residence or to and from the nonpublic or community high school 64244
which they attend for which the state board of education 64245
prescribes minimum standards pursuant to division (D) of section 64246
3301.07 of the Revised Code. 64247

A board of education shall not be required to transport 64248
elementary or high school pupils to and from a nonpublic or 64249
community school where such transportation would require more than 64250
thirty minutes of direct travel time as measured by school bus 64251
from the public school building to which the pupils would be 64252
assigned if attending the public school designated by the district 64253
of residence. 64254

Where it is impractical to transport a pupil by school 64255
conveyance, a board of education may offer payment, in lieu of 64256
providing such transportation in accordance with section 3327.02 64257
of the Revised Code. 64258

A board of education shall not be required to transport 64259
elementary or high school pupils to and from a nonpublic or 64260
community school on Saturday or Sunday, unless a board of 64261
education and a nonpublic or community school have an agreement in 64262
place to do so before July 1, 2014. 64263

In all city, local, and exempted village school districts, 64264
the board shall provide transportation for all children who are so 64265
disabled that they are unable to walk to and from the school for 64266
which the state board of education prescribes minimum standards 64267
pursuant to division (D) of section 3301.07 of the Revised Code 64268
and which they attend. In case of dispute whether the child is 64269

able to walk to and from the school, the health commissioner shall 64270
be the judge of such ability. In all city, exempted village, and 64271
local school districts, the board shall provide transportation to 64272
and from school or special education classes for ~~educable~~ mentally 64273
~~retarded~~ disabled children in accordance with standards adopted by 64274
the state board of education. 64275

When transportation of pupils is provided the conveyance 64276
shall be run on a time schedule that shall be adopted and put in 64277
force by the board not later than ten days after the beginning of 64278
the school term. 64279

The cost of any transportation service authorized by this 64280
section shall be paid first out of federal funds, if any, 64281
available for the purpose of pupil transportation, and secondly 64282
out of state appropriations, in accordance with regulations 64283
adopted by the state board of education. 64284

No transportation of any pupils shall be provided by any 64285
board of education to or from any school which in the selection of 64286
pupils, faculty members, or employees, practices discrimination 64287
against any person on the grounds of race, color, religion, or 64288
national origin. 64289

Sec. 3327.02. (A) After considering each of the following 64290
factors, the board of education of a city, exempted village, or 64291
local school district may determine that it is impractical to 64292
transport a pupil who is eligible for transportation to and from a 64293
school under section 3327.01 of the Revised Code: 64294

(1) The time and distance required to provide the 64295
transportation; 64296

(2) The number of pupils to be transported; 64297

(3) The cost of providing transportation in terms of 64298
equipment, maintenance, personnel, and administration; 64299

(4) Whether similar or equivalent service is provided to other pupils eligible for transportation;	64300 64301
(5) Whether and to what extent the additional service unavoidably disrupts current transportation schedules;	64302 64303
(6) Whether other reimbursable types of transportation are available.	64304 64305
(B)(1) Based on its consideration of the factors established in division (A) of this section, the board may pass a resolution declaring the impracticality of transportation. The resolution shall include each pupil's name and the reason for impracticality.	64306 64307 64308 64309
(2) The board shall report its determination to the state board of education in a manner determined by the state board.	64310 64311
(3) The board of education of a local school district additionally shall submit the resolution for concurrence to the educational service center that contains the local district's territory. If the educational service center governing board considers transportation by school conveyance practicable, it shall so inform the local board and transportation shall be provided by such local board. If the educational service center board agrees with the view of the local board, the local board may offer payment in lieu of transportation as provided in this section.	64312 64313 64314 64315 64316 64317 64318 64319 64320 64321
(C) After passing the resolution declaring the impracticality of transportation, the district board shall offer to provide payment in lieu of transportation by doing the following:	64322 64323 64324
(1) In accordance with guidelines established by the department of education, informing the pupil's parent, guardian, or other person in charge of the pupil of both of the following:	64325 64326 64327
(a) The board's resolution;	64328
(b) The right of the pupil's parent, guardian, or other	64329

person in charge of the pupil to accept the offer of payment in 64330
lieu of transportation or to reject the offer and instead request 64331
the department to initiate mediation procedures. 64332

(2) Issuing the pupil's parent, guardian, or other person in 64333
charge of the pupil a contract or other form on which the parent, 64334
guardian, or other person in charge of the pupil is given the 64335
option to accept or reject the board's offer of payment in lieu of 64336
transportation. 64337

(D) If the parent, guardian, or other person in charge of the 64338
pupil accepts the offer of payment in lieu of providing 64339
transportation, the board shall pay the parent, guardian, or other 64340
person in charge of the pupil an amount that shall be not less 64341
than ~~the amount determined by the department of education as the~~ 64342
~~minimum for payment in lieu of transportation, two hundred~~ 64343
~~twenty-five dollars~~ and not more than the amount determined by the 64344
department as the average cost of pupil transportation for the 64345
previous school year. Payment may be prorated if the time period 64346
involved is only a part of the school year. 64347

(E)(1)(a) Upon the request of a parent, guardian, or other 64348
person in charge of the pupil who rejected the payment in lieu of 64349
transportation, the department shall conduct mediation procedures. 64350

(b) If the mediation does not resolve the dispute, the state 64351
board of education shall conduct a hearing in accordance with 64352
Chapter 119. of the Revised Code. The state board may approve the 64353
payment in lieu of transportation or may order the board of 64354
education to provide transportation. The decision of the state 64355
board is binding in subsequent years and on future parties in 64356
interest provided the facts of the determination remain 64357
comparable. 64358

(2) The school district shall provide transportation for the 64359
pupil from the time the parent, guardian, or other person in 64360

charge of the pupil requests mediation until the matter is 64361
resolved under division (E)(1)(a) or (b) of this section. 64362

(F)(1) If the department determines that a school district 64363
board has failed or is failing to provide transportation as 64364
required by division (E)(2) of this section or as ordered by the 64365
state board under division (E)(1)(b) of this section, the 64366
department shall order the school district board to pay to the 64367
pupil's parent, guardian, or other person in charge of the pupil, 64368
an amount equal to the state average daily cost of transportation 64369
as determined by the state board of education for the previous 64370
year. The school district board shall make payments on a schedule 64371
ordered by the department. 64372

(2) If the department subsequently finds that a school 64373
district board is not in compliance with an order issued under 64374
division (F)(1) of this section and the affected pupils are 64375
enrolled in a nonpublic or community school, the department shall 64376
deduct the amount that the board is required to pay under that 64377
order from any pupil transportation payments the department makes 64378
to the school district board under section 3317.0212 of the 64379
Revised Code or other provisions of law. The department shall use 64380
the moneys so deducted to make payments to the nonpublic or 64381
community school attended by the pupil. The department shall 64382
continue to make the deductions and payments required under this 64383
division until the school district board either complies with the 64384
department's order issued under division (F)(1) of this section or 64385
begins providing transportation. 64386

(G) A nonpublic or community school that receives payments 64387
from the department under division (F)(2) of this section shall do 64388
either of the following: 64389

(1) Disburse the entire amount of the payments to the parent, 64390
guardian, or other person in charge of the pupil affected by the 64391
failure of the school district of residence to provide 64392

transportation; 64393

(2) Use the entire amount of the payments to provide 64394

acceptable transportation for the affected pupil. 64395

Sec. 3327.07. (A) The governing authority of a chartered 64396
nonpublic school that transports a student enrolled in the school 64397
to and from school may charge the parent or guardian of the 64398
student a fee for the transportation, if the governing authority 64399
purchased the vehicle that transports the student using no state 64400
or federal funds. The fee shall not exceed the per student cost of 64401
the transportation, as determined by the governing authority. 64402

(B) The parent or guardian of a student who is enrolled in a 64403
chartered nonpublic school and is eligible for transportation by a 64404
school district under section 3327.01 of the Revised Code may 64405
decline that transportation and accept transportation from the 64406
chartered nonpublic school. The governing authority of a chartered 64407
nonpublic school may charge a fee under division (A) of this 64408
section regardless of whether a student is eligible for 64409
transportation under section 3327.01 of the Revised Code. 64410

(C) The offering by the governing authority of a chartered 64411
nonpublic school of transportation to and from the school does not 64412
relieve any school district board of education from any duty 64413
imposed by sections 3327.01 and 3327.02 of the Revised Code with 64414
respect to the chartered nonpublic school's students. 64415

Sec. 3327.10. (A) No person shall be employed as driver of a 64416
school bus or motor van, owned and operated by any school district 64417
or educational service center or privately owned and operated 64418
under contract with any school district or service center in this 64419
state, who has not received a certificate from either the 64420
educational service center governing board ~~in case such person is~~ 64421
~~employed by a service center or by a local school district under~~ 64422

~~the supervision of the service center governing board, that has~~ 64423
~~entered into an agreement with the school district under section~~ 64424
~~3313.843 or 3313.845 of the Revised Code or by the superintendent~~ 64425

~~or exempted village the~~ school district, certifying that such 64427

position. The service center governing board or the 64430
superintendent, as the case may be, shall provide for an annual 64431
physical examination that conforms with rules adopted by the state 64432
board of education of each driver to ascertain the driver's 64433
physical fitness for such employment. Any certificate may be 64434
revoked by the authority granting the same on proof that the 64435
holder has been guilty of failing to comply with division (D)(1) 64436
of this section, or upon a conviction or a guilty plea for a 64437
violation, or any other action, that results in a loss or 64438
suspension of driving rights. Failure to comply with such division 64439
may be cause for disciplinary action or termination of employment 64440
under division (C) of section 3319.081, or section 124.34 of the 64441
Revised Code. 64442

(B) No person shall be employed as driver of a school bus or 64443
motor van not subject to the rules of the department of education 64444
pursuant to division (A) of this section who has not received a 64445
certificate from the school administrator or contractor certifying 64446
that such person is at least eighteen years of age, is of good 64447
moral character, and is qualified physically and otherwise for 64448
such position. Each driver shall have an annual physical 64449
examination which conforms to the state highway patrol rules, 64450
ascertaining the driver's physical fitness for such employment. 64451
The examination shall be performed by one of the following: 64452

(2) A physician assistant; 64456

(3) A certified nurse practitioner; 64457

(4) A clinical nurse specialist; 64458

(5) A certified nurse-midwife. 64459

Any written documentation of the physical examination shall 64460
be completed by the individual who performed the examination. 64461

Any certificate may be revoked by the authority granting the 64462
same on proof that the holder has been guilty of failing to comply 64463
with division (D)(2) of this section. 64464

(C) Any person who drives a school bus or motor van must give 64465
satisfactory and sufficient bond except a driver who is an 64466
employee of a school district and who drives a bus or motor van 64467
owned by the school district. 64468

(D) No person employed as driver of a school bus or motor van 64469
under this section who is convicted of a traffic violation or who 64470
has had the person's commercial driver's license suspended shall 64471
drive a school bus or motor van until the person has filed a 64472
written notice of the conviction or suspension, as follows: 64473

(1) If the person is employed under division (A) of this 64474
section, the person shall file the notice with the superintendent, 64475
or a person designated by the superintendent, of the school 64476
district for which the person drives a school bus or motor van as 64477
an employee or drives a privately owned and operated school bus or 64478
motor van under contract. 64479

(2) If employed under division (B) of this section, the 64480
person shall file the notice with the employing school 64481
administrator or contractor, or a person designated by the 64482
administrator or contractor. 64483

(E) In addition to resulting in possible revocation of a 64484

otherwise authorized to drive the school bus or motor van. An 64491
owner of a school bus or motor van shall not permit a person to 64492
operate the school bus or motor van for the first time before the 64493
owner has obtained the person's complete driving record. 64494
Thereafter, the owner of a school bus or motor van shall obtain 64495
the person's driving record not less frequently than semiannually 64496
if the person remains employed or otherwise authorized to drive 64497
the school bus or motor van. An owner of a school bus or motor van 64498
shall not permit a person to resume operating a school bus or 64499
motor van, after an interruption of one year or longer, before the 64500
owner has obtained the person's complete driving record. 64501

(2) The owner of a school bus or motor van shall not permit a 64502
person to operate the school bus or motor van for six years after 64503
the date on which the person pleads guilty to or is convicted of a 64504
violation of section 4511.19 of the Revised Code or a 64505
substantially equivalent municipal ordinance. 64506

(3) An owner of a school bus or motor van shall not permit 64507
any person to operate such a vehicle unless the person meets all 64508
other requirements contained in rules adopted by the state board 64509
of education prescribing qualifications of drivers of school buses 64510
and other student transportation. 64511

(G) No superintendent of a school district, educational 64512
service center, community school, or public or private employer 64513

more stringent restrictions on drivers than those prescribed in 64530
this section, in any other section of the Revised Code, and in 64531
rules adopted by the state board. 64532

(I) For qualified drivers who, on July 1, 2007, are employed 64533
by the owner of a school bus or motor van to drive the school bus 64534
or motor van, any instance in which the driver was convicted of or 64535
pleaded guilty to a violation of section 4511.19 of the Revised 64536
Code or a substantially equivalent municipal ordinance prior to 64537
two years prior to July 1, 2007, shall not be considered a 64538
disqualifying event with respect to division (F) of this section. 64539

(J)(1) This division applies to persons hired by a school 64540
district, educational service center, community school, chartered 64541
nonpublic school, or science, technology, engineering, and 64542

Code and every six years thereafter. For each person to whom this 64548
division applies who is hired prior to that date, the employer 64549
shall request a criminal records check by a date prescribed by the 64550
department of education and every six years thereafter. 64551

3319.39 of the Revised Code or under division (J) of this section. 64575

(b) The person presents proof that the person has been a 64576

Upon receipt of a request, the superintendent shall conduct 64580
the criminal records check in accordance with section 109.572 of 64581
the Revised Code as if the request had been made under section 64582
3319.39 of the Revised Code. However, as specified in division 64583
(B)(2) of section 109.572 of the Revised Code, if the employer 64584
requests the superintendent only to obtain any criminal records 64585

applies, the chancellor shall report the data for a group of 64649
classes over a three-year period. In no case shall the report 64650
identify any individual graduate. The department of education 64651
shall share any data necessary for the report with the chancellor. 64652

(3) The following information with respect to the Ohio 64653

and the issuing authority in the case of obligations to be issued 64861
by the issuing authority, have no reason to believe the requesting 64862

service charges are due to the owners or holders of the 64889
obligations. 64890

(D) Whenever a district or the community or technical college 64891
it operates notifies the chancellor that it will not be able to 64892
pay the bond service charges when they are due, subject to the 64893
withholding provisions of this section, or whenever the applicable 64894
paying agent or fiscal agent notifies the chancellor that it has 64895
not timely received from a district or from the college it 64896
operates the full amount needed for payment of the bond service 64897

chancellor shall immediately contact the district or college and 64899

the district or to the college in respect of its allocated state 64909
share of instruction. If this amount is insufficient to pay the 64910
total amount then due the agent for the payment of bond service 64911
charges, the chancellor shall continue to pay to the agent from 64912
each periodic distribution thereafter, and until the full amount 64913

facility that has paid the bond service charges. 64926

paying agents or fiscal agents during any fiscal biennium of the 64928

been allocated to the community or technical college district or 64933
community or technical college. Obligations of the issuing 64934
authority or of a community or technical college district to which 64935

state, and the holders or owners of those obligations have no 64938
right to have excises or taxes levied or appropriations made by 64939
the general assembly for the payment of bond service charges on 64940
the obligations, and the obligations shall contain a statement to 64941
that effect. The agreement for or the actual withholding and 64942
payment of money under this section does not constitute the 64943
assumption by the state of any debt of a community or technical 64944
college district or a community or technical college, and bond 64945

service charges on the related obligations are not anticipated to 64946
be paid from the state general revenue fund for purposes of 64947
Section 17 of Article VIII, Ohio Constitution. 64948

(G) In the case of obligations subject to the withholding 64949

paying agent or fiscal agent who is not an officer or employee of 64953
the district or college. 64954

(H) The chancellor, with the advice and consent of the office 64955
of budget and management, may adopt reasonable rules not 64956
inconsistent with this section for the implementation of this 64957
section to secure payment of bond service charges on obligations 64958
issued by a community or technical college district or by the 64959
issuing authority for the benefit of a community or technical 64960
college district or the community or technical college it 64961
operates. Those rules shall include criteria for the evaluation 64962
and approval or denial of community or technical college district 64963
requests for withholding under this section. 64964

(I) The authority granted by this section is in addition to 64965
and not a limitation on any other authorizations granted by or 64966
pursuant to law for the same or similar purposes. 64967

before the election; 67220

(2) The thirty-eighth day after the election to reflect the 67221

contributions received and expenditures made from the close of 67222

A campaign committee shall only be required to file the 67236
statements prescribed under divisions (A)(1) and (2) of this 67237
section in connection with the nomination or election of the 67238
committee's candidate. 67239

The statement required under division (A)(1) of this section 67240
shall not be required of any campaign committee, political action 67241
committee, legislative campaign fund, political party, or 67242
political contributing entity that has received contributions of 67243
less than one thousand dollars and has made expenditures of less 67244

expenditures shall be reported in the statement required under 67247
division (A)(2) of this section. 67248

If an election to select candidates to appear on the general 67249
election ballot is held within sixty days before a general 67250
election, the campaign committee of a successful candidate in the 67251
earlier election may file the statement required by division 67252

(A)(1) of this section for the general election instead of the 67253
statement required by division (A)(2) of this section for the 67254
earlier election if the pregeneral election statement reflects the 67255
status of contributions and expenditures for the period twenty 67256
days before the earlier election to twenty days before the general 67257
election. 67258

If a person becomes a candidate less than twenty days before 67259

file the statement required by division (A)(1) of this section. 67261

No statement under division (A)(3) of this section shall be 67262
required for any year in which a campaign committee, political 67263
action committee, legislative campaign fund, political party, or 67264
political contributing entity is required to file a postgeneral 67265
election statement under division (A)(2) of this section. However, 67266
a statement under division (A)(3) of this section may be filed, at 67267
the option of the campaign committee, political action committee, 67268
legislative campaign fund, political party, or political 67269
contributing entity. 67270

No campaign committee of a candidate for the office of chief 67271
justice or justice of the supreme court, and no campaign committee 67272
of a candidate for the office of judge of any court in this state, 67273
shall be required to file a statement under division (A)(4) of 67274
this section. 67275

Except as otherwise provided in this paragraph and in the 67276
next paragraph of this section, the only campaign committees 67277
required to file a statement under division (A)(4) of this section 67278
are the campaign committee of a statewide candidate and the 67279
campaign committee of a candidate for county office. The campaign 67280
committee of a candidate for any other nonjudicial office is 67281
required to file a statement under division (A)(4) of this section 67282
if that campaign committee receives, during that period, 67283
contributions exceeding ten thousand dollars. 67284

No statement under division (A)(4) of this section shall be required of a campaign committee, a political action committee, a legislative campaign fund, a political party, or a political contributing entity for any year in which the campaign committee, political action committee, legislative campaign fund, political party, or political contributing entity is required to file a postprimary election statement under division (A)(2) of this section. However, a statement under division (A)(4) of this section may be filed at the option of the campaign committee, political action committee, legislative campaign fund, political party, or political contributing entity.

However, the campaign committee, political action committee, legislative campaign fund, political party, or political contributing entity shall file a statement to that effect, on a form prescribed under this section and made under penalty of election falsification, on the date required in division (A)(3) or (4) of this section, as applicable.

The campaign committee of a statewide candidate shall file the monthly statement not later than three business days after the last day of the month covered by the statement. During the period beginning on the nineteenth day before the general election in which a statewide candidate seeks election to office and extending through

governor or of a candidate for the office of secretary of state, 67319
auditor of state, treasurer of state, or attorney general receives 67320
a contribution from a contributor that causes the aggregate amount 67321
of contributions received from that contributor during that period 67322
to equal or exceed ten thousand dollars and each time the campaign 67323
committee of a candidate for the office of chief justice or 67324
justice of the supreme court receives a contribution from a 67325
contributor that causes the aggregate amount of contributions 67326
received from that contributor during that period to exceed ten 67327
thousand dollars, the campaign committee shall file a 67328
two-business-day statement reflecting that contribution. ~~During~~ 67329

~~committee shall file a two business day statement reflecting that~~ 67343
~~contribution.~~ Contributions reported on a two-business-day 67344
statement required to be filed by a campaign committee of a 67345
statewide candidate in a primary election shall also be included 67346
in the postprimary election statement required to be filed by that 67347
campaign committee under division (A)(2) of this section. A 67348
two-business-day statement required by this paragraph shall be 67349

filed not later than two business days after receipt of the 67350
contribution. The statements required by this paragraph shall be 67351
filed in addition to any other statements required by this 67352
section. 67353

this section and division (H)(1) of section 3517.106 of the 67357
Revised Code for the filing of campaign finance statements by 67358
electronic means of transmission, a campaign committee of a 67359
statewide candidate shall file a two-business-day statement under 67360
the preceding paragraph by electronic means of transmission if the 67361
campaign committee is required to file a pre-election, 67362
postelection, or monthly statement of contributions and 67363
expenditures by electronic means of transmission under this 67364
section or section 3517.106 of the Revised Code. 67365

If a campaign committee or political action committee has no 67366
balance on hand and no outstanding obligations and desires to 67367
terminate itself, it shall file a statement to that effect, on a 67368
form prescribed under this section and made under penalty of 67369
election falsification, with the official with whom it files a 67370
statement under division (A) of this section after filing a final 67371
statement of contributions and a final statement of expenditures, 67372

one or more such contributions whose aggregate value exceeded two 67440
hundred fifty dollars and shall be listed separately, together 67441

section 3517.092 of the Revised Code. 67471

(ii) "Person doing business" means a person or an officer of 67472
an entity who enters into one or more contracts with a state 67473
elected officer or anyone authorized to enter into contracts on 67474

if the payments total, in the aggregate, more than five thousand 67476

contributions and expenditures is filed by electronic means of 67490
transmission pursuant to this section or section 3517.106 of the 67491
Revised Code, the electronic signature of the person who executes 67492
the statement and transmits the statement by electronic means of 67493
transmission, as provided in division (H) of section 3517.106 of 67494
the Revised Code, shall be attached to or associated with the 67495
statement and shall be binding on all persons and for all purposes 67496
under the campaign finance reporting law as if the signature had 67497
been handwritten in ink on a printed form. 67498

(2) The person filing the statement, under penalty of 67499
election falsification, shall include with it a list of each 67500
anonymous contribution, the circumstances under which it was 67501
received, and the reason it cannot be attributed to a specific 67502
donor. 67503

(3) Each statement of a campaign committee of a candidate who 67504

the statement, the person filing the statement shall affirm that 67508
each such contribution was voluntarily made. 67509

(4) A campaign committee that did not receive contributions 67510
or make expenditures in connection with the nomination or election 67511
of its candidate shall file a statement to that effect, on a form 67512
prescribed under this section and made under penalty of election 67513
falsification, on the date required in division (A)(2) of this 67514
section. 67515

(5) The campaign committee of any person who attempts to 67516
become a candidate and who, for any reason, does not become 67517
certified in accordance with Title XXXV of the Revised Code for 67518
placement on the official ballot of a primary, general, or special 67519
election to be held in this state, and who, at any time prior to 67520
or after an election, receives contributions or makes 67521

contributions or make expenditures, for the purpose of bringing 67523
about the person's nomination or election to public office, shall 67524
file the statement or statements prescribed by this section and a 67525

3517.1011, division (B) of section 3517.1012, division (C) of 67545

stored on computer by the secretary of state under division (B) of 67552
section 3517.106 of the Revised Code shall be filed in whatever 67553
format the secretary of state considers necessary to enable the 67554
secretary of state to store the information contained in the 67555
statements on computer. Any such format shall be of a type and 67556
nature that is readily available to whoever is required to file 67557
the statements in that format. 67558

(c) The secretary of state shall assess the need for training 67559
regarding the filing of campaign finance statements by electronic 67560
means of transmission and regarding associated technologies for 67561
candidates, campaign committees, political action committees, 67562
legislative campaign funds, political parties, or political 67563
contributing entities, for individuals, partnerships, or other 67564
entities, for persons making disbursements to pay the direct costs 67565
of producing or airing electioneering communications, or for 67566

and other entities, for persons making disbursements to pay the 67576
direct costs of producing or airing electioneering communications, 67577
or for treasurers of transition funds, as appropriate. 67578

(7) Each monthly statement and each two-business-day 67579

and of the campaign committee, political action committee, 67590
legislative campaign fund, political party, or political 67591
contributing entity. That designation shall be filed with the 67592
official with whom the campaign committee, political action 67593

the Revised Code, a campaign committee shall deposit all monetary 67613
contributions received by the committee into an account separate 67614
from a personal or business account of the candidate or campaign 67615
committee. 67616

(b) A political action committee shall deposit all monetary 67617
contributions received by the committee into an account separate 67618
from all other funds. 67619

(c) A state or county political party may establish a state 67620
candidate fund that is separate from an account that contains the 67621
public moneys received from the Ohio political party fund under 67622

daughters in law, brothers, sisters, grandparents, mother in law, 68563

the benefit of a statewide candidate, senate candidate, or house 68566
candidate shall not be considered "personal funds" for the 68567
purposes of this section and section 3517.1010 of the Revised Code 68568
but shall be considered to be a "contribution" for the purposes of 68569
this chapter if the loan is obtained or guaranteed by anyone other 68570
than the candidate or the candidate's spouse, parents, children, 68571
sons in law, daughters in law, brothers, sisters, grandparents, 68572

when the debt or other obligation is incurred, regardless of when 68579
it is paid. 68580~~

~~(2) For purposes of this chapter, a candidate is an 68581
"opponent" when the candidate has indicated on the candidate's 68582

division (C)(3) of this section indicating that the committee has 68610
received or expended or expects to expend more than that amount. 68611
For the purpose of this division, a joint team of candidates for 68612
governor and lieutenant governor shall be considered a single 68613
candidate and their personal funds shall be combined. 68614~~

funds: 69934

and isolation, which it may declare and enforce, when neither 69956
exists, and modify, relax, or abolish, when either has been 69957
established. The department may approve methods of immunization 69958
against the diseases specified in section 3313.671 of the Revised 69959
Code for the purpose of carrying out the provisions of that 69960
section and take such actions as are necessary to encourage 69961

The department may make special or standing orders or rules 69963
for preventing the use of fluoroscopes for nonmedical purposes 69964

department also may offer financial and other technical assistance 69988
to boards of health to encourage the sharing of services. 69989

1786, as amended. The director of health may adopt rules pursuant 70008
to Chapter 119. of the Revised Code as necessary for administering 70009
the program. The rules may include civil money penalties for 70010
violations of the rules. 70011

In determining eligibility for services provided under the 70012

(B) The director may determine that an expanded function 70042

70080

Revised Code, except that the identity of the individual tested 70094
shall not be revealed; 70095

(h) To law enforcement authorities pursuant to a search 70096

AIDS-related condition may be disclosed to a health care provider, 70102

diagnosis, care, or treatment of the individual on whom the test 70106
was performed or who has been diagnosed as having AIDS or an 70107

This division does not impose a standard of disclosure 70109
different from the standard for disclosure of all other specific 70110

facilities. Disclosure may not be requested or made solely for the 70112
purpose of identifying an individual who has a positive HIV test 70113
result or has been diagnosed as having AIDS or an AIDS-related 70114
condition in order to refuse to treat the individual. Referral of 70115

this section. A person employed by or affiliated with a health 70123

care facility who determines in accordance with the protocol 70124
established by the facility that a disclosure is authorized by 70125
division (B)(2) of this section is immune from liability to any 70126
person in a civil action for damages for injury, death, or loss to 70127
person or property resulting from the disclosure. 70128

(C)(1) Any person or government agency may seek access to or 70129
authority to disclose the HIV test records of an individual in 70130
accordance with the following provisions: 70131

(a) The person or government agency shall bring an action in 70132
a court of common pleas requesting disclosure of or authority to 70133
disclose the results of an HIV test of a specific individual, who 70134
shall be identified in the complaint by a pseudonym but whose name 70135
shall be communicated to the court confidentially, pursuant to a 70136
court order restricting the use of the name. The court shall 70137
provide the individual with notice and an opportunity to 70138
participate in the proceedings if the individual is not named as a 70139
party. Proceedings shall be conducted in chambers unless the 70140
individual agrees to a hearing in open court. 70141

(b) The court may issue an order granting the plaintiff 70142
access to or authority to disclose the test results only if the 70143
court finds by clear and convincing evidence that the plaintiff 70144
has demonstrated a compelling need for disclosure of the 70145
information that cannot be accommodated by other means. In 70146
assessing compelling need, the court shall weigh the need for 70147
disclosure against the privacy right of the individual tested and 70148
against any disservice to the public interest that might result 70149
from the disclosure, such as discrimination against the individual 70150
or the deterrence of others from being tested. 70151

(c) If the court issues an order, it shall guard against 70152
unauthorized disclosure by specifying the persons who may have 70153
access to the information, the purposes for which the information 70154

volume of the vehicle, that transports the construction and 73060
demolition debris to the facility or the cubic yards actually 73061
logged for disposal by the owner or operator in accordance with 73062
rules adopted under section 3714.02 of the Revised Code. If basing 73063

debris that is disposed of. 73066

(3) The owner or operator of a construction and demolition 73067
debris facility or a solid waste facility shall calculate the 73068

demolition debris and asbestos or asbestos-containing materials or 73081
products. Not later than thirty days after the last day of the 73082

month to which the return applies, the owner or operator shall 73083
mail to the board of health or the director the return for that 73084
month together with the amount of money calculated under division 73085
(A)(3) of this section on the disposal of construction and 73086
demolition debris and asbestos or asbestos-containing materials or 73087
products during that month or may submit the return and money 73088
electronically in a manner approved by the director. The owner or 73089
operator may request, in writing, an extension of not more than 73090
thirty days after the last day of the month to which the return 73091
applies. A request for extension may be denied. If the owner or 73092
operator submits the money late, the owner or operator shall pay a 73093
penalty of ten per cent of the amount of the money due for each 73094
month that it is late. 73095

(4) Of the money that is submitted by a construction and 73096

shall transmit three cents per cubic yard or six cents per ton, as 73099
applicable, to the director not later than forty-five days after 73100
the receipt of the money. The money retained by a board of health 73101
under this section shall be paid into a special fund, which is 73102
hereby created in each health district, and used solely ~~to~~ for the 73103

demolition debris as provided in section 3714.074 of the Revised 73108
Code. 73109

The director shall transmit all money received under this 73110
section to the treasurer of state to be credited to the 73111
construction and demolition debris facility oversight fund, which 73112

administered by the director, and money credited to the fund shall 73114

be used exclusively for the administration and enforcement of this 73115
chapter and rules adopted under it. 73116

facility for the quarterly payment of money generated from the 73120
disposal fee as calculated in division (A)(3) of this section. The 73121
board of health shall notify the director of any such agreement. 73122

of the money from a board of health, the director shall transmit 73128
the money to the treasurer of state to be credited to the 73129
construction and demolition debris facility oversight fund. 73130

(C) If a construction and demolition debris facility or a 73131
solid waste facility is located within the territorial boundaries 73132
of a municipal corporation or the unincorporated area of a 73133
township, the municipal corporation or township may appropriate up 73134
to four cents per cubic yard or up to eight cents per ton of the 73135
disposal fee required to be paid by the facility under division 73136
(A)(1) of this section for the same purposes that a municipal 73137
corporation or township may levy a fee under division (C) of 73138
section 3734.57 of the Revised Code. 73139

The legislative authority of the municipal corporation or 73140
township may appropriate the money from the fee by enacting an 73141
ordinance or adopting a resolution establishing the amount of the 73142
fee to be appropriated. Upon doing so, the legislative authority 73143
shall mail a certified copy of the ordinance or resolution to the 73144
board of health of the health district in which the construction 73145
and demolition debris facility or the solid waste facility is 73146

located or, if the facility is located in a health district that 73147
is not on the approved list under section 3714.09 of the Revised 73148
Code, to the director. Upon receipt of the copy of the ordinance 73149
or resolution and not later than forty-five days after receipt of 73150
money generated from the fee, the board or the director, as 73151
applicable, shall transmit to the treasurer or other appropriate 73152
officer of the municipal corporation or clerk of the township that 73153
portion of the money generated from the disposal fee by the owner 73154
or operator of the facility that is required by the ordinance or 73155
resolution to be paid to that municipal corporation or township. 73156

Money received by the treasurer or other appropriate officer 73157
of a municipal corporation under this division shall be paid into 73158
the general fund of the municipal corporation. Money received by 73159
the clerk of a township under this division shall be paid into the 73160
general fund of the township. The treasurer or other officer of 73161
the municipal corporation or the clerk of the township, as 73162
appropriate, shall maintain separate records of the money received 73163
under this division. 73164

The legislative authority of a municipal corporation or 73165
township may cease appropriating money under this division by 73166
repealing the ordinance or resolution that was enacted or adopted 73167
under this division. 73168

The director shall adopt rules in accordance with Chapter 73169
119. of the Revised Code establishing requirements for prorating 73170
the amount of the fee that may be appropriated under this division 73171
by a municipal corporation or township in which only a portion of 73172
a construction and demolition debris facility is located within 73173
the territorial boundaries of the municipal corporation or 73174
township. 73175

receiving the care. 73614

(D)(1) A residential care facility may admit or retain an 73615

(b) The individual's personal physician; 73621

(c) Unless the individual's personal physician oversees the 73622

(d) If the individual is a hospice patient as defined in 73624
section 3712.01 of the Revised Code, a hospice care program 73625

(2) The agreement required by division (D)(1) of this section 73627
shall include all of the following provisions: 73628

(c) That the redeterminations will be made according to a 73635

schedule specified in the agreement; 73636

(e) Unless the individual is a hospice patient, that the 73640
individual's personal physician has determined that the skilled 73641
nursing care the individual needs is routine. 73642

(E) Notwithstanding any other provision of this chapter, a 73643
residential care facility in which residents receive skilled 73644
nursing care pursuant to this section is not a nursing home. 73645

Sec. 3721.02. (A) As used in this section, "residential 73646

procedures to be followed in inspecting and licensing homes. The 73652
director may inspect a home at any time. Each home shall be 73653
inspected by the director at least once prior to the issuance of a 73654
license and at least once every fifteen months thereafter. The 73655
state fire marshal or a township, municipal, or other legally 73656
constituted fire department approved by the marshal shall also 73657
inspect a home prior to issuance of a license, at least once every 73658
fifteen months thereafter, and at any other time requested by the 73659
director. A home does not have to be inspected prior to issuance 73660
of a license by the director, state fire marshal, or a fire 73661
department if ownership of the home is assigned or transferred to 73662
a different person and the home was licensed under this chapter 73663
immediately prior to the assignment or transfer. The director may 73664
enter at any time, for the purposes of investigation, any 73665
institution, residence, facility, or other structure that has been 73666

reported to the director or that the director has reasonable cause 73667
to believe is operating as a nursing home, residential care 73668
facility, or home for the aging without a valid license required 73669
by section 3721.05 of the Revised Code or, in the case of a county 73670
home or district home, is operating despite the revocation of its 73671
residential care facility license. The director may delegate the 73672
director's authority and duties under this chapter to any 73673
division, bureau, agency, or official of the department of health. 73674

(C) A single facility may be licensed both as a nursing home 73675
pursuant to this chapter and as a residential facility pursuant to 73676
section ~~5119.22~~ 5119.34 of the Revised Code if the director 73677
determines that the part or unit to be licensed as a nursing home 73678
can be maintained separate and discrete from the part or unit to 73679
be licensed as a residential facility. 73680

(D) In determining the number of residents in a home for the 73681
purpose of licensing, the director shall consider all the 73682
individuals for whom the home provides accommodations as one group 73683
unless one of the following is the case: 73684

(1) The home is a home for the aging, in which case all the 73685
individuals in the part or unit licensed as a nursing home shall 73686
be considered as one group, and all the individuals in the part or 73687
unit licensed as a rest home shall be considered as another group. 73688

(2) The home is both a nursing home and a residential 73689
facility. In that case, all the individuals in the part or unit 73690
licensed as a nursing home shall be considered as one group, and 73691
all the individuals in the part or unit licensed as an adult care 73692
facility shall be considered as another group. 73693

(3) The home maintains, in addition to a nursing home or 73694
residential care facility, a separate and discrete part or unit 73695
that provides accommodations to individuals who do not require or 73696
receive skilled nursing care and do not receive personal care 73697

services from the home, in which case the individuals in the 73698
separate and discrete part or unit shall not be considered in 73699
determining the number of residents in the home if the separate 73700
and discrete part or unit is in compliance with the Ohio basic 73701
building code established by the board of building standards under 73702
Chapters 3781. and 3791. of the Revised Code and the home permits 73703
the director, on request, to inspect the separate and discrete 73704
part or unit and speak with the individuals residing there, if 73705
they consent, to determine whether the separate and discrete part 73706
or unit meets the requirements of this division. 73707

(E)(1) The director of health shall charge the following 73708
application fee and annual renewal licensing and inspection fee 73709
for each fifty persons or part thereof of a home's licensed 73710
capacity: 73711

(a) For state fiscal year 2010, two hundred twenty dollars; 73712

(b) For state fiscal year 2011, two hundred seventy dollars; 73713

(c) For each state fiscal year thereafter, three hundred 73714
twenty dollars. 73715

(2) All fees collected by the director for the issuance or 73716
renewal of licenses shall be deposited into the state treasury to 73717
the credit of the general operations fund created in section 73718
3701.83 of the Revised Code for use only in administering and 73719
enforcing this chapter and rules adopted under it. 73720

(F)(1) Except as otherwise provided in this section, the 73721
results of an inspection or investigation of a home that is 73722
conducted under this section, including any statement of 73723
deficiencies and all findings and deficiencies cited in the 73724
statement on the basis of the inspection or investigation, shall 73725
be used solely to determine the home's compliance with this 73726
chapter or another chapter of the Revised Code in any action or 73727
proceeding other than an action commenced under division (I) of 73728

section 3721.17 of the Revised Code. Those results of an 73729
inspection or investigation, that statement of deficiencies, and 73730
the findings and deficiencies cited in that statement shall not be 73731
used in any court or in any action or proceeding that is pending 73732
in any court and are not admissible in evidence in any action or 73733
proceeding unless that action or proceeding is an appeal of an 73734
action by the department of health under this chapter or is an 73735
action by any department or agency of the state to enforce this 73736
chapter or another chapter of the Revised Code. 73737

(2) Nothing in division (E)(1) of this section prohibits the 73738
results of an inspection or investigation conducted under this 73739
section from being used in a criminal investigation or 73740
prosecution. 73741

Sec. 3721.022. (A) As used in this section: 73742

(1) "Nursing facility" has the same meaning as in section 73743
~~5111.20~~ 5165.01 of the Revised Code. 73744

(3) "Title XIX" and "Title XVIII" have the same meanings as 73747
in section 5165.01 of the Revised Code. 73748

(B) The department of health is hereby designated the state 73749
agency responsible for establishing and maintaining health 73750
standards and serving as the state survey agency for the purposes 73751
of ~~Titles~~ Title XVIII and Title XIX ~~of the "Social Security Act,"~~ 73752
~~49 Stat. 620 (1935), 42 U.S.C.A. 301, as amended.~~ The department 73753
shall carry out these functions in accordance with the 73754
regulations, guidelines, and procedures issued under ~~Titles~~ Title 73755
XVIII and Title XIX by the United States secretary of health and 73756
human services and with sections ~~5111.35~~ 5165.60 to ~~5111.62~~ 73757
5165.89 of the Revised Code. The director of health shall enter 73758

into agreements with regard to these functions with the department 73759
of ~~job and family services~~ medicaid and the United States 73760
department of health and human services. The director may also 73761
enter into agreements with the department of ~~job and family~~ 73762

The director, in accordance with Chapter 119. of the Revised 73766
Code, shall adopt rules necessary to implement the survey and 73767
certification requirements for skilled nursing facilities and 73768
nursing facilities established by the United States secretary of 73769

established under sections ~~5111.35~~ 5165.60 to ~~5111.62~~ 5165.89 of 73772
the Revised Code. The rules shall include an informal process by 73773
which a facility may obtain up to two reviews of any deficiencies 73774
that have been cited on a statement of deficiencies made by the 73775
department of health under 42 C.F.R. Part 488 and cause the 73776
facility to be in noncompliance as defined in 42 C.F.R. 488.301. 73777
The first review shall be conducted by an employee of the 73778
department who did not participate in and was not otherwise 73779
involved in any way with the survey. A facility that is not 73780
satisfied with the results of a first review may receive a second 73781
review on payment of a fee to the department. The amount of the 73782
fee shall be specified in rules adopted under this section. The 73783
fee shall be deposited into the state treasury to the credit of 73784
the general operations fund created in section 3701.83 of the 73785
Revised Code for use in the implementation of this section. The 73786
second review shall be conducted by either of the following as 73787
selected by the facility: a hearing officer employed by the 73788
department or a hearing officer included on a list the department 73789
shall provide the facility. A final determination that any 73790
deficiency citation is unjustified shall be reflected clearly in 73791

all records relating to the survey. 73792

The director need not adopt as rules any of the regulations, 73793
guidelines, or procedures issued under ~~Titles~~ Title XVIII and 73794
Title XIX ~~of the "Social Security Act"~~ by the United States 73795
secretary of health and human services. 73796

has the same meaning as in section ~~5111.20~~ 5165.01 of the Revised 73798
Code. 73799

The department of health may establish a program of 73800
recognition of nursing facilities that provide the highest quality 73801
care to residents who are medicaid recipients ~~of medical~~ 73802
~~assistance under Chapter 5111. of the Revised Code.~~ The program 73803
may be funded with public funds appropriated by the general 73804

department of aging, any unresolved complaint that the office of 73812
the state long-term care ~~ombudsperson~~ ombudsman has investigated 73813
and found to be valid and refers to the department of health. This 73814
requirement does not supersede federal requirements for survey 73815
agency complaint investigations. 73816

Sec. 3721.042. The director of health may not deny a nursing 73817
home license to a facility seeking a license under this chapter as 73818
a nursing home on the grounds that the facility does not satisfy a 73819
requirement established in rules adopted under section 3721.04 of 73820

the Revised Code regarding the toilet rooms and dining and recreational areas of nursing homes if all of the following requirements are met:

(A) The facility seeks a license under this chapter because it is a county home or district home being sold under section 5155.31 of the Revised Code to a person who may not operate the facility without a nursing home license under this chapter.

