an appeal 12883
may be made by the commission or the person to whom the order 12884
under division (D)(2) of this section was issued and shall proceed 12885
as in the case of appeals in civil actions as provided in Chapter 12886
2505. of the Revised Code. Unless the provider, reseller, or 12887
seller assessed files with the steering committee within sixty 12888
days after service of the notice of assessment, either personally 12889
or by certified mail, a written petition for reassessment, signed 12890
by the party assessed or that party's authorized agent having 12891
knowledge of the facts, the assessment shall become final and the 12892
amount of the assessment shall be due and payable from the party 12893~~

assessed to the administrator. The petition shall indicate the 12894
objections of the party assessed, but additional objections may be 12895
raised in writing if received by the administrator or the steering 12896
committee prior to the date shown on the final determination. 12897

(5) After an assessment becomes final, if any portion of the 12898

copy of the ~~commission's entry making the assessment~~ final 12900
assessment may be filed in the office of the clerk of the court of 12901

final assessment may be filed in the office of the clerk of the 12905
court of common pleas of Franklin county. Immediately upon the 12906
filing, the clerk shall enter a judgment for the state against the 12907
assessed party in the amount shown on the ~~entry~~ final assessment. 12908
The judgment may be filed by the clerk in a loose-leaf book 12909
entitled "special judgments for wireless 9-1-1 charges" and shall 12910
have the same effect as other judgments. The judgment shall be 12911
executed upon the request of the ~~commission~~ steering committee. 12912

(6) An assessment under this division does not discharge a 12913
subscriber's liability to reimburse the provider or reseller for 12914
the wireless 9-1-1 charge imposed under division (A) of section 12915

the Revised Code. 14342

(E) Division (B) of this section does not apply to any 14343

auditor of state. The notice shall be certified by the treasurer 14345
of state and shall provide that the treasurer is not subject to 14346

to the treasurer of state the full registration fee set for the 14369
continuing education program. 14370

investment policy shall specify the conditions under which an 14574
investment may be redeemed or sold prior to maturity. 14575

(F) No investing authority shall pay a county's inactive 14576

current period of designation, the securities that are the subject 14619
of the repurchase agreement may be delivered to the treasurer or 14620
held in trust by the participating institution on behalf of the 14621
investing authority. 14622

Upon the expiration of the term of office of an investing 14623
authority or in the event of a vacancy in the office for any 14624
reason, the officer or the officer's legal representative shall 14625
transfer and deliver to the officer's successor all documents 14626
mentioned in this division for which the officer has been 14627
responsible for safekeeping. For all such documents transferred 14628
and delivered, the officer shall be credited with, and the 14629

officer's successor shall be charged with, the amount of moneys 14630
evidenced by such documents. 14631

(J)(1) All investments, except for investments in securities 14632

requested public record available at cost and within a reasonable 16672
period of time. If a public record contains information that is 16673

public record, the public office or the person responsible for the 16675
public record shall make available all of the information within 16676

copies or inspection of public records under this section such 16693
that the public office or the person responsible for the requested 16694

the requested public record may deny the request but shall provide 16697
the requester with an opportunity to revise the request by 16698
informing the requester of the manner in which records are 16699
maintained by the public office and accessed in the ordinary 16700

course of the public office's or person's duties. 16701

including legal authority, setting forth why the request was 16705
denied. If the initial request was provided in writing, the 16706
explanation also shall be provided to the requester in writing. 16707
The explanation shall not preclude the public office or the person 16708
responsible for the requested public record from relying upon 16709
additional reasons or legal authority in defending an action 16710
commenced under division (C) of this section. 16711

federal law or in accordance with division (B) of this section, no 16713

requested public record constitutes a denial of the request. 16719

(5) A public office or person responsible for public records 16720
may ask a requester to make the request in writing, may ask for 16721
the requester's identity, and may inquire about the intended use 16722
of the information requested, but may do so only after disclosing 16723
to the requester that a written request is not mandatory and that 16724
the requester may decline to reveal the requester's identity or 16725
the intended use and when a written request or disclosure of the 16726
identity or intended use would benefit the requester by enhancing 16727
the ability of the public office or person responsible for public 16728
records to identify, locate, or deliver the public records sought 16729
by the requester. 16730

(6) If any person chooses to obtain a copy of a public record 16731

of the public record in accordance with the choice made by the 16735
person seeking the copy under this division. The public office or 16736
the person responsible for the public record shall permit that 16737
person to choose to have the public record duplicated upon paper, 16738
upon the same medium upon which the public office or person 16739
responsible for the public record keeps it, or upon any other 16740
medium upon which the public office or person responsible for the 16741
public record determines that it reasonably can be duplicated as 16742
an integral part of the normal operations of the public office or 16743
person responsible for the public record. When the person seeking 16744
the copy makes a choice under this division, the public office or 16745
person responsible for the public record shall provide a copy of 16746
it in accordance with the choice made by the person seeking the 16747
copy. Nothing in this section requires a public office or person 16748
responsible for the public record to allow the person seeking a 16749
copy of the public record to make the copies of the public record. 16750

(7) Upon a request made in accordance with division (B) of 16751
this section and subject to division (B)(6) of this section, a 16752
public office or person responsible for public records shall 16753
transmit a copy of a public record to any person by United States 16754
mail or by any other means of delivery or transmission within a 16755
reasonable period of time after receiving the request for the 16756
copy. The public office or person responsible for the public 16757
record may require the person making the request to pay in advance 16758
the cost of postage if the copy is transmitted by United States 16759
mail or the cost of delivery if the copy is transmitted other than 16760
by United States mail, and to pay in advance the costs incurred 16761
for other supplies used in the mailing, delivery, or transmission. 16762

Any public office may adopt a policy and procedures that it 16763
will follow in transmitting, within a reasonable period of time 16764

after receiving a request, copies of public records by United States mail or by any other means of delivery or transmission pursuant to this division. A public office that adopts a policy and procedures under this division shall comply with them in performing its duties under this division.

In any policy and procedures adopted under this division, a public office may limit the number of records requested by a person that the office will transmit by United States mail to ten per month, unless the person certifies to the office in writing that the person does not intend to use or forward the requested records, or the information contained in them, for commercial purposes. For purposes of this division, "commercial" shall be narrowly construed and does not include reporting or gathering news, reporting or gathering information to assist citizen oversight or understanding of the operation or activities of government, or nonprofit educational research.

(8) A public office or person responsible for public records is not required to permit a person who is incarcerated pursuant to a criminal conviction or a juvenile adjudication to inspect or to obtain a copy of any public record concerning a criminal investigation or prosecution or concerning what would be a criminal investigation or prosecution if the subject of the investigation or prosecution were an adult, unless the request to inspect or to obtain a copy of the record is for the purpose of acquiring information that is subject to release as a public record under this section and the judge who imposed the sentence or made the adjudication with respect to the person, or the judge's successor in office, finds that the information sought in the public record is necessary to support what appears to be a justiciable claim of the person.

include the journalist's name and title and the name and address 16823
of the journalist's employer and shall state that disclosure of 16824
the information sought would be in the public interest. 16825

(b) Division (B)(9)(a) of this section also applies to 16826
journalist requests for customer information maintained by a 16827
municipally owned or operated public utility, other than social 16828
security numbers and any private financial information such as 16829

credit reports, payment methods, credit card numbers, and bank 16830
account information. 16831

(c) As used in division (B)(9) of this section, "journalist" 16832
means a person engaged in, connected with, or employed by any news 16833
medium, including a newspaper, magazine, press association, news 16834
agency, or wire service, a radio or television station, or a 16835
similar medium, for the purpose of gathering, processing, 16836
transmitting, compiling, editing, or disseminating information for 16837
the general public. 16838

(C)(1) If a person allegedly is aggrieved by the failure of a 16839
public office or the person responsible for public records to 16840
promptly prepare a public record and to make it available to the 16841
person for inspection in accordance with division (B) of this 16842
section or by any other failure of a public office or the person 16843
responsible for public records to comply with an obligation in 16844
accordance with division (B) of this section, the person allegedly 16845
aggrieved may commence a mandamus action to obtain a judgment that 16846
orders the public office or the person responsible for the public 16847
record to comply with division (B) of this section, that awards 16848
court costs and reasonable attorney's fees to the person that 16849
instituted the mandamus action, and, if applicable, that includes 16850
an order fixing statutory damages under division (C)(1) of this 16851
section. The mandamus action may be commenced in the court of 16852
common pleas of the county in which division (B) of this section 16853
allegedly was not complied with, in the supreme court pursuant to 16854
its original jurisdiction under Section 2 of Article IV, Ohio 16855
Constitution, or in the court of appeals for the appellate 16856
district in which division (B) of this section allegedly was not 16857
complied with pursuant to its original jurisdiction under Section 16858
3 of Article IV, Ohio Constitution. 16859

If a requestor transmits a written request by hand delivery 16860
or certified mail to inspect or receive copies of any public 16861

record in a manner that fairly describes the public record or 16862
class of public records to the public office or person responsible 16863
for the requested public records, except as otherwise provided in 16864
this section, the requestor shall be entitled to recover the 16865
amount of statutory damages set forth in this division if a court 16866
determines that the public office or the person responsible for 16867
public records failed to comply with an obligation in accordance 16868
with division (B) of this section. 16869

The amount of statutory damages shall be fixed at one hundred 16870
dollars for each business day during which the public office or 16871
person responsible for the requested public records failed to 16872
comply with an obligation in accordance with division (B) of this 16873
section, beginning with the day on which the requester files a 16874
mandamus action to recover statutory damages, up to a maximum of 16875
one thousand dollars. The award of statutory damages shall not be 16876
construed as a penalty, but as compensation for injury arising 16877
from lost use of the requested information. The existence of this 16878
injury shall be conclusively presumed. The award of statutory 16879
damages shall be in addition to all other remedies authorized by 16880
this section. 16881

The court may reduce an award of statutory damages or not 16882
award statutory damages if the court determines both of the 16883
following: 16884

(a) That, based on the ordinary application of statutory law 16885
and case law as it existed at the time of the conduct or 16886
threatened conduct of the public office or person responsible for 16887
the requested public records that allegedly constitutes a failure 16888
to comply with an obligation in accordance with division (B) of 16889
this section and that was the basis of the mandamus action, a 16890
well-informed public office or person responsible for the 16891
requested public records reasonably would believe that the conduct 16892
or threatened conduct of the public office or person responsible 16893

for the requested public records did not constitute a failure to 16894
comply with an obligation in accordance with division (B) of this 16895
section; 16896

(b) That a well-informed public office or person responsible 16897
for the requested public records reasonably would believe that the 16898
conduct or threatened conduct of the public office or person 16899
responsible for the requested public records would serve the 16900
public policy that underlies the authority that is asserted as 16901
permitting that conduct or threatened conduct. 16902

