well status approved by the chief for a well, the owner of the 31638
well may submit to the chief an application for renewal of the 31639
temporary inactive well status on a form prescribed and provided 31640
by the chief. The application shall include a detailed plan that 31641
describes the ultimate disposition of the well, the time frames 31642
for that disposition, and any other information that the chief 31643

determines is necessary. The chief shall either deny an 31644
application by order or approve the application. If the chief 31645

for the first renewal and five hundred dollars for each subsequent 31652
renewal. 31653

(F) After a third renewal, the chief may require an owner to 31654
provide a surety bond in an amount not to exceed ten thousand 31655
dollars for each of the owner's wells that has been approved by 31656
the chief for temporary inactive well status. 31657

(G) Temporary inactive well status approved by the chief 31658
expires one year after the date of approval of the application for 31659
temporary inactive well status or production from the well 31660
commences, whichever occurs sooner. In addition, a renewal of a 31661
temporary inactive well status expires one year after the 31662
expiration date of the initial temporary inactive well status or 31663
one year after the expiration date of the previous renewal of the 31664
temporary inactive well status, as applicable, or production from 31665
the well commences, whichever occurs sooner. 31666

(H) The owner of a well that has been approved by the chief 31667
for temporary inactive well status may commence production from 31668
the well at any time. Not later than sixty days after the 31669
commencement of production from such a well, the owner shall 31670
notify the chief of the commencement of production. 31671

(I) This chapter and rules adopted under it, any terms and 31672
conditions of the permit for a well, and applicable orders issued 31673
by the chief apply to a well that has been approved by the chief 31674

action pursuant to division (I)(2) of this section shall provide 31977
notice to the chief in a manner prescribed by the chief. In the 31978
civil action, the court shall conduct an in camera review of 31979
information submitted by an owner or person described in division 31980

considered in substantial compliance if the owner has made 32010
reasonable efforts to obtain the required information from the 32011
supplier. 32012

information that a person who is regulated under this chapter is 32045
required to submit under the "Emergency Planning and Community 32046
Right-To-Know Act of 1986," 100 Stat. 1728, 42 U.S.C. 11001, and 32047
regulations adopted under it, and that the division does not 32048
obtain through other reporting mechanisms. 32049

(B) The chief shall not disclose information received from 32050
the department of taxation under division (C)(12) of section 32051
5703.21 of the Revised Code until the related statement of 32052
production required by division (A) of this section is filed with 32053
the chief. 32054

Sec. 1509.16. (A) As used in this section, "oil country 32055
tubular goods" means circular steel pipes that are seamless or 32056
welded and used in drilling for oil or natural gas, including 32057
casing, tubing, and drill pipe, whether finished or unfinished, 32058
and steel couplings and drill collars used with the pipes. 32059

(B) Beginning March 31, 2015, an owner shall file with the 32060
division of oil and gas resources management a disclosure form 32061
that specifies the country in which each oil country tubular good 32062
initially used in a production operation on or after that date was 32063
manufactured unless that country cannot be determined by the 32064
owner. The division shall prescribe the disclosure form and 32065
consult with representatives from the natural gas, oil, and steel 32066
industries when developing the form. The division shall use the 32067
information specified on the form to establish a quality well 32068
infrastructure catalog. 32069

(C) The division shall determine the date on which the 32070
disclosure form shall be filed. 32071

Sec. 1509.22. (A) Except when acting in accordance with 32072
section 1509.226 of the Revised Code, no person shall place or 32073
cause to be placed in ground water or in or on the land or 32074
discharge or cause to be discharged in surface water brine, crude 32075
oil, natural gas, or other fluids associated with the exploration 32076
~~or~~, development, well stimulation, production operations, or 32077
plugging of oil and gas resources in surface or ground water or in 32078
or on the land in such quantities or in such manner as actually 32079

~~that causes or could reasonably be anticipated to cause either of~~ 32080
~~the following:~~ 32081

~~(1) Water used for consumption by humans or domestic animals~~ 32082
~~to exceed the standards of the Safe Drinking Water Act;~~ 32083

~~(2) Damage~~ damage or injury to public health or safety or the 32084
environment. 32085

(B)(1) No person shall store or dispose of brine in violation 32086
of a plan approved under division (A) of section 1509.222 or 32087
section 1509.226 of the Revised Code, in violation of a resolution 32088
submitted under section 1509.226 of the Revised Code, or in 32089
violation of rules or orders applicable to those plans or 32090
resolutions. 32091

(2)(a) On and after January 1, 2014, no person shall store, 32092
recycle, treat, process, or dispose of in this state brine or 32093
other waste substances associated with the exploration, 32094
development, well stimulation, production operations, or plugging 32095
of oil and gas resources without an order or a permit issued under 32096
this section or section 1509.06 or 1509.21 of the Revised Code or 32097
rules adopted under any of those sections. For purposes of 32098
division (B)(2)(a) of this section, a permit or other form of 32099
authorization issued by another agency of the state or a political 32100
subdivision of the state shall not be considered a permit or order 32101
issued by the chief of the division of oil and gas resources 32102
management under this chapter. 32103

(b) Division (B)(2)(a) of this section does not apply to a 32104
person that disposes of such waste substances other than brine in 32105
accordance with Chapter 3734. of the Revised Code and rules 32106
adopted under it. 32107

(C) ~~The chief of the division of oil and gas resources~~ 32108
~~management shall adopt rules and issue orders~~ regarding storage, 32109
recycling, treatment, processing, and disposal of brine and other 32110

waste substances; ~~however, the.~~ The rules shall establish 32111
procedures and requirements in accordance with which a person 32112
shall apply for a permit or order for the storage, recycling, 32113
treatment, processing, or disposal of brine and other waste 32114
substances that are not subject to a permit issued under section 32115
1509.06 or 1509.21 of the Revised Code and in accordance with 32116
which the chief may issue such a permit or order. An application 32117
for such a permit shall be accompanied by a nonrefundable fee of 32118
two thousand five hundred dollars. 32119

The storage, recycling, treatment, processing, and disposal 32120
of brine and other waste substances and the chief's rules relating 32121
to storage, recycling, treatment, processing, and disposal are 32122
subject to all of the following standards: 32123

(1) Brine from any well except an exempt Mississippian well 32124
shall be disposed of only ~~by injection~~ as follows: 32125

(a) By injection into an underground formation, including 32126
annular disposal if approved by rule of the chief, which injection 32127
shall be subject to division (D) of this section; ~~by~~ 32128

(b) By surface application in accordance with section 32129
1509.226 of the Revised Code; ~~in~~ 32130

(c) In association with a method of enhanced recovery as 32131
provided in section 1509.21 of the Revised Code; ~~or by~~ 32132

(d) In any other ~~methods~~ manner not specified in divisions 32133
(C)(1)(a) to (c) of this section that is approved by a permit or 32134
order issued by the chief for testing or implementing a new 32135
technology or method of disposal. Brine 32136

(2) Brine from exempt Mississippian wells shall not be 32137
discharged directly into the waters of the state. 32138

~~(2)~~(3) Muds, cuttings, and other waste substances shall not 32139
be disposed of in violation of this chapter or any rule adopted 32140

under it. 32141

~~(3)~~(4) Pits or steel tanks shall be used as authorized by the 32142
chief for containing brine and other waste substances resulting 32143
from, obtained from, or produced in connection with drilling, well 32144
stimulation, reworking, reconditioning, plugging back, or plugging 32145
operations. The pits and steel tanks shall be constructed and 32146
maintained to prevent the escape of brine and other waste 32147
substances. 32148

~~(4)~~(5) A dike or pit may be used for spill prevention and 32149
control. A dike or pit so used shall be constructed and maintained 32150
to prevent the escape of brine and crude oil, and the reservoir 32151
within such a dike or pit shall be kept reasonably free of brine, 32152
crude oil, and other waste substances. 32153

~~(5) Earthen impoundments~~ (6) Impoundments constructed 32154
utilizing a synthetic liner pursuant to the division's 32155
specifications may be used for the temporary storage of ~~fluids~~ 32156
waste substances used in the construction, stimulation, or 32157
plugging of a well. 32158

~~(6)~~(7) No pit, ~~earthen impoundment,~~ or dike shall be used for 32159
the temporary storage of brine or other waste substances except in 32160
accordance with divisions (C)~~(3)~~ to (4) and (5) of this section. 32161

~~(7)~~(8) No pit or dike shall be used for the ultimate disposal 32162
of brine or other liquid waste substances. 32163

(D)(1) No person, without first having obtained a permit from 32164
the chief, shall inject brine or other waste substances resulting 32165
from, obtained from, or produced in connection with oil or gas 32166
drilling, exploration, or production into an underground formation 32167
unless a rule of the chief expressly authorizes the injection 32168
without a permit. The permit shall be in addition to any permit 32169
required by section 1509.05 of the Revised Code, and the permit 32170
application shall be accompanied by a permit fee of one thousand 32171

dollars. The chief shall adopt rules in accordance with Chapter 32172
119. of the Revised Code regarding the injection into wells of 32173
brine and other waste substances resulting from, obtained from, or 32174
produced in connection with oil or gas drilling, exploration, or 32175
production. The rules shall include provisions regarding all of 32176
the following: 32177

(a) Applications for and issuance of the permits required by 32178
this division; 32179

(b) Entry to conduct inspections and to examine and copy 32180
records to ascertain compliance with this division and rules, 32181
orders, and terms and conditions of permits adopted or issued 32182
under it; 32183

(c) The provision and maintenance of information through 32184
monitoring, recordkeeping, and reporting. In addition, the rules 32185
shall require the owner of an injection well who has been issued a 32186
permit under division (D) of this section to quarterly submit 32187
electronically to the chief information concerning each shipment 32188
of brine or other waste substances received by the owner for 32189
injection into the well. 32190

(d) The provision and electronic reporting quarterly of 32191
information concerning brine and other waste substances from a 32192
transporter that is registered under section 1509.222 of the 32193
Revised Code prior to the injection of the transported brine or 32194
other waste substances; 32195

(e) Any other provisions in furtherance of the goals of this 32196
section and the Safe Drinking Water Act. 32197

(2) The chief may adopt rules in accordance with Chapter 119. 32198
of the Revised Code authorizing tests to evaluate whether fluids 32199
or carbon dioxide may be injected in a reservoir and to determine 32200
the maximum allowable injection pressure, which shall be conducted 32201
in accordance with methods prescribed in the rules or in 32202

accordance with conditions of the permit. In addition, the chief 32203
may adopt rules that do both of the following: 32204

(a) Establish the total depth of a well for which a permit 32205
has been applied for or issued under this division; 32206

(b) Establish requirements and procedures to protect public 32207
health and safety. 32208

(3) To implement the goals of the Safe Drinking Water Act, 32209
the chief shall not issue a permit for the injection of brine or 32210
other waste substances resulting from, obtained from, or produced 32211
in connection with oil or gas drilling, exploration, or production 32212
unless the chief concludes that the applicant has demonstrated 32213
that the injection will not result in the presence of any 32214
contaminant in ground water that supplies or can reasonably be 32215
expected to supply any public water system, such that the presence 32216
of the contaminant may result in the system's not complying with 32217
any national primary drinking water regulation or may otherwise 32218
adversely affect the health of persons. 32219

(4) The chief may issue an order to the owner of a well in 32220
existence on ~~the effective date of this amendment~~ September 10, 32221
2012, to make changes in the operation of the well in order to 32222
correct problems or to address safety concerns. 32223

(5) This division and rules, orders, and terms and conditions 32224
of permits adopted or issued under it shall be construed to be no 32225
more stringent than required for compliance with the Safe Drinking 32226
Water Act unless essential to ensure that underground sources of 32227
drinking water will not be endangered. 32228

(E) The owner holding a permit, or an assignee or transferee 32229
who has assumed the obligations and liabilities imposed by this 32230
chapter and any rules adopted or orders issued under it pursuant 32231
to section 1509.31 of the Revised Code, and the operator of a well 32232
shall be liable for a violation of this section or any rules 32233

adopted or orders or terms or conditions of a permit issued under 32234
it. 32235

(F) An owner shall replace the water supply of the holder of 32236
an interest in real property who obtains all or part of the 32237
holder's supply of water for domestic, agricultural, industrial, 32238
or other legitimate use from an underground or surface source 32239
where the supply has been substantially disrupted by 32240
contamination, diminution, or interruption proximately resulting 32241
from the owner's oil or gas operation, or the owner may elect to 32242
compensate the holder of the interest in real property for the 32243
difference between the fair market value of the interest before 32244
the damage occurred to the water supply and the fair market value 32245
after the damage occurred if the cost of replacing the water 32246
supply exceeds this difference in fair market values. However, 32247
during the pendency of any order issued under this division, the 32248
owner shall obtain for the holder or shall reimburse the holder 32249
for the reasonable cost of obtaining a water supply from the time 32250
of the contamination, diminution, or interruption by the operation 32251
until the owner has complied with an order of the chief for 32252
compliance with this division or such an order has been revoked or 32253
otherwise becomes not effective. If the owner elects to pay the 32254
difference in fair market values, but the owner and the holder 32255
have not agreed on the difference within thirty days after the 32256
chief issues an order for compliance with this division, within 32257
ten days after the expiration of that thirty-day period, the owner 32258
and the chief each shall appoint an appraiser to determine the 32259
difference in fair market values, except that the holder of the 32260
interest in real property may elect to appoint and compensate the 32261
holder's own appraiser, in which case the chief shall not appoint 32262
an appraiser. The two appraisers appointed shall appoint a third 32263
appraiser, and within thirty days after the appointment of the 32264
third appraiser, the three appraisers shall hold a hearing to 32265
determine the difference in fair market values. Within ten days 32266

after the hearing, the appraisers shall make their determination 32267
by majority vote and issue their final determination of the 32268
difference in fair market values. The chief shall accept a 32269
determination of the difference in fair market values made by 32270
agreement of the owner and holder or by appraisers under this 32271
division and shall make and dissolve orders accordingly. This 32272
division does not affect in any way the right of any person to 32273
enforce or protect, under applicable law, the person's interest in 32274
water resources affected by an oil or gas operation. 32275

(G) In any action brought by the state for a violation of 32276
division (A) of this section involving any well at which annular 32277
disposal is used, there shall be a rebuttable presumption 32278
available to the state that the annular disposal caused the 32279
violation if the well is located within a one-quarter-mile radius 32280
of the site of the violation. 32281

(H)(1) There is levied on the owner of an injection well who 32282
has been issued a permit under division (D) of this section the 32283
following fees: 32284

(a) Five cents per barrel of each substance that is delivered 32285
to a well to be injected in the well when the substance is 32286
produced within the division of oil and gas resources management 32287
regulatory district in which the well is located or within an 32288
adjoining oil and gas resources management regulatory district; 32289

(b) Twenty cents per barrel of each substance that is 32290
delivered to a well to be injected in the well when the substance 32291
is not produced within the division of oil and gas resources 32292
management regulatory district in which the well is located or 32293
within an adjoining oil and gas resources management regulatory 32294
district. 32295

(2) The maximum number of barrels of substance per injection 32296
well in a calendar year on which a fee may be levied under 32297

division (H) of this section is five hundred thousand. If in a 32298
calendar year the owner of an injection well receives more than 32299
five hundred thousand barrels of substance to be injected in the 32300
owner's well and if the owner receives at least one substance that 32301
is produced within the division's regulatory district in which the 32302
well is located or within an adjoining regulatory district and at 32303
least one substance that is not produced within the division's 32304
regulatory district in which the well is located or within an 32305
adjoining regulatory district, the fee shall be calculated first 32306
on all of the barrels of substance that are not produced within 32307
the division's regulatory district in which the well is located or 32308
within an adjoining district at the rate established in division 32309
(H)(2) of this section. The fee then shall be calculated on the 32310
barrels of substance that are produced within the division's 32311
regulatory district in which the well is located or within an 32312
adjoining district at the rate established in division (H)(1) of 32313
this section until the maximum number of barrels established in 32314
division (H)(2) of this section has been attained. 32315

(3) The owner of an injection well who is issued a permit 32316
under division (D) of this section shall collect the fee levied by 32317
division (H) of this section on behalf of the division of oil and 32318
gas resources management and forward the fee to the division. The 32319
chief shall transmit all money received under division (H) of this 32320
section to the treasurer of state who shall deposit the money in 32321
the state treasury to the credit of the oil and gas well fund 32322
created in section 1509.02 of the Revised Code. The owner of an 32323
injection well who collects the fee levied by this division may 32324
retain up to three per cent of the amount that is collected. 32325

(4) The chief shall adopt rules in accordance with Chapter 32326
119. of the Revised Code establishing requirements and procedures 32327
for collection of the fee levied by division (H) of this section. 32328

Sec. 1509.226. (A) If a board of county commissioners, a 32329
board of township trustees, or the legislative authority of a 32330
municipal corporation wishes to permit the surface application of 32331
brine to roads, streets, highways, and other similar land surfaces 32332
it owns or has the right to control for control of dust or ice, it 32333
may adopt a resolution permitting such application as provided in 32334
this section. If a board or legislative authority does not adopt 32335
such a resolution, then no such surface application of brine is 32336
permitted on such roads, streets, highways, and other similar 32337
surfaces. If a board or legislative authority votes on a proposed 32338
resolution to permit such surface application of brine, but the 32339
resolution fails to receive the affirmative vote of a majority of 32340
the board or legislative authority, the board or legislative 32341
authority shall not adopt such a resolution for one year following 32342
the date on which the vote was taken. A board or legislative 32343
authority shall hold at least one public hearing on any proposal 32344
to permit surface application of brine under this division and may 32345
hold additional hearings. The board or legislative authority shall 32346
publish notice of the time and place of each such public hearing 32347
in a newspaper of general circulation in the political subdivision 32348
at least five days before the day on which the hearing is to be 32349
held. 32350

(B) If a board or legislative authority adopts a resolution 32351
permitting the surface application of brine to roads, streets, 32352
highways, and other similar land surfaces under division (A) of 32353
this section, the board or legislative authority shall, within 32354
thirty days after the adoption of the resolution, prepare and 32355
submit to the chief of the division of oil and gas resources 32356
management a copy of the resolution. Any department, agency, or 32357
instrumentality of this state or the United States that wishes to 32358
permit the surface application of brine to roads, streets, 32359
highways, and other similar land surfaces it owns or has a right 32360

to control shall prepare and submit guidelines for such 32361
application, but need not adopt a resolution under division (A) of 32362
this section permitting such surface application. 32363

All resolutions and guidelines shall be subject to the 32364
following standards: 32365

(1) Brine shall not be applied: 32366

(a) To a water-saturated surface; 32367

(b) Directly to vegetation near or adjacent to surfaces being 32368
treated; 32369

(c) Within twelve feet of structures crossing bodies of water 32370
or crossing drainage ditches; 32371

(d) Between sundown and sunrise, except for ice control. 32372

(2) The discharge of brine through the spreader bar shall 32373
stop when the application stops. 32374

(3) The applicator vehicle shall be moving at least five 32375
miles per hour at all times while the brine is being applied. 32376

(4) The maximum spreader bar nozzle opening shall be 32377
three-quarters of an inch in diameter. 32378

(5) The maximum uniform application rate of brine shall be 32379
three thousand gallons per mile on a twelve-foot-wide road or 32380
three gallons per sixty square feet on unpaved lots. 32381

(6) The applicator vehicle discharge valve shall be closed 32382
between the brine collection point and the specific surfaces that 32383
have been approved for brine application. 32384

(7) Any valves that provide for tank draining other than 32385
through the spreader bar shall be closed during the brine 32386
application and transport. 32387

(8) The angle of discharge from the applicator vehicle 32388
spreader bar shall not be greater than sixty degrees from the 32389

perpendicular to the unpaved surface. 32390

(9) Only the last twenty-five per cent of an applicator 32391
vehicle's contents shall be allowed to have a pressure greater 32392
than atmospheric pressure; therefore, the first seventy-five per 32393
cent of the applicator vehicle's contents shall be discharged 32394
under atmospheric pressure. 32395

(10) Only brine that is produced from a well that is not a 32396
horizontal well shall be allowed to be spread on a road. Fluids 32397
from the drilling of a well, flowback from the stimulation of a 32398
well, and other fluids used to treat a well shall not be spread on 32399
a road. 32400

If a resolution or guidelines contain only the standards 32401
listed in divisions (B)(1) to (10) of this section, without 32402
addition or qualification, the resolution or guidelines shall be 32403
deemed effective when submitted to the chief without further 32404
action by the chief. All other resolutions and guidelines shall 32405
comply with and be no less stringent than this chapter, rules 32406
concerning surface application that the chief shall adopt under 32407
division (C) of section 1509.22 of the Revised Code, and other 32408
rules of the chief. Within fifteen days after receiving such other 32409
resolutions and guidelines, the chief shall review them for 32410
compliance with the law and rules and disapprove them if they do 32411
not comply. 32412

The board, legislative authority, or department, agency, or 32413
instrumentality may revise and resubmit any resolutions or 32414
guidelines that the chief disapproves after each disapproval, and 32415
the chief shall again review and approve or disapprove them within 32416
fifteen days after receiving them. The board, legislative 32417
authority, or department, agency, or instrumentality may amend any 32418
resolutions or guidelines previously approved by the chief and 32419
submit them, as amended, to the chief. The chief shall receive, 32420
review, and approve or disapprove the amended resolutions or 32421

guidelines on the same basis and in the same time as original 32422
resolutions or guidelines. The board, legislative authority, or 32423
department, agency, or instrumentality shall not implement amended 32424
resolutions or guidelines until they are approved by the chief 32425
under this division. 32426

(C) Any person, other than a political subdivision required 32427
to adopt a resolution under division (A) of this section or a 32428
department, agency, or instrumentality of this state or the United 32429
States, who owns or has a legal right or obligation to maintain a 32430
road, street, highway, or other similar land surface may file with 32431
the board of county commissioners a written plan for the 32432
application of brine to the road, street, highway, or other 32433
surface. The board need not approve any such plans, but if it 32434
approves a plan, the plan shall comply with this chapter, rules 32435
adopted thereunder, and the board's resolutions, if any. 32436
Disapproved plans may be revised and resubmitted for the board's 32437
approval. Approved plans may also be revised and submitted to the 32438
board. A plan or revised plan shall do all of the following: 32439

(1) Identify the sources of brine to be used under the plan; 32440

(2) Identify by name, address, and registration certificate, 32441
if applicable, any transporters of the brine; 32442

(3) Specifically identify the places to which the brine will 32443
be applied; 32444

(4) Specifically describe the method, rate, and frequency of 32445
application. 32446

(D) The board may attach terms and conditions to approval of 32447
a plan, or revised plan, and may revoke approval for any violation 32448
of this chapter, rules adopted thereunder, resolutions adopted by 32449
the board, or terms or conditions attached by the board. The board 32450
shall conduct at least one public hearing before approving a plan 32451
or revised plan, publishing notice of the time and place of each 32452

such public hearing in a newspaper of general circulation in the 32453
county at least five days before the day on which the hearing is 32454
to be held. The board shall record the filings of all plans and 32455
revised plans in its journal. The board shall approve, disapprove, 32456
or revoke approval of a plan or revised plan by the adoption of a 32457
resolution. Upon approval of a plan or revised plan, the board 32458
shall send a copy of the plan to the chief. Upon revoking approval 32459
of a plan or revised plan, the board shall notify the chief of the 32460
revocation. 32461

(E) No person shall: 32462

(1) Apply brine to a water-saturated surface; 32463

(2) Apply brine directly to vegetation adjacent to the 32464
surface of roads, streets, highways, and other surfaces to which 32465
brine may be applied. 32466

(F) Each political subdivision that adopts a resolution under 32467
divisions (A) and (B) of this section, each department, agency, or 32468
instrumentality of this state or the United States that submits 32469
guidelines under division (B) of this section, and each person who 32470
files a plan under divisions (C) and (D) of this section shall, on 32471
or before the fifteenth day of April of each year, file a report 32472
with the chief concerning brine applied within the person's or 32473
governmental entity's jurisdiction, including the quantities 32474
transported and the sources and application points during the last 32475
preceding calendar year and such other information in such form as 32476
the chief requires. 32477

(G) Any political subdivision or department, agency, or 32478
instrumentality of this state or the United States that applies 32479
brine under this section may do so with its own personnel, 32480
vehicles, and equipment without registration under or compliance 32481
with section 1509.222 or 1509.223 of the Revised Code and without 32482
the necessity for filing the surety bond or other security 32483

required by section 1509.225 of the Revised Code. However, each 32484
such entity shall legibly identify vehicles used to apply brine 32485
with reflective paint in letters no less than four inches in 32486
height, indicating the word "brine" and that the vehicle is a 32487
vehicle of the political subdivision, department, agency, or 32488
instrumentality. Except as stated in this division, such entities 32489
shall transport brine in accordance with sections 1509.22 to 32490
1509.226 of the Revised Code. 32491

(H) A surface application plan filed for approval under 32492
division (C) of this section shall be accompanied by a 32493
nonrefundable fee of fifty dollars, which shall be credited to the 32494
general fund of the county. An approved plan is valid for one year 32495
from the date of its approval unless it is revoked before that 32496
time. An approved revised plan is valid for the remainder of the 32497
term of the plan it supersedes unless it is revoked before that 32498
time. Any person who has filed such a plan or revised plan and had 32499
it approved may renew it by refileing it in accordance with 32500
divisions (C) and (D) of this section within thirty days before 32501
any anniversary of the date on which the original plan was 32502
approved. The board shall notify the chief of renewals and 32503
nonrenewals of plans. Even if a renewed plan is approved under 32504
those divisions, the plan is not effective until notice is 32505
received by the chief, and until notice is received, the chief 32506
shall enforce this chapter and rules adopted thereunder with 32507
regard to the affected roads, streets, highways, and other similar 32508

(I) A resolution adopted under division (A) of this section 32510
by a board or legislative authority shall be effective for one 32511
year following the date of its adoption and from month to month 32512
thereafter until the board or legislative authority, by 32513
resolution, terminates the authority granted in the original 32514
resolution. The termination shall be effective not less than seven 32515

days after enactment of the resolution, and a copy of the 32516
resolution shall be sent to the chief. 32517

Sec. 1509.227. Notwithstanding division (B)(2)(a) of section 32518
1509.22 of the Revised Code, on and after January 1, 2014, a 32519
person that is in operation prior to the date may store, recycle, 32520
treat, process, or dispose of in this state brine or other waste 32521
substances associated with the exploration, development, well 32522
stimulation, production operations, or plugging of oil and gas 32523
resources without an order or a permit issued under section 32524
1509.06, 1509.21, or 1509.22 of the Revised Code or rules adopted 32525
under any of those sections, provided that the chief of the 32526
division of oil and gas resources management has approved the 32527
operation and any required permit or other form of authorization 32528
has been issued by the environmental protection agency. 32529

Sec. 1509.50. (A) An oil and gas regulatory cost recovery 32530
assessment is hereby imposed by this section on an owner. An owner 32531
shall pay the assessment in the same manner as a severer who is 32532
required to file a return under section 5749.06 of the Revised 32533
Code. However, an owner may designate a severer who shall pay the 32534
owner's assessment on behalf of the owner on the return that the 32535
severer is required to file under that section. If a severer so 32536
pays an owner's assessment, the severer may recoup from the owner 32537
the amount of the assessment. Except for an exempt domestic well, 32538
the assessment imposed shall be in addition to the taxes levied on 32539
the severance of oil and gas under section 5749.02 of the Revised 32540
Code. 32541

(B)(1) Except for an exempt domestic well, the oil and gas 32542
regulatory cost recovery assessment shall be calculated on a 32543
quarterly basis and shall be one of the following: 32544

(a) If the sum of ten cents per barrel of oil for all of the 32545

wells of the owner, one-half of one cent per one thousand cubic 32546
feet of natural gas for all of the wells of the owner, and the 32547
amount of the severance tax levied on each severer for all of the 32548
wells of the owner under divisions (A)(5) and (6) of section 32549
5749.02 of the Revised Code, as applicable, is greater than the 32550
sum of fifteen dollars for each well owned by the owner, the 32551
amount of the assessment is the sum of ten cents per barrel of oil 32552
for all of the wells of the owner and one-half of one cent per one 32553
thousand cubic feet of natural gas for all of the wells of the 32554
owner. 32555

(b) If the sum of ten cents per barrel of oil for all of the 32556
wells of the owner, one-half of one cent per one thousand cubic 32557
feet of natural gas for all of the wells of the owner, and the 32558
amount of the severance tax levied on each severer for all of the 32559
wells of the owner under divisions (A)(5) and (6) of section 32560
5749.02 of the Revised Code, as applicable, is less than the sum 32561
of fifteen dollars for each well owned by the owner, the amount of 32562
the assessment is the sum of fifteen dollars for each well owned 32563
by the owner less the amount of the tax levied on each severer for 32564
all of the wells of the owner under divisions (A)(5) and (6) of 32565
section 5749.02 of the Revised Code, as applicable. 32566

(2) The oil and gas regulatory cost recovery assessment for a 32567
well that becomes an exempt domestic well on and after June 30, 32568
2010, shall be sixty dollars to be paid to the division of oil and 32569
gas resources management on the first day of July of each year. 32570

(C) All money collected pursuant to this section shall be 32571
~~deposited in the state treasury to the credit of~~ credited to the 32572
severance tax receipts fund. After the director of budget and 32573
management transfers money from the severance tax receipts fund as 32574
required in division (H) of section 5749.06 of the Revised Code, 32575
money in the severance tax receipts fund from amounts collected 32576
pursuant to this section shall be credited to the oil and gas well 32577

fund created in section 1509.02 of the Revised Code. 32578

(D) Except for purposes of revenue distribution as specified 32579
in division (B) of section 5749.02 of the Revised Code, the oil 32580
and gas regulatory cost recovery assessment imposed by this 32581
section shall be treated the same and equivalent for all purposes 32582
as the taxes levied on the severance of oil and gas under that 32583
section. However, the assessment imposed by this section is not a 32584
tax under Chapter 5749. of the Revised Code. 32585

Sec. 1511.02. The chief of the division of soil and water 32586
resources, subject to the approval of the director of natural 32587
resources, shall do all of the following: 32588

(A) Provide administrative leadership to local soil and water 32589
conservation districts in planning, budgeting, staffing, and 32590
administering district programs and the training of district 32591
supervisors and personnel in their duties, responsibilities, and 32592
authorities as prescribed in this chapter and Chapter 1515. of the 32593
Revised Code; 32594

(B) Administer this chapter and Chapter 1515. of the Revised 32595
Code pertaining to state responsibilities and provide staff 32596
assistance to the Ohio soil and water conservation commission in 32597
exercising its statutory responsibilities; 32598

(C) Assist in expediting state responsibilities for watershed 32599
development and other natural resource conservation works of 32600
improvement; 32601

(D) Coordinate the development and implementation of 32602
cooperative programs and working agreements between local soil and 32603
water conservation districts and divisions or sections of the 32604
department of natural resources, or other agencies of local, 32605
state, and federal government; 32606

(E) Subject to the approval of the Ohio soil and water 32607

conservation commission, adopt, amend, or rescind rules pursuant 32608
to Chapter 119. of the Revised Code. Rules adopted pursuant to 32609
this section: 32610

(1) Shall establish technically feasible and economically 32611
reasonable standards to achieve a level of management and 32612
conservation practices in farming or silvicultural operations that 32613
will abate wind or water erosion of the soil or abate the 32614
degradation of the waters of the state by animal waste or by soil 32615
sediment including substances attached thereto, and establish 32616
criteria for determination of the acceptability of such management 32617
and conservation practices; 32618

(2) Shall establish technically feasible and economically 32619
reasonable standards to achieve a level of management and 32620
conservation practices that will abate wind or water erosion of 32621
the soil or abate the degradation of the waters of the state by 32622
soil sediment in conjunction with land grading, excavating, 32623
filling, or other soil-disturbing activities on land used or being 32624
developed for nonfarm commercial, industrial, residential, or 32625
other nonfarm purposes, and establish criteria for determination 32626
of the acceptability of such management and conservation 32627
practices. The standards shall be designed to implement applicable 32628
areawide waste treatment management plans prepared under section 32629
208 of the "Federal Water Pollution Control Act," 86 Stat. 816 32630
(1972), 33 U.S.C.A. 1288, as amended. The standards and criteria 32631
shall not apply in any municipal corporation or county that adopts 32632
ordinances or rules pertaining to sediment control, nor to lands 32633
being used in a strip mine operation as defined in section 1513.01 32634
of the Revised Code, nor to lands being used in a surface mining 32635
operation as defined in section 1514.01 of the Revised Code. 32636

(3) May recommend criteria and procedures for the approval of 32637
urban sediment pollution abatement plans and issuance of permits 32638
prior to any grading, excavating, filling, or other whole or 32639

partial disturbance of five or more contiguous acres of land owned 32640
by one person or operated as one development unit and require 32641
implementation of such a plan. Areas of less than five contiguous 32642
acres are not exempt from compliance with other provisions of this 32643
chapter and rules adopted under them. 32644

(4) Shall establish procedures for administration of rules 32645
for agricultural pollution abatement and urban sediment pollution 32646
abatement and for enforcement of rules for agricultural pollution 32647
abatement; 32648

(5) Shall specify the pollution abatement practices eligible 32649
for state cost sharing and determine the conditions for 32650
eligibility, the construction standards and specifications, the 32651
useful life, the maintenance requirements, and the limits of cost 32652
sharing for those practices. Eligible practices shall be limited 32653
to practices that address agricultural or silvicultural operations 32654
and that require expenditures that are likely to exceed the 32655
economic returns to the owner or operator and that abate soil 32656
erosion or degradation of the waters of the state by animal waste 32657
or soil sediment including pollutants attached thereto. 32658

(6) Shall establish procedures for administering grants to 32659
owners or operators of agricultural land or concentrated animal 32660
feeding operations for the implementation of operation and 32661
management plans; 32662

(7) Shall establish procedures for administering grants to 32663
soil and water conservation districts for urban sediment pollution 32664
abatement programs, specify the types of projects eligible for 32665
grants, establish limits on the availability of grants, and 32666
establish requirements governing the execution of projects to 32667
encourage the reduction of erosion and sedimentation associated 32668
with soil-disturbing activities; 32669

(8) Shall do all of the following with regard to composting 32670

conducted in conjunction with agricultural operations: 32671

(a) Provide for the distribution of educational material 32672
concerning composting to the offices of ~~the Ohio cooperative~~ OSU 32673
extension ~~service~~ for the purposes of section 1511.022 of the 32674
Revised Code; 32675

(b) Establish methods, techniques, or practices for 32676
composting dead animals, or particular types of dead animals, that 32677
are to be used at such operations, as the chief considers to be 32678
necessary or appropriate; 32679

(c) Establish requirements and procedures governing the 32680
review and approval or disapproval of composting plans by the 32681
supervisors of soil and water conservation districts under 32682
division (Q) of section 1515.08 of the Revised Code. 32683

(9) Shall be adopted, amended, or rescinded after the chief 32684
does all of the following: 32685

(a) Mails notice to each statewide organization that the 32686
chief determines represents persons or local governmental agencies 32687

(10) Shall not conflict with air or water quality standards 32701
adopted pursuant to section 3704.03 or 6111.041 of the Revised 32702
Code. Compliance with rules adopted pursuant to this section does 32703
not affect liability for noncompliance with air or water quality 32704
standards adopted pursuant to section 3704.03 or 6111.041 of the 32705
Revised Code. The application of a level of management and 32706
conservation practices recommended under this section to control 32707
windblown soil from farming operations creates a presumption of 32708
compliance with section 3704.03 of the Revised Code as that 32709
section applies to windblown soil. 32710

(11) Insofar as the rules relate to urban sediment pollution, 32711
shall not be applicable in a municipal corporation or county that 32712
adopts ordinances or rules for urban sediment control, except that 32713
a municipal corporation or county that adopts such ordinances or 32714
rules may receive moneys for urban sediment control that are 32715
disbursed by the board of supervisors of the applicable soil and 32716
water conservation district under division (N) of section 1515.08 32717
of the Revised Code. The rules shall not exempt any person from 32718
compliance with municipal ordinances enacted pursuant to Section 3 32719
of Article XVIII, Ohio Constitution. 32720

(F) Cost share with landowners on practices established 32721
pursuant to division (E)(5) of this section as moneys are 32722
appropriated and available for that purpose. Any practice for 32723
which cost share is provided shall be maintained for its useful 32724
life. Failure to maintain a cost share practice for its useful 32725
life shall subject the landowner to full repayment to the 32726
division. 32727

(G) Issue orders requiring compliance with any rule adopted 32728
under division (E)(1) of this section or with section 1511.022 of 32729
the Revised Code. Before the chief issues an order, the chief 32730
shall afford each person allegedly liable an adjudication hearing 32731
under Chapter 119. of the Revised Code. The chief may require in 32732

an order that a person who has caused agricultural pollution by 32733
failure to comply with the standards established under division 32734
(E)(1) of this section operate under an operation and management 32735
plan approved by the chief under this section. The chief shall 32736
require in an order that a person who has failed to comply with 32737
division (A) of section 1511.022 of the Revised Code prepare a 32738
composting plan in accordance with rules adopted under division 32739
(E)(10)(c) of this section and operate in accordance with that 32740
plan or that a person who has failed to operate in accordance with 32741
such a plan begin to operate in accordance with it. Each order 32742

the facts upon which the order is based and the standard that is 32744
not being met. 32745

necessary for the performance of the work prescribed by Chapter 32747
1515. of the Revised Code, for performance of work of the 32748
division, and as agreed to under working agreements or contractual 32749
arrangements with local soil and water conservation districts, 32750
prescribe their duties, and fix their compensation in accordance 32751
with such schedules as are provided by law for the compensation of 32752
state employees. 32753

All employees of the division, unless specifically exempted 32754
by law, shall be employed subject to the classified civil service 32755
laws in force at the time of employment. 32756

(I) In connection with new or relocated projects involving 32757
highways, underground cables, pipelines, railroads, and other 32758
improvements affecting soil and water resources, including surface 32759
and subsurface drainage: 32760

(1) Provide engineering service as is mutually agreeable to 32761
the Ohio soil and water conservation commission and the director 32762
to aid in the design and installation of soil and water 32763
conservation practices as a necessary component of such projects; 32764

(2) Maintain close liaison between the owners of lands on	32765
which the projects are executed, local soil and water conservation	32766
districts, and authorities responsible for such projects;	32767
(3) Review plans for such projects to ensure their compliance	32768
with standards developed under division (E) of this section in	32769
cooperation with the department of transportation or with any	32770
other interested agency that is engaged in soil or water	32771
conservation projects in the state in order to minimize adverse	32772
impacts on soil and water resources adjacent to or otherwise	32773
affected by these projects;	32774
(4) Recommend measures to retard erosion and protect soil and	32775
water resources through the installation of water impoundment or	32776
other soil and water conservation practices;	32777
(5) Cooperate with other agencies and subdivisions of the	32778
state to protect the agricultural status of rural lands adjacent	32779
to such projects and control adverse impacts on soil and water	32780
resources.	32781
(J) Collect, analyze, inventory, and interpret all available	32782
information pertaining to the origin, distribution, extent, use,	32783
and conservation of the soil resources of the state;	32784
(K) Prepare and maintain up-to-date reports, maps, and other	32785
materials pertaining to the soil resources of the state and their	32786
use and make that information available to governmental agencies,	32787
public officials, conservation entities, and the public;	32788
(L) Provide soil and water conservation districts with	32789
technical assistance including on-site soil investigations and	32790

soil to support a particular use or to plan soil conservation	32792
measures. The assistance shall be upon such terms as are mutually	32793
agreeable to the districts and the department of natural	32794

(N) When necessary for the purposes of this chapter or 32799
Chapter 1515. of the Revised Code, develop or approve operation 32800
and management plans. 32801

This section does not restrict the excrement of domestic or 32802
farm animals defecated on land outside a concentrated animal 32803
feeding operation or runoff therefrom into the waters of the 32804
state. 32805

Sec. 1511.022. (A) Any person who owns or operates an 32806
agricultural operation, or owns the animals raised by the owner or 32807
operator of an agricultural operation, and who wishes to conduct 32808
composting of dead animals resulting from the agricultural 32809
operation shall do both of the following: 32810

(1) Participate in an educational course concerning 32811
composting conducted by ~~the Ohio cooperative~~ OSU extension ~~service~~ 32812
and obtain a certificate of completion for the course; 32813

(2) Use the appropriate method, technique, or practice of 32814
composting established in rules adopted under division (E)(8) of 32815
section 1511.02 of the Revised Code. 32816

accordance with an order issued by the chief of the division of 32819
soil and water resources under division (G) of section 1511.02 of 32820
the Revised Code. If the person's proposed composting plan is 32821
disapproved by the board of supervisors of the appropriate soil 32822
and water conservation district under division (Q)(3) of section 32823
1515.08 of the Revised Code, the person may appeal the plan 32824
disapproval to the chief, who shall afford the person a hearing. 32825

Following the hearing, the chief shall uphold the plan disapproval 32826
or reverse it. If the chief reverses the disapproval, the plan 32827
shall be deemed approved. 32828

fish or game management, preservation, propagation, and 32833
protection, outdoor and nature activities, public fishing and 32834
hunting grounds, and flora and fauna preservation. The chief, with 32835
the approval of the director, may receive by grant, devise, 32836
bequest, donation, or assignment evidences of indebtedness, the 32837
proceeds of which are to be used for the purchase of such lands or 32838
surface rights upon lands and waters or surface rights upon 32839
waters. 32840

(B)(1) The chief shall adopt rules for the protection of 32841
state-owned or leased lands and waters and property under the 32842
control of the division of wildlife against wrongful use or 32843
occupancy that will ensure the carrying out of the intent of this 32844
section, protect those lands, waters, and property from 32845
depredations, and preserve them from molestation, spoilation, 32846
destruction, or any improper use or occupancy thereof, including 32847
rules with respect to recreational activities and for the 32848
government and use of such lands, waters, and property. 32849

(2) The chief may adopt rules benefiting wild animals, fish 32850
or game management, preservation, propagation, and protection, 32851
outdoor and nature activities, public fishing and hunting grounds, 32852
and flora and fauna preservation, and regulating the taking and 32853
possession of wild animals on any lands or waters owned or leased 32854
or under the division's supervision and control and, for a 32855
specified period of years, may prohibit or recall the taking and 32856

possession of any wild animal on any portion of such lands or 32857
waters. The division clearly shall define and mark the boundaries 32858
of the lands and waters owned or leased or under its supervision 32859
and control upon which the taking of any wild animal is 32860
prohibited. 32861

by the chief in the name of the state. The lease or purchase price 32867
of all such lands and waters may be paid from hunting and trapping 32868

the conditions set forth in divisions (B)(1)(a) and (b) of this 33694
section are met. 33695

(D) This section is remedial in nature and is to be construed 33696
liberally to accomplish the purpose of providing full 33697
reinstatement of a corporation's or association's articles of 33698
incorporation retroactive, in accordance with this section, to the 33699
time of the cancellation of the articles. 33700

(2) A certificate from the tax commissioner that the 33722
corporation has paid all ~~franchise~~ taxes ~~which~~ that it should have 33723
paid had it qualified to do business in this state at the time it 33724

for reinstatement, as provided by law, together with the proper 33735

Upon the filing of such application and payment of such fees 33737

other cause may be filled by the board until the society's next 33747
annual election, when a director shall be elected for the 33748
unexpired term. There shall be an annual election of directors by 33749
ballot at a time and a place fixed by the board, but this election 33750
shall not be held later than the first Saturday in December 1994, 33751
and not later than the fifteenth day of November each year 33752
thereafter, beginning in 1995. The secretary of the society shall 33753
give notice of ~~such~~ the election, for three weeks prior to the 33754
holding thereof, in a newspaper of general circulation in the 33755
county or as provided in section 7.16 of the Revised Code, or by 33756

Revised Code. No burial ground that is otherwise exempt from sale 33788

evidences of indebtedness, whether secured or unsecured, and to 33798
secure the same by mortgage, pledge, deed of trust, or other lien 33799
on its property, franchises, rights, and privileges of every kind 33800
and nature or any part thereof or interest therein; and 33801

(2) If the community improvement corporation is a county land 33802

(b)(i) If the land subject to reutilization is located within 33810
an unincorporated area of the county, that the board of county 33811

the interest of the county and are authorized under sections 33815
5709.78 to 5709.81 of the Revised Code or bonds or notes under 33816
section 5709.81 of the Revised Code for the refunding purposes set 33817

federal government, the state, any political subdivision, or any 33847
other entity. A county land reutilization corporation shall not 33848
acquire an interest in real property if such acquisition causes 33849
the percentage of unoccupied real property held by the corporation 33850

to become less than seventy-five per cent of all real property 33851
held by the corporation for reutilization, reclamation, or 33852

in part for the construction of industrial plants, other business 33868
establishments, or housing; and to acquire, reclaim, manage, 33869

establishments, or housing. 33873

(E) To acquire, subscribe for, own, hold, sell, assign, 33874
transfer, mortgage, pledge, or otherwise dispose of the stock, 33875

corporation, joint stock company, association, or trust, and while 33878

the Revised Code+. 33919

(N) To be assigned a mortgage on real property from a 33920
mortgagee in lieu of acquiring such real property subject to a 33921

but, as to a county land reutilization corporation, shall be used 33942

section, or any withdrawal of approval under division (A)(3) of 34539
this section, shall be effected by a written notice, which shall 34540
state the specific basis for the disapproval, rejection, or 34541
withdrawal and shall be issued in accordance with Chapter 119. of 34542
the Revised Code. 34543

health and human services, the United States office of personnel 34566
management, the department of ~~job and family services~~ medicaid, or 34567

administrative expense portion of the filings be itemized and 34573
supported. 34574

(D)(1) Copayments must be reasonable and must not be a 34575
barrier to the necessary utilization of services by enrollees. 34576

(2) A health insuring corporation, in order to ensure that 34577

providing a health care service is the cost to the health insuring 34596
corporation of providing the health care service to its enrollees 34597
as reduced by any applicable provider discount. 34598

(3) To ensure that copayments are reasonable and not a 34599
barrier to the utilization of basic health care services, a health 34600
insuring corporation may not impose, in any contract year, on any 34601
subscriber or enrollee, copayments that exceed two hundred per 34602

(G) As used in this section, "health savings account" and 34636
"high deductible health plan" have the same meanings as in the 34637

restitution is filed and if, following the filing of the appeal, a 34857
stay of execution is obtained and any required bond is filed with 34858
the court of common pleas, municipal court, or county court, the 34859
judge of that court immediately shall issue an order to the 34860
sheriff, police officer, constable, or bailiff commanding the 34861
delay of all further proceedings upon the execution. If the 34862
premises have been restored to the plaintiff, the sheriff, police 34863
officer, constable, or bailiff shall forthwith place the defendant 34864
in possession of them, and return the writ with the sheriff's, 34865
police officer's, constable's, or bailiff's proceedings and the 34866

titled owner of the manufactured home, mobile home, or 34872
recreational vehicle that is the subject of the writ and to the 34873
last known address of each other person who is listed on the writ 34874
as having any outstanding right, title, or interest in the home, 34875
vehicle, or personal property and to the auditor and treasurer of 34876
the county in which the court is located, a written notice that 34877
the home or vehicle potentially may be sold, destroyed, or have 34878
its title transferred under the circumstances described in 34879
division (B)(3) or (4) of this section. 34880

(2) Except as otherwise provided in this division, after 34881
receiving a writ of execution described in division (B) of section 34882

if necessary, moved to a storage facility of the sheriff's, police 34891
officer's, constable's, or bailiff's choice, or to be retained at 34892

authorized by division (B)(3), (4), or (6) of this section or by 34895
another section of the Revised Code. The sheriff, police officer, 34896
constable, or bailiff shall not cause the manufactured home, 34897
mobile home, or recreational vehicle that is the subject of the 34898
writ, or the personal property, to be removed from the 34899
manufactured home park or moved to a storage facility if the 34900
holder of any outstanding lien, right, title, or interest in the 34901

home or vehicle, other than the titled owner of the home or 34902
vehicle, meets the conditions set forth in division (B)(6) or (7) 34903

vehicle, or the abandoned personal property, from the residential 34907
premises shall be immune from civil liability pursuant to section 34908
2744.03 of the Revised Code for any damage caused to the home, 34909
vehicle, or any personal property during the removal. The park 34910
operator shall not be liable for any damage caused by the park 34911
operator's removal of the manufactured home, mobile home, or 34912
recreational vehicle or the removal of the personal property from 34913
the residential premises, or for any damage to the home, vehicle, 34914
or personal property during the time the home, vehicle, or 34915
property remains abandoned or stored in the manufactured home 34916
park, unless the damage is the result of acts that the park 34917
operator or the park operator's agents or employees performed with 34918
malicious purpose, in bad faith, or in a wanton or reckless 34919
manner. The reasonable costs for a removal of the manufactured 34920
home, mobile home, or recreational vehicle and personal property 34921
and, as applicable, the reasonable costs for its storage shall 34922
constitute a lien upon the home or vehicle payable by the titled 34923
owner of the home or vehicle or payable pursuant to division 34924
(B)(3) of this section. 34925

(3) Except as provided in divisions (B)(4), (5), and (6) of 34926
this section and division (D) of section 1923.12 of the Revised 34927
Code, within sixty days after receiving a writ of execution 34928
described in division (B) of section 1923.13 of the Revised Code, 34929
the sheriff, police officer, constable, or bailiff shall commence 34930
proceedings for the sale of the manufactured home, mobile home, or 34931
recreational vehicle that is the subject of the writ, and the 34932
abandoned personal property on the residential premises, if the 34933

home or vehicle is determined to be abandoned in accordance with 34934
the procedures for the sale of goods on execution under Chapter 34935
2329. of the Revised Code. In addition to all notices required to 34936
be given under section 2329.13 of the Revised Code, the sheriff, 34937
police officer, constable, or bailiff shall serve at their 34938
respective last known addresses a written notice of the date, 34939
time, and place of the sale upon all persons who are listed on the 34940
writ of execution as having any outstanding right, title, or 34941
interest in the abandoned manufactured home, mobile home, or 34942
recreational vehicle and the personal property and shall provide 34943
written notice to the auditor and the treasurer of the county in 34944
which the court issuing the writ is located. 34945

Unless the proceedings are governed by division (D) of 34946
section 1923.12 of the Revised Code, notwithstanding any statutory 34947
provision to the contrary, including, but not limited to, section 34948
2329.66 of the Revised Code, there shall be no stay of execution 34949
or exemption from levy or sale on execution available to the 34950
titled owner of the abandoned manufactured home, mobile home, or 34951
recreational vehicle in relation to a sale under this division. 34952

(H)(1) Within fifteen business days after receiving a report 36701

(4) A dismissal under division (H)(3) of this section does not preclude a future delinquent child proceeding or criminal prosecution as provided under section 2151.23 of the Revised Code if the child eventually attains competency.