(C) The facility was a nursing facility, as defined in section ~~5111.20~~ 5165.01 of the Revised Code, on the date immediately preceding the date the facility is sold to the person seeking the license.

The time for compliance with the requirements imposed by this section shall be January 1, 1975, except that the date for compliance with the automatic fire extinguishing requirements is extended to January 1, 1976, provided the buildings of the home are otherwise in compliance with fire safety laws and regulations and:

department, or by a township or municipal fire prevention officer; 73854

(3) Provides verification that the home has entered into a 73855
valid contract for the installation of an automatic fire 73856
extinguishing system or fire alarm system, or both, as required to 73857

(4) Includes a statement regarding the expected date for the 73859
completion of the fire extinguishing system or fire alarm system, 73860

(B) Inspections by a qualified independent safety engineer 73862
consultant or a township, municipal, or other legally constituted 73863
fire department, or by a township or municipal fire prevention 73864

actions are submitted to the state fire marshal, the division of 73869
industrial compliance in the department of commerce, and the 73870
department of health. 73871

It is the express intent of the general assembly that the 73872
department of ~~job and family services~~ medicaid shall terminate 73873
~~payments under Title XIX of the "Social Security Act," 49 Stat.~~ 73874
~~620 (1935), 42 U.S.C. 301, as amended, to~~ the medicaid provider 73875
agreements of those homes ~~which~~ that do not comply with the 73876
requirements of this section for the submission of a written fire 73877
safety plan and the deadline for entering into contracts for the 73878
installation of systems. 73879

Sec. 3721.08. (A) As used in this section, "real and present 73880
danger" means imminent danger of serious physical or 73881

life-threatening harm to one or more occupants of a home. 73882

(B) The director of health may petition the court of common 73883
pleas of the county in which the home is located for an order 73884
enjoining any person from operating a home without a license or 73885
enjoining a county home or district home that has had its license 73886
revoked from continuing to operate. The court shall have 73887
jurisdiction to grant such injunctive relief upon a showing that 73888
the respondent named in the petition is operating a home without a 73889
license or that the county home or district home named in the 73890
petition is operating despite the revocation of its license. The 73891
court shall have jurisdiction to grant such injunctive relief 73892
against the operation of a home without a valid license regardless 73893
of whether the home meets essential licensing requirements. 73894

(C) Unless the department of ~~job and family services~~ medicaid 73895
or contracting agency has taken action under section ~~5111.51~~ 73896
5165.77 of the Revised Code to appoint a temporary manager or seek 73897
injunctive relief, if, in the judgment of the director of health, 73898
real and present danger exists at any home, the director may 73899
petition the court of common pleas of the county in which the home 73900
is located for such injunctive relief as is necessary to close the 73901
home, transfer one or more occupants to other homes or other 73902
appropriate care settings, or otherwise eliminate the real and 73903
present danger. The court shall have the jurisdiction to grant 73904
such injunctive relief upon a showing that there is real and 73905
present danger. 73906

(D)(1) If the director determines that real and present 73907
danger exists at a home and elects not to immediately seek 73908
injunctive relief under division (C) of this section, the director 73909
may give written notice of proposed action to the home. The notice 73910
shall specify all of the following: 73911

(a) The nature of the conditions giving rise to the real and 73912
present danger; 73913

(b) The measures that the director determines the home must take to respond to the conditions; 73914
73915

(c) The date on which the director intends to seek injunctive relief under division (C) of this section if the director determines that real and present danger exists at the home. 73916
73917
73918

(2) If the home notifies the director, within the time specified pursuant to division (D)(1)(c) of this section, that it believes the conditions giving rise to the real and present danger have been substantially corrected, the director shall conduct an inspection to determine whether real and present danger exists. If the director determines on the basis of the inspection that real and present danger exists, the director may petition under division (C) of this section for injunctive relief. 73919
73920
73921
73922
73923
73924
73925
73926

(E)(1) If in the judgment of the director of health conditions exist at a home that will give rise to real and present danger if not corrected, the director shall give written notice of proposed action to the home. The notice shall specify all of the following: 73927
73928
73929
73930
73931

(a) The nature of the conditions giving rise to the director's judgment; 73932
73933

(b) The measures that the director determines the home must take to respond to the conditions; 73934
73935

(c) The date, which shall be no less than ten days after the notice is delivered, on which the director intends to seek injunctive relief under division (C) of this section if the conditions are not substantially corrected and the director determines that a real and present danger exists. 73936
73937
73938
73939
73940

(2) If the home notifies the director, within the period of time specified pursuant to division (E)(1)(c) of this section, that the conditions giving rise to the director's determination have been substantially corrected, the director shall conduct an 73941
73942
73943
73944

inspection. If the director determines on the basis of the 73945
inspection that the conditions have not been corrected and a real 73946
and present danger exists, the director may petition under 73947
division (C) of this section for injunctive relief. 73948

(F)(1) A court that grants injunctive relief under division 73949
(C) of this section may also appoint a special master who, subject 73950
to division (F)(2) of this section, shall have such powers and 73951
authority over the home and length of appointment as the court 73952
considers necessary. Subject to division (F)(2) of this section, 73953
the salary of a special master and any costs incurred by a special 73954
master shall be the obligation of the home. 73955

(2) No special master shall enter into any employment 73956
contract on behalf of a home, or purchase with the home's funds 73957
any capital goods totaling more than ten thousand dollars, unless 73958
the special master has obtained approval for the contract or 73959
purchase from the home's operator or the court. 73960

(G) If the director takes action under division (C), (D), or 73961
(E) of this section, the director may also appoint employees of 73962
the department of health to conduct on-site monitoring of the 73963
home. Appointment of monitors is not subject to appeal under 73964
Chapter 119. or any other section of the Revised Code. No employee 73965
of a home for which monitors are appointed, no person employed by 73966
the home within the previous two years, and no person who 73967
currently has a consulting contract with the department or a home, 73968
shall be appointed under this division. Every monitor shall have 73969
the professional qualifications necessary to monitor correction of 73970
the conditions that give rise to or, in the director's judgment, 73971
will give rise to real and present danger. The number of monitors 73972
present at a home at any given time shall not exceed one for every 73973
fifty residents, or fraction thereof. 73974

(H) On finding that the real and present danger for which 73975
injunctive relief was granted under division (C) of this section 73976

has been eliminated and that the home's operator has demonstrated 73977
the capacity to prevent the real and present danger from 73978
recurring, the court shall terminate its jurisdiction over the 73979
home and return control and management of the home to the 73980
operator. If the real and present danger cannot be eliminated 73981
practicably within a reasonable time following appointment of a 73982
special master, the court may order the special master to close 73983
the home and transfer all residents to other homes or other 73984
appropriate care settings. 73985

(I) The director of health shall give notice of proposed 73986
action under divisions (D) and (E) of this section to both of the 73987
following: 73988

(1) The home's administrator; 73989

(2) If the home is operated by an organization described in 73990
subsection 501(c)(3) and tax exempt under subsection 501(a) of the 73991
"Internal Revenue Code of 1986," 100 Stat. 2085, 26 U.S.C.A. 1, as 73992
amended, the board of trustees of the organization; or, if the 73993
home is not operated by such an organization, the owner of the 73994
home. 73995

Notices shall be delivered by certified mail or hand 73996
delivery. If notices are mailed, they shall be addressed to the 73997
persons specified in divisions (I)(1) and (2) of this section, as 73998
indicated in the department of health's records. If they are hand 73999
delivered, they shall be delivered to persons who would reasonably 74000
appear to the average prudent person to have authority to accept 74001
them. 74002

(J) If ownership of a home is assigned or transferred to a 74003
different person, the new owner is responsible and liable for 74004
compliance with any notice of proposed action or order issued 74005
under this section prior to the effective date of the assignment 74006

behalf of a resident or the resident's estate, the court shall 74891
determine, in the best interest of the resident or the resident's 74892
estate, the individual to commence the action. A court's 74893
determination under this division as to the person to commence an 74894
action on behalf of a resident or the resident's estate shall bar 74895
another person from commencing the action on behalf of the 74896

of this section may obtain injunctive relief against the violation 74910
of the resident's rights. The plaintiff also may recover 74911
compensatory damages based upon a showing, by a preponderance of 74912
the evidence, that the violation of the resident's rights resulted 74913
from a negligent act or omission of the person or home and that 74914
the violation was the proximate cause of the resident's injury, 74915
death, or loss to person or property. 74916

(b) If compensatory damages are awarded for a violation of 74917
the resident's rights, section 2315.21 of the Revised Code shall 74918
apply to an award of punitive or exemplary damages for the 74919
violation. 74920

(c) The court, in a case in which only injunctive relief is 74921
granted, may award to the prevailing party reasonable attorney's 74922

the solid wastes consist of scrap tires, for storage or 75207

that consist of scrap tires; the establishment and maintenance of 75215

closure during which a hazardous waste facility is required to be 75243
monitored and maintained under this chapter and rules adopted 75244
under it, including, without limitation, operation and maintenance 75245
of methane gas extraction and treatment systems, or the period of 75246
time after closure during which a scrap tire monocell or monofill 75247

infectious agents. Such waste materials from the rooms of humans 75264
do not include any wastes of patients who have been placed on 75265
blood and body fluid precautions under the universal precaution 75266
system established by the centers for disease control in the 75267
public health service of the United States department of health 75268
and human services, except to the extent specific wastes generated 75269
under the universal precautions system have been identified as 75270
infectious wastes by rules adopted under division (R)(7) of this 75271
section. 75272

Sec. 3734.02. (A) The director of environmental protection, 75401
in accordance with Chapter 119. of the Revised Code, shall adopt 75402
and may amend, suspend, or rescind rules having uniform 75403
application throughout the state governing solid waste facilities 75404
and the inspections of and issuance of permits and licenses for 75405
all solid waste facilities in order to ensure that the facilities 75406
will be located, maintained, and operated, and will undergo 75407
closure and post-closure care, in a sanitary manner so as not to 75408
create a nuisance, cause or contribute to water pollution, create 75409
a health hazard, or violate 40 C.F.R. 257.3-2 or 40 C.F.R. 75410
257.3-8, as amended. The rules may include, without limitation, 75411
financial assurance requirements for closure and post-closure care 75412
and corrective action and requirements for taking corrective 75413
action in the event of the surface or subsurface discharge or 75414
migration of explosive gases or leachate from a solid waste 75415
facility, or of ground water contamination resulting from the 75416
transfer or disposal of solid wastes at a facility, beyond the 75417
boundaries of any area within a facility that is operating or is 75418
undergoing closure or post-closure care where solid wastes were 75419
disposed of or are being disposed of. The rules shall not concern 75420
or relate to personnel policies, salaries, wages, fringe benefits, 75421
or other conditions of employment of employees of persons owning 75422
or operating solid waste facilities. The director, in accordance 75423
with Chapter 119. of the Revised Code, shall adopt and may amend, 75424
suspend, or rescind rules governing the issuance, modification, 75425
revocation, suspension, or denial of variances from the director's 75426
solid waste rules, including, without limitation, rules adopted 75427
under this chapter governing the management of scrap tires. 75428

Variances shall be issued, modified, revoked, suspended, or 75429
rescinded in accordance with this division, rules adopted under 75430
it, and Chapter 3745. of the Revised Code. The director may order 75431
the person to whom a variance is issued to take such action within 75432
such time as the director may determine to be appropriate and 75433
reasonable to prevent the creation of a nuisance or a hazard to 75434
the public health or safety or the environment. Applications for 75435
variances shall contain such detail plans, specifications, and 75436
information regarding objectives, procedures, controls, and other 75437
pertinent data as the director may require. The director shall 75438
grant a variance only if the applicant demonstrates to the 75439
director's satisfaction that construction and operation of the 75440
solid waste facility in the manner allowed by the variance and any 75441
terms or conditions imposed as part of the variance will not 75442
create a nuisance or a hazard to the public health or safety or 75443
the environment. In granting any variance, the director shall 75444
state the specific provision or provisions whose terms are to be 75445
varied and also shall state specific terms or conditions imposed 75446
upon the applicant in place of the provision or provisions. The 75447
director may hold a public hearing on an application for a 75448
variance or renewal of a variance at a location in the county 75449
where the operations that are the subject of the application for 75450
the variance are conducted. The director shall give not less than 75451
twenty days' notice of the hearing to the applicant by certified 75452
mail or by another type of mail accompanied by a receipt and shall 75453
publish at least one notice of the hearing in a newspaper with 75454
general circulation in the county where the hearing is to be held. 75455
The director shall make available for public inspection at the 75456
principal office of the environmental protection agency a current 75457
list of pending applications for variances and a current schedule 75458
of pending variance hearings. The director shall make a complete 75459
stenographic record of testimony and other evidence submitted at 75460
the hearing. Within ten days after the hearing, the director shall 75461

make a written determination to issue, renew, or deny the variance 75462
and shall enter the determination and the basis for it into the 75463
record of the hearing. The director shall issue, renew, or deny an 75464
application for a variance or renewal of a variance within six 75465
months of the date upon which the director receives a complete 75466
application with all pertinent information and data required. No 75467
variance shall be issued, revoked, modified, or denied until the 75468
director has considered the relative interests of the applicant, 75469
other persons and property affected by the variance, and the 75470
general public. Any variance granted under this division shall be 75471
for a period specified by the director and may be renewed from 75472
time to time on such terms and for such periods as the director 75473
determines to be appropriate. No application shall be denied and 75474
no variance shall be revoked or modified without a written order 75475
stating the findings upon which the denial, revocation, or 75476
modification is based. A copy of the order shall be sent to the 75477
applicant or variance holder by certified mail or by another type 75478
of mail accompanied by a receipt. 75479

(B) The director shall prescribe and furnish the forms 75480
necessary to administer and enforce this chapter. The director may 75481
cooperate with and enter into agreements with other state, local, 75482
or federal agencies to carry out the purposes of this chapter. The 75483
director may exercise all incidental powers necessary to carry out 75484
the purposes of this chapter. 75485

The director may use moneys in the infectious waste 75486
management fund created in section 3734.021 of the Revised Code 75487
exclusively for administering and enforcing the provisions of this 75488
chapter governing the management of infectious wastes. 75489

(C) Except as provided in this division and divisions (N)(2) 75490
and (3) of this section, no person shall establish a new solid 75491
waste facility or infectious waste treatment facility, or modify 75492
an existing solid waste facility or infectious waste treatment 75493

facility, without submitting an application for a permit with 75494
accompanying detail plans, specifications, and information 75495
regarding the facility and method of operation and receiving a 75496
permit issued by the director, except that no permit shall be 75497
required under this division to install or operate a solid waste 75498
facility for sewage sludge treatment or disposal when the 75499
treatment or disposal is authorized by a current permit issued 75500
under Chapter 3704. or 6111. of the Revised Code. 75501

No person shall continue to operate a solid waste facility 75502
for which the director has denied a permit for which an 75503
application was required under division (A)(3) of section 3734.05 75504
of the Revised Code, or for which the director has disapproved 75505
plans and specifications required to be filed by an order issued 75506
under division (A)(5) of that section, after the date prescribed 75507
for commencement of closure of the facility in the order issued 75508
under division (A)(6) of section 3734.05 of the Revised Code 75509
denying the permit application or approval. 75510

On and after the effective date of the rules adopted under 75511
division (A) of this section and division (D) of section 3734.12 75512
of the Revised Code governing solid waste transfer facilities, no 75513
person shall establish a new, or modify an existing, solid waste 75514
transfer facility without first submitting an application for a 75515
permit with accompanying engineering detail plans, specifications, 75516
and information regarding the facility and its method of operation 75517
to the director and receiving a permit issued by the director. 75518

No person shall establish a new compost facility or continue 75519
to operate an existing compost facility that accepts exclusively 75520
source separated yard wastes without submitting a completed 75521
registration for the facility to the director in accordance with 75522
rules adopted under divisions (A) and (N)(3) of this section. 75523

This division does not apply to a generator of infectious 75524
wastes that does any of the following: 75525

by rules adopted under division (B)(2)(a) of section 3734.021 of 75527
the Revised Code, any of the following: 75528

(a) Infectious wastes that are generated on any premises that 75529
are owned or operated by the generator; 75530

(b) Infectious wastes that are generated by a generator who 75531
has staff privileges at a hospital as defined in section 3727.01 75532

a patient by an emergency medical services organization as defined 75535
in section 4765.01 of the Revised Code. 75536

(2) Holds a license or renewal of a license to operate a 75537
crematory facility issued under Chapter 4717. and a permit issued 75538
under Chapter 3704. of the Revised Code; 75539

(3) Treats or disposes of dead animals or parts thereof, or 75540
the blood of animals, and is subject to any of the following: 75541

(a) Inspection under the "Federal Meat Inspection Act," 81 75542
Stat. 584 (1967), 21 U.S.C.A. 603, as amended; 75543

(b) Chapter 918. of the Revised Code; 75544

(c) Chapter 953. of the Revised Code. 75545

(D) Neither this chapter nor any rules adopted under it apply 75546
to single-family residential premises; to infectious wastes 75547
generated by individuals for purposes of their own care or 75548
treatment; to the temporary storage of solid wastes, other than 75549
scrap tires, prior to their collection for disposal; to the 75550
storage of one hundred or fewer scrap tires unless they are stored 75551
in such a manner that, in the judgment of the director or the 75552
board of health of the health district in which the scrap tires 75553
are stored, the storage causes a nuisance, a hazard to public 75554
health or safety, or a fire hazard; or to the collection of solid 75555

wastes, other than scrap tires, by a political subdivision or a person holding a franchise or license from a political subdivision of the state; to composting, as defined in section 1511.01 of the Revised Code, conducted in accordance with section 1511.022 of the Revised Code; or to any person who is licensed to transport raw rendering material to a compost facility pursuant to section 953.23 of the Revised Code.

(E)(1) As used in this division:

(a) "On-site facility" means a facility that stores, treats, or disposes of hazardous waste that is generated on the premises of the facility.

(b) "Off-site facility" means a facility that stores, treats, or disposes of hazardous waste that is generated off the premises of the facility and includes such a facility that is also an on-site facility.

(c) "Satellite facility" means any of the following:

(i) An on-site facility that also receives hazardous waste from other premises owned by the same person who generates the waste on the facility premises;

(ii) An off-site facility operated so that all of the hazardous waste it receives is generated on one or more premises owned by the person who owns the facility;

(iii) An on-site facility that also receives hazardous waste that is transported uninterruptedly and directly to the facility through a pipeline from a generator who is not the owner of the facility.

(2) Except as provided in division (E)(3) of this section, no person shall establish or operate a hazardous waste facility, or use a solid waste facility for the storage, treatment, or disposal of any hazardous waste, without a hazardous waste facility

installation and operation permit issued in accordance with 75586
 section 3734.05 of the Revised Code and subject to the payment of 75587
 an application fee not to exceed one thousand five hundred 75588
 dollars, payable upon application for a hazardous waste facility 75589
 installation and operation permit and upon application for a 75590
 renewal permit issued under division (H) of section 3734.05 of the 75591
 Revised Code, to be credited to the hazardous waste facility 75592
 management fund created in section 3734.18 of the Revised Code. 75593
 The term of a hazardous waste facility installation and operation 75594
 permit shall not exceed ten years. 75595

In addition to the application fee, there is hereby levied an 75596
 annual permit fee to be paid by the permit holder upon the 75597
 anniversaries of the date of issuance of the hazardous waste 75598
 facility installation and operation permit and of any subsequent 75599
 renewal permits and to be credited to the hazardous waste facility 75600
 management fund. Annual permit fees totaling forty thousand 75601
 dollars or more for any one facility may be paid on a quarterly 75602
 basis with the first quarterly payment each year being due on the 75603
 anniversary of the date of issuance of the hazardous waste 75604
 facility installation and operation permit and of any subsequent 75605
 renewal permits. The annual permit fee shall be determined for 75606
 each permit holder by the director in accordance with the 75607
 following schedule: 75608

A hazardous waste disposal facility that disposes of 75639
hazardous waste by deep well injection and that pays the annual 75640
permit fee established in section 6111.046 of the Revised Code is 75641
not subject to the permit fee established in this division for 75642
disposal facilities using deep well injection unless the director 75643
determines that the facility is not in compliance with applicable 75644
requirements established under this chapter and rules adopted 75645
under it. 75646

In determining the annual permit fee required by this 75647
section, the director shall not require additional payments for 75648
multiple units of the same method of storage, treatment, or 75649
disposal or for individual units that are used for both storage 75650

treatment, or disposal shall pay the permit fee indicated by the 75652
schedule for each such method. 75653

The director shall not require the payment of that portion of 75654
an annual permit fee of any permit holder that would apply to a 75655
hazardous waste management unit for which a permit has been 75656
issued, but for which construction has not yet commenced. Once 75657
construction has commenced, the director shall require the payment 75658
of a part of the appropriate fee indicated by the schedule that 75659
bears the same relationship to the total fee that the number of 75660
days remaining until the next anniversary date at which payment of 75661
the annual permit fee is due bears to three hundred sixty-five. 75662

The director, by rules adopted in accordance with Chapters 75663
119. and 3745. of the Revised Code, shall prescribe procedures for 75664
collecting the annual permit fee established by this division and 75665
may prescribe other requirements necessary to carry out this 75666
division. 75667

(3) The prohibition against establishing or operating a 75668
hazardous waste facility without a hazardous waste facility 75669
installation and operation permit does not apply to either of the 75670
following: 75671

(a) A facility that is operating in accordance with a permit 75672
renewal issued under division (H) of section 3734.05 of the 75673
Revised Code, a revision issued under division (I) of that section 75674
as it existed prior to August 20, 1996, or a modification issued 75675
by the director under division (I) of that section on and after 75676
August 20, 1996; 75677

(b) Except as provided in division (J) of section 3734.05 of 75678
the Revised Code, a facility that will operate or is operating in 75679
accordance with a permit by rule, or that is not subject to permit 75680
requirements, under rules adopted by the director. In accordance 75681

with Chapter 119. of the Revised Code, the director shall adopt, 75682
and subsequently may amend, suspend, or rescind, rules for the 75683
purposes of division (E)(3)(b) of this section. Any rules so 75684
adopted shall be consistent with and equivalent to regulations 75685
pertaining to interim status adopted under the "Resource 75686
Conservation and Recovery Act of 1976," 90 Stat. 2806, 42 U.S.C.A. 75687
6921, as amended, except as otherwise provided in this chapter. 75688

If a modification is requested or proposed for a facility 75689
described in division (E)(3)(a) or (b) of this section, division 75690
(I)(7) of section 3734.05 of the Revised Code applies. 75691

(F) No person shall store, treat, or dispose of hazardous 75692
waste identified or listed under this chapter and rules adopted 75693
under it, regardless of whether generated on or off the premises 75694
where the waste is stored, treated, or disposed of, or transport 75695
or cause to be transported any hazardous waste identified or 75696
listed under this chapter and rules adopted under it to any other 75697
premises, except at or to any of the following: 75698

(1) A hazardous waste facility operating under a permit 75699
issued in accordance with this chapter; 75700

(2) A facility in another state operating under a license or 75701
permit issued in accordance with the "Resource Conservation and 75702
Recovery Act of 1976," 90 Stat. 2806, 42 U.S.C.A. 6921, as 75703
amended; 75704

(3) A facility in another nation operating in accordance with 75705
the laws of that nation; 75706

(4) A facility holding a permit issued pursuant to Title I of 75707
the "Marine Protection, Research, and Sanctuaries Act of 1972," 86 75708
Stat. 1052, 33 U.S.C.A. 1401, as amended; 75709

(5) A hazardous waste facility as described in division 75710
(E)(3)(a) or (b) of this section. 75711

(G) The director, by order, may exempt any person generating, 75712
collecting, storing, treating, disposing of, or transporting solid 75713
wastes, infectious wastes, or hazardous waste, or processing solid 75714
wastes that consist of scrap tires, in such quantities or under 75715
such circumstances that, in the determination of the director, are 75716
unlikely to adversely affect the public health or safety or the 75717
environment from any requirement to obtain a registration 75718
certificate, permit, or license or comply with the manifest system 75719
or other requirements of this chapter. Such an exemption shall be 75720
consistent with and equivalent to any regulations adopted by the 75721
administrator of the United States environmental protection agency 75722
under the "Resource Conservation and Recovery Act of 1976," 90 75723
Stat. 2806, 42 U.S.C.A. 6921, as amended, except as otherwise 75724
provided in this chapter. 75725

(H) No person shall engage in filling, grading, excavating, 75726
building, drilling, or mining on land where a hazardous waste 75727
facility, or a solid waste facility, was operated without prior 75728
authorization from the director, who shall establish the procedure 75729
for granting such authorization by rules adopted in accordance 75730
with Chapter 119. of the Revised Code. 75731

A public utility that has main or distribution lines above or 75732
below the land surface located on an easement or right-of-way 75733
across land where a solid waste facility was operated may engage 75734
in any such activity within the easement or right-of-way without 75735
prior authorization from the director for purposes of performing 75736
emergency repair or emergency replacement of its lines; of the 75737
poles, towers, foundations, or other structures supporting or 75738
sustaining any such lines; or of the appurtenances to those 75739
structures, necessary to restore or maintain existing public 75740
utility service. A public utility may enter upon any such easement 75741
or right-of-way without prior authorization from the director for 75742
purposes of performing necessary or routine maintenance of those 75743

portions of its existing lines; of the existing poles, towers, 75744
foundations, or other structures sustaining or supporting its 75745
lines; or of the appurtenances to any such supporting or 75746
sustaining structure, located on or above the land surface on any 75747
such easement or right-of-way. Within twenty-four hours after 75748
commencing any such emergency repair, replacement, or maintenance 75749
work, the public utility shall notify the director or the 75750
director's authorized representative of those activities and shall 75751
provide such information regarding those activities as the 75752
director or the director's representative may request. Upon 75753
completion of the emergency repair, replacement, or maintenance 75754
activities, the public utility shall restore any land of the solid 75755
waste facility disturbed by those activities to the condition 75756
existing prior to the commencement of those activities. 75757

(I) No owner or operator of a hazardous waste facility, in 75758
the operation of the facility, shall cause, permit, or allow the 75759
emission therefrom of any particulate matter, dust, fumes, gas, 75760
mist, smoke, vapor, or odorous substance that, in the opinion of 75761
the director, unreasonably interferes with the comfortable 75762
enjoyment of life or property by persons living or working in the 75763
vicinity of the facility, or that is injurious to public health. 75764
Any such action is hereby declared to be a public nuisance. 75765

(J) Notwithstanding any other provision of this chapter, in 75766
the event the director finds an imminent and substantial danger to 75767
public health or safety or the environment that creates an 75768
emergency situation requiring the immediate treatment, storage, or 75769
disposal of hazardous waste, the director may issue a temporary 75770
emergency permit to allow the treatment, storage, or disposal of 75771
the hazardous waste at a facility that is not otherwise authorized 75772
by a hazardous waste facility installation and operation permit to 75773
treat, store, or dispose of the waste. The emergency permit shall 75774
not exceed ninety days in duration and shall not be renewed. The 75775

director shall adopt, and may amend, suspend, or rescind, rules in 75776
accordance with Chapter 119. of the Revised Code governing the 75777
issuance, modification, revocation, and denial of emergency 75778
permits. 75779

(K) Except for infectious wastes generated by a person who 75780
produces fewer than fifty pounds of infectious wastes at a 75781
premises during any one month, no owner or operator of a sanitary 75782
landfill shall knowingly accept for disposal, or dispose of, any 75783
infectious wastes that have not been treated to render them 75784
noninfectious. 75785

(L) The director, in accordance with Chapter 119. of the 75786
Revised Code, shall adopt, and may amend, suspend, or rescind, 75787
rules having uniform application throughout the state establishing 75788
a training and certification program that shall be required for 75789
employees of boards of health who are responsible for enforcing 75790
the solid waste and infectious waste provisions of this chapter 75791
and rules adopted under them and for persons who are responsible 75792
for the operation of solid waste facilities or infectious waste 75793
treatment facilities. The rules shall provide all of the 75794
following, without limitation: 75795

(1) The program shall be administered by the director and 75796
shall consist of a course on new solid waste and infectious waste 75797
technologies, enforcement procedures, and rules; 75798

(2) The course shall be offered on an annual basis; 75799

(3) Those persons who are required to take the course under 75800
division (L) of this section shall do so triennially; 75801

(4) Persons who successfully complete the course shall be 75802
certified by the director; 75803

(5) Certification shall be required for all employees of 75804
boards of health who are responsible for enforcing the solid waste 75805
or infectious waste provisions of this chapter and rules adopted 75806

under them and for all persons who are responsible for the 75807
operation of solid waste facilities or infectious waste treatment 75808
facilities; 75809

(6)(a) All employees of a board of health who, on the 75810
effective date of the rules adopted under this division, are 75811
responsible for enforcing the solid waste or infectious waste 75812
provisions of this chapter and the rules adopted under them shall 75813
complete the course and be certified by the director not later 75814
than January 1, 1995; 75815

(b) All employees of a board of health who, after the 75816
effective date of the rules adopted under division (L) of this 75817
section, become responsible for enforcing the solid waste or 75818
infectious waste provisions of this chapter and rules adopted 75819
under them and who do not hold a current and valid certification 75820
from the director at that time shall complete the course and be 75821
certified by the director within two years after becoming 75822
responsible for performing those activities. 75823

No person shall fail to obtain the certification required 75824
under this division. 75825

(M) The director shall not issue a permit under section 75826
3734.05 of the Revised Code to establish a solid waste facility, 75827
or to modify a solid waste facility operating on December 21, 75828
1988, in a manner that expands the disposal capacity or geographic 75829
area covered by the facility, that is or is to be located within 75830
the boundaries of a state park established or dedicated under 75831
Chapter 1541. of the Revised Code, a state park purchase area 75832
established under section 1541.02 of the Revised Code, any unit of 75833
the national park system, or any property that lies within the 75834
boundaries of a national park or recreation area, but that has not 75835
been acquired or is not administered by the secretary of the 75836
United States department of the interior, located in this state, 75837
or any candidate area located in this state and identified for 75838

potential inclusion in the national park system in the edition of 75839
the "national park system plan" submitted under paragraph (b) of 75840
section 8 of "The Act of August 18, 1970," 84 Stat. 825, 16 75841
U.S.C.A. 1a-5, as amended, current at the time of filing of the 75842
application for the permit, unless the facility or proposed 75843
facility is or is to be used exclusively for the disposal of solid 75844
wastes generated within the park or recreation area and the 75845
director determines that the facility or proposed facility will 75846
not degrade any of the natural or cultural resources of the park 75847
or recreation area. The director shall not issue a variance under 75848
division (A) of this section and rules adopted under it, or issue 75849
an exemption order under division (G) of this section, that would 75850
authorize any such establishment or expansion of a solid waste 75851
facility within the boundaries of any such park or recreation 75852
area, state park purchase area, or candidate area, other than a 75853
solid waste facility exclusively for the disposal of solid wastes 75854
generated within the park or recreation area when the director 75855
determines that the facility will not degrade any of the natural 75856
or cultural resources of the park or recreation area. 75857

(N)(1) The rules adopted under division (A) of this section, 75858
other than those governing variances, do not apply to scrap tire 75859
collection, storage, monocell, monofill, and recovery facilities. 75860
Those facilities are subject to and governed by rules adopted 75861
under sections 3734.70 to 3734.73 of the Revised Code, as 75862
applicable. 75863

(2) Division (C) of this section does not apply to scrap tire 75864
collection, storage, monocell, monofill, and recovery facilities. 75865
The establishment and modification of those facilities are subject 75866
to sections 3734.75 to 3734.78 and section 3734.81 of the Revised 75867
Code, as applicable. 75868

(3) The director may adopt, amend, suspend, or rescind rules 75869
under division (A) of this section creating an alternative system 75870

for authorizing the establishment, operation, or modification of a solid waste compost facility in lieu of the requirement that a person seeking to establish, operate, or modify a solid waste compost facility apply for and receive a permit under division (C) of this section and section 3734.05 of the Revised Code and a license under division (A)(1) of that section. The rules may include requirements governing, without limitation, the classification of solid waste compost facilities, the submittal of operating records for solid waste compost facilities, and the creation of a registration or notification system in lieu of the issuance of permits and licenses for solid waste compost facilities. The rules shall specify the applicability of divisions (A)(1), (2)(a), (3), and (4) of section 3734.05 of the Revised Code to a solid waste compost facility.

(O)(1) As used in this division, "secondary aluminum waste" means waste material or byproducts, when disposed of, containing aluminum generated from secondary aluminum smelting operations and consisting of dross, salt cake, baghouse dust associated with aluminum recycling furnace operations, or dry-milled wastes.

(2) The owner or operator of a sanitary landfill shall not dispose of municipal solid waste that has been commingled with secondary aluminum waste.

(3) The owner or operator of a sanitary landfill may dispose of secondary aluminum waste, but only in a monocell or monofill that has been permitted for that purpose in accordance with this chapter and rules adopted under it.

(P)(1) As used in divisions (P) and (Q) of this section:

(a) "Natural background" means two picocuries per gram or the actual number of picocuries per gram as measured at an individual solid waste facility, subject to verification by the director of health.

(b) "Drilling operation" includes a production operation as defined in section 1509.01 of the Revised Code. 75902
75903

(2) The owner or operator of a solid waste facility shall not accept for transfer or disposal technologically enhanced naturally occurring radioactive material if that material contains or is contaminated with radium-226, radium-228, or any combination of radium-226 and radium-228 at concentrations equal to or greater than five picocuries per gram above natural background. 75904
75905
75906
75907
75908
75909

(3) The owner or operator of a solid waste facility may receive and process for purposes other than transfer or disposal technologically enhanced naturally occurring radioactive material that contains or is contaminated with radium-226, radium-228, or any combination of radium-226 and radium-228 at concentrations equal to or greater than five picocuries per gram above natural background, provided that the owner or operator has obtained and maintains all other necessary authorizations, including any authorization required by rules adopted by the director of health under section 3748.04 of the Revised Code. 75910
75911
75912
75913
75914
75915
75916
75917
75918
75919

(4) The director of environmental protection may adopt rules in accordance with Chapter 119. of the Revised Code governing the receipt, acceptance, processing, handling, management, and disposal by solid waste facilities of material that contains or is contaminated with radioactive material, including, without limitation, technologically enhanced naturally occurring radioactive material that contains or is contaminated with radium-226, radium-228, or any combination of radium-226 and radium-228 at concentrations less than five picocuries per gram above natural background. Rules adopted by the director may include at a minimum both of the following: 75920
75921
75922
75923
75924
75925
75926
75927
75928
75929
75930

(a) Requirements in accordance with which the owner or operator of a solid waste facility must monitor leachate and ground water for radium-226, radium-228, and other radionuclides; 75931
75932
75933

(b) Requirements in accordance with which the owner or operator of a solid waste facility must develop procedures to ensure that technologically enhanced naturally occurring radioactive material accepted at the facility neither contains nor is contaminated with radium-226, radium-228, or any combination of radium-226 and radium-228 at concentrations equal to or greater than five picocuries per gram above natural background.

(O) Notwithstanding any other provision of this section, the owner or operator of a solid waste facility shall not receive, accept, process, handle, manage, or dispose of technologically enhanced naturally occurring radioactive material associated with drilling operations without first obtaining representative analytical results to determine compliance with divisions (P)(2) and (3) of this section and rules adopted under it.

Sec. 3734.125. The director of environmental protection may adopt rules in accordance with Chapter 119. of the Revised Code establishing requirements governing the beneficial use of material from a horizontal well that has come in contact with a refined oil-based substance and that is not technologically enhanced naturally occurring radioactive material.