(2)(a) If the court issues a writ of mandamus that orders the 16903
public office or the person responsible for the public record to 16904
comply with division (B) of this section and determines that the 16905
circumstances described in division (C)(1) of this section exist, 16906
the court shall determine and award to the relator all court 16907
costs. 16908

(b) If the court renders a judgment that orders the public 16909
office or the person responsible for the public record to comply 16910
with division (B) of this section, the court may award reasonable 16911
attorney's fees subject to reduction as described in division 16912
(C)(2)(c) of this section. The court shall award reasonable 16913
attorney's fees, subject to reduction as described in division 16914
(C)(2)(c) of this section when either of the following applies: 16915

(i) The public office or the person responsible for the 16916
public records failed to respond affirmatively or negatively to 16917
the public records request in accordance with the time allowed 16918
under division (B) of this section. 16919

(ii) The public office or the person responsible for the 16920
public records promised to permit the relator to inspect or 16921
receive copies of the public records requested within a specified 16922
period of time but failed to fulfill that promise within that 16923
specified period of time. 16924

(c) Court costs and reasonable attorney's fees awarded under 16925
this section shall be construed as remedial and not punitive. 16926
Reasonable attorney's fees shall include reasonable fees incurred 16927
to produce proof of the reasonableness and amount of the fees and 16928
to otherwise litigate entitlement to the fees. The court may 16929
reduce an award of attorney's fees to the relator or not award 16930
attorney's fees to the relator if the court determines both of the 16931
following: 16932

(i) That, based on the ordinary application of statutory law 16933
and case law as it existed at the time of the conduct or 16934
threatened conduct of the public office or person responsible for 16935
the requested public records that allegedly constitutes a failure 16936
to comply with an obligation in accordance with division (B) of 16937
this section and that was the basis of the mandamus action, a 16938
well-informed public office or person responsible for the 16939
requested public records reasonably would believe that the conduct 16940
or threatened conduct of the public office or person responsible 16941
for the requested public records did not constitute a failure to 16942
comply with an obligation in accordance with division (B) of this 16943
section; 16944

(ii) That a well-informed public office or person responsible 16945
for the requested public records reasonably would believe that the 16946
conduct or threatened conduct of the public office or person 16947
responsible for the requested public records as described in 16948
division (C)(2)(c)(i) of this section would serve the public 16949
policy that underlies the authority that is asserted as permitting 16950
that conduct or threatened conduct. 16951

(D) Chapter 1347. of the Revised Code does not limit the 16952
provisions of this section. 16953

(E)(1) To ensure that all employees of public offices are 16954
appropriately educated about a public office's obligations under 16955
division (B) of this section, all elected officials or their 16956

appropriate designees shall attend training approved by the 16957
attorney general as provided in section 109.43 of the Revised 16958
Code. In addition, all public offices shall adopt a public records 16959
policy in compliance with this section for responding to public 16960
records requests. In adopting a public records policy under this 16961
division, a public office may obtain guidance from the model 16962
public records policy developed and provided to the public office 16963
by the attorney general under section 109.43 of the Revised Code. 16964
Except as otherwise provided in this section, the policy may not 16965

make available to a single person, may not limit the number of 16967
public records that it will make available during a fixed period 16968
of time, and may not establish a fixed period of time before it 16969
will respond to a request for inspection or copying of public 16970
records, unless that period is less than eight hours. 16971

(2) The public office shall distribute the public records 16972
policy adopted by the public office under division (E)(1) of this 16973
section to the employee of the public office who is the records 16974
custodian or records manager or otherwise has custody of the 16975

public records policy and shall post the poster in a conspicuous 16979
place in the public office and in all locations where the public 16980
office has branch offices. The public office may post its public 16981
records policy on the internet web site of the public office if 16982
the public office maintains an internet web site. A public office 16983

include the public records policy of the public office in the 16986
manual or handbook. 16987

thereof or further act, and the lien of any such pledge is valid 17469
and binding against all parties having claims of any kind against 17470
the authority, irrespective of whether those parties have notice 17471
thereof, and creates a perfected security interest for all 17472
purposes of Chapter 1309. of the Revised Code and a perfected lien 17473
for purposes of any real property interest, all without the 17474
necessity for separation or delivery of funds or for the filing or 17475

(C) The holders or owners of such obligations shall have no 18560
right to have moneys raised by taxation obligated or pledged, and 18561
moneys raised by taxation shall not be obligated or pledged, for 18562
the payment of bond service charges. Such holders or owners shall 18563
have no rights to payment of bond service charges from any moneys 18564
accruing to the state from the lease, sale, or other disposition, 18565
or use, of project facilities, or from payment of the principal of 18566
or interest on loans made, or fees charged for guarantees made, or 18567
from any money or property received by the director, treasurer of 18568

state, or the state under Chapter 122. of the Revised Code, or 18569
from any other use of the proceeds of the sale of the obligations, 18570
and no such moneys may be used for the payment of bond service 18571
charges, except for accrued interest, capitalized interest, and 18572
reserves funded from proceeds received upon the sale of the 18573
obligations and except as otherwise expressly provided in the 18574
applicable bond proceedings pursuant to written directions by the 18575
director. The right of such holders and owners to payment of bond 18576
service charges is limited to all or that portion of the pledged 18577
receipts and those special funds pledged thereto pursuant to the 18578
bond proceedings in accordance with this section, and each such 18579
obligation shall bear on its face a statement to that effect. 18580

(D) Obligations shall be authorized by resolution or order of 18581
the issuing authority and the bond proceedings shall provide for 18582
the purpose thereof and the principal amount or amounts, and shall 18583
provide for or authorize the manner or agency for determining the 18584
principal maturity or maturities, not exceeding twenty-five years 18585
from the date of issuance, the interest rate or rates or the 18586
maximum interest rate, the date of the obligations and the dates 18587
of payment of interest thereon, their denomination, and the 18588
establishment within or without the state of a place or places of 18589
payment of bond service charges. Sections 9.98 to 9.983 of the 18590
Revised Code are applicable to obligations issued under this 18591
section, subject to any applicable limitation under section 166.11 18592
of the Revised Code. The purpose of such obligations may be stated 18593
in the bond proceedings in terms describing the general purpose or 18594
purposes to be served. The bond proceedings also shall provide, 18595
subject to the provisions of any other applicable bond 18596
proceedings, for the pledge of all, or such part as the issuing 18597
authority may determine, of the pledged receipts and the 18598
applicable special fund or funds to the payment of bond service 18599
charges, which pledges may be made either prior or subordinate to 18600
other expenses, claims, or payments, and may be made to secure the 18601

obligations on a parity with obligations theretofore or thereafter 18602
issued, if and to the extent provided in the bond proceedings. The 18603
pledged receipts and special funds so pledged and thereafter 18604
received by the state are immediately subject to the lien of such 18605
pledge without any physical delivery thereof or further act, and 18606
the lien of any such pledges is valid and binding against all 18607
parties having claims of any kind against the state or any 18608
governmental agency of the state, irrespective of whether such 18609
parties have notice thereof, and shall create a perfected security 18610
interest for all purposes of Chapter 1309. of the Revised Code, 18611
without the necessity for separation or delivery of funds or for 18612
the filing or recording of the bond proceedings by which such 18613
pledge is created or any certificate, statement or other document 18614
with respect thereto; and the pledge of such pledged receipts and 18615
special funds is effective and the money therefrom and thereof may 18616
be applied to the purposes for which pledged without necessity for 18617
any act of appropriation. Every pledge, and every covenant and 18618
agreement made with respect thereto, made in the bond proceedings 18619
may therein be extended to the benefit of the owners and holders 18620
of obligations authorized by this section, and to any trustee 18621
therefor, for the further security of the payment of the bond 18622
service charges. 18623

(E) The bond proceedings may contain additional provisions as 18624
to: 18625

(1) The redemption of obligations prior to maturity at the 18626
option of the issuing authority at such price or prices and under 18627
such terms and conditions as are provided in the bond proceedings; 18628

(2) Other terms of the obligations; 18629

(3) Limitations on the issuance of additional obligations; 18630

(4) The terms of any trust agreement or indenture securing 18631
the obligations or under which the same may be issued; 18632

(5) The deposit, investment and application of special funds, 18633
and the safeguarding of moneys on hand or on deposit, without 18634
regard to Chapter 131. or 135. of the Revised Code, but subject to 18635
any special provisions of this chapter, with respect to particular 18636
funds or moneys, provided that any bank or trust company which 18637
acts as depository of any moneys in the special funds may furnish 18638
such indemnifying bonds or may pledge such securities as required 18639
by the issuing authority; 18640

(6) Any or every provision of the bond proceedings being 18641
binding upon such officer, board, commission, authority, agency, 18642
department, or other person or body as may from time to time have 18643
the authority under law to take such actions as may be necessary 18644
to perform all or any part of the duty required by such provision; 18645

(7) Any provision that may be made in a trust agreement or 18646
indenture; 18647

(8) Any other or additional agreements with the holders of 18648
the obligations, or the trustee therefor, relating to the 18649
obligations or the security therefor, including the assignment of 18650
mortgages or other security obtained or to be obtained for loans 18651
under section 122.43, 166.07, or 166.16 of the Revised Code. 18652

(F) The obligations may have the great seal of the state or a 18653
facsimile thereof affixed thereto or printed thereon. The 18654
obligations and any coupons pertaining to obligations shall be 18655
signed or bear the facsimile signature of the issuing authority. 18656
Any obligations or coupons may be executed by the person who, on 18657
the date of execution, is the proper issuing authority although on 18658
the date of such bonds or coupons such person was not the issuing 18659
authority. If the issuing authority whose signature or a facsimile 18660
of whose signature appears on any such obligation or coupon ceases 18661
to be the issuing authority before delivery thereof, such 18662
signature or facsimile is nevertheless valid and sufficient for 18663
all purposes as if the former issuing authority had remained the 18664

issuing authority until such delivery; and if the seal to be 18665
affixed to obligations has been changed after a facsimile of the 18666
seal has been imprinted on such obligations, such facsimile seal 18667
shall continue to be sufficient as to such obligations and 18668
obligations issued in substitution or exchange therefor. 18669

(G) All obligations are negotiable instruments and securities 18670
under Chapter 1308. of the Revised Code, subject to the provisions 18671
of the bond proceedings as to registration. The obligations may be 18672
issued in coupon or in registered form, or both, as the issuing 18673
authority determines. Provision may be made for the registration 18674
of any obligations with coupons attached thereto as to principal 18675
alone or as to both principal and interest, their exchange for 18676
obligations so registered, and for the conversion or reconversion 18677
into obligations with coupons attached thereto of any obligations 18678
registered as to both principal and interest, and for reasonable 18679
charges for such registration, exchange, conversion, and 18680
reconversion. 18681

