authorities in section 723.01 or 4513.34 of the Revised Code, 32014
provided that the authority granted under those sections shall not 32015

be exercised in a manner that discriminates against, unfairly 32016
impedes, or obstructs oil and gas activities and operations 32017
regulated under this chapter. 32018

incompleteness in chemical information required by divisions 32495
(A)(9) and (10) and (B)(3) of this section, an owner shall be 32496
considered in substantial compliance if the owner has made 32497
reasonable efforts to obtain the required information from the 32498
supplier. 32499

(2) For purposes of reporting under this section, an owner is 32500
not required to report chemicals that occur incidentally or in 32501
trace amounts. 32502

of oil and gas resources without an order or a permit issued under 32583
this section or section 1509.06 or 1509.21 of the Revised Code or 32584
rules adopted under any of those sections. For purposes of 32585
division (B)(2)(a) of this section, a permit or other form of 32586
authorization issued by another agency of the state or a political 32587
subdivision of the state shall not be considered a permit or order 32588
issued by the chief of the division of oil and gas resources 32589
management under this chapter. 32590

(b) Division (B)(2)(a) of this section does not apply to a 32591
person that disposes of such waste substances other than brine in 32592
accordance with Chapter 3734. of the Revised Code and rules 32593
adopted under it. 32594

~~(C) The chief of the division of oil and gas resources~~ 32595
~~management shall adopt rules and issue orders regarding storage,~~ 32596
~~recycling, treatment, processing, and disposal of brine and other~~ 32597
~~waste substances; however, the. The rules shall establish~~ 32598
procedures and requirements in accordance with which a person 32599
shall apply for a permit or order for the storage, recycling, 32600
treatment, processing, or disposal of brine and other waste 32601
substances that are not subject to a permit issued under section 32602
1509.06 or 1509.21 of the Revised Code and in accordance with 32603
which the chief may issue such a permit or order. An application 32604
for such a permit shall be accompanied by a nonrefundable fee of 32605
two thousand five hundred dollars. 32606

The storage, recycling, treatment, processing, and disposal 32607
of brine and other waste substances and the chief's rules relating 32608
to storage, recycling, treatment, processing, and disposal are 32609

subject to all of the following standards: 32610

(1) Brine from any well except an exempt Mississippian well 32611
shall be disposed of only ~~by injection~~ as follows: 32612

(a) By injection into an underground formation, including 32613
annular disposal if approved by rule of the chief, which injection 32614
shall be subject to division (D) of this section; ~~by~~ 32615

(b) By surface application in accordance with section 32616
1509.226 of the Revised Code; ~~in~~ 32617

(C)(1)(a) to (c) of this section that is approved by a permit or 32621
order issued by the chief for testing or implementing a new 32622
technology or method of disposal. Brine 32623

(2) Brine from exempt Mississippian wells shall not be 32624
discharged directly into the waters of the state. 32625

~~(2)~~(3) Muds, cuttings, and other waste substances shall not 32626
be disposed of in violation of this chapter or any rule adopted 32627
under it. 32628

~~(3)~~(4) Pits or steel tanks shall be used as authorized by the 32629
chief for containing brine and other waste substances resulting 32630
from, obtained from, or produced in connection with drilling, well 32631
stimulation, reworking, reconditioning, plugging back, or plugging 32632
operations. The pits and steel tanks shall be constructed and 32633
maintained to prevent the escape of brine and other waste 32634
substances. 32635

~~(4)~~(5) A dike or pit may be used for spill prevention and 32636
control. A dike or pit so used shall be constructed and maintained 32637
to prevent the escape of brine and crude oil, and the reservoir 32638
within such a dike or pit shall be kept reasonably free of brine, 32639

crude oil, and other waste substances. 32640

~~(5) Earthen impoundments~~ (6) Impoundments constructed 32641
utilizing a synthetic liner pursuant to the division's 32642

accordance with divisions (C) ~~(3) to~~ (4) and (5) of this section. 32648

~~(7)(8)~~ No pit or dike shall be used for the ultimate disposal 32649
of brine or other liquid waste substances. 32650

(D)(1) No person, without first having obtained a permit from 32651
the chief, shall inject brine or other waste substances resulting 32652
from, obtained from, or produced in connection with oil or gas 32653
drilling, exploration, or production into an underground formation 32654
unless a rule of the chief expressly authorizes the injection 32655
without a permit. The permit shall be in addition to any permit 32656
required by section 1509.05 of the Revised Code, and the permit 32657
application shall be accompanied by a permit fee of one thousand 32658
dollars. The chief shall adopt rules in accordance with Chapter 32659
119. of the Revised Code regarding the injection into wells of 32660
brine and other waste substances resulting from, obtained from, or 32661
produced in connection with oil or gas drilling, exploration, or 32662
production. The rules shall include provisions regarding all of 32663
the following: 32664

(a) Applications for and issuance of the permits required by 32665
this division; 32666

(b) Entry to conduct inspections and to examine and copy 32667
records to ascertain compliance with this division and rules, 32668
orders, and terms and conditions of permits adopted or issued 32669
under it; 32670

(c) The provision and maintenance of information through 32671
monitoring, recordkeeping, and reporting. In addition, the rules 32672
shall require the owner of an injection well who has been issued a 32673
permit under division (D) of this section to quarterly submit 32674
electronically to the chief information concerning each shipment 32675
of brine or other waste substances received by the owner for 32676
injection into the well. 32677

(d) The provision and electronic reporting quarterly of 32678
information concerning brine and other waste substances from a 32679
transporter that is registered under section 1509.222 of the 32680
Revised Code prior to the injection of the transported brine or 32681
other waste substances; 32682

(e) Any other provisions in furtherance of the goals of this 32683
section and the Safe Drinking Water Act. 32684

(2) The chief may adopt rules in accordance with Chapter 119. 32685
of the Revised Code authorizing tests to evaluate whether fluids 32686
or carbon dioxide may be injected in a reservoir and to determine 32687
the maximum allowable injection pressure, which shall be conducted 32688
in accordance with methods prescribed in the rules or in 32689
accordance with conditions of the permit. In addition, the chief 32690
may adopt rules that do both of the following: 32691

(a) Establish the total depth of a well for which a permit 32692
has been applied for or issued under this division; 32693

(b) Establish requirements and procedures to protect public 32694
health and safety. 32695

(3) To implement the goals of the Safe Drinking Water Act, 32696
the chief shall not issue a permit for the injection of brine or 32697
other waste substances resulting from, obtained from, or produced 32698
in connection with oil or gas drilling, exploration, or production 32699
unless the chief concludes that the applicant has demonstrated 32700
that the injection will not result in the presence of any 32701

contaminant in ground water that supplies or can reasonably be expected to supply any public water system, such that the presence of the contaminant may result in the system's not complying with any national primary drinking water regulation or may otherwise adversely affect the health of persons.

(4) The chief may issue an order to the owner of a well in existence on ~~the effective date of this amendment~~ September 10, 2012, to make changes in the operation of the well in order to correct problems or to address safety concerns.

(5) This division and rules, orders, and terms and conditions of permits adopted or issued under it shall be construed to be no more stringent than required for compliance with the Safe Drinking Water Act unless essential to ensure that underground sources of drinking water will not be endangered.

(E) The owner holding a permit, or an assignee or transferee who has assumed the obligations and liabilities imposed by this chapter and any rules adopted or orders issued under it pursuant to section 1509.31 of the Revised Code, and the operator of a well shall be liable for a violation of this section or any rules adopted or orders or terms or conditions of a permit issued under it.

(F)(1) An owner shall replace the water supply of the holder of an interest in real property who obtains all or part of the holder's supply of water for domestic, agricultural, industrial, or other legitimate use from an underground or surface source where the supply has been substantially disrupted by contamination, diminution, or interruption proximately resulting from the owner's oil or gas operation, or the owner may elect to compensate the holder of the interest in real property for the difference between the fair market value of the interest before the damage occurred to the water supply and the fair market value after the damage occurred if the cost of replacing the water

supply exceeds this difference in fair market values. However, 32734
during the pendency of any order issued under this division, the 32735
owner shall obtain for the holder or shall reimburse the holder 32736
for the reasonable cost of obtaining a water supply from the time 32737
of the contamination, diminution, or interruption by the operation 32738
until the owner has complied with an order of the chief for 32739
compliance with this division or such an order has been revoked or 32740
otherwise becomes not effective. If the owner elects to pay the 32741
difference in fair market values, but the owner and the holder 32742
have not agreed on the difference within thirty days after the 32743
chief issues an order for compliance with this division, within 32744
ten days after the expiration of that thirty-day period, the owner 32745
and the chief each shall appoint an appraiser to determine the 32746
difference in fair market values, except that the holder of the 32747
interest in real property may elect to appoint and compensate the 32748
holder's own appraiser, in which case the chief shall not appoint 32749
an appraiser. The two appraisers appointed shall appoint a third 32750
appraiser, and within thirty days after the appointment of the 32751
third appraiser, the three appraisers shall hold a hearing to 32752
determine the difference in fair market values. Within ten days 32753
after the hearing, the appraisers shall make their determination 32754
by majority vote and issue their final determination of the 32755
difference in fair market values. The chief shall accept a 32756
determination of the difference in fair market values made by 32757
agreement of the owner and holder or by appraisers under this 32758
division and shall make and dissolve orders accordingly. This 32759
division does not affect in any way the right of any person to 32760
enforce or protect, under applicable law, the person's interest in 32761
water resources affected by an oil or gas operation. 32762

(2) For purposes of determining contamination of a water 32763
supply under division (F)(1) of this section, the chief shall 32764
review any baseline water supply test data that are available and 32765
may apply the primary drinking water standards established under 32766

the Safe Drinking Water Act. 32767

(G) In any action brought by the state for a violation of 32768
division (A) of this section involving any well at which annular 32769
disposal is used, there shall be a rebuttable presumption 32770
available to the state that the annular disposal caused the 32771
violation if the well is located within a one-quarter-mile radius 32772
of the site of the violation. 32773

(H)(1) There is levied on the owner of an injection well who 32774
has been issued a permit under division (D) of this section the 32775
following fees: 32776

(a) Five cents per barrel of each substance that is delivered 32777
to a well to be injected in the well when the substance is 32778
produced within the division of oil and gas resources management 32779
regulatory district in which the well is located or within an 32780
adjoining oil and gas resources management regulatory district; 32781

(b) Twenty cents per barrel of each substance that is 32782
delivered to a well to be injected in the well when the substance 32783
is not produced within the division of oil and gas resources 32784
management regulatory district in which the well is located or 32785
within an adjoining oil and gas resources management regulatory 32786
district. 32787

(2) The maximum number of barrels of substance per injection 32788
well in a calendar year on which a fee may be levied under 32789
division (H) of this section is five hundred thousand. If in a 32790
calendar year the owner of an injection well receives more than 32791
five hundred thousand barrels of substance to be injected in the 32792
owner's well and if the owner receives at least one substance that 32793
is produced within the division's regulatory district in which the 32794
well is located or within an adjoining regulatory district and at 32795
least one substance that is not produced within the division's 32796
regulatory district in which the well is located or within an 32797

adjoining regulatory district, the fee shall be calculated first 32798
on all of the barrels of substance that are not produced within 32799
the division's regulatory district in which the well is located or 32800
within an adjoining district at the rate established in division 32801
(H)(2) of this section. The fee then shall be calculated on the 32802
barrels of substance that are produced within the division's 32803
regulatory district in which the well is located or within an 32804
adjoining district at the rate established in division (H)(1) of 32805
this section until the maximum number of barrels established in 32806
division (H)(2) of this section has been attained. 32807

(3) The owner of an injection well who is issued a permit 32808
under division (D) of this section shall collect the fee levied by 32809
division (H) of this section on behalf of the division of oil and 32810
gas resources management and forward the fee to the division. The 32811
chief shall transmit all money received under division (H) of this 32812
section to the treasurer of state who shall deposit the money in 32813
the state treasury to the credit of the oil and gas well fund 32814
created in section 1509.02 of the Revised Code. The owner of an 32815
injection well who collects the fee levied by this division may 32816
retain up to three per cent of the amount that is collected. 32817

(4) The chief shall adopt rules in accordance with Chapter 32818
119. of the Revised Code establishing requirements and procedures 32819
for collection of the fee levied by division (H) of this section. 32820

Sec. 1509.226. (A) If a board of county commissioners, a 32821
board of township trustees, or the legislative authority of a 32822
municipal corporation wishes to permit the surface application of 32823
brine to roads, streets, highways, and other similar land surfaces 32824
it owns or has the right to control for control of dust or ice, it 32825
may adopt a resolution permitting such application as provided in 32826
this section. If a board or legislative authority does not adopt 32827
such a resolution, then no such surface application of brine is 32828

permitted on such roads, streets, highways, and other similar 32829
surfaces. If a board or legislative authority votes on a proposed 32830
resolution to permit such surface application of brine, but the 32831
resolution fails to receive the affirmative vote of a majority of 32832
the board or legislative authority, the board or legislative 32833
authority shall not adopt such a resolution for one year following 32834
the date on which the vote was taken. A board or legislative 32835
authority shall hold at least one public hearing on any proposal 32836
to permit surface application of brine under this division and may 32837
hold additional hearings. The board or legislative authority shall 32838
publish notice of the time and place of each such public hearing 32839
in a newspaper of general circulation in the political subdivision 32840
at least five days before the day on which the hearing is to be 32841
held. 32842

(B) If a board or legislative authority adopts a resolution 32843
permitting the surface application of brine to roads, streets, 32844
highways, and other similar land surfaces under division (A) of 32845
this section, the board or legislative authority shall, within 32846
thirty days after the adoption of the resolution, prepare and 32847
submit to the chief of the division of oil and gas resources 32848
management a copy of the resolution. Any department, agency, or 32849
instrumentality of this state or the United States that wishes to 32850
permit the surface application of brine to roads, streets, 32851
highways, and other similar land surfaces it owns or has a right 32852
to control shall prepare and submit guidelines for such 32853
application, but need not adopt a resolution under division (A) of 32854
this section permitting such surface application. 32855

All resolutions and guidelines shall be subject to the 32856
following standards: 32857

(1) Brine shall not be applied: 32858

(a) To a water-saturated surface; 32859

(b) Directly to vegetation near or adjacent to surfaces being treated;	32860 32861
(c) Within twelve feet of structures crossing bodies of water or crossing drainage ditches;	32862 32863
(d) Between sundown and sunrise, except for ice control.	32864
(2) The discharge of brine through the spreader bar shall stop when the application stops.	32865 32866
(3) The applicator vehicle shall be moving at least five miles per hour at all times while the brine is being applied.	32867 32868
(4) The maximum spreader bar nozzle opening shall be three-quarters of an inch in diameter.	32869 32870
(5) The maximum uniform application rate of brine shall be three thousand gallons per mile on a twelve-foot-wide road or three gallons per sixty square feet on unpaved lots.	32871 32872 32873
(6) The applicator vehicle discharge valve shall be closed between the brine collection point and the specific surfaces that have been approved for brine application.	32874 32875 32876
(7) Any valves that provide for tank draining other than through the spreader bar shall be closed during the brine application and transport.	32877 32878 32879
(8) The angle of discharge from the applicator vehicle spreader bar shall not be greater than sixty degrees from the perpendicular to the unpaved surface.	32880 32881 32882
(9) Only the last twenty-five per cent of an applicator vehicle's contents shall be allowed to have a pressure greater than atmospheric pressure; therefore, the first seventy-five per cent of the applicator vehicle's contents shall be discharged under atmospheric pressure.	32883 32884 32885 32886 32887
(10) Only brine that is produced from a well <u>that is not a horizontal well</u> shall be allowed to be spread on a road. Fluids	32888 32889

from the drilling of a well, flowback from the stimulation of a 32890
well, and other fluids used to treat a well shall not be spread on 32891
a road. 32892

If a resolution or guidelines contain only the standards 32893
listed in divisions (B)(1) to (10) of this section, without 32894
addition or qualification, the resolution or guidelines shall be 32895
deemed effective when submitted to the chief without further 32896
action by the chief. All other resolutions and guidelines shall 32897
comply with and be no less stringent than this chapter, rules 32898
concerning surface application that the chief shall adopt under 32899
division (C) of section 1509.22 of the Revised Code, and other 32900
rules of the chief. Within fifteen days after receiving such other 32901
resolutions and guidelines, the chief shall review them for 32902
compliance with the law and rules and disapprove them if they do 32903
not comply. 32904

The board, legislative authority, or department, agency, or 32905
instrumentality may revise and resubmit any resolutions or 32906
guidelines that the chief disapproves after each disapproval, and 32907
the chief shall again review and approve or disapprove them within 32908
fifteen days after receiving them. The board, legislative 32909
authority, or department, agency, or instrumentality may amend any 32910
resolutions or guidelines previously approved by the chief and 32911
submit them, as amended, to the chief. The chief shall receive, 32912
review, and approve or disapprove the amended resolutions or 32913
guidelines on the same basis and in the same time as original 32914
resolutions or guidelines. The board, legislative authority, or 32915
department, agency, or instrumentality shall not implement amended 32916
resolutions or guidelines until they are approved by the chief 32917
under this division. 32918

(C) Any person, other than a political subdivision required 32919
to adopt a resolution under division (A) of this section or a 32920
department, agency, or instrumentality of this state or the United 32921

States, who owns or has a legal right or obligation to maintain a 32922
road, street, highway, or other similar land surface may file with 32923
the board of county commissioners a written plan for the 32924
application of brine to the road, street, highway, or other 32925
surface. The board need not approve any such plans, but if it 32926
approves a plan, the plan shall comply with this chapter, rules 32927
adopted thereunder, and the board's resolutions, if any. 32928
Disapproved plans may be revised and resubmitted for the board's 32929
approval. Approved plans may also be revised and submitted to the 32930
board. A plan or revised plan shall do all of the following: 32931

(1) Identify the sources of brine to be used under the plan; 32932

(2) Identify by name, address, and registration certificate, 32933
if applicable, any transporters of the brine; 32934

(3) Specifically identify the places to which the brine will 32935
be applied; 32936

(4) Specifically describe the method, rate, and frequency of 32937
application. 32938

(D) The board may attach terms and conditions to approval of 32939
a plan, or revised plan, and may revoke approval for any violation 32940
of this chapter, rules adopted thereunder, resolutions adopted by 32941
the board, or terms or conditions attached by the board. The board 32942
shall conduct at least one public hearing before approving a plan 32943
or revised plan, publishing notice of the time and place of each 32944
such public hearing in a newspaper of general circulation in the 32945
county at least five days before the day on which the hearing is 32946
to be held. The board shall record the filings of all plans and 32947
revised plans in its journal. The board shall approve, disapprove, 32948
or revoke approval of a plan or revised plan by the adoption of a 32949
resolution. Upon approval of a plan or revised plan, the board 32950
shall send a copy of the plan to the chief. Upon revoking approval 32951
of a plan or revised plan, the board shall notify the chief of the 32952

revocation. 32953

(E) No person shall: 32954

(1) Apply brine to a water-saturated surface; 32955

(2) Apply brine directly to vegetation adjacent to the 32956
surface of roads, streets, highways, and other surfaces to which 32957
brine may be applied. 32958

(F) Each political subdivision that adopts a resolution under 32959
divisions (A) and (B) of this section, each department, agency, or 32960
instrumentality of this state or the United States that submits 32961
guidelines under division (B) of this section, and each person who 32962
files a plan under divisions (C) and (D) of this section shall, on 32963
or before the fifteenth day of April of each year, file a report 32964
with the chief concerning brine applied within the person's or 32965
governmental entity's jurisdiction, including the quantities 32966
transported and the sources and application points during the last 32967
preceding calendar year and such other information in such form as 32968
the chief requires. 32969

(G) Any political subdivision or department, agency, or 32970
instrumentality of this state or the United States that applies 32971
brine under this section may do so with its own personnel, 32972
vehicles, and equipment without registration under or compliance 32973
with section 1509.222 or 1509.223 of the Revised Code and without 32974
the necessity for filing the surety bond or other security 32975
required by section 1509.225 of the Revised Code. However, each 32976
such entity shall legibly identify vehicles used to apply brine 32977
with reflective paint in letters no less than four inches in 32978
height, indicating the word "brine" and that the vehicle is a 32979
vehicle of the political subdivision, department, agency, or 32980
instrumentality. Except as stated in this division, such entities 32981
shall transport brine in accordance with sections 1509.22 to 32982
1509.226 of the Revised Code. 32983

(H) A surface application plan filed for approval under 32984
division (C) of this section shall be accompanied by a 32985
nonrefundable fee of fifty dollars, which shall be credited to the 32986
general fund of the county. An approved plan is valid for one year 32987
from the date of its approval unless it is revoked before that 32988
time. An approved revised plan is valid for the remainder of the 32989
term of the plan it supersedes unless it is revoked before that 32990
time. Any person who has filed such a plan or revised plan and had 32991
it approved may renew it by refiling it in accordance with 32992
divisions (C) and (D) of this section within thirty days before 32993
any anniversary of the date on which the original plan was 32994
approved. The board shall notify the chief of renewals and 32995
nonrenewals of plans. Even if a renewed plan is approved under 32996
those divisions, the plan is not effective until notice is 32997
received by the chief, and until notice is received, the chief 32998

resolution. The termination shall be effective not less than seven 33007
days after enactment of the resolution, and a copy of the 33008
resolution shall be sent to the chief. 33009

Sec. 1509.50. (A) An oil and gas regulatory cost recovery 33010
assessment is hereby imposed by this section on an owner. An owner 33011
shall pay the assessment in the same manner as a severer who is 33012
required to file a return under section 5749.06 of the Revised 33013
Code. However, an owner may designate a severer who shall pay the 33014
owner's assessment on behalf of the owner on the return that the 33015

severer is required to file under that section. If a severer so 33016
pays an owner's assessment, the severer may recoup from the owner 33017
the amount of the assessment. Except for an exempt domestic well, 33018
the assessment imposed shall be in addition to the taxes levied on 33019
the severance of oil and gas under section 5749.02 of the Revised 33020
Code. 33021

(B)(1) Except for an exempt domestic well, the oil and gas 33022
regulatory cost recovery assessment shall be calculated on a 33023
quarterly basis and shall be one of the following: 33024

(a) If the sum of ten cents per barrel of oil for all of the 33025
wells of the owner, one-half of one cent per one thousand cubic 33026
feet of natural gas for all of the wells of the owner, and the 33027
amount of the severance tax levied on each severer for all of the 33028
wells of the owner under divisions (A)(5) and (6) of section 33029
5749.02 of the Revised Code, as applicable, is greater than the 33030
sum of fifteen dollars for each well owned by the owner, the 33031
amount of the assessment is the sum of ten cents per barrel of oil 33032
for all of the wells of the owner and one-half of one cent per one 33033
thousand cubic feet of natural gas for all of the wells of the 33034
owner. 33035

(b) If the sum of ten cents per barrel of oil for all of the 33036
wells of the owner, one-half of one cent per one thousand cubic 33037
feet of natural gas for all of the wells of the owner, and the 33038
amount of the severance tax levied on each severer for all of the 33039
wells of the owner under divisions (A)(5) and (6) of section 33040
5749.02 of the Revised Code, as applicable, is less than the sum 33041
of fifteen dollars for each well owned by the owner, the amount of 33042
the assessment is the sum of fifteen dollars for each well owned 33043
by the owner less the amount of the tax levied on each severer for 33044
all of the wells of the owner under divisions (A)(5) and (6) of 33045
section 5749.02 of the Revised Code, as applicable. 33046

(2) The oil and gas regulatory cost recovery assessment for a well that becomes an exempt domestic well on and after June 30, 2010, shall be sixty dollars to be paid to the division of oil and gas resources management on the first day of July of each year.

(C) All money collected pursuant to this section shall be ~~deposited in the state treasury to the credit of~~ credited to the severance tax receipts fund. After the director of budget and management transfers money from the severance tax receipts fund as required in division (H) of section 5749.06 of the Revised Code, money in the severance tax receipts fund from amounts collected pursuant to this section shall be credited to the oil and gas well fund created in section 1509.02 of the Revised Code.

(D) Except for purposes of revenue distribution as specified in division (B) of section 5749.02 of the Revised Code, the oil and gas regulatory cost recovery assessment imposed by this section shall be treated the same and equivalent for all purposes as the taxes levied on the severance of oil and gas under that section. However, the assessment imposed by this section is not a tax under Chapter 5749. of the Revised Code.

Sec. 1511.02. The chief of the division of soil and water resources, subject to the approval of the director of natural resources, shall do all of the following:

(1) Shall establish technically feasible and economically reasonable standards to achieve a level of management and conservation practices in farming or silvicultural operations that will abate wind or water erosion of the soil or abate the degradation of the waters of the state by animal waste or by soil sediment including substances attached thereto, and establish criteria for determination of the acceptability of such management and conservation practices;	33091 33092 33093 33094 33095 33096 33097 33098
(2) Shall establish technically feasible and economically reasonable standards to achieve a level of management and conservation practices that will abate wind or water erosion of the soil or abate the degradation of the waters of the state by soil sediment in conjunction with land grading, excavating, filling, or other soil-disturbing activities on land used or being developed for nonfarm commercial, industrial, residential, or other nonfarm purposes, and establish criteria for determination of the acceptability of such management and conservation practices. The standards shall be designed to implement applicable	33099 33100 33101 33102 33103 33104 33105 33106 33107 33108

208 of the "Federal Water Pollution Control Act," 86 Stat. 816 33110
(1972), 33 U.S.C.A. 1288, as amended. The standards and criteria 33111
shall not apply in any municipal corporation or county that adopts 33112
ordinances or rules pertaining to sediment control, nor to lands 33113
being used in a strip mine operation as defined in section 1513.01 33114
of the Revised Code, nor to lands being used in a surface mining 33115
operation as defined in section 1514.01 of the Revised Code. 33116

by one person or operated as one development unit and require 33121
implementation of such a plan. Areas of less than five contiguous 33122
acres are not exempt from compliance with other provisions of this 33123
chapter and rules adopted under them. 33124

(4) Shall establish procedures for administration of rules 33125
for agricultural pollution abatement and urban sediment pollution 33126
abatement and for enforcement of rules for agricultural pollution 33127
abatement; 33128

(5) Shall specify the pollution abatement practices eligible 33129
for state cost sharing and determine the conditions for 33130
eligibility, the construction standards and specifications, the 33131
useful life, the maintenance requirements, and the limits of cost 33132
sharing for those practices. Eligible practices shall be limited 33133
to practices that address agricultural or silvicultural operations 33134
and that require expenditures that are likely to exceed the 33135
economic returns to the owner or operator and that abate soil 33136
erosion or degradation of the waters of the state by animal waste 33137
or soil sediment including pollutants attached thereto. 33138

(6) Shall establish procedures for administering grants to 33139
owners or operators of agricultural land or concentrated animal 33140

feeding operations for the implementation of operation and 33141
management plans; 33142

(7) Shall establish procedures for administering grants to 33143
soil and water conservation districts for urban sediment pollution 33144
abatement programs, specify the types of projects eligible for 33145
grants, establish limits on the availability of grants, and 33146
establish requirements governing the execution of projects to 33147
encourage the reduction of erosion and sedimentation associated 33148
with soil-disturbing activities; 33149

(8) Shall do all of the following with regard to composting 33150
conducted in conjunction with agricultural operations: 33151

(a) Provide for the distribution of educational material 33152

(c) Establish requirements and procedures governing the 33160

supervisors of soil and water conservation districts under 33162
division (Q) of section 1515.08 of the Revised Code. 33163

standards adopted pursuant to section 3704.03 or 6111.041 of the
Revised Code. The application of a level of management and
conservation practices recommended under this section to control
windblown soil from farming operations creates a presumption of
compliance with section 3704.03 of the Revised Code as that
section applies to windblown soil.

the Revised Code. Before the chief issues an order, the chief 33210
shall afford each person allegedly liable an adjudication hearing 33211

laws in force at the time of employment. 33236

improvements affecting soil and water resources, including surface 33239
and subsurface drainage: 33240

(1) Provide engineering service as is mutually agreeable to 33241
the Ohio soil and water conservation commission and the director 33242
to aid in the design and installation of soil and water 33243

and water conservation district under division (Q)(3) of section 33303
1515.08 of the Revised Code, the person may appeal the plan 33304
disapproval to the chief, who shall afford the person a hearing. 33305
Following the hearing, the chief shall uphold the plan disapproval 33306
or reverse it. If the chief reverses the disapproval, the plan 33307
shall be deemed approved. 33308

Sec. 1519.05. (A) As used in this section, "local political 33309

claims and administrative expenses for the coverage of basic 34459
health care services to increase by more than one per cent per 34460
year. 34461

(b) The health insuring corporation submits a signed letter 34462

premiums or rates charged by the health insuring corporation for 34467
the coverage of basic health care services. 34468

(c) The superintendent of insurance makes the following 34469

(i) Incurred claims for diagnostic and treatment services for 34472
biologically based mental illnesses for a period of at least six 34473
months independently caused the health insuring corporation's 34474
costs for claims and administrative expenses for the coverage of 34475
basic health care services to increase by more than one per cent 34476
per year. 34477

~~(EE)~~(CC) "Urgent care services" means those health care 34696
services that are appropriately provided for an unforeseen 34697
condition of a kind that usually requires medical attention 34698
without delay but that does not pose a threat to the life, limb, 34699
or permanent health of the injured or ill person, and may include 34700
such health care services provided out of the health insuring 34701
corporation's approved service area pursuant to indemnity payments 34702
or service agreements. 34703

Sec. 1751.11. (A) Every subscriber of a health insuring 34704
corporation is entitled to an evidence of coverage for the health 34705
care plan under which health care benefits are provided. 34706

(B) Every subscriber of a health insuring corporation that 34707
offers basic health care services is entitled to an identification 34708
card or similar document that specifies the health insuring 34709
corporation's name as stated in its articles of incorporation, and 34710

on the health care plan's internal and external review processes. 34720

(C) No evidence of coverage, or amendment to the evidence of 34721
coverage, shall be delivered, issued for delivery, renewed, or 34722
used, until the form of the evidence of coverage or amendment has 34723
been filed by the health insuring corporation with the 34724
superintendent of insurance. If the superintendent does not 34725
disapprove the evidence of coverage or amendment within sixty days 34726
after it is filed it shall be deemed approved, unless the 34727
superintendent sooner gives approval for the evidence of coverage 34728
or amendment. With respect to an amendment to an approved evidence 34729
of coverage, the superintendent only may disapprove provisions 34730
amended or added to the evidence of coverage. If the 34731
superintendent determines within the sixty-day period that any 34732
evidence of coverage or amendment fails to meet the requirements 34733
of this section, the superintendent shall so notify the health 34734
insuring corporation and it shall be unlawful for the health 34735
insuring corporation to use such evidence of coverage or 34736
amendment. At any time, the superintendent, upon at least thirty 34737
days' written notice to a health insuring corporation, may 34738
withdraw an approval, deemed or actual, of any evidence of 34739
coverage or amendment on any of the grounds stated in this 34740
section. Such disapproval shall be effected by a written order, 34741
which shall state the grounds for disapproval and shall be issued 34742
in accordance with Chapter 119. of the Revised Code. 34743

(D) No evidence of coverage or amendment shall be delivered,	34744

(f) The method utilized by the health insuring corporation	34765
for resolving enrollee complaints;	34766

(3) Unless it provides for the continuation of an enrollee's	34770
coverage, in the event that the enrollee's coverage under the	34771
group policy, contract, certificate, or agreement terminates while	34772

occurrence of any of the following: 34775

(a) The enrollee's discharge from the hospital; 34776

(b) The determination by the enrollee's attending physician 34777

benefits; 34783

corporation, an enrollee may be financially responsible for health 34794
care services rendered by a provider or health care facility that 34795
is not under contract to the health insuring corporation, whether 34796
or not the health insuring corporation authorized the use of the 34797
provider or health care facility. 34798

(E) Notwithstanding divisions (C) and (D) of this section, a 34799

prepayment and premium rate, or amendment, have been filed with 34828
the superintendent of insurance, and shall not be effective until 34829
the expiration of sixty days after their filing unless the 34830
superintendent sooner gives approval. The filing shall be 34831
accompanied by an actuarial certification in the form prescribed 34832
by the superintendent. The superintendent shall disapprove the 34833
filing, if the superintendent determines within the sixty-day 34834
period that the contractual periodic prepayment or premium rate, 34835

or amendment, is not in accordance with sound actuarial principles 34836
or is not reasonably related to the applicable coverage and 34837
characteristics of the applicable class of enrollees. The 34838
superintendent shall notify the health insuring corporation of the 34839
disapproval, and it shall thereafter be unlawful for the health 34840
insuring corporation to use the contractual periodic prepayment or 34841
premium rate, or amendment. 34842

(2) No contractual periodic prepayment for group policies for 34843
health care services shall be used until the contractual periodic 34844
prepayment has been filed with the superintendent. The filing 34845

prescribed by the superintendent. The superintendent may reject a 34847
filing made under division (A)(2) of this section at any time, 34848
with at least thirty days' written notice to a health insuring 34849
corporation, if the contractual periodic prepayment is not in 34850
accordance with sound actuarial principles or is not reasonably 34851
related to the applicable coverage and characteristics of the 34852
applicable class of enrollees. 34853

(3) At any time, the superintendent, upon at least thirty 34854
days' written notice to a health insuring corporation, may 34855
withdraw the approval given under division (A)(1) of this section, 34856

(4) Any disapproval under division (A)(1) of this section, 34865
any rejection of a filing made under division (A)(2) of this 34866

section, or any withdrawal of approval under division (A)(3) of 34867
this section, shall be effected by a written notice, which shall 34868
state the specific basis for the disapproval, rejection, or 34869
withdrawal and shall be issued in accordance with Chapter 119. of 34870
the Revised Code. 34871

(B) Notwithstanding division (A) of this section, a health 34872
insuring corporation may use a contractual periodic prepayment or 34873
premium rate for policies used for the coverage of beneficiaries 34874
enrolled in medicare pursuant to a medicare risk contract or 34875
medicare cost contract, or for policies used for the coverage of 34876

coverage of medicaid recipients, or for policies used for the 34879

program regulated by a federal regulatory body, or for policies 34881
used for the coverage of beneficiaries under any contract covering 34882

administrative expense portion of the filings be itemized and 34901

(D)(1) Copayments must be reasonable and must not be a 34903

(2) A health insuring corporation, in order to ensure that 34905

(a) Impose copayment charges on any single covered basic 34909

providing a health care service is the cost to the health insuring 34924
corporation of providing the health care service to its enrollees 34925
as reduced by any applicable provider discount. 34926

(3) To ensure that copayments are reasonable and not a 34927
barrier to the utilization of basic health care services, a health 34928
insuring corporation may not impose, in any contract year, on any 34929

subscriber or enrollee, copayments that exceed two hundred per cent of the average annual premium rate to subscribers or enrollees. 34930

division (B)(3) or (4) of this section. 35730

(2) Except as otherwise provided in this division, after 35731

police officer, constable, or bailiff may cause the manufactured 35736
home, mobile home, or recreational vehicle that is the subject of 35737

the writ, and all personal property on the residential premises, 35738
at the sheriff's, police officer's, constable's, or bailiff's 35739
option, either to be removed from the manufactured home park and, 35740
if necessary, moved to a storage facility of the sheriff's, police 35741
officer's, constable's, or bailiff's choice, or to be retained at 35742
their current location on the residential premises, until they are 35743

mobile home, or recreational vehicle that is the subject of the 35748
writ, or the personal property, to be removed from the 35749
manufactured home park or moved to a storage facility if the 35750
holder of any outstanding lien, right, title, or interest in the 35751
home or vehicle, other than the titled owner of the home or 35752
vehicle, meets the conditions set forth in division (B)(6) or (7) 35753

2744.03 of the Revised Code for any damage caused to the home, 35759
vehicle, or any personal property during the removal. The park 35760
operator shall not be liable for any damage caused by the park 35761
operator's removal of the manufactured home, mobile home, or 35762
recreational vehicle or the removal of the personal property from 35763
the residential premises, or for any damage to the home, vehicle, 35764
or personal property during the time the home, vehicle, or 35765
property remains abandoned or stored in the manufactured home 35766
park, unless the damage is the result of acts that the park 35767
operator or the park operator's agents or employees performed with 35768
malicious purpose, in bad faith, or in a wanton or reckless 35769
manner. The reasonable costs for a removal of the manufactured 35770

home, mobile home, or recreational vehicle and personal property 35771
and, as applicable, the reasonable costs for its storage shall 35772
constitute a lien upon the home or vehicle payable by the titled 35773
owner of the home or vehicle or payable pursuant to division 35774
(B)(3) of this section. 35775

(3) Except as provided in divisions (B)(4), (5), and (6) of 35776
this section and division (D) of section 1923.12 of the Revised 35777

proceedings for the sale of the manufactured home, mobile home, or 35781
recreational vehicle that is the subject of the writ, and the 35782

home or vehicle is determined to be abandoned in accordance with 35784
the procedures for the sale of goods on execution under Chapter 35785
2329. of the Revised Code. In addition to all notices required to 35786
be given under section 2329.13 of the Revised Code, the sheriff, 35787
police officer, constable, or bailiff shall serve at their 35788
respective last known addresses a written notice of the date, 35789
time, and place of the sale upon all persons who are listed on the 35790
writ of execution as having any outstanding right, title, or 35791
interest in the abandoned manufactured home, mobile home, or 35792
recreational vehicle and the personal property and shall provide 35793
written notice to the auditor and the treasurer of the county in 35794
which the court issuing the writ is located. 35795

Unless the proceedings are governed by division (D) of 35796
section 1923.12 of the Revised Code, notwithstanding any statutory 35797
provision to the contrary, including, but not limited to, section 35798
2329.66 of the Revised Code, there shall be no stay of execution 35799
or exemption from levy or sale on execution available to the 35800
titled owner of the abandoned manufactured home, mobile home, or 35801
recreational vehicle in relation to a sale under this division. 35802

Except as otherwise provided in sections 2113.031, 2117.25, and 35803
~~5111.11~~ 5162.21 of the Revised Code in a case involving a deceased 35804
resident or resident's estate, the sheriff, police officer, 35805
constable, or bailiff shall distribute the proceeds from the sale 35806
of an abandoned manufactured home, mobile home, or recreational 35807
vehicle and any personal property under this division in the 35808
following manner: 35809

(a) The sheriff, police officer, constable, or bailiff shall 35810
first pay the costs for any moving of and any storage outside the 35811
manufactured home park of the home or vehicle and any personal 35812
property pursuant to division (B)(2) of this section, the costs of 35813
the sale, including reimbursing the park operator for the deposit 35814
that the park operator paid to the clerk of court under division 35815
(C) of section 1923.12 of the Revised Code, and any unpaid court 35816
costs assessed against the defendant in the underlying action. 35817

(b) Following the payment required by division (B)(3)(a) of 35818
this section, the sheriff, police officer, constable, or bailiff 35819
shall pay all outstanding tax liens on the home or vehicle. 35820

(c) Following the payment required by division (B)(3)(b) of 35821
this section, the sheriff, police officer, constable, or bailiff 35822
shall pay all other outstanding security interests, liens, or 35823
encumbrances on the home or vehicle by priority of filing or other 35824
priority. 35825

(d) Following the payment required by division (B)(3)(c) of 35826
this section, the sheriff, police officer, constable, or bailiff 35827
shall pay any outstanding monetary judgment rendered under section 35828
1923.09 or 1923.11 of the Revised Code in favor of the plaintiff 35829
and any costs associated with retaining the home or vehicle prior 35830
to the sale at its location on the residential premises within the 35831
manufactured home park pursuant to division (B)(2) of this 35832
section. 35833

(e) After complying with divisions (B)(3)(a) to (d) of this section, the sheriff, police officer, constable, or bailiff shall report any remaining money as unclaimed funds pursuant to Chapter 169. of the Revised Code.

Upon the return of any writ of execution for the satisfaction of which an abandoned manufactured home, mobile home, or recreational vehicle has been sold under this division, on careful examination of the proceedings of the sheriff, police officer, constable, or bailiff conducting the sale, if the court that issued the writ finds that the sale was made, in all respects, in conformity with the relevant provisions of Chapter 2329. of the Revised Code and with this division, it shall direct the clerk of the court to make an entry on the journal that the court is satisfied with the legality of the sale and the court shall direct the clerk of the court of common pleas of the county in which the writ was issued to issue a certificate of title, free and clear of all security interests, liens, and encumbrances, to the purchaser of the home or vehicle. If any taxes are owed on the home or vehicle at this time, the county auditor shall remove the delinquent taxes from the manufactured home tax list and the delinquent manufactured home tax list and remit any penalties for late payment of manufactured home taxes. Acceptance of the certificate of title by the plaintiff terminates all further proceedings under this section.