(5) If after a hearing held under division (H)(1) of this section the court determines that the child has attained competency, the court shall proceed with the delinquent child's proceeding in accordance with division (A) of this section.

Sec. 2303.201. (A)(1) The court of common pleas of any county

may determine that for the efficient operation of the court 36745
additional funds are required to computerize the court, to make 36746

than the actual cost to the court of procuring and maintaining 36761
computerization of the court, computerized legal research 36762

described in division (A)(2) of this section are more than 36765
sufficient to satisfy the purpose for which the additional fee 36766
described in division (A)(1) of this section was imposed, the 36767
court may declare a surplus in the fund and, subject to an 36768
appropriation by the board of county commissioners, expend those 36769
surplus funds, or upon an order of the court, subject to the court 36770

that determination, authorize and direct the clerk of the court of 36778
common pleas to charge an additional fee, not to exceed twenty 36779
dollars, on the filing of each cause of action or appeal, on the 36780
filing, docketing, and endorsing of each certificate of judgment, 36781
or on the docketing and indexing of each aid in execution or 36782

court of common pleas and subject to appropriation by the board of 36790
county commissioners, in an amount no greater than the actual cost 36791
to the court of procuring and maintaining technology and computer 36792
systems for the office of the clerk of the court of common pleas. 36793

an easily comprehensible format, the following materials on the 37877
department's web site: 37878

(1) Materials that inform the pregnant woman about family 37879
planning information, of publicly funded agencies that are 37880
available to assist in family planning, and of public and private 37881

described in division (C)(1) of this section are comprehensive and 37892
do not directly or indirectly promote, exclude, or discourage the 37893
use of any agency or service described in this division. 37894

(2) Materials that inform the pregnant woman of the probable 37895
anatomical and physiological characteristics of the zygote, 37896

for the first sixteen weeks of pregnancy and at four-week 37898
gestational increments from the seventeenth week of pregnancy to 37899
full term, including any relevant information regarding the time 37900
at which the fetus possibly would be viable. The department shall 37901
cause these materials to be published only after it consults with 37902
the Ohio state medical association and the Ohio section of the 37903
American college of obstetricians and gynecologists relative to 37904
the probable anatomical and physiological characteristics of a 37905

increments. The materials shall use language that is 37907
understandable by the average person who is not medically trained, 37908
shall be objective and nonjudgmental, and shall include only 37909
accurate scientific information about the zygote, blastocyte, 37910
embryo, or fetus at the various gestational increments. If the 37911
materials use a pictorial, photographic, or other depiction to 37912
provide information regarding the zygote, blastocyte, embryo, or 37913
fetus, the materials shall include, in a conspicuous manner, a 37914
scale or other explanation that is understandable by the average 37915
person and that can be used to determine the actual size of the 37916
zygote, blastocyte, embryo, or fetus at a particular gestational 37917
increment as contrasted with the depicted size of the zygote, 37918
blastocyte, embryo, or fetus at that gestational increment. 37919

(D) Upon the submission of a request to the department of 37920
health by any person, hospital, physician, or medical facility for 37921

of the materials available to the person, hospital, physician, or 37924
medical facility that requested the copy. 37925

(E) If a medical emergency or medical necessity compels the 37926
performance or inducement of an abortion, the physician who will 37927
perform or induce the abortion, prior to its performance or 37928
inducement if possible, shall inform the pregnant woman of the 37929

medical indications supporting the physician's judgment that an 37930
immediate abortion is necessary. Any physician who performs or 37931
induces an abortion without the prior satisfaction of the 37932
conditions specified in division (B) of this section because of a 37933
medical emergency or medical necessity shall enter the reasons for 37934
the conclusion that a medical emergency or medical necessity 37935
exists in the medical record of the pregnant woman. 37936

(F) If the conditions specified in division (B) of this 37937
section are satisfied, consent to an abortion shall be presumed to 37938
be valid and effective. 37939

(G) The performance or inducement of an abortion without the 37940
prior satisfaction of the conditions specified in division (B) of 37941
this section does not constitute, and shall not be construed as 37942
constituting, a violation of division (A) of section 2919.12 of 37943
the Revised Code. The failure of a physician to satisfy the 37944
conditions of division (B) of this section prior to performing or 37945
inducing an abortion upon a pregnant woman may be the basis of 37946
both of the following: 37947

(1) A civil action for compensatory and exemplary damages as 37948
described in division (H) of this section; 37949

(2) Disciplinary action under section 4731.22 of the Revised 37950
Code. 37951

(H)(1) Subject to divisions (H)(2) and (3) of this section, 37952
any physician who performs or induces an abortion with actual 37953
knowledge that the conditions specified in division (B) of this 37954
section have not been satisfied or with a heedless indifference as 37955
to whether those conditions have been satisfied is liable in 37956
compensatory and exemplary damages in a civil action to any 37957
person, or the representative of the estate of any person, who 37958
sustains injury, death, or loss to person or property as a result 37959
of the failure to satisfy those conditions. In the civil action, 37960

the court additionally may enter any injunctive or other equitable relief that it considers appropriate. 37961
37962

(2) The following shall be affirmative defenses in a civil action authorized by division (H)(1) of this section: 37963
37964

(a) The physician performed or induced the abortion under the circumstances described in division (E) of this section. 37965
37966

(b) The physician made a good faith effort to satisfy the conditions specified in division (B) of this section. 37967
37968

(3) An employer or other principal is not liable in damages in a civil action authorized by division (H)(1) of this section on the basis of the doctrine of respondeat superior unless either of the following applies: 37969
37970
37971
37972

(a) The employer or other principal had actual knowledge or, by the exercise of reasonable diligence, should have known that an employee or agent performed or induced an abortion with actual knowledge that the conditions specified in division (B) of this section had not been satisfied or with a heedless indifference as to whether those conditions had been satisfied. 37973
37974
37975
37976
37977
37978

(b) The employer or other principal negligently failed to secure the compliance of an employee or agent with division (B) of this section. 37979
37980
37981

(B) In every action seeking the judicial sale of real estate 38002
that is subject to a state lien, all of the following apply: 38003

lienholder received notice of the dispute. 38040

(2) The individual was found guilty of, but did not plead guilty to, the particular charge or a lesser-included offense by the court or jury involved, and the offense of which the individual was found guilty was an aggravated felony or felony.

(3) The individual was sentenced to an indefinite or definite term of imprisonment in a state correctional institution for the offense of which the individual was found guilty.

(4) The individual's conviction was vacated, dismissed, or reversed on appeal, the prosecuting attorney in the case cannot or will not seek any further appeal of right or upon leave of court, and no criminal proceeding is pending, can be brought, or will be brought by any prosecuting attorney, city director of law, village solicitor, or other chief legal officer of a municipal corporation against the individual for any act associated with that conviction.

(5) Subsequent to sentencing and during or subsequent to imprisonment, an error in procedure resulted in the individual's release, or it was determined by the court of common pleas in the county where the underlying criminal action was initiated that the charged offense, including all lesser-included offenses, either was not committed by the individual or was not committed by any person.

(B)(1) A person may file a civil action to be declared a wrongfully imprisoned individual in the court of common pleas in the county where the underlying criminal action was initiated. That civil action shall be separate from the underlying finding of guilt by the court of common pleas. Upon the filing of a civil action to be determined a wrongfully imprisoned individual, the

attorney general shall be served with a copy of the complaint and 38143
shall be heard. 38144

(2) When the court of common pleas in the county where the 38145
underlying criminal action was initiated determines in a separate 38146
civil action that a person is a wrongfully imprisoned individual, 38147
the court shall provide the person with a copy of this section and 38148
orally inform the person and the person's attorney of the person's 38149
rights under this section to commence a civil action against the 38150
state in the court of claims because of the person's wrongful 38151
imprisonment and to be represented in that civil action by counsel 38152
of the person's own choice. 38153

(3) The court described in division (B)(1) of this section 38154
shall notify the clerk of the court of claims, in writing and 38155

that the person is a wrongfully imprisoned individual, of the name 38157
and proposed mailing address of the person and of the fact that 38158
the person has the rights to commence a civil action and to have 38159
legal representation as provided in this section. The clerk of the 38160
court of claims shall maintain in the clerk's office a list of 38161
wrongfully imprisoned individuals for whom notices are received 38162
under this section and shall create files in the clerk's office 38163
for each such individual. 38164

(4) Within sixty days after the date of the entry of the 38165
determination by the court of common pleas in the county where the 38166
underlying criminal action was initiated that a person is a 38167
wrongfully imprisoned individual, the clerk of the court of claims 38168
shall forward a preliminary judgment to the president of the 38169
controlling board requesting the payment of fifty per cent of the 38170
amount described in division (E)(2)(b) of this section to the 38171
wrongfully imprisoned individual. The board shall take all actions 38172
necessary to cause the payment of that amount out of the emergency 38173
purposes special purpose account of the board. 38174

(5) If an individual was serving at the time of the wrongful imprisonment concurrent sentences on other convictions that were not vacated, dismissed, or reversed on appeal, the individual is not eligible for compensation as described in this section for any portion of that wrongful imprisonment that occurred during a concurrent sentence of that nature.

(C)(1) In a civil action under this section, a wrongfully imprisoned individual has the right to have counsel of the individual's own choice.

(2) If a wrongfully imprisoned individual who is the subject of a court determination as described in division (B)(2) of this section does not commence a civil action under this section within six months after the entry of that determination, the clerk of the court of claims shall send a letter to the wrongfully imprisoned individual, at the address set forth in the notice received from the court of common pleas pursuant to division (B)(3) of this section or to any later address provided by the wrongfully imprisoned individual, that reminds the wrongfully imprisoned individual of the wrongfully imprisoned individual's rights under this section. Until the statute of limitations provided in division (H) of this section expires and unless the wrongfully imprisoned individual commences a civil action under this section, the clerk of the court of claims shall send a similar letter in a similar manner to the wrongfully imprisoned individual at least once each three months after the sending of the first reminder.

(D) Notwithstanding any provisions of this chapter to the contrary, a wrongfully imprisoned individual has and may file a civil action against the state, in the court of claims, to recover a sum of money as described in this section, because of the individual's wrongful imprisonment. The court of claims shall have exclusive, original jurisdiction over such a civil action. The civil action shall proceed, be heard, and be determined as

provided in sections 2743.01 to 2743.20 of the Revised Code, 38207
except that if a provision of this section conflicts with a 38208
provision in any of those sections, the provision in this section 38209
controls. 38210

(E)(1) In a civil action as described in division (D) of this 38211
section, the complainant may establish that the claimant is a 38212
wrongfully imprisoned individual by submitting to the court of 38213
claims a certified copy of the judgment entry of the court of 38214
common pleas associated with the claimant's conviction and 38215
sentencing, and a certified copy of the entry of the determination 38216
of the court of common pleas that the claimant is a wrongfully 38217
imprisoned individual under division (B)(2) of this section. No 38218
other evidence shall be required of the complainant to establish 38219
that the claimant is a wrongfully imprisoned individual, and the 38220
claimant shall be irrebuttably presumed to be a wrongfully 38221
imprisoned individual. 38222

(2) In a civil action as described in division (D) of this 38223
section, upon presentation of requisite proof to the court of 38224
claims, a wrongfully imprisoned individual is entitled to receive 38225
a sum of money that equals the total of each of the following 38226
amounts: 38227

(a) The amount of any fine or court costs imposed and paid, 38228
and the reasonable attorney's fees and other expenses incurred by 38229
the wrongfully imprisoned individual in connection with all 38230
associated criminal proceedings and appeals, and, if applicable, 38231
in connection with obtaining the wrongfully imprisoned 38232
individual's discharge from confinement in the state correctional 38233
institution; 38234

(b) For each full year of imprisonment in the state 38235
correctional institution for the offense of which the wrongfully 38236
imprisoned individual was found guilty, forty thousand three 38237
hundred thirty dollars or the adjusted amount determined by the 38238

auditor of state pursuant to section 2743.49 of the Revised Code, 38239
and for each part of a year of being so imprisoned, a pro-rated 38240
share of forty thousand three hundred thirty dollars or the 38241
adjusted amount determined by the auditor of state pursuant to 38242
section 2743.49 of the Revised Code; 38243

(c) Any loss of wages, salary, or other earned income that 38244

(d) The amount of the following cost debts the department of 38247
rehabilitation and correction recovered from the wrongfully 38248
imprisoned individual who was in custody of the department or 38249
under the department's supervision: 38250

(i) Any user fee or copayment for services at a detention 38251
facility, including, but not limited to, a fee or copayment for 38252
sick call visits; 38253

(ii) The cost of housing and feeding the wrongfully 38254
imprisoned individual in a detention facility; 38255

(iii) The cost of supervision of the wrongfully imprisoned 38256
individual; 38257

(iv) The cost of any ancillary services provided to the 38258
wrongfully imprisoned individual. 38259

(F)(1) If the court of claims determines in a civil action as 38260
described in division (D) of this section that the complainant is 38261
a wrongfully imprisoned individual, it shall enter judgment for 38262
the wrongfully imprisoned individual in the amount of the sum of 38263
money to which the wrongfully imprisoned individual is entitled 38264
under division (E)(2) of this section. In determining that sum, 38265
the court of claims shall not take into consideration any expenses 38266
incurred by the state or any of its political subdivisions in 38267
connection with the arrest, prosecution, and imprisonment of the 38268
wrongfully imprisoned individual, including, but not limited to, 38269

expenses for food, clothing, shelter, and medical services. The 38270
court shall reduce that sum by the amount of the payment to the 38271
wrongfully imprisoned individual described in division (B)(4) of 38272
this section. 38273

(2) If the wrongfully imprisoned individual was represented 38274
in the civil action under this section by counsel of the 38275
wrongfully imprisoned individual's own choice, the court of claims 38276
shall include in the judgment entry referred to in division (F)(1) 38277
of this section an award for the reasonable attorney's fees of 38278
that counsel. These fees shall be paid as provided in division (G) 38279
of this section. 38280

(3) The state consents to be sued by a wrongfully imprisoned 38281
individual because the imprisonment was wrongful, and to liability 38282
on its part because of that fact, only as provided in this 38283
section. However, this section does not affect any liability of 38284
the state or of its employees to a wrongfully imprisoned 38285
individual on a claim for relief that is not based on the fact of 38286
the wrongful imprisonment, including, but not limited to, a claim 38287
for relief that arises out of circumstances occurring during the 38288
wrongfully imprisoned individual's confinement in the state 38289
correctional institution. 38290

(G) The clerk of the court of claims shall forward a 38291
certified copy of a judgment under division (F) of this section to 38292
the president of the controlling board. The board shall take all 38293
actions necessary to cause the payment of the judgment out of the 38294
emergency purposes special purpose account of the board. 38295

(H) To be eligible to recover a sum of money as described in 38296
this section because of wrongful imprisonment, both of the 38297
following shall apply to a wrongfully imprisoned individual: 38298

(1) The wrongfully imprisoned individual shall not have been, 38299
prior to September 24, 1986, the subject of an act of the general 38300

assembly that authorized an award of compensation for the wrongful imprisonment or have been the subject of an action before the former sundry claims board that resulted in an award of compensation for the wrongful imprisonment.

(2) The wrongfully imprisoned individual shall commence a civil action under this section in the court of claims no later than two years after the date of the entry of the determination of the court of common pleas that the individual is a wrongfully imprisoned individual under division (B)(2) of this section.

Sec. 2744.05. The amount of the benefits shall be deducted from an award against a political subdivision under division (B)(1) of this section regardless of whether the claimant may be under an obligation to pay back the benefits upon recovery, in whole or in part, for the claim. awarded the damages. However, except in wrongful death actions 38345
brought pursuant to Chapter 2125. of the Revised Code, damages 38346
that arise from the same cause of action, transaction or 38347
occurrence, or series of transactions or occurrences and that do 38348
not represent the actual loss of the person who is awarded the 38349
damages shall not exceed two hundred fifty thousand dollars in 38350
favor of any one person. The limitation on damages that do not 38351
represent the actual loss of the person who is awarded the damages 38352
provided in this division does not apply to court costs that are 38353

(e) All expenditures of the person injured or of the person 38378

a fiduciary duty, within one year after discovery of the offense 38426
either by an aggrieved person, or by the aggrieved person's legal 38427
representative who is not a party to the offense. 38428

(2) If the period of limitation provided in division (A)(1) 38429
or (3) of this section has expired, prosecution for a violation of 38430
section 2913.49 of the Revised Code shall be commenced within five 38431
years after discovery of the offense either by an aggrieved person 38432

(H) The period of limitation shall not run during any time a 38478

(D) Upon the filing of a missing child report, the law 38565

and, if the agency has jurisdiction in a municipal corporation or 38575

the other county with which it shares the border, that it has 38578
taken a missing child report and may be requesting assistance or 38579

rendering service within the territory of their employing 38610
political subdivision. Those law enforcement agency employees also 38611

shall be entitled to all the rights and benefits of Chapter 4123. 38612

law enforcement agency. The law enforcement agency then shall 38634
integrate information in the records into the national crime 38635
information center computer in order to compare the records to 38636
those of unidentified deceased persons. This division does not 38637
prevent a law enforcement agency from seeking consent to obtain 38638
copies of a missing child's dental records, or prevent a missing 38639
child's parents, parent who is the residential parent and legal 38640
custodian, guardian, or legal custodian, or any other person 38641

attesting to the loss or destruction of the license. The sheriff, 40462
in accordance with the procedures prescribed in section 109.731 of 40463

(D) In addition to any prison term authorized or required by division (C) of this section and sections 2929.13 and 2929.14 of the Revised Code, and in addition to any other sanction imposed for the offense under this section or sections 2929.11 to 2929.18 of the Revised Code, the court that sentences an offender who is convicted of or pleads guilty to a violation of division (A) of this section shall do all of the following that are applicable regarding the offender:

(1) If the violation of division (A) of this section is a felony of the first, second, or third degree, the court shall impose upon the offender the mandatory fine specified for the offense under division (B)(1) of section 2929.18 of the Revised Code unless, as specified in that division, the court determines that the offender is indigent. Except as otherwise provided in division (H)(1) of this section, a mandatory fine or any other fine imposed for a violation of this section is subject to division (F) of this section. If a person is charged with a violation of this section that is a felony of the first, second, or third degree, posts bail, and forfeits the bail, the clerk of the court shall pay the forfeited bail pursuant to divisions (D)(1) and (F) of this section, as if the forfeited bail was a fine imposed for a violation of this section. If any amount of the forfeited bail remains after that payment and if a fine is imposed under division (H)(1) of this section, the clerk of the court shall pay the remaining amount of the forfeited bail pursuant to divisions (H)(2) and (3) of this section, as if that remaining amount was a fine imposed under division (H)(1) of this section.

division (G) of this section. 41513

(3) If the offender is a professionally licensed person, the 41514

determine the amount of the controlled substance involved at the 41520
time of the offense and, if a guilty verdict is returned, shall 41521
return the findings as part of the verdict. In any such case, it 41522
is unnecessary to find and return the exact amount of the 41523
controlled substance involved, and it is sufficient if the finding 41524
and return is to the effect that the amount of the controlled 41525
substance involved is the requisite amount, or that the amount of 41526
the controlled substance involved is less than the requisite 41527
amount. 41528

(F)(1) Notwithstanding any contrary provision of section 41529
3719.21 of the Revised Code and except as provided in division (H) 41530
of this section, the clerk of the court shall pay any mandatory 41531

making the arrest of, and in prosecuting, the offender. However, 41539
the clerk shall not pay a mandatory fine so imposed to a law 41540
enforcement agency unless the agency has adopted a written 41541
internal control policy under division (F)(2) of this section that 41542
addresses the use of the fine moneys that it receives. Each agency 41543
shall use the mandatory fines so paid to subsidize the agency's 41544

law enforcement efforts that pertain to drug offenses, in 41545
accordance with the written internal control policy adopted by the 41546
recipient agency under division (F)(2) of this section. 41547

(2)~~(a)~~ Prior to receiving any fine moneys under division 41548
(F)(1) of this section or division (B) of section 2925.42 of the 41549
Revised Code, a law enforcement agency shall adopt a written 41550
internal control policy that addresses the agency's use and 41551
disposition of all fine moneys so received and that provides for 41552
the keeping of detailed financial records of the receipts of those 41553
fine moneys, the general types of expenditures made out of those 41554
fine moneys, and the specific amount of each general type of 41555
expenditure. The policy shall not provide for or permit the 41556
identification of any specific expenditure that is made in an 41557
ongoing investigation. All financial records of the receipts of 41558
those fine moneys, the general types of expenditures made out of 41559
those fine moneys, and the specific amount of each general type of 41560
expenditure by an agency are public records open for inspection 41561
under section 149.43 of the Revised Code. Additionally, a written 41562
internal control policy adopted under this division is such a 41563
public record, and the agency that adopted it shall comply with 41564
it. 41565

~~(b) Each law enforcement agency that receives in any calendar 41566
year any fine moneys under division (F)(1) of this section or 41567

a report covering the calendar year that cumulates all of the 41569
information contained in all of the public financial records kept 41570
by the agency pursuant to division (F)(2)(a) of this section for 41571
that calendar year, and shall send a copy of the cumulative 41572
report, no later than the first day of March in the calendar year 41573
following the calendar year covered by the report, to the attorney 41574
general. Each report received by the attorney general is a public 41575
record open for inspection under section 149.43 of the Revised 41576~~

(3) As used in division (F) of this section:

(a) "Law enforcement agencies" includes, but is not limited to, the state board of pharmacy and the office of a prosecutor.

(b) "Prosecutor" has the same meaning as in section 2935.01 of the Revised Code.

(G) When required under division (D)(2) of this section or any other provision of this chapter, the court shall suspend for not less than six months or more than five years the driver's or commercial driver's license or permit of any person who is convicted of or pleads guilty to any violation of this section or any other specified provision of this chapter. If an offender's driver's or commercial driver's license or permit is suspended pursuant to this division, the offender, at any time after the expiration of two years from the day on which the offender's sentence was imposed or from the day on which the offender finally was released from a prison term under the sentence, whichever is later, may file a motion with the sentencing court requesting

of this section is not subject to division (F) of this section and 41622
shall be used solely for the support of one or more eligible 41623
~~alcohol and drug~~ community addiction programs services provider in 41624

this section shall specify in the judgment that imposes the fine 41627

satisfaction of a fine imposed under division (H)(1) of this 41632
section unless the ~~program~~ services provider is specified in the 41633
judgment that imposes the fine. No ~~alcohol and drug~~ community 41634

and, except as otherwise provided in division (H)(2) of this 41638
section, unless the ~~program~~ services provider is located in the 41639

county in which the court that imposes the fine is located or in a 41640
county that is immediately contiguous to the county in which that 41641
court is located. If no eligible ~~alcohol and drug~~ community 41642
addiction ~~program~~ services provider is located in any of those 41643
counties, the judgment may specify an eligible ~~alcohol and drug~~ 41644
community addiction ~~program~~ services provider that is located 41645
anywhere within this state. 41646

(3) Notwithstanding any contrary provision of section 3719.21 41647
of the Revised Code, the clerk of the court shall pay any fine 41648
imposed under division (H)(1) of this section to the eligible 41649
~~alcohol and drug~~ community addiction ~~program~~ services provider 41650
specified pursuant to division (H)(2) of this section in the 41651
judgment. The eligible ~~alcohol and drug~~ community addiction 41652
~~program~~ services provider that receives the fine moneys shall use 41653
the moneys only for the alcohol and drug addiction services 41654
identified in the application for certification under section 41655
~~3793.06~~ 5119.36 of the Revised Code or in the application for a 41656
license under section ~~3793.11~~ 5119.39 of the Revised Code filed 41657
with the department of ~~alcohol and drug addiction services~~ mental 41658

under division (H)(3) of this section shall file an annual report 41663
covering that calendar year with the court of common pleas and the 41664
board of county commissioners of the county in which the ~~program~~ 41665
services provider is located, with the court of common pleas and 41666
the board of county commissioners of each county from which the 41667
~~program~~ services provider received the moneys if that county is 41668
different from the county in which the ~~program~~ services provider 41669
is located, and with the attorney general. The ~~alcohol and drug~~ 41670
community addiction ~~program~~ services provider shall file the 41671

report no later than the first day of March in the calendar year 41672
following the calendar year in which the ~~program services provider~~ 41673
received the fine moneys. The report shall include statistics on 41674
the number of persons served by the ~~alcohol and drug community~~ 41675

(G) of this section and unless a specific sanction is required to 41706

If the offender is eligible to be sentenced to community 41712

court is required to impose a mandatory prison term for the 41718
offense for which sentence is being imposed, the court also shall 41719
impose any financial sanction pursuant to section 2929.18 of the 41720

If the offender is being sentenced for a fourth degree felony 41725

is imposed under division (G)(1) of this section, an additional 41734
community control sanction or combination of community control 41735

the court imposes upon the offender a community control sanction 41737
and the offender violates any condition of the community control 41738
sanction, the court may take any action prescribed in division (B) 41739
of section 2929.15 of the Revised Code relative to the offender, 41740
including imposing a prison term on the offender pursuant to that 41741
division. 41742

(2) For a third or fourth degree felony OVI offense for which 41743
sentence is imposed under division (G)(2) of this section, an 41744
additional prison term as described in division (B)(4) of section 41745

described in division (G)(2) of this section. 41747

(B)(1)(a) Except as provided in division (B)(1)(b) of this 41748
section, if an offender is convicted of or pleads guilty to a 41749
felony of the fourth or fifth degree that is not an offense of 41750
violence or that is a qualifying assault offense, the court shall 41751
sentence the offender to a community control sanction of at least 41752
one year's duration if all of the following apply: 41753

(i) The offender previously has not been convicted of or 41754
pleaded guilty to a felony offense. 41755

(ii) The most serious charge against the offender at the time 41756
of sentencing is a felony of the fourth or fifth degree. 41757

(iii) If the court made a request of the department of 41758
rehabilitation and correction pursuant to division (B)(1)(c) of 41759
this section, the department, within the forty-five-day period 41760
specified in that division, provided the court with the names of, 41761
contact information for, and program details of one or more 41762
community control sanctions of at least one year's duration that 41763
are available for persons sentenced by the court. 41764

(iv) The offender previously has not been convicted of or
pleaded guilty to a misdemeanor offense of violence that the
offender committed within two years prior to the offense for which
sentence is being imposed.

(b) The court has discretion to impose a prison term upon an
offender who is convicted of or pleads guilty to a felony of the
fourth or fifth degree that is not an offense of violence or that
is a qualifying assault offense if any of the following apply:

(i) The offender committed the offense while having a firearm
on or about the offender's person or under the offender's control.

(ii) If the offense is a qualifying assault offense, the
offender caused serious physical harm to another person while
committing the offense, and, if the offense is not a qualifying
assault offense, the offender caused physical harm to another
person while committing the offense.

(iii) The offender violated a term of the conditions of bond
as set by the court.

(iv) The court made a request of the department of
rehabilitation and correction pursuant to division (B)(1)(c) of
this section, and the department, within the forty-five-day period
specified in that division, did not provide the court with the
name of, contact information for, and program details of any
community control sanction of at least one year's duration that is
available for persons sentenced by the court.

(v) The offense is a sex offense that is a fourth or fifth
degree felony violation of any provision of Chapter 2907. of the
Revised Code.

(vi) In committing the offense, the offender attempted to
cause or made an actual threat of physical harm to a person with a
deadly weapon.

(vii) In committing the offense, the offender attempted to 41795
cause or made an actual threat of physical harm to a person, and 41796
the offender previously was convicted of an offense that caused 41797
physical harm to a person. 41798

(viii) The offender held a public office or position of 41799
trust, and the offense related to that office or position; the 41800
offender's position obliged the offender to prevent the offense or 41801
to bring those committing it to justice; or the offender's 41802
professional reputation or position facilitated the offense or was 41803
likely to influence the future conduct of others. 41804

(ix) The offender committed the offense for hire or as part 41805
of an organized criminal activity. 41806

(x) The offender at the time of the offense was serving, or 41807
the offender previously had served, a prison term. 41808

(xi) The offender committed the offense while under a 41809
community control sanction, while on probation, or while released 41810
from custody on a bond or personal recognizance. 41811

(c) If a court that is sentencing an offender who is 41812
convicted of or pleads guilty to a felony of the fourth or fifth 41813
degree that is not an offense of violence or that is a qualifying 41814
assault offense believes that no community control sanctions are 41815
available for its use that, if imposed on the offender, will 41816
adequately fulfill the overriding principles and purposes of 41817
sentencing, the court shall contact the department of 41818
rehabilitation and correction and ask the department to provide 41819
the court with the names of, contact information for, and program 41820
details of one or more community control sanctions of at least one 41821
year's duration that are available for persons sentenced by the 41822
court. Not later than forty-five days after receipt of a request 41823
from a court under this division, the department shall provide the 41824
court with the names of, contact information for, and program 41825

details of one or more community control sanctions of at least one 41826
year's duration that are available for persons sentenced by the 41827
court, if any. Upon making a request under this division that 41828
relates to a particular offender, a court shall defer sentencing 41829
of that offender until it receives from the department the names 41830
of, contact information for, and program details of one or more 41831
community control sanctions of at least one year's duration that 41832
are available for persons sentenced by the court or for forty-five 41833
days, whichever is the earlier. 41834

If the department provides the court with the names of, 41835
contact information for, and program details of one or more 41836
community control sanctions of at least one year's duration that 41837
are available for persons sentenced by the court within the 41838
forty-five-day period specified in this division, the court shall 41839
impose upon the offender a community control sanction under 41840
division (B)(1)(a) of this section, except that the court may 41841
impose a prison term under division (B)(1)(b) of this section if a 41842
factor described in division (B)(1)(b)(i) or (ii) of this section 41843
applies. If the department does not provide the court with the 41844
names of, contact information for, and program details of one or 41845
more community control sanctions of at least one year's duration 41846
that are available for persons sentenced by the court within the 41847
forty-five-day period specified in this division, the court may 41848
impose upon the offender a prison term under division 41849
(B)(1)(b)(iv) of this section. 41850

(d) A sentencing court may impose an additional penalty under 41851
division (B) of section 2929.15 of the Revised Code upon an 41852
offender sentenced to a community control sanction under division 41853
(B)(1)(a) of this section if the offender violates the conditions 41854
of the community control sanction, violates a law, or leaves the 41855
state without the permission of the court or the offender's 41856
probation officer. 41857

(2) If division (B)(1) of this section does not apply, except 41858
as provided in division (E), (F), or (G) of this section, in 41859
determining whether to impose a prison term as a sanction for a 41860
felony of the fourth or fifth degree, the sentencing court shall 41861
comply with the purposes and principles of sentencing under 41862
section 2929.11 of the Revised Code and with section 2929.12 of 41863
the Revised Code. 41864

(C) Except as provided in division (D), (E), (F), or (G) of 41865
this section, in determining whether to impose a prison term as a 41866
sanction for a felony of the third degree or a felony drug offense 41867
that is a violation of a provision of Chapter 2925. of the Revised 41868
Code and that is specified as being subject to this division for 41869
purposes of sentencing, the sentencing court shall comply with the 41870
purposes and principles of sentencing under section 2929.11 of the 41871
Revised Code and with section 2929.12 of the Revised Code. 41872

(D)(1) Except as provided in division (E) or (F) of this 41873
section, for a felony of the first or second degree, for a felony 41874
drug offense that is a violation of any provision of Chapter 41875
2925., 3719., or 4729. of the Revised Code for which a presumption 41876
in favor of a prison term is specified as being applicable, and 41877
for a violation of division (A)(4) or (B) of section 2907.05 of 41878
the Revised Code for which a presumption in favor of a prison term 41879
is specified as being applicable, it is presumed that a prison 41880
term is necessary in order to comply with the purposes and 41881
principles of sentencing under section 2929.11 of the Revised 41882
Code. Division (D)(2) of this section does not apply to a 41883
presumption established under this division for a violation of 41884
division (A)(4) of section 2907.05 of the Revised Code. 41885

(2) Notwithstanding the presumption established under 41886
division (D)(1) of this section for the offenses listed in that 41887
division other than a violation of division (A)(4) or (B) of 41888
section 2907.05 of the Revised Code, the sentencing court may 41889

impose a community control sanction or a combination of community control sanctions instead of a prison term on an offender for a felony of the first or second degree or for a felony drug offense that is a violation of any provision of Chapter 2925., 3719., or 4729. of the Revised Code for which a presumption in favor of a prison term is specified as being applicable if it makes both of the following findings:

(a) A community control sanction or a combination of community control sanctions would adequately punish the offender and protect the public from future crime, because the applicable factors under section 2929.12 of the Revised Code indicating a lesser likelihood of recidivism outweigh the applicable factors under that section indicating a greater likelihood of recidivism.

(b) A community control sanction or a combination of community control sanctions would not demean the seriousness of the offense, because one or more factors under section 2929.12 of the Revised Code that indicate that the offender's conduct was less serious than conduct normally constituting the offense are applicable, and they outweigh the applicable factors under that section that indicate that the offender's conduct was more serious than conduct normally constituting the offense.

(E)(1) Except as provided in division (F) of this section, for any drug offense that is a violation of any provision of Chapter 2925. of the Revised Code and that is a felony of the third, fourth, or fifth degree, the applicability of a presumption under division (D) of this section in favor of a prison term or of division (B) or (C) of this section in determining whether to impose a prison term for the offense shall be determined as specified in section 2925.02, 2925.03, 2925.04, 2925.05, 2925.06, 2925.11, 2925.13, 2925.22, 2925.23, 2925.36, or 2925.37 of the Revised Code, whichever is applicable regarding the violation.

(2) If an offender who was convicted of or pleaded guilty to

a felony violates the conditions of a community control sanction 41922
imposed for the offense solely by reason of producing positive 41923
results on a drug test, the court, as punishment for the violation 41924
of the sanction, shall not order that the offender be imprisoned 41925
unless the court determines on the record either of the following: 41926

(a) The offender had been ordered as a sanction for the 41927
felony to participate in a drug treatment program, in a drug 41928
education program, or in narcotics anonymous or a similar program, 41929
and the offender continued to use illegal drugs after a reasonable 41930
period of participation in the program. 41931

(b) The imprisonment of the offender for the violation is 41932
consistent with the purposes and principles of sentencing set 41933
forth in section 2929.11 of the Revised Code. 41934

(3) A court that sentences an offender for a drug abuse 41935
offense that is a felony of the third, fourth, or fifth degree may 41936
require that the offender be assessed by a properly credentialed 41937
professional within a specified period of time. The court shall 41938
require the professional to file a written assessment of the 41939
offender with the court. If the offender is eligible for a 41940
community control sanction and after considering the written 41941
assessment, the court may impose a community control sanction that 41942
includes treatment and recovery support services authorized by 41943
section 3793.02 of the Revised Code. If the court imposes 41944
treatment and recovery support services as a community control 41945
sanction, the court shall direct the level and type of treatment 41946
and recovery support services after considering the assessment and 41947
recommendation of treatment and recovery support services 41948
providers. 41949

(F) Notwithstanding divisions (A) to (E) of this section, the 41950
court shall impose a prison term or terms under sections 2929.02 41951
to 2929.06, section 2929.14, section 2929.142, or section 2971.03 41952
of the Revised Code and except as specifically provided in section 41953

2929.20, divisions (C) to (I) of section 2967.19, or section 41954
2967.191 of the Revised Code or when parole is authorized for the 41955
offense under section 2967.13 of the Revised Code shall not reduce 41956
the term or terms pursuant to section 2929.20, section 2967.19, 41957
section 2967.193, or any other provision of Chapter 2967. or 41958
Chapter 5120. of the Revised Code for any of the following 41959
offenses: 41960

(1) Aggravated murder when death is not imposed or murder; 41961

(2) Any rape, regardless of whether force was involved and 41962
regardless of the age of the victim, or an attempt to commit rape 41963
if, had the offender completed the rape that was attempted, the 41964
offender would have been guilty of a violation of division 41965
(A)(1)(b) of section 2907.02 of the Revised Code and would be 41966
sentenced under section 2971.03 of the Revised Code; 41967

(3) Gross sexual imposition or sexual battery, if the victim 41968
is less than thirteen years of age and if any of the following 41969
applies: 41970

(a) Regarding gross sexual imposition, the offender 41971
previously was convicted of or pleaded guilty to rape, the former 41972
offense of felonious sexual penetration, gross sexual imposition, 41973
or sexual battery, and the victim of the previous offense was less 41974
than thirteen years of age; 41975

(b) Regarding gross sexual imposition, the offense was 41976
committed on or after August 3, 2006, and evidence other than the 41977
testimony of the victim was admitted in the case corroborating the 41978
violation. 41979

(c) Regarding sexual battery, either of the following 41980
applies: 41981

(i) The offense was committed prior to August 3, 2006, the 41982
offender previously was convicted of or pleaded guilty to rape, 41983
the former offense of felonious sexual penetration, or sexual 41984

battery, and the victim of the previous offense was less than 41985
thirteen years of age. 41986

(ii) The offense was committed on or after August 3, 2006. 41987

(4) A felony violation of section 2903.04, 2903.06, 2903.08, 41988
2903.11, 2903.12, 2903.13, 2905.32, or 2907.07 of the Revised Code 41989
if the section requires the imposition of a prison term; 41990

2925.11, 2925.13, 2925.22, 2925.23, 2925.36, 2925.37, 3719.99, or 41993
4729.99 of the Revised Code, whichever is applicable regarding the 41994
violation, requires the imposition of a mandatory prison term; 41995

(6) Any offense that is a first or second degree felony and 41996
that is not set forth in division (F)(1), (2), (3), or (4) of this 41997
section, if the offender previously was convicted of or pleaded 41998
guilty to aggravated murder, murder, any first or second degree 41999
felony, or an offense under an existing or former law of this 42000
state, another state, or the United States that is or was 42001
substantially equivalent to one of those offenses; 42002

(7) Any offense that is a third degree felony and either is a 42003
violation of section 2903.04 of the Revised Code or an attempt to 42004
commit a felony of the second degree that is an offense of 42005
violence and involved an attempt to cause serious physical harm to 42006
a person or that resulted in serious physical harm to a person if 42007
the offender previously was convicted of or pleaded guilty to any 42008
of the following offenses: 42009

(b) An offense under an existing or former law of this state, 42016

equivalent to an offense listed in division (F)(7)(a) of this 42018
section that resulted in the death of a person or in physical harm 42019
to a person. 42020

(8) Any offense, other than a violation of section 2923.12 of 42021
the Revised Code, that is a felony, if the offender had a firearm 42022
on or about the offender's person or under the offender's control 42023

sentence imposed pursuant to division (B)(1)(a) of section 2929.14 42025

imposition of a prison term; 42076

(18) A felony violation of section 2903.11, 2903.12, or 42077

2903.13 of the Revised Code, if the victim of the offense was a woman that the offender knew was pregnant at the time of the violation, with respect to a portion of the sentence imposed pursuant to division (B)(8) of section 2929.14 of the Revised Code.

(G) Notwithstanding divisions (A) to (E) of this section, if an offender is being sentenced for a fourth degree felony OVI offense or for a third degree felony OVI offense, the court shall impose upon the offender a mandatory term of local incarceration or a mandatory prison term in accordance with the following:

(1) If the offender is being sentenced for a fourth degree felony OVI offense and if the offender has not been convicted of and has not pleaded guilty to a specification of the type described in section 2941.1413 of the Revised Code, the court may impose upon the offender a mandatory term of local incarceration of sixty days or one hundred twenty days as specified in division (G)(1)(d) of section 4511.19 of the Revised Code. The court shall not reduce the term pursuant to section 2929.20, 2967.193, or any other provision of the Revised Code. The court that imposes a mandatory term of local incarceration under this division shall specify whether the term is to be served in a jail, a community-based correctional facility, a halfway house, or an alternative residential facility, and the offender shall serve the term in the type of facility specified by the court. A mandatory term of local incarceration imposed under division (G)(1) of this section is not subject to any other Revised Code provision that pertains to a prison term except as provided in division (A)(1) of this section.

