considered in substantial compliance if the owner has made 32500
reasonable efforts to obtain the required information from the 32501
supplier. 32502

(2) For purposes of reporting under this section, an owner is 32503
not required to report chemicals that occur incidentally or in 32504

or gas shall file with the chief of the division of oil and gas 32512
resources management, on or before the thirty-first day of March, 32513
a statement of production of oil, gas, and brine for the last 32514
preceding calendar year in such form as the chief may prescribe. 32515
An owner that has more than one hundred such wells in this state 32516
shall submit electronically the statement of production in a 32517
format that is approved by the chief. The chief shall include on 32518

the form, at the minimum, a request for the submittal of the 32519
information that a person who is regulated under this chapter is 32520
required to submit under the "Emergency Planning and Community 32521
Right-To-Know Act of 1986," 100 Stat. 1728, 42 U.S.C.A. 11001, and 32522
regulations adopted under it, and that the division of oil and gas 32523
resources management does not obtain through other reporting 32524
mechanisms. 32525

(2) The owner of any horizontal well that is producing or 32526
capable of producing oil or gas shall file with the chief, on the 32527
forty-fifth day following the close of each calendar quarter, a 32528
statement of production of oil, gas, and brine for the preceding 32529
calendar quarter in a form that the chief prescribes. An owner 32530
that has more than one hundred horizontal wells in this state 32531
shall submit electronically the statement of production in a 32532
format that is approved by the chief. The chief shall include on 32533
the form, at a minimum, a request for the submittal of the 32534
information that a person who is regulated under this chapter is 32535
required to submit under the "Emergency Planning and Community 32536
Right-To-Know Act of 1986," 100 Stat. 1728, 42 U.S.C. 11001, and 32537
regulations adopted under it, and that the division does not 32538
obtain through other reporting mechanisms. 32539

(B) The chief shall not disclose information received from 32540
the department of taxation under division (C)(12) of section 32541
5703.21 of the Revised Code until the related statement of 32542
production required by division (A) of this section is filed with 32543
the chief. 32544

Sec. 1509.16. (A) As used in this section, "oil country 32545
tubular goods" means circular steel pipes that are seamless or 32546
welded and used in drilling for oil or natural gas, including 32547
casing, tubing, and drill pipe, whether finished or unfinished, 32548
and steel couplings and drill collars used with the pipes. 32549

(B) An owner shall file with the division of oil and gas resources management a disclosure form that specifies the country in which each oil country tubular good initially used in a production operation on or after the effective date of this section was manufactured unless that country cannot be determined by the owner. The division shall prescribe the disclosure form and consult with representatives from the natural gas, oil, and steel industries when developing the form. The division shall use the information specified on the form to establish a quality well infrastructure catalog. 32550

of oil and gas resources without an order or a permit issued under 32586
this section or section 1509.06 or 1509.21 of the Revised Code or 32587
rules adopted under any of those sections. For purposes of 32588
division (B)(2)(a) of this section, a permit or other form of 32589
authorization issued by another agency of the state or a political 32590
subdivision of the state shall not be considered a permit or order 32591
issued by the chief of the division of oil and gas resources 32592
management under this chapter. 32593

(b) Division (B)(2)(a) of this section does not apply to a 32594
person that disposes of such waste substances other than brine in 32595
accordance with Chapter 3734. of the Revised Code and rules 32596
adopted under it. 32597

~~(C) The chief of the division of oil and gas resources~~ 32598

The storage, recycling, treatment, processing, and disposal 32610
of brine and other waste substances and the chief's rules relating 32611
to storage, recycling, treatment, processing, and disposal are 32612

subject to all of the following standards: 32613

(1) Brine from any well except an exempt Mississippian well 32614
shall be disposed of only ~~by injection~~ as follows: 32615

(a) By injection into an underground formation, including 32616
annular disposal if approved by rule of the chief, which injection 32617
shall be subject to division (D) of this section; ~~by~~ 32618

(b) By surface application in accordance with section 32619
1509.226 of the Revised Code; ~~in~~ 32620

(c) In association with a method of enhanced recovery as 32621
provided in section 1509.21 of the Revised Code; ~~or by~~ 32622

(C)(1)(a) to (c) of this section that is approved by a permit or 32624
order issued by the chief for testing or implementing a new 32625
technology or method of disposal. Brine 32626

(2) Brine from exempt Mississippian wells shall not be 32627
discharged directly into the waters of the state. 32628

~~(2)~~(3) Muds, cuttings, and other waste substances shall not 32629
be disposed of in violation of this chapter or any rule adopted 32630
under it. 32631

~~(3)~~(4) Pits or steel tanks shall be used as authorized by the 32632
chief for containing brine and other waste substances resulting 32633
from, obtained from, or produced in connection with drilling, well 32634
stimulation, reworking, reconditioning, plugging back, or plugging 32635
operations. The pits and steel tanks shall be constructed and 32636
maintained to prevent the escape of brine and other waste 32637
substances. 32638

~~(4)~~(5) A dike or pit may be used for spill prevention and 32639
control. A dike or pit so used shall be constructed and maintained 32640
to prevent the escape of brine and crude oil, and the reservoir 32641
within such a dike or pit shall be kept reasonably free of brine, 32642

crude oil, and other waste substances. 32643

~~(5) Earthen impoundments~~ (6) Impoundments constructed 32644
utilizing a synthetic liner pursuant to the division's 32645
specifications may be used for the temporary storage of ~~fluids~~ 32646

plugging of a well. 32648

~~(6)(7)~~ No pit, ~~earthen impoundment,~~ or dike shall be used for 32649
the temporary storage of brine or other waste substances except in 32650
accordance with divisions (C)~~(3) to~~ (4) and (5) of this section. 32651

~~(7)(8)~~ No pit or dike shall be used for the ultimate disposal 32652
of brine or other liquid waste substances. 32653

(D)(1) No person, without first having obtained a permit from 32654
the chief, shall inject brine or other waste substances resulting 32655
from, obtained from, or produced in connection with oil or gas 32656
drilling, exploration, or production into an underground formation 32657
unless a rule of the chief expressly authorizes the injection 32658
without a permit. The permit shall be in addition to any permit 32659
required by section 1509.05 of the Revised Code, and the permit 32660
application shall be accompanied by a permit fee of one thousand 32661
dollars. The chief shall adopt rules in accordance with Chapter 32662
119. of the Revised Code regarding the injection into wells of 32663
brine and other waste substances resulting from, obtained from, or 32664
produced in connection with oil or gas drilling, exploration, or 32665
production. The rules shall include provisions regarding all of 32666
the following: 32667

(a) Applications for and issuance of the permits required by 32668
this division; 32669

(b) Entry to conduct inspections and to examine and copy 32670
records to ascertain compliance with this division and rules, 32671
orders, and terms and conditions of permits adopted or issued 32672
under it; 32673

(c) The provision and maintenance of information through 32674
monitoring, recordkeeping, and reporting. In addition, the rules 32675
shall require the owner of an injection well who has been issued a 32676
permit under division (D) of this section to quarterly submit 32677
electronically to the chief information concerning each shipment 32678
of brine or other waste substances received by the owner for 32679
injection into the well. 32680

(d) The provision and electronic reporting quarterly of 32681
information concerning brine and other waste substances from a 32682
transporter that is registered under section 1509.222 of the 32683
Revised Code prior to the injection of the transported brine or 32684
other waste substances; 32685

(e) Any other provisions in furtherance of the goals of this 32686
section and the Safe Drinking Water Act. 32687

(2) The chief may adopt rules in accordance with Chapter 119. 32688
of the Revised Code authorizing tests to evaluate whether fluids 32689
or carbon dioxide may be injected in a reservoir and to determine 32690
the maximum allowable injection pressure, which shall be conducted 32691
in accordance with methods prescribed in the rules or in 32692
accordance with conditions of the permit. In addition, the chief 32693
may adopt rules that do both of the following: 32694

(a) Establish the total depth of a well for which a permit 32695
has been applied for or issued under this division; 32696

(b) Establish requirements and procedures to protect public 32697
health and safety. 32698

(3) To implement the goals of the Safe Drinking Water Act, 32699
the chief shall not issue a permit for the injection of brine or 32700
other waste substances resulting from, obtained from, or produced 32701
in connection with oil or gas drilling, exploration, or production 32702
unless the chief concludes that the applicant has demonstrated 32703
that the injection will not result in the presence of any 32704

contaminant in ground water that supplies or can reasonably be expected to supply any public water system, such that the presence of the contaminant may result in the system's not complying with any national primary drinking water regulation or may otherwise adversely affect the health of persons.

(4) The chief may issue an order to the owner of a well in existence on ~~the effective date of this amendment~~ September 10, 2012, to make changes in the operation of the well in order to correct problems or to address safety concerns.

(5) This division and rules, orders, and terms and conditions of permits adopted or issued under it shall be construed to be no more stringent than required for compliance with the Safe Drinking Water Act unless essential to ensure that underground sources of drinking water will not be endangered.

(E) The owner holding a permit, or an assignee or transferee who has assumed the obligations and liabilities imposed by this chapter and any rules adopted or orders issued under it pursuant to section 1509.31 of the Revised Code, and the operator of a well shall be liable for a violation of this section or any rules adopted or orders or terms or conditions of a permit issued under it.

(F)(1) An owner shall replace the water supply of the holder of an interest in real property who obtains all or part of the holder's supply of water for domestic, agricultural, industrial, or other legitimate use from an underground or surface source where the supply has been substantially disrupted by contamination, diminution, or interruption proximately resulting from the owner's oil or gas operation, or the owner may elect to compensate the holder of the interest in real property for the difference between the fair market value of the interest before the damage occurred to the water supply and the fair market value after the damage occurred if the cost of replacing the water

supply exceeds this difference in fair market values. However, 32737
during the pendency of any order issued under this division, the 32738
owner shall obtain for the holder or shall reimburse the holder 32739
for the reasonable cost of obtaining a water supply from the time 32740
of the contamination, diminution, or interruption by the operation 32741
until the owner has complied with an order of the chief for 32742
compliance with this division or such an order has been revoked or 32743
otherwise becomes not effective. If the owner elects to pay the 32744
difference in fair market values, but the owner and the holder 32745
have not agreed on the difference within thirty days after the 32746
chief issues an order for compliance with this division, within 32747
ten days after the expiration of that thirty-day period, the owner 32748
and the chief each shall appoint an appraiser to determine the 32749
difference in fair market values, except that the holder of the 32750
interest in real property may elect to appoint and compensate the 32751
holder's own appraiser, in which case the chief shall not appoint 32752
an appraiser. The two appraisers appointed shall appoint a third 32753
appraiser, and within thirty days after the appointment of the 32754
third appraiser, the three appraisers shall hold a hearing to 32755
determine the difference in fair market values. Within ten days 32756
after the hearing, the appraisers shall make their determination 32757
by majority vote and issue their final determination of the 32758
difference in fair market values. The chief shall accept a 32759
determination of the difference in fair market values made by 32760
agreement of the owner and holder or by appraisers under this 32761
division and shall make and dissolve orders accordingly. This 32762
division does not affect in any way the right of any person to 32763
enforce or protect, under applicable law, the person's interest in 32764
water resources affected by an oil or gas operation. 32765

(2) For purposes of determining contamination of a water 32766
supply under division (F)(1) of this section, the chief shall 32767
review any baseline water supply test data that are available and 32768
may apply the primary drinking water standards established under 32769

the Safe Drinking Water Act. 32770

(G) In any action brought by the state for a violation of 32771
division (A) of this section involving any well at which annular 32772
disposal is used, there shall be a rebuttable presumption 32773
available to the state that the annular disposal caused the 32774
violation if the well is located within a one-quarter-mile radius 32775
of the site of the violation. 32776

(H)(1) There is levied on the owner of an injection well who 32777
has been issued a permit under division (D) of this section the 32778
following fees: 32779

(a) Five cents per barrel of each substance that is delivered 32780
to a well to be injected in the well when the substance is 32781
produced within the division of oil and gas resources management 32782
regulatory district in which the well is located or within an 32783
adjoining oil and gas resources management regulatory district; 32784

(b) Twenty cents per barrel of each substance that is 32785
delivered to a well to be injected in the well when the substance 32786
is not produced within the division of oil and gas resources 32787
management regulatory district in which the well is located or 32788
within an adjoining oil and gas resources management regulatory 32789
district. 32790

(2) The maximum number of barrels of substance per injection 32791
well in a calendar year on which a fee may be levied under 32792
division (H) of this section is five hundred thousand. If in a 32793
calendar year the owner of an injection well receives more than 32794
five hundred thousand barrels of substance to be injected in the 32795
owner's well and if the owner receives at least one substance that 32796
is produced within the division's regulatory district in which the 32797
well is located or within an adjoining regulatory district and at 32798
least one substance that is not produced within the division's 32799
regulatory district in which the well is located or within an 32800

adjoining regulatory district, the fee shall be calculated first 32801
on all of the barrels of substance that are not produced within 32802
the division's regulatory district in which the well is located or 32803
within an adjoining district at the rate established in division 32804
(H)(2) of this section. The fee then shall be calculated on the 32805
barrels of substance that are produced within the division's 32806
regulatory district in which the well is located or within an 32807
adjoining district at the rate established in division (H)(1) of 32808
this section until the maximum number of barrels established in 32809
division (H)(2) of this section has been attained. 32810

(3) The owner of an injection well who is issued a permit 32811
under division (D) of this section shall collect the fee levied by 32812
division (H) of this section on behalf of the division of oil and 32813
gas resources management and forward the fee to the division. The 32814
chief shall transmit all money received under division (H) of this 32815
section to the treasurer of state who shall deposit the money in 32816
the state treasury to the credit of the oil and gas well fund 32817
created in section 1509.02 of the Revised Code. The owner of an 32818
injection well who collects the fee levied by this division may 32819
retain up to three per cent of the amount that is collected. 32820

(4) The chief shall adopt rules in accordance with Chapter 32821
119. of the Revised Code establishing requirements and procedures 32822
for collection of the fee levied by division (H) of this section. 32823

Sec. 1509.226. (A) If a board of county commissioners, a 32824
board of township trustees, or the legislative authority of a 32825
municipal corporation wishes to permit the surface application of 32826
brine to roads, streets, highways, and other similar land surfaces 32827
it owns or has the right to control for control of dust or ice, it 32828
may adopt a resolution permitting such application as provided in 32829
this section. If a board or legislative authority does not adopt 32830
such a resolution, then no such surface application of brine is 32831

permitted on such roads, streets, highways, and other similar 32832
surfaces. If a board or legislative authority votes on a proposed 32833
resolution to permit such surface application of brine, but the 32834
resolution fails to receive the affirmative vote of a majority of 32835
the board or legislative authority, the board or legislative 32836
authority shall not adopt such a resolution for one year following 32837
the date on which the vote was taken. A board or legislative 32838
authority shall hold at least one public hearing on any proposal 32839
to permit surface application of brine under this division and may 32840
hold additional hearings. The board or legislative authority shall 32841
publish notice of the time and place of each such public hearing 32842
in a newspaper of general circulation in the political subdivision 32843
at least five days before the day on which the hearing is to be 32844
held. 32845

(B) If a board or legislative authority adopts a resolution 32846
permitting the surface application of brine to roads, streets, 32847
highways, and other similar land surfaces under division (A) of 32848
this section, the board or legislative authority shall, within 32849
thirty days after the adoption of the resolution, prepare and 32850
submit to the chief of the division of oil and gas resources 32851
management a copy of the resolution. Any department, agency, or 32852
instrumentality of this state or the United States that wishes to 32853
permit the surface application of brine to roads, streets, 32854
highways, and other similar land surfaces it owns or has a right 32855
to control shall prepare and submit guidelines for such 32856
application, but need not adopt a resolution under division (A) of 32857
this section permitting such surface application. 32858

All resolutions and guidelines shall be subject to the 32859
following standards: 32860

(1) Brine shall not be applied: 32861

(a) To a water-saturated surface; 32862

- (b) Directly to vegetation near or adjacent to surfaces being treated; 32863
32864
- (c) Within twelve feet of structures crossing bodies of water or crossing drainage ditches; 32865
32866
- (d) Between sundown and sunrise, except for ice control. 32867
- (2) The discharge of brine through the spreader bar shall stop when the application stops. 32868
32869
- (3) The applicator vehicle shall be moving at least five miles per hour at all times while the brine is being applied. 32870
32871
- (4) The maximum spreader bar nozzle opening shall be three-quarters of an inch in diameter. 32872
32873
- (5) The maximum uniform application rate of brine shall be three thousand gallons per mile on a twelve-foot-wide road or three gallons per sixty square feet on unpaved lots. 32874
32875
32876
- (6) The applicator vehicle discharge valve shall be closed between the brine collection point and the specific surfaces that have been approved for brine application. 32877
32878
32879
- (7) Any valves that provide for tank draining other than through the spreader bar shall be closed during the brine application and transport. 32880
32881
32882
- (8) The angle of discharge from the applicator vehicle spreader bar shall not be greater than sixty degrees from the perpendicular to the unpaved surface. 32883
32884
32885
- (9) Only the last twenty-five per cent of an applicator vehicle's contents shall be allowed to have a pressure greater than atmospheric pressure; therefore, the first seventy-five per cent of the applicator vehicle's contents shall be discharged under atmospheric pressure. 32886
32887
32888
32889
32890
- (10) Only brine that is produced from a well that is not a horizontal well shall be allowed to be spread on a road. Fluids 32891
32892

from the drilling of a well, flowback from the stimulation of a 32893
well, and other fluids used to treat a well shall not be spread on 32894
a road. 32895

If a resolution or guidelines contain only the standards 32896
listed in divisions (B)(1) to (10) of this section, without 32897
addition or qualification, the resolution or guidelines shall be 32898
deemed effective when submitted to the chief without further 32899
action by the chief. All other resolutions and guidelines shall 32900
comply with and be no less stringent than this chapter, rules 32901
concerning surface application that the chief shall adopt under 32902
division (C) of section 1509.22 of the Revised Code, and other 32903
rules of the chief. Within fifteen days after receiving such other 32904
resolutions and guidelines, the chief shall review them for 32905
compliance with the law and rules and disapprove them if they do 32906
not comply. 32907

The board, legislative authority, or department, agency, or 32908
instrumentality may revise and resubmit any resolutions or 32909
guidelines that the chief disapproves after each disapproval, and 32910
the chief shall again review and approve or disapprove them within 32911
fifteen days after receiving them. The board, legislative 32912
authority, or department, agency, or instrumentality may amend any 32913
resolutions or guidelines previously approved by the chief and 32914
submit them, as amended, to the chief. The chief shall receive, 32915
review, and approve or disapprove the amended resolutions or 32916
guidelines on the same basis and in the same time as original 32917
resolutions or guidelines. The board, legislative authority, or 32918
department, agency, or instrumentality shall not implement amended 32919
resolutions or guidelines until they are approved by the chief 32920
under this division. 32921

(C) Any person, other than a political subdivision required 32922
to adopt a resolution under division (A) of this section or a 32923
department, agency, or instrumentality of this state or the United 32924

States, who owns or has a legal right or obligation to maintain a 32925
road, street, highway, or other similar land surface may file with 32926
the board of county commissioners a written plan for the 32927
application of brine to the road, street, highway, or other 32928
surface. The board need not approve any such plans, but if it 32929
approves a plan, the plan shall comply with this chapter, rules 32930
adopted thereunder, and the board's resolutions, if any. 32931
Disapproved plans may be revised and resubmitted for the board's 32932
approval. Approved plans may also be revised and submitted to the 32933
board. A plan or revised plan shall do all of the following: 32934

(D) The board may attach terms and conditions to approval of 32942
a plan, or revised plan, and may revoke approval for any violation 32943
of this chapter, rules adopted thereunder, resolutions adopted by 32944
the board, or terms or conditions attached by the board. The board 32945
shall conduct at least one public hearing before approving a plan 32946
or revised plan, publishing notice of the time and place of each 32947
such public hearing in a newspaper of general circulation in the 32948
county at least five days before the day on which the hearing is 32949
to be held. The board shall record the filings of all plans and 32950
revised plans in its journal. The board shall approve, disapprove, 32951
or revoke approval of a plan or revised plan by the adoption of a 32952
resolution. Upon approval of a plan or revised plan, the board 32953

of a plan or revised plan, the board shall notify the chief of the 32955

revocation. 32956

(E) No person shall: 32957

(1) Apply brine to a water-saturated surface; 32958

(2) Apply brine directly to vegetation adjacent to the 32959
surface of roads, streets, highways, and other surfaces to which 32960
brine may be applied. 32961

(F) Each political subdivision that adopts a resolution under 32962
divisions (A) and (B) of this section, each department, agency, or 32963
instrumentality of this state or the United States that submits 32964
guidelines under division (B) of this section, and each person who 32965

or before the fifteenth day of April of each year, file a report 32967
with the chief concerning brine applied within the person's or 32968
governmental entity's jurisdiction, including the quantities 32969
transported and the sources and application points during the last 32970
preceding calendar year and such other information in such form as 32971
the chief requires. 32972

(G) Any political subdivision or department, agency, or 32973
instrumentality of this state or the United States that applies 32974
brine under this section may do so with its own personnel, 32975
vehicles, and equipment without registration under or compliance 32976
with section 1509.222 or 1509.223 of the Revised Code and without 32977

(H) A surface application plan filed for approval under 32987
division (C) of this section shall be accompanied by a 32988
nonrefundable fee of fifty dollars, which shall be credited to the 32989
general fund of the county. An approved plan is valid for one year 32990
from the date of its approval unless it is revoked before that 32991
time. An approved revised plan is valid for the remainder of the 32992
term of the plan it supersedes unless it is revoked before that 32993
time. Any person who has filed such a plan or revised plan and had 32994
it approved may renew it by refiling it in accordance with 32995
divisions (C) and (D) of this section within thirty days before 32996
any anniversary of the date on which the original plan was 32997
approved. The board shall notify the chief of renewals and 32998
nonrenewals of plans. Even if a renewed plan is approved under 32999
those divisions, the plan is not effective until notice is 33000
received by the chief, and until notice is received, the chief 33001
shall enforce this chapter and rules adopted thereunder with 33002

(I) A resolution adopted under division (A) of this section 33005
by a board or legislative authority shall be effective for one 33006
year following the date of its adoption and from month to month 33007
thereafter until the board or legislative authority, by 33008
resolution, terminates the authority granted in the original 33009
resolution. The termination shall be effective not less than seven 33010
days after enactment of the resolution, and a copy of the 33011
resolution shall be sent to the chief. 33012

Sec. 1509.50. (A) An oil and gas regulatory cost recovery 33013
assessment is hereby imposed by this section on an owner. An owner 33014
shall pay the assessment in the same manner as a severer who is 33015
required to file a return under section 5749.06 of the Revised 33016
Code. However, an owner may designate a severer who shall pay the 33017
owner's assessment on behalf of the owner on the return that the 33018

severer is required to file under that section. If a severer so 33019
pays an owner's assessment, the severer may recoup from the owner 33020
the amount of the assessment. Except for an exempt domestic well, 33021
the assessment imposed shall be in addition to the taxes levied on 33022
the severance of oil and gas under section 5749.02 of the Revised 33023
Code. 33024

(B)(1) Except for an exempt domestic well, the oil and gas 33025
regulatory cost recovery assessment shall be calculated on a 33026
quarterly basis and shall be one of the following: 33027

(a) If the sum of ten cents per barrel of oil for all of the 33028
wells of the owner, one-half of one cent per one thousand cubic 33029
feet of natural gas for all of the wells of the owner, and the 33030
amount of the severance tax levied on each severer for all of the 33031
wells of the owner under divisions (A)(5) and (6) of section 33032
5749.02 of the Revised Code, as applicable, is greater than the 33033
sum of fifteen dollars for each well owned by the owner, the 33034
amount of the assessment is the sum of ten cents per barrel of oil 33035
for all of the wells of the owner and one-half of one cent per one 33036
thousand cubic feet of natural gas for all of the wells of the 33037
owner. 33038

(b) If the sum of ten cents per barrel of oil for all of the 33039
wells of the owner, one-half of one cent per one thousand cubic 33040
feet of natural gas for all of the wells of the owner, and the 33041
amount of the severance tax levied on each severer for all of the 33042
wells of the owner under divisions (A)(5) and (6) of section 33043
5749.02 of the Revised Code, as applicable, is less than the sum 33044
of fifteen dollars for each well owned by the owner, the amount of 33045
the assessment is the sum of fifteen dollars for each well owned 33046
by the owner less the amount of the tax levied on each severer for 33047
all of the wells of the owner under divisions (A)(5) and (6) of 33048
section 5749.02 of the Revised Code, as applicable. 33049

(2) The oil and gas regulatory cost recovery assessment for a well that becomes an exempt domestic well on and after June 30, 2010, shall be sixty dollars to be paid to the division of oil and gas resources management on the first day of July of each year.

(C) All money collected pursuant to this section shall be ~~deposited in the state treasury to the credit of~~ credited to the severance tax receipts fund. After the director of budget and management transfers money from the severance tax receipts fund as required in division (H) of section 5749.06 of the Revised Code, money in the severance tax receipts fund from amounts collected pursuant to this section shall be credited to the oil and gas well fund created in section 1509.02 of the Revised Code.

(D) Except for purposes of revenue distribution as specified in division (B) of section 5749.02 of the Revised Code, the oil and gas regulatory cost recovery assessment imposed by this section shall be treated the same and equivalent for all purposes as the taxes levied on the severance of oil and gas under that section. However, the assessment imposed by this section is not a tax under Chapter 5749. of the Revised Code.

Sec. 1511.02. The chief of the division of soil and water resources, subject to the approval of the director of natural resources, shall do all of the following:

(A) Provide administrative leadership to local soil and water conservation districts in planning, budgeting, staffing, and administering district programs and the training of district supervisors and personnel in their duties, responsibilities, and authorities as prescribed in this chapter and Chapter 1515. of the Revised Code;

water conservation districts and divisions or sections of the 33087
department of natural resources, or other agencies of local, 33088
state, and federal government; 33089

(E) Subject to the approval of the Ohio soil and water 33090
conservation commission, adopt, amend, or rescind rules pursuant 33091
to Chapter 119. of the Revised Code. Rules adopted pursuant to 33092
this section: 33093

(1) Shall establish technically feasible and economically 33094
reasonable standards to achieve a level of management and 33095
conservation practices in farming or silvicultural operations that 33096
will abate wind or water erosion of the soil or abate the 33097
degradation of the waters of the state by animal waste or by soil 33098
sediment including substances attached thereto, and establish 33099
criteria for determination of the acceptability of such management 33100
and conservation practices; 33101

(2) Shall establish technically feasible and economically 33102
reasonable standards to achieve a level of management and 33103
conservation practices that will abate wind or water erosion of 33104
the soil or abate the degradation of the waters of the state by 33105
soil sediment in conjunction with land grading, excavating, 33106
filling, or other soil-disturbing activities on land used or being 33107
developed for nonfarm commercial, industrial, residential, or 33108
other nonfarm purposes, and establish criteria for determination 33109
of the acceptability of such management and conservation 33110
practices. The standards shall be designed to implement applicable 33111

areawide waste treatment management plans prepared under section 33112
208 of the "Federal Water Pollution Control Act," 86 Stat. 816 33113
(1972), 33 U.S.C.A. 1288, as amended. The standards and criteria 33114
shall not apply in any municipal corporation or county that adopts 33115
ordinances or rules pertaining to sediment control, nor to lands 33116
being used in a strip mine operation as defined in section 1513.01 33117
of the Revised Code, nor to lands being used in a surface mining 33118
operation as defined in section 1514.01 of the Revised Code. 33119

(3) May recommend criteria and procedures for the approval of 33120
urban sediment pollution abatement plans and issuance of permits 33121
prior to any grading, excavating, filling, or other whole or 33122
partial disturbance of five or more contiguous acres of land owned 33123
by one person or operated as one development unit and require 33124
implementation of such a plan. Areas of less than five contiguous 33125
acres are not exempt from compliance with other provisions of this 33126
chapter and rules adopted under them. 33127

(4) Shall establish procedures for administration of rules 33128
for agricultural pollution abatement and urban sediment pollution 33129
abatement and for enforcement of rules for agricultural pollution 33130
abatement; 33131

(5) Shall specify the pollution abatement practices eligible 33132
for state cost sharing and determine the conditions for 33133
eligibility, the construction standards and specifications, the 33134
useful life, the maintenance requirements, and the limits of cost 33135
sharing for those practices. Eligible practices shall be limited 33136
to practices that address agricultural or silvicultural operations 33137
and that require expenditures that are likely to exceed the 33138
economic returns to the owner or operator and that abate soil 33139
erosion or degradation of the waters of the state by animal waste 33140
or soil sediment including pollutants attached thereto. 33141

(6) Shall establish procedures for administering grants to 33142
owners or operators of agricultural land or concentrated animal 33143

feeding operations for the implementation of operation and 33144
management plans; 33145

(7) Shall establish procedures for administering grants to 33146
soil and water conservation districts for urban sediment pollution 33147
abatement programs, specify the types of projects eligible for 33148
grants, establish limits on the availability of grants, and 33149
establish requirements governing the execution of projects to 33150
encourage the reduction of erosion and sedimentation associated 33151
with soil-disturbing activities; 33152

(8) Shall do all of the following with regard to composting 33153
conducted in conjunction with agricultural operations: 33154

(a) Provide for the distribution of educational material 33155
concerning composting to the offices of ~~the Ohio cooperative~~ OSU 33156
extension ~~service~~ for the purposes of section 1511.022 of the 33157
Revised Code; 33158

(b) Establish methods, techniques, or practices for 33159

necessary or appropriate; 33162

(c) Establish requirements and procedures governing the 33163

supervisors of soil and water conservation districts under 33165
division (Q) of section 1515.08 of the Revised Code. 33166

The application of a level of management and conservation practices recommended under this section to control windblown soil from farming operations creates a presumption of compliance with section 3704.03 of the Revised Code as that section applies to windblown soil.

(11) Insofar as the rules relate to urban sediment pollution, shall not be applicable in a municipal corporation or county that adopts ordinances or rules for urban sediment control, except that a municipal corporation or county that adopts such ordinances or rules may receive moneys for urban sediment control that are disbursed by the board of supervisors of the applicable soil and water conservation district under division (N) of section 1515.08 of the Revised Code. The rules shall not exempt any person from compliance with municipal ordinances enacted pursuant to Section 3 of Article XVIII, Ohio Constitution.

pursuant to division (E)(5) of this section as moneys are 33205
appropriated and available for that purpose. Any practice for 33206
which cost share is provided shall be maintained for its useful 33207
life. Failure to maintain a cost share practice for its useful 33208
life shall subject the landowner to full repayment to the 33209
division. 33210

(G) Issue orders requiring compliance with any rule adopted 33211
under division (E)(1) of this section or with section 1511.022 of 33212
the Revised Code. Before the chief issues an order, the chief 33213
shall afford each person allegedly liable an adjudication hearing 33214
under Chapter 119. of the Revised Code. The chief may require in 33215
an order that a person who has caused agricultural pollution by 33216
failure to comply with the standards established under division 33217
(E)(1) of this section operate under an operation and management 33218
plan approved by the chief under this section. The chief shall 33219
require in an order that a person who has failed to comply with 33220
division (A) of section 1511.022 of the Revised Code prepare a 33221
composting plan in accordance with rules adopted under division 33222
(E)(10)(c) of this section and operate in accordance with that 33223
plan or that a person who has failed to operate in accordance with 33224
such a plan begin to operate in accordance with it. Each order 33225

arrangements with local soil and water conservation districts, 33233

laws in force at the time of employment. 33239

(I) In connection with new or relocated projects involving 33240
highways, underground cables, pipelines, railroads, and other 33241
improvements affecting soil and water resources, including surface 33242
and subsurface drainage: 33243

(1) Provide engineering service as is mutually agreeable to 33244
the Ohio soil and water conservation commission and the director 33245
to aid in the design and installation of soil and water 33246
conservation practices as a necessary component of such projects; 33247

(2) Maintain close liaison between the owners of lands on 33248
which the projects are executed, local soil and water conservation 33249
districts, and authorities responsible for such projects; 33250

to such projects and control adverse impacts on soil and water 33263
resources. 33264

(J) Collect, analyze, inventory, and interpret all available 33265
information pertaining to the origin, distribution, extent, use, 33266
and conservation of the soil resources of the state; 33267

(K) Prepare and maintain up-to-date reports, maps, and other materials pertaining to the soil resources of the state and their use and make that information available to governmental agencies, public officials, conservation entities, and the public;

(L) Provide soil and water conservation districts with technical assistance including on-site soil investigations and soil interpretation reports on the suitability or limitations of soil to support a particular use or to plan soil conservation measures. The assistance shall be upon such terms as are mutually agreeable to the districts and the department of natural resources.

(M) Assist local government officials in utilizing land use planning and zoning, current agricultural use value assessment, development reviews, and land management activities;

(N) When necessary for the purposes of this chapter or Chapter 1515. of the Revised Code, develop or approve operation and management plans.

and water conservation district under division (Q)(3) of section 33306
1515.08 of the Revised Code, the person may appeal the plan 33307
disapproval to the chief, who shall afford the person a hearing. 33308
Following the hearing, the chief shall uphold the plan disapproval 33309
or reverse it. If the chief reverses the disapproval, the plan 33310
shall be deemed approved. 33311

Sec. 1519.05. (A) As used in this section, "local political 33312
subdivision" and "nonprofit organization" have the same meanings 33313
as in section 164.20 of the Revised Code. 33314

recipient of the matching grant shall provide not less than 33334
twenty-five per cent of that cost. 33335

Except as provided by divisions (A)(2) and (3) of this section in connection with the offering of coverage for diagnostic and treatment services for biologically based mental illnesses, a health insuring corporation shall not offer coverage for a health care service, defined as a basic health care service by this division, unless it offers coverage for all listed basic health care services. year. 34464

the coverage of basic health care services. 34471

biologically based mental illnesses for a period of at least six 34476
months independently caused the health insuring corporation's 34477
costs for claims and administrative expenses for the coverage of 34478
basic health care services to increase by more than one per cent 34479
per year. 34480

(ii) The increase in costs reasonably justifies an increase 34481

coverage, shall be delivered, issued for delivery, renewed, or 34725
used, until the form of the evidence of coverage or amendment has 34726
been filed by the health insuring corporation with the 34727
superintendent of insurance. If the superintendent does not 34728
disapprove the evidence of coverage or amendment within sixty days 34729
after it is filed it shall be deemed approved, unless the 34730
superintendent sooner gives approval for the evidence of coverage 34731
or amendment. With respect to an amendment to an approved evidence 34732

amended or added to the evidence of coverage. If the 34734
superintendent determines within the sixty-day period that any 34735
evidence of coverage or amendment fails to meet the requirements 34736
of this section, the superintendent shall so notify the health 34737
insuring corporation and it shall be unlawful for the health 34738

days' written notice to a health insuring corporation, may 34741
withdraw an approval, deemed or actual, of any evidence of 34742
coverage or amendment on any of the grounds stated in this 34743
section. Such disapproval shall be effected by a written order, 34744
which shall state the grounds for disapproval and shall be issued 34745
in accordance with Chapter 119. of the Revised Code. 34746

(D) No evidence of coverage or amendment shall be delivered, 34747
issued for delivery, renewed, or used: 34748

occurrence of any of the following: 34778

(a) The enrollee's discharge from the hospital; 34779

(b) The determination by the enrollee's attending physician 34780

is not under contract to the health insuring corporation, whether 34799
or not the health insuring corporation authorized the use of the 34800
provider or health care facility. 34801

(E) Notwithstanding divisions (C) and (D) of this section, a 34802
health insuring corporation may use an evidence of coverage that 34803

insuring corporation at any time until the contractual periodic 34830
prepayment and premium rate, or amendment, have been filed with 34831
the superintendent of insurance, and shall not be effective until 34832
the expiration of sixty days after their filing unless the 34833
superintendent sooner gives approval. The filing shall be 34834
accompanied by an actuarial certification in the form prescribed 34835
by the superintendent. The superintendent shall disapprove the 34836
filing, if the superintendent determines within the sixty-day 34837
period that the contractual periodic prepayment or premium rate, 34838

or amendment, is not in accordance with sound actuarial principles 34839
or is not reasonably related to the applicable coverage and 34840
characteristics of the applicable class of enrollees. The 34841
superintendent shall notify the health insuring corporation of the 34842
disapproval, and it shall thereafter be unlawful for the health 34843
insuring corporation to use the contractual periodic prepayment or 34844
premium rate, or amendment. 34845

(2) No contractual periodic prepayment for group policies for 34846
health care services shall be used until the contractual periodic 34847
prepayment has been filed with the superintendent. The filing 34848
shall be accompanied by an actuarial certification in the form 34849
prescribed by the superintendent. The superintendent may reject a 34850
filing made under division (A)(2) of this section at any time, 34851
with at least thirty days' written notice to a health insuring 34852
corporation, if the contractual periodic prepayment is not in 34853
accordance with sound actuarial principles or is not reasonably 34854
related to the applicable coverage and characteristics of the 34855
applicable class of enrollees. 34856

(3) At any time, the superintendent, upon at least thirty 34857
days' written notice to a health insuring corporation, may 34858
withdraw the approval given under division (A)(1) of this section, 34859
deemed or actual, of any contractual periodic prepayment or 34860
premium rate, or amendment, based on information that either of 34861
the following applies: 34862

(a) The contractual periodic prepayment or premium rate, or 34863
amendment, is not in accordance with sound actuarial principles. 34864

(b) The contractual periodic prepayment or premium rate, or 34865
amendment, is not reasonably related to the applicable coverage 34866
and characteristics of the applicable class of enrollees. 34867

(4) Any disapproval under division (A)(1) of this section, 34868
any rejection of a filing made under division (A)(2) of this 34869

section, or any withdrawal of approval under division (A)(3) of 34870
this section, shall be effected by a written notice, which shall 34871
state the specific basis for the disapproval, rejection, or 34872
withdrawal and shall be issued in accordance with Chapter 119. of 34873
the Revised Code. 34874

(B) Notwithstanding division (A) of this section, a health 34875
insuring corporation may use a contractual periodic prepayment or 34876
premium rate for policies used for the coverage of beneficiaries 34877
enrolled in medicare pursuant to a medicare risk contract or 34878
medicare cost contract, or for policies used for the coverage of 34879
beneficiaries enrolled in the federal employees health benefits 34880
program pursuant to 5 U.S.C.A. 8905, or for policies used for the 34881
coverage of medicaid recipients, or for policies used for the 34882
coverage of beneficiaries under any other federal health care 34883
program regulated by a federal regulatory body, or for policies 34884
used for the coverage of beneficiaries under any contract covering 34885
officers or employees of the state that has been entered into by 34886
the department of administrative services, if both of the 34887
following apply: 34888

(1) The contractual periodic prepayment or premium rate has 34889
been approved by the United States department of health and human 34890
services, the United States office of personnel management, the 34891
department of ~~job and family services~~ medicaid, or the department 34892
of administrative services. 34893

(2) The contractual periodic prepayment or premium rate is 34894
filed with the superintendent prior to use and is accompanied by 34895
documentation of approval from the United States department of 34896
health and human services, the United States office of personnel 34897
management, the department of ~~job and family services~~ medicaid, or 34898
the department of administrative services. 34899

(C) The administrative expense portion of all contractual 34900
periodic prepayment or premium rate filings submitted to the 34901

superintendent for review must reflect the actual cost of 34902
administering the product. The superintendent may require that the 34903
administrative expense portion of the filings be itemized and 34904
supported. 34905

(D)(1) Copayments must be reasonable and must not be a 34906
barrier to the necessary utilization of services by enrollees. 34907

(2) A health insuring corporation, in order to ensure that 34908
copayments are reasonable and not a barrier to the necessary 34909
utilization of basic health care services by enrollees, may do one 34910
of the following: 34911

(a) Impose copayment charges on any single covered basic 34912
health care service that does not exceed forty per cent of the 34913
average cost to the health insuring corporation of providing the 34914
service; 34915

(b) Impose copayment charges that annually do not exceed 34916
twenty per cent of the total annual cost to the health insuring 34917
corporation of providing all covered basic health care services, 34918
including physician office visits, urgent care services, and 34919
emergency health services, when aggregated as to all persons 34920
covered under the filed product in question. In addition, annual 34921
copayment charges as to each enrollee shall not exceed twenty per 34922
cent of the total annual cost to the health insuring corporation 34923
of providing all covered basic health care services, including 34924
physician office visits, urgent care services, and emergency 34925
health services, as to such enrollee. The total annual cost of 34926
providing a health care service is the cost to the health insuring 34927
corporation of providing the health care service to its enrollees 34928
as reduced by any applicable provider discount. 34929

(3) To ensure that copayments are reasonable and not a 34930
barrier to the utilization of basic health care services, a health 34931
insuring corporation may not impose, in any contract year, on any 34932

subscriber or enrollee, copayments that exceed two hundred per 34933
cent of the average annual premium rate to subscribers or 34934
enrollees. 34935

(4) For purposes of division (D) of this section, both of the 34936
following apply: 34937

(a) Copayments imposed by health insuring corporations in 34938
connection with a high deductible health plan that is linked to a 34939
health savings account are reasonable and are not a barrier to the 34940
necessary utilization of services by enrollees. 34941

(b) Divisions (D)(2) and (3) of this section do not apply to 34942
a high deductible health plan that is linked to a health savings 34943
account. 34944

(E) A health insuring corporation shall not impose lifetime 34945
maximums on basic health care services. However, a health insuring 34946
corporation may establish a benefit limit for inpatient hospital 34947

certificate, or agreement for supplemental health care services. 34949

(F) A health insuring corporation may require that an 34950
enrollee pay an annual deductible that does not exceed one 34951
thousand dollars per enrollee or two thousand dollars per family, 34952
except that: 34953

(1) A health insuring corporation may impose higher 34954
deductibles for high deductible health plans that are linked to 34955
health savings accounts; 34956

(2) The superintendent may adopt rules allowing different 34957
annual deductible amounts for plans with a medical savings 34958
account, health reimbursement arrangement, flexible spending 34959
account, or similar account; 34960

(3) A health insuring corporation may impose higher 34961
deductibles under health plans if requested by the group contract, 34962

policy, certificate, or agreement holder, or an individual seeking 34963
coverage under an individual health plan. This shall not be 34964
construed as requiring the health insuring corporation to create 34965
customized health plans for group contract holders or individuals. 34966

(G) As used in this section, "health savings account" and 34967
"high deductible health plan" have the same meanings as in the 34968

amended. 34970

Sec. 1751.14. (A) Notwithstanding section 3901.71 of the 34971

following: 35000

(a) Incapable of self-sustaining employment by reason of 35001
mental retardation or physical handicap; 35002

(b) Primarily dependent upon the subscriber for support and 35003

attainment of the limiting age. Upon request, but not more 35008
frequently than annually, the health insuring corporation may 35009
require proof satisfactory to it of the continuance of such 35010
incapacity and dependency. 35011

(C) Nothing in this section shall do any of the following: 35012

(1) Require that any policy, contract, or agreement offer 35013

park, unless the damage is the result of acts that the park 35770
operator or the park operator's agents or employees performed with 35771

recreational vehicle and the personal property and shall provide 35796
written notice to the auditor and the treasurer of the county in 35797
which the court issuing the writ is located. 35798

Unless the proceedings are governed by division (D) of 35799
section 1923.12 of the Revised Code, notwithstanding any statutory 35800
provision to the contrary, including, but not limited to, section 35801

or exemption from levy or sale on execution available to the 35803
titled owner of the abandoned manufactured home, mobile home, or 35804
recreational vehicle in relation to a sale under this division. 35805

first pay the costs for any moving of and any storage outside the 35814
manufactured home park of the home or vehicle and any personal 35815

the sale, including reimbursing the park operator for the deposit 35817
that the park operator paid to the clerk of court under division 35818
(C) of section 1923.12 of the Revised Code, and any unpaid court 35819
costs assessed against the defendant in the underlying action. 35820

this section, the sheriff, police officer, constable, or bailiff 35822

this section, the sheriff, police officer, constable, or bailiff 35830
shall pay any outstanding monetary judgment rendered under section 35831
1923.09 or 1923.11 of the Revised Code in favor of the plaintiff 35832
and any costs associated with retaining the home or vehicle prior 35833
to the sale at its location on the residential premises within the 35834
manufactured home park pursuant to division (B)(2) of this 35835
section. 35836

(e) After complying with divisions (B)(3)(a) to (d) of this section, the sheriff, police officer, constable, or bailiff shall report any remaining money as unclaimed funds pursuant to Chapter 169. of the Revised Code.

Upon the return of any writ of execution for the satisfaction of which an abandoned manufactured home, mobile home, or recreational vehicle has been sold under this division, on careful examination of the proceedings of the sheriff, police officer, constable, or bailiff conducting the sale, if the court that issued the writ finds that the sale was made, in all respects, in conformity with the relevant provisions of Chapter 2329. of the Revised Code and with this division, it shall direct the clerk of the court to make an entry on the journal that the court is satisfied with the legality of the sale and the court shall direct the clerk of the court of common pleas of the county in which the writ was issued to issue a certificate of title, free and clear of all security interests, liens, and encumbrances, to the purchaser of the home or vehicle. If any taxes are owed on the home or vehicle at this time, the county auditor shall remove the delinquent taxes from the manufactured home tax list and the delinquent manufactured home tax list and remit any penalties for late payment of manufactured home taxes. Acceptance of the certificate of title by the plaintiff terminates all further proceedings under this section.