(4) Except as provided in division (B)(5) or (6) of this section and division (D) of section 1923.12 of the Revised Code, within sixty days after receiving a writ of execution described in division (B) of section 1923.13 of the Revised Code, if the manufactured home, mobile home, or recreational vehicle is determined to be abandoned and to have a value of less than three thousand dollars, the sheriff, police officer, constable, or bailiff shall serve at their respective last known addresses a written notice of potential action as described in this division upon all persons who are listed on the writ as having any outstanding right, title, or interest in the home or vehicle. (A)(1) of this section, or in the most recent determination made 36991

that the subsidy shall not exceed twenty-five hundred dollars per 37033
year per child. The daily per capita educational cost of a private 37034
facility shall be determined by dividing the actual program cost 37035
of the private facility or twenty-five hundred dollars, whichever 37036
is less, by three hundred sixty-five days or by three hundred 37037
sixty-six days for years that include February twenty-ninth. The 37038
state shall pay seventy-five per cent of the total subsidy for 37039
each year quarterly to the court. The state may adjust the 37040
remaining twenty-five per cent of the total subsidy to be paid to 37041
the court for each year to an amount that is less than twenty-five 37042
per cent of the total subsidy for that year based upon the 37043
availability of funds appropriated to the department of education 37044
for the purpose of subsidizing courts that place a child in a 37045
private institution, school, or residential treatment center or 37046
any other private facility and shall pay that adjusted amount to 37047
the court at the end of the year. 37048

request for independent living services shall enter into a written 37077
addendum to the jointly prepared agreement entered into under 37078
division (A) of this section. The addendum shall indicate how 37079

services under the agreement and addendum are to be coordinated 37080
and allocate the service responsibilities among the entities and 37081
agency that signed the addendum. 37082

Sec. 2151.86. (A)(1) The appointing or hiring officer of any 37083

(3) Before a recommending agency submits a recommendation to 37105
the department of job and family services on whether the 37106
department should issue a certificate to a foster home under 37107
section 5103.03 of the Revised Code, and every four years 37108

Any person subject to a criminal records check who receives 37198
pursuant to this division a copy of the form prescribed pursuant 37199
to division (C)(1) of section 109.572 of the Revised Code and a 37200

provide a set of fingerprint impressions shall complete the form 37203
or provide all the information necessary to complete the form and 37204

or employ the person as a person responsible for a child's care in 37210
out-of-home care, a probate court may not issue a final decree of 37211

(C)(1) No appointing or hiring officer shall appoint or 37216
employ a person as a person responsible for a child's care in 37217
out-of-home care, the department of job and family services shall 37218
not issue a certificate under section 5103.03 of the Revised Code 37219
authorizing a prospective foster caregiver to operate a foster 37220
home, and no probate court shall issue a final decree of adoption 37221
or an interlocutory order of adoption making a person an adoptive 37222
parent if the person or, in the case of a prospective foster 37223
caregiver or prospective adoptive parent, any person eighteen 37224
years of age or older who resides with the prospective foster 37225
caregiver or prospective adoptive parent previously has been 37226
convicted of or pleaded guilty to any of the violations described 37227
in division (A)(4) of section 109.572 of the Revised Code, unless 37228
the person meets rehabilitation standards established in rules 37229

(2) The appointing or hiring officer may appoint or employ a 37231
person as a person responsible for a child's care in out-of-home 37232
care conditionally until the criminal records check required by 37233
this section is completed and the officer receives the results of 37234
the criminal records check. If the results of the criminal records 37235
check indicate that, pursuant to division (C)(1) of this section, 37236
the person subject to the criminal records check does not qualify 37237
for appointment or employment, the officer shall release the 37238

person from appointment or employment. 37239

(3) Prior to certification or recertification under section 37240
5103.03 of the Revised Code, the prospective foster caregiver 37241
subject to a criminal records check under division (A)(3) of this 37242
section shall notify the recommending agency of the revocation of 37243
any foster home license, certificate, or other similar 37244
authorization in another state occurring within the five years 37245
prior to the date of application to become a foster caregiver in 37246
this state. The failure of a prospective foster caregiver to 37247
notify the recommending agency of any revocation of that type in 37248
another state that occurred within that five-year period shall be 37249
grounds for denial of the person's foster home application or the 37250
revocation of the person's foster home certification, whichever is 37251
applicable. If a person has had a revocation in another state 37252
within the five years prior to the date of the application, the 37253
department of job and family services shall not issue a foster 37254
home certificate to the prospective foster caregiver. 37255

(D) The appointing or hiring officer, administrative 37256
director, or attorney shall pay to the bureau of criminal 37257

upon a request pursuant to division (A) of this section. The 37261
officer, director, or attorney may charge the person subject to 37262
the criminal records check a fee for the costs the officer, 37263
director, or attorney incurs in obtaining the criminal records 37264
check. A fee charged under this division shall not exceed the 37265
amount of fees the officer, director, or attorney pays for the 37266
criminal records check. If a fee is charged under this division, 37267
the officer, director, or attorney shall notify the person who is 37268
the applicant at the time of the person's initial application for 37269
appointment or employment, an adoption to be arranged, or a 37270

certificate to operate a foster home of the amount of the fee and 37271
that, unless the fee is paid, the person who is the applicant will 37272
not be considered for appointment or employment or as an adoptive 37273
parent or foster caregiver. 37274

(E) The report of any criminal records check conducted by the 37275
bureau of criminal identification and investigation in accordance 37276

additional fee, not to exceed six dollars, on the filing of each
cause of action or appeal under divisions (A), (Q), and (U) of

board of county commissioners of that county may issue one or more 37765

personnel necessary to implement this division, and shall transmit 37818
to the treasurer of state all moneys collected under this 37819

proceeding. The court shall not waive the payment of the 37831
additional filing fees in a new action or proceeding for 37832
annulment, divorce, or dissolution of marriage unless the court 37833
waives the advanced payment of all filing fees in the action or 37834
proceeding. On or before the twentieth day of each month, all 37835
moneys collected during the immediately preceding month pursuant 37836

of that type, over and above court costs, to cover the special 37858

periodically, but not retroactively, so that the amount assessed 37860
in those cases does not exceed the actual cost of providing the 37861
service or program. 37862

All moneys collected under division (E) of this section shall 37863
be paid to the county treasurer for deposit into either a general 37864

an order of the court, subject to an appropriation by the board of 37867
county commissioners, in an amount no greater than the actual cost 37868

judgment of conviction and, when collected shall be disbursed by 38869
the clerk of the court of common pleas to the persons entitled 38870

refuse to accept for filing any pleading or paper submitted for 38896
filing by a person who has been found to be a vexatious litigator 38897
under section 2323.52 of the Revised Code and who has failed to 38898

equipment, the hiring and training of staff, the employment of 38920
magistrates, the training and education of judges, acting judges, 38921

services. Upon that determination, the court by rule may charge a 38923
fee, in addition to all other court costs, on the filing of each 38924
case or cause over which the court has jurisdiction. 38925

If the court of appeals offers a special program or service 38926

additional charge in a case of that type, over and above court 38928
costs, to cover the special program or service. The court shall 38929
adjust the special assessment periodically, but not retroactively, 38930
so that the amount assessed in those cases does not exceed the 38931
actual cost of providing the service or program. 38932

All moneys collected under division (B) of this section shall 38933
be paid to the county treasurer of the county selected as the 38934
principal seat of that court of appeals for deposit into either a 38935
general special projects fund or a fund established for a specific 38936
special project. Moneys from a fund of that nature shall be 38937
disbursed upon an order of the court in an amount no greater than 38938

terminated because of the discontinuance of a program or service 38940
established under division (B) of this section, the court may 38941
order that moneys remaining in the fund be transferred to an 38942

Sec. 2743.03. (A)(1) There is hereby created a court of claims. The court of claims is a court of record and has exclusive, original jurisdiction of all civil actions against the state permitted by the waiver of immunity contained in section 2743.02 of the Revised Code, and exclusive jurisdiction of the

causes of action of all parties in civil actions that are removed 39224
to the court of claims, ~~and jurisdiction to hear appeals from the~~ 39225
~~decisions of the court of claims commissioners.~~ The court shall 39226
have full equity powers in all actions within its jurisdiction and 39227
may entertain and determine all counterclaims, cross-claims, and 39228
third-party claims. 39229

(2) If the claimant in a civil action as described in 39230
division (A)(1) of this section also files a claim for a 39231
declaratory judgment, injunctive relief, or other equitable relief 39232
against the state that arises out of the same circumstances that 39233
gave rise to the civil action described in division (A)(1) of this 39234
section, the court of claims has exclusive, original jurisdiction 39235
to hear and determine that claim in that civil action. This 39236
division does not affect, and shall not be construed as affecting, 39237
the original jurisdiction of another court of this state to hear 39238
and determine a civil action in which the sole relief that the 39239
claimant seeks against the state is a declaratory judgment, 39240
injunctive relief, or other equitable relief. 39241

(3) In addition to its exclusive, original jurisdiction as 39242
conferred by division (A)(1) and (2) of this section, the court of 39243
claims has exclusive, original jurisdiction as described in 39244
division (F) of section 2743.02, division (B) of section 3335.03, 39245

hearings shall be public, and it shall consist of incumbent 39248
justices or judges of the supreme court, courts of appeals, or 39249
courts of common pleas, or retired justices or judges eligible for 39250
active duty pursuant to division (C) of Section 6 of Article IV, 39251
Ohio Constitution, sitting by temporary assignment of the chief 39252
justice of the supreme court. The chief justice may direct the 39253
court to sit in any county for cases on removal upon a showing of 39254
substantial hardship and whenever justice dictates. 39255

(C)(1) A civil action against the state shall be heard and 39256

the state, the chief justice of the supreme court may assign a 39258
panel of three judges to hear and determine a civil action 39259
presenting novel or complex issues of law or fact. Concurrence of 39260
two members of the panel is necessary for any judgment or order. 39261

(2) Whenever the chief justice of the supreme court believes 39262
an equitable resolution of a case will be expedited, the chief 39263
justice may appoint ~~referees~~ magistrates in accordance with Civil 39264
Rule 53 to hear the case. 39265

(3) When any dispute under division (B) of section 153.12 of 39266
the Revised Code is brought to the court of claims, upon request 39267
of either party to the dispute, the chief justice of the supreme 39268
court shall appoint a single referee or a panel of three referees. 39269
The referees need not be attorneys, but shall be persons 39270
knowledgeable about construction contract law, a member of the 39271
construction industry panel of the American arbitration 39272
association, or an individual or individuals deemed qualified by 39273

that person has been employed by an affected state agency or a 39275
contractor or subcontractor involved in the dispute at any time in 39276
the preceding five years. Proceedings governing referees shall be 39277
in accordance with Civil Rule 53, except as modified by this 39278
division. The referee or panel of referees shall submit its 39279
report, which shall include a recommendation and finding of fact, 39280
to the judge assigned to the case by the chief justice, within 39281
thirty days of the conclusion of the hearings. Referees appointed 39282
pursuant to this division shall be compensated on a per diem basis 39283
at the same rate as is paid to judges of the court and also shall 39284
be paid their expenses. If a single referee is appointed or a 39285
panel of three referees is appointed, then, with respect to one 39286
referee of the panel, the compensation and expenses of the referee 39287

shall not be taxed as part of the costs in the case but shall be 39288
included in the budget of the court. If a panel of three referees 39289
is appointed, the compensation and expenses of the two remaining 39290
referees shall be taxed as costs of the case. 39291

All costs of a case shall be apportioned among the parties. 39292
The court may not require that any party deposit with the court 39293
cash, bonds, or other security in excess of two hundred dollars to 39294
guarantee payment of costs without the prior approval in each case 39295
of the chief justice. 39296

(4) An appeal from a decision of the ~~court of claims~~ 39297
~~commissioners~~ attorney general shall be heard and determined by 39298
one judge of the court of claims. 39299

(D) The Rules of Civil Procedure shall govern practice and 39300
procedure in all actions in the court of claims, except insofar as 39301
inconsistent with this chapter. The supreme court may promulgate 39302
rules governing practice and procedure in actions in the court as 39303
provided in Section 5 of Article IV, Ohio Constitution. 39304

(E)(1) A party who files a counterclaim against the state or 39305
makes the state a third-party defendant in an action commenced in 39306
any court, other than the court of claims, shall file a petition 39307
for removal in the court of claims. The petition shall state the 39308
basis for removal, be accompanied by a copy of all process, 39309
pleadings, and other papers served upon the petitioner, and shall 39310
be signed in accordance with Civil Rule 11. A petition for removal 39311
based on a counterclaim shall be filed within twenty-eight days 39312
after service of the counterclaim of the petitioner. A petition 39313
for removal based on third-party practice shall be filed within 39314
twenty-eight days after the filing of the third-party complaint of 39315
the petitioner. 39316

(2) Within seven days after filing a petition for removal, 39317
the petitioner shall give written notice to the parties, and shall 39318

file a copy of the petition with the clerk of the court in which 39319
the action was brought originally. The filing effects the removal 39320
of the action to the court of claims, and the clerk of the court 39321
where the action was brought shall forward all papers in the case 39322
to the court of claims. The court of claims shall adjudicate all 39323
civil actions removed. The court may remand a civil action to the 39324
court in which it originated upon a finding that the removal 39325
petition does not justify removal, or upon a finding that the 39326
state is no longer a party. 39327

(3) Bonds, undertakings, or security and injunctions, 39328
attachments, sequestrations, or other orders issued prior to 39329
removal remain in effect until dissolved or modified by the court 39330
of claims. 39331

Sec. 2743.041. If a judge of the court of claims allegedly is 39332
interested in a proceeding pending before the judge, allegedly is 39333
related to or has a bias or prejudice for or against a party to a 39334
proceeding pending before the judge or to a party's counsel, or 39335

party's counsel may file an affidavit of disqualification with the 39338
clerk of the supreme court. The affidavit of disqualification 39339

or part of the expected recoupment, the claim may be reopened and 39893
an award may be made in an amount equal to the amount of expected 39894

(b) The claimant was convicted of a felony within ten years 39911

similar offense that also would constitute a felony under the laws 39920
of this state, another state, or the United States. 39921

gave rise to the claim or during the pendency of the claim. 39926

(e) It is proved by a preponderance of the evidence that the 39927
victim at the time of the criminally injurious conduct that gave 39928
rise to the claim engaged in conduct that was a felony violation 39929

(F) In determining whether to make an award of reparations 39945
pursuant to this section, the attorney general or ~~panel of~~ 39946
~~commissioners~~ the court of claims shall consider whether there was 39947

attorney general, ~~a panel of commissioners,~~ or ~~a judge of the~~ 39949
court of claims shall reduce an award of reparations or deny a 39950
claim for an award of reparations to the extent it is determined 39951
to be reasonable because of the contributory misconduct of the 39952
claimant or the victim. 39953

When the attorney general decides whether a claim should be 39954
denied because of an allegation of contributory misconduct, the 39955
burden of proof on the issue of that alleged contributory 39956
misconduct shall be upon the claimant, if either of the following 39957
apply: 39958

(1) The victim was convicted of a felony more than ten years 39959

state, another state, or the United States. 39962

(2) There is good cause to believe that the victim engaged in 39963
an ongoing course of criminal conduct within five years or less of 39964
the criminally injurious conduct that is the subject of the claim. 39965

(G) The attorney general, ~~a panel of commissioners,~~ or a 39966

reparations to a claimant if the criminally injurious conduct that 39968
caused the injury or death that is the subject of the claim 39969

sentence of imprisonment in any detention facility, as defined in 39972
section 2921.01 of the Revised Code. 39973

(H) If a claimant unreasonably fails to present a claim 39974
timely to a source of benefits or advantages that would have been 39975
a collateral source and that would have reimbursed the claimant 39976
for all or a portion of a particular expense, the attorney 39977
general, ~~a panel of commissioners,~~ or ~~a judge~~ of the court of 39978
claims may reduce an award of reparations or deny a claim for an 39979
award of reparations to the extent that it is reasonable to do so. 39980

(I) Reparations payable to a victim and to all other 39981
claimants sustaining economic loss because of injury to or the 39982
death of that victim shall not exceed fifty thousand dollars in 39983

or ~~a judge~~ of the court of claims reduces an award under division 39985
(F) of this section, the maximum aggregate amount of reparations 39986
payable under this division shall be reduced proportionately to 39987
the reduction under division (F) of this section. 39988

(J) Nothing in this section shall be construed to prohibit an 39989
award to a claimant whose claim is based on the claimant's being a 39990
victim of a violation of section 2905.32 of the Revised Code if 39991
the claimant was less than eighteen years of age when the 39992
criminally injurious conduct occurred. 39993

If a claimant does not file a request for reconsideration of 40032

Revised Code, shall not request the victim or the claimant to 40166
supply, or permit any person to supply, any evidence of specific 40167
instances of the victim's sexual activity, opinion evidence of the 40168
victim's sexual activity, or reputation evidence of the victim's 40169
sexual activity unless it involves evidence of the origin of 40170
semen, pregnancy, or disease or evidence of the victim's past 40171
sexual activity with the offender and only to the extent that the 40172
~~judge, the panel~~ court of commissioners, claims or the attorney 40173
general finds that the evidence is relevant to a fact at issue in 40174
the claim. 40175

Sec. 2743.63. If a person refuses to comply with an order 40176
under sections 2743.51 to 2743.72 of the Revised Code, or asserts 40177
a privilege, except privileges arising from the attorney-client 40178
relationship, to withhold or suppress evidence relevant to a claim 40179
for an award of reparations, the attorney general may make any 40180
just decision including denial of the claim but shall not find the 40181
person in contempt. If necessary to carry out any of the attorney 40182
general's powers and duties, the attorney general may petition a 40183
the court of claims ~~panel of commissioners~~ for an appropriate 40184

Sec. 2743.64. The attorney general,~~a court of claims panel~~ 40189
~~of commissioners,~~ or a judge of the court of claims may make an 40190
award of reparations whether or not any person is prosecuted or 40191
convicted for committing the conduct that is the basis of the 40192
award. Proof of conviction of a person whose conduct gave rise to 40193
a claim is conclusive evidence that the crime was committed, 40194
unless an application for rehearing, an appeal of the conviction, 40195
or certiorari is pending, or a rehearing or new trial has been 40196
ordered. 40197

If the prosecuting attorney of the county in which the 40198
criminally injurious conduct allegedly occurred requests the 40199
suspension of proceedings in any claim for an award of reparations 40200
and if the request is made because of the commencement of a 40201
criminal prosecution, the attorney general may suspend, because a 40202
criminal prosecution has been commenced or is imminent, the 40203
proceedings in any claim for an award of reparations for a 40204
definite period of time, and may make an emergency award under 40205

Sec. 2743.65. (A) The attorney general shall determine, and 40207

Revised Code. The attorney shall submit on an application form an 40211

~~commissioners~~ claims; 40218

(2) A maximum of one thousand twenty dollars for claims in 40219
which an appeal to the ~~panel~~ court of ~~commissioners~~ claims is 40220
filed plus, at the request of an attorney whose main office is not 40221
in Franklin county, Delaware county, Licking county, Fairfield 40222
county, Pickaway county, Madison county, or Union county, an 40223

(5) A maximum of two hundred dollars if the claim is denied 40236
on the basis of a claimant's or victim's conviction of a felony 40237
offense prior to the filing of the claim. If the claimant or 40238
victim is convicted of a felony offense during the pendency of the 40239
claim, the two hundred dollars maximum does not apply. If the 40240
attorney had knowledge of the claimant's or victim's felony 40241
conviction prior to the filing of the application for the claim, 40242
the attorney general may determine that the filing of the claim 40243
was frivolous and may deny attorney's fees. 40244

(B) The attorney general may determine that an attorney be 40245
reimbursed for fees incurred in the creation of a guardianship if 40246
the guardianship is required in order for an individual to receive 40247

an award of reparations, and those fees shall be reimbursed at a 40248
rate of sixty dollars per hour. 40249

(C)(1) The attorney general shall forward an application form 40250

(2) The attorney general shall forward a copy of this section 40263
to the attorney with the application form for attorney's fees. The 40264
attorney shall file the application form with the attorney 40265
general. The attorney general's decision with respect to an award 40266
of attorney's fees is final ten days after the attorney general 40267
renders the decision and mails a copy of the decision to the 40268
attorney at the address provided by the attorney. The attorney may 40269
request reconsideration of the decision on grounds that it is 40270

decision on the request for reconsideration is final. 40272

(D) The attorney general shall review all application forms 40273
for attorney's fees that are submitted by a claimant's attorney 40274

(F)(1) The attorney general may reduce or deny the payment of attorney's fees to an attorney who has filed a frivolous claim. Subject to division (A)(5) of this section, the denial of a claim on the basis of a felony conviction, felony conduct, or contributory misconduct does not constitute a frivolous claim.	40292 40293 40294 40295 40296
(2) As used in this section, "frivolous claim" means a claim in which there is clearly no legal grounds under the existing laws of this state to support the filing of a claim on behalf of the claimant or victim.	40297 40298 40299 40300
(G) The attorney general may determine that a lesser number of hours should have been required in a given case. Additional reimbursement may be made where the attorney demonstrates to the attorney general that the nature of the particular claim required the expenditure of an amount in excess of that allowed.	40301 40302 40303 40304 40305

(J) Each witness who appears in a hearing on a claim for an 40317
award of reparations shall receive compensation in an amount equal 40318
to that received by witnesses under section 119.094 of the Revised 40319
Code. 40320

Sec. 2743.66. (A) A decision of the attorney general, or 40321
~~order of a court of claims panel of commissioners,~~ or judgment of 40322
~~a judge~~ of the court of claims granting an award of reparations 40323
may provide for the payment of the award in a lump sum or in 40324
installments. The part of an award equal to the amount of economic 40325

An award for allowable expense that would accrue after the award 40327

claimant. 40336

(2) The present value of all future economic loss, other than 40337

allowable expense, does not exceed one thousand dollars. 40338

(C) The attorney general may make an award for future 40339
economic loss payable in installments only for a period as to 40340
which future economic loss reasonably can be determined. An award 40341
for future economic loss payable in installments may be 40342
reconsidered and modified upon a finding that a material and 40343
substantial change of circumstances has occurred. 40344

(D) An award is not subject to execution, attachment, 40345
garnishment, or other process, except that, upon receipt of an 40346
award by a claimant: 40347

(1) The part of the award that is for allowable expense or 40348

criteria set forth in sections 2743.51 to 2743.72 of the Revised 40359
Code. 40360

(4) If the claimant receives compensation from any other 40361
person or entity, including a collateral source, for an expense 40362
that is included within the award, the attorney general may 40363
recover pursuant to section 2743.72 of the Revised Code the part 40364

Revised Code or to the person or depository designated by the 40372
probate court under section 2111.05 of the Revised Code. If a 40373
person entitled to an award of reparations is under eighteen years 40374
of age and if the amount of the award is one thousand dollars or 40375

hardship if immediate economic relief is not obtained. An 40385
emergency award shall not exceed two thousand dollars. The 40386
attorney general or the court of claims ~~panel of commissioners~~ 40387
shall deduct an amount of the emergency award from the final 40388
award, or the claimant or victim shall repay the amount of the 40389
emergency award that exceeds the final award made to the claimant. 40390
If no final award is made, the claimant or victim shall repay the 40391
entire emergency award. 40392

Sec. 2743.68. A claimant may file a supplemental reparations 40393

(A) That an award, supplemental award, or installment award 40398
be granted; 40399

be conditioned or denied because of actual or potential recovery 40401
from a collateral source; 40402

(C) That an award, supplemental award, or installment award 40403
be denied because the claimant had not incurred any economic loss 40404

40607
40608
40609

(2) As used in this division: 40610

40612
40613
40614

division (A) or (B) of section 2921.43, or division (F) or (G) of 40615
section 3517.13 of the Revised Code, that is directly related to 40616
an offense involving misconduct in office of a public servant. 40617

(b) "Public servant" has the same meaning as in section 40618
2921.01 of the Revised Code. 40619

(D) An offense is committed when every element of the offense 40620
occurs. In the case of an offense of which an element is a 40621
continuing course of conduct, the period of limitation does not 40622
begin to run until such course of conduct or the accused's 40623
accountability for it terminates, whichever occurs first. 40624

(E) A prosecution is commenced on the date an indictment is 40625
returned or an information filed, or on the date a lawful arrest 40626
without a warrant is made, or on the date a warrant, summons, 40627
citation, or other process is issued, whichever occurs first. A 40628
prosecution is not commenced by the return of an indictment or the 40629
filing of an information unless reasonable diligence is exercised 40630
to issue and execute process on the same. A prosecution is not 40631

when the corpus delicti remains undiscovered. 40636

(G) The period of limitation shall not run during any time 40637
when the accused purposely avoids prosecution. Proof that the 40638
accused departed this state or concealed the accused's identity or 40639
whereabouts is prima-facie evidence of the accused's purpose to 40640
avoid prosecution. 40641

(H) The period of limitation shall not run during any time a 40642
prosecution against the accused based on the same conduct is 40643
pending in this state, even though the indictment, information, or 40644
process that commenced the prosecution is quashed or the 40645

proceedings on the indictment, information, or process are set 40646
aside or reversed on appeal. 40647

(I) The period of limitation for a violation of any provision 40648
of Title XXIX of the Revised Code that involves a physical or 40649
mental wound, injury, disability, or condition of a nature that 40650
reasonably indicates abuse or neglect of a child under eighteen 40651
years of age or of a mentally retarded, developmentally disabled, 40652
or physically impaired child under twenty-one years of age shall 40653
not begin to run until either of the following occurs: 40654

(1) The victim of the offense reaches the age of majority. 40655

(2) A public children services agency, or a municipal or 40656
county peace officer that is not the parent or guardian of the 40657
child, in the county in which the child resides or in which the 40658
abuse or neglect is occurring or has occurred has been notified 40659
that abuse or neglect is known, suspected, or believed to have 40660
occurred. 40661

(J) As used in this section, "peace officer" has the same 40662
meaning as in section 2935.01 of the Revised Code. 40663

Sec. 2901.30. (A) As used in sections 2901.30 to 2901.32 of 40664
the Revised Code: 40665

(1) "Information" means information that can be integrated 40666
into the computer system and that relates to the physical or 40667
mental description of a minor including, but not limited to, 40668

contact lenses, skin coloring, physical or mental handicaps, 40670
special medical conditions or needs, abnormalities, problems, 40671
scars and marks, and distinguishing characteristics, and other 40672
information that could assist in identifying a minor including, 40673
but not limited to, full name and nickname, date and place of 40674
birth, age, names and addresses of parents and other relatives, 40675

fingerprints, dental records, photographs, social security number, 40676
driver's license number, credit card numbers, bank account 40677
numbers, and clothing. 40678

(2) "Minor" means a person under eighteen years of age. 40679

(3) "Missing children" or "missing child" means either of the 40680
following: 40681

(a) A minor who has run away from or who otherwise is missing 40682
from the home of, or the care, custody, and control of, the 40683
minor's parents, parent who is the residential parent and legal 40684
custodian, guardian, legal custodian, or other person having 40685
responsibility for the care of the minor; 40686

(b) A minor who is missing and about whom there is reason to 40687
believe the minor could be the victim of a violation of section 40688
2905.01, 2905.02, 2905.03, or 2919.23 of the Revised Code or of a 40689
violation of section 2905.04 of the Revised Code as it existed 40690
prior to July 1, 1996. 40691

(B) When a law enforcement agency in this state that has 40692
jurisdiction in the matter is informed that a minor is or may be a 40693
missing child and that the person providing the information wishes 40694
to file a missing child report, the law enforcement agency shall 40695
take that report. Upon taking the report, the law enforcement 40696
agency shall take prompt action upon it, including, but not 40697
limited to, concerted efforts to locate the missing child. No law 40698
enforcement agency in this state shall have a rule or policy that 40699
prohibits or discourages the filing of or the taking of action 40700
upon a missing child report, within a specified period following 40701
the discovery or formulation of a belief that a minor is or could 40702
be a missing child. 40703

(C) If a missing child report is made to a law enforcement 40704
agency in this state that has jurisdiction in the matter, the law 40705
enforcement agency shall gather readily available information 40706

about the missing child and integrate it into the national crime 40707
information center computer immediately following the making of 40708
the report. The law enforcement agency shall make reasonable 40709
efforts to acquire additional information about the missing child 40710
following the transmittal of the initially available information, 40711
and promptly integrate any additional information acquired into 40712
such computer systems. 40713

Whenever a law enforcement agency integrates information 40714
about a missing child into the national crime information center 40715
computer, the law enforcement agency promptly shall notify the 40716
missing child's parents, parent who is the residential parent and 40717
legal custodian, guardian, or legal custodian, or any other person 40718
responsible for the care of the missing child, that it has so 40719
integrated the information. 40720

The parents, parent who is the residential parent and legal 40721
custodian, guardian, legal custodian, or other person responsible 40722
for the care of the missing child shall provide available 40723
information upon request, and may provide information voluntarily, 40724
to the law enforcement agency during the information gathering 40725
process. The law enforcement agency also may obtain available 40726
information about the missing child from other persons, subject to 40727
constitutional and statutory limitations. 40728

(D) Upon the filing of a missing child report, the law 40729
enforcement agency involved may notify the public or nonpublic 40730
school in which the missing child is or was most recently 40731
enrolled, as ascertained by the agency, that the child is the 40732
subject of a missing child report and that the child's school 40733
records are to be marked in accordance with section 3313.672 of 40734
the Revised Code. 40735

(E) Upon the filing of a missing child report, the law 40736
enforcement agency involved promptly shall make a reasonable 40737
attempt to notify other law enforcement agencies within its county 40738

and, if the agency has jurisdiction in a municipal corporation or township that borders another county, to notify the law enforcement agency for the municipal corporation or township in the other county with which it shares the border, that it has taken a missing child report and may be requesting assistance or cooperation in the case, and provide relevant information to the other law enforcement agencies. The agency may notify additional law enforcement agencies, or appropriate public children services agencies, about the case, request their assistance or cooperation in the case, and provide them with relevant information.

Upon request from a law enforcement agency, a public children services agency shall grant the law enforcement agency access to all information concerning a missing child that the agency possesses that may be relevant to the law enforcement agency in investigating a missing child report concerning that child. The information obtained by the law enforcement agency shall be used only to further the investigation to locate the missing child.

(F) Upon request, law enforcement agencies in this state shall provide assistance to, and cooperate with, other law enforcement agencies in their investigation of missing child cases. The assistance and cooperation under this paragraph shall be pursuant to any terms agreed upon by the law enforcement agencies, which may include the provision of law enforcement services or the use of law enforcement equipment or the interchange of services and equipment among the cooperating law enforcement agencies. Chapter 2744. of the Revised Code, insofar as it applies to the operation of law enforcement agencies, shall apply to the cooperating political subdivisions and to the law enforcement agency employees when they are rendering services pursuant to this paragraph outside the territory of the political subdivision by which they are employed. Law enforcement agency employees rendering services outside the territory of the

political subdivision in which they are employed, pursuant to this 40771
paragraph, shall be entitled to participate in any indemnity fund 40772
established by their employer to the same extent as if they were 40773
rendering service within the territory of their employing 40774
political subdivision. Those law enforcement agency employees also 40775
shall be entitled to all the rights and benefits of Chapter 4123. 40776
of the Revised Code to the same extent as if rendering services 40777
within the territory of their employing political subdivision. 40778

The information in any missing child report made to a law 40779
enforcement agency shall be made available, upon request, to law 40780
enforcement personnel of this state, other states, and the federal 40781
government when the law enforcement personnel indicate that the 40782
request is to aid in identifying or locating a missing child or 40783
the possible identification of a deceased minor who, upon 40784
discovery, cannot be identified. 40785

(G) When a missing child has not been located within thirty 40786
days after the date on which the missing child report pertaining 40787
to the child was filed with a law enforcement agency, that law 40788
enforcement agency shall request the missing child's parents, 40789
parent who is the residential parent and legal custodian, 40790
guardian, or legal custodian, or any other person responsible for 40791
the care of the missing child, to provide written consent for the 40792
law enforcement agency to contact the missing child's dentist and 40793
request the missing child's dental records. Upon receipt of such 40794
written consent, the dentist shall release a copy of the missing 40795
child's dental records to the law enforcement agency and shall 40796
provide and encode the records in such form as requested by the 40797
law enforcement agency. The law enforcement agency then shall 40798
integrate information in the records into the national crime 40799
information center computer in order to compare the records to 40800
those of unidentified deceased persons. This division does not 40801
prevent a law enforcement agency from seeking consent to obtain 40802

copies of a missing child's dental records, or prevent a missing 40803
child's parents, parent who is the residential parent and legal 40804
custodian, guardian, or legal custodian, or any other person 40805
responsible for the care of the missing child, from granting 40806
consent for the release of copies of the missing child's dental 40807
records to a law enforcement agency, at any time. 40808

(H) A missing child's parents, parent who is the residential 40809
parent and legal custodian, guardian, or legal custodian, or any 40810
other persons responsible for the care of a missing child, 40811
immediately shall notify the law enforcement agency with which 40812
they filed the missing child report whenever the child has 40813
returned to their home or to their care, custody, and control, has 40814
been released if the missing child was the victim of an offense 40815
listed in division (A)(3)(b) of this section, or otherwise has 40816
been located. Upon such notification or upon otherwise learning 40817
that a missing child has returned to the home of, or to the care, 40818
custody, and control of the missing child's parents, parent who is 40819
the residential parent and legal custodian, guardian, legal 40820
custodian, or other person responsible for the missing child's 40821
care, has been released if the missing child was the victim of an 40822
offense listed in division (A)(3)(b) of this section, or otherwise 40823
has been located, the law enforcement agency involved promptly 40824
shall integrate the fact that the minor no longer is a missing 40825
child into the national crime information center computer and 40826
shall inform any school that was notified under division (D) of 40827
this section that the minor is no longer a missing child. 40828

~~(I) Nothing contained in this section shall be construed to 40829
impair the confidentiality of services provided to runaway minors 40830
by shelters for runaway minors pursuant to sections 5119.64 to 40831
5119.68 of the Revised Code. 40832~~

this section shall do all of the following that are applicable 42956
regarding the offender: 42957

(1) If the violation of division (A) of this section is a 42958
felony of the first, second, or third degree, the court shall 42959
impose upon the offender the mandatory fine specified for the 42960
offense under division (B)(1) of section 2929.18 of the Revised 42961
Code unless, as specified in that division, the court determines 42962
that the offender is indigent. Except as otherwise provided in 42963
division (H)(1) of this section, a mandatory fine or any other 42964
fine imposed for a violation of this section is subject to 42965
division (F) of this section. If a person is charged with a 42966
violation of this section that is a felony of the first, second, 42967
or third degree, posts bail, and forfeits the bail, the clerk of 42968
the court shall pay the forfeited bail pursuant to divisions 42969
(D)(1) and (F) of this section, as if the forfeited bail was a 42970
fine imposed for a violation of this section. If any amount of the 42971
forfeited bail remains after that payment and if a fine is imposed 42972
under division (H)(1) of this section, the clerk of the court 42973
shall pay the remaining amount of the forfeited bail pursuant to 42974
divisions (H)(2) and (3) of this section, as if that remaining 42975
amount was a fine imposed under division (H)(1) of this section. 42976

court immediately shall comply with section 2925.38 of the Revised 42981
Code. 42982

(E) When a person is charged with the sale of or offer to 42983

substance, the jury, or the court trying the accused, shall 42985
determine the amount of the controlled substance involved at the 42986
time of the offense and, if a guilty verdict is returned, shall 42987

return the findings as part of the verdict. In any such case, it 42988
is unnecessary to find and return the exact amount of the 42989
controlled substance involved, and it is sufficient if the finding 42990
and return is to the effect that the amount of the controlled 42991
substance involved is the requisite amount, or that the amount of 42992
the controlled substance involved is less than the requisite 42993
amount. 42994

(F)(1) Notwithstanding any contrary provision of section 42995
3719.21 of the Revised Code and except as provided in division (H) 42996
of this section, the clerk of the court shall pay any mandatory 42997
fine imposed pursuant to division (D)(1) of this section and any 42998
fine other than a mandatory fine that is imposed for a violation 42999

in this state that primarily were responsible for or involved in 43004
making the arrest of, and in prosecuting, the offender. However, 43005
the clerk shall not pay a mandatory fine so imposed to a law 43006
enforcement agency unless the agency has adopted a written 43007
internal control policy under division (F)(2) of this section that 43008
addresses the use of the fine moneys that it receives. Each agency 43009
shall use the mandatory fines so paid to subsidize the agency's 43010
law enforcement efforts that pertain to drug offenses, in 43011
accordance with the written internal control policy adopted by the 43012
recipient agency under division (F)(2) of this section. 43013

(2)~~(a)~~ Prior to receiving any fine moneys under division 43014
(F)(1) of this section or division (B) of section 2925.42 of the 43015
Revised Code, a law enforcement agency shall adopt a written 43016
internal control policy that addresses the agency's use and 43017
disposition of all fine moneys so received and that provides for 43018
the keeping of detailed financial records of the receipts of those 43019

fine moneys, the general types of expenditures made out of those 43020
fine moneys, and the specific amount of each general type of 43021
expenditure. The policy shall not provide for or permit the 43022
identification of any specific expenditure that is made in an 43023
ongoing investigation. All financial records of the receipts of 43024
those fine moneys, the general types of expenditures made out of 43025
those fine moneys, and the specific amount of each general type of 43026
expenditure by an agency are public records open for inspection 43027
under section 149.43 of the Revised Code. Additionally, a written 43028
internal control policy adopted under this division is such a 43029
public record, and the agency that adopted it shall comply with 43030
it. 43031

~~(b) Each law enforcement agency that receives in any calendar 43032
year any fine moneys under division (F)(1) of this section or 43033
division (B) of section 2925.42 of the Revised Code shall prepare 43034
a report covering the calendar year that cumulates all of the 43035
information contained in all of the public financial records kept 43036
by the agency pursuant to division (F)(2)(a) of this section for 43037
that calendar year, and shall send a copy of the cumulative 43038
report, no later than the first day of March in the calendar year 43039
following the calendar year covered by the report, to the attorney 43040
general. Each report received by the attorney general is a public 43041

of representatives a written notification that does all of the 43046
following:~~ 43047

Revised Code, the court shall place the offender under the general 43221
control and supervision of a department of probation in the county 43222
that serves the court for purposes of reporting to the court a 43223
violation of any condition of the sanctions, any condition of 43224
release under a community control sanction imposed by the court, a 43225
violation of law, or the departure of the offender from this state 43226

and a county department of probation has been established in that 43229
county or that county is served by a multicounty probation 43230
department established under section 2301.27 of the Revised Code, 43231
the court may request the court of common pleas of that county to 43232

the court, a violation of law, or the departure of the offender 43249
from this state without the permission of the court or the 43250
offender's probation officer. 43251

(b) If the court imposing sentence upon an offender sentences 43252

the court or the offender's probation officer, the public or 43259
private person or entity that operates or administers the sanction 43260

and supervision over the offender under that division, to the 43268
adult parole authority. If the public or private person or entity 43269
that operates or administers the sanction or the program or 43270
activity that comprises the sanction reports the violation or 43271
departure to the county or multicounty department of probation or 43272
the adult parole authority, the department's or authority's 43273
officers may treat the offender as if the offender were on 43274
probation and in violation of the probation, and shall report the 43275

violation of the condition of the sanction, any condition of 43276
release under a community control sanction imposed by the court, 43277

required permission to the sentencing court. 43279

(3) If an offender who is eligible for community control 43280
sanctions under this section admits to being drug addicted or the 43281
court has reason to believe that the offender is drug addicted, 43282
and if the offense for which the offender is being sentenced was 43283
related to the addiction, the court may require that the offender 43284
be assessed by a properly credentialed professional within a 43285
specified period of time and shall require the professional to 43286
file a written assessment of the offender with the court. If a 43287
court imposes treatment and recovery support services as a 43288
community control sanction, the court shall direct the level and 43289
type of treatment and recovery support services after 43290
consideration of the written assessment, if available at the time 43291
of sentencing, and recommendations of the professional and other 43292
treatment and recovery support services providers. 43293

(4) If an assessment completed pursuant to division (A)(3) of 43294

to division (B)(2) of section 2929.19 of the Revised Code. The 43321
court may reduce the longer period of time that the offender is 43322
required to spend under the longer sanction, the more restrictive 43323
sanction, or a prison term imposed pursuant to this division by 43324
the time the offender successfully spent under the sanction that 43325
was initially imposed. 43326

possibility that the person's arrest might cause, contribute to, 43749

evaluation shall file a written report with the court within 44309
thirty days after the entry of the court order requiring the 44310
separate mental retardation evaluation, and the court shall 44311
provide copies of the report to the prosecutor and defense 44312
counsel. The report shall include all of the information described 44313

in divisions (G)(1) to (4) of this section. If the court orders a separate mental retardation evaluation of a defendant under this division, the court shall not conduct a hearing under divisions (B) to (H) of section 2945.37 of the Revised Code regarding that defendant until a report of the separate mental retardation evaluation conducted under this division has been filed. Upon the filing of that report, the court shall conduct the hearing within the period of time specified in division (C) of section 2945.37 of the Revised Code.

(I) An examiner appointed under divisions (A) and (B) of this section or under division (H) of this section to evaluate a defendant to determine the defendant's competence to stand trial also may be appointed to evaluate a defendant who has entered a plea of not guilty by reason of insanity, but an examiner of that nature shall prepare separate reports on the issue of competence to stand trial and the defense of not guilty by reason of insanity.

(J) No statement that a defendant makes in an evaluation or hearing under divisions (A) to (H) of this section relating to the defendant's competence to stand trial or to the defendant's mental condition at the time of the offense charged shall be used against the defendant on the issue of guilt in any criminal action or proceeding, but, in a criminal action or proceeding, the prosecutor or defense counsel may call as a witness any person who evaluated the defendant or prepared a report pursuant to a referral under this section. Neither the appointment nor the testimony of an examiner appointed under this section precludes the prosecutor or defense counsel from calling other witnesses or presenting other evidence on competency or insanity issues.