(H) Obligations may be sold at public sale or at private 18682
sale, as determined in the bond proceedings. 18683

Obligations issued to provide moneys for the loan guarantee 18684
fund or the innovation Ohio loan guarantee fund may, as determined 18685
by the issuing authority, be sold at private sale, and without 18686
publication of a notice of sale. 18687

(I) Pending preparation of definitive obligations, the 18688
issuing authority may issue interim receipts or certificates which 18689
shall be exchanged for such definitive obligations. 18690

(J) In the discretion of the issuing authority, obligations 18691
may be secured additionally by a trust agreement or indenture 18692
between the issuing authority and a corporate trustee which may be 18693
any trust company or bank having a place of business within the 18694
state. Any such agreement or indenture may contain the resolution 18695

or order authorizing the issuance of the obligations, any 18696
provisions that may be contained in any bond proceedings, and 18697
other provisions which are customary or appropriate in an 18698
agreement or indenture of such type, including, but not limited 18699
to: 18700

(1) Maintenance of each pledge, trust agreement, indenture, 18701
or other instrument comprising part of the bond proceedings until 18702
the state has fully paid the bond service charges on the 18703
obligations secured thereby, or provision therefor has been made; 18704

(2) In the event of default in any payments required to be 18705
made by the bond proceedings, or any other agreement of the 18706
issuing authority made as a part of the contract under which the 18707
obligations were issued, enforcement of such payments or agreement 18708
by mandamus, the appointment of a receiver, suit in equity, action 18709
at law, or any combination of the foregoing; 18710

(3) The rights and remedies of the holders of obligations and 18711
of the trustee, and provisions for protecting and enforcing them, 18712
including limitations on rights of individual holders of 18713
obligations; 18714

(4) The replacement of any obligations that become mutilated 18715
or are destroyed, lost, or stolen; 18716

(5) Such other provisions as the trustee and the issuing 18717
authority agree upon, including limitations, conditions, or 18718
qualifications relating to any of the foregoing. 18719

(K) Any holders of obligations or trustees under the bond 18720
proceedings, except to the extent that their rights are restricted 18721
by the bond proceedings, may by any suitable form of legal 18722
proceedings, protect and enforce any rights under the laws of this 18723
state or granted by such bond proceedings. Such rights include the 18724
right to compel the performance of all duties of the issuing 18725
authority, the director of development, the Ohio air quality 18726

development authority, or the division of liquor control required 18727
by this chapter or the bond proceedings; to enjoin unlawful 18728
activities; and in the event of default with respect to the 18729
payment of any bond service charges on any obligations or in the 18730
performance of any covenant or agreement on the part of the 18731
issuing authority, the director of development, the Ohio air 18732
quality development authority, or the division of liquor control 18733
in the bond proceedings, to apply to a court having jurisdiction 18734
of the cause to appoint a receiver to receive and administer the 18735
pledged receipts and special funds, other than those in the 18736
custody of the treasurer of state, which are pledged to the 18737
payment of the bond service charges on such obligations or which 18738
are the subject of the covenant or agreement, with full power to 18739
pay, and to provide for payment of bond service charges on, such 18740
obligations, and with such powers, subject to the direction of the 18741
court, as are accorded receivers in general equity cases, 18742
excluding any power to pledge additional revenues or receipts or 18743
other income or moneys of the issuing authority or the state or 18744
governmental agencies of the state to the payment of such 18745
principal and interest and excluding the power to take possession 18746
of, mortgage, or cause the sale or otherwise dispose of any 18747
project facilities. 18748

Each duty of the issuing authority and the issuing 18749
authority's officers and employees, and of each governmental 18750
agency and its officers, members, or employees, undertaken 18751
pursuant to the bond proceedings or any agreement or lease, 18752
lease-purchase agreement, or loan made under authority of this 18753
chapter, and in every agreement by or with the issuing authority, 18754
is hereby established as a duty of the issuing authority, and of 18755
each such officer, member, or employee having authority to perform 18756
such duty, specifically enjoined by the law resulting from an 18757
office, trust, or station within the meaning of section 2731.01 of 18758
the Revised Code. 18759

The person who is at the time the issuing authority, or the 18760
issuing authority's officers or employees, are not liable in their 18761
personal capacities on any obligations issued by the issuing 18762
authority or any agreements of or with the issuing authority. 18763

(L) The issuing authority may authorize and issue obligations 18764
for the refunding, including funding and retirement, and advance 18765
refunding with or without payment or redemption prior to maturity, 18766
of any obligations previously issued by the issuing authority. 18767
Such obligations may be issued in amounts sufficient for payment 18768
of the principal amount of the prior obligations, any redemption 18769
premiums thereon, principal maturities of any such obligations 18770
maturing prior to the redemption of the remaining obligations on a 18771
parity therewith, interest accrued or to accrue to the maturity 18772
dates or dates of redemption of such obligations, and any 18773
allowable costs including expenses incurred or to be incurred in 18774
connection with such issuance and such refunding, funding, and 18775
retirement. Subject to the bond proceedings therefor, the portion 18776
of proceeds of the sale of obligations issued under this division 18777
to be applied to bond service charges on the prior obligations 18778
shall be credited to an appropriate account held by the trustee 18779
for such prior or new obligations or to the appropriate account in 18780
the bond service fund for such obligations. Obligations authorized 18781
under this division shall be deemed to be issued for those 18782
purposes for which such prior obligations were issued and are 18783
subject to the provisions of this section pertaining to other 18784
obligations, except as otherwise provided in this section; 18785
provided that, unless otherwise authorized by the general 18786
assembly, any limitations imposed by the general assembly pursuant 18787
to this section with respect to bond service charges applicable to 18788
the prior obligations shall be applicable to the obligations 18789
issued under this division to refund, fund, advance refund or 18790
retire such prior obligations. 18791

(M) The authority to issue obligations under this section 18792
includes authority to issue obligations in the form of bond 18793
anticipation notes and to renew the same from time to time by the 18794
issuance of new notes. The holders of such notes or interest 18795
coupons pertaining thereto shall have a right to be paid solely 18796
from the pledged receipts and special funds that may be pledged to 18797
the payment of the bonds anticipated, or from the proceeds of such 18798
bonds or renewal notes, or both, as the issuing authority provides 18799
in the resolution or order authorizing such notes. Such notes may 18800
be additionally secured by covenants of the issuing authority to 18801
the effect that the issuing authority and the state will do such 18802
or all things necessary for the issuance of such bonds or renewal 18803
notes in appropriate amount, and apply the proceeds thereof to the 18804
extent necessary, to make full payment of the principal of and 18805
interest on such notes at the time or times contemplated, as 18806
provided in such resolution or order. For such purpose, the 18807
issuing authority may issue bonds or renewal notes in such 18808
principal amount and upon such terms as may be necessary to 18809
provide funds to pay when required the principal of and interest 18810
on such notes, notwithstanding any limitations prescribed by or 18811
for purposes of this section. Subject to this division, all 18812
provisions for and references to obligations in this section are 18813
applicable to notes authorized under this division. 18814

The issuing authority in the bond proceedings authorizing the 18815
issuance of bond anticipation notes shall set forth for such bonds 18816
an estimated interest rate and a schedule of principal payments 18817
for such bonds and the annual maturity dates thereof, and for 18818
purposes of any limitation on bond service charges prescribed 18819
under division (A) of section 166.11 of the Revised Code, the 18820
amount of bond service charges on such bond anticipation notes is 18821
deemed to be the bond service charges for the bonds anticipated 18822
thereby as set forth in the bond proceedings applicable to such 18823
notes, but this provision does not modify any authority in this 18824

section to pledge receipts and special funds to, and covenant to 18825
issue bonds to fund, the payment of principal of and interest and 18826
any premium on such notes. 18827

(N) Obligations issued under this section are lawful 18828
investments for banks, societies for savings, savings and loan 18829
associations, deposit guarantee associations, trust companies, 18830
trustees, fiduciaries, insurance companies, including domestic for 18831
life and domestic not for life, trustees or other officers having 18832
charge of sinking and bond retirement or other special funds of 18833
political subdivisions and taxing districts of this state, the 18834
commissioners of the sinking fund of the state, the administrator 18835
of workers' compensation, the state teachers retirement system, 18836
the public employees retirement system, the school employees 18837
retirement system, and the Ohio police and fire pension fund, 18838
notwithstanding any other provisions of the Revised Code or rules 18839
adopted pursuant thereto by any governmental agency of the state 18840
with respect to investments by them, and are also acceptable as 18841
security for the deposit of public moneys. 18842

(O) Unless otherwise provided in any applicable bond 18843
proceedings, moneys to the credit of or in the special funds 18844
established by or pursuant to this section may be invested by or 18845
on behalf of the issuing authority only in notes, bonds, or other 18846
obligations of the United States, or of any agency or 18847
instrumentality of the United States, obligations guaranteed as to 18848
principal and interest by the United States, obligations of this 18849
state or any political subdivision of this state, and certificates 18850
of deposit of any national bank located in this state and any 18851
bank, as defined in section 1101.01 of the Revised Code, subject 18852
to inspection by the superintendent of banks. If the law or the 18853
instrument creating a trust pursuant to division (J) of this 18854
section expressly permits investment in direct obligations of the 18855
United States or an agency of the United States, unless expressly 18856

prohibited by the instrument, such moneys also may be invested in 18857
no-front-end-load money market mutual funds consisting exclusively 18858
of obligations of the United States or an agency of the United 18859
States and in repurchase agreements, including those issued by the 18860
fiduciary itself, secured by obligations of the United States or 18861
an agency of the United States; and in common trust funds 18862
established in accordance with section 1111.20 of the Revised Code 18863
and consisting exclusively of any such securities, notwithstanding 18864
division (A)(4) of that section. The income from such investments 18865
shall be credited to such funds as the issuing authority 18866
determines, and such investments may be sold at such times as the 18867
issuing authority determines or authorizes. 18868

(P) Provision may be made in the applicable bond proceedings 18869
for the establishment of separate accounts in the bond service 18870
fund and for the application of such accounts only to the 18871
specified bond service charges on obligations pertinent to such 18872
accounts and bond service fund and for other accounts therein 18873
within the general purposes of such fund. Unless otherwise 18874
provided in any applicable bond proceedings, moneys to the credit 18875
of or in the several special funds established pursuant to this 18876
section shall be disbursed on the order of the treasurer of state, 18877
provided that no such order is required for the payment from the 18878
bond service fund when due of bond service charges on obligations. 18879