(4) Except as provided in division (B)(5) or (6) of this section and division (D) of section 1923.12 of the Revised Code, within sixty days after receiving a writ of execution described in division (B) of section 1923.13 of the Revised Code, if the manufactured home, mobile home, or recreational vehicle is determined to be abandoned and to have a value of less than three thousand dollars, the sheriff, police officer, constable, or bailiff shall serve at their respective last known addresses a written notice of potential action as described in this division upon all persons who are listed on the writ as having any outstanding right, title, or interest in the home or vehicle. Sec. 2303.201. (A)(1) The court of common pleas of any county 37716
may determine that for the efficient operation of the court 37717
additional funds are required to computerize the court, to make 37718

Upon making a determination that additional funds are required for 37720
either or both of those purposes, the court shall authorize and 37721

described in division (A)(2) of this section are more than 37737
sufficient to satisfy the purpose for which the additional fee 37738
described in division (A)(1) of this section was imposed, the 37739
court may declare a surplus in the fund and, subject to an 37740
appropriation by the board of county commissioners, expend those 37741
surplus funds, or upon an order of the court, subject to the court 37742
making an annual report available to the public listing the use of 37743
all such funds, expend those surplus funds, for other appropriate 37744
technological expenses of the court. 37745

(B)(1) The court of common pleas of any county may determine 37746
that, for the efficient operation of the court, additional funds 37747

moneys collected under division (B)(1) of this section shall be 37760
paid to the county treasurer to be disbursed, upon an order of the 37761
court of common pleas and subject to appropriation by the board of 37762
county commissioners, in an amount no greater than the actual cost 37763
to the court of procuring and maintaining technology and computer 37764
systems for the office of the clerk of the court of common pleas. 37765

(2) If the court of common pleas of a county makes the 37766
determination described in division (B)(1) of this section, the 37767
board of county commissioners of that county may issue one or more 37768

general obligation bonds for the purpose of procuring and 37769
maintaining the technology and computer systems for the office of 37770
the clerk of the court of common pleas. In addition to the 37771
purposes stated in division (B)(1) of this section for which the 37772
moneys collected under that division may be expended, the moneys 37773

annulments, dissolutions of marriage, divorces, legal separation, 37785

division of a court of common pleas, except that the additional 37789
filing fees shall apply to name change, guardianship, adoption, 37790
and decedents' estate proceedings; or to an execution on a 37791
judgment, proceeding in aid of execution, or other post-judgment 37792
proceeding arising out of a civil action. The filing fees required 37793
to be collected under this division shall be in addition to any 37794
other filing fees imposed in the action or proceeding and shall be 37795
collected at the time of the filing of the action or proceeding. 37796
The court shall not waive the payment of the additional filing 37797
fees in a new civil action or proceeding unless the court waives 37798
the advanced payment of all filing fees in the action or 37799
proceeding. All such moneys collected during a month except for an 37800
amount equal to up to one per cent of those moneys retained to 37801

established under section 120.07 of the Revised Code and 37808
ninety-six per cent of the funds collected under this division to 37809
the credit of the legal aid fund established under section 120.52 37810
of the Revised Code. 37811

The court may retain up to one per cent of the moneys it 37812
collects under this division to cover administrative costs, 37813
including the hiring of any additional personnel necessary to 37814
implement this division. If the court fails to transmit to the 37815
treasurer of state the moneys the court collects under this 37816
division in a manner prescribed by the treasurer of state or by 37817
the Ohio legal assistance foundation, the court shall forfeit the 37818
moneys the court retains under this division to cover 37819
administrative costs, including the hiring of any additional 37820
personnel necessary to implement this division, and shall transmit 37821
to the treasurer of state all moneys collected under this 37822
division, including the forfeited amount retained for 37823
administrative costs, for deposit in the legal aid fund. 37824

(D) On and after the thirtieth day after December 9, 1994, 37825
the court of common pleas shall collect the sum of thirty-two 37826
dollars as additional filing fees in each new action or proceeding 37827

sections 3113.35 to 3113.39 of the Revised Code. The filing fees 37830
required to be collected under this division shall be in addition 37831
to any other filing fees imposed in the action or proceeding and 37832
shall be collected at the time of the filing of the action or 37833

proceeding. The court shall not waive the payment of the 37834
additional filing fees in a new action or proceeding for 37835
annulment, divorce, or dissolution of marriage unless the court 37836
waives the advanced payment of all filing fees in the action or 37837
proceeding. On or before the twentieth day of each month, all 37838
moneys collected during the immediately preceding month pursuant 37839
to this division shall be deposited by the clerk of the court into 37840
the county treasury in the special fund used for deposit of 37841

shall be retained in the fund and expended only as described in 37844
section 3113.34 of the Revised Code. 37845

of that type, over and above court costs, to cover the special 37861
program or service. The court shall adjust the special assessment 37862
periodically, but not retroactively, so that the amount assessed 37863
in those cases does not exceed the actual cost of providing the 37864
service or program. 37865

All moneys collected under division (E) of this section shall 37866
be paid to the county treasurer for deposit into either a general 37867

project. Moneys from a fund of that nature shall be disbursed upon 37869
an order of the court, subject to an appropriation by the board of 37870
county commissioners, in an amount no greater than the actual cost 37871
to the court of a project. If a specific fund is terminated 37872
because of the discontinuance of a program or service established 37873
under division (E) of this section, the court may order, subject 37874

adjust the special assessment periodically, but not retroactively, 38933
so that the amount assessed in those cases does not exceed the 38934
actual cost of providing the service or program. 38935

All moneys collected under division (B) of this section shall 38936
be paid to the county treasurer of the county selected as the 38937

general special projects fund or a fund established for a specific 38939
special project. Moneys from a fund of that nature shall be 38940
disbursed upon an order of the court in an amount no greater than 38941

terminated because of the discontinuance of a program or service 38943
established under division (B) of this section, the court may 38944
order that moneys remaining in the fund be transferred to an 38945
account established under this division for a similar purpose. 38946

In determining that sum, the court of claims shall not take into consideration any expenses incurred by the state or any of its political subdivisions in connection with the arrest, prosecution, and imprisonment of the wrongfully imprisoned individual, including, but not limited to, expenses for food, clothing, shelter, and medical services. section. However, this section does not affect any liability of 39763
the state or of its employees to a wrongfully imprisoned 39764

wrongfully imprisoned individual's confinement in the state 39768
correctional institution. 39769

(G) The clerk of the court of claims shall forward a 39770

(B) ~~A The~~ court of claims ~~panel of commissioners or a judge~~ 39793

not make or order an award of reparations to a claimant if the 39845

criminally injurious conduct upon which the claimant bases a claim 39846
never was reported to a law enforcement officer or agency. 39847

(B)(1) The attorney general, ~~a panel of commissioners,~~ or a 39848
~~judge of~~ the court of claims shall not make or order an award of 39849
reparations to a claimant if any of the following apply: 39850

(a) The claimant is the offender or an accomplice of the 39851
offender who committed the criminally injurious conduct, or the 39852
award would unjustly benefit the offender or accomplice. 39853

(b) Except as provided in division (B)(2) of this section, 39854
both of the following apply: 39855

(i) The victim was a passenger in a motor vehicle and knew or 39856
reasonably should have known that the driver was under the 39857
influence of alcohol, a drug of abuse, or both. 39858

(ii) The claimant is seeking compensation for injuries 39859

(D) The attorney general, ~~a panel of commissioners~~, or a 39882
~~judge~~ of the court of claims shall reduce an award of reparations 39883
or deny a claim for an award of reparations that is otherwise 39884
payable to a claimant to the extent that the economic loss upon 39885
which the claim is based is recouped from other persons, including 39886
collateral sources. If an award is reduced or a claim is denied 39887
because of the expected recoupment of all or part of the economic 39888
loss of the claimant from a collateral source, the amount of the 39889
award or the denial of the claim shall be conditioned upon the 39890
claimant's economic loss being recouped by the collateral source. 39891
If the award or denial is conditioned upon the recoupment of the 39892
claimant's economic loss from a collateral source and it is 39893
determined that the claimant did not unreasonably fail to present 39894
a timely claim to the collateral source and will not receive all 39895
or part of the expected recoupment, the claim may be reopened and 39896
an award may be made in an amount equal to the amount of expected 39897
recoupment that it is determined the claimant will not receive 39898
from the collateral source. 39899

If the claimant recoups all or part of the economic loss upon 39900
which the claim is based from any other person or entity, 39901
including a collateral source, the attorney general may recover 39902
pursuant to section 2743.72 of the Revised Code the part of the 39903
award that represents the economic loss for which the claimant 39904
received the recoupment from the other person or entity. 39905

(E)(1) Except as otherwise provided in division (E)(2) of 39906
this section, the attorney general, ~~a panel of commissioners~~, or a 39907

if any of the following applies: 39909

prior to the criminally injurious conduct that gave rise to the 39911
claim or is convicted of a felony during the pendency of the 39912
claim. 39913

(b) The claimant was convicted of a felony within ten years 39914
prior to the criminally injurious conduct that gave rise to the 39915
claim or is convicted of a felony during the pendency of the 39916
claim. 39917

(c) It is proved by a preponderance of the evidence that the 39918
victim or the claimant engaged, within ten years prior to the 39919
criminally injurious conduct that gave rise to the claim or during 39920

of section 2925.03 of the Revised Code, or any substantially 39922
similar offense that also would constitute a felony under the laws 39923
of this state, another state, or the United States. 39924

(d) The claimant was convicted of a violation of section 39925

within ten years prior to the criminally injurious conduct that 39928
gave rise to the claim or during the pendency of the claim. 39929

(e) It is proved by a preponderance of the evidence that the 39930
victim at the time of the criminally injurious conduct that gave 39931
rise to the claim engaged in conduct that was a felony violation 39932
of section 2925.11 of the Revised Code or engaged in any 39933
substantially similar conduct that would constitute a felony under 39934
the laws of this state, another state, or the United States. 39935

(2) The attorney general, ~~a panel of commissioners,~~ or a 39936
~~judge~~ of the court of claims may make an award to a minor 39937
dependent of a deceased victim for dependent's economic loss or 39938

for counseling pursuant to division (F)(2) of section 2743.51 of 39939
the Revised Code if the minor dependent is not ineligible under 39940
division (E)(1) of this section due to the minor dependent's 39941
criminal history and if the victim was not killed while engaging 39942
in illegal conduct that contributed to the criminally injurious 39943
conduct that gave rise to the claim. For purposes of this section, 39944
the use of illegal drugs by the deceased victim shall not be 39945
deemed to have contributed to the criminally injurious conduct 39946
that gave rise to the claim. 39947

(F) In determining whether to make an award of reparations 39948
pursuant to this section, the attorney general or ~~panel of~~ 39949
~~commissioners~~ the court of claims shall consider whether there was 39950
contributory misconduct by the victim or the claimant. The 39951
attorney general, ~~a panel of commissioners,~~ or ~~a judge of the~~ 39952
court of claims shall reduce an award of reparations or deny a 39953
claim for an award of reparations to the extent it is determined 39954
to be reasonable because of the contributory misconduct of the 39955
claimant or the victim. 39956

When the attorney general decides whether a claim should be 39957
denied because of an allegation of contributory misconduct, the 39958
burden of proof on the issue of that alleged contributory 39959
misconduct shall be upon the claimant, if either of the following 39960
apply: 39961

(1) The victim was convicted of a felony more than ten years 39962
prior to the criminally injurious conduct that is the subject of 39963
the claim or has a record of felony arrests under the laws of this 39964
state, another state, or the United States. 39965

(2) There is good cause to believe that the victim engaged in 39966
an ongoing course of criminal conduct within five years or less of 39967
the criminally injurious conduct that is the subject of the claim. 39968

(G) The attorney general, ~~a panel of commissioners,~~ or a 39969

~~judge~~ of the court of claims shall not make an award of 39970
reparations to a claimant if the criminally injurious conduct that 39971
caused the injury or death that is the subject of the claim 39972
occurred to a victim who was an adult and while the victim, after 39973
being convicted of or pleading guilty to an offense, was serving a 39974
sentence of imprisonment in any detention facility, as defined in 39975
section 2921.01 of the Revised Code. 39976

(H) If a claimant unreasonably fails to present a claim 39977
timely to a source of benefits or advantages that would have been 39978
a collateral source and that would have reimbursed the claimant 39979
for all or a portion of a particular expense, the attorney 39980
~~general, a panel of commissioners, or a judge~~ of the court of 39981
claims may reduce an award of reparations or deny a claim for an 39982
award of reparations to the extent that it is reasonable to do so. 39983

(I) Reparations payable to a victim and to all other 39984
claimants sustaining economic loss because of injury to or the 39985
death of that victim shall not exceed fifty thousand dollars in 39986
the aggregate. If the attorney general, ~~a panel of commissioners,~~ 39987
~~or a judge~~ of the court of claims reduces an award under division 39988
(F) of this section, the maximum aggregate amount of reparations 39989
payable under this division shall be reduced proportionately to 39990
the reduction under division (F) of this section. 39991

(J) Nothing in this section shall be construed to prohibit an 39992
award to a claimant whose claim is based on the claimant's being a 39993
victim of a violation of section 2905.32 of the Revised Code if 39994
the claimant was less than eighteen years of age when the 39995
criminally injurious conduct occurred. 39996

which an award or denial of the claim by the attorney general, ~~a~~ 40004
~~panel of commissioners,~~ or the court of claims has not yet become 40005

reparations pending on ~~the effective date of this section~~ 40012
September 30, 2011, and to all claims for an award of reparations 40013
filed on or after ~~the effective date of this section~~ September 30, 40014
2011, that are based on criminally injurious conduct not 40015
previously addressed by the attorney general, ~~by a panel of~~ 40016
~~commissioners,~~ or ~~by~~ the court of claims. 40017

award of reparations. A claimant may file a request for 40022
reconsideration with the attorney general not later than thirty 40023
days after the attorney general renders an initial decision. A 40024
claimant may submit with the request any additional information 40025

If a claimant does not file a request for reconsideration of 40035
a decision of the attorney general to make an award or to deny a 40036

to 2743.72 of the Revised Code in which that condition is an 40115
element. 40116

(2)(a) Except as specified in division (A)(2)(b) of this 40117
section, any record or report that a judge of the court of claims, ~~or~~ 40118

submit to a mental or physical examination and may order an 40140

prognoses, and other conclusions and reports of earlier 40155
examinations of the same conditions. 40156

(C) On request of the person examined, the attorney general 40157
shall furnish the person a copy of the report. If the victim is 40158

sexual activity with the offender and only to the extent that the 40175
~~judge, the panel~~ court of commissioners, claims or the attorney 40176

~~of commissioners,~~ or a judge of the court of claims may make an 40193
award of reparations whether or not any person is prosecuted or 40194

a claim is conclusive evidence that the crime was committed, 40197
unless an application for rehearing, an appeal of the conviction, 40198
or certiorari is pending, or a rehearing or new trial has been 40199
ordered. 40200

If the prosecuting attorney of the county in which the 40201
criminally injurious conduct allegedly occurred requests the 40202
suspension of proceedings in any claim for an award of reparations 40203
and if the request is made because of the commencement of a 40204
criminal prosecution, the attorney general may suspend, because a 40205

(2) A maximum of one thousand twenty dollars for claims in 40222

(5) A maximum of two hundred dollars if the claim is denied 40239
on the basis of a claimant's or victim's conviction of a felony 40240
offense prior to the filing of the claim. If the claimant or 40241
victim is convicted of a felony offense during the pendency of the 40242
claim, the two hundred dollars maximum does not apply. If the 40243
attorney had knowledge of the claimant's or victim's felony 40244
conviction prior to the filing of the application for the claim, 40245
the attorney general may determine that the filing of the claim 40246
was frivolous and may deny attorney's fees. 40247

(B) The attorney general may determine that an attorney be 40248
reimbursed for fees incurred in the creation of a guardianship if 40249
the guardianship is required in order for an individual to receive 40250

an award of reparations, and those fees shall be reimbursed at a 40251
rate of sixty dollars per hour. 40252

(C)(1) The attorney general shall forward an application form 40253

attorney shall file the application form with the attorney 40268
general. The attorney general's decision with respect to an award 40269
of attorney's fees is final ten days after the attorney general 40270
renders the decision and mails a copy of the decision to the 40271
attorney at the address provided by the attorney. The attorney may 40272
request reconsideration of the decision on grounds that it is 40273

(F)(1) The attorney general may reduce or deny the payment of attorney's fees to an attorney who has filed a frivolous claim. Subject to division (A)(5) of this section, the denial of a claim on the basis of a felony conviction, felony conduct, or contributory misconduct does not constitute a frivolous claim.	40295 40296 40297 40298 40299
(2) As used in this section, "frivolous claim" means a claim in which there is clearly no legal grounds under the existing laws of this state to support the filing of a claim on behalf of the claimant or victim.	40300 40301 40302 40303

claimant. 40339

(2) The present value of all future economic loss, other than 40340

allowable expense, does not exceed one thousand dollars. 40341

(C) The attorney general may make an award for future 40342
economic loss payable in installments only for a period as to 40343
which future economic loss reasonably can be determined. An award 40344
for future economic loss payable in installments may be 40345
reconsidered and modified upon a finding that a material and 40346
substantial change of circumstances has occurred. 40347

(D) An award is not subject to execution, attachment, 40348
garnishment, or other process, except that, upon receipt of an 40349
award by a claimant: 40350

criteria set forth in sections 2743.51 to 2743.72 of the Revised 40362
Code. 40363

(4) If the claimant receives compensation from any other 40364
person or entity, including a collateral source, for an expense 40365
that is included within the award, the attorney general may 40366
recover pursuant to section 2743.72 of the Revised Code the part 40367

hardship if immediate economic relief is not obtained. An 40388
emergency award shall not exceed two thousand dollars. The 40389
attorney general or the court of claims ~~panel of commissioners~~ 40390
shall deduct an amount of the emergency award from the final 40391

emergency award that exceeds the final award made to the claimant. 40393
If no final award is made, the claimant or victim shall repay the 40394

presentation of the claim involved; 40549

(f) Any other expenditures of the person injured or of the 40550
person whose property was injured or destroyed or of another 40551
person on behalf of the person injured or of the person whose 40552

property injury or property loss. 40555

40590
40591
40592
40593
40594
40595

(2) If the period of limitation provided in division (A)(1) or (3) of this section has expired, prosecution for a violation of section 2913.49 of the Revised Code shall be commenced within five years after discovery of the offense either by an aggrieved person or the aggrieved person's legal representative who is not a party to the offense. 40596
40597
40598
40599
40600
40601

(C)(1) If the period of limitation provided in division (A)(1) or (3) of this section has expired, prosecution shall be commenced for the following offenses during the following specified periods of time: 40602
40603
40604
40605

(a) For an offense involving misconduct in office by a public servant, at any time while the accused remains a public servant, or within two years thereafter; 40606
40607
40608

(b) For an offense by a person who is not a public servant but whose offense is directly related to the misconduct in office of a public servant, at any time while that public servant remains a public servant, or within two years thereafter. 40609

40611
40612

(2) As used in this division: 40613

(a) An "offense is directly related to the misconduct in office of a public servant" includes, but is not limited to, a violation of section 101.71, 101.91, 121.61 or 2921.13, division (F) or (H) of section 102.03, division (A) of section 2921.02, 40614
40615
40616
40617

division (A) or (B) of section 2921.43, or division (F) or (G) of 40618
section 3517.13 of the Revised Code, that is directly related to 40619
an offense involving misconduct in office of a public servant. 40620

(b) "Public servant" has the same meaning as in section 40621
2921.01 of the Revised Code. 40622

(D) An offense is committed when every element of the offense 40623
occurs. In the case of an offense of which an element is a 40624
continuing course of conduct, the period of limitation does not 40625
begin to run until such course of conduct or the accused's 40626
accountability for it terminates, whichever occurs first. 40627

(E) A prosecution is commenced on the date an indictment is 40628
returned or an information filed, or on the date a lawful arrest 40629
without a warrant is made, or on the date a warrant, summons, 40630
citation, or other process is issued, whichever occurs first. A 40631
prosecution is not commenced by the return of an indictment or the 40632
filing of an information unless reasonable diligence is exercised 40633
to issue and execute process on the same. A prosecution is not 40634
commenced upon issuance of a warrant, summons, citation, or other 40635
process, unless reasonable diligence is exercised to execute the 40636

(F) The period of limitation shall not run during any time 40638
when the corpus delicti remains undiscovered. 40639

(G) The period of limitation shall not run during any time 40640
when the accused purposely avoids prosecution. Proof that the 40641
accused departed this state or concealed the accused's identity or 40642
whereabouts is prima-facie evidence of the accused's purpose to 40643
avoid prosecution. 40644

(H) The period of limitation shall not run during any time a 40645
prosecution against the accused based on the same conduct is 40646
pending in this state, even though the indictment, information, or 40647
process that commenced the prosecution is quashed or the 40648

proceedings on the indictment, information, or process are set 40649
aside or reversed on appeal. 40650

(I) The period of limitation for a violation of any provision 40651
of Title XXIX of the Revised Code that involves a physical or 40652
mental wound, injury, disability, or condition of a nature that 40653
reasonably indicates abuse or neglect of a child under eighteen 40654
years of age or of a mentally retarded, developmentally disabled, 40655
or physically impaired child under twenty-one years of age shall 40656
not begin to run until either of the following occurs: 40657

(1) The victim of the offense reaches the age of majority. 40658

(2) A public children services agency, or a municipal or 40659
county peace officer that is not the parent or guardian of the 40660
child, in the county in which the child resides or in which the 40661
abuse or neglect is occurring or has occurred has been notified 40662
that abuse or neglect is known, suspected, or believed to have 40663
occurred. 40664

(J) As used in this section, "peace officer" has the same 40665
meaning as in section 2935.01 of the Revised Code. 40666

Sec. 2901.30. (A) As used in sections 2901.30 to 2901.32 of 40667
the Revised Code: 40668

(1) "Information" means information that can be integrated 40669
into the computer system and that relates to the physical or 40670
mental description of a minor including, but not limited to, 40671
height, weight, color of hair and eyes, use of eyeglasses or 40672
contact lenses, skin coloring, physical or mental handicaps, 40673
special medical conditions or needs, abnormalities, problems, 40674
scars and marks, and distinguishing characteristics, and other 40675
information that could assist in identifying a minor including, 40676
but not limited to, full name and nickname, date and place of 40677
birth, age, names and addresses of parents and other relatives, 40678

fingerprints, dental records, photographs, social security number, 40679
driver's license number, credit card numbers, bank account 40680
numbers, and clothing. 40681

(2) "Minor" means a person under eighteen years of age. 40682

(3) "Missing children" or "missing child" means either of the 40683
following: 40684

(a) A minor who has run away from or who otherwise is missing 40685
from the home of, or the care, custody, and control of, the 40686
minor's parents, parent who is the residential parent and legal 40687
custodian, guardian, legal custodian, or other person having 40688
responsibility for the care of the minor; 40689

(b) A minor who is missing and about whom there is reason to 40690
believe the minor could be the victim of a violation of section 40691
2905.01, 2905.02, 2905.03, or 2919.23 of the Revised Code or of a 40692
violation of section 2905.04 of the Revised Code as it existed 40693
prior to July 1, 1996. 40694

(B) When a law enforcement agency in this state that has 40695
jurisdiction in the matter is informed that a minor is or may be a 40696
missing child and that the person providing the information wishes 40697
to file a missing child report, the law enforcement agency shall 40698
take that report. Upon taking the report, the law enforcement 40699
agency shall take prompt action upon it, including, but not 40700
limited to, concerted efforts to locate the missing child. No law 40701
enforcement agency in this state shall have a rule or policy that 40702
prohibits or discourages the filing of or the taking of action 40703
upon a missing child report, within a specified period following 40704
the discovery or formulation of a belief that a minor is or could 40705
be a missing child. 40706

(C) If a missing child report is made to a law enforcement 40707
agency in this state that has jurisdiction in the matter, the law 40708
enforcement agency shall gather readily available information 40709

about the missing child and integrate it into the national crime 40710
information center computer immediately following the making of 40711
the report. The law enforcement agency shall make reasonable 40712
efforts to acquire additional information about the missing child 40713
following the transmittal of the initially available information, 40714
and promptly integrate any additional information acquired into 40715
such computer systems. 40716

Whenever a law enforcement agency integrates information 40717
about a missing child into the national crime information center 40718
computer, the law enforcement agency promptly shall notify the 40719
missing child's parents, parent who is the residential parent and 40720
legal custodian, guardian, or legal custodian, or any other person 40721
responsible for the care of the missing child, that it has so 40722
integrated the information. 40723

The parents, parent who is the residential parent and legal 40724
custodian, guardian, legal custodian, or other person responsible 40725
for the care of the missing child shall provide available 40726
information upon request, and may provide information voluntarily, 40727
to the law enforcement agency during the information gathering 40728
process. The law enforcement agency also may obtain available 40729
information about the missing child from other persons, subject to 40730
constitutional and statutory limitations. 40731

(D) Upon the filing of a missing child report, the law 40732
enforcement agency involved may notify the public or nonpublic 40733
school in which the missing child is or was most recently 40734
enrolled, as ascertained by the agency, that the child is the 40735
subject of a missing child report and that the child's school 40736
records are to be marked in accordance with section 3313.672 of 40737
the Revised Code. 40738

(E) Upon the filing of a missing child report, the law 40739
enforcement agency involved promptly shall make a reasonable 40740
attempt to notify other law enforcement agencies within its county 40741

and, if the agency has jurisdiction in a municipal corporation or township that borders another county, to notify the law enforcement agency for the municipal corporation or township in the other county with which it shares the border, that it has taken a missing child report and may be requesting assistance or cooperation in the case, and provide relevant information to the other law enforcement agencies. The agency may notify additional law enforcement agencies, or appropriate public children services agencies, about the case, request their assistance or cooperation in the case, and provide them with relevant information.

Upon request from a law enforcement agency, a public children services agency shall grant the law enforcement agency access to all information concerning a missing child that the agency possesses that may be relevant to the law enforcement agency in investigating a missing child report concerning that child. The information obtained by the law enforcement agency shall be used only to further the investigation to locate the missing child.

(F) Upon request, law enforcement agencies in this state shall provide assistance to, and cooperate with, other law enforcement agencies in their investigation of missing child cases. The assistance and cooperation under this paragraph shall be pursuant to any terms agreed upon by the law enforcement agencies, which may include the provision of law enforcement services or the use of law enforcement equipment or the interchange of services and equipment among the cooperating law enforcement agencies. Chapter 2744. of the Revised Code, insofar as it applies to the operation of law enforcement agencies, shall apply to the cooperating political subdivisions and to the law enforcement agency employees when they are rendering services pursuant to this paragraph outside the territory of the political subdivision by which they are employed. Law enforcement agency employees rendering services outside the territory of the

political subdivision in which they are employed, pursuant to this 40774
paragraph, shall be entitled to participate in any indemnity fund 40775
established by their employer to the same extent as if they were 40776
rendering service within the territory of their employing 40777
political subdivision. Those law enforcement agency employees also 40778
shall be entitled to all the rights and benefits of Chapter 4123. 40779
of the Revised Code to the same extent as if rendering services 40780
within the territory of their employing political subdivision. 40781

The information in any missing child report made to a law 40782
enforcement agency shall be made available, upon request, to law 40783
enforcement personnel of this state, other states, and the federal 40784
government when the law enforcement personnel indicate that the 40785
request is to aid in identifying or locating a missing child or 40786
the possible identification of a deceased minor who, upon 40787
discovery, cannot be identified. 40788

(G) When a missing child has not been located within thirty 40789
days after the date on which the missing child report pertaining 40790
to the child was filed with a law enforcement agency, that law 40791
enforcement agency shall request the missing child's parents, 40792
parent who is the residential parent and legal custodian, 40793
guardian, or legal custodian, or any other person responsible for 40794
the care of the missing child, to provide written consent for the 40795
law enforcement agency to contact the missing child's dentist and 40796
request the missing child's dental records. Upon receipt of such 40797
written consent, the dentist shall release a copy of the missing 40798
child's dental records to the law enforcement agency and shall 40799
provide and encode the records in such form as requested by the 40800
law enforcement agency. The law enforcement agency then shall 40801
integrate information in the records into the national crime 40802
information center computer in order to compare the records to 40803
those of unidentified deceased persons. This division does not 40804
prevent a law enforcement agency from seeking consent to obtain 40805

copies of a missing child's dental records, or prevent a missing 40806
child's parents, parent who is the residential parent and legal 40807
custodian, guardian, or legal custodian, or any other person 40808
responsible for the care of the missing child, from granting 40809
consent for the release of copies of the missing child's dental 40810
records to a law enforcement agency, at any time. 40811

(H) A missing child's parents, parent who is the residential 40812
parent and legal custodian, guardian, or legal custodian, or any 40813
other persons responsible for the care of a missing child, 40814
immediately shall notify the law enforcement agency with which 40815
they filed the missing child report whenever the child has 40816
returned to their home or to their care, custody, and control, has 40817
been released if the missing child was the victim of an offense 40818
listed in division (A)(3)(b) of this section, or otherwise has 40819
been located. Upon such notification or upon otherwise learning 40820
that a missing child has returned to the home of, or to the care, 40821
custody, and control of the missing child's parents, parent who is 40822
the residential parent and legal custodian, guardian, legal 40823
custodian, or other person responsible for the missing child's 40824
care, has been released if the missing child was the victim of an 40825
offense listed in division (A)(3)(b) of this section, or otherwise 40826
has been located, the law enforcement agency involved promptly 40827
shall integrate the fact that the minor no longer is a missing 40828
child into the national crime information center computer and 40829
shall inform any school that was notified under division (D) of 40830
this section that the minor is no longer a missing child. 40831

~~(I) Nothing contained in this section shall be construed to 40832
impair the confidentiality of services provided to runaway minors 40833
by shelters for runaway minors pursuant to sections 5119.64 to 40834
5119.68 of the Revised Code. 40835~~

return the findings as part of the verdict. In any such case, it 42991
is unnecessary to find and return the exact amount of the 42992
controlled substance involved, and it is sufficient if the finding 42993
and return is to the effect that the amount of the controlled 42994
substance involved is the requisite amount, or that the amount of 42995
the controlled substance involved is less than the requisite 42996
amount. 42997

(F)(1) Notwithstanding any contrary provision of section 42998
3719.21 of the Revised Code and except as provided in division (H) 42999
of this section, the clerk of the court shall pay any mandatory 43000
fine imposed pursuant to division (D)(1) of this section and any 43001
fine other than a mandatory fine that is imposed for a violation 43002
of this section pursuant to division (A) or (B)(5) of section 43003
2929.18 of the Revised Code to the county, township, municipal 43004
corporation, park district, as created pursuant to section 511.18 43005
or 1545.04 of the Revised Code, or state law enforcement agencies 43006
in this state that primarily were responsible for or involved in 43007
making the arrest of, and in prosecuting, the offender. However, 43008
the clerk shall not pay a mandatory fine so imposed to a law 43009
enforcement agency unless the agency has adopted a written 43010
internal control policy under division (F)(2) of this section that 43011
addresses the use of the fine moneys that it receives. Each agency 43012
shall use the mandatory fines so paid to subsidize the agency's 43013
law enforcement efforts that pertain to drug offenses, in 43014
accordance with the written internal control policy adopted by the 43015
recipient agency under division (F)(2) of this section. 43016

(2)~~(a)~~ Prior to receiving any fine moneys under division 43017
(F)(1) of this section or division (B) of section 2925.42 of the 43018
Revised Code, a law enforcement agency shall adopt a written 43019
internal control policy that addresses the agency's use and 43020
disposition of all fine moneys so received and that provides for 43021
the keeping of detailed financial records of the receipts of those 43022

fine moneys, the general types of expenditures made out of those 43023
fine moneys, and the specific amount of each general type of 43024
expenditure. The policy shall not provide for or permit the 43025
identification of any specific expenditure that is made in an 43026
ongoing investigation. All financial records of the receipts of 43027
those fine moneys, the general types of expenditures made out of 43028
those fine moneys, and the specific amount of each general type of 43029
expenditure by an agency are public records open for inspection 43030
under section 149.43 of the Revised Code. Additionally, a written 43031
internal control policy adopted under this division is such a 43032
public record, and the agency that adopted it shall comply with 43033
it. 43034

~~(b) Each law enforcement agency that receives in any calendar 43035
year any fine moneys under division (F)(1) of this section or 43036
division (B) of section 2925.42 of the Revised Code shall prepare 43037
a report covering the calendar year that cumulates all of the 43038
information contained in all of the public financial records kept 43039
by the agency pursuant to division (F)(2)(a) of this section for 43040
that calendar year, and shall send a copy of the cumulative 43041
report, no later than the first day of March in the calendar year 43042
following the calendar year covered by the report, to the attorney 43043
general. Each report received by the attorney general is a public 43044
record open for inspection under section 149.43 of the Revised 43045
Code. Not later than the fifteenth day of April in the calendar 43046
year in which the reports are received, the attorney general shall 43047
send to the president of the senate and the speaker of the house 43048
of representatives a written notification that does all of the 43049
following:~~ 43050

~~(i) Indicates that the attorney general has received from law 43051
enforcement agencies reports of the type described in this 43052
division that cover the previous calendar year and indicates that 43053
the reports were received under this division;~~ 43054

~~(ii) Indicates that the reports are open for inspection under section 149.43 of the Revised Code;~~ 43055
43056

(G) When required under division (D)(2) of this section or any other provision of this chapter, the court shall suspend for not less than six months or more than five years the driver's or commercial driver's license or permit of any person who is convicted of or pleads guilty to any violation of this section or any other specified provision of this chapter. If an offender's driver's or commercial driver's license or permit is suspended pursuant to this division, the offender, at any time after the expiration of two years from the day on which the offender's sentence was imposed or from the day on which the offender finally was released from a prison term under the sentence, whichever is later, may file a motion with the sentencing court requesting termination of the suspension; upon the filing of such a motion and the court's finding of good cause for the termination, the court may terminate the suspension. 43065

2981. of the Revised Code, the court that sentences an offender 43086
who is convicted of or pleads guilty to a violation of division 43087
(A) of this section may impose upon the offender an additional 43088
fine specified for the offense in division (B)(4) of section 43089
2929.18 of the Revised Code. A fine imposed under division (H)(1) 43090
of this section is not subject to division (F) of this section and 43091
shall be used solely for the support of one or more eligible 43092
~~alcohol and drug~~ community addiction ~~programs~~ services provider in 43093

this section shall specify in the judgment that imposes the fine 43096
one or more eligible ~~alcohol and drug~~ community addiction ~~programs~~ 43097

satisfaction of a fine imposed under division (H)(1) of this 43101
section unless the ~~program~~ services provider is specified in the 43102
judgment that imposes the fine. No ~~alcohol and drug~~ community 43103
addiction ~~program~~ services provider shall be specified in the 43104
judgment unless the ~~program~~ services provider is an eligible 43105
~~alcohol and drug~~ community addiction ~~program~~ services provider 43106
and, except as otherwise provided in division (H)(2) of this 43107
section, unless the ~~program~~ services provider is located in the 43108
county in which the court that imposes the fine is located or in a 43109
county that is immediately contiguous to the county in which that 43110
court is located. If no eligible ~~alcohol and drug~~ community 43111
addiction ~~program~~ services provider is located in any of those 43112
counties, the judgment may specify an eligible ~~alcohol and drug~~ 43113
community addiction ~~program~~ services provider that is located 43114
anywhere within this state. 43115

(3) Notwithstanding any contrary provision of section 3719.21 43116
of the Revised Code, the clerk of the court shall pay any fine 43117

imposed under division (H)(1) of this section to the eligible 43118
~~alcohol and drug~~ community addiction ~~program~~ services provider 43119
specified pursuant to division (H)(2) of this section in the 43120
judgment. The eligible ~~alcohol and drug~~ community addiction 43121
~~program~~ services provider that receives the fine moneys shall use 43122
the moneys only for the alcohol and drug addiction services 43123
identified in the application for certification under section 43124
~~3793.06~~ 5119.36 of the Revised Code or in the application for a 43125
license under section ~~3793.11~~ 5119.39 of the Revised Code filed 43126
with the department of ~~alcohol and drug~~ addiction services mental 43127
health and addiction services by the ~~alcohol and drug~~ community 43128
addiction ~~program~~ services provider specified in the judgment. 43129

(4) Each ~~alcohol and drug~~ community addiction ~~program~~ 43130
services provider that receives in a calendar year any fine moneys 43131
under division (H)(3) of this section shall file an annual report 43132
covering that calendar year with the court of common pleas and the 43133
board of county commissioners of the county in which the ~~program~~ 43134
services provider is located, with the court of common pleas and 43135
the board of county commissioners of each county from which the 43136
~~program~~ services provider received the moneys if that county is 43137
different from the county in which the ~~program~~ services provider 43138
is located, and with the attorney general. The ~~alcohol and drug~~ 43139
community addiction ~~program~~ services provider shall file the 43140
report no later than the first day of March in the calendar year 43141
following the calendar year in which the ~~program~~ services provider 43142

identify, or enable a person to determine the identity of, any 43149
person served by the ~~alcohol and drug~~ community addiction ~~program~~ 43150

services provider. Each report received by a court of common 43151
pleas, a board of county commissioners, or the attorney general is 43152
a public record open for inspection under section 149.43 of the 43153
Revised Code. 43154

(5) As used in divisions (H)(1) to (5) of this section: 43155

(a) "~~Alcohol and drug~~ Community addiction program services 43156
provider" and "alcohol and drug addiction services" have the same 43157
meanings as in section ~~3793.01~~ 5119.01 of the Revised Code. 43158

(b) "~~Eligible alcohol and drug~~ community addiction program 43159
services provider" means ~~an alcohol and drug~~ a community addiction 43160
~~program services provider~~ that is certified under section ~~3793.06~~ 43161
5119.36 of the Revised Code or licensed under section ~~3793.11~~ 43162
5119.39 of the Revised Code by the department of ~~alcohol and drug~~ 43163
~~addiction services~~ mental health and addiction services. 43164

(I) As used in this section, "drug" includes any substance 43165
that is represented to be a drug. 43166

(J) It is an affirmative defense to a charge of trafficking 43167
in a controlled substance analog under division (C)(8) of this 43168
section that the person charged with violating that offense sold 43169
or offered to sell, or prepared for shipment, shipped, 43170
transported, delivered, prepared for distribution, or distributed 43171
an item described in division (HH)(2)(a), (b), or (c) of section 43172
3719.01 of the Revised Code. 43173

Sec. 2929.15. (A)(1) If in sentencing an offender for a 43174
felony the court is not required to impose a prison term, a 43175
mandatory prison term, or a term of life imprisonment upon the 43176
offender, the court may directly impose a sentence that consists 43177
of one or more community control sanctions authorized pursuant to 43178
section 2929.16, 2929.17, or 2929.18 of the Revised Code. If the 43179
court is sentencing an offender for a fourth degree felony OVI 43180

offense under division (G)(1) of section 2929.13 of the Revised Code, in addition to the mandatory term of local incarceration imposed under that division and the mandatory fine required by division (B)(3) of section 2929.18 of the Revised Code, the court may impose upon the offender a community control sanction or combination of community control sanctions in accordance with sections 2929.16 and 2929.17 of the Revised Code. If the court is sentencing an offender for a third or fourth degree felony OVI offense under division (G)(2) of section 2929.13 of the Revised Code, in addition to the mandatory prison term or mandatory prison term and additional prison term imposed under that division, the court also may impose upon the offender a community control sanction or combination of community control sanctions under section 2929.16 or 2929.17 of the Revised Code, but the offender shall serve all of the prison terms so imposed prior to serving the community control sanction.

The duration of all community control sanctions imposed upon an offender under this division shall not exceed five years. If the offender absconds or otherwise leaves the jurisdiction of the court in which the offender resides without obtaining permission from the court or the offender's probation officer to leave the jurisdiction of the court, or if the offender is confined in any institution for the commission of any offense while under a community control sanction, the period of the community control sanction ceases to run until the offender is brought before the court for its further action. If the court sentences the offender to one or more nonresidential sanctions under section 2929.17 of the Revised Code, the court shall impose as a condition of the nonresidential sanctions that, during the period of the sanctions, the offender must abide by the law and must not leave the state without the permission of the court or the offender's probation officer. The court may impose any other conditions of release under a community control sanction that the court considers

appropriate, including, but not limited to, requiring that the 43214
offender not ingest or be injected with a drug of abuse and submit 43215
to random drug testing as provided in division (D) of this section 43216
to determine whether the offender ingested or was injected with a 43217
drug of abuse and requiring that the results of the drug test 43218
indicate that the offender did not ingest or was not injected with 43219
a drug of abuse. 43220

(2)(a) If a court sentences an offender to any community 43221
control sanction or combination of community control sanctions 43222
authorized pursuant to section 2929.16, 2929.17, or 2929.18 of the 43223
Revised Code, the court shall place the offender under the general 43224
control and supervision of a department of probation in the county 43225
that serves the court for purposes of reporting to the court a 43226
violation of any condition of the sanctions, any condition of 43227
release under a community control sanction imposed by the court, a 43228
violation of law, or the departure of the offender from this state 43229
without the permission of the court or the offender's probation 43230
officer. Alternatively, if the offender resides in another county 43231
and a county department of probation has been established in that 43232
county or that county is served by a multicounty probation 43233
department established under section 2301.27 of the Revised Code, 43234
the court may request the court of common pleas of that county to 43235
receive the offender into the general control and supervision of 43236
that county or multicounty department of probation for purposes of 43237
reporting to the court a violation of any condition of the 43238
sanctions, any condition of release under a community control 43239
sanction imposed by the court, a violation of law, or the 43240
departure of the offender from this state without the permission 43241
of the court or the offender's probation officer, subject to the 43242
jurisdiction of the trial judge over and with respect to the 43243
person of the offender, and to the rules governing that department 43244
of probation. 43245

If there is no department of probation in the county that 43246
serves the court, the court shall place the offender, regardless 43247
of the offender's county of residence, under the general control 43248
and supervision of the adult parole authority for purposes of 43249
reporting to the court a violation of any of the sanctions, any 43250
condition of release under a community control sanction imposed by 43251
the court, a violation of law, or the departure of the offender 43252
from this state without the permission of the court or the 43253
offender's probation officer. 43254

(b) If the court imposing sentence upon an offender sentences 43255
the offender to any community control sanction or combination of 43256
community control sanctions authorized pursuant to section 43257
2929.16, 2929.17, or 2929.18 of the Revised Code, and if the 43258
offender violates any condition of the sanctions, any condition of 43259
release under a community control sanction imposed by the court, 43260
violates any law, or departs the state without the permission of 43261
the court or the offender's probation officer, the public or 43262
private person or entity that operates or administers the sanction 43263
or the program or activity that comprises the sanction shall 43264
report the violation or departure directly to the sentencing 43265
court, or shall report the violation or departure to the county or 43266
multicounty department of probation with general control and 43267
supervision over the offender under division (A)(2)(a) of this 43268
section or the officer of that department who supervises the 43269
offender, or, if there is no such department with general control 43270
and supervision over the offender under that division, to the 43271
adult parole authority. If the public or private person or entity 43272
that operates or administers the sanction or the program or 43273
activity that comprises the sanction reports the violation or 43274
departure to the county or multicounty department of probation or 43275
the adult parole authority, the department's or authority's 43276
officers may treat the offender as if the offender were on 43277
probation and in violation of the probation, and shall report the 43278

violation of the condition of the sanction, any condition of 43279
release under a community control sanction imposed by the court, 43280
the violation of law, or the departure from the state without the 43281
required permission to the sentencing court. 43282

(3) If an offender who is eligible for community control 43283
sanctions under this section admits to being drug addicted or the 43284
court has reason to believe that the offender is drug addicted, 43285
and if the offense for which the offender is being sentenced was 43286
related to the addiction, the court may require that the offender 43287
be assessed by a properly credentialed professional within a 43288
specified period of time and shall require the professional to 43289
file a written assessment of the offender with the court. If a 43290
court imposes treatment and recovery support services as a 43291
community control sanction, the court shall direct the level and 43292
type of treatment and recovery support services after 43293
consideration of the written assessment, if available at the time 43294
of sentencing, and recommendations of the professional and other 43295
treatment and recovery support services providers. 43296

(4) If an assessment completed pursuant to division (A)(3) of 43297
this section indicates that the offender is addicted to drugs or 43298
alcohol, the court may include in any community control sanction 43299
imposed for a violation of section 2925.02, 2925.03, 2925.04, 43300
2925.05, 2925.06, 2925.11, 2925.13, 2925.22, 2925.23, 2925.36, or 43301
2925.37 of the Revised Code a requirement that the offender 43302
participate in a treatment and recovery support services program 43303
certified under section ~~3793.06~~ 5119.36 of the Revised Code or 43304
offered by another properly credentialed ~~program~~ community 43305
addiction services provider. 43306

(B)(1) If the conditions of a community control sanction are 43307
violated or if the offender violates a law or leaves the state 43308
without the permission of the court or the offender's probation 43309
officer, the sentencing court may impose upon the violator one or 43310

more of the following penalties: 43311

(a) A longer time under the same sanction if the total time 43312
under the sanctions does not exceed the five-year limit specified 43313
in division (A) of this section; 43314

(b) A more restrictive sanction under section 2929.16, 43315
2929.17, or 2929.18 of the Revised Code; 43316

(c) A prison term on the offender pursuant to section 2929.14 43317
of the Revised Code. 43318

(2) The prison term, if any, imposed upon a violator pursuant 43319
to this division shall be within the range of prison terms 43320
available for the offense for which the sanction that was violated 43321
was imposed and shall not exceed the prison term specified in the 43322
notice provided to the offender at the sentencing hearing pursuant 43323
to division (B)(2) of section 2929.19 of the Revised Code. The 43324
court may reduce the longer period of time that the offender is 43325
required to spend under the longer sanction, the more restrictive 43326
sanction, or a prison term imposed pursuant to this division by 43327
the time the offender successfully spent under the sanction that 43328
was initially imposed. 43329

(C) If an offender, for a significant period of time, 43330
fulfills the conditions of a sanction imposed pursuant to section 43331
2929.16, 2929.17, or 2929.18 of the Revised Code in an exemplary 43332
manner, the court may reduce the period of time under the sanction 43333
or impose a less restrictive sanction, but the court shall not 43334
permit the offender to violate any law or permit the offender to 43335
leave the state without the permission of the court or the 43336
offender's probation officer. 43337

(D)(1) If a court under division (A)(1) of this section 43338
imposes a condition of release under a community control sanction 43339
that requires the offender to submit to random drug testing, the 43340
department of probation or the adult parole authority that has 43341

general control and supervision of the offender under division 43342
(A)(2)(a) of this section may cause the offender to submit to 43343
random drug testing performed by a laboratory or entity that has 43344
entered into a contract with any of the governmental entities or 43345
officers authorized to enter into a contract with that laboratory 43346
or entity under section 341.26, 753.33, or 5120.63 of the Revised 43347
Code. 43348

(2) If no laboratory or entity described in division (D)(1) 43349
of this section has entered into a contract as specified in that 43350
division, the department of probation or the adult parole 43351
authority that has general control and supervision of the offender 43352
under division (A)(2)(a) of this section shall cause the offender 43353
to submit to random drug testing performed by a reputable public 43354
laboratory to determine whether the individual who is the subject 43355
of the drug test ingested or was injected with a drug of abuse. 43356

(3) A laboratory or entity that has entered into a contract 43357
pursuant to section 341.26, 753.33, or 5120.63 of the Revised Code 43358
shall perform the random drug tests under division (D)(1) of this 43359
section in accordance with the applicable standards that are 43360
included in the terms of that contract. A public laboratory shall 43361
perform the random drug tests under division (D)(2) of this 43362
section in accordance with the standards set forth in the policies 43363
and procedures established by the department of rehabilitation and 43364
correction pursuant to section 5120.63 of the Revised Code. An 43365
offender who is required under division (A)(1) of this section to 43366
submit to random drug testing as a condition of release under a 43367
community control sanction and whose test results indicate that 43368
the offender ingested or was injected with a drug of abuse shall 43369
pay the fee for the drug test if the department of probation or 43370
the adult parole authority that has general control and 43371
supervision of the offender requires payment of a fee. A 43372
laboratory or entity that performs the random drug testing on an 43373

offender under division (D)(1) or (2) of this section shall 43374
transmit the results of the drug test to the appropriate 43375
department of probation or the adult parole authority that has 43376
general control and supervision of the offender under division 43377
(A)(2)(a) of this section. 43378