(K) Persons appointed as examiners under divisions (A) and (B) of this section or under division (H) of this section shall be paid a reasonable amount for their services and expenses, as

certified by the court. The certified amount shall be paid by the 44346
county in the case of county courts and courts of common pleas and 44347
by the legislative authority, as defined in section 1901.03 of the 44348
Revised Code, in the case of municipal courts. 44349

Sec. 2945.38. (A) If the issue of a defendant's competence to 44350
stand trial is raised and if the court, upon conducting the 44351
hearing provided for in section 2945.37 of the Revised Code, finds 44352
that the defendant is competent to stand trial, the defendant 44353
shall be proceeded against as provided by law. If the court finds 44354
the defendant competent to stand trial and the defendant is 44355
receiving psychotropic drugs or other medication, the court may 44356
authorize the continued administration of the drugs or medication 44357
or other appropriate treatment in order to maintain the 44358
defendant's competence to stand trial, unless the defendant's 44359
attending physician advises the court against continuation of the 44360
drugs, other medication, or treatment. 44361

(B)(1)(a) If, after taking into consideration all relevant 44362
reports, information, and other evidence, the court finds that the 44363
defendant is incompetent to stand trial and that there is a 44364
substantial probability that the defendant will become competent 44365
to stand trial within one year if the defendant is provided with a 44366
course of treatment, the court shall order the defendant to 44367
undergo treatment. If the defendant has been charged with a felony 44368
offense and if, after taking into consideration all relevant 44369
reports, information, and other evidence, the court finds that the 44370
defendant is incompetent to stand trial, but the court is unable 44371
at that time to determine whether there is a substantial 44372
probability that the defendant will become competent to stand 44373
trial within one year if the defendant is provided with a course 44374
of treatment, the court shall order continuing evaluation and 44375
treatment of the defendant for a period not to exceed four months 44376
to determine whether there is a substantial probability that the 44377

defendant will become competent to stand trial within one year if 44378
the defendant is provided with a course of treatment. 44379

(b) The court order for the defendant to undergo treatment or 44380
continuing evaluation and treatment under division (B)(1)(a) of 44381
this section shall specify that the defendant, if determined to 44382
require mental health treatment or continuing evaluation and 44383
treatment, either shall be committed to the department of ~~mental~~ 44384
~~health~~ mental health and addiction services for treatment or 44385
continuing evaluation and treatment at a hospital, facility, or 44386
agency, as determined to be clinically appropriate by the 44387
department of ~~mental health~~ mental health and addiction services 44388
or shall be committed to a facility certified by the department of 44389
~~mental health~~ mental health and addiction services as being 44390
qualified to treat mental illness, to a public or community mental 44391
health facility, or to a psychiatrist or another mental health 44392
professional for treatment or continuing evaluation and treatment. 44393
Prior to placing the defendant, the department of ~~mental health~~ 44394
mental health and addiction services shall obtain court approval 44395
for that placement following a hearing. The court order for the 44396
defendant to undergo treatment or continuing evaluation and 44397
treatment under division (B)(1)(a) of this section shall specify 44398
that the defendant, if determined to require treatment or 44399
continuing evaluation and treatment for mental retardation, shall 44400
receive treatment or continuing evaluation and treatment at an 44401
institution or facility operated by the department of 44402
developmental disabilities, at a facility certified by the 44403
department of developmental disabilities as being qualified to 44404
treat mental retardation, at a public or private mental 44405
retardation facility, or by a psychiatrist or another mental 44406
retardation professional. In any case, the order may restrict the 44407
defendant's freedom of movement as the court considers necessary. 44408
The prosecutor in the defendant's case shall send to the chief 44409
clinical officer of the hospital, facility, or agency where the 44410

defendant is placed by the department of ~~mental health~~ mental 44411
health and addiction services, or to the managing officer of the 44412
institution, the director of the program or facility, or the 44413
person to which the defendant is committed, copies of relevant 44414
police reports and other background information that pertains to 44415
the defendant and is available to the prosecutor unless the 44416
prosecutor determines that the release of any of the information 44417
in the police reports or any of the other background information 44418
to unauthorized persons would interfere with the effective 44419
prosecution of any person or would create a substantial risk of 44420
harm to any person. 44421

In determining the place of commitment, the court shall 44422
consider the extent to which the person is a danger to the person 44423
and to others, the need for security, and the type of crime 44424
involved and shall order the least restrictive alternative 44425
available that is consistent with public safety and treatment 44426
goals. In weighing these factors, the court shall give preference 44427
to protecting public safety. 44428

(c) If the defendant is found incompetent to stand trial, if 44429
the chief clinical officer of the hospital, facility, or agency 44430
where the defendant is placed, or the managing officer of the 44431
institution, the director of the program or facility, or the 44432
person to which the defendant is committed for treatment or 44433
continuing evaluation and treatment under division (B)(1)(b) of 44434
this section determines that medication is necessary to restore 44435
the defendant's competency to stand trial, and if the defendant 44436
lacks the capacity to give informed consent or refuses medication, 44437
the chief clinical officer of the hospital, facility, or agency 44438
where the defendant is placed, or the managing officer of the 44439
institution, the director of the program or facility, or the 44440
person to which the defendant is committed for treatment or 44441
continuing evaluation and treatment may petition the court for 44442

authorization for the involuntary administration of medication. 44443
The court shall hold a hearing on the petition within five days of 44444
the filing of the petition if the petition was filed in a 44445
municipal court or a county court regarding an incompetent 44446
defendant charged with a misdemeanor or within ten days of the 44447
filing of the petition if the petition was filed in a court of 44448
common pleas regarding an incompetent defendant charged with a 44449
felony offense. Following the hearing, the court may authorize the 44450
involuntary administration of medication or may dismiss the 44451
petition. 44452

(2) If the court finds that the defendant is incompetent to 44453
stand trial and that, even if the defendant is provided with a 44454
course of treatment, there is not a substantial probability that 44455
the defendant will become competent to stand trial within one 44456
year, the court shall order the discharge of the defendant, unless 44457
upon motion of the prosecutor or on its own motion, the court 44458
either seeks to retain jurisdiction over the defendant pursuant to 44459
section 2945.39 of the Revised Code or files an affidavit in the 44460
probate court for the civil commitment of the defendant pursuant 44461
to Chapter 5122. or 5123. of the Revised Code alleging that the 44462
defendant is a mentally ill person subject to hospitalization by 44463
court order or a mentally retarded person subject to 44464
institutionalization by court order. If an affidavit is filed in 44465
the probate court, the trial court shall send to the probate court 44466
copies of all written reports of the defendant's mental condition 44467
that were prepared pursuant to section 2945.371 of the Revised 44468
Code. 44469

The trial court may issue the temporary order of detention 44470
that a probate court may issue under section 5122.11 or 5123.71 of 44471
the Revised Code, to remain in effect until the probable cause or 44472
initial hearing in the probate court. Further proceedings in the 44473
probate court are civil proceedings governed by Chapter 5122. or 44474

5123. of the Revised Code. 44475

(C) No defendant shall be required to undergo treatment, 44476
including any continuing evaluation and treatment, under division 44477
(B)(1) of this section for longer than whichever of the following 44478
periods is applicable: 44479

(1) One year, if the most serious offense with which the 44480
defendant is charged is one of the following offenses: 44481

(a) Aggravated murder, murder, or an offense of violence for 44482
which a sentence of death or life imprisonment may be imposed; 44483

(b) An offense of violence that is a felony of the first or 44484
second degree; 44485

(c) A conspiracy to commit, an attempt to commit, or 44486
complicity in the commission of an offense described in division 44487
(C)(1)(a) or (b) of this section if the conspiracy, attempt, or 44488
complicity is a felony of the first or second degree. 44489

(2) Six months, if the most serious offense with which the 44490
defendant is charged is a felony other than a felony described in 44491
division (C)(1) of this section; 44492

(3) Sixty days, if the most serious offense with which the 44493
defendant is charged is a misdemeanor of the first or second 44494
degree; 44495

(4) Thirty days, if the most serious offense with which the 44496
defendant is charged is a misdemeanor of the third or fourth 44497
degree, a minor misdemeanor, or an unclassified misdemeanor. 44498

(D) Any defendant who is committed pursuant to this section 44499
shall not voluntarily admit the defendant or be voluntarily 44500
admitted to a hospital or institution pursuant to section 5122.02, 44501
5122.15, 5123.69, or 5123.76 of the Revised Code. 44502

(E) Except as otherwise provided in this division, a 44503
defendant who is charged with an offense and is committed by the 44504

court under this section to the department of ~~mental health~~ mental health and addiction services or is committed to an institution or facility for the treatment of mental retardation shall not be granted unsupervised on-grounds movement, supervised off-grounds movement, or nonsecured status except in accordance with the court order. The court may grant a defendant supervised off-grounds movement to obtain medical treatment or specialized habilitation treatment services if the person who supervises the treatment or the continuing evaluation and treatment of the defendant ordered under division (B)(1)(a) of this section informs the court that the treatment or continuing evaluation and treatment cannot be provided at the hospital or facility where the defendant is placed by the department of ~~mental health~~ mental health and addiction services or the institution or facility to which the defendant is committed. The chief clinical officer of the hospital or facility where the defendant is placed by the department of ~~mental health~~ mental health and addiction services or the managing officer of the institution or director of the facility to which the defendant is committed, or a designee of any of those persons, may grant a defendant movement to a medical facility for an emergency medical situation with appropriate supervision to ensure the safety of the defendant, staff, and community during that emergency medical situation. The chief clinical officer of the hospital or facility where the defendant is placed by the department of ~~mental health~~ mental health and addiction services or the managing officer of the institution or director of the facility to which the defendant is committed shall notify the court within twenty-four hours of the defendant's movement to the medical facility for an emergency medical situation under this division.

(F) The person who supervises the treatment or continuing evaluation and treatment of a defendant ordered to undergo treatment or continuing evaluation and treatment under division (B)(1)(a) of this section shall file a written report with the

court at the following times: 44538

(1) Whenever the person believes the defendant is capable of 44539
understanding the nature and objective of the proceedings against 44540
the defendant and of assisting in the defendant's defense; 44541

(2) For a felony offense, fourteen days before expiration of 44542
the maximum time for treatment as specified in division (C) of 44543
this section and fourteen days before the expiration of the 44544
maximum time for continuing evaluation and treatment as specified 44545
in division (B)(1)(a) of this section, and, for a misdemeanor 44546
offense, ten days before the expiration of the maximum time for 44547
treatment, as specified in division (C) of this section; 44548

(3) At a minimum, after each six months of treatment; 44549

(4) Whenever the person who supervises the treatment or 44550
continuing evaluation and treatment of a defendant ordered under 44551
division (B)(1)(a) of this section believes that there is not a 44552
substantial probability that the defendant will become capable of 44553
understanding the nature and objective of the proceedings against 44554
the defendant or of assisting in the defendant's defense even if 44555
the defendant is provided with a course of treatment. 44556

(G) A report under division (F) of this section shall contain 44557
the examiner's findings, the facts in reasonable detail on which 44558
the findings are based, and the examiner's opinion as to the 44559
defendant's capability of understanding the nature and objective 44560
of the proceedings against the defendant and of assisting in the 44561
defendant's defense. If, in the examiner's opinion, the defendant 44562
remains incapable of understanding the nature and objective of the 44563
proceedings against the defendant and of assisting in the 44564
defendant's defense and there is a substantial probability that 44565
the defendant will become capable of understanding the nature and 44566
objective of the proceedings against the defendant and of 44567
assisting in the defendant's defense if the defendant is provided 44568

with a course of treatment, if in the examiner's opinion the 44569
defendant remains mentally ill or mentally retarded, and if the 44570
maximum time for treatment as specified in division (C) of this 44571
section has not expired, the report also shall contain the 44572
examiner's recommendation as to the least restrictive placement or 44573
commitment alternative that is consistent with the defendant's 44574
treatment needs for restoration to competency and with the safety 44575
of the community. The court shall provide copies of the report to 44576
the prosecutor and defense counsel. 44577

(H) If a defendant is committed pursuant to division (B)(1) 44578
of this section, within ten days after the treating physician of 44579
the defendant or the examiner of the defendant who is employed or 44580
retained by the treating facility advises that there is not a 44581
substantial probability that the defendant will become capable of 44582
understanding the nature and objective of the proceedings against 44583
the defendant or of assisting in the defendant's defense even if 44584
the defendant is provided with a course of treatment, within ten 44585
days after the expiration of the maximum time for treatment as 44586
specified in division (C) of this section, within ten days after 44587
the expiration of the maximum time for continuing evaluation and 44588
treatment as specified in division (B)(1)(a) of this section, 44589
within thirty days after a defendant's request for a hearing that 44590
is made after six months of treatment, or within thirty days after 44591
being advised by the treating physician or examiner that the 44592
defendant is competent to stand trial, whichever is the earliest, 44593
the court shall conduct another hearing to determine if the 44594
defendant is competent to stand trial and shall do whichever of 44595
the following is applicable: 44596

(1) If the court finds that the defendant is competent to 44597
stand trial, the defendant shall be proceeded against as provided 44598
by law. 44599

(2) If the court finds that the defendant is incompetent to 44600

stand trial, but that there is a substantial probability that the defendant will become competent to stand trial if the defendant is provided with a course of treatment, and the maximum time for treatment as specified in division (C) of this section has not expired, the court, after consideration of the examiner's recommendation, shall order that treatment be continued, may change the facility or program at which the treatment is to be continued, and shall specify whether the treatment is to be continued at the same or a different facility or program.

(3) If the court finds that the defendant is incompetent to stand trial, if the defendant is charged with an offense listed in division (C)(1) of this section, and if the court finds that there is not a substantial probability that the defendant will become competent to stand trial even if the defendant is provided with a course of treatment, or if the maximum time for treatment relative to that offense as specified in division (C) of this section has expired, further proceedings shall be as provided in sections 2945.39, 2945.401, and 2945.402 of the Revised Code.

(4) If the court finds that the defendant is incompetent to stand trial, if the most serious offense with which the defendant is charged is a misdemeanor or a felony other than a felony listed in division (C)(1) of this section, and if the court finds that there is not a substantial probability that the defendant will become competent to stand trial even if the defendant is provided with a course of treatment, or if the maximum time for treatment relative to that offense as specified in division (C) of this section has expired, the court shall dismiss the indictment, information, or complaint against the defendant. A dismissal under this division is not a bar to further prosecution based on the same conduct. The court shall discharge the defendant unless the court or prosecutor files an affidavit in probate court for civil commitment pursuant to Chapter 5122. or 5123. of the Revised Code.

If an affidavit for civil commitment is filed, the court may 44633
detain the defendant for ten days pending civil commitment. All of 44634
the following provisions apply to persons charged with a 44635
misdemeanor or a felony other than a felony listed in division 44636
(C)(1) of this section who are committed by the probate court 44637
subsequent to the court's or prosecutor's filing of an affidavit 44638
for civil commitment under authority of this division: 44639

(a) The chief clinical officer of the entity, hospital, or 44640
facility, the managing officer of the institution, the director of 44641
the program, or the person to which the defendant is committed or 44642
admitted shall do all of the following: 44643

(i) Notify the prosecutor, in writing, of the discharge of 44644
the defendant, send the notice at least ten days prior to the 44645
discharge unless the discharge is by the probate court, and state 44646
in the notice the date on which the defendant will be discharged; 44647

(ii) Notify the prosecutor, in writing, when the defendant is 44648
absent without leave or is granted unsupervised, off-grounds 44649
movement, and send this notice promptly after the discovery of the 44650
absence without leave or prior to the granting of the 44651
unsupervised, off-grounds movement, whichever is applicable; 44652

(iii) Notify the prosecutor, in writing, of the change of the 44653
defendant's commitment or admission to voluntary status, send the 44654
notice promptly upon learning of the change to voluntary status, 44655
and state in the notice the date on which the defendant was 44656
committed or admitted on a voluntary status. 44657

(b) Upon receiving notice that the defendant will be granted 44658
unsupervised, off-grounds movement, the prosecutor either shall 44659
re-indict the defendant or promptly notify the court that the 44660
prosecutor does not intend to prosecute the charges against the 44661
defendant. 44662

(I) If a defendant is convicted of a crime and sentenced to a 44663

jail or workhouse, the defendant's sentence shall be reduced by 44664
the total number of days the defendant is confined for evaluation 44665
to determine the defendant's competence to stand trial or 44666
treatment under this section and sections 2945.37 and 2945.371 of 44667
the Revised Code or by the total number of days the defendant is 44668
confined for evaluation to determine the defendant's mental 44669
condition at the time of the offense charged. 44670

Sec. 2945.39. (A) If a defendant who is charged with an 44671
offense described in division (C)(1) of section 2945.38 of the 44672
Revised Code is found incompetent to stand trial, after the 44673
expiration of the maximum time for treatment as specified in 44674
division (C) of that section or after the court finds that there 44675
is not a substantial probability that the defendant will become 44676
competent to stand trial even if the defendant is provided with a 44677
course of treatment, one of the following applies: 44678

(1) The court or the prosecutor may file an affidavit in 44679
probate court for civil commitment of the defendant in the manner 44680
provided in Chapter 5122. or 5123. of the Revised Code. If the 44681
court or prosecutor files an affidavit for civil commitment, the 44682
court may detain the defendant for ten days pending civil 44683
commitment. If the probate court commits the defendant subsequent 44684
to the court's or prosecutor's filing of an affidavit for civil 44685
commitment, the chief clinical officer of the entity, hospital, or 44686
facility, the managing officer of the institution, the director of 44687
the program, or the person to which the defendant is committed or 44688
admitted shall send to the prosecutor the notices described in 44689
divisions (H)(4)(a)(i) to (iii) of section 2945.38 of the Revised 44690
Code within the periods of time and under the circumstances 44691
specified in those divisions. 44692

(2) On the motion of the prosecutor or on its own motion, the 44693
court may retain jurisdiction over the defendant if, at a hearing, 44694

the court finds both of the following by clear and convincing evidence: 44695
44696

(a) The defendant committed the offense with which the defendant is charged. 44697
44698

(b) The defendant is a mentally ill person subject to hospitalization by court order or a mentally retarded person subject to institutionalization by court order. 44699
44700
44701

(B) In making its determination under division (A)(2) of this section as to whether to retain jurisdiction over the defendant, the court may consider all relevant evidence, including, but not limited to, any relevant psychiatric, psychological, or medical testimony or reports, the acts constituting the offense charged, and any history of the defendant that is relevant to the defendant's ability to conform to the law. 44702
44703
44704
44705
44706
44707
44708

(C) If the court conducts a hearing as described in division (A)(2) of this section and if the court does not make both findings described in divisions (A)(2)(a) and (b) of this section by clear and convincing evidence, the court shall dismiss the indictment, information, or complaint against the defendant. Upon the dismissal, the court shall discharge the defendant unless the court or prosecutor files an affidavit in probate court for civil commitment of the defendant pursuant to Chapter 5122. or 5123. of the Revised Code. If the court or prosecutor files an affidavit for civil commitment, the court may order that the defendant be detained for up to ten days pending the civil commitment. If the probate court commits the defendant subsequent to the court's or prosecutor's filing of an affidavit for civil commitment, the chief clinical officer of the entity, hospital, or facility, the managing officer of the institution, the director of the program, or the person to which the defendant is committed or admitted shall send to the prosecutor the notices described in divisions (H)(4)(a)(i) to (iii) of section 2945.38 of the Revised Code 44709

44712
44713

within the periods of time and under the circumstances specified 44727
in those divisions. A dismissal of charges under this division is 44728
not a bar to further criminal proceedings based on the same 44729
conduct. 44730

(D)(1) If the court conducts a hearing as described in 44731
division (A)(2) of this section and if the court makes the 44732
findings described in divisions (A)(2)(a) and (b) of this section 44733
by clear and convincing evidence, the court shall commit the 44734
defendant, if determined to require mental health treatment, 44735
either to the department of ~~mental health~~ mental health and 44736
addiction services for treatment at a hospital, facility, or 44737
agency as determined clinically appropriate by the department of 44738
~~mental health~~ mental health and addiction services or to another 44739
medical or psychiatric facility, as appropriate. Prior to placing 44740
the defendant, the department of ~~mental health~~ mental health and 44741
addiction services shall obtain court approval for that placement. 44742
If the court conducts such a hearing and if it makes those 44743
findings by clear and convincing evidence, the court shall commit 44744
the defendant, if determined to require treatment for mental 44745
retardation, to a facility operated by the department of 44746
developmental disabilities, or another facility, as appropriate. 44747
In determining the place of commitment, the court shall consider 44748
the extent to which the person is a danger to the person and to 44749
others, the need for security, and the type of crime involved and 44750
shall order the least restrictive alternative available that is 44751
consistent with public safety and the welfare of the defendant. In 44752
weighing these factors, the court shall give preference to 44753
protecting public safety. 44754

(2) If a court makes a commitment of a defendant under 44755
division (D)(1) of this section, the prosecutor shall send to the 44756
hospital, facility, or agency where the defendant is placed by the 44757
department of ~~mental health~~ mental health and addiction services 44758

or to the defendant's place of commitment all reports of the 44759
defendant's current mental condition and, except as otherwise 44760
provided in this division, any other relevant information, 44761
including, but not limited to, a transcript of the hearing held 44762
pursuant to division (A)(2) of this section, copies of relevant 44763
police reports, and copies of any prior arrest and conviction 44764
records that pertain to the defendant and that the prosecutor 44765
possesses. The prosecutor shall send the reports of the 44766
defendant's current mental condition in every case of commitment, 44767
and, unless the prosecutor determines that the release of any of 44768
the other relevant information to unauthorized persons would 44769
interfere with the effective prosecution of any person or would 44770
create a substantial risk of harm to any person, the prosecutor 44771
also shall send the other relevant information. Upon admission of 44772
a defendant committed under division (D)(1) of this section, the 44773
place of commitment shall send to the board of alcohol, drug 44774
addiction, and mental health services or the community mental 44775
health board serving the county in which the charges against the 44776
defendant were filed a copy of all reports of the defendant's 44777
current mental condition and a copy of the other relevant 44778
information provided by the prosecutor under this division, 44779
including, if provided, a transcript of the hearing held pursuant 44780
to division (A)(2) of this section, the relevant police reports, 44781
and the prior arrest and conviction records that pertain to the 44782
defendant and that the prosecutor possesses. 44783

(3) If a court makes a commitment under division (D)(1) of 44784
this section, all further proceedings shall be in accordance with 44785
sections 2945.401 and 2945.402 of the Revised Code. 44786

Sec. 2945.40. (A) If a person is found not guilty by reason 44787
of insanity, the verdict shall state that finding, and the trial 44788
court shall conduct a full hearing to determine whether the person 44789
is a mentally ill person subject to hospitalization by court order 44790

or a mentally retarded person subject to institutionalization by 44791
court order. Prior to the hearing, if the trial judge believes 44792
that there is probable cause that the person found not guilty by 44793
reason of insanity is a mentally ill person subject to 44794
hospitalization by court order or mentally retarded person subject 44795
to institutionalization by court order, the trial judge may issue 44796
a temporary order of detention for that person to remain in effect 44797
for ten court days or until the hearing, whichever occurs first. 44798

Any person detained pursuant to a temporary order of 44799
detention issued under this division shall be held in a suitable 44800
facility, taking into consideration the place and type of 44801
confinement prior to and during trial. 44802

(B) The court shall hold the hearing under division (A) of 44803
this section to determine whether the person found not guilty by 44804
reason of insanity is a mentally ill person subject to 44805
hospitalization by court order or a mentally retarded person 44806
subject to institutionalization by court order within ten court 44807
days after the finding of not guilty by reason of insanity. 44808
Failure to conduct the hearing within the ten-day period shall 44809
cause the immediate discharge of the respondent, unless the judge 44810
grants a continuance for not longer than ten court days for good 44811
cause shown or for any period of time upon motion of the 44812
respondent. 44813

(C) If a person is found not guilty by reason of insanity, 44814
the person has the right to attend all hearings conducted pursuant 44815
to sections 2945.37 to 2945.402 of the Revised Code. At any 44816
hearing conducted pursuant to one of those sections, the court 44817
shall inform the person that the person has all of the following 44818
rights: 44819

(1) The right to be represented by counsel and to have that 44820
counsel provided at public expense if the person is indigent, with 44821
the counsel to be appointed by the court under Chapter 120. of the 44822

Revised Code or under the authority recognized in division (C) of 44823
section 120.06, division (E) of section 120.16, division (E) of 44824
section 120.26, or section 2941.51 of the Revised Code; 44825

(2) The right to have independent expert evaluation and to 44826
have that independent expert evaluation provided at public expense 44827
if the person is indigent; 44828

(3) The right to subpoena witnesses and documents, to present 44829
evidence on the person's behalf, and to cross-examine witnesses 44830
against the person; 44831

(4) The right to testify in the person's own behalf and to 44832
not be compelled to testify; 44833

(5) The right to have copies of any relevant medical or 44834
mental health document in the custody of the state or of any place 44835
of commitment other than a document for which the court finds that 44836
the release to the person of information contained in the document 44837
would create a substantial risk of harm to any person. 44838

(D) The hearing under division (A) of this section shall be 44839
open to the public, and the court shall conduct the hearing in 44840
accordance with the Rules of Civil Procedure. The court shall make 44841
and maintain a full transcript and record of the hearing 44842
proceedings. The court may consider all relevant evidence, 44843
including, but not limited to, any relevant psychiatric, 44844
psychological, or medical testimony or reports, the acts 44845
constituting the offense in relation to which the person was found 44846
not guilty by reason of insanity, and any history of the person 44847
that is relevant to the person's ability to conform to the law. 44848

(E) Upon completion of the hearing under division (A) of this 44849
section, if the court finds there is not clear and convincing 44850
evidence that the person is a mentally ill person subject to 44851
hospitalization by court order or a mentally retarded person 44852
subject to institutionalization by court order, the court shall 44853

discharge the person, unless a detainer has been placed upon the 44854
person by the department of rehabilitation and correction, in 44855
which case the person shall be returned to that department. 44856

(F) If, at the hearing under division (A) of this section, 44857
the court finds by clear and convincing evidence that the person 44858
is a mentally ill person subject to hospitalization by court 44859
order, the court shall commit the person either to the department 44860
of ~~mental health~~ mental health and addiction services for 44861
treatment in a hospital, facility, or agency as determined 44862
clinically appropriate by the department of ~~mental health~~ mental 44863
health and addiction services or to another medical or psychiatric 44864
facility, as appropriate. Prior to placing the defendant, the 44865
department of ~~mental health~~ mental health and addiction services 44866
shall obtain court approval for that placement. If, at the hearing 44867
under division (A) of this section, the court determines by clear 44868
and convincing evidence that the person requires treatment for 44869
mental retardation, it shall commit the person to a facility 44870
operated by the department of developmental disabilities or 44871
another facility, as appropriate. Further proceedings shall be in 44872
accordance with sections 2945.401 and 2945.402 of the Revised 44873
Code. In determining the place of commitment, the court shall 44874
consider the extent to which the person is a danger to the person 44875
and to others, the need for security, and the type of crime 44876
involved and shall order the least restrictive alternative 44877
available that is consistent with public safety and the welfare of 44878
the person. In weighing these factors, the court shall give 44879
preference to protecting public safety. 44880

(G) If a court makes a commitment of a person under division 44881
(F) of this section, the prosecutor shall send to the hospital, 44882
facility, or agency where the person is placed by the department 44883
of ~~mental health~~ mental health and addiction services or to the 44884
defendant's place of commitment all reports of the person's 44885

current mental condition, and, except as otherwise provided in 44886
this division, any other relevant information, including, but not 44887
limited to, a transcript of the hearing held pursuant to division 44888
(A) of this section, copies of relevant police reports, and copies 44889
of any prior arrest and conviction records that pertain to the 44890
person and that the prosecutor possesses. The prosecutor shall 44891
send the reports of the person's current mental condition in every 44892
case of commitment, and, unless the prosecutor determines that the 44893
release of any of the other relevant information to unauthorized 44894
persons would interfere with the effective prosecution of any 44895
person or would create a substantial risk of harm to any person, 44896
the prosecutor also shall send the other relevant information. 44897
Upon admission of a person committed under division (F) of this 44898
section, the place of commitment shall send to the board of 44899
alcohol, drug addiction, and mental health services or the 44900
community mental health board serving the county in which the 44901
charges against the person were filed a copy of all reports of the 44902
person's current mental condition and a copy of the other relevant 44903
information provided by the prosecutor under this division, 44904
including, if provided, a transcript of the hearing held pursuant 44905
to division (A) of this section, the relevant police reports, and 44906
the prior arrest and conviction records that pertain to the person 44907
and that the prosecutor possesses. 44908

(H) A person who is committed pursuant to this section shall 44909
not voluntarily admit the person or be voluntarily admitted to a 44910
hospital or institution pursuant to section 5122.02, 5122.15, 44911
5123.69, or 5123.76 of the Revised Code. 44912

Sec. 2945.401. (A) A defendant found incompetent to stand 44913
trial and committed pursuant to section 2945.39 of the Revised 44914
Code or a person found not guilty by reason of insanity and 44915
committed pursuant to section 2945.40 of the Revised Code shall 44916
remain subject to the jurisdiction of the trial court pursuant to 44917

that commitment, and to the provisions of this section, until the 44918
final termination of the commitment as described in division 44919
(J)(1) of this section. If the jurisdiction is terminated under 44920
this division because of the final termination of the commitment 44921
resulting from the expiration of the maximum prison term or term 44922
of imprisonment described in division (J)(1)(b) of this section, 44923
the court or prosecutor may file an affidavit for the civil 44924
commitment of the defendant or person pursuant to Chapter 5122. or 44925
5123. of the Revised Code. 44926

(B) A hearing conducted under any provision of sections 44927
2945.37 to 2945.402 of the Revised Code shall not be conducted in 44928
accordance with Chapters 5122. and 5123. of the Revised Code. Any 44929
person who is committed pursuant to section 2945.39 or 2945.40 of 44930
the Revised Code shall not voluntarily admit the person or be 44931
voluntarily admitted to a hospital or institution pursuant to 44932
section 5122.02, 5122.15, 5123.69, or 5123.76 of the Revised Code. 44933
All other provisions of Chapters 5122. and 5123. of the Revised 44934
Code regarding hospitalization or institutionalization shall apply 44935
to the extent they are not in conflict with this chapter. A 44936
commitment under section 2945.39 or 2945.40 of the Revised Code 44937
shall not be terminated and the conditions of the commitment shall 44938
not be changed except as otherwise provided in division (D)(2) of 44939
this section with respect to a mentally retarded person subject to 44940
institutionalization by court order or except by order of the 44941
trial court. 44942

(C) The department of ~~mental health~~ mental health and 44943
addiction services or the institution, facility, or program to 44944
which a defendant or person has been committed under section 44945
2945.39 or 2945.40 of the Revised Code shall report in writing to 44946
the trial court, at the times specified in this division, as to 44947
whether the defendant or person remains a mentally ill person 44948
subject to hospitalization by court order or a mentally retarded 44949

person subject to institutionalization by court order and, in the 44950
case of a defendant committed under section 2945.39 of the Revised 44951
Code, as to whether the defendant remains incompetent to stand 44952
trial. The department, institution, facility, or program shall 44953
make the reports after the initial six months of treatment and 44954
every two years after the initial report is made. The trial court 44955
shall provide copies of the reports to the prosecutor and to the 44956
counsel for the defendant or person. Within thirty days after its 44957
receipt pursuant to this division of a report from the department, 44958
institution, facility, or program, the trial court shall hold a 44959
hearing on the continued commitment of the defendant or person or 44960
on any changes in the conditions of the commitment of the 44961
defendant or person. The defendant or person may request a change 44962
in the conditions of confinement, and the trial court shall 44963
conduct a hearing on that request if six months or more have 44964
elapsed since the most recent hearing was conducted under this 44965
section. 44966

(D)(1) Except as otherwise provided in division (D)(2) of 44967
this section, when a defendant or person has been committed under 44968
section 2945.39 or 2945.40 of the Revised Code, at any time after 44969
evaluating the risks to public safety and the welfare of the 44970
defendant or person, the designee of the department of ~~mental~~ 44971
~~health~~ mental health and addiction services or the managing 44972
officer of the institution or director of the facility or program 44973
to which the defendant or person is committed may recommend a 44974
termination of the defendant's or person's commitment or a change 44975
in the conditions of the defendant's or person's commitment. 44976

Except as otherwise provided in division (D)(2) of this 44977
section, if the designee of the department of ~~mental health~~ mental 44978
health and addiction services recommends on-grounds unsupervised 44979
movement, off-grounds supervised movement, or nonsecured status 44980
for the defendant or person or termination of the defendant's or 44981

person's commitment, the following provisions apply: 44982

(a) If the department's designee recommends on-grounds 44983
unsupervised movement or off-grounds supervised movement, the 44984
department's designee shall file with the trial court an 44985
application for approval of the movement and shall send a copy of 44986
the application to the prosecutor. Within fifteen days after 44987
receiving the application, the prosecutor may request a hearing on 44988
the application and, if a hearing is requested, shall so inform 44989
the department's designee. If the prosecutor does not request a 44990
hearing within the fifteen-day period, the trial court shall 44991
approve the application by entering its order approving the 44992
requested movement or, within five days after the expiration of 44993
the fifteen-day period, shall set a date for a hearing on the 44994
application. If the prosecutor requests a hearing on the 44995
application within the fifteen-day period, the trial court shall 44996
hold a hearing on the application within thirty days after the 44997
hearing is requested. If the trial court, within five days after 44998
the expiration of the fifteen-day period, sets a date for a 44999
hearing on the application, the trial court shall hold the hearing 45000
within thirty days after setting the hearing date. At least 45001
fifteen days before any hearing is held under this division, the 45002
trial court shall give the prosecutor written notice of the date, 45003
time, and place of the hearing. At the conclusion of each hearing 45004
conducted under this division, the trial court either shall 45005
approve or disapprove the application and shall enter its order 45006
accordingly. 45007

(b) If the department's designee recommends termination of 45008
the defendant's or person's commitment at any time or if the 45009
department's designee recommends the first of any nonsecured 45010
status for the defendant or person, the department's designee 45011
shall send written notice of this recommendation to the trial 45012
court and to the local forensic center. The local forensic center 45013

shall evaluate the committed defendant or person and, within 45014
thirty days after its receipt of the written notice, shall submit 45015
to the trial court and the department's designee a written report 45016
of the evaluation. The trial court shall provide a copy of the 45017
department's designee's written notice and of the local forensic 45018
center's written report to the prosecutor and to the counsel for 45019
the defendant or person. Upon the local forensic center's 45020
submission of the report to the trial court and the department's 45021
designee, all of the following apply: 45022

(i) If the forensic center disagrees with the recommendation 45023
of the department's designee, it shall inform the department's 45024
designee and the trial court of its decision and the reasons for 45025
the decision. The department's designee, after consideration of 45026
the forensic center's decision, shall either withdraw, proceed 45027
with, or modify and proceed with the recommendation. If the 45028
department's designee proceeds with, or modifies and proceeds 45029
with, the recommendation, the department's designee shall proceed 45030
in accordance with division (D)(1)(b)(iii) of this section. 45031

(ii) If the forensic center agrees with the recommendation of 45032
the department's designee, it shall inform the department's 45033
designee and the trial court of its decision and the reasons for 45034
the decision, and the department's designee shall proceed in 45035
accordance with division (D)(1)(b)(iii) of this section. 45036

(iii) If the forensic center disagrees with the 45037
recommendation of the department's designee and the department's 45038
designee proceeds with, or modifies and proceeds with, the 45039
recommendation or if the forensic center agrees with the 45040
recommendation of the department's designee, the department's 45041
designee shall work with community mental health ~~agencies~~ services 45042
providers, programs, facilities, or boards of alcohol, drug 45043
addiction, and mental health services or community mental health 45044
boards to develop a plan to implement the recommendation. If the 45045

defendant or person is on medication, the plan shall include, but 45046
shall not be limited to, a system to monitor the defendant's or 45047
person's compliance with the prescribed medication treatment plan. 45048
The system shall include a schedule that clearly states when the 45049
defendant or person shall report for a medication compliance 45050
check. The medication compliance checks shall be based upon the 45051
effective duration of the prescribed medication, taking into 45052
account the route by which it is taken, and shall be scheduled at 45053
intervals sufficiently close together to detect a potential 45054
increase in mental illness symptoms that the medication is 45055
intended to prevent. 45056

The department's designee, after consultation with the board 45057
of alcohol, drug addiction, and mental health services or the 45058
community mental health board serving the area, shall send the 45059
recommendation and plan developed under division (D)(1)(b)(iii) of 45060
this section, in writing, to the trial court, the prosecutor, and 45061
the counsel for the committed defendant or person. The trial court 45062
shall conduct a hearing on the recommendation and plan developed 45063
under division (D)(1)(b)(iii) of this section. Divisions (D)(1)(c) 45064
and (d) and (E) to (J) of this section apply regarding the 45065
hearing. 45066

(c) If the department's designee's recommendation is for 45067
nonsecured status or termination of commitment, the prosecutor may 45068
obtain an independent expert evaluation of the defendant's or 45069
person's mental condition, and the trial court may continue the 45070
hearing on the recommendation for a period of not more than thirty 45071
days to permit time for the evaluation. 45072

The prosecutor may introduce the evaluation report or present 45073
other evidence at the hearing in accordance with the Rules of 45074
Evidence. 45075

(d) The trial court shall schedule the hearing on a 45076
department's designee's recommendation for nonsecured status or 45077

termination of commitment and shall give reasonable notice to the 45078
prosecutor and the counsel for the defendant or person. Unless 45079
continued for independent evaluation at the prosecutor's request 45080
or for other good cause, the hearing shall be held within thirty 45081
days after the trial court's receipt of the recommendation and 45082
plan. 45083

(2)(a) Division (D)(1) of this section does not apply to 45084
on-grounds unsupervised movement of a defendant or person who has 45085
been committed under section 2945.39 or 2945.40 of the Revised 45086
Code, who is a mentally retarded person subject to 45087
institutionalization by court order, and who is being provided 45088
residential habilitation, care, and treatment in a facility 45089
operated by the department of developmental disabilities. 45090

(b) If, pursuant to section 2945.39 of the Revised Code, the 45091
trial court commits a defendant who is found incompetent to stand 45092
trial and who is a mentally retarded person subject to 45093
institutionalization by court order, if the defendant is being 45094
provided residential habilitation, care, and treatment in a 45095
facility operated by the department of developmental disabilities, 45096
if an individual who is conducting a survey for the department of 45097
health to determine the facility's compliance with the 45098
certification requirements of the medicaid program ~~under Chapter~~ 45099
~~5111. of the Revised Code and Title XIX of the "Social Security~~ 45100
~~Act," 49 Stat. 620 (1935), 42 U.S.C.A. 301, as amended,~~ cites the 45101
defendant's receipt of the residential habilitation, care, and 45102
treatment in the facility as being inappropriate under the 45103
certification requirements, if the defendant's receipt of the 45104
residential habilitation, care, and treatment in the facility 45105
potentially jeopardizes the facility's continued receipt of 45106
federal medicaid moneys, and if as a result of the citation the 45107
chief clinical officer of the facility determines that the 45108
conditions of the defendant's commitment should be changed, the 45109

department of developmental disabilities may cause the defendant 45110
to be removed from the particular facility and, after evaluating 45111
the risks to public safety and the welfare of the defendant and 45112
after determining whether another type of placement is consistent 45113
with the certification requirements, may place the defendant in 45114
another facility that the department selects as an appropriate 45115
facility for the defendant's continued receipt of residential 45116
habilitation, care, and treatment and that is a no less secure 45117
setting than the facility in which the defendant had been placed 45118
at the time of the citation. Within three days after the 45119
defendant's removal and alternative placement under the 45120
circumstances described in division (D)(2)(b) of this section, the 45121
department of developmental disabilities shall notify the trial 45122
court and the prosecutor in writing of the removal and alternative 45123
placement. 45124

The trial court shall set a date for a hearing on the removal 45125
and alternative placement, and the hearing shall be held within 45126
twenty-one days after the trial court's receipt of the notice from 45127
the department of developmental disabilities. At least ten days 45128
before the hearing is held, the trial court shall give the 45129
prosecutor, the department of developmental disabilities, and the 45130
counsel for the defendant written notice of the date, time, and 45131
place of the hearing. At the hearing, the trial court shall 45132
consider the citation issued by the individual who conducted the 45133
survey for the department of health to be prima-facie evidence of 45134
the fact that the defendant's commitment to the particular 45135
facility was inappropriate under the certification requirements of 45136
the medicaid program ~~under Chapter 5111. of the Revised Code and~~ 45137
~~Title XIX of the "Social Security Act," 49 Stat. 620 (1935), 42~~ 45138
~~U.S.C.A. 301, as amended,~~ and potentially jeopardizes the 45139
particular facility's continued receipt of federal medicaid 45140
moneys. At the conclusion of the hearing, the trial court may 45141
approve or disapprove the defendant's removal and alternative 45142

placement. If the trial court approves the defendant's removal and 45143
alternative placement, the department of developmental 45144
disabilities may continue the defendant's alternative placement. 45145
If the trial court disapproves the defendant's removal and 45146
alternative placement, it shall enter an order modifying the 45147
defendant's removal and alternative placement, but that order 45148
shall not require the department of developmental disabilities to 45149
replace the defendant for purposes of continued residential 45150
habilitation, care, and treatment in the facility associated with 45151
the citation issued by the individual who conducted the survey for 45152
the department of health. 45153

(E) In making a determination under this section regarding 45154
nonsecured status or termination of commitment, the trial court 45155
shall consider all relevant factors, including, but not limited 45156
to, all of the following: 45157

(1) Whether, in the trial court's view, the defendant or 45158
person currently represents a substantial risk of physical harm to 45159
the defendant or person or others; 45160

will continue treatment as prescribed or seek professional 45165
assistance as needed; 45166

(4) The grounds upon which the state relies for the proposed 45167

regulations, and values of society; 45171

(6) If there is evidence that the defendant's or person's 45172
mental illness is in a state of remission, the medically suggested 45173

cause and degree of the remission and the probability that the 45174
defendant or person will continue treatment to maintain the 45175
remissive state of the defendant's or person's illness should the 45176
defendant's or person's commitment conditions be altered. 45177

(F) At any hearing held pursuant to division (C) or (D)(1) or 45178
(2) of this section, the defendant or the person shall have all 45179

disapprove, or modify the recommendation and shall enter an order 45201
accordingly. 45202

(J)(1) A defendant or person who has been committed pursuant 45203
to section 2945.39 or 2945.40 of the Revised Code continues to be 45204

(b) of this section applies to that defendant, and if a report 45225
filed with the trial court pursuant to division (C) of this 45226
section indicates that the defendant presently is competent to 45227
stand trial or if, at any other time during the period of the 45228
defendant's commitment, the prosecutor, the counsel for the 45229
defendant, or the designee of the department of ~~mental health~~ 45230

defendant presently is competent to stand trial and determines on 45237
its own motion to hold a hearing on the competency issue, the 45238
trial court shall schedule a hearing on the competency of the 45239

place of the hearing at least fifteen days before the hearing, and 45244
shall conduct the hearing within thirty days of the filing of the 45245
application or of its own motion. If, at the conclusion of the 45246
hearing, the trial court determines that the defendant presently 45247
is capable of understanding the nature and objective of the 45248
proceedings against the defendant and of assisting in the 45249
defendant's defense, the trial court shall order that the 45250
defendant is competent to stand trial and shall be proceeded 45251

pendency of the trial on the applicable offenses described in 45263
division (C)(1) of section 2945.38 of the Revised Code. 45264

(ii) If the trial court determines that the defendant no 45265
longer is a mentally ill person subject to hospitalization by 45266
court order or a mentally retarded person subject to 45267
institutionalization by court order, the trial court shall order 45268

that the defendant's commitment to the department of ~~mental health~~ 45269
mental health and addiction services or to an institution, 45270
facility, or program for the treatment of mental retardation shall 45271
not be continued during the pendency of the trial on the 45272
applicable offenses described in division (C)(1) of section 45273
2945.38 of the Revised Code. This order shall be a final 45274
termination of the commitment for purposes of division (J)(1)(c) 45275
of this section. 45276

(b) If, at the conclusion of the hearing described in 45277
division (J)(2)(a) of this section, the trial court determines 45278
that the defendant remains incapable of understanding the nature 45279
and objective of the proceedings against the defendant or of 45280
assisting in the defendant's defense, the trial court shall order 45281
that the defendant continues to be incompetent to stand trial, 45282
that the defendant's commitment to the department of ~~mental health~~ 45283
mental health and addiction services or to an institution, 45284
facility, or program for the treatment of mental retardation shall 45285
be continued, and that the defendant remains subject to the 45286
jurisdiction of the trial court pursuant to that commitment, and 45287
to the provisions of this section, until the final termination of 45288
the commitment as described in division (J)(1) of this section. 45289

Sec. 2951.041. (A)(1) If an offender is charged with a 45290
criminal offense, including but not limited to a violation of 45291
section 2913.02, 2913.03, 2913.11, 2913.21, 2913.31, or 2919.21 of 45292
the Revised Code, and the court has reason to believe that drug or 45293
alcohol usage by the offender was a factor leading to the criminal 45294
offense with which the offender is charged or that, at the time of 45295
committing that offense, the offender had a mental illness or was 45296
a person with intellectual disability and that the mental illness 45297
or status as a person with intellectual disability was a factor 45298
leading to the offender's criminal behavior, the court may accept, 45299
prior to the entry of a guilty plea, the offender's request for 45300

intervention in lieu of conviction. The request shall include a 45301
statement from the offender as to whether the offender is alleging 45302
that drug or alcohol usage by the offender was a factor leading to 45303
the criminal offense with which the offender is charged or is 45304
alleging that, at the time of committing that offense, the 45305
offender had a mental illness or was a person with intellectual 45306
disability and that the mental illness or status as a person with 45307
intellectual disability was a factor leading to the criminal 45308
offense with which the offender is charged. The request also shall 45309
include a waiver of the defendant's right to a speedy trial, the 45310
preliminary hearing, the time period within which the grand jury 45311
may consider an indictment against the offender, and arraignment, 45312
unless the hearing, indictment, or arraignment has already 45313
occurred. The court may reject an offender's request without a 45314
hearing. If the court elects to consider an offender's request, 45315
the court shall conduct a hearing to determine whether the 45316
offender is eligible under this section for intervention in lieu 45317
of conviction and shall stay all criminal proceedings pending the 45318
outcome of the hearing. If the court schedules a hearing, the 45319
court shall order an assessment of the offender for the purpose of 45320
determining the offender's eligibility for intervention in lieu of 45321
conviction and recommending an appropriate intervention plan. 45322

If the offender alleges that drug or alcohol usage by the 45323
offender was a factor leading to the criminal offense with which 45324
the offender is charged, the court may order that the offender be 45325
assessed by ~~a program~~ an addiction services provider certified 45326
pursuant to section ~~3793.06~~ 5119.36 of the Revised Code or a 45327
properly credentialed professional for the purpose of determining 45328
the offender's eligibility for intervention in lieu of conviction 45329
and recommending an appropriate intervention plan. The ~~program~~ 45330
addiction services provider or the properly credentialed 45331
professional shall provide a written assessment of the offender to 45332
the court. 45333

(2) The victim notification provisions of division (C) of 45334
section 2930.08 of the Revised Code apply in relation to any 45335
hearing held under division (A)(1) of this section. 45336

(B) An offender is eligible for intervention in lieu of 45337
conviction if the court finds all of the following: 45338

(1) The offender previously has not been convicted of or 45339
pleaded guilty to a felony offense of violence or previously has 45340
been convicted of or pleaded guilty to any felony that is not an 45341
offense of violence and the prosecuting attorney recommends that 45342
the offender be found eligible for participation in intervention 45343
in lieu of treatment under this section, previously has not been 45344
through intervention in lieu of conviction under this section or 45345
any similar regimen, and is charged with a felony for which the 45346
court, upon conviction, would impose a community control sanction 45347
on the offender under division (B)(2) of section 2929.13 of the 45348
Revised Code or with a misdemeanor. 45349

(2) The offense is not a felony of the first, second, or 45350
third degree, is not an offense of violence, is not a violation of 45351
division (A)(1) or (2) of section 2903.06 of the Revised Code, is 45352
not a violation of division (A)(1) of section 2903.08 of the 45353
Revised Code, is not a violation of division (A) of section 45354
4511.19 of the Revised Code or a municipal ordinance that is 45355
substantially similar to that division, and is not an offense for 45356
which a sentencing court is required to impose a mandatory prison 45357
term, a mandatory term of local incarceration, or a mandatory term 45358
of imprisonment in a jail. 45359

(3) The offender is not charged with a violation of section 45360
2925.02, 2925.04, or 2925.06 of the Revised Code, is not charged 45361
with a violation of section 2925.03 of the Revised Code that is a 45362
felony of the first, second, third, or fourth degree, and is not 45363
charged with a violation of section 2925.11 of the Revised Code 45364
that is a felony of the first, second, or third degree. 45365

(4) If an offender alleges that drug or alcohol usage by the offender was a factor leading to the criminal offense with which the offender is charged, the court has ordered that the offender be assessed by ~~a program~~ an addiction services provider certified pursuant to section ~~3793.06~~ 5119.36 of the Revised Code or a properly credentialed professional for the purpose of determining the offender's eligibility for intervention in lieu of conviction and recommending an appropriate intervention plan, the offender has been assessed by ~~a program~~ an addiction services provider of that nature or a properly credentialed professional in accordance with the court's order, and the ~~program~~ addiction services provider or properly credentialed professional has filed the written assessment of the offender with the court.

