the total number of preschool children with disabilities used for 63203
that computation under division (B)(3) of section 3317.08 of the 63204
Revised Code; 63205

under division (C)(2) of this section shall be based only on each 63229
such ~~MR/DD~~ DD board's cost of providing each type of special 63230

means the amount paid for the child under section 3317.20 of the Revised Code. 63252

Revised Code or other provisions of law. The department shall use 63823
the moneys so deducted to make payments to the nonpublic or 63824

respect to the chartered nonpublic school's students. 63858

the obligations for which the request is made; 64302

(2) The chancellor and the office of budget and management, 64303
and the issuing authority in the case of obligations to be issued 64304
by the issuing authority, have no reason to believe the requesting 64305
community or technical college district or the community or 64306
technical college it operates will be unable to pay when due the 64307
bond service charges on the obligations for which the request is 64308
made, and bond service charges on those obligations are therefore 64309
not anticipated to be paid pursuant to this section from the 64310
allocated state share of instruction for purposes of Section 17 of 64311
Article VIII, Ohio Constitution. 64312

(3) Any other pertinent conditions established in rules 64313

(C) If the chancellor approves the request of a community or 64315

to this section, the chancellor shall enter into a written 64317
agreement with the district and the primary paying agent or fiscal 64318
agent for the obligations, which agreement shall provide for the 64319
withholding of funds pursuant to this section for the payment of 64320
bond service charges on those obligations. The agreement may also 64321
include both of the following: 64322

(1) Provisions for certification by the district to the 64323
chancellor, prior to the deadline for payment of the applicable 64324
bond service charges, whether the district and the community or 64325
technical college it operates are able to pay those bond service 64326
charges when due; 64327

(2) Requirements that the district or the community or 64328
technical college it operates deposits amounts for the payment of 64329
those bond service charges with the primary paying agent or fiscal 64330
agent for the obligations prior to the date on which the bond 64331
service charges are due to the owners or holders of the 64332
obligations. 64333

(D) Whenever a district or the community or technical college 64334
it operates notifies the chancellor that it will not be able to 64335
pay the bond service charges when they are due, subject to the 64336
withholding provisions of this section, or whenever the applicable 64337
paying agent or fiscal agent notifies the chancellor that it has 64338
not timely received from a district or from the college it 64339
operates the full amount needed for payment of the bond service 64340
charges when due to the holders or owners of such obligations, the 64341
chancellor shall immediately contact the district or college and 64342
the paying agent or fiscal agent to confirm that the district and 64343
the college are not able to make the required payment by the date 64344
on which it is due. 64345

If the chancellor confirms that the district and the college 64346
are not able to make the payment and the payment will not be made 64347
pursuant to a credit enhancement facility, the chancellor shall 64348

promptly pay to the applicable primary paying agent or fiscal 64349
agent the lesser of the amount due for bond service charges or the 64350
amount of the next periodic distribution scheduled to be made to 64351
the district or to the college in respect of its allocated state 64352
share of instruction. If this amount is insufficient to pay the 64353
total amount then due the agent for the payment of bond service 64354
charges, the chancellor shall continue to pay to the agent from 64355
each periodic distribution thereafter, and until the full amount 64356
due the agent for unpaid bond service charges is paid in full, the 64357
lesser of the remaining amount due the agent for bond service 64358
charges or the amount of the next periodic distribution scheduled 64359
to be made to the district or college in respect of its allocated 64360
state share of instruction. 64361

this section shall be applied only to the payment of bond service 64365
charges on the obligations of the community or technical college 64366

or to the reimbursement of the provider of a credit enhancement 64368
facility that has paid the bond service charges. 64369

(F) The chancellor may make payments under this section to 64370
paying agents or fiscal agents during any fiscal biennium of the 64371
state only from and to the extent that money is appropriated to 64372
the board of regents by the general assembly for distribution 64373
during such biennium for the state share of instruction and only 64374
to the extent that a portion of the state share of instruction has 64375
been allocated to the community or technical college district or 64376
community or technical college. Obligations of the issuing 64377
authority or of a community or technical college district to which 64378
this section is made applicable do not constitute an obligation or 64379
a debt or a pledge of the faith, credit, or taxing power of the 64380

state, and the holders or owners of those obligations have no 64381
right to have excises or taxes levied or appropriations made by 64382
the general assembly for the payment of bond service charges on 64383
the obligations, and the obligations shall contain a statement to 64384
that effect. The agreement for or the actual withholding and 64385
payment of money under this section does not constitute the 64386
assumption by the state of any debt of a community or technical 64387
college district or a community or technical college, and bond 64388
service charges on the related obligations are not anticipated to 64389
be paid from the state general revenue fund for purposes of 64390
Section 17 of Article VIII, Ohio Constitution. 64391

(G) In the case of obligations subject to the withholding 64392
provisions of this section, the issuing community or technical 64393
college district, or the issuing authority in the case of 64394
obligations issued by the issuing authority, shall appoint a 64395
paying agent or fiscal agent who is not an officer or employee of 64396
the district or college. 64397

(H) The chancellor, with the advice and consent of the office 64398
of budget and management, may adopt reasonable rules not 64399
inconsistent with this section for the implementation of this 64400
section to secure payment of bond service charges on obligations 64401
issued by a community or technical college district or by the 64402
issuing authority for the benefit of a community or technical 64403
college district or the community or technical college it 64404
operates. Those rules shall include criteria for the evaluation 64405
and approval or denial of community or technical college district 64406
requests for withholding under this section. 64407

(I) The authority granted by this section is in addition to 64408
and not a limitation on any other authorizations granted by or 64409
pursuant to law for the same or similar purposes. 64410

that process, shall make a recommendation to the controlling board 64431
asking for approval of each award selected by the chancellor. 64432

solely by the state institution of higher education or in 64437
collaboration with other state institutions of higher education or 64438

provided for in the bond proceedings. Notwithstanding this and any 65119
other sections of the Revised Code, the holders or owners of the 65120
obligations or assurances shall not be given the right and shall 65121
have no right to have excises or taxes levied by the general 65122
assembly for the payment of bond service charges thereon, and each 65123
such obligation or assurance shall bear on its face a statement to 65124
that effect and to the effect that the right to such payment is 65125
limited to the available receipts and special funds pledged to 65126
such purpose under the bond proceedings. 65127

All pledged available receipts and funds and the proceeds of 65128
obligations or assurances are trust funds and, subject to the 65129
provisions of this section and the applicable bond proceedings, 65130
shall be held, deposited, invested, reinvested, disbursed, 65131

education as provided in division (C) of this section, and a 65146
pledge of and lien on such fund or funds provided in the bond 65147
proceedings arising from available receipts, which pledges and 65148
liens may provide for parity with obligations or assurances 65149

theretofore or thereafter issued by the institution. The available 65150
receipts so pledged and thereafter received by the institution and 65151
the funds so pledged are immediately subject to the lien of such 65152
pledge without any physical delivery thereof or further act, and 65153
the lien of any such pledge is valid and binding against all 65154
parties having claims of any kind against the institution, 65155
irrespective of whether such parties have notice thereof, and 65156
shall create a perfected security interest for all purposes of 65157
Chapter 1309. of the Revised Code, without the necessity for 65158
separation or delivery of funds or for the filing or recording of 65159
the bond proceedings by which such pledge is created or any 65160
certificate, statement, or other document with respect thereto; 65161
and the pledge of such available receipts and funds shall be 65162
effective and the money therefrom and thereof may be applied to 65163
the purposes for which pledged without necessity for any act of 65164
appropriation. 65165

(E) The bond proceedings may contain additional provisions 65166
customary or appropriate to the financing or to the obligations or 65167
assurances or to particular obligations and assurances, including: 65168

(1) The acquisition, construction, reconstruction, equipment, 65169
furnishing, improvement, operation, alteration, enlargement, 65170
maintenance, insurance, and repair of facilities or 65171
entrepreneurial projects, and the duties of the institution of 65172
higher education with reference thereto; 65173

(2) The terms of the obligations or assurances, including 65174
provisions for their redemption prior to maturity at the option of 65175
the institution of higher education at such price or prices and 65176
under such terms and conditions as are provided in the bond 65177
proceedings; 65178

(3) Limitations on the purposes to which the proceeds of the 65179
obligations or assurances may be applied; 65180

(4) The rates or rentals or other charges for the use of or 65181
right to use the facilities or entrepreneurial projects financed 65182
by the obligations or assurances, or other properties the revenues 65183
or receipts from which are pledged to the obligations or 65184
assurances, and rules for assuring any applicable use and 65185
occupancy thereof, including limitations upon the right to modify 65186
such rates, rentals, other charges, or regulations; 65187

(5) The use and expenditure of the pledged available receipts 65188
in such manner and to such extent as shall be determined, which 65189
may include provision for the payment of the expenses of 65190
operation, maintenance, and repair of facilities or 65191
entrepreneurial projects so that such expenses, or part thereof, 65192
shall be paid or provided as a charge prior or subsequent to the 65193
payment of bond service charges and any other payments required to 65194
be made by the bond proceedings; 65195

(6) Limitations on the issuance of additional obligations or 65196
assurances; 65197

(7) The terms of any trust agreement or indenture securing 65198
the obligations or assurances or under which the same may be 65199
issued; 65200

(8) The deposit, investment, and application of funds, and 65201
the safeguarding of funds on hand or on deposit without regard to 65202
Chapter 131. or 135. of the Revised Code, and any bank or trust 65203
company or other financial institution that acts as depository of 65204
any moneys under the bond proceedings shall furnish such 65205
indemnifying bonds or pledge such securities as required by the 65206
bond proceedings or otherwise by the institution of higher 65207
education; 65208

(9) The binding effect of any or every provision of the bond 65209
proceedings upon such officer, board, commission, authority, 65210
agency, department, or other person or body as may from time to 65211

time have the authority under law to take such actions as may be 65212
necessary to perform all or any part of the duty required by such 65213
provision; 65214

(10) Any provision that may be made in a trust agreement or 65215
indenture; 65216

(11) Any other or additional agreements with respect to the 65217
facilities of the institution of higher education or its 65218
entrepreneurial projects, their operation, the available receipts 65219
and funds pledged, and insurance of facilities or entrepreneurial 65220
projects and of the institution, its officers and employees. 65221

(F) Such obligations or assurances may have the seal of the 65222
institution of higher education or a facsimile thereof affixed 65223
thereto or printed thereon and shall be executed by such officers 65224
as are designated in the bond proceedings, which execution may be 65225
by facsimile signatures. Any obligations or assurances may be 65226
executed by an officer who, on the date of execution, is the 65227
proper officer although on the date of such obligations or 65228
assurances such person was not the proper officer. In case any 65229
officer whose signature or a facsimile of whose signature appears 65230
on any such obligation or assurance ceases to be such officer 65231
before delivery thereof, such signature or facsimile is 65232
nevertheless valid and sufficient for all purposes as if the 65233
person had remained such officer until such delivery; and in case 65234
the seal of the institution has been changed after a facsimile of 65235
the seal has been imprinted on such obligations or assurances, 65236
such facsimile seal continues to be sufficient as to such 65237
obligations or assurances and obligations or assurances issued in 65238
substitution or exchange therefor. 65239

(G) All such obligations or assurances are negotiable 65240
instruments and securities under Chapter 1308. of the Revised 65241
Code, subject to the provisions of the bond proceedings as to 65242
registration. The obligations or assurances may be issued in 65243

coupon or in registered form, or both. Provision may be made for 65244
the registration of any obligations or assurances with coupons 65245
attached thereto as to principal alone or as to both principal and 65246
interest, their exchange for obligations or assurances so 65247
registered, and for the conversion or reconversion into 65248
obligations or assurances with coupons attached thereto of any 65249
obligations or assurances registered as to both principal and 65250
interest, and for reasonable charges for such registration, 65251
exchange, conversion, and reconversion. 65252

(H) Pending preparation of definitive obligations or 65253
assurances, the institution of higher education may issue interim 65254
receipts or certificates which shall be exchanged for such 65255
definitive obligations or assurances. 65256

(I) Such obligations or assurances may be secured 65257
additionally by a trust agreement or indenture between the 65258
institution of higher education and a corporate trustee, which may 65259
be any trust company or bank having the powers of a trust company 65260
within or without this state but authorized to exercise trust 65261
powers within this state. Any such agreement or indenture may 65262
contain the resolution authorizing the issuance of the obligations 65263
or assurances, any provisions that may be contained in the bond 65264
proceedings as authorized by this section, and other provisions 65265
which are customary or appropriate in an agreement or indenture of 65266
such type, including: 65267

(1) Maintenance of each pledge, trust agreement, and 65268
indenture, or other instrument comprising part of the bond 65269
proceedings until the institution of higher education has fully 65270
paid the bond service charges on the obligations or assurances 65271
secured thereby, or provision therefor has been made; 65272

(2) In the event of default in any payments required to be 65273
made by the bond proceedings, or any other agreement of the 65274
institution of higher education made as a part of the contract 65275

under which the obligations or assurances were issued, enforcement 65276
of such payments or agreement by mandamus, the appointment of a 65277
receiver, suit in equity, action at law, or any combination of the 65278
foregoing; 65279

(3) The rights and remedies of the holders of obligations or 65280
assurances and of the trustee, and provisions for protecting and 65281
enforcing them, including limitations on rights of individual 65282
holders of obligations or assurances; 65283

(4) The replacement of any obligations or assurances that 65284
become mutilated or are destroyed, lost, or stolen; 65285

(5) Such other provisions as the trustee and the institution 65286
of higher education agree upon, including limitations, conditions, 65287
or qualifications relating to any of the foregoing. 65288

(J) Each duty of the institution of higher education and its 65289
officers or employees, undertaken pursuant to the bond proceedings 65290
or any related agreement or lease made under authority of law, is 65291
hereby established as a duty of such institution, and of each such 65292
officer or employee having authority to perform such duty, 65293
specially enjoined by law resulting from an office, trust, or 65294
station within the meaning of section 2731.01 of the Revised Code. 65295
The persons who are at the time the members of the board of 65296
trustees or the managing directors of the institution or its 65297
officers or employees are not liable in their personal capacities 65298
on such obligations or assurances, or lease, or other agreement of 65299
the institution. 65300

(K) The authority to issue obligations or assurances includes 65301
authority to: 65302

(1) Issue obligations or assurances in the form of bond 65303
anticipation notes and to renew them from time to time by the 65304
issuance of new notes. Such notes are payable solely from the 65305
available receipts and funds that may be pledged to the payment of 65306

such bonds, or from the proceeds of such bonds or renewal notes, 65307
or both, as the institution of higher education provides in its 65308
resolution authorizing such notes. Such notes may be additionally 65309
secured by covenants of the institution to the effect that it will 65310
do such or all things necessary for the issuance of such bonds or 65311
renewal notes in appropriate amount, and either exchange such 65312
bonds or renewal notes therefor or apply the proceeds thereof to 65313
the extent necessary, to make full payment of the bond service 65314
charges on such notes at the time or times contemplated, as 65315
provided in such resolution. Subject to the provisions of this 65316
division, all references to obligations or assurances in this 65317
section apply to such anticipation notes. 65318

(2) Issue obligations or assurances to refund, including 65319
funding and retirement of, obligations or assurances previously 65320
issued to pay costs of facilities or entrepreneurial projects. 65321
Such obligations or assurances may be issued in amounts sufficient 65322
for payment of the principal amount of the obligations or 65323
assurances to be so refunded, any redemption premiums thereon, 65324
principal maturities of any obligations or assurances maturing 65325
prior to the redemption of any other obligations or assurances on 65326
a parity therewith to be so refunded, interest accrued or to 65327
accrue to the maturity date or dates of redemption of such 65328
obligations or assurances, and any expenses incurred or to be 65329
incurred in connection with such refunding or the issuance of the 65330
obligations or assurances. 65331

(L) Obligations and assurances are lawful investments for 65332
banks, societies for savings, savings and loan associations, 65333
deposit guarantee associations, trust companies, trustees, 65334
fiduciaries, insurance companies, including domestic for life and 65335
domestic not for life, trustees or other officers having charge of 65336
sinking and bond retirement or other special funds of political 65337
subdivisions and taxing districts of this state, the commissioners 65338

of the sinking fund, the administrator of workers' compensation in 65339
accordance with the investment policy approved by the bureau of 65340
workers' compensation board of directors pursuant to section 65341
4121.12 of the Revised Code, the state teachers retirement system, 65342
the public employees retirement system, the school employees 65343
retirement system, and the Ohio police and fire pension fund, 65344
notwithstanding any other provisions of the Revised Code or rules 65345
adopted pursuant thereto by any state agency with respect to 65346
investments by them, and are also acceptable as security for the 65347
deposit of public moneys. 65348

(M) All facilities or entrepreneurial projects purchased, 65349
acquired, constructed, or owned by an institution of higher 65350
education, or financed in whole or in part by obligations or 65351
assurances issued by an institution, and used for the purposes of 65352
the institution or other publicly owned and controlled college or 65353
university, is public property used exclusively for a public 65354
purpose, and such property and the income therefrom is exempt from 65355
all taxation and assessment within this state, including ad 65356
valorem and excise taxes. The obligations or assurances, the 65357
transfer thereof, and the income therefrom, including any profit 65358
made on the sale thereof, are at all times free from taxation 65359
within the state. The transfer of tangible personal property by 65360
lease under authority of this section or section 3345.07, 3345.11, 65361
3345.36, 3354.121, 3355.091, 3357.112, or 3358.10 of the Revised 65362
Code is not a sale as used in Chapter 5739. of the Revised Code. 65363

(N) The authority granted by this section is cumulative with 65364
the authority granted to institutions of higher education under 65365
Chapter 154. of the Revised Code, and nothing in this section 65366
impairs or limits the authority granted by Chapter 154. of the 65367
Revised Code. In any lease, agreement, or commitment made by an 65368
institution of higher education under Chapter 154. of the Revised 65369
Code, it may agree to restrict or subordinate any pledge it may 65370

thereafter make under authority of this section. 65371

(O) Title to lands acquired under this section and sections 65372
3345.07 and 3345.11 of the Revised Code by a state university or 65373
college shall be taken in the name of the state. 65374

(P) Except where costs of facilities or entrepreneurial 65375
projects are to be paid in whole or in part from funds 65376
appropriated by the general assembly, section 125.81 of the 65377
Revised Code and the requirement for certification with respect 65378
thereto under section 153.04 of the Revised Code do not apply to 65379
such facilities or entrepreneurial projects. 65380

(Q) A state university or college may sell or lease lands or 65381
interests in land owned by it or by the state for its use, or 65382
facilities authorized to be acquired or constructed by it under 65383
section 3345.07 or 3345.11 of the Revised Code, to permit the 65384
purchasers or lessees thereof to acquire, construct, equip, 65385
furnish, reconstruct, alter, enlarge, remodel, renovate, 65386
rehabilitate, improve, maintain, repair, or maintain and operate 65387
thereon and to provide by lease or otherwise to such institution, 65388
facilities authorized in section 3345.07 or 3345.11 of the Revised 65389
Code or entrepreneurial projects authorized under section 3345.36 65390
of the Revised Code. Such land or interests therein shall be sold 65391
for such appraised value, or leased, and on such terms as the 65392
board of trustees determines. All deeds or other instruments 65393
relating to such sales or leases shall be executed by such officer 65394
of the state university or college as the board of trustees 65395
designates. The state university or college shall hold, invest, or 65396
use the proceeds of such sales or leases for the same purposes for 65397
which proceeds of borrowings may be used under sections 3345.07 65398
and 3345.11 of the Revised Code or, if the proceeds relate to the 65399
sale or lease of entrepreneurial projects, for purposes of section 65400
3345.36 of the Revised Code. 65401

(R) An institution of higher education may pledge available 65402

receipts, to the extent permitted by division (C) of this section 65403
with respect to obligations, to secure the payments to be made by 65404
it under any lease, lease with option to purchase, or 65405
lease-purchase agreement authorized under this section or section 65406
3345.07, 3345.11, 3345.36, 3354.121, 3355.091, 3357.112, or 65407
3358.10 of the Revised Code. 65408

Sec. 3345.48. (A) As used in this section: 65409

(1) "Cohort" means a group of students who will complete 65410
their bachelor's degree requirements and graduate from a state 65411
university at the same time. A cohort may include transfer 65412
students and other selected undergraduate student academic 65413
programs as determined by the board of trustees of a state 65414
university. 65415

(2) "Eligible student" means an undergraduate student who: 65416

(a) Is enrolled full-time in a bachelor's degree program at a 65417
state university; 65418

(b) Is a resident of this state, as defined by the chancellor 65419
of the Ohio board of regents under section 3333.31 of the Revised 65420
Code. 65421

(3) "State university" has the same meaning as in section 65422
3345.011 of the Revised Code. 65423

(B) The board of trustees of a state university may establish 65424
an undergraduate tuition guarantee program that allows eligible 65425
students in the same cohort to pay a fixed rate for general and 65426
instructional fees for four years. A board of trustees may include 65427
room and board and any additional fees in the program. 65428

If the board of trustees chooses to establish such a program, 65429
the board shall adopt rules for the program that include, but are 65430
not limited to, all of the following: 65431

(1) The number of credit hours required to earn an 65432

undergraduate degree in each major; 65433

(2) A guarantee that the general and instructional fees for 65434
each student in the cohort shall remain constant for four years so 65435
long as the student complies with the requirements of the program, 65436
except that, notwithstanding any law to the contrary, the board 65437
may increase the guaranteed amount by up to six per cent above 65438
what has been charged in the previous academic year one time for 65439
the first cohort enrolled under the tuition guarantee program. If 65440
the board of trustees determines that economic conditions or other 65441
circumstances require an increase for the first cohort of above 65442
six per cent, the board shall submit a request to increase the 65443
amount by a specified percentage to the chancellor. The 65444
chancellor, based on information the chancellor requires from the 65445
board of trustees, shall approve or disapprove such a request. 65446
Thereafter, the board of trustees may increase the guaranteed 65447
amount by up to the sum of the following above what has been 65448
charged in the previous academic year one time per subsequent 65449
cohort: 65450

(a) The average rate of inflation, as measured by the 65451
consumer price index prepared by the bureau of labor statistics of 65452
the United States department of labor (all urban consumers, all 65453
items), for the previous sixty-month period; and 65454

(b) The percentage amount the general assembly restrains 65455
increases on in-state undergraduate instructional and general fees 65456
for the applicable fiscal year. If the general assembly does not 65457
enact a limit on the increase of in-state undergraduate 65458
instructional and general fees, then no limit shall apply under 65459
this division for the cohort that first enrolls in any academic 65460
year for which the general assembly does not prescribe a limit. 65461

If, beginning with the academic year that starts four years 65462
after the effective date of this section, the board of trustees 65463
determines that the general and instructional fees charged under 65464

the tuition guarantee have fallen significantly lower than those 65465
of other state universities, the board of trustees may submit a 65466
request to increase the amount charged to a cohort by a specified 65467
percentage to the chancellor, who shall approve or disapprove such 65468
a request. 65469

(3) A benchmark by which the board sets annual increases in 65470
general and instructional fees. This benchmark and any subsequent 65471
change to the benchmark shall be subject to approval of the 65472
chancellor. 65473

(4) Eligibility requirements for students to participate in 65474
the program; 65475

(5) Student rights and privileges under the program; 65476

(6) Consequences to the university for students unable to 65477
complete a degree program within four years, as follows: 65478

(a) For a student who could not complete the program in four 65479
years due to a lack of available classes or space in classes 65480
provided by the university, the university shall provide the 65481
necessary course or courses for completion to the student free of 65482
charge. 65483

(b) For a student who could not complete the program in four 65484
years due to military service or other circumstances beyond a 65485
student's control, as determined by the board of trustees, the 65486
university shall provide the necessary course or courses for 65487
completion to the student at the student's initial cohort rate. 65488

(c) For a student who did not complete the program in four 65489
years for any other reason, as determined by the board of 65490
trustees, the university shall provide the necessary course or 65491
courses for completion to the student at a rate determined through 65492
a method established by the board under division (B)(7) of this 65493
section. 65494

(7) Guidelines for adjusting a student's annual charges if the student, due to circumstances under the student's control, is unable to complete a degree program within four years; 65495
65496
65497

(8) A requirement that the rules adopted under division (B) of this section be published or posted in the university handbook, course catalog, and web site. 65498
65499
65500

(C) If a board of trustees implements a program under this section, the board shall submit the rules adopted under division (B) of this section to the chancellor for approval before beginning implementation of the program. 65501
65502
65503
65504

The chancellor shall not unreasonably withhold approval of a program if the program conforms in principle with the parameters and guidelines of this section. 65505
65506
65507

(D) A board of trustees of a state university may establish an undergraduate tuition guarantee program for nonresident students. 65508
65509
65510

(E) Within five years after the effective date of this section, the chancellor shall publish on the board of regents web site a report that includes all of the following: 65511
65512

3517.102 ~~and~~, in division (B)(4)(e) of section 3517.10, and in 68147
division (B) of section 3517.101 of the Revised Code. The 68148

two years of the Consumer Price Index for All Urban Consumers or 68150
its successive equivalent, as determined by the United States 68151
department of labor, bureau of labor statistics, or its successor 68152
in responsibility, for all items, Series A. Using the 1996 yearly 68153
average as the base year, the secretary of state shall compare the 68154

Revised Code. 68169

If the calculations are made regarding the amounts specified 68170
in section 3517.101 or 3517.102 of the Revised Code, the resulting 68171
amount shall not be rounded. If that resulting amount is less than 68172
one hundred dollars, the secretary of state shall retain a record 68173
of the resulting amount and the manner in which it was calculated, 68174
but shall not make an adjustment unless the resulting amount, when 68175
added to the resulting amount calculated in each prior 68176
odd-numbered year since the last adjustment was made, equals or 68177
exceeds one hundred dollars. 68178

(B)(1) The secretary of state shall calculate the adjustment 68179

current consumer price index that is described in division (A) of 68184
this section and that is in effect as of the first day of January 68185
of each odd-numbered year. 68186

report and all documents relating to the calculations contained in 68203
the report are public records. The report shall contain an 68204
indication of the period in which the limitations, the maximum 68205
contribution or gift amounts, and the reporting amounts apply, a 68206
summary of how the limitations, the maximum contribution or gift 68207
amounts, and the reporting amounts were calculated, and a 68208
statement that the report and all related documents are available 68209

(6) A board of elections shall send the report by mail to 68224
each person who files a declaration of candidacy or nominating 68225
petition with the board for the office of state representative or 68226

Upon that request, an investigatory attorney shall make an investigation in order to produce sufficient evidence for the commission to decide the matter. or an AIDS-related condition. 69580

(B)(1) Except as provided in divisions (B)(2), (C), (D), and 69581
(F) of this section, the results of an HIV test or the identity of 69582
an individual on whom an HIV test is performed or who is diagnosed 69583
as having AIDS or an AIDS-related condition may be disclosed only 69584

which the release is to be effective; 69592

Revised Code, except that the identity of the individual tested 69609
shall not be revealed; 69610

(h) To law enforcement authorities pursuant to a search 69611

AIDS-related condition may be disclosed to a health care provider, 69617
or an authorized agent or employee of a health care facility or a 69618

diagnosis, care, or treatment of the individual on whom the test 69621

This division does not impose a standard of disclosure 69624
different from the standard for disclosure of all other specific 69625
information about a patient to health care providers and 69626
facilities. Disclosure may not be requested or made solely for the 69627
purpose of identifying an individual who has a positive HIV test 69628
result or has been diagnosed as having AIDS or an AIDS-related 69629
condition in order to refuse to treat the individual. Referral of 69630
an individual to another health care provider or facility based on 69631
reasonable professional judgment does not constitute refusal to 69632
treat the individual. 69633

(3) Not later than ninety days after November 1, 1989, each 69634
health care facility in this state shall establish a protocol to 69635

care facility who determines in accordance with the protocol 69639
established by the facility that a disclosure is authorized by 69640
division (B)(2) of this section is immune from liability to any 69641
person in a civil action for damages for injury, death, or loss to 69642
person or property resulting from the disclosure. 69643

(C)(1) Any person or government agency may seek access to or 69644
authority to disclose the HIV test records of an individual in 69645
accordance with the following provisions: 69646

(a) The person or government agency shall bring an action in 69647
a court of common pleas requesting disclosure of or authority to 69648
disclose the results of an HIV test of a specific individual, who 69649
shall be identified in the complaint by a pseudonym but whose name 69650
shall be communicated to the court confidentially, pursuant to a 69651
court order restricting the use of the name. The court shall 69652
provide the individual with notice and an opportunity to 69653
participate in the proceedings if the individual is not named as a 69654

party. Proceedings shall be conducted in chambers unless the individual agrees to a hearing in open court.

(b) The court may issue an order granting the plaintiff access to or authority to disclose the test results only if the court finds by clear and convincing evidence that the plaintiff has demonstrated a compelling need for disclosure of the information that cannot be accommodated by other means. In assessing compelling need, the court shall weigh the need for disclosure against the privacy right of the individual tested and against any disservice to the public interest that might result from the disclosure, such as discrimination against the individual or the deterrence of others from being tested.

(c) If the court issues an order, it shall guard against unauthorized disclosure by specifying the persons who may have access to the information, the purposes for which the information shall be used, and prohibitions against future disclosure.

(2) A person or government agency that considers it necessary to disclose the results of an HIV test of a specific individual in an action in which it is a party may seek authority for the disclosure by filing an in camera motion with the court in which the action is being heard. In hearing the motion, the court shall employ procedures for confidentiality similar to those specified in division (C)(1) of this section. The court shall grant the motion only if it finds by clear and convincing evidence that a compelling need for the disclosure has been demonstrated.

(3) Except for an order issued in a criminal prosecution or an order under division (C)(1) or (2) of this section granting disclosure of the result of an HIV test of a specific individual, a court shall not compel a blood bank, hospital blood center, or blood collection facility to disclose the result of HIV tests performed on the blood of voluntary donors in a way that reveals the identity of any donor.

(4) In a civil action in which the plaintiff seeks to recover damages from an individual defendant based on an allegation that the plaintiff contracted the HIV virus as a result of actions of the defendant, the prohibitions against disclosure in this section do not bar discovery of the results of any HIV test given to the defendant or any diagnosis that the defendant suffers from AIDS or an AIDS-related condition.

(D) The results of an HIV test or the identity of an individual on whom an HIV test is performed or who is diagnosed as having AIDS or an AIDS-related condition may be disclosed to a federal, state, or local government agency, or the official representative of such an agency, for purposes of the ~~medical assistance~~ medicaid program established under section 5111.01 of the Revised Code, the medicare program established under Title XVIII of the "Social Security Act," 49 Stat. 620 (1935) 42 U.S.C.A. 301, as amended, or any other public assistance program.

(E) Any disclosure pursuant to this section shall be in writing and accompanied by a written statement that includes the following or substantially similar language: "This information has been disclosed to you from confidential records protected from disclosure by state law. You shall make no further disclosure of this information without the specific, written, and informed release of the individual to whom it pertains, or as otherwise permitted by state law. A general authorization for the release of medical or other information is not sufficient for the purpose of the release of HIV test results or diagnoses."

(F) An individual who knows that the individual has received a positive result on an HIV test or has been diagnosed as having AIDS or an AIDS-related condition shall disclose this information to any other person with whom the individual intends to make common use of a hypodermic needle or engage in sexual conduct as defined in section 2907.01 of the Revised Code. An individual's

compliance with this division does not prohibit a prosecution of 69719
the individual for a violation of division (B) of section 2903.11 69720
of the Revised Code. 69721

(G) Nothing in this section prohibits the introduction of 69722
evidence concerning an HIV test of a specific individual in a 69723
criminal proceeding. 69724

Sec. 3701.261. (A) As used in this section, "state 69725

~~(B)~~(C) The Ohio cancer incidence surveillance system shall 69746
follow a model of cancer data collection as set forth by the 69747
survey epidemiology and end results system (SEERS). 69748

(2) If the program employed the individual in good faith on a 72310
conditional basis pursuant to division (C)(2) of this section, the 72311
program shall not be found negligent solely because it employed 72312
the individual prior to receiving the report of a criminal records 72313
check requested under this section; 72314

(3) If the program in good faith employed the individual 72315
according to the personal character standards established in rules 72316
adopted under division (F) of this section, the program shall not 72317
be found negligent solely because the individual prior to being 72318
employed had been convicted of or pleaded guilty to an offense 72319

superintendent of the bureau of criminal identification and 72323
investigation conduct a criminal records check of an applicant if 72324
the applicant has been referred to the program by an employment 72325
service that supplies full-time, part-time, or temporary staff for 72326
positions involving the direct care of older adults or pediatric 72327
respite care patients and both of the following apply: 72328

(a) The chief administrator receives from the employment 72329

records check regarding the applicant that has been conducted by 72331
the superintendent within the one-year period immediately 72332
preceding the applicant's referral; 72333

(b) The report of the criminal records check demonstrates 72334
that the person has not been convicted of or pleaded guilty to an 72335
offense listed or described in division (C)(1) of this section, or 72336
the report demonstrates that the person has been convicted of or 72337

care program or pediatric respite care program chooses to employ 72339
the individual pursuant to division (F) of this section. 72340

(2) The chief administrator of a hospice care program or 72341
pediatric respite care program is not required to request that the 72342
superintendent of the bureau of criminal identification and 72343
investigation conduct a criminal records check of an applicant and 72344
may employ the applicant conditionally as described in this 72345
division, if the applicant has been referred to the program by an 72346
employment service that supplies full-time, part-time, or 72347
temporary staff for positions involving the direct care of older 72348
adults or pediatric respite care patients and if the chief 72349
administrator receives from the employment service or the 72350
applicant a letter from the employment service that is on the 72351
letterhead of the employment service, dated, and signed by a 72352
supervisor or another designated official of the employment 72353
service and that states that the employment service has requested 72354
the superintendent to conduct a criminal records check regarding 72355
the applicant, that the requested criminal records check will 72356
include a determination of whether the applicant has been 72357
convicted of or pleaded guilty to any offense listed or described 72358
in division (C)(1) of this section, that, as of the date set forth 72359
on the letter, the employment service had not received the results 72360
of the criminal records check, and that, when the employment 72361

service receives the results of the criminal records check, it 72362
promptly will send a copy of the results to the hospice care 72363
program or pediatric respite care program. If a hospice care 72364
program or pediatric respite care program employs an applicant 72365
conditionally in accordance with this division, the employment 72366
service, upon its receipt of the results of the criminal records 72367
check, promptly shall send a copy of the results to the hospice 72368
care program or pediatric respite care program, and division 72369
(C)(2)(b) of this section applies regarding the conditional 72370
employment. 72371

allows use in all weather conditions and will withstand the 72535
anticipated degree of use and minimize erosion and generation of 72536
dust; 72537

(2) Surface water drainage and sediment controls that are 72538
required by the director; 72539

(3) If the facility is proposed to be located in an area in 72540
which an applicable zoning resolution allows residential 72541
construction, vegetated earthen berms or an equivalent barrier 72542
with a minimum height of six feet separating the facility from 72543
adjoining property. 72544

(G)(1) The siting criteria established in this section shall 72545

(a) The disposal of construction and demolition debris at a construction and demolition debris facility that is licensed under this chapter or at a solid waste facility that is licensed under Chapter 3734. of the Revised Code;

(b) The disposal of asbestos or asbestos-containing materials or products at a construction and demolition debris facility that is licensed under this chapter or at a solid waste facility that is licensed under Chapter 3734. of the Revised Code.

(2) The owner or operator of a construction and demolition debris facility or a solid waste facility shall determine if cubic yards or tons will be used as the unit of measurement. If basing the fee on cubic yards, the owner or operator shall utilize either the maximum cubic yard capacity of the container, or the hauling

volume of the vehicle, that transports the construction and 72578
demolition debris to the facility or the cubic yards actually 72579
logged for disposal by the owner or operator in accordance with 72580
rules adopted under section 3714.02 of the Revised Code. If basing 72581
the fee on tonnage, the owner or operator shall use certified 72582
scales to determine the tonnage of construction and demolition 72583
debris that is disposed of. 72584

(3) The owner or operator of a construction and demolition 72585
debris facility or a solid waste facility shall calculate the 72586
amount of money generated from the fee levied under division 72587
(A)(1) of this section and shall hold that amount as a trustee for 72588
the health district having jurisdiction over the facility, if that 72589
district is on the approved list under section 3714.09 of the 72590
Revised Code, or for the state. The owner or operator shall 72591
prepare and file with the appropriate board of health or the 72592
director of environmental protection monthly returns indicating 72593
the total volume or weight, as applicable, of construction and 72594
demolition debris and asbestos or asbestos-containing materials or 72595
products disposed of at the facility and the total amount of money 72596
generated during that month from the fee levied under division 72597
(A)(1) of this section on the disposal of construction and 72598
demolition debris and asbestos or asbestos-containing materials or 72599
products. Not later than thirty days after the last day of the 72600
month to which the return applies, the owner or operator shall 72601
mail to the board of health or the director the return for that 72602
month together with the amount of money calculated under division 72603
(A)(3) of this section on the disposal of construction and 72604
demolition debris and asbestos or asbestos-containing materials or 72605
products during that month or may submit the return and money 72606
electronically in a manner approved by the director. The owner or 72607
operator may request, in writing, an extension of not more than 72608
thirty days after the last day of the month to which the return 72609
applies. A request for extension may be denied. If the owner or 72610

operator submits the money late, the owner or operator shall pay a 72611
penalty of ten per cent of the amount of the money due for each 72612
month that it is late. 72613

(4) Of the money that is submitted by a construction and 72614
demolition debris facility or a solid waste facility on a per 72615
cubic yard or per ton basis under this section, a board of health 72616
shall transmit three cents per cubic yard or six cents per ton, as 72617
applicable, to the director not later than forty-five days after 72618
the receipt of the money. The money retained by a board of health 72619
under this section shall be paid into a special fund, which is 72620
hereby created in each health district, and used solely ~~to~~ for the 72621
following purposes: 72622

(a) To administer and enforce this chapter and rules adopted 72623
under it; 72624

(b) To abate abandoned accumulations of construction and 72625
demolition debris as provided in section 3714.074 of the Revised 72626
Code. 72627

The director shall transmit all money received under this 72628
section to the treasurer of state to be credited to the 72629
construction and demolition debris facility oversight fund, which 72630
is hereby created in the state treasury. The fund shall be 72631
administered by the director, and money credited to the fund shall 72632
be used exclusively for the administration and enforcement of this 72633
chapter and rules adopted under it. 72634

(B) The board of health of a health district or the director 72635
may enter into an agreement with the owner or operator of a 72636
construction and demolition debris facility or a solid waste 72637
facility for the quarterly payment of money generated from the 72638
disposal fee as calculated in division (A)(3) of this section. The 72639
board of health shall notify the director of any such agreement. 72640
Not later than forty-five days after receipt of the quarterly 72641

payment, the board of health shall transmit the amount established 72642
in division (A)(4) of this section to the director. The money 72643
retained by the board of health shall be deposited in the special 72644
fund of the district as required under that division. Upon receipt 72645
of the money from a board of health, the director shall transmit 72646
the money to the treasurer of state to be credited to the 72647
construction and demolition debris facility oversight fund. 72648

(C) If a construction and demolition debris facility or a 72649
solid waste facility is located within the territorial boundaries 72650
of a municipal corporation or the unincorporated area of a 72651
township, the municipal corporation or township may appropriate up 72652
to four cents per cubic yard or up to eight cents per ton of the 72653
disposal fee required to be paid by the facility under division 72654
(A)(1) of this section for the same purposes that a municipal 72655
corporation or township may levy a fee under division (C) of 72656
section 3734.57 of the Revised Code. 72657

The legislative authority of the municipal corporation or 72658
township may appropriate the money from the fee by enacting an 72659
ordinance or adopting a resolution establishing the amount of the 72660
fee to be appropriated. Upon doing so, the legislative authority 72661
shall mail a certified copy of the ordinance or resolution to the 72662
board of health of the health district in which the construction 72663
and demolition debris facility or the solid waste facility is 72664
located or, if the facility is located in a health district that 72665
is not on the approved list under section 3714.09 of the Revised 72666
Code, to the director. Upon receipt of the copy of the ordinance 72667
or resolution and not later than forty-five days after receipt of 72668
money generated from the fee, the board or the director, as 72669
applicable, shall transmit to the treasurer or other appropriate 72670
officer of the municipal corporation or clerk of the township that 72671
portion of the money generated from the disposal fee by the owner 72672
or operator of the facility that is required by the ordinance or 72673

resolution to be paid to that municipal corporation or township. 72674

Money received by the treasurer or other appropriate officer 72675
of a municipal corporation under this division shall be paid into 72676
the general fund of the municipal corporation. Money received by 72677
the clerk of a township under this division shall be paid into the 72678
general fund of the township. The treasurer or other officer of 72679
the municipal corporation or the clerk of the township, as 72680
appropriate, shall maintain separate records of the money received 72681
under this division. 72682

The legislative authority of a municipal corporation or 72683
township may cease appropriating money under this division by 72684
repealing the ordinance or resolution that was enacted or adopted 72685
under this division. 72686

The director shall adopt rules in accordance with Chapter 72687
119. of the Revised Code establishing requirements for prorating 72688
the amount of the fee that may be appropriated under this division 72689
by a municipal corporation or township in which only a portion of 72690
a construction and demolition debris facility is located within 72691
the territorial boundaries of the municipal corporation or 72692
township. 72693

(D) The board of county commissioners of a county in which a 72694
construction and demolition debris facility or a solid waste 72695
facility is located may appropriate up to three cents per cubic 72696
yard or up to six cents per ton of the disposal fee required to be 72697
paid by the facility under division (A)(1) of this section for the 72698
same purposes that a solid waste management district may levy a 72699
fee under division (B) of section 3734.57 of the Revised Code. 72700

The board of county commissioners may appropriate the money 72701
from the fee by adopting a resolution establishing the amount of 72702
the fee to be appropriated. Upon doing so, the board of county 72703
commissioners shall mail a certified copy of the resolution to the 72704

board of health of the health district in which the construction 72705
and demolition debris facility or the solid waste facility is 72706
located or, if the facility is located in a health district that 72707
is not on the approved list under section 3714.09 of the Revised 72708
Code, to the director. Upon receipt of the copy of the resolution 72709
and not later than forty-five days after receipt of money 72710
generated from the fee, the board of health or the director, as 72711
applicable, shall transmit to the treasurer of the county that 72712
portion of the money generated from the disposal fee by the owner 72713
or operator of the facility that is required by the resolution to 72714
be paid to that county. 72715

Money received by a county treasurer under this division 72716
shall be paid into the general fund of the county. The county 72717
treasurer shall maintain separate records of the money received 72718
under this division. 72719

A board of county commissioners may cease appropriating money 72720
under this division by repealing the resolution that was adopted 72721
under this division. 72722

(E)(1) This section does not apply to the disposal of 72723
construction and demolition debris at a solid waste facility that 72724

Sec. 3721.02. (A) As used in this section, "residential facility" means a residential facility licensed under section ~~5119.22~~ 5119.34 of the Revised Code that provides accommodations, supervision, and personal care services for three to sixteen unrelated adults.

(B) The director of health shall license homes and establish procedures to be followed in inspecting and licensing homes. The director may inspect a home at any time. Each home shall be inspected by the director at least once prior to the issuance of a license and at least once every fifteen months thereafter. The state fire marshal or a township, municipal, or other legally constituted fire department approved by the marshal shall also inspect a home prior to issuance of a license, at least once every fifteen months thereafter, and at any other time requested by the director. A home does not have to be inspected prior to issuance of a license by the director, state fire marshal, or a fire department if ownership of the home is assigned or transferred to a different person and the home was licensed under this chapter immediately prior to the assignment or transfer. The director may enter at any time, for the purposes of investigation, any institution, residence, facility, or other structure that has been reported to the director or that the director has reasonable cause to believe is operating as a nursing home, residential care facility, or home for the aging without a valid license required by section 3721.05 of the Revised Code or, in the case of a county home or district home, is operating despite the revocation of its residential care facility license. The director may delegate the director's authority and duties under this chapter to any division, bureau, agency, or official of the department of health.