(2) If the offender is being sentenced for a third degree felony OVI offense, or if the offender is being sentenced for a fourth degree felony OVI offense and the court does not impose a mandatory term of local incarceration under division (G)(1) of

this section, the court shall impose upon the offender a mandatory 42110
prison term of one, two, three, four, or five years if the 42111
offender also is convicted of or also pleads guilty to a 42112
specification of the type described in section 2941.1413 of the 42113
Revised Code or shall impose upon the offender a mandatory prison 42114
term of sixty days or one hundred twenty days as specified in 42115
division (G)(1)(d) or (e) of section 4511.19 of the Revised Code 42116
if the offender has not been convicted of and has not pleaded 42117
guilty to a specification of that type. Subject to divisions (C) 42118
to (I) of section 2967.19 of the Revised Code, the court shall not 42119
reduce the term pursuant to section 2929.20, 2967.19, 2967.193, or 42120
any other provision of the Revised Code. The offender shall serve 42121
the one-, two-, three-, four-, or five-year mandatory prison term 42122
consecutively to and prior to the prison term imposed for the 42123
underlying offense and consecutively to any other mandatory prison 42124
term imposed in relation to the offense. In no case shall an 42125
offender who once has been sentenced to a mandatory term of local 42126
incarceration pursuant to division (G)(1) of this section for a 42127
fourth degree felony OVI offense be sentenced to another mandatory 42128
term of local incarceration under that division for any violation 42129
of division (A) of section 4511.19 of the Revised Code. In 42130
addition to the mandatory prison term described in division (G)(2) 42131
of this section, the court may sentence the offender to a 42132
community control sanction under section 2929.16 or 2929.17 of the 42133
Revised Code, but the offender shall serve the prison term prior 42134
to serving the community control sanction. The department of 42135
rehabilitation and correction may place an offender sentenced to a 42136
mandatory prison term under this division in an intensive program 42137
prison established pursuant to section 5120.033 of the Revised 42138
Code if the department gave the sentencing judge prior notice of 42139
its intent to place the offender in an intensive program prison 42140
established under that section and if the judge did not notify the 42141
department that the judge disapproved the placement. Upon the 42142

establishment of the initial intensive program prison pursuant to 42143
section 5120.033 of the Revised Code that is privately operated 42144
and managed by a contractor pursuant to a contract entered into 42145
under section 9.06 of the Revised Code, both of the following 42146
apply: 42147

(a) The department of rehabilitation and correction shall 42148
make a reasonable effort to ensure that a sufficient number of 42149
offenders sentenced to a mandatory prison term under this division 42150
are placed in the privately operated and managed prison so that 42151
the privately operated and managed prison has full occupancy. 42152

(b) Unless the privately operated and managed prison has full 42153
occupancy, the department of rehabilitation and correction shall 42154
not place any offender sentenced to a mandatory prison term under 42155
this division in any intensive program prison established pursuant 42156
to section 5120.033 of the Revised Code other than the privately 42157
operated and managed prison. 42158

(H) If an offender is being sentenced for a sexually oriented 42159
offense or child-victim oriented offense that is a felony 42160
committed on or after January 1, 1997, the judge shall require the 42161
offender to submit to a DNA specimen collection procedure pursuant 42162
to section 2901.07 of the Revised Code. 42163

(I) If an offender is being sentenced for a sexually oriented 42164
offense or a child-victim oriented offense committed on or after 42165
January 1, 1997, the judge shall include in the sentence a summary 42166
of the offender's duties imposed under sections 2950.04, 2950.041, 42167
2950.05, and 2950.06 of the Revised Code and the duration of the 42168
duties. The judge shall inform the offender, at the time of 42169
sentencing, of those duties and of their duration. If required 42170
under division (A)(2) of section 2950.03 of the Revised Code, the 42171
judge shall perform the duties specified in that section, or, if 42172
required under division (A)(6) of section 2950.03 of the Revised 42173
Code, the judge shall perform the duties specified in that 42174

division. 42175

(J)(1) Except as provided in division (J)(2) of this section, 42176
when considering sentencing factors under this section in relation 42177
to an offender who is convicted of or pleads guilty to an attempt 42178
to commit an offense in violation of section 2923.02 of the 42179
Revised Code, the sentencing court shall consider the factors 42180
applicable to the felony category of the violation of section 42181
2923.02 of the Revised Code instead of the factors applicable to 42182
the felony category of the offense attempted. 42183

(2) When considering sentencing factors under this section in 42184
relation to an offender who is convicted of or pleads guilty to an 42185
attempt to commit a drug abuse offense for which the penalty is 42186
determined by the amount or number of unit doses of the controlled 42187
substance involved in the drug abuse offense, the sentencing court 42188
shall consider the factors applicable to the felony category that 42189
the drug abuse offense attempted would be if that drug abuse 42190
offense had been committed and had involved an amount or number of 42191
unit doses of the controlled substance that is within the next 42192
lower range of controlled substance amounts than was involved in 42193
the attempt. 42194

(K) As used in this section: 42195

(1) "Drug abuse offense" has the same meaning as in section 42196
2925.01 of the Revised Code. 42197

(2) "Qualifying assault offense" means a violation of section 42198
2903.13 of the Revised Code for which the penalty provision in 42199
division (C)~~(7)~~(8)(b) or (C)~~(8)~~(9)(b) of that section applies. 42200

(L) At the time of sentencing an offender for any sexually 42201
oriented offense, if the offender is a tier III sex 42202
offender/child-victim offender relative to that offense and the 42203
offender does not serve a prison term or jail term, the court may 42204
require that the offender be monitored by means of a global 42205

positioning device. If the court requires such monitoring, the 42206
cost of monitoring shall be borne by the offender. If the offender 42207
is indigent, the cost of compliance shall be paid by the crime 42208
victims reparations fund. 42209

Sec. 2929.15. (A)(1) If in sentencing an offender for a 42210
felony the court is not required to impose a prison term, a 42211
mandatory prison term, or a term of life imprisonment upon the 42212
offender, the court may directly impose a sentence that consists 42213
of one or more community control sanctions authorized pursuant to 42214
section 2929.16, 2929.17, or 2929.18 of the Revised Code. If the 42215
court is sentencing an offender for a fourth degree felony OVI 42216
offense under division (G)(1) of section 2929.13 of the Revised 42217
Code, in addition to the mandatory term of local incarceration 42218
imposed under that division and the mandatory fine required by 42219
division (B)(3) of section 2929.18 of the Revised Code, the court 42220
may impose upon the offender a community control sanction or 42221
combination of community control sanctions in accordance with 42222
sections 2929.16 and 2929.17 of the Revised Code. If the court is 42223
sentencing an offender for a third or fourth degree felony OVI 42224
offense under division (G)(2) of section 2929.13 of the Revised 42225
Code, in addition to the mandatory prison term or mandatory prison 42226
term and additional prison term imposed under that division, the 42227
court also may impose upon the offender a community control 42228
sanction or combination of community control sanctions under 42229
section 2929.16 or 2929.17 of the Revised Code, but the offender 42230
shall serve all of the prison terms so imposed prior to serving 42231
the community control sanction. 42232

The duration of all community control sanctions imposed upon 42233
an offender under this division shall not exceed five years. If 42234
the offender absconds or otherwise leaves the jurisdiction of the 42235
court in which the offender resides without obtaining permission 42236
from the court or the offender's probation officer to leave the 42237

jurisdiction of the court, or if the offender is confined in any 42238
institution for the commission of any offense while under a 42239
community control sanction, the period of the community control 42240
sanction ceases to run until the offender is brought before the 42241
court for its further action. If the court sentences the offender 42242
to one or more nonresidential sanctions under section 2929.17 of 42243
the Revised Code, the court shall impose as a condition of the 42244
nonresidential sanctions that, during the period of the sanctions, 42245
the offender must abide by the law and must not leave the state 42246
without the permission of the court or the offender's probation 42247
officer. The court may impose any other conditions of release 42248
under a community control sanction that the court considers 42249
appropriate, including, but not limited to, requiring that the 42250
offender not ingest or be injected with a drug of abuse and submit 42251
to random drug testing as provided in division (D) of this section 42252
to determine whether the offender ingested or was injected with a 42253
drug of abuse and requiring that the results of the drug test 42254
indicate that the offender did not ingest or was not injected with 42255
a drug of abuse. 42256

(2)(a) If a court sentences an offender to any community 42257
control sanction or combination of community control sanctions 42258
authorized pursuant to section 2929.16, 2929.17, or 2929.18 of the 42259
Revised Code, the court shall place the offender under the general 42260
control and supervision of a department of probation in the county 42261
that serves the court for purposes of reporting to the court a 42262
violation of any condition of the sanctions, any condition of 42263
release under a community control sanction imposed by the court, a 42264
violation of law, or the departure of the offender from this state 42265
without the permission of the court or the offender's probation 42266
officer. Alternatively, if the offender resides in another county 42267
and a county department of probation has been established in that 42268
county or that county is served by a multicounty probation 42269
department established under section 2301.27 of the Revised Code, 42270

the court may request the court of common pleas of that county to 42271
receive the offender into the general control and supervision of 42272
that county or multicounty department of probation for purposes of 42273
reporting to the court a violation of any condition of the 42274
sanctions, any condition of release under a community control 42275
sanction imposed by the court, a violation of law, or the 42276
departure of the offender from this state without the permission 42277
of the court or the offender's probation officer, subject to the 42278
jurisdiction of the trial judge over and with respect to the 42279
person of the offender, and to the rules governing that department 42280
of probation. 42281

If there is no department of probation in the county that 42282
serves the court, the court shall place the offender, regardless 42283
of the offender's county of residence, under the general control 42284
and supervision of the adult parole authority for purposes of 42285
reporting to the court a violation of any of the sanctions, any 42286
condition of release under a community control sanction imposed by 42287
the court, a violation of law, or the departure of the offender 42288
from this state without the permission of the court or the 42289
offender's probation officer. 42290

(b) If the court imposing sentence upon an offender sentences 42291
the offender to any community control sanction or combination of 42292
community control sanctions authorized pursuant to section 42293
2929.16, 2929.17, or 2929.18 of the Revised Code, and if the 42294
offender violates any condition of the sanctions, any condition of 42295
release under a community control sanction imposed by the court, 42296
violates any law, or departs the state without the permission of 42297
the court or the offender's probation officer, the public or 42298
private person or entity that operates or administers the sanction 42299
or the program or activity that comprises the sanction shall 42300
report the violation or departure directly to the sentencing 42301
court, or shall report the violation or departure to the county or 42302

multicounty department of probation with general control and 42303
supervision over the offender under division (A)(2)(a) of this 42304
section or the officer of that department who supervises the 42305
offender, or, if there is no such department with general control 42306
and supervision over the offender under that division, to the 42307
adult parole authority. If the public or private person or entity 42308
that operates or administers the sanction or the program or 42309
activity that comprises the sanction reports the violation or 42310
departure to the county or multicounty department of probation or 42311
the adult parole authority, the department's or authority's 42312
officers may treat the offender as if the offender were on 42313
probation and in violation of the probation, and shall report the 42314
violation of the condition of the sanction, any condition of 42315
release under a community control sanction imposed by the court, 42316
the violation of law, or the departure from the state without the 42317
required permission to the sentencing court. 42318

(3) If an offender who is eligible for community control 42319
sanctions under this section admits to being drug addicted or the 42320
court has reason to believe that the offender is drug addicted, 42321
and if the offense for which the offender is being sentenced was 42322
related to the addiction, the court may require that the offender 42323
be assessed by a properly credentialed professional within a 42324
specified period of time and shall require the professional to 42325
file a written assessment of the offender with the court. If a 42326
court imposes treatment and recovery support services as a 42327
community control sanction, the court shall direct the level and 42328
type of treatment and recovery support services after 42329
consideration of the written assessment, if available at the time 42330
of sentencing, and recommendations of the professional and other 42331
treatment and recovery support services providers. 42332

(4) If an assessment completed pursuant to division (A)(3) of 42333
this section indicates that the offender is addicted to drugs or 42334

alcohol, the court may include in any community control sanction 42335
imposed for a violation of section 2925.02, 2925.03, 2925.04, 42336
2925.05, 2925.06, 2925.11, 2925.13, 2925.22, 2925.23, 2925.36, or 42337
2925.37 of the Revised Code a requirement that the offender 42338
participate in a treatment and recovery support services program 42339
certified under section ~~3793.06~~ 5119.36 of the Revised Code or 42340
offered by another properly credentialed ~~program~~ community 42341
addiction services provider. 42342

(B)(1) If the conditions of a community control sanction are 42343
violated or if the offender violates a law or leaves the state 42344
without the permission of the court or the offender's probation 42345
officer, the sentencing court may impose upon the violator one or 42346
more of the following penalties: 42347

(a) A longer time under the same sanction if the total time 42348
under the sanctions does not exceed the five-year limit specified 42349
in division (A) of this section; 42350

(b) A more restrictive sanction under section 2929.16, 42351
2929.17, or 2929.18 of the Revised Code; 42352

(c) A prison term on the offender pursuant to section 2929.14 42353
of the Revised Code. 42354

(2) The prison term, if any, imposed upon a violator pursuant 42355
to this division shall be within the range of prison terms 42356
available for the offense for which the sanction that was violated 42357
was imposed and shall not exceed the prison term specified in the 42358
notice provided to the offender at the sentencing hearing pursuant 42359
to division (B)(2) of section 2929.19 of the Revised Code. The 42360
court may reduce the longer period of time that the offender is 42361
required to spend under the longer sanction, the more restrictive 42362
sanction, or a prison term imposed pursuant to this division by 42363
the time the offender successfully spent under the sanction that 42364
was initially imposed. 42365

(C) If an offender, for a significant period of time, 42366
fulfills the conditions of a sanction imposed pursuant to section 42367
2929.16, 2929.17, or 2929.18 of the Revised Code in an exemplary 42368
manner, the court may reduce the period of time under the sanction 42369
or impose a less restrictive sanction, but the court shall not 42370
permit the offender to violate any law or permit the offender to 42371
leave the state without the permission of the court or the 42372
offender's probation officer. 42373

(D)(1) If a court under division (A)(1) of this section 42374
imposes a condition of release under a community control sanction 42375
that requires the offender to submit to random drug testing, the 42376
department of probation or the adult parole authority that has 42377
general control and supervision of the offender under division 42378
(A)(2)(a) of this section may cause the offender to submit to 42379
random drug testing performed by a laboratory or entity that has 42380
entered into a contract with any of the governmental entities or 42381
officers authorized to enter into a contract with that laboratory 42382
or entity under section 341.26, 753.33, or 5120.63 of the Revised 42383
Code. 42384

(2) If no laboratory or entity described in division (D)(1) 42385
of this section has entered into a contract as specified in that 42386
division, the department of probation or the adult parole 42387
authority that has general control and supervision of the offender 42388
under division (A)(2)(a) of this section shall cause the offender 42389
to submit to random drug testing performed by a reputable public 42390
laboratory to determine whether the individual who is the subject 42391
of the drug test ingested or was injected with a drug of abuse. 42392

(3) A laboratory or entity that has entered into a contract 42393
pursuant to section 341.26, 753.33, or 5120.63 of the Revised Code 42394
shall perform the random drug tests under division (D)(1) of this 42395
section in accordance with the applicable standards that are 42396
included in the terms of that contract. A public laboratory shall 42397

perform the random drug tests under division (D)(2) of this 42398
section in accordance with the standards set forth in the policies 42399
and procedures established by the department of rehabilitation and 42400
correction pursuant to section 5120.63 of the Revised Code. An 42401
offender who is required under division (A)(1) of this section to 42402
submit to random drug testing as a condition of release under a 42403
community control sanction and whose test results indicate that 42404
the offender ingested or was injected with a drug of abuse shall 42405
pay the fee for the drug test if the department of probation or 42406
the adult parole authority that has general control and 42407
supervision of the offender requires payment of a fee. A 42408
laboratory or entity that performs the random drug testing on an 42409
offender under division (D)(1) or (2) of this section shall 42410
transmit the results of the drug test to the appropriate 42411
department of probation or the adult parole authority that has 42412
general control and supervision of the offender under division 42413
(A)(2)(a) of this section. 42414

Sec. 2929.18. (A) Except as otherwise provided in this 42415
division and in addition to imposing court costs pursuant to 42416
section 2947.23 of the Revised Code, the court imposing a sentence 42417
upon an offender for a felony may sentence the offender to any 42418
financial sanction or combination of financial sanctions 42419
authorized under this section or, in the circumstances specified 42420
in section 2929.32 of the Revised Code, may impose upon the 42421
offender a fine in accordance with that section. Financial 42422
sanctions that may be imposed pursuant to this section include, 42423
but are not limited to, the following: 42424

(1) Restitution by the offender to the victim of the 42425
offender's crime or any survivor of the victim, in an amount based 42426
on the victim's economic loss. If the court imposes restitution, 42427
the court shall order that the restitution be made to the victim 42428
in open court, to the adult probation department that serves the 42429

county on behalf of the victim, to the clerk of courts, or to 42430
another agency designated by the court. If the court imposes 42431
restitution, at sentencing, the court shall determine the amount 42432
of restitution to be made by the offender. If the court imposes 42433
restitution, the court may base the amount of restitution it 42434
orders on an amount recommended by the victim, the offender, a 42435
presentence investigation report, estimates or receipts indicating 42436
the cost of repairing or replacing property, and other 42437
information, provided that the amount the court orders as 42438
restitution shall not exceed the amount of the economic loss 42439
suffered by the victim as a direct and proximate result of the 42440
commission of the offense. If the court decides to impose 42441
restitution, the court shall hold a hearing on restitution if the 42442
offender, victim, or survivor disputes the amount. All restitution 42443
payments shall be credited against any recovery of economic loss 42444
in a civil action brought by the victim or any survivor of the 42445
victim against the offender. 42446

If the court imposes restitution, the court may order that 42447
the offender pay a surcharge of not more than five per cent of the 42448
amount of the restitution otherwise ordered to the entity 42449
responsible for collecting and processing restitution payments. 42450

The victim or survivor may request that the prosecutor in the 42451
case file a motion, or the offender may file a motion, for 42452
modification of the payment terms of any restitution ordered. If 42453
the court grants the motion, it may modify the payment terms as it 42454
determines appropriate. 42455

(2) Except as provided in division (B)(1), (3), or (4) of 42456
this section, a fine payable by the offender to the state, to a 42457
political subdivision, or as described in division (B)(2) of this 42458
section to one or more law enforcement agencies, with the amount 42459
of the fine based on a standard percentage of the offender's daily 42460
income over a period of time determined by the court and based 42461

upon the seriousness of the offense. A fine ordered under this 42462
division shall not exceed the maximum conventional fine amount 42463
authorized for the level of the offense under division (A)(3) of 42464
this section. 42465

(3) Except as provided in division (B)(1), (3), or (4) of 42466
this section, a fine payable by the offender to the state, to a 42467
political subdivision when appropriate for a felony, or as 42468
described in division (B)(2) of this section to one or more law 42469
enforcement agencies, in the following amount: 42470

(a) For a felony of the first degree, not more than twenty 42471
thousand dollars; 42472

(b) For a felony of the second degree, not more than fifteen 42473
thousand dollars; 42474

(c) For a felony of the third degree, not more than ten 42475
thousand dollars; 42476

(d) For a felony of the fourth degree, not more than five 42477
thousand dollars; 42478

(e) For a felony of the fifth degree, not more than two 42479

(f) In determining pursuant to divisions (B)(3)(a) to (g) of this section whether to arrest a person pursuant to division (B)(1) of this section, a peace officer described in division (A) of this section shall not consider as a factor any possible shortage of cell space at the detention facility to which the

the defendant presently is mentally retarded, whether the 43673
defendant appears to be a mentally retarded person subject to 43674

proceedings against the defendant or of assisting in the 43701
defendant's defense and that in the examiner's opinion the 43702
defendant appears to be a mentally retarded person subject to 43703

division, the court shall not conduct a hearing under divisions 43718

(B) to (H) of section 2945.37 of the Revised Code regarding that 43719

the period of time specified in division (C) of section 2945.37 of 43723
the Revised Code. 43724

(I) An examiner appointed under divisions (A) and (B) of this 43725
section or under division (H) of this section to evaluate a 43726
defendant to determine the defendant's competence to stand trial 43727
also may be appointed to evaluate a defendant who has entered a 43728
plea of not guilty by reason of insanity, but an examiner of that 43729
nature shall prepare separate reports on the issue of competence 43730
to stand trial and the defense of not guilty by reason of 43731
insanity. 43732

(J) No statement that a defendant makes in an evaluation or 43733
hearing under divisions (A) to (H) of this section relating to the 43734
defendant's competence to stand trial or to the defendant's mental 43735
condition at the time of the offense charged shall be used against 43736
the defendant on the issue of guilt in any criminal action or 43737
proceeding, but, in a criminal action or proceeding, the 43738
prosecutor or defense counsel may call as a witness any person who 43739
evaluated the defendant or prepared a report pursuant to a 43740
referral under this section. Neither the appointment nor the 43741
testimony of an examiner appointed under this section precludes 43742
the prosecutor or defense counsel from calling other witnesses or 43743
presenting other evidence on competency or insanity issues. 43744

(K) Persons appointed as examiners under divisions (A) and 43745
(B) of this section or under division (H) of this section shall be 43746
paid a reasonable amount for their services and expenses, as 43747
certified by the court. The certified amount shall be paid by the 43748
county in the case of county courts and courts of common pleas and 43749
by the legislative authority, as defined in section 1901.03 of the 43750

Revised Code, in the case of municipal courts. 43751

Sec. 2945.38. (A) If the issue of a defendant's competence to stand trial is raised and if the court, upon conducting the hearing provided for in section 2945.37 of the Revised Code, finds that the defendant is competent to stand trial, the defendant shall be proceeded against as provided by law. If the court finds the defendant competent to stand trial and the defendant is receiving psychotropic drugs or other medication, the court may authorize the continued administration of the drugs or medication or other appropriate treatment in order to maintain the defendant's competence to stand trial, unless the defendant's attending physician advises the court against continuation of the drugs, other medication, or treatment. 43752

(B)(1)(a) If, after taking into consideration all relevant reports, information, and other evidence, the court finds that the defendant is incompetent to stand trial and that there is a substantial probability that the defendant will become competent to stand trial within one year if the defendant is provided with a course of treatment, the court shall order the defendant to undergo treatment. If the defendant has been charged with a felony offense and if, after taking into consideration all relevant reports, information, and other evidence, the court finds that the defendant is incompetent to stand trial, but the court is unable at that time to determine whether there is a substantial probability that the defendant will become competent to stand trial within one year if the defendant is provided with a course of treatment, the court shall order continuing evaluation and treatment of the defendant for a period not to exceed four months to determine whether there is a substantial probability that the defendant will become competent to stand trial within one year if the defendant is provided with a course of treatment. 43764

(b) The court order for the defendant to undergo treatment or continuing evaluation and treatment under division (B)(1)(a) of this section shall specify that the defendant, if determined to require mental health treatment or continuing evaluation and treatment, either shall be committed to the department of ~~mental health~~ mental health and addiction services for treatment or continuing evaluation and treatment at a hospital, facility, or agency, as determined to be clinically appropriate by the department of ~~mental health~~ mental health and addiction services or shall be committed to a facility certified by the department of ~~mental health~~ mental health and addiction services as being qualified to treat mental illness, to a public or community mental health facility, or to a psychiatrist or another mental health professional for treatment or continuing evaluation and treatment. Prior to placing the defendant, the department of ~~mental health~~ mental health and addiction services shall obtain court approval for that placement following a hearing. The court order for the defendant to undergo treatment or continuing evaluation and treatment under division (B)(1)(a) of this section shall specify that the defendant, if determined to require treatment or continuing evaluation and treatment for mental retardation, shall receive treatment or continuing evaluation and treatment at an institution or facility operated by the department of developmental disabilities, at a facility certified by the department of developmental disabilities as being qualified to treat mental retardation, at a public or private mental retardation facility, or by a psychiatrist or another mental retardation professional. In any case, the order may restrict the defendant's freedom of movement as the court considers necessary. The prosecutor in the defendant's case shall send to the chief clinical officer of the hospital, facility, or agency where the defendant is placed by the department of ~~mental health~~ mental health and addiction services, or to the managing officer of the

institution, the director of the program or facility, or the 43815
person to which the defendant is committed, copies of relevant 43816
police reports and other background information that pertains to 43817
the defendant and is available to the prosecutor unless the 43818
prosecutor determines that the release of any of the information 43819
in the police reports or any of the other background information 43820
to unauthorized persons would interfere with the effective 43821
prosecution of any person or would create a substantial risk of 43822
harm to any person. 43823

In determining the place of commitment, the court shall 43824
consider the extent to which the person is a danger to the person 43825
and to others, the need for security, and the type of crime 43826
involved and shall order the least restrictive alternative 43827
available that is consistent with public safety and treatment 43828
goals. In weighing these factors, the court shall give preference 43829
to protecting public safety. 43830

(c) If the defendant is found incompetent to stand trial, if 43831
the chief clinical officer of the hospital, facility, or agency 43832
where the defendant is placed, or the managing officer of the 43833
institution, the director of the program or facility, or the 43834
person to which the defendant is committed for treatment or 43835
continuing evaluation and treatment under division (B)(1)(b) of 43836
this section determines that medication is necessary to restore 43837
the defendant's competency to stand trial, and if the defendant 43838
lacks the capacity to give informed consent or refuses medication, 43839
the chief clinical officer of the hospital, facility, or agency 43840
where the defendant is placed, or the managing officer of the 43841
institution, the director of the program or facility, or the 43842
person to which the defendant is committed for treatment or 43843
continuing evaluation and treatment may petition the court for 43844
authorization for the involuntary administration of medication. 43845
The court shall hold a hearing on the petition within five days of 43846

the filing of the petition if the petition was filed in a 43847
municipal court or a county court regarding an incompetent 43848
defendant charged with a misdemeanor or within ten days of the 43849
filing of the petition if the petition was filed in a court of 43850
common pleas regarding an incompetent defendant charged with a 43851
felony offense. Following the hearing, the court may authorize the 43852
involuntary administration of medication or may dismiss the 43853
petition. 43854

(2) If the court finds that the defendant is incompetent to 43855
stand trial and that, even if the defendant is provided with a 43856
course of treatment, there is not a substantial probability that 43857
the defendant will become competent to stand trial within one 43858
year, the court shall order the discharge of the defendant, unless 43859
upon motion of the prosecutor or on its own motion, the court 43860
either seeks to retain jurisdiction over the defendant pursuant to 43861
section 2945.39 of the Revised Code or files an affidavit in the 43862
probate court for the civil commitment of the defendant pursuant 43863
to Chapter 5122. or 5123. of the Revised Code alleging that the 43864
defendant is a mentally ill person subject to hospitalization by 43865
court order or a mentally retarded person subject to 43866
institutionalization by court order. If an affidavit is filed in 43867
the probate court, the trial court shall send to the probate court 43868
copies of all written reports of the defendant's mental condition 43869
that were prepared pursuant to section 2945.371 of the Revised 43870
Code. 43871

The trial court may issue the temporary order of detention 43872
that a probate court may issue under section 5122.11 or 5123.71 of 43873
the Revised Code, to remain in effect until the probable cause or 43874
initial hearing in the probate court. Further proceedings in the 43875
probate court are civil proceedings governed by Chapter 5122. or 43876
5123. of the Revised Code. 43877

(C) No defendant shall be required to undergo treatment, 43878

including any continuing evaluation and treatment, under division 43879
(B)(1) of this section for longer than whichever of the following 43880
periods is applicable: 43881

(1) One year, if the most serious offense with which the 43882
defendant is charged is one of the following offenses: 43883

(a) Aggravated murder, murder, or an offense of violence for 43884
which a sentence of death or life imprisonment may be imposed; 43885

(b) An offense of violence that is a felony of the first or 43886
second degree; 43887

(c) A conspiracy to commit, an attempt to commit, or 43888
complicity in the commission of an offense described in division 43889
(C)(1)(a) or (b) of this section if the conspiracy, attempt, or 43890
complicity is a felony of the first or second degree. 43891

(2) Six months, if the most serious offense with which the 43892
defendant is charged is a felony other than a felony described in 43893
division (C)(1) of this section; 43894

(3) Sixty days, if the most serious offense with which the 43895
defendant is charged is a misdemeanor of the first or second 43896
degree; 43897

(4) Thirty days, if the most serious offense with which the 43898
defendant is charged is a misdemeanor of the third or fourth 43899
degree, a minor misdemeanor, or an unclassified misdemeanor. 43900

(D) Any defendant who is committed pursuant to this section 43901
shall not voluntarily admit the defendant or be voluntarily 43902
admitted to a hospital or institution pursuant to section 5122.02, 43903
5122.15, 5123.69, or 5123.76 of the Revised Code. 43904

(E) Except as otherwise provided in this division, a 43905
defendant who is charged with an offense and is committed by the 43906
court under this section to the department of ~~mental health~~ mental 43907
health and addiction services or is committed to an institution or 43908

facility for the treatment of mental retardation shall not be 43909
granted unsupervised on-grounds movement, supervised off-grounds 43910
movement, or nonsecured status except in accordance with the court 43911
order. The court may grant a defendant supervised off-grounds 43912
movement to obtain medical treatment or specialized habilitation 43913
treatment services if the person who supervises the treatment or 43914
the continuing evaluation and treatment of the defendant ordered 43915
under division (B)(1)(a) of this section informs the court that 43916
the treatment or continuing evaluation and treatment cannot be 43917
provided at the hospital or facility where the defendant is placed 43918
by the department of ~~mental health~~ mental health and addiction 43919
services or the institution or facility to which the defendant is 43920
committed. The chief clinical officer of the hospital or facility 43921
where the defendant is placed by the department of ~~mental health~~ 43922
mental health and addiction services or the managing officer of 43923
the institution or director of the facility to which the defendant 43924
is committed, or a designee of any of those persons, may grant a 43925
defendant movement to a medical facility for an emergency medical 43926
situation with appropriate supervision to ensure the safety of the 43927
defendant, staff, and community during that emergency medical 43928
situation. The chief clinical officer of the hospital or facility 43929
where the defendant is placed by the department of ~~mental health~~ 43930
mental health and addiction services or the managing officer of 43931
the institution or director of the facility to which the defendant 43932
is committed shall notify the court within twenty-four hours of 43933
the defendant's movement to the medical facility for an emergency 43934
medical situation under this division. 43935

(F) The person who supervises the treatment or continuing 43936
evaluation and treatment of a defendant ordered to undergo 43937
treatment or continuing evaluation and treatment under division 43938
(B)(1)(a) of this section shall file a written report with the 43939
court at the following times: 43940

(1) Whenever the person believes the defendant is capable of understanding the nature and objective of the proceedings against the defendant and of assisting in the defendant's defense;

(2) For a felony offense, fourteen days before expiration of the maximum time for treatment as specified in division (C) of this section and fourteen days before the expiration of the maximum time for continuing evaluation and treatment as specified in division (B)(1)(a) of this section, and, for a misdemeanor offense, ten days before the expiration of the maximum time for treatment, as specified in division (C) of this section;

(3) At a minimum, after each six months of treatment;

(4) Whenever the person who supervises the treatment or continuing evaluation and treatment of a defendant ordered under division (B)(1)(a) of this section believes that there is not a substantial probability that the defendant will become capable of understanding the nature and objective of the proceedings against the defendant or of assisting in the defendant's defense even if the defendant is provided with a course of treatment.

(G) A report under division (F) of this section shall contain the examiner's findings, the facts in reasonable detail on which the findings are based, and the examiner's opinion as to the defendant's capability of understanding the nature and objective of the proceedings against the defendant and of assisting in the defendant's defense. If, in the examiner's opinion, the defendant remains incapable of understanding the nature and objective of the proceedings against the defendant and of assisting in the defendant's defense and there is a substantial probability that the defendant will become capable of understanding the nature and objective of the proceedings against the defendant and of assisting in the defendant's defense if the defendant is provided with a course of treatment, if in the examiner's opinion the defendant remains mentally ill or mentally retarded, and if the

maximum time for treatment as specified in division (C) of this 43973
section has not expired, the report also shall contain the 43974
examiner's recommendation as to the least restrictive placement or 43975
commitment alternative that is consistent with the defendant's 43976
treatment needs for restoration to competency and with the safety 43977
of the community. The court shall provide copies of the report to 43978
the prosecutor and defense counsel. 43979

(H) If a defendant is committed pursuant to division (B)(1) 43980
of this section, within ten days after the treating physician of 43981
the defendant or the examiner of the defendant who is employed or 43982
retained by the treating facility advises that there is not a 43983
substantial probability that the defendant will become capable of 43984
understanding the nature and objective of the proceedings against 43985
the defendant or of assisting in the defendant's defense even if 43986
the defendant is provided with a course of treatment, within ten 43987
days after the expiration of the maximum time for treatment as 43988
specified in division (C) of this section, within ten days after 43989
the expiration of the maximum time for continuing evaluation and 43990
treatment as specified in division (B)(1)(a) of this section, 43991
within thirty days after a defendant's request for a hearing that 43992
is made after six months of treatment, or within thirty days after 43993
being advised by the treating physician or examiner that the 43994
defendant is competent to stand trial, whichever is the earliest, 43995
the court shall conduct another hearing to determine if the 43996
defendant is competent to stand trial and shall do whichever of 43997
the following is applicable: 43998

(1) If the court finds that the defendant is competent to 43999
stand trial, the defendant shall be proceeded against as provided 44000
by law. 44001

(2) If the court finds that the defendant is incompetent to 44002
stand trial, but that there is a substantial probability that the 44003
defendant will become competent to stand trial if the defendant is 44004

provided with a course of treatment, and the maximum time for 44005
treatment as specified in division (C) of this section has not 44006
expired, the court, after consideration of the examiner's 44007
recommendation, shall order that treatment be continued, may 44008
change the facility or program at which the treatment is to be 44009
continued, and shall specify whether the treatment is to be 44010
continued at the same or a different facility or program. 44011

(3) If the court finds that the defendant is incompetent to 44012
stand trial, if the defendant is charged with an offense listed in 44013
division (C)(1) of this section, and if the court finds that there 44014
is not a substantial probability that the defendant will become 44015
competent to stand trial even if the defendant is provided with a 44016
course of treatment, or if the maximum time for treatment relative 44017
to that offense as specified in division (C) of this section has 44018
expired, further proceedings shall be as provided in sections 44019
2945.39, 2945.401, and 2945.402 of the Revised Code. 44020

(4) If the court finds that the defendant is incompetent to 44021
stand trial, if the most serious offense with which the defendant 44022
is charged is a misdemeanor or a felony other than a felony listed 44023
in division (C)(1) of this section, and if the court finds that 44024
there is not a substantial probability that the defendant will 44025
become competent to stand trial even if the defendant is provided 44026
with a course of treatment, or if the maximum time for treatment 44027
relative to that offense as specified in division (C) of this 44028
section has expired, the court shall dismiss the indictment, 44029
information, or complaint against the defendant. A dismissal under 44030
this division is not a bar to further prosecution based on the 44031
same conduct. The court shall discharge the defendant unless the 44032
court or prosecutor files an affidavit in probate court for civil 44033
commitment pursuant to Chapter 5122. or 5123. of the Revised Code. 44034
If an affidavit for civil commitment is filed, the court may 44035
detain the defendant for ten days pending civil commitment. All of 44036

the following provisions apply to persons charged with a 44037
misdemeanor or a felony other than a felony listed in division 44038
(C)(1) of this section who are committed by the probate court 44039
subsequent to the court's or prosecutor's filing of an affidavit 44040
for civil commitment under authority of this division: 44041

(a) The chief clinical officer of the entity, hospital, or 44042
facility, the managing officer of the institution, the director of 44043
the program, or the person to which the defendant is committed or 44044
admitted shall do all of the following: 44045

(i) Notify the prosecutor, in writing, of the discharge of 44046
the defendant, send the notice at least ten days prior to the 44047
discharge unless the discharge is by the probate court, and state 44048
in the notice the date on which the defendant will be discharged; 44049

(ii) Notify the prosecutor, in writing, when the defendant is 44050
absent without leave or is granted unsupervised, off-grounds 44051
movement, and send this notice promptly after the discovery of the 44052
absence without leave or prior to the granting of the 44053
unsupervised, off-grounds movement, whichever is applicable; 44054

(iii) Notify the prosecutor, in writing, of the change of the 44055
defendant's commitment or admission to voluntary status, send the 44056
notice promptly upon learning of the change to voluntary status, 44057
and state in the notice the date on which the defendant was 44058
committed or admitted on a voluntary status. 44059

(b) Upon receiving notice that the defendant will be granted 44060
unsupervised, off-grounds movement, the prosecutor either shall 44061
re-indict the defendant or promptly notify the court that the 44062
prosecutor does not intend to prosecute the charges against the 44063
defendant. 44064

(I) If a defendant is convicted of a crime and sentenced to a 44065
jail or workhouse, the defendant's sentence shall be reduced by 44066
the total number of days the defendant is confined for evaluation 44067

to determine the defendant's competence to stand trial or 44068
treatment under this section and sections 2945.37 and 2945.371 of 44069
the Revised Code or by the total number of days the defendant is 44070
confined for evaluation to determine the defendant's mental 44071
condition at the time of the offense charged. 44072

Sec. 2945.39. (A) If a defendant who is charged with an 44073
offense described in division (C)(1) of section 2945.38 of the 44074
Revised Code is found incompetent to stand trial, after the 44075
expiration of the maximum time for treatment as specified in 44076
division (C) of that section or after the court finds that there 44077
is not a substantial probability that the defendant will become 44078
competent to stand trial even if the defendant is provided with a 44079
course of treatment, one of the following applies: 44080

(1) The court or the prosecutor may file an affidavit in 44081
probate court for civil commitment of the defendant in the manner 44082
provided in Chapter 5122. or 5123. of the Revised Code. If the 44083
court or prosecutor files an affidavit for civil commitment, the 44084
court may detain the defendant for ten days pending civil 44085
commitment. If the probate court commits the defendant subsequent 44086
to the court's or prosecutor's filing of an affidavit for civil 44087
commitment, the chief clinical officer of the entity, hospital, or 44088
facility, the managing officer of the institution, the director of 44089
the program, or the person to which the defendant is committed or 44090
admitted shall send to the prosecutor the notices described in 44091
divisions (H)(4)(a)(i) to (iii) of section 2945.38 of the Revised 44092
Code within the periods of time and under the circumstances 44093
specified in those divisions. 44094

(2) On the motion of the prosecutor or on its own motion, the 44095
court may retain jurisdiction over the defendant if, at a hearing, 44096
the court finds both of the following by clear and convincing 44097
evidence: 44098

(a) The defendant committed the offense with which the defendant is charged. 44099
44100

(b) The defendant is a mentally ill person subject to hospitalization by court order or a mentally retarded person subject to institutionalization by court order. 44101
44102
44103

(B) In making its determination under division (A)(2) of this section as to whether to retain jurisdiction over the defendant, the court may consider all relevant evidence, including, but not limited to, any relevant psychiatric, psychological, or medical testimony or reports, the acts constituting the offense charged, and any history of the defendant that is relevant to the defendant's ability to conform to the law. 44104

(C) If the court conducts a hearing as described in division (A)(2) of this section and if the court does not make both findings described in divisions (A)(2)(a) and (b) of this section by clear and convincing evidence, the court shall dismiss the indictment, information, or complaint against the defendant. Upon the dismissal, the court shall discharge the defendant unless the court or prosecutor files an affidavit in probate court for civil commitment of the defendant pursuant to Chapter 5122. or 5123. of the Revised Code. If the court or prosecutor files an affidavit for civil commitment, the court may order that the defendant be detained for up to ten days pending the civil commitment. If the probate court commits the defendant subsequent to the court's or prosecutor's filing of an affidavit for civil commitment, the chief clinical officer of the entity, hospital, or facility, the managing officer of the institution, the director of the program, or the person to which the defendant is committed or admitted shall send to the prosecutor the notices described in divisions (H)(4)(a)(i) to (iii) of section 2945.38 of the Revised Code within the periods of time and under the circumstances specified in those divisions. (D)(1) If the court conducts a hearing as described in 44133
division (A)(2) of this section and if the court makes the 44134
findings described in divisions (A)(2)(a) and (b) of this section 44135
by clear and convincing evidence, the court shall commit the 44136
defendant, if determined to require mental health treatment, 44137

the defendant, if determined to require treatment for mental 44147
retardation, to a facility operated by the department of 44148
developmental disabilities, or another facility, as appropriate. 44149
In determining the place of commitment, the court shall consider 44150
the extent to which the person is a danger to the person and to 44151
others, the need for security, and the type of crime involved and 44152
shall order the least restrictive alternative available that is 44153
consistent with public safety and the welfare of the defendant. In 44154
weighing these factors, the court shall give preference to 44155
protecting public safety. 44156

(2) If a court makes a commitment of a defendant under 44157

hospital, facility, or agency where the defendant is placed by the 44159
department of ~~mental health~~ mental health and addiction services 44160
or to the defendant's place of commitment all reports of the 44161
defendant's current mental condition and, except as otherwise 44162

provided in this division, any other relevant information, 44163
including, but not limited to, a transcript of the hearing held 44164
pursuant to division (A)(2) of this section, copies of relevant 44165
police reports, and copies of any prior arrest and conviction 44166
records that pertain to the defendant and that the prosecutor 44167
possesses. The prosecutor shall send the reports of the 44168
defendant's current mental condition in every case of commitment, 44169
and, unless the prosecutor determines that the release of any of 44170
the other relevant information to unauthorized persons would 44171
interfere with the effective prosecution of any person or would 44172
create a substantial risk of harm to any person, the prosecutor 44173
also shall send the other relevant information. Upon admission of 44174
a defendant committed under division (D)(1) of this section, the 44175
place of commitment shall send to the board of alcohol, drug 44176
addiction, and mental health services or the community mental 44177
health board serving the county in which the charges against the 44178
defendant were filed a copy of all reports of the defendant's 44179
current mental condition and a copy of the other relevant 44180
information provided by the prosecutor under this division, 44181
including, if provided, a transcript of the hearing held pursuant 44182
to division (A)(2) of this section, the relevant police reports, 44183
and the prior arrest and conviction records that pertain to the 44184
defendant and that the prosecutor possesses. 44185

(3) If a court makes a commitment under division (D)(1) of 44186
this section, all further proceedings shall be in accordance with 44187
sections 2945.401 and 2945.402 of the Revised Code. 44188

Sec. 2945.40. (A) If a person is found not guilty by reason 44189
of insanity, the verdict shall state that finding, and the trial 44190
court shall conduct a full hearing to determine whether the person 44191
is a mentally ill person subject to hospitalization by court order 44192
or a mentally retarded person subject to institutionalization by 44193
court order. Prior to the hearing, if the trial judge believes 44194

that there is probable cause that the person found not guilty by 44195
reason of insanity is a mentally ill person subject to 44196
hospitalization by court order or mentally retarded person subject 44197
to institutionalization by court order, the trial judge may issue 44198
a temporary order of detention for that person to remain in effect 44199
for ten court days or until the hearing, whichever occurs first. 44200

Any person detained pursuant to a temporary order of 44201
detention issued under this division shall be held in a suitable 44202
facility, taking into consideration the place and type of 44203
confinement prior to and during trial. 44204

(B) The court shall hold the hearing under division (A) of 44205
this section to determine whether the person found not guilty by 44206
reason of insanity is a mentally ill person subject to 44207
hospitalization by court order or a mentally retarded person 44208
subject to institutionalization by court order within ten court 44209
days after the finding of not guilty by reason of insanity. 44210
Failure to conduct the hearing within the ten-day period shall 44211
cause the immediate discharge of the respondent, unless the judge 44212
grants a continuance for not longer than ten court days for good 44213
cause shown or for any period of time upon motion of the 44214
respondent. 44215

(C) If a person is found not guilty by reason of insanity, 44216
the person has the right to attend all hearings conducted pursuant 44217
to sections 2945.37 to 2945.402 of the Revised Code. At any 44218
hearing conducted pursuant to one of those sections, the court 44219
shall inform the person that the person has all of the following 44220
rights: 44221

(1) The right to be represented by counsel and to have that 44222
counsel provided at public expense if the person is indigent, with 44223
the counsel to be appointed by the court under Chapter 120. of the 44224
Revised Code or under the authority recognized in division (C) of 44225
section 120.06, division (E) of section 120.16, division (E) of 44226

section 120.26, or section 2941.51 of the Revised Code; 44227

(2) The right to have independent expert evaluation and to 44228
have that independent expert evaluation provided at public expense 44229
if the person is indigent; 44230

(3) The right to subpoena witnesses and documents, to present 44231
evidence on the person's behalf, and to cross-examine witnesses 44232
against the person; 44233

(4) The right to testify in the person's own behalf and to 44234
not be compelled to testify; 44235

(5) The right to have copies of any relevant medical or 44236
mental health document in the custody of the state or of any place 44237
of commitment other than a document for which the court finds that 44238
the release to the person of information contained in the document 44239
would create a substantial risk of harm to any person. 44240

(D) The hearing under division (A) of this section shall be 44241
open to the public, and the court shall conduct the hearing in 44242
accordance with the Rules of Civil Procedure. The court shall make 44243
and maintain a full transcript and record of the hearing 44244
proceedings. The court may consider all relevant evidence, 44245
including, but not limited to, any relevant psychiatric, 44246
psychological, or medical testimony or reports, the acts 44247
constituting the offense in relation to which the person was found 44248
not guilty by reason of insanity, and any history of the person 44249
that is relevant to the person's ability to conform to the law. 44250

(E) Upon completion of the hearing under division (A) of this 44251
section, if the court finds there is not clear and convincing 44252
evidence that the person is a mentally ill person subject to 44253
hospitalization by court order or a mentally retarded person 44254
subject to institutionalization by court order, the court shall 44255
discharge the person, unless a detainer has been placed upon the 44256
person by the department of rehabilitation and correction, in 44257

which case the person shall be returned to that department. 44258

(F) If, at the hearing under division (A) of this section, 44259
the court finds by clear and convincing evidence that the person 44260
is a mentally ill person subject to hospitalization by court 44261
order, the court shall commit the person either to the department 44262
of ~~mental health~~ mental health and addiction services for 44263
treatment in a hospital, facility, or agency as determined 44264
clinically appropriate by the department of ~~mental health~~ mental 44265
health and addiction services or to another medical or psychiatric 44266
facility, as appropriate. Prior to placing the defendant, the 44267
department of ~~mental health~~ mental health and addiction services 44268
shall obtain court approval for that placement. If, at the hearing 44269
under division (A) of this section, the court determines by clear 44270
and convincing evidence that the person requires treatment for 44271
mental retardation, it shall commit the person to a facility 44272
operated by the department of developmental disabilities or 44273
another facility, as appropriate. Further proceedings shall be in 44274
accordance with sections 2945.401 and 2945.402 of the Revised 44275
Code. In determining the place of commitment, the court shall 44276
consider the extent to which the person is a danger to the person 44277
and to others, the need for security, and the type of crime 44278
involved and shall order the least restrictive alternative 44279
available that is consistent with public safety and the welfare of 44280
the person. In weighing these factors, the court shall give 44281
preference to protecting public safety. 44282

(G) If a court makes a commitment of a person under division 44283
(F) of this section, the prosecutor shall send to the hospital, 44284
facility, or agency where the person is placed by the department 44285
of ~~mental health~~ mental health and addiction services or to the 44286
defendant's place of commitment all reports of the person's 44287
current mental condition, and, except as otherwise provided in 44288
this division, any other relevant information, including, but not 44289

limited to, a transcript of the hearing held pursuant to division 44290
(A) of this section, copies of relevant police reports, and copies 44291
of any prior arrest and conviction records that pertain to the 44292
person and that the prosecutor possesses. The prosecutor shall 44293
send the reports of the person's current mental condition in every 44294
case of commitment, and, unless the prosecutor determines that the 44295
release of any of the other relevant information to unauthorized 44296
persons would interfere with the effective prosecution of any 44297
person or would create a substantial risk of harm to any person, 44298
the prosecutor also shall send the other relevant information. 44299
Upon admission of a person committed under division (F) of this 44300
section, the place of commitment shall send to the board of 44301
alcohol, drug addiction, and mental health services or the 44302
community mental health board serving the county in which the 44303
charges against the person were filed a copy of all reports of the 44304
person's current mental condition and a copy of the other relevant 44305
information provided by the prosecutor under this division, 44306
including, if provided, a transcript of the hearing held pursuant 44307
to division (A) of this section, the relevant police reports, and 44308
the prior arrest and conviction records that pertain to the person 44309
and that the prosecutor possesses. 44310

(H) A person who is committed pursuant to this section shall 44311
not voluntarily admit the person or be voluntarily admitted to a 44312
hospital or institution pursuant to section 5122.02, 5122.15, 44313
5123.69, or 5123.76 of the Revised Code. 44314

trial and committed pursuant to section 2945.39 of the Revised 44316
Code or a person found not guilty by reason of insanity and 44317
committed pursuant to section 2945.40 of the Revised Code shall 44318
remain subject to the jurisdiction of the trial court pursuant to 44319
that commitment, and to the provisions of this section, until the 44320
final termination of the commitment as described in division 44321

(J)(1) of this section. If the jurisdiction is terminated under 44322
this division because of the final termination of the commitment 44323
resulting from the expiration of the maximum prison term or term 44324
of imprisonment described in division (J)(1)(b) of this section, 44325
the court or prosecutor may file an affidavit for the civil 44326
commitment of the defendant or person pursuant to Chapter 5122. or 44327
5123. of the Revised Code. 44328

(B) A hearing conducted under any provision of sections 44329
2945.37 to 2945.402 of the Revised Code shall not be conducted in 44330
accordance with Chapters 5122. and 5123. of the Revised Code. Any 44331
person who is committed pursuant to section 2945.39 or 2945.40 of 44332
the Revised Code shall not voluntarily admit the person or be 44333
voluntarily admitted to a hospital or institution pursuant to 44334
section 5122.02, 5122.15, 5123.69, or 5123.76 of the Revised Code. 44335
All other provisions of Chapters 5122. and 5123. of the Revised 44336
Code regarding hospitalization or institutionalization shall apply 44337
to the extent they are not in conflict with this chapter. A 44338
commitment under section 2945.39 or 2945.40 of the Revised Code 44339
shall not be terminated and the conditions of the commitment shall 44340
not be changed except as otherwise provided in division (D)(2) of 44341
this section with respect to a mentally retarded person subject to 44342
institutionalization by court order or except by order of the 44343
trial court. 44344

(C) The department of ~~mental health~~ mental health and 44345
addiction services or the institution, facility, or program to 44346
which a defendant or person has been committed under section 44347
2945.39 or 2945.40 of the Revised Code shall report in writing to 44348
the trial court, at the times specified in this division, as to 44349
whether the defendant or person remains a mentally ill person 44350
subject to hospitalization by court order or a mentally retarded 44351
person subject to institutionalization by court order and, in the 44352
case of a defendant committed under section 2945.39 of the Revised 44353

Code, as to whether the defendant remains incompetent to stand 44354
trial. The department, institution, facility, or program shall 44355
make the reports after the initial six months of treatment and 44356
every two years after the initial report is made. The trial court 44357
shall provide copies of the reports to the prosecutor and to the 44358
counsel for the defendant or person. Within thirty days after its 44359
receipt pursuant to this division of a report from the department, 44360
institution, facility, or program, the trial court shall hold a 44361
hearing on the continued commitment of the defendant or person or 44362
on any changes in the conditions of the commitment of the 44363
defendant or person. The defendant or person may request a change 44364
in the conditions of confinement, and the trial court shall 44365
conduct a hearing on that request if six months or more have 44366
elapsed since the most recent hearing was conducted under this 44367
section. 44368

(D)(1) Except as otherwise provided in division (D)(2) of 44369
this section, when a defendant or person has been committed under 44370
section 2945.39 or 2945.40 of the Revised Code, at any time after 44371
evaluating the risks to public safety and the welfare of the 44372
defendant or person, the designee of the department of ~~mental~~ 44373
~~health~~ mental health and addiction services or the managing 44374
officer of the institution or director of the facility or program 44375
to which the defendant or person is committed may recommend a 44376
termination of the defendant's or person's commitment or a change 44377
in the conditions of the defendant's or person's commitment. 44378

Except as otherwise provided in division (D)(2) of this 44379
section, if the designee of the department of ~~mental health~~ mental 44380
health and addiction services recommends on-grounds unsupervised 44381
movement, off-grounds supervised movement, or nonsecured status 44382
for the defendant or person or termination of the defendant's or 44383
person's commitment, the following provisions apply: 44384

(a) If the department's designee recommends on-grounds 44385

unsupervised movement or off-grounds supervised movement, the 44386
department's designee shall file with the trial court an 44387
application for approval of the movement and shall send a copy of 44388
the application to the prosecutor. Within fifteen days after 44389
receiving the application, the prosecutor may request a hearing on 44390
the application and, if a hearing is requested, shall so inform 44391
the department's designee. If the prosecutor does not request a 44392
hearing within the fifteen-day period, the trial court shall 44393
approve the application by entering its order approving the 44394
requested movement or, within five days after the expiration of 44395
the fifteen-day period, shall set a date for a hearing on the 44396
application. If the prosecutor requests a hearing on the 44397
application within the fifteen-day period, the trial court shall 44398
hold a hearing on the application within thirty days after the 44399
hearing is requested. If the trial court, within five days after 44400
the expiration of the fifteen-day period, sets a date for a 44401
hearing on the application, the trial court shall hold the hearing 44402
within thirty days after setting the hearing date. At least 44403
fifteen days before any hearing is held under this division, the 44404
trial court shall give the prosecutor written notice of the date, 44405
time, and place of the hearing. At the conclusion of each hearing 44406
conducted under this division, the trial court either shall 44407
approve or disapprove the application and shall enter its order 44408
accordingly. 44409

(b) If the department's designee recommends termination of 44410
the defendant's or person's commitment at any time or if the 44411
department's designee recommends the first of any nonsecured 44412
status for the defendant or person, the department's designee 44413
shall send written notice of this recommendation to the trial 44414
court and to the local forensic center. The local forensic center 44415
shall evaluate the committed defendant or person and, within 44416
thirty days after its receipt of the written notice, shall submit 44417
to the trial court and the department's designee a written report 44418

of the evaluation. The trial court shall provide a copy of the 44419
department's designee's written notice and of the local forensic 44420
center's written report to the prosecutor and to the counsel for 44421
the defendant or person. Upon the local forensic center's 44422
submission of the report to the trial court and the department's 44423
designee, all of the following apply: 44424

(i) If the forensic center disagrees with the recommendation 44425
of the department's designee, it shall inform the department's 44426
designee and the trial court of its decision and the reasons for 44427
the decision. The department's designee, after consideration of 44428
the forensic center's decision, shall either withdraw, proceed 44429
with, or modify and proceed with the recommendation. If the 44430
department's designee proceeds with, or modifies and proceeds 44431
with, the recommendation, the department's designee shall proceed 44432
in accordance with division (D)(1)(b)(iii) of this section. 44433

(ii) If the forensic center agrees with the recommendation of 44434
the department's designee, it shall inform the department's 44435
designee and the trial court of its decision and the reasons for 44436
the decision, and the department's designee shall proceed in 44437
accordance with division (D)(1)(b)(iii) of this section. 44438

(iii) If the forensic center disagrees with the 44439
recommendation of the department's designee and the department's 44440
designee proceeds with, or modifies and proceeds with, the 44441
recommendation or if the forensic center agrees with the 44442
recommendation of the department's designee, the department's 44443
designee shall work with community mental health ~~agencies~~ services 44444
providers, programs, facilities, or boards of alcohol, drug 44445
addiction, and mental health services or community mental health 44446
boards to develop a plan to implement the recommendation. If the 44447
defendant or person is on medication, the plan shall include, but 44448
shall not be limited to, a system to monitor the defendant's or 44449
person's compliance with the prescribed medication treatment plan. 44450

The system shall include a schedule that clearly states when the defendant or person shall report for a medication compliance check. The medication compliance checks shall be based upon the effective duration of the prescribed medication, taking into account the route by which it is taken, and shall be scheduled at intervals sufficiently close together to detect a potential increase in mental illness symptoms that the medication is intended to prevent.