(5) If an offender alleges that, at the time of committing the criminal offense with which the offender is charged, the offender had a mental illness or was a person with intellectual disability and that the mental illness or status as a person with intellectual disability was a factor leading to that offense, the offender has been assessed by a psychiatrist, psychologist, independent social worker, or professional clinical counselor for the purpose of determining the offender's eligibility for intervention in lieu of conviction and recommending an appropriate intervention plan.

(6) The offender's drug usage, alcohol usage, mental illness, or intellectual disability, whichever is applicable, was a factor leading to the criminal offense with which the offender is charged, intervention in lieu of conviction would not demean the seriousness of the offense, and intervention would substantially reduce the likelihood of any future criminal activity.

(7) The alleged victim of the offense was not sixty-five years of age or older, permanently and totally disabled, under thirteen years of age, or a peace officer engaged in the officer's

official duties at the time of the alleged offense. 45398

(8) If the offender is charged with a violation of section 45399
2925.24 of the Revised Code, the alleged violation did not result 45400
in physical harm to any person, and the offender previously has 45401
not been treated for drug abuse. 45402

(9) The offender is willing to comply with all terms and 45403
conditions imposed by the court pursuant to division (D) of this 45404
section. 45405

(10) The offender is not charged with an offense that would 45406
result in the offender being disqualified under Chapter 4506. of 45407
the Revised Code from operating a commercial motor vehicle or 45408
would subject the offender to any other sanction under that 45409
chapter. 45410

(C) At the conclusion of a hearing held pursuant to division 45411
(A) of this section, the court shall enter its determination as to 45412
whether the offender is eligible for intervention in lieu of 45413
conviction and as to whether to grant the offender's request. If 45414
the court finds under division (B) of this section that the 45415
offender is eligible for intervention in lieu of conviction and 45416
grants the offender's request, the court shall accept the 45417
offender's plea of guilty and waiver of the defendant's right to a 45418
speedy trial, the preliminary hearing, the time period within 45419
which the grand jury may consider an indictment against the 45420
offender, and arraignment, unless the hearing, indictment, or 45421
arraignment has already occurred. In addition, the court then may 45422
stay all criminal proceedings and order the offender to comply 45423
with all terms and conditions imposed by the court pursuant to 45424
division (D) of this section. If the court finds that the offender 45425
is not eligible or does not grant the offender's request, the 45426
criminal proceedings against the offender shall proceed as if the 45427
offender's request for intervention in lieu of conviction had not 45428
been made. 45429

(D) If the court grants an offender's request for 45430
intervention in lieu of conviction, the court shall place the 45431
offender under the general control and supervision of the county 45432
probation department, the adult parole authority, or another 45433
appropriate local probation or court services agency, if one 45434
exists, as if the offender was subject to a community control 45435
sanction imposed under section 2929.15, 2929.18, or 2929.25 of the 45436
Revised Code. The court shall establish an intervention plan for 45437
the offender. The terms and conditions of the intervention plan 45438
shall require the offender, for at least one year from the date on 45439
which the court grants the order of intervention in lieu of 45440
conviction, to abstain from the use of illegal drugs and alcohol, 45441
to participate in treatment and recovery support services, and to 45442
submit to regular random testing for drug and alcohol use and may 45443
include any other treatment terms and conditions, or terms and 45444
conditions similar to community control sanctions, which may 45445
include community service or restitution, that are ordered by the 45446
court. 45447

(E) If the court grants an offender's request for 45448
intervention in lieu of conviction and the court finds that the 45449
offender has successfully completed the intervention plan for the 45450
offender, including the requirement that the offender abstain from 45451
using illegal drugs and alcohol for a period of at least one year 45452
from the date on which the court granted the order of intervention 45453
in lieu of conviction, the requirement that the offender 45454
participate in treatment and recovery support services, and all 45455
other terms and conditions ordered by the court, the court shall 45456
dismiss the proceedings against the offender. Successful 45457
completion of the intervention plan and period of abstinence under 45458
this section shall be without adjudication of guilt and is not a 45459
criminal conviction for purposes of any disqualification or 45460
disability imposed by law and upon conviction of a crime, and the 45461
court may order the sealing of records related to the offense in 45462

question in the manner provided in sections 2953.31 to 2953.36 of 45463
the Revised Code. 45464

(F) If the court grants an offender's request for 45465
intervention in lieu of conviction and the offender fails to 45466
comply with any term or condition imposed as part of the 45467
intervention plan for the offender, the supervising authority for 45468
the offender promptly shall advise the court of this failure, and 45469
the court shall hold a hearing to determine whether the offender 45470
failed to comply with any term or condition imposed as part of the 45471
plan. If the court determines that the offender has failed to 45472
comply with any of those terms and conditions, it shall enter a 45473
finding of guilty and shall impose an appropriate sanction under 45474
Chapter 2929. of the Revised Code. If the court sentences the 45475
offender to a prison term, the court, after consulting with the 45476
department of rehabilitation and correction regarding the 45477
availability of services, may order continued court-supervised 45478
activity and treatment of the offender during the prison term and, 45479
upon consideration of reports received from the department 45480
concerning the offender's progress in the program of activity and 45481
treatment, may consider judicial release under section 2929.20 of 45482
the Revised Code. 45483

(G) As used in this section: 45484

(1) "Community control sanction" has the same meaning as in 45485
section 2929.01 of the Revised Code. 45486

(2) "Intervention in lieu of conviction" means any 45487
court-supervised activity that complies with this section. 45488

(3) "Peace officer" has the same meaning as in section 45489
2935.01 of the Revised Code. 45490

(4) "Mental illness" and "psychiatrist" have the same 45491
meanings as in section 5122.01 of the Revised Code. 45492

(5) "Person with intellectual disability" means a person 45493

having significantly subaverage general intellectual functioning 45494
existing concurrently with deficiencies in adaptive behavior, 45495
manifested during the developmental period. 45496

(6) "Psychologist" has the same meaning as in section 4732.01 45497
of the Revised Code. 45498

(H) Whenever the term "mentally retarded person" is used in 45499
any statute, rule, contract, grant, or other document, the 45500
reference shall be deemed to include a "person with intellectual 45501
disability," as defined in this section. 45502

Sec. 2953.32. (A)(1) Except as provided in section 2953.61 of 45503
the Revised Code, an eligible offender may apply to the sentencing 45504
court if convicted in this state, or to a court of common pleas if 45505
convicted in another state or in a federal court, for the sealing 45506
of the conviction record. Application may be made at the 45507
expiration of three years after the offender's final discharge if 45508
convicted of a felony, or at the expiration of one year after the 45509
offender's final discharge if convicted of a misdemeanor. 45510

(2) Any person who has been arrested for any misdemeanor 45511
offense and who has effected a bail forfeiture may apply to the 45512
court in which the misdemeanor criminal case was pending when bail 45513
was forfeited for the sealing of the record of the case. Except as 45514
provided in section 2953.61 of the Revised Code, the application 45515
may be filed at any time after the expiration of one year from the 45516
date on which the bail forfeiture was entered upon the minutes of 45517
the court or the journal, whichever entry occurs first. 45518
45519

(B) Upon the filing of an application under this section, the 45520
court shall set a date for a hearing and shall notify the 45521
prosecutor for the case of the hearing on the application. The 45522
prosecutor may object to the granting of the application by filing 45523
an objection with the court prior to the date set for the hearing. 45524

The prosecutor shall specify in the objection the reasons for believing a denial of the application is justified. The court shall direct its regular probation officer, a state probation officer, or the department of probation of the county in which the applicant resides to make inquiries and written reports as the court requires concerning the applicant. If the applicant was convicted of or pleaded guilty to a violation of division (A)(2) or (B) of section 2919.21 of the Revised Code, the probation officer or county department of probation that the court directed to make inquiries concerning the applicant shall contact the child support enforcement agency enforcing the applicant's obligations under the child support order to inquire about the offender's compliance with the child support order.

(C)(1) The court shall do each of the following:

(a) Determine whether the applicant is an eligible offender or whether the forfeiture of bail was agreed to by the applicant and the prosecutor in the case. If the applicant applies as an eligible offender pursuant to division (A)(1) of this section and has two or three convictions that result from the same indictment, information, or complaint, from the same plea of guilty, or from the same official proceeding, and result from related criminal acts that were committed within a three-month period but do not result from the same act or from offenses committed at the same time, in making its determination under this division, the court initially shall determine whether it is not in the public interest for the two or three convictions to be counted as one conviction. If the court determines that it is not in the public interest for the two or three convictions to be counted as one conviction, the court shall determine that the applicant is not an eligible offender; if the court does not make that determination, the court shall determine that the offender is an eligible offender.

(b) Determine whether criminal proceedings are pending

against the applicant; 45557

(c) If the applicant is an eligible offender who applies 45558
pursuant to division (A)(1) of this section, determine whether the 45559
applicant has been rehabilitated to the satisfaction of the court; 45560

(d) If the prosecutor has filed an objection in accordance 45561
with division (B) of this section, consider the reasons against 45562
granting the application specified by the prosecutor in the 45563
objection; 45564

(e) Weigh the interests of the applicant in having the 45565
records pertaining to the applicant's conviction sealed against 45566
the legitimate needs, if any, of the government to maintain those 45567
records. 45568

(2) If the court determines, after complying with division 45569
(C)(1) of this section, that the applicant is an eligible offender 45570
or the subject of a bail forfeiture, that no criminal proceeding 45571
is pending against the applicant, and that the interests of the 45572
applicant in having the records pertaining to the applicant's 45573
conviction or bail forfeiture sealed are not outweighed by any 45574
legitimate governmental needs to maintain those records, and that 45575
the rehabilitation of an applicant who is an eligible offender 45576
applying pursuant to division (A)(1) of this section has been 45577
attained to the satisfaction of the court, the court, except as 45578
provided in divisions (G) and (H) of this section, shall order all 45579
official records pertaining to the case sealed and, except as 45580
provided in division (F) of this section, all index references to 45581
the case deleted and, in the case of bail forfeitures, shall 45582
dismiss the charges in the case. The proceedings in the case shall 45583
be considered not to have occurred and the conviction or bail 45584
forfeiture of the person who is the subject of the proceedings 45585
shall be sealed, except that upon conviction of a subsequent 45586
offense, the sealed record of prior conviction or bail forfeiture 45587
may be considered by the court in determining the sentence or 45588

other appropriate disposition, including the relief provided for 45589
in sections 2953.31 to 2953.33 of the Revised Code. 45590

(3) Upon the filing of an application under this section, the 45591
applicant, unless indigent, shall pay a fee of fifty dollars. The 45592
court shall pay thirty dollars of the fee into the state treasury. 45593
It shall pay twenty dollars of the fee into the county general 45594
revenue fund if the sealed conviction or bail forfeiture was 45595
pursuant to a state statute, or into the general revenue fund of 45596
the municipal corporation involved if the sealed conviction or 45597
bail forfeiture was pursuant to a municipal ordinance. 45598

(D) Inspection of the sealed records included in the order 45599
may be made only by the following persons or for the following 45600
purposes: 45601

(1) By a law enforcement officer or prosecutor, or the 45602
assistants of either, to determine whether the nature and 45603
character of the offense with which a person is to be charged 45604
would be affected by virtue of the person's previously having been 45605
convicted of a crime; 45606

(2) By the parole or probation officer of the person who is 45607
the subject of the records, for the exclusive use of the officer 45608

control sanction or a post-release control sanction, and in making 45610

parole authority; 45612

(3) Upon application by the person who is the subject of the 45613

(6) By any law enforcement agency or any authorized employee 45622

(8) By the bureau of criminal identification and 45630

purpose of providing information to a board or person pursuant to 45632
division (F) or (G) of section 109.57 of the Revised Code; 45633

(9) By the bureau of criminal identification and 45634
investigation or any authorized employee of the bureau for the 45635
purpose of performing a criminal history records check on a person 45636
to whom a certificate as prescribed in section 109.77 of the 45637
Revised Code is to be awarded; 45638

(10) By the bureau of criminal identification and 45639
investigation or any authorized employee of the bureau for the 45640
purpose of conducting a criminal records check of an individual 45641
pursuant to division (B) of section 109.572 of the Revised Code 45642
that was requested pursuant to any of the sections identified in 45643
division (B)(1) of that section; 45644

(11) By the bureau of criminal identification and 45645
investigation, an authorized employee of the bureau, a sheriff, or 45646
an authorized employee of a sheriff in connection with a criminal 45647

(12) By the attorney general or an authorized employee of the 45649
attorney general or a court for purposes of determining a person's 45650

classification pursuant to Chapter 2950. of the Revised Code; 45651

(13) By a prosecuting attorney or the attorney general, or 45652
the assistants of either, for purposes of defending or 45653
participating in a civil action brought pursuant to division 45654
(B)(1) of section 2743.48 of the Revised Code. 45655

When the nature and character of the offense with which a 45656
person is to be charged would be affected by the information, it 45657
may be used for the purpose of charging the person with an 45658
offense. 45659

(E) In any criminal proceeding, proof of any otherwise 45660
admissible prior conviction may be introduced and proved, 45661
notwithstanding the fact that for any such prior conviction an 45662
order of sealing previously was issued pursuant to sections 45663
2953.31 to 2953.36 of the Revised Code. 45664

(F) The person or governmental agency, office, or department 45665
that maintains sealed records pertaining to convictions or bail 45666
forfeitures that have been sealed pursuant to this section may 45667
maintain a manual or computerized index to the sealed records. The 45668
index shall contain only the name of, and alphanumeric identifiers 45669
that relate to, the persons who are the subject of the sealed 45670
records, the word "sealed," and the name of the person, agency, 45671
office, or department that has custody of the sealed records, and 45672
shall not contain the name of the crime committed. The index shall 45673
be made available by the person who has custody of the sealed 45674
records only for the purposes set forth in divisions (C), (D), and 45675
(E) of this section. 45676

(G) Notwithstanding any provision of this section or section 45677
2953.33 of the Revised Code that requires otherwise, a board of 45678

school district that maintains records of an individual who has 45680
been permanently excluded under sections 3301.121 and 3313.662 of 45681

the Revised Code is permitted to maintain records regarding a 45682
conviction that was used as the basis for the individual's 45683
permanent exclusion, regardless of a court order to seal the 45684
record. An order issued under this section to seal the record of a 45685
conviction does not revoke the adjudication order of the 45686
superintendent of public instruction to permanently exclude the 45687
individual who is the subject of the sealing order. An order 45688
issued under this section to seal the record of a conviction of an 45689
individual may be presented to a district superintendent as 45690
evidence to support the contention that the superintendent should 45691
recommend that the permanent exclusion of the individual who is 45692
the subject of the sealing order be revoked. Except as otherwise 45693
authorized by this division and sections 3301.121 and 3313.662 of 45694
the Revised Code, any school employee in possession of or having 45695
access to the sealed conviction records of an individual that were 45696
the basis of a permanent exclusion of the individual is subject to 45697
section 2953.35 of the Revised Code. 45698

(H) For purposes of sections 2953.31 to 2953.36 of the 45699
Revised Code, DNA records collected in the DNA database and 45700
fingerprints filed for record by the superintendent of the bureau 45701
of criminal identification and investigation shall not be sealed 45702
unless the superintendent receives a certified copy of a final 45703
court order establishing that the offender's conviction has been 45704
overturned. For purposes of this section, a court order is not 45705
"final" if time remains for an appeal or application for 45706
discretionary review with respect to the order. 45707

Sec. 2967.22. Whenever it is brought to the attention of the 45708
adult parole authority or a department of probation that a 45709
parolee, person under a community control sanction, person under 45710
transitional control, or releasee appears to be a mentally ill 45711
person subject to hospitalization by court order, as defined in 45712
section 5122.01 of the Revised Code, or a mentally retarded person 45713

subject to institutionalization by court order, as defined in 45714
section 5123.01 of the Revised Code, the parole or probation 45715
officer, subject to the approval of the chief of the adult parole 45716
authority, the designee of the chief of the adult parole 45717
authority, or the chief probation officer, may file an affidavit 45718
under section 5122.11 or 5123.71 of the Revised Code. A parolee, 45719
person under a community control sanction, or releasee who is 45720
involuntarily detained under Chapter 5122. or 5123. of the Revised 45721
Code shall receive credit against the period of parole or 45722
community control or the term of post-release control for the 45723
period of involuntary detention. 45724

If a parolee, person under a community control sanction, 45725
person under transitional control, or releasee escapes from an 45726
institution or facility within the department of ~~mental health~~ 45727
mental health and addiction services or the department of 45728
developmental disabilities, the superintendent of the institution 45729
immediately shall notify the chief of the adult parole authority 45730
or the chief probation officer. Notwithstanding the provisions of 45731
section 5122.26 of the Revised Code, the procedure for the 45732
apprehension, detention, and return of the parolee, person under a 45733
community control sanction, person under transitional control, or 45734
releasee is the same as that provided for the apprehension, 45735
detention, and return of persons who escape from institutions 45736
operated by the department of rehabilitation and correction. If 45737
the escaped parolee, person under transitional control, or 45738
releasee is not apprehended and returned to the custody of the 45739
department of ~~mental health~~ mental health and addiction services 45740
or the department of developmental disabilities within ninety days 45741
after the escape, the parolee, person under transitional control, 45742
or releasee shall be discharged from the custody of the department 45743
of ~~mental health~~ mental health and addiction services or the 45744
department of developmental disabilities and returned to the 45745

custody of the department of rehabilitation and correction. If the
escaped person under a community control sanction is not
apprehended and returned to the custody of the department of
~~mental health~~ mental health and addiction services or the
department of developmental disabilities within ninety days after
the escape, the person under a community control sanction shall be
discharged from the custody of the department of ~~mental health~~
mental health and addiction services or the department of
developmental disabilities and returned to the custody of the
court that sentenced that person.

scientific purposes under applicable federal law. 45846

the court considers proper. 45912

(C) Except as provided in divisions (A) and (F) of this 45913

general revenue fund of the state, or the general fund of the 45917
county, the township, or the municipal corporation of which the 45918
law enforcement agency involved is an agency. 45919

(D) If the property was in the possession of the law 45920
enforcement agency in relation to a delinquent child proceeding in 45921
a juvenile court, ten per cent of any moneys acquired from the 45922
sale of property disposed of under this section shall be applied 45923
to one or more ~~alcohol and drug~~ community addiction treatment 45924
~~programs~~ services providers that are certified by the department 45925

juvenile court shall not specify a ~~program~~ services provider, 45928
except as provided in this division, unless the ~~program~~ services
provider is in the same county as the court or in a contiguous 45930
county. If no certified ~~program~~ services provider is located in 45931

any of those counties, the juvenile court may specify a certified 45932
~~program services provider~~ anywhere in Ohio. The remaining ninety 45933
per cent of the proceeds or cash shall be applied as provided in 45934
division (C) of this section. 45935

calendar year forfeited money under this division shall file an 45937
annual report for that year with the attorney general and with the 45938
court of common pleas and board of county commissioners of the 45939

any other county from which the ~~program~~ services provider received 45941
forfeited money. The ~~program~~ services provider shall file the 45942
report on or before the first day of March in the calendar year 45943
following the calendar year in which the ~~program~~ services provider 45944
received the money. The report shall include statistics on the 45945
number of persons the ~~program~~ services provider served, identify 45946
the types of treatment services it provided to them, and include a 45947
specific accounting of the purposes for which it used the money so 45948
received. No information contained in the report shall identify, 45949
or enable a person to determine the identity of, any person served 45950
by the ~~program~~ services provider. 45951

(E) Each certified ~~alcohol and drug~~ community addiction 45952
~~treatment program~~ services provider that receives in any calendar 45953
year money under this section or under section 2981.13 of the 45954
Revised Code as the result of a juvenile forfeiture order shall 45955
file an annual report for that calendar year with the attorney 45956
general and with the court of common pleas and board of county 45957
commissioners of the county in which the ~~program~~ services provider 45958
is located and of any other county from which the ~~program~~ services 45959
provider received the money. The ~~program~~ services provider shall 45960
file the report on or before the first day of March in the 45961
calendar year following the year in which the ~~program~~ services 45962
provider received the money. The report shall include statistics 45963

on the number of persons served with the money, identify the types 45964
of treatment services provided, and specifically account for how 45965
the money was used. No information in the report shall identify or 45966
enable a person to determine the identity of anyone served by the 45967
program services provider. 45968

As used in this division, "juvenile-related forfeiture order" 45969
means any forfeiture order issued by a juvenile court under 45970
section 2981.04 or 2981.05 of the Revised Code and any disposal of 45971
property ordered by a court under section 2981.11 of the Revised 45972
Code regarding property that was in the possession of a law 45973
enforcement agency in relation to a delinquent child proceeding in 45974
a juvenile court. 45975

(F) Each board of county commissioners that recognizes a 45976
citizens' reward program under section 9.92 of the Revised Code 45977
shall notify each law enforcement agency of that county and of a 45978
township or municipal corporation wholly located in that county of 45979
the recognition by filing a copy of its resolution conferring that 45980
recognition with each of those agencies. When the board recognizes 45981
a citizens' reward program and the county includes a part, but not 45982
all, of the territory of a municipal corporation, the board shall 45983
so notify the law enforcement agency of that municipal corporation 45984

county contains the highest percentage of the municipal 45986
corporation's population. 45987

Upon being so notified, each law enforcement agency shall pay 45988
twenty-five per cent of any forfeited proceeds or cash derived 45989
from each sale of property disposed of pursuant to this section to 45990
the citizens' reward program for use exclusively to pay rewards. 45991
No part of the funds may be used to pay expenses associated with 45992
the program. If a citizens' reward program that operates in more 45993
than one county or in another state in addition to this state 45994
receives funds under this section, the funds shall be used to pay 45995

rewards only for tips and information to law enforcement agencies 45996
concerning offenses committed in the county from which the funds 45997
were received. 45998

Receiving funds under this section or section 2981.11 of the 45999
Revised Code does not make the citizens' reward program a 46000
governmental unit or public office for purposes of section 149.43 46001
of the Revised Code. 46002

(G) Any property forfeited under this chapter shall not be 46003
used to pay any fine imposed upon a person who is convicted of or 46004
pleads guilty to an underlying criminal offense or a different 46005
offense arising out of the same facts and circumstances. 46006

(H) Any moneys acquired from the sale of personal effects, 46007
tools, or other property seized because the personal effects, 46008
tools, or other property were used in the commission of a 46009
violation of section 2905.32, 2907.21, or 2907.22 of the Revised 46010
Code or derived from the proceeds of the commission of a violation 46011
of section 2905.32, 2907.21, or 2907.22 of the Revised Code and 46012

annually report the number of students who have not taken one or 47247
more of the assessments required by this section to the state 47248
board of education not later than the thirtieth day of June. 47249

(3) As used in this division, "limited English proficient 47250
student" has the same meaning as in 20 U.S.C. 7801. 47251

No school district board shall excuse any limited English 47252
proficient student from taking any particular assessment required 47253
to be administered under this section, except that any limited 47254
English proficient student who has been enrolled in United States 47255
schools for less than one full school year shall not be required 47256
to take any reading, writing, or English language arts assessment. 47257
However, no board shall prohibit a limited English proficient 47258
student who is not required to take an assessment under this 47259

division from taking the assessment. A board may permit any 47260
limited English proficient student to take an assessment required 47261
to be administered under this section with appropriate 47262
accommodations, as determined by the department. For each limited 47263
English proficient student, each school district shall annually 47264
assess that student's progress in learning English, in accordance 47265
with procedures approved by the department. 47266

The governing authority of a chartered nonpublic school may 47267
excuse a limited English proficient student from taking any 47268
assessment administered under this section. However, no governing 47269
authority shall prohibit a limited English proficient student from 47270
taking the assessment. 47271

(D)(1) In the school year next succeeding the school year in 47272
which the assessments prescribed by division (A)(1) or (B)(1) of 47273
section 3301.0710 of the Revised Code or former division (A)(1), 47274
(A)(2), or (B) of section 3301.0710 of the Revised Code as it 47275
existed prior to September 11, 2001, are administered to any 47276
student, the board of education of any school district in which 47277
the student is enrolled in that year shall provide to the student 47278
intervention services commensurate with the student's performance, 47279
including any intensive intervention required under section 47280
3313.608 of the Revised Code, in any skill in which the student 47281
failed to demonstrate at least a score at the proficient level on 47282
the assessment. 47283

(2) Following any administration of the assessments 47284
prescribed by division (D) of section 3301.0710 of the Revised 47285
Code to ninth grade students, each school district that has a 47286
three-year average graduation rate of not more than seventy-five 47287
per cent shall determine for each high school in the district 47288
whether the school shall be required to provide intervention 47289
services to any students who took the assessments. In determining 47290
which high schools shall provide intervention services based on 47291

the resources available, the district shall consider each school's 47292
graduation rate and scores on the practice assessments. The 47293
district also shall consider the scores received by ninth grade 47294
students on the English language arts and mathematics assessments 47295
prescribed under division (A)(1)(f) of section 3301.0710 of the 47296
Revised Code in the eighth grade in determining which high schools 47297
shall provide intervention services. 47298

Each high school selected to provide intervention services 47299
under this division shall provide intervention services to any 47300
student whose results indicate that the student is failing to make 47301
satisfactory progress toward being able to attain scores at the 47302
proficient level on the Ohio graduation tests. Intervention 47303
services shall be provided in any skill in which a student 47304
demonstrates unsatisfactory progress and shall be commensurate 47305
with the student's performance. Schools shall provide the 47306
intervention services prior to the end of the school year, during 47307
the summer following the ninth grade, in the next succeeding 47308
school year, or at any combination of those times. 47309

(E) Except as provided in section 3313.608 of the Revised 47310
Code and division (M) of this section, no school district board of 47311
education shall utilize any student's failure to attain a 47312
specified score on an assessment administered under this section 47313
as a factor in any decision to deny the student promotion to a 47314
higher grade level. However, a district board may choose not to 47315
promote to the next grade level any student who does not take an 47316
assessment administered under this section or make up an 47317
assessment as provided by division (C)(2) of this section and who 47318
is not exempt from the requirement to take the assessment under 47319
division (C)(3) of this section. 47320

(F) No person shall be charged a fee for taking any 47321
assessment administered under this section. 47322

(G)(1) Each school district board shall designate one 47323

location for the collection of assessments administered in the 47324
spring under division (B)(1) of this section and those 47325
administered under divisions (B)(2) to (7) of this section. Each 47326
district board shall submit the assessments to the entity with 47327
which the department contracts for the scoring of the assessments 47328
as follows: 47329

(a) If the district's total enrollment in grades kindergarten 47330
through twelve during the first full school week of October was 47331
less than two thousand five hundred, not later than the Friday 47332
after all of the assessments have been administered; 47333

(b) If the district's total enrollment in grades kindergarten 47334
through twelve during the first full school week of October was 47335
two thousand five hundred or more, but less than seven thousand, 47336
not later than the Monday after all of the assessments have been 47337
administered; 47338

(c) If the district's total enrollment in grades kindergarten 47339
through twelve during the first full school week of October was 47340
seven thousand or more, not later than the Tuesday after all of 47341
the assessments have been administered. 47342

However, any assessment that a student takes during the 47343
make-up period described in division (C)(2) of this section shall 47344
be submitted not later than the Friday following the day the 47345
student takes the assessment. 47346

(2) The department or an entity with which the department 47347
contracts for the scoring of the assessment shall send to each 47348
school district board a list of the individual scores of all 47349
persons taking an assessment prescribed by division (A)(1) or 47350
(B)(1) of section 3301.0710 of the Revised Code within sixty days 47351
after its administration, but in no case shall the scores be 47352
returned later than the fifteenth day of June following the 47353
administration. For assessments administered under this section by 47354

a joint vocational school district, the department or entity shall 47355
also send to each city, local, or exempted village school district 47356
a list of the individual scores of any students of such city, 47357
local, or exempted village school district who are attending 47358
school in the joint vocational school district. 47359

(H) Individual scores on any assessments administered under 47360
this section shall be released by a district board only in 47361
accordance with section 3319.321 of the Revised Code and the rules 47362
adopted under division (A) of this section. No district board or 47363
its employees shall utilize individual or aggregate results in any 47364
manner that conflicts with rules for the ethical use of 47365
assessments adopted pursuant to division (A) of this section. 47366

(I) Except as provided in division (G) of this section, the 47367
department or an entity with which the department contracts for 47368
the scoring of the assessment shall not release any individual 47369
scores on any assessment administered under this section. The 47370
state board of education shall adopt rules to ensure the 47371
protection of student confidentiality at all times. The rules may 47372
require the use of the data verification codes assigned to 47373
students pursuant to division (D)(2) of section 3301.0714 of the 47374
Revised Code to protect the confidentiality of student scores. 47375

(J) Notwithstanding division (D) of section 3311.52 of the 47376
Revised Code, this section does not apply to the board of 47377
education of any cooperative education school district except as 47378
provided under rules adopted pursuant to this division. 47379

(1) In accordance with rules that the state board of 47380
education shall adopt, the board of education of any city, 47381
exempted village, or local school district with territory in a 47382
cooperative education school district established pursuant to 47383
divisions (A) to (C) of section 3311.52 of the Revised Code may 47384
enter into an agreement with the board of education of the 47385
cooperative education school district for administering any 47386

assessment prescribed under this section to students of the city, 47387
exempted village, or local school district who are attending 47388
school in the cooperative education school district. 47389

(2) In accordance with rules that the state board of 47390
education shall adopt, the board of education of any city, 47391
exempted village, or local school district with territory in a 47392
cooperative education school district established pursuant to 47393
section 3311.521 of the Revised Code shall enter into an agreement 47394
with the cooperative district that provides for the administration 47395
of any assessment prescribed under this section to both of the 47396
following: 47397

(a) Students who are attending school in the cooperative 47398
district and who, if the cooperative district were not 47399

local, or exempted village school district pursuant to section 47401
3313.64 or 3313.65 of the Revised Code; 47402

(b) Persons described in division (B)(8)(b) of this section. 47403

Any assessment of students pursuant to such an agreement 47404
shall be in lieu of any assessment of such students or persons 47405

per cent of its total enrollment is made up of students who are 47410
participating in state scholarship programs shall administer the 47411
assessments prescribed by section 3301.0710 of the Revised Code. 47412

(b) If a chartered nonpublic school is not subject to 47413
division (K)(1)(a) of this section and is educating students in 47414
grades nine through twelve, it shall administer the assessments 47415
prescribed by divisions (B)(1) and (2) of section 3301.0710 of the 47416
Revised Code as a condition of compliance with section 3313.612 of 47417

the Revised Code. Any chartered nonpublic school that is not 47418
subject to division (K)(1)(a) of this section may participate in 47419
the assessment program by administering any of the assessments 47420
prescribed by division (A) of section 3301.0710 of the Revised 47421
Code. The chief administrator of the school shall specify which 47422
assessments the school will administer. Such specification shall 47423
be made in writing to the superintendent of public instruction 47424
prior to the first day of August of any school year in which 47425
assessments are administered and shall include a pledge that the 47426
nonpublic school will administer the specified assessments in the 47427
same manner as public schools are required to do under this 47428
section and rules adopted by the department. 47429

(2) The department of education shall furnish the assessments 47430

(L)(1) The superintendent of the state school for the blind 47435
and the superintendent of the state school for the deaf shall 47436
administer the assessments described by sections 3301.0710 and 47437
3301.0712 of the Revised Code. Each superintendent shall 47438
administer the assessments in the same manner as district boards 47439
are required to do under this section and rules adopted by the 47440
department of education and in conformity with division (C)(1)(a) 47441
of this section. 47442

(2) The department of education shall furnish the assessments 47443
described by sections 3301.0710 and 3301.0712 of the Revised Code 47444
to each superintendent. 47445

(M) Notwithstanding division (E) of this section, a school 47446
district may use a student's failure to attain a score in at least 47447
the proficient range on the mathematics assessment described by 47448
division (A)(1)(a) of section 3301.0710 of the Revised Code or on 47449

an assessment described by division (A)(1)(b), (c), (d), (e), or 47450

retaining that student in the current grade level. 47452

(N)(1) In the manner specified in divisions (N)(3) and (4) of 47453
this section, the assessments required by division (A)(1) of 47454
section 3301.0710 of the Revised Code shall become public records 47455
pursuant to section 149.43 of the Revised Code on the first day of 47456
July following the school year that the assessments were 47457

(2) The department may field test proposed questions with 47459
samples of students to determine the validity, reliability, or 47460
appropriateness of questions for possible inclusion in a future 47461
year's assessment. The department also may use anchor questions on 47462
assessments to ensure that different versions of the same 47463
assessment are of comparable difficulty. 47464

Field test questions and anchor questions shall not be 47465
considered in computing scores for individual students. Field test 47466
questions and anchor questions may be included as part of the 47467
administration of any assessment required by division (A)(1) or 47468
(B)(1) of section 3301.0710 of the Revised Code. 47469

(3) Any field test question or anchor question administered 47470
under division (N)(2) of this section shall not be a public 47471
record. Such field test questions and anchor questions shall be 47472
redacted from any assessments which are released as a public 47473
record pursuant to division (N)(1) of this section. 47474

(4) This division applies to the assessments prescribed by 47475
division (A) of section 3301.0710 of the Revised Code. 47476

record. 47479

(b) For subsequent administrations of each assessment prior 47480

to the 2011-2012 school year, not less than forty per cent of the 47481
questions on the assessment that are used to compute a student's 47482
score shall be a public record. The department shall determine 47483
which questions will be needed for reuse on a future assessment 47484
and those questions shall not be public records and shall be 47485
redacted from the assessment prior to its release as a public 47486
record. However, for each redacted question, the department shall 47487
inform each city, local, and exempted village school district of 47488
the statewide academic standard adopted by the state board of 47489
education under section 3301.079 of the Revised Code and the 47490
corresponding benchmark to which the question relates. The 47491
preceding sentence does not apply to field test questions that are 47492
redacted under division (N)(3) of this section. 47493

(c) The administrations of each assessment in the 2011-2012 47494

reasons other than dropout are subtracted from the calculation. If 47510
a student who was a dropout in any previous year returns to the 47511

same school district, that student shall be entered into the 47512

(ix) Any other action designed to correct the district's data 48017

made a good faith effort to report data as required by this 48041

district has not made a good faith effort to report data as 48044
required by this section, the district shall reimburse the 48045
department for the full cost of the audit. The department may 48046
withhold state funds due to the district for this purpose. 48047

report data as required by this section. The hearing shall be 48052
conducted by a referee appointed by the department. Based on the 48053
information provided in the hearing, the referee shall recommend 48054
whether the department should issue a revised report card for the 48055
district. If the referee affirms the department's contention that 48056
the district did not make a good faith effort to report data as 48057
required by this section, the district shall bear the full cost of 48058
conducting the hearing and of issuing any revised report card. 48059

(7) If the department determines that any inaccurate data 48060
reported under this section caused a school district to receive 48061
excess state funds in any fiscal year, the district shall 48062
reimburse the department an amount equal to the excess funds, in 48063
accordance with a payment schedule determined by the department. 48064
The department may withhold state funds due to the district for 48065
this purpose. 48066

(8) Any school district that has funds withheld under 48067
division (L)(2) of this section may appeal the withholding in 48068

a school district regarding the appropriateness of an action taken 48071
under division (L)(2) of this section, the burden of proof shall 48072

be on the district to demonstrate that it made a good faith effort 48073
to report data as required by this section. 48074

(10) The state board of education shall adopt rules under 48075
Chapter 119. of the Revised Code to implement division (L) of this 48076

department unless it converts to a student software package that 48081

found to have willfully reported erroneous, inaccurate, or 48087
incomplete data to the education management information system. 48088

(O) No person shall release or maintain any information about 48089
any student in violation of this section. Whoever violates this 48090
division is guilty of a misdemeanor of the fourth degree. 48091

(P) The department shall disaggregate the data collected 48092
under division (B)(1)(n) of this section according to the race and 48093
socioeconomic status of the students assessed. No data collected 48094

based upon the data collected under this section, the department 48099
shall develop a plan and a reasonable timeline for the collection 48100
of any data necessary to comply with that division. 48101

Sec. 3301.0715. (A) Except as otherwise required under 48102

division (B)(1) of section 3313.608 of the Revised Code, the board 48103

student previously attended in the current school year, within 48111
thirty days after the date of transfer. If the district or school 48112
into which the student transfers cannot determine whether the 48113
student has taken any applicable diagnostic assessment in the 48114
current school year, the district or school may administer the 48115
diagnostic assessment to the student. 48116

(2) ~~Each~~ (a) Prior to July 1, 2014, each kindergarten 48117

thirtieth day of September to fulfill the requirements of division 48124
(B) of section 3313.608 of the Revised Code. 48125

For the purpose of division (A)(2) of this section, the 48126

level. A district board may administer any diagnostic assessment 48137
in the fall and spring of a school year to measure the amount of 48138
academic growth attributable to the instruction received by 48139
students during that school year. 48140

(C) Any district that received an excellent or effective 48141
rating for the immediately preceding school year, pursuant to 48142
section 3302.03 of the Revised Code as it existed prior to ~~the~~ 48143
~~effective date of this amendment~~ March 22, 2013, or the equivalent 48144

section in accordance with rules established by the department. 48151
After the administration of any diagnostic assessment, each 48152
district shall provide a student's completed diagnostic 48153
assessment, the results of such assessment, and any other 48154
accompanying documents used during the administration of the 48155
assessment to the parent of that student, and shall include all 48156
such documents and information in any plan developed for the 48157
student under division (C) of section 3313.608 of the Revised 48158

shall provide that code to the department of education. 48181

(B) The director of a state agency that receives a child's 48182
data verification code under division (A) of this section shall 48183
use that code to submit information for that child to the 48184
department of education in accordance with section 3301.0714 of 48185
the Revised Code. 48186

(C) A public school that receives from the independent 48187
contractor the data verification code for a child assigned under 48188
division (A) of this section shall not request or assign to that 48189
child another data verification code under division (D)(2) of 48190
section 3301.0714 of the Revised Code. That school and any other 48191
public school in which the child subsequently enrolls shall use 48192
the data verification code assigned under division (A) of this 48193
section to report data relative to that student required under 48194
section 3301.0714 of the Revised Code. 48195

Sec. 3301.0725. A school district may employ certificated 48196
instructional personnel for ~~more days during a school year than~~ 48197

extended programming, subject to the provisions of section 48200
3319.0812 of the Revised Code. Extended programming, as defined by 48201
rule of the state board of education, shall be based upon learner 48202
needs and, if applicable, business and industry validated 48203
standards and competencies and shall enhance student learning 48204
opportunities. Extended programming shall be subject to the 48205
requirements of sections 3313.6018 and 3313.6019 of the Revised 48206
Code. 48207

No rule of the state board shall require extended programming 48208
employment of certificated instructional personnel as a condition 48209
of eligibility for funding under any other section of the Revised 48210
Code. 48211

Sec. 3301.15. The state board of education or its authorized 48212

except that no charter shall be granted to a nonpublic school 48227
unless the school complies with division (K)(1)(a) of section 48228
3301.0711, if applicable, and section 3313.612 of the Revised 48229
Code. 48230

district created under section 3311.26 or 3311.38 of the Revised 48232
Code, the state board shall require the party proposing creation 48233
of the district to submit to the board a map, certified by the 48234
county auditor of the county in which the proposed new district is 48235
located, showing the boundaries of the proposed new district. In 48236
the case of a proposed new district located in more than one 48237

section, the state board may dissolve the school district and 48253
transfer its territory to one or more adjacent districts. An 48254
equitable division of the funds, property, and indebtedness of the 48255
school district shall be made by the state board among the 48256

receiving districts. The board of education of a receiving 48257
district shall accept such territory pursuant to the order of the 48258
state board. Prior to dissolving the school district, the state 48259
board shall notify the appropriate educational service center 48260
governing board and all adjacent school district boards of 48261
education of its intention to do so. Boards so notified may make 48262
recommendations to the state board regarding the proposed 48263
dissolution and subsequent transfer of territory. Except as 48264
provided in section 3301.161 of the Revised Code, the transfer 48265

such a student's score is included in the performance index score 48305
and the student attains the proficient score on an assessment, 48306
that additional weight shall be assigned to the student on a 48307
subject-by-subject basis. 48308

"A."	48412

and assigned a letter grade, the department shall conduct a public 48455
presentation before the standing committees of the house of 48456
representatives and the senate that consider education legislation 48457
describing such methods, including performance benchmarks. 48458

(3) There shall not be an overall letter grade for a school 48459
district or building for the 2012-2013 school year. 48460

have scored below grade level on the diagnostic assessment 48511
administered to students in kindergarten under division (B)(1) of 48512
section 3313.608 of the Revised Code. 48513

(2) In addition to the graded measures in division (B)(1) of 48514
this section, the department shall include on a school district's 48515
or building's report card all of the following without an assigned 48516
letter grade: 48517

(a) The percentage of students enrolled in a district or 48518
building participating in advanced placement classes and the 48519
percentage of those students who received a score of three or 48520
better on advanced placement examinations; 48521

(b) The number of a district's or building's students who 48522
have earned at least three college credits through dual enrollment 48523
programs, such as the post-secondary enrollment options program 48524
under Chapter 3365. of the Revised Code and state-approved 48525
career-technical courses offered through dual enrollment or 48526
statewide articulation, that appear on a student's transcript or 48527
other official document, either of which is issued by the 48528
institution of higher education from which the student earned the 48529
college credit. The credits earned that are reported under 48530
divisions (B)(2)(b) and (C)(2)(c) of this section shall not 48531
include any that are remedial or developmental and shall include 48532
those that count toward the curriculum requirements established 48533
for completion of a degree. 48534