(Q) The issuing authority may pledge all, or such portion as 18880
the issuing authority determines, of the pledged receipts to the 18881
payment of bond service charges on obligations issued under this 18882
section, and for the establishment and maintenance of any 18883
reserves, as provided in the bond proceedings, and make other 18884
provisions therein with respect to pledged receipts as authorized 18885
by this chapter, which provisions are controlling notwithstanding 18886
any other provisions of law pertaining thereto. 18887

(R) The issuing authority may covenant in the bond 18888

proceedings, and any such covenants are controlling 18889
notwithstanding any other provision of law, that the state and 18890
applicable officers and governmental agencies of the state, 18891
including the general assembly, so long as any obligations are 18892
outstanding, shall: 18893

(1) Maintain statutory authority for and cause to be charged 18894
and collected wholesale and retail prices for spirituous liquor 18895
sold by the state or its agents so that the pledged receipts are 18896
sufficient in amount to meet bond service charges, and the 18897
establishment and maintenance of any reserves and other 18898
requirements provided for in the bond proceedings, and, as 18899
necessary, to meet covenants contained in contracts of guarantee 18900
made under section 166.06 of the Revised Code; 18901

(2) Take or permit no action, by statute or otherwise, that 18902
would impair the exemption from federal income taxation of the 18903
interest on the obligations. 18904

(S) There is hereby created the economic development bond 18905
service fund, which shall be in the custody of the treasurer of 18906
state but shall be separate and apart from and not a part of the 18907
state treasury. All moneys received by or on account of the 18908
issuing authority or state agencies and required by the applicable 18909
bond proceedings, consistent with this section, to be deposited, 18910
transferred, or credited to a bond service fund or the economic 18911
development bond service fund, and all other moneys transferred or 18912
allocated to or received for the purposes of the fund, shall be 18913
deposited and credited to such fund and to any separate accounts 18914
therein, subject to applicable provisions of the bond proceedings, 18915
but without necessity for any act of appropriation. During the 18916
period beginning with the date of the first issuance of 18917
obligations and continuing during such time as any such 18918
obligations are outstanding, and so long as moneys in the 18919
pertinent bond service funds are insufficient to pay all bond 18920

services charges on such obligations becoming due in each year, a 18921
sufficient amount of the gross profit on the sale of spirituous 18922
liquor included in pledged receipts are committed and shall be 18923
paid to the bond service fund or economic development bond service 18924

necessary to meet the request, from financial institutions in 19261
which the funds were retained or placed by a holder and from other 19262
holders who have retained funds, in an equitable manner as the 19263

director prescribes. In the event that the amount to be withdrawn 19264
from any one holder is less than five hundred dollars, the amount 19265
to be withdrawn is at the director's discretion. The director 19266
shall then transfer to the agency the amount of funds requested. 19267

classification held in the financial organization or paid to the 19285
director. The director shall be notified annually, and at other 19286
times as the director may request, of the amount of the earnings 19287
credited to the accounts. Interest on unclaimed funds a holder 19288
retains shall be paid to the director or credited as specified in 19289

any and all liabilities for any claim arising out of the transfer 19301
of such funds to the state. 19302

respect to such funds, such holder shall notify the director in 19306
writing of the pendency of such proceedings and the director shall 19307
intervene and assume the defense of such proceedings. Failure to 19308
give such notice shall absolve the state from any and all 19309
liability which it may have with regard to such funds. If judgment 19310
is entered against such holder, the director shall, upon proof of 19311
satisfaction of such judgment, forthwith reimburse such 19312
organization for the amount of the judgment or enter into an 19313
agreement modified to reflect the satisfaction of such judgment, 19314

which shall be at least ten days after the second publication, on 22648
which the request for proposals will be mailed to financial 22649
institutions, issuers, or processors; and require that any 22650
financial institution, issuer, or processor, whichever is 22651
appropriate, interested in receiving the request for proposals 22652
submit written notice of this interest to the county not later 22653
than noon of the day on which the request for proposals will be 22654
mailed. 22655

Upon receiving the proposals, the administrative agent shall 22656
review them and make a recommendation to the board of county 22657
commissioners on which proposals to accept. The board of county 22658
commissioners shall consider the agent's recommendation and review 22659
all proposals submitted, and then may choose to contract with any 22660
or all of the entities submitting proposals, as appropriate. The 22661
board shall provide any financial institution, issuer, or 22662
processor that submitted a proposal, but with which the board does 22663
not enter into a contract, notice that its proposal is rejected. 22664
The notice shall state the reasons for the rejection, indicate 22665
whose proposals were accepted, and provide a copy of the terms and 22666
conditions of the successful bids. 22667

(D) A board of county commissioners adopting a resolution 22668
under this section shall send a copy of the resolution to each 22669
county official in the county who is authorized by the resolution 22670
to accept payments by financial transaction devices. After 22671
receiving the resolution and before accepting payments by 22672
financial transaction devices, a county official shall provide 22673
written notification to the board of county commissioners of the 22674
official's intent to implement the resolution within the 22675
official's office. Each county office subject to the board's 22676
resolution adopted under division (B) of this section may use only 22677
the financial institutions, issuers of financial transaction 22678
devices, and processors of financial transaction devices with 22679
which the board of county commissioners contracts, and each such 22680
office is subject to the terms of those contracts. 22681

If a county office under the authority of a county official 22682
is directly responsible for collecting one or more county expenses 22683
and the county official determines not to accept payments by 22684
financial transaction devices for one or more of those expenses, 22685
the office shall not be required to accept payments by financial 22686
transaction devices, notwithstanding the adoption of a resolution 22687
by the board of county commissioners under this section. 22688

Any office of a clerk of the court of common pleas that 22689
accepts financial transaction devices on or before July 1, 1999, 22690
and any other county office that accepted such devices before 22691
January 1, 1998, may continue to accept such devices without being 22692
subject to any resolution passed by the board of county 22693
commissioners under division (B) of this section, or any other 22694
oversight by the board of the office's financial transaction 22695
devices program. Any such office may use surcharges or convenience 22696
fees in any manner the county official in charge of the office 22697
determines to be appropriate, and, if the county treasurer 22698
consents, may appoint the county treasurer to be the office's 22699

administrative agent for purposes of accepting financial 22700
transaction devices. In order not to be subject to the resolution 22701
of the board of county commissioners adopted under division (B) of 22702
this section, a county office shall notify the board in writing 22703
within thirty days after March 30, 1999, that it accepted 22704
financial transaction devices prior to January 1, 1998, or, in the 22705
case of the office of a clerk of the court of common pleas, the 22706
clerk has accepted or will accept such devices on or before July 22707
1, 1999. Each such notification shall explain how processing costs 22708
associated with financial transaction devices are being paid and 22709
shall indicate whether surcharge or convenience fees are being 22710
passed onto consumers. 22711

(E) A board of county commissioners may establish a surcharge 22712
or convenience fee that may be imposed upon a person making 22713
payment by a financial transaction device. The surcharge or 22714
convenience fee shall not be imposed unless authorized or 22715
otherwise permitted by the rules prescribed by an agreement 22716
governing the use and acceptance of the financial transaction 22717
device. 22718

If a surcharge or convenience fee is imposed, every county 22719
office accepting payment by a financial transaction device, 22720
regardless of whether that office is subject to a resolution 22721
adopted by a board of county commissioners, shall clearly post a 22722
notice in that office and shall notify each person making a 22723
payment by such a device about the surcharge or fee. Notice to 22724
each person making a payment shall be provided regardless of the 22725
medium used to make the payment and in a manner appropriate to 22726
that medium. Each notice shall include all of the following: 22727

(1) A statement that there is a surcharge or convenience fee 22728
for using a financial transaction device; 22729

(2) The total amount of the charge or fee expressed in 22730
dollars and cents for each transaction, or the rate of the charge 22731

or fee expressed as a percentage of the total amount of the 22732
transaction, whichever is applicable; 22733

(3) A clear statement that the surcharge or convenience fee 22734
is nonrefundable. 22735

(F) If a person elects to make a payment to the county by a 22736
financial transaction device and a surcharge or convenience fee is 22737
imposed, the payment of the surcharge or fee shall be considered 22738
voluntary and the surcharge or fee is not refundable. 22739

(G) If a person makes payment by financial transaction device 22740
and the payment is returned or dishonored for any reason, the 22741
person is liable to the county for payment of a penalty over and 22742
above the amount of the expense due. The board of county 22743
commissioners shall determine the amount of the penalty, which may 22744
be either a fee not to exceed twenty dollars or payment of the 22745
amount necessary to reimburse the county for banking charges, 22746
legal fees, or other expenses incurred by the county in collecting 22747
the returned or dishonored payment. The remedies and procedures 22748
provided in this section are in addition to any other available 22749
civil or criminal remedies provided by law. 22750

(H) No person making any payment by financial transaction 22751
device to a county office shall be relieved from liability for the 22752
underlying obligation except to the extent that the county 22753
realizes final payment of the underlying obligation in cash or its 22754
equivalent. If final payment is not made by the financial 22755
transaction device issuer or other guarantor of payment in the 22756
transaction, the underlying obligation shall survive and the 22757
county shall retain all remedies for enforcement that would have 22758
applied if the transaction had not occurred. 22759

(I) A county official or employee who accepts a financial 22760
transaction device payment in accordance with this section and any 22761
applicable state or local policies or rules is immune from 22762

personal liability for the final collection of such payments. 22763

Sec. 305.23. (A) As used in this section: 22764

(1) "County office" means the offices of the county 22765
commissioner, county auditor, county treasurer, county engineer, 22766
county recorder, county prosecuting attorney, county sheriff, 22767
county coroner, county park district, veterans service commission, 22768
clerk of the juvenile court, clerks of court for all divisions of 22769
the courts of common pleas, including the clerk of the court of 22770
common pleas, clerk of a county-operated municipal court, and 22771
clerk of a county court, and any agency, department, or division 22772
under the authority of, or receiving funding in whole or in part 22773
from, any of those county offices. 22774

(2) "Human resources" means any and all functions relating to 22775
human resource management, including civil service, employee 22776
benefits administration, collective bargaining, labor relations, 22777
risk management, workers' compensation, unemployment compensation, 22778
and any human resource management function required by state or 22779
federal law, but "human resources" does not authorize a board of 22780
county commissioners to adopt a resolution establishing a 22781
centralized human resource service that requires any county office 22782
to conform to any classification and compensation plan, position 22783
descriptions, or organizational structure; to determine the rate 22784
of compensation of any employee appointed by the appointing 22785
authority of a county office or the salary ranges for positions of 22786
a county office within the aggregate limits set in the 22787
appropriation resolution of the board of county commissioners; to 22788
determine the number of or the terms of employment of any employee 22789
appointed by the appointing authority of a county office within 22790
the aggregate limits set in the board's appropriation resolution; 22791
or to exercise powers relating to the hiring, qualifications, 22792
evaluation, suspension, demotion, disciplinary action, layoff, 22793

furloughing, establishment of a modified work-week schedule, or 22794
the termination of any employee appointed by the appointing 22795
authority of any county office. 22796