(C) A single facility may be licensed both as a nursing home 73193
pursuant to this chapter and as a residential facility pursuant to 73194
section ~~5119.22~~ 5119.34 of the Revised Code if the director 73195
determines that the part or unit to be licensed as a nursing home 73196
can be maintained separate and discrete from the part or unit to 73197
be licensed as a residential facility. 73198

(D) In determining the number of residents in a home for the 73199
purpose of licensing, the director shall consider all the 73200
individuals for whom the home provides accommodations as one group 73201
unless one of the following is the case: 73202

(1) The home is a home for the aging, in which case all the 73203
individuals in the part or unit licensed as a nursing home shall 73204
be considered as one group, and all the individuals in the part or 73205
unit licensed as a rest home shall be considered as another group. 73206

(2) The home is both a nursing home and a residential 73207
facility. In that case, all the individuals in the part or unit 73208
licensed as a nursing home shall be considered as one group, and 73209
all the individuals in the part or unit licensed as an adult care 73210
facility shall be considered as another group. 73211

(3) The home maintains, in addition to a nursing home or 73212
residential care facility, a separate and discrete part or unit 73213
that provides accommodations to individuals who do not require or 73214
receive skilled nursing care and do not receive personal care 73215
services from the home, in which case the individuals in the 73216
separate and discrete part or unit shall not be considered in 73217
determining the number of residents in the home if the separate 73218
and discrete part or unit is in compliance with the Ohio basic 73219
building code established by the board of building standards under 73220
Chapters 3781. and 3791. of the Revised Code and the home permits 73221
the director, on request, to inspect the separate and discrete 73222
part or unit and speak with the individuals residing there, if 73223
they consent, to determine whether the separate and discrete part 73224

or unit meets the requirements of this division. 73225

(E)(1) The director of health shall charge the following 73226
application fee and annual renewal licensing and inspection fee 73227
for each fifty persons or part thereof of a home's licensed 73228
capacity: 73229

(a) For state fiscal year 2010, two hundred twenty dollars; 73230

(b) For state fiscal year 2011, two hundred seventy dollars; 73231

(c) For each state fiscal year thereafter, three hundred 73232
twenty dollars. 73233

(2) All fees collected by the director for the issuance or 73234
renewal of licenses shall be deposited into the state treasury to 73235
the credit of the general operations fund created in section 73236
3701.83 of the Revised Code for use only in administering and 73237
enforcing this chapter and rules adopted under it. 73238

(F)(1) Except as otherwise provided in this section, the 73239
results of an inspection or investigation of a home that is 73240
conducted under this section, including any statement of 73241
deficiencies and all findings and deficiencies cited in the 73242
statement on the basis of the inspection or investigation, shall 73243
be used solely to determine the home's compliance with this 73244
chapter or another chapter of the Revised Code in any action or 73245
proceeding other than an action commenced under division (I) of 73246
section 3721.17 of the Revised Code. Those results of an 73247
inspection or investigation, that statement of deficiencies, and 73248
the findings and deficiencies cited in that statement shall not be 73249
used in any court or in any action or proceeding that is pending 73250
in any court and are not admissible in evidence in any action or 73251
proceeding unless that action or proceeding is an appeal of an 73252
action by the department of health under this chapter or is an 73253
action by any department or agency of the state to enforce this 73254
chapter or another chapter of the Revised Code. 73255

(2) Nothing in division (E)(1) of this section prohibits the results of an inspection or investigation conducted under this section from being used in a criminal investigation or prosecution.

Sec. 3721.022. (A) As used in this section:

(1) "Nursing facility" has the same meaning as in section ~~5111.20~~ 5165.01 of the Revised Code.

The director may also enter into agreements with the department of ~~job and family services~~ medicaid under which the department of health is designated to perform functions under sections ~~5111.35~~ 5165.60 to ~~5111.62~~ 5165.89 of the Revised Code.

The director, in accordance with Chapter 119. of the Revised Code, shall adopt rules necessary to implement the survey and

certification requirements for skilled nursing facilities and 73286
nursing facilities established by the United States secretary of 73287
health and human services under ~~Titles~~ Title XVIII and Title XIX 73288
~~of the "Social Security Act,"~~ and the survey requirements 73289
established under sections ~~5111.35~~ 5165.60 to ~~5111.62~~ 5165.89 of 73290

which a facility may obtain up to two reviews of any deficiencies 73292
that have been cited on a statement of deficiencies made by the 73293
department of health under 42 C.F.R. Part 488 and cause the 73294
facility to be in noncompliance as defined in 42 C.F.R. 488.301. 73295
The first review shall be conducted by an employee of the 73296
department who did not participate in and was not otherwise 73297
involved in any way with the survey. A facility that is not 73298
satisfied with the results of a first review may receive a second 73299
review on payment of a fee to the department. The amount of the 73300
fee shall be specified in rules adopted under this section. The 73301
fee shall be deposited into the state treasury to the credit of 73302
the general operations fund created in section 3701.83 of the 73303
Revised Code for use in the implementation of this section. The 73304
second review shall be conducted by either of the following as 73305
selected by the facility: a hearing officer employed by the 73306
department or a hearing officer included on a list the department 73307

deficiency citation is unjustified shall be reflected clearly in 73309
all records relating to the survey. 73310

The director need not adopt as rules any of the regulations, 73311
guidelines, or procedures issued under ~~Titles~~ Title XVIII and 73312
Title XIX ~~of the "Social Security Act"~~ by the United States 73313
secretary of health and human services. 73314

Sec. 3721.024. As used in this section, "nursing facility" 73315
has the same meaning as in section ~~5111.20~~ 5165.01 of the Revised 73316
Code. 73317

The department of health may establish a program of 73318
recognition of nursing facilities that provide the highest quality 73319
care to residents who are medicaid recipients ~~of medical~~ 73320
~~assistance under Chapter 5111. of the Revised Code.~~ The program 73321
may be funded with public funds appropriated by the general 73322

department of aging, any unresolved complaint that the office of 73330
the state long-term care ~~ombudsman~~ ombudsman has investigated 73331
and found to be valid and refers to the department of health. This 73332
requirement does not supersede federal requirements for survey 73333
agency complaint investigations. 73334

Sec. 3721.042. The director of health may not deny a nursing 73335
home license to a facility seeking a license under this chapter as 73336
a nursing home on the grounds that the facility does not satisfy a 73337
requirement established in rules adopted under section 3721.04 of 73338
the Revised Code regarding the toilet rooms and dining and 73339
recreational areas of nursing homes if all of the following 73340

(A) The facility seeks a license under this chapter because 73342
it is a county home or district home being sold under section 73343
5155.31 of the Revised Code to a person who may not operate the 73344
facility without a nursing home license under this chapter. 73345

(B) The requirement would not have applied to the facility 73346
had the facility been a nursing home first licensed under this 73347

chapter before October 20, 2001. 73348

(C) The facility was a nursing facility, as defined in 73349
section ~~5111.20~~ 5165.01 of the Revised Code, on the date 73350
immediately preceding the date the facility is sold to the person 73351
seeking the license. 73352

Sec. 3721.071. The buildings in which a home is housed shall 73353
be equipped with both an automatic fire extinguishing system and 73354
fire alarm system. Such systems shall conform to standards set 73355
forth in the regulations of the board of building standards and 73356
the state fire marshal. 73357

The time for compliance with the requirements imposed by this 73358
section shall be January 1, 1975, except that the date for 73359
compliance with the automatic fire extinguishing requirements is 73360
extended to January 1, 1976, provided the buildings of the home 73361
are otherwise in compliance with fire safety laws and regulations 73362
and: 73363

(A) The home within thirty days after August 4, 1975, files a 73364
written plan with the state fire marshal's office that: 73365

carried out to reduce the possibility of a fire; 73367

(2) Provides evidence that the home has entered into an 73368
agreement for a fire safety inspection to be conducted not less 73369

or a township, municipal, or other legally constituted fire 73371
department, or by a township or municipal fire prevention officer; 73372

(3) Provides verification that the home has entered into a 73373
valid contract for the installation of an automatic fire 73374
extinguishing system or fire alarm system, or both, as required to 73375
comply with this section; 73376

(4) Includes a statement regarding the expected date for the 73377

completion of the fire extinguishing system or fire alarm system, 73378
or both. 73379

(B) Inspections by a qualified independent safety engineer 73380
consultant or a township, municipal, or other legally constituted 73381
fire department, or by a township or municipal fire prevention 73382
officer are initiated no later than sixty days after August 4, 73383
1975, and are conducted no less than monthly thereafter, and 73384
reports of the consultant, fire department, or fire prevention 73385
officer identifying existing hazards and recommended corrective 73386
actions are submitted to the state fire marshal, the division of 73387
industrial compliance in the department of commerce, and the 73388
department of health. 73389

It is the express intent of the general assembly that the 73390
department of ~~job and family services~~ medicaid shall terminate 73391
~~payments under Title XIX of the "Social Security Act," 49 Stat.~~ 73392
~~620 (1935), 42 U.S.C. 301, as amended, to~~ the medicaid provider 73393
agreements of those homes ~~which~~ that do not comply with the 73394
requirements of this section for the submission of a written fire 73395
safety plan and the deadline for entering into contracts for the 73396
installation of systems. 73397

Sec. 3721.072. (A) As used in this section: 73398

(1) "Advance care planning" means providing an opportunity to 73399
discuss the goals that may be met through the care provided by a 73400
nursing home. 73401

(2) "Overhead paging" means sending audible announcements 73402
through an electronic sound amplification and distribution system 73403
throughout part or all of a nursing home to staff, residents, 73404
residents' families, or others. 73405

(B) Beginning July 1, 2013, each nursing home shall 73406
participate every two years in at least one of the quality 73407

improvement projects included on the list made available by the 73408
department of aging under the nursing home quality initiative 73409
established under section 173.60 of the Revised Code. 73410

(C) Beginning July 1, 2015, each nursing home shall 73411
participate in advance care planning with each resident or the 73412
resident's sponsor if the resident is unable to participate. For 73413
each resident, the advance care planning shall be provided on 73414
admission to the nursing home or, in the case of an individual 73415
residing in a nursing home on July 1, 2015, as soon as 73416
practicable. Thereafter, for each resident, the advance care 73417
planning shall be provided quarterly each year. 73418

(D) Beginning July 1, 2015, each nursing home shall prohibit 73419
the use of overhead paging within the nursing home, except that 73420
the nursing home may permit the use of overhead paging for matters 73421
of urgent public safety or urgent clinical operations. The nursing 73422
home shall develop a written policy regarding its use of overhead 73423
paging and make the policy available to staff, residents, and 73424
residents' families. 73425

Sec. 3721.08. (A) As used in this section, "real and present 73426
danger" means imminent danger of serious physical or 73427
life-threatening harm to one or more occupants of a home. 73428

(B) The director of health may petition the court of common 73429
pleas of the county in which the home is located for an order 73430
enjoining any person from operating a home without a license or 73431
enjoining a county home or district home that has had its license 73432
revoked from continuing to operate. The court shall have 73433
jurisdiction to grant such injunctive relief upon a showing that 73434
the respondent named in the petition is operating a home without a 73435
license or that the county home or district home named in the 73436
petition is operating despite the revocation of its license. The 73437
court shall have jurisdiction to grant such injunctive relief 73438

against the operation of a home without a valid license regardless 73439
of whether the home meets essential licensing requirements. 73440

(C) Unless the department of ~~job and family services~~ medicaid 73441
or contracting agency has taken action under section ~~5111.51~~ 73442
5165.77 of the Revised Code to appoint a temporary manager or seek 73443
injunctive relief, if, in the judgment of the director of health, 73444
real and present danger exists at any home, the director may 73445
petition the court of common pleas of the county in which the home 73446
is located for such injunctive relief as is necessary to close the 73447
home, transfer one or more occupants to other homes or other 73448
appropriate care settings, or otherwise eliminate the real and 73449
present danger. The court shall have the jurisdiction to grant 73450
such injunctive relief upon a showing that there is real and 73451
present danger. 73452

(D)(1) If the director determines that real and present 73453
danger exists at a home and elects not to immediately seek 73454
injunctive relief under division (C) of this section, the director 73455
may give written notice of proposed action to the home. The notice 73456
shall specify all of the following: 73457

(a) The nature of the conditions giving rise to the real and 73458
present danger; 73459

(b) The measures that the director determines the home must 73460
take to respond to the conditions; 73461

(c) The date on which the director intends to seek injunctive 73462
relief under division (C) of this section if the director 73463
determines that real and present danger exists at the home. 73464

(2) If the home notifies the director, within the time 73465
specified pursuant to division (D)(1)(c) of this section, that it 73466
believes the conditions giving rise to the real and present danger 73467
have been substantially corrected, the director shall conduct an 73468
inspection to determine whether real and present danger exists. If 73469

the director determines on the basis of the inspection that real and present danger exists, the director may petition under division (C) of this section for injunctive relief.

(E)(1) If in the judgment of the director of health conditions exist at a home that will give rise to real and present danger if not corrected, the director shall give written notice of proposed action to the home. The notice shall specify all of the following:

(a) The nature of the conditions giving rise to the director's judgment;

(b) The measures that the director determines the home must take to respond to the conditions;

(c) The date, which shall be no less than ten days after the notice is delivered, on which the director intends to seek injunctive relief under division (C) of this section if the conditions are not substantially corrected and the director determines that a real and present danger exists.

(2) If the home notifies the director, within the period of time specified pursuant to division (E)(1)(c) of this section, that the conditions giving rise to the director's determination have been substantially corrected, the director shall conduct an inspection. If the director determines on the basis of the inspection that the conditions have not been corrected and a real and present danger exists, the director may petition under division (C) of this section for injunctive relief.

(F)(1) A court that grants injunctive relief under division (C) of this section may also appoint a special master who, subject to division (F)(2) of this section, shall have such powers and authority over the home and length of appointment as the court considers necessary. Subject to division (F)(2) of this section, the salary of a special master and any costs incurred by a special

master shall be the obligation of the home. 73501

(2) No special master shall enter into any employment 73502
contract on behalf of a home, or purchase with the home's funds 73503
any capital goods totaling more than ten thousand dollars, unless 73504
the special master has obtained approval for the contract or 73505
purchase from the home's operator or the court. 73506

(G) If the director takes action under division (C), (D), or 73507
(E) of this section, the director may also appoint employees of 73508
the department of health to conduct on-site monitoring of the 73509
home. Appointment of monitors is not subject to appeal under 73510
Chapter 119. or any other section of the Revised Code. No employee 73511
of a home for which monitors are appointed, no person employed by 73512
the home within the previous two years, and no person who 73513
currently has a consulting contract with the department or a home, 73514
shall be appointed under this division. Every monitor shall have 73515
the professional qualifications necessary to monitor correction of 73516
the conditions that give rise to or, in the director's judgment, 73517
will give rise to real and present danger. The number of monitors 73518
present at a home at any given time shall not exceed one for every 73519
fifty residents, or fraction thereof. 73520

(H) On finding that the real and present danger for which 73521
injunctive relief was granted under division (C) of this section 73522
has been eliminated and that the home's operator has demonstrated 73523
the capacity to prevent the real and present danger from 73524
recurring, the court shall terminate its jurisdiction over the 73525
home and return control and management of the home to the 73526
operator. If the real and present danger cannot be eliminated 73527
practicably within a reasonable time following appointment of a 73528
special master, the court may order the special master to close 73529
the home and transfer all residents to other homes or other 73530
appropriate care settings. 73531

(I) The director of health shall give notice of proposed 73532

action under divisions (D) and (E) of this section to both of the 73533
following: 73534

(1) The home's administrator; 73535

(2) If the home is operated by an organization described in 73536
subsection 501(c)(3) and tax exempt under subsection 501(a) of the 73537
"Internal Revenue Code of 1986," 100 Stat. 2085, 26 U.S.C.A. 1, as 73538
amended, the board of trustees of the organization; or, if the 73539
home is not operated by such an organization, the owner of the 73540
home. 73541

Notices shall be delivered by certified mail or hand 73542
delivery. If notices are mailed, they shall be addressed to the 73543
persons specified in divisions (I)(1) and (2) of this section, as 73544
indicated in the department of health's records. If they are hand 73545
delivered, they shall be delivered to persons who would reasonably 73546
appear to the average prudent person to have authority to accept 73547
them. 73548

(J) If ownership of a home is assigned or transferred to a 73549
different person, the new owner is responsible and liable for 73550
compliance with any notice of proposed action or order issued 73551
under this section prior to the effective date of the assignment 73552
or transfer. 73553

will be located, maintained, and operated, and will undergo 74982
closure and post-closure care, in a sanitary manner so as not to 74983

the public health or safety or the environment. Applications for 75010
variances shall contain such detail plans, specifications, and 75011
information regarding objectives, procedures, controls, and other 75012

principal office of the environmental protection agency a current 75032
list of pending applications for variances and a current schedule 75033
of pending variance hearings. The director shall make a complete 75034
stenographic record of testimony and other evidence submitted at 75035

make a written determination to issue, renew, or deny the variance 75037
and shall enter the determination and the basis for it into the 75038
record of the hearing. The director shall issue, renew, or deny an 75039
application for a variance or renewal of a variance within six 75040

months of the date upon which the director receives a complete 75041
application with all pertinent information and data required. No 75042
variance shall be issued, revoked, modified, or denied until the 75043
director has considered the relative interests of the applicant, 75044
other persons and property affected by the variance, and the 75045
general public. Any variance granted under this division shall be 75046

for which the director has denied a permit for which an 75078
application was required under division (A)(3) of section 3734.05 75079
of the Revised Code, or for which the director has disapproved 75080
plans and specifications required to be filed by an order issued 75081
under division (A)(5) of that section, after the date prescribed 75082
for commencement of closure of the facility in the order issued 75083
under division (A)(6) of section 3734.05 of the Revised Code 75084
denying the permit application or approval. 75085

In determining the annual permit fee required by this section, the director shall not require additional payments for multiple units of the same method of storage, treatment, or disposal or for individual units that are used for both storage and treatment. A facility using more than one method of storage, treatment, or disposal shall pay the permit fee indicated by the schedule for each such method.

The director shall not require the payment of that portion of 75229
an annual permit fee of any permit holder that would apply to a 75230
hazardous waste management unit for which a permit has been 75231
issued, but for which construction has not yet commenced. Once 75232
construction has commenced, the director shall require the payment 75233
of a part of the appropriate fee indicated by the schedule that 75234
bears the same relationship to the total fee that the number of 75235
days remaining until the next anniversary date at which payment of 75236
the annual permit fee is due bears to three hundred sixty-five. 75237

The director, by rules adopted in accordance with Chapters 75238
119. and 3745. of the Revised Code, shall prescribe procedures for 75239
collecting the annual permit fee established by this division and 75240
may prescribe other requirements necessary to carry out this 75241
division. 75242

(3) The prohibition against establishing or operating a 75243
hazardous waste facility without a hazardous waste facility 75244
installation and operation permit does not apply to either of the 75245
following: 75246

(a) A facility that is operating in accordance with a permit 75247
renewal issued under division (H) of section 3734.05 of the 75248
Revised Code, a revision issued under division (I) of that section 75249
as it existed prior to August 20, 1996, or a modification issued 75250
by the director under division (I) of that section on and after 75251
August 20, 1996; 75252

(b) Except as provided in division (J) of section 3734.05 of 75253
the Revised Code, a facility that will operate or is operating in 75254
accordance with a permit by rule, or that is not subject to permit 75255
requirements, under rules adopted by the director. In accordance 75256
with Chapter 119. of the Revised Code, the director shall adopt, 75257
and subsequently may amend, suspend, or rescind, rules for the 75258
purposes of division (E)(3)(b) of this section. Any rules so 75259
adopted shall be consistent with and equivalent to regulations 75260

pertaining to interim status adopted under the "Resource
Conservation and Recovery Act of 1976," 90 Stat. 2806, 42 U.S.C.A.
6921, as amended, except as otherwise provided in this chapter.

If a modification is requested or proposed for a facility
described in division (E)(3)(a) or (b) of this section, division
(I)(7) of section 3734.05 of the Revised Code applies.

(F) No person shall store, treat, or dispose of hazardous
waste identified or listed under this chapter and rules adopted
under it, regardless of whether generated on or off the premises
where the waste is stored, treated, or disposed of, or transport
or cause to be transported any hazardous waste identified or
listed under this chapter and rules adopted under it to any other
premises, except at or to any of the following:

(1) A hazardous waste facility operating under a permit
issued in accordance with this chapter;

(2) A facility in another state operating under a license or
permit issued in accordance with the "Resource Conservation and
Recovery Act of 1976," 90 Stat. 2806, 42 U.S.C.A. 6921, as
amended;

(3) A facility in another nation operating in accordance with
the laws of that nation;

(4) A facility holding a permit issued pursuant to Title I of
the "Marine Protection, Research, and Sanctuaries Act of 1972," 86
Stat. 1052, 33 U.S.C.A. 1401, as amended;

(5) A hazardous waste facility as described in division
(E)(3)(a) or (b) of this section.

(G) The director, by order, may exempt any person generating,
collecting, storing, treating, disposing of, or transporting solid
wastes, infectious wastes, or hazardous waste, or processing solid
wastes that consist of scrap tires, in such quantities or under

such circumstances that, in the determination of the director, are 75291
unlikely to adversely affect the public health or safety or the 75292
environment from any requirement to obtain a registration 75293
certificate, permit, or license or comply with the manifest system 75294
or other requirements of this chapter. Such an exemption shall be 75295
consistent with and equivalent to any regulations adopted by the 75296
administrator of the United States environmental protection agency 75297
under the "Resource Conservation and Recovery Act of 1976," 90 75298
Stat. 2806, 42 U.S.C.A. 6921, as amended, except as otherwise 75299
provided in this chapter. 75300

(H) No person shall engage in filling, grading, excavating, 75301
building, drilling, or mining on land where a hazardous waste 75302
facility, or a solid waste facility, was operated without prior 75303
authorization from the director, who shall establish the procedure 75304
for granting such authorization by rules adopted in accordance 75305
with Chapter 119. of the Revised Code. 75306

A public utility that has main or distribution lines above or 75307
below the land surface located on an easement or right-of-way 75308
across land where a solid waste facility was operated may engage 75309
in any such activity within the easement or right-of-way without 75310
prior authorization from the director for purposes of performing 75311
emergency repair or emergency replacement of its lines; of the 75312
poles, towers, foundations, or other structures supporting or 75313
sustaining any such lines; or of the appurtenances to those 75314
structures, necessary to restore or maintain existing public 75315
utility service. A public utility may enter upon any such easement 75316
or right-of-way without prior authorization from the director for 75317
purposes of performing necessary or routine maintenance of those 75318
portions of its existing lines; of the existing poles, towers, 75319
foundations, or other structures sustaining or supporting its 75320
lines; or of the appurtenances to any such supporting or 75321
sustaining structure, located on or above the land surface on any 75322

such easement or right-of-way. Within twenty-four hours after 75323
commencing any such emergency repair, replacement, or maintenance 75324
work, the public utility shall notify the director or the 75325
director's authorized representative of those activities and shall 75326
provide such information regarding those activities as the 75327
director or the director's representative may request. Upon 75328
completion of the emergency repair, replacement, or maintenance 75329
activities, the public utility shall restore any land of the solid 75330
waste facility disturbed by those activities to the condition 75331
existing prior to the commencement of those activities. 75332

(I) No owner or operator of a hazardous waste facility, in 75333
the operation of the facility, shall cause, permit, or allow the 75334
emission therefrom of any particulate matter, dust, fumes, gas, 75335
mist, smoke, vapor, or odorous substance that, in the opinion of 75336
the director, unreasonably interferes with the comfortable 75337
enjoyment of life or property by persons living or working in the 75338
vicinity of the facility, or that is injurious to public health. 75339
Any such action is hereby declared to be a public nuisance. 75340

(J) Notwithstanding any other provision of this chapter, in 75341
the event the director finds an imminent and substantial danger to 75342
public health or safety or the environment that creates an 75343
emergency situation requiring the immediate treatment, storage, or 75344
disposal of hazardous waste, the director may issue a temporary 75345
emergency permit to allow the treatment, storage, or disposal of 75346
the hazardous waste at a facility that is not otherwise authorized 75347
by a hazardous waste facility installation and operation permit to 75348
treat, store, or dispose of the waste. The emergency permit shall 75349
not exceed ninety days in duration and shall not be renewed. The 75350
director shall adopt, and may amend, suspend, or rescind, rules in 75351
accordance with Chapter 119. of the Revised Code governing the 75352
issuance, modification, revocation, and denial of emergency 75353
permits. 75354

(K) Except for infectious wastes generated by a person who produces fewer than fifty pounds of infectious wastes at a premises during any one month, no owner or operator of a sanitary landfill shall knowingly accept for disposal, or dispose of, any infectious wastes that have not been treated to render them noninfectious.

(L) The director, in accordance with Chapter 119. of the Revised Code, shall adopt, and may amend, suspend, or rescind, rules having uniform application throughout the state establishing a training and certification program that shall be required for employees of boards of health who are responsible for enforcing the solid waste and infectious waste provisions of this chapter and rules adopted under them and for persons who are responsible for the operation of solid waste facilities or infectious waste treatment facilities. The rules shall provide all of the following, without limitation:

(1) The program shall be administered by the director and shall consist of a course on new solid waste and infectious waste technologies, enforcement procedures, and rules;

(2) The course shall be offered on an annual basis;

(3) Those persons who are required to take the course under division (L) of this section shall do so triennially;

(4) Persons who successfully complete the course shall be certified by the director;

(5) Certification shall be required for all employees of boards of health who are responsible for enforcing the solid waste or infectious waste provisions of this chapter and rules adopted under them and for all persons who are responsible for the operation of solid waste facilities or infectious waste treatment facilities;

(6)(a) All employees of a board of health who, on the

effective date of the rules adopted under this division, are 75386
responsible for enforcing the solid waste or infectious waste 75387
provisions of this chapter and the rules adopted under them shall 75388
complete the course and be certified by the director not later 75389
than January 1, 1995; 75390

(b) All employees of a board of health who, after the 75391
effective date of the rules adopted under division (L) of this 75392
section, become responsible for enforcing the solid waste or 75393
infectious waste provisions of this chapter and rules adopted 75394
under them and who do not hold a current and valid certification 75395
from the director at that time shall complete the course and be 75396
certified by the director within two years after becoming 75397
responsible for performing those activities. 75398

No person shall fail to obtain the certification required 75399
under this division. 75400

(M) The director shall not issue a permit under section 75401
3734.05 of the Revised Code to establish a solid waste facility, 75402
or to modify a solid waste facility operating on December 21, 75403
1988, in a manner that expands the disposal capacity or geographic 75404
area covered by the facility, that is or is to be located within 75405
the boundaries of a state park established or dedicated under 75406
Chapter 1541. of the Revised Code, a state park purchase area 75407
established under section 1541.02 of the Revised Code, any unit of 75408
the national park system, or any property that lies within the 75409
boundaries of a national park or recreation area, but that has not 75410
been acquired or is not administered by the secretary of the 75411
United States department of the interior, located in this state, 75412
or any candidate area located in this state and identified for 75413
potential inclusion in the national park system in the edition of 75414
the "national park system plan" submitted under paragraph (b) of 75415
section 8 of "The Act of August 18, 1970," 84 Stat. 825, 16 75416
U.S.C.A. 1a-5, as amended, current at the time of filing of the 75417

application for the permit, unless the facility or proposed 75418
facility is or is to be used exclusively for the disposal of solid 75419
wastes generated within the park or recreation area and the 75420
director determines that the facility or proposed facility will 75421
not degrade any of the natural or cultural resources of the park 75422
or recreation area. The director shall not issue a variance under 75423
division (A) of this section and rules adopted under it, or issue 75424
an exemption order under division (G) of this section, that would 75425
authorize any such establishment or expansion of a solid waste 75426
facility within the boundaries of any such park or recreation 75427
area, state park purchase area, or candidate area, other than a 75428
solid waste facility exclusively for the disposal of solid wastes 75429
generated within the park or recreation area when the director 75430
determines that the facility will not degrade any of the natural 75431
or cultural resources of the park or recreation area. 75432

(N)(1) The rules adopted under division (A) of this section, 75433
other than those governing variances, do not apply to scrap tire 75434
collection, storage, monocell, monofill, and recovery facilities. 75435
Those facilities are subject to and governed by rules adopted 75436
under sections 3734.70 to 3734.73 of the Revised Code, as 75437
applicable. 75438

(2) Division (C) of this section does not apply to scrap tire 75439
collection, storage, monocell, monofill, and recovery facilities. 75440
The establishment and modification of those facilities are subject 75441
to sections 3734.75 to 3734.78 and section 3734.81 of the Revised 75442
Code, as applicable. 75443

(3) The director may adopt, amend, suspend, or rescind rules 75444
under division (A) of this section creating an alternative system 75445
for authorizing the establishment, operation, or modification of a 75446
solid waste compost facility in lieu of the requirement that a 75447
person seeking to establish, operate, or modify a solid waste 75448
compost facility apply for and receive a permit under division (C) 75449

of this section and section 3734.05 of the Revised Code and a 75450
license under division (A)(1) of that section. The rules may 75451
include requirements governing, without limitation, the 75452
classification of solid waste compost facilities, the submittal of 75453
operating records for solid waste compost facilities, and the 75454
creation of a registration or notification system in lieu of the 75455
issuance of permits and licenses for solid waste compost 75456
facilities. The rules shall specify the applicability of divisions 75457
(A)(1), (2)(a), (3), and (4) of section 3734.05 of the Revised 75458
Code to a solid waste compost facility. 75459

(O)(1) As used in this division, "secondary aluminum waste" 75460
means waste material or byproducts, when disposed of, containing 75461
aluminum generated from secondary aluminum smelting operations and 75462
consisting of dross, salt cake, baghouse dust associated with 75463
aluminum recycling furnace operations, or dry-milled wastes. 75464

(2) The owner or operator of a sanitary landfill shall not 75465
dispose of municipal solid waste that has been commingled with 75466
secondary aluminum waste. 75467

(3) The owner or operator of a sanitary landfill may dispose 75468
of secondary aluminum waste, but only in a monocell or monofill 75469
that has been permitted for that purpose in accordance with this 75470
chapter and rules adopted under it. 75471

(P)(1) As used in divisions (P) and (O) of this section: 75472

(a) "Natural background" means two picocuries per gram or the 75473
actual number of picocuries per gram as measured at an individual 75474
solid waste facility, subject to verification by the director of 75475
health. 75476

(b) "Drilling operation" includes a production operation as 75477
defined in section 1509.01 of the Revised Code. 75478

(2) The owner or operator of a solid waste facility shall not 75479
accept for transfer or disposal technologically enhanced naturally 75480

occurring radioactive material if that material contains or is 75481
contaminated with radium-226, radium-228, or any combination of 75482
radium-226 and radium-228 at concentrations equal to or greater 75483
than five picocuries per gram above natural background. 75484

(3) The owner or operator of a solid waste facility may 75485
receive and process for purposes other than transfer or disposal 75486
technologically enhanced naturally occurring radioactive material 75487
that contains or is contaminated with radium-226, radium-228, or 75488
any combination of radium-226 and radium-228 at concentrations 75489
equal to or greater than five picocuries per gram above natural 75490
background, provided that the owner or operator has obtained and 75491
maintains all other necessary authorizations, including any 75492
authorization required by rules adopted by the director of health 75493
under section 3748.04 of the Revised Code. 75494

(4) The director of environmental protection may adopt rules 75495
in accordance with Chapter 119. of the Revised Code governing the 75496
receipt, acceptance, processing, handling, management, and 75497
disposal by solid waste facilities of material that contains or is 75498
contaminated with radioactive material, including, without 75499
limitation, technologically enhanced naturally occurring 75500
radioactive material that contains or is contaminated with 75501
radium-226, radium-228, or any combination of radium-226 and 75502
radium-228 at concentrations less than five picocuries per gram 75503
above natural background. Rules adopted by the director may 75504
include at a minimum both of the following: 75505

(a) Requirements in accordance with which the owner or 75506
operator of a solid waste facility must monitor leachate and 75507
ground water for radium-226, radium-228, and other radionuclides; 75508

(b) Requirements in accordance with which the owner or 75509
operator of a solid waste facility must develop procedures to 75510
ensure that technologically enhanced naturally occurring 75511
radioactive material accepted at the facility neither contains nor 75512

is contaminated with radium-226, radium-228, or any combination of 75513
radium-226 and radium-228 at concentrations equal to or greater 75514
than five picocuries per gram above natural background. 75515

(Q) Notwithstanding any other provision of this section, the 75516
owner or operator of a solid waste facility shall not receive, 75517
accept, process, handle, manage, or dispose of technologically 75518
enhanced naturally occurring radioactive material associated with 75519
drilling operations without first obtaining representative 75520
analytical results to determine compliance with divisions (P)(2) 75521
and (3) of this section and rules adopted under it. 75522

Sec. 3734.125. The director of environmental protection may 75523
adopt rules in accordance with Chapter 119. of the Revised Code 75524
establishing requirements governing the beneficial use of material 75525
from a horizontal well that has come in contact with a refined 75526
oil-based substance and that is not technologically enhanced 75527
naturally occurring radioactive material. 75528

Sec. 3734.28. Except as otherwise provided in sections 75529
3734.281 and 3734.282 of the Revised Code, moneys collected under 75530
sections 3734.122, 3734.13, 3734.20, 3734.22, 3734.24, and 3734.26 75531
of the Revised Code and under the "Comprehensive Environmental 75532
Response, Compensation, and Liability Act of 1980," 94 Stat. 2767, 75533
42 U.S.C.A. 9601, et seq., as amended, including moneys recovered 75534
under division (B)(1) of this section, shall be paid into the 75535
state treasury to the credit of the hazardous waste clean-up fund, 75536
which is hereby created. In addition, both of the following shall 75537
be credited to the fund: 75538

(A) Moneys recovered for costs paid from the fund for 75539
activities described in divisions (A)(1) and (2) of section 75540
3745.12 of the Revised Code; 75541

(B) Natural resource damage assessment costs recovered under 75542

any of the following: 75543

(1) The "Comprehensive Environmental Response, Compensation, 75544
and Liability Act of 1980," 94 Stat. 2767, 42 U.S.C. 9601, et 75545

2701, et seq., as amended; 75548

(3) The ~~Federal Water Pollution Control Act as defined in~~ 75549
~~section 6111.01 of the Revised Code~~ "Clean Water Act of 1977," 91 75550
Stat. 1566, 33 U.S.C. 1321, et seq., as amended; 75551

(4) Any other applicable federal or state law. 75552

The environmental protection agency shall use the moneys in 75553
the fund for the purposes set forth in division (D) of section 75554
3734.122, sections 3734.19, 3734.20, 3734.21, 3734.23, 3734.25, 75555
3734.26, and 3734.27, divisions (A)(1) and (2) of section 3745.12, 75556
and Chapter 3746. of the Revised Code, including any related 75557
enforcement expenses and administrative expenses of any related 75558
closure or corrective action program. In addition, the agency 75559
shall use the moneys in the fund to pay the state's long-term 75560
operation and maintenance costs or matching share for actions 75561
taken under the "Comprehensive Environmental Response, 75562
Compensation, and Liability Act of 1980," as amended. If those 75563
moneys are reimbursed by grants or other moneys from the United 75564
States or any other person, the moneys shall be placed in the fund 75565
and not in the general revenue fund. 75566

The director of environmental protection may enter into 75567
contracts and grant agreements with federal, state, or local 75568
government agencies, nonprofit organizations, and colleges and 75569
universities for the purpose of carrying out the responsibilities 75570
of the environmental protection agency for which money may be 75571
expended from the fund. 75572

Sec. 3734.57. (A) The following fees are hereby levied on the 75573
transfer or disposal of solid wastes in this state: 75574

(1) One dollar per ton through June 30, ~~2014~~ 2016, ~~one-half~~ 75575
thirty per cent of the proceeds of which shall be deposited in the 75576
state treasury to the credit of the hazardous waste facility 75577
management fund created in section 3734.18 of the Revised Code and 75578
~~one-half~~ seventy per cent of the proceeds of which shall be 75579
deposited in the state treasury to the credit of the hazardous 75580
waste clean-up fund created in section 3734.28 of the Revised 75581
Code; 75582

(2) An additional one dollar per ton through June 30, ~~2014~~ 75583
2016, the proceeds of which shall be deposited in the state 75584
treasury to the credit of the solid waste fund, which is hereby 75585
created. The environmental protection agency shall use money in 75586
the solid waste fund to pay the costs of administering and 75587
enforcing the laws pertaining to solid wastes, infectious wastes, 75588
and construction and demolition debris, including, without 75589
limitation, ground water evaluations related to solid wastes, 75590
infectious wastes, and construction and demolition debris, under 75591
this chapter and Chapter 3714. of the Revised Code and any rules 75592
adopted under them, providing compliance assistance to small 75593
businesses, and paying a share of the administrative costs of the 75594
environmental protection agency pursuant to section 3745.014 of 75595
the Revised Code. 75596

(3) An additional two dollars and fifty cents per ton through 75597
June 30, ~~2014~~ 2016, the proceeds of which shall be deposited in 75598
the state treasury to the credit of the environmental protection 75599
fund created in section 3745.015 of the Revised Code; 75600

~~2013~~ 2016, the proceeds of which shall be deposited in the state 75602
treasury to the credit of the soil and water conservation district 75603

assistance fund created in section 1515.14 of the Revised Code. 75604

In the case of solid wastes that are taken to a solid waste 75605
transfer facility located in this state prior to being transported 75606
for disposal at a solid waste disposal facility located in this 75607
state or outside of this state, the fees levied under this 75608
division shall be collected by the owner or operator of the 75609
transfer facility as a trustee for the state. The amount of fees 75610
required to be collected under this division at such a transfer 75611
facility shall equal the total tonnage of solid wastes received at 75612
the facility multiplied by the fees levied under this division. In 75613
the case of solid wastes that are not taken to a solid waste 75614
transfer facility located in this state prior to being transported 75615
to a solid waste disposal facility, the fees shall be collected by 75616
the owner or operator of the solid waste disposal facility as a 75617
trustee for the state. The amount of fees required to be collected 75618
under this division at such a disposal facility shall equal the 75619
total tonnage of solid wastes received at the facility that was 75620
not previously taken to a solid waste transfer facility located in 75621
this state multiplied by the fees levied under this division. Fees 75622
levied under this division do not apply to materials separated 75623
from a mixed waste stream for recycling by a generator or 75624
materials removed from the solid waste stream through recycling, 75625
as "recycling" is defined in rules adopted under section 3734.02 75626
of the Revised Code. 75627

The owner or operator of a solid waste transfer facility or 75628
disposal facility, as applicable, shall prepare and file with the 75629
director of environmental protection each month a return 75630
indicating the total tonnage of solid wastes received at the 75631
facility during that month and the total amount of the fees 75632
required to be collected under this division during that month. In 75633
addition, the owner or operator of a solid waste disposal facility 75634
shall indicate on the return the total tonnage of solid wastes 75635

received from transfer facilities located in this state during 75636
that month for which the fees were required to be collected by the 75637
transfer facilities. The monthly returns shall be filed on a form 75638
prescribed by the director. Not later than thirty days after the 75639
last day of the month to which a return applies, the owner or 75640
operator shall mail to the director the return for that month 75641
together with the fees required to be collected under this 75642
division during that month as indicated on the return or may 75643
submit the return and fees electronically in a manner approved by 75644
the director. If the return is filed and the amount of the fees 75645
due is paid in a timely manner as required in this division, the 75646
owner or operator may retain a discount of three-fourths of one 75647
per cent of the total amount of the fees that are required to be 75648
paid as indicated on the return. 75649

The owner or operator may request an extension of not more 75650
than thirty days for filing the return and remitting the fees, 75651
provided that the owner or operator has submitted such a request 75652
in writing to the director together with a detailed description of 75653
why the extension is requested, the director has received the 75654
request not later than the day on which the return is required to 75655
be filed, and the director has approved the request. If the fees 75656
are not remitted within thirty days after the last day of the 75657
month to which the return applies or are not remitted by the last 75658
day of an extension approved by the director, the owner or 75659
operator shall not retain the three-fourths of one per cent 75660
discount and shall pay an additional ten per cent of the amount of 75661
the fees for each month that they are late. For purposes of 75662
calculating the late fee, the first month in which fees are late 75663
begins on the first day after the deadline has passed for timely 75664
submitting the return and fees, and one additional month shall be 75665
counted every thirty days thereafter. 75666

The owner or operator of a solid waste facility may request a 75667

refund or credit of fees levied under this division and remitted 75668
to the director that have not been paid to the owner or operator. 75669
Such a request shall be made only if the fees have not been 75670
collected by the owner or operator, have become a debt that has 75671
become worthless or uncollectable for a period of six months or 75672
more, and may be claimed as a deduction, including a deduction 75673
claimed if the owner or operator keeps accounts on an accrual 75674
basis, under the "Internal Revenue Code of 1954," 68A Stat. 50, 26 75675
U.S.C. 166, as amended, and regulations adopted under it. Prior to 75676
making a request for a refund or credit, an owner or operator 75677
shall make reasonable efforts to collect the applicable fees. A 75678
request for a refund or credit shall not include any costs 75679
resulting from those efforts to collect unpaid fees. 75680

A request for a refund or credit of fees shall be made in 75681
writing, on a form prescribed by the director, and shall be 75682
supported by evidence that may be required in rules adopted by the 75683
director under this chapter. After reviewing the request, and if 75684
the request and evidence submitted with the request indicate that 75685
a refund or credit is warranted, the director shall grant a refund 75686
to the owner or operator or shall permit a credit to be taken by 75687
the owner or operator on a subsequent monthly return submitted by 75688
the owner or operator. The amount of a refund or credit shall not 75689
exceed an amount that is equal to ninety days' worth of fees owed 75690
to an owner or operator by a particular debtor of the owner or 75691
operator. A refund or credit shall not be granted by the director 75692
to an owner or operator more than once in any twelve-month period 75693
for fees owed to the owner or operator by a particular debtor. 75694

If, after receiving a refund or credit from the director, an 75695
owner or operator receives payment of all or part of the fees, the 75696
owner or operator shall remit the fees with the next monthly 75697
return submitted to the director together with a written 75698
explanation of the reason for the submittal. 75699

For purposes of computing the fees levied under this division 75700
or division (B) of this section, any solid waste transfer or 75701
disposal facility that does not use scales as a means of 75702
determining gate receipts shall use a conversion factor of three 75703
cubic yards per ton of solid waste or one cubic yard per ton for 75704
baled waste, as applicable. 75705

The fees levied under this division and divisions (B) and (C) 75706
of this section are in addition to all other applicable fees and 75707
taxes and shall be paid by the customer or a political subdivision 75708
to the owner or operator of a solid waste transfer or disposal 75709
facility. In the alternative, the fees shall be paid by a customer 75710
or political subdivision to a transporter of waste who 75711
subsequently transfers the fees to the owner or operator of such a 75712
facility. The fees shall be paid notwithstanding the existence of 75713
any provision in a contract that the customer or a political 75714
subdivision may have with the owner or operator or with a 75715
transporter of waste to the facility that would not require or 75716
allow such payment regardless of whether the contract was entered 75717
prior to or after October 16, 2009. For those purposes, "customer" 75718
means a person who contracts with, or utilizes the solid waste 75719
services of, the owner or operator of a solid waste transfer or 75720
disposal facility or a transporter of solid waste to such a 75721
facility. 75722

(B) For the purposes specified in division (G) of this 75723
section, the solid waste management policy committee of a county 75724
or joint solid waste management district may levy fees upon the 75725
following activities: 75726

(1) The disposal at a solid waste disposal facility located 75727
in the district of solid wastes generated within the district; 75728

(2) The disposal at a solid waste disposal facility within 75729
the district of solid wastes generated outside the boundaries of 75730
the district, but inside this state; 75731

(3) The disposal at a solid waste disposal facility within 75732
the district of solid wastes generated outside the boundaries of 75733
this state. 75734

The solid waste management plan of the county or joint 75735
district approved under section 3734.521 or 3734.55 of the Revised 75736
Code and any amendments to it, or the resolution adopted under 75737
this division, as appropriate, shall establish the rates of the 75738
fees levied under divisions (B)(1), (2), and (3) of this section, 75739
if any, and shall specify whether the fees are levied on the basis 75740
of tons or cubic yards as the unit of measurement. A solid waste 75741
management district that levies fees under this division on the 75742
basis of cubic yards shall do so in accordance with division (A) 75743
of this section. 75744

The fee levied under division (B)(1) of this section shall be 75745
not less than one dollar per ton nor more than two dollars per 75746
ton, the fee levied under division (B)(2) of this section shall be 75747
not less than two dollars per ton nor more than four dollars per 75748
ton, and the fee levied under division (B)(3) of this section 75749
shall be not more than the fee levied under division (B)(1) of 75750
this section. 75751

Prior to the approval of the solid waste management plan of a 75752
district under section 3734.55 of the Revised Code, the solid 75753
waste management policy committee of a district may levy fees 75754
under this division by adopting a resolution establishing the 75755
proposed amount of the fees. Upon adopting the resolution, the 75756
committee shall deliver a copy of the resolution to the board of 75757
county commissioners of each county forming the district and to 75758
the legislative authority of each municipal corporation and 75759
township under the jurisdiction of the district and shall prepare 75760
and publish the resolution and a notice of the time and location 75761
where a public hearing on the fees will be held. Upon adopting the 75762
resolution, the committee shall deliver written notice of the 75763

adoption of the resolution; of the amount of the proposed fees; 75764
and of the date, time, and location of the public hearing to the 75765
director and to the fifty industrial, commercial, or institutional 75766
generators of solid wastes within the district that generate the 75767
largest quantities of solid wastes, as determined by the 75768
committee, and to their local trade associations. The committee 75769
shall make good faith efforts to identify those generators within 75770
the district and their local trade associations, but the 75771
nonprovision of notice under this division to a particular 75772
generator or local trade association does not invalidate the 75773
proceedings under this division. The publication shall occur at 75774
least thirty days before the hearing. After the hearing, the 75775
committee may make such revisions to the proposed fees as it 75776
considers appropriate and thereafter, by resolution, shall adopt 75777
the revised fee schedule. Upon adopting the revised fee schedule, 75778
the committee shall deliver a copy of the resolution doing so to 75779
the board of county commissioners of each county forming the 75780
district and to the legislative authority of each municipal 75781
corporation and township under the jurisdiction of the district. 75782
Within sixty days after the delivery of a copy of the resolution 75783
adopting the proposed revised fees by the policy committee, each 75784
such board and legislative authority, by ordinance or resolution, 75785
shall approve or disapprove the revised fees and deliver a copy of 75786
the ordinance or resolution to the committee. If any such board or 75787
legislative authority fails to adopt and deliver to the policy 75788
committee an ordinance or resolution approving or disapproving the 75789
revised fees within sixty days after the policy committee 75790
delivered its resolution adopting the proposed revised fees, it 75791
shall be conclusively presumed that the board or legislative 75792
authority has approved the proposed revised fees. The committee 75793
shall determine if the resolution has been ratified in the same 75794
manner in which it determines if a draft solid waste management 75795
plan has been ratified under division (B) of section 3734.55 of 75796

the Revised Code. 75797

The committee may amend the schedule of fees levied pursuant 75798
to a resolution adopted and ratified under this division by 75799
adopting a resolution establishing the proposed amount of the 75800
amended fees. The committee may repeal the fees levied pursuant to 75801
such a resolution by adopting a resolution proposing to repeal 75802
them. Upon adopting such a resolution, the committee shall proceed 75803
to obtain ratification of the resolution in accordance with this 75804
division. 75805