(c) The percentage of students enrolled in a district or 48535
building who have taken a national standardized test used for 48536

college admission determinations and the percentage of those 48537
students who are determined to be remediation-free in accordance 48538
with standards adopted under division (F) of section 3345.061 of 48539
the Revised Code; 48540

(d) The percentage of the district's or the building's 48541
students who receive industry credentials. The state board shall 48542
adopt criteria for acceptable industry credentials. 48543

(e) The percentage of students enrolled in a district or 48544
building who are participating in an international baccalaureate 48545
program and the percentage of those students who receive a score 48546
of four or better on the international baccalaureate examinations. 48547

(f) The percentage of the district's or building's students 48548
who receive an honors diploma under division (B) of section 48549
3313.61 of the Revised Code. 48550

(3) Not later than December 31, 2013, the state board shall 48551
adopt rules in accordance with Chapter 119. of the Revised Code 48552
that prescribe the methods by which the performance measures under 48553
divisions (B)(1)(f) and (B)(1)(g) of this section will be assessed 48554
and assigned a letter grade, including performance benchmarks for 48555
each grade. 48556

At least forty-five days prior to the state board's adoption 48557
of rules to prescribe the methods by which the performance 48558
measures under division (B)(1) of this section shall be assessed 48559
and assigned a letter grade, the department shall conduct a public 48560
presentation before the standing committees of the house of 48561
representatives and the senate that consider education legislation 48562
describing such methods, including performance benchmarks. 48563

(4) There shall not be an overall letter grade for a school 48564
district or building for the 2013-2014 school year. 48565

(C)(1) For the 2014-2015 school year and each school year 48566
thereafter, the department shall issue grades as described in 48567

division (E) of this section for each of the following performance 48568
measures and an overall letter grade based on an aggregate of 48569
those measures: 48570

(a) Annual measurable objectives; 48571

(b) Performance index score for a school district or 48572
building. Grades shall be awarded as a percentage of the total 48573
possible points on the performance index system as created by the 48574
department. In adopting benchmarks for assigning letter grades 48575
under division (C)(1)(b) of this section, the state board shall 48576
designate ninety per cent or higher for an "A," at least seventy 48577
per cent but not more than eighty per cent for a "C," and less 48578
than fifty per cent for an "F." 48579

(c) The extent to which the school district or building meets 48580
each of the applicable performance indicators established by the 48581
state board under section 3302.03 of the Revised Code and the 48582
percentage of applicable performance indicators that have been 48583
achieved. In adopting benchmarks for assigning letter grades under 48584
division (C)(1)(c) of this section, the state board shall 48585
designate ninety per cent or higher for an "A." 48586

(d) The four- and five-year adjusted cohort graduation rates; 48587

(e) The overall score under the value-added progress 48588
dimension, or another measure of student academic progress if 48589
adopted by the state board, of a school district or building, for 48590
which the department shall use up to three years of value-added 48591
data as available. 48592

In adopting benchmarks for assigning letter grades for 48593
overall score on value-added progress dimension under division 48594
(C)(1)(e) of this section, the state board shall prohibit the 48595
assigning of a grade of "A" for that measure unless the district's 48596
or building's grade assigned for value-added progress dimension 48597
for all subgroups under division (C)(1)(~~i~~)(f) of this section is a 48598

"B" or higher. 48599

For the metric prescribed by division (C)(1)(e) of this 48600
section, the state board may adopt a student academic progress 48601
measure to be used instead of the value-added progress dimension. 48602
If the state board adopts such a measure, it also shall prescribe 48603
a method for assigning letter grades for the new measure that is 48604
comparable to the method prescribed in division (A)(1)(e) of this 48605
section. 48606

(f) The value-added progress dimension score of a school 48607
district or building disaggregated for each of the following 48608
subgroups: students identified as gifted in superior cognitive 48609
ability and specific academic ability fields under Chapter 3324. 48610
of the Revised Code, students with disabilities, and students 48611
whose performance places them in the lowest quintile for 48612
achievement on a statewide basis, as determined by a method 48613
prescribed by the state board. Each subgroup shall be a separate 48614
graded measure. 48615

The state board may adopt student academic progress measures 48616
to be used instead of the value-added progress dimension. If the 48617
state board adopts such measures, it also shall prescribe a method 48618
for assigning letter grades for the new measures that is 48619
comparable to the method prescribed in division (A)(1)(e) of this 48620
section. 48621

(g) Whether a school district or building is making progress 48622
in improving literacy in grades kindergarten through three, as 48623
determined using a method prescribed by the state board. The state 48624
board shall adopt rules to prescribe benchmarks and standards for 48625
assigning grades to a district or building for purposes of 48626
division (C)(1)(~~jj~~)(g) of this section. The state board shall 48627
designate for a "C" grade a value that is not lower than the 48628
statewide average value for this measure. No grade shall be issued 48629
under division (C)(1)(g) of this section for a district or 48630

building in which less than five per cent of students have scored 48631
below grade level on the kindergarten diagnostic assessment under 48632
division (B)(1) of section 3313.608 of the Revised Code. 48633

(2) In addition to the graded measures in division (C)(1) of 48634
this section, the department shall include on a school district's 48635
or building's report card all of the following without an assigned 48636
letter grade: 48637

(a) The percentage of students enrolled in a district or 48638
building who have taken a national standardized test used for 48639
college admission determinations and the percentage of those 48640
students who are determined to be remediation-free in accordance 48641
with the standards adopted under division (F) of section 3345.061 48642
of the Revised Code; 48643

(b) The percentage of students enrolled in a district or 48644
building participating in advanced placement classes and the 48645
percentage of those students who received a score of three or 48646
better on advanced placement examinations; 48647

(c) The number of a district's or building's students who 48648
have earned at least three college credits through dual enrollment 48649
programs, such as the post-secondary enrollment options program 48650
under Chapter 3365. of the Revised Code and state-approved 48651
career-technical courses offered through dual enrollment or 48652
statewide articulation, that appear on a student's transcript or 48653
other official document, either of which is issued by the 48654
institution of higher education from which the student earned the 48655
college credit. The credits earned that are reported under 48656
divisions (B)(2)(b) and (C)(2)(c) of this section shall not 48657
include any that are remedial or developmental and shall include 48658
those that count toward the curriculum requirements established 48659
for completion of a degree. 48660

(d) The percentage of the district's or building's students 48661

who receive an honor's diploma under division (B) of section 48662
3313.61 of the Revised Code; 48663

(e) The percentage of the district's or building's students 48664
who receive industry credentials; 48665

(f) The percentage of students enrolled in a district or 48666
building who are participating in an international baccalaureate 48667
program and the percentage of those students who receive a score 48668
of four or better on the international baccalaureate examinations; 48669

(g) The results of the college and career-ready assessments 48670
administered under division (B)(1) of section 3301.0712 of the 48671
Revised Code. 48672

(3) The state board shall adopt rules pursuant to Chapter 48673
119. of the Revised Code that establish a method to assign an 48674
overall grade for a school district or school building for the 48675
2014-2015 school year and each school year thereafter. The rules 48676
shall group the performance measures in divisions (C)(1) and (2) 48677
of this section into the following components: 48678

(a) Gap closing, which shall include the performance measure 48679
in division (C)(1)(a) of this section; 48680

(b) Achievement, which shall include the performance measures 48681
in divisions (C)(1)(b) and (c) of this section; 48682

(c) Progress, which shall include the performance measures in 48683
divisions (C)(1)(e) and ~~(i)~~(f) of this section; 48684

(d) Graduation, which shall include the performance measure 48685
in division (C)(1)(d) of this section; 48686

(e) Kindergarten through third-grade literacy, which shall 48687
include the performance measure in division (C)(1)~~(h)~~(g) of this 48688
section; 48689

(f) Prepared for success, which shall include the performance 48690
measures in divisions (C)(2)(a), (b), (c), (d), (e), and (f) of 48691

this section. The state board shall develop a method to determine 48692
a grade for the component in division (C)(3)(f) of this section 48693
using the performance measures in divisions (C)(2)(a), (b), (c), 48694
(d), (e), and (f) of this section. When available, the state board 48695
may incorporate the performance measure under division (C)(2)(g) 48696
of this section into the component under division (C)(3)(f) of 48697
this section. When determining the overall grade for the prepared 48698
for success component prescribed by division (C)(3)(f) of this 48699
section, no individual student shall be counted in more than one 48700
performance measure. However, if a student qualifies for more than 48701
one performance measure in the component, the state board may, in 48702
its method to determine a grade for the component, specify an 48703
additional weight for such a student that is not greater than or 48704
equal to 1.0. In determining the overall score under division 48705
(C)(3)(f) of this section, the state board shall ensure that the 48706
pool of students included in the performance measures aggregated 48707
under that division are all of the students included in the four- 48708
and five-year adjusted graduation cohort. 48709

In the rules adopted under division (C)(3) of this section, 48710
the state board shall adopt a method for determining a grade for 48711
each component in divisions (C)(3)(a) to (f) of this section. The 48712
state board also shall establish a method to assign an overall 48713
grade of "A," "B," "C," "D," or "F" using the grades assigned for 48714
each component. The method the state board adopts for assigning an 48715
overall grade shall give equal weight to the components in 48716
divisions (C)(3)(b) and (c) of this section. 48717

At least forty-five days prior to the state board's adoption 48718
of rules to prescribe the methods for calculating the overall 48719
grade for the report card, as required by this division, the 48720
department shall conduct a public presentation before the standing 48721
committees of the house of representatives and the senate that 48722
consider education legislation describing the format for the 48723

report card, weights that will be assigned to the components of the overall grade, and the method for calculating the overall grade.

(D) Not later than July 1, 2015, the state board shall develop a measure of student academic progress for high school students. Beginning with the report card for the 2015-2016 school year, each school district and applicable school building shall be assigned a separate letter grade for this measure and the district's or building's grade for that measure shall be included in determining the district's or building's overall letter grade. This measure shall be included within the measure prescribed in division (C)~~(2)~~(3)(c) of this section in the calculation for the overall letter grade.

(E) The letter grades assigned to a school district or building under this section shall be as follows:

(1) "A" for a district or school making excellent progress;

(2) "B" for a district or school making above average progress;

(3) "C" for a district or school making average progress;

(4) "D" for a district or school making below average progress;

(5) "F" for a district or school failing to meet minimum progress.

(F) When reporting data on student achievement and progress, the department shall disaggregate that data according to the following categories:

(1) Performance of students by grade-level;

(2) Performance of students by race and ethnic group;

(3) Performance of students by gender;

(4) Performance of students grouped by those who have been enrolled in a district or school for three or more years;	48753 48754
(5) Performance of students grouped by those who have been enrolled in a district or school for more than one year and less than three years;	48755 48756 48757
(6) Performance of students grouped by those who have been enrolled in a district or school for one year or less;	48758 48759
(7) Performance of students grouped by those who are economically disadvantaged;	48760 48761
(8) Performance of students grouped by those who are enrolled in a conversion community school established under Chapter 3314. of the Revised Code;	48762 48763 48764
(9) Performance of students grouped by those who are classified as limited English proficient;	48765 48766
(10) Performance of students grouped by those who have disabilities;	48767 48768
(11) Performance of students grouped by those who are classified as migrants;	48769 48770
(12) Performance of students grouped by those who are identified as gifted in superior cognitive ability and the specific academic ability fields of reading and math pursuant to Chapter 3324. of the Revised Code. In disaggregating specific academic ability fields for gifted students, the department shall use data for those students with specific academic ability in math and reading. If any other academic field is assessed, the department shall also include data for students with specific academic ability in that field as well.	48771 48772 48773 48774 48775 48776 48777 48778 48779
(13) Performance of students grouped by those who perform in the lowest quintile for achievement on a statewide basis, as determined by a method prescribed by the state board.	48780 48781 48782

The department may disaggregate data on student performance 48783
according to other categories that the department determines are 48784
appropriate. To the extent possible, the department shall 48785
disaggregate data on student performance according to any 48786
combinations of two or more of the categories listed in divisions 48787
(F)(1) to (13) of this section that it deems relevant. 48788

In reporting data pursuant to division (F) of this section, 48789
the department shall not include in the report cards any data 48790
statistical in nature that is statistically unreliable or that 48791
could result in the identification of individual students. For 48792
this purpose, the department shall not report student performance 48793
data for any group identified in division (F) of this section that 48794
contains less than ten students. If the department does not report 48795
student performance data for a group because it contains less than 48796
ten students, the department shall indicate on the report card 48797
that is why data was not reported. 48798

(G) The department may include with the report cards any 48799
additional education and fiscal performance data it deems 48800
valuable. 48801

(H) The department shall include on each report card a list 48802
of additional information collected by the department that is 48803
available regarding the district or building for which the report 48804
card is issued. When available, such additional information shall 48805
include student mobility data disaggregated by race and 48806
socioeconomic status, college enrollment data, and the reports 48807
prepared under section 3302.031 of the Revised Code. 48808

The department shall maintain a site on the world wide web. 48809
The report card shall include the address of the site and shall 48810
specify that such additional information is available to the 48811
public at that site. The department shall also provide a copy of 48812
each item on the list to the superintendent of each school 48813
district. The district superintendent shall provide a copy of any 48814

item on the list to anyone who requests it. 48815

(I) Division (I) of this section does not apply to conversion 48816
community schools that primarily enroll students between sixteen 48817
and twenty-two years of age who dropped out of high school or are 48818
at risk of dropping out of high school due to poor attendance, 48819
disciplinary problems, or suspensions. 48820

(1) For any district that sponsors a conversion community 48821
school under Chapter 3314. of the Revised Code, the department 48822
shall combine data regarding the academic performance of students 48823
enrolled in the community school with comparable data from the 48824
schools of the district for the purpose of determining the 48825
performance of the district as a whole on the report card issued 48826
for the district under this section or section 3302.033 of the 48827
Revised Code. 48828

(2) Any district that leases a building to a community school 48829
located in the district or that enters into an agreement with a 48830
community school located in the district whereby the district and 48831
the school endorse each other's programs may elect to have data 48832
regarding the academic performance of students enrolled in the 48833
community school combined with comparable data from the schools of 48834
the district for the purpose of determining the performance of the 48835
district as a whole on the district report card. Any district that 48836
so elects shall annually file a copy of the lease or agreement 48837
with the department. 48838

(3) Any municipal school district, as defined in section 48839
3311.71 of the Revised Code, that sponsors a community school 48840
located within the district's territory, or that enters into an 48841
agreement with a community school located within the district's 48842
territory whereby the district and the community school endorse 48843
each other's programs, may exercise either or both of the 48844
following elections: 48845

(a) To have data regarding the academic performance of 48846
students enrolled in that community school combined with 48847
comparable data from the schools of the district for the purpose 48848
of determining the performance of the district as a whole on the 48849
district's report card; 48850

(b) To have the number of students attending that community 48851
school noted separately on the district's report card. 48852

The election authorized under division (I)(3)(a) of this 48853
section is subject to approval by the governing authority of the 48854
community school. 48855

Any municipal school district that exercises an election to 48856
combine or include data under division (I)(3) of this section, by 48857
the first day of October of each year, shall file with the 48858
department documentation indicating eligibility for that election, 48859
as required by the department. 48860

(J) The department shall include on each report card the 48861
percentage of teachers in the district or building who are highly 48862
qualified, as defined by the "No Child Left Behind Act of 2001," 48863
and a comparison of that percentage with the percentages of such 48864
teachers in similar districts and buildings. 48865

(K)(1) In calculating English language arts, mathematics, 48866
social studies, or science assessment passage rates used to 48867
determine school district or building performance under this 48868
section, the department shall include all students taking an 48869
assessment with accommodation or to whom an alternate assessment 48870
is administered pursuant to division (C)(1) or (3) of section 48871
3301.0711 of the Revised Code. 48872

(2) In calculating performance index scores, rates of 48873
achievement on the performance indicators established by the state 48874
board under section 3302.02 of the Revised Code, and annual 48875
measurable objectives for determining adequate yearly progress for 48876

school districts and buildings under this section, the department 48877
shall do all of the following: 48878

(a) Include for each district or building only those students 48879
who are included in the ADM certified for the first full school 48880
week of October and are continuously enrolled in the district or 48881
building through the time of the spring administration of any 48882
assessment prescribed by division (A)(1) or (B)(1) of section 48883
3301.0710 of the Revised Code that is administered to the 48884
student's grade level; 48885

(b) Include cumulative totals from both the fall and spring 48886
administrations of the third grade English language arts 48887
achievement assessment; 48888

(c) Except as required by the "No Child Left Behind Act of 48889
2001," exclude for each district or building any limited English 48890
proficient student who has been enrolled in United States schools 48891
for less than one full school year. 48892

(L) Beginning with the 2015-2016 school year and at least 48893
once every three years thereafter, the state board of education 48894
shall review and may adjust the benchmarks for assigning letter 48895
grades to the performance measures and components prescribed under 48896
divisions (C)(3) and (D) of this section. 48897

Sec. 3302.032. (A) Not later than December 31, 2011, the 48898
state board of education shall establish a measure of the 48899
following: 48900

(1) Student success in meeting the benchmarks contained in 48901
the physical education standards adopted under division (A)(3) of 48902
section 3301.079 of the Revised Code; 48903

(2) Compliance with the requirements for local wellness 48904
policies prescribed by section 204 of the "Child Nutrition and WIC 48905

(3) Whether a school district or building has elected to administer the screenings authorized by sections 3313.674, 3314.15, and 3326.26 of the Revised Code;

(4) Whether a school district or building is participating in the physical activity pilot program administered under section 3313.6016 of the Revised Code.

(B) The measure shall be included on the school district and building report cards issued under section 3302.03 of the Revised Code, beginning with the report cards issued for the 2012-2013 school year, but it shall not be a factor in the performance ratings issued under that section.

(C) The department of education may accept, receive, and expend gifts, devises, or bequests of money for the purpose of establishing the measure required by this section.

(D) The department shall not include a student enrolled in an internet- or computer-based community school, as defined in section 3314.02 of the Revised Code, or a child with a disability, as defined in section 3323.01 of the Revised Code, in any reports using the measures required under division (A) of this section.

Sec. 3302.035. (A) As used in this section, "internet- or computer-based community school" and "operator" have the same meanings as in section 3314.02 of the Revised Code.

(B) The department of education shall issue to each operator that manages, in whole or in part, more than one internet- or computer-based community school composite grades for the same measures prescribed for individual schools and school districts by section 3302.03 of the Revised Code based on the grades issued under that section for such schools managed by the operator.

(C) An internet- or computer-based community school managed by an operator described in division (B) of this section shall be

subject to sanctions under this chapter or permanent closure under 48937
section 3314.35 of the Revised Code based on the lower of the 48938
grade or grades issued to an individual school under section 48939
3302.03 of the Revised Code or the composite grade or grades 48940
issued to the school's operator under this section. 48941

(D) This section does not apply to a community school 48942
described in division (A)(4)(a) of section 3314.35 of the Revised 48943
Code. 48944

Sec. 3302.20. (A) The department of education shall develop 48945
standards for determining, from the existing data reported in 48946

50426

Sec. 3310.05. A scholarship under the educational choice scholarship pilot program is not available for any student whose resident district is a school district in which the pilot project scholarship program is operating under sections 3313.974 to 50427

and distinct, with differing eligibility criteria. The pilot 50432
project scholarship program operating under sections 3313.974 to 50433
3313.979 of the Revised Code is a district-wide program that may 50434
award scholarships to students who do not attend district schools 50435
that face academic challenges, whereas the educational choice 50436
scholarship pilot program established under sections 3310.01 to 50437
3310.17 of the Revised Code is limited to students of individual 50438
district school buildings that face academic challenges and to 50439
students from low-income families. 50440

Sec. 3310.06. It is the policy adopted by the general 50441
assembly that the educational choice scholarship pilot program 50442
shall be construed as one of several educational options available 50443
for students enrolled in persistently low-performing school 50444

Code, in the schools of another school district pursuant to an 50448
open enrollment policy adopted under section 3313.98 of the 50449
Revised Code, in a chartered nonpublic school with or without a 50450
scholarship under the educational choice scholarship pilot 50451

Sec. 3310.08. (A) The amount paid for an eligible student 50453
under the educational choice scholarship pilot program shall be 50454

section 3310.09 of the Revised Code. 50457

(B)(1) The department of education shall pay to the parent of 50458
each eligible student for whom a scholarship is awarded under the 50459

periodic partial payments of the scholarship. 50461

(2) The department shall proportionately reduce or terminate 50462
the payments for any student who withdraws from a chartered 50463
nonpublic school prior to the end of the school year. 50464

(C)(1) The department shall deduct from the payments made to 50465
each school district under Chapter 3317., and if necessary, 50466
sections 321.24 and 323.156 of the Revised Code, the amount paid 50467
under division (B) of this section for each eligible student 50468
awarded who qualifies for a scholarship under the program section 50469
3310.03 of the Revised Code and who is entitled under section 50470
3313.64 or 3313.65 of the Revised Code to attend school in the 50471
district. In the case of a student entitled to attend school in a 50472
school district under division (B)(2)(a) of section 3313.64 or 50473
division (C) of section 3313.65 of the Revised Code, the 50474
department shall deduct the payments from the school district that 50475
includes the student in its average daily membership as reported 50476
to the department under section 3317.03 of the Revised Code, as 50477
determined by the department. 50478

(2) If the department reduces or terminates payments to a 50479
parent or a student, as prescribed in division (B)(2) of this 50480
section, and the student enrolls in the schools of the student's 50481
resident district or in a community school, established under 50482
Chapter 3314. of the Revised Code, before the end of the school 50483
year, the department shall proportionally restore to the resident 50484
district the amount deducted for that student under division 50485
(C)(1) of this section. 50486

Sec. 3310.13. (A) No chartered nonpublic school shall charge 50487
any student whose family income is at or below two hundred per 50488
cent of the federal poverty guidelines, as defined in section 50489
5101.46 of the Revised Code, a tuition fee that is greater than 50490
the total amount paid for that student under section 3310.08 of 50491

the Revised Code. 50492

(B) A chartered nonpublic school may charge any other student 50493
who is paid a scholarship under that section the difference 50494

charge of the school. ~~Each chartered nonpublic school shall permit~~ 50496
~~such an eligible student's family, at the family's option, to~~ 50497
~~provide volunteer services in lieu of cash payment to pay all or~~ 50498
~~part of the amount of the school's tuition not covered by the~~ 50499
~~scholarship paid under section 3310.08 of the Revised Code.~~ 50500

that is subject to this section shall report to the department of 50510
education the results of each assessment administered to each 50511
scholarship student under this section. 50512

Nothing in this section requires a chartered nonpublic school 50513
to administer any achievement assessment, except for an Ohio 50514
graduation test prescribed by division (B)(1) of section 3301.0710 50515
of the Revised Code, as required by section 3313.612 of the 50516
Revised Code, to any student enrolled in the school who is not a 50517
scholarship student. 50518

Sec. 3310.522. In order to maintain eligibility for a 50519
scholarship under the program, a student shall take each 50520
assessment prescribed by sections 3301.0710 and 3301.0712 of the 50521

Revised Code, unless the student is excused from taking that 50522
assessment under federal law or the student's individualized 50523
education program. 50524

~~Notwithstanding division (K) of section 3301.0711 of the~~ 50525

section shall administer each assessment prescribed by sections 50529
3301.0710 and 3301.0712 of the Revised Code to that student, 50530
unless the student is excused from taking that assessment, and 50531
shall report to the department the results of each assessment so 50532
administered. 50533

Nothing in this section requires any chartered nonpublic 50534
school that is a registered private provider to administer any 50535
achievement assessment, except for an Ohio graduation test 50536
prescribed by division (B)(1) of section 3301.0710 of the Revised 50537
Code, as required by section 3313.612 of the Revised Code, to any 50538

amendment expire or as those offices are otherwise vacated prior 50762

districts adjoining the school district that is proposed to be 50848
transferred, unless the board of education of the district 50849
proposed to be transferred has entered into an agreement pursuant 50850
to section 3313.42 of the Revised Code, in which case such 50851
transfers may be made to any local school district within the 50852
territory of the educational service center. 50853

When a governing board of an educational service center 50854
adopts a resolution proposing a transfer of school territory it 50855
shall forthwith file a copy of such resolution, together with an 50856
accurate map of the territory described in the resolution, with 50857
the board of education of each school district whose boundaries 50858
would be altered by such proposal. A governing board of an 50859
educational service center proposing a transfer of territory under 50860
the provisions of this section shall at its next regular meeting 50861
that occurs not earlier than thirty days after the adoption by the 50862
governing board of a resolution proposing such transfer, adopt a 50863
resolution making the transfer effective at any time prior to the 50864
next succeeding first day of July, unless, prior to the expiration 50865
of such thirty-day period, qualified electors residing in the area 50866
proposed to be transferred, equal in number to a majority of the 50867

qualified electors voting at the last general election, file a 50868
petition of referendum against such transfer. 50869

Any petition of transfer or petition of referendum filed 50870
under the provisions of this section shall be filed at the office 50871
of the educational service center superintendent. The person 50872
presenting the petition shall be given a receipt containing 50873
thereon the time of day, the date, and the purpose of the 50874
petition. 50875

The educational service center superintendent shall cause the 50876
board of elections to check the sufficiency of signatures on any 50877
petition of transfer or petition of referendum filed under this 50878
section and, if found to be sufficient, the superintendent shall 50879
present the petition to the educational service center governing 50880
board at a meeting of the board which shall occur not later than 50881
thirty days following the filing of the petition. 50882

Upon presentation to the educational service center governing 50883
board of a proposal to transfer territory as requested by petition 50884
of fifty-five per cent of the qualified electors voting at the 50885
last general election or a petition of referendum against a 50886
proposal of the county board to transfer territory, the governing 50887
board shall promptly certify the proposal to the board of 50888
elections for the purpose of having the proposal placed on the 50889
ballot at the next general or primary election which occurs not 50890
less than ninety days after the date of such certification, or at 50891
a special election, the date of which shall be specified in the 50892
certification, which date shall not be less than ninety days after 50893
the date of such certification. Signatures on a petition of 50894
transfer or petition of referendum may be withdrawn up to and 50895
including the above mentioned meeting of the educational service 50896
center governing board only by order of the board upon testimony 50897
of the petitioner concerned under oath before the board that the 50898
petitioner's signature was obtained by fraud, duress, or 50899

misrepresentation. 50900

If a petition is filed with the educational service center 50901
governing board which proposes the transfer of a part or all of 50902
the territory included in a resolution of transfer previously 50903
adopted by the educational service center governing board, no 50904
action shall be taken on such petition if within the thirty-day 50905
period after the adoption of the resolution of transfer a 50906
referendum petition is filed. After the election, if the proposed 50907
transfer fails to receive a majority vote, action on such petition 50908
shall then be processed under this section as though originally 50909
filed under the provisions hereof. If no referendum petition is 50910
filed within the thirty-day period after the adoption of the 50911
resolution of transfer, no action shall be taken on such petition. 50912

If a petition is filed with the educational service center 50913
governing board which proposes the transfer of a part or all of 50914
the territory included in a petition previously filed by electors 50915
no action shall be taken on such new petition. 50916

Upon certification of a proposal to the board or boards of 50917
elections pursuant to this section, the board or boards of 50918
elections shall make the necessary arrangements for the submission 50919
of such question to the electors of the county or counties 50920
qualified to vote thereon, and the election shall be conducted and 50921
canvassed and the results shall be certified in the same manner as 50922
in regular elections for the election of members of a board of 50923
education. 50924

The persons qualified to vote upon a proposal are the 50925
electors residing in the district or districts containing 50926
territory that is proposed to be transferred. If the proposed 50927
transfer be approved by at least a majority of the electors voting 50928
on the proposal, the educational service center governing board 50929
shall make such transfer at any time prior to the next succeeding 50930
first day of July. If the proposed transfer is not approved by at 50931

least a majority of the electors voting on the proposal, the 50932
question of transferring any property included in the territory 50933
covered by the proposal shall not be submitted to electors at any 50934
election prior to the first general election the date of which is 50935
at least two years after the date of the original election, or the 50936
first primary election held in an even-numbered year the date of 50937
which is at least two years after the date of the original 50938
election. A transfer shall be subject to the approval of the 50939
receiving board or boards of education, unless the proposal was 50940
initiated by the educational service center governing board, in 50941
which case, if the transfer is opposed by the board of education 50942
offered the territory, the local board may, within thirty days, 50943
following the receipt of the notice of transfer, appeal to the 50944
state board of education which shall then either approve or 50945
disapprove the transfer. 50946

Following an election upon a proposed transfer initiated by a 50947
petition the board of education that is offered territory shall, 50948
within thirty days following receipt of the proposal, either 50949
accept or reject the transfer. 50950

When an entire school district is proposed to be transferred 50951
to two or more school districts and the offer is rejected by any 50952
one of the receiving boards of education, none of the territory 50953
included in the proposal shall be transferred. 50954

Upon the acceptance of territory by the receiving board or 50955
boards of education the educational service center governing board 50956
offering the territory shall file with the county auditor and with 50957
the state board of education an accurate map showing the 50958
boundaries of the territory transferred. 50959

Upon the making of such transfer, the net indebtedness of the 50960
former district from which territory was transferred shall be 50961
apportioned between the acquiring school district and that portion 50962
of the former school district remaining after the transfer in the 50963

ratio which the assessed valuation of the territory transferred to 50964
the acquiring school district bears to the assessed valuation of 50965
the original school district as of the effective date of the 50966
transfer. As used in this section "net indebtedness" means the 50967
difference between the par value of the outstanding and unpaid 50968
bonds and notes of the school district and the amount held in the 50969
sinking fund and other indebtedness retirement funds for their 50970
redemption. 50971

~~If an entire district is transferred, any indebtedness of the 50972
former district incurred as a result of a loan made under section 50973
3317.64 of the Revised Code is hereby canceled and such 50974
indebtedness shall not be apportioned among any districts 50975
acquiring the territory. 50976~~

Upon the making of any transfer under this section, the funds 50977
of the district from which territory was transferred shall be 50978
divided equitably by the educational service center governing 50979
board between the acquiring district and any part of the original 50980
district remaining after the transfer. 50981

If an entire district is transferred the board of education 50982
of such district is thereby abolished or if a member of the board 50983
of education lives in that part of a school district transferred 50984
the member becomes a nonresident of the school district from which 50985
the territory was transferred and such member ceases to be a 50986
member of the board of education of such district. 50987

The legal title of all property of the board of education in 50988
the territory transferred shall become vested in the board of 50989
education of the school district to which such territory is 50990
transferred. 50991

Subsequent to June 30, 1959, if an entire district is 50992
transferred, foundation program moneys accruing to a district 50993
accepting school territory under the provisions of this section or 50994

former section 3311.22 of the Revised Code, shall not be less, in 50995
any year during the next succeeding three years following the 50996
transfer, than the sum of the amounts received by the districts 50997
separately in the year in which the transfer was consummated. 50998

Sec. 3311.231. A governing board of an educational service 50999
center may propose, by resolution adopted by majority vote of its 51000
full membership, or qualified electors of the area affected equal 51001
in number to not less than fifty-five per cent of the qualified 51002
electors voting at the last general election residing within that 51003
portion of a school district proposed to be transferred may 51004
propose, by petition, the transfer of a part or all of one or more 51005
local school districts within the territory of the center to an 51006
adjoining educational service center or to an adjoining city or 51007
exempted village school district. 51008

A governing board of an educational service center adopting a 51009
resolution proposing a transfer of school territory under this 51010
section shall file a copy of such resolution together with an 51011
accurate map of the territory described in the resolution, with 51012
the board of education of each school district whose boundaries 51013
would be altered by such proposal. Where a transfer of territory 51014
is proposed by a governing board of an educational service center 51015
under this section, the governing board shall, at its next regular 51016
meeting that occurs not earlier than the thirtieth day after the 51017
adoption by the governing board of the resolution proposing such 51018
transfer, adopt a resolution making the transfer as originally 51019
proposed, effective at any time prior to the next succeeding first 51020
day of July, unless, prior to the expiration of such thirty-day 51021
period, qualified electors residing in the area proposed to be 51022
transferred, equal in number to a majority of the qualified 51023
electors voting at the last general election, file a petition of 51024
referendum against such transfer. 51025

Any petition of transfer or petition of referendum under the 51026
provisions of this section shall be filed at the office of the 51027
educational service center superintendent. The person presenting 51028
the petition shall be given a receipt containing thereon the time 51029
of day, the date, and the purpose of the petition. 51030

The educational service center superintendent shall cause the 51031
board of elections to check the sufficiency of signatures on any 51032
such petition, and, if found to be sufficient, the superintendent 51033
shall present the petition to the educational service center 51034
governing board at a meeting of said governing board which shall 51035
occur not later than thirty days following the filing of said 51036
petition. 51037

The educational service center governing board shall promptly 51038
certify the proposal to the board of elections of such counties in 51039
which school districts whose boundaries would be altered by such 51040
proposal are located for the purpose of having the proposal placed 51041
on the ballot at the next general or primary election which occurs 51042
not less than ninety days after the date of such certification or 51043
at a special election, the date of which shall be specified in the 51044
certification, which date shall not be less than ninety days after 51045
the date of such certification. 51046

Signatures on a petition of transfer or petition of 51047
referendum may be withdrawn up to and including the above 51048
mentioned meeting of the educational service center governing 51049
board only by order of the governing board upon testimony of the 51050
petitioner concerned under oath before the board that the 51051
petitioner's signature was obtained by fraud, duress, or 51052
misrepresentation. 51053

If a petition is filed with the educational service center 51054
governing board which proposes the transfer of a part or all of 51055
the territory included either in a petition previously filed by 51056
electors or in a resolution of transfer previously adopted by the 51057

educational service center governing board, no action shall be 51058
taken on such new petition as long as the previously initiated 51059
proposal is pending before the governing board or is subject to an 51060
election. 51061

Upon certification of a proposal to the board or boards of 51062
elections pursuant to this section, the board or boards of 51063
elections shall make the necessary arrangements for the submission 51064
of such question to the electors of the county or counties 51065
qualified to vote thereon, and the election shall be conducted and 51066
canvassed and the results shall be certified in the same manner as 51067
in regular elections for the election of members of a board of 51068
education. 51069

The persons qualified to vote upon a proposal are the 51070
electors residing in the district or districts containing 51071
territory that is proposed to be transferred. If the proposed 51072
transfer is approved by at least a majority of the electors voting 51073
on the proposal, the educational service center governing board 51074
shall make such transfer at any time prior to the next succeeding 51075
first day of July, subject to the approval of the receiving board 51076
of education in case of a transfer to a city or exempted village 51077
school district, and subject to the approval of the educational 51078
service center governing board of the receiving center, in case of 51079
a transfer to an educational service center. If the proposed 51080
transfer is not approved by at least a majority of the electors 51081
voting on the proposal, the question of transferring any property 51082
included in the territory covered by the proposal shall not be 51083
submitted to electors at any election prior to the first general 51084
election the date of which is at least two years after the date of 51085
the original election, or the first primary election held in an 51086
even-numbered year the date of which is at least two years after 51087
the date of the original election. 51088

Where a territory is transferred under this section to a city 51089

or exempted village school district, the board of education of 51090
such district shall, and where territory is transferred to an 51091
educational service center the governing board of such educational 51092
service center shall, within thirty days following receipt of the 51093
proposal, either accept or reject the transfer. 51094

Where a governing board of an educational service center 51095
adopts a resolution accepting territory transferred to the 51096
educational service center under the provisions of sections 51097
3311.231 and 3311.24 of the Revised Code, the governing board 51098
shall, at the time of the adoption of the resolution accepting the 51099
territory, designate the school district to which the accepted 51100
territory shall be annexed. 51101

When an entire school district is proposed to be transferred 51102
to two or more adjoining school districts and the offer is 51103
rejected by any one of the receiving boards of education, none of 51104
the territory included in the proposal shall be transferred. 51105

Upon the acceptance of territory by the receiving board or 51106
boards of education the educational service center governing board 51107
offering the territory shall file with the county auditor of each 51108
county affected by the transfer and with the state board of 51109
education an accurate map showing the boundaries of the territory 51110
transferred. 51111

Upon the making of such transfer, the net indebtedness of the 51112
former district from which territory was transferred shall be 51113
apportioned between the acquiring school district and the portion 51114
of the former school district remaining after the transfer in the 51115
ratio which the assessed valuation of the territory transferred to 51116
the acquiring school district bears to the assessed valuation of 51117
the original school district as of the effective date of the 51118
transfer. As used in this section "net indebtedness" means the 51119
difference between the par value of the outstanding and unpaid 51120
bonds and notes of the school district and the amount held in the 51121

sinking fund and other indebtedness retirement funds for their 51122
redemption. 51123

~~If an entire district is transferred, any indebtedness of the 51124
former district incurred as a result of a loan made under section 51125
3317.64 of the Revised Code is hereby canceled and such 51126
indebtedness shall not be apportioned among any districts 51127
acquiring the territory. 51128~~

Upon the making of any transfer under this section, the funds 51129
of the district from which territory was transferred shall be 51130
divided equitably by the educational service center governing 51131
board, between the acquiring district and any part of the original 51132
district remaining after the transfer. 51133

If an entire district is transferred the board of education 51134
of such district is thereby abolished or if a member of the board 51135
of education lives in that part of a school district transferred 51136
the member becomes a nonresident of the school district from which 51137
the territory was transferred and such member ceases to be a 51138
member of the board of education of such district. 51139

The legal title of all property of the board of education in 51140
the territory transferred shall become vested in the board of 51141
education of the school district to which such territory is 51142
transferred. 51143

If an entire district is transferred, foundation program 51144
moneys accruing to a district receiving school territory under the 51145
provisions of this section shall not be less, in any year during 51146
the next succeeding three years following the transfer, than the 51147
sum of the amounts received by the districts separately in the 51148
year in which the transfer was consummated. 51149

Sec. 3311.38. The state board of education may conduct, or 51150
may direct the superintendent of public instruction to conduct, 51151

studies where there is evidence of need for transfer of local, 51152
exempted village, or city school districts, or parts of any such 51153
districts, to contiguous or noncontiguous local, exempted village, 51154
or city school districts. Such studies shall include a study of 51155
the effect of any proposal upon any portion of a school district 51156
remaining after such proposed transfer. The state board, in 51157
conducting such studies and in making recommendations as a result 51158
thereof, shall consider the possibility of improving school 51159
district organization as well as the desires of the residents of 51160
the school districts which would be affected. 51161

(A) After the adoption of recommendations growing out of any 51162
such study, or upon receipt of a resolution adopted by majority 51163
vote of the full membership of the board of any city, local, or 51164
exempted village school district requesting that the entire 51165
district be transferred to another city, local, or exempted 51166
village school district, the state board may propose by resolution 51167
the transfer of territory, which may consist of part or all of the 51168
territory of a local, exempted village, or city school district to 51169
a contiguous local, exempted village, or city school district. 51170

The state board shall thereupon file a copy of such proposal 51171
with the board of education of each school district whose 51172
boundaries would be altered by the proposal and with the governing 51173
board of any educational service center in which such school 51174
district is located. 51175

The state board may, not less than thirty days following the 51176
adoption of the resolution proposing the transfer of territory, 51177
certify the proposal to the board of elections of the county or 51178
counties in which any of the territory of the proposed district is 51179
located, for the purpose of having the proposal placed on the 51180
ballot at the next general election or at a primary election 51181
occurring not less than ninety days after the adoption of such 51182
resolution. 51183

If any proposal has been previously initiated pursuant to 51184
section 3311.22, 3311.231, or 3311.26 of the Revised Code which 51185
affects any of the territory affected by the proposal of the state 51186
board, the proposal of the state board shall not be placed on the 51187
ballot while the previously initiated proposal is subject to an 51188
election. 51189

Upon certification of a proposal to the board of elections of 51190
any county pursuant to this section, the board of elections of 51191
such county shall make the necessary arrangements for the 51192
submission of such question to the electors of the county 51193
qualified to vote thereon, and the election shall be counted and 51194
canvassed and the results shall be certified in the same manner as 51195
in regular elections for the election of members of a board of 51196
education. 51197

The electors qualified to vote upon a proposal are the 51198
electors residing in the local, exempted village, or city school 51199
districts, containing territory proposed to be transferred. 51200

If the proposed transfer be approved by a majority of the 51201
electors voting on the proposal, the state board, subject to the 51202
approval of the board of education of the district to which the 51203
territory would be transferred, shall make such transfer prior to 51204
the next succeeding July 1. 51205

(B) If a study conducted in accordance with this section 51206
involves a school district with less than four thousand dollars of 51207
assessed value for each pupil in the total student count 51208
determined under section 3317.03 of the Revised Code, the state 51209
board of education, with the approval of the educational service 51210
center governing board, and upon recommendation by the state 51211
superintendent of public instruction, may by resolution transfer 51212
all or any part of such a school district to any city, exempted 51213
village, or local school district which has more than twenty-five 51214
thousand pupils in average daily membership. Such resolution of 51215

transfer shall be adopted only after the board of education of the 51216
receiving school district has adopted a resolution approving the 51217
proposed transfer. For the purposes of this division, the assessed 51218
value shall be as certified in accordance with section 3317.021 of 51219
the Revised Code. 51220

(C) Upon the making of a transfer of an entire school 51221
district pursuant to this section, the indebtedness of the 51222
district transferred shall be assumed in full by the acquiring 51223
district and the funds of the district transferred shall be paid 51224
over in full to the acquiring district, ~~except that any~~ 51225
~~indebtedness of the transferred district incurred as a result of a~~ 51226
~~loan made under section 3317.64 of the Revised Code is hereby~~ 51227
~~anceled and shall not be assumed by the acquiring district.~~ 51228

(D) Upon the making of a transfer pursuant to this section, 51229
when only part of a district is transferred, the net indebtedness 51230
of each original district of which only a part is taken by the 51231
acquiring district shall be apportioned between the acquiring 51232
district and the original district in the ratio which the assessed 51233
valuation of the part taken by the acquiring district bears to the 51234
assessed valuation of the original district as of the effective 51235
date of the transfer. As used in this section "net indebtedness" 51236
means the difference between the par value of the outstanding and 51237
unpaid bonds and notes of the school district and the amount held 51238
in the sinking fund and other indebtedness retirement funds for 51239
their redemption. 51240

(E) Upon the making of a transfer pursuant to this section, 51241
when only part of a district is transferred, the funds of the 51242
district from which territory was transferred shall be divided 51243
equitably by the state board between the acquiring district and 51244
that part of the former district remaining after the transfer. 51245

(F) If an entire school district is transferred, the board of 51246
education of such district is thereby abolished. If part of a 51247

school district is transferred, any member of the board of 51248
education who is a legal resident of that part which is 51249
transferred shall thereby cease to be a member of that board. 51250

If an entire school district is transferred, foundation 51251
program moneys accruing to a district accepting school territory 51252
under the provisions of this section shall not be less, in any 51253
year during the next succeeding three years following the 51254
transfer, than the sum of the amounts received by the districts 51255
separately in the year in which the transfer became effective. 51256

school endorse each other's programs. 51268

(4) "Transformation alliance education plan" means a plan 51269
prepared by the mayor, and confirmed by the alliance, to transform 51270
public education in the alliance municipal school district to a 51271

community schools that will be held to the highest standards of 51273
school performance and student achievement. 51274

(B) If one or more partnering community schools are located 51275
in a municipal school district, the mayor may initiate proceedings 51276

The mayor shall be an ex officio director, and serve as the chairperson of the board of directors, of any alliance created under this section. If the proceedings are initiated, the mayor shall identify the directors in the articles of incorporation filed under section 1702.04 of the Revised Code.