(G) A defendant is presumed to be competent to stand trial. 44177
If, after a hearing, the court finds by a preponderance of the 44178
evidence that, because of the defendant's present mental 44179
condition, the defendant is incapable of understanding the nature 44180
and objective of the proceedings against the defendant or of 44181
assisting in the defendant's defense, the court shall find the 44182
defendant incompetent to stand trial and shall enter an order 44183
authorized by section 2945.38 of the Revised Code. 44184

(H) Municipal courts shall follow the procedures set forth in 44185
sections 2945.37 to 2945.402 of the Revised Code. Except as 44186
provided in section 2945.371 of the Revised Code, a municipal 44187
court shall not order an evaluation of the defendant's competence 44188
to stand trial or the defendant's mental condition at the time of 44189
the commission of the offense to be conducted at any hospital 44190

operated by the department of ~~mental health~~ mental health and 44191
addiction services. Those evaluations shall be performed through 44192
community resources including, but not limited to, certified 44193
forensic centers, court probation departments, and community 44194
mental health ~~agencies~~ services providers. All expenses of the 44195
evaluations shall be borne by the legislative authority of the 44196
municipal court, as defined in section 1901.03 of the Revised 44197
Code, and shall be taxed as costs in the case. If a defendant is 44198
found incompetent to stand trial or not guilty by reason of 44199
insanity, a municipal court may commit the defendant as provided 44200
in sections 2945.38 to 2945.402 of the Revised Code. 44201

Sec. 2945.371. (A) If the issue of a defendant's competence 44202
to stand trial is raised or if a defendant enters a plea of not 44203
guilty by reason of insanity, the court may order one or more 44204
evaluations of the defendant's present mental condition or, in the 44205
case of a plea of not guilty by reason of insanity, of the 44206
defendant's mental condition at the time of the offense charged. 44207
An examiner shall conduct the evaluation. 44208

(B) If the court orders more than one evaluation under 44209
division (A) of this section, the prosecutor and the defendant may 44210
recommend to the court an examiner whom each prefers to perform 44211
one of the evaluations. If a defendant enters a plea of not guilty 44212
by reason of insanity and if the court does not designate an 44213
examiner recommended by the defendant, the court shall inform the 44214
defendant that the defendant may have independent expert 44215
evaluation and that, if the defendant is unable to obtain 44216
independent expert evaluation, it will be obtained for the 44217
defendant at public expense if the defendant is indigent. 44218

(C) If the court orders an evaluation under division (A) of 44219
this section, the defendant shall be available at the times and 44220
places established by the examiners who are to conduct the 44221

evaluation. The court may order a defendant who has been released 44222
on bail or recognizance to submit to an evaluation under this 44223
section. If a defendant who has been released on bail or 44224
recognizance refuses to submit to a complete evaluation, the court 44225
may amend the conditions of bail or recognizance and order the 44226
sheriff to take the defendant into custody and deliver the 44227
defendant to a center, program, or facility operated or certified 44228
by the department of ~~mental health~~ mental health and addiction 44229
services or the department of developmental disabilities where the 44230
defendant may be held for evaluation for a reasonable period of 44231
time not to exceed twenty days. 44232

(D) A defendant who has not been released on bail or 44233
recognizance may be evaluated at the defendant's place of 44234
detention. Upon the request of the examiner, the court may order 44235
the sheriff to transport the defendant to a program or facility 44236
operated or certified by the department of ~~mental health~~ mental 44237
health and addiction services or the department of developmental 44238
disabilities, where the defendant may be held for evaluation for a 44239
reasonable period of time not to exceed twenty days, and to return 44240
the defendant to the place of detention after the evaluation. A 44241
municipal court may make an order under this division only upon 44242
the request of a certified forensic center examiner. 44243

(E) If a court orders the evaluation to determine a 44244
defendant's mental condition at the time of the offense charged, 44245
the court shall inform the examiner of the offense with which the 44246
defendant is charged. 44247

(F) In conducting an evaluation of a defendant's mental 44248
condition at the time of the offense charged, the examiner shall 44249
consider all relevant evidence. If the offense charged involves 44250
the use of force against another person, the relevant evidence to 44251
be considered includes, but is not limited to, any evidence that 44252
the defendant suffered, at the time of the commission of the 44253

offense, from the "battered woman syndrome." 44254

(G) The examiner shall file a written report with the court 44255
within thirty days after entry of a court order for evaluation, 44256
and the court shall provide copies of the report to the prosecutor 44257
and defense counsel. The report shall include all of the 44258
following: 44259

(1) The examiner's findings; 44260

(2) The facts in reasonable detail on which the findings are 44261
based; 44262

(3) If the evaluation was ordered to determine the 44263
defendant's competence to stand trial, all of the following 44264
findings or recommendations that are applicable: 44265

(a) Whether the defendant is capable of understanding the 44266
nature and objective of the proceedings against the defendant or 44267
of assisting in the defendant's defense; 44268

(b) If the examiner's opinion is that the defendant is 44269
incapable of understanding the nature and objective of the 44270
proceedings against the defendant or of assisting in the 44271
defendant's defense, whether the defendant presently is mentally 44272
ill or mentally retarded and, if the examiner's opinion is that 44273
the defendant presently is mentally retarded, whether the 44274
defendant appears to be a mentally retarded person subject to 44275
institutionalization by court order; 44276

(c) If the examiner's opinion is that the defendant is 44277
incapable of understanding the nature and objective of the 44278
proceedings against the defendant or of assisting in the 44279
defendant's defense, the examiner's opinion as to the likelihood 44280
of the defendant becoming capable of understanding the nature and 44281
objective of the proceedings against the defendant and of 44282
assisting in the defendant's defense within one year if the 44283
defendant is provided with a course of treatment; 44284

(d) If the examiner's opinion is that the defendant is 44285
incapable of understanding the nature and objective of the 44286
proceedings against the defendant or of assisting in the 44287
defendant's defense and that the defendant presently is mentally 44288
ill or mentally retarded, the examiner's recommendation as to the 44289
least restrictive placement or commitment alternative, consistent 44290
with the defendant's treatment needs for restoration to competency 44291
and with the safety of the community. 44292

(4) If the evaluation was ordered to determine the 44293
defendant's mental condition at the time of the offense charged, 44294
the examiner's findings as to whether the defendant, at the time 44295
of the offense charged, did not know, as a result of a severe 44296
mental disease or defect, the wrongfulness of the defendant's acts 44297
charged. 44298

(H) If the examiner's report filed under division (G) of this 44299
section indicates that in the examiner's opinion the defendant is 44300
incapable of understanding the nature and objective of the 44301
proceedings against the defendant or of assisting in the 44302
defendant's defense and that in the examiner's opinion the 44303
defendant appears to be a mentally retarded person subject to 44304
institutionalization by court order, the court shall order the 44305
defendant to undergo a separate mental retardation evaluation 44306
conducted by a psychologist designated by the director of 44307
developmental disabilities. Divisions (C) to (F) of this section 44308
apply in relation to a separate mental retardation evaluation 44309
conducted under this division. The psychologist appointed under 44310
this division to conduct the separate mental retardation 44311
evaluation shall file a written report with the court within 44312
thirty days after the entry of the court order requiring the 44313
separate mental retardation evaluation, and the court shall 44314
provide copies of the report to the prosecutor and defense 44315
counsel. The report shall include all of the information described 44316

in divisions (G)(1) to (4) of this section. If the court orders a separate mental retardation evaluation of a defendant under this division, the court shall not conduct a hearing under divisions (B) to (H) of section 2945.37 of the Revised Code regarding that defendant until a report of the separate mental retardation evaluation conducted under this division has been filed. Upon the filing of that report, the court shall conduct the hearing within the period of time specified in division (C) of section 2945.37 of the Revised Code.

(I) An examiner appointed under divisions (A) and (B) of this section or under division (H) of this section to evaluate a defendant to determine the defendant's competence to stand trial also may be appointed to evaluate a defendant who has entered a plea of not guilty by reason of insanity, but an examiner of that nature shall prepare separate reports on the issue of competence to stand trial and the defense of not guilty by reason of insanity.

(J) No statement that a defendant makes in an evaluation or hearing under divisions (A) to (H) of this section relating to the defendant's competence to stand trial or to the defendant's mental condition at the time of the offense charged shall be used against the defendant on the issue of guilt in any criminal action or proceeding, but, in a criminal action or proceeding, the prosecutor or defense counsel may call as a witness any person who evaluated the defendant or prepared a report pursuant to a referral under this section. Neither the appointment nor the testimony of an examiner appointed under this section precludes the prosecutor or defense counsel from calling other witnesses or presenting other evidence on competency or insanity issues.

(K) Persons appointed as examiners under divisions (A) and (B) of this section or under division (H) of this section shall be paid a reasonable amount for their services and expenses, as

certified by the court. The certified amount shall be paid by the 44349
county in the case of county courts and courts of common pleas and 44350
by the legislative authority, as defined in section 1901.03 of the 44351
Revised Code, in the case of municipal courts. 44352

Sec. 2945.38. (A) If the issue of a defendant's competence to 44353
stand trial is raised and if the court, upon conducting the 44354
hearing provided for in section 2945.37 of the Revised Code, finds 44355
that the defendant is competent to stand trial, the defendant 44356
shall be proceeded against as provided by law. If the court finds 44357
the defendant competent to stand trial and the defendant is 44358
receiving psychotropic drugs or other medication, the court may 44359
authorize the continued administration of the drugs or medication 44360
or other appropriate treatment in order to maintain the 44361
defendant's competence to stand trial, unless the defendant's 44362
attending physician advises the court against continuation of the 44363
drugs, other medication, or treatment. 44364

(B)(1)(a) If, after taking into consideration all relevant 44365
reports, information, and other evidence, the court finds that the 44366
defendant is incompetent to stand trial and that there is a 44367
substantial probability that the defendant will become competent 44368
to stand trial within one year if the defendant is provided with a 44369
course of treatment, the court shall order the defendant to 44370
undergo treatment. If the defendant has been charged with a felony 44371
offense and if, after taking into consideration all relevant 44372
reports, information, and other evidence, the court finds that the 44373
defendant is incompetent to stand trial, but the court is unable 44374
at that time to determine whether there is a substantial 44375
probability that the defendant will become competent to stand 44376
trial within one year if the defendant is provided with a course 44377
of treatment, the court shall order continuing evaluation and 44378
treatment of the defendant for a period not to exceed four months 44379
to determine whether there is a substantial probability that the 44380

defendant will become competent to stand trial within one year if 44381
the defendant is provided with a course of treatment. 44382

(b) The court order for the defendant to undergo treatment or 44383
continuing evaluation and treatment under division (B)(1)(a) of 44384
this section shall specify that the defendant, if determined to 44385
require mental health treatment or continuing evaluation and 44386
treatment, either shall be committed to the department of ~~mental~~ 44387
~~health~~ mental health and addiction services for treatment or 44388
continuing evaluation and treatment at a hospital, facility, or 44389
agency, as determined to be clinically appropriate by the 44390
department of ~~mental health~~ mental health and addiction services 44391
or shall be committed to a facility certified by the department of 44392
~~mental health~~ mental health and addiction services as being 44393
qualified to treat mental illness, to a public or community mental 44394
health facility, or to a psychiatrist or another mental health 44395
professional for treatment or continuing evaluation and treatment. 44396
Prior to placing the defendant, the department of ~~mental health~~ 44397
mental health and addiction services shall obtain court approval 44398
for that placement following a hearing. The court order for the 44399
defendant to undergo treatment or continuing evaluation and 44400
treatment under division (B)(1)(a) of this section shall specify 44401
that the defendant, if determined to require treatment or 44402
continuing evaluation and treatment for mental retardation, shall 44403
receive treatment or continuing evaluation and treatment at an 44404
institution or facility operated by the department of 44405
developmental disabilities, at a facility certified by the 44406
department of developmental disabilities as being qualified to 44407
treat mental retardation, at a public or private mental 44408
retardation facility, or by a psychiatrist or another mental 44409
retardation professional. In any case, the order may restrict the 44410
defendant's freedom of movement as the court considers necessary. 44411
The prosecutor in the defendant's case shall send to the chief 44412
clinical officer of the hospital, facility, or agency where the 44413

defendant is placed by the department of ~~mental health~~ mental 44414
health and addiction services, or to the managing officer of the 44415
institution, the director of the program or facility, or the 44416
person to which the defendant is committed, copies of relevant 44417
police reports and other background information that pertains to 44418
the defendant and is available to the prosecutor unless the 44419
prosecutor determines that the release of any of the information 44420
in the police reports or any of the other background information 44421
to unauthorized persons would interfere with the effective 44422
prosecution of any person or would create a substantial risk of 44423
harm to any person. 44424

In determining the place of commitment, the court shall 44425
consider the extent to which the person is a danger to the person 44426
and to others, the need for security, and the type of crime 44427
involved and shall order the least restrictive alternative 44428
available that is consistent with public safety and treatment 44429
goals. In weighing these factors, the court shall give preference 44430
to protecting public safety. 44431

(c) If the defendant is found incompetent to stand trial, if 44432
the chief clinical officer of the hospital, facility, or agency 44433
where the defendant is placed, or the managing officer of the 44434
institution, the director of the program or facility, or the 44435
person to which the defendant is committed for treatment or 44436
continuing evaluation and treatment under division (B)(1)(b) of 44437
this section determines that medication is necessary to restore 44438
the defendant's competency to stand trial, and if the defendant 44439
lacks the capacity to give informed consent or refuses medication, 44440
the chief clinical officer of the hospital, facility, or agency 44441
where the defendant is placed, or the managing officer of the 44442
institution, the director of the program or facility, or the 44443
person to which the defendant is committed for treatment or 44444
continuing evaluation and treatment may petition the court for 44445

authorization for the involuntary administration of medication. 44446
The court shall hold a hearing on the petition within five days of 44447
the filing of the petition if the petition was filed in a 44448
municipal court or a county court regarding an incompetent 44449
defendant charged with a misdemeanor or within ten days of the 44450
filing of the petition if the petition was filed in a court of 44451
common pleas regarding an incompetent defendant charged with a 44452
felony offense. Following the hearing, the court may authorize the 44453
involuntary administration of medication or may dismiss the 44454
petition. 44455

(2) If the court finds that the defendant is incompetent to 44456
stand trial and that, even if the defendant is provided with a 44457
course of treatment, there is not a substantial probability that 44458
the defendant will become competent to stand trial within one 44459
year, the court shall order the discharge of the defendant, unless 44460
upon motion of the prosecutor or on its own motion, the court 44461
either seeks to retain jurisdiction over the defendant pursuant to 44462
section 2945.39 of the Revised Code or files an affidavit in the 44463
probate court for the civil commitment of the defendant pursuant 44464
to Chapter 5122. or 5123. of the Revised Code alleging that the 44465
defendant is a mentally ill person subject to hospitalization by 44466
court order or a mentally retarded person subject to 44467
institutionalization by court order. If an affidavit is filed in 44468
the probate court, the trial court shall send to the probate court 44469
copies of all written reports of the defendant's mental condition 44470
that were prepared pursuant to section 2945.371 of the Revised 44471
Code. 44472

The trial court may issue the temporary order of detention 44473
that a probate court may issue under section 5122.11 or 5123.71 of 44474
the Revised Code, to remain in effect until the probable cause or 44475
initial hearing in the probate court. Further proceedings in the 44476
probate court are civil proceedings governed by Chapter 5122. or 44477

5123. of the Revised Code. 44478

(C) No defendant shall be required to undergo treatment, 44479
including any continuing evaluation and treatment, under division 44480
(B)(1) of this section for longer than whichever of the following 44481
periods is applicable: 44482

(1) One year, if the most serious offense with which the 44483
defendant is charged is one of the following offenses: 44484

(a) Aggravated murder, murder, or an offense of violence for 44485
which a sentence of death or life imprisonment may be imposed; 44486

(b) An offense of violence that is a felony of the first or 44487
second degree; 44488

(c) A conspiracy to commit, an attempt to commit, or 44489
complicity in the commission of an offense described in division 44490
(C)(1)(a) or (b) of this section if the conspiracy, attempt, or 44491
complicity is a felony of the first or second degree. 44492

(2) Six months, if the most serious offense with which the 44493
defendant is charged is a felony other than a felony described in 44494
division (C)(1) of this section; 44495

(3) Sixty days, if the most serious offense with which the 44496
defendant is charged is a misdemeanor of the first or second 44497
degree; 44498

(4) Thirty days, if the most serious offense with which the 44499
defendant is charged is a misdemeanor of the third or fourth 44500
degree, a minor misdemeanor, or an unclassified misdemeanor. 44501

(D) Any defendant who is committed pursuant to this section 44502
shall not voluntarily admit the defendant or be voluntarily 44503
admitted to a hospital or institution pursuant to section 5122.02, 44504
5122.15, 5123.69, or 5123.76 of the Revised Code. 44505

(E) Except as otherwise provided in this division, a 44506
defendant who is charged with an offense and is committed by the 44507

court under this section to the department of ~~mental health~~ mental health and addiction services or is committed to an institution or facility for the treatment of mental retardation shall not be granted unsupervised on-grounds movement, supervised off-grounds movement, or nonsecured status except in accordance with the court order. The court may grant a defendant supervised off-grounds movement to obtain medical treatment or specialized habilitation treatment services if the person who supervises the treatment or the continuing evaluation and treatment of the defendant ordered under division (B)(1)(a) of this section informs the court that the treatment or continuing evaluation and treatment cannot be provided at the hospital or facility where the defendant is placed by the department of ~~mental health~~ mental health and addiction services or the institution or facility to which the defendant is committed. The chief clinical officer of the hospital or facility where the defendant is placed by the department of ~~mental health~~ mental health and addiction services or the managing officer of the institution or director of the facility to which the defendant is committed, or a designee of any of those persons, may grant a defendant movement to a medical facility for an emergency medical situation with appropriate supervision to ensure the safety of the defendant, staff, and community during that emergency medical situation. The chief clinical officer of the hospital or facility where the defendant is placed by the department of ~~mental health~~ mental health and addiction services or the managing officer of the institution or director of the facility to which the defendant is committed shall notify the court within twenty-four hours of the defendant's movement to the medical facility for an emergency medical situation under this division.

(F) The person who supervises the treatment or continuing evaluation and treatment of a defendant ordered to undergo treatment or continuing evaluation and treatment under division (B)(1)(a) of this section shall file a written report with the

court at the following times: 44541

(1) Whenever the person believes the defendant is capable of 44542
understanding the nature and objective of the proceedings against 44543
the defendant and of assisting in the defendant's defense; 44544

(2) For a felony offense, fourteen days before expiration of 44545
the maximum time for treatment as specified in division (C) of 44546
this section and fourteen days before the expiration of the 44547
maximum time for continuing evaluation and treatment as specified 44548
in division (B)(1)(a) of this section, and, for a misdemeanor 44549
offense, ten days before the expiration of the maximum time for 44550
treatment, as specified in division (C) of this section; 44551

(3) At a minimum, after each six months of treatment; 44552

(4) Whenever the person who supervises the treatment or 44553
continuing evaluation and treatment of a defendant ordered under 44554
division (B)(1)(a) of this section believes that there is not a 44555
substantial probability that the defendant will become capable of 44556
understanding the nature and objective of the proceedings against 44557
the defendant or of assisting in the defendant's defense even if 44558
the defendant is provided with a course of treatment. 44559

(G) A report under division (F) of this section shall contain 44560
the examiner's findings, the facts in reasonable detail on which 44561
the findings are based, and the examiner's opinion as to the 44562
defendant's capability of understanding the nature and objective 44563
of the proceedings against the defendant and of assisting in the 44564
defendant's defense. If, in the examiner's opinion, the defendant 44565
remains incapable of understanding the nature and objective of the 44566
proceedings against the defendant and of assisting in the 44567
defendant's defense and there is a substantial probability that 44568
the defendant will become capable of understanding the nature and 44569
objective of the proceedings against the defendant and of 44570
assisting in the defendant's defense if the defendant is provided 44571

with a course of treatment, if in the examiner's opinion the 44572
defendant remains mentally ill or mentally retarded, and if the 44573
maximum time for treatment as specified in division (C) of this 44574
section has not expired, the report also shall contain the 44575
examiner's recommendation as to the least restrictive placement or 44576
commitment alternative that is consistent with the defendant's 44577
treatment needs for restoration to competency and with the safety 44578
of the community. The court shall provide copies of the report to 44579
the prosecutor and defense counsel. 44580

(H) If a defendant is committed pursuant to division (B)(1) 44581
of this section, within ten days after the treating physician of 44582
the defendant or the examiner of the defendant who is employed or 44583
retained by the treating facility advises that there is not a 44584
substantial probability that the defendant will become capable of 44585
understanding the nature and objective of the proceedings against 44586
the defendant or of assisting in the defendant's defense even if 44587
the defendant is provided with a course of treatment, within ten 44588
days after the expiration of the maximum time for treatment as 44589
specified in division (C) of this section, within ten days after 44590
the expiration of the maximum time for continuing evaluation and 44591
treatment as specified in division (B)(1)(a) of this section, 44592
within thirty days after a defendant's request for a hearing that 44593
is made after six months of treatment, or within thirty days after 44594
being advised by the treating physician or examiner that the 44595
defendant is competent to stand trial, whichever is the earliest, 44596
the court shall conduct another hearing to determine if the 44597
defendant is competent to stand trial and shall do whichever of 44598
the following is applicable: 44599

(1) If the court finds that the defendant is competent to 44600
stand trial, the defendant shall be proceeded against as provided 44601
by law. 44602

(2) If the court finds that the defendant is incompetent to 44603

stand trial, but that there is a substantial probability that the defendant will become competent to stand trial if the defendant is provided with a course of treatment, and the maximum time for treatment as specified in division (C) of this section has not expired, the court, after consideration of the examiner's recommendation, shall order that treatment be continued, may change the facility or program at which the treatment is to be continued, and shall specify whether the treatment is to be continued at the same or a different facility or program.

(3) If the court finds that the defendant is incompetent to stand trial, if the defendant is charged with an offense listed in division (C)(1) of this section, and if the court finds that there is not a substantial probability that the defendant will become competent to stand trial even if the defendant is provided with a course of treatment, or if the maximum time for treatment relative to that offense as specified in division (C) of this section has expired, further proceedings shall be as provided in sections 2945.39, 2945.401, and 2945.402 of the Revised Code.

A dismissal under this division is not a bar to further prosecution based on the same conduct. The court shall discharge the defendant unless the court or prosecutor files an affidavit in probate court for civil commitment pursuant to Chapter 5122. or 5123. of the Revised Code.

If an affidavit for civil commitment is filed, the court may 44636

for civil commitment under authority of this division: 44642

(a) The chief clinical officer of the entity, hospital, or 44643

(ii) Notify the prosecutor, in writing, when the defendant is 44651

absence without leave or prior to the granting of the 44654
unsupervised, off-grounds movement, whichever is applicable; 44655

(iii) Notify the prosecutor, in writing, of the change of the 44656
defendant's commitment or admission to voluntary status, send the 44657
notice promptly upon learning of the change to voluntary status, 44658
and state in the notice the date on which the defendant was 44659
committed or admitted on a voluntary status. 44660

unsupervised, off-grounds movement, the prosecutor either shall 44662
re-indict the defendant or promptly notify the court that the 44663
prosecutor does not intend to prosecute the charges against the 44664
defendant. 44665

(I) If a defendant is convicted of a crime and sentenced to a 44666

jail or workhouse, the defendant's sentence shall be reduced by 44667
the total number of days the defendant is confined for evaluation 44668
to determine the defendant's competence to stand trial or 44669
treatment under this section and sections 2945.37 and 2945.371 of 44670
the Revised Code or by the total number of days the defendant is 44671
confined for evaluation to determine the defendant's mental 44672
condition at the time of the offense charged. 44673

Sec. 2945.39. (A) If a defendant who is charged with an 44674
offense described in division (C)(1) of section 2945.38 of the 44675
Revised Code is found incompetent to stand trial, after the 44676
expiration of the maximum time for treatment as specified in 44677
division (C) of that section or after the court finds that there 44678
is not a substantial probability that the defendant will become 44679
competent to stand trial even if the defendant is provided with a 44680
course of treatment, one of the following applies: 44681

(1) The court or the prosecutor may file an affidavit in 44682

court may detain the defendant for ten days pending civil 44686
commitment. If the probate court commits the defendant subsequent 44687
to the court's or prosecutor's filing of an affidavit for civil 44688

Code within the periods of time and under the circumstances 44694
specified in those divisions. 44695

(2) On the motion of the prosecutor or on its own motion, the 44696
court may retain jurisdiction over the defendant if, at a hearing, 44697

44699

(a) The defendant committed the offense with which the defendant is charged. 44700
44701

(b) The defendant is a mentally ill person subject to hospitalization by court order or a mentally retarded person subject to institutionalization by court order. 44702
44703
44704

(B) In making its determination under division (A)(2) of this section as to whether to retain jurisdiction over the defendant, the court may consider all relevant evidence, including, but not limited to, any relevant psychiatric, psychological, or medical testimony or reports, the acts constituting the offense charged, and any history of the defendant that is relevant to the defendant's ability to conform to the law. 44705
44706
44707
44708
44709
44710
44711

(C) If the court conducts a hearing as described in division (A)(2) of this section and if the court does not make both findings described in divisions (A)(2)(a) and (b) of this section by clear and convincing evidence, the court shall dismiss the indictment, information, or complaint against the defendant. Upon the dismissal, the court shall discharge the defendant unless the court or prosecutor files an affidavit in probate court for civil commitment of the defendant pursuant to Chapter 5122. or 5123. of the Revised Code. If the court or prosecutor files an affidavit for civil commitment, the court may order that the defendant be detained for up to ten days pending the civil commitment. If the probate court commits the defendant subsequent to the court's or prosecutor's filing of an affidavit for civil commitment, the chief clinical officer of the entity, hospital, or facility, the managing officer of the institution, the director of the program, or the person to which the defendant is committed or admitted shall send to the prosecutor the notices described in divisions (H)(4)(a)(i) to (iii) of section 2945.38 of the Revised Code 44712

44716
44717
44718
44719
44720
44721
44722
44723

44726
44727
44728
44729

within the periods of time and under the circumstances specified 44730
in those divisions. A dismissal of charges under this division is 44731
not a bar to further criminal proceedings based on the same 44732
conduct. 44733

(D)(1) If the court conducts a hearing as described in 44734
division (A)(2) of this section and if the court makes the 44735
findings described in divisions (A)(2)(a) and (b) of this section 44736
by clear and convincing evidence, the court shall commit the 44737
defendant, if determined to require mental health treatment, 44738
either to the department of ~~mental health~~ mental health and 44739
addiction services for treatment at a hospital, facility, or 44740

addiction services shall obtain court approval for that placement. 44745
If the court conducts such a hearing and if it makes those 44746

the defendant, if determined to require treatment for mental 44748
retardation, to a facility operated by the department of 44749
developmental disabilities, or another facility, as appropriate. 44750
In determining the place of commitment, the court shall consider 44751
the extent to which the person is a danger to the person and to 44752
others, the need for security, and the type of crime involved and 44753
shall order the least restrictive alternative available that is 44754
consistent with public safety and the welfare of the defendant. In 44755
weighing these factors, the court shall give preference to 44756
protecting public safety. 44757

(2) If a court makes a commitment of a defendant under 44758
division (D)(1) of this section, the prosecutor shall send to the 44759
hospital, facility, or agency where the defendant is placed by the 44760
department of ~~mental health~~ mental health and addiction services 44761

or to the defendant's place of commitment all reports of the 44762

provided in this division, any other relevant information, 44764
including, but not limited to, a transcript of the hearing held 44765
pursuant to division (A)(2) of this section, copies of relevant 44766
police reports, and copies of any prior arrest and conviction 44767
records that pertain to the defendant and that the prosecutor 44768
possesses. The prosecutor shall send the reports of the 44769
defendant's current mental condition in every case of commitment, 44770
and, unless the prosecutor determines that the release of any of 44771
the other relevant information to unauthorized persons would 44772
interfere with the effective prosecution of any person or would 44773
create a substantial risk of harm to any person, the prosecutor 44774
also shall send the other relevant information. Upon admission of 44775
a defendant committed under division (D)(1) of this section, the 44776
place of commitment shall send to the board of alcohol, drug 44777
addiction, and mental health services or the community mental 44778
health board serving the county in which the charges against the 44779
defendant were filed a copy of all reports of the defendant's 44780
current mental condition and a copy of the other relevant 44781
information provided by the prosecutor under this division, 44782
including, if provided, a transcript of the hearing held pursuant 44783
to division (A)(2) of this section, the relevant police reports, 44784
and the prior arrest and conviction records that pertain to the 44785
defendant and that the prosecutor possesses. 44786

is a mentally ill person subject to hospitalization by court order 44793

or a mentally retarded person subject to institutionalization by 44794
court order. Prior to the hearing, if the trial judge believes 44795
that there is probable cause that the person found not guilty by 44796
reason of insanity is a mentally ill person subject to 44797
hospitalization by court order or mentally retarded person subject 44798
to institutionalization by court order, the trial judge may issue 44799
a temporary order of detention for that person to remain in effect 44800
for ten court days or until the hearing, whichever occurs first. 44801

Any person detained pursuant to a temporary order of 44802

facility, taking into consideration the place and type of 44804
confinement prior to and during trial. 44805

(B) The court shall hold the hearing under division (A) of 44806
this section to determine whether the person found not guilty by 44807
reason of insanity is a mentally ill person subject to 44808
hospitalization by court order or a mentally retarded person 44809
subject to institutionalization by court order within ten court 44810
days after the finding of not guilty by reason of insanity. 44811
Failure to conduct the hearing within the ten-day period shall 44812
cause the immediate discharge of the respondent, unless the judge 44813
grants a continuance for not longer than ten court days for good 44814
cause shown or for any period of time upon motion of the 44815
respondent. 44816

(C) If a person is found not guilty by reason of insanity, 44817
the person has the right to attend all hearings conducted pursuant 44818
to sections 2945.37 to 2945.402 of the Revised Code. At any 44819
hearing conducted pursuant to one of those sections, the court 44820
shall inform the person that the person has all of the following 44821
rights: 44822

(1) The right to be represented by counsel and to have that 44823
counsel provided at public expense if the person is indigent, with 44824
the counsel to be appointed by the court under Chapter 120. of the 44825

Revised Code or under the authority recognized in division (C) of 44826
section 120.06, division (E) of section 120.16, division (E) of 44827
section 120.26, or section 2941.51 of the Revised Code; 44828

(2) The right to have independent expert evaluation and to 44829
have that independent expert evaluation provided at public expense 44830
if the person is indigent; 44831

(3) The right to subpoena witnesses and documents, to present 44832
evidence on the person's behalf, and to cross-examine witnesses 44833
against the person; 44834

(4) The right to testify in the person's own behalf and to 44835
not be compelled to testify; 44836

(5) The right to have copies of any relevant medical or 44837
mental health document in the custody of the state or of any place 44838
of commitment other than a document for which the court finds that 44839
the release to the person of information contained in the document 44840
would create a substantial risk of harm to any person. 44841

(D) The hearing under division (A) of this section shall be 44842
open to the public, and the court shall conduct the hearing in 44843
accordance with the Rules of Civil Procedure. The court shall make 44844
and maintain a full transcript and record of the hearing 44845
proceedings. The court may consider all relevant evidence, 44846
including, but not limited to, any relevant psychiatric, 44847
psychological, or medical testimony or reports, the acts 44848
constituting the offense in relation to which the person was found 44849
not guilty by reason of insanity, and any history of the person 44850
that is relevant to the person's ability to conform to the law. 44851

(E) Upon completion of the hearing under division (A) of this 44852
section, if the court finds there is not clear and convincing 44853
evidence that the person is a mentally ill person subject to 44854
hospitalization by court order or a mentally retarded person 44855
subject to institutionalization by court order, the court shall 44856

discharge the person, unless a detainer has been placed upon the 44857
person by the department of rehabilitation and correction, in 44858
which case the person shall be returned to that department. 44859

(F) If, at the hearing under division (A) of this section, 44860
the court finds by clear and convincing evidence that the person 44861
is a mentally ill person subject to hospitalization by court 44862
order, the court shall commit the person either to the department 44863
of ~~mental health~~ mental health and addiction services for 44864
treatment in a hospital, facility, or agency as determined 44865
clinically appropriate by the department of ~~mental health~~ mental 44866
health and addiction services or to another medical or psychiatric 44867
facility, as appropriate. Prior to placing the defendant, the 44868
department of ~~mental health~~ mental health and addiction services 44869
shall obtain court approval for that placement. If, at the hearing 44870
under division (A) of this section, the court determines by clear 44871
and convincing evidence that the person requires treatment for 44872
mental retardation, it shall commit the person to a facility 44873
operated by the department of developmental disabilities or 44874
another facility, as appropriate. Further proceedings shall be in 44875
accordance with sections 2945.401 and 2945.402 of the Revised 44876
Code. In determining the place of commitment, the court shall 44877
consider the extent to which the person is a danger to the person 44878
and to others, the need for security, and the type of crime 44879
involved and shall order the least restrictive alternative 44880
available that is consistent with public safety and the welfare of 44881
the person. In weighing these factors, the court shall give 44882
preference to protecting public safety. 44883

(G) If a court makes a commitment of a person under division 44884
(F) of this section, the prosecutor shall send to the hospital, 44885
facility, or agency where the person is placed by the department 44886
of ~~mental health~~ mental health and addiction services or to the 44887

current mental condition, and, except as otherwise provided in 44889
this division, any other relevant information, including, but not 44890
limited to, a transcript of the hearing held pursuant to division 44891
(A) of this section, copies of relevant police reports, and copies 44892
of any prior arrest and conviction records that pertain to the 44893
person and that the prosecutor possesses. The prosecutor shall 44894
send the reports of the person's current mental condition in every 44895
case of commitment, and, unless the prosecutor determines that the 44896
release of any of the other relevant information to unauthorized 44897
persons would interfere with the effective prosecution of any 44898
person or would create a substantial risk of harm to any person, 44899
the prosecutor also shall send the other relevant information. 44900
Upon admission of a person committed under division (F) of this 44901
section, the place of commitment shall send to the board of 44902
alcohol, drug addiction, and mental health services or the 44903
community mental health board serving the county in which the 44904

including, if provided, a transcript of the hearing held pursuant 44908
to division (A) of this section, the relevant police reports, and 44909
the prior arrest and conviction records that pertain to the person 44910
and that the prosecutor possesses. 44911

not voluntarily admit the person or be voluntarily admitted to a 44913
hospital or institution pursuant to section 5122.02, 5122.15, 44914

to the extent they are not in conflict with this chapter. A 44939
commitment under section 2945.39 or 2945.40 of the Revised Code 44940

shall evaluate the committed defendant or person and, within 45017
thirty days after its receipt of the written notice, shall submit 45018
to the trial court and the department's designee a written report 45019
of the evaluation. The trial court shall provide a copy of the 45020
department's designee's written notice and of the local forensic 45021
center's written report to the prosecutor and to the counsel for 45022
the defendant or person. Upon the local forensic center's 45023
submission of the report to the trial court and the department's 45024
designee, all of the following apply: 45025

(i) If the forensic center disagrees with the recommendation 45026
of the department's designee, it shall inform the department's 45027
designee and the trial court of its decision and the reasons for 45028
the decision. The department's designee, after consideration of 45029
the forensic center's decision, shall either withdraw, proceed 45030
with, or modify and proceed with the recommendation. If the 45031
department's designee proceeds with, or modifies and proceeds 45032
with, the recommendation, the department's designee shall proceed 45033
in accordance with division (D)(1)(b)(iii) of this section. 45034

(ii) If the forensic center agrees with the recommendation of 45035
the department's designee, it shall inform the department's 45036
designee and the trial court of its decision and the reasons for 45037
the decision, and the department's designee shall proceed in 45038
accordance with division (D)(1)(b)(iii) of this section. 45039

(iii) If the forensic center disagrees with the 45040
recommendation of the department's designee and the department's 45041
designee proceeds with, or modifies and proceeds with, the 45042
recommendation or if the forensic center agrees with the 45043
recommendation of the department's designee, the department's 45044
designee shall work with community mental health ~~agencies~~ services 45045
providers, programs, facilities, or boards of alcohol, drug 45046
addiction, and mental health services or community mental health 45047
boards to develop a plan to implement the recommendation. If the 45048

defendant or person is on medication, the plan shall include, but 45049
shall not be limited to, a system to monitor the defendant's or 45050
person's compliance with the prescribed medication treatment plan. 45051
The system shall include a schedule that clearly states when the 45052
defendant or person shall report for a medication compliance 45053
check. The medication compliance checks shall be based upon the 45054
effective duration of the prescribed medication, taking into 45055
account the route by which it is taken, and shall be scheduled at 45056
intervals sufficiently close together to detect a potential 45057
increase in mental illness symptoms that the medication is 45058
intended to prevent. 45059

The department's designee, after consultation with the board 45060
of alcohol, drug addiction, and mental health services or the 45061
community mental health board serving the area, shall send the 45062
recommendation and plan developed under division (D)(1)(b)(iii) of 45063
this section, in writing, to the trial court, the prosecutor, and 45064
the counsel for the committed defendant or person. The trial court 45065
shall conduct a hearing on the recommendation and plan developed 45066
under division (D)(1)(b)(iii) of this section. Divisions (D)(1)(c) 45067
and (d) and (E) to (J) of this section apply regarding the 45068
hearing. 45069

(c) If the department's designee's recommendation is for 45070
nonsecured status or termination of commitment, the prosecutor may 45071
obtain an independent expert evaluation of the defendant's or 45072
person's mental condition, and the trial court may continue the 45073
hearing on the recommendation for a period of not more than thirty 45074
days to permit time for the evaluation. 45075

The prosecutor may introduce the evaluation report or present 45076
other evidence at the hearing in accordance with the Rules of 45077
Evidence. 45078

(d) The trial court shall schedule the hearing on a 45079
department's designee's recommendation for nonsecured status or 45080

termination of commitment and shall give reasonable notice to the 45081
prosecutor and the counsel for the defendant or person. Unless 45082
continued for independent evaluation at the prosecutor's request 45083
or for other good cause, the hearing shall be held within thirty 45084
days after the trial court's receipt of the recommendation and 45085
plan. 45086

(2)(a) Division (D)(1) of this section does not apply to 45087
on-grounds unsupervised movement of a defendant or person who has 45088
been committed under section 2945.39 or 2945.40 of the Revised 45089
Code, who is a mentally retarded person subject to 45090
institutionalization by court order, and who is being provided 45091
residential habilitation, care, and treatment in a facility 45092
operated by the department of developmental disabilities. 45093

(b) If, pursuant to section 2945.39 of the Revised Code, the 45094
trial court commits a defendant who is found incompetent to stand 45095
trial and who is a mentally retarded person subject to 45096
institutionalization by court order, if the defendant is being 45097
provided residential habilitation, care, and treatment in a 45098
facility operated by the department of developmental disabilities, 45099
if an individual who is conducting a survey for the department of 45100
health to determine the facility's compliance with the 45101
certification requirements of the medicaid program ~~under Chapter~~ 45102
~~5111. of the Revised Code and Title XIX of the "Social Security~~ 45103
~~Act," 49 Stat. 620 (1935), 42 U.S.C.A. 301, as amended,~~ cites the 45104
defendant's receipt of the residential habilitation, care, and 45105
treatment in the facility as being inappropriate under the 45106
certification requirements, if the defendant's receipt of the 45107
residential habilitation, care, and treatment in the facility 45108
potentially jeopardizes the facility's continued receipt of 45109
federal medicaid moneys, and if as a result of the citation the 45110
chief clinical officer of the facility determines that the 45111
conditions of the defendant's commitment should be changed, the 45112

department of developmental disabilities may cause the defendant 45113
to be removed from the particular facility and, after evaluating 45114
the risks to public safety and the welfare of the defendant and 45115
after determining whether another type of placement is consistent 45116
with the certification requirements, may place the defendant in 45117
another facility that the department selects as an appropriate 45118
facility for the defendant's continued receipt of residential 45119
habilitation, care, and treatment and that is a no less secure 45120
setting than the facility in which the defendant had been placed 45121
at the time of the citation. Within three days after the 45122
defendant's removal and alternative placement under the 45123
circumstances described in division (D)(2)(b) of this section, the 45124
department of developmental disabilities shall notify the trial 45125
court and the prosecutor in writing of the removal and alternative 45126
placement. 45127

The trial court shall set a date for a hearing on the removal 45128
and alternative placement, and the hearing shall be held within 45129
twenty-one days after the trial court's receipt of the notice from 45130
the department of developmental disabilities. At least ten days 45131
before the hearing is held, the trial court shall give the 45132
prosecutor, the department of developmental disabilities, and the 45133
counsel for the defendant written notice of the date, time, and 45134
place of the hearing. At the hearing, the trial court shall 45135
consider the citation issued by the individual who conducted the 45136
survey for the department of health to be prima-facie evidence of 45137
the fact that the defendant's commitment to the particular 45138
facility was inappropriate under the certification requirements of 45139
the medicaid program ~~under Chapter 5111. of the Revised Code and~~ 45140
~~Title XIX of the "Social Security Act," 49 Stat. 620 (1935), 42~~ 45141
~~U.S.C.A. 301, as amended,~~ and potentially jeopardizes the 45142
particular facility's continued receipt of federal medicaid 45143
moneys. At the conclusion of the hearing, the trial court may 45144
approve or disapprove the defendant's removal and alternative 45145

placement. If the trial court approves the defendant's removal and 45146
alternative placement, the department of developmental 45147
disabilities may continue the defendant's alternative placement. 45148
If the trial court disapproves the defendant's removal and 45149
alternative placement, it shall enter an order modifying the 45150
defendant's removal and alternative placement, but that order 45151
shall not require the department of developmental disabilities to 45152
replace the defendant for purposes of continued residential 45153
habilitation, care, and treatment in the facility associated with 45154
the citation issued by the individual who conducted the survey for 45155
the department of health. 45156

(E) In making a determination under this section regarding 45157
nonsecured status or termination of commitment, the trial court 45158
shall consider all relevant factors, including, but not limited 45159
to, all of the following: 45160

(1) Whether, in the trial court's view, the defendant or 45161
person currently represents a substantial risk of physical harm to 45162
the defendant or person or others; 45163

(2) Psychiatric and medical testimony as to the current 45164
mental and physical condition of the defendant or person; 45165

(3) Whether the defendant or person has insight into the 45166
defendant's or person's condition so that the defendant or person 45167
will continue treatment as prescribed or seek professional 45168
assistance as needed; 45169

(4) The grounds upon which the state relies for the proposed 45170
commitment; 45171

(5) Any past history that is relevant to establish the 45172
defendant's or person's degree of conformity to the laws, rules, 45173
regulations, and values of society; 45174

(6) If there is evidence that the defendant's or person's 45175
mental illness is in a state of remission, the medically suggested 45176

cause and degree of the remission and the probability that the 45177
defendant or person will continue treatment to maintain the 45178
remissive state of the defendant's or person's illness should the 45179
defendant's or person's commitment conditions be altered. 45180

(F) At any hearing held pursuant to division (C) or (D)(1) or 45181
(2) of this section, the defendant or the person shall have all 45182
the rights of a defendant or person at a commitment hearing as 45183
described in section 2945.40 of the Revised Code. 45184

(G) In a hearing held pursuant to division (C) or (D)(1) of 45185
this section, the prosecutor has the burden of proof as follows: 45186

(1) For a recommendation of termination of commitment, to 45187
show by clear and convincing evidence that the defendant or person 45188
remains a mentally ill person subject to hospitalization by court 45189
order or a mentally retarded person subject to 45190
institutionalization by court order; 45191

(2) For a recommendation for a change in the conditions of 45192
the commitment to a less restrictive status, to show by clear and 45193
convincing evidence that the proposed change represents a threat 45194
to public safety or a threat to the safety of any person. 45195

(H) In a hearing held pursuant to division (C) or (D)(1) or 45196
(2) of this section, the prosecutor shall represent the state or 45197
the public interest. 45198

(I) At the conclusion of a hearing conducted under division 45199
(D)(1) of this section regarding a recommendation from the 45200
designee of the department of ~~mental health~~ mental health and 45201
addiction services, managing officer of the institution, or 45202
director of a facility or program, the trial court may approve, 45203
disapprove, or modify the recommendation and shall enter an order 45204
accordingly. 45205

(J)(1) A defendant or person who has been committed pursuant 45206
to section 2945.39 or 2945.40 of the Revised Code continues to be 45207

under the jurisdiction of the trial court until the final 45208
termination of the commitment. For purposes of division (J) of 45209
this section, the final termination of a commitment occurs upon 45210
the earlier of one of the following: 45211

(a) The defendant or person no longer is a mentally ill 45212
person subject to hospitalization by court order or a mentally 45213
retarded person subject to institutionalization by court order, as 45214
determined by the trial court; 45215

(b) The expiration of the maximum prison term or term of 45216
imprisonment that the defendant or person could have received if 45217
the defendant or person had been convicted of the most serious 45218
offense with which the defendant or person is charged or in 45219
relation to which the defendant or person was found not guilty by 45220
reason of insanity; 45221

(c) The trial court enters an order terminating the 45222
commitment under the circumstances described in division 45223
(J)(2)(a)(ii) of this section. 45224

(2)(a) If a defendant is found incompetent to stand trial and 45225
committed pursuant to section 2945.39 of the Revised Code, if 45226
neither of the circumstances described in divisions (J)(1)(a) and 45227
(b) of this section applies to that defendant, and if a report 45228
filed with the trial court pursuant to division (C) of this 45229
section indicates that the defendant presently is competent to 45230
stand trial or if, at any other time during the period of the 45231
defendant's commitment, the prosecutor, the counsel for the 45232
defendant, or the designee of the department of ~~mental health~~ 45233
mental health and addiction services or the managing officer of 45234
the institution or director of the facility or program to which 45235
the defendant is committed files an application with the trial 45236
court alleging that the defendant presently is competent to stand 45237
trial and requesting a hearing on the competency issue or the 45238
trial court otherwise has reasonable cause to believe that the 45239

defendant presently is competent to stand trial and determines on 45240
its own motion to hold a hearing on the competency issue, the 45241
trial court shall schedule a hearing on the competency of the 45242
defendant to stand trial, shall give the prosecutor, the counsel 45243
for the defendant, and the department's designee or the managing 45244
officer of the institution or the director of the facility to 45245
which the defendant is committed notice of the date, time, and 45246
place of the hearing at least fifteen days before the hearing, and 45247
shall conduct the hearing within thirty days of the filing of the 45248
application or of its own motion. If, at the conclusion of the 45249
hearing, the trial court determines that the defendant presently 45250
is capable of understanding the nature and objective of the 45251
proceedings against the defendant and of assisting in the 45252
defendant's defense, the trial court shall order that the 45253
defendant is competent to stand trial and shall be proceeded 45254
against as provided by law with respect to the applicable offenses 45255
described in division (C)(1) of section 2945.38 of the Revised 45256
Code and shall enter whichever of the following additional orders 45257
is appropriate: 45258