The department's designee, after consultation with the board of alcohol, drug addiction, and mental health services or the community mental health board serving the area, shall send the recommendation and plan developed under division (D)(1)(b)(iii) of this section, in writing, to the trial court, the prosecutor, and the counsel for the committed defendant or person. The trial court shall conduct a hearing on the recommendation and plan developed under division (D)(1)(b)(iii) of this section. Divisions (D)(1)(c) and (d) and (E) to (J) of this section apply regarding the hearing.

(c) If the department's designee's recommendation is for nonsecured status or termination of commitment, the prosecutor may obtain an independent expert evaluation of the defendant's or person's mental condition, and the trial court may continue the hearing on the recommendation for a period of not more than thirty days to permit time for the evaluation.

The prosecutor may introduce the evaluation report or present other evidence at the hearing in accordance with the Rules of Evidence.

(d) The trial court shall schedule the hearing on a department's designee's recommendation for nonsecured status or termination of commitment and shall give reasonable notice to the prosecutor and the counsel for the defendant or person. Unless continued for independent evaluation at the prosecutor's request

or for other good cause, the hearing shall be held within thirty 44483
days after the trial court's receipt of the recommendation and 44484
plan. 44485

(2)(a) Division (D)(1) of this section does not apply to 44486
on-grounds unsupervised movement of a defendant or person who has 44487
been committed under section 2945.39 or 2945.40 of the Revised 44488
Code, who is a mentally retarded person subject to 44489
institutionalization by court order, and who is being provided 44490
residential habilitation, care, and treatment in a facility 44491
operated by the department of developmental disabilities. 44492

(b) If, pursuant to section 2945.39 of the Revised Code, the 44493
trial court commits a defendant who is found incompetent to stand 44494
trial and who is a mentally retarded person subject to 44495
institutionalization by court order, if the defendant is being 44496
provided residential habilitation, care, and treatment in a 44497
facility operated by the department of developmental disabilities, 44498
if an individual who is conducting a survey for the department of 44499
health to determine the facility's compliance with the 44500
certification requirements of the medicaid program ~~under Chapter~~ 44501
~~5111. of the Revised Code and Title XIX of the "Social Security~~ 44502
~~Act," 49 Stat. 620 (1935), 42 U.S.C.A. 301, as amended,~~ cites the 44503
defendant's receipt of the residential habilitation, care, and 44504
treatment in the facility as being inappropriate under the 44505
certification requirements, if the defendant's receipt of the 44506
residential habilitation, care, and treatment in the facility 44507
potentially jeopardizes the facility's continued receipt of 44508
federal medicaid moneys, and if as a result of the citation the 44509
chief clinical officer of the facility determines that the 44510
conditions of the defendant's commitment should be changed, the 44511
department of developmental disabilities may cause the defendant 44512
to be removed from the particular facility and, after evaluating 44513
the risks to public safety and the welfare of the defendant and 44514

after determining whether another type of placement is consistent 44515
with the certification requirements, may place the defendant in 44516
another facility that the department selects as an appropriate 44517
facility for the defendant's continued receipt of residential 44518
habilitation, care, and treatment and that is a no less secure 44519
setting than the facility in which the defendant had been placed 44520
at the time of the citation. Within three days after the 44521
defendant's removal and alternative placement under the 44522
circumstances described in division (D)(2)(b) of this section, the 44523
department of developmental disabilities shall notify the trial 44524
court and the prosecutor in writing of the removal and alternative 44525
placement. 44526

The trial court shall set a date for a hearing on the removal 44527
and alternative placement, and the hearing shall be held within 44528
twenty-one days after the trial court's receipt of the notice from 44529
the department of developmental disabilities. At least ten days 44530
before the hearing is held, the trial court shall give the 44531
prosecutor, the department of developmental disabilities, and the 44532
counsel for the defendant written notice of the date, time, and 44533
place of the hearing. At the hearing, the trial court shall 44534
consider the citation issued by the individual who conducted the 44535
survey for the department of health to be prima-facie evidence of 44536
the fact that the defendant's commitment to the particular 44537
facility was inappropriate under the certification requirements of 44538
the medicaid program ~~under Chapter 5111. of the Revised Code and~~ 44539
~~Title XIX of the "Social Security Act," 49 Stat. 620 (1935), 42~~ 44540
~~U.S.C.A. 301, as amended,~~ and potentially jeopardizes the 44541
particular facility's continued receipt of federal medicaid 44542
moneys. At the conclusion of the hearing, the trial court may 44543
approve or disapprove the defendant's removal and alternative 44544
placement. If the trial court approves the defendant's removal and 44545
alternative placement, the department of developmental 44546
disabilities may continue the defendant's alternative placement. 44547

If the trial court disapproves the defendant's removal and 44548
alternative placement, it shall enter an order modifying the 44549
defendant's removal and alternative placement, but that order 44550
shall not require the department of developmental disabilities to 44551
replace the defendant for purposes of continued residential 44552
habilitation, care, and treatment in the facility associated with 44553
the citation issued by the individual who conducted the survey for 44554
the department of health. 44555

(E) In making a determination under this section regarding 44556
nonsecured status or termination of commitment, the trial court 44557
shall consider all relevant factors, including, but not limited 44558
to, all of the following: 44559

(1) Whether, in the trial court's view, the defendant or 44560
person currently represents a substantial risk of physical harm to 44561
the defendant or person or others; 44562

(2) Psychiatric and medical testimony as to the current 44563
mental and physical condition of the defendant or person; 44564

(3) Whether the defendant or person has insight into the 44565
defendant's or person's condition so that the defendant or person 44566
will continue treatment as prescribed or seek professional 44567
assistance as needed; 44568

(4) The grounds upon which the state relies for the proposed 44569
commitment; 44570

(5) Any past history that is relevant to establish the 44571
defendant's or person's degree of conformity to the laws, rules, 44572
regulations, and values of society; 44573

(6) If there is evidence that the defendant's or person's 44574
mental illness is in a state of remission, the medically suggested 44575

(J)(2)(a)(ii) of this section. 44623

(2)(a) If a defendant is found incompetent to stand trial and 44624

that the defendant remains incapable of understanding the nature 44681

assisting in the defendant's defense, the trial court shall order 44683
that the defendant continues to be incompetent to stand trial, 44684

Sec. 2950.012. If a court sentences a person who commits a 44692
sexually oriented offense or a child-victim oriented offense to a 44693
community control sanction, the court may make payment of the 44694
registration fee required by section 311.172 of the Revised Code a 44695
condition of the community control sanction. 44696

Sec. 2951.041. (A)(1) If an offender is charged with a 44697
criminal offense, including but not limited to a violation of 44698
section 2913.02, 2913.03, 2913.11, 2913.21, 2913.31, or 2919.21 of 44699
the Revised Code, and the court has reason to believe that drug or 44700
alcohol usage by the offender was a factor leading to the criminal 44701
offense with which the offender is charged or that, at the time of 44702
committing that offense, the offender had a mental illness or was 44703
a person with intellectual disability and that the mental illness 44704

or status as a person with intellectual disability was a factor 44705
leading to the offender's criminal behavior, the court may accept, 44706
prior to the entry of a guilty plea, the offender's request for 44707
intervention in lieu of conviction. The request shall include a 44708
statement from the offender as to whether the offender is alleging 44709
that drug or alcohol usage by the offender was a factor leading to 44710
the criminal offense with which the offender is charged or is 44711
alleging that, at the time of committing that offense, the 44712
offender had a mental illness or was a person with intellectual 44713
disability and that the mental illness or status as a person with 44714

offense with which the offender is charged. The request also shall 44716
include a waiver of the defendant's right to a speedy trial, the 44717
preliminary hearing, the time period within which the grand jury 44718
may consider an indictment against the offender, and arraignment, 44719
unless the hearing, indictment, or arraignment has already 44720
occurred. The court may reject an offender's request without a 44721
hearing. If the court elects to consider an offender's request, 44722
the court shall conduct a hearing to determine whether the 44723
offender is eligible under this section for intervention in lieu 44724
of conviction and shall stay all criminal proceedings pending the 44725
outcome of the hearing. If the court schedules a hearing, the 44726
court shall order an assessment of the offender for the purpose of 44727
determining the offender's eligibility for intervention in lieu of 44728
conviction and recommending an appropriate intervention plan. 44729

If the offender alleges that drug or alcohol usage by the 44730
offender was a factor leading to the criminal offense with which 44731
the offender is charged, the court may order that the offender be 44732
assessed by ~~a program~~ an addiction services provider certified 44733
pursuant to section ~~3793.06~~ 5119.36 of the Revised Code or a 44734
properly credentialed professional for the purpose of determining 44735
the offender's eligibility for intervention in lieu of conviction 44736
and recommending an appropriate intervention plan. The ~~program~~ 44737

addiction services provider or the properly credentialed 44738
professional shall provide a written assessment of the offender to 44739
the court. 44740

(2) The victim notification provisions of division (C) of 44741
section 2930.08 of the Revised Code apply in relation to any 44742
hearing held under division (A)(1) of this section. 44743

(B) An offender is eligible for intervention in lieu of 44744
conviction if the court finds all of the following: 44745

(1) The offender previously has not been convicted of or 44746
pleaded guilty to a felony offense of violence or previously has 44747
been convicted of or pleaded guilty to any felony that is not an 44748
offense of violence and the prosecuting attorney recommends that 44749
the offender be found eligible for participation in intervention 44750
in lieu of treatment under this section, previously has not been 44751
through intervention in lieu of conviction under this section or 44752
any similar regimen, and is charged with a felony for which the 44753
court, upon conviction, would impose a community control sanction 44754
on the offender under division (B)(2) of section 2929.13 of the 44755
Revised Code or with a misdemeanor. 44756

(2) The offense is not a felony of the first, second, or 44757
third degree, is not an offense of violence, is not a violation of 44758
division (A)(1) or (2) of section 2903.06 of the Revised Code, is 44759
not a violation of division (A)(1) of section 2903.08 of the 44760
Revised Code, is not a violation of division (A) of section 44761
4511.19 of the Revised Code or a municipal ordinance that is 44762
substantially similar to that division, and is not an offense for 44763
which a sentencing court is required to impose a mandatory prison 44764
term, a mandatory term of local incarceration, or a mandatory term 44765
of imprisonment in a jail. 44766

(3) The offender is not charged with a violation of section 44767
2925.02, 2925.04, or 2925.06 of the Revised Code, is not charged 44768

with a violation of section 2925.03 of the Revised Code that is a 44769
felony of the first, second, third, or fourth degree, and is not 44770
charged with a violation of section 2925.11 of the Revised Code 44771
that is a felony of the first, second, or third degree. 44772

(4) If an offender alleges that drug or alcohol usage by the 44773
offender was a factor leading to the criminal offense with which 44774
the offender is charged, the court has ordered that the offender 44775
be assessed by ~~a program~~ an addiction services provider certified 44776
pursuant to section ~~3793.06~~ 5119.36 of the Revised Code or a 44777
properly credentialed professional for the purpose of determining 44778
the offender's eligibility for intervention in lieu of conviction 44779
and recommending an appropriate intervention plan, the offender 44780
has been assessed by ~~a program~~ an addiction services provider of 44781
that nature or a properly credentialed professional in accordance 44782
with the court's order, and the ~~program~~ addiction services 44783
provider or properly credentialed professional has filed the 44784
written assessment of the offender with the court. 44785

(5) If an offender alleges that, at the time of committing 44786
the criminal offense with which the offender is charged, the 44787
offender had a mental illness or was a person with intellectual 44788
disability and that the mental illness or status as a person with 44789
intellectual disability was a factor leading to that offense, the 44790
offender has been assessed by a psychiatrist, psychologist, 44791
independent social worker, or professional clinical counselor for 44792
the purpose of determining the offender's eligibility for 44793
intervention in lieu of conviction and recommending an appropriate 44794
intervention plan. 44795

(6) The offender's drug usage, alcohol usage, mental illness, 44796
or intellectual disability, whichever is applicable, was a factor 44797
leading to the criminal offense with which the offender is 44798
charged, intervention in lieu of conviction would not demean the 44799
seriousness of the offense, and intervention would substantially 44800

reduce the likelihood of any future criminal activity. 44801

(7) The alleged victim of the offense was not sixty-five 44802
years of age or older, permanently and totally disabled, under 44803
thirteen years of age, or a peace officer engaged in the officer's 44804
official duties at the time of the alleged offense. 44805

(8) If the offender is charged with a violation of section 44806
2925.24 of the Revised Code, the alleged violation did not result 44807
in physical harm to any person, and the offender previously has 44808
not been treated for drug abuse. 44809

(9) The offender is willing to comply with all terms and 44810
conditions imposed by the court pursuant to division (D) of this 44811
section. 44812

(10) The offender is not charged with an offense that would 44813
result in the offender being disqualified under Chapter 4506. of 44814
the Revised Code from operating a commercial motor vehicle or 44815
would subject the offender to any other sanction under that 44816
chapter. 44817

(C) At the conclusion of a hearing held pursuant to division 44818
(A) of this section, the court shall enter its determination as to 44819
whether the offender is eligible for intervention in lieu of 44820
conviction and as to whether to grant the offender's request. If 44821
the court finds under division (B) of this section that the 44822
offender is eligible for intervention in lieu of conviction and 44823
grants the offender's request, the court shall accept the 44824
offender's plea of guilty and waiver of the defendant's right to a 44825
speedy trial, the preliminary hearing, the time period within 44826
which the grand jury may consider an indictment against the 44827
offender, and arraignment, unless the hearing, indictment, or 44828
arraignment has already occurred. In addition, the court then may 44829
stay all criminal proceedings and order the offender to comply 44830
with all terms and conditions imposed by the court pursuant to 44831

division (D) of this section. If the court finds that the offender 44832
is not eligible or does not grant the offender's request, the 44833
criminal proceedings against the offender shall proceed as if the 44834
offender's request for intervention in lieu of conviction had not 44835
been made. 44836

(D) If the court grants an offender's request for 44837
intervention in lieu of conviction, the court shall place the 44838
offender under the general control and supervision of the county 44839
probation department, the adult parole authority, or another 44840
appropriate local probation or court services agency, if one 44841
exists, as if the offender was subject to a community control 44842
sanction imposed under section 2929.15, 2929.18, or 2929.25 of the 44843
Revised Code. The court shall establish an intervention plan for 44844
the offender. The terms and conditions of the intervention plan 44845
shall require the offender, for at least one year from the date on 44846
which the court grants the order of intervention in lieu of 44847
conviction, to abstain from the use of illegal drugs and alcohol, 44848
to participate in treatment and recovery support services, and to 44849
submit to regular random testing for drug and alcohol use and may 44850
include any other treatment terms and conditions, or terms and 44851
conditions similar to community control sanctions, which may 44852
include community service or restitution, that are ordered by the 44853
court. 44854

(E) If the court grants an offender's request for 44855
intervention in lieu of conviction and the court finds that the 44856
offender has successfully completed the intervention plan for the 44857
offender, including the requirement that the offender abstain from 44858
using illegal drugs and alcohol for a period of at least one year 44859
from the date on which the court granted the order of intervention 44860
in lieu of conviction, the requirement that the offender 44861
participate in treatment and recovery support services, and all 44862
other terms and conditions ordered by the court, the court shall 44863

dismiss the proceedings against the offender. Successful 44864
completion of the intervention plan and period of abstinence under 44865
this section shall be without adjudication of guilt and is not a 44866
criminal conviction for purposes of any disqualification or 44867
disability imposed by law and upon conviction of a crime, and the 44868
court may order the sealing of records related to the offense in 44869
question in the manner provided in sections 2953.31 to 2953.36 of 44870
the Revised Code. 44871

(F) If the court grants an offender's request for 44872
intervention in lieu of conviction and the offender fails to 44873
comply with any term or condition imposed as part of the 44874
intervention plan for the offender, the supervising authority for 44875
the offender promptly shall advise the court of this failure, and 44876
the court shall hold a hearing to determine whether the offender 44877
failed to comply with any term or condition imposed as part of the 44878
plan. If the court determines that the offender has failed to 44879
comply with any of those terms and conditions, it shall enter a 44880
finding of guilty and shall impose an appropriate sanction under 44881
Chapter 2929. of the Revised Code. If the court sentences the 44882
offender to a prison term, the court, after consulting with the 44883
department of rehabilitation and correction regarding the 44884
availability of services, may order continued court-supervised 44885
activity and treatment of the offender during the prison term and, 44886
upon consideration of reports received from the department 44887
concerning the offender's progress in the program of activity and 44888
treatment, may consider judicial release under section 2929.20 of 44889
the Revised Code. 44890

industrial and entertainment fund of the institution if the sender 45081

is not known. 45082

chapter may be given to the law enforcement agency that initially 45084

enforcement agency in possession of it. If it is not used by the 45111
agency, it may be sold without appraisal at a public auction to 45112

the highest bidder for cash or disposed of in another manner that 45113
the court considers proper. 45114

(C) Except as provided in divisions (A) and (F) of this 45115
section and after compliance with division (D) of this section 45116
when applicable, any moneys acquired from the sale of property 45117
disposed of pursuant to this section shall be placed in the 45118

per cent of the proceeds or cash shall be applied as provided in 45136
division (C) of this section. 45137

calendar year forfeited money under this division shall file an 45139
annual report for that year with the attorney general and with the 45140
court of common pleas and board of county commissioners of the 45141

forfeited money. The ~~program~~ services provider shall file the 45144

number of persons the program services provider served, identify 45148
the types of treatment services it provided to them, and include a 45149
specific accounting of the purposes for which it used the money so 45150
received. No information contained in the report shall identify, 45151
or enable a person to determine the identity of, any person served 45152
by the program services provider. 45153

(E) Each certified ~~alcohol and drug~~ community addiction 45154
~~treatment program services provider~~ that receives in any calendar 45155
year money under this section or under section 2981.13 of the 45156
Revised Code as the result of a juvenile forfeiture order shall 45157
file an annual report for that calendar year with the attorney 45158
general and with the court of common pleas and board of county 45159
commissioners of the county in which the program services provider 45160

program services provider. 45170

As used in this division, "juvenile-related forfeiture order" 45171
means any forfeiture order issued by a juvenile court under 45172

property ordered by a court under section 2981.11 of the Revised 45174
Code regarding property that was in the possession of a law 45175
enforcement agency in relation to a delinquent child proceeding in 45176

a juvenile court. 45177

(F) Each board of county commissioners that recognizes a 45178
citizens' reward program under section 9.92 of the Revised Code 45179
shall notify each law enforcement agency of that county and of a 45180
township or municipal corporation wholly located in that county of 45181
the recognition by filing a copy of its resolution conferring that 45182
recognition with each of those agencies. When the board recognizes 45183
a citizens' reward program and the county includes a part, but not 45184

corporation's population. 45189

Upon being so notified, each law enforcement agency shall pay 45190
twenty-five per cent of any forfeited proceeds or cash derived 45191

the citizens' reward program for use exclusively to pay rewards. 45193
No part of the funds may be used to pay expenses associated with 45194
the program. If a citizens' reward program that operates in more 45195
than one county or in another state in addition to this state 45196
receives funds under this section, the funds shall be used to pay 45197
rewards only for tips and information to law enforcement agencies 45198
concerning offenses committed in the county from which the funds 45199
were received. 45200

Receiving funds under this section or section 2981.11 of the 45201
Revised Code does not make the citizens' reward program a 45202
governmental unit or public office for purposes of section 149.43 45203
of the Revised Code. 45204

(G) Any property forfeited under this chapter shall not be 45205

violation of section 2905.32, 2907.21, or 2907.22 of the Revised 45212
Code or derived from the proceeds of the commission of a violation 45213
of section 2905.32, 2907.21, or 2907.22 of the Revised Code and 45214
disposed of pursuant to this section shall be placed in the 45215
victims of human trafficking fund created by section 5101.87 of 45216
the Revised Code. 45217

Sec. 2981.13. (A) Except as otherwise provided in this 45218
section, property ordered forfeited as contraband, proceeds, or an 45219
instrumentality pursuant to this chapter shall be disposed of, 45220
used, or sold pursuant to section 2981.12 of the Revised Code. If 45221
the property is to be sold under that section, the prosecutor 45222
shall cause notice of the proposed sale to be given in accordance 45223
with law. 45224

(B) If the contraband or instrumentality forfeited under this 45225
chapter is sold, any moneys acquired from a sale and any proceeds 45226
forfeited under this chapter shall be applied in the following 45227
order: 45228

(1) First, to pay costs incurred in the seizure, storage, 45229
maintenance, security, and sale of the property and in the 45230
forfeiture proceeding; 45231

(2) Second, in a criminal forfeiture case, to satisfy any 45232

per cent, and if the forfeiture was ordered in a court other than 45244
a juvenile court, one hundred per cent to the law enforcement 45245
trust fund of the prosecutor and to the following fund supporting 45246
the law enforcement agency that substantially conducted the 45247

control commission enforcement fund created by section 3772.36 of 45257

the case of property forfeited for medicaid fraud, any remaining 45261
amount shall be used by the attorney general to investigate and 45262
prosecute medicaid fraud offenses. 45263

If the prosecutor declines to accept any of the remaining 45264
amounts, the amounts shall be applied to the fund of the agency 45265
that substantially conducted the investigation. 45266

(c) If more than one law enforcement agency is substantially 45267
involved in the seizure of property forfeited under this chapter, 45268
the court ordering the forfeiture shall equitably divide the 45269
amounts, after calculating any distribution to the law enforcement 45270

trust fund of the prosecutor pursuant to division (B)(4) of this 45271
section, among the entities that the court determines were 45272
substantially involved in the seizure. 45273

(C)(1) A law enforcement trust fund shall be established by 45274
the prosecutor of each county who intends to receive any remaining 45275
amounts pursuant to this section, by the sheriff of each county, 45276

school year that starts July 1, 2005. 46399

Except as provided in section 3313.614 of the Revised Code 46400
for administration of an assessment to a person who has fulfilled 46401
the curriculum requirement for a high school diploma but has not 46402

division (D) of that section and required to be administered under 46406
divisions (B)(8), (9), and (10) of this section shall not be 46407

(B)(2) of section 3301.0710 and section 3301.0712 of the Revised 46409
Code is implemented under rule of the state board adopted under 46410
division (D)(1) of section 3301.0712 of the Revised Code. 46411

(11) Administer the assessments prescribed by division (B)(2) 46412

assessments prescribed by rule of the state board adopted under 46415
division (D)(1) of section 3301.0712 of the Revised Code. 46416

(C)(1)(a) In the case of a student receiving special 46417
education services under Chapter 3323. of the Revised Code, the 46418
individualized education program developed for the student under 46419
that chapter shall specify the manner in which the student will 46420
participate in the assessments administered under this section. 46421
The individualized education program may excuse the student from 46422
taking any particular assessment required to be administered under 46423
this section if it instead specifies an alternate assessment 46424
method approved by the department of education as conforming to 46425
requirements of federal law for receipt of federal funds for 46426
disadvantaged pupils. To the extent possible, the individualized 46427
education program shall not excuse the student from taking an 46428
assessment unless no reasonable accommodation can be made to 46429

(b) Any alternate assessment approved by the department for a 46431
student under this division shall produce measurable results 46432
comparable to those produced by the assessment it replaces in 46433
order to allow for the student's results to be included in the 46434
data compiled for a school district or building under section 46435
3302.03 of the Revised Code. 46436

(c) Any student enrolled in a chartered nonpublic school who 46437
has been identified, based on an evaluation conducted in 46438
accordance with section 3323.03 of the Revised Code or section 504 46439

of the "Rehabilitation Act of 1973," 87 Stat. 355, 29 U.S.C.A. 46440
794, as amended, as a child with a disability shall be excused 46441
from taking any particular assessment required to be administered 46442
under this section if a plan developed for the student pursuant to 46443
rules adopted by the state board excuses the student from taking 46444
that assessment. In the case of any student so excused from taking 46445
an assessment, the chartered nonpublic school shall not prohibit 46446
the student from taking the assessment. 46447

(2) A district board may, for medical reasons or other good 46448
cause, excuse a student from taking an assessment administered 46449
under this section on the date scheduled, but that assessment 46450
shall be administered to the excused student not later than nine 46451
days following the scheduled date. The district board shall 46452
annually report the number of students who have not taken one or 46453
more of the assessments required by this section to the state 46454
board of education not later than the thirtieth day of June. 46455

(3) As used in this division, "limited English proficient 46456
student" has the same meaning as in 20 U.S.C. 7801. 46457

No school district board shall excuse any limited English 46458
proficient student from taking any particular assessment required 46459
to be administered under this section, except that any limited 46460
English proficient student who has been enrolled in United States 46461
schools for less than one full school year shall not be required 46462
to take any reading, writing, or English language arts assessment. 46463
However, no board shall prohibit a limited English proficient 46464
student who is not required to take an assessment under this 46465
division from taking the assessment. A board may permit any 46466
limited English proficient student to take an assessment required 46467
to be administered under this section with appropriate 46468
accommodations, as determined by the department. For each limited 46469
English proficient student, each school district shall annually 46470
assess that student's progress in learning English, in accordance 46471

with procedures approved by the department. 46472

The governing authority of a chartered nonpublic school may 46473
excuse a limited English proficient student from taking any 46474
assessment administered under this section. However, no governing 46475
authority shall prohibit a limited English proficient student from 46476
taking the assessment. 46477

(D)(1) In the school year next succeeding the school year in 46478
which the assessments prescribed by division (A)(1) or (B)(1) of 46479
section 3301.0710 of the Revised Code or former division (A)(1), 46480
(A)(2), or (B) of section 3301.0710 of the Revised Code as it 46481
existed prior to September 11, 2001, are administered to any 46482
student, the board of education of any school district in which 46483
the student is enrolled in that year shall provide to the student 46484
intervention services commensurate with the student's performance, 46485
including any intensive intervention required under section 46486
3313.608 of the Revised Code, in any skill in which the student 46487
failed to demonstrate at least a score at the proficient level on 46488
the assessment. 46489

(2) Following any administration of the assessments 46490
prescribed by division (D) of section 3301.0710 of the Revised 46491
Code to ninth grade students, each school district that has a 46492
three-year average graduation rate of not more than seventy-five 46493
per cent shall determine for each high school in the district 46494
whether the school shall be required to provide intervention 46495
services to any students who took the assessments. In determining 46496
which high schools shall provide intervention services based on 46497
the resources available, the district shall consider each school's 46498
graduation rate and scores on the practice assessments. The 46499
district also shall consider the scores received by ninth grade 46500
students on the English language arts and mathematics assessments 46501
prescribed under division (A)(1)(f) of section 3301.0710 of the 46502
Revised Code in the eighth grade in determining which high schools 46503

shall provide intervention services. 46504

Each high school selected to provide intervention services 46505
under this division shall provide intervention services to any 46506
student whose results indicate that the student is failing to make 46507
satisfactory progress toward being able to attain scores at the 46508
proficient level on the Ohio graduation tests. Intervention 46509
services shall be provided in any skill in which a student 46510
demonstrates unsatisfactory progress and shall be commensurate 46511
with the student's performance. Schools shall provide the 46512
intervention services prior to the end of the school year, during 46513
the summer following the ninth grade, in the next succeeding 46514
school year, or at any combination of those times. 46515

(E) Except as provided in section 3313.608 of the Revised 46516
Code and division (M) of this section, no school district board of 46517
education shall utilize any student's failure to attain a 46518
specified score on an assessment administered under this section 46519
as a factor in any decision to deny the student promotion to a 46520
higher grade level. However, a district board may choose not to 46521
promote to the next grade level any student who does not take an 46522
assessment administered under this section or make up an 46523
assessment as provided by division (C)(2) of this section and who 46524
is not exempt from the requirement to take the assessment under 46525
division (C)(3) of this section. 46526

(F) No person shall be charged a fee for taking any 46527
assessment administered under this section. 46528

(G)(1) Each school district board shall designate one 46529
location for the collection of assessments administered in the 46530
spring under division (B)(1) of this section and those 46531
administered under divisions (B)(2) to (7) of this section. Each 46532
district board shall submit the assessments to the entity with 46533
which the department contracts for the scoring of the assessments 46534
as follows: 46535

(a) If the district's total enrollment in grades kindergarten through twelve during the first full school week of October was less than two thousand five hundred, not later than the Friday after all of the assessments have been administered;

(b) If the district's total enrollment in grades kindergarten through twelve during the first full school week of October was two thousand five hundred or more, but less than seven thousand, not later than the Monday after all of the assessments have been administered;

(c) If the district's total enrollment in grades kindergarten through twelve during the first full school week of October was seven thousand or more, not later than the Tuesday after all of the assessments have been administered.

However, any assessment that a student takes during the make-up period described in division (C)(2) of this section shall be submitted not later than the Friday following the day the student takes the assessment.

(2) The department or an entity with which the department contracts for the scoring of the assessment shall send to each school district board a list of the individual scores of all persons taking an assessment prescribed by division (A)(1) or (B)(1) of section 3301.0710 of the Revised Code within sixty days after its administration, but in no case shall the scores be returned later than the fifteenth day of June following the administration. For assessments administered under this section by a joint vocational school district, the department or entity shall also send to each city, local, or exempted village school district a list of the individual scores of any students of such city, local, or exempted village school district who are attending school in the joint vocational school district.

(H) Individual scores on any assessments administered under

this section shall be released by a district board only in 46567
accordance with section 3319.321 of the Revised Code and the rules 46568
adopted under division (A) of this section. No district board or 46569
its employees shall utilize individual or aggregate results in any 46570
manner that conflicts with rules for the ethical use of 46571
assessments adopted pursuant to division (A) of this section. 46572

(I) Except as provided in division (G) of this section, the 46573
department or an entity with which the department contracts for 46574
the scoring of the assessment shall not release any individual 46575
scores on any assessment administered under this section. The 46576
state board of education shall adopt rules to ensure the 46577
protection of student confidentiality at all times. The rules may 46578
require the use of the data verification codes assigned to 46579
students pursuant to division (D)(2) of section 3301.0714 of the 46580
Revised Code to protect the confidentiality of student scores. 46581

(J) Notwithstanding division (D) of section 3311.52 of the 46582
Revised Code, this section does not apply to the board of 46583
education of any cooperative education school district except as 46584
provided under rules adopted pursuant to this division. 46585

(1) In accordance with rules that the state board of 46586
education shall adopt, the board of education of any city, 46587
exempted village, or local school district with territory in a 46588
cooperative education school district established pursuant to 46589
divisions (A) to (C) of section 3311.52 of the Revised Code may 46590
enter into an agreement with the board of education of the 46591
cooperative education school district for administering any 46592
assessment prescribed under this section to students of the city, 46593
exempted village, or local school district who are attending 46594
school in the cooperative education school district. 46595

(2) In accordance with rules that the state board of 46596
education shall adopt, the board of education of any city, 46597
exempted village, or local school district with territory in a 46598

cooperative education school district established pursuant to 46599
section 3311.521 of the Revised Code shall enter into an agreement 46600
with the cooperative district that provides for the administration 46601
of any assessment prescribed under this section to both of the 46602
following: 46603

(a) Students who are attending school in the cooperative 46604
district and who, if the cooperative district were not 46605
established, would be entitled to attend school in the city, 46606
local, or exempted village school district pursuant to section 46607
3313.64 or 3313.65 of the Revised Code; 46608

(b) Persons described in division (B)(8)(b) of this section. 46609

Any assessment of students pursuant to such an agreement 46610
shall be in lieu of any assessment of such students or persons 46611
pursuant to this section. 46612

(K)(1) ~~As a condition of compliance with section 3313.612 of~~ 46613
~~the Revised Code, each chartered nonpublic school that educates~~ 46614

who are participating in state scholarship programs shall 46618
administer the assessments prescribed by section 3301.0710 of the 46619
Revised Code. In accordance with procedures and deadlines 46620
prescribed by the department, the parent or guardian of a student 46621
enrolled in the school who is not participating in a state 46622
scholarship program may submit notice to the chief administrative 46623
officer of the school that the parent or guardian does not wish to 46624
have the student take the elementary assessments prescribed for 46625
the student's grade level under division (A) of section 3301.0710 46626
of the Revised Code. If a parent or guardian submits an opt-out 46627
notice, the school shall not administer the assessments to that 46628
student. This option does not apply to any assessment required for 46629
a high school diploma under section 3313.612 of the Revised Code. 46630

(b) If a chartered nonpublic school is not subject to 46631
division (K)(1)(a) of this section and is educating 46632
grades nine through twelve, it shall administer the assessments 46633
prescribed by divisions (B)(1) and (2) of section 3301.0710 of the 46634
Revised Code as a condition of compliance with section 3313.612 of 46635
the Revised Code. Any chartered nonpublic school that is not 46636
subject to division (K)(1)(a) of this section may participate in 46637
the assessment program by administering any of the assessments 46638
prescribed by division (A) of section 3301.0710 of the Revised 46639
Code. The chief administrator of the school shall specify which 46640
assessments the school will administer. Such specification shall 46641
be made in writing to the superintendent of public instruction 46642

established under this section for the purpose of releasing it to 47179
any person not entitled under law to have access to such 47180

3302.03 of the Revised Code, indicate on the report card that the 47227
district has been sanctioned for failing to report data as 47228
required by this section; 47229

(viii) If the district is issued a report card under section 47230

(5) Notwithstanding anything in this section to the contrary, 47255
the department may use its own staff or an outside entity to 47256
conduct an audit of a school district's data reporting practices 47257
any time the department has reason to believe the district has not 47258
made a good faith effort to report data as required by this 47259
section. If any audit conducted by an outside entity under 47260
division (L)(2)(d)(i) or (5) of this section confirms that a 47261

required by this section, the district shall reimburse the 47263
department for the full cost of the audit. The department may 47264

conducted by a referee appointed by the department. Based on the 47271
information provided in the hearing, the referee shall recommend 47272
whether the department should issue a revised report card for the 47273
district. If the referee affirms the department's contention that 47274
the district did not make a good faith effort to report data as 47275
required by this section, the district shall bear the full cost of 47276
conducting the hearing and of issuing any revised report card. 47277

(7) If the department determines that any inaccurate data 47278
reported under this section caused a school district to receive 47279
excess state funds in any fiscal year, the district shall 47280
reimburse the department an amount equal to the excess funds, in 47281
accordance with a payment schedule determined by the department. 47282

be on the district to demonstrate that it made a good faith effort 47291
to report data as required by this section. 47292

(10) The state board of education shall adopt rules under 47293
Chapter 119. of the Revised Code to implement division (L) of this 47294
section. 47295

department unless it converts to a student software package that 47299
is certified by the department. 47300

(N) The state board of education, in accordance with sections 47301
3319.31 and 3319.311 of the Revised Code, may suspend or revoke a 47302
license as defined under division (A) of section 3319.31 of the 47303
Revised Code that has been issued to any school district employee 47304
found to have willfully reported erroneous, inaccurate, or 47305
incomplete data to the education management information system. 47306

(O) No person shall release or maintain any information about 47307
any student in violation of this section. Whoever violates this 47308
division is guilty of a misdemeanor of the fourth degree. 47309

(P) The department shall disaggregate the data collected 47310
under division (B)(1)(n) of this section according to the race and 47311

required by division (H) of section 3302.03 of the Revised Code 47316
based upon the data collected under this section, the department 47317
shall develop a plan and a reasonable timeline for the collection 47318
of any data necessary to comply with that division. 47319

An elementary school is one in which instruction and training 47491
are given in accordance with sections 3301.07 and 3313.60 of the 47492
Revised Code and which offers such other subjects as may be 47493
approved by the state board of education. In districts wherein a 47494
junior high school is maintained, the elementary schools in that 47495
district may be considered to include only the work of the first 47496
six school years inclusive, plus the kindergarten year. 47497

Sec. 3302.01. As used in this chapter: 47498

(A) "Performance index score" means the average of the totals 47499
derived from calculations for each subject area of English 47500
language arts, mathematics, science, and social studies of the 47501

weighted proportion of untested students and students scoring at 47502
each level of skill described in division (A)(2) of section 47503
3301.0710 of the Revised Code on the assessments prescribed by 47504
divisions (A) and (B)(1) of that section. The department of 47505
education shall assign weights such that students who do not take 47506
an assessment receive a weight of zero and students who take an 47507
assessment receive progressively larger weights dependent upon the 47508
level of skill attained on the assessment. The department shall 47509
assign additional weights to students who have been permitted to 47510
pass over a subject in accordance with a student acceleration 47511
policy adopted under section 3324.10 of the Revised Code. If such 47512
a student attains the proficient score prescribed under division 47513
(A)(2)(c) of section 3301.0710 of the Revised Code or higher on an 47514
assessment, the department shall assign the student the weight 47515
prescribed for the next higher scoring level. If such a student 47516
attains the advanced score, prescribed under division (A)(2)(a) of 47517
section 3301.0710 of the Revised Code, on an assessment, the 47518
department shall assign to the student an additional proportional 47519
weight, as approved by the state board. For each school year that 47520
such a student's score is included in the performance index score 47521
and the student attains the proficient score on an assessment, 47522
that additional weight shall be assigned to the student on a 47523
subject-by-subject basis. 47524

Students shall be included in the "performance index score" 47525
in accordance with division (K)(2) of section 3302.03 of the 47526
Revised Code. 47527

(B) "Subgroup" means a subset of the entire student 47528
population of the state, a school district, or a school building 47529
and includes each of the following: 47530

(1) Major racial and ethnic groups; 47531

(2) Students with disabilities; 47532

(3) Economically disadvantaged students;	47533
(4) Limited English proficient students;	47534
(5) Students identified as gifted in superior cognitive ability and specific academic ability fields under Chapter 3324. of the Revised Code. For students who are gifted in specific academic ability fields, the department shall use data for those students with specific academic ability in math and reading. If any other academic field is assessed, the department shall also include data for students with specific academic ability in that field.	47535 47536 47537 47538 47539 47540 47541 47542
(6) Students in the lowest quintile for achievement statewide, as determined by a method prescribed by the state board of education.	47543 47544 47545
(C) "No Child Left Behind Act of 2001" includes the statutes codified at 20 U.S.C. 6301 et seq. and any amendments, <u>waivers, or both</u> thereto, rules and regulations promulgated pursuant to those statutes, guidance documents, and any other policy directives regarding implementation of that act issued by the United States department of education.	47546 47547 47548 47549 47550 47551
(D) "Adequate yearly progress" means a measure of annual academic performance as calculated in accordance with the "No Child Left Behind Act of 2001."	47552 47553 47554
(E) "Supplemental educational services" means additional academic assistance, such as tutoring, remediation, or other educational enrichment activities, that is conducted outside of the regular school day by a provider approved by the department in accordance with the "No Child Left Behind Act of 2001."	47555 47556 47557 47558 47559
(F) "Value-added progress dimension" means a measure of academic gain for a student or group of students over a specific period of time that is calculated by applying a statistical methodology to individual student achievement data derived from	47560 47561 47562 47563

the achievement assessments prescribed by section 3301.0710 of the Revised Code. The "value-added progress dimension" shall be developed and implemented in accordance with section 3302.021 of the Revised Code.

(G)(1) "Four-year adjusted cohort graduation rate" means the number of students who graduate in four years or less with a regular high school diploma divided by the number of students who form the adjusted cohort for the graduating class.

(2) "Five-year adjusted cohort graduation rate" means the number of students who graduate in five years with a regular high school diploma divided by the number of students who form the adjusted cohort for the four-year graduation rate.

(H) "State institution of higher education" has the same meaning as in section 3345.011 of the Revised Code.

(I) "Annual measurable objectives" means a measure of student progress determined in accordance with an agreement between the department of education and the United States department of education.