Sec. 3734.28. Except as otherwise provided in sections 3734.281 and 3734.282 of the Revised Code, moneys collected under sections 3734.122, 3734.13, 3734.20, 3734.22, 3734.24, and 3734.26 of the Revised Code and under the "Comprehensive Environmental Response, Compensation, and Liability Act of 1980," 94 Stat. 2767, 42 U.S.C.A. 9601, et seq., as amended, including moneys recovered under division (B)(1) of this section, shall be paid into the state treasury to the credit of the hazardous waste clean-up fund, which is hereby created. In addition, both of the following shall be credited to the fund:

(A) Moneys recovered for costs paid from the fund for 75964
activities described in divisions (A)(1) and (2) of section 75965
3745.12 of the Revised Code; 75966

(B) Natural resource damage assessment costs recovered under 75967
any of the following: 75968

closure or corrective action program. In addition, the agency 75984
shall use the moneys in the fund to pay the state's long-term 75985
operation and maintenance costs or matching share for actions 75986
taken under the "Comprehensive Environmental Response, 75987
Compensation, and Liability Act of 1980," as amended. If those 75988
moneys are reimbursed by grants or other moneys from the United 75989
States or any other person, the moneys shall be placed in the fund 75990

thirty per cent of the proceeds of which shall be deposited in the 76001
state treasury to the credit of the hazardous waste facility 76002
management fund created in section 3734.18 of the Revised Code and 76003
~~one-half~~ seventy per cent of the proceeds of which shall be 76004

waste clean-up fund created in section 3734.28 of the Revised 76006
Code; 76007

(2) An additional one dollar per ton through June 30, ~~2014~~ 76008
2016, the proceeds of which shall be deposited in the state 76009
treasury to the credit of the solid waste fund, which is hereby 76010
created. The environmental protection agency shall use money in 76011
the solid waste fund to pay the costs of administering and 76012
enforcing the laws pertaining to solid wastes, infectious wastes, 76013
and construction and demolition debris, including, without 76014
limitation, ground water evaluations related to solid wastes, 76015
infectious wastes, and construction and demolition debris, under 76016
this chapter and Chapter 3714. of the Revised Code and any rules 76017
adopted under them, providing compliance assistance to small 76018

In the case of solid wastes that are taken to a solid waste 76030
transfer facility located in this state prior to being transported 76031
for disposal at a solid waste disposal facility located in this 76032
state or outside of this state, the fees levied under this 76033
division shall be collected by the owner or operator of the 76034
transfer facility as a trustee for the state. The amount of fees 76035
required to be collected under this division at such a transfer 76036
facility shall equal the total tonnage of solid wastes received at 76037
the facility multiplied by the fees levied under this division. In 76038
the case of solid wastes that are not taken to a solid waste 76039
transfer facility located in this state prior to being transported 76040
to a solid waste disposal facility, the fees shall be collected by 76041
the owner or operator of the solid waste disposal facility as a 76042
trustee for the state. The amount of fees required to be collected 76043
under this division at such a disposal facility shall equal the 76044
total tonnage of solid wastes received at the facility that was 76045
not previously taken to a solid waste transfer facility located in 76046
this state multiplied by the fees levied under this division. Fees 76047
levied under this division do not apply to materials separated 76048
from a mixed waste stream for recycling by a generator or 76049
materials removed from the solid waste stream through recycling, 76050
as "recycling" is defined in rules adopted under section 3734.02 76051
of the Revised Code. 76052

The owner or operator of a solid waste transfer facility or 76053
disposal facility, as applicable, shall prepare and file with the 76054
director of environmental protection each month a return 76055
indicating the total tonnage of solid wastes received at the 76056
facility during that month and the total amount of the fees 76057

required to be collected under this division during that month. In 76058
addition, the owner or operator of a solid waste disposal facility 76059
shall indicate on the return the total tonnage of solid wastes 76060
received from transfer facilities located in this state during 76061
that month for which the fees were required to be collected by the 76062
transfer facilities. The monthly returns shall be filed on a form 76063
prescribed by the director. Not later than thirty days after the 76064
last day of the month to which a return applies, the owner or 76065
operator shall mail to the director the return for that month 76066
together with the fees required to be collected under this 76067
division during that month as indicated on the return or may 76068
submit the return and fees electronically in a manner approved by 76069
the director. If the return is filed and the amount of the fees 76070
due is paid in a timely manner as required in this division, the 76071
owner or operator may retain a discount of three-fourths of one 76072
per cent of the total amount of the fees that are required to be 76073
paid as indicated on the return. 76074

The owner or operator may request an extension of not more 76075
than thirty days for filing the return and remitting the fees, 76076
provided that the owner or operator has submitted such a request 76077
in writing to the director together with a detailed description of 76078
why the extension is requested, the director has received the 76079
request not later than the day on which the return is required to 76080
be filed, and the director has approved the request. If the fees 76081
are not remitted within thirty days after the last day of the 76082
month to which the return applies or are not remitted by the last 76083
day of an extension approved by the director, the owner or 76084
operator shall not retain the three-fourths of one per cent 76085
discount and shall pay an additional ten per cent of the amount of 76086
the fees for each month that they are late. For purposes of 76087
calculating the late fee, the first month in which fees are late 76088
begins on the first day after the deadline has passed for timely 76089
submitting the return and fees, and one additional month shall be 76090

counted every thirty days thereafter. 76091

The owner or operator of a solid waste facility may request a 76092
refund or credit of fees levied under this division and remitted 76093
to the director that have not been paid to the owner or operator. 76094
Such a request shall be made only if the fees have not been 76095
collected by the owner or operator, have become a debt that has 76096
become worthless or uncollectable for a period of six months or 76097
more, and may be claimed as a deduction, including a deduction 76098
claimed if the owner or operator keeps accounts on an accrual 76099
basis, under the "Internal Revenue Code of 1954," 68A Stat. 50, 26 76100
U.S.C. 166, as amended, and regulations adopted under it. Prior to 76101
making a request for a refund or credit, an owner or operator 76102
shall make reasonable efforts to collect the applicable fees. A 76103
request for a refund or credit shall not include any costs 76104
resulting from those efforts to collect unpaid fees. 76105

A request for a refund or credit of fees shall be made in 76106
writing, on a form prescribed by the director, and shall be 76107
supported by evidence that may be required in rules adopted by the 76108
director under this chapter. After reviewing the request, and if 76109
the request and evidence submitted with the request indicate that 76110
a refund or credit is warranted, the director shall grant a refund 76111
to the owner or operator or shall permit a credit to be taken by 76112
the owner or operator on a subsequent monthly return submitted by 76113
the owner or operator. The amount of a refund or credit shall not 76114
exceed an amount that is equal to ninety days' worth of fees owed 76115
to an owner or operator by a particular debtor of the owner or 76116
operator. A refund or credit shall not be granted by the director 76117
to an owner or operator more than once in any twelve-month period 76118
for fees owed to the owner or operator by a particular debtor. 76119

If, after receiving a refund or credit from the director, an 76120
owner or operator receives payment of all or part of the fees, the 76121
owner or operator shall remit the fees with the next monthly 76122

return submitted to the director together with a written 76123
explanation of the reason for the submittal. 76124

For purposes of computing the fees levied under this division 76125
or division (B) of this section, any solid waste transfer or 76126
disposal facility that does not use scales as a means of 76127
determining gate receipts shall use a conversion factor of three 76128
cubic yards per ton of solid waste or one cubic yard per ton for 76129
baled waste, as applicable. 76130

The fees levied under this division and divisions (B) and (C) 76131
of this section are in addition to all other applicable fees and 76132
taxes and shall be paid by the customer or a political subdivision 76133
to the owner or operator of a solid waste transfer or disposal 76134
facility. In the alternative, the fees shall be paid by a customer 76135
or political subdivision to a transporter of waste who 76136
subsequently transfers the fees to the owner or operator of such a 76137
facility. The fees shall be paid notwithstanding the existence of 76138
any provision in a contract that the customer or a political 76139
subdivision may have with the owner or operator or with a 76140
transporter of waste to the facility that would not require or 76141
allow such payment regardless of whether the contract was entered 76142
prior to or after October 16, 2009. For those purposes, "customer" 76143
means a person who contracts with, or utilizes the solid waste 76144
services of, the owner or operator of a solid waste transfer or 76145
disposal facility or a transporter of solid waste to such a 76146
facility. 76147

(B) For the purposes specified in division (G) of this 76148
section, the solid waste management policy committee of a county 76149
or joint solid waste management district may levy fees upon the 76150
following activities: 76151

(1) The disposal at a solid waste disposal facility located 76152
in the district of solid wastes generated within the district; 76153

(2) The disposal at a solid waste disposal facility within the district of solid wastes generated outside the boundaries of the district, but inside this state;

(3) The disposal at a solid waste disposal facility within the district of solid wastes generated outside the boundaries of this state.

The solid waste management plan of the county or joint district approved under section 3734.521 or 3734.55 of the Revised Code and any amendments to it, or the resolution adopted under this division, as appropriate, shall establish the rates of the fees levied under divisions (B)(1), (2), and (3) of this section, if any, and shall specify whether the fees are levied on the basis of tons or cubic yards as the unit of measurement. A solid waste management district that levies fees under this division on the basis of cubic yards shall do so in accordance with division (A) of this section.

The fee levied under division (B)(1) of this section shall be not less than one dollar per ton nor more than two dollars per ton, the fee levied under division (B)(2) of this section shall be not less than two dollars per ton nor more than four dollars per ton, and the fee levied under division (B)(3) of this section shall be not more than the fee levied under division (B)(1) of this section.

Prior to the approval of the solid waste management plan of a district under section 3734.55 of the Revised Code, the solid waste management policy committee of a district may levy fees under this division by adopting a resolution establishing the proposed amount of the fees. Upon adopting the resolution, the committee shall deliver a copy of the resolution to the board of county commissioners of each county forming the district and to the legislative authority of each municipal corporation and township under the jurisdiction of the district and shall prepare

and publish the resolution and a notice of the time and location 76186
where a public hearing on the fees will be held. Upon adopting the 76187
resolution, the committee shall deliver written notice of the 76188
adoption of the resolution; of the amount of the proposed fees; 76189
and of the date, time, and location of the public hearing to the 76190
director and to the fifty industrial, commercial, or institutional 76191
generators of solid wastes within the district that generate the 76192
largest quantities of solid wastes, as determined by the 76193
committee, and to their local trade associations. The committee 76194
shall make good faith efforts to identify those generators within 76195
the district and their local trade associations, but the 76196
nonprovision of notice under this division to a particular 76197
generator or local trade association does not invalidate the 76198
proceedings under this division. The publication shall occur at 76199
least thirty days before the hearing. After the hearing, the 76200
committee may make such revisions to the proposed fees as it 76201
considers appropriate and thereafter, by resolution, shall adopt 76202
the revised fee schedule. Upon adopting the revised fee schedule, 76203
the committee shall deliver a copy of the resolution doing so to 76204
the board of county commissioners of each county forming the 76205
district and to the legislative authority of each municipal 76206
corporation and township under the jurisdiction of the district. 76207
Within sixty days after the delivery of a copy of the resolution 76208
adopting the proposed revised fees by the policy committee, each 76209
such board and legislative authority, by ordinance or resolution, 76210
shall approve or disapprove the revised fees and deliver a copy of 76211
the ordinance or resolution to the committee. If any such board or 76212
legislative authority fails to adopt and deliver to the policy 76213
committee an ordinance or resolution approving or disapproving the 76214
revised fees within sixty days after the policy committee 76215
delivered its resolution adopting the proposed revised fees, it 76216
shall be conclusively presumed that the board or legislative 76217
authority has approved the proposed revised fees. The committee 76218

shall determine if the resolution has been ratified in the same 76219
manner in which it determines if a draft solid waste management 76220
plan has been ratified under division (B) of section 3734.55 of 76221
the Revised Code. 76222

The committee may amend the schedule of fees levied pursuant 76223
to a resolution adopted and ratified under this division by 76224
adopting a resolution establishing the proposed amount of the 76225
amended fees. The committee may repeal the fees levied pursuant to 76226
such a resolution by adopting a resolution proposing to repeal 76227
them. Upon adopting such a resolution, the committee shall proceed 76228
to obtain ratification of the resolution in accordance with this 76229
division. 76230

Not later than fourteen days after declaring the new fees to 76231
be ratified or the fees to be repealed under this division, the 76232
committee shall notify by certified mail the owner or operator of 76233
each solid waste disposal facility that is required to collect the 76234
fees of the ratification and the amount of the fees or of the 76235
repeal of the fees. Collection of any fees shall commence or 76236
collection of repealed fees shall cease on the first day of the 76237
second month following the month in which notification is sent to 76238
the owner or operator. 76239

Fees levied under this division also may be established, 76240
amended, or repealed by a solid waste management policy committee 76241
through the adoption of a new district solid waste management 76242
plan, the adoption of an amended plan, or the amendment of the 76243
plan or amended plan in accordance with sections 3734.55 and 76244
3734.56 of the Revised Code or the adoption or amendment of a 76245
district plan in connection with a change in district composition 76246
under section 3734.521 of the Revised Code. 76247

Not later than fourteen days after the director issues an 76248
order approving a district's solid waste management plan, amended 76249
plan, or amendment to a plan or amended plan that establishes, 76250

amends, or repeals a schedule of fees levied by the district, the 76251
committee shall notify by certified mail the owner or operator of 76252
each solid waste disposal facility that is required to collect the 76253
fees of the approval of the plan or amended plan, or the amendment 76254
to the plan, as appropriate, and the amount of the fees, if any. 76255
In the case of an initial or amended plan approved under section 76256
3734.521 of the Revised Code in connection with a change in 76257
district composition, other than one involving the withdrawal of a 76258
county from a joint district, the committee, within fourteen days 76259
after the change takes effect pursuant to division (G) of that 76260
section, shall notify by certified mail the owner or operator of 76261
each solid waste disposal facility that is required to collect the 76262
fees that the change has taken effect and of the amount of the 76263
fees, if any. Collection of any fees shall commence or collection 76264
of repealed fees shall cease on the first day of the second month 76265
following the month in which notification is sent to the owner or 76266
operator. 76267

If, in the case of a change in district composition involving 76268
the withdrawal of a county from a joint district, the director 76269
completes the actions required under division (G)(1) or (3) of 76270
section 3734.521 of the Revised Code, as appropriate, forty-five 76271
days or more before the beginning of a calendar year, the policy 76272
committee of each of the districts resulting from the change that 76273
obtained the director's approval of an initial or amended plan in 76274
connection with the change, within fourteen days after the 76275
director's completion of the required actions, shall notify by 76276
certified mail the owner or operator of each solid waste disposal 76277
facility that is required to collect the district's fees that the 76278
change is to take effect on the first day of January immediately 76279
following the issuance of the notice and of the amount of the fees 76280
or amended fees levied under divisions (B)(1) to (3) of this 76281
section pursuant to the district's initial or amended plan as so 76282
approved or, if appropriate, the repeal of the district's fees by 76283

that initial or amended plan. Collection of any fees set forth in 76284
such a plan or amended plan shall commence on the first day of 76285
January immediately following the issuance of the notice. If such 76286
an initial or amended plan repeals a schedule of fees, collection 76287
of the fees shall cease on that first day of January. 76288

If, in the case of a change in district composition involving 76289
the withdrawal of a county from a joint district, the director 76290
completes the actions required under division (G)(1) or (3) of 76291
section 3734.521 of the Revised Code, as appropriate, less than 76292
forty-five days before the beginning of a calendar year, the 76293
director, on behalf of each of the districts resulting from the 76294
change that obtained the director's approval of an initial or 76295
amended plan in connection with the change proceedings, shall 76296
notify by certified mail the owner or operator of each solid waste 76297
disposal facility that is required to collect the district's fees 76298
that the change is to take effect on the first day of January 76299
immediately following the mailing of the notice and of the amount 76300
of the fees or amended fees levied under divisions (B)(1) to (3) 76301
of this section pursuant to the district's initial or amended plan 76302
as so approved or, if appropriate, the repeal of the district's 76303
fees by that initial or amended plan. Collection of any fees set 76304
forth in such a plan or amended plan shall commence on the first 76305
day of the second month following the month in which notification 76306
is sent to the owner or operator. If such an initial or amended 76307
plan repeals a schedule of fees, collection of the fees shall 76308
cease on the first day of the second month following the month in 76309
which notification is sent to the owner or operator. 76310

If the schedule of fees that a solid waste management 76311
district is levying under divisions (B)(1) to (3) of this section 76312
is amended or repealed, the fees in effect immediately prior to 76313
the amendment or repeal shall continue to be collected until 76314
collection of the amended fees commences or collection of the 76315

repealed fees ceases, as applicable, as specified in this 76316
division. In the case of a change in district composition, money 76317
so received from the collection of the fees of the former 76318
districts shall be divided among the resulting districts in 76319
accordance with division (B) of section 343.012 of the Revised 76320
Code and the agreements entered into under division (B) of section 76321
343.01 of the Revised Code to establish the former and resulting 76322
districts and any amendments to those agreements. 76323

For the purposes of the provisions of division (B) of this 76324
section establishing the times when newly established or amended 76325
fees levied by a district are required to commence and the 76326
collection of fees that have been amended or repealed is required 76327
to cease, "fees" or "schedule of fees" includes, in addition to 76328
fees levied under divisions (B)(1) to (3) of this section, those 76329
levied under section 3734.573 or 3734.574 of the Revised Code. 76330

(C) For the purposes of defraying the added costs to a 76331
municipal corporation or township of maintaining roads and other 76332
public facilities and of providing emergency and other public 76333
services, and compensating a municipal corporation or township for 76334
reductions in real property tax revenues due to reductions in real 76335
property valuations resulting from the location and operation of a 76336
solid waste disposal facility within the municipal corporation or 76337
township, a municipal corporation or township in which such a 76338
solid waste disposal facility is located may levy a fee of not 76339
more than twenty-five cents per ton on the disposal of solid 76340
wastes at a solid waste disposal facility located within the 76341
boundaries of the municipal corporation or township regardless of 76342
where the wastes were generated. 76343

The legislative authority of a municipal corporation or 76344
township may levy fees under this division by enacting an 76345
ordinance or adopting a resolution establishing the amount of the 76346
fees. Upon so doing the legislative authority shall mail a 76347

certified copy of the ordinance or resolution to the board of 76348
county commissioners or directors of the county or joint solid 76349
waste management district in which the municipal corporation or 76350
township is located or, if a regional solid waste management 76351
authority has been formed under section 343.011 of the Revised 76352
Code, to the board of trustees of that regional authority, the 76353
owner or operator of each solid waste disposal facility in the 76354
municipal corporation or township that is required to collect the 76355
fee by the ordinance or resolution, and the director of 76356
environmental protection. Although the fees levied under this 76357
division are levied on the basis of tons as the unit of 76358
measurement, the legislative authority, in its ordinance or 76359
resolution levying the fees under this division, may direct that 76360
the fees be levied on the basis of cubic yards as the unit of 76361
measurement based upon a conversion factor of three cubic yards 76362
per ton generally or one cubic yard per ton for baled wastes. 76363

Not later than five days after enacting an ordinance or 76364
adopting a resolution under this division, the legislative 76365
authority shall so notify by certified mail the owner or operator 76366
of each solid waste disposal facility that is required to collect 76367
the fee. Collection of any fee levied on or after March 24, 1992, 76368
shall commence on the first day of the second month following the 76369
month in which notification is sent to the owner or operator. 76370

(D)(1) The fees levied under divisions (A), (B), and (C) of 76371
this section do not apply to the disposal of solid wastes that: 76372

(a) Are disposed of at a facility owned by the generator of 76373
the wastes when the solid waste facility exclusively disposes of 76374
solid wastes generated at one or more premises owned by the 76375
generator regardless of whether the facility is located on a 76376
premises where the wastes are generated; 76377

(b) Are generated from the combustion of coal, or from the 76378
combustion of primarily coal, regardless of whether the disposal 76379

facility is located on the premises where the wastes are 76380
generated; 76381

(c) Are asbestos or asbestos-containing materials or products 76382
disposed of at a construction and demolition debris facility that 76383
is licensed under Chapter 3714. of the Revised Code or at a solid 76384
waste facility that is licensed under this chapter. 76385

(2) Except as provided in section 3734.571 of the Revised 76386
Code, any fees levied under division (B)(1) of this section apply 76387
to solid wastes originating outside the boundaries of a county or 76388
joint district that are covered by an agreement for the joint use 76389
of solid waste facilities entered into under section 343.02 of the 76390
Revised Code by the board of county commissioners or board of 76391
directors of the county or joint district where the wastes are 76392
generated and disposed of. 76393

(3) When solid wastes, other than solid wastes that consist 76394
of scrap tires, are burned in a disposal facility that is an 76395
incinerator or energy recovery facility, the fees levied under 76396
divisions (A), (B), and (C) of this section shall be levied upon 76397
the disposal of the fly ash and bottom ash remaining after burning 76398
of the solid wastes and shall be collected by the owner or 76399
operator of the sanitary landfill where the ash is disposed of. 76400

(4) When solid wastes are delivered to a solid waste transfer 76401
facility, the fees levied under divisions (B) and (C) of this 76402
section shall be levied upon the disposal of solid wastes 76403
transported off the premises of the transfer facility for disposal 76404
and shall be collected by the owner or operator of the solid waste 76405
disposal facility where the wastes are disposed of. 76406

(5) The fees levied under divisions (A), (B), and (C) of this 76407
section do not apply to sewage sludge that is generated by a waste 76408
water treatment facility holding a national pollutant discharge 76409
elimination system permit and that is disposed of through 76410

incineration, land application, or composting or at another 76411
resource recovery or disposal facility that is not a landfill. 76412

(6) The fees levied under divisions (A), (B), and (C) of this 76413
section do not apply to solid wastes delivered to a solid waste 76414
composting facility for processing. When any unprocessed solid 76415
waste or compost product is transported off the premises of a 76416
composting facility and disposed of at a landfill, the fees levied 76417
under divisions (A), (B), and (C) of this section shall be 76418
collected by the owner or operator of the landfill where the 76419
unprocessed waste or compost product is disposed of. 76420

(7) When solid wastes that consist of scrap tires are 76421
processed at a scrap tire recovery facility, the fees levied under 76422
divisions (A), (B), and (C) of this section shall be levied upon 76423
the disposal of the fly ash and bottom ash or other solid wastes 76424
remaining after the processing of the scrap tires and shall be 76425
collected by the owner or operator of the solid waste disposal 76426
facility where the ash or other solid wastes are disposed of. 76427

(8) The director of environmental protection may issue an 76428
order exempting from the fees levied under this section solid 76429
wastes, including, but not limited to, scrap tires, that are 76430
generated, transferred, or disposed of as a result of a contract 76431
providing for the expenditure of public funds entered into by the 76432
administrator or regional administrator of the United States 76433
environmental protection agency, the director of environmental 76434
protection, or the director of administrative services on behalf 76435
of the director of environmental protection for the purpose of 76436
remediating conditions at a hazardous waste facility, solid waste 76437
facility, or other location at which the administrator or regional 76438
administrator or the director of environmental protection has 76439
reason to believe that there is a substantial threat to public 76440
health or safety or the environment or that the conditions are 76441
causing or contributing to air or water pollution or soil 76442

contamination. An order issued by the director of environmental 76443
protection under division (D)(8) of this section shall include a 76444
determination that the amount of the fees not received by a solid 76445
waste management district as a result of the order will not 76446
adversely impact the implementation and financing of the 76447
district's approved solid waste management plan and any approved 76448
amendments to the plan. Such an order is a final action of the 76449
director of environmental protection. 76450

(E) The fees levied under divisions (B) and (C) of this 76451
section shall be collected by the owner or operator of the solid 76452
waste disposal facility where the wastes are disposed of as a 76453
trustee for the county or joint district and municipal corporation 76454
or township where the wastes are disposed of. Moneys from the fees 76455
levied under division (B) of this section shall be forwarded to 76456
the board of county commissioners or board of directors of the 76457
district in accordance with rules adopted under division (H) of 76458
this section. Moneys from the fees levied under division (C) of 76459
this section shall be forwarded to the treasurer or such other 76460
officer of the municipal corporation as, by virtue of the charter, 76461
has the duties of the treasurer or to the fiscal officer of the 76462
township, as appropriate, in accordance with those rules. 76463

(F) Moneys received by the treasurer or other officer of the 76464
municipal corporation under division (E) of this section shall be 76465
paid into the general fund of the municipal corporation. Moneys 76466
received by the fiscal officer of the township under that division 76467
shall be paid into the general fund of the township. The treasurer 76468
or other officer of the municipal corporation or the township 76469
fiscal officer, as appropriate, shall maintain separate records of 76470
the moneys received from the fees levied under division (C) of 76471
this section. 76472

(G) Moneys received by the board of county commissioners or 76473
board of directors under division (E) of this section or section 76474

3734.571, 3734.572, 3734.573, or 3734.574 of the Revised Code 76475
shall be paid to the county treasurer, or other official acting in 76476
a similar capacity under a county charter, in a county district or 76477
to the county treasurer or other official designated by the board 76478
of directors in a joint district and kept in a separate and 76479
distinct fund to the credit of the district. If a regional solid 76480
waste management authority has been formed under section 343.011 76481
of the Revised Code, moneys received by the board of trustees of 76482
that regional authority under division (E) of this section shall 76483
be kept by the board in a separate and distinct fund to the credit 76484
of the district. Moneys in the special fund of the county or joint 76485
district arising from the fees levied under division (B) of this 76486
section and the fee levied under division (A) of section 3734.573 76487
of the Revised Code shall be expended by the board of county 76488
commissioners or directors of the district in accordance with the 76489
district's solid waste management plan or amended plan approved 76490
under section 3734.521, 3734.55, or 3734.56 of the Revised Code 76491
exclusively for the following purposes: 76492

(1) Preparation of the solid waste management plan of the 76493
district under section 3734.54 of the Revised Code, monitoring 76494
implementation of the plan, and conducting the periodic review and 76495
amendment of the plan required by section 3734.56 of the Revised 76496
Code by the solid waste management policy committee; 76497

(2) Implementation of the approved solid waste management 76498
plan or amended plan of the district, including, without 76499
limitation, the development and implementation of solid waste 76500
recycling or reduction programs; 76501

(3) Providing financial assistance to boards of health within 76502
the district, if solid waste facilities are located within the 76503
district, for enforcement of this chapter and rules, orders, and 76504
terms and conditions of permits, licenses, and variances adopted 76505
or issued under it, other than the hazardous waste provisions of 76506

this chapter and rules adopted and orders and terms and conditions 76507
of permits issued under those provisions; 76508

(4) Providing financial assistance to each county within the 76509
district to defray the added costs of maintaining roads and other 76510
public facilities and of providing emergency and other public 76511
services resulting from the location and operation of a solid 76512
waste facility within the county under the district's approved 76513
solid waste management plan or amended plan; 76514

(5) Pursuant to contracts entered into with boards of health 76515
within the district, if solid waste facilities contained in the 76516
district's approved plan or amended plan are located within the 76517
district, for paying the costs incurred by those boards of health 76518
for collecting and analyzing samples from public or private water 76519
wells on lands adjacent to those facilities; 76520

(6) Developing and implementing a program for the inspection 76521
of solid wastes generated outside the boundaries of this state 76522
that are disposed of at solid waste facilities included in the 76523
district's approved solid waste management plan or amended plan; 76524

(7) Providing financial assistance to boards of health within 76525
the district for the enforcement of section 3734.03 of the Revised 76526
Code or to local law enforcement agencies having jurisdiction 76527
within the district for enforcing anti-littering laws and 76528
ordinances; 76529

(8) Providing financial assistance to boards of health of 76530
health districts within the district that are on the approved list 76531
under section 3734.08 of the Revised Code to defray the costs to 76532
the health districts for the participation of their employees 76533
responsible for enforcement of the solid waste provisions of this 76534
chapter and rules adopted and orders and terms and conditions of 76535
permits, licenses, and variances issued under those provisions in 76536
the training and certification program as required by rules 76537

adopted under division (L) of section 3734.02 of the Revised Code; 76538

(9) Providing financial assistance to individual municipal 76539
corporations and townships within the district to defray their 76540
added costs of maintaining roads and other public facilities and 76541
of providing emergency and other public services resulting from 76542
the location and operation within their boundaries of a 76543
composting, energy or resource recovery, incineration, or 76544
recycling facility that either is owned by the district or is 76545
furnishing solid waste management facility or recycling services 76546
to the district pursuant to a contract or agreement with the board 76547
of county commissioners or directors of the district; 76548

(10) Payment of any expenses that are agreed to, awarded, or 76549
ordered to be paid under section 3734.35 of the Revised Code and 76550
of any administrative costs incurred pursuant to that section. In 76551
the case of a joint solid waste management district, if the board 76552
of county commissioners of one of the counties in the district is 76553
negotiating on behalf of affected communities, as defined in that 76554
section, in that county, the board shall obtain the approval of 76555
the board of directors of the district in order to expend moneys 76556
for administrative costs incurred. 76557

Sec. 3734.907. (A) Any person required to pay the fee imposed 76607
by section 3734.901 of the Revised Code is personally liable for 76608
the fee. The tax commissioner may make an assessment, based upon 76609

request a hearing on the petition. 76617

(B) When the information in the possession of the tax 76618
commissioner indicates that a person liable for the fee imposed by 76619

assessment becomes final and the amount of the assessment is due 76632
and payable from the person assessed to the treasurer of state. 76633
The petition shall indicate the objections of the person assessed, 76634
but additional objections may be raised in writing if received by 76635
the commissioner prior to the date shown on the final 76636
determination. If the petition has been properly filed, the 76637

(E) After an assessment becomes final, if any portion of the 76640

certified copy of the tax commissioner's entry making the 76642
assessment final may be filed in the office of the clerk of the 76643
court of common pleas in the county in which the person assessed 76644
resides or in which the person's business is conducted. If the 76645
person assessed maintains no place of business in this state and 76646
is not a resident of this state, the certified copy of the entry 76647
may be filed in the office of the clerk of the court of common 76648
pleas of Franklin county. 76649

Immediately upon the filing of the entry, the clerk shall 76650
enter a judgment for the state against the person assessed in the 76651
amount shown on the entry. The judgment may be filed by the clerk 76652
in a loose-leaf book entitled "special judgments for state tire 76653

portion of the assessment consisting of the fee due shall bear 76660

the Revised Code from the day the commissioner issues the 76662
assessment until the day the assessment is paid or until it is 76663

certified to the attorney general for collection under section 76664
131.02 of the Revised Code, whichever comes first. If the unpaid 76665
portion of the assessment is certified to the attorney general for 76666
collection, the entire unpaid portion of the assessment shall bear 76667
interest at the rate per annum prescribed by section 5703.47 of 76668
the Revised Code from the date of certification until the date it 76669
is paid in its entirety. Interest shall be paid in the same manner 76670
as the fee and may be collected by the issuance of an assessment 76671
under this section. 76672

(F) If the tax commissioner believes that collection of the 76673
fee will be jeopardized unless proceedings to collect or secure 76674
collection of the fee are instituted without delay, the 76675
commissioner may issue a jeopardy assessment against the person 76676
liable for the fee. Immediately upon the issuance of the jeopardy 76677

provided in section 5703.37 of the Revised Code, within five days 76682
of the filing of the entry with the clerk. The total amount 76683
assessed is immediately due and payable, unless the person 76684
assessed files a petition for reassessment in accordance with 76685
division (D) of this section and provides security in a form 76686
satisfactory to the commissioner and in an amount sufficient to 76687
satisfy the unpaid balance of the assessment. Full or partial 76688
payment of the assessment does not prejudice the commissioner's 76689
consideration of the petition for reassessment. 76690

(G) All money collected by the tax commissioner under this 76691
section shall be paid to the treasurer of state as revenue arising 76692
from the fee imposed by section 3734.901 of the Revised Code. 76693

These actions may include one or more of the following:

(1) Issuance of a citation and order requiring the responsible person to undertake, in a manner consistent with the requirements of section 9003 of the "Resource Conservation and Recovery Act of 1976," 98 Stat. 3279, 42 U.S.C.A. 6991b, as amended, applicable regulations adopted thereunder, and rules adopted under division (B) of this section, such actions as are necessary to protect human health and the environment, including, without limitation, the investigation of a suspected release;

(B) The fire marshal shall adopt, and may amend and rescind, 77053
such rules as the fire marshal considers necessary to establish 77054
standards for corrective actions for suspected and confirmed 77055
releases of petroleum and standards for the recovery of costs 77056

releases of petroleum. Rules regarding financial responsibility 77062
shall, without limitation, require responsible persons to provide 77063
evidence that the parties guaranteeing payment of the deductible 77064

amount established under division (E) or (F) of section 3737.91 of 77065

division (F) of section 3737.881 of the Revised Code shall pay a 77080
civil penalty of not more than ten thousand dollars for each day 77081
that the violation continues. The fire marshal may, by order, 77082
assess a civil penalty under this division, or the fire marshal 77083
may request the attorney general to bring a civil action for 77084
imposition of the civil penalty in the court of common pleas of 77085
the county in which the violation occurred. If the fire marshal 77086
determines that a responsible person is in violation of division 77087
(C)(1) of this section or division (F) of section 3737.881 of the 77088
Revised Code, the fire marshal may request the attorney general to 77089
bring a civil action for appropriate relief, including a temporary 77090
restraining order or preliminary or permanent injunction, in the 77091
court of common pleas of the county in which the underground 77092

registered land, as defined in section 5309.01 of the Revised 77127
Code, the restrictions or environmental covenant shall be entered 77128

as a memorial on the page of the register where the title of the owner is registered. 77129
77130

The fees assessed under division (D) of this section in a calendar year shall be based upon the sum of the actual emissions of those regulated pollutants during the preceding calendar year. For the purpose of division (D) of this section, emissions of air contaminants may be calculated using engineering calculations, emission factors, material balance calculations, or performance testing procedures, as authorized by the director. The director, by rule, may require persons who are required to pay the fees assessed under division (D) of this section to pay those fees biennially rather than annually.