Not later than fourteen days after declaring the new fees to 75806
be ratified or the fees to be repealed under this division, the 75807
committee shall notify by certified mail the owner or operator of 75808
each solid waste disposal facility that is required to collect the 75809
fees of the ratification and the amount of the fees or of the 75810
repeal of the fees. Collection of any fees shall commence or 75811
collection of repealed fees shall cease on the first day of the 75812
second month following the month in which notification is sent to 75813
the owner or operator. 75814

Fees levied under this division also may be established, 75815
amended, or repealed by a solid waste management policy committee 75816
through the adoption of a new district solid waste management 75817
plan, the adoption of an amended plan, or the amendment of the 75818
plan or amended plan in accordance with sections 3734.55 and 75819
3734.56 of the Revised Code or the adoption or amendment of a 75820
district plan in connection with a change in district composition 75821
under section 3734.521 of the Revised Code. 75822

Not later than fourteen days after the director issues an 75823
order approving a district's solid waste management plan, amended 75824
plan, or amendment to a plan or amended plan that establishes, 75825
amends, or repeals a schedule of fees levied by the district, the 75826
committee shall notify by certified mail the owner or operator of 75827
each solid waste disposal facility that is required to collect the 75828

fees of the approval of the plan or amended plan, or the amendment 75829
to the plan, as appropriate, and the amount of the fees, if any. 75830
In the case of an initial or amended plan approved under section 75831
3734.521 of the Revised Code in connection with a change in 75832
district composition, other than one involving the withdrawal of a 75833
county from a joint district, the committee, within fourteen days 75834
after the change takes effect pursuant to division (G) of that 75835
section, shall notify by certified mail the owner or operator of 75836
each solid waste disposal facility that is required to collect the 75837
fees that the change has taken effect and of the amount of the 75838
fees, if any. Collection of any fees shall commence or collection 75839
of repealed fees shall cease on the first day of the second month 75840
following the month in which notification is sent to the owner or 75841
operator. 75842

If, in the case of a change in district composition involving 75843
the withdrawal of a county from a joint district, the director 75844
completes the actions required under division (G)(1) or (3) of 75845
section 3734.521 of the Revised Code, as appropriate, forty-five 75846
days or more before the beginning of a calendar year, the policy 75847
committee of each of the districts resulting from the change that 75848
obtained the director's approval of an initial or amended plan in 75849
connection with the change, within fourteen days after the 75850
director's completion of the required actions, shall notify by 75851
certified mail the owner or operator of each solid waste disposal 75852
facility that is required to collect the district's fees that the 75853
change is to take effect on the first day of January immediately 75854
following the issuance of the notice and of the amount of the fees 75855
or amended fees levied under divisions (B)(1) to (3) of this 75856
section pursuant to the district's initial or amended plan as so 75857
approved or, if appropriate, the repeal of the district's fees by 75858
that initial or amended plan. Collection of any fees set forth in 75859
such a plan or amended plan shall commence on the first day of 75860
January immediately following the issuance of the notice. If such 75861

an initial or amended plan repeals a schedule of fees, collection 75862
of the fees shall cease on that first day of January. 75863

If, in the case of a change in district composition involving 75864
the withdrawal of a county from a joint district, the director 75865
completes the actions required under division (G)(1) or (3) of 75866
section 3734.521 of the Revised Code, as appropriate, less than 75867
forty-five days before the beginning of a calendar year, the 75868
director, on behalf of each of the districts resulting from the 75869
change that obtained the director's approval of an initial or 75870
amended plan in connection with the change proceedings, shall 75871
notify by certified mail the owner or operator of each solid waste 75872
disposal facility that is required to collect the district's fees 75873
that the change is to take effect on the first day of January 75874
immediately following the mailing of the notice and of the amount 75875
of the fees or amended fees levied under divisions (B)(1) to (3) 75876
of this section pursuant to the district's initial or amended plan 75877
as so approved or, if appropriate, the repeal of the district's 75878
fees by that initial or amended plan. Collection of any fees set 75879
forth in such a plan or amended plan shall commence on the first 75880
day of the second month following the month in which notification 75881
is sent to the owner or operator. If such an initial or amended 75882
plan repeals a schedule of fees, collection of the fees shall 75883
cease on the first day of the second month following the month in 75884
which notification is sent to the owner or operator. 75885

If the schedule of fees that a solid waste management 75886
district is levying under divisions (B)(1) to (3) of this section 75887
is amended or repealed, the fees in effect immediately prior to 75888
the amendment or repeal shall continue to be collected until 75889
collection of the amended fees commences or collection of the 75890
repealed fees ceases, as applicable, as specified in this 75891
division. In the case of a change in district composition, money 75892
so received from the collection of the fees of the former 75893

districts shall be divided among the resulting districts in 75894
accordance with division (B) of section 343.012 of the Revised 75895
Code and the agreements entered into under division (B) of section 75896
343.01 of the Revised Code to establish the former and resulting 75897
districts and any amendments to those agreements. 75898

For the purposes of the provisions of division (B) of this 75899
section establishing the times when newly established or amended 75900
fees levied by a district are required to commence and the 75901
collection of fees that have been amended or repealed is required 75902
to cease, "fees" or "schedule of fees" includes, in addition to 75903
fees levied under divisions (B)(1) to (3) of this section, those 75904
levied under section 3734.573 or 3734.574 of the Revised Code. 75905

(C) For the purposes of defraying the added costs to a 75906
municipal corporation or township of maintaining roads and other 75907
public facilities and of providing emergency and other public 75908
services, and compensating a municipal corporation or township for 75909
reductions in real property tax revenues due to reductions in real 75910
property valuations resulting from the location and operation of a 75911
solid waste disposal facility within the municipal corporation or 75912
township, a municipal corporation or township in which such a 75913
solid waste disposal facility is located may levy a fee of not 75914
more than twenty-five cents per ton on the disposal of solid 75915
wastes at a solid waste disposal facility located within the 75916
boundaries of the municipal corporation or township regardless of 75917
where the wastes were generated. 75918

The legislative authority of a municipal corporation or 75919
township may levy fees under this division by enacting an 75920
ordinance or adopting a resolution establishing the amount of the 75921
fees. Upon so doing the legislative authority shall mail a 75922
certified copy of the ordinance or resolution to the board of 75923
county commissioners or directors of the county or joint solid 75924
waste management district in which the municipal corporation or 75925

township is located or, if a regional solid waste management 75926
authority has been formed under section 343.011 of the Revised 75927
Code, to the board of trustees of that regional authority, the 75928
owner or operator of each solid waste disposal facility in the 75929
municipal corporation or township that is required to collect the 75930
fee by the ordinance or resolution, and the director of 75931
environmental protection. Although the fees levied under this 75932
division are levied on the basis of tons as the unit of 75933
measurement, the legislative authority, in its ordinance or 75934
resolution levying the fees under this division, may direct that 75935
the fees be levied on the basis of cubic yards as the unit of 75936
measurement based upon a conversion factor of three cubic yards 75937
per ton generally or one cubic yard per ton for baled wastes. 75938

Not later than five days after enacting an ordinance or 75939
adopting a resolution under this division, the legislative 75940
authority shall so notify by certified mail the owner or operator 75941
of each solid waste disposal facility that is required to collect 75942
the fee. Collection of any fee levied on or after March 24, 1992, 75943
shall commence on the first day of the second month following the 75944
month in which notification is sent to the owner or operator. 75945

(D)(1) The fees levied under divisions (A), (B), and (C) of 75946
this section do not apply to the disposal of solid wastes that: 75947

(a) Are disposed of at a facility owned by the generator of 75948
the wastes when the solid waste facility exclusively disposes of 75949
solid wastes generated at one or more premises owned by the 75950
generator regardless of whether the facility is located on a 75951
premises where the wastes are generated; 75952

(b) Are generated from the combustion of coal, or from the 75953
combustion of primarily coal, regardless of whether the disposal 75954
facility is located on the premises where the wastes are 75955
generated; 75956

(c) Are asbestos or asbestos-containing materials or products 75957
disposed of at a construction and demolition debris facility that 75958
is licensed under Chapter 3714. of the Revised Code or at a solid 75959
waste facility that is licensed under this chapter. 75960

(2) Except as provided in section 3734.571 of the Revised 75961
Code, any fees levied under division (B)(1) of this section apply 75962
to solid wastes originating outside the boundaries of a county or 75963
joint district that are covered by an agreement for the joint use 75964
of solid waste facilities entered into under section 343.02 of the 75965
Revised Code by the board of county commissioners or board of 75966
directors of the county or joint district where the wastes are 75967
generated and disposed of. 75968

(3) When solid wastes, other than solid wastes that consist 75969
of scrap tires, are burned in a disposal facility that is an 75970
incinerator or energy recovery facility, the fees levied under 75971
divisions (A), (B), and (C) of this section shall be levied upon 75972
the disposal of the fly ash and bottom ash remaining after burning 75973
of the solid wastes and shall be collected by the owner or 75974
operator of the sanitary landfill where the ash is disposed of. 75975

(4) When solid wastes are delivered to a solid waste transfer 75976
facility, the fees levied under divisions (B) and (C) of this 75977
section shall be levied upon the disposal of solid wastes 75978
transported off the premises of the transfer facility for disposal 75979
and shall be collected by the owner or operator of the solid waste 75980
disposal facility where the wastes are disposed of. 75981

(5) The fees levied under divisions (A), (B), and (C) of this 75982
section do not apply to sewage sludge that is generated by a waste 75983
water treatment facility holding a national pollutant discharge 75984
elimination system permit and that is disposed of through 75985
incineration, land application, or composting or at another 75986
resource recovery or disposal facility that is not a landfill. 75987

(6) The fees levied under divisions (A), (B), and (C) of this section do not apply to solid wastes delivered to a solid waste composting facility for processing. When any unprocessed solid waste or compost product is transported off the premises of a composting facility and disposed of at a landfill, the fees levied under divisions (A), (B), and (C) of this section shall be collected by the owner or operator of the landfill where the unprocessed waste or compost product is disposed of.

(7) When solid wastes that consist of scrap tires are processed at a scrap tire recovery facility, the fees levied under divisions (A), (B), and (C) of this section shall be levied upon the disposal of the fly ash and bottom ash or other solid wastes remaining after the processing of the scrap tires and shall be collected by the owner or operator of the solid waste disposal facility where the ash or other solid wastes are disposed of.

(8) The director of environmental protection may issue an order exempting from the fees levied under this section solid wastes, including, but not limited to, scrap tires, that are generated, transferred, or disposed of as a result of a contract providing for the expenditure of public funds entered into by the administrator or regional administrator of the United States environmental protection agency, the director of environmental protection, or the director of administrative services on behalf of the director of environmental protection for the purpose of remediating conditions at a hazardous waste facility, solid waste facility, or other location at which the administrator or regional administrator or the director of environmental protection has reason to believe that there is a substantial threat to public health or safety or the environment or that the conditions are causing or contributing to air or water pollution or soil contamination. An order issued by the director of environmental protection under division (D)(8) of this section shall include a

determination that the amount of the fees not received by a solid waste management district as a result of the order will not adversely impact the implementation and financing of the district's approved solid waste management plan and any approved amendments to the plan. Such an order is a final action of the director of environmental protection.

(E) The fees levied under divisions (B) and (C) of this section shall be collected by the owner or operator of the solid waste disposal facility where the wastes are disposed of as a trustee for the county or joint district and municipal corporation or township where the wastes are disposed of. Moneys from the fees levied under division (B) of this section shall be forwarded to the board of county commissioners or board of directors of the district in accordance with rules adopted under division (H) of this section. Moneys from the fees levied under division (C) of this section shall be forwarded to the treasurer or such other officer of the municipal corporation as, by virtue of the charter, has the duties of the treasurer or to the fiscal officer of the township, as appropriate, in accordance with those rules.

(F) Moneys received by the treasurer or other officer of the municipal corporation under division (E) of this section shall be paid into the general fund of the municipal corporation. Moneys received by the fiscal officer of the township under that division shall be paid into the general fund of the township. The treasurer or other officer of the municipal corporation or the township fiscal officer, as appropriate, shall maintain separate records of the moneys received from the fees levied under division (C) of this section.

(G) Moneys received by the board of county commissioners or board of directors under division (E) of this section or section 3734.571, 3734.572, 3734.573, or 3734.574 of the Revised Code shall be paid to the county treasurer, or other official acting in

a similar capacity under a county charter, in a county district or 76052
to the county treasurer or other official designated by the board 76053
of directors in a joint district and kept in a separate and 76054
distinct fund to the credit of the district. If a regional solid 76055
waste management authority has been formed under section 343.011 76056
of the Revised Code, moneys received by the board of trustees of 76057
that regional authority under division (E) of this section shall 76058
be kept by the board in a separate and distinct fund to the credit 76059
of the district. Moneys in the special fund of the county or joint 76060
district arising from the fees levied under division (B) of this 76061
section and the fee levied under division (A) of section 3734.573 76062
of the Revised Code shall be expended by the board of county 76063
commissioners or directors of the district in accordance with the 76064
district's solid waste management plan or amended plan approved 76065
under section 3734.521, 3734.55, or 3734.56 of the Revised Code 76066
exclusively for the following purposes: 76067

(1) Preparation of the solid waste management plan of the 76068
district under section 3734.54 of the Revised Code, monitoring 76069
implementation of the plan, and conducting the periodic review and 76070
amendment of the plan required by section 3734.56 of the Revised 76071
Code by the solid waste management policy committee; 76072

The petition shall indicate the objections of the person assessed, 76209

but additional objections may be raised in writing if received by 76210

court of common pleas in the county in which the person assessed 76219
resides or in which the person's business is conducted. If the 76220
person assessed maintains no place of business in this state and 76221
is not a resident of this state, the certified copy of the entry 76222
may be filed in the office of the clerk of the court of common 76223
pleas of Franklin county. 76224

Immediately upon the filing of the entry, the clerk shall 76225

certified to the attorney general for collection under section 76239

interest at the rate per annum prescribed by section 5703.47 of 76243
the Revised Code from the date of certification until the date it 76244
is paid in its entirety. Interest shall be paid in the same manner 76245
as the fee and may be collected by the issuance of an assessment 76246
under this section. 76247

(F) If the tax commissioner believes that collection of the 76248
fee will be jeopardized unless proceedings to collect or secure 76249

assessed is immediately due and payable, unless the person 76259
assessed files a petition for reassessment in accordance with 76260
division (D) of this section and provides security in a form 76261
satisfactory to the commissioner and in an amount sufficient to 76262
satisfy the unpaid balance of the assessment. Full or partial 76263
payment of the assessment does not prejudice the commissioner's 76264
consideration of the petition for reassessment. 76265

(G) All money collected by the tax commissioner under this 76266
section shall be paid to the treasurer of state as revenue arising 76267

any person who properly completes a voluntary action with respect 76550
to any such release in accordance with Chapter 3746. of the 76551

(F) The fire marshal shall adopt, amend, and rescind rules 76590
under sections 3737.88 to ~~3737.882~~ 3737.883 of the Revised Code in 76591

Sec. 3737.882. (A) If, after an examination or inspection, 76593
the fire marshal or an assistant fire marshal finds that a release 76594
of petroleum is suspected, the fire marshal shall take such action 76595
as the fire marshal considers necessary to ensure that a suspected 76596
release is confirmed or disproved and, if the occurrence of a 76597
release is confirmed, to correct the release. These actions may 76598
include one or more of the following: 76599

(1) Issuance of a citation and order requiring the 76600
responsible person to undertake, in a manner consistent with the 76601
requirements of section 9003 of the "Resource Conservation and 76602

protect human health and the environment. In granting any such 76613
relief, the court shall ensure that the terms of the temporary 76614
restraining order or injunction are sufficient to provide 76615
comprehensive corrective action to protect human health and the 76616
environment. 76617

(3) Entry onto premises and undertaking corrective action 76618
with respect to a release of petroleum if, in the fire marshal's 76619
judgment, such action is necessary to protect human health and the 76620
environment. Any corrective action undertaken by the fire marshal 76621
or assistant fire marshal under division (A)(3) of this section 76622
shall be consistent with the requirements of sections 9003 and 76623

thereunder, and rules adopted under division (B) of this section. 76627

(B) The fire marshal shall adopt, and may amend and rescind, 76628
such rules as the fire marshal considers necessary to establish 76629
standards for corrective actions for suspected and confirmed 76630
releases of petroleum and standards for the recovery of costs 76631
incurred for undertaking corrective or enforcement actions with 76632
respect to such releases. The rules also shall include 76633
requirements for financial responsibility for the cost of 76634
corrective actions for and compensation of bodily injury and 76635

releases of petroleum. Rules regarding financial responsibility 76637
shall, without limitation, require responsible persons to provide 76638
evidence that the parties guaranteeing payment of the deductible 76639
amount established under division (E) or (F) of section 3737.91 of 76640
the Revised Code are, at a minimum, secondarily liable for all 76641

corrective action and third-party liability costs incurred within 76642
the scope of the deductible amount. The rules shall be consistent 76643
with sections 9003 and 9005 of the "Resource Conservation and 76644
Recovery Act of 1976," 98 Stat. 3279, 42 U.S.C.A. 6991b, and 98 76645

fail to comply with the terms of any order issued under division 76651
(A) of section 3737.88 of the Revised Code or division (A)(1) of 76652
this section. 76653

(2) Whoever violates division (C)(1) of this section or 76654
division (F) of section 3737.881 of the Revised Code shall pay a 76655
civil penalty of not more than ten thousand dollars for each day 76656
that the violation continues. The fire marshal may, by order, 76657
assess a civil penalty under this division, or the fire marshal 76658
may request the attorney general to bring a civil action for 76659
imposition of the civil penalty in the court of common pleas of 76660
the county in which the violation occurred. If the fire marshal 76661
determines that a responsible person is in violation of division 76662
(C)(1) of this section or division (F) of section 3737.881 of the 76663
Revised Code, the fire marshal may request the attorney general to 76664

storage tank or, in the case of a violation of division (F)(3) of 76668
section 3737.881 of the Revised Code, the training program that is 76669
the subject of the violation is located. The court shall issue a 76670
temporary restraining order or an injunction upon a demonstration 76671
that a violation of division (C)(1) of this section or division 76672
(F) of section 3737.881 of the Revised Code has occurred or is 76673

occurring. 76674

Any action brought by the attorney general under this 76675
division is a civil action, governed by the Rules of Civil 76676
Procedure and other rules of practice and procedure applicable to 76677
civil actions. 76678

Nothing in section 3737.883 of the Revised Code limits the 76679
powers of the fire marshal or the attorney general under this 76680
division. 76681

(D) Orders issued under division (A) of section 3737.88 of 76682
the Revised Code and divisions (A)(1) and (C) of this section, and 76683
appeals thereof, are subject to and governed by Chapter 3745. of 76684

necessity for issuance of a proposed action under that chapter. 76686
For purposes of appeals of any such orders, the term "director" as 76687
used in Chapter 3745. of the Revised Code includes the fire 76688
marshal and an assistant fire marshal. 76689

Code. The deed, other instrument containing the restrictions, or 76697
environmental covenant shall be filed and recorded in the office 76698
of the county recorder of the county in which the property is 76699
located. Pursuant to Chapter 5309. of the Revised Code, if the use 76700
restrictions or environmental covenant are connected with 76701
registered land, as defined in section 5309.01 of the Revised 76702
Code, the restrictions or environmental covenant shall be entered 76703
as a memorial on the page of the register where the title of the 76704
owner is registered. 76705

(F) Any restrictions on the use of real property for the purpose of the achievement by a person that is not a responsible person, or by a person undertaking a voluntary action of applicable standards pursuant to rules adopted under division (B) of this section shall be contained in an environmental covenant that is entered into in accordance with sections 5301.80 to 5301.92 of the Revised Code. The environmental covenant shall be filed and recorded in the office of the county recorder of the county in which the property is located. subsequent calendar year, to be collected no sooner than the 76928
fifteenth day of April of the year next succeeding the calendar 76929
year in which the emissions occurred. 76930

portion of the emissions of a regulated pollutant at a facility 76932
that exceed four thousand tons during a calendar year. 76933

not apply to emissions from any electric generating unit 76938
designated as a Phase I unit under Title IV of the federal Clean 76939
Air Act prior to calendar year 2000. Those fees shall be assessed 76940
on the emissions from such a generating unit commencing in 76941
calendar year 2001 based upon the total actual emissions from the 76942
generating unit during calendar year 2000 and shall continue to be 76943
assessed each subsequent calendar year based on the total actual 76944
emissions from the generating unit during the preceding calendar 76945
year. 76946

(3) The director shall issue invoices to owners or operators of air contaminant sources who are required to pay a fee assessed under division (B) or (D) of this section. Any such invoice shall be issued no sooner than the applicable date when the fee first may be collected in a year under the applicable division, shall identify the nature and amount of the fee assessed, and shall indicate that the fee is required to be paid within thirty days after the issuance of the invoice.

(D)(1) Except as provided in division (D)(3) of this section, from January 1, 1994, through December 31, 2003, each person who owns or operates an air contaminant source; who is required to apply for a permit to operate pursuant to rules adopted under division (G), or a variance pursuant to division (H), of section 3704.03 of the Revised Code; and who is not required to apply for and obtain a Title V permit under section 3704.036 of the Revised Code shall pay a single fee based upon the sum of the actual annual emissions from the facility of the regulated pollutants particulate matter, sulfur dioxide, nitrogen oxides, organic compounds, and lead in accordance with the following schedule:

install or permits to operate have been issued for the air 76992
contaminant sources at the facility that include terms and 76993
conditions that lower the facility's potential to emit air 76994
contaminants below the major source thresholds established in 76995
rules adopted under section 3704.036 of the Revised Code. 76996

(b) Beginning January 1, 2000, through June 30, ~~2014~~ 2016, 76997
each person who owns or operates a synthetic minor facility shall 76998

The fees assessed under division (D)(3) of this section shall be collected no sooner than the fifteenth day of April, commencing in 2000. The fees assessed under division (D) of this section in a calendar year shall be based upon the sum of the actual emissions of those regulated pollutants during the preceding calendar year. For the purpose of division (D) of this section, emissions of air contaminants may be calculated using engineering calculations, emission factors, material balance calculations, or performance testing procedures, as authorized by the director. The director, by rule, may require persons who are required to pay the fees assessed under division (D) of this section to pay those fees biennially rather than annually.

(E)(1) Consistent with the need to cover the reasonable costs of the Title V permit program, the director annually shall increase the fees prescribed in division (B) of this section by the percentage, if any, by which the consumer price index for the most recent calendar year ending before the beginning of a year exceeds the consumer price index for calendar year 1989. Upon calculating an increase in fees authorized by division (E)(1) of this section, the director shall compile revised fee schedules for the purposes of division (B) of this section and shall make the revised schedules available to persons required to pay the fees

assessed under that division and to the public. 77044

(2) For the purposes of division (E)(1) of this section: 77045

(a) The consumer price index for any year is the average of 77046
the consumer price index for all urban consumers published by the 77047
United States department of labor as of the close of the 77048
twelve-month period ending on the thirty-first day of August of 77049
that year. 77050

(b) If the 1989 consumer price index is revised, the director 77051
shall use the revision of the consumer price index that is most 77052
consistent with that for calendar year 1989. 77053

discharge during a billing year, the director shall reduce the 77277
annual discharge fee, including the surcharge applicable to 77278
certain industrial facilities pursuant to division (L)(5)(c) of 77279
this section, by one-twelfth for each full month during the 77280

the following: 77755

(1) Prescribe fees to be paid by applicants for and holders 77756
of any license, permit, variance, plan approval, or certification 77757
required or authorized by Chapter 3704., 3734., 6109., or 6111. of 77758
the Revised Code that are not specifically established in this 77759
section. The fees shall be designed to defray the cost of 77760

the licenses, permits, variances, plan approvals, and 77762
certifications. 77763

The director shall transmit all moneys collected under rules 77764
adopted under division (T)(1) of this section pursuant to Chapter 77765

any fee required by this section; 77778

(3) Provide for the waiver of any fee, or any part thereof, 77779
otherwise required by this section whenever the director 77780
determines that the imposition of the fee would constitute an 77781
unreasonable cost of doing business for any applicant, class of 77782
applicants, or other person subject to the fee; 77783

(4) Prescribe measures that the director considers necessary 77784
to carry out this section. 77785

(U) When the director reasonably demonstrates that the direct 77786
cost to the state associated with the issuance of a permit to 77787
install, license, variance, plan approval, or certification 77788
exceeds the fee for the issuance or review specified by this 77789
section, the director may condition the issuance or review on the 77790
payment by the person receiving the issuance or review of, in 77791
addition to the fee specified by this section, the amount, or any 77792
portion thereof, in excess of the fee specified under this 77793

plan approval, or certification. If payment is late, the person 77802
responsible for payment of the fee shall pay an additional ten per 77803
cent of the amount due for each month that it is late. 77804

(W) As used in this section, "fuel-burning equipment," 77805
"fuel-burning equipment input capacity," "incinerator," 77806

The annual volume of sewage sludge treated or disposed of by a sewage	77849 77850 77851 77852 77853 77854 77855

sludge facility shall be calculated using the first day of January 77856
through the thirty-first day of December of the calendar year 77857
preceding the date on which payment of the fee is due. 77858

(2)(a) Except as provided in division (Y)(2)(d) of this 77859
section, each sewage sludge facility shall pay a minimum annual 77860
sewage sludge fee of one hundred dollars. 77861

(b) The annual sludge fee required to be paid by a sewage 77862
sludge facility that treats or disposes of exceptional quality 77863
sludge in this state shall be thirty-five per cent less per dry 77864
ton of exceptional quality sludge than the fee assessed under 77865
division (Y)(1) of this section, subject to the following 77866
exceptions: 77867

(i) Except as provided in division (Y)(2)(d) of this section, 77868
a sewage sludge facility that treats or disposes of exceptional 77869
quality sludge shall pay a minimum annual sewage sludge fee of one 77870
hundred dollars. 77871

(ii) A sewage sludge facility that treats or disposes of 77872
exceptional quality sludge shall not be required to pay the annual 77873
sludge fee for treatment or disposal in this state of exceptional 77874
quality sludge generated outside of this state and contained in 77875
bags or other containers not greater than one hundred pounds in 77876
capacity. 77877

A thirty-five per cent reduction for exceptional quality 77878
sludge applies to the maximum annual fees established under 77879
division (Y)(3) of this section. 77880

(c) A sewage sludge facility that transfers sewage sludge to 77881
another sewage sludge facility in this state for further treatment 77882
prior to disposal in this state shall not be required to pay the 77883
annual sludge fee for the tons of sewage sludge that have been 77884
transferred. In such a case, the sewage sludge facility that 77885
disposes of the sewage sludge shall pay the annual sludge fee. 77886

However, the facility transferring the sewage sludge shall pay the 77887
one-hundred-dollar minimum fee required under division (Y)(2)(a) 77888
of this section. 77889

In the case of a sewage sludge facility that treats sewage 77890
sludge in this state and transfers it out of this state to another 77891
entity for disposal, the sewage sludge facility in this state 77892
shall be required to pay the annual sludge fee for the tons of 77893
sewage sludge that have been transferred. 77894

(d) A sewage sludge facility that generates sewage sludge 77895
resulting from an average daily discharge flow of less than five 77896
thousand gallons per day is not subject to the fees assessed under 77897
division (Y) of this section. 77898

(3) No sewage sludge facility required to pay the annual 77899
sludge fee shall be required to pay more than the maximum annual 77900
fee for each disposal method that the sewage sludge facility uses. 77901
The maximum annual fee does not include the additional amount that 77902
may be charged under division (Y)(5) of this section for late 77903
payment of the annual sludge fee. The maximum annual fee for the 77904
following methods of disposal of sewage sludge is as follows: 77905

(a) Incineration: five thousand dollars; 77906

(b) Preexisting land reclamation project or disposal in a 77907
landfill: five thousand dollars; 77908

(b) of this section: twenty thousand dollars. 77911

(4)(a) In the case of an entity that generates sewage sludge 77912
or a sewage sludge facility that treats sewage sludge and 77913
transfers the sewage sludge to an incineration facility for 77914
disposal, the incineration facility, and not the entity generating 77915
the sewage sludge or the sewage sludge facility treating the 77916
sewage sludge, shall pay the annual sludge fee for the tons of 77917

sewage sludge that are transferred. However, the entity or 77918
facility generating or treating the sewage sludge shall pay the 77919
one-hundred-dollar minimum fee required under division (Y)(2)(a) 77920
of this section. 77921

transfers the sewage sludge to a landfill for disposal or to a 77923
sewage sludge facility for land reclamation or surface disposal, 77924
the entity generating the sewage sludge, and not the landfill or 77925
sewage sludge facility, shall pay the annual sludge fee for the 77926
tons of sewage sludge that are transferred. 77927

(5) Not later than the first day of April of the calendar 77928
year following March 17, 2000, and each first day of April 77929
thereafter, the director shall issue invoices to persons who are 77930
required to pay the annual sludge fee. The invoice shall identify 77931
the nature and amount of the annual sludge fee assessed and state 77932
the first day of May as the deadline for receipt by the director 77933
of objections regarding the amount of the fee and the first day of 77934
July as the deadline for payment of the fee. 77935

Not later than the first day of May following receipt of an 77936
invoice, a person required to pay the annual sludge fee may submit 77937
objections to the director concerning the accuracy of information 77938
regarding the number of dry tons of sewage sludge used to 77939
calculate the amount of the annual sludge fee or regarding whether 77940
the sewage sludge qualifies for the exceptional quality sludge 77941
discount established in division (Y)(2)(b) of this section. The 77942
director may consider the objections and adjust the amount of the 77943
fee to ensure that it is accurate. 77944

If the director does not adjust the amount of the annual 77945
sludge fee in response to a person's objections, the person may 77946
appeal the director's determination in accordance with Chapter 77947
119. of the Revised Code. 77948

Not later than the first day of June, the director shall 77949
notify the objecting person regarding whether the director has 77950
found the objections to be valid and the reasons for the finding. 77951
If the director finds the objections to be valid and adjusts the 77952
amount of the annual sludge fee accordingly, the director shall 77953
issue with the notification a new invoice to the person 77954
identifying the amount of the annual sludge fee assessed and 77955
stating the first day of July as the deadline for payment. 77956

Not later than the first day of July, any person who is 77957
required to do so shall pay the annual sludge fee. Any person who 77958
is required to pay the fee, but who fails to do so on or before 77959
that date shall pay an additional amount that equals ten per cent 77960
of the required annual sludge fee. 77961

(6) The director shall transmit all moneys collected under 77962
division (Y) of this section to the treasurer of state for deposit 77963
into the surface water protection fund created in section 6111.038 77964
of the Revised Code. The moneys shall be used to defray the costs 77965
of administering and enforcing provisions in Chapter 6111. of the 77966
Revised Code and rules adopted under it that govern the use, 77967
storage, treatment, or disposal of sewage sludge. 77968

(7) Beginning in fiscal year 2001, and every two years 77969
thereafter, the director shall review the total amount of moneys 77970
generated by the annual sludge fees to determine if that amount 77971
exceeded six hundred thousand dollars in either of the two 77972
preceding fiscal years. If the total amount of moneys in the fund 77973
exceeded six hundred thousand dollars in either fiscal year, the 77974
director, after review of the fee structure and consultation with 77975
affected persons, shall issue an order reducing the amount of the 77976
fees levied under division (Y) of this section so that the 77977
estimated amount of moneys resulting from the fees will not exceed 77978
six hundred thousand dollars in any fiscal year. 77979

If, upon review of the fees under division (Y)(7) of this 77980

section and after the fees have been reduced, the director 77981
determines that the total amount of moneys collected and 77982
accumulated is less than six hundred thousand dollars, the 77983
director, after review of the fee structure and consultation with 77984
affected persons, may issue an order increasing the amount of the 77985
fees levied under division (Y) of this section so that the 77986
estimated amount of moneys resulting from the fees will be 77987
approximately six hundred thousand dollars. Fees shall never be 77988
increased to an amount exceeding the amount specified in division 77989
(Y)(7) of this section. 77990

Notwithstanding section 119.06 of the Revised Code, the 77991
director may issue an order under division (Y)(7) of this section 77992
without the necessity to hold an adjudicatory hearing in 77993
connection with the order. The issuance of an order under this 77994
division is not an act or action for purposes of section 3745.04 77995
of the Revised Code. 77996

property who conducts an environmental audit of the facility or 78083
property and promptly and voluntarily discloses information 78084
contained in or derived from an audit report that is based on the 78085
audit and concerns an alleged violation of environmental laws to 78086
the director of the state agency that has jurisdiction over the 78087
alleged violation is immune from any administrative and civil 78088
penalties for the specific violation disclosed, except that where 78089
the disclosed violation has resulted in significant economic 78090
benefit to the owner or operator of the facility or property, 78091
there is no immunity for the economic benefit component of the 78092
administrative and civil penalties for that violation. An owner or 78093
operator asserting entitlement to such immunity has the burden of 78094
proving that entitlement by a preponderance of the evidence. 78095

(B) For the purposes of this section, a disclosure of 78096
information is voluntary with respect to an alleged violation of 78097
environmental laws only if all of the following apply: 78098

(1) The disclosure is made promptly after the information is 78099
obtained through the environmental audit by the owner or operator 78100
who conducts the environmental audit. 78101

(5) The disclosure is not required by law, prior litigation, 78113
or an order by a court or a government agency. 78114

(6) The owner or operator who makes the disclosure does not 78115
know or have reason to know that a government agency charged with 78116
enforcing environmental laws has commenced an investigation or 78117
enforcement action that concerns a violation of such laws 78118
involving the activity. 78119

(C) For the purposes of this section, a disclosure shall be 78120
in writing, dated, and hand delivered or sent by certified mail to 78121

operator making the disclosure; 78126

(2) The name, title, address, and telephone number of one or 78127

provided by that section. 78137

(D) This section does not provide immunity from the payment 78138
of damages for harm to persons, property, or the environment; the 78139
payment of reasonable costs incurred by a government agency in 78140
responding to a disclosure; or responsibility for the remediation 78141
or cleanup of environmental harm under environmental laws. 78142

(E) The immunity provided by this section does not apply 78143
under any of the following circumstances: 78144

(1) Within the three-year period prior to disclosure, the 78145
owner or operator of a facility or property has committed 78146
significant violations that constitute a pattern of continuous or 78147
repeated violations of environmental laws, environmental related 78148
settlement agreements, or environmental related judicial orders 78149
and that arose from separate and distinct events. For the purposes 78150
of division (E)(1) of this section, a pattern of continuous or 78151
repeated violations also may be demonstrated by multiple 78152
settlement agreements related to substantially the same alleged 78153
significant violations that occurred within the three-year period 78154
immediately prior to the voluntary disclosure. Determination of 78155
whether a person has a pattern of continuous or repeated 78156
violations under division (E)(1) of this section shall be based on 78157
the compliance history of the property or specific facility at 78158
issue. 78159

(2) With respect to a specific violation, the violation 78160
resulted in serious harm or in imminent and substantial 78161
endangerment to human health or the environment. 78162

(3) With respect to a specific violation, the violation is of a specific requirement of an administrative or judicial order. 78163
78164

(F) The immunity provided by this section applies only to disclosures made concerning environmental audits initiated after March 13, 1997, ~~and completed before January 1, 2014,~~ in accordance with the time frames specified in division (A) of section 3745.70 of the Revised Code. 78165

Sec. 3769.08. (A) Any person holding a permit to conduct a horse-racing meeting may provide a place in the race meeting grounds or enclosure at which the permit holder may conduct and supervise the pari-mutuel system of wagering by patrons of legal age on the live racing programs and simulcast racing programs conducted by the permit holder.

The pari-mutuel method of wagering upon the live racing programs and simulcast racing programs held at or conducted within such race track, and at the time of such horse-racing meeting, or at other times authorized by the state racing commission, shall not be unlawful. No other place, except that provided and designated by the permit holder and except as provided in section 3769.26 of the Revised Code, nor any other method or system of betting or wagering on live racing programs and simulcast racing programs, except the pari-mutuel system, shall be used or permitted by the permit holder; nor, except as provided in section 3769.089 or 3769.26 of the Revised Code, shall the pari-mutuel system of wagering be conducted by the permit holder on any races except the races at the race track, grounds, or enclosure for which the person holds a permit. Each permit holder may retain as a commission an amount not to exceed eighteen per cent of the total of all moneys wagered on live racing programs and simulcast racing programs.

The pari-mutuel wagering authorized by this section is subject to sections 3769.25 to 3769.28 of the Revised Code.

(B) At the close of each racing day, each permit holder authorized to conduct thoroughbred racing, out of the amount

retained on that day by the permit holder, shall pay ~~by check,~~ 78562
~~draft, or money order to the tax commissioner in the manner~~ 78563
prescribed under section 3769.103 of the Revised Code, as a tax, a 78564
sum equal to the following percentages of the total of all moneys 78565
wagered on live racing programs on that day and shall separately 78566
compute and pay ~~by check, draft, or money order to the tax~~ 78567
~~commissioner in the manner prescribed under section 3769.103 of~~ 78568
the Revised Code, as a tax, a sum equal to the following 78569
percentages of the total of all money wagered on simulcast racing 78570

Revised Code, each permit holder authorized to conduct 78581
thoroughbred racing shall use for purse money a sum equal to fifty 78582
per cent of the pari-mutuel revenues retained by the permit holder 78583
as a commission after payment of the state tax. This fifty per 78584
cent payment shall be in addition to the purse distribution from 78585
breakage specified in this section. 78586

Subject to division (M) of this section, from the moneys paid 78587
to the tax commissioner by thoroughbred racing permit holders, 78588
one-half of one per cent of the total of all moneys so wagered on 78589
a racing day shall be paid into the Ohio fairs fund created by 78590
section 3769.082 of the Revised Code, one and one-eighth per cent 78591
of the total of all moneys so wagered on a racing day shall be 78592

paid into the Ohio thoroughbred race fund created by section 78593
3769.083 of the Revised Code, and one-quarter of one per cent of 78594
the total of all moneys wagered on a racing day by each permit 78595
holder shall be paid into the state racing commission operating 78596
fund created by section 3769.03 of the Revised Code. The required 78597
payment to the state racing commission operating fund does not 78598
apply to county and independent fairs and agricultural societies. 78599
The remaining moneys may be retained by the permit holder, except 78600
as provided in this section with respect to the odd cents 78601
redistribution. Amounts paid into the nursing home franchise 78602
permit fee fund pursuant to this section and section 3769.26 of 78603
the Revised Code shall be used solely for the support of the 78604
PASSPORT program as determined in appropriations made by the 78605
general assembly. If the PASSPORT program is abolished, the amount 78606
that would have been paid to the nursing home franchise permit fee 78607
fund under this chapter shall be paid to the general revenue fund 78608
of the state. As used in this chapter, "PASSPORT program" ~~means~~ 78609
~~the PASSPORT program created under~~ has the same meaning as in 78610
section ~~173.40~~ 173.51 of the Revised Code. 78611

The total amount paid to the Ohio thoroughbred race fund 78612
under this section and division (A) of section 3769.087 of the 78613
Revised Code shall not exceed by more than six per cent the total 78614
amount paid to this fund under this section and division (A) of 78615
that section during the immediately preceding calendar year. 78616

Each year, the total amount calculated for payment into the 78617
Ohio fairs fund under this division, division (C) of this section, 78618
and division (A) of section 3769.087 of the Revised Code shall be 78619
an amount calculated using the percentages specified in this 78620
division, division (C) of this section, and division (A) of 78621
section 3769.087 of the Revised Code. 78622

A permit holder may contract with a thoroughbred horsemen's 78623
organization for the organization to act as a representative of 78624

all thoroughbred owners and trainers participating in a 78625
horse-racing meeting conducted by the permit holder. A 78626
"thoroughbred horsemen's organization" is any corporation or 78627
association that represents, through membership or otherwise, more 78628
than one-half of the aggregate of all thoroughbred owners and 78629
trainers who were licensed and actively participated in racing 78630
within this state during the preceding calendar year. Except as 78631
otherwise provided in this paragraph, any moneys received by a 78632
thoroughbred horsemen's organization shall be used exclusively for 78633
the benefit of thoroughbred owners and trainers racing in this 78634
state through the administrative purposes of the organization, 78635
benevolent activities on behalf of the horsemen, promotion of the 78636
horsemen's rights and interests, and promotion of equine research. 78637
A thoroughbred horsemen's organization may expend not more than an 78638
aggregate of five per cent of its annual gross receipts, or a 78639
larger amount as approved by the organization, for dues, 78640
assessments, and other payments to all other local, national, or 78641
international organizations having as their primary purposes the 78642
promotion of thoroughbred horse racing, thoroughbred horsemen's 78643
rights, and equine research. 78644

(C) Except as otherwise provided in division (B) of this 78645
section, at the close of each racing day, each permit holder 78646
authorized to conduct harness or quarter horse racing, out of the 78647
amount retained that day by the permit holder, shall pay ~~by check,~~ 78648
~~draft, or money order to the tax commissioner~~ in the manner 78649
prescribed under section 3769.103 of the Revised Code, as a tax, a 78650
sum equal to the following percentages of the total of all moneys 78651
wagered on live racing programs and shall separately compute and 78652
pay ~~by check, draft, or money order to the tax commissioner~~ in the 78653
manner prescribed under section 3769.103 of the Revised Code, as a 78654
tax, a sum equal to the following percentages of the total of all 78655
money wagered on simulcast racing programs on that day: 78656

(1) One per cent of the first two hundred thousand dollars 78657
wagered, or any part of that amount; 78658

(2) Two per cent of the next one hundred thousand dollars 78659
wagered, or any part of that amount; 78660

(3) Three per cent of the next one hundred thousand dollars 78661
wagered, or any part of that amount; 78662

(4) Four per cent of all sums over four hundred thousand 78663
dollars wagered. 78664

Except as otherwise provided in division (B) and subject to 78665
division (M) of this section, from the moneys paid to the tax 78666
commissioner by permit holders authorized to conduct harness or 78667
quarter horse racing, one-half of one per cent of all moneys 78668
wagered on that racing day shall be paid into the Ohio fairs fund; 78669
from the moneys paid to the tax commissioner by permit holders 78670
authorized to conduct harness racing, five-eighths of one per cent 78671
of all moneys wagered on that racing day shall be paid into the 78672
Ohio standardbred development fund; and from the moneys paid to 78673
the tax commissioner by permit holders authorized to conduct 78674
quarter horse racing, five-eighths of one per cent of all moneys 78675
wagered on that racing day shall be paid into the Ohio quarter 78676
horse development fund. 78677

(D) In addition, subject to division (M) of this section, 78678
beginning on January 1, 1996, from the money paid to the tax 78679
commissioner as a tax under this section and division (A) of 78680
section 3769.087 of the Revised Code by harness horse permit 78681
holders, one-half of one per cent of the amount wagered on a 78682
racing day shall be paid into the Ohio standardbred development 78683
fund. Beginning January 1, 1998, the payment to the Ohio 78684
standardbred development fund required under this division does 78685
not apply to county agricultural societies or independent 78686
agricultural societies. 78687

The total amount paid to the Ohio standardbred development fund under this division, division (C) of this section, and division (A) of section 3769.087 of the Revised Code and the total amount paid to the Ohio quarter horse development fund under this division and division (A) of that section shall not exceed by more than six per cent the total amount paid into the fund under this division, division (C) of this section, and division (A) of section 3769.087 of the Revised Code in the immediately preceding calendar year.

(E) Subject to division (M) of this section, from the money paid as a tax under this chapter by harness and quarter horse permit holders, one-quarter of one per cent of the total of all moneys wagered on a racing day by each permit holder shall be paid into the state racing commission operating fund created by section 3769.03 of the Revised Code. This division does not apply to county and independent fairs and agricultural societies.

(F) Except as otherwise provided in section 3769.089 of the Revised Code, each permit holder authorized to conduct harness racing shall pay to the harness horsemen's purse pool a sum equal to fifty per cent of the pari-mutuel revenues retained by the permit holder as a commission after payment of the state tax. This fifty per cent payment is to be in addition to the purse distribution from breakage specified in this section.

(G) In addition, each permit holder authorized to conduct harness racing shall be allowed to retain the odd cents of all redistribution to be made on all mutual contributions exceeding a sum equal to the next lowest multiple of ten.