Sec. 3302.03. Annually, not later than the fifteenth day of September or the preceding Friday when that day falls on a Saturday or Sunday, the department of education shall assign a letter grade for overall academic performance and for each separate performance measure for each school district, and each school building in a district, in accordance with this section. The state board shall adopt rules pursuant to Chapter 119. of the Revised Code to establish performance criteria for each letter grade and prescribe a method by which the department assigns each letter grade. For a school building to which any of the performance measures do not apply, due to grade levels served by the building, the state board shall designate the performance measures that are applicable to the building and that must be

calculated separately and used to calculate the building's overall 47595
grade. The department shall issue annual report cards reflecting 47596
the performance of each school district, each building within each 47597
district, and for the state as a whole using the performance 47598
measures and letter grade system described in this section. The 47599
department shall include on the report card for each district and 47600
each building within each district the most recent two-year trend 47601
data in student achievement for each subject and each grade. 47602

(A)(1) For the 2012-2013 school year, the department shall 47603
issue grades as described in division (E) of this section for each 47604
of the following performance measures: 47605

(a) Annual measurable objectives; 47606

(b) Performance index score for a school district or 47607
building. Grades shall be awarded as a percentage of the total 47608
possible points on the performance index system as adopted by the 47609
state board. In adopting benchmarks for assigning letter grades 47610
under division (A)(1)(b) of this section, the state board of 47611
education shall designate ninety per cent or higher for an "A," at 47612
least seventy per cent but not more than eighty per cent for a 47613
"C," and less than fifty per cent for an "F." 47614

(c) The extent to which the school district or building meets 47615
each of the applicable performance indicators established by the 47616
state board under section 3302.02 of the Revised Code and the 47617
percentage of applicable performance indicators that have been 47618
achieved. In adopting benchmarks for assigning letter grades under 47619
division (A)(1)(c) of this section, the state board shall 47620
designate ninety per cent or higher for an "A." 47621

(d) The four- and five-year adjusted cohort graduation rates. 47622

In adopting benchmarks for assigning letter grades under 47623
division (A)(1)(d), (B)(1)(d), or (C)(1)(d) of this section, the 47624
department shall designate a four-year adjusted cohort graduation 47625

rate of ninety-three per cent or higher for an "A" and a five-year 47626
cohort graduation rate of ninety-five per cent or higher for an 47627
"A." 47628

(e) The overall score under the value-added progress 47629
dimension of a school district or building, for which the 47630
department shall use up to three years of value-added data as 47631
available. The letter grade assigned for this growth measure shall 47632
be as follows: 47633

(i) A score that is at least two standard errors of measure 47634
above the mean score shall be designated as an "A." 47635

(ii) A score that is at least one standard error of measure 47636
but less than two standard errors of measure above the mean score 47637
shall be designated as a "B." 47638

(iii) A score that is less than one standard error of measure 47639
above the mean score but greater than or equal to one standard 47640
error of measure below the mean score shall be designated as a 47641
"C." 47642

(iv) A score that is not greater than one standard error of 47643
measure below the mean score but is greater than or equal to two 47644
standard errors of measure below the mean score shall be 47645
designated as a "D." 47646

(v) A score that is not greater than two standard errors of 47647
measure below the mean score shall be designated as an "F." 47648

Whenever the value-added progress dimension is used as a 47649
graded performance measure, whether as an overall measure or as a 47650
measure of separate subgroups, the grades for the measure shall be 47651
calculated in the same manner as prescribed in division (A)(1)(e) 47652
of this section. 47653

(f) The value-added progress dimension score for a school 47654
district or building disaggregated for each of the following 47655

subgroups: students identified as gifted, students with 47656
disabilities, and students whose performance places them in the 47657
lowest quintile for achievement on a statewide basis. Each 47658
subgroup shall be a separate graded measure. 47659

(2) Not later than April 30, 2013, the state board of 47660
education shall adopt a resolution describing the performance 47661
measures, benchmarks, and grading system for the 2012-2013 school 47662
year and, not later than June 30, 2013, shall adopt rules in 47663
accordance with Chapter 119. of the Revised Code that prescribe 47664
the methods by which the performance measures under division 47665
(A)(1) of this section shall be assessed and assigned a letter 47666
grade, including performance benchmarks for each letter grade. 47667

At least forty-five days prior to the state board's adoption 47668
of rules to prescribe the methods by which the performance 47669
measures under division (A)(1) of this section shall be assessed 47670
and assigned a letter grade, the department shall conduct a public 47671
presentation before the standing committees of the house of 47672
representatives and the senate that consider education legislation 47673
describing such methods, including performance benchmarks. 47674

(3) There shall not be an overall letter grade for a school 47675
district or building for the 2012-2013 school year. 47676

(B)(1) For the 2013-2014 school year, the department shall 47677
issue grades as described in division (E) of this section for each 47678
of the following performance measures: 47679

(a) Annual measurable objectives; 47680

(b) Performance index score for a school district or 47681
building. Grades shall be awarded as a percentage of the total 47682
possible points on the performance index system as created by the 47683
department. In adopting benchmarks for assigning letter grades 47684
under division (B)(1)(b) of this section, the state board shall 47685
designate ninety per cent or higher for an "A," at least seventy 47686

per cent but not more than eighty per cent for a "C," and less than fifty per cent for an "F."

(c) The extent to which the school district or building meets each of the applicable performance indicators established by the state board under section 3302.03 of the Revised Code and the percentage of applicable performance indicators that have been achieved. In adopting benchmarks for assigning letter grades under division (B)(1)(c) of this section, the state board shall designate ninety per cent or higher for an "A."

(d) The four- and five-year adjusted cohort graduation rates;

(e) The overall score under the value-added progress dimension of a school district or building, for which the department shall use up to three years of value-added data as available.

(f) The value-added progress dimension score for a school district or building disaggregated for each of the following subgroups: students identified as gifted in superior cognitive ability and specific academic ability fields under Chapter 3324. of the Revised Code, students with disabilities, and students whose performance places them in the lowest quintile for achievement on a statewide basis. Each subgroup shall be a separate graded measure.

(g) Whether a school district or building is making progress in improving literacy in grades kindergarten through three, as determined using a method prescribed by the state board. The state board shall adopt rules to prescribe benchmarks and standards for assigning grades to districts and buildings for purposes of division (B)(1)(~~j~~)(g) of this section. In adopting benchmarks for assigning letter grades under divisions (B)(1)(g) and (C)(1)(g) of this section, the state board shall determine progress made based on the reduction in the percentage of students scoring below grade

level, or below proficient, compared from year to year on the 47718
~~English language arts~~ reading and writing diagnostic assessments 47719
administered under section 3301.0715 of the Revised Code and the 47720
third grade English language arts assessment under section 47721
3301.0710 of the Revised Code, as applicable. The state board 47722
shall designate for a "C" grade a value that is not lower than the 47723
statewide average value for this measure. No grade shall be issued 47724
under divisions (B)(1)(g) and (C)(1)~~(j)~~(g) of this section for a 47725
district or building in which less than five per cent of students 47726
have scored below grade level on the diagnostic assessment 47727
administered to students in kindergarten under division (B)(1) of 47728
section 3313.608 of the Revised Code. 47729

(2) In addition to the graded measures in division (B)(1) of 47730
this section, the department shall include on a school district's 47731
or building's report card all of the following without an assigned 47732
letter grade: 47733

(a) The percentage of students enrolled in a district or 47734
building participating in advanced placement classes and the 47735
percentage of those students who received a score of three or 47736
better on advanced placement examinations; 47737

(b) The number of a district's or building's students who 47738
have earned at least three college credits through dual enrollment 47739
programs, such as the post-secondary enrollment options program 47740
under Chapter 3365. of the Revised Code and state-approved 47741
career-technical courses offered through dual enrollment or 47742
statewide articulation, that appear on a student's transcript or 47743
other official document, either of which is issued by the 47744
institution of higher education from which the student earned the 47745
college credit. The credits earned that are reported under 47746
divisions (B)(2)(b) and (C)(2)(c) of this section shall not 47747
include any that are remedial or developmental and shall include 47748
those that count toward the curriculum requirements established 47749

for completion of a degree. 47750

(c) The percentage of students enrolled in a district or 47751
building who have taken a national standardized test used for 47752
college admission determinations and the percentage of those 47753
students who are determined to be remediation-free in accordance 47754
with standards adopted under division (F) of section 3345.061 of 47755
the Revised Code; 47756

(d) The percentage of the district's or the building's 47757
students who receive industry credentials. The state board shall 47758
adopt criteria for acceptable industry credentials. 47759

(e) The percentage of students enrolled in a district or 47760
building who are participating in an international baccalaureate 47761
program and the percentage of those students who receive a score 47762
of four or better on the international baccalaureate examinations. 47763

(f) The percentage of the district's or building's students 47764
who receive an honors diploma under division (B) of section 47765
3313.61 of the Revised Code. 47766

(3) Not later than December 31, 2013, the state board shall 47767
adopt rules in accordance with Chapter 119. of the Revised Code 47768
that prescribe the methods by which the performance measures under 47769
divisions (B)(1)(f) and (B)(1)(g) of this section will be assessed 47770
and assigned a letter grade, including performance benchmarks for 47771
each grade. 47772

At least forty-five days prior to the state board's adoption 47773
of rules to prescribe the methods by which the performance 47774
measures under division (B)(1) of this section shall be assessed 47775
and assigned a letter grade, the department shall conduct a public 47776
presentation before the standing committees of the house of 47777
representatives and the senate that consider education legislation 47778
describing such methods, including performance benchmarks. 47779

(4) There shall not be an overall letter grade for a school 47780

district or building for the 2013-2014 school year. 47781

(C)(1) For the 2014-2015 school year and each school year 47782
thereafter, the department shall issue grades as described in 47783
division (E) of this section for each of the following performance 47784
measures and an overall letter grade based on an aggregate of 47785
those measures: 47786

(a) Annual measurable objectives; 47787

(b) Performance index score for a school district or 47788
building. Grades shall be awarded as a percentage of the total 47789
possible points on the performance index system as created by the 47790
department. In adopting benchmarks for assigning letter grades 47791
under division (C)(1)(b) of this section, the state board shall 47792
designate ninety per cent or higher for an "A," at least seventy 47793
per cent but not more than eighty per cent for a "C," and less 47794
than fifty per cent for an "F." 47795

(c) The extent to which the school district or building meets 47796
each of the applicable performance indicators established by the 47797
state board under section 3302.03 of the Revised Code and the 47798
percentage of applicable performance indicators that have been 47799
achieved. In adopting benchmarks for assigning letter grades under 47800
division (C)(1)(c) of this section, the state board shall 47801
designate ninety per cent or higher for an "A." 47802

(d) The four- and five-year adjusted cohort graduation rates; 47803

(e) The overall score under the value-added progress 47804
dimension, or another measure of student academic progress if 47805
adopted by the state board, of a school district or building, for 47806
which the department shall use up to three years of value-added 47807
data as available. 47808

In adopting benchmarks for assigning letter grades for 47809
overall score on value-added progress dimension under division 47810
(C)(1)(e) of this section, the state board shall prohibit the 47811

assigning of a grade of "A" for that measure unless the district's 47812
or building's grade assigned for value-added progress dimension 47813
for all subgroups under division (C)(1)~~(i)~~(f) of this section is a 47814
"B" or higher. 47815

For the metric prescribed by division (C)(1)(e) of this 47816
section, the state board may adopt a student academic progress 47817
measure to be used instead of the value-added progress dimension. 47818
If the state board adopts such a measure, it also shall prescribe 47819
a method for assigning letter grades for the new measure that is 47820
comparable to the method prescribed in division (A)(1)(e) of this 47821
section. 47822

(f) The value-added progress dimension score of a school 47823
district or building disaggregated for each of the following 47824
subgroups: students identified as gifted in superior cognitive 47825
ability and specific academic ability fields under Chapter 3324. 47826
of the Revised Code, students with disabilities, and students 47827
whose performance places them in the lowest quintile for 47828
achievement on a statewide basis, as determined by a method 47829
prescribed by the state board. Each subgroup shall be a separate 47830
graded measure. 47831

The state board may adopt student academic progress measures 47832
to be used instead of the value-added progress dimension. If the 47833
state board adopts such measures, it also shall prescribe a method 47834
for assigning letter grades for the new measures that is 47835
comparable to the method prescribed in division (A)(1)(e) of this 47836
section. 47837

(g) Whether a school district or building is making progress 47838
in improving literacy in grades kindergarten through three, as 47839
determined using a method prescribed by the state board. The state 47840
board shall adopt rules to prescribe benchmarks and standards for 47841
assigning grades to a district or building for purposes of 47842
division (C)(1)~~(j)~~(g) of this section. The state board shall 47843

designate for a "C" grade a value that is not lower than the 47844
statewide average value for this measure. No grade shall be issued 47845
under division (C)(1)(g) of this section for a district or 47846
building in which less than five per cent of students have scored 47847
below grade level on the kindergarten diagnostic assessment under 47848
division (B)(1) of section 3313.608 of the Revised Code. 47849

(2) In addition to the graded measures in division (C)(1) of 47850
this section, the department shall include on a school district's 47851
or building's report card all of the following without an assigned 47852
letter grade: 47853

(a) The percentage of students enrolled in a district or 47854
building who have taken a national standardized test used for 47855
college admission determinations and the percentage of those 47856
students who are determined to be remediation-free in accordance 47857
with the standards adopted under division (F) of section 3345.061 47858
of the Revised Code; 47859

(b) The percentage of students enrolled in a district or 47860
building participating in advanced placement classes and the 47861
percentage of those students who received a score of three or 47862
better on advanced placement examinations; 47863

(c) The number of a district's or building's students who 47864
have earned at least three college credits through dual enrollment 47865
programs, such as the post-secondary enrollment options program 47866
under Chapter 3365. of the Revised Code and state-approved 47867
career-technical courses offered through dual enrollment or 47868
statewide articulation, that appear on a student's transcript or 47869
other official document, either of which is issued by the 47870
institution of higher education from which the student earned the 47871
college credit. The credits earned that are reported under 47872
divisions (B)(2)(b) and (C)(2)(c) of this section shall not 47873
include any that are remedial or developmental and shall include 47874
those that count toward the curriculum requirements established 47875

for completion of a degree. 47876

(d) The percentage of the district's or building's students 47877
who receive an honor's diploma under division (B) of section 47878
3313.61 of the Revised Code; 47879

(e) The percentage of the district's or building's students 47880
who receive industry credentials; 47881

(f) The percentage of students enrolled in a district or 47882
building who are participating in an international baccalaureate 47883
program and the percentage of those students who receive a score 47884
of four or better on the international baccalaureate examinations; 47885

(g) The results of the college and career-ready assessments 47886
administered under division (B)(1) of section 3301.0712 of the 47887
Revised Code. 47888

(3) The state board shall adopt rules pursuant to Chapter 47889
119. of the Revised Code that establish a method to assign an 47890
overall grade for a school district or school building for the 47891
2014-2015 school year and each school year thereafter. The rules 47892
shall group the performance measures in divisions (C)(1) and (2) 47893
of this section into the following components: 47894

(a) Gap closing, which shall include the performance measure 47895
in division (C)(1)(a) of this section; 47896

(b) Achievement, which shall include the performance measures 47897
in divisions (C)(1)(b) and (c) of this section; 47898

(c) Progress, which shall include the performance measures in 47899
divisions (C)(1)(e) and ~~(i)~~(f) of this section; 47900

(d) Graduation, which shall include the performance measure 47901
in division (C)(1)(d) of this section; 47902

(e) Kindergarten through third-grade literacy, which shall 47903
include the performance measure in division (C)(1)~~(k)~~(g) of this 47904
section; 47905

(f) Prepared for success, which shall include the performance 47906
measures in divisions (C)(2)(a), (b), (c), (d), (e), and (f) of 47907
this section. The state board shall develop a method to determine 47908
a grade for the component in division (C)(3)(f) of this section 47909
using the performance measures in divisions (C)(2)(a), (b), (c), 47910
(d), (e), and (f) of this section. When available, the state board 47911
may incorporate the performance measure under division (C)(2)(g) 47912
of this section into the component under division (C)(3)(f) of 47913
this section. When determining the overall grade for the prepared 47914
for success component prescribed by division (C)(3)(f) of this 47915
section, no individual student shall be counted in more than one 47916
performance measure. However, if a student qualifies for more than 47917
one performance measure in the component, the state board may, in 47918
its method to determine a grade for the component, specify an 47919
additional weight for such a student that is not greater than or 47920
equal to 1.0. In determining the overall score under division 47921
(C)(3)(f) of this section, the state board shall ensure that the 47922
pool of students included in the performance measures aggregated 47923

In the rules adopted under division (C)(3) of this section, 47926
the state board shall adopt a method for determining a grade for 47927

each component. The method the state board adopts for assigning an 47931
overall grade shall give equal weight to the components in 47932
divisions (C)(3)(b) and (c) of this section. 47933

the overall grade, and the method for calculating the overall 47941
grade. 47942

(D) Not later than July 1, 2015, the state board shall 47943

year, each school district and applicable school building shall be 47946
assigned a separate letter grade for this measure and the 47947
district's or building's grade for that measure shall be included 47948
in determining the district's or building's overall letter grade. 47949
This measure shall be included within the measure prescribed in 47950

progress; 47957

(3) "C" for a district or school making average progress; 47958

(4) "D" for a district or school making below average 47959
progress; 47960

public at that site. The department shall also provide a copy of 48028

each item on the list to the superintendent of each school 48029
district. The district superintendent shall provide a copy of any 48030

school under Chapter 3314. of the Revised Code, the department 48038
shall combine data regarding the academic performance of students 48039
enrolled in the community school with comparable data from the 48040
schools of the district for the purpose of determining the 48041

regarding the academic performance of students enrolled in the 48049
community school combined with comparable data from the schools of 48050
the district for the purpose of determining the performance of the 48051
district as a whole on the district report card. Any district that 48052
so elects shall annually file a copy of the lease or agreement 48053
with the department. 48054

agreement with a community school located within the district's 48058
territory whereby the district and the community school endorse 48059
each other's programs, may exercise either or both of the 48060

following elections: 48061

(a) To have data regarding the academic performance of 48062
students enrolled in that community school combined with 48063

district's report card; 48066

(b) To have the number of students attending that community 48067

3310.17 of the Revised Code is limited to students of individual 49615
district school buildings that face academic challenges and to 49616

students from low-income families. 49617

Sec. 3310.06. It is the policy adopted by the general 49618

open enrollment policy adopted under section 3313.98 of the 49626
Revised Code, in a chartered nonpublic school with or without a 49627
scholarship under the educational choice scholarship pilot 49628
program, or in other schools as the law may provide. 49629

Sec. 3310.08. (A) The amount paid for an eligible student 49630
under the educational choice scholarship pilot program shall be 49631

the payments for any student who withdraws from a chartered 49640
nonpublic school prior to the end of the school year. 49641

(C)(1) The department shall deduct from the payments made to 49642
each school district under Chapter 3317., and if necessary, 49643
sections 321.24 and 323.156 of the Revised Code, the amount paid 49644

3310.03 of the Revised Code and who is entitled under section 49647
3313.64 or 3313.65 of the Revised Code to attend school in the 49648
district. In the case of a student entitled to attend school in a 49649
school district under division (B)(2)(a) of section 3313.64 or 49650
division (C) of section 3313.65 of the Revised Code, the 49651
department shall deduct the payments from the school district that 49652
includes the student in its average daily membership as reported 49653
to the department under section 3317.03 of the Revised Code, as 49654
determined by the department. 49655

(2) If the department reduces or terminates payments to a 49656
parent or a student, as prescribed in division (B)(2) of this 49657
section, and the student enrolls in the schools of the student's 49658

Chapter 3314. of the Revised Code, before the end of the school 49660
year, the department shall proportionally restore to the resident 49661
district the amount deducted for that student under division 49662

prescribed by the department, and notifies the school district in 49714
which the child is entitled to attend school that the eligible 49715
applicant has applied for the scholarship or renewal. 49716

The board may provide by resolution for the deduction of 50019
amounts payable for benefits under section 3313.202 of the Revised 50020
Code. 50021

Each member of a joint vocational school district board may 50022
be paid such compensation as the board provides by resolution for 50023
attendance at an approved training program, provided that such 50024
compensation shall not exceed sixty dollars per day for attendance 50025
at a training program three hours or fewer in length and one 50026
hundred twenty-five dollars a day for attendance at a training 50027

Sec. 3311.22. A governing board of an educational service 50031
center may propose, by resolution adopted by majority vote of its 50032
full membership, or qualified electors of the area affected equal 50033
in number to at least fifty-five per cent of the qualified 50034

portion of a school district, or districts proposed to be 50036
transferred may propose, by petition, the transfer of a part or 50037
all of one or more local school districts to another local school 50038
district or districts within the territory of the educational 50039
service center. Such transfers may be made only to local school 50040
districts adjoining the school district that is proposed to be 50041
transferred, unless the board of education of the district 50042
proposed to be transferred has entered into an agreement pursuant 50043
to section 3313.42 of the Revised Code, in which case such 50044
transfers may be made to any local school district within the 50045
territory of the educational service center. 50046

When a governing board of an educational service center 50047
adopts a resolution proposing a transfer of school territory it 50048
shall forthwith file a copy of such resolution, together with an 50049
accurate map of the territory described in the resolution, with 50050
the board of education of each school district whose boundaries 50051
would be altered by such proposal. A governing board of an 50052
educational service center proposing a transfer of territory under 50053

the provisions of this section shall at its next regular meeting 50054
that occurs not earlier than thirty days after the adoption by the 50055
governing board of a resolution proposing such transfer, adopt a 50056
resolution making the transfer effective at any time prior to the 50057
next succeeding first day of July, unless, prior to the expiration 50058
of such thirty-day period, qualified electors residing in the area 50059
proposed to be transferred, equal in number to a majority of the 50060
qualified electors voting at the last general election, file a 50061
petition of referendum against such transfer. 50062

Any petition of transfer or petition of referendum filed 50063
under the provisions of this section shall be filed at the office 50064
of the educational service center superintendent. The person 50065
presenting the petition shall be given a receipt containing 50066
thereon the time of day, the date, and the purpose of the 50067
petition. 50068

The educational service center superintendent shall cause the 50069
board of elections to check the sufficiency of signatures on any 50070
petition of transfer or petition of referendum filed under this 50071
section and, if found to be sufficient, the superintendent shall 50072
present the petition to the educational service center governing 50073
board at a meeting of the board which shall occur not later than 50074
thirty days following the filing of the petition. 50075

Upon presentation to the educational service center governing 50076
board of a proposal to transfer territory as requested by petition 50077
of fifty-five per cent of the qualified electors voting at the 50078
last general election or a petition of referendum against a 50079
proposal of the county board to transfer territory, the governing 50080
board shall promptly certify the proposal to the board of 50081
elections for the purpose of having the proposal placed on the 50082
ballot at the next general or primary election which occurs not 50083
less than ninety days after the date of such certification, or at 50084
a special election, the date of which shall be specified in the 50085

certification, which date shall not be less than ninety days after 50086
the date of such certification. Signatures on a petition of 50087
transfer or petition of referendum may be withdrawn up to and 50088
including the above mentioned meeting of the educational service 50089
center governing board only by order of the board upon testimony 50090
of the petitioner concerned under oath before the board that the 50091
petitioner's signature was obtained by fraud, duress, or 50092
misrepresentation. 50093

If a petition is filed with the educational service center 50094
governing board which proposes the transfer of a part or all of 50095
the territory included in a resolution of transfer previously 50096
adopted by the educational service center governing board, no 50097
action shall be taken on such petition if within the thirty-day 50098
period after the adoption of the resolution of transfer a 50099
referendum petition is filed. After the election, if the proposed 50100
transfer fails to receive a majority vote, action on such petition 50101
shall then be processed under this section as though originally 50102
filed under the provisions hereof. If no referendum petition is 50103
filed within the thirty-day period after the adoption of the 50104
resolution of transfer, no action shall be taken on such petition. 50105

If a petition is filed with the educational service center 50106
governing board which proposes the transfer of a part or all of 50107
the territory included in a petition previously filed by electors 50108
no action shall be taken on such new petition. 50109

Upon certification of a proposal to the board or boards of 50110
elections pursuant to this section, the board or boards of 50111
elections shall make the necessary arrangements for the submission 50112
of such question to the electors of the county or counties 50113
qualified to vote thereon, and the election shall be conducted and 50114
canvassed and the results shall be certified in the same manner as 50115
in regular elections for the election of members of a board of 50116
education. 50117

The persons qualified to vote upon a proposal are the 50118
electors residing in the district or districts containing 50119
territory that is proposed to be transferred. If the proposed 50120
transfer be approved by at least a majority of the electors voting 50121
on the proposal, the educational service center governing board 50122
shall make such transfer at any time prior to the next succeeding 50123
first day of July. If the proposed transfer is not approved by at 50124
least a majority of the electors voting on the proposal, the 50125
question of transferring any property included in the territory 50126
covered by the proposal shall not be submitted to electors at any 50127
election prior to the first general election the date of which is 50128
at least two years after the date of the original election, or the 50129
first primary election held in an even-numbered year the date of 50130
which is at least two years after the date of the original 50131
election. A transfer shall be subject to the approval of the 50132
receiving board or boards of education, unless the proposal was 50133
initiated by the educational service center governing board, in 50134
which case, if the transfer is opposed by the board of education 50135
offered the territory, the local board may, within thirty days, 50136
following the receipt of the notice of transfer, appeal to the 50137
state board of education which shall then either approve or 50138
disapprove the transfer. 50139

Following an election upon a proposed transfer initiated by a 50140
petition the board of education that is offered territory shall, 50141
within thirty days following receipt of the proposal, either 50142
accept or reject the transfer. 50143

When an entire school district is proposed to be transferred 50144
to two or more school districts and the offer is rejected by any 50145
one of the receiving boards of education, none of the territory 50146
included in the proposal shall be transferred. 50147

Upon the acceptance of territory by the receiving board or 50148
boards of education the educational service center governing board 50149

offering the territory shall file with the county auditor and with 50150
the state board of education an accurate map showing the 50151
boundaries of the territory transferred. 50152

Upon the making of such transfer, the net indebtedness of the 50153
former district from which territory was transferred shall be 50154
apportioned between the acquiring school district and that portion 50155
of the former school district remaining after the transfer in the 50156
ratio which the assessed valuation of the territory transferred to 50157
the acquiring school district bears to the assessed valuation of 50158
the original school district as of the effective date of the 50159
transfer. As used in this section "net indebtedness" means the 50160
difference between the par value of the outstanding and unpaid 50161
bonds and notes of the school district and the amount held in the 50162
sinking fund and other indebtedness retirement funds for their 50163
redemption. 50164

~~If an entire district is transferred, any indebtedness of the 50165
former district incurred as a result of a loan made under section 50166
3317.64 of the Revised Code is hereby canceled and such 50167
indebtedness shall not be apportioned among any districts 50168
acquiring the territory. 50169~~

Upon the making of any transfer under this section, the funds 50170
of the district from which territory was transferred shall be 50171
divided equitably by the educational service center governing 50172
board between the acquiring district and any part of the original 50173
district remaining after the transfer. 50174

If an entire district is transferred the board of education 50175
of such district is thereby abolished or if a member of the board 50176
of education lives in that part of a school district transferred 50177
the member becomes a nonresident of the school district from which 50178
the territory was transferred and such member ceases to be a 50179
member of the board of education of such district. 50180

The legal title of all property of the board of education in 50181
the territory transferred shall become vested in the board of 50182
education of the school district to which such territory is 50183
transferred. 50184

Subsequent to June 30, 1959, if an entire district is 50185
transferred, foundation program moneys accruing to a district 50186
accepting school territory under the provisions of this section or 50187
former section 3311.22 of the Revised Code, shall not be less, in 50188
any year during the next succeeding three years following the 50189
transfer, than the sum of the amounts received by the districts 50190
separately in the year in which the transfer was consummated. 50191

Sec. 3311.231. A governing board of an educational service 50192
center may propose, by resolution adopted by majority vote of its 50193
full membership, or qualified electors of the area affected equal 50194
in number to not less than fifty-five per cent of the qualified 50195
electors voting at the last general election residing within that 50196
portion of a school district proposed to be transferred may 50197
propose, by petition, the transfer of a part or all of one or more 50198
local school districts within the territory of the center to an 50199
adjoining educational service center or to an adjoining city or 50200
exempted village school district. 50201

A governing board of an educational service center adopting a 50202
resolution proposing a transfer of school territory under this 50203
section shall file a copy of such resolution together with an 50204
accurate map of the territory described in the resolution, with 50205
the board of education of each school district whose boundaries 50206
would be altered by such proposal. Where a transfer of territory 50207
is proposed by a governing board of an educational service center 50208
under this section, the governing board shall, at its next regular 50209
meeting that occurs not earlier than the thirtieth day after the 50210
adoption by the governing board of the resolution proposing such 50211

transfer, adopt a resolution making the transfer as originally 50212
proposed, effective at any time prior to the next succeeding first 50213
day of July, unless, prior to the expiration of such thirty-day 50214
period, qualified electors residing in the area proposed to be 50215
transferred, equal in number to a majority of the qualified 50216
electors voting at the last general election, file a petition of 50217
referendum against such transfer. 50218

Any petition of transfer or petition of referendum under the 50219
provisions of this section shall be filed at the office of the 50220
educational service center superintendent. The person presenting 50221
the petition shall be given a receipt containing thereon the time 50222
of day, the date, and the purpose of the petition. 50223

The educational service center superintendent shall cause the 50224
board of elections to check the sufficiency of signatures on any 50225
such petition, and, if found to be sufficient, the superintendent 50226
shall present the petition to the educational service center 50227
governing board at a meeting of said governing board which shall 50228
occur not later than thirty days following the filing of said 50229
petition. 50230

The educational service center governing board shall promptly 50231
certify the proposal to the board of elections of such counties in 50232
which school districts whose boundaries would be altered by such 50233
proposal are located for the purpose of having the proposal placed 50234
on the ballot at the next general or primary election which occurs 50235
not less than ninety days after the date of such certification or 50236
at a special election, the date of which shall be specified in the 50237
certification, which date shall not be less than ninety days after 50238
the date of such certification. 50239

Signatures on a petition of transfer or petition of 50240
referendum may be withdrawn up to and including the above 50241
mentioned meeting of the educational service center governing 50242
board only by order of the governing board upon testimony of the 50243

petitioner concerned under oath before the board that the 50244
petitioner's signature was obtained by fraud, duress, or 50245
misrepresentation. 50246

If a petition is filed with the educational service center 50247
governing board which proposes the transfer of a part or all of 50248
the territory included either in a petition previously filed by 50249
electors or in a resolution of transfer previously adopted by the 50250
educational service center governing board, no action shall be 50251
taken on such new petition as long as the previously initiated 50252
proposal is pending before the governing board or is subject to an 50253
election. 50254

Upon certification of a proposal to the board or boards of 50255
elections pursuant to this section, the board or boards of 50256
elections shall make the necessary arrangements for the submission 50257
of such question to the electors of the county or counties 50258
qualified to vote thereon, and the election shall be conducted and 50259
canvassed and the results shall be certified in the same manner as 50260
in regular elections for the election of members of a board of 50261
education. 50262

The persons qualified to vote upon a proposal are the 50263
electors residing in the district or districts containing 50264
territory that is proposed to be transferred. If the proposed 50265
transfer is approved by at least a majority of the electors voting 50266
on the proposal, the educational service center governing board 50267
shall make such transfer at any time prior to the next succeeding 50268
first day of July, subject to the approval of the receiving board 50269
of education in case of a transfer to a city or exempted village 50270
school district, and subject to the approval of the educational 50271
service center governing board of the receiving center, in case of 50272
a transfer to an educational service center. If the proposed 50273
transfer is not approved by at least a majority of the electors 50274
voting on the proposal, the question of transferring any property 50275

included in the territory covered by the proposal shall not be 50276
submitted to electors at any election prior to the first general 50277
election the date of which is at least two years after the date of 50278
the original election, or the first primary election held in an 50279
even-numbered year the date of which is at least two years after 50280
the date of the original election. 50281

Where a territory is transferred under this section to a city 50282
or exempted village school district, the board of education of 50283
such district shall, and where territory is transferred to an 50284
educational service center the governing board of such educational 50285
service center shall, within thirty days following receipt of the 50286
proposal, either accept or reject the transfer. 50287

Where a governing board of an educational service center 50288
adopts a resolution accepting territory transferred to the 50289
educational service center under the provisions of sections 50290
3311.231 and 3311.24 of the Revised Code, the governing board 50291
shall, at the time of the adoption of the resolution accepting the 50292
territory, designate the school district to which the accepted 50293
territory shall be annexed. 50294

When an entire school district is proposed to be transferred 50295
to two or more adjoining school districts and the offer is 50296
rejected by any one of the receiving boards of education, none of 50297
the territory included in the proposal shall be transferred. 50298

Upon the acceptance of territory by the receiving board or 50299
boards of education the educational service center governing board 50300
offering the territory shall file with the county auditor of each 50301
county affected by the transfer and with the state board of 50302
education an accurate map showing the boundaries of the territory 50303
transferred. 50304

Upon the making of such transfer, the net indebtedness of the 50305
former district from which territory was transferred shall be 50306

apportioned between the acquiring school district and the portion 50307
of the former school district remaining after the transfer in the 50308
ratio which the assessed valuation of the territory transferred to 50309
the acquiring school district bears to the assessed valuation of 50310
the original school district as of the effective date of the 50311
transfer. As used in this section "net indebtedness" means the 50312
difference between the par value of the outstanding and unpaid 50313
bonds and notes of the school district and the amount held in the 50314
sinking fund and other indebtedness retirement funds for their 50315
redemption. 50316

~~If an entire district is transferred, any indebtedness of the 50317
former district incurred as a result of a loan made under section 50318
3317.64 of the Revised Code is hereby canceled and such 50319
indebtedness shall not be apportioned among any districts 50320
acquiring the territory. 50321~~

Upon the making of any transfer under this section, the funds 50322
of the district from which territory was transferred shall be 50323
divided equitably by the educational service center governing 50324
board, between the acquiring district and any part of the original 50325
district remaining after the transfer. 50326

If an entire district is transferred the board of education 50327
of such district is thereby abolished or if a member of the board 50328
of education lives in that part of a school district transferred 50329
the member becomes a nonresident of the school district from which 50330
the territory was transferred and such member ceases to be a 50331
member of the board of education of such district. 50332

The legal title of all property of the board of education in 50333
the territory transferred shall become vested in the board of 50334
education of the school district to which such territory is 50335
transferred. 50336

If an entire district is transferred, foundation program 50337

moneys accruing to a district receiving school territory under the 50338
provisions of this section shall not be less, in any year during 50339
the next succeeding three years following the transfer, than the 50340
sum of the amounts received by the districts separately in the 50341
year in which the transfer was consummated. 50342

Sec. 3311.38. The state board of education may conduct, or 50343
may direct the superintendent of public instruction to conduct, 50344
studies where there is evidence of need for transfer of local, 50345
exempted village, or city school districts, or parts of any such 50346
districts, to contiguous or noncontiguous local, exempted village, 50347
or city school districts. Such studies shall include a study of 50348
the effect of any proposal upon any portion of a school district 50349
remaining after such proposed transfer. The state board, in 50350
conducting such studies and in making recommendations as a result 50351
thereof, shall consider the possibility of improving school 50352
district organization as well as the desires of the residents of 50353
the school districts which would be affected. 50354

(A) After the adoption of recommendations growing out of any 50355
such study, or upon receipt of a resolution adopted by majority 50356
vote of the full membership of the board of any city, local, or 50357
exempted village school district requesting that the entire 50358
district be transferred to another city, local, or exempted 50359
village school district, the state board may propose by resolution 50360
the transfer of territory, which may consist of part or all of the 50361
territory of a local, exempted village, or city school district to 50362
a contiguous local, exempted village, or city school district. 50363

The state board shall thereupon file a copy of such proposal 50364
with the board of education of each school district whose 50365
boundaries would be altered by the proposal and with the governing 50366
board of any educational service center in which such school 50367
district is located. 50368

The state board may, not less than thirty days following the adoption of the resolution proposing the transfer of territory, certify the proposal to the board of elections of the county or counties in which any of the territory of the proposed district is located, for the purpose of having the proposal placed on the ballot at the next general election or at a primary election occurring not less than ninety days after the adoption of such resolution.

If any proposal has been previously initiated pursuant to section 3311.22, 3311.231, or 3311.26 of the Revised Code which affects any of the territory affected by the proposal of the state board, the proposal of the state board shall not be placed on the ballot while the previously initiated proposal is subject to an election.

Upon certification of a proposal to the board of elections of any county pursuant to this section, the board of elections of such county shall make the necessary arrangements for the submission of such question to the electors of the county qualified to vote thereon, and the election shall be counted and canvassed and the results shall be certified in the same manner as in regular elections for the election of members of a board of education.

The electors qualified to vote upon a proposal are the electors residing in the local, exempted village, or city school districts, containing territory proposed to be transferred.

If the proposed transfer be approved by a majority of the electors voting on the proposal, the state board, subject to the approval of the board of education of the district to which the territory would be transferred, shall make such transfer prior to the next succeeding July 1.

(B) If a study conducted in accordance with this section

involves a school district with less than four thousand dollars of 50400
assessed value for each pupil in the total student count 50401
determined under section 3317.03 of the Revised Code, the state 50402
board of education, with the approval of the educational service 50403
center governing board, and upon recommendation by the state 50404
superintendent of public instruction, may by resolution transfer 50405
all or any part of such a school district to any city, exempted 50406
village, or local school district which has more than twenty-five 50407
thousand pupils in average daily membership. Such resolution of 50408
transfer shall be adopted only after the board of education of the 50409
receiving school district has adopted a resolution approving the 50410
proposed transfer. For the purposes of this division, the assessed 50411
value shall be as certified in accordance with section 3317.021 of 50412
the Revised Code. 50413

(C) Upon the making of a transfer of an entire school 50414
district pursuant to this section, the indebtedness of the 50415
district transferred shall be assumed in full by the acquiring 50416
district and the funds of the district transferred shall be paid 50417
over in full to the acquiring district, ~~except that any~~ 50418
~~indebtedness of the transferred district incurred as a result of a~~ 50419
~~loan made under section 3317.64 of the Revised Code is hereby~~ 50420
~~anceled and shall not be assumed by the acquiring district.~~ 50421

(D) Upon the making of a transfer pursuant to this section, 50422
when only part of a district is transferred, the net indebtedness 50423
of each original district of which only a part is taken by the 50424
acquiring district shall be apportioned between the acquiring 50425
district and the original district in the ratio which the assessed 50426
valuation of the part taken by the acquiring district bears to the 50427
assessed valuation of the original district as of the effective 50428
date of the transfer. As used in this section "net indebtedness" 50429
means the difference between the par value of the outstanding and 50430
unpaid bonds and notes of the school district and the amount held 50431

in the sinking fund and other indebtedness retirement funds for 50432
their redemption. 50433

(E) Upon the making of a transfer pursuant to this section, 50434
when only part of a district is transferred, the funds of the 50435
district from which territory was transferred shall be divided 50436
equitably by the state board between the acquiring district and 50437
that part of the former district remaining after the transfer. 50438

(F) If an entire school district is transferred, the board of 50439
education of such district is thereby abolished. If part of a 50440
school district is transferred, any member of the board of 50441
education who is a legal resident of that part which is 50442
transferred shall thereby cease to be a member of that board. 50443

If an entire school district is transferred, foundation 50444
program moneys accruing to a district accepting school territory 50445
under the provisions of this section shall not be less, in any 50446
year during the next succeeding three years following the 50447
transfer, than the sum of the amounts received by the districts 50448
separately in the year in which the transfer became effective. 50449

Sec. 3311.78. Notwithstanding any provision of the Revised 50450
Code to the contrary, a municipal school district shall be subject 50451
to this section instead of sections 3317.13, 3317.14, and 3317.141 50452
of the Revised Code. 50453

(A) As used in this section, "principal" includes an 50454
assistant principal. 50455

(B) The board of education of each municipal school district 50456
annually shall adopt a differentiated salary schedule for teachers 50457
based upon performance as described in division (D) of this 50458
section. The board also annually shall adopt a differentiated 50459
salary schedule for principals based upon performance as described 50460
in division (D) of this section. 50461

For each teacher or principal hired on or after ~~the effective~~ 50462
~~date of this section~~ October 1, 2012, the board shall determine 50463
the teacher's or principal's initial placement on the applicable 50464
salary schedule based on years of experience and area of licensure 50465
and any other factors the board considers appropriate. For each 50466
teacher hired prior to ~~the effective date of this section~~ October 50467
1, 2012, the board shall initially place the teacher on the 50468
applicable salary schedule so that the teacher's annual salary on 50469
the schedule is comparable to the teacher's annual salary for the 50470
school year immediately prior to the school year covered by the 50471
schedule. For each principal hired prior to ~~the effective date of~~ 50472
~~this section~~ October 1, 2012, the board shall initially place the 50473
principal on the applicable salary schedule consistent with the 50474
principal's employment contract. 50475

(C) The salary of a teacher shall not be reduced unless such 50476
reduction is accomplished as part of a negotiated collective 50477
bargaining agreement. The salary of a principal shall not be 50478
reduced during the term of the principal's employment contract 50479
unless such reduction is by mutual agreement of the board and the 50480
principal or is part of a uniform plan affecting the entire 50481
district. 50482

(D) For purposes of the schedules, the board shall measure a 50483
teacher's or principal's performance by considering all of the 50484
following: 50485

(1) The level of license issued under section 3319.22 of the 50486
Revised Code that the teacher or principal holds; 50487

(2) Whether the teacher or principal is a highly qualified 50488
teacher, as defined in section 3319.074 of the Revised Code; 50489

(3) Ratings received by the teacher or principal on 50490
performance evaluations conducted under section 3311.80 or 3311.84 50491
of the Revised Code; 50492

(4) Any specialized training and experience in the assigned position. 50493
50494

(E) The salary schedules adopted under this section may 50495
provide for additional compensation for teachers or principals who 50496
perform duties, not contracted for under a supplemental contract, 50497
that the board determines warrant additional compensation. Those 50498
duties may include, but are not limited to, assignment to a school 50499
building eligible for funding under Title I of the "Elementary and 50500
Secondary Education Act of 1965," 20 U.S.C. 6301 et seq.; 50501
assignment to a building in "school improvement" status under the 50502
"No Child Left Behind Act of 2001," as defined in section 3302.01 50503
of the Revised Code; teaching in a grade level or subject area in 50504
which the board has determined there is a shortage within the 50505
district; assignment to a hard-to-staff school, as determined by 50506
the board; or teaching in a school with an extended school day or 50507
school year. 50508

(F) The chief executive officer of the district, or the chief 50509
executive officer's designee, annually shall review the salary of 50510
each teacher and principal and make a recommendation to the board. 50511
Based on the recommendation, the board may increase a teacher's or 50512
principal's salary based on the teacher's or principal's 50513
performance and duties as provided for in divisions (D) and (E) of 50514
this section. The performance-based increase for a teacher or 50515
principal rated as accomplished shall be greater than the 50516
performance-based increase for a teacher or principal rated as 50517
~~proficient~~ skilled. Notwithstanding division (C) of this section, 50518
division (C) of section 3319.02, and section 3319.12 of the 50519
Revised Code, the board may decrease the teacher's or principal's 50520
salary if the teacher or principal will perform fewer or different 50521
duties described in division (E) of this section in the school 50522
year for which the salary is decreased. 50523

(G) Notwithstanding any provision to the contrary in Chapter 50524

4117. of the Revised Code, the requirements of this section 50525
prevail over any conflicting provisions of a collective bargaining 50526
agreement entered into on or after ~~the effective date of this~~ 50527
~~section~~ October 1, 2012. However, the board and the teachers' 50528
labor organization shall negotiate the implementation of the 50529
differentiated salary schedule for teachers and may negotiate 50530
additional factors regarding teacher salaries, provided those 50531
factors are consistent with this section. 50532

Sec. 3311.83. Notwithstanding any provision of the Revised 50533
Code to the contrary, and except as otherwise specified in 50534
division (E) of this section, a municipal school district shall be 50535
subject to this section instead of section 3319.17 of the Revised 50536
Code with respect to suspension of teacher contracts, but sections 50537
3311.72, 3319.17, and 3319.171 of the Revised Code shall apply to 50538
the district with respect to suspension of contracts of other 50539
district employees who may be licensed by the state board of 50540
education. 50541

(A) When, for any of the following reasons that apply to a 50542
municipal school district, the district board of education decides 50543
that it will be necessary to reduce the number of teachers it 50544
employs, it may make a reasonable reduction: 50545

(1) Return to duty of regular teachers after leaves of 50546
absence, including leaves of absence provided pursuant to section 50547
3319.13 or 3319.14 of the Revised Code; 50548

(2) Decreased enrollment of students in the district; 50549

(3) Academic reasons resulting in consolidation of teaching 50550
positions, duties, or functions or resulting in changes in 50551
educational programs; 50552

(4) Financial reasons; 50553

(5) Territorial changes affecting the district. 50554

(B) In making any such reduction, the board shall proceed to suspend contracts in accordance with the recommendation of the district's chief executive officer and divisions (B)(1) and (2) and (E) of this section.

(1) Each teacher affected by the reduction, based on area of licensure, shall be placed in one of the following categories:

(a) Category 1A, which shall contain all teachers on limited or extended limited contracts with a composite evaluation rating of ineffective;

(b) Category 1B, which shall contain all teachers on continuing contracts with a composite evaluation rating of ineffective;

(c) Category 2A, which shall contain all teachers on limited or extended limited contracts with a composite evaluation rating of developing;

(d) Category 2B, which shall contain all teachers on continuing contracts with a composite evaluation rating of developing;

(e) Category 3A, which shall contain all teachers on limited or extended limited contracts with a composite evaluation rating of ~~proficient~~ skilled;

(f) Category 3B, which shall contain all teachers on continuing contracts with a composite evaluation rating of ~~proficient~~ skilled;

(g) Category 4A, which shall contain all teachers on limited or extended limited contracts with a composite evaluation rating of accomplished;

(h) Category 4B, which shall contain all teachers on continuing contracts with a composite evaluation rating of accomplished.