(E)(1) Consistent with the need to cover the reasonable costs of the Title V permit program, the director annually shall increase the fees prescribed in division (B) of this section by the percentage, if any, by which the consumer price index for the most recent calendar year ending before the beginning of a year exceeds the consumer price index for calendar year 1989. (Y)(1) Except as provided in divisions (Y)(2), (3), and (4) of this section, each sewage sludge facility shall pay a nonrefundable annual sludge fee equal to three dollars and fifty cents per dry ton of sewage sludge, including the dry tons of sewage sludge in materials derived from sewage sludge, that the sewage sludge facility treats or disposes of in this state. The	78274 78275 78276 78277 78278 78279

annual volume of sewage sludge treated or disposed of by a sewage 78280
sludge facility shall be calculated using the first day of January 78281
through the thirty-first day of December of the calendar year 78282
preceding the date on which payment of the fee is due. 78283

(2)(a) Except as provided in division (Y)(2)(d) of this 78284
section, each sewage sludge facility shall pay a minimum annual 78285
sewage sludge fee of one hundred dollars. 78286

(b) The annual sludge fee required to be paid by a sewage 78287
sludge facility that treats or disposes of exceptional quality 78288
sludge in this state shall be thirty-five per cent less per dry 78289
ton of exceptional quality sludge than the fee assessed under 78290
division (Y)(1) of this section, subject to the following 78291
exceptions: 78292

(i) Except as provided in division (Y)(2)(d) of this section, 78293
a sewage sludge facility that treats or disposes of exceptional 78294
quality sludge shall pay a minimum annual sewage sludge fee of one 78295
hundred dollars. 78296

(ii) A sewage sludge facility that treats or disposes of 78297
exceptional quality sludge shall not be required to pay the annual 78298
sludge fee for treatment or disposal in this state of exceptional 78299
quality sludge generated outside of this state and contained in 78300
bags or other containers not greater than one hundred pounds in 78301
capacity. 78302

A thirty-five per cent reduction for exceptional quality 78303
sludge applies to the maximum annual fees established under 78304
division (Y)(3) of this section. 78305

(c) A sewage sludge facility that transfers sewage sludge to 78306
another sewage sludge facility in this state for further treatment 78307
prior to disposal in this state shall not be required to pay the 78308
annual sludge fee for the tons of sewage sludge that have been 78309
transferred. In such a case, the sewage sludge facility that 78310

disposes of the sewage sludge shall pay the annual sludge fee. 78311
However, the facility transferring the sewage sludge shall pay the 78312
one-hundred-dollar minimum fee required under division (Y)(2)(a) 78313
of this section. 78314

In the case of a sewage sludge facility that treats sewage 78315
sludge in this state and transfers it out of this state to another 78316
entity for disposal, the sewage sludge facility in this state 78317
shall be required to pay the annual sludge fee for the tons of 78318
sewage sludge that have been transferred. 78319

(d) A sewage sludge facility that generates sewage sludge 78320
resulting from an average daily discharge flow of less than five 78321
thousand gallons per day is not subject to the fees assessed under 78322
division (Y) of this section. 78323

(3) No sewage sludge facility required to pay the annual 78324
sludge fee shall be required to pay more than the maximum annual 78325
fee for each disposal method that the sewage sludge facility uses. 78326
The maximum annual fee does not include the additional amount that 78327
may be charged under division (Y)(5) of this section for late 78328
payment of the annual sludge fee. The maximum annual fee for the 78329
following methods of disposal of sewage sludge is as follows: 78330

(a) Incineration: five thousand dollars; 78331

(b) Preexisting land reclamation project or disposal in a 78332
landfill: five thousand dollars; 78333

(c) Land application, land reclamation, surface disposal, or 78334
any other disposal method not specified in division (Y)(3)(a) or 78335
(b) of this section: twenty thousand dollars. 78336

(4)(a) In the case of an entity that generates sewage sludge 78337
or a sewage sludge facility that treats sewage sludge and 78338
transfers the sewage sludge to an incineration facility for 78339
disposal, the incineration facility, and not the entity generating 78340
the sewage sludge or the sewage sludge facility treating the 78341

sewage sludge, shall pay the annual sludge fee for the tons of 78342
sewage sludge that are transferred. However, the entity or 78343
facility generating or treating the sewage sludge shall pay the 78344
one-hundred-dollar minimum fee required under division (Y)(2)(a) 78345
of this section. 78346

(b) In the case of an entity that generates sewage sludge and 78347
transfers the sewage sludge to a landfill for disposal or to a 78348
sewage sludge facility for land reclamation or surface disposal, 78349
the entity generating the sewage sludge, and not the landfill or 78350
sewage sludge facility, shall pay the annual sludge fee for the 78351
tons of sewage sludge that are transferred. 78352

(5) Not later than the first day of April of the calendar 78353
year following March 17, 2000, and each first day of April 78354
thereafter, the director shall issue invoices to persons who are 78355
required to pay the annual sludge fee. The invoice shall identify 78356
the nature and amount of the annual sludge fee assessed and state 78357
the first day of May as the deadline for receipt by the director 78358
of objections regarding the amount of the fee and the first day of 78359
July as the deadline for payment of the fee. 78360

Not later than the first day of May following receipt of an 78361
invoice, a person required to pay the annual sludge fee may submit 78362
objections to the director concerning the accuracy of information 78363
regarding the number of dry tons of sewage sludge used to 78364
calculate the amount of the annual sludge fee or regarding whether 78365
the sewage sludge qualifies for the exceptional quality sludge 78366
discount established in division (Y)(2)(b) of this section. The 78367
director may consider the objections and adjust the amount of the 78368
fee to ensure that it is accurate. 78369

If the director does not adjust the amount of the annual 78370
sludge fee in response to a person's objections, the person may 78371
appeal the director's determination in accordance with Chapter 78372
119. of the Revised Code. 78373

Not later than the first day of June, the director shall 78374
notify the objecting person regarding whether the director has 78375
found the objections to be valid and the reasons for the finding. 78376
If the director finds the objections to be valid and adjusts the 78377
amount of the annual sludge fee accordingly, the director shall 78378
issue with the notification a new invoice to the person 78379
identifying the amount of the annual sludge fee assessed and 78380
stating the first day of July as the deadline for payment. 78381

Not later than the first day of July, any person who is 78382
required to do so shall pay the annual sludge fee. Any person who 78383
is required to pay the fee, but who fails to do so on or before 78384
that date shall pay an additional amount that equals ten per cent 78385
of the required annual sludge fee. 78386

(6) The director shall transmit all moneys collected under 78387
division (Y) of this section to the treasurer of state for deposit 78388
into the surface water protection fund created in section 6111.038 78389
of the Revised Code. The moneys shall be used to defray the costs 78390
of administering and enforcing provisions in Chapter 6111. of the 78391
Revised Code and rules adopted under it that govern the use, 78392
storage, treatment, or disposal of sewage sludge. 78393

(7) Beginning in fiscal year 2001, and every two years 78394
thereafter, the director shall review the total amount of moneys 78395
generated by the annual sludge fees to determine if that amount 78396
exceeded six hundred thousand dollars in either of the two 78397
preceding fiscal years. If the total amount of moneys in the fund 78398
exceeded six hundred thousand dollars in either fiscal year, the 78399
director, after review of the fee structure and consultation with 78400
affected persons, shall issue an order reducing the amount of the 78401
fees levied under division (Y) of this section so that the 78402
estimated amount of moneys resulting from the fees will not exceed 78403
six hundred thousand dollars in any fiscal year. 78404

If, upon review of the fees under division (Y)(7) of this 78405

section and after the fees have been reduced, the director 78406
determines that the total amount of moneys collected and 78407
accumulated is less than six hundred thousand dollars, the 78408
director, after review of the fee structure and consultation with 78409
affected persons, may issue an order increasing the amount of the 78410
fees levied under division (Y) of this section so that the 78411
estimated amount of moneys resulting from the fees will be 78412
approximately six hundred thousand dollars. Fees shall never be 78413
increased to an amount exceeding the amount specified in division 78414
(Y)(7) of this section. 78415

Notwithstanding section 119.06 of the Revised Code, the 78416
director may issue an order under division (Y)(7) of this section 78417
without the necessity to hold an adjudicatory hearing in 78418
connection with the order. The issuance of an order under this 78419
division is not an act or action for purposes of section 3745.04 78420
of the Revised Code. 78421

(8) As used in division (Y) of this section: 78422

dollars per application. In addition, if an application is denied, 78489
the director of environmental protection shall refund to the 78490
applicant one-half of the amount of the review fee paid by the 78491
applicant under division (A) of this section. 78492

(B) If a person conducts any activities for which an 78493
individual state isolated wetland permit is required under Chapter 78494
6111. of the Revised Code and rules adopted under it without first 78495
obtaining such a permit, the person shall pay twice the amount of 78496

Sec. 3745.72. (A) The owner or operator of a facility or 78507
property who conducts an environmental audit of the facility or 78508
property and promptly and voluntarily discloses information 78509
contained in or derived from an audit report that is based on the 78510
audit and concerns an alleged violation of environmental laws to 78511
the director of the state agency that has jurisdiction over the 78512
alleged violation is immune from any administrative and civil 78513
penalties for the specific violation disclosed, except that where 78514
the disclosed violation has resulted in significant economic 78515
benefit to the owner or operator of the facility or property, 78516
there is no immunity for the economic benefit component of the 78517
administrative and civil penalties for that violation. An owner or 78518
operator asserting entitlement to such immunity has the burden of 78519
proving that entitlement by a preponderance of the evidence. 78520

(B) For the purposes of this section, a disclosure of 78521
information is voluntary with respect to an alleged violation of 78522
environmental laws only if all of the following apply: 78523

(1) The disclosure is made promptly after the information is 78524
obtained through the environmental audit by the owner or operator 78525
who conducts the environmental audit. 78526

(2) A reasonable, good faith effort is made to achieve 78527
compliance as quickly as practicable with environmental laws 78528

(4) The owner or operator cooperates with the director of the 78534
state agency that has jurisdiction over the alleged violation in 78535
investigating the cause, nature, extent, and effects of the 78536
noncompliance. 78537

(5) The disclosure is not required by law, prior litigation, 78538
or an order by a court or a government agency. 78539

(6) The owner or operator who makes the disclosure does not 78540
know or have reason to know that a government agency charged with 78541
enforcing environmental laws has commenced an investigation or 78542
enforcement action that concerns a violation of such laws 78543
involving the activity. 78544

(C) For the purposes of this section, a disclosure shall be 78545
in writing, dated, and hand delivered or sent by certified mail to 78546
the director of the state agency that has jurisdiction over the 78547
alleged violation, and shall contain all of the following in a 78548
printed letter attached to the front of the disclosure: 78549

(1) The name, address, and telephone number of the owner or 78550
operator making the disclosure; 78551

(2) The name, title, address, and telephone number of one or 78552
more persons associated with the owner or operator who may be 78553
contacted regarding the disclosure; 78554

(3) A brief summary of the alleged violation of environmental 78555
laws, including, without limitation, the nature, date, and 78556

location of the alleged violation to the extent that the 78557
information is known by the owner or operator; 78558

(4) A statement that the information is part of an 78559
environmental audit report and is being disclosed under section 78560
3745.72 of the Revised Code in order to obtain the immunity 78561
provided by that section. 78562

(D) This section does not provide immunity from the payment 78563
of damages for harm to persons, property, or the environment; the 78564
payment of reasonable costs incurred by a government agency in 78565
responding to a disclosure; or responsibility for the remediation 78566
or cleanup of environmental harm under environmental laws. 78567

(E) The immunity provided by this section does not apply 78568
under any of the following circumstances: 78569

(1) Within the three-year period prior to disclosure, the 78570
owner or operator of a facility or property has committed 78571
significant violations that constitute a pattern of continuous or 78572
repeated violations of environmental laws, environmental related 78573
settlement agreements, or environmental related judicial orders 78574
and that arose from separate and distinct events. For the purposes 78575
of division (E)(1) of this section, a pattern of continuous or 78576
repeated violations also may be demonstrated by multiple 78577
settlement agreements related to substantially the same alleged 78578
significant violations that occurred within the three-year period 78579
immediately prior to the voluntary disclosure. Determination of 78580
whether a person has a pattern of continuous or repeated 78581
violations under division (E)(1) of this section shall be based on 78582
the compliance history of the property or specific facility at 78583
issue. 78584

(2) With respect to a specific violation, the violation 78585
resulted in serious harm or in imminent and substantial 78586
endangerment to human health or the environment. 78587

(3) With respect to a specific violation, the violation is of a specific requirement of an administrative or judicial order. 78588
78589

(F) The immunity provided by this section applies only to disclosures made concerning environmental audits initiated after March 13, 1997, ~~and completed before January 1, 2014,~~ in accordance with the time frames specified in division (A) of section 3745.70 of the Revised Code. 78590
78591
78592
78593
78594

(G) The immunity provided by this section applies to a person who makes a good faith disclosure to a state agency under this section even though another state agency is determined to have jurisdiction over an alleged violation of environmental laws indicated in the disclosure. 78595
78596
78597
78598
78599

(H) Each state agency that receives a disclosure under this section promptly shall record receipt of the disclosure, determine whether it has jurisdiction over the alleged violation of environmental laws indicated in the disclosure, and, if it does not have such jurisdiction, deliver the disclosure documents to the director of a state agency that has jurisdiction over the alleged violation. If a disclosure indicates alleged violations of environmental laws that are under the jurisdiction of more than one state agency, the state agency that first receives the disclosure and has jurisdiction over any of the alleged violations promptly shall notify the director of each state agency that has jurisdiction over any of such alleged violations. The director of each state agency that receives a disclosure under this section, or is notified by another state agency that the director's agency has jurisdiction over an alleged violation of environmental laws indicated in the disclosure, promptly shall deliver written notice of that fact by certified mail to the owner or operator who made the disclosure. The notice shall identify the state agency that sends the notice; state the name, title, address, and telephone number of a person in the agency whom the owner or operator may 78600

telephone number of the director of any other state agency 78621
notified about the disclosure because that agency has jurisdiction 78622
over an alleged violation of environmental laws indicated in the 78623
disclosure. 78624

Sec. 3748.01. As used in this chapter: 78625

(A) "Byproduct material" means either of the following: 78626

(1) Any radioactive material, except special nuclear 78627
material, yielded in or made radioactive by exposure to radiation 78628
incident to the process of producing or utilizing special nuclear 78629
material; 78630

(2) The tailings or wastes produced by the extraction or 78631
concentration of uranium or thorium from any ore processed 78632
primarily for its source material content. 78633

(B) "Certified radiation expert" means an individual who has 78634
complied with all of the following: 78635

(1) Applied to the director of health for certification as a 78636

director under section 3748.12 of the Revised Code. 78642

(C) "Closure" or "site closure" refers to a facility for the 78643
disposal of low-level radioactive waste or a byproduct material 78644
site, as "byproduct material" is defined in division (A)(2) of 78645
this section, and means all activities performed at a licensed 78646
operation, such as stabilization and contouring, to ensure that 78647
the site where the operation occurred is in a stable condition so 78648
that only minor custodial care, surveillance, and monitoring are 78649

necessary at the site following the termination of the licensed operation. 78650

quarter horse racing, five-eighths of one per cent of all moneys 79096
wagered on that racing day shall be paid into the Ohio quarter 79097
horse development fund. 79098

(D) In addition, subject to division (M) of this section, 79099
beginning on January 1, 1996, from the money paid to the tax 79100
commissioner as a tax under this section and division (A) of 79101
section 3769.087 of the Revised Code by harness horse permit 79102
holders, one-half of one per cent of the amount wagered on a 79103
racing day shall be paid into the Ohio standardbred development 79104
fund. Beginning January 1, 1998, the payment to the Ohio 79105
standardbred development fund required under this division does 79106
not apply to county agricultural societies or independent 79107
agricultural societies. 79108

The total amount paid to the Ohio standardbred development 79109
fund under this division, division (C) of this section, and 79110
division (A) of section 3769.087 of the Revised Code and the total 79111
amount paid to the Ohio quarter horse development fund under this 79112
division and division (A) of that section shall not exceed by more 79113

than six per cent the total amount paid into the fund under this 79114
division, division (C) of this section, and division (A) of 79115
section 3769.087 of the Revised Code in the immediately preceding 79116
calendar year. 79117

(E) Subject to division (M) of this section, from the money 79118
paid as a tax under this chapter by harness and quarter horse 79119
permit holders, one-quarter of one per cent of the total of all 79120
moneys wagered on a racing day by each permit holder shall be paid 79121
into the state racing commission operating fund created by section 79122
3769.03 of the Revised Code. This division does not apply to 79123
county and independent fairs and agricultural societies. 79124

(F) Except as otherwise provided in section 3769.089 of the 79125
Revised Code, each permit holder authorized to conduct harness 79126
racing shall pay to the harness horsemen's purse pool a sum equal 79127
to fifty per cent of the pari-mutuel revenues retained by the 79128
permit holder as a commission after payment of the state tax. This 79129
fifty per cent payment is to be in addition to the purse 79130
distribution from breakage specified in this section. 79131

(G) In addition, each permit holder authorized to conduct 79132
harness racing shall be allowed to retain the odd cents of all 79133
redistribution to be made on all mutual contributions exceeding a 79134
sum equal to the next lowest multiple of ten. 79135

Forty per cent of that portion of that total sum of such odd 79136
cents shall be used by the permit holder for purse money for Ohio 79137
sired, bred, and owned colts, for purse money for Ohio bred 79138
horses, and for increased purse money for horse races. Upon the 79139
formation of the corporation described in section 3769.21 of the 79140
Revised Code to establish a harness horsemen's health and 79141
retirement fund, twenty-five per cent of that portion of that 79142
total sum of odd cents shall be paid at the close of each racing 79143
day by the permit holder to that corporation to establish and fund 79144
the health and retirement fund. Until that corporation is formed, 79145

that twenty-five per cent shall be paid at the close of each 79146
racing day by the permit holder to the tax commissioner or the tax 79147
commissioner's agent in the county seat of the county in which the 79148
permit holder operates race meetings. The remaining thirty-five 79149
per cent of that portion of that total sum of odd cents shall be 79150
retained by the permit holder. 79151

(H) In addition, each permit holder authorized to conduct 79152
thoroughbred racing shall be allowed to retain the odd cents of 79153
all redistribution to be made on all mutuel contributions 79154
exceeding a sum equal to the next lowest multiple of ten. Twenty 79155
per cent of that portion of that total sum of such odd cents shall 79156
be used by the permit holder for increased purse money for horse 79157
races. Upon the formation of the corporation described in section 79158
3769.21 of the Revised Code to establish a thoroughbred horsemen's 79159
health and retirement fund, forty-five per cent of that portion of 79160
that total sum of odd cents shall be paid at the close of each 79161
racing day by the permit holder to that corporation to establish 79162
and fund the health and retirement fund. Until that corporation is 79163
formed, that forty-five per cent shall be paid by the permit 79164
holder to the tax commissioner or the tax commissioner's agent in 79165
the county seat of the county in which the permit holder operates 79166
race meetings, at the close of each racing day. The remaining 79167
thirty-five per cent of that portion of that total sum of odd 79168
cents shall be retained by the permit holder. 79169

(I) In addition, each permit holder authorized to conduct 79170
quarter horse racing shall be allowed to retain the odd cents of 79171
all redistribution to be made on all mutuel contributions 79172
exceeding a sum equal to the next lowest multiple of ten, subject 79173
to a tax of twenty-five per cent on that portion of the total sum 79174
of such odd cents that is in excess of two thousand dollars during 79175
a calendar year, which tax shall be paid at the close of each 79176
racing day by the permit holder to the tax commissioner or the tax 79177

commissioner's agent in the county seat of the county within which 79178
the permit holder operates race meetings. Forty per cent of that 79179
portion of that total sum of such odd cents shall be used by the 79180
permit holder for increased purse money for horse races. The 79181
remaining thirty-five per cent of that portion of that total sum 79182
of odd cents shall be retained by the permit holder. 79183

(J)(1) To encourage the improvement of racing facilities for 79184
the benefit of the public, breeders, and horse owners, and to 79185
increase the revenue to the state from the increase in pari-mutuel 79186
wagering resulting from those improvements, the taxes paid by a 79187
permit holder to the state as provided for in this chapter shall 79188
be reduced by three-fourths of one per cent of the total amount 79189
wagered for those permit holders who make capital improvements to 79190
existing race tracks or construct new race tracks. The percentage 79191
of the reduction that may be taken each racing day shall equal 79192
seventy-five per cent of the taxes levied under divisions (B) and 79193
(C) of this section and section 3769.087 of the Revised Code, and 79194
division (F)(2) of section 3769.26 of the Revised Code, as 79195
applicable, divided by the calculated amount each fund should 79196
receive under divisions (B) and (C) of this section and section 79197
3769.087 of the Revised Code, and division (F)(2) of section 79198
3769.26 of the Revised Code and the reduction provided for in this 79199
division. If the resulting percentage is less than one, that 79200
percentage shall be multiplied by the amount of the reduction 79201
provided for in this division. Otherwise, the permit holder shall 79202
receive the full reduction provided for in this division. The 79203
amount of the allowable reduction not received shall be carried 79204
forward and applied against future tax liability. After any 79205
reductions expire, any reduction carried forward shall be treated 79206
as a reduction as provided for in this division. 79207

If more than one permit holder is authorized to conduct 79208
racing at the facility that is being built or improved, the cost 79209

of the new race track or capital improvement shall be allocated 79210
between or among all the permit holders in the ratio that the 79211
permit holders' number of racing days bears to the total number of 79212
racing days conducted at the facility. 79213

A reduction for a new race track or a capital improvement 79214
shall start from the day racing is first conducted following the 79215
date actual construction of the new race track or each capital 79216
improvement is completed and the construction cost has been 79217
approved by the racing commission, unless otherwise provided in 79218
this section. A reduction for a new race track or a capital 79219
improvement shall continue for a period of twenty-five years for 79220
new race tracks and for fifteen years for capital improvements if 79221
the construction of the capital improvement or new race track 79222
commenced prior to March 29, 1988, and for a period of ten years 79223
for new race tracks or capital improvements if the construction of 79224
the capital improvement or new race track commenced on or after 79225
March 29, 1988, but before June 6, 2001, or until the total tax 79226
reduction reaches seventy per cent of the approved cost of the new 79227
race track or capital improvement, as allocated to each permit 79228
holder, whichever occurs first. A reduction for a new race track 79229
or a capital improvement approved after June 6, 2001, shall 79230
continue until the total tax reduction reaches one hundred per 79231
cent of the approved cost of the new race track or capital 79232
improvement, as allocated to each permit holder. 79233

A reduction granted for a new race track or a capital 79234
improvement, the application for which was approved by the racing 79235
commission after March 29, 1988, but before June 6, 2001, shall 79236
not commence nor shall the ten-year period begin to run until all 79237
prior tax reductions with respect to the same race track have 79238
ended. The total tax reduction because of capital improvements 79239
shall not during any one year exceed for all permit holders using 79240
any one track three-fourths of one per cent of the total amount 79241

wagered, regardless of the number of capital improvements made. 79242
Several capital improvements to a race track may be consolidated 79243
in an application if the racing commission approved the 79244
application prior to March 29, 1988. No permit holder may receive 79245
a tax reduction for a capital improvement approved by the racing 79246
commission on or after March 29, 1988, at a race track until all 79247
tax reductions have ended for all prior capital improvements 79248
approved by the racing commission under this section or section 79249
3769.20 of the Revised Code at that race track. If there are two 79250
or more permit holders operating meetings at the same track, they 79251
may consolidate their applications. The racing commission shall 79252
notify the tax commissioner when the reduction of tax begins and 79253
when it ends. 79254

Each fiscal year the racing commission shall submit a report 79255
to the tax commissioner, the office of budget and management, and 79256
the legislative service commission. The report shall identify each 79257
capital improvement project undertaken under this division and in 79258
progress at each race track, indicate the total cost of each 79259
project, state the tax reduction that resulted from each project 79260
during the immediately preceding fiscal year, estimate the tax 79261
reduction that will result from each project during the current 79262
fiscal year, state the total tax reduction that resulted from all 79263
such projects at all race tracks during the immediately preceding 79264
fiscal year, and estimate the total tax reduction that will result 79265
from all such projects at all race tracks during the current 79266
fiscal year. 79267

(2) In order to qualify for the reduction in tax, a permit 79268
holder shall apply to the racing commission in such form as the 79269
commission may require and shall provide full details of the new 79270
race track or capital improvement, including a schedule for its 79271
construction and completion, and set forth the costs and expenses 79272
incurred in connection with it. The racing commission shall not 79273

approve an application unless the permit holder shows that a 79274
contract for the new race track or capital improvement has been 79275
let under an unrestricted competitive bidding procedure, unless 79276
the contract is exempted by the controlling board because of its 79277
unusual nature. In determining whether to approve an application, 79278
the racing commission shall consider whether the new race track or 79279
capital improvement will promote the safety, convenience, and 79280
comfort of the racing public and horse owners and generally tend 79281
towards the improvement of racing in this state. 79282

(3) If a new race track or capital improvement is approved by 79283
the racing commission and construction has started, the tax 79284
reduction may be authorized by the commission upon presentation of 79285
copies of paid bills in excess of one hundred thousand dollars or 79286
ten per cent of the approved cost, whichever is greater. After the 79287
initial authorization, the permit holder shall present copies of 79288
paid bills. If the permit holder is in substantial compliance with 79289
the schedule for construction and completion of the new race track 79290
or capital improvement, the racing commission may authorize the 79291
continuation of the tax reduction upon the presentation of the 79292
additional paid bills. The total amount of the tax reduction 79293
authorized shall not exceed the percentage of the approved cost of 79294
the new race track or capital improvement specified in division 79295
(J)(1) of this section. The racing commission may terminate any 79296
tax reduction immediately if a permit holder fails to complete the 79297
new race track or capital improvement, or to substantially comply 79298
with the schedule for construction and completion of the new race 79299
track or capital improvement. If a permit holder fails to complete 79300
a new race track or capital improvement, the racing commission 79301
shall order the permit holder to repay to the state the total 79302
amount of tax reduced. The normal tax paid by the permit holder 79303
shall be increased by three-fourths of one per cent of the total 79304
amount wagered until the total amount of the additional tax 79305
collected equals the total amount of tax reduced. 79306

(4) As used in this section: 79307

(a) "Capital improvement" means an addition, replacement, or 79308
remodeling of a structural unit of a race track facility costing 79309
at least one hundred thousand dollars, including, but not limited 79310
to, the construction of barns used exclusively for the race track 79311
facility, backstretch facilities for horsemen, paddock facilities, 79312
new pari-mutuel and totalizator equipment and appurtenances to 79313
that equipment purchased by the track, new access roads, new 79314
parking areas, the complete reconstruction, reshaping, and 79315
leveling of the racing surface and appurtenances, the installation 79316
of permanent new heating or air conditioning, roof replacement or 79317
restoration, installations of a permanent nature forming a part of 79318
the track structure, and construction of buildings that are 79319
located on a permit holder's premises. "Capital improvement" does 79320
not include the cost of replacement of equipment that is not 79321
permanently installed, ordinary repairs, painting, and maintenance 79322
required to keep a race track facility in ordinary operating 79323
condition. 79324

(b) "New race track" includes the reconstruction of a race 79325
track damaged by fire or other cause that has been declared by the 79326
racing commission, as a result of the damage, to be an inadequate 79327
facility for the safe operation of horse racing. 79328

(c) "Approved cost" includes all debt service and interest 79329
costs that are associated with a capital improvement or new race 79330
track and that the racing commission approves for a tax reduction 79331
under division (J) of this section. 79332

(5) The racing commission shall not approve an application 79333
for a tax reduction under this section if it has reasonable cause 79334
to believe that the actions or negligence of the permit holder 79335
substantially contributed to the damage suffered by the track due 79336
to fire or other cause. The racing commission shall obtain any 79337
data or information available from a fire marshal, law enforcement 79338

official, or insurance company concerning any fire or other damage 79339
suffered by a track, prior to approving an application for a tax 79340
reduction. 79341

(6) The approved cost to which a tax reduction applies shall 79342
be determined by generally accepted accounting principles and 79343
verified by an audit of the permit holder's records upon 79344
completion of the project by the racing commission, or by an 79345
independent certified public accountant selected by the permit 79346
holder and approved by the commission. 79347

(K) No other license or excise tax or fee, except as provided 79348
in sections 3769.01 to 3769.14 of the Revised Code, shall be 79349
assessed or collected from such licensee by any county, township, 79350
district, municipal corporation, or other body having power to 79351
assess or collect a tax or fee. That portion of the tax paid under 79352
this section by permit holders for racing conducted at and during 79353
the course of an agricultural exposition or fair, and that portion 79354
of the tax that would have been paid by eligible permit holders 79355
into the nursing home franchise permit fee fund as a result of 79356
racing conducted at and during the course of an agricultural 79357
exposition or fair, shall be deposited into the state treasury to 79358
the credit of the horse racing tax fund, which is hereby created 79359
for the use of the agricultural societies of the several counties 79360
in which the taxes originate. The state racing commission shall 79361
determine eligible permit holders for purposes of the preceding 79362
sentence, taking into account the breed of horse, the racing 79363
dates, the geographic proximity to the fair, and the best 79364
interests of Ohio racing. On the first day of any month on which 79365
there is money in the fund, the tax commissioner shall provide for 79366
payment to the treasurer of each agricultural society the amount 79367
of the taxes collected under this section upon racing conducted at 79368
and during the course of any exposition or fair conducted by the 79369
society. 79370

(L) From the tax paid under this section by harness track permit holders, the tax commissioner shall pay into the Ohio thoroughbred race fund a sum equal to a percentage of the amount wagered upon which the tax is paid. The percentage shall be determined by the tax commissioner and shall be rounded to the nearest one-hundredth. The percentage shall be such that, when multiplied by the amount wagered upon which tax was paid by the harness track permit holders in the most recent year for which final figures are available, it results in a sum that substantially equals the same amount of tax paid by the tax commissioner during that year into the Ohio fairs fund from taxes paid by thoroughbred permit holders. This division does not apply to county and independent fairs and agricultural societies.

(M) Twenty-five per cent of the taxes levied on thoroughbred racing permit holders, harness racing permit holders, and quarter horse racing permit holders under this section, division (A) of section 3769.087 of the Revised Code, and division (F)(2) of section 3769.26 of the Revised Code shall be paid into the nursing home franchise permit fee fund. The tax commissioner shall pay any money remaining, after the payment into the nursing home franchise permit fee fund and the reductions provided for in division (J) of this section and in section 3769.20 of the Revised Code, into the Ohio fairs fund, Ohio thoroughbred race fund, Ohio standardbred development fund, Ohio quarter horse fund, and state racing commission operating fund as prescribed in this section and division (A) of section 3769.087 of the Revised Code. The tax commissioner shall thereafter use and apply the balance of the money paid as a tax by any permit holder to cover any shortage in the accounts of such funds resulting from an insufficient payment as a tax by any other permit holder. The moneys received by the tax commissioner shall be deposited weekly and paid by the tax commissioner into the funds to cover the total aggregate amount due from all permit holders to the funds, as calculated under this

section and division (A) of section 3769.087 of the Revised Code, 79404
as applicable. If, after the payment into the nursing home 79405
franchise permit fee fund, sufficient funds are not available from 79406
the tax deposited by the tax commissioner to pay the required 79407
amounts into the Ohio fairs fund, Ohio standardbred development 79408
fund, Ohio thoroughbred race fund, Ohio quarter horse fund, and 79409
the state racing commission operating fund, the tax commissioner 79410
shall prorate on a proportional basis the amount paid to each of 79411
the funds. Any shortage to the funds as a result of a proration 79412
shall be applied against future deposits for the same calendar 79413
year when funds are available. After this application, the tax 79414
commissioner shall pay any remaining money paid as a tax by all 79415
permit holders into the nursing home franchise permit fee fund. 79416
This division does not apply to permit holders conducting racing 79417
at the course of an agricultural exposition or fair as described 79418
in division (K) of this section. 79419

Sec. 3769.087. (A) In addition to the commission of eighteen 79420
per cent retained by each permit holder as provided in section 79421
3769.08 of the Revised Code, each permit holder shall retain an 79422
additional amount equal to four per cent of the total of all 79423
moneys wagered on each racing day on all wagering pools other than 79424
win, place, and show, of which amount retained an amount equal to 79425
three per cent of the total of all moneys wagered on each racing 79426
day on those pools shall be paid by check, draft, or money order 79427
to the tax commissioner, as a tax. Subject to the restrictions 79428
contained in divisions (B), (C), and (M) of section 3769.08 of the 79429
Revised Code, from such additional moneys paid to the tax 79430
commissioner: 79431

(1) Four-sixths shall be allocated to fund distribution as 79432
provided in division (M) of section 3769.08 of the Revised Code. 79433

(2) One-twelfth shall be paid into the Ohio fairs fund 79434

created by section 3769.082 of the Revised Code. 79435

(3) One-twelfth of the additional moneys paid to the tax 79436
commissioner by thoroughbred racing permit holders shall be paid 79437
into the Ohio thoroughbred race fund created by section 3769.083 79438
of the Revised Code. 79439

(4) One-twelfth of the additional moneys paid to the tax 79440
commissioner by harness horse racing permit holders shall be paid 79441
to the Ohio standardbred development fund created by section 79442
3769.085 of the Revised Code. 79443

(5) One-twelfth of the additional moneys paid to the tax 79444
commissioner by quarter horse racing permit holders shall be paid 79445
to the Ohio quarter horse development fund created by section 79446
3769.086 of the Revised Code. 79447

(6) One-sixth shall be paid into the state racing commission 79448
operating fund created by section 3769.03 of the Revised Code. 79449

The remaining one per cent that is retained of the total of 79450
all moneys wagered on each racing day on all pools other than win, 79451
place, and show, shall be retained by racing permit holders, and, 79452
except as otherwise provided in section 3769.089 of the Revised 79453
Code, racing permit holders shall use one-half for purse money and 79454
retain one-half. 79455

(B) In addition to the commission of eighteen per cent 79456
retained by each permit holder as provided in section 3769.08 of 79457
the Revised Code and the additional amount retained by each permit 79458
holder as provided in division (A) of this section, each permit 79459
holder shall retain an additional amount equal to one-half of one 79460
per cent of the total of all moneys wagered on each racing day on 79461
all wagering pools other than win, place, and show. The additional 79462
amount retained under this division shall be paid by check, draft, 79463
or money order to the tax commissioner, as a tax. The tax 79464
commissioner shall pay the amount of the tax received under this 79465

division to the state racing commission operating fund created by 79466
section 3769.03 of the Revised Code. 79467

(C) Unless otherwise agreed to by the video lottery sales 79468
agent and the applicable horsemen's association recognized by the 79469
state racing commission to represent such persons, the state 79470
racing commission ~~may~~ shall direct through rule that a percentage 79471
of the lottery sales agent's commission as determined by the state 79472
lottery commission for conducting video lottery terminal gaming on 79473
behalf of the state be paid to the state racing commission for the 79474
benefit of breeding and racing in this state. The percentage so 79475
determined shall not be less than nine per cent or more than 79476
eleven per cent of the video lottery terminal income, and shall be 79477
a sliding scale based upon capital expenditures necessary to build 79478
the video lottery sales agent's facility. The aggregate of one 79479
hundred per cent of video lottery terminal income minus the 79480
lottery sales agent's commission percentage as determined by the 79481
state lottery commission plus the percentage of the lottery sale 79482
agent's commission, as determined by the state racing commission 79483
or otherwise agreed to by the video lottery sales agent and the 79484
applicable horsemen's association recognized by the state racing 79485
commission to represent such persons, for the benefit of breeding 79486
and racing in this state shall not exceed forty-five per cent of 79487
the video lottery terminal income. In addition, beginning July 1, 79488
2013, the state lottery commission shall adopt a rule to require 79489
the lottery sales agent conducting video lottery terminal gaming 79490
on behalf of the state to disperse to the state lottery commission 79491
one-half of one per cent of such a lottery sales agent's 79492
commission for the purpose of providing funding support to 79493
appropriate state agencies for programs that provide for gambling 79494
addiction and other related addiction services. The state lottery 79495
commission's rule also may require the lottery sales agent 79496
conducting video lottery terminal gaming on behalf of the state to 79497
disperse to the state lottery commission an additional amount up 79498

to one-half of one per cent of such a lottery sales agent's 79499
commission for that purpose. 79500

Sec. 3769.088. (A) If any permit holder required by this 79501
chapter to pay the taxes levied by sections 3769.08, 3769.087, 79502
3769.26, and 3769.28 of the Revised Code fails to pay the taxes, 79503
the tax commissioner may make an assessment against the permit 79504
holder based upon any information in the commissioner's 79505
possession. 79506

A penalty of up to fifteen per cent may be added to the 79507
amount of every assessment made under this section. The 79508
commissioner may adopt rules providing for the imposition and 79509

any manner in any investigation, proceeding, or hearing under 82032
sections 4112.01 to 4112.07 of the Revised Code. 82033

(J) For any person to aid, abet, incite, compel, or coerce 82034

(3) Nothing in division (H) of this section limits the 82056
applicability of any reasonable local, state, or federal 82057
restrictions regarding the maximum number of occupants permitted 82058
to occupy housing accommodations. Nothing in that division 82059
prohibits the owners or managers of housing accommodations from 82060
implementing reasonable occupancy standards based on the number 82061
and size of sleeping areas or bedrooms and the overall size of a 82062
dwelling unit, provided that the standards are not implemented to 82063

older per unit, as determined under the "Fair Housing Amendments 82086
Act of 1988," 102 Stat. 1623, 42 U.S.C.A. 3607, as amended. 82087

(L) Nothing in divisions (A) to (E) of this section shall be 82088
construed to require a person with a disability to be employed or 82089
trained under circumstances that would significantly increase the 82090
occupational hazards affecting either the person with a 82091
disability, other employees, the general public, or the facilities 82092
in which the work is to be performed, or to require the employment 82093
or training of a person with a disability in a job that requires 82094
the person with a disability routinely to undertake any task, the 82095
performance of which is substantially and inherently impaired by 82096
the person's disability. 82097

(M) Nothing in divisions (H)(1) to (18) of this section shall 82098
be construed to require any person selling or renting property to 82099

care for a person with a disability, to relieve any person with a 82101
disability of any obligation generally imposed on all persons 82102
regardless of disability in a written lease, rental agreement, or 82103
contract of purchase or sale, or to forbid distinctions based on 82104
the inability to fulfill the terms and conditions, including 82105

financial obligations, of the lease, agreement, or contract. 82106

(N) An aggrieved individual may enforce the individual's 82107
rights relative to discrimination on the basis of age as provided 82108
for in this section by instituting a civil action, within one 82109
hundred eighty days after the alleged unlawful discriminatory 82110
practice occurred, in any court with jurisdiction for any legal or 82111
equitable relief that will effectuate the individual's rights. 82112

A person who files a civil action under this division is 82113
barred, with respect to the practices complained of, from 82114
instituting a civil action under section 4112.14 of the Revised 82115
Code and from filing a charge with the commission under section 82116
4112.05 of the Revised Code. 82117

(O) With regard to age, it shall not be an unlawful 82118
discriminatory practice and it shall not constitute a violation of 82119
division (A) of section 4112.14 of the Revised Code for any 82120
employer, employment agency, joint labor-management committee 82121
controlling apprenticeship training programs, or labor 82122
organization to do any of the following: 82123

(1) Establish bona fide employment qualifications reasonably 82124

(2) Observe the terms of a bona fide seniority system or any 82128
bona fide employee benefit plan, including, but not limited to, a 82129
retirement, pension, or insurance plan, that is not a subterfuge 82130
to evade the purposes of this section. However, no such employee 82131
benefit plan shall excuse the failure to hire any individual, and 82132
no such seniority system or employee benefit plan shall require or 82133
permit the involuntary retirement of any individual, because of 82134
the individual's age except as provided for in the "Age 82135
Discrimination in Employment Act Amendment of 1978," 92 Stat. 189, 82136

29 U.S.C.A. 623, as amended by the "Age Discrimination in 82137

623, as amended. 82139

age who, for the two-year period immediately before retirement, is 82141
employed in a bona fide executive or a high policymaking position, 82142

retirement benefit from a pension, profit-sharing, savings, or 82144
deferred compensation plan, or any combination of those plans, of 82145
the employer of the employee, which equals, in the aggregate, at 82146
least forty-four thousand dollars, in accordance with the 82147
conditions of the "Age Discrimination in Employment Act Amendment 82148
of 1978," 92 Stat. 189, 29 U.S.C.A. 631, as amended by the "Age 82149
Discrimination in Employment Act Amendments of 1986," 100 Stat. 82150
3342, 29 U.S.C.A. 631, as amended; 82151

(4) Observe the terms of any bona fide apprenticeship program 82152
if the program is registered with the Ohio apprenticeship council 82153
pursuant to sections 4139.01 to 4139.06 of the Revised Code and is 82154
approved by the federal committee on apprenticeship of the United 82155

means the expiration of the sixty-day period to negotiate a 82632
collective bargaining agreement referred to in this subdivision, 82633
or in the case of initial negotiations, it means the ninety-day 82634

persons maintained by the board. 82692

(a) The fact-finding panel shall, in accordance with rules 82693

(f) The fact-finding panel may attempt mediation at any time 82717
during the fact-finding process. From the time of appointment 82718

until the fact-finding panel makes a final recommendation, it 82719
shall not discuss the recommendations for settlement of the 82720
dispute with parties other than the direct parties to the dispute. 82721

(5) The fact-finding panel, acting by a majority of its 82722
members, shall transmit its findings of fact and recommendations 82723
on the unresolved issues to the public employer and employee 82724
organization involved and to the board no later than fourteen days 82725
after the appointment of the fact-finding panel, unless the 82726
parties mutually agree to an extension. The parties shall share 82727

except as otherwise modified by the parties by mutual agreement. 82739

findings of fact and recommendations of the fact-finding panel. 82742
The board shall adopt rules governing the procedures and methods 82743

fact-finding panel. 82745

(b) As used in division (C)(6)(a) of this section, 82746
"legislative body" means the controlling board when the state or 82747
any of its agencies, authorities, commissions, boards, or other 82748

that a premium remains past due after it has remained past due for 83318
more than two hundred ten days, the prime interest rate plus eight 83319

each case shall be made against the employer in an amount equal to 83345
interest at the rate of six per cent per annum on the premium 83346

for the ensuing six-month period plus thirty per cent of an 83358
additional adjustment period of two months but only up to a 83359
maximum of one thousand dollars and not less than ten dollars. The 83360
administrator shall review the security deposit of every employer 83361
who has submitted a deposit which is less than the 83362

the employer's current payroll expenditure for an eight-month 83366
period. 83367

(G) A rule providing that each employer, on the occasion of instituting coverage under this chapter, shall submit an application for coverage that completely provides all of the information required for the administrator to establish coverage for that employer, and that the employer's failure to provide all of the information completely may be grounds for the administrator to deny coverage for that employer.

(H) A rule providing that, in addition to any other remedies permitted in this chapter, the administrator may discontinue an employer's coverage if the employer fails to pay the premium due on or before the premium's due date.