Forty per cent of that portion of that total sum of such odd cents shall be used by the permit holder for purse money for Ohio sired, bred, and owned colts, for purse money for Ohio bred horses, and for increased purse money for horse races. Upon the formation of the corporation described in section 3769.21 of the

Revised Code to establish a harness horsemen's health and 78720
retirement fund, twenty-five per cent of that portion of that 78721
total sum of odd cents shall be paid at the close of each racing 78722
day by the permit holder to that corporation to establish and fund 78723
the health and retirement fund. Until that corporation is formed, 78724
that twenty-five per cent shall be paid at the close of each 78725
racing day by the permit holder to the tax commissioner or the tax 78726
commissioner's agent in the county seat of the county in which the 78727
permit holder operates race meetings. The remaining thirty-five 78728
per cent of that portion of that total sum of odd cents shall be 78729
retained by the permit holder. 78730

(H) In addition, each permit holder authorized to conduct 78731
thoroughbred racing shall be allowed to retain the odd cents of 78732
all redistribution to be made on all mutuel contributions 78733
exceeding a sum equal to the next lowest multiple of ten. Twenty 78734
per cent of that portion of that total sum of such odd cents shall 78735
be used by the permit holder for increased purse money for horse 78736
races. Upon the formation of the corporation described in section 78737
3769.21 of the Revised Code to establish a thoroughbred horsemen's 78738
health and retirement fund, forty-five per cent of that portion of 78739
that total sum of odd cents shall be paid at the close of each 78740
racing day by the permit holder to that corporation to establish 78741
and fund the health and retirement fund. Until that corporation is 78742
formed, that forty-five per cent shall be paid by the permit 78743
holder to the tax commissioner or the tax commissioner's agent in 78744
the county seat of the county in which the permit holder operates 78745
race meetings, at the close of each racing day. The remaining 78746
thirty-five per cent of that portion of that total sum of odd 78747
cents shall be retained by the permit holder. 78748

(I) In addition, each permit holder authorized to conduct 78749
quarter horse racing shall be allowed to retain the odd cents of 78750
all redistribution to be made on all mutuel contributions 78751

exceeding a sum equal to the next lowest multiple of ten, subject 78752
to a tax of twenty-five per cent on that portion of the total sum 78753
of such odd cents that is in excess of two thousand dollars during 78754
a calendar year, which tax shall be paid at the close of each 78755
racing day by the permit holder to the tax commissioner or the tax 78756
commissioner's agent in the county seat of the county within which 78757
the permit holder operates race meetings. Forty per cent of that 78758
portion of that total sum of such odd cents shall be used by the 78759
permit holder for increased purse money for horse races. The 78760
remaining thirty-five per cent of that portion of that total sum 78761
of odd cents shall be retained by the permit holder. 78762

(J)(1) To encourage the improvement of racing facilities for 78763
the benefit of the public, breeders, and horse owners, and to 78764
increase the revenue to the state from the increase in pari-mutuel 78765
wagering resulting from those improvements, the taxes paid by a 78766
permit holder to the state as provided for in this chapter shall 78767
be reduced by three-fourths of one per cent of the total amount 78768
wagered for those permit holders who make capital improvements to 78769
existing race tracks or construct new race tracks. The percentage 78770
of the reduction that may be taken each racing day shall equal 78771
seventy-five per cent of the taxes levied under divisions (B) and 78772
(C) of this section and section 3769.087 of the Revised Code, and 78773
division (F)(2) of section 3769.26 of the Revised Code, as 78774
applicable, divided by the calculated amount each fund should 78775
receive under divisions (B) and (C) of this section and section 78776
3769.087 of the Revised Code, and division (F)(2) of section 78777
3769.26 of the Revised Code and the reduction provided for in this 78778
division. If the resulting percentage is less than one, that 78779
percentage shall be multiplied by the amount of the reduction 78780
provided for in this division. Otherwise, the permit holder shall 78781
receive the full reduction provided for in this division. The 78782
amount of the allowable reduction not received shall be carried 78783
forward and applied against future tax liability. After any 78784

reductions expire, any reduction carried forward shall be treated 78785
as a reduction as provided for in this division. 78786

If more than one permit holder is authorized to conduct 78787
racing at the facility that is being built or improved, the cost 78788
of the new race track or capital improvement shall be allocated 78789
between or among all the permit holders in the ratio that the 78790
permit holders' number of racing days bears to the total number of 78791
racing days conducted at the facility. 78792

A reduction for a new race track or a capital improvement 78793
shall start from the day racing is first conducted following the 78794
date actual construction of the new race track or each capital 78795
improvement is completed and the construction cost has been 78796
approved by the racing commission, unless otherwise provided in 78797
this section. A reduction for a new race track or a capital 78798
improvement shall continue for a period of twenty-five years for 78799
new race tracks and for fifteen years for capital improvements if 78800
the construction of the capital improvement or new race track 78801
commenced prior to March 29, 1988, and for a period of ten years 78802
for new race tracks or capital improvements if the construction of 78803
the capital improvement or new race track commenced on or after 78804
March 29, 1988, but before June 6, 2001, or until the total tax 78805
reduction reaches seventy per cent of the approved cost of the new 78806
race track or capital improvement, as allocated to each permit 78807
holder, whichever occurs first. A reduction for a new race track 78808
or a capital improvement approved after June 6, 2001, shall 78809
continue until the total tax reduction reaches one hundred per 78810
cent of the approved cost of the new race track or capital 78811
improvement, as allocated to each permit holder. 78812

A reduction granted for a new race track or a capital 78813
improvement, the application for which was approved by the racing 78814
commission after March 29, 1988, but before June 6, 2001, shall 78815
not commence nor shall the ten-year period begin to run until all 78816

prior tax reductions with respect to the same race track have 78817
ended. The total tax reduction because of capital improvements 78818
shall not during any one year exceed for all permit holders using 78819
any one track three-fourths of one per cent of the total amount 78820
wagered, regardless of the number of capital improvements made. 78821
Several capital improvements to a race track may be consolidated 78822
in an application if the racing commission approved the 78823
application prior to March 29, 1988. No permit holder may receive 78824
a tax reduction for a capital improvement approved by the racing 78825
commission on or after March 29, 1988, at a race track until all 78826
tax reductions have ended for all prior capital improvements 78827
approved by the racing commission under this section or section 78828
3769.20 of the Revised Code at that race track. If there are two 78829
or more permit holders operating meetings at the same track, they 78830
may consolidate their applications. The racing commission shall 78831
notify the tax commissioner when the reduction of tax begins and 78832
when it ends. 78833

Each fiscal year the racing commission shall submit a report 78834
to the tax commissioner, the office of budget and management, and 78835
the legislative service commission. The report shall identify each 78836
capital improvement project undertaken under this division and in 78837
progress at each race track, indicate the total cost of each 78838
project, state the tax reduction that resulted from each project 78839
during the immediately preceding fiscal year, estimate the tax 78840
reduction that will result from each project during the current 78841
fiscal year, state the total tax reduction that resulted from all 78842
such projects at all race tracks during the immediately preceding 78843
fiscal year, and estimate the total tax reduction that will result 78844
from all such projects at all race tracks during the current 78845
fiscal year. 78846

(2) In order to qualify for the reduction in tax, a permit 78847
holder shall apply to the racing commission in such form as the 78848

commission may require and shall provide full details of the new 78849
race track or capital improvement, including a schedule for its 78850
construction and completion, and set forth the costs and expenses 78851
incurred in connection with it. The racing commission shall not 78852
approve an application unless the permit holder shows that a 78853
contract for the new race track or capital improvement has been 78854
let under an unrestricted competitive bidding procedure, unless 78855
the contract is exempted by the controlling board because of its 78856
unusual nature. In determining whether to approve an application, 78857
the racing commission shall consider whether the new race track or 78858
capital improvement will promote the safety, convenience, and 78859
comfort of the racing public and horse owners and generally tend 78860
towards the improvement of racing in this state. 78861

(3) If a new race track or capital improvement is approved by 78862
the racing commission and construction has started, the tax 78863
reduction may be authorized by the commission upon presentation of 78864
copies of paid bills in excess of one hundred thousand dollars or 78865
ten per cent of the approved cost, whichever is greater. After the 78866
initial authorization, the permit holder shall present copies of 78867
paid bills. If the permit holder is in substantial compliance with 78868
the schedule for construction and completion of the new race track 78869
or capital improvement, the racing commission may authorize the 78870
continuation of the tax reduction upon the presentation of the 78871
additional paid bills. The total amount of the tax reduction 78872
authorized shall not exceed the percentage of the approved cost of 78873
the new race track or capital improvement specified in division 78874
(J)(1) of this section. The racing commission may terminate any 78875
tax reduction immediately if a permit holder fails to complete the 78876
new race track or capital improvement, or to substantially comply 78877
with the schedule for construction and completion of the new race 78878
track or capital improvement. If a permit holder fails to complete 78879
a new race track or capital improvement, the racing commission 78880
shall order the permit holder to repay to the state the total 78881

amount of tax reduced. The normal tax paid by the permit holder 78882
shall be increased by three-fourths of one per cent of the total 78883
amount wagered until the total amount of the additional tax 78884
collected equals the total amount of tax reduced. 78885

(4) As used in this section: 78886

(a) "Capital improvement" means an addition, replacement, or 78887
remodeling of a structural unit of a race track facility costing 78888
at least one hundred thousand dollars, including, but not limited 78889
to, the construction of barns used exclusively for the race track 78890
facility, backstretch facilities for horsemen, paddock facilities, 78891
new pari-mutuel and totalizator equipment and appurtenances to 78892
that equipment purchased by the track, new access roads, new 78893
parking areas, the complete reconstruction, reshaping, and 78894
leveling of the racing surface and appurtenances, the installation 78895
of permanent new heating or air conditioning, roof replacement or 78896
restoration, installations of a permanent nature forming a part of 78897
the track structure, and construction of buildings that are 78898
located on a permit holder's premises. "Capital improvement" does 78899
not include the cost of replacement of equipment that is not 78900
permanently installed, ordinary repairs, painting, and maintenance 78901
required to keep a race track facility in ordinary operating 78902
condition. 78903

(b) "New race track" includes the reconstruction of a race 78904
track damaged by fire or other cause that has been declared by the 78905
racing commission, as a result of the damage, to be an inadequate 78906
facility for the safe operation of horse racing. 78907

(c) "Approved cost" includes all debt service and interest 78908
costs that are associated with a capital improvement or new race 78909
track and that the racing commission approves for a tax reduction 78910
under division (J) of this section. 78911

(5) The racing commission shall not approve an application 78912

for a tax reduction under this section if it has reasonable cause 78913
to believe that the actions or negligence of the permit holder 78914
substantially contributed to the damage suffered by the track due 78915
to fire or other cause. The racing commission shall obtain any 78916
data or information available from a fire marshal, law enforcement 78917
official, or insurance company concerning any fire or other damage 78918
suffered by a track, prior to approving an application for a tax 78919
reduction. 78920

(6) The approved cost to which a tax reduction applies shall 78921
be determined by generally accepted accounting principles and 78922
verified by an audit of the permit holder's records upon 78923
completion of the project by the racing commission, or by an 78924
independent certified public accountant selected by the permit 78925
holder and approved by the commission. 78926

(K) No other license or excise tax or fee, except as provided 78927
in sections 3769.01 to 3769.14 of the Revised Code, shall be 78928
assessed or collected from such licensee by any county, township, 78929
district, municipal corporation, or other body having power to 78930
assess or collect a tax or fee. That portion of the tax paid under 78931
this section by permit holders for racing conducted at and during 78932
the course of an agricultural exposition or fair, and that portion 78933
of the tax that would have been paid by eligible permit holders 78934
into the nursing home franchise permit fee fund as a result of 78935
racing conducted at and during the course of an agricultural 78936
exposition or fair, shall be deposited into the state treasury to 78937
the credit of the horse racing tax fund, which is hereby created 78938
for the use of the agricultural societies of the several counties 78939
in which the taxes originate. The state racing commission shall 78940
determine eligible permit holders for purposes of the preceding 78941
sentence, taking into account the breed of horse, the racing 78942
dates, the geographic proximity to the fair, and the best 78943
interests of Ohio racing. On the first day of any month on which 78944

there is money in the fund, the tax commissioner shall provide for 78945
payment to the treasurer of each agricultural society the amount 78946
of the taxes collected under this section upon racing conducted at 78947
and during the course of any exposition or fair conducted by the 78948
society. 78949

(L) From the tax paid under this section by harness track 78950
permit holders, the tax commissioner shall pay into the Ohio 78951
thoroughbred race fund a sum equal to a percentage of the amount 78952
wagered upon which the tax is paid. The percentage shall be 78953
determined by the tax commissioner and shall be rounded to the 78954
nearest one-hundredth. The percentage shall be such that, when 78955
multiplied by the amount wagered upon which tax was paid by the 78956
harness track permit holders in the most recent year for which 78957
final figures are available, it results in a sum that 78958
substantially equals the same amount of tax paid by the tax 78959
commissioner during that year into the Ohio fairs fund from taxes 78960
paid by thoroughbred permit holders. This division does not apply 78961
to county and independent fairs and agricultural societies. 78962

(M) Twenty-five per cent of the taxes levied on thoroughbred 78963
racing permit holders, harness racing permit holders, and quarter 78964
horse racing permit holders under this section, division (A) of 78965
section 3769.087 of the Revised Code, and division (F)(2) of 78966
section 3769.26 of the Revised Code shall be paid into the nursing 78967
home franchise permit fee fund. The tax commissioner shall pay any 78968
money remaining, after the payment into the nursing home franchise 78969
permit fee fund and the reductions provided for in division (J) of 78970
this section and in section 3769.20 of the Revised Code, into the 78971
Ohio fairs fund, Ohio thoroughbred race fund, Ohio standardbred 78972
development fund, Ohio quarter horse fund, and state racing 78973
commission operating fund as prescribed in this section and 78974
division (A) of section 3769.087 of the Revised Code. The tax 78975
commissioner shall thereafter use and apply the balance of the 78976

money paid as a tax by any permit holder to cover any shortage in 78977
the accounts of such funds resulting from an insufficient payment 78978
as a tax by any other permit holder. ~~The~~ Subject to section 78979
3769.101 of the Revised Code, the moneys received by the tax 78980
commissioner shall be deposited ~~weekly~~ monthly and paid by the tax 78981
commissioner into the funds to cover the total aggregate amount 78982
due from all permit holders to the funds, as calculated under this 78983
section and division (A) of section 3769.087 of the Revised Code, 78984
as applicable. If, after the payment into the nursing home 78985
franchise permit fee fund, sufficient funds are not available from 78986
the tax deposited by the tax commissioner to pay the required 78987
amounts into the Ohio fairs fund, Ohio standardbred development 78988
fund, Ohio thoroughbred race fund, Ohio quarter horse fund, and 78989
the state racing commission operating fund, the tax commissioner 78990
shall prorate on a proportional basis the amount paid to each of 78991
the funds. Any shortage to the funds as a result of a proration 78992
shall be applied against future deposits for the same calendar 78993
year when funds are available. After this application, the tax 78994
commissioner shall pay any remaining money paid as a tax by all 78995
permit holders into the nursing home franchise permit fee fund. 78996
This division does not apply to permit holders conducting racing 78997
at the course of an agricultural exposition or fair as described 78998
in division (K) of this section. 78999

Sec. 3769.087. (A) In addition to the commission of eighteen 79000
per cent retained by each permit holder as provided in section 79001
3769.08 of the Revised Code, each permit holder shall retain an 79002
additional amount equal to four per cent of the total of all 79003
moneys wagered on each racing day on all wagering pools other than 79004
win, place, and show, of which amount retained an amount equal to 79005
three per cent of the total of all moneys wagered on each racing 79006
day on those pools shall be paid ~~by check, draft, or money order~~ 79007
~~to the tax commissioner~~ in the manner prescribed under section 79008

3769.103 of the Revised Code, as a tax. Subject to the 79009
restrictions contained in divisions (B), (C), and (M) of section 79010
3769.08 of the Revised Code, from such additional moneys paid to 79011
the tax commissioner: 79012

(1) Four-sixths shall be allocated to fund distribution as 79013
provided in division (M) of section 3769.08 of the Revised Code. 79014

(2) One-twelfth shall be paid into the Ohio fairs fund 79015
created by section 3769.082 of the Revised Code. 79016

(3) One-twelfth of the additional moneys paid to the tax 79017
commissioner by thoroughbred racing permit holders shall be paid 79018
into the Ohio thoroughbred race fund created by section 3769.083 79019
of the Revised Code. 79020

(4) One-twelfth of the additional moneys paid to the tax 79021
commissioner by harness horse racing permit holders shall be paid 79022
to the Ohio standardbred development fund created by section 79023
3769.085 of the Revised Code. 79024

(5) One-twelfth of the additional moneys paid to the tax 79025
commissioner by quarter horse racing permit holders shall be paid 79026
to the Ohio quarter horse development fund created by section 79027
3769.086 of the Revised Code. 79028

(6) One-sixth shall be paid into the state racing commission 79029
operating fund created by section 3769.03 of the Revised Code. 79030

The remaining one per cent that is retained of the total of 79031
all moneys wagered on each racing day on all pools other than win, 79032
place, and show, shall be retained by racing permit holders, and, 79033
except as otherwise provided in section 3769.089 of the Revised 79034
Code, racing permit holders shall use one-half for purse money and 79035
retain one-half. 79036

(B) In addition to the commission of eighteen per cent 79037
retained by each permit holder as provided in section 3769.08 of 79038

the Revised Code and the additional amount retained by each permit 79039
holder as provided in division (A) of this section, each permit 79040
holder shall retain an additional amount equal to one-half of one 79041
per cent of the total of all moneys wagered on each racing day on 79042
all wagering pools other than win, place, and show. The additional 79043
amount retained under this division shall be paid ~~by check, draft,~~ 79044
~~or money order to the tax commissioner in the manner prescribed~~ 79045
under section 3769.103 of the Revised Code, as a tax. The tax 79046
commissioner shall pay the amount of the tax received under this 79047
division to the state racing commission operating fund created by 79048
section 3769.03 of the Revised Code. 79049

(C) Unless otherwise agreed to by the video lottery sales 79050
agent and the applicable horsemen's association recognized by the 79051
state racing commission to represent such persons, within ninety 79052
days after the effective date of this amendment for video lottery 79053
sales agents operating as such on the effective date of this 79054
amendment or within six months after the date a video lottery 79055
sales agent begins operating as such for video lottery sales 79056
agents not operating as such on the effective date of this 79057
amendment, the state racing commission ~~may~~ shall direct through 79058
rule that a percentage of the lottery sales agent's commission as 79059
determined by the state lottery commission for conducting video 79060
lottery terminal gaming on behalf of the state be paid to the 79061
state racing commission for the benefit of breeding and racing in 79062
this state. The percentage so determined shall not be less than 79063
nine per cent or more than eleven per cent of the video lottery 79064
terminal income, and shall be a sliding scale based upon capital 79065
expenditures necessary to build the video lottery sales agent's 79066
facility. The aggregate of one hundred per cent of video lottery 79067
terminal income minus the lottery sales agent's commission 79068
percentage as determined by the state lottery commission plus the 79069
percentage of the lottery sale agent's commission, as determined 79070
by the state racing commission or otherwise agreed to by the video 79071

lottery sales agent and the applicable horsemen's association 79072
recognized by the state racing commission to represent such 79073
persons, for the benefit of breeding and racing in this state 79074
shall not exceed forty-five per cent of the video lottery terminal 79075
income. In addition, beginning July 1, 2013, the state lottery 79076
commission shall adopt a rule to require the lottery sales agent 79077
conducting video lottery terminal gaming on behalf of the state to 79078
disperse to the state lottery commission one-half of one per cent 79079
of such a lottery sales agent's commission for the purpose of 79080
providing funding support to appropriate state agencies for 79081
programs that provide for gambling addiction and other related 79082
addiction services. The state lottery commission's rule also may 79083
require the lottery sales agent conducting video lottery terminal 79084
gaming on behalf of the state to disperse to the state lottery 79085
commission an additional amount up to one-half of one per cent of 79086
such a lottery sales agent's commission for that purpose. 79087

Sec. 3769.088. (A)(1) If any permit holder required by this 79088
chapter to pay the taxes levied by sections 3769.08, 3769.087, 79089
3769.26, and 3769.28 of the Revised Code fails to pay the taxes as 79090
required, the tax commissioner may make an assessment against the 79091
permit holder based upon any information in the commissioner's 79092
possession. 79093

(2) If a permit holder required to remit taxes or file a 79094
report electronically in the manner prescribed under section 79095
3769.103 of the Revised Code fails to do so, the tax commissioner 79096
may impose an additional penalty of fifty dollars or ten per cent 79097
of the tax due as shown on the report, whichever is greater. 79098

(3) A penalty of up to fifteen per cent may be added to the 79099
amount of every assessment made under this section. ~~The~~ 79100

(4) ~~The~~ commissioner may adopt rules providing for the 79101
imposition and remission of penalties added to assessments made 79102

under this section. 79103

(5) The commissioner shall give the party assessed written 79104
notice of the assessment in the manner provided in section 5703.37 79105
of the Revised Code. With the notice, the commissioner shall 79106
provide instructions on how to petition for reassessment and 79107
request a hearing on the petition. 79108

(B) Unless the party assessed files with the tax commissioner 79109
within sixty days after service of the notice of assessment, 79110
either personally or by certified mail, a written petition for 79111
reassessment signed by the party assessed or that party's 79112
authorized agent having knowledge of the facts, the assessment 79113
becomes final and the amount of the assessment is due and payable 79114
from the party assessed to the commissioner. The petition shall 79115
indicate the objections of the party assessed, but additional 79116
objections may be raised in writing if received by the 79117
commissioner prior to the date shown on the final determination. 79118
If the petition has been properly filed, the commissioner shall 79119
proceed under section 5703.60 of the Revised Code. 79120

(C) After an assessment becomes final, if any portion of the 79121
assessment remains unpaid, including accrued interest, a certified 79122
copy of the tax commissioner's entry making the assessment final 79123
may be filed in the office of the clerk of the court of common 79124
pleas in the county in which the place, track, or enclosure for 79125
which the permit was issued is located or the county in which the 79126
party assessed resides or has its principal place of business. If 79127
the party assessed maintains no place of business in this state 79128
and is not a resident of this state, the certified copy of the 79129
entry may be filed in the office of the clerk of the court of 79130
common pleas of Franklin county. 79131

Immediately upon the filing of the entry, the clerk shall 79132
enter a judgment for the state against the party assessed in the 79133
amount shown on the entry. The judgment may be filed by the clerk 79134

in a loose-leaf book entitled "special judgments for state horse racing tax," and shall have the same effect as other judgments. Execution shall issue upon the judgment upon the request of the tax commissioner, and all laws applicable to sales on execution shall apply to sales made under the judgment.

~~The portion of~~ If the assessment is not paid in its entirety within sixty days after the day the assessment was issued, the portion of the assessment consisting of tax due shall bear interest at the rate per annum prescribed by section 5703.47 of the Revised Code from the day the tax commissioner issues the assessment until the day the assessment is paid or until it is certified to the attorney general for collection under section 131.02 of the Revised Code, whichever comes first. If the unpaid portion of the assessment is certified to the attorney general for collection, the entire unpaid portion of the assessment shall bear interest at the rate per annum prescribed by section 5703.47 of the Revised Code from the date of certification until the date it is paid in its entirety. Interest shall be paid in the same manner as the tax and may be collected by the issuance of an assessment under this section.

(D) All money collected by the tax commissioner under this section shall be treated as revenue arising from the taxes imposed by sections 3769.08, 3769.087, 3769.26, and 3769.28 of the Revised Code.

Sec. 3769.089. (A) As used in this chapter:

(1) "Racing day" means any day authorized under a permit holder's permit on which, at a simulcast host, either a live racing program is conducted as authorized under section 3769.07 of the Revised Code or a simulcast racing program is conducted as authorized under this section.

(2) "Live racing day" means a racing day on which a live

racing program is conducted by the permit holder along with 79166
simulcasts of all other available racing programs from within this 79167
state and simulcast racing programs from outside this state as 79168
authorized under this section. 79169

(3) "Live racing program" means a racing program consisting 79170
of no fewer than seven live horse races at thoroughbred tracks and 79171
nine live races at standardbred tracks and additional horse races 79172
simulcast from other facilities located either inside or outside 79173
this state, in which not more than two horse races on which 79174
pari-mutuel wagering is conducted are simulcast from facilities 79175
located outside this state. If only one racing meeting of a 79176
particular breed of horse is being held, no fewer than nine live 79177
horse races shall be held on a live racing day. If, during the 79178
course of a racing meeting at a standardbred track, the racing 79179
secretary of the permit holder determines that there is an 79180
insufficient number of entries to have a full field of eight 79181
horses for each of nine races on a live racing program, then the 79182
racing secretary of the permit holder, after consultation with the 79183
Ohio harness horsemens association, may reduce the number of live 79184
races on that live racing program, as the racing secretary may 79185
determine. The racing secretary shall not reduce the live racing 79186
program to less than seven live races. If during the course of a 79187
meeting at a thoroughbred track, the racing secretary of a permit 79188
holder determines that there is an insufficient number of entries 79189
to have a full field of eight horses for each of nine races on a 79190
live racing program, then the racing secretary of the permit 79191
holder, with the consent of the thoroughbred horsemens 79192
association, may reduce the number of live races on that live 79193
racing program, as the racing secretary may determine. The racing 79194
secretary shall not reduce the live racing program to less than 79195
seven live races. No more than seventeen races on which 79196
pari-mutuel wagering is conducted, including both live races and 79197
races simulcast from other facilities located either inside or 79198

outside this state, shall be part of a live racing program. 79199

(4) "Simulcast host" means a track or enclosure in this state 79200
where, on a racing day, a permit holder is doing one or both of 79201
the following: 79202

(a) Conducting a live racing program and offering this 79203
program for simulcasting to one or more simulcast guests and 79204
satellite facilities in this state; 79205

(b) Receiving a simulcast racing program for simulcasting to 79206
one or more simulcast guests and satellite facilities in this 79207
state. 79208

(5) "Simulcast guest" means any track or enclosure that is 79209
receiving from a simulcast host, on a day other than a racing day, 79210
a live racing program or a simulcast racing program. 79211

(6) "Simulcast racing program" means all simulcasts of horse 79212
races to a simulcast host or simulcast guest on a racing day or on 79213
any other day on which pari-mutuel wagering is conducted, but does 79214
not include any simulcast horse races from inside or outside this 79215
state that are included in a simulcast host's live racing program. 79216

(7) "Satellite facility" has the same meaning as in section 79217
3769.25 of the Revised Code. 79218

(8) "Collection and settlement agent" has the same meaning as 79219
in section 3769.0810 of the Revised Code. 79220

(9) "Special racing event" means individual races in live 79221
racing programs or simulcast racing programs, and simulcast racing 79222
programs on special event days under division (C) of this section, 79223
conducted at facilities located outside this state for which the 79224
track, racing association, or state regulatory agency conducting 79225
such races charges a simulcast host a fee for the privilege of 79226
receiving a simulcast of such races into this state that is higher 79227
than the customary and regular fee charged for simulcast races 79228

because of the status or popularity of such races. 79229

(B)(1)(a) The state racing commission shall, upon request by 79230
any permit holder, permit electronically televised simulcasts of 79231
horse races at the permit holder's track or enclosure on racing 79232
days authorized by the permit holder's permit. Except as provided 79233
in division (B) of this section, the commission shall not permit 79234
the simulcast of any simulcast racing program conducted at tracks 79235
or facilities located outside this state unless the out-of-state 79236
simulcast racing program is available at the same signal rate to 79237
all permit holders, whether serving as simulcast hosts or 79238
simulcast guests, and all satellite facilities, in this state open 79239
and operating on that day. A permit holder or satellite facility 79240
may inform the commission that it waives the right to receive the 79241
simulcast of a simulcast racing program or a race in a simulcast 79242
racing program on that day and in this event the simulcast racing 79243
program or simulcast race shall be available to all other 79244
simulcast hosts, simulcast guests, and satellite facilities open 79245
and operating in this state on that day. 79246

(b) In order for a permit holder to offer simulcasts of horse 79247
races conducted at facilities located outside this state, the 79248
permit holder shall have conducted live racing programs during the 79249
immediately preceding calendar year on a number of days that is 79250
not less than the number of regular live racing days it conducted 79251
in calendar year 1991, not including additional racing days 79252
conducted in calendar year 1991 by the permit holder at a 79253
winterized facility under a permit issued under section 3769.07 of 79254
the Revised Code, as certified by the commission. In satisfying 79255
the foregoing requirement for live racing days during the 79256
immediately preceding calendar year, a permit holder may include 79257
the number of days on which live racing programs were conducted 79258
under a permit issued under section 3769.07 of the Revised Code 79259
for additional racing days at a winterized facility. In addition, 79260

in order for a permit holder to offer simulcasts of horse races 79261
conducted at facilities located outside this state, the permit 79262
holder shall offer all simulcasts of horse races conducted in this 79263
state made available to it. 79264

In order for a permit holder to offer simulcasts of races 79265
conducted at race tracks located outside this state at the same 79266
time and during the hours in which the live races of a live racing 79267
program are being conducted at its track, a permit holder 79268
conducting a thoroughbred live racing program shall obtain the 79269
consent of the thoroughbred horsemens association and a permit 79270
holder conducting a harness live racing program shall obtain the 79271
consent of the Ohio harness horsemens association. The consent of 79272
the horsemen's organization shall not be unreasonably withheld, 79273
and shall be consistent with the interest of preserving live 79274
racing in this state. If a horsemen's organization withholds its 79275
consent, the permit holder may file an objection with the 79276
commission, which shall promptly consider the objection and 79277
determine whether the horsemen's organization's action in 79278
withholding consent is without substantial merit and, if the 79279
commission so determines, shall authorize the permit holder to 79280
simulcast the simulcast racing programs. The determination of the 79281
commission is final. A permit holder, as a simulcast host, may 79282
offer simulcast racing programs at its track or enclosure of races 79283
conducted at tracks and facilities located outside this state 79284
prior to the commencement of, and following the conclusion of, its 79285
live races without obtaining the consent of a horsemen's 79286
organization under this division. 79287

(c) Division (B)(1)(b) of this section remains in effect for 79288
each permit holder until the calendar year after that permit 79289
holder first receives a commission as a lottery sales agent for 79290
conducting video lottery terminal gaming on behalf of the state. 79291

(2) Notwithstanding section 3769.07 of the Revised Code and 79292

unless otherwise agreed to by the applicable horsemen's 79293
association and the permit holder, beginning in the calendar year 79294
after the permit holder first receives video lottery terminal 79295
income, one of the following applies as determined on a yearly 79296
basis: 79297

(a) If eleven per cent of the gross gaming revenue from video 79298
lottery terminals at the permit holder's facilities (either 79299
existing or relocated) in the previous calendar year exceeds 79300
fifteen million dollars, a permit holder shall conduct a minimum 79301
of one hundred twenty-five live racing days. 79302

(b) If eleven per cent of the gross gaming revenue from video 79303
lottery terminals at the permit holder's facilities (either 79304
existing or relocated) in the previous calendar year exceeds 79305
eleven million dollars, but is less than or equal to fifteen 79306
million dollars, a permit holder shall conduct a minimum of one 79307
hundred live racing days or the number of racing days applied for 79308
by the permit holder in calendar year 2012, whichever is greater. 79309

(c) If eleven per cent of the gross gaming revenue from video 79310
lottery terminals at the permit holder's facilities (either 79311
existing or relocated) in the previous calendar year is less than 79312
or equal to eleven million dollars, a permit holder shall conduct 79313
a minimum of seventy-five racing days or the number of racing days 79314
applied for by the permit holder for calendar year 2012, whichever 79315
is greater. 79316

In no case shall the minimum number of racing days for any 79317
permit holder exceed one hundred twenty-five racing days or the 79318
maximum number of racing days for any permit holder exceed two 79319
hundred ten racing days. 79320

(3) For the purposes of division (B)(2) of this section, for 79321
live racing conducted at a track with more than one permit, the 79322
minimum and maximum live racing days shall apply to those permits 79323

collectively and not as a single permit. 79324

(4) In addition to the required live racing days, a permit 79325
holder shall simulcast a simulcast racing program on a minimum of 79326
three hundred sixty days each calendar year. The permit holder 79327
shall simulcast all simulcast racing programs conducted in this 79328
state and made available to the permit holder and simulcast racing 79329
programs conducted outside this state. 79330

(5) The commission may make exception to the required minimum 79331
number of live racing days or simulcast racing program days in 79332
instances of natural disaster or other unexpected circumstances as 79333
defined by the commission, in its sole discretion. For any 79334
calendar year, the horsemen's association at each track may 79335
negotiate an agreement with the permit holder for that track to 79336
reduce the number of live racing days at that track to less than 79337
the minimum live racing days required by division (B)(2)(a), (b), 79338
or (c) of this section, as applicable, or to increase the number 79339
of live racing days at that track to a number that is greater than 79340
the maximum live racing days permitted by division (B)(2)(c) of 79341
this section, subject to the approval of the commission. These 79342
negotiations shall not reduce the number of live racing days to 79343
less than fifty days per calendar year. 79344

(6) To satisfy the requirement of live racing days, a permit 79345
holder may include the number of days on which live racing 79346
programs were conducted under a permit issued under section 79347
3769.07 of the Revised Code for racing days authorized at a 79348
winterized facility. 79349

(C) The commission shall allocate to each track one racing 79350
day for each permit holder during each calendar year for the 79351
conduct of a live racing program on which a permit holder may 79352
conduct as few as one live horse race, with the remainder of the 79353
horse races on that racing day on which pari-mutuel wagering is 79354
conducted as part of the live racing program being simulcast from 79355

other tracks and facilities located either inside or outside this 79356
state. In addition, the commission may allocate to each permit 79357
holder racing days on which it may as part of a live racing 79358
program simulcast more than two horse races from facilities 79359
located outside this state if the horse races involve a national 79360
wagering pool and pari-mutuel wagering is conducted on the 79361
national wagering pool, but on such a racing day there shall in no 79362
event be more than two horse races simulcast from facilities 79363
located outside this state included in a live racing program on 79364
which separate pari-mutuel wagering is conducted. As used in this 79365
division, "national wagering pool" means an interstate or 79366
intrastate common pari-mutuel wagering pool involving two or more 79367
selections covering two or more horse races conducted at tracks 79368
located inside or outside this state. 79369

In emergency situations, the commission may authorize a live 79370
racing day at a track in which all horse races on that racing day 79371
on which pari-mutuel wagering is conducted are simulcast from 79372
tracks and facilities located either inside or outside this state 79373
with the consent of the thoroughbred horsemens association for a 79374
track conducting a thoroughbred live racing program and with the 79375
consent of the Ohio harness horsemens association for a track 79376
conducting a harness live racing program. If a horsemen's 79377
organization withholds its consent, the permit holder may file an 79378
objection with the commission, which shall promptly consider the 79379
objection and determine whether the horsemen's organization's 79380
action in withholding consent is without substantial merit and, if 79381
the commission so determines, shall authorize the permit holder to 79382
simulcast the simulcast racing programs. The determination of the 79383
commission is final. 79384

(D) On any day that a racing day has been applied for at any 79385
track in this state, each track in this state may operate as 79386
either a simulcast host or a simulcast guest and may conduct, with 79387

the approval of the state racing commission, pari-mutuel wagering 79388
on all simulcasts of races conducted inside this state made 79389
available to it plus all simulcasts of races conducted at 79390
facilities located outside this state as determined by the 79391
simulcast hosts. Except as otherwise provided in this section, any 79392
simulcast host or simulcast guest may receive and conduct 79393
simulcast racing programs that feature any breed of horse at any 79394
time of day, as authorized by the commission. Those persons 79395
holding state fair, county fair, or other fair permits shall not 79396
receive a simulcast racing program on which pari-mutuel wagering 79397
is conducted, except that a holder of a permit issued under 79398
section 3769.07 of the Revised Code that has been authorized by 79399
the commission to conduct races of the state fair, a county fair, 79400
or other fair at a commercial track may receive and conduct 79401
simulcast racing programs as a simulcast host or simulcast guest 79402
at the same time in conjunction with the live racing program of 79403
the state fair, county fair, or other fair permit holder conducted 79404
at its track. 79405

The simulcast hosts, with the approval of the state racing 79406
commission, shall determine which simulcast racing programs 79407
offered by race tracks located outside this state will be 79408
simulcast at their tracks and at all simulcast hosts, simulcast 79409
guests, and satellite facilities in this state that are open and 79410
operating during the hours that the simulcast hosts are operating. 79411
Simulcast guests and satellite facilities shall receive all 79412
approved simulcast racing programs offered by simulcast hosts. In 79413
addition, a simulcast host and simulcast guest, with the approval 79414
of the commission, may also receive simulcast horse races and 79415
simulcast racing programs not agreed to by simulcast hosts. 79416

A simulcast host that normally operates during the day only 79417
may serve as a simulcast host for only day-simulcast racing 79418
programs, which include all simulcast racing programs that 79419

commence at a track located outside this state on or before four 79420
p.m. A simulcast host that normally operates during the evening 79421
only may serve as a simulcast host for only evening-simulcast 79422
racing programs, which include all simulcast racing programs that 79423
commence at a track located outside this state on or after three 79424
p.m. A simulcast host that normally operates during the evening, 79425
but that under its permit conducts live racing programs during the 79426
day, may serve as a simulcast host for day-simulcast racing 79427
programs. A permit holder that is offering at its track simulcast 79428
racing programs that commence at a track located outside this 79429
state on or before four p.m. and simulcast racing programs that 79430
commence at a track located outside this state on or after three 79431
p.m. may serve as a simulcast host for both the day-simulcast 79432
racing program and the evening-simulcast racing program only if no 79433
other permit holder is serving as a simulcast host for the other 79434
simulcast racing programs. The times listed in this and the 79435
immediately following paragraphs are standard time as described in 79436
section 1.04 of the Revised Code and in the "Uniform Time Act of 79437
1966," 80 Stat. 107, 15 U.S.C. 260 to 265. 79438

If a simulcast host is conducting a racing program that 79439
features thoroughbred or quarter horses on the same day that 79440
another simulcast host is conducting a live racing program that 79441
features harness horses at a track located in the same county as, 79442
or within twenty miles of, the track of the first simulcast host, 79443
the first simulcast host shall not conduct pari-mutuel wagering on 79444
simulcast racing programs that commence after four p.m. on that 79445
day and the second simulcast host shall not conduct wagering on 79446
simulcast racing programs that commence before three p.m. on that 79447
day. 79448

A simulcast host that is conducting a live racing program and 79449
is simulcasting that program to other simulcast hosts and 79450
simulcast guests in this state shall receive from each simulcast 79451

host and each simulcast guest receiving the simulcast an 79452
intrastate simulcast fee of one and three-eighths per cent of the 79453
amounts wagered on such simulcast racing program at its 79454
facilities. The simulcast hosts and simulcast guests receiving 79455
such simulcast racing program shall pay the intrastate simulcast 79456
fee to the collection and settlement agent, and the fee shall be 79457
disbursed by the agent, at the time and in the manner provided in 79458
section 3769.0810 of the Revised Code. 79459

(E)(1) The moneys wagered on simulcast racing programs on a 79460
racing day shall be separated from the moneys wagered on the live 79461
racing program on that racing day. From the moneys wagered on the 79462
simulcast races, each permit holder may retain as a commission the 79463
percentage of the amount wagered as specified in sections 3769.08 79464
and 3769.087 of the Revised Code, as applicable, and shall pay, ~~by~~ 79465
~~check, draft, or money order to the state tax commissioner in the~~ 79466
manner prescribed under section 3769.103 of the Revised Code, as a 79467
tax, the tax specified in sections 3769.08 and 3769.087 of the 79468
Revised Code, as applicable. From the tax collected, the tax 79469
commissioner shall make the distributions to the respective funds, 79470
and in the proper amounts, as required by sections 3769.08 and 79471
3769.087 of the Revised Code, as applicable. Except as provided in 79472
division (E)(2) of this section, from the amount remaining after 79473
the payment of state taxes on the moneys wagered on live racing 79474
programs and on the moneys wagered on simulcast racing programs, a 79475
permit holder shall retain an amount equal to two and 79476
three-eighths per cent of the amount wagered on live racing 79477
programs and on intrastate and interstate simulcast racing 79478
programs simulcast at its track and on the amount wagered on the 79479
live racing programs and simulcast racing programs at a satellite 79480
facility allocated to it under section 3769.26 of the Revised 79481
Code, as a fee to pay for those costs associated with the 79482
reception and transmission of simulcasts and the administrative 79483
cost of the conduct of live racing programs and simulcast racing 79484

programs. From the remaining balance, one-half shall be retained 79485
by the permit holder for purses. On a day when a permit holder 79486
conducts a live racing program, all purse money generated from 79487
wagering on live racing programs and on simulcast racing programs 79488
at its track shall be used for that permit holder's purse account. 79489
On a day when a permit holder operates as a simulcast host with no 79490
live racing program, or operates as a simulcast guest, all purse 79491
money generated from wagering on intrastate and interstate 79492
simulcast racing programs shall be paid to the state racing 79493
commission for deposit into the Ohio combined simulcast horse 79494
racing purse fund created under this section. In addition, on a 79495
day when a permit holder serves as a simulcast host for a 79496
satellite facility, all purse money generated from amounts wagered 79497
at the satellite facility allocated to the permit holder under 79498
section 3769.26 of the Revised Code shall be paid to the 79499
commission for deposit into the Ohio simulcast horse racing purse 79500
fund. 79501

(2) If there are not four satellite facilities in operation 79502
in this state within one year after September 19, 1996, or if 79503
there are not seven satellite facilities in operation in this 79504
state within two years after September 19, 1996, or if there are 79505
not ten satellite facilities in operation in this state within 79506
three years after September 19, 1996, then in any such event the 79507
amount to be retained as a fee by the permit holder under division 79508
(E)(1) of this section shall be one and seven-eighths per cent 79509
until such time as the number of satellite facilities specified in 79510
division (E)(2) of this section are in operation. For good cause 79511
shown, the thoroughbred horsemens association and Ohio harness 79512
horsemens association may waive the requirements of division 79513
(E)(2) of this section or extend the date for compliance as to any 79514
year by filing a written notification with the state racing 79515
commission. 79516

(3) If a simulcast racing program simulcast by a simulcast host at its track or enclosure and to other simulcast hosts, simulcast guests, and satellite facilities in this state is a special racing event, the permit holder offering the special racing event and other simulcast hosts, simulcast guests, and satellite facilities receiving the special racing event shall not retain the fee provided under division (E)(1) or (2) of this section but shall retain from the moneys wagered on the special racing event an amount equal to the fee charged by the track, racing association, or state regulatory agency simulcasting the special racing event to the simulcast host. From the remaining balance, one-half shall be retained by the permit holder for purses in the manner provided in division (E)(1) of this section.

A permit holder proposing to simulcast a special racing event as a simulcast host shall advise its horsemen's organization of the proposed schedule of the special racing event and obtain its consent to this schedule. The consent of the horsemen's organization shall not be unreasonably withheld and shall be consistent with the interest of preserving live racing in this state. If the horsemen's organization withholds its consent, the permit holder may file an objection with the state racing commission, which shall promptly consider the objection and determine whether the organization's action in withholding consent is without substantial merit and, if the commission so determines, shall authorize the permit holder to simulcast the special racing event. The determination of the commission is final.

(F) There is hereby created in the state treasury the Ohio combined simulcast horse racing purse fund, to consist of moneys paid into it by permit holders pursuant to division (E) of this section and by satellite facilities pursuant to division (F) of section 3769.26 of the Revised Code. Moneys to the credit of the fund, including interest earned thereon, may be used by the

commission for the costs of administering this division and the 79549
balance shall be distributed among permit holders no less 79550
frequently than monthly to each permit holder's purse account on 79551
order of the commission. 79552

For each calendar year, permit holders at each track shall 79553
receive a share of each distribution of the Ohio combined 79554
simulcast horse racing purse fund in the same percentage, rounded 79555
to the nearest one-hundredth of the amount of each distribution, 79556
as the average total amount wagered at the track on racing days at 79557
which live racing programs were conducted, including the amount 79558
allocated to the track under section 3769.26 of the Revised Code 79559
for live races, during the five calendar years immediately 79560
preceding the year for which the distribution is made bears to the 79561
average annual total amount wagered at all tracks in the state 79562
operating under permits issued by the state racing commission 79563
under section 3769.07, 3769.071, or 3769.072 of the Revised Code 79564
on all racing days at which live racing programs were conducted, 79565
including the amount allocated to the tracks under section 3769.26 79566
of the Revised Code for live races, during the five calendar years 79567
immediately preceding the year for which the distribution is made. 79568
By the thirty-first day of January of each year the commission 79569
shall calculate the share of the permit holders at each track for 79570
that year, shall enter the share percentages in its official 79571
records, and shall notify all permit holders of the share 79572
percentages of all tracks for that calendar year. 79573

The permit holders at each track, with the approval of the 79574
commission, shall allocate their share of the fund as distributed 79575
to the purse account of each permit holder for each race meeting. 79576

The commission shall cause to be kept accurate records of its 79577
administration of the fund, including all administrative expenses 79578
incurred by it and charged to the fund, and of distributions to 79579
permit holders. These records are public records available for 79580

inspection at any time during the regular business hours of the 79581
commission by any permit holder or horsemen's organization, by an 79582
authorized agent of the permit holder or horsemen's organization, 79583
or by any other person. 79584

(G) Upon the approval of the commission, a permit holder 79585
conducting live racing programs may transmit electronically 79586
televised simulcasts of horse races conducted at the permit 79587
holder's track to racing associations, tracks, and facilities 79588
located outside this state for the conduct of pari-mutuel wagering 79589
thereon, at the times, on the terms, and for the fee agreed upon 79590
by the permit holder and the receiving racing association, track, 79591
or facility. From the fees paid to the permit holder for such 79592
simulcasts, a permit holder shall retain for the costs of 79593
administration a fee in an amount equal to one per cent of the 79594
amount wagered on the races simulcast by the permit holder. From 79595
the remaining balance of the fee, one-half shall be retained by 79596
the permit holder for purses, except that notwithstanding the fee 79597
arrangement between the permit holder and the receiving racing 79598
association, track, or facility, the permit holder shall deposit 79599
into its purse account not less than an amount equal to 79600
three-fourths of one per cent of the amount wagered at racing 79601
associations, tracks, and facilities located outside the state on 79602
the races simulcast by the permit holder. 79603

All televised simulcasts of horse races conducted in this 79604
state to racing associations, tracks, and facilities located 79605
outside this state shall comply with the "Interstate Horse Racing 79606
Act of 1978," 92 Stat. 1811, 15 U.S.C.A. 3001 to 3007. The consent 79607
of the horsemen's organization at the track of the permit holder 79608
applying to the commission to simulcast horse races conducted at 79609
the permit holder's track to racing associations, tracks, and 79610
facilities located outside this state shall be consistent with the 79611
interest of preserving live racing. 79612

(H)(1) The state racing commission may authorize any permit holder that is authorized to conduct live horse racing on racing days and that conducts pari-mutuel wagering on simulcasts of horse races under this section that are conducted at race tracks either inside or outside this state to conduct, supervise, and participate in interstate and intrastate common pari-mutuel wagering pools on those races in the manner provided in division (H) of this section. Except as otherwise expressly provided in division (H) of this section or in the rules of the state racing commission, the provisions of this chapter that govern pari-mutuel wagering apply to interstate or intrastate common pari-mutuel wagering pools.