(2) Consistent with division (E) of this section, reductions 50585
in the affected area of licensure shall be made starting with 50586
teachers in category 1A and shall proceed sequentially through 50587
teachers in category 4B, until all necessary reductions have 50588
occurred. 50589

(3) The evaluation ratings specified in division (B)(1) of 50590
this section refer to composite evaluation ratings assigned to a 50591
teacher in accordance with the evaluation procedures adopted under 50592
section 3311.80 of the Revised Code. 50593

(C) On a case-by-case basis, in lieu of suspending a contract 50594
in whole, the board may suspend a contract in part, so that an 50595
individual is required to work a percentage of the time the 50596
employee otherwise is required to work under the contract and 50597
receives a commensurate percentage of the full compensation the 50598
employee otherwise would receive under the contract. 50599

(D) The teachers whose contracts are suspended by the board 50600
pursuant to this section shall have the right of restoration by 50601
the board if and when teaching positions become vacant or are 50602
created, for which the teachers are or become qualified within 50603
three years after the date of the suspension of contract. 50604
Consistent with division (E) of this section, the board shall 50605
rehire teachers in the affected area of licensure starting with 50606
teachers in category 4B and shall proceed sequentially through 50607
teachers in category 1A, until all vacant positions have been 50608
filled. No teacher whose contract has been suspended pursuant to 50609
this section shall lose the right of restoration by reason of 50610
having declined recall to a position that is less than full-time 50611
or, if the teacher was not employed full-time just prior to 50612
suspension of the teacher's continuing contract, to a position 50613
requiring a lesser percentage of full-time employment than the 50614
position the teacher last held while employed in the district. 50615

(E)(1) Notwithstanding any provision to the contrary in 50616

Chapter 4117. of the Revised Code, the requirements of this 50617
section prevail over any conflicting provisions of a collective 50618
bargaining agreement entered into on or after ~~the effective date~~ 50619
~~of this section~~ October 1, 2012. However, the board and the 50620
teachers' labor organization shall negotiate how specialized 50621
training and experience will be factored into reduction in force 50622
and recall decisions regardless of the categories prescribed by 50623
division (B) of this section. In addition, the board and the 50624
teachers' labor organization may negotiate additional factors to 50625
be considered in determining the order of reductions, which 50626
factors shall not be inconsistent with division (B) of this 50627
section. 50628

(2) After applying specialized training and experience and 50629
any other negotiated factors, teachers within the same category 50630
prescribed by division (B) of this section shall be given 50631
preference based on seniority. 50632

Sec. 3311.86. (A) As used in this section: 50633

(1) "Alliance" means a municipal school district 50634
transformation alliance established as a nonprofit corporation. 50635

(2) "Alliance municipal school district" means a municipal 50636
school district for which an alliance has been created under this 50637
section. 50638

(3) "Partnering community school" means a community school 50639
established under Chapter 3314. of the Revised Code that is 50640
located within the territory of a municipal school district and 50641
that either is sponsored by the district or is a party to an 50642
agreement with the district whereby the district and the community 50643
school endorse each other's programs. 50644

(4) "Transformation alliance education plan" means a plan 50645
prepared by the mayor, and confirmed by the alliance, to transform 50646

public education in the alliance municipal school district to a 50647
system of municipal school district schools and partnering 50648
community schools that will be held to the highest standards of 50649
school performance and student achievement. 50650

(B) If one or more partnering community schools are located 50651
in a municipal school district, the mayor may initiate proceedings 50652
to establish a municipal school district transformation alliance 50653
as a nonprofit corporation under Chapter 1702. of the Revised 50654
Code. The mayor shall have sole authority to appoint the directors 50655
of any alliance created under this section. The directors of the 50656
alliance shall include representatives of all of the following: 50657

(1) The municipal school district; 50658

(2) Partnering community schools; 50659

(3) Members of the community at large, including parents and 50660
educators; 50661

(4) The business community, including business leaders and 50662
foundation leaders. 50663

No one group listed in divisions (B)(1) to (4) of this 50664
section shall comprise a majority of the directors. The mayor 50665
shall be an ex officio director, and serve as the chairperson of 50666
the board of directors, of any alliance created under this 50667
section. If the proceedings are initiated, the mayor shall 50668
identify the directors in the articles of incorporation filed 50669
under section 1702.04 of the Revised Code. 50670

(C)(1) A majority of the members of the board of directors of 50671
the alliance shall constitute a quorum of the board. Any formal 50672
action taken by the board of directors shall take place at a 50673
meeting of the board and shall require the concurrence of a 50674
majority of the members of the board. Meetings of the board of 50675
directors shall be public meetings open to the public at all 50676
times, except that the board and its committees and subcommittees 50677

may hold an executive session, as if it were a public body with public employees, for any of the purposes for which an executive session of a public body is permitted under division (G) of section 121.22 of the Revised Code, notwithstanding that the alliance is not a public body as defined in that section, and its employees are not public employees as provided in division (F) of this section. The board of directors shall establish reasonable methods whereby any person may determine the time and place of all of the board's public meetings and by which any person, upon request, may obtain reasonable advance notification of the board's public meetings. Provisions for that advance notification may include, but are not limited to, mailing notices to all subscribers on a mailing list or mailing notices in self-addressed, stamped envelopes provided by the person.

(2) All records of the alliance shall be organized and maintained by the alliance and also filed with the department of education. The alliance and the department shall make those records available to the public as though those records were public records for purposes of Chapter 149. of the Revised Code. The department shall promptly notify the alliance upon the department's receipt of any requests for records relating to the alliance pursuant to section 149.43 of the Revised Code.

(3) The board of directors of the alliance shall establish a conflicts of interest policy and shall adopt that policy, and any amendments to the policy, at a meeting of the board held in accordance with this section.

(D) If an alliance is created under this section, the alliance shall do all of the following:

(1) Report annually on the performance of all municipal school district schools and all community schools established under Chapter 3314. of the Revised Code and located in the district, using the criteria adopted under division (B) of section

3311.87 of the Revised Code; 50710

(2) Confirm and monitor implementation of the transformation 50711
alliance education plan; 50712

(3) Suggest national education models for and provide input 50713
in the development of new municipal school district schools and 50714
partnering community schools. 50715

(E) Divisions (E)(1) to (3) of this section apply to each 50716
community school sponsor that is subject to approval by the 50717
department of education under section 3314.015 of the Revised Code 50718
whose approval under that section is granted or renewed on or 50719
after ~~the effective date of this section~~ October 1, 2012. 50720
Divisions (E)(1) to (3) of this section do not apply to a sponsor 50721
that has been approved by the department prior to that date, until 50722
the sponsor's approval is renewed or granted anew on or after that 50723
date. 50724

(1) Before a sponsor to which this section applies may 50725
sponsor new community schools in an alliance municipal school 50726
district, the sponsor shall request recommendation from the 50727
alliance to sponsor community schools in the district. 50728

(2) The alliance shall review the sponsor's application and 50729
shall make a recommendation based on the standards for sponsors 50730
developed under division (A)(2) of section 3311.87 of the Revised 50731
Code. 50732

(3) The department shall use the standards developed under 50733
division (A)(2) of section 3311.87 of the Revised Code, in 50734
addition to any other requirements of the Revised Code, to review 50735
a sponsor's request and make a final determination, on 50736
recommendation of the alliance, of whether the sponsor may sponsor 50737
new community schools in the alliance municipal school district. 50738

No sponsor shall be required to receive authorization to 50739
sponsor new community schools under division (E)(3) of this 50740

section more than one time. 50741

(F) Directors, officers, and employees of an alliance are not 50742
public employees or public officials, are not subject to Chapters 50743
124., 145., and 4117. of the Revised Code, and are not "public 50744
officials" or "public servants" as defined in section 2921.01 of 50745
the Revised Code. Membership on the board of directors of an 50746
alliance does not constitute the holding of an incompatible public 50747
office or employment in violation of any statutory or common law 50748
prohibition against the simultaneous holding of more than one 50749
public office or employment. Members of the board of directors of 50750
an alliance are not disqualified from holding any public office by 50751
reason of that membership, and do not forfeit by reason of that 50752
membership the public office or employment held when appointed to 50753
the board, notwithstanding any contrary disqualification or 50754
forfeiture requirement under the Revised Code or the common law of 50755
this state. 50756

(G) The authority to establish an alliance under this section 50757
expires on January 1, 2018. Any alliance established under this 50758
section is terminated, and any related authority granted to the 50759
alliance under this section expires on that date. 50760

Sec. 3312.08. Each fiscal agent selected by the department of 50761
education pursuant to section 3312.07 of the Revised Code shall do 50762
all of the following: 50763

(A) Enter into performance contracts with the department in 50764
accordance with section 3312.09 of the Revised Code for the 50765
implementation of state and regional education initiatives and 50766
school improvement efforts; 50767

(B) Receive federal and state funds, including federal funds 50768
for the provision of special education and related services, as 50769
specified in the performance contracts, and disburse those funds 50770
as specified in the performance contracts to educational service 50771

centers, information technology centers, and other regional 50772
service providers. However, any funds owed to an educational 50773
service center in accordance with an agreement entered into under 50774
section ~~3317.11~~ 3313.843, 3313.844, or 3313.845 of the Revised 50775
Code shall be paid directly to the service center by the 50776
department ~~in accordance with that section~~ and any operating funds 50777
appropriated for an information technology center shall be paid 50778
directly to the information technology center by the department 50779
pursuant to section 3301.075 of the Revised Code. 50780

(C) Implement any expenditure of funds recommended by the 50781
advisory council for the region pursuant to section 3312.04 of the 50782
Revised Code or required by the terms of any performance contract, 50783
unless there are insufficient funds available to the region to pay 50784
for the expenditure or the expenditure violates a provision of the 50785
Revised Code, a rule of the state board of education regarding 50786
such expenditure, or the terms of a performance contract; 50787

(D) Exercise fiscal oversight of the implementation of state 50788
and regional education initiatives and school improvement efforts. 50789

Sec. 3313.372. (A) As used in this section, "energy 50790
conservation measure" means an installation or modification of an 50791
installation in, or remodeling of, a building, to reduce energy 50792
consumption. It includes: 50793

(1) Insulation of the building structure and systems within 50794
the building; 50795

(2) Storm windows and doors, multiglazed windows and doors, 50796

(4) Heating, ventilating, or air conditioning system	50802
modifications or replacements;	50803
(5) Caulking and weatherstripping;	50804
(6) Replacement or modification of lighting fixtures to	50805
increase the energy efficiency of the system without increasing	50806
the overall illumination of a facility, unless such increase in	50807
illumination is necessary to conform to the applicable state or	50808
local building code for the proposed lighting system;	50809
(7) Energy recovery systems;	50810
(8) Cogeneration systems that produce steam or forms of	50811
energy such as heat, as well as electricity, for use primarily	50812
within a building or complex of buildings;	50813
(9) Any other modification, installation, or remodeling	50814
approved by the Ohio school facilities commission as an energy	50815
conservation measure.	50816
(B) A board of education of a city, exempted village, local,	50817
or joint vocational school district may enter into an installment	50818
payment contract for the purchase and installation of energy	50819
conservation measures. The provisions of such installment payment	50820
contracts dealing with interest charges and financing terms shall	50821
not be subject to the competitive bidding requirements of section	50822
3313.46 of the Revised Code, and shall be on the following terms:	50823
(1) Not less than one-fifteenth of the costs thereof shall be	50824
paid within two years from the date of purchase.	50825
(2) The remaining balance of the costs thereof shall be paid	50826
within fifteen years from the date of purchase.	50827
<u>The provisions of any installment payment contract entered</u>	50828
<u>into pursuant to this section shall provide that all payments,</u>	50829

operating costs, and avoided capital costs attributable to the one 50833
or more measures over a defined period of time. Those payments 50834
shall be made only to the extent that the savings described in 50835
this division actually occur. The contractor shall warrant and 50836
guarantee that the energy conservation measures shall realize 50837
guaranteed savings and shall be responsible to pay an amount equal 50838
to any savings shortfall. 50839

An installment payment contract entered into by a board of 50840
education under this section shall require the board to contract 50841
in accordance with division (A) of section 3313.46 of the Revised 50842
Code for the installation, modification, or remodeling of energy 50843
conservation measures unless division (A) of section 3313.46 of 50844
the Revised Code does not apply pursuant to division (B)(3) of 50845
that section. 50846

(C) The board may issue the notes of the school district 50847
signed by the president and the treasurer of the board and 50848
specifying the terms of the purchase and securing the deferred 50849
payments provided in this section, payable at the times provided 50850
and bearing interest at a rate not exceeding the rate determined 50851
as provided in section 9.95 of the Revised Code. The notes may 50852
contain an option for prepayment and shall not be subject to 50853
Chapter 133. of the Revised Code. In the resolution authorizing 50854
the notes, the board may provide, without the vote of the electors 50855
of the district, for annually levying and collecting taxes in 50856
amounts sufficient to pay the interest on and retire the notes, 50857
except that the total net indebtedness of the district without a 50858
vote of the electors incurred under this and all other sections of 50859
the Revised Code, except section 3318.052 of the Revised Code, 50860
shall not exceed one per cent of the district's tax valuation. 50861
Revenues derived from local taxes or otherwise, for the purpose of 50862
conserving energy or for defraying the current operating expenses 50863

of the district, may be applied to the payment of interest and the 50864
retirement of such notes. The notes may be sold at private sale or 50865
given to the contractor under the installment payment contract 50866

energy securities, makes a finding that the amount spent on such 50876
measures is not likely to exceed the amount of money it would save 50877
in energy costs and resultant operational and maintenance costs as 50878
described in that division, except that that finding shall cover 50879
the ensuing fifteen years, and the Ohio school facilities 50880
commission determines that the district board's findings are 50881
reasonable and approves the contract as described in that 50882

to which the district is required to transport students under 51003
section 3327.01 of the Revised Code and shall consider the effect 51004
of the proposed change on the schedule for transportation of those 51005
students to their nonpublic schools. The governing authority of a 51006
chartered nonpublic school shall consult with each school district 51007
board of education that transports students to the chartered 51008
nonpublic school under section 3327.01 of the Revised Code prior 51009
to making any change in the hours or days in which the nonpublic 51010
school is open for instruction. 51011

(G) The state board of education shall not adopt or enforce 51012
any rule or standard that imposes on chartered nonpublic schools 51013
the procedural requirements imposed on school districts by 51014
divisions (B), (C), (D), and (E) of this section. 51015

Sec. 3313.481. Wherever in Title XXXIII of the Revised Code 51016
the term "school day" is used, unless otherwise specified, that 51017
term shall be construed to mean the time during a calendar day 51018
that a school is open for instruction pursuant to the schedule 51019
adopted by the board of education of the school district or the 51020

governing authority of the chartered nonpublic school in 51021
accordance with section 3313.48 of the Revised Code. 51022

Sec. 3313.483. (A) A board of education, upon the adoption of 51023
a resolution stating that it may be financially unable to open on 51024
the day or to remain open for instruction on all days set forth in 51025
its adopted school calendar and pay all obligated expenses, or the 51026
superintendent of public instruction upon the issuance of written 51027
notification under division (B) of section 3313.489 of the Revised 51028
Code, shall request the auditor of state to determine whether such 51029
situation exists. The auditor shall deliver a copy of each request 51030
from a board of education to the superintendent of public 51031
instruction. In the case of a school district not under a fiscal 51032
emergency pursuant to Chapter 3316. of the Revised Code the 51033
auditor shall not issue a finding under this section until written 51034
notification is received from the superintendent pursuant to 51035
section 3313.487 of the Revised Code. 51036

(B) If the auditor of state finds that the board of education 51037
has attempted to avail itself to the fullest extent authorized by 51038
law of all lawful revenue sources available to it except those 51039
authorized by section 5705.21 of the Revised Code, the auditor 51040
shall certify that finding to the superintendent of public 51041
instruction and the state board of education and shall certify the 51042
operating deficit the district will have at the end of the fiscal 51043
year if it commences or continues operating its instructional 51044
program in accordance with its adopted school calendar and pays 51045
all obligated expenses. 51046

(C) No board of education may delay the opening of its 51047
schools or close its schools for financial reasons. Upon the 51048
request of the superintendent of public instruction, the attorney 51049
general shall seek injunctive relief and any other relief required 51050
to enforce this prohibition in the court of common pleas of 51051

Franklin county. The court of common pleas of Franklin county has 51052
exclusive original jurisdiction over all such actions. 51053

(D) Upon the receipt of any certification of an operating 51054
deficit from the auditor of state, a board of education shall make 51055
application to a commercial bank, underwriter, or other 51056
prospective lender or purchaser of its obligations for a loan in 51057
an amount sufficient to enable the district to open or remain open 51058
for instruction on all days set forth in its adopted school 51059
calendar but not to exceed the amount of the deficit certified. 51060

(E)(1) Any board of education that has applied for and been 51061
denied a loan from a commercial bank, underwriter, or other 51062
prospective lender or purchaser of its obligations pursuant to 51063
division (D) of this section shall submit to the superintendent of 51064
public instruction a plan for implementing reductions in the 51065
school district's budget; apply for a loan from a commercial bank, 51066
underwriter, or other prospective lender or purchaser of its 51067
obligations in an amount not to exceed its certified deficit; and 51068
provide the superintendent such information as the superintendent 51069
requires concerning its application for such a loan. The board of 51070
education of a school district declared to be under a fiscal watch 51071
pursuant to division (A) of section 3316.03 of the Revised Code 51072
may, upon approval of the superintendent, utilize the financial 51073
plan required by section 3316.04 of the Revised Code, or 51074
applicable parts thereof, as the plan required under this 51075
division. The board of education of a school district declared to 51076
be under a fiscal emergency pursuant to division (B) of section 51077
3316.03 of the Revised Code may utilize the financial recovery 51078
plan for the district, or applicable parts thereof, as the plan 51079
required under this division. Except for the plan of a school 51080
district under a fiscal emergency, the superintendent shall 51081
evaluate, make recommendations concerning, and approve or 51082
disapprove each plan. When a plan is submitted, the superintendent 51083

shall immediately notify the members of the general assembly whose legislative districts include any or all of the territory of the school district submitting the plan.

(2) The superintendent shall submit to the controlling board a copy of each plan the superintendent approves, or each plan submitted by a district under a fiscal emergency pursuant to division (B) of section 3316.03 of the Revised Code, and the general terms of each proposed loan, and shall make recommendations regarding the plan and whether a proposed loan to the board of education should be approved for payment as provided in division (E)(3) of this section. The controlling board shall approve or disapprove the plan and the proposed loan presented to it by the superintendent. In the case of a district not under a fiscal emergency pursuant to division (B) of section 3316.03 of the Revised Code, the controlling board may require a board of education to implement the superintendent's recommendations for expenditure reductions or impose other requirements. Loan repayments shall be in accordance with a schedule approved by the superintendent, except that the principal amount of the loan shall be payable in monthly, semiannual, or annual installments of principal and interest that are substantially equal principal and interest installments. Except as otherwise provided in division (E)(2) of this section, repayment shall be made no later than the fifteenth day of June of the second fiscal year following the approval of the loan. A school district with a certified deficit in excess of either twenty-five million dollars or fifteen per cent of the general fund expenditures of the district during the fiscal year shall repay the loan no later than the fifteenth day of June of the tenth fiscal year following the approval of the loan. In deciding whether to approve or disapprove a proposed loan, the controlling board shall consider the deficit certified by the auditor of state pursuant to this section. A board of education that has an outstanding loan approved pursuant to this

section with a repayment date of more than two fiscal years after 51117
the date of approval of such loan may not apply for another loan 51118
with such a repayment date until the outstanding loan has been 51119
repaid. 51120

(3) If a board of education has submitted and received 51121
controlling board approval of a plan and proposed loan in 51122
accordance with this section, the superintendent of public 51123
instruction shall report to the controlling board the actual 51124
amounts loaned to the board of education. Such board of education 51125
shall request the superintendent to pay any funds the board of 51126
education would otherwise receive pursuant to Chapter 3306. of the 51127
Revised Code first directly to the holders of the board of 51128
education's notes, or an agent thereof, such amounts as are 51129
specified under the terms of the loan. Such payments shall be made 51130
only from and to the extent of money appropriated by the general 51131
assembly for purposes of such sections. No note or other 51132
obligation of the board of education under the loan constitutes an 51133
obligation nor a debt or a pledge of the faith, credit, or taxing 51134
power of the state, and the holder or owner of such note or 51135
obligation has no right to have taxes levied by the general 51136
assembly for the payment of such note or obligation, and such note 51137
or obligation shall contain a statement to that effect. 51138

(4) Pursuant to the terms of such a loan, a board of 51139
education may issue its notes in anticipation of the collection of 51140
its voted levies for current expenses or its receipt of such state 51141
funds or both. Such notes shall be issued in accordance with 51142
division (E) of section 133.10 of the Revised Code and constitute 51143
Chapter 133. securities to the extent such division and the 51144
otherwise applicable provisions of Chapter 133. of the Revised 51145
Code are not inconsistent with this section, provided that in any 51146
event sections 133.24 and 5705.21 and divisions (A), (B), (C), and 51147
(E)(2) of section 133.10 of the Revised Code do not apply to such 51148

notes. 51149

(5) Notwithstanding section 133.36 or 3313.17, any other 51150
section of the Revised Code, or any other provision of law, a 51151
board of education that has received a loan under this section may 51152
not declare bankruptcy, so long as any portion of such loan 51153
remains unpaid. 51154

(F) Under this section and ~~sections~~ section 3313.4810 ~~and~~ 51155
~~3313.4811~~, "board of education" or "district board" includes the 51156
financial planning and supervision commission of a school district 51157

Code where such commission chooses to exercise the powers and 51159
duties otherwise required of the district board of education under 51160
this section and ~~sections~~ section 3313.4810 ~~and 3313.4811~~ of the 51161
Revised Code. 51162

Sec. 3313.484. No loan shall be approved under sections 51163
3313.483 to ~~3313.4811~~ 3313.4810 of the Revised Code after March 1, 51164
1998. 51165

By the last day of June each year, the department of 51166
education shall calculate and pay a subsidy to every school 51167
district that during the current fiscal year paid and was 51168
obligated to pay interest on a loan under sections 3313.483 to 51169
~~3313.4811~~ 3313.4810 of the Revised Code in excess of two per cent 51170
simple interest. The amount of the subsidy shall equal the 51171
difference between the amount of interest the district paid and 51172
was obligated to pay during the year and the interest that the 51173
district would have been obligated to pay if the interest rate on 51174
the loan had been two per cent per year. 51175

Sec. 3313.488. (A) Within fifteen days ~~of~~ after the date a 51176
~~board of education requests that its school district be made~~ 51177

district subject to this section, the district's board of 51181
education shall prepare a fiscal statement of expenses and 51182
expenditures for the remainder of the current fiscal year. The 51183
fiscal statement shall be submitted to the superintendent of 51184
public instruction and shall set forth all revenues to be received 51185
by the district during the remainder of the fiscal year and their 51186
sources, the expenses to be incurred by the district during the 51187
remainder of the fiscal year, the outstanding and unpaid expenses 51188
at the time the fiscal statement is prepared and the date or dates 51189
by which such expenses must be paid, and such other information as 51190
the superintendent requires to enable the superintendent to ensure 51191
that during the remainder of the fiscal year, the district will 51192
not incur any expenses that will further impair its ability to 51193
operate an instructional program that meets or exceeds the minimum 51194
standards of the state board of education and requirements of the 51195
Revised Code during the current and ensuing fiscal years with the 51196
revenue available to it from existing revenue sources. The fiscal 51197
statement shall be presented in such detail and form as the 51198
superintendent prescribes. Beginning the tenth day after the 51199
fiscal statement is submitted and for the remainder of the fiscal 51200
year, the board shall not make any expenditure of money, make any 51201
employment, purchase, or rental contract, give any order involving 51202
the expenditure of money, or increase any wage or salary schedule 51203
unless the superintendent of public instruction has approved the 51204
fiscal statement in writing and the expenditure, contract, order, 51205
or schedule has been approved in writing by the superintendent as 51206
being in conformity with the fiscal statement. 51207

Any contract or expenditure made, order given, or schedule 51208
adopted or put into effect without the written approval of the 51209
superintendent of public instruction is void, and no warrant shall 51210
be issued in payment of any amount due thereon. 51211

(B) A board of education subject to division (A) of this section shall prepare a fiscal statement of expenses and expenditures for the ensuing fiscal year. The fiscal statement shall be submitted to the superintendent of public instruction and shall set forth all revenues to be received by the district during such year and their source, the expenses to be incurred by the district during such year, the outstanding and unpaid expenses on the first day of such fiscal year, the date or dates by which such expenses must be paid, and such other information as the superintendent requires to enable the superintendent to ensure that during such year, the district will not incur any expenses that will further impair its ability to operate an instructional program that meets or exceeds the minimum standards of the state board of education and requirements of the Revised Code during such year with the revenue available to it from existing revenue sources. The fiscal statement shall be presented at the time and in such detail and form as the superintendent prescribes. During the fiscal year following the year in which a board of education first becomes subject to division (A) of this section it shall not make any expenditure of money, make any employment, purchase, or rental contract, give any order involving the expenditure of money, or increase any wage or salary schedule unless the superintendent of public instruction has approved the fiscal statement submitted under this division in writing and has approved the expenditure, contract, order, or schedule in writing as being in conformity with the fiscal statement.

Any contract or expenditure made, order given, or schedule adopted or put into effect without the written approval of the superintendent of public instruction is void, and no warrant shall be issued in payment of any amount due thereon.

(C) The state board of education shall examine any fiscal statement presented to and approved by the superintendent of

public instruction under division (B) of this section and shall 51244
determine whether the data set forth in the fiscal statement are 51245
factual and based upon assumptions that in its judgment are 51246
reasonable expectations consistent with acceptable governmental 51247
budget and accounting practices. If the state board so determines 51248
and finds that the revenues and expenditures in the fiscal 51249
statement are in balance for the fiscal year and the fiscal 51250
statement will enable the district to operate during such year 51251
without interrupting its school calendar, it shall certify its 51252
determination and finding to the district at least thirty days 51253
prior to the beginning of the fiscal year, and the district shall 51254
thereupon cease to be subject to this section. If the state board 51255
does not make such a determination and finding, the board of 51256
education and school district are subject to this division and 51257
division (B) of this section in the ensuing fiscal year and each 51258
fiscal year thereafter until the state board makes a 51259
determination, finding, and certification under this division. 51260

(D) Any officer, employee, or other person who knowingly 51261
expends or authorizes the expenditure of any public funds or 51262
knowingly authorizes or executes any contract, order, or schedule 51263
contrary to division (A) or (B) of this section or who knowingly 51264
expends or authorizes the expenditure of any public funds on any 51265
such void contract, order, or schedule is jointly and severally 51266
liable in person and upon any official bond that the officer, 51267
employee, or other person has given to such school district to the 51268
extent of any payments on the void claim, not to exceed twenty 51269
thousand dollars. The attorney general at the written request of 51270
the superintendent of public instruction shall enforce this 51271
liability by civil action brought in any court of appropriate 51272
jurisdiction in the name of and on behalf of the school district. 51273

(E) During each month that a board of education is subject to 51274
division (A), (B), or (C) of this section, the superintendent of 51275

public instruction shall submit a report to the speaker of the 51276
house of representatives and the president of the senate on the 51277
financial condition of the school district. The report shall 51278
contain the date by which the superintendent anticipates the 51279
district will cease to be subject to such divisions, the 51280
district's plans for becoming exempt from such section, and such 51281
other information the superintendent determines appropriate or the 51282
speaker of the house of representatives or president of the senate 51283
requests. 51284

In addition to the other reports required under this 51285
division, on the thirty-first day of each school district fiscal 51286
year following a fiscal year in which a school district first 51287
becomes subject to this section, the superintendent shall submit a 51288
written report to the speaker of the house of representatives and 51289
the president of the senate. The report shall include 51290
recommendations to the general assembly for strengthening the 51291
financial condition of school districts based upon the experiences 51292
of the superintendent and the state board in exercising their 51293
powers under this section and sections 3313.483 and 3313.487 of 51294
the Revised Code. 51295

(F) This section does not apply to a school district declared 51296
to be under a fiscal emergency pursuant to division (B) of section 51297
3316.03 of the Revised Code. 51298

If more than one school operated by the school district serves the student's grade level, as determined by the district superintendent based on the student's age and academic performance, the student shall be afforded the opportunity to participate in extracurricular activities at the school to which the student would be assigned by the superintendent under section 3319.01 of the Revised Code. If a student who is afforded the opportunity to participate in extracurricular activities under division (A) of this section wishes to participate in an activity that is offered by the district, the student shall not participate in that activity at another school or school district to which the student is not entitled to attend.

(B) The superintendent of any school district may afford any student who receives home instruction under division (A)(2) of section 3321.04 of the Revised Code, and who is not entitled to attend school in the district under section 3313.64 or 3313.65 of the Revised Code, the opportunity to participate in any extracurricular activity offered by a school of the district, if the district to which the student is entitled to attend does not offer that extracurricular activity.

student was enrolled based on the student's work while enrolled in 51784
that district. 51785

(E) Any student who commences home instruction after the 51786
beginning of a school year and who is, at the time home 51787
instruction commences, ineligible to participate in an 51788

or any other requirements of the district shall not participate in 51790
the extracurricular activity under this section until the student 51791
meets the academic requirements established by the state board of 51792
education for continuation of home instruction as verified by the 51793
superintendent of the district. No student under this section 51794
shall be eligible to participate in the same semester in which the 51795
student was determined ineligible. 51796

student to participate under this section that do not apply to 51798
other students participating in the same extracurricular activity. 51799

No district shall impose fees for a student to participate under this section that exceed any fees charged to other students participating in the same extracurricular activity.

(G) No school district, interscholastic conference, or organization that regulates interscholastic conferences or events shall require a student who is eligible to participate in interscholastic extracurricular activities under this section to meet eligibility requirements that conflict with this section.

States Code, or English language arts, mathematics, science, or 52004
social studies courses not otherwise required under division (C) 52005
of this section. 52006

Ohioans must be prepared to apply increased knowledge and 52007
skills in the workplace and to adapt their knowledge and skills 52008
quickly to meet the rapidly changing conditions of the 52009

twenty-first century. National studies indicate that all high 52010
school graduates need the same academic foundation, regardless of 52011
the opportunities they pursue after graduation. The goal of Ohio's 52012
system of elementary and secondary education is to prepare all 52013
students for and seamlessly connect all students to success in 52014
life beyond high school graduation, regardless of whether the next 52015
step is entering the workforce, beginning an apprenticeship, 52016
engaging in post-secondary training, serving in the military, or 52017
pursuing a college degree. 52018

The Ohio core curriculum is the standard expectation for all 52019
students entering ninth grade for the first time at a public or 52020
chartered nonpublic high school on or after July 1, 2010. A 52021
student may satisfy this expectation through a variety of methods, 52022
including, but not limited to, integrated, applied, 52023
career-technical, and traditional coursework. 52024

Whereas teacher quality is essential for student success in 52025
completing the Ohio core curriculum, the general assembly shall 52026
appropriate funds for strategic initiatives designed to strengthen 52027
schools' capacities to hire and retain highly qualified teachers 52028
in the subject areas required by the curriculum. Such initiatives 52029
are expected to require an investment of \$120,000,000 over five 52030
years. 52031

Stronger coordination between high schools and institutions 52032
of higher education is necessary to prepare students for more 52033
challenging academic endeavors and to lessen the need for academic 52034
remediation in college, thereby reducing the costs of higher 52035
education for Ohio's students, families, and the state. The state 52036
board and the chancellor of the Ohio board of regents shall 52037
develop policies to ensure that only in rare instances will 52038
students who complete the Ohio core curriculum require academic 52039
remediation after high school. 52040

School districts, community schools, and chartered nonpublic 52041

schools shall integrate technology into learning experiences 52042
across the curriculum in order to maximize efficiency, enhance 52043
learning, and prepare students for success in the 52044
technology-driven twenty-first century. Districts and schools 52045
shall use distance and web-based course delivery as a method of 52046
providing or augmenting all instruction required under this 52047
division, including laboratory experience in science. Districts 52048
and schools shall utilize technology access and electronic 52049
learning opportunities provided by the ~~eTech-Ohio~~ broadcast 52050
educational media commission, chancellor, the Ohio learning 52051
network, education technology centers, public television stations, 52052
and other public and private providers. 52053

(D) Except as provided in division (E) of this section, a 52054
student who enters ninth grade on or after July 1, 2010, and 52055
before July 1, 2014, may qualify for graduation from a public or 52056
chartered nonpublic high school even though the student has not 52057
completed the Ohio core curriculum prescribed in division (C) of 52058
this section if all of the following conditions are satisfied: 52059

(1) After the student has attended high school for two years, 52060
as determined by the school, the student and the student's parent, 52061
guardian, or custodian sign and file with the school a written 52062
statement asserting the parent's, guardian's, or custodian's 52063
consent to the student's graduating without completing the Ohio 52064
core curriculum and acknowledging that one consequence of not 52065
completing the Ohio core curriculum is ineligibility to enroll in 52066
most state universities in Ohio without further coursework. 52067

(2) The student and parent, guardian, or custodian fulfill 52068
any procedural requirements the school stipulates to ensure the 52069
student's and parent's, guardian's, or custodian's informed 52070
consent and to facilitate orderly filing of statements under 52071
division (D)(1) of this section. 52072

(3) The student and the student's parent, guardian, or 52073

custodian and a representative of the student's high school 52074
jointly develop an individual career plan for the student that 52075
specifies the student matriculating to a two-year degree program, 52076
acquiring a business and industry credential, or entering an 52077
apprenticeship. 52078

(4) The student's high school provides counseling and support 52079
for the student related to the plan developed under division 52080
(D)(3) of this section during the remainder of the student's high 52081
school experience. 52082

(5) The student successfully completes, at a minimum, the 52083
curriculum prescribed in division (B) of this section. 52084

The department of education, in collaboration with the 52085
chancellor, shall analyze student performance data to determine if 52086
there are mitigating factors that warrant extending the exception 52087
permitted by division (D) of this section to high school classes 52088
beyond those entering ninth grade before July 1, 2014. The 52089
department shall submit its findings and any recommendations not 52090
later than August 1, 2014, to the speaker and minority leader of 52091
the house of representatives, the president and minority leader of 52092
the senate, the chairpersons and ranking minority members of the 52093
standing committees of the house of representatives and the senate 52094
that consider education legislation, the state board of education, 52095
and the superintendent of public instruction. 52096

(E) Each school district and chartered nonpublic school 52097
retains the authority to require an even more rigorous minimum 52098
curriculum for high school graduation than specified in division 52099
(B) or (C) of this section. A school district board of education, 52100
through the adoption of a resolution, or the governing authority 52101
of a chartered nonpublic school may stipulate any of the 52102
following: 52103

(1) A minimum high school curriculum that requires more than 52104

twenty units of academic credit to graduate; 52105

(2) An exception to the district's or school's minimum high 52106
school curriculum that is comparable to the exception provided in 52107
division (D) of this section but with additional requirements, 52108
which may include a requirement that the student successfully 52109
complete more than the minimum curriculum prescribed in division 52110
(B) of this section; 52111

(3) That no exception comparable to that provided in division 52112
(D) of this section is available. 52113

(F) A student enrolled in a dropout prevention and recovery 52114
program, which program has received a waiver from the department, 52115
may qualify for graduation from high school by successfully 52116
completing a competency-based instructional program administered 52117
by the dropout prevention and recovery program in lieu of 52118
completing the Ohio core curriculum prescribed in division (C) of 52119
this section. The department shall grant a waiver to a dropout 52120
prevention and recovery program, within sixty days after the 52121
program applies for the waiver, if the program meets all of the 52122
following conditions: 52123

(1) The program serves only students not younger than sixteen 52124
years of age and not older than twenty-one years of age. 52125

(2) The program enrolls students who, at the time of their 52126
initial enrollment, either, or both, are at least one grade level 52127
behind their cohort age groups or experience crises that 52128
significantly interfere with their academic progress such that 52129
they are prevented from continuing their traditional programs. 52130

(3) The program requires students to attain at least the 52131
applicable score designated for each of the assessments prescribed 52132
under division (B)(1) of section 3301.0710 of the Revised Code or, 52133
to the extent prescribed by rule of the state board under division 52134
(D)(6) of section 3301.0712 of the Revised Code, division (B)(2) 52135

of that section. 52136

(4) The program develops an individual career plan for the 52137
student that specifies the student's matriculating to a two-year 52138
degree program, acquiring a business and industry credential, or 52139
entering an apprenticeship. 52140

(5) The program provides counseling and support for the 52141
student related to the plan developed under division (F)(4) of 52142
this section during the remainder of the student's high school 52143
experience. 52144

(6) The program requires the student and the student's 52145
parent, guardian, or custodian to sign and file, in accordance 52146
with procedural requirements stipulated by the program, a written 52147
statement asserting the parent's, guardian's, or custodian's 52148
consent to the student's graduating without completing the Ohio 52149
core curriculum and acknowledging that one consequence of not 52150
completing the Ohio core curriculum is ineligibility to enroll in 52151
most state universities in Ohio without further coursework. 52152

(7) Prior to receiving the waiver, the program has submitted 52153
to the department an instructional plan that demonstrates how the 52154
academic content standards adopted by the state board under 52155
section 3301.079 of the Revised Code will be taught and assessed. 52156

If the department does not act either to grant the waiver or 52157
to reject the program application for the waiver within sixty days 52158
as required under this section, the waiver shall be considered to 52159
be granted. 52160

(G) Every high school may permit students below the ninth 52161
grade to take advanced work. If a high school so permits, it shall 52162
award high school credit for successful completion of the advanced 52163
work and shall count such advanced work toward the graduation 52164
requirements of division (B) or (C) of this section if the 52165
advanced work was both: 52166

(1) Taught by a person who possesses a license or certificate issued under section 3301.071, 3319.22, or 3319.222 of the Revised Code that is valid for teaching high school;

(2) Designated by the board of education of the city, local, or exempted village school district, the board of the cooperative education school district, or the governing authority of the chartered nonpublic school as meeting the high school curriculum requirements.

Each high school shall record on the student's high school transcript all high school credit awarded under division (G) of this section. In addition, if the student completed a seventh- or eighth-grade fine arts course described in division (K) of this section and the course qualified for high school credit under that division, the high school shall record that course on the student's high school transcript.

(H) The department shall make its individual academic career plan available through its Ohio career information system web site for districts and schools to use as a tool for communicating with and providing guidance to students and families in selecting high school courses.

(I) Units earned in English language arts, mathematics, science, and social studies that are delivered through integrated academic and career-technical instruction are eligible to meet the graduation requirements of division (B) or (C) of this section.

(J) The state board, in consultation with the chancellor, shall adopt a statewide plan implementing methods for students to earn units of high school credit based on a demonstration of subject area competency, instead of or in combination with completing hours of classroom instruction. The state board shall adopt the plan not later than March 31, 2009, and commence phasing in the plan during the 2009-2010 school year. The plan shall

include a standard method for recording demonstrated proficiency 52198
on high school transcripts. Each school district and community 52199
school shall comply with the state board's plan adopted under this 52200
division and award units of high school credit in accordance with 52201
the plan. The state board may adopt existing methods for earning 52202
high school credit based on a demonstration of subject area 52203
competency as necessary prior to the 2009-2010 school year. 52204

(K) This division does not apply to students who qualify for 52205
graduation from high school under division (D) or (F) of this 52206
section, or to students pursuing a career-technical instructional 52207
track as determined by the school district board of education or 52208
the chartered nonpublic school's governing authority. 52209
Nevertheless, the general assembly encourages such students to 52210
consider enrolling in a fine arts course as an elective. 52211

Beginning with students who enter ninth grade for the first 52212
time on or after July 1, 2010, each student enrolled in a public 52213
or chartered nonpublic high school shall complete two semesters or 52214
the equivalent of fine arts to graduate from high school. The 52215
coursework may be completed in any of grades seven to twelve. Each 52216
student who completes a fine arts course in grade seven or eight 52217
may elect to count that course toward the five units of electives 52218
required for graduation under division (C)(8) of this section, if 52219
the course satisfied the requirements of division (G) of this 52220
section. In that case, the high school shall award the student 52221
high school credit for the course and count the course toward the 52222
five units required under division (C)(8) of this section. If the 52223
course in grade seven or eight did not satisfy the requirements of 52224
division (G) of this section, the high school shall not award the 52225
student high school credit for the course but shall count the 52226
course toward the two semesters or the equivalent of fine arts 52227
required by this division. 52228

(L) Notwithstanding anything to the contrary in this section, 52229

the board of education of each school district and the governing 52230
authority of each chartered nonpublic school may adopt a policy to 52231
excuse from the high school physical education requirement each 52232
student who, during high school, has participated in 52233
interscholastic athletics, marching band, or cheerleading for at 52234
least two full seasons or in the junior reserve officer training 52235
corps for at least two full school years. If the board or 52236
authority adopts such a policy, the board or authority shall not 52237
require the student to complete any physical education course as a 52238
condition to graduate. However, the student shall be required to 52239
complete one-half unit, consisting of at least sixty hours of 52240
instruction, in another course of study. In the case of a student 52241
who has participated in the junior reserve officer training corps 52242
for at least two full school years, credit received for that 52243
participation may be used to satisfy the requirement to complete 52244
one-half unit in another course of study. 52245

(M) It is important that high school students learn and 52246
understand United States history and the governments of both the 52247

11432(g)(3)(C); 52942

(b) The school that is operated by the school district in 52943
which the shelter where the child currently resides is located and 52944
that serves the geographic area in which the shelter is located. 52945

(14) A child under the age of twenty-two years who resides 52946
with a person other than the child's parent is entitled to attend 52947
school in the school district in which that person resides if both 52948
of the following apply: 52949

duty as a member of the national guard or a reserve unit of the 52956
armed forces of the United States or because the parent is a 52957
member of the armed forces of the United States and is on a duty 52958
assignment away from the parent's residence. 52959

(b) The military power of attorney or comparable document 52960
includes at least the authority to enroll the child in school. 52961

The entitlement to attend school in the district in which the 52962
parent's agent under the military power of attorney or comparable 52963
document resides applies until the end of the school year in which 52964
the military power of attorney or comparable document expires. 52965

under section 3314.03 of the Revised Code and in the development 54644
and start-up activities of those schools. In carrying out its 54645
duties under this section, the department shall do all of the 54646

of the Revised Code, the effectiveness of any and all sponsors in 54653
their oversight of the schools with which they have contracted; 54654

(4) By December thirty-first of each year, issue a report to 54655

community school sponsors; 54662

(5) From time to time, make legislative recommendations to 54663
the general assembly designed to enhance the operation and 54664
performance of community schools. 54665

(B)(1) Except as provided in sections 3314.021 and 3314.027 54666
of the Revised Code, no entity listed in division (C)(1) of 54667
section 3314.02 of the Revised Code shall enter into a preliminary 54668
agreement under division (C)(2) of section 3314.02 of the Revised 54669
Code until it has received approval from the department of 54670
education to sponsor community schools under this chapter and has 54671

entered into a written agreement with the department regarding the 54672
manner in which the entity will conduct such sponsorship. The 54673

The initial term of a sponsor's agreement with the department 54674
shall be for up to seven years. For every year that the sponsor 54675
satisfies the conditions of division (B)(1)(a) or (b) of this 54676
section, as applicable, the department shall add one year to the 54677
agreement term, subject to divisions (C) and (F) of this section, 54678
unless the sponsor notifies the department that it does not wish 54679
to have the term of the agreement so extended. 54680

To qualify for the extension of the term of the sponsor's 54681
agreement, the sponsor shall satisfy one of the following, as 54682
applicable: 54683

(a) Prior to January 1, 2015, the sponsor is not in the 54684
lowest twenty per cent of sponsors statewide according to the 54685
composite performance index score as ranked under section 3314.016 54686
of the Revised Code, as that section exists prior to that date, 54687
and the sponsor continues to meet all the requirements of this 54688
chapter pertaining to community school sponsors. 54689

(b) On or after January 1, 2015, the sponsor is rated as 54690
"exemplary" or "effective" under section 3314.016 of the Revised 54691
Code, as that section exists on and after that date, and the 54692
sponsor continues to meet all the requirements of this chapter 54693
pertaining to community school sponsors. 54694

The department shall adopt in accordance with Chapter 119. of 54695
the Revised Code rules containing criteria, procedures, and 54696
deadlines for processing applications for ~~such~~ approval of 54697
sponsors, for oversight of sponsors, for notifying a sponsor of 54698
noncompliance with applicable laws and administrative rules under 54699
division (F) of this section, for revocation of the approval of 54700
sponsors under division (C) of this section, and for entering into 54701
written agreements with sponsors. The rules shall require an 54702

entity to submit evidence of the entity's ability and willingness 54703
to comply with the provisions of division (D) of section 3314.03 54704
of the Revised Code. The rules also shall require entities 54705
approved as sponsors on and after June 30, 2005, to demonstrate a 54706
record of financial responsibility and successful implementation 54707
of educational programs. If an entity seeking approval on or after 54708
June 30, 2005, to sponsor community schools in this state sponsors 54709
or operates schools in another state, at least one of the schools 54710
sponsored or operated by the entity must be comparable to or 54711
better than the performance of Ohio schools in need of continuous 54712
improvement under section 3302.03 of the Revised Code, as 54713
determined by the department. 54714

Subject to section 3314.016 of the Revised Code, an entity 54715
that sponsors community schools may enter into preliminary 54716
agreements and sponsor up to one hundred schools, provided each 54717
school and the contract for sponsorship meets the requirements of 54718
this chapter. 54719

(2) The state board of education shall determine, pursuant to 54720
criteria specified in rules adopted in accordance with Chapter 54721
119. of the Revised Code, whether the mission proposed to be 54722
specified in the contract of a community school to be sponsored by 54723
a state university board of trustees or the board's designee under 54724
division (C)(1)(e) of section 3314.02 of the Revised Code complies 54725
with the requirements of that division. Such determination of the 54726
state board is final. 54727

(3) The state board of education shall determine, pursuant to 54728
criteria specified in rules adopted in accordance with Chapter 54729
119. of the Revised Code, if any tax-exempt entity under section 54730
501(c)(3) of the Internal Revenue Code that is proposed to be a 54731
sponsor of a community school is an education-oriented entity for 54732
purpose of satisfying the condition prescribed in division 54733
(C)(1)(f)(iii) of section 3314.02 of the Revised Code. Such 54734

determination of the state board is final. 54735

(C) If at any time the state board of education finds that a 54736
sponsor is not in compliance or is no longer willing to comply 54737
with its contract with any community school or with the 54738
department's rules for sponsorship, the state board or designee 54739
shall conduct a hearing in accordance with Chapter 119. of the 54740
Revised Code on that matter. If after the hearing, the state board 54741
or designee has confirmed the original finding, the department of 54742
education may revoke the sponsor's approval to sponsor community 54743
schools. In that case, the department's office of Ohio school 54744
sponsorship, established under section 3314.029 of the Revised 54745
Code, may assume the sponsorship of any schools with which the 54746
sponsor has contracted until the earlier of the expiration of two 54747
school years or until a new sponsor as described in division 54748
(C)(1) of section 3314.02 of the Revised Code is secured by the 54749
school's governing authority. The office of Ohio school 54750
sponsorship may extend the term of the contract in the case of a 54751
school for which it has assumed sponsorship under this division as 54752
necessary to accommodate the term of the department's 54753
authorization to sponsor the school specified in this division. 54754
Community schools sponsored under this division shall not apply to 54755
the limit on directly authorized community schools under division 54756
(A)(3) of section 3314.029 of the Revised Code. However, nothing 54757
in this division shall preclude a community school affected by 54758
this division from applying for sponsorship under that section. 54759

(D) The decision of the department to disapprove an entity 54760
for sponsorship of a community school or to revoke approval for 54761
such sponsorship under division (C) of this section, may be 54762
appealed by the entity in accordance with section 119.12 of the 54763
Revised Code. 54764

(E) The department shall adopt procedures for use by a 54765
community school governing authority and sponsor when the school 54766

permanently closes and ceases operation, which shall include at least procedures for data reporting to the department, handling of student records, distribution of assets in accordance with section 3314.074 of the Revised Code, and other matters related to ceasing operation of the school.

(F)(1) In lieu of revoking a sponsor's authority to sponsor community schools under division (C) of this section, if the department finds that a sponsor is not in compliance with applicable laws and administrative rules, the department shall declare in a written notice to the sponsor the specific laws or rules, or both, for which the sponsor is noncompliant. A sponsor notified under division (F)(1) of this section shall respond to the department not later than fourteen days after the notification with a proposed plan to remedy the conditions for which the sponsor was found to be noncompliant. The department shall approve or disapprove the plan not later than fourteen days after receiving it. If the plan is disapproved, the sponsor may submit a revised plan to the department not later than fourteen days after receiving notification of disapproval from the department or not later than sixty days after the date the sponsor received notification of noncompliance from the department, whichever is earlier. for their compliance with the terms of the contracts they enter 55662
into with their school's sponsors and the law relating to the 55663
school's operation. Suspension of the operation of a school 55664
imposed under this section is intended to encourage the governing 55665
authority's compliance with the terms of the school's contract and 55666

chapter suspends the operation of that school pursuant to 55670
procedures set forth in this section, the governing authority 55671

Any such suspension shall remain in effect until the sponsor 55673
notifies the governing authority that it is no longer in effect. 55674

Such notice shall explain the reasons for the sponsor's intent to suspend operation of the contract and shall provide the school's governing authority with five business days to submit to the sponsor a proposal to remedy the conditions cited as reasons for the suspension.