(i) If the trial court determines that the defendant remains 45259
a mentally ill person subject to hospitalization by court order or 45260
a mentally retarded person subject to institutionalization by 45261
court order, the trial court shall order that the defendant's 45262
commitment to the department of ~~mental health~~ mental health and 45263
addiction services or to an institution, facility, or program for 45264
the treatment of mental retardation be continued during the 45265
pendency of the trial on the applicable offenses described in 45266
division (C)(1) of section 2945.38 of the Revised Code. 45267

(ii) If the trial court determines that the defendant no 45268
longer is a mentally ill person subject to hospitalization by 45269
court order or a mentally retarded person subject to 45270
institutionalization by court order, the trial court shall order 45271

that the defendant's commitment to the department of ~~mental health~~ 45272
mental health and addiction services or to an institution, 45273
facility, or program for the treatment of mental retardation shall 45274
not be continued during the pendency of the trial on the 45275
applicable offenses described in division (C)(1) of section 45276
2945.38 of the Revised Code. This order shall be a final 45277
termination of the commitment for purposes of division (J)(1)(c) 45278
of this section. 45279

(b) If, at the conclusion of the hearing described in 45280
division (J)(2)(a) of this section, the trial court determines 45281
that the defendant remains incapable of understanding the nature 45282
and objective of the proceedings against the defendant or of 45283
assisting in the defendant's defense, the trial court shall order 45284
that the defendant continues to be incompetent to stand trial, 45285
that the defendant's commitment to the department of ~~mental health~~ 45286
mental health and addiction services or to an institution, 45287
facility, or program for the treatment of mental retardation shall 45288
be continued, and that the defendant remains subject to the 45289
jurisdiction of the trial court pursuant to that commitment, and 45290
to the provisions of this section, until the final termination of 45291
the commitment as described in division (J)(1) of this section. 45292

Sec. 2951.041. (A)(1) If an offender is charged with a 45293
criminal offense, including but not limited to a violation of 45294
section 2913.02, 2913.03, 2913.11, 2913.21, 2913.31, or 2919.21 of 45295
the Revised Code, and the court has reason to believe that drug or 45296
alcohol usage by the offender was a factor leading to the criminal 45297
offense with which the offender is charged or that, at the time of 45298
committing that offense, the offender had a mental illness or was 45299
a person with intellectual disability and that the mental illness 45300
or status as a person with intellectual disability was a factor 45301
leading to the offender's criminal behavior, the court may accept, 45302
prior to the entry of a guilty plea, the offender's request for 45303

intervention in lieu of conviction. The request shall include a 45304
statement from the offender as to whether the offender is alleging 45305
that drug or alcohol usage by the offender was a factor leading to 45306
the criminal offense with which the offender is charged or is 45307
alleging that, at the time of committing that offense, the 45308
offender had a mental illness or was a person with intellectual 45309
disability and that the mental illness or status as a person with 45310
intellectual disability was a factor leading to the criminal 45311
offense with which the offender is charged. The request also shall 45312
include a waiver of the defendant's right to a speedy trial, the 45313
preliminary hearing, the time period within which the grand jury 45314
may consider an indictment against the offender, and arraignment, 45315
unless the hearing, indictment, or arraignment has already 45316
occurred. The court may reject an offender's request without a 45317
hearing. If the court elects to consider an offender's request, 45318
the court shall conduct a hearing to determine whether the 45319
offender is eligible under this section for intervention in lieu 45320
of conviction and shall stay all criminal proceedings pending the 45321
outcome of the hearing. If the court schedules a hearing, the 45322
court shall order an assessment of the offender for the purpose of 45323
determining the offender's eligibility for intervention in lieu of 45324
conviction and recommending an appropriate intervention plan. 45325

If the offender alleges that drug or alcohol usage by the 45326
offender was a factor leading to the criminal offense with which 45327
the offender is charged, the court may order that the offender be 45328
assessed by ~~a program~~ an addiction services provider certified 45329
pursuant to section ~~3793.06~~ 5119.36 of the Revised Code or a 45330
properly credentialed professional for the purpose of determining 45331
the offender's eligibility for intervention in lieu of conviction 45332
and recommending an appropriate intervention plan. The ~~program~~ 45333
addiction services provider or the properly credentialed 45334
professional shall provide a written assessment of the offender to 45335
the court. 45336

(2) The victim notification provisions of division (C) of 45337
section 2930.08 of the Revised Code apply in relation to any 45338
hearing held under division (A)(1) of this section. 45339

(B) An offender is eligible for intervention in lieu of 45340
conviction if the court finds all of the following: 45341

(1) The offender previously has not been convicted of or 45342
pleaded guilty to a felony offense of violence or previously has 45343
been convicted of or pleaded guilty to any felony that is not an 45344
offense of violence and the prosecuting attorney recommends that 45345
the offender be found eligible for participation in intervention 45346
in lieu of treatment under this section, previously has not been 45347
through intervention in lieu of conviction under this section or 45348
any similar regimen, and is charged with a felony for which the 45349
court, upon conviction, would impose a community control sanction 45350
on the offender under division (B)(2) of section 2929.13 of the 45351
Revised Code or with a misdemeanor. 45352

(2) The offense is not a felony of the first, second, or 45353
third degree, is not an offense of violence, is not a violation of 45354
division (A)(1) or (2) of section 2903.06 of the Revised Code, is 45355
not a violation of division (A)(1) of section 2903.08 of the 45356
Revised Code, is not a violation of division (A) of section 45357
4511.19 of the Revised Code or a municipal ordinance that is 45358
substantially similar to that division, and is not an offense for 45359
which a sentencing court is required to impose a mandatory prison 45360
term, a mandatory term of local incarceration, or a mandatory term 45361
of imprisonment in a jail. 45362

(3) The offender is not charged with a violation of section 45363
2925.02, 2925.04, or 2925.06 of the Revised Code, is not charged 45364
with a violation of section 2925.03 of the Revised Code that is a 45365
felony of the first, second, third, or fourth degree, and is not 45366
charged with a violation of section 2925.11 of the Revised Code 45367
that is a felony of the first, second, or third degree. 45368

(4) If an offender alleges that drug or alcohol usage by the offender was a factor leading to the criminal offense with which the offender is charged, the court has ordered that the offender be assessed by ~~a program~~ an addiction services provider certified pursuant to section ~~3793.06~~ 5119.36 of the Revised Code or a properly credentialed professional for the purpose of determining the offender's eligibility for intervention in lieu of conviction and recommending an appropriate intervention plan, the offender has been assessed by ~~a program~~ an addiction services provider of that nature or a properly credentialed professional in accordance with the court's order, and the ~~program~~ addiction services provider or properly credentialed professional has filed the written assessment of the offender with the court.

(5) If an offender alleges that, at the time of committing the criminal offense with which the offender is charged, the offender had a mental illness or was a person with intellectual disability and that the mental illness or status as a person with intellectual disability was a factor leading to that offense, the offender has been assessed by a psychiatrist, psychologist, independent social worker, or professional clinical counselor for the purpose of determining the offender's eligibility for intervention in lieu of conviction and recommending an appropriate intervention plan.

(6) The offender's drug usage, alcohol usage, mental illness, or intellectual disability, whichever is applicable, was a factor leading to the criminal offense with which the offender is charged, intervention in lieu of conviction would not demean the seriousness of the offense, and intervention would substantially reduce the likelihood of any future criminal activity.

(7) The alleged victim of the offense was not sixty-five years of age or older, permanently and totally disabled, under thirteen years of age, or a peace officer engaged in the officer's

official duties at the time of the alleged offense. 45401

(8) If the offender is charged with a violation of section 45402
2925.24 of the Revised Code, the alleged violation did not result 45403
in physical harm to any person, and the offender previously has 45404
not been treated for drug abuse. 45405

(9) The offender is willing to comply with all terms and 45406
conditions imposed by the court pursuant to division (D) of this 45407
section. 45408

(10) The offender is not charged with an offense that would 45409
result in the offender being disqualified under Chapter 4506. of 45410
the Revised Code from operating a commercial motor vehicle or 45411
would subject the offender to any other sanction under that 45412
chapter. 45413

(C) At the conclusion of a hearing held pursuant to division 45414
(A) of this section, the court shall enter its determination as to 45415
whether the offender is eligible for intervention in lieu of 45416
conviction and as to whether to grant the offender's request. If 45417
the court finds under division (B) of this section that the 45418
offender is eligible for intervention in lieu of conviction and 45419
grants the offender's request, the court shall accept the 45420
offender's plea of guilty and waiver of the defendant's right to a 45421
speedy trial, the preliminary hearing, the time period within 45422
which the grand jury may consider an indictment against the 45423
offender, and arraignment, unless the hearing, indictment, or 45424
arraignment has already occurred. In addition, the court then may 45425
stay all criminal proceedings and order the offender to comply 45426
with all terms and conditions imposed by the court pursuant to 45427
division (D) of this section. If the court finds that the offender 45428
is not eligible or does not grant the offender's request, the 45429
criminal proceedings against the offender shall proceed as if the 45430
offender's request for intervention in lieu of conviction had not 45431
been made. 45432

(D) If the court grants an offender's request for 45433
intervention in lieu of conviction, the court shall place the 45434
offender under the general control and supervision of the county 45435
probation department, the adult parole authority, or another 45436
appropriate local probation or court services agency, if one 45437
exists, as if the offender was subject to a community control 45438
sanction imposed under section 2929.15, 2929.18, or 2929.25 of the 45439
Revised Code. The court shall establish an intervention plan for 45440
the offender. The terms and conditions of the intervention plan 45441
shall require the offender, for at least one year from the date on 45442
which the court grants the order of intervention in lieu of 45443
conviction, to abstain from the use of illegal drugs and alcohol, 45444
to participate in treatment and recovery support services, and to 45445
submit to regular random testing for drug and alcohol use and may 45446
include any other treatment terms and conditions, or terms and 45447
conditions similar to community control sanctions, which may 45448
include community service or restitution, that are ordered by the 45449
court. 45450

(E) If the court grants an offender's request for 45451
intervention in lieu of conviction and the court finds that the 45452
offender has successfully completed the intervention plan for the 45453
offender, including the requirement that the offender abstain from 45454
using illegal drugs and alcohol for a period of at least one year 45455
from the date on which the court granted the order of intervention 45456
in lieu of conviction, the requirement that the offender 45457
participate in treatment and recovery support services, and all 45458
other terms and conditions ordered by the court, the court shall 45459
dismiss the proceedings against the offender. Successful 45460
completion of the intervention plan and period of abstinence under 45461
this section shall be without adjudication of guilt and is not a 45462
criminal conviction for purposes of any disqualification or 45463
disability imposed by law and upon conviction of a crime, and the 45464
court may order the sealing of records related to the offense in 45465

question in the manner provided in sections 2953.31 to 2953.36 of 45466
the Revised Code. 45467

(F) If the court grants an offender's request for 45468
intervention in lieu of conviction and the offender fails to 45469
comply with any term or condition imposed as part of the 45470
intervention plan for the offender, the supervising authority for 45471
the offender promptly shall advise the court of this failure, and 45472
the court shall hold a hearing to determine whether the offender 45473
failed to comply with any term or condition imposed as part of the 45474
plan. If the court determines that the offender has failed to 45475
comply with any of those terms and conditions, it shall enter a 45476
finding of guilty and shall impose an appropriate sanction under 45477
Chapter 2929. of the Revised Code. If the court sentences the 45478
offender to a prison term, the court, after consulting with the 45479
department of rehabilitation and correction regarding the 45480
availability of services, may order continued court-supervised 45481
activity and treatment of the offender during the prison term and, 45482
upon consideration of reports received from the department 45483
concerning the offender's progress in the program of activity and 45484
treatment, may consider judicial release under section 2929.20 of 45485
the Revised Code. 45486

(G) As used in this section: 45487

(1) "Community control sanction" has the same meaning as in 45488
section 2929.01 of the Revised Code. 45489

(2) "Intervention in lieu of conviction" means any 45490
court-supervised activity that complies with this section. 45491

(3) "Peace officer" has the same meaning as in section 45492
2935.01 of the Revised Code. 45493

(4) "Mental illness" and "psychiatrist" have the same 45494
meanings as in section 5122.01 of the Revised Code. 45495

(5) "Person with intellectual disability" means a person 45496

having significantly subaverage general intellectual functioning 45497
existing concurrently with deficiencies in adaptive behavior, 45498
manifested during the developmental period. 45499

(6) "Psychologist" has the same meaning as in section 4732.01 45500
of the Revised Code. 45501

(H) Whenever the term "mentally retarded person" is used in 45502
any statute, rule, contract, grant, or other document, the 45503
reference shall be deemed to include a "person with intellectual 45504
disability," as defined in this section. 45505

Sec. 2953.32. (A)(1) Except as provided in section 2953.61 of 45506
the Revised Code, an eligible offender may apply to the sentencing 45507
court if convicted in this state, or to a court of common pleas if 45508
convicted in another state or in a federal court, for the sealing 45509
of the conviction record. Application may be made at the 45510
expiration of three years after the offender's final discharge if 45511
convicted of a felony, or at the expiration of one year after the 45512
offender's final discharge if convicted of a misdemeanor. 45513

(2) Any person who has been arrested for any misdemeanor 45514
offense and who has effected a bail forfeiture may apply to the 45515
court in which the misdemeanor criminal case was pending when bail 45516
was forfeited for the sealing of the record of the case. Except as 45517
provided in section 2953.61 of the Revised Code, the application 45518
may be filed at any time after the expiration of one year from the 45519
date on which the bail forfeiture was entered upon the minutes of 45520
the court or the journal, whichever entry occurs first. 45521
45522

(B) Upon the filing of an application under this section, the 45523
court shall set a date for a hearing and shall notify the 45524
prosecutor for the case of the hearing on the application. The 45525
prosecutor may object to the granting of the application by filing 45526
an objection with the court prior to the date set for the hearing. 45527

The prosecutor shall specify in the objection the reasons for 45528
believing a denial of the application is justified. The court 45529
shall direct its regular probation officer, a state probation 45530
officer, or the department of probation of the county in which the 45531
applicant resides to make inquiries and written reports as the 45532
court requires concerning the applicant. If the applicant was 45533
convicted of or pleaded guilty to a violation of division (A)(2) 45534
or (B) of section 2919.21 of the Revised Code, the probation 45535
officer or county department of probation that the court directed 45536
to make inquiries concerning the applicant shall contact the child 45537
support enforcement agency enforcing the applicant's obligations 45538
under the child support order to inquire about the offender's 45539
compliance with the child support order. 45540

(C)(1) The court shall do each of the following: 45541

(a) Determine whether the applicant is an eligible offender 45542
or whether the forfeiture of bail was agreed to by the applicant 45543
and the prosecutor in the case. If the applicant applies as an 45544
eligible offender pursuant to division (A)(1) of this section and 45545
has two or three convictions that result from the same indictment, 45546
information, or complaint, from the same plea of guilty, or from 45547
the same official proceeding, and result from related criminal 45548
acts that were committed within a three-month period but do not 45549
result from the same act or from offenses committed at the same 45550
time, in making its determination under this division, the court 45551
initially shall determine whether it is not in the public interest 45552
for the two or three convictions to be counted as one conviction. 45553
If the court determines that it is not in the public interest for 45554
the two or three convictions to be counted as one conviction, the 45555
court shall determine that the applicant is not an eligible 45556
offender; if the court does not make that determination, the court 45557
shall determine that the offender is an eligible offender. 45558

(b) Determine whether criminal proceedings are pending 45559

against the applicant; 45560

(c) If the applicant is an eligible offender who applies 45561
pursuant to division (A)(1) of this section, determine whether the 45562
applicant has been rehabilitated to the satisfaction of the court; 45563

(d) If the prosecutor has filed an objection in accordance 45564
with division (B) of this section, consider the reasons against 45565
granting the application specified by the prosecutor in the 45566
objection; 45567

(e) Weigh the interests of the applicant in having the 45568
records pertaining to the applicant's conviction sealed against 45569
the legitimate needs, if any, of the government to maintain those 45570
records. 45571

(2) If the court determines, after complying with division 45572
(C)(1) of this section, that the applicant is an eligible offender 45573
or the subject of a bail forfeiture, that no criminal proceeding 45574
is pending against the applicant, and that the interests of the 45575
applicant in having the records pertaining to the applicant's 45576
conviction or bail forfeiture sealed are not outweighed by any 45577
legitimate governmental needs to maintain those records, and that 45578
the rehabilitation of an applicant who is an eligible offender 45579
applying pursuant to division (A)(1) of this section has been 45580
attained to the satisfaction of the court, the court, except as 45581
provided in divisions (G) and (H) of this section, shall order all 45582
official records pertaining to the case sealed and, except as 45583
provided in division (F) of this section, all index references to 45584
the case deleted and, in the case of bail forfeitures, shall 45585
dismiss the charges in the case. The proceedings in the case shall 45586
be considered not to have occurred and the conviction or bail 45587
forfeiture of the person who is the subject of the proceedings 45588
shall be sealed, except that upon conviction of a subsequent 45589
offense, the sealed record of prior conviction or bail forfeiture 45590
may be considered by the court in determining the sentence or 45591

other appropriate disposition, including the relief provided for 45592
in sections 2953.31 to 2953.33 of the Revised Code. 45593

(3) Upon the filing of an application under this section, the 45594
applicant, unless indigent, shall pay a fee of fifty dollars. The 45595
court shall pay thirty dollars of the fee into the state treasury. 45596
It shall pay twenty dollars of the fee into the county general 45597
revenue fund if the sealed conviction or bail forfeiture was 45598
pursuant to a state statute, or into the general revenue fund of 45599
the municipal corporation involved if the sealed conviction or 45600
bail forfeiture was pursuant to a municipal ordinance. 45601

(D) Inspection of the sealed records included in the order 45602
may be made only by the following persons or for the following 45603
purposes: 45604

(1) By a law enforcement officer or prosecutor, or the 45605
assistants of either, to determine whether the nature and 45606
character of the offense with which a person is to be charged 45607
would be affected by virtue of the person's previously having been 45608
convicted of a crime; 45609

(2) By the parole or probation officer of the person who is 45610
the subject of the records, for the exclusive use of the officer 45611
in supervising the person while on parole or under a community 45612
control sanction or a post-release control sanction, and in making 45613
inquiries and written reports as requested by the court or adult 45614
parole authority; 45615

(3) Upon application by the person who is the subject of the 45616
records, by the persons named in the application; 45617

(4) By a law enforcement officer who was involved in the 45618
case, for use in the officer's defense of a civil action arising 45619
out of the officer's involvement in that case; 45620

(5) By a prosecuting attorney or the prosecuting attorney's 45621
assistants, to determine a defendant's eligibility to enter a 45622

pre-trial diversion program established pursuant to section 45623
2935.36 of the Revised Code; 45624

(6) By any law enforcement agency or any authorized employee 45625
of a law enforcement agency or by the department of rehabilitation 45626
and correction as part of a background investigation of a person 45627
who applies for employment with the agency as a law enforcement 45628
officer or with the department as a corrections officer; 45629

(7) By any law enforcement agency or any authorized employee 45630
of a law enforcement agency, for the purposes set forth in, and in 45631
the manner provided in, section 2953.321 of the Revised Code; 45632

(8) By the bureau of criminal identification and 45633
investigation or any authorized employee of the bureau for the 45634
purpose of providing information to a board or person pursuant to 45635
division (F) or (G) of section 109.57 of the Revised Code; 45636

(9) By the bureau of criminal identification and 45637
investigation or any authorized employee of the bureau for the 45638
purpose of performing a criminal history records check on a person 45639
to whom a certificate as prescribed in section 109.77 of the 45640
Revised Code is to be awarded; 45641

(10) By the bureau of criminal identification and 45642
investigation or any authorized employee of the bureau for the 45643
purpose of conducting a criminal records check of an individual 45644
pursuant to division (B) of section 109.572 of the Revised Code 45645
that was requested pursuant to any of the sections identified in 45646
division (B)(1) of that section; 45647

(11) By the bureau of criminal identification and 45648
investigation, an authorized employee of the bureau, a sheriff, or 45649
an authorized employee of a sheriff in connection with a criminal 45650
records check described in section 311.41 of the Revised Code; 45651

(12) By the attorney general or an authorized employee of the 45652
attorney general or a court for purposes of determining a person's 45653

classification pursuant to Chapter 2950. of the Revised Code; 45654

(13) By a prosecuting attorney or the attorney general, or 45655
the assistants of either, for purposes of defending or 45656
participating in a civil action brought pursuant to division 45657
(B)(1) of section 2743.48 of the Revised Code. 45658

When the nature and character of the offense with which a 45659
person is to be charged would be affected by the information, it 45660
may be used for the purpose of charging the person with an 45661
offense. 45662

(E) In any criminal proceeding, proof of any otherwise 45663
admissible prior conviction may be introduced and proved, 45664
notwithstanding the fact that for any such prior conviction an 45665
order of sealing previously was issued pursuant to sections 45666
2953.31 to 2953.36 of the Revised Code. 45667

(F) The person or governmental agency, office, or department 45668
that maintains sealed records pertaining to convictions or bail 45669
forfeitures that have been sealed pursuant to this section may 45670
maintain a manual or computerized index to the sealed records. The 45671
index shall contain only the name of, and alphanumeric identifiers 45672
that relate to, the persons who are the subject of the sealed 45673
records, the word "sealed," and the name of the person, agency, 45674
office, or department that has custody of the sealed records, and 45675
shall not contain the name of the crime committed. The index shall 45676
be made available by the person who has custody of the sealed 45677
records only for the purposes set forth in divisions (C), (D), and 45678
(E) of this section. 45679

(G) Notwithstanding any provision of this section or section 45680
2953.33 of the Revised Code that requires otherwise, a board of 45681
education of a city, local, exempted village, or joint vocational 45682
school district that maintains records of an individual who has 45683
been permanently excluded under sections 3301.121 and 3313.662 of 45684

the Revised Code is permitted to maintain records regarding a 45685
conviction that was used as the basis for the individual's 45686
permanent exclusion, regardless of a court order to seal the 45687
record. An order issued under this section to seal the record of a 45688
conviction does not revoke the adjudication order of the 45689
superintendent of public instruction to permanently exclude the 45690
individual who is the subject of the sealing order. An order 45691
issued under this section to seal the record of a conviction of an 45692
individual may be presented to a district superintendent as 45693
evidence to support the contention that the superintendent should 45694
recommend that the permanent exclusion of the individual who is 45695
the subject of the sealing order be revoked. Except as otherwise 45696
authorized by this division and sections 3301.121 and 3313.662 of 45697
the Revised Code, any school employee in possession of or having 45698
access to the sealed conviction records of an individual that were 45699
the basis of a permanent exclusion of the individual is subject to 45700
section 2953.35 of the Revised Code. 45701

(H) For purposes of sections 2953.31 to 2953.36 of the 45702
Revised Code, DNA records collected in the DNA database and 45703
fingerprints filed for record by the superintendent of the bureau 45704
of criminal identification and investigation shall not be sealed 45705
unless the superintendent receives a certified copy of a final 45706
court order establishing that the offender's conviction has been 45707
overturned. For purposes of this section, a court order is not 45708
"final" if time remains for an appeal or application for 45709
discretionary review with respect to the order. 45710

Sec. 2967.22. Whenever it is brought to the attention of the 45711
adult parole authority or a department of probation that a 45712
parolee, person under a community control sanction, person under 45713
transitional control, or releasee appears to be a mentally ill 45714
person subject to hospitalization by court order, as defined in 45715
section 5122.01 of the Revised Code, or a mentally retarded person 45716

subject to institutionalization by court order, as defined in 45717
section 5123.01 of the Revised Code, the parole or probation 45718
officer, subject to the approval of the chief of the adult parole 45719
authority, the designee of the chief of the adult parole 45720
authority, or the chief probation officer, may file an affidavit 45721
under section 5122.11 or 5123.71 of the Revised Code. A parolee, 45722
person under a community control sanction, or releasee who is 45723
involuntarily detained under Chapter 5122. or 5123. of the Revised 45724
Code shall receive credit against the period of parole or 45725
community control or the term of post-release control for the 45726
period of involuntary detention. 45727

If a parolee, person under a community control sanction, 45728
person under transitional control, or releasee escapes from an 45729
institution or facility within the department of ~~mental health~~ 45730
mental health and addiction services or the department of 45731
developmental disabilities, the superintendent of the institution 45732
immediately shall notify the chief of the adult parole authority 45733
or the chief probation officer. Notwithstanding the provisions of 45734
section 5122.26 of the Revised Code, the procedure for the 45735
apprehension, detention, and return of the parolee, person under a 45736
community control sanction, person under transitional control, or 45737
releasee is the same as that provided for the apprehension, 45738
detention, and return of persons who escape from institutions 45739
operated by the department of rehabilitation and correction. If 45740
the escaped parolee, person under transitional control, or 45741
releasee is not apprehended and returned to the custody of the 45742
department of ~~mental health~~ mental health and addiction services 45743
or the department of developmental disabilities within ninety days 45744
after the escape, the parolee, person under transitional control, 45745
or releasee shall be discharged from the custody of the department 45746
of ~~mental health~~ mental health and addiction services or the 45747
department of developmental disabilities and returned to the 45748

custody of the department of rehabilitation and correction. If the 45749
escaped person under a community control sanction is not 45750
apprehended and returned to the custody of the department of 45751
~~mental health~~ mental health and addiction services or the 45752
department of developmental disabilities within ninety days after 45753
the escape, the person under a community control sanction shall be 45754
discharged from the custody of the department of ~~mental health~~ 45755
mental health and addiction services or the department of 45756
developmental disabilities and returned to the custody of the 45757
court that sentenced that person. 45758

Sec. 2981.01. (A) Forfeitures under this chapter shall be 45759
governed by all of the following purposes: 45760

(1) To provide economic disincentives and remedies to deter 45761
and offset the economic effect of offenses by seizing and 45762
forfeiting contraband, proceeds, and certain instrumentalities; 45763

(2) To ensure that seizures and forfeitures of 45764
instrumentalities are proportionate to the offense committed; 45765

(3) To protect third parties from wrongful forfeiture of 45766
their property; 45767

(4) To prioritize restitution for victims of offenses. 45768

the Revised Code. 45771

(2) "Computers," "computer networks," "computer systems," 45772
"computer software," and "telecommunications device" have the same 45773
meanings as in section 2913.01 of the Revised Code. 45774

(3) "Financial institution" means a bank, credit union, 45775
savings and loan association, or a licensee or registrant under 45776
Chapter 1321. of the Revised Code. 45777

property that is subject to forfeiture, including any person who 45781

victim of an alleged offense. 45784

(6) "Instrumentality" means property otherwise lawful to 45785
possess that is used in or intended to be used in an offense. An 45786
"instrumentality" may include, but is not limited to, a firearm, a 45787

of the Revised Code. 46005

(G) Any property forfeited under this chapter shall not be 46006

with law. 46025

(B) If the contraband or instrumentality forfeited under this 46026
chapter is sold, any moneys acquired from a sale and any proceeds 46027
forfeited under this chapter shall be applied in the following 46028

the case of property forfeited for medicaid fraud, any remaining 46062
amount shall be used by the attorney general to investigate and 46063
prosecute medicaid fraud offenses. 46064

If the prosecutor declines to accept any of the remaining 46065
amounts, the amounts shall be applied to the fund of the agency 46066
that substantially conducted the investigation. 46067

(c) If more than one law enforcement agency is substantially 46068
involved in the seizure of property forfeited under this chapter, 46069
the court ordering the forfeiture shall equitably divide the 46070
amounts, after calculating any distribution to the law enforcement 46071
trust fund of the prosecutor pursuant to division (B)(4) of this 46072
section, among the entities that the court determines were 46073

teaching of energy and resource conservation as recommended to 47090
each district board of education by leading business persons 47091
involved in energy production and conservation, beginning in the 47092
primary grades. 47093

(M) The state board shall formulate and prescribe minimum 47094
standards requiring the use of phonics as a technique in the 47095
teaching of reading in grades kindergarten through three. In 47096
addition, the state board shall provide in-service training 47097
programs for teachers on the use of phonics as a technique in the 47098
teaching of reading in grades kindergarten through three. 47099

(N) The state board may adopt rules necessary for carrying 47100
out any function imposed on it by law, and may provide rules as 47101
are necessary for its government and the government of its 47102
employees, and may delegate to the superintendent of public 47103
instruction the management and administration of any function 47104
imposed on it by law. It may provide for the appointment of board 47105
members to serve on temporary committees established by the board 47106

for such purposes as are necessary. Permanent or standing 47107
committees shall not be created. 47108

(O) Upon application from the board of education of a school 47109
district, the superintendent of public instruction may issue a 47110
waiver exempting the district from compliance with the standards 47111
adopted under divisions (B)(2) and (D) of this section, as they 47112
relate to the operation of a school operated by the district. The 47113
state board shall adopt standards for the approval or disapproval 47114
of waivers under this division. The state superintendent shall 47115
consider every application for a waiver, and shall determine 47116
whether to grant or deny a waiver in accordance with the state 47117
board's standards. For each waiver granted, the state 47118
superintendent shall specify the period of time during which the 47119
waiver is in effect, which shall not exceed five years. A district 47120
board may apply to renew a waiver. 47121

Sec. 3301.0711. (A) The department of education shall: 47122

(1) Annually furnish to, grade, and score all assessments 47123
required by divisions (A)(1) and (B)(1) of section 3301.0710 of 47124
the Revised Code to be administered by city, local, exempted 47125
village, and joint vocational school districts, except that each 47126
district shall score any assessment administered pursuant to 47127
division (B)(10) of this section. Each assessment so furnished 47128
shall include the data verification code of the student to whom 47129
the assessment will be administered, as assigned pursuant to 47130
division (D)(2) of section 3301.0714 of the Revised Code. In 47131
furnishing the practice versions of Ohio graduation tests 47132

Ohio-based entities employing Ohio residents. 47137

(2) Adopt rules for the ethical use of assessments and 47138

under division (A) of this section: 47145

(1) Administer the English language arts assessments 47146
prescribed under division (A)(1)(a) of section 3301.0710 of the 47147

(4) Administer the assessments prescribed under division 47157

(5) Administer the assessments prescribed under division 47160

annually to all students in the sixth grade. 47162

(6) Administer the assessments prescribed under division 47163
(A)(1)(e) of section 3301.0710 of the Revised Code at least once 47164
annually to all students in the seventh grade. 47165

(7) Administer the assessments prescribed under division 47166
(A)(1)(f) of section 3301.0710 of the Revised Code at least once 47167

annually to all students in the eighth grade. 47168

(8) Except as provided in division (B)(9) of this section, 47169
administer any assessment prescribed under division (B)(1) of 47170
section 3301.0710 of the Revised Code as follows: 47171

(a) At least once annually to all tenth grade students and at 47172
least twice annually to all students in eleventh or twelfth grade 47173
who have not yet attained the score on that assessment designated 47174
under that division; 47175

(b) To any person who has successfully completed the 47176
curriculum in any high school or the individualized education 47177
program developed for the person by any high school pursuant to 47178
section 3323.08 of the Revised Code but has not received a high 47179
school diploma and who requests to take such assessment, at any 47180
time such assessment is administered in the district. 47181

(9) In lieu of the board of education of any city, local, or 47182
exempted village school district in which the student is also 47183
enrolled, the board of a joint vocational school district shall 47184
administer any assessment prescribed under division (B)(1) of 47185
section 3301.0710 of the Revised Code at least twice annually to 47186

has not yet attained the score on that assessment designated under 47188
that division. A board of a joint vocational school district may 47189
also administer such an assessment to any student described in 47190
division (B)(8)(b) of this section. 47191

(10) If the district has a three-year average graduation rate 47192
of not more than seventy-five per cent, administer each assessment 47193
prescribed by division (D) of section 3301.0710 of the Revised 47194
Code in September to all ninth grade students, beginning in the 47195
school year that starts July 1, 2005. 47196

Except as provided in section 3313.614 of the Revised Code 47197
for administration of an assessment to a person who has fulfilled 47198

the curriculum requirement for a high school diploma but has not 47199
passed one or more of the required assessments, the assessments 47200
prescribed under division (B)(1) of section 3301.0710 of the 47201
Revised Code and the practice assessments prescribed under 47202
division (D) of that section and required to be administered under 47203
divisions (B)(8), (9), and (10) of this section shall not be 47204
administered after the assessment system prescribed by division 47205
(B)(2) of section 3301.0710 and section 3301.0712 of the Revised 47206
Code is implemented under rule of the state board adopted under 47207
division (D)(1) of section 3301.0712 of the Revised Code. 47208

(11) Administer the assessments prescribed by division (B)(2) 47209
of section 3301.0710 and section 3301.0712 of the Revised Code in 47210
accordance with the timeline and plan for implementation of those 47211
assessments prescribed by rule of the state board adopted under 47212
division (D)(1) of section 3301.0712 of the Revised Code. 47213

(C)(1)(a) In the case of a student receiving special 47214
education services under Chapter 3323. of the Revised Code, the 47215
individualized education program developed for the student under 47216
that chapter shall specify the manner in which the student will 47217
participate in the assessments administered under this section. 47218
The individualized education program may excuse the student from 47219
taking any particular assessment required to be administered under 47220
this section if it instead specifies an alternate assessment 47221
method approved by the department of education as conforming to 47222
requirements of federal law for receipt of federal funds for 47223
disadvantaged pupils. To the extent possible, the individualized 47224
education program shall not excuse the student from taking an 47225
assessment unless no reasonable accommodation can be made to 47226
enable the student to take the assessment. 47227

(b) Any alternate assessment approved by the department for a 47228
student under this division shall produce measurable results 47229
comparable to those produced by the assessment it replaces in 47230

order to allow for the student's results to be included in the 47231
data compiled for a school district or building under section 47232
3302.03 of the Revised Code. 47233

(c) Any student enrolled in a chartered nonpublic school who 47234
has been identified, based on an evaluation conducted in 47235
accordance with section 3323.03 of the Revised Code or section 504 47236
of the "Rehabilitation Act of 1973," 87 Stat. 355, 29 U.S.C.A. 47237
794, as amended, as a child with a disability shall be excused 47238
from taking any particular assessment required to be administered 47239
under this section if a plan developed for the student pursuant to 47240
rules adopted by the state board excuses the student from taking 47241
that assessment. In the case of any student so excused from taking 47242
an assessment, the chartered nonpublic school shall not prohibit 47243
the student from taking the assessment. 47244

(2) A district board may, for medical reasons or other good 47245
cause, excuse a student from taking an assessment administered 47246
under this section on the date scheduled, but that assessment 47247
shall be administered to the excused student not later than nine 47248
days following the scheduled date. The district board shall 47249
annually report the number of students who have not taken one or 47250
more of the assessments required by this section to the state 47251
board of education not later than the thirtieth day of June. 47252

(3) As used in this division, "limited English proficient 47253
student" has the same meaning as in 20 U.S.C. 7801. 47254

No school district board shall excuse any limited English 47255
proficient student from taking any particular assessment required 47256
to be administered under this section, except that any limited 47257
English proficient student who has been enrolled in United States 47258
schools for less than one full school year shall not be required 47259
to take any reading, writing, or English language arts assessment. 47260
However, no board shall prohibit a limited English proficient 47261
student who is not required to take an assessment under this 47262

division from taking the assessment. A board may permit any 47263
limited English proficient student to take an assessment required 47264
to be administered under this section with appropriate 47265
accommodations, as determined by the department. For each limited 47266
English proficient student, each school district shall annually 47267
assess that student's progress in learning English, in accordance 47268
with procedures approved by the department. 47269

The governing authority of a chartered nonpublic school may 47270
excuse a limited English proficient student from taking any 47271
assessment administered under this section. However, no governing 47272
authority shall prohibit a limited English proficient student from 47273
taking the assessment. 47274

(D)(1) In the school year next succeeding the school year in 47275
which the assessments prescribed by division (A)(1) or (B)(1) of 47276
section 3301.0710 of the Revised Code or former division (A)(1), 47277
(A)(2), or (B) of section 3301.0710 of the Revised Code as it 47278
existed prior to September 11, 2001, are administered to any 47279
student, the board of education of any school district in which 47280
the student is enrolled in that year shall provide to the student 47281
intervention services commensurate with the student's performance, 47282
including any intensive intervention required under section 47283
3313.608 of the Revised Code, in any skill in which the student 47284
failed to demonstrate at least a score at the proficient level on 47285
the assessment. 47286

(2) Following any administration of the assessments 47287
prescribed by division (D) of section 3301.0710 of the Revised 47288
Code to ninth grade students, each school district that has a 47289
three-year average graduation rate of not more than seventy-five 47290
per cent shall determine for each high school in the district 47291
whether the school shall be required to provide intervention 47292
services to any students who took the assessments. In determining 47293
which high schools shall provide intervention services based on 47294

the resources available, the district shall consider each school's graduation rate and scores on the practice assessments. The district also shall consider the scores received by ninth grade students on the English language arts and mathematics assessments prescribed under division (A)(1)(f) of section 3301.0710 of the Revised Code in the eighth grade in determining which high schools shall provide intervention services.

Each high school selected to provide intervention services under this division shall provide intervention services to any student whose results indicate that the student is failing to make satisfactory progress toward being able to attain scores at the proficient level on the Ohio graduation tests. Intervention services shall be provided in any skill in which a student demonstrates unsatisfactory progress and shall be commensurate with the student's performance. Schools shall provide the intervention services prior to the end of the school year, during the summer following the ninth grade, in the next succeeding school year, or at any combination of those times.

(E) Except as provided in section 3313.608 of the Revised Code and division (M) of this section, no school district board of education shall utilize any student's failure to attain a specified score on an assessment administered under this section as a factor in any decision to deny the student promotion to a higher grade level. However, a district board may choose not to promote to the next grade level any student who does not take an assessment administered under this section or make up an assessment as provided by division (C)(2) of this section and who is not exempt from the requirement to take the assessment under division (C)(3) of this section.

(F) No person shall be charged a fee for taking any assessment administered under this section.

(G)(1) Each school district board shall designate one

location for the collection of assessments administered in the 47327
spring under division (B)(1) of this section and those 47328
administered under divisions (B)(2) to (7) of this section. Each 47329
district board shall submit the assessments to the entity with 47330
which the department contracts for the scoring of the assessments 47331
as follows: 47332

(a) If the district's total enrollment in grades kindergarten 47333
through twelve during the first full school week of October was 47334
less than two thousand five hundred, not later than the Friday 47335
after all of the assessments have been administered; 47336

(b) If the district's total enrollment in grades kindergarten 47337
through twelve during the first full school week of October was 47338
two thousand five hundred or more, but less than seven thousand, 47339
not later than the Monday after all of the assessments have been 47340
administered; 47341

(c) If the district's total enrollment in grades kindergarten 47342
through twelve during the first full school week of October was 47343
seven thousand or more, not later than the Tuesday after all of 47344
the assessments have been administered. 47345

However, any assessment that a student takes during the 47346
make-up period described in division (C)(2) of this section shall 47347
be submitted not later than the Friday following the day the 47348
student takes the assessment. 47349

(2) The department or an entity with which the department 47350
contracts for the scoring of the assessment shall send to each 47351
school district board a list of the individual scores of all 47352
persons taking an assessment prescribed by division (A)(1) or 47353
(B)(1) of section 3301.0710 of the Revised Code within sixty days 47354
after its administration, but in no case shall the scores be 47355
returned later than the fifteenth day of June following the 47356
administration. For assessments administered under this section by 47357

a joint vocational school district, the department or entity shall 47358
also send to each city, local, or exempted village school district 47359
a list of the individual scores of any students of such city, 47360
local, or exempted village school district who are attending 47361
school in the joint vocational school district. 47362

(H) Individual scores on any assessments administered under 47363
this section shall be released by a district board only in 47364
accordance with section 3319.321 of the Revised Code and the rules 47365
adopted under division (A) of this section. No district board or 47366
its employees shall utilize individual or aggregate results in any 47367
manner that conflicts with rules for the ethical use of 47368
assessments adopted pursuant to division (A) of this section. 47369

(I) Except as provided in division (G) of this section, the 47370
department or an entity with which the department contracts for 47371
the scoring of the assessment shall not release any individual 47372
scores on any assessment administered under this section. The 47373
state board of education shall adopt rules to ensure the 47374
protection of student confidentiality at all times. The rules may 47375
require the use of the data verification codes assigned to 47376
students pursuant to division (D)(2) of section 3301.0714 of the 47377
Revised Code to protect the confidentiality of student scores. 47378

(J) Notwithstanding division (D) of section 3311.52 of the 47379
Revised Code, this section does not apply to the board of 47380
education of any cooperative education school district except as 47381
provided under rules adopted pursuant to this division. 47382

(1) In accordance with rules that the state board of 47383
education shall adopt, the board of education of any city, 47384
exempted village, or local school district with territory in a 47385
cooperative education school district established pursuant to 47386
divisions (A) to (C) of section 3311.52 of the Revised Code may 47387
enter into an agreement with the board of education of the 47388
cooperative education school district for administering any 47389

assessment prescribed under this section to students of the city, 47390
exempted village, or local school district who are attending 47391
school in the cooperative education school district. 47392

(2) In accordance with rules that the state board of 47393
education shall adopt, the board of education of any city, 47394
exempted village, or local school district with territory in a 47395
cooperative education school district established pursuant to 47396
section 3311.521 of the Revised Code shall enter into an agreement 47397
with the cooperative district that provides for the administration 47398
of any assessment prescribed under this section to both of the 47399
following: 47400

(a) Students who are attending school in the cooperative 47401
district and who, if the cooperative district were not 47402
established, would be entitled to attend school in the city, 47403
local, or exempted village school district pursuant to section 47404
3313.64 or 3313.65 of the Revised Code; 47405

(b) Persons described in division (B)(8)(b) of this section. 47406

Any assessment of students pursuant to such an agreement 47407
shall be in lieu of any assessment of such students or persons 47408
pursuant to this section. 47409

~~(K)(1) As a condition of compliance with section 3313.612 of 47410
the Revised Code, each chartered nonpublic school that educates 47411~~
(a) Each chartered nonpublic school for which at least thirty-five 47412
per cent of its total enrollment is made up of students who are 47413
participating in state scholarship programs shall administer the 47414
assessments prescribed by section 3301.0710 of the Revised Code. 47415

(b) If a chartered nonpublic school is not subject to 47416
division (K)(1)(a) of this section and is educating students in 47417
grades nine through twelve, it shall administer the assessments 47418
prescribed by divisions (B)(1) and (2) of section 3301.0710 of the 47419
Revised Code as a condition of compliance with section 3313.612 of 47420

the Revised Code. Any chartered nonpublic school that is not 47421
subject to division (K)(1)(a) of this section may participate in 47422
the assessment program by administering any of the assessments 47423
prescribed by division (A) of section 3301.0710 of the Revised 47424
Code. The chief administrator of the school shall specify which 47425
assessments the school will administer. Such specification shall 47426
be made in writing to the superintendent of public instruction 47427
prior to the first day of August of any school year in which 47428
assessments are administered and shall include a pledge that the 47429
nonpublic school will administer the specified assessments in the 47430
same manner as public schools are required to do under this 47431
section and rules adopted by the department. 47432

(2) The department of education shall furnish the assessments 47433
prescribed by section 3301.0710 or 3301.0712 of the Revised Code 47434
to each chartered nonpublic school that is subject to division 47435
(K)(1)(a) of this section or participates under ~~this~~ division 47436
(K)(1)(b) of this section. 47437

(L)(1) The superintendent of the state school for the blind 47438
and the superintendent of the state school for the deaf shall 47439
administer the assessments described by sections 3301.0710 and 47440
3301.0712 of the Revised Code. Each superintendent shall 47441
administer the assessments in the same manner as district boards 47442
are required to do under this section and rules adopted by the 47443
department of education and in conformity with division (C)(1)(a) 47444
of this section. 47445

(2) The department of education shall furnish the assessments 47446
described by sections 3301.0710 and 3301.0712 of the Revised Code 47447
to each superintendent. 47448

(M) Notwithstanding division (E) of this section, a school 47449
district may use a student's failure to attain a score in at least 47450
the proficient range on the mathematics assessment described by 47451
division (A)(1)(a) of section 3301.0710 of the Revised Code or on 47452

an assessment described by division (A)(1)(b), (c), (d), (e), or 47453
(f) of section 3301.0710 of the Revised Code as a factor in 47454
retaining that student in the current grade level. 47455

(N)(1) In the manner specified in divisions (N)(3) and (4) of 47456
this section, the assessments required by division (A)(1) of 47457
section 3301.0710 of the Revised Code shall become public records 47458
pursuant to section 149.43 of the Revised Code on the first day of 47459
July following the school year that the assessments were 47460
administered. 47461

(2) The department may field test proposed questions with 47462
samples of students to determine the validity, reliability, or 47463
appropriateness of questions for possible inclusion in a future 47464
year's assessment. The department also may use anchor questions on 47465
assessments to ensure that different versions of the same 47466
assessment are of comparable difficulty. 47467

Field test questions and anchor questions shall not be 47468
considered in computing scores for individual students. Field test 47469
questions and anchor questions may be included as part of the 47470
administration of any assessment required by division (A)(1) or 47471
(B)(1) of section 3301.0710 of the Revised Code. 47472

(3) Any field test question or anchor question administered 47473
under division (N)(2) of this section shall not be a public 47474
record. Such field test questions and anchor questions shall be 47475
redacted from any assessments which are released as a public 47476
record pursuant to division (N)(1) of this section. 47477

(4) This division applies to the assessments prescribed by 47478
division (A) of section 3301.0710 of the Revised Code. 47479

(a) The first administration of each assessment, as specified 47480
in former section 3301.0712 of the Revised Code, shall be a public 47481
record. 47482

(b) For subsequent administrations of each assessment prior 47483

to the 2011-2012 school year, not less than forty per cent of the 47484
questions on the assessment that are used to compute a student's 47485
score shall be a public record. The department shall determine 47486
which questions will be needed for reuse on a future assessment 47487
and those questions shall not be public records and shall be 47488
redacted from the assessment prior to its release as a public 47489
record. However, for each redacted question, the department shall 47490
inform each city, local, and exempted village school district of 47491
the statewide academic standard adopted by the state board of 47492
education under section 3301.079 of the Revised Code and the 47493
corresponding benchmark to which the question relates. The 47494
preceding sentence does not apply to field test questions that are 47495
redacted under division (N)(3) of this section. 47496

(c) The administrations of each assessment in the 2011-2012 47497
school year and later shall not be a public record. 47498

(5) Each assessment prescribed by division (B)(1) of section 47499

(2) The state board shall, in accordance with the procedures 47929
it adopts, annually prepare an individual report for each school 47930
district and the general public that includes the profiles of each 47931

to division (G) of this section. Copies of the report shall be 47933
sent to the superintendent of the district and to each member of 47934
the district board of education. 47935

(3) Copies of the reports received from the state board under 47936
divisions (H)(1) and (2) of this section shall be made available 47937
to the general public at each school district's offices. Each 47938
district board of education shall make copies of each report 47939
available to any person upon request and payment of a reasonable 47940
fee for the cost of reproducing the report. The board shall 47941
annually publish in a newspaper of general circulation in the 47942
school district, at least twice during the two weeks prior to the 47943
week in which the reports will first be available, a notice 47944
containing the address where the reports are available and the 47945
date on which the reports will be available. 47946

(I) Any data that is collected or maintained pursuant to this 47947
section and that identifies an individual pupil is not a public 47948

(J) As used in this section: 47950

(1) "School district" means any city, local, exempted 47951

village, or joint vocational school district and, in accordance 47952
with section 3314.17 of the Revised Code, any community school. As 47953
used in division (L) of this section, "school district" also 47954
includes any educational service center or other educational 47955

the Revised Code. 47962

(K) Any person who removes data from the information system 47963
established under this section for the purpose of releasing it to 47964
any person not entitled under law to have access to such 47965
information is subject to section 2913.42 of the Revised Code 47966
prohibiting tampering with data. 47967

(L)(1) In accordance with division (L)(2) of this section and 47968
the rules adopted under division (L)(10) of this section, the 47969
department of education may sanction any school district that 47970
reports incomplete or inaccurate data, reports data that does not 47971
conform to data requirements and descriptions published by the 47972
department, fails to report data in a timely manner, or otherwise 47973
does not make a good faith effort to report data as required by 47974
this section. 47975

(2) If the department decides to sanction a school district 47976
under this division, the department shall take the following 47977
sequential actions: 47978

(a) Notify the district in writing that the department has 47979
determined that data has not been reported as required under this 47980
section and require the district to review its data submission and 47981
submit corrected data by a deadline established by the department. 47982

The department also may require the district to develop a corrective action plan, which shall include provisions for the district to provide mandatory staff training on data reporting procedures.