(2) Subject to the approval of the state racing commission, the types of wagering, calculation of the commission retained by the permit holder, tax rates, distribution of winnings, and rules of racing in effect for pari-mutuel wagering pools at the host track may govern wagers placed at a receiving track in this state and merged into an interstate or intrastate common pari-mutuel wagering pool. Breakage from interstate or intrastate common pari-mutuel wagering pools shall be calculated in accordance with the rules that govern the host track and shall be distributed among the tracks participating in the interstate or intrastate common wagering pool in a manner agreed to by the participating tracks and the host track. An interstate common pari-mutuel wagering pool formed under division (H)(3) of this section is subject to that division rather than to division (H)(2) of this section.

(3) Subject to the approval of the state racing commission, an interstate common pari-mutuel wagering pool may be formed between a permit holder and one or more receiving tracks located in states other than the state in which the host track is located. The commission may approve types of wagering, calculation of the

commission retained by the permit holder, tax rates, distribution 79645
of winnings, rules of racing, and calculation of breakage for such 79646
an interstate common pari-mutuel wagering pool that differ from 79647
those that would otherwise be applied in this state under this 79648
chapter but that are consistent for all tracks participating in 79649
the interstate common pari-mutuel wagering pool formed under 79650
division (H)(3) of this section. 79651

(4) As used in division (H) of this section: 79652

(a) "Host track" means a track where live horse races are 79653
conducted and offered for simulcasting to receiving tracks. 79654

(b) "Receiving track" means a track where simulcasts of races 79655
from a host track are displayed and wagered on. 79656

(I) Each permit holder is responsible for paying all costs 79657
associated with the up-link for, and reception of, simulcasts, and 79658
the conduct and operation of simulcast racing programs, for all 79659
fees and costs associated with serving as a simulcast host or 79660
simulcast guest, and for any required fees payable to the tracks, 79661
racing associations, or state regulatory agencies where simulcast 79662
racing is conducted at tracks located outside this state. 79663

(J) No license, fee, or excise tax, other than as specified 79664
in division (E) of this section, shall be assessed upon or 79665
collected from a permit holder or the owners of a permit holder in 79666
connection with, or pertaining to, the operation and conduct of 79667
simulcast racing programs in this state, by any county, township, 79668
municipal corporation, district, or other body having the 79669
authority to assess or collect a tax or fee. 79670

(K)(1) Permit holders operating tracks within the same county 79671
or adjacent counties that are conducting simulcast racing programs 79672
under this section may enter into agreements regarding the conduct 79673
of simulcast racing programs at their respective tracks and the 79674
sharing of the retained commissions therefrom, for such periods of 79675

time, upon such terms and conditions, and subject to such rights 79676
and obligations, as the contracting permit holders consider 79677
appropriate under the circumstances. Permit holders shall notify 79678
the state racing commission of their entry into an agreement 79679
pursuant to this division, the names of the permit holders that 79680
are parties to the agreement, and the length of time the agreement 79681
shall be in effect. 79682

(2) Permit holders and the thoroughbred horsemens association 79683
and Ohio harness horsemens association may agree to do any of the 79684
following: 79685

(a) Increase or reduce the fees and amounts to be retained by 79686
the permit holders under this section; 79687

(b) Increase or reduce the fees and amounts to be allocated 79688
to the purse accounts of permit holders under this section; 79689

(c) Increase or reduce the fees to be paid between and among 79690
simulcast hosts and simulcast guests under this section and under 79691
division (C) of section 3769.0810 of the Revised Code; 79692

(d) Modify, suspend, or waive the requirements set forth in 79693
division (B) of this section as to any permit holder or as to all 79694
permit holders. 79695

All permit holders and both horsemen's organizations shall 79696
approve such agreement. Any agreement entered into under division 79697
(K)(2) of this section shall set forth the effective date of any 79698
such increase or reduction, and the terms and provisions of the 79699
agreement, and a copy of the agreement shall be filed with the 79700
state racing commission. 79701

Sec. 3769.10. The state racing commission and the tax 79702
commissioner shall enforce this chapter and may incur such 79703
expenses as are necessary; provided, that the power of the tax 79704
commissioner shall extend only to enforcement and administration 79705

of the taxes levied by sections 3769.08, 3769.087, 3769.26, and 79706
3769.28 of the Revised Code as provided in those sections and in 79707
sections 3769.088, 3769.101, 3769.102, 3769.103, 5703.05, 5703.17 79708
to 5703.37, 5703.39, 5703.41, and 5703.45 of the Revised Code. The 79709
commissioner may adopt, in accordance with section 5703.14 of the 79710
Revised Code, such rules as the commissioner considers necessary 79711
to administer sections 3769.08, 3769.087, 3769.088, 3769.101, 79712
3769.102, 3769.103, 3769.26, and 3769.28 of the Revised Code. 79713

Except as otherwise provided in section 3769.03 of the 79714
Revised Code, all taxes, fees, and moneys due the state under 79715
sections 3769.01 to 3769.071 and 3769.09 to 3769.14 of the Revised 79716
Code shall be paid to, and receipted for by, the secretary of the 79717
state racing commission, and shall be paid by the secretary weekly 79718
into the state treasury to the credit of the general revenue fund. 79719

by, the tax commissioner, and shall be paid by the commissioner 79722
~~weekly~~ monthly into the proper funds. 79723

All vouchers of the commission shall be approved by the 79724
commission chairperson or secretary, or both, as authorized by the 79725
commission. 79726

Sec. 3769.101. (A) For the purposes of receiving, 79727
distributing, and accounting for revenue received from the taxes 79728
levied by sections 3769.08, 3769.087, and 3769.26 of the Revised 79729
Code, there is hereby created in the state treasury the 79730
horse-racing tax revenue fund. 79731

(B) All moneys collected from the taxes imposed by sections 79732
3769.08, 3769.087, and 3769.26 of the Revised Code shall be 79733
deposited into the horse-racing tax revenue fund. 79734

(C) On or before the fifteenth day of each month, the tax 79735

fund, Ohio fairs fund, Ohio thoroughbred race fund, Ohio standardbred development fund, Ohio quarter horse fund, and state racing commission operating fund created under this chapter the amounts required by sections 3769.08, 3769.087, and 3769.26 of the Revised Code based on amounts received in the preceding month.

Such municipal corporations or townships may distribute a portion of the moneys so received to any adjoining political subdivision that incurs increased expenses because of such a horse-racing meeting.

Sec. 3769.103. (A) On each day on which banks are open for business, or not later than noon of the calendar day following a racing day on which banks are not open for business, a permit

holder shall remit the amount of tax due under sections 3769.08, 3769.087, and 3769.26 of the Revised Code in the manner required by the commissioner. The permit holder shall file with the tax due a report in the form required by the commissioner. The report shall reflect the activity of the previous racing day and include any other information the commissioner considers necessary to administer the taxes imposed under sections 3769.08, 3769.087, and 3769.26 of the Revised Code.

(C) The commissioner may require permit holders to use the Ohio business gateway to file reports and remit the tax, or may provide for another means for taxpayers to file and remit the tax electronically.

Sec. 3769.26. (A)(1) Except as otherwise provided in division (B) of this section, each track in existence on September 27, 1994, regardless of the number of permit holders authorized to conduct race meetings at the track, may establish, with the approval of the state racing commission and the appropriate local legislative authority, not more than two satellite facilities at which it may conduct pari-mutuel wagering on horse races conducted either inside or outside this state and simulcast by a simulcast host to the satellite facilities.

(2) Prior to a track's establishing satellite facilities

under this section, the permit holders at that track shall agree 79797
among themselves regarding their respective rights and obligations 79798
with respect to those satellite facilities. 79799

(3)(a) Any track that desires to establish a satellite 79800
facility shall provide written notification of its intent to the 79801
state racing commission and to the appropriate local legislative 79802
authority that is required to approve the satellite facility, 79803
together with detailed plans and specifications for the satellite 79804
facility. The commission shall deliver copies of this notification 79805
to all other tracks in this state, and the commission shall, 79806
within forty-five days after receiving the notification, hold a 79807
hearing on the track's intent to establish a satellite facility. 79808
At this hearing the commission shall consider the evidence 79809
presented and determine whether the request for establishment of a 79810
satellite facility shall be approved. 79811

The commission shall not approve a track's request to 79812
establish a satellite facility if the owner of the premises where 79813
the satellite facility is proposed to be located or if the 79814
proposed operator of the satellite facility has been convicted of 79815
or has pleaded guilty to a gambling offense that is a felony or 79816
any other felony under the laws of this state, any other state, or 79817
the United States that the commission determines to be related to 79818
fitness to be the owner of such a premises or to be the operator 79819
of a satellite facility. As used in division (A)(3)(a) of this 79820
section, "gambling offense" has the same meaning as in section 79821
2915.01 of the Revised Code and "operator" means the individual 79822
who is responsible for the day-to-day operations of a satellite 79823
facility. The commission shall conduct a background investigation 79824
on each person who is the owner of a premises where a satellite 79825
facility is proposed to be located or who is proposed to be the 79826
operator or an employee of a satellite facility. The commission 79827
shall adopt rules in accordance with Chapter 119. of the Revised 79828

Code that specify the specific information the commission shall 79829
collect in conducting such a background investigation. 79830

No track shall knowingly contract with a person as the owner 79831
of the premises where a satellite facility is located, or 79832
knowingly employ a person as the operator or an employee of a 79833
satellite facility, who has been convicted of or pleaded guilty to 79834
a gambling offense that is a felony or any other felony under the 79835
laws of this state, any other state, or the United States that the 79836
commission determines to be related to fitness to be the owner of 79837
such a premises or to be the operator or an employee of a 79838
satellite facility. The commission may impose a fine in an amount 79839
not to exceed ten thousand dollars on any track that violates any 79840
of these prohibitions. 79841

(b) Each track that receives the notification described in 79842
division (A)(3)(a) of this section shall notify the commission and 79843
the track that desires to establish the satellite facility, within 79844
thirty days after receiving the notification from the commission, 79845
indicating whether or not it desires to participate in the joint 79846
ownership of the facility. Ownership shall be distributed equally 79847
among the tracks that choose to participate in the joint ownership 79848
of the facility unless the participating tracks agree to and 79849
contract otherwise. Tracks that fail to respond to the commission 79850
and the track that desires to establish the satellite facility 79851
within this thirty-day period regarding the ownership of the 79852
particular satellite facility are not eligible to participate in 79853
its ownership. 79854

(B) If, within three years after September 27, 1994, a track 79855
in existence on September 27, 1994, does not establish both of the 79856
satellite facilities it is authorized to establish under division 79857
(A) of this section, another track, with the approval of the 79858
racing commission, may establish in accordance with this section a 79859
number of additional satellite facilities that does not exceed the 79860

number of satellite facilities that the first track did not 79861
establish. However, no more than fourteen satellite facilities may 79862
be established in this state. 79863

(C) Except as otherwise provided in this division, each 79864
permit holder in this state shall allow the races that it 79865
conducts, and the races conducted outside this state that it 79866
receives as a simulcast host, to be simulcast to all satellite 79867
facilities operating in this state and shall take all action 79868
necessary to supply its simulcast and wagering information to 79869
these satellite facilities. A permit holder at a track where the 79870
average daily amount wagered for all race meetings during calendar 79871
year 1990 did not exceed two hundred fifty thousand dollars may 79872
elect not to simulcast its races to the satellite facilities. If a 79873
permit holder at such a track chooses to simulcast its races to 79874
satellite facilities, it shall allow its races to be simulcast to 79875
all satellite facilities operating in this state. Except as 79876
otherwise provided in this division, each satellite facility shall 79877
receive simulcasts of and conduct pari-mutuel wagering on all live 79878
racing programs being conducted at any track in this state and on 79879
all agreed simulcast racing programs, as provided in division (D) 79880
of section 3769.089 of the Revised Code, conducted in other states 79881
that are received by simulcast in this state, without regard to 79882
the breed of horse competing in the race or the time of day of the 79883
race. 79884

No satellite facility may receive simulcasts of horse races 79885
during the same hours that a county fair or independent fair 79886
located within the same county as the satellite facility is 79887
conducting pari-mutuel wagering on horse races at that county or 79888
independent fair. 79889

Except as otherwise provided in this division, the commission 79890
shall not approve the establishment of a satellite facility within 79891
a radius of fifty miles of any track. The commission may approve 79892

the establishment of a satellite facility at a location within a 79893
radius of at least thirty-five but not more than fifty miles from 79894
one or more tracks if all of the holders of permits issued for 79895
those tracks consent in writing to the establishment of the 79896
satellite facility. The commission may approve the establishment 79897
of a satellite facility at a location within a radius of 79898
thirty-five miles of more than one race track if all holders of 79899
permits issued for those tracks consent in writing to the 79900
establishment of the satellite facility and, if the tracks are 79901
located completely within one county and the proposed satellite 79902
facility will be located within that county, if both the 79903
legislative authority of the municipal corporation in that county 79904
with the largest population, and the appropriate legislative 79905
authority that is required to approve the satellite facility under 79906
division (A)(1) of this section, approve the establishment of the 79907
new satellite facility. The commission may approve the 79908
establishment of a satellite facility at a location within a 79909
radius of less than twenty miles from an existing satellite 79910
facility if the owner of the existing satellite facility consents 79911
in writing to the establishment of the new satellite facility. 79912

A satellite facility shall not receive simulcasts of horse 79913
races conducted outside this state on any day when no simulcast 79914
host is operating. 79915

(D) Each simulcast host is responsible for paying all costs 79916
associated with the up-link for simulcasts. Each satellite 79917
facility is responsible for paying all costs associated with the 79918
reception of simulcasts and the operation of the satellite 79919
facility. 79920

(E) All money wagered at the simulcast host, and all money 79921
wagered at all satellite facilities on races simulcast from the 79922
simulcast host, shall be included in a common pari-mutuel pool at 79923
the simulcast host. Except as otherwise provided in division 79924

(F)(6) of this section, the payment shall be the same for all 79925
winning tickets whether a wager is placed at a simulcast host or a 79926
satellite facility. Wagers placed at a satellite facility shall 79927
conform in denomination, character, terms, conditions, and in all 79928
other respects to wagers placed at the simulcast host for the same 79929
race. 79930

(F)(1) As used in division (F) of this section, "effective 79931
rate" means the effective gross tax percentage applicable at the 79932
simulcast host, determined in accordance with sections 3769.08 and 79933
3769.087 of the Revised Code, after combining the money wagered at 79934
the simulcast host with the money wagered at satellite facilities 79935
on races simulcast from the host track. 79936

(2) For the purposes of calculating the amount of taxes to be 79937
paid and the amount of commissions to be retained by permit 79938
holders, fifty per cent of the amount wagered at satellite 79939
facilities on a live racing program simulcast from a simulcast 79940
host shall be allocated to the permit holder's live race wagering 79941
at that simulcast host that conducts the live racing program, and 79942
fifty per cent of the amount wagered at satellite facilities on 79943
simulcast racing programs conducted outside this state shall be 79944
allocated to, and apportioned equally among, the permit holders 79945
acting as simulcast hosts for the out-of-state simulcast racing 79946
programs. The remainder of the amount wagered at a satellite 79947
facility on races simulcast from a simulcast host shall be 79948
allocated to the satellite facility. In computing the tax due on 79949
the amount allocated to the satellite facility, if there is more 79950
than one simulcast host for out-of-state simulcast racing 79951
programs, the effective rate applied by the satellite facility 79952
shall be the tax rate applicable to the simulcast host that pays 79953
the highest effective rate under section 3769.08 of the Revised 79954
Code on such simulcast racing programs. 79955

(3) The portion of the amount wagered that is allocated to a 79956

simulcast host under division (F)(2) of this section shall be 79957
treated, for the purposes of calculating the amount of taxes to be 79958
paid and commissions to be retained, as having been wagered at the 79959
simulcast host on a live racing program or on a simulcast racing 79960
program. The permit holder at the simulcast host shall pay, ~~by~~ 79961
~~check, draft, or money order to the state tax commissioner in the~~ 79962
manner prescribed under section 3769.103 of the Revised Code, as a 79963
tax, the tax specified in sections 3769.08 and 3769.087 of the 79964
Revised Code, as applicable, except that the tax shall be 79965
calculated using the effective rate, and the permit holder may 79966
retain as a commission the percentage of the amount wagered as 79967
specified in those sections. From the tax collected, the tax 79968
commissioner shall make distributions to the respective funds, and 79969
in the proper amounts, as required by sections 3769.08 and 79970
3769.087 of the Revised Code, as applicable. 79971

(4) From the portion of the amount wagered that is allocated 79972
to a satellite facility under division (F)(2) of this section, the 79973
satellite facility may retain as a commission the amount specified 79974
in section 3769.08 or 3769.087 of the Revised Code, as applicable. 79975
The portion of the amount wagered that is allocated to a satellite 79976
facility shall be subject to tax at the effective rate as follows: 79977

(a) One per cent of such amount allocated to the satellite 79978
facility shall be paid as a tax each racing day to the tax 79979
commissioner for deposit into the nursing home franchise permit 79980
fee fund. 79981

(b) The remaining balance of the taxes calculated at the 79982
effective rate, after payment of the tax specified in division 79983
(F)(4)(a) of this section, shall be retained by the satellite 79984
facility to pay for those costs associated with the reception of 79985
the simulcasts. 79986

(5) From the commission retained by a satellite facility 79987
after the deduction of the tax paid at the effective rate under 79988

division (F)(4) of this section, the satellite facility shall 79989
retain an amount equal to two and three-eighths per cent of the 79990
amount wagered that day on simulcast racing programs and the 79991
balance shall be divided as follows: 79992

(a) One-half shall be paid to the owner of the satellite 79993
facility; 79994

(b) One-half shall be paid to the state racing commission for 79995
deposit into the Ohio combined simulcast horse racing purse fund. 79996

(6) In addition to the commission retained under this 79997
section, a satellite facility shall retain two and one-half per 79998
cent of the amount that would otherwise be paid on each winning 79999
wager unless the retention of this amount would either cause or 80000
add to a minus pool. As used in division (F)(6) of this section, 80001
"minus pool" means a wagering pool in which a winning wager is 80002
paid off at less than one hundred ten per cent of the amount of 80003
the wager. The amount retained shall be paid each racing day to 80004
the tax commissioner for deposit into the nursing home franchise 80005
permit fee fund. 80006

(7) At the close of each day, each satellite facility shall 80007
pay, by check, draft, or money order, or by wire transfer of 80008
funds, out of the money retained on that day to the collection and 80009
settlement agent the required fee to be paid by the simulcast host 80010
to the tracks, racing associations, or state regulatory agencies 80011
located outside this state for simulcasts into this state computed 80012
and based on one-half of the amount wagered at the satellite 80013
facility that day on interstate simulcast racing programs. 80014

(G) No license, fee, or excise tax, other than as specified 80015
in division (F)(6) of this section, shall be assessed upon or 80016
collected from a satellite facility, the owners of a satellite 80017
facility, or the holders of permits issued for a track that has 80018
established a satellite facility by any county, township, 80019

municipal corporation, district, or other body having the 80020
authority to assess or collect a tax or fee. 80021

(H) In no case shall that portion of the commissions 80022
designated for purses from satellite facilities be less than that 80023
portion of those commissions designated for purses at the 80024
simulcast host. 80025

(I) It is the intention of the general assembly in enacting 80026
this section not to adversely affect the amounts paid into the 80027
Ohio thoroughbred race fund created under section 3769.083 of the 80028
Revised Code. Therefore, each track that acts as a simulcast host 80029
under this section shall calculate, on a semi-annual basis during 80030
calendar years 1994, 1995, and 1996, its average daily 80031
contribution to the Ohio thoroughbred race fund created under 80032
section 3769.083 of the Revised Code on those days on which the 80033
track conducted live horse racing. If this average daily 80034
contribution to the fund is less than the average daily 80035
contribution from the same track to the fund during the same 80036
six-month period of calendar year 1992, there shall be contributed 80037
to the fund an amount equal to the average daily shortfall 80038
multiplied by the number of days of live racing conducted during 80039
the six-month period in calendar year 1994, 1995, or 1996, as 80040
applicable. The amount of such contribution shall be allocated 80041
among the simulcast host, the purse program at the simulcast host, 80042
and the satellite facilities for which the track served as the 80043
simulcast host, on a pro rata basis in proportion to the amounts 80044
contributed by them to the fund during such six-month period in 80045
calendar year 1994, 1995, or 1996, as applicable. 80046

Sec. 3769.28. ~~The tax commissioner shall collect from~~ Within 80047
ten days after the close of a horse-racing meeting, each permit 80048
holder who conducts a pari-mutuel system of wagering where the 80049
wagering is less than five million dollars shall remit, in the 80050

manner prescribed under section 3769.103 of the Revised Code, a 80051
sum of money equal to one-tenth of one per cent of the total 80052
amount wagered and where the wagering is five million dollars or 80053
more a sum of money equal to fifteen hundredths of one per cent of 80054
the total amount wagered during any horse-racing meeting for the 80055
purpose of providing operating revenue for the political 80056
subdivisions wherein such meetings are held. Within ten days after 80057
the close of a meeting, the permit holder shall also prepare and 80058
transmit, in the manner prescribed under section 3769.103 of the 80059
Revised Code, to the tax commissioner a final report showing the 80060
total amount wagered during the horse-racing meeting and any other 80061
information required by the commissioner relative to the tax 80062
levied by this section. ~~The final report shall be signed by the~~ 80063
~~permit holder or an authorized agent of the permit holder. The~~ 80064
~~commissioner shall prescribe the form of the final report.~~ 80065

~~The commissioner shall collect the tax due under this section~~ 80066
~~on amounts wagered during a horse-racing meeting within ten days~~ 80067
~~after the close of the meeting. The amount collected by the~~ 80068
~~commissioner shall be made payable to the chief fiscal officers of~~ 80069
~~the municipal corporations or townships in which such horse racing~~ 80070
~~meeting took place and in which any such facilities or accessory~~ 80071
~~uses therefor were located. The commissioner shall then~~ 80072
~~immediately forward the amount collected to such chief fiscal~~ 80073
~~officers. The amount collected shall be divided equally between~~ 80074
~~the municipal corporations or townships in which such horse racing~~ 80075
~~meeting took place and in which any facilities or accessory uses~~ 80076
~~therefor were located. Such municipal corporations or townships~~ 80077
~~may distribute a portion of the moneys so received to any~~ 80078
~~adjoining political subdivision which incurs increased expenses~~ 80079
~~because of such horse racing meeting.~~ 80080

This section shall not apply to any agricultural society 80081
which holds a horse-racing permit. 80082

The amount collected under this section from any one permit holder shall not exceed fifteen thousand dollars from any one horse-racing meeting in any calendar year.

Sec. 3770.02. (A) Subject to the advice and consent of the senate, the governor shall appoint a director of the state lottery commission who shall serve at the pleasure of the governor. The director shall devote full time to the duties of the office and shall hold no other office or employment. The director shall meet all requirements for appointment as a member of the commission and shall, by experience and training, possess management skills that equip the director to administer an enterprise of the nature of a state lottery. The director shall receive an annual salary in accordance with pay range 48 of section 124.152 of the Revised Code.

(B)(1) The director shall attend all meetings of the commission and shall act as its secretary. The director shall keep a record of all commission proceedings and shall keep the commission's records, files, and documents at the commission's principal office. All records of the commission's meetings shall be available for inspection by any member of the public, upon a showing of good cause and prior notification to the director.

(2) The director shall be the commission's executive officer and shall be responsible for keeping all commission records and supervising and administering the state lottery in accordance with this chapter, and carrying out all commission rules adopted under section 3770.03 of the Revised Code.

(C)(1) The director shall appoint an assistant director, deputy directors of marketing, operations, sales, finance, public relations, security, and administration, and as many regional managers as are required. The director may also appoint necessary professional, technical, and clerical assistants. All such

officers and employees shall be appointed and compensated pursuant 80114
to Chapter 124. of the Revised Code. Regional and assistant 80115
regional managers, sales representatives, and any lottery 80116
executive account representatives shall remain in the unclassified 80117
service. 80118

(2) The director, in consultation with the director of 80119
administrative services, may establish standards of proficiency 80120
and productivity for commission field representatives. 80121

(D) The director shall request the bureau of criminal 80122
identification and investigation, the department of public safety, 80123
or any other state, local, or federal agency to supply the 80124
director with the criminal records of any job applicant and may 80125
periodically request the criminal records of commission employees. 80126
At or prior to the time of making such a request, the director 80127
shall require a job applicant or commission employee to obtain 80128
fingerprint cards prescribed by the superintendent of the bureau 80129
of criminal identification and investigation at a qualified law 80130
enforcement agency, and the director shall cause these fingerprint 80131
cards to be forwarded to the bureau of criminal identification and 80132
investigation and the federal bureau of investigation. The 80133
commission shall assume the cost of obtaining the fingerprint 80134
cards and shall pay to each agency supplying criminal records for 80135
each investigation under this division a reasonable fee, as 80136
determined by the agency. 80137

(E) The director shall license lottery sales agents pursuant 80138
to section 3770.05 of the Revised Code and, when it is considered 80139
necessary, may revoke or suspend the license of any lottery sales 80140
agent. The director may license video lottery technology 80141
providers, independent testing laboratories, and gaming employees, 80142
and promulgate rules relating thereto. When the director considers 80143
it necessary, the director may suspend or revoke the license of a 80144
video lottery technology provider, independent testing laboratory, 80145

or gaming employee, including suspension or revocation without 80146
affording an opportunity for a prior hearing under section 119.07 80147
of the Revised Code when the public safety, convenience, or trust 80148
requires immediate action. 80149

(F) The director shall confer at least once each month with 80150
the commission, at which time the director shall advise it 80151
regarding the operation and administration of the lottery. The 80152
director shall make available at the request of the commission all 80153
documents, files, and other records pertaining to the operation 80154
and administration of the lottery. The director shall prepare and 80155
make available to the commission each month a complete and 80156
accurate accounting of lottery revenues, prize money disbursements 80157
and the cost of goods and services awarded as prizes, operating 80158
expenses, and all other relevant financial information, including 80159
an accounting of all transfers made from any lottery funds in the 80160
custody of the treasurer of state to benefit education. 80161

(G) The director may enter into contracts for the operation 80162
or promotion of the lottery pursuant to Chapter 125. of the 80163
Revised Code. 80164

(H)(1) Pursuant to rules adopted by the commission under 80165
section 3770.03 of the Revised Code, the director shall require 80166
any lottery sales agents to ~~either mail directly to the commission~~ 80167
~~or~~ deposit to the credit of the state lottery fund, in banking 80168
institutions designated by the treasurer of state, net proceeds 80169
due the commission as determined by the director, ~~and to file with~~ 80170
~~the director or the director's designee reports of their receipts~~ 80171
~~and transactions in the sale of lottery tickets in the form~~ 80172
~~required by the director.~~ 80173

(2) Pursuant to rules adopted by the commission under Chapter 80174
119. of the Revised Code, the director may impose penalties for 80175
the failure of a sales agent to transfer funds to the commission 80176
in a timely manner. Penalties may include monetary penalties, 80177

immediate suspension or revocation of a license, or any other 80178
penalty the commission adopts by rule. 80179

(I) The director may arrange for any person, or any banking 80180
institution, to perform functions and services in connection with 80181
the operation of the lottery as the director may consider 80182
necessary to carry out this chapter. 80183

(J)(1) As used in this chapter, "statewide joint lottery 80184
game" means a lottery game that the commission sells solely within 80185
this state under an agreement with other lottery jurisdictions to 80186
sell the same lottery game solely within their statewide or other 80187
jurisdictional boundaries. 80188

(2) If the governor directs the director to do so, the 80189
director shall enter into an agreement with other lottery 80190
jurisdictions to conduct statewide joint lottery games. If the 80191
governor signs the agreement personally or by means of an 80192
authenticating officer pursuant to section 107.15 of the Revised 80193
Code, the director then may conduct statewide joint lottery games 80194
under the agreement. 80195

(3) The entire net proceeds from any statewide joint lottery 80196
games shall be used to fund elementary, secondary, vocational, and 80197
special education programs in this state. 80198

(4) The commission shall conduct any statewide joint lottery 80199
games in accordance with rules it adopts under division (B)(5) of 80200
section 3770.03 of the Revised Code. 80201

(K)(1) The director shall enter into an agreement with the 80202
department of ~~alcohol and drug addiction services~~ mental health 80203
and addiction services under which the department shall provide a 80204
program of gambling addiction services on behalf of the 80205
commission. The commission shall pay the costs of the program 80206
provided pursuant to the agreement. 80207

(2) As used in this section, "gambling addiction services" 80208

has the same meaning as in section ~~3793.01~~ 5119.01 of the Revised Code. 80209
80210

Sec. 3770.06. (A) There is hereby created the state lottery 80211
gross revenue fund, which shall be in the custody of the treasurer 80212
of state but shall not be part of the state treasury. All gross 80213
revenues received from sales of lottery tickets, fines, fees, and 80214
related proceeds in connection with the statewide lottery and all 80215
gross proceeds from statewide joint lottery games shall be 80216
deposited into the fund. The treasurer of state shall invest any 80217
portion of the fund not needed for immediate use in the same 80218
manner as, and subject to all provisions of law with respect to 80219
the investment of, state funds. The treasurer of state shall 80220
disburse money from the fund on order of the director of the state 80221
lottery commission or the director's designee. 80222

Except for gross proceeds from statewide joint lottery games, 80223
all revenues of the state lottery gross revenue fund that are not 80224
paid to holders of winning lottery tickets, that are not required 80225
to meet short-term prize liabilities, that are not credited to 80226
lottery sales agents in the form of bonuses, commissions, or 80227
reimbursements, that are not paid to financial institutions to 80228
reimburse those institutions for sales agent nonsufficient funds, 80229
and that are collected from sales agents for remittance to 80230
insurers under contract to provide sales agent bonding services 80231
shall be transferred to the state lottery fund, which is hereby 80232
created in the state treasury. In addition, all revenues of the 80233
state lottery gross revenue fund that represent the gross proceeds 80234
from the statewide joint lottery games and that are not paid to 80235
holders of winning lottery tickets, that are not required to meet 80236
short-term prize liabilities, that are not credited to lottery 80237
sales agents in the form of bonuses, commissions, or 80238
reimbursements, and that are not necessary to cover operating 80239
expenses associated with those games or to otherwise comply with 80240

the agreements signed by the governor that the director enters 80241
into under division (J) of section 3770.02 of the Revised Code or 80242
the rules the commission adopts under division (B)(5) of section 80243
3770.03 of the Revised Code shall be transferred to the state 80244
lottery fund. All investment earnings of the fund shall be 80245
credited to the fund. Moneys shall be disbursed from the fund 80246
pursuant to vouchers approved by the director. Total disbursements 80247
for monetary prize awards to holders of winning lottery tickets in 80248
connection with the statewide lottery and purchases of goods and 80249
services awarded as prizes to holders of winning lottery tickets 80250
shall be of an amount equal to at least fifty per cent of the 80251
total revenue accruing from the sale of lottery tickets. 80252

(B) Pursuant to Section 6 of Article XV, Ohio Constitution, 80253
there is hereby established in the state treasury the lottery 80254
profits education fund. Whenever, in the judgment of the director 80255
of the state lottery commission, the amount to the credit of the 80256
state lottery fund that does not represent proceeds from statewide 80257
joint lottery games is in excess of that needed to meet the 80258
maturing obligations of the commission and as working capital for 80259
its further operations, the director of the state lottery 80260
commission shall recommend the amount of the excess to be 80261
transferred to the lottery profits education fund, and the 80262
director of budget and management may transfer the excess to the 80263
lottery profits education fund in connection with the statewide 80264
lottery. In addition, whenever, in the judgment of the director of 80265
the state lottery commission, the amount to the credit of the 80266
state lottery fund that represents proceeds from statewide joint 80267
lottery games equals the entire net proceeds of those games as 80268
described in division (B)(5) of section 3770.03 of the Revised 80269
Code and the rules adopted under that division, the director of 80270
the state lottery commission shall recommend the amount of the 80271
proceeds to be transferred to the lottery profits education fund, 80272
and the director of budget and management may transfer those 80273

proceeds to the lottery profits education fund. Investment 80274
earnings of the lottery profits education fund shall be credited 80275
to the fund. 80276

The lottery profits education fund shall be used solely for 80277
the support of elementary, secondary, vocational, and special 80278
education programs as determined in appropriations made by the 80279
general assembly, or as provided in applicable bond proceedings 80280
for the payment of debt service on obligations issued to pay costs 80281
of capital facilities, including those for a system of common 80282
schools throughout the state pursuant to section 2n of Article 80283

housing accommodations to the condition they were in prior to the 82192
proposed modification, but subject to reasonable wear and tear 82193

of the terrain or unusual characteristics of the site. 82218

(b) With respect to dwellings that have a building entrance 82219
on an accessible route, all of the following apply: 82220

(i) The public use areas and common use areas of the 82221

(K)(1) Nothing in division (H) of this section shall bar any religious or denominational institution or organization, or any nonprofit charitable or educational organization that is operated,

supervised, or controlled by or in connection with a religious 82255
organization, from limiting the sale, rental, or occupancy of 82256
housing accommodations that it owns or operates for other than a 82257
commercial purpose to persons of the same religion, or from giving 82258
preference in the sale, rental, or occupancy of such housing 82259
accommodations to persons of the same religion, unless membership 82260
in the religion is restricted on account of race, color, or 82261
national origin. 82262

(2) Nothing in division (H) of this section shall bar any 82263
bona fide private or fraternal organization that, incidental to 82264
its primary purpose, owns or operates lodgings for other than a 82265

(3) Nothing in division (H) of this section limits the 82268
applicability of any reasonable local, state, or federal 82269
restrictions regarding the maximum number of occupants permitted 82270
to occupy housing accommodations. Nothing in that division 82271
prohibits the owners or managers of housing accommodations from 82272
implementing reasonable occupancy standards based on the number 82273
and size of sleeping areas or bedrooms and the overall size of a 82274
dwelling unit, provided that the standards are not implemented to 82275
circumvent the purposes of this chapter and are formulated, 82276
implemented, and interpreted in a manner consistent with this 82277
chapter and any applicable local, state, or federal restrictions 82278
regarding the maximum number of occupants permitted to occupy 82279
housing accommodations. 82280

(4) Nothing in division (H) of this section requires that 82281
housing accommodations be made available to an individual whose 82282
tenancy would constitute a direct threat to the health or safety 82283
of other individuals or whose tenancy would result in substantial 82284
physical damage to the property of others. 82285

(5) Nothing in division (H) of this section pertaining to 82286

discrimination on the basis of familial status shall be construed 82287
to apply to any of the following: 82288

older per unit, as determined under the "Fair Housing Amendments 82298
Act of 1988," 102 Stat. 1623, 42 U.S.C.A. 3607, as amended. 82299

(L) Nothing in divisions (A) to (E) of this section shall be 82300
construed to require a person with a disability to be employed or 82301
trained under circumstances that would significantly increase the 82302
occupational hazards affecting either the person with a 82303
disability, other employees, the general public, or the facilities 82304
in which the work is to be performed, or to require the employment 82305
or training of a person with a disability in a job that requires 82306
the person with a disability routinely to undertake any task, the 82307
performance of which is substantially and inherently impaired by 82308
the person's disability. 82309

(M) Nothing in divisions (H)(1) to (18) of this section shall 82310
be construed to require any person selling or renting property to 82311
modify the property in any way or to exercise a higher degree of 82312
care for a person with a disability, to relieve any person with a 82313
disability of any obligation generally imposed on all persons 82314
regardless of disability in a written lease, rental agreement, or 82315
contract of purchase or sale, or to forbid distinctions based on 82316
the inability to fulfill the terms and conditions, including 82317

financial obligations, of the lease, agreement, or contract. 82318

(N) An aggrieved individual may enforce the individual's 82319
rights relative to discrimination on the basis of age as provided 82320
for in this section by instituting a civil action, within one 82321
hundred eighty days after the alleged unlawful discriminatory 82322
practice occurred, in any court with jurisdiction for any legal or 82323
equitable relief that will effectuate the individual's rights. 82324

A person who files a civil action under this division is 82325
barred, with respect to the practices complained of, from 82326
instituting a civil action under section 4112.14 of the Revised 82327
Code and from filing a charge with the commission under section 82328
4112.05 of the Revised Code. 82329

(O) With regard to age, it shall not be an unlawful 82330
discriminatory practice and it shall not constitute a violation of 82331
division (A) of section 4112.14 of the Revised Code for any 82332
employer, employment agency, joint labor-management committee 82333
controlling apprenticeship training programs, or labor 82334
organization to do any of the following: 82335

(1) Establish bona fide employment qualifications reasonably 82336
related to the particular business or occupation that may include 82337
standards for skill, aptitude, physical capability, intelligence, 82338
education, maturation, and experience; 82339

(2) Observe the terms of a bona fide seniority system or any 82340
bona fide employee benefit plan, including, but not limited to, a 82341
retirement, pension, or insurance plan, that is not a subterfuge 82342
to evade the purposes of this section. However, no such employee 82343
benefit plan shall excuse the failure to hire any individual, and 82344
no such seniority system or employee benefit plan shall require or 82345
permit the involuntary retirement of any individual, because of 82346
the individual's age except as provided for in the "Age 82347
Discrimination in Employment Act Amendment of 1978," 92 Stat. 189, 82348

29 U.S.C.A. 623, as amended by the "Age Discrimination in 82349
Employment Act Amendments of 1986," 100 Stat. 3342, 29 U.S.C.A. 82350
623, as amended. 82351

(3) Retire an employee who has attained sixty-five years of 82352
age who, for the two-year period immediately before retirement, is 82353
employed in a bona fide executive or a high policymaking position, 82354
if the employee is entitled to an immediate nonforfeitable annual 82355
retirement benefit from a pension, profit-sharing, savings, or 82356
deferred compensation plan, or any combination of those plans, of 82357
the employer of the employee, which equals, in the aggregate, at 82358
least forty-four thousand dollars, in accordance with the 82359
conditions of the "Age Discrimination in Employment Act Amendment 82360
of 1978," 92 Stat. 189, 29 U.S.C.A. 631, as amended by the "Age 82361
Discrimination in Employment Act Amendments of 1986," 100 Stat. 82362
3342, 29 U.S.C.A. 631, as amended; 82363

(4) Observe the terms of any bona fide apprenticeship program 82364
if the program is registered with the Ohio apprenticeship council 82365
pursuant to sections 4139.01 to 4139.06 of the Revised Code and is 82366
approved by the federal committee on apprenticeship of the United 82367
States department of labor. 82368

(P) Nothing in this chapter prohibiting age discrimination 82369
and nothing in division (A) of section 4112.14 of the Revised Code 82370
shall be construed to prohibit the following: 82371

(1) The designation of uniform age the attainment of which is 82372
necessary for public employees to receive pension or other 82373
retirement benefits pursuant to Chapter 145., 742., 3307., 3309., 82374
or 5505. of the Revised Code; 82375

be established by a municipal charter, municipal ordinance, or 82386
resolution of a board of township trustees for original 82387
appointment as a police officer or firefighter; 82388

(6) Any mandatory retirement provision not in conflict with 82389
federal law of a municipal charter, municipal ordinance, or 82390

officers and firefighters; 82392

(7) Until January 1, 1994, the mandatory retirement of any 82393
employee who has attained seventy years of age and who is serving 82394
under a contract of unlimited tenure, or similar arrangement 82395
providing for unlimited tenure, at an institution of higher 82396

(Q)(1)(a) Except as provided in division (Q)(1)(b) of this 82399
section, for purposes of divisions (A) to (E) of this section, a 82400
disability does not include any physiological disorder or 82401
condition, mental or psychological disorder, or disease or 82402
condition caused by an illegal use of any controlled substance by 82403
an employee, applicant, or other person, if an employer, 82404
employment agency, personnel placement service, labor 82405

basis of that illegal use. 82407

(b) Division (Q)(1)(a) of this section does not apply to an 82408
employee, applicant, or other person who satisfies any of the 82409
following: 82410

(i) The employee, applicant, or other person has successfully completed a supervised drug rehabilitation program and no longer is engaging in the illegal use of any controlled substance, or the employee, applicant, or other person otherwise successfully has been rehabilitated and no longer is engaging in that illegal use.

(ii) The employee, applicant, or other person is participating in a supervised drug rehabilitation program and no longer is engaging in the illegal use of any controlled substance.

(iii) The employee, applicant, or other person is erroneously regarded as engaging in the illegal use of any controlled substance, but the employee, applicant, or other person is not engaging in that illegal use.