(2) The sponsor shall promptly review any proposed remedy timely submitted by the governing authority and either approve or disapprove the remedy. If the sponsor disapproves the remedy proposed by the governing authority, if the governing authority fails to submit a proposed remedy in the manner prescribed by the sponsor, or if the governing authority fails to implement the remedy as approved by the sponsor, the sponsor may suspend operation of the school pursuant to procedures set forth in division (D) of this section.

The notice shall state that the governing authority has five business days to submit a proposed remedy to the conditions cited as reasons for the suspension or face potential contract termination.

(2) Upon receipt of the notice of suspension prescribed under division (D)(1) of this section, the governing authority shall immediately notify the employees of the school and the parents of the students enrolled in the school of the suspension and the reasons therefore, and shall cease all school operations on the next business day.

(E)(1) Beginning with the 2013-2014 school year, if the sponsor of a community school suspends the operation of that school pursuant to procedures set forth in this section, the school's contract with the sponsor under section 3314.03 of the Revised Code shall become void, if the governing authority of the school fails to provide a proposal to remedy the conditions cited by the sponsor as reasons for the suspension, to the satisfaction of the sponsor, by the thirtieth day of September of the school year immediately following the school year in which the operation of school was suspended.

(2) If, prior to the effective date of this amendment, the sponsor of a community school has suspended the operation of the school, the contract with the sponsor under section 3314.03 of the Revised Code shall become void if the governing authority of the school fails to provide by September 30, 2014, a proposal to remedy the conditions cited by the sponsor as reasons for the suspension, to the satisfaction of the sponsor.

under division ~~(L)~~(H)(3) of this section, the department shall 56474
waive the number of hours or days of learning opportunities not 56475
offered to a student because the community school was closed 56476
during the school year due to disease epidemic, hazardous weather 56477
conditions, law enforcement emergencies, inoperability of school 56478
buses or other equipment necessary to the school's operation, 56479
damage to a school building, or other temporary circumstances due 56480
to utility failure rendering the school building unfit for school 56481
use, so long as the school was actually open for instruction with 56482
students in attendance during that school year for not less than 56483
the minimum number of hours required by this chapter. The 56484
department shall treat the school as if it were open for 56485
instruction with students in attendance during the hours or days 56486
waived under this division. 56487

~~(M)~~(I) The department of education shall reduce the amounts 56488
paid under ~~division (D)~~ of this section to reflect payments made 56489
to colleges under division (B) of section 3365.07 of the Revised 56490
Code or through alternative funding agreements entered into under 56491
rules adopted under section 3365.12 of the Revised Code. 56492

~~(N)~~(J)(1) No student shall be considered enrolled in any 56493

internet- or computer-based community school or, if applicable to 56494
the student, in any community school that is required to provide 56495
the student with a computer pursuant to division (C) of section 56496
3314.22 of the Revised Code, unless both of the following 56497
conditions are satisfied: 56498

(a) The student possesses or has been provided with all 56499
required hardware and software materials and all such materials 56500
are operational so that the student is capable of fully 56501
participating in the learning opportunities specified in the 56502
contract between the school and the school's sponsor as required 56503
by division (A)(23) of section 3314.03 of the Revised Code; 56504

(b) The school is in compliance with division (A) of section 56505
3314.22 of the Revised Code, relative to such student. 56506

(2) In accordance with policies adopted jointly by the 56507
superintendent of public instruction and the auditor of state, the 56508
department shall reduce the amounts otherwise payable under 56509
division ~~(D)~~(C) of this section to any community school that 56510
includes in its program the provision of computer hardware and 56511
software materials to any student, if such hardware and software 56512
materials have not been delivered, installed, and activated for 56513
each such student in a timely manner or other educational 56514
materials or services have not been provided according to the 56515
contract between the individual community school and its sponsor. 56516

The superintendent of public instruction and the auditor of 56517
state shall jointly establish a method for auditing any community 56518
school to which this division pertains to ensure compliance with 56519
this section. 56520

The superintendent, auditor of state, and the governor shall 56521
jointly make recommendations to the general assembly for 56522
legislative changes that may be required to assure fiscal and 56523
academic accountability for such schools. 56524

~~(O)~~(K)(1) If the department determines that a review of a community school's enrollment is necessary, such review shall be completed and written notice of the findings shall be provided to the governing authority of the community school and its sponsor within ninety days of the end of the community school's fiscal year, unless extended for a period not to exceed thirty additional days for one of the following reasons:

(a) The department and the community school mutually agree to the extension.

(b) Delays in data submission caused by either a community school or its sponsor.

(2) If the review results in a finding that additional funding is owed to the school, such payment shall be made within thirty days of the written notice. If the review results in a finding that the community school owes moneys to the state, the following procedure shall apply:

(a) Within ten business days of the receipt of the notice of findings, the community school may appeal the department's determination to the state board of education or its designee.

(b) The board or its designee shall conduct an informal hearing on the matter within thirty days of receipt of such an appeal and shall issue a decision within fifteen days of the conclusion of the hearing.

(c) If the board has enlisted a designee to conduct the hearing, the designee shall certify its decision to the board. The board may accept the decision of the designee or may reject the decision of the designee and issue its own decision on the matter.

(d) Any decision made by the board under this division is final.

(3) If it is decided that the community school owes moneys to

the state, the department shall deduct such amount from the 56555
school's future payments in accordance with guidelines issued by 56556
the superintendent of public instruction. 56557

~~(P)~~(L) The department shall not subtract from a school 56558
district's state aid account ~~under division (C) of this section~~ 56559
and shall not pay to a community school under division ~~(D)~~(C) of 56560
this section any amount for any of the following: 56561

(1) Any student who has graduated from the twelfth grade of a 56562
public or nonpublic high school; 56563

(2) Any student who is not a resident of the state; 56564

(3) Any student who was enrolled in the community school 56565
during the previous school year when assessments were administered 56566
under section 3301.0711 of the Revised Code but did not take one 56567
or more of the assessments required by that section and was not 56568
excused pursuant to division (C)(1) or (3) of that section, unless 56569
the superintendent of public instruction grants the student a 56570
waiver from the requirement to take the assessment and a parent is 56571
not paying tuition for the student pursuant to section 3314.26 of 56572
the Revised Code. The superintendent may grant a waiver only for 56573
good cause in accordance with rules adopted by the state board of 56574
education. 56575

(4) Any student who has attained the age of twenty-two years, 56576
except for veterans of the armed services whose attendance was 56577
interrupted before completing the recognized twelve-year course of 56578
the public schools by reason of induction or enlistment in the 56579
armed forces and who apply for enrollment in a community school 56580
not later than four years after termination of war or their 56581
honorable discharge. If, however, any such veteran elects to 56582
enroll in special courses organized for veterans for whom tuition 56583
is paid under federal law, or otherwise, the department shall not 56584
subtract from a school district's state aid account ~~under division~~ 56585

~~(C)~~ of this section and shall not pay to a community school under 56586
division ~~(D)~~(C) of this section any amount for that veteran. 56587

Sec. 3314.082. A community school shall be considered a 56588
school district and its governing authority shall be considered a 56589
board of education for the purpose of applying to any state or 56590
federal agency for grants that a school district may receive under 56591
federal or state law or any appropriations act of the general 56592
assembly. The governing authority of a community school may apply 56593
to any private entity for additional funds. 56594

Sec. 3314.083. If the department of education pays a joint 56595
vocational school district under division ~~(G)~~(4)(C)(3) of section 56596
3317.16 of the Revised Code for excess costs of providing special 56597
education and related services to a student with a disability who 56598
is enrolled in a community school, as calculated under division 56599
~~(G)~~(2)(C)(1) of that section, the department shall deduct the 56600
amount of that payment from the amount calculated for payment to 56601
the community school under section 3314.08 of the Revised Code. 56602

Sec. 3314.084. (A) As used in this section: 56603

(1) "Formula ADM" has the same meaning as in section 3317.03 56604
of the Revised Code. 56605

(2) "Home" has the same meaning as in section 3313.64 of the 56606
Revised Code. 56607

(3) "School district of residence" has the same meaning as in 56608
section 3323.01 of the Revised Code; however, a community school 56609
established under this chapter is not a "school district of 56610
residence" for purposes of this section. 56611

(B) Notwithstanding anything to the contrary in section 56612
3314.08 or 3317.03 of the Revised Code, all of the following apply 56613
in the case of a child who is enrolled in a community school and 56614

is also living in a home: 56615

(1) For purposes of the report required under division (B)(1) 56616
of section 3314.08 of the Revised Code, the child's school 56617
district of residence, and not the school district in which the 56618
home that the child is living in is located, shall be considered 56619
to be the school district in which the child is entitled to attend 56620
school. That school district of residence, therefore, shall make 56621
the report required under division (B)(1) of section 3314.08 of 56622
the Revised Code with respect to the child. 56623

(2) For purposes of the report required under division (B)(2) 56624
of section 3314.08 of the Revised Code, the community school shall 56625
report the name of the child's school district of residence. 56626

(3) The child's school district of residence shall count the 56627
child in that district's formula ADM. 56628

(4) The school district in which the home that the child is 56629
living in is located shall not count the child in that district's 56630
formula ADM. 56631

(5) The ~~Department~~ department of ~~Education~~ education shall 56632
deduct the applicable amounts prescribed under division (C) of 56633
section 3314.08 ~~and division (D) of section 3314.13~~ of the Revised 56634
Code from the child's school district of residence and shall not 56635
deduct those amounts from the school district in which the home 56636
that the child is living in is located. 56637

(6) The ~~Department~~ department shall make the payments 56638
prescribed in ~~divisions (D) and (E)~~ division (C) of section 56639
3314.08 ~~and section 3314.13~~ of the Revised Code, as applicable, to 56640
the community school. 56641

Sec. 3314.086. A community school established under this 56642
chapter, including an internet- or computer-based community 56643
school, may provide career-technical education in the manner 56644

prescribed by section 3313.90 of the Revised Code. The community 56645
school may contract with any public agency, board, or bureau or 56646
with any private individual or firm for the purchase of any 56647
career-technical education or vocational rehabilitation service 56648
for any student enrolled in the community school and may pay for 56649
such services with funds received under section 3314.08 of the 56650
Revised Code. 56651

Sec. 3314.087. (A) As used in this section: 56652

(1) "Career-technical program" means ~~vocational~~ 56653
career-technical programs or classes described in division (A) ~~or~~, 56654
(B), (C), (D), or (E) of section 3317.014 of the Revised Code in 56655
which a student is enrolled. 56656

(2) "Formula ADM," "category one ~~or two~~ vocational through 56657
five career-technical education ADM," and "FTE basis" have the 56658
same meanings as in section 3317.02 of the Revised Code. 56659

(3) "Resident school district" means the city, exempted 56660
village, or local school district in which a student is entitled 56661
to attend school under section 3313.64 or 3313.65 of the Revised 56662
Code. 56663

(B) Notwithstanding anything to the contrary in this chapter 56664
or Chapter 3317. of the Revised Code, a student enrolled in a 56665
community school may simultaneously enroll in the career-technical 56666
program operated by the ~~student's resident school district~~ 56667
career-technical planning district to which the student's resident 56668
district belongs. On an FTE basis, the student's resident school 56669
district shall count the student in the category one ~~or two~~ 56670
~~vocational through five career-technical~~ education ADM for the 56671
proportion of the time the student is enrolled in ~~the district's a~~ 56672
career-technical program of the career-technical planning district 56673
to which the student's resident district belongs and, accordingly, 56674

the department of education shall calculate funds under Chapter 56675
3317. for the resident district attributable to the student for 56676
the proportion of time the student attends the career-technical 56677
program. The community school shall count the student in its 56678
enrollment report under section 3314.08 of the Revised Code and 56679
shall report to the department the proportion of time that the 56680
student attends classes at the community school. The department 56681
shall pay the community school and deduct from the student's 56682
resident school district the amount computed for the student under 56683
section 3314.08 of the Revised Code in proportion to the fraction 56684
of the time on an FTE basis that the student attends classes at 56685
the community school. "Full-time equivalency" for a community 56686
school student, as defined in division ~~(L)~~(H) of section 3314.08 56687
of the Revised Code, does not apply to the student. 56688

Sec. 3314.091. (A) A school district is not required to 56689
provide transportation for any native student enrolled in a 56690
community school if the district board of education has entered 56691
into an agreement with the community school's governing authority 56692
that designates the community school as responsible for providing 56693
or arranging for the transportation of the district's native 56694
students to and from the community school. For any such agreement 56695
to be effective, it must be certified by the superintendent of 56696
public instruction as having met all of the following 56697
requirements: 56698

(1) It is submitted to the department of education by a 56699
deadline which shall be established by the department. 56700

(2) In accordance with divisions (C)(1) and (2) of this 56701
section, it specifies qualifications, such as residing a minimum 56702
distance from the school, for students to have their 56703
transportation provided or arranged. 56704

(3) The transportation provided by the community school is 56705

subject to all provisions of the Revised Code and all rules 56706
adopted under the Revised Code pertaining to pupil transportation. 56707

(4) The sponsor of the community school also has signed the 56708
agreement. 56709

(B)(1) For the school year that begins on July 1, 2007, a 56710
school district is not required to provide transportation for any 56711
native student enrolled in a community school, if the community 56712
school during the previous school year transported the students 56713
enrolled in the school or arranged for the students' 56714
transportation, even if that arrangement consisted of having 56715
parents transport their children to and from the school, but did 56716
not enter into an agreement to transport or arrange for 56717
transportation for those students under division (A) of this 56718
section, and if the governing authority of the community school by 56719
July 15, 2007, submits written notification to the district board 56720
of education stating that the governing authority is accepting 56721
responsibility for providing or arranging for the transportation 56722
of the district's native students to and from the community 56723
school. 56724

(2) ~~For~~ Except as provided in division (B)(4) of this 56725
section, for any school year subsequent to the school year that 56726
begins on July 1, 2007, a school district is not required to 56727
provide transportation for any native student enrolled in a 56728
community school if the governing authority of the community 56729
school, by the thirty-first day of January of the previous school 56730
year, submits written notification to the district board of 56731
education stating that the governing authority is accepting 56732
responsibility for providing or arranging for the transportation 56733
of the district's native students to and from the community 56734
school. If the governing authority of the community school has 56735
previously accepted responsibility for providing or arranging for 56736
the transportation of a district's native students to and from the 56737

community school, under division (B)(1) or (2) of this section, 56738
and has since relinquished that responsibility under division 56739
(B)(3) of this section, the governing authority shall not accept 56740
that responsibility again unless the district board consents to 56741
the governing authority's acceptance of that responsibility. 56742

(3) A governing authority's acceptance of responsibility 56743
under division (B)(1) or (2) of this section shall cover an entire 56744
school year, and shall remain in effect for subsequent school 56745
years unless the governing authority submits written notification 56746
to the district board that the governing authority is 56747
relinquishing the responsibility. However, a governing authority 56748
shall not relinquish responsibility for transportation before the 56749
end of a school year, and shall submit the notice relinquishing 56750
responsibility by the thirty-first day of January, in order to 56751
allow the school district reasonable time to prepare 56752
transportation for its native students enrolled in the school. 56753

(4)(a) For any school year that begins on or after July 1, 56754
2014, a school district is not required to provide transportation 56755
for any native student enrolled in a community school scheduled to 56756
open for operation in the current school year, if the governing 56757
authority of the community school, by the fifteenth day of April 56758
of the previous school year, submits written notification to the 56759
district board of education stating that the governing authority 56760
is accepting responsibility for providing or arranging for the 56761
transportation of the district's native students to and from the 56762
community school. 56763

(b) The governing authority of a community school that 56764
accepts responsibility for transporting its students under 56765
division (4)(a) of this section shall comply with divisions (B)(2) 56766
and (3) of this section to renew or relinquish that authority for 56767
subsequent school years. 56768

(C)(1) A community school governing authority that enters 56769

into an agreement under division (A) of this section, or that 56770
accepts responsibility under division (B) of this section, shall 56771
provide or arrange transportation free of any charge for each of 56772
its enrolled students who is required to be transported under 56773
section 3327.01 of the Revised Code or who would otherwise be 56774
transported by the school district under the district's 56775
transportation policy. The governing authority shall report to the 56776
department of education the number of students transported or for 56777
whom transportation is arranged under this section in accordance 56778
with rules adopted by the state board of education. 56779

(2) The governing authority may provide or arrange 56780
transportation for any other enrolled student who is not eligible 56781
for transportation in accordance with division (C)(1) of this 56782
section and may charge a fee for such service up to the actual 56783
cost of the service. 56784

(3) Notwithstanding anything to the contrary in division 56785
(C)(1) or (2) of this section, a community school governing 56786
authority shall provide or arrange transportation free of any 56787
charge for any disabled student enrolled in the school for whom 56788
the student's individualized education program developed under 56789
Chapter 3323. of the Revised Code specifies transportation. 56790

(D)(1) If a school district board and a community school 56791
governing authority elect to enter into an agreement under 56792
division (A) of this section, the department of education shall 56793
make payments to the community school according to the terms of 56794
the agreement for each student actually transported under division 56795
(C)(1) of this section. 56796

If a community school governing authority accepts 56797
transportation responsibility under division (B) of this section, 56798
the department shall make payments to the community school for 56799
each student actually transported or for whom transportation is 56800
arranged by the community school under division (C)(1) of this 56801

section, calculated as follows: 56802

(a) For any fiscal year which the general assembly has 56803
specified that transportation payments to school districts be 56804
based on an across-the-board percentage of the district's payment 56805
for the previous school year, the per pupil payment to the 56806
community school shall be the following quotient: 56807

(i) The total amount calculated for the school district in 56808
which the child is entitled to attend school for student 56809
transportation other than transportation of children with 56810
disabilities; divided by 56811

(ii) The number of students included in the district's 56812
transportation ADM for the current fiscal year, as reported under 56813
division (B)~~(13)~~(19) of section 3317.03 of the Revised Code, plus 56814
the number of students enrolled in the community school not 56815
counted in the district's transportation ADM who are transported 56816
under division (B)(1) or (2) of this section. 56817

(b) For any fiscal year which the general assembly has 56818
specified that the transportation payments to school districts be 56819
calculated in accordance with section 3317.0212 of the Revised 56820
Code and any rules of the state board of education implementing 56821
that section, the payment to the community school shall be the 56822
amount so calculated that otherwise would be paid to the school 56823
district in which the student is entitled to attend school by the 56824
method of transportation the district would have used. The 56825
community school, however, is not required to use the same method 56826
to transport that student. 56827

(c) Divisions (D)(1)(a) and (b) of this section do not apply 56828
to fiscal years 2012 and 2013. Rather, for each of those fiscal 56829
years, the per pupil payment to a community school for 56830
transporting a student shall be the total amount paid under former 56831
section 3306.12 of the Revised Code for fiscal year 2011 to the 56832

school district in which the child is entitled to attend school 56833
divided by that district's "qualifying ridership," as defined in 56834
that section for fiscal year 2011. 56835

As used in this division "entitled to attend school" means 56836
entitled to attend school under section 3313.64 or 3313.65 of the 56837
Revised Code. 56838

(2) The department shall deduct the payment under division 56839
(D)(1) of this section from the state education aid, as defined in 56840
section 3314.08 of the Revised Code, and, if necessary, the 56841
payment under sections 321.14 and 323.156 of the Revised Code, 56842
that is otherwise paid to the school district in which the student 56843
enrolled in the community school is entitled to attend school. The 56844
department shall include the number of the district's native 56845
students for whom payment is made to a community school under 56846
division (D)(1) of this section in the calculation of the 56847
district's transportation payment under section 3317.0212 of the 56848
Revised Code and the operating appropriations act. 56849

(3) A community school shall be paid under division (D)(1) of 56850
this section only for students who are eligible as specified in 56851
section 3327.01 of the Revised Code and division (C)(1) of this 56852
section, and whose transportation to and from school is actually 56853
provided, who actually utilized transportation arranged, or for 56854
whom a payment in lieu of transportation is made by the community 56855
school's governing authority. To qualify for the payments, the 56856
community school shall report to the department, in the form and 56857
manner required by the department, data on the number of students 56858
transported or whose transportation is arranged, the number of 56859
miles traveled, cost to transport, and any other information 56860
requested by the department. 56861

(4) A community school shall use payments received under this 56862
section solely to pay the costs of providing or arranging for the 56863
transportation of students who are eligible as specified in 56864

section 3327.01 of the Revised Code and division (C)(1) of this 56865
section, which may include payments to a parent, guardian, or 56866
other person in charge of a child in lieu of transportation. 56867

(E) Except when arranged through payment to a parent, 56868
guardian, or person in charge of a child, transportation provided 56869
or arranged for by a community school pursuant to an agreement 56870
under this section is subject to all provisions of the Revised 56871
Code, and all rules adopted under the Revised Code, pertaining to 56872
the construction, design, equipment, and operation of school buses 56873
and other vehicles transporting students to and from school. The 56874
drivers and mechanics of the vehicles are subject to all 56875
provisions of the Revised Code, and all rules adopted under the 56876
Revised Code, pertaining to drivers and mechanics of such 56877
vehicles. The community school also shall comply with sections 56878
3313.201, 3327.09, and 3327.10 of the Revised Code, division (B) 56879
of section 3327.16 of the Revised Code and, subject to division 56880
(C)(1) of this section, sections 3327.01 and 3327.02 of the 56881
Revised Code, as if it were a school district. 56882

Sec. 3314.092. The governing authority or operator of a 56883
community school established under this chapter shall consult with 56884
each school district board of education that transports students 56885

section. The plan shall specify the level of fiscal and management 57393
control that the commission will exercise within the school 57394
district during the period of fiscal emergency, and shall 57395
enumerate respectively, the powers and duties of the commission 57396
and the powers and duties of the school board during that period. 57397

issued pursuant to section 133.301 of the Revised Code shall 57415
include assurances that such debt shall be in an amount not to 57416
exceed the amount certified under division (B) of such section. If 57417
the commission considers it necessary in order to maintain or 57418
improve educational opportunities of pupils in the school 57419

district, the plan may include a proposal to restructure or 57420
refinance outstanding debt obligations incurred by the board under 57421
section 3313.483 of the Revised Code contingent upon the approval, 57422
during the period of the fiscal emergency, by district voters of a 57423
tax levied under section 718.09, 718.10, 5705.194, 5705.21, 57424

original period for repayment, not to exceed ten years, and may 57433
alter the frequency and amount of repayments, interest or other 57434
financing charges, and other terms of agreements under which the 57435
debt originally was contracted, at the discretion of the 57436
commission, provided that any loans received pursuant to section 57437
3313.483 of the Revised Code shall be paid from funds the district 57438
would otherwise receive under Chapter 3317. of the Revised Code, 57439
as required under division (E)(3) of section 3313.483 of the 57440
Revised Code. The securities issued for the purpose of 57441
restructuring or refinancing the debt shall be repaid in equal 57442
payments and at equal intervals over the term of the debt and are 57443
not eligible to be included in any subsequent proposal for the 57444
purpose of restructuring or refinancing debt under this section. 57445

instruction for approval immediately following its adoption or 57456

either approve or disapprove it within thirty calendar days from 57458
the date of its submission. If the plan is disapproved, the state 57459
superintendent shall recommend modifications that will render it 57460
acceptable. No financial planning and supervision commission shall 57461
implement a financial recovery plan that is adopted or updated on 57462
or after April 10, 2001, unless the state superintendent has 57463
approved it. 57464

Sec. 3317.01. As used in this section, "school district," 57465
unless otherwise specified, means any city, local, exempted 57466

calculate the amounts payable to each school district and shall 57471
certify the amounts payable to each eligible district to the 57472

The moneys appropriated for each fiscal year shall be distributed periodically to each school district unless otherwise provided for. The state board, in June of each year, shall submit to the controlling board the state board's year-end distributions pursuant to this chapter. 57488
57489
57490
57491

57494
57495

Except as otherwise provided, payments under this chapter shall be made only to those school districts in which: 57496
57497

(A) The school district, except for any educational service center and any joint vocational or cooperative education school district, levies for current operating expenses at least twenty mills. Levies for joint vocational or cooperative education school districts or county school financing districts, limited to or to the extent apportioned to current expenses, shall be included in this qualification requirement. 57502
57503
57504
57505
57506
57507
57508
57509

(B) The school year next preceding the fiscal year for which such payments are authorized meets the requirement of section 3313.48 or 3313.481 of the Revised Code, with regard to the minimum number of days or hours school must be open for 57510
57511
57512
57513

instruction with pupils in attendance, for individualized 57514
parent-teacher conference and reporting periods, and for 57515
professional meetings of teachers. This requirement shall be 57516
waived by the superintendent of public instruction if it had been 57517
necessary for a school to be closed because of disease epidemic, 57518
hazardous weather conditions, law enforcement emergencies, 57519
inoperability of school buses or other equipment necessary to the 57520
school's operation, damage to a school building, or other 57521
temporary circumstances due to utility failure rendering the 57522
school building unfit for school use, provided that for those 57523
school districts operating pursuant to section 3313.48 of the 57524
Revised Code the number of days the school was actually open for 57525

operating on a pentamester plan the number of days the school was 57535
actually open for instruction with pupils in attendance not less 57536
than forty-four days in any pentamester. 57537

A school district shall not be considered to have failed to 57538
comply with this division or section 3313.481 of the Revised Code 57539
because schools were open for instruction but either twelfth grade 57540
students were excused from attendance for up to three days or only 57541
a portion of the kindergarten students were in attendance for up 57542
to three days in order to allow for the gradual orientation to 57543
school of such students. 57544

The superintendent of public instruction shall waive the 57545

requirements of this section with reference to the minimum number 57546
of days or hours school must be in session with pupils in 57547
attendance for the school year succeeding the school year in which 57548
a board of education initiates a plan of operation pursuant to 57549
section 3313.481 of the Revised Code. The minimum requirements of 57550
this section shall again be applicable to such a district 57551
beginning with the school year commencing the second July 57552
succeeding the initiation of one such plan, and for each school 57553

A school district shall not be considered to have failed to 57555
comply with this division or section 3313.48 or 3313.481 of the 57556
Revised Code because schools were open for instruction but the 57557
length of the regularly scheduled school day, for any number of 57558
days during the school year, was reduced by not more than two 57559
hours due to hazardous weather conditions. 57560

A board of education or governing board of an educational 57561
service center which has not conformed with other law and the 57562
rules pursuant thereto, shall not participate in the distribution 57563
of funds authorized by this chapter, except for good and 57564
sufficient reason established to the satisfaction of the state 57565
board of education and the state controlling board. 57566

All funds allocated to school districts under this chapter, 57567
except those specifically allocated for other purposes, shall be 57568
used to pay current operating expenses only. 57569

school bus service for the remaining districts in the previous 58549
fiscal year by the aggregate miles driven for school bus service 58550
in those districts in the previous fiscal year. 58551

(E) The department shall calculate each city, local, and 58552

qualifying ridership for the current fiscal year) X 0.1 X
transportation base payment~~ 58566
58567
58568
58569

(G) ~~If a city, local, or exempted village school district
offers school bus service to all resident students who are
enrolled in regular education in district schools in grades nine
to twelve and who live more than one mile from the school they
attend, the department shall calculate the district's high school
ridership adjustment according to the following formula:~~ 58570

(H) ~~If a city, local, or exempted village school district
offers school bus service to students enrolled in grades
kindergarten to eight who live more than one mile, but two miles
or less, from the school they attend, the department shall

most recently available data in establishing the target number.
The target number shall be based on the statewide median number of
qualifying riders per assigned bus as adjusted to reflect the
district's rider density in comparison to the rider density of all
other districts. The department shall post on the department's web
site each district's target number of qualifying riders per
assigned bus and a description of how the target number was
determined.~~ 58584
58585

58593
58594

(2) ~~The department shall determine each school district's~~ 58595

~~efficiency index by dividing the district's median number of 58596
qualifying riders per assigned bus by its target number of 58597
qualifying riders per assigned bus. 58598~~

~~(3) The department shall determine each city, local, and 58599
exempted village school district's efficiency adjustment as 58600
follows: 58601~~

prior fiscal year. 58617~~

~~(K) In addition to funds paid under division (J)(E) of this 58618
section, each city, local, and exempted village district shall 58619
receive in accordance with rules adopted by the state board of 58620
education a payment for students transported by means other than 58621
school bus service and whose transportation is not funded under 58622
division (C) of section 3317.024 of the Revised Code. The rules 58623
shall include provisions for school district reporting of such 58624
students. 58625~~

(G)(1) In fiscal years 2014 and 2015, the department shall 58626

under division (E) of this section and described in division (F) 58628
of this section, based on state appropriations. 58629

(2) In addition to the prorated payment under division (G)(1) 58630
of this section, in fiscal years 2014 and 2015, the department 58631
shall pay each school district that meets the conditions 58632
prescribed in division (G)(3) of this section an additional amount 58633
equal to the difference of (a) the amounts calculated under 58634
division (E) of this section and prescribed in division (F) of 58635
this section minus (b) that prorated payment. 58636

(3) Division (G)(2) of this section applies to each school 58637
district that meets all of the following conditions: 58638

(a) The district qualifies for the calculation of a payment 58639
under division (E) of this section because it transports students 58640

to 0.50. 58643

(c) The district's rider density is at or below the median 58644
rider density of all districts that qualify for calculation of a 58645
payment under division (E) of this section. 58646

(H) Each city, local, and exempted village school district 58647
shall report all data used to calculate funding for transportation 58648
under this section through the education management information 58649
system pursuant to section 3301.0714 of the Revised Code. 58650

Sec. 3317.0213. (A) The department of education shall compute 58651
and pay in accordance with this section additional state aid for 58652
preschool special education children to each city, local, and 58653
exempted village school district and to each institution, as 58654
defined in section 3323.091 of the Revised Code. Funding shall be 58655

provided for children who are not enrolled in kindergarten and who 58656
are under age six on the thirtieth day of September of the 58657
academic year, or on the first day of August of the academic year 58658
if the school district in which the child is enrolled has adopted 58659
a resolution under division (A)(3) of section 3321.01 of the 58660
Revised Code, but not less than age three on the first day of 58661
December of the academic year. 58662

The additional state aid shall be calculated under the 58663
following formula: 58664

(\$4,000 X the number of preschool special education children) 58665
+ the sum of the following: 58666

(1) The district's or institution's category one special 58667
education preschool students X the amount specified in division 58668

share index X 0.50; 58670

(2) The district's or institution's category two special 58671
education preschool students X the amount specified in division 58672
(B) of section 3317.013 of the Revised Code X the district's state 58673
share index X 0.50; 58674

(3) The district's or institution's category three special 58675

share index X 0.50; 58678

(4) The district's or institution's category four special 58679
education preschool students X the amount specified in division 58680
(D) of section 3317.013 of the Revised Code X the district's state 58681
share index X 0.50; 58682

(5) The district's or institution's category five special 58683
education preschool students X the amount specified in division 58684
(E) of section 3317.013 of the Revised Code X the district's state 58685

share index X 0.50; 58686

(6) The district's or institution's category six special 58687
education preschool students X the amount specified in division 58688
(F) of section 3317.013 of the Revised Code X the district's state 58689
share index X 0.50. 58690

The special education disability categories for preschool 58691
children used in this section are the same categories prescribed 58692
in section 3317.013 of the Revised Code. 58693

As used in division (A) of this section, the state share 58694
index of a student enrolled in an institution is the state share 58695
index of the school district in which the student is entitled to 58696
attend school under section 3313.64 or 3313.65 of the Revised 58697
Code. 58698

(B) If an educational service center is providing services to 58699
preschool special education students under agreement with the 58700
city, local, or exempted village school district in which the 58701
students are entitled to attend school, that district may 58702
authorize the department to transfer funds computed under this 58703
section to the service center providing those services. 58704

(C) If a county DD board is providing services to preschool 58705
special education students under agreement with the city, local, 58706
or exempted village school district in which the students are 58707
entitled to attend school, the department shall deduct from the 58708
district's payment computed under division (A) of this section the 58709
total amount of those funds that are attributable to the students 58710
served by the county DD board and pay that amount to that board. 58711

Sec. 3317.0214. (A) The department shall compute and pay in 58712
accordance with this section additional state aid to school 58713
districts for students in categories two through six special 58714
education ADM. If a district's costs for the fiscal year for a 58715

student in its categories two through six special education ADM 58716
exceed the threshold catastrophic cost for serving the student, 58717
the district may submit to the superintendent of public 58718
instruction documentation, as prescribed by the superintendent, of 58719
all its costs for that student. Upon submission of documentation 58720
for a student of the type and in the manner prescribed, the 58721
department shall pay to the district an amount equal to the sum of 58722
the following: 58723

(1) One-half of the district's costs for the student in 58724
excess of the threshold catastrophic cost; 58725

(2) The product of one-half of the district's costs for the 58726
student in excess of the threshold catastrophic cost multiplied by 58727
the district's state share index. 58728

(B) For purposes of division (A) of this section, the 58729
threshold catastrophic cost for serving a student equals: 58730

(1) For a student in the school district's category two, 58731
three, four, or five special education ADM, twenty-seven thousand 58732
three hundred seventy-five dollars; 58733

(2) For a student in the district's category six special 58734
education ADM, thirty-two thousand eight hundred fifty dollars. 58735

(C) The district shall report under division (A) of this 58736
section, and the department shall pay for, only the costs of 58737
educational expenses and the related services provided to the 58738
student in accordance with the student's individualized education 58739
program. Any legal fees, court costs, or other costs associated 58740
with any cause of action relating to the student may not be 58741
included in the amount. 58742

Sec. 3317.0217. Payment of the amount calculated for a school 58743
district under this section shall be made under division (A) of 58744
section 3317.022 of the Revised Code. 58745

(A) The department of education shall annually compute 58746
targeted assistance funds to school districts, as follows: 58747

(1) Calculate the local wealth per pupil of each school 58748
district, which equals the following sum: 58749

(a) One-half times the quotient of (i) the district's 58750
three-year average valuation divided by (ii) its formula ADM; plus 58751

(b) One-half times the quotient of (i) the average of the 58752
total federal adjusted gross income of the school district's 58753
residents for the three years most recently reported under section 58754
3317.021 of the Revised Code divided by (ii) its formula ADM. 58755

(2) Rank all school districts in order of local wealth per 58756
pupil, from the district with the lowest local wealth per pupil to 58757
the district with the highest local wealth per pupil. 58758

(3) Compute the statewide wealth per pupil, which equals the 58759
following sum: 58760

(a) One-half times the quotient of (i) the sum of the 58761
three-year average valuations for all school districts divided by 58762
(ii) the sum of formula ADM counts for all schools districts; plus 58763

(b) One-half times the quotient of (i) the sum of the 58764
three-year average total federal adjusted gross incomes for all 58765
school districts divided by (ii) the sum of formula ADM counts for 58766
all school districts. 58767

(4) Compute each district's wealth index by dividing the 58768
statewide wealth per pupil by the district's local wealth per 58769
pupil. 58770

(5) Compute the per pupil targeted assistance for each 58771
eligible school district in accordance with the following formula: 58772

(Threshold local wealth per pupil - the district's local wealth 58773
per pupil) 58774

X target millage X the district's wealth index 58775

Where: 58776

(a) An "eligible school district" means a school district with a local wealth per pupil less than that of the school district with the 490th lowest local wealth per pupil. 58777
58778
58779

(b) "Threshold local wealth per pupil" means the local wealth per pupil of the school district with the 490th lowest local wealth per pupil. 58780
58781
58782

(c) "Target millage" means 0.006. 58783

If the result of the calculation for a school district under division (A)(5) of this section is less than zero, the district's targeted assistance shall be zero. 58784
58785
58786

(6) Calculate the aggregate amount to be paid as targeted assistance funds to each school district under division (A) of section 3317.022 of the Revised Code by multiplying the per pupil targeted assistance computed under division (A)(5) of this section by the district's net formula ADM. 58787
58788
58789
58790
58791

As used in this division, a district's "net formula ADM" means its formula ADM minus the number of community school students reported under division (B)(3)(d) of section 3317.03 of the Revised Code X 0.75, the number of internet- and computer-based community school students reported under division (B)(3)(e) of that section, and the number of scholarship students reported under divisions (B)(3)(f), (g), and (l) of that section. 58792
58793
58794
58795
58796
58797
58798

(B) The department shall annually compute supplemental targeted assistance funds to school districts, as follows: 58799
58800

(1) Compute each district's agricultural percentage as the quotient of (a) the three-year average tax valuation of real property in the district that is classified as agricultural property divided by (b) the three-year average tax valuation of all of the real property in the district. For purposes of this 58801
58802
58803
58804
58805

computation, a district's "three-year average tax valuation" means 58806
the average of a district's tax valuation for fiscal years 2012, 58807
2013, and 2014. 58808

(2) Determine each district's agricultural targeted 58809
percentage as follows: 58810

(a) If a district's agricultural percentage is greater than 58811
or equal to 0.10, then the district's agricultural targeted 58812
percentage shall be equal to 0.40. 58813

(b) If a district's agricultural percentage is less than 58814
0.10, then the district's agricultural targeted percentage shall 58815
be equal to 4 X the district's agricultural percentage. 58816

(3) Calculate the aggregate amount to be paid as supplemental 58817
targeted assistance funds to each school district under division 58818
(A) of section 3317.022 of the Revised Code by multiplying the 58819
district's agricultural targeted percentage by the amount 58820
calculated for the district under division (A)(6) of this section. 58821

Sec. 3317.03. (A) The superintendent of each city, local, and 58822
exempted village school district ~~and of each educational service~~ 58823
~~center shall, for the schools under the superintendent's~~ 58824
~~supervision,~~ certify to the state board of education on or before 58825
the fifteenth day of October in each year for the first full 58826
school week in October the average daily membership of students 58827
receiving services from schools under the superintendent's 58828
supervision, and the numbers of other students entitled to attend 58829
school in the district under section 3313.64 or 3313.65 of the 58830
Revised Code the superintendent is required to report under this 58831
section, so that the department of education can calculate the 58832
district's formula ADM. If a school under the superintendent's 58833
supervision is closed for one or more days during that week due to 58834
hazardous weather conditions or other circumstances described in 58835
the first paragraph of division (B) of section 3317.01 of the 58836

Revised Code, the superintendent may apply to the superintendent 58837
of public instruction for a waiver, under which the superintendent 58838
of public instruction may exempt the district superintendent from 58839
certifying the average daily membership for that school for that 58840
week and specify an alternate week for certifying the average 58841
daily membership of that school. 58842

The average daily membership during such week shall consist 58843
of the sum of the following: 58844

(1) On an FTE basis, the number of students in grades 58845
kindergarten through twelve receiving any educational services 58846
from the district, except that the following categories of 58847
students shall not be included in the determination: 58848

(a) Students enrolled in adult education classes; 58849

(b) Adjacent or other district students enrolled in the 58850
district under an open enrollment policy pursuant to section 58851
3313.98 of the Revised Code; 58852

(c) Students receiving services in the district pursuant to a 58853

The superintendent of each joint vocational school district	59302

shall also indicate the city, local, or exempted village school 59303
district in which each joint vocational district pupil is entitled 59304
to attend school pursuant to section 3313.64 or 3313.65 of the 59305

(E) In each school of each city, local, exempted village, 59307

shall be maintained a record of school membership, which record 59309
shall accurately show, for each day the school is in session, the 59310
actual membership enrolled in regular day classes. For the purpose 59311
of determining average daily membership, the membership figure of 59312
any school shall not include any pupils except those pupils 59313

excused pursuant to division (C)(1) or (3) of that section; 59329

(4) Any pupil who has attained the age of twenty-two years, 59330
except for veterans of the armed services whose attendance was 59331

the public schools by reason of induction or enlistment in the 59333

armed forces and who apply for reenrollment in the public school 59334

If, however, any veteran described by division (E)(4) of this 59337
section elects to enroll in special courses organized for veterans 59338
for whom tuition is paid under the provisions of federal laws, or 59339
otherwise, that veteran shall not be included in average daily 59340
membership. 59341

Notwithstanding division (E)(3) of this section, the 59342
membership of any school may include a pupil who did not take an 59343
assessment required by section 3301.0711 of the Revised Code if 59344
the superintendent of public instruction grants a waiver from the 59345
requirement to take the assessment to the specific pupil and a 59346
parent is not paying tuition for the pupil pursuant to section 59347

determined by dividing the figure representing the sum of the 59354
number of pupils enrolled during each day the school of attendance 59355
is actually open for instruction during the week for which the 59356
average daily membership is being certified by the total number of 59357
days the school was actually open for instruction during that 59358
week. For purposes of state funding, "enrolled" persons are only 59359
those pupils who are attending school, those who have attended 59360
school during the current school year and are absent for 59361
authorized reasons, and those children with disabilities currently 59362

Such certification shall be submitted no later than the fifteenth day of February. 61000
61001
61002
61003

as a condition of project approval under either section 3318.03 or 61004
division (B)(1) of section 3318.41 of the Revised Code such 61005
changes in the design plans as the commission believes will 61006
advance or improve student and staff safety and health in the 61007
proposed classroom facility. 61008

To carry out its duties under this division, the commission 61009
shall review and, if necessary, amend any construction and design 61010
standards used in its project approval process, including 61011
standards for location and number of exits, standards for lead 61012
safety in classroom facilities constructed before 1978 in which 61013
services are provided to children under six years of age, and 61014
location of restrooms, with a focus on advancing student and staff 61015
safety and health. 61016

(B) When reviewing design standards for classroom facility 61017
construction projects proposed under this chapter, the commission 61018
shall also consider the extent to which the design standards 61019
support the following: 61020

(1) ~~Support and facilitation of smaller classes and the trend~~ 61021
~~toward smaller schools~~ Trends in educational delivery methods, 61022
including digital access and blended learning; 61023

(2) Provision of sufficient space for training new teachers 61024
and promotion of collaboration among teaching candidates, 61025

collaboration; 61028

(4) Provision of adequate space for parent involvement 61029
activities; 61030

(5) Provision of sufficient space for innovative partnerships 61031
between schools and health and social service agencies. 61032

Sec. 3318.08. Except in the case of a joint vocational school 61033

district that receives assistance under sections 3318.40 to 61034
3318.45 of the Revised Code, if the requisite favorable vote on 61035
the election is obtained, or if the school district board has 61036
resolved to apply the proceeds of a property tax levy or the 61037
proceeds of an income tax, or a combination of proceeds from such 61038
taxes, as authorized in section 3318.052 of the Revised Code, the 61039
Ohio school facilities commission, upon certification to it of 61040
either the results of the election or the resolution under section 61041
3318.052 of the Revised Code, shall enter into a written agreement 61042
with the school district board for the construction and sale of 61043
the project. In the case of a joint vocational school district 61044
that receives assistance under sections 3318.40 to 3318.45 of the 61045
Revised Code, if the school district board of education and the 61046
school district electors have satisfied the conditions prescribed 61047
in division (D)(1) of section 3318.41 of the Revised Code, the 61048
commission shall enter into an agreement with the school district 61049
board for the construction and sale of the project. In either 61050
case, the agreement shall include, but need not be limited to, the 61051
following provisions: 61052

(A) The sale and issuance of bonds or notes in anticipation 61053
thereof, as soon as practicable after the execution of the 61054
agreement, in an amount equal to the school district's portion of 61055
the basic project cost, including any securities authorized under 61056
division (J) of section 133.06 of the Revised Code and dedicated 61057
by the school district board to payment of the district's portion 61058
of the basic project cost of the project; provided, that if at 61059
that time the county treasurer of each county in which the school 61060
district is located has not commenced the collection of taxes on 61061
the general duplicate of real and public utility property for the 61062
year in which the controlling board approved the project, the 61063
school district board shall authorize the issuance of a first 61064
installment of bond anticipation notes in an amount specified by 61065
the agreement, which amount shall not exceed an amount necessary 61066

to raise the net bonded indebtedness of the school district as of 61067
the date of the controlling board's approval to within five 61068
thousand dollars of the required level of indebtedness for the 61069
preceding year. In the event that a first installment of bond 61070
anticipation notes is issued, the school district board shall, as 61071
soon as practicable after the county treasurer of each county in 61072
which the school district is located has commenced the collection 61073
of taxes on the general duplicate of real and public utility 61074
property for the year in which the controlling board approved the 61075
project, authorize the issuance of a second and final installment 61076
of bond anticipation notes or a first and final issue of bonds. 61077

The combined value of the first and second installment of 61078
bond anticipation notes or the value of the first and final issue 61079
of bonds shall be equal to the school district's portion of the 61080
basic project cost. The proceeds of any such bonds shall be used 61081
first to retire any bond anticipation notes. Otherwise, the 61082
proceeds of such bonds and of any bond anticipation notes, except 61083
the premium and accrued interest thereon, shall be deposited in 61084
the school district's project construction fund. In determining 61085
the amount of net bonded indebtedness for the purpose of fixing 61086
the amount of an issue of either bonds or bond anticipation notes, 61087
gross indebtedness shall be reduced by moneys in the bond 61088
retirement fund only to the extent of the moneys therein on the 61089
first day of the year preceding the year in which the controlling 61090
board approved the project. Should there be a decrease in the tax 61091
valuation of the school district so that the amount of 61092
indebtedness that can be incurred on the tax duplicates for the 61093
year in which the controlling board approved the project is less 61094
than the amount of the first installment of bond anticipation 61095
notes, there shall be paid from the school district's project 61096
construction fund to the school district's bond retirement fund to 61097
be applied against such notes an amount sufficient to cause the 61098
net bonded indebtedness of the school district, as of the first 61099

day of the year following the year in which the controlling board 61100
approved the project, to be within five thousand dollars of the 61101
required level of indebtedness for the year in which the 61102
controlling board approved the project. The maximum amount of 61103
indebtedness to be incurred by any school district board as its 61104
share of the cost of the project is either an amount that will 61105
cause its net bonded indebtedness, as of the first day of the year 61106
following the year in which the controlling board approved the 61107
project, to be within five thousand dollars of the required level 61108
of indebtedness, or an amount equal to the required percentage of 61109
the basic project costs, whichever is greater. All bonds and bond 61110
anticipation notes shall be issued in accordance with Chapter 133. 61111
of the Revised Code, and notes may be renewed as provided in 61112
section 133.22 of the Revised Code. 61113

(B) The transfer of such funds of the school district board 61114
available for the project, together with the proceeds of the sale 61115
of the bonds or notes, except premium, accrued interest, and 61116
interest included in the amount of the issue, to the school 61117
district's project construction fund; 61118

(C) For all school districts except joint vocational school 61119
districts that receive assistance under sections 3318.40 to 61120
3318.45 of the Revised Code, the following provisions as 61121
applicable: 61122

section 5705.218 of the Revised Code for the purpose of permanent 61126
improvements, or the proceeds of a school district income tax 61127
levied under Chapter 5748. of the Revised Code, or the proceeds 61128
from a combination of those two taxes, in an amount to pay all or 61129
part of the service charges on bonds issued to pay the school 61130

part of the tax required under division (B) of section 3318.05 of the Revised Code; 61132
61133

(2) If section 3318.052 of the Revised Code does not apply, 61134
one of the following: 61135