(B) Subject to division (C) of this section, a board of 22797
county commissioners may adopt a resolution establishing 22798
centralized purchasing, printing, transportation, vehicle 22799
maintenance, human resources, revenue collection, and mail 22800
operation services for a county office. Before adopting a 22801
resolution under this section, the board of county commissioners, 22802
in a written notice, shall inform any other county office that 22803
will be impacted by the resolution of the board's desire to 22804
establish a centralized service or services. The written notice 22805
shall include a statement that provides the rationale and the 22806
estimated savings anticipated for centralizing a service or 22807
services. In addition, the board may request any other county 22808
office to serve as the agent and responsible party for 22809
administering a centralized service or services. That county 22810
office may enter into an agreement with the board of county 22811
commissioners to administer the centralized service or services 22812
under such terms and conditions as are included in the agreement, 22813
but nothing in this section authorizes the board of county 22814
commissioners to require a county office to serve as the agent and 22815
responsible party for administering a centralized service or 22816
services at the board's request. 22817

A resolution establishing a centralized service or services 22818
shall specify all of the following: 22819

(1) The name of the county office that will be the agent and 22820
responsible party for administering a centralized service or 22821
services, and if the agent and responsible party is not the board 22822
of county commissioners, the designation of the county office that 22823
has entered into an agreement under division (B) of this section 22824
with the board to be the agent and responsible party; 22825

(2) Which county offices are required to use the centralized services;	22826 22827
(3) If not all of the centralized services, which centralized service each county office must use;	22828 22829
(4) A list of rates and charges the county office shall pay for the centralized services;	22830 22831
(5) The date upon which each county office specified in the resolution shall begin using the centralized services.	22832 22833
Not later than ten days after a resolution is adopted under this section, the clerk of the board of county commissioners shall send a copy of the resolution to each county office that is specified in the resolution.	22834 22835 22836 22837
(C) A board of county commissioners shall not adopt a resolution that establishes a centralized service or services regarding any of the following:	22838 22839 22840
(1) Purchases made for contract services with moneys from the special fund designated as "general county recorder's technology fund moneys to supplement the equipment needs of the county recorder" <u>established</u> under section 317.321 of the Revised Code or from the funds that are paid out of the general fund of the county under sections 325.071 and 325.12 of the Revised Code;	22841 22842 22843 22844 22845 22846

(3) Purchases of financial software used by the county auditor;	22850 22851
(4) The printing of county property tax bills;	22852
(5) The collection of any taxes, assessments, and fees the county treasurer is required by law to collect;	22853 22854
(6) Purchases of software used by the county recorder.	22855

(D) Nothing in this section authorizes the board of county commissioners to have control or authority over funds that are received directly by a county office under another section of the Revised Code, or to control, or have authority regarding, the expenditure or use of such funds.

Sec. 306.35. replaced. 26834

(C) The representative of local government shall be replaced 26835

~~the~~ The organizational board of commissioners, by resolution, may 26846

adopt an alternative method of selecting or electing successor 26847
members of the board of trustees provided that if an alternative 26848
method of selection is adopted for a new community authority 26849
organized prior to March 22, 2012, the board of trustees of that 26850
authority shall be limited in the collection of a community 26851
development charge, collected pursuant to division (O) of section 26852
349.06 of the Revised Code, and the issuance of bonds or notes, 26853

amount or to the extent otherwise permitted for a board of 26855

times and in the manner provided in the petition or in a 26859
resolution of the organizational board of commissioners, and the 26860
elected citizen members shall be qualified electors who reside in 26861
the new community district. 26862

member for the remainder of the unexpired term. Any appointed 26867

will honestly and faithfully perform the duties of the member's 26876
office. Such oath shall be filed in the office of the clerk of the 26877

appoint suitable persons as secretary and treasurer who need not 26881
be members of the board. The treasurer shall be the fiscal officer 26882

exercised by its board of trustees, but without relief of such 26890
responsibility, such powers may be delegated to committees of the 26891
board or its officers and employees in accordance with its 26892
by-laws. A majority of the board shall constitute a quorum, and a 26893

Development Act of 1965," 79 Stat. 4, 40 U.S.C. App. 403, and 26960
having a population less than eighty thousand according to the 26961
most recent federal decennial census. 26962

(2) Division ~~(B)~~(C)(2) of this section applies only to a 26963
convention facilities authority located in a county with a 26964
population, according to the 2000 federal decennial census, of at 26965
least one hundred thirty-five thousand and not more than one 26966
hundred fifty thousand and containing entirely within its 26967
boundaries the territory of a municipal corporation with a 26968
population according to that census of more than fifty thousand. 26969
The board of directors of such a convention facilities authority, 26970
by resolution adopted on or before November 1, 2009, may levy 26971
within the territory of the authority an excise tax on 26972
transactions by which lodging by a hotel is or is to be furnished 26973
to transient guests at a rate not to exceed three per cent on such 26974

transactions for the same purposes for which a tax may be levied 26975
under division (B) of this section. The resolution may be adopted 26976
only if the board of county commissioners of the county, by 26977
resolution, authorizes the levy of the tax. The resolution of the 26978
board of county commissioners is subject to referendum as 26979
prescribed by sections 305.31 to 305.41 of the Revised Code. If, 26980
pursuant to those procedures, a referendum is to be held, the 26981
board's resolution does not take effect until approved by a 26982
majority of electors voting on the question. The convention 26983
facilities authority may adopt the resolution authorized by 26984
division (C)(2) of this section before the election, but the 26985
authority's resolution shall not take effect if the board of 26986
commissioners' resolution is not approved at the election. A tax 26987
levied under division (C)(2) of this section is in addition to any 26988
tax levied under section 5739.09 of the Revised Code. 26989

(D) The authority shall provide for the administration and 26990
allocation of an excise tax levied pursuant to division (B) or (C) 26991
of this section. All receipts arising from those excise taxes 26992

with this section and section 351.141 of the Revised Code. An 26994
excise tax levied under division (B) or (C) of this section shall 26995
remain in effect at the rate at which it is levied for at least 26996
the duration of the period for which the receipts from the tax 26997
have been anticipated and pledged pursuant to section 351.141 of 26998
the Revised Code. 26999

(E) Except as provided in division (B)(2) of this section, 27000
the levy of an excise tax on each transaction pursuant to sections 27001
5739.08 and 5739.09 of the Revised Code does not prevent a 27002
convention facilities authority from levying an excise tax 27003
pursuant to division (B) or (C) of this section. 27004

(F) A convention facilities authority located in a county 27005
with a population greater than eighty thousand but less than 27006

ninety thousand according to the 2010 federal decennial census 27007
that levies a tax under division (B) of this section may amend the 27008
resolution levying the tax to allocate a portion of the revenue 27009
from the tax for support of tourism-related sites or facilities 27010
and programs operated by the county or a municipal corporation 27011
within the county in which the authority is located or for the 27012
purpose of leasing lands for county fairs, erecting buildings for 27013
county fair purposes, making improvements on a county fairground, 27014
or for any purpose connected with the use of a county fairground 27015
or with the management thereof by the county in which the 27016
authority is located. The revenue allocated by the authority for 27017
such purposes in a calendar year shall not exceed fifteen per cent 27018
of the total revenue from the tax in the preceding calendar year. 27019

A resolution creating a lake facilities authority under 27304
section 353.02 of the Revised Code, or any amendments or 27305

impacted lake district voting at an election held for the purpose 27315

of authorizing the tax, the board of directors of a lake facilities authority authorized to levy a tax under this section may, by resolution, levy an additional excise tax within the territory of the impacted lake district on all transactions by which lodging in a hotel is or is to be furnished to transient guests. The rate of the tax, when added to the aggregate rate of excise taxes levied in the impacted lake district pursuant to section 351.021, 5739.08, or 5739.09 of the Revised Code, shall not cause the total aggregate rate to exceed five per cent on any such transaction.

department of natural resources may enter into an agreement with a 27349
lake facilities authority to establish wetland or natural areas to 27350
benefit wildlife or sporting activities. The agreement may be 27351
entered as part of, or in conjunction with, a mitigation banking 27352
program. 27353

Sec. 353.08. A lake facilities authority that levies a tax 27354
authorized by sections 353.05 and 5705.55 or section 353.06 of the 27355
Revised Code may, by resolution, anticipate the proceeds of the 27356
tax and issue lake facilities authority anticipation bonds, and 27357
notes anticipating the proceeds or the bonds, in the principal 27358
amount that, in the opinion of the authority, are necessary for 27359
the purpose of paying the cost of an authorized purpose, and that 27360
the authority is able to pay over the term of the issue with the 27361
interest on the bonds or notes, or in the case of notes 27362
anticipating bonds over the term of the bonds, by the estimated 27363
amount of the taxes anticipated. The taxes are determined by the 27364
general assembly to satisfy any applicable requirement of Section 27365
11 of Article XII, Ohio Constitution. 27366

Every issue of outstanding anticipation bonds shall be 27367
payable out of the proceeds of the taxes anticipated and other 27368
revenues of the authority that are pledged for such payment. The 27369
pledge shall be valid and binding from the time the pledge is 27370
made, and the anticipated excise taxes and revenues so pledged and 27371
thereafter received by the authority immediately shall be subject 27372
to the lien of that pledge without any physical delivery of those 27373
taxes and revenues or further act. The lien of any pledge is valid 27374
and binding as against all parties having claims of any kind in 27375
tort, contract, or otherwise against the authority, whether or not 27376
such parties have notice of the lien. Neither the resolution nor 27377

any trust agreement by which a pledge is created need be filed or 27378
recorded except in the authority's records. 27379

The anticipation bonds shall bear such date or dates, and 27380
shall mature at such time or times, in the case of any such notes 27381
or any renewals of such notes not exceeding twenty years from the 27382
date of issue of such original notes and in the case of any such 27383
bonds or any refunding bonds not exceeding forty years from the 27384
date of the original issue of notes or bonds for the purpose, and 27385
shall be executed in the manner that the resolution authorizing 27386
the bonds may provide. The anticipation bonds shall bear interest 27387

resolution, be in such denominations and form, either coupon or 27390
registered, carry such registration privileges, be payable in such 27391
medium of payment and at such place or places, and be subject to 27392
such terms of redemption, as the authority may authorize or 27393
provide. 27394