(2) Divisions (A) to (E) of this section do not prohibit an employer, employment agency, personnel placement service, labor organization, or joint labor-management committee from doing any of the following:

(a) Adopting or administering reasonable policies or procedures, including, but not limited to, testing for the illegal use of any controlled substance, that are designed to ensure that an individual described in division (Q)(1)(b)(i) or (ii) of this section no longer is engaging in the illegal use of any controlled substance;

listed in divisions (G)(7)(a) to (f) of this section. 82928

(f) The fact-finding panel may attempt mediation at any time 82929
during the fact-finding process. From the time of appointment 82930

until the fact-finding panel makes a final recommendation, it 82931
shall not discuss the recommendations for settlement of the 82932
dispute with parties other than the direct parties to the dispute. 82933

(5) The fact-finding panel, acting by a majority of its 82934
members, shall transmit its findings of fact and recommendations 82935
on the unresolved issues to the public employer and employee 82936
organization involved and to the board no later than fourteen days 82937
after the appointment of the fact-finding panel, unless the 82938
parties mutually agree to an extension. The parties shall share 82939
the cost of the fact-finding panel in a manner agreed to by the 82940
parties. 82941

(6)(a) Not later than seven days after the findings and 82942

fact-finding panel. 82957

(b) As used in division (C)(6)(a) of this section, 82958
"legislative body" means the controlling board when the state or 82959
any of its agencies, authorities, commissions, boards, or other 82960
branch of public employment is party to the fact-finding process. 82961

(D) If the parties are unable to reach agreement within seven 82962

days after the publication of findings and recommendations from 82963
the fact-finding panel or the collective bargaining agreement, if 82964
one exists, has expired, then the: 82965

(1) Public employees, who are members of a police or fire 82966
department, members of the state highway patrol, deputy sheriffs, 82967

to dispatch police, fire, sheriff's department, or emergency 82971
medical or rescue personnel and units, an exclusive nurse's unit, 82972
employees of the state school for the deaf or the state school for 82973
the blind, employees of any public employee retirement system, 82974
corrections officers, guards at penal or mental institutions, 82975
special police officers appointed in accordance with sections 82976
~~5119.14~~ 5119.08 and 5123.13 of the Revised Code, psychiatric 82977
attendants employed at mental health forensic facilities, youth 82978
leaders employed at juvenile correctional facilities, or members 82979
of a law enforcement security force that is established and 82980
maintained exclusively by a board of county commissioners and 82981
whose members are employed by that board, shall submit the matter 82982
to a final offer settlement procedure pursuant to a board order 82983
issued forthwith to the parties to settle by a conciliator 82984
selected by the parties. The parties shall request from the board 82985
a list of five qualified conciliators and the parties shall select 82986
a single conciliator from the list by alternate striking of names. 82987
If the parties cannot agree upon a conciliator within five days 82988
after the board order, the board shall on the sixth day after its 82989
order appoint a conciliator from a list of qualified persons 82990
maintained by the board or shall request a list of qualified 82991
conciliators from the American arbitration association and appoint 82992

(2) Public employees other than those listed in division 82994

(D)(1) of this section have the right to strike under Chapter 82995
4117. of the Revised Code provided that the employee organization 82996
representing the employees has given a ten-day prior written 82997

strike involving the same bargaining unit; however, the board, at 83002
its discretion, may attempt mediation at any time. 83003

(E) Nothing in this section shall be construed to prohibit 83004
the parties, at any time, from voluntarily agreeing to submit any 83005
or all of the issues in dispute to any other alternative dispute 83006
settlement procedure. An agreement or statutory requirement to 83007
arbitrate or to settle a dispute pursuant to a final offer 83008
settlement procedure and the award issued in accordance with the 83009
agreement or statutory requirement is enforceable in the same 83010
manner as specified in division (B) of section 4117.09 of the 83011
Revised Code. 83012

(F) Nothing in this section shall be construed to prohibit a 83013
party from seeking enforcement of a collective bargaining 83014
agreement or a conciliator's award as specified in division (B) of 83015
section 4117.09 of the Revised Code. 83016

(G) The following guidelines apply to final offer settlement 83017

rules developed by the board. The conciliator shall establish the 83029
hearing time and place, but it shall be, where feasible, within 83030
the jurisdiction of the state. Not later than five calendar days 83031
before the hearing, each of the parties shall submit to the 83032
conciliator, to the opposing party, and to the board, a written 83033
report summarizing the unresolved issues, the party's final offer 83034
as to the issues, and the rationale for that position. 83035

recommendation of the fact-finders. 83043

(7) After hearing, the conciliator shall resolve the dispute 83044
between the parties by selecting, on an issue-by-issue basis, from 83045
between each of the party's final settlement offers, taking into 83046
consideration the following: 83047

(a) Past collectively bargained agreements, if any, between 83048
the parties; 83049

(b) Comparison of the issues submitted to final offer 83050
settlement relative to the employees in the bargaining unit 83051
involved with those issues related to other public and private 83052
employees doing comparable work, giving consideration to factors 83053
peculiar to the area and classification involved; 83054

(c) The interests and welfare of the public, the ability of 83055

the public employer to finance and administer the issues proposed, 83056
and the effect of the adjustments on the normal standard of public 83057
service; 83058

(d) The lawful authority of the public employer; 83059

(e) The stipulations of the parties; 83060

(f) Such other factors, not confined to those listed in this 83061
section, which are normally or traditionally taken into 83062
consideration in the determination of the issues submitted to 83063

must be by majority vote. 83070

(10) The conciliator shall make written findings of fact and 83071
promulgate a written opinion and order upon the issues presented 83072
to the conciliator, and upon the record made before the 83073
conciliator and shall mail or otherwise deliver a true copy 83074
thereof to the parties and the board. 83075

(11) Increases in rates of compensation and other matters 83076
with cost implications awarded by the conciliator may be effective 83077
only at the start of the fiscal year next commencing after the 83078
date of the final offer settlement award; provided that if a new 83079
fiscal year has commenced since the issuance of the board order to 83080
submit to a final offer settlement procedure, the awarded 83081
increases may be retroactive to the commencement of the new fiscal 83082
year. The parties may, at any time, amend or modify a 83083
conciliator's award or order by mutual agreement. 83084

(12) The parties shall bear equally the cost of the final 83085

offer settlement procedure. 83086

(13) Conciliators appointed pursuant to this section shall be 83087
residents of the state. 83088

subject to review by the court of common pleas having jurisdiction 83091
over the public employer as provided in Chapter 2711. of the 83092
Revised Code. If the public employer is located in more than one 83093

collected from any employer entitles the employer to the benefits 83463
of this chapter for the remainder of the six months and also for 83464
an additional adjustment period of two months, and, thereafter, if 83465
the employer pays the premium due at the close of any six-month 83466
period, coverage shall be extended for an additional eight-month 83467
period beginning from the end of the six-month period for which 83468
the employer pays the premium due; 83469

(B) A rule providing for ascertaining the correctness of any 83470
employer's report of estimated or actual expenditure of wages and 83471
the determination and adjustment of proper premiums and the 83472
payment of those premiums by the employer for or during any period 83473
less than eight months and notwithstanding any payment or 83474
determination of premium made when exceptional conditions or 83475
circumstances in the judgment of the administrator justify the 83476
action; 83477

(C) Such special rules as the administrator considers 83478
necessary to safeguard the fund and that are just in the 83479
circumstances, covering the rates to be applied where one employer 83480
takes over the occupation or industry of another or where an 83481
employer first makes application for state insurance, and the 83482
administrator may require that if any employer transfers a 83483
business in whole or in part or otherwise reorganizes the 83484
business, the successor in interest shall assume, in proportion to 83485

compensation and benefits under that federal act. 83496
83497

(E) A rule providing for all of the following: 83498

(1) If, within two months immediately after the expiration of 83499
the six-month period, an employer fails to file a report of the 83500
employer's actual payroll expenditures for the period, the premium 83501
found to be due from the employer for the period shall be 83502
increased in an amount equal to one per cent of the premium, but 83503
the increase shall not be less than three nor more than fifteen 83504
dollars; 83505

(2) The premium determined by the administrator to be due 83506
from an employer shall be payable on or before the end of the 83507
coverage period established by the premium security deposit, or 83508
within the time specified by the administrator if the period for 83509
which the advance premium has been paid is less than eight months. 83510
If an employer fails to pay the premium when due, the 83511
administrator may add a late fee penalty of not more than thirty 83512
dollars to the premium plus an additional penalty amount as 83513

prime interest rate, multiplied by the premium due; 83516

past due, the prime interest rate plus two per cent, multiplied by 83518
the premium due; 83519

(c) For a premium from one hundred twenty-one to one hundred 83520
fifty days past due, the prime interest rate plus four per cent, 83521
multiplied by the premium due; 83522

(d) For a premium from one hundred fifty-one to one hundred 83523
eighty days past due, the prime interest rate plus six per cent, 83524
multiplied by the premium due; 83525

(e) For a premium from one hundred eighty-one to two hundred 83526
ten days past due, the prime interest rate plus eight per cent, 83527
multiplied by the premium due; 83528

(f) For each additional thirty-day period or portion thereof 83529
that a premium remains past due after it has remained past due for 83530
more than two hundred ten days, the prime interest rate plus eight 83531
per cent, multiplied by the premium due. 83532

(3) Notwithstanding the interest rates specified in division 83533
(E)(2) of this section, at no time shall the additional penalty 83534
amount assessed under division (E)(2) of this section exceed 83535
fifteen per cent of the premium due. 83536

(4) An employer may appeal a late fee penalty or additional 83537
penalty to an adjudicating committee pursuant to section 4123.291 83538
of the Revised Code. 83539

For purposes of division (E) of this section, "prime interest 83540
rate" means the average bank prime rate, and the administrator 83541
shall determine the prime interest rate in the same manner as a 83542
county auditor determines the average bank prime rate under 83543
section 929.02 of the Revised Code. 83544

(5) If the employer files an appropriate payroll report, 83545
within the time provided by law or within the time specified by 83546
the administrator if the period for which the employer paid an 83547

estimated premium is less than eight months, the employer shall 83548
not be in default and division (E)(2) of this section shall not 83549
apply if the employer pays the premiums within fifteen days after 83550
being first notified by the administrator of the amount due. 83551

(6) Any deficiencies in the amounts of the premium security 83552
deposit paid by an employer for any period shall be subject to an 83553
interest charge of six per cent per annum from the date the 83554
premium obligation is incurred. In determining the interest due on 83555
deficiencies in premium security deposit payments, a charge in 83556
each case shall be made against the employer in an amount equal to 83557
interest at the rate of six per cent per annum on the premium 83558
security deposit due but remaining unpaid sixty days after notice 83559
by the administrator. 83560

(7) Any interest charges or penalties provided for in 83561
divisions (E)(2) and (6) of this section shall be credited to the 83562
employer's account for rating purposes in the same manner as 83563
premiums. 83564

(F) A rule providing that each employer, on the occasion of 83565
instituting coverage under this chapter, shall submit a premium 83566
security deposit. The deposit shall be calculated equivalent to 83567
thirty per cent of the semiannual premium obligation of the 83568
employer based upon the employer's estimated expenditure for wages 83569
for the ensuing six-month period plus thirty per cent of an 83570
additional adjustment period of two months but only up to a 83571
maximum of one thousand dollars and not less than ten dollars. The 83572
administrator shall review the security deposit of every employer 83573
who has submitted a deposit which is less than the 83574
one-thousand-dollar maximum. The administrator may require any 83575
such employer to submit additional money up to the maximum of one 83576
thousand dollars that, in the administrator's opinion, reflects 83577
the employer's current payroll expenditure for an eight-month 83578
period. 83579

(G) A rule providing that each employer, on the occasion of instituting coverage under this chapter, shall submit an application for coverage that completely provides all of the information required for the administrator to establish coverage for that employer, and that the employer's failure to provide all of the information completely may be grounds for the administrator to deny coverage for that employer.

(H) A rule providing that, in addition to any other remedies permitted in this chapter, the administrator may discontinue an employer's coverage if the employer fails to pay the premium due on or before the premium's due date.

(I) A rule providing that if after a final adjudication it is determined that an employer has failed to pay an obligation, billing, account, or assessment that is greater than one thousand dollars on or before its due date, the administrator may discontinue the employer's coverage in addition to any other remedies permitted in this chapter, and that the administrator shall not discontinue an employer's coverage pursuant to this division prior to a final adjudication regarding the employer's failure to pay such obligation, billing, account, or assessment on or before its due date.

(J) As used in divisions (H) and (I) of this section:

(1) "Employer" has the same meaning as in division (B) of section 4123.01 of the Revised Code except that "employer" does not include the state, a state hospital, or a state university or college.

administrator of workers' compensation, with the advice and 83615
consent of the bureau of workers' compensation board of directors, 83616
may adopt rules with respect to the collection, maintenance, and 83617
disbursements of the state insurance fund to provide for a system 83618

administrator pursuant to division (A)(1) of this section, and 83636

coverage, an employer mentioned in division (B)(1) of section 83649
4123.01 of the Revised Code, except for a state agency or state 83650
university or college, shall file with the application an estimate 83651
of the employer's payroll for the unexpired period from the date 83652
of application to the period ending on the following thirty-first 83653
day of December or other date as established by the administrator 83654
pursuant to division (A)(3) of this section, and shall pay the 83655
amount the administrator determines by rule in order to establish 83656
coverage for the employer as described in division (B)(12) of 83657
section 4121.121 of the Revised Code; 83658

(5) The assessment of a penalty if an employer fails to 83659
timely file the estimates of payroll required by the rules adopted 83660
pursuant to this section; 83661

provision of a credit of those deposits toward the first premium 83672

(A)(1) to (7) of this section, and the establishment of penalties 83674
for late payment or failure to comply with the rules. 83675

(B) For purposes of division (A)(6) of this section, an 83676
employer shall make timely payment of any premium owed when actual 83677
payroll expenditures exceeded estimated payroll, and the employer 83678
shall receive premium credit when the estimated payroll exceeded 83679
the actual payroll. 83680

(C) For purposes of division (A)(7) of this section, if the 83681
employer's actual payroll substantially exceeds the estimated 83682
payroll, the administrator may assess additional penalties 83683
specified in rules the administrator adopts on the reconciliation 83684
premium. 83685

(D) As used in this section, "state university or college" 83686
has the same meaning as in section 4123.32 of the Revised Code. 83687

Sec. 4123.35. (A) Except as provided in this section, every 83688
employer mentioned in division (B)(2) of section 4123.01 of the 83689

rules of the administrator, and a receipt or certificate 83699
certifying that payment has been made, along with a written notice 83700
as is required in section 4123.54 of the Revised Code, shall be 83701

notice constitutes the employer's compliance with the notice 83705
requirement mandated in section 4123.54 of the Revised Code. 83706

If the administrator adopts rules to establish a prospective 83707

the Revised Code and every publicly owned utility shall pay into 83710

the classifications, rules, and rates made and published by the 83714
administrator and based upon the estimates and reconciliations 83715
required by the rules the administrator adopts under section 83716
4123.322 of the Revised Code. 83717

The bureau of workers' compensation shall verify with the 83718

Division (A) of this section providing for the payment of 83728
premiums semiannually does not apply to any employer who was a 83729
subscriber to the state insurance fund prior to January 1, 1914, 83730
or who may first become a subscriber to the fund in any month 83731

be paid by those employers from time to time upon the expiration 83733
of the respective periods for which payments into the fund have 83734
been made by them. 83735

The administrator shall adopt rules to permit employers to 83736
make periodic payments of the semiannual premium due under this 83737

interest charges, where appropriate, and for the assessment of 83739
penalties when an employer fails to make timely premium payments. 83740

entitled to all of the benefits and protections of this chapter. 83742

receipt or certificate to the employer certifying that payment has 83744
been made, which receipt is prima-facie evidence of payment. 83745
Workers' compensation coverage under this chapter continues 83746
uninterrupted upon timely receipt of payment under this division. 83747

Every public employer, except public employers that are 83748
self-insuring employers under this section, shall comply with 83749
sections 4123.38 to 4123.41, and 4123.48 of the Revised Code in 83750
regard to the contribution of moneys to the public insurance fund. 83751

(B) Employers who will abide by the rules of the 83752
administrator and who may be of sufficient financial ability to 83753
render certain the payment of compensation to injured employees or 83754
the dependents of killed employees, and the furnishing of medical, 83755
surgical, nursing, and hospital attention and services and 83756
medicines, and funeral expenses, equal to or greater than is 83757
provided for in sections 4123.52, 4123.55 to 4123.62, and 4123.64 83758
to 4123.67 of the Revised Code, and who do not desire to insure 83759
the payment thereof or indemnify themselves against loss sustained 83760
by the direct payment thereof, upon a finding of such facts by the 83761
administrator, may be granted the privilege to pay individually 83762

demonstrate sufficient financial and administrative ability to 83772
assure that all obligations under this section are promptly met. 83773
The administrator shall deny the privilege where the employer is 83774
unable to demonstrate the employer's ability to promptly meet all 83775
the obligations imposed on the employer by this section. 83776

(1) The administrator shall consider, but is not limited to, 83777

directly; 83793

(e) The financial records, documents, and data, certified by 83794
a certified public accountant, necessary to provide the employer's 83795

83803
83804

(h) The employer has either an account in a financial institution in this state, or if the employer maintains an account with a financial institution outside this state, ensures that workers' compensation checks are drawn from the same account as payroll checks or the employer clearly indicates that payment will be honored by a financial institution in this state. 83805

83807
83808
83809
83810

The administrator may waive the requirements of divisions (B)(1)(a) and (b) of this section and the requirement of division (B)(1)(e) of this section that the financial records, documents, and data be certified by a certified public accountant. The administrator shall adopt rules establishing the criteria that an employer shall meet in order for the administrator to waive the ~~requirement~~ requirements of division divisions (B)(1)(a), (b), and (e) of this section. Such rules may require additional security of that employer pursuant to division (E) of section 4123.351 of the Revised Code. 83811

83827
83828
83829

verify that the public employer satisfies all of the following 83830
requirements as the requirements apply to that public employer: 83831

(a) For the two-year period preceding application under this 83832
section, the public employer has maintained an unvoted debt 83833

section. 83838

(b) For each of the two fiscal years preceding application 83839
under this section, the unreserved and undesignated year-end fund 83840
balance in the public employer's general fund is equal to at least 83841
five per cent of the public employer's general fund revenues for 83842
the fiscal year computed in accordance with generally accepted 83843

(c) For the five-year period preceding application under this 83845

(g) On the date of application, the public employer holds a 83864

(j) Any additional criteria that the administrator adopts by 83879

The administrator may adopt rules establishing the criteria 83881
that a public employer shall satisfy in order for the 83882
administrator to waive any of the requirements listed in divisions 83883
(B)(2)(a) to (j) of this section. The rules may require additional 83884
security from that employer pursuant to division (E) of section 83885
4123.351 of the Revised Code. The administrator shall not waive 83886
any of the requirements listed in divisions (B)(2)(a) to (j) of 83887
this section for a public employer who does not satisfy the 83888
criteria established in the rules the administrator adopts. 83889

granted the privilege to pay individually compensation, and 83902
furnish medical, surgical, nursing, and hospital services and 83903
attention and funeral expenses directly to injured employees or 83904
the dependents of killed employees, thereby being granted status 83905
as a self-insuring employer. The administrator may charge a board 83906
of county commissioners described in division (G) of section 83907
4123.01 of the Revised Code that applies for the status as a 83908
self-insuring employer a reasonable application fee to cover the 83909
bureau's costs in connection with processing and making a 83910
determination with respect to an application. All employers 83911
granted such status shall demonstrate sufficient financial and 83912
administrative ability to assure that all obligations under this 83913
section are promptly met. The administrator shall deny the 83914
privilege where the employer is unable to demonstrate the 83915
employer's ability to promptly meet all the obligations imposed on 83916
the employer by this section. The administrator shall consider, 83917
but is not limited to, the following factors, where applicable, in 83918
determining the employer's ability to meet all of the obligations 83919
imposed on the board as an employer by this section: 83920

(1) The board as an employer employs a minimum of five 83921
hundred employees in this state; 83922

(2) The board has operated in this state for a minimum of two 83923

years;	83924
(3) Where the board previously contributed to the state insurance fund or is a successor employer as defined by bureau rules, the amount of the buyout, as defined by bureau rules;	83925 83926 83927
(4) The sufficiency of the board's assets located in this state to insure the board's solvency in paying compensation directly;	83928 83929 83930
(5) The financial records, documents, and data, certified by a certified public accountant, necessary to provide the board's full financial disclosure. The records, documents, and data include, but are not limited to, balance sheets and profit and loss history for the current year and previous four years.	83931 83932 83933 83934 83935
(6) The board's organizational plan for the administration of the workers' compensation law;	83936 83937
(7) The board's proposed plan to inform employees of the proposed self-insurance, the procedures the board will follow as a self-insuring employer, and the employees' rights to compensation and benefits;	83938 83939 83940 83941
(8) The board has either an account in a financial institution in this state, or if the board maintains an account with a financial institution outside this state, ensures that workers' compensation checks are drawn from the same account as payroll checks or the board clearly indicates that payment will be honored by a financial institution in this state;	83942 83943 83944 83945 83946 83947
(9) The board shall provide the administrator a surety bond in an amount equal to one hundred twenty-five per cent of the projected losses as determined by the administrator.	83948 83949 83950
(D) The administrator shall require a surety bond from all self-insuring employers, issued pursuant to section 4123.351 of the Revised Code, that is sufficient to compel, or secure to	83951 83952 83953

injured employees, or to the dependents of employees killed, the 83954
payment of compensation and expenses, which shall in no event be 83955
less than that paid or furnished out of the state insurance fund 83956
in similar cases to injured employees or to dependents of killed 83957
employees whose employers contribute to the fund, except when an 83958
employee of the employer, who has suffered the loss of a hand, 83959
arm, foot, leg, or eye prior to the injury for which compensation 83960
is to be paid, and thereafter suffers the loss of any other of the 83961
members as the result of any injury sustained in the course of and 83962
arising out of the employee's employment, the compensation to be 83963
paid by the self-insuring employer is limited to the disability 83964
suffered in the subsequent injury, additional compensation, if 83965
any, to be paid by the bureau out of the surplus created by 83966
section 4123.34 of the Revised Code. 83967

(E) In addition to the requirements of this section, the 83968
administrator shall make and publish rules governing the manner of 83969
making application and the nature and extent of the proof required 83970
to justify a finding of fact by the administrator as to granting 83971
the status of a self-insuring employer, which rules shall be 83972
general in their application, one of which rules shall provide 83973
that all self-insuring employers shall pay into the state 83974
insurance fund such amounts as are required to be credited to the 83975
surplus fund in division (B) of section 4123.34 of the Revised 83976
Code. The administrator may adopt rules establishing requirements 83977
in addition to the requirements described in division (B)(2) of 83978
this section that a public employer shall meet in order to qualify 83979
for self-insuring status. 83980

Employers shall secure directly from the bureau central 83981
offices application forms upon which the bureau shall stamp a 83982
designating number. Prior to submission of an application, an 83983
employer shall make available to the bureau, and the bureau shall 83984
review, the information described in division (B)(1) of this 83985

section, and public employers shall make available, and the bureau 83986
shall review, the information necessary to verify whether the 83987
public employer meets the requirements listed in division (B)(2) 83988
of this section. An employer shall file the completed application 83989
forms with an application fee, which shall cover the costs of 83990
processing the application, as established by the administrator, 83991
by rule, with the bureau at least ninety days prior to the 83992
effective date of the employer's new status as a self-insuring 83993
employer. The application form is not deemed complete until all 83994
the required information is attached thereto. The bureau shall 83995
only accept applications that contain the required information. 83996

(F) The bureau shall review completed applications within a 83997
reasonable time. If the bureau determines to grant an employer the 83998
status as a self-insuring employer, the bureau shall issue a 83999
statement, containing its findings of fact, that is prepared by 84000
the bureau and signed by the administrator. If the bureau 84001
determines not to grant the status as a self-insuring employer, 84002
the bureau shall notify the employer of the determination and 84003
require the employer to continue to pay its full premium into the 84004
state insurance fund. The administrator also shall adopt rules 84005
establishing a minimum level of performance as a criterion for 84006
granting and maintaining the status as a self-insuring employer 84007
and fixing time limits beyond which failure of the self-insuring 84008
employer to provide for the necessary medical examinations and 84009
evaluations may not delay a decision on a claim. 84010

(G) The administrator shall adopt rules setting forth 84011
procedures for auditing the program of self-insuring employers. 84012
The bureau shall conduct the audit upon a random basis or whenever 84013
the bureau has grounds for believing that a self-insuring employer 84014
is not in full compliance with bureau rules or this chapter. 84015

The administrator shall monitor the programs conducted by 84016
self-insuring employers, to ensure compliance with bureau 84017

requirements and for that purpose, shall develop and issue to 84018
self-insuring employers standardized forms for use by the 84019
self-insuring employer in all aspects of the self-insuring 84020
employers' direct compensation program and for reporting of 84021
information to the bureau. 84022

The bureau shall receive and transmit to the self-insuring 84023
employer all complaints concerning any self-insuring employer. In 84024
the case of a complaint against a self-insuring employer, the 84025
administrator shall handle the complaint through the 84026
self-insurance division of the bureau. The bureau shall maintain a 84027
file by employer of all complaints received that relate to the 84028
employer. The bureau shall evaluate each complaint and take 84029
appropriate action. 84030

The administrator shall adopt as a rule a prohibition against 84031
any self-insuring employer from harassing, dismissing, or 84032
otherwise disciplining any employee making a complaint, which rule 84033
shall provide for a financial penalty to be levied by the 84034
administrator payable by the offending self-insuring employer. 84035

(H) For the purpose of making determinations as to whether to 84036
grant status as a self-insuring employer, the administrator may 84037
subscribe to and pay for a credit reporting service that offers 84038
financial and other business information about individual 84039
employers. The costs in connection with the bureau's subscription 84040
or individual reports from the service about an applicant may be 84041
included in the application fee charged employers under this 84042
section. 84043

(I) The administrator, notwithstanding other provisions of 84044
this chapter, may permit a self-insuring employer to resume 84045
payment of premiums to the state insurance fund with appropriate 84046
credit modifications to the employer's basic premium rate as such 84047
rate is determined pursuant to section 4123.29 of the Revised 84048
Code. 84049

(J) On the first day of July of each year, the administrator shall calculate separately each self-insuring employer's assessments for the safety and hygiene fund, administrative costs pursuant to section 4123.342 of the Revised Code, and for the portion of the surplus fund under division (B) of section 4123.34 of the Revised Code that is not used for handicapped reimbursement, on the basis of the paid compensation attributable to the individual self-insuring employer according to the following calculation:

(1) The total assessment against all self-insuring employers as a class for each fund and for the administrative costs for the year that the assessment is being made, as determined by the administrator, divided by the total amount of paid compensation for the previous calendar year attributable to all amenable self-insuring employers;

(2) Multiply the quotient in division (J)(1) of this section by the total amount of paid compensation for the previous calendar year that is attributable to the individual self-insuring employer for whom the assessment is being determined. Each self-insuring employer shall pay the assessment that results from this calculation, unless the assessment resulting from this calculation falls below a minimum assessment, which minimum assessment the administrator shall determine on the first day of July of each year with the advice and consent of the bureau of workers' compensation board of directors, in which event, the self-insuring employer shall pay the minimum assessment.

In determining the total amount due for the total assessment against all self-insuring employers as a class for each fund and the administrative assessment, the administrator shall reduce proportionately the total for each fund and assessment by the amount of money in the self-insurance assessment fund as of the date of the computation of the assessment.

The administrator shall calculate the assessment for the 84082
portion of the surplus fund under division (B) of section 4123.34 84083
of the Revised Code that is used for handicapped reimbursement in 84084
the same manner as set forth in divisions (J)(1) and (2) of this 84085
section except that the administrator shall calculate the total 84086
assessment for this portion of the surplus fund only on the basis 84087
of those self-insuring employers that retain participation in the 84088
handicapped reimbursement program and the individual self-insuring 84089
employer's proportion of paid compensation shall be calculated 84090
only for those self-insuring employers who retain participation in 84091
the handicapped reimbursement program. The administrator, as the 84092
administrator determines appropriate, may determine the total 84093
assessment for the handicapped portion of the surplus fund in 84094
accordance with sound actuarial principles. 84095

The administrator shall calculate the assessment for the 84096
portion of the surplus fund under division (B) of section 4123.34 84097
of the Revised Code that under division (D) of section 4121.66 of 84098
the Revised Code is used for rehabilitation costs in the same 84099
manner as set forth in divisions (J)(1) and (2) of this section, 84100
except that the administrator shall calculate the total assessment 84101
for this portion of the surplus fund only on the basis of those 84102
self-insuring employers who have not made the election to make 84103
payments directly under division (D) of section 4121.66 of the 84104
Revised Code and an individual self-insuring employer's proportion 84105
of paid compensation only for those self-insuring employers who 84106
have not made that election. 84107

The administrator shall calculate the assessment for the 84108
portion of the surplus fund under division (B) of section 4123.34 84109
of the Revised Code that is used for reimbursement to a 84110
self-insuring employer under division (H) of section 4123.512 of 84111
the Revised Code in the same manner as set forth in divisions 84112
(J)(1) and (2) of this section except that the administrator shall 84113

calculate the total assessment for this portion of the surplus 84114
fund only on the basis of those self-insuring employers that 84115
retain participation in reimbursement to the self-insuring 84116
employer under division (H) of section 4123.512 of the Revised 84117
Code and the individual self-insuring employer's proportion of 84118
paid compensation shall be calculated only for those self-insuring 84119
employers who retain participation in reimbursement to the 84120
self-insuring employer under division (H) of section 4123.512 of 84121
the Revised Code. 84122

An employer who no longer is a self-insuring employer in this 84123
state or who no longer is operating in this state, shall continue 84124
to pay assessments for administrative costs and for the portion of 84125
the surplus fund under division (B) of section 4123.34 of the 84126
Revised Code that is not used for handicapped reimbursement, based 84127
upon paid compensation attributable to claims that occurred while 84128
the employer was a self-insuring employer within this state. 84129

(K) There is hereby created in the state treasury the 84130
self-insurance assessment fund. All investment earnings of the 84131
fund shall be deposited in the fund. The administrator shall use 84132
the money in the self-insurance assessment fund only for 84133
administrative costs as specified in section 4123.341 of the 84134
Revised Code. 84135

(L) Every self-insuring employer shall certify, in affidavit 84136
form subject to the penalty for perjury, to the bureau the amount 84137
of the self-insuring employer's paid compensation for the previous 84138
calendar year. In reporting paid compensation paid for the 84139
previous year, a self-insuring employer shall exclude from the 84140
total amount of paid compensation any reimbursement the 84141
self-insuring employer receives in the previous calendar year from 84142
the surplus fund pursuant to section 4123.512 of the Revised Code 84143
for any paid compensation. The self-insuring employer also shall 84144
exclude from the paid compensation reported any amount recovered 84145

under section 4123.931 of the Revised Code and any amount that is 84146
determined not to have been payable to or on behalf of a claimant 84147
in any final administrative or judicial proceeding. The 84148
self-insuring employer shall exclude such amounts from the paid 84149
compensation reported in the reporting period subsequent to the 84150
date the determination is made. The administrator shall adopt 84151
rules, in accordance with Chapter 119. of the Revised Code, that 84152
provide for all of the following: 84153

(1) Establishing the date by which self-insuring employers 84154
must submit such information and the amount of the assessments 84155
provided for in division (J) of this section for employers who 84156
have been granted self-insuring status within the last calendar 84157
year; 84158

(2) If an employer fails to pay the assessment when due, the 84159
administrator may add a late fee penalty of not more than five 84160
hundred dollars to the assessment plus an additional penalty 84161
amount as follows: 84162

(a) For an assessment from sixty-one to ninety days past due, 84163
the prime interest rate, multiplied by the assessment due; 84164

(b) For an assessment from ninety-one to one hundred twenty 84165
days past due, the prime interest rate plus two per cent, 84166
multiplied by the assessment due; 84167

(c) For an assessment from one hundred twenty-one to one 84168
hundred fifty days past due, the prime interest rate plus four per 84169
cent, multiplied by the assessment due; 84170

(d) For an assessment from one hundred fifty-one to one 84171
hundred eighty days past due, the prime interest rate plus six per 84172
cent, multiplied by the assessment due; 84173

(e) For an assessment from one hundred eighty-one to two 84174
hundred ten days past due, the prime interest rate plus eight per 84175
cent, multiplied by the assessment due; 84176

(f) For each additional thirty-day period or portion thereof 84177
that an assessment remains past due after it has remained past due 84178
for more than two hundred ten days, the prime interest rate plus 84179
eight per cent, multiplied by the assessment due. 84180

(3) An employer may appeal a late fee penalty and penalty 84181
assessment to the administrator. 84182

For purposes of division (L)(2) of this section, "prime 84183
interest rate" means the average bank prime rate, and the 84184
administrator shall determine the prime interest rate in the same 84185
manner as a county auditor determines the average bank prime rate 84186
under section 929.02 of the Revised Code. 84187

The administrator shall include any assessment and penalties 84188
that remain unpaid for previous assessment periods in the 84189
calculation and collection of any assessments due under this 84190
division or division (J) of this section. 84191

(M) As used in this section, "paid compensation" means all 84192
amounts paid by a self-insuring employer for living maintenance 84193
benefits, all amounts for compensation paid pursuant to sections 84194
4121.63, 4121.67, 4123.56, 4123.57, 4123.58, 4123.59, 4123.60, and 84195
4123.64 of the Revised Code, all amounts paid as wages in lieu of 84196
such compensation, all amounts paid in lieu of such compensation 84197
under a nonoccupational accident and sickness program fully funded 84198
by the self-insuring employer, and all amounts paid by a 84199
self-insuring employer for a violation of a specific safety 84200
standard pursuant to Section 35 of Article II, Ohio Constitution 84201
and section 4121.47 of the Revised Code. 84202

(N) Should any section of this chapter or Chapter 4121. of 84203
the Revised Code providing for self-insuring employers' 84204
assessments based upon compensation paid be declared 84205
unconstitutional by a final decision of any court, then that 84206
section of the Revised Code declared unconstitutional shall revert 84207

back to the section in existence prior to November 3, 1989, 84208
providing for assessments based upon payroll. 84209

(O) The administrator may grant a self-insuring employer the 84210
privilege to self-insure a construction project entered into by 84211
the self-insuring employer that is scheduled for completion within 84212
six years after the date the project begins, and the total cost of 84213
which is estimated to exceed one hundred million dollars or, for 84214
employers described in division (R) of this section, if the 84215
construction project is estimated to exceed twenty-five million 84216
dollars. The administrator may waive such cost and time criteria 84217
and grant a self-insuring employer the privilege to self-insure a 84218
construction project regardless of the time needed to complete the 84219
construction project and provided that the cost of the 84220
construction project is estimated to exceed fifty million dollars. 84221
A self-insuring employer who desires to self-insure a construction 84222
project shall submit to the administrator an application listing 84223
the dates the construction project is scheduled to begin and end, 84224
the estimated cost of the construction project, the contractors 84225
and subcontractors whose employees are to be self-insured by the 84226
self-insuring employer, the provisions of a safety program that is 84227
specifically designed for the construction project, and a 84228
statement as to whether a collective bargaining agreement 84229
governing the rights, duties, and obligations of each of the 84230
parties to the agreement with respect to the construction project 84231
exists between the self-insuring employer and a labor 84232
organization. 84233

A self-insuring employer may apply to self-insure the 84234
employees of either of the following: 84235

(1) All contractors and subcontractors who perform labor or 84236
work or provide materials for the construction project; 84237

(2) All contractors and, at the administrator's discretion, a 84238
substantial number of all the subcontractors who perform labor or 84239

work or provide materials for the construction project. 84240

Upon approval of the application, the administrator shall 84241
mail a certificate granting the privilege to self-insure the 84242
construction project to the self-insuring employer. The 84243
certificate shall contain the name of the self-insuring employer 84244
and the name, address, and telephone number of the self-insuring 84245
employer's representatives who are responsible for administering 84246
workers' compensation claims for the construction project. The 84247
self-insuring employer shall post the certificate in a conspicuous 84248
place at the site of the construction project. 84249

The administrator shall maintain a record of the contractors 84250
and subcontractors whose employees are covered under the 84251
certificate issued to the self-insured employer. A self-insuring 84252
employer immediately shall notify the administrator when any 84253
contractor or subcontractor is added or eliminated from inclusion 84254
under the certificate. 84255

Upon approval of the application, the self-insuring employer 84256
is responsible for the administration and payment of all claims 84257
under this chapter and Chapter 4121. of the Revised Code for the 84258
employees of the contractor and subcontractors covered under the 84259
certificate who receive injuries or are killed in the course of 84260
and arising out of employment on the construction project, or who 84261
contract an occupational disease in the course of employment on 84262
the construction project. For purposes of this chapter and Chapter 84263
4121. of the Revised Code, a claim that is administered and paid 84264
in accordance with this division is considered a claim against the 84265
self-insuring employer listed in the certificate. A contractor or 84266
subcontractor included under the certificate shall report to the 84267
self-insuring employer listed in the certificate, all claims that 84268
arise under this chapter and Chapter 4121. of the Revised Code in 84269
connection with the construction project for which the certificate 84270
is issued. 84271

A self-insuring employer who complies with this division is 84272
entitled to the protections provided under this chapter and 84273
Chapter 4121. of the Revised Code with respect to the employees of 84274
the contractors and subcontractors covered under a certificate 84275
issued under this division for death or injuries that arise out 84276
of, or death, injuries, or occupational diseases that arise in the 84277
course of, those employees' employment on that construction 84278
project, as if the employees were employees of the self-insuring 84279
employer, provided that the self-insuring employer also complies 84280
with this section. No employee of the contractors and 84281
subcontractors covered under a certificate issued under this 84282
division shall be considered the employee of the self-insuring 84283
employer listed in that certificate for any purposes other than 84284
this chapter and Chapter 4121. of the Revised Code. Nothing in 84285
this division gives a self-insuring employer authority to control 84286
the means, manner, or method of employment of the employees of the 84287
contractors and subcontractors covered under a certificate issued 84288
under this division. 84289

The contractors and subcontractors included under a 84290
certificate issued under this division are entitled to the 84291
protections provided under this chapter and Chapter 4121. of the 84292
Revised Code with respect to the contractor's or subcontractor's 84293
employees who are employed on the construction project which is 84294
the subject of the certificate, for death or injuries that arise 84295
out of, or death, injuries, or occupational diseases that arise in 84296
the course of, those employees' employment on that construction 84297
project. 84298

The contractors and subcontractors included under a 84299
certificate issued under this division shall identify in their 84300
payroll records the employees who are considered the employees of 84301
the self-insuring employer listed in that certificate for purposes 84302
of this chapter and Chapter 4121. of the Revised Code, and the 84303

amount that those employees earned for employment on the 84304
construction project that is the subject of that certificate. 84305
Notwithstanding any provision to the contrary under this chapter 84306
and Chapter 4121. of the Revised Code, the administrator shall 84307
exclude the payroll that is reported for employees who are 84308
considered the employees of the self-insuring employer listed in 84309
that certificate, and that the employees earned for employment on 84310
the construction project that is the subject of that certificate, 84311
when determining those contractors' or subcontractors' premiums or 84312
assessments required under this chapter and Chapter 4121. of the 84313
Revised Code. A self-insuring employer issued a certificate under 84314
this division shall include in the amount of paid compensation it 84315
reports pursuant to division (L) of this section, the amount of 84316
paid compensation the self-insuring employer paid pursuant to this 84317
division for the previous calendar year. 84318

Nothing in this division shall be construed as altering the 84319
rights of employees under this chapter and Chapter 4121. of the 84320
Revised Code as those rights existed prior to September 17, 1996. 84321
Nothing in this division shall be construed as altering the rights 84322
devolved under sections 2305.31 and 4123.82 of the Revised Code as 84323
those rights existed prior to September 17, 1996. 84324

As used in this division, "privilege to self-insure a 84325
construction project" means privilege to pay individually 84326
compensation, and to furnish medical, surgical, nursing, and 84327
hospital services and attention and funeral expenses directly to 84328
injured employees or the dependents of killed employees. 84329

(P) A self-insuring employer whose application is granted 84330
under division (O) of this section shall designate a safety 84331
professional to be responsible for the administration and 84332
enforcement of the safety program that is specifically designed 84333
for the construction project that is the subject of the 84334
application. 84335

A self-insuring employer whose application is granted under 84336
division (O) of this section shall employ an ombudsperson for the 84337
construction project that is the subject of the application. The 84338
ombudsperson shall have experience in workers' compensation or the 84339
construction industry, or both. The ombudsperson shall perform all 84340
of the following duties: 84341

(1) Communicate with and provide information to employees who 84342
are injured in the course of, or whose injury arises out of 84343
employment on the construction project, or who contract an 84344
occupational disease in the course of employment on the 84345
construction project; 84346

(2) Investigate the status of a claim upon the request of an 84347
employee to do so; 84348

(3) Provide information to claimants, third party 84349
administrators, employers, and other persons to assist those 84350
persons in protecting their rights under this chapter and Chapter 84351
4121. of the Revised Code. 84352

A self-insuring employer whose application is granted under 84353
division (O) of this section shall post the name of the safety 84354
professional and the ombudsperson and instructions for contacting 84355
the safety professional and the ombudsperson in a conspicuous 84356
place at the site of the construction project. 84357

(Q) The administrator may consider all of the following when 84358
deciding whether to grant a self-insuring employer the privilege 84359
to self-insure a construction project as provided under division 84360
(O) of this section: 84361

(1) Whether the self-insuring employer has an organizational 84362
plan for the administration of the workers' compensation law; 84363

(2) Whether the safety program that is specifically designed 84364
for the construction project provides for the safety of employees 84365
employed on the construction project, is applicable to all 84366

contractors and subcontractors who perform labor or work or 84367
provide materials for the construction project, and has as a 84368
component, a safety training program that complies with standards 84369
adopted pursuant to the "Occupational Safety and Health Act of 84370
1970," 84 Stat. 1590, 29 U.S.C.A. 651, and provides for continuing 84371
management and employee involvement; 84372

(3) Whether granting the privilege to self-insure the 84373
construction project will reduce the costs of the construction 84374
project; 84375

(4) Whether the self-insuring employer has employed an 84376
ombudsperson as required under division (P) of this section; 84377

(5) Whether the self-insuring employer has sufficient surety 84378
to secure the payment of claims for which the self-insuring 84379
employer would be responsible pursuant to the granting of the 84380
privilege to self-insure a construction project under division (O) 84381
of this section. 84382

(R) As used in divisions (O), (P), and (Q), "self-insuring 84383
employer" includes the following employers, whether or not they 84384
have been granted the status of being a self-insuring employer 84385
under division (B) of this section: 84386

(1) A state institution of higher education; 84387

(2) A school district; 84388

(3) A county school financing district; 84389

(4) An educational service center; 84390

(5) A community school established under Chapter 3314. of the 84391
Revised Code; 84392

(6) A municipal power agency as defined in section 3734.058 84393
of the Revised Code. 84394

(S) As used in this section: 84395

(1) "Unvoted debt capacity" means the amount of money that a public employer may borrow without voter approval of a tax levy;

(2) "State institution of higher education" means the state universities listed in section 3345.011 of the Revised Code, community colleges created pursuant to Chapter 3354. of the Revised Code, university branches created pursuant to Chapter 3355. of the Revised Code, technical colleges created pursuant to Chapter 3357. of the Revised Code, and state community colleges created pursuant to Chapter 3358. of the Revised Code.

Sec. 4123.41. (A) By the first day of January of each year, the bureau of workers' compensation shall furnish to the county auditor of each county and the chief fiscal officer of each taxing district in a county and of each district activity and institution mentioned in section 4123.39 of the Revised Code forms containing the premium rates applicable to the county, district, district activity, or institution as an employer, on which to report the amount of money expended by the county, district, district activity, or institution during the previous twelve calendar months for the services of employees under this chapter.

(B) Each county auditor and each fiscal officer of a district, district activity, and institution shall calculate on the form it receives from the bureau under division (A) of this section the premium due as its proper contribution to the public insurance fund and issue a warrant in favor of the bureau for the amount due from the county, district, district activity, or institution to the public insurance fund according to the following schedule:

(1) On or before the fifteenth day of May of each year, no less than forty-five per cent of the amount due;

(2) On or before the first day of September of each year, no less than the total amount due.

(C) The legislative body of any county, district, district activity, or institution may reimburse the fund from which the workers' compensation payments are made by transferring to the fund from any other fund of the county, district, district activity, or institution, the proportionate amount of the payments that should be chargeable to the fund, whether the fund is derived from taxation or otherwise. The proportionate amount of the payments chargeable to the fund may be based on payroll, relative exposure, relative loss experience, or any combination of these factors, as determined by the legislative body.

(1) The workers' compensation program payments of any county, district, district activity, or institution may include all payments required by any bureau of workers' compensation rating plan.

(2) The workers' compensation program payments of any county, district, district activity, or institution, except for a county board of developmental disabilities, a board of alcohol, drug addiction, and mental health services, a board of mental health services, and a board of alcohol and drug addiction services, also may include any of the following:

(a) Direct administrative costs incurred in the management of the county, district, district activity, or institution's workers' compensation program;

(b) Indirect costs that are necessary and reasonable for the proper and efficient administration of the workers' compensation program as documented in a cost allocation plan. The indirect cost plan shall conform to the United States office of management and budget circular A-87 "cost principles for state and local governments," 2 C.F.R. 225, as most recently amended on May 10, 2004. The plan shall not authorize payment from the fund of any general government expense required to carry out the overall governmental responsibilities.

(3) Within sixty days before a legislative body changes the method used for calculating the proportionate amount of the payments chargeable to the fund, it shall notify, consult with, and give information supporting the change to any elected official affected by the change. A transfer made pursuant to division (B)(2) of this section is not subject to section 5705.16 of the Revised Code.

(D) Any county board of developmental disabilities, board of alcohol, drug addiction, and mental health services, board of mental health services, or board of alcohol and drug addiction services whose workers' compensation payments, on or before ~~the effective date of this section~~ September 28, 2012, includes costs referred to in division (C)(2) of this section may continue to do so on and after ~~the effective date of this amendment~~ September 28, 2012.

(E) The bureau may investigate the correctness of the information provided by the county auditor and chief fiscal officer under division (B) of this section, and if the bureau determines at any time that the county, district, district activity, or institution has not reported the correct information, the administrator of workers' compensation may make deductions or additions as the facts warrant and take those facts into consideration in determining the current or future contributions to be made by the county, district, district activity, or institution. If the county, district, district activity, or institution does not furnish the report in the time required by this section, the administrator may fix the amount of contribution the county, district, district activity, or institution must make and certify that amount for payment.

(F) The administrator shall provide a discount to any county, district, district activity, or institution that pays its total amount due to the public insurance fund on or before the fifteenth

day of May of each year as its proper contribution for premiums. 84491
The administrator shall base the discount provided under this 84492
division on the savings generated by the early payment to the 84493
public insurance fund. The administrator may provide the discount 84494
through a refund to the county, district, district activity, or 84495
institution or an offset against the future contributions due to 84496
the public insurance fund from the county, district, district 84497
activity, or institution. 84498

(G) The administrator may impose an interest penalty for late 84499
payment of any amount due from a county, district, district 84500
activity, and institution at the interest rate established by the 84501
state tax commissioner pursuant to section 5703.47 of the Revised 84502
Code. 84503

(H) If the administrator adopts rules for the prospective 84504
payment of premium as permitted under section 4123.322 of the 84505
Revised Code, every employer mentioned in division (B)(1) of 84506
section 4123.01 of the Revised Code, except for a state agency or 84507
a state university or college as defined in section 4123.32 of the 84508
Revised Code, shall pay into the state insurance fund the amount 84509
of premium the administrator fixes for the employment or 84510
occupation of the employer, the amount of which premium to be paid 84511
by each employer to be determined by the classifications, rules, 84512
and rates made and published by the administrator and based upon 84513
the estimates and reconciliations required by the rules the 84514
administrator adopts under section 4123.322 of the Revised Code. 84515

Sec. 4123.57. Partial disability compensation shall be paid 84516
as follows. 84517

Except as provided in this section, not earlier than 84518
twenty-six weeks after the date of termination of the latest 84519
period of payments under section 4123.56 of the Revised Code, or 84520
not earlier than twenty-six weeks after the date of the injury or 84521

contraction of an occupational disease in the absence of payments 84522
under section 4123.56 of the Revised Code, the employee may file 84523
an application with the bureau of workers' compensation for the 84524
determination of the percentage of the employee's permanent 84525
partial disability resulting from an injury or occupational 84526
disease. 84527

Whenever the application is filed, the bureau shall send a 84528
copy of the application to the employee's employer or the 84529
employer's representative and shall schedule the employee for a 84530
medical examination by the bureau medical section. The bureau 84531
shall send a copy of the report of the medical examination to the 84532
employee, the employer, and their representatives. Thereafter, the 84533
administrator of workers' compensation shall review the employee's 84534
claim file and make a tentative order as the evidence before the 84535
administrator at the time of the making of the order warrants. If 84536
the administrator determines that there is a conflict of evidence, 84537
the administrator shall send the application, along with the 84538
claimant's file, to the district hearing officer who shall set the 84539
application for a hearing. 84540

The administrator shall notify the employee, the employer, 84541
and their representatives, in writing, of the tentative order and 84542
of the parties' right to request a hearing. Unless the employee, 84543
the employer, or their representative notifies the administrator, 84544
in writing, of an objection to the tentative order within twenty 84545
days after receipt of the notice thereof, the tentative order 84546
shall go into effect and the employee shall receive the 84547
compensation provided in the order. In no event shall there be a 84548
reconsideration of a tentative order issued under this division. 84549

If the employee, the employer, or their representatives 84550
timely notify the administrator of an objection to the tentative 84551
order, the matter shall be referred to a district hearing officer 84552
who shall set the application for hearing with written notices to 84553

all interested persons. Upon referral to a district hearing officer, the employer may obtain a medical examination of the employee, pursuant to rules of the industrial commission.