(B) of section 3318.05 of the Revised Code, the commission has 61146
approved the transfer of money to the maintenance fund in 61147
accordance with section 3318.051 of the Revised Code, a 61148
requirement that the district board comply with the provisions of 61149
that section. The district board may rescind the provision 61150
prescribed under division (C)(2)(c) of this section only so long 61151
as the electors of the district have approved, in accordance with 61152
section 3318.063 of the Revised Code, the levy of a tax for the 61153
maintenance of the classroom facilities acquired under the 61154
district's project and that levy continues to be collected as 61155
approved by the electors. 61156

(D) For joint vocational school districts that receive 61157
assistance under sections 3318.40 to 3318.45 of the Revised Code, 61158

(E) Dedication of any local donated contribution as provided 61162

for under section 3318.084 of the Revised Code, including a 61163
schedule for depositing such moneys applied as an offset of the 61164
district's obligation to levy the tax described in division (B) of 61165
section 3318.05 of the Revised Code as required under division 61166
(D)(2) of section 3318.084 of the Revised Code; 61167

(F) Ownership of or interest in the project during the period 61168

the school district board in proportion to their respective 61170
contributions to the school district's project construction fund; 61171

(G) Maintenance of the state's interest in the project until 61172
any obligations issued for the project under section 3318.26 of 61173
the Revised Code are no longer outstanding; 61174

(H) The insurance of the project by the school district from 61175
the time there is an insurable interest therein and so long as the 61176
state retains any ownership or interest in the project pursuant to 61177
division (F) of this section, in such amounts and against such 61178
risks as the commission shall require; provided, that the cost of 61179
any required insurance until the project is completed shall be a 61180
part of the basic project cost; 61181

(I) The certification by the director of budget and 61182
management that funds are available and have been set aside to 61183
meet the state's share of the basic project cost as approved by 61184
the controlling board pursuant to either section 3318.04 or 61185
division (B)(1) of section 3318.41 of the Revised Code; 61186

(K) Provisions for the disbursement of moneys from the school 61191

to pay for its share of the project cost or to comply with 61230
applicable temporary investment periods or spending exceptions to 61231
rebate as provided for under federal law in regard to those notes 61232
or bonds, the school district may commit to spend, or spend, a 61233
greater portion of the funds it provides during any specific 61234
period than would otherwise be required under this division. 61235

(S) A provision stipulating that the commission may prohibit 61236

determination of whether a site is appropriate for construction 61240

(T) A provision stipulating that, unless otherwise authorized 61242

comply with rulings regarding building and other codes, to pay 61246
costs related to design clarifications or corrections to contract 61247
documents, and to pay the costs of settlements or judgments 61248

facilities maintenance plan approved by the commission. 61265

with section 109.07 of the Revised Code. 61315

Sec. 3318.36. (A)(1) As used in this section: 61316

(a) "Ohio school facilities commission," "classroom 61317

facilities," "school district," "school district board," "net 61318
bonded indebtedness," "required percentage of the basic project 61319
costs," "basic project cost," "valuation," and "percentile" have 61320
the same meanings as in section 3318.01 of the Revised Code. 61321

(b) "Required level of indebtedness" means five per cent of 61322
the school district's valuation for the year preceding the year in 61323
which the commission and school district enter into an agreement 61324
under division (B) of this section, plus [two one-hundredths of 61325
one per cent multiplied by (the percentile in which the district 61326
ranks minus one)]. 61327

(c) "Local resources" means any moneys generated in any 61328
manner permitted for a school district board to raise the school 61329
district portion of a project undertaken with assistance under 61330
sections 3318.01 to 3318.20 of the Revised Code. 61331

(d) "Tangible personal property phase-out impacted district" 61332
means a school district for which the taxable value of its 61333
tangible personal property certified under division (A)(2) of 61334
section 3317.021 of the Revised Code for tax year 2005, excluding 61335
the taxable value of public utility personal property, made up 61336
eighteen per cent or more of its total taxable value for tax year 61337
2005 as certified under that section. 61338

(2) For purposes of determining the required level of 61339
indebtedness, the required percentage of the basic project costs 61340
under division (C)(1) of this section, and priority for assistance 61341
under sections 3318.01 to 3318.20 of the Revised Code, the 61342
percentile ranking of a school district with which the commission 61343
has entered into an agreement under this section between the first 61344
day of July and the thirty-first day of August in each fiscal year 61345
is the percentile ranking calculated for that district for the 61346
immediately preceding fiscal year, and the percentile ranking of a 61347
school district with which the commission has entered into such 61348
agreement between the first day of September and the thirtieth day 61349

of June in each fiscal year is the percentile ranking calculated 61350
for that district for the current fiscal year. However, in the 61351
case of a tangible personal property phase-out impacted district, 61352
the district's priority for assistance under sections 3318.01 to 61353
3318.20 of the Revised Code and its portion of the basic project 61354
cost under those sections shall be determined in the manner 61355
prescribed, respectively, in divisions (B)(3)(b) and (E)(1)(b) of 61356
this section. 61357

(B)(1) There is hereby established the school building 61358
assistance expedited local partnership program. Under the program, 61359
the Ohio school facilities commission may enter into an agreement 61360
with the board of any school district under which the board may 61361
proceed with the new construction or major repairs of a part of 61362
the district's classroom facilities needs, as determined under 61363
sections 3318.01 to 3318.20 of the Revised Code, through the 61364
expenditure of local resources prior to the school district's 61365
eligibility for state assistance under those sections, and may 61366
apply that expenditure toward meeting the school district's 61367
portion of the basic project cost of the total of the district's 61368
classroom facilities needs, as recalculated under division (E) of 61369
this section, when the district becomes eligible for state 61370
assistance under sections 3318.01 to 3318.20 or section 3318.364 61371
of the Revised Code. Any school district that is reasonably 61372
expected to receive assistance under sections 3318.01 to 3318.20 61373
of the Revised Code within two fiscal years from the date the 61374
school district adopts its resolution under division (B) of this 61375
section shall not be eligible to participate in the program 61376
established under this section. 61377

(2) To participate in the program, a school district board 61378
shall first adopt a resolution certifying to the commission the 61379
board's intent to participate in the program. 61380

The resolution shall specify the approximate date that the 61381

board intends to seek elector approval of any bond or tax measures 61382
or to apply other local resources to use to pay the cost of 61383
classroom facilities to be constructed under this section. The 61384
resolution may specify the application of local resources or 61385
elector-approved bond or tax measures after the resolution is 61386
adopted by the board, and in such case the board may proceed with 61387
a discrete portion of its project under this section as soon as 61388
the commission and the controlling board have approved the basic 61389
project cost of the district's classroom facilities needs as 61390
specified in division (D) of this section. The board shall submit 61391
its resolution to the commission not later than ten days after the 61392
date the resolution is adopted by the board. 61393

The commission shall not consider any resolution that is 61394
submitted pursuant to division (B)(2) of this section, as amended 61395
by this amendment, sooner than September 14, 2000. 61396

(3) For purposes of determining when a district that enters 61397
into an agreement under this section becomes eligible for 61398
assistance under sections 3318.01 to 3318.20 of the Revised Code 61399
or priority for assistance under section 3318.364 of the Revised 61400
Code, the commission shall use one of the following as applicable: 61401

(a) Except for a tangible personal property phase-out 61402
impacted district, the district's percentile ranking determined at 61403
the time the district entered into the agreement under this 61404
section, as prescribed by division (A)(2) of this section; 61405

(b) For a tangible personal property phase-out impacted 61406
district, the lesser of (i) the district's percentile ranking 61407
determined at the time the district entered into the agreement 61408
under this section, as prescribed by division (A)(2) of this 61409
section, or (ii) the district's current percentile ranking under 61410
section 3318.011 of the Revised Code. 61411

(4) Any project under this section shall comply with section 61412

3318.03 of the Revised Code and with any specifications for plans 61413
and materials for classroom facilities adopted by the commission 61414
under section 3318.04 of the Revised Code. 61415

(5) If a school district that enters into an agreement under 61416
this section has not begun a project applying local resources as 61417
provided for under that agreement at the time the district is 61418
notified by the commission that it is eligible to receive state 61419
assistance under sections 3318.01 to 3318.20 of the Revised Code, 61420
all assessment and agreement documents entered into under this 61421
section are void. 61422

(6) Only construction of or repairs to classroom facilities 61423
that have been approved by the commission and have been therefore 61424
included as part of a district's basic project cost qualify for 61425
application of local resources under this section. 61426

(C) Based on the results of on-site visits and assessment, 61427
the commission shall determine the basic project cost of the 61428
school district's classroom facilities needs. The commission shall 61429
determine the school district's portion of such basic project 61430
cost, which shall be the greater of: 61431

(1) The required percentage of the basic project costs, 61432
determined based on the school district's percentile ranking; 61433

(2) An amount necessary to raise the school district's net 61434
bonded indebtedness, as of the fiscal year the commission and the 61435
school district enter into the agreement under division (B) of 61436
this section, to within five thousand dollars of the required 61437
level of indebtedness. 61438

(D)(1) When the commission determines the basic project cost 61439
of the classroom facilities needs of a school district and the 61440
school district's portion of that basic project cost under 61441
division (C) of this section, the project shall be conditionally 61442
approved. Such conditional approval shall be submitted to the 61443

controlling board for approval thereof. The controlling board 61444
shall forthwith approve or reject the commission's determination, 61445
conditional approval, and the amount of the state's portion of the 61446
basic project cost; however, no state funds shall be encumbered 61447
under this section. Upon approval by the controlling board, the 61448
school district board may identify a discrete part of its 61449
classroom facilities needs, which shall include only new 61450
construction of or additions or major repairs to a particular 61451
building, to address with local resources. Upon identifying a part 61452
of the school district's basic project cost to address with local 61453
resources, the school district board may allocate any available 61454
school district moneys to pay the cost of that identified part, 61455
including the proceeds of an issuance of bonds if approved by the 61456
electors of the school district. 61457

All local resources utilized under this division shall first 61458
be deposited in the project construction account required under 61459
section 3318.08 of the Revised Code. 61460

(2) Unless the school district board exercises its option 61461
under division (D)(3) of this section, for a school district to 61462
qualify for participation in the program authorized under this 61463
section, one of the following conditions shall be satisfied: 61464

(a) The electors of the school district by a majority vote 61465
shall approve the levy of taxes outside the ten-mill limitation 61466
for a period of twenty-three years at the rate of not less than 61467
one-half mill for each dollar of valuation to be used to pay the 61468
cost of maintaining the classroom facilities included in the basic 61469
project cost as determined by the commission. The form of the 61470
ballot to be used to submit the question whether to approve the 61471
tax required under this division to the electors of the school 61472
district shall be the form for an additional levy of taxes 61473
prescribed in section 3318.361 of the Revised Code, which may be 61474
combined in a single ballot question with the questions prescribed 61475

under section 5705.218 of the Revised Code. 61476

(b) As authorized under division (C) of section 3318.05 of 61477
the Revised Code, the school district board shall earmark from the 61478
proceeds of a permanent improvement tax levied under section 61479
5705.21 of the Revised Code, an amount equivalent to the 61480
additional tax otherwise required under division (D)(2)(a) of this 61481
section for the maintenance of the classroom facilities included 61482
in the basic project cost as determined by the commission. 61483

(c) As authorized under section 3318.051 of the Revised Code, 61484
the school district board shall, if approved by the commission, 61485
annually transfer into the maintenance fund required under section 61486
3318.05 of the Revised Code the amount prescribed in section 61487
3318.051 of the Revised Code in lieu of the tax otherwise required 61488
under division (D)(2)(a) of this section for the maintenance of 61489
the classroom facilities included in the basic project cost as 61490
determined by the commission. 61491

(d) If the school district board has rescinded the agreement 61492
to make transfers under section 3318.051 of the Revised Code, as 61493
provided under division (F) of that section, the electors of the 61494
school district, in accordance with section 3318.063 of the 61495
Revised Code, first shall approve the levy of taxes outside the 61496
ten-mill limitation for the period specified in that section at a 61497
rate of not less than one-half mill for each dollar of valuation. 61498

(e) The school district board shall apply the proceeds of a 61499
tax to leverage bonds as authorized under section 3318.052 of the 61500
Revised Code or dedicate a local donated contribution in the 61501
manner described in division (B) of section 3318.084 of the 61502
Revised Code in an amount equivalent to the additional tax 61503
otherwise required under division (D)(2)(a) of this section for 61504
the maintenance of the classroom facilities included in the basic 61505
project cost as determined by the commission. 61506

(3) A school district board may opt to delay taking any of 61507
the actions described in division (D)(2) of this section until the 61508
school district becomes eligible for state assistance under 61509
sections 3318.01 to 3318.20 of the Revised Code. In order to 61510
exercise this option, the board shall certify to the commission a 61511
resolution indicating the board's intent to do so prior to 61512
entering into an agreement under division (B) of this section. 61513

(4) If pursuant to division (D)(3) of this section a district 61514
board opts to delay levying an additional tax until the district 61515
becomes eligible for state assistance, it shall submit the 61516
question of levying that tax to the district electors as follows: 61517

(a) In accordance with section 3318.06 of the Revised Code if 61518
it will also be necessary pursuant to division (E) of this section 61519
to submit a proposal for approval of a bond issue; 61520

(b) In accordance with section 3318.361 of the Revised Code 61521
if it is not necessary to also submit a proposal for approval of a 61522
bond issue pursuant to division (E) of this section. 61523

(5) No state assistance under sections 3318.01 to 3318.20 of 61524
the Revised Code shall be released until a school district board 61525
that adopts and certifies a resolution under division (D) of this 61526
section also demonstrates to the satisfaction of the commission 61527
compliance with the provisions of division (D)(2) of this section. 61528

Any amount required for maintenance under division (D)(2) of 61529
this section shall be deposited into a separate fund as specified 61530
in division (B) of section 3318.05 of the Revised Code. 61531

(E)(1) If the school district becomes eligible for state 61532
assistance under sections 3318.01 to 3318.20 of the Revised Code 61533
based on its percentile ranking under division (B)(3) of this 61534
section or is offered assistance under section 3318.364 of the 61535
Revised Code, the commission shall conduct a new assessment of the 61536
school district's classroom facilities needs and shall recalculate 61537

the basic project cost based on this new assessment. The basic 61538
project cost recalculated under this division shall include the 61539
amount of expenditures made by the school district board under 61540
division (D)(1) of this section. The commission shall then 61541
recalculate the school district's portion of the new basic project 61542
cost, which shall be one of the following as applicable: 61543

(a) Except for a tangible personal property phase-out 61544
impacted district, the percentage of the original basic project 61545
cost assigned to the school district as its portion under division 61546
(C) of this section; 61547

(b) For a tangible personal property phase-out impacted 61548
district, the lesser of (i) the percentage of the original basic 61549
project cost assigned to the school district as its portion under 61550
division (C) of this section, or (ii) the percentage of the new 61551
basic project cost determined under section 3318.032 of the 61552
Revised Code using the district's current percentile ranking under 61553
section 3318.011 of the Revised Code. The 61554

The commission shall deduct the expenditure of school 61555
district moneys made under division (D)(1) of this section from 61556
the school district's portion of the basic project cost as 61557
recalculated under this division. If the amount of school district 61558
resources applied by the school district board to the school 61559
district's portion of the basic project cost under this section is 61560
less than the total amount of such portion as recalculated under 61561
this division, the school district board by a majority vote of all 61562
of its members shall, if it desires to seek state assistance under 61563
sections 3318.01 to 3318.20 of the Revised Code, adopt a 61564
resolution as specified in section 3318.06 of the Revised Code to 61565
submit to the electors of the school district the question of 61566
approval of a bond issue in order to pay any additional amount of 61567
school district portion required for state assistance. Any tax 61568
levy approved under division (D) of this section satisfies the 61569

requirements to levy the additional tax under section 3318.06 of 61570
the Revised Code. 61571

(2) If the amount of school district resources applied by the 61572
school district board to the school district's portion of the 61573
basic project cost under this section is more than the total 61574
amount of such portion as recalculated under ~~this~~ division (E)(1) 61575
of this section, within one year after the school district's 61576
portion is so recalculated ~~under division (E)(1) of this section~~ 61577
the commission may grant to the school district the difference 61578
between the two calculated portions, but at no time shall the 61579
commission expend any state funds on a project in an amount 61580
greater than the state's portion of the basic project cost as 61581
recalculated under ~~this~~ division (E)(1) of this section. 61582

Any reimbursement under this division shall be only for local 61583
resources the school district has applied toward construction cost 61584
expenditures for the classroom facilities approved by the 61585
commission, which shall not include any financing costs associated 61586
with that construction. 61587

The school district board shall use any moneys reimbursed to 61588
the district under this division to pay off any debt service the 61589
district owes for classroom facilities constructed under its 61590
project under this section before such moneys are applied to any 61591
other purpose. However, the district board first may deposit 61592
moneys reimbursed under this division into the district's general 61593
fund or a permanent improvement fund to replace local resources 61594
the district withdrew from those funds, as long as, and to the 61595
extent that, those local resources were used by the district for 61596
constructing classroom facilities included in the district's basic 61597
project cost. 61598

(3) A tangible personal property phase-out impacted district 61599
shall receive credit under division (E) of this section for the 61600
expenditure of local resources pursuant to any prior agreement 61601

authorized by this section, notwithstanding any recalculation of 61602
its average taxable value. 61603

Sec. 3318.363. (A) This section applies beginning in fiscal 61604
year 2003 and only to a school district participating in the 61605
school building assistance expedited local partnership program 61606
under section 3318.36 of the Revised Code. 61607

(B) If there is a decrease in the tax valuation of a school 61608
district to which this section applies by ten per cent or greater 61609
from one tax year to the next due to a decrease in the assessment 61610
rate of the taxable property of an electric company that owns 61611
property in the district, as provided for in section 5727.111 of 61612
the Revised Code as amended by Am. Sub. S.B. 3 of the 123rd 61613
General Assembly, the Ohio school facilities commission shall 61614
calculate or recalculate the state and school district portions of 61615
the basic project cost of the school district's project by 61616
determining the percentile rank in which the district would be 61617
located if such ranking were made using the adjusted valuation per 61618
pupil calculated under division (C) of this section rather than 61619
the three-year average adjusted valuation per pupil, calculated 61620
under division (B) of section 3318.011 of the Revised Code. For 61621
such district, the required percentage of the basic project cost 61622
used to determine the state and school district shares of that 61623
cost under division (C) of section 3318.36 of the Revised Code 61624
shall be based on the percentile rank as calculated under this 61625
section rather than as otherwise provided in division (C)(1) of 61626
section 3318.36 of the Revised Code. If the commission has 61627
determined the state and school district portion of the basic 61628
project cost of such a district's project under section 3318.36 of 61629
the Revised Code prior to that decrease in tax valuation, the 61630
commission shall adjust the state and school district shares of 61631
the basic project cost of such project in accordance with this 61632
section. 61633

(C)(1) As used in divisions (C) and (D) of this section, 61634
"total taxable value," and "formula ADM," ~~and "income factor"~~ have 61635
the same meanings as in section 3317.02 of the Revised Code, and 61636
"income factor" has the same meaning as in section 3318.011 of the 61637
Revised Code. 61638

(2) The adjusted valuation per pupil for a school district to 61639
which this section applies shall be calculated using the following 61640
formula: 61641

(The district's total taxable value for the tax year 61642
preceding the calendar year in which the current fiscal year 61643
begins / the district's formula ADM for the previous fiscal year) 61644
- [\$30,000 x (1 - the district's income factor)]. 61645

(D) At the request of the Ohio school facilities commission, 61646
the department of education shall report a district's total 61647
taxable value for the tax year preceding the calendar year in 61648
which the current fiscal year begins for any district to which 61649
this section applies as that information has been certified to the 61650
department by the tax commissioner pursuant to section 3317.021 of 61651
the Revised Code. 61652

Sec. 3319.031. Notwithstanding any provision of the Revised 61653
Code to the contrary, if the board of education of a city, local, 61654
or exempted village school district does not appoint a business 61655
manager under section 3319.03 of the Revised Code, the board may 61656
assign powers and duties specified in section 3319.04 of the 61657
Revised Code to one or more employees or officers of the board, 61658
including the treasurer, and may give the employees or officers 61659
any title recognizing the assignment of the powers and duties. The 61660
prohibition, in section 3319.04 of the Revised Code, against a 61661
business manager having possession of moneys does not prevent a 61662
board from assigning powers and duties specified in that section 61663
to the treasurer and does not prevent a treasurer who is assigned 61664

those powers and duties from exercising the powers and duties of treasurer. If the board assigns the duties of a business manager under section 3319.04 of the Revised Code to the treasurer, the treasurer shall not have the authority to make recommendations to appoint or discharge noneducational employees, except as provided under section 3313.31 of the Revised Code. Instead, the district superintendent shall be responsible for making recommendations, subject to confirmation by the board, for the appointment or discharge of noneducational employees.

Sec. 3319.07. (A) The board of education of each city, exempted village, local, and joint vocational school district shall employ the teachers of the public schools of their respective districts.

The governing board of each educational service center may employ special instruction teachers, special education teachers, and teachers of academic courses in which there are too few students in each of the school districts entering into agreements pursuant to section 3313.843 of the Revised Code to warrant each district's employing teachers for those courses.

When any board makes appointments of teachers, the teachers in the employ of the board shall be considered before new teachers are chosen in their stead. In all school districts and in service centers, no teacher shall be employed unless such person is nominated by the superintendent of such district or center, or by another individual designated by the board in the event that the superintendent's nomination would be a violation of section 2921.42 of the Revised Code. Such board, by a three-fourths vote of its full membership, may re-employ any teacher whom the superintendent refuses to appoint.

(B) The board of education of any school district may

contract with the governing board of the educational service 61695
center from which it otherwise receives services to conduct 61696
searches and recruitment of candidates for teacher positions. 61697

Sec. 3319.073. (A) The board of education of each city and 61698
exempted village school district and the governing board of each 61699
educational service center shall adopt or adapt the curriculum 61700
developed by the department of education for, or shall develop in 61701
consultation with public or private agencies or persons involved 61702
in child abuse prevention or intervention programs, a program of 61703
in-service training in the prevention of child abuse, violence, 61704
and substance abuse and the promotion of positive youth 61705
development. Each person employed by any school district or 61706
service center to work in a school as a nurse, teacher, counselor, 61707
school psychologist, or administrator shall complete at least four 61708
hours of the in-service training within two years of commencing 61709
employment with the district or center, and every five years 61710
thereafter. A person who is employed by any school district or 61711
service center to work in an elementary school as a nurse, 61712
teacher, counselor, school psychologist, or administrator on March 61713
30, 2007, shall complete at least four hours of the in-service 61714
training not later than March 30, 2009, and every five years 61715
thereafter. A person who is employed by any school district or 61716
service center to work in a middle or high school as a nurse, 61717
teacher, counselor, school psychologist, or administrator on 61718
October 16, 2009, shall complete at least four hours of the 61719
in-service training not later than October 16, 2011, and every 61720
five years thereafter. 61721

(B) Each board shall incorporate training in school safety 61722
and violence prevention, including human trafficking content, into 61723
the in-service training required by division (A) of this section. 61724
For this purpose, the board shall adopt or adapt the curriculum 61725
developed by the department or shall develop its own curriculum in 61726

consultation with public or private agencies or persons involved 61727
in school safety and violence prevention programs. 61728

(C) Each board shall incorporate training on the board's 61729
harassment, intimidation, or bullying policy adopted under section 61730
3313.666 of the Revised Code into the in-service training required 61731
by division (A) of this section. Each board also shall incorporate 61732
training in the prevention of dating violence into the in-service 61733
training required by that division for middle and high school 61734
employees. The board shall develop its own curricula for these 61735
purposes. 61736

(D) Each board shall incorporate training in youth suicide 61737
awareness and prevention into the in-service training required by 61738
division (A) of this section for each person employed by a school 61739
district or service center to work in a school as a nurse, 61740
teacher, counselor, school psychologist, or administrator, and any 61741
other personnel that the board determines appropriate. For this 61742
purpose, the board shall adopt or adapt the curriculum developed 61743
by the department or shall develop its own curriculum in 61744
consultation with public or private agencies or persons involved 61745
in youth suicide awareness and prevention programs. 61746

The training completed under this division shall count toward 61747
the satisfaction of requirements for professional development 61748
required by the school district or service center board, and the 61749
training may be accomplished through self-review of suitable 61750
suicide prevention materials approved by the board. 61751

Sec. 3319.112. (A) Not later than December 31, 2011, the 61752
state board of education shall develop a standards-based state 61753
framework for the evaluation of teachers. The state board may 61754
update the framework periodically by adoption of a resolution. The 61755
framework shall establish an evaluation system that does the 61756
following: 61757

(1) Provides for multiple evaluation factors. One factor shall be student academic growth which shall account for fifty per cent of each evaluation. When applicable to the grade level or subject area taught by a teacher, the value-added progress dimension established under section 3302.021 of the Revised Code or an alternative student academic progress measure if adopted under division (C)(1)(e) of section 3302.03 of the Revised Code shall be used in the student academic growth portion of an evaluation in proportion to the part of a teacher's schedule of courses or subjects for which the value-added progress dimension is applicable.

If a teacher's schedule is comprised only of courses or subjects for which the value-added progress dimension is applicable, one of the following applies:

(a) Beginning with ~~the effective date of this amendment~~ March 22, 2013, until June 30, 2014, the majority of the student academic growth factor of the evaluation shall be based on the value-added progress dimension.

(b) On or after July 1, 2014, the entire student academic growth factor of the evaluation shall be based on the value-added progress dimension. In calculating student academic growth for an evaluation, a student shall not be included if the student has ~~sixty~~ forty-five or more excused or unexcused absences ~~for the school~~ during the full academic year.

(2) Is aligned with the standards for teachers adopted under section 3319.61 of the Revised Code;

(3) Requires observation of the teacher being evaluated, including at least two formal observations by the evaluator of at least thirty minutes each and classroom walkthroughs;

(4) Assigns a rating on each evaluation in accordance with division (B) of this section;

(5) Requires each teacher to be provided with a written report of the results of the teacher's evaluation;	61789 61790
(6) Identifies measures of student academic growth for grade levels and subjects for which the value-added progress dimension prescribed by section 3302.021 of the Revised Code or an alternative student academic progress measure if adopted under division (C)(1)(e) of section 3302.03 of the Revised Code does not apply;	61791 61792 61793 61794 61795 61796
(7) Implements a classroom-level, value-added program developed by a nonprofit organization described in division (B) of section 3302.021 of the Revised Code or an alternative student academic progress measure if adopted under division (C)(1)(e) of section 3302.03 of the Revised Code;	61797 61798 61799 61800 61801
(8) Provides for professional development to accelerate and continue teacher growth and provide support to poorly performing teachers;	61802 61803 61804
(9) Provides for the allocation of financial resources to support professional development.	61805 61806
(B) For purposes of the framework developed under this section, the state board also shall do the following:	61807 61808
(1) Develop specific standards and criteria that distinguish between the following levels of performance for teachers and principals for the purpose of assigning ratings on the evaluations conducted under sections 3311.80, 3311.84, 3319.02, and 3319.111 of the Revised Code:	61809 61810 61811 61812 61813
(a) Accomplished;	61814
(b) Proficient <u>Skilled</u> ;	61815
(c) Developing;	61816
(d) Ineffective.	61817
(2) For grade levels and subjects for which the assessments	61818

prescribed under sections 3301.0710 and 3301.0712 of the Revised Code and the value-added progress dimension prescribed by section 3302.021 of the Revised Code, or alternative student academic progress measure, do not apply, develop a list of student assessments that measure mastery of the course content for the appropriate grade level, which may include nationally normed standardized assessments, industry certification examinations, or end-of-course examinations.

(C) The state board shall consult with experts, teachers and principals employed in public schools, and representatives of stakeholder groups in developing the standards and criteria required by division (B)(1) of this section.

(D) To assist school districts in developing evaluation policies under sections 3311.80, 3311.84, 3319.02, and 3319.111 of the Revised Code, the department shall do both of the following:

Each state agency that employs teachers shall adopt a standards-based teacher evaluation policy that conforms with the framework developed under this division. The policy shall become operative at the expiration of any collective bargaining agreement covering teachers employed by the agency that is in effect on September 24, 2012, and shall be included in any renewal or extension of such an agreement. However, this division does not apply to any person who is employed as a substitute teacher or as an instructor of adult

education. 61850

Sec. 3319.17. (A) As used in this section, "interdistrict 61851
contract" means any contract or agreement entered into by an 61852
educational service center governing board and another board or 61853
other public entity pursuant to section 3313.17, 3313.841, 61854
3313.842, 3313.843, 3313.844, 3313.845, 3313.91, or 3323.08 of the 61855
Revised Code, including any such contract or agreement for the 61856
provision of services funded under division (E) of section 61857
3317.024 of the Revised Code ~~or provided in any unit approved~~ 61858
~~under section 3317.05 of the Revised Code.~~ 61859

(B) When, for any of the following reasons that apply to any 61860
city, exempted village, local, or joint vocational school district 61861
or any educational service center, the board decides that it will 61862
be necessary to reduce the number of teachers it employs, it may 61863
make a reasonable reduction: 61864

(1) In the case of any district or service center, return to 61865
duty of regular teachers after leaves of absence including 61866
suspension of schools, territorial changes affecting the district 61867
or center, or financial reasons; 61868

(2) In the case of any city, exempted village, local, or 61869
joint vocational school district, decreased enrollment of pupils 61870
in the district; 61871

(3) In the case of any governing board of a service center 61872
providing any particular service directly to pupils pursuant to 61873
one or more interdistrict contracts requiring such service, 61874
reduction in the total number of pupils the governing board is 61875
required to provide with the service under all interdistrict 61876
contracts as a result of the termination or nonrenewal of one or 61877
more of these interdistrict contracts; 61878

(4) In the case of any governing board providing any 61879

particular service that it does not provide directly to pupils 61880
pursuant to one or more interdistrict contracts requiring such 61881
service, reduction in the total level of the service the governing 61882
board is required to provide under all interdistrict contracts as 61883
a result of the termination or nonrenewal of one or more of these 61884
interdistrict contracts. 61885

(C) In making any such reduction, any city, exempted village, 61886
local, or joint vocational school board shall proceed to suspend 61887

superintendent of schools who shall, within each teaching field 61889
affected, give preference to teachers on continuing contracts. The 61890
board shall not give preference to any teacher based on seniority, 61891
except when making a decision between teachers who have comparable 61892
evaluations. 61893

On a case-by-case basis, in lieu of suspending a contract in 61894
whole, a board may suspend a contract in part, so that an 61895
individual is required to work a percentage of the time the 61896
employee otherwise is required to work under the contract and 61897
receives a commensurate percentage of the full compensation the 61898
employee otherwise would receive under the contract. 61899

The teachers whose continuing contracts are suspended by any 61900
board pursuant to this section shall have the right of restoration 61901
to continuing service status by that board if and when teaching 61902
positions become vacant or are created for which any of such 61903
teachers are or become qualified. No teacher whose continuing 61904
contract has been suspended pursuant to this section shall lose 61905
that right of restoration to continuing service status by reason 61906
of having declined recall to a position that is less than 61907
full-time or, if the teacher was not employed full-time just prior 61908
to suspension of the teacher's continuing contract, to a position 61909
requiring a lesser percentage of full-time employment than the 61910
position the teacher last held while employed in the district or 61911

service center. Seniority shall not be the basis for rehiring a 61912
teacher, except when making a decision between teachers who have 61913
comparable evaluations. 61914

(D) Notwithstanding any provision to the contrary in Chapter 61915
4117. of the Revised Code: 61916

development that is targeted to the deficiencies identified in the 62276
teacher's evaluations conducted under section 3319.111 of the 62277
Revised Code. The receipt by the teacher of a rating of 62278
ineffective on the teacher's next evaluation after completion of 62279
the professional development, or the failure of the teacher to 62280
complete the professional development, shall be grounds for 62281
termination of the teacher under section 3319.16 of the Revised 62282
Code. 62283

(E) If a teacher who takes an examination under this section 62284

passes that examination and provides proof of that passage to the 62285
teacher's employer, the teacher shall not be required to take the 62286
examination again for three years, regardless of the teacher's 62287
evaluation ratings or the performance index score ranking of the 62288
building in which the teacher teaches. No teacher shall be 62289
responsible for the cost of taking an examination under this 62290
section. 62291

(F) Each district board of education, each community school 62292
governing authority, and each STEM school governing body may use 62293
the results of a teacher's examinations required under division 62294
(B) or (C) of this section in developing and revising professional 62295
development plans and in deciding whether or not to continue 62296
employing the teacher in accordance with the provisions of this 62297
chapter or Chapter 3314. or 3326. of the Revised Code. However, no 62298
decision to terminate or not to renew a teacher's employment 62299
contract shall be made solely on the basis of the results of a 62300
teacher's examination under this section until and unless the 62301

the home. 62316

A child between six and eighteen years of age is "of compulsory school age" for the purpose of sections 3321.01 to 3321.13 of the Revised Code. A child under six years of age who has been enrolled in kindergarten also shall be considered "of compulsory school age" for the purpose of sections 3321.01 to 3321.13 of the Revised Code unless at any time the child's parent or guardian, at the parent's or guardian's discretion and in consultation with the child's teacher and principal, formally withdraws the child from kindergarten. The compulsory school age of a child shall not commence until the beginning of the term of such schools, or other time in the school year fixed by the rules of the board of the district in which the child resides.

If a child for whom admission to kindergarten or first grade is requested will not be five or six years of age, respectively, prior to the first day of January of the school year in which admission is requested, the child shall be admitted only in accordance with the district's acceleration policy adopted under section 3324.10 of the Revised Code.

(3) Notwithstanding division (A)(2) of this section, beginning with the school year that starts in 2001 and continuing thereafter the board of education of any district may adopt a resolution establishing the first day of August in lieu of the thirtieth day of September as the required date by which students must have attained the age specified in that division.

(4) After a student has been admitted to kindergarten in a school district or chartered nonpublic school, no board of education of a school district to which the student transfers shall deny that student admission based on the student's age.

district charges fees or tuition for all-day kindergarten under 62417
this division, the district shall develop a sliding fee scale 62418
based on family incomes. 62419

(2) The department of education shall conduct an annual 62420

divisions (G)(2)(a) to (d) of this section. 62436

The department shall issue an annual report on the results of 62437
the survey and shall post the report on its web site. The 62438
department shall issue the first report not later than April 30, 62439
2008, and shall issue a report not later than the thirtieth day of 62440

Sec. 3321.04. Notwithstanding division (D) of section 3311.19 62442
and division (D) of section 3311.52 of the Revised Code, this 62443
section does not apply to any joint vocational or cooperative 62444
education school district or its superintendent. 62445

Every parent of any child of compulsory school age who is not 62446
employed under an age and schooling certificate must send such 62447
child to a school or a special education program that conforms to 62448
the minimum standards prescribed by the state board of education, 62449
for the full time the school or program attended is in session, 62450
which shall not be for less than thirty-two weeks per school year. 62451
Such attendance must begin within the first week of the school 62452
term or program or within one week of the date on which the child 62453
begins to reside in the district or within one week after ~~his~~ the 62454
child's withdrawal from employment. 62455

For the purpose of operating a school or program on a 62456
trimester plan, "full time the school attended is in session," as 62457
used in this section means the two trimesters to which the child 62458
is assigned by the board of education. For the purpose of 62459
operating a school or program on a quarterly plan, "full time the 62460
school attended is in session," as used in this section, means the 62461
three quarters to which the child is assigned by the board of 62462
education. For the purpose of operating a school or program on a 62463
pentamester plan, "full time the school is in session," as used in 62464
this section, means the four pentamesters to which the child is 62465
assigned by the board of education. 62466

Excuses from future attendance at or past absence from school 62467
or a special education program may be granted for the causes, by 62468

either of the following facts: 62474

(1) That the child's bodily or mental condition does not 62475
permit attendance at school or a special education program during 62476
such period; this fact is certified in writing by a licensed 62477
physician or, in the case of a mental condition, by a licensed 62478
physician, a licensed psychologist, licensed school psychologist 62479
or a certificated school psychologist; and provision is made for 62480
appropriate instruction of the child, in accordance with Chapter 62481
3323. of the Revised Code; 62482

(2) That the child is being instructed at home by a person 62483
qualified to teach the branches in which instruction is required, 62484

such case the issuing superintendent shall file in ~~his~~ the 62487
superintendent's office, with a copy of the excuse, papers showing 62488
how the inability of the child to attend school or a special 62489
education program or the qualifications of the person instructing 62490
the child at home were determined. All such excuses shall become 62491
void and subject to recall upon the removal of the disability of 62492
the child or the cessation of proper home instruction; and 62493
thereupon the child or the child's parents may be proceeded 62494
against after due notice whether such excuse be recalled or not. 62495

(B) The state board of education may adopt rules authorizing 62496
the superintendent of schools of the district in which the child 62497
resides to excuse a child over fourteen years of age from 62498
attendance for a future limited period for the purpose of 62499
performing necessary work directly and exclusively for the child's 62500
parents or legal guardians. 62501

All excuses provided for in divisions (A) and (B) of this 62502
section shall be in writing and shall show the reason for excusing 62503

the child. A copy thereof shall be sent to the person in charge of 62504
the child. 62505

(C) The board of education of the ~~city or exempted village~~ 62506
school district ~~or the governing board of the educational service~~ 62507
~~center in which a public school is located~~ or the governing 62508
authorities of a private or parochial school may in the rules 62509
governing the discipline in such schools, prescribe the authority 62510
by which and the manner in which any child may be excused for 62511
absence from such school for good and sufficient reasons. 62512

The state board of education may by rule prescribe conditions 62513
governing the issuance of excuses, which shall be binding upon the 62514
authorities empowered to issue them. 62515

Sec. 3321.05. (A) As used in this section, "all-day 62516
kindergarten" means a kindergarten class that is in session ~~five~~ 62517
~~days per week~~ for not less than the same number of clock hours 62518
each ~~day~~ week as for students in grades one through six. 62519

(B) Any school district may operate all-day kindergarten or 62520
extended kindergarten, but no district shall require any student 62521
to attend kindergarten for more than the number of clock hours 62522
required each day for traditional kindergarten by the minimum 62523
standards adopted under division (D) of section 3301.07 of the 62524
Revised Code. Each school district that operates all-day or 62525
extended kindergarten shall accommodate kindergarten students 62526
whose parents or guardians elect to enroll them for the minimum 62527
number of hours. 62528

(C) A school district may use space in child day-care centers 62529
licensed under Chapter 5104. of the Revised Code to provide 62530
all-day kindergarten under this section. 62531

Sec. 3321.13. (A) Whenever any child of compulsory school age 62532
withdraws from school the teacher of that child shall ascertain 62533

the reason for withdrawal. The fact of the withdrawal and the 62534
reason for it shall be immediately transmitted by the teacher to 62535
the superintendent ~~of schools~~ of the city, local, or exempted 62536
village school district ~~or the educational service center as the~~ 62537
~~ease may be~~. If the child who has withdrawn from school has done 62538
so because of change of residence, the next residence shall be 62539
ascertained and shall be included in the notice thus transmitted. 62540
The superintendent shall thereupon forward a card showing the 62541
essential facts regarding the child and stating the place of the 62542
child's new residence to the superintendent of schools of the 62543
district to which the child has moved. 62544

The superintendent of public instruction may prescribe the 62545
forms to be used in the operation of this division. 62546

(B)(1) Upon receipt of information that a child of compulsory 62547
school age has withdrawn from school for a reason other than 62548
because of change of residence and is not enrolled in and 62549
attending in accordance with school policy an approved program to 62550

notify the registrar of motor vehicles and the juvenile judge of 62552
the county in which the district is located of the withdrawal and 62553
failure to enroll in and attend an approved program to obtain a 62554
diploma or its equivalent. A notification to the registrar 62555
required by this division shall be given in the manner the 62556
registrar by rule requires and a notification to the juvenile 62557
judge required by this division shall be given in writing. Each 62558
notification shall be given within two weeks after the withdrawal 62559
and failure to enroll in and attend an approved program or its 62560
equivalent. 62561

(2) The board of education of a school district may adopt a 62562
resolution providing that the provisions of division (B)(2) of 62563
this section apply within the district. The provisions of division 62564
(B)(2) of this section do not apply within any school district, 62565

and no superintendent of a school district shall send a 62566
notification of the type described in division (B)(2) of this 62567
section to the registrar of motor vehicles or the juvenile judge 62568
of the county in which the district is located, unless the board 62569
of education of the district has adopted such a resolution. If the 62570
board of education of a school district adopts a resolution 62571
providing that the provisions of division (B)(2) of this section 62572
apply within the district, and if the superintendent of schools of 62573
that district receives information that, during any semester or 62574
term, a child of compulsory school age has been absent without 62575
legitimate excuse from the school the child is supposed to attend 62576
for more than ten consecutive school days or for at least fifteen 62577
total school days, the superintendent shall notify the child and 62578
the child's parent, guardian, or custodian, in writing, that the 62579
information has been provided to the superintendent, that as a 62580
result of that information the child's temporary instruction 62581
permit or driver's license will be suspended or the opportunity to 62582
obtain such a permit or license will be denied, and that the child 62583
and the child's parent, guardian, or custodian may appear in 62584
person at a scheduled date, time, and place before the 62585
superintendent or a designee to challenge the information provided 62586
to the superintendent. 62587

The notification to the child and the child's parent, 62588
guardian, or custodian required by division (B)(2) of this section 62589
shall set forth the information received by the superintendent and 62590
shall inform the child and the child's parent, guardian, or 62591
custodian of the scheduled date, time, and place of the appearance 62592
that they may have before the superintendent or a designee. The 62593
date scheduled for the appearance shall be no earlier than three 62594
and no later than five days after the notification is given, 62595
provided that an extension may be granted upon request of the 62596
child or the child's parent, guardian, or custodian. If an 62597
extension is granted, the superintendent shall schedule a new 62598

date, time, and place for the appearance and shall inform the 62599
child and the child's parent, guardian, or custodian of the new 62600
date, time, and place. 62601

If the child and the child's parent, guardian, or custodian 62602
do not appear before the superintendent or a designee on the 62603
scheduled date and at the scheduled time and place, or if the 62604
child and the child's parent, guardian, or custodian appear before 62605
the superintendent or a designee on the scheduled date and at the 62606
scheduled time and place but the superintendent or a designee 62607
determines that the information the superintendent received 62608
indicating that, during the semester or term, the child had been 62609
absent without legitimate excuse from the school the child was 62610
supposed to attend for more than ten consecutive school days or 62611
for at least fifteen total school days, the superintendent shall 62612
notify the registrar of motor vehicles and the juvenile judge of 62613
the county in which the district is located that the child has 62614
been absent for that period of time and that the child does not 62615
have any legitimate excuse for the habitual absence. A 62616
notification to the registrar required by this division shall be 62617
given in the manner the registrar by rule requires and a 62618
notification to the juvenile judge required by this division shall 62619
be given in writing. Each notification shall be given within two 62620
weeks after the receipt of the information of the habitual absence 62621
from school without legitimate excuse, or, if the child and the 62622
child's parent, guardian, or custodian appear before the 62623
superintendent or a designee to challenge the information, within 62624
two weeks after the appearance. 62625

For purposes of division (B)(2) of this section, a legitimate 62626
excuse for absence from school includes, but is not limited to, 62627
the fact that the child in question has enrolled in another school 62628
or school district in this or another state, the fact that the 62629
child in question was excused from attendance for any of the 62630

reasons specified in section 3321.04 of the Revised Code, or the 62631
fact that the child in question has received an age and schooling 62632
certificate in accordance with section 3331.01 of the Revised 62633
Code. 62634

(3) Whenever a pupil is suspended or expelled from school 62635
pursuant to section 3313.66 of the Revised Code and the reason for 62636
the suspension or expulsion is the use or possession of alcohol, a 62637
drug of abuse, or alcohol and a drug of abuse, the superintendent 62638
of schools of that district may notify the registrar and the 62639
juvenile judge of the county in which the district is located of 62640
such suspension or expulsion. Any such notification of suspension 62641
or expulsion shall be given to the registrar, in the manner the 62642
registrar by rule requires and shall be given to the juvenile 62643
judge in writing. The notifications shall be given within two 62644
weeks after the suspension or expulsion. 62645

(4) Whenever a pupil is suspended, expelled, removed, or 62646
permanently excluded from a school for misconduct included in a 62647
policy that the board of education of a city, exempted village, or 62648
local school district has adopted under division (A) of section 62649
3313.661 of the Revised Code, and the misconduct involves a 62650
firearm or a knife or other weapon as defined in that policy, the 62651
superintendent of schools of that district shall notify the 62652
registrar and the juvenile judge of the county in which the 62653
district is located of the suspension, expulsion, removal, or 62654
permanent exclusion. The notification shall be given to the 62655
registrar in the manner the registrar, by rule, requires and shall 62656
be given to the juvenile judge in writing. The notifications shall 62657
be given within two weeks after the suspension, expulsion, 62658
removal, or permanent exclusion. 62659

(C) A notification of withdrawal, habitual absence without 62660
legitimate excuse, suspension, or expulsion given to the registrar 62661
or a juvenile judge under division (B)(1), (2), (3), or (4) of 62662

this section shall contain the name, address, date of birth, 62663
school, and school district of the child. If the superintendent 62664
finds, after giving a notification of withdrawal, habitual absence 62665
without legitimate excuse, suspension, or expulsion to the 62666
registrar and the juvenile judge under division (B)(1), (2), (3), 62667
or (4) of this section, that the notification was given in error, 62668
the superintendent immediately shall notify the registrar and the 62669
juvenile judge of that fact. 62670

Sec. 3321.14. Notwithstanding division (D) of section 3311.19 62671
and division (D) of section 3311.52 of the Revised Code, the 62672
provisions of this section and sections 3321.15 to 3321.21 of the 62673
Revised Code that apply to a city school district or its 62674
superintendent do not apply to any joint vocational or cooperative 62675
education school district or its superintendent unless otherwise 62676
specified. 62677

The board of education of every city ~~school district and of~~ 62678
~~every~~, exempted village, or local school district shall either 62679
employ an attendance officer, and may employ or appoint any 62680
assistants that the board deems advisable, or shall obtain such 62681
services from the educational service center with which the 62682
district has entered into an agreement under section 3313.843 or 62683
3313.845 of the Revised Code, in accordance with the terms 62684
prescribed in that agreement. ~~In~~ 62685

In cities of one hundred thousand population or over, the 62686
board may appoint, subject to the nomination of the district 62687
superintendent ~~of schools~~, one or more pupil-personnel workers and 62688
make provision for the traveling expenses within the school 62689
district of those employees. 62690

Sec. 3321.15. Every governing board of an educational service 62691
center ~~shall~~ may employ an educational service center attendance 62692

officer, and may employ or appoint such assistants as the board 62693
deems advisable. The decision to employ an attendance officer 62694
shall be based on consultation with the districts that have 62695
entered into agreements with the educational service center under 62696
section 3313.843 or 3313.845 of the Revised Code and the services 62697
outlined in the agreements. The compensation and necessary 62698
traveling expenses of such attendance officer and assistants shall 62699