(b) Withhold up to ten per cent of the total amount of state funds due to the district for the current fiscal year and, if not previously required under division (L)(2)(a) of this section, require the district to develop a corrective action plan in accordance with that division;

(c) Withhold an additional amount of up to twenty per cent of the total amount of state funds due to the district for the current fiscal year;

(d) Direct department staff or an outside entity to investigate the district's data reporting practices and make recommendations for subsequent actions. The recommendations may include one or more of the following actions:

(vi) Conduct an investigation to determine whether to suspend or revoke the license of any district employee in accordance with division (N) of this section;

(vii) If the district is issued a report card under section 3302.03 of the Revised Code, indicate on the report card that the

district has been sanctioned for failing to report data as 48013
required by this section; 48014

(viii) If the district is issued a report card under section 48015
3302.03 of the Revised Code and incomplete or inaccurate data 48016
submitted by the district likely caused the district to receive a 48017
higher performance rating than it deserved under that section, 48018
issue a revised report card for the district; 48019

(ix) Any other action designed to correct the district's data 48020
reporting problems. 48021

(3) Any time the department takes an action against a school 48022
district under division (L)(2) of this section, the department 48023
shall make a report of the circumstances that prompted the action. 48024
The department shall send a copy of the report to the district 48025
superintendent or chief administrator and maintain a copy of the 48026
report in its files. 48027

(4) If any action taken under division (L)(2) of this section 48028
resolves a school district's data reporting problems to the 48029
department's satisfaction, the department shall not take any 48030
further actions described by that division. If the department 48031
withheld funds from the district under that division, the 48032
department may release those funds to the district, except that if 48033
the department withheld funding under division (L)(2)(c) of this 48034
section, the department shall not release the funds withheld under 48035
division (L)(2)(b) of this section and, if the department withheld 48036
funding under division (L)(2)(d) of this section, the department 48037
shall not release the funds withheld under division (L)(2)(b) or 48038
(c) of this section. 48039

(5) Notwithstanding anything in this section to the contrary, 48040
the department may use its own staff or an outside entity to 48041
conduct an audit of a school district's data reporting practices 48042
any time the department has reason to believe the district has not 48043

made a good faith effort to report data as required by this 48044
section. If any audit conducted by an outside entity under 48045
division (L)(2)(d)(i) or (5) of this section confirms that a 48046
district has not made a good faith effort to report data as 48047
required by this section, the district shall reimburse the 48048
department for the full cost of the audit. The department may 48049
withhold state funds due to the district for this purpose. 48050

(6) Prior to issuing a revised report card for a school 48051
district under division (L)(2)(d)(viii) of this section, the 48052
department may hold a hearing to provide the district with an 48053
opportunity to demonstrate that it made a good faith effort to 48054
report data as required by this section. The hearing shall be 48055
conducted by a referee appointed by the department. Based on the 48056
information provided in the hearing, the referee shall recommend 48057
whether the department should issue a revised report card for the 48058
district. If the referee affirms the department's contention that 48059
the district did not make a good faith effort to report data as 48060
required by this section, the district shall bear the full cost of 48061
conducting the hearing and of issuing any revised report card. 48062

(7) If the department determines that any inaccurate data 48063
reported under this section caused a school district to receive 48064
excess state funds in any fiscal year, the district shall 48065
reimburse the department an amount equal to the excess funds, in 48066
accordance with a payment schedule determined by the department. 48067
The department may withhold state funds due to the district for 48068
this purpose. 48069

(8) Any school district that has funds withheld under 48070
division (L)(2) of this section may appeal the withholding in 48071
accordance with Chapter 119. of the Revised Code. 48072

(9) In all cases of a disagreement between the department and 48073
a school district regarding the appropriateness of an action taken 48074
under division (L)(2) of this section, the burden of proof shall 48075

be on the district to demonstrate that it made a good faith effort 48076
to report data as required by this section. 48077

(10) The state board of education shall adopt rules under 48078
Chapter 119. of the Revised Code to implement division (L) of this 48079
section. 48080

(M) No information technology center or school district shall 48081
acquire, change, or update its student administration software 48082
package to manage and report data required to be reported to the 48083
department unless it converts to a student software package that 48084
is certified by the department. 48085

(N) The state board of education, in accordance with sections 48086
3319.31 and 3319.311 of the Revised Code, may suspend or revoke a 48087
license as defined under division (A) of section 3319.31 of the 48088
Revised Code that has been issued to any school district employee 48089
found to have willfully reported erroneous, inaccurate, or 48090
incomplete data to the education management information system. 48091

(O) No person shall release or maintain any information about 48092
any student in violation of this section. Whoever violates this 48093
division is guilty of a misdemeanor of the fourth degree. 48094

(P) The department shall disaggregate the data collected 48095
under division (B)(1)(n) of this section according to the race and 48096
socioeconomic status of the students assessed. No data collected 48097
under that division shall be included on the report cards required 48098
by section 3302.03 of the Revised Code. 48099

(Q) If the department cannot compile any of the information 48100
required by division (H) of section 3302.03 of the Revised Code 48101
based upon the data collected under this section, the department 48102
shall develop a plan and a reasonable timeline for the collection 48103
of any data necessary to comply with that division. 48104

Sec. 3301.0715. (A) Except as otherwise required under 48105

division (B)(1) of section 3313.608 of the Revised Code, the board 48106
of education of each city, local, and exempted village school 48107
district shall administer each applicable diagnostic assessment 48108
developed and provided to the district in accordance with section 48109
3301.079 of the Revised Code to the following: 48110

(1) Any student who transfers into the district or to a 48111
different school within the district if each applicable diagnostic 48112
assessment was not administered by the district or school the 48113
student previously attended in the current school year, within 48114
thirty days after the date of transfer. If the district or school 48115
into which the student transfers cannot determine whether the 48116
student has taken any applicable diagnostic assessment in the 48117
current school year, the district or school may administer the 48118
diagnostic assessment to the student. 48119

(2) ~~Each~~ (a) Prior to July 1, 2014, each kindergarten 48120

skills portion of the assessment shall be administered by the 48126
thirtieth day of September to fulfill the requirements of division 48127
(B) of section 3313.608 of the Revised Code. 48128

For the purpose of division (A)(2) of this section, the 48129
district shall administer the kindergarten readiness assessment 48130
provided by the department of education. In no case shall the 48131
results of the readiness assessment be used to prohibit a student 48132
from enrolling in kindergarten. 48133

(3) Each student enrolled in first, second, or third grade. 48134

(B) Each district board shall administer each diagnostic 48135

assessment when the board deems appropriate, provided the 48136
administration complies with section 3313.608 of the Revised Code. 48137
However, the board shall administer any diagnostic assessment at 48138
least once annually to all students in the appropriate grade 48139
level. A district board may administer any diagnostic assessment 48140
in the fall and spring of a school year to measure the amount of 48141
academic growth attributable to the instruction received by 48142
students during that school year. 48143

(C) Any district that received an excellent or effective 48144
rating for the immediately preceding school year, pursuant to 48145
section 3302.03 of the Revised Code as it existed prior to ~~the~~ 48146
~~effective date of this amendment~~ March 22, 2013, or the equivalent 48147
of such rating as determined by the department of education, may 48148
use different diagnostic assessments from those adopted under 48149
division (D) of section 3301.079 of the Revised Code in order to 48150
satisfy the requirements of division (A)(2) of this section. 48151

(D) Each district board shall utilize and score any 48152
diagnostic assessment administered under division (A) of this 48153
section in accordance with rules established by the department. 48154
After the administration of any diagnostic assessment, each 48155
district shall provide a student's completed diagnostic 48156
assessment, the results of such assessment, and any other 48157
accompanying documents used during the administration of the 48158
assessment to the parent of that student, and shall include all 48159
such documents and information in any plan developed for the 48160
student under division (C) of section 3313.608 of the Revised 48161
Code. Each district shall submit to the department, in the manner 48162
the department prescribes, the results of the diagnostic 48163
assessments administered under this section, regardless of the 48164
type of assessment used under section 3313.608 of the Revised 48165
Code. The department may issue reports with respect to the data 48166
collected. 48167

(E) Each district board shall provide intervention services 48168
to students whose diagnostic assessments show that they are 48169
failing to make satisfactory progress toward attaining the 48170
academic standards for their grade level. 48171

Sec. 3301.0723. (A) The independent contractor engaged by the 48172
department of education to create and maintain for school 48173
districts and community schools the student data verification 48174
codes required by division (D)(2) of section 3301.0714 of the 48175
Revised Code, upon request of the director of any state agency 48176

shall provide that code to the department of education. 48184

(B) The director of a state agency that receives a child's 48185
data verification code under division (A) of this section shall 48186
use that code to submit information for that child to the 48187
department of education in accordance with section 3301.0714 of 48188
the Revised Code. 48189

(C) A public school that receives from the independent 48190
contractor the data verification code for a child assigned under 48191
division (A) of this section shall not request or assign to that 48192
child another data verification code under division (D)(2) of 48193
section 3301.0714 of the Revised Code. That school and any other 48194
public school in which the child subsequently enrolls shall use 48195
the data verification code assigned under division (A) of this 48196
section to report data relative to that student required under 48197
section 3301.0714 of the Revised Code. 48198

Sec. 3301.0725. A school district may employ certificated 48199
instructional personnel for ~~more days during a school year than~~ 48200

extended programming, subject to the provisions of section 48203
3319.0812 of the Revised Code. Extended programming, as defined by 48204
rule of the state board of education, shall be based upon learner 48205
needs and, if applicable, business and industry validated 48206
standards and competencies and shall enhance student learning 48207
opportunities. Extended programming shall be subject to the 48208
requirements of sections 3313.6018 and 3313.6019 of the Revised 48209
Code. 48210

No rule of the state board shall require extended programming 48211
employment of certificated instructional personnel as a condition 48212
of eligibility for funding under any other section of the Revised 48213
Code. 48214

Sec. 3301.15. The state board of education or its authorized 48215
representatives may inspect all institutions under the control of 48216

board of education as provided in division (D) of section 3301.07 48227
of the Revised Code, the state board shall classify and charter 48228

school districts and individual schools within each district 48229
except that no charter shall be granted to a nonpublic school 48230
unless the school complies with division (K)(1)(a) of section 48231
3301.0711, if applicable, and section 3313.612 of the Revised 48232
Code. 48233

In the course of considering the charter of a new school 48234
district created under section 3311.26 or 3311.38 of the Revised 48235
Code, the state board shall require the party proposing creation 48236
of the district to submit to the board a map, certified by the 48237
county auditor of the county in which the proposed new district is 48238
located, showing the boundaries of the proposed new district. In 48239
the case of a proposed new district located in more than one 48240
county, the map shall be certified by the county auditor of each 48241
county in which the proposed district is located. 48242

The state board shall revoke the charter of any school 48243
district or school which fails to meet the standards for 48244
elementary and high schools as prescribed by the board. The state 48245
board shall also revoke the charter of any nonpublic school that 48246
does not comply with division (K)(1)(a) of section 3301.0711, if 48247
applicable, and section 3313.612 of the Revised Code. 48248

In the issuance and revocation of school district or school 48249
charters, the state board shall be governed by the provisions of 48250
Chapter 119. of the Revised Code. 48251

No school district, or individual school operated by a school 48252
district, shall operate without a charter issued by the state 48253
board under this section. 48254

In case a school district charter is revoked pursuant to this 48255
section, the state board may dissolve the school district and 48256
transfer its territory to one or more adjacent districts. An 48257
equitable division of the funds, property, and indebtedness of the 48258
school district shall be made by the state board among the 48259

receiving districts. The board of education of a receiving 48260
district shall accept such territory pursuant to the order of the 48261
state board. Prior to dissolving the school district, the state 48262
board shall notify the appropriate educational service center 48263
governing board and all adjacent school district boards of 48264
education of its intention to do so. Boards so notified may make 48265
recommendations to the state board regarding the proposed 48266
dissolution and subsequent transfer of territory. Except as 48267
provided in section 3301.161 of the Revised Code, the transfer 48268
ordered by the state board shall become effective on the date 48269
specified by the state board, but the date shall be at least 48270

also offers other subjects of study more advanced than those 48275
taught in the elementary schools and such other subjects as may be 48276
approved by the state board of education. 48277

An elementary school is one in which instruction and training 48278
are given in accordance with sections 3301.07 and 3313.60 of the 48279
Revised Code and which offers such other subjects as may be 48280
approved by the state board of education. In districts wherein a 48281
junior high school is maintained, the elementary schools in that 48282
district may be considered to include only the work of the first 48283
six school years inclusive, plus the kindergarten year. 48284

each level of skill described in division (A)(2) of section 48290

3301.0710 of the Revised Code on the assessments prescribed by 48291
divisions (A) and (B)(1) of that section. The department of 48292
education shall assign weights such that students who do not take 48293
an assessment receive a weight of zero and students who take an 48294
assessment receive progressively larger weights dependent upon the 48295
level of skill attained on the assessment. The department shall 48296
assign additional weights to students who have been permitted to 48297
pass over a subject in accordance with a student acceleration 48298
policy adopted under section 3324.10 of the Revised Code. If such 48299
a student attains the proficient score prescribed under division 48300
(A)(2)(c) of section 3301.0710 of the Revised Code or higher on an 48301
assessment, the department shall assign the student the weight 48302
prescribed for the next higher scoring level. If such a student 48303
attains the advanced score, prescribed under division (A)(2)(a) of 48304
section 3301.0710 of the Revised Code, on an assessment, the 48305
department shall assign to the student an additional proportional 48306
weight, as approved by the state board. For each school year that 48307
such a student's score is included in the performance index score 48308
and the student attains the proficient score on an assessment, 48309
that additional weight shall be assigned to the student on a 48310
subject-by-subject basis. 48311

Students shall be included in the "performance index score" 48312

If any other academic field is assessed, the department shall also include data for students with specific academic ability in that field.

(6) Students in the lowest quintile for achievement statewide, as determined by a method prescribed by the state board of education.

Annually, not later than the fifteenth day of September or the preceding Friday when that day falls on a Saturday or Sunday, the department of education shall assign a letter grade for overall academic performance and for each separate performance measure for each school district, and each school building in a district, in accordance with this section. the performance of each school district, each building within each district, and for the state as a whole using the performance measures and letter grade system described in this section. The department shall include on the report card for each district and each building within each district the most recent two-year trend data in student achievement for each subject and each grade.

(A)(1) For the 2012-2013 school year, the department shall issue grades as described in division (E) of this section for each of the following performance measures:

(a) Annual measurable objectives;

(b) Performance index score for a school district or building. Grades shall be awarded as a percentage of the total possible points on the performance index system as adopted by the state board. In adopting benchmarks for assigning letter grades under division (A)(1)(b) of this section, the state board of education shall designate ninety per cent or higher for an "A," at least seventy per cent but not more than eighty per cent for a "C," and less than fifty per cent for an "F."

(c) The extent to which the school district or building meets each of the applicable performance indicators established by the state board under section 3302.02 of the Revised Code and the percentage of applicable performance indicators that have been achieved. In adopting benchmarks for assigning letter grades under division (A)(1)(c) of this section, the state board shall designate ninety per cent or higher for an "A."

(d) The four- and five-year adjusted cohort graduation rates.

In adopting benchmarks for assigning letter grades under division (A)(1)(d), (B)(1)(d), or (C)(1)(d) of this section, the department shall designate a four-year adjusted cohort graduation rate of ninety-three per cent or higher for an "A" and a five-year cohort graduation rate of ninety-five per cent or higher for an

"A."	48415
(e) The overall score under the value-added progress dimension of a school district or building, for which the department shall use up to three years of value-added data as available. The letter grade assigned for this growth measure shall be as follows:	48416 48417 48418 48419 48420

(iv) A score that is not greater than one standard error of measure below the mean score but is greater than or equal to two standard errors of measure below the mean score shall be designated as a "D."	48430 48431 48432 48433
(v) A score that is not greater than two standard errors of measure below the mean score shall be designated as an "F."	48434 48435

(2) Not later than April 30, 2013, the state board of 48447
education shall adopt a resolution describing the performance 48448
measures, benchmarks, and grading system for the 2012-2013 school 48449
year and, not later than June 30, 2013, shall adopt rules in 48450
accordance with Chapter 119. of the Revised Code that prescribe 48451
the methods by which the performance measures under division 48452
(A)(1) of this section shall be assessed and assigned a letter 48453
grade, including performance benchmarks for each letter grade. 48454

At least forty-five days prior to the state board's adoption 48455
of rules to prescribe the methods by which the performance 48456
measures under division (A)(1) of this section shall be assessed 48457
and assigned a letter grade, the department shall conduct a public 48458
presentation before the standing committees of the house of 48459
representatives and the senate that consider education legislation 48460
describing such methods, including performance benchmarks. 48461

(3) There shall not be an overall letter grade for a school 48462
district or building for the 2012-2013 school year. 48463

(B)(1) For the 2013-2014 school year, the department shall 48464

building. Grades shall be awarded as a percentage of the total 48469
possible points on the performance index system as created by the 48470
department. In adopting benchmarks for assigning letter grades 48471
under division (B)(1)(b) of this section, the state board shall 48472
designate ninety per cent or higher for an "A," at least seventy 48473
per cent but not more than eighty per cent for a "C," and less 48474
than fifty per cent for an "F." 48475

(c) The extent to which the school district or building meets 48476
each of the applicable performance indicators established by the 48477
state board under section 3302.03 of the Revised Code and the 48478

(f) The value-added progress dimension score for a school 48488
district or building disaggregated for each of the following 48489
subgroups: students identified as gifted in superior cognitive 48490
ability and specific academic ability fields under Chapter 3324. 48491
of the Revised Code, students with disabilities, and students 48492
whose performance places them in the lowest quintile for 48493
achievement on a statewide basis. Each subgroup shall be a 48494
separate graded measure. 48495

(g) Whether a school district or building is making progress 48496
in improving literacy in grades kindergarten through three, as 48497
determined using a method prescribed by the state board. The state 48498
board shall adopt rules to prescribe benchmarks and standards for 48499
assigning grades to districts and buildings for purposes of 48500
division (B)(1)(~~j~~)(g) of this section. In adopting benchmarks for 48501
assigning letter grades under divisions (B)(1)(g) and (C)(1)(g) of 48502
this section, the state board shall determine progress made based 48503
on the reduction in the percentage of students scoring below grade 48504
level, or below proficient, compared from year to year on the 48505
~~English language arts~~ reading and writing diagnostic assessments 48506
administered under section 3301.0715 of the Revised Code and the 48507

3301.0710 of the Revised Code, as applicable. The state board 48509
shall designate for a "C" grade a value that is not lower than the 48510
statewide average value for this measure. No grade shall be issued 48511
under divisions (B)(1)(g) and (C)(1)~~(j)~~(g) of this section for a 48512
district or building in which less than five per cent of students 48513
have scored below grade level on the diagnostic assessment 48514
administered to students in kindergarten under division (B)(1) of 48515
section 3313.608 of the Revised Code. 48516

(2) In addition to the graded measures in division (B)(1) of 48517
this section, the department shall include on a school district's 48518
or building's report card all of the following without an assigned 48519
letter grade: 48520

(a) The percentage of students enrolled in a district or 48521
building participating in advanced placement classes and the 48522
percentage of those students who received a score of three or 48523
better on advanced placement examinations; 48524

(b) The number of a district's or building's students who 48525
have earned at least three college credits through dual enrollment 48526
programs, such as the post-secondary enrollment options program 48527
under Chapter 3365. of the Revised Code and state-approved 48528
career-technical courses offered through dual enrollment or 48529
statewide articulation, that appear on a student's transcript or 48530
other official document, either of which is issued by the 48531
institution of higher education from which the student earned the 48532
college credit. The credits earned that are reported under 48533
divisions (B)(2)(b) and (C)(2)(c) of this section shall not 48534
include any that are remedial or developmental and shall include 48535
those that count toward the curriculum requirements established 48536
for completion of a degree. 48537

(c) The percentage of students enrolled in a district or 48538
building who have taken a national standardized test used for 48539

college admission determinations and the percentage of those 48540
students who are determined to be remediation-free in accordance 48541
with standards adopted under division (F) of section 3345.061 of 48542
the Revised Code; 48543

(d) The percentage of the district's or the building's 48544
students who receive industry credentials. The state board shall 48545
adopt criteria for acceptable industry credentials. 48546

(e) The percentage of students enrolled in a district or 48547
building who are participating in an international baccalaureate 48548
program and the percentage of those students who receive a score 48549
of four or better on the international baccalaureate examinations. 48550

(f) The percentage of the district's or building's students 48551
who receive an honors diploma under division (B) of section 48552
3313.61 of the Revised Code. 48553

(3) Not later than December 31, 2013, the state board shall 48554
adopt rules in accordance with Chapter 119. of the Revised Code 48555
that prescribe the methods by which the performance measures under 48556
divisions (B)(1)(f) and (B)(1)(g) of this section will be assessed 48557
and assigned a letter grade, including performance benchmarks for 48558
each grade. 48559

At least forty-five days prior to the state board's adoption 48560
of rules to prescribe the methods by which the performance 48561
measures under division (B)(1) of this section shall be assessed 48562
and assigned a letter grade, the department shall conduct a public 48563
presentation before the standing committees of the house of 48564
representatives and the senate that consider education legislation 48565
describing such methods, including performance benchmarks. 48566

(4) There shall not be an overall letter grade for a school 48567
district or building for the 2013-2014 school year. 48568

(C)(1) For the 2014-2015 school year and each school year 48569
thereafter, the department shall issue grades as described in 48570

division (E) of this section for each of the following performance 48571
measures and an overall letter grade based on an aggregate of 48572
those measures: 48573

(a) Annual measurable objectives; 48574

(b) Performance index score for a school district or 48575
building. Grades shall be awarded as a percentage of the total 48576
possible points on the performance index system as created by the 48577
department. In adopting benchmarks for assigning letter grades 48578
under division (C)(1)(b) of this section, the state board shall 48579
designate ninety per cent or higher for an "A," at least seventy 48580
per cent but not more than eighty per cent for a "C," and less 48581
than fifty per cent for an "F." 48582

(c) The extent to which the school district or building meets 48583
each of the applicable performance indicators established by the 48584
state board under section 3302.03 of the Revised Code and the 48585
percentage of applicable performance indicators that have been 48586
achieved. In adopting benchmarks for assigning letter grades under 48587
division (C)(1)(c) of this section, the state board shall 48588
designate ninety per cent or higher for an "A." 48589

(d) The four- and five-year adjusted cohort graduation rates; 48590

(e) The overall score under the value-added progress 48591
dimension, or another measure of student academic progress if 48592
adopted by the state board, of a school district or building, for 48593
which the department shall use up to three years of value-added 48594
data as available. 48595

In adopting benchmarks for assigning letter grades for 48596
overall score on value-added progress dimension under division 48597
(C)(1)(e) of this section, the state board shall prohibit the 48598
assigning of a grade of "A" for that measure unless the district's 48599
or building's grade assigned for value-added progress dimension 48600
for all subgroups under division (C)(1)(~~i~~)(f) of this section is a 48601

"B" or higher. 48602

For the metric prescribed by division (C)(1)(e) of this 48603
section, the state board may adopt a student academic progress 48604
measure to be used instead of the value-added progress dimension. 48605
If the state board adopts such a measure, it also shall prescribe 48606
a method for assigning letter grades for the new measure that is 48607
comparable to the method prescribed in division (A)(1)(e) of this 48608
section. 48609

(f) The value-added progress dimension score of a school 48610
district or building disaggregated for each of the following 48611
subgroups: students identified as gifted in superior cognitive 48612
ability and specific academic ability fields under Chapter 3324. 48613
of the Revised Code, students with disabilities, and students 48614
whose performance places them in the lowest quintile for 48615
achievement on a statewide basis, as determined by a method 48616
prescribed by the state board. Each subgroup shall be a separate 48617
graded measure. 48618

The state board may adopt student academic progress measures 48619
to be used instead of the value-added progress dimension. If the 48620
state board adopts such measures, it also shall prescribe a method 48621
for assigning letter grades for the new measures that is 48622
comparable to the method prescribed in division (A)(1)(e) of this 48623
section. 48624

(g) Whether a school district or building is making progress 48625
in improving literacy in grades kindergarten through three, as 48626
determined using a method prescribed by the state board. The state 48627
board shall adopt rules to prescribe benchmarks and standards for 48628
assigning grades to a district or building for purposes of 48629
division (C)(1)(~~jj~~)(g) of this section. The state board shall 48630
designate for a "C" grade a value that is not lower than the 48631
statewide average value for this measure. No grade shall be issued 48632
under division (C)(1)(g) of this section for a district or 48633

building in which less than five per cent of students have scored 48634
below grade level on the kindergarten diagnostic assessment under 48635
division (B)(1) of section 3313.608 of the Revised Code. 48636

(2) In addition to the graded measures in division (C)(1) of 48637
this section, the department shall include on a school district's 48638
or building's report card all of the following without an assigned 48639
letter grade: 48640

(a) The percentage of students enrolled in a district or 48641
building who have taken a national standardized test used for 48642
college admission determinations and the percentage of those 48643
students who are determined to be remediation-free in accordance 48644
with the standards adopted under division (F) of section 3345.061 48645
of the Revised Code; 48646

(b) The percentage of students enrolled in a district or 48647
building participating in advanced placement classes and the 48648
percentage of those students who received a score of three or 48649
better on advanced placement examinations; 48650

(c) The number of a district's or building's students who 48651
have earned at least three college credits through dual enrollment 48652
programs, such as the post-secondary enrollment options program 48653
under Chapter 3365. of the Revised Code and state-approved 48654
career-technical courses offered through dual enrollment or 48655
statewide articulation, that appear on a student's transcript or 48656
other official document, either of which is issued by the 48657
institution of higher education from which the student earned the 48658
college credit. The credits earned that are reported under 48659
divisions (B)(2)(b) and (C)(2)(c) of this section shall not 48660
include any that are remedial or developmental and shall include 48661
those that count toward the curriculum requirements established 48662
for completion of a degree. 48663

(d) The percentage of the district's or building's students 48664

who receive an honor's diploma under division (B) of section 48665
3313.61 of the Revised Code; 48666

(e) The percentage of the district's or building's students 48667
who receive industry credentials; 48668

(f) The percentage of students enrolled in a district or 48669
building who are participating in an international baccalaureate 48670
program and the percentage of those students who receive a score 48671
of four or better on the international baccalaureate examinations; 48672

(g) The results of the college and career-ready assessments 48673
administered under division (B)(1) of section 3301.0712 of the 48674
Revised Code. 48675

(3) The state board shall adopt rules pursuant to Chapter 48676
119. of the Revised Code that establish a method to assign an 48677
overall grade for a school district or school building for the 48678
2014-2015 school year and each school year thereafter. The rules 48679
shall group the performance measures in divisions (C)(1) and (2) 48680
of this section into the following components: 48681

(a) Gap closing, which shall include the performance measure 48682
in division (C)(1)(a) of this section; 48683

(b) Achievement, which shall include the performance measures 48684
in divisions (C)(1)(b) and (c) of this section; 48685

(c) Progress, which shall include the performance measures in 48686
divisions (C)(1)(e) and ~~(i)~~(f) of this section; 48687

(d) Graduation, which shall include the performance measure 48688
in division (C)(1)(d) of this section; 48689

(e) Kindergarten through third-grade literacy, which shall 48690
include the performance measure in division (C)(1)~~(h)~~(g) of this 48691
section; 48692

(f) Prepared for success, which shall include the performance 48693
measures in divisions (C)(2)(a), (b), (c), (d), (e), and (f) of 48694

this section. The state board shall develop a method to determine 48695
a grade for the component in division (C)(3)(f) of this section 48696
using the performance measures in divisions (C)(2)(a), (b), (c), 48697
(d), (e), and (f) of this section. When available, the state board 48698
may incorporate the performance measure under division (C)(2)(g) 48699
of this section into the component under division (C)(3)(f) of 48700
this section. When determining the overall grade for the prepared 48701
for success component prescribed by division (C)(3)(f) of this 48702
section, no individual student shall be counted in more than one 48703
performance measure. However, if a student qualifies for more than 48704
one performance measure in the component, the state board may, in 48705
its method to determine a grade for the component, specify an 48706
additional weight for such a student that is not greater than or 48707
equal to 1.0. In determining the overall score under division 48708
(C)(3)(f) of this section, the state board shall ensure that the 48709
pool of students included in the performance measures aggregated 48710
under that division are all of the students included in the four- 48711
and five-year adjusted graduation cohort. 48712

In the rules adopted under division (C)(3) of this section, 48713
the state board shall adopt a method for determining a grade for 48714
each component in divisions (C)(3)(a) to (f) of this section. The 48715
state board also shall establish a method to assign an overall 48716
grade of "A," "B," "C," "D," or "F" using the grades assigned for 48717
each component. The method the state board adopts for assigning an 48718
overall grade shall give equal weight to the components in 48719
divisions (C)(3)(b) and (c) of this section. 48720

At least forty-five days prior to the state board's adoption 48721
of rules to prescribe the methods for calculating the overall 48722
grade for the report card, as required by this division, the 48723
department shall conduct a public presentation before the standing 48724
committees of the house of representatives and the senate that 48725
consider education legislation describing the format for the 48726

report card, weights that will be assigned to the components of 48727
the overall grade, and the method for calculating the overall 48728
grade. 48729

(D) Not later than July 1, 2015, the state board shall 48730
develop a measure of student academic progress for high school 48731
students. Beginning with the report card for the 2015-2016 school 48732
year, each school district and applicable school building shall be 48733
assigned a separate letter grade for this measure and the 48734
district's or building's grade for that measure shall be included 48735
in determining the district's or building's overall letter grade. 48736
This measure shall be included within the measure prescribed in 48737
division (C)~~(2)~~(3)(c) of this section in the calculation for the 48738
overall letter grade. 48739

(E) The letter grades assigned to a school district or 48740
building under this section shall be as follows: 48741

(1) "A" for a district or school making excellent progress; 48742

(2) "B" for a district or school making above average 48743
progress; 48744

(3) "C" for a district or school making average progress; 48745

(4) "D" for a district or school making below average 48746
progress; 48747

(5) "F" for a district or school failing to meet minimum 48748
progress. 48749

(F) When reporting data on student achievement and progress, 48750
the department shall disaggregate that data according to the 48751
following categories: 48752

(1) Performance of students by grade-level; 48753

(2) Performance of students by race and ethnic group; 48754

(3) Performance of students by gender; 48755

(4) Performance of students grouped by those who have been enrolled in a district or school for three or more years;	48756 48757
(5) Performance of students grouped by those who have been enrolled in a district or school for more than one year and less than three years;	48758 48759 48760
(6) Performance of students grouped by those who have been enrolled in a district or school for one year or less;	48761 48762
(7) Performance of students grouped by those who are economically disadvantaged;	48763 48764
(8) Performance of students grouped by those who are enrolled in a conversion community school established under Chapter 3314. of the Revised Code;	48765 48766 48767

school under Chapter 3314. of the Revised Code, the department 48825
shall combine data regarding the academic performance of students 48826
enrolled in the community school with comparable data from the 48827
schools of the district for the purpose of determining the 48828

the school endorse each other's programs may elect to have data 48835
regarding the academic performance of students enrolled in the 48836
community school combined with comparable data from the schools of 48837
the district for the purpose of determining the performance of the 48838
district as a whole on the district report card. Any district that 48839
so elects shall annually file a copy of the lease or agreement 48840
with the department. 48841

(3) Any municipal school district, as defined in section 48842
3311.71 of the Revised Code, that sponsors a community school 48843
located within the district's territory, or that enters into an 48844
agreement with a community school located within the district's 48845
territory whereby the district and the community school endorse 48846
each other's programs, may exercise either or both of the 48847
following elections: 48848

(a) To have data regarding the academic performance of 48849
students enrolled in that community school combined with 48850
comparable data from the schools of the district for the purpose 48851
of determining the performance of the district as a whole on the 48852
district's report card; 48853

(b) To have the number of students attending that community 48854
school noted separately on the district's report card. 48855

The election authorized under division (I)(3)(a) of this 48856
section is subject to approval by the governing authority of the 48857

qualified, as defined by the "No Child Left Behind Act of 2001," 48866
and a comparison of that percentage with the percentages of such 48867
teachers in similar districts and buildings. 48868

(K)(1) In calculating English language arts, mathematics, 48869

the provisions of this section shall at its next regular meeting 50864
that occurs not earlier than thirty days after the adoption by the 50865
governing board of a resolution proposing such transfer, adopt a 50866
resolution making the transfer effective at any time prior to the 50867
next succeeding first day of July, unless, prior to the expiration 50868
of such thirty-day period, qualified electors residing in the area 50869
proposed to be transferred, equal in number to a majority of the 50870

qualified electors voting at the last general election, file a 50871
petition of referendum against such transfer. 50872

Any petition of transfer or petition of referendum filed 50873
under the provisions of this section shall be filed at the office 50874
of the educational service center superintendent. The person 50875
presenting the petition shall be given a receipt containing 50876
thereon the time of day, the date, and the purpose of the 50877
petition. 50878

The educational service center superintendent shall cause the 50879
board of elections to check the sufficiency of signatures on any 50880
petition of transfer or petition of referendum filed under this 50881
section and, if found to be sufficient, the superintendent shall 50882
present the petition to the educational service center governing 50883
board at a meeting of the board which shall occur not later than 50884
thirty days following the filing of the petition. 50885

Upon presentation to the educational service center governing 50886
board of a proposal to transfer territory as requested by petition 50887
of fifty-five per cent of the qualified electors voting at the 50888
last general election or a petition of referendum against a 50889
proposal of the county board to transfer territory, the governing 50890
board shall promptly certify the proposal to the board of 50891
elections for the purpose of having the proposal placed on the 50892
ballot at the next general or primary election which occurs not 50893
less than ninety days after the date of such certification, or at 50894
a special election, the date of which shall be specified in the 50895
certification, which date shall not be less than ninety days after 50896
the date of such certification. Signatures on a petition of 50897
transfer or petition of referendum may be withdrawn up to and 50898
including the above mentioned meeting of the educational service 50899
center governing board only by order of the board upon testimony 50900
of the petitioner concerned under oath before the board that the 50901
petitioner's signature was obtained by fraud, duress, or 50902

misrepresentation. 50903

If a petition is filed with the educational service center 50904
governing board which proposes the transfer of a part or all of 50905
the territory included in a resolution of transfer previously 50906
adopted by the educational service center governing board, no 50907
action shall be taken on such petition if within the thirty-day 50908
period after the adoption of the resolution of transfer a 50909
referendum petition is filed. After the election, if the proposed 50910
transfer fails to receive a majority vote, action on such petition 50911
shall then be processed under this section as though originally 50912
filed under the provisions hereof. If no referendum petition is 50913
filed within the thirty-day period after the adoption of the 50914
resolution of transfer, no action shall be taken on such petition. 50915

If a petition is filed with the educational service center 50916
governing board which proposes the transfer of a part or all of 50917
the territory included in a petition previously filed by electors 50918
no action shall be taken on such new petition. 50919

Upon certification of a proposal to the board or boards of 50920
elections pursuant to this section, the board or boards of 50921
elections shall make the necessary arrangements for the submission 50922
of such question to the electors of the county or counties 50923
qualified to vote thereon, and the election shall be conducted and 50924
canvassed and the results shall be certified in the same manner as 50925
in regular elections for the election of members of a board of 50926
education. 50927

The persons qualified to vote upon a proposal are the 50928
electors residing in the district or districts containing 50929
territory that is proposed to be transferred. If the proposed 50930
transfer be approved by at least a majority of the electors voting 50931
on the proposal, the educational service center governing board 50932
shall make such transfer at any time prior to the next succeeding 50933
first day of July. If the proposed transfer is not approved by at 50934

least a majority of the electors voting on the proposal, the 50935
question of transferring any property included in the territory 50936
covered by the proposal shall not be submitted to electors at any 50937
election prior to the first general election the date of which is 50938
at least two years after the date of the original election, or the 50939
first primary election held in an even-numbered year the date of 50940
which is at least two years after the date of the original 50941
election. A transfer shall be subject to the approval of the 50942
receiving board or boards of education, unless the proposal was 50943
initiated by the educational service center governing board, in 50944
which case, if the transfer is opposed by the board of education 50945
offered the territory, the local board may, within thirty days, 50946
following the receipt of the notice of transfer, appeal to the 50947
state board of education which shall then either approve or 50948
disapprove the transfer. 50949

Following an election upon a proposed transfer initiated by a 50950
petition the board of education that is offered territory shall, 50951
within thirty days following receipt of the proposal, either 50952
accept or reject the transfer. 50953

When an entire school district is proposed to be transferred 50954
to two or more school districts and the offer is rejected by any 50955
one of the receiving boards of education, none of the territory 50956
included in the proposal shall be transferred. 50957

Upon the acceptance of territory by the receiving board or 50958
boards of education the educational service center governing board 50959
offering the territory shall file with the county auditor and with 50960
the state board of education an accurate map showing the 50961
boundaries of the territory transferred. 50962

Upon the making of such transfer, the net indebtedness of the 50963
former district from which territory was transferred shall be 50964
apportioned between the acquiring school district and that portion 50965
of the former school district remaining after the transfer in the 50966

ratio which the assessed valuation of the territory transferred to 50967
the acquiring school district bears to the assessed valuation of 50968
the original school district as of the effective date of the 50969
transfer. As used in this section "net indebtedness" means the 50970
difference between the par value of the outstanding and unpaid 50971
bonds and notes of the school district and the amount held in the 50972
sinking fund and other indebtedness retirement funds for their 50973
redemption. 50974

~~If an entire district is transferred, any indebtedness of the 50975
former district incurred as a result of a loan made under section 50976
3317.64 of the Revised Code is hereby canceled and such 50977
indebtedness shall not be apportioned among any districts 50978
acquiring the territory. 50979~~

Upon the making of any transfer under this section, the funds 50980
of the district from which territory was transferred shall be 50981
divided equitably by the educational service center governing 50982
board between the acquiring district and any part of the original 50983
district remaining after the transfer. 50984

If an entire district is transferred the board of education 50985
of such district is thereby abolished or if a member of the board 50986
of education lives in that part of a school district transferred 50987
the member becomes a nonresident of the school district from which 50988
the territory was transferred and such member ceases to be a 50989
member of the board of education of such district. 50990

The legal title of all property of the board of education in 50991
the territory transferred shall become vested in the board of 50992
education of the school district to which such territory is 50993
transferred. 50994

Subsequent to June 30, 1959, if an entire district is 50995
transferred, foundation program moneys accruing to a district 50996
accepting school territory under the provisions of this section or 50997

former section 3311.22 of the Revised Code, shall not be less, in 50998
any year during the next succeeding three years following the 50999
transfer, than the sum of the amounts received by the districts 51000
separately in the year in which the transfer was consummated. 51001

Sec. 3311.231. A governing board of an educational service 51002
center may propose, by resolution adopted by majority vote of its 51003
full membership, or qualified electors of the area affected equal 51004
in number to not less than fifty-five per cent of the qualified 51005
electors voting at the last general election residing within that 51006
portion of a school district proposed to be transferred may 51007
propose, by petition, the transfer of a part or all of one or more 51008
local school districts within the territory of the center to an 51009
adjoining educational service center or to an adjoining city or 51010
exempted village school district. 51011

A governing board of an educational service center adopting a 51012
resolution proposing a transfer of school territory under this 51013
section shall file a copy of such resolution together with an 51014
accurate map of the territory described in the resolution, with 51015
the board of education of each school district whose boundaries 51016
would be altered by such proposal. Where a transfer of territory 51017
is proposed by a governing board of an educational service center 51018
under this section, the governing board shall, at its next regular 51019
meeting that occurs not earlier than the thirtieth day after the 51020
adoption by the governing board of the resolution proposing such 51021
transfer, adopt a resolution making the transfer as originally 51022
proposed, effective at any time prior to the next succeeding first 51023
day of July, unless, prior to the expiration of such thirty-day 51024
period, qualified electors residing in the area proposed to be 51025
transferred, equal in number to a majority of the qualified 51026
electors voting at the last general election, file a petition of 51027
referendum against such transfer. 51028

Any petition of transfer or petition of referendum under the 51029
provisions of this section shall be filed at the office of the 51030
educational service center superintendent. The person presenting 51031
the petition shall be given a receipt containing thereon the time 51032
of day, the date, and the purpose of the petition. 51033

The educational service center superintendent shall cause the 51034
board of elections to check the sufficiency of signatures on any 51035
such petition, and, if found to be sufficient, the superintendent 51036
shall present the petition to the educational service center 51037
governing board at a meeting of said governing board which shall 51038
occur not later than thirty days following the filing of said 51039
petition. 51040

The educational service center governing board shall promptly 51041
certify the proposal to the board of elections of such counties in 51042
which school districts whose boundaries would be altered by such 51043
proposal are located for the purpose of having the proposal placed 51044
on the ballot at the next general or primary election which occurs 51045
not less than ninety days after the date of such certification or 51046
at a special election, the date of which shall be specified in the 51047
certification, which date shall not be less than ninety days after 51048
the date of such certification. 51049

Signatures on a petition of transfer or petition of 51050
referendum may be withdrawn up to and including the above 51051
mentioned meeting of the educational service center governing 51052
board only by order of the governing board upon testimony of the 51053
petitioner concerned under oath before the board that the 51054
petitioner's signature was obtained by fraud, duress, or 51055
misrepresentation. 51056

If a petition is filed with the educational service center 51057
governing board which proposes the transfer of a part or all of 51058
the territory included either in a petition previously filed by 51059
electors or in a resolution of transfer previously adopted by the 51060

educational service center governing board, no action shall be 51061
taken on such new petition as long as the previously initiated 51062
proposal is pending before the governing board or is subject to an 51063
election. 51064

Upon certification of a proposal to the board or boards of 51065
elections pursuant to this section, the board or boards of 51066
elections shall make the necessary arrangements for the submission 51067
of such question to the electors of the county or counties 51068
qualified to vote thereon, and the election shall be conducted and 51069
canvassed and the results shall be certified in the same manner as 51070
in regular elections for the election of members of a board of 51071
education. 51072

The persons qualified to vote upon a proposal are the 51073
electors residing in the district or districts containing 51074
territory that is proposed to be transferred. If the proposed 51075
transfer is approved by at least a majority of the electors voting 51076
on the proposal, the educational service center governing board 51077
shall make such transfer at any time prior to the next succeeding 51078
first day of July, subject to the approval of the receiving board 51079
of education in case of a transfer to a city or exempted village 51080
school district, and subject to the approval of the educational 51081
service center governing board of the receiving center, in case of 51082
a transfer to an educational service center. If the proposed 51083
transfer is not approved by at least a majority of the electors 51084
voting on the proposal, the question of transferring any property 51085
included in the territory covered by the proposal shall not be 51086
submitted to electors at any election prior to the first general 51087
election the date of which is at least two years after the date of 51088
the original election, or the first primary election held in an 51089
even-numbered year the date of which is at least two years after 51090
the date of the original election. 51091

Where a territory is transferred under this section to a city 51092

or exempted village school district, the board of education of 51093
such district shall, and where territory is transferred to an 51094
educational service center the governing board of such educational 51095
service center shall, within thirty days following receipt of the 51096
proposal, either accept or reject the transfer. 51097

Where a governing board of an educational service center 51098
adopts a resolution accepting territory transferred to the 51099
educational service center under the provisions of sections 51100
3311.231 and 3311.24 of the Revised Code, the governing board 51101
shall, at the time of the adoption of the resolution accepting the 51102
territory, designate the school district to which the accepted 51103
territory shall be annexed. 51104

When an entire school district is proposed to be transferred 51105
to two or more adjoining school districts and the offer is 51106
rejected by any one of the receiving boards of education, none of 51107
the territory included in the proposal shall be transferred. 51108

Upon the acceptance of territory by the receiving board or 51109
boards of education the educational service center governing board 51110
offering the territory shall file with the county auditor of each 51111
county affected by the transfer and with the state board of 51112
education an accurate map showing the boundaries of the territory 51113
transferred. 51114