(A) The district hearing officer, upon the application, shall determine the percentage of the employee's permanent disability, except as is subject to division (B) of this section, based upon that condition of the employee resulting from the injury or occupational disease and causing permanent impairment evidenced by medical or clinical findings reasonably demonstrable. The employee shall receive sixty-six and two-thirds per cent of the employee's average weekly wage, but not more than a maximum of thirty-three and one-third per cent of the statewide average weekly wage as defined in division (C) of section 4123.62 of the Revised Code, per week regardless of the average weekly wage, for the number of weeks which equals the percentage of two hundred weeks. Except on application for reconsideration, review, or modification, which is filed within ten days after the date of receipt of the decision of the district hearing officer, in no instance shall the former award be modified unless it is found from medical or clinical findings that the condition of the claimant resulting from the injury has so progressed as to have increased the percentage of permanent partial disability. A staff hearing officer shall hear an application for reconsideration filed and the staff hearing officer's decision is final. An employee may file an application for a subsequent determination of the percentage of the employee's permanent disability. If such an application is filed, the bureau shall send a copy of the application to the employer or the employer's representative. No sooner than sixty days from the date of the mailing of the application to the employer or the employer's representative, the administrator shall review the application. The administrator may require a medical examination or medical review of the employee. The administrator shall issue a tentative order based upon the evidence before the administrator,

provided that if the administrator requires a medical examination 84587
or medical review, the administrator shall not issue the tentative 84588
order until the completion of the examination or review. 84589

The employer may obtain a medical examination of the employee 84590
and may submit medical evidence at any stage of the process up to 84591
a hearing before the district hearing officer, pursuant to rules 84592
of the commission. The administrator shall notify the employee, 84593
the employer, and their representatives, in writing, of the nature 84594
and amount of any tentative order issued on an application 84595
requesting a subsequent determination of the percentage of an 84596
employee's permanent disability. An employee, employer, or their 84597
representatives may object to the tentative order within twenty 84598
days after the receipt of the notice thereof. If no timely 84599
objection is made, the tentative order shall go into effect. In no 84600
event shall there be a reconsideration of a tentative order issued 84601
under this division. If an objection is timely made, the 84602
application for a subsequent determination shall be referred to a 84603
district hearing officer who shall set the application for a 84604
hearing with written notice to all interested persons. No 84605
application for subsequent percentage determinations on the same 84606
claim for injury or occupational disease shall be accepted for 84607
review by the district hearing officer unless supported by 84608
substantial evidence of new and changed circumstances developing 84609
since the time of the hearing on the original or last 84610
determination. 84611

No award shall be made under this division based upon a 84612
percentage of disability which, when taken with all other 84613
percentages of permanent disability, exceeds one hundred per cent. 84614
If the percentage of the permanent disability of the employee 84615
equals or exceeds ninety per cent, compensation for permanent 84616
partial disability shall be paid for two hundred weeks. 84617

Compensation payable under this division accrues and is 84618

payable to the employee from the date of last payment of 84619
compensation, or, in cases where no previous compensation has been 84620
paid, from the date of the injury or the date of the diagnosis of 84621
the occupational disease. 84622

When an award under this division has been made prior to the 84623
death of an employee, all unpaid installments accrued or to accrue 84624
under the provisions of the award are payable to the surviving 84625
spouse, or if there is no surviving spouse, to the dependent 84626
children of the employee, and if there are no children surviving, 84627
then to other dependents as the administrator determines. 84628

(B) For purposes of this division, "payable per week" means 84629
the seven-consecutive-day period in which compensation is paid in 84630
installments according to the schedule associated with the 84631
applicable injury as set forth in this division. 84632

Compensation paid in weekly installments according to the 84633
schedule described in this division may only be commuted to one or 84634
more ~~lump sum~~ lump sum payments pursuant to the procedure set 84635
forth in section 4123.64 of the Revised Code. 84636

In cases included in the following schedule the compensation 84637
payable per week to the employee is the statewide average weekly 84638
wage as defined in division (C) of section 4123.62 of the Revised 84639
Code per week and shall be paid in installments according to the 84640
following schedule: 84641

For the loss of a first finger, commonly known as a thumb, 84642
sixty weeks. 84643

For the loss of a second finger, commonly called index 84644
finger, thirty-five weeks. 84645

For the loss of a third finger, thirty weeks. 84646

For the loss of a fourth finger, twenty weeks. 84647

For the loss of a fifth finger, commonly known as the little 84648

finger, fifteen weeks. 84649

The loss of a second, or distal, phalange of the thumb is 84650
considered equal to the loss of one half of such thumb; the loss 84651
of more than one half of such thumb is considered equal to the 84652
loss of the whole thumb. 84653

The loss of the third, or distal, phalange of any finger is 84654
considered equal to the loss of one-third of the finger. 84655

The loss of the middle, or second, phalange of any finger is 84656
considered equal to the loss of two-thirds of the finger. 84657

The loss of more than the middle and distal phalanges of any 84658
finger is considered equal to the loss of the whole finger. In no 84659
case shall the amount received for more than one finger exceed the 84660
amount provided in this schedule for the loss of a hand. 84661

For the loss of the metacarpal bone (bones of the palm) for 84662
the corresponding thumb, or fingers, add ten weeks to the number 84663
of weeks under this division. 84664

For ankylosis (total stiffness of) or contractures (due to 84665
scars or injuries) which makes any of the fingers, thumbs, or 84666
parts of either useless, the same number of weeks apply to the 84667
members or parts thereof as given for the loss thereof. 84668

If the claimant has suffered the loss of two or more fingers 84669
by amputation or ankylosis and the nature of the claimant's 84670
employment in the course of which the claimant was working at the 84671
time of the injury or occupational disease is such that the 84672
handicap or disability resulting from the loss of fingers, or loss 84673
of use of fingers, exceeds the normal handicap or disability 84674
resulting from the loss of fingers, or loss of use of fingers, the 84675
administrator may take that fact into consideration and increase 84676
the award of compensation accordingly, but the award made shall 84677
not exceed the amount of compensation for loss of a hand. 84678

For the loss of a hand, one hundred seventy-five weeks.	84679
For the loss of an arm, two hundred twenty-five weeks.	84680
For the loss of a great toe, thirty weeks.	84681
For the loss of one of the toes other than the great toe, ten weeks.	84682 84683
The loss of more than two-thirds of any toe is considered equal to the loss of the whole toe.	84684 84685
The loss of less than two-thirds of any toe is considered no loss, except as to the great toe; the loss of the great toe up to the interphalangeal joint is co-equal to the loss of one-half of the great toe; the loss of the great toe beyond the interphalangeal joint is considered equal to the loss of the whole great toe.	84686 84687 84688 84689 84690 84691
For the loss of a foot, one hundred fifty weeks.	84692
For the loss of a leg, two hundred weeks.	84693
For the loss of the sight of an eye, one hundred twenty-five weeks.	84694 84695
For the permanent partial loss of sight of an eye, the portion of one hundred twenty-five weeks as the administrator in each case determines, based upon the percentage of vision actually lost as a result of the injury or occupational disease, but, in no case shall an award of compensation be made for less than twenty-five per cent loss of uncorrected vision. "Loss of uncorrected vision" means the percentage of vision actually lost as the result of the injury or occupational disease.	84696 84697 84698 84699 84700 84701 84702 84703
For the permanent and total loss of hearing of one ear, twenty-five weeks; but in no case shall an award of compensation be made for less than permanent and total loss of hearing of one ear.	84704 84705 84706 84707
For the permanent and total loss of hearing, one hundred	84708

twenty-five weeks; but, except pursuant to the next preceding 84709
paragraph, in no case shall an award of compensation be made for 84710
less than permanent and total loss of hearing. 84711

In case an injury or occupational disease results in serious 84712
facial or head disfigurement which either impairs or may in the 84713
future impair the opportunities to secure or retain employment, 84714
the administrator shall make an award of compensation as it deems 84715
proper and equitable, in view of the nature of the disfigurement, 84716
and not to exceed the sum of ten thousand dollars. For the purpose 84717
of making the award, it is not material whether the employee is 84718
gainfully employed in any occupation or trade at the time of the 84719
administrator's determination. 84720

When an award under this division has been made prior to the 84721
death of an employee all unpaid installments accrued or to accrue 84722
under the provisions of the award shall be payable to the 84723
surviving spouse, or if there is no surviving spouse, to the 84724
dependent children of the employee and if there are no such 84725
children, then to such dependents as the administrator determines. 84726

When an employee has sustained the loss of a member by 84727
severance, but no award has been made on account thereof prior to 84728
the employee's death, the administrator shall make an award in 84729
accordance with this division for the loss which shall be payable 84730
to the surviving spouse, or if there is no surviving spouse, to 84731
the dependent children of the employee and if there are no such 84732
children, then to such dependents as the administrator determines. 84733

(C) Compensation for partial impairment under divisions (A) 84734
and (B) of this section is in addition to the compensation paid 84735
the employee pursuant to section 4123.56 of the Revised Code. A 84736
claimant may receive compensation under divisions (A) and (B) of 84737
this section. 84738

In all cases arising under division (B) of this section, if 84739

it is determined by any one of the following: (1) the amputee 84740

physician approved by the administrator or the administrator's 84744
designee, that an injured or disabled employee is in need of an 84745
artificial appliance, or in need of a repair thereof, regardless 84746
of whether the appliance or its repair will be serviceable in the 84747
vocational rehabilitation of the injured employee, and regardless 84748
of whether the employee has returned to or can ever again return 84749
to any gainful employment, the bureau shall pay the cost of the 84750
artificial appliance or its repair out of the surplus created by 84751
division (B) of section 4123.34 of the Revised Code. 84752

In those cases where a ~~rehabilitation services commission~~ an 84753
opportunities for Ohioans with disabilities agency recommendation 84754
that an injured or disabled employee is in need of an artificial 84755
appliance would conflict with their state plan, adopted pursuant 84756
to the "Rehabilitation Act of 1973," 87 Stat. 355, 29 U.S.C.A. 84757
701, the administrator or the administrator's designee or the 84758
bureau may obtain a recommendation from an amputee clinic or 84759
prescribing physician that they determine appropriate. 84760

(D) If an employee of a state fund employer makes application 84761
for a finding and the administrator finds that the employee has 84762
contracted silicosis as defined in division (X), or coal miners' 84763
pneumoconiosis as defined in division (Y), or asbestosis as 84764
defined in division (AA) of section 4123.68 of the Revised Code, 84765
and that a change of such employee's occupation is medically 84766
advisable in order to decrease substantially further exposure to 84767
silica dust, asbestos, or coal dust and if the employee, after the 84768
finding, has changed or shall change the employee's occupation to 84769
an occupation in which the exposure to silica dust, asbestos, or 84770
coal dust is substantially decreased, the administrator shall 84771

allow to the employee an amount equal to fifty per cent of the 84772
statewide average weekly wage per week for a period of thirty 84773
weeks, commencing as of the date of the discontinuance or change, 84774
and for a period of one hundred weeks immediately following the 84775
expiration of the period of thirty weeks, the employee shall 84776
receive sixty-six and two-thirds per cent of the loss of wages 84777
resulting directly and solely from the change of occupation but 84778
not to exceed a maximum of an amount equal to fifty per cent of 84779
the statewide average weekly wage per week. No such employee is 84780
entitled to receive more than one allowance on account of 84781
discontinuance of employment or change of occupation and benefits 84782
shall cease for any period during which the employee is employed 84783
in an occupation in which the exposure to silica dust, asbestos, 84784
or coal dust is not substantially less than the exposure in the 84785
occupation in which the employee was formerly employed or for any 84786
period during which the employee may be entitled to receive 84787
compensation or benefits under section 4123.68 of the Revised Code 84788
on account of disability from silicosis, asbestosis, or coal 84789
miners' pneumoconiosis. An award for change of occupation for a 84790
coal miner who has contracted coal miners' pneumoconiosis may be 84791
granted under this division even though the coal miner continues 84792
employment with the same employer, so long as the coal miner's 84793
employment subsequent to the change is such that the coal miner's 84794
exposure to coal dust is substantially decreased and a change of 84795
occupation is certified by the claimant as permanent. The 84796
administrator may accord to the employee medical and other 84797
benefits in accordance with section 4123.66 of the Revised Code. 84798

(E) If a firefighter or police officer makes application for 84799
a finding and the administrator finds that the firefighter or 84800
police officer has contracted a cardiovascular and pulmonary 84801
disease as defined in division (W) of section 4123.68 of the 84802
Revised Code, and that a change of the firefighter's or police 84803
officer's occupation is medically advisable in order to decrease 84804

substantially further exposure to smoke, toxic gases, chemical 84805
fumes, and other toxic vapors, and if the firefighter, or police 84806
officer, after the finding, has changed or changes occupation to 84807
an occupation in which the exposure to smoke, toxic gases, 84808
chemical fumes, and other toxic vapors is substantially decreased, 84809
the administrator shall allow to the firefighter or police officer 84810
an amount equal to fifty per cent of the statewide average weekly 84811
wage per week for a period of thirty weeks, commencing as of the 84812
date of the discontinuance or change, and for a period of 84813
seventy-five weeks immediately following the expiration of the 84814
period of thirty weeks the administrator shall allow the 84815
firefighter or police officer sixty-six and two-thirds per cent of 84816
the loss of wages resulting directly and solely from the change of 84817
occupation but not to exceed a maximum of an amount equal to fifty 84818
per cent of the statewide average weekly wage per week. No such 84819
firefighter or police officer is entitled to receive more than one 84820
allowance on account of discontinuance of employment or change of 84821
occupation and benefits shall cease for any period during which 84822
the firefighter or police officer is employed in an occupation in 84823
which the exposure to smoke, toxic gases, chemical fumes, and 84824
other toxic vapors is not substantially less than the exposure in 84825
the occupation in which the firefighter or police officer was 84826
formerly employed or for any period during which the firefighter 84827
or police officer may be entitled to receive compensation or 84828
benefits under section 4123.68 of the Revised Code on account of 84829

with this section or any rules adopted by it may be considered 85242
grounds for dismissal of the commission case. 85243

If any court of competent jurisdiction finds that property 85244
confiscated as the result of an administrative inspection is not 85245
necessary for evidentiary purposes and is not contraband, as 85246

Code for tax year 2014 or 2013, respectively, if the person files 87621
a late application for a refund of overpayments for that 87622
respective tax year that is approved by the county auditor under 87623
section 4503.066 of the Revised Code. 87624

(c) If the person did not receive a reduction under this 87625
section for tax year 2014 or under division (A) of section 323.152 87626
of the Revised Code for tax year 2013 and the person's total 87627
income does not exceed thirty thousand dollars, as adjusted under 87628
division (B)(5) of this section, the amount computed under 87629
division (B)(4) of this section. 87630

(4) The amount of the reduction under division (B)(4) of this 87631
section equals the product of the following: 87632

(a) Twenty-five thousand dollars of the cost to the owner, or 87633
the market value at the time of purchase, whichever is greater, as 87634
those terms are used in division (D)(1) of section 4503.06 of the 87635
Revised Code; 87636

(b) The percentage from the appropriate schedule in division	87637
(D)(1)(b) of section 4503.06 of the Revised Code;	87638
(c) The assessment percentage of forty per cent used in	87639
division (D)(1)(b) of section 4503.06 of the Revised Code;	87640
(d) The tax rate of the taxing district in which the home has	87641
its situs.	87642
<u>(5) Each calendar year, the tax commissioner shall adjust the</u>	87643
<u>income threshold described in divisions (B)(1)(c) and (B)(3)(c) of</u>	87644
<u>this section by completing the following calculations in September</u>	87645
<u>of each year:</u>	87646
<u>(a) Determine the percentage increase in the gross domestic</u>	87647
<u>product deflator determined by the bureau of economic analysis of</u>	87648
<u>the United States department of commerce from the first day of</u>	87649
<u>January of the preceding calendar year to the last day of December</u>	87650
<u>of the preceding calendar year;</u>	87651
<u>(b) Multiply that percentage increase by the total income</u>	87652
<u>threshold for the ensuing tax year;</u>	87653
<u>(c) Add the resulting product to the total income threshold</u>	87654
<u>for the ensuing tax year;</u>	87655
<u>(d) Round the resulting sum to the nearest multiple of one</u>	87656
<u>hundred dollars.</u>	87657
<u>The commissioner shall certify the amount resulting from the</u>	87658
<u>adjustment to each county auditor not later than the first day of</u>	87659
<u>December each year. The certified amount applies to the second</u>	87660
<u>ensuing tax year. The commissioner shall not make the adjustment</u>	87661
<u>in any calendar year in which the amount resulting from the</u>	87662
<u>adjustment would be less than the total income threshold for the</u>	87663
<u>ensuing tax year.</u>	87664
(C) If the owner or the spouse of the owner of a manufactured	87665
or mobile home is eligible for a homestead exemption on the land	87666

upon which the home is located, the reduction to which the owner 87667
or spouse is entitled under this section shall not exceed the 87668
difference between the reduction to which the owner or spouse is 87669
entitled under division (B) of this section and the amount of the 87670
reduction under the homestead exemption. 87671

(D) No reduction shall be made with respect to the home of 87672
any person convicted of violating division (C) or (D) of section 87673
4503.066 of the Revised Code for a period of three years following 87674
the conviction. 87675

Sec. 4503.066. (A)(1) To obtain a tax reduction under section 87676
4503.065 of the Revised Code, the owner of the home shall file an 87677
application with the county auditor of the county in which the 87678
home is located. An application for reduction in taxes based upon 87679
a physical disability shall be accompanied by a certificate signed 87680
by a physician, and an application for reduction in taxes based 87681
upon a mental disability shall be accompanied by a certificate 87682
signed by a physician or psychologist licensed to practice in this 87683
state. The certificate shall attest to the fact that the applicant 87684
is permanently and totally disabled, shall be in a form that the 87685
department of taxation requires, and shall include the definition 87686
of totally and permanently disabled as set forth in section 87687
4503.064 of the Revised Code. An application for reduction in 87688
taxes based upon a disability certified as permanent and total by 87689
a state or federal agency having the function of so classifying 87690
persons shall be accompanied by a certificate from that agency. 87691

(2) Each application shall constitute a continuing 87693
application for a reduction in taxes for each year in which the 87694
manufactured or mobile home is occupied by the applicant. Failure 87695
to receive a new application or notification under division (B) of 87696
this section after an application for reduction has been approved 87697

is prima-facie evidence that the original applicant is entitled to 87698
the reduction calculated on the basis of the information contained 87699
in the original application. The original application and any 87700
subsequent application shall be in the form of a signed statement 87701
and shall be filed not later than the first Monday in June. The 87702
statement shall be on a form, devised and supplied by the tax 87703
commissioner, that shall require no more information than is 87704
necessary to establish the applicant's eligibility for the 87705
reduction in taxes and the amount of the reduction to which the 87706
applicant is entitled. The form shall contain a statement that 87707
signing such application constitutes a delegation of authority by 87708
the applicant to the tax commissioner or the county auditor, 87709
individually or in consultation with each other, to examine any 87710
tax or financial records that relate to the income of the 87711
applicant as stated on the application for the purpose of 87712
determining eligibility under, or possible violation of, division 87713
(C) or (D) of this section. The form also shall contain a 87714
statement that conviction of willfully falsifying information to 87715
obtain a reduction in taxes or failing to comply with division (B) 87716
of this section shall result in the revocation of the right to the 87717
reduction for a period of three years. 87718

(3) A late application for a reduction in taxes for the year 87719
preceding the year for which an original application is filed may 87720
be filed with an original application. If the auditor determines 87721
that the information contained in the late application is correct, 87722
the auditor shall determine both the amount of the reduction in 87723
taxes to which the applicant would have been entitled for the 87724
current tax year had the application been timely filed and 87725
approved in the preceding year, and the amount the taxes levied 87726
under section 4503.06 of the Revised Code for the current year 87727
would have been reduced as a result of the reduction. When an 87728
applicant is permanently and totally disabled on the first day of 87729
January of the year in which the applicant files a late 87730

application, the auditor, in making the determination of the 87731
amounts of the reduction in taxes under division (A)(3) of this 87732
section, is not required to determine that the applicant was 87733
permanently and totally disabled on the first day of January of 87734
the preceding year. 87735

The amount of the reduction in taxes pursuant to a late 87736
application shall be treated as an overpayment of taxes by the 87737
applicant. The auditor shall credit the amount of the overpayment 87738
against the amount of the taxes or penalties then due from the 87739
applicant, and, at the next succeeding settlement, the amount of 87740
the credit shall be deducted from the amount of any taxes or 87741
penalties distributable to the county or any taxing unit in the 87742
county that has received the benefit of the taxes or penalties 87743
previously overpaid, in proportion to the benefits previously 87744
received. If, after the credit has been made, there remains a 87745
balance of the overpayment, or if there are no taxes or penalties 87746
due from the applicant, the auditor shall refund that balance to 87747
the applicant by a warrant drawn on the county treasurer in favor 87748
of the applicant. The treasurer shall pay the warrant from the 87749
general fund of the county. If there is insufficient money in the 87750
general fund to make the payment, the treasurer shall pay the 87751
warrant out of any undivided manufactured or mobile home taxes 87752
subsequently received by the treasurer for distribution to the 87753
county or taxing district in the county that received the benefit 87754
of the overpaid taxes, in proportion to the benefits previously 87755
received, and the amount paid from the undivided funds shall be 87756
deducted from the money otherwise distributable to the county or 87757
taxing district in the county at the next or any succeeding 87758
distribution. At the next or any succeeding distribution after 87759
making the refund, the treasurer shall reimburse the general fund 87760
for any payment made from that fund by deducting the amount of 87761
that payment from the money distributable to the county or other 87762
taxing unit in the county that has received the benefit of the 87763

taxes, in proportion to the benefits previously received. On the 87764
second Monday in September of each year, the county auditor shall 87765
certify the total amount of the reductions in taxes made in the 87766
current year under division (A)(3) of this section to the tax 87767
commissioner who shall treat that amount as a reduction in taxes 87768
for the current tax year and shall make reimbursement to the 87769
county of that amount in the manner prescribed in section 4503.068 87770
of the Revised Code, from moneys appropriated for that purpose. 87771

(B) If in any year for which an application for reduction in 87772
taxes has been approved the owner no longer qualifies for the 87773
reduction, the owner shall notify the county auditor that the 87774
owner is not qualified for a reduction in taxes. 87775

During January of each year, the county auditor shall furnish 87776
each person whose application for reduction has been approved, by 87777
ordinary mail, a form on which to report any changes in total 87778
income, ownership, occupancy, disability, and other information 87779
earlier furnished the auditor relative to the application. The 87780
form shall be completed and returned to the auditor not later than 87781
the first Monday in June if the changes would affect the person's 87782
eligibility for the reduction. 87783

(C) No person shall knowingly make a false statement for the 87784
purpose of obtaining a reduction in taxes under section 4503.065 87785
of the Revised Code. 87786

(D) No person shall knowingly fail to notify the county 87787
auditor of any change required by division (B) of this section 87788
that has the effect of maintaining or securing a reduction in 87789
taxes under section 4503.065 of the Revised Code. 87790

(E) No person shall knowingly make a false statement or 87791
certification attesting to any person's physical or mental 87792
condition for purposes of qualifying such person for tax relief 87793
pursuant to sections 4503.064 to 4503.069 of the Revised Code. 87794

(F) Whoever violates division (C), (D), or (E) of this section is guilty of a misdemeanor of the fourth degree.

Sec. 4503.44. (A) As used in this section and in section 4511.69 of the Revised Code:

(1) "Person with a disability that limits or impairs the ability to walk" means any person who, as determined by a health care provider, meets any of the following criteria:

(a) Cannot walk two hundred feet without stopping to rest;

(b) Cannot walk without the use of, or assistance from, a brace, cane, crutch, another person, prosthetic device, wheelchair, or other assistive device;

(c) Is restricted by a lung disease to such an extent that the person's forced (respiratory) expiratory volume for one second, when measured by spirometry, is less than one liter, or the arterial oxygen tension is less than sixty millimeters of mercury on room air at rest;

(d) Uses portable oxygen;

(e) Has a cardiac condition to the extent that the person's functional limitations are classified in severity as class III or class IV according to standards set by the American heart association;

(f) Is severely limited in the ability to walk due to an arthritic, neurological, or orthopedic condition;

(g) Is blind.

(2) "Organization" means any private organization or corporation, or any governmental board, agency, department, division, or office, that, as part of its business or program, transports persons with disabilities that limit or impair the ability to walk on a regular basis in a motor vehicle that has not

been altered for the purpose of providing it with special 87824
equipment for use by ~~handicapped~~ persons with disabilities. This 87825
definition does not apply to division (J) of this section. 87826

(3) "Health care provider" means a physician, physician 87827
assistant, advanced practice registered nurse, or chiropractor as 87828
defined in this section. 87829

(4) "Physician" means a person licensed to practice medicine 87830
or surgery or osteopathic medicine and surgery under Chapter 4731. 87831
of the Revised Code. 87832

(5) "Chiropractor" means a person licensed to practice 87833
chiropractic under Chapter 4734. of the Revised Code. 87834

(6) "Advanced practice registered nurse" means a certified 87835
nurse practitioner, clinical nurse specialist, certified 87836
registered nurse anesthetist, or certified nurse-midwife who holds 87837
a certificate of authority issued by the board of nursing under 87838
Chapter 4723. of the Revised Code. 87839

(7) "Physician assistant" means a person who holds a 87840
certificate to practice as a physician assistant issued under 87841
Chapter 4730. of the Revised Code. 87842

(B) Any organization or person with a disability that limits 87843
or impairs the ability to walk may apply to the registrar of motor 87844
vehicles for a removable windshield placard or, if the person owns 87845
or leases a motor vehicle, the person may apply for the 87846
registration of any motor vehicle the person owns or leases. In 87847
addition to one or more sets of license plates or one placard, a 87848
person with a disability that limits or impairs the ability to 87849
walk is entitled to one additional placard, but only if the person 87850
applies separately for the additional placard, states the reasons 87851
why the additional placard is needed, and the registrar, in the 87852
registrar's discretion, determines that good and justifiable cause 87853
exists to approve the request for the additional placard. When a 87854

motor vehicle has been altered for the purpose of providing it 87855
with special equipment for a person with a disability that limits 87856
or impairs the ability to walk, but is owned or leased by someone 87857
other than such a person, the owner or lessee may apply to the 87858
registrar or a deputy registrar for registration under this 87859
section. The application for registration of a motor vehicle owned 87860
or leased by a person with a disability that limits or impairs the 87861
ability to walk shall be accompanied by a signed statement from 87862
the applicant's health care provider certifying that the applicant 87863
meets at least one of the criteria contained in division (A)(1) of 87864
this section and that the disability is expected to continue for 87865
more than six consecutive months. The application for a removable 87866
windshield placard made by a person with a disability that limits 87867
or impairs the ability to walk shall be accompanied by a 87868
prescription from the applicant's health care provider prescribing 87869
such a placard for the applicant, provided that the applicant 87870
meets at least one of the criteria contained in division (A)(1) of 87871
this section. The health care provider shall state on the 87872
prescription the length of time the health care provider expects 87873
the applicant to have the disability that limits or impairs the 87874
applicant's ability to walk. The application for a removable 87875
windshield placard made by an organization shall be accompanied by 87876
such documentary evidence of regular transport of persons with 87877
disabilities that limit or impair the ability to walk by the 87878
organization as the registrar may require by rule and shall be 87879
completed in accordance with procedures that the registrar may 87880
require by rule. The application for registration of a motor 87881
vehicle that has been altered for the purpose of providing it with 87882
special equipment for a person with a disability that limits or 87883
impairs the ability to walk but is owned by someone other than 87884
such a person shall be accompanied by such documentary evidence of 87885
vehicle alterations as the registrar may require by rule. 87886

(C) When an organization, a person with a disability that 87887

limits or impairs the ability to walk, or a person who does not 87888
have a disability that limits or impairs the ability to walk but 87889
owns a motor vehicle that has been altered for the purpose of 87890
providing it with special equipment for a person with a disability 87891
that limits or impairs the ability to walk first submits an 87892
application for registration of a motor vehicle under this section 87893
and every fifth year thereafter, the organization or person shall 87894
submit a signed statement from the applicant's health care 87895
provider, a completed application, and any required documentary 87896
evidence of vehicle alterations as provided in division (B) of 87897
this section, and also a power of attorney from the owner of the 87898
motor vehicle if the applicant leases the vehicle. Upon submission 87899
of these items, the registrar or deputy registrar shall issue to 87900
the applicant appropriate vehicle registration and a set of 87901
license plates and validation stickers, or validation stickers 87902
alone when required by section 4503.191 of the Revised Code. In 87903
addition to the letters and numbers ordinarily inscribed thereon, 87904
the license plates shall be imprinted with the international 87905
symbol of access. The license plates and validation stickers shall 87906
be issued upon payment of the regular license fee as prescribed 87907
under section 4503.04 of the Revised Code and any motor vehicle 87908
tax levied under Chapter 4504. of the Revised Code, and the 87909
payment of a service fee equal to the amount specified in division 87910
(D) or (G) of section 4503.10 of the Revised Code. 87911

(D)(1) Upon receipt of a completed and signed application for 87912
a removable windshield placard, a prescription as described in 87913
division (B) of this section, documentary evidence of regular 87914
transport of persons with disabilities that limit or impair the 87915
ability to walk, if required, and payment of a service fee equal 87916
to the amount specified in division (D) or (G) of section 4503.10 87917
of the Revised Code, the registrar or deputy registrar shall issue 87918
to the applicant a removable windshield placard, which shall bear 87919
the date of expiration on both sides of the placard and shall be 87920

valid until expired, revoked, or surrendered. Every removable 87921
windshield placard expires as described in division (D)(2) of this 87922
section, but in no case shall a removable windshield placard be 87923
valid for a period of less than sixty days. Removable windshield 87924
placards shall be renewable upon application as provided in 87925
division (B) of this section, and a service fee equal to the 87926
amount specified in division (D) or (G) of section 4503.10 of the 87927
Revised Code shall be charged for the renewal of a removable 87928
windshield placard. The registrar shall provide the application 87929
form and shall determine the information to be included thereon. 87930
The registrar also shall determine the form and size of the 87931
removable windshield placard, the material of which it is to be 87932
made, and any other information to be included thereon, and shall 87933
adopt rules relating to the issuance, expiration, revocation, 87934
surrender, and proper display of such placards. Any placard issued 87935
after October 14, 1999, shall be manufactured in a manner that 87936
allows the expiration date of the placard to be indicated on it 87937
through the punching, drilling, boring, or creation by any other 87938
means of holes in the placard. 87939

(2) At the time a removable windshield placard is issued to a 87940
person with a disability that limits or impairs the ability to 87941
walk, the registrar or deputy registrar shall enter into the 87942
records of the bureau of motor vehicles the last date on which the 87943
person will have that disability, as indicated on the accompanying 87944
prescription. Not less than thirty days prior to that date and all 87945
removable windshield placard renewal dates, the bureau shall send 87946
a renewal notice to that person at the person's last known address 87947
as shown in the records of the bureau, informing the person that 87948
the person's removable windshield placard will expire on the 87949
indicated date not to exceed five years from the date of issuance, 87950
and that the person is required to renew the placard by submitting 87951
to the registrar or a deputy registrar another prescription, as 87952
described in division (B) of this section, and by complying with 87953

the renewal provisions prescribed in division (D)(1) of this 87954
section. If such a prescription is not received by the registrar 87955
or a deputy registrar by that date, the placard issued to that 87956
person expires and no longer is valid, and this fact shall be 87957
recorded in the records of the bureau. 87958

(3) At least once every year, on a date determined by the 87959
registrar, the bureau shall examine the records of the office of 87960
vital statistics, located within the department of health, that 87961
pertain to deceased persons, and also the bureau's records of all 87962
persons who have been issued removable windshield placards and 87963
temporary removable windshield placards. If the records of the 87964
office of vital statistics indicate that a person to whom a 87965
removable windshield placard or temporary removable windshield 87966
placard has been issued is deceased, the bureau shall cancel that 87967
placard, and note the cancellation in its records. 87968

The office of vital statistics shall make available to the 87969
bureau all information necessary to enable the bureau to comply 87970
with division (D)(3) of this section. 87971

(4) Nothing in this section shall be construed to require a 87972
person or organization to apply for a removable windshield placard 87973
or special license plates if the parking card or special license 87974
plates issued to the person or organization under prior law have 87975
not expired or been surrendered or revoked. 87976

(E)(1)(a) Any person with a disability that limits or impairs 87977
the ability to walk may apply to the registrar or a deputy 87978
registrar for a temporary removable windshield placard. The 87979
application for a temporary removable windshield placard shall be 87980
accompanied by a prescription from the applicant's health care 87981
provider prescribing such a placard for the applicant, provided 87982
that the applicant meets at least one of the criteria contained in 87983
division (A)(1) of this section and that the disability is 87984
expected to continue for six consecutive months or less. The 87985

health care provider shall state on the prescription the length of 87986
time the health care provider expects the applicant to have the 87987
disability that limits or impairs the applicant's ability to walk, 87988
which cannot exceed six months from the date of the prescription. 87989
Upon receipt of an application for a temporary removable 87990
windshield placard, presentation of the prescription from the 87991
applicant's health care provider, and payment of a service fee 87992
equal to the amount specified in division (D) or (G) of section 87993
4503.10 of the Revised Code, the registrar or deputy registrar 87994
shall issue to the applicant a temporary removable windshield 87995
placard. 87996

(b) Any active-duty member of the armed forces of the United 87997
States, including the reserve components of the armed forces and 87998
the national guard, who has an illness or injury that limits or 87999
impairs the ability to walk may apply to the registrar or a deputy 88000
registrar for a temporary removable windshield placard. With the 88001
application, the person shall present evidence of the person's 88002
active-duty status and the illness or injury. Evidence of the 88003
illness or injury may include a current department of defense 88004
convalescent leave statement, any department of defense document 88005
indicating that the person currently has an ill or injured 88006
casualty status or has limited duties, or a prescription from any 88007
health care provider prescribing the placard for the applicant. 88008
Upon receipt of the application and the necessary evidence, the 88009
registrar or deputy registrar shall issue the applicant the 88010
temporary removable windshield placard without the payment of any 88011
service fee. 88012

(2) The temporary removable windshield placard shall be of 88013
the same size and form as the removable windshield placard, shall 88014
be printed in white on a red-colored background, and shall bear 88015
the word "temporary" in letters of such size as the registrar 88016
shall prescribe. A temporary removable windshield placard also 88017

shall bear the date of expiration on the front and back of the placard, and shall be valid until expired, surrendered, or revoked, but in no case shall such a placard be valid for a period of less than sixty days. The registrar shall provide the application form and shall determine the information to be included on it, provided that the registrar shall not require a health care provider's prescription or certification for a person applying under division (E)(1)(b) of this section. The registrar also shall determine the material of which the temporary removable windshield placard is to be made and any other information to be included on the placard and shall adopt rules relating to the issuance, expiration, surrender, revocation, and proper display of those placards. Any temporary removable windshield placard issued after October 14, 1999, shall be manufactured in a manner that allows for the expiration date of the placard to be indicated on it through the punching, drilling, boring, or creation by any other means of holes in the placard.

(F) If an applicant for a removable windshield placard is a veteran of the armed forces of the United States whose disability, as defined in division (A)(1) of this section, is service-connected, the registrar or deputy registrar, upon receipt of the application, presentation of a signed statement from the applicant's health care provider certifying the applicant's disability, and presentation of such documentary evidence from the department of veterans affairs that the disability of the applicant meets at least one of the criteria identified in division (A)(1) of this section and is service-connected as the registrar may require by rule, but without the payment of any service fee, shall issue the applicant a removable windshield placard that is valid until expired, surrendered, or revoked.

(G) Upon a conviction of a violation of division (I), (J), or (K) of this section, the court shall report the conviction, and

send the placard or parking card, if available, to the registrar, 88050
who thereupon shall revoke the privilege of using the placard or 88051

than the applicable concentration of alcohol specified in 89251
divisions (A)(1)(b), (c), (d), and (e) of this section or less 89252
than the applicable concentration of a listed controlled substance 89253

read to the person to be tested, as required under section 89277
4511.192 of the Revised Code, shall state that the person may have 89278
an independent test performed at the person's expense. The failure 89279
or inability to obtain an additional chemical test by a person 89280

vehicle with a prohibited concentration of alcohol, a controlled 89294
substance, or a metabolite of a controlled substance in the whole 89295
blood, blood serum or plasma, breath, or urine, if a law 89296

enforcement officer has administered a field sobriety test to the operator of the vehicle involved in the violation and if it is shown by clear and convincing evidence that the officer administered the test in substantial compliance with the testing standards for any reliable, credible, and generally accepted field sobriety tests that were in effect at the time the tests were administered, including, but not limited to, any testing standards then in effect that were set by the national highway traffic safety administration, all of the following apply:

(i) The officer may testify concerning the results of the field sobriety test so administered.

(ii) The prosecution may introduce the results of the field sobriety test so administered as evidence in any proceedings in the criminal prosecution or juvenile court proceeding.

(iii) If testimony is presented or evidence is introduced under division (D)(4)(b)(i) or (ii) of this section and if the testimony or evidence is admissible under the Rules of Evidence, the court shall admit the testimony or evidence and the trier of fact shall give it whatever weight the trier of fact considers to be appropriate.

offender's vehicle, and costs of electronic house arrest equipment 89923
needed for persons who violate this section. 89924

cover the cost of immobilizing or disabling devices, including 89932
certified ignition interlock devices, and remote alcohol 89933

(B)(1) of section 1901.26, or division (B)(1) of section 1907.24 89938
of the Revised Code, the fifty dollars shall be deposited into the 89939

of the fine imposed under division (G)(1)(c)(iii), and five 89945
hundred dollars of the fine imposed under division (G)(1)(d)(iii) 89946
or (e)(iii) of this section shall be transmitted to the treasurer 89947
of state for deposit into the indigent defense support fund 89948
established under section 120.08 of the Revised Code. 89949

(g) The balance of the fine imposed under division 89950
(G)(1)(a)(iii), (b)(iii), (c)(iii), (d)(iii), or (e)(iii) of this 89951
section shall be disbursed as otherwise provided by law. 89952

(6) If title to a motor vehicle that is subject to an order 89953

independent of any other penalty established by law, the court may 89957
fine the offender the value of the vehicle as determined by 89958

shall be punished as follows: 89980

(1) Except as otherwise provided in division (H)(2) of this 89981
section, the offender is guilty of a misdemeanor of the fourth 89982

committing the violation of division (B) of this section. 90014

(I)(1) No court shall sentence an offender to an alcohol 90015

However, if the court determines that an offender who stays in an 90024
alcohol treatment program under an order issued under this section 90025
is unable to pay the cost of the stay in the program, the court 90026
may order that the cost be paid from the court's indigent drivers' 90027

90033

provides for continuous alcohol monitoring, any ignition interlock
device, any immobilizing or disabling device other than an
ignition interlock device that is constantly available to monitor

designate which of the tests shall be administered. 90099

(4) Any person who is dead or unconscious, or who otherwise 90100

sections 313.12 to 313.16 of the Revised Code. 90104

(5)(a) If a law enforcement officer arrests a person for a 90105

(B) It is prima-facie lawful, in the absence of a lower limit 90747
declared or established pursuant to this section by the director 90748
of transportation or local authorities, for the operator of a 90749
motor vehicle, trackless trolley, or streetcar to operate the same 90750

freeway as provided in division (B)~~(17)~~(14) of this section; 90951

(4) At a speed exceeding seventy miles per hour upon a 90952
freeway as provided in division (B)~~(17)~~(14) of this section; 90953

~~(5) If a motor vehicle weighing in excess of eight thousand~~ 90954
~~pounds empty weight or a noncommercial bus as prescribed in~~ 90955
~~division (B)(11) of this section, at a speed exceeding fifty five~~ 90956
~~miles per hour, except upon a freeway as provided in divisions~~ 90957
~~(B)(16) and (17) of this section;~~ 90958

~~(6) At a speed exceeding the posted speed limit upon a~~ 90959
~~freeway for which the director has determined and declared a speed~~ 90960
~~limit of not more than sixty five miles per hour pursuant to~~ 90961
~~division (L)(2) or (M) of this section;~~ 90962

~~(7) At a speed exceeding sixty five miles per hour upon a~~ 90963
~~freeway for which such a speed limit has been established through~~ 90964
~~the operation of division (L)(3) of this section;~~ 90965

~~(8)~~ At a speed exceeding the posted speed limit upon a 90966
highway, expressway, or freeway for which the director has 90967
determined and declared a speed limit pursuant to division (I)(2) 90968
or (L)(2) of this section. 90969

(E) In every charge of violation of this section the 90970
affidavit and warrant shall specify the time, place, and speed at 90971
which the defendant is alleged to have driven, and in charges made 90972
in reliance upon division (C) of this section also the speed which 90973
division (B)(1)(a), (2), (3), (4), (6), (7), or (8) of, or a limit 90974
declared or established pursuant to, this section declares is 90975
prima-facie lawful at the time and place of such alleged 90976
violation, except that in affidavits where a person is alleged to 90977
have driven at a greater speed than will permit the person to 90978
bring the vehicle to a stop within the assured clear distance 90979

ahead the affidavit and warrant need not specify the speed at 90980
which the defendant is alleged to have driven. 90981

(F) When a speed in excess of both a prima-facie limitation 90982
and a limitation in division (D) of this section is alleged, the 90983
defendant shall be charged in a single affidavit, alleging a 90984
single act, with a violation indicated of both division (B)(1)(a), 90985
(2), (3), (4), (6), (7), or (8) of this section, or of a limit 90986
declared or established pursuant to this section by the director 90987
or local authorities, and of the limitation in division (D) of 90988
this section. If the court finds a violation of division 90989
(B)(1)(a), (2), (3), (4), (6), (7), or (8) of, or a limit declared 90990
or established pursuant to, this section has occurred, it shall 90991
enter a judgment of conviction under such division and dismiss the 90992
charge under division (D) of this section. If it finds no 90993
violation of division (B)(1)(a), (2), (3), (4), (6), (7), or (8) 90994
of, or a limit declared or established pursuant to, this section, 90995
it shall then consider whether the evidence supports a conviction 90996
under division (D) of this section. 90997

(G) Points shall be assessed for violation of a limitation 90998
under division (D) of this section in accordance with section 90999
4510.036 of the Revised Code. 91000

(H)(1) Whenever the director determines upon the basis of a 91001
geometric and traffic characteristic study that any speed limit 91002
set forth in divisions (B)(1)(a) to (D) of this section is greater 91003
or less than is reasonable or safe under the conditions found to 91004
exist at any portion of a street or highway under the jurisdiction 91005
of the director, the director shall determine and declare a 91006
reasonable and safe prima-facie speed limit, which shall be 91007
effective when appropriate signs giving notice of it are erected 91008
at the location. 91009

(2) Whenever the director determines upon the basis of a 91010
geometric and traffic characteristic study that the speed limit of 91011

fifty-five miles per hour on a two-lane state route outside a 91012
municipal corporation is less than is reasonable or safe under the 91013
conditions found to exist at that portion of the state route, the 91014
director may determine and declare a speed limit of sixty miles 91015
per hour for that portion of the state route, which shall be 91016
effective when appropriate signs giving notice of it are erected 91017
at the location. 91018

(I)(1) Except as provided in divisions (I)(2) and (K) of this 91019
section, whenever local authorities determine upon the basis of an 91020
engineering and traffic investigation that the speed permitted by 91021
divisions (B)(1)(a) to (D) of this section, on any part of a 91022
highway under their jurisdiction, is greater than is reasonable 91023
and safe under the conditions found to exist at such location, the 91024
local authorities may by resolution request the director to 91025
determine and declare a reasonable and safe prima-facie speed 91026
limit. Upon receipt of such request the director may determine and 91027
declare a reasonable and safe prima-facie speed limit at such 91028
location, and if the director does so, then such declared speed 91029
limit shall become effective only when appropriate signs giving 91030
notice thereof are erected at such location by the local 91031
authorities. The director may withdraw the declaration of a 91032
prima-facie speed limit whenever in the director's opinion the 91033
altered prima-facie speed becomes unreasonable. Upon such 91034
withdrawal, the declared prima-facie speed shall become 91035
ineffective and the signs relating thereto shall be immediately 91036
removed by the local authorities. 91037

(2) A local authority may determine on the basis of a 91038
geometric and traffic characteristic study that the speed limit of 91039
sixty-five miles per hour on a portion of a freeway under its 91040
jurisdiction that was established through the operation of 91041
division (L)(3) of this section is greater than is reasonable or 91042
safe under the conditions found to exist at that portion of the 91043

freeway. If the local authority makes such a determination, the 91044
local authority by resolution may request the director to 91045
determine and declare a reasonable and safe speed limit of not 91046
less than fifty-five miles per hour for that portion of the 91047
freeway. If the director takes such action, the declared speed 91048
limit becomes effective only when appropriate signs giving notice 91049
of it are erected at such location by the local authority. 91050

(J) Local authorities in their respective jurisdictions may 91051
authorize by ordinance higher prima-facie speeds than those stated 91052
in this section upon through highways, or upon highways or 91053
portions thereof where there are no intersections, or between 91054
widely spaced intersections, provided signs are erected giving 91055
notice of the authorized speed, but local authorities shall not 91056
modify or alter the basic rule set forth in division (A) of this 91057
section or in any event authorize by ordinance a speed in excess 91058
of fifty miles per hour. 91059

Alteration of prima-facie limits on state routes by local 91060
authorities shall not be effective until the alteration has been 91061
approved by the director. The director may withdraw approval of 91062
any altered prima-facie speed limits whenever in the director's 91063
opinion any altered prima-facie speed becomes unreasonable, and 91064
upon such withdrawal, the altered prima-facie speed shall become 91065
ineffective and the signs relating thereto shall be immediately 91066
removed by the local authorities. 91067

(K)(1) As used in divisions (K)(1), (2), (3), and (4) of this 91068
section, "unimproved highway" means a highway consisting of any of 91069
the following: 91070

(a) Unimproved earth; 91071

(b) Unimproved graded and drained earth; 91072

(c) Gravel. 91073

(2) Except as otherwise provided in divisions (K)(4) and (5) 91074

of this section, whenever a board of township trustees determines 91075
upon the basis of an engineering and traffic investigation that 91076
the speed permitted by division (B)(5) of this section on any part 91077
of an unimproved highway under its jurisdiction and in the 91078
unincorporated territory of the township is greater than is 91079
reasonable or safe under the conditions found to exist at the 91080
location, the board may by resolution declare a reasonable and 91081
safe prima-facie speed limit of fifty-five but not less than 91082
twenty-five miles per hour. An altered speed limit adopted by a 91083
board of township trustees under this division becomes effective 91084
when appropriate traffic control devices, as prescribed in section 91085
4511.11 of the Revised Code, giving notice thereof are erected at 91086
the location, which shall be no sooner than sixty days after 91087
adoption of the resolution. 91088

(3)(a) Whenever, in the opinion of a board of township 91089
trustees, any altered prima-facie speed limit established by the 91090
board under this division becomes unreasonable, the board may 91091
adopt a resolution withdrawing the altered prima-facie speed 91092
limit. Upon the adoption of such a resolution, the altered 91093
prima-facie speed limit becomes ineffective and the traffic 91094
control devices relating thereto shall be immediately removed. 91095

(b) Whenever a highway ceases to be an unimproved highway and 91096
the board has adopted an altered prima-facie speed limit pursuant 91097
to division (K)(2) of this section, the board shall, by 91098
resolution, withdraw the altered prima-facie speed limit as soon 91099
as the highway ceases to be unimproved. Upon the adoption of such 91100
a resolution, the altered prima-facie speed limit becomes 91101
ineffective and the traffic control devices relating thereto shall 91102
be immediately removed. 91103

(4)(a) If the boundary of two townships rests on the 91104
centerline of an unimproved highway in unincorporated territory 91105
and both townships have jurisdiction over the highway, neither of 91106

the boards of township trustees of such townships may declare an altered prima-facie speed limit pursuant to division (K)(2) of this section on the part of the highway under their joint jurisdiction unless the boards of township trustees of both of the townships determine, upon the basis of an engineering and traffic investigation, that the speed permitted by division (B)(5) of this section is greater than is reasonable or safe under the conditions found to exist at the location and both boards agree upon a reasonable and safe prima-facie speed limit of less than fifty-five but not less than twenty-five miles per hour for that location. If both boards so agree, each shall follow the procedure specified in division (K)(2) of this section for altering the prima-facie speed limit on the highway. Except as otherwise provided in division (K)(4)(b) of this section, no speed limit altered pursuant to division (K)(4)(a) of this section may be withdrawn unless the boards of township trustees of both townships determine that the altered prima-facie speed limit previously adopted becomes unreasonable and each board adopts a resolution withdrawing the altered prima-facie speed limit pursuant to the procedure specified in division (K)(3)(a) of this section.