(C)(1) A majority of the members of the board of directors of the alliance shall constitute a quorum of the board. include, but are not limited to, mailing notices to all 51313
subscribers on a mailing list or mailing notices in 51314
self-addressed, stamped envelopes provided by the person. 51315

(2) All records of the alliance shall be organized and 51316

conflicts of interest policy and shall adopt that policy, and any 51325

alliance shall do all of the following: 51329

Membership on the board of directors of an

alliance does not constitute the holding of an incompatible public office or employment in violation of any statutory or common law prohibition against the simultaneous holding of more than one public office or employment. Members of the board of directors of an alliance are not disqualified from holding any public office by reason of that membership, and do not forfeit by reason of that membership the public office or employment held when appointed to the board, notwithstanding any contrary disqualification or forfeiture requirement under the Revised Code or the common law of this state.

(G) The authority to establish an alliance under this section expires on January 1, 2018. Any alliance established under this section is terminated, and any related authority granted to the alliance under this section expires on that date.

in energy costs and resultant operational and maintenance costs as
described in that division, except that that finding shall cover
the ensuing fifteen years, and the Ohio school facilities
commission determines that the district board's findings are
reasonable and approves the contract as described in that
division.

The district board shall monitor the savings and maintain a
report of those savings, which shall be submitted to the

that a school is open for instruction pursuant to the schedule 51643
adopted by the board of education of the school district or the 51644
governing authority of the chartered nonpublic school in 51645
accordance with section 3313.48 of the Revised Code. 51646

Sec. 3313.483. (A) A board of education, upon the adoption of 51647
a resolution stating that it may be financially unable to open on 51648
the day or to remain open for instruction on all days set forth in 51649
its adopted school calendar and pay all obligated expenses, or the 51650

superintendent of public instruction upon the issuance of written 51651
notification under division (B) of section 3313.489 of the Revised 51652
Code, shall request the auditor of state to determine whether such 51653
situation exists. The auditor shall deliver a copy of each request 51654
from a board of education to the superintendent of public 51655
instruction. In the case of a school district not under a fiscal 51656
emergency pursuant to Chapter 3316. of the Revised Code the 51657
auditor shall not issue a finding under this section until written 51658
notification is received from the superintendent pursuant to 51659
section 3313.487 of the Revised Code. 51660

(B) If the auditor of state finds that the board of education 51661
has attempted to avail itself to the fullest extent authorized by 51662
law of all lawful revenue sources available to it except those 51663
authorized by section 5705.21 of the Revised Code, the auditor 51664
shall certify that finding to the superintendent of public 51665
instruction and the state board of education and shall certify the 51666
operating deficit the district will have at the end of the fiscal 51667
year if it commences or continues operating its instructional 51668
program in accordance with its adopted school calendar and pays 51669
all obligated expenses. 51670

(C) No board of education may delay the opening of its 51671
schools or close its schools for financial reasons. Upon the 51672
request of the superintendent of public instruction, the attorney 51673
general shall seek injunctive relief and any other relief required 51674
to enforce this prohibition in the court of common pleas of 51675
Franklin county. The court of common pleas of Franklin county has 51676
exclusive original jurisdiction over all such actions. 51677

(D) Upon the receipt of any certification of an operating 51678
deficit from the auditor of state, a board of education shall make 51679
application to a commercial bank, underwriter, or other 51680
prospective lender or purchaser of its obligations for a loan in 51681
an amount sufficient to enable the district to open or remain open 51682

for instruction on all days set forth in its adopted school 51683
calendar but not to exceed the amount of the deficit certified. 51684

(E)(1) Any board of education that has applied for and been 51685
denied a loan from a commercial bank, underwriter, or other 51686
prospective lender or purchaser of its obligations pursuant to 51687
division (D) of this section shall submit to the superintendent of 51688
public instruction a plan for implementing reductions in the 51689
school district's budget; apply for a loan from a commercial bank, 51690
underwriter, or other prospective lender or purchaser of its 51691
obligations in an amount not to exceed its certified deficit; and 51692
provide the superintendent such information as the superintendent 51693
requires concerning its application for such a loan. The board of 51694
education of a school district declared to be under a fiscal watch 51695
pursuant to division (A) of section 3316.03 of the Revised Code 51696
may, upon approval of the superintendent, utilize the financial 51697
plan required by section 3316.04 of the Revised Code, or 51698
applicable parts thereof, as the plan required under this 51699
division. The board of education of a school district declared to 51700
be under a fiscal emergency pursuant to division (B) of section 51701
3316.03 of the Revised Code may utilize the financial recovery 51702
plan for the district, or applicable parts thereof, as the plan 51703
required under this division. Except for the plan of a school 51704
district under a fiscal emergency, the superintendent shall 51705
evaluate, make recommendations concerning, and approve or 51706
disapprove each plan. When a plan is submitted, the superintendent 51707
shall immediately notify the members of the general assembly whose 51708
legislative districts include any or all of the territory of the 51709
school district submitting the plan. 51710

(2) The superintendent shall submit to the controlling board 51711
a copy of each plan the superintendent approves, or each plan 51712
submitted by a district under a fiscal emergency pursuant to 51713
division (B) of section 3316.03 of the Revised Code, and the 51714

general terms of each proposed loan, and shall make 51715
recommendations regarding the plan and whether a proposed loan to 51716
the board of education should be approved for payment as provided 51717
in division (E)(3) of this section. The controlling board shall 51718
approve or disapprove the plan and the proposed loan presented to 51719
it by the superintendent. In the case of a district not under a 51720
fiscal emergency pursuant to division (B) of section 3316.03 of 51721
the Revised Code, the controlling board may require a board of 51722
education to implement the superintendent's recommendations for 51723
expenditure reductions or impose other requirements. Loan 51724
repayments shall be in accordance with a schedule approved by the 51725
superintendent, except that the principal amount of the loan shall 51726
be payable in monthly, semiannual, or annual installments of 51727
principal and interest that are substantially equal principal and 51728
interest installments. Except as otherwise provided in division 51729
(E)(2) of this section, repayment shall be made no later than the 51730
fifteenth day of June of the second fiscal year following the 51731
approval of the loan. A school district with a certified deficit 51732
in excess of either twenty-five million dollars or fifteen per 51733
cent of the general fund expenditures of the district during the 51734
fiscal year shall repay the loan no later than the fifteenth day 51735
of June of the tenth fiscal year following the approval of the 51736
loan. In deciding whether to approve or disapprove a proposed 51737
loan, the controlling board shall consider the deficit certified 51738
by the auditor of state pursuant to this section. A board of 51739
education that has an outstanding loan approved pursuant to this 51740
section with a repayment date of more than two fiscal years after 51741
the date of approval of such loan may not apply for another loan 51742
with such a repayment date until the outstanding loan has been 51743
repaid. 51744

(3) If a board of education has submitted and received 51745
controlling board approval of a plan and proposed loan in 51746
accordance with this section, the superintendent of public 51747

instruction shall report to the controlling board the actual 51748
amounts loaned to the board of education. Such board of education 51749
shall request the superintendent to pay any funds the board of 51750
education would otherwise receive pursuant to Chapter 3306. of the 51751
Revised Code first directly to the holders of the board of 51752
education's notes, or an agent thereof, such amounts as are 51753
specified under the terms of the loan. Such payments shall be made 51754
only from and to the extent of money appropriated by the general 51755
assembly for purposes of such sections. No note or other 51756
obligation of the board of education under the loan constitutes an 51757
obligation nor a debt or a pledge of the faith, credit, or taxing 51758
power of the state, and the holder or owner of such note or 51759
obligation has no right to have taxes levied by the general 51760
assembly for the payment of such note or obligation, and such note 51761
or obligation shall contain a statement to that effect. 51762

(4) Pursuant to the terms of such a loan, a board of 51763
education may issue its notes in anticipation of the collection of 51764
its voted levies for current expenses or its receipt of such state 51765
funds or both. Such notes shall be issued in accordance with 51766
division (E) of section 133.10 of the Revised Code and constitute 51767
Chapter 133. securities to the extent such division and the 51768
otherwise applicable provisions of Chapter 133. of the Revised 51769
Code are not inconsistent with this section, provided that in any 51770
event sections 133.24 and 5705.21 and divisions (A), (B), (C), and 51771
(E)(2) of section 133.10 of the Revised Code do not apply to such 51772
notes. 51773

(5) Notwithstanding section 133.36 or 3313.17, any other 51774
section of the Revised Code, or any other provision of law, a 51775
board of education that has received a loan under this section may 51776
not declare bankruptcy, so long as any portion of such loan 51777
remains unpaid. 51778

(F) Under this section and ~~sections~~ section 3313.4810 and 51779

~~3313.4811~~, "board of education" or "district board" includes the 51780
financial planning and supervision commission of a school district 51781

Code where such commission chooses to exercise the powers and 51783
duties otherwise required of the district board of education under 51784
this section and ~~sections~~ section 3313.4810 and ~~3313.4811~~ of the 51785
Revised Code. 51786

Sec. 3313.484. No loan shall be approved under sections 51787
3313.483 to ~~3313.4811~~ 3313.4810 of the Revised Code after March 1, 51788
1998. 51789

By the last day of June each year, the department of 51790
education shall calculate and pay a subsidy to every school 51791
district that during the current fiscal year paid and was 51792
obligated to pay interest on a loan under sections 3313.483 to 51793
~~3313.4811~~ 3313.4810 of the Revised Code in excess of two per cent 51794
simple interest. The amount of the subsidy shall equal the 51795
difference between the amount of interest the district paid and 51796
was obligated to pay during the year and the interest that the 51797
district would have been obligated to pay if the interest rate on 51798
the loan had been two per cent per year. 51799

Sec. 3313.488. (A) Within fifteen days ~~of~~ after the date a 51800
~~board of education requests that its school district be made~~ 51801
~~subject to this section as authorized by section 3317.62 of the~~ 51802

education shall prepare a fiscal statement of expenses and 51806
expenditures for the remainder of the current fiscal year. The 51807
fiscal statement shall be submitted to the superintendent of 51808
public instruction and shall set forth all revenues to be received 51809
by the district during the remainder of the fiscal year and their 51810

sources, the expenses to be incurred by the district during the 51811
remainder of the fiscal year, the outstanding and unpaid expenses 51812
at the time the fiscal statement is prepared and the date or dates 51813
by which such expenses must be paid, and such other information as 51814
the superintendent requires to enable the superintendent to ensure 51815
that during the remainder of the fiscal year, the district will 51816
not incur any expenses that will further impair its ability to 51817
operate an instructional program that meets or exceeds the minimum 51818
standards of the state board of education and requirements of the 51819
Revised Code during the current and ensuing fiscal years with the 51820
revenue available to it from existing revenue sources. The fiscal 51821
statement shall be presented in such detail and form as the 51822
superintendent prescribes. Beginning the tenth day after the 51823
fiscal statement is submitted and for the remainder of the fiscal 51824
year, the board shall not make any expenditure of money, make any 51825
employment, purchase, or rental contract, give any order involving 51826
the expenditure of money, or increase any wage or salary schedule 51827
unless the superintendent of public instruction has approved the 51828
fiscal statement in writing and the expenditure, contract, order, 51829
or schedule has been approved in writing by the superintendent as 51830
being in conformity with the fiscal statement. 51831

Any contract or expenditure made, order given, or schedule 51832
adopted or put into effect without the written approval of the 51833
superintendent of public instruction is void, and no warrant shall 51834
be issued in payment of any amount due thereon. 51835

(B) A board of education subject to division (A) of this 51836
section shall prepare a fiscal statement of expenses and 51837
expenditures for the ensuing fiscal year. The fiscal statement 51838
shall be submitted to the superintendent of public instruction and 51839
shall set forth all revenues to be received by the district during 51840
such year and their source, the expenses to be incurred by the 51841
district during such year, the outstanding and unpaid expenses on 51842

the first day of such fiscal year, the date or dates by which such 51843
expenses must be paid, and such other information as the 51844
superintendent requires to enable the superintendent to ensure 51845
that during such year, the district will not incur any expenses 51846
that will further impair its ability to operate an instructional 51847
program that meets or exceeds the minimum standards of the state 51848
board of education and requirements of the Revised Code during 51849
such year with the revenue available to it from existing revenue 51850
sources. The fiscal statement shall be presented at the time and 51851
in such detail and form as the superintendent prescribes. During 51852
the fiscal year following the year in which a board of education 51853
first becomes subject to division (A) of this section it shall not 51854
make any expenditure of money, make any employment, purchase, or 51855
rental contract, give any order involving the expenditure of 51856
money, or increase any wage or salary schedule unless the 51857
superintendent of public instruction has approved the fiscal 51858
statement submitted under this division in writing and has 51859
approved the expenditure, contract, order, or schedule in writing 51860
as being in conformity with the fiscal statement. 51861

Any contract or expenditure made, order given, or schedule 51862
adopted or put into effect without the written approval of the 51863
superintendent of public instruction is void, and no warrant shall 51864
be issued in payment of any amount due thereon. 51865

(C) The state board of education shall examine any fiscal 51866
statement presented to and approved by the superintendent of 51867
public instruction under division (B) of this section and shall 51868
determine whether the data set forth in the fiscal statement are 51869
factual and based upon assumptions that in its judgment are 51870
reasonable expectations consistent with acceptable governmental 51871
budget and accounting practices. If the state board so determines 51872
and finds that the revenues and expenditures in the fiscal 51873
statement are in balance for the fiscal year and the fiscal 51874

statement will enable the district to operate during such year 51875
without interrupting its school calendar, it shall certify its 51876
determination and finding to the district at least thirty days 51877
prior to the beginning of the fiscal year, and the district shall 51878
thereupon cease to be subject to this section. If the state board 51879
does not make such a determination and finding, the board of 51880
education and school district are subject to this division and 51881
division (B) of this section in the ensuing fiscal year and each 51882
fiscal year thereafter until the state board makes a 51883
determination, finding, and certification under this division. 51884

(D) Any officer, employee, or other person who knowingly 51885
expends or authorizes the expenditure of any public funds or 51886
knowingly authorizes or executes any contract, order, or schedule 51887
contrary to division (A) or (B) of this section or who knowingly 51888
expends or authorizes the expenditure of any public funds on any 51889
such void contract, order, or schedule is jointly and severally 51890
liable in person and upon any official bond that the officer, 51891
employee, or other person has given to such school district to the 51892
extent of any payments on the void claim, not to exceed twenty 51893
thousand dollars. The attorney general at the written request of 51894
the superintendent of public instruction shall enforce this 51895
liability by civil action brought in any court of appropriate 51896
jurisdiction in the name of and on behalf of the school district. 51897

(E) During each month that a board of education is subject to 51898
division (A), (B), or (C) of this section, the superintendent of 51899
public instruction shall submit a report to the speaker of the 51900
house of representatives and the president of the senate on the 51901
financial condition of the school district. The report shall 51902
contain the date by which the superintendent anticipates the 51903
district will cease to be subject to such divisions, the 51904
district's plans for becoming exempt from such section, and such 51905
other information the superintendent determines appropriate or the 51906

speaker of the house of representatives or president of the senate 51907
requests. 51908

In addition to the other reports required under this 51909
division, on the thirty-first day of each school district fiscal 51910
year following a fiscal year in which a school district first 51911
becomes subject to this section, the superintendent shall submit a 51912
written report to the speaker of the house of representatives and 51913
the president of the senate. The report shall include 51914
recommendations to the general assembly for strengthening the 51915
financial condition of school districts based upon the experiences 51916
of the superintendent and the state board in exercising their 51917
powers under this section and sections 3313.483 and 3313.487 of 51918
the Revised Code. 51919

the extracurricular activity under this section until the student 52365

superintendent of the district. No student under this section 52368
shall be eligible to participate in the same semester in which the 52369
student was determined ineligible. 52370

(F) No school district shall impose additional rules on a 52371
student to participate under this section that do not apply to 52372
other students participating in the same extracurricular activity. 52373
No district shall impose fees for a student to participate under 52374
this section that exceed any fees charged to other students 52375

student who receives home instruction under division (A)(2) of 52378
section 3321.04 of the Revised Code to enroll and participate in 52379
not more than one academic course at the school offering the 52380
extracurricular activity as a condition to participating in the 52381
activity. In that case, the board shall admit students seeking to 52382
enroll in an academic course to fulfill the requirement as space 52383

organization that regulates interscholastic conferences or events 52386
shall require a student who is eligible to participate in 52387
interscholastic extracurricular activities under this section to 52388
meet eligibility requirements that conflict with this section. 52389

Ohioans must be prepared to apply increased knowledge and 52593
skills in the workplace and to adapt their knowledge and skills 52594
quickly to meet the rapidly changing conditions of the 52595
twenty-first century. National studies indicate that all high 52596
school graduates need the same academic foundation, regardless of 52597
the opportunities they pursue after graduation. The goal of Ohio's 52598
system of elementary and secondary education is to prepare all 52599
students for and seamlessly connect all students to success in 52600
life beyond high school graduation, regardless of whether the next 52601
step is entering the workforce, beginning an apprenticeship, 52602
engaging in post-secondary training, serving in the military, or 52603
pursuing a college degree. 52604

The Ohio core curriculum is the standard expectation for all 52605
students entering ninth grade for the first time at a public or 52606
chartered nonpublic high school on or after July 1, 2010. A 52607

student may satisfy this expectation through a variety of methods, 52608
including, but not limited to, integrated, applied, 52609
career-technical, and traditional coursework. 52610

Whereas teacher quality is essential for student success in 52611
completing the Ohio core curriculum, the general assembly shall 52612
appropriate funds for strategic initiatives designed to strengthen 52613
schools' capacities to hire and retain highly qualified teachers 52614
in the subject areas required by the curriculum. Such initiatives 52615
are expected to require an investment of \$120,000,000 over five 52616
years. 52617

Stronger coordination between high schools and institutions 52618
of higher education is necessary to prepare students for more 52619
challenging academic endeavors and to lessen the need for academic 52620
remediation in college, thereby reducing the costs of higher 52621
education for Ohio's students, families, and the state. The state 52622
board and the chancellor of the Ohio board of regents shall 52623
develop policies to ensure that only in rare instances will 52624
students who complete the Ohio core curriculum require academic 52625
remediation after high school. 52626

School districts, community schools, and chartered nonpublic 52627
schools shall integrate technology into learning experiences 52628
across the curriculum in order to maximize efficiency, enhance 52629
learning, and prepare students for success in the 52630
technology-driven twenty-first century. Districts and schools 52631
shall use distance and web-based course delivery as a method of 52632
providing or augmenting all instruction required under this 52633
division, including laboratory experience in science. Districts 52634
and schools shall utilize technology access and electronic 52635
learning opportunities provided by the ~~eTech Ohio~~ broadcast 52636
educational media commission, chancellor, the Ohio learning 52637
network, education technology centers, public television stations, 52638
and other public and private providers. 52639

(D) Except as provided in division (E) of this section, a student who enters ninth grade on or after July 1, 2010, and before July 1, 2014, may qualify for graduation from a public or chartered nonpublic high school even though the student has not completed the Ohio core curriculum prescribed in division (C) of this section if all of the following conditions are satisfied:

(1) After the student has attended high school for two years, as determined by the school, the student and the student's parent, guardian, or custodian sign and file with the school a written statement asserting the parent's, guardian's, or custodian's consent to the student's graduating without completing the Ohio core curriculum and acknowledging that one consequence of not completing the Ohio core curriculum is ineligibility to enroll in most state universities in Ohio without further coursework.

(2) The student and parent, guardian, or custodian fulfill any procedural requirements the school stipulates to ensure the student's and parent's, guardian's, or custodian's informed consent and to facilitate orderly filing of statements under division (D)(1) of this section.

(3) The student and the student's parent, guardian, or custodian and a representative of the student's high school jointly develop an individual career plan for the student that specifies the student matriculating to a two-year degree program, acquiring a business and industry credential, or entering an apprenticeship.

(4) The student's high school provides counseling and support for the student related to the plan developed under division (D)(3) of this section during the remainder of the student's high school experience.

(5) The student successfully completes, at a minimum, the curriculum prescribed in division (B) of this section.

The department of education, in collaboration with the chancellor, shall analyze student performance data to determine if there are mitigating factors that warrant extending the exception permitted by division (D) of this section to high school classes beyond those entering ninth grade before July 1, 2014. The department shall submit its findings and any recommendations not later than August 1, 2014, to the speaker and minority leader of the house of representatives, the president and minority leader of the senate, the chairpersons and ranking minority members of the standing committees of the house of representatives and the senate that consider education legislation, the state board of education, and the superintendent of public instruction.

(E) Each school district and chartered nonpublic school retains the authority to require an even more rigorous minimum curriculum for high school graduation than specified in division (B) or (C) of this section. A school district board of education, through the adoption of a resolution, or the governing authority of a chartered nonpublic school may stipulate any of the following:

(1) A minimum high school curriculum that requires more than twenty units of academic credit to graduate;

(2) An exception to the district's or school's minimum high school curriculum that is comparable to the exception provided in division (D) of this section but with additional requirements, which may include a requirement that the student successfully complete more than the minimum curriculum prescribed in division (B) of this section;

(3) That no exception comparable to that provided in division (D) of this section is available.

(F) A student enrolled in a dropout prevention and recovery program, which program has received a waiver from the department,

may qualify for graduation from high school by successfully 52702
completing a competency-based instructional program administered 52703
by the dropout prevention and recovery program in lieu of 52704
completing the Ohio core curriculum prescribed in division (C) of 52705
this section. The department shall grant a waiver to a dropout 52706
prevention and recovery program, within sixty days after the 52707
program applies for the waiver, if the program meets all of the 52708
following conditions: 52709

(1) The program serves only students not younger than sixteen 52710
years of age and not older than twenty-one years of age. 52711

(2) The program enrolls students who, at the time of their 52712
initial enrollment, either, or both, are at least one grade level 52713
behind their cohort age groups or experience crises that 52714
significantly interfere with their academic progress such that 52715
they are prevented from continuing their traditional programs. 52716

(3) The program requires students to attain at least the 52717
applicable score designated for each of the assessments prescribed 52718
under division (B)(1) of section 3301.0710 of the Revised Code or, 52719
to the extent prescribed by rule of the state board under division 52720
(D)(6) of section 3301.0712 of the Revised Code, division (B)(2) 52721
of that section. 52722

(4) The program develops an individual career plan for the 52723
student that specifies the student's matriculating to a two-year 52724
degree program, acquiring a business and industry credential, or 52725
entering an apprenticeship. 52726

(5) The program provides counseling and support for the 52727
student related to the plan developed under division (F)(4) of 52728
this section during the remainder of the student's high school 52729
experience. 52730

(6) The program requires the student and the student's 52731
parent, guardian, or custodian to sign and file, in accordance 52732

with procedural requirements stipulated by the program, a written 52733
statement asserting the parent's, guardian's, or custodian's 52734
consent to the student's graduating without completing the Ohio 52735
core curriculum and acknowledging that one consequence of not 52736
completing the Ohio core curriculum is ineligibility to enroll in 52737
most state universities in Ohio without further coursework. 52738

(7) Prior to receiving the waiver, the program has submitted 52739
to the department an instructional plan that demonstrates how the 52740
academic content standards adopted by the state board under 52741
section 3301.079 of the Revised Code will be taught and assessed. 52742

If the department does not act either to grant the waiver or 52743
to reject the program application for the waiver within sixty days 52744
as required under this section, the waiver shall be considered to 52745
be granted. 52746

(G) Every high school may permit students below the ninth 52747
grade to take advanced work. If a high school so permits, it shall 52748
award high school credit for successful completion of the advanced 52749
work and shall count such advanced work toward the graduation 52750
requirements of division (B) or (C) of this section if the 52751
advanced work was both: 52752

(1) Taught by a person who possesses a license or certificate 52753
issued under section 3301.071, 3319.22, or 3319.222 of the Revised 52754
Code that is valid for teaching high school; 52755

(2) Designated by the board of education of the city, local, 52756
or exempted village school district, the board of the cooperative 52757
education school district, or the governing authority of the 52758
chartered nonpublic school as meeting the high school curriculum 52759
requirements. 52760

Each high school shall record on the student's high school 52761
transcript all high school credit awarded under division (G) of 52762
this section. In addition, if the student completed a seventh- or 52763

eighth-grade fine arts course described in division (K) of this 52764
section and the course qualified for high school credit under that 52765
division, the high school shall record that course on the 52766
student's high school transcript. 52767

(H) The department shall make its individual academic career 52768
plan available through its Ohio career information system web site 52769
for districts and schools to use as a tool for communicating with 52770
and providing guidance to students and families in selecting high 52771
school courses. 52772

(I) Units earned in English language arts, mathematics, 52773
science, and social studies that are delivered through integrated 52774
academic and career-technical instruction are eligible to meet the 52775
graduation requirements of division (B) or (C) of this section. 52776

(J) The state board, in consultation with the chancellor, 52777
shall adopt a statewide plan implementing methods for students to 52778
earn units of high school credit based on a demonstration of 52779
subject area competency, instead of or in combination with 52780
completing hours of classroom instruction. The state board shall 52781
adopt the plan not later than March 31, 2009, and commence phasing 52782
in the plan during the 2009-2010 school year. The plan shall 52783
include a standard method for recording demonstrated proficiency 52784
on high school transcripts. Each school district and community 52785
school shall comply with the state board's plan adopted under this 52786
division and award units of high school credit in accordance with 52787
the plan. The state board may adopt existing methods for earning 52788
high school credit based on a demonstration of subject area 52789
competency as necessary prior to the 2009-2010 school year. 52790

(K) This division does not apply to students who qualify for 52791
graduation from high school under division (D) or (F) of this 52792
section, or to students pursuing a career-technical instructional 52793
track as determined by the school district board of education or 52794
the chartered nonpublic school's governing authority. 52795

Nevertheless, the general assembly encourages such students to 52796
consider enrolling in a fine arts course as an elective. 52797

Beginning with students who enter ninth grade for the first 52798
time on or after July 1, 2010, each student enrolled in a public 52799
or chartered nonpublic high school shall complete two semesters or 52800
the equivalent of fine arts to graduate from high school. The 52801
coursework may be completed in any of grades seven to twelve. Each 52802
student who completes a fine arts course in grade seven or eight 52803
may elect to count that course toward the five units of electives 52804
required for graduation under division (C)(8) of this section, if 52805
the course satisfied the requirements of division (G) of this 52806
section. In that case, the high school shall award the student 52807
high school credit for the course and count the course toward the 52808
five units required under division (C)(8) of this section. If the 52809
course in grade seven or eight did not satisfy the requirements of 52810
division (G) of this section, the high school shall not award the 52811
student high school credit for the course but shall count the 52812
course toward the two semesters or the equivalent of fine arts 52813
required by this division. 52814

(L)(1) Notwithstanding anything to the contrary in this 52815
section, the board of education of each school district and the 52816
governing authority of each chartered nonpublic school may adopt a 52817
policy to excuse from the high school physical education 52818
requirement each student who, during high school, has participated 52819
in interscholastic athletics, marching band, or cheerleading for 52820
at least two full seasons or in the junior reserve officer 52821
training corps for at least two full school years. If the board or 52822
authority adopts such a policy, the board or authority shall not 52823
require the student to complete any physical education course as a 52824
condition to graduate. ~~However~~ 52825

(2) Notwithstanding anything to the contrary in this section, 52826
the following students shall be excused from the high school 52827

attend without tuition obligation. A student attending a school 53415
under division (F)(6) or (7) of this section shall be eligible to 53416

the district in which the child is with the child's parent, and no 53443
other school district shall be required to pay tuition for the 53444
child's attendance in that school district. 53445

The enrollment of a child in a school district under this 53446

Any days of attendance and any credits earned by a child while 53450

in the district in which the child attended school at the time of 53459
the parental move for the remainder of the school year and for one 53460
additional semester or equivalent term. A district board may also 53461
adopt a policy specifying extenuating circumstances under which a 53462
student may continue to attend school under division (F)(10) of 53463
this section for an additional period of time in order to 53464
successfully complete the high school curriculum for the 53465

grandparent, and does not require special education is entitled to 53471
attend the schools of the district in which the child's 53472

grandparent resides, provided that, prior to such attendance in 53473
any school year, the board of education of the school district in 53474
which the child's grandparent resides and the board of education 53475
of the school district in which the child's parent resides enter 53476
into a written agreement specifying that good cause exists for 53477
such attendance, describing the nature of this good cause, and 53478
consenting to such attendance. 53479

In lieu of a consent form signed by a parent, a board of 53480
education may request the grandparent of a child attending school 53481
in the district in which the grandparent resides pursuant to 53482
division (F)(11) of this section to complete any consent form 53483
required by the district, including any authorization required by 53484
sections 3313.712, 3313.713, 3313.716, and 3313.718 of the Revised 53485
Code. Upon request, the grandparent shall complete any consent 53486
form required by the district. A school district shall not incur 53487
any liability solely because of its receipt of a consent form from 53488
a grandparent in lieu of a parent. 53489

Division (F)(11) of this section does not create, and shall 53490
not be construed as creating, a new cause of action or substantive 53491
legal right against a school district, a member of a board of 53492
education, or an employee of a school district. This section does 53493
not affect, and shall not be construed as affecting, any 53494
immunities from defenses to tort liability created or recognized 53495
by Chapter 2744. of the Revised Code for a school district, 53496
member, or employee. 53497

(12) A child under the age of twenty-two years is entitled to 53498

attendance in any school year, both of the following occur: 53502

(a) The superintendent of the district in which the child is 53503
entitled to attend school under division (B), (C), or (E) of this 53504

section contacts the superintendent of another district for 53505
purposes of this division; 53506

(b) The superintendents of both districts enter into a 53507
written agreement that consents to the attendance and specifies 53508
that the purpose of such attendance is to protect the student's 53509
physical or mental well-being or to deal with other extenuating 53510
circumstances deemed appropriate by the superintendents. 53511

While an agreement is in effect under this division for a 53512
student who is not receiving special education under Chapter 3323. 53513
of the Revised Code and notwithstanding Chapter 3327. of the 53514
Revised Code, the board of education of neither school district 53515
involved in the agreement is required to provide transportation 53516
for the student to and from the school where the student attends. 53517

A student attending a school of a district pursuant to this 53518
division shall be allowed to participate in all student 53519
activities, including interscholastic athletics, at the school 53520
where the student is attending on the same basis as any student 53521
who has always attended the schools of that district while of 53522
compulsory school age. 53523

(13) All school districts shall comply with the 53524
"McKinney-Vento Homeless Assistance Act," 42 U.S.C.A. 11431 et 53525
seq., for the education of homeless children. Each city, local, 53526
and exempted village school district shall comply with the 53527
requirements of that act governing the provision of a free, 53528
appropriate public education, including public preschool, to each 53529
homeless child. 53530

When a child loses permanent housing and becomes a homeless 53531
person, as defined in 42 U.S.C.A. 11481(5), or when a child who is 53532
such a homeless person changes temporary living arrangements, the 53533
child's parent or guardian shall have the option of enrolling the 53534
child in either of the following: 53535

(a) The child's school of origin, as defined in 42 U.S.C.A. 53536
11432(g)(3)(C); 53537

(b) The school that is operated by the school district in 53538
which the shelter where the child currently resides is located and 53539
that serves the geographic area in which the shelter is located. 53540

(14) A child under the age of twenty-two years who resides 53541
with a person other than the child's parent is entitled to attend 53542
school in the school district in which that person resides if both 53543
of the following apply: 53544

(a) That person has been appointed, through a military power 53545
of attorney executed under section 574(a) of the "National Defense 53546
Authorization Act for Fiscal Year 1994," 107 Stat. 1674 (1993), 10 53547
U.S.C. 1044b, or through a comparable document necessary to 53548
complete a family care plan, as the parent's agent for the care, 53549
custody, and control of the child while the parent is on active 53550
duty as a member of the national guard or a reserve unit of the 53551
armed forces of the United States or because the parent is a 53552
member of the armed forces of the United States and is on a duty 53553
assignment away from the parent's residence. 53554

(b) The military power of attorney or comparable document 53555
includes at least the authority to enroll the child in school. 53556

The entitlement to attend school in the district in which the 53557
parent's agent under the military power of attorney or comparable 53558
document resides applies until the end of the school year in which 53559
the military power of attorney or comparable document expires. 53560

(G) A board of education, after approving admission, may 53561
waive tuition for students who will temporarily reside in the 53562
district and who are either of the following: 53563

(1) Residents or domiciliaries of a foreign nation who 53564
request admission as foreign exchange students; 53565

(2) Residents or domiciliaries of the United States but not of Ohio who request admission as participants in an exchange program operated by a student exchange organization.

The child may continue to attend school in the district, and at the school to which the child was assigned at the end of the first full week of October of the current school year, for the balance of the school year. Division (I)(1) of this section applies only if both of the following conditions are satisfied:

53579
53580
53581
53582
53583
53584

53586
53587
53588
53589

(a) The board of education of the school district in which the child was entitled to attend school at the end of the first full week in October and of the district to which the child or child's parent has relocated each has adopted a policy to enroll children described in division (I)(1) of this section.

Code equal to its own tuition rate for the same period of 53633
attendance. If the tuition rate credited to the district of 53634
attendance exceeds the rate deducted from the district required to 53635
pay tuition, the department of education shall pay the district of 53636
attendance the difference from amounts deducted from all 53637
districts' payments under division (C) of section 3317.023 of the 53638

of law, for the reasonable cost of transportation from the 55302
student's home to the designated school bus stop if the student's 55303
family has an income below the federal poverty line. 55304

Sec. 3314.015. (A) The department of education shall be 55305
responsible for the oversight of any and all sponsors of the 55306
community schools established under this chapter and shall provide 55307
technical assistance to schools and sponsors in their compliance 55308
with applicable laws and the terms of the contracts entered into 55309
under section 3314.03 of the Revised Code and in the development 55310
and start-up activities of those schools. In carrying out its 55311
duties under this section, the department shall do all of the 55312
following: 55313

(1) In providing technical assistance to proposing parties, 55314
governing authorities, and sponsors, conduct training sessions and 55315
distribute informational materials; 55316

(2) Approve entities to be sponsors of community schools; 55317

(3) Monitor and evaluate, as required under section 3314.016 55318
of the Revised Code, the effectiveness of any and all sponsors in 55319
their oversight of the schools with which they have contracted; 55320

(4) By December thirty-first of each year, issue a report to 55321
the governor, the speaker of the house of representatives, the 55322
president of the senate, and the chairpersons of the house and 55323
senate committees principally responsible for education matters 55324
regarding the effectiveness of academic programs, operations, and 55325
legal compliance and of the financial condition of all community 55326
schools established under this chapter and on the performance of 55327
community school sponsors; 55328

(5) From time to time, make legislative recommendations to 55329

the general assembly designed to enhance the operation and 55330
performance of community schools. 55331

(B)(1) Except as provided in sections 3314.021 and 3314.027 55332
of the Revised Code, no entity listed in division (C)(1) of 55333
section 3314.02 of the Revised Code shall enter into a preliminary 55334
agreement under division (C)(2) of section 3314.02 of the Revised 55335
Code until it has received approval from the department of 55336
education to sponsor community schools under this chapter and has 55337
entered into a written agreement with the department regarding the 55338
manner in which the entity will conduct such sponsorship. ~~The~~ 55339

The initial term of a sponsor's agreement with the department 55340
shall be for up to seven years. For every year that the sponsor 55341
satisfies the conditions of division (B)(1)(a) or (b) of this 55342
section, as applicable, the department shall add one year to the 55343
agreement term, subject to divisions (C) and (F) of this section, 55344
unless the sponsor notifies the department that it does not wish 55345
to have the term of the agreement so extended. 55346

To qualify for the extension of the term of the sponsor's 55347
agreement, the sponsor shall satisfy one of the following, as 55348
applicable: 55349

(a) Prior to January 1, 2015, the sponsor is not in the 55350
lowest twenty per cent of sponsors statewide according to the 55351
composite performance index score as ranked under section 3314.016 55352
of the Revised Code, as that section exists prior to that date, 55353
and the sponsor continues to meet all the requirements of this 55354
chapter pertaining to community school sponsors. 55355

(b) On or after January 1, 2015, the sponsor is rated as 55356
"exemplary" or "effective" under section 3314.016 of the Revised 55357
Code, as that section exists on and after that date, and the 55358
sponsor continues to meet all the requirements of this chapter 55359
pertaining to community school sponsors. 55360

The department shall adopt in accordance with Chapter 119. of 55361
the Revised Code rules containing criteria, procedures, and 55362
deadlines for processing applications for ~~such~~ approval of 55363
sponsors, for oversight of sponsors, for notifying a sponsor of 55364
noncompliance with applicable laws and administrative rules under 55365
division (F) of this section, for revocation of the approval of 55366
sponsors under division (C) of this section, and for entering into 55367
written agreements with sponsors. The rules shall require an 55368
entity to submit evidence of the entity's ability and willingness 55369
to comply with the provisions of division (D) of section 3314.03 55370
of the Revised Code. The rules also shall require entities 55371
approved as sponsors on and after June 30, 2005, to demonstrate a 55372
record of financial responsibility and successful implementation 55373
of educational programs. If an entity seeking approval on or after 55374
June 30, 2005, to sponsor community schools in this state sponsors 55375
or operates schools in another state, at least one of the schools 55376
sponsored or operated by the entity must be comparable to or 55377
better than the performance of Ohio schools in need of continuous 55378
improvement under section 3302.03 of the Revised Code, as 55379
determined by the department. 55380

Subject to section 3314.016 of the Revised Code, an entity 55381
that sponsors community schools may enter into preliminary 55382
agreements and sponsor up to one hundred schools, provided each 55383
school and the contract for sponsorship meets the requirements of 55384
this chapter. 55385

(2) The state board of education shall determine, pursuant to 55386
criteria specified in rules adopted in accordance with Chapter 55387
119. of the Revised Code, whether the mission proposed to be 55388
specified in the contract of a community school to be sponsored by 55389
a state university board of trustees or the board's designee under 55390
division (C)(1)(e) of section 3314.02 of the Revised Code complies 55391
with the requirements of that division. Such determination of the 55392

state board is final. 55393

(3) The state board of education shall determine, pursuant to 55394
criteria specified in rules adopted in accordance with Chapter 55395
119. of the Revised Code, if any tax-exempt entity under section 55396
501(c)(3) of the Internal Revenue Code that is proposed to be a 55397
sponsor of a community school is an education-oriented entity for 55398
purpose of satisfying the condition prescribed in division 55399
(C)(1)(f)(iii) of section 3314.02 of the Revised Code. Such 55400
determination of the state board is final. 55401

(C) If at any time the state board of education finds that a 55402
sponsor is not in compliance or is no longer willing to comply 55403
with its contract with any community school or with the 55404
department's rules for sponsorship, the state board or designee 55405
shall conduct a hearing in accordance with Chapter 119. of the 55406
Revised Code on that matter. If after the hearing, the state board 55407
or designee has confirmed the original finding, the department of 55408
education may revoke the sponsor's approval to sponsor community 55409
schools. In that case, the department's office of Ohio school 55410
sponsorship, established under section 3314.029 of the Revised 55411
Code, may assume the sponsorship of any schools with which the 55412
sponsor has contracted until the earlier of the expiration of two 55413
school years or until a new sponsor as described in division 55414
(C)(1) of section 3314.02 of the Revised Code is secured by the 55415
school's governing authority. The office of Ohio school 55416
sponsorship may extend the term of the contract in the case of a 55417
school for which it has assumed sponsorship under this division as 55418
necessary to accommodate the term of the department's 55419
authorization to sponsor the school specified in this division. 55420
Community schools sponsored under this division shall not apply to 55421
the limit on directly authorized community schools under division 55422
(A)(3) of section 3314.029 of the Revised Code. However, nothing 55423
in this division shall preclude a community school affected by 55424

this division from applying for sponsorship under that section. 55425

(D) The decision of the department to disapprove an entity 55426
for sponsorship of a community school or to revoke approval for 55427
such sponsorship under division (C) of this section, may be 55428
appealed by the entity in accordance with section 119.12 of the 55429
Revised Code. 55430

(E) The department shall adopt procedures for use by a 55431
community school governing authority and sponsor when the school 55432
permanently closes and ceases operation, which shall include at 55433
least procedures for data reporting to the department, handling of 55434
student records, distribution of assets in accordance with section 55435
3314.074 of the Revised Code, and other matters related to ceasing 55436
operation of the school. 55437

(F)(1) In lieu of revoking a sponsor's authority to sponsor 55438
community schools under division (C) of this section, if the 55439
department finds that a sponsor is not in compliance with 55440
applicable laws and administrative rules, the department shall 55441
declare in a written notice to the sponsor the specific laws or 55442
rules, or both, for which the sponsor is noncompliant. A sponsor 55443
notified under division (F)(1) of this section shall respond to 55444
the department not later than fourteen days after the notification 55445
with a proposed plan to remedy the conditions for which the 55446
sponsor was found to be noncompliant. The department shall approve 55447
or disapprove the plan not later than fourteen days after 55448
receiving it. If the plan is disapproved, the sponsor may submit a 55449
revised plan to the department not later than fourteen days after 55450
receiving notification of disapproval from the department or not 55451
later than sixty days after the date the sponsor received 55452
notification of noncompliance from the department, whichever is 55453
earlier. The department shall approve or disapprove the revised 55454
plan not later than fourteen days after receiving it or not later 55455
than sixty days after the date the sponsor received notification 55456

of noncompliance from the department, whichever is earlier. A 55457
sponsor may continue to make revisions by the deadlines prescribed 55458
in division (F)(1) of this section to any revised plan that is 55459
disapproved by the department until the sixtieth day after the 55460
date the sponsor received notification of noncompliance from the 55461
department. 55462

If a plan or a revised plan is approved, the sponsor shall 55463
implement it not later than sixty days after the date the sponsor 55464
received notification of noncompliance from the department or not 55465
later than thirty days after the plan is approved, whichever is 55466
later. If a sponsor does not respond to the department or 55467
implement an approved compliance plan by the deadlines prescribed 55468
by division (F)(1) of this section, or if a sponsor does not 55469
receive approval of a compliance plan on or before the sixtieth 55470
day after the date the sponsor received notification of 55471
noncompliance from the department, the department shall declare in 55472
written notice to the sponsor that the sponsor is in probationary 55473
status, and may limit the sponsor's ability to sponsor additional 55474
schools. 55475

(2) A sponsor that has been placed on probationary status 55476
under division (F)(1) of this section may apply to the department 55477
for its probationary status to be lifted. The application for a 55478
sponsor's probationary status to be lifted shall include evidence, 55479
occurring after the initial notification of noncompliance, of the 55480
sponsor's compliance with applicable laws and administrative 55481
rules. Not later than fourteen days after receiving an application 55482
from the sponsor, the department shall decide whether or not to 55483
remove the sponsor's probationary status. 55484

(G) In carrying out its duties under this chapter, the 55485
department shall not impose requirements on community schools or 55486
their sponsors that are not permitted by law or duly adopted 55487
rules. 55488

(H) This section applies to entities that sponsor conversion 55489
community schools and new start-up schools. 55490

Sec. 3314.017. (A) The state board of education shall 55491
prescribe by rules, adopted in accordance with Chapter 119. of the 55492
Revised Code, an academic performance rating and report card 55493
system that satisfies the requirements of this section for 55494
community schools that primarily serve students enrolled in 55495
dropout prevention and recovery programs as described in division 55496
(A)(4)(a) of section 3314.35 of the Revised Code, to be used in 55497
lieu of the system prescribed under sections 3302.03 and 3314.012 55498
of the Revised Code beginning with the 2012-2013 school year. Each 55499
such school shall comply with the testing and reporting 55500
requirements of the system as prescribed by the state board. 55501

(B) Nothing in this section shall at any time relieve a 55502
school from its obligations under the "No Child Left Behind Act of 55503
2001" to make "adequate yearly progress," as both that act and 55504
that term are defined in section 3302.01 of the Revised Code, or a 55505
school's amenability to the provisions of section 3302.04 or 55506
3302.041 of the Revised Code. The department shall continue to 55507
report each school's performance as required by the act and to 55508
enforce applicable sanctions under section 3302.04 or 3302.041 of 55509
the Revised Code. 55510

(C) The rules adopted by the state board shall prescribe the 55511
following performance indicators for the rating and report card 55512
system required by this section: 55513

(1) Graduation rate for each of the following student 55514
cohorts: 55515

(a) The number of students who graduate in four years or less 55516
with a regular high school diploma divided by the number of 55517
students who form the adjusted cohort for the graduating class; 55518

following categories: 55554

- (a) Exceeds standards; 55555

indicators described in division (C)(2) of this section. 55576

consecutive years, a school shall be rated ~~as~~ not less than "meets 55581
standards." 55582

The rating and the relevant performance data for each school 55583
shall be posted on the department's web site, and a copy of the 55584

Code, an entity that has entered into a contract to sponsor a 55679
community school on April 8, 2003, may continue to sponsor the 55680

~~the entity complies with all other sponsorship provisions of this~~ 55682
~~chapter. Such an entity~~ and also may enter into new contracts to 55683
sponsor community schools after April 8, 2003, ~~and need not be~~ 55684
~~approved by the department for such sponsorship, as otherwise~~ 55685
~~required under divisions (A)(2) and (B)(1) of section 3314.015 of~~ 55686
~~the Revised Code,~~ as long as the contracts conform to and the 55687

Regardless of the entity's authority to sponsor community 55689
schools without the initial approval of the department, each 55690

Any contract that is renewed under this division remains subject to the provisions of sections 3314.07, 3314.072, and 3314.073 of the Revised Code.