Upon the making of such transfer, the net indebtedness of the 51115
former district from which territory was transferred shall be 51116
apportioned between the acquiring school district and the portion 51117
of the former school district remaining after the transfer in the 51118
ratio which the assessed valuation of the territory transferred to 51119
the acquiring school district bears to the assessed valuation of 51120
the original school district as of the effective date of the 51121
transfer. As used in this section "net indebtedness" means the 51122
difference between the par value of the outstanding and unpaid 51123
bonds and notes of the school district and the amount held in the 51124

sinking fund and other indebtedness retirement funds for their 51125
redemption. 51126

~~If an entire district is transferred, any indebtedness of the 51127
former district incurred as a result of a loan made under section 51128
3317.64 of the Revised Code is hereby canceled and such 51129
indebtedness shall not be apportioned among any districts 51130
acquiring the territory. 51131~~

Upon the making of any transfer under this section, the funds 51132
of the district from which territory was transferred shall be 51133
divided equitably by the educational service center governing 51134
board, between the acquiring district and any part of the original 51135
district remaining after the transfer. 51136

If an entire district is transferred the board of education 51137
of such district is thereby abolished or if a member of the board 51138
of education lives in that part of a school district transferred 51139
the member becomes a nonresident of the school district from which 51140
the territory was transferred and such member ceases to be a 51141
member of the board of education of such district. 51142

The legal title of all property of the board of education in 51143
the territory transferred shall become vested in the board of 51144
education of the school district to which such territory is 51145
transferred. 51146

If an entire district is transferred, foundation program 51147
moneys accruing to a district receiving school territory under the 51148
provisions of this section shall not be less, in any year during 51149
the next succeeding three years following the transfer, than the 51150
sum of the amounts received by the districts separately in the 51151
year in which the transfer was consummated. 51152

Sec. 3311.38. The state board of education may conduct, or 51153
may direct the superintendent of public instruction to conduct, 51154

studies where there is evidence of need for transfer of local, 51155
exempted village, or city school districts, or parts of any such 51156
districts, to contiguous or noncontiguous local, exempted village, 51157
or city school districts. Such studies shall include a study of 51158
the effect of any proposal upon any portion of a school district 51159
remaining after such proposed transfer. The state board, in 51160
conducting such studies and in making recommendations as a result 51161
thereof, shall consider the possibility of improving school 51162
district organization as well as the desires of the residents of 51163
the school districts which would be affected. 51164

(A) After the adoption of recommendations growing out of any 51165
such study, or upon receipt of a resolution adopted by majority 51166
vote of the full membership of the board of any city, local, or 51167
exempted village school district requesting that the entire 51168
district be transferred to another city, local, or exempted 51169
village school district, the state board may propose by resolution 51170
the transfer of territory, which may consist of part or all of the 51171
territory of a local, exempted village, or city school district to 51172
a contiguous local, exempted village, or city school district. 51173

The state board shall thereupon file a copy of such proposal 51174
with the board of education of each school district whose 51175
boundaries would be altered by the proposal and with the governing 51176
board of any educational service center in which such school 51177
district is located. 51178

The state board may, not less than thirty days following the 51179
adoption of the resolution proposing the transfer of territory, 51180
certify the proposal to the board of elections of the county or 51181
counties in which any of the territory of the proposed district is 51182
located, for the purpose of having the proposal placed on the 51183
ballot at the next general election or at a primary election 51184
occurring not less than ninety days after the adoption of such 51185
resolution. 51186

If any proposal has been previously initiated pursuant to 51187
section 3311.22, 3311.231, or 3311.26 of the Revised Code which 51188
affects any of the territory affected by the proposal of the state 51189
board, the proposal of the state board shall not be placed on the 51190
ballot while the previously initiated proposal is subject to an 51191
election. 51192

Upon certification of a proposal to the board of elections of 51193
any county pursuant to this section, the board of elections of 51194
such county shall make the necessary arrangements for the 51195
submission of such question to the electors of the county 51196
qualified to vote thereon, and the election shall be counted and 51197
canvassed and the results shall be certified in the same manner as 51198
in regular elections for the election of members of a board of 51199
education. 51200

The electors qualified to vote upon a proposal are the 51201
electors residing in the local, exempted village, or city school 51202
districts, containing territory proposed to be transferred. 51203

If the proposed transfer be approved by a majority of the 51204
electors voting on the proposal, the state board, subject to the 51205
approval of the board of education of the district to which the 51206
territory would be transferred, shall make such transfer prior to 51207
the next succeeding July 1. 51208

(B) If a study conducted in accordance with this section 51209
involves a school district with less than four thousand dollars of 51210
assessed value for each pupil in the total student count 51211
determined under section 3317.03 of the Revised Code, the state 51212
board of education, with the approval of the educational service 51213
center governing board, and upon recommendation by the state 51214
superintendent of public instruction, may by resolution transfer 51215
all or any part of such a school district to any city, exempted 51216
village, or local school district which has more than twenty-five 51217
thousand pupils in average daily membership. Such resolution of 51218

transfer shall be adopted only after the board of education of the 51219
receiving school district has adopted a resolution approving the 51220
proposed transfer. For the purposes of this division, the assessed 51221
value shall be as certified in accordance with section 3317.021 of 51222
the Revised Code. 51223

(C) Upon the making of a transfer of an entire school 51224
district pursuant to this section, the indebtedness of the 51225
district transferred shall be assumed in full by the acquiring 51226
district and the funds of the district transferred shall be paid 51227
over in full to the acquiring district, ~~except that any~~ 51228
~~indebtedness of the transferred district incurred as a result of a~~ 51229
~~loan made under section 3317.64 of the Revised Code is hereby~~ 51230
~~anceled and shall not be assumed by the acquiring district.~~ 51231

(D) Upon the making of a transfer pursuant to this section, 51232
when only part of a district is transferred, the net indebtedness 51233
of each original district of which only a part is taken by the 51234
acquiring district shall be apportioned between the acquiring 51235
district and the original district in the ratio which the assessed 51236
valuation of the part taken by the acquiring district bears to the 51237
assessed valuation of the original district as of the effective 51238
date of the transfer. As used in this section "net indebtedness" 51239
means the difference between the par value of the outstanding and 51240
unpaid bonds and notes of the school district and the amount held 51241
in the sinking fund and other indebtedness retirement funds for 51242
their redemption. 51243

(E) Upon the making of a transfer pursuant to this section, 51244
when only part of a district is transferred, the funds of the 51245
district from which territory was transferred shall be divided 51246
equitably by the state board between the acquiring district and 51247
that part of the former district remaining after the transfer. 51248

(F) If an entire school district is transferred, the board of 51249
education of such district is thereby abolished. If part of a 51250

school district is transferred, any member of the board of 51251
education who is a legal resident of that part which is 51252
transferred shall thereby cease to be a member of that board. 51253

If an entire school district is transferred, foundation 51254
program moneys accruing to a district accepting school territory 51255
under the provisions of this section shall not be less, in any 51256
year during the next succeeding three years following the 51257
transfer, than the sum of the amounts received by the districts 51258
separately in the year in which the transfer became effective. 51259

Sec. 3311.86. (A) As used in this section: 51260

community schools that will be held to the highest standards of 51276
school performance and student achievement. 51277

(B) If one or more partnering community schools are located 51278
in a municipal school district, the mayor may initiate proceedings 51279
to establish a municipal school district transformation alliance 51280

If the proceedings are initiated, the mayor shall identify the directors in the articles of incorporation filed under section 1702.04 of the Revised Code.

(C)(1) A majority of the members of the board of directors of the alliance shall constitute a quorum of the board. Any formal action taken by the board of directors shall take place at a meeting of the board and shall require the concurrence of a majority of the members of the board. Meetings of the board of directors shall be public meetings open to the public at all times, except that the board and its committees and subcommittees may hold an executive session, as if it were a public body with public employees, for any of the purposes for which an executive session of a public body is permitted under division (G) of section 121.22 of the Revised Code, notwithstanding that the alliance is not a public body as defined in that section, and its employees are not public employees as provided in division (F) of this section. The board of directors shall establish reasonable

methods whereby any person may determine the time and place of all 51312
of the board's public meetings and by which any person, upon 51313
request, may obtain reasonable advance notification of the board's 51314
public meetings. Provisions for that advance notification may 51315
include, but are not limited to, mailing notices to all 51316
subscribers on a mailing list or mailing notices in 51317
self-addressed, stamped envelopes provided by the person. 51318

(2) All records of the alliance shall be organized and 51319
maintained by the alliance and also filed with the department of 51320
education. The alliance and the department shall make those 51321
records available to the public as though those records were 51322
public records for purposes of Chapter 149. of the Revised Code. 51323
The department shall promptly notify the alliance upon the 51324
department's receipt of any requests for records relating to the 51325
alliance pursuant to section 149.43 of the Revised Code. 51326

(3) The board of directors of the alliance shall establish a 51327
conflicts of interest policy and shall adopt that policy, and any 51328
amendments to the policy, at a meeting of the board held in 51329
accordance with this section. 51330

(D) If an alliance is created under this section, the 51331
alliance shall do all of the following: 51332

(1) Report annually on the performance of all municipal 51333
school district schools and all community schools established 51334
under Chapter 3314. of the Revised Code and located in the 51335
district, using the criteria adopted under division (B) of section 51336
3311.87 of the Revised Code; 51337

(2) Confirm and monitor implementation of the transformation 51338
alliance education plan; 51339

(3) Suggest national education models for and provide input 51340
in the development of new municipal school district schools and 51341
partnering community schools. 51342

(E) Divisions (E)(1) to (3) of this section apply to each 51343
community school sponsor that is subject to approval by the 51344
department of education under section 3314.015 of the Revised Code 51345
whose approval under that section is granted or renewed on or 51346
after ~~the effective date of this section~~ October 1, 2012. 51347

Divisions (E)(1) to (3) of this section do not apply to a sponsor 51348
that has been approved by the department prior to that date, until 51349
the sponsor's approval is renewed or granted anew on or after that 51350
date. 51351

(1) Before a sponsor to which this section applies may 51352
sponsor new community schools in an alliance municipal school 51353
district, the sponsor shall request recommendation from the 51354
alliance to sponsor community schools in the district. 51355

(2) The alliance shall review the sponsor's application and 51356
shall make a recommendation based on the standards for sponsors 51357
developed under division (A)(2) of section 3311.87 of the Revised 51358
Code. 51359

(3) The department shall use the standards developed under 51360
division (A)(2) of section 3311.87 of the Revised Code, in 51361
addition to any other requirements of the Revised Code, to review 51362
a sponsor's request and make a final determination, on 51363
recommendation of the alliance, of whether the sponsor may sponsor 51364
new community schools in the alliance municipal school district. 51365

No sponsor shall be required to receive authorization to 51366
sponsor new community schools under division (E)(3) of this 51367
section more than one time. 51368

(F) Directors, officers, and employees of an alliance are not 51369
public employees or public officials, are not subject to Chapters 51370
124., 145., and 4117. of the Revised Code, and are not "public 51371
officials" or "public servants" as defined in section 2921.01 of 51372
the Revised Code. Membership on the board of directors of an 51373

alliance does not constitute the holding of an incompatible public office or employment in violation of any statutory or common law prohibition against the simultaneous holding of more than one public office or employment. Members of the board of directors of an alliance are not disqualified from holding any public office by reason of that membership, and do not forfeit by reason of that membership the public office or employment held when appointed to the board, notwithstanding any contrary disqualification or forfeiture requirement under the Revised Code or the common law of this state.

(G) The authority to establish an alliance under this section expires on January 1, 2018. Any alliance established under this section is terminated, and any related authority granted to the alliance under this section expires on that date.

Sec. 3312.08. Each fiscal agent selected by the department of education pursuant to section 3312.07 of the Revised Code shall do all of the following:

(A) Enter into performance contracts with the department in accordance with section 3312.09 of the Revised Code for the implementation of state and regional education initiatives and school improvement efforts;

(B) Receive federal and state funds, including federal funds for the provision of special education and related services, as specified in the performance contracts, and disburse those funds as specified in the performance contracts to educational service centers, information technology centers, and other regional service providers. However, any funds owed to an educational service center in accordance with an agreement entered into under section ~~3317.11~~ 3313.843, 3313.844, or 3313.845 of the Revised Code shall be paid directly to the service center by the department ~~in accordance with that section~~ and any operating funds

appropriated for an information technology center shall be paid 51405
directly to the information technology center by the department 51406
pursuant to section 3301.075 of the Revised Code. 51407

(C) Implement any expenditure of funds recommended by the 51408
advisory council for the region pursuant to section 3312.04 of the 51409
Revised Code or required by the terms of any performance contract, 51410
unless there are insufficient funds available to the region to pay 51411
for the expenditure or the expenditure violates a provision of the 51412
Revised Code, a rule of the state board of education regarding 51413
such expenditure, or the terms of a performance contract; 51414

(D) Exercise fiscal oversight of the implementation of state 51415
and regional education initiatives and school improvement efforts. 51416

Sec. 3313.372. (A) As used in this section, "energy 51417

installation in, or remodeling of, a building, to reduce energy 51419
consumption. It includes: 51420

(1) Insulation of the building structure and systems within 51421
the building; 51422

(2) Storm windows and doors, multiglazed windows and doors, 51423

consumption; 51427

(3) Automatic energy control systems; 51428

(4) Heating, ventilating, or air conditioning system 51429
modifications or replacements; 51430

(5) Caulking and weatherstripping; 51431

(6) Replacement or modification of lighting fixtures to 51432
increase the energy efficiency of the system without increasing 51433
the overall illumination of a facility, unless such increase in 51434

illumination is necessary to conform to the applicable state or 51435
local building code for the proposed lighting system; 51436

(7) Energy recovery systems; 51437

(8) Cogeneration systems that produce steam or forms of 51438
energy such as heat, as well as electricity, for use primarily 51439
within a building or complex of buildings; 51440

(9) Any other modification, installation, or remodeling 51441
approved by the Ohio school facilities commission as an energy 51442
conservation measure. 51443

(B) A board of education of a city, exempted village, local, 51444
or joint vocational school district may enter into an installment 51445
payment contract for the purchase and installation of energy 51446
conservation measures. The provisions of such installment payment 51447
contracts dealing with interest charges and financing terms shall 51448
not be subject to the competitive bidding requirements of section 51449
3313.46 of the Revised Code, and shall be on the following terms: 51450

(1) Not less than one-fifteenth of the costs thereof shall be 51451
paid within two years from the date of purchase. 51452

(2) The remaining balance of the costs thereof shall be paid 51453
within fifteen years from the date of purchase. 51454

The provisions of any installment payment contract entered 51455
into pursuant to this section shall provide that all payments, 51456
except payments for repairs and obligations on termination of the 51457
contract prior to its expiration, be stated as a percentage of 51458
calculated energy, water, or waste water cost savings, avoided 51459
operating costs, and avoided capital costs attributable to the one 51460
or more measures over a defined period of time. Those payments 51461
shall be made only to the extent that the savings described in 51462
this division actually occur. The contractor shall warrant and 51463
guarantee that the energy conservation measures shall realize 51464
guaranteed savings and shall be responsible to pay an amount equal 51465

to any savings shortfall. 51466

An installment payment contract entered into by a board of 51467
education under this section shall require the board to contract 51468
in accordance with division (A) of section 3313.46 of the Revised 51469
Code for the installation, modification, or remodeling of energy 51470
conservation measures unless division (A) of section 3313.46 of 51471
the Revised Code does not apply pursuant to division (B)(3) of 51472
that section. 51473

(C) The board may issue the notes of the school district 51474
signed by the president and the treasurer of the board and 51475
specifying the terms of the purchase and securing the deferred 51476
payments provided in this section, payable at the times provided 51477
and bearing interest at a rate not exceeding the rate determined 51478
as provided in section 9.95 of the Revised Code. The notes may 51479
contain an option for prepayment and shall not be subject to 51480
Chapter 133. of the Revised Code. In the resolution authorizing 51481
the notes, the board may provide, without the vote of the electors 51482
of the district, for annually levying and collecting taxes in 51483
amounts sufficient to pay the interest on and retire the notes, 51484
except that the total net indebtedness of the district without a 51485
vote of the electors incurred under this and all other sections of 51486
the Revised Code, except section 3318.052 of the Revised Code, 51487
shall not exceed one per cent of the district's tax valuation. 51488
Revenues derived from local taxes or otherwise, for the purpose of 51489
conserving energy or for defraying the current operating expenses 51490
of the district, may be applied to the payment of interest and the 51491
retirement of such notes. The notes may be sold at private sale or 51492
given to the contractor under the installment payment contract 51493
authorized by division (B) of this section. 51494

(D) Debt incurred under this section shall not be included in 51495
the calculation of the net indebtedness of a school district under 51496
section 133.06 of the Revised Code. 51497

(E) No school district board shall enter into an installment
payment contract under division (B) of this section unless it
first obtains a report of the costs of the energy conservation
measures and the savings thereof as described under division (G)
of section 133.06 of the Revised Code as a requirement for issuing
energy securities, makes a finding that the amount spent on such
measures is not likely to exceed the amount of money it would save
in energy costs and resultant operational and maintenance costs as
described in that division, except that that finding shall cover
the ensuing fifteen years, and the Ohio school facilities
commission determines that the district board's findings are
reasonable and approves the contract as described in that
division.

The district board shall monitor the savings and maintain a
report of those savings, which shall be submitted to the
commission in the same manner as required by division (G) of
section 133.06 of the Revised Code in the case of energy
securities.

Sec. 3313.376. As used in this section, "client school

in which case the pupils shall be in attendance for nine hundred 51544
ten hours; nine hundred ten hours in the case of pupils in grades 51545

~~(C) No school operated by a city, exempted village, local, or joint vocational school district shall reduce the number of hours in each school year that the school is scheduled to be open for instruction from the number of hours per year the school was open for instruction during the previous school year unless the reduction is approved by a resolution adopted by the district board of education. Any reduction so approved shall not result in fewer hours of instruction per school year than the applicable~~

number of hours required under division (A) of this section. 51592

(D) Prior to making any change in the hours or days in which 51593
a high school under its jurisdiction is open for instruction, the 51594
board of education of each city, exempted village, and local 51595
school district shall consider the compatibility of the proposed 51596
change with the scheduling needs of any joint vocational school 51597
district in which any of the high school's students are also 51598
enrolled. The board shall consider the impact of the proposed 51599
change on student access to the instructional programs offered by 51600
the joint vocational school district, incentives for students to 51601
participate in career-technical education, transportation, and the 51602
timing of graduation. The board shall provide the joint vocational 51603
school district board with advance notice of the proposed change 51604
and the two boards shall enter into a written agreement 51605
prescribing reasonable accommodations to meet the scheduling needs 51606

the change. 51608

(E) Prior to making any change in the hours or days in which 51609
a school under its jurisdiction is open for instruction, the board 51610
of education of each city, exempted village, and local school 51611
district shall consider the compatibility of the proposed change 51612
with the scheduling needs of any community school established 51613
under Chapter 3314. of the Revised Code to which the district is 51614
required to transport students under sections 3314.09 and 3327.01 51615
of the Revised Code. The board shall consider the impact of the 51616
proposed change on student access to the instructional programs 51617
offered by the community school, transportation, and the timing of 51618
graduation. The board shall provide the sponsor, governing 51619
authority, and operator of the community school with advance 51620
notice of the proposed change, and the board and the governing 51621
authority, or operator if such authority is delegated to the 51622
operator, shall enter into a written agreement prescribing 51623

reasonable accommodations to meet the scheduling needs of the 51624
community school prior to implementation of the change. 51625

(F) Prior to making any change in the hours or days in which 51626
the schools under its jurisdiction are open for instruction, the 51627
board of education of each city, exempted village, and local 51628
school district shall consult with the chartered nonpublic schools 51629
to which the district is required to transport students under 51630
section 3327.01 of the Revised Code and shall consider the effect 51631
of the proposed change on the schedule for transportation of those 51632
students to their nonpublic schools. The governing authority of a 51633
chartered nonpublic school shall consult with each school district 51634
board of education that transports students to the chartered 51635
nonpublic school under section 3327.01 of the Revised Code prior 51636
to making any change in the hours or days in which the nonpublic 51637
school is open for instruction. 51638

(G) The state board of education shall not adopt or enforce 51639
any rule or standard that imposes on chartered nonpublic schools 51640
the procedural requirements imposed on school districts by 51641
divisions (B), (C), (D), and (E) of this section. 51642

Sec. 3313.481. Wherever in Title XXXIII of the Revised Code 51643
the term "school day" is used, unless otherwise specified, that 51644
term shall be construed to mean the time during a calendar day 51645
that a school is open for instruction pursuant to the schedule 51646
adopted by the board of education of the school district or the 51647
governing authority of the chartered nonpublic school in 51648
accordance with section 3313.48 of the Revised Code. 51649

Sec. 3313.483. (A) A board of education, upon the adoption of 51650
a resolution stating that it may be financially unable to open on 51651
the day or to remain open for instruction on all days set forth in 51652
its adopted school calendar and pay all obligated expenses, or the 51653

superintendent of public instruction upon the issuance of written 51654
notification under division (B) of section 3313.489 of the Revised 51655
Code, shall request the auditor of state to determine whether such 51656
situation exists. The auditor shall deliver a copy of each request 51657
from a board of education to the superintendent of public 51658
instruction. In the case of a school district not under a fiscal 51659
emergency pursuant to Chapter 3316. of the Revised Code the 51660
auditor shall not issue a finding under this section until written 51661
notification is received from the superintendent pursuant to 51662
section 3313.487 of the Revised Code. 51663

(B) If the auditor of state finds that the board of education 51664
has attempted to avail itself to the fullest extent authorized by 51665
law of all lawful revenue sources available to it except those 51666
authorized by section 5705.21 of the Revised Code, the auditor 51667
shall certify that finding to the superintendent of public 51668
instruction and the state board of education and shall certify the 51669
operating deficit the district will have at the end of the fiscal 51670
year if it commences or continues operating its instructional 51671
program in accordance with its adopted school calendar and pays 51672
all obligated expenses. 51673

(C) No board of education may delay the opening of its 51674
schools or close its schools for financial reasons. Upon the 51675
request of the superintendent of public instruction, the attorney 51676
general shall seek injunctive relief and any other relief required 51677
to enforce this prohibition in the court of common pleas of 51678
Franklin county. The court of common pleas of Franklin county has 51679
exclusive original jurisdiction over all such actions. 51680

(D) Upon the receipt of any certification of an operating 51681
deficit from the auditor of state, a board of education shall make 51682
application to a commercial bank, underwriter, or other 51683
prospective lender or purchaser of its obligations for a loan in 51684
an amount sufficient to enable the district to open or remain open 51685

for instruction on all days set forth in its adopted school 51686
calendar but not to exceed the amount of the deficit certified. 51687

(E)(1) Any board of education that has applied for and been 51688
denied a loan from a commercial bank, underwriter, or other 51689
prospective lender or purchaser of its obligations pursuant to 51690
division (D) of this section shall submit to the superintendent of 51691
public instruction a plan for implementing reductions in the 51692
school district's budget; apply for a loan from a commercial bank, 51693
underwriter, or other prospective lender or purchaser of its 51694
obligations in an amount not to exceed its certified deficit; and 51695
provide the superintendent such information as the superintendent 51696
requires concerning its application for such a loan. The board of 51697
education of a school district declared to be under a fiscal watch 51698
pursuant to division (A) of section 3316.03 of the Revised Code 51699
may, upon approval of the superintendent, utilize the financial 51700
plan required by section 3316.04 of the Revised Code, or 51701
applicable parts thereof, as the plan required under this 51702
division. The board of education of a school district declared to 51703
be under a fiscal emergency pursuant to division (B) of section 51704
3316.03 of the Revised Code may utilize the financial recovery 51705
plan for the district, or applicable parts thereof, as the plan 51706
required under this division. Except for the plan of a school 51707
district under a fiscal emergency, the superintendent shall 51708
evaluate, make recommendations concerning, and approve or 51709
disapprove each plan. When a plan is submitted, the superintendent 51710
shall immediately notify the members of the general assembly whose 51711
legislative districts include any or all of the territory of the 51712
school district submitting the plan. 51713

(2) The superintendent shall submit to the controlling board 51714
a copy of each plan the superintendent approves, or each plan 51715
submitted by a district under a fiscal emergency pursuant to 51716
division (B) of section 3316.03 of the Revised Code, and the 51717

general terms of each proposed loan, and shall make 51718
recommendations regarding the plan and whether a proposed loan to 51719
the board of education should be approved for payment as provided 51720
in division (E)(3) of this section. The controlling board shall 51721
approve or disapprove the plan and the proposed loan presented to 51722
it by the superintendent. In the case of a district not under a 51723
fiscal emergency pursuant to division (B) of section 3316.03 of 51724
the Revised Code, the controlling board may require a board of 51725
education to implement the superintendent's recommendations for 51726
expenditure reductions or impose other requirements. Loan 51727
repayments shall be in accordance with a schedule approved by the 51728
superintendent, except that the principal amount of the loan shall 51729
be payable in monthly, semiannual, or annual installments of 51730
principal and interest that are substantially equal principal and 51731
interest installments. Except as otherwise provided in division 51732
(E)(2) of this section, repayment shall be made no later than the 51733
fifteenth day of June of the second fiscal year following the 51734
approval of the loan. A school district with a certified deficit 51735
in excess of either twenty-five million dollars or fifteen per 51736
cent of the general fund expenditures of the district during the 51737
fiscal year shall repay the loan no later than the fifteenth day 51738
of June of the tenth fiscal year following the approval of the 51739
loan. In deciding whether to approve or disapprove a proposed 51740
loan, the controlling board shall consider the deficit certified 51741
by the auditor of state pursuant to this section. A board of 51742
education that has an outstanding loan approved pursuant to this 51743
section with a repayment date of more than two fiscal years after 51744
the date of approval of such loan may not apply for another loan 51745
with such a repayment date until the outstanding loan has been 51746
repaid. 51747

(3) If a board of education has submitted and received 51748
controlling board approval of a plan and proposed loan in 51749

Revised Code during the current and ensuing fiscal years with the 51823
revenue available to it from existing revenue sources. The fiscal 51824

factual and based upon assumptions that in its judgment are 51873
reasonable expectations consistent with acceptable governmental 51874
budget and accounting practices. If the state board so determines 51875

student to participate under this section that do not apply to 52375
other students participating in the same extracurricular activity. 52376

Ohioans must be prepared to apply increased knowledge and 52596
skills in the workplace and to adapt their knowledge and skills 52597
quickly to meet the rapidly changing conditions of the 52598
twenty-first century. National studies indicate that all high 52599
school graduates need the same academic foundation, regardless of 52600
the opportunities they pursue after graduation. The goal of Ohio's 52601
system of elementary and secondary education is to prepare all 52602
students for and seamlessly connect all students to success in 52603
life beyond high school graduation, regardless of whether the next 52604
step is entering the workforce, beginning an apprenticeship, 52605
engaging in post-secondary training, serving in the military, or 52606
pursuing a college degree. 52607

The Ohio core curriculum is the standard expectation for all 52608
students entering ninth grade for the first time at a public or 52609
chartered nonpublic high school on or after July 1, 2010. A 52610

student may satisfy this expectation through a variety of methods, 52611
including, but not limited to, integrated, applied, 52612
career-technical, and traditional coursework. 52613

Whereas teacher quality is essential for student success in 52614
completing the Ohio core curriculum, the general assembly shall 52615
appropriate funds for strategic initiatives designed to strengthen 52616
schools' capacities to hire and retain highly qualified teachers 52617
in the subject areas required by the curriculum. Such initiatives 52618
are expected to require an investment of \$120,000,000 over five 52619
years. 52620

Stronger coordination between high schools and institutions 52621
of higher education is necessary to prepare students for more 52622
challenging academic endeavors and to lessen the need for academic 52623
remediation in college, thereby reducing the costs of higher 52624
education for Ohio's students, families, and the state. The state 52625
board and the chancellor of the Ohio board of regents shall 52626
develop policies to ensure that only in rare instances will 52627
students who complete the Ohio core curriculum require academic 52628
remediation after high school. 52629

School districts, community schools, and chartered nonpublic 52630
schools shall integrate technology into learning experiences 52631
across the curriculum in order to maximize efficiency, enhance 52632
learning, and prepare students for success in the 52633
technology-driven twenty-first century. Districts and schools 52634
shall use distance and web-based course delivery as a method of 52635
providing or augmenting all instruction required under this 52636
division, including laboratory experience in science. Districts 52637
and schools shall utilize technology access and electronic 52638
learning opportunities provided by the ~~eTech Ohio~~ broadcast 52639
educational media commission, chancellor, the Ohio learning 52640
network, education technology centers, public television stations, 52641
and other public and private providers. 52642

(D) Except as provided in division (E) of this section, a student who enters ninth grade on or after July 1, 2010, and before July 1, 2014, may qualify for graduation from a public or chartered nonpublic high school even though the student has not completed the Ohio core curriculum prescribed in division (C) of this section if all of the following conditions are satisfied:

(1) After the student has attended high school for two years, as determined by the school, the student and the student's parent, guardian, or custodian sign and file with the school a written statement asserting the parent's, guardian's, or custodian's consent to the student's graduating without completing the Ohio core curriculum and acknowledging that one consequence of not completing the Ohio core curriculum is ineligibility to enroll in most state universities in Ohio without further coursework.

(2) The student and parent, guardian, or custodian fulfill any procedural requirements the school stipulates to ensure the student's and parent's, guardian's, or custodian's informed consent and to facilitate orderly filing of statements under division (D)(1) of this section.

(3) The student and the student's parent, guardian, or custodian and a representative of the student's high school jointly develop an individual career plan for the student that specifies the student matriculating to a two-year degree program, acquiring a business and industry credential, or entering an apprenticeship.

(4) The student's high school provides counseling and support for the student related to the plan developed under division (D)(3) of this section during the remainder of the student's high school experience.

(5) The student successfully completes, at a minimum, the curriculum prescribed in division (B) of this section.

The department of education, in collaboration with the chancellor, shall analyze student performance data to determine if there are mitigating factors that warrant extending the exception permitted by division (D) of this section to high school classes beyond those entering ninth grade before July 1, 2014. The department shall submit its findings and any recommendations not later than August 1, 2014, to the speaker and minority leader of the house of representatives, the president and minority leader of the senate, the chairpersons and ranking minority members of the standing committees of the house of representatives and the senate that consider education legislation, the state board of education, and the superintendent of public instruction.

(E) Each school district and chartered nonpublic school retains the authority to require an even more rigorous minimum curriculum for high school graduation than specified in division (B) or (C) of this section. A school district board of education, through the adoption of a resolution, or the governing authority of a chartered nonpublic school may stipulate any of the following:

(1) A minimum high school curriculum that requires more than twenty units of academic credit to graduate;

(2) An exception to the district's or school's minimum high school curriculum that is comparable to the exception provided in division (D) of this section but with additional requirements, which may include a requirement that the student successfully complete more than the minimum curriculum prescribed in division (B) of this section;

(3) That no exception comparable to that provided in division (D) of this section is available.

(F) A student enrolled in a dropout prevention and recovery program, which program has received a waiver from the department,

may qualify for graduation from high school by successfully 52705
completing a competency-based instructional program administered 52706
by the dropout prevention and recovery program in lieu of 52707
completing the Ohio core curriculum prescribed in division (C) of 52708
this section. The department shall grant a waiver to a dropout 52709
prevention and recovery program, within sixty days after the 52710
program applies for the waiver, if the program meets all of the 52711
following conditions: 52712

(1) The program serves only students not younger than sixteen 52713
years of age and not older than twenty-one years of age. 52714

(2) The program enrolls students who, at the time of their 52715
initial enrollment, either, or both, are at least one grade level 52716
behind their cohort age groups or experience crises that 52717
significantly interfere with their academic progress such that 52718
they are prevented from continuing their traditional programs. 52719

(3) The program requires students to attain at least the 52720
applicable score designated for each of the assessments prescribed 52721
under division (B)(1) of section 3301.0710 of the Revised Code or, 52722
to the extent prescribed by rule of the state board under division 52723
(D)(6) of section 3301.0712 of the Revised Code, division (B)(2) 52724
of that section. 52725

(4) The program develops an individual career plan for the 52726
student that specifies the student's matriculating to a two-year 52727
degree program, acquiring a business and industry credential, or 52728
entering an apprenticeship. 52729

(5) The program provides counseling and support for the 52730
student related to the plan developed under division (F)(4) of 52731
this section during the remainder of the student's high school 52732
experience. 52733

(6) The program requires the student and the student's 52734
parent, guardian, or custodian to sign and file, in accordance 52735

with procedural requirements stipulated by the program, a written 52736
statement asserting the parent's, guardian's, or custodian's 52737
consent to the student's graduating without completing the Ohio 52738
core curriculum and acknowledging that one consequence of not 52739
completing the Ohio core curriculum is ineligibility to enroll in 52740
most state universities in Ohio without further coursework. 52741

(7) Prior to receiving the waiver, the program has submitted 52742
to the department an instructional plan that demonstrates how the 52743
academic content standards adopted by the state board under 52744
section 3301.079 of the Revised Code will be taught and assessed. 52745

If the department does not act either to grant the waiver or 52746
to reject the program application for the waiver within sixty days 52747
as required under this section, the waiver shall be considered to 52748
be granted. 52749

(G) Every high school may permit students below the ninth 52750
grade to take advanced work. If a high school so permits, it shall 52751
award high school credit for successful completion of the advanced 52752
work and shall count such advanced work toward the graduation 52753
requirements of division (B) or (C) of this section if the 52754
advanced work was both: 52755

(1) Taught by a person who possesses a license or certificate 52756
issued under section 3301.071, 3319.22, or 3319.222 of the Revised 52757
Code that is valid for teaching high school; 52758

(2) Designated by the board of education of the city, local, 52759
or exempted village school district, the board of the cooperative 52760
education school district, or the governing authority of the 52761
chartered nonpublic school as meeting the high school curriculum 52762
requirements. 52763

Each high school shall record on the student's high school 52764
transcript all high school credit awarded under division (G) of 52765
this section. In addition, if the student completed a seventh- or 52766

eighth-grade fine arts course described in division (K) of this 52767
section and the course qualified for high school credit under that 52768
division, the high school shall record that course on the 52769
student's high school transcript. 52770

(H) The department shall make its individual academic career 52771
plan available through its Ohio career information system web site 52772
for districts and schools to use as a tool for communicating with 52773
and providing guidance to students and families in selecting high 52774
school courses. 52775

(I) Units earned in English language arts, mathematics, 52776
science, and social studies that are delivered through integrated 52777
academic and career-technical instruction are eligible to meet the 52778
graduation requirements of division (B) or (C) of this section. 52779

(J) The state board, in consultation with the chancellor, 52780
shall adopt a statewide plan implementing methods for students to 52781
earn units of high school credit based on a demonstration of 52782
subject area competency, instead of or in combination with 52783
completing hours of classroom instruction. The state board shall 52784
adopt the plan not later than March 31, 2009, and commence phasing 52785
in the plan during the 2009-2010 school year. The plan shall 52786
include a standard method for recording demonstrated proficiency 52787
on high school transcripts. Each school district and community 52788
school shall comply with the state board's plan adopted under this 52789
division and award units of high school credit in accordance with 52790
the plan. The state board may adopt existing methods for earning 52791
high school credit based on a demonstration of subject area 52792
competency as necessary prior to the 2009-2010 school year. 52793

(K) This division does not apply to students who qualify for 52794
graduation from high school under division (D) or (F) of this 52795
section, or to students pursuing a career-technical instructional 52796
track as determined by the school district board of education or 52797
the chartered nonpublic school's governing authority. 52798

Nevertheless, the general assembly encourages such students to 52799
consider enrolling in a fine arts course as an elective. 52800

Beginning with students who enter ninth grade for the first 52801
time on or after July 1, 2010, each student enrolled in a public 52802
or chartered nonpublic high school shall complete two semesters or 52803
the equivalent of fine arts to graduate from high school. The 52804
coursework may be completed in any of grades seven to twelve. Each 52805
student who completes a fine arts course in grade seven or eight 52806
may elect to count that course toward the five units of electives 52807
required for graduation under division (C)(8) of this section, if 52808
the course satisfied the requirements of division (G) of this 52809
section. In that case, the high school shall award the student 52810
high school credit for the course and count the course toward the 52811
five units required under division (C)(8) of this section. If the 52812
course in grade seven or eight did not satisfy the requirements of 52813
division (G) of this section, the high school shall not award the 52814
student high school credit for the course but shall count the 52815
course toward the two semesters or the equivalent of fine arts 52816
required by this division. 52817

(L)(1) Notwithstanding anything to the contrary in this 52818
section, the board of education of each school district and the 52819
governing authority of each chartered nonpublic school may adopt a 52820
policy to excuse from the high school physical education 52821
requirement each student who, during high school, has participated 52822
in interscholastic athletics, marching band, or cheerleading for 52823
at least two full seasons or in the junior reserve officer 52824
training corps for at least two full school years. If the board or 52825
authority adopts such a policy, the board or authority shall not 52826
require the student to complete any physical education course as a 52827
condition to graduate. ~~However~~ 52828

(2) Notwithstanding anything to the contrary in this section, 52829
the following students shall be excused from the high school 52830

physical education requirement prescribed by this section: 52831

(a) A student enrolled in an internet- or computer-based 52832
community school; 52833

(b) To the extent that division (L)(2) does not conflict with 52834
the child's IEP, any child with a disability. 52835

(3) However, the any student excused from the physical 52836
education requirement under division (L) of this section shall be 52837
required to complete one-half unit, consisting of at least sixty 52838
hours of instruction, in another course of study. In the case of a 52839
student who has participated in the junior reserve officer 52840
training corps for at least two full school years, credit received 52841
for that participation may be used to satisfy the requirement to 52842
complete one-half unit in another course of study. 52843

(M) It is important that high school students learn and 52844
understand United States history and the governments of both the 52845
United States and the state of Ohio. Therefore, beginning with 52846
students who enter ninth grade for the first time on or after July 52847
1, 2012, the study of American history and American government 52848
required by divisions (B)(6) and (C)(6) of this section shall 52849
include the study of all of the following documents: 52850

(1) The Declaration of Independence; 52851

(2) The Northwest Ordinance; 52852

(3) The Constitution of the United States with emphasis on 52853
the Bill of Rights; 52854

(4) The Ohio Constitution. 52855

The study of each of the documents prescribed in divisions 52856
(M)(1) to (4) of this section shall include study of that document 52857
in its original context. 52858

The study of American history and government required by 52859
divisions (B)(6) and (C)(6) of this section shall include the 52860

historical evidence of the role of documents such as the 52861
Federalist Papers and the Anti-Federalist Papers to firmly 52862
establish the historical background leading to the establishment 52863
of the provisions of the Constitution and Bill of Rights. 52864

Sec. 3313.6013. (A) As used in this section, "dual enrollment 52865
program" means a program that enables a student to earn credit 52866
toward a degree from an institution of higher education while 52867
enrolled in high school or that enables a student to complete 52868
coursework while enrolled in high school that may earn credit 52869
toward a degree from an institution of higher education upon the 52870
student's attainment of a specified score on an examination 52871
covering the coursework. Dual enrollment programs may include any 52872

subsequently defined by the department of education. 52909

(C) Each school district and each chartered nonpublic high 52910
school shall provide information about the dual enrollment 52911
programs offered by the district or school to all students 52912
enrolled in grades eight through eleven. 52913

Sec. 3313.6016. (A) Beginning in the 2011-2012 school year, 52914

transferred to and accepted by any school district in which the 53455
child subsequently enrolls. The state board of education shall 53456
adopt rules to ensure compliance with this division. 53457

(10) Any child under the age of twenty-two years whose parent 53458
has moved out of the school district after the commencement of 53459
classes in the child's senior year of high school is entitled, 53460
subject to the approval of that district board, to attend school 53461
in the district in which the child attended school at the time of 53462
the parental move for the remainder of the school year and for one 53463
additional semester or equivalent term. A district board may also 53464
adopt a policy specifying extenuating circumstances under which a 53465
student may continue to attend school under division (F)(10) of 53466
this section for an additional period of time in order to 53467
successfully complete the high school curriculum for the 53468
individualized education program developed for the student by the 53469
high school pursuant to section 3323.08 of the Revised Code. 53470

(11) As used in this division, "grandparent" means a parent 53471
of a parent of a child. A child under the age of twenty-two years 53472
who is in the custody of the child's parent, resides with a 53473
grandparent, and does not require special education is entitled to 53474
attend the schools of the district in which the child's 53475

grandparent resides, provided that, prior to such attendance in 53476
any school year, the board of education of the school district in 53477
which the child's grandparent resides and the board of education 53478
of the school district in which the child's parent resides enter 53479
into a written agreement specifying that good cause exists for 53480
such attendance, describing the nature of this good cause, and 53481
consenting to such attendance. 53482

In lieu of a consent form signed by a parent, a board of 53483
education may request the grandparent of a child attending school 53484
in the district in which the grandparent resides pursuant to 53485
division (F)(11) of this section to complete any consent form 53486
required by the district, including any authorization required by 53487
sections 3313.712, 3313.713, 3313.716, and 3313.718 of the Revised 53488
Code. Upon request, the grandparent shall complete any consent 53489
form required by the district. A school district shall not incur 53490
any liability solely because of its receipt of a consent form from 53491
a grandparent in lieu of a parent. 53492

Division (F)(11) of this section does not create, and shall 53493
not be construed as creating, a new cause of action or substantive 53494
legal right against a school district, a member of a board of 53495
education, or an employee of a school district. This section does 53496
not affect, and shall not be construed as affecting, any 53497
immunities from defenses to tort liability created or recognized 53498
by Chapter 2744. of the Revised Code for a school district, 53499
member, or employee. 53500

(12) A child under the age of twenty-two years is entitled to 53501
attend school in a school district other than the district in 53502
which the child is entitled to attend school under division (B), 53503
(C), or (E) of this section provided that, prior to such 53504
attendance in any school year, both of the following occur: 53505

(a) The superintendent of the district in which the child is 53506
entitled to attend school under division (B), (C), or (E) of this 53507

section contacts the superintendent of another district for 53508
purposes of this division; 53509

(b) The superintendents of both districts enter into a 53510
written agreement that consents to the attendance and specifies 53511
that the purpose of such attendance is to protect the student's 53512
physical or mental well-being or to deal with other extenuating 53513
circumstances deemed appropriate by the superintendents. 53514

While an agreement is in effect under this division for a 53515
student who is not receiving special education under Chapter 3323. 53516
of the Revised Code and notwithstanding Chapter 3327. of the 53517
Revised Code, the board of education of neither school district 53518
involved in the agreement is required to provide transportation 53519
for the student to and from the school where the student attends. 53520

A student attending a school of a district pursuant to this 53521
division shall be allowed to participate in all student 53522
activities, including interscholastic athletics, at the school 53523
where the student is attending on the same basis as any student 53524
who has always attended the schools of that district while of 53525
compulsory school age. 53526

(13) All school districts shall comply with the 53527
"McKinney-Vento Homeless Assistance Act," 42 U.S.C.A. 11431 et 53528
seq., for the education of homeless children. Each city, local, 53529
and exempted village school district shall comply with the 53530
requirements of that act governing the provision of a free, 53531
appropriate public education, including public preschool, to each 53532
homeless child. 53533

When a child loses permanent housing and becomes a homeless 53534
person, as defined in 42 U.S.C.A. 11481(5), or when a child who is 53535
such a homeless person changes temporary living arrangements, the 53536
child's parent or guardian shall have the option of enrolling the 53537
child in either of the following: 53538

(a) The child's school of origin, as defined in 42 U.S.C.A. 53539
11432(g)(3)(C); 53540

(b) The school that is operated by the school district in 53541
which the shelter where the child currently resides is located and 53542
that serves the geographic area in which the shelter is located. 53543

(14) A child under the age of twenty-two years who resides 53544
with a person other than the child's parent is entitled to attend 53545
school in the school district in which that person resides if both 53546
of the following apply: 53547

(a) That person has been appointed, through a military power 53548
of attorney executed under section 574(a) of the "National Defense 53549
Authorization Act for Fiscal Year 1994," 107 Stat. 1674 (1993), 10 53550
U.S.C. 1044b, or through a comparable document necessary to 53551
complete a family care plan, as the parent's agent for the care, 53552
custody, and control of the child while the parent is on active 53553
duty as a member of the national guard or a reserve unit of the 53554
armed forces of the United States or because the parent is a 53555
member of the armed forces of the United States and is on a duty 53556
assignment away from the parent's residence. 53557

(b) The military power of attorney or comparable document 53558
includes at least the authority to enroll the child in school. 53559

The entitlement to attend school in the district in which the 53560
parent's agent under the military power of attorney or comparable 53561
document resides applies until the end of the school year in which 53562
the military power of attorney or comparable document expires. 53563

(G) A board of education, after approving admission, may 53564
waive tuition for students who will temporarily reside in the 53565
district and who are either of the following: 53566

(1) Residents or domiciliaries of a foreign nation who 53567
request admission as foreign exchange students; 53568

(2) Residents or domiciliaries of the United States but not of Ohio who request admission as participants in an exchange program operated by a student exchange organization.

The child may continue to attend school in the district, and at the school to which the child was assigned at the end of the first full week of October of the current school year, for the balance of the school year. Division (I)(1) of this section applies only if both of the following conditions are satisfied:

53599
53600

(2) At the beginning of the school year following the school year in which the child or the child's parent relocated outside of the school district as described in division (I)(1) of this section, the child is not entitled to attend school in the school district under that division.

(3) Any person or entity owing tuition to the school district on behalf of the child at the end of the first full week in October, as provided in division (C) of this section, shall continue to owe such tuition to the district for the child's attendance under division (I)(1) of this section for the lesser of the balance of the school year or the balance of the time that the child attends school in the district under division (I)(1) of this section.

(4) A pupil who may attend school in the district under division (I)(1) of this section shall be entitled to transportation services pursuant to an agreement between the district and the district in which the child or child's parent has relocated unless the districts have not entered into such agreement, in which case the child shall be entitled to transportation services in the same manner as a pupil attending school in the district under interdistrict open enrollment as described in division (H) of section 3313.981 of the Revised Code, regardless of whether the district has adopted an open enrollment policy as described in division (B)(1)(b) or (c) of section 3313.98 of the Revised Code.