(I) A rule providing that if after a final adjudication it is determined that an employer has failed to pay an obligation, billing, account, or assessment that is greater than one thousand dollars on or before its due date, the administrator may discontinue the employer's coverage in addition to any other remedies permitted in this chapter, and that the administrator shall not discontinue an employer's coverage pursuant to this division prior to a final adjudication regarding the employer's failure to pay such obligation, billing, account, or assessment on or before its due date.

reports of actual expenditures for previous coverage periods for 83451
reconciliation with estimated payroll reports; 83452

(7) The assessment of a penalty for late payroll 83453
reconciliation reports and for late payment of any reconciliation 83454
premium; 83455

(8) The establishment of a transition period during which 83456
time the bureau shall determine the adequacy of existing premium 83457
security deposits of employers, the establishment of provisions 83458
for additional premium payments during that transition, the 83459
provision of a credit of those deposits toward the first premium 83460

due from an employer under the rules adopted under divisions 83461
(A)(1) to (7) of this section, and the establishment of penalties 83462
for late payment or failure to comply with the rules. 83463

(B) For purposes of division (A)(6) of this section, an 83464
employer shall make timely payment of any premium owed when actual 83465
payroll expenditures exceeded estimated payroll, and the employer 83466
shall receive premium credit when the estimated payroll exceeded 83467
the actual payroll. 83468

(C) For purposes of division (A)(7) of this section, if the 83469
employer's actual payroll substantially exceeds the estimated 83470
payroll, the administrator may assess additional penalties 83471

premium. 83473

(D) As used in this section, "state university or college" 83474
has the same meaning as in section 4123.32 of the Revised Code. 83475

Sec. 4123.35. (A) Except as provided in this section, every 83476
employer mentioned in division (B)(2) of section 4123.01 of the 83477
Revised Code, and every publicly owned utility shall pay 83478
semiannually in the months of January and July into the state 83479
insurance fund the amount of annual premium the administrator of 83480

the employer, the amount of which premium to be paid by each 83482
employer to be determined by the classifications, rules, and rates 83483
made and published by the administrator. The employer shall pay 83484
semiannually a further sum of money into the state insurance fund 83485
as may be ascertained to be due from the employer by applying the 83486
rules of the administrator, and a receipt or certificate 83487
certifying that payment has been made, along with a written notice 83488
as is required in section 4123.54 of the Revised Code, shall be 83489
mailed immediately to the employer by the bureau of workers' 83490
compensation. The receipt or certificate is prima-facie evidence 83491

of the payment of the premium, and the proper posting of the 83492
notice constitutes the employer's compliance with the notice 83493
requirement mandated in section 4123.54 of the Revised Code. 83494

If the administrator adopts rules to establish a prospective 83495
payment of premium under section 4123.322 of the Revised Code, 83496
every employer mentioned in division (B)(2) of section 4123.01 of 83497
the Revised Code and every publicly owned utility shall pay into 83498
the state insurance fund the amount of premium the administrator 83499
fixes for the employment or occupation of the employer, the amount 83500
of which premium to be paid by each employer to be determined by 83501
the classifications, rules, and rates made and published by the 83502
administrator and based upon the estimates and reconciliations 83503
required by the rules the administrator adopts under section 83504
4123.322 of the Revised Code. 83505

The bureau of workers' compensation shall verify with the 83506

organizations making application for workers' compensation 83508
coverage and shall require every such application to include the 83509
employer's federal identification number. 83510

An employer as defined in division (B)(2) of section 4123.01 83511
of the Revised Code who has contracted with a subcontractor is 83512
liable for the unpaid premium due from any subcontractor with 83513
respect to that part of the payroll of the subcontractor that is 83514
for work performed pursuant to the contract with the employer. 83515

Division (A) of this section providing for the payment of 83516
premiums semiannually does not apply to any employer who was a 83517
subscriber to the state insurance fund prior to January 1, 1914, 83518
or who may first become a subscriber to the fund in any month 83519
other than January or July. Instead, the semiannual premiums shall 83520
be paid by those employers from time to time upon the expiration 83521
of the respective periods for which payments into the fund have 83522
been made by them. 83523

The administrator shall adopt rules to permit employers to 83524
make periodic payments of the semiannual premium due under this 83525
division. The rules shall include provisions for the assessment of 83526
interest charges, where appropriate, and for the assessment of 83527
penalties when an employer fails to make timely premium payments. 83528
An employer who timely pays the amounts due under this division is 83529
entitled to all of the benefits and protections of this chapter. 83530
Upon receipt of payment, the bureau immediately shall mail a 83531
receipt or certificate to the employer certifying that payment has 83532
been made, which receipt is prima-facie evidence of payment. 83533
Workers' compensation coverage under this chapter continues 83534
uninterrupted upon timely receipt of payment under this division. 83535

Every public employer, except public employers that are 83536
self-insuring employers under this section, shall comply with 83537
sections 4123.38 to 4123.41, and 4123.48 of the Revised Code in 83538
regard to the contribution of moneys to the public insurance fund. 83539

(B) Employers who will abide by the rules of the 83540
administrator and who may be of sufficient financial ability to 83541
render certain the payment of compensation to injured employees or 83542
the dependents of killed employees, and the furnishing of medical, 83543
surgical, nursing, and hospital attention and services and 83544
medicines, and funeral expenses, equal to or greater than is 83545
provided for in sections 4123.52, 4123.55 to 4123.62, and 4123.64 83546
to 4123.67 of the Revised Code, and who do not desire to insure 83547
the payment thereof or indemnify themselves against loss sustained 83548
by the direct payment thereof, upon a finding of such facts by the 83549
administrator, may be granted the privilege to pay individually 83550
compensation, and furnish medical, surgical, nursing, and hospital 83551
services and attention and funeral expenses directly to injured 83552
employees or the dependents of killed employees, thereby being 83553
granted status as a self-insuring employer. The administrator may 83554
charge employers who apply for the status as a self-insuring 83555

employer a reasonable application fee to cover the bureau's costs 83556
in connection with processing and making a determination with 83557
respect to an application. 83558

All employers granted status as self-insuring employers shall 83559
demonstrate sufficient financial and administrative ability to 83560
assure that all obligations under this section are promptly met. 83561
The administrator shall deny the privilege where the employer is 83562
unable to demonstrate the employer's ability to promptly meet all 83563
the obligations imposed on the employer by this section. 83564

(1) The administrator shall consider, but is not limited to, 83565

in this state; 83570

state to insure the employer's solvency in paying compensation 83580
directly; 83581

(e) The financial records, documents, and data, certified by 83582
a certified public accountant, necessary to provide the employer's 83583
full financial disclosure. The records, documents, and data 83584

(g) The employer's proposed plan to inform employees of the change from a state fund insurer to a self-insuring employer, the procedures the employer will follow as a self-insuring employer, and the employees' rights to compensation and benefits; and 83589
83590
83591
83592

(h) The employer has either an account in a financial institution in this state, or if the employer maintains an account with a financial institution outside this state, ensures that workers' compensation checks are drawn from the same account as payroll checks or the employer clearly indicates that payment will be honored by a financial institution in this state. 83593
83594
83595
83596
83597
83598

The administrator may waive the requirements of divisions (B)(1)(a) and (b) of this section and the requirement of division (B)(1)(e) of this section that the financial records, documents, and data be certified by a certified public accountant. The administrator shall adopt rules establishing the criteria that an employer shall meet in order for the administrator to waive the ~~requirement~~ requirements of division divisions (B)(1)(a), (b), and (e) of this section. Such rules may require additional security of that employer pursuant to division (E) of section 4123.351 of the Revised Code. 83599

83615
83616
83617

verify that the public employer satisfies all of the following 83618
requirements as the requirements apply to that public employer: 83619

(a) For the two-year period preceding application under this 83620
section, the public employer has maintained an unvoted debt 83621
capacity equal to at least two times the amount of the current 83622

for that public employer for the year immediately preceding the 83624
year in which the public employer makes application under this 83625
section. 83626

(b) For each of the two fiscal years preceding application 83627
under this section, the unreserved and undesignated year-end fund 83628
balance in the public employer's general fund is equal to at least 83629
five per cent of the public employer's general fund revenues for 83630
the fiscal year computed in accordance with generally accepted 83631
accounting principles. 83632

(c) For the five-year period preceding application under this 83633

(f) For the public employer's fiscal year preceding 83646
application under this section, the public employer has obtained 83647
an annual financial audit as required under section 117.10 of the 83648

Revised Code, which has been released by the auditor of state 83649
within seven months after the end of the public employer's fiscal 83650
year. 83651

(g) On the date of application, the public employer holds a 83652

liquidity standards of other public employers. 83666

(j) Any additional criteria that the administrator adopts by 83667
rule pursuant to division (E) of this section. 83668

The administrator may adopt rules establishing the criteria 83669
that a public employer shall satisfy in order for the 83670
administrator to waive any of the requirements listed in divisions 83671
(B)(2)(a) to (j) of this section. The rules may require additional 83672
security from that employer pursuant to division (E) of section 83673
4123.351 of the Revised Code. The administrator shall not waive 83674
any of the requirements listed in divisions (B)(2)(a) to (j) of 83675
this section for a public employer who does not satisfy the 83676
criteria established in the rules the administrator adopts. 83677

granted the privilege to pay individually compensation, and 83690
furnish medical, surgical, nursing, and hospital services and 83691
attention and funeral expenses directly to injured employees or 83692

as a self-insuring employer. The administrator may charge a board 83694
of county commissioners described in division (G) of section 83695
4123.01 of the Revised Code that applies for the status as a 83696
self-insuring employer a reasonable application fee to cover the 83697
bureau's costs in connection with processing and making a 83698
determination with respect to an application. All employers 83699
granted such status shall demonstrate sufficient financial and 83700
administrative ability to assure that all obligations under this 83701
section are promptly met. The administrator shall deny the 83702
privilege where the employer is unable to demonstrate the 83703
employer's ability to promptly meet all the obligations imposed on 83704
the employer by this section. The administrator shall consider, 83705

determining the employer's ability to meet all of the obligations 83707
imposed on the board as an employer by this section: 83708

(1) The board as an employer employs a minimum of five 83709
hundred employees in this state; 83710

(2) The board has operated in this state for a minimum of two 83711

rules, the amount of the buyout, as defined by bureau rules; 83715

(4) The sufficiency of the board's assets located in this 83716
state to insure the board's solvency in paying compensation 83717
directly; 83718

(5) The financial records, documents, and data, certified by 83719
a certified public accountant, necessary to provide the board's 83720
full financial disclosure. The records, documents, and data 83721
include, but are not limited to, balance sheets and profit and 83722
loss history for the current year and previous four years. 83723

(6) The board's organizational plan for the administration of 83724
the workers' compensation law; 83725

(7) The board's proposed plan to inform employees of the 83726
proposed self-insurance, the procedures the board will follow as a 83727
self-insuring employer, and the employees' rights to compensation 83728
and benefits; 83729

(8) The board has either an account in a financial 83730
institution in this state, or if the board maintains an account 83731
with a financial institution outside this state, ensures that 83732
workers' compensation checks are drawn from the same account as 83733
payroll checks or the board clearly indicates that payment will be 83734
honored by a financial institution in this state; 83735

(9) The board shall provide the administrator a surety bond 83736
in an amount equal to one hundred twenty-five per cent of the 83737
projected losses as determined by the administrator. 83738

(D) The administrator shall require a surety bond from all 83739
self-insuring employers, issued pursuant to section 4123.351 of 83740
the Revised Code, that is sufficient to compel, or secure to 83741

injured employees, or to the dependents of employees killed, the 83742
payment of compensation and expenses, which shall in no event be 83743
less than that paid or furnished out of the state insurance fund 83744
in similar cases to injured employees or to dependents of killed 83745
employees whose employers contribute to the fund, except when an 83746
employee of the employer, who has suffered the loss of a hand, 83747
arm, foot, leg, or eye prior to the injury for which compensation 83748
is to be paid, and thereafter suffers the loss of any other of the 83749
members as the result of any injury sustained in the course of and 83750
arising out of the employee's employment, the compensation to be 83751
paid by the self-insuring employer is limited to the disability 83752
suffered in the subsequent injury, additional compensation, if 83753
any, to be paid by the bureau out of the surplus created by 83754
section 4123.34 of the Revised Code. 83755

(E) In addition to the requirements of this section, the 83756
administrator shall make and publish rules governing the manner of 83757
making application and the nature and extent of the proof required 83758
to justify a finding of fact by the administrator as to granting 83759
the status of a self-insuring employer, which rules shall be 83760
general in their application, one of which rules shall provide 83761
that all self-insuring employers shall pay into the state 83762
insurance fund such amounts as are required to be credited to the 83763
surplus fund in division (B) of section 4123.34 of the Revised 83764
Code. The administrator may adopt rules establishing requirements 83765
in addition to the requirements described in division (B)(2) of 83766
this section that a public employer shall meet in order to qualify 83767
for self-insuring status. 83768

Employers shall secure directly from the bureau central 83769
offices application forms upon which the bureau shall stamp a 83770
designating number. Prior to submission of an application, an 83771
employer shall make available to the bureau, and the bureau shall 83772
review, the information described in division (B)(1) of this 83773

section, and public employers shall make available, and the bureau 83774
shall review, the information necessary to verify whether the 83775
public employer meets the requirements listed in division (B)(2) 83776
of this section. An employer shall file the completed application 83777
forms with an application fee, which shall cover the costs of 83778
processing the application, as established by the administrator, 83779
by rule, with the bureau at least ninety days prior to the 83780
effective date of the employer's new status as a self-insuring 83781
employer. The application form is not deemed complete until all 83782
the required information is attached thereto. The bureau shall 83783
only accept applications that contain the required information. 83784

(F) The bureau shall review completed applications within a 83785
reasonable time. If the bureau determines to grant an employer the 83786
status as a self-insuring employer, the bureau shall issue a 83787
statement, containing its findings of fact, that is prepared by 83788
the bureau and signed by the administrator. If the bureau 83789
determines not to grant the status as a self-insuring employer, 83790
the bureau shall notify the employer of the determination and 83791
require the employer to continue to pay its full premium into the 83792
state insurance fund. The administrator also shall adopt rules 83793
establishing a minimum level of performance as a criterion for 83794
granting and maintaining the status as a self-insuring employer 83795
and fixing time limits beyond which failure of the self-insuring 83796
employer to provide for the necessary medical examinations and 83797
evaluations may not delay a decision on a claim. 83798

(G) The administrator shall adopt rules setting forth 83799
procedures for auditing the program of self-insuring employers. 83800
The bureau shall conduct the audit upon a random basis or whenever 83801
the bureau has grounds for believing that a self-insuring employer 83802
is not in full compliance with bureau rules or this chapter. 83803

The administrator shall monitor the programs conducted by 83804
self-insuring employers, to ensure compliance with bureau 83805

requirements and for that purpose, shall develop and issue to 83806
self-insuring employers standardized forms for use by the 83807
self-insuring employer in all aspects of the self-insuring 83808
employers' direct compensation program and for reporting of 83809
information to the bureau. 83810

The bureau shall receive and transmit to the self-insuring 83811
employer all complaints concerning any self-insuring employer. In 83812
the case of a complaint against a self-insuring employer, the 83813
administrator shall handle the complaint through the 83814
self-insurance division of the bureau. The bureau shall maintain a 83815
file by employer of all complaints received that relate to the 83816
employer. The bureau shall evaluate each complaint and take 83817
appropriate action. 83818

The administrator shall adopt as a rule a prohibition against 83819
any self-insuring employer from harassing, dismissing, or 83820
otherwise disciplining any employee making a complaint, which rule 83821
shall provide for a financial penalty to be levied by the 83822
administrator payable by the offending self-insuring employer. 83823

(H) For the purpose of making determinations as to whether to 83824
grant status as a self-insuring employer, the administrator may 83825
subscribe to and pay for a credit reporting service that offers 83826
financial and other business information about individual 83827
employers. The costs in connection with the bureau's subscription 83828
or individual reports from the service about an applicant may be 83829
included in the application fee charged employers under this 83830
section. 83831

(I) The administrator, notwithstanding other provisions of 83832
this chapter, may permit a self-insuring employer to resume 83833
payment of premiums to the state insurance fund with appropriate 83834
credit modifications to the employer's basic premium rate as such 83835
rate is determined pursuant to section 4123.29 of the Revised 83836
Code. 83837

(J) On the first day of July of each year, the administrator shall calculate separately each self-insuring employer's assessments for the safety and hygiene fund, administrative costs pursuant to section 4123.342 of the Revised Code, and for the portion of the surplus fund under division (B) of section 4123.34 of the Revised Code that is not used for handicapped reimbursement, on the basis of the paid compensation attributable to the individual self-insuring employer according to the following calculation:

(1) The total assessment against all self-insuring employers as a class for each fund and for the administrative costs for the year that the assessment is being made, as determined by the administrator, divided by the total amount of paid compensation for the previous calendar year attributable to all amenable self-insuring employers;

(2) Multiply the quotient in division (J)(1) of this section by the total amount of paid compensation for the previous calendar year that is attributable to the individual self-insuring employer for whom the assessment is being determined. Each self-insuring employer shall pay the assessment that results from this calculation, unless the assessment resulting from this calculation falls below a minimum assessment, which minimum assessment the administrator shall determine on the first day of July of each year with the advice and consent of the bureau of workers' compensation board of directors, in which event, the self-insuring employer shall pay the minimum assessment.

In determining the total amount due for the total assessment against all self-insuring employers as a class for each fund and the administrative assessment, the administrator shall reduce proportionately the total for each fund and assessment by the amount of money in the self-insurance assessment fund as of the date of the computation of the assessment.

The administrator shall calculate the assessment for the 83870
portion of the surplus fund under division (B) of section 4123.34 83871
of the Revised Code that is used for handicapped reimbursement in 83872
the same manner as set forth in divisions (J)(1) and (2) of this 83873
section except that the administrator shall calculate the total 83874
assessment for this portion of the surplus fund only on the basis 83875
of those self-insuring employers that retain participation in the 83876
handicapped reimbursement program and the individual self-insuring 83877
employer's proportion of paid compensation shall be calculated 83878
only for those self-insuring employers who retain participation in 83879
the handicapped reimbursement program. The administrator, as the 83880
administrator determines appropriate, may determine the total 83881
assessment for the handicapped portion of the surplus fund in 83882
accordance with sound actuarial principles. 83883

The administrator shall calculate the assessment for the 83884
portion of the surplus fund under division (B) of section 4123.34 83885
of the Revised Code that under division (D) of section 4121.66 of 83886
the Revised Code is used for rehabilitation costs in the same 83887
manner as set forth in divisions (J)(1) and (2) of this section, 83888
except that the administrator shall calculate the total assessment 83889
for this portion of the surplus fund only on the basis of those 83890
self-insuring employers who have not made the election to make 83891
payments directly under division (D) of section 4121.66 of the 83892
Revised Code and an individual self-insuring employer's proportion 83893
of paid compensation only for those self-insuring employers who 83894
have not made that election. 83895

The administrator shall calculate the assessment for the 83896
portion of the surplus fund under division (B) of section 4123.34 83897
of the Revised Code that is used for reimbursement to a 83898
self-insuring employer under division (H) of section 4123.512 of 83899
the Revised Code in the same manner as set forth in divisions 83900
(J)(1) and (2) of this section except that the administrator shall 83901

calculate the total assessment for this portion of the surplus 83902
fund only on the basis of those self-insuring employers that 83903
retain participation in reimbursement to the self-insuring 83904
employer under division (H) of section 4123.512 of the Revised 83905
Code and the individual self-insuring employer's proportion of 83906
paid compensation shall be calculated only for those self-insuring 83907
employers who retain participation in reimbursement to the 83908
self-insuring employer under division (H) of section 4123.512 of 83909
the Revised Code. 83910

An employer who no longer is a self-insuring employer in this 83911
state or who no longer is operating in this state, shall continue 83912
to pay assessments for administrative costs and for the portion of 83913
the surplus fund under division (B) of section 4123.34 of the 83914
Revised Code that is not used for handicapped reimbursement, based 83915
upon paid compensation attributable to claims that occurred while 83916
the employer was a self-insuring employer within this state. 83917

(K) There is hereby created in the state treasury the 83918
self-insurance assessment fund. All investment earnings of the 83919
fund shall be deposited in the fund. The administrator shall use 83920
the money in the self-insurance assessment fund only for 83921
administrative costs as specified in section 4123.341 of the 83922
Revised Code. 83923

(L) Every self-insuring employer shall certify, in affidavit 83924
form subject to the penalty for perjury, to the bureau the amount 83925
of the self-insuring employer's paid compensation for the previous 83926
calendar year. In reporting paid compensation paid for the 83927
previous year, a self-insuring employer shall exclude from the 83928
total amount of paid compensation any reimbursement the 83929
self-insuring employer receives in the previous calendar year from 83930
the surplus fund pursuant to section 4123.512 of the Revised Code 83931
for any paid compensation. The self-insuring employer also shall 83932
exclude from the paid compensation reported any amount recovered 83933

under section 4123.931 of the Revised Code and any amount that is 83934
determined not to have been payable to or on behalf of a claimant 83935
in any final administrative or judicial proceeding. The 83936
self-insuring employer shall exclude such amounts from the paid 83937
compensation reported in the reporting period subsequent to the 83938
date the determination is made. The administrator shall adopt 83939
rules, in accordance with Chapter 119. of the Revised Code, that 83940
provide for all of the following: 83941

(1) Establishing the date by which self-insuring employers 83942
must submit such information and the amount of the assessments 83943
provided for in division (J) of this section for employers who 83944
have been granted self-insuring status within the last calendar 83945
year; 83946

(2) If an employer fails to pay the assessment when due, the 83947
administrator may add a late fee penalty of not more than five 83948
hundred dollars to the assessment plus an additional penalty 83949
amount as follows: 83950

(a) For an assessment from sixty-one to ninety days past due, 83951
the prime interest rate, multiplied by the assessment due; 83952

(b) For an assessment from ninety-one to one hundred twenty 83953
days past due, the prime interest rate plus two per cent, 83954
multiplied by the assessment due; 83955

(c) For an assessment from one hundred twenty-one to one 83956
hundred fifty days past due, the prime interest rate plus four per 83957
cent, multiplied by the assessment due; 83958

(d) For an assessment from one hundred fifty-one to one 83959
hundred eighty days past due, the prime interest rate plus six per 83960
cent, multiplied by the assessment due; 83961

(e) For an assessment from one hundred eighty-one to two 83962
hundred ten days past due, the prime interest rate plus eight per 83963
cent, multiplied by the assessment due; 83964

(f) For each additional thirty-day period or portion thereof 83965
that an assessment remains past due after it has remained past due 83966
for more than two hundred ten days, the prime interest rate plus 83967
eight per cent, multiplied by the assessment due. 83968

(3) An employer may appeal a late fee penalty and penalty 83969
assessment to the administrator. 83970

For purposes of division (L)(2) of this section, "prime 83971
interest rate" means the average bank prime rate, and the 83972
administrator shall determine the prime interest rate in the same 83973
manner as a county auditor determines the average bank prime rate 83974
under section 929.02 of the Revised Code. 83975

The administrator shall include any assessment and penalties 83976
that remain unpaid for previous assessment periods in the 83977
calculation and collection of any assessments due under this 83978
division or division (J) of this section. 83979

(M) As used in this section, "paid compensation" means all 83980
amounts paid by a self-insuring employer for living maintenance 83981
benefits, all amounts for compensation paid pursuant to sections 83982
4121.63, 4121.67, 4123.56, 4123.57, 4123.58, 4123.59, 4123.60, and 83983
4123.64 of the Revised Code, all amounts paid as wages in lieu of 83984
such compensation, all amounts paid in lieu of such compensation 83985
under a nonoccupational accident and sickness program fully funded 83986
by the self-insuring employer, and all amounts paid by a 83987
self-insuring employer for a violation of a specific safety 83988
standard pursuant to Section 35 of Article II, Ohio Constitution 83989
and section 4121.47 of the Revised Code. 83990

(N) Should any section of this chapter or Chapter 4121. of 83991
the Revised Code providing for self-insuring employers' 83992
assessments based upon compensation paid be declared 83993
unconstitutional by a final decision of any court, then that 83994
section of the Revised Code declared unconstitutional shall revert 83995

back to the section in existence prior to November 3, 1989, 83996
providing for assessments based upon payroll. 83997

(O) The administrator may grant a self-insuring employer the 83998
privilege to self-insure a construction project entered into by 83999
the self-insuring employer that is scheduled for completion within 84000
six years after the date the project begins, and the total cost of 84001
which is estimated to exceed one hundred million dollars or, for 84002
employers described in division (R) of this section, if the 84003
construction project is estimated to exceed twenty-five million 84004
dollars. The administrator may waive such cost and time criteria 84005
and grant a self-insuring employer the privilege to self-insure a 84006
construction project regardless of the time needed to complete the 84007
construction project and provided that the cost of the 84008
construction project is estimated to exceed fifty million dollars. 84009
A self-insuring employer who desires to self-insure a construction 84010
project shall submit to the administrator an application listing 84011
the dates the construction project is scheduled to begin and end, 84012
the estimated cost of the construction project, the contractors 84013
and subcontractors whose employees are to be self-insured by the 84014
self-insuring employer, the provisions of a safety program that is 84015
specifically designed for the construction project, and a 84016
statement as to whether a collective bargaining agreement 84017
governing the rights, duties, and obligations of each of the 84018
parties to the agreement with respect to the construction project 84019
exists between the self-insuring employer and a labor 84020
organization. 84021

A self-insuring employer may apply to self-insure the 84022
employees of either of the following: 84023

(1) All contractors and subcontractors who perform labor or 84024
work or provide materials for the construction project; 84025

(2) All contractors and, at the administrator's discretion, a 84026
substantial number of all the subcontractors who perform labor or 84027

work or provide materials for the construction project. 84028

Upon approval of the application, the administrator shall 84029
mail a certificate granting the privilege to self-insure the 84030
construction project to the self-insuring employer. The 84031
certificate shall contain the name of the self-insuring employer 84032
and the name, address, and telephone number of the self-insuring 84033
employer's representatives who are responsible for administering 84034
workers' compensation claims for the construction project. The 84035
self-insuring employer shall post the certificate in a conspicuous 84036
place at the site of the construction project. 84037

The administrator shall maintain a record of the contractors 84038
and subcontractors whose employees are covered under the 84039
certificate issued to the self-insured employer. A self-insuring 84040
employer immediately shall notify the administrator when any 84041
contractor or subcontractor is added or eliminated from inclusion 84042
under the certificate. 84043

Upon approval of the application, the self-insuring employer 84044
is responsible for the administration and payment of all claims 84045
under this chapter and Chapter 4121. of the Revised Code for the 84046
employees of the contractor and subcontractors covered under the 84047
certificate who receive injuries or are killed in the course of 84048
and arising out of employment on the construction project, or who 84049
contract an occupational disease in the course of employment on 84050
the construction project. For purposes of this chapter and Chapter 84051
4121. of the Revised Code, a claim that is administered and paid 84052
in accordance with this division is considered a claim against the 84053
self-insuring employer listed in the certificate. A contractor or 84054
subcontractor included under the certificate shall report to the 84055
self-insuring employer listed in the certificate, all claims that 84056
arise under this chapter and Chapter 4121. of the Revised Code in 84057
connection with the construction project for which the certificate 84058
is issued. 84059

A self-insuring employer who complies with this division is 84060
entitled to the protections provided under this chapter and 84061
Chapter 4121. of the Revised Code with respect to the employees of 84062
the contractors and subcontractors covered under a certificate 84063
issued under this division for death or injuries that arise out 84064
of, or death, injuries, or occupational diseases that arise in the 84065
course of, those employees' employment on that construction 84066
project, as if the employees were employees of the self-insuring 84067
employer, provided that the self-insuring employer also complies 84068
with this section. No employee of the contractors and 84069
subcontractors covered under a certificate issued under this 84070
division shall be considered the employee of the self-insuring 84071
employer listed in that certificate for any purposes other than 84072
this chapter and Chapter 4121. of the Revised Code. Nothing in 84073
this division gives a self-insuring employer authority to control 84074
the means, manner, or method of employment of the employees of the 84075
contractors and subcontractors covered under a certificate issued 84076
under this division. 84077

The contractors and subcontractors included under a 84078
certificate issued under this division are entitled to the 84079
protections provided under this chapter and Chapter 4121. of the 84080
Revised Code with respect to the contractor's or subcontractor's 84081
employees who are employed on the construction project which is 84082
the subject of the certificate, for death or injuries that arise 84083
out of, or death, injuries, or occupational diseases that arise in 84084
the course of, those employees' employment on that construction 84085
project. 84086

The contractors and subcontractors included under a 84087
certificate issued under this division shall identify in their 84088
payroll records the employees who are considered the employees of 84089
the self-insuring employer listed in that certificate for purposes 84090
of this chapter and Chapter 4121. of the Revised Code, and the 84091

amount that those employees earned for employment on the 84092
construction project that is the subject of that certificate. 84093
Notwithstanding any provision to the contrary under this chapter 84094
and Chapter 4121. of the Revised Code, the administrator shall 84095
exclude the payroll that is reported for employees who are 84096
considered the employees of the self-insuring employer listed in 84097
that certificate, and that the employees earned for employment on 84098
the construction project that is the subject of that certificate, 84099
when determining those contractors' or subcontractors' premiums or 84100
assessments required under this chapter and Chapter 4121. of the 84101
Revised Code. A self-insuring employer issued a certificate under 84102
this division shall include in the amount of paid compensation it 84103
reports pursuant to division (L) of this section, the amount of 84104
paid compensation the self-insuring employer paid pursuant to this 84105
division for the previous calendar year. 84106

Nothing in this division shall be construed as altering the 84107
rights of employees under this chapter and Chapter 4121. of the 84108
Revised Code as those rights existed prior to September 17, 1996. 84109
Nothing in this division shall be construed as altering the rights 84110
devolved under sections 2305.31 and 4123.82 of the Revised Code as 84111
those rights existed prior to September 17, 1996. 84112

As used in this division, "privilege to self-insure a 84113
construction project" means privilege to pay individually 84114
compensation, and to furnish medical, surgical, nursing, and 84115
hospital services and attention and funeral expenses directly to 84116
injured employees or the dependents of killed employees. 84117

(P) A self-insuring employer whose application is granted 84118
under division (O) of this section shall designate a safety 84119
professional to be responsible for the administration and 84120
enforcement of the safety program that is specifically designed 84121
for the construction project that is the subject of the 84122
application. 84123

A self-insuring employer whose application is granted under 84124
division (O) of this section shall employ an ombudsperson for the 84125
construction project that is the subject of the application. The 84126
ombudsperson shall have experience in workers' compensation or the 84127
construction industry, or both. The ombudsperson shall perform all 84128
of the following duties: 84129

(1) Communicate with and provide information to employees who 84130
are injured in the course of, or whose injury arises out of 84131
employment on the construction project, or who contract an 84132
occupational disease in the course of employment on the 84133
construction project; 84134

(2) Investigate the status of a claim upon the request of an 84135
employee to do so; 84136

(3) Provide information to claimants, third party 84137
administrators, employers, and other persons to assist those 84138
persons in protecting their rights under this chapter and Chapter 84139
4121. of the Revised Code. 84140

A self-insuring employer whose application is granted under 84141
division (O) of this section shall post the name of the safety 84142
professional and the ombudsperson and instructions for contacting 84143
the safety professional and the ombudsperson in a conspicuous 84144
place at the site of the construction project. 84145

(Q) The administrator may consider all of the following when 84146
deciding whether to grant a self-insuring employer the privilege 84147
to self-insure a construction project as provided under division 84148
(O) of this section: 84149

(1) Whether the self-insuring employer has an organizational 84150
plan for the administration of the workers' compensation law; 84151

(2) Whether the safety program that is specifically designed 84152
for the construction project provides for the safety of employees 84153
employed on the construction project, is applicable to all 84154

contractors and subcontractors who perform labor or work or 84155
provide materials for the construction project, and has as a 84156
component, a safety training program that complies with standards 84157
adopted pursuant to the "Occupational Safety and Health Act of 84158
1970," 84 Stat. 1590, 29 U.S.C.A. 651, and provides for continuing 84159
management and employee involvement; 84160

(3) Whether granting the privilege to self-insure the 84161
construction project will reduce the costs of the construction 84162
project; 84163

(4) Whether the self-insuring employer has employed an 84164
ombudsperson as required under division (P) of this section; 84165

(5) Whether the self-insuring employer has sufficient surety 84166
to secure the payment of claims for which the self-insuring 84167
employer would be responsible pursuant to the granting of the 84168
privilege to self-insure a construction project under division (O) 84169
of this section. 84170

(R) As used in divisions (O), (P), and (Q), "self-insuring 84171
employer" includes the following employers, whether or not they 84172
have been granted the status of being a self-insuring employer 84173
under division (B) of this section: 84174

(1) A state institution of higher education; 84175

(2) A school district; 84176

(3) A county school financing district; 84177

(4) An educational service center; 84178

(5) A community school established under Chapter 3314. of the 84179
Revised Code; 84180

(6) A municipal power agency as defined in section 3734.058 84181
of the Revised Code. 84182

(S) As used in this section: 84183

(1) "Unvoted debt capacity" means the amount of money that a public employer may borrow without voter approval of a tax levy;

(2) "State institution of higher education" means the state universities listed in section 3345.011 of the Revised Code, community colleges created pursuant to Chapter 3354. of the Revised Code, university branches created pursuant to Chapter 3355. of the Revised Code, technical colleges created pursuant to Chapter 3357. of the Revised Code, and state community colleges created pursuant to Chapter 3358. of the Revised Code.

Sec. 4123.41. (A) By the first day of January of each year, the bureau of workers' compensation shall furnish to the county auditor of each county and the chief fiscal officer of each taxing district in a county and of each district activity and institution mentioned in section 4123.39 of the Revised Code forms containing the premium rates applicable to the county, district, district activity, or institution as an employer, on which to report the amount of money expended by the county, district, district activity, or institution during the previous twelve calendar months for the services of employees under this chapter.

(B) Each county auditor and each fiscal officer of a district, district activity, and institution shall calculate on the form it receives from the bureau under division (A) of this section the premium due as its proper contribution to the public insurance fund and issue a warrant in favor of the bureau for the amount due from the county, district, district activity, or institution to the public insurance fund according to the following schedule:

(1) On or before the fifteenth day of May of each year, no less than forty-five per cent of the amount due;

(2) On or before the first day of September of each year, no less than the total amount due.

(C) The legislative body of any county, district, district activity, or institution may reimburse the fund from which the workers' compensation payments are made by transferring to the fund from any other fund of the county, district, district activity, or institution, the proportionate amount of the payments that should be chargeable to the fund, whether the fund is derived from taxation or otherwise. The proportionate amount of the payments chargeable to the fund may be based on payroll, relative exposure, relative loss experience, or any combination of these factors, as determined by the legislative body.

(1) The workers' compensation program payments of any county, district, district activity, or institution may include all payments required by any bureau of workers' compensation rating plan.

(2) The workers' compensation program payments of any county, district, district activity, or institution, except for a county board of developmental disabilities, a board of alcohol, drug addiction, and mental health services, a board of mental health services, and a board of alcohol and drug addiction services, also may include any of the following:

(a) Direct administrative costs incurred in the management of the county, district, district activity, or institution's workers' compensation program;

(b) Indirect costs that are necessary and reasonable for the proper and efficient administration of the workers' compensation program as documented in a cost allocation plan. The indirect cost plan shall conform to the United States office of management and budget circular A-87 "cost principles for state and local governments," 2 C.F.R. 225, as most recently amended on May 10, 2004. The plan shall not authorize payment from the fund of any general government expense required to carry out the overall governmental responsibilities.

(3) Within sixty days before a legislative body changes the method used for calculating the proportionate amount of the payments chargeable to the fund, it shall notify, consult with, and give information supporting the change to any elected official affected by the change. A transfer made pursuant to division (B)(2) of this section is not subject to section 5705.16 of the Revised Code.

(D) Any county board of developmental disabilities, board of alcohol, drug addiction, and mental health services, board of mental health services, or board of alcohol and drug addiction services whose workers' compensation payments, on or before ~~the effective date of this section~~ September 28, 2012, includes costs referred to in division (C)(2) of this section may continue to do so on and after ~~the effective date of this amendment~~ September 28, 2012.

(E) The bureau may investigate the correctness of the information provided by the county auditor and chief fiscal officer under division (B) of this section, and if the bureau determines at any time that the county, district, district activity, or institution has not reported the correct information, the administrator of workers' compensation may make deductions or additions as the facts warrant and take those facts into consideration in determining the current or future contributions to be made by the county, district, district activity, or institution. If the county, district, district activity, or institution does not furnish the report in the time required by this section, the administrator may fix the amount of contribution the county, district, district activity, or institution must make and certify that amount for payment.

(F) The administrator shall provide a discount to any county, district, district activity, or institution that pays its total amount due to the public insurance fund on or before the fifteenth

day of May of each year as its proper contribution for premiums. 84279
The administrator shall base the discount provided under this 84280
division on the savings generated by the early payment to the 84281
public insurance fund. The administrator may provide the discount 84282
through a refund to the county, district, district activity, or 84283
institution or an offset against the future contributions due to 84284
the public insurance fund from the county, district, district 84285
activity, or institution. 84286

(G) The administrator may impose an interest penalty for late 84287
payment of any amount due from a county, district, district 84288
activity, and institution at the interest rate established by the 84289
state tax commissioner pursuant to section 5703.47 of the Revised 84290
Code. 84291

(H) If the administrator adopts rules for the prospective 84292
payment of premium as permitted under section 4123.322 of the 84293
Revised Code, every employer mentioned in division (B)(1) of 84294
section 4123.01 of the Revised Code, except for a state agency or 84295
a state university or college as defined in section 4123.32 of the 84296
Revised Code, shall pay into the state insurance fund the amount 84297
of premium the administrator fixes for the employment or 84298
occupation of the employer, the amount of which premium to be paid 84299
by each employer to be determined by the classifications, rules, 84300
and rates made and published by the administrator and based upon 84301
the estimates and reconciliations required by the rules the 84302
administrator adopts under section 4123.322 of the Revised Code. 84303

Sec. 4123.57. Partial disability compensation shall be paid 84304
as follows. 84305

Except as provided in this section, not earlier than 84306
twenty-six weeks after the date of termination of the latest 84307
period of payments under section 4123.56 of the Revised Code, or 84308
not earlier than twenty-six weeks after the date of the injury or 84309

contraction of an occupational disease in the absence of payments 84310
under section 4123.56 of the Revised Code, the employee may file 84311
an application with the bureau of workers' compensation for the 84312
determination of the percentage of the employee's permanent 84313
partial disability resulting from an injury or occupational 84314
disease. 84315

Whenever the application is filed, the bureau shall send a 84316
copy of the application to the employee's employer or the 84317
employer's representative and shall schedule the employee for a 84318
medical examination by the bureau medical section. The bureau 84319
shall send a copy of the report of the medical examination to the 84320
employee, the employer, and their representatives. Thereafter, the 84321
administrator of workers' compensation shall review the employee's 84322
claim file and make a tentative order as the evidence before the 84323
administrator at the time of the making of the order warrants. If 84324
the administrator determines that there is a conflict of evidence, 84325
the administrator shall send the application, along with the 84326
claimant's file, to the district hearing officer who shall set the 84327
application for a hearing. 84328

The administrator shall notify the employee, the employer, 84329
and their representatives, in writing, of the tentative order and 84330
of the parties' right to request a hearing. Unless the employee, 84331
the employer, or their representative notifies the administrator, 84332
in writing, of an objection to the tentative order within twenty 84333
days after receipt of the notice thereof, the tentative order 84334
shall go into effect and the employee shall receive the 84335
compensation provided in the order. In no event shall there be a 84336
reconsideration of a tentative order issued under this division. 84337

If the employee, the employer, or their representatives 84338
timely notify the administrator of an objection to the tentative 84339
order, the matter shall be referred to a district hearing officer 84340
who shall set the application for hearing with written notices to 84341

all interested persons. Upon referral to a district hearing officer, the employer may obtain a medical examination of the employee, pursuant to rules of the industrial commission.