Sec. 353.09. A lake facilities authority at any time may 27395
issue lake facilities authority revenue bonds in such principal 27396
amounts as, in the opinion of the lake facilities authority, are 27397
necessary for the purpose of paying the cost of one or more lake 27398
facilities authority facilities or parts thereof. A lake 27399
facilities authority at any time may issue renewal notes, issue 27400
bonds to retire its notes and, whenever it considers refunding 27401
expedient, refund any bonds by the issuance of lake facilities 27402
authority revenue refunding bonds, whether the bonds to be 27403
refunded have or have not matured, and issue lake facilities 27404
authority revenue bonds partly to refund outstanding bonds and 27405
partly for any other authorized purpose. The lake facilities 27406
authority revenue refunding bonds shall be sold and the proceeds 27407
applied to the purchase, redemption, or payment of the bonds to be 27408
refunded. Lake facilities authority revenue bonds shall be special 27409

obligations of the lake facilities authority payable out of the 27410
revenues of the lake facilities authority that are pledged for 27411
such payment. The pledge shall be valid and binding from the time 27412
the pledge is made and the revenues so pledged and thereafter 27413
received by the lake facilities authority immediately shall be 27414
subject to the lien of the pledge without any physical delivery 27415
thereof or further act, and the lien of the pledge is valid and 27416
binding as against all parties having claims of any kind in tort, 27417
contract, or otherwise against the lake facilities authority, 27418
irrespective of whether those parties have notice thereof. Neither 27419
the resolution nor any trust agreement by which a pledge is 27420
created need be filed or recorded except in the records of the 27421
lake facilities authority. 27422

Whether or not the lake facilities authority revenue bonds 27423
are of such form and character as to be negotiable instruments, 27424
the lake facilities authority revenue bonds shall have all the 27425
qualities and incidents of negotiable instruments, subject only to 27426
the provisions of the bonds for registration. 27427

The lake facilities authority revenue bonds shall be 27428
authorized by resolution of the lake facilities authority, and 27429
shall bear interest at such rate or rates, shall bear such date or 27430
dates, and shall mature at such time or times, and in such number 27431
of installments as may be provided in or pursuant to that 27432
resolution. The final maturity of any lake facilities authority 27433
revenue bond in the form of a note and any renewals thereof shall 27434
not exceed five years from the date of issue of the original note. 27435
The final maturity of any issue of lake facilities authority 27436
revenue bonds shall not be later than forty-five years from the 27437
date of issue of the original issue of bonds. Any such bonds or 27438
notes shall be executed in a manner as the resolution or 27439
resolutions may provide. The lake facilities authority revenue 27440
bonds shall be in such denominations, be in such form, either 27441

coupon or registered, carry such registration privileges, be 27442
payable in such medium of payment, at such place or places, and be 27443
subject to such terms of redemption as may be provided in or 27444
pursuant to the resolution authorizing their issuance. Lake 27445
facilities authority revenue bonds of the lake facilities 27446
authority may be sold by the lake facilities authority, at public 27447
or private sale, at or at not less than a price or prices as the 27448
lake facilities authority determines. In case any officer whose 27449
signature or a facsimile of whose signature appears on any bonds, 27450
notes, or coupons, ceases to be such officer before delivery of 27451
bonds or notes, the signature or facsimile shall nevertheless be 27452
sufficient for all purposes the same as if the officer had 27453
remained in office until such delivery, and in case the seal of 27454
the lake facilities authority has been changed after a facsimile 27455
has been imprinted on such bonds or notes, the facsimile seal will 27456
continue to be sufficient for all purposes. 27457

Any resolution or resolutions authorizing any lake facilities 27458
authority revenue bonds or any issue of bonds may contain 27459
provisions, subject to any agreements with bondholders as may then 27460
exist, which provisions shall be a part of the contract with the 27461
holders of bonds, as to the pledging of all or any part of the 27462
revenues of the lake facilities authority to secure the payment of 27463
the lake facilities authority bonds or of any issue of the bonds; 27464
the use and disposition of revenues of the lake facilities 27465
authority; a covenant to fix, alter, and collect rentals and other 27466
charges so that pledged revenues will be sufficient to pay costs 27467
of operation, maintenance, and repairs, pay principal of and 27468
interest on bonds secured by the pledge of such revenues, and 27469
provide any reserves that may be required by the applicable 27470
resolution or trust agreement; the setting aside of reserve funds, 27471
sinking funds, or replacement and improvement funds and the 27472
regulation and disposition thereof; the crediting of the proceeds 27473
of the sale of bonds to and among the funds referred to or 27474

provided for in or pursuant to the resolution authorizing the 27475
issuance of the bonds or notes; the use, lease, sale, or other 27476
disposition of any lake facilities authority facility or any other 27477
assets of the lake facilities authority; limitations on the 27478
purpose to which the proceeds of sale of bonds may be applied and 27479
the pledging of those proceeds to secure the payment of the bonds 27480
or of any issue of the bonds; as to notes issued in anticipation 27481
of the issuance of bonds, the agreement of the lake facilities 27482
authority to do all things necessary for the authorization, 27483
issuance, and sale of the bonds in amounts that may be necessary 27484
for the timely retirement of the notes; limitations on the 27485
issuance of additional bonds; the terms upon which additional 27486
bonds may be issued and secured; the refunding of outstanding 27487
bonds; the procedure, if any, by which the terms of any contract 27488
with bondholders may be amended or abrogated, the amount of bonds 27489
the holders of which must consent thereto, and the manner in which 27490
such consent may be given; limitations on the amount of moneys to 27491
be expended by the lake facilities authority for operating, 27492
administrative, or other expenses of the lake facilities 27493
authority; securing any bonds or notes by a trust agreement; and 27494
any other matters, of like or different character, that in any way 27495
affect the security or protection of the bonds or notes. 27496

Neither the board of directors of the lake facilities 27497
authority nor any person executing the bonds shall be liable 27498
personally on the bonds or be subject to any personal liability or 27499
accountability by reason of the issuance thereof. 27500

The issuance of lake facilities authority revenue bonds under 27501
this section need not comply with any other law applicable to the 27502
issuance of bonds or notes. 27503

Sec. 353.10. (A) With respect to facilities, and their 27504
financing, for an authorized purpose, under agreements whereby the 27505

person to whom the facility is to be leased, subleased, or sold, 27506
or to whom a loan is to be made for the facility, is to make 27507
payments sufficient to pay all of the principal of, premium, if 27508

(1) Make loans for the acquisition or construction of the 27513
facility to such person upon such terms as the lake facilities 27514
authority may determine or authorize including secured or 27515
unsecured loans, and, in connection therewith, enter into loan 27516
agreements and other agreements, accept notes and other forms of 27517
obligation to evidence such indebtedness and mortgages, liens, 27518
pledges, assignments, or other security interests to secure such 27519
indebtedness, which may be prior or subordinate to or on a parity 27520
with other indebtedness, obligations, mortgages, pledges, 27521
assignments, other security interests, or liens or encumbrances, 27522
and take actions it considers appropriate to protect such security 27523
and safeguard against losses, including, without limitation, 27524
foreclosure and the bidding upon and purchase of property upon 27525
foreclosure or other sale; 27526

(2) Sell the facility under such terms as it may determine, 27527
including, without limitation, sale by conditional sale or 27528
installment sale, under which title may pass prior to or after 27529
completion of the facility or payment or provisions for payment of 27530
all principal of, premium, if any, and interest on the bonds, or 27531
at any other time provided in the agreement pertaining to the 27532

which may be a nominal amount or less than true value at the time 27534
of purchase; 27535

(3) Grant a mortgage, lien, or other encumbrance on, or 27536

to, all or any part of the facility, revenues, reserve funds, or 27538
other funds established in connection with the bonds, or on, of, 27539
or with respect to any lease, sublease, sale, conditional sale or 27540
installment sale agreement, loan agreement, or other agreement 27541
pertaining to the lease, sublease, sale, or other disposition of a 27542
facility or pertaining to a loan made for a facility, or any 27543
guaranty or insurance agreement made with respect thereto, or any 27544
interest of the lake facilities authority therein, or any other 27545
interest granted, assigned, or released to secure payments of the 27546
principal of, premium, if any, or interest on the bonds or to 27547
secure any other payments to be made by the lake facilities 27548
authority, which mortgage, lien, encumbrance, pledge, assignment, 27549
or other security interest may be prior or subordinate to or on a 27550
parity with any other mortgage, assignment, or other security 27551
interest, or lien or encumbrance; 27552

(4) Provide that the interest on the bonds may be at a 27553
variable rate or rates changing from time to time in accordance 27554
with a base or formula as authorized by the lake facilities 27555
authority; 27556

(5) Contract for the acquisition or construction of the 27557
facility or any part thereof and for the leasing, subleasing, 27558

by the lake facilities authority in its sole discretion, without 27560
necessity for competitive bidding or performance bonds; 27561

(6) Make appropriate provision for adequate maintenance of 27562
the facility. 27563

(B) With respect to the facilities referred to in this 27564
section, the authority granted by this section is cumulative and 27565
supplementary to all other authority granted in this chapter. The 27566
authority granted by this section does not alter or impair any 27567
similar authority granted elsewhere in this chapter for or with 27568

respect to other facilities. 27569

Sec. 353.11. In the discretion of the lake facilities 27570
authority, any lake facilities authority revenue bonds issued 27571
under this chapter may be secured by a trust agreement between the 27572
lake facilities authority and a corporate trustee that may be any 27573
trust company or bank having the powers of a trust company within 27574
or without the state. 27575

The trust agreement may pledge or assign revenues of the lake 27576
facilities authority to be received and may convey or mortgage any 27577
facility or any part thereof. The trust agreement or any 27578
resolution providing for the issuance of such bonds may contain 27579
any provisions for protecting and enforcing the rights and 27580
remedies of the bondholders as are reasonable and proper and not 27581
in violation of law, including covenants setting forth the duties 27582
of the lake facilities authority in relation to the acquisition of 27583
property, the construction, improvement, maintenance, repair, 27584
operation, and insurance of the facility in connection with which 27585
the bonds are authorized, the rentals or other charges to be 27586
imposed for the use or services of any facility, the custody, 27587
safeguarding, and application of all moneys, and provisions for 27588
the employment of consulting engineers in connection with the 27589
construction or operation of the facility. 27590

Any bank or trust company incorporated under the laws of this 27591
state that may act as depository of the proceeds of bonds or of 27592
revenues may furnish any indemnifying bonds or may pledge any 27593
securities that are required by the lake facilities authority. The 27594
trust agreement may set forth the rights and remedies of the 27595
bondholders and of the trustee, and may restrict the individual 27596
right of action by bondholders as is customary in trust agreements 27597
or trust indentures securing similar bonds. The trust agreement 27598
may contain any other provisions that the lake facilities 27599

authority determines reasonable and proper for the security of the 27600
bondholders. All expenses incurred in carrying out the provisions 27601
of the trust agreement may be treated as a part of the cost of the 27602
operation of the facility. 27603