A school shall not be considered permanently closed because the operations of the school have been suspended pursuant to section 3314.072 of the Revised Code.

Sec. 3314.042. The governing authority of each community school shall comply with the standards for financial reporting adopted under division (B)(2) of section 3301.07 of the Revised Code.

Sec. 3314.05. (A) The contract between the community school and the sponsor shall specify the facilities to be used for the community school and the method of acquisition. contract in a single facility or division (B)(2), (3), or (4) of 56135
this section applies to the school. The school shall not offer the 56136
same grade level classrooms in more than one facility. 56137

under the same contract and, notwithstanding division (B)(1) of 56139
this section, may assign students in the same grade level to 56140
multiple facilities, as long as all of the following apply: 56141

(A)(8)(b) of section 3314.02 of the Revised Code. 56150

~~(d)~~(b) The contract with that operator qualified the school 56151
to be established pursuant to division (A) of former section 56152
3314.016 of the Revised Code. 56153

~~(e)~~(c) The school's rating under section 3302.03 of the 56154
Revised Code does not fall below a combination of any of the 56155
following for two or more consecutive years: 56156

(i) A rating of "in need of continuous improvement" under 56157
section 3302.03 of the Revised Code, as that section existed prior 56158
to ~~the effective date of this section~~ March 22, 2013; 56159

(ii) For the 2012-2013 and 2013-2014 school years, a rating 56160

of "C" for both the performance index score under division 56161
(A)(1)(b) or (B)(1)(b) and the value-added dimension under 56162
division (A)(1)(e) or (B)(1)(e) of section 3302.03 of the Revised 56163
Code; or if the building serves only grades ten through twelve, 56164
the building received a grade of "C" for the performance index 56165
score under division (A)(1)(b) or (B)(1)(b) of section 3302.03 of 56166
the Revised Code; 56167

designation of "meets standards" under division (E)(3)(e) of 56171
section 3314.017 of the Revised Code. 56172

(3) A new start-up community school may be established in two 56173
school districts under the same contract if all of the following 56174
apply: 56175

(a) At least one of the school districts in which the school 56176
is established is a challenged school district; 56177

(b) The school operates not more than one facility in each 56178
school district and, in accordance with division (B)(1) of this 56179
section, the school does not offer the same grade level classrooms 56180
in both facilities; and 56181

(c) Transportation between the two facilities does not 56182
require more than thirty minutes of direct travel time as measured 56183
by school bus. 56184

In the case of a community school to which division (B)(3) of 56185
this section applies, if only one of the school districts in which 56186
the school is established is a challenged school district, that 56187
district shall be considered the school's primary location and the 56188
district in which the school is located for the purposes of 56189
division (A)(19) of section 3314.03 and divisions (C) and (H) of 56190
section 3314.06 of the Revised Code and for all other purposes of 56191

this chapter. If both of the school districts in which the school is established are challenged school districts, the school's governing authority shall designate one of those districts to be considered the school's primary location and the district in which the school is located for the purposes of those divisions and all other purposes of this chapter and shall notify the department of education of that designation.

(4) A community school may be located in multiple facilities under the same contract and, notwithstanding division (B)(1) of this section, may assign students in the same grade level to multiple facilities, as long as both of the following apply:

(a) The facilities are all located in the same county.

(b) Either of the following conditions are satisfied:

(i) The community school is sponsored by a board of education of a city, local, or exempted village school district having territory in the same county where the facilities of the community school are located;

(ii) The community school is managed by an operator.

In the case of a community school to which division (B)(4) of this section applies and that maintains facilities in more than one school district, the school's governing authority shall designate one of those districts to be considered the school's primary location and the district in which the school is located for the purposes of division (A)(19) of section 3314.03 and divisions (C) and (H) of section 3314.06 of the Revised Code and for all other purposes of this chapter and shall notify the department of that designation.

(5) Any facility used for a community school shall meet all health and safety standards established by law for school buildings.

(C) In the case where a community school is proposed to be located in a facility owned by a school district or educational service center, the facility may not be used for such community school unless the district or service center board owning the facility enters into an agreement for the community school to utilize the facility. Use of the facility may be under any terms and conditions agreed to by the district or service center board and the school.

(D) Two or more separate community schools may be located in the same facility.

(E) In the case of a community school that is located in multiple facilities, beginning July 1, 2012, the department shall assign a unique identification number to the school and to each facility maintained by the school. Each number shall be used for identification purposes only. Nothing in this division shall be construed to require the department to calculate the amount of funds paid under this chapter, or to compute any data required for the report cards issued under section 3314.012 of the Revised Code, for each facility separately. The department shall make all such calculations or computations for the school as a whole.

Sec. 3314.06. The governing authority of each community school established under this chapter shall adopt admission procedures that specify the following:

(A) That, except as otherwise provided in this section, admission to the school shall be open to any individual age five to twenty-two entitled to attend school pursuant to section 3313.64 or 3313.65 of the Revised Code in a school district in the state.

Additionally, except as otherwise provided in this section, admission to the school may be open on a tuition basis to any individual age five to twenty-two who is not a resident of this

state. The school shall not receive state funds under section 56253
3314.08 of the Revised Code for any student who is not a resident 56254
of this state. 56255

An individual younger than five years of age may be admitted 56256
to the school in accordance with division (A)(2) of section 56257
3321.01 of the Revised Code. 56258

(B)(1) That admission to the school may be limited to 56259
students who have attained a specific grade level or are within a 56260
specific age group; to students that meet a definition of 56261
"at-risk," as defined in the contract; to residents of a specific 56262
geographic area within the district, as defined in the contract; 56263
or to separate groups of autistic students and nondisabled 56264
students, as authorized in section 3314.061 of the Revised Code 56265
and as defined in the contract. 56266

(2) For purposes of division (B)(1) of this section, 56267
"at-risk" students may include those students identified as gifted 56268
students under section 3324.03 of the Revised Code. 56269

(C) Whether enrollment is limited to students who reside in 56270
the district in which the school is located or is open to 56271
residents of other districts, as provided in the policy adopted 56272
pursuant to the contract. 56273

(D)(1) That there will be no discrimination in the admission 56274
of students to the school on the basis of race, creed, color, 56275
disability, or sex except that: 56276

(a) The governing authority may do either of the following 56277
for the purpose described in division (G) of this section: 56278

(i) Establish a single-gender school for either sex; 56279

(ii) Establish single-gender schools for each sex under the 56280
same contract, provided substantially equal facilities and 56281
learning opportunities are offered for both boys and girls. Such 56282

facilities and opportunities may be offered for each sex at 56283
separate locations. 56284

(b) The governing authority may establish a school that 56285
simultaneously serves a group of students identified as autistic 56286
and a group of students who are not disabled, as authorized in 56287
section 3314.061 of the Revised Code. However, unless the total 56288
capacity established for the school has been filled, no student 56289
with any disability shall be denied admission on the basis of that 56290
disability. 56291

(2) That upon admission of any student with a disability, the 56292
community school will comply with all federal and state laws 56293
regarding the education of students with disabilities. 56294

(E) That the school may not limit admission to students on 56295
the basis of intellectual ability, measures of achievement or 56296
aptitude, or athletic ability, except that a school may limit its 56297
enrollment to students as described in division (B) of this 56298
section. 56299

(F) That the community school will admit the number of 56300
students that does not exceed the capacity of the school's 56301
programs, classes, grade levels, or facilities. 56302

(G) That the purpose of single-gender schools that are 56303
established shall be to take advantage of the academic benefits 56304
some students realize from single-gender instruction and 56305
facilities and to offer students and parents residing in the 56306
district the option of a single-gender education. 56307

(H) That, except as otherwise provided under division (B) of 56308
this section or section 3314.061 of the Revised Code, if the 56309
number of applicants exceeds the capacity restrictions of division 56310
(F) of this section, students shall be admitted by lot from all 56311
those submitting applications, except preference shall be given to 56312
students attending the school the previous year and to students 56313

who reside in the district in which the school is located. 56314
Preference may be given to siblings of students attending the 56315
school the previous year. 56316

Notwithstanding divisions (A) to (H) of this section, in the 56317
event the racial composition of the enrollment of the community 56318
school is violative of a federal desegregation order, the 56319
community school shall take any and all corrective measures to 56320
comply with the desegregation order. 56321

Sec. 3314.072. The provisions of this section are enacted to 56322
promote the public health, safety, and welfare by establishing 56323
procedures under which the governing authorities of community 56324
schools established under this chapter will be held accountable 56325
for their compliance with the terms of the contracts they enter 56326
into with their school's sponsors and the law relating to the 56327
school's operation. Suspension of the operation of a school 56328
imposed under this section is intended to encourage the governing 56329
authority's compliance with the terms of the school's contract and 56330
the law and is not intended to be an alteration of the terms of 56331
that contract. 56332

(A) If a sponsor of a community school established under this 56333
chapter suspends the operation of that school pursuant to 56334
procedures set forth in this section, the governing authority 56335
shall not operate that school while the suspension is in effect. 56336
Any such suspension shall remain in effect until the sponsor 56337
notifies the governing authority that it is no longer in effect. 56338
The contract of a school of which operation is suspended under 56339
this section also may be subject to termination or nonrenewal 56340
under section 3314.07 of the Revised Code. 56341

(B) If at any time conditions at the school do not comply 56342
with a health and safety standard established by law for school 56343
buildings, the sponsor shall immediately suspend the operation of 56344

the school pursuant to procedures set forth in division (D) of 56345
this section. If the sponsor fails to take action to suspend the 56346
operation of a school to which this division applies, the 56347
department of education may take such action. 56348

(C)(1) For any of the reasons prescribed in division 56349
(B)(1)(a) to (d) of section 3314.07 of the Revised Code, the 56350
sponsor of a community school established under this chapter may 56351
suspend the operation of the school only if it first issues to the 56352
governing authority notice of the sponsor's intent to suspend the 56353
operation of the contract. Such notice shall explain the reasons 56354
for the sponsor's intent to suspend operation of the contract and 56355
shall provide the school's governing authority with five business 56356
days to submit to the sponsor a proposal to remedy the conditions 56357
cited as reasons for the suspension. 56358

(2) The sponsor shall promptly review any proposed remedy 56359
timely submitted by the governing authority and either approve or 56360
disapprove the remedy. If the sponsor disapproves the remedy 56361
proposed by the governing authority, if the governing authority 56362
fails to submit a proposed remedy in the manner prescribed by the 56363
sponsor, or if the governing authority fails to implement the 56364
remedy as approved by the sponsor, the sponsor may suspend 56365
operation of the school pursuant to procedures set forth in 56366
division (D) of this section. 56367

(D)(1) If division (B) of this section applies or if the 56368
sponsor of a community school established under this chapter 56369
decides to suspend the operation of a school as permitted in 56370
division (C)(2) of this section, the sponsor shall promptly send 56371
written notice to the governing authority stating that the 56372
operation of the school is immediately suspended, and explaining 56373
the specific reasons for the suspension. The notice shall state 56374
that the governing authority has five business days to submit a 56375
proposed remedy to the conditions cited as reasons for the 56376

suspension or face potential contract termination. 56377

(2) Upon receipt of the notice of suspension prescribed under 56378
division (D)(1) of this section, the governing authority shall 56379
immediately notify the employees of the school and the parents of 56380
the students enrolled in the school of the suspension and the 56381
reasons therefore, and shall cease all school operations on the 56382
next business day. 56383

(E)(1) Beginning with the 2013-2014 school year, if the 56384
sponsor of a community school suspends the operation of that 56385
school pursuant to procedures set forth in this section, the 56386
school's contract with the sponsor under section 3314.03 of the 56387
Revised Code shall become void, if the governing authority of the 56388
school fails to provide a proposal to remedy the conditions cited 56389
by the sponsor as reasons for the suspension, to the satisfaction 56390
of the sponsor, by the thirtieth day of September of the school 56391
year immediately following the school year in which the operation 56392
of school was suspended. 56393

(2) If, prior to the effective date of this amendment, the 56394
sponsor of a community school has suspended the operation of the 56395
school, the contract with the sponsor under section 3314.03 of the 56396
Revised Code shall become void if the governing authority of the 56397
school fails to provide by September 30, 2014, a proposal to 56398
remedy the conditions cited by the sponsor as reasons for the 56399
suspension, to the satisfaction of the sponsor. 56400

Sec. 3314.074. Divisions (A) and (B) of this section apply 56401
only to the extent permitted under Chapter 1702. of the Revised 56402
Code. 56403

(A) If any community school established under this chapter 56404
permanently closes and ceases its operation as a community school, 56405

retirement funds of employees of the school, employees of the 56407

school, and private creditors who are owed compensation, and then 56408
any remaining funds shall be paid to the department of education 56409
for redistribution to the school districts in which the students 56410
who were enrolled in the school at the time it ceased operation 56411
were entitled to attend school under section 3313.64 or 3313.65 of 56412
the Revised Code. The amount distributed to each school district 56413
shall be proportional to the district's share of the total 56414
enrollment in the community school. 56415

(B) If a community school closes and ceases to operate as a 56416
community school and the school has received computer hardware or 56417
software from the former Ohio SchoolNet commission or the former 56418
eTech Ohio commission, such hardware or software shall be ~~returned~~ 56419
turned over to the ~~eTech Ohio commission~~ department of education, 56420

possible, to school districts in conformance with the provisions 56423
of the programs as they were operated and administered by the 56424
former eTech Ohio commission. 56425

(C) If the assets of the school are insufficient to pay all 56426
persons or entities to whom compensation is owed, the 56427
prioritization of the distribution of the assets to individual 56428
persons or entities within each class of payees may be determined 56429
by decree of a court in accordance with this section and Chapter 56430
1702. of the Revised Code. 56431

(1) A student shall be considered enrolled in the community 57077
school for any portion of the school year the student is 57078
participating at a college under Chapter 3365. of the Revised 57079
Code. 57080

(2) A student shall be considered to be enrolled in a 57081
community school for the period of time beginning on the later of 57082
the date on which the school both has received documentation of 57083
the student's enrollment from a parent and the student has 57084
commenced participation in learning opportunities as defined in 57085
the contract with the sponsor, or thirty days prior to the date on 57086
which the student is entered into the education management 57087
information system established under section 3301.0714 of the 57088
Revised Code. For purposes of applying this division and divisions 57089

~~(L)~~(H)(3) and (4) of this section to a community school student, 57090
"learning opportunities" shall be defined in the contract, which 57091
shall describe both classroom-based and non-classroom-based 57092
learning opportunities and shall be in compliance with criteria 57093
and documentation requirements for student participation which 57094
shall be established by the department. Any student's instruction 57095
time in non-classroom-based learning opportunities shall be 57096
certified by an employee of the community school. A student's 57097
enrollment shall be considered to cease on the date on which any 57098
of the following occur: 57099

(a) The community school receives documentation from a parent 57100
terminating enrollment of the student. 57101

(b) The community school is provided documentation of a 57102
student's enrollment in another public or private school. 57103

(c) The community school ceases to offer learning 57104
opportunities to the student pursuant to the terms of the contract 57105
with the sponsor or the operation of any provision of this 57106
chapter. 57107

Except as otherwise specified in this paragraph, beginning in 57108
the 2011-2012 school year, any student who completed the prior 57109
school year in an internet- or computer-based community school 57110
shall be considered to be enrolled in the same school in the 57111
subsequent school year until the student's enrollment has ceased 57112
as specified in division ~~(L)~~(H)(2) of this section. The department 57113
shall continue subtracting and paying amounts for the student 57114
under ~~divisions~~ division (C) and ~~(D)~~ of this section without 57115
interruption at the start of the subsequent school year. However, 57116
if the student without a legitimate excuse fails to participate in 57117
the first one hundred five consecutive hours of learning 57118
opportunities offered to the student in that subsequent school 57119
year, the student shall be considered not to have re-enrolled in 57120
the school for that school year and the department shall 57121

recalculate the payments to the school for that school year to 57122
account for the fact that the student is not enrolled. 57123

(3) The department shall determine each community school 57124
student's percentage of full-time equivalency based on the 57125
percentage of learning opportunities offered by the community 57126
school to that student, reported either as number of hours or 57127
number of days, is of the total learning opportunities offered by 57128
the community school to a student who attends for the school's 57129
entire school year. However, no internet- or computer-based 57130
community school shall be credited for any time a student spends 57131
participating in learning opportunities beyond ten hours within 57132
any period of twenty-four consecutive hours. Whether it reports 57133
hours or days of learning opportunities, each community school 57134
shall offer not less than nine hundred twenty hours of learning 57135
opportunities during the school year. 57136

(4) With respect to the calculation of full-time equivalency 57137
under division ~~(L)~~(H)(3) of this section, the department shall 57138
waive the number of hours or days of learning opportunities not 57139
offered to a student because the community school was closed 57140
during the school year due to disease epidemic, hazardous weather 57141
conditions, law enforcement emergencies, inoperability of school 57142
buses or other equipment necessary to the school's operation, 57143
damage to a school building, or other temporary circumstances due 57144
to utility failure rendering the school building unfit for school 57145
use, so long as the school was actually open for instruction with 57146
students in attendance during that school year for not less than 57147
the minimum number of hours required by this chapter. The 57148
department shall treat the school as if it were open for 57149
instruction with students in attendance during the hours or days 57150
waived under this division. 57151

~~(M)~~(I) The department of education shall reduce the amounts 57152
paid under ~~division (D)~~ of this section to reflect payments made 57153

to colleges under division (B) of section 3365.07 of the Revised Code or through alternative funding agreements entered into under rules adopted under section 3365.12 of the Revised Code.

~~(N)~~(J)(1) No student shall be considered enrolled in any internet- or computer-based community school or, if applicable to the student, in any community school that is required to provide the student with a computer pursuant to division (C) of section 3314.22 of the Revised Code, unless both of the following conditions are satisfied:

(a) The student possesses or has been provided with all required hardware and software materials and all such materials are operational so that the student is capable of fully participating in the learning opportunities specified in the contract between the school and the school's sponsor as required by division (A)(23) of section 3314.03 of the Revised Code;

(b) The school is in compliance with division (A) of section 3314.22 of the Revised Code, relative to such student.

(2) In accordance with policies adopted jointly by the superintendent of public instruction and the auditor of state, the department shall reduce the amounts otherwise payable under division ~~(D)~~(C) of this section to any community school that includes in its program the provision of computer hardware and software materials to any student, if such hardware and software materials have not been delivered, installed, and activated for each such student in a timely manner or other educational materials or services have not been provided according to the contract between the individual community school and its sponsor.

The superintendent of public instruction and the auditor of state shall jointly establish a method for auditing any community school to which this division pertains to ensure compliance with this section.

The superintendent, auditor of state, and the governor shall 57185
jointly make recommendations to the general assembly for 57186
legislative changes that may be required to assure fiscal and 57187
academic accountability for such schools. 57188

~~(O)~~(K)(1) If the department determines that a review of a 57189
community school's enrollment is necessary, such review shall be 57190
completed and written notice of the findings shall be provided to 57191
the governing authority of the community school and its sponsor 57192
within ninety days of the end of the community school's fiscal 57193
year, unless extended for a period not to exceed thirty additional 57194
days for one of the following reasons: 57195

(a) The department and the community school mutually agree to 57196
the extension. 57197

(b) Delays in data submission caused by either a community 57198
school or its sponsor. 57199

(2) If the review results in a finding that additional 57200
funding is owed to the school, such payment shall be made within 57201
thirty days of the written notice. If the review results in a 57202
finding that the community school owes moneys to the state, the 57203
following procedure shall apply: 57204

(a) Within ten business days of the receipt of the notice of 57205
findings, the community school may appeal the department's 57206
determination to the state board of education or its designee. 57207

(b) The board or its designee shall conduct an informal 57208
hearing on the matter within thirty days of receipt of such an 57209
appeal and shall issue a decision within fifteen days of the 57210
conclusion of the hearing. 57211

(c) If the board has enlisted a designee to conduct the 57212
hearing, the designee shall certify its decision to the board. The 57213
board may accept the decision of the designee or may reject the 57214
decision of the designee and issue its own decision on the matter. 57215

(d) Any decision made by the board under this division is 57216
final. 57217

(3) If it is decided that the community school owes moneys to 57218
the state, the department shall deduct such amount from the 57219
school's future payments in accordance with guidelines issued by 57220
the superintendent of public instruction. 57221

~~(P)~~(L) The department shall not subtract from a school 57222
district's state aid account ~~under division (C) of this section~~ 57223
and shall not pay to a community school under division ~~(D)~~(C) of 57224
this section any amount for any of the following: 57225

(1) Any student who has graduated from the twelfth grade of a 57226
public or nonpublic high school; 57227

(2) Any student who is not a resident of the state; 57228

(3) Any student who was enrolled in the community school 57229
during the previous school year when assessments were administered 57230
under section 3301.0711 of the Revised Code but did not take one 57231
or more of the assessments required by that section and was not 57232
excused pursuant to division (C)(1) or (3) of that section, unless 57233
the superintendent of public instruction grants the student a 57234
waiver from the requirement to take the assessment and a parent is 57235
not paying tuition for the student pursuant to section 3314.26 of 57236
the Revised Code. The superintendent may grant a waiver only for 57237
good cause in accordance with rules adopted by the state board of 57238
education. 57239

(4) Any student who has attained the age of twenty-two years, 57240
except for veterans of the armed services whose attendance was 57241
interrupted before completing the recognized twelve-year course of 57242
the public schools by reason of induction or enlistment in the 57243
armed forces and who apply for enrollment in a community school 57244
not later than four years after termination of war or their 57245
honorable discharge. If, however, any such veteran elects to 57246

enroll in special courses organized for veterans for whom tuition 57247
is paid under federal law, or otherwise, the department shall not 57248
subtract from a school district's state aid account ~~under division~~ 57249
~~(C) of this section~~ and shall not pay to a community school under 57250
division ~~(D)~~(C) of this section any amount for that veteran. 57251

Sec. 3314.082. A community school shall be considered a 57252
school district and its governing authority shall be considered a 57253
board of education for the purpose of applying to any state or 57254
federal agency for grants that a school district may receive under 57255
federal or state law or any appropriations act of the general 57256
assembly. The governing authority of a community school may apply 57257
to any private entity for additional funds. 57258

Sec. 3314.083. If the department of education pays a joint 57259
vocational school district under division ~~(G)(4)~~(C)(3) of section 57260
3317.16 of the Revised Code for excess costs of providing special 57261
education and related services to a student with a disability who 57262
is enrolled in a community school, as calculated under division 57263
~~(G)(2)~~(C)(1) of that section, the department shall deduct the 57264
amount of that payment from the amount calculated for payment to 57265
the community school under section 3314.08 of the Revised Code. 57266

Sec. 3314.084. (A) As used in this section: 57267

(B) Notwithstanding anything to the contrary in section 57276
3314.08 or 3317.03 of the Revised Code, all of the following apply 57277
in the case of a child who is enrolled in a community school and 57278
is also living in a home: 57279

(1) For purposes of the report required under division (B)(1) 57280
of section 3314.08 of the Revised Code, the child's school 57281
district of residence, and not the school district in which the 57282
home that the child is living in is located, shall be considered 57283
to be the school district in which the child is entitled to attend 57284
school. That school district of residence, therefore, shall make 57285
the report required under division (B)(1) of section 3314.08 of 57286
the Revised Code with respect to the child. 57287

(2) For purposes of the report required under division (B)(2) 57288
of section 3314.08 of the Revised Code, the community school shall 57289
report the name of the child's school district of residence. 57290

section 3314.08 ~~and division (D) of section 3314.13~~ of the Revised 57298
Code from the child's school district of residence and shall not 57299
deduct those amounts from the school district in which the home 57300

(6) The ~~Department~~ department shall make the payments 57302
prescribed in ~~divisions (D) and (E)~~ division (C) of section 57303

Sec. 3314.086. A community school established under this chapter, including an internet- or computer-based community school, may provide career-technical education in the manner prescribed by section 3313.90 of the Revised Code. The community school may contract with any public agency, board, or bureau or with any private individual or firm for the purchase of any career-technical education or vocational rehabilitation service for any student enrolled in the community school and may pay for such services with funds received under section 3314.08 of the Revised Code.

into an agreement with the community school's governing authority 57356
that designates the community school as responsible for providing 57357
or arranging for the transportation of the district's native 57358
students to and from the community school. For any such agreement 57359
to be effective, it must be certified by the superintendent of 57360
public instruction as having met all of the following 57361
requirements: 57362

(1) It is submitted to the department of education by a 57363
deadline which shall be established by the department. 57364

(2) In accordance with divisions (C)(1) and (2) of this 57365
section, it specifies qualifications, such as residing a minimum 57366

distance from the school, for students to have their transportation provided or arranged.

(3) The transportation provided by the community school is subject to all provisions of the Revised Code and all rules adopted under the Revised Code pertaining to pupil transportation.

(4) The sponsor of the community school also has signed the agreement.

(B)(1) For the school year that begins on July 1, 2007, a school district is not required to provide transportation for any native student enrolled in a community school, if the community school during the previous school year transported the students enrolled in the school or arranged for the students' transportation, even if that arrangement consisted of having parents transport their children to and from the school, but did not enter into an agreement to transport or arrange for transportation for those students under division (A) of this section, and if the governing authority of the community school by July 15, 2007, submits written notification to the district board of education stating that the governing authority is accepting responsibility for providing or arranging for the transportation of the district's native students to and from the community school.

(2) ~~For~~ Except as provided in division (B)(4) of this section, for any school year subsequent to the school year that begins on July 1, 2007, a school district is not required to provide transportation for any native student enrolled in a community school if the governing authority of the community school, by the thirty-first day of January of the previous school year, submits written notification to the district board of education stating that the governing authority is accepting responsibility for providing or arranging for the transportation of the district's native students to and from the community

school. If the governing authority of the community school has 57399
previously accepted responsibility for providing or arranging for 57400
the transportation of a district's native students to and from the 57401
community school, under division (B)(1) or (2) of this section, 57402
and has since relinquished that responsibility under division 57403
(B)(3) of this section, the governing authority shall not accept 57404
that responsibility again unless the district board consents to 57405
the governing authority's acceptance of that responsibility. 57406

(3) A governing authority's acceptance of responsibility 57407
under division (B)(1) or (2) of this section shall cover an entire 57408
school year, and shall remain in effect for subsequent school 57409
years unless the governing authority submits written notification 57410
to the district board that the governing authority is 57411
relinquishing the responsibility. However, a governing authority 57412
shall not relinquish responsibility for transportation before the 57413
end of a school year, and shall submit the notice relinquishing 57414
responsibility by the thirty-first day of January, in order to 57415
allow the school district reasonable time to prepare 57416
transportation for its native students enrolled in the school. 57417

(4)(a) For any school year that begins on or after July 1, 57418
2014, a school district is not required to provide transportation 57419
for any native student enrolled in a community school scheduled to 57420
open for operation in the current school year, if the governing 57421
authority of the community school, by the fifteenth day of April 57422
of the previous school year, submits written notification to the 57423
district board of education stating that the governing authority 57424
is accepting responsibility for providing or arranging for the 57425
transportation of the district's native students to and from the 57426
community school. 57427

(b) The governing authority of a community school that 57428
accepts responsibility for transporting its students under 57429
division (4)(a) of this section shall comply with divisions (B)(2) 57430

and (3) of this section to renew or relinquish that authority for 57431
subsequent school years. 57432

(C)(1) A community school governing authority that enters 57433
into an agreement under division (A) of this section, or that 57434
accepts responsibility under division (B) of this section, shall 57435
provide or arrange transportation free of any charge for each of 57436
its enrolled students who is required to be transported under 57437
section 3327.01 of the Revised Code or who would otherwise be 57438
transported by the school district under the district's 57439
transportation policy. The governing authority shall report to the 57440
department of education the number of students transported or for 57441
whom transportation is arranged under this section in accordance 57442
with rules adopted by the state board of education. 57443

(2) The governing authority may provide or arrange 57444
transportation for any other enrolled student who is not eligible 57445
for transportation in accordance with division (C)(1) of this 57446
section and may charge a fee for such service up to the actual 57447
cost of the service. 57448

(3) Notwithstanding anything to the contrary in division 57449
(C)(1) or (2) of this section, a community school governing 57450
authority shall provide or arrange transportation free of any 57451
charge for any disabled student enrolled in the school for whom 57452
the student's individualized education program developed under 57453
Chapter 3323. of the Revised Code specifies transportation. 57454

(D)(1) If a school district board and a community school 57455
governing authority elect to enter into an agreement under 57456
division (A) of this section, the department of education shall 57457
make payments to the community school according to the terms of 57458
the agreement for each student actually transported under division 57459
(C)(1) of this section. 57460

If a community school governing authority accepts 57461

transportation responsibility under division (B) of this section, 57462
the department shall make payments to the community school for 57463
each student actually transported or for whom transportation is 57464
arranged by the community school under division (C)(1) of this 57465
section, calculated as follows: 57466

(a) For any fiscal year which the general assembly has 57467
specified that transportation payments to school districts be 57468
based on an across-the-board percentage of the district's payment 57469
for the previous school year, the per pupil payment to the 57470
community school shall be the following quotient: 57471

(i) The total amount calculated for the school district in 57472
which the child is entitled to attend school for student 57473
transportation other than transportation of children with 57474
disabilities; divided by 57475

(ii) The number of students included in the district's 57476
transportation ADM for the current fiscal year, as reported under 57477
division (B)~~(13)~~(19) of section 3317.03 of the Revised Code, plus 57478
the number of students enrolled in the community school not 57479
counted in the district's transportation ADM who are transported 57480
under division (B)(1) or (2) of this section. 57481

(b) For any fiscal year which the general assembly has 57482
specified that the transportation payments to school districts be 57483
calculated in accordance with section 3317.0212 of the Revised 57484
Code and any rules of the state board of education implementing 57485
that section, the payment to the community school shall be the 57486
amount so calculated that otherwise would be paid to the school 57487
district in which the student is entitled to attend school by the 57488
method of transportation the district would have used. The 57489
community school, however, is not required to use the same method 57490
to transport that student. 57491

(c) Divisions (D)(1)(a) and (b) of this section do not apply 57492

to fiscal years 2012 and 2013. Rather, for each of those fiscal 57493
years, the per pupil payment to a community school for 57494
transporting a student shall be the total amount paid under former 57495
section 3306.12 of the Revised Code for fiscal year 2011 to the 57496
school district in which the child is entitled to attend school 57497
divided by that district's "qualifying ridership," as defined in 57498
that section for fiscal year 2011. 57499

As used in this division "entitled to attend school" means 57500
entitled to attend school under section 3313.64 or 3313.65 of the 57501
Revised Code. 57502

(2) The department shall deduct the payment under division 57503
(D)(1) of this section from the state education aid, as defined in 57504
section 3314.08 of the Revised Code, and, if necessary, the 57505
payment under sections 321.14 and 323.156 of the Revised Code, 57506
that is otherwise paid to the school district in which the student 57507
enrolled in the community school is entitled to attend school. The 57508
department shall include the number of the district's native 57509
students for whom payment is made to a community school under 57510
division (D)(1) of this section in the calculation of the 57511
district's transportation payment under section 3317.0212 of the 57512
Revised Code and the operating appropriations act. 57513

(3) A community school shall be paid under division (D)(1) of 57514
this section only for students who are eligible as specified in 57515
section 3327.01 of the Revised Code and division (C)(1) of this 57516
section, and whose transportation to and from school is actually 57517
provided, who actually utilized transportation arranged, or for 57518
whom a payment in lieu of transportation is made by the community 57519
school's governing authority. To qualify for the payments, the 57520
community school shall report to the department, in the form and 57521
manner required by the department, data on the number of students 57522
transported or whose transportation is arranged, the number of 57523
miles traveled, cost to transport, and any other information 57524

requested by the department. 57525

(4) A community school shall use payments received under this 57526
section solely to pay the costs of providing or arranging for the 57527
transportation of students who are eligible as specified in 57528
section 3327.01 of the Revised Code and division (C)(1) of this 57529
section, which may include payments to a parent, guardian, or 57530
other person in charge of a child in lieu of transportation. 57531

(E) Except when arranged through payment to a parent, 57532
guardian, or person in charge of a child, transportation provided 57533
or arranged for by a community school pursuant to an agreement 57534
under this section is subject to all provisions of the Revised 57535
Code, and all rules adopted under the Revised Code, pertaining to 57536
the construction, design, equipment, and operation of school buses 57537
and other vehicles transporting students to and from school. The 57538
drivers and mechanics of the vehicles are subject to all 57539
provisions of the Revised Code, and all rules adopted under the 57540
Revised Code, pertaining to drivers and mechanics of such 57541
vehicles. The community school also shall comply with sections 57542
3313.201, 3327.09, and 3327.10 of the Revised Code, division (B) 57543
of section 3327.16 of the Revised Code and, subject to division 57544
(C)(1) of this section, sections 3327.01 and 3327.02 of the 57545
Revised Code, as if it were a school district. 57546

Sec. 3314.092. The governing authority or operator of a 57547
community school established under this chapter shall consult with 57548
each school district board of education that transports students 57549
to the community school under sections 3314.09 and 3327.01 of the 57550
Revised Code prior to making any change in the hours or days in 57551
which the community school is open for instruction. 57552

Sec. 3314.11. (A) The board of education of each city, 57553
exempted village, and local school district monthly shall review 57554

enrollment for students enrolled in community schools established 57555
under this chapter and entitled to attend school in the district 57556
under section 3313.64 or 3313.65 of the Revised Code. For each 57557
student, the district shall verify to the department of education 57558
both of the following: 57559

(1) The community school in which the student is enrolled; 57560

(2) That the student is entitled to attend school in the 57561
district under section 3313.64 or 3313.65 of the Revised Code. 57562

(B) For purposes of its initial reporting of the school 57563
districts its students are entitled to attend, the governing 57564
authority of a community school may adopt a policy that prescribes 57565
the number of documents listed in division (E) of this section 57566
required to verify a student's residency. This policy, if adopted, 57567
shall supersede any policy concerning the number of documents for 57568
initial residency verification adopted by the district the student 57569
is entitled to attend. If a community school does not adopt a 57570
policy under this division, the policy of the school district in 57571
which the student is entitled to attend shall prevail. 57572

(C) In making the determinations under this section, the 57573
school district in which a parent or child resides is the location 57574
the parent or student has established as the primary residence and 57575
where substantial family activity takes place. 57576

(D) If a district's determination under division (A) of this 57577
section of the school district a student is entitled to attend 57578
under section 3313.64 or 3313.65 of the Revised Code differs from 57579
a community school's determination under division (B) of this 57580
section, the community school shall provide the school district 57581
that made the determination under division (A) of this section 57582
with documentation of the student's residency and shall make a 57583
good faith effort to accurately identify the correct residence of 57584
the student. 57585

(E) For purposes of this section, the following documents may serve as evidence of primary residence:	57586 57587
(1) A deed, mortgage, lease, current home owner's or renter's insurance declaration page, or current real property tax bill;	57588 57589
(2) A utility bill or receipt of utility installation issued within ninety days of enrollment;	57590 57591

(4) The most current available bank statement issued to the parent or student that includes the address of the parent's or student's primary residence;	57595 57596 57597
(5) Any other official document issued to the parent or student that includes the address of the parent's or student's primary residence. The superintendent of public instruction shall develop guidelines for determining what qualifies as an "official document" under this division.	57598 57599 57600 57601 57602
(F) When a student loses permanent housing and becomes a homeless child or youth, as defined in 42 U.S.C. 11434a, or when a child who is such a homeless child or youth changes temporary living arrangements, the district in which the student is entitled to attend school shall be determined in accordance with division (F)(13) of section 3313.64 of the Revised Code and the "McKinney-Vento Homeless Assistance Act," 42 U.S.C. 11431 et seq.	57603 57604 57605 57606 57607 57608 57609

Not later than thirty days after the community school	57610 57611 57612 57613 57614 57615 57616

presents the matter, the state superintendent, or the state 57617
superintendent's designee, shall determine which district the 57618
student is entitled to attend and shall direct any necessary 57619

3314.08 ~~and 3314.13~~ of the Revised Code based on that 57621
determination. 57622

consecutive school years, has failed to participate in the spring 57625
administration of any assessment prescribed under section 57626
3301.0710 or 3301.0712 of the Revised Code for the student's grade 57627
level and was not excused from the assessment pursuant to division 57628
(C)(1) or (3) of section 3301.0711 of the Revised Code, regardless 57629
of whether a waiver was granted for the student under division 57630
~~(P)~~(L)(3) of section 3314.08 of the Revised Code. The school shall 57631
report any such student's data verification code, as assigned 57632
pursuant to section 3301.0714 of the Revised Code, to the 57633
department of education. The department shall maintain a list of 57634

section 3313.6410 of the Revised Code and provide that list to 57636
each internet- or computer-based community school and to each 57637
school to which section 3313.6410 of the Revised Code applies. 57638

(B) No internet- or computer-based community school shall 57639
receive any state funds under this chapter for any enrolled 57640
student whose data verification code appears on the list 57641
maintained by the department under division (A) of this section. 57642

Notwithstanding any provision of the Revised Code to the 57643
contrary, the parent of any such student shall pay tuition to the 57644
internet- or computer-based community school in an amount equal to 57645
the state funds the school otherwise would receive for that 57646
student, as determined by the department. An internet- or 57647

computer-based community school may withdraw any student for whom 57648
the parent does not pay tuition as required by this division. 57649

Sec. 3314.261. A student shall be considered continuously 57650
enrolled for purposes of the administration of state assessments 57651
prescribed by sections 3301.0710 and 3301.0712 of the Revised Code 57652
if the student transfers from an internet or computer-based 57653
community school to another internet or computer-based community 57654
school that is managed by the same operator. 57655

Sec. 3314.29. (A) Notwithstanding anything in this chapter to 57656

divide into two separate internet- or computer-based community 57658

(1) The school was in operation on or before the effective 57660
date of this section. 57661

Revised Code the number of days the school was actually open for 58211
instruction with pupils in attendance and for individualized 58212
parent teacher conference and reporting periods is not less than 58213

Sec. 3317.017. The department of education shall compute a school district's state share index as follows: 58350
58351

(A) Calculate the district's valuation index, which equals the following quotient: 58352
58353

(The district's three-year average valuation / the district's total ADM) / (the statewide three-year average valuation for 58354
58355

school districts with a total ADM greater than zero / the 58356
statewide total ADM) 58357

(B) Calculate the district's median income index, which 58358
equals the following quotient: 58359

(The district's median Ohio adjusted gross income / the 58360
median of the median Ohio adjusted gross income of all districts 58361
statewide) 58362

(C) Determine the district's wealth index as follows: 58363

(1) If the district's median income index is less than the 58364
district's valuation index, then the district's wealth index shall 58365
be equal to [(1/3 X the district's median income index) + (2/3 X 58366
the district's valuation index)]. 58367

(2) If the district's median income index is greater than or 58368
equal to the district's valuation index, then the district's 58369
wealth index shall be equal to the district's valuation index. 58370

(D) Determine the district's state share index as follows: 58371

(1) If the district's wealth index is less than or equal to 58372
0.35, then the district's state share index shall be equal to 58373
0.90. 58374

(2) If the district's wealth index is greater than 0.35 but 58375
less than or equal to 0.90, then the district's state share index 58376
shall be equal to {0.40 X [(0.90 - the district's wealth index) / 58377
0.55]} + 0.50. 58378

(3) If the district's wealth index is greater than 0.90 but 58379
less than 1.8, then the district's state share index shall be 58380
equal to {0.45 X [(1.8 - the district's wealth index) / 0.9]} + 58381
0.05. 58382

(4) If the district's wealth index is greater than or equal 58383
to 1.8, then the district's state share index shall be equal to 58384
0.05. 58385

(E)(1) For each school district for which the tax-exempt value of the district, as certified under division (A)(4) of section 3317.021 of the Revised Code, equals or exceeds thirty per cent of the potential value of the district, the department shall calculate the difference between the district's tax-exempt value and thirty per cent of the district's potential value. For this purpose, the "potential value" of a school district is the three-year average valuation of the district plus the tax-exempt value of the district. 58386
58387
58388
58389
58390
58391
58392
58393
58394

(2) For each school district to which division (E)(1) of this section applies, the department shall adjust the three-year average valuation used in the calculation under division (A) of this section by subtracting from it the amount calculated under division (E)(1) of this section. 58395
58396
58397
58398
58399

(F) When performing the calculations required under this section, the department shall not round to fewer than four decimal places. 58400

qualifying riders per assigned bus.~~

~~(3) The department shall determine each city, local, and

follows:~~

~~(a) If the district's efficiency index is equal to or greater

Sec. 3317.0217. Payment of the amount calculated for a school district under this section shall be made under division (A) of section 3317.022 of the Revised Code. 59417
59418
59419

(A) The department of education shall annually compute targeted assistance funds to school districts, as follows: 59420
59421

(1) Calculate the local wealth per pupil of each school district, which equals the following sum: 59422
59423

(a) One-half times the quotient of (i) the district's three-year average valuation divided by (ii) its formula ADM; plus 59424
59425

(b) One-half times the quotient of (i) the average of the total federal adjusted gross income of the school district's residents for the three years most recently reported under section 3317.021 of the Revised Code divided by (ii) its formula ADM. 59426
59427
59428
59429

(2) Rank all school districts in order of local wealth per pupil, from the district with the lowest local wealth per pupil to the district with the highest local wealth per pupil. 59430
59431
59432

(3) Compute the statewide wealth per pupil, which equals the following sum: 59433
59434

(a) One-half times the quotient of (i) the sum of the 59435
three-year average valuations for all school districts divided by 59436
(ii) the sum of formula ADM counts for all schools districts; plus 59437

(b) One-half times the quotient of (i) the sum of the 59438
three-year average total federal adjusted gross incomes for all 59439
school districts divided by (ii) the sum of formula ADM counts for 59440
all school districts. 59441

(4) Compute each district's wealth index by dividing the 59442
statewide wealth per pupil by the district's local wealth per 59443
pupil. 59444

(5) Compute the per pupil targeted assistance for each 59445
eligible school district in accordance with the following formula: 59446

(Threshold local wealth per pupil - the district's local wealth 59447
per pupil) 59448

X target millage X the district's wealth index 59449

Where: 59450

(a) An "eligible school district" means a school district 59451
with a local wealth per pupil less than that of the school 59452
district with the 490th lowest local wealth per pupil. 59453

(b) "Threshold local wealth per pupil" means the local wealth 59454
per pupil of the school district with the 490th lowest local 59455
wealth per pupil. 59456

(c) "Target millage" means 0.006. 59457

If the result of the calculation for a school district under 59458
division (A)(5) of this section is less than zero, the district's 59459
targeted assistance shall be zero. 59460

(6) Calculate the aggregate amount to be paid as targeted 59461
assistance funds to each school district under division (A) of 59462
section 3317.022 of the Revised Code by multiplying the per pupil 59463
targeted assistance computed under division (A)(5) of this section 59464

by the district's net formula ADM. 59465

As used in this division, a district's "net formula ADM" means its formula ADM minus the number of community school students reported under division (B)(3)(d) of section 3317.03 of the Revised Code X 0.75, the number of internet- and computer-based community school students reported under division (B)(3)(e) of that section, and the number of scholarship students reported under divisions (B)(3)(f), (g), and (l) of that section. 59466
59467
59468
59469
59470
59471
59472

(B) The department shall annually compute supplemental targeted assistance funds to school districts, as follows: 59473
59474

(1) Compute each district's agricultural percentage as the quotient of (a) the three-year average tax valuation of real property in the district that is classified as agricultural property divided by (b) the three-year average tax valuation of all of the real property in the district. For purposes of this computation, a district's "three-year average tax valuation" means the average of a district's tax valuation for fiscal years 2012, 2013, and 2014. 59475
59476
59477
59478
59479
59480
59481
59482

(2) Determine each district's agricultural targeted percentage as follows: 59483
59484

(a) If a district's agricultural percentage is greater than or equal to 0.10, then the district's agricultural targeted percentage shall be equal to 0.40. 59485
59486
59487

(b) If a district's agricultural percentage is less than 0.10, then the district's agricultural targeted percentage shall be equal to 4 X the district's agricultural percentage. 59488
59489
59490

(3) Calculate the aggregate amount to be paid as supplemental targeted assistance funds to each school district under division (A) of section 3317.022 of the Revised Code by multiplying the district's agricultural targeted percentage by the amount calculated for the district under division (A)(6) of this section. 59491

Such certification shall be submitted no later than the fifteenth~~

~~day of February. For the balance of the fiscal year, beginning 60055

school district and the primary paying agent or fiscal agent for 61042
such securities providing for, the withholding and deposit of 61043
funds, otherwise due the district under Chapter 3317. of the 61044
Revised Code, for the payment of debt service charges on such 61045
securities. 61046

The board of education shall deliver to the state department 61047
a copy of such resolution and any additional pertinent information 61048
the state department may require. 61049

The department of education and the office of budget and management shall evaluate each request received from a school district under this section and the department, with the advice and consent of the director of budget and management, shall approve or deny each request based on all of the following:

(1) Whether approval of the request will enhance the marketability of the securities for which the request is made;

(2) Any other pertinent factors or limitations established in rules made under division (I) of this section, including:

(a) Current and projected obligations of funds due to the requesting school district under Chapter 3317. of the Revised Code including obligations of those funds to public obligations or relevant credit enhancement facilities under this section, Chapter 133. and section 3313.483 of the Revised Code, and under any other similar provisions of law;

(b) Whether the department of education or the office of budget and management has any reason to believe the requesting school district will be unable to pay when due the debt charges on the securities for which the request is made.