(A) The district hearing officer, upon the application, shall determine the percentage of the employee's permanent disability, except as is subject to division (B) of this section, based upon that condition of the employee resulting from the injury or occupational disease and causing permanent impairment evidenced by medical or clinical findings reasonably demonstrable. The employee shall receive sixty-six and two-thirds per cent of the employee's average weekly wage, but not more than a maximum of thirty-three and one-third per cent of the statewide average weekly wage as defined in division (C) of section 4123.62 of the Revised Code, per week regardless of the average weekly wage, for the number of weeks which equals the percentage of two hundred weeks. Except on application for reconsideration, review, or modification, which is filed within ten days after the date of receipt of the decision of the district hearing officer, in no instance shall the former award be modified unless it is found from medical or clinical findings that the condition of the claimant resulting from the injury has so progressed as to have increased the percentage of permanent partial disability. A staff hearing officer shall hear an application for reconsideration filed and the staff hearing officer's decision is final. An employee may file an application for a subsequent determination of the percentage of the employee's permanent disability. If such an application is filed, the bureau shall send a copy of the application to the employer or the employer's representative. No sooner than sixty days from the date of the mailing of the application to the employer or the employer's representative, the administrator shall review the application. The administrator may require a medical examination or medical review of the employee. The administrator shall issue a tentative order based upon the evidence before the administrator,

provided that if the administrator requires a medical examination 84375
or medical review, the administrator shall not issue the tentative 84376
order until the completion of the examination or review. 84377

The employer may obtain a medical examination of the employee 84378
and may submit medical evidence at any stage of the process up to 84379
a hearing before the district hearing officer, pursuant to rules 84380
of the commission. The administrator shall notify the employee, 84381
the employer, and their representatives, in writing, of the nature 84382
and amount of any tentative order issued on an application 84383
requesting a subsequent determination of the percentage of an 84384
employee's permanent disability. An employee, employer, or their 84385
representatives may object to the tentative order within twenty 84386
days after the receipt of the notice thereof. If no timely 84387
objection is made, the tentative order shall go into effect. In no 84388
event shall there be a reconsideration of a tentative order issued 84389
under this division. If an objection is timely made, the 84390
application for a subsequent determination shall be referred to a 84391
district hearing officer who shall set the application for a 84392
hearing with written notice to all interested persons. No 84393
application for subsequent percentage determinations on the same 84394
claim for injury or occupational disease shall be accepted for 84395
review by the district hearing officer unless supported by 84396
substantial evidence of new and changed circumstances developing 84397
since the time of the hearing on the original or last 84398
determination. 84399

No award shall be made under this division based upon a 84400
percentage of disability which, when taken with all other 84401
percentages of permanent disability, exceeds one hundred per cent. 84402
If the percentage of the permanent disability of the employee 84403
equals or exceeds ninety per cent, compensation for permanent 84404
partial disability shall be paid for two hundred weeks. 84405

Compensation payable under this division accrues and is 84406

payable to the employee from the date of last payment of 84407
compensation, or, in cases where no previous compensation has been 84408
paid, from the date of the injury or the date of the diagnosis of 84409
the occupational disease. 84410

When an award under this division has been made prior to the 84411
death of an employee, all unpaid installments accrued or to accrue 84412
under the provisions of the award are payable to the surviving 84413
spouse, or if there is no surviving spouse, to the dependent 84414
children of the employee, and if there are no children surviving, 84415
then to other dependents as the administrator determines. 84416

(B) For purposes of this division, "payable per week" means 84417
the seven-consecutive-day period in which compensation is paid in 84418
installments according to the schedule associated with the 84419
applicable injury as set forth in this division. 84420

Compensation paid in weekly installments according to the 84421
schedule described in this division may only be commuted to one or 84422
more ~~lump sum~~ lump sum payments pursuant to the procedure set 84423
forth in section 4123.64 of the Revised Code. 84424

In cases included in the following schedule the compensation 84425
payable per week to the employee is the statewide average weekly 84426
wage as defined in division (C) of section 4123.62 of the Revised 84427
Code per week and shall be paid in installments according to the 84428
following schedule: 84429

For the loss of a first finger, commonly known as a thumb, 84430
sixty weeks. 84431

For the loss of a second finger, commonly called index 84432
finger, thirty-five weeks. 84433

For the loss of a third finger, thirty weeks. 84434

For the loss of a fourth finger, twenty weeks. 84435

For the loss of a fifth finger, commonly known as the little 84436

finger, fifteen weeks. 84437

The loss of a second, or distal, phalange of the thumb is 84438
considered equal to the loss of one half of such thumb; the loss 84439
of more than one half of such thumb is considered equal to the 84440
loss of the whole thumb. 84441

The loss of the third, or distal, phalange of any finger is 84442
considered equal to the loss of one-third of the finger. 84443

The loss of the middle, or second, phalange of any finger is 84444
considered equal to the loss of two-thirds of the finger. 84445

The loss of more than the middle and distal phalanges of any 84446
finger is considered equal to the loss of the whole finger. In no 84447
case shall the amount received for more than one finger exceed the 84448
amount provided in this schedule for the loss of a hand. 84449

For the loss of the metacarpal bone (bones of the palm) for 84450
the corresponding thumb, or fingers, add ten weeks to the number 84451
of weeks under this division. 84452

For ankylosis (total stiffness of) or contractures (due to 84453
scars or injuries) which makes any of the fingers, thumbs, or 84454
parts of either useless, the same number of weeks apply to the 84455
members or parts thereof as given for the loss thereof. 84456

If the claimant has suffered the loss of two or more fingers 84457
by amputation or ankylosis and the nature of the claimant's 84458
employment in the course of which the claimant was working at the 84459
time of the injury or occupational disease is such that the 84460
handicap or disability resulting from the loss of fingers, or loss 84461
of use of fingers, exceeds the normal handicap or disability 84462
resulting from the loss of fingers, or loss of use of fingers, the 84463
administrator may take that fact into consideration and increase 84464
the award of compensation accordingly, but the award made shall 84465
not exceed the amount of compensation for loss of a hand. 84466

For the loss of a hand, one hundred seventy-five weeks.	84467
For the loss of an arm, two hundred twenty-five weeks.	84468
For the loss of a great toe, thirty weeks.	84469
For the loss of one of the toes other than the great toe, ten weeks.	84470 84471
The loss of more than two-thirds of any toe is considered equal to the loss of the whole toe.	84472 84473
The loss of less than two-thirds of any toe is considered no loss, except as to the great toe; the loss of the great toe up to the interphalangeal joint is co-equal to the loss of one-half of the great toe; the loss of the great toe beyond the interphalangeal joint is considered equal to the loss of the whole great toe.	84474 84475 84476 84477 84478 84479
For the loss of a foot, one hundred fifty weeks.	84480
For the loss of a leg, two hundred weeks.	84481
For the loss of the sight of an eye, one hundred twenty-five weeks.	84482 84483
For the permanent partial loss of sight of an eye, the portion of one hundred twenty-five weeks as the administrator in each case determines, based upon the percentage of vision actually lost as a result of the injury or occupational disease, but, in no case shall an award of compensation be made for less than twenty-five per cent loss of uncorrected vision. "Loss of uncorrected vision" means the percentage of vision actually lost as the result of the injury or occupational disease.	84484 84485 84486 84487 84488 84489 84490 84491
For the permanent and total loss of hearing of one ear, twenty-five weeks; but in no case shall an award of compensation be made for less than permanent and total loss of hearing of one ear.	84492 84493 84494 84495
For the permanent and total loss of hearing, one hundred	84496

twenty-five weeks; but, except pursuant to the next preceding 84497
paragraph, in no case shall an award of compensation be made for 84498
less than permanent and total loss of hearing. 84499

In case an injury or occupational disease results in serious 84500
facial or head disfigurement which either impairs or may in the 84501
future impair the opportunities to secure or retain employment, 84502
the administrator shall make an award of compensation as it deems 84503
proper and equitable, in view of the nature of the disfigurement, 84504
and not to exceed the sum of ten thousand dollars. For the purpose 84505
of making the award, it is not material whether the employee is 84506
gainfully employed in any occupation or trade at the time of the 84507
administrator's determination. 84508

When an award under this division has been made prior to the 84509
death of an employee all unpaid installments accrued or to accrue 84510
under the provisions of the award shall be payable to the 84511
surviving spouse, or if there is no surviving spouse, to the 84512
dependent children of the employee and if there are no such 84513
children, then to such dependents as the administrator determines. 84514

When an employee has sustained the loss of a member by 84515
severance, but no award has been made on account thereof prior to 84516
the employee's death, the administrator shall make an award in 84517
accordance with this division for the loss which shall be payable 84518
to the surviving spouse, or if there is no surviving spouse, to 84519
the dependent children of the employee and if there are no such 84520
children, then to such dependents as the administrator determines. 84521

(C) Compensation for partial impairment under divisions (A) 84522
and (B) of this section is in addition to the compensation paid 84523
the employee pursuant to section 4123.56 of the Revised Code. A 84524
claimant may receive compensation under divisions (A) and (B) of 84525
this section. 84526

In all cases arising under division (B) of this section, if 84527

it is determined by any one of the following: (1) the amputee 84528
clinic at University hospital, Ohio state university; (2) the 84529
~~rehabilitation services commission~~ opportunities for Ohioans with 84530
disabilities agency; (3) an amputee clinic or prescribing 84531
physician approved by the administrator or the administrator's 84532
designee, that an injured or disabled employee is in need of an 84533
artificial appliance, or in need of a repair thereof, regardless 84534
of whether the appliance or its repair will be serviceable in the 84535
vocational rehabilitation of the injured employee, and regardless 84536
of whether the employee has returned to or can ever again return 84537
to any gainful employment, the bureau shall pay the cost of the 84538
artificial appliance or its repair out of the surplus created by 84539
division (B) of section 4123.34 of the Revised Code. 84540

In those cases where a ~~rehabilitation services commission~~ an 84541
opportunities for Ohioans with disabilities agency recommendation 84542
that an injured or disabled employee is in need of an artificial 84543
appliance would conflict with their state plan, adopted pursuant 84544
to the "Rehabilitation Act of 1973," 87 Stat. 355, 29 U.S.C.A. 84545
701, the administrator or the administrator's designee or the 84546
bureau may obtain a recommendation from an amputee clinic or 84547
prescribing physician that they determine appropriate. 84548

(D) If an employee of a state fund employer makes application 84549
for a finding and the administrator finds that the employee has 84550
contracted silicosis as defined in division (X), or coal miners' 84551
pneumoconiosis as defined in division (Y), or asbestosis as 84552
defined in division (AA) of section 4123.68 of the Revised Code, 84553
and that a change of such employee's occupation is medically 84554
advisable in order to decrease substantially further exposure to 84555
silica dust, asbestos, or coal dust and if the employee, after the 84556
finding, has changed or shall change the employee's occupation to 84557
an occupation in which the exposure to silica dust, asbestos, or 84558
coal dust is substantially decreased, the administrator shall 84559

allow to the employee an amount equal to fifty per cent of the 84560
statewide average weekly wage per week for a period of thirty 84561
weeks, commencing as of the date of the discontinuance or change, 84562
and for a period of one hundred weeks immediately following the 84563
expiration of the period of thirty weeks, the employee shall 84564
receive sixty-six and two-thirds per cent of the loss of wages 84565
resulting directly and solely from the change of occupation but 84566
not to exceed a maximum of an amount equal to fifty per cent of 84567
the statewide average weekly wage per week. No such employee is 84568
entitled to receive more than one allowance on account of 84569
discontinuance of employment or change of occupation and benefits 84570
shall cease for any period during which the employee is employed 84571
in an occupation in which the exposure to silica dust, asbestos, 84572
or coal dust is not substantially less than the exposure in the 84573
occupation in which the employee was formerly employed or for any 84574
period during which the employee may be entitled to receive 84575
compensation or benefits under section 4123.68 of the Revised Code 84576
on account of disability from silicosis, asbestosis, or coal 84577
miners' pneumoconiosis. An award for change of occupation for a 84578
coal miner who has contracted coal miners' pneumoconiosis may be 84579
granted under this division even though the coal miner continues 84580
employment with the same employer, so long as the coal miner's 84581
employment subsequent to the change is such that the coal miner's 84582
exposure to coal dust is substantially decreased and a change of 84583
occupation is certified by the claimant as permanent. The 84584
administrator may accord to the employee medical and other 84585
benefits in accordance with section 4123.66 of the Revised Code. 84586

(E) If a firefighter or police officer makes application for 84587
a finding and the administrator finds that the firefighter or 84588
police officer has contracted a cardiovascular and pulmonary 84589
disease as defined in division (W) of section 4123.68 of the 84590
Revised Code, and that a change of the firefighter's or police 84591
officer's occupation is medically advisable in order to decrease 84592

substantially further exposure to smoke, toxic gases, chemical 84593
fumes, and other toxic vapors, and if the firefighter, or police 84594
officer, after the finding, has changed or changes occupation to 84595
an occupation in which the exposure to smoke, toxic gases, 84596
chemical fumes, and other toxic vapors is substantially decreased, 84597
the administrator shall allow to the firefighter or police officer 84598
an amount equal to fifty per cent of the statewide average weekly 84599
wage per week for a period of thirty weeks, commencing as of the 84600
date of the discontinuance or change, and for a period of 84601
seventy-five weeks immediately following the expiration of the 84602
period of thirty weeks the administrator shall allow the 84603
firefighter or police officer sixty-six and two-thirds per cent of 84604
the loss of wages resulting directly and solely from the change of 84605
occupation but not to exceed a maximum of an amount equal to fifty 84606
per cent of the statewide average weekly wage per week. No such 84607
firefighter or police officer is entitled to receive more than one 84608
allowance on account of discontinuance of employment or change of 84609
occupation and benefits shall cease for any period during which 84610
the firefighter or police officer is employed in an occupation in 84611
which the exposure to smoke, toxic gases, chemical fumes, and 84612
other toxic vapors is not substantially less than the exposure in 84613
the occupation in which the firefighter or police officer was 84614
formerly employed or for any period during which the firefighter 84615
or police officer may be entitled to receive compensation or 84616
benefits under section 4123.68 of the Revised Code on account of 84617
disability from a cardiovascular and pulmonary disease. The 84618
administrator may accord to the firefighter or police officer 84619
medical and other benefits in accordance with section 4123.66 of 84620
the Revised Code. 84621

(F) An order issued under this section is appealable pursuant 84622
to section 4123.511 of the Revised Code but is not appealable to 84623
court under section 4123.512 of the Revised Code. 84624

incurred in operating the system; 84769

(6) Requirements for any other matters necessary to ensure 84770
the effective, efficient, and timely exchange of necessary 84771
information or that the director determines must be addressed in 84772
order to ensure compliance with the requirements of section 1137 84773
of the "Social Security Act." 84774

(C) Each participating agency shall furnish to the income and 84775
eligibility verification system established in division (A) of 84776
this section that information, which the director, by rule, 84777

determines is necessary in order to comply with section 1137 of 84778
the "Social Security Act." 84779

(D) Notwithstanding the information disclosure requirements 84780
of this section and section 4141.21 and division (A) of section 84781
4141.284 of the Revised Code, the director shall administer those 84782
provisions of law so as to comply with section 1137 of the "Social 84783
Security Act." 84784

(E) Requirements in section 4141.21 of the Revised Code with 84785
respect to confidentiality of information obtained in the 84786
administration of Chapter 4141. of the Revised Code and any 84787
sanctions imposed for improper disclosure of such information 84788
shall apply to the redisclosure of information disclosed under 84789
this section. 84790

(F) The director of job and family services shall consult 84791
with the medicaid director and the director of administrative 84792
services regarding the implementation of this section. 84793

Sec. 4141.29. Each eligible individual shall receive benefits 84794
as compensation for loss of remuneration due to involuntary total 84795
or partial unemployment in the amounts and subject to the 84796
conditions stipulated in this chapter. 84797

(A) No individual is entitled to a waiting period or benefits 84798
for any week unless the individual: 84799

(1) Has filed a valid application for determination of 84800
benefit rights in accordance with section 4141.28 of the Revised 84801
Code; 84802

(2) Has made a claim for benefits in accordance with section 84803
4141.28 of the Revised Code; 84804

(3) Has registered at an employment office or other 84805
registration place maintained or designated by the director of job 84806
and family services. Registration shall be made in accordance with 84807

the time limits, frequency, and manner prescribed by the director. 84808

(4)(a)(i) Is able to work and available for suitable work 84809
and, except as provided in division (A)(4)(a)(ii) of this section, 84810
is actively seeking suitable work either in a locality in which 84811
the individual has earned wages subject to this chapter during the 84812
individual's base period, or if the individual leaves that 84813
locality, then in a locality where suitable work normally is 84814
performed. 84815

(ii) The director may waive the requirement that a claimant 84816
be actively seeking work when the director finds that the 84817
individual has been laid off and the employer who laid the 84818
individual off has notified the director within ten days after the 84819
layoff, that work is expected to be available for the individual 84820
within a specified number of days not to exceed forty-five 84821
calendar days following the last day the individual worked. In the 84822
event the individual is not recalled within the specified period, 84823
this waiver shall cease to be operative with respect to that 84824
layoff. 84825

(b) The individual shall be instructed as to the efforts that 84826
the individual must make in the search for suitable work, except 84827
where the active search for work requirement has been waived under 84828
division (A)(4)(a) of this section, and shall keep a record of 84829
where and when the individual has sought work in complying with 84830
those instructions and, upon request, shall produce that record 84831
for examination by the director. 84832

(c) An individual who is attending a training course approved 84833
by the director meets the requirement of this division, if 84834
attendance was recommended by the director and the individual is 84835
regularly attending the course and is making satisfactory 84836
progress. An individual also meets the requirements of this 84837
division if the individual is participating and advancing in a 84838
training program, as defined in division (P) of section 5709.61 of 84839

the Revised Code, and if an enterprise, defined in division (B) of 84840
section 5709.61 of the Revised Code, is paying all or part of the 84841
cost of the individual's participation in the training program 84842
with the intention of hiring the individual for employment as a 84843
new employee, as defined in division (L) of section 5709.61 of the 84844
Revised Code, for at least ninety days after the individual's 84845
completion of the training program. 84846

(d) An individual who becomes unemployed while attending a 84847
regularly established school and whose base period qualifying 84848
weeks were earned in whole or in part while attending that school, 84849
meets the availability and active search for work requirements of 84850
division (A)(4)(a) of this section if the individual regularly 84851
attends the school during weeks with respect to which the 84852
individual claims unemployment benefits and makes self available 84853
on any shift of hours for suitable employment with the 84854
individual's most recent employer or any other employer in the 84855
individual's base period, or for any other suitable employment to 84856
which the individual is directed, under this chapter. 84857

(e) The director shall adopt any rules that the director 84858
deems necessary for the administration of division (A)(4) of this 84859
section. 84860

(f) Notwithstanding any other provisions of this section, no 84861
otherwise eligible individual shall be denied benefits for any 84862
week because the individual is in training approved under section 84863
236(a)(1) of the "Trade Act of 1974," 88 Stat. 1978, 19 U.S.C.A. 84864
2296, nor shall that individual be denied benefits by reason of 84865
leaving work to enter such training, provided the work left is not 84866
suitable employment, or because of the application to any week in 84867
training of provisions in this chapter, or any applicable federal 84868
unemployment compensation law, relating to availability for work, 84869
active search for work, or refusal to accept work. 84870

For the purposes of division (A)(4)(f) of this section, 84871

"suitable employment" means with respect to an individual, work of 84872
a substantially equal or higher skill level than the individual's 84873
past adversely affected employment, as defined for the purposes of 84874
the "Trade Act of 1974," 88 Stat. 1978, 19 U.S.C.A. 2101, and 84875
wages for such work at not less than eighty per cent of the 84876
individual's average weekly wage as determined for the purposes of 84877
that federal act. 84878

(5) Is unable to obtain suitable work. An individual who is 84879
provided temporary work assignments by the individual's employer 84880
under agreed terms and conditions of employment, and who is 84881
required pursuant to those terms and conditions to inquire with 84882
the individual's employer for available work assignments upon the 84883
conclusion of each work assignment, is not considered unable to 84884
obtain suitable employment if suitable work assignments are 84885
available with the employer but the individual fails to contact 84886
the employer to inquire about work assignments. 84887

(6) Participates in reemployment services, such as job search 84888
assistance services, if the individual has been determined to be 84889
likely to exhaust benefits under this chapter, including 84890
compensation payable pursuant to 5 U.S.C.A. Chapter 85, other than 84891
extended compensation, and needs reemployment services pursuant to 84892
the profiling system established by the director under division 84893
(K) of this section, unless the director determines that: 84894

(a) The individual has completed such services; or 84895

(b) There is justifiable cause for the claimant's failure to 84896
participate in such services. 84897

(B) An individual suffering total or partial unemployment is 84898
eligible for benefits for unemployment occurring subsequent to a 84899
waiting period of one week and no benefits shall be payable during 84900
this required waiting period. Not more than one week of waiting 84901
period shall be required of any individual in any benefit year in 84902

order to establish the individual's eligibility for total or 84903
partial unemployment benefits. 84904

(C) The waiting period for total or partial unemployment 84905
shall commence on the first day of the first week with respect to 84906
which the individual first files a claim for benefits at an 84907
employment office or other place of registration maintained or 84908
designated by the director or on the first day of the first week 84909
with respect to which the individual has otherwise filed a claim 84910
for benefits in accordance with the rules of the department of job 84911
and family services, provided such claim is allowed by the 84912
director. 84913

(D) Notwithstanding division (A) of this section, no 84914
individual may serve a waiting period or be paid benefits under 84915
the following conditions: 84916

(1) For any week with respect to which the director finds 84917
that: 84918

(a) The individual's unemployment was due to a labor dispute 84919
other than a lockout at any factory, establishment, or other 84920
premises located in this or any other state and owned or operated 84921
by the employer by which the individual is or was last employed; 84922
and for so long as the individual's unemployment is due to such 84923
labor dispute. No individual shall be disqualified under this 84924
provision if either of the following applies: 84925

(i) The individual's employment was with such employer at any 84926
factory, establishment, or premises located in this state, owned 84927
or operated by such employer, other than the factory, 84928
establishment, or premises at which the labor dispute exists, if 84929
it is shown that the individual is not financing, participating 84930
in, or directly interested in such labor dispute; 84931

(ii) The individual's employment was with an employer not 84932
involved in the labor dispute but whose place of business was 84933

located within the same premises as the employer engaged in the 84934
dispute, unless the individual's employer is a wholly owned 84935
subsidiary of the employer engaged in the dispute, or unless the 84936
individual actively participates in or voluntarily stops work 84937
because of such dispute. If it is established that the claimant 84938
was laid off for an indefinite period and not recalled to work 84939
prior to the dispute, or was separated by the employer prior to 84940
the dispute for reasons other than the labor dispute, or that the 84941
individual obtained a bona fide job with another employer while 84942
the dispute was still in progress, such labor dispute shall not 84943
render the employee ineligible for benefits. 84944

(b) The individual has been given a disciplinary layoff for 84945
misconduct in connection with the individual's work. 84946

(2) For the duration of the individual's unemployment if the 84947
director finds that: 84948

(a) The individual quit work without just cause or has been 84949
discharged for just cause in connection with the individual's 84950
work, provided division (D)(2) of this section does not apply to 84951
the separation of a person under any of the following 84952
circumstances: 84953

(i) Separation from employment for the purpose of entering 84954
the armed forces of the United States if the individual is 84955
inducted into the armed forces within one of the following 84956
periods: 84957

(I) Thirty days after separation; 84958

(II) One hundred eighty days after separation if the 84959
individual's date of induction is delayed solely at the discretion 84960
of the armed forces. 84961

(ii) Separation from employment pursuant to a 84962
labor-management contract or agreement, or pursuant to an 84963
established employer plan, program, or policy, which permits the 84964

employee, because of lack of work, to accept a separation from 84965
employment; 84966

(iii) The individual has left employment to accept a recall 84967
from a prior employer or, except as provided in division 84968
(D)(2)(a)(iv) of this section, to accept other employment as 84969
provided under section 4141.291 of the Revised Code, or left or 84970
was separated from employment that was concurrent employment at 84971
the time of the most recent separation or within six weeks prior 84972
to the most recent separation where the remuneration, hours, or 84973
other conditions of such concurrent employment were substantially 84974
less favorable than the individual's most recent employment and 84975
where such employment, if offered as new work, would be considered 84976
not suitable under the provisions of divisions (E) and (F) of this 84977
section. Any benefits that would otherwise be chargeable to the 84978
account of the employer from whom an individual has left 84979
employment or was separated from employment that was concurrent 84980
employment under conditions described in division (D)(2)(a)(iii) 84981
of this section, shall instead be charged to the mutualized 84982
account created by division (B) of section 4141.25 of the Revised 84983
Code, except that any benefits chargeable to the account of a 84984
reimbursing employer under division (D)(2)(a)(iii) of this section 84985
shall be charged to the account of the reimbursing employer and 84986
not to the mutualized account, except as provided in division 84987
(D)(2) of section 4141.24 of the Revised Code. 84988

(iv) When an individual has been issued a definite layoff 84989
date by the individual's employer and before the layoff date, the 84990
individual quits to accept other employment, the provisions of 84991
division (D)(2)(a)(iii) of this section apply and no 84992
disqualification shall be imposed under division (D) of this 84993
section. However, if the individual fails to meet the employment 84994
and earnings requirements of division (A)(2) of section 4141.291 84995
of the Revised Code, then the individual, pursuant to division 84996

(A)(5) of this section, shall be ineligible for benefits for any 84997
week of unemployment that occurs prior to the layoff date. 84998

(v) The individual's spouse is a member of the armed forces 84999
of the United States who is on active duty as defined in 10 U.S.C. 85000
101(d)(1), the spouse is the subject of a military transfer, the 85001
individual left employment to accompany the individual's spouse to 85002
a location from which it is impractical to commute to the 85003
individual's place of employment, and upon arrival at the new 85004
place of residence, the individual is in all respects able and 85005
available for suitable work. 85006

(b) The individual has refused without good cause to accept 85007
an offer of suitable work when made by an employer either in 85008
person or to the individual's last known address, or has refused 85009
or failed to investigate a referral to suitable work when directed 85010
to do so by a local employment office of this state or another 85011
state, provided that this division shall not cause a 85012
disqualification for a waiting week or benefits under the 85013
following circumstances: 85014

(i) When work is offered by the individual's employer and the 85015
individual is not required to accept the offer pursuant to the 85016
terms of the labor-management contract or agreement; or 85017

(ii) When the individual is attending a training course 85018
pursuant to division (A)(4) of this section except, in the event 85019
of a refusal to accept an offer of suitable work or a refusal or 85020
failure to investigate a referral, benefits thereafter paid to 85021
such individual shall not be charged to the account of any 85022
employer and, except as provided in division (B)(1)(b) of section 85023
4141.241 of the Revised Code, shall be charged to the mutualized 85024
account as provided in division (B) of section 4141.25 of the 85025
Revised Code. 85026

(c) Such individual quit work to marry or because of marital, 85027

parental, filial, or other domestic obligations. 85028

(d) The individual became unemployed by reason of commitment 85029
to any correctional institution. 85030

(e) The individual became unemployed because of dishonesty in 85031
connection with the individual's most recent or any base period 85032
work. Remuneration earned in such work shall be excluded from the 85033
individual's total base period remuneration and qualifying weeks 85034
that otherwise would be credited to the individual for such work 85035
in the individual's base period shall not be credited for the 85036
purpose of determining the total benefits to which the individual 85037
is eligible and the weekly benefit amount to be paid under section 85038
4141.30 of the Revised Code. Such excluded remuneration and 85039
noncredited qualifying weeks shall be excluded from the 85040
calculation of the maximum amount to be charged, under division 85041
(D) of section 4141.24 and section 4141.33 of the Revised Code, 85042
against the accounts of the individual's base period employers. In 85043
addition, no benefits shall thereafter be paid to the individual 85044
based upon such excluded remuneration or noncredited qualifying 85045
weeks. 85046

For purposes of division (D)(2)(e) of this section, 85047
"dishonesty" means the commission of substantive theft, fraud, or 85048
deceitful acts. 85049

(E) No individual otherwise qualified to receive benefits 85050
shall lose the right to benefits by reason of a refusal to accept 85051
new work if: 85052

(1) As a condition of being so employed the individual would 85053
be required to join a company union, or to resign from or refrain 85054
from joining any bona fide labor organization, or would be denied 85055
the right to retain membership in and observe the lawful rules of 85056
any such organization. 85057

(2) The position offered is vacant due directly to a strike, 85058

lockout, or other labor dispute. 85059

(3) The work is at an unreasonable distance from the 85060
individual's residence, having regard to the character of the work 85061
the individual has been accustomed to do, and travel to the place 85062
of work involves expenses substantially greater than that required 85063
for the individual's former work, unless the expense is provided 85064
for. 85065

(4) The remuneration, hours, or other conditions of the work 85066
offered are substantially less favorable to the individual than 85067
those prevailing for similar work in the locality. 85068

(F) Subject to the special exceptions contained in division 85069
(A)(4)(f) of this section and section 4141.301 of the Revised 85070
Code, in determining whether any work is suitable for a claimant 85071
in the administration of this chapter, the director, in addition 85072
to the determination required under division (E) of this section, 85073
shall consider the degree of risk to the claimant's health, 85074
safety, and morals, the individual's physical fitness for the 85075
work, the individual's prior training and experience, the length 85076
of the individual's unemployment, the distance of the available 85077
work from the individual's residence, and the individual's 85078
prospects for obtaining local work. 85079

(G) The "duration of unemployment" as used in this section 85080
means the full period of unemployment next ensuing after a 85081
separation from any base period or subsequent work and until an 85082
individual has become reemployed in employment subject to this 85083
chapter, or the unemployment compensation act of another state, or 85084
of the United States, and until such individual has worked six 85085
weeks and for those weeks has earned or been paid remuneration 85086
equal to six times an average weekly wage of not less than: 85087
eighty-five dollars and ten cents per week beginning on June 26, 85088
1990; and beginning on and after January 1, 1992, twenty-seven and 85089
one-half per cent of the statewide average weekly wage as computed 85090

each first day of January under division (B)(3) of section 4141.30 85091
of the Revised Code, rounded down to the nearest dollar, except 85092
for purposes of division (D)(2)(c) of this section, such term 85093
means the full period of unemployment next ensuing after a 85094
separation from such work and until such individual has become 85095
reemployed subject to the terms set forth above, and has earned 85096
wages equal to one-half of the individual's average weekly wage or 85097
sixty dollars, whichever is less. 85098

(H) If a claimant is disqualified under division (D)(2)(a), 85099
(c), or (d) of this section or found to be qualified under the 85100
exceptions provided in division (D)(2)(a)(i), (iii), ~~or~~ (iv), or 85101
(v) of this section or division (A)(2) of section 4141.291 of the 85102
Revised Code, then benefits that may become payable to such 85103
claimant, which are chargeable to the account of the employer from 85104
whom the individual was separated under such conditions, shall be 85105
charged to the mutualized account provided in section 4141.25 of 85106
the Revised Code, provided that no charge shall be made to the 85107
mutualized account for benefits chargeable to a reimbursing 85108
employer, except as provided in division (D)(2) of section 4141.24 85109
of the Revised Code. In the case of a reimbursing employer, the 85110
director shall refund or credit to the account of the reimbursing 85111
employer any over-paid benefits that are recovered under division 85112
(B) of section 4141.35 of the Revised Code. Amounts chargeable to 85113
other states, the United States, or Canada that are subject to 85114
agreements and arrangements that are established pursuant to 85115
section 4141.43 of the Revised Code shall be credited or 85116
reimbursed according to the agreements and arrangements to which 85117
the chargeable amounts are subject. 85118

(I)(1) Benefits based on service in employment as provided in 85119
divisions (B)(2)(a) and (b) of section 4141.01 of the Revised Code 85120
shall be payable in the same amount, on the same terms, and 85121
subject to the same conditions as benefits payable on the basis of 85122

other service subject to this chapter; except that after December 31, 1977: 85123
85124

(a) Benefits based on service in an instructional, research, or principal administrative capacity in an institution of higher education, as defined in division (Y) of section 4141.01 of the Revised Code; or for an educational institution as defined in division (CC) of section 4141.01 of the Revised Code, shall not be paid to any individual for any week of unemployment that begins during the period between two successive academic years or terms, or during a similar period between two regular but not successive terms or during a period of paid sabbatical leave provided for in the individual's contract, if the individual performs such services in the first of those academic years or terms and has a contract or a reasonable assurance that the individual will perform services in any such capacity for any such institution in the second of those academic years or terms. 85125
85126
85127
85128
85129
85130
85131
85132
85133
85134
85135
85136
85137
85138

(b) Benefits based on service for an educational institution or an institution of higher education in other than an instructional, research, or principal administrative capacity, shall not be paid to any individual for any week of unemployment which begins during the period between two successive academic years or terms of the employing educational institution or institution of higher education, provided the individual performed those services for the educational institution or institution of higher education during the first such academic year or term and, there is a reasonable assurance that such individual will perform those services for any educational institution or institution of higher education in the second of such academic years or terms. 85139
85140

85143
85144
85145
85146
85147
85148
85149
85150

If compensation is denied to any individual for any week under division (I)(1)(b) of this section and the individual was not offered an opportunity to perform those services for an institution of higher education or for an educational institution 85151
85152
85153
85154

for the second of such academic years or terms, the individual is 85155
entitled to a retroactive payment of compensation for each week 85156
for which the individual timely filed a claim for compensation and 85157
for which compensation was denied solely by reason of division 85158
(I)(1)(b) of this section. An application for retroactive benefits 85159
shall be timely filed if received by the director or the 85160
director's deputy within or prior to the end of the fourth full 85161
calendar week after the end of the period for which benefits were 85162
denied because of reasonable assurance of employment. The 85163
provision for the payment of retroactive benefits under division 85164
(I)(1)(b) of this section is applicable to weeks of unemployment 85165
beginning on and after November 18, 1983. The provisions under 85166
division (I)(1)(b) of this section shall be retroactive to 85167

secretary of labor determines that retroactivity is required by 85171
federal law. 85172

(c) With respect to weeks of unemployment beginning after 85173
December 31, 1977, benefits shall be denied to any individual for 85174
any week which commences during an established and customary 85175
vacation period or holiday recess, if the individual performs any 85176

authorized agents or employees of the division or by any peace 85464
officer, as defined in section 2935.01 of the Revised Code. 85465
Inspections may be conducted at other hours only to determine 85466
compliance with laws or commission rules that regulate the hours 85467

of sale of beer or intoxicating liquor and only if the 85468
investigator has reasonable cause to believe that those laws or 85469

conducted in a reasonable manner in accordance with this section 85486
or any rules adopted by the commission may be considered grounds 85487
for suppression of evidence. A finding by the commission that an 85488
inspection was not conducted in a reasonable manner in accordance 85489
with this section or any rules adopted by it may be considered 85490
grounds for dismissal of the commission case. 85491

If any court of competent jurisdiction finds that property 85492
confiscated as the result of an administrative inspection is not 85493
necessary for evidentiary purposes and is not contraband, as 85494
defined in section 2901.01 of the Revised Code, the court shall 85495
order the immediate return of the confiscated property, provided 85496
that property is not otherwise subject to forfeiture, to the 85497
permit holder. However, the return of this property is not grounds 85498
for dismissal of the case. The commission likewise may order the 85499

return of confiscated property if no criminal prosecution is 85500
pending or anticipated. 85501

(7) Delegate to any of its agents or employees any power of 85502
investigation that the division possesses with respect to the 85503
enforcement of any of the administrative laws relating to beer or 85504

entitled to a tax credit under 27 C.F.R. 24.278 shall pay an 85536
annual seventy-six-dollar supplier registration fee. A B-2a or S 85537

distributors of wine in this state and an S permit holder that 85539
does not sell its beer to wholesale distributors of beer in this 85540
state shall not be required to submit to the division territory 85541
designation forms. 85542

marketing professional, or salesperson registration is valid for 85547
two years or for the unexpired portion of a two-year registration 85548
period. Each supplier registration is valid for one year or for 85549
the unexpired portion of a one-year registration period. 85550

date, which shall be designated by the division, and are subject 85552
to suspension, revocation, cancellation, or fine as authorized by 85553
this chapter and Chapter 4303. of the Revised Code. 85554

As used in this division, "trade marketing company" and 85555
"trade marketing professional" have the same meanings as in 85556

to the applicant a removable windshield placard, which shall bear 87716
the date of expiration on both sides of the placard and shall be 87717
valid until expired, revoked, or surrendered. Every removable 87718
windshield placard expires as described in division (D)(2) of this 87719
section, but in no case shall a removable windshield placard be 87720
valid for a period of less than sixty days. Removable windshield 87721
placards shall be renewable upon application as provided in 87722
division (B) of this section, and a service fee equal to the 87723
amount specified in division (D) or (G) of section 4503.10 of the 87724
Revised Code shall be charged for the renewal of a removable 87725
windshield placard. The registrar shall provide the application 87726
form and shall determine the information to be included thereon. 87727
The registrar also shall determine the form and size of the 87728
removable windshield placard, the material of which it is to be 87729
made, and any other information to be included thereon, and shall 87730
adopt rules relating to the issuance, expiration, revocation, 87731
surrender, and proper display of such placards. Any placard issued 87732
after October 14, 1999, shall be manufactured in a manner that 87733
allows the expiration date of the placard to be indicated on it 87734
through the punching, drilling, boring, or creation by any other 87735
means of holes in the placard. 87736

(2) At the time a removable windshield placard is issued to a 87737

person with a disability that limits or impairs the ability to 87738
walk, the registrar or deputy registrar shall enter into the 87739
records of the bureau of motor vehicles the last date on which the 87740
person will have that disability, as indicated on the accompanying 87741
prescription. Not less than thirty days prior to that date and all 87742
removable windshield placard renewal dates, the bureau shall send 87743
a renewal notice to that person at the person's last known address 87744
as shown in the records of the bureau, informing the person that 87745
the person's removable windshield placard will expire on the 87746
indicated date not to exceed five years from the date of issuance, 87747
and that the person is required to renew the placard by submitting 87748
to the registrar or a deputy registrar another prescription, as 87749
described in division (B) of this section, and by complying with 87750
the renewal provisions prescribed in division (D)(1) of this 87751
section. If such a prescription is not received by the registrar 87752
or a deputy registrar by that date, the placard issued to that 87753
person expires and no longer is valid, and this fact shall be 87754
recorded in the records of the bureau. 87755

(3) At least once every year, on a date determined by the 87756
registrar, the bureau shall examine the records of the office of 87757
vital statistics, located within the department of health, that 87758
pertain to deceased persons, and also the bureau's records of all 87759
persons who have been issued removable windshield placards and 87760
temporary removable windshield placards. If the records of the 87761
office of vital statistics indicate that a person to whom a 87762
removable windshield placard or temporary removable windshield 87763
placard has been issued is deceased, the bureau shall cancel that 87764
placard, and note the cancellation in its records. 87765

The office of vital statistics shall make available to the 87766
bureau all information necessary to enable the bureau to comply 87767
with division (D)(3) of this section. 87768

(4) Nothing in this section shall be construed to require a 87769

person or organization to apply for a removable windshield placard 87770
or special license plates if the parking card or special license 87771
plates issued to the person or organization under prior law have 87772
not expired or been surrendered or revoked. 87773

(E)(1)(a) Any person with a disability that limits or impairs 87774
the ability to walk may apply to the registrar or a deputy 87775
registrar for a temporary removable windshield placard. The 87776
application for a temporary removable windshield placard shall be 87777
accompanied by a prescription from the applicant's health care 87778
provider prescribing such a placard for the applicant, provided 87779
that the applicant meets at least one of the criteria contained in 87780
division (A)(1) of this section and that the disability is 87781
expected to continue for six consecutive months or less. The 87782
health care provider shall state on the prescription the length of 87783
time the health care provider expects the applicant to have the 87784
disability that limits or impairs the applicant's ability to walk, 87785
which cannot exceed six months from the date of the prescription. 87786
Upon receipt of an application for a temporary removable 87787
windshield placard, presentation of the prescription from the 87788
applicant's health care provider, and payment of a service fee 87789
equal to the amount specified in division (D) or (G) of section 87790
4503.10 of the Revised Code, the registrar or deputy registrar 87791
shall issue to the applicant a temporary removable windshield 87792
placard. 87793