Sec. 353.12. Any holder of lake facilities authority revenue 27604
bonds issued under sections 353.09 to 353.15 of the Revised Code, 27605
or any of the coupons pertaining to those bonds, and the trustee 27606
under any trust agreement, except to the extent the rights given 27607
by those sections may be restricted by the applicable resolution 27608
or that trust agreement, may by suit, action, mandamus, or other 27609
proceedings, protect and enforce any rights under the laws of the 27610
state or granted under those sections, the trust agreement, or the 27611
resolution authorizing the issuance of the bonds, and may enforce 27612
and compel the performance of all duties required by those 27613
sections, or by the trust agreement or resolution, to be performed 27614
by the lake facilities authority or any officer of the lake 27615
facilities authority, including the fixing, charging, and 27616
collecting of rentals or other charges. 27617

Sec. 353.13. Lake facilities authority revenue bonds issued 27618
under sections 353.09 to 353.15 of the Revised Code do not 27619
constitute a debt, or a pledge of the faith and credit, of the 27620
state or any political subdivision of the state. The holders or 27621
owners of the bonds have no right to have taxes levied by the 27622
general assembly or taxing authority of any political subdivision 27623
of the state for the payment of the principal of or interest on 27624
the bonds. The bonds are payable solely from the revenues and 27625
funds pledged for their payment as authorized by this chapter, 27626
unless the revenue bonds are notes issued in anticipation of the 27627
issuance of the bonds, or the revenue bonds are refunded by 27628
refunding bonds issued under section 353.09 of the Revised Code, 27629
provided that the refunding bonds shall be payable solely from 27630

revenues and funds pledged for their payment as authorized by that 27631
section. All bonds shall contain on the face thereof a statement 27632
to the effect that the bonds, as to both principal and interest, 27633
are not debts of the state or any political subdivision of the 27634
state, but are payable solely from revenues and funds pledged for 27635
their payment. 27636

Sec. 353.14. All moneys, funds, properties, and assets 27637
acquired by the lake facilities authority under this chapter, 27638
whether as proceeds from the sale of lake facilities authority 27639
revenue bonds or as revenues, or otherwise, shall be held by it in 27640
trust for the purposes of carrying out its powers and duties, 27641
shall be used and reused as provided in this chapter, and shall at 27642
no time be part of other public funds. Such funds, except as 27643
otherwise provided in any resolution authorizing its lake 27644
facilities authority revenue bonds or in any trust agreement 27645
securing those bonds, or except when invested pursuant to section 27646
353.15 of the Revised Code, shall be kept in depositories selected 27647
by the lake facilities authority in the manner provided in Chapter 27648
135. of the Revised Code for the selection of eligible public 27649
depositories, and the deposits shall be secured as provided in 27650
that chapter. The resolution authorizing the issuance of such 27651
bonds or the trust agreement securing the bonds shall provide that 27652
any officer to whom, or any bank or trust company to which, such 27653
money is paid shall act as trustee of the money and hold and apply 27654
the money for the purposes for which the bonds are issued, subject 27655
to such conditions as Chapter 135. of the Revised Code and such 27656
resolutions or trust agreement provide. 27657

Sec. 353.15. Except as otherwise provided in any resolution 27658
authorizing the issuance of its lake facilities authority revenue 27659
bonds or in any trust agreement securing the bonds, moneys in the 27660

funds of the lake facilities authority in excess of current needs 27661
may be invested as permitted by sections 135.01 to 135.21 of the 27662
Revised Code or invested in linked deposit programs established by 27663
resolution of the board of directors in accordance with section 27664
135.80 of the Revised Code. Income from all investments of moneys 27665
in any fund shall be credited to funds as the lake facilities 27666
authority determines, subject to the provisions of any such 27667
resolution or trust agreement, and the investments may be sold at 27668
any time the lake facilities authority determines. 27669

Sec. 353.16. Bonds of a lake facilities authority and lake 27670
facilities authority revenue bonds are lawful investments of 27671
banks, societies for savings, trust companies, savings and loan 27672
associations, deposit guaranty associations, trustees, 27673

agreement for the sale or lease of mineral rights regarding a park 27685
within the district, any royalties or other moneys resulting from 27686
the sale or lease shall be deposited into a special fund that the 27687
board of park commissioners shall establish under division (F) of 27688
section 5705.09 of the Revised Code. The fund shall be used 27689
exclusively for maintenance of parks within the district and for 27690

the acquisition of new park lands. 27691

Notwithstanding any provision of law or a charter to the contrary, 27844
no member of the board shall forfeit or be disqualified from 27845
holding any public office or employment by reason of membership on 27846
the board. 27847

(3) The board is a public body for the purposes of section 27848
121.22 of the Revised Code. Chapter 2744. of the Revised Code 27849
applies to the board and the zone. 27850

(H) The contract may grant to the board of directors 27851
appointed under division (G) of this section the power to adopt a 27852
resolution to levy an income tax within the zone. The income tax 27853
shall be used for the purposes of the zone and for the purposes of 27854

contract. The income tax may be levied in the zone based on income 27856
earned by persons working within the zone and on the net profits 27857
of businesses located in the zone. The income tax is subject to 27858
Chapter 718. of the Revised Code, except that a vote shall be 27859
required by the electors residing in the zone to approve the rate 27860
of income tax unless a majority of the electors residing within 27861
the zone, as determined by the total number of votes cast in the 27862
zone for the office of governor at the most recent general 27863
election for that office, submit a petition to the board 27864
requesting that the election provided for in division (H)(1) of 27865
this section not be held. If no electors reside within the zone, 27866
then division (H)(3) of this section applies. The rate of the 27867
income tax shall be no higher than the highest rate being levied 27868
by a municipal corporation that is a party to the contract. 27869

(1) The board of directors may levy an income tax at a rate 27870
that is not higher than the highest rate being levied by a 27871
municipal corporation that is a party to the contract, provided 27872
that the rate of the income tax is first submitted to and approved 27873
by the electors of the zone at the succeeding regular or primary 27874

election, or a special election called by the board, occurring 27875
subsequent to ninety days after a certified copy of the resolution 27876
levying the income tax and calling for the election is filed with 27877
the board of elections. If the voters approve the levy of the 27878
income tax, the income tax shall be in force for the full period 27879
of the contract establishing the zone. No election shall be held 27880
under this section if a majority of the electors residing within 27881
the zone, determined as specified in division (H) of this section, 27882
submit a petition to that effect to the board of directors. Any 27883
increase in the rate of an income tax by the board of directors 27884
shall be approved by a vote of the electors of the zone and shall 27885
be in force for the remaining period of the contract establishing 27886
the zone. 27887

(2) Whenever a zone is located in the territory of more than 27888
one contracting party, a majority vote of the electors in each of 27889
the several portions of the territory of the contracting parties 27890
constituting the zone approving the levy of the tax is required 27891
before it may be imposed under division (H) of this section. 27892

(3) If no electors reside in the zone, no election for the 27893
approval or rejection of an income tax shall be held under this 27894
section, provided that where no electors reside in the zone, the 27895
rate of the income tax shall be no higher than the highest rate 27896
being levied by a municipal corporation that is a party to the 27897
contract. 27898

(4) The board of directors of a zone levying an income tax 27899
shall enter into an agreement with one of the municipal 27900
corporations that is a party to the contract to administer, 27901
collect, and enforce the income tax on behalf of the zone. 27902

(5) The board of directors of a zone shall publish or post 27903
public notice within the zone of any resolution adopted levying an 27904
income tax in the same manner required of municipal corporations 27905
under sections 731.21 and 731.25 of the Revised Code. 27906

(I)(1) If for any reason a contracting party reverts to or 27907

that is the entity succeeding to that contracting party, the 27909
township is considered to be a municipal corporation for the 27910
purposes of the contract for the full period of the contract 27911
establishing the joint economic development zone, except that if 27912
that contracting party is administering, collecting, and enforcing 27913
the income tax on behalf of the district as provided in division 27914
(H)(4) of this section, the contract shall be amended to allow one 27915
of the other contracting parties to administer, collect, and 27916
enforce that tax. 27917

(2) Notwithstanding any other section of the Revised Code, if 27918
there is any change in the boundaries of a township so that a 27919
municipal corporation once located within the township is no 27920
longer so located, the township shall remain in existence even 27921
though its remaining unincorporated area contains less than 27922
twenty-two square miles, if the township has been or becomes a 27923
party to a contract creating a joint economic development zone 27924
under this section or the contract creating that joint economic 27925
development zone under this section is terminated or repudiated 27926
for any reason by any party or person. The township shall continue 27927
its existing status in all respects, including having the same 27928
form of government and the same elected board of trustees as its 27929
governing body. The township shall continue to receive all of its 27930
tax levies and sources of income as a township in accordance with 27931
any section of the Revised Code, whether the levies and sources of 27932
income generate millage within the ten-mill limitation or in 27933
excess of the ten-mill limitation. The name of the township may be 27934
changed to the name of the contracting party appearing in the 27935
contract creating a joint economic development zone under this 27936
section, so long as the name does not conflict with any other name 27937
in the state that has been certified by the secretary of state. 27938
The township shall have all of the powers set out in sections 27939

715.79, 715.80, and 715.81 of the Revised Code. 27940

(J) If, after creating and operating a joint economic 27941
development zone under this section, a contracting party that did 27942
not levy a municipal income tax under Chapter 718. of the Revised 27943
Code levies such a tax, the tax shall not apply to the zone for 27944
the full period of the contract establishing the zone, if the 27945
board of directors of the zone has levied an income tax as 27946
provided in division (H) of this section. 27947

Sec. 721.01. Municipal corporations have special power to 27948
sell or lease real estate or to sell personal property belonging 27949

be exercised in the manner provided by ~~sections 721.01 to 721.26,~~ 27952
~~inclusive, of the Revised Code~~ this chapter. 27953

Sec. 721.03. No contract, except as provided in section 27954
721.28 of the Revised Code, for the sale or lease of real estate 27955

members of the legislative authority of such municipal 27958
corporation, and by the board or officer having supervision or 27959
management of such real estate. When the contract is so 27960

as are agreed upon between the city and the board of county 27972
commissioners, without competitive bidding as required by section 27973
721.03 of the Revised Code. No such sale shall be made unless the 27974

provisions. 28313

~~(G)~~(H) The term of an agricultural easement purchased wholly 28314
or in part with money from the clean Ohio agricultural easement 28315
fund or the agricultural easement purchase fund shall be perpetual 28316

agriculture as defined by rules adopted under this section and	28346
that is already or is in the process of becoming permanently	28347
protected from development, farm stewardship, development	28348