The department may require a school district to establish schedules for the payment of all debt charges that take into account the amount and timing of anticipated distributions of funds to the district under Chapter 3317. of the Revised Code.

(C) If the department approves the request of a school district to withhold and deposit funds pursuant to this section, the department shall enter into a written agreement with the district and the primary paying agent or fiscal agent for the securities which shall provide for the withholding of funds pursuant to this section for the payment of debt charges on those securities, and may include both of the following:

(1) Provisions for certification by the district to the

department, at a time prior to any date for the payment of 61081
applicable debt charges, whether the district is able to pay those 61082
debt charges when due; 61083

(2) Requirements that the district deposit amounts for the 61084
payment of debt charges on the securities with the primary paying 61085
agent or fiscal agent for the securities prior to the date on 61086
which those debt charge payments are due to the owners or holders 61087
of the securities. 61088

(D) Whenever a district notifies the department of education 61089
that it will be unable to pay debt charges when they are due, 61090
subject to the withholding provisions of this section, or whenever 61091
the applicable paying agent or fiscal agent notifies the 61092
department that it has not timely received from a school district 61093
the full amount needed for the payment when due of those debt 61094
charges to the holders or owners of such securities, the 61095
department shall immediately contact the school district and the 61096
paying agent or fiscal agent to confirm or determine whether the 61097
district is unable to make the required payment by the date on 61098
which it is due. 61099

Upon demand of the treasurer of state while holding a school 61100
district obligation purchased under division (G)(1) of section 61101
135.143 of the Revised Code, the state department of education, 61102
without a request of the school district, shall withhold and 61103
deposit funds pursuant to this section for payment of debt service 61104
charges on that obligation. 61105

If the department confirms or determines that the district 61106
will be unable to make such payment and payment will not be made 61107
pursuant to a credit enhancement facility, the department shall 61108
promptly pay to the applicable primary paying agent or fiscal 61109
agent the lesser of the amount due for debt charges or the amount 61110
due the district for the remainder of the fiscal year under 61111
Chapter 3317. of the Revised Code. If this amount is insufficient 61112

to pay the total amount then due the agent for the payment of debt 61113
charges, the department shall pay to the agent each fiscal year 61114
thereafter, and until the full amount due the agent for unpaid 61115
debt charges is paid in full, the lesser of the remaining amount 61116
due the agent for debt charges or the amount due the district for 61117
the fiscal year under Chapter 3317. of the Revised Code. 61118

(E) The state department may make any payments under this 61119
division by direct deposit of funds by electronic transfer. 61120

Any amount received by a paying agent or fiscal agent under 61121
this section shall be applied only to the payment of debt charges 61122
on the securities of the school district subject to this section 61123
or to the reimbursement to the provider of a credit enhancement 61124
facility that has paid such debt charges. 61125

(F) To the extent a school district whose securities are 61126
subject to this section is unable to pay applicable debt charges 61127
because of the failure to collect property taxes levied for the 61128
payment of those debt charges, the district may transfer to or 61129
deposit into any fund that would have received payments under 61130
Chapter 3317. of the Revised Code that were withheld under this 61131
section any such delinquent property taxes when later collected, 61132
provided that transfer or deposit shall be limited to the amounts 61133
withheld from that fund under this section. 61134

(G) The department may make payments under this section to 61135
paying agents or fiscal agents only from and to the extent that 61136
money is appropriated by the general assembly for Chapter 3317. of 61137
the Revised Code or for the purposes of this section. No 61138
securities of a school district to which this section is made 61139
applicable constitute an obligation or a debt or a pledge of the 61140
faith, credit, or taxing power of the state, and the holders or 61141
owners of such securities have no right to have taxes levied or 61142
appropriations made by the general assembly for the payment of 61143
debt charges on those securities, and those securities, if the 61144

department requires, shall contain a statement to that effect. The 61145
agreement for or the actual withholding and payment of moneys 61146
under this section does not constitute the assumption by the state 61147
of any debt of a school district. 61148

(H) In the case of securities subject to the withholding 61149
provisions of this section, the issuing board of education shall 61150
appoint a paying agent or fiscal agent who is not an officer or 61151
employee of the school district. 61152

(I) The department of education, with the advice of the 61153
office of budget and management, may adopt reasonable rules not 61154
inconsistent with this section for the implementation of this 61155
section and division (B) of section 133.25 of the Revised Code as 61156
it relates to the withholding and depositing of payments under 61157
Chapter 3317. of the Revised Code to secure payment of debt 61158
charges on school district securities. Those rules shall include 61159
criteria for the evaluation and approval or denial of school 61160
district requests for withholding under this section and limits on 61161
the obligation for the purpose of paying debt charges or 61162
reimbursing credit enhancement facilities of funds otherwise to be 61163
paid to school districts under Chapter 3317. of the Revised Code. 61164

(J) The authority granted by this section is in addition to 61165
and not a limitation on any other authorizations granted by or 61166
pursuant to law for the same or similar purposes. 61167

sections 3318.01 to 3318.20 of the Revised Code, the department of 61477

education shall annually do all of the following: 61478

(A) Calculate the adjusted valuation per pupil of each city, 61479
local, and exempted village school district according to the 61480
following formula: 61481

The district's valuation per pupil - 61482
[\$30,000 X (1 - the district's income factor)]. 61483

For purposes of this calculation: 61484

(1) Except for a district with an open enrollment net gain 61485
that is ten per cent or more of its formula ADM, "valuation per 61486
pupil" for a district means its average taxable value, divided by 61487
its formula ADM for the previous fiscal year. "Valuation per 61488
pupil," for a district with an open enrollment net gain that is 61489
ten per cent or more of its formula ADM, means its average taxable 61490
value, divided by the sum of its formula ADM for the previous 61491
fiscal year plus its open enrollment net gain for the previous 61492
fiscal year. 61493

(2) "Average taxable value" means the average of the sum of 61494
the amounts certified for a district under divisions (A)(1) and 61495
(2) of section 3317.021 of the Revised Code in the second, third, 61496
and fourth preceding fiscal years. 61497

(3) "Entitled to attend school" means entitled to attend 61498
school in a city, local, or exempted village school district under 61499
section 3313.64 or 3313.65 of the Revised Code. 61500

(4) "Formula ADM" ~~and "income factor"~~ have has the same 61501
~~meanings~~ meaning as in section 3317.02 of the Revised Code. 61502

(5) "Native student" has the same meaning as in section 61503
3313.98 of the Revised Code. 61504

(6) "Open enrollment net gain" for a district means (a) the 61505
number of the students entitled to attend school in another 61506
district but who are enrolled in the schools of the district under 61507

its open enrollment policy minus (b) the number of the district's
native students who are enrolled in the schools of another
district under the other district's open enrollment policy, both
numbers as certified to the department under section 3313.981 of
the Revised Code. If the difference is a negative number, the
district's "open enrollment net gain" is zero.

(7) "Open enrollment policy" means an interdistrict open
enrollment policy adopted under section 3313.98 of the Revised
Code.

(8) "District median income" means the median Ohio adjusted
gross income certified for a school district under section
3317.021 of the Revised Code.

(9) "Statewide median income" means the median district
median income of all city, exempted village, and local school
districts in the state.

(10) "Income factor" for a city, exempted village, or local
school district means the quotient obtained by dividing that
district's median income by the statewide median income.

(B) Calculate for each district the three-year average of the
adjusted valuations per pupil calculated for the district for the
current and two preceding fiscal years;

(C) Rank all such districts in order of adjusted valuation
per pupil from the district with the lowest three-year average
adjusted valuation per pupil to the district with the highest
three-year average adjusted valuation per pupil;

(D) Divide such ranking into percentiles with the first
percentile containing the one per cent of school districts having
the lowest three-year average adjusted valuations per pupil and
the one-hundredth percentile containing the one per cent of school
districts having the highest three-year average adjusted
valuations per pupil;

(E) Determine the school districts that have three-year average adjusted valuations per pupil that are greater than the median three-year average adjusted valuation per pupil for all school districts in the state;

(F) On or before the first day of September, certify the information described in divisions (A) to (E) of this section to the Ohio school facilities commission.

Sec. 3318.031. (A) The Ohio school facilities commission shall consider student and staff safety and health when reviewing design plans for classroom facility construction projects proposed under this chapter. After consulting with appropriate education, health, and law enforcement personnel, the commission may require as a condition of project approval under either section 3318.03 or division (B)(1) of section 3318.41 of the Revised Code such changes in the design plans as the commission believes will advance or improve student and staff safety and health in the proposed classroom facility.

To carry out its duties under this division, the commission shall review and, if necessary, amend any construction and design standards used in its project approval process, including standards for location and number of exits, standards for lead safety in classroom facilities constructed before 1978 in which services are provided to children under six years of age, and location of restrooms, with a focus on advancing student and staff safety and health.

(B) When reviewing design standards for classroom facility construction projects proposed under this chapter, the commission shall also consider the extent to which the design standards support the following:

(1) ~~Support and facilitation of smaller classes and the trend toward smaller schools~~ Trends in educational delivery methods,

<u>including digital access and blended learning;</u>	61570
(2) Provision of sufficient space for training new teachers and promotion of collaboration among teaching candidates, experienced teachers, and teacher educators;	61571 61572 61573
(3) Provision of adequate space for teacher planning and collaboration;	61574 61575
(4) Provision of adequate space for parent involvement activities;	61576 61577
(5) Provision of sufficient space for innovative partnerships between schools and health and social service agencies.	61578 61579
Sec. 3318.08. Except in the case of a joint vocational school district that receives assistance under sections 3318.40 to 3318.45 of the Revised Code, if the requisite favorable vote on the election is obtained, or if the school district board has resolved to apply the proceeds of a property tax levy or the proceeds of an income tax, or a combination of proceeds from such taxes, as authorized in section 3318.052 of the Revised Code, the Ohio school facilities commission, upon certification to it of either the results of the election or the resolution under section 3318.052 of the Revised Code, shall enter into a written agreement with the school district board for the construction and sale of the project. In the case of a joint vocational school district that receives assistance under sections 3318.40 to 3318.45 of the Revised Code, if the school district board of education and the school district electors have satisfied the conditions prescribed in division (D)(1) of section 3318.41 of the Revised Code, the commission shall enter into an agreement with the school district board for the construction and sale of the project. In either case, the agreement shall include, but need not be limited to, the following provisions:	61580 61581 61582 61583 61584 61585 61586 61587 61588 61589 61590 61591 61592 61593 61594 61595 61596 61597 61598 61599

(A) The sale and issuance of bonds or notes in anticipation 61600
thereof, as soon as practicable after the execution of the 61601
agreement, in an amount equal to the school district's portion of 61602
the basic project cost, including any securities authorized under 61603
division (J) of section 133.06 of the Revised Code and dedicated 61604
by the school district board to payment of the district's portion 61605
of the basic project cost of the project; provided, that if at 61606
that time the county treasurer of each county in which the school 61607
district is located has not commenced the collection of taxes on 61608
the general duplicate of real and public utility property for the 61609
year in which the controlling board approved the project, the 61610
school district board shall authorize the issuance of a first 61611
installment of bond anticipation notes in an amount specified by 61612
the agreement, which amount shall not exceed an amount necessary 61613
to raise the net bonded indebtedness of the school district as of 61614
the date of the controlling board's approval to within five 61615
thousand dollars of the required level of indebtedness for the 61616
preceding year. In the event that a first installment of bond 61617
anticipation notes is issued, the school district board shall, as 61618
soon as practicable after the county treasurer of each county in 61619
which the school district is located has commenced the collection 61620
of taxes on the general duplicate of real and public utility 61621
property for the year in which the controlling board approved the 61622
project, authorize the issuance of a second and final installment 61623
of bond anticipation notes or a first and final issue of bonds. 61624

The combined value of the first and second installment of 61625
bond anticipation notes or the value of the first and final issue 61626
of bonds shall be equal to the school district's portion of the 61627
basic project cost. The proceeds of any such bonds shall be used 61628
first to retire any bond anticipation notes. Otherwise, the 61629
proceeds of such bonds and of any bond anticipation notes, except 61630
the premium and accrued interest thereon, shall be deposited in 61631
the school district's project construction fund. In determining 61632

the amount of net bonded indebtedness for the purpose of fixing 61633
the amount of an issue of either bonds or bond anticipation notes, 61634
gross indebtedness shall be reduced by moneys in the bond 61635
retirement fund only to the extent of the moneys therein on the 61636
first day of the year preceding the year in which the controlling 61637
board approved the project. Should there be a decrease in the tax 61638
valuation of the school district so that the amount of 61639
indebtedness that can be incurred on the tax duplicates for the 61640
year in which the controlling board approved the project is less 61641
than the amount of the first installment of bond anticipation 61642
notes, there shall be paid from the school district's project 61643
construction fund to the school district's bond retirement fund to 61644
be applied against such notes an amount sufficient to cause the 61645
net bonded indebtedness of the school district, as of the first 61646
day of the year following the year in which the controlling board 61647
approved the project, to be within five thousand dollars of the 61648
required level of indebtedness for the year in which the 61649
controlling board approved the project. The maximum amount of 61650
indebtedness to be incurred by any school district board as its 61651
share of the cost of the project is either an amount that will 61652
cause its net bonded indebtedness, as of the first day of the year 61653
following the year in which the controlling board approved the 61654
project, to be within five thousand dollars of the required level 61655
of indebtedness, or an amount equal to the required percentage of 61656
the basic project costs, whichever is greater. All bonds and bond 61657
anticipation notes shall be issued in accordance with Chapter 133. 61658
of the Revised Code, and notes may be renewed as provided in 61659
section 133.22 of the Revised Code. 61660

(B) The transfer of such funds of the school district board 61661
available for the project, together with the proceeds of the sale 61662
of the bonds or notes, except premium, accrued interest, and 61663
interest included in the amount of the issue, to the school 61664
district's project construction fund; 61665

(C) For all school districts except joint vocational school 61666

improvements, or the proceeds of a school district income tax 61674
levied under Chapter 5748. of the Revised Code, or the proceeds 61675
from a combination of those two taxes, in an amount to pay all or 61676
part of the service charges on bonds issued to pay the school 61677

the Revised Code; 61680

(2) If section 3318.052 of the Revised Code does not apply, 61681

(B) of section 3318.05 of the Revised Code, the commission has 61693
approved the transfer of money to the maintenance fund in 61694
accordance with section 3318.051 of the Revised Code, a 61695
requirement that the district board comply with the provisions of 61696

that section. The district board may rescind the provision 61697
prescribed under division (C)(2)(c) of this section only so long 61698
as the electors of the district have approved, in accordance with 61699
section 3318.063 of the Revised Code, the levy of a tax for the 61700
maintenance of the classroom facilities acquired under the 61701
district's project and that levy continues to be collected as 61702

(E) Dedication of any local donated contribution as provided 61709
for under section 3318.084 of the Revised Code, including a 61710
schedule for depositing such moneys applied as an offset of the 61711
district's obligation to levy the tax described in division (B) of 61712
section 3318.05 of the Revised Code as required under division 61713
(D)(2) of section 3318.084 of the Revised Code; 61714

(F) Ownership of or interest in the project during the period 61715

any obligations issued for the project under section 3318.26 of 61720
the Revised Code are no longer outstanding; 61721

(H) The insurance of the project by the school district from 61722
the time there is an insurable interest therein and so long as the 61723
state retains any ownership or interest in the project pursuant to 61724
division (F) of this section, in such amounts and against such 61725
risks as the commission shall require; provided, that the cost of 61726
any required insurance until the project is completed shall be a 61727

part of the basic project cost; 61728

(I) The certification by the director of budget and 61729
management that funds are available and have been set aside to 61730

segment if the project is divided into segments, be spent on the 61767
construction and acquisition of the project or segment 61768

prescribed, respectively, in divisions (B)(3)(b) and (E)(1)(b) of 61903
this section. 61904

(B)(1) There is hereby established the school building 61905
assistance expedited local partnership program. Under the program, 61906
the Ohio school facilities commission may enter into an agreement 61907
with the board of any school district under which the board may 61908
proceed with the new construction or major repairs of a part of 61909
the district's classroom facilities needs, as determined under 61910
sections 3318.01 to 3318.20 of the Revised Code, through the 61911
expenditure of local resources prior to the school district's 61912
eligibility for state assistance under those sections, and may 61913
apply that expenditure toward meeting the school district's 61914

portion of the basic project cost of the total of the district's classroom facilities needs, as recalculated under division (E) of this section, when the district becomes eligible for state assistance under sections 3318.01 to 3318.20 or section 3318.364 of the Revised Code. Any school district that is reasonably expected to receive assistance under sections 3318.01 to 3318.20 of the Revised Code within two fiscal years from the date the school district adopts its resolution under division (B) of this section shall not be eligible to participate in the program established under this section.

(2) To participate in the program, a school district board shall first adopt a resolution certifying to the commission the board's intent to participate in the program.

The resolution shall specify the approximate date that the board intends to seek elector approval of any bond or tax measures or to apply other local resources to use to pay the cost of classroom facilities to be constructed under this section. The resolution may specify the application of local resources or elector-approved bond or tax measures after the resolution is adopted by the board, and in such case the board may proceed with a discrete portion of its project under this section as soon as the commission and the controlling board have approved the basic project cost of the district's classroom facilities needs as specified in division (D) of this section. The board shall submit its resolution to the commission not later than ten days after the date the resolution is adopted by the board.

The commission shall not consider any resolution that is submitted pursuant to division (B)(2) of this section, as amended by this amendment, sooner than September 14, 2000.

(3) For purposes of determining when a district that enters into an agreement under this section becomes eligible for assistance under sections 3318.01 to 3318.20 of the Revised Code

or priority for assistance under section 3318.364 of the Revised Code, the commission shall use one of the following as applicable:

(a) Except for a tangible personal property phase-out impacted district, the district's percentile ranking determined at the time the district entered into the agreement under this section, as prescribed by division (A)(2) of this section;

(b) For a tangible personal property phase-out impacted district, the lesser of (i) the district's percentile ranking determined at the time the district entered into the agreement under this section, as prescribed by division (A)(2) of this section, or (ii) the district's current percentile ranking under section 3318.011 of the Revised Code.

(4) Any project under this section shall comply with section 3318.03 of the Revised Code and with any specifications for plans and materials for classroom facilities adopted by the commission under section 3318.04 of the Revised Code.

(5) If a school district that enters into an agreement under this section has not begun a project applying local resources as provided for under that agreement at the time the district is notified by the commission that it is eligible to receive state assistance under sections 3318.01 to 3318.20 of the Revised Code, all assessment and agreement documents entered into under this section are void.

(6) Only construction of or repairs to classroom facilities that have been approved by the commission and have been therefore included as part of a district's basic project cost qualify for application of local resources under this section.

(C) Based on the results of on-site visits and assessment, the commission shall determine the basic project cost of the school district's classroom facilities needs. The commission shall determine the school district's portion of such basic project

cost, which shall be the greater of: 61978

(1) The required percentage of the basic project costs, 61979
determined based on the school district's percentile ranking; 61980

(2) An amount necessary to raise the school district's net 61981
bonded indebtedness, as of the fiscal year the commission and the 61982
school district enter into the agreement under division (B) of 61983
this section, to within five thousand dollars of the required 61984
level of indebtedness. 61985

(D)(1) When the commission determines the basic project cost 61986
of the classroom facilities needs of a school district and the 61987
school district's portion of that basic project cost under 61988
division (C) of this section, the project shall be conditionally 61989
approved. Such conditional approval shall be submitted to the 61990
controlling board for approval thereof. The controlling board 61991
shall forthwith approve or reject the commission's determination, 61992
conditional approval, and the amount of the state's portion of the 61993
basic project cost; however, no state funds shall be encumbered 61994
under this section. Upon approval by the controlling board, the 61995
school district board may identify a discrete part of its 61996
classroom facilities needs, which shall include only new 61997
construction of or additions or major repairs to a particular 61998
building, to address with local resources. Upon identifying a part 61999
of the school district's basic project cost to address with local 62000
resources, the school district board may allocate any available 62001
school district moneys to pay the cost of that identified part, 62002
including the proceeds of an issuance of bonds if approved by the 62003
electors of the school district. 62004

All local resources utilized under this division shall first 62005
be deposited in the project construction account required under 62006
section 3318.08 of the Revised Code. 62007

(2) Unless the school district board exercises its option 62008

under division (D)(3) of this section, for a school district to 62009
qualify for participation in the program authorized under this 62010
section, one of the following conditions shall be satisfied: 62011

(a) The electors of the school district by a majority vote 62012
shall approve the levy of taxes outside the ten-mill limitation 62013
for a period of twenty-three years at the rate of not less than 62014
one-half mill for each dollar of valuation to be used to pay the 62015
cost of maintaining the classroom facilities included in the basic 62016
project cost as determined by the commission. The form of the 62017
ballot to be used to submit the question whether to approve the 62018
tax required under this division to the electors of the school 62019
district shall be the form for an additional levy of taxes 62020
prescribed in section 3318.361 of the Revised Code, which may be 62021
combined in a single ballot question with the questions prescribed 62022
under section 5705.218 of the Revised Code. 62023

(b) As authorized under division (C) of section 3318.05 of 62024
the Revised Code, the school district board shall earmark from the 62025
proceeds of a permanent improvement tax levied under section 62026
5705.21 of the Revised Code, an amount equivalent to the 62027
additional tax otherwise required under division (D)(2)(a) of this 62028
section for the maintenance of the classroom facilities included 62029
in the basic project cost as determined by the commission. 62030

(c) As authorized under section 3318.051 of the Revised Code, 62031
the school district board shall, if approved by the commission, 62032
annually transfer into the maintenance fund required under section 62033
3318.05 of the Revised Code the amount prescribed in section 62034
3318.051 of the Revised Code in lieu of the tax otherwise required 62035
under division (D)(2)(a) of this section for the maintenance of 62036
the classroom facilities included in the basic project cost as 62037
determined by the commission. 62038

(d) If the school district board has rescinded the agreement 62039
to make transfers under section 3318.051 of the Revised Code, as 62040

provided under division (F) of that section, the electors of the school district, in accordance with section 3318.063 of the Revised Code, first shall approve the levy of taxes outside the ten-mill limitation for the period specified in that section at a rate of not less than one-half mill for each dollar of valuation.

(e) The school district board shall apply the proceeds of a tax to leverage bonds as authorized under section 3318.052 of the Revised Code or dedicate a local donated contribution in the manner described in division (B) of section 3318.084 of the Revised Code in an amount equivalent to the additional tax otherwise required under division (D)(2)(a) of this section for the maintenance of the classroom facilities included in the basic project cost as determined by the commission.

(3) A school district board may opt to delay taking any of the actions described in division (D)(2) of this section until the school district becomes eligible for state assistance under sections 3318.01 to 3318.20 of the Revised Code. In order to exercise this option, the board shall certify to the commission a resolution indicating the board's intent to do so prior to entering into an agreement under division (B) of this section.

(4) If pursuant to division (D)(3) of this section a district board opts to delay levying an additional tax until the district becomes eligible for state assistance, it shall submit the question of levying that tax to the district electors as follows:

(a) In accordance with section 3318.06 of the Revised Code if it will also be necessary pursuant to division (E) of this section to submit a proposal for approval of a bond issue;

(b) In accordance with section 3318.361 of the Revised Code if it is not necessary to also submit a proposal for approval of a bond issue pursuant to division (E) of this section.

(5) No state assistance under sections 3318.01 to 3318.20 of

the Revised Code shall be released until a school district board 62072
that adopts and certifies a resolution under division (D) of this 62073
section also demonstrates to the satisfaction of the commission 62074
compliance with the provisions of division (D)(2) of this section. 62075

Any amount required for maintenance under division (D)(2) of 62076
this section shall be deposited into a separate fund as specified 62077
in division (B) of section 3318.05 of the Revised Code. 62078

(E)(1) If the school district becomes eligible for state 62079
assistance under sections 3318.01 to 3318.20 of the Revised Code 62080
based on its percentile ranking under division (B)(3) of this 62081
section or is offered assistance under section 3318.364 of the 62082
Revised Code, the commission shall conduct a new assessment of the 62083
school district's classroom facilities needs and shall recalculate 62084
the basic project cost based on this new assessment. The basic 62085
project cost recalculated under this division shall include the 62086
amount of expenditures made by the school district board under 62087
division (D)(1) of this section. The commission shall then 62088
recalculate the school district's portion of the new basic project 62089
cost, which shall be one of the following as applicable: 62090

(a) Except for a tangible personal property phase-out 62091
impacted district, the percentage of the original basic project 62092
cost assigned to the school district as its portion under division 62093
(C) of this section; 62094

(b) For a tangible personal property phase-out impacted 62095
district, the lesser of (i) the percentage of the original basic 62096
project cost assigned to the school district as its portion under 62097
division (C) of this section, or (ii) the percentage of the new 62098
basic project cost determined under section 3318.032 of the 62099
Revised Code using the district's current percentile ranking under 62100
section 3318.011 of the Revised Code. The 62101

The commission shall deduct the expenditure of school 62102

district moneys made under division (D)(1) of this section from 62103
the school district's portion of the basic project cost as 62104
recalculated under this division. If the amount of school district 62105
resources applied by the school district board to the school 62106
district's portion of the basic project cost under this section is 62107
less than the total amount of such portion as recalculated under 62108
this division, the school district board by a majority vote of all 62109
of its members shall, if it desires to seek state assistance under 62110
sections 3318.01 to 3318.20 of the Revised Code, adopt a 62111
resolution as specified in section 3318.06 of the Revised Code to 62112
submit to the electors of the school district the question of 62113
approval of a bond issue in order to pay any additional amount of 62114
school district portion required for state assistance. Any tax 62115
levy approved under division (D) of this section satisfies the 62116
requirements to levy the additional tax under section 3318.06 of 62117
the Revised Code. 62118

(2) If the amount of school district resources applied by the 62119
school district board to the school district's portion of the 62120
basic project cost under this section is more than the total 62121
amount of such portion as recalculated under ~~this~~ division (E)(1) 62122
of this section, within one year after the school district's 62123
portion is so recalculated ~~under division (E)(1) of this section~~ 62124
the commission may grant to the school district the difference 62125
between the two calculated portions, but at no time shall the 62126
commission expend any state funds on a project in an amount 62127
greater than the state's portion of the basic project cost as 62128
recalculated under ~~this~~ division (E)(1) of this section. 62129

Any reimbursement under this division shall be only for local 62130
resources the school district has applied toward construction cost 62131
expenditures for the classroom facilities approved by the 62132
commission, which shall not include any financing costs associated 62133
with that construction. 62134

The school district board shall use any moneys reimbursed to the district under this division to pay off any debt service the district owes for classroom facilities constructed under its project under this section before such moneys are applied to any other purpose. However, the district board first may deposit moneys reimbursed under this division into the district's general fund or a permanent improvement fund to replace local resources the district withdrew from those funds, as long as, and to the extent that, those local resources were used by the district for constructing classroom facilities included in the district's basic project cost.

(3) A tangible personal property phase-out impacted district shall receive credit under division (E) of this section for the expenditure of local resources pursuant to any prior agreement authorized by this section, notwithstanding any recalculation of its average taxable value.

Sec. 3318.363. (A) This section applies beginning in fiscal year 2003 and only to a school district participating in the school building assistance expedited local partnership program under section 3318.36 of the Revised Code.

(B) If there is a decrease in the tax valuation of a school district to which this section applies by ten per cent or greater from one tax year to the next due to a decrease in the assessment rate of the taxable property of an electric company that owns property in the district, as provided for in section 5727.111 of the Revised Code as amended by Am. Sub. S.B. 3 of the 123rd General Assembly, the Ohio school facilities commission shall calculate or recalculate the state and school district portions of the basic project cost of the school district's project by determining the percentile rank in which the district would be located if such ranking were made using the adjusted valuation per

pupil calculated under division (C) of this section rather than 62166
the three-year average adjusted valuation per pupil, calculated 62167
under division (B) of section 3318.011 of the Revised Code. For 62168
such district, the required percentage of the basic project cost 62169
used to determine the state and school district shares of that 62170
cost under division (C) of section 3318.36 of the Revised Code 62171
shall be based on the percentile rank as calculated under this 62172
section rather than as otherwise provided in division (C)(1) of 62173
section 3318.36 of the Revised Code. If the commission has 62174
determined the state and school district portion of the basic 62175
project cost of such a district's project under section 3318.36 of 62176
the Revised Code prior to that decrease in tax valuation, the 62177
commission shall adjust the state and school district shares of 62178
the basic project cost of such project in accordance with this 62179
section. 62180

(C)(1) As used in divisions (C) and (D) of this section, 62181
"total taxable value," and "formula ADM," ~~and "income factor"~~ have 62182
the same meanings as in section 3317.02 of the Revised Code, and 62183
"income factor" has the same meaning as in section 3318.011 of the 62184
Revised Code. 62185

(2) The adjusted valuation per pupil for a school district to 62186
which this section applies shall be calculated using the following 62187
formula: 62188

(The district's total taxable value for the tax year 62189
preceding the calendar year in which the current fiscal year 62190
begins / the district's formula ADM for the previous fiscal year) 62191
- [\$30,000 x (1 - the district's income factor)]. 62192

(D) At the request of the Ohio school facilities commission, 62193
the department of education shall report a district's total 62194
taxable value for the tax year preceding the calendar year in 62195
which the current fiscal year begins for any district to which 62196
this section applies as that information has been certified to the 62197

department by the tax commissioner pursuant to section 3317.021 of 62198
the Revised Code. 62199

Sec. 3319.031. Notwithstanding any provision of the Revised 62200
Code to the contrary, if the board of education of a city, local, 62201
or exempted village school district does not appoint a business 62202
manager under section 3319.03 of the Revised Code, the board may 62203
assign powers and duties specified in section 3319.04 of the 62204
Revised Code to one or more employees or officers of the board, 62205
including the treasurer, and may give the employees or officers 62206
any title recognizing the assignment of the powers and duties. The 62207
prohibition, in section 3319.04 of the Revised Code, against a 62208
business manager having possession of moneys does not prevent a 62209
board from assigning powers and duties specified in that section 62210
to the treasurer and does not prevent a treasurer who is assigned 62211
those powers and duties from exercising the powers and duties of 62212
treasurer. If the board assigns the duties of a business manager 62213
under section 3319.04 of the Revised Code to the treasurer, the 62214
treasurer shall not have the authority to make recommendations to 62215
appoint or discharge noneducational employees, except as provided 62216
under section 3313.31 of the Revised Code. Instead, the district 62217
superintendent shall be responsible for making recommendations, 62218
subject to confirmation by the board, for the appointment or 62219
discharge of noneducational employees. 62220

Sec. 3319.07. (A) The board of education of each city, 62221
exempted village, local, and joint vocational school district 62222
shall employ the teachers of the public schools of their 62223
respective districts. 62224

The governing board of each educational service center may 62225
employ special instruction teachers, special education teachers, 62226
and teachers of academic courses in which there are too few 62227
students in each of the school districts entering into agreements 62228

pursuant to section 3313.843 of the Revised Code to warrant each 62229
district's employing teachers for those courses. 62230

When any board makes appointments of teachers, the teachers 62231
in the employ of the board shall be considered before new teachers 62232
are chosen in their stead. In all school districts and in service 62233
centers, no teacher shall be employed unless such person is 62234
nominated by the superintendent of such district or center, or by 62235
another individual designated by the board in the event that the 62236
superintendent's nomination would be a violation of section 62237
2921.42 of the Revised Code. Such board, by a three-fourths vote 62238
of its full membership, may re-employ any teacher whom the 62239
superintendent refuses to appoint. 62240

(B) The board of education of any school district may 62241
contract with the governing board of the educational service 62242
center from which it otherwise receives services to conduct 62243
searches and recruitment of candidates for teacher positions. 62244

Sec. 3319.073. (A) The board of education of each city and 62245
exempted village school district and the governing board of each 62246
educational service center shall adopt or adapt the curriculum 62247
developed by the department of education for, or shall develop in 62248
consultation with public or private agencies or persons involved 62249
in child abuse prevention or intervention programs, a program of 62250
in-service training in the prevention of child abuse, violence, 62251
and substance abuse and the promotion of positive youth 62252
development. Each person employed by any school district or 62253
service center to work in a school as a nurse, teacher, counselor, 62254
school psychologist, or administrator shall complete at least four 62255
hours of the in-service training within two years of commencing 62256
employment with the district or center, and every five years 62257
thereafter. A person who is employed by any school district or 62258
service center to work in an elementary school as a nurse, 62259

teacher, counselor, school psychologist, or administrator on March 62260
30, 2007, shall complete at least four hours of the in-service 62261
training not later than March 30, 2009, and every five years 62262
thereafter. A person who is employed by any school district or 62263
service center to work in a middle or high school as a nurse, 62264
teacher, counselor, school psychologist, or administrator on 62265
October 16, 2009, shall complete at least four hours of the 62266
in-service training not later than October 16, 2011, and every 62267
five years thereafter. 62268

(B) Each board shall incorporate training in school safety 62269
and violence prevention, including human trafficking content, into 62270
the in-service training required by division (A) of this section. 62271
For this purpose, the board shall adopt or adapt the curriculum 62272
developed by the department or shall develop its own curriculum in 62273
consultation with public or private agencies or persons involved 62274
in school safety and violence prevention programs. 62275

(C) Each board shall incorporate training on the board's 62276
harassment, intimidation, or bullying policy adopted under section 62277
3313.666 of the Revised Code into the in-service training required 62278
by division (A) of this section. Each board also shall incorporate 62279
training in the prevention of dating violence into the in-service 62280
training required by that division for middle and high school 62281
employees. The board shall develop its own curricula for these 62282
purposes. 62283

(D) Each board shall incorporate training in youth suicide 62284
awareness and prevention into the in-service training required by 62285
division (A) of this section for each person employed by a school 62286
district or service center to work in a school as a nurse, 62287
teacher, counselor, school psychologist, or administrator, and any 62288
other personnel that the board determines appropriate. For this 62289
purpose, the board shall adopt or adapt the curriculum developed 62290
by the department or shall develop its own curriculum in 62291

consultation with public or private agencies or persons involved 62292
in youth suicide awareness and prevention programs. 62293

The training completed under this division shall count toward 62294
the satisfaction of requirements for professional development 62295
required by the school district or service center board, and the 62296
training may be accomplished through self-review of suitable 62297
suicide prevention materials approved by the board. 62298

Sec. 3319.0811. ~~¶~~ Except as provided in section 3319.0812 of 62299
the Revised Code, if the board of education of a school district 62300
offers to students of compulsory school age courses for high 62301
school credit that are taught at times outside the district's 62302
normal school day, the board shall enter into supplemental 62303
contracts under section 3319.08 of the Revised Code with the 62304
teachers assigned to teach those courses and shall not include 62305
such assignment of duties within the teachers' regular employment 62306
contracts under that section. 62307

Sec. 3319.0812. (A) As used in this section, "extended 62308
programming" means extended programming as described in section 62309
3301.0725 of the Revised Code. 62310

(B) The board of education of a school district shall pay a 62311
licensed educator who is providing extended programming on an 62312
hourly basis at the regular per diem rate determined under the 62313
licensed educator's employment contract or collective bargaining 62314
agreement. 62315

(C) A licensed educator shall not provide more than eight 62316
hours of extended programming in a twenty-four-hour day. 62317

Sec. 3319.112. (A) Not later than December 31, 2011, the 62318
state board of education shall develop a standards-based state 62319
framework for the evaluation of teachers. The state board may 62320

update the framework periodically by adoption of a resolution. The 62321
framework shall establish an evaluation system that does the 62322
following: 62323

(1) Provides for multiple evaluation factors. One factor 62324
shall be student academic growth which shall account for ~~fifty~~ 62325
thirty-five per cent of each evaluation. A school district may 62326
attribute an additional percentage to the academic growth factor, 62327
not to exceed fifteen per cent of each evaluation. When applicable 62328
to the grade level or subject area taught by a teacher, the 62329
value-added progress dimension established under section 3302.021 62330
of the Revised Code or an alternative student academic progress 62331
measure if adopted under division (C)(1)(e) of section 3302.03 of 62332
the Revised Code shall be used in the student academic growth 62333
portion of an evaluation in proportion to the part of a teacher's 62334
schedule of courses or subjects for which the value-added progress 62335
dimension is applicable. 62336

If a teacher's schedule is comprised only of courses or 62337
subjects for which the value-added progress dimension is 62338
applicable, one of the following applies: 62339

(a) Beginning with ~~the effective date of this amendment~~ March 62340
22, 2013, until June 30, 2014, the majority of the student 62341
academic growth factor of the evaluation shall be based on the 62342
value-added progress dimension. 62343

(b) On or after July 1, 2014, the entire student academic 62344
growth factor of the evaluation shall be based on the value-added 62345
progress dimension. In calculating student academic growth for an 62346
evaluation, a student shall not be included if the student has 62347

(B) When, for any of the following reasons that apply to any 62428
city, exempted village, local, or joint vocational school district 62429
or any educational service center, the board decides that it will 62430
be necessary to reduce the number of teachers it employs, it may 62431
make a reasonable reduction: 62432

(1) In the case of any district or service center, return to 62433

employee otherwise would receive under the contract. 62467

The teachers whose continuing contracts are suspended by any 62468
board pursuant to this section shall have the right of restoration 62469
to continuing service status by that board if and when teaching 62470

contract has been suspended pursuant to this section shall lose 62473
that right of restoration to continuing service status by reason 62474

full-time or, if the teacher was not employed full-time just prior 62476
to suspension of the teacher's continuing contract, to a position 62477
requiring a lesser percentage of full-time employment than the 62478
position the teacher last held while employed in the district or 62479
service center. Seniority shall not be the basis for rehiring a 62480
teacher, except when making a decision between teachers who have 62481
comparable evaluations. 62482

(D) Notwithstanding any provision to the contrary in Chapter 62483
4117. of the Revised Code: 62484

different method for the selection of teacher members of the 62676
committees, the exclusive representative of the district's 62677

section. 62859

(F) Each district board of education, each community school 62860
governing authority, and each STEM school governing body may use 62861

employing the teacher in accordance with the provisions of this 62865
chapter or Chapter 3314. or 3326. of the Revised Code. However, no 62866

who knows the child. 62912

(3) Notwithstanding division (A)(2) of this section, 62913
beginning with the school year that starts in 2001 and continuing 62914
thereafter the board of education of any district may adopt a 62915
resolution establishing the first day of August in lieu of the 62916
thirtieth day of September as the required date by which students 62917
must have attained the age specified in that division. 62918

(4) After a student has been admitted to kindergarten in a 62919
school district or chartered nonpublic school, no board of 62920
education of a school district to which the student transfers 62921

school district shall admit to the first grade any child who has 62943
not successfully completed kindergarten. 62944

(D) The scheduling of times for kindergarten classes and 62945

school described by division (B)(1) or (B)(2)(a) of this section 62950

district charges fees or tuition for all-day kindergarten under 62971
this division, the district shall develop a sliding fee scale 62972
based on family incomes. 62973

(2) The department of education shall conduct an annual 62974