(b) Any active-duty member of the armed forces of the United 87794
States, including the reserve components of the armed forces and 87795
the national guard, who has an illness or injury that limits or 87796
impairs the ability to walk may apply to the registrar or a deputy 87797
registrar for a temporary removable windshield placard. With the 87798
application, the person shall present evidence of the person's 87799
active-duty status and the illness or injury. Evidence of the 87800
illness or injury may include a current department of defense 87801

convalescent leave statement, any department of defense document 87802
indicating that the person currently has an ill or injured 87803
casualty status or has limited duties, or a prescription from any 87804
health care provider prescribing the placard for the applicant. 87805
Upon receipt of the application and the necessary evidence, the 87806
registrar or deputy registrar shall issue the applicant the 87807
temporary removable windshield placard without the payment of any 87808
service fee. 87809

(2) The temporary removable windshield placard shall be of 87810
the same size and form as the removable windshield placard, shall 87811
be printed in white on a red-colored background, and shall bear 87812
the word "temporary" in letters of such size as the registrar 87813
shall prescribe. A temporary removable windshield placard also 87814
shall bear the date of expiration on the front and back of the 87815
placard, and shall be valid until expired, surrendered, or 87816
revoked, but in no case shall such a placard be valid for a period 87817
of less than sixty days. The registrar shall provide the 87818
application form and shall determine the information to be 87819
included on it, provided that the registrar shall not require a 87820
health care provider's prescription or certification for a person 87821
applying under division (E)(1)(b) of this section. The registrar 87822
also shall determine the material of which the temporary removable 87823
windshield placard is to be made and any other information to be 87824
included on the placard and shall adopt rules relating to the 87825
issuance, expiration, surrender, revocation, and proper display of 87826
those placards. Any temporary removable windshield placard issued 87827
after October 14, 1999, shall be manufactured in a manner that 87828
allows for the expiration date of the placard to be indicated on 87829
it through the punching, drilling, boring, or creation by any 87830
other means of holes in the placard. 87831

(F) If an applicant for a removable windshield placard is a 87832
veteran of the armed forces of the United States whose disability, 87833

as defined in division (A)(1) of this section, is 87834
service-connected, the registrar or deputy registrar, upon receipt 87835
of the application, presentation of a signed statement from the 87836
applicant's health care provider certifying the applicant's 87837

send the placard or parking card, if available, to the registrar, 87847
who thereupon shall revoke the privilege of using the placard or 87848
parking card and send notice in writing to the placardholder or 87849
cardholder at that holder's last known address as shown in the 87850

return the placard or card if not previously surrendered to the 87852
court, to the registrar within ten days following mailing of the 87853

plasma, breath, urine, or other bodily substance at the time of 89095
the alleged violation as shown by chemical analysis of the 89096
substance withdrawn within three hours of the time of the alleged 89097
violation. The three-hour time limit specified in this division 89098
regarding the admission of evidence does not extend or affect the 89099
two-hour time limit specified in division (A) of section 4511.192 89100
of the Revised Code as the maximum period of time during which a 89101
person may consent to a chemical test or tests as described in 89102
that section. The court may admit evidence on the concentration of 89103
alcohol, drugs of abuse, or a combination of them as described in 89104
this division when a person submits to a blood, breath, urine, or 89105
other bodily substance test at the request of a law enforcement 89106
officer under section 4511.191 of the Revised Code or a blood or 89107

determining the alcohol, drug, controlled substance, metabolite of 89113
a controlled substance, or combination content of the whole blood, 89114
blood serum, or blood plasma. This limitation does not apply to 89115

the taking of breath or urine specimens. A person authorized to 89116
withdraw blood under this division may refuse to withdraw blood 89117
under this division, if in that person's opinion, the physical 89118
welfare of the person would be endangered by the withdrawing of 89119
blood. 89120

The bodily substance withdrawn under division (D)(1)(b) of 89121
this section shall be analyzed in accordance with methods approved 89122
by the director of health by an individual possessing a valid 89123
permit issued by the director pursuant to section 3701.143 of the 89124
Revised Code. 89125

(c) As used in division (D)(1)(b) of this section, "emergency 89126
medical technician-intermediate" and "emergency medical 89127
technician-paramedic" have the same meanings as in section 4765.01 89128
of the Revised Code. 89129

(2) In a criminal prosecution or juvenile court proceeding 89130
for a violation of division (A) of this section or for an 89131
equivalent offense that is vehicle-related, if there was at the 89132
time the bodily substance was withdrawn a concentration of less 89133
than the applicable concentration of alcohol specified in 89134
divisions (A)(1)(b), (c), (d), and (e) of this section or less 89135
than the applicable concentration of a listed controlled substance 89136
or a listed metabolite of a controlled substance specified for a 89137
violation of division (A)(1)(j) of this section, that fact may be 89138
considered with other competent evidence in determining the guilt 89139
or innocence of the defendant. This division does not limit or 89140
affect a criminal prosecution or juvenile court proceeding for a 89141
violation of division (B) of this section or for an equivalent 89142
offense that is substantially equivalent to that division. 89143

(3) Upon the request of the person who was tested, the 89144
results of the chemical test shall be made available to the person 89145
or the person's attorney, immediately upon the completion of the 89146
chemical test analysis. 89147

If the chemical test was obtained pursuant to division 89148
(D)(1)(b) of this section, the person tested may have a physician, 89149
a registered nurse, or a qualified technician, chemist, or 89150
phlebotomist of the person's own choosing administer a chemical 89151
test or tests, at the person's expense, in addition to any 89152
administered at the request of a law enforcement officer. If the 89153
person was under arrest as described in division (A)(5) of section 89154
4511.191 of the Revised Code, the arresting officer shall advise 89155
the person at the time of the arrest that the person may have an 89156
independent chemical test taken at the person's own expense. If 89157
the person was under arrest other than described in division 89158
(A)(5) of section 4511.191 of the Revised Code, the form to be 89159
read to the person to be tested, as required under section 89160
4511.192 of the Revised Code, shall state that the person may have 89161
an independent test performed at the person's expense. The failure 89162
or inability to obtain an additional chemical test by a person 89163
shall not preclude the admission of evidence relating to the 89164
chemical test or tests taken at the request of a law enforcement 89165
officer. 89166

(4)(a) As used in divisions (D)(4)(b) and (c) of this 89167
section, "national highway traffic safety administration" means 89168
the national highway traffic safety administration established as 89169
an administration of the United States department of 89170
transportation under 96 Stat. 2415 (1983), 49 U.S.C.A. 105. 89171

(b) In any criminal prosecution or juvenile court proceeding 89172
for a violation of division (A) or (B) of this section, of a 89173
municipal ordinance relating to operating a vehicle while under 89174
the influence of alcohol, a drug of abuse, or alcohol and a drug 89175
of abuse, or of a municipal ordinance relating to operating a 89176
vehicle with a prohibited concentration of alcohol, a controlled 89177
substance, or a metabolite of a controlled substance in the whole 89178
blood, blood serum or plasma, breath, or urine, if a law 89179

enforcement officer has administered a field sobriety test to the operator of the vehicle involved in the violation and if it is shown by clear and convincing evidence that the officer administered the test in substantial compliance with the testing standards for any reliable, credible, and generally accepted field sobriety tests that were in effect at the time the tests were administered, including, but not limited to, any testing standards then in effect that were set by the national highway traffic safety administration, all of the following apply:

(i) The officer may testify concerning the results of the field sobriety test so administered.

(ii) The prosecution may introduce the results of the field sobriety test so administered as evidence in any proceedings in the criminal prosecution or juvenile court proceeding.

(iii) If testimony is presented or evidence is introduced under division (D)(4)(b)(i) or (ii) of this section and if the testimony or evidence is admissible under the Rules of Evidence, the court shall admit the testimony or evidence and the trier of fact shall give it whatever weight the trier of fact considers to be appropriate.

(c) Division (D)(4)(b) of this section does not limit or preclude a court, in its determination of whether the arrest of a person was supported by probable cause or its determination of any other matter in a criminal prosecution or juvenile court proceeding of a type described in that division, from considering evidence or testimony that is not otherwise disallowed by division (D)(4)(b) of this section.

(E)(1) Subject to division (E)(3) of this section, in any criminal prosecution or juvenile court proceeding for a violation of division (A)(1)(b), (c), (d), (e), (f), (g), (h), (i), or (j) or (B)(1), (2), (3), or (4) of this section or for an equivalent

offense that is substantially equivalent to any of those 89211
divisions, a laboratory report from any laboratory personnel 89212
issued a permit by the department of health authorizing an 89213
analysis as described in this division that contains an analysis 89214
of the whole blood, blood serum or plasma, breath, urine, or other 89215
bodily substance tested and that contains all of the information 89216
specified in this division shall be admitted as prima-facie 89217
evidence of the information and statements that the report 89218
contains. The laboratory report shall contain all of the 89219
following: 89220

(a) The signature, under oath, of any person who performed 89221
the analysis; 89222

(b) Any findings as to the identity and quantity of alcohol, 89223
a drug of abuse, a controlled substance, a metabolite of a 89224
controlled substance, or a combination of them that was found; 89225

(c) A copy of a notarized statement by the laboratory 89226
director or a designee of the director that contains the name of 89227
each certified analyst or test performer involved with the report, 89228
the analyst's or test performer's employment relationship with the 89229
laboratory that issued the report, and a notation that performing 89230
an analysis of the type involved is part of the analyst's or test 89231
performer's regular duties; 89232

(d) An outline of the analyst's or test performer's 89233
education, training, and experience in performing the type of 89234
analysis involved and a certification that the laboratory 89235
satisfies appropriate quality control standards in general and, in 89236
this particular analysis, under rules of the department of health. 89237

(2) Notwithstanding any other provision of law regarding the 89238
admission of evidence, a report of the type described in division 89239
(E)(1) of this section is not admissible against the defendant to 89240
whom it pertains in any proceeding, other than a preliminary 89241

hearing or a grand jury proceeding, unless the prosecutor has 89242
served a copy of the report on the defendant's attorney or, if the 89243
defendant has no attorney, on the defendant. 89244

(3) A report of the type described in division (E)(1) of this 89245
section shall not be prima-facie evidence of the contents, 89246
identity, or amount of any substance if, within seven days after 89247
the defendant to whom the report pertains or the defendant's 89248
attorney receives a copy of the report, the defendant or the 89249
defendant's attorney demands the testimony of the person who 89250
signed the report. The judge in the case may extend the seven-day 89251
time limit in the interest of justice. 89252

(F) Except as otherwise provided in this division, any 89253
physician, registered nurse, emergency medical 89254
technician-intermediate, emergency medical technician-paramedic, 89255
or qualified technician, chemist, or phlebotomist who withdraws 89256
blood from a person pursuant to this section or section 4511.191 89257
or 4511.192 of the Revised Code, and any hospital, first-aid 89258

Revised Code, is immune from criminal liability and civil 89261
liability based upon a claim of assault and battery or any other 89262
claim that is not a claim of malpractice, for any act performed in 89263
withdrawing blood from the person. The immunity provided in this 89264
division also extends to an emergency medical service organization 89265
that employs an emergency medical technician-intermediate or 89266
emergency medical technician-paramedic who withdraws blood under 89267
this section. The immunity provided in this division is not 89268
available to a person who withdraws blood if the person engages in 89269
willful or wanton misconduct. 89270

As used in this division, "emergency medical 89271
technician-intermediate" and "emergency medical 89272
technician-paramedic" have the same meanings as in section 4765.01 89273

of the Revised Code. 89274

(G)(1) Whoever violates any provision of divisions (A)(1)(a) 89275
to (i) or (A)(2) of this section is guilty of operating a vehicle 89276
under the influence of alcohol, a drug of abuse, or a combination 89277
of them. Whoever violates division (A)(1)(j) of this section is 89278
guilty of operating a vehicle while under the influence of a 89279
listed controlled substance or a listed metabolite of a controlled 89280
substance. The court shall sentence the offender for either 89281
offense under Chapter 2929. of the Revised Code, except as 89282
otherwise authorized or required by divisions (G)(1)(a) to (e) of 89283
this section: 89284

(a) Except as otherwise provided in division (G)(1)(b), (c), 89285
(d), or (e) of this section, the offender is guilty of a 89286
misdemeanor of the first degree, and the court shall sentence the 89287
offender to all of the following: 89288

(i) If the sentence is being imposed for a violation of 89289
division (A)(1)(a), (b), (c), (d), (e), or (j) of this section, a 89290
mandatory jail term of three consecutive days. As used in this 89291
division, three consecutive days means seventy-two consecutive 89292
hours. The court may sentence an offender to both an intervention 89293
program and a jail term. The court may impose a jail term in 89294
addition to the three-day mandatory jail term or intervention 89295
program. However, in no case shall the cumulative jail term 89296
imposed for the offense exceed six months. 89297

The court may suspend the execution of the three-day jail 89298
term under this division if the court, in lieu of that suspended 89299
term, places the offender under a community control sanction 89300
pursuant to section 2929.25 of the Revised Code and requires the 89301
offender to attend, for three consecutive days, a drivers' 89302
intervention program certified under section ~~3793.10~~ 5119.38 of 89303
the Revised Code. The court also may suspend the execution of any 89304
part of the three-day jail term under this division if it places 89305

the offender under a community control sanction pursuant to 89306
section 2929.25 of the Revised Code for part of the three days, 89307
requires the offender to attend for the suspended part of the term 89308
a drivers' intervention program so certified, and sentences the 89309
offender to a jail term equal to the remainder of the three 89310
consecutive days that the offender does not spend attending the 89311
program. The court may require the offender, as a condition of 89312
community control and in addition to the required attendance at a 89313
drivers' intervention program, to attend and satisfactorily 89314
complete any treatment or education programs that comply with the 89315
minimum standards adopted pursuant to Chapter ~~3793.~~ 5119. of the 89316
Revised Code by the director of ~~alcohol and drug addiction~~ 89317
~~services~~ mental health and addiction services that the operators 89318
of the drivers' intervention program determine that the offender 89319
should attend and to report periodically to the court on the 89320
offender's progress in the programs. The court also may impose on 89321
the offender any other conditions of community control that it 89322
considers necessary. 89323

(ii) If the sentence is being imposed for a violation of 89324
division (A)(1)(f), (g), (h), or (i) or division (A)(2) of this 89325
section, except as otherwise provided in this division, a 89326
mandatory jail term of at least three consecutive days and a 89327
requirement that the offender attend, for three consecutive days, 89328
a drivers' intervention program that is certified pursuant to 89329
section ~~3793.10~~ 5119.38 of the Revised Code. As used in this 89330
division, three consecutive days means seventy-two consecutive 89331
hours. If the court determines that the offender is not conducive 89332
to treatment in a drivers' intervention program, if the offender 89333
refuses to attend a drivers' intervention program, or if the jail 89334
at which the offender is to serve the jail term imposed can 89335
provide a driver's intervention program, the court shall sentence 89336
the offender to a mandatory jail term of at least six consecutive 89337
days. 89338

The court may require the offender, under a community control 89339
sanction imposed under section 2929.25 of the Revised Code, to 89340
attend and satisfactorily complete any treatment or education 89341
programs that comply with the minimum standards adopted pursuant 89342
to Chapter ~~3793~~. 5119. of the Revised Code by the director of 89343
~~alcohol and drug addiction services~~ mental health and addiction 89344

intervention program, that the operators of the drivers' 89346
intervention program determine that the offender should attend and 89347
to report periodically to the court on the offender's progress in 89348
the programs. The court also may impose any other conditions of 89349
community control on the offender that it considers necessary. 89350

(iii) In all cases, a fine of not less than three hundred 89351
seventy-five and not more than one thousand seventy-five dollars; 89352

(iv) In all cases, a class five license suspension of the 89353
offender's driver's or commercial driver's license or permit or 89354
nonresident operating privilege from the range specified in 89355

However, if the court determines that an offender who stays in an 89907
alcohol treatment program under an order issued under this section 89908
is unable to pay the cost of the stay in the program, the court 89909
may order that the cost be paid from the court's indigent drivers' 89910

reporting of alcohol consumption by a person and that a court 89959
orders a person to use as a sanction imposed as a result of the 89960
person's conviction of or plea of guilty to an offense. 89961

fines that are paid under division (G) of section 4511.19 of the 90593
Revised Code and that are credited by division (G)(5)(e) of that 90594
section to the indigent drivers interlock and alcohol monitoring 90595
fund in the state treasury shall be deposited in the appropriate 90596
fund in accordance with division (I)(2) of this section. 90597

(2) That portion of the license reinstatement fee that is 90598
paid under division (F) of this section and that portion of the 90599
fine paid under division (G) of section 4511.19 of the Revised 90600
Code and that is credited under either division to the indigent 90601
drivers interlock and alcohol monitoring fund shall be deposited 90602
into a county indigent drivers interlock and alcohol monitoring 90603
fund, a county juvenile indigent drivers interlock and alcohol 90604
monitoring fund, or a municipal indigent drivers interlock and 90605
alcohol monitoring fund as follows: 90606

(a) If the fee or fine is paid by a person who was charged in 90607
a county court with the violation that resulted in the suspension 90608
or fine, the portion shall be deposited into the county indigent 90609
drivers interlock and alcohol monitoring fund under the control of 90610
that court. 90611

(b) If the fee or fine is paid by a person who was charged in 90612
a juvenile court with the violation that resulted in the 90613
suspension or fine, the portion shall be deposited into the county 90614
juvenile indigent drivers interlock and alcohol monitoring fund 90615

established in the county served by the court. 90616

(c) If the fee or fine is paid by a person who was charged in 90617
a municipal court with the violation that resulted in the 90618
suspension, the portion shall be deposited into the municipal 90619
indigent drivers interlock and alcohol monitoring fund under the 90620
control of that court. 90621

Sec. 4511.21. (A) No person shall operate a motor vehicle, 90622
trackless trolley, or streetcar at a speed greater or less than is 90623
reasonable or proper, having due regard to the traffic, surface, 90624
and width of the street or highway and any other conditions, and 90625
no person shall drive any motor vehicle, trackless trolley, or 90626
streetcar in and upon any street or highway at a greater speed 90627
than will permit the person to bring it to a stop within the 90628
assured clear distance ahead. 90629

(B) It is prima-facie lawful, in the absence of a lower limit 90630
declared or established pursuant to this section by the director 90631
of transportation or local authorities, for the operator of a 90632
motor vehicle, trackless trolley, or streetcar to operate the same 90633
at a speed not exceeding the following: 90634

(1)(a) Twenty miles per hour in school zones during school 90635
recess and while children are going to or leaving school during 90636
the opening or closing hours, and when twenty miles per hour 90637
school speed limit signs are erected; except that, on 90638
controlled-access highways and expressways, if the right-of-way 90639
line fence has been erected without pedestrian opening, the speed 90640
shall be governed by division (B)(4) of this section and on 90641
freeways, if the right-of-way line fence has been erected without 90642
pedestrian opening, the speed shall be governed by divisions 90643
(B)(9) and (10) of this section. The end of every school zone may 90644
be marked by a sign indicating the end of the zone. Nothing in 90645
this section or in the manual and specifications for a uniform 90646

system of traffic control devices shall be construed to require 90647
school zones to be indicated by signs equipped with flashing or 90648
other lights, or giving other special notice of the hours in which 90649
the school zone speed limit is in effect. 90650

(b) As used in this section and in section 4511.212 of the 90651
Revised Code, "school" means any school chartered under section 90652
3301.16 of the Revised Code and any nonchartered school that 90653
during the preceding year filed with the department of education 90654
in compliance with rule 3301-35-08 of the Ohio Administrative 90655
Code, a copy of the school's report for the parents of the 90656
school's pupils certifying that the school meets Ohio minimum 90657
standards for nonchartered, nontax-supported schools and presents 90658
evidence of this filing to the jurisdiction from which it is 90659
requesting the establishment of a school zone. "School" also 90660
includes a special elementary school that in writing requests the 90661
county engineer of the county in which the special elementary 90662
school is located to create a school zone at the location of that 90663
school. Upon receipt of such a written request, the county 90664
engineer shall create a school zone at that location by erecting 90665
the appropriate signs. 90666

(c) As used in this section, "school zone" means that portion 90667
of a street or highway passing a school fronting upon the street 90668
or highway that is encompassed by projecting the school property 90669
lines to the fronting street or highway, and also includes that 90670
portion of a state highway. Upon request from local authorities 90671
for streets and highways under their jurisdiction and that portion 90672
of a state highway under the jurisdiction of the director of 90673
transportation or a request from a county engineer in the case of 90674
a school zone for a special elementary school, the director may 90675
extend the traditional school zone boundaries. The distances in 90676
divisions (B)(1)(c)(i), (ii), and (iii) of this section shall not 90677
exceed three hundred feet per approach per direction and are 90678

bounded by whichever of the following distances or combinations 90679
thereof the director approves as most appropriate: 90680

(i) The distance encompassed by projecting the school 90681
building lines normal to the fronting highway and extending a 90682
distance of three hundred feet on each approach direction; 90683

(ii) The distance encompassed by projecting the school 90684
property lines intersecting the fronting highway and extending a 90685
distance of three hundred feet on each approach direction; 90686

(iii) The distance encompassed by the special marking of the 90687
pavement for a principal school pupil crosswalk plus a distance of 90688
three hundred feet on each approach direction of the highway. 90689

Nothing in this section shall be construed to invalidate the 90690
director's initial action on August 9, 1976, establishing all 90691
school zones at the traditional school zone boundaries defined by 90692
projecting school property lines, except when those boundaries are 90693
extended as provided in divisions (B)(1)(a) and (c) of this 90694
section. 90695

(d) As used in this division, "crosswalk" has the meaning 90696
given that term in division (LL)(2) of section 4511.01 of the 90697
Revised Code. 90698

The director may, upon request by resolution of the 90699
legislative authority of a municipal corporation, the board of 90700
trustees of a township, or a county board of developmental 90701
disabilities created pursuant to Chapter 5126. of the Revised 90702
Code, and upon submission by the municipal corporation, township, 90703
or county board of such engineering, traffic, and other 90704
information as the director considers necessary, designate a 90705
school zone on any portion of a state route lying within the 90706
municipal corporation, lying within the unincorporated territory 90707
of the township, or lying adjacent to the property of a school 90708
that is operated by such county board, that includes a crosswalk 90709

customarily used by children going to or leaving a school during 90710
recess and opening and closing hours, whenever the distance, as 90711
measured in a straight line, from the school property line nearest 90712
the crosswalk to the nearest point of the crosswalk is no more 90713
than one thousand three hundred twenty feet. Such a school zone 90714
shall include the distance encompassed by the crosswalk and 90715
extending three hundred feet on each approach direction of the 90716
state route. 90717

(e) As used in this section, "special elementary school" 90718
means a school that meets all of the following criteria: 90719

(i) It is not chartered and does not receive tax revenue from 90720
any source. 90721

(ii) It does not educate children beyond the eighth grade. 90722

(iii) It is located outside the limits of a municipal 90723
corporation. 90724

(iv) A majority of the total number of students enrolled at 90725
the school are not related by blood. 90726

(v) The principal or other person in charge of the special 90727
elementary school annually sends a report to the superintendent of 90728
the school district in which the special elementary school is 90729
located indicating the total number of students enrolled at the 90730
school, but otherwise the principal or other person in charge does 90731
not report any other information or data to the superintendent. 90732

(2) Twenty-five miles per hour in all other portions of a 90733
municipal corporation, except on state routes outside business 90734
districts, through highways outside business districts, and 90735
alleys; 90736

(3) Thirty-five miles per hour on all state routes or through 90737
highways within municipal corporations outside business districts, 90738
except as provided in divisions (B)(4) and (6) of this section; 90739

- (4) Fifty miles per hour on controlled-access highways and expressways within municipal corporations; 90740
90741
- (5) Fifty-five miles per hour on highways outside municipal corporations, other than highways within island jurisdictions as provided in division (B)(8) of this section, highways as provided in division (B)(9) of this section, and freeways as provided in divisions (B)~~(12)~~, (13), ~~(14)~~, (16), and (17) of this section; 90742
90743
90744
90745
90746
- (6) Fifty miles per hour on state routes within municipal corporations outside urban districts unless a lower prima-facie speed is established as further provided in this section; 90747
90748
90749
- (7) Fifteen miles per hour on all alleys within the municipal corporation; 90750
90751
- (8) Thirty-five miles per hour on highways outside municipal corporations that are within an island jurisdiction; 90752
90753
- (9) Sixty miles per hour on two-lane state routes outside municipal corporations as established by the director under division (H)(2) of this section. 90754
90755
90756
- (10) Fifty-five miles per hour at all times on freeways with paved shoulders inside municipal corporations, other than freeways as provided in divisions (B)~~(12)~~, (13), ~~(14)~~, (16), and (17) of this section; 90757
90758
90759
90760
- (11) Fifty-five miles per hour at all times on freeways outside municipal corporations, other than freeways as provided in divisions (B)~~(12)~~, (13), ~~(14)~~, (16), and (17) of this section; 90761
90762
90763
- (12) ~~Fifty-five~~ Sixty miles per hour at all times on all portions of freeways that are not part of the interstate system, but are built to the standards and specifications that are applicable to freeways that are part of the interstate system and that had a speed limit of fifty-five miles per hour immediately prior to the effective date of this amendment, for operators of 90764
90765
90766
90767
90768
90769

any motor vehicle weighing in excess of eight thousand pounds 90770
empty weight and any noncommercial bus; 90771

(13) ~~Fifty-five~~ Sixty miles per hour for operators of any 90772
motor vehicle weighing eight thousand pounds or less empty weight 90773
and any commercial bus at all times on all portions of freeways 90774
that are not part of the interstate system, but are built to the 90775
standards and specifications that are applicable to freeways that 90776
are part of the interstate system and that had ~~such~~ a speed limit 90777
established of fifty-five miles per hour immediately prior to 90778
~~October 1, 1995, unless a higher speed limit is established under~~ 90779
~~division (L) the effective date of this section amendment;~~ 90780

(14) ~~Sixty-five~~ Seventy miles per hour for operators of any 90781

(a) Freeways that are not part of the interstate system, but 90785
are built to the standards and specifications that are applicable 90786
to freeways that are part of the interstate system and that had 90787

(16) Sixty-five miles per hour for operators of any motor vehicle at all times on all portions of freeways in urban areas as determined by the director and that are part of the interstate system and are part of an interstate freeway outerbelt;

(17) Seventy miles per hour at all times on all portions of freeways that are part of the interstate system and are outside urbanized areas, as designated in accordance with 23 U.S.C. 101, for operators of all motor vehicles.

(C) It is prima-facie unlawful for any person to exceed any of the speed limitations in divisions (B)(1)(a), (2), (3), (4), (6), (7), and (8) of this section, or any declared or established pursuant to this section by the director or local authorities and it is unlawful for any person to exceed any of the speed limitations in division (D) of this section. No person shall be convicted of more than one violation of this section for the same conduct, although violations of more than one provision of this section may be charged in the alternative in a single affidavit.

(D) No person shall operate a motor vehicle, trackless trolley, or streetcar upon a street or highway as follows:

(1) At a speed exceeding fifty-five miles per hour, except upon a two-lane state route as provided in division (B)(9) of this section and upon a freeway as provided in divisions (B)~~(12)~~, (13), ~~(14)~~, (16), and (17) of this section;

(2) At a speed exceeding sixty miles per hour upon a two-lane state route as provided in division (B)(9) of this section ~~and~~ upon a freeway as provided in divisions (B)(12) and (13) of this

section; 90832

(3) At a speed exceeding sixty-five miles per hour upon a 90833
freeway as provided in division (B)(16) of this section, except 90834
upon a freeway as provided in ~~division~~ divisions (B)(14) and (17) 90835
of this section; 90836

(4) At a speed exceeding seventy miles per hour upon a 90837
freeway as provided in ~~division~~ divisions (B)(14) and (17) of this 90838
section; 90839

(5) If a motor vehicle weighing in excess of eight thousand 90840
pounds empty weight or a noncommercial bus as prescribed in 90841
division (B)(~~11~~)(12) of this section, at a speed exceeding 90842
~~fifty-five~~ sixty miles per hour, except upon a freeway as provided 90843
in divisions (B)(14), (16), and (17) of this section; 90844

(6) At a speed exceeding the posted speed limit upon a 90845
freeway for which the director has determined and declared a speed 90846
limit of not more than sixty-five miles per hour pursuant to 90847
division (L)(2) or (M) of this section; 90848

(7) At a speed exceeding sixty-five miles per hour upon a 90849
freeway for which such a speed limit has been established through 90850
the operation of division (L)(3) of this section; 90851

(8) At a speed exceeding the posted speed limit upon a 90852
freeway for which the director has determined and declared a speed 90853
limit pursuant to division (I)(2) of this section. 90854

(E) In every charge of violation of this section the 90855
affidavit and warrant shall specify the time, place, and speed at 90856
which the defendant is alleged to have driven, and in charges made 90857
in reliance upon division (C) of this section also the speed which 90858
division (B)(1)(a), (2), (3), (4), (6), (7), or (8) of, or a limit 90859
declared or established pursuant to, this section declares is 90860
prima-facie lawful at the time and place of such alleged 90861
violation, except that in affidavits where a person is alleged to 90862

have driven at a greater speed than will permit the person to 90863
bring the vehicle to a stop within the assured clear distance 90864
ahead the affidavit and warrant need not specify the speed at 90865
which the defendant is alleged to have driven. 90866

(F) When a speed in excess of both a prima-facie limitation 90867
and a limitation in division (D) of this section is alleged, the 90868
defendant shall be charged in a single affidavit, alleging a 90869
single act, with a violation indicated of both division (B)(1)(a), 90870
(2), (3), (4), (6), (7), or (8) of this section, or of a limit 90871
declared or established pursuant to this section by the director 90872
or local authorities, and of the limitation in division (D) of 90873
this section. If the court finds a violation of division 90874
(B)(1)(a), (2), (3), (4), (6), (7), or (8) of, or a limit declared 90875
or established pursuant to, this section has occurred, it shall 90876
enter a judgment of conviction under such division and dismiss the 90877
charge under division (D) of this section. If it finds no 90878
violation of division (B)(1)(a), (2), (3), (4), (6), (7), or (8) 90879
of, or a limit declared or established pursuant to, this section, 90880
it shall then consider whether the evidence supports a conviction 90881
under division (D) of this section. 90882

(G) Points shall be assessed for violation of a limitation 90883
under division (D) of this section in accordance with section 90884
4510.036 of the Revised Code. 90885

(H)(1) Whenever the director determines upon the basis of a 90886
geometric and traffic characteristic study that any speed limit 90887
set forth in divisions (B)(1)(a) to (D) of this section is greater 90888
or less than is reasonable or safe under the conditions found to 90889
exist at any portion of a street or highway under the jurisdiction 90890
of the director, the director shall determine and declare a 90891
reasonable and safe prima-facie speed limit, which shall be 90892
effective when appropriate signs giving notice of it are erected 90893
at the location. 90894

(2) Whenever the director determines upon the basis of a geometric and traffic characteristic study that the speed limit of fifty-five miles per hour on a two-lane state route outside a municipal corporation is less than is reasonable or safe under the conditions found to exist at that portion of the state route, the director may determine and declare a speed limit of sixty miles per hour for that portion of the state route, which shall be effective when appropriate signs giving notice of it are erected at the location.

(I)(1) Except as provided in divisions (I)(2) and (K) of this section, whenever local authorities determine upon the basis of an engineering and traffic investigation that the speed permitted by divisions (B)(1)(a) to (D) of this section, on any part of a highway under their jurisdiction, is greater than is reasonable and safe under the conditions found to exist at such location, the local authorities may by resolution request the director to determine and declare a reasonable and safe prima-facie speed limit. Upon receipt of such request the director may determine and declare a reasonable and safe prima-facie speed limit at such location, and if the director does so, then such declared speed limit shall become effective only when appropriate signs giving notice thereof are erected at such location by the local authorities. The director may withdraw the declaration of a prima-facie speed limit whenever in the director's opinion the altered prima-facie speed becomes unreasonable. Upon such withdrawal, the declared prima-facie speed shall become ineffective and the signs relating thereto shall be immediately removed by the local authorities.

(2) A local authority may determine on the basis of a geometric and traffic characteristic study that the speed limit of sixty-five miles per hour on a portion of a freeway under its jurisdiction that was established through the operation of

division (L)(3) of this section is greater than is reasonable or 90927
safe under the conditions found to exist at that portion of the 90928
freeway. If the local authority makes such a determination, the 90929
local authority by resolution may request the director to 90930
determine and declare a reasonable and safe speed limit of not 90931
less than fifty-five miles per hour for that portion of the 90932
freeway. If the director takes such action, the declared speed 90933
limit becomes effective only when appropriate signs giving notice 90934
of it are erected at such location by the local authority. 90935

(J) Local authorities in their respective jurisdictions may 90936
authorize by ordinance higher prima-facie speeds than those stated 90937
in this section upon through highways, or upon highways or 90938
portions thereof where there are no intersections, or between 90939
widely spaced intersections, provided signs are erected giving 90940
notice of the authorized speed, but local authorities shall not 90941
modify or alter the basic rule set forth in division (A) of this 90942
section or in any event authorize by ordinance a speed in excess 90943
of fifty miles per hour. 90944

Alteration of prima-facie limits on state routes by local 90945
authorities shall not be effective until the alteration has been 90946
approved by the director. The director may withdraw approval of 90947
any altered prima-facie speed limits whenever in the director's 90948
opinion any altered prima-facie speed becomes unreasonable, and 90949
upon such withdrawal, the altered prima-facie speed shall become 90950
ineffective and the signs relating thereto shall be immediately 90951
removed by the local authorities. 90952

(K)(1) As used in divisions (K)(1), (2), (3), and (4) of this 90953
section, "unimproved highway" means a highway consisting of any of 90954
the following: 90955

(a) Unimproved earth; 90956

(b) Unimproved graded and drained earth; 90957

(c) Gravel. 90958

(2) Except as otherwise provided in divisions (K)(4) and (5) 90959
of this section, whenever a board of township trustees determines 90960
upon the basis of an engineering and traffic investigation that 90961
the speed permitted by division (B)(5) of this section on any part 90962
of an unimproved highway under its jurisdiction and in the 90963
unincorporated territory of the township is greater than is 90964
reasonable or safe under the conditions found to exist at the 90965
location, the board may by resolution declare a reasonable and 90966
safe prima-facie speed limit of fifty-five but not less than 90967
twenty-five miles per hour. An altered speed limit adopted by a 90968
board of township trustees under this division becomes effective 90969
when appropriate traffic control devices, as prescribed in section 90970
4511.11 of the Revised Code, giving notice thereof are erected at 90971
the location, which shall be no sooner than sixty days after 90972
adoption of the resolution. 90973

(3)(a) Whenever, in the opinion of a board of township 90974
trustees, any altered prima-facie speed limit established by the 90975
board under this division becomes unreasonable, the board may 90976
adopt a resolution withdrawing the altered prima-facie speed 90977
limit. Upon the adoption of such a resolution, the altered 90978
prima-facie speed limit becomes ineffective and the traffic 90979
control devices relating thereto shall be immediately removed. 90980

(b) Whenever a highway ceases to be an unimproved highway and 90981
the board has adopted an altered prima-facie speed limit pursuant 90982
to division (K)(2) of this section, the board shall, by 90983
resolution, withdraw the altered prima-facie speed limit as soon 90984
as the highway ceases to be unimproved. Upon the adoption of such 90985
a resolution, the altered prima-facie speed limit becomes 90986
ineffective and the traffic control devices relating thereto shall 90987
be immediately removed. 90988

(4)(a) If the boundary of two townships rests on the 90989

centerline of an unimproved highway in unincorporated territory 90990
and both townships have jurisdiction over the highway, neither of 90991
the boards of township trustees of such townships may declare an 90992
altered prima-facie speed limit pursuant to division (K)(2) of 90993
this section on the part of the highway under their joint 90994
jurisdiction unless the boards of township trustees of both of the 90995
townships determine, upon the basis of an engineering and traffic 90996
investigation, that the speed permitted by division (B)(5) of this 90997
section is greater than is reasonable or safe under the conditions 90998
found to exist at the location and both boards agree upon a 90999
reasonable and safe prima-facie speed limit of less than 91000
fifty-five but not less than twenty-five miles per hour for that 91001
location. If both boards so agree, each shall follow the procedure 91002
specified in division (K)(2) of this section for altering the 91003
prima-facie speed limit on the highway. Except as otherwise 91004
provided in division (K)(4)(b) of this section, no speed limit 91005
altered pursuant to division (K)(4)(a) of this section may be 91006
withdrawn unless the boards of township trustees of both townships 91007
determine that the altered prima-facie speed limit previously 91008
adopted becomes unreasonable and each board adopts a resolution 91009
withdrawing the altered prima-facie speed limit pursuant to the 91010
procedure specified in division (K)(3)(a) of this section. 91011

(b) Whenever a highway described in division (K)(4)(a) of 91012
this section ceases to be an unimproved highway and two boards of 91013
township trustees have adopted an altered prima-facie speed limit 91014
pursuant to division (K)(4)(a) of this section, both boards shall, 91015
by resolution, withdraw the altered prima-facie speed limit as 91016
soon as the highway ceases to be unimproved. Upon the adoption of 91017
the resolution, the altered prima-facie speed limit becomes 91018
ineffective and the traffic control devices relating thereto shall 91019
be immediately removed. 91020

(5) As used in division (K)(5) of this section: 91021

(a) "Commercial subdivision" means any platted territory 91022
outside the limits of a municipal corporation and fronting a 91023
highway where, for a distance of three hundred feet or more, the 91024
frontage is improved with buildings in use for commercial 91025
purposes, or where the entire length of the highway is less than 91026
three hundred feet long and the frontage is improved with 91027
buildings in use for commercial purposes. 91028

(b) "Residential subdivision" means any platted territory 91029
outside the limits of a municipal corporation and fronting a 91030
highway, where, for a distance of three hundred feet or more, the 91031
frontage is improved with residences or residences and buildings 91032
in use for business, or where the entire length of the highway is 91033
less than three hundred feet long and the frontage is improved 91034
with residences or residences and buildings in use for business. 91035

Whenever a board of township trustees finds upon the basis of 91036
an engineering and traffic investigation that the prima-facie 91037
speed permitted by division (B)(5) of this section on any part of 91038
a highway under its jurisdiction that is located in a commercial 91039
or residential subdivision, except on highways or portions thereof 91040
at the entrances to which vehicular traffic from the majority of 91041
intersecting highways is required to yield the right-of-way to 91042
vehicles on such highways in obedience to stop or yield signs or 91043
traffic control signals, is greater than is reasonable and safe 91044
under the conditions found to exist at the location, the board may 91045
by resolution declare a reasonable and safe prima-facie speed 91046
limit of less than fifty-five but not less than twenty-five miles 91047
per hour at the location. An altered speed limit adopted by a 91048
board of township trustees under this division shall become 91049
effective when appropriate signs giving notice thereof are erected 91050
at the location by the township. Whenever, in the opinion of a 91051
board of township trustees, any altered prima-facie speed limit 91052
established by it under this division becomes unreasonable, it may 91053

adopt a resolution withdrawing the altered prima-facie speed, and 91054
upon such withdrawal, the altered prima-facie speed shall become 91055
ineffective, and the signs relating thereto shall be immediately 91056
removed by the township. 91057