Code equal to its own tuition rate for the same period of 53636
attendance. If the tuition rate credited to the district of 53637
attendance exceeds the rate deducted from the district required to 53638
pay tuition, the department of education shall pay the district of 53639
attendance the difference from amounts deducted from all 53640
districts' payments under division (C) of section 3317.023 of the 53641

be construed to require or authorize, the admission to a public 53662
school in this state of a pupil who has been permanently excluded 53663
from public school attendance by the superintendent of public 53664

instruction pursuant to sections 3301.121 and 3313.662 of the Revised Code. 53665
53666

with applicable laws and the terms of the contracts entered into 55312
under section 3314.03 of the Revised Code and in the development 55313
and start-up activities of those schools. In carrying out its 55314
duties under this section, the department shall do all of the 55315
following: 55316

(1) In providing technical assistance to proposing parties, 55317
governing authorities, and sponsors, conduct training sessions and 55318
distribute informational materials; 55319

(2) Approve entities to be sponsors of community schools; 55320

(3) Monitor and evaluate, as required under section 3314.016 55321
of the Revised Code, the effectiveness of any and all sponsors in 55322
their oversight of the schools with which they have contracted; 55323

(4) By December thirty-first of each year, issue a report to 55324
the governor, the speaker of the house of representatives, the 55325
president of the senate, and the chairpersons of the house and 55326
senate committees principally responsible for education matters 55327
regarding the effectiveness of academic programs, operations, and 55328
legal compliance and of the financial condition of all community 55329
schools established under this chapter and on the performance of 55330
community school sponsors; 55331

(5) From time to time, make legislative recommendations to 55332

the general assembly designed to enhance the operation and 55333
performance of community schools. 55334

(B)(1) Except as provided in sections 3314.021 and 3314.027 55335
of the Revised Code, no entity listed in division (C)(1) of 55336
section 3314.02 of the Revised Code shall enter into a preliminary 55337
agreement under division (C)(2) of section 3314.02 of the Revised 55338
Code until it has received approval from the department of 55339
education to sponsor community schools under this chapter and has 55340
entered into a written agreement with the department regarding the 55341
manner in which the entity will conduct such sponsorship. ~~The~~ 55342

The initial term of a sponsor's agreement with the department 55343
shall be for up to seven years. For every year that the sponsor 55344
satisfies the conditions of division (B)(1)(a) or (b) of this 55345
section, as applicable, the department shall add one year to the 55346
agreement term, subject to divisions (C) and (F) of this section, 55347
unless the sponsor notifies the department that it does not wish 55348
to have the term of the agreement so extended. 55349

To qualify for the extension of the term of the sponsor's 55350
agreement, the sponsor shall satisfy one of the following, as 55351
applicable: 55352

(a) Prior to January 1, 2015, the sponsor is not in the 55353
lowest twenty per cent of sponsors statewide according to the 55354
composite performance index score as ranked under section 3314.016 55355
of the Revised Code, as that section exists prior to that date, 55356
and the sponsor continues to meet all the requirements of this 55357
chapter pertaining to community school sponsors. 55358

(b) On or after January 1, 2015, the sponsor is rated as 55359
"exemplary" or "effective" under section 3314.016 of the Revised 55360
Code, as that section exists on and after that date, and the 55361
sponsor continues to meet all the requirements of this chapter 55362
pertaining to community school sponsors. 55363

The department shall adopt in accordance with Chapter 119. of 55364
the Revised Code rules containing criteria, procedures, and 55365
deadlines for processing applications for ~~such~~ approval of 55366
sponsors, for oversight of sponsors, for notifying a sponsor of 55367
noncompliance with applicable laws and administrative rules under 55368
division (F) of this section, for revocation of the approval of 55369
sponsors under division (C) of this section, and for entering into 55370
written agreements with sponsors. The rules shall require an 55371
entity to submit evidence of the entity's ability and willingness 55372
to comply with the provisions of division (D) of section 3314.03 55373
of the Revised Code. The rules also shall require entities 55374
approved as sponsors on and after June 30, 2005, to demonstrate a 55375
record of financial responsibility and successful implementation 55376
of educational programs. If an entity seeking approval on or after 55377
June 30, 2005, to sponsor community schools in this state sponsors 55378
or operates schools in another state, at least one of the schools 55379
sponsored or operated by the entity must be comparable to or 55380
better than the performance of Ohio schools in need of continuous 55381
improvement under section 3302.03 of the Revised Code, as 55382
determined by the department. 55383

Subject to section 3314.016 of the Revised Code, an entity 55384
that sponsors community schools may enter into preliminary 55385
agreements and sponsor up to one hundred schools, provided each 55386
school and the contract for sponsorship meets the requirements of 55387
this chapter. 55388

(2) The state board of education shall determine, pursuant to 55389
criteria specified in rules adopted in accordance with Chapter 55390
119. of the Revised Code, whether the mission proposed to be 55391
specified in the contract of a community school to be sponsored by 55392
a state university board of trustees or the board's designee under 55393
division (C)(1)(e) of section 3314.02 of the Revised Code complies 55394
with the requirements of that division. Such determination of the 55395

state board is final. 55396

(3) The state board of education shall determine, pursuant to 55397
criteria specified in rules adopted in accordance with Chapter 55398
119. of the Revised Code, if any tax-exempt entity under section 55399
501(c)(3) of the Internal Revenue Code that is proposed to be a 55400
sponsor of a community school is an education-oriented entity for 55401
purpose of satisfying the condition prescribed in division 55402
(C)(1)(f)(iii) of section 3314.02 of the Revised Code. Such 55403
determination of the state board is final. 55404

(C) If at any time the state board of education finds that a 55405
sponsor is not in compliance or is no longer willing to comply 55406
with its contract with any community school or with the 55407
department's rules for sponsorship, the state board or designee 55408
shall conduct a hearing in accordance with Chapter 119. of the 55409
Revised Code on that matter. If after the hearing, the state board 55410
or designee has confirmed the original finding, the department of 55411
education may revoke the sponsor's approval to sponsor community 55412
schools. In that case, the department's office of Ohio school 55413
sponsorship, established under section 3314.029 of the Revised 55414
Code, may assume the sponsorship of any schools with which the 55415
sponsor has contracted until the earlier of the expiration of two 55416
school years or until a new sponsor as described in division 55417
(C)(1) of section 3314.02 of the Revised Code is secured by the 55418
school's governing authority. The office of Ohio school 55419
sponsorship may extend the term of the contract in the case of a 55420
school for which it has assumed sponsorship under this division as 55421
necessary to accommodate the term of the department's 55422
authorization to sponsor the school specified in this division. 55423
Community schools sponsored under this division shall not apply to 55424
the limit on directly authorized community schools under division 55425
(A)(3) of section 3314.029 of the Revised Code. However, nothing 55426
in this division shall preclude a community school affected by 55427

this division from applying for sponsorship under that section. 55428

(D) The decision of the department to disapprove an entity 55429
for sponsorship of a community school or to revoke approval for 55430
such sponsorship under division (C) of this section, may be 55431
appealed by the entity in accordance with section 119.12 of the 55432
Revised Code. 55433

(E) The department shall adopt procedures for use by a 55434
community school governing authority and sponsor when the school 55435
permanently closes and ceases operation, which shall include at 55436
least procedures for data reporting to the department, handling of 55437
student records, distribution of assets in accordance with section 55438
3314.074 of the Revised Code, and other matters related to ceasing 55439
operation of the school. 55440

(F)(1) In lieu of revoking a sponsor's authority to sponsor 55441
community schools under division (C) of this section, if the 55442
department finds that a sponsor is not in compliance with 55443
applicable laws and administrative rules, the department shall 55444
declare in a written notice to the sponsor the specific laws or 55445
rules, or both, for which the sponsor is noncompliant. A sponsor 55446
notified under division (F)(1) of this section shall respond to 55447
the department not later than fourteen days after the notification 55448
with a proposed plan to remedy the conditions for which the 55449
sponsor was found to be noncompliant. The department shall approve 55450
or disapprove the plan not later than fourteen days after 55451
receiving it. If the plan is disapproved, the sponsor may submit a 55452
revised plan to the department not later than fourteen days after 55453
receiving notification of disapproval from the department or not 55454
later than sixty days after the date the sponsor received 55455
notification of noncompliance from the department, whichever is 55456
earlier. The department shall approve or disapprove the revised 55457
plan not later than fourteen days after receiving it or not later 55458
than sixty days after the date the sponsor received notification 55459

of noncompliance from the department, whichever is earlier. A 55460
sponsor may continue to make revisions by the deadlines prescribed 55461
in division (F)(1) of this section to any revised plan that is 55462
disapproved by the department until the sixtieth day after the 55463
date the sponsor received notification of noncompliance from the 55464
department. 55465

If a plan or a revised plan is approved, the sponsor shall 55466
implement it not later than sixty days after the date the sponsor 55467
received notification of noncompliance from the department or not 55468
later than thirty days after the plan is approved, whichever is 55469
later. If a sponsor does not respond to the department or 55470
implement an approved compliance plan by the deadlines prescribed 55471
by division (F)(1) of this section, or if a sponsor does not 55472
receive approval of a compliance plan on or before the sixtieth 55473
day after the date the sponsor received notification of 55474
noncompliance from the department, the department shall declare in 55475
written notice to the sponsor that the sponsor is in probationary 55476
status, and may limit the sponsor's ability to sponsor additional 55477
schools. 55478

(2) A sponsor that has been placed on probationary status 55479
under division (F)(1) of this section may apply to the department 55480
for its probationary status to be lifted. The application for a 55481
sponsor's probationary status to be lifted shall include evidence, 55482
occurring after the initial notification of noncompliance, of the 55483
sponsor's compliance with applicable laws and administrative 55484
rules. Not later than fourteen days after receiving an application 55485
from the sponsor, the department shall decide whether or not to 55486
remove the sponsor's probationary status. 55487

(G) In carrying out its duties under this chapter, the 55488
department shall not impose requirements on community schools or 55489
their sponsors that are not permitted by law or duly adopted 55490
rules. 55491

(H) This section applies to entities that sponsor conversion 55492
community schools and new start-up schools. 55493

Sec. 3314.017. (A) The state board of education shall 55494
prescribe by rules, adopted in accordance with Chapter 119. of the 55495
Revised Code, an academic performance rating and report card 55496
system that satisfies the requirements of this section for 55497
community schools that primarily serve students enrolled in 55498
dropout prevention and recovery programs as described in division 55499
(A)(4)(a) of section 3314.35 of the Revised Code, to be used in 55500
lieu of the system prescribed under sections 3302.03 and 3314.012 55501
of the Revised Code beginning with the 2012-2013 school year. Each 55502
such school shall comply with the testing and reporting 55503
requirements of the system as prescribed by the state board. 55504

(B) Nothing in this section shall at any time relieve a 55505
school from its obligations under the "No Child Left Behind Act of 55506
2001" to make "adequate yearly progress," as both that act and 55507
that term are defined in section 3302.01 of the Revised Code, or a 55508
school's amenability to the provisions of section 3302.04 or 55509
3302.041 of the Revised Code. The department shall continue to 55510
report each school's performance as required by the act and to 55511
enforce applicable sanctions under section 3302.04 or 3302.041 of 55512
the Revised Code. 55513

(C) The rules adopted by the state board shall prescribe the 55514
following performance indicators for the rating and report card 55515
system required by this section: 55516

(1) Graduation rate for each of the following student 55517
cohorts: 55518

(a) The number of students who graduate in four years or less 55519
with a regular high school diploma divided by the number of 55520
students who form the adjusted cohort for the graduating class; 55521

(b) The number of students who graduate in five years with a regular high school diploma divided by the number of students who form the adjusted cohort for the four-year graduation rate;	55522 55523 55524
(c) The number of students who graduate in six years with a regular high school diploma divided by the number of students who form the adjusted cohort for the four-year graduation rate;	55525 55526 55527
(d) The number of students who graduate in seven years with a regular high school diploma divided by the number of students who form the adjusted cohort for the four-year graduation rate;	55528 55529 55530

to be established pursuant to division (A) of former section 56155
3314.016 of the Revised Code. 56156

~~(e)~~(c) The school's rating under section 3302.03 of the 56157

(ii) For the 2012-2013 and 2013-2014 school years, a rating 56163

(C) In the case where a community school is proposed to be located in a facility owned by a school district or educational service center, the facility may not be used for such community school unless the district or service center board owning the facility enters into an agreement for the community school to utilize the facility. Use of the facility may be under any terms and conditions agreed to by the district or service center board and the school.

(D) Two or more separate community schools may be located in the same facility.

(E) In the case of a community school that is located in multiple facilities, beginning July 1, 2012, the department shall assign a unique identification number to the school and to each facility maintained by the school. Nothing in this division shall be construed to require the department to calculate the amount of funds paid under this chapter, or to compute any data required for the report cards issued under section 3314.012 of the Revised Code, for each facility separately. The department shall make all such calculations or computations for the school as a whole.

Sec. 3314.06. The governing authority of each community school established under this chapter shall adopt admission procedures that specify the following:

Additionally, except as otherwise provided in this section, admission to the school may be open on a tuition basis to any individual age five to twenty-two who is not a resident of this

state. The school shall not receive state funds under section 56256

the district in which the school is located or is open to 56274

pursuant to the contract. 56276

(D)(1) That there will be no discrimination in the admission 56277
of students to the school on the basis of race, creed, color, 56278
disability, or sex except that: 56279

(a) The governing authority may do either of the following 56280
for the purpose described in division (G) of this section: 56281

(i) Establish a single-gender school for either sex; 56282

(ii) Establish single-gender schools for each sex under the 56283
same contract, provided substantially equal facilities and 56284
learning opportunities are offered for both boys and girls. Such 56285

facilities and opportunities may be offered for each sex at 56286
separate locations. 56287

(b) The governing authority may establish a school that 56288
simultaneously serves a group of students identified as autistic 56289
and a group of students who are not disabled, as authorized in 56290
section 3314.061 of the Revised Code. However, unless the total 56291
capacity established for the school has been filled, no student 56292
with any disability shall be denied admission on the basis of that 56293
disability. 56294

(2) That upon admission of any student with a disability, the 56295
community school will comply with all federal and state laws 56296
regarding the education of students with disabilities. 56297

(E) That the school may not limit admission to students on 56298
the basis of intellectual ability, measures of achievement or 56299
aptitude, or athletic ability, except that a school may limit its 56300
enrollment to students as described in division (B) of this 56301
section. 56302

(F) That the community school will admit the number of 56303
students that does not exceed the capacity of the school's 56304
programs, classes, grade levels, or facilities. 56305

(G) That the purpose of single-gender schools that are 56306
established shall be to take advantage of the academic benefits 56307
some students realize from single-gender instruction and 56308
facilities and to offer students and parents residing in the 56309
district the option of a single-gender education. 56310

(H) That, except as otherwise provided under division (B) of 56311
this section or section 3314.061 of the Revised Code, if the 56312
number of applicants exceeds the capacity restrictions of division 56313
(F) of this section, students shall be admitted by lot from all 56314
those submitting applications, except preference shall be given to 56315
students attending the school the previous year and to students 56316

who reside in the district in which the school is located. 56317
Preference may be given to siblings of students attending the 56318
school the previous year. 56319

Notwithstanding divisions (A) to (H) of this section, in the 56320
event the racial composition of the enrollment of the community 56321
school is violative of a federal desegregation order, the 56322
community school shall take any and all corrective measures to 56323
comply with the desegregation order. 56324

Sec. 3314.072. The provisions of this section are enacted to 56325

schools established under this chapter will be held accountable 56328
for their compliance with the terms of the contracts they enter 56329
into with their school's sponsors and the law relating to the 56330
school's operation. Suspension of the operation of a school 56331
imposed under this section is intended to encourage the governing 56332
authority's compliance with the terms of the school's contract and 56333
the law and is not intended to be an alteration of the terms of 56334
that contract. 56335

(A) If a sponsor of a community school established under this 56336
chapter suspends the operation of that school pursuant to 56337
procedures set forth in this section, the governing authority 56338
shall not operate that school while the suspension is in effect. 56339
Any such suspension shall remain in effect until the sponsor 56340
notifies the governing authority that it is no longer in effect. 56341
The contract of a school of which operation is suspended under 56342
this section also may be subject to termination or nonrenewal 56343
under section 3314.07 of the Revised Code. 56344

under division ~~(L)~~(H)(3) of this section, the department shall 57141
waive the number of hours or days of learning opportunities not 57142
offered to a student because the community school was closed 57143

buses or other equipment necessary to the school's operation, 57146

~~(N)~~(J)(1) No student shall be considered enrolled in any internet- or computer-based community school or, if applicable to the student, in any community school that is required to provide the student with a computer pursuant to division (C) of section 3314.22 of the Revised Code, unless both of the following conditions are satisfied:

(a) The student possesses or has been provided with all required hardware and software materials and all such materials are operational so that the student is capable of fully participating in the learning opportunities specified in the contract between the school and the school's sponsor as required by division (A)(23) of section 3314.03 of the Revised Code;

(b) The school is in compliance with division (A) of section 3314.22 of the Revised Code, relative to such student.

(2) In accordance with policies adopted jointly by the superintendent of public instruction and the auditor of state, the department shall reduce the amounts otherwise payable under division ~~(D)~~(C) of this section to any community school that includes in its program the provision of computer hardware and software materials to any student, if such hardware and software materials have not been delivered, installed, and activated for each such student in a timely manner or other educational materials or services have not been provided according to the contract between the individual community school and its sponsor.

The superintendent of public instruction and the auditor of state shall jointly establish a method for auditing any community school to which this division pertains to ensure compliance with this section.

The superintendent, auditor of state, and the governor shall 57188
jointly make recommendations to the general assembly for 57189
legislative changes that may be required to assure fiscal and 57190
academic accountability for such schools. 57191

~~(O)~~(K)(1) If the department determines that a review of a 57192
community school's enrollment is necessary, such review shall be 57193
completed and written notice of the findings shall be provided to 57194
the governing authority of the community school and its sponsor 57195
within ninety days of the end of the community school's fiscal 57196
year, unless extended for a period not to exceed thirty additional 57197
days for one of the following reasons: 57198

(a) The department and the community school mutually agree to 57199
the extension. 57200

(b) Delays in data submission caused by either a community 57201
school or its sponsor. 57202

(2) If the review results in a finding that additional 57203
funding is owed to the school, such payment shall be made within 57204
thirty days of the written notice. If the review results in a 57205
finding that the community school owes moneys to the state, the 57206
following procedure shall apply: 57207

(a) Within ten business days of the receipt of the notice of 57208
findings, the community school may appeal the department's 57209
determination to the state board of education or its designee. 57210

(b) The board or its designee shall conduct an informal 57211
hearing on the matter within thirty days of receipt of such an 57212
appeal and shall issue a decision within fifteen days of the 57213
conclusion of the hearing. 57214

(c) If the board has enlisted a designee to conduct the 57215
hearing, the designee shall certify its decision to the board. The 57216
board may accept the decision of the designee or may reject the 57217
decision of the designee and issue its own decision on the matter. 57218

(d) Any decision made by the board under this division is 57219
final. 57220

(3) If it is decided that the community school owes moneys to 57221
the state, the department shall deduct such amount from the 57222
school's future payments in accordance with guidelines issued by 57223
the superintendent of public instruction. 57224

~~(P)~~(L) The department shall not subtract from a school 57225
district's state aid account ~~under division (C) of this section~~ 57226
and shall not pay to a community school under division ~~(D)~~(C) of 57227
this section any amount for any of the following: 57228

(1) Any student who has graduated from the twelfth grade of a 57229
public or nonpublic high school; 57230

(2) Any student who is not a resident of the state; 57231

(3) Any student who was enrolled in the community school 57232
during the previous school year when assessments were administered 57233
under section 3301.0711 of the Revised Code but did not take one 57234
or more of the assessments required by that section and was not 57235
excused pursuant to division (C)(1) or (3) of that section, unless 57236
the superintendent of public instruction grants the student a 57237
waiver from the requirement to take the assessment and a parent is 57238
not paying tuition for the student pursuant to section 3314.26 of 57239
the Revised Code. The superintendent may grant a waiver only for 57240
good cause in accordance with rules adopted by the state board of 57241
education. 57242

(4) Any student who has attained the age of twenty-two years, 57243
except for veterans of the armed services whose attendance was 57244
interrupted before completing the recognized twelve-year course of 57245
the public schools by reason of induction or enlistment in the 57246
armed forces and who apply for enrollment in a community school 57247
not later than four years after termination of war or their 57248
honorable discharge. If, however, any such veteran elects to 57249

enroll in special courses organized for veterans for whom tuition 57250
is paid under federal law, or otherwise, the department shall not 57251
subtract from a school district's state aid account ~~under division~~ 57252
~~(C) of this section~~ and shall not pay to a community school under 57253
division ~~(D)~~(C) of this section any amount for that veteran. 57254

Sec. 3314.082. A community school shall be considered a 57255
school district and its governing authority shall be considered a 57256
board of education for the purpose of applying to any state or 57257
federal agency for grants that a school district may receive under 57258
federal or state law or any appropriations act of the general 57259
assembly. The governing authority of a community school may apply 57260
to any private entity for additional funds. 57261

Sec. 3314.083. If the department of education pays a joint 57262
vocational school district under division ~~(G)(4)~~(C)(3) of section 57263
3317.16 of the Revised Code for excess costs of providing special 57264
education and related services to a student with a disability who 57265
is enrolled in a community school, as calculated under division 57266
~~(G)(2)~~(C)(1) of that section, the department shall deduct the 57267
amount of that payment from the amount calculated for payment to 57268
the community school under section 3314.08 of the Revised Code. 57269

Sec. 3314.084. (A) As used in this section: 57270

(1) "Formula ADM" has the same meaning as in section 3317.03 57271
of the Revised Code. 57272

(2) "Home" has the same meaning as in section 3313.64 of the 57273
Revised Code. 57274

(3) "School district of residence" has the same meaning as in 57275
section 3323.01 of the Revised Code; however, a community school 57276
established under this chapter is not a "school district of 57277
residence" for purposes of this section. 57278

(B) Notwithstanding anything to the contrary in section 57279
3314.08 or 3317.03 of the Revised Code, all of the following apply 57280
in the case of a child who is enrolled in a community school and 57281
is also living in a home: 57282

(1) For purposes of the report required under division (B)(1) 57283
of section 3314.08 of the Revised Code, the child's school 57284
district of residence, and not the school district in which the 57285
home that the child is living in is located, shall be considered 57286
to be the school district in which the child is entitled to attend 57287
school. That school district of residence, therefore, shall make 57288
the report required under division (B)(1) of section 3314.08 of 57289
the Revised Code with respect to the child. 57290

(2) For purposes of the report required under division (B)(2) 57291
of section 3314.08 of the Revised Code, the community school shall 57292
report the name of the child's school district of residence. 57293

(3) The child's school district of residence shall count the 57294
child in that district's formula ADM. 57295

(4) The school district in which the home that the child is 57296
living in is located shall not count the child in that district's 57297
formula ADM. 57298

(5) The ~~Department~~ department of ~~Education~~ education shall 57299
deduct the applicable amounts prescribed under division (C) of 57300
section 3314.08 ~~and division (D) of section 3314.13~~ of the Revised 57301
Code from the child's school district of residence and shall not 57302
deduct those amounts from the school district in which the home 57303
that the child is living in is located. 57304

(6) The ~~Department~~ department shall make the payments 57305
prescribed in ~~divisions (D) and (E)~~ division (C) of section 57306
3314.08 ~~and section 3314.13~~ of the Revised Code, as applicable, to 57307
the community school. 57308

Sec. 3314.086. A community school established under this 57309
chapter, including an internet- or computer-based community 57310
school, may provide career-technical education in the manner 57311
prescribed by section 3313.90 of the Revised Code. The community 57312
school may contract with any public agency, board, or bureau or 57313
with any private individual or firm for the purchase of any 57314
career-technical education or vocational rehabilitation service 57315
for any student enrolled in the community school and may pay for 57316
such services with funds received under section 3314.08 of the 57317
Revised Code. 57318

Sec. 3314.087. (A) As used in this section: 57319

(1) "Career-technical program" means ~~vocational~~ 57320
career-technical programs or classes described in division (A) ~~or~~ 57321
(B), (C), (D), or (E) of section 3317.014 of the Revised Code in 57322
which a student is enrolled. 57323

(2) "Formula ADM," "category one ~~or two~~ vocational through 57324
five career-technical education ADM," and "FTE basis" have the 57325
same meanings as in section 3317.02 of the Revised Code. 57326

(3) "Resident school district" means the city, exempted 57327
village, or local school district in which a student is entitled 57328
to attend school under section 3313.64 or 3313.65 of the Revised 57329
Code. 57330

(B) Notwithstanding anything to the contrary in this chapter 57331
or Chapter 3317. of the Revised Code, a student enrolled in a 57332
community school may simultaneously enroll in the career-technical 57333
program operated by the ~~student's resident school district~~ 57334
career-technical planning district to which the student's resident 57335
district belongs. On an FTE basis, the student's resident school 57336
district shall count the student in the category one ~~or two~~ 57337
vocational through five career-technical education ADM for the 57338

proportion of the time the student is enrolled in ~~the district's a~~ 57339
career-technical program of the career-technical planning district 57340
to which the student's resident district belongs and, accordingly, 57341
the department of education shall calculate funds under Chapter 57342
3317. for the resident district attributable to the student for 57343
the proportion of time the student attends the career-technical 57344
program. The community school shall count the student in its 57345
enrollment report under section 3314.08 of the Revised Code and 57346
shall report to the department the proportion of time that the 57347
student attends classes at the community school. The department 57348
shall pay the community school and deduct from the student's 57349
resident school district the amount computed for the student under 57350
section 3314.08 of the Revised Code in proportion to the fraction 57351
of the time on an FTE basis that the student attends classes at 57352
the community school. "Full-time equivalency" for a community 57353
school student, as defined in division ~~(L)~~(H) of section 3314.08 57354
of the Revised Code, does not apply to the student. 57355

Sec. 3314.091. (A) A school district is not required to 57356
provide transportation for any native student enrolled in a 57357
community school if the district board of education has entered 57358
into an agreement with the community school's governing authority 57359
that designates the community school as responsible for providing 57360
or arranging for the transportation of the district's native 57361
students to and from the community school. For any such agreement 57362
to be effective, it must be certified by the superintendent of 57363
public instruction as having met all of the following 57364
requirements: 57365

(1) It is submitted to the department of education by a 57366
deadline which shall be established by the department. 57367

(2) In accordance with divisions (C)(1) and (2) of this 57368
section, it specifies qualifications, such as residing a minimum 57369

distance from the school, for students to have their 57370
transportation provided or arranged. 57371

(3) The transportation provided by the community school is 57372
subject to all provisions of the Revised Code and all rules 57373
adopted under the Revised Code pertaining to pupil transportation. 57374

(4) The sponsor of the community school also has signed the 57375
agreement. 57376

(B)(1) For the school year that begins on July 1, 2007, a 57377
school district is not required to provide transportation for any 57378
native student enrolled in a community school, if the community 57379
school during the previous school year transported the students 57380
enrolled in the school or arranged for the students' 57381
transportation, even if that arrangement consisted of having 57382
parents transport their children to and from the school, but did 57383
not enter into an agreement to transport or arrange for 57384
transportation for those students under division (A) of this 57385
section, and if the governing authority of the community school by 57386
July 15, 2007, submits written notification to the district board 57387
of education stating that the governing authority is accepting 57388
responsibility for providing or arranging for the transportation 57389
of the district's native students to and from the community 57390
school. 57391

(2) ~~For~~ Except as provided in division (B)(4) of this 57392
section, for any school year subsequent to the school year that 57393
begins on July 1, 2007, a school district is not required to 57394
provide transportation for any native student enrolled in a 57395
community school if the governing authority of the community 57396
school, by the thirty-first day of January of the previous school 57397
year, submits written notification to the district board of 57398
education stating that the governing authority is accepting 57399
responsibility for providing or arranging for the transportation 57400
of the district's native students to and from the community 57401

school. If the governing authority of the community school has 57402
previously accepted responsibility for providing or arranging for 57403
the transportation of a district's native students to and from the 57404
community school, under division (B)(1) or (2) of this section, 57405
and has since relinquished that responsibility under division 57406
(B)(3) of this section, the governing authority shall not accept 57407
that responsibility again unless the district board consents to 57408
the governing authority's acceptance of that responsibility. 57409

(3) A governing authority's acceptance of responsibility 57410
under division (B)(1) or (2) of this section shall cover an entire 57411
school year, and shall remain in effect for subsequent school 57412
years unless the governing authority submits written notification 57413
to the district board that the governing authority is 57414
relinquishing the responsibility. However, a governing authority 57415
shall not relinquish responsibility for transportation before the 57416
end of a school year, and shall submit the notice relinquishing 57417
responsibility by the thirty-first day of January, in order to 57418
allow the school district reasonable time to prepare 57419
transportation for its native students enrolled in the school. 57420

(4)(a) For any school year that begins on or after July 1, 57421
2014, a school district is not required to provide transportation 57422
for any native student enrolled in a community school scheduled to 57423
open for operation in the current school year, if the governing 57424
authority of the community school, by the fifteenth day of April 57425
of the previous school year, submits written notification to the 57426
district board of education stating that the governing authority 57427
is accepting responsibility for providing or arranging for the 57428
transportation of the district's native students to and from the 57429
community school. 57430

(b) The governing authority of a community school that 57431
accepts responsibility for transporting its students under 57432
division (4)(a) of this section shall comply with divisions (B)(2) 57433

and (3) of this section to renew or relinquish that authority for 57434
subsequent school years. 57435

(C)(1) A community school governing authority that enters 57436
into an agreement under division (A) of this section, or that 57437
accepts responsibility under division (B) of this section, shall 57438
provide or arrange transportation free of any charge for each of 57439
its enrolled students who is required to be transported under 57440
section 3327.01 of the Revised Code or who would otherwise be 57441
transported by the school district under the district's 57442
transportation policy. The governing authority shall report to the 57443
department of education the number of students transported or for 57444
whom transportation is arranged under this section in accordance 57445
with rules adopted by the state board of education. 57446

(2) The governing authority may provide or arrange 57447
transportation for any other enrolled student who is not eligible 57448
for transportation in accordance with division (C)(1) of this 57449
section and may charge a fee for such service up to the actual 57450
cost of the service. 57451

(3) Notwithstanding anything to the contrary in division 57452
(C)(1) or (2) of this section, a community school governing 57453
authority shall provide or arrange transportation free of any 57454
charge for any disabled student enrolled in the school for whom 57455
the student's individualized education program developed under 57456
Chapter 3323. of the Revised Code specifies transportation. 57457

(D)(1) If a school district board and a community school 57458
governing authority elect to enter into an agreement under 57459
division (A) of this section, the department of education shall 57460
make payments to the community school according to the terms of 57461
the agreement for each student actually transported under division 57462
(C)(1) of this section. 57463

If a community school governing authority accepts 57464

transportation responsibility under division (B) of this section, 57465
the department shall make payments to the community school for 57466
each student actually transported or for whom transportation is 57467
arranged by the community school under division (C)(1) of this 57468
section, calculated as follows: 57469

(a) For any fiscal year which the general assembly has 57470
specified that transportation payments to school districts be 57471
based on an across-the-board percentage of the district's payment 57472
for the previous school year, the per pupil payment to the 57473
community school shall be the following quotient: 57474

(i) The total amount calculated for the school district in 57475
which the child is entitled to attend school for student 57476
transportation other than transportation of children with 57477
disabilities; divided by 57478

(ii) The number of students included in the district's 57479
transportation ADM for the current fiscal year, as reported under 57480
division (B)~~(13)~~(19) of section 3317.03 of the Revised Code, plus 57481
the number of students enrolled in the community school not 57482
counted in the district's transportation ADM who are transported 57483
under division (B)(1) or (2) of this section. 57484

(b) For any fiscal year which the general assembly has 57485
specified that the transportation payments to school districts be 57486
calculated in accordance with section 3317.0212 of the Revised 57487
Code and any rules of the state board of education implementing 57488
that section, the payment to the community school shall be the 57489
amount so calculated that otherwise would be paid to the school 57490
district in which the student is entitled to attend school by the 57491
method of transportation the district would have used. The 57492
community school, however, is not required to use the same method 57493
to transport that student. 57494

(c) Divisions (D)(1)(a) and (b) of this section do not apply 57495

to fiscal years 2012 and 2013. Rather, for each of those fiscal 57496
years, the per pupil payment to a community school for 57497
transporting a student shall be the total amount paid under former 57498
section 3306.12 of the Revised Code for fiscal year 2011 to the 57499
school district in which the child is entitled to attend school 57500
divided by that district's "qualifying ridership," as defined in 57501
that section for fiscal year 2011. 57502

As used in this division "entitled to attend school" means 57503
entitled to attend school under section 3313.64 or 3313.65 of the 57504
Revised Code. 57505

(2) The department shall deduct the payment under division 57506
(D)(1) of this section from the state education aid, as defined in 57507
section 3314.08 of the Revised Code, and, if necessary, the 57508
payment under sections 321.14 and 323.156 of the Revised Code, 57509
that is otherwise paid to the school district in which the student 57510
enrolled in the community school is entitled to attend school. The 57511
department shall include the number of the district's native 57512
students for whom payment is made to a community school under 57513
division (D)(1) of this section in the calculation of the 57514
district's transportation payment under section 3317.0212 of the 57515
Revised Code and the operating appropriations act. 57516

(3) A community school shall be paid under division (D)(1) of 57517
this section only for students who are eligible as specified in 57518
section 3327.01 of the Revised Code and division (C)(1) of this 57519
section, and whose transportation to and from school is actually 57520
provided, who actually utilized transportation arranged, or for 57521
whom a payment in lieu of transportation is made by the community 57522
school's governing authority. To qualify for the payments, the 57523
community school shall report to the department, in the form and 57524
manner required by the department, data on the number of students 57525
transported or whose transportation is arranged, the number of 57526
miles traveled, cost to transport, and any other information 57527

requested by the department. 57528

(4) A community school shall use payments received under this 57529
section solely to pay the costs of providing or arranging for the 57530
transportation of students who are eligible as specified in 57531
section 3327.01 of the Revised Code and division (C)(1) of this 57532
section, which may include payments to a parent, guardian, or 57533
other person in charge of a child in lieu of transportation. 57534

(E) Except when arranged through payment to a parent, 57535
guardian, or person in charge of a child, transportation provided 57536
or arranged for by a community school pursuant to an agreement 57537
under this section is subject to all provisions of the Revised 57538
Code, and all rules adopted under the Revised Code, pertaining to 57539
the construction, design, equipment, and operation of school buses 57540
and other vehicles transporting students to and from school. The 57541
drivers and mechanics of the vehicles are subject to all 57542
provisions of the Revised Code, and all rules adopted under the 57543
Revised Code, pertaining to drivers and mechanics of such 57544
vehicles. The community school also shall comply with sections 57545
3313.201, 3327.09, and 3327.10 of the Revised Code, division (B) 57546
of section 3327.16 of the Revised Code and, subject to division 57547
(C)(1) of this section, sections 3327.01 and 3327.02 of the 57548
Revised Code, as if it were a school district. 57549

Sec. 3314.092. The governing authority or operator of a 57550
community school established under this chapter shall consult with 57551
each school district board of education that transports students 57552
to the community school under sections 3314.09 and 3327.01 of the 57553
Revised Code prior to making any change in the hours or days in 57554
which the community school is open for instruction. 57555

Sec. 3314.11. (A) The board of education of each city, 57556
exempted village, and local school district monthly shall review 57557

enrollment for students enrolled in community schools established 57558
under this chapter and entitled to attend school in the district 57559
under section 3313.64 or 3313.65 of the Revised Code. For each 57560
student, the district shall verify to the department of education 57561
both of the following: 57562

(1) The community school in which the student is enrolled; 57563

(2) That the student is entitled to attend school in the 57564
district under section 3313.64 or 3313.65 of the Revised Code. 57565

(B) For purposes of its initial reporting of the school 57566
districts its students are entitled to attend, the governing 57567
authority of a community school may adopt a policy that prescribes 57568

either approve or disapprove it within thirty calendar days from 58136
the date of its submission. If the plan is disapproved, the state 58137
superintendent shall recommend modifications that will render it 58138
acceptable. No financial planning and supervision commission shall 58139
implement a financial recovery plan that is adopted or updated on 58140

calculate the amounts payable to each school district and shall 58149
certify the amounts payable to each eligible district to the 58150
treasurer of the district as provided by this chapter. As soon as 58151

periodically to each school district unless otherwise provided 58170

hazardous weather conditions, law enforcement emergencies, 58208
inoperability of school buses or other equipment necessary to the 58209
school's operation, damage to a school building, or other 58210
temporary circumstances due to utility failure rendering the 58211
school building unfit for school use, provided that for those 58212
school districts operating pursuant to section 3313.48 of the 58213
Revised Code the number of days the school was actually open for 58214
instruction with pupils in attendance and for individualized 58215
parent teacher conference and reporting periods is not less than 58216
one hundred seventy five, or for those school districts operating 58217
on a trimester plan the number of days the school was actually 58218
open for instruction with pupils in attendance not less than 58219

A school district shall not be considered to have failed to 58227
comply with this division ~~or section 3313.481 of the Revised Code~~ 58228
because schools were open for instruction but either twelfth grade 58229
students were excused from attendance for up to the equivalent of 58230
three school days or only a portion of the kindergarten students 58231

this section shall again be applicable to such a district 58241
beginning with the school year commencing the second July 58242
succeeding the initiation of one such plan, and for each school 58243

comply with this division or section 3313.48 or 3313.481 of the 58246
Revised Code because schools were open for instruction but the 58247
length of the regularly scheduled school day, for any number of 58248
days during the school year, was reduced by not more than two 58249

service center which has not conformed with other law and the 58252
rules pursuant thereto, shall not participate in the distribution 58253
of funds authorized by this chapter, except for good and 58254
sufficient reason established to the satisfaction of the state 58255
board of education and the state controlling board. 58256~~

~~All funds allocated to school districts under this chapter, 58257
except those specifically allocated for other purposes, shall be 58258
used to pay current operating expenses only. 58259~~

~~**Sec. 3317.013.** Except for a preschool child with a disability 58260
for whom a scholarship has been awarded under section 3310.41 of 58261
the Revised Code, this section does not apply to preschool 58262

~~Analysis of special education cost data has resulted in a 58264
finding that the average special education additional cost per 58265
pupil, including the costs of related services, can be expressed 58266
as a multiple of the formula amount. The multiples amounts for the 58267
following categories of special education programs, as these 58268~~

Sec. 3317.017. The department of education shall compute a school district's state share index as follows: 58353
58354

(A) Calculate the district's valuation index, which equals the following quotient: 58355

statewide total ADM) 58360

(B) Calculate the district's median income index, which 58361
equals the following quotient: 58362

(The district's median Ohio adjusted gross income / the 58363
median of the median Ohio adjusted gross income of all districts 58364
statewide) 58365

(C) Determine the district's wealth index as follows: 58366

the district's valuation index)]. 58370

(2) If the district's median income index is greater than or 58371

0.90. 58377

(2) If the district's wealth index is greater than 0.35 but 58378
less than or equal to 0.90, then the district's state share index 58379
shall be equal to {0.40 X [(0.90 - the district's wealth index) / 58380
0.55]} + 0.50. 58381

(3) If the district's wealth index is greater than 0.90 but 58382
less than 1.8, then the district's state share index shall be 58383
equal to {0.45 X [(1.8 - the district's wealth index) / 0.9]} + 58384
0.05. 58385

(4) If the district's wealth index is greater than or equal 58386

(6) (4) "School bus service" means a school district's transportation of qualifying riders in any of the following types of vehicles:	59185 59186 59187
(a) School buses owned or leased by the district;	59188
(b) School buses operated by a private contractor hired by the district;	59189 59190
(c) School buses operated by another school district or entity with which the district has contracted, either as part of a consortium for the provision of transportation or otherwise.	59191 59192 59193

(B) Not later than the fifteenth day of October each year, 59194
each city, local, and exempted village school district shall 59195
report to the department of education its qualifying ridership, 59196
~~nontraditional ridership, number of qualifying riders per assigned~~ 59197
~~bus,~~ and any other information requested by the department. 59198
Subsequent adjustments to the reported numbers shall be made only 59199
in accordance with rules adopted by the department. 59200

(C) The department shall calculate the statewide 59201
transportation cost per student as follows: 59202

(1) Determine each city, local, and exempted village school 59203
district's transportation cost per student by dividing the 59204
district's total costs for school bus service in the previous 59205
fiscal year by its qualifying ridership in the previous fiscal 59206
year. 59207

(2) After excluding districts that do not provide school bus 59208
service and the ten districts with the highest transportation 59209
costs per student and the ten districts with the lowest 59210
transportation costs per student, divide the aggregate cost for 59211
school bus service for the remaining districts in the previous 59212
fiscal year by the aggregate qualifying ridership of those 59213
districts in the previous fiscal year. 59214

(D) The department shall calculate the statewide 59215
transportation cost per mile as follows: 59216

(1) Determine each city, local, and exempted village school 59217
district's transportation cost per mile by dividing the district's 59218
total costs for school bus service in the previous fiscal year by 59219
its total number of miles driven for school bus service in the 59220
previous fiscal year. 59221

(2) After excluding districts that do not provide school bus 59222
service and the ten districts with the highest transportation 59223
costs per mile and the ten districts with the lowest 59224

transportation costs per mile, divide the aggregate cost for 59225
school bus service for the remaining districts in the previous 59226
fiscal year by the aggregate miles driven for school bus service 59227
in those districts in the previous fiscal year. 59228

(E) The department shall calculate each city, local, and 59229
exempted village school district's transportation base payment as 59230
follows: 59231

(1) Multiply the statewide transportation cost per student by 59232
the district's qualifying ridership for the current fiscal year. 59233

(2) Multiply the statewide transportation cost per mile by 59234
the district's total number of miles driven for school bus service 59235
in the current fiscal year. 59236

(3) Multiply the greater of the amounts calculated under 59237
divisions (E)(1) and (2) of this section by the greater of sixty 59238
per cent or the district's state share percentage index, as 59239
defined in section 3317.02 of the Revised Code. 59240

~~(F) The department shall calculate each city, local, and 59241
exempted village school district's nontraditional ridership 59242
adjustment according to the following formula: 59243~~

~~(nontraditional ridership for the current fiscal year / 59244
qualifying ridership for the current fiscal year) X 0.1 X 59245
transportation base payment 59246~~

~~(G) If a city, local, or exempted village school district 59247
offers school bus service to all resident students who are 59248
enrolled in regular education in district schools in grades nine 59249
to twelve and who live more than one mile from the school they 59250
attend, the department shall calculate the district's high school 59251
ridership adjustment according to the following formula: 59252~~

~~0.025 X transportation base payment 59253~~

~~(H) If a city, local, or exempted village school district 59254
offers school bus service to students enrolled in grades 59255~~

~~kindergarten to eight who live more than one mile, but two miles
or less, from the school they attend, the department shall
calculate an additional adjustment according to the following
formula:~~

~~0.025 X transportation base payment~~

~~(1) The department annually shall establish a target
number of qualifying riders per assigned bus for each city, local,
and exempted village school district. The department shall use the
most recently available data in establishing the target number.
The target number shall be based on the statewide median number of
qualifying riders per assigned bus as adjusted to reflect the
district's rider density in comparison to the rider density of all
other districts. The department shall post on the department's web
site each district's target number of qualifying riders per
assigned bus and a description of how the target number was
determined.~~

~~(2) The department shall determine each school district's
efficiency index by dividing the district's median number of
qualifying riders per assigned bus by its target number of
qualifying riders per assigned bus.~~

~~(3) The department shall determine each city, local, and
exempted village school district's efficiency adjustment as
follows:~~

~~(a) If the district's efficiency index is equal to or greater
than 1.5, the efficiency adjustment shall be calculated according
to the following formula:~~

~~0.1 X transportation base payment~~

~~(b) If the district's efficiency index is less than 1.5 but
equal to or greater than 1.0, the efficiency adjustment shall be
calculated according to the following formula:~~

~~{(efficiency index — 1) / 5} X transportation base payment~~

~~(c) If the district's efficiency index is less than 1.0, the efficiency adjustment shall be zero.~~ 59287
59288

~~(J) The department shall pay each city, local, and exempted village school district the lesser of the following:~~ 59289
59290

~~(1) The sum of the amounts calculated under divisions (E) to (H) and (I)(3) of this section;~~ 59291
59292

~~(2) The district's total costs for school bus service for the prior fiscal year.~~ 59293
59294

~~(K) In addition to funds paid under division (J)(E) of this section, each city, local, and exempted village district shall receive in accordance with rules adopted by the state board of education a payment for students transported by means other than school bus service and whose transportation is not funded under division (C) of section 3317.024 of the Revised Code. The rules shall include provisions for school district reporting of such students.~~ 59295

(G)(1) In fiscal years 2014 and 2015, the department shall pay each district a pro rata portion of the amounts calculated under division (E) of this section and described in division (F) of this section, based on state appropriations. 59303
59304
59305
59306

(2) In addition to the prorated payment under division (G)(1) of this section, in fiscal years 2014 and 2015, the department shall pay each school district that meets the conditions prescribed in division (G)(3) of this section an additional amount equal to the difference of (a) the amounts calculated under division (E) of this section and prescribed in division (F) of this section minus (b) that prorated payment. 59307

59313

(3) Division (G)(2) of this section applies to each school district that meets all of the following conditions: 59314
59315

(a) The district qualifies for the calculation of a payment 59316

under division (E) of this section because it transports students 59317
on board-owned or contractor-owned school buses. 59318

(b) The district's state share index is greater than or equal 59319
to 0.50. 59320

(c) The district's rider density is at or below the median 59321
rider density of all districts that qualify for calculation of a 59322
payment under division (E) of this section. 59323

(H) Each city, local, and exempted village school district 59324
shall report all data used to calculate funding for transportation 59325
under this section through the education management information 59326
system pursuant to section 3301.0714 of the Revised Code. 59327

Sec. 3317.0213. (A) The department of education shall compute 59328
and pay in accordance with this section additional state aid for 59329
preschool special education children to each city, local, and 59330
exempted village school district and to each institution, as 59331
defined in section 3323.091 of the Revised Code. Funding shall be 59332
provided for children who are not enrolled in kindergarten and who 59333
are under age six on the thirtieth day of September of the 59334
academic year, or on the first day of August of the academic year 59335
if the school district in which the child is enrolled has adopted 59336
a resolution under division (A)(3) of section 3321.01 of the 59337

The additional state aid shall be calculated under the 59340
following formula: 59341

(\$4,000 X the number of preschool special education children) 59342
+ the sum of the following: 59343

(1) The district's or institution's category one special 59344

preschool special education students under agreement with the 59377
city, local, or exempted village school district in which the 59378
students are entitled to attend school, that district may 59379
authorize the department to transfer funds computed under this 59380
section to the service center providing those services. 59381

(C) If a county DD board is providing services to preschool 59382
special education students under agreement with the city, local, 59383
or exempted village school district in which the students are 59384
entitled to attend school, the department shall deduct from the 59385
district's payment computed under division (A) of this section the 59386
total amount of those funds that are attributable to the students 59387
served by the county DD board and pay that amount to that board. 59388