(b) Whenever a highway described in division (K)(4)(a) of this section ceases to be an unimproved highway and two boards of township trustees have adopted an altered prima-facie speed limit pursuant to division (K)(4)(a) of this section, both boards shall, by resolution, withdraw the altered prima-facie speed limit as soon as the highway ceases to be unimproved. Upon the adoption of the resolution, the altered prima-facie speed limit becomes ineffective and the traffic control devices relating thereto shall be immediately removed.

(5) As used in division (K)(5) of this section:

(a) "Commercial subdivision" means any platted territory outside the limits of a municipal corporation and fronting a

highway where, for a distance of three hundred feet or more, the frontage is improved with buildings in use for commercial purposes, or where the entire length of the highway is less than three hundred feet long and the frontage is improved with buildings in use for commercial purposes.

(b) "Residential subdivision" means any platted territory outside the limits of a municipal corporation and fronting a highway, where, for a distance of three hundred feet or more, the frontage is improved with residences or residences and buildings in use for business, or where the entire length of the highway is less than three hundred feet long and the frontage is improved with residences or residences and buildings in use for business.

Whenever a board of township trustees finds upon the basis of an engineering and traffic investigation that the prima-facie speed permitted by division (B)(5) of this section on any part of a highway under its jurisdiction that is located in a commercial or residential subdivision, except on highways or portions thereof at the entrances to which vehicular traffic from the majority of intersecting highways is required to yield the right-of-way to vehicles on such highways in obedience to stop or yield signs or traffic control signals, is greater than is reasonable and safe under the conditions found to exist at the location, the board may by resolution declare a reasonable and safe prima-facie speed limit of less than fifty-five but not less than twenty-five miles per hour at the location. An altered speed limit adopted by a board of township trustees under this division shall become effective when appropriate signs giving notice thereof are erected at the location by the township. Whenever, in the opinion of a board of township trustees, any altered prima-facie speed limit established by it under this division becomes unreasonable, it may adopt a resolution withdrawing the altered prima-facie speed, and upon such withdrawal, the altered prima-facie speed shall become

ineffective, and the signs relating thereto shall be immediately removed by the township. 91171

~~(L)(1) Within one hundred twenty days of February 29, 1996, the director of transportation, based upon a geometric and traffic characteristic study of a freeway that is part of the interstate system or that is not part of the interstate system, but is built to the standards and specifications that are applicable to freeways that are part of the interstate system, in consultation with the director of public safety and, if applicable, the local authority having jurisdiction over a portion of such freeway, may determine and declare that the speed limit of less than sixty five miles per hour established on such freeway or portion of freeway either is reasonable and safe or is less than that which is reasonable and safe.~~ 91173

~~is not part of the interstate system, but is built to the standards and specifications that are applicable to freeways that are part of the interstate system and that has a speed limit of less than sixty five miles per hour, the speed limit on that freeway or portion of a freeway shall be sixty five miles per hour. The director of transportation or local authority having jurisdiction over the freeway or portion of the freeway shall erect appropriate signs giving notice of the speed limit of sixty five miles per hour at such location within one hundred fifty days of February 29, 1996. Such speed limit becomes effective only when such signs are erected at the location. A speed limit established through the operation of division (L)(3) of this section is subject to reduction under division (I)(2) of this section.~~

~~(M) Within three hundred sixty days after February 29, 1996, the director of transportation, based upon a geometric and traffic characteristic study of a rural, divided, multi-lane highway that has been designated as part of the national highway system under the "National Highway System Designation Act of 1995," 109 Stat. 568, 23 U.S.C.A. 103, in consultation with the director of public safety and, if applicable, the local authority having jurisdiction over a portion of the highway, may determine and declare that the speed limit of less than sixty five miles per hour established on the highway or portion of highway either is reasonable and safe or is less than that which is reasonable and safe.~~

~~If the established speed limit for the highway or portion of highway is determined to be less than that which is reasonable and safe, the director of transportation, in consultation with the director of public safety and, if applicable, the local authority having jurisdiction over the portion of highway, shall determine and declare a reasonable and safe speed limit of not more than sixty five miles per hour for that highway or portion of highway.~~

~~The director of transportation or local authority having jurisdiction over the highway or portion of highway shall erect appropriate signs giving notice of the speed limit at such location within three hundred ninety days after February 29, 1996. The speed limit becomes effective only when such signs are erected at the location. On the effective date of this amendment, the director of transportation, based upon an engineering study of a highway, expressway, or freeway described in division (B)(12), (13), (14), (15), or (16) of this section, in consultation with the director of public safety and, if applicable, the local authority having jurisdiction over the studied highway, expressway, or freeway, may determine and declare that the speed limit established on such highway, expressway, or freeway under division (B)(12), (13), (14), (15), or (16) of this section either is reasonable and safe or is more or less than that which is reasonable and safe.~~

(2) If the established speed limit for a highway, expressway, or freeway studied pursuant to division (L)(1) of this section is determined to be more or less than that which is reasonable and safe, the director of transportation, in consultation with the director of public safety and, if applicable, the local authority having jurisdiction over the studied highway, expressway, or freeway, shall determine and declare a reasonable and safe speed limit for that highway, expressway, or freeway.

(N)(1)(a) If the boundary of two local authorities rests on the centerline of a highway and both authorities have jurisdiction over the highway, the speed limit for the part of the highway within their joint jurisdiction shall be either one of the following as agreed to by both authorities:

(i) Either prima-facie speed limit permitted by division (B) of this section;

(ii) An altered speed limit determined and posted in

accordance with this section. 91267

(b) If the local authorities are unable to reach an 91268
agreement, the speed limit shall remain as established and posted 91269
under this section. 91270

(2) Neither local authority may declare an altered 91271
prima-facie speed limit pursuant to this section on the part of 91272
the highway under their joint jurisdiction unless both of the 91273
local authorities determine, upon the basis of an engineering and 91274
traffic investigation, that the speed permitted by this section is 91275
greater than is reasonable or safe under the conditions found to 91276
exist at the location and both authorities agree upon a uniform 91277
reasonable and safe prima-facie speed limit of less than 91278
fifty-five but not less than twenty-five miles per hour for that 91279
location. If both authorities so agree, each shall follow the 91280
procedure specified in this section for altering the prima-facie 91281
speed limit on the highway, and the speed limit for the part of 91282
the highway within their joint jurisdiction shall be uniformly 91283
altered. No altered speed limit may be withdrawn unless both local 91284
authorities determine that the altered prima-facie speed limit 91285
previously adopted becomes unreasonable and each adopts a 91286
resolution withdrawing the altered prima-facie speed limit 91287
pursuant to the procedure specified in this section. 91288

(0) As used in this section: 91289

(1) "Interstate system" has the same meaning as in 23 91290
U.S.C.A. 101. 91291

(2) "Commercial bus" means a motor vehicle designed for 91292
carrying more than nine passengers and used for the transportation 91293
of persons for compensation. 91294

(3) "Noncommercial bus" includes but is not limited to a 91295
school bus or a motor vehicle operated solely for the 91296
transportation of persons associated with a charitable or 91297

nonprofit organization. 91298

(4) "Outerbelt" means a portion of a freeway that is part of 91299
the interstate system and is located in the outer vicinity of a 91300
major municipal corporation or group of municipal corporations, as 91301
designated by the director. 91302

(5) "Rural" means outside urbanized areas, as designated in 91303
accordance with 23 U.S.C. 101, and outside of a business or urban 91304
district. 91305

(P)(1) A violation of any provision of this section is one of 91306
the following: 91307

(a) Except as otherwise provided in divisions (P)(1)(b), 91308
(1)(c), (2), and (3) of this section, a minor misdemeanor; 91309

(b) If, within one year of the offense, the offender 91310
previously has been convicted of or pleaded guilty to two 91311
violations of any provision of this section or of any provision of 91312
a municipal ordinance that is substantially similar to any 91313
provision of this section, a misdemeanor of the fourth degree; 91314

(c) If, within one year of the offense, the offender 91315
previously has been convicted of or pleaded guilty to three or 91316
more violations of any provision of this section or of any 91317
provision of a municipal ordinance that is substantially similar 91318
to any provision of this section, a misdemeanor of the third 91319
degree. 91320

(2) If the offender has not previously been convicted of or 91321
pleaded guilty to a violation of any provision of this section or 91322
of any provision of a municipal ordinance that is substantially 91323
similar to this section and operated a motor vehicle faster than 91324
thirty-five miles an hour in a business district of a municipal 91325
corporation, faster than fifty miles an hour in other portions of 91326
a municipal corporation, or faster than thirty-five miles an hour 91327
in a school zone during recess or while children are going to or 91328

leaving school during the school's opening or closing hours, a 91329
misdemeanor of the fourth degree. 91330

(3) Notwithstanding division (P)(1) of this section, if the 91331
offender operated a motor vehicle in a construction zone where a 91332
sign was then posted in accordance with section 4511.98 of the 91333
Revised Code, the court, in addition to all other penalties 91334
provided by law, shall impose upon the offender a fine of two 91335
times the usual amount imposed for the violation. No court shall 91336
impose a fine of two times the usual amount imposed for the 91337
violation upon an offender if the offender alleges, in an 91338
affidavit filed with the court prior to the offender's sentencing, 91339
that the offender is indigent and is unable to pay the fine 91340
imposed pursuant to this division and if the court determines that 91341
the offender is an indigent person and unable to pay the fine. 91342

Sec. 4511.69. (A) Every vehicle stopped or parked upon a 91343
roadway where there is an adjacent curb shall be stopped or parked 91344
with the right-hand wheels of the vehicle parallel with and not 91345
more than twelve inches from the right-hand curb, unless it is 91346
impossible to approach so close to the curb; in such case the stop 91347
shall be made as close to the curb as possible and only for the 91348
time necessary to discharge and receive passengers or to load or 91349
unload merchandise. Local authorities by ordinance may permit 91350
angle parking on any roadway under their jurisdiction, except that 91351
angle parking shall not be permitted on a state route within a 91352
municipal corporation unless an unoccupied roadway width of not 91353
less than twenty-five feet is available for free-moving traffic. 91354

(B) Local authorities by ordinance may permit parking of 91355
vehicles with the left-hand wheels adjacent to and within twelve 91356
inches of the left-hand curb of a one-way roadway. 91357

(C)(1)(a) Except as provided in division (C)~~(2)~~(1)(b) of this 91358
section, no vehicle or trackless trolley shall be stopped or 91359

parked on a road or highway with the vehicle or trackless trolley 91360
facing in a direction other than the direction of travel on that 91361
side of the road or highway. 91362

~~(2)(b)~~ The operator of a motorcycle may back the motorcycle 91363
into an angled parking space so that when the motorcycle is parked 91364
it is facing in a direction other than the direction of travel on 91365
the side of the road or highway. 91366

(2) The operator of a motorcycle may back the motorcycle into 91367
a parking space that is located on the side of, and parallel to, a 91368
road or highway. The motorcycle may face any direction when so 91369
parked. Not more than two motorcycles at a time shall be parked in 91370
a parking space as described in division (C)(2) of this section 91371
irrespective of whether or not the space is metered. 91372

(D) Notwithstanding any statute or any rule, resolution, or 91373
ordinance adopted by any local authority, air compressors, 91374
tractors, trucks, and other equipment, while being used in the 91375
construction, reconstruction, installation, repair, or removal of 91376
facilities near, on, over, or under a street or highway, may stop, 91377
stand, or park where necessary in order to perform such work, 91378
provided a flagperson is on duty or warning signs or lights are 91379
displayed as may be prescribed by the director of transportation. 91380

(E) Special parking locations and privileges for persons with 91381
disabilities that limit or impair the ability to walk, also known 91382
as handicapped parking spaces or disability parking spaces, shall 91383
be provided and designated by all political subdivisions and by 91384
the state and all agencies and instrumentalities thereof at all 91385
offices and facilities, where parking is provided, whether owned, 91386
rented, or leased, and at all publicly owned parking garages. The 91387
locations shall be designated through the posting of an elevated 91388
sign, whether permanently affixed or movable, imprinted with the 91389
international symbol of access and shall be reasonably close to 91390
exits, entrances, elevators, and ramps. All elevated signs posted 91391

in accordance with this division and division (C) of section 91392
3781.111 of the Revised Code shall be mounted on a fixed or 91393
movable post, and the distance from the ground to the bottom edge 91394
of the sign shall measure not less than five feet. If a new sign 91395
or a replacement sign designating a special parking location is 91396
posted on or after October 14, 1999, there also shall be affixed 91397
upon the surface of that sign or affixed next to the designating 91398
sign a notice that states the fine applicable for the offense of 91399
parking a motor vehicle in the special designated parking location 91400
if the motor vehicle is not legally entitled to be parked in that 91401
location. 91402

Sec. 4513.34. (A)(1) The director of transportation with 91560
respect to all highways that are a part of the state highway 91561
system and local authorities with respect to highways under their 91562
jurisdiction, upon application in writing, shall issue a special 91563
regional heavy hauling permit authorizing the applicant to operate 91564
or move a vehicle or combination of vehicles as follows: 91565

(a) At a size or weight of vehicle or load exceeding the 91566
maximum specified in sections 5577.01 to 5577.09 of the Revised 91567
Code, or otherwise not in conformity with sections 4513.01 to 91568
4513.37 of the Revised Code; 91569

(b) Upon any highway under the jurisdiction of the authority 91570
granting the permit except those highways with a condition 91571
insufficient to bear the weight of the vehicle or combination of 91572
vehicles as stated in the application; 91573

(c) For regional trips at distances of one hundred fifty 91574
miles or less from a facility stated on the application as the 91575
applicant's point of origin. 91576

Issuance of a special regional heavy hauling permit is 91577

subject to the payment of a fee established by the director or 91578
local authority in accordance with this section. 91579

(2) In circumstances where a person is not eligible to 91580
receive a permit under division (A)(1) of this section, the 91581
director of transportation with respect to all highways that are a 91582
part of the state highway system and local authorities with 91583
respect to highways under their jurisdiction, upon application in 91584
writing and for good cause shown, may issue a special permit in 91585
writing authorizing the applicant to operate or move a vehicle or 91586
combination of vehicles of a size or weight of vehicle or load 91587
exceeding the maximum specified in sections 5577.01 to 5577.09 of 91588
the Revised Code, or otherwise not in conformity with sections 91589
4513.01 to 4513.37 of the Revised Code, upon any highway under the 91590
jurisdiction of the authority granting the permit. 91591

(3) For purposes of this section, the director may designate 91592
certain state highways or portions of state highways as special 91593
economic development highways. If an application submitted to the 91594
director under this section involves travel of a nonconforming 91595
vehicle or combination of vehicles upon a special economic 91596
development highway, the director, in determining whether good 91597
cause has been shown that issuance of a permit is justified, shall 91598
consider the effect the travel of the vehicle or combination of 91599
vehicles will have on the economic development in the area in 91600
which the designated highway or portion of highway is located. 91601

(B) Notwithstanding sections 715.22 and 723.01 of the Revised 91602
Code, the holder of a permit issued by the director under this 91603
section may move the vehicle or combination of vehicles described 91604
in the permit on any highway that is a part of the state highway 91605
system when the movement is partly within and partly without the 91606
corporate limits of a municipal corporation. No local authority 91607
shall require any other permit or license or charge any license 91608
fee or other charge against the holder of a permit for the 91609

movement of a vehicle or combination of vehicles on any highway 91610
that is a part of the state highway system. The director shall not 91611
require the holder of a permit issued by a local authority to 91612
obtain a special permit for the movement of vehicles or 91613
combination of vehicles on highways within the jurisdiction of the 91614
local authority. Permits may be issued for any period of time not 91615
to exceed one year, as the director in the director's discretion 91616
or a local authority in its discretion determines advisable, or 91617
for the duration of any public construction project. 91618

(C)(1) The application for a permit issued under this section 91619
shall be in the form that the director or local authority 91620
prescribes. The director or local authority may prescribe a permit 91621
fee to be imposed and collected when any permit described in this 91622
section is issued. The permit fee may be in an amount sufficient 91623
to reimburse the director or local authority for the 91624
administrative costs incurred in issuing the permit, and also to 91625
cover the cost of the normal and expected damage caused to the 91626
roadway or a street or highway structure as the result of the 91627
operation of the nonconforming vehicle or combination of vehicles. 91628
The director, in accordance with Chapter 119. of the Revised Code, 91629
shall establish a schedule of fees for permits issued by the 91630
director under this section; however, the fee to operate a triple 91631
trailer unit, at locations authorized under federal law, shall be 91632
one hundred dollars. 91633

(2) For the purposes of this section and of rules adopted by 91634
the director under this section, milk transported in bulk by 91635
vehicle is deemed a nondivisible load. 91636

(3) For purposes of this section and of rules adopted by the 91637
director under this section, three or fewer aluminum coils, 91638
transported by a vehicle, are deemed a nondivisible load. The 91639
director shall adopt rules establishing requirements for an 91640
aluminum coil permit that are substantially similar to the 91641

requirements for a steel coil permit under Chapter 5501:2-1 of the 91642
Administrative Code. 91643

(D) The director or a local authority shall issue a special 91644
regional heavy hauling permit under division (A)(1) of this 91645
section upon application and payment of the applicable fee. 91646
However, the director or local authority may issue or withhold a 91647
special permit specified in division (A)(2) of this section. If a 91648
permit is to be issued, the director or local authority may limit 91649
or prescribe conditions of operation for the vehicle and may 91650
require the posting of a bond or other security conditioned upon 91651
the sufficiency of the permit fee to compensate for damage caused 91652
to the roadway or a street or highway structure. In addition, a 91653
local authority, as a condition of issuance of an overweight 91654
permit, may require the applicant to develop and enter into a 91655
mutual agreement with the local authority to compensate for or to 91656
repair excess damage caused to the roadway by travel under the 91657
permit. 91658

For a permit that will allow travel of a nonconforming 91659
vehicle or combination of vehicles on a special economic 91660
development highway, the director, as a condition of issuance, may 91661
require the applicant to agree to make periodic payments to the 91662
department to compensate for damage caused to the roadway by 91663
travel under the permit. 91664

(E) Every permit issued under this section shall be carried 91665
in the vehicle or combination of vehicles to which it refers and 91666
shall be open to inspection by any police officer or authorized 91667
agent of any authority granting the permit. No person shall 91668
violate any of the terms of a permit. 91669

(F) The director may debar an applicant from applying for a 91670
permit under this section upon a finding based on a reasonable 91671
belief that the applicant has done any of the following: 91672

(1) Abused the process by repeatedly submitting false information or false travel plans or by using another company or individual's name, insurance, or escrow account without proper authorization;	91673 91674 91675 91676
(2) Failed to comply with or substantially perform under a previously issued permit according to its terms, conditions, and specifications within specified time limits;	91677 91678 91679
(3) Failed to cooperate in the application process for the permit or in any other procedures that are related to the issuance of the permit by refusing to provide information or documents required in a permit or by failing to respond to and correct matters related to the permit;	91680 91681 91682 91683 91684
(4) Accumulated repeated justified complaints regarding performance under a permit that was previously issued to the applicant or previously failed to obtain a permit when such a permit was required;	91685 91686 91687 91688
(5) Attempted to influence a public employee to breach ethical conduct standards;	91689 91690
(6) Been convicted of a criminal offense related to the application for, or performance under, a permit, including, but not limited to, bribery, falsification, fraud or destruction of records, receiving stolen property, and any other offense that directly reflects on the applicant's integrity or commercial driver's license;	91691 91692 91693 91694 91695 91696
(7) Accumulated repeated convictions under a state or federal safety law governing commercial motor vehicles or a rule or regulation adopted under such a law;	91697 91698 91699
(8) Accumulated repeated convictions under a law, rule, or regulation governing the movement of traffic over the public streets and highways;	91700 91701 91702

(9) Failed to pay any fees associated with any permitted operation or move; 91703

(10) Deliberately or willfully submitted false or misleading information in connection with the application for, or performance under, a permit issued under this section. 91705
91706

91712

The director may adopt rules in accordance with Chapter 119. of the Revised Code governing the debarment of an applicant. 91713
91714

(G) When the director reasonably believes that grounds for debarment exist, the director shall send the person that is subject to debarment a notice of the proposed debarment. A notice of proposed debarment shall indicate the grounds for the debarment of the person and the procedure for requesting a hearing. The notice and hearing shall be in accordance with Chapter 119. of the Revised Code. If the person does not respond with a request for a hearing in the manner specified in that chapter, the director shall issue the debarment decision without a hearing and shall notify the person of the decision by certified mail, return receipt requested. The debarment period may be of any length determined by the director, and the director may modify or rescind the debarment at any time. During the period of debarment, the director shall not issue, or consider issuing, a permit under this section to any partnership, association, or corporation that is affiliated with a debarred person. do so before the first day of July shall reapply for licensure in 91943
the same manner and pursuant to the same requirements as for 91944
initial licensure, unless before the first day of September of the 91945

hundred dollars. 91948

(B)(1) Each person to whom the department issues an 91949

under section 4707.07 of the Revised Code or to a corporation, 91959
limited liability company, partnership, or association under 91960
section 4707.073 of the Revised Code. 91961

the first day of July is prohibited from engaging in any activity 91986
specified or comprehended in section 4707.01 of the Revised Code 91987
until such time as the person's license is renewed or a new 91988
license is issued. Renewal of a license between the first day of 91989
July and the first day of September does not relieve any person 91990
from complying with this division. The department may refuse to 91991
renew the license of or issue a new license to any person who 91992
violates this division. 91993

(D) The department shall prepare and deliver to each licensee 91994

each auctioneer or apprentice auctioneer licensee of any change of 92002
principal business location or any change or addition to the name 92003
or names under which business is conducted, whereupon the 92004
department shall issue a new license for the unexpired period. Any 92005
change of business location or change or addition of names without 92006
notification to the department shall automatically cancel any 92007
license previously issued. For each new ~~auctioneer~~ auctioneer's or 92008
apprentice ~~auctioneer~~ auctioneer's license issued upon the 92009
occasion of a change in business location or a change in or an 92010
addition of names under which business is conducted, the 92011

department may collect a fee of ten dollars for each change in 92012
location, or name or each added name unless the notification of 92013
the change occurs concurrently with the renewal application or 92014
unless otherwise provided in section 4707.07 of the Revised Code. 92015

Sec. 4709.11. Every license issued pursuant to this chapter 92016
expires on the thirty-first day of August of each even-numbered 92017

first day of September of each even-numbered year, renew ~~his~~ the 92019
licensee's license pursuant to the standard renewal procedure of 92020
Chapter 4745. of the Revised Code. Any holder of an expired 92021
license shall restore ~~his~~ the holder's license before continuing 92022
the practice of barbering or the activity for which ~~he~~ the holder 92023
is licensed under this chapter and pay the appropriate restoration 92024

(2) The board shall send to the crematory review board 92935
written notice that it proposes to refuse to issue or renew, or 92936

facility. If, after the conclusion of the adjudicatory hearing on 92938
the matter conducted under division ~~(E)~~(F) of section 4717.03 of 92939
the Revised Code, the board of embalmers and funeral directors 92940
finds that any of the circumstances described in divisions (A)(1) 92941
to (10) of this section apply to the person named in its proposed 92942
action, the board may issue a final order under division ~~(E)~~(F) of 92943
section 4717.03 of the Revised Code refusing to issue or renew, or 92944
suspending or revoking, the person's license to operate a 92945
crematory facility. 92946

(C) If the board of embalmers and funeral directors 92947
determines that there is clear and convincing evidence that any of 92948
the circumstances described in divisions (A)(1) to (10) of this 92949
section apply to the holder of a license issued under this chapter 92950
and that the licensee's continued practice presents a danger of 92951
immediate and serious harm to the public, the board may suspend 92952
the licensee's license without a prior adjudicatory hearing. The 92953
executive director of the board shall prepare written allegations 92954
for consideration by the board. 92955

The board, after reviewing the written allegations, may 92956
suspend a license without a prior hearing. 92957

The board shall issue a written order of suspension by a 92958
delivery system or in person in accordance with section 119.07 of 92959
the Revised Code. Such an order is not subject to suspension by 92960
the court during the pendency of any appeal filed under section 92961
119.12 of the Revised Code. If the holder of an embalmer's, 92962

funeral director's, funeral home, or embalming facility license 92963
requests an adjudicatory hearing by the board, the date set for 92964
the hearing shall be within fifteen days, but not earlier than 92965
seven days, after the licensee has requested a hearing, unless the 92966
board and the licensee agree to a different time for holding the 92967
hearing. 92968

Upon issuing a written order of suspension to the holder of a 92969
license to operate a crematory facility, the board of embalmers 92970
and funeral directors shall send written notice of the issuance of 92971
the order to the crematory review board. The crematory review 92972
board shall hold an adjudicatory hearing on the order under 92973
division ~~(E)~~(F) of section 4717.03 of the Revised Code within 92974
fifteen days, but not earlier than seven days, after the issuance 92975
of the order, unless the crematory review board and the licensee 92976
agree to a different time for holding the adjudicatory hearing. 92977

Any summary suspension imposed under this division shall 92978
remain in effect, unless reversed on appeal, until a final 92979
adjudicatory order issued by the board of embalmers and funeral 92980
directors pursuant to this division and Chapter 119. of the 92981
Revised Code, or division ~~(E)~~(F) of section 4717.03 of the Revised 92982
Code, as applicable, becomes effective. The board of embalmers and 92983
funeral directors shall issue its final adjudicatory order within 92984
sixty days after the completion of its hearing or, in the case of 92985
the summary suspension of a license to operate a crematory 92986
facility, within sixty days after completion of the adjudicatory 92987
hearing by the crematory review board. A failure to issue the 92988
order within that time results in the dissolution of the summary 92989
suspension order, but does not invalidate any subsequent final 92990
adjudicatory order. 92991

(D) If the board of embalmers and funeral directors suspends 92992
or revokes a license held by a funeral director or a funeral home 92993
for any reason identified in division (A) of this section, the 92994

board may file a complaint with the court of common pleas in the 92995
county where the violation occurred requesting appointment of a 92996
receiver and the sequestration of the assets of the funeral home 92997
that held the suspended or revoked license or the licensed funeral 92998
home that employs the funeral director that held the suspended or 92999
revoked license. If the court of common pleas is satisfied with 93000
the application for a receivership, the court may appoint a 93001
receiver. 93002

The board or a receiver may employ and procure whatever 93003
assistance or advice is necessary in the receivership or 93004
liquidation and distribution of the assets of the funeral home, 93005
and, for that purpose, may retain officers or employees of the 93006
funeral home as needed. All expenses of the receivership or 93007
liquidation shall be paid from the assets of the funeral home and 93008
shall be a lien on those assets, and that lien shall be a priority 93009
to any other lien. 93010

(E) Any holder of a license issued under this chapter who has 93011
pleaded guilty to, has been found by a judge or jury to be guilty 93012
of, or has had a judicial finding of eligibility for treatment in 93013
lieu of conviction entered against the individual in this state 93014
for aggravated murder, murder, voluntary manslaughter, felonious 93015
assault, kidnapping, rape, sexual battery, gross sexual 93016
imposition, aggravated arson, aggravated robbery, or aggravated 93017
burglary, or who has pleaded guilty to, has been found by a judge 93018
or jury to be guilty of, or has had a judicial finding of 93019
eligibility for treatment in lieu of conviction entered against 93020
the individual in another jurisdiction for any substantially 93021
equivalent criminal offense, is hereby suspended from practice 93022
under this chapter by operation of law, and any license issued to 93023
the individual under this chapter is hereby suspended by operation 93024
of law as of the date of the guilty plea, verdict or finding of 93025
guilt, or judicial finding of eligibility for treatment in lieu of 93026

conviction, regardless of whether the proceedings are brought in 93027
this state or another jurisdiction. The board shall notify the 93028
suspended individual of the suspension of the individual's license 93029
by the operation of this division by a delivery system or in 93030
person in accordance with section 119.07 of the Revised Code. If 93031
an individual whose license is suspended under this division fails 93032
to make a timely request for an adjudicatory hearing, the board 93033
shall enter a final order revoking the license. 93034

(F) No person whose license has been suspended or revoked 93035
under or by the operation of this section shall practice embalming 93036
or funeral directing or operate a funeral home, embalming 93037
facility, or crematory facility until the board has reinstated the 93038
person's license. 93039

Sec. 4717.15. (A) The board of embalmers and funeral 93040
directors, without the necessity for conducting a prior 93041
adjudication hearing, may issue a notice of violation to the 93042
holder of an embalmer's, funeral director's, funeral home, or 93043
embalming facility license issued under this chapter who the board 93044
finds has committed any of the violations described in divisions 93045
(A)(9)(a) to (g) of section 4717.04 of the Revised Code. The 93046
notice shall set forth the specific violation committed by the 93047
licensee and shall be sent by certified mail. The notice shall be 93048
accompanied by an order requiring the payment of the appropriate 93049
forfeiture prescribed in rules adopted under division (A)(9) of 93050

or certificate of registration issued by the board. 94396

(B) The board, by an affirmative vote of not fewer than six 94397
members, shall, to the extent permitted by law, limit, revoke, or 94398
suspend an individual's certificate to practice, refuse to 94399
register an individual, refuse to reinstate a certificate, or 94400
reprimand or place on probation the holder of a certificate for 94401
one or more of the following reasons: 94402

(1) Permitting one's name or one's certificate to practice or 94403
certificate of registration to be used by a person, group, or 94404
corporation when the individual concerned is not actually 94405

directing the treatment given;	94406
(2) Failure to maintain minimal standards applicable to the selection or administration of drugs, or failure to employ acceptable scientific methods in the selection of drugs or other modalities for treatment of disease;	94407 94408 94409 94410
(3) Selling, giving away, personally furnishing, prescribing, or administering drugs for other than legal and legitimate therapeutic purposes or a plea of guilty to, a judicial finding of guilt of, or a judicial finding of eligibility for intervention in lieu of conviction of, a violation of any federal or state law regulating the possession, distribution, or use of any drug;	94411 94412 94413 94414 94415 94416
(4) Willfully betraying a professional confidence.	94417
For purposes of this division, "willfully betraying a professional confidence" does not include providing any information, documents, or reports to a child fatality review board under sections 307.621 to 307.629 of the Revised Code and does not include the making of a report of an employee's use of a drug of abuse, or a report of a condition of an employee other than one involving the use of a drug of abuse, to the employer of the employee as described in division (B) of section 2305.33 of the Revised Code. Nothing in this division affects the immunity from civil liability conferred by that section upon a physician who makes either type of report in accordance with division (B) of that section. As used in this division, "employee," "employer," and "physician" have the same meanings as in section 2305.33 of the Revised Code.	94418 94419 94420 94421 94422 94423 94424 94425 94426 94427 94428 94429 94430 94431
(5) Making a false, fraudulent, deceptive, or misleading statement in the solicitation of or advertising for patients; in relation to the practice of medicine and surgery, osteopathic medicine and surgery, podiatric medicine and surgery, or a limited branch of medicine; or in securing or attempting to secure any	94432 94433 94434 94435 94436

certificate to practice or certificate of registration issued by 94437
the board. 94438

As used in this division, "false, fraudulent, deceptive, or 94439
misleading statement" means a statement that includes a 94440
misrepresentation of fact, is likely to mislead or deceive because 94441
of a failure to disclose material facts, is intended or is likely 94442
to create false or unjustified expectations of favorable results, 94443
or includes representations or implications that in reasonable 94444
probability will cause an ordinarily prudent person to 94445
misunderstand or be deceived. 94446

(6) A departure from, or the failure to conform to, minimal 94447
standards of care of similar practitioners under the same or 94448
similar circumstances, whether or not actual injury to a patient 94449
is established; 94450

(7) Representing, with the purpose of obtaining compensation 94451
or other advantage as personal gain or for any other person, that 94452
an incurable disease or injury, or other incurable condition, can 94453
be permanently cured; 94454

(8) The obtaining of, or attempting to obtain, money or 94455
anything of value by fraudulent misrepresentations in the course 94456
of practice; 94457

(9) A plea of guilty to, a judicial finding of guilt of, or a 94458
judicial finding of eligibility for intervention in lieu of 94459
conviction for, a felony; 94460

(10) Commission of an act that constitutes a felony in this 94461
state, regardless of the jurisdiction in which the act was 94462
committed; 94463

(11) A plea of guilty to, a judicial finding of guilt of, or 94464
a judicial finding of eligibility for intervention in lieu of 94465
conviction for, a misdemeanor committed in the course of practice; 94466

(12) Commission of an act in the course of practice that constitutes a misdemeanor in this state, regardless of the jurisdiction in which the act was committed;	94467 94468 94469
(13) A plea of guilty to, a judicial finding of guilt of, or a judicial finding of eligibility for intervention in lieu of conviction for, a misdemeanor involving moral turpitude;	94470 94471 94472
(14) Commission of an act involving moral turpitude that constitutes a misdemeanor in this state, regardless of the jurisdiction in which the act was committed;	94473 94474 94475
(15) Violation of the conditions of limitation placed by the board upon a certificate to practice;	94476 94477
(16) Failure to pay license renewal fees specified in this chapter;	94478 94479
(17) Except as authorized in section 4731.31 of the Revised Code, engaging in the division of fees for referral of patients, or the receiving of a thing of value in return for a specific referral of a patient to utilize a particular service or business;	94480 94481 94482 94483
(18) Subject to section 4731.226 of the Revised Code, violation of any provision of a code of ethics of the American medical association, the American osteopathic association, the American podiatric medical association, or any other national professional organizations that the board specifies by rule. The state medical board shall obtain and keep on file current copies of the codes of ethics of the various national professional organizations. The individual whose certificate is being suspended or revoked shall not be found to have violated any provision of a code of ethics of an organization not appropriate to the individual's profession.	94484 94485 94486 94487 94488 94489 94490 94491 94492 94493 94494
For purposes of this division, a "provision of a code of ethics of a national professional organization" does not include any provision that would preclude the making of a report by a	94495 94496 94497

physician of an employee's use of a drug of abuse, or of a 94498
condition of an employee other than one involving the use of a 94499
drug of abuse, to the employer of the employee as described in 94500
division (B) of section 2305.33 of the Revised Code. Nothing in 94501
this division affects the immunity from civil liability conferred 94502
by that section upon a physician who makes either type of report 94503
in accordance with division (B) of that section. As used in this 94504
division, "employee," "employer," and "physician" have the same 94505
meanings as in section 2305.33 of the Revised Code. 94506

(19) Inability to practice according to acceptable and 94507
prevailing standards of care by reason of mental illness or 94508
physical illness, including, but not limited to, physical 94509
deterioration that adversely affects cognitive, motor, or 94510
perceptive skills. 94511

In enforcing this division, the board, upon a showing of a 94512
possible violation, may compel any individual authorized to 94513
practice by this chapter or who has submitted an application 94514
pursuant to this chapter to submit to a mental examination, 94515
physical examination, including an HIV test, or both a mental and 94516
a physical examination. The expense of the examination is the 94517
responsibility of the individual compelled to be examined. Failure 94518
to submit to a mental or physical examination or consent to an HIV 94519
test ordered by the board constitutes an admission of the 94520
allegations against the individual unless the failure is due to 94521
circumstances beyond the individual's control, and a default and 94522
final order may be entered without the taking of testimony or 94523
presentation of evidence. If the board finds an individual unable 94524
to practice because of the reasons set forth in this division, the 94525
board shall require the individual to submit to care, counseling, 94526
or treatment by physicians approved or designated by the board, as 94527
a condition for initial, continued, reinstated, or renewed 94528
authority to practice. An individual affected under this division 94529

shall be afforded an opportunity to demonstrate to the board the ability to resume practice in compliance with acceptable and prevailing standards under the provisions of the individual's certificate. For the purpose of this division, any individual who applies for or receives a certificate to practice under this chapter accepts the privilege of practicing in this state and, by so doing, shall be deemed to have given consent to submit to a mental or physical examination when directed to do so in writing by the board, and to have waived all objections to the admissibility of testimony or examination reports that constitute a privileged communication.

(20) Except when civil penalties are imposed under section 4731.225 or 4731.281 of the Revised Code, and subject to section 4731.226 of the Revised Code, violating or attempting to violate, directly or indirectly, or assisting in or abetting the violation of, or conspiring to violate, any provisions of this chapter or any rule promulgated by the board.

This division does not apply to a violation or attempted violation of, assisting in or abetting the violation of, or a conspiracy to violate, any provision of this chapter or any rule adopted by the board that would preclude the making of a report by a physician of an employee's use of a drug of abuse, or of a condition of an employee other than one involving the use of a drug of abuse, to the employer of the employee as described in division (B) of section 2305.33 of the Revised Code. Nothing in this division affects the immunity from civil liability conferred by that section upon a physician who makes either type of report in accordance with division (B) of that section. As used in this division, "employee," "employer," and "physician" have the same meanings as in section 2305.33 of the Revised Code.

(21) The violation of section 3701.79 of the Revised Code or of any abortion rule adopted by the public health council pursuant

to section 3701.341 of the Revised Code; 94562

(22) Any of the following actions taken by an agency 94563
responsible for authorizing, certifying, or regulating an 94564
individual to practice a health care occupation or provide health 94565
care services in this state or another jurisdiction, for any 94566
reason other than the nonpayment of fees: the limitation, 94567
revocation, or suspension of an individual's license to practice; 94568
acceptance of an individual's license surrender; denial of a 94569
license; refusal to renew or reinstate a license; imposition of 94570
probation; or issuance of an order of censure or other reprimand; 94571

(23) The violation of section 2919.12 of the Revised Code or 94572
the performance or inducement of an abortion upon a pregnant woman 94573
with actual knowledge that the conditions specified in division 94574
(B) of section 2317.56 of the Revised Code have not been satisfied 94575
or with a heedless indifference as to whether those conditions 94576
have been satisfied, unless an affirmative defense as specified in 94577
division (H)(2) of that section would apply in a civil action 94578
authorized by division (H)(1) of that section; 94579

(24) The revocation, suspension, restriction, reduction, or 94580
termination of clinical privileges by the United States department 94581
of defense or department of veterans affairs or the termination or 94582
suspension of a certificate of registration to prescribe drugs by 94583
the drug enforcement administration of the United States 94584
department of justice; 94585

(25) Termination or suspension from participation in the 94586
medicare or medicaid programs by the department of health and 94587
human services or other responsible agency for any act or acts 94588
that also would constitute a violation of division (B)(2), (3), 94589
(6), (8), or (19) of this section; 94590

(26) Impairment of ability to practice according to 94591
acceptable and prevailing standards of care because of habitual or 94592

excessive use or abuse of drugs, alcohol, or other substances that 94593
impair ability to practice. 94594

For the purposes of this division, any individual authorized 94595
to practice by this chapter accepts the privilege of practicing in 94596
this state subject to supervision by the board. By filing an 94597
application for or holding a certificate to practice under this 94598
chapter, an individual shall be deemed to have given consent to 94599
submit to a mental or physical examination when ordered to do so 94600
by the board in writing, and to have waived all objections to the 94601
admissibility of testimony or examination reports that constitute 94602
privileged communications. 94603

If it has reason to believe that any individual authorized to 94604
practice by this chapter or any applicant for certification to 94605
practice suffers such impairment, the board may compel the 94606
individual to submit to a mental or physical examination, or both. 94607
The expense of the examination is the responsibility of the 94608
individual compelled to be examined. Any mental or physical 94609
examination required under this division shall be undertaken by a 94610
treatment provider or physician who is qualified to conduct the 94611
examination and who is chosen by the board. 94612

Failure to submit to a mental or physical examination ordered 94613
by the board constitutes an admission of the allegations against 94614
the individual unless the failure is due to circumstances beyond 94615
the individual's control, and a default and final order may be 94616
entered without the taking of testimony or presentation of 94617
evidence. If the board determines that the individual's ability to 94618
practice is impaired, the board shall suspend the individual's 94619
certificate or deny the individual's application and shall require 94620
the individual, as a condition for initial, continued, reinstated, 94621
or renewed certification to practice, to submit to treatment. 94622

Before being eligible to apply for reinstatement of a 94623
certificate suspended under this division, the impaired 94624

practitioner shall demonstrate to the board the ability to resume 94625
practice in compliance with acceptable and prevailing standards of 94626
care under the provisions of the practitioner's certificate. The 94627
demonstration shall include, but shall not be limited to, the 94628
following: 94629

(a) Certification from a treatment provider approved under 94630
section 4731.25 of the Revised Code that the individual has 94631
successfully completed any required inpatient treatment; 94632

(b) Evidence of continuing full compliance with an aftercare 94633
contract or consent agreement; 94634

(c) Two written reports indicating that the individual's 94635
ability to practice has been assessed and that the individual has 94636
been found capable of practicing according to acceptable and 94637
prevailing standards of care. The reports shall be made by 94638
individuals or providers approved by the board for making the 94639
assessments and shall describe the basis for their determination. 94640

The board may reinstate a certificate suspended under this 94641
division after that demonstration and after the individual has 94642
entered into a written consent agreement. 94643

When the impaired practitioner resumes practice, the board 94644
shall require continued monitoring of the individual. The 94645
monitoring shall include, but not be limited to, compliance with 94646
the written consent agreement entered into before reinstatement or 94647
with conditions imposed by board order after a hearing, and, upon 94648
termination of the consent agreement, submission to the board for 94649
at least two years of annual written progress reports made under 94650
penalty of perjury stating whether the individual has maintained 94651
sobriety. 94652

(27) A second or subsequent violation of section 4731.66 or 94653
4731.69 of the Revised Code; 94654

(28) Except as provided in division (N) of this section: 94655

(a) Waiving the payment of all or any part of a deductible or copayment that a patient, pursuant to a health insurance or health care policy, contract, or plan that covers the individual's services, otherwise would be required to pay if the waiver is used as an enticement to a patient or group of patients to receive health care services from that individual;

(b) Advertising that the individual will waive the payment of all or any part of a deductible or copayment that a patient, pursuant to a health insurance or health care policy, contract, or plan that covers the individual's services, otherwise would be required to pay.

(29) Failure to use universal blood and body fluid precautions established by rules adopted under section 4731.051 of the Revised Code;

(30) Failure to provide notice to, and receive acknowledgment of the notice from, a patient when required by section 4731.143 of the Revised Code prior to providing nonemergency professional services, or failure to maintain that notice in the patient's file;

(31) Failure of a physician supervising a physician assistant to maintain supervision in accordance with the requirements of Chapter 4730. of the Revised Code and the rules adopted under that chapter;

(32) Failure of a physician or podiatrist to enter into a standard care arrangement with a clinical nurse specialist, certified nurse-midwife, or certified nurse practitioner with whom the physician or podiatrist is in collaboration pursuant to section 4731.27 of the Revised Code or failure to fulfill the responsibilities of collaboration after entering into a standard care arrangement;

(33) Failure to comply with the terms of a consult agreement

entered into with a pharmacist pursuant to section 4729.39 of the Revised Code; 94687
94688