(L)(1) Within one hundred twenty days of February 29, 1996, 91058
the director of transportation, based upon a geometric and traffic 91059
characteristic study of a freeway that is part of the interstate 91060
system or that is not part of the interstate system, but is built 91061
to the standards and specifications that are applicable to 91062
freeways that are part of the interstate system, in consultation 91063
with the director of public safety and, if applicable, the local 91064
authority having jurisdiction over a portion of such freeway, may 91065
determine and declare that the speed limit of less than sixty-five 91066
miles per hour established on such freeway or portion of freeway 91067
either is reasonable and safe or is less than that which is 91068
reasonable and safe. 91069

(2) If the established speed limit for such a freeway or 91070
portion of freeway is determined to be less than that which is 91071
reasonable and safe, the director of transportation, in 91072
consultation with the director of public safety and, if 91073
applicable, the local authority having jurisdiction over the 91074
portion of freeway, shall determine and declare a reasonable and 91075
safe speed limit of not more than sixty-five miles per hour for 91076
that freeway or portion of freeway. 91077

The director of transportation or local authority having 91078
jurisdiction over the freeway or portion of freeway shall erect 91079
appropriate signs giving notice of the speed limit at such 91080
location within one hundred fifty days of February 29, 1996. Such 91081
speed limit becomes effective only when such signs are erected at 91082
the location. 91083

(3) If, within one hundred twenty days of February 29, 1996, 91084
the director of transportation does not make a determination and 91085

declaration of a reasonable and safe speed limit for a freeway or 91086
portion of freeway that is part of the interstate system or that 91087
is not part of the interstate system, but is built to the 91088
standards and specifications that are applicable to freeways that 91089
are part of the interstate system and that has a speed limit of 91090
less than sixty-five miles per hour, the speed limit on that 91091
freeway or portion of a freeway shall be sixty-five miles per 91092
hour. The director of transportation or local authority having 91093
jurisdiction over the freeway or portion of the freeway shall 91094
erect appropriate signs giving notice of the speed limit of 91095
sixty-five miles per hour at such location within one hundred 91096
fifty days of February 29, 1996. Such speed limit becomes 91097
effective only when such signs are erected at the location. A 91098
speed limit established through the operation of division (L)(3) 91099
of this section is subject to reduction under division (I)(2) of 91100
this section. 91101

(M) Within three hundred sixty days after February 29, 1996, 91102
the director of transportation, based upon a geometric and traffic 91103
characteristic study of a rural, divided, multi-lane highway that 91104
has been designated as part of the national highway system under 91105
the "National Highway System Designation Act of 1995," 109 Stat. 91106
568, 23 U.S.C.A. 103, in consultation with the director of public 91107
safety and, if applicable, the local authority having jurisdiction 91108
over a portion of the highway, may determine and declare that the 91109
speed limit of less than sixty-five miles per hour established on 91110
the highway or portion of highway either is reasonable and safe or 91111
is less than that which is reasonable and safe. 91112

If the established speed limit for the highway or portion of 91113
highway is determined to be less than that which is reasonable and 91114
safe, the director of transportation, in consultation with the 91115
director of public safety and, if applicable, the local authority 91116
having jurisdiction over the portion of highway, shall determine 91117

and declare a reasonable and safe speed limit of not more than 91118
sixty-five miles per hour for that highway or portion of highway. 91119
The director of transportation or local authority having 91120
jurisdiction over the highway or portion of highway shall erect 91121
appropriate signs giving notice of the speed limit at such 91122
location within three hundred ninety days after February 29, 1996. 91123
The speed limit becomes effective only when such signs are erected 91124
at the location. 91125

(N)(1)(a) If the boundary of two local authorities rests on 91126
the centerline of a highway and both authorities have jurisdiction 91127
over the highway, the speed limit for the part of the highway 91128
within their joint jurisdiction shall be either one of the 91129
following as agreed to by both authorities: 91130

(i) Either prima-facie speed limit permitted by division (B) 91131
of this section; 91132

(ii) An altered speed limit determined and posted in 91133
accordance with this section. 91134

(b) If the local authorities are unable to reach an 91135
agreement, the speed limit shall remain as established and posted 91136
under this section. 91137

(2) Neither local authority may declare an altered 91138
prima-facie speed limit pursuant to this section on the part of 91139
the highway under their joint jurisdiction unless both of the 91140
local authorities determine, upon the basis of an engineering and 91141
traffic investigation, that the speed permitted by this section is 91142
greater than is reasonable or safe under the conditions found to 91143
exist at the location and both authorities agree upon a uniform 91144
reasonable and safe prima-facie speed limit of less than 91145
fifty-five but not less than twenty-five miles per hour for that 91146
location. If both authorities so agree, each shall follow the 91147
procedure specified in this section for altering the prima-facie 91148

speed limit on the highway, and the speed limit for the part of 91149
the highway within their joint jurisdiction shall be uniformly 91150
altered. No altered speed limit may be withdrawn unless both local 91151
authorities determine that the altered prima-facie speed limit 91152
previously adopted becomes unreasonable and each adopts a 91153
resolution withdrawing the altered prima-facie speed limit 91154
pursuant to the procedure specified in this section. 91155

(0) As used in this section: 91156

(1) "Interstate system" has the same meaning as in 23 91157
U.S.C.A. 101. 91158

(2) "Commercial bus" means a motor vehicle designed for 91159
carrying more than nine passengers and used for the transportation 91160
of persons for compensation. 91161

(3) "Noncommercial bus" includes but is not limited to a 91162
school bus or a motor vehicle operated solely for the 91163
transportation of persons associated with a charitable or 91164
nonprofit organization. 91165

(4) "Outerbelt" means a portion of a freeway that is part of 91166
the interstate system and is located in the outer vicinity of a 91167
major municipal corporation or group of municipal corporations, as 91168
designated by the director. 91169

(P)(1) A violation of any provision of this section is one of 91170
the following: 91171

(a) Except as otherwise provided in divisions (P)(1)(b), 91172
(1)(c), (2), and (3) of this section, a minor misdemeanor; 91173

(b) If, within one year of the offense, the offender 91174
previously has been convicted of or pleaded guilty to two 91175
violations of any provision of this section or of any provision of 91176
a municipal ordinance that is substantially similar to any 91177
provision of this section, a misdemeanor of the fourth degree; 91178

(c) If, within one year of the offense, the offender 91179
previously has been convicted of or pleaded guilty to three or 91180
more violations of any provision of this section or of any 91181
provision of a municipal ordinance that is substantially similar 91182
to any provision of this section, a misdemeanor of the third 91183
degree. 91184

(2) If the offender has not previously been convicted of or 91185
pleaded guilty to a violation of any provision of this section or 91186
of any provision of a municipal ordinance that is substantially 91187
similar to this section and operated a motor vehicle faster than 91188
thirty-five miles an hour in a business district of a municipal 91189
corporation, faster than fifty miles an hour in other portions of 91190
a municipal corporation, or faster than thirty-five miles an hour 91191
in a school zone during recess or while children are going to or 91192
leaving school during the school's opening or closing hours, a 91193
misdemeanor of the fourth degree. 91194

(3) Notwithstanding division (P)(1) of this section, if the 91195
offender operated a motor vehicle in a construction zone where a 91196
sign was then posted in accordance with section 4511.98 of the 91197
Revised Code, the court, in addition to all other penalties 91198
provided by law, shall impose upon the offender a fine of two 91199
times the usual amount imposed for the violation. No court shall 91200
impose a fine of two times the usual amount imposed for the 91201
violation upon an offender if the offender alleges, in an 91202
affidavit filed with the court prior to the offender's sentencing, 91203
that the offender is indigent and is unable to pay the fine 91204
imposed pursuant to this division and if the court determines that 91205
the offender is an indigent person and unable to pay the fine. 91206

Sec. 4511.69. (A) Every vehicle stopped or parked upon a 91207
roadway where there is an adjacent curb shall be stopped or parked 91208
with the right-hand wheels of the vehicle parallel with and not 91209

more than twelve inches from the right-hand curb, unless it is 91210
impossible to approach so close to the curb; in such case the stop 91211
shall be made as close to the curb as possible and only for the 91212
time necessary to discharge and receive passengers or to load or 91213
unload merchandise. Local authorities by ordinance may permit 91214
angle parking on any roadway under their jurisdiction, except that 91215
angle parking shall not be permitted on a state route within a 91216
municipal corporation unless an unoccupied roadway width of not 91217
less than twenty-five feet is available for free-moving traffic. 91218

(B) Local authorities by ordinance may permit parking of 91219
vehicles with the left-hand wheels adjacent to and within twelve 91220
inches of the left-hand curb of a one-way roadway. 91221

(C)(1)~~(a)~~ Except as provided in division (C)~~(2)~~~~(1)~~(b) of this 91222
section, no vehicle or trackless trolley shall be stopped or 91223
parked on a road or highway with the vehicle or trackless trolley 91224
facing in a direction other than the direction of travel on that 91225
side of the road or highway. 91226

~~(2)~~(b) The operator of a motorcycle may back the motorcycle 91227
into an angled parking space so that when the motorcycle is parked 91228
it is facing in a direction other than the direction of travel on 91229
the side of the road or highway. 91230

(2) The operator of a motorcycle may back the motorcycle into 91231
a parking space that is located on the side of, and parallel to, a 91232
road or highway. The motorcycle may face any direction when so 91233
parked. Not more than two motorcycles at a time shall be parked in 91234
a parking space as described in division (C)(2) of this section 91235
irrespective of whether or not the space is metered. 91236

(D) Notwithstanding any statute or any rule, resolution, or 91237
ordinance adopted by any local authority, air compressors, 91238
tractors, trucks, and other equipment, while being used in the 91239
construction, reconstruction, installation, repair, or removal of 91240

facilities near, on, over, or under a street or highway, may stop, 91241
stand, or park where necessary in order to perform such work, 91242
provided a flagperson is on duty or warning signs or lights are 91243
displayed as may be prescribed by the director of transportation. 91244

(E) Special parking locations and privileges for persons with 91245
disabilities that limit or impair the ability to walk, also known 91246
as handicapped parking spaces or disability parking spaces, shall 91247
be provided and designated by all political subdivisions and by 91248
the state and all agencies and instrumentalities thereof at all 91249
offices and facilities, where parking is provided, whether owned, 91250
rented, or leased, and at all publicly owned parking garages. The 91251
locations shall be designated through the posting of an elevated 91252
sign, whether permanently affixed or movable, imprinted with the 91253
international symbol of access and shall be reasonably close to 91254
exits, entrances, elevators, and ramps. All elevated signs posted 91255
in accordance with this division and division (C) of section 91256
3781.111 of the Revised Code shall be mounted on a fixed or 91257
movable post, and the distance from the ground to the bottom edge 91258
of the sign shall measure not less than five feet. If a new sign 91259
or a replacement sign designating a special parking location is 91260
posted on or after October 14, 1999, there also shall be affixed 91261
upon the surface of that sign or affixed next to the designating 91262
sign a notice that states the fine applicable for the offense of 91263
parking a motor vehicle in the special designated parking location 91264
if the motor vehicle is not legally entitled to be parked in that 91265
location. 91266

(F)(1) No person shall stop, stand, or park any motor vehicle 91267
at special parking locations provided under division (E) of this 91268
section or at special clearly marked parking locations provided in 91269
or on privately owned parking lots, parking garages, or other 91270
parking areas and designated in accordance with that division, 91271
unless one of the following applies: 91272

(a) The motor vehicle is being operated by or for the 91273
transport of a person with a disability that limits or impairs the 91274
ability to walk and is displaying a valid removable windshield 91275
placard or special license plates; 91276

(b) The motor vehicle is being operated by or for the 91277
transport of a handicapped person and is displaying a parking card 91278
or special handicapped license plates. 91279

(2) Any motor vehicle that is parked in a special marked 91280
parking location in violation of division (F)(1)(a) or (b) of this 91281
section may be towed or otherwise removed from the parking 91282
location by the law enforcement agency of the political 91283
subdivision in which the parking location is located. A motor 91284
vehicle that is so towed or removed shall not be released to its 91285
owner until the owner presents proof of ownership of the motor 91286
vehicle and pays all towing and storage fees normally imposed by 91287
that political subdivision for towing and storing motor vehicles. 91288
If the motor vehicle is a leased vehicle, it shall not be released 91289
to the lessee until the lessee presents proof that that person is 91290
the lessee of the motor vehicle and pays all towing and storage 91291
fees normally imposed by that political subdivision for towing and 91292
storing motor vehicles. 91293

(3) If a person is charged with a violation of division 91294
(F)(1)(a) or (b) of this section, it is an affirmative defense to 91295
the charge that the person suffered an injury not more than 91296
seventy-two hours prior to the time the person was issued the 91297
ticket or citation and that, because of the injury, the person 91298
meets at least one of the criteria contained in division (A)(1) of 91299
section 4503.44 of the Revised Code. 91300

(G) When a motor vehicle is being operated by or for the 91301
transport of a person with a disability that limits or impairs the 91302
ability to walk and is displaying a removable windshield placard 91303
or a temporary removable windshield placard or special license 91304

plates, or when a motor vehicle is being operated by or for the 91305
transport of a handicapped person and is displaying a parking card 91306
or special handicapped license plates, the motor vehicle is 91307
permitted to park for a period of two hours in excess of the legal 91308
parking period permitted by local authorities, except where local 91309
ordinances or police rules provide otherwise or where the vehicle 91310
is parked in such a manner as to be clearly a traffic hazard. 91311

(H) No owner of an office, facility, or parking garage where 91312
special parking locations are required to be designated in 91313
accordance with division (E) of this section shall fail to 91314
properly mark the special parking locations in accordance with 91315
that division or fail to maintain the markings of the special 91316
locations, including the erection and maintenance of the fixed or 91317
movable signs. 91318

(I) Nothing in this section shall be construed to require a 91319
person or organization to apply for a removable windshield placard 91320
or special license plates if the parking card or special license 91321
plates issued to the person or organization under prior law have 91322
not expired or been surrendered or revoked. 91323

(J)(1) Whoever violates division (A) or (C) of this section 91324
is guilty of a minor misdemeanor. 91325

(2)(a) Whoever violates division (F)(1)(a) or (b) of this 91326
section is guilty of a misdemeanor and shall be punished as 91327
provided in division (J)(2)(a) and (b) of this section. Except as 91328
otherwise provided in division (J)(2)(a) of this section, an 91329
offender who violates division (F)(1)(a) or (b) of this section 91330
shall be fined not less than two hundred fifty nor more than five 91331
hundred dollars. An offender who violates division (F)(1)(a) or 91332
(b) of this section shall be fined not more than one hundred 91333
dollars if the offender, prior to sentencing, proves either of the 91334
following to the satisfaction of the court: 91335

(i) At the time of the violation of division (F)(1)(a) of 91336
this section, the offender or the person for whose transport the 91337
motor vehicle was being operated had been issued a removable 91338
windshield placard that then was valid or special license plates 91339
that then were valid but the offender or the person neglected to 91340
display the placard or license plates as described in division 91341
(F)(1)(a) of this section. 91342

(ii) At the time of the violation of division (F)(1)(b) of 91343
this section, the offender or the person for whose transport the 91344
motor vehicle was being operated had been issued a parking card 91345
that then was valid or special handicapped license plates that 91346
then were valid but the offender or the person neglected to 91347
display the card or license plates as described in division 91348
(F)(1)(b) of this section. 91349

(b) In no case shall an offender who violates division 91350
(F)(1)(a) or (b) of this section be sentenced to any term of 91351
imprisonment. 91352

An arrest or conviction for a violation of division (F)(1)(a) 91353
or (b) of this section does not constitute a criminal record and 91354
need not be reported by the person so arrested or convicted in 91355
response to any inquiries contained in any application for 91356
employment, license, or other right or privilege, or made in 91357
connection with the person's appearance as a witness. 91358

The clerk of the court shall pay every fine collected under 91359
division (J)(2) of this section to the political subdivision in 91360
which the violation occurred. Except as provided in division 91361
(J)(2) of this section, the political subdivision shall use the 91362
fine moneys it receives under division (J)(2) of this section to 91363
pay the expenses it incurs in complying with the signage and 91364
notice requirements contained in division (E) of this section. The 91365
political subdivision may use up to fifty per cent of each fine it 91366
receives under division (J)(2) of this section to pay the costs of 91367

educational, advocacy, support, and assistive technology programs 91368
for persons with disabilities, and for public improvements within 91369
the political subdivision that benefit or assist persons with 91370
disabilities, if governmental agencies or nonprofit organizations 91371
offer the programs. 91372

(3) Whoever violates division (H) of this section shall be 91373
punished as follows: 91374

(a) Except as otherwise provided in division (J)(3) of this 91375
section, the offender shall be issued a warning. 91376

(b) If the offender previously has been convicted of or 91377
pleaded guilty to a violation of division (H) of this section or 91378
of a municipal ordinance that is substantially similar to that 91379
division, the offender shall not be issued a warning but shall be 91380
fined not more than twenty-five dollars for each parking location 91381
that is not properly marked or whose markings are not properly 91382
maintained. 91383

(K) As used in this section: 91384

(1) "Handicapped person" means any person who has lost the 91385
use of one or both legs or one or both arms, who is blind, deaf, 91386
or so severely handicapped as to be unable to move without the aid 91387

permanent cardiovascular, pulmonary, or other handicapping 91389
condition. 91390

(2) "Person with a disability that limits or impairs the 91391
ability to walk" has the same meaning as in section 4503.44 of the 91392
Revised Code. 91393

(3) "Special license plates" and "removable windshield 91394
placard" mean any license plates or removable windshield placard 91395

substantially similar license plates or removable windshield 91398

shall accept passengers only on the basis of prearranged 91402
contracts, as defined in division (LL) of section 4501.01 of the 91403
Revised Code, and shall not cruise in search of patronage unless 91404
the limousine is in compliance with any statute or ordinance 91405
governing the operation of taxicabs or other similar vehicles for 91406
hire. 91407

(B) The operator of a chauffeured limousine may provide 91408
transportation to passengers who arrange for the transportation 91409
through an intermediary, including a digital dispatching service. 91410
Notwithstanding any law to the contrary, when providing 91411
transportation arranged through an intermediary, the operator of a 91412
chauffeured limousine may establish the fare and method of fare 91413
calculation, so long as the method of fare calculation is provided 91414
to the passenger upon request. 91415

(C) No person shall advertise or hold self out as doing 91416
business as a limousine service or livery service or other similar 91417
designation unless each vehicle used by the person to provide the 91418

~~(C)~~(D) Whoever violates this section is guilty of a 91422
misdemeanor of the first degree. 91423

Sec. 4513.34. (A)(1) The director of transportation with 91424
respect to all highways that are a part of the state highway 91425
system and local authorities with respect to highways under their 91426
jurisdiction, upon application in writing, shall issue a special 91427
regional heavy hauling permit authorizing the applicant to operate 91428

or move a vehicle or combination of vehicles as follows: 91429

(a) At a size or weight of vehicle or load exceeding the 91430
maximum specified in sections 5577.01 to 5577.09 of the Revised 91431
Code, or otherwise not in conformity with sections 4513.01 to 91432
4513.37 of the Revised Code; 91433

(b) Upon any highway under the jurisdiction of the authority 91434
granting the permit except those highways with a condition 91435
insufficient to bear the weight of the vehicle or combination of 91436
vehicles as stated in the application; 91437

(c) For regional trips at distances of one hundred fifty 91438
miles or less from a facility stated on the application as the 91439
applicant's point of origin. 91440

Issuance of a special regional heavy hauling permit is 91441
subject to the payment of a fee established by the director or 91442
local authority in accordance with this section. 91443

(2) In circumstances where a person is not eligible to 91444
receive a permit under division (A)(1) of this section, the 91445
director of transportation with respect to all highways that are a 91446
part of the state highway system and local authorities with 91447
respect to highways under their jurisdiction, upon application in 91448
writing and for good cause shown, may issue a special permit in 91449
writing authorizing the applicant to operate or move a vehicle or 91450
combination of vehicles of a size or weight of vehicle or load 91451
exceeding the maximum specified in sections 5577.01 to 5577.09 of 91452
the Revised Code, or otherwise not in conformity with sections 91453
4513.01 to 4513.37 of the Revised Code, upon any highway under the 91454
jurisdiction of the authority granting the permit. 91455

(3) For purposes of this section, the director may designate 91456
certain state highways or portions of state highways as special 91457
economic development highways. If an application submitted to the 91458

director under this section involves travel of a nonconforming 91459
vehicle or combination of vehicles upon a special economic 91460
development highway, the director, in determining whether good 91461
cause has been shown that issuance of a permit is justified, shall 91462
consider the effect the travel of the vehicle or combination of 91463
vehicles will have on the economic development in the area in 91464
which the designated highway or portion of highway is located. 91465

(B) Notwithstanding sections 715.22 and 723.01 of the Revised 91466
Code, the holder of a permit issued by the director under this 91467
section may move the vehicle or combination of vehicles described 91468
in the permit on any highway that is a part of the state highway 91469
system when the movement is partly within and partly without the 91470
corporate limits of a municipal corporation. No local authority 91471
shall require any other permit or license or charge any license 91472
fee or other charge against the holder of a permit for the 91473
movement of a vehicle or combination of vehicles on any highway 91474
that is a part of the state highway system. The director shall not 91475
require the holder of a permit issued by a local authority to 91476
obtain a special permit for the movement of vehicles or 91477
combination of vehicles on highways within the jurisdiction of the 91478
local authority. Permits may be issued for any period of time not 91479
to exceed one year, as the director in the director's discretion 91480
or a local authority in its discretion determines advisable, or 91481
for the duration of any public construction project. 91482

(C)(1) The application for a permit issued under this section 91483
shall be in the form that the director or local authority 91484
prescribes. The director or local authority may prescribe a permit 91485
fee to be imposed and collected when any permit described in this 91486
section is issued. The permit fee may be in an amount sufficient 91487
to reimburse the director or local authority for the 91488
administrative costs incurred in issuing the permit, and also to 91489
cover the cost of the normal and expected damage caused to the 91490

roadway or a street or highway structure as the result of the 91491
operation of the nonconforming vehicle or combination of vehicles. 91492
The director, in accordance with Chapter 119. of the Revised Code, 91493
shall establish a schedule of fees for permits issued by the 91494
director under this section; however, the fee to operate a triple 91495
trailer unit, at locations authorized under federal law, shall be 91496
one hundred dollars. 91497

(2) For the purposes of this section and of rules adopted by 91498
the director under this section, milk transported in bulk by 91499
vehicle is deemed a nondivisible load. 91500

(3) For purposes of this section and of rules adopted by the 91501
director under this section, three or fewer aluminum coils, 91502
transported by a vehicle, are deemed a nondivisible load. The 91503
director shall adopt rules establishing requirements for an 91504
aluminum coil permit that are substantially similar to the 91505
requirements for a steel coil permit under Chapter 5501:2-1 of the 91506
Administrative Code. 91507

(D) The director or a local authority shall issue a special 91508
regional heavy hauling permit under division (A)(1) of this 91509
section upon application and payment of the applicable fee. 91510
However, the director or local authority may issue or withhold a 91511
special permit specified in division (A)(2) of this section. If a 91512
permit is to be issued, the director or local authority may limit 91513
or prescribe conditions of operation for the vehicle and may 91514
require the posting of a bond or other security conditioned upon 91515
the sufficiency of the permit fee to compensate for damage caused 91516
to the roadway or a street or highway structure. In addition, a 91517
local authority, as a condition of issuance of an overweight 91518
permit, may require the applicant to develop and enter into a 91519
mutual agreement with the local authority to compensate for or to 91520
repair excess damage caused to the roadway by travel under the 91521
permit. 91522

For a permit that will allow travel of a nonconforming
vehicle or combination of vehicles on a special economic
development highway, the director, as a condition of issuance, may
require the applicant to agree to make periodic payments to the
department to compensate for damage caused to the roadway by
travel under the permit.

(E) Every permit issued under this section shall be carried
in the vehicle or combination of vehicles to which it refers and
shall be open to inspection by any police officer or authorized
agent of any authority granting the permit. No person shall
violate any of the terms of a permit.

(F) The director may debar an applicant from applying for a
permit under this section upon a finding based on a reasonable
belief that the applicant has done any of the following:

(1) Abused the process by repeatedly submitting false
information or false travel plans or by using another company or
individual's name, insurance, or escrow account without proper
authorization;

(2) Failed to comply with or substantially perform under a
previously issued permit according to its terms, conditions, and
specifications within specified time limits;

(3) Failed to cooperate in the application process for the
permit or in any other procedures that are related to the issuance
of the permit by refusing to provide information or documents
required in a permit or by failing to respond to and correct
matters related to the permit;

(4) Accumulated repeated justified complaints regarding
performance under a permit that was previously issued to the
applicant or previously failed to obtain a permit when such a
permit was required;

(5) Attempted to influence a public employee to breach

ethical conduct standards; 91554

(6) Been convicted of a criminal offense related to the 91555
application for, or performance under, a permit, including, but 91556
not limited to, bribery, falsification, fraud or destruction of 91557
records, receiving stolen property, and any other offense that 91558
directly reflects on the applicant's integrity or commercial 91559
driver's license; 91560

(7) Accumulated repeated convictions under a state or federal 91561
safety law governing commercial motor vehicles or a rule or 91562
regulation adopted under such a law; 91563

(8) Accumulated repeated convictions under a law, rule, or 91564
regulation governing the movement of traffic over the public 91565
streets and highways; 91566

(9) Failed to pay any fees associated with any permitted 91567
operation or move; 91568

(10) Deliberately or willfully submitted false or misleading 91569
information in connection with the application for, or performance 91570
under, a permit issued under this section. 91571

If the applicant is a partnership, association, or 91572
corporation, the director also may debar from consideration for 91573
permits any partner of the partnership, or the officers, 91574
directors, or employees of the association or corporation being 91575
debarred. 91576

The director may adopt rules in accordance with Chapter 119. 91577
of the Revised Code governing the debarment of an applicant. 91578

(G) When the director reasonably believes that grounds for 91579
debarment exist, the director shall send the person that is 91580
subject to debarment a notice of the proposed debarment. A notice 91581
of proposed debarment shall indicate the grounds for the debarment 91582
of the person and the procedure for requesting a hearing. The 91583

notice and hearing shall be in accordance with Chapter 119. of the 91584
Revised Code. If the person does not respond with a request for a 91585
hearing in the manner specified in that chapter, the director 91586
shall issue the debarment decision without a hearing and shall 91587
notify the person of the decision by certified mail, return 91588
receipt requested. The debarment period may be of any length 91589
determined by the director, and the director may modify or rescind 91590
the debarment at any time. During the period of debarment, the 91591
director shall not issue, or consider issuing, a permit under this 91592
section to any partnership, association, or corporation that is 91593
affiliated with a debarred person. After the debarment period 91594
expires, the person, and any partnership, association, or 91595
corporation affiliated with the person, may reapply for a permit. 91596

(H)(1) No person shall violate the terms of a permit issued 91597
under this section that relate to gross load limits. 91598

(2) No person shall violate the terms of a permit issued 91599
under this section that relate to axle load by more than two 91600
thousand pounds per axle or group of axles. 91601

(3) No person shall violate the terms of a permit issued 91602
under this section that relate to an approved route except upon 91603
order of a law enforcement officer or authorized agent of the 91604
issuing authority. 91605

(I) Whoever violates division (H) of this section shall be 91606
punished as provided in section 4513.99 of the Revised Code. 91607

(J) A permit issued by the department of transportation or a 91608
local authority under this section for the operation of a vehicle 91609
or combination of vehicles is valid for the purposes of the 91610
vehicle operation in accordance with the conditions and 91611
limitations specified on the permit. Such a permit is voidable by 91612
law enforcement only for operation of a vehicle or combination of 91613
vehicles in violation of the weight, dimension, or route 91614

provisions of the permit. However, a permit is not voidable for 91615
operation in violation of a route provision of a permit if the 91616
operation is upon the order of a law enforcement officer. 91617

Sec. 4519.11. One dollar and twenty-five cents of each fee 91618
collected under sections 4519.04 and 4519.09 of the Revised Code 91619
shall be paid into the state bureau of motor vehicles fund created 91620
by section 4501.25 of the Revised Code. All other fees, and all 91621
taxes and fines levied, charged, or referred to in this chapter, 91622
unless otherwise designated by law, shall be deposited into the 91623
state treasury to the credit of the state recreational vehicle 91624
fund, which is hereby created. The state recreational vehicle fund 91625
shall be used for the purpose of enforcing and administering the 91626
law relative to the registration and operation of snowmobiles, 91627
off-highway motorcycles, and all-purpose vehicles within the 91628
state. In addition, subject to controlling board approval, the 91629
fund shall be used for the purpose of expanding the activities of 91630
the department of natural resources to provide trails and other 91631
areas for the operation of such vehicles on state-controlled land 91632
and waters, for the purchase of additional land to be used for 91633
such purposes, and for the development and implementation by the 91634
department of programs relating to the safe use and enjoyment of 91635
snowmobiles, off-highway motorcycles, and all-purpose vehicles. 91636

All investment earnings of the state recreational vehicle 91637
fund shall be credited to the fund. 91638

Notwithstanding section 1501.01 of the Revised Code, nothing 91639
in this section authorizes the appropriation of property to 91640
provide trails and other areas for the operation of snowmobiles, 91641
off-highway motorcycles, and all-purpose vehicles. 91642

Sec. 4701.03. (A) The accountancy board annually shall elect 91643
a president, secretary, and treasurer from its members. The board 91644

and for the administration of this chapter. The board may adopt 91646
and amend rules defining the practice of public accounting, rules 91647

professional association, corporation-for-profit, or other legal 91652
entity practice of public accounting. A majority of the board 91653
shall constitute a quorum for the transaction of business. 91654

(B) The board shall keep and hold open for public inspection 91655
all records of its proceedings. 91656

(C) The board may employ any clerks that are necessary to 91657
assist it in the performance of its duties and the keeping of its 91658
records. If the board employs an executive director, the board 91659

directing under the applicant's or licensee's supervision. 92966

(6) The applicant or licensee has been habitually 92967
intoxicated, or is addicted to the use of morphine, cocaine, or 92968
other habit-forming or illegal drugs. 92969

(7) The applicant or licensee has refused to promptly submit 92970
the custody of a dead human body upon the express order of the 92971
person legally entitled to the body. 92972

(8) The licensee loaned the licensee's own license, or the 92973
applicant or licensee borrowed or used the license of another 92974
person, or knowingly aided or abetted the granting of an improper 92975
license. 92976

(9) The applicant or licensee transferred a license to 92977

owner or operator to another, or from one location to another, 92979
without notifying the board. 92980

(10) The applicant or licensee misled the public by using 92981
false or deceptive advertising. 92982

(B)(1) The board of embalmers and funeral directors shall 92983

embalmer's, funeral director's, funeral home, or embalming 92985
facility license only in accordance with Chapter 119. of the 92986
Revised Code. 92987

(2) The board shall send to the crematory review board 92988
written notice that it proposes to refuse to issue or renew, or 92989
proposes to suspend or revoke, a license to operate a crematory 92990
facility. If, after the conclusion of the adjudicatory hearing on 92991
the matter conducted under division ~~(E)~~(F) of section 4717.03 of 92992
the Revised Code, the board of embalmers and funeral directors 92993
finds that any of the circumstances described in divisions (A)(1) 92994

to (10) of this section apply to the person named in its proposed 92995
action, the board may issue a final order under division ~~(E)~~(F) of 92996
section 4717.03 of the Revised Code refusing to issue or renew, or 92997
suspending or revoking, the person's license to operate a 92998
crematory facility. 92999

(C) If the board of embalmers and funeral directors 93000
determines that there is clear and convincing evidence that any of 93001
the circumstances described in divisions (A)(1) to (10) of this 93002
section apply to the holder of a license issued under this chapter 93003
and that the licensee's continued practice presents a danger of 93004
immediate and serious harm to the public, the board may suspend 93005
the licensee's license without a prior adjudicatory hearing. The 93006
executive director of the board shall prepare written allegations 93007
for consideration by the board. 93008

The board, after reviewing the written allegations, may 93009
suspend a license without a prior hearing. 93010

The board shall issue a written order of suspension by a 93011
delivery system or in person in accordance with section 119.07 of 93012
the Revised Code. Such an order is not subject to suspension by 93013
the court during the pendency of any appeal filed under section 93014
119.12 of the Revised Code. If the holder of an embalmer's, 93015
funeral director's, funeral home, or embalming facility license 93016
requests an adjudicatory hearing by the board, the date set for 93017
the hearing shall be within fifteen days, but not earlier than 93018
seven days, after the licensee has requested a hearing, unless the 93019
board and the licensee agree to a different time for holding the 93020
hearing. 93021

Upon issuing a written order of suspension to the holder of a 93022
license to operate a crematory facility, the board of embalmers 93023
and funeral directors shall send written notice of the issuance of 93024
the order to the crematory review board. The crematory review 93025
board shall hold an adjudicatory hearing on the order under 93026

division ~~(E)~~(F) of section 4717.03 of the Revised Code within 93027
fifteen days, but not earlier than seven days, after the issuance 93028
of the order, unless the crematory review board and the licensee 93029
agree to a different time for holding the adjudicatory hearing. 93030

Any summary suspension imposed under this division shall 93031
remain in effect, unless reversed on appeal, until a final 93032
adjudicatory order issued by the board of embalmers and funeral 93033
directors pursuant to this division and Chapter 119. of the 93034
Revised Code, or division ~~(E)~~(F) of section 4717.03 of the Revised 93035
Code, as applicable, becomes effective. The board of embalmers and 93036
funeral directors shall issue its final adjudicatory order within 93037
sixty days after the completion of its hearing or, in the case of 93038
the summary suspension of a license to operate a crematory 93039
facility, within sixty days after completion of the adjudicatory 93040
hearing by the crematory review board. A failure to issue the 93041
order within that time results in the dissolution of the summary 93042
suspension order, but does not invalidate any subsequent final 93043
adjudicatory order. 93044

(D) If the board of embalmers and funeral directors suspends 93045
or revokes a license held by a funeral director or a funeral home 93046
for any reason identified in division (A) of this section, the 93047
board may file a complaint with the court of common pleas in the 93048
county where the violation occurred requesting appointment of a 93049
receiver and the sequestration of the assets of the funeral home 93050
that held the suspended or revoked license or the licensed funeral 93051
home that employs the funeral director that held the suspended or 93052
revoked license. If the court of common pleas is satisfied with 93053
the application for a receivership, the court may appoint a 93054
receiver. 93055

The board or a receiver may employ and procure whatever 93056
assistance or advice is necessary in the receivership or 93057
liquidation and distribution of the assets of the funeral home, 93058

and, for that purpose, may retain officers or employees of the 93059
funeral home as needed. All expenses of the receivership or 93060
liquidation shall be paid from the assets of the funeral home and 93061
shall be a lien on those assets, and that lien shall be a priority 93062
to any other lien. 93063

(E) Any holder of a license issued under this chapter who has 93064
pleaded guilty to, has been found by a judge or jury to be guilty 93065
of, or has had a judicial finding of eligibility for treatment in 93066
lieu of conviction entered against the individual in this state 93067
for aggravated murder, murder, voluntary manslaughter, felonious 93068
assault, kidnapping, rape, sexual battery, gross sexual 93069
imposition, aggravated arson, aggravated robbery, or aggravated 93070
burglary, or who has pleaded guilty to, has been found by a judge 93071
or jury to be guilty of, or has had a judicial finding of 93072
eligibility for treatment in lieu of conviction entered against 93073
the individual in another jurisdiction for any substantially 93074
equivalent criminal offense, is hereby suspended from practice 93075
under this chapter by operation of law, and any license issued to 93076
the individual under this chapter is hereby suspended by operation 93077
of law as of the date of the guilty plea, verdict or finding of 93078
guilt, or judicial finding of eligibility for treatment in lieu of 93079
conviction, regardless of whether the proceedings are brought in 93080
this state or another jurisdiction. The board shall notify the 93081
suspended individual of the suspension of the individual's license 93082
by the operation of this division by a delivery system or in 93083
person in accordance with section 119.07 of the Revised Code. If 93084
an individual whose license is suspended under this division fails 93085
to make a timely request for an adjudicatory hearing, the board 93086
shall enter a final order revoking the license. 93087

(F) No person whose license has been suspended or revoked 93088
under or by the operation of this section shall practice embalming 93089
or funeral directing or operate a funeral home, embalming 93090

facility, or crematory facility until the board has reinstated the 93091
person's license. 93092

Sec. 4717.15. (A) The board of embalmers and funeral 93093
directors, without the necessity for conducting a prior 93094
adjudication hearing, may issue a notice of violation to the 93095
holder of an embalmer's, funeral director's, funeral home, or 93096
embalming facility license issued under this chapter who the board 93097
finds has committed any of the violations described in divisions 93098
(A)(9)(a) to (g) of section 4717.04 of the Revised Code. The 93099
notice shall set forth the specific violation committed by the 93100
licensee and shall be sent by certified mail. The notice shall be 93101
accompanied by an order requiring the payment of the appropriate 93102
forfeiture prescribed in rules adopted under division (A)(9) of 93103
section 4717.04 of the Revised Code and by a notice informing the 93104
licensee that the licensee is entitled to an adjudicatory hearing 93105
on the notice of violation and order if the licensee requests a 93106
hearing and if the board receives the request within thirty days 93107
after the mailing of the notice of violation and order. The board 93108
shall conduct any such adjudicatory hearing in accordance with 93109
Chapter 119. of the Revised Code, except as otherwise provided in 93110
this division. 93111

A licensee who receives a notice of violation and order under 93112
this division shall pay to the executive director of the board the 93113
full amount of the forfeiture by certified check within thirty 93114
days after the notice of violation and order were mailed to the 93115
licensee unless, within that time, the licensee submits a request 93116
for an adjudicatory hearing on the notice of violation and order. 93117
If such a request for an adjudicatory hearing is timely filed, the 93118
licensee need not pay the forfeiture to the executive director 93119
until after a final, nonappealable administrative or judicial 93120
decision is rendered on the order requiring payment of the 93121
forfeiture. If a final nonappealable administrative or judicial 93122

decision is rendered affirming the board's order, the licensee 93123
shall pay to the executive director of the board the full amount 93124
of the forfeiture by certified check within thirty days after 93125
notice of the decision was sent to the licensee. A forfeiture is 93126
considered to be paid when the licensee's certified check is 93127
received by the executive director in Columbus. If the licensee 93128
fails to so pay the full amount of the forfeiture to the executive 93129
director within that time, the board shall issue an order 93130
suspending or revoking the individual's license, as the board 93131
considers appropriate. 93132

(B) The board shall send to the crematory review board 93133
written notice that it proposes to issue to the holder of a 93134
license to operate a crematory facility issued under this chapter 93135
a notice of violation and order requiring payment of a forfeiture 93136
specified in rules adopted under division (A)(9) of section 93137
4717.04 of the Revised Code. If, after the conclusion of the 93138
adjudicatory hearing on the matter conducted under division ~~(E)~~(F) 93139