Sec. 3317.0214. (A) The department shall compute and pay in 59389
accordance with this section additional state aid to school 59390
districts for students in categories two through six special 59391
education ADM. If a district's costs for the fiscal year for a 59392
student in its categories two through six special education ADM 59393
exceed the threshold catastrophic cost for serving the student, 59394
the district may submit to the superintendent of public 59395
instruction documentation, as prescribed by the superintendent, of 59396
all its costs for that student. Upon submission of documentation 59397
for a student of the type and in the manner prescribed, the 59398
department shall pay to the district an amount equal to the sum of 59399
the following: 59400

(1) One-half of the district's costs for the student in 59401
excess of the threshold catastrophic cost; 59402

(2) The product of one-half of the district's costs for the 59403
student in excess of the threshold catastrophic cost multiplied by 59404
the district's state share index. 59405

(B) For purposes of division (A) of this section, the 59406
threshold catastrophic cost for serving a student equals: 59407

(1) For a student in the school district's category two, three, four, or five special education ADM, twenty-seven thousand three hundred seventy-five dollars; 59408
59409
59410

(2) For a student in the district's category six special education ADM, thirty-two thousand eight hundred fifty dollars. 59411
59412

(C) The district shall report under division (A) of this section, and the department shall pay for, only the costs of educational expenses and the related services provided to the student in accordance with the student's individualized education program. Any legal fees, court costs, or other costs associated with any cause of action relating to the student may not be included in the amount. 59413

Sec. 3317.0217. Payment of the amount calculated for a school district under this section shall be made under division (A) of section 3317.022 of the Revised Code. 59420
59421
59422

(A) The department of education shall annually compute targeted assistance funds to school districts, as follows: 59423
59424

(1) Calculate the local wealth per pupil of each school district, which equals the following sum: 59425
59426

(a) One-half times the quotient of (i) the district's three-year average valuation divided by (ii) its formula ADM; plus 59427
59428

(b) One-half times the quotient of (i) the average of the total federal adjusted gross income of the school district's residents for the three years most recently reported under section 3317.021 of the Revised Code divided by (ii) its formula ADM. 59429
59430
59431
59432

(2) Rank all school districts in order of local wealth per pupil, from the district with the lowest local wealth per pupil to the district with the highest local wealth per pupil. 59433
59434
59435

(3) Compute the statewide wealth per pupil, which equals the following sum: 59436
59437

(a) One-half times the quotient of (i) the sum of the 59438
three-year average valuations for all school districts divided by 59439
(ii) the sum of formula ADM counts for all schools districts; plus 59440

(b) One-half times the quotient of (i) the sum of the 59441
three-year average total federal adjusted gross incomes for all 59442
school districts divided by (ii) the sum of formula ADM counts for 59443
all school districts. 59444

(4) Compute each district's wealth index by dividing the 59445
statewide wealth per pupil by the district's local wealth per 59446
pupil. 59447

(5) Compute the per pupil targeted assistance for each 59448
eligible school district in accordance with the following formula: 59449
(Threshold local wealth per pupil - the district's local wealth 59450
per pupil) 59451
X target millage X the district's wealth index 59452

Where: 59453

(a) An "eligible school district" means a school district 59454
with a local wealth per pupil less than that of the school 59455
district with the 490th lowest local wealth per pupil. 59456

(b) "Threshold local wealth per pupil" means the local wealth 59457
per pupil of the school district with the 490th lowest local 59458
wealth per pupil. 59459

(c) "Target millage" means 0.006. 59460

If the result of the calculation for a school district under 59461
division (A)(5) of this section is less than zero, the district's 59462
targeted assistance shall be zero. 59463

(6) Calculate the aggregate amount to be paid as targeted 59464
assistance funds to each school district under division (A) of 59465
section 3317.022 of the Revised Code by multiplying the per pupil 59466
targeted assistance computed under division (A)(5) of this section 59467

by the district's net formula ADM. 59468

As used in this division, a district's "net formula ADM" means its formula ADM minus the number of community school students reported under division (B)(3)(d) of section 3317.03 of the Revised Code X 0.75, the number of internet- and computer-based community school students reported under division (B)(3)(e) of that section, and the number of scholarship students reported under divisions (B)(3)(f), (g), and (l) of that section. 59469
59470
59471
59472
59473
59474
59475

(B) The department shall annually compute supplemental targeted assistance funds to school districts, as follows: 59476
59477

(1) Compute each district's agricultural percentage as the quotient of (a) the three-year average tax valuation of real property in the district that is classified as agricultural property divided by (b) the three-year average tax valuation of all of the real property in the district. For purposes of this computation, a district's "three-year average tax valuation" means the average of a district's tax valuation for fiscal years 2012, 2013, and 2014. 59478
59479
59480
59481
59482
59483
59484
59485

(2) Determine each district's agricultural targeted percentage as follows: 59486
59487

(a) If a district's agricultural percentage is greater than or equal to 0.10, then the district's agricultural targeted percentage shall be equal to 0.40. 59488
59489
59490

(b) If a district's agricultural percentage is less than 0.10, then the district's agricultural targeted percentage shall be equal to 4 X the district's agricultural percentage. 59491
59492
59493

(3) Calculate the aggregate amount to be paid as supplemental targeted assistance funds to each school district under division (A) of section 3317.022 of the Revised Code by multiplying the district's agricultural targeted percentage by the amount calculated for the district under division (A)(6) of this section. 59494
59495
59496
59497
59498

exempted village school district ~~and of each educational service~~ 59500
~~center shall, for the schools under the superintendent's~~ 59501
~~supervision,~~ certify to the state board of education on or before 59502

other students entitled to attend school in the district under 59508
section 3313.64 or 3313.65 of the Revised Code the superintendent 59509
is required to report under this section, so that the department 59510
of education can calculate the district's formula ADM. If a school 59511
under the superintendent's supervision is closed for one or more 59512
days during ~~that~~ a week for which the average daily membership 59513
must be certified due to hazardous weather conditions or other 59514
circumstances described in ~~the first paragraph of~~ division 59515

superintendent may apply to the superintendent of public 59517
instruction for a waiver, under which the superintendent of public 59518
instruction may exempt the district superintendent from certifying 59519
the average daily membership for that school for that week and 59520
specify an alternate week in the same month for certifying the 59521
average daily membership of that school. 59522

The average daily membership during ~~such~~ a week shall consist 59523
of the sum of the following: 59524

The board of education shall deliver to the state department 61050
a copy of such resolution and any additional pertinent information 61051
the state department may require. 61052

The department of education and the office of budget and management shall evaluate each request received from a school district under this section and the department, with the advice and consent of the director of budget and management, shall approve or deny each request based on all of the following:

(1) Whether approval of the request will enhance the marketability of the securities for which the request is made;

(2) Any other pertinent factors or limitations established in rules made under division (I) of this section, including:

(a) Current and projected obligations of funds due to the requesting school district under Chapter 3317. of the Revised Code including obligations of those funds to public obligations or relevant credit enhancement facilities under this section, Chapter 133. and section 3313.483 of the Revised Code, and under any other similar provisions of law;

(C) If the department approves the request of a school district to withhold and deposit funds pursuant to this section, the department shall enter into a written agreement with the district and the primary paying agent or fiscal agent for the securities which shall provide for the withholding of funds pursuant to this section for the payment of debt charges on those securities, and may include both of the following:

(D) Whenever a district notifies the department of education 61092
that it will be unable to pay debt charges when they are due, 61093

the applicable paying agent or fiscal agent notifies the 61095
department that it has not timely received from a school district 61096
the full amount needed for the payment when due of those debt 61097
charges to the holders or owners of such securities, the 61098
department shall immediately contact the school district and the 61099
paying agent or fiscal agent to confirm or determine whether the 61100
district is unable to make the required payment by the date on 61101
which it is due. 61102

Upon demand of the treasurer of state while holding a school 61103
district obligation purchased under division (G)(1) of section 61104

If the department confirms or determines that the district 61109
will be unable to make such payment and payment will not be made 61110
pursuant to a credit enhancement facility, the department shall 61111
promptly pay to the applicable primary paying agent or fiscal 61112
agent the lesser of the amount due for debt charges or the amount 61113
due the district for the remainder of the fiscal year under 61114
Chapter 3317. of the Revised Code. If this amount is insufficient 61115

to pay the total amount then due the agent for the payment of debt 61116
charges, the department shall pay to the agent each fiscal year 61117
thereafter, and until the full amount due the agent for unpaid 61118
debt charges is paid in full, the lesser of the remaining amount 61119

or to the reimbursement to the provider of a credit enhancement 61127
facility that has paid such debt charges. 61128

(F) To the extent a school district whose securities are 61129
subject to this section is unable to pay applicable debt charges 61130
because of the failure to collect property taxes levied for the 61131
payment of those debt charges, the district may transfer to or 61132
deposit into any fund that would have received payments under 61133
Chapter 3317. of the Revised Code that were withheld under this 61134
section any such delinquent property taxes when later collected, 61135
provided that transfer or deposit shall be limited to the amounts 61136
withheld from that fund under this section. 61137

(G) The department may make payments under this section to 61138
paying agents or fiscal agents only from and to the extent that 61139
money is appropriated by the general assembly for Chapter 3317. of 61140
the Revised Code or for the purposes of this section. No 61141
securities of a school district to which this section is made 61142
applicable constitute an obligation or a debt or a pledge of the 61143
faith, credit, or taxing power of the state, and the holders or 61144
owners of such securities have no right to have taxes levied or 61145
appropriations made by the general assembly for the payment of 61146
debt charges on those securities, and those securities, if the 61147

department requires, shall contain a statement to that effect. The 61148
agreement for or the actual withholding and payment of moneys 61149
under this section does not constitute the assumption by the state 61150
of any debt of a school district. 61151

(H) In the case of securities subject to the withholding 61152
provisions of this section, the issuing board of education shall 61153
appoint a paying agent or fiscal agent who is not an officer or 61154
employee of the school district. 61155

(I) The department of education, with the advice of the 61156

section and division (B) of section 133.25 of the Revised Code as 61159
it relates to the withholding and depositing of payments under 61160
Chapter 3317. of the Revised Code to secure payment of debt 61161
charges on school district securities. Those rules shall include 61162
criteria for the evaluation and approval or denial of school 61163
district requests for withholding under this section and limits on 61164
the obligation for the purpose of paying debt charges or 61165
reimbursing credit enhancement facilities of funds otherwise to be 61166
paid to school districts under Chapter 3317. of the Revised Code. 61167

(J) The authority granted by this section is in addition to 61168
and not a limitation on any other authorizations granted by or 61169
pursuant to law for the same or similar purposes. 61170

of indebtedness, or an amount equal to the required percentage of 61659
the basic project costs, whichever is greater. All bonds and bond 61660

to pay for its share of the project cost or to comply with 61780

Sec. 3318.36. (A)(1) As used in this section: 61866

(a) "Ohio school facilities commission," "classroom 61867
facilities," "school district," "school district board," "net 61868
bonded indebtedness," "required percentage of the basic project 61869
costs," "basic project cost," "valuation," and "percentile" have 61870
the same meanings as in section 3318.01 of the Revised Code. 61871

(b) "Required level of indebtedness" means five per cent of 61872
the school district's valuation for the year preceding the year in 61873
which the commission and school district enter into an agreement 61874
under division (B) of this section, plus [two one-hundredths of 61875
one per cent multiplied by (the percentile in which the district 61876
ranks minus one)]. 61877

(c) "Local resources" means any moneys generated in any 61878
manner permitted for a school district board to raise the school 61879
district portion of a project undertaken with assistance under 61880
sections 3318.01 to 3318.20 of the Revised Code. 61881

(d) "Tangible personal property phase-out impacted district" 61882
means a school district for which the taxable value of its 61883
tangible personal property certified under division (A)(2) of 61884
section 3317.021 of the Revised Code for tax year 2005, excluding 61885

the taxable value of public utility personal property, made up 61886
eighteen per cent or more of its total taxable value for tax year 61887
2005 as certified under that section. 61888

(2) For purposes of determining the required level of 61889
indebtedness, the required percentage of the basic project costs 61890
under division (C)(1) of this section, and priority for assistance 61891
under sections 3318.01 to 3318.20 of the Revised Code, the 61892
percentile ranking of a school district with which the commission 61893
has entered into an agreement under this section between the first 61894
day of July and the thirty-first day of August in each fiscal year 61895
is the percentile ranking calculated for that district for the 61896
immediately preceding fiscal year, and the percentile ranking of a 61897
school district with which the commission has entered into such 61898
agreement between the first day of September and the thirtieth day 61899
of June in each fiscal year is the percentile ranking calculated 61900
for that district for the current fiscal year. However, in the 61901
case of a tangible personal property phase-out impacted district, 61902
the district's priority for assistance under sections 3318.01 to 61903
3318.20 of the Revised Code and its portion of the basic project 61904
cost under those sections shall be determined in the manner 61905
prescribed, respectively, in divisions (B)(3)(b) and (E)(1)(b) of 61906
this section. 61907

(B)(1) There is hereby established the school building 61908
assistance expedited local partnership program. Under the program, 61909
the Ohio school facilities commission may enter into an agreement 61910
with the board of any school district under which the board may 61911
proceed with the new construction or major repairs of a part of 61912
the district's classroom facilities needs, as determined under 61913
sections 3318.01 to 3318.20 of the Revised Code, through the 61914
expenditure of local resources prior to the school district's 61915
eligibility for state assistance under those sections, and may 61916
apply that expenditure toward meeting the school district's 61917

portion of the basic project cost of the total of the district's classroom facilities needs, as recalculated under division (E) of this section, when the district becomes eligible for state assistance under sections 3318.01 to 3318.20 or section 3318.364 of the Revised Code. Any school district that is reasonably expected to receive assistance under sections 3318.01 to 3318.20 of the Revised Code within two fiscal years from the date the school district adopts its resolution under division (B) of this section shall not be eligible to participate in the program established under this section.

(2) To participate in the program, a school district board shall first adopt a resolution certifying to the commission the board's intent to participate in the program.

The resolution shall specify the approximate date that the board intends to seek elector approval of any bond or tax measures or to apply other local resources to use to pay the cost of classroom facilities to be constructed under this section. The resolution may specify the application of local resources or elector-approved bond or tax measures after the resolution is adopted by the board, and in such case the board may proceed with a discrete portion of its project under this section as soon as the commission and the controlling board have approved the basic project cost of the district's classroom facilities needs as specified in division (D) of this section. The board shall submit its resolution to the commission not later than ten days after the date the resolution is adopted by the board.

The commission shall not consider any resolution that is submitted pursuant to division (B)(2) of this section, as amended by this amendment, sooner than September 14, 2000.

(3) For purposes of determining when a district that enters into an agreement under this section becomes eligible for assistance under sections 3318.01 to 3318.20 of the Revised Code

or priority for assistance under section 3318.364 of the Revised Code, the commission shall use one of the following as applicable:

(a) Except for a tangible personal property phase-out impacted district, the district's percentile ranking determined at the time the district entered into the agreement under this section, as prescribed by division (A)(2) of this section;

(b) For a tangible personal property phase-out impacted district, the lesser of (i) the district's percentile ranking determined at the time the district entered into the agreement under this section, as prescribed by division (A)(2) of this section, or (ii) the district's current percentile ranking under section 3318.011 of the Revised Code.

(4) Any project under this section shall comply with section 3318.03 of the Revised Code and with any specifications for plans and materials for classroom facilities adopted by the commission under section 3318.04 of the Revised Code.

(5) If a school district that enters into an agreement under this section has not begun a project applying local resources as provided for under that agreement at the time the district is notified by the commission that it is eligible to receive state assistance under sections 3318.01 to 3318.20 of the Revised Code, all assessment and agreement documents entered into under this section are void.

(6) Only construction of or repairs to classroom facilities that have been approved by the commission and have been therefore included as part of a district's basic project cost qualify for application of local resources under this section.

(C) Based on the results of on-site visits and assessment, the commission shall determine the basic project cost of the school district's classroom facilities needs. The commission shall determine the school district's portion of such basic project

cost, which shall be the greater of: 61981

(1) The required percentage of the basic project costs, 61982
determined based on the school district's percentile ranking; 61983

(2) An amount necessary to raise the school district's net 61984
bonded indebtedness, as of the fiscal year the commission and the 61985
school district enter into the agreement under division (B) of 61986
this section, to within five thousand dollars of the required 61987
level of indebtedness. 61988

(D)(1) When the commission determines the basic project cost 61989
of the classroom facilities needs of a school district and the 61990
school district's portion of that basic project cost under 61991
division (C) of this section, the project shall be conditionally 61992
approved. Such conditional approval shall be submitted to the 61993
controlling board for approval thereof. The controlling board 61994
shall forthwith approve or reject the commission's determination, 61995
conditional approval, and the amount of the state's portion of the 61996
basic project cost; however, no state funds shall be encumbered 61997
under this section. Upon approval by the controlling board, the 61998
school district board may identify a discrete part of its 61999
classroom facilities needs, which shall include only new 62000
construction of or additions or major repairs to a particular 62001
building, to address with local resources. Upon identifying a part 62002
of the school district's basic project cost to address with local 62003
resources, the school district board may allocate any available 62004
school district moneys to pay the cost of that identified part, 62005
including the proceeds of an issuance of bonds if approved by the 62006
electors of the school district. 62007

All local resources utilized under this division shall first 62008
be deposited in the project construction account required under 62009
section 3318.08 of the Revised Code. 62010

(2) Unless the school district board exercises its option 62011

under division (D)(3) of this section, for a school district to 62012
qualify for participation in the program authorized under this 62013
section, one of the following conditions shall be satisfied: 62014

(a) The electors of the school district by a majority vote 62015
shall approve the levy of taxes outside the ten-mill limitation 62016
for a period of twenty-three years at the rate of not less than 62017
one-half mill for each dollar of valuation to be used to pay the 62018
cost of maintaining the classroom facilities included in the basic 62019
project cost as determined by the commission. The form of the 62020
ballot to be used to submit the question whether to approve the 62021
tax required under this division to the electors of the school 62022
district shall be the form for an additional levy of taxes 62023
prescribed in section 3318.361 of the Revised Code, which may be 62024
combined in a single ballot question with the questions prescribed 62025
under section 5705.218 of the Revised Code. 62026

(b) As authorized under division (C) of section 3318.05 of 62027
the Revised Code, the school district board shall earmark from the 62028
proceeds of a permanent improvement tax levied under section 62029
5705.21 of the Revised Code, an amount equivalent to the 62030
additional tax otherwise required under division (D)(2)(a) of this 62031
section for the maintenance of the classroom facilities included 62032
in the basic project cost as determined by the commission. 62033

(c) As authorized under section 3318.051 of the Revised Code, 62034
the school district board shall, if approved by the commission, 62035
annually transfer into the maintenance fund required under section 62036
3318.05 of the Revised Code the amount prescribed in section 62037
3318.051 of the Revised Code in lieu of the tax otherwise required 62038
under division (D)(2)(a) of this section for the maintenance of 62039
the classroom facilities included in the basic project cost as 62040
determined by the commission. 62041

(d) If the school district board has rescinded the agreement 62042
to make transfers under section 3318.051 of the Revised Code, as 62043

provided under division (F) of that section, the electors of the school district, in accordance with section 3318.063 of the Revised Code, first shall approve the levy of taxes outside the ten-mill limitation for the period specified in that section at a rate of not less than one-half mill for each dollar of valuation.

(e) The school district board shall apply the proceeds of a tax to leverage bonds as authorized under section 3318.052 of the Revised Code or dedicate a local donated contribution in the manner described in division (B) of section 3318.084 of the Revised Code in an amount equivalent to the additional tax otherwise required under division (D)(2)(a) of this section for the maintenance of the classroom facilities included in the basic project cost as determined by the commission.

(3) A school district board may opt to delay taking any of the actions described in division (D)(2) of this section until the school district becomes eligible for state assistance under sections 3318.01 to 3318.20 of the Revised Code. In order to exercise this option, the board shall certify to the commission a resolution indicating the board's intent to do so prior to entering into an agreement under division (B) of this section.

(4) If pursuant to division (D)(3) of this section a district board opts to delay levying an additional tax until the district becomes eligible for state assistance, it shall submit the question of levying that tax to the district electors as follows:

(a) In accordance with section 3318.06 of the Revised Code if it will also be necessary pursuant to division (E) of this section to submit a proposal for approval of a bond issue;

(b) In accordance with section 3318.361 of the Revised Code if it is not necessary to also submit a proposal for approval of a bond issue pursuant to division (E) of this section.

(5) No state assistance under sections 3318.01 to 3318.20 of

the Revised Code shall be released until a school district board 62075
that adopts and certifies a resolution under division (D) of this 62076
section also demonstrates to the satisfaction of the commission 62077
compliance with the provisions of division (D)(2) of this section. 62078

Any amount required for maintenance under division (D)(2) of 62079
this section shall be deposited into a separate fund as specified 62080
in division (B) of section 3318.05 of the Revised Code. 62081

(E)(1) If the school district becomes eligible for state 62082
assistance under sections 3318.01 to 3318.20 of the Revised Code 62083
based on its percentile ranking under division (B)(3) of this 62084
section or is offered assistance under section 3318.364 of the 62085
Revised Code, the commission shall conduct a new assessment of the 62086
school district's classroom facilities needs and shall recalculate 62087
the basic project cost based on this new assessment. The basic 62088
project cost recalculated under this division shall include the 62089
amount of expenditures made by the school district board under 62090
division (D)(1) of this section. The commission shall then 62091
recalculate the school district's portion of the new basic project 62092
cost, which shall be one of the following as applicable: 62093

(a) Except for a tangible personal property phase-out 62094
impacted district, the percentage of the original basic project 62095
cost assigned to the school district as its portion under division 62096
(C) of this section; 62097

(b) For a tangible personal property phase-out impacted 62098
district, the lesser of (i) the percentage of the original basic 62099
project cost assigned to the school district as its portion under 62100
division (C) of this section, or (ii) the percentage of the new 62101
basic project cost determined under section 3318.032 of the 62102
Revised Code using the district's current percentile ranking under 62103
section 3318.011 of the Revised Code. The 62104

The commission shall deduct the expenditure of school 62105

district moneys made under division (D)(1) of this section from 62106
the school district's portion of the basic project cost as 62107
recalculated under this division. If the amount of school district 62108
resources applied by the school district board to the school 62109
district's portion of the basic project cost under this section is 62110
less than the total amount of such portion as recalculated under 62111
this division, the school district board by a majority vote of all 62112
of its members shall, if it desires to seek state assistance under 62113
sections 3318.01 to 3318.20 of the Revised Code, adopt a 62114
resolution as specified in section 3318.06 of the Revised Code to 62115
submit to the electors of the school district the question of 62116
approval of a bond issue in order to pay any additional amount of 62117
school district portion required for state assistance. Any tax 62118
levy approved under division (D) of this section satisfies the 62119
requirements to levy the additional tax under section 3318.06 of 62120
the Revised Code. 62121

(2) If the amount of school district resources applied by the 62122
school district board to the school district's portion of the 62123
basic project cost under this section is more than the total 62124
amount of such portion as recalculated under ~~this~~ division (E)(1) 62125
of this section, within one year after the school district's 62126
portion is so recalculated ~~under division (E)(1) of this section~~ 62127
the commission may grant to the school district the difference 62128
between the two calculated portions, but at no time shall the 62129
commission expend any state funds on a project in an amount 62130
greater than the state's portion of the basic project cost as 62131
recalculated under ~~this~~ division (E)(1) of this section. 62132

Any reimbursement under this division shall be only for local 62133
resources the school district has applied toward construction cost 62134
expenditures for the classroom facilities approved by the 62135
commission, which shall not include any financing costs associated 62136
with that construction. 62137

The school district board shall use any moneys reimbursed to 62138
the district under this division to pay off any debt service the 62139
district owes for classroom facilities constructed under its 62140
project under this section before such moneys are applied to any 62141
other purpose. However, the district board first may deposit 62142
moneys reimbursed under this division into the district's general 62143
fund or a permanent improvement fund to replace local resources 62144
the district withdrew from those funds, as long as, and to the 62145
extent that, those local resources were used by the district for 62146
constructing classroom facilities included in the district's basic 62147
project cost. 62148

(3) A tangible personal property phase-out impacted district 62149
shall receive credit under division (E) of this section for the 62150
expenditure of local resources pursuant to any prior agreement 62151
authorized by this section, notwithstanding any recalculation of 62152
its average taxable value. 62153

Sec. 3318.363. (A) This section applies beginning in fiscal 62154
year 2003 and only to a school district participating in the 62155
school building assistance expedited local partnership program 62156
under section 3318.36 of the Revised Code. 62157

(B) If there is a decrease in the tax valuation of a school 62158
district to which this section applies by ten per cent or greater 62159
from one tax year to the next due to a decrease in the assessment 62160
rate of the taxable property of an electric company that owns 62161
property in the district, as provided for in section 5727.111 of 62162
the Revised Code as amended by Am. Sub. S.B. 3 of the 123rd 62163
General Assembly, the Ohio school facilities commission shall 62164
calculate or recalculate the state and school district portions of 62165
the basic project cost of the school district's project by 62166
determining the percentile rank in which the district would be 62167
located if such ranking were made using the adjusted valuation per 62168

pupil calculated under division (C) of this section rather than 62169
the three-year average adjusted valuation per pupil, calculated 62170
under division (B) of section 3318.011 of the Revised Code. For 62171
such district, the required percentage of the basic project cost 62172
used to determine the state and school district shares of that 62173
cost under division (C) of section 3318.36 of the Revised Code 62174
shall be based on the percentile rank as calculated under this 62175
section rather than as otherwise provided in division (C)(1) of 62176
section 3318.36 of the Revised Code. If the commission has 62177
determined the state and school district portion of the basic 62178
project cost of such a district's project under section 3318.36 of 62179
the Revised Code prior to that decrease in tax valuation, the 62180
commission shall adjust the state and school district shares of 62181
the basic project cost of such project in accordance with this 62182
section. 62183

(C)(1) As used in divisions (C) and (D) of this section, 62184
"total taxable value," and "formula ADM," ~~and "income factor"~~ have 62185
the same meanings as in section 3317.02 of the Revised Code, and 62186
"income factor" has the same meaning as in section 3318.011 of the 62187
Revised Code. 62188

(2) The adjusted valuation per pupil for a school district to 62189
which this section applies shall be calculated using the following 62190
formula: 62191

(The district's total taxable value for the tax year 62192
preceding the calendar year in which the current fiscal year 62193
begins / the district's formula ADM for the previous fiscal year) 62194
- [\$30,000 x (1 - the district's income factor)]. 62195

(D) At the request of the Ohio school facilities commission, 62196
the department of education shall report a district's total 62197
taxable value for the tax year preceding the calendar year in 62198
which the current fiscal year begins for any district to which 62199
this section applies as that information has been certified to the 62200

department by the tax commissioner pursuant to section 3317.021 of 62201
the Revised Code. 62202

Sec. 3319.031. Notwithstanding any provision of the Revised 62203
Code to the contrary, if the board of education of a city, local, 62204
or exempted village school district does not appoint a business 62205
manager under section 3319.03 of the Revised Code, the board may 62206
assign powers and duties specified in section 3319.04 of the 62207
Revised Code to one or more employees or officers of the board, 62208
including the treasurer, and may give the employees or officers 62209
any title recognizing the assignment of the powers and duties. The 62210
prohibition, in section 3319.04 of the Revised Code, against a 62211
business manager having possession of moneys does not prevent a 62212
board from assigning powers and duties specified in that section 62213
to the treasurer and does not prevent a treasurer who is assigned 62214
those powers and duties from exercising the powers and duties of 62215
treasurer. If the board assigns the duties of a business manager 62216
under section 3319.04 of the Revised Code to the treasurer, the 62217
treasurer shall not have the authority to make recommendations to 62218
appoint or discharge noneducational employees, except as provided 62219
under section 3313.31 of the Revised Code. Instead, the district 62220
superintendent shall be responsible for making recommendations, 62221
subject to confirmation by the board, for the appointment or 62222
discharge of noneducational employees. 62223

Sec. 3319.07. (A) The board of education of each city, 62224
exempted village, local, and joint vocational school district 62225
shall employ the teachers of the public schools of their 62226
respective districts. 62227

The governing board of each educational service center may 62228
employ special instruction teachers, special education teachers, 62229
and teachers of academic courses in which there are too few 62230
students in each of the school districts entering into agreements 62231

pursuant to section 3313.843 of the Revised Code to warrant each 62232
district's employing teachers for those courses. 62233

When any board makes appointments of teachers, the teachers 62234
in the employ of the board shall be considered before new teachers 62235
are chosen in their stead. In all school districts and in service 62236
centers, no teacher shall be employed unless such person is 62237
nominated by the superintendent of such district or center, or by 62238
another individual designated by the board in the event that the 62239
superintendent's nomination would be a violation of section 62240
2921.42 of the Revised Code. Such board, by a three-fourths vote 62241
of its full membership, may re-employ any teacher whom the 62242
superintendent refuses to appoint. 62243

(B) The board of education of any school district may 62244
contract with the governing board of the educational service 62245
center from which it otherwise receives services to conduct 62246
searches and recruitment of candidates for teacher positions. 62247

Sec. 3319.073. (A) The board of education of each city and 62248
exempted village school district and the governing board of each 62249
educational service center shall adopt or adapt the curriculum 62250
developed by the department of education for, or shall develop in 62251
consultation with public or private agencies or persons involved 62252
in child abuse prevention or intervention programs, a program of 62253
in-service training in the prevention of child abuse, violence, 62254
and substance abuse and the promotion of positive youth 62255
development. Each person employed by any school district or 62256
service center to work in a school as a nurse, teacher, counselor, 62257
school psychologist, or administrator shall complete at least four 62258
hours of the in-service training within two years of commencing 62259
employment with the district or center, and every five years 62260
thereafter. A person who is employed by any school district or 62261
service center to work in an elementary school as a nurse, 62262

teacher, counselor, school psychologist, or administrator on March 62263
30, 2007, shall complete at least four hours of the in-service 62264
training not later than March 30, 2009, and every five years 62265
thereafter. A person who is employed by any school district or 62266
service center to work in a middle or high school as a nurse, 62267
teacher, counselor, school psychologist, or administrator on 62268
October 16, 2009, shall complete at least four hours of the 62269
in-service training not later than October 16, 2011, and every 62270
five years thereafter. 62271

(B) Each board shall incorporate training in school safety 62272
and violence prevention, including human trafficking content, into 62273
the in-service training required by division (A) of this section. 62274
For this purpose, the board shall adopt or adapt the curriculum 62275
developed by the department or shall develop its own curriculum in 62276
consultation with public or private agencies or persons involved 62277
in school safety and violence prevention programs. 62278

(C) Each board shall incorporate training on the board's 62279
harassment, intimidation, or bullying policy adopted under section 62280
3313.666 of the Revised Code into the in-service training required 62281
by division (A) of this section. Each board also shall incorporate 62282
training in the prevention of dating violence into the in-service 62283
training required by that division for middle and high school 62284
employees. The board shall develop its own curricula for these 62285
purposes. 62286

(D) Each board shall incorporate training in youth suicide 62287
awareness and prevention into the in-service training required by 62288
division (A) of this section for each person employed by a school 62289
district or service center to work in a school as a nurse, 62290
teacher, counselor, school psychologist, or administrator, and any 62291
other personnel that the board determines appropriate. For this 62292
purpose, the board shall adopt or adapt the curriculum developed 62293
by the department or shall develop its own curriculum in 62294

consultation with public or private agencies or persons involved 62295
in youth suicide awareness and prevention programs. 62296

The training completed under this division shall count toward 62297
the satisfaction of requirements for professional development 62298
required by the school district or service center board, and the 62299
training may be accomplished through self-review of suitable 62300
suicide prevention materials approved by the board. 62301

Sec. 3319.0811. ~~¶~~ Except as provided in section 3319.0812 of 62302
the Revised Code, if the board of education of a school district 62303
offers to students of compulsory school age courses for high 62304
school credit that are taught at times outside the district's 62305
normal school day, the board shall enter into supplemental 62306
contracts under section 3319.08 of the Revised Code with the 62307
teachers assigned to teach those courses and shall not include 62308
such assignment of duties within the teachers' regular employment 62309
contracts under that section. 62310

Sec. 3319.0812. (A) As used in this section, "extended 62311
programming" means extended programming as described in section 62312
3301.0725 of the Revised Code. 62313

(B) The board of education of a school district shall pay a 62314
licensed educator who is providing extended programming on an 62315
hourly basis at the regular per diem rate determined under the 62316
licensed educator's employment contract or collective bargaining 62317
agreement. 62318

(C) A licensed educator shall not provide more than eight 62319
hours of extended programming in a twenty-four-hour day. 62320

Sec. 3319.112. (A) Not later than December 31, 2011, the 62321
state board of education shall develop a standards-based state 62322
framework for the evaluation of teachers. The state board may 62323

update the framework periodically by adoption of a resolution. The 62324
framework shall establish an evaluation system that does the 62325
following: 62326

(1) Provides for multiple evaluation factors. One factor 62327
shall be student academic growth which shall account for ~~fifty~~ 62328
thirty-five per cent of each evaluation. A school district may 62329
attribute an additional percentage to the academic growth factor, 62330
not to exceed fifteen per cent of each evaluation. When applicable 62331
to the grade level or subject area taught by a teacher, the 62332
value-added progress dimension established under section 3302.021 62333
of the Revised Code or an alternative student academic progress 62334
measure if adopted under division (C)(1)(e) of section 3302.03 of 62335
the Revised Code shall be used in the student academic growth 62336
portion of an evaluation in proportion to the part of a teacher's 62337
schedule of courses or subjects for which the value-added progress 62338
dimension is applicable. 62339

If a teacher's schedule is comprised only of courses or 62340
subjects for which the value-added progress dimension is 62341
applicable, one of the following applies: 62342

(a) Beginning with ~~the effective date of this amendment~~ March 62343
22, 2013, until June 30, 2014, the majority of the student 62344
academic growth factor of the evaluation shall be based on the 62345
value-added progress dimension. 62346

(b) On or after July 1, 2014, the entire student academic 62347
growth factor of the evaluation shall be based on the value-added 62348
progress dimension. In calculating student academic growth for an 62349
evaluation, a student shall not be included if the student has 62350
~~sixty~~ thirty or more excused or unexcused absences for the school 62351
year. 62352

(2) Is aligned with the standards for teachers adopted under 62353
section 3319.61 of the Revised Code; 62354

(3) Requires observation of the teacher being evaluated,	62355
including at least two formal observations by the evaluator of at	62356
least thirty minutes each and classroom walkthroughs;	62357
(4) Assigns a rating on each evaluation in accordance with	62358
division (B) of this section;	62359
(5) Requires each teacher to be provided with a written	62360
report of the results of the teacher's evaluation;	62361
(6) Identifies measures of student academic growth for grade	62362
levels and subjects for which the value-added progress dimension	62363
prescribed by section 3302.021 of the Revised Code or an	62364
alternative student academic progress measure if adopted under	62365
division (C)(1)(e) of section 3302.03 of the Revised Code does not	62366
apply;	62367
(7) Implements a classroom-level, value-added program	62368
developed by a nonprofit organization described in division (B) of	62369
section 3302.021 of the Revised Code or an alternative student	62370
academic progress measure if adopted under division (C)(1)(e) of	62371
section 3302.03 of the Revised Code;	62372
(8) Provides for professional development to accelerate and	62373
continue teacher growth and provide support to poorly performing	62374
teachers;	62375
(9) Provides for the allocation of financial resources to	62376
support professional development.	62377
(B) For purposes of the framework developed under this	62378
section, the state board also shall do the following:	62379
(1) Develop specific standards and criteria that distinguish	62380
between the following levels of performance for teachers and	62381
principals for the purpose of assigning ratings on the evaluations	62382
conducted under sections 3311.80, 3311.84, 3319.02, and 3319.111	62383
of the Revised Code:	62384

(a) Accomplished;	62385
(b) Proficient;	62386
(c) Developing;	62387
(d) Ineffective.	62388
(2) For grade levels and subjects for which the assessments prescribed under sections 3301.0710 and 3301.0712 of the Revised Code and the value-added progress dimension prescribed by section 3302.021 of the Revised Code, or alternative student academic progress measure, do not apply, develop a list of student assessments that measure mastery of the course content for the appropriate grade level, which may include nationally normed standardized assessments, industry certification examinations, or end-of-course examinations.	62389 62390 62391 62392 62393 62394 62395 62396 62397
(C) The state board shall consult with experts, teachers and principals employed in public schools, and representatives of stakeholder groups in developing the standards and criteria required by division (B)(1) of this section.	62398 62399 62400 62401
(D) To assist school districts in developing evaluation policies under sections 3311.80, 3311.84, 3319.02, and 3319.111 of the Revised Code, the department shall do both of the following:	62402 62403 62404
(1) Serve as a clearinghouse of promising evaluation procedures and evaluation models that districts may use;	62405 62406
(2) Provide technical assistance to districts in creating evaluation policies.	62407 62408
(E) Not later than June 30, 2013, the state board, in consultation with state agencies that employ teachers, shall develop a standards-based framework for the evaluation of teachers employed by those agencies. Each state agency that employs teachers shall adopt a standards-based teacher evaluation policy that conforms with the framework developed under this division.	62409 62410 62411 62412 62413 62414

The policy shall become operative at the expiration of any 62415
collective bargaining agreement covering teachers employed by the 62416
agency that is in effect on September 24, 2012, and shall be 62417
included in any renewal or extension of such an agreement. 62418
However, this division does not apply to any person who is 62419
employed as a substitute teacher or as an instructor of adult 62420
education. 62421

Sec. 3319.17. (A) As used in this section, "interdistrict 62422
contract" means any contract or agreement entered into by an 62423
educational service center governing board and another board or 62424
other public entity pursuant to section 3313.17, 3313.841, 62425
3313.842, 3313.843, 3313.844, 3313.845, 3313.91, or 3323.08 of the 62426
Revised Code, including any such contract or agreement for the 62427
provision of services funded under division (E) of section 62428
3317.024 of the Revised Code ~~or provided in any unit approved~~ 62429
~~under section 3317.05 of the Revised Code.~~ 62430

(B) When, for any of the following reasons that apply to any 62431
city, exempted village, local, or joint vocational school district 62432
or any educational service center, the board decides that it will 62433
be necessary to reduce the number of teachers it employs, it may 62434
make a reasonable reduction: 62435

(1) In the case of any district or service center, return to 62436
duty of regular teachers after leaves of absence including 62437
suspension of schools, territorial changes affecting the district 62438
or center, or financial reasons; 62439

(2) In the case of any city, exempted village, local, or 62440
joint vocational school district, decreased enrollment of pupils 62441
in the district; 62442

(3) In the case of any governing board of a service center 62443
providing any particular service directly to pupils pursuant to 62444
one or more interdistrict contracts requiring such service, 62445

reduction in the total number of pupils the governing board is 62446
required to provide with the service under all interdistrict 62447
contracts as a result of the termination or nonrenewal of one or 62448
more of these interdistrict contracts; 62449

(4) In the case of any governing board providing any 62450
particular service that it does not provide directly to pupils 62451
pursuant to one or more interdistrict contracts requiring such 62452
service, reduction in the total level of the service the governing 62453
board is required to provide under all interdistrict contracts as 62454
a result of the termination or nonrenewal of one or more of these 62455
interdistrict contracts. 62456

(C) In making any such reduction, any city, exempted village, 62457
local, or joint vocational school board shall proceed to suspend 62458
contracts in accordance with the recommendation of the 62459
superintendent of schools who shall, within each teaching field 62460
affected, give preference to teachers on continuing contracts. The 62461
board shall not give preference to any teacher based on seniority, 62462
except when making a decision between teachers who have comparable 62463
evaluations. 62464

On a case-by-case basis, in lieu of suspending a contract in 62465
whole, a board may suspend a contract in part, so that an 62466
individual is required to work a percentage of the time the 62467
employee otherwise is required to work under the contract and 62468
receives a commensurate percentage of the full compensation the 62469
employee otherwise would receive under the contract. 62470

The teachers whose continuing contracts are suspended by any 62471
board pursuant to this section shall have the right of restoration 62472
to continuing service status by that board if and when teaching 62473
positions become vacant or are created for which any of such 62474
teachers are or become qualified. No teacher whose continuing 62475
contract has been suspended pursuant to this section shall lose 62476
that right of restoration to continuing service status by reason 62477

of having declined recall to a position that is less than 62478
full-time or, if the teacher was not employed full-time just prior 62479
to suspension of the teacher's continuing contract, to a position 62480
requiring a lesser percentage of full-time employment than the 62481
position the teacher last held while employed in the district or 62482
service center. Seniority shall not be the basis for rehiring a 62483
teacher, except when making a decision between teachers who have 62484
comparable evaluations. 62485

(D) Notwithstanding any provision to the contrary in Chapter 62486
4117. of the Revised Code: 62487

(1) The requirements of this section, as it existed prior to 62488
~~the effective date of this amendment~~ September 29, 2011, prevail 62489
over any conflicting provisions of agreements between employee 62490
organizations and public employers entered into between September 62491
29, 2005, and ~~that effective date~~ September 29, 2011; 62492

(2) The requirements of this section, as it exists on and 62493
after ~~the effective date of this amendment~~ September 29, 2011, 62494
prevail over any conflicting provisions of agreements between 62495
employee organizations and public employers entered into on or 62496
after ~~that effective date~~ September 29, 2011. 62497

Sec. 3319.22. (A)(1) The state board of education shall issue 62498
the following educator licenses: 62499

(a) A resident educator license, which shall be valid for 62500
four years, except that the state board, on a case-by-case basis, 62501
may extend the license's duration as necessary to enable the 62502
license holder to complete the Ohio teacher residency program 62503
established under section 3319.223 of the Revised Code; 62504

(b) A professional educator license, which shall be valid for 62505
five years and shall be renewable; 62506

(c) A senior professional educator license, which shall be 62507

valid for five years and shall be renewable; 62508

(d) A lead professional educator license, which shall be 62509
valid for five years and shall be renewable. 62510

(2) The state board may issue any additional educator 62511
licenses of categories, types, and levels the board elects to 62512
provide. 62513

(3) The state board shall adopt rules establishing the 62514
standards and requirements for obtaining each educator license 62515
issued under this section. 62516

(B) The rules adopted under this section shall require at 62517
least the following standards and qualifications for the educator 62518
licenses described in division (A)(1) of this section: 62519

(1) An applicant for a resident educator license shall hold 62520
at least a bachelor's degree from an accredited teacher 62521
preparation program or be a participant in the teach for America 62522
program and meet the qualifications required under section 62523
3319.227 of the Revised Code. 62524

(2) An applicant for a professional educator license shall: 62525

(a) Hold at least a bachelor's degree from an institution of 62526
higher education accredited by a regional accrediting 62527
organization; 62528

(b) Have successfully completed the Ohio teacher residency 62529
program established under section 3319.223 of the Revised Code, if 62530
the applicant's current or most recently issued license is a 62531
resident educator license issued under this section or an 62532
alternative resident educator license issued under section 3319.26 62533
of the Revised Code. 62534

teacher members shall be elected by majority vote of the classroom 62636
teachers of the district, and the principal member shall be 62637
elected by a majority vote of the principals of the district, 62638

committees shall be prescribed by the district board establishing 62654
the committees. A professional development committee may include 62655
additional members, except that the majority of members on each 62656
such committee shall be classroom teachers employed by the 62657
district. Any member appointed to fill a vacancy occurring prior 62658

term. 62661

The initial meeting of any professional development 62662
committee, upon election and appointment of all committee members, 62663

superintendent. At this initial meeting, the committee shall 62665
select a chairperson and such other officers the committee deems 62666

Thereafter, the committee shall meet at the call of the 62668
chairperson or upon the filing of a petition with the district 62669
superintendent signed by a majority of the committee members 62670
calling for the committee to meet. 62671

(3) In the case of a school district in which an exclusive 62672
representative has been established pursuant to Chapter 4117. of 62673
the Revised Code, professional development committees shall be 62674
established in accordance with any collective bargaining agreement 62675
in effect in the district that includes provisions for such 62676
committees. 62677

If the collective bargaining agreement does not specify a 62678
different method for the selection of teacher members of the 62679
committees, the exclusive representative of the district's 62680
teachers shall select the teacher members. 62681

If the collective bargaining agreement does not specify a 62682
different structure for the committees, the board of education of 62683
the school district shall establish the structure, including the 62684
number of committees and the number of teacher and administrative 62685
members on each committee; the specific administrative members to 62686

will be district levels, building levels, or by type of grade or 62688
age levels for which educator licenses are designated; the lengths 62689
of terms for members; the manner of filling vacancies on the 62690
committees; and the frequency and time and place of meetings. 62691

this section, there shall be a majority of teacher members of any 62693
professional development committee, there shall be at least five 62694
total members of any professional development committee, and the 62695

exclusive representative shall designate replacement members in 62696
the case of vacancies among teacher members, unless the collective 62697
bargaining agreement specifies a different method of selecting 62698
such replacements. 62699

(4) Whenever an administrator's coursework plan is being 62700
discussed or voted upon, the local professional development 62701
committee shall, at the request of one of its administrative 62702
members, cause a majority of the committee to consist of 62703
administrative members by reducing the number of teacher members 62704

(G)(1) The department of education, educational service 62706
centers, county boards of developmental disabilities, regional 62707

development committees to determine whether the coursework 62712

section. They may establish local professional development 62717
committees on their own or in collaboration with a school district 62718
or other agency having authority to establish them. 62719

Local professional development committees established by 62720
county boards of developmental disabilities shall be structured in 62721
a manner comparable to the structures prescribed for school 62722

the Revised Code, or under the former version of either section as 62728
it existed prior to October 16, 2009. All other entities specified 62729
in division (G)(1) of this section shall structure their 62730
committees in accordance with guidelines which shall be issued by 62731
the state board. 62732

(2) Any public agency that is not specified in division 62733
(G)(1) of this section but provides educational services and 62734
employs or contracts for services of classroom teachers licensed 62735
or certificated under this section or section 3319.222 of the 62736
Revised Code, or under the former version of either section as it 62737

(3) Notwithstanding division (A)(2) of this section, 62916
beginning with the school year that starts in 2001 and continuing 62917
thereafter the board of education of any district may adopt a 62918
resolution establishing the first day of August in lieu of the 62919
thirtieth day of September as the required date by which students 62920
must have attained the age specified in that division. 62921

(4) After a student has been admitted to kindergarten in a 62922
school district or chartered nonpublic school, no board of 62923
education of a school district to which the student transfers 62924
shall deny that student admission based on the student's age. 62925

school described by division (B)(1) or (B)(2)(a) of this section 62953

district charges fees or tuition for all-day kindergarten under 62974
this division, the district shall develop a sliding fee scale 62975