(b) A provision requiring that, upon the sale, exchange, or involuntary conversion of the land subject to the easement, the holder of the easement shall be paid an amount of money that is at least equal to the proportionate value of the easement compared to the total value of the land at the time the easement was acquired;	28393 28394 28395 28396 28397

district, or charitable organization remit to the director an 28402
amount of money equal to the percentage of the cost of purchasing 28403

agricultural easements either in installments or with a lump sum 28412
payment. The rules shall include a requirement that a charitable 28413
organization, municipal corporation, township, county, or soil and 28414

county humane society, or other person appointed to act as an 29644

(B) An officer may seize and cause to be impounded at an 29647
impounding agency a companion animal that the officer has probable 29648
cause to believe is the subject of an offense. No officer or 29649
impounding agency shall impound a companion animal that is the 29650
subject of an offense in a shelter owned, operated, or controlled 29651
by a board of county commissioners pursuant to Chapter 955. of the 29652
Revised Code unless the board, by resolution, authorizes the 29653
impoundment of such a companion animal in a shelter owned, 29654
operated, or controlled by that board and has executed, in the 29655
case when the officer is other than a dog warden or assistant dog 29656
warden, a contract specifying the terms and conditions of the 29657
impoundment. 29658

(C) The officer shall give written notice of the seizure and 29659

animal that was seized and impounded. If the officer is unable to 29661
give the notice to the owner, keeper, or harbinger of the companion 29662
animal, the officer shall post the notice on the door of the 29663
residence or in another conspicuous place on the premises at which 29664
the companion animal was seized. The notice shall include a 29665
statement that a hearing will be held not later than ten days 29666
after the notice is provided or at the next available court date 29667
to determine whether the officer had probable cause to seize the 29668
companion animal and, if applicable, to determine the amount of a 29669
bond or cash deposit that is needed to provide for the companion 29670
animal's care and keeping for not less than thirty days beginning 29671
on the date on which the companion animal was impounded. 29672

(D) A companion animal that is seized under this section may 29673

be humanely destroyed immediately or at any time during 29674
impoundment if a licensed veterinarian determines it to be 29675
necessary because the companion animal is suffering. 29676

(E)(1) Not later than ten days after notice is provided or at 29677
the next available court date, the court shall hold a hearing to 29678
determine whether the officer impounding a companion animal had 29679
probable cause to seize the companion animal. If the court 29680
determines that probable cause exists, the court shall determine 29681
the amount of a bond or cash deposit that is needed to provide for 29682
the companion animal's care and keeping for not less than thirty 29683
days beginning on the date on which the companion animal was 29684
impounded. 29685

(2) If the court determines that probable cause does not 29686
exist, the court immediately shall order the impounding agency to 29687
return the companion animal to its owner if possible. If the 29688
companion animal cannot be returned because it has died as a 29689
result of neglect or other misconduct by the impounding agency or 29690
if the companion animal is injured as a result of neglect or other 29691
misconduct by the impounding agency, the court shall order the 29692
impounding agency to pay the owner an amount determined by the 29693
court to be equal to the reasonable market value of the companion 29694
animal at the time that it was impounded plus statutory interest 29695
as defined in section 1343.03 of the Revised Code from the date of 29696
the impoundment or an amount determined by the court to be equal 29697
to the reasonable cost of treatment of the injury to the companion 29698
animal, as applicable. The requirement established in division 29699
(E)(2) of this section regarding the payment of the reasonable 29700
market value of the companion animal shall not apply in the case 29701
of a dog that, in violation of section 955.01 of the Revised Code, 29702
was not registered at the time it was seized and impounded. 29703

(3) If the court determines that probable cause exists and 29704
determines the amount of a bond or cash deposit, the case shall 29705

continue and the owner shall post a bond or cash deposit to 29706
provide for the companion animal's care and keeping for not less 29707
than thirty days beginning on the date on which the companion 29708
animal was impounded. The owner may renew a bond or cash deposit 29709
by posting, not later than ten days following the expiration of 29710
the period for which a previous bond or cash deposit was posted, a 29711
new bond or cash deposit in an amount that the court, in 29712
consultation with the impounding agency, determines is sufficient 29713
to provide for the companion animal's care and keeping for not 29714
less than thirty days beginning on the date on which the previous 29715
period expired. If no bond or cash deposit is posted or if a bond 29716
or cash deposit expires and is not renewed, the impounding agency 29717
may determine the disposition of the companion animal unless the 29718
court issues an order that specifies otherwise. 29719

(F) If a person is convicted of committing an offense, the 29720
court may impose the following additional penalties against the 29721
person: 29722

(1) A requirement that the person pay for the costs incurred 29723
by the impounding agency in caring for a companion animal involved 29724
in the applicable offense, provided that the costs were incurred 29725
during the companion animal's impoundment. A bond or cash deposit 29726
posted under this section may be applied to the costs. 29727

(2) An order permanently terminating the person's right to 29728
possession, title, custody, or care of the companion animal that 29729
was involved in the offense. If the court issues such an order, 29730
the court shall order the disposition of the companion animal. 29731

(G) If a person is found not guilty of committing an offense, 29732
the court immediately shall order the impounding agency to return 29733
the companion animal to its owner if possible and to return the 29734
entire amount of any bond or cash deposit posted under division 29735
(E) of this section. If the companion animal cannot be returned 29736
because it has died as a result of neglect or other misconduct by 29737

the impounding agency or if the companion animal is injured as a 29738
result of neglect or other misconduct by the impounding agency, 29739
the court shall order the impounding agency to pay the owner an 29740
amount determined by the court to be equal to the reasonable 29741
market value of the companion animal at the time that it was 29742
impounded plus statutory interest as defined in section 1343.03 of 29743
the Revised Code from the date of the impoundment or an amount 29744
determined by the court to be equal to the reasonable cost of 29745
treatment of the injury to the companion animal, as applicable. 29746
The requirements established in this division regarding the return 29747
of a bond or cash deposit and the payment of the reasonable market 29748
value of the companion animal shall not apply in the case of a dog 29749
that, in violation of section 955.01 of the Revised Code, was not 29750
registered at the time it was seized and impounded. 29751

(H) If charges are filed under section 959.131 of the Revised 29752
Code against the custodian or caretaker of a companion animal, but 29753
the companion animal that is the subject of the charges is not 29754
impounded, the court in which the charges are pending may order 29755
the owner or person having custody of the companion animal to 29756
provide to the companion animal the necessities described in 29757
division (C)(2) or (E)(2) of section 959.131 of the Revised Code 29758
until the final disposition of the charges. If the court issues an 29759
order of that nature, the court also may authorize an officer or 29760
another person to visit the place where the companion animal is 29761
being kept, at the times and under the conditions that the court 29762
may set, to determine whether the companion animal is receiving 29763
those necessities and to remove and impound the companion animal 29764
if the companion animal is not receiving those necessities. 29765

or livestock and may provide for its disposition, including, but 29780
not limited to, the sale of the animal or livestock. If an animal 29781
or livestock is forfeited and sold pursuant to this division, the 29782
proceeds from the sale first shall be applied to pay the expenses 29783
incurred with regard to the care of the animal from the time it 29784
was taken from the custody of the former owner. The balance of the 29785
proceeds from the sale, if any, shall be paid to the former owner 29786
of the animal. 29787

the Revised Code is guilty of a misdemeanor of the first degree on 29789

Sec. 1321.51. As used in sections 1321.51 to 1321.60 of the Revised Code: 30166

(A) "Person" means an individual, partnership, association, trust, corporation, or any other legal entity. 30168

(B) "Certificate" means a certificate of registration issued under sections 1321.51 to 1321.60 of the Revised Code. 30170

(C) "Registrant" means a person to whom one or more certificates of registration have been issued under sections 1321.51 to 1321.60 of the Revised Code. 30172

(D) "Principal amount" means the amount of cash paid to, or paid or payable for the account of, the borrower, and includes any charge, fee, or expense that is financed by the borrower at origination of the loan or during the term of the loan. 30175

(E) "Interest" means all charges payable directly or indirectly by a borrower to a registrant as a condition to a loan or an application for a loan, however denominated, but does not include default charges, deferment charges, insurance charges or premiums, court costs, loan origination charges, check collection charges, credit line charges, points, prepayment penalties, or other fees and charges specifically authorized by law. 30179

(F) "Interest-bearing loan" means a loan in which the debt is expressed as the principal amount and interest is computed, charged, and collected on unpaid principal balances outstanding 30186

from time to time. 30189

(G) "Precomputed loan" means a loan in which the debt is a 30190
sum comprising the principal amount and the amount of interest 30191
computed in advance on the assumption that all scheduled payments 30192
will be made when due. 30193

(H) "Actuarial method" means the method of allocating 30194
payments made on a loan between the principal amount and interest 30195

the remainder to the unpaid principal amount. 30197

(I) "Applicable charge" means the amount of interest 30198
attributable to each monthly installment period of the loan 30199
contract. The applicable charge is computed as if each installment 30200
period were one month and any charge for extending the first 30201
installment period beyond one month is ignored. In the case of 30202
loans originally scheduled to be repaid in sixty-one months or 30203
less, the applicable charge for any installment period is that 30204
proportion of the total interest contracted for, as the balance 30205
scheduled to be outstanding during that period bears to the sum of 30206
all of the periodic balances, all determined according to the 30207
payment schedule originally contracted for. In all other cases, 30208
the applicable charge for any installment period is that which 30209
would have been made for such period had the loan been made on an 30210
interest-bearing basis, based upon the assumption that all 30211
payments were made according to schedule. 30212

(J) "Broker" means a person who acts as an intermediary or 30213
agent in finding, arranging, or negotiating loans, other than 30214
residential mortgage loans, and charges or receives a fee for 30215
these services. 30216

(K) "Annual percentage rate" means the ratio of the interest 30217
on a loan to the unpaid principal balances on the loan for any 30218
period of time, expressed on an annual basis. 30219

(L) "Point" means a charge equal to one per cent of either of	30220
the following:	30221
(1) The principal amount of a precomputed loan or	30222
interest-bearing loan;	30223

loan at any time prior to five years from the date the loan	30226
contract is executed.	30227
(N) "Refinancing" means a loan the proceeds of which are used	30228
in whole or in part to pay the unpaid balance of a prior loan made	30229
by the same registrant to the same borrower under sections 1321.51	30230
to 1321.60 of the Revised Code.	30231
(O) "Superintendent of financial institutions" includes the	30232
